The Jewish secret leader of the American CIA, A.B. King, is reported by the British newspaper "FINANCIAL TIMES", to be the Executive Director of the American CIA and the "WALL STREET JOURNAL" of September 24, 2001 and February 14, 2002, reported that a secret investigation was underway to determine why there was a sudden astronomical purchase of short option interests, by American and United Airlines before 9-11. This resulted in many millions of dollars in quick profits for these airline giants.

Strangely enough, this was the only report made by the "WALL STREET JOURNAL". Why the sudden silence?

How can there be a "secret Director of the CIA operation", Jewish or otherwise, who directs the operations, when the "man on the street" has never heard about it?

More and more evidence is surfacing, that the CIA and FBI and British Intelligence had prior knowledge of the planned murder of thousands of our citizens. This therefore becomes criminal knowledge ", and should be punished.

Breach of Censorship Rules!
At least twice, since September 11th, the Fox News Network has breached censorship rules, which prohibit dissemination of any information, however true, that are negative to the Israelis.

In two reports on December 12' and 14th of 2001, Brit Hume, featuring Carl Cameron admitted that 60 Israelis had been apprehended since the 9-11 attack. Cameron stated that these suspects had very possibly been gathering intelligence in the United States that would have warned of the 9-11 attacks, and deliberately withheld it from American sources.

Cameron went on to explain that there were tie-ins, but was not specific on what they were. Fox News stated: "There is enough evidence linking the Israeli to 9-11, but this information is classified (which means it will never be shared with the American people).

On December 14, 2001, Tony Snow and Carl Cameron of Fox News stated: "There is a long term U.S. Intelligence espionage investigation going on. Federal agents this year (2001) have arrested nearly 200 Israeli citizens suspect of belonging either to the Israeli military or their intelligence (MOSSAD)."

Cameron described an Israeli developed Intelligence operation that has apparently penetrated our government
wire-tapping system. This is tied in with the 1997 local/state/federal investigation in which Israeli nationals were involved with major drug operations in New York, Miami, Las Vegas, Canada, Israel and Egypt. This operation dealt in cocaine and ecstasy trafficking and sophisticated White-collar credit card and computer fraud.

It becomes quite evident that Israeli citizens, often with dual citizenship with the United States, are violating American laws with impunity, in many ways the long-suffering American public has never heard about. (With friends such as these, who needs any enemies?) Yet liberals in government and the church, still insist on giving them, "most favored status ", when in reality they are our enemies.

In addition to the original 60 Israelis arrested, 130 more have been arrested, many with illegal entry documents.

Fox News reported that U.S. intelligence gathering operations described these as an "organized intelligence gathering operation with orders to penetrate our government facilities."

When Cameron was asked what Bush officials were saying about this investigation, he replied, "Well there's real pandemonium in the FBI and DEA. Already a variety of administrative reviews are under way . . . They are all very careful because of the explosive political nature of the subject."

Based on past experience, I'd be willing to bet it will be another cover-up of Israeli actions against the best interests of the United States, as has been the case in the past. The controlled media cannot afford for the American people to learn the truth! It is one more proof of the moral and spiritual degeneracy of our once great nation.

It is a readily recognized fact, that our deployment of military forces to Afghanistan, has been to the distinct benefit of the Israeli and International Zionism and is drawing us deeper and deeper into the quicksand of the planned Zionist New World Order. (In fact many of the liberals in Congress are working for this day.)

Yet in spite of the fact that we have once again allowed ourselves to be seduced into another international Jewish war, which could very well escalate into something we cannot handle, and which could very well end with the loss of millions of American lives, and the loss of our cherished freedom, there is every reason to believe that the American people will once again be called to pull Jewish chestnuts from the fire."

Have the political and military leaders gone mad? Do they believe we could take on enemies such as Red China? Surely we are not naive enough to believe we could take on Red China and other enemies, when they control the strategic Panama Canal!

There is now a decided shortage of potent weapons, which have been used up in our brush fire war in Afghanistan. Do we have a death wish, for our people to be defeated and come under Zionist World control? Now we are becoming involved worldwide, when we refuse to control our own borders, and the terrorists who are already within our borders. Every great nation in world history that has taken this route, has left it's bone's to bleach on the sands of history. Surely the old adage is still true: "He who refuses to learn from the mistakes of history, is bound to repeat them!"

Now, in the face of a biological terrorist threat, we are not even sure the vaccine we have available will work, and we are forced to obtain it from an Arab investor named Faud ElHivri, who was put into business by former Admiral William J. Crowe, a former Chairman of our Joint Chief's of Staff, who served as our Ambassador to Britain under President Clinton. (As you may remember, Crowe was the only high ranking military man who supported the election of "Slick Willie" to President in 1992.) Today he owns 22% of this Arab company, as the trail of treason grows and grows.

According to Lawrence Halloran of the Sub-committee on National Security of the House, ex-Admiral Crowe is a member of the secret societies program for world control.

For those of you who may be further interested in this Anthrax scandal write to 1'HL ANTHRAX VACCINE NETWORK, P.O. Box 844, Missoula, Montana 59806, or call 1-888-411-3209.

If our government expects to use these poisonous vaccines on our people, while they are still in the experimental
stages, they are no better than the Nazis or Japanese during World War II, who used humans as guinea pigs. This is all part of government "humanist immorality" that has crept in as America has gradually abandoned God.

The general public is not aware that over 60,000 veterans from Desert Storm have died, with another 40,000 or more being crippled because of poisonous vaccines military members were forced to take.

Those who have sought to expose these criminal acts have been laughed to scorn, and some actually persecuted by those who desire to cover these criminal acts.

Only concerned citizens, can stop this!

Representative Ron Paul (R) is one of the few Congressional patriots who have the guts to attempt to stop these crimes and has complained bitterly that the House was forced into a late night vote on the recent Omnibus Terrorist Bill (known as the Patriot Act). House liberals recently voted this into law, although few members had been given the opportunity of reading it. So the treason continues!

This new bill is grossly inadequate in many of its sections relating to our Constitutional guarantees and the Bill of Rights. It has completely emasculated the 4th Amendment against unlawful search and seizure, in the name of fighting terrorism. It was Benjamin Franklin who said, "He who is willing to give up freedom for temporary safety, deserves neither." This is being proven today by liberal traitors who are only interested in power and control.

The Secret Zionist Societies, which now control America, have taken full advantage of the American public's naivety (lack of knowledge and lack of understanding, and are being manipulated into One World Slavery). The words of Hosea 4:6 are more appropriate today than ever before, when God said, "My people are destroyed from a lack of knowledge." Not lack of education, but knowledge, which are not the same. Our country is overrun today with "educated idiots ", many of them in politics and the church.

Zionist won the Sweepstakes for world control, in 1917, when the allies signed the Balfour Agreement, which promised Palestine to the Jews, as the price of getting America involved in the First World War on their side. From there the path to destruction of America's freedom, has been down hill all the way. Especially since we sold our economy to International Judaism in 1913 through the Federal Reserve Act. For when you control the economy of a country, you control that country and it's people.

More and more we are seeing actions by our government to place all blame and pressure on the shoulders of patriotic Christian citizens, who have always been the backbone in defense of American freedom.

The Jewish Lobby, the most powerful in Washington DC, is pressuring Congress to pass the Zionist spawned Anti-Hate Bill S-625. According to researcher and publisher Theodore Pike, if this bill is passed it will amount to making criminals out of thousands of sincere Christians. While giving protection to "gays, sex perverts, dope pushers and other undesirables", it will threaten the very existence of sincere Christians and may be laying the groundwork for Christ's prophesy in John 16:2, when He said, "They (referring to the Jews) shall put you out of the synagogues (meeting places); yea, the time cometh that whosoever killeth you will think he doeth God service." The media is already working in this direction.

The Zionist noose is tightening around the necks of Christians, and those who love freedom, as they seek to fulfill their threat to destroy White Christian civilization.

Just as a reminder there is an answer to our dilemma. I believe it will not come through military or political action, or by throwing vast sums of money at it as we are doing now. God's promise is still true in 2 Chronicles 7:14. It says nothing about a huge revival that will bring the heathen, the aliens, or unsaved church members to God. It is clear and specific. It says, "If my people (God's elect, See 1 Peter 2:9, who are not Jews), which are called by name (Christian), shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." Only we who have given
ourselves wholly to Him, and obey Him, have the key for survival of Christendom.

It will not change things because you refuse to accept this truth! Will you rise to the challenge or perish with its rebels?
As we look at the chaos and confusion wrought by the September 11th terrorist attacks, this message first delivered several years ago, grows in importance. It has been brought up-to-date and is being reprinted with the prayer that God will use it to wake our Israel people out of their "near fatal sleep."

While the patriotic fervor of Americans is at a "white hot heat", for the first time since Pearl Harbor in 1941, it becomes almost impossible to warn our people of the flaws in our government, without being considered a traitor. People do not like to hear the truth, when it steps on the "sacred corns", of those in politics and the church.

Yet the message to the watchman remains the same: "Cry aloud! Spare not! Lift up thy voice as a trumpet, and shew my people (Israel) their transgressions, and the house of Jacob their sins." (Isaiah 58:1) Since I am a watchman to the house of Israel, ala Ezekiel 3 & 33, and this message is aimed at Israelites in particular, I am compelled to give you the truth, as it comes from God's Word, I must speak the truth. This will offend some of you who read this, no doubt, and I'm sorry for that, but offer no apologies for speaking the truth. I am convinced that one of the major reasons the folks in the Judeo-Christian churches refuse to accept the truth of the Kingdom message, is that they are afraid of the responsibility that goes with it. "For to whom much is given, from them will much be expected!"

Most Americans, including many who go by the name of Christian, have forgotten two specific Scriptural warnings, among many given. 2 Chronicles 19:2 which says, "Shouldest thou help the ungodly and love them that hate the Lord? therefore is wrath upon thee from before the Lord." This has been one of our major shortcomings, as most of the Christian and political world, has backed the antichrists of Judaism, even when they openly declare their hatred for Jesus Christ and His church.

The second warning is found in Galatians 6:7 - "Be not deceived, God is not mocked, for whatsoever a man (or nation) sows, that shall they also reap." We have sowed an evil crop for seventy-five years in our foreign policy and today we are harvesting a bitter crop as a result.

Led by most of the so called Christian world, who put their "seal of approval" on it, Britain and America stole land from the Palestinians that had belonged to them for centuries and gave it to the Jews; destroyed their homes, forced their families into refugees camps, then used weapons made in America, which were given to the Israelis, to harass the people they had illegally dispossessed, and keep them under their control. They did this with almost full approval of the Christian and political world. The pastors of the church world, twisted Scripture around, to make the antichrists into God's Chosen, even while their Savior said they were "not of His sheep", John 10:26, while the political world backed them because it was financially profitable, and they supported Zionist aims for a One World Zionist dictatorship. You can't treat people the way we have treated the Arabs of Palestine, many whom are
Christian, without generating the hatred that erupts into terrorism.

There was time, fifty years ago, when the Arab world loved and admired America, today because of our backing of the antichrists, we are known as the "Great Satan", among a billion Arabs, may of whom hate us. The burden of guilt for the terrorist attacks of 9-11 lies on the shoulders of American pastors who refuse to preach the whole counsel of God's Word. In Jeremiah 23:22 the prophet tells us, "But if they (the Israelites pastors) had stood in my counsel, and had caused my people (Israel) to hear my words, then they should have turned them from their evil way, and from the evil of their doings." In most cases this hasn't happened and is a terrible indictment on our pastors. Yet how can they preach the truth, when they have been seduced by Jewish propaganda (See Titus 1:10, 11, & 14) into believing that we are "Gentile heathen saved by grace ", when we actually "children of Abraham saved by grace.

This mess we are in will not be cleared up by military or political action, or by throwing vast sums of money at it. There is only one solution that will work and that is found in 2 Chronicles 7:14 - " If My (Israel) people, which are called by my name (Christian), will humble themselves and pray, and seek my face, and turn from their evil ways; then will I (God) hear from heaven, and will forgive their sin, and will heal their land.

This solution is so simple and easy to understand, that the brains that lead our political and church world can't understand it. Must we be further driven to our knees, and have our noses rubbed in the dirt, before we will listen to God, obey, and be saved, both physically and spiritually?

In this message, I will discuss treason, which is defined in Article III, Section 3 of our Constitution in words even a fifth grader can understand. It says: "Treason shall consist only, in levying war against them (the United States); adhering to their enemies, giving them aid and comfort." Most of the treason in America comes from "giving the enemy aid and comfort. "Treason is not a popular subject with the American people because it has become so prevalent in the Western world. Once it was abhorred, now it is tolerated. Years ago, a wise man said, "Treason prospers, what's the reason? For when treason prospers none dare call it treason!" and it prospered and made many multimillionaires in this country including the church world.

Today most Americans are afraid to call treason treason, for fear of receiving some label, such as anti-Semite, hatemonger, or religious extremist.

This message will deal with treason in high places, in both the government and the Christian church. Many of you have known this was going on for years, but lacked the "intestinal fortitude", (we used to call it guts) to stand against it. Therefore as Edmund Burke, the well-known philosopher once said, "All that is necessary for evil to succeed is for good people (Christians) to do nothing."

This apathy on the part of Americans has taken this country from the status of being a Christian Republic, into a Welfare Socialist Democracy, fast moving into the One World Zionist orbit of slavery. What can we as Christians do to stop this?

Our problems seem insurmountable, as the enemy seems to dominate us in ever phase of life. It reminds me of a Negro baseball game I attended years ago. I arrived in the bottom half of the first inning, with one out and the score was 26-0 against the Purple Knights. I mentioned to one of their players: "You guys are sure taking a beating!" I'll never forget his answer, "Naw we ain't, dis is onny de fust innin', us ain't corned to bat yet." Could it be, that if we trusted and obeyed God, and took our turn at bat, the score might change?

We need to remember that God is still in charge of things, and even though it seems that evil is succeeding at times, and we are taking a beating, "us ain't corned to bat yet! "

God doesn't balance His books at the end of every year, as we men do, but this doesn't mean that evil men are getting by with their wickedness, for a "day of reckoning is coming" for all of us when we will, answer before God, as to whether our deeds were good or evil. Sometimes God needs to discipline His children when they get out of line. Hebrews 12:6 tells us, "Whom the Lord loveth He chasteneth . . ." and verse 8 goes on to say that if we do evil and do not receive this chastening, it proves we are "illegitimate children-bastards" and not His sons. (This truth is not preached in many churches, but is a sure way to know if you are saved.)

I am going to show you some of the inner workings of the government you may never have heard of before. This will come, from personal observations in the 22 years I was in the Army during World War II, Korea, and Vietnam, and for many years of in-depth study into our foreign policy. You may not want to accept some of the things I tell you, but that does not change their truth. Once you have read this message, you will never be able to say, "I never knew that!" for it will become a personal matter between you and God, and He will hold you accountable for the truth you hear, whether you want to accept it or not!

Today Zionist pressure on our government is pushing us into a big war coming in the Middle East, that we will be unable to win, for we will be supporting God's enemies, and once again will be led by Zionism into a war that will not benefit America or protect us in any way, although it will make a few men immensely rich and powerful, while giving us nothing but the pain, agony, bloodshed, and a further unpayable debt to those who caused it.

I will attempt to show you where we are heading, and the dire consequences to our posterity and us if we fail to stop the present disastrous trend.

There are multitudes of good people in America, most of whom go by the name of Christian, who have been "sold a bill of goods", and believe at least with their mouths, that when an evil person hits you, you are supposed to "turn the other cheek." (Isn't that what Jesus taught in Matthew 5:39?) This is another example of twisting words to make them say what you want them to say rather than what they mean. They do not bother to explain that Jesus was speaking here about personal adversaries, a brother with whom you may have a personal disagreement. He was not speaking about those enemies who were trying to destroy His church. We have proof of this in the fact that Christ acted quite violently against wicked men, when He made the whip of rope and drove them out of the temple and when He said in Luke 19:21- "But those mine enemies, which would not that I should reign over them, bring hither and slay them before me." This aspect of Christ and His teachings is seldom mentioned in the Judeo-Christian church. Our Savior was not the little milquetoast preacher painted by most churches. He was a man's man of like passions as we are, but without sin. He knew how to get angry at evil, and put a stop to it, using violence if necessary.

He said, "I am not come, to bring peace to earth (as most pastors preach), but a sword", Matthew 10:34, and in Luke 22:36 he told His disciples that if they did not have a weapon to protect them, to sell their coat if necessary and buy one.

We can see the real, purpose of Christian responsibility in the words of the Apostle Paul in 1 Timothy 5:8 - "But if any provide not his own (kinfolks), especially those of his own household, he hath denied the faith and is worse than an infidel." (The Greek word for provide is proneo and literally means: "To consider in advance; to look out for beforehand." You can be sure that this means protecting them, as well as giving them food and shelter)

Today we are looking for ways to "lock the barn door, after the horse has been stolen by the international gangsters", the trouble is we are looking in the wrong place and are depending on what men say, rather than on what the Word of God teaches. This merely exaggerates the problem. Most of you who go by the name of Christian have no concept of what it would be like to live under the control of the planned World Zionist Slave Plantation.
I am going to attempt to paint a word picture for you, taken from my personal experiences with Zionism/Communism in prewar Korea. I apologize to you ladies in particular, for the horrific story I tell and the language I must use.

I must use harsh language for you to understand this traumatic experience, and is given, not for sensationalism, but so that you can avoid having it happen to here. You may want to keep it from younger children, as it is not meant to frighten, but to educate. Some of you, who have been brainwashed by so-called Christian propaganda, may become angry at this message, and I may have to say with the Apostle Paul - "Am I therefore become your enemy, because I tell you the truth? " (Galatians 4:16)

As I revealed the harsh truth I am about to relate, I have had numbers of men and women who came to me after a service when I gave my testimony, to say, "Brother Mohr, we believed all the terrible things you told us tonight, but we are horn again, you know, and Jesus is coming back to Rapture us out of this mess, before it gets all that bad." (Talk about being wrapped in a "cloak of self righteousness ", this is more like being bundled in a shroud.) They are so sure of this Rapture fallacy, that they will do nothing to keep evil from coming to our people. Millions of potential "Christian soldiers " have been emasculated by this teaching from hell, and are hastening the day when the evil I describe may come to our shores.

Let us briefly tell you about my experiences with Zionist/Communism in South Korea, in 1948, a year and a half before the Korean War began. It was the driving force that has kept me on the battle line since I retired from the Army in 1964.

After serving on occupation duty in Japan in 1945, 1946, I spent three years in Korea, as an advisor with the Korean Military Advisory Group, which was training the new Republic of Korea Army from 1948-1951.

My first assignment in Korea was an advisor to the 19 Republic of Korea Regiment, stationed at Yosu, Challo'namdo Province in SW Korea.

There was much underground Communist activity in this area, for when World War II ended in 1945, a special school was begun in Pyong'yang, North Korea, to train young men from both the North and South, to infiltrate the South Korean military apparatus and cause much havoc. The plan was to take over South Korea, through a military coup. This plan came to a head in November 1948, when several South Korean Regiments, under Communist control revolted against the government of President Sigh Mun Rhee, and attempted to oust him from power. The 19" Regiment was one of the keys in the Communist plan, as it operated in the strategic seacoast city of Yosu.

On the evening of November 28, 1948, while I was attending a Division meeting in Kwang'ju, ninety miles to the north, about 70 communist infiltrators took control of the armory, and killed off most of the South Korean officers. About 2500 men from this unit of 3,800 joined the rebels, after being promised high positions in the regime. The rebels marched about ten miles east to Yosu, where they killed most of the Yosu policemen, and high city officials, then headed north to the strategic city of Sun'chon.

About 3 a.m. I received a telephone call from the Sun'chon Chief of Police, Chung Sun Ki, notifying me that the city was under attack from my regiment, and asking for help.

I immediately loaded a South Korean infantry company of some 185 men on trucks and headed south over the crooked mountain road to Sun'chon. At that time, I though it was just another skirmish between the ROK's and the South Korean police, as they hated each other. As we arrived on the outskirts of this lovely little mountain city of some 150,000, I soon realized we had a full-scale battle
Sun’chon was an easy city to defend from a southern attack, as there was a deep, swiftly flowing river on its southern border, with only one bridge. I placed my army unit on guard at the bridge with orders that no one was to cross, while, I went into the city to search for the Police Chief. When I came back about two hours later I was dismayed to find the rebel soldiers crossing by the hundreds. The officer I had placed in charge of the bridges defense explained that after I had left, a man under a “flag of truce”, had crossed the bridge, and had promised them all sorts of good things if they joined with the rebels. So there I was with 45 policemen against 2600 enemy. The only thing we could do was hole up in the down town Police station, that was built like a fort, with high stone walls, and a water filled moat surrounding it. For two days and nights we prayed for help that never arrived while we exchanged fire with the rebels.

By the third day we were running short on ammunition, and no help in sight. About 10 a.m. A policeman awakened me, where I was asleep leaned against the wall. He said, "One of the Immin'gun (Communist) wants to speak with the American common'quan (officer)." I looked over the wall to see a man with a white flag tied to his rifle, waving at us. When I asked what he wanted he said, "We are going to storm the Police station in a little while and will kill anyone who is still inside, but if you or any of the policemen want to give up now, we will guarantee you safe conduct." (At this time I was under orders from my headquarters not to become involved in any fighting, that I was merely there as an observer.)

I decided to come out with the idea that I might be able to talk some sense into the rebels, since I knew and had worked with many of them. (It also shows how naive I was at that time to believe Communist promises.) So I came out with eight policemen. They did not even disarm me, but as soon as we were safely out of sight of the wall, they pounced on the policemen, stripped them, and executed them by stabbing them repeatedly with sharpened bamboo spears. They were quite friendly towards me.

As we entered the courtyard in front of the Courthouse, I noticed a sharpened bamboo pole about three inches in diameter set in the ground. They dragged the Police Chief to the stake, and impaled him on its sharp point, executing him by ramming him down on its point until it entered his body. While he was screaming his life away, they dragged out his wife, who looked to be close to nine months pregnant, stripped her and gang raped her, then chopped off her breasts with a bayonet. When I saw this happening, I forgot all about not becoming involved and when I reached for my pistol, someone hit me over the head from behind. When I woke with a throbbing head, hours later I was in the darkness of the prison, lying on some rotten rice straw, where I could hear rats running around in the darkness.

During the next few days, I lay on the straw without food or water, I could hear shots and screams from the outside, and occasionally get a whiff of the nauseating stench of burning human flesh.

Sometime later, I'm not sure how long; I was taken to the Courtroom, where I stood before a People's Court. This is a strictly Communist apparatus, with a Judge and a Prosecuting Attorney, but no defense council, as you have no defense. You are guilty of crimes against the State and will often die by the most painful means possible.

The courtroom was a large room the size of a basketball court, jammed with standing people who had been forced to attend. The only furniture was a heavy oak table, with a heavy chair at one end. The judge, a little civilian in a black Mao Tse Tung jacket was sitting behind the table, writing on some paper. I stood there for several minutes and then speaking in Korean, asked to be released since I was an American officer and we were not under a declared war. He leaped to his feet and began to scream at me, "How can a running dog, of the Capitalist Imperialist American war mongers, ask anything of a
representative of the People's Republic? Sit down!" Then he came close to me and began to lecture me in a loud voice on the evils of Capitalism. He was screaming so loud that he spit all over me, and I reacted in a stupid manner by spitting back at him. It was stupid because he was in the driver's seat. Barking a command in Korean to the rebels standing behind me, I was overpowered and stripped until I was completely naked, and was forced into the heavy chair, where I was tied down with fine wires. Then electric wires were attached to the nipples of my breast, and testicles, and they played a nasty game of asking questions while alternately turning on the electricity. I can't remember much now about the pain, as it was more like a giant hand picking me and the chair into the air and smashing us to the floor. It seemed to go on for hours, but I'm sure it was only a few minutes before I passed out, and when I came to I was back in the prison cell.

I hadn't thought much about God, or prayed in a long time, but I did now. I promised God that if He got me out of that mess, and let me come back to the country I loved and the people I loved, I would dedicate my life to seeing that what I saw in Sun'chon would never come to America. (It has been the driving force in my life ever since.)

One day a guard caught me kneeling on the straw covered floor praying and knocked me over with the butt of his rifle, while screaming at me, "If you want to pray; pray to me. Your God can't help you now!" From time to time the guards would come and torment me, and one day hung me by my heels from an overhead beam, where I could not touch the floor and beat on me with bamboo poles, until the perspiration on my forehead was mixed with blood. One day they took me naked into the courtyard, with my hands tied behind me, and fastened me to a pole, with a leather thong forced through my right breast behind the nipple, where I endured the insults of the children who threw rotten vegetables and horse manure at me, and the women came to switch me on my exposed privates, with willow switches, while making vulgar remarks about me. I stood there for several hours until my legs gave out, and I fell down, tearing my chest muscle loose.

Several days later, I was once again taken to the courtroom this time for sentencing. I had about given up hope, and could not help but remember the Police Chief, as he screamed his life away after being impaled.

As I entered the courtroom that day, I saw a Korean Sergeant, named Yu Chang Nam (we called him Pak Sah, in Korean, as he had been a high school teacher in civilian life). He had been a friend of mine and had often visited in my home. He was leaning against the wall smoking a cigarette. In desperation I called to him, "For God's sake Pak Sah, help me!" He replied by cursing me in Korean and hitting me across the mouth with the back of his hand, while running screaming to the judge, saying how he hated all Americans and pointing at me, that meguk noam (American bastard), especially. He said, "I would be honored if you would give me permission to execute him."

He evidently impressed the judge, who gave him permission and he left the room, to come back in a few minutes with six armed rebels. As they led me from the room, Pak Sah whispered to me, "Mohr san, when the rifles fire, fall down dead!" which was a strange remark for him to make. They took me several blocks away, down a cobble stone path, and drove away the curious onlookers who wanted to see the fun. When we arrived at a stonewall, I remember standing with my fists clenched, my eyes closed tightly and praying, as I heard him give the order for the rifles to be raised and fired. Immediately I realized they must have fired over my head, for I was still alive, and fell down as though I had been hit, while Pak Sah came up to examine my body.

As he leaned over me he whispered in English, "When the coast is clear, go to the moak sap's (missionaries) house on Masan Hill, and I'll try and smuggle you out of the city." He stood up, cursed me in Korean, spit on me and after booting me in the ribs in case of onlookers, went off with his squad. When the coast was clear, I went to the home of Dr. John Curtis Crane, a Southern Presbyterian missionary from South Carolina, where I stayed for ten days until government troops ran the rebels off
Masan Hill was in the center of the city and from the stonewall of the mission station; I observed what takes place during a Communist takeover. They were especially cruel in Sun’chon, as it was known as a Christian city of South Korea, and the Southern Presbyterians had been there for over forty years, and the Catholics had a large mission in the city. The first day there, I watched as about forty little girls between the ages of 12 to 16 years of age, were dragged out of the mission station, were stripped, gang raped and then bayoneted to death.

Four Catholic nuns, across the street were stripped and after being gang raped, were nailed to the walls of their church with bayonets driven through their shoulders, and thighs, pinning them to the walls. I listen to them scream and cry for mercy for agonizing hour after hour, while standing in the mission station window with a rifle in my hands, but was afraid to shoot and put them of their misery, because of the five American men and three women who were in the mission station with me.

Father Henry, the Irish Catholic priest, was tripped and nailed to the wall of his church, where he was used as target practice for bow and arrows, the idea was to fill his body with as many arrows as possible before died.

On the last day before the rebels were driven out of the city, a pretty Korean girl, about 19, was tripped and gang raped, before they nailed her to a tree, with spikes driven through her breasts, while a bundle of oil soaked rice straw was bound between her bare thighs and set on fire.

In about two weeks of communist occupation, the devils brutally murdered over 3500 men, women, and children, many being tortured to death. I can honestly say that I never hated the Korean people, for many of them risked their lives for me, but I did grow to hate the antichrist philosophy, which is now being used to enslave our people in their Zionist World Order.

These experiences and others I saw during the Korean War, and since, have compelled me to warn our people according to Ezekiel 3 and 33, when I see dangers we face. It is not my task to persuade people that I am right, as I am a watchman on the walls of Israel America, and once I have given you the truth about the danger we face as a nation, it will become a matter between God and you, and He will hold you accountable for what you hear, whether you want to accept it or not.

I can assure you, that if the Christian world remains in its present apathetic state, that what I experienced and worse, will happen here. Don't expect to be saved by a supernatural Rapture, which is not coming to save you from the results of your Christian neglect.

I discovered the bitter truth over thirty years ago, when as an evangelist and lecturer; I discovered that most so-called Christians do not want to hear the truth. This is why they have been seduced, by the Jewish fairy tale of a Rapture, and why religious charlatans like Oral Roberts can fill church pews and offering plates, with his saccharine message that "something good will happen to you today. " (Few would listen to him if he preached the truth that "unless you repent, you will all likewise perish'"") The remainder of this message is designed to show you how we have been seduced as a nation into selling our nations "birthright" for a mess of "stinking socialist pottage. " My advise to our nations leaders, as they search for terrorists, is to begin with a thorough "housecleaning" in Washington DC, and in the church world. As I go along in this message, you will see why.

After the 1948 coup attempt I was given the option of being reassigned either to Japan or the States. After much prayerful consideration, I realized that if I ran away from the trouble I had seen in Korea, I would have a fear of Communism all my life, so I asked to be sent back to the area where I had been captured. During all of 1949, we were in a state of war, with the rebels who had escaped into the mountains and were being supported by an underground from the North. (I have a pretty good idea of what our men are now facing in Afghanistan, and it is not pretty.)
In January 1950, I was reassigned to the Seoul area, and made an advisor to an Infantry Battalion stationed at the village of Po'chon, about fifteen miles north of Seoul. On May 25th, I was married to the Special service Librarian, Doris Grone, in Seoul.

From the beginning of 1950, the Advisors on the 38’h Parallel knew that an invasion was eminent, but any suggestion of this to the State Department was met with contempt, usually with the snide suggestion that we saw "Communist under every rock and behind every tree," which was no exaggeration.

On June 23’d I arrived in Seoul late at night after a hectic day with my unit, and reported to the Bird Colonel from the State Department who was entertaining VIP’s from Tokyo at the Officer's Club. He was not thrilled to have a dusty front line officer break into his party, nor was he thrilled with my report.

That day I had seen a North Korean Infantry Division of some 11,000 men, replace the original company of 185 men. A Regiment of mounted horse cavalry, about 1800 men had moved into the area, and many heavy T-34 Russian tanks were seen; and report-, said there were over 75 of them. I was astounded at the Saturday Advisors briefing, to hear this officer I had briefed make the statement: "There is no sign of any unusual enemy activity along the 38’h parallel, and if any of you want to attend the bash at the Officer's Club tonight, it will be perfectly all right." I was so sure that things were about to break that I did not go, and had my equipment ready to move at a moments notice.

The next morning, June 25th, at 3:30, my telephone rang, an excited officer, the one I had briefed on Friday night shouted: "My God Mohr, they are coming across the 38’h. Get up to your unit." I refrained from saying, "I told you so", and headed north. (Because of the party at the Officer's Club many KMAG [Korean Military Advisor Group] officers were not fit for duty that June morning.)

I reached my unit about 5 a.m. to find them under heavy tank and cavalry attack. Our artillery was almost useless, as most of the artillerymen were off for Sunday in Seoul and had to be rounded up. I earned the first decoration of that war, the Silver Star when I tried to stop two heavy tanks from attacking Battalion Headquarters, with a little 56 mm anti-tank gun that had only high explosive shells. Here I got my first taste of State Department treachery for when I asked my Korean C/O why they did not have armor piercing shells he said, "Mohr san, your Ambassador Muccio, ordered the A. P. shells out of the front lines ten days ago." When Congress questioned Muccio later, he came up with the lame excuse, that he "was afraid the ROK's would attack the North."

By Tuesday night, all the U.S. military and civilians with the exception of seven Advisors (of which I was one), and the Ambassador and two of his men, had left for Japan. On June 28th, my C/O sent Captain Elmer Lowry and me to see the Ambassador and get permission to bum a gasoline dump on the outskirts of Seoul (Muccio was in charge after the MAG had left). This dump contained a million 40-gallon drums of gasoline, just shipped from stateside (the North Korean invasion force had broken through the ROK defenses and was in the northern outskirts of Seoul). I'll never forget Muccio's response. He literally cursed us out of his office, screaming that he was in charge and that he wasn't about to have the military tell him how to "run his war". He said, "I'll give the order for the gasoline to be burned when I get ready!" As a result, three hours later, 40 million gallons of gasoline were in North Korean hands, enough to run their war machine for three months.

Later that day Muccio and his flunkies flew to Tokyo, and our CIO sent Major Paul Headstrom, from Bismarck, N.D., and I down to check out the State Department building in downtown Seoul (the enemy were only a few blocks away at this time). In the Ambassador's office, we found a locked storage room and after breaking down the door, found a military style safe, secured with a padlock that we shot off with a .45 cal. pistol.
In the safe, we found the military reports of much enemy activity along the 38th Parallel for the preceding six months, which should, have been sent to General Mac Arthur's Eight Army headquarters in Tokyo, but which had been withheld by the treason of the State Department. I collected four of the most incriminating, intending to send them to someone in Washington DC who would do something about it. When I was slightly wounded the next day in an air attack on the airport at Sun'won, I was flown to Itazuke, Japan for treatment, and sent these reports to Washington via an officer who was going home.

He hand carried them to Senator Bill Knowland, a conservative Republican from California, who was on the Armed Forces Committee. He told me later, that when he made his report to the Senate, they literally laughed him off the Senate floor, saying, "No Ambassador of ours could do such a treasonous thing." When he insisted they investigate, the liberals in the Senate began a campaign of harassment that ultimately drove him out of the Senate. (You can imagine the reactions of the military when they discovered that an officer had skipped the "sacred chain of command", and had gone to the Senate over their heads.) They made life miserable for me for a long time.

About this time I began to do some "Monday morning quarterbacking ". I remembered how three weeks before the war began, a Colonel William Baird, the KMAG Provost Marshall and Advisor to the Korean National Police (Which made him one of the most powerful Americans in Korea), had left by ship for the States, to retire after 36 years of service. His ship had hardly cleared the harbor in In'cheon, when the South Korean Military police arrested his personal secretary, a beautiful Korean girl who had been a professional model, accusing her of being a North Korean spy, married to a top North Korean military officer in Pyongyang.

For two years she had been using U.S. Military Police vehicles, with GI drivers, to take vital information to her mother in the border town of Ka'esong, northwest, of Seoul, who sent it to Pyongyang. In addition she had been "shacking up" regularly with seven top State Department officials in Seoul, and got more than 2 million dollars in State Department funds from them that went into North Korean coffers. When the war began, South Korean police without a trial shot her.

When Colonel Baird arrived in Oakland, he was held in house arrest, pending a possible Military Court Martial. He had accumulated so much dirt on Muccio and his State Department, the military swept it all under the carpet, Baird retired with full military honors, Muccio was sent to Iceland as Ambassador, and the seven men who had been connected with the North Korean spy were all promoted. The media reported none of this, until several years later, when a little magazine called "fAGENT" printed their whole sordid story.

In 1957, when there was large reduction in Field Grade Reserve Officers, I was given the option of getting out with a healthy severance pay, or staying in with my highest permanent enlisted rank of SFC (Sergeant First Class, E-5). Since I had fifteen years toward retirement I took this option, and was soon promoted to Master Sergeant (E-6), and sent to Eritrea in East Africa, with the Security Force guarding Kagnew Station, in Asmara, an Army Security Agency base that monitored Communist air traffic and messages from our Mediterranean Fleet.

Here I got another look at the treachery in our State Department.

In 1961 & 62, there was a severe famine in Eritrea, Ethiopia, and America sent two ship loads of wheat, as a gift to the Eritrean people, to relieve their food shortage. I was in charge of truck convoys that carried this wheat from the ships in Massawa Harbor, to the distribution points in Eritrea. Here I saw Ethiopian officials selling it for high prices to the starving Eritreans, with evidence that our State Department official, the Consul in Asmara, was getting a substantial kickback.
When I confronted him with this evidence in his Asmara office, he threatened that if I exposed him he would ruin my military career and see me behind bars, and when I sent this information to my U.S. Representative, John Paul Hammerschmidt of Arkansas, the "smelly stuff" only again hit the fan. I was transferred to Alaska, where for the next two years the CIA made life miserable for me, trying in everyway possible to get some kind of false evidence that would put me behind bars (This went so far as to accuse me of rape, and it was only the honest testimony of my Company Commander, that saved me). I became so disgusted with the whole smelly affair that I resigned in 1964, eight years earlier than I had intended, with the Reserve rank of Lt. Colonel.

These are only a few of the reasons I feel so strongly about treason on the part of those who have taken an oath of office to defend this country from all enemies, foreign or domestic, and instead are giving aid and comfort to these enemies.

On retirement, I thought I was through with State Department activities, but it was not to be. I began to fulfill my promise to God, and became a Baptist evangelist, with the desire to see America return to God and the principles, which had made her great.

No doubt some of you who read this account would be naive enough to say, "Surely you must be mistaken for our elected officials would do nothing to harm this country." But they have been in the process of destroying it for the past eighty or more years, as they seek to bring us under the Zionist One World Order.

Our government has completely flouted God's warning in 2 Chronicles 19:2 for over eighty years, at least since 1913, when we turned our economic system over to the International Jewish money changers, contrary to our Constitution, we have been bedfellows with those who hate our Christian heritage, and have openly threatened to destroy White Christian civilization.

In the late sixties, I became a lecturer on the AMERICAN OPINION ,SPEAKER'S BUREAU of the John Birch Society, and through connections with members in Mexico, I became aware of Soviet and North Korean military forces with their heavy equipment, close to our borders with Mexico (They even made armed forays into American territory and had engagements with our Border Patrol). Yet when I sent this information to the State Department in Washington DC, including photos of the Soviet equipment, I was told to "keep my mouth shut, or else ".

I guess I should have learned my lesson by now, but remembering my experiences in Korea. I felt my first duty was to my people to warn them. When I went on a radio talk show in southern Texas, and spoke about what I had found out, I came under intense harassment from the CIA, the FBI, and the IRS. The latter stole over $130,000 from this ministry in the next few years, including confiscation of a year of my military retirement pay in 1999, as some of you will remember. I was kept afloat by the largess of some of you who would not allow this Ministry to go under.

For two years during the hottest of the Vietnam War; I worked the college lecture circuit where I had over 25 confrontations, some quite violent, with student groups, like the Communist "Students for a Democratic Society" (SDS) headed by two young Jews, Abbie Hoffman and Jerry Rubin. In every confrontation, their leadership came from young Jews from wealthy families. (Remember at this time, with my Baptist background, I accepted these antichrists as God Chosen who could do no wrong, as I had been taught in my church.) The more I saw of their actions, the more I became certain that a serious mistake was being made somewhere. I became so intrigued with the Jewish infatuation with Communism, that I took off three months from a very busy schedule in 1979, to study this phenomenon. I used as my references the Holy Bible and Jewish authors. I was amazed to find the Jews bragging about the part they played in making the Russian Revolution a success.

On the front page of a 1919 issue of "THE AMERICAN HEBREW'; the most influential Jewish
newspaper in the United States was this statement, "What we did in Russia, through Jewish brains and
money power, we will accomplish in the United States." While another article in the same newspaper
stated, "The ideals of Bolshevism, are consonant (in agreement with), the finest ideals of Judaism."

Rabbi Stephen Wise, one of the top Jewish religious leaders in America, when asked about
Communism stated, "Some call it Communism; I say it's Judaism."

satisfied with de-Christianizing, he Judaizes, and destroys the Christian faith; he provokes
indifference, and imposes his ideals on the world of morals and of life, upon those whose faith he
ruins; he works tirelessly a this age old task of annihilating the religion of Christ."

One thing an honest student of Judaism will discover, is that over and over again they repeat their
desire to destroy White Christian civilization, until there can be no doubt that they mean it. By the end
of that summer, I was convinced that the people we know as Jews could possibly be the people of
the book, the seed of Abraham, God's friend. They had to be those Christ speaks of in Revelation 2:9 &
3:9, "Those who say they are Jews (Judeans), and are not; but are of the synagogue of Satan." All
honest connections with Judaism will prove this, in spite of what Judeophile preachers like Jack Van
Impe say to the contrary.

These are the people who hate us, while they are willing for us to fight to the last drop of American
blood to protect them. They are the ones who are now trying to seduce us into fighting their war
against the Arab world in the Middle East and are responsible for the blood of countless American
fighting men (See Christ's accusation against them in Matthew 23:34,35). They have accounted for
billions of our tax dollars in American aid, while constantly "stabbing us in the back", as they did
when they attack our Liberty ship during the Lebanese war. (Here we saw another example of official
treachery; when President Johnson, recalled American carrier planes that had gone to the Liberty's aid,
saying, "We will not insult our Israeli allies over a little misunderstanding like this.")

Our U.N. allies have been training in our facilities at Camp Polk, Louisiana for years, with full
knowledge of our political leaders, not to defend America, but to become U.N. Policemen, and very
possibly be used against us if the U.N. wants to go that route, and bring us under their control. (They
already control our military, which is another act of treason.) The training these men, along with U.S.
forces are taking is not in military expertise, but in house-to-house, search and seizure activities. This
should be the duty of our police, not the military. The military should be used only to protect this
country from any attack against us.

In over 500 overseas military stations manned by Americans, not one of them is for the protection
of this country and most certainly our backing of the Israeli is not for our protection.

This message is designed to educate decent, patriotic Americans, especially if you call yourself
Christians, against deliberate violations, often by our own officials which have been brought nothing
but grief and sorrow to this nation. It is past time for us to hold our officials responsible for the oath
of office they take when assuming official duties.

When the Murray building in Oklahoma City was destroyed, a well-known Jewish Rabbi said, "We
(Jews) will control the American people either through subversion, or by violence!" If a Christian
Patriot had made such a statement an immediate "witch hunt" would have begun. Yet few people,
including the media, paid any attention to this Jewish remark. It shows you how far they have
progressed in instituting their propaganda on our gullible people. Of course you didn't see this remark
on the TV news, or in your Jewish controlled newspaper. It saddens and frightens me to see how
American Christians have beenfooled by Jewish lies, and reminds me of what the Apostle Paul said in
Titus 1:10, 11, & 14 - "For there are many unruly and vain talkers, and deceivers, especially they of
the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses (households),
teaching things they ought not, for filthy lucre's (money) sake . . . not giving heed to Jewish fables,
and commandments of men that turn from the truth." My how much misery we could avoid, if we paid
heed to this warning.

An English Jewish writer named Israel Cohen, writing about the Communist plot to take over
America, said in 1908: "We will use the Blacks (he called them Negroes), as cannon fodder to conquer
America."

Since that time there was been a constant build up of racial hatred, spread by TV and the media, to
cause friction between Blacks and Whites in particular. This has been effectively carried out in our
Prison System, by forced integration, which as anyone in the prison business knows, cause further
racial hatred.

Many prison officials, many of them Black, know that Blacks in prisons are being conditioned for
racial war, which is supported by such radicals as Louis Farrakhan.

When I began my Crusade for Christ and Country work in 1965, I was a Baptist evangelist, who was
thoroughly indoctrinated in fundamentalist doctrine, which taught that the Jews were God's Chosen
people who must not be criticized, no matter what they did. Fundamentalist pastors erroneously used
Genesis 12:3 as a basis for this teaching: (God speaking to Abraham: "I will bless them that bless thee,
an curse him that curseth thee . . ."), not being honest enough to tell their parishioners that God was
speaking to a Hebrew, and that there were no people called Jews until 1200 years after Abraham's
time, when we first find them in 2 Kings 16:6, fighting against Israel.

I was welcomed as an evangelist into some of their largest churches and fundamentalist schools such
as Bob Jones University and Tennessee Temple.

When I learned the truth about Judaism, and it's affiliation with Communism, and began to name
names and point out the issue of treason in our government and the church, although what I spoke was
thoroughly documented, I became a pariah and was forced to leave the Baptist church and the John
Birch Society.

Today, at the age of eighty-six, I have become like a "voice crying in the wilderness", calling our
people to repentance, and survival, and find few who want to listen to this truth.

As our National problems increase, and they will become more and more severe, as long as we refuse
to follow God's directions (This regardless of what scoffers, or skeptics may say to the contrary).
God's Word, which cannot be changed by the edicts of men, says we will either obey Him, or be
driven to our knees until we willingly acknowledge Him as Lord. (Study the entire chapter of
Deuteronomy 28 and see for yourself what is in store for an obedient people, as compared to those
who disobey Him.)

Regardless of what scoffers may say, and they may rage against Him now, but you can be sure that the
time will come, when "every knee shall bow before Him ", (See Philippians 2:10; Matthew 28:18).

The Psalmist foresaw this, when he wrote in Psalm 2:1-5 - "Why do the heathen rage, and the people
imagine a vain (false) thing? The kings (rulers) of the earth set themselves, and the rulers take counsel
together, against the Lord, and against His anointed (Jesus) . . . He that sitteth in the heavens shall
laugh: the Lord (God) shall have them in derision. Then shall He speak unto them in His wrath, and
vex them in His sore displeasure."

Deuteronomy 28:43, 44, says that if we refuse to obey God; "the stranger (alien) that is within us shall
get up above us very high, and we shall come down very low ... He shall be the head, and we shall be the tail." If you can't see how this is taking place now, it's because you have closed your eyes and mind to the truth.

Verse 63 of this same chapter says, "And it shall come to pass; that as the Lord rejoiced over you to do you good, and to multiply you; so the Lord will rejoice over you to destroy you, and to bring you to nought (nothing); ..." Remember Galatians 6:7 - "God will not be mocked by any man, or nation", no matter how powerful they may be. A day of Reckoning is coming, soon I believe.

We must not allow the enemy to force or seduce us into a war, as they seem intent on doing now, unless under God's direction, we are ready to face it. To do otherwise will lead to further disaster.

Remember this for it is the single most important issue you or this nation will ever face, other than personal salvation. This is that obedience to God must come before we can have victory. We can have the best equipped, trained and well led military in the world, but without obedience, we will be whipped!

Isaiah spoke of the times we are now. Isaiah 56:10, & 11, says, "Their (Israel's) watchmen are blind they are all dumb dogs (a watchdog is useless if he refuses to bark when danger appears); they cannot bark: sleeping, lying down, loving to slumber (are interested only in things that appeal to their fleshly interests). Yea, they are greedy dogs, which can never have enough, they are shepherds (leaders), which cannot understand, doing everything for their own gain. ..." The truth of this can be seen in a statement made recently by a high Israeli official, when he boasted, "We (Israeli) have the best Congress money can buy." ("Doing everything for their own gain!")

What a terrible indictment for our leaders, both political and spiritual. We have a second witness in Jeremiah 25:22 where the prophet tells us God's warning to His Israel people, "But if they, (the spiritual leaders of Israel) had stood in my counsel, and had caused My (Israel) people to hear My words, then they should have turned from their evil ways, and from the evil of their doings." Could this be why with 50 million born again in America, we are headed down the road to hell faster than at any time in our history? Could it be that many of those who call themselves Christian, have become the useless salt of Matthew 5:13, which has lost it's ability to act as salt and hold back corruption?

Our founding Fathers were not only statesmen (and we have had none in America since Douglas MacArthur), they were also historians who knew that sooner or later, as government grew larger, it would become a monster seeking control, rather than govern it's people. They knew that, "Power corrupts, and absolute power corrupts absolutely " So they provided protection for the American people in a Constitutional document known as the "Bill of Rights", where, especially in the 2nd Amendment, the people were given a safeguard against a rebel government that sought to enslave them. This is why any attempt to destroy the 2nd Amendment, by a thing called "gun control", must be viewed as an attempt at 'people control'. They know that before they can seduce, or force, America into their Zionist New World Order, they must disarm us.

Nine times the Bill of Rights tells the Federal Government, "Thou shalt not!" and the 10th Amendment says: "Government, if we forgot anything in the first nine Amendments, you can't do either unless 'we the people' give you that right." My how far we have strayed from this wisdom. Yet it has been by following this document and the Word of God, that America has remained relatively free from those traitors who seek to enslave and destroy us.

Ever since International Jewry took control of our economy through the Federal Reserve Act in 1913, big government guided by Talmudic principles has attempted to usurp individual rights. This is all part of their plan to force us into their One World Government, under Zionist control, If you want an example of what they will be like, look at what they are doing to the Palestine Arabs today. When they
take over, they will fulfill their Talmudic prediction: "When our Messiah comes, every Jew will have 2,000 goyim slaves." (You and 1.)

Today this is why Zionist controlled Big Government paints Patriotic Christians with the black brush of extremism. It is why even now; we see the controlled press as they are beginning to surmise that it is "American extremists ", who are behind the Anthrax scare. Are they laying the groundwork for Christ's prophesy in John 16:2 to come true? He said, "They (Jews) shall put you out of their synagogues; yea, the time cometh, that whosoever killeth you will think they doeth God service."

I'm not trying to frighten you, but am telling you what God's Word says so you can be prepared for it. "Forewarned is forearmed! " I realize that some Christians will accuse me of trying to frighten them, with negative thoughts, but I just want you to know that the popular Christian message that: "Something good is going to happen to you today", while very pleasant to hear, is not necessarily true. According to Ezekiel 3 & 33, my task is to warn my people, not make them feel good, and warnings are never pleasant to hear.

The enemy are running scared, because they know that out there somewhere, in the great American interior, are patriotic men and women who are armed, and who are not afraid, and who will stand up and defend their God and country against all her enemies.

It is beyond their comprehension that there are still American men and women of courage who cannot be bought; who cannot be intimidated, and who would "rather die on their feet, then live as slaves on their knees ", and quite frankly, this truth, "scare the hell out of them! " So if you are one of these expect government and church persecution.

I believe that events taking place now in Canada, the United States, and throughout Christendom, indicates that time is running out for us, and that the core of the problem which are destroying us, rests squarely on the shoulders of those of us who call ourselves Christian, for it has been Christian apathy that is primarily to blame for the forces of evil taking control.

There are some who go by the name of Christian, who relish the thought of exterminating the enemy. I do not believe Scripture indicates it will be done this way. Over and over again God says, "vengeance is mine, I will repay! " In Christ's Parable of the Wheat and Tares, He says His angels will take care of the Tares (Matthew 13:41,42). In Revelation 18:21, we see where the remnant of those evil people who were not "cast into the Lake of Fire", will be killed by the "sword of Him, that sitteth on the white horse, that proceedeth out of His mouth. " (Personally I am glad that Christians will not have to take part in this bloody carnage.)

A well known columnist wrote this truth regarding America: "America is wretched, though we dance and sing; pitiable, though we are lauded by kings and princes; blind, though our physical eyes are sound; naked, though we are clothed in splendor." He apparently understood the truth Christ addressed in the church at Laodicea in Revelation 3:15-17 - "Because thou sayest, I am rich and increased with goods, and have need of nothing and knowest not that thou are wretched, and miserable, and poor, and blind and naked."

Today we are living in the days prophesied in Luke 21:26, where Jesus said that, "Men's hearts will fail them from fear, and looking at those things which were taking place on the earth." Today suicide, often brought about through fear, is one of the number one killers in America.

If we are honest, we will see that the nations of Christendom, with America in the forefront, are showing symptoms of "spiritual gonorrhea ", which if not cured will, destroy us.
We will see a terribly sick giant, who has exchanged his heritage for a mess of stinking socialist, Jewish pottage. We will see a sick giant, who has lost his way and his sense of destiny. We will see a giant whose reasoning process has become so devious and scrambled, it is beyond comprehension, who hands out aid to those who openly declare their intention of destroying him, while alienating those who were once his friends and loved and admired him.

You will see a sick giant who in his present neurotic state gulps down prodigious amounts of pills. Pills to put him to sleep; pills to keep him awake; pills to speed him up and pills to slow him down; anything that will drown out the ghastly predicament he finds himself in. Other great nations in history, who have taken the same path, have left their bones to bleach on the sands of history.

Some of you will not like my honest assessment of facts. Some may be like the man who said to me: "If you don't like America, leave!" I love America, with more than mere words, and have proven my loyalty by putting my life on the line for her many times. I believe this gives me the right to speak out and fulfill my duty as a Watchman on the walls of America.

I stay with America because I know we are God's chosen land, and His chosen people (those who follow Him and obey). I believe like the Apostle Paul in 1 Timothy 5:8, that "he who will not take care of his own house and bloodline, has denied the faith, and is worse then a heathen." These Christians who say they would never use force against another person, even to protect their own family make me sick. They are not Christian men, but heathen cowards. If we lose America, to the forces of evil that seek to control us, there will be no place of refuge for our people anywhere.

Will the American people, especially professing Christians need to receive a thrashing at the hands of God (See Hebrews 12:6, & 8), before they are willing to obey and be saved?

I'm firmly convinced that the majority of our problems can be laid at the door of the church, for while Jesus ordered us to "occupy until I come!" Many have been spiritual cowards, hiding in their spiritual foxholes, while they wait for Jesus to rapture them from the results of their own apathy.

It seems that the majority of our American people feel that if we enjoy ourselves enough, and prove our "freedom by doing our own thing" we will be all right. So we laugh our way into hell. It has even infected many churches, where instead of being called to worship, we are told to "come celebrate with Jesus." (This concept can be found nowhere in the Bible, Old or New Testament.)

The meaning of worship is that of showing homage and reverence towards God and His Son. It is adoration to them.

By comparison, the idea of celebrating is one of merrymaking; a special event with festivities, and festivities are usually associated with having fun, gaiety, mirth, and conjure up a party atmosphere, rather than one of worship. Or as one preacher said during a funeral service, "Brother ... is now in heaven, having a party with Jesus." (There is no Scriptural backing for such as remark.) I believe this attitude has weakened the reverence we once had for God and His Son, and has weakened the impact Christianity should have on this country and has often made Christians a laughing stock in the eyes of the unsaved and our enemies. All this leads to a weakening of our spiritual resolve to fight evil at all costs. Instead, we have a tendency to join in with the world in having fun.

Many of our people feel that if we laugh enough, everything will be all right (this is called positive preaching). What's so funny about 30,000 people killed every year by drunken drivers? What's so funny about a nation that kills 2 million of it's unborn every year, often for the convenience of their mothers? What's so funny about the filth and immorality that is being crammed down the throats of our children in the Public Schools in the name of education? What's so funny about the filth we see on Jewish controlled Television, and in the African jungle beat of rock music and the Africanization of
our youth to where they often act like naked savages? What's so funny about prayer and Bible reading being taken out of our Public School system, because a few antichrists are upset with our Christian way of life? No my friend, there is nothing funny, or to be laughed at by what is being done to our once great Christian nation, as we are being "fattened for Zionist slaughter". This can be seen in how political candidates espouse being born again to gain votes; entertainers to attract crowds, pro-football players to gain respectability for their Sunday brutality, and the business world to make money. Even the secular press, radio and TV have found it fashionable to occasionally slip in the words, born again into their speech and print.

It is not surprising that the world has jumped on the born again bandwagon, in order to exploit it. The real tragedy of the whole mess, is that it was spawned and spread by the church, and is now regarded as a great spiritual revival, when for all intents and purposes, it is much like the church at Sardis which while it appeared to be alive and well, was "spiritually dead" (Revelation 3:1).

The fault does not lie with unbelievers and atheists, but with so called Bible believers, who have preached error as truth. This is as much treason, as "giving aid and comfort to the enemy." I do not have space in this writing to go into these errors in detail, but for more information on this vital subject I would suggest you write to: "The Chapel Library", 2603 W. Wright Street, Pensacola, Florida 32505 and ask for Richard Och's pamphlet, "Born Again-Ism": It will explain how the great doctrine of the miraculous need of men to be regenerated, is now presented in a way that denies the point it is supposed to make and instead teaches the error that "men are saved as a result of something they do ", when the Bible teaches that only God, through His Holy Spirit, can reach and change a sinful heart. It is not something man does, but what God does when a man or woman comes under the conviction of the Holy Spirit.

Going forward to some altar call, praying a little prayer written on a card, signing a commitment card, and being baptized, does not do it. (An altar call or going forward is not taught anywhere in the New Testament.) Born-again-ism can only come as God, first reaches the heart and convicts it of sin.

We desperately need citizens who are committed to righteousness and against sin of any kind.

During the Diamond Jubilee of Queen Victoria of England in 1897, the poet laureate of Britain, Rudyard Kipling, was commissioned to write a poem for the occasion. He wrote "Requiem", which was not well received by the English people, especially the aristocracy because of its truth. It would be well for America to consider it today:

Requiem
"Gob of our fathers, known of old;
Lord of our far-flung battle lines,
Beneath whose awful hand we hold,
 Dominions over palm and pine:
Lord God of Hosts, be with us yet,
Lest we forget?

"The tumult and the shouting dies,
The captains and the kings depart;
Still stands ,Thine ancient sacrifice,
A humble ant a contrite heart;
Lord God of Hosts, be with us yet,
Lest we forget!

"Far flung, our navies melt away;
On dune and headland sinks the fire;
Lo all our pomp of yesterday;
Is one with Nineveh and Tyre;
Lord God of Hosts, be with us yet,
Lest we forget!"

Today we are taught a never ending litany of love in most of our churches, and that is good up to a point, as most certainly our God, is a God of love, yet very few churches teach that we must hate evil and those who perpetrate it as taught in God's Word. I like what the Psalmist has to say about hate, in Psalm 139:21, 22 - "Do not I hate them 0 Lord, that hate Thee, and am not I grieved with those that rise up against Thee. I hate them with a perfect hatred, I count them mine enemy." This has a counterpart in the New Testament, where in Hebrews 10:30,31 we are told: ". . . Vengeance belongeth unto me, I will recompense, saith the Lord. And again the Lord shall judge His people. It is a fearful thing to fall into the hands of the living God." So though He loves sinners, and would, have all come to Him in repentance, He does not overlook their disobedience and sin. Although listening to some preachers, one would get this impression, and many Christians have lost a "true fear of the Lord.! " which leads to obedience!

Instead of hating evil, we have dinned into our ears, "Hate the sin, but love the sinner!" Which if carried far enough as it often is, may lead to compromising with the sinner, and result in damaging both him and our Christian witness.

Any compromise with sin, for any reason is disastrous to the Christian, even though the church may make light of it. A good example is how so many churches have made light of the homosexual sin, allowing them to become church members, and in some cases pastors, although the Word of God in Old and New Testaments considers it a sin worthy of death.

In I John 2:22 we are given a clear definition of who is an antichrist, with the warning in 2 John 10 & 11, that if we help them in any way, we "become partaker in their evil deeds." There is no way anyone can reach God, except through Jesus Christ, no matter what Dr. Billy Graham, or the Pope says differently. (These are not my original thoughts, but come straight from God's Word.) It sometimes disturbs me to think back over the years before I learned the truth, to remember the numerous times I supported the "antichrists and thus became partaker in their evil deeds." For a Christian to do this is also treason, "giving aid and comfort to God's enemy."

This is not something to take lightly for it means that if you support the Jews in any way, you are at least partially responsible for the millions of unborn babies slaughtered in mostly Jewish owned, Jewish run abortion clinics, no matter how anti-abortion you may be. It means you are at least partially responsible for the millions of young people who have been ruined by mostly Jewish owned and promoted, drugs, prostitution and pornography. It's a frightening thought, isn't it? Yet the Bible says it's true!

The hour is growing late for America, and we may already have `passed the point of no return ". Only God knows!
We are like the man sitting on an open keg of gunpowder, smoking a cigar, while knocking the ashes into the keg. It will take only one tiny spark to hit the powder, and we will see the worst explosion that has ever hit this earth come to pass, as God vexes sinners in His displeasure at their disobedience. You may not like a God like that, but He is the God of the Bible, and the Creator of this world, so as important as you may be in the eyes of men, you have nothing to say about how He runs His universe. It would be much simpler to obey Him and be blessed, than to learn the hard way, that he is still in charge of things, and that "the way of the transgressor is always hard."

Most church folks don't like this, for they have been taught that He is "good and kind, and never gets angry with treason on the part of His people". So instead of loving, obeying, and trying to please Him, they have invented a God, who will never say no to them and never gets angry when they insist on doing their own thing.

The Apostle Paul realized this danger when he wrote in 2 Timothy 4:3 & 4 - "For the time will come when they (God's Israel people), will not endure sound doctrine; but after their own lusts shall heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables." (See also Titus 1:10,11 & 14)

While 2 Chronicles 7:14 is a sure solution for our problems, because God says it is, many Christians do not trust Him enough to listen and obey!

When the Communist Jew, Gus Hall (real name Hallberg), who was the perennial head of the Communist Party, U.S.A. for many years predicted over sixty years ago, "I will live to see the day when the last Congressman is strangled with the guts of the last preacher. The Christian love blood so much they are always singing about it, so we will give them all the blood they can stand, as we cut the throats off their children and drag their bodies over the altar rails of their churches. May the parents drown in the blood of their own children." Many Christians believed this was the ranting of a sick old man, a wacko extremist, only to discover he meant what he said, as over 140 million people worldwide, including millions of Christians died horrible deaths at the hands of those who believed as he did.

Hall was voicing a centuries old dream of Judaism, as taught in their holy book the Babylonian Talmud, which openly declares their intentions of "destroying White Christian civilization." There is little doubt that if the majority of White Christian Americans knew of Jewish plans, and their world aims, that we would rise up in righteous indignation and throw the moneychangers out of our national temple. Jewish leaders know this and warn their people to be very careful about revealing Jewish plans for world conquest. They know "they have one foot in the grave, and the other one on a banana peel."

Our people, especially White Christians, have become so dumbed down with Jewish propaganda, that they will not believe Jewish threats to eliminate them.

Now that this so-called emergency is going on, Christian Patriots are in grave danger. For their is much evidence available, that as the American people become aware of the stupidity of our military actions in Afghanistan, which is costing us much in money and blood, without gaining us anything other than further world hatred, the American people will soon begin to clamor for the government to fix the blame, on someone, and what urged by the media will shift their attention to what the media calls "domestic terrorism" and upon the militia, and White Christian Patriots who believe in the 2"d Amendment. These must be disarmed, before the Zionist plan for World Conquest can be successful. So although Christian Patriots have long proven to be the backbone of America's freedom, they will be sacrificed on the altar of Zionist plans, by our Zionist controlled government.

This would be a cause for fear and anxiety if we did not know that "God hath not given us (true Israelite Christians) the spirit of ear but of power and of love, and of a sound mind." We need not fear, for with every emergency that arises, He has made a "way of escape for His elect", if they are
obedient! (See Luke 21:28)

The veil of darkness that has been placed on Christian's minds, has often been done by professing Christian pastors, who are more interested in the material benefits they receive from Jewdom, than for the approval of God. (They will have their day in His court.)

This Jewish control will end, when Christian soldiers are willing to fight for their King, using the weapons He will provide.

I believe the time has come for physical combat against the forces of evil that are engulfing us. But to be successful, we must first learn the hard lesson of complete obedience!

Today we have a host of shell-shocked Christians who need some critical mental attention, since they have become a liability to Christ's cause and are causing fear among His troops. God said, "Send the fearful home!" (Judges 7:3) For they will cause fear among the combat troops.

I learned a valuable lesson about this fear syndrome, during the opening days of the Korean War along the Pusan Perimeter, where we were fighting for our life. I was paired with one of the bravest men I ever knew, Captain Bobby Ford, from San Antonio, Texas. I remember one day heading for the front lines in his jeep, at 60 m.p.h. Then on our way back, under heavy mortar attack, with shells dropping all around us, and shrapnel rattling off the jeeps frame, he never exceeded 15 m.p.h. When I asked him why we didn't speed it up he said, "Jack, we are working with green troops and if they see us hurrying to the rear, they will think the enemy has broken through our lines and we are in retreat. Soon we would have a full fledged rout on our hands." So while I prayed, he drove to safety at a sedate pace. I learned that when leading troops in battle, the leader must never show fear, no matter how frightened he might be. There were times when I was real scared. This is why God told Gideon, to send his frightened soldiers home, before they could infect the rest of his troops with fear. This may be hard to understand until you are in a combat situation with the odds 20 to 1 against you.

It is appropriate too in Christian warfare, where a spiritual coward may be of more danger to you than the enemy.

A few years ago, I received a letter from a Jewish Rabbi named David Goldstein. It contained the translation from Hebrew, of a speech given by a rabbi named Cohen, to the Jewish Yeshiva (seminary in New York City).

It was a near perfect example of the Talmudic pattern followed by the world Jewry for over 2,000 years. Here is what Cohen was reported to have said, about Jewish attempts to destroy Christianity:

"How can we do this? First remember we control the major media in America. We control all the major newspapers, major magazines, the wire services, the TV broadcasters, and most of the Radio Shows, plus all the entertainment world. So we are free to make the American 'goyim' (Yiddish for non-Jew animal) think what we want them to think. All of them watch TV and read our papers. How can they not believe what we tell them, when they read and hear the same story everywhere? All point a thousand identical fingers and shout a thousand identical accusations.

"We have already enslaved their minds. But they are unaware of it. I warn you, they must always remain ignorant of the facts. Some of you (Jews), may smile at this thought, but be very careful, for the goyim are not all under our power yet." (UNQ)

At this point I would, like to introduce a corroborating witness, written over 70 years ago in the Communist textbook, "PSYCHOPOLITICS", which is the art of controlling the thinking of an entire nation, so you can control it.
It was brought to this country in 1937, and taught to Communist cadre at the EUGENE DEBS LABOR SCHOOL in Milwaukee, Wisconsin. On page 52 it says, "We have battled America since the turn of the century to bring to nothing any and all Christian influences, and we are succeeding. While we seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When we have done this, we will have an end to them everywhere.

"You must work until Christianity has become synonymous with insanity. You must work until the officials of county and State governments will not think twice before pouncing on such groups as our enemies.

"We must become like the vine climbing on the tree. We use it to climb, and then strangling it, grow into power on the nourishment of its flesh.

"We must strike from our paths all opposition. We must use as our tools any authority that comes to hand." (UNQ)

Refereeing back to the Rabbi Cohen's speech:

"Like the animals they are, the 'goyim', can be very dangerous to us. Especially is this true of Christians and Muslims.

"Fortunately at this time, we have ensconced in the White House, the greatest friend the Jews have ever had in the Gentile world (the traitor Bill Clinton). He has been of great benefit to us and I assure you he will be generously rewarded.

"Our terrorist methods worked well for us in Czarist Russia, and they will work better in America, since our media is present in every household. You will soon see how we can destroy our enemies, by merely pointing our holy fingers at them and accusing them of crimes against us. Our TV and newspapers will lead the assault against their tiny brains, with rumors, with allegations, with gossip presented as fact, with false assumptions, with innuendo, and with false outraged moral posturing, and all the other methods we have at our command.

"Truth will either serve our purpose, or will be heaped with ridicule. We will engulf the American people with deceit.

"The Christian patriots, the White Supremacist will all fall victim to our propaganda, and the American people will discover the bombers at Oklahoma City, were 'angry White radicals'! The ingenious possibilities are incredible!

"We are going to turn those who, love America, into those who are their Number One Enemy.

"We stand at the threshold of our kingdom! We are about to turn the American people against Christian patriots, and produce the International man, the one World patriot, who is subservient only to the United Nations and Jewish Law. In our lifetime we will witness the destruction of Christianity in America and the supremacy of our ruling authority over the goyim and their Western Christian civilization." (UNQ)
His speech was greeted with thunderous applause by the assembled rabbis. We have in essence here, the long-range goal of International Zionism, and the people many of our pastors call God's Chosen!

This is a clear indication of the venom that resides in the blood stream of Jews, against Jesus Christ, and why He referred to them over and over again as poisonous snakes, who would be unable to escape the punishment of hell. (Remember, I did not make this up. It comes from the pages of the Holy Bible, and the lips of the one you call Savior.)

When you see the urbane, smiling face of Peter Jennings on the evening news, remember this. When you listen to Dan Rathers or Barbara Walters, and to others in the media, remember this prediction. Their hatred is ingrained in Jewish blood, fertilized by their Holy Book, the Talmud. So listen objectively. Remembering they are paid huge salaries to use any deceit necessary to confuse you and carry out Jewish aims.

I warn you against Judaism, not because of any special hatred towards Jews, but because they are our enemy, and according to their words, and actions, have proven their desire to destroy us. I would be a traitor to my God, and to His people, if I did not warn you when I see obvious danger to you. As a WATCHMAN on the walls of Israel America I am told in Ezekiel 33:6 - "if the watchman seeth the sword (danger) come, and blows not the trumpet, and the people be not warned; if the sword come, and take away any person from among you ... his blood will I (God) require at the watchman's hand ... I have set thee as a watchman unto the house of Israel; therefore thou shalt hear the word at My mouth and warn them from me."

Once you receive this warning, it becomes a personal matter between God and you, and He will hold you accountable for the truth you have heard, whether you accept it or not! Since I am more desirous of pleasing God than anything else, I am compelled to tell you the truth, even though it may be unpleasant and you do not want to hear it!

Christian, when you meet God, what will His reaction be? Will He be able to say, "Well done, good and faithful servant!" or must he say, "Depart from Me, ye who refused to obey Me, I never knew you?"

Exercising our faith, and wearing the armor He will provide, we can face overwhelming odds, and go singing into the battle: "For this is the victory that overcomes the world; even our faith." Somehow or other I don't believe He will bless the traitors who support His enemies!

Are Christian Denominations Promoting the Luciferian Program?

The plan of the Illuminati/Luciferians is to mix up the races and promote mongrelization/miscegenation as a means of destroying the Aryan Nordic Race and their Christian religion. Since all the churches condone and further this policy they must be under Illuminati/Satanic control. This includes just about all the evangelical churches and such widely diverse groups as Baptists, Methodists, Jehovah’s Witnesses, Christadelphians, Seventh Day Adventists, Anglicans and Catholics etc. They may be divided against each other and differ greatly to their doctrinal position but in one respect they are all of the same mind. They all support the Satanism of Race Mixing and Mixed Breeding. As one tiny example the Christian Science Foundation in their blatantly misleading book "Answers to The 4 Big Questions" state that "The only marriages that God frowns upon are those of Christian with non-Christian." This same trash book also tells us that Adam was probably brown and "Noah and his family were probably mid brown."

Now to demonstrate the lie of this one has only to open a Young or Strong’s Exhaustive Concordance to the Bible. The Hebrew word translated "man" is "adam" pronounced awdawn, which means "to show blood in the face, to blush or turn rosy, to be made red or ruddy". Can a black or brown man do this? The Bible clearly tells us "Noah was a just man (tsaddiyq-righteous) and perfect (tamiym-without blemish, undefiled) in his generation." (Genesis 6:9). Literally a righteous man of pure racial extraction without any taint of mongrelization. A pureblooded descendant of Adam. Both Adam and Noah were White Aryans. Sarah, the half sister and wife of Abraham is described as "a fair woman to look upon", "she was very fair" (Genesis 12:11 & 14). It is evident that they were both fair skinned blue-eyed blondes. Their son Isaac (Saaacsons or Saxons- the word means sons of (I) saac) married into the family line so did their grandson Jacob, while Esau who married foreign women was rejected. All the patriarchs were White Aryans and their true descendants today, the real Israel of the Bible are the White Caucasians. The Celtic/Anglo-Saxon/Nordic/Germanic people are the true Israel. Throughout the pages of the Bible, God repeatedly told these people not to mix their blood with other races. Israel was to be "separated" and "severed" , "From all the people that are upon the face of the earth" (1 Kings 8:53; Leviticus 20:24; Exodus 33:16; Joshua 23:12 & 13). People like Batten, Ham, Sarfati and Weiland, authors of the book above are teaching the people the doctrine of Lucifer. While posing as Christians they are telling people to disregard the Will of Almighty God that the Aryan
Nordic Race should remain a separate people and not to mix with the dark races. The Law of Separation and Segregation is God's Law. Those who teach against it are doing the devil's work. World Jewry which is controlled by the big International banking houses of the Rothschild's and the Rockefellers and their associates is planning and carrying out the destruction of the White Race by mongrelization in order to attain full political control of a world mixed breed slaves. Communism, Zionism and International Socialism (like New Labor) are but their willing tools. " - "Science and Race" - Captain Ken Mckilliam.

This is why today we see Jew controlled television and advertising and the Jewish Press constantly pushing and promoting the Negro and why we have large numbers of Negroes in English football teams. Black Africans have been imported into Britain for one reason only. To destroy us by mongrelization/miscegenation. Rabbi Emmanuel Rabinovitch made this clear enough in his leaked speech. "Mixing the dark with the White means an end of the White man and our most dangerous enemy will become only a memory". (The Canadian. Intelligence Service, September 1952 and U.S. publication Common Sense. Full text on page 5 of History of the Jews, Eustace Mullins.) All this was confirmed by Rabbi Abraham Feinberg when he wrote, "One world, one race, the deliberate encouragement of interracial marriage is the only way to hasten this process" (Maclean Review magazine, September 6', 1967).

Your race and nation is being destroyed. What are you doing about it? If space permitted we could demonstrate that all the Churches are controlled by a secret elite of fabulous wealth who control all the secret societies, at the top, and everything else of consequence on the planet. This elite is the visible agents of Satan on earth. Through religion and secret societies demonic forces rule this world and are leading the people to ruin. To enslavement and death.

"Through religion we have gained complete control of society, government and economics. No law is ever passed except its merits have previously been taught from the pulpit. An example of this is race equality, which led to integration and ultimately to mongrelization. We are amazed by the Christian stupidity in receiving our teachings and propagating them as their own. Judaism (the modern name of the religion of the Pharisee or according to Rabbi Wise, another name for Communism) is not only the teaching of the synagogue, but also the doctrine of every Christian Church. We were able to involve the ignorant White Christians in wars against themselves, which always impoverished both sides while we reaped a financial and political harvest. Through propaganda the church has become our most avid supporter. This has given us a special place in society; they believe the lie that we are the 'chosen people' and they gentiles. These deluded children of the church defend us to the point of destroying their own culture.

"Through democracy we have gained control of their nation . . . democracy is mob rule which we control through their churches, our news media and economic institutions. Their religion is only another channel through which we can direct the power of our propaganda. These religious puppets' stupidity is only exceeded by their cowardice, for they are ruled easily. Religion too, must be taught, and through this
necessity we have labored. With our control of their textbooks industry and the news media, we have been able to hold ourselves up as authorities of religion. Many of our rabbis now hold professorships in supposed Christian theological seminaries. The invisible rulers in the Communist countries have a world control over the propaganda and the governments of the free countries. We control every media of expression, including newspapers, magazines, radio and television. Even your music! We censor the song released for publication long before they reach the publishers. Before long we will have complete control of your thinking.

"What I have told you is true - all of it. I don't need to lie. You and we actually have a different God. We are god's chosen people. Most Jews do not like to admit it, but our god is Lucifer - so I wasn't lying - and we are his chosen people. Lucifer is very much alive. The blood of the masses will flow as we wait for our day of victory." ("The Confessions of Harold Wallace Rosenthal", murdered by MOSSAD.) All of the above is also confirmed by New York Lawyer Henry Klein in his books, "Zionism Rules the World" and "A Jew Exposes the Jewish" and "Worldwide Conspiracy", also murdered. Read: "The Truth About the Talmud. Judaism's Holiest Book" - Michael Hoffman and Alan Critchley.

All the so-called Christian churches of every denomination have organized a march in London against 'Racism' scheduled for 10 September. They must be mad. They are a disgrace. They have all effectively pulled the wool over their members' eyes about what is happening to our country. Britain is being handed over to foreigners and our race is being destroyed and they are supporting it. Their march is against the Bible. For this teaches that God separated the races in the beginning assigning to each race its own portion of the globe (Deuteronomy 32:8). Their march is against God who abhors race mixing and mongrelization and warned the nation of Israel against it repeatedly in the pages of the Bible. He told them that mixed breeds were never to be numbered amongst His people. The Hebrew word 'mamzer' meaning a mix breed, translated 'bastard' (Deuteronomy 23:2). Their march is against Jesus Christ. For Christ said, "I am sent only to the lost sheep of the house of Israel", and told his disciples to go only to these people and no one else (Matthew 10:5 & 6).

He called the Jews everything short of swearing at them: "hypocrites, whitewashed sepulchers, clean on the outside and filthy within", "serpents, snakes, wolves, swine, dogs, tares, of your father the Devil", "the synagogue of Satan (John 8:44; Revelation 2:9 & 3:9). This would certainly have made him a `racist'. Clearly, in Christ's teaching the Jews and Israelites were entirely different races. The silly Christian churches haven't grasped that simple fact yet. The true Israelite today are the White Caucasian Race and the Jews are their ancient enemy the Biblical Edomites, Canaanites and Amalekites. "The people of my curse (Isaiah 24:5)
the people against whom the Lord hath indignation forever" (Malachi 1:4). The people who would hatch a plot to destroy the true Israel (Psalm 83). The churches are now marching in support of this anti-God conspiracy, not realizing that the goal is also the destruction of Christianity. One World Government. One World Race. One World Religion. If they had the wit to realize it they are marching in support of the destruction of their own religion and their own race.

Here in symbolic form is represented the great secret aim of the Illuminati that they are now working ceaselessly to accomplish. The great two-horned goat has inscribed on its forehead the five-pointed star-symbol of ancient secret societies, the House of Rothschild and International Communism. The fiery torch represents Moloch - the destroyer of children. The right hand of "devil's angel" is raised with two fingers pointing upwards to the white moon. The white moon stands for the Children of Shem - the White Race. "Solve" means break up or dissolve. The two fingers of the left hand point downwards to the black moon. The black moon stands for the Children of Ham - the Dark Races. Coagula means to curdle or clot, to make solid. The beast sits on the throne of the world and the great secret is revealed. The Great White Race of Shem is to be destroyed by mixing with the Dark Races of Ham.

Every individual and organization that is now supporting this cause, including the churches, past and present "British" governments, Masonry. The World Council of Churches, the U.N. etc., are under Satanic control. The Bible nowhere teaches the amalgamation of races. God is the author of racial separation. Integration and mongrelization is Satanic. Race Mixing is Satanism. Christians must choose whether they will support the Illuminati/Satanic program to mix up the races, or whether they will obey God and His Law of Racial Separation and Segregation? The choice is a simple one: will you obey God or the Devil? Are you for God and your country, or World Jewry?

In 1993, a Jew called Jeffrey M. Peck, whose family left Germany when Hitler came to power, made the following statement to the German Historical Institute in Washington D.C. He spoke of Germany but exactly the same plan is in operation for Britain. "With time, I would hope that the image of the German body politic might be changed from exclusively White, German and Christian, to Brown, Yellow and Black, Muslim and Jewish." From the book "End Times/End Games, the Final Months of the Jewish Century", 1999 Hans
The plan to destroy the White race and their Christian religion is not new. It was formulated long ago. But it has taken two World Wars, massive propaganda and dictatorial Race Laws to make the British and related peoples docile and daft enough to accept it. In *The Jewish World* of 9th February 1883 the final aim is clearly stated: "The great idea of Judaism, is that the whole world shall be imbued with Jewish teachings, and that in a Brotherhood of nations - a great Judaism - "All the separate races and religions shall disappear."

So there you have it. The destruction of Race and the destruction of religion is the goal. No one, with eyes still in his head, can fail to see that this plan is now on the way to fulfillment. In a letter by Baruch Levy to Karl Marx published in *La Revue de Paris* page 574 the intention of the Jews to gain world control over the ruins of White Christian Civilization is made crystal clear: "The Jewish people as a whole will be its own Messiah. It will obtain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation on monarchy and by the establishment of a world republic."

In 1912, Israel Cohen, a Jewish Communist spokesman in America wrote a book called *A Racial Program for the Twentieth Century*: This program has been followed today: "We must realize that our party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites we can mould them to our program of the Communist Party. The words Colonialism and Imperialism must be featured in our propaganda. In America we will aim for subtle victory. While inflaming the Negro against the Whites we will endeavor to instill into the Whites a guilt complex for their exploitation of the Negroes. "We will aid the Negroes to rise to prominence in every walk of life. In the professionals and the world of sport and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America (and Britain) to our cause. " The attitude of Jews to colored immigration into Our Country can be summarized by quoting the lying and scurrilous Red Jew Gerry Gable and his Communist sink magazine (funded by lottery money) *Searchlight*: "Asylum seekers welcome here! SAY NO TO RACISM. Yet his own Talmud teaches Race Hate as no other book has ever done, or could do. Jewish Israel does not say this. They only want
Jews.

Jew-controlled TV and the Press pumps out misinformation, distortions and downright lies, liberally dosed with masses of trivia and sweet nothingness. "The function of a journalist is to destroy truth, to lie openly and to crawl at the feet of mammon and sell his race and his country for his daily bread. We are tools and puppets of rich men who stand behind the scenes. We are jumping Jacks, they pull the strings and we jump. We are spiritual prostitutes", John Swinton, Managing Editor, "New York Times'.

"The media in the western democracies is exposed as constituting a lie machine of greater extent than many of the independently minded have perceived. 'The Hoax of the Twentieth Century', Professor Arthur Butz.

Over 90% of Jews - the Ashkenazim - are descended from the Turkish/Mongol Khazars of Eastern Europe whose king, Blulan, adopted the religion of Talmudist/Judaism for his people in the eight century A.D. Not a single drop of Israelite blood flows in their veins. They have stolen the name and the land of Israel. Every day they are murdering Palestinians whose lands they have stolen. In May 1948, when Britain terminated her mandate of Palestine and withdrew her forces, some 200 British soldiers and 90 British policemen had been done to death by the Jews, almost all in circumstances of cold-blooded murder i.e., shooting in the back, shooting wounded in hospital and two British Army sergeants suffered slow strangulation with piano wire and their bodies were booby-trapped in an attempt to kill their comrades when they cut them down. At Deir Yassin and Qibya the Jews committed unspeakable atrocities against unarmed and defenseless Arabs, including pregnant women and children, killing hundreds of them. The Jewish Irgun Zva'i Leumi and Stern Gangs were the most brutal and ruthless terrorists organizations of the twentieth century.

The 1925 edition of the "Jewish Encyclopedia" confirms that the Khazars are Edomites and their ancestors came originally from the Seir Mountains south east of Palestine. This was the ancestral home of Esau/Edom. "Hence he was called Edom or red." (Genesis 25:25) Moffat. Red, the color of blood, was affixed to Edom. Thus the Red Flag, the Red Army and Red Communism. All controlled by Jews. Read "Behind Communism", Frank Brittan. The Mass Media - all under Khazar/Edomite control has falsified history and whitewashes the greatest villains and scoundrels in all of history. They have reversed the truth. It is certain that they will provoke WWIII in Palestine.

At a secret base at Dimona in the Negev the Jews have stockpiled some 500 nuclear bombs. They also have stockpiles of biological and chemical weapons. Why does the tiny (Israeli?) Edomite State feel they need all these weapons of mass destruction? Believe me when I tell you that all these weapons pose terrific threat to all the White Christian countries. The United States Air Force and the RAF should immediately take out these weapons and stop bombing Iraq - the Jew's enemy. "Before we Jews will again be carried off to the ovens, we will pull down the temple of humanity"- Israeli general. "The Financiers would rather see the whole world go up in flames than abandon one jot of their program" - Professor Frederick Soddy.

Note: Informed sources refer to the alleged Holocaust as the Holohoax. Professor Arthur Butz, after an exhaustive, in-depth study of the whole subject called it 'The Hoax of the Twentieth Century'. Read his book of the same title. The people who suffered and lost the most in WWII were the Germans, not the Jews. RAF Bomber Command directed by the Jew Zuckerman and his lackey 'Bomber' Harris, destroyed German cities, killing hundreds of thousands of German women and children. After WWII, the Americans and French, with the connivance of the warmonger Churchill, deliberately murdered tens of thousands of German POW's. The allies committed more crimes in WWII than the Germans ever committed, but the victors write the history. Read "Other Losses", by James Bacque. As Henry Ford said, "History is bunk."

The Roumanian Jew, Marcus Eli Ravage wrote in the "Century Magazine" of 1928, "We were the primary cause, not only of the last war (1914-1918) but of almost all your wars. We were the primary promoters not only of the Russian Revolution but of all the great revolutions of your history. It is with relief that we realize the Goy (human vermin) will never be able to grasp the gravity of our guilt."

The real villains of world history are not the Kaisers and Hitlers but the Khazar/Edomites led by the HOUSE OF ROTHCHILD. They have shed blood in rivers and torrents. They are the embodiment of evil on
"We shall drive the Christians into wars by exploiting their national vanity and stupidity. They will then massacre each other thus giving place to our people." Rabbi Reichorn, "Le Contemporiam" July 1, 1860. Quoted in "Causes and Effects of the First World War", by Captain Ken McKilliam.

"The Talmud causes Jews to hate Christians and the Protocols provide a way in which Christian civilization may be destroyed." "A Jew Exposes the Jewish Worldwide Conspiracy", New York lawyer, Henry Klein.

Murdered by his tribe. The Jewish religious book, the Talmud, contains the vilest blasphemies against Jesus Christ ever written. With reference to excrement, semen and bestiality, it is unprintable. The Talmud also heartily condones and encourages even crime known to man, provided only that they are committed against the Goyim, Akum, Kuthrim - code names for non-Jews meaning cattle and vermin. If space permitted we could quote the Talmud proving that it teaches lies, theft, perjury, homosexuality, pedophilia and murder ad infinitum. Attack On America

On Tuesday 11th September two hijacked American jet airliners flew into the 1,368 and 1,362 feet tall Twin Towers of the New York Trade Center, and a third jet into the Pentagon in Washington, DC; a fourth jet, believed to be heading for the White House, crashed in Pennsylvanina. The resulting scenes of carnage were beamed live on television around the world and the footage of the big jets, laden with fuel, flying straight into the towers was repeated a hundred times. Over 5,000 people are said to have been killed in the attacks. Almost immediately, Saudi-born Osama Bin Laden and his fanatical followers were blamed for the atrocities. Bin Laden and the Afghan Mojahedin were trained and financed by Britain and America when they were fighting to free Afghanistan from Russian occupation. It was claimed that the American Security Services knew nothing of the impending attacks and, therefore completely faile d America, although it was admitted that the FBI had at least two of the hijackers under surveillance but lost contact with them (a likely story). People around the world, bombarded with non-stop television images and commentary have completely swallowed, like dump sheep, the official story of outrage. The British have become a nation of TV zombies.

An old soldier with some experience of explosions wrote to me saying that there is no way that the jets alone could have brought down the New York Twin Towers. "I saw it on TV here. They went down like an
elevator, but the mass media has ignored it ever since. Why? The way to demolish skyscrapers is by timed
explosions: boom-boomboom-boom. It starts at the top and ends at the bottom. The building goes down like a
hoist and ends up as rubble on the pavement." He added, "Somebody knew something bad was going to
happen and got rid of their shares. (They made about 800 million) Did MOSSAD warn the Jewish
moneylenders of some act of tenor…? If it was Jews who sold them I fancy we will hear no more about the
sale." The owner of the Twin Towers (now ex-owner) is a Jew Silverstein. In an article in the Times of 6th
November 2001 it was stated: "there were 2000 Jews working in the World Trade Center, and not one of
them turned up for work on 11 September. At least that is the rumor going around the Asian community." Since
the devastating attack has been compared to the Japanese "surprise" attack on the American Pacific fleet in
Hawaii on December 7th, 1941, a few facts should be pointed out for comparison. The Japanese attack on Pearl
Harbor was deliberately engineered by the Roosevelt Administration to get America into WWII. The American
purposely provoked and insulted the Japanese and imposed impossible conditions on them, so they had no
recourse but to fight. Roosevelt sent US destroyers into Japanese territorial waters before Pearl Harbor and, along
with British and Dutch, cut off iron and oil shipments to Japan. American code experts had broken the secret
Japanese 'Purple Code' which clearly showed that an attack on Pearl Harbor was imminent. Roosevelt had a ten-
day warning of the attack but failed to warn Admiral Kimmel and General Short, the Commanders at Pearl..
These two commanders were deliberately denied intelligence of the impending attack. The US fleet was spread
out like so many sitting ducks, but the carriers, which would be needed later, were removed, and the Japs were
allowed to bomb them out of the water. The plan was to so outrage the American public opinion so that they
would clamor for war (exactly as they are doing now) and it was entirely successful. The 3,077 lives lost at Pearl
Harbor were murdered by their own government. For confirmation consult "The Final Secret of Pearl
Harbor", by Rear-Admiral Robert Theobald, with forewords by Admiral Kimmel and Halsey, "The Warlords of Washington", by Colonel Curtis Dall - son-in-law of Roosevelt. The Arabs view America as "the Great Satan" because of their unconditional support, both military and financial (billions of dollars in aid every year), for the terrorist Edomite Israeli state against the Arabs. If we are to believe Colonel John Beatty, Intelligence Officer to the White House during WWII, and Major Robert Williams of US Counter-Intelligence, America is totally under Jewish control. Colonel Beatty wrote that Khazars Jews, members of exactly the same tribe who ruled Russia, had infiltrated the American government and administration and were the real makers of foreign policy; that they controlled the American media; were brainwashing the people; undermining the Constitution and destroying America from within. Major Robert Williams wrote, "Unless the American people recapture their government and smash the Zionist machine, the insane elements in that machine may wipe out mankind." Consult "Iron Curtain Over America", by Beatty, and "The Ultimate World Order", by Williams. Informed Americans refer to their government as ZOG - Zionist Occupation Government. The American people have been brainwashed up to their eyeballs by their lying news media. The Edomite Jews who control America are using that country's immense military machine to crush the enemies of misnamed 'Israel', like Iraq. Saddam Hussein never threatened British or American interests, but he did threaten 'Israel': that is why the Jews used America to destroy Iraq as a threat to Israel. If we had space, we could demonstrate that the American Secret Services, like the CIA and FBI are criminal organizations controlled by Edomites and working hand-in-glove with MOSSAD, whose motto is 'By Deception We Shall Wage War'. They, amongst many other things, bombed the Oklahoma building to discredit the American militias. Timothy McVeigh was set up, General Benton K. Partin, one of the top explosive experts in the USAF, wrote to Senator Trent Lott, at the US Senate, "The photos present irrefutable evidence that at least four demolition charges were set at four
critical columns of the reinforced concrete at the floor level of the third floor. Oklahoma was not caused solely by the truck bomb. Both Oklahoma and the World Trade Center (first bombing) show evidence of a counter terrorism sting gone wrong”. At this moment in time the true facts regarding the destruction of the Twin Towers are not known but you can bet that the official explanation is entirely false. My guess is that the CIA, FBI and MOSSAD (at the top) knew in advance of the attacks and allowed them to go ahead, or they may even have organized them to stir up hatred for Muslim Arabs and sympathy for Israel.

John F. Kennedy was also assassinated by the CIA and MOSSAD. Lee Harvey Oswald was set up as the fall guy, and shot by the Jew Ruby(stein) before he could talk.

There is much evidence that the CIA has connections with satanic cults, drug dealing, laundering drug money, trading in women and children for sex and research into mind control. The so-called MKULTRA PROJECT, "Manufacturing Killers Utilizing Lethal Tradecraft Requiring Assassinations". In other words, through the use of drugs and hypnosis they have reduced human beings to compliant assassins and sex objects. Secret Societies and Psychological Warfare. Michael Hofman. One of these K. Sullivan claims she was made a whore and was abused by the likes of George Bush, Henry Kissinger and Robert Maxwell.

"The Franklin Cover-up": John Decamp.

Six months ago, one analyst predicted that the Jews would create "a major incident" and blame it on the Arabs, and make this the excuse for waging an all-out war on the Arab nations. Blair, leading Britain like an obedient poodle at the feet of America, and following his friend Bush, has declared "war on terrorism". That being the case, he should put a gun to his head and pull the trigger. Both Blair and Clinton, by enforcing the UN sanctions against Iraq have been willing partners in the murder of an estimated million Iraqi children, deprived of milk and medicines. In the Gulf War the Americans use of depleted uranium poisoned 100,000 plus American and British soldiers (Gulf War Syndrome) and thousands of Iraqi children are now dying of thyroid cancer and leukemia. The misnamed RAF and USAF bombed Serbia round the clock for over thirty days, doing billions in damage and killing many innocents. When American bombs other nations it is defense of freedom, but when America is bombed it is an act of terrorism.

"We, the Jewish people, control America and the Americans know it”. Ariel Sharon, Israeli Prime Minister.

American paper, "The Truth at Last": "Israel controls the U.S. Senate ". A statement by Senator William Fulbright, before the Jews ousted him. Edomite controlled America is the master bullyboy of the modern age. They have bombed a dozen nations from Korea and Vietnam to Iraq and Serbia, and now Afghanistan.

Their CIA has financed and trained a dozen terrorist organizations (including Bin Laden) and stirred up trouble everywhere round the world. Up until the end of May 2002, Bush sent 4.3 million dollars to the Taliban (Source: Los Angeles Times). If it were not for their unstinted support for the Edomite bandit
state of misnamed 'Israel', millions of Arabs would not hate and detest them. How they love to hit little
countries, which can't hit back, but daren't take on China over their systematic murder of the people of Tibet.

Read American helicopter pilot Mason's book, "Chickenhawk", for a real insight into their bungling

gung-ho (if it moves, bomb it) operations in Vietnam. They don't give a damn for their troops, let alone the

effemy. In Vietnam they poisoned thousands of their own men with the dioxin based 'Agent Orange'. If
they had followed the simple Bible teaching they would not be in the mess they are today:

1. Never appoint foreigners over you - Deuteronomy 17:1 S
3. Never meddle in quarrels which are none of your business - Proverbs 26:17

We must look into the Edomite Talmud for the real reason millions of Americans have been murdered in unnecessary wars: "Extermination of Christians is a necessary sacrifice", "Take away the non-Jews, kill them", "Even the best of the goyim deserves death." Consult the books at the end of this section on the Talmud for confirmation.

America Responsible for the Four

Year Long Drought in Afghanistan?

Twenty-five years ago Zbigniew Brzynski, top advisor and righthand man to American President Jimmy
Carter declared, "Not only have new weapons been developed SPACE AND WEATHER CONTROL have
replaced Suez or Gibraltar as key elements of strategy." Long before this admission Professor MacDonald who
served as scientific advisor to President Lyndon Johnson stated, "Techniques of weather modification could be
employed to produce long periods of drought or storm, thereby weakening a nation's capacity and forcing it to
accept the demands of a competitor." Long ago the great scientist Nikola Tesla showed that it was possible to
have electrical weather control. This could be achieved by directing huge electrical magnetic impulses into the
jet stream, rapidly moving winds, which control the weather at the surface of the earth. America has now
developed this technique. Many of the droughts and storms of recent years, which have taken millions of
lives, have been man-made. It is a 90% certainty that America caused the drought in Afghanistan. Now this
is a real act of terrorism, making America's food aid to the Afghans an act of breathtaking hypocrisy. Perhaps the
real meaning to what is happening is contained in a letter written by Albert Pike, The Sovereign Grand Commander of the Ancient Scottish Rite of Freemasonry to the Italian Revolutionary, Giuseppe Mazzini, dated August 15, 1871. The letter was originally housed in the Library of the British Museum. *Three World Wars were planned in advance* to finally bring about "the destruction of Christianity“ and its replacement with "the pure doctrine of Lucifer". Since WWI and WWII have happened *exactly as detailed in the letter* there can be little doubt that WWIII will be brought about as stated.

**World War I** - Pike stated, was to be fomented to destroy Czarist Russia and place that vast land under the direct control of the Illuminist agents. Russia was then to be used as a 'bogey man' to further the aims of the Illuminati worldwide.

**World War II** - was to be fomented through manipulation of the differences that existed between German Nationalists and the political Zionists. This was to result in an expansion of Russian influence and the establishment of a State of Israel in Palestine.

**World War III** - was planned to result from the differences stirred up by Illuminati agents between the Zionists and the Arabs. The conflict was planned to spread worldwide. The whole world is now facing the abyss. The ‘Great Tribulation’ foretold by the Lord Jesus Christ out of which, if God did not intervene to 'cut short' those days "No living thing could survive ", or as another translation has it, "All mankind will perish ". This can only mean nuclear war (Matthew 24:22). The tribulation will be closely followed (3 1/2 years) by the Second Coming foretold in one verse out of twenty-four in the New Testament alone.

"For my sword shall appear in heaven (a Comet?) and shall come down on Edom, doomed that accursed race (Isaiah 34:5 Moffatt)."

Summer Intelligence Report – 2002
Odds and Ends You Need to Know About Terrorist Allies in the United States

The following pertinent information, with some editorial license, comes from the March 31, 2002 edition of "CRIMINAL POLITICS", (Lawrence Patterson, Editor, P.O. Box 37812, Cincinnati, Ohio 45222).

While the Bush Administration concentrates on what is to be done with Iraq, the question might well be asked, "Why is Iraq, several thousand miles away, of more concern than Colombia which is a close neighbor?" To the uninitiated this might seem like a logical question, followed by, "What danger does little Colombia pose to America?"

According to a Rand Corporation report published in "INSIGHT MAGAZINE", March 5, 2002, "The Colombia crisis is the most serious security challenge the U.S. faces."

Since 9-11 attacks to which the United States responded with military force against the Taliban Regime, why do we suddenly find ourselves involved in the Philippines, in Yemen, and the former Soviet State of Georgia?

Today we are becoming more and more engaged in the internal affairs of Colombia. And as has happened in recent years when we interfered in the internal affairs of others, instead of helping Colombia defend herself against shocking invasions of large forces of well armed, well trained Red Chinese soldiers, who have been gaining footholds along the West Coast, and have taken over our Canal in Panama. (Now they are well on their way of taking over a huge port facility in southern California.)

Several times each week I get letters from Congressmen, or patriotic organizations which are attempting to stop this Communist invasion of American territory. Most ask you to sign petitions to the President or Congress, asking them to take immediate steps, to stop this surrender of American sovereignty. (Of course they ask for funds to carry out their pet project.)

Following are parts of a typical letter I received recently:

"It is getting harder and harder to stop Red China's stealthy invasion of America's seaports."

"We have been working overtime opposing the expansion of the China Shipping Company (COSCO) at Pier J in the Port of Long Beach."

"We have been petitioning Congress to protect our strategic seaports from Chinese front companies like COSCO."

"In spite of this, the Chinese have continued expanding their operations at Port J in Long Beach."
"At this very moment our enemies are making plans to storm Congress and ran through their Pro-China agenda. Very little in the way of opposition is coming from the American people."

Imagine if you can, a Pro-China Lobby in Congress similar to the Jewish Lobby that is virtually unopposed. Many of us know about the sellout of our Panama Canal in Panama, by traitors in Congress. We cannot allow this treason to continue.

Yet while this is going on, and our government action in Columbia show that President Bush's Administration is more interested in starting a war with Iraq, which poses no immediate danger to us, rather than face an immediate threat from Communist activity in Colombia and along our West Coast.

The "War Hawks" in Washington DC are pushing for a war with Iraq, sometime this fall, and the media war drums are already beating out their fatal message.

It brings to mind a quotation from the diary of Julius Caesar. He wrote:

"Beware the leader who bangs the drums of war, in order to whip the citizenry into patriotic fervor, for patriotism is indeed a double-edged sword. It both emboldens the blood, just as it narrows the mind.

"And when the drums of war have reached a fever pitch and the blood boils with hate, and the mind has closed, the leader has no need in seizing the rights of the citizenry. Rather, the citizenry infused by fear, and blinded by patriotism, will offer up all of their rights unto their leader and gladly so.

"How do I know? For this is what I have done. And I am Caesar!"

Why do we Americans continue to allow Administration after Administration to play the traitor, with our precious rights? There is an old saying that goes something like this: "Fool me once with your trickery and dishonesty, Shame on you! Fool me twice, Shame on me!" Yet we have allowed our government to trick us time after time with their high sounding words, when they were working towards the same end, absolute control of the American people. Yet knowing, this we have allowed them to continue in their treason, without ever calling them to account! Shame on us!

Pause for a moment in your thinking, and consider this. According to "INSIGHT MAGAZINE", the Bush Administration is following in the treasonous footsteps of "Slick Willie" Clinton. He took no steps to help Colombia when they first appealed to him for help in dealing with Red Chinese problem. Instead he issued Presidential Decision Directive 73, which was used to keep the Defense Department from sharing any intelligence information with Colombia.

Clinton, while playing footsies with Red China, barred Colombia from using U.S. anti-narcotics aid against the FARC terrorists who were seeking to control of Colombia.

Now that our great military leader, George Bush, Jr., is in the driver's seat, he is following Clinton's footsteps of no help! No assistance to Colombia!

Our government knows that there are large numbers of Red Chinese soldiers, with their heavy equipment, in the Canal Zone (which for all intents and purposes they now control), and in Mexico and Northwest Canada.

As early as 1976, I sent our State Department, pictures of Soviet heavy military equipment stationed in northeast Mexico, within fifty miles of our border. I was called on the State Department carpet, for having been in a restricted area, and was warned "to keep my mouth shut" if I knew what was good for me. When I went on a radio talk show, and told the people of Texas what was happening on their border, I came under attack from the FBI, the CIA, and of course the IRS. Enough public interest was generated, that it was take under advisement by the Arizona State Legislature. In like manner, our government knows about the
Red Chinese pressure along our west coast.

The United States has the unmatched ability to monitor FARC activities in Colombia from both the sky and outer space. The Bush Administration has the ability to give Colombia the vital help necessary to defend them against Communist infiltration, and against the FARC. By using the same weapons we used successfully in Afghanistan, we could end the Chinese infiltration along our vital west coast. Colombia President Andress Pastrama has done nothing to make us believe Colombia is unworthy of our help. Still President Bush refuses to even discuss the problem of Colombia, and no one in his Administration can safely speak about Colombia in public.

Once again we are seeing evidence of secret control over our government.

President Pastrama of Colombia has given the FARC an area the size of Switzerland, and is learning the bitter lesson that you cannot compromise with terrorists.

On February second the FARC hijacked a Colombian commercial airliner and murdered a Colombian Senator. The communist terrorists of FARC have been fighting 38 years for control of Colombia, and have received impressive amounts of military aid from Communist nation such as Red China. A few decades ago this would have been impossible, as the Monroe Doctrine protected this hemisphere. Left wing liberals in our Congress destroyed this very important defense document. As one studies our present problems, it becomes obvious that a long-term conspiracy is underway to destroy Christian America.

In a recent speech, President Pastrama itemized 117 terrorist attacks against his country in one 30-day period, all of which murdered innocent men, women and children. Yet President Bush has remained strangely silent about Colombia, and it is evident that word has gone out to all the major news outlets to stay away from the Colombian crisis, and concentrate instead on an all out propaganda attack against Saddam Hussein and Iraq.

Much has been written about this scary phenomenon, but it must be impressed on White Christians in particular, that the strangle hold imposed on the media, has been done by the antichrist death merchants of Judaism, as an important part of the Zionist effort to "destroy White Christian civilization". Make no mistake about it; you are their target, even if you are a brainwashed Judeo-Christian or Fundamentalist who supports them. It would be well for you to consider 2 John 9, 10 & 11, before you make a fatal mistake.

These verses clearly state, "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father, and the Son." Listen closely to verses 10 and 11 - "If there come any unto you, and bring not this doctrine (that Jesus is God's Son, the Savior), receive him not into your house, neither bid him God speed: For he that biddeth him God speed is partaker of his evil deeds I sincerely doubt that any Judeo-Christian or Fundamentalist supporter of Judaism would be foolish enough to admit that the Jews do not fit this Biblical definition of an antichrist.

This anti-God coalition will not be defeated by military or political force alone, for as the Apostle Paul recognized in Ephesians 6:12 - "for we wrestle not against flesh and blood, but against principalities, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Most Christian preachers will tell you that the Christian battle is against a demon they call Satan and his world forces of darkness. Paul does not even hint of our adversary as being Satan, or mention him in this verse. The word principalities, as mentioned here come from the Greek word "archo", and means: "magistrate; chief ruler". While the Greek word for powers is "exousia" and means: "those who exercise mastery over".

So using the vernacular English we could say: "Christian, your battle is not against physical, fleshly figures, but against Judges and Chief Rulers in high places who want to exercise mastery over you."

"Because of this the weapons of your warfare, are not carnal (fleshly - guns; bombs; planes; tanks) but the whole armor of God, that ye may be able to withstand in that evil day, and having done all, to
"stand!!" What a message for Christians in these evil days.

Our only offensive weapon is to be the "sword of the Spirit"; which is the Word of God. What a challenge to those Christian babies, who read this verse to say: "We wrestle not period!"

We know the Jewish plan is the destruction of all religions but their own with a special emphasis on the "destruction of White Christian civilization". We know, because they have told us so!

This battle can be seen in an ABC Evening News broadcast with Peter Jennings on June 3, 2002. (Those of you, who know anything about Peter Jennings, know he is a dyed in the wool Zionist supporter.)

On a Talk Show with Don Harris of ABC News, the following conversation took place between Harris, President Richard M. Nixon, and Dr. Billy Graham, before Graham sold out to Zionist interests (after he had the promise of William Randolph Hearst, the Jewish News magnate, that if he supported the Jews and Zionism, he would never receive a negative report from the news media on any of his Crusades). Those of you, who have followed Dr. Graham over the years, remember when he began to compromise in matters dealing with Communism, and other evils such as "race mixing". Here are the comments from this program:

HARRIS: "Mr. Nixon was heard discussing the role played by Jews in the media."

GRAHAM: "Their stranglehold must be broken or this country will go down the drain!"

NIXON: "You believe that?" GRAHAM: "Yes sir!"

NIXON: "So do I ... but I can't ever say that in public, although I believe it."

GRAHAM: "No, but if you get elected to another term, we might be able to do something."

HARRIS: "Dr. Graham says he has many Jewish friends."

GRAHAM: "They swarm around me and are friendly because they know I support the Israeli. But they don't know how I feel about what they are doing to this country."

HARRIS: "Dr. Graham says he has no memory of making such a remark!"

That was in 1992 and the situation with the Jewish control of our media is much worse today. The Zionist grip on our American media is well known, and they brag about it. When it reaches the point where it influences our government then - enough is enough! This is why a high-ranking Israeli official could publicly brag, "We have the best Congress money can buy."

The shocking statement was made by Billy Graham several decades ago, and he could not possibly have known how bad conditions would get for Christians in this country, if the Jews were ever successful in their efforts to bring about a New World Order.

He could not have envisioned the persecution from the antichrists, under which the Christian church lives today. You may deny this by saying, "Our church has no persecution from Jews, and we are free to preach the Gospel." If this is true, one of two things have happened to your church. Either you are under government control of the IRS through their 50103 tax program, in which they dictate to your pastor what he may preach (let him step over the line of verboten subjects and see what happens), or you are one of those Judeo-Christian, Fundamentalist churches who preaches a pro-Jewish gospel.

In the June 27th, 2002 issue of "THE ARKANSAS DEMOCRAT GAZETTE", page one, the following article appeared: "Billy Graham, the Southern Baptist evangelist, met with Jewish leaders in Cincinnati, where he apologized once again, for recorded, anti-Jewish remarks he made at the White House
in a 1972 conversation with President Nixon."

I wonder what Jewish pressure was brought against him to make him change his mind?

You may be one of those Christian churches who considers Billy Graham, as something of a saint, who can do no wrong and refuse to believe the truths of Dr. Billy's defection from the faith once delivered unto the saints. I will give you a personal example of what I saw and heard.

Over twenty years ago before I left the Baptist church and became involved in Christian Identity, I was invited to speak before an assembly of students at Bob Jones University, Greenville, NC. Before the meeting as I sat at lunch with Dr. Bob Jones, Jr., and his dear mother, we called her Mother Jones, I asked Dr. Jones why he thought Billy Graham had made such a radical turn in his Christian beliefs? Dr. Jones told me: "Jack, two weeks ago Dr. Billy and his wife Ruth were visiting here and I asked him this same question. He refused to answer, or even look at me, but Ruth looked me straight in the eye and in no uncertain terms told me - 'Dr Jones, we intend to do anything necessary to fill the football stadiums.'"

My purpose in this message is not to expose Dr. Graham, but to show you how insidious the Jewish propaganda program has become, that it can and does influence great Christian leaders.

When Harold Wallace Rosenthal, the Chief Secretary of the powerful Jewish Senator, Jacob Javits of New York, had a paid interview with Walter White in 1945, in Los Angeles, he, was asked: "Do you have knowledge of when and why the Jewish people began to proclaim that they were God's Chosen?" He replied: "Most Jews do not like to admit it, but our god is Lucifer and he is very much alive, so I am not lying when I say we are his chosen." He went on to say, "The Jews are the cleverest people in the world, and have control of the media, this makes the difference." When Mr. White reminded him that they were living in America and were American citizens whose duty was to uphold the laws of this country," Rosenthal sneered at him.

When Walter asked about the KOL NIDRE oath which most Jews take on the Day of Atonement, Rosenthal said: "I don't believe all Jews take this oath, but if they do it is with the Rabbis approval." This Jewish oath makes it possible for a Jew to rescind any promise, oath or agreement he makes with a Gentile for the following year, without sinning.

The Apostle Paul said in 2 Timothy 4:3 & 4 - "For the time will come, when they (the Israelite people), will not endure sound doctrine, but after their own lusts (longing for fleshly, material things), shall heap to themselves teachers, having itching ears; and they shall be turned unto (Jewish) fables." (See Titus 1:14)

The majority of the Christian element has been fooled by President Bush's announcement that he is a born again Christian. (This statement alone makes him worthy of support.) Yet very few Christians will ask how a 32 degree Mason can even be a Christian, ignoring their Savior's statement in Matthew 6:24 - "A man cannot serve two masters." Then check and see the oaths G. W. had taken in order to become a Mason. (His loyalty must be to the Lodge, not to God.)

Today, even with the added powers our younger generation has through the Internet, the Jewish power has not been broken.

Today's American can choose from over 200 movies to watch on TV, most of them decidedly un-Christian. The average American, Christian and un-Christian alike has become beguiled and stupefied beyond belief; Mass hypnosis, would be a better word to use. Most Christians are afraid to admit the ZOG control of our people, and this makes it easier for them to do their dirty work.

It has reached the point where many born again Christians seeing Jewish power in operation in the United States, refuse to admit that Zionism is slowly strangling Bible Christianity. In fact they fight the idea
that they are slowly being destroyed, and viciously attack the Christian who has the courage to point this truth out to them. This may be what the Apostle Paul had in mind when he told the church at Galatia: "Am I therefore to become your enemy, because I tell you the truth?" (Galatians 4:16)

There is an old saying: "None is so blind, as he who refuses to see." Our Savior once said, "'If the blind lead the blind, both shall fall into the ditch."

I have had sincere Christians tell me, "I know my pastor doesn't always preach the whole truth, but my family has been a member of this church for many years, and I staying to change it from within." Brother, sister, you don't have this option, for in God's Word, 2 Corinthians 6:17 tells us to "Wherefore come out from among them, and be ye separate, saith the Lord . . ." We touch and handle the unclean thing, when we settle for less than the truth in our churches. In the over seventy years I have observed Christians, I have never seen a church changed from within, while seeing many Christians backslide because they compromised with what they knew was wrong. One way we can counteract Zionist control of the press is to subscribe to the few publications, mostly weeklies that still tell the truth. Write letters to the Editor, complaining in a Christian manner, about what is going on. (While most of them will be discarded, some will be published and will be an encouragement to others to speak out.)

The Scripture of Genesis 12:3, God's promise to Abraham, who was a Hebrew (never a Jew), has been used by Judeo-Christian pastors to frighten their people into supporting the antichrists of Judaism. Many, many times, I have sat in a church sanctuary and heard the pastor fervently state: "If we don't support the Jews, God's curse will be on us." I have never heard one of them tell his flock that there were no Jews anywhere on earth until 1200 years after Abraham's time, when we first read about them in the Bible in 2 Kings 16:6, fighting against Israel.

Yet few pastors have the courage to "buck the modern trend" and tell their congregations that neither Abraham, Isaac, Jacob, Moses, or King David, for that matter, were Jews. Abraham and Isaac were Hebrews, and the first Israelites were the seed of Jacob, when God changed his name to Israel (meaning a prince that hath power with God), in Genesis 33:28 at a place Jacob called Peniel, which means: "I have seen God face to face and life is preserved."

To call any of these men Jews, is an outright falsehood, yet it is done regularly in most churches, and is one of the major points of confusion among Christians, who refuse to see the difference between the Israelites who were God's Chosen (See Isaiah 45:4) and the antichrists of Judaism. (No place in the Bible, Old or New Testament, can you find the Jews referred to as God's Chosen.)

Biblically speaking, Jews and Israelites cannot be considered as the same people although Judeo-Christian pastors and Bible scholars consistently call them the same. They are trains on different tracks, headed in opposite directions.

A few years ago the Judophile Baptist pastor Jerry Falwell, made a public statement in which he stated: "God has blessed America, because we have been kind to the Jews." Yet any intelligent person knows that the time of America's greatest debacle has come since we first accepted the Israeli nation in 1948. We have gone downhill in every major area - education; politics; finance, in the military (where we fought two no win wars, for the benefit of International Bankers), and certainly morally and spiritually.

I cannot think of a single event in which this country has benefited from being the ally of the antichrists. I can think of several in which our trust has been betrayed.

Could it be possible that we are seeing God's threat in 2 Chronicles 19:2 taking effect? "Shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon you from before the Lord." I doubt that any Judeo-Christian would dare to say that the Jews are not antichrists who regularly refer to Jesus as a bastard (See 1 John 1:22).
A classic example of Jewish control of the press is the case of the American Lt. Commander who was shot down over Iraq, on the first night of combat, January 17, 1991. He was declared dead in the next day's news, as the first casualty of that war.

Now quoting from the DC press and discussed on national television, Defense officials have suddenly; after eleven years obtained information that he has been a prisoner in Iraq over the last eleven years.

Why did this information suddenly and mysteriously appear in the nation's newspapers, after eleven years, just at the time the President is pushing Congress for further military action against Iraq?

What was the reason for America to abandon him in the first place? (Although a precedent was made in both the Korean and Vietnam Wars, where thousands of American soldiers were unaccounted for in enemy hands.)

It was President George Bush, Sr., who in a cowardly action called off the war before victory was complete. You may recall, how Bush, Sr., to the dismay of his senior military commanders, abruptly and unexpectedly halted the war after only 100 hours of fighting. This left Saddam Hussein still in charge of Iraq, and left Commander Speicker without an opportunity to reach safety.

He was actually abandoned by our government policy as a Prisoner of War in Iraq. Where were the cries of outrage from our Veteran's organizations and the Christian world?

Concerned Christian citizens in particular should do everything in their power to keep Bush, Jr., from reopening the Iraqi War. It will only add to the 40,000 plus casualties from the first war, which is increasing at the rate of 6,000 per month. What will be your reaction when 100,000 or more Americans are called into active duty, and go face, biological and chemical weapons we are assured Hussein will use against us at this time? It would not be too far fetched to believe it might escalate into a nuclear war, especially if Hussein is tempted to hit the Israeli with a chemical or biological missile. (He has that capability.) The Israeli Firsters in our Congress, and this may be as high as 70% of the Senate, and a majority of the House (going by their present voting record), seem more interested in the preservation of that little "bastard, antichrist State" in Palestine, than in what is best for this country. I believe, based on their past actions, that some of Congress would go so far as approving a nuclear exchange, if it led America into their cherished New World Order.

Since World War II, it seems that America's definition of *treason* has undergone a frightening change, and where it was once looked on as the most heinous of political sins, it is looked on with favor, if it brings the desired political results. "*Treason prospers, what's the reason? For when treason prospers, none dare call it treason.*" An expected aftermath for a nation whose Christian people have accepted apostasy as a way of life.

The Apostle Paul recognized this danger that was already creeping into the First Century Christian church and warned about it in 2Thessalonians 2:11 & 12, "And for this cause (See verses 3-10) God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness." (See Titus 1:10,11, & 14)

In 1 Timothy 4:1, he says again, "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils;" (See Matthew 23:15)

Are you one of those Christians who are willingly taking part in this apostasy because of your refusal to see that the antichrists of Judaism are yours and God's enemies? What your pastor teaches will not stand up in the Judgment, if it is contrary to His Word.

The real, purpose of this planned war of genocide can be seen in secret documents that come to light from time to time, and indicate a desire on the part of our Israeli allies to balance the Arab population with that of the Jews in Palestine, while a secondary benefit is to destroy America's power to defend itself, by
disabling 100,000 of our troops in an Iraqi War. Once again we will be pulling Jewish chestnuts out of the fire, while at the same time we prepare ourselves for their planned One World slavery.

These revealed documents prove that we, the American people, Christian and non-Christian alike must not be taken in by the propaganda that will emanate from our own government. There is little doubt in my mind, that if we are sucked into this immoral war, we will see a huge media campaign to make those of us who oppose it as unpatriotic. Just as they did with Charles Lindbergh in World War II. Yet at the same time we were seduced into that war. Polls indicated that 75% of the American people were against it. It took a contrived incident like the Pearl Harbor attack to get us mad enough to fight. Was this the major purpose of 9-11? I feel I have a right to express myself, as I was not one of those who ran away to avoid combat. I was a volunteer and served as a combat infantryman in World War II and Korea. It was not until those wars were over, and I was honorably discharged, that I learned how the International Jewish bankers for their enrichment, and our ultimate destruction as a Christian nation had used us.

I predict that if President Bush calls for a draft to expand his war against terrorism, we will see demonstrations once again with signs like "HELL NO! WE WON'T GO!" Only this time they will be legitimate.

Former Israeli Prime Minister Netanyahu stated on MSNBC and FOX News, April 22nd: "America must invade Iraq ... or face suicidal bombers in your pizza parlors and on your city buses."

Who, under all that's holy, is giving orders to America? Must we listen to and be led by the ranting of one of the Middle East's worst terrorists, just because he is a Jew and his people are now suffering as the result of his terrorism? I know a threat when I hear one, and this is as close to one as you will ever get.

Of course having heard this threat, the average mind-controlled Christian will take this statement as a friendly warning! How utterly absurd! This is no friendly warning, but a threat of what will happen if the Israeli do not get their way in this proposed war. The MOSSAD have done their dirty work before, than blamed someone else, and there are many destitute Arabs, who can be bribed by a few American dollars the Israeli got from the U.S. in the first place. Not only would their families be taken care of, but also they would be assured a place in Paradise, with all those lovely virgins to wait on them hand and foot.

Of course no matter what the proof, Judeo-Christians would never lay the blame on the Israeli.

Pure and simple, this was a threat from the Israeli of what we can expect if we don't back Zionist demands.

Instructions to our government are being passed from Sharon, the Israel Prime Minister, through the Zionist Jew, Henry Kissinger (who has always been America's enemy. He served as a double-agent for the Russian Communists in World War II, while he was a Master Sergeant in the U.S. Army), to President Bush while Sharon, stands accused of genocide before the United Nations. President Bush has openly declared his intentions of backing the Israeli, no matter what course they may take, and the majority of war hawks in our government, are Israeli backers.

The majority of our publishers, politicians, public speakers, and Christian pastors, are afraid to even criticize the illegitimate, international Zionist State of the Israelis, and the preachers have falsely taught that these antichrists are God's Chosen, who must never be criticized in any manner. They have completely forgotten the wise counsel of Moses in Exodus 23:2, when he said, "Thou shalt not follow a multitude to do evil; . . ." History has proven over and over again, that the majority are usually wrong.

Ask yourself this question. Whose anger would you rather face, that of the antichrists, or of Almighty God? The choice is yours.

Those of us who have had the courage to speak up and tell the truth have received harassment, both
from the enemy and those who claim to be Christians. This proves to me that we must be doing something right, or the enemy would not waste time and money in order to counteract the truth, which they dare not face!

Zionist demands on the United States should leave every decent American boiling with righteous anger.

Instead we have been taught by Jewish propaganda power, to take all insults meekly, and never, never ever think of acting like free men and women again.

It is very possible, that we may face more than verbal threats in the months ahead. Threats unanswered always leads to enemy action. We have been engaged for months in Mr. Bush's war on terrorism in Afghanistan. After going deeper in debt to pay the costs of this expensive war, ask yourself, "What have we gained?" Our military has been weakened, as we have fired thousands of costly missiles and bombs, blowing holes in the rugged mountains of the enemy. Now, when we will not even defend our own borders. This Administration is in danger of being sucked into another war in Iraq, which will benefit only Zionist interests. When will we learn, that we cannot win when we support the enemy? How the Israeli Jews must laugh as they again see the stupidity of a once Christian people, who have been taken in by their propaganda, and literally turned their back on God.

In the Book of Judges, we see what happened when Israel turned their back on God, and went their own stubborn way. The Book says, "And Israel did evil in the sight of the Lord, and the Lord sold them into the hands of their enemies" (Judges 2:14; 3:3; 3:12; 4:2; & 6:1). In every case where Israel repented, God sent them a deliverer. In one case this was a man called Gideon. In Judges 8:33 we read, "And it came to pass, as soon as Gideon was dead, the children of Israel turned again, and went a whoring after Baalim, and made Baalberith their god. Then in Judges 10:6 - 8, we are told, "And the children of Israel did evil again, in the sight of the Lord, and served Baalim ... And the anger of the Lord was hot against Israel, and he sold them into the hands of the Philistines, and into the hands of the children of Ammon. And that year they vexed and oppressed the children of Israel: eighteen years, ..." In Judges 13:1, we see a ai that Israel did evil in the sight of the Lord; "and the Lord delivered them into the hand of the Philistines forty years."

Why have I gone into such detail from the Book of Judges? If God never changes as His Word indicates, what makes us believe He will look with approval on the sins of modern Israel? Must we be driven to our knees, and have our noses rubbed in the dirt as our forefathers did, before we will listen to God, obey, and be saved, both physically and spiritually? Many of you who consider yourselves Gentiles, for that is what your pastor said you are, are nevertheless Israelites of the seed and bloodline of Abraham. Just because you do not want to accept this truth, or some pastors deny this, cannot change the fact.

God's Word says, "For whom the Lord loveth He chasteneth, and scourgeth every son whom He receiveth." (Hebrews 12:6) Do you really want to know if you are saved? Then consider verse eight of the same chapter - "But if ye be without chastisement, whereof all (sons and daughters) are partakers, then are ye bastards (illegitimate children), and not sons (and daughters)." Meaning: "If you are His son or daughter and sin (disobey His law, 1 John 3:4), and are not whipped (punished by God), then you don't belong to Him." It's as simple as that. Don't get angry with me for passing on this truth, for it's not original with me, but comes from God's Word. If you are an Israelite, your obligation to God and your fellow man are greatly increased, whether you are willing to accept the truth that you are an Israelite or not. You cannot plead ignorance, or blame your pastor for misleading you, for you have God's Word for confirmation.

How can America sing the words of our National Anthem: "The land of the Free, and the home of the Brave", when so many of our people have become moral and spiritual cowards?

It is very possible we may receive more of these threats in the months ahead. Some may come, from our own government, so pay close attention to MSNBC and FOX News and ignore most of what you hear and see on the controlled television. You maybe able to get some good news from independent sources.
A quarter of a million troops will be needed to adequately invade Iraq. (I didn't come up with that figure from the top of my hat, was given recently by a high-ranking State Department Official.)

If we send these men to Iraq, who will defend our borders, if our enemies decide now is a good time to attack us? Now might be a good time for concerned Christians to review Ezekiel 38 & 39, as this attack will not be against the little Israeli nation in Palestine (Contrary to Jack Van Impe). How will we defend America when there are already over 70,000 foreign troops with their heavy equipment on American soil? God alone knows how many illegal enemies are within our borders.

Could Mexico, Cuba, North Korea, or Russia, resist the chance to hit us, if Red China took this golden opportunity to strike us from their West Coast bases? What good are our nuclear missiles, if we are destroyed in a nuclear exchange, or lose 100 million of our people?

Any treaties we make with Russia or Red China will surely fall under the criteria laid down by Nikita Khrushchev, when he said, "Treaties are like pie shells; made to be broken."

I did not agree with most of the war resisters in Korea and Vietnam, as they showed by their actions they were not so much against the war, as they were against Free government. I had numerous confrontations with them in Canada and on American college campuses, and almost without fail they were led by Jewish Communists from the SDS (Students for a Democratic Society), and young Jews like the Communist Abbie Hoffman and Jerry Rubin.

It was this Jewish influence during Vietnam that caused me to make an in-depth study of Judaism and awakened me to the falsehoods of Judeo-Christianity, as they taught that the Jews are all of Israel, when they had never been a part. (I was a member of a Fundamentalist Baptist Church at the time, and a traveling evangelist.) I was amazed to find what the Word of God taught about the Jews, which I had never heard mentioned in a Judeo-Christian church. Further study, as to who Israel actually was, from the Bible and history, led me into the Kingdom movement, over twenty-five years ago. I have never found a Judeo-Christian pastor or Bible scholar, who could prove to me from God's Word, that the antichrists of Judaism were God's chosen. I did discover they were God's worst enemy, dedicated to the destruction of all religions but their own, and especially dedicated to the destruction of White Christian civilization, who they consider their worst enemy.

It seems strange and infinitely sad, that professing Christians would support those who refer to their Savior, as a bastard Yet they were taught this falsehood in their own church.

We as Christians have no business being involved in entangling foreign alliances, especially those of non-Christian nations. Some of our wise statesmen have warned about this, and God's Word forbids it.

In Deuteronomy 28, we have a clear picture of what happens when people obey or disobey God's Word. Notice verse 43 & 44 in particular occurring when a people are disobedient, "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low ... he shall be the head, and thou shalt be the tail." If you can't see how this has happened in the United States, it's because you have deliberately closed your eyes to what's taking place.

The very purpose of another war with Iraq is immoral, ungodly, and wrong. Every sign points to it as being a Zionist means of committing genocide against a people they fear and thus hate, and once again they will be coercing the United States into fighting a war we do not want, which will only benefit World Zionism and further their aims towards a One World Order, as it weakens us. (There is nothing as evil as the hatred of a people towards those they know they have wronged.)

The only ones who gained from other Zionist induced wars, such as World War I and II, were the International Jewish Bankers, and warmongers who grew fabulously rich off the blood and suffering of brainwashed Americans. A few like Charles Lindbergh saw through the Jewish plot, and tried in vain to warn our people. The traitors in our government who sold the American people down the river to Jewish
profiteers labeled them as **traitors or turncoats**.

A well known American philosopher once said, "He who will not learn from the mistakes of history; is bound to repeat them."

Today America and the free world, stands on the brink of what could turn out to be the biggest mistake we have ever made, because it could very well escalate into a war that will destroy the free world and bring about the Zionist Slave State.

When will the clear thinking men and women in our government (and we must have some), stand up and tell our top officials in Washington, "This is as far as we will allow you to go in your sell out of American interests. From now on we will hold you accountable for the oath you took when you became our leaders. There will be no excuses for not knowing and doing your duty." It is only as we the citizens of this country, demand that our leaders follow their oaths of office, that we can expect a honest government, and we must always be on the alert for those who would do otherwise, as "eternal vigilance is the price we must pay to remain free."

There are times when freemen must fight for their rights. This was the case in England in 1215 AD when the English barons confronted the tyrant King John and demanded their rights as Englishmen. The King laughed at them. Then on a foggy day in 1215, at a place called Runnymede, they confronted the king with swords in hand, and forced him to sign the Magna Carta. That magnificent document of freedom that preceded our Constitution.

Our closer ancestors did the same thing when King George of England trampled on American rights in 1776. Then American citizens, at Concord and Lexington, 'fired the shot heard round the world', and we became a free sovereign people. Our enemies are still trying to destroy our cherished freedom, and make us slaves of their New World Order Slave State. We must not allow this to happen, as it will retard civilization to another Dark Ages.

Our people ... those we depended on to preserve our freedoms, especially those in the Christian church; those who should have been foremost in the defense of our freedom, have through apathy, brought about by the "good life " and through deceit, often become defenders and supporters of those who say they mean to destroy us.

This complacency must be changed if our people' are to remain free and sovereign.

The war against Iraq has continued for eleven years without a letup, with Allied planes making frequent flights over a sovereign Iraqi territory. Certainly we would not allow this to happen here.

Our Zionist sponsored treatment of the Iraqi has resulted in the deaths of tens of thousands of Iraqi men, women, and children, who are the hardest hit by lack of food and medicine. These people are not our enemies, and should not be held accountable for the sins of Saddam Hussein. (Remember it was the United States who set him up in power, and made billions off the war materials we sent him, giving him the ability to produce the missiles, which Israeli now fears.) Iraq poses no danger to America now or in the near future.

We know the Israeli have the largest collection of nuclear weapons in the Middle East. Time and time again they have refused United Nations demands for inspection of their weapons sites. Why are we not demanding they do the same, as we want from Hussein? Do we have some kind of double standard, that says treat the Jews with respect, but do anything the Israeli want, which will further inflame the Arab world?

The Israeli have proven themselves to be untrustworthy allies, even attacking and killing Americans. Yet they got by with it, because of the influence of the Zionist Lobby in Washington, DC and the support of the majority of the Christian world, which has been seduced into accepting them as God's Chosen, who can do no wrong.
A war against Iraq, will no doubt fail, as far as getting rid of Hussein or the hardnosed Iraqi leadership. Many of them would no doubt defect to the United States, where they would be easy marks for the CIA and MOSSAD, and could easily be recruited as terrorists against this country. After CIA and MOSSAD training would it be too far fetched to believe they might carry out the threats of Netanyahu against us?

You don't have to attend a Bilderberger or Tri-Lateral Conference to know what is taking place. Their actions are obvious to anyone who has honestly taken the time, and effort to study them. In 1991, 2400 Iraqi soldiers were taken as "prisoners of war", and kept under confinement somewhere. Then suddenly in March of 1994, it was reported that many of these "hardliners" were in the United States where they were being converted into becoming good American citizens, and given refugee status. (Does anyone have a large bridge they would like to sell? They could doubtless find a buyer, among the fuddle brained bleeding hearts of liberal Christians in America.)

In a State Department Bureau of Refugees Program, on March 2, 1994, as reported in the Knight-Ridder newspaper chain, it was reported: "Former Iraqi prisoners of war, will be eligible for refugee status and both Federal and State Welfare Programs, including Medicare and Medicaid."

President Clinton personally gave his approval to the Immigration-Naturalization Services, to process 3,000 former Iraqi fighters and their families for resettlement in the United States, and naive people wonder why Americans look with suspicion at Arabs in their neighborhood, who can't even speak English, are heathen in religion, and do not understand the Christian life, and will as the Book states, "Become thorns in our sides, and pricks in our eyes", and "will lead our people away from God." (Not my prediction but that of the Bible.)

Already the Muslim religion is the fastest growing religion in America, with mosques being built all around the country. In spite of what Dr. Billy Graham, and the Pope say, they do not worship the same God as Christians do, and they must come to God through Jesus Christ. He said Himself, "No man (woman) cometh unto the Father but by me" (John 14:6). That was the message Billy Graham preached for years, until he was seduced by the spirit of apostasy, and began to preach the modernist gospel that all men will eventually be saved (this is known as "UNIVERSALISM"). 1 Timothy 4:1 speaks about this, "Now the Spirit speaketh expressly, that in the latter times, some shall depart from the faith, giving heed to seducing spirits, and doctrine of devils." If any so-called Christian pastor or layman preaches any method of reaching God, other than through Jesus Christ, he is an apostate and antichrist!

At the end of the "100 Day's War" in Iraq, the International Red Cross classified about 1,000 Iraqi soldiers as POW's. This in spite of outraged expressed by Veteran Organizations and several members of Congress, who pointed out that many of these men should be classified as security risks.

Bush, Sr., approved of this, although he knew that there were men in this group had: "bones to pick with America ". Our government knew that many of these men are well-trained killers, hardened for terrorist acts, such as suicide bombing. Yet isn't it interesting to note that all such attacks have been against civilian targets, and they have made no known effort against the Israeli KNESSET (the Israeli High Command). According to government reports 2041 Iraqis were resettled in the U.S. between September 19, 1992 and August 1993, including 533 former POW's. Bush, Sr., was President at this time and is directly responsible for 2041 potential terrorists legally entering this country, to add to the estimated 70,000 who are already here.

It is not a laughing matter my Christian friends, for you will be their target if they ever strike from within. The potential is there, government approved.

As I have said many times before, our fight against terrorism should begin in the halls of Congress, and among many of our churches.

Those who openly promote their Socialist ideas are more dangerous to us than enemy armies.

Apparently most Christians in particular have under estimated the depravity and deviousness of the
Secret Societies that now ride herd on the world, and have infiltrated our intelligence agencies such as the FBI and the CIA.

As concerned Americans, especially if you are Christian, you should make every effort to bring these facts before our people. A genuine protest by decent people concerning the large numbers of potential enemies in America, would force our government into action, where we would bring our military home and defend our borders against any potential enemies.

Point out to your local newspapers that 100,000 American servicemen and their families have already died, or become ill, from the results of Iraqi War I, with an additional 6,000 dying every month from it's long range effects as the results of that unnecessary war.

There is absolutely no question that the Israeli's are behind this long simmering conflict, and recent events have developed in Palestine, that has caused numerous members of the Israeli Defense Force to refuse duty in occupied Palestine, due to the inhuman treatment of the Arabs by the Israeli military. You know that the Israeli High Command will punish these men to the maximum. It is good to know that even our enemies, have men of conscience who will stand up against immoral actions by their own government.

It is SOP (Standard Operating Procedure) for the Israeli military to invade Palestinian land, which has been the legal property of his family for hundreds of years, evict the owner, by force if necessary, steal his land (It was never given to the Jews by Divine Mandate as the Judeo-Christian supporters of these antichrists claim), bulldoze his home, send his family to live in a Refuge Center, where they are periodically assaulted by the Israeli military, using weapons supplied by our government, and with it's approval and that of most of the Christian church world. Then many of our seduced people wonder why the Arabs retaliate with the only weapons they have available, stones and terrorist attacks, which turn decent people against them everywhere. It would seem, that astute and intelligent leaders in the Arab world would recognize this fact, and take steps to keep the terrorist under control. Yet looking at the Palestinians problems from every angle, we must admit that it is Jewish aggression and American government and church support that are at the bottom of this problem. As long as we allow Jewish control of our government, so long will we be saddled by the Palestinian problem, with much worse to come, as International Zionism seeks to force their New World Order on the rest of the world. If they are successful in controlling us in Palestine, it will be an open invitation to try and control us worldwide.

Terrorism is always evil, when used at any time and for any purpose, for it always breeds more terrorism. We had it used against us in World War I and II, for the purpose of forcing us into those wars. We retaliated by using the Atom bomb (which most assuredly was a terrorist weapon), which killed over 100,000 people at Nagasaki and Hiroshima. Then allowed our Allied Air Forces to bomb the unarmed city of Dresden, Germany, in which over 230,000 died. Both of these were unnecessary for the promotion of the war or for winning the war. They were acts of terrorism by our government.

When a country's military, indicates knowledge that what they are doing is wrong, you get some idea of just how wrong they must be. The Israeli military I mentioned earlier, who refused duty against the Arabs in Palestine, issued the following statement, "The price of occupation is the army's loss of it's human image ... and the corruption of all Israeli society. We will continue to serve in Israeli defense. The mission of occupation and repression does not serve this goal, and we will not be a part of it."
Would to God, that the Christian church world that is supporting this aggression would get a vision of this righteous thinking. Several hundred of the Israeli Occupation Forces in Palestine signed this statement. A major peace demonstration in early February in Tel Aviv drew over 10,000 protesters.

Why should Americans, many of whom profess Christ, pay for this war of aggression, which was nothing to do with our defense? It is being fought purely for Zionist interests.

Both Arafat and Sharon have proven to be false leaders, who are not interested in peace. Their own people who really want peace should drive them out of office.

It would be well for Christians Americans to review the words of 2 John 10 & 11. Christian, listen to me. Do you want to be held liable before God, for the thousands of innocent, being killed by the antichrists?

Many American Christians have been falsely taught in their churches, that the Jews in Palestine are entitled to this land by Divine Mandate. This is one of Zionism's main victories over the thinking of Christian Americans. Many of our pastors and Bible scholars have deliberately twisted God's Word around to fit Jewish interests. (They will answer to God for this one-day.) Today Jewish interests are engaged in a costly battle to change Scripture around to fit Jewish interests. One example is their drive to remove all reference to Jewish guilt in the murder of our Savior. They have already been successful with some Bible publishers.

Attempts to have them modify their Talmud, and remove the many antichrist, and anti-Christian remarks, are met with contempt.

This false teaching in many so-called Christian churches, has enticed good Christians into supporting those who are determined to destroy them. It is past time for professing Christians to "wake up", and see how the antichrists are attempting successfully to destroy us. Follow the Bible, not what man teaches. In this way you will never be led astray.

For a full and accurate coverage of the apostasy that is attacking Christianity, I suggest you write for Dr. Gordon Ginn's new book, "THE FINAL APOSTASY - PRELUDE TO ANTI-CHRIST." I have just completed studying this 218-page book, complete with footnotes, which I believe should be in the hands of every Christian pastor in America. With in depth perception and research, he shows how this apostasy is taking place in America, and it's effect on the witness of the Christian church. With historical and Scriptural understanding, he shows who the enemy is, that is backing this apostasy. (Correctly enough he does not lay the blame on the favorite scapegoat of the JudeoChristian church - Satan.) Written in words any layman can understand, it is one of the most astounding books I have ever read, and is well worth its price of $16.00, including postage and handling. You may order it from CRIMINAL POLITICS MAGAZINE, P.O. Box 37812, Cincinnati, Ohio 37812, or by calling (1-800-534-0486). (All funds paid for this book will go into a special fund, handled by Dr. Ginn, and will be used for the printing of more of these books.) You can help the cause, by getting this truth to our Christian people. I'm sure after you have read it, you will want to order one for your pastor.

For far too long, the true Christian church (not denomination), have sat still while a subtle enemy has been given free reign to destroy White Christian civilization, and the church today stands like a man with "one foot in the grave and another foot on a banana peel." If the enemy is successful in destroying our Christian witness, and outlaws Christianity as they have threatened in their New World Order; we will take Christianity to the cemetery, bury her, and over her grave erect a grave stone with this epitaph: "CHRISTIANITY DIED BECAUSE CHRISTIAN PEOPLE DIDN'T WANT TO BE BOtherED!!"

There is only one sure answer to the dilemma we find ourselves in and that is in the promise made by God to King Solomon, regarding His Israel people. Every one of you who knows they are an Israelite should know it by heart. It is so simple and understandable that it has become a snare to many
intellectuals' government and church leaders alike, because of its simplicity. These are the men who believe that only they know how to handle the world's problems, and that any simple, easy to understand answer must be wrong. They are the people the Apostle Paul speaks about in Romans 1:22 - "Professing themselves to be wise, they become fools."

This promise, as you know says, "If my people which are called by my name, shall humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will heal their land."

Notice carefully. It does not say "If the heathen and the backslidden church members come to Me in revival, I will hear and save." It is very specific. It says, If my people." Who are they? Read Genesis 21:12 and Amos 3:2, and see that these people are not Africans, or Asians, or Eskimos. They are the White seed of Isaac, by whose name; the seed of Abraham would be called (Isaac's sons; Saxons). In Amos 3:2, we see where these are special people who alone from all others have been called by God. These people in time became known as Christians, "called by God's name."

What significance does this verse have for us? It means that we have a special obligation before God, in order for mankind to be saved from annihilation (See 1 Peter 2:9). We hold the key for revival and survival in Christendom, if we are willing to repent and obey.

Winter Intelligence Report
December, 2001

With the first year of the 2nd Millennium, AD about to end, there are some important events "in the wind", that you need to know about. They are not discussed by the media, or on the controlled television.

The information in the first part of this report, dealing with a new State religion, comes from the "CRIMINAL POLITICS MAGAZINE", published by Lawrence Patterson, P.O. Box 37812, Cincinnati, Ohio 45222. (Thank God there are men like Lawrence, and his staff, who have the moral and spiritual courage to speak out and give the American people the truth.) Far too often our politicians, and even some of our Christian leaders have fallen victim of the subtle strategy of the enemy and side with them against Christ and Christians.

While many Christian leaders have been "asleep at the switch", especially since the end of World War II, the Jewish led AMERICAN CIVIL LIBERTIES UNION (ACLU) has been choking the very life blood of our Christian courage to speak out on moral and spiritual issues, for “Fear of the Jews” (See Esther 8:17; John 20:19).

While few pastors such as Dr. James Kennedy of the Coral Ridge Ministries, in Fort Lauderdale, Florida, have preached against the evil deeds of the ACLU as they attempt to twist the meaning of the First Amendment to keep prayer, Bible reading and the Ten Commandments out of our public schools, courtrooms and public places, even he does not have the courage to name the anti-Christ Zionist Jews who are behind the ACLU in their attempt to subvert Americans, and fulfill their age old, and often admitted desire to “destroy White Christian civilization”. This has been a Jewish aim, since Christ walked this earth in His Gospel ministry and is shown in their everlasting hatred and contempt for Him.

Take some time to study the First Amendment of our Constitution. It says, “Congress shall make no law respecting the establishment of religion . . . or prohibit the free exercise thereof; or abridging (limiting) the freedom of speech . . . or of the press . . . or the right of the (American) people to peaceful assembly . . . and to petition the government for a redress of grievances.”
Winter Intelligence Report - 2001

Nowhere in this Amendment can the words, “separation of church and state” be found, and nowhere in this Amendment is the word church and state synonymous.

Chief Justice Roy Moore of the Alabama Supreme Court, recently pointed out various acts of Congress have created a “National Day of Prayer”, (1952), inserted the words “In God we Trust” on every piece of our money, (1955); and made this phrase our National Motto in 1965. In addition, we added the phrase: “one Nation under God!” to our national Pledge of Allegiance in 1956, while an act of Congress stated: “Adoption of these words does not run contrary to the First Amendment of the Constitution.”

The reason is obvious – no religion is being established, in spite of the cries of anguish coming from the anti-Christ’s in the ACLU.

Chief Justice Moore stated: “A distinction must be made between the establishment of a religion, as an institution (of the State) . . . and a belief in the sovereignty of God.”

The ACLU using the satanic guile that comes from their father (See John 8:44), have successfully confused many Americans, including many Christians. They have succeeded beyond the “wildest dreams”, of their Anti-Defamation League mentors.

Sadly the courts of the nation, with their predominantly Jewish Judges, have with the exception of the Supreme Court of Alabama been sucked in by the enemy strategy of the ACLU and many other anti-Christian groups who have determined that there must be no acknowledgement of God in any manner, because of the phrase: “Separation of Church and State.”

Our third President, Thomas Jefferson, used this phrase. Jefferson used this term “separation of Church and State”, in a letter he wrote on January 1, 1802. Evil organizations have twisted Jefferson’s words to achieve their ultimate goal, which as I mentioned before is the destruction of White Christian civilization. They are very careful not to point out that two days later he attended a Baptist church, giving lie to what the ACLU says is the meaning of his words.

What did Jefferson mean by this statement? What were his intentions in quoting them?

Consider this. During the 1700’s the Church of England was supported by general tax levied on the citizens of Massachusetts Colony by King George III, the official head of the Church of England, the Anglican Church, and he expected his subjects (including the American colonists), to pay this supporting the Church of England.

Not only was this tax levied against the colonists to support the State church, but heresy against the church, defined as; “Any opinion or doctrine at variance with the doctrine of the Church of England, was considered to be a crime, punishable by death. The church attempted to impose church beliefs on the colonists by the use of criminal sanctions.
Winter Intelligence Report - 2001

Are you beginning to understare what Thomas Jefferson meant when he referred to "separation of Church and State"?

Any good history book written prior to 1920, will give you these facts.

Jefferson had a great desire to see that the United States would not have a State religion like that of England, supported by forced taxation. He had every reason to separate the Church of England from the newly formed government of the United States by stating that Congress could make no Law, "establishing any religion and making it the religion of this nation."

Now a new State religion, known as Secular Humanism, has taken over from Christianity, making man their god.

It should be quite obvious to any intelligent person that this phrase, as used by the ACLU and our liberal court Justices is dishonest in the extreme and that any Judge who prohibits the use of the Bible, prayer, and the Ten Commandments, etc., violates the Constitution and should be removed from office.

Only Judge Roy Moore, of the Alabama Supreme Court has had the courage to buck the ACLU and the liberal anti-Christian US Supreme Court Justices, when he refused to remove the Ten Commandments from his courtroom on illegal judicial order.

It is indeed a sad commentary on the moral strength of our government, our educational system, and far too often our Christian churches and preachers, who have allowed this to happen in a nation, which from it's beginning, has been considered as Christian.

It is obvious that the founders of this nation had no intention of barring the acknowledgement of God in our nation's schools, in the courtrooms, at sporting or any events, and it is equally obvious that the ACLU is bent on "destroying Christian America," for by their actions shall we know their intent.

Apparently the Jewish community feels that our rights to various Christian beliefs, as compared to their religious rights (which are basically atheistic and Communist, and deny Jesus Christ), while attempting to force their Talmudic Noahic Laws on Christian America.

Where are the cries of outrage from the Christian community? They are seldom heard, while many so-called Christians actually support these anti-Christ's. Apparently most Jews feel that it must be either their Talmudic Judaism, or no religion at all. Such unfair and unreasonable attitudes should be rejected by decent people, Christian and non-Christian alike.

Meet with your pastor and discuss this important problem, which may well decide the future of American Christianity. (Or would you rather be forced underground in order to worship God? This is the intent of anti-Christ organizations such as the ACLU and the
Winter Intelligence Report - 2001

ADL.) If your pastor refuses to take a stand for “redress of grievances,” either get a new pastor with guts or join a church, which will stand for your Christian rights.

Our country today is under an unprecedented attack, with thousands of lawsuits being filed by the ACLU and their cohorts annually, primarily against Christian beliefs.

American judges, the majority of whom are Jews, are foolish enough to bow before the unjust pressure placed on them, and follow the “path of least resistance” to decide against the Constitution and Christian rights. In many instances they have become lawmakers, rather than interpreters of the Constitution, as they should be. These men and women must be removed from office if we are to exist as a free people and the time is running out on us.

When President Jefferson made his now famous statement, he had two jobs. Not only was he the President of the United States, but he was also the head of the Educational Commission that governed the schools in the District of Columbia. In this position, he laid down the rule that two books must be used in the education system, the Holy Bible, and Isaac Watts Hymnal. This information shows that without a doubt Jefferson’s statement regarding the separation of church and State did not mean what the ACLU says it did.

There is a plan underway called the Home State Plan, which would bring America back into the Christian fold. If you are interested in it, write to the PATTERSON STRATEGY ORGANIZATION, P.O. Box 37812, Cincinnati, Ohio 45222.

We must recognize that our National political structure can never be reorganized; it must be abolished and replaced with a Constitutional Christian structure, which will protect our Christian heritage. For an interesting book titled “RECLAIMING YOUR LOST LEGACY”, call toll free 1-800-543-2486.

The Noahide Laws!

If you are forced to live a lie, you are a slave. While we in America today, still have the choice of whether or not we want to live by the Constitution and the Laws of God, a heathen concept called the Noahide Laws, is seeking to control both our political and religious systems. The International Zionism backs it and it’s counterpart, Free Masonry. Both are violently anti-Christian, although supported by many who go by the name of Christian.

Under pressure from these enemies of freedom, the 1st Amendment rights of our Constitution have been badly eroded or nullified, while our 2nd Amendment rights, “the right of self defense” hang by a tenuous thread, and are under constant attack by the ACLU and other similar Jewish led organizations.
Winter Intelligence Report - 2001

Living a lie will lead to further losses of freedom and finally total defeat, where the practice of our Christian faith will be openly persecuted and our rights of self defense obliterated.

Samuel Roth, a Jewish author of note, in his book “JEWS MUST LIVE”, published in 1934 in New York, by the Golden Hind Press, stated: “The Jewish disease is a sort of moral gonorrhea known as Judaism and seems alas to be incurable. The results, as any good doctor will tell you, are invariably unhealthy and treacherous. If you are in doubt, take a good look at any Jew-ridden country in Europe and if you need further conviction look at what’s happening in America.

“My convictions is that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is subversion of America’s best interests.” (Please remember these are not my words, but come from a Jew who had first hand knowledge of Judaism.)

The Supreme Court will not save our American education system, or our churches from the attack of ACLU for all too often they have sided with this subversive organization in it’s attack on Christianity and have become part of the problem.

An honest, open-minded judge due to the criminal behavior of our Congress will not replace Supreme Court Justice Renquist, who is retiring this year.

George Washington, in his address to the Delaware Chiefs on May 12, 1792, stated: “Our Constitution was made for a moral and religious people . . . it is wholly inadequate for any other.”

In 1821, President John Quincy Adams declared, “The highest glory of the American Revolution was this . . . it connected in one indissoluble band, the principles of civil government with the principles of Christianity.”

Governor Morris, the drafter of the U.S. Constitution stated: “Religion is the only solid basis for good morals; therefore, education should teach this precept of religion and the duties of man towards God.”

In 1954, Congress passed a resolution declaring: “To preserve a conservative element in our system is the belief of our people in the pure doctrine and divine truths of the Gospel of Jesus Christ.” In every instance, they referred to religion, as the Christian religion, not Judaism, not Buddhism, not Mohammedanism, but Christianity.

Yet in spite of this, hundreds of law suits have been filed each year by the ACLU and other anti-Christian groups, mostly Jewish affiliated, which seek to destroy the 1st and 2nd Amendments of the U.S. Constitution and the freedom it has given to our people.

One of the areas where the ACLU, has been especially active is that of “illegal sex.”

5
Winter Intelligence Report - 2001

The Supreme Court has ruled on a number of occasions that "sex oriented businesses" have the right to exist, and that city zoning codes, must include areas set aside for this nefarious trade.

For example the city of Covington, Kentucky has been instructed to rewrite their zoning ordinances because of this Supreme Court ruling. As a result they have set aside 6 acres of prime downtown real estate for sexually oriented businesses.

Most of you know about the problems the Boy Scouts of America have had over the homosexual issue. War has been declared against this honored institution and a year ago, the Scouts won their Supreme Court case by a very narrow 5 to 4 margin. The Supreme Court ruling at the first glance appears as a victory for the Scouts when it stated that the Scouts could not be forced to accept homosexuals as employees or Scout leaders.

This was not a victory, as the homosexual crowd across America, which is growing at an alarming rate, backed by ACLU lawsuits, has put pressure on American businesses, which have withdrawn financial support from the Scouts.

GLAAD (the Gay and Lesbian Alliance); the LAMBADA DEFENSE FUND (which is an alliance of men who want freedom to have sex with under aged boys); the Gay group alliance calling itself SCOUTING FOR ALL, along with the Jewish B’nai B’rith Lodge and the ACLU are attempting to force the Scouts to close through economic pressures.

Recently the Washington, DC Commission on Human Rights, simply ignored the Supreme Court ruling and ordered the Scouts to reinstate two local homosexual leaders.

Contrary to homosexual propaganda, the gay community, which has no means of propagating itself, is recruiting young people in the school system, often with the blessing of school authorities, who are either homosexuals themselves, or who fear repercussions from this evil bunch.

Now they are bragging that they are about to dry up local funding for the Scouts, through pressures on businesses such as Merrill Lynch, Textron, and Knight-Riddle have already cut off $150,000 in support.

Local United Way people are being told not to use any of the $90,000 earmarked for Scouting unless they change their rules and allow homos to join. It appears that Wells Fargo will also follow suit. Where are the cries of outrage from the Christian church? It appears all to seldom, as the ACLU and the enemies of Christ have been given the control of the field.

Just what are these NOAHIDE LAWS, which seem to be the foundation for this national subversion?

On March 20, 1991, Congress passed Public Law 102-14. It says: "Whereas Congress recognizes the historical tradition of ethical values and principles, which are the basis of
Winter Intelligence Report - 2001

civilized society and upon which our great nation was founded . . . Whereas these ethical
d values and principles have been the bedrock of society from the dawn of civilization . . .
when they were known as "THE SEVEN NOAHIDE LAWS."

The joint Congressional Resolution then announced that the Lubavitch Movement has
fostered these ethical values and that it’s leader Rabbi Mendel Scheerston should be
honored on his 89th Birthday, May 21, 1991. This honor will be reflected in a scroll of
honor by the President of the United States.

What is the obvious meaning of this resolution? It clearly shows that the International
Jewish Conspiracy, and the Secret Societies, such as Freemasonry, the Bildebergers, the
Council of Seven, and the Illuminati, are now in control of this once Christian nation, and
we are now under Jewish Talmudic Law, rather than that of our Constitution. George
Bush, Sr signed this resolution.

The Talmudic Law, which Jesus referred to as the “tradition of the elders” (Matthew
15:2, 8, 9), and which He constantly opposed is not Biblical Law. It cannot be found in
any Biblical reference books. The Encyclopedia Britannica refers to them as the
NOAHIC COVENANT, but given no listing of these laws. It refers to them as “A Jewish
designation for seven laws given to Adam and Noah, long before the Mosaic Code of the
Ten Commandments was given by God at Mt. Sinai. Beginning with Genesis 2:16, the
Babylonian Talmud lists six other commandments . . . given after the flood. The Seventh
Commandment was given to Noah, which forbade the eating of the flesh of a living
animal (Genesis 9:4).

These Laws can be found in no place in the Bible, and the Talmud is in direct conflict
with Christianity. Following the NOAHIDE, wearing the crucifix or anything considered
to be Christian, such as a fish pin, would be guilty of violating Noahide Law.

#1.) – “Thou shalt not engage in idol worship.” For any symbol of
Christianity is considered to be idolatrous. By a like token, all Christians
are guilty of violating Noahide Law #2.

#2.) - “Thou shalt not blaspheme God.

Dr. Gordon Ginn, Commenting Editor of the “CRIMINAL POLITICS”, and well
qualified in the Talmudic field states: “Under these laws, every professing Christian on
earth could be executed, because they believe Jesus Christ is God in the flesh . . . this is
blasphemy to the Jews.”

While Americans still have a choice between the Bible and Constitutional law, time is
running out on Christianity, as we are literally standing on one leg, and that is on a
banana peel.

In spite of the hypocritical screams coming from the ACLU and other ant-Christian
groups, the major religion in America has been subverted from Christianity to the State
Winter Intelligence Report - 2001

religion of Secular Humanism, where man has become his own god. This is the religion of the Talmudists. It reflects the thinking of a Jewish German author, Ludwig Feurbach, who in the 1700's wrote: "Man will be truly free, when he finally realizes there is no God of man, but himself." This idea became so deeply rooted in the diseased mind of a young Jewish radical named Karl Marx that it became the foundation of the Communist Movement, which has murdered hundreds of millions, including millions of Christians in the last 250 years.

In spite of the screams coming from the ACLU camp, and that of other anti-Christian radicals as they write their ranting letters to the Editor in favor of the "separation of church and State," I wonder what their reaction will be, when they find that they have saddled us with a heathen religion which must be observed under force of law?

While the Home State Plan advocated by "CRIMINAL POLITICS" has some good points, I personally do not believe our problems will be solved through political action.

It is strange indeed how intelligent men and women will stubbornly cling to ideas that have never worked, when we already have a "FORMULA FOR SURVIVAL" that is sure, because God says it is. As many of you know it is found in 2 Chronicles 7:14 and clearly states: "If my people (White Anglo-Saxon Israel), which are called by my name (Christian), will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will heal their land." What more do you want? You say you believe God's Word, then why don't you follow it? It will mean giving more than the mere lip service it now gets from the average church.

The United Nations Americas Friend or Foe?

The Hillary Clinton type liberals and their socialistic pals in the State Department are attempting to push through a secret plan whereby the UN would be allowed to directly tax American citizens for their bloated excesses. This in addition to keeping wide open the doors of illegal immigration which helps keep them in office. It is vitally necessary that concerned Americans act now and that we withdraw the benefits of the "gravy train freeloaders", the UN diplomats have enjoyed all to long, at our expense.

Former Vice President Al Gore truthfully observed of American servicemen killed in the line of duty: "They gave their lives in service to the UN." That's right! They gave their lives for a foreign monstrosity that hates America, but is willing to "suck our life blood," as long as it benefits their socialist plans. The Passage of H.R. 1146 to remove the United States from the UN, would put heat on Congress to once again live up to their oath of office "to protect America from all enemies, both foreign and domestic." (In recent years, our greatest danger has come from the barbarians who are already within our gates.)
Winter Intelligence Report - 2001

In the last election, the Justice Political Action Committee (JPAC), of which Congressman Paul is a vital part, put 65% of its candidates into office. With your help, they can better this percentage. Here is their overall plan:

1.) Cut off welfare to illegal immigrants;
2.) Stop statehood for the District of Columbia;
3.) End liberal looting of the Social Security Funds;
4.) Making sure Clinton type liberals do not use your hard earned money for liberal “pork barrel projects.”

Your support is necessary if they are to succeed.

United Nations Criminal Court

With out attention being focused on the United Nations, it might be well to bring our attention to the dangers posed by a UN Criminal Court.

Before leaving office, President Clinton directed his representative in The Hague to sign the United Nations International Criminal Court Treaty. If ratified by Congress, this treaty would give the American hating, UN socialist’s unlimited power over American servicemen and citizens.

This court would:

1.) Deny Americans their 5th Amendment protection from being tried twice for the same offense. Powerful International lawyers would be able to prosecute citizens over and over again for the same offense, until they got the verdict they desired.

2.) This would violate your Constitutional right to appeal a verdict, as there would be no appeals from a UN court decision and if you were convicted, there would be no recourse.

3.) It would destroy the 6th Amendment right to a speedy, and public trial. This court could hold American soldiers and citizens in prison indefinitely, without holding a trial, or even charging them with a crime. They would also hold secret trials without any American scrutiny.

4.) It would abolish your 6th Amendment right of trial by your peers and would appear before a judge appointed by the UN who would possibly
come from some American hating country such as Iran, Iraq, or even Red China or North Korea.

5.) It would eliminate your 4th Amendment protection from unreasonable search and seizure. (A highly placed UN Court backer, wants this court to have its own heavily armed secret SWAT teams, with search and arrest prerogatives, regardless of International boundaries.)

6.) It would prosecute any American citizen violating a UN Treaty, whether the U.S. had ratified it or not. American serviceman abroad, which defends themselves against terrorist’s acts, could become “war criminals”. American loggers, who cut down trees without a UN permit, could be indicted for violating the UN Biodiversity Treaty. The court power would be limitless and would reach into every area of American life.

While it seems impossible that any decent American politician would back such a criminal action, there are many Hilary Clinton type liberals in Congress who would vote for this criminal tainted treaty.

Now is the time to protect ourselves from those who would destroy American sovereignty, the traitors in our government, who back UN superiority. It will be too late if the treaty is ratified.

These are indeed “times, which try men’s souls.” How we react now, will decide whether we remain free, or become slaves to the International Zionist Slave State, the New World Order. With God’s help, and with obedience to Him, we will remain free, for “He has not given us a spirit of fear, but of power, and of love, and of a sound mind (2 Timothy 1:9).

Petition to Congress to Remove the United Nations!

H.R. bill 1146, introduced to Congress by Congressman Ron Paul, titled the “UN PARTICIPATION ACT OF 1945”; would after 56 years of chaos and confusion get America out of the UN.

Following is this petition:
WHEREAS, for 56 years, America has paid the lion's share of the UN Bills to the tune of some $30 billion; and

WHEREAS, even though America is paying 25% of all UN bills, the UN bureaucrats are claiming $1.3 billion more, and are proposing to tax us directly; and,

WHEREAS, in addition to American money, the hate-American bureaucrats of the UN are ending American sovereignty with the help of Hilary Clinton type liberals; and,

WHEREAS, H.R. bill 1146 cuts all funds from the UN, and UN agencies and withdraws American membership in the UN, and removes the UN Headquarters from the U.S. and revokes the diplomatic immunity of UN bureaucrats;

THEREFORE, I the undersigned do hereby petition my Congressman to vote for Congressman Paul's H.R. 1146, the AMERICAN SOVEREIGNTY RETENTION ACT. After 56 years it's way past time for America to withdraw from the UN.

Many members of the Blue Lodge of Freemasonry know little or nothing about what goes on behind the scenes. It is not until a Mason reaches the exalted 32nd degree or higher, that they learn the awful, secrets of this society, which is Jewish controlled and which seeks the same objective of World power, and the destruction of White Christian civilization.

The following information comes from the 1967 issue of "THE WINROD LETTER". (While Gordon Winrod has a deserved reputation as a "Jew bater", he knows and understands Jews and Judaism very well and the facts he presents are well documented and cannot be refuted.)

He says without hesitation: "Communism is a Talmudic front; Zionism is a Talmudic front; Masonry is a Talmudic front", and goes on to prove it with documented facts that neither Judaism nor Freemasonry can refute.

Since we are limited as to space in this report, I will give you only a few of the many major facts known about both these anti-Christian, anti-American organizations.

In his book "THE PLOT AGAINST THE CHURCH", WRITTEN BY Maurice Pinay, we read: "The learned scholar and Jesuit Monsignor Leon Meurin, S.J., Archbishop of Port-Louis shows us in his highly authenticated work, 'CLARIFICATION OF FREEMASONRY', that Jews were the founders, organizers, and leaders of Freemasonry." He backs this up with quotations from various sources, which we do not have time to cover in this report.

"The First and Highest Masonic Council was formed on May 31, 1801 in Charleston, SC (33 degrees northern latitude), under the Chairmanship of the Jew Isaac Long, who was made Inspector General by the Jew Moses Cohen, and received his degree from Hves, from Fran ken, and the Jew Morin.

"The Jews were the founders of the First Great Council which was transformed into the middle point of world Freemasonry. They placed it in the city of Charleston, exactly on the 33rd parallel, Northern Latitude. Successive heads of Freemasonry have lived here since 1801, and Albert Pike, the highest of them all carried out his dirty work, from this center in 1889.

"There were 23 highest councils, which had been created through the Charleston Center, plus Orients and Grand Lodges of all rites. These were connected with the highest council in Charleston, and are dispersed over the entire world. At that time (1899), there were hundreds of Grand Lodges, all connected to Judaism."
Winter Intelligence Report - 2001

Rabbi Benamozevgh writes: "The Grandmaster, or Patriarch, known to only a few of the brothers, is the real head of the Order. These exercise their functions in useful and secret dependency on the Jewish Cabbalists (Mystics). All Freemasons are vassals of the Jews."

One of the first things a disciple of Freemasonry notices is the Jewish character of everything he finds. From the First to the Thirtieth degree, he is immersed in Judaism with secret symbols, Hebrew words, and a calendar that was altered by the Jews so as not to give honor to the birth of our Divine Savior. The doctrines of Freemasonry are those of the Jewish caballa (Mysticism), particularly those of the Talmudic book "Sohar".

Rabbi Issas Wise, writing in 'THE ISRAELITE OF AMERICA", March 8, 1866, said: "Masonry is a Jewish institution whose history, degrees, charges, passwords and explanations are Jewish from beginning to end."

"THE JEWISH TRIBUNE" of New York, October 28, 1927 said: "Masonry is based on Judaism. Eliminate the teachings of Judeo-Masonry from the Masonic ritual and what is left."

Masonic writers such as Pike and Mackey, attribute to Masonry a direct relationship with the Kaballah, which the name of the esoteric occult doctrines which the Jews pretend have been received by oral tradition directly from Moses, and from the beginning of the world, (Noahic Laws).

Looking at Masonry in the U.S. we see a so-called Christian nation where over half of its Congress are Masons. In 1953, 58 of its then 96 Senators were Master Masons. I do not know the percentage now, but their numbers have not decreased. Many ministers of the Gospel are Masons, especially in the Southern Baptist denomination, although they must pledge their first loyalty to Masonry, when they join. To me this is a direct violation of the First Commandment: "Thou shalt have no other god before me!"

Add to this the threat of a Jew controlled Press, and you can understand many of the problems which are plaguing America today.

The Jewish Talmud, their religious book, represents the codification of Jewish opposition to the Kingship of Jesus Christ, and their utter hatred of Him, and His church.

When the Pilgrims and early settlers of the American Colonies first came to this country in the early 1600's their Colony Charters almost unanimously stated they had come here in order to practice their Christian faith and to propagate the "saving faith of the Gospel of our Lord Jesus Christ." They did not come and found this country to promote Judaism, Hinduism, Mohammedanism, or any other "ism". They were strictly Christian. It was not until a century later that the first records of Jewish Freemasonry in England, in the year 1717 (according to the Encyclopedia Britannica), were recorded.
Winter Intelligence Report - 2001

Two generations later the Jewish Brotherhood of Freemasonry under the cloak of Christian sounding terms had become so strong that the records of our Constitutional Republic no longer sounded like the original purpose of the Colonial settlements, and the founders of this Constitutional Republic by that time were largely Masonic and Deists.

Strong Christian attitudes would not openly admit Jews to New Amsterdam, while only 150 years later, our first President George Washington, the first President of this Republic, was a Mason who engaged a Jew as his personal aide.

Liberal historians seldom admit that President Washington was not a practicing Mason, who seldom attended Masonic meetings, and who on several occasions wrote letters to Masonic Lodges in the United States, warning them of the infiltration of anti-Christ Masonry from Europe.

Just as Judaism with its dreams of one world power and destruction, moves above and beyond all nationalist concepts, so Freemasonry holds as secondary to its WORLD brotherhood membership, love of country and patriotic pride.

A West Coast newspaper stated on the 178th anniversary of the signing of the Constitution: “This Anniversary was celebrated today by the Los Angeles Masons, at a patriotic gathering at the Scottish-Rite Temple.” It went on to say, “Of the 42 signers of the Constitution, 23 were Masons.” While the Masons make a big show of patriotism, and their belief in God (they even have their own version of the Bible, which is not Scripture), could it have been the Brotherhood of Jews and Christians (Freemasonry), that explains why there is no mention of Jesus Christ in our Constitution? Much less anything that calls for the expulsion of anti-Christ’s from our government?

The Founding fathers had been warned of this, when our Senior Statesman, Benjamin Franklin, who had first hand experience with Jewry in Europe, was quoted as saying: “There is a great menace to these United States today, and that great menace, Gentlemen, is the Jew. In whatever country Jews have settled in any great numbers, they have lowered the moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion upon which this Nation was grounded. They have built up a state within a state, and have, when opposed, tried to strangle that country to death financially.

“If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed into this country in such great numbers that they will dominate and devour the land and change our form of government.

“If you do not exclude them from the United States, in less than 200 years our descendants will be working in the fields to furnish the sustenance while they will be in the counting houses rubbing their hands. I warn you, Gentleman, if you do not exclude the Jews for all time, your children will curse you in your graves. Gentlemen, the Jews are Asiatic (Ashkenazi); they will never be otherwise.” Yet in spite of this warning from a very wise old man, our predominately Masonic/Jewish government allowed these

"parasite anti-Christ's" to come into America, and they have become "thorns in our flesh, and pricks in our eyes" ever since, just as God predicted thousands of years before. Today the Freemasons and the Jews can proudly state that America is no longer Christian, but is ZOG (Zionist Operated Government).

The Masonic and Jewish God -vs.- The God of the Bible!

When Masons and Jews state that all of them believe in God, they lie!

The Scriptures clearly state that there is only one true God, and that He is Jesus Christ. "In the beginning was the Word (Jesus) and the Word was with God, and the Word was God." (John 1:1) Do Masons and Jews believe this? By their actions and words we must answer a resounding No! The Jews call Him a bastard! The Scriptures teach over and over again, that Jesus Christ is God! "And we know that the Son of God (Jesus Christ) is come and hath given us an understanding, that we may know Him that is true, and we are in Him that is true, even in His Son Jesus Christ. This is the true God, the eternal life." (1 John 5:20) This true God is not the Supreme Architect of the Universe, the Masons revere, but Jesus Christ.

"Again the High Priest asked him (Jesus) and saith unto him, Art thou the Christ, the Son of the Blessed? And Jesus said, I Am!" (Mark 14:61,62)

Constantly the Scriptures attest to the fact that Jesus Christ is very God. So it is obvious that Masons/Jews lie when they say they believe in God, for if they reject Jesus Christ, they reject God.

If they believe in another god, be he Lucifer of Jewry or the Supreme Architect of the Universe of Masonry, and reject Jesus Christ, they are anti-Christ. The Apostle John warns us in 1 John 2:18, "Little children, it is the last time, and as ye have heard that antichrist shall come, even now there are many antichrists; whereby we know that it is the last time." Then he clarifies this in verse twenty-two - "Who is a liar, but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son." Mighty clear, isn't it?

Masonry espouses the "fatherhood of god and a brotherhood of man" theory, in which "god = devil and man = Jew". This means that the "fatherhood of the devil" that is "god of this world" (See 2 Corinthians 4:4), is for the "brotherhood of Jewry" and for the benefit of the Mason/Jew proselyte who brotherhoods with the Jews. Thus they both become "Two-fold more a child of hell" then the Jew himself (See Matthew 23:15). The sole purpose of the existence of Masonry, is for the protection of Jewry, and any Mason will protect and brotherhood with an antichrist Jew, much more quickly than he will protect and brotherhood with one who opposes the antichrists of Judaism.
Winter Intelligence Report - 2001

Should a Mason openly expose and fight the evil of Jewry, he would be betraying the brotherhood, and this brotherhood is placed above all else in Masonry.

Jesus said in Matthew 12:30 – “He that is not for me is against me.” So we can see where this places the Masonic/Jew brotherhood.

Wishing you all his best until next time.

-Addendum-

Since my Intelligence Reports are often prepared weeks in advance, the following information taken in part from the “CRIMINAL POLITICS” Newsletter of September, 2001, will bring you up to date on some important news.

Israel is at War and Losing!

While the terror attacks of September 11th left America in a state of shock, little or nothing has appeared in the controlled media, or on TV mentioning any connection between this tragic event and the Israelis. It is obvious that the American people will be kept “totally in the dark”, as the media seeks frantically to cover up the part played by the International Zionist Conspiracy in this tragic event.

National events have been carefully orchestrated so as not to embarrass the Bush Administration. For example, growing evidence that the Administration knew well in advance of this planned terrorist attack, and knew the names and locations of those who committed the acts, without giving the American people warning or protection. Both the FBI and the CIA were fully aware of the existence of these terrorists in the U.S. and could very well have prevented this disaster. They may not have known the exact targets, but they knew the location of terrorist teams in this country and did nothing to apprehend them.

Meanwhile the nation State of the Israeli has been losing a war with the Palestinian people, with whom they have existed with for over fifty years. While peace was officially declared on September 19th, we must not forget the Palestinian refugee camps at Sabra and Chatila, where over 1,000 men, women, and children, were brutally murdered by the Israeli, under orders from Prime Minister Ariel Sharon.
Winter Intelligence Report - 2001

Sharon is known in Arab circles as “the butcher”. While few Americans know much about this man, nor do they care much about the fate of the Palestinian people, who have seen their land illegally and immorally stolen from them, with the consent of our government, and much of the Christian church world, who have been brainwashed by Zionist propaganda into believing that God’s enemies are His chosen, who can do no wrong, even deliberately twisting God’s word around to accomplish this.

Think for a moment about a man who has seen the land he and his family has owned for centuries, suddenly illegally and immorally stolen from him and given to others; then his home is bulldozed, and his family forced into a refugee camp, where they have been brutally suppressed and often murdered, for over fifty years by the Israeli, using weapons made in America, and given to them and whose actions are approved by our politicians and many of the so-called Christian world, then you have the seedbed for the hatred that erupted into the September 11th violence.

Until America faces the truth, conditions will get worse and worse.

In 2 Chronicles 19:2, we read a warning from God, seldom spoken of in our Judeo-Christian churches: “Shouldest thou help the ungodly, and love them that hate the Lord? (They call him an illegitimate bastard) therefore is wrath upon thee from before the Lord.” America has certainly shown it’s love for “those who hate the Lord”, both politically and religiously, by our constant “brown nosing” of the Jews.

We have also forgotten the warning given by the Apostle Paul in Galatians 6:7 – “Be not deceived, God is not mocked, for whatsoever a man (or nation) sows, that shall they also reap.” Since at least 1913, this nation has sown rotten seed in its Foreign Policy, which today is reaping a rotten harvest, and it will get worse.

I am not a prophet, nor do I claim to have the “gift of prophesy”, but I have observed over the years, that men who stick close to God’s Word, are often given a vision of what is to come, and in November 2000, I gave warning of a terrorist act such as happened on September 11th, in an expensive Ad in the Sunday issue, of the “Arkansas Democrat-Gazette, titled “THE OTHER SIDE OF THE COIN”, which I’m sure some of you read. It received as much attention as some “voice crying in the wilderness.” When I pointed out the illegal and unscriptural acts of our government, often backed by the church, as we have appeased the antichrists of Zionism and 25 million in world Jewry, while alienating over a billion Arabs who once loved and admired us but now consider us as the Great Satan, I was reviled as a “hatemonger”.

We ignored the sage advice of men like President Washington, and Benjamin Franklin, and the even more important warnings of Scripture, and became “involved in entangling foreign alliances”, which have cost us hundreds of thousands of lives, and a debt we can never repay, while benefiting only the International Jews, who were the only ones to gain from it.
Winter Intelligence Report - 2001

A close study of Jewish sources will indicate that the Israeli State has lost its economy, and has lost its most important source of Revenue, its tourist trade. Who in their right mind would want to travel to a foreign country to be blown to pieces by a fanatical terrorist?

Sadly enough Ariel Sharon, who was elected to lead the Israeli, is not the peacemaker our media would like for us to believe. One of his first acts as leader, was to visit the “off limits area”, sacred to the Moslems, which he knew would incite violence. From that moment on, the Arab war against the Israeli intruders intensified.

To limit the possibility of future terrorist attacks, the Bush Administration should immediately insist that Sharon steps down and allows his cabinet to control the country.

It is evident that the MOSSAD (the Jewish Secret Service) want a war with the Arab world, with the U.S. carrying the brunt of the fighting and of course suffering the most casualties. They are willing to “shed American blood to the last drop.”

While the Israeli practice unlimited “racism”, even to ejecting Christian missionaries who preach Christ to the Jews; for a White Christian American to call attention to Jewish crimes is considered to be the worst “racism problem”. There is a distinct “double standard” when dealing with Jews and White Christian patriots.

Even Christian leaders like Farwell, who is an avowed Zionist, have made idiotic statements such as, “God has blessed America, because we have been kind to the Jews.” When any discerning person can see this is not the case, for this country has gone “down the road to hell” faster since 1948 when we recognized the State of Israel, than at any time in our history. Does this prove vindication for 2 Chronicles 7:14?

While the controlled media, have almost totally ignored the part played by Zionism in bringing tragedy to America’s shores, they are extremely nervous when a guest on a Talk Show, bring up Israeli involvement. It is an “off limits” subject and they are afraid of it. Even high paid commentators such as Peter Jennings avoid it when possible. This may be because they are like Walter Cronkite when he was in his prime. When someone asked him about his role in bringing truth to the public, his snide statement was: “I am not paid to tell the truth, I am an opinion molder!”

Actually we are dealing with mind control, “PSYCHOPOLITICS” it is called, which is the art of controlling the thinking of an entire nation, so you can control it’s people. The enemy has been practicing this for hundreds of years and is past masters on using it on our gullible people.

When an act such as September 11th takes place, we should immediately ask ourselves “cui bueno – who profits from it?” It is quite evident that America did not profit from this terrible act, and neither did the Arab world. Someone did, and when we know whom, we will have the answer. We know that things like this do not happen by
Winter Intelligence Report - 2001

accident, and FDR, once said: “Nothing in politics happens by chance, it is all planned in some smoke filled room.” (Possible a conspiracy?)

I am convinced that we have only one option that will work. I mentioned it earlier in this Report, which I will now end with.

2 Chronicles 7:14 – “If My people, which are called by my name (Christian), shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.”

It is so simple if we could just get the church and State to follow it.

Until next time, yours in Christ and Country,

Jack Mohr
Identity of the Beast

WILL CHRIST'S FOLLOWERS BE GUILTY OF "HATE CRIMES"?

(The above headline is from "CRIMINAL POLITICS BULLETIN", July-August 2002, published by the Patterson Strategic Organization, P.O. Box 37812, Cincinnati, OH 45222.)

The book of Revelation clearly reveals the identity of the Beast and Harlot of the Bible.

It is a worldwide system of control, which facilitates the works of the Adversary. This "BEAST SYSTEM", has advanced far in its plan for the destruction of Christian America.

It is necessary for concerned Christians, to understand this truth, especially if you are White, for you are their declared target. You must be eliminated before the Zionist New World Order can takeover. Your survival is at stake, whether you wish to accept the truth or not! Your physical survival may very well be at stake. Jesus understood this when He told His disciples (who were White Israelites with the exception of Judas who was a Jew), in John 16:2 - "They (by implication, Jews) shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service." This Antichrist System has already wrecked our American way of life, destroyed our national morality, and wiped out our security and safety.

It has collapsed our education system. In our earliest years, public schools taught the King James Version of the Bible as the primary instruction. Now they give our children Ritalin and other drugs, to control their behavior. This Antichrist System has trampled on our most respected institutions, and through character assassination, destroyed the reputations of our most respected Founding Fathers.
It has blamed slavery on our country founders, when in reality it has been a byproduct of Judaism. The controlled media never tell us that it was Jewish slave traders, who bought Black slaves from native chieftains, who sold their own people to Jewish traders, for rum distilled in Jewish owned distilleries in abolitionist New England; shipped them to the New World on Jewish owned ships, under conditions so deplorable that as many as 10 million may have perished enroute. Then sold them in Jewish owned slave markets in North America, manned by Jewish auctioneers. All these accusations are documented in the Boston Public Library, including the names of the Jewish owned ships and their Jewish owners.

This same system, better known as International Zionism, forced America into World War I and II, Korea, Vietnam, and every brush fire war since. Now they are trying to get us involved in Iraq, which could very well lead to World War III, or the GOG MAGOG Invasion of Ezekiel 38 & 39.

I know Zionist Christians such as Jack Van Impe, who teach that this invasion will be against the Jews in Old Palestine, will dispute this. But a careful reading of these chapters will clearly show that the land described here does not fit Old Palestine, but is a perfect word picture of North America. This one example should suffice:

Ezekiel 38:10 & 11, God speaking about the invaders, ". . . at the same time shall things come into thy mind, and thou shalt think an evil thought: and thou shalt say, I will go up to the land of unwalled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars or gates," (Certainly not a description of Palestine.)

If Mister Bush gets us involved in Iraq, when we are not in military condition to fight anywhere. With Red China controlling the Panama Canal, and building bases all along our west coast, with over 70,000 U.N. troops already here and God alone knows how many illegal immigrant terrorists wandering around this country, with a huge Chinese invasion force reported in Mexico, and our forces scattered worldwide, with only one division and the National Guard to defend the mainland, we are wide open for invasion. If we go into Iraq, it will not be to defend this nation, but for OIL, and the defense of the antichrist Israelis.

Once again we will be pulling Jewish chestnuts from the fire, and once again we will get burned, possibly fatally this time. Will we never learn?

All this brought about by the Zionist - beast $tjstem.

This same system over the centuries has spawned sub-cultures for political control, including Communism, Illuminiam and Secret Societies such as the Skull and Bones Society of the Masonic Lodge. Through character assassination they have ruined the reputations not only of the Founding Fathers, but also anyone else who has the courage to expose them. The case of Representative Paul Findley of Ohio is a good example.

They live by the centuries old Jewish motto: "Never forgive, never forget; an eye for an eye, and a tooth for a tooth."

The same group today is accountable for most of the genocide and slaughtertaking place today that has killed millions in the last 100 years. Jesus knew their innate cruelty and bloodthirstiness, and accused them of it in Matthew 23 chapter when after reminding them of how they had killed the prophets and wise men sent to help them, had killed, scourged and crucified them, in verse 35 of this chapter He said, "That upon you (Jews) may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar."

Then in the 36th verse He prophesied, "Verily I say unto you, all these things shall come upon this generation." This prophesy was fulfilled in 70 AD when Titus, the Roman General destroyed Jerusalem, killing over a million Jews, and crucifying thousands of them.

The current Beast Systems leadership is found in the World Jewish Congress, headed at this time by
the Brofman family, while one of its poison heads, the Israelis, is headed by the maniacal Ariel Sharon, known in Palestine as the Butcher.

Every leader of the Israeli since their beginning has been a leading terrorist. This fits in neatly with their world reputation from their very beginning. As the Apostle Paul stated in 1 Thessalonians 2:15 - "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (the first century church); and they please not God, and are contrary to all men."

For over 3500 years they have not changed and are the same blood thirsty people they have always been, constantly prodded by their holy book, the Babylonian Talmud, which urges hatred, and persecution of the hated Goyin (you and me), whom they consider as animals. Their children are taught this in their religious catechism classes.

This large set of 63 books literally wallows in sexual filth and bloodthirstiness. The volume called SEDER TOHOROTH devotes what is called the Religious section, to 509 pages, as rabbis discuss the smell, color and examination of menstruation with no apparent medical purpose, other than wallowing in the repulsive.

Pomp and asininity abound, such as "rules for urinating off the roof."

Another section is devoted to the bath a menstruate woman should take before having intercourse with her husband, to protect her from the "evil eye".

The Code of Jewish Law, practiced in Christ's time taught that an evil spirit takes over when a person is asleep, and can only depart on awakening, if a man spills water on his fingers, three times.

The NAZIR volume contains vows such as the KOL NIDRE OATH, taken on the Day of Atonement, which allows Jews to break any promise or oath they may make during the coming year. Yet we have many Jewish Congressmen who take this oath when they have also taken an "oath of office" to protect this country from all enemies, both foreign and domestic. How can we trust them with the safety of this country, when they have taken the Kol Nidre Oath?

The BABA BATHRA volume contains 779 pages in two volumes of typical antiGentile, meaning anti-Christian diatribes.

The SANHEDRIN has 781 pages forming the criminal law of the Talmud this contains the choicest slander against Jesus. This includes "stoning to death"; "burning in dung"; "decapitation"; "strangling in dung"; and "crucifixion". Notice now for blaspheming the Pharisees, not God. These same Pharisees now called rabbi's hate Him with the same hatred that murdered Him 2,000 years ago.

I could go on for pages reciting from the Talmud the crimes and filth of the Jewish mind as it has been contaminated by their holy book. Some of it so raw I hesitate to put it in a family paper. Yet these are the people that millions of "brainwashed" Christians are honoring as God's Chosen, and are willing to sacrifice their sons and daughters to fight a war for those who hate their Savior. Woe to the shepherds who lead our people into disaster.

After studying your Bible thoroughly you may want to read "THE PROTOCOLS OF THE
LEARNED ELDERS OF ZION”, which the church world and the Jews condemns as counterfeit. May I remind you that in order to have a counterfeit you must have an original.

The counterfeiter makes his spurious work as close to the original as possible. Neither the Jews or the Judeo-Christian world has been willing to admit that World Zionism has been following the Protocols, point by point, like a blueprint for the past 100 years.

Study the Protocols and Dr. Gordon Ginn's book, "THE FINAL APOSTASYPRELUDE TO THE ANTICHRIST”, available from Criminal Politics. I have purchased and distributed ten copies of this revealing book. It is worthwhile reading and is very revealing. We are now moving into a period of high risk, and preparations for physical safety need to be updated.

Many scoff at this warning, but so did the people in Noah's time (Genesis 7), as he preached repentance for 120 years while building his ark. The day came when God closed the doors of the ark, and the rains came, and the waters rose, and drowned all the scoffers who had been warned but refused refuge.

Instead of singing "God Bless America", as many did and are doing since 9-11, we should be praying: "GOD FORGIVE AMERICA "!

Why Shoutd God Bless America?

I was amazed at the sudden wave of Patriotism that has swept over America since the destruction of the World Trade Center on September 11, 2001. It was impossible to turn on the television without seeing one group or another, tears streaming, as they sang, "God Bless America!" Old Glory has attained a popularity it has not seen since Pearl Harbor. The sales of American flags has soared, as they were displayed everywhere, on cars, in windows, in yards on businesses, Yes, people all over America are waving the flag and singing: "God Bless America". Then I thought, why should He?

Do you think God will bless an American that each year murders millions of unborn babies through mostly Jew operated abortion clinics? The United States government sanctions these murders, and many times uses American tax dollars to pay for the murders. Do the flag wavers sanction this bloody work?

Why would God bless an America that has outlawed prayer, the Bible, or even the mention of His name in public places like school and the courthouses for fear they will upset the antichrists among us? Do the flag wavers expect God to bless them when our government has attempted to throw His name out of every public building in the country and take it off our currency?

Why should God bless an America that protects and promotes the God forbidden lifestyle of the homosexual? (There is even one organization that lobbies Congress for a law allowing them to molest
little boys.) Do the flag wavers expect God to bless a lifestyle He says deserves the death penalty?

Why would God bless an America that kills her own citizens? Remember Ruby Ridge and Waco? Do the flag wavers expect God to bless a country that butchers its own citizens?

Why would God bless an America that gives government protection to a satanic religion such as Judaism, which curses the name of His Son, and calls Him an illegitimate child? While openly declaring it's intention to "destroy White Christian civilization"?

Do the flag wavers expect God to bless a country that protects antichrists (1 John 2:22 & 23; 2 John 7-11), which hate America and its Christian foundation? "For by their fruits shall ye know them!" not by what we say.

Why should God bless a nation that supports the antichrist Israelis in the Middle East, supplying them with weapons that kill thousands of Palestinians many who are Christian, because they protest the theft of their land, which was taken from them unlawfully in the name of religion. Do the flag wavers expect God to bless the murder of innocent men, women and children for any reason?

For which of the above do Americans believe God should bless our country. Could it be that instead of singing "God Bless America!" we should be down on our knees asking Him God forgive America! God made a promise to "true Israel" (who were not Jews, see Revelation 2:9 & 3:9) in 2 Chronicles 7:14 we read, "If my people (Israel, see Amos 3:2), which are called by name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

You can have peace and safety under God by obeying Him, or you can go your own way and be destroyed. The choice is yours!

Let's get back and see how this ties in with the bent anS Harlot of Revelation 7.

Dr. Ginn who is the Religious Editor of Criminal Politics, and has been an avid Bible scholar for years, says, "In the book of Revelation, Daniel and 2 Thessalonians, we are presented with several beasts, harlots and terms such as Babylon. These of course are symbolic and represent nations, kings, power and subtle subterfuge and the seduction of mankind by these evil entities."

It is impossible to steer your way through life without a clear understanding of the Bible. If you are misguided by wacky terms regarding critical passages you can get into serious trouble.

'Tie)Beast System cannot refer to Rome and the Catholic Church, as Rome was very much alive and well when John wrote Revelation.It could not refer to the Babylon in Iraq, that Saddam Hussein claims to be rebuilding. It is very important to understand what John meant when he said one of the beast's heads would be mortally wounded, but would recover (See Revelation 13:3).

The Beast System is headquartered in old Jerusalem. It is worldwide, and consists
of all those who oppose Christ, either malignly or benignly. No race or ethnic group is assigned to this antichrist system. However this system has leadership, which is always Zionist.

Since John showed that this system operated from Jerusalem, that Rabbinic, Pharisees, and the Kabala with its offshoot of Communism, are closely tied to Old Jerusalem.

Jerusalem was given a near death wound in 70 AD when the Roman General Titus destroyed if killing over a million Jews.

The secrets of the Jewish Kabala are closely related to Talmudic Judaism. From it comes the mystic source of Judaism, which was forbidden in the Hebrew religion. From this mystic source of Judaism comes worldwide Freemasonry, understood only by its highest initiates.

This is the System that now controls America, and most of the world. It received its mortal wound in 70 AD, but has now recovered to become a world power.

American sovereignty is now in Jeopardy

The 107' Congress will decide if our U.S.A. will remain a free and independent nation, or become just another voice in the United Nations, One World Government, made up mostly of Third World nations who consistently vote against us. I seriously doubt that American citizens and taxpayers will have any say about this vote.

Our only hope in stopping this blatant takeover of the United States by the unelected bureaucrats of the U.N., backed by a considerable number of our Congressmen and President Bush who with his father, George Bush, Sr., have been One World advocates for many years, lies in those of us who care.

A survey made by the Americans for Sovereignty, P.O. Box 96091, Washington, DC, shows the following U.N. plan for our takeover:

1. The U.N. is currently executing a plan, which will allow it to become the seat of World Government of the New World Order. Aided by bureaucrats in our State Department and in our Congress, who believe that we should bring pressure on Congress and the American people to allow the U.S. to disappear in favor of One World Government.

2. The U.N. is now attempting to implement a huge Global tax, which would take money away from American taxpayers, and give to the "have not" nations of the Third World, who make up the majority of nations in the U.N.

3. The U.N. has served as a haven for world terrorists and spies, and has become the "bully pulpit", for world terrorist leaders.

4. The U.N. is now demanding a billion dollars from us claiming they need it for necessary operations. Yet they have a bureaucracy of over 50,000 full-time workers, plus 10,000 consultants (this does not include its worldwide peacekeeping force).
The 107th Congress and our President will determine whether we remain a sovereign nation, under God, or become a servant nation of the antichrist U.N.

Entrenched bureaucrats in our State Department and Congress want to give our nation into the hands of the antichrists for their own ulterior reasons, often for profit.

We must demand that Congress stand up against this brazen step to further control of this country.

We can only do this, as concerned Americans demand that they live up to their oath of office. There is nothing politicians fear more than the wrath of outraged voters.

'The Panama Canal and Our National Defense

We must act immediately before the strategic Panama Canal becomes the base for Red Chinese blackmail, or the base for an attack on the United States already they control a huge naval base in southern California, and are seeking footholds along our western coast.

There are reports coming out Mexico, which indicate a huge Chinese invasion force, with it's heavy equipment stationed in Mexico close to strategic targets in the U.S., just across it's border. They have joined their Communist comrades from Russia, and North Korea who have been in Mexico since at least 1986. Our State Department knows of this for in 1986 I took pictures of Russian heavy equipment south of Brownsville, Texas and hand carried them to State. I was strongly criticized by State for having been in an "Off Limits Area" and was warned to keep my mouth shut. Feeling the Texas folks had the right to know what was taking place just across the border, I went on a Radio Talk Show, and blew the whistle on what I had found out. Almost immediately I came under harassment by the FBI, the CIA, and of course their "bully boys" in the IRS. They have harassed me on and off for the past fifteen years, and in 1999 confiscated my Arm, Retirement pay for an entire year, in payment for alleged tax discrepancies.

Yet our Congress has consistently refused to bring American troops home, from far flung military adventures to guard our own borders. Yet they know, that history proves that when a great nation refuses to guard it's borders it is on it's way to destruction. A good example is Imperial Rome. They began as a hardy folk, who defended their country against all enemies. Then as they became prosperous they became apathetic and hired foreign mercenaries to defend them. It was these same mercenaries who later on came swarming over their walls and battered down their gates.
Today the enemy is already within our gates, and is waiting for the signal to attack and destroy us. We know that over 70,000 U.N. troops with their heavy equipment are here, at the invitation of our government. We do not know where their loyalties lie, as many of them come from nations who were once our enemies. We know there are thousands of illegal immigrants within our borders, and that there are potential terrorists among them. Yet a reluctant Congress prodded by the liberal element, refuse to bring our military home to do the job they are supposed to be doing, protecting this country from all enemies foreign and domestic.

At one time in our infancy, when the United States was till a "great nation under God", we were protected by the magnificent Monroe Doctrine, which forbade foreign interference in our domestic affairs.

Today liberals and fellow travelers in Washington have shredded this doctrine. We have completely forgotten President Washington's warning to: "Avoid entangling foreign alliances", and have sent our military worldwide as sort of International Police, while our country is virtually defenseless. If the enemy attacks from the south, we could see another Chosen Reservoir battle, like the one in Korea in 1951, where thousands of screaming Chinese soldiers overran our defensive lines. We didn't have the firepower to stop them. Something is desperately wrong when a government refuses to defend its own borders.

The U.S. has a right to protect the Panama Canal through the Neutrality Act of 1970, mutually signed with Panama. We must do it before China takes over complete control. To ignore this threat would be another step towards national suicide. This may mean abandoning our military actions in Bosnia, the Philippines, and Afghanistan and most certainly against Iraq, and bring American troops home.

The Making of an American horror Story

The following information was taken from the August 2002, Deweese Report:

"Show me your papers!
"Where have you been?
"Where are you going?

Dialogue from some Nazi movie? Or from a Communist country? Possibly, but in this case an American nightmare.

A nation MUST first issue national identification cards, before this scenario could take place. "It would never happen in America!" you might say.

But don't be too sure about this. Two Northern Virginia Congressmen, Democrat Jim Mara, and Republican Tom Davis, have teamed up to introduce the Driver's License Modernization Act of 2002 (H.R. Act 4633). This bill calls for state driver's licenses to include a computer chip with the driver's fingerprints, or eye scan. They just "want to protect you from auto theft", or so they say.

Under the Clinton Administration Americans were constantly being told that intrusive government was "for our own good and for national security." You must be willing to give up some of your rights if you wish for security. Many Americans fell for this song and dance, forgetting that "Eternal vigilance is the
price we must pay for *Freedom.* We also forgot the truism that "He who is willing to give up freedom, for a little momentary security deserves neither."

I can also remember a church hymn we used to sing:

"Must I be carried to the sky,
On flowery beds of ease.
While others fought to win the prize,
And sailed through bloody seas?"

"No I must fight, if I would reign!
Increase my courage, Lord,
To bear the toil, endure the pain,
Supported by thy Word!"

(Revelation 3:21)

We cannot escape terrorism by giving up our rights. When big government knowing it's wrong, and reaches the point where it fears it's own people, then they reach out for more power, to control their people, by force if necessary? That's why gun control, always means people control. It is the main reason the 2nd Amendment was placed in our Constitution by the very wise men that brought America to birth. It was a safeguard to keep our nation a Republic rather than a Democracy. This is why our Pledge of Allegiance starts off with these thrilling words:

"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands"

You can see a degree of "brainwashing" in the media, who never use the term Republic but always refer to us as a Democracy. We have passed that miserable stage, and are now a Socialist Welfare State, close to becoming a Dictatorship. Hence all these moves for further restrictions, which are aimed at limiting the freedom of the American people. We must be under complete control before we can be assimilated into the Zionist New World Order.

The truth is that the Mara-Davis Bill has nothing to do with fighting terrorism, but much to do with people control.

This bill has roots deeply embedded in a Socialist effort to establish a "National smart driver's license in 1996", referred to as a National Identification card. Provisions were quietly placed in the Illegal Reformation and Immigration Act; the Welfare Reform Act, and the Kennedy-Kassenbaum Health Care Reform Act. In each of these bills, identical language called for the Federal Department of Transportation (DOT) to cooperate with the American Association of Motor Vehicles Administration (AAMVA), to standardize each states driver's license to contain a unique number identification for the purpose of National identification. This law was supposed to go into effect on October 1, 2000. This bill called for a new ID card to be used in buying a plane ticket, for opening a bank account, for obtaining employment, for Medicare and Medicaid, for Social Security identification and for the purchase of firearms.
The reason given for this new card was to stop illegal immigration, and to control "dead-beat dads". This law was stopped just months short of going into effect, by an Amendment from Alabama Senator Richard Shelby.

However, liberal Congressmen have already created the basis for a National Identification Card (H.R. 4633). The idea is not new, and will not go away.

The idea behind this card is not for the safety of our people, but for their control. George Orwell in his fascinating book "1984", foresaw the day when the television in your home, would record you every act and word to a Central Surveillance Center, and for the ears of Big Brother Government. Although this may to many seem impossible, our Government has the electronic ability to do this now.

How can Americans become so apathetic to terrorism, when it lurks in every metro tunnel, and around every nuclear plant?

Increasing surveillance of law-abiding citizens is not the answer. There are even plans for an unbelievable police state apparatus to be set up which will reach at least ten million citizens, who will be recruited by our government to set up a Citizens Spy Program (Shades of the Gestapo and the KGB). The formal name of this plan is TIPS. According to researcher John Prukop, this program will be coordinated with FEMA, and will be given sweeping new power, including the jailing of citizens. If this is implemented it might mean that your mail carrier, your utility workers, truck drivers and others who may lay cable on your property will also be there for surveillance purposes, and to report any suspicious activity on your part. No doubt this would include school children that are already in many public schools encouraged to spy on their parents. How will you react to trusted neighbors, who may be masquerading as friends, when they are really betraying you?

Government tracking of its citizens for any reason is completely contrary to a free society. Absolute power given to any government means absolute control, just as 'power corrupts, and absolute power corrupts absolutely."

What happens under such a system if a patrolman for a simple traffic violation, such as broken taillight, stops you and your records become mixed with those of a felon? The policeman's computer flashes a warrant for your arrest, only it's a mistake. Who do you call for help? How can you prove who you are? The officer's computer says you are a criminal, and his computer is the law.

Consider this example: Jessie Cohen of Epson, N.H. was stopped for a broken taillight. The officer's computer flashed back that there was an outstanding warrant for her arrest, dating back to 1997, because she had not returned a copy of a movie she had rented. She was handcuffed, arrested, jailed and had her fingerprints taken and her car impounded. But she proved that she had never rented the movie and she probably never received an apology for this embarrassing incident.

Let's look at a recent serious incident: Larry McCarter, of Key West, Florida was arrested on a minor traffic violation. The computer charged him with rape, for allegedly having sex with a twelve-year-old girl. He pleads "not guilty".

The computer also found he was wanted in Licking County, Ohio when he attempted to buy a hunting rifle. When he was stopped for the traffic violation in Georgia he was handcuffed in front of his two young sons and spent 12 days in jail, under a $100,000 bond. His wife and sister traveled to Ohio and found the real rapist in the local telephone directory, under the name of Jerry MacArthur. When this was brought to the attention of the Prosecuting Attorney, on further investigation, McCarter was released and MacArthur was arrested. Another case of computer error and Mr. McCarter would have been within his rights to sue the State of Georgia for "False Arrest." Today America is being stampeded into accepting false solutions to our war on terrorism, and a National Identification Card will do nothing but harass honest, innocent citizens.

The following information was taken from the AID AND ABET BULLETIN, September 2002. (AID AND ABET, HC 11, Box 357, Kamiah, UT 83536.)
What is Azatlan? Where is it?

According to Mexican legend, AZATLAN or some call it, AZTEC LAND, was the homeland of the Aztec nation, until they left it, journeying south to their new Center of Civilization in Mexico City.

As used today by Mexican Revolutionaries operating in this country it refers to the area within the United States they call, "Nation of Azatlan". This land, which they claim as their own, was legally purchased from Mexico under the Guadalupe-Hidalgo Treaty of 1848, which was taken by force of arms during the Mexican War.

This area consists of California, Arizona, New Mexico, Texas and parts of Utah, Nevada and Northwest Canada. You can see they have big plans for their new country.

You may say, "Big plans but how are they going to do it?

In States like California, New Mexico and Arizona Hispanics are close too outnumbering Blacks and Whites combined and in Southern California they are already in the majority.

Aided by liberal politicians and preachers alike, our border with Mexico has become like a sieve, with thousands of illegal immigrants, mixed with many foreign potential terrorists who cross almost at will. Yet when concerned citizens put pressure on Congress to bring our military home, from some Third World Nation where they have been acting as policemen, the libs "scream like wounded eagles ", and want us to protect the antichrists Israeli, while our own borders go undefended. They have completely forgotten the sage advice of President Washington, when he warned our new Republic to "avoid entangling foreign alliances. "

These Revolutionaries knowingly or unknowingly are part of the overall Zionist plan for world takeover. They do it by cleverly destroying the roots (the foundation), of the nation under attack. They do this through internal and external attacks, until the nation under attack, has become so demoralized and weakened to the point where it is willing to accept enemy terms, as it will not, or cannot defend itself Suppose our nation came under a nuclear attack from overseas, which destroyed New York City and killed eight million people. Along with this attack came a message that clearly stated: "Either surrender within 48 hours or be destroyed." What would be the reaction of our government and our citizens knowing that if we attempted to defend America we might lose 100 million people? (To Red China this would be a drop in the bucket, to us it would mean disaster.)

A few years ago when the nuclear threat became evident, The National Council of Churches reaction was: "It's better to be Red, than dead!" In spite of the patriotic reaction following 9-11, my belief is that our government would be swamped with pleas for immediate surrender, and that first in this chorus for surrender, would be the church folks, many who claim to be "born again Christians. " They have proven under light persecution, that they do not have what it takes, to enter God's Kingdom. In many cases their spiritual leadership shows they are not willing to preach the "whole Word", so they feed their sheep on spiritual pabulum that gives very little strength for when the day of evil comes. They should be eating strong spiritual
meat, to strengthen them for the day of trial.

God’s Word in 2 Timothy 1:7 tells us, “For God hath not given us the spirit of fear; but of power and of love, and of a sound mind.” In Luke 21:28, we see how as world conditions get worse and worse, we should look up, as this is a sign of your redemption being near.

If noticed, President Bush, who is a globalist like his father, never hinders in any way, the almost daily incursions of Mexican illegals into American territory. Which are only the beginning of future Azatlan attacks on American territory.

There has been very little information on these Mexican attacks in the media. Could it be possible they are under orders to keep it secrets?

There is some evidence that Mexican President Fox, who is a close friend of George Bush, may be cooperating with the Azatlan rebels, and possibly with the Red Chinese is allowing Chinese troops to use Mexican territory as an assembly point for an attack on America. Underground reporters say that Fox has been promised the return of the Southwestern States, if the Chinese invasion of the U.S. is successful.

Rush Limbaugh, the Pied Piper of the 'pseudo " Conservatives, on the Donahue Show, never hinted of anything like this taking place. It seems as though there is a "tight lid" on this information that could be of utmost importance to the American people.

In 1969, a Leftist Student Movement, called MECHA, began its subversive, racial movement in many of our government High Schools and Colleges in the Southwest. Its purpose was the infiltration of the American Education system, to promote antiAmerican, pro-Mexican sentiment among the students. (They operate similar to the Communist led Students for a Democratic Society (SDS) that tore our colleges apart during the Vietnam War.) This Leftist Hispanic Movement brainwashes good Latin American school students, into the principle of hate for America, and against the very people who educated them, even though many were illegally in the United States. This is a classical example of "Biting the hand that feeds you!"  

Article II, Section 7 of their Constitution says in part, ". . . general membership shall consist of any student who accepts, believes, and works for the goals and objectives of MECHA, including the liberation of AZATLAN and self determination of our people, and the liberation of our land.”

This radical student group is obviously preparing for a violent physical confrontation with all freedom loving Americans living in the Southwest many who are AmericanMexicans by birth. Some who have lived in the border states for well over 100 years, and have proved by their actions to be patriotic Americans.

This would be tremendous help to any Gog-Magog type invasion of the Israelite lands of North America. It appears that world affairs are building up for this attack. (Carefully study Ezekiel 38 & 39.)
What actions have American defense officials taken to alleviate this danger, which sits unopposed at our back door? Obviously very little. In fact it has been the One World Traitors in Congress, who have exaggerated this potential danger, by refusing to bring American military home to guard our mostly unprotected borders between Mexico and Canada.

Instead we see the Liberals in Congress, and the Jewish Lobbies in Washington, as they get us involved in one brush fire war after another. You and I pay for these wars, in suffering and bloodshed, and in world hatred for America, that has developed in the world, since World War II due to our rotten foreign policy.

We have given loans amounting to many billions of dollars to African nations in particular, knowing they will never be repaid. Our Socialist minded State Department, has insisted for some reason or another in paying these relief funds directly to the Black Dictators who live in unbelievable splendor while their common citizens live in increasing poverty and disease. You cannot point to one Black Dictatorship (they call themselves Republics), where the common folks are not worse off now than when they were under sometimes-harsh rules of Imperialism.

Today our State Department, followed by the Administration in power, are filled with horror over genocide in places, like Bosnia, but turn a deaf ear, when the same thing is done to White farmers in South Africa, as the Black monstrosity who controls South Africa is murdering thousands of White farmers, driving them off their farms. Where once they fed most of Sub-Saharan, now under Black control, Blacks cannot feed their own. White political and Christian leaders, scream like wounded eagles, at racialism when practiced by Whites against Blacks, but turn a deaf ear when the process is reversed.

American citizens in mist cases have not been told the truth, about the Zionist plot to take over the world, through their New World Order.

The Bible says, "My people (Israel) are destroyed for a lack of knowledge." (Not education but knowledge, they are vastly different) because thou hast rejected knowledge, I (God) will also reject thee."

Some folks will tell you that there is no hope for us since God has promised that He will destroy this world with fire, and He never changes His mind. We see the promise of the first mentioned in 2 Peter 3:12 & 13 then in Micah 1:4. We see God changing His mind in Jonah 3:10; Exodus 32:14; & 1 Kings 21:29.

Some will say that, "We don't have to worry about those trying times. We're saved, you know, and Jesus will be back and Rapture us away before things get all bad." Oh you poor deluded soul. How I pity you. You have evidently become victim of some false shepherd who has either been victimized himself, or for some ulterior reason has become a traitor to His Savior. God will not hold you guiltless, if you are following some false Shepherd. If you find your pastor preaching a false gospel it is your duty as a born again Christian to bring this to his attention, no matter how unpleasant it may be (See 1 Timothy 5:20), for he has not only been harming you, and your family, but everyone else who listens to and believes him.

I had this brought rather forcibly to my attention a few weeks ago when I was discussing the Bible with my barber, trying to show him how the Jews and Israelites were not one and the same people, He said, "Brother Mohr, I find that a bit hard to accept. My pastor and our church teaches that Abraham was a Jew, and was the father of both Jew and Israel." When I showed him that father Abraham was never called a Jew in the Old Testament, and that no people called Jews showed up in the Old Testament history until 1200 years after Abraham's time, he was really shocked.
I asked him, "Sam, do you really love Jesus?" He answered rather heatedly, "You know that I do!" So I took him to John 10:26 and showed him where Jesus told the Jewish leaders, "But ye (Jews) believe me not because ye are not of my sheep." (This statement is so clear that even a First Grader should understand it.) When I asked him, "Whom are you going to believe, your pastor or your Savior? He got angry and said, "I'll have to take this up with my pastor; he's the Bible expert." So we see another Christian being led astray by his pastor, either knowingly or unknowingly. That's why we have the Bible. It's our guidebook that will never let us down! Human leaders may betray us, but the Bible will never lead us astray. It is the only compass we can always trust! We have many examples in the Bible and history, of insurmountable odds being defeated by a small band of dedicated God led men. My favorite is that of Gideon who God called to deliver Israel from the hands of the Midianites who came against Israel with overwhelming odds. Gideon was only able to muster 32,000 poorly trained, poorly armed men to face their enemy. But God said, "The men are too many. If they win now they will say `look what we did', tell all those who are afraid to go home and 22,000 left, leaving him with 10,000 men. God said, "There are still too many" and He proposed a test to further eliminate men. As I see it, Israel was on one side of a valley, behind a range of hills while Midian was across the valley behind another range. At the foot of the Midianite hills, was a stream of clear, cold mountain water. When they arrived at the stream, Most of the men, hot and weary from the forced march threw down their shields and weapons, and jumped into the water. Only three hundred men, knowing they were close to the enemy, stood with their swords and shields in one hand, while they lapped up the water with the other. God said, "Gideon, put those three hundred aside, for with them I will defeat the enemy." Many of you will remember how the story ended, God, plus
Gideon, plus 300 disciplined men won without firing a shot.

This has been the experience of our Israel people not Jews. It happened at the crossing of the Red Sea; when Joshua fought the battle of Jericho and in the words of the old Negro spiritual, "the walls came tumbling down." It happened again and again. When an immense army of Ethiopians came against them, God's prophet told good king Jehoshaphat in 2 Chronicles 20:15 - "Thus saith the LORD unto you, Be not afraid nor dismayed by reason of this great multitude; for the battle is not yours, but God's." Then in the 17th verse of the same chapter he continued, "Ye shall not need to fight in this battle set yourselves, stand ye still, and see the salvation of the LORD with you, 0 Judah and Jerusalem: fear not, nor be dismayed; tomorrow go out against them: for the LORD will be with you."

This has been the experience of obedient Israel, ever since God led them out of Egyptian captivity and they faced the Red Sea on one side, and the chariots of Pharaoh on the other.

Our forefathers were frightened then and accused Moses of leading them into the desert to destroy them. When Moses took his problem to God, God replied (paraphrasing): "Wherefore criest thou unto me? Speak to the children of Israel that they go forward!" In other words God was chiding him: "Moses don't you remember what I did to Pharaoh? Don't you have enough faith in me, to know I will, save my people? Don't quibble about it, tell Israel to go forward." They obeyed and you know the results, Pharaoh was destroyed.

This is why I insist, over and over again, that in order for us to be victorious, we must first learn obedience.

The Bible indicates over and over again that God is not interested in sheer numbers. Jesus indicated this when He said, "Rough is the road and narrow the gate that leads to life, and few there be who find it." They would much rather follow the broad and easy road, even when it leads to spiritual death.

Do you believe God's Word when it says that one Spirit filled man will chase a hundred, and ten put ten thousand to flight? Those are heavy odds, my friend! But we can count on them, even though there are some doomsayers, who claim we have passed the point of no return. For our God has promised, "If my people (not heathen or unsaved church members), which are called by my name (Christian). Will humble themselves, and pray, and turn from their wicked ways: then will I (God), hear from heaven, and will forgive their sins and will heal their land." This is God's promise, and nothing the enemy can do will change it.

Hallelu'jah!

In His service as a Watchman to the true church of God, God's TRUE ISRAEL, Jack Mohr
With events erupting around the world with increasing speed, and because we are told in Hosea 4:6 - "My (Israel) people are destroyed for lack of knowledge: (notice not a lack of education, but a lack of knowledge, for education without God, turns men into clever devils!) because. thou, hast rejected knowledge (truth), I will also reject thee..." 

This lack of knowledge seems strange in a world the Prophet Daniel predicted in Daniel 12:4 as a "time of the end: many shall run to and fro, and knowledge shall be increased." (The Hebrew word for KNOWLEDGE as used here is "da'wath" and means: "cunning, as having skill, being skilful or clever.) So we can see that all knowledge is not necessarily good, as it can be manipulated by the adversary for his own evil purpose.

In this short paper, I want to bring to your attention some little know facts, coming from usually reliable sources around the world, to show you what is taking place that is not mentioned in the controlled press.

When a Christian couple in Charlottesville, Virginia was refused an Ad in a local newspaper, because they were looking for a "Christian woman to help in their home", it's time for us to ask the question. Is America still Christian, or have we become for all practical purposes, heathen?

Why is it that our Public Schools no longer display the Stamp Act Resolution in their history textbooks, where Patrick Henry, a much admired citizen of Virginia, who was the only man reelected five times as Governor said, "It cannot be emphasized strongly enough, that this great nation was founded not by religionists, but by Christians; not on religion, but on the Gospels of Jesus Christ. It is for this reason that people of other faiths have been afforded asylum, prosperity, and freedom to worship here."

In 1799, the Supreme Court of Maryland ruled: "By our form of government the Christian religion is the established religion, and all sects and denominations of Christians are placed upon equal footing and are equally entitled to the protection of their religious liberty."

In no place in our government archives, are heathen, non-Christian religions placed on an equal footing with Christianity, which is the established religion of America. They are allowed by law, but they are not America's Religion. (If we were following Scriptural teachings, they would not be allowed in the country.)

Suppose Your Family Had a Holocaust Era Insurance...
If you are a Holocaust survivor or the heir of a Holocaust victim, you may have a legitimate unpaid Holocaust era life, education or dowry insurance claim and the opportunity exists for you to receive payment. You can now file claims through a new Claims Resolution Process set up by the International Commission on Holocaust Era Insurance Commission.

The Commission consists of representatives of United States insurance regulators, five European insurance companies and their subsidiaries, the State of Israel, worldwide Jewish and Holocaust survivors organizations and European regulators as Observers.

The unique Claims Resolution Process provides individuals with a central source for information on, investigations into, and payment of those outstanding policies, without any charge to the claimants.

In all the confusion generated by Holocaust teaching and efforts by Christian leaders to get persecuted Jews, from Russia to America, William Safire, the "NEW YORK TIMES" correspondent and former Reagan Administration insider, and a Jew himself, reported in his National column: "Russian Jews have nothing to hide!" He goes on in great detail to explain the advantage of being a Jew in Russia, and brags that the richest millionaires and billionaires are Jews. So are the most powerful politicians, such as former Russia Foreign Ministry Yeugeny Primakov, whose real name was Finkelstein.

Moscow Mayor, Yuri Luslhow, a presidential hopeful, recently put on a skull cap and attended Synagogue in Moscow. He is a Jew. The media mogul, Vladmir Gasinski, who controls a media empire equal to NBC, CBS, ABC, and CNN, is Jewish and is one of the richest men on earth.
Yet we find Christian leaders like Pat Boone, Jack Van Impe, Pat Robertson, and Jerry Falwell who send out Fund raising letters to American Christians asking them for financial help in bringing, poor, persecuted Jews from Russia to the sanctuary of America. Safire notes: "Today in Russia, Jews are a much favored minority, just as they were in the early days of Soviet Communism under Vladmir Lenin." (From "Power of Prophecy", March 2000).

THE CIVIL WAR PLOT TO DIVIDE AMERICA!

Samuel Morse, the inventor of the Morse Code was in London on business which had to do with his wireless invention. On a certain morning in 1859, according to his account in a book published in 1862, titled "TO DISSOLVE THE AMERICAN UNION", he stated that something happened which was of such significance that it needs to be understood today.

A message coming in over the wire attracted his attention and he decided to make a copy of it for his records. It attracted his attention because it had special significance for his country America. It was sent from one powerful International financial operator in Europe to another and dealt with details concerning tariffs, prices, wages, shipping costs, and government expenses. It also exposed a plot to start a war between the North and South in America, with the prospect of dividing the country into two entities, which could be more easily controlled by the Internationalists. It took four years for the plan to develop and the conspiracy to mature. His book deals with this conspiracy which foretold the American Civil War, which was fought over the slavery issue. It gives details about how hostilities were promoted.

In 1858, Baron Solomon Rothschild (a Jew), came to the United States and secretly began to direct and finance the efforts for a war which was to be the most destructive in America's history. The plot was accomplished primarily by the manipulation of tariffs and commodities. Exports of cotton from the South to England and other parts of Europe were the principal source of foreign exchange which paid for foreign imports coming into the States.

Business interests in the North and East insisted on higher tariffs, and used the revenues generated to defray most of the costs of the Federal Government. The public debt was paid off; current expenses were being met, and highways, railroads, canals, and other public efforts were being made for the benefit primarily of the North. This and State sovereignty, was the basic elements against which the South rebelled, not slavery as we have been told.

The attempts by the International Jewish banks to divide the American Union was unsuccessful due mainly to the courage and intelligence of a country boy from Kentucky named Abe Lincoln. In spite of what we Southerners have been told about him, he took the Internationalists completely by surprise with his ability to understand their scheming.

Lincoln's statements which today have been conveniently left out of history textbooks bring out this truth. He said, "The enemy behind me, is worse than the enemy in front of me. The money power groups prey on the nation in times of peace, and conspire against them in times of adversity. It denounces as public enemies, all who question it's
methods or throw light upon it's crimes."

In the middle eighteen hundreds, the European bankers, Jewish for the most part, were connected to the powerful Rothschild family, and had considerable influence in America. One of the men Morse discovered in the plot had a branch bank in New York called Belmont and Co., while another in Atlanta was called Erlinger and Co. These two banks had promoted many State banks in both the North and South, and worked with them for the passage of the National Bank Act of 1863. When Lincoln needed more money to carry out the war, he was offered loans by these groups at 28% interest. He wrote to a Chicago friend, a Colonel Richard Taylor, who was an authority on finance: "Dick, they have me over a barrel. What can I do? Colonel Taylor wrote back: " I think I see a way out for you. In fact I believe it will give you the upper hand. You know the U.S. government has the authority to issue money under Sec. 8, Par S of the Constitution. I suggest you invoke this clause of the Constitution and authorize Congress to print and issue the amount of money you need. This will not cost the government a cent, because it will be interest free. Then tell them to go jump in the river."

Lincoln took his advise and issued 150 million dollars designated as U.S. Notes, and often referred to greenbacks.

The part about telling the bankers to go jump in the river, was more difficult, since these fellows exerted a lot of power in the country. By the time Lincoln was ready for a second issue of greenbacks, the bakers had so corrupted, or intimidated Congress, that they passed what was called the Exception Clause, which prohibited Lincoln from issuing any more interest free notes. A short time later he was dead at the hands of an assassin (who was an agent of Rothschild's) and a period of terror known as Reconstruction took place in the South which spawned such organizations as the Ku Klux Klan.

It has been revealed from reliable sources that the Rothschild's made over four billion dollars profit over the Civil War, while this country gained absolutely nothing from the war but misery, destruction, and the death of 360,000 of our finest and a legacy of hatred which is still haunting us. As in other Jew instigated wars, the anti-Christ's made money by supporting both sides.

Those who plotted to dissolve the Union, are with us today in the Federal Reserve System, the Tri-Lateralists, the Council on Foreign Relations, and those who are dedicated to the aims of the Zionist New World Order.

In 1871, the German Chancellor Otto Von Bismarck said, according to reliable sources, "It is not to be doubted, I know of an absolute certainty, that the division of the United States into two federations of equal power had been decided on well in advance of the Civil War by the top financial powers of Europe.

They are still engaged in a plan to Balkanize America for their own profit.

**SEARCH FOR THE HISTORICAL JESUS!**

For over a century now, humanistic scholars have searched for what they call the
They of course dismiss all Biblical accounts of His life, His miracles and view everything within the limitations of human flesh. They assume that what the Bible says about Him just doesn't fit in with the reality to First Century events. Thus, their Jesus ends up looking much like themselves.

Today He is universally being pictured as being Black, or swarthy like an Edomite Jew. Word descriptions of His appearance, written by Pontius Pilate to Augustus Caesar, and kept in the Vatican Library in Rome, are disregarded. These, the only eye witness descriptions of Him that are know, picture. Him as having chestnut hair and blue eyes. As Albert Switzer, the well known African missionary of a century ago once said, "Scholars looked down the well of history, and have mistaking their own reflections for that of Jesus." (B.P.) So if they are Black, He must have been Black. That is their reasoning, without any proof!

LIBERAL BRILLIANCE ON NATIONAL SOVEREIGNTY!

The World Federation Association annually presents it's top award, the Norman Cousins Global Government Award, to a person chosen from their ranks who has done the most for the advancement of One World Government during the year. This past October, they chose Walter Cronkite, the CBS guru, who seeing man take his first step on the moon pontificated: "Today, man the ape, conquers space!"

The one time CBS, anchorman and the grand old man of controlled press, in an acceptance speech at the United Nations, called on America to give up it's sovereignty. He was applauded by First Lady Hillary Rodham Clinton, and by enthusiastic applause from the U.N. delegates. The 1992 winner, Strobe Talbot, is a close long time friend of the Clinton's and number two man in the State Department. He was so pro-Communist and pro-Soviet, that the F.B.I. classified him as a security risk. (Spotlight)

FACTS FOR DISASTER!

In late 1999, a piece of pro-humanistic propaganda was sent to 15,000 Public School Districts in America. It was a 12 Page booklet titled "JUST THE FACTS!", published by a coalition of the National Education Association, and nine other activist groups. It is the brainchild of the Gay, Lesbian, and Straight Education Network. This piece of trash tells your children that the life styles of Sodom and Gomorrah is normal and healthy and attacks efforts by people who are trying to help homosexuals escape their sinful bondage. The American Academy of Pediatricians has now endorsed this booklet and has attacked the Christian faith, which is the only hope of freedom from this monstrosity that brings spiritual death. BIBLICAL ILLITERACY!

Prominent researcher. and pollster,. George Barnes, a born again Christian, says that
increasingly in America, Christians are becoming Biblically illiterate. He said, "They
don't even know who and what they are!"

In a survey, when asked, "Who preached the Scriptures?" The reason for this ignorance should be obvious. Most churches no longer preach and teach from the Bible, and when they do it has become a sort of *cafeteria religion*, where only those parts that make the congregation feel good are used. There is very little of *reproving and rebuking* done in the modern church. *Jeremiah 23:22* says it all, "But if they (the preachers) had stood in my (God's) counsel, and had caused my people (Israel) to hear my words, then they should have turned from their evil ways, and from the evil of their doings." This hasn't happened in America, and can be seen in the fact that with over 50 million *born again* people in America, we are heading to hell faster than at any time in our history.

**WHAT HAS HAPPENED TO TOLERANCE?**

The Christian world has been barraged by direct mailing from Jewish front groups such as the Southern Poverty Law Center, of Maurice Dees, a Christ hater of the first order. Who admonishes the Christian world to *teach tolerance*. This has come to mean: "We must permit the teaching of homosexuality in Kindergarten classes and other perverted life styles dreamed up by these fanatics, even though they are against everything taught in God's Word. Most of this teaching is coming direct from the Jewish Congress and their *strong are boys* of the Anti Defamation League (A.D.L). The question that needs to be asked, is where is the tolerance shown by these anti-Christ groups towards anything Christian or decent? It is nonexistent!

When it comes to the Zionist New World Order, there is no tolerance. You accept what they propose or you are earmarked for destruction and they even have the *chutzpah* to openly brag about it.

Let's say that Pat Buchanan was elected President of the United States and refused to carry out the New World Order mandates of the Zionist Council of XIII. Would he be threatened and humiliated because he rejected United Nations membership? You can bet on it! Just the idea of being conservative, especially if you are a Christian, is enough to set these anti-Christ's *frothing at the mouth*. World Zionism at this point cannot allow any interference with their plans for a New World Order, for if a crack develops in their defense, the floodwaters of freedom and decency will pour through and drown them.

Are you as a genuine Christian ready to lie down supinely and submit to the life of a slave, on their New World Order Plantation?

**THE WITCH WHO WANTED TO BE QUEEN!**

Hillary Rodham Clinton has finally made it official. She wants to be *Senatrix* from New York, although she has shown by her actions that she does not especially like to endure their maldorant presence.

The one unforgivable sin to New Yorkers, is that of being an *ostentatious phony*, and Hillary flaunts her *phoniness*, as though it were a prime qualification for the job.
Recently on the David Letterman Show, she came across as one who was born to wear the mantle of phoniness. (After the show poor Letterman was rushed to the hospital for a quintuple bypass. No kidding! Whether it was caused by Hillary's answers is problematical!).

She has devoted her life to the defense of children, or so she says, and look what happened at WACO, where they killed 17 of them to protect them from a evil man, who was not all that evil. In fact he was not nearly as evil as the devil who now runs Cuba.

When Letterman asked Hillary what we should do with Elian Gonzales, she turned her eyes heavenward and sighed: "We must do what is best for the boy!" Anyone who knows Hillary and how she thinks, knows this means: "We must do what is best politically, and what our Masters want us to do!"

Reno, the lesbian witch of WACO (just study her face sometime and see the evilness inherent there), pontificates about the sacredness of the family, which must be upheld by returning the boy to his father. Maybe the best answer to this problem would be to exchange Reno for Elian. We would be getting the best bargain, and Reno would be valuable to Castro in telling him how to burn churches and Christians, who disagree with his evilness.

I found a perfect Scriptural description of Bill Clinton and Hillary in 1 Kings 21:25; just change the names and you come up with this truism: "But there was no President like Bill Clinton, in the ordsory of America, who sold himself to work evil in the sight of the Lord, whom Hillary his wife stirred up."

She began her education for treason early, as head of a Chapter of the notorious Institute of Policies Study at Yale University. The I.P.S. was exposed by the F.B.I. as one of the most dangerous Communist radical groups in America.

Hillary is compelled to defend Castro, since her husbands foreign policy has been one of complete appeasement of our Communist enemies everywhere and we all know about the financial help he received from Red China. Whenever a national leader like John F. Kennedy, begins to wise up to what is happening, the powers that be usually eliminate them before they can tell the public about the danger. It happened to Kennedy, General Patton, Secretary of Navy Forestahl, and very possible Senator Robert Taft, to name a few.

Hillary can be counted to do anything necessary so the New World Order, her husband worships can succeed. Let's pray that the New York voters are intelligent, and patriotic enough to reject her at the polls. She qualifies as one of the homeless, rootless, dreamers who have turned the 20th Century into a nightmare, while drenching the world in blood. (Info. from Criminal Politics, February 29, 2000.)

RELIIGIOUS LEFT AND THE GAY AGENDA!

Tony Compolo, one of the most prominent spokesmen for the religious left, a movement of left wing liberal clergy who defend sociological rather then Biblical solutions to the nation's problems, is President Clinton's Spiritual Advisor, and sponsors Gay homosexual rallies at the Founding Memorial Methodist Church, in Washington,
DC which is the church the Clinton's attend. Tony's wife, Peggy, is emerging as a prominent spokeswoman for gay activist groups and openly claims that homosexual behavior is compatible with Biblical Christianity, although the Bible is very outspoken against this hideous sin. (See Romans 1:21-31; Ephesians 4:18,19.) These people are now approving Clinton's backing the gay lifestyle, and are being supported whole heartedly by the Jew controlled press. What will they do one day, when they stand naked before an angry God? (FRC)

MODERN SLAVES!

The average American taxpayer is now surrendering 50% of their income for taxes, of one sort or another. This means we work until June each year to satisfy the demands of the government which has become adept at squandering it, or giving it away.

By comparison, the medieval serf, whom we consider to have been virtual slaves, paid out less than 33% of their wages. The vast amount of this is going into the pockets of the International Jewish Bankers, who control our economy through the Federal Reserve Board.

* * * * * * *

SWAMPED BY ALIENS!

We like to think of America, as the land of the free, but we are fast becoming slaves to the uncontrolled tide of immigrants who are swarming America. In the 1800's, over 40 million came to our shores, but they were mostly from the White nations of Christendom. They followed the Christian religion, they had a passionate love for freedom, they believed and protected their women, and believed in the work ethic!

Today, under Democratic Party leadership, they are coming from heathen countries, bringing their heathen religions, morals, and diseases to America, and many are ending on welfare rolls, as wards of the State.

In Deuteronomy 28:33 we are told that if we refuse to obey God, "The fruit of thy land, and all thy labours, shall a nation which thou knowest not, eat up..." In verse 43,44" The stranger that is within thee shall get up above thee very high; and thee shalt come down very low... he shall be the head, and thou shalt be the tail." If you can't see this happening in America, it's because you have deliberately shut your eyes to what is happening all around you.

There are now over 10 million illegal immigrants in America, with thousands flocking across our mostly unguarded southern border every day. While our President sends American troops overseas on illegal ventures which interfere with national sovereignty, our southern border is virtually unprotected. Congress will not even give the Border Patrol enough money for manpower and equipment, while they pour billions down the Israeli rathole.

Norman Goldstein, a top Social Security official, who deals with many fraudulent claims by illegals, has said, "We never assume immigration fraud!" How naive can you be? Is this deliberate treason?
Big business, which means *Jewish controlled business*, is cooperating with the Democratic Party to flood America with cheap slave labor. It means more money in their pockets, and they care less about the hundreds of thousands of Americans who our out of work. On political front, the Democratic Party knows that most of these aliens, who have been allowed in through their efforts, will vote the straight Democratic ticket and keep them in power. It is a typical example of the Babylonian System in operation in every phase of American life.

The head of the A.F.L./C.I.O. has openly endorsed a *general amnesty* for the illegals now in this country. While Big Business claims there are not enough *computer programmers and engineers* to fill America's needs, instead of training American youth to fill the jobs, they are hiring cheaper, inferior labor from India. It is all a matter of the big *bucks* over everything else, or as the Jews say, "The gelts the most important thing!"

**NOW AFTER THIS GLOOMY OUTLOOK, SOME GOOD NEWS!**

In *Psalms 46:4-8* we read: "There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High. God is in the midst of her; she shall not be moved: God shall help her, and that right early. The heathen raged, the kingdoms were moved: he uttered his voice, the earth melted. There is an entire volume of history in those three sentences, and it is in correct order. Contrast this with *verse 7* - "The Lord of hosts is with us; the God of Jacob is our refuge." Emphasize the word US, for it refers to you if you are an Israelite. It is a tremendous claim, and not all can rightfully claim it.

During the convulsions which will come to this material world during the Day of the Lord, this verse tells us that God will keep Zion firmly in place.

There is no boasting here, but it is cause for *songs in the night and rejoicing in the morning* But this is not all notice in *verse 8* - "Come, behold the works of the Lord, what desolation's he hath made in the earth." This is a call by the prophet for Israel to leave their chambers, after being protected by God, to view the destruction He has unleashed on the wicked and from which she was saved. A real cause for rejoicing.

This is almost an exact duplication of the passages in *Isaiah 2:4; Micah 4:3*, which were written about 740 B.C. Here we see a final end to war which has devastated mankind from the beginning. "He (God) maketh wars to cease unto the ends of the earth.

When the wicked have been punished, and war instrument destroyed then God will call on His people *verge 10* - "Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth."

What is the meaning of this wonderful Psalm? Is it all *bombast* and *froth*? No indeed! It cannot be, for it is not the boasting of men, but the hope and expectations of God's called prophet, who sees these things happening in Israel's future, and who is confident in the help God will give His people in a mighty and unparalleled deliverance.

When the morning comes, and the deliverance is seen, that is when the *millennial rule*
of our king will begin.

Where is this city? Who does it refer to? It is not heaven, as heaven is God's abode and needs no miracle to keep it safe. No convulsions on this earth can ever upset the pillars of God's abode. Nor is there any sense in saying that God will help heaven. This is ridiculous!

It is speaking about a time, a people, and a country here on earth, for immediately afterwards in verse 8 it says: "Come, behold the works of the Lord, what desolation's he (God) hath made in the earth."

It is definitely speaking about God's people, who most certainly are not the anti-Christ's now residing in Palestine. It can not be said of them: "God is in the midst of them!" (According to their own statistics, most of them are atheists who do not even follow Judaism!)

Without the shadow of a doubt, this verse refers to true Israel, and not to those who now claim to be God's Chosen, but whom our risen Savior referred to in Revelations 2:9, 3:9, as "They who say they are Jews (Judeans), and are not, but are of the synagogue of Satan."

There are scores of references in the Bible to God dwelling in the midst of Israel. He did it literally in the tabernacle of the wilderness, Exodus 33:9,10. There is no record of Him dwelling with any people other than Israel. He never dwelt with the colored races. This can be seen, in Amos 3:2, where we read, God is speaking: "You (Israel) only have I known of all the families of the earth: therefore I will punish you for all your iniquities. God punishes those who belong to Him. (See Hebrews 12:6,8.)

In Joel 2:27, the prophet says, "And ye shall know that I am in the midst of Israel, and that I am the Lord your God, and none else: and my people shall never be ashamed." (In spite of all their wanderings and disobedience, God has always been the God of Israel.) In Zephaniah 3:15 "The Lord hath taken away the judgments (Hebrew "mispat", meaning "penalty"), he hath cast out thine enemy: the king of Israel, even the Lord, is in the midst of thee: thou shalt not see evil any more."

Zechariah 2:10 - "Sing and rejoice, O daughter of Zion: for lo, I come, and I (God) will dwell in the midst of thee, saith the Lord." (Surely God will not dwell with a people who call His precious Son an illegitimate bastard!)

Ezekiel 34:30 - "Thus shall they know that I the Lord their God am with them, and that they (Who? The Gentile church? NO!), even the house of Israel, are my people, saith the Lord God.

Was the prophet speaking about something that had already happened to the Israel people? No, his prophesy is in the future tense and for the future.

Read Ezekiel 28:24-26. These statements are so wonderfully decisive, they are utterly delightful.

We now know who this city represents. It is God's own favored, long loved Israel. "God is in the midst of her and will help her!" In the margin of some Bibles it says: "God shall help her when the morning appeareth!" How very strange!
If we examine the Ferrar-Fenton translation, it takes on an even more wonderful meaning: "God shall comfort her (Israel) at the break of day." What can this possible mean?

I believe it refers to all Anglo-Saxondom, who are the only people who bear the fingerprints of true Israel, in the closing out days of this age, and others who accept Christ and become adopted Israelites who are obedient to God. (No apologies to those in Identity who believe that only Israelites will be saved. Your argument is not with me, but with God's Word.)

In Isaiah 26:20, Israel was given specific orders for the terrible days of God's wrath: "Come, my people (written to Israel alone), enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation (Day of Lord's wrath) be overpast."

Israel will be hiding, as she did in Egypt centuries ago, when the death angel passed over Egypt (see Exodus 12).

She will be saved from the convulsions of nature, (the tidal waves and earthquakes) which devastate the earth, and in the morning, when it is all over, they will be overcome with joy at their marvelous deliverance, and will dance with delight and gratitude. "For God Himself will comfort them at the break of day!"

I believe this will be the time and manner of Israel's prophesied conversion. The people, moved by one common impulse will flock the places of worship which are still standing, not to celebrate as 50 many do now, but to worship Him, and dedicate themselves wholly and forever to their God, for their wonderful, and undeserved preservation. They will recognize that it was not their righteousness that saved them, but God's mercy for His Israel people.

This is strikingly shown in Isaiah 27:9 - "By this will Jacob's (Israel's) sin cured. It's evil fruit set aside; His stone altar burnt and turned to lime, nor groves and idols raised again," (F.F.)

Other passages indicate that every man, woman, and child in Israel will be saved in one day.

Zechariah 3:9 - "I (God) will remove the iniquity of that land in one day." Isn't it remarkable how Babylon will be destroyed in one day, while Israel will be saved?

Isaiah 47:9 - "God speaking about Babylon says: "These two things come to thee in a moment, in one day, the loss of children, and widowhood."

Revelations 18:8 prophesies of the Babylonian System: "Therefore shall her plagues come in one day, and she shall be utterly burned with fire." This will be the destruction of the Economic System under which we now languish.

Now take a close look at Israel's salvation, Hosea 14:4 - "I (God) will heal their backsliding, I will love them freely; for my anger is turned away from him (Israel).

The time of Zion's agony will be short, a day, a moment, in one day, "God comforts her at the break of day."
Jeremiah tells us that the time will come (future), when every man, woman, and child in Israel will know the Lord, and it will take a divine miracle to accomplish this. *Jeremiah 31:33,34* - "This shall be the covenant I (God) will make with the house of Israel; after those days, saith the Lord. I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people. And they shall no more teach every man his neighbor, and every man his brother, saying, Know the Lord: for they shall all know me, from the least of them unto the greatest of them, saith the Lord: for I will forgive their iniquity, and will remember their sins no more." (This seems pretty positive to me!) How can a Christian preacher such as Jack Van Impe, take this wonderful promise given to us, and try and hand it over to anti-Christ's?

This is one of the most amazing covenants of the Bible and it was not made with Jews, or the church, but with physical Israel and no one in the whole world, the Pope, Billy Graham, or any TV evangelist has the right or blessing of God to give it to anyone else.

Then comes an unparalleled claim, for the second time it bursts forth amid all the uproar and confusion and the punishment of the wicked. This is that there will be a people exempt from God's anger for "The Lord of Hosts is with us, the God of Jacob is our refuge!"

The personal pronouns *us* and *ours* refer to a certain people who must certainly be Israel, since no other people on earth meet their Scriptural qualifications.

If this interpretation of Scripture is correct. If this miraculous national preservation and conversion of Israel does take place, as His word predicts it is difficult for our finite minds to comprehend. How in the midst of Israel's present love of pleasure, and their disobedience, can this revival take place? I don't know, but I am sure it will come, for God's Word says it will! (Taken in part from Chapter 10, *THE NEW WORLD COMING*, by Pastor Henry D. Houghton, with some editorial license.)

**WHAT WILL BE YOUR REACTION?**

Some may be tempted to say, "If all Israel will be saved, why are we worrying over the present condition of our country?" This is a similar reaction I received from a Judeo-Christian pastor who said, "Why waste time polishing brass on a sinking ship? When I spoke to him about the Christian's responsibility for the moral and spiritual conditions of the country.

"Get men and women saved, and they will change the country," he said. Besides, this world is not our home, we are just passing through. In his typical hypocrisy, he was not even interested in the condition of the life boats.

We must take an active stand against sin, because our King commanded us to do so: "Occupy until I come!" He said. (The Greek word for Occupy is *pragmatenomai* and means: "Busy your self.") As Christian soldiers, who have been given the armament of *Ephesians 6*, we do not have the option of settling down in a comfortable *spiritual foxhole*, while the evil rages outside, and we wait for Jesus to rapture us out of the mess caused by our Christian apathy.

In order to be obedient sons and daughters of the King we must Occupy, always keeping
in mind that obedience to God and the discipline it brings, must come before we can have victory.

Until next time may the Father richly bless and protect you. Your brother and servant in the King's business,

**THINK AGAIN!**

So the Y2K crises is over, or at least the conspiracy failed to take advantage of it. I believe it may have been due to the Day of Prayer and Fasting, held by the Christian Israelite people of Canada and the United States on December 30, 1999. The Apostle James tells us: "The effectual, fervent prayer of a righteous men availeth much," and there have been times when men's actions in repentance have changed God's mind, (see Jonah 3:10).

But we have not yet "scratched the surface" of the plans of our anti-Christ enemies concerning their desire to destroy sincere Christians. After reading the following report from **CRIMINAL POLITICS**, February 29, 2000 Patterson Strategy, P.O. Box 37812, Cincinnati, Ohio), you may want to contact your Washington Congressman and demand some action, regarding the chemical aerial spraying that is apparently taking place all over the United States.

Several days each week here in Little Rock, the sky is covered with low flying contrails, which spread a thin mist in the sky. Doctors are reporting an unusually high incidence of "flu like" symptoms, such as "runny noses, coughing, itching eyes, and "flu like" aches and pains. I have been receiving reports of like conditions nation-wide.

At the same time we KNOW the military has been literally forcing it's men and women to take unproven vaccines for anthrax, or face "courts martial", with "dishonorable discharge" or worse threatened for non-compliance.

This unproven vaccine, given to over 450,000 men and women in the military has resulted in the deaths or disablement of over 175,000 of our finest youth. The official casualty figure given to the American people for the Gulf War was 148 service deaths.

What is being sprayed on us? There has been little or no media or TV coverage. Could we be seeing a "conspiracy of silence", against the American people? As we attempt to analyze this phenomenon, please keep in mind that "mind control" is as ultimate goal of the Internationalist clique that now controls America. This would dull the minds of thinking Americans against further control attempts. We need an honest answer from Congress - NOW! They MUST be held accountable to give us the TRUTH!
Interim Spring Intelligence Report

Soviet BEAR H bombers have routinely flown training missions against North America during which they have been intercepted by US F-15s.

Many Americans believe Communism is dead! Even conservative periodicals like "THE SPOTLIGHT" declares it is defunct. But is it really dead, or has it merely changed it's name in an effort to fool decent people into believing it is no longer a menace? In 1 Thessalonians 5:3, we are warned of the danger of Christian complacency in these words: "For when they say, Peace and safety; then sudden destruction cometh upon them,... and they shall not escape." In this particular instance, the Apostle Paul was speaking about the Lord's return, but it is also applicable in other periods of spiritual and political danger. Apathy is one of the worst diseases in the modern Christian church and has neutralized millions of potential soldiers of the Cross, turning them into practically worthless spiritual foxhole dwellers, who cower in safety, while they wait for Jesus to Rapture them out of the results of their own Christian apathy. Today the Rapture Doctrine is one of the most damaging theories the enemy has cleverly inserted in the Christian world in the 2000 years of its history. It has only been taught for about 150 years.

It is impossible to carry out the Savior's orders to: "Occupy until I come", from the comfortable secure environs of a spiritual foxhole. Occupation is an active military duty, which must be carried out using the full armor of God, as depicted in Ephesians 6:10-18. Without this vital equipment, Christians are helpless in their fight against evil.

In His Sermon on the Mount, in Matthew 5:13, Jesus indicated that Christians were to
be like salt. (Remember the major property of salt, is to **hold back corruption**). He indicated that when Christians salt has lost it's ability to act like salt, it is worthless.

In her shocking new book, *"Forcing God's Hand"*, fundamentalist Christian writer Grace Halsell discusses this phenomenon, that has invaded Christendom in the last 150 years sweeping the Fundamentalist world like a wild fire, and neutralizing the Christian world against the dangers of anti-Christ Zionism and Communism. Major TV evangelists such as Jerry Falwell, Pat Robertson, Jack Van Impe, John Hagee, Paul Crouch, and thousands more lesser known Fundamental pastors are trumpeting a false Scriptural doctrine, which centers on the Jewish return to Palestine and the final destruction of the world during the Battle of Armageddon. (This book may be obtained from CROSSROADS INTERNATIONAL PUBLISHING, P.O. Box 42058, Washington, DC 20015).

In a recent edition of "THE SPOTLIGHT", mention was made of Jerry Falwell's penchant for sounding the **Israeli's horn**, and hysterically proclaiming that the world will be destroyed at the battle of Armageddon. When asked if this didn't make him nervous, he pontificated in a most unChristian manner: "No! I welcome it! I will be sitting in an easy chair in the battlements of heaven, watching as God destroys this wicked world."

Doesn't it seem strange that a professing Christian would make such a statement, or that they would expect to escape the results of world chaos brought about by their own Christian apathy and neglect?

When I was on the lecture circuit a few years ago for the John. Birch Society, speaking on the dangers from Communism from first hand experience, I had many Christian men and women speak with me after the lecture. Invariably they would say, "Colonel Mohr, we believe every thing you said tonight about Communism, but we are **born again** Christians you know, and we don't have to worry about Communism. Jesus will come back and Rapture us away before things get all that bad!"

I thought, what dangerous complacency coming from people who had never suffered for Christ. They were completely wrapped up in a **sheet of self satisfaction**, which to me appeared more like a **shroud**. I sincerely doubt they would have had the courage to say this to a Russian brother who had seen his family slaughtered by the Communists.

Today Communism can be found **alive and well**, in the form of Zionist New World Order, which is being promoted by every major political candidate for the office of President, and by many of our Congress. (Keep in mind that all these men have taken an oath of office, to "protect America, and its Constitution from all enemies, both foreign and domestic." According to our Constitution, Article III, Section 3, these mean are TRAITORS).

Our President in his last two terms, has made a deliberate effort to cuddle up to the Communist giants of Red China and Russia, while deliberately weakening our military force and it's ability to protect this Hemisphere from Communist aggression. The latest blatant move in this direction was handing the Panama Canal over to Panama, knowing it will come under the supervision and control of Red China. Clinton's efforts to give Red China **favored nation status**, are acts of deliberate **TREASON** designed to strengthen our enemy, *"Giving them aid and comfort!"*
What should all this mean to you as a genuine Christian, especially if you are White?

Putting aside all the Jewish fables, which have been spoon fed to Christians in the past 100 years by the Jewish propaganda artists in the Judeo-Christian church, we need to heed the warning of the Apostle Paul in Titus 1:10,11,13,14 which tells us, "For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews): Whose mouths must be stopped, who subvert (brainwash) whole houses, teaching things which they ought not,. for filthy lucre's (money) sake." verse 13,14 "... Wherefore rebuke them .(brainwashed Christian Israelites) sharply, that they may be sound in the faith; Not giving heed to Jewish fables, and commandments of men, that turn from the truth."

Right now, this unsavory crew are plotting your murder, especially if you are a Christian.

I do not know why I am obsessed with getting this truth to our brainwashed American Christian people, unless it is because the time is short, and God's wrath is about to be poured out on wicked men, and on apathetic Christians alike, who do nothing to prevent it.

The enemy I am speaking about are cold blooded killers, such as the world has never seen in it's blood soaked millenniums. THEY ARE UNDER Zionist funding and control, and have been from the beginning. Thus they are afforded protection by much of the Judeo-Christian world, who has been mesmerized by their subtle propaganda into proclaiming them to be God's Chosen, when in reality they - are the unsavory crew our Savior spoke to in John 8:44, when He said: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murder from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the of it." (Remember these are not words of a worldly anti-Semite hater, but the true accusation of yours and my Savior. Dare you say He was wrong?)

When I first began an honest study of Judaism in 1980, I went to Jewish sources for my answers. I wanted to know why all the anti-American, anti-Christian college organizations, such as the Communist Student's for a Democratic Society, (S.D.S.) were led by young Jews from wealthy Jewish families, like Abbie Hoffman and Jerry Rubin. In 25 confrontations, some of them violent, during my college lecture years, the leaders of each violent group were Jews.

My studies led to historical facts, which cannot be disputed, and which are confirmed by Jewish leaders who gleefully boast about the part played by Judaism in the Bolshevik Revolution. On the front page of a 1919 edition of "THE AMERICAN HEBREW", the largest Jewish newspaper in America, are these words: "What we did in Russia, through Jewish brains and money power, we will accomplish in America!" In another place it said: "The ideals of Bolshevism are consonant (in agreement with) the finest ideals of Judaism." During the early 1930's Rabbi Stephen Wise, one of the major Jewish voices in the U.S. said: "Some call it Communism; I say it's Judaism!"

As early as 1856, the Chief Rabbi in France, named Reichorn, stated at the funeral of another Rabbi in Prague, "Wars are the Jews harvests. With them we kill off Christians while obtaining control of their gold. We have already killed over 100 million of them, and the end is not yet." (This was before our most costly war, that war between the
States, was fought in 1860-65). Every war we have fought since then has been under Zionist instigation, and America has received nothing of value in return, other than death, suffering, and a unpayable debt owed to those who caused the wars.

To the sub-humans of Zionism, there is no such thing as the value of a human soul. They contemptuously refer to you as a goyim, if you are not of their faith, which in Yiddish means: "A non-Jew animal!"

For decades now they have calmly slaughtered masses of people without batting an eye, and at this moment, according to their own leaders, you are their main target for disposal, especially if you are White and Christian. They have a knife aimed at your throat and are waiting to drive it home!

Zionist leaders for over 100 years have publicly trumpeted their plans to Drive God from the skies, while they destroyed White Christian civilization. All this time, Christians who have been brainwashed by Jewish propaganda that has crept into the church, have been saying: "It won't happen here! Jesus won't let anything bad like that happen in America. After all, we have over 50 million born again folks in this country!"

Yet intelligence observation will show, that while the ranks of born again Christians have increased by the hundreds of thousands each year, our country has been "headed for hell faster than at any time in our history." Something must be terribly wrong! In Jeremiah 23:22 we are clearly told: "But if they (the preachers of the land) had stood in my (God's) counsel, and had caused my people to hear my words, then they should have turned from their evil way, and from the evil of their doings." Preachers, WAKE UP! Something is wrong with the message you preach, if it doesn't convict men and women of sin, and bring them in repentance to the God they have rebelled against!

Have we become so tied up in getting men and women saved, and swelling the rolls of our churches, that we have forgotten to teach them how to live as Christians? The world has jumped on the born again bandwagon in order to exploit it and it is sad, but not surprising. The real tragedy is that this whole mess was spawned and spread by the church, and is now being alluded as a great revival in Christianity, when it is increasing the danger of it's extinction.

The truth is that while much of contemporary evangelism appears to be alive, like the church of Sardis in Revelation 3:1 it is dead! We can't blame the agnostics, the atheists, the Jews, or the aliens for this condition. The fault lies with supposed Bible believers in the church. Error has been preached as truth and has been propagated with cultish zeal. And thousands of church members are headed for hell with a Bible in their hands, and a prayer of their lips. Others who should have been reached with the Gospel message, have become disillusioned and have concluded there is nothing to this born again stuff after all.

Today the world has found it expedient to use the terms born again in politics. Candidates have found it fashionable to slip it into their speeches. Pro-football players proclaim their adherence to it, while desecrating the Lord's Day, and keeping thousands away from church.

What has all this to do with the menace of Communism? It is a softening up process which is being used by a very clever enemy to weaken Christian witness, and their
power to resist evil, while laying the foundation for the invasion and destruction of our once Christian nation that they hate. In political jargon this is known as Psycho-politics, which is the art of controlling the thinking of the mass of people in a country, so that eventually you can control them!

In my book on "Brainwashing", which many of you have read, and which is the Communist Blueprint for the destruction of Christian America, we read on page 52 - "You must recruit every agency of the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into believing that Christian practice is bad, insanity causing, publicly hatred and intolerable. We have battled in America since the centuries turn to bring to nothing any and all Christian influences and we are succeeding. (Remember this book was written in 1934). While we today seem to be kind to the Christian world, remember we have yet to influence it to our ends. When we have done this, we will have an end to them everywhere."

Years ago, the Communist butcher Joseph Stalin predicted that they would, "Take Eastern Europe; then the masses of Asia; then surround the United States by taking Africa, and Central and South America. We will never have to fight America, since they will fall into our lap like over ripe fruit."

As an American Christian, no matter what your ethnic background may be, nor the church of your affiliation, as a Christian, you are their worst enemy and must be destroyed! Yet isn't it sad that so many of you are supporting the very anti-Christ's who have you marked for slaughter?

Today Communism is conquering the world, step by step under the United Nations and many times with the full support of our American leaders. Now they call themselves the New World Order, but their blood thirsty cruelty and hatred for Christ and Christianity has not changed since 1918.

In 1980, a world political expert, looking at a moving map which depicted the spread of Communism, said that at the rate they are moving, they would be in the drivers seat of America by 2000. He was not far from wrong, for today, although we no longer refer to it as Communism, this country is being controlled by the same un-Godly philosophy that destroyed the Christian church in Russia, and murdered millions of Christians.

What will happen if America falls into Zionist-Communist hands?

Karl Marx, the father of Communism and the son of a Jewish Rabbi, had two major goals in life: (1) To dethrone God, and; (2) to destroying Christian Capitalism and the benefits it had brought to mankind. (There is a great deal of difference between Christian Capitalism, and the Capitalism we are now experiencing under the Babylonian System. Christian Capitalism is God approved, while the Babylonian System is evil.)

Although Communism has been a world threat for over 100 years, all our efforts to contain it have been in vain. I believe because we attacked it on a political level, rather than through using God's Word as a guide.

We tried a policy of strength for mutual destruction, and this didn't work. Then in 1973, we tried détente (a lessening of tension through treaties), and it became a laughing matter to the Communist world, and their leader's reminded us that: "Treaties are like 'pie crusts; made to be broken."
It always seems that the **cards are stacked against us**, and almost without exception, no matter what we have tried, it seems to favor the enemy. (Could this possibly be because of treason in high places in our government and the church?) Could it be because our church leaders for the most part have failed in their primary duty to: "Preach the Word, be instant (stand upon the Word) in season, out of season; (The first **season** is the Greek word **euharios** and means: "well timed; opportune". The second **season** comes from the word **hairetikos** referring to a schismatic teacher who leads one away from the truth) **reprove, rebuke, exhort** with all long suffering and doctrine." (2 Timothy 4:2) (Notice that most modern preachers do a lot of exhorting, but very little reproving, or rebuking.) The reason for this is given in **verse 3,4** of the same chapter "For the time will come when they (professing Christians) will not endure (put up with) sound doctrine; but after their own lusts (longing for forbidden things) shall they heap to themselves teachers, having itching ears; (those who will preach only the things that make people feel good, like Oral Roberts favorite statement: "Something good is going to happen to you today." Especially if you send me a good offering.) And they shall turn away their ears from the truth, and shall be turned unto fables." (See Titus 1:14)

The reason Communism has had such easy access to the minds of the American people, especially those of White Christians, is that our preachers have refused to preach the **harsh, naked truth**! They will answer before God one day for their neglect!

The church has disintegrated from within. Despite their multi-million dollar sanctuaries, and the thousands of people who attend their services. (Many of who attend to be entertained by some well known Gospel singers, or a religious rock band.) Friend, you can't praise God while using the devil's materials.

As result of Christian apathy the modern church for the most part fits the description of the Laodicean church in **Revelations 3:16 and 17** - "So then, because thou art lukewarm, and neither cold nor hot, I will spue (spit) thee out of my mouth. **Because** thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:" (Not my evaluation, but that of Our Savior!)

I've had Fundamental pastors tell me I was wasting time "polishing brass on a sinking ship," when they showed no interest in checking to see whether the life boats would operate. They have told me, "Get people saved, and they will save America!" It hasn't worked that way, and as the church rolls increased, the country has sunken deeper into the quagmire of sin. Could it be that many of our pastors have been so busy getting people saved, they have become remiss in teaching Christians how to live a victorious life, after they are saved?

Today, whether **brainwashed Christians** want to accept it, or not, the Christian world is being faced with the alarming fact that Communism is alive and well, under a new name, and is more dangerous to Christ's church than ever before.

In fact it is alive and well along our southern border with Mexico, and through the thousands of enemy soldiers, who in the guise of U.N. allies are in training, on American soil, waiting for the signal to attack.

These are not men who have been tenderized by a Christian culture. Many of them come from heathen countries where **savagery** is the order of the day.
The results of just maintaining the status quo, as we have done since 1945 will be too horrible to contemplate.

The two greatest threats to this Communist goal, are those who have a genuine commitment to Jesus Christ and the Middle Class. Experts have estimated that 60 million Americans may die, if the Communist take over. No one knows for sure how many Christians died in Russia and China under Zionism-Communism, but it is believed to number well over 140 million. More people have been slaughtered by Zionist led Communism than died in all the wars in recorded history. Most of them under United Nations mandate.

It is impossible for a decent person to visualize the barbarity and savagery of these anti-Christ's unless you have seen it first hand, primarily against women, little girls and children. I saw some of this in Korea (1948-1951) and is one of the major reasons I am working as a WATCHMAN on the walls of Christian Israel America today. There are times when I don't much like this job, as it is often a thankless one, but I must follow the mandate of Ezekiel 33:7 - So thou, O son of man, I (God) have set thee a watchman unto the house of Israel (America); therefore thou shalt hear the word at my mouth, and warn them from Me.

If I refuse to do this verse 6 from this same chapter will take place: "But if the watchman see the sword (danger) come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them... his blood will I require at the watchman's hand." That's why I'm going to share some gruesome experiences with you, that I'd rather forget! Some of you no doubt will be upset with me for telling you about them. I assure you they are a thousand times worse to see than to hear about, and I must give you warning, according to the Word of God!

If you are of tender mind and get shocked easily, I would suggest that you put this report aside and read no further, for I am going to use some extremely harsh language in describing what I saw happen in Korea when Communists took over. I would suggest keeping this report out of the hands of your younger children.

I will not apologize for what I tell you, for you have the right to know, and the need to know what the enemy has planned for you and your precious family if they take over America.

I saw a man impaled alive on a sharpened stake embedded in the ground, and as he screams his life away, his pregnant wife is stripped and gang raped before a huge crowd, before her breasts are chopped off and she is allowed to run screaming through the streets.

Can you conceive of elderly Catholic nuns, who are nailed to the walls of their church and left to die? or the Irish priest who had served the people in that area for over forty years, being nailed to the church wall while he is used as target practice for archers? The idea being to sink as many arrows as possible in his body without killing him.

Can you visualize over forty teen-age girls between the age of 13-15, as they are dragged out of the school room, stripped, raped and brutalized, before being bayonetted to death, to save bullets? Or a young women in her early twenties, being stripped, gang raped in the street, before being nailed to a tree branch with spikes driven through her breasts, while a oil soaked bundle of rice straw is bound between her bare thighs and set
on fire? I think not! These are the kind of memories, which still wake me in the middle of the night, as the screams of women and little girls echoes in my ears. Months later, in North Korea, as we stopped overnight in a farm village, an old woman took the South Korean Commander and I to a cave in the mountains. There on a wooden table lay a young women in terrible condition. The savages had taken a tree limb possibly three inches in diameter, had trimmed off the small branches to make short sharp barbs, then drove it into her body, yanked on it to set the barbs in her tender flesh. She had been laying there for four days without medical attention and maggots were running in and out of her body.

Sickening, you say, and indeed it was. Maybe you think I should not have mentioned it, but how would you have felt if it had been your wife or daughter?

Some of you may be inclined to say: "But that was in Korea, which was a heathen country. They would not dare to do that in Christian America!" Don't be fooled! Did you know that in southwestern part of the United States White Christians are already in the minority?

Do you realize that in the last fifty years, the vast majority of immigrants coming to America, have come from the same heathen background, as the Pentecostal Hut, who chopped their Christian neighbors to pieces with their pangs? Don't you realize that the heathen world, in spite of all the Christian aid they have received hate us and our God? Psalm 2:1,2 asks this question: "Why do the heathen rage, and the people imagine in a vain thing? The kings of earth set themselves, and the rulers take counsel together, against the Lord, and against His anointed,"

The incredible transformation of American Christian tradition and values of our government and our American way of life over the past few decades has not happened spontaneously or by accident. As Franklin Dilator Roosevelt once said: "It was planned somewhere in some smoke filled room!"

Today, if you speak of a conspiracy to destroy the Christian way of life, people are apt to tap their heads and make remarks about being paranoid. Yet conspiracies have been the norm in civilized society as long as written history has existed. There have been powerful forces behind the scenes in America, since at least the turn of the 20th century, which have manipulated the transformation of America, from a Christian Republic, to a Socialist Welfare State, now close to becoming a totalitarian anarchy.

The Socialist Revolution, seeks to bring about changes in society, not through political or military power, but by changing the laws and mode of thinking of the enemies of socialism, in this case the Christian majority, without them even realizing the change was taking place. From being enemies of Socialism and Communism they become their allies. This is exactly what Zionism has sought to accomplish in America, for well over 100 years. This is why they have infiltrated the government, universities, media, Hollywood, churches, etc. as they prepared Americans to accept a socialist/Nazi/Bolshevik style police state and to willingly become slaves by undermining from top to bottom.

Today, in spite of every effort to make the picture appear different, our large cities are over run by what the Bible calls strangers. The English word strange comes from the French estrange, which indicates: "of another place; foreign; alien; not previously experienced; odd; having a strange manner." When John Rocker, of the Atlanta Braves
shot off his mouth about the people encountered on the New York subway, he was merely making a truthful statement of fact. Israel is warned in Deuteronomy 28:43,44 that one of the penalties for disobedience was: "The stranger that is within thee shall get up above thee very high; and thou shalt come down very low ... he shall be the head, and thou shalt be the tail." If you can't see how this is taking place in this country, it's because you have deliberately closed your eyes to the truth.

Today the liberal mind set is, "Thou must not criticize the Satanic actions of the stranger in our midst, even if he rapes your wife and daughter, for that is White racial prejudice. The liberal has carried this absurdity to the point where only Whites can be guilty of racial hate. It is considered perfectly right for Blacks, Hispanics, and Asians to be proud of their heritage, but if a White expresses this same pride in being White, it becomes a heinous sin against civilization and labels the White as being guilty of racial hatred!

Today, White youth in our school system, and sometimes in the church, are being brainwashed by the anti-Christian education system, which has ridden itself of God and is in the process of indoctrinating young Whites in the same direction. Their results are obvious, as we see decent young Whites, some who claim to Christian, who revel in Satanic Rock and Roll music, imported from darkest occult Africa, and even emulate their savage costumes and actions. (Look at a hip hop dance session and dare to call it Christian.)

Then we wonder why White boys and girls can gun down their classmates, and laugh as they murder them. Add a few hours before a violent VCR movie program, and see the end results.

Most Christians do not understand the meaning of Psalm 17:13 which says: "... deliver my soul from the wicked, which is thy sword." Here we see where the psalmist called the wicked God's sword. Throughout Scripture they, the wicked were often used to discipline God's people.

In Hebrews 12:6 we are told: "For whom the Lord loveth He chasteneth, and scourgeth every son whom He receiveth." This is one of the best tests of sonship, for if we belong to Him, He whips us when we disobey.

Throughout the book of Judges, which is the ancient history of our Israel people, we read time and time again: "And Israel did evil in the sight of the Lord, and the Lord sold them into the hands of their enemies. If He never changes, as we have been led to believe, what makes us believe He will deal differently with His Israel people (not Jews) in the year 2000?

When Israel forsook God and turned to wicked evil, heathen practices, usually brought about by the heathen they allowed to remain in their land, God often turned them over to these same heathen as a spoil and a prey. One example of how heathen led a great Israelite king astray can be found in 1 Kings 11:1-6, which says in part: "And Solomon loved many strange (heathen) women... women of the Moabites, Ammorites, Edomites, Zidonians, and Hittites. Of the nations concerning which the Lord said unto the children of Israel, 'Ye shall not go in to them, neither shall they come in unto you: for surely they will turn away your heart after their gods:' Solomon dave unto these in love. Verse 4, "For it came to pass, when Solomon was old, that his wives turned away his heart after other gods: and his heart was not perfect with the Lord his God, as was the heart of
David his father. **Verse 6** - And Solomon did evil in the sight of the Lord, and went not fully after the Lord, as did David his father." There are many other examples. Yet today, the Judeo-Christian church, led by such stalwarts as Dr. Billy Graham say, "the old ways don't, apply any more, and it's all right to marry outside of your own race, as long as both partners are Christian." You don't have to look very far to see the fallacy of this teaching. Even without God's admonition, history teaches us that miscegenation has never worked, and the sands of history are littered with the dry bones of great civilizations who have tried it, and have died as a result.

Jesus said that Christians were to be the "salt of the earth," Matthew 5:13, then announced an observable fact, that when salt loses it's ability to act as salt and hold back corruption, it's good for nothing but the garbage heap. Does this apply to the modern fact, that with over 50 million born agains in America, we are heading for hell faster today than at any time in our history?

America was founded as a Christian nation, the Charter of each of the original thirteen states proves this. God blessed and raised this nation to a greatness never known before, when we obeyed Him. Then about the turn of the 20th Century we began to live it up. You may remember the watchword of a few years ago in a cigarette advertisement as young women were encouraged to "let their hair down." "You've come a long way baby!" Then a beer commercial that said: "You only go around once in life, so live with gusto!" In other words: "Do your own thing!" The Jewish Babylonian System took over our country, lock, stock, and barrel. Even many in the Christian church were seduced into "Doing their own thing," in place of obeying God. So God prepared a sword to bring us down, as He is preparing to turn the heathen loose on us as He did before. Make a careful study of Ezekiel 38,39 and you will see that this attack by the heathen forces of Gog and Magog, are not against the tiny nation of Israel in Palestine. The major attack will be against the White Israel nations of Christendom, who are today living carelessly. Ezekiel 39:6 says, "And I (God) will send a fire on Magog (Russia) and among them that dwell carelessly in the isles: and they shall know that I am the Lord." In Bible prophecy the term: "In the isles", has always referred to the Israel nations.

In 1917, modern Communism, a brain child of Zionism, financed and led for the most part by atheistic Jews, took over control of Christian Russia, murdering over 60 million people along the road to success. Few Americans at this time, including those in the Christian church, showed much alarm at the treason of men like President Roosevelt who along with men like Winston Churchill and General Eisenhower, willingly cooperated with the butcher from Moscow, as he took over all of Eastern Europe and placed it behind the Iron Curtain.

When loyal Senators called F.D.R.'s attention to Communist infiltration in the State Department, he angrily shouted: "There's nothing wrong with Communism; some of my best friends are Communists!" He proved this by actions in cooperating with "good old Uncle Joe."

Have Christians become so stupid in their study of the Word, that they refuse to see we are headed in the same direction?

The Jews and Aliens, may be thorns in our side, as God predicted, but they are riot the cause of our trouble, they are the effect of White Christian disobedience. Study Deuteronomy 28 and see for yourself.
Like Pogo the cartoon character once said, "We has met the enemy, and they is us!"
Christian, if you want to find the source of our trouble, look in the mirror!

I'm an old man now and have been in this fight to bring America back to God, for over 35 years. I don't have much to lose if they take over now. For some reason, God made me a watchman on the walls of Israel America. My task is not to persuade you of the danger we face. That is the task of the Holy Spirit. I feel that my orders come from our Almighty God. You can bet your bottom dollar, that I'm more concerned with obeying God, than in pleasing you.

I'm not concerned with whether you believe the truth I give you or not, since I have done my duty, and it now is a personal matter between God and you. What you believe, or what your pastor tells you to believe, will not change this truth.

While the Bible may be the oldest book in existence, it is also the most current. The news you read in its pages today is more accurate and up to date than anything you can find in the media, or see on the boob tube. It not only records events which have happened in the past, and those taking place right now, but it gives us a glimpse of the future. If you want to know what the future holds, don't consult a horoscope, or a palm reader, look in the Book.

The book of Lamentations in the Old Testament, which is not read very often in the modern church, is a record of the Israel people as they lament the destruction that was brought on their nation through their disobedience. The same destruction is due to fall on America, unless we utilize the only formula for survival that will work. This is found in 2 Chronicles 7:14, and is a favorite quotation of many Christians. The major problem is that in order for the formula to take effect, it must receive more than the mere lip service it is now getting from Christians.

It might be well to comment that you are not a Christian because you went to the church altar at the invitation of some preacher or evangelist, read a little prayer, called the sinner's prayer, printed on a card handed to you, possibly shed some tears, maybe shout a bit, got baptized, and joined the church. This does not save a person. In fact it's interesting to note that there is no record of an altar call ever given in any of the New Testament churches. We are told in Acts 2, how on that first day of Christian Pentecost, the Apostle Peter preached about Jesus, from the Old Testament, and how conviction came on that great crowd until they asked Peter and the rest of the apostles, "Men and brethren, what shall we do? Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins,...and that same day there were added unto them about three thousand souls." That was the very first Christian revival.

Of course the Bible teaches that men and women must be born again, this was an absolute teaching of our Lord, His Apostles, and the true church down through the ages. Without this personal experience there can be no Christian church. But error cloaked in Bible terms is still error and in the case of the current born again movement, Scriptural terminology is used to teach the opposite of it's original meaning. The great doctrine of man's need for regeneration (the miraculous new birth) is presented in a way that denies the very point it is supposed to teach. The error being that men and women are saved as the result of something they do, like going forward, signing a commitment card, getting baptized etc. Whatever the requirement is, the idea is that man decides whether he wants to be saved or not. The sad result can be seen in the many dead.
Christians who now clutter up the rolls on many of our churches. Preachers who believe that men and women dead in sin can turn to God if the right kind of emotional or psychological inducement is given, pressure people into making decisions, which often result in Christ's teaching in Matthew 13:20. "He that receiveth the seed into stony places, the same is he that heareth the word, and anon (immediately) with joy receiveth it;" He may shout, cry, roll on the floor in holy laughter, speak in other tongues, but verse 21 says, "Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended." I have seen this happen many times. In spite of what the evangelist says, that person is not saved.

Many times people coming forward to the altar are coached into believing Jesus came into their heart, when deep down inside they know there has been no vital change. The evangelist did something, the lost person did something, but there was no miraculous change through the power of the Holy Spirit. This is why we have so many spiritually dead individuals in the modern church.

If regeneration were contingent on men or women seeking God, no one would ever be saved, for we are told: "There is none that doeth good no not one." If men and women could receive Jesus of their own volition, it would turn Christianity into another of the man centered religions of the world which teach salvation by works.

We as Christians are required to tell men and women about God, and how to believe and receive the Savior, but it will fall on spiritually deaf ears unless God first generates life in them through the working of His Holy Spirit.

The weakness in the born again experience of many today, comes from the fact that they exert so little influence, as Christian salt, on their communities and the country.

Today as many Christians make future plans on how they will do their own thing, the Communist world is waiting for the day when they celebrate their victory over the church.

To any thinking Christian, it should be obvious that there is a vast campaign against Christianity. It can be seen in your daily newspaper and most obvious on TV. There is every evidence that they are preparing the American people for the day predicted by Jesus in John 16:2, when He said, "They. shall put you out of the synagogues; (clearly identifying who will do this) yea, the time cometh, that whosoever killeth you will think that he doeth God service." The November 1999, F.B.I. Megiddo Project, was a good example of this, when without evidence, they pinpointed the militia, and Christian Identity groups as potential sources of terrorism over the New Year's holiday.

Gus Hall (Hallberg), the perennial head of the American Communist Party, a few years ago, showed his hatred for Christianity when he said: "I will live to see the day, when the last Congressman is strangled with the guts of the last preacher. If Christians love blood so much, and they are always singing about it, we will give them all they can handle, as we will cut the throats of their children, drag them across the altar rails of their church. Then see how much they like blood."

After their initial assault which will slaughter millions, what will happen to those who survive? Lamentations 2:21 has the answer: "The young and the old alike lie on the ground in the streets: my virgins and young men are fallen by the sword; thou hast slain
in the day of thine anger; thou hast killed, and not pitied." Notice now what 2:17 says, "The Lord hath done that which He had devised; He hath fulfilled His word that He commanded in the days of old: He hath thrown down, and hath not pitied: and He hath caused thine enemy to rejoice over thee, He hath set up the horn of thine adversaries."

This is the God, the Christian church preaches about today, as being a God of love from everyone. Yet in Deuteronomy 28:15 we read: "But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all His commandments and His statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:" He notes some of these curses verse 25 - "The Lord shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed into all the kingdoms of the earth." Again in verse 33 - "The fruit of thy land and all thine labours, shall a nation which thou knowest not eat up; and thou shalt be only oppressed and crushed alway:" the last example I will use from this chapter is in verse 47,48 - "Because thou servest not the Lord thy God with joyfulness, and with gladness of heart, for the abundance of all things; Therefore shalt thou serve thine enemies which the Lord shall send against thee, in hunger, and in thirst, and in nakedness, and in want for all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee."

A true story is told by a missionary, of a ten year old boy in Russia who was caught stealing a potato. He was held on the ground, while a policeman wielding an iron bar broke both of his legs below the knees. Then his knees were broken, and both of his thighs. (It's difficult for us to picture such brutality but it's part of the Satanic essence of Communism.) They left him alone for his broken bones to heal without setting them, and he had to move around on the ground like a crab for the rest of his life. Then he was sent to a hard labor camp in Siberia, were he could not work, but would wander hopelessly around looking for food.

Very few Christians fast anymore, although this is taught as being of spiritual benefit in the Bible. On December 30, 1999, many folks in Identity fasted and prayed, asking God to have mercy on us, and protect us from the evil intentions of the F.B.I. who had just released their Megiddio Project Report, attempting to link us with terrorists, through the help of the controlled media. New Years Day passed and nothing happened, and many of us believe it was because God answered our prayers. The Apostle James in James 5:26 says: "The effectual, fervent prayer of a righteous man availeth much." In our Formula for Survival, 2 Chronicles 7:14 we are told that if we humble ourselves and pray, and seek His face, and turn from our wicked ways, then God will hear from heaven and will forgive our sins, and will heal our land."

The problem with this promise seems to be in a misunderstanding many Christians have about prayer. They seem to think they can live their own life, doing their own thing, then when they need God's help, all they to do is pray and He is waiting to answer them. Yet in Isaiah 59:1, we are told that while God has not lost His power, (He is the same God that parted the Red Sea for our ancestors, and shook down the walls of Jericho) and He has not lost His sense of hearing. Nevertheless verse 2 of that chapter shows the source of our trouble: "But your iniquities have separated between you and your God, and your sins have hid His face from you that He will not hear!"

In James 4:1-3 we have the New Testament explanation of this: "From whence come wars and fightings among you? come they not hence, even of your lusts (longing for forbidden things) that in your members? Ye lust, and have not: ye kill, and desire to
have, and cannot obtain; ye fight and war, yet ye have not, because ye ask not. Ye ask, and receive not, because ye ask amiss, that ye may consume it upon your lusts."

Christian, never approach God prayer, if there is unforgiven sin in your life, for He will not listen to you.' This is why it is so important that we keep the power line between the Holy Spirit and us, unclogged by sin. We can't get power, when there is unforgiven sin in our life.

Even churches are now catering to our heathen worship of food, as Sunday School teachers set out doughnuts and milk for the kiddies while mom and dad have refreshments after church. This is part of the modern church that has Sunday celebrations, rather than worship. The dictionary defines a celebration "as a happy occasion which is enjoyed through pleasurable activity." Worship on the hand usually refers to a church service showing extreme devotion or intense love for God.

The Communist scourge, if it comes will empty our cities. Jerusalem had been a beautiful, bustling city until the enemy occupied it, and Lamentations 1:2 says: "How doth the city set solitary, that was full of people? how is she become a widow?"

The people have been removed. Stalin once told Winston Churchill that the, "collectivizing of Russia", (moving the people from cities to the farm) would cost 10 million lives. 10 Million Russian city dwellers were packed on boxcars and shipped sometimes 5,000 miles away, with no food or water for five days, and no means to relieve themselves. As a consequence thousands died.

God is whetting the sword of Communism to take away our money, and we are told that a day is coming when men will "cast their gold and silver in the streets, but it will not deliver them from the wrath of God." (Zephaniah 1:18) Today we are told by the Babylonian System: "Give us your gold and silver, or we will take it through taxation, and we will take care of you from the cradle to the grave." Many professing Christians have more faith in the government than they do in God.

I believe in a God of love! The Bible teaches this, but we have been remiss in our church teachings, not to show the other side of His nature, which is spoken about in Hebrews 10:30,31 "...Vengeance belongeth unto Me, I will recompense, saith the Lord. And again, The Lord shall judge his people. It is a fearful thing to fall into the hands of the living God." I love Him, because He loved and saved me, but this aspect of His nature frightens me, and I don't want to do anything which might displease Him.

If the ss Wh falls, our merrymaking will come to an end and future historians, if the world still lasts will say: "They entertained themselves to death! They danced as the Titanic sank!"

God is calling on Christians in America to weep and pray over the sins of our country, not to participate in them. "Come ye out from among them, and be separate," saith the Word. Yet most Christians don't want to be separate, they want to be loved by God's people and the world as well, and can't be done!

Unfortunately many Christians spend far more time before their TV god, than they do in praying and meditating over the true Word. Then they wonder why they have "lost the joy of their salvation!"
These good times will become ancient history, if we are forced to work our lives away in a slave camp.

Because we have abused the rights and freedoms God gave us in America, and have lived by going our own way and doing our own thing, God is going to hold Christians accountable for any disaster that takes place as a result, for we hold the key to stop it if we will obey Him!

When Christians stop living for self, and put God first in their life, they become the greatest weapon Christianity has against the anti-Christ!

All our nuclear weapons will not keep us safe from evil men, but the Bible clearly teaches that if we place God in proper priority: "no weapon that is formed against us will prosper," (Isaiah 54:17)

Of course the first step in combating evil, is acceptance of Jesus Christ as our Supreme Commander. During the Revolutionary War our battle cry was "WE HAVE NO KING BUT JESUS!" We must return to that concept if we are to survive!

I know from the Word of God, that White Christians in particular hold the key to Christian survival! If we will trust and obey! Being born again, is but the first step in the Christian life, for unless we take the full armor of God (Ephesians 6:10-18), we will not survive the battle.

I firmly believe, that if God sees our people make a sincere effort to follow His instructions, He will hold back the enemy sword from devouring us.

I bring this things to you with mixed feelings, because sometimes it is hard to tell you what the Lord has laid on my heart but then again it brings me great joy to know that I'm doing the Lord's will in my life. Be blessed and know that I believe God will prosper everything that you set hand to do.

Your servant in the work of our Lord, and Country.

**SUMMER INTELLIGENCE REPORT 2000**

Here we are in the fifth month of this strategic Millennial year 2000. Nothing shocking
has happened in recent days other than the constant *stench that is coming from Washington, D.C.* as we see our country being sold down the river, by those who have pledged their solemn word to protect it.

The Y2K scare proved groundless; and the world did not go off its axis in May, as the planets lined up, as many predicted.

Are we in Christian Identity becoming inured to what is taking place in the world? Are we like those folks the Apostle Peter spoke about in 2 Peter 3:3,4 - "Knowing this first, that there shall come in the last days scoffers, walking after their own lusts (longing for forbidden things), And saying, Where is the promise of His coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation."

We have millions of such persons in the Judeo-Christian world, and even in Identity. One such man who has been in Identity since 1976, recently wrote to me saying, "Take my name off your mailing list. I don't want any more literature which annoys me. I'm sick to death of being angry, and annoyed by what's taking place, and want to be positive and happy for a change. From now on I'm only going to look at positive things. I can no longer send my tithe to support things which I no longer believe in."

Evidently the enemy, somewhere along the line has influenced this fellow with their clever propaganda. He doesn't seem to realize that if he is really a Christian and dedicated to the King, he's going to be miserable being positive.

One of the most potent weapons in the enemy arsenal is that of fear. The Bible often speaks about fear of the Jews, from the book of Esther, through Acts of the Apostles. When a man or woman becomes afraid, they become useless in the kingdom of God. 2 Timothy 1:7 clearly teaches: "For God hath not given us (Christian Israel) the spirit of fear; but of power, and of love, and of a sound mind." Then in Romans we have "And we know that all things work together for good to them that love God, to them who are called according to His purpose." So why should we fear what men can do to us?

No matter how overwhelming the odds may be against us, we know that a Day of Reckoning is coming, soon I believe, when every knee will bow before our King, and every tongue confess His name. So as the heathen rage, and the world seems to be turning *upside down*, recall the promise of safety inherent in Isaiah 26:20,21 - "Come my people (Israel), enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. For, behold, the Lord cometh out of His place to punish the inhabitants of the earth for their iniquity (disobedience):... " What causes you to fear when we are on His side?

**RACE MIXING INTENTIONS**

One of the major objectives of the New World Order is to create a homogenous race which can be more easily controlled than the White Race, which is predominantly freedom minded. They are particularly interested in the destruction of white Christian Civilization, and are open in declaring their intentions. They know this will have to take place, before they become successful in their bid for
World Control, and only White Christianity stands between them and their objectives. So we become their most potent enemy.

We have the historic example of how White Christian South Africa, was destroyed by our Zionist controlled State Department in conjunction with objectives of the antiChrist United Nations. The conspiracy was upset with the manner in which South Africa classified their population by race. This leads us to wonder why, if they objected to this happening in South Africa, they are now proposing the same thing in our present census. Some where along the line something is rotten and it isn't in Denmark.

Are the liberals trying to establish a system of apartheid, as it was called in South Africa, to further control America through a racial confrontation?

This question flies in the face of repeated declarations by president Clinton, which requires an end to all forms of segregation, and an end to all racial profiling. What do these New Worlders have up their sleeves, if racial questions are asked as they are in the present census?

The Census form asks racial questions in shocking detail, even on the short form, and tell the planned future of the United States and it's now White majority. Their plans are for America to become so racially inter mixed that no one will be able to recognize us as the Republic which once existed and flourished. Already California has lost it's White majority and is headed for Hispanic rule. In many areas the English language is not the predominate tongue spoken and street signs, ballot forms and public documents are now being printed in Spanish.

Jewish organizations have been vigorously attempting to end police racially profiling criminals, and are hindering their operations. They are keeping the truth concerning Black and Hispanic crimes from coming to the attention of the White majority. By clever media maneuvering, the onus for crime is always placed on White shoulders, when statistics are quite the opposite.

It is this same group of International Zionists, who have threatened the end of White Christian Civilization, who are working towards this end by fostering racial hatred in this country.

Be forewarned! If this should happen, say good bye to religious freedom in America and the institution of the World AntiGod religion of the Internationalists.

Many of us are aware that it was International Jewish bankers such as the Rothschilds who financed the Communist Revolution in Russia, and provided most of it's leadership. They succeeded in killing off over 60 million of the Russian people, most of them Christians. Yet they have the chutzpah to harass us with their Holocaust claims.

These same Internationalists who helped Hitler into power in Germany, made a deal with him to get the Jewish people out of Germany, not to kill them, as claimed.

Today, Holocaust guilt is being constantly pounded down the throats of the American people, even in our schools and churches, while little is ever said about the complicity
of the Jews in killing millions of Christians. Why is it that we have no Holocaust Museum for the hundreds of thousands of German women and children who were murdered by the Allies under International Zionist pressure at places such as Dresden?

The facts remains, that the Holocaust was manufactured by International Jewry to get Jews illegally into Palestine, and then milk the *stupid goyim* of billions of dollars by way of sympathy for the poor mistreated Jews.

The purpose of the census is to eliminate the *power base* of The White community in America, and replace it with a racial mixing which will end the biological existence of the White Race.

The extent of Jewish leadership in pro-race mixing propaganda can be seen in the following article, taken from the September 5, 1967 issue of *MacLean's Magazine*, and written by Rabbi Abraham L. Feinstein, a prominent Canadian rabbi:

"For small "1" - liberals - and most Canadians fall into this category - one of the most nagging dilemmas of their creed is the gap between the preaching and practice of racial equality.

"This refusal to sanction the mixing of the races, is the final bastion of racial hostility. Until we learn to fight our ingrown fears of sexual relations between races, the end of the race problems will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a White girl, will the West have begun to tear racial poison from it's vitals.

A Disturbing Photo

*Verena Rech of Germany weds Jeff Crutchfield of Africa. The local newspaper actually ran this on their society page.*

"This will mean a remodeling of the White psyche from inside - out, for our fear of mixed marriages is deeply rooted. (It should be, since God forbids it - Mohr.)

"Finally there is the objection (perhaps this is the wrong word to apply to such an emotional problem) that some races are innately savage. According to this view, and it's
surprising how many earnest liberals half believe it - the chaos in the Congo and the mob violence in Harlem and Los Angeles, spring from a Black source. History shows however, that regardless of their technical progress, no race has a monopoly on savageness. (However, "By their fruits shall ye know them!" - and I know of no White country, where the people deliberately chop their neighbors to pieces, just for the fun of it - Mohr)

"I do not mean to suggest there are no racial differences, of course there are. They differ in blood type distribution, in taste sensitivity, in hairiness, and perhaps in body smell. There are some areas of racial differences which seem to support the segregationist view, and on intelligence tests, Blacks for the most part perform less well than Whites. During the Second World War, the percentage of Blacks rejected on mental grounds was six times that of the White percentage. These are real disabilities and civil rights leaders are attempting to overcome them.

"Certainly, the mixed couple will face a whole sea of troubles that couples of the same race never encounter. There is evidence that the barriers once imposed by society are beginning to crumble.

"Laws should be enforced, not to forbid the intermingling of bloods, but to encourage it. The only way we can have a FINAL SOLUTION to the race problem, is to create a melange of races. (UNQ)

It is interesting to note that the Jewish leaders resent it when their people intermarry.

The present census was set up to target foreign borns, with the ultimate plan that no area in America can ever be designated a White Bastion.

They fear a new White Nation might be formed, very possibly in the Northwest, which would oppose their plans for world conquest. This could very possibly happen, if racial pressure continues to mount. It may become necessary for White survival!

It is a well known fact, that gun control, is always a prelude to people control and has one objective, to get the means of protection out of the hands of patriots who might use them against a rogue government out of control.

The Texas Supreme Court has already ruled that the only information the government can require you to answer on the census form is the number of people living at your address. This is as the Constitution requires.

The lower half of California has been literally taken over by Hispanics, who boast that it will soon be a Mexican country, AZATLAN, either through popular vote or by force of arms if necessary. This new country would take in five of our southwestern states.

**WHAT WOULD BE THE RESULTS?**

We can easily visualize what would happen if America is taken over primarily by Blacks, by looking at Africa. In every so called Republic in Africa the blacks there today are infinitely worse off in every respect, education, health care, housing, and
freedom, under their presidents for life, than they were under the sometimes harsh rule of White colonialism. They were much safer then, than they are now, under the Black dictators, that our State Department have turned into billionaires. (Idi Amin in Uganda is a prime example.) The majority are Marxist oriented, and like Mugabe in Zambia, are destroying their countries for a little monetary glory and power. They show very little interest in their own people, and are bent on destroying the only people who have ever helped them, the Whites. It is a classic example of: biting the hand that feeds you.

White missionary activity in Africa for the most part has been a lesson in frustration. A White missionary goes to this benighted land and works for forty years building a strong church. He often starts a seminary to educate native pastors. Then a political upheaval takes place that forces him to leave. He comes back a few years later to find his church still in operation, but with the local witch doctor as pastor. They still sing the old church hymns, but their worship is interlaced with heathen occultism, until there are very few vestiges of Christianity left.

A few years ago, when I lived on the Gulf Coast, I listened to the little Jewish evangelist Benny Hinn, as he bragged on TBN how his missionary efforts had Christianized twelve African nations. Less than a month later, his Rwanda Pentecostals were hacking their TuTu countrymen to pieces with their pangas. In spite of all liberal arguments to the contrary. One of the biggest lessons Whites must learn if we are to survive, is that Blacks in particular, do not have the same spiritual thought process as Whites. We are not the same! The difference in races can be explained Scripturally, but it is not my purpose to go into that here.

Are we ready for scenes in our large urban areas, like those now taking place in Sierre Leone, where Black rebels are chopping the limbs off women and children, after first raping them? Every Black country in Africa is under turmoil today, proving that when Whites left and handed Black countries over to natives on a silver platter, they could not maintain modern civilization. The same is true of Hispanic countries such as Brazil, Mexico, and Central America.

The same people who destroyed these nations, are trying to do the same thing with a homogenized America.

The British turned Rhodesia, one of the most modern and beautiful countries in Africa, back to the natives in 1980. Before Mugabe took over, he had his minions slaughter everyone who was opposed to him and in usual Black African style, became President for Life. The White farmers who number less than 70,000 out of a total population of some 15 million, produced most of the agriculture products of Southern Africa, and fed most of it's population. Today under Black Marxist rule, they cannot feed their own people, and Mugabe is killing or running off the only people who can and would help him. Today thousands of acres of productive farm land is laying idle, and dairy herds are being slaughtered for momentary barbecues. This, my Christian friends is Black heathen mentality at work, and is what the Zionist One Wonders wish for America.

Many years ago, a very wise Southern politician wrote a book titled, "TAKE YOUR CHOICE - SEPARATION OR MONGRELIZATION." He was demonized by the liberals as being a race hater, when in reality he wished only happiness for this country.
He wrote, "If our buildings, our highways, and our railroads should be wrecked, we would rebuild them. If our cities should be destroyed, we could rebuild them bigger and better. Even if our Armed Forces should be defeated, we would rear sons who would redeem our power.

"But if the blood of our White race should become corrupted (adulterated - Mohr) and mingled with the blood of Africa, then this present great nation will be destroyed, as all hope for civilization would be impossible for a Negroid America."

If God had wanted all mankind to be one big amalgamated blob, no doubt He would have created us that way. He must have had a reason for separation of the races, and His Word indicates this. He has ordered His Israel people (not Jews), to remain separated, and keep their blood line pure and when we disobey this, we destroy ourselves.

A CHRISTIAN WITNESS

On a recent ABC network show "THE PRACTICE", one of the lawyer's mothers decided she was gay, and wanted her son to go to court and help her get a marriage license to marry her partner

A gentleman from Mena, Arkansas, who saw the show wrote the following letter to ABC.

"Dear ABC: You seem obsessed (or should I say abscessed) with the subject of homosexuality. I will no longer watch any of your attempts to convince the straight world that homosexuality is ok. THE PRACTICE could be a good show, but last night's program was so typical of your agenda. You picked the "dufus" of the office to be the one who was against the idea of his mother being gay and made him look like a whiner because of his convictions. This type of mentality calls people like me a "gay basher". Read the first Chapter of the Book of Romans (that's in the Bible) and see what the Apostle Paul had to say about it. He, and God, and Jesus were all "gay bashers". What if his mother had fallen in love with her cocker spaniel... is that considered an alternate life style? The Bible speaks against this too."

Here is the reply he received back from ABC: "How about getting your nose out of the Bible (which is only a book of stories compiled by many different writers over hundreds of years.) Read the Declaration of Independence on which our nation was built, it says, 'All men are created equal', and try treating them that way for a change, or better yet, think for yourself and stop using an archaic book of stories as your crutch for existence. Your boycott will not effect us or our 'freedom of expression'."

Evidently Mr. Neugent hit a sore nerve at ABC and this harsh reply was probably dictated by one of the many antiChrist Jews who are hired by this Jew owned, Jew controlled network. So much for haters and hate crimes.

A JUDEO-CHRISTIAN PASTOR DEFENDS HOLOCAUST TEACHING
A friend of mine from Lancaster, California recently wrote to the big Lancaster Baptist Church, asking two specific questions. Here are the questions and answers given by the Assistant Pastor:

1. First you ask: "Do you believe that there was a Holocaust and that many Jews were killed during World War II?"

Answer: "Yes, of course we believe it happened. It is included in historical records, as well as physical evidence, through pictures and other things. These definitely point out the horrible atrocities of that war against the Jewish people, not only by Hitler, but also by Stalin in Russia."

He goes on to state how President Truman became involved in giving the Jews a homeland in Palestine after almost 2,000 homeless years, and says, "It is our heart felt desire to see the Jewish people flourish in Palestine, and pray they will come to know the Messiah as personal Savior. As for the Holocaust our pastor mentions it many times." Here is were the hypocrisy of Judeo-Christianity shows it ugly head, as he is very careful not to mention that there were no where 6 million Jews in all the territory conquered by Germany, so 6 million could not have died. He mentions nothing about those who died of camp related diseases brought about by the Allied blockade of Germany. He says nothing about those killed in Allied bombings, or the hundreds of thousands of innocent German women and children who died in Allied bombings of Dresden under Jewish pressure from both Churchill and Roosevelt and he was careful not to state, that the vast majority of Jews now in the Israeli state in Palestine, have no physical connection with Abraham; a truth admitted by their own leaders. 90% of Jewry today, is of a Turco Mongolian heathen background whose forefathers never set foot in Palestine. All the Prime Ministers of this Israeli nation, from Golda Meier on, have come from this heathen background, and he carefully skirted the fact that the Russian Revolution that brought Communism into a world power, and killed millions of Christians, was brought about by Jewish money, and under Jewish leadership.

Question #2. "Was Jesus truly a Jew?"

Answer: "Yes, we believe He was a Jew. The reason we believe this is the genealogies of (Matthew 1 and Luke 3), (which were the genealogies of Jesus' step-father Joseph.)

We trace His line from the seed of David, through Adam. (Neither of these men were Jews.) This certainly indicates that Jesus was not only born of the Jewish race, but of the House of David, from the tribe of Judah. (Here he slips up again when he states Jewish race, for there is no such thing as a Jewish race, anymore than there is a Christian or Hindu race.) In the Bible the word Jew always refers to someone who follows the false religion of Judaism, known as Talmudism. It was and is not the religion of Moses, and Jesus indicated this in John 5:46 when He told the Jewish leaders: "If ye had believed Moses, ye would have believed me, for he wrote of me." The pastor goes on with his fabrication: "Jesus came from Palestine, and was born in Bethlehem. He was very much Jewish and I'm sure (he 's supposing now) that it showed in His features and in his completion, and that He looked like other Jews of His day. Isaiah 3:9 says speaking of Jews: "The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not (Would you be so blasphemous as to say our Savior fit this description? - Mohr.) There is only one eye witness description of Jesus I know of. It is contained in a letter written by Pontius
Pilate to Caesar Augustus, in which he describes Jesus as tall, well built with shoulder length Chestnut colored hair and beard, and blue eyes. This description is in the Vatican Library in Rome.

Since His blood line to Adam was pure, He must have been White. Today efforts are under way to make Him Black, and in some cases to being a woman.

As one reads this pastors answers, it becomes evident to anyone who has done Scriptural and historical research, that Lancaster Baptist Church is not as much interested in truth as they are in maintaining the Judeo-Christian status quo.

In a recent issue of World Evangelism Magazine, a Judeo Christian publication, an article appeared written by the Jew Dr. Randy Weiss. Among other things he asks: "Did you know that The Last Supper painting of Leonardo Da Vinci's was more than a famous painting? It is a depiction of the Jewish Passover. Jesus was a practicing Jew. Here once again we see the Jewish penchant for lying, that Jesus criticized in John 8:44, when He told the Jewish leaders to their faces:

"Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." (Remember, this is your Savior speaking, it is not the words of anti-Semite Jack Mohr.)

You say, "What has this got to do with Dr. Weiss?" It's because of his false statement inferring that Passover was Jewish. Passover was never given to a people called Jews, it was given to the Children of Israel, in Egypt, (Exodus 13) about 1491 B.C. some 700 years before a people known as Jews appeared on the Scriptural scene in 2 Kings 16:6, fighting against Israel. This Jewish penchant for lying is seen in their Kol Nidre Oath, which is taken by every Jew, secular or religious, yearly on the Day of Atonement, when he is given the authority by his holy book, the Talmud to make promises and break them at will, if it is to his benefit. How then can we trust any Jew in business, politics, law, or religion, when we never know if he is lying or not? Jesus criticized the Jews of "making the Word of God of non-effect through their Talmudic traditions." (Matthew 15:2,9) When the Jews said that they followed the teachings of Moses, Jesus exposed this lie in John 5:46, which I have already quoted.

How can we believe that Jesus was a good Jewish boy, who followed Judaism from his youth, and that He was an observant Jew, when he specifically told the Jewish authorities in John 10:26 - "But ye (Jews) believe me not, because ye are not of my sheep,..." How much plainer can He get? If they were not of His sheep, then how could He be part of them? It doesn't make much sense, does it? Yet millions of born again Christians believe their pastors when they say, "Jesus was a Jew", when their Savior repudiated it.

Do you honestly believe that Jesus followed and supported a religion based on the filthy book called the Talmud, which is so pornographic it cannot be sent through the U.S. mail? Which Jewish leaders call the "heart's blood of modern Judaism."

This religious book teaches that, "It is lawful for a little girl three years old to have
sexual intercourse." (ABODRA ZARA 37a; KETHYBOTH 11b: 39a; SANHEDRIN 55b: 69a; YEBMOUTH 12a: 57b: 58a: 60b.) That if a Jewish man commits sodomy on a boy under the age of nine, it is not considered pedantry. (SANHEDRIN 54b: 55a.) That if a Jewish mother has intercourse with her son under the age of eight it is not fornication. (SANHEDRIN 69b.) For all intents and purposes the Jewish Holy Book is as "X-rated" as the Jewish religion. Is it any wonder that the filth and pornography that comes through the media, on TV, and from Hollywood. The prostitution and pornography which is a blasphemy to God, comes largely from Jewish controlled sources, who make billions of dollars off the lust of the stupid goyim every year? Check their names and see for yourself!

Don't try to convince me that my Savior came from this kind of a background for it's a "lie out of the pits of hell."

The Talmud teaches hatred of all non-Jews, while the Jewish leaders are in the forefront of exposing what they call hate crimes. YEBMOUTH 98a: teaches that "Since all Gentiles (non-Jews) are animals, all Gentile children are bastards." Do you mean this teaching is compatible with what our Savior said in Matthew 19:24, "Suffer the little children to come unto me, and forbid them not; for of such is the kingdom of heaven." No way could He have been a Jew and believed they were Bastards!

The Talmud in many places calls Jesus a bastard conceived by his mother during menstruation, which was a special heinous sin for Jews. (YEBMOUTH) They call the Virgin Mary, a Jewish whore and say that God has punished Jesus by condemning Him to stand in hell for eternity, up to his neck in a puddle of boiling excrement. (GITTIN 56b: 57a)

My Bible tells me in Hebrews 10:12,13 that "He is sitting at the right hand of God; until such time as He will make His enemies His footstool." Do you honestly believe your Savior came from this spiritual perversion?

The Lord's Supper was not to celebrate the Passover, and Jesus did not tell His disciples to partake of the Passover Lamb, but to eat the bread which represented His broken body, and drink, not the Passover wine, but the wine that represented His shed blood. The need for the Passover sacrifice was done away when He died and became the once and for all time sacrifice for our sins.

There was no Jewish symbolism in 1 Corinthians 5:7 when the Apostle Paul spoke about Christ being our Passover. It referred to the salvation of Israel in Egypt, and had no Jewish connotation whatsoever.

In the July issue of the same magazine, Dr. Weiss continues his defense of Judaism, while saying nothing at all about the Jewish persecution of the First Century church which killed millions of Christians, or the Communist persecutions of the past century which was Jewish financed and lead.

My good friend, Col. John Niemela, a retired USAF combat pilot, writing about this said: "The subordination and falling away of Christianity is increasing in intensity, as Divine forbearance seems to be leaving, the strength and power of Christians is being foolishly given away, like Samson and Esau, who sold his birthright for a mess of pottage.
"Certainly the Tares of Judaism have risen above the Christian wheat. The time of harvest is close, so I suggest you reread Matthew 13, in order to understand who qualifies as Tares, and to help recall what Jesus will do to them, and with whom, when He returns (see also Malachi 1:2-4, and the book of Obadiah).

"those who consider their birthright of no value, as did Esau; Christians who ignore their connection with the Lost Tribes of Israel, their refusal to see that they are ancient Israel, and are still blinded in part, (Romans 11:7,8) simply need to consider history and prophetic events that are occurring today, as we, true Israel, have reverted to the unfavorable qualities of Jacob before he was converted, and his name changed to Israel. Now we can understand why Scripture refers to this as "the time of Jacob's trouble."

"So we who have become like pre conversion Jacob, and must revert to being Israel again; go through the conversion experience of Jacob, and wrestle with our conscience, as we restore ourselves as being worthy of understanding the Gospel of the Kingdom and the restoration of Israel (not the Jews) under the theocratic ruler ship of Jesus upon His return!

"If Dr. Weiss was serious about his Christianity (and he does claim to be a Christian), he would not be so determined to promote anti Christian Jewish events and issues in his articles. (He appears to be far more interested in his Jewishness than he is in his Christianity - Mohr.) He knows that Judaism, in its true sense, is contrary to Christ and Christianity as is the Jewish holy book, the Talmud.

"No amount of Jewish promotion can eliminate it's defamatory doctrines, or make it compatible with Christianity.

"As to Dr. Weiss' statements that the first fifteen Popes were Jewish, this might well be true. The origin of the Jesuits is certainly a Jewish one. Loyola, Ribeara, and others were Spanish Jews, who were know as "Marranos", after their conversion to Christianity. (They were often high officials in the Catholic church by day, while reverting to Judaism at night - Mohr.) From them, the Christian church gained only trouble, as the doctrines they initiated, those of dispensationalism and futurism the gay theory of Daniel's Seventieth week, and the contrary doctrine of confusion that all prophetic events have take place long ago.

"Blinded, misled Christians still look to despicable sources like the phony Dr. C.I. Scofield and others, for prophetic comments to follow, not realizing that they were stimulated into false presentations that disturb true Christians."

THANK YOU BROTHER JOHN FOR YOUR WATCHMAN'S WARNING!

VICTORY OR SURRENDER?

When General Cornwallis surrendered to George Washington at Yorktown, ending the American Revolution, his prophetic words have been well hidden by the controlled media. You will not find them in any school history books, at any grade level. Our history books for over 200 years, have taught that when the American Revolution ended, we would live in freedom and happiness forever.
Jonathan Williams, recorded in his book "LEGIONS OF SATAN", published in 1781, that General Cornwallis revealed to Washington that the war was not ended by his surrender, but that "a holy war was beginning in America, the supposed citadel of freedom, and when it finally ended, American's will unknowingly be the faithful loyal subjects of the British Crown."

Cornwallis explained to Washington what seems on the surface to be self contradictory. "Your churches will be used to teach the Jew's religion, and in less than 200 years the whole nation will be working for divine World Government and that government will be under the British crown. All religions will become permeated by Judaism without even being aware by the masses, and they will be under the all seeing eye of the Grand Architect of Freemasonry. (At that time Washington was a Mason, who had been warning American Masonry about the inroads of European Masonry under Illuminati control.)

Cornwallis knew that his military defeat was only the beginning of world catastrophe, which would continue until mind control could be accomplished through false religion. (It's interesting to note that mind control always goes hand in hand with attempts at gun control - Mohr.)

What Cornwallis predicted has come to pass. A brief survey of contemporary religious history, will show the manner in which Masonry has infused it's phallic religion into the Christian churches of America, and will confirm this.

Darby and his Plymouth Brethren brought a Jewish Christianity, now popularly known as Judeo-Christianity to America. Masons, Rutherford and Russell, started their Jehovah Witness Judaism, which is now worldwide. Mason Joseph Smith, started the Mormon Church, which is the fastest growing church in America today, under it's aggressive missionary program, and the unwillingness of most Christians to search the Scriptures for the truth. Mormonism is Jewish Millenialism in disguise.

At the turn of the Twentieth Century the Scofield Bible showed up on the religious scene, with it's pro Jewish, premillenial teachings concerning the Jews and prophecy. It has reached the stage in many Fundamental churches where his footnotes have taken on the importance of Holy writ. Under it's use, Baptists, Methodists, Church of Christ, and many more can now be considered as Christian Jews. (That's what Falwell claims to be.)

Because of a false religion, we who call ourselves Christians have become aliens in our own country, which is now under the antiChrist control of World Zionism. This is why an Israeli official could recently publicly brag: "We have the best Congress money can buy!"

The days predicted by the Apostle Paul in 2 Timothy 4:3,4 are with us today in many Christian churches, as many of our people will "not endure sound doctrine, but after their own lusts (longing for material things), will they heap to themselves teachers, having itching ears; and they shall turn away their ears from (Scriptural) truth, and be turned unto (Jewish) fables." (See Titus 1:10,11)
FROM THE MOUTH OF BABES

A teacher in the fifth grade of a public school one day startled her class by announcing, "I'm an atheist. How many of you are atheists?" Not wanting to be different, all hands but one went up. The teacher asked the little girl who did not raise her hand, "If you aren't an atheist, what are you?" The little girl said, "I'm a Christian! "How do you know?" the teacher asked. The little girl replied, "Well my father is a Christian, and my mother is a Christian, and I love Jesus and that makes me a Christian!" The teacher with some sarcasm asked, "If your father was a moron, and your mother was a moron, what would you be?" The instant answer was, "I'd be an atheist!"

NATURE ON A RAMPAGE

In recent weeks very serious natural disasters have struck worldwide. First it was severe drought that killed millions in Southern Africa. Then devastating fires, followed by the worst floods in 100 years. Pestilence's like cholera and AIDS have killed millions and other pestilence's are on their way that we know nothing about and have no sure protection against.

The news media, climatologists, and meteorologists report similar disasters in all parts of the world. The conclusion is that something very unusual is taking place, which they cannot explain. It's as though these disturbances are effecting the very crust of the earth.

Because few men recognize the divine authority of Almighty God anymore, they are looking for scientific explanations, which are not available, since they cannot be understood by the finite mind, no matter how high the IQ. In the western world, where the Living God, is still mentioned in their Constitutions, government still gives Him lip service. In Socialist Welfare states such as America, God's will for His people is mostly ignored, and with this comes much trouble. The Jews and Aliens are not the cause of this, but they are the effect of Christian disobedience (See Deuteronomy 28) In verses 43, 44 for instance we are told: "The stranger (alien) that is within thee, shall get up above thee very high, and thou shalt come down very low... he shall be the head, and thou shalt be the tail." This has become obvious in America.

The Bible very definitely mentions that in the days before Christ's return there will be natural phenomenon and disturbances such as earthquakes, the waves roaring, wars and rumors of war. We are living in the days Jesus warned us about in Luke 17:26, when He said, "As it was in the days of Noe, so shall it be in the days of the Son of man."

The people of Noah's time had become so wicked and busy with material things, such as buying and selling, marrying and giving in marriage, living in licentiousness, and in an immoral life style, that they refused to believe Noah's warnings that the Bible says he preached for 120 years. No doubt they made many sarcastic remarks about a stupid old man who was building a boat, hundreds of miles away from any floatable water. Can
you imagine their consternation when the rains came and the fountains of the deep broke loose and the water began to rise?

Disasters have come in the life time of many of us; World War I, II, Korea, and Vietnam. Plus all the other foolish little wars we have been sucked into by the enemy. A few can remember the Great Depression of 1929, when men were selling pencils and apples on the street to get enough money to buy food for their families.

We White Christians in particular, have learned very little from these obvious warnings, and in spite of tons of news print and hundreds of hours of news commentary on radio and TV, we are not close to an answer to our problems. Yet they are there within the covers of this Guide Book we call the Bible, if we will listen and obey!

Yet like in the days of Noah, the majority of our people, even those who go by the name of Christian, refuse to listen to Scriptural warnings, preferring to listen to the siren, smooth tongues of their pastors as they intone: "Something good is going to happen to you today!" Rather than the Gospel message, "Repent or ye shall all likewise perish!"

As a result of this apathy, a great catastrophe awaits this wicked old world. The kingdoms of the world are on the verge of being violently overturned as a great devastating revolution is at our very door.

As in the days of Noah most of our people refuse to be warned, and many viciously attack the Watchman who tries to alert them. This wears out, or discourages many men whom God called for this purpose. In Noah's time, those who refused to be warned died with exception of Noah's immediate family. The learned opinion moulders of Noah's time would not believe God's messenger, just as they refuse to do today, and they drowned, along with the common man. In the coming catastrophe, will death be the fate of the pastors who refuse to warn their people about obedience to God, instead of trying to make them feel good? I don't know. I do know that in *Ezekiel 33:6* God speaking to a Watchman of Israel said, "But if the watchman see the sword (Danger) come, and blow not the trumpet, and the people be not warned; if the sword come, and take away any person from among them... his blood will I require at the Watchman's hands."

This frightens me with it's meaning and I never want to have someone stand before the King and say: "If Jack Mohr would have had the guts to tell the truth; I might not be in tallele with you today!" This is why I am sometimes harsh in what I say, and step on people's toes. I believe my mission is to "*Preach the Word; be instant in season; out of season; reprove. rebuke. (then) exhort with all longsuffering and doctrine.*" (2 Timothy 4:2) The English word *Instant* in Greek is EPHISTEMI and means: "to stand upon, or present, while *Season* is EUKAROS meaning: "opportunity". In other words, "Stand upon the Word at every opportunity." Reproving. rebuking. and then exhorting. Most modern day preachers like the exhorting part, but come up short when it comes to reproving and rebuking, as this kind of preaching does not fill the pews, or bring money into the treasury.

We sit and read our daily and Sunday newspapers. We listen to the news on TV, on radio and on the Internet. The disasters continue, the murders, the rapes, those dying from AIDS, those killed in natural disasters, and still our people refuse to believe that the time is getting short.
The old question asked by Pontius Pilate of Jesus, "What is truth?" is being asked by millions today. Jesus said, "Thy Word is truth!" All else is a lie that is not in conformity to God's Word. It is a lie and delusion. In America we have set up a **Truth and Reconciliation Commission**, which instead of reconciling and bringing forth truth, has become a **witch hunt** against those who speak the truth. They cannot present us with the truth, because they refuse to accept it.

This Commission refuses to accept the truth, that there are different races on this earth, each with its own characteristics. When we try and mix them, chaos ensues, and as long as there is no just and fair central authority to control them, clashes will occur between these cultural groups, no matter how hard men try and avert them.

The only absolutely just and fair authority is that of Almighty God, and in His wisdom and infallibility He has decreed that the racial lines must not be crossed or chaos will ensue. We have all of history to prove this, for the **sands of history**, are covered with the dry bones of civilizations who have discounted His Word, and destroyed themselves through miscegenation. This is not a teaching of **Racial Supremacy** but of Racial truth!

All the promises of men to bring about a renaissance through a New World Order, are false promises, for they cannot succeed.

One World harmony, with a healthy economy, is a soap bubble that can burst at any moment and bring all trade to a standstill with far reaching results, and chaos that we cannot even imagine.

There is an old truism; "Coming events cast their shadow before them!" and the man made disasters, and natural disturbances we are seeing, are signs, that a merciful God, who takes no delight in the death of sinful man and women, but would have us come to repentance, has offered us the safety of His Ark, if we are willing to bend our wills and accept his entrance requirements.

The forces which are trying to adulterate the White Israel nations worldwide, are preparing the way for the New World Order, for they know that a miscegenated people are easier to control. Their first priority must be eliminate, or at least control White Christian Patriots, who are the only barrier against their antiChrist control. The Judeo-Christian world has already capitulated to their demands for Christian surrender.

The majority of White Americans do not know their roots, as their **brainwashed** pastors never preach on such Scripture truths as found in **Isaiah 51:1,2** - "Hearken unto Me, ye that follow after righteousness, ye that seek the Lord (and if this doesn't refer to Israelite Christians I don't understand the meaning of the English language): look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged. Look unto Abraham your father, and unto Sarah that bare you: for I called him alone, and blessed him, and increased him." There is no way this promise can apply to the antiChrist's of Judaism. How can we expect our people to please God, when we don't even know our ancestry and look on ourselves as the Gentile heathen our pastors and the Jews say we are?

When Jesus comes back to take over this world and save it from utter ruin, the Bible says He will find a remnant of pure Israel people, who like Noah, have kept their family lines pure and are found perfect in their generations," **(Genesis 6:9)** The
necessity of pure blood lines did not come from Adolf Hitler, but is found in God's Word.

These Israelites will have undergone a new birth in the crucible of Divine Judgment. Many will revolt against the New World Order of the antiChrist, knowing they have been deceived by their Judeo-Christian pastors, and Zionist controlled politicians; many will die for their faith. The next great event to look forward to, is Israel's awakening. Some of you have already prepared yourself and your family for it!

Part of the foregoing, came from a message by Pastor F.W.C. Neser, of the Republic of South Africa, and was distributed by the Christian Identity Ministry of Caldwell, Queensland, Australia.

May the Lord God Yahaveh, bless and protect you and yours until the next time. Pray for His return and when things seem to be getting out of hand, Remember to look up, for our redemption is close at hand! (Luke 21:28)

MARANATHA!!!

As a final foot note and as loving tribute I regretfully announce to all my friends and loved one of the passing of my wife Doris Mohr.

On June 21, 2000 Doris peacefully past away to be with our Lord. She will be greatly missed.

She had been my friend, companion, and help mate for the last fifty years of my life. Her silly stories and fun loving ways will be something that I cherish until God calls me home. Those of you who loved and know Doris can rest, and praise God for she is truly healed and living life praising our God and Savior.

**FALL INTELLIGENCE REPORT 2000**

WHAT'S NEW
This is an exceedingly difficult time to write an Intelligence Report with any degree of accuracy, as things are changing very rapidly from day to day.

Normally I begin working on a Quarterly Report at least a month before publication, but to do so at this time is to open oneself to ridicule.

Certainly Al Gore's picking an anti Christ orthodox Jew as his running mate, (whose picture appeared on the cover of "TIME MAGAZINE", August 21st, under the title "An act of CHUTZPAH" which in Yiddish means "to show extreme audacity", and which in this case was meant as a sign of their approval.)

Very few professing Christians in the Judeo-Christian world, will recognize the inherent danger of this move. It could very possibly result in Al Gore's election and place a Christ hater within a heart's beat of the White House. (Accidents have been known to happen in politics, re JFK.)

Many will point to Liberman's so called conservative record, which while better than that of Gore, is certainly not conservative or pro-Christian.

Few Americans have ever studied history to note that whenever a Jew gets into a position of power, his Jewishness immediately surfaces, and with it his inbred hatred of Jesus Christ.

A good example being the Bolshevik Revolution that was financed by Jacob Schiff, and International Jewish banker from New York, and where out of over 500 major leaders, over 75% were Jewish. These managed to murder millions of Russian Christians and subject the world to a reign of terror which still in full swing.

When I wrote to the editor of the Arkansas Democrat-Gazette, which was published in their September 8th issue, it was met with derision on the part of several, as I knew it would. Instead of answering any of the TRUTHS I had revealed, I was met by their usual name calling, which is their number one defense weapon. The local Rabbi Salomon Truzman said my letter, "portrayed an unequivocal reflection of my mirrored self." He then chastised the paper, for their "dissemination of Mohr's pernicious diatribe." I wonder what the good Rabbi (?) would have said, if I had shown him the front page of a 1919 issue of "THE AMERICAN HEBREW", the largest English speaking Jewish newspaper in the United States, which stated on the front page: "What we did in Russia through Jewish money and brain power, we will do in the United States." Later in the same issue it said, "The ideals of Bolshevism, are consonant (in agreement) with the finest ideals of Judaism." When Rabbi Stephen Wise, the top Jew in the U.S. was asked to comment on Communism, he said, "Some call it Communism; I say it's Judaism!"

Could Lieberman be the one who lays the foundation for Christ's prediction of John 16:2? In my life time, the Christian Patriot has gone from being the respected person in America, under media harassment, to where now he is looked on as a terrorist, hate monger, who is a danger to decent citizens.

By the time you receive this Report the Election will be a thing of the past. I am convinced that the powers that be already know the outcome.

I am still convinced that Bill Clinton will make some drastic move before he
relinquishes his seat of power!

I have also come to the conclusion that it is a waste of time, energy and money, and possibly a violation of Christ's command in Matthew 7:4, trying to convince many in the Judeo-Christian and Fundamental church world into accepting Bible truths. A good example is those Christians who say they love Jesus, and believe His Word, yet they read verses like John 10:26, where our Lord is speaking to the Jewish authorities clearly states: "But ye (Jews) believe Me not, because ye are not of my sheep." Yet they accept the false teaching of their pastor, rather than believe their Savior, and get very angry if you dare to question them about it. Something is drastically wrong here, and any intelligent Christian should recognize it.

Trying to convince these brain washed folks that God's Word must take priority over what their pastor teaches, is treading dangerously close to: "giving that which is Holy (God's Word) to dogs, or casting your pearls (of truth) before swine, for almost without fail, they will turn on you and attempt to tear you up. I have had this very unpleasant experience happen to me on numerous occasions. As a result, I would rather preach the truth of God's Word to an unbeliever, that to a so called fundamentalist, who believes he has all the answers, and who will often knowingly insult you, when you try to give him words of warning from God's Book. Ezekiel 3:19, says that if you warn them and they do not listen, and they are harmed as a result, "their blood will be on their own head." Always remeber that you and I are not to be Persuaders, that is the task of the Holy Spirit. You and I are Watchmen on the walls of Israel America, and once we have given men and women the truth, it immediately becomes a personal matter between God and them, and He will hold them accountable for the truth they have heard, whether they want to accept it or not.

Never argue about your Identity beliefs, for arguments always generate far more heat then light, and often drive people away from the truth. As the Apostle Paul said in 2 Timothy 4:2, "Be consistent in your teaching, reproving and rebuking, before you exhort." Exactly opposite of what is done in most churches, where the pastor first tells his congregation how important they are in the eyes of God, and how God just couldn't get along without them. They seldom get around to reproving or rebuking, for that does not fill the church pews or put money in the collection baskets.

When a traumatic incident in my life forced me to leave the Fundamental Baptists in 1980, pastors who I had known and loved for years, and in whose churches I had held successful revivals, suddenly turned against me viciously, because I would no longer accept the anti Christ's of Judaism, as God's Chosen. Yet in the twenty years I have been in Identity, not one of them has contacted me to say: "Brother Mohr, would you sit down with me and let me show you from the Word where you are wrong!" Instead they placed labels on me such as anti-Semite, hate monger, and apostate. I count it a privilege for having had to suffer for the truth, and would never for anything you could offer, go back to the "weak beggarly elements of Judeo-Christianity."

I have had well meaning Identity Christians write to me asking me to write to men like Pat Robertson, Jerry Falwell, Jack Van Impe, and Dr. Dobson, showing them, the error of their teaching. I refuse, for I know these men already know the truth, and for various reasons refuse to proclaim it. It took the dynamite of God, to wake me up after, over fifty years in the Fundamental Baptist church, and God may have to talk to these men, through a traumatic incident to gain their attention. It will never be done by mere man, and they may never have the courage of their convictions. Our major problem in the
Christian world today is not the JEWS or the ALIENS in our midst, although they have become *thorns in our sides, and pricks in our eyes*, as the Word predicted if we allowed them to come into our country. They are not the cause of our problems, they are the effect of White Christian *disobedience* to God. In Deuteronomy 28:43,44 we read one of the results of this disobedience: "The stranger (non-Israelite heathen) which is within you shall get up above thee very high; and thou shalt come down very low.... he shall be the head, and thou shalt be the tail." If you can't see how this has happened in America, it's because you have deliberately closed your eyes to what is happening.

We can point out to the Christian world, how the *tares* have risen up above the *wheat* and are strangling it. But until our White Identity people in particular, (those of us who know we are Israel), learn the lesson of *Absolute Obedience*, we will make no progress against this evil which is suffocating us. I have had Christian friends, who should know better, tell me, "God won't allow anything that bad happen to America, we have too many good Christians in this country." He allowed it too happen to Israel, when He told Elijah that he had seven thousand men who had never bowed the knee to Baal. Always when God's people allow evil to take control through their apathy, as has happened, now, the just-suffer along with the unjust.

As Colonel John Niemela says so well in his pamphlet. "THE TARES HAVE RISEN Up ABOVE THE WHEAT!" "Their (the tares) toxic policies filter through the financial and political institutions dominated by the tares, making this once Christian nation, subservient to a humanist, One World Order, under identifiable tares." (Available from the VIRGINIA CHRISTIAN ISRAELITES, P.O. Box 94, Round Hill, VA 20142)

While many in the Judeo-Christian and Fundamentalists ranks are still blinded by the hypnosis of the Tares, many are rapidly beginning to see the light, as the disciples did when Christ explained His Parables to them.

Over and over again in God's Word, both Old and New Testaments we see there false wheat *is exposed*. In Jeremiah 23:21, we have a good example. Here God stated through His prophet that if the Israelite pastors would *stand in His counsel, and preach His Word*, (instead of the sweet modern Gospel designed to "tickle men's ears, the people would *turn from their wicked ways," we have seen 2 Timothy 3:4) no great turning in America towards repentance, which indicates that something is drastically wrong with the message coming from American pulpits. While there has been a great ingathering of church members, few exhibit the qualities of *salt with savor*, our Savior spoke about in Matthew 5:13 Without this Christian salt to hold back corruption, the country "goes to hell", as it is doing now, in spite of 50 million *born again* Christians in the country. The tares have done a good job in neutralizing the Church of Jesus Christ.

We can proclaim our love for Jesus until we are blue in the face, and it means nothing as long as men women in the church continue doing their own thing, and refuse to put Christ before everything else in their life. Without this devotion Christian life is useless. As the Apostle James said in James 2:17, "Even so faith, if it hath not (good) works, is dead, being alone." I preach Salvation through God's *Grace*, not of works, but a Christian life that does not produce good works, is useless and false. We did what old time Israel did in 1 Samuel 8, when they told Samuel: "Make us a King to judge us like all the other nations.

America did this with the Constitution, just as Britain had done with the Magna Carta in 1215 A.D. at Rynnymeade. Instead of adhering to the Revolutionary War *battle cry* of,
"No King but Jesus!" they made the Constitution our god in place of the Almighty.

We can talk about money issues, about gun control, about prayer and Bible reading in the schools, about immorality that is sweeping the country like a whirlwind, and it all boils down to which God will you serve, and we can only go by your actions, not what you say, as to whether you follow the true God, or some false human deity.

NOTHING MORE IS OWED!

Today, we see a planned, vicious attack against White society. This is all part of the plan by International Zionism, as outlined in their Holy Book, the Talmud, to destroy White Christian Civilization. In spite of all denials to the contrary, it is there to see, for those who are willing to look.

While many brainwashed church folks will call this anti Semitic, and possibly hate mongering, it has nothing to do with race, but with a religious policy which is 100% opposed to Christianity and which for 2,000 years has been it's bitterest enemy. It is difficult for me to understand how intelligent Christians have been sucked in by the Jewish fables the Apostle Paul warned us against in Titus 1:14 and elsewhere. Yet so cleverly has been done their propaganda work, that I was fooled by them for over fifty years.

Jewish leaders writers, down through the years, have been quite open and contemptuous in declaring open season, on Christ and White Christians in particular. There is a good reason for this. We are the only force in the world, which stands between them and their ages old dream, of world control. Their Talmud promises that: "When our Messiah comes, every Jew will have 2,000 goyim (Yiddish for non-Jew animal) slaves, you and I.

The media, which is obviously under Jewish control, will try and cover up this startling fact, but it's there for those who are willing to look and see.

Today the majority of the media (all the major newspapers, magazines, TV networks, and movies) are under their control, and they use this as a potent weapon in their deadly attack against Christianity. Their thinking can be summed up in the words of the Jew, Ben Hect, a Hollywood celebrity, when he openly stated his admiration for the Jewish mob who crucified Christ. Then he said, "But they made a mistake. If it had been me, I'd have shipped Him to Rome and fed Him to the lions. They would have had difficulty in making a Savior out of mincemeat." Can you imagine the screams of protest that would have come from Jewish sources, if some Christian pastor had of made a similar remark about a Jewish rabbi?

The Jewish owned and controlled "NEW YORK TIMES" constantly pours out
venomous hate literature. Their goal is conflict and bloodshed between the Black and White races. Their front page news, blares forth how America has become an evil place for blacks and minorities (yet strangely enough, millions from other countries still strive to get in, legally or illegally).

Recently I watched Peter Jennings, the TV guru, as he spouted statistics which showed that the majority of criminals executed in the U.S. executed in U.S. were Black, or Hispanic. Yet he was careful not to tell his audience, that in spite of the fact that these people are in the minority, they commit over 70% of the violent crimes, mostly against Whites.

This racial strife between Blacks and Whites has been deliberately created by the minions of world Zionism.

Zionist/Communism and they are one and the same, as can be seen from an article in the, "JEWISH AMERICAN" the largest English speaking Jewish newspaper in the United States, in it's June issue 1919, said: "The ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism," and where the top Jewish authority in America, Rabbi Stephen Wise, when asked to define Communism, stated, "Some call it Communism; I say it's Judaism!"

This group has always attempted to mongrelize America, as their chief support comes from drones who want to take from the have's, and give to the have nots! This is completely contrary to the Bible admonition of 2 Thessalonians 3:10 - "...if any would not work, neither let him eat."

The Zionist/Communist plan for America was explained in a book written by Israel Cohen, a well known British Communist in 1921, titled, "A RACIAL PROGRAM FOR THE 20TH CENTURY." (Excerpts can be found on page 8559 of the 1957 Congressional Record.) He said, "We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races, that for centuries they have been exploited and oppressed by Whites, we can mold them into the program of International Communism. (This is one reason why national Black leaders such as Martin Luther King Jr., have been closely affiliated with the Communist Party in the U.S.)

"The terms colonialism and imperialism must be featured in our propaganda. In America we will aim at a subtle victory. While inflaming Negroes against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negroes. (It is interesting to note, that they never mention the fact that every Black led, so called Republic in Africa, is infinitely worse off under Black rule, then they were under the some times harsh rule of White Colonialism.)

"We will aid the Negroes to rise in prominence in every walk of life, in the
professions, in world sports, and entertainment.” (Note the reason for this is not to help the Blacks.) We will begin a process which will allow Negroes to intermarry with Whites, and thus deliver America into our hands.” These Satanists are extremely clever, and realize that history proves that a mongrelized people are always easier to control. Bill Clinton, and Dr. Billy Graham seem to encourage this One World Control.

Today, on the TV screen, in the movies and on the printed page, the prostitutes of Zionism/Communism use their prestige to destroy Christian America, through miscegenation. These men are historians and know that the sands of history are covered with dried bones, of nations who have been tempted and succumbed to the sin of miscegenation.

So they seek to destroy this once great predominantly White Christian nation from within, long before the Zionist barbarians swarm over our walls or batter down our gates.

In the September 5, 1967 issue of "MCLEAN'S MAGAZINE", can be found an article written by the prominent Canadian Jewish Rabbi Abraham L. Feinberg. Writing on the subject of miscegenation, he says: "Until we learn to fight our ingrown fears of sexual relations between the races, the end of the race problem, will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a white girl, will the West begin to tear the racial poison from it’s vitals. Such a change must be an inside out remodeling of our White psyche, for our fears of mixed marriages is deeply ingrained. (It should be since it is God ordained for the protection of our race.)

"There is an objection by some that some races are Inherently savage, and even some confirmed liberals half believe this. They believe that the chaos in South Africa and mob violence in Harlem, Los Angeles, and Detroit, springs from a Black source. History shows that no race, no matter how far if has progressed in civilization has a monopoly on violence. (Yet within recent years how many riots have you seen that were started by Whites, even the Klan, which destroyed their own property?)

"Of course the races do differ in many ways, in blood types, in taste sensitivity, in hairiness, and possibly body odor. But these differences do not support the view that some are inferior to others. (No one who has read my writing, can honestly accuse me of teaching Racial Superiority, although I do believe in Racial Segregation as taught in the Bible.

It seems to me that the modern idea of integration into one big chocolate racial blob, should cause intelligent men and women think and evaluate, since if God had intended things to be this way, surely He would have created us the same from the beginning.
Feinberg went on to say: "In certain areas, such as New York, interracial marriages are increasing and while at one time they were forbidden, the time has come when the law should encourage, not forbid the intermingling of bloods." (Here again we see a man who evidently believes he knows more about human nature than God.)

"The deliberate encouragement of interracial marriages is the only way to accomplish the final solution to the race problem. The dominance of the world has begun to shift, like cargo on a listing ship, from Whites to Coloreds. The sooner we adjust the better it will be for our children," (UNQ).

So roll over whitey and play dead, for you are finished, the Rabbi seems to aver. Not telling us, of course that the Jews are against the assimilation of their own people with others.

You wonder why American youth have become so enamored with African music, and are aping (no pun intended) the African savages in dress, actions, even to body piercing which is anything but civilized. Brothers, Sisters, it's all part of the Zionist/Communist plan to destroy you and your religion which has brought civilization and decency to a savage world. For they know, that if they can destroy one generation, they will have conquered us without firing a shot. It becomes increasingly shocking when we see the Christian world cooperating in their own destruction.

WHITE'S ARE BEING DRIVEN OUT OF ORGANIZED SPORTS!

This interesting true observation comes from the July 31, 2000 issue of "CRIMINAL POLITICS", Lawrence Patterson, Editor, P.O. Box 37812, Cincinnati, Ohio 37812.

"The London Financial Times, published a shocking article on June 16, 1997: It showed that American Whites are being deliberately driven out of leadership positions in organized sports. At one time, not so many years ago, Whites predominated in all sports. Are American males really on the ropes? or is this another planned thing leading to colored domination of the World? (Recall the former testimony of the Communist Israel Cohen, when he said: "We [Communists) will enable the Negroes to rise to prominence in sports...."

"Take as an example the Black golfer Tiger Woods, who while an incredible player, who began winning tournaments, has quickly, before he reached the age of twenty, accumulated over $100 million in endorsements and prize money, more than Arnold Palmer, the great White golfer earned in his entire lifetime.

When a South African White golfer, Ernie Ellis, recently won an important tournament, he was barely mentioned in the American sport news, and received no acclaim and no
endorsements from American companies, who so love to aid Black athletes. Clearly something is out of order here! The question is what controls sports? The obvious answer is Jews. The present Commissioner of Baseball is a bigoted, prejudiced Jew named Bud Selig who has persecuted the Cincinnati Reds, for instance, and was responsible for preventing all time great Pete Rose, from remaining in baseball, although Roset's crime against baseball was much less than that of the perennial Black offender, Daryl Strawberry.

The way things are headed in America, it will be a miracle if we avoid a bloody revolution, rioting, and rare war in the trying days ahead. Under Jewish domination, our government is doing much to encourage it.

That the Satanic Brotherhood of Zionism/Communism is not interested in the welfare of either Blacks or Whites is obvious, as long as they can destroy their enemy, White Christian civilization.

It's indeed sad that White Christians lost control of our media, through our apathetic, heads buried in the sand disregard for what was taking place. For years, Christians have danced to the music of the Babylonian Symphony and enjoyed it as long as the profits rolled in and God really didn't matter very much in the lives of many of us. But now that the time has come when we must Pay the Band, we are bound to see a different and violent reaction!

While political liberals such as Senators Abraham Spence (R-MI), and Blanche Lincoln (D-AR), are determined to introduce legislation requiring the U.S. government to pay reparations to the descendants of slaves. These, along with the media are careful not to point out to Blacks, that it was Jewish slave traders, who negotiated with Black chiefs in Africa, for the sale of their own people, for rum which had been distilled in Jewish owned distilleries in abolitionist New England; that they were shipped to North America in Jewish owned ships (their names and owners are available through the Boston Public Library), under conditions so bad that 10 million of them may have died in passage. That they were sold in Jewish owned slave markets in North America, by Jewish auctioneers. (If anyone owes the Blacks for slavery, it is the Jews who were responsible for bringing them here for profit.) Yet nothing is said about this in the media, in our churches, or schools.

While today our youth are being indoctrinated in their schools, and often in the church, with false propaganda concerning slavery, it's time that Black people and White's alike are told the truth, before the horrors of racial war are loosened in America.

NATIONAL MERGER A DANGER!

The Wall Street Journal, reports that unemployment in the U.S. has dropped to a record low, ever since this country adopted a program allowing Mexican aliens to cross the border and accept work assignments in the U.S. While these lower paid workers, raise profits for the big companies who hire them, they are putting many deserving Americans of all colors out of work.

With NAFTA in operation, Mexico is expecting tens of billions of dollars in loans, which undoubtedly will never be repaid, to rebuild roads, schools and hospitals, while.
in America, many of our veterans can not get medical care and are homeless. It's a shame how we treat our own people while being generous to the alien who often does not appreciate it. Almost without fail, when you see ads asking for support of children, they are aimed at foreign children. Yet our Christian Bible says 1 Timothy 5:8, that if Christians will not provide for their own people, we are worse than ands infidel.

We have degraded American citizenship by allowing millions of heathen aliens to enter our country, contrary to God’s Law. Yet if anyone mentions immigrant control, immediately the liberals cry: "We were all immigrants at one time!" They fail to say that during the 1800's and early 1900's, when the greatest mass immigration in the world took place to these shores, that over 90% of those arriving came from a White Christian background. Most were Christians, who had a deep love for freedom; they were people who believed in the sanctity of the family and the work ethic, which says that "if a man will not work, neither should he eat." While they did not always speak the same language, their hearts language was the same. Since we have let down the bars of immigration, as the Democratic Party found it would bring them votes, we have been inundated by heathen, with a heathen philosophy, who have brought their heathen religions, and their foreign diseases to our shores. Until Deuteronomy 28:43,44 has become a reality. God warned His White Israel people (Amos 3:2), in many places, that if they allowed heathen to come in, they would turn our hearts away from God, and would bring His wrath on us. Great statesman like Benjamin Franklin understood this over 200 years ago, said, "We should keep them out through Congressional legislation, or within less than 200 years, they would be in the position of authority in this country. Our legislators would not listen to the advise of this wise old man and today his prediction has become reality. Although we hate to admit it, for all intents and purposes we have been under foreign control since at least 1913, whether Republicans or Democrats have set in the seat of power.

A union with Mexico, such as the Mexican President desires, will present a potential danger to this country as it will be just another step in our path towards One World Government. A political, union with Mexico must be stopped at all costs!

All immigrants who wish to live in America, should be required to speak English before they are given citizenship, and English must be taught in American schools, if we are to maintain our priceless heritage. Yet many American liberals, including our President William Clinton, say they look forward to the day when Whites will be in the minority in the country our forefathers built. Like the liberal Biblical Esau, they are ready to sell their national birthright for a "mess of stinking socialist red beans and rice," and have become traitors to both race and country.

With alien votes, the balance of power in Congress is shifting, so that those who made this country great under the leadership of Almighty God, and defended it with their life's blood, are being phased out, and if this happens, it will not be r fonned except through the terror, bloodshed, and suffering of a violent revolution.

I sincerely doubt that any decent American of any color wants to see this happen, or our country slip into the Third World status of a Mexico or Brazil.

WILL THIS BE A PHONY ELECTION?
Concerned citizens are asking this question as election time nears. The following information comes from "CRIMINAL POLITICS", with some editorial license.

Those of us who took the painful and wasted time to watch the Republican and Democratic Convention extravaganzas, saw the modern political process in nauseating action. For those who are knowledgeable about what is taking place, it was a confirmation of the fact that the power of the independent voter is something of the past. Conspiracy policies were quite clear, as both conventions presented a parade of multicultural speakers, including many representatives of the homosexuals, Blacks and Hispanics.

The idea of limiting immigration across our Southern border is as dead as the dodo bird, and couldn't have been further from, the minds of both political parties. Only Pat Buchanan had the courage to speak out on this subject, and for some unknown reason, ruined himself with many voters, by picking a Black woman as his V.P. running mate. (The political, world has indeed gone berserk.)

No doubt that many of the multi-cultural speakers will have Cabinet positions in the new Administration. As we should not expect a change from the Clinton era, where not one Christian Anglo-Saxon was chosen for a high government position.

It was rather nauseating to see dignified Republican delegates, weaving back and forth in a delirious celebration over the nomination of George W. Bush, Jr. While over in the Democrat camp, they nominated a Christ hating Jew, to be V.P. of this once Christian country.

It was apparent from the Republican celebration that their delirious state was caused by the fact that we may finally rid ourselves of the odious regime of Bill and Hillary, and replace it, with one that has a bit more of the outward dignity, we would like to see in the Presidential office.

Bush has given us very little information on what we could expect from him if he was elected.

While Mr. Patterson feels that Bush is a shoo-in, I am greatly disturbed by the Democrat ticket, where no doubt many born again Christians will vote Democratic in order to favor one of God’s self chosen. These brainwashed people, still accept the false teaching, that makes God’s enemy His chosen, in spite of what their Savior said in John 10:26. Frankly, it scares me to think of a Christ hating Jew, being a heart’s beat away from the Presidency.

Possibly even more dangerous is the possibility that Mr. Clinton will not want to step down and relinquish power. Some knowledgeable men believe he may
very well institute a national emergency that would call for Martial Law, and thus stay in. He would kill two birds with one stone, if he did this, as then he could legally bring about **gun confiscation**. (It would also bring revolution, I believe.) No doubt his actions will depend on the will of his International masters.

Regardless of who wins, the sad thing is that getting rid of Clinton will not get rid of his policies. In fact we may even see a *speed up* in the International drive for One World Government.

It appears, that no matter who gets in, they will **play footsies** with the aliens who already abound in our government, due in large to efforts of men such as Bill Clinton, who has reveled in putting them into positions of power, in spite of Biblical warnings that our leaders must be of our own people.

Heathen leadership in both government and often in the church, has turned our people away from our God, until today we can no longer be looked on as being a Christian nation. Men in high office who claim Christ as Savior, have turned traitor to our Savior and His people, because it was politically expedient to do so, and have put anti Christ’s in positions of power, such as Judgeships and control of our military, knowing it would weaken us and prepare us for One World takeover. This must be stopped, if we are to survive as a free people! The time has come when those of us who go by the name Christian must demand of our leaders, that they abide by their **oath of office**, or be held accountable for it. The Christian element in America is still strong enough to accomplish this, if we are willing to follow the dictates of our God, rather than man. It still boils down to the fact that we have only one sure **Formula for our Survival** which will work, and that is found in 2 Chronicles 7:14 (My how the church world overworks this verse, while giving it only lip service.) The harsh reality is that we must either be willing to give up doing our own thing, and return in **obedience** to God, or face the reality of going into servitude on the One World Zionist slave plantation which has been planned for centuries and is now ready for takeover. We must either once again learn obedience to God and the **discipline** it brings, or face a horrible future for ourselves and our children. No amount of **burying our heads in the sand**, will remove this threat, that God has promised if we **disobey**. (Read the 28th Chapter of Deuteronomy and see for yourself.) Those of you who go by the name of New Testament Christians take heed. The warning in this chapter applies to you, as much as it did to ancient Israel in B.C. 1450, regardless of what your pastor tells you to the contrary.

**Verse 67** - says, "In the morning thou shalt say, Would God it were even! and at the even thou shalt say, Would God it were morning! for the fear of thine heart wherewith thou shalt fear, and for the sight of thine eyes which thou shalt see."

I have seen what happens in a country where these heathen’s take over and this is the reason I give you warning, for what they have in store for us if they succeed, will be worse than anything this old world has ever seen.
The Conspiracy Brotherhood who is planning this, is made up of modern Illuminati. They use deception to cover up their criminal activities, and are aided in their efforts by the controlled media and sometimes by liberal brainwashed Christians. They are often not easy to detect, as we are told in 2 Corinthians 11:13-15 - "For such are false apostles of deceit, deceitful workers, transforming themselves into the apostles of Christ (preachers take note). And no marvel; for Satan himself is transformed into a angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works."

Most certainly these evil men and women, are experts at making "evil appear good; and good appear evil." (Isaiah 5:20)

They switch back and forth from Republican to Democrat, as it becomes politically expedient, and like George Wallace once said, "There ain't a dimes worth of difference between them!"

There is little doubt that if the masses of American people including Christians, were exposed to the truth, that they would rebel and a Third Party would probably take over from the Republican/Democrat oligarchy that has controlled our government since the War Between the States.

This will not happen however, as long as professing Christians remain the "savorless salt" of Matthew 5:13 which has lost it's ability to hold back corruption. We must once again teach our Christian people that there is much more to the Christian experience than being saved. If Christians remain in their comfortable spiritual foxholes, while the battle against evil rages, waiting for Jesus to Rapture them out of the mess caused by their own apathy, the Christian world will go down the drain into horrible slavery. You cannot "Occupy until He comes!" while hiding in a foxhole. Occupation is front line military duty! and the church has been most amiss in this area for years. We either going to 'snap out of our Christian apathy, or suffer a terrible consequence. We need a revival in America, that will do more than get men and women saved, and into church, but which will take back the territory we have given up to the enemy and go on to victory!

As the storm clouds gather, place your trust in Him and "keep your powder dry!" May Yahveh God, the God of our father's, Abraham, Isaac, and Jacob, be with His obedient people.

Your brother and servant in the King’s business,

Jack Mohr

SPRING INTELLIGENCE REPORT - 2001

My move to new quarters in my son Ike's, new house in North Little Rock, went off without a hitch, and I am now comfortable in my new office. It is much more pleasant and comfortable for me than the Retirement Community, and I pray I will be a blessing to Ike, Sandra, his wife, and my granddaughter Amanda.

My life style is already changing, as for the first time since 1995, I'm getting out, and dabbling in the soil. (Like Adam, I'm a gardener at heart, see Genesis 2:15.) I'm putting in a rose garden next to their swimming pool, which will be second to none in the city. While it is somewhat painful for me to do gardening, it is good for my legs, and I love the warm sunshine and fresh air. (The pup and I work well together.)

THE HONEYMOON IS ABOUT OVER!

The political honeymoon of President George W. Bush, Jr., is about over. I see some encouraging signs, while others are not so good. One I most certainly do not approve of is the escalation of the war in Iraq, where we had no business in the first place. It was our government that armed Hussein against Iran, and our Ambassador assured him that we would not interfere if he attempted to invade and recover Kuwait, which had been Iraqi territory for centuries. Let me assure you that I am not an admirer of Saddam Hussein, as he is conniving dictator, like most leaders in the Middle East.

Hussein never was a threat to this country, and the only reason we attacked and destroyed millions of his people, was because the Israelis in Palestine, viewed him as a threat to their security, and what the Israelis want, the Israelis get, from our Z.O.G. As one Israeli official boasted publicly: "We have the best Congress money can buy!"

Now with Colin Powell in charge of our Foreign Policy, we can look for escalation of military actions worldwide, while refusing to defend our own border with Mexico.

Many of you are familiar with God's orders that we must place only our own Israel people over us. Bush has ignored this with many of his appointments, and it will lead us to further sorrow, as the Bible predicts they will become "thorns in our sides, and pricks in our eyes." Benjamin Franklin recognized this well over 200 years ago, yet the founders of our country ignored his words and wisdom, and in many instances the barbarians are inside our gates, and have taken over control of this once Christian Republic.
BRING IN ILLEGALS AND PUT HILLARY 
AND BILL BACK IN THE WHITE HOUSE 
IN 2004!

Heaven forbid, say the majority of White Christians in America, who have been harassed by eight years of Clinton policy, which has trashed the almost sacred nature of American citizenship.

Today most anyone, regardless of his or her moral or spiritual debauchery, or crime, can become an American citizen, with a minimum of effort. They don't even need to speak English. Clinton succeeded, as an agent of the New World Order, in radicalizing Blacks and Hispanics in particular, who with strong support of the controlled media, have now become the new supremacist of color.

The plan to radicalize Blacks in particular to Judaist/Communism, began as early as 1920, when an English Communist/Jew, named Israel Cohen wrote a book titled: "RADICAL PROGRAM FOR THE TWENTIETH CENTURY." It was to become a blueprint, as it were, for Communist actions in the United States. I have quoted from it many times in the past, but it is more relevant now then when it was first written, so I will repeat it! The section I quote can be found in the U.S. Congressional Record of 1957, page $559, and should be available from the Governmental Printing Office, Washington, D.C.

Cohen said in part:

"We (Jewish/Communist) must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by Whites, we can mold them to the program of Communism. Of course nothing is said about the fact that Blacks in Africa, were sold by their own leaders, to Jewish slave traders, for rum distilled in Jewish owed distilleries in Abolitionist New England, then were shipped under terrible conditions to America, on Jewish owned ships. As many as 10 million may have died enroute, then were sold in the New World in Jewish owned Slave markets, fully equipped with Jewish Auctioneers. This condition has been exuberated in America by the controlled media and Black leaders such as Dr. Martin Luther King, Jr., and the Rev. Jesse Jackson, who in spite of their close affiliations with Communism, and their decidedly un Christian moral standards, are almost worshipped by many in the Black community of America - these are held up to Blacks and brainwashed Whites alike, as great American racial heroes.

Many knowledgeable Blacks know that most of the racial problems, which have flared into violence in many Black communities and (Isn't it strange how these savages usually destroy the property of their own people? - Watts and Detroit are good examples.), these Blacks realize that it is caused by the actions of unscrupulous Black leaders who are more interested in money, and power that goes with it, and women, especially if there is an open season against White women.

Cohen went on to say, "The terms White colonialism and imperialism must be featured in our propaganda. (Here again it is interesting to note that all the Black so called Republics in Africa, under Black leadership are infinitely worse off in every respect, compared to their treatment at the hands of sometimes harsh European [White] Colonial powers.

You can't point to a simple Black-led country in Africa, which has worked out to be a true Republic. In some cases, the people have even reverted to cannibalism, in spite of the billions of Christian missionary dollars, which have attempted to Christianize them.
Several years ago I lived on the Gulf Coast, I heard the little fake Jewish evangelist Benny Hinn on TNB, as he literally bragged how his efforts had Christianized twelve African nations. Less than two months later, his Rwandan Pentecostals were hacking their Tutu neighbors to pieces with their pangas - Mohr.)

But once again let us return to Cohen: "While inflaming the Negroes against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negroes." (This attitude can be seen today in many so-called Christian churches.)

"We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process, which will deliver America into our hands." (UNQ) (To see how successful they have been, spend an evening watching TV, or professional sports. They have lovely White women actually *drooling*, when some well known Black athlete or performer walks by. Miscegenation is being *crammed down the throats* of America, when a few short years ago; it was considered a crime. Today *liberality* is considered a major asset, even if it means wallowing in the muck with the hogs.

Today, these *liberals* in politics, education, and religion, whose "conscience has been seared by a hot iron" (1 Timothy 4:2), are leading us to destruction. Jeremiah 5:30,31"A wonderful and horrible thing is committed in the land; The prophets (pastors) prophesy (preach) falsely, and the priests (political leaders) bear rule by their means; and my people (White Israel) love to have it so: and what will ye do in the end thereof?" Then consider Jeremiah 23:22 - "But if they (the pastors) had stood in my counsel, and had caused my people (Israel) to hear my words, then they should have turned from their evil way, and from the evil of their doings." So if you're looking for a *scapegoat* to blame, don't point at the Jews, or the aliens, but look in the mirror. If White Christians had been doing their duty to God and country, there would be no Jewish or alien problem. Since we let the bars down, we must corm with them, or be destroyed.

Foreigners have played an important role in our coastal states from early American history. These primarily Jewish, Black controlled areas, came close to putting Al Gore into the White House. Whether President Bush will give White Christian Patriots a *breathing spell*, until we see and all out effort by the New World Order to take control, is yet to be seen. In accordance with Scriptural admonition, I pray for President Bush and his appointees, that God will use them for good and if they refuse to be used, that He will vindicate His power, so our Israel people, and the heathen alike will know that there is still a God in Israel-

On the surface, and from many sources, it appears though the New World Order plan is to increase illegal immigration, with periods of amnesty to confer legal status to the illegals already here. So that in time (possibly the next twenty years), Whites will be voted out of power in the country our European forefathers formed and brought to greatness. (Mr. Clinton openly expressed his desire to see this happen.)

Personally, I do not expect President Bush to take a strong stand on our problems with Mexico, for as governor of Texas, he never showed any inclination along these lines. Our Secretary of State, Colin Powell, seems in favor of continued American military status around the world, which would preclude American troops being placed along the Mexican/United States border.

It is a scary thing to think of the possibility of Hillary Rodham Clinton as our President in 2004, with Bill as her 100% partner in the Oval Office. Many intelligence sources see this as a distinct possibility. It could easily happen, if Conservative Christians *stay asleep at the wheel*, and seems to fit in with the plans of the One World crowd.

The old saying, "Evil succeeds when good men and women do nothing," most certainly applies here. It is particularly appropriate for modern *churchianity*, which seems to be asleep most of the
time and would, rather be popular with man, than right with God. It will be too late to react in 2004, if this misfortune becomes a reality, since we have reached the point of no return in our one time, Christian Republic.

Today, White Christian Caucasians who are willing to take a stand for God and decency are labeled as White Sunremist haters, while the real haters, such as the A.D.L. and other liberal, mostly Jewish organizations are allowed to do their dirty work unhindered.

These True Patriots are being severely dealt with by FBI agents, if they are bold enough to express their beliefs, their identity, and their rights as White Caucasians.

Black, Jewish, Hispanic, and Asiatic groups never receive this hate label, no matter how destructive their actions may be. Something is desperately wrong in America, and you are part of it! You can't run to another country for safety, for they are all under Internationalist control. Where are the White men and women of courage, who will speak up and say: "I'd rather die on my feet, than live on my knees?" and than follow their words with action if necessary.

It is a fact, proven by 6,000 years of written history, that when a great nation refuses to protect it's borders, it is on it's way out! The Roman Empire is a good example. As it's citizens became so apathetic, they could not be bothered with national defense, they hired mercenaries to protect their borders. When these Germanic tribesmen became powerful they merely had to march into Rome, and the Empire was destroyed. The process started from within long before the barbarians swarmed over their walls, or battered down their gates. Today, in America, the barbarians are already inside our walls, seeking control over everything we do.

Today we are seeing the culmination of the prophesy in Deuteronomy 2S:43,44 which indicated that if we allowed the heathen aliens into our country, "The stranger (alien) that is within thee, shall get up above thee very high, and thou shalt be the tail." Surely, as an intelligent person, you can see how this has happened in America? The designation ZOG (Zionist Occupation Government) has become a reality.

From Mr. Bush's past actions it would appear that he might be part of our Mexican problem, as he has often cooperated with Mexico and like Mr. Clinton has sold out to the international Zionist conspiracy. (This conspiracy envisions the destruction of our National sovereignty, supplanting it with loyalty to a Zionist New World Order.)

ONE TRAY HATE!

We have all heard in the media and on TV about hate groups, yet seldom, if ever, does the media tell us about virulent hate groups, such as Maurice Dees' Southern Poverty Law Center, which is run by this profligate Jew, who has made millions off the name of his organization and by successfully prosecuting Christian Patriots, usually before prejudiced Jewish judges.

While organizations such as the ADL, the SPLC, and the Jewish led ACLU seem to promote tolerance of all kinds, towards sinful actions which have always been considered as disgraceful behavior, yet they openly tolerate murder, genocide and many lesser crimes against those they hate, with Christ and Christianity being Number One on their hate list.

The SPLC, regularly and openly commits slander against hapless victims who cannot defend themselves and it is strongly backed by International Zionist groups such as the Anti-Defamation League, of B’nai B’rith, the American/Jewish Committee, and the World Jewish Congress.

Dees is a proven liar, slander, and a morally bankrupt person who has made millions for himself, off the name of the SPLC. Yet he is upheld by the media as an upstanding leader of high moral character.
The SPLC holds an illegal tax deduction status under U.S. Treasury and IRS guidelines due to their incessant attacks against members of the Christian faith, conservative Christian Patriots, and anyone their secret Jewish backers do not like.

GOOD NEWS -- BUT NOT FOR THOSE WITH WEAK STOAL4CHS.

Two of my favorite Christian Patriots for years, have been Ralph and Karen Forties of London, Arkansas. They publish Christian Patriot materials under the title GOOD NEWS and although I haven't always agreed with Ralph in his efforts to become a public Servant, I have always found their news reports to be accurate and well researched.

Recently I received a letter from Karen (Ralph was too busy with another emergency to write). I want to share this information with you, for it is not only interesting and shocking, but of extreme importance. Because of the nature of some of it, I have issued a warning to those of you who may not be able to digest the strong meat of truth.

TEDDY, THE CHAPPAQUIDDICK KID KENNEDY-

His strong stand against the appointment of John Ashcroft as U.S. Attorney General, based on Ashcroft's strong Christian stand, makes us take a closer look at the Communist "tax-and-chews-us" Senator, from what was the Commonwealth of Massachusetts. We all know about Hollyweird, New York City, and other centers that harbor deadly moral cancers. But Massachusetts, is the hub of an occult malignancy, that is spreading the spores of spiritual AIDS, in an effort to destroy America's youth, especially those from White Christian families.

It's hard to believe that this state was once inhabited by the likes of Captain John Parker, Samuel Adams, William Prescott and many other sturdy Christian patriots.

ITEM NUMBER ONE - SHAMROCK BANNED IN BOSTON!

A Boston Agency brands Ireland's National Symbol, as a hate symbol in a controversial measure designed to placate offended minority residents, officials of the Boston Housing Authority are asking residents to remove shamrocks and other bias indicators, which may be offensive to some minority residents, and must not be publicly displayed. There are a number of symbols the Housing Authority has banned, as making minorities uncomfortable and unwelcome, such as swastikas, Confederate flags, shamrocks, and other symbols of White culture. (I'm sure that this ban does not include Jewish menorahs, the Star of David, or African symbols - MOHR.)

The Housing Authority said: "In response to these minority concerns, we're including shamrocks along with swastikas, and Confederate flags, which may give offense."

Elderly tenants are especially anxious about this new policy which sends them the message that their traditions are no longer considered acceptable. Some of the elderly women feel like they are living in a prison colony. Some of these have been there more than twenty years. You'd think they were entitled to some respect. Instead, some of them actually live in fear, not knowing what is to be
James Kelley, President of the Boston City Council said that the percentage of Whites and Irish-Americans in the city's public housing has dropped in recent years. There is now only a small number of Irish-American, mostly elderly and on a fixed income. Having to take down their shamrocks is a hateful way of letting them know their time has passed. Believe me, the no Irish reed apply here mentality is very much alive and well at BHA."

"Minority residents now constitute the majority of every family development in the city. The BHA is now administered by Blacks and Hispanics. This anti-White, anti-Irish politically correct training, generally towards addressing issues of bias and harassment, was recently nominated for one of the Federal Department of Housing and Urban Development "Best Practices Award."

**CHRISTIANITY BANNED IN BOSTON.**

They use public money for the bizarre, ADL-RS allied religious cult Scientology, to brainwash children.

Before we get into the really shocking stuff in Massachusetts schools, here's a snapshot of the new state religion in government is in Post-Christian America.

In city schools, Muslims are allowed to use the school gym for school prayers and other practices. "Some IZ more equal than others."

Clinton ended his tour of duty by pardoning a gang of Hasidic Jews (an occult Jewish cult founded in Poland), who had been "ripped off" the taxpayers for non-existence Jewish schools. When Hillary was "shaking down" Eastern Jews for money and votes, nobody protested about mixing church and state, when taxpayers money paid for yeshivas (a school for Talmudic studies). Nor does anyone complain about the anti-Christian hypocrisy of the compulsory "brainwashing" that is taking place in American schools about the Holocaust fairy tale. In Harlem schools, every Black youngster has been told that Hitler murdered a million Blacks as part of his "racial purification process," when there were not that many Blacks in all the territories conquered by the Nazis.

**GUESS WHOSE GASSING WHOM?**

You won't see this on TV, or read about it in the newspaper, and "heaven forbid" that Peter Jennings will even mention it. But speaking about the Holocaust devils, liars, and murderers. The Israeli military has launched nerve gas attacks against Palestinian civilians. The TV picture, shown in European newspapers aren't as damning as the flamethrowers used by our government at Waco, but there has been a total blackout in American news concerning this military development. Hilary Anderson, BBC correspondent in Jerusalem, confirmed that she saw dozens of Palestinians who had been affected, on the SBS TV Evening News, from Australia.

**SODOMITES ASSAULTING OF CHILDREN, NOT BANNED IN BOSTON!**

Because it would be considered an insensitive hate crime, the mass media in America has censored news about three Russian Jews and eight Italian Jews, who were arrested after police discovered they had been kidnapping non-Jewish children, between the ages of two and five, raping them and then murdering them on film. Thousands of sick customers were paying as much as $20,000 per film to watch little children being raped and murdered. To stop homophobic hate against those engaged in the Talmudic practice of "integrational intimacy", the commissars of schools in Massachusetts mandated "don't tell your parents about the secret homophobic evangelism and gay action", going on in the school system.

Scott Whiteman, a law student at the Massachusetts School of Law, heard the terrible, unbelievable story of how homosexual activists were using taxpayer money to seduce and ensnare children into their "perverted death style". He went to one of their educational revels, with hidden tape recorder, and recorded their perverted meeting. He then gave copies to the media and the Boston Police.
These guardians of civilization were outraged, not at the vile queers and child molesters, but at Whiteman for taking the tapes and exposing their shameful and contemptible acts. They sought a vile judge, who gave an order forbidding anyone from playing or listening to these tapes. (If you would like a copy of them, they can be obtained by writing to GOOD NEWS, P.O. Box 88, London, AR 72847. It is suggested that you send a contribution to cover the cost of materials and postage.) Your contribution will help in the distribution of this disturbing film.

Another Massachusetts judge, possibly the same one, sentenced Nathaniel Bar-Jonah, a Jewish serial child molester with a 20-year record of kidnapping, and torturing children, and attempted murder of two young boys, to two years of probation. He allowed Bar-Jonah to move to Montana without notifying the authorities about Bar-Jonah's record of child molestation. No one in Great Falls was aware of the crime that had gone unpunished in Massachusetts. Then Zachary Ramsey disappeared. The grisly story that followed left the community sickened. According to the Montana prosecutor, the former mental patient had a history of child kidnapping, assault and molestation. He captured ten-year-old Zachary, sodomized him and then butchered him and fed his remains to unsuspecting neighbors, boasting how he had killed and dressed the meat himself. His neighbors told police that he had served them meat, which had a peculiar taste.

Teddy Kennedy, who doesn't lie any better than he can swim, made John Ashcroft, President Bush's Attorney General grovel during Senate confirmation hearings, and vow not to attempt to overturn the Roe-vs. -Wade abortion case. Here is one true story you didn't see in the media or on TV. Which is an aftermath of this Supreme Court decision. Donna Santa Maria got pregnant when she was fifteen. Her boy friend wanted to marry her. Her parents were agreeable, but didn't want anyone to know their daughter had become pregnant outside of wedlock. They ordered her to have an abortion, but the fifteen year old did not want to murder her first child and the abortionist refused, fearing a lawsuit.

Her parents enraged, assaulted the child, stomping on their daughter's stomach to cause her to abort. When their grandchild survived this brutality, they found another abortionist who would perform the operation and took their sobbing daughter to him. He strapped Donna down and ripped her unborn, living child to shreds.

Donna's case is not at all rare. What is different is that the fifteen-year-old girl had the courage to sue the abortionist, who consented to break the law. Now other girls with similar experiences are joining in a class action suit. Pray that millions of women victims will join in this suit to overturn Roe-vs. -Wade.

Two of the women who signed as Norma McCovey (June Roe) and Sandra Cano (Jane Doe), who made history in 1073 when they won the infamous Roe vs. Wade and Doe vs. Wade, both cases which had legalized abortion on demand, and resulted in the murder of millions of unborn babies. Now they are petitioning the US, Supreme Court to overturn this evil edict. There has never been anything like this in the legal history of America. You missed this on the evening news? I wonder why? None of the national news gurus bothered to even mention it. If Christians do not win in this case, it will prove without the shadow of a doubt that the Supreme Court is an agent of the Satanic conspiracy to destroy Christian America, and we will appeal to a higher authority, and a higher judge, than the travesty, which now sits in Washington, DC.

Many so-called Christians are offended by true stories such as the above. They think exposing baby killers, Sodomites, and gun grabbers is not the task of born again Christians. Yet those of us who take time to study the Bible know this is not true, Titus 1:13 - "... Wherefore rebuke them sharply, that they may be sound in the faith." The reason evil men (notice the preponderance of Jewish names in the fields of abortion, pornography, prostitution, etc.) are having field day in America is because Christian pastors have fallen down on their duty to: "Preach the Word, be instant in season, out of season, REPROVE, REBUKE, (and then) EXHORT". (2 Timothy 4:2) Why should a pastor REPROVE and REBUKE before he tells his congregation how great they are in the eyes of God, and how God won't let anything bad happen to them? The answer is found in verse 3 - "For the time
will come, (is here now) when they (Christians) will not endure (accept) sound doctrine: but after their own lusts (longing for material things), shall heap (gather) to themselves teachers (preachers) having itching ears; and they shall turn away their (Christian) ears from the truth, and shall be turned to fables." (2 Timothy 4:4)

One of these fables, promoted by the women's lib and freedom of choice group, is that a woman has the right to control her own body, including the new life she may be carrying in her womb. But the Apostle Paul indicated in 1 Corinthians 3:16 that this is not true, for Christians are the temple of God, and that the Spirit of God dwells in that temple. He goes on to say that if we (men or women alike) defile (harm) this temple, "them shall God destroy: for the temple of God is holy, which temple ye are."

How many of our Christian youth understand this? How many have ever had 1 Corinthians 6:20 explained to them? "Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price (the blood of Jesus), therefore glorify God in your body, and in your spirit which is God's."

If Christian girls would realize the value of their body, then most assuredly they would not get pregnant outside of marriage, no matter how strong the temptation might be. If they were forcibly raped, and got pregnant, they would still recognize that the life inside their body belonged to God. Likewise, boys would recognize the sacredness of a girl's body. Christian men, who recognize this truth, would make it exceedingly hard for those doctors who practice this abomination, and could do it without breaking the law.

As Christians we must strike an axe at the root of all evil and let the chips fall where they may. I'm sure most of you realize that a hundred years ago an abortionist would have received short shift anywhere in the country, while a Sodomist would have received the fate God has decreed for them (see Romans 1:31).

Our duty is to obey God, not to please man. John the Baptist lost his head because he reprimanded King Herod for living with his brother's wife. Jesus, the Son of God, made a whip and drove the moneychangers from His Father's House. Today the modern church is apt to make them a Church official.

We must somehow or other get across to our Israel people, that the root of our problems, is not the Jews or the aliens, although they add to it, as they have become the "thorns in our sides and pricks in our eyes," prophesy foretold if we allow them to enter our land (Numbers 33:55). But they are not the cause of our problems; they are the effect of White Christian disobedience (Study Deuteronomy 28 and see for yourself.) I keep referring to White Israelites, for it was to them that God's Law was given, and to them that His blessings and curses apply.

Unfortunately many so-called Christians and their leaders have reached the place where the praise of men means more to them than the approval of God. (John 12:43)

We are told in Isaiah 58:1 that the duty of the Watchman is not to make the people feel good or comfortable. It is not to make Christianity agreeable to the entertainment world, to professional sports, to the Rotary crowd and the business world. The Watchman is enjoined to: "Cry aloud, spare not, lift up thy voice like a trumpet and skew my (Israel) people their transgressions, and the house of Jacob their sins". It is not to condone evil in our leaders as so many Christians, including Dr. Billy Graham did in the case of President Clinton. It is not to find excuses for our church leaders when they fall short of doing their God given duty, but rather: "Have no fellowship with the unfruitful works of darkness, but rather reprove them." (Ephesians 6:11) When was the last time you heard your pastor, from the pulpit, reprove another pastor, a politician, or an educator who was obviously doing wrong? Or did the Christians cry out: "we must not judge them?"

We cannot serve Christ and the world (Galatians 1:10). We already have FORMULA FOR SURVIVAL available to us, in 2 Chronicles 7:14. If we will give it more than mere dip service. My
how our churches like to quote it, while there is very little *humble*, fervent praying, seeking God's face and turning from disobedient ways. Most of our church folks are like those Jesus spoke about in Matthew 15:2 - "This people Israel draweth night unto me with their mouth, and honoureth me with their lips; but their heart is far from me. But in vain do they worship me, teaching for doctrines the commandments of men."

I believe the most important lesson White Christians in particular must learn to be victorious, is that obedience to God must come before we can expect Victory! I don't believe this important message can be repeated too often!

Thank you, Ralph and Karen for your strong message, and pardon me for putting in my two cents worth.

**PREPARE FOR WAR!**

With all the talk about George Bush Jr.'s, Administration being free from the foreign domination we saw under President Clinton, it might be well to remember that Bush's closet advisor is a Jew. According to the March 2001 GANPAC BRIEF, George Sr., holds the Jewish franchise for the North American dope and oil trade, and it is doubtful that George Jr., will give up this extremely lucrative business which has made the Bush family wealthy.

Most of us saw George Sr.'s. war against tiny Iraq in 1990-91. Now much evidence points to the fact that his son, George Jr., who is now our President, is ready to renew hostilities under the guidance of our hawkish Secretary of State, Colin Powell, which never should have been instituted in the first place. Hussein and tiny Iraq have never been a threat to us, and it was only as the Israelis became upset at Hussein's show of power in Kuwait, that George Bush Sr., acted. It was a bully's attack against a sovereign country.

There is much evidence, that when the massacre of almost helpless Iraqi ended in 1991, that Cheney and Powell, who were principal figures in that massacre, began planning for two other wars one in the Middle East, and the other in the Far East, and are now carrying out these Internationalist plans under Bush auspices.

For decades now, ever since the Jew Edward Mandel House became the *alter ego* of Woodrow Wilson, in 1913, a Jew has attached himself like a leech to our Presidents. If he shows signs of independence from international Zionism plans, they get rid of him, as they did with John Kennedy.

Israel has now issued an ultimatum in the Near East. Any attack on Israel from Lebanon or Syria, will be a cause for a war that will change the balance of power in this troubled area.

Few Americans realize that our entire former occupation army in Germany is now in the Middle East. The 10th Division is on the Turkey/Iran border. Two more divisions occupy the Suez Canal Zone to protect the Israelis from an Egyptian attack. Another division is in the gulf, and a fifth in Yugoslavia. The 10th Mountain Division, and the 82nd Airborne, and another armored division are in Texas, with another division in reserve in Oklahoma.

The Israeli now have three German built submarines, equipped with nuclear tipped missiles, which are on duty in the Indian Ocean.

Colin Powell, in the mean time, a full-fledged pawn of Zionist interests, and now our Secretary of State, has indicted his interest in keeping American military forces overseas as international policemen for the U.N. while our southern border with Mexico goes largely unguarded against illegal immigration.

Our military commanders in Tokyo and Seoul, know that North Korea has moved 2/3rds of its vast
army into attack positions along the 3$d'$ Parallel, as they did in 1950, while Red China is rattling their sabers with plans for an invasion of Taiwan. They have issued a hands off ultimatum to the United States.

Although Colin Powell knows there are over 1.2 million elite Chinese troops in Panama, with hundreds of thousands more in Mexico, he has publicly stated that they pose no danger to us or Panama.

Yet high ranking combat commanders, who have had much more battle experience than Powell's Iraqi turkey shoot, men like, John Singlaub, are concerned with the danger posed by a Chinese presence in Panama. There is little doubt that if war breaks out in the Middle East, with full American involvement, that China will attack both Taiwan and South Korea, while we are effectively bottled up with the bulk of our combat forces in the Middle East and China threatening us from Panama.

The Communist/Zionist forces are merely following a blueprint laid down many decades ago, when their leaders stated: "First we will take Asia, then Europe and Africa. Then when the United States is surrounded and cut off from their allies, they will drop into our laps like over ripe fruit, without us firing a shot."

Could it be that things are shaping up for the Ezekiel 38/39 invasion, which will come against the Israel nations of Christendom, not the anti-Christ's in Palestine? This in spite of all the false teaching coming from TV evangelists like Jack Van Impe.

Could we soon see George Washington's Valley Forge Vision became a terrible reality?

In spite of the fact that President Bush has appointed few Jews to his Administration every sign points to the fact that they are still the power to be reckoned with in Washington, DC. They are possibly a worse danger now, as many naive Christians will refuse to see the danger posed by this anti-Christ element in our country, who have been raised to God's Chosen People status by their pastors when their stated objective as often stated is to destroy White Christian civilization.

Now is a time for us as Christians to be alert and remember that eternal vigilance is the price we must pay if we are to remain free! Both physically and spiritually!

May the Father richly bless you and yours during the uncertain days that lie ahead!

Your brother and servant in the service of Christ the King,

Jack Mohr

"Ambassador to be, from realms beyond the sea;
I'm here on business for my King.
This is the message that I bring,
A message angels fain would sing.
D, be ye reconciled, thus saith my Lord, the King;
O, be ye reconciled to God. "

A SPECIAL MESSAGE FOR DECEMBER
It hardly seems possible that we are in the last month of the year 2000. Many of us never thought we would live to see the 20th Century end, but God has graciously allowed us to see the turn of the Century. This has been a momentous year and we are "not out of the woods" yet!

It is always good to see the Old year end on a positive note so this message will be a change of pace from the normal Intelligence Report.

I have had many people from within the Identity Movement, who have asked why I normally do not use the old Hebrew names for God and Jesus, which are referred to as the Sacred Names?

In some cases, this usage has become a sore spot within the Christian Identity Movement, as extremists have told me that God would not hear and answer our prayers, if I did not speak to Him, using His old Hebrew name. One brother even went so far as to tell me I was wasting my time praying to God. This caused me to smite, since He has been hearing and answering my prayers, for the 36 years I have been in His service, and even before when I called on Him for mercy. I have never addressed my Heavenly Father other than by His English name of God.

Unfortunately, some in the Identity Movement, have carried this to the extremes and have broken fellowship with those of us who use the English names for God and His Son.

I do not criticize anyone who uses the old Hebrew names, and I sometimes use them myself, when I am with people who understand what they mean, I have found that the vast majority of those who call themselves Christians, do not understand what we are speaking about, when we use the Hebrew words YAHWEH and YASHUA. Since the Bible is not a book of confusion, I have attempted to keep away from, anything that might cause it, as long as I know I am within the authority of God's Word.

I am indebted in my defense, to the words, of a J. Preston Eby, of Kingdom Bible Studies, P.O. Box 371240, El Paso, TX 79937, which expresses my feelings better than I could myself. I am quoting them in part with Editorial License.

There is much misleading teaching in these days concerning what is known as the Sacred Name Doctrine. So I will attempt to shine the light of God's Word upon the matter, so that darkness, confusion, bitterness and error might be dispelled and that the truth might be seen in all its glory.

No child of God, needs to be uncertain or in doubt about speaking openly to God, or His Son, our Savior in words of his or her own language. There is no requirement, anywhere in the Bible, that we must use Hebrew when addressing either God, or His Son, Jesus our Savior.

God's name is important! But must we, as some claim, use only the old Hebrew names when speaking to the Father and His Son?

Is salvation, or true reverence based on our use of some particular language or a certain set of sounds? Of course not! (In this case we will assume it is English for that is the language most of us claim as our own.)

We speak of the Lord God, and of Jesus Christ, our beloved Savior, all wonderful words, in the English language and fraught with meaning.

The notion that we must use only God's Hebrew names is of no ancient origin, since it was not used in New Testament times when Greek was the spoken language of Judea. Actually the use of the Hebrew names began in America less than seventy years ago, and were promoted mostly by those who adhere to the Seedline Doctrine.
At this time, proponents of this idea began to claim that it is a gross sin to use the name of Gad, or His Son, in any language but ancient Hebrew. This was made a requirement for one to enter into God's Kingdom, although no such requirement can be found anywhere in Scripture.

These have taught that the names we must use, are the Hebrew YAHWEH for God, and YASHUA, for His Son Jesus. The Hebrew word ELDHIYM, must also be used, which is the English equivalent of God.

It is showing rank disrespect for God and His Son, to use the anglicized words God and Jesus Christ. We shall see!

These same folks declare that when we pray to God or His Son, we must use the old Hebrew words in order to be heard, although they can show no Scripture to substantiate this claim. It is wrong, they say, to translate the names of the Deity into English or any other language. In other words, we may freely read and discuss our Bibles, as they are written in English or some other language, but must only use the Hebrew words when we speak of God or Jesus Christ. Some like the Assemblies of YAHWEH, in Pennsylvania, headed by the Jew Jacob Dyers, have gone so far as to turn Mary into Mariyam; Israel into Yisrael; Joseph into Yosef, and Jerusalem, into Yerusalayim. It appears to me as though the enemies of God, are trying to Judaize Identity, much as they did in Acts 15, when they taught that a man had to be circumcised before he could be saved. (See Peter's answer in verse 10.)

Using the anglicized words for God and Jesus, will keep us from salvation, they say. Even though there is no place in Scriptures which teaches this. Are the old Hebrew names the only one's acceptable to God? Is He insulted when we use His name in English? Let's look at the evidence and see.

The greatest revivals which have ever been preached in the Christian world, that have swept million's into God's Kingdom, have been preached in English, using the names God and Jesus.

The great revivals of the First Christian Century, that put the Christian church revivals of the first Christian Century, that put the Christian, church on it's feet, were preached in Greek, not Hebrew. There is no evidence that Peter on the Day of Pentecost, preached in Hebrew and used the Hebrew names for God and Jesus.

It could seem reasonable to believe that if God disapproved of His name being spoken in English, He would not have placed His obvious blessing on these great revivals.

The name YAHWEH does not convey to use the same identical meaning it did to the ancient Hebrews. I did not hear the word spoken or see it in print, until I began to rub shoulders with the Identity folks about 1980. When I heard it the first time I was not impressed with it, for it was a foreign word. I didn't even like it's sound, as it seemed harsh and guttural, when compared to the poetic beauty of the King James Version of the Bible. As far as I was concerned, it had no special meaning.

The word God on the other hand is a deeply meaningful word to me, as are the words Lord. Christ. and Father. When I think of God, I think of the Almighty Creator, and when I think of Jesus, I think of His dying on the cross for me. The word YASHUA does not fill my heart with love, warmth and gratitude.

The English word God conveys to me the meaning of the Almighty Creator, the Eternal One, the Almighty Father, the Great I Am. It means God. Think about this! I can kneel in the presence of the Heavenly Father and say, "My Father and my God," a phrase my friend and mentor, Pastor Sheldon Emry used so often in prayer. I could never receive the same blessing by praying: "YAHWEH, my ELOHIYM," for to me something special is missing. If your mind works like mine, the English words, are much more pregnant with meaning than those spoken in Hebrew, or any other language. So what was appropriate for Moses, and the Children of Israel, is apparently not appropriate for us today. Although I can see no harm in using the Hebrew words, if they are more meaningful for you.
But please don't try and cram down my throat, the idea that I must use these Hebrew words in order to enjoy God's blessings for it is not true.

There are three basic assumptions behind the use of the Sacred Names. (the word assume comes from a Latin word that means, "taking on yourself a new position; taking for granted that something is true.")

The first is that Hebrew is God's language, that it is something special and holy. Yet there is no such teaching anywhere in the Bible.

The second assumption is that the New Testament was written in Hebrew or Aramaic, and that it's origins were not contaminated by Greek paganism.

The final assumption is that the correct pronunciation of YHWH has not been lost in the mists of time, but is the same today, as when it was used by Abraham 3900 years ago.

If any of these assumptions can be proven untrue, the doctrine of the Sacred Names will crumble.

Most Sacred Name proponents believe that Hebrew was a special language - the language God used when He spoke to Moses on Mt. Sinai; that God has chosen and ordained Hebrew to be the language of His people Israel. Therefore they consider it to be a sin to translate God's Hebrew names into English or any other language, because this causes it to become paganized.

This question follows - is Hebrew God's specially ordained language, or was it normal, humanly developed language which just happened to be in use in the area where God's chosen, Israel moved?

All authorities on linguistics and archeology agree that Hebrew was never an isolated Divine language, which was spoken only by the Israel people. The question is, do we have Scriptural authority to make such a statement? I believe we do. Hebrew was exactly what the Prophet Isaiah called it in Isaiah 19:18 - "In that day shall five cities in the land of Egypt speak the language of Canaan, and swear to Yahweh of hosts."

Hebrew was known as the language of Canaan, although there were many minor dialectical variations between Phoenician, the language of Tyre, Sidon, and Gegal, and the language of the Canaanites who lived in the land Israel was to occupy, it was also a universal language among other nations in the area, much as English is recognized today worldwide. These people could converse freely with another without the need of an interpreter, as they needed when they were in Egypt.

By reading ancient history in your Bible, from the moment Israel entered into Canaan under Joshua, there was a problem with them understanding the Canaanite language. They conversed freely with each other. The magazine "BIBLICAL ARCHEOLOGY" has clearly proven that the people of Palestine spoke Hebrew or the equivalent of Hebrew in ancient times.

One of the common Old Testament names for God in Hebrew was EL. EL creates some what of a problem for the Sacred Name folks, because it was used by the heathen Canaanites, long before Israel arrived in the land.

It is well known that Moses penned the first five books of the Old Testament, known as the Pentateuch, and in the cuneiform religious tablets which have been excavated in old Canaan. EL was designated over and over as the head of many gods worshipped by the heathen Canaanites. EL was the husband of Asherah, and the father of all the Canaanite gods. If it is wrong to use God's English name, because it was used by the Druids of Britain in their heathen worship, then it is also wrong to use the name ELOHIYM.

The word ELOHIYM is used some 244 times throughout the inspired Old Testament in reference to pagan gods. This usage by the Holy Spirit should show us that it is permissible to use the words God and Jesus, in English, when we refer to the Father and His Son. It is the meaning of the words that are important, not their spelling or pronunciation.

The Sacred Name advocates avoid the use of the word LORD, and this is curious, because the Old
Testament which seems to be the favorite with most Sacred Name folks, calls YAHWEH LORD on several occasions, (see Ezekiel 2:4). In this verse the Hebrew words YAHWEH and ADONAI (Lord), are used together to form the four letter title LORD.

Since the Old Testament uses the Hebrew word EL for God and ADONAI, for Lord, how can it be wrong for us to use these same titles today?

EL, or YAHWEH, or AD NAi means little to millions of born again Christians who have never heard them called these names, while GOD and LORD have profound meaning to many English speaking peoples.

The SACRED Name people love to quote Hosea 2:15,17 - as proof that it is an abomination to the Almighty to call Him LORD - "And it shall be at that day, saith the LORD, that thou (Israel) shalt call me Ishi (Hebrew for husband); and shalt call me no more Baali (Lord). For I will take away the names of Baalim out of her mouth, and they shall no more be remembered by their name."

This passage clearly shows that a day will come, when the LORD's people (Israel) will no longer refer to Him as (Baal! - Lord), but will call Him ISHI (my husband). Yet I have never heard a Yahwehite go about speaking of the Almighty as ISHI, or praying to ISHI for guidance and protection.

BAAL in English is not LORD, it is BAAL a heathen god. In Hebrew it had many compound forms, just as YAHWEH does. For proof that the Almighty has done exactly what he said he would do, He had taken the name BAALIM out of our mouths, and in English it has been replaced by LORD (the equivalent in Hebrew to ISHI - my husband).

Although most of the Old Testament was inspired in Hebrew, Daniel and Esra, wrote their books in Aramaic, which was the language of the Persian Empire, and which replaced Hebrew as the spoken language of the Middle East.

No where in any Aramaic or Syriac manuscripts can you find the words YHWH or ELOHIYM used.

Those who have examined these ancient manuscripts tell us that in dozens of places, the writers in Aramaic and Syriac, rendered the Hebrew words for GOD into the Aramaic word ELAH. This is proof, that the Holy Spirit approves the translation of the HEBREW name for GOD into the language spoken by His people. What about the New Testament, the New Covenant GOD was to make with His Israel people? The original inspired language of the New Testament was Greek, not Hebrew. Greek was the Universal language and was largely accepted as the language at the time of Christ, just as English is accepted now. Most of the New Testament was written by the Apostle Paul. He was the apostle sent by GOD to the so called GENTILES, which is the Greek word ETHNOS, meaning TRIBES or NATIONS and refers to the tribes of Israel who had been taken captive into Assyria, and escaped to settle in Asia Minor. Bible readers are sometimes confused as to why the Apostle Paul was forbidden by the Holy Spirit to preach the Gospel in Asia. (Acts 16:6,7) But Paul had a vision in which a man from Macedonia, in Asia Minor said: "Come over into Macedonia and help us!" Why Macedonia instead of Asia? It is quite understandable if you think about it. For many of the Israelites who had escaped from Assyria, had settled there.

Remember how when Jesus first sent His disciples out with the Kingdom message He told them to go only to the "lost sheep of the house of Israel"? These Israelites in Asia Minor heard the Kingdom message spoken in Greek, where Christ was called IESOUS (Jesus), not the Hebrew YASHUA.

The people Paul preached to did not speak Hebrew, and I sincerely doubt that he paused in mid-sentence, to switch from Greek to Hebrew, when he came to the name of God or Jesus. There is no scriptural evidence that he used the Hebrew words YAHWEH or YASHUA.

The other inspired writers of the New Testament, also wrote and spoke in Greek, so it is very unlikely that they used the Hebrew words for God and His Son, Jesus. There is no scriptural evidence of this, and it is only an assumption on the part of those who teach this doctrine. This
should give them no scriptural authority to condemn those of us who use the English words. (This
does not hold true of all who advocate using the Sacred Names, and I have many good and highly
respected friends, who hold this stand. They respect my use of the English words, as I do theirs in
Hebrew.) As I stated before, the purpose of this article is not to sow bitterness or dissent, but to
explain truthfully my stand on the subject of the Sacred Names. I pray that I will not have to say as
the Apostle Paul did to the church at Galatia, Galatians 4:16 - "Am I therefore become your enemy;
because I tell you the truth?" I want you to hear the facts from me, not from some second hand
source.

In the face of all available facts, and to defend their stand, the SACRED NAME people must deny
that the New Testament was written in Greek and wrongly assert it was written in Aramaic, some
even say Hebrew.

At the time of the New Testament translation they claim the sacred Hebrew names were changed to
pagan Greek ones. Tire burden of proof lies on their shoulders, and they cannot logically or
scripturally defend this contention.

The Aramaic Version of the New Testament available today, is clearly a later translation taken from
the inspired Greek. The only copies of the original New Testament writings have been preserved in
Greek, not in Aramaic or Hebrew. No one can produce and original New Testament manuscript
written in either Hebrew or Aramaic, for there are none.

There is no doubt that the Greek of the New Testament is inspired by God, for it is perfect in every
way, including numerology. The Greek f word KURIOS is used in the New Testament when
quoting from the Old and demonstrates without the shadow of a doubt, that it is permissible to
translate the names and titles of God and His Son from Hebrew into the language spoken by the
people.

Since the New Testament was as much God inspired as the Old, we r know the word IESOUS is
correctly translated from the Hebrew YASHUA. The numerical design in the Greek New Testament,
is not a mere curiosity. We find the numeric value of the Greek name IESOUS (Jesus) to be 888.
Eight is the symbolic number of the New Covenant and stands for resurrection and regeneration. In
Isaiah 53:10 it states: "all the ends of the earth shall see the salvation of God." The numeric value of
this salvation is 888 in Greek, the same as for the name of Christ. Indicating to me that it is correct
to call His name Jesus. When the angel Gabriel spoke to Joseph, the foster father of Jesus in
Matthew 1:21 he told him: "And she (Mary) shall bring forth a son, and thou shalt call His name
IEOSUS (Jesus, not YASHUA), for He shall save his people (Israel) from their sins." That is the
meaning of IEOSUS in Greek, SALVATION.

Examples such as this can be found hundreds of times until it becomes obvious that this was by
Divine arrangement, for no other Greek writings can be found with this numerical design.

Can you not understand by this, that IEOSUS is the inspired name of Jesus in Greek? In English we
have the name Joshua that comes from Hebrew, and Jesus is the same. Both Jesus and IOSUS have
the same meaning - Savior! They are blessed names, no matter in which language they are used, and
you should be blessed by using them in your own language.

While Hebrew was the language chosen by God, to give His revelation of truth to His Israel people
in the Old Testament, under the Old Covenant, Greek was used by God to reach the "lost sheep of
the house of Israel." (This does not refer to unsaved Jews as many pastors will tell you, for the
Greek word for LOST, is APPOLUMI, which means: "Those banished for their disobedience," and
this applies only to the Israelites who were sent into captivity in Assyria along with most of the
Judeans.

With an honest reading of the New Testament it becomes evident that the time for Hebrew to be
used by Israel passed with the Old Covenant. It's use, no matter what the opinions and efforts of
men, will never return again. The Hebrew language and the Old Covenant are inextricably and
forever linked. But in the final analysis, we find Hebrew no different from any other language, and it most definitely is not now or ever has been the language of heaven.

God is a Spirit, and the language of heaven is neither Hebrew, Greek, or English. It is a spiritual language that can only be understood by the Spirit. We get a hint of what this language is like in Romans 8:26, where the Apostle Paul said: "Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought but the Spirit itself maketh intercession for us with groanings which cannot be uttered." (The word groanings in Greek is TENAZO, and means "an inaudible prayer.") The language of the Spirit is a communication of mind with mind, as the Holy Spirit communicates with us in a realm far beyond any language of man. (It most definitely is not the "glossalalia" of the Pentecostal folks.)

To speak of God as having names in the sense which men have names, is to limit Him as though He were a man. He is an Infinite Spirit who had deigned to reveal the many sides of His nature to men and women, so that it is understood in any language.

A SECOND WITNESS.

The Bible indicates that wherever possible we should have a second witness, to back our contentions. As I was composing this message, I received a copy of a letter from Pastor Charles Kuehler, a long time friend and pastor of the Virginia Christian Israelites, (P.O. Box 209, Round Hill, VA 22114) which he had written to an Identity brother who questioned his use of the English names for God and Jesus. His answer was a confirmation as far as I was concerned for me to write this message to you. I will quote only parts of his answer.

Dear Brother: I thank you for the information you sent last month on our use of Sacred Names. As you recognized, I do not use the name YAHWEH (derived from the Hebrew Tetragrammation). I have in the past been criticized for using the spelling YAHWEH, rather than that which some prefer as YAHVEH. I have studied the usage and deviations and prefer YAHWEH. I do not fault others who prefer whatever names they wish to use, but am rather rigid in my usage. I have seen other names such as JEOV AH, YAHVWEH, JA H, YAH, and so forth. I also use the names LORD, (Capitalized) and God, and while I use those names, I am referring to the One Almighty who is also called YAHWEH. The Father knows what is in my heart, when I use the terms LORD and GOD. (He can also be called the I AM of Exodus 3:14) I also use the name Jesus Christ, to indicate the only begotten Son of God, our Savior. If I am in the presence of those who use what they call the Sacred Names, I prefer YASHUAH. It appears to me that there is a greater disagreement on this than on the name of the FATHER. What is wrong with JESUS?

It is English, and I believe this is the language most of God's people speak. For those who insist on Hebrew, I would point out that the New Testament was written in Greek, so why not use Greek? The Jews (especially the Zionist rabble) love to see the name JESUS discredited and eliminated from common use, and are always in the forefront of such attacks.

Perhaps the main reason I use the name Jesus Christ is because everyone knows whom I am referring to. There are a lot of milk Christians (1 Corinthians 3:1,2 and Hebrews 5:12-15) who are unable to handle strong meat. We are warned against sowing confusion among the brethren and many do not understand the true Gospel message. By using and insisting on the use of the Sacred Names in Hebrew, we may sow confusion and have some neophytes thinking we are some sort of cult.

I don't seem to remember the Apostles, and even the Messiah Himself, restricting their message based on individual knowledge, and if anything, they were bringing the Kingdom message to those who had never heard it before.

The biggest opposition to our Savior and His Apostles, came from the religious leaders and I think this is still true today. Isn't it more important to reach His lost sheep, rather than confuse them with our supposed superior knowledge?
I have not seen where the use of the Sacred Names, has resulted in a more harmonious accord among our people and those who demand it's use.

We have some preachers, Bible researchers, and others who use the Sacred Names, and we do not frown on, or forbid their use.

As long as something is done in a proper manner and with a sincere attitude of fear and respect for both the Father and the Son, we find it acceptable.

I hope you understand why we do certain things with regards to the use of these names. We mean no disrespect for either the Father or the Son, and we surely do not wish to promote animosity among our people.

Sincerely in the service of YAHWEH God,

Signed: Chuck Kuehier, Pastor
Virginia Christian Israelites

Thank you Pastor Kuehler for allowing me to use this clear message of your belief. I am behind you 100%.

I hope this brief dissertation has cleared up in your minds why I seldom use the old Hebrew names of God and Jesus. I am an American and my language is English, so I worship and commune with my Savior and my God, in the language He has assigned to us. Please do not break fellowship with me, because I do not speak to them in a foreign language.

Your brother and servant in the service of Christ the King,

SUMMER of 1999
ALERT! ALERT! ALERT! ALERT! ALERT!!!

Historians have observed that in war, TRUTH is always the first casualty!

During the Korean War, I met a lady war correspondent named Maggie Higgins, who made quite a name for herself with the front line troops. She was a pretty gal, but as tough as nails, who didn't mind sharing the hardships with front line soldiers, as she looked for news stories. She even visited me while I was Advising a South Korean Infantry Regiment on the Pusan perimeter.

Because of a very close relationship with an American Colonel who was leading an American Infantry Regiment in combat, she got into areas normally off limits to reporters, and although she told an essentially true story of American troops in combat, she was inclined to be prejudiced when she spoke about the South Korean (ROK'S) troops as they were called, who many Americans referred to as gooks. The story was prevalent in the American media, that the ROK troops could not be trusted in combat, and that they would often pull out and leave large gaps in our defensive line. When a all black Infantry Battalion did the same thing in July, 1950, leaving a five mile gap on our flank through which thousands of enemy troops poured, little was said about this in American newspapers. Nor did they bother to explain to their reading public, that many South Korean soldiers were being drafted off the farms and sent into combat without ever firing a weapon. I had a high regard for South Korean troops, for they saved my bacon on a number of occasions.

Later at the Yalu River, in North Korea, on the Manchurian Border, during that bitter winter of 1950, we watched in dismay, as huge numbers of Chinese troops crossed the Yalu River Bridges, with their equipment, and our Air Force was stopped from bombing them by orders from Washington, DC. There was a fifty mile zone south of the Yalu, where our planes could not hit. On at least one occasion that I am familiar with, an American flight of eight F-86's escorted a flight of ten B-29's on a bombing mission south of the River. There were attacked by forty Chinese MIG's from the Red Chinese airfield at Antung and one bomber was shot down. When our planes attacked them, they fled into the sanctuary of Manchuria. Only this time, the American commander, a Lt. Colonel went after them in hot pursuit, shooting down 10 of the enemy planes. On their return to friendly territory, they passed over the airport at Antung, where there were hundreds of MIG's on the ground. The temptation was too great for the red blooded Americans, and they attack the enemy, destroying a number of planes, and saving hundreds of American lives. On their return to their base, their leader was placed in "arrest of quarters" and later court marshaled, and sentenced to seven years in Leavenworth, for "disobedience of orders", doing what they had been trained to do, hit and destroy America's enemy. None of this disgraceful affair appeared in the media reports of course.

I have said all this to remind you of the remark I made in the beginning of this article, that "In war, TRUTH is always the first casualty!"

We LOST our first no win war in Korea (it was not "peace with honor", as our media said), not because our men were not valiant in battle; there were many heroes in our ranks. We did not lose it because of inferior equipment, but because of the immorality of the men in Washington, DC who sent our men into combat, with no plan for victory and then ended by abandoning over 7,000 of them to the tender mercies of a savage enemy, we are now trying to aid in every way possible. When General MacArthur came out with the statement, "There is no substitute for victory!" and proved it by his successful Inchon Landing, he was fired by President Truman and the media, as usual gave the American public a false view of what had taken place. There is no doubt in my mind, that the actions taken by our leaders in Korea, laid the foundations for another War in Vietnam, that cost us more than 50,000 dead. Our vacillating Foreign Policy ever since, has been based on the
desires of the anti-Christ foreign element which now controls America, and which is seeking to enslave us.

Our problems in Serbia today, are not caused by our military but by those elite in government who follow a foreign policy that is contrary to all our beliefs as a Christian nation.

Many Christians in particular can't understand that the war in Serbia has not ended, and that we are in a more precarious position than when the bombing began. I believe we are now standing at the time in history that the Apostle Paul predicted in 1 Thessalonians 5:3, when he said, "For when they shall say, peace and safety, then sudden destruction cometh upon them ... and they shall not escape."

I have a very strong gut feeling, if you could call it that, the patience of the Almighty God with America is growing mighty thin, and that sometime very soon now, we will be taken to His woodshed for the thrashing we deserve. (see Hebrews 12:6,8)

A nation such as America, who KNOWS God's TRUTH and who boasts of having 50-million born again, yet refuses to OBEY Him, and continues doing their own thing, will not escape His wrath. The apathetic Christians who refuse to take a stand now, are not going to be Raptured off when things get really tough, since they are the salt that should have held back this corruption.

Today there is a creeping hollowness in America's military strength, and the Pentagon stated this fact in their July through September 1998 Report on Military preparedness to Congress. Our military is showing a growing inability to keep it's fighting edge. It is losing many of it's best Officers and Non-Commissioned officers; combat veterans who are disgusted over the bankrupt foreign policy the military is often forced to carry out. In spite of boosting cash incentives, the Air Force remains powerless to stop the exodus of it's trained pilots.

These problems, combined with American participation in foreign problems which have nothing to do with the safety of America, in over 100 areas world-wide, are taking its toll. Many of these men and women are beginning to realize that they are not in the military to protect the country they love, but are at the whim of conscienceless villains, who are only interested in their own power and wealth. As far back as 1856, we have statements from world Jewish leaders, such as Rabbi Reichorn of France, who at the funeral of another Rabbi said, "Wars are the Jew's harvests. With them we kill off Christians and gain control of their gold. We already killed 100-million of them, and the end is not yet." These are the evil men whose grab for power and wealth overcomes all scruples of conscience and now control America.

Many men and women now in uniform, and those of us who wore it proudly in the past, are becoming greatly disturbed by the downright TREASONOUS acts committed by our present Commander and Chief Bill Clinton, which landed him in an impeachment proceeding for sexual misconduct and lying about, when the Senate should have tried him and found him guilty of outright TREASON!

Former Chief of Staff, Retired Admiral Thomas H. Morrer, wrote to the House Judiciary Committee, "Although he (Clinton) does not wear a military uniform, he is a military leader. If the committee finds that the Commander and Chief has engaged in conduct that undermines the standard Congress has set for military leadership - to which the President has already indisputably admitted - I urge Congress to hold him accountable ... for the good order and discipline of the United States Armed Forces."

Congress has been remiss in its responsibilities to its citizens as they have fallen down miserably in keeping a Rogue President in check. THIS IS THEIR DUTY!

As concerned citizens, especially those of us who dare to go by the name Christian, we must carry this sentiment nation wide to bring immense pressure to bear on both the President and Congress to live up to established American Christian standards of conduct.

After all, WE THE PEOPLE are responsible for the kind of government we allow to stay in our National halls of power. All the excuses in the world, about the lying and immoral excesses of our
leaders will not diminish our responsibility in the eyes of God, and we who go by the name of Christian have more responsibility to see that justice is done than any others.

There is only one way to uphold standards of conduct and that is by enforcing them for all men and women, no matter how onerous this may be to those who lack discipline.

Today, our military leadership is telling our troops in essence, "When the Commander misleads you, shut up and Obey his double standards!"

This will not cut the mustard in the eyes of God and the time has come when decent Americans MUST stand firm against the evils which are being perpetrated by our national leaders, for in the long run, it is we who pay from them in blood, tears, and wasted wealth.

Where are the retired officers in the American Legion, the Veterans of Foreign Wars, the Reserve Officer's Association, and other service organizations who swore an oath to "defend this country against all enemies, foreign and domestic?" Have they forgotten this oath? It means as much to me as when I first took it in 1942.

Unfortunately many of the service organizations have turned from being organizations of American Patriots, into organizations which meet, eat, and retreat, and who are more interested in their bingo parties and beer busts, than they are in the welfare of the country they once fought for. A few years ago Lt. Colonel Farrell, a veteran combat pilot from Korea and Vietnam, wrote a devastating article on the political treason that surfaced in both wars and kept us from winning either of them. I had this article printed and sent a copy to every American Legion Post in the State of Mississippi, where I then lived. With it was a letter stating that the article by Lt. Colonel Farrell, contained information that every veteran from Korea and Vietnam should know. I offered to come to their organization free of charge and discuss the contents of Farrell's message. I did not receive the courtesy of a single reply, even from my home Legion in Waveland, MS. It was then that I parted permanently with them. How can men who once placed their lives on the line, become so complacent? Yet I have had veterans tell me, "We did our part, in the Big One, let them fight now if they want to remain free!"

It's no wonder we are losing world peace, with this attitude on the part of our people, for it is reflected in the attitude of the men we place in office.

There is an old saying, "A nation deserve the kind of leadership they allow in office," and that is certainly proving true today, as we have reached the lowest level of patriotism this country has ever seen, and the word patriot once revered, has today become a by-word!

When honor and accountability are missing in military, and political leadership, as it now is, soldiers, sailors, Marines, and Airmen; your sons and daughters, die needlessly, as do innocent civilians. Not to protect the National interest, but to fatten the purses of the International gangsters who always start them, and usually supply both sides. These are the only ones who benefit from war, the rest of us suffer pain, loss and eventually our freedom.

Marcus Eli Ravage, a Jewish author, writing in the January 1928 issue of CENTURY MAGAZINE, said, "We Jews are at the bottom of nearly all your wars; not only of the Russian Revolution, but of every major revolution in history. We did it solely with the irresistible might of our spirit, with ideas, and propaganda." A good example of this was the COMMUNIST MANIFESTO, written by the son of a Rabbi, Karl Mordecai Marx, which has drenched the world in blood in this 20th Century.

Oscar Levy, another Jewish author of note in the preface of his book, "THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION," wrote, "There is scarcely an event in modern European history that cannot be traced to the Jews. We Jews today, are nothing but the world's seducers, its executioner's, it's incendiaries, it's destroyer's."

Jesus looking down through the centuries of history to come, saw this, and told the Jewish leaders in Matthew 23:34,35 "Wherefore, behold I send unto you prophets, and wise men, and scribes: and
some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city: (NOTICE CAREFULLY NOW) "That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel, unto the blood of Zacharias son ... whom ye slew between the temple and the altar." This terrible accusation coming from the son of God, and was given more meaning, when later, this same Jewish mob, lusting for His blood, shouted, "Crucify Him! Crucify Him! His blood be on our heads and those of our children." (Please note that it was not the Jewish leaders alone, who cried for His death, but ALL THE JEWISH PEOPLE! The Apostle Paul recognized this in 1 Thessalonians 2:15, when he said, (speaking of the Jewish) "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (Christians): and they please not God, but are contrary to ALL men." These are the anti-Christ enemies of God, that some of you promote as being His Chosen People.

Some of you no doubt will disagree with this assessment, but I challenge you to look at the names of those who promote the evil in America, which today is destroying us. Look at the names behind the Abortion clinics of America, which yearly murder two million unborn babies. Look at the names of those who control the lying media, which refuses to tell us the truth! Look at who controls the filth of Hollywood, and TV. Look at those who promote prostitution in America. Look at who controls the liquor industry which yearly kills over 25,000 Americans on the highways. Look at the dope traffic and the Satanism of Rock and Roll music, which inundates and subverts the minds of millions of White American Youth,' to where they dress and imitate the savages from Africa. I will guarantee, that if you are honest in your research, 90% or more who promote these evils will be ASHKENAZI Jews. Many more have changed their names to avoid detection. The reason for this, is that the Jewish mentality is to make money at all costs, the gelts the thing, and they will sell their soul if necessary to gain wealth and power. It has been thus since Babylon.

Sadly the time has come when decent Americans, especially if you are Christian, must say to Congress you MUST remove the TRAITOR in the White House, or we will remove you!

I'm nauseated with so called Christians, mostly women, who will say, "The President confessed; he said he was sorry. We must forgive and forget!" Yet evidence remains, that in spite of what his spiritual advisors say, he has not changed, for "By his fruits shall you know him!" and "what he does shouts so loud we can't hear what he says!"

I am inclined to believe, and have felt this for some time, that White Christian Americans in particular, are going to have to be "driven to their knees, and have their noses rubbed in the dirt, before they will listen to God, OBEY and be SAVED both spiritually and physically." This was the route our ancestors took in the book of Judges. over and over again we read, "And Israel did evil in the sight of the Lord, and the Lord sold them into the hands of their enemies." If He never changes, as we have been led to believe, what makes us think He will act differently towards His people in 1999, then He President Theodore Roosevelt, who served as U.S. Secretary of the Navy, and was the leader of the Rough Riders in the Spanish American War in 1898, said this about America's national greatness and leadership, "The stream will not permanently rise higher than it's main source: and the main source of national power and national greatness is found in the average citizen of the nation. Therefore it behooves us to do our best to see that the standards of the average citizen remain high, and this average cannot be kept high unless the standards of our leaders are much higher."

Congress is responsible to the American people to see that these standards of leadership must apply to both the Armed Forces and Congress. Congress is responsible for holding the Commander and Chief accountable for high crimes, misdemeanors, and yes, TREASON.

A crisis of military discipline looms if any commander, at any level of command, by his words, or actions, promotes the idea, that you can engage in any kind of behavior, if you aren't caught.

During the impeachment proceedings, a well known Democrat Senator publicly stated, "I don't care if you show us a picture of Clinton fornicating with a woman in the middle of the street, we aren't..."
going to impeach him." Then they used weak excuses such as "It would be demeaning to the presidency," or even weaker, "It would be bad for the Democratic Party," and a lot of weak kneed Republicans voted with them for acquittal. So now the President has the Congressional seal of approval to keep on with his wicked acts, which many Congressmen know are destroying America.

In order for our military means of defense to remain secure, we must insist that the leaders of America, both political and military are held accountable for their personal acts, and that what a man does in the privacy of his own bedroom does matter if it is wrong.

Somewhere along the line, since World War II, America has taken a seriously wrong turn. Today WE THE PEOPLE, are increasingly becoming the target of police and military force, which was designed to protect us.

Look at these National headlines taken from

MILITARY HEARTILY APPROVES OF FOREIGN TROOP INVASION,
(Louisville Courier-Journal, August 19, 1995)

There have been many, many more such incidents taking place across the country, which are evidences of national practices which are dangerous to America, and our Constitutional form of government. They are being used to diminish American independence

Why is that Congress has never investigated these things and made a report to the American people? Today, our local police are often trained by military forces overseas, even by the KGB and the MOSSAD.

The "Soviet Police Exchange Program", which is part of Public Law 87-297, is already in effect in at least thirteen American cities.

In over twenty one cities, in the last few years, Army and Marine Corps Special Operations units, have engaged in surprise attacks, with live ammunition's, often with no or little notice to local leaders, and with no warning to its citizens.

Actions such as this by foreign troops at this time would not be tolerated and such training by American troops shows a serious change from military policy of protecting our people, to
controlling them.

President Gerald Ford once said, "A government big enough to give everything you want, is big enough to take everything you have." In our apathy, we have allowed our government to become our enemy and never has the old saying been truer than today, that "Eternal vigilance is the price we must pay for freedom." We good people have gone to sleep at the switch, and allowed evil men to take control. Now the time has come when we must take our country back at any cost, or go into the enemy One World Slave Plantation.

Never since the days of World War II has our nation been briefed by our Congressional leaders on the nature of this serious domestic threat, of which Gun Control and the 1st and 2nd Amendments have become such an important part. The enemy has capitalized on the lack of knowledge of most Americans and while using the 1st Amendment to further their agenda, have been working industriously to take away our 2nd Amendment rights, knowing full well that they must disarm us, before they can make their final move for takeover.

An honest poll taken of the American people would show that the present drive towards Gun Control, is merely a prelude to People Control and that we have good reason to fear our government. George Washington understood this when he was President, and once said, "Government is not reason; it is not eloquence; it is force! Like fire, it is a dangerous servant and can become a fearful master."

It is sad day for America, when our police and military forces are used by a foreign power, (in this case the Zionist controlled United Nations) to intimidate our people rather than protect them.

We have been in this foolish process of downgrading and disarming our Armed Forces since high American officials such as Walt Rostov took part in the Pugwash Disarmament Conference in 1960. Hand in hand with this TREASON, we have seen a vicious attack against our 2nd Amendment rights to "keep and bear arms" and at no time - has it been as vicious as now under the TRAITOR Clinton. As I mentioned earlier, he is merely carrying out the task he was trained to do as a Rhodes Scholar, which is to hand this nation over to the One World Zionist Government. This International Jewish conspiracy against Christian America cannot succeed as long as there are 70-million armed Americans, many of us who will fight to maintain our freedom. The Clinton Administration knows this so through statements made by persons such as the lesbian Attorney General, Christian patriots have been targeted as one of the main enemies of the New World Order. We know from many press releases that the Clinton Administration has leased American military base facilities for the training of foreign troops on American soil. The German Air Force are now operating at Holloman Air Force Base in New Mexico, which also houses our super-secret stealth fighters. It is also close to the White Sands Missile testing site, which is located near Los Alamos, New Mexico.

A former Secretary of Defense, William L. Perry verified German sovereignty over this American property when he told CNN: "We have no authority on this German Base." This is on American soil. Can you imagine a former enemy of America, being allowed to train their Air Force, and conduct bombing runs from an American Base, which sometime in the future might be used against us in a United Nations operation?

We can look back on a long list of TRAITORS against America, who since World War II have been engaged in slowly destroying us from within - Alger Hiss, Walt Rostow, William Perry, Henry Kissinger, and others. These have promoted a foreign policy that is against the best interests of the United States and favors our enemies.

Yet the liberals in our government and church have the gall to say, "There is no conspiracy against freedom. The American people can trust their government!"

For all intents and purposes this land has been occupied by foreign interests since a TREASONOUS President and Congress turned our economics over to the Federal Reserve System in 1913. It is a
well known fact of history, "That he who controls the economy of a country, controls that country." One of the Rothchild's was credited with saying, "Give me control of the finances of a country and I care not who makes her laws!" This happened in 1913, when our economy was turned over to eight privately owned International Jewish banks. We have been subservient to Zionist interests ever since. They have ruled supreme in Washington ever since, no matter whether Republicans or Democrats have sat in the seat of power. This is why an Israeli official could publicly brag, "We have the best Congress money can buy." Seventy of our one hundred U.S. Senators, regularly voted the straight Israeli ticket. They are encouraged by our religious leaders who have sold the majority of the Christians the Jewish fable, that these anti-Christ's are God's Chosen, who must never be questioned. These sheeple are told that the Jews are destined by God to rule the world ultimately, when the Bible says of their present efforts in Palestine:

"Thus saith the Lord, they (the Jews) shall build up, and I will throw down: and they (true Israel) shall call them (Jews), the border of wickedness, and the people against whom the Lord hath indignation forever," (Malachi 1:4)

Who are you going to believe, you Jew brainwashed pastor or GOD's Word? Your pastor says, "they are God's Special People, and your Savior told them in John 10:26, "But ye (Jews) believe Me not, because ye are not of My sheep," (Emphasis mine!) I know who I will believe! Your Savior called them "poisonous snakes and hypocrites!" Yet in spite of this, millions of people who go by the name of Christian, are following the Jewish fables the Apostle Paul warned about in Titus 1:10,14.

Today our government is being lead by a man who has proved himself to be the enemy of Christian American interests both as president and as Governor of Arkansas. We know that during his two disastrous Administrations in Washington that as a professing born again Christian, he has appointed over 40 anti-Christ Jews to high government positions, such as Secretary of State, Secretary of Defense, and Secretary of the Treasury, and that he has not appointed a single Anglo-Saxon Christian to a high government position.

We also know that our Vice President, Al Gore, was trained as a young man, by his godfather, the notorious Communist Armand Hammer.

This administration has allowed not only German troops, but also Russians with their heavy equipment, to train on the American Marine Base at Camp Lejune, NC.

The Washington Times reports that American troops, led by Russian officers, have participated in attacks against the rebel Chechen people in 1994, in which over 10,000 civilians died.

Many of us are still concerned with American military attacks against civilians at places like Waco, Texas, and Ruby Ridge.

This last decade has seen more cold blooded murders, ordered by our government against civilians, not only of our own country, but those of others who have stood in the way of progress of the New World Order, that at any time in our modern history. It is the good officers and police, who are just following orders who have perpetuated most of these atrocities. More will come, many more, and they will be directed against those of you who are Christian Patriots, unless we put a stop to it! Don't sit back and believe that because you don't take an open stand against these evils, they will pass you by. You are in more danger than those of us who man the front lines in this battle for survival.

Do not be surprised at this, for Jesus predicted such a time would come in John 16:2, when He told His disciples, "They (Jews) shall put you out of the synagogues, yea, the time will come that whosoever killeth you will think he doeth God service." Already the stage is being set for this, as the controlled media is pointing to those of us in Christian Identity, as being terrorists and revolutionaries, and the Judeo-Christian sheeple are swallowing this propaganda, hook, line, and sinker! Look for a time when we who believe and practice Bible Christianity are persecuted by the church world. Because of this perverse thinking, the term Christian Patriot, once revered in
America, is now looked on with the loathing shown for racial hatred and anti-Semitism.

Much of the above information came from an article titled "USHERING IN THE POLICE STATE", written by Colonel Ron Roy, Retired.

While the case of impeachment of the President for immorality and lying, may have been complicated, the case against Bill Clinton as our Commander and Chief is not. The United States has enjoyed along, proud tradition of excellence by our military, which now finds a draft-dodger as Commander and Chief. Clinton has repeatedly violated his oath of virtue, honor, and patriotism, an American first principle, for personal benefits. It was only after he was caught that he confessed to any wrong doing, and then complicated this with his lying and deception. He is guilty of felony violations of the Uniform Code of Military Justice, which applies to all men in uniform. Just because he does not wear this uniform does not exempt him from it's strict provisions.

Our Constitution empowers Congress to be the authority in the United States; not the military complex, or the President. We must bring pressure to bear on our Congressmen, to uphold America's high Military Standards, and remove this sorry Commander in Chief, before he does more damage to the country.

How many of you who read this paper have bothered to contact your Congressman, either by letter or telephone to let them know how you feel about Clinton? We do know they will listen, if enough of us are concerned and express our concern. If you haven't bothered to do this, then you have no business griping about what is happening In Washington, DC.

One thing which gripes me beyond measure, is Congressman who serve in the House and Senate, who refuse to take action against the President, or anyone in their ranks, who is not fit to lead this country. They should be the first ones to take action when a clean up is needed!

As Colonel Ray, so well said, "The response of the Republican Congress to a conclusive case of Presidential wrong doing, to usurpation of Congressional authority, was not to impeach, not to cut off funds, nor even a joint resolution condemning the unauthorized deployment. The House passed a bill giving authorization for the President to do legally what he has done illegally for the last three years." It appears to me that we need a housecleaning in our Nation's Capitol from top to bottom. Colonel Ray went on to explain that the "Republican Contract with the American people, vowed to end the practice of placing American troops under United Nations commanders, and that Republicans have squandered the opportunity to raise this issue in up coming election campaigns."

While Clinton now views the Bosnian fiasco as a success, Colonel Ray raises the question: "How can you regard as successful, something that doesn't even comply with existing law, and when the mission was mis-represented both to Congress and to the American people?"

The problem is, that at no time has Congress, or the American people held Clinton accountable for his TREACHERY, and this must be done, if we are to continue as a FREE people. As long as Americans remain under the thumb of Zionists interests, as we have been since 1913, so long will we remain in jeopardy of losing our freedom.

Very few of our lawmakers are willing to discuss this Zionist control, for fear of Jewish reprisals, while our churchmen, for the most part have swallowed the bait that it is God's will that Jews should rule the world. God forbid!

It appears now that President Clinton, and those who support him, are willing to do anything to remain in power, even if it means embroiling this nation in World War III. This in itself, should be grounds for impeachment.

Our nation needs to hear from men who have served in the Armed Forces, instead of sitting back saying, "I did my part in the Big One," you should be in the forefront of trying to preserve that which you put your life on the line to defend. You are still under oath to "defend America against all enemies, foreign and domestic", this did not change when you received your honorable discharge. For as Edmund Burk said, "All that is necessary for evil to succeed, is for good men (And women)
to do nothing."

You American voters are a great national treasure and a valuable resource in the fight to maintain America's freedom. Our government needs to hear from, not only by letter, and telephone, but at the polls as well.

An American founding Father, Samuel Adams, known as the Father of the American Revolution once said, "If ever a time should come when vain and aspiring men should possess the highest seats in government, our country will stand in need of it's experienced patriots to prevent it's ruin." That time is now; as never before in our history, have we seen such vain and aspiring tyrants as those who now sit in the seat of power in our Nation's Capitol.

As a combat soldier in Vietnam, Colonel Ray learned from half a world away about serious unrest and revolution in the streets at home. Over the years, he like I, have come to realize that the most important war we are fighting is being waged in America. It is a war of subtle power and revolutionary change, which is attempting to change us from a Christian Republic into a totalitarian dictatorship, ruled by evil, God hating men. It is being waged in our schools and churches, and by the enemy controlled media, and according to their boast they are determined to destroy White Christian civilization, and supplant it with their New World Order, of multi-cultural civilization, where we will all live together as slaves on their Global Slave Plantation, obedient to the whims of our Zionist masters. This is what their Talmud predicts, "When our Messiah comes, every Jew will have 2,000 goyim slaves." They are talking about you and I, brother and sister.

I for one do not intend to sit idly by and allow this to happen. I am a tired old man pushing 84, with many hard miles on this old human chassis that makes things difficult to accomplish, but as God is my witness, I will fight this anti-Christ evil to my dying breath, wherever I find it, in politics, or in the church. As a WATCHMAN on the walls of Israel America I am warning you of the present danger we face. What will you do about it?

One obvious purpose has become clear in the Serbian fiasco, and that is that the Kosovo operation was a pre-planned, viciously orchestrated ethnic cleansing to perpetuate Zionist world power and increase Jewish ability to collect further reparations from the Christian world for their alleged sufferings during World War II. It is amazing to find so many survivors of the Nazi Death Camps, who are now drawing money from Christian community, who had nothing to do with their suffering.

Most Americans are appalled at the scenes of savage violence shown on our TV screens, and in our controlled media, and Jewish owed magazines, without realizing that we are being shown only one side of the story. You seldom hear anything about the KLA being conduit for drugs in Europe, and that the Albanians in Kosovo were the main drug dealers in Europe. In fact their revolution against Serbia was financed by the profits they made from the drug traffic. Very little is said about Albanian violence against the Serbs, whose land they had usurped, just as they are now doing in England and in America. Already in England, the Moslem aliens are demanding that their laws be obeyed, rather that the laws of the Christian nation they have invaded. I make no excuses fro Milosevic, I think he is a sorry, contemptible national leader, but when I compare him with Bill Clinton, I can honestly see little difference. Both of them are war criminals, although only one is held guilty by our double standards.

The Serbian affair was planned at least three years ago by the Internationalists for their own purposes, and Milosevic has been used by these clever criminals, as Saddam Hussein was used, and is still being used in Iraq. They both follow the orders of the KGB, the CIA, or MOSSAD, as the case may be.

The actions in Serbia are going to have a direct impact on White Gentiles (true Israelites) in America, and we can already see how government agents are targeting certain religious groups for harassment, and how the Oval Office is vigorously backing their actions.
Recently Governor Christene Todd of New Jersey was humiliated and disgraced by the controlled media, because race was the basis State Police were using to stop and question drivers. Yet this established police technique has proven effective in stopping crime and distribution of drugs. Now police across the country have had one of their most effective weapons taken from them and they will be reduced in effectiveness against the drug traffic for fear of federal prosecution by the minions of General Reno.

Lawrence Patterson in his May 31, 1999 issue of "CRIMINAL POLITICS" writes: "All this leads to the question of what kind of life will be available for Whites in this country after 2000? The majority of Americans (under the present administration-Mohr) are going to be treated as if they were a criminal minority in many respects, within the next few months. Just how this will play out is unknown at the present time, but it is evident that conditions will worsen and federal pressure on local police departments will be sharply escalated. Now is the time to communicate with local officials and explain to them what the Federal Conspiracy is doing and who will benefit."

POSSIBLE CHAOS AND FOOD SHORTAGES IN POST 2000 PERIODS!

Pastor Texe Marrs, who is known to many of you, has written a frightening book titled "DAYS OF HUNGER - DAYS OF CHAOS." His conclusions are very disturbing. Although I do not always agree with Brother Texe, I believe with him that food shortages will occur, shortly after 2000, and food will be rationed and strictly controlled by the government. I say this on the basis of evidence that the Federal government, through FEMA is planning this shortage. Texe believes that this rationing will be on the basis of who the government wants to keep alive, and is in accordance with the vision of the Apostle John on the Isle of Patmos, as recorded in Revelations 13:16 - Here we see a powerful One World leader who causes EVERYONE - "both small and great, rich and poor; free and bond, to receive a mark in their right hand, or their foreheads; and that no man might buy or sell, save he that had the mark, or the number of the beast, or the number of his name." You have all heard of THE MARK OF THE BEAST - 666! Many prophetic sermons have been preached on this text, and much speculation has taken place, about what this mark really is and how it will be applied. I doubt that anyone other then God really knows at this time, unless it is those who are about to implement it.

It does however, indicate a time of severe government repression over food supplies, where only those who are willing to cooperate with Big Brother will obtain food. This book is available from Criminal Politics, P.O. Box 37812, Cincinnati, OH 45222, for $15.00 plus $3.00 for postage and handling.

It is a known fact, admitted by our Department of Agriculture that the emergency food supplies of America are at their lowest level since World War II. In early days of the Cold War, we had stored enough to last us several years, today, according to agriculture experts, we have less than a month's supply on hand, as we have given most of it away in welfare hand outs, many times to countries who were our potential enemies.

Those of us who have studied the Conspiracy know that they have bought up vast food holdings, knowing that if you control the food supply of a country, you control its people.

Half of the beef processing in the United States is today in the hands of one firm, and Clinton's old buddy, Tyson Poultry controls a large portion of the poultry trade. There is also a move under way to only make seeds available to farmers and gardeners which will not reproduce themselves and must be purchased from the seed companies. MORE CONTROL!

I believe this government control, plus actual drought conditions may add up to the prophecy of Deuteronomy 28:15 - "...if thou (Israel Christendom) wilt not hearken (obey) unto the voice of the Lord thy God, to observe to do all His commandments and His statutes ... that these curses shall come upon thee, and over take thee:"
Verse 17 - "Cursed shall be thy basket and thy store."
Verse 18 - "Cursed shall be the fruit of thy body, (rebellious children) and the fruit of thy land, the increase of they cattle, and the flocks of thy sheep."
Verse 24 - "The Lord shall make the rain of thy land powder and dust: from heaven shall it come down upon thee, until thou be destroyed."
Verse 33 - "The fruit of thy land, and all thy labours, shall a nation that thou knowest not eat up; and thou shalt be only oppressed."
Verse 47 - "Because thou servest (obeyed) not the Lord thy God with joyfulness, and with gladness of heart, for the abundance of all things;"

How many Americans outside of Christians ever thank God for the blessings He has given us? Even many professing Christians are ashamed to bow their heads and say grace before eating in a public place. Because of this,

Verse 48 - "Therefore shalt thou serve thy enemies which the Lord thy God shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee."

Is this what's going to take place to wake our people up? Very possibly! Isn't it sad, knowing that we have a FORMULA FOR SURVIVAL available to us in 2 Chronicles 7:14 - "If my people, which are called by my name (Christians), shall humble themselves, and pray, and seek, my face, and turn from their wicked (willful) ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (Emphasis mine!) Is obedience to God, too big a price to pay for peace and safety? Our church folks love to quote this promise, but few of them, including their pastors are willing to give up doing their own thing, to OBEY and OBEDIENCE TO GOD AND THE DISCIPLINE IT BRINGS MUST COME BEFORE WE CAN HAVE VICTORY!

The preterists say that all this prophecy has already taken place. But it hasn't! The skeptics say, "That's what the Bible says, but it was predicted this for 2,000 years and it has never happened yet! We don't worry about things like this!") God has spoken, my friends and just as surely as day follows night, a day of reckoning is coming. Because God doesn't balance His books at the end of every year, evil men think they are getting by with their wickedness, but they are not. In Ecclesiastes 8:11, the wise man Solomon said, "Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully setting them to do evil."

A well known atheist shook his fist at the sky and shouted, "If there is a God, let him strike me dead!" and when a bolt of lightning didn't come, he screamed: "See! this proves there is no God!" It proves nothing of the sort, but it did show how stupid he was to make such a remark. The Apostle Paul speaking in Romans 1:21,22 says of these, "Because that when they knew God, they glorified Him not as God, neither were they thankful; but because vain in their imagination and their foolish heart was darkened; professing themselves wise, they became fools." Later in 2 Timothy 3:7 he says that these are, "Ever learning, and never able to come to the knowledge of the truth." In other words, they are educated idiots, and we seem to have more than our share of these in politics and in the church.

When the day comes when our King will separate the sheep from the goats, which side will you be on? What will you answer before Him when He asks what you have done with your life? Will He say, "Come ye blessed of my Father, inherit the kingdom prepared for you from before the foundation of the world, or will you face the condemnation of Matthew 25:45,46 "Then shall He answer them, saying, Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me. And these shall go away into everlasting punishment; but the righteous (the obedient) into life eternal." Yes it does matter what you do with your life, for as The Apostle James said, in James 2:17 - "Even so faith, if it have not works, is dead, being alone."

I have just finished writing a letter to the pastor of a large, wealthy charismatic church in Little
Rock. Recently one of my Prison Ministry boys, read an article the pastor had written and wrote to thank him for it. He said, "If you have any Christian literature available that we can use here in prison, it would be greatly appreciated, for there is a great hunger in our hearts for the truth." He received a rather terse note from the church secretary that said, "We have no funds available to send out free literature, or correspond with men in prison." Yet. this same church sends thousands of dollars yearly to foreign missions to convert the heathen. I thought about the Laodicean church which Christ upbraided in Revelations 3, because they were so selfish and self-centered with all the worldly goods they had, when He said, "Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:" I wonder how many of these churches we have in America today.

You say, "What hope is there for us? The enemy surrounds us, they have us out numbered twenty to one, they are in the driver's seat." Once again I give you God's FORMULA FOR OUR SURVIVAL, His promise in 2 Chronicles 7:14. Before you pray remember one very important thing. Isaiah 59:2 after we are told God has not lost His power or His sense of hearing it says, "But your iniquities have separated between you and your God, and your sins have hid His face from you that He will not hear." Never attempt to pray when there is unforgiven sin of any kind in your life, for He will not even listen to you.

DO YOU CARE ENOUGH TO SEEK HIS FACE?

FROM THE WATCHMAN'S CORNER
TERRORIST INTELLIGENCE REPORT - SEPTEMBER 2001

In the aftermath of the September 11th "terrorist attack", on the Twin Towers in New York City, and the Pentagon, this country is in it's most highly emotional state since December 7, 1941.

When tempers and emotions are high, as they are now, any attempt to show men and women the TRUTH, becomes exceedingly difficult, especially if it exposes evil in our government. Many of you will be upset with what I give you in this report, and some may think it borders on TREASON. Yet in order to deal properly with this crisis, concerned Americans MUST get to the root of the problem, even it means "stepping on some toes, or ruffling some feathers". "Am I therefore to become you enemy, because I tell you the TRUTH?" In order to cope with our problems we MUST know the TRUTH, even if it is unpleasant.

In dealing with incidents such as this attack, it is important that we remember an old Latin saying: "Cujo bono", which literally means: "Who stands to profit; who benefits from it?" Once we can give this an intelligent answer, we will be close to the TRUTH, for nothing happens by accident. As F.D.R. once said: "Nothing in politics happens by accident, it is all planned before hand, in some smoke filled room." (A conspiracy perhaps?)

The information I give you in this report comes from several reliable sources, which MUST be kept secret for security reasons. It could be dangerous for me, because during World War I and II, in both Britain and the United States, men and women were illegally imprisoned for questioning government actions.

People have asked me: "Aren't you afraid to speak out as you do?" and while I am no braver than the average Christian, my answer must be "No!" For like Jesus as He stood before Pontius Pilate in the Judgement Hall in (John 19:11), I can say: "...Thou couldest have no power against me, except it be given there from above..." My King has told me in (Matthew 10:28) - "Fear not them which can kill the body, but are not able to kill the soul; but fear rather fear Him who is able to destroy both body and soul in hell".

My duty is not to try and PERSUADE you of anything. That is the task of the Holy Spirit. For some reason unknown to me, God has ordained me to be a WATCHMAN on the walls of America, according to (Ezekiel 3 and 33), and my task is to warn my people when I see danger to them. Once I have done this it becomes a personal matter between God and them, and He will hold them accountable for the TRUTH they have heard, whether they want to accept it or not.
So I am compelled by my duty to God and my people to warn you of the dangers posed by the "barbarians that are already within our walls." (TRAITORS is the proper term to use!)

I'm an old man now, nearing 86, with not too many days left in this life, so I refuse to be intimidated by the forces of evil that will seek to silence me. For to me "to live is Christ, and to die is gain." (Philippians 1:21).

We do not like to see our government criticized and rightly so; but when it engages in evil deeds, which hurts us all, and is slowly destroying Christian America, then these MUST be exposed to the light of TRUTH, no matter how high up they may be.

So thinking along these lines, let's backtrack in history to see why hatred for America, that would cause such a terrible act, has been allowed to flourish, often with government approval.

It will necessary for us to go back to at least 1913, when a minority in our Congress pushed through the Federal Reserve Act, that gave our national economy into the control of a Christ hating heathen element. One of their top people once said: "Give me control of the economy of a country, and I care not who makes their laws." Since 1913, we have paid a high price of trillions of dollars to keep these heathen "blood suckers" in power. Don't laugh when you see or hear Z.O.G. (Zionist Occupation Government), for that is what our government has become whether Republicans or Democrats are in the driver's seat. It has become so obvious, that a high ranking Israeli official could publicly state: "We Jews have the best Congress money can buy!"

The American people are being held hostage today, by a heathen force whose slogan is the "destruction of White Christian civilization" and the imposition of slavery in their One World Government.

This control has taken place under a number of TREASONOUS acts, many of them supported by so-called Christian sources. Many who have perpetrated these acts, have taken an oath of office to defend America from all enemies, both foreign and domestic, and have become TRAITORS to their people and their God. It has been their acts, in support of the anti-Christ's, which has led to world hatred of America: the kind of hatred that evolves into terrorism. Once we were loved and admired by the Arab world now we have become known as the Great Satan to many of them.

Our national danger has come mostly from within, from "barbarians who have infiltrated behind our walls."
TERRORIST INTELLIGENCE REPORT - 3

Every American War since the War of 1812, with the exception of the War Between the States, has been fought for foreign interests. Not one has been in the defense of America and were fought against the will of the American people, who first had to be "fired up" by some horrible act, like the attack on Pearl Harbour.

In World War I it was the planned sinking of the passenger ship, the Lusitania with many American lives lost, when the German High Command had warned us that she would be considered as "ship of war", since she was carrying ammunition for the Allies. In World War II, it was deliberate pressure put on Japan by England and America, that forced her into her overt attack on Pearl Harbor. Here our military received no warning although Roosevelt knew it was about to happen and deliberately withheld notice of the impending attack, then falsely blamed our military commanders.

In Korea in 1950, where I was assigned as an Advisor to the Republic of Korea forces, we knew war was eminent, and warned the State Department, but Ambassador William C. Muccio, from our State Department, deliberately withheld this information from General Mac Arthur's Tokyo Headquarters, and when I found documents left behind in Muccio's office, after the war began, and sent them to Senator William Knowland, of California, "all hell broke loose" for him and me, and we were mercilessly harassed by the Truman government. Again in 1961, 62, I saw State Department treason in Eritrea, as they mishandled relief supplies, and when I went to the State Department Representative in Asmara and confronted him with proof, he threatened me with a Dishonorable Discharge and imprisonment, if I talked about it. When I sent evidence to Rep. John Paul Hammerschmidt about this, once again I came under attack by Army Intelligence personnel, which became so severe that I resigned eight years prematurely in 1964.

Many of you know how I came under State Department harassment in the mid-seventies, when I presented State with evidence that Russian and North Korean forces were operating with their heavy military equipment within fifty miles of the U.S. border. Again I was warned to "shut up," and when I refused, they sicked the I.R.S. on me, who in three years stole over $130,000 from this Ministry, including an entire year of my Military Retirement Pay in 1999. (I was kept afloat by the largess of Christian patriots, who refused to allow this Ministry to go under.)

So you see, I have tangible reasons for disliking our State Department, which has been riddled by Communists since at least 1933.

During this same period, with World War II won for all practical purposes, Truman unleashed the atomic bombs on Hiroshima and
Nagasaki that killed over 100,000 Japanese, another act that added to world hatred for America. At about the same time, General Eisenhower, the Swedish Jew, who expressed his hatred for the German people, and the Allied High Command, ordered the aerial attack on the refugee city of Dresden, Germany, that was not a military target, and murdered over 200,000 men women and children. Eisenhower added to his crimes, by deliberately starving over 2-million German soldiers and civilians after the war ended, by withholding food from them that had been sent to Germany as relief supplies by our government. The American "kept press" made him a hero, and President. All these things added to the fuel of world hatred for once Christian America.

But probably our greatest sin came in 1917, when the Balfour Declaration promised Palestine to the Israeli people. Later when they became a recognized country, they stole land that had belonged to the Arabs for centuries, and without "legal, moral or spiritual" right, drove the Arabs off their land, and into refugee camps. Now for 55 years, with American backing and equipment, have harassed the Arab, Palestinians, many of whom are Christian, killing thousands of them with equipment made in the U.S. and given to them by our government. They have had the approval of the American government, and most of the Christian church world, who have been seduced by clever propaganda into believing that the Turco-Mongolian Israeli's were the one's to whom God's promise was given. Yet they hate our God, and His Son Jesus Christ, and everything you say you believe as a Christian.

If you believe the Bible, then you MUST believe what Jesus said to the Jewish leaders in (John 10:26), "But ye (Jews) believe me not, because ye are NOT OF MY SHEEP," (Emphasis mine!)

Will you continue to support anti-Christ's when God Word says in (2 Chronicles 19:2) - "Shouldest thou help the ungodly and love them that hate the Lord; therefore is wrath upon thee from before the Lord." (Who will you believe; your Savior or some brainwashed preacher?) God's Law is as sure today as when it was first given, it is expressed in (Galatians 6:7): "Be not deceived, God is not mocked, for whatsoever a man (or a nation) sows; that shall they also reap". We have sowed the wind in America, and are now reaping the whirlwind. I believe we are seeing just the beginning of God's discipline on DISOBEDIENT White Israelites in America, as He takes us to His "woodshed", for further discipline.

"For whom the Lord loveth He chasteneth, and scourgest every son whom He receiveth, (Hebrews 12:6). Then (vs 8) follows with a statement that can assure us of our salvation: "But if ye be without chastisement (when you disobey), whereof all (Christians) are partakers, then are ye bastards and not sons."
TERRORIST INTELLIGENCE REPORT - 5

Today the arms that are killing Palestinian Arabs, many of whom are Christian are marked "Made in America," and are being used by the Israeli in their attempts to subdue the Palestinians, with the full approval of the United States government, and most of the Christian churches. These Christians, for the most part, have been seduced by Jewish propaganda into believing they are aiding God's Chosen, when in reality they are aiding His enemies. Any attempt by knowledgeable and conscientious Christians to educate our people to this TRUTH, are met with contempt and often outright hostility on the part of the "kept press", and most of the church world, and they are labeled as being "anti- Semitic; hatemongers; neo-Nazis, K.K.K. etc.," when in reality they have proven by their actions, (not their words,) to the the staunchest citizens we have. (I am proud to bear the label of a Christian Patriot.)

Today the evil chickens of our DISOBEDIENCE to God, are "coming home to roost," and we are frightened and confused. Some confused Christians might say: "But look at how our people have responded. Our churches are crammed, as never before, and people are praying". This is as it should be. But how many pastors have you heard tell their people that God will not hear their prayers, if there is unforgiven sin, (DISOBEDIENCE, 1 John 3:4) in their lives?. In all the millions of media words that have been spoken about the terrorist attack, not once have I heard the American people urged to seek God's forgiveness and to turn back to Him in OBEEDIENCE.

I declare to you that this mess will not be cleared up by military or political efforts, or by throwing vast sums of money at it, as is the Liberal answer to our problems. There is only one way out of this self-imposed mess, and that is found in (2 Chronicles 7:14), where God clearly states: "If my people (White-Anglo-Saxons) which are called by my name, (Christian) will HUMBLE themselves, and PRAY, and SEEK my face, and TURN from their wicked ways; then will I HEAR from heaven and will FORGIVE their sins, and will HEAL their land." (It doesn't call for a revival among the colored folks, but among our own people).

Must we be "driven to our knees, and have our nose rubbed in the dirt, before we will listen to God, OBEY Him, and be saved both spiritually and physically?"

We cannot continue to help God's enemies and expect His approval and blessing. (2 Chronicles 19:2) says very clearly: "Shouldest thou help the ungodly, and love them that hate the Lord? (They call Him a bastard) Therefore is wrath upon thee from before the Lord." Some late news from S.W. radio states that some 6,000 Jews who normally work in the Twin Towers, were absent on the day of the attack. May God open our eyes to His TRUTH.

For Christ and Country,

Do You Really Believe God's Word?

A strange disagreement exists today between modern prophetic students and the people we know as Jews. The Futurist prophetic preachers of Judeo-Christian Fundamentalism affirm that the people we now know as Jews are all of Israel! and that they represented the twelve Israel tribes at the time Christ walked this earth, and are their descendants today, to whom, the land of Palestine was given by direct Divine mandate from Almighty God.

The Jewish leaders deny this, and have stated in the Jewish Encyclopedia that the Tribe of Judah, from which the Jewish people are supposed to have descended, is not an Israelite tribe. They claim that they are direct descendants of Judah, and Levi, with a few from the Tribe of Benjamin.

The purpose of this message is to show you that Scriptural and historical facts refute both these premises. Why is this of such importance? Because Zionism, the political arm of Jewry, has openly declared their intention of destroying White Christian civilization, and bring the world into the New World Order, under the absolute control of World Jewry.

Their holy book, the Babylon Talmud, which their leaders say is the life blood of Jewry, puts it in perspective: "When our Messiah comes, every Jew will have 2,000 goyim slaves." (The word goyim is a Yiddish term of contempt referring to non-human animals.) The Babylonian Talmud is the single most important writings of the Jewish religion and consists on the writings of Jewish rabbis from about 500 BC when it was begun in Babylon to a thousand years later, when it was completed in the Jewish Seminary in Alexandria, Egypt. It contains the arguments and counter arguments of the Jewish rabbis from this period. In this huge writing of 63 volumes, the Jewish rabbis refute the teachings of the Mosaic Pentateuch, and much of what was written by the Israelite prophets, causing Jesus to ask them in Matthew 15:3 - "Why do ye transgress the commandments of God by your traditions?" In verse eight and nine of this same chapter He said: "This people draweth nigh unto me with their mouth, and honoureth me with their lips; but their heart is far from me. But in vain they do worship me (God), teaching for doctrines the commandments of men."
Do You Really Believe?

Most Judeo-Christians believe that the Jewish people follow the teachings of Moses, but Jesus exploded this fallacy in John 5:45-47 when He told the Jewish leaders: "Do not think that I accuse you to the Father: there is one that accuseth you, even Moses, in whom ye (say) trust. For had ye believed Moses, ye would have believed me: for he wrote of me. But if ye believe not his writings, how shall ye believe my words?"

The purpose of this paper is to determine if you really believe the Word of God, or have you become, as so many professing Christians have, a believer in the teachings of some pastor, rather than in God's word? We will use the Bible as our Guide Book and Judge.

The best illustration of this that I can think of is found in John 10:26. Ask any Judeo-Christian who believes the Jews are God's Chosen people, if they love Jesus and believe His Word, and they are apt to get angry. Yet in this verse He plainly tells the Jewish leaders: "But ye (Jews) believe me not; because ye are not of my sheep!" So the evidence of God's Word, proves that they will accept the teachings of a man over that of their Savior, and that they really don't believe God's Word. Harsh but proven true! There are many other Scriptures, which testify to this truth. (See: Matthew 23:15)

In John 8:32 Jesus tells the Pharisees: "And ye shall know the truth, and the truth shall make you free." The haughty Pharisees replied in verse 33 - ". . . We be Abraham's seed, and were never in bondage to any man: how sayest thou, ye shall be free?"

Here the Jewish leaders admit to a serious situation that has caused the controversy in the Christian world. They admitted that while they were of Abraham's bloodline, they were not Israelites, for any Sunday school student knows that Israelites were in bondage in Egypt and again in Assyria. Why is it that the Bible scholars and pastors who say the Jews are all of Israel, refuse to admit that they were not even a part of it? The answer comes squarely from the mouths of those they claim are Israel: "We were never slaves to anyone!" What does this mean? If they were of the bloodline of Abraham, as they claim, and we have no reason to doubt them, they could only have been so related through Abraham's son, Esau/Edom.

To see what God thought of them, read Malachi 1:2-4, where God, speaking through the prophet Malachi says of them: "I have loved you (Israel) saith the Lord. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the Lord: yet I loved Jacob, And I hated Esau, and laid his mountains and his heritage waste (desolate) ... Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the Lord of hosts, They shall build, but I will throw down; and they (true Israel) shall call them (the Jews), The border of wickedness, and, The people against whom the Lord hath indignation (anger) for ever." Hardly the picture painted by the Zionist apologists, such as Van Impe and Robertson.

Jesus did not rebuke them when they claimed relationship with Abraham, instead in John 8:37 he tells them: "I know ye are Abraham's seed; but ye seek to kill me, because my word hath no place in you."
Do You Really Believe?

Who then are these imitators? They are in part Edomites of the lineage of Esau, who God says he hated. Why? Because Esau despised his birthright, and sold it to his brother Jacob for a mess of beans and rice. In Hebrews 12:16 we read that Esau was a fornicator. (The Greek word used here is pornos, meaning: "a prostitute; to sell oneself; a libertine; a whoremonger"). This passage says: "who for one morsel of meat, sold his birthright. For we know how that afterwards, when he would have received the blessing, he was rejected: for he found no place repentance, though he sought it carefully with tears." It's no light thing to turn one's back on our birthright, and heritage, yet it is being done daily by millions of professing Christians in the Judeo-Christian world.

Some of you who read these words will no doubt react with shock and possibly with anger. Yet the Scripture plainly tells us in Romans 9:13 - "Jacob have I loved; Esau have I hated (God speaking)."

The entire book of Obadiah, affirms God's hatred for Esau. In Obadiah verse 10 speaking to Edom, it says: "For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever." Verse 18 - "And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of Esau; for the Lord hath spoken it." This seems mighty plain to me. Faced with Scripture such as these, how can pastors honestly insist that the Jews are God's Chosen?

Another interesting thing about modern Jewry is that very few of them can trace their bloodline back to Abraham. They belong to those our risen Lord mentions in Revelation 2:9; 3:9, as "They who say they are Jews (Judeans), and are not; but are of the synagogue (meeting house) of Satan." Jewish authorities openly admit, that at least 90% of those who call themselves Jews, have no blood connection with Abraham, but come from a Turco-Mongolian background, with their forefathers never having set foot in Palestine. They are known as Ashkenazi Jews. Every Prime Minister of the mini-State of Israeli has come from this heathen background. These people were adopted into Jewry in the 8th Century AD when their ruler declared them to be Jews. At this time they were known as Khazars. (For historical confirmation see Koestler's well-documented book "The Thirteenth Tribe."

The Fundamentalists claim that when the Assyrian and Babylonian captivity of Israel, and much of Judah, took place, the Israelites from the Northern ten tribes became lost in history and have never been traced, while Judah, became the Jews of the New Testament and modern times. In this they are partially correct. The Jews who had settled in Babylon after their captivity, intermingled the Hebrew religion with the occult practices of Babylon, and a few of them returned to Palestine with a new religion know as Judaism and a Holy Book known as the Babylonian Talmud, which was not the Hebrew religion taught by Moses and the prophets, but was the traditions of the rabbis, that Jesus constantly fought against (Matthew 15:9).

It is extremely important for you to know what happened to these captive Israelites, since all prophetic teachings concerning Israel hinges on this question.
Do You Really Believe?

If the modern Jews represent all Twelve Tribes, then there are many Bible prophecies, which are still unfulfilled. Because of this, the Futurist preachers teach that these prophesies will be fulfilled sometime in the future, during the **millennial reign of Christ**, for they have never been fulfilled to the present day.

If on the other hand, the people we now call Jews are not the Chosen of God and **all of Israel**, but are the psuedo-Jews of **Revelation chapter 2**, then what became of the ten Northern tribes of Israel who were taken into Assyrian captivity?

Are Bible prophecies being fulfilled in them now, or have they disappeared for all time as the Futurists say?

What are these prophesies and how do they affect present day world conditions?

If the Jews are not **all of Israel**, or not Israel at all, then how did **true Israel** receive the Gospel of the Kingdom, as promised? Is there Scriptural evidence which shows that Israel still exists, and must be considered separate from Jewry?

The Ten Tribes of the Northern Kingdom, along with most of Judah, never returned from their captivity because when the Assyrians, carried them away foreign people from other areas replaced them. 2 **Kings 17:24** tells us: "And he king of Assyria brought men from Babylon, and from Cu'thah, and from Ava, and from Hamath, and from Sepharv'im (all foreigners), and placed them in the cities of Samaria instead of the children of Israel: and they possessed Samaria, and dwelt in the cities thereof" They became known as Samaritans, and in Jesus' time were looked down on by the Judahites who considered them as mere animals.

The house of Judah, in the south, from which a tiny portion of today's Jews sprang, did not want the Northern Israelites in their area, since they had been quarreling and fighting with them from 975 BC until 721 BC. When one or the other could not win, they would become allies with Assyria, Babylon, or Egypt. On several occasions, they even sided with each other (see 2 Chronicles 18:3).

I sincerely doubt this ill feeling would have been healed, without the Scriptures mentioning it, and there is no hint of reconciliation. In fact we hear the Judeans speaking to their Israelite brethren in **Ezekiel 11:15** - "... all the house of Israel wholly, are they unto whom the inhabitants of Jerusalem have said, `Get you far from the Lord unto us is the land given in possession." Do you really believe Judah would have reversed this nasty attitude towards Israel, without Scriptures mentioning it?

If the Ten Tribes had returned to Palestine, they would have broken God's Law concerning inheritance given in **Numbers 36:7-9**. Summed up in a few words, this said: "Every tribe shall keep to it's own inheritance," and Israel had no inheritance in Judah. They had no right to settle in any lands other than those, which had been given to them by God, when the land of Canaan had been divided among the twelve tribes.

The Jewish nation began, after a relatively few Judeans returned to Palestine from Babylon (about 42,360 according to Ezra 2:64), with a few more returning later in 446 BC under Nehemiah.

A close examination of the Scriptures will show that although Bible scholars often consider Benjamins as Jews, they did not live with the Jews, but lived in Galilee of the Gentile tribes.

The word Gentile in the Greek is ethnos and refers to a tribe or nation, almost always non-Jewish. Christ's disciples with the exception of the traitor Judas Iscariot came from Galilee of the Gentiles. The Apostle Paul, while a Jew by religion, until his Damascus road conversion, was a Benjamite by bloodline and not a Jew. While the Bible translators have confused this in some instances, such as Romans 3:1, 2 where it says (KJV): "What advantage then hath the Jew? or what profit is there in circumcision? Much every way: chiefly, because unto them were committed the oracles of God." But those of us who have studied the Word, know this should have read Israelite for the oracle of circumcision was given to the Hebrew Abraham, 1200 years before any Jews appeared on the historical scene.

In Romans 9:2-4 Paul clarifies this somewhat when he says: "That I have great heaviness and continual sorrow in my heart. For I could wish that myself were accused from Christ for my brethren, my kinsmen according to the flesh: Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises;" No where in Scripture will you find where these were ever given to people called Jews.

He clarifies his position in Romans 11:1 - "I say then, Hath God cast away his people? God forbid. For I also am an Israelite, of the seed of Abraham, of the tribe of Benjamin." Again in Philippians 3:5 he says: "Circumcised the eighth day of the stock of Israel, of the tribe of Benjamin, and Hebrew of the Hebrews: as touching the law, a Pharisee (Jew)." So if anyone tells you that Apostle Paul was a Jew, here is evidence to the contrary from his own lips.

When we consider the Twelve tribes of Israel, rank must be considered, since Jacob himself, in his final end time prophecies, as recorded in Genesis 48 & 49, gave them this rank. The birthright, or material blessings, was given to Joseph and his two sons Ephraim and Manasseh, who were to be the birthright tribes. The scepter or the kings were always to come from the tribe of Judah.

Both Scriptures and history verifies this since the Davidic line of kings, and our Lord Himself, who is become the King of kings, came from Judah. Because the right of ruler ship was always to come from Judah, the genealogical tables are recorded so as to show the line of the Messiah. The line of Joseph is not shown.

Although Reuben was Jacob's oldest son and would normally have received the birthright blessing, it was withheld from him because of his sin (see 1 Chronicles 5:1,2),
Do You Really Believe?

and was given to Joseph and his two sons, Ephraim and Manasseh, who were legally adopted by Jacob (see Genesis 48:16).

There was no way the Ten tribes could return under the Tribe of Judah, without *despising their birthright*, and changing the prophetic plan as prophesied by Jacob in Genesis 49. When the division of the Kingdom took place, on the death of King Solomon, it was Ephraim who assumed leadership, when Solomon's son Rehoboam was rejected and the split between Israel and Judah took place as prophesied by Hosea, Jeremiah and other of the prophets. These prophecies were addressed to Ephraim/Israel. (See Hosea chapter 2 & 14).

When the Judeans returned from Babylon, only the tribes of Judah, Benjamin, and Levi are mentioned in Ezra 1:5. Since no other tribes are mentioned, we know they were none of them in Babylonian captivity.

If the statement by the fundamentalists that *the Jews are all of Israel*, were true, then what became of God's promise that Israel would never cease to be a nation and would always have a king from the Davidic line, ruling over them?

In Genesis 17:7 we read: "And I (God) will establish my covenant between me and thee and thy seed after thee in their generations for an everlasting covenant, to be a God unto thee, and to thy seed after thee."

The seed of Abraham were to become not only a great multitude of people, like the stars of the heavens, in number, but a great nation and *a commonwealth of nations*. (See Genesis 12:3) The people we know as Jews have never qualified as to this great number, to *being a great nation and a commonwealth of nations*. So we know they are not of Israel.

As close study of Scripture shows that Israel did not return from Assyrian captivity for the following reasons:

1.) They could not regain the land, which had been given to their forefathers by God.

2.) The inhabitants of Jerusalem had ordered the house of Israel away from God.

3.) The birthright tribes of Ephraim and Manasseh could not despise their birthright by returning to Palestine under Judah.

The claim by some Bible scholars that Israel went south from Assyria and joined Judah in Babylonian captivity is contrary to Scriptural records. Honest historians and ethnologists (the science which deals with origin, distribution, origin and distinguishing characteristics of races), know that throughout the centuries that followed, Judah, under other names such as *Jute*, followed Israel over northern and western Europe and the
Do You Really Believe?

British Isles and became reunited with them. Contrary to all other migrations which went east and south, that Israel was north and west.

Some believe that the Jews who returned to Palestine are of the tribe of Judah, but historical research, backed by Jewish historians themselves, shows these people to be mostly Turco-Mongolians Khazars from Eastern Europe.

The Vision of the Valley of Dry Bones, in Ezekiel 37, shows the future of the reunited house of Israel:

1.) God's people will be brought back from the heathen nations.
2.) God will open the graves and cause them to come into the land of Israel. (Notice nothing is said about this being Old Palestine.) I believe it will be the new land that was promised to King David in 2 Samuel 7:10. The wording indicates it will be the future, in a place other than Palestine. I believe we are living in part of this new land now, the United States and Canada. In Ezekiel 37:14, we are told by the prophet: "And I shall put my Spirit (the Holy Spirit) in you, and ye shall live, and I shall place you in your own land: (again no hint that this is Old Palestine) and then shall ye know that I the Lord have spoken and performed it."

When this happens, Israel is to be an exceeding great army and any discerning Bible scholar surely can see that the return of less than 50,000 Judeans from Babylon to Palestine, with their new religion of Judaism, cannot be part or all of true Israel. In like manner, the less than 22 million Jews who exist today cannot qualify as numbering as the sands of the sea, or the stars in the heavens.

As a nation, God divorced Israel in Hosea 1:6 - "... for I (God) will no more have mercy upon the house of Israel; but I will utterly take them away." In verse nine of the same chapter, God continues: "... for ye are not my people, and I will not be your God." Yet a strange thing takes place in verse ten, "Yet the number of the children of Israel (the divorced ones) shall be as the sand of the sea, which cannot be measured nor numbered; and it come to pass, that in the place where it was said unto them, Ye are not people (the Jews, and Judeo-Christians call us Gentiles), there it shall be said unto them, Ye are the sons of the living God (Christians)." Verse eleven - "Then shall the children of Judah and the children of Israel be gathered together, and appoint themselves one head (Jesus Christ), and they shall come up out of the land:..."

Divorced Israel was divorced for their apostasy, and cannot return until God makes this possible. Isaiah 50:1 says: "Thus saith the Lord, `Where is the bill of your mother's divorcement, whom I have put away? Or which of my creditors is it to whom I (God) have sold you? Behold, for your iniquities have ye sold yourselves, and for your transgressions is your mother put away." Then in Jeremiah 31:31-34, we read: "Behold,
Do You Really Believe?

the days come, saith the Lord, that I will make a new covenant with the house of Israel; and the house of Judah: Not according to the covenant that I made with their fathers in the days I took them by the hand to bring them out of the land of Egypt; which covenant they brake, although I was an husband unto them saith the Lord: But this shall be the covenant I will make with the house of Israel; After those days, saith the Lord, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people. And they shall teach no more every man his neighbor, and every man his brother, saying, Know the Lord: for they shall all know me, from the least of them unto the greatest of them, saith the Lord: for I will forgive their iniquity, and I will remember their sin no more." This is what we are longing and working for.

In this same passage in Hosea, the prophet refers to the fact that these people whom God has divorced, and who are said, "ye are not my people," are still referred to as the "sons of the living God." Isn't that what has happened to Israel? They are now known as Gentiles. They have lost their identity as Israel, yet God says of them: "Ye are my sons!" Only the White nations of Christendom can qualify here. The people we know as Jews have never lost their identity. They say, "We are God's Chosen!" But God says: "Only those of you who believe on my Son, Jesus, are my people, the rest of you are antiChrist's!" (See 1 John 4:3) "Every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is the spirit of anti-Christ, whereof ye have heard that it should come; and even now already is in the world."

There is only one way an Israelite or a heathen can become a "son of God", and that is through the new birth of John 1:12 and John 3:3. Being White, or an Israelite does not qualify you as a son. This is why Jesus told Nicodemus, "Ye must be born again, from above!"

In the place where God's people would assemble in the last days, they would not be known as "God's people, called by His name", since a usurper had stolen this title. They would be known as Gentiles. Yet when they accepted Christ as their Savior and King, they would automatically and rightfully be referred to as Christians, "sons of the living God."

Israel is destined to accept Christ, not only on a personal basis, but also as a nation, and hence the White nations are referred to as Christendom. It is interesting to note, that only the White nations of the world have openly accepted Christianity and the Christian religion. The colored have only been reached with a great deal of effort, at much expense and often danger to the messengers. Christendom has also supplied 98% of all the Christian literature published, and the same amount to missionary efforts, and in times of disaster provides most of the rescue efforts. All these things, and many more are fingerprints that identify us a true Israel. You will find few of those attributes among the people known as Jews.

When Israel comes back to their new land that they will never leave, Amos 9:15, tells us - "I (God) will plant them upon the land, and they shall no more be pulled out of the land which I have given them."
The Jews leave Russia for Palestine, but Jewish records show that more of them leave for the Promised Land of America, and their immediate welfare benefits, than those who stay. In 1985, for instance, Jewish immigration records show that 12,000 more Jews left the mini-state in Palestine, for America than those who remained in Palestine. Those who have become immigrants to America, have become the thorns in our sides, and pricks in our eyes, the prophets said would happen if we allowed them into our country. We have seen the fulfillment of the prophecy in Deuteronomy 28:43, 44, which says: "The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail." Any intelligent person can see how this has happened.

When Jesus was on this earth, the Edomite King Herod ruled over the Jews. He was not of the Davidic line and was not an Israelite.

When Jesus first arrived on the public scene in Palestine at the age of 30, He knew that he came from the Davidic line, and that His mission was to save the lost sheep of the house of Israel. (See Matthew 10:6; 15:24) Your Judeo-Christian pastors will no doubt tell you that these lost sheep were unsaved Jews, but this is not the case, since the English word lost, as used here, comes from the Greek word appolumi, which refers to: "Those who were sent into exile as punishment for their disobedience." This never happened to the Jews.

In John 10, Jesus discusses these lost Israelite sheep, and their need for a shepherd. He uses an example the common people understood, the shepherd and his flock. In verse four He explains how His sheep follow Him, because they know his voice and will not follow a stranger. This is characteristic of sheep.

Then turning to the Jewish leaders He clearly tells them in verse twenty-six - "But ye (Jews) believe not, because ye are not of my sheep." (Emphasis mine) How could this be made any clearer before you believe?

Jesus then goes on to explain in verses twenty-seven & twenty-eight - "My sheep hear my voice, and I know them, and they follow me; and I give unto them eternal life, neither shall any man pluck them out of my hand." In verse twenty-nine He says: "My Father gave them, to me."

You can find no Scripture reference which tells you that the Jews were lost in the same sense as the Israelites. In no place does Jesus call the Jews, the children of God, while in at least one place, John 8:44, he said to them: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." (Hardly Chosen People material is it?) In Matthew 23:15 he gives a second witness against the Jews. In case you refuse to believe the first. He accuses their religious leaders, calling them hypocrites who "go over the land and sea to make converts, only to turn them into two-fold more children of hell than

themselves." Remember, these are not my words, they come from the mouth of the man you call your Savior.

To understand this Shepherd Chapter, you will need to study Ezekiel 34. In verse six God speaking says: "My (Israel) sheep wandered through all the mountains, and upon every high hill: yea, my flock was scattered upon all the face of the earth, and none did search or seek after them."

Then in verse eleven, God says: "... Behold, I, even I, will both search my sheep, and seek them out." Here again He used the example of sheep and shepherd, and promises in verse thirteen to bring them out of the lands where they have been scattered and "feed them in Israel by the rivers." (Here is another good reason I know this will not take place in old Palestine, for the only river of any size in that land is the Jordan, and this promise says rivers plural.)

In the new Israel, besides the many rivers of America, God will finally give peace, prosperity, and safety to His people.

When Israel, which is God's people, that are called by His name, Christian, will finally wake up to who we are, and realize what our heritage is, then will we turn from our wicked ways, and God will hear from heaven, as He has promised and will forgive your sins, and will heal our land. This is the only Formula for Our Survival, which will work.

Over and over again in Scripture Jesus Christ refers to Himself as the good shepherd. In John 10:11 he says: "I am the good shepherd: the good shepherd giveth his life for the sheep." Then in the next few verses, verse twelve - "But he that is a hireling (Greek - misthotos - meaning: "a wage worker, good or bad" I'd say a false pastor), and not the shepherd, whose own the sheep are not, seeth the wolf coming and leaveth the sheep, and fleeth: and the wolf catcheth them (and devours them, for this is what a wolf does), and scattereth the sheep. Verse thirteen - The hireling fleeth, because he is a hireling, and careth not for the sheep. Verse fourteen - I am the good shepherd, and know my sheep, and am known of mine."

In Isaiah 51:1, 2 we are shown the value of our heritage, as the prophet admonishes us to "Hearken unto me, ye that follow righteousness, ye that seek the Lord: look unto the rock from whence ye were hewn, and to the hole of the pit from whence were digged. Look unto Abraham your father and unto Sara that bare you: for I (God) called him alone and blessed him and increased him." (See also Amos 3:2 - God speaking) - "You (Israel) only have I known of all the families of the earth. .."

When Israel learns to obey, then the promise of Ezekiel 34:25 will come to pass - "I (God) will make with them a covenant of peace, ... and they dwell safely in the wilderness and in the woods." Verse twenty-seven - "And the trees of the field shall yield her fruit, and the earth shall yield her increase, an they shall be safe in their land, and shall know that I am the Lord, when I have broken the bands of their yoke, and
Do You Really Believe?
delivered them out of the hand of those that served themselves of them (the International Jewish Bankers, who hold this Israel nation in several trillion dollars of debt, which can never be paid off and White Christian America in particular has become a slave to the Jewish slave masters. All in accordance of what God said would happen if we disobeyed Him.).
Verse twenty-eight - . . . neither shall the beast of the field (Hebrew - chay - meaning: "a living creature that God created - that could walk upright like a man, talk and reason like a man, repent of evil deeds, had hands and feet and wore clothes like a man." Most certainly not an ape. See Jonah 3:7-10, as an example), devour them and none shall make them afraid.

An interesting lesson can be found in a study of crime statistics. According to the FBI Blacks who make up less than 20% of our national population, committed 2/3rds of all the violent crimes. Could these be the wild beasts mentioned here and elsewhere?

Then thank God for the ultimate reward that will come when Israel turns to obedience of God, verse thirty-one - "And ye, my flock (Hebrew - t'oun - meaning: "a flock of men, used figuratively"), the flock of my pastures, are men, and I am your God, saith the Lord God." (The word man as used here is the Hebrew word au'daum, which means: "to show blood in the face; be capable of blushing, a characteristics only of the White race.)

The Jewish rabbis in the Talmud, who insist they are God's Chosen, says this indicates that only Jews are men, and that the rest of us are goyim, a term of Yiddish contempt, meaning non-Jew animal.

Now can you understand Jesus' words, in John 10:11, when He said: "I am the good shepherd; the good shepherd giveth His life for the sheep." And that is what He did. You will find no record anywhere, of a Jew ever doing anything like this. They are a very self-centered people, who seldom do anything nice for anyone that does not bring them adequate reward. This is one of the major areas where they differ from Christianity.

Knowing this you can better understand Christ's words in John 10:11, where He said, "I am the good shepherd; the good shepherd giveth his life for the sheep." Then in John 10:26, to show the difference between His Israel sheep, and the people called Jews, He told their leaders: "Ye believe me not; because ye are not of my sheep." (How much plainer could He be?)

When Zacharias held the infant Jesus in His arms in Luke 1:68, he prophesied: "Blessed be the Lord God of Israel: for He hath visited and redeemed His people ..." Verse seventy-one - "That we should be saved from our enemies, and from the hand of all that hate us." (Would you say that a people who state: "We will destroy your White Christian civilization are our enemies?)

Have you ever wondered why Jesus, in Matthew 10:5, told His disciples: "Go not into the way of the Gentiles (Greek - ethnos - meaning: "tribes; nations, in this case heathen), and into any city of the Samaritans (the people who replaced Israel when they went into
Do You Really Believe?

(captivity) enter ye not. But rather go to the lost sheep of the house of Israel. " (Emphasis mine).

He somewhat clarifies this in Matthew 10:23, when He tells His Israelite followers: "But when they persecute you in this city, flee not into another: for verily I say unto you, ye shall not have gone over the cities of Israel, till the Son of man be come." Israel was to become so large and within a hundred years of Christ's death and resurrection it had already covered northern and western Europe and the British Isles. It had become so large, that it would take until the time of Christ's return for His followers to cover it. If this verse had referred to Palestine at the time of Christ, it cities could have been covered in weeks.

Here we see Jesus unfolding an age-old program for the expansion of His kingdom, and His orders still remain, "Occupy until I come!" It is glorious program for the evangelization of the world, until He comes back in triumph to rule and reign, as King of kings, and Lord of lords. This indicates a kingdom of righteous triumph over evil, where one must go beyond the born again stage, to become, and overcome for Him. (See Revelation 3:21) Granted, this change of life must begin with being born of the Spirit, but this is just the beginning of the Christian experience, and we must not rest on our eternal security, but go on to become triumphant.

In spite of Christ's clear admonition to "go to the lost sheep of Israel, our major missionary efforts have been to the dark heathen nations of the world. These have been reached only with great effort, the expenditure of vast sums of money, and often danger to the missionary. Talk with most any missionary who have worked with the heathens in Africa, and they will tell you about the fine Christian churches they have built, and how they have even trained native pastors in their own seminaries. Then political upheaval takes place and they are forced to leave. They come back a few years later to find their church still in operation, but with the local witch doctor as pastor. They still sing the old Gospel hymns, but their worship has become so intermixed with the occult of heathendom, that it cannot be recognized as Christian. This has happened too many times to be a mere coincidence, and proves, all scientific and religious evidence to the contrary, that these heathen people do not have the spiritual capability of fully understanding the Christian Gospel, although I believe they can be saved.

This people, living without the Law, which was given only to Israel (not the Jews), are not living in sin, as are we who have the law. Paul speaks of this in Romans 2:14 - "For when the Gentiles (and here the word refers to heathen) which have not the law, do by nature the things contained the law, their having not the law unto themselves." The in Romans 7:7 he asks this question: "What shall we say then? Is the law sin? God forbid. Nay, I had not known sin but by the law: for I had not known lust except the law said. Thou shalt not covet." (The Greek - epithumeo - meaning: "to set your heart on; desire; long for; lust after").

The Jewish leaders knew that Israel was divorced and had lost their identity, for when Jesus told them that they would seek Him and not be able to find Him (John 7:32-37).
They said among themselves: "Will he go to the dispersed (Israelites) among the Gentiles (heathen nations) and hide himself?"

Later when the Pharisees and Chief Priests met to decide what to do about the problems Jesus was causing them, as He had become a thorn in their sides by His doctrine, the Chief Priests, said: "What shall we do? For this man doeth many miracles (which they could not deny). If we let him thus alone, all men will believe on him: and the Romans shall come and take away both our place and nation." (John 11:47-53) It is obvious that Caiaphas knew that Christ's mission was to gather scattered Israel, and feared losing his position as High Priest, if this took place, verses fifty-one - fifty-three, clearly states that Caiaphas stated this, not of himself, but being the High Priest, he prophesied that Jesus should die for that nation. "And not for that nation only, but that He also should gather together as one the children of God (Israelites) that were scattered abroad. Then from that day forth they (the Jewish Sanhedrin) took counsel together for to put Him to death."

When Jesus used different Parables in His teachings - the Hidden treasure; the Prodigal Son; the Two Sons; the Vineyard Laborers, and others, both His disciples and the Judeans who listened to Him, knew He was referring to lost Israel.

As a climax to His kingdom teaching, He used the Parable of the Vineyard Laborers (Matthew 21:33-46). This was the story about the deliberate rejection and murder of the Son by the Jews.

When Jesus asked the Pharisees how the Lord should punish these wicked men, they were honest enough to reply (Matthew 21:41) - "He will miserably destroy those wicked men, and let out his vineyard unto other husbandmen, which shall render him the fruits in their season."

It was at this point where Jesus showed that He was the rejected stone (Matthew 21:42,43), - "Jesus said unto them (the Pharisees), did ye never read in the Scriptures (Psalm 118:22; Isaiah 28:16), "The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvelous in our eyes?" Then He went on in verse forty-three to tell the result of Jewish rejection of Him as Messiah: "Therefore (because of this), I say unto you, the kingdom of God shall be taken from you, and given to a nation (not the Church, as we have been told) bringing forth the fruits thereof "

I believe that nation was the United States of America which began as a Christian nation, and was acknowledged world-wide as a Christian nation, which is now under God's disciplining hand, for leaving it's first love, and supporting anti-Christ's.

The first incident of lost Israelites, seeking Jesus can be found in John 12:20-22.

The second chapter of the book of Acts, has been confusing to church folks, for they see the terms Israel and Judah applied to the same people. A little study will show you that
Do You Really Believe?

those who were called Jews were Jews by religion (as was the Apostle Paul before his conversion), not necessarily by Israelite bloodline. They came from every known nation on earth at that time. They were not classified a Jew except by religion, and most of them were Israelites. They were classified as Parthian, Medes, Elamites, Mesopotamians, Judeans, Cappadocians, Phrygians, Pamphelians, Egyptians, Libyans, Cretans, Arabians, and Romans.

When the Apostle Peter addressed them, there was no confusion in his mind about who they were. In Acts 2:14 he calls them "Ye men of Judea (Inhabitants of Judea, not necessarily Jews by religion) that dwell in Jerusalem." He clarifies this in verse twentytwo - "Ye men of Israel, hear these words; . . ." Peter knew whereof he spoke, for he had heard from the Master's own lips how He had disenfranchised the Jewish people, who no longer could be considered as God's Chosen.

Peter challenged these Israelites from all over the known world, to "Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost." (Acts 2:37, 38)

This Pentecost message was to a scattered Israel, which had been elected by God for a special purpose, Peter said of them in 1 Peter 2:9, 10 - "But ye (Israel) are a chosen generation (bloodline), a royal priesthood, an holy nation, a peculiar people; that ye should show forth the praises of Him who hath called you out of darkness into His marvelous light: Which in time past were not a people (you were divorced and known as Gentiles - Hosea 1:10, 11), but are now the people of God: which had not obtained mercy, but now have obtained mercy." The legacy of Israel.

It is indeed unfortunate that most of our Bible scholars refuse to accept the plain teaching of the Word, and have confused the word Gentile to mean heathen, thus making the Israel people out to be heathens, when in most cases, it comes from the Hebrew goy, in the Old Testament and the Greek ethnos, in the New. Both meaning tribes, or nations, and in a few places in the New Testament, Greeks, who were Israelites. In very few places is the word Gentile applied to heathen, but any non-Jewish person.

When Jacob predicted in Genesis 48:19 - "His seed shall become a multitude of nations", the Hebrew word goy (Gentile) was used and obviously did not apply to a heathen.

The Apostle Paul said, in Romans 11:25 - "Blindness in part has happened to Israel, until the fullness of the Gentiles (ethnos) be come in," he was referring to the fact that Israel would lose it's identity, something which never happened to the Jewish people.

Israel was to become blind and a multitude of nations, something else that never happened to the Jews, but has already taken place among the White nations of Christendom.
Do You Really Believe?

When the Lord sent Ananias to Saul of Tarsus in Acts 9:15, so he could be converted and receive his sight, he told him: "He (Saul) is a chosen vessel unto me to bear my name before the Gentiles (ethnos - nations), and kings and the children of Israel."

The specific wording of these verses clearly shows that it was not speaking of Jews, since they never had a king. Someone is bound to disagree with this observation and say: "How about king David? Wasn't he a Jewish King?" I challenge you to show me any Scripture, where David is referred to as a Jew. He lived and reigned about 1048 BC - 1015 BC which was 300 years before anyone called Jews showed up on the historic al scene in 2 Kings 16:6, about 742 BC. Yet false tradition in the church has become so strong, that David is generally considered to have been a Jewish king.

It is also interesting to note that although the apostle Paul was a Benjamite, and not a Jew. Mistranslations of the Epistle of Romans call him a Jew, when he should have been referred to as a Judean. He was Jewish by religion, a high-ranking Pharisee, but a Benjamite, therefore an Israelite by bloodline (see Philippians 3:5 for his own witness). We can clearly see these mistranslations, by looking at Romans 3:1,2. In the King James translation they say: "What advantage then hath the Jews? Or what profit is there to circumcision? Much every way: chiefly, because that unto them were committed the oracles of God." We know this cannot be true, since the ordinance of circumcision was given to the Hebrew Abraham, almost 1200 years before there was anyone known as Jews, and the Jewish people never received any oracle from God. The one's who received them were all Israelites.

If these Epistles were written to heathen Gentiles, as most Bible scholars imply, how would they understand Paul's constant references to Sarah, Abraham, and Jacob, who were all Hebrews? The first Israelites began with Jacob, when God changed his name from Jacob to Israel.

When the Apostle Paul spoke about the "law given unto our fathers", how would heathen Gentiles understand? When he spoke about Abraham's sacrifice of Isaac and God's choice of Jacob over Esau, how would heathen Gentiles understand? It would be impossible!

No my dear Christian friends, even if you are among the brainwashed ones of Judeo-Christianity, the Epistles were not for heathen ears, but for those Israelites who understood their meaning.

The very fact that the White nations of Christendom have been first in their acceptance of Christianity is an outstanding fingerprint indicting they are true Israel. Jesus said: "My sheep hear my voice and follow me," (John 10:3, 27).

Ask yourself where the Jews qualify under the promise of Isaiah 59:21? How could they when they do not believe on the Savior?
Do You Really Believe?

Have the Jews glorified Jesus Christ, as Israel was to do? Hardly, they spit and curse when His name is mentioned. (Isaiah 41:16; Luke 1:16)

Do the Jews declare Christ to be the head of Old Testament Israel? (Isaiah 43:10-12; 49:3; Acts 1:8). Not by any stretch of the most fertile imagination. Do the Jews show forth the praise of God's Son, Jesus Christ? (Isaiah 43:21). Their Talmud condemns Him and all Christians, to spend eternity in hell, buried up to their necks in boiling excretement!

Have the Jews carried the Gospel of the Kingdom to the entire world? (Genesis 28:14; Isaiah 43:10; 49:6; Acts 1:8). You know the answer to this.

Are any Jews found among the great characters of faith found in the Bible in Hebrews 11? Not a one. Abel; Enoch; Noah; Abraham; Sarah; Isaac; Jacob; Joseph; Moses; Gideon; Barak; Samson; Samuel; David and more. Some like the harlot Rahab, were not even Israelites, but they were commended for their faith, and not a one of them were Jews. This should tell an intelligent person something.

Are the Jews a righteous people? 1 John 2:22,23 tells us they are anti-Christ's so they cannot qualify as Israelites on this score. How can a nation, a people, be righteous when they are against the very root of righteousness?

Are the Jews a great nation? Have they ever qualified as such? (See Genesis 35:11; 48:19). In no way have they come close to a great nation status, and only survive now because of largess and protection of the American government.

Do the Jews have a new name today? No, they still carry the same name they have had since 742 BC (See Isaiah 62:2; 65:15; Hosea 1:10; Romans 9:25,26; 1 Peter 2:10).

No my mislead, brainwashed Judeo-Christian, Fundamentalists friends, these are only a few of the more than 200 Scriptural fingerprints, which will identify true Israel in the closing out days of this age, and the Jews do not qualify for a single one, Jack Van Impe to the contrary.

The Bible promises, Covenants, Laws, Psalms, Prophecies, Parables and history, all conclusively prove to an honest, discerning mind, that the people we know as Jews are not the Israelites of the Bible.

When Jesus returns, soon I believe, as the prophetic signs point in that direction, it will be to set up His kingdom on this earth, as indicated in the Lord's prayer: "Thy kingdom come, thy will be done, on earth, as it is in heaven." We will not be celebrating with Him in some heavenly party, but will be serving Him here on this renovated earth (See 2 Peter 3).

He will redeem His Israel people and we shall go forward to do the work God has prepared for us to do, as we become a Blessing to all nations. That will be the day of

Are you ready for His return? Do you really believe His Word? Are you ready to show your

CRUSADE FOR CHRIST AND COUNTRY

(The following article, with some editorial license on the part of Col. Mohr, was written by Mr. W. Finlay and appeared in the October issue of the Bulletin LOOK UP, edited by the COVENANT FELLOWSHIP, G.P.O. 3059, Sydney, N.S.W. Australia 2001. The message which is especially important to Canada and the United States, is of such necessity that it needs to be dispensed far and wide.)

"In 1 John 2:15 -17, we read these words: "Love not the world, neither the things that are in the world. If any man (woman) love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh (innate desire for material things), the lust of the eye, and the pride of life is not of the Father, but is of the world and the world passeth away, and the lust thereof; but he that doeth the will of God abideth forever".

Millions of people in Canada and the United States recently watched the football extravaganza called the Super Bowl of professional football. This year it was played in Miami, Florida. The result of the game between the San Francisco 49ers, and the San Diego Chargers is of little importance. But the half-time entertainment showed the depths of sin and degradation into which this once Christian nation has fallen.
Before a huge replica of a grinning heathen idol, half naked priestesses twisted and writhed to Satanic African jungle music, while half-naked Black men joined in their orgiastic, God blaspheming rites, in a display that must have outdone anything ever seen in heathen Babylon or ancient Rome. It was viewed by millions who were glued to their TV sets, including millions of so-called Christians. I have not seen a single word of disgust exhibited by the Christian community. Why has crime, and evil become the "Modus Operandi" in the Israel nations of Canada and the United States. Here is Brother Findlay's scriptural answer:

Between the years 1918 and 1939, a frightful machinery was set in motion, which resulted in the spiritual and moral ruin of Anglo-Saxondom and the devastation of the civilization which this company of nations distributed around the world. (It did not come un-announced, for the anti-Christ enemy has openly proclaimed his intentions to destroy White Christian civilization and the good it has brought to mankind - Mohr).

This was the era when the purveyors of destruction commenced the erosion of historical principles and deprived the Anglo-Saxon peoples of content and meaning among the nations of the world.

That this was a political fact and not philosophical speculation was borne out by Winston Churchill on Feb. 26, 1930, in an address before the British Navy league. He summed up the political situation of the Anglo-Saxon nations by saying:

"During the last few years, a sense of powerlessness must have come across those who have taken part in the triumphant exertions which the British Empire has made in the present century. Some spring seems to have snapped in the national consciousness. There is a readiness to cast away all that has been won by measureless sacrifices and achievements. We seem to be the only great nation which does not speak up for itself, which has lost its confidence in their missions, which is ready to resign their hard won rights." (UNQ.)

Sixty years later, the same situation obtains, although on a much broader tapestry, as it now embraces all the company of Anglo-Saxon nations. (The United States and Canada in particular - Mohr). The "powerlessness," the spirit of surrender, and the "inferiority complex" has intensified with the result that the Western Christian nations are now writhing in their death-throes and are apparently resigned to oblivion.

Very few voices are raised in protest, and these are usually drowned out by the clamor of the vociferous minority, who have already surrendered to Satan and who want the remainder of God's "true Israel", to do the same. To the cacophony within the political sphere is added the platitudinal "explanations" of the many "false prophets" of whom the Lord Jesus Christ warned in His Olivet Discourse, (Matt. 24:24), and who advocate and encourage national dissolution under the religious pretext that "...ye are all one in Jesus Christ". From platform and pulpit we are bombarded with the parrot-cry: "All men are created equal!" and the spring in the "national consciousness" has indeed snapped creating yet another tragedy in world history.

In the PROTOCOLS OF THE LEARNED ELDER'S OF ZION, PROTOCOL VIII states: "In order to annihilate the institutions of the goyim (Yiddish for "non-Jew" animal) before Its time, we have touched with craft and have taken hold of the ends of the springs which move their mechanisms. These springs lay in a strict, but just sense of order. We have replaced them with the chaotic license of liberalism. We got our hands into the administration of their law; into the conduct of their elections; into their press; into the liberty of the person, but principally into their education and training, as being the cornerstones of a free existence". Many of you "brainwash" Folks are going to say: "But those Protocols are a forgery!" Possibly! Yet the Zionist enemy have been following this plan like a "blueprint for almost 100 years".

IT ALL HAPPENED BEFORE!
If one takes time to examine objectively the history of Anglo-Saxondom, from the period of its rise to that of Its fall, it will be noted that, with a few minor differences, It follows that of ancient Greece. History records that the Grecian Empire also dissolved, when the "springs of it's national consciousness snapped". Patriotism was displaced by a flood of Oriental religions, such as are now inundating America. These emphasized individual eternalism, in contrast to temporary nationalism. The Greeks became so preoccupied with "doctrines" that they lost touch with reality, and in the consequence, the prosperity and even the existence of the State sank into insignificance. There is an old truism which should be noted here: "He who refuses to learn from the mistakes of history, is bound to repeat them".

Among the nations of Anglo-Saxondom today. The same principle obtains and it would be a blind person Indeed who would deny that the general attitudes of individuals within the modern development of God's Witness Nation Israel (not the Jews - Mohr) is: "It doesn't matter who you are or where you came from, or what you do. We are all children of God".

The same response is evoked when one endeavors to call to the attention of Anglo-Saxondom the fact of their true identity with the Israel of the Old Testament and the responsibility which attends such identification (see 1 Peter 2:9 -Mohr).

Disdaining to equate the misery and suffering of the nations of the world with Israel's refusal to accept it's identity and responsibility, under the opiate of religious delusions, many true Israelites turn their eyes heavenward and point to the nebulous galaxies as they piously proclaim: "My citizenship is there - not here!" It is truly remarkable how detached from reality one can become when one allows religious speculation to take preference over the scriptures.

**THE LOVE OF THE "WORLD SYSTEM"!**

The phrase "religious speculation", because it has been used in the sensitive area where many concentrate the rum total of their Christian expectations, may cause offense to many, which is certainly not intended.

It should be recalled that the Lord Jesus Christ exhorted His followers to "search the scriptures" - an exercise which is designed to strip away all speculation - however pleasing and acceptable these may be - and leave the searcher with that priceless commodity - called TRUTH!

A superficial reading of the scripture which prefaces this message will no doubt support the contention of the "heavenly citizenship" of the believer. However, if we obey the voice of the Lord and search beneath the English translation to the Greek text, we will find that the superficial reading is not only misleading, but it engenders a spirit which is in opposition to the whole body of revealed scripture.

(When I was a boy, we used to sing a spirited song in Sunday school that went something like this:

"I am a stranger here, within a foreign land; My home is far away, upon a golden strand. Ambassador to be, to realms beyond the sea; "I'm here on business for my King". While this sounds exciting and possible, it is useless speculation, for the scripture does not teach this - Mohr).

It should be noted that the word WORLD appears six times in these three verses, I John 2:15-17. The general tenor appears to suggest that the world is an evil place and anything associated with the world should be rejected. However, the English word WORLD, appears 239 times in the New Testament and is translated from three different Greek words, each with its own peculiar and different meaning.

If the Greek text intended to engender distaste for the terrestrial globe we call the world, peopled
and governed by people, the word used would have been UIKOUMENE. The simple expedience of using a Concordance during Bible study would have cleared this up. (Instead most church goers believe what their pastor says it means, without ever bothering to check for themselves - Mohr).

Using Strong's Concordance, for instance, you will find that the Greek word used for WORLD in 1 John 2 is KOSMOS. This word is invariably used to convey the meaning of a "system", or a "particular order of life". (See Liddell and Scots GREEK - ENGLISH LEXICON). This "system" is separate and distinct from the globe on which we live.

The system under which people lived when John wrote his Epistle was that of Imperial Rome. A Rome which was then spreading its degeneracy throughout the known world and forcing subservience to it. It is small wonder that John was exhorting God's people to turn away from that "system". The Father of Israel (God) said in Jer. 31:9 - "For I am a father to Israel and Ephraim His first born". He had endowed His people with a "system" at Sinai, which would never pass away. This is the system Christians should be following today.

This of course leads us to another of John's writings - that of Revelation, given to him by God when he was in exile on the Isle of Patmos. Here again a superficial reading will create a wrong impression, and is often used to soften God's people into an acceptance of universalism. It says: "And the seventh angel sounded; and there were great voices in heaven, saying, the kingdoms of this WORLD are become the kingdoms of our Lord, and of His Christ; and He shall reign forever and ever". (Rev. 11:15, KJV)

A literal translation of the Greek text however, shatters any allusion to universalism ("Universalism" being the Satanic doctrine that all souls will eventually be saved, regardless of what you do with Jesus Christ - Mohr).

The sooner God's people get their heads out of the clouds and come to grips with the reality and inevitability of His purpose, the sooner they will come to know the answer to our problems and have peace.

**CHRIST'S TEACHING VS. THAT OF MAN!**

Notwithstanding the Lord's exhortation to "search the scriptures", there are still many in Anglo-Saxondom (the majority, I'm sure - Mohr) who, despite overwhelming evidence pointing to their identity with Biblical Israel, continue to conform to what they would like it to be. For instance, one constantly hears: "It is Christian to turn the other cheek, particularly when the anti-God, anti-Christ powers indulge in activity which is designed to eliminate the efficacy of the God-centered historical Anglo-Saxon spirit". One is constantly exhorted from the pulpit to "love your enemies" - even when they are perverting the truth of God - even if they are making a mockery of the things which we hold sacred and pour abuse on the Name above all Names. (Texts such as Ps. 139:21, 22, which says: "Do not I hate them O Lord that hate Thee? and am not I grieved with those who rise up against thee? I hate them with a perfect hatred; I count them mine enemies". Verses such as this are strictly "verboten" in the Judeo-Christian churches - Mohr).

Also pre-eminent in Christian doctrine is the theme of "grace", which in most Judeo-Christian churches has taken the place of obedience to God's Law, and which, provided any actions considered expedient, become acceptable as Christian conduct. Here we come to grips with the machinery which today is presented as the very spirit of Christianity - or being the express desire of the Lord Jesus Christ. Yet most of this is far from the truth!

Unless one is willing to search the scriptures, it is impossible to ascertain precisely what the Lord Jesus did teach, for the Christ of today, (like the cross of today - Mohr) is not the Christ, or the Cross of the New Testament. The Biblical Jesus who spoke the words of the Father, in agreement with to the prophets of the Old Testament (see Heb. 1:1, 2). "God, who in sundry times and divers manners spoke in times past unto the fathers by the prophets, Hath in these last days spoken unto us
by His Son, whom He bath appointed heir of all things, by whom He also made the world". (See also John 1:1, 3 KJV).

Jesus did nothing and said nothing which was at variance with the whole body of the Old Testament, (see John 5:1). (Every great sermon preached in the New Testament was preached from an Old Testament text, - Mohr). Yet despite this, the modern false prophets of whom the Lord warned us in His Olivet Discourse (Matt. 24:24), insist on interpreting the Lord Jesus and His words in accordance with the mechanism of destruction, which is aimed at making the Plans and Purposes of God and His people, null and void!

God's Word is being interpreted in the pulpits of Judeo-Christianity in such a way that the very people He came to "redeem" as their "kinsman redeemer", (and these were not the Jews, who He told: "Ye believe not, because ye are not of my sheep" - Mohr) are prepared to say: "So what?" to any scripture that places them irrevocably within the framework of His mission.

It would serve a very useful purpose at this stage to focus once again on the scriptural context into which: "the Word that was made flesh", was born. Listen to Gal. 4:4, 5 - "When the fulness of time was come, God sent forth His Son, made of a woman, made under the Law, to redeem them that were under the Law," (He was speaking to Israelites here, not Jews - Mohr).

This statement immediately focuses attention on one people. (These were not Jews, since He told thAntin John 5:46 - "If ye had believed Moses, ye would have believed Me; for he wrote of Me". It did not focus attention on the world - Mohr).

There was only one people who were ever under the Law and that was the Covenant people of Israel. (How could this be the Jews, when Jesus accused them in John 8:44 of "being of their father the devil?" We can see that the Jews were not Israelites from their own admission in John 8:33, where they admit that their relationship to Abraham was through Esau/Edom - Mohr).

There were only one people to whom the "fulness of time", had any meaning and they were "true Israel", (see Dan. 9:24, 25).

Against this scriptural truth will be those who quote John 3:16 - "God so loved the WORLD, that He sent His only begotten Son that whosoever believeth in Him, should not perish but might have everlasting life". Precisely! Recall what we said earlier about the word WORLD? This statement is not in contradiction of a fact which is verified in the 17th verse of this same chapter. The Greek text reads: "For God sent forth His Son, into the KOSMOS (the Israel Order) not that He should judge that order, but that that order might be saved".

This "system" or "order" was the Law-System given to Israel, by God through Moses at Mt. Sinai. It should be noted in John 3:17, that this "Israel order" was not to be judged by the Son - indeed judgment does not enter the picture here for the "Law of God is perfect," (Ps. 19:7). He came to "save," not "judge" that Israel "order". He said so Himself in Matt. 15:24 "...I am not sent, but (only) to the lost sheep of the house of Israel". (The English word LOST as used here comes from the Greek APPOLUMI, which literally means: "those who were banished for disobedience", which can apply only to Israel, not the Jews - Mohr).

It is small wonder then that the Lord Jesus Christ positively affirmed the continued validity of His Law in Matt. 5:17-19 and He pronounced stern warnings against teachers who instruct His people to abandon the Law, (see vs. 19).

However, the insidious "leaven of the Pharisees" is constantly at work, and it does not hesitate to wrench the Word of the Lord from its proper setting, and take it out of context. This has resulted in the preaching of a "pacifist, social gospel" to the detriment of our people and which should be anathema to all Christians. (In Jer. 23:22 we find words to this effect [paraphrased]: "If the preachers in Israel will preach the whole counsel of God's words, the people will turn from their wicked ways". This has not happened in Christendom, which indicates something terribly wrong with the preaching coming from our church pulpits - Mohr).
Consider for example the so-called Sermon on the Mount. Note that Jesus was speaking privately to His disciples, not to the multitude when He said in Matthew 5:38-42); "Ye have heard it said. An eye for an eye, and a tooth for a tooth: but I say unto you, That ye resist not the evil; but whosoever shall smite thee on the right cheek, turn to him the other also," (Matt. 5:38, 39). Here, once again, a superficial reading will provide a wrong impression, which provides for the principle of forgiveness without any recompense for those who have been injured by the evil doer. This is the very antithesis of the Law of God - the Law which Jesus said would last until "heaven and earth pass away", (John 5:17, 18).

We must remember that Jesus had departed from the multitudes and took His disciples with Him into the mountain, (Matt. 5:1). If what He was about to say would have been meant for the multitude, don't you think He would have taught them this? Bet His hearers were not the judges, the magistrates, the priests, or the common people of Israel, bet His disciples, and these were all Israelites. (With the exception of the traitor Judas, who was the only Jew in the group - Mohr).

As it is the Law, and that portion which deals with the "eye for an eye; and the tooth for a tooth" which is brought into question, we need to turn to the Pentateuch am I note the whole chapter which carries this subject and discover who is involved. The context of this subject is found in Exodus 21, which is prefaced by these words:" Now these are the judgments thou (Moses) shall set before (Israel)..." If you will note, 'judgments" were a national law, with the penalty being administered by the state to violators. None of these judgments fell within the scope of individual vengeance, nor was the individual empowered to exact retribution. An illustration of this is found in vs. 22 - "If men strive and hurt a woman with child... he shall surely be punished, according as the woman's husband will lay upon him; and he shall pay AS THE JUDGES DETERMINE".

This law is very explicit. The husband was not allowed to take personal revenge, or take the Law into his own hands. It provided for a judicial proceeding, presided over by a duly appointed judge. This and Deut. 19:15-21, where judgments and penalties were vested in judges as representatives of the people, not individuals.

There is no contradiction here, although many may look for one, for after He had said that not one smallest punctuation would pass from the Law, He quoted the "eye for an eye" part and then said: "But I say unto you. .

Many take this as Christ's repudiation of the Law which would mean that God contradicts Himself. However, notice, he was not addressing representatives of the judiciary whose duty it was to dispense justice - He was speaking to His disciples, apart from the multitude.

He had selected twelve men for a special commission to the "lost sheep of the house of Israel", knowing that one, Judas, would be a traitor. Here we find individuals who were subject to the "judgments" of the Law, just as their forbearers had been during the Old Testament Dispensation.

The "But I say unto you" part was an individual commission to mercy - an exhortation to "settle out of court", for once the subject was taken before the court, the judge was governed by the law, not by mercy. It was the judge's responsibility to see that justice prevailed. This is the meaning of Matt. 5:25, 26.

From this scripture it becomes obvious that the Lord in no way set at nought the "judgments of the Law," nor did He invalidate the penalties required by the Law which Father God had stipulated as He had no authority to do so.

THE LORDS JESUS CHRIST AND POLITICS!

As mentioned earlier, by removing a text from its context and making it conform to preconceived religious ideas, doctrines are promulgated which deprive God's people from knowing the truth. In like manner, politically oriented false prophets in the pulpits are today preaching "another Jesus".
In many religious circles Jesus Christ is presented as the Great Liberator, working within the working classes and fighting against exploitation by capitalists and racists. Dr. Philip Porter, Secy. Gen. of the World Council of Churches, equates "salvation" with "revolution and its overthrow of racist, capitalist, imperialism".

Actually, who is this Jesus taught by the politically oriented socialist gospelers? The following is a word description taken from what is commonly called "Christian" reading: "Jesus, during His ministry, concerned Himself with a primitive form of populism, socialism and pacifism, which had the effect of gaming the hostility of the substantial, propertied classes, the priests and patriots in general. He drew His followers mainly from the poor, the slaves, and the laboring masses. Being a carpenter by trade, He appreciated the hardships of the masses, and numbered Himself as one of those exploited by private enterprise.

"It was in this context that He formulated a philosophy - the Sermon on the Mount which was never intended to have any relevance in the Old Testament and which was designed to appeal profoundly to the humble, and the working classes. In essence, He comforted whose who suffered from exploitation with promises of equity beyond the grave. He made virtues of the necessities of the weak; He admonished people without hope to take no thought of the morow: people too helpless to resent injury and insult were assured of the dignity of labor and poverty; the meek, the despised, the disherited, the down-trodden, were in the hereafter, to be the elect and favored of God; the worldly, the ambitious, and the enterprising were to be denied admission into paradise". (UNQ) (What a horrible and blasphemous explanation of Christ's mission to earth - this is indeed "another Jesus" which is being preached by many - Mohr).

Here we see a different Jesus, created from the fertile imagination of one who either willingly or unknowingly is veiling the truth of God and His mission to earth. This mission was national in content and context - a continuation of the Father's plan for World Evangelism.

In the light of the prodigious array of satanic weaponry, brought to bear against Christians, it is small wonder that the Anglo-Saxon people are losing their vision, self-respect and faith! In the light of this tremendous onslaught made against this "company of nations", it is small wonder too, that battered and bruised by physical conflict, and now being hammered by a spiritual one, that the modern development of God's Covenant people are seeking respite in Satanic delusions, as they repudiate their birthright saying "What does it matter if we are Israel?"

In the Communist textbook on PSYCHOPOLITICS, written in 1936 as a blueprint for the destruction of Christian America, we find these words on page 52: "You must recruit every agency in the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief that Christianity is vicious, bad, insanity, causing, publicly hated and intolerable.

"We have labored in America since the century's turn to bring to nothing any and all Christian influences, and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When we have done this, we will see the end to them everywhere.

"You must work until Christianity is synonymous with insanity. You must work until the officials of city, county and state pounce on Christian groups as public enemies". This is the Satanic, Talmudic agenda of our enemies, the enemies of God, often supported by traitors behind the pulpits of this land. If you can't see this developing, it is because you have deliberately shut your eyes to the truth!

Today Easu/Edom is rubbing his hands in satanic glee as he answers "true Israelites", by saying: "IT REALLY DOESN'T MATTER! AS LONG AS YOU ARE SAVED, THAT'S ALL THAT'S IMPORTANT! THIS WORLD IS NOT YOUR HOME, YOU'RE JUST PASSING THROUGH!"

But he has made a fatal mistake! It does matter! It matters to God! It matters that His Israel people among the nations of Christendom are denying His purpose for them - are rejecting their proper
relationship with Him and are blaspheming His name among the nations of the world.

Yet in spite of all this. In spite of the denial of our birthright; the denial of our Israel commission, the denial of our status - in spite of all this, the Lord God assures us, that in the "fulness of time:, He will do a work, and will pour out His Holy Spirit on our people, giving them a clean heart and a pure spirit, so that they will walk in His way and do the things He has prescribed in the way He demands. He has said not "You may!" but "You shall!" God will do this despite all efforts by the enemy to thwart His purposes, in spite of what people say, think, or do!

Is it not time for Anglo-Saxondom to get foursquare behind God's Word and purpose? Isn't it time you accept this TRUTH, and then go on to apply the only FORMULA FOR SURVIVAL that will work? (2 Chron. 7:14) - "if MY people, which are called by MY name (Christian) will humble themselves, and pray, and seek MY face, and turn from their wicked ways, then will I hear from heaven and will forgive their sin, and will heal their land". But this must be much more than mere "lip service". God give us the strength to see and follow His truth!

"Am I to become your enemy because I tell you the truth?" (The Apostle Paul - Gal. 4:16)

"Onward Christian Soldiers, marching as to war, with the cross of Jesus, going on before." How we love to sing that stirring old hymn. At one time, it was a favorite in the Christian church. But there isn't much fighting against evil in most of our churches nowadays. That wonderful verse in Ephesians 6:12, has come to read: "For we wrestle not," (PERIOD!).

We are living in the "wishy-washy" age of "love", "detente," and "brotherhood with everyone", no matter how evil they may be. We are living in the age when Christians are being told that they should not speak out when their government does something bad, because the Bible teaches us to be "subject unto the higher powers, for they are of God," (Romans 13:1).

The poor dupes who preach submission to government, whether it is right or wrong, seldom take time to study our own form of Government. For the most part, they are Constitutional illiterates. They do not seem to understand that in America the "higher power," is not the President, or Congress, or even the Supreme Court, but that it is the Constitution, which is based on God's Law.

This is why President "Teddy" Roosevelt once said: "You must back the President and the Congress to the same degree that they back the Constitution."

Today, in Washington, we have scores of public servants who have broken their oath to "protect the Constitution from all enemies, both without and within." This is why we see the idiotic trend towards "detente" with Communism in our government, and "love for Zionism" in our churches. This is why we find pastors, who are faithful to the preaching of the salvation message, who will "fall all over themselves," in elevating God's worst enemies to the status of a Chosen People, disregarding the teaching of their own Lord, who called them "sons of Satan," (John 8:44).

But some of my readers may say: "Isn't it better to compromise a little, rather than having the world destroyed in a nuclear holocaust?" The Word of God, plus sixty centuries of written history, adequately proves that you can never compromise with evil, either as an individual, or a nation, and "come out in the driver's seat!" It's absolutely impossible! Everyone who has ever tried this, has been ultimately destroyed.

Over sixty years ago, the Communist leader, V. I. Lenin, the man who brought Communism to Russia, wrote: "As long as capitalism and socialism exist, we cannot live in peace. In the end, one or the other will triumph. A funeral dirge will be sung over either the Soviet Republics or world capitalism." (He was speaking here of Christian Capitalism, not the Zionist Capitalism which is destroying our Christian nations.)

There is a war going on today; the most important war in the world's history. The biggest and hottest battlefield of that war is between Godless, atheistic, Satanic Jewish-Communism and Christianity. Many Christians will refuse to believe this, but it is true never-the-less. Some of you will take bitter exception to this statement of truth. You will not want to admit that Communism is Jewish. But it is! It was born in Jewish brains and is the "bedrock" of their desire for International One-World control. 95% of the leaders in International Communism, were and still are, Jews. Even Jewish leaders have openly bragged about their part in the Russian Revolution. The New York
JEWISH CHRONICLE, in April 1918, stated: "...there is much in the fact of Bolshevism, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant with the finest ideals of Judaism." The MACCABEAN, a Jewish periodical in N.Y.C., in their November 1905 issue, headlined the Russian Revolution in these words - A JEWISH REVOLUTION!

The Jewish writer, M. Hermalin, writing from N.Y.C. in 1917, stated: "The Russian Revolution was made by Jews. We created the secret societies and planned the reign of terror."

The AMERICAN HEBREW, a leading Jewish newspaper in the U.S., 9/10/20, said: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new world order. What happened in Russia, through the same Jewish mental and physical forces, will become a reality over all the world."

While many Christian readers will refuse to believe and many of their pastor's vehemently deny this, it is nevertheless true. Many of those who have heard stories of Jewish-Communist atrocities in other countries will say: "It will never happen in America!" They say: "Don't you know, Communism has changed. Haven't you heard about detente?" Yes, I've heard about detente and very possibly this is why I wrote this message to you.

One of the greatest Americans of modern times, a man who has been vilified by the Jewish controlled press, J. Edgar Hoover, once said: "We are at war with Communism and the sooner every red-blooded American realizes this, the safer we will be. Communism is waging its war to enslave us according to plans carefully spelled out over fifty years ago by Lenin." Paraphrased and summarized, Lenin's plan states: "First we will take Eastern Europe; then the masses of Asia; then we will encircle the United States which will be the last bastion of capitalism. We will not have to attack them, for they will fall into our hands like over-ripe fruit."

Lenin's plans have been fulfilled to a greater extent than even he visualized. America has become more rotten than he guessed possible, and still withstand Communism. (He probably did not take into account the fact that there would be Christians here, who would not be taken in by his Satanic pleas for "world brotherhood.")

There are few Christian leaders these days, who are willing to look through the Jewish smokescreen, to realize this. They refuse to see that it is Judeo-Christianity which is destroying our white Christian civilization and the benefits of freedom it has brought to mankind. But if you will look at our recent history, you can see the truth of Lenin's words. You will see that it is Christ hating Jewish-Communism which has taken over one Christian nation after another, subjecting them to holocausts far worse than any suffered by the Jews in Hitler's Germany. Yet seldom is a word of complaint heard from the pulpits of our Christian churches. Keep in mind that in 1917, Communism only boasted 40,000 followers, of whom over 90% were Jewish. Today, they control one-quarter of the earth's surface and over a billion unwilling slaves.

I saw a list recently... I'm not going to list them all, just a few at random: In 1940 they subjugated Lithuania; in 1944, Poland, with almost 25-million people went; Rumania in 1945; Yugoslavia in 1943; Czechoslovakia in 1948; China with 670-million people in 1949; East Germany in 1946; Cuba in 1959; Indonesia with 97-million in 1962 - (this was one of the few countries who fought to get their country back and kicked the invaders out successfully); the list can be continued to Viet Nam and the "Peace with Honor," which was engineered by the Satanic Jew, Henry Kissinger in the 1970's. Think about this, 40,000 in 1917, more than a billion in 1982.

You may say: "Those folks chose Communism." No they didn't! They were enslaved and our Uncle Sam helped in their enslavement. The Helsinki Agreement placed the seal of American approval on all the countries the communists have enslaved.

Let me remind you that the greatest follower of the Jewish Satanist, Karl Marx, a man named Lenin, states in his pamphlet on religion: "Atheism is the fundamental portion of Marxism and the theory and practice of scientific socialism." You cannot have Communism without atheism. There is no
such creature as a Communist Christian, since they are diametrically opposed to each other. In order
to be a Communist, you must be an avowed atheist. The only person who can explain how an
atheist can be a Christian, is some sick person preaching the "mini-skirted gospel of socialism."

Khruschev once said: "We will remain the atheists we have always been. We are doing as much as
we can to liberate those who are under the spell of religious opium." William Z. Foster, former head
of the Communist Party, U.S.A., said: "God will be banished from the American school system.
God has been pushed out of the American classroom. Today He is being pushed off the American
streets." There are many places today in America, where you cannot distribute Gospel tracts, or
hand out Bible materials. You can stand on the same corner and hand out Communist materials, but
Christian materials are not allowed. Communism has taken the place of Bible teaching in our public
schools. You say: "We have religious freedom in America!" You are a duped fool! The only religion
that has full freedom in America, is Judaism-Babylonian Talmudism and its illegitimate child,
Secular Humanism. Our public school system has been turned into one vast seminary, teaching a
false religion.

But why should Christians fight Communism and learn the truth about Judaism? You say: "Now
you're getting into politics." But I'm not into politics. You say: "I believe in the separation of church
and state." I believe in the separation of church and state too. But I don't believe in separating God
from the State. Our founding fathers built America on the foundation of the Christian religion. I
know some of them were deists and I won't argue with you when you say that not very many of
them were fundamentalists. But that's beside the point. I'm trying to tell you that America became
great, because she was built on a Christian foundation; because our Constitution was based on
God's Law.

Many times, as our forefathers were working on the Constitution, they would get down on their
knees and ask God's guidance. I'd like to see that happen again in Washington and I'm not speaking
about the "phony prayer breakfasts" they hold in the White House, where phony Christians like
Mark Hatfield get up and tell how they love God, and then go out and vote for every Anti-
American, liberal, God-demeaning, freedom-killing bill that comes along. I'm against integrating
the church with the state, just as our founding fathers were; but like them I'd like to see God brought
back into government.

Our founding fathers did not want to see the church run the state. This was one of the things they
came to America to escape. I'm not talking about that! I'm talking about true religious freedom and
running this nation under the guidance of God's Law. Look at the men who helped found this
country. Look at the schools they founded such as Yale, Harvard, and Princeton. Why were they
formed? To teach our people to stand on God's Law. I know they have been perverted in recent
years to do Satan's work, but that wasn't the fault of the founding fathers. We Christians let it
happen!

As Christians, if we don't have the beliefs and standards of the men who founded us; then we will
lose our freedoms. We'll hold a funeral service for America; we'll bury her in the cemetery and over
the grave we will have to erect a headstone that says: "America died, because the Christian people
living here, didn't want to be bothered!"

Our Constitution was written in such a way, that when our leaders refused to follow it, it was not
only our right, but our duty to stand up and say: "We won't let you do this to us; you can't go a step
further down the road to compromise." The very opening words of the Declaration of Independence
prove this. They said: "Prudence, indeed, will dictate that governments long established should not
be changed for light or transcend reasons; accordingly, all experience shows that mankind are more
disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to
which they are accustomed. But, when a long train of abuses and usurpations, pursuing invariably
the same end, evince the design to reduce them under absolute despotism; IT IS THEIR RIGHT,
NAY IT IS THEIR DUTY, to throw off such a government and provide new safeguards for their
future security." This was the basis on which our founding fathers fought the Revolutionary War. It
was this spirit which caused the men from Tennessee, under the leadership of Davy Crockett, to march over a thousand miles to the Alamo in 1835. When they arrived, the Texicans said: "Why did you come? It's not your fight!" and Crockett replied, "We've made it our fight!" Why? Because he knew that if freedom was allowed to die in Texas, it would soon go in Tennessee.

As Christians, we must take a hand in our government, because we love God and the souls of our fellow-men and we want the freedom to reach them with the Gospel of salvation and that of the Kingdom of God on this earth. As Christians, we must fight Communism because our Commander-in-Chief has ordered us to "charge the gates of hell." You say: "But I don't know where hell is." Well I can tell you the location of it's headquarters, it's in Moscow, in Jerusalem and New York City, where the International Jewish Conspiracy plots to destroy Christianity and freedom.

We are not only ordered to charge the gates of hell, but we are given the promise that if we do this we will be victorious. I've heard preachers try and make all sorts of applications to this Scripture: "On this rock I will build my church, and the gates of hell shall not prevail against it," (Matthew 16:18). The whole idea of their sermons seems to be that if Christians will get down on their knees and pray, that the gates of hell will not prevail against you. That if your spiritual foxhole is deep enough, you will be able to hold out until Christ comes back to rescue you in the Rapture. But that's not what it says!

**We love to sing the stirring hymn:**

"Hold the fort for I am coming
Jesus signals still.
Send the answer back to heaven,
By thy grace, we will!"

But that's an un-scriptural song. You gullible Christian, nowhere are you told to "fort up" and wait for Christ's return. Jesus said: I cupy until I come!" You can't occupy when your hiding in a comfortable, air-conditioned foxhole, waiting to be rescued." "Occupation," is a "frontline" military activity. Why don't you study your Bible a bit more carefully? It tells us, thank God, that the gate's of hell will not be able to withstand the attack of the Church. We need to be on the march to victory! These folks who are always speaking about Christ rescuing them through the Rapture, while they sing: "Must I be carried to the skies, on flowery beds of ease, While others fought to win the prize and sailed through bloody seas? No I must fight, if I would reign, increase my courage, Lord, To bear the toil, endure the pain, supported by Thy Word." That's the true spirit of the Christian soldier. Not the "wait and be rescued" syndrome. There are going to be some professing Christians, who are so tightly zipped into their "shrouds of self-righteousness," that they won't get unzipped in time to go along with the Lord, when He does return. This was the meaning of Christ's words: "Not every one that saith unto me, Lord! Lord! shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." The will of God, is that we be "good soldiers" of Jesus Christ, not some sniveling coward, who hides when danger approaches.

It's fine to pray. I believe in prayer. But I believe in praying as my grandfather did. He used to say: "When I pray for a potato crop, I like to pray with my hands on a hoe handle." I believe in "Trust in God, and shoot when you see the white's of their eyes." We need to remember what an old Indiana corn farmer told me: "Son, one of the first lessons I learned was, that in order to be for corn, you must be against weeds." Christian, you can talk about your love for God, until your "blue in the face," but unless you take an active stand against evil, your words mean nothing. We need to pray, then get off our knees, put on the "whole armor of God," Ephesians 6:13), "put feet under our prayers," and go out and "occupy the land for Him." These "pacifists," these "panty-waisted, sissy britches" preachers of ours who say: "We're not to fight we're supposed to love!" are full of "baloney." If we're not to fight, then why does God tell us to put on His "full armor?" You don't put on armor to go to bed; you use pajamas. You don't put on armor to eat, or to play. Armor goes on before a battle and we better learn real quick that we are in a fight. I believe the vast majority of
Christians and patriots, think this is some kind of game we are playing. It isn't! It's "for keeps," and could well mean "life or death; freedom or slavery" for us.

One of the reasons so many Christians have little spiritual power these days, is that they are more interested in "sleeping and loving," than in "fighting the good fight of faith." Edmund Burke, the great British historian once said: "All that is necessary for evil to succeed, is for good men to do nothing." This is what has happened to the majority of our church folks.

The communists have conquered just about everything they said they would conquer and they are on the final phase right now in their assault against America and white Christianity. Their plans were made over sixty years ago and they haven't deviated a millimeter in their desire to control the world. Do you honestly believe they are going to say: "We've done everything else, but we're going to leave that great big, juicy American plum alone?" You are crazy if you believe this.

Maybe you are one of those ultra-religious folks who say: "It's in God's plan for this country to fall." How do you know? Is that what your pastor told you, it's not in the Book!

A few weeks ago, a young pastor asked me: "Don't you think our God is big enough to keep the Communists on the other side of the Atlantic?" Well, brother, that's not what bothers me. My God is big enough to do anything He wants. But the communists and their dupes, who stand behind a lot of our pulpits, are already here. In fact, that's where the dirty work is being done in our pulpits. You don't have to be a communist or a communist sympathizer to help them either. Just tell your people: "Support the Jews; they are God's chosen people," and you do as much damage to Christianity as though you convinced your folks that the Communists loved them. Because, you see, they are one and the same crowd and they are both working towards the same objective.

Already America is in a position where our Jewish controlled labor unions could cripple us as they have done in other lands. Already our schools are indoctrinating our kids and drawing them away from their parents and God.

You wonder why American youth seldom stand up and defend America. Look at the crap they are teaching them in the public school. Most of them don't have the "foggiest idea" of what Americanism is all about. They are being told that they don't have to worry about Communism: "You only go around once in life, so live with gusto!" One of the biggest problems we will encounter if we ever get into another big war like World War II, will be to convince our young men that we have something worthwhile fighting for. That's why more than 750,000 of our young men have refused to register for the draft. They have been so "brainwashed," so "sloshed around in the liberal detergent" of the Jewish controlled press, that most of them have lost the spark of Americanism which made America great and kept us free.

Only a mindless Pollyanna, who has never studied history, would be so dumb as to believe that America could never fall. It's a sad thing indeed, when our youth have been so ingrained with liberal philosophy, that they are more anxious for creature comforts, personal safety, and pleasure, than they are in remaining free. When compromise and surrender is more important to them than "manhood or womanhood," then that nation is on their last legs. When you have to pay young men a top salary before they will protect their country, that nation does not have long to live. This is the lesson of 60 centuries of written history.

We live in a sad day indeed, when young men who are willing to suffer and die for their country are ridiculed for the stand they took, like was the case in Vietnam. It's hard for these young men to realize there are millions of Americans who love God and their country and who would "rather die on their feet, than live on their knees."

It's a sad day when our children can be taught to accept "free love," "companionate marriages," "abortion," and "homosexuality," but you can't teach them about God. No wonder our kids are mixercif. Their parents have been saturated with the Dr. Spock child raising theories, and the educators, who are often pseudo-intellectuals and pro-sociolist have destroyed everything they were
taught in their home and church. In fact, they are taught to sneer at any suggestion of morality or
right living. Then we wonder why the divorce rate and the venereal disease rates rise year after year
and why crime among our youth has reached epidemic proportions.

The hypocrisy of those who seek to destroy America know no limits. Not so long ago, in a large
mid-west university, I picked up a magazine in the Student Union. On one page was a full-page
illustration of a baby seal, laying on an ice floe, covered with its blood. The ad called for students
and teachers to join an organization to protect baby seals. I had nothing against that. I like baby
seals and would like to see them protected. But on the opposite page was this ad: "If you have an
unwanted pregnancy and want to get rid of it; call this number." I thought: "My God, what kind of
sick mentality have they ingrained into our young people, where they want to protect baby seals and
can see nothing wrong in murdering unwanted unborn babies?" It's sick, confusing, conflicting and
contradictory.

There is always some fool who will stand up when Capital Punishment is mentioned and quote
"Thou shalt not kill!" They are always Bible scholars when it comes to finding Scripture to back
their own ideas. But these same dummies can't read eleven verses further in the same chapter, where
the same Bible, and the same God says: "If you shed man's blood, by man shall your blood be
shed." Why? "To keep evil from the land!"

Our school system is being run by nuts who say: "Oh we must not read the Bible, or pray to start the
school day. This would be against the First Amendment." But they say it's OK to teach communist
doctrine, because young people "need to see both sides of every problem."

We read about how our political leaders and educators deplore the rising crime rates in our schools.
School principals are being killed, women teachers raped, vandalism and drug use is out of control
and it isn't even safe for your kids to go to the wash room in some schools. The scholastic average
of our High School students is so low, that college text books have had to be rewritten at eighth
grade level. They scream about quality education and how we must have more money for better
education and the school taxes go up every year and more "educated idiots" are turned loose on the
long suffering American public.

Now don't misquote me. I didn't say that all government leaders and all educators are communists.
We still have a few good men in Washington in our public school system. But the greater majority
have swallowed the Socialist line. They seem to feel that we should turn out robots instead of
human beings. They almost seem to want "dumb kids." There have been over a thousand Christian
schools started in the last ten years and tens of thousands of parents are taking their children out of
the morass of the public schools. If our American educators want to educate, why don't they look to
the Christian schools for an example? But most of the top men don't want to educate, they want to
control; since they are part of the same crew who would like to see freedom die in America. You
see, most of these fellows feel that you and I, the normal run of Americans are not smart enough to
govern ourselves. They seem to believe that only they, the educated elite, have brains enough to
govern. So in essence what they say is: "We know what is best for you and you are going to get that,
if we have to pound it down your throats."

I used to get upset when I went on some television program with a liberal professor. He'd have all
those degrees behind his name and use all those big words I didn't understand. They know some big
words, and these are "sort of trigger words," someone mentions them and they are like pushing a
button. They hear a certain word which means "march," and by golly, they march, even if it means
they are going over the edge of the cliff. They don't want to educate Americans, they want to
indoctrinate us. They are called "Behavioral Scientists."

The reason Christian schools are harassing the government educators, is that they are training some
Shadrach's, Meshech's and Abednego's who will say: "I will not bow down to your socialist idols. I
don't know what God will do for us. But this one thing I know, when the music plays, and tens of
thousands of other robots bow the knee... I will not bow down. I will be an individual who will
stand for God and my country." Of course they can't have that!

I believe in good citizenship. I believe God's Word teaches a man and woman to be good citizens. I also believe, when it states: "Render unto Caesar the things which are Caesar's and unto God, the things which are God's," and I also believe when it says: "We ought to obey God, rather than man!" This is why your Christian allegiance to the United States should be so strong - it was founded on God's Word.

Remember back a few years when Nikita Khruschev came to America and pounded on the podium of the United Nations while screaming: "We will bury you?" Well a lot of Americans who should have known better, laughed. They said: "What does that silly little peasant know about history?" But it happened in Czechoslovakia, and in Poland, in Hungary, China and Cuba. It has happened, just as that "stupid little peasant" said it would. Yet a lot of naive Christians, led by their "brainwashed" pastors say: "It won't happen here. God won't let it happen to us!"

I dare you to talk with someone who has lived behind the Iron or Bamboo Curtains. They will tell you the same thing: "America is taking the same path my country took and if America goes, there will be no more freedom in the world." Yet we find so-called Christians all over the country, taking the line of the National Council of Churches, saying. We should cooperate with them and acknowledge them." These are the same fellows who tell us: "The Jews should be honored, because we got our religion from them." Oh how they have been sucked in on this one by the Judeo-Christian teachers who are either too stupid, too tricky, or to scared to tell the truth about Judaism. They are afraid to tell their people that Judaism, as we know it today and Christianity, are at the opposite ends of the pole.

Our pastors, especially in the fundamentalist camp, love to quote from John's Epistle: "Who is a liar but he that denieth that Jesus is the Christ? He is an anti-Christ, that denieth the Father and the Son," (1 John 2:22). They love to use 2 John 2, 12, to explain why they can't cooperate with other Christians who believe a bit different than they do: "If there cometh any unto you, and bring not this doctrine (that Jesus is the Christ), receive him not into your house, neither bid him God speed: for he that biddeth him God speed, is partaker of his evil deeds." So they say: "We can't cooperate with you, because you don't baptize like we do: or you say "God" and "Jesus" instead of "Yashua," and "Yahweh." But do you think they would apply this verse and the terms "anti-Christ" to the Christ hating Jews. Don't be silly; of course they won't!

The American liberal, aided by the International Jews, are digging the grave for America, so that the Communists can push us in. We are supplying the enemy of the Kremlin and in Jerusalem with food, technology and are putting our heads in the sand at every sign of danger.

Some of you may think I'm speaking rather harshly for a "man of God," who is supposed to "love everybody." My God never told me to love them that hate Him! I can say with David: "I hate thine enemies with a perfect hatred!" (Ps. 139:22). But because I am a "man of God," and love my fellow human beings, I warn you. If I saw a little child about to run into the path of a car, I'd stop him, even if it meant I'd have to spank him to keep him safe. While I'm a "man of love," I preach a lot about the wrath of God, because I don't want to see it fall on America.

I can't stand idly by while my race, my country and my religion is. destroyed by evil men, whether they are Communists or Zionists. I can't sit quietly by while your pastor lies to you about the Jews and tells you because they are the Chosen People, we must back them or be cursed. I may end up like the Apostle Paul and have to say: "Am I become your enemy because I tell you the truth," (Galatians 4:16). You may criticize me; you may call me names and ostracize me, but before God, I'll never be held responsible for your blood, if you refuse to listen to the truth and act on it. (Read Ezekiel 33:6).

I believe we should have fought the Communists in Vietnam and I think we should have won. (We could have, you know, in six months, if our leaders had let us. But it wasn't in the plans of the International "puppet masters" who pull the strings of our government.) If you want to talk to me
about the immorality of the Vietnam War, then tell how our government sent our youth into a war they never intended to win, while they tied their hands behind their backs and supplied the enemy with the war materials which killed our own sons. There are men still in Washington, who should have been tried as traitors for that war. But you seldom heard our 4' mealy-mouthed" preachers speak about that, now did you? They never told you that war was brought about by the manipulations of the International Jewish bankers, just as was World War I, II and Korea. In 1918, the Jewish Ambassador from Austria to London, Count Mensdorf, said: "Israel won that war; we made it, we thrived on it, we profited from it. It was our supreme revenge on Christianity."

Way back in 1923, the Christian industrialist, Henry Ford, Sr., after years of research and the expenditure of over $8-million into International Zionism, said in his book THE INTERNATIONAL JEW: "If you want to stop war, get hold of fifty of the wealthiest Jewish financiers, the men who are interested in making wars for their own profit. Control them and you can stop war."

But has your preacher ever spoken out against this from his pulpit? Has he ever told you that International Jewry has always been at war with Christianity? Stop being "led around by the nose," like some stupid little sheep. Think for yourself. Do some research in your Bible. Read from secular writings what the Jews say about themselves. You see the success of their secret war against Christianity, depends on them keeping it secret.

Maybe you don't think I believe in freedom. But I do! I fought in two wars and shed a considerable amount of my blood for this country. I never realized that our national leaders had "sold us down the river" in both World War II and Korea. There is too much proof available, to even bother to argue about this. I believe in Constitutional, Biblical freedom. This can best be explained by saying: "Your freedom ends, where my nose begins." Brother, the liberals and the Jews have been stepping on my freedom for years and I'm getting fed up with it. The Word of God never told me to sit idly by while some traitor "sold us out to slavery." The Bible tells me in Jude 2, to "contend for the faith." That means "fight for the faith." In Hebrew 12:4, we are told: "Ye have not yet resisted unto blood, striving against sin." That means most Christians haven't reached the point in their Christian experience, where they are willing to put their life on the line against evil. I read in I John 3:8 that my Master, the Son of God, came to "destroy the works of the devil." That word "destroy" in the original Greek, means "to destroy the very organic existence of evil." That means "total annhila tion." If my Master came for that purpose, who am I to hide in my foxhole and say: "The battle field is not for me!"

Why must I fight Judaic-Communism? First, because it is militantly anti-God and anti-Christ. If you will bear with me for a few more minutes, I'll show you what communism really is. Communism is a religion. They look on their religion as science. There is nothing wrong with science when it is properly used. Thank God, we don't have to go into a barber shop anymore, to get our teeth pulled. Science has transformed the world, often for the better, and for that we should thank God.

But Communist science is something else. It is based solely on the basis of Judaistic-atheism. The Jews do not believe that non-Jews are humans like they are. At least that is what they are taught in their Bible, the Babylonian Talmud. Very few Christians realize that probably 90% of the people we now call Jews, are either atheists or agnostics. Recently I heard a fundamentalist preacher say:

"Menachem Begin is the most Godly Jew I have ever met." Now that would be hilarious, if it wasn't so tragic. How can a man who has been a terrorist murderer and who brags about it; a man who is still allowing his hatred to govern his life, how can anyone call him "Godly."

Jews teach that "non-Jews" are animals, placed on this earth for the purpose of serving the Jews. Their religious book, the Babylonian Talmud, is one of the most vile, anti-Christian Satanic books ever written. It consists of 63 volumes of filth, gutter talk and blasphemy against Jesus Christ and His Church. To give you some idea of what Jews are taught about Christ and Christians, let me give
you some quotes from this Jewish religious book:

HILKOTH MAAKHALOT - "Christians are idolaters and Jews must not associate with them."

ORACH CHAIIM, (20, 2) - "Christians disguise themselves in order to kill Jews."

ABHODAH ZARAH (15b) - "Suggests that Christians have sex relations with animals."

ORACH CHAIIM (225, 10) - "Christians and animals are grouped together for comparison."

MIDRASCH TALPIOTH (225) - "Christians were created to minister to the Jews."

ZOHAR II (64b) - "Christian idolaters are likened to cows and asses."

SAME REF. - "The Christian birthrate must be diminished materially." (Could this be one of the reasons most Abortion Clinics are run by Jewish doctors?)

ROSCH HASCHANACH (17a) - "All non-Jews will go to hell."

SCHABBATH (116a) - "Talmudists agree that all Christian books should be burned."
(Yet it is the Jewish A.C.L.U. that is in the forefront against all efforts to take dirty books out of public school libraries.)

SANHEDRIN (58b) - "To strike a Jew, is like slapping God in the face."

ABODAH ZARAH (2 a T) - "Jews may trade with Christians if they have money to pay."

ZOHAR (1, 26a) - "Those Jews who do good to Christians, will never rise from the dead."

CHOSCHEM HAM (2omes1) - "A Jew may keep any lost property of a Christian which is found by him."

BABHA KAMA (113b) - "Jews may deceive Christians."

ABODAH ZARAH (54a) - "Usury is permitted for any reason when dealing with a Christian."

BABHA KAMA (113a) - "A Jew may perjure if it will condemn a Christian."

SCHABBOUTH HAG (6d) - "Jews may swear falsely by the use of subterfuge wording."

HIKKOTH AKUM (x, 1) - "Never save a Christian in danger of death."

SANHEDRIN (59a) - "Any Christian who prys into Jewish laws should be put to death." (You can see the position this puts me in.)

SEPHER OR ISRAEL (177b) - "If a Jew kills a Christian, he has committed no sin."
HILKNOTH AKUM (x, 1) - "Show no mercy to a Christian."

These are but a few of the thousands of statements found in the Talmud which are anti-Christian. The Zionists are like the Communists in their thinking, since they are the "brain of Communism." Their thinking concerning people can be seen in their textbook on PSYCHOPOLITICS, written in 1933. On page 42, they state: "The first thing to be degraded in any nation under conquest, is the state of man himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must no longer think of himself, or his fellows, as capable of spiritual endurance or nobility."

Who again is foremost in the planning and propagation of the teaching of evolution in the American school system? The Jewish run A.C.L.U.

For Communism to work, people must believe that the Bible is nothing but a group of "fairy stories, or folk tales." But isn't it strange, that while the Bible has transformed millions of lives; Communism has never worked; it has never brought happiness to anyone. It has never brought equality or freedom from want. Why? Because it's impossible for it to work. It is contrary to all natural laws. That's why millions of people flee from the Communist utopias every year and come to the "repressive Capitalist nations."

Science cannot operate outside the laws of nature. It cannot work independent of these laws. Take the steel process for example...there is a scientific process of steps which must be followed to turn iron ore into refined steel. Part of that process takes place in an extremely hot oven. You may not like the "hot oven step," but it is necessary if you want steel. You can't omit any step, just because to you it may be distasteful.

Think about this in relation to Communism. They want a scientific process of breeding, to bring about a utopia. They believe they are dealing with animals, that's why the liquidation of people is so easy for the Communists. We often read about the early persecution of Christians at the hands of the Romans and do not realize this was a Jewish formulated persecution. But it was as nothing compared to the modern Jewish-Communist murder of Christians in the 20th Century. Again referring to the Communist textbook on PSYCHOPOLITICS, page 30 - "Obedience is the result of force. Concurrent with force is brutality. The most barbaric, unrestrained, brutal use of force, if carried far enough, invokes obedience. Any organization which has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity, will be obeyed. If you would have obedience you must have no compromise with humanity... Man is an animal. He understands only those things which a brute understands."

The reason Communists liquidate people so easily and so brutally, is that they have been trained by the Talmudists to believe that other people are animals. So just as a farmer liquidates a sick animal, so Communists liquidate anyone who disagrees with them.

Communist leaders in America have; discussed this liquidation process when they take over America. In 1961, Gus Hall the perennial head of the Communist Party, U.S.A., in a speech made at the funeral of another communist said: "I will live to see the day when sixty million hopelessly diseased capitalist animals are hauled away to the Liquidation centers by the commissars. I will live to see the last Congressman strangled with the guts of the last preacher. They like to sing about blood in their religion, so we will give them all the blood they want, as we cut the throats of their children and drag their bodies across the altar rails of their churches. May the parents strangle in the blood of their own children." This was not an Asiatic, or an African saying what he intended to do, but an American Jewish Communist, who predicted what will happen if they ever take over, America. They have not mellowed over the years.

One communist leader went so far as to; predict that one-third of the population of America will be wiped out, if the communists take over. It's that simple. If you believe in: 'God, you are a diseased animal and will have; to go.

If we go by what has happened in other countries, we will see many who are not killed outright,
starved to death over a long and painful period, as they are "worked to death" on the collective farms. The life span in most labor camps is under three years. In theory, these camps are mental hospitals, where people work and are tortured, brainwashed and indoctrinated. In some way, they feel that a few will finally accept their sub-human theories and be let back into society.

Ask a Communist how they can take a ten year old away from their parents, and send them to a concentration camp for ten years, and without any embarrassment whatsoever, they will tell you: "If you had a diseased child, would you not send him to a hospital?"

I saw many of these things happen in Korea in 1948, when during an attempted Communist coup, over 3,800 people were murdered in two weeks, just to control one community. I doubt if any of you have ever seen a baby taken out of a mother's arms and smashed against a tree or a stone wall. I doubt if any of you have ever seen elderly Catholic nuns, crucified against the walls of their church, with bayonets driven through the palms of their hands and rib cage, where they lived for hour, after agonizing hour. I doubt if you have ever seen a man impaled alive on a sharpened bamboo pole and while he screams away his life, his wife, close to nine months pregnant, is repeatedly raped before thousands of people and then chopped to pieces. Probably none of you have ever seen a young woman, stripped, then nailed to the branch of a tree with spikes driven through her breasts, while a bundle of oil soaked rice straw is bound between her bare thighs and set on fire. But I can tell you, when I saw those things happen. When I had those human devils practice on me, I made a promise before God. I said: "God, if you get me out of this mess; and get me back to the people I love and the country I love, I will do everything within my power to see that it doesn't happen here." That's why I have written this message. For our own leaders, in politics and the church, are taking us down this same road. I refuse to stand idly by while they do it.

You can call me any name in the book. I don't really care! You can call me a Nazi, a right-wing extremist, an anti-Semite, I really don't care; for I intend to speak up and warn my people, and I refuse to coddle tho remy, even if they are the one's our pastors choose to call God's Chosen People.

We hear so much these days about the Jewish "holocaust" of World War II; but why is it that our news media seldom mentions the 34-million Christians who were murdered by Jewish-Communism? Today, millions of Christians are rotting in prison camps behind the Iron and Bamboo Curtains. Yet America does very little other than an occasional murmur of protest. While country after country fell to the Communists, America and Britain cut their defense budgets and while the Soviets and the Chinese "beefed up" defense spending, we fed them and sent them our technology, so that in the end they would be able to destroy us or "blackmail" us into surrender. The action of our own government, over the 35 years since World War II ended, has been nothing short of traitorous. Until President Reagan does something to bring these traitors to justice -and many of them are still in Congress, "living off the gravy train" - I will not have too much faith in him!

They say: "We will bury you!" and our Quisling leaders say: "Please let's not have an arms race... if you promise not to make any more of those big bombs, we will send you our wheat."

Common sense should tell you, that if you want the neighborhood bully to quit beating up on the little kids in the area, let one of the kids whip him. But if you keep telling them: "It's not nice to fight. Don't hit him back, no matter what he does." If that happens, he becomes more and more belligerent. The only way to stop the Communist bully is to stop ALL OUR AID TO THEM! every bit of it! This wouldn't lead to a nuclear war, because they are more afraid of us than we are of them. They dare not destroy us, because they know they cannot exist without the Free World.

But we have been deliberately led into our current crop of "fear." It has made cowards out of a lot of good people. We have been taught that if we are nice, and kind to the Communists, they will be nice to us too. But as Dimitri Manualisky, said in 1947: "We will put on the biggest peace offensive the world has ever seen, and the Capitalist nations, stupid and decadent, will leap at the chance to be our friends. Then when they have gone to sleep and the guard is down, we will SMASH THEM
WITH OUR CLENCHED FIST."

Respected religious leaders have been asked: "What is the better system. Capitalism and Free Enterprise, or Communism?" and we see the sad sight, of a "once great" religious leader as he hedges and says: "Who am I to say?" When he visited Japan a few years ago, he was quoted as saying: "If the youth of America did not have the Bible, I'd settle for them reading Mao Tse Tung's LITTLE RED BOOK. The principles are the same." God have mercy on us!

You may say: "But the going's tough these days, I've got a family to support. I don't have time to fight the Communists and I won't fight the Jews." What does that beautiful little gold engraved Bible of yours tell you in I Corinthians 12? It says that if you are a "born again" person, you are part of the body of Christ. Those poor Christians rotting away in some Communist prison are also part of His body. Can't you feel the pain they suffer? You should if you are part of the same body. Don't you care when their wives and daughters are raped and their sons are slaughtered?

You say: "But my job is to preach the Gospel. God will handle the Communists in His own good time." Where did you get this idea, you hypocrite? You say from the Great Commission in Matthew 28, which tells you to go into all the world and preach the Gospel to every creature. If I were to ask you if you have done this, you would probably tell me: "I can't go everywhere, so our church sends missionaries." How many missionaries has your church sent into Communist lands in the last fifty years? "None," you say, "they won't let us go there!" Well then, show me in your pretty Bible where the Lord said: "Go if it's convenient; go if they won't persecute you." He said "Go!" and you admit that you didn't "go!" No wonder we are in the trouble we are in! We've done what we wanted to do! We've "done our own thing," whatever that might have been, but we've let His work "go to hell."

We look around the world and everywhere Communism has been successful, we can find a "Made in America," label on it! You say: "I'm not to blame; its those guys in Washington who did it!" But it was you who put them in office, and you who kept them there, even when you knew they were traitors. Shame on you! The only people in America who can be blamed for our present condition, are those of us who go by the name of Christian, for we had the means of stopping the destruction of America, but we were to lazy and too apathetic to do it! So when some "nut" like me comes along and tries to do something to save this country, if you don't like what I'm doing, at least have the Christian courtesy to "keep off my back", so I can fight the fight you don't have guts enough to get involved in!

Why shouldn't you become involved? You're in it right up to your neck, right now, whether you recognize it or not.

In the Russian Criminal Code, Statute 27, parents may be arrested for telling their children, in the privacy of their own home, about God. Their children can be taken away and their property confiscated. That's the kind of religious freedom Billy Graham brags about. You say: "That's why I'm glad I live in America; they will never do that here."

But in the state of Ohio, there was a Christian school. It was two years ahead of the public school academically. It was teaching its students to love America, their parents, and their God. They were not getting a penny of money from the State. But the State said: "We're going to shut you down. You're not running your school the way we want you to." They admitted the academics of the school was superior; they admitted the children were better behaved, but they shut them down. Why? Because that school was not willing to teach the religion of Secular Humanism. This was not in Cuba, or Russia, but in the State of Ohio. It's not an isolated incident!

Maybe we are reaching a stage in this country, when decent Americans should let our Government know that we have the "right to keep and bear arms," to protect ourselves against such intrusion by the State. Maybe it's time for Christians who have kept their mouths shut, to stand up on their "hind legs," and get a dose of "righteous indignation" and say: "Government, you have gone far enough!"

In the State of Indiana a law has been passed, which states in essence that if you believe a child was
born with a sinful nature and has be spanked occasionally, you were guilty of "mental child abuse," and that child could be taken away from you by the State.

America, a nation built on the principles of "liberty and justice for all." America built on the knowledge that "all have sinned and come short of the glory of God." America, a nation that recognized that restraints must be placed on the sinful nature of man. Now a law going into effect, which will cram another phase of totalitarian control down the throats of America.

Americans have been manipulated by the "puppet masters." This includes the majority of our elected officials, and a whole slate of our preachers. Folks, we better wake up and realize that Satan is alive and well and that his kids are engaged in a mighty campaign to destroy Christian influences in America.

Lenin once said that when Communism comes to America, they would not even have to fight us, for we would fall into the laps like overripe fruit from a tree. Today we can see that rotten fruit in Washington; in our school system; in many of our churches. We see blatant sex everywhere, nudity, venereal disease, abortion, pornography, crime, you name it. America is being destroyed and Christians don't even want to hear about it, because it gives them a guilty conscience.

A few years ago when I was lecturing in Pittsburgh, a woman came up to me after my lecture and she was mad. She said: "You are the most unpatriotic so-and-so, I ever had the misfortune of listening to." When I asked her "Why!" she replied: "You spoke for over an hour tonight and all you told us was about the troubles which are facing America. Why don't you tell people about the 'amber waves of grain, the purple mountains majesty' and the good things?" When I asked her why she was disturbed, she said: "Because if I find out what you said tonight is true, I'll have to do something about it and I don't want to become involved." That's our trouble.

People don't like to hear about gun control, and dope, and sex in the school. Most Christians get upset and uncomfortable if you try and discuss the Jewish question. They don't want to hear anything which may upset their little apple cart. When I first began to understand the International Jewish influence in America, I went to my pastor with some documented materials. I said: "Brother Bob, I don't think you will accept this, but I think you ought to know about it." But when he saw it did not speak well of the Jews, he threw it into his wastebasket and labeled me an "apostate" without ever checking out the material. That's rank "intellectual dishonesty."

It's time that Christians better wake up and begin to "stand for something," or we are "going to lose everything." We need to have the courage Joshua exhibited when he said: "I don't know what you are going to do, but as for me and my house, we will serve the Lord."

Our churches better wake up to the realization that the man who stands behind their pulpit is a human being just like them. He isn't infallible. He can make mistakes too and in all too many cases, he has been taken in by false teachings, coming from his seminary. We must get back to taking the Bible as it stands, not the footnotes of some Dr. Schofield; not the thinking of some Bible scholar with a string of degrees behind his name, but the literal interpretation of God's Word, under the guidance and leadership of the Holy Spirit.

You may say: "What can we do, with this vast array of power against us?" First turn with me to the Old Testament, 2 Chronicles 7:14. This was a promise made to the Israel people, not the Jews (there were no people known as Jews at this time.) It can be applied to only one group of people today, this is the Anglo-Saxon and related peoples, who are the only one's on God's earth who are "called by His name." You know what it says: "If my people, WHICH ARE CALLED BY MY NAME (Christians), will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven , and will forgive their sin, AND WILL HEAL THEIR LAND!" There's the promise of God Himself! But it's a conditional promise. God promises to do certain things, if His people do their part. Now turn with me to 2 Chronicles 19:2, a verse you never hear preached on in our churches, but nevertheless very important: "...Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." You think
about that, the next time your pastor tells you to support that ungodly crew in Palestine. Talk with anyone in America who knows what's going on and they will admit we are in an awful mess and that things are getting rapidly worse. Of course this is not what you hear in the newspapers, or from your controlled TV, but it's nevertheless true. We are like a man sitting on an open keg of gunpowder while he smokes a cigar and knocks the ashes into the open keg. It will only take one tiny spark, to set off the worst explosion this old world has ever seen. Don't think you'll be gone, through some Rapture, for this is not what the Word of God teaches. (Read Luke 21 and Matthew 24.) Because of the uncertainty of the times, many people are living according to the Schlitz beer advertisement: "You only go around once in life, so live with gusto." That's why a lot of unsaved folks are going out and committing suicide. They see nothing ahead but trouble. But our Lord has told us that when we begin to see all these things happen, "the earthquakes, the wars, the pestilences, the troubles," then "look up, lift up your heads for your redemption draweth nigh."

Is it the Rapture of the Church we are to long for? No indeed, the Apostle Paul tells us that it is the resurrection unto life, which is our hope. (I Corinthians 15:51-57.)

Humanly speaking, I don't believe America has a chance. But with God's intervention -which He has promised - and with people who will stand for Him, this country can and will be saved! If one-quarter of the people in America who go by the name of Christian, were to fall in love with their Lord and were willing to "do His will," instead of "doing their thing," America could be turned around in six months, the money changers kicked out of the national temple and peace and righteousness returned to the land. God has told us what to do. If we stand, we will be felt; if we are felt we will be listened to; and if we are listened to, the country can be saved.

Let's stand, and having done all, stand! Let's pray, then work and put feet under our prayers. Let's work to bring about the "Kingdom of God" on this earth as we are told to do in the Lord's Prayer. Let's become the "salt of the earth." If we did this, we could strike a blow at the enemy, from which they would never recover.

Most of you know the story of the Alamo. A line was drawn in the compound and men were told to cross the line or stand back. This line has been drawn in America today. I believe we are living in the most crucial time in America's history. What a tremendous opportunity we have to strike a blow for righteousness and freedom.

Let me close with a stanza from the BATTLE HYMN OF THE REPUBLIC, which has been removed from our song books:

"I have read a fiery Gospel,  
Writ in burnished rows of steel,  
As ye deal with my contemners,  
So with you my grace shall deal.  
Let the Hero born of woman,  
Crush the Serpent with His heel,  
Since God is marching on!"

Now is the time to deal the "death blow" to the Seed of the Serpent and regain the land for our Lord.

The End
HAVE YOU ever wondered why, in the twentieth century, when all subjects can be intelligently examined, there is only one subject that remains forbidden fruit? You can discuss Communism, sex, Protestantism, Catholicism, Mohammedanism or Metaphysics, quite freely, but it is considered not only bad manners, but downright sinful to discuss the Jewish situation.

If you want information on the Mormons, you can go to most any bookstore and purchase The Book of Mormon, The Doctrine of The Covenants, or The Pearl of Great Price. If you wish to learn more about Christian Science, you can purchase Science and Health by Mary Baker Eddy. If you wish to discuss the "I Am" movement, the books of Dr. Ballard are available. You can even find out about the religion of the Muslims, by purchasing a copy of the Koran, translated into English.

There is not one single existing faith that you cannot study, with the exception of Judaism. But if you try and find out what the Jews believe, an immediate screen of secrecy is drawn and, if you try and penetrate this, you are in trouble. If you don't believe this, go to some Jewish bookstore and try to acquire the 63 volumes of the Talmud, which is the Jewish Bible. You are either routed to a limited edition, some excerpts, or are told that it is forbidden for a Gentile to have it. In fact, the Talmud itself boldly states that a Gentile should be put to death if he reads the Talmud. In the Sanhedrin Volume (59.A), page 400, we read:

"Moses commanded us a law for an inheritance, it is OUR inheritance, not theirs (Gentiles)."

The second tumult, which arises when you want to discuss the Jews, is that you, as a Christian, must always praise them and never say anything which is critical about what they say, write, or do, because if you do, God will curse you. In other words, you can criticize a Catholic for what he believes; you can say that a Mormon is wrong, or a Jehovah Witness, or a Christian Scientist, or a Baptist, or any other sect, except a Jew. That is "verboten!" This superstitious nonsense has been sown so deeply in the minds of most Christians, especially Fundamentalists, that they fear to raise a single objection, or question anything the Jews do.

The leaders of great, nation-wide Christian Movements, such as the Moral Majority, who will stand behind their pulpits and appear on national television, to thunder against the evils of corruption in government, the liquor industry, the murder of unborn babies by abortion, pornographic literature on our news stands, sex education in the school, and other assorted ills; these men are afraid, or refuse to mention
publicly, that it is Jewish promoters who are behind most of these ills they are fighting.

I have had outstanding Fundamentalist leaders who admitted to me in private that they know that Jews control the media; that they put out the anti-Christian filth of Hollywood; that they operate the dope and prostitution rackets; that Jewish doctors man the abortion centers of America. They will admit this in private, but I have yet to see one with "guts" enough to admit this publicly from their pulpits and to tell their parishioners that Jews are behind these troubles. For you see, once again the bugaboo arises:

"I will bless them that bless thee, and curse him that curseth thee."
(Genesis 12:3.)

I have often wondered why our modern-day clergy has propounded the idea that Christians must bless those who curse the very name of our Lord and who, by their own confession, are the bitterest enemies of Christianity. This seems to me to be treason in the best Constitutional definition of this crime: "Giving them aid and comfort; adhering to their enemy." I have often wondered why Christians must bless those who seek to take Bibles and prayer out of our schools and stop the singing of Christmas carols. It doesn't make very much sense!

It is "common sense" to believe that God will place a blessing upon those who have organized to destroy the teachings of His blessed Son? Does it make sense to believe that God will bless those who are dedicated to the destruction of the Church for which He died? Yet this grave misconception is taught to millions of unsuspecting, gullible Christians and is flung in the face of those of us who have been honest enough to study the subject and know whereof we speak.

When I first came to an understanding of this vital subject, it became necessary for me to leave my church, for my pastor accuses me of being an apostate. My ideas about the fundamentals of the faith have not changed; my sin was that I had my eyes opened to the Satanic doctrine that the Jews are His Chosen People, therefore anything they do is all right and must be accepted.

Our ministers tell us that only those nations which bless the Jews will prosper. But you don't have to be much of an historian, or look very deeply into modern history to put the lie to this myth. The nations of both ancient and modern times, which have been destroyed, have been destroyed because they turned their backs on God and His laws. They have rotted out from within, by moral and spiritual subversion, often aided and abetted by the Jews, and have been destroyed, long before the barbarians swarmed over their walls, or battered down their gates. In Psalm 33:12 we read:

"Blessed is the nation whose God is the Lord; and the people whom He hath chosen for His own inheritance."

Who is this God referred to as "the Lord?" It is none other than Jesus Christ, the King of Kings, and Lord of Lords, who is spoken of in John 14:6:
"I am the way, the truth and the life: NO MAN cometh unto the Father, but by Me."

How can it be any plainer? No man, be he Jew, Gentile, Mohammedan, Hindu - no one, can reach God, unless they first come to Him through Jesus Christ.

Many nations in the history of the world have prospered, but every one, without fail, that has allowed the Jews to enter with their Talmudic teachings, have been demoralized and destroyed. Once the evil of Talmudic teachings begins to rot the morality of a country; once the "money changers" get in control of a nation's finances, then that country is on the "downhill slide" to oblivion. Don't argue with me about this, look at history!

England has declined as an Empire, ever since they allowed the influx of Jewish immigrants and allowed them to seek places of importance in finance and government. They tell us that America has been blessed by God, because we were kind to the Jews, yet our moments of greatest decline have come since we recognized the Israeli State as a nation and allowed Jewish control in our finances and government. This has been the constant lesson of history.

If this blessing should have been upon any nation or ruler, it should have fallen on Napoleon. He forced people in many communities to participate in Jewish holidays and caused the erection of synagogues, at taxpayer expense in many cities which his armies captured. Yet he and his army were destroyed; he was betrayed as always, by the people he had tried to befriend.

According to the teaching of many pastors, the Soviet Union should have been blessed above any nation on the earth, for they are the only known nation which has forbidden "anti-Semitism," by law. A quotation from the Daily Worker in 1939 said:

"In the USSR, anti-Semitism is strictly prosecuted as a phenomenon profoundly hostile to the Soviet system. According to the laws of the USSR, active anti-Semites are punished with death."

Is this law so strange, when you consider that more than 90% of the top Communist leaders have been and still are Jews?

Yet Russia has not been blessed. Oh, they have a tough military machine, built up with the blood of the Russian people. They scare the daylights out of the "milquetoasts" in our churches and government, but they are beset by constant internal troubles, which could destroy them overnight. They can control their vast, imperial empire, only through fear and terror.

The second lie, which throws fear into the hearts of anyone who seeks to become enlightened concerning the position of the Jews in the world, is the bugaboo of "anti-Semitism." Have you ever stopped to ask yourself, "Who is a Semite?" History proves that the Semites descended from Noah's son Shem. This takes in the white, Anglo-Saxon, Celtic, Germanic, Scandinavian and related people. However, it does not include the people who call themselves Jews. They are the greatest "anti-Semites"
of all time, since they constantly harass the true descendants of Abraham, the Arabs, whose land they have stolen. Yet no one would think of calling a Jew "anti-Semitic" because he harasses an Arab.

The third lie, which has been sold to American Christians by the Jewish propagandists, is that our heritage is "Judeo-Christian"; in other words, that Christianity is a direct derivative of Judaism. The New Testament is not now, nor ever has been a product of Judaism. Judaism is built on the Talmud, which is the antithesis of the Bible. Most of our pastors know this. Biblical Christianity is built on the teachings of Jesus Christ and Divine revelation as it was given to His Apostles. It has absolutely nothing in common with Judaism as anyone can see, who has taken the time and effort to read any of the Talmud.

Jesus Christ, speaking to the Judaic religious leaders of His day in Matthew 15:9, and quoting from the Prophet Isaiah said:

"In vain they do worship Me [God], teaching for doctrines the commandments of men."

In Mark 7:13, Christ again harshly criticizes the Pharisees, accusing them of "Make the word of God of none effect through your traditions." This same general idea is carried over in the teachings of the Apostle Paul. He warned the church at Colossae (Col. 2:22):

"Which all are to perish with the using; after the commandments and doctrines of men."

Again in 1st Timothy 4:1, Paul warned of a time which will come on this earth, when men will depart from sound doctrine to "give heed to seducing spirits, and doctrines of devils." Oh how the fundamental preachers love this text, but none of them will tell their parishioners that this is what we find in the Jewish Talmudic teachings; they are heavily laced with the occult, in direct disobedience to the instruction of God, as given to Moses.

In Titus 1:14, Paul gives us a final warning about Jewish doctrine, when he says:

"Not giving heed to Jewish fables, and commandments of men, that turn from the truth."

So you see, my friends, if a Christian is honest, there is no way you can truthfully use the term "Judeo-Christian." They are at opposite ends of the pole. The Old Testament was compiled by Holy men of God who were Israelites. They believed in the one God, as shown in Isaiah 45:5:

"I am the Lord, and there is none . . . beside Me!"

They looked forward to the coming Redeemer of Israel, the Savior of the Christians. The Holy men of God wrote the sacred Book we call the Bible, as they were moved by the Spirit of God. The Old Testament is therefore the product of God, working
through His servants, the prophets. Christianity predates the Jewish religion, for this came into being during the Babylonian captivity, when Israelites got away from God and brought back to Jerusalem a heathen book called the *Talmud*.

The Judaism of today is not the Law and the Prophets of the Old Testament, but the heathen occult religion of ancient Babylon. The *Talmud*, therefore, contradicts the teachings of Moses in almost every aspect. Moses was a Christian. This can be seen in a careful reading of Hebrews 11:24-26:

"By faith [the same faith which saves men and women in the Twentieth Century] Moses, when he was come to years, refused to be called the son of Pharaoh's daughter; choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season: Esteeming the reproach of Christ [notice this part very carefully,] esteeming the reproach of Christ greater riches than the treasures in Egypt: for he had respect unto the recompense of the reward."

But you may say: "Abraham and Moses were Jews; our pastor teaches this all the time." Oh, my friend, I beg to differ with you. They were not Jews. This term was not used until 2nd Kings 16:6, more than 1100 years after the death of Abraham and 700 years after the death of Moses. To call these men Jews is to engage in intellectual dishonesty. The Jewish writer, Benjamin Freedman, writing in 1954 to Dr. David Goldstein, a Jew who had been converted to Catholicism and who had become outstanding in his defense of the Catholic faith, said:

"It is a well-known fact that many counterfeit recent conversions [that is, of Jews to Christianity] have often proved but infiltrations of latent traitors with treasonable intentions."

In one place in the *Talmud*, I forget where at the moment, Jews are advised to "become Christians for the sake of infiltrating their ranks." Then Mr. Freedman goes on to say:

"The Divine and sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its long history of almost 2000 years. . . When the day arrives that Christians can no longer profess their Christian faith as they profess it today in a free world, the Christian faith will have seen the beginning of the end."

Freedman then goes on to show how the Christian faith has been put on the defensive throughout the world and mentions that a conspiracy is underway to destroy this faith. He goes on to prove to any honest mind that this is a Jewish conspiracy.

It is unfortunate, indeed, that Christian clergy seem to be ignorant, or apathetic to this plot to destroy everything they say they stand for as Christians. In fact, in many instances, they stand behind their pulpits and defend and support the very people who are pledged to destroy them.

There is no doubt in my mind that thousands of Christian pastors are deeply disturbed
by the mysterious pressures from above, which often prevent them from exercising sound judgment. One outstanding Fundamentalist pastor, a leader in the Moral Majority, recently admitted to me:

"I am deeply disturbed by the Jewish influence behind the efforts to destroy the Moral Majority, even though we have been strongly pro-Jewish. But all the great Bible scholars and preachers of the Twentieth Century have said they were God's Chosen People, so I will have to go along with them."

God have mercy oh us when we use this as the criteria for whether we are right or wrong!

The greatest spiritual teacher of all time, our Lord Jesus Christ, spoke to the Jewish religious leaders of His time in no uncertain terms in John 8:44. He said:

"Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie, be speaketh of his own; for be is a liar, and the father of it."

Then he goes on in verse 47, speaking to the Pharisees once more:

"He that is of God beareth God's words: ye therefore hear them not, BECAUSE YE ARE NOT OF GOD."

Does this sound much like "Chosen People" theology to you? These same Jews had already admitted they were not Israelites in verse 33, when they told Jesus:

"We be Abraham's seed, and were never in bondage to any man."

If they had been true Israelites, they could not have said this, since any Bible scholar knows the Israelites spent over 400 years in bondage in Egypt. Yet their leaders told Jesus: "We have never been in bondage to any man." In John 10:26-28, Jesus spoke again to a crowd of Jewish hypocrites:

"Ye believe not, because YE ARE NOT OF MY SHEEP . . . My sheep hear my voice, and I know them, and they follow me: and I give unto them eternal life; and they will never perish."

Then in Revelation 2:9 and 3:9, we hear the final word of our Lord concerning these pseudo-Israelites, as He warns the church at Smyrna concerning them. He warns of:

"The blasphemy of them which say they are Jews and are not, but are the synagogue of Satan."

How can our preachers designate these blasphemers, whom Christ has cursed as "God's Chosen People"?

Most of the confusion in the minds of Christians is unwarranted and unjustified. It
would not exist if the Christian clergy had not aided and abetted the deceptions responsible for it. Many clergymen are allies with their enemies and it is no wonder that we see spiritual sabotage on every hand. It is no wonder that millions of potential "front line" soldiers for Jesus Christ have become spiritual cowards; who hide in their spiritual foxholes, praying for Christ to return and rapture them out of the mess they are responsible for.

I'm convinced that many in this category will be in for the "shock of their lives," for they will be so tightly zipped up in their "shroud of self-righteousness" that they will not get unzipped in time to go with their Master when He does come. Remember how Jesus once said:

"Not everyone that saith unto me, Lord! Lord! will enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven."

The will of God goes a lot farther than knocking on doors and inviting someone to attend church; it goes farther than telling them about the love of God and the way to salvation. It means "front line duty" in the battle that rages.

To stop this spiritual surrender, we are going to have to have an "about face" on the part of our clergy. Christian organizations, such as the Moral Majority, will never reach their full potential, until their leaders will willingly and honestly point out who their enemies really are.

Mr. Freedman puts his finger squarely on one of the major church problems, when he tells Dr. Goldstein:

"The utterances by the Christian clergy, which confuses Christians the most, is the constantly repeated utterance that 'Jesus was a Jew.' This appears to be your favorite theme. It is a misrepresentation and distortion of an incontestible historic fact. . . . Informed, intelligent Christians, cannot reconcile this unwarranted misrepresentation and distortion of facts."

Most competent Bible historians will admit that at no time in the new Testament is Jesus ever called a Jew and that, during His sojourn on earth, He was called a "Judean" by His contemporaries. The great Hebrew historian, Josephus, wrote many times concerning Jesus, but never once called Him a Jew. The church historian, Theoplylact, writing in 1080 A.D. says:

"The city of the Judeans was taken, and the wrath of God was kindled against them: as also Josephus witnesses, that this came upon them on the account of the death of Jesus."

When Pontius Pilate, the Roman Governor of Judea, crucified Jesus, he had inscribed on the cross the Latin words: "Jesus Nazarenous Rex ludeorum." He was expressing his sarcasm for the Judean religious leaders who had pressured him into executing a man he knew was innocent. Authorities on Latin will tell you this inscription means:
"Jesus the Nazarene, ruler of the Judeans." By no stretch of the imagination does this read: "King of the Jews," and it was not so translated in the 1611 printing of the King James Version of the Bible.

During His lifetime, Christ was never known as the "King of the Jews." Pilate knew that Jesus had been denied by the religious leaders of these people we now call Jews and that they were responsible for the false testimony they had brought against Him. Christ was crucified because it was politically expedient for Pilate to do so, not because of any guilt on His part. With the exception of a few of His followers, most of the Judeans abhorred His teachings. There were only 120 faithful ones in the "upper room" on the Day of Pentecost (Acts 1:15).

The fact that Jesus was never called a Jew, or was known by this name, cannot be erased by the "wishful thinking" of our theologians, no matter how hard they try to back the Jews. There is no factual foundation in history or theology, which would allow the word used by Pilate to describe Jesus as a Jew. The Greek word is "budais," the Latin "Iudaeus," and the English translation can be nothing but "Judean." There is no way you can come up with a religious connotation for this word. During the time of Christ, at no place in the world, was there a religion known as "Jewish."

It is an acknowledged fact that the word "Jew" did not appear in the English language until 1775. Prior to that time, it did not exist in any language. It was introduced into the English language in a play written by an English playwright named Sheridan. It was unknown to Shakespeare and, as I mentioned, to the translators of the King James Version of the Bible in 1611. Contrary to popular opinion, Shakespeare wrote in his "Merchant of Venice," (V. III, i. 61) "I am an Iewe: hath not an Iewe eyes."

To go back a bit further, the word "Jew" does not appear in the 1582 version of the Douay Bible, the official translation of the Roman Catholic church. But it does in both that version and the King James Version, when they were revised later in the 18th Century.

The intellectual dishonesty of our clergy comes when they use the word "Jew" as a religious term, for this is a rank misrepresentation. The secondary meaning of the word "Jew" today has as little relationship to its original, as the word "camel" has to the cigarette which bears its name. It is the secondary meaning of the word "Jew" which has been used to confuse Christians. We should demand that our clergy be absolutely honest in the pulpit, not only in their use of the Word of God, but also in other matters. When the pulpits of Christian churches become a "propaganda platform" for the worst enemy of Christianity, then Christianity is in deep trouble.

It is a fact, proven from both the Scriptures and history, that the race, religion, nationality and culture of Jesus, was not the race, nationality and culture of the self-styled Jews of this 20th Century. There are very few so-called Jews, who can trace their bloodlines back to Abraham. The Jewish writer, Alfred Lilienthal, in his book, The Controversy of Zion, states:

"I have no doubt that some of my Christian readers have as much right to the land of Palestine as Menachem Begin."
It should become obvious to any honest student of history that those people who call themselves "Jews" have spent countless millions of dollars to manufacture the fiction that "Jesus was a Jew," and that the Judeans of His time can be identified with the Jews of today, and that the Christian religion is an offshoot of Judaism. This is blasphemy, straight from the "pits of hell."

Jesus did not practice the "religion of the Jews." He abhorred it. The religious beliefs taught in the synagogues of Judea during Christ's lifetime were not the religion of Abraham, Isaac, Jacob and Moses. It was a heathen religious belief known as Pharisaism, which was soundly condemned by our Lord on many occasions. As I have already shown, from Scriptural sources, Jesus condemned these as being "children of Satan."

The eminent Jewish Rabbi, Louis Finkeistein, head of the Jewish Theological Seminary of America, in the Foreword of his first edition, The Pharisees, The Sociological Background of Their Faith, says on p.21:

"Judaism . . . Pharisaism . . . Talmudism became Medieval Rabbinism, and Medieval Rabbinism became modern Rabbinism. But throughout these changes in name . . . the spirit of the ancient Pharisee survives, unaltered."

In other words, the Jewish rabbinate of the 1980's is the same religious crowd to which Jesus spoke in Matthew 12: 34, when He said:

"O generation of vipers, how can ye, being evil, speak good things?"

The religion practiced by the Pharisees in Jesus' time was based exclusively on the Babylonian Talmud. This, according to Rabbi Morris Kertzer, "consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It was edited five centuries before the birth of Jesus."

Another well-known Rabbi, Michael Rodkinson, in his book, The History of the Talmud, wrote:

"The source from which Jesus of Nazareth drew the teachings which enabled Him to revolutionize the world . . . is the Talmud . . . the written form of that which, in the times of Jesus, was called the tradition of the elders."

But the Word of God gives the lie to this statement. In Mark 7:13, Jesus snid to the Pharisees:

"Ye make the Word of God of none effect through your traditions."

So Jesus' teaching could not have possibly come from this blasphemous book.

Are you naive enough to believe that a religious book which encourages incest, such as the Sanhedrin volume of the Talmud does, or unnatural intercourse; or rape of non-Jews; or bestiality, as found in this filthy volume; do you believe this could be the basis of Jesus' teaching? If you do, then you are guilty of the vilest form of blasphemy. Are you willing to believe that statements found in the Talmud, such as
those which follow, are the basis for Christianity? Listen closely, I will give you chapter and verse:

KALLAH, lb, (18b) - "Jesus was illegitimate and was conceived during menstruation."

SCABBATH XIV - "Jesus is referred to as the son of a Roman soldier and a Jewish prostitute."

SANHEDRIN, 103a - "This passage suggests that Christ corrupted His morals and dishonored Himself."

SANHEDRIN, 107b - "This passage states that Christ seduced and destroyed Israel."

HILKOTH MELAKHIM - Suggests that Christians sin by worshipping Jesus Christ.

HILKOTH MAAKHALOTH - This states that Christians are idolaters.

ORACH CHAIM (20, 2) - Says that Christians disguise themselves as Jews in order to kill them.

ABHODAH ZORAH (1 Sb) - Suggests that Christians have sex relations with animals.

CHAGIGAH, (1 Sb) - States that a Jew is considered to be good in the eyes of God, in spite of any sins he may commit.

BABHA KAMA (1 13b) - States that the name of God is not profaned, if a Jew lies to a Christian.

And on and on, and on it goes, for 63 volumes of filth and blasphemy. This is what the Jews are taught in their synagogues. Do any of you Christians reading these words, believe the Christian religion got its start from this kind of blasphemy? This is what your pastor teaches, when he tells you that we have a Judeo-Christian culture.

If I had the time, I could cover several hundred pages, proving that 90% or more of the people in the world today, who go by the name of Jew, do not have one drop of Abraham's blood in their veins and that none of the their ancestors ever placed foot on the ground of Palestine. Most of the Eastern Jews came from a completely heathen background, a heathen tribe called the Khazars of Western Russia. They were not Semites, but were Turco-Mongoloid. They were converted to Judaism en masse in the 7th Century. If you want further Jewish confirmation of this, I suggest you read Vol. IV, pages 1 to 5 in the Jewish Encyclopaedia.

Most Americans, especially those who go by the name Christian, are deeply disturbed
by our economic collapse. But have you been honest enough to recognize that our
money system in the United States has been under the control of evil, International
Jewish bankers since the Civil War? Benjamin Franklin, addressing the First
Continental Congress in 1789, warned them:

"Gentlemen, if you do not exclude the Jews from our shores, in less
than a hundred years, every man, woman and child will be toiling in
the fields as slaves to the Jewish debt money system."

His timing was off a bit, but otherwise he was correct. Our monetary system today is
controlled by the Federal Reserve System, a Marxist principle which was slipped into
our Constitution in 1913, at the instigation of the International Jewish bankers. Now
this nation is in hock, up to its ears, to this same ungodly crowd; they could ruin us
financially, at any time, with the snap of their fingers.

As a Christian, are you not grieved at the subversion of our youth and the
degeneration of our nation's morals? You should be! If you are a member of the
clergy, you should be even more concerned, for you have been called to be
"watchmen on the walls" of this nation, to warn them at the approach of danger (see
Ezekiel 33:1-3). Have you heeded this call? Have you told your people the whole
truth, or are you like those pastors of Jeremiah's time (6:14) who cry: "Peace! peace!
when there is no peace!"?

Too often today, American pastors have become "male prostitutes" for the
International Zionists. Thousands of these "pseudo-pastors" are pandering to self-
styled Jewish interests, as they literally sell this country "down the river," into the
hands of those who will destroy Christianity and make us slaves.

I do not advocate hatred for the Jews, as some do. I believe that many of the "rank
and file" Jews in America do not understand the plotting of their international leaders.
Some do, and have been violently opposed to it! But I do say that we cannot, we must
not allow the International Jews to control our government, our economics, our media
and our churches, as they do today. Probably our first priority must be to get rid of the
false prophets who stand in our pulpits crying: "It is your Christian duty to support
the Jews; they are God's Chosen Ones." God forbid!

Now, as during the Revolutionary War, our motto needs to be: "Tonight, put only
Americans on guard!" Let's take our country out of the greedy clutches of the
international leeches. Let's once again raise the flag of Jesus Christ over this nation.
Let's recognize Anglo-Saxon and kindred Christian Americans for what they are: the
people who have been ordained to glorify Christ's name. Then, with this knowledge,
let us go out to battle with the enemy: for in His strength, we can conquer every foe
and be free again.

Let us once more remember those stirring words, from the stanza of "The Battle
Hymn of the Republic," which have been removed from our song books:

"I have read a fiery Gospel,
    Writ in burnished rows of steel,
As ye deal with my condemners,
So with you my grace will deal.
Let the hero born of woman,
Crush the Serpent with His heel,
Since God is marching on!"

FAITH ALONE, OR FAITH AND WORKS!

By

Lt. Colonel Gordon "Jack" Mohr, A.U.S. (Retired)

An in-depth look at the Epistle of James

“Even so faith, if it hath not works, is dead, being alone.”

(James 2-17)

“Show me thy faith without thy works; and I will show thee my faith by my works”

(James 2-18b)
Introduction

This book is intended as an in-depth study of the General Epistle of James. We will take a close look at every key word in this short epistle to see what it means in the original Greek. This should give us a better understanding of what James was trying to say to us.

This Epistle could very well be the earliest of the New Testament Epistles and was probably written shortly before Paul wrote his letter to the Galatians, sometime in 48 AD. It was written by James, who in Mark 6:3 is identified as the half-brother of Jesus.

James was among that Christian group which gathered in Jerusalem for the Feast of Pentecost (Acts 1:13,14). "Then returned they (the disciples) unto Jerusalem from the Mount called Olivet (from which Jesus had risen into heaven - 1:9,10), which is from Jerusalem a Sabbath's day journey (travel restricted under Mosaic Law for the Sabbath, which was under one mile). And when they were come in, they went into an upper room, where abode both Peter, and James, and John, and Andrew, Philip and Thomas, Bartholomew, and Matthew, James the son of Alphaeus, and Simon Zealots, and Judas (not Iscariot) the brother of James."

James took over the leadership of this Christian group which were not Christians at this time, but who were known as The Way. James assumed this leadership of the Jerusalem church after Peter left Palestine, as recorded in Acts 12:17.

James emphasized that Christians should keep God's Law and it would seem that he would be in conflict with Paul. However, Scripture shows little conflict between the two on this issue.

James was presiding over the Jerusalem Council where the early church leaders reached an agreement for the basis of Christian fellowship.

While most King James Bibles will tell you that this Epistle was written to the tribes of the Dispersion and reflects Jewish interests, this is not so, since these dispersed tribes were Israelites, not Jews. (This is a common fallacy within Judeo-Christian circles, to equate the two as one and the same people. They are not!)

While the synagogue is mentioned in this epistle, it was not only a place of Jewish worship, but was a common meeting place in the community, sort of a Town Hall. Synagogues were not mentioned in the Old Testament, and originated in Babylonia during the Persian period and after the destruction of Solomon's Temple. It was a religious abomination the Judeans brought back with them from Babylon, along with the Babylonians system of usury.
By the New Testament period, some 450 years later, they were found all over the known world, wherever Jews congregated. It was Judeans, not Israelites, who brought back from Babylon a new religion which was not Hebraism or the worship taught by Moses, but was the teachings of the Pharisees, the *tradition of the Elders*, with which Jesus was in constant disagreement, and an admixture of the occult from Babylon. At about this same time 500 BC work was begun on the Babylonian Talmud, which is today the *lifeblood* of modern Judaism. It was completed about 1,000 years later in Alexandria, Egypt.

Because the Jews followed this heathen teaching, rather than the laws of God, Jesus told the Pharisees: "If ye had believed Moses, ye would have believed me, for he wrote of me." *(John 5:46).*

The introduction to James in my KJV says: "This epistle seems to be addressed to Christians within the Jewish framework before the cleavage between Jews and Christians occurred." This could not possibly be so, and shows you the *Jewish brainwashing*, which had affected the scholars who wrote this introduction.

The Epistle of James was written to Israelites, not Jews, and there was never a time when Jews and Christians were without cleavage. The Apostle Paul who although an Israelite of the tribe of Benjamin, had religious training in Judaism as a Pharisee, and knew the religion inside out, in *1 Thessalonians 2:14, 15* writes of this cleavage: "For ye brethren, became followers of the churches of God in Judea in Christ Jesus: for ye (Christians from Thessalonica) have suffered like things of your own countrymen, even as they (the Christians of Judea) have of the Jews: Who both killed the Lord Jesus, and their own prophets, and have persecuted us (Israelite Christians); and they please not God, and are contrary to all men:" Paul knew that there had never been any cooperation between Christians and Jews from the beginning, for he was party of the early persecution of Christians, before he became converted on the road to Damascus.

James was concerned with the practical ethics of Christianity. He believed in the adage: "What you do shouts so loud I can't hear what you say!" or "Actions speak louder than words!" While he does not set aside the importance of *faith* in any way, he insists that *true faith must always produce good works.*
Verse One - This begins with James' salutation to those to whom he writes. In it he indicates clearly who they are. He addresses himself to "the twelve tribes scattered abroad." These were made up of the Israelites and Judeans, who had been taken captive into Assyria, and had escaped through the Caucasus Pass into western Russia, then westwards into Europe and Asia Minor. These were the lost sheep of the house of Israel. The teaching of modern Fundamentalists and Evangelicalism that the Jews are all of Israel, is false, for the Jews are not even part of true Israel. Even the Jews recognize this and state in the Jewish Encyclopedia that the tribe of Judah was a non-Israel tribe.

At the time this Epistle was written, most of the people known as Jews were descendants of Esau/Edom, as can be seen from their own statement to our Lord in John 8:33, when they clearly stated that "we have never been in bondage to any man." If they were indeed children of Abraham, as they aver, then it could only have been through Esau/Edom, since the Israelites at this time had been in bondage both in Egypt and then in Assyria. (To see God's reaction to Esau/Edom, read Malachi 1:2-4.)

We know from both Scripture and history that Israel, and a large part of Judah had been taken captive into Assyria, and was scattered throughout a vast area. Strangely enough, up until this time, all immigration had been to the east and the south, but our Israel ancestors moved north and west, towards the island lands that the prophets had told about.

Because our Israel forefathers had turned their backs on God, Moses had predicted in Deuteronomy 32:26 - "I (God) will scatter then into the corners, I will make the remembrance of them to cease among men." In their captivity they were no longer known as Israelites, but known as Gentiles.

In John 7:35 when Jesus told the Pharisees that He would soon be leaving for a place where they could not follow, said, "... Whither will He go, that we shall not find Him? will He go to the dispersed (meaning converted Israelites) among the Gentiles (nations), and teach the Gentiles?"

The Epistle of Peter, as seen in 1 Peter 1:1, was addressed to these same Israelite people. Always keep in mind that these people were Israelites, not Jews!

Verse two - Here James enjoins his readers to look on their temptations as a blessing, rather than a burden. This reminds me of Acts 5:41, where we are told how when the early Christians in Jerusalem were ordered by the Talmudic leaders of Jewry not to even mention the name of Jesus, they then beat them and let them go. That verse tells us - "And they (the Christian Israelites) departed from the presence of the Council rejoicing that they were counted worthy to suffer shame for His name." How many modern day Christians do you know who would be willing to do the same? The majority of them will
not even bow their heads and say grace before a meal in a public place, because of what people may think of them.

**1 Peter 1:6** indicates this same rejoicing over temptation when he says: "Wherein ye greatly rejoice, though now for a season (a short while) if need be, ye are in heaviness through manifold (many) temptations."

Temptations are often a means of strengthening a Christian. It is something like a champion boxer who prepares himself for a championship fight. He goes into the *practice ring* with a sparring partner, who pummels him and hardens him for the real fight.

**Verse three** - The result of this temptation according to James is "that the trying of your *faith* worketh patience." The English word *patience*, as used here, comes from the Greek hypomone (*#5281* in your Strong's Concordance) and means "cheerful endurance." As most of us know from personal experience, it is not easy to be cheerful when we are enduring adversity. It is a Christian characteristic we should all develop. Instead of blaming God for allowing it to strengthen us.

**Verse four** - When patience (cheerful endurance) has completed its work in a Christian, it leaves them *perfect*. The Greek word used here is *teleois* (*#5046*). It does not mean *perfection*, but *completeness*. It is what separates the men from the boys.

**Verse five** - Wisdom is an extremely important virtue for a Christian to possess. It cannot be expressed better than King Solomon did in **1 Kings 3:9**, when God appeared to him in a dream and asked what he wanted. He replied: "Give thy servant an understanding heart, to judge they people, that I may discern between the good and bad; .." Would to God we had more political and religious leaders who were concerned about this today.

So we see James as he admonishes his Christian Israel listeners to ask God for wisdom and promises them that God who is liberal in His giving, will supply all their needs. In **Jeremiah 28:12**, we read this same promise: "then shall ye call upon Me (God), and ye shall go and pray unto Me, and I will hearken unto you."

In **1 John 5:14**, we have another such promise: "And this is the confidence we have in him, that if we ask anything according to His will, He heareth us." Notice carefully it does not say anything we want, but anything we need; according to His will. There is a world of difference here.

**Verse six** - "But let him (the individual) *ask in faith*, nothing wavering (not doubting). For he that wavereth is like a wave of the sea driven with the wind and tossed." When we ask in faith this means we have that confidence in God that what we are asking for God is able to give to us no matter what the situation looks like in the natural. In this case James is talking about *wisdom*. 
Verse seven - A rather strange saying, which I believe, means that if a man wavers in his faith, he should not expect to be blessed by God.

Verse eight - "A double minded man is unstable in all his ways." This is a proven fact, and can be seen no more clearly than in the example of our present day legislators and preachers. The term double minded comes from the Greek dipsuchos (#1252), which literally means: "vacillating in purpose or opinion." In other words, never stable. We see this trait all the time in our politicians and to an increasing degree in our church pastors. They say one thing and do exactly the opposite, or as someone has said: "They speak out of both corners of their mouth!" A man, who does this, whether he is a leader in politics or religion, is unstable in everything he does and is not to be trusted in anything, no matter how beautifully he may speak.

Verse nine - This is an admonition to those who have little of this world's wealth or education. These are told to rejoice and exalt Christ, since God does not look in a man's bank account, or the number of degrees he may have behind his name, but looks rather at the intents of the heart.

Verse ten - He also instructs the wealthy not to think of themselves more highly than they ought, for like all men, his time on earth is short. His wealth cannot add one day to his allotted time.

Verse eleven - This is a continued explanation of verse ten. James intimates that wealth in itself will fade away.

Verse twelve - James says that a man is blessed when he endures temptation for if he is tried (and here we know this means successful resistance to the same) he will receive the crown of life.

Let examine a few key words in this verse:

Blessed - Greek makarios (#3107), meaning: "supremely blessed; well off; happy."

Endureth - Greek hupostasia (#5287), meaning: "Assurance; confidence."

Temptation - Greek perasmos (#3986), meaning: "Putting to proof by experimentation; of good or evil; provocation; discipline."

Tried - Greek dokimos (#1384), meaning: "approved; acceptable."

Crown - Greek stephanos (#4735), meaning: "a badge of loyalty; a prize or symbol of honor."

So as a consolidate these meanings, we find that what James is really saying is: "Fortunate or happy is the man that has assurance of his faith during a time of testing or provocation; for when he is tested, and is approved, he shall receive the badge of honor.
and loyalty the Lord has set aside for them that love and obey Him." This puts a little more teeth in this verse.

Job 5:17 says: "Behold, happy is the man whom God correcteth; therefore despise not thou the chastening of the Almighty."

In Hebrews 12:6-8 we learn: "For whom the Lord loveth He chasteneth and scourgeth (punishes when they sin) every son whom He receiveth. If ye are without chastening... then are ye bastards (illegitimate children) and not sons."

Solomon in Proverbs 3:11,12 admonishes us: "My son, despise not the chastening (discipline) of the Lord; neither be ye weary of His correction: for whom the Lord loveth He correcteth; even as a father the son in whom he delighteth." Chastening is a sign of sonship.

The Apostle Paul describes the crown we receive for faithful service, in these words: "and every man that striveth for mastery is temperate in all things. (Here he is describing the athlete who partakes in a foot race.) Now they do it to obtain a corruptible crown (symbol of honor); but we an incorruptible." (One that will last forever.) (1 Corinthians 9:25)

In 2 Timothy 4:7,8, we hear Paul's shout of triumph before his execution in Rome: "I have fought a good fight, I have finished the course (race), I have kept the faith; Henceforth is laid up for me a crown (symbol of honor) of righteousness, which the Lord, the righteous judge, shall give me at that day (Judgment Seat): and not to me only, but to all who love His appearing." (Are in obedience looking for His return!)

When you come to the end of your earthly stay, will you be able to say the same?

Christ mentions this same thing in Matthew 10:22, when He said: "And ye (Christians) shall be hated of all men for my name's sake; but he that endureth to the end shall be saved." (This goes far beyond merely going forward to some altar, professing Christ as Savior, getting baptized, and joining the church. It means accepting Him as both Savior and King and then acting on it.)

Over and over again in the opening chapters of the Book of Revelation we read the words, "to him that overcometh!" You cannot be an overcomer, when you hide in your spiritual foxhole, folding your holy hands as you pray for Christ to return and Rapture you out of the mess which was caused by your apathy. Overcoming is much more than merely being saved, since it makes you a soldier in the King’s army, and with it your responsibilities to God and your fellowman increase a 1000 fold.

Verse thirteen - This is a plain statement that we should never blame God for our temptations, for God never tempts any man or woman to do evil.
Verse fourteen - The reason for our temptation is given here. We are tempted (Greek - peirazo meaning: "entice; examine; prove.") when we are drawn away (drawn - Greek exelko (#1828), meaning: "enticed." Away - Greek apostrepho meaning: "pervert; turn away.") by our own lusts (Greek - epithumia meaning: "a longing for forbidden things; desire") and enticed." (enticed - Greek - deleazo (#1185), meaning: "allured; deluded; beguiled."). These can be sexual and often material, anything that takes precedence to our love of God.

Out temptations do not come from God, neither do they come from Satan, as some churches teach. They come from within each person, as their sinful nature is at enmity with God. It reminds me of a story I heard once about the old Indian who was trying to explain this sinful nature. He said: "It is like we have two big dogs within us, a bad black dog, and a good white dog. They are always fighting." When asked: "Which one wins?" he replied: "The one I say sic'em too!" In other words, the one we encourage.

Verse fifteen - This shows the end result of lust. "When a longing for that which is forbidden, or for the material things of life has conceived (come to completion) it brings forth sin, and sin when it is finished (gives birth), brings forth death."

Psalm 7:14 says: "Behold he travaileth with iniquity, and hath conceived mischief; and brought forth falsehood."

Sin always brings forth death. It has been so from the beginning, for one of the Natural Laws of God, is the Law of Harvest, which states: "As a man sows, so shall he also reap," (Galatians 6:7), and "the wages of sin is death," (Romans 6:21).

What is sin? A clear definition is given in 1 John 3:4 - "Sin is a transgression (disobedience) of the Law." So in that many pastors say Christ did away with the Law, then there can be no more sin. We know this is untrue, because we see the effects of it on every hand.

Verse sixteen - Is an admonishment that we do not go astray.

Verse seventeen - Here James tells us that every good gift comes from God, who is the Father of lights. God has no variableness. This is a word we don't see used very often, but it means "fickleness. " It is the thing we see so prevalent in our political and religious leaders. But God is the "same yesterday, today, and forever." Thank God!

Numbers 23:19 puts it this way: "God is not a man, that He should lie; neither the son of man, that He should repent: He hath said, and shall not He do it? Or hath He spoken, and shall He not make it good?" We can depend absolutely on what God has said to man. When He makes a promise it will come to pass, 100% of the time!

Verse eighteen - This further confirms the statement in verse 17. "God begat (formed) us with the word of His truth." John 1:13 puts it this way: in speaking about those who have been born from above. "Which were born, not of blood (carnal birth): nor of the
will of the flesh, nor of the will on man, but of God." We know from John 1:3, that He was the Creator since it says: "... All things were made by Him; and without Him (Jesus Christ) was not anything made that was made."

The reason He did this was that we (those who accept Him as Savior and King) should be a kind of first fruits. (Greek - aparche (#536) meaning: "a beginning") of His creatures (created things). The first fruits were always the best of the crop, which were set aside as a sacrifice to God. We have been especially chosen not to be dictators as the Jewish Talmud teaches, that when Messiah comes, every Jew will have 2,000 goyim (non-Jew animal) slaves, but to be Ambassadors of the King, who will show the rest of the world how He wants them to live in peace, safety, and happiness.

1 Peter 2:9b says, "... that we should shew forth the praises of Him who hath called us out of darkness, into His marvelous light."

Verse nineteen - Because of what God has done for us, James says we should be "swift to hear (listen), slow to speak, and slow to wrath (anger)."

This is confirmed in Proverbs 10:19, which states: "In the multitude of words there wanteth not sin: but he that refraineth (guards) his lips is wise."

Ecclesiastes 5:2, puts it this way: "Be not rash with thy mouth, and let not thine heart be hasty to utter anything before God: for God is in heaven, and thou upon earth: therefore let thy words be few."

As to anger, Proverbs 14:17 says: "He that is soon angry dealeth foolishly; and a man of wicked devices is hated."

Notice that James deals with down to earth things, which affect Christians in every day living.

Verse twenty - This tells us that the anger of man does not work righteousness. (I'm sure he is not referring to righteous indignation, which is something different.)

Verse twenty-one - "Wherefore (Greek - dio (#1352) - meaning "for this cause") lay apart all filthiness (see 1 Peter 2:1) and superfluity (Greek - kolia (#2549) meaning: "depravity; malignity; evil; wickedness") and receive (accept) with meekness (mildness, humility) the engrafted (implanted) word, which is able to save your soul." (The word save, as used here means to "preserve, heal, make whole.") It does not refer to the act of being saved, born again.

Verse twenty-two - James indicates that as Christians we must go beyond the salvation experience, for being born from above, or again, is but the first step in the salvation process. He says: "But be ye doers of the word, and not hearers only." Any person is suspect who calls him or herself Christian yet continues to "do their own thing" and refuses to obey God's Law.
Unfortunately the rolls of most churches are crammed with people who profess Christ, while their lives show little if any change. They come to church and *fizz* for an hour or two on Sunday, while the rest of the week there is little difference between them and the worldly crowd they associate with. In fact, many of them are ashamed to be known as Christians, except when they are in church. I refer to these as *Alka Seltzer Christians.* This is not judging, for the Bible tells me: "By their fruits shall ye know them."

There is another saying which has much truth in it: "Your actions speak so loud I can't hear what you are saying." When I was in the John Birch Society we had another truism, "When you see something that looks like a duck; has feathers like a duck; waddles like a duck; quacks like a duck and runs around with other ducks, the chances are pretty good that you are looking at a duck." So when you see someone who professes to be a Christian, who uses un-Christian language, and sucks on a can of beer, and runs around with an ungodly crowd, you are very possibly looking at a *fake.*

**Verse twenty-three & twenty-four** - Explains that a man or woman who is merely a hearer and not a doer of the word, is like someone who looks at themselves in a mirror, but when they turn away, they forget what they looked like. Jesus said in *Luke 6:49,* "Whosoever cometh to me and heareth my sayings, and doeth them (this is of absolute importance), I will show you whom he is like." He then goes on to give His illustration of the man who built his house on a rock foundation. When the storm came, and the winds blew, it stood firm, while the man who built his house on sand, saw it destroyed. Is the foundation of your faith strong enough to withstand the storms, which the Bible says are coming to the Christian?

It's easy to speak about faith, when everything is going well, but it's something completely different to show it, when it seems the world is *coming apart at the seems.*

It's sad that many professing Christians are like the man Jesus speaks about in His parable of the Sower in *Matthew 13:20.* The seed has fallen on the stony places of their hearts, and although they may receive it with joy, and may shout and sing at the altar, and even speak in glossollalia, which is not the Scriptural *speaking in tongues,* Jesus said they have no root in themselves and after a while, when tribulation or persecution comes because they claim to be Christians, they are offended and leave the faith, and go back into the world. (I have often wondered about the thousands who have signed commitment cards at the Billy Graham Crusades, and how many of them remain faithful a year later?)

**Verse twenty-five** - Gets to the meat of this chapter, when James talks about those who look into the "perfect law of liberty." I have had Christians tell me that means they can do anything they like, as they are now free from God's Law. How utterly foolish and dangerous this thinking can be.

Christians are only blessed as they continue in their faith, which must entail *obedience* to the King. Jesus said: "If ye love me, keep my commandments."
Many churches shrug off backsliding as one of those things that happens, but the writer of the book of Hebrews, takes a much different look at it in Hebrews 10:26,27. He says: "For if we sin willfully, after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, but a certain fearful looking for a judgment and fiery indignation, which shall devour the adversaries." Why?! "Because we have trodden under foot the Son of God ... and have done despite to the Spirit of Grace."

The Apostle Peter in 2 Peter 2:20,21 says: "For if after they have escaped the pollutions of the world through the knowledge of the Lord and Savior Jesus Christ, they are again entangled therein, and overcome, the latter end is worse with them than the beginning. For it had been better for them, not to have known the way of righteousness, than, after they had known it, to turn from the holy commandment delivered unto them."

The word Law as used here refers to a principle of God Liberty comes from the Greek eleutheria meaning: "legitimate, moral freedom." It does not refer to doing what you want to do! It does not refer to a freedom that allows you to do your own thing. As long as you don't hurt someone else.

In order to stay within the boundaries of this perfect principle of Christian freedom, we must be doers of God's Word. "If you know these things, happy are ye if ye do them." (John 13:17) But merely knowing is not enough, they must be followed.

Verse twenty-six - Here James digresses a bit to give us some insight into human nature when he says: "If any man (woman) among you seems to be religious (pious religiosity), and bridleth (Greek - chalingagogeo (#5468) meaning: "to curb; put a bit on") not his tongue, but deceiveth his own heart, this man's religion (his Christian witness) is vain. " (Greek - mataios (#3152) meaning: "empathy; profitless; in vain.")

Don't get angry with me if I say you can't be a good Christian and be a gossip, or use filthy language when you speak. The Word of God says if you do these things, then your religion is profitless. Think about this before you pass on a story that may not be true. (Oh how our Identity folks need to ponder this verse!)

In verse twenty-seven, the last verse in this first chapter, the Apostle James describes erect or pure religion. Here he is speaking about Christians, which means those who have had a personal salvation experience with Jesus Christ, have had their sins forgiven and are now His sons and daughters. James says that pure and undefiled religion will cause us to aid the fatherless and widows in their affliction (troubles) while keeping ourselves unspotted from the world. (Greek - aspilos (#784) meaning: "unblemished; without spot.")

How many of you who read this book and know you are Israelites, support our Identity widows and orphans? As I just began to write this message I came under a vicious attack by the IRS because they will not allow me to deduct contributions to needy people from my income tax. They claim Christian Identity is an illegal religion. Although the government recognizes Secular Humanism, Witchcraft, and Satanism as legitimate.
When I pointed out that our religion teaches that we should take care of our own kinfolks, or be counted *worse than an infidel*, they said: "That's what welfare is for." So I can give $100 to United Way, which keeps $90 for overhead and gives $10 to the needy, but they will not allow me to give $100 directly to a widow in need. The IRS will not allow any of the funds I expend for my Prison Ministry to be deducted. This is what happens when mankind lives under the oppression of the Babylonian System.

In Isaiah 1:16, 17, & 19, we hear the prophet plead with Israel: "Wash you, make you clean; put away the evil of your doings from before Mine eyes; cease to do evil; Learn to do well: seek judgment, relieve the oppressed, judge the fatherless, plead for the widow . . . If ye are willing and obedient, ye shall eat of the good of the land."

Matthew 25:35, 36, & 40 - "For I (Yashuah the Christ our Savior) was hungered and ye gave me meat: I was thirsty and ye gave me drink: I was a stranger and ye took me in. Naked and ye clothed me: I was in prison and ye came unto me ... Inasmuch as ye have done it unto the least of these my (Israelite) brethren, ye have done it unto me."

How could our Christian duties be outlined any plainer?

**Chapter Two**

**Faith is Shown by Works.**

This is a chapter that the *faith alone* people would like excised from their Bible, for it clearly shows that there is more to being a Christian than proclaiming Christ as Savior.

**Verses one - three** - Deals with Christian treatment of the brethren and states that we as Christians must not show partiality to the brethren based on their position in life. The poor man in his work clothes, should be as welcome in our worship services, as the wealthy business man who puts a lot into the collection plate.

The *gay* clothing mentioned in verse three, would better have been translated as "magnificent, sumptuous, gorgeous, goodly", since it comes from the Greek word *lampros* (#2986), which means just that. Why translators used the word *gay* is anyone's guess, (it does not refer to homosexual.)

**Verse four** - If we show partiality, because of the way a brother or sister dresses, we are a judge of evil thoughts.

**Verse five** - James explains that God often chooses the poor to be rich in faith. This can be seen from John 7:48, where we see that few, if any of the Pharisees or Edomite rulers in Jerusalem ever believed on Christ.

Luke 12:21 indicates that few rich men, who lay up treasures for themselves on this earth, are *rich toward God*. This substantiates Paul's statement in 1 Timothy 6:10, that
"The love of money is the root of all evil." Not money or wealth itself is evil, but the love for it that transcends love for God is the root of all evil.

In 1 Corinthians 1:26, 27, the Apostle Paul substantiates the words of James when he says: "For ye see your calling, brethren, how that not many wise men after the flesh (intellectuals), not many mighty (powerful leaders) after the flesh are called. But God hath chosen the foolish (Greek - moros, (#3474) meaning: "absurd; foolish") things of the world to confound (Greek - katai-schuno, (#2617) meaning: "put to shame") the wise, and God hath chosen the weak things to confound (put to shame) the mighty."

For some reason, known only to God, He has caused the poor of this world to be rich in faith and heirs of the kingdom, while it is difficult for the rich to overcome their desire for material things and place God first in their lives.

Verse six - James reasons: "Why should we despise the poor man and show partiality to the wealthy, when it is the rich men (the Babylonian bankers) who oppose Christianity and drag Christians before their courts of law?

Verse seven - It is most often the rich who blaspheme the name of Christian, whereby we of true Israel are called.

Verse eight - James states that the Royal Law of Scripture is: "Thou shalt love thy neighbor as thyself." This statement, which has been considerably twisted out of shape by our modern day theologians. The marginal notes refer us to Leviticus 19:18, which gives us the original of the law; God speaking: "Thou shalt not avenge nor bear any grudge against the children of thy (Israel) people, but thou shalt love thy neighbor as thyself . . ."

Here we have indication that your neighbor, is not just anyone out there in the world, but are those of your own blood.

In Matthew 22:39 Christ re-emphasized this when he stated that the first and greatest commandment was: "Thou shalt love the Lord thy God, with all thy heart, and with all thy soul, and with all thy mind. The second (great commandment) is like unto it, Thou shalt love thy neighbor as thyself"

Verse nine - James says that if we have respect (Greek - prosopalepsia (#4382) meaning: "show favoritism, respect of persons.") we commit sin and become "transgressors of the law." (See 1 John 3:4)

Verse ten - Here is a rule it would be well for all of us to remember. "He who keeps the law, yet breaks one is guilty of all."

Deuteronomy 27:26 says: "Cursed be he that confirmeth not all the words of the law to do them."

In Matthew 5:19, Christ explodes the argument of many pastors, that He did away with the law, when He said: "Whosoever therefore shall break one of these least
FAITH AND WORKS

commandments, and shall teach men so (you pastors who preach that Christ did away with the law take note), he shall be called the least in the kingdom of heaven; but whosoever shall do and teach them, the same shall be called great in the kingdom of heaven.” Here we have a confirmation from the Master Himself that He did not do away with the law. He did away with the ordinance of sacrifice, yes indeed, when his death on the cross was a once and for all time sacrifice for sin, but He did not do away with the law. It still stands supreme!

Verse eleven - Merely confirms verse ten.

Verse twelve - We are told to act as though we were to be judged by the law of liberty. (1:25) Remember the word liberty as used here refers to legitimate freedom, as opposed to licentious freedom.

Verse thirteen - Here James states that he, who has no mercy, will be shown no mercy and the marginal notes refer us to Job 22:5-7 - "Is not thy wickedness great? and thine iniquities infinite? For thou hast taken a pledge from thy brother for naught, and stripped the naked of their clothing. Thou hast not given water to the weary to drink and thou hast withheld bread from the hungry."

He goes on to say that "mercy rejoiceth against judgment." The word judgment is the Greek word krisis (#2920) refers to a "tribunal; a decision against, by implication justice."

Verse fourteen - James then asks the question: "If a man say he hath faith, and have not works? can faith save him?" Many pastors will say yes. We are saved by faith alone! Works do not enter into the salvation process. But the marginal notes refer us to Matthew 6:26, where Christ mentioned the man who had built his house on a sand foundation. When the winds blew and the floods came, it fell, because it was built on an unstable foundation. The same is true of those who claim to have faith but have nothing in their lives to prove it!

I believe this is a good criterion to show whether a man or woman is saved. Not by the word of testimony they give, but by the life works testimony they show. It's easy to witness for Christ in the friendly confines of the church, but it's something else to witness when you're out in the world.

Verses fifteen & sixteen - James gives the illustration of a brother or sister who is in need of food and clothing. The Christian who says to them: "Go with God, be warmed and filled," but does nothing to help them, makes a mockery of their faith. There is no advantage in this, it is rank hypocrisy. We show our faith by how we respond to the needs of our fellowman.

Verse seventeen - The entire testimony is summed up with these succinct words: "Even so (your) faith, if it hath not works, is dead, being alone (by itself)."
FAITH AND WORKS

Verse eighteen - Here James elaborates a bit by stating that some Christians may say: "You have faith and I have works; show me your faith without works (or by thy works), and I show you my faith by my works." Which is the most sincere? Which makes the most sense from a Christian perspective?

Who is most sincere? The one who brags about their faith and has nothing to prove it, or the one who says little about faith, but proves it by the life they live? You know the answer. One is sincere, the other is a hypocrite!

I am sick to the point of nausea, by those Christians who love to brag about their great faith yet they show very little of it in their daily living. It is easy to talk about faith in church; it is easy to say you have faith when everything is going smoothly, but I can tell you from personal experience, it is something completely different, to maintain your faith in God, when everything seems to be going against you, and your world comes tumbling down around your ears. This is the real test of faith!

Verse nineteen - We should not be so arrogant about believing in God, it is good that we do, for even the devils believe in God and they have the wisdom to fear and tremble. Sometimes we forget that God is the Almighty and to be reverently feared. Proverbs 1:7 says: "The fear of the Lord is the beginning of knowledge:" If you want to have knowledge of the Lord it begins by reverent fear.

Verse twenty - The word vain, as used here (and there are three of this same word used in epistle, each with a different meaning), comes from the Greek - kenos (#2756) meaning: "empty". So empty man do you want to know that faith without works is dead?

Verse twenty-one - James explains how Abraham, the father of true Israel, was justified (made righteous) by works, when he showed his faith and obedience to God by being willing to sacrifice his only son Isaac (Genesis 22:9).

Genesis 15:6 tells us that "Abraham believed in the Lord (had faith) and He (God) counted it to him (Abraham) as righteousness." Over and over again, Scripture tells us that God tested Abraham's faith, and over and over again Abraham showed his faith, not in his words alone, but by his works, and his obedience to God.

Verse twenty-two - We see that faith collaborated with works (working hand in hand with) caused his faith to be made perfect (complete).

Verse twenty-three - Goes on and tells the results of that complete faith, he was called the friend of God. In 2 Chronicles 20:7 we are told that Abraham was a friend of God's, and this is confirmed in Isaiah 41:8, when God says: "But thou Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend. " He was God's friend, because he showed his faith (faithfulness) through his works (obedience).

Verse twenty-four - "Ye see then how that by works a man is justified (made righteous) and not by faith only." This does not mean that men and women are saved through good
works, for the Scriptures clearly state: "By grace (the unmerited favor of God) are ye saved through faith; and that not of yourselves, it is a gift of God: Not of works lest any man should boast." This is not in conflict with anything James teaches. James is merely stating a fact; you cannot be a Christian merely by proclamation. You can go forward to some altar, and ask Christ to come into your life, and be baptized and join the church, and stand up in that church and give a glowing testimony of what Christ did for you, but it means nothing, if it is not backed by Christian works in your life. "Faith without works is dead, being alone!"

Verse twenty-five - To further his argument, James reminds us of the prostitute Rahab in Joshua 2:3, 4, who showed her faith in the God of Israel by her works, and ended up being mentioned in the Faith chapter (Hebrews 11:31).

Verse twenty-six - James closes chapter two with these clear and precise words: "For as a body without the spirit (the breath of life) is dead, so faith without works is dead also." Experience proves this to be true.

Chapter Three
A Person Cannot Serve Two Masters.

Verse one - This is obvious to any intelligent person and the chapter begins by reminding us that there are many masters in this world and if we try and serve more than Christ, "we shall receive the greater (stricter judgment) condemnation." In 1 Peter 5:3, we are told that we should not be Lord's over God's (Israel) heritage, but be examples to the flock. In Revelation 2:15, we are told that Jesus hated the doctrine of the Nicolaitaines, which was control of God's people by priests, as practiced in the Roman Catholic church.

Those professing Christians who go by the name of Judeo-Christian should realize that they cannot be faithful to both Christ and Judaism, as they are two different religions heading in opposite directions. They do not even worship the same God. The god of Judaism, according to their holy book the Talmud, is Lucifer, who they say was the elder son of Yahweh God, and the good guy in the family. God's younger son, Jesus, was the black sheep, and was always in controversy with his elder brother Lucifer.

Jesus indicated that a man cannot have dual loyalties, when He said in Matthew 6:24 - "No man can serve two masters; for either he will hate one, and love the other: or else will hold to one, and despise the other. Ye cannot serve God and mammon." The English word mammon as used here comes from the Greek - mammonas which refers to "love of wealth; deified avarice; any worldly thing which is placed before God.

When a man or woman places anything before their love for God; family, race, country, themselves, they have become idol worshippers and have no right to be called Christians.
FAITH AND WORKS

Verse two - In this verse James says we all offend at one time or another. (The word offend as used here comes from the Greek - *ptaio* and means: "to err; sin; fall short of; stumble".) 1 John 1:8 tells us: "If we say we have no sin, we deceive ourselves, and the truth is not in us." We are referred to chapter 2:4 of 1 John, which clearly states: "He that saith, I know Him, and keepeth not His commandments, is a liar, and the truth is not in him." Pretty plain isn't it?

James goes on to say if we do not offend in any way, or stumble, and are able to bride (control) our whole body, "the same is a perfect man." I have never known one. Some claim to have reached that stage of sinless perfection, and sin in their pride over being perfect in their own eyes.

Verse three - Explains verse two. It tells how we control a horse by putting a bit into his mouth, to turn him in the direction we want him to go.

Verse four - Furthers this explanation by telling how a mighty sea going vessel, is turned about by a small rudder.

Verse five - Gives us the meaning of these descriptions when he says: "The tongue is one of the smallest parts of the body, but boasted of great things." It's like a mighty forest fire that can begin with one tiny spark.

Verse six - Tells us that an uncontrolled tongue can become afire in a man or woman's life that defiles their whole body. It can set on fire a tempest in the church that can destroy it. I have seen it happen.

Verse seven - Says that most animals and birds can be tamed (controlled), but verse eight says: "No one can control the tongue, it is an unruly evil, full of deadly poison."

Verse nine - This control must come from within, for the tongue can be used to glorify God, or curse our fellowman, which are made after the similitude (likeness) of God.

Verse ten - Says: "'out of the same mouth can come blessings and cursing. Brethren, these things ought not so to be." Especially in people who call themselves a real Christian. I'm sure that many of you have seen how gossip begun by an uncontrolled tongue, can start a fire, which like a forest fire is almost impossible to quench, and which brings dishonor to God's cause.

Verse eleven - Is a truism, that a fountain cannot send forth both "good and bitter water."

Verse twelve - Continues this description by telling us a known fact, that a fig tree will not bear olives, nor a vine produce figs. So we know that a Christian's well that produces both sweet and bitter water, is a fake. (This is not judging, but merely following the Bible truth: "By their fruits shall ye know them!") So professing a Christian who may witness fro Christ in the church, and then destroys someone with vicious gossip, cannot be a Christian, no matter what they say to the contrary.
FAITH AND WORKS

A few men, who have a Reverend attached to their name, because they do not like my frankness in handling God's word, have attacked me. So even though they claim to be a Christian and church leaders, I know they are lying by the language they use. One who is a brilliant scholar, but who hates the Identity truth, told me: "I was a Marine private, and anyone knows a Marine private is worth more than some chickenshit colonel." So on the basis of his language I have good reason to assume he is not a Christian.

Verse thirteen - Is merely a word of advice, that a wise man or woman, shows their wisdom through their good works when done with humility. Too often men give a vast sum of money to a college or son institution so they can have their name placed on the building. They have their reward by being approved of men. But Jesus in His story of the Pharisees and the widow's mite in Mark 12:41-44, said that He saw how the rich men cast much money into the Temple treasury, to be seen of men, while the poor widow gave all she had, and received more of a blessing than the rich men. So good works, in order to be approved of God, must be done with humility.

Verse fourteen - In a like manner, a man or woman who has bitter envy (Greek - zelos - meaning: "malice; jealousy; contentious strife"), in their heart will show it in their life, by their actions. James said: "Don't glory (be proud), if you do things which stir up trouble." (He is a very down to earth writer.)

Verse fifteen - Goes on to explain that the kind of wisdom, that stirs up strife, does not come from God, but is "earthly, sensual, and devil inspired." So if you see a troublemaker in the Christian community, you can almost of a certainty put it down as coming from some unsaved person, for it is not a Christian attribute.

Verse sixteen - James explains that when you find envy and strife, among people, this will always cause confusion and all kinds of evil work. (Anyone who has been in the Lord's special service for any length of time has run into this.)

Verse seventeen - The opposite is found in a true Christian. For wisdom coming from God, is first "pure; then peaceable; then gentle, and easy to be entreated." (Acting in a Christian manner.) It is "full of mercy and good fruits (works), without partiality, (showing favor, and without hypocrisy).

Verse eighteen - Sums up true Christian character, by saying: "The fruit of righteousness is sown in peace of them, that make peace", and we are referred to Matthew 5:9, where Jesus said in His Sermon on the Mount: "Blessed are the peacemakers; for they shall be called the children of God." Again in Hebrews 12:11"Now no chastening (correction) for the present seemeth to be joyous, but grievous; nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them, which are exercised thereby."
We folks in the Kingdom Movement have a tendency to blame the Jews for our wars. This is partially due to Christ's accusation of them in Matthew 23:35, where He accused them of being "guilty of all the innocent blood shed on earth from the time Cain slew Abel." This idea has been reinforced by Jewish boasts, such as the statement made by Rabbi Reichorn, in 1856 at the funeral of another Rabbi in the Hague, when he said: "Wars are the Jews harvests, for with them we kill off Christians, while gaining control of their gold. We have already killed 100 million of them, and the end is not yet." This statement was made before the holocaust of the War Between the States, our most costly in deaths and which split the nation to the point where it has not completely recovered in 166 years.

The Jews cannot be blamed for all our wars, any more than the aliens. As they have become the thorns in our sides, and the pricks in our eyes, God predicted what would happen if we allowed them to come into our country (see Numbers 33:55). But if ye will not drive out the (heathen) inhabitants of the land before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex (trouble) you in the land wherein ye dwell."

Benjamin Franklin, as the senior of our Founding Fathers, recognized this danger, and warned the founders in the Continental Congress, but they would not listen to his advice, and today these aliens "have got up above us very high, and have become the head of the Christian government our fathers founded, while we have become the tail," just as God foretold in Deuteronomy 28:43, 44. This always happens when men think they know better ways to run things than God, and it always, 100% of the time, ends in disaster.

If you can't see how this is happening in America, it is because you have deliberately closed your eyes to what is taking place.

Verse one - We see James saying that the problems in the conflicts in the church and government don't come from the Jews and aliens and the enemy, but from the "desires of pleasure, that war in your members." They are the effect of White Christian disobedience to God. (Study Deuteronomy 28 and see for yourself.)

Verse two - James says that that we "lust (long for material things before God), and have not, and cannot obtain: ye fight and war, yet ye have not, because ye ask not.

Verse three - Goes on further to explain: "Ye ask, and receive not because ye ask amiss (wrongly), that ye may consume it upon the lusts." (Not necessarily sex, but longing for material things, which take the place of God in our life.)
VERSE four - James accuses Israelites of being adulterers and adulteresses (male and female prostitutes), who do not understand, but who have sold out to the world, as surely as a woman sells her body into prostitution. God is drawing a line in the sand, if anyone wants to be a friend to the world than he is an enemy to God. There are some so-called Christians who fit this description and this is one of the major reasons the Word is evil spoken of.

VERSE five - This is a statement of fact, that the Scripture says the spirit that dwells in us "lusteth to envy?" (Greek - phthobnos - meaning: "ill will; jealous respite; envy").

VERSE six - We are told that "But he (God) giveth more grace. Wherefore he saith, `God resisteth (Greek - antitassomai - meaning: "to not approve; to array oneself against") the proud, but giveth grace to the humble."

Psalm 138:6 - "Though the Lord be higher, yet hath He respect unto the lowly; but the proud He knoweth afar off

Luke 14:11 - "For whosoever exhalteth himself shall be abased (brought down low), and he that humbleth himself shall be exalted."

VERSE seven - For this reason we are exhorted to submit ourselves to God, with the following truth added: "Resist the devil (evil), and he will flee from you." Unfortunately some who go by the name of Christian say: "Get thee behind me Satan," but then add by their actions: "But push me into doing what I want to do." These are the same one's who use the excuse: "Satan made me do it!" when it was their own wicked, unregenerate heart, according to brother James.

VERSE eight - Goes even further with this exhortation by saying: "Draw nigh unto God, and He will draw nigh (be close to) unto you." Remember, that God never puts up roadblocks between He and His people. If they exist, it's because we have placed them there!

I am reminded of the old fashioned electric streetcars that ran off the power supply on lines above the street. A long arm from the car to the power supply provided the energy needed to run the car and as long as the copper wheel on the end of the arm was kept clean from corrosion, the power flow was constant and the car operated. But if corrosion took place, the power was interrupted. It is the same in a Christian's life, if they allow the contact point between them and the Holy Spirit to be corroded by sin, the power is not available, and the spiritual machine will not operate properly.

VERSE nine - Indicates that we should expect affliction and mourn for our sins, and never be happy about them. Some people get so out of touch with God, they glory in their sins, and there is little hope for them.

VERSE ten - Says that if we humble ourselves before God, He will lift us up, and how necessary this is. Don't you want God to be the one to lift you up?
FAITH AND WORKS

Verse eleven - Is an admonition not to speak evil of our Christian brethren. Often we are tempted to do this when a brother or sister does something we don't approve of. James explains that when we speak evil of a brother or sister, we speak evil of the Law and judge the Law. He says: "If you judge the law, you are not an observer of the law, but become a judge." He goes on to explain in verse twelve, "There is one lawgiver (not the Constitution, not the Supreme Court, but God), who is able to save and destroy," so knowing this why do we unjustly judge our brethren?

I do not believe, that taken in its context, this nullifies the Scripture: "By their fruits shall ye know them."

Verses thirteen - fifteen - Is good common sense. Since we do not know what tomorrow will bring, and since our life is like a vapor that vanishes away, we should not say we would do this or that, but rather "If God wills, we will do this."

Verse sixteen - Is a reprimand to Christian Israelites, not to rejoice in boastings, for such rejoicing is evil. My how we are tempted at times to think of ourselves more highly than we ought. (Romans 12:3)

Verse seventeen - Is an admonition to the Christian: "He that knoweth to do good, and doeth it not, to him it is sin." And yes, we can sin by omission as well as commission. Jesus speaking to the Pharisees in John 9:41 said: "If ye blind, ye should have no sin: but now ye say, we see (when you don't understand the truth); therefore your sin remaineth."

Chapter Five
On Confessing Our Faults!

Verses one - four - James closes his Epistle with a warning to those who put their trust in this world's riches: "Go to now, ye rich men, weep and howl (shriek) Why? Because of the miseries that will come to them in the last days, as their lovely garments will become moth eaten and their corrupt riches, will be cankered (corroded). Their illegally gained riches will be witness against them, in the last days, that they placed material things before their duty to God. Their money was not evil itself, but their love for it, which made it first in their lives, was. (1 Timothy 6:10)

James says that the rich man's treasures were accumulated fraudulently, as they deliberately cheated their laborers. These had cried to God for Justice, and He heard them and demanded recompense. What a severe warning to those like the International Bankers, who have made billions of dollars off the unjust Usury System, which God condemned from the beginning. (Exodus 22:25)

How God will judge these wicked men, I do not know, but He has promised justice against the unjust rich, who means it will be accomplished. He warned in Matthew 6:20
"But lay not up treasures upon earth, where moths doth corrupt, and thieves break through and steal ... For where your treasures is, there will your heart be also."

In **Jeremiah 22:13** we read: "Woe (much sorrow) unto him that buildeth his house by unrighteousness, and his chambers by wrong: that uses his neighbor's services without wages (fair pay) and giveth him not for his work."

**Verse five** - Says to the *ungodly rich* (not all rich people fall in this class): "Ye have lived in pleasure on the earth, and have been wanton (Greek - *spatalao* - meaning: "in luxury; pleasure"); ye have nourished (fed) your hearts, as in the day of slaughter." **Amos 6:1** says: "Woe unto you that are at ease (haughty) in Zion; that lie on their couches of ivory and eat the lambs out of the flock."

**Verse six** - Continues God's condemnation of the unrighteous rich: "Ye have condemned and killed the just; and he doth not resist you."

How many times have you heard someone say: "There is no justice in our system, unless you have money? If you have money you can get away with murder." And so it seems, on the surface of things, but a terrible **Day of Reckoning** is coming, when these wicked people will come face to face with the **Judge of the Universe**, at His Judgment seat and their money will mean nothing. **Zephaniah 1:18** tells us: "Neither their silver or their gold shall be able to deliver them, in the day of the Lord's wrath; but the whole land shall be devoured by the fire of His jealousy; for He shall make even a speedy riddance of them that dwell in the land."

**Verse seven** - Because of God's Judgment on the wicked, James exhorts *true born again Christians* to wait patiently for the fruit of the earth, and "with patience receive the early and latter rain, that bringeth forth harvest." He waits patiently through drought and storm, having faith that God will grant him increase. I believe this passage has a double message and not only refers to an actual crop harvest, but to a spiritual increase that will come as faithful workers, labor in the spiritual harvest fields. Jesus exhorted His followers in **Matthew 9:38** - "Pray ye therefore, the Lord of harvests, that He will send forth laborers into His harvest."

The prophet Hosea in **Hosea 6:3** promised this *latter and former rain*, which I believe is a spiritual rain. The prophet Joel expands on this promise in Joel 3:23-25, when he says that God will restore that which was first taken away as punishment.

**Verse eight** - James goes on to exhort Christians to be "patient; establish (not establish but *stablish*, from the Greek - *sterizo* - meaning: "set steadfast; confirm; to turn resolutely in a certain direction; steadfastly set; strengthen"). In other words turn you hearts resolutely to the Lord. The reason: "For the coming of the Lord draweth nigh."

**Philippians** 4:5 says: "Let your moderation (Greek - *epieikes* - meaning: "mildness; gentleness"), be known to all men. The Lord is at hand."
1 Peter 4:7 says: "But the end of all things is at hand; be ye therefore sober and watch unto prayer." There will always be some skeptic who will say, "But we have heard about the Lord's soon return for almost 2,000 years now, and it hasn't happened yet." They do not understand the meaning of 2 Peter 3:8 where the Apostle said: "But beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as a day." In God's timetable, 2001 is only two days away from when this promise was first made. You can count on God to keep His promise "to the day, hour, minute, and second.

Luke 21:26 gives us some clarification on this difficult verse, when it says that when we see "Men's hearts failing them for fear, as they see what is happening on the earth, that is when His people should (verse 27) look up, and lift up their heads, for their redemption draweth nigh." Today suicide, caused by fear, has become one of the greatest killers in America, and the psychologists and psychiatrists who are supposed to know what is causing it, are killing themselves off four times faster than the rest of us nuts. They too are afraid, and don't have the answer.

Verse nine - As a result of living on the thin edge of things, James says that we should not grudge (Greek word means: "Murmur and groan"), against our brethren, lest we be condemned of God, for the Judge standeth before the door." (See verse 11 and Matthew 24:44). "Therefore, (because of this) be ye ready (for the Lord's return): for in such an hour as ye think not the Son of man cometh."

Verse ten - James says to use the example of prophets and his brethren who have spoken for the Lord, as a gauge of suffering afflictions and patience.

Verse eleven - Here James makes a statement that is contrary to popular opinion when he says: "Behold, we count then happy (blessed) which endure. (The word endure comes from the Greek - hopemdeno - meaning: "to remain; to undergo; have fortitude; persevere; endure patiently"). "Ye have heard of the patience of Job, and have seen the end of the Lord; that the Lord is very pitiful (Greek - polusplagchno - meaning: "extremely compassionate"), and of tender mercy." He says that those who endure hardships for Christ are extremely happy.

Job 42:10 - "And the Lord turned the captivity of Job, when he prayed for his friends: also the Lord gave Job twice as much as he had before." It is a proven fact that you can't out give God.

In Isaiah 64:4, then quoted by Paul in 1 Corinthians 2:9 as a double witness: "For since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, 0 God, beside Thee, what He hath prepared for him that waiteth (obeys) for him." The going may be tough at times, but the gospel song says it all: "It will be worth it all when we see Jesus!"

Verse twelve - Is an admonition to be careful in making oaths. This was one Scripture that kept me out of the Masonry, after I retired from the military in 1964. I could see
where membership in Masonry would help a man in the business world, but when I saw the oaths I would be required to take, I said, "No way!" I have never been sorry, as I learned that these men were part of the conspiracy.

**Verse thirteen** - James has such a way of making the gospel work practical for the Christian. He states here: "Is any among you afflicted (suffering)? Let him (her) pray. Is any merry (cheerful)? Let him sing psalms." He is giving a formula on how to live day to day in the ways of God. Pray and praise is very important in establishing a relationship with God.

**Psalm 50:15** - "And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me."

**Verse fourteen** - The instruction continues in this verse when he tells the brethren that if there is any sick, let him take initiative to call for the elders (people of authority in the church) to come and pray for him/her. The anointing of oil in this passage is not referring to any medication or any magical potion, but is symbolic of the consecration of the sick person and the joyous presence of the Holy Spirit, in this case to bring healing power through prayer that accompanies the anointing.

**Verse fifteen** - This verse gives you the results for those who are obedient to pray in faith. Again we see that faith works by putting into action. In this particular instance the pray is the corresponding work. The prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. We see how important it is in this passage that we pray for ourselves and for one another. It is important to realize that it isn't an individual that heals anyone but the prayer of faith.

**Verse sixteen** - Says it all: "Confess your faults one to another, and pray for one another, that ye may be healed (both physical and mental). The effectual (Greek - *energeo* - meaning: "effective; mighty in; show forth effect; ardor; zeal") fervent prayer of a righteous man availeth much."

In John 9:31 we read: "Now we know that God heareth not sinners; but if any man (woman) be a worshiper of God, and *doeth His will* (is obedient), him He heareth."

It might be well at this point to recall the words of Isaiah in Isaiah 59:1,2 -"Behold, the Lord's hand is not shortened that He cannot save; neither is His ear heavy that he cannot hear. But your (Israel's) iniquities have separated between you and your God, and your sins have hid His face from you that He will not hear."

Remember if you have unforgiveness or bitterness in your life you need to repent and make it right, so your prayer won't be hindered. Because God won't listen if these things exist in your life, but as James indicates. "The prayer of a righteous (one who is on good standing with God) man availeth much." (Has much weight with God.)
FAITH AND WORKS

My grandfather used to say: "There are more things wrought through prayer, than this old world dreams of, for the whole world is bound about the feet of God, by the golden chains of prayer."

Verses seventeen & eighteen - James uses Elijah as an example of the "effectual prayer of a righteous man", and the miracles it accomplished. He also is quick to show us that Elijah was just a man just like we are, so if he can do it so can we.

Verses nineteen & twenty - Speaks about the joy of leading a backslider (notice it refers to brethren, that cannot be referring to the lost heathen) back to God, since it saves a soul from death, and your love for that person will cover a multitude of sins. The word converteth in this passage is a little misleading it means to turn back a sinner cause them to repent from the errors of their ways. This joy cannot be explained, only experienced.

Paul says in Romans 11:14 - "If by any means I may provoke (Greek - pasrazeloo - meaning: "stimulate; provoke into action") to emulation (same Greek word used here), them which are of my flesh (Israelites), and might save some of them." Some preachers will make an attempt, to say that Paul is speaking about Jews, but he was not a Jew by flesh, but was a Benjamite Israelite. (See Romans 11:1; Philippians 3:5). He was a Jew by religion only, until his road to Damascus experience, and then he became a Christian Israelite.

Those of you who believe that faith is all that matters, would do well to prayerfully consider the Epistle of James, for as Jesus said: "If ye love me, keep (obey) my commandments" and James has proven that faith without good works is dead, being alone!"

Gordon "Jack" Mohr

From the Watchman's Corner!
FIFTEEN YEARS ON THE FRONT LINES!

(An account of conversion to a new belief, (not a new religion), and a man's fifteen year search for scriptural truth in fulfillment of a promise made to God when he was a prisoner of the Communists in Korea in 1948).

"Because I have made the Lord, which is my refuge, even the Most High my habitation; There shall no evil befall me, neither shall any plague come nigh my dwelling". (Psalm. 91:9, 10).

When I first wrote this article in rather rough draft and sent it out to people on my mailing list, I received several requests to enlarge on it, and put it into pamphlet form. Several offered to help with the printing costs, and it is because of them that lam able to offer this message in pamphlet form.

This summer, 1995, I am celebrating my 15th year in the Kingdom Identity Movement. It has been a time of wonderful fellowship with God's people, and a time of tremendous spiritual enlightenment for me. I have met some of the most wonderful Christian people in the world, and after looking back on sixty years spent in "relative spiritual darkness", I would not return to the "weak and beggardly elements of Judeo-Christianity" for anything you could offer me.

During these years, I learned an important lesson. That I was not to be a PERSUADER. That is the task of the Holy Spirit. But for some reason unknown to me, and which I can't fathom. God picked an old reprobate rebel like Jack Mohr, and made him a WATCHMAN on the walls of Israel America. It has not always been a pleasant task, for the vast majority of our White Christian people do not want to know, or even hear the unpleasant truth! I also learned that once I had given my people the warning of danger ahead, it immediately a personal matter between God and them, and He will hold them personally responsible for the truth they have heard, even when they refuse to accept it. In Ezekiel 3:19 the Israel watchman is told: "Yet if you warn the wicked and he turn not from his wickedness, nor from his wicked way, he shall die in his iniquity; but thou hast delivered thy soul!" I never want to stand before God, and give account of why one of my people died, because I didn't have the courage to speak the truth. This is God's warning to the watchman who refuses to warn his people when he sees danger approach, (vs. 18) - "When I (God) say to the wicked man. Thou shalt surely die; and thou (the watchman) givest him not warning, nor speakest to warn the wicked of his wicked way, to save his life; the same wicked man shall die in his iniquities, but I (God) will require his blood at thy hand". You men who stand in the pulpits of America, better take heed of this, for it will happen to you one day!

I have never pretended to be a prophet and do not believe that God ever cal-d me to this exalted position. The genuineness of a prophet can be seen in Deut. 13:1-5, which clearly states that if a man professes to be God's prophet, but prophesies contrary to God's Word, he is a false prophet, even if his words come true. We are not to listen to him. The importance of this, lies in the fact that God's WORD MUST have priority over anything said by man. NOTHING MUST be allowed to take the place of God's Word! Not PROPHESY! Not EMOTION! Not outward signs such as "speaking in tongues", or in the case of men like evangelist Benny Hinn, or the Toronto "laughing phenomenon

Under the Old Mosaic law, a prophet was put to death, if he tried to lead Israel astray and this penalty has not changed down through the years. It is still God's judgment against false prophets and preachers!

Today, in our so-called "enlightened" society, the false preacher is often praised, especially if he predicts good things which tickle the ears of wicked men and women, and makes them feel good.
In Deut. 18:22 we are told "When a prophet (preacher) speaketh in the name of the Lord, if the thing follow not to come to pass, that is the thing which the Lord hath not spoken, but the prophet hath spoken it presumptuously". The English word PRESUMPTUOUSLY, comes from the Hebrew word "zadow", and means: "with pride, or arrogance".

Where does this leave such men as the Baptist pastor who a few years ago predicted that Christ would return by the end of 1988, and sold thousands of copies of his book to gullible Christians? When Christ did not show up, as he had predicted, he made all sorts of excuses for the mistakes in calculation, he said he had made. Then he sold more copies, of a new book, to the same "dim wits" who had been sucked in by his first one.

Today, we are living in the age Jesus predicted in Luke 21:8, "Take heed," He said, "that ye be not deceived; for many will come in My name, saying 'I am Christ': and the time draweth near, go ye not after them". Then in Matt. 24:24 -"For there shall arise false Christs and FALSE PROPHETS, and shall show great signs and wonders, (watch Benny Hinn on TV sometime, if you don't want to believe this) insomuch, that if it were possible, (maybe it is and maybe it isn't) they would deceive the very elect".

Will it be these folk's Christ mentions in Matt. 7:21-23 when He said: "Not everyone that saith unto Me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will (obeys the laws) of my Father which is in heaven. Many shall say to me in that day, Lord, Lord, did we not prophesy in your name and in your name do many wonderful works? And then will I profess unto them. 'I never knew you. Depart from Me, ye that work iniquity". (You who refuse to obey my laws, and continue "doing your own thing!")

With this as an introduction, and remembering that I am not a prophet, nor ever pretended to be one, let's look back over the past fifteen years and see what has happened, and what I have spoken about. (Not what I predicted, but what God's Word said.)

In 1965, long before I received Israel Kingdom truths. I was warning Americans about things I had experienced firsthand under Communism in Korea. Things I had seen during those terrible days when I was a prisoner of the communists in the fall of 1948, still haunted me, as well as the promise I had made to God when I thought I was about to die at their hands; "God, if you get me back to the people I love, and the country I love, I'll do everything in my power to see that the terror that came here, will never invade America". This promise was the drive that kept me busy in the King's service, and has been my "driving force" ever since.

I began my mission a year after I retired from the Army in September of 1964, from a little trailer, nestled on the shores of Lake Hamilton, in Hot Springs, Arkansas. For several years, I served on the American Opinion Speaker's Bureau of the John Birch Society, and at the same time was a "lay" evangelist for the Fundamental Baptists, speaking in some of their largest churches and seminaries. From 1964 to 1980, I crisscrossed the country, north to south, east to west, speaking in over 3,000 communities and every state but Maine. My message was essentially the same as that of Jesus in Luke 13:3 -"Except ye repent, ye shall all likewise perish". It was not a pleasant message, and was not received well by many Christians. I found what Christ meant when He said: "A prophet is without honour in his own country".

Since I began this ministry in 1965, I have seen vicious crimes and murders escalate in the streets of America, which make those of heathen Korea, pale by comparison. I have been in the Black Republics of Africa, and seen them first hand. I served four years in Eritrea, Ethiopia in the Army, 1958-62, and traveled all over eastern and central Africa. Many of these were supposed to have been Christianized by missionary activity. (One night on the Trinity Broadcasting System, I heard evangelist Benny Hinn, bragging about the eleven African nations he had "led to the Lord". One of them was Rwanda, a few weeks before they began hacking themselves apart with their pangas).

Today, America is ripe for the same excess of violence we have seen in Bosnia and Rwanda. This is not a prediction, but a certainty! It is not a possibility, but a probability! brought about for the most
part by the refusal of White Christians to obey God's law.

Today, with vicious crimes escalating on our city streets, to where shopping malls are battlefields during daylight hours; in America that has the largest gulag population in the world, we are seeing Christ's prediction of Luke 21:28 come to pass, when He said that "Men's hearts would fail them for fear, and for looking after those things which were happening on the earth". That time is already here, and suicide, brought about principally through fear, has become one of our nation's largest killers.

Today, the dangers of a racial war that would make Korea look like a Sunday School picnic in comparison looms larger every day, as the minorities in America are being deliberately groomed by our enemies, for the move which they hope will sweep them into power. As early as 1902, the Jewish author Israel Cohen predicted: "We will use the Blacks as cannon fodder to bring us into power!" Today the sad news coming from every gulag in America, and I am in touch with over 160 of them, seems to be that there is a deliberate attempt by prison authorities to escalate problems between the 80% Black majority and the 20% White minority. From prison after prison the message is the same. Big racial trouble is in the offing.

I said in 1965, and I repeat now: "I get furious when I see our nation's leaders, taking us down the same path which will lead to the atrocities I saw in Korea". Only this time, it will be our people who suffer ... Unscrupulous leaders, down through history, have often used terror against their own people, in order to control them. Now we have reached the point where terrorism, either government or otherwise, is out of control and are willing to murder thousands of our people to get their way. But is this so strange after what we saw Jewish led Communism do in Russia and China, where they murdered over 140-million of their own people, millions of these who were Christians. The Holocaust of 6-million Jews who didn't exist at the time, pales in comparison with that which Jewish led communism has done. Why is it that we never hear entat this Holocaust, while the Jewish fairy tale is constantly crammed down our throats. (Now before some of you good Christians get upset with me. I believe Jews died in Germany, but no where near 6-million. For there were never more than 3.7-million in all the territory occupied by Nazi Germany, and hundreds of thousands of them escaped to the U.S. where they have been an "albatross" around our necks ever since.) Have you ever wondered why "professional holocaustists like Eilie Weisel, escaped from camp after camp in Germany, while all their relatives were gassed and cremated? Now we are confronted by the terror of the Oklahoma City bombing. I can assure you, that in spite of what the government investigators may tell you, the Murrah Building was not destroyed by an ammonia Nitrate fertilizer bomb. I was a trained demolition expert in WWII, and my first view of the destroyed building on TV, showed me that it was an inside bomb that caused the damage. Fertilizer was used in Oklahoma City, all right, but it was not on the Federal Building, but in the media and government handling of the case, where they were "knee deep" in the "smelly stuff".

When I carried my message of physical and spiritual warning to the church folks of America, I was often confronted by those such as one dear old sister who told me: "I believe what you said about the Communists, but I'm saved, you know, and we don't have to worry about the communists, since Jesus will come back and rapture us out of this mess before it gets all that bad!!" Talk about being wrapped up in a "sheet of self-righteousness", that old girl was wrapped up in a "shroud". There are millions more like her, who have been "sucked-in" by this Jew inspired theory, to where they have become foxhole dwellers, instead of "occupying", as the King told them to do. I wonder how many Russian Christians were fooled by this hoax, and then had to stand helplessly by, while their families were brutally slaughtered by Jewish led Communism? There was no rapture for them!

Yet here we have a vivid example of a professing Christian who believes that it is not necessary to become involved, because Jesus will handle the dirty work He gave them to do! How very sad and tragic!

Today, in America, in the face of unparalleled calamity and disaster, the Christian church for the
most part has retired into it's comfortable, air-conditioned, spiritual foxholes, while the battle rages outside for their survival. They hope and pray that Jesus will rescue them from the results of their Christian apathy. Yet a little serious study will show that no Rapture is taught in the scriptures, and that it is a Johnnycome-lately teaching that was unknown in the Christian church before 1850. Today, this Satanic doctrine is neutralizing millions of Christians, causing them to turn from being "front line soldiers" of the King, in to cowardly "foxhole dwellers", worthless in the fight for right. Often they actually hinder the forces of "right".

As many of you know, I was a member of the John Birch Society in the 1970's, and was on their American Opinion Speaker's Bureau. I resigned in the fall of 1979, after Robert Welch (deceased), head of the Society, and John McManus his "right hand yes man" refused to let me answer questions pertaining to Jews, Judaism, or Zionism. I felt, quite strongly, I may add, that if I could not speak the whole truth about such an important issue, my presence was needed elsewhere. I never had a quarrel with the Society, for I learned much from them.

In the spring of 1980, something happened which broke up the "hardened Baptist cement", which had accumulated around my mind for almost sixty years. I like to call it the "dynamite of God", for it literally blew my spiritual life apart, revealing truths I had never been exposed to before. It woke me to the accumulated falsehood which had been allowed in the church, and for the first time in my life, I could read the Word of God and see what it really said, rather than what my pastor, or some church scholar said it said!

For months prior to this incident, common sense made me question the "blind allegiance" that the Judeo-Christian church paid to the antichrists of Judaism. Even the name is a misnomer, since nothing can be Judeo and Christian at the same time. They are headed in different directions and serve different Gods and "never the twain shall meet!!"

Yet, when I questioned my pastor, or church leaders about the meaning of Christ's words to the Jewish Pharisees in John 10:26, where He said: "Ye believe not, because YE ARE NOT OF MY SHEEP".

This seemed mighty clear to me! Yet I was either told to "sit down and shut-up and don't rock the boat!" or in some cases was accused of standing on the edge of apostasy.

When I asked these scholars how the Jews could be God's Chosen when Christ accused them in Matt. 23:15 of turning their converts into "two-fold more a child of hell than themselves", they became angry and I was never given an answer. In fact, during the fifteen years I have been in the Kingdom Identity Movement, none of the Baptist preachers who have severely criticized me, have ever tried to show me where I was wrong. This ought to speak for itself!

My reasoning was: "How can a sincere Christian support an antichrist people, who have over, and over again openly declared their hatred of our Lord and have shown by both their words and actions, that their main goal in life is to destroy 'White Christian civilization'. This seemed to be on the verge of committing "spiritual suicide!"

When Jerry Falwell stated that God had blessed America because we had been good to the Jews, I could see the falsity of this statement. For the time of America's greatest debacle, in every area of our society, has come since we recognized that "little bastard state" in the Middle East in 1948. Perhaps our Judeo-Christian pastors need to look at a scripture found in 2 Chron. 19:2, which says "... Shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord". When you stand up for the Jews, you are doing just that, "loving them that hate the Lord". The teaching of King David, would fit in much better here, when he stated in Ps. 139:21, 22 - "Do not I hate them, 0 Lord that hate Thee? and am not I grieved with those that rise up against Thee? I hate them with a perfect hatred; I count them mine enemies".

In sixty years in the Judeo-Christian world, I never heard a pastor preach on those two verses. I wonder why?
Could it be possible, that God is punishing America, because we are giving "aid and comfort to His enemies?" That is what His Word says will happen if we do!

That same summer, I began an in-depth study as to why Judaism, was without fail, the strongest supporter of Communism, and why their leaders indicated a virulent hatred against Christ and His church, which had to be personally encountered in order to be understood! I wonder why every time I spoke about communism, the media labeled me as antisemitic, when I had not mentioned Jews, Judaism or Zionism.

I used as the source of my study, the Holy Bible, and went to Jewish sources to find out what they said about themselves. Even studying their forbidden holy book, the Babylonian Talmud. which modern Jewish leaders claim is the "heart blood of Judaism". It is a direct continuation of the "tradition of the Pharisees". who were Christ's bitterest opponents when He walked this earth.

As I studied, I began to understand the falsity of Jerry Falwell's statement made to Menachem Begin, the terrorist leader of Israel when he visited America a few years ago. Falwell told him" "The fundamental Christians of America will back you Jews in anything you seek to do. since we know you are God's Chosen People". This can be proven false, both from the scripture and from history.

Falwell then went on to proclaim that he was "proud to be a Christian Jew". (You can't be both! and reading Christ's statement about them in John 8:44, when He told them "ye are of your father the devil" I don't believe I'd want this.

Like most Christians at this time, I didn't know very much about Jews, except what I read in the media, or heard on TV. The few I had met while I was in the service didn't impress me as being connected with God in any way, and I found them to be a shiftly, tricky lot, who would cheat you at the "drop of a hat", and are probably the filthiest mouthed people in existence. Most of them were arrogant and boastful, whining about their problems when they were separate. and being obnoxious when they were in a group. I didn't know at that time, that they gloried in making Christians look bad, in any way possible, and that they called us "goyim" which is a Yiddish word meaning: "non-Jew animal!" The orthodox Jew literally spits and curses. when the name of Jesus is mentioned in his presence.

I soon found, from study of Jewish authors, that Jewish Zionism. the political arm of Judaism, is the worst enemy of the Christian church. Their leaders openly brag about how it was their brains and money that made the Russian Revolution a success, and how what they did in Russia, through Jewish brains and money, they would accomplish in America.

While we are continually mentally harassed with media hype about the Jewish Holocaust, which was supposed to have taken place in Germany during WWII, hardly a word is ever spoken of a much greater holocaust, where over 140-million people were murdered by Jewish controlled Communism - millions of these were Christians. Yet I never heard a Judeo-Christian pastor mention this, while he cried crocodile tears, from his pulpit over the Jews who had been murdered in Germany.

Are our pastors today so naive, or uniformed, that they believe the Jews of today can be traced back to Abraham? Even Jewish writers refute this falsehood. By their own admission in John 8:33, the Jewish leaders admitted they were not Israelites, they told Jesus: "We be Abraham's children, but were never in bondage to any man". This indicated that they were related to Abraham through Esau Edom, not Jacob, who became Israel.

That these Edomites are hated by God can be seen in Mal. 1:2-4, where we read: "... Was not Esau Jacob's brother? saith the Lord; yet I loved Jacob, and I hated Esau and laid his heritage waste for the dragons of the wilderness. Whereas Edom saith, we are impoverished, but we will return and build the desolate places (what they are doing in Palestine today): thus saith the Lord of hosts, they (the Jews) shall build, and I will throw down: and they (Israel) shall call them, the border of
wickedness, and the people against whom the Lord hath indignation forever." Do you want to argue with me, or with God?

The renowned Jewish author and statesman, Alfred Lilienthal, in his book WHAT PRICE ISRAEL? on page 215 said: "The Jews have intermingled most. Until the middle of the Fifth Century B.C. intermarriage was a normal phenomenon in Jewish life, and the ensuing proselyting over the globe, brought many different peoples into Judaism of all races". He went on to say: "Here is a paradox, a most ingenious paradox. In anthropological fact, many Christians have more Hebrew-Israelite blood in their veins, than their Jewish neighbors".

I took these facts about Jews and Judaism before my fundamental Baptist pastor. He and I had been close friends, and I had helped him out financially on several occasions, like covering funeral expenses when his youngest son was killed in a car accident. I asked him to sit down with me, and let me show him what I had found out during my summer of research. But when he found that it was critical of Jews, he began to scream: "You can't show me anything about the Jews in the Bible or anywhere else, I already know what the Bible says about them". Needless to say, we parted company, and he immediately began a campaign of falsehood against me so that within two weeks, not a Baptist minister in the state of Mississippi, would "give me the time of day". Many of these were men I had held Revivals for, and considered my friends.

One of the most prominent men in Moral Majority told me: "I can't understand why, after all the support I have given them, the Jews are my worst opponents in this city." This poor, intellectually lazy minister, couldn't understand what Jesus meant when He said: "As they (the Jews) have persecuted me, so will they persecute you". When I asked him why he didn't tell his people the truth about the Jew's, he acknowledged that he owed $1.5-million on his church property. He said: "The Jewish bankers hold the bonds. and if I said anything derogatory about them, they would foreclose on me and I'd lose the church buildings". "For fear of the Jews?" This fear goes back as far as 510 B.C. where in Esther 8:17, we are told that "many people of the land became Jews. for fear of the Jews".

After completing my study in the fall of 1980, I sent a letter to 200 fundamental leaders showing them what I had found. Within a month, fourteen week long revivals I had scheduled for 1981 were canceled. Not because I had changed my preaching, but because I would no longer accept these antichrists as God's Chosen.

Typical of the letters I received are the two following. One came from the Pensacola Christian College, Pensacola, Florida and said: "Recently I have received information concerning your position concerning the Jews. (It was the letter I had sent him). Unfortunately, this position is one we most definitely cannot support. Therefore we are going to have to ask you to cancel your fall meeting." SIGNED: A. A. Baker. Vice President.

Another came from Fairhaven Baptist College, Chesterton, Indiana: "I received your letter regarding the Jewish Question. I am going to have to ask you to cancel your meetings scheduled for November 15-20. Although I realize that you would do nothing to embarrass the church or school, if you believe as strongly as it came over in your letter, you are going to preach what you believe to be the truth regardless". SIGNED: BILL BEHRENS, Vice President. (I had held several successful revivals in this church).

Notice the similarity between these two letters, written by God-fearing pastors. Nothing is said regarding the truth of my findings. Their refusal to have me speak in their church is based wholly on whether I accept the antichrists of Judaism as God's Chosen. They completely reject Christ's appraisal of this ungodly group, when He clearly told their leaders (John 10:26) - "But ye believe not,' because ye are NOT OF MY SHEEP," (emphasis mine!) How can this be any clearer? Yet in spite of what the Lord has said, they continue to believe the Jewish lie!

Because of my unbending stand, people who were once my friends, now attack me and call me "apostate". This is to be expected of one who follows the King without question. In Micah 7:6. we
are told that a "man's enemies will be those of his own household", while in Matt. 10:21,22 the Master prophesied that "brother would deliver his brother to death, and a child their parents. and ye shall be hated of ALL men for my name's sake". We have seen this happen in communist countries, and today, in our modern public education system, children are being taught to spy on their own parents.

I believe it would be honest to ask: "How many of you who read this message, have ever bothered to see what God's Word says about the Jews? How many of you have studied the verdict of history? Or does your knowledge, come as mine did for many years, from the Jew controlled media and what my pastor told me? (He had been "brainwashed" to accept Jewish propaganda).

I have found through much association with them, that White Christian Americans in particular are a lazy people. It is much easier to go to your pastor, when you find a Bible passage that is difficult to understand, and ask him what it means. than it is to sit down with a good concordance and see what the Word really says. Few people realize that in the majority of cases he tells them what he was told in the semi-nary, which does not always mean what God's Word says. This is why it is so vitally necessary for Christians to STUDY the Word, and find out for themselves, and then check out the words of any person they hear. I urge people to do this with my messages!

Can you explain to me, why a religion such as Judaism, which is so violently anti-Christ, could be the source of the Christian religion, as many of us have been told? Of course you can't! Can you explain why the Apostle Paul warns Christians against Jewish trickery in Titus 1:10. II. Here he calls them "vain talkers and deceivers, specially they of the circumcision (Jews) . . . who subvert (trick: brainwash) whole houses. teaching things they ought not, for filthy lucre's (moneys) sake". In verse 14, he warns Christians not to "give heed to Jewish fables, and commandments of men, that turn from the truth". Why does Paul warn us in I Thess. 2:15, about the Jews "who both killed the Lord Jesus, and their own prophets, and have persecuted us (Christians).' and they please not God. but are contrary to all men". How can these be God's Chosen, regardless of what Jack Van Impe says to the contrary. Christians can only believe that "good can come from such an evil source", as they have been seduced into believing a lie.

The Apostle John gives us a clear definition of an anti-Christ in I John 2:22, 23 when he says that "Whosoever denieth the Son, the same hath not the Father . . . he is anti-Christ". There are 110 people anywhere in the world. who are so vehement in their denial of Jesus Christ. as the Jews. There-for they must be anti-Christ's! Then in 2 John 10, II, John tells us how Christians MUST react towards these anti-Christs. He says very clearly, so there is no chance of misunderstanding: "If any come unto you, and bring not this doctrine, (that Jesus is the Son of God), receive him not into your house. neither bid him God speed (give him no "aid or comfort" in any way): For he that biddeth him God speed, is partaker in his evil deeds". Did you hear that! If you help a Jew in any way, you become partaker in the evil he does, or condones by his silence!

How many of you Christians who support the Jews, will be willing to stand before God and answer for the 2-million unborn babies who are murdered every year, in mostly Jew run, Jew owned abortion clinics? How many of you will be willing to answer for the millions of our youth, who have gone to hell because of pornography, abortion, rock music. dope, alcohol, all promoted mainly from Jewish sources? You may not like to think about this, but the Bible says you will be held accountable. if you support them in any way!

Ask yourself. Who is it that blasphemes God on the TV shows and in the media? Who was it that promoted the exhibit of the image of Christ in a bottle of urine? Who has spread lies about Christians who love their God, their people. and their country, and who are willing to place their life on the line because of it? You will find that most of this persecution comes from Jewish sources, such as the prolific Morris Dees, from Atlanta. GA, who has made millions turning Christians in to the government, for what he calls "hate crimes".

Check for yourself and see who owns the media, the TV networks, the Hollywood studios who
blaspheme God and harass His people. Almost 100% of these are Jews.

A number of years ago, the left wing "guru" of the media, Walter Cronkite, was asked on a TV talk show, what he thought of "truth in media reporting". In his overbearing, superior manner he replied: "My task is not to tell the truth. I am an opinion molder!

Use your head and think for yourself for a change, without letting your pastor do it for you! You might come up with some information that could save your life! I'm not saying that all pastors have been "brainwashed", because this is not true. And even some who back the enemy, know they are doing wrong, but because of economic and peer pressures, they refuse to tell the truth. God will hold them accountable for that! But something is definitely wrong with the preaching in America, For in Jer. 23:22, we are told that if the "pastors will preach the whole counsel of God, the people will turn from their wicked ways". This hasn't happened in America, and is a blot on our preaching!

Taking a stand for God and righteousness will always make you enemies, "right" and "left". In the KINGDOM COURIER of Sept. 1988, you can read this statement about me, written by a so-called Identity preacher. It said: "They (Identity) claim the Jews are the children of the devil (John 8:44, where Christ said to the Jewish leaders: "Ye are of your father the devil"), but they do not have the intellectual capacity to discern who Saul of Tarsus (the Apostle Paul) is, Then there are the likes of JACK MOHR, the Baptist reject, who authored THE HITLER CULT. In my understanding, this 'phony' genera is an 'establishment glich' (wonder how he came up with this Yiddish term) designed to derail the Identity Movement (you who have known me for fifteen years, can laugh over this one)! Beware! We have a wolf in sheep's clothing in our midst!" SIGNED: Dr. H. Garber of the CHURCH OF CHRIST IN ISRAEL. (It appears that this diatribe was the result of my publishing a pamphlet THE HITLER CULT, where I had chided those in Identity, who had been sucked in by "Neo-Nazi deification of Hitler". One of them even calling Hun "greater than the Holy Ghost". I received a number of "hate letters" over this, plus one threat that they were sending a "elimination squad" to Mississippi to "wipe me out as a race traitor". Like John Wayne. I can say: "Not hardly!"

Here is another I received in April 1986: "I have your little flyer, THE HITLER CULT. You must be getting your information from either the ADL or the JDL.

"Let's look at JACK (me) and see. 25 years in the service of ZOG (he says so in his book). (Is every serviceman a flunkey of the Jews, just because our government sent us into several wars fought exclusively for the benefit of the International Jews? Now I find, from this diatribe, that I was serving a Zionist Occupation Government." [Sad but true!] But I didn't know it at the time. and neither did a great majority of the men who fought and (lied, believing they were serving the American people). Who's horn will he be blowing! It's not hard to figure out!" (I'd be willing to bet that this character never served in the Armed Forces for any reason; very probably cowardice! and he is blaspheming every man who died for our country since 1918). SIGNED: GLEN NOWLIN.

In 1988, after I had spoken at the ARYAN NATIONS CONFERENCE at Hayden Lake, Idaho, disregarding the warning of a number of people in Identity, that this would place me with the "extremists", I went, because some in the AN said: "Brother Mohr, we need your Christian emphasis in our meeting!" Like Paul, and his vision of the man from Macedonia, I went. The Theme of my message was that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY! I received this "gem" from a DON ZINN of the Elijah Foundation; "I understand that you gave a brilliant speech at the Conference, So you still have credibility as a champion of our cause, on the one hand, while those who invited you to speak offer the poison from the other side of your character, for a nominal fee of course. (I did not even receive traveling expenses - JM).

"This makes as much sense as paying heed to the ADL's Black List of it's most hated enemies, which is put forth to enhance the credibility of it's agents". (I had been on that list the previous year).

As if to back up such types as ZINN, the ADL in their SPECIAL CIVIL RIGHTS EDITION, OCT.1990, under the title: GORDON "JACK" MOHR, OFFICER AND "HATE MONGER" said:
"For many years Mohr has been a strident promoter of antisemitism, antiZionism and White Supremacy. (Those who know me and have read my books know this is a lie!) At Hayden Lake, Idaho, in July 1988, he said: 'There's a false Israel in the world today ... those who say they are Jews, and are not, but are of the synagogue of Satan'. (The ADL is careful not to tell you that this saying is not original with me, but are the words of our risen Christ, as He spoke to the Apostle John on the Isle of Patmos in Rev. 2:9; 3:9).

They quote me in Feb.1988 as having said: "Do you suppose God had a reason for banning inter-racial marriage?" But did not bother to show how I had proved this from the Bible and history!

Then they quote me truthfully as saying that in my Quarterly Newsletter, THE CHRISTIAN PATRIOT CRUSADER of Sept.1989, (now published by Pastor James Bruggeman under the title KINGDOM JOURNAL) I said: "there are probably no other people in the world today who could be so successful in pulling off a gigantic hoax such as the Holocaust. They have milked the Christian world. for hundreds of billions of dollars over the years". (I have never denied that Jews died in Nazi Concentration Camps, but that the figure of six-million deaths is grossly exaggerated as Jewish census figures for those years, show there were never more than 3.7-million Jews in all the territory occupied by the Nazis, and hundreds of thousands of them escaped, mostly to the United States, where they have for the most part been an "albatross around the necks of the American people")

In the June 1989 issue of the CRUSADER, they accuse me of taking the "Conspiracy Theory to hysterical heights", by stating: "...Socialism, is Jewish! National Socialism is Jewish! Communism is Jewish! It is all part and parcel of the Zionist plot to control the world, which is clearly taught in their Talmud".

If this statement is not true, then why do Jewish authorities openly admit that their goal is "world wide domination, and the destruction of White Christian civilization?"

It should be obvious to any thinking Christian, that whenever an antichrist issue rears it's ugly head, whether it is on "prayer and Bible reading in the schools; immoral textbooks in sex-education; is enhanced by handing out condoms in the school. They have not done away with the Christian Holidays of Christmas and Easter, since these put too much money in their pockets, but they have cleverly substituted Santa Claus and his elves, and the Easter bunny that lays colored eggs, for the Babe of Bethlehem, and the risen Savior of the Resurrection. Clearly, their actions are of "their father the devil".

In the summer of 1984. after I had spoken at the ARYAN NATIONS CONGRESS, I was scheduled for a three week lecture tour in British Columbia under the sponsorship of the CANADIAN LEAGUE OF RIGHTS! It began rather auspiciously, when the Canadian Border Patrol confiscated a Ford van load of books and tapes. valued at over $5,000. under a Jewish accusation coming from Ontario, that these were "hate literature". (I never received any of these back).

From the beginning of my tour in British Columbia, I was harassed at every meeting by combinations of the Jewish Congress, the Communist League, and the United Church of Canada. They made life miserable for us at every stop and on several instances brow beat motels into canceling our reservations at the last minute. In Vancouver, we were met by a mob of mostly non Canadians, led by the number one Communist in Canada, who exhorted them over a bull horn. It was only good police action that kept them from halting the meeting.

Maurice Silberberg, executive director of the Canadian Jewish Congress was allowed into the meeting. He was quoted in the VANCOUVER SUN. Tuesday, Aug. 7, 1984, as saying: "Mohr is a specialist in twisting antisemitism into a patriotic duty. He did it, and he did it well, and he did it with the blessings of the CANADIAN LEAGUE OF RIGHTS. (Of course he did not explain to SUN readers, that 90% of those who call themselves Jews are not Semites at all, but come from a Turco-Mongolian background and never set foot in ancient Palestine. These are the Ashkenazi Jews).
They quoted from one of my pamphlets, THE BRAINWASHING OF CHRISTENDOM, which was the speech I delivered at the INTERNATIONAL LEAGUE OF RIGHTS CONFERENCE in Calgary in October 1983: "White Christian nations, those known as Christendom, especially the English speaking nations, are under a vicious mental attack which threatens White Christian civilization and the White race. These are the only people in the world, who have openly accepted the teachings of Jesus Christ".

Silberberg, like the "neo-Nazi" Dr. Garber, called me a "wolf in sheep's clothing", because of the way I preached what he called "racism", in the guise of Christianity. Nothing was said in the Sun, of course, about Silberberg's open hatred of Christ and Christians.

It is not as though Christian America had not been warned, for as early as 1789, our elder statesman Benjamin Franklin, in a stirring speech delivered before the Continental Congress in Philadelphia, said, that if we allowed Jews to enter this country, within 200 years they would be controlling us. His prediction has come true, and today America can rightly be called a ZIONIST OCCUPIED COUNTRY (ZOG).

Most Judeo-Christians believe that Jews follow the Old Testament teachings of Moses. But Jesus exploded this argument, in John 5:46 when He said: "If ye had believed Moses, ye would have believed Me; for he wrote of Me".

Listen to this quotation from the lips of the prestigious Rabbi Emil l-Hirsch: "They tell you Moses never lived! I acquiesce! (agree). If they tell me that the stories that came from Egypt are mythology, I will not protest, for it is mythology!"

Yet in spite of declarations by Jewish leaders, and the testimony of Christ Himself, who quite clearly in John 1 0:26, said: "Ye (Jews) believe not, BECAUSE ye are NOT OF MY SHEEP (emphasis added)," the pastors in Judeo-Christianity, have been so "sloshed around in Jewish mind-detergent", (a mixture made up of an "ounce of fact, dissolved in a gallon of hogwash"), that they believe the Jews follow the Old Testament. Yet Jewish leaders are quick to point out, that their holy book is not the Books of Moses, but the ungodly Babylonian Talmud, which Jesus called the "tradition of the elders". In Matt. 15:9. He said "In vain do ye (Jews) worship Me (God), teachings for doctrines the commandments of men". (The same thing is true in many Judeo-Christian churches, where "traditions and church doctrine" take precedence over the Word of God).

Dr. Joseph Kastein, an eminent Jewish religious authority, says regarding Jewish history (they should really read Israelite history, since no people called Jews were ever in Egyptian captivity), "The Egyptian captivity, the slaying of the firstborn, the exodus from Egypt, and the conquest of Canaan, (all carried out by Israelites, not Jews), are all myths. He goes on to say that this ancient history was invented by Hebrew priests, and the messages of vengeance against the "goy". (Yiddish for non-Jew animals), were for the purpose of effecting their dealings with the Gentiles forever".

The Encyclopaedia Britannica says that Judaism developed after the Israelites merged with mankind. The first time we find Jews mentioned in the Bible, is in 2 Kings 16:6, where they are fighting against Israel. (This is some 1200 years after the time of Abraham, who the Judeo-Christian pastors say was a Jew. This is known as "intellectual dishonesty, for they know better!)

It is interesting to note that the ancient Israelite prophets, like Jesus who came after them were constantly concerned with the injustice and cruelty that had developed in Judaism. The worst enemies of our Lord, when He walked this earth, were not the heathen Romans, but the Jewish religious leaders called Pharisees. His most scathing denunciations were made against them. No wonder they hated and killed Him, when they could not refute His truth!

An enlightening look into Judaism can be found in the book JEWS MUST LIVE! written by Jewish author Samuel Roth in 1934. Here is what he says about his own people: "Our major vice of old, as of today, is parasitism. We are a people of vultures, living off the labor and good nature of the rest of the world. But despite all our faults, we would never have done so much damage in the world, if
it had not been for the genius of our evil leadership ... The shame of Jewry comes not from its being
the 'bankers' and 'old clothes men' of the world. It comes rather from the stupendous hypocrisy, and
cruelty imposed by us through our fatal leadership.

"Read for yourselves the progress of Jewry throughout Europe and America. Wherever Jews come,
they are welcomed and join in the general business of the community. But one by one, the
businesses close to them because of their unfair practices . . . until it is impossible to longer hold in
check the wrath of a betrayed people. There is violence and invariably an ignominious rejection of
the whole race from the land. There is not a single instance when Jews have not fully deserved the
bitter fruits of their persecutors.

"Our disease is a sort of moral gonorrhea known as Judaism, and it seems incurable. The results . . .
are invariably treacherous and unhealthy.

"If you are in doubt, take a look at any Jew ridden country in Europe. Then, if you need further
convincing, take a look at what is happening in America. (Remember, this book was written fifty
years ago).

"It is my belief that nothing the Jew does in America is essential for it's welfare! On the contrary, a
great deal of what the American Jew does is subversive of America's best interests". (unq.)

Contrast these truthful confessions of a Jew, with the moral and spiritual "pablum" dispensed by
such men as Baptist Evangelist Jack Van Impe. who claims all the Jewish persecution comes
because Satan hates them as God's Chosen! Somehow, in the face of known facts, I would rather
believe this Jew, than a fellow Christian who refuses to accept the truth.

Before this country comes to an ignominious end, even the pro-Jewish, Judeo-Christian leaders will
be forced to admit that Roth was right in his evaluation of the Jewish people, and that they are
indeed, the worst enemies of Christ and His church. The sad thing is, it will be too late then, for the
antichrists will be in charge, and those the Judeo-Christians attempted to help, will be the ones who
destroy them. Christians cannot support both Christ and the antichrist, and the time is close at hand,
when they will be forced to make a decision!

We have been sold the idea in America, once again through Jewish sources, that a good education is
more important than anything else. Yet an "educated people", are not always an "enlightened
people". There is a great difference between "knowledge" and "education". The Israelite prophet
Hosea knew this when he wrote many centuries ago: "My people are destroyed from lack of
KNOWLEDGE". Not "education", but "lack of KNOWLEDGE!"

Today, with the major sources of knowledge in Jewish hands, and under their control, the statement
of the old hillbilly farmer takes on new meaning when he said: "It ain't so much from not knowin',
that causes the trouble, as it is from knowin' so much that ain't so!" This is why it is vitally
important that Christians, young people in particular, need to follow the teachings of God's Word,
rather than the "spiritual pablum" being fed them by their church leaders.

What will change this condition of "fear" and "chaos" which today is sapping the strength of
Christian Americans, to where they have become "savorless salt." (Salt that has lost it's ability to
hold back corruption, is worthless, and good only for the "garbage heap").

What is needed to bring to the front White Christian leaders of moral and spiritual strength and
righteousness. who will lead millions of our people back in OBEDIENCE to our God and to victory
over the forces of evil which now control us?

It will come, my Christian friend, when Christian leaders have the "intestinal fortitude", (we used to
call it "guts", to "preach the whole counsel of God's Word", not just that part which makes their
people feel good and puts money in the collection plate!

If fingers are to be pointed, and names named, and they need to be. then America's sp ritual leaders
must be indicted first, for if our people had been given the "truth", for the past fifty years, we would
not be under Jewish domination today. If our people were made to understand the truth. that they were to be the "light bearers". to a lost world, the thing which made us a great country in the first place. If we had been taught God's truth about our people, not the heathen aliens we call Jews, then the truth of 1 Peter 1:9 would have been made known to our White Israelite people: "For ye are a chosen generation (bloodline), a royal priesthood, an holy nation. (Notice a "nation" not a "church", as we have been taught), a peculiar (set aside for a special purpose) people..." This is our calling!

It is not to be RACIAL SUPREMESTS! It is not to rule over the rest of mankind with a "rod of iron", as some in Identity teach! The last of this marvelous verse shows the reason we exist: "that ye (true Israel) should show forth the praises of Him who hath called you out of darkness, into His marvelous light!"

What was this "darkness?" Not the darkness of "sin" alone. but the darkness imposed on our people, when they were divorced by God for their unfaithfulness. In Hosea 1:10, we read about this: "Yet the number of the children of Israel shall be as the sand of the sea, that cannot be measured, or numbered: (the Jewish people have never numbered over 22-million at any one time. The Anglo-Saxon and related peoples, number over 800-million) and it shall come to pass in the place where it is said unto them. Ye are not my people, (the Jews, and Judeo-Christians call us Gentiles) there it shall be said unto them, Ye are the sons of the living God (Christians)."

This is our Israel heritage; our blood line to Abraham, the "friend of God"; the heritage that the "fake Jews", of the "synagogue of Satan", (Rev. 2:9; 3:9) would wrest from us if we let them.

With the help of so-called Christian TRAITORS in our ranks, who are seeking to aid the enemy, while posing as ministers of the King, the enemy is solidly entrenched in America, and MUST be routed out, if we are to return to stability! When we rise up in the strength that will come when we are true to our heritage, and am willing to OBEY the King, then once again, we will be victorious!

We MUST remember, that the JEW and ALIEN who have been "thorns in our side" are not the CAUSE of our problems, they are the EFFECT of our disobedience to God. (Study Deut. 28 and find out for yourself). If you are a complacent Christian, who is content to sit in your comfortable, air-conditioned spiritual foxhole while the battle for righteousness rages outside, you need to look in the mirror, for you will be looking at the problem!

We are told in Isaiah 54:4. that if we accept our responsibility and OBEY God, rather than "doing our own thing", then: "In righteousness shalt thou be established: and thou shalt be far from oppression, for thou shalt not fear: and from terror, for it shall not come nigh thee!"

As I enter my sixteenth year in the Kingdom Movement, I am approaching eighty (1/1/96). This old chassis has had many hard miles on it, and has developed many "squeaks and rattles", until at times I have thought it was ready for the "junk heap". But for some reason unknown to me, it appears that the King has called me back into "active duty", after sitting on the sidelines for almost two years. I'm "back in the saddle again!" and praising God for it every day!

Will you join me in this crusade to bring truth to our people? We have a FORMULA FOR SURVIVAL which will work! We KNOW it will, for God has said so! In 2 Chronicles 7:14, we read this promise: "If My people, which are called by My name (Christian), will HUMBLE themselves, and PRAY and SEEK MY face, and TURN from their wicked ways; then will I HEAR from heaven, and will FORGIVE their sin, and will HEAL their land". But we MUST remember, before our prayers can be heard, we MUST be in a right relationship with God. In Isa. 59:1, we are told that God has not changed over the years. He has not lost His power, or His sense of hearing. But verse 2 is very significant, and many so-called Christians do not understand it. It says: "But your INIQUITIES have separated between you and your God; and your SINS have hid His face from you, that He WILL NOT HEAR!" Remember, Christian, before God will even listen to your prayers, you MUST be in a proper relationship with Him, which means confession of our shortcomings. We cannot expect Him to listen to us, if there are unforgiven sins in our life, or if we are DISOBEDIENT! Our FORMULA FOR SURVIVAL will work. when White Christians in
particular, (and I use this term because we are in the majority and this is our Israel land) once more turn to our God in OBEDIENCE and REPENTANCE! Then, and only then will He HEAL OUR LAND!

May YAHWEH God, the God of our Israel fathers, Abraham, Isaac, and Jacob give you courage and strength. so that we His people may survive to carry out His plans!

The End
Firearms and Freedom!

(Gun Control Means People Control!)

"Then He (Jesus) said unto them (His disciples):"... he that hath no sword, let him sell his garment and buy one". Luke 22:36

My first lecture in the fight to protect our 2nd Amendment rights to "keep and bear arms", was made on September 25, 1973, in Martin, Tennessee. That was over 23 years ago. I don't remember much about that meeting, but it was the first one in a series of 260 lectures on this subject, which took me into 45 states, Canada and Mexico.

This message is an up-date on that first lecture. As we approach the year 2000, the "turning point" of the 21st Century, it is of more vital importance than ever before, since that is the year that the New World Order adherents say they will enslave all man kind on their Jewish controlled Global Plantation. In the Babylonian Talmud, the religious guide of world Jewry it clearly states: "When our Messiah (the Jewish State rules supreme) every Jew will have 2,000 goyim (a Yiddish word of contempt meaning: "non-Jew animal, you and I) slaves". This slave state can only take over control of mankind, if our American people, especially White Christians, can be "brainwashed" into accepting government control of our firearms, beginning with registration and culminating in confiscation.

All "stops have been pulled" by the enemy in an all out move, controlled by Zionist interests in Washington, D.C. to bring us under this control. This Jewish control in our Nation's Capitol has become so strong, that according to International Zionist sources, America is now run by Jewish interests, no matter whether Democrats or Republicans are at the wheel. They have been in the "driver's seat", since 1913, when a TRAITOR President and Congress, sold our economy into the hands of the International Banking clique now known as the Federal Reserve Board.

Today International Jewry controls not only our economy, but the media, the entertainment world, the law practice, the medical profession, education, sports, and a large share of the Christian world, who teach their "spell bound listeners;' that these "despoilers of mankind" are God's Chosen People, whom we must honor and support, even as they destroy us!

But in spite of these tremendous odds, which have grown to the point where a high ranking Israeli official could openly and contemptuously say: "We have the best Congress that money can buy". In spite of the fact that our President has appointed over sixty anti-Christ Jews to high government positions, they cannot be successful until good Americans are first disarmed. This is why we see them expending millions of dollars, na billions, to convince our people that Gun Control is for our protection and safety.

Our Founding Fathers were not only politicians; first and more important, they were statesmen. (We have not had one worthy of this title in America, since Gen. Douglas MacArthur was smashed by the liberals, because he believed 'there is no substitute for victory", and sought to win the War in Korea, over the objections of the politicians who were even then playing the New World Order game).

These men established this country as a Republic, not the Democracy which has been crammed down our throats for the last fifty years. Today the term we hear used universally is "America is a democracy!" Yet any honest study of history will show that Democracies, are one of the worst forms of government ever developed by mankind, and have never lasted. They always degenerate into dictatorships. The government we have today, is closely akin to Jewish inspired Communist-
Socialism!

Today, the men who have been voted into office since 1913, have turned this mighty Constitutional Republic, from a giant among the nations, to a Democrat weakling, then a Welfare State, until today we are tottering on the dangerous edge of totalitarianism, which will be worse than anything we can imagine!

I am honored to be able to present you with these truths. The interest of many of you in our 2nd Amendment rights, in the face of tremendous odds, reminds me of a story I heard one time about a Texan who was visiting the Niagara Falls in Canada. As he watched this majestic natural display of power, a Canadian said to him: "I bet you don't have anything like this in Texas?" To which he replied: "Sure don't, but we got a plumber in Houston who could stop that leak".

So let's take some time and look at the "leak process" in America, which has become a destructive torrent. Today we need "patriotic plumbers", who will stop this leak!

Since I am not trying to win a popularity contest, nor am I running for office, I will be able to tell you the truth. Some of you undoubtedly won't like what I have to say, but it's the truth. I may have to say as the Apostle Paul did to the church at Galatia "Am I therefore to become your enemy, because I tell you the truth?" (Gal. 4:16)

Our situation in America reminds me of another Texas story. It seems that a cowboy was riding across the Panhandle during a blizzard, when he came across a huge rattlesnake that had been frozen in it's coils. For some strange reason he felt sorry for it, and dismounting he placed it inside his fleece lined coat and rode on. When the snake thawed out it bit him and as he died in agony, he said: "Mr. Snake, why did you do that when I was trying to help you?" And the snake replied: "You dumb cowboy, you knew I was a rattlesnake all along!" The moral of the story is that you can't play "patty cake" with a rattlesnake without getting bit!

Our Founding Fathers realized this, for as George Washington once said: "Government is like fire. It can be a good servant, but once out of control it becomes a frightful master". Another of the Founding Fathers said: "because of this we must bind down big government with the chains of the Constitution".

So they set about to establish a government where individual freedoms were given top priority, such as the world had never seen before. They were incorporated into a matchless document which we call the "Bill of Rights". It was added on to the original Constitution, when many of the Founders would not sign it until these freedoms were included. The "Bill of Rights" was designed to protect the American people from a government, which some time in the future, might turn away from being the servant of the people, and attempt to become their master.

It could more properly be called a "Bill of Limitations", for this is what it does to big government. The first nine of it's Amendments say to government: "Thou shalt not! Thou shalt not! Thou shalt not!" then the Tenth says in essence: "Government, if there is anything we forgot in the first nine, you can't do that either, unless we the people give you that right! And this nation truly became a nation, "of the people, by the people, and for the people."

To put teeth into this "Bill of Rights", and protect it and the people from government, the Second Amendment was inserted. This was not for the purpose of giving Americans the right to own guns for hunting, or target practice, but to protect them from a government which got "too big for it's britches!" By adhering to these principles, this country has remained free for over 200 years.

Unfortunately, in our search for a "better way of life", the "American Dream" some call it, many good, Christian Americans have forgotten the purpose of government which is to protect its citizens, not become their nursemaid.

At no place in the Constitution, or in any law of the land, does a city have the right to tell you that you can't build on your own property without a "city permit" or a "building license". In no place does the government have the right to say: "You can't drive on our public highways unless you
purchase a driver's license from us”. Yet government has usurped these rights and many more. There are certain God given rights which government may not tamper with, yet today, our politicians have thrown the "Bill of Rights" into the garbage can, as they make "rules and regulations" which are designed to control our people and turn them into slaves.

Few Americans realize that the alien plans for the Federal Reserve System which now illegally controls our economy, was hatched in Europe by the International Jewish banking family of the Rothschilds, our 150 years ago, when they made plans for the future control of our economy and the wealth which went with it. This is why there is no possibility of government "balancing the budget", as long as this monstrosity is in place. Our politicians know this, even those who shout the loudest about "balancing the budget!" This foreign element, made up exclusively of alien Jewish bankers, has literally robbed the American people of trillions of dollars in our national wealth, and today is the driving force behind the institution of the Global Plantation which will complete their plans for world slavery.

The great German statesman, Otto Von Bismarck realized this before the War Between the States began and said that an insidious process was in operation in Europe in banking circles (Jewish all of them) to keep America under control, by controlling her economy. "If she is ever allowed to print her own currency, we will never be able to subjugate her," they said.

Nowadays, you are apt to hear some 'jerk" say: "Our Constitution is out of date. It was written for the horse and buggy days, we need to revise it for 21st Century America!" They forget one essential "fact of life", and this is that "Truth is eternal. It never changes!" It does not change from one century to another, no matter whether men like it or not! The interpretations of Congress, or the Supreme Court cannot change the Constitution, for the basic truths are as "self-evident" now, as they were the day the "Bill of Rights" was signed. Today this nation is being destroyed by evil men in public office, who for their own nefarious reasons have discarded the truth of the Constitution.

America's elder statesman in 1776, Benjamin Franklin once said:

"He who values his safety more than he does freedom, deserve neither". Yet in recent years, Americans have been on a "safety binge", and as the result, the "chickens of our evil domestic and foreign policies" are "coming home to roost", and we don't much like what is being hatched.

In 1913, we allowed an alien, foreign power to seize control of our economy, when a traitorous President Woodrow Wilson, while his Jew advisor, Col. Edward Mandel House, and a treasonous Democratic Congress, railroaded the Federal Reserve Act into law, and our economy became subservient to alien interests.

Today our national debt is controlled by eight privately owned banks, who control the Federal Reserve. They are above the law and do not answer either to the President, Congress, or the American people. Here are the banks which control our economy:

1. Rothschild Bank of London and Berlin
2. Lazard Brothers Bank of Paris
3. Israel Moses Seif Bank of Italy
4. Warburg Bank of Hamburg and Amsterdam
5. Lehman Brothers Bank of New York
7. Chase Manhattan (Rockefeller's) Bank of New York, and
8. Goldman Sacs Bank of New York

These banks are all owned by International Jewish bankers. They control our economy and national debt. Our National Debt can never be paid, as long as these vultures control our economy. They are also the "driving force", behind the New World Slave Order.

So as Americans have searched for the "easy way - the good life", we have become a lazy, greedy,
backsliding people and nowhere is this more evident than in our churches. Most pastors love to talk about the "goodies" folks can get from God, and tell of all the blessings they will receive if you support their particular ministry, but we hear precious little about our responsibilities to God and our fellow men. We are beset with the Oral Roberts Syndrome: "Something good is going to happen to you today, IF you support my ministry!"

Because of this attitude, good people, Christian people, have been hiding in their comfortable, spiritual foxholes, waiting for Jesus to handle the dirty work He gave them to do, and the battle rages outside and the enemy gets ready to take over.

The Prophet Jeremiah explains this in (5:31) - "A wonderful and horrible thing is committed in the land; the prophets (preachers) prophesy (preach) falsely, and the priests (politicians) bear rule by their means, and my people love to have it so. What will ye do in the end thereof?"

How can you possibly protect a people who are willing to allow the enemy to run their lives? It's impossible! Yet it is being attempted in this country.

No group in America has been more negligent than those of us who call ourselves Christian. I can say this because I am one of this group! Instead of being front-line soldiers", in the battle which rages for our souls and our freedom, we have been cowering in our spiritual foxholes asking God to save us from the results of our own apathy. According to Isaiah 59:2, God does not even hear the prayers of many so-called Christians. He most certainly does not answer those who are in DISOBEDIENCE to Him!

Instead of a battle cry coming from the Christian church, we have heard the whining excuse: "You can't allow the church to have influence over the State". Or as one woman told me, when I was lecturing on Gun Control in Minneapolis a few years ago: "Colonel, I believe everything you said tonight, but I'm born again, you know, and I don't have to worry about things like that. Jesus will come back and rapture me away before it gets all that bad!" Talk about being wrapped in a sheet of self-righteousness, that old sister was wrapped in a shroud and didn't know it!

Christians for the most part in 1997, have become the "salt which has lost it's savor", it's ability to halt corruption, and Jesus said in Matt. 5:13, that when this happens they are good for nothing but the "garbage heap!"

If you want proof of this, answer the question, if you can, why with 50-million "born again" Christians in America, we are headed for hell faster today than at any time in our history? Something is obviously wrong! In Jeremiah 23:22, we are told that if the preachers of the land would preach the "whole counsel" of God's Word, the people would "turn from their evil way, and from the evil of their doing". This hasn't happened, which indicates to me that something is sadly lacking in the preaching coming from our churches, even those that are growing the fastest.

We have become like the woman I heard about who had been mugged and raped in Central Park New York. A man found her laying on the ground, bleeding from her wounds. He said: "Shall I call the police!" to which she replied: "No don't! I don't want to become involved!"

Our danger in America at this time is not from Communist Jews, or radical aliens, although they have certainly added to our problems. The major danger we face comes from White Christian people who have been elevated to positions of trust in our government, and have betrayed this trust! And to the good people who have allowed them to get by with their treason! The JEWS and ALIENS are not the CAUSE, they are the EFFECT of our DISOBEDIENCE to God. If you want scriptural confirmation for this, read Deuteronomy 28.

We all know that when a public official takes an oath of office, many times with their hand on the Holy Bible, they say they will "protect this country from all enemies, both without and within, and will bear true allegiance to our Constitution". Many of them are not doing this! Instead, they do what is "politically expedient, and which gets them the biggest reward".

A Jewish rabbi named Cohen, from the YESHIVA, the Jewish Seminary in New York City, recently
said: "We (Jews) now control America through the governmental powers that we have usurped. They are our slaves, but first we must make them fearful and anxious. They must become willing to give up their Constitutional Rights in exchange for promises of safety and security. We (Jews) are fighting against time. The patriots and some Christians are getting too close to the truth". We cannot allow this to happen. They will begin by voting our allies out of office." This is what has happened since World War II.

How far will you Christians go in defending these enemies of God and your Savior? Is it because you do not understand the depth of hatred they have for your Savior and for all of you who go by the name of Christian? Why are you willing to engage in national suicide?"

Cohen went on to explain how Jews, numbering less than 4% of the population could control the country. He said: "It is easy! We control the media, the newspapers and the magazines, the wire services, the TV and entertainment. We are free to make the 'goyim' of America, think what we want them to think! As they think, so will they do! How can they not believe, when a thousand identical fingers all point to the same accusation? We have already enslaved their minds, and they do not realize it. But I warn you, we MUST not allow them to learn the truth, for if they wake up, we are finished!"

Now I realize that those of you who read this, and come from a Judeo-Christian church will find these facts hard to accept, since you have had pounded down your throats, the falsehood that Jesus was a Jew and that the Jews are God's Chosen People. This in spite of the fact that your Savior definitely said otherwise. (See John 10:26), where He told their leaders': "But ye BELIEVE NOT, because ye are NOT OF MY SHEEP," (emphasis mine), or Matt. 23:15, where He accused them of turning their converts into "two-fold more a child of hell than yourselves". Hardly a criteria for God's Chosen!

Cohen continues: "Like the animals they are, the 'goyim' can be dangerous to us. Fortunately for us, we have ensconced in the White House, the greatest friend the Jews have ever had, President Clinton. He has been of great benefit to us and will be rewarded and he knows this!"

To prove this, notice how Clinton has appointed to high government positions over 60 anti-Christ Jews, although he professes to be a Christian.

You may ask: "Why have you brought the Jews into this discussion. I thought you were speaking on Gun Control?" The reason, as any thinking person should be able to see, is that Jewish influence in America, is foremost in every effort to destroy White Christian civilization. They openly boast of it! This MUST begin by DISARMING us. The idea that out there somewhere, are men and women who love God, their own people, their country and their family; that they are armed and willing to fight for these things, is something their narrow souls can't comprehend and it "scares hell out of them!" Don't argue with me about the Jews and what they have done to harm America, look at the names of those who have been found guilty of treason against America; those who back every evil thing which is destroying our moral foundations, and you will find a preponderance of Jewish names. I'm not responsible for the fact that they are Jews, I'm just telling you the truth about it! You can reject the truth, and take the consequences of becoming slaves. That's your right! But how will you explain it to your children sometime in the future, if you are still alive, and more important, what will you say when you stand before God?

Under the present corrupt political system, we see men who have proven by their actions to be TRAITORS against this country and it's people, as they have been voted into office term after term by blinded voters, as long as they bring financial "goodies" to their constituents. The cry is no longer "What is good for America!" It has become, 'What is good for me and mine!"

Many years ago, a noted historian said: "Treason doth prosper; what's the reason? For when treason prospers, none dare call it treason". Today TREASON is prospering in America and Christian people are allowing it to happen!
I can't think of a better example then that of Robert "Strange" McNamara, who was Secretary of Defense during the Vietnam War years. Recently he has written a book, which is making him millions, in which he openly admits that he knew we were wrong in going into Vietnam, but that for "political reasons", he remained silent. The media has praised him for having the courage to admit he was wrong, when in any decent society he would have been tried for TREASON, and executed as the TRAITOR he was!

Where are the cries of outrage from the loved one's of the more than 50,000 Americans who died in a war fought for political expediency? They have been quieted by the falsehoods published in the Jewish controlled media, and often from their own church.

The same thing that happened in Vietnam, has taken place in Panama, Desert Storm, Haiti, Somalia and now in Bosnia, and will very possibly take place in the Middle East soon, in a big war, as we defend the anti-Christ's of the Israeli, against those they have persecuted? When will our Christian people have the courage to say to our government: "This is enough! This is as far as we will allow you to go!" Instead the Judeo-Christian preachers will pontificate on Romans 13, and tell their people how Christians MUST obey their government, even when it is anti-Christian!

Today, as TREASON has become profitable in that "cesspool of iniquity on the Potomac" that we call our Nation's Capitol, many elected officials have opted for a giant socialist bureaucracy which controls our people from the "cradle to the grave", and which is leading them into One World slavery!

The purpose of this message is to analyze one very important part of this conspiracy, which is designed for ultimate control over all mankind. It is popularly referred to as GUN CONTROL! I am going to use this subject as the jumping off point, into an even more important subject, which might be titled "People Control!"

REMEMBER that GUN CONTROL, ALWAYS MEANS PEOPLE CONTROL!

There is no area in American politics, where more bureaucratic pressure has been exerted, than on Gun Control! Over a 100 years ago, the internationally famous lawyer, Frederic Bastiat said:

Each of us has the natural right from God, to defend his person, his liberty, and his property. These are the three basic requirements of life; the preservation of any of them, is completely dependent on the other two".

Civilized laws, during the 6,000 years of written history have been based on this premise. It was the idea our forefathers had in mind, when on a foggy day, June 15,1215, in a place called Runnymeade, England, they gathered, sword in hand and demanded these liberties from the despotic King John. This became known as the Magna Carta, and was the basis of our Constitution. It was with this same idea in mind, the framers of our Constitution wrote the 2nd Amendment, giving the PEOPLE the means to protect themselves against a despotic government. Notice it's specific wording: 'The right of the PEOPLE (not the National Guard, or the Militia, but the people) to KEEP and BEAR Arms, shall not be INFRINGED". (This means it may not be tampered with by government, at any level, for any reason). They wanted future generations to be sure of it's meaning, that this RIGHT belonged solely to the PEOPLE, and that it was given by God Himself! The 2nd Amendment was not given to protect our hunting rights, or our rights to belong to some Shooting Club, it was designed as a final protection against a government which turned from being the "servant" of the people and attempted to become it's "master" . . Thus, this is the principle reason we MUST retain this right!

We know the plans of the International Zionist gangsters are to control the world, for they have told us so plainly. This was the major purpose behind International Communism, which was the "brainchild of Zionism".

We know this, for Jewish sources, such as their leading newspapers have bragged about it. This was the force which has been responsible for the horrible deaths of over 100 million people, including
millions of Christians who are always the main object of their hatred.

Since they have not been able to finance a big war since World War II, which they feel will be necessary to control us, they have done it by insidiously inserting their agents within our government, our media, our education system and many of our Judeo-Christian churches. Our main danger today, is not from Moscow, or Beijing, but from Washington, D.C., New York City, and Jerusalem.

Rabbi Cohen stated: "Although we Jews make up less than 4% of the U.S. population, sixty percent of President Clinton's political appointees have been our people. We now control the Supreme Court, national judges, Ambassadorships, the F.B.I., the C.I.A., and the B.A.T.F. We now control America's governmental powers which we have usurped. Our first task is to make Americans fearful and anxious. They must be willing to give up their Constitutional rights in exchange for our promises of safety and security".

What we see happening in America is nothing new. It is a repeat of history as seen over the centuries.

A vile, wicked man is elected to the highest office in the land, by a Constitutional vote of a free people in a democratic country. This ungodly schemer, realizes that only a dramatic act of chaotic evil will catapult him towards dictatorial power. Therefore, this national leader orders the destruction of a Federal building, not caring about innocent lives which may be lost.

In a brilliant diabolical move, he blames the fiery carnage on his enemies, in this case Christian Patriots, and cleverly inflames the public against them via the media.

Then he orders law enforcement to become involved and hundreds, nay thousands of innocent men and women are swept up in the government net. Most of these will be Christians who have refused to bow their knee to his evil desires. He has his minions plant evidence to frame these people and then smugly announces over national TV that "I am doing this' to protect you," and the "brainwashed" simpletons, sitting before their TV "boob tube", proclaim him a hero, and re-elect him for another four years of chaos. Not realizing that this time it may end in slavery and death!

Actually he is fulfilling the prediction Jesus made in John 16:2, when He said: "They will put you out of the synagogues (meeting places); yea, the time cometh, when whosoever killeth you (true Christians), will think he doeth God service". So through use of the controlled media, the general public is inflamed against the Christian Patriots, who are really the only people who care about the future of America. The others have already proved they do not care by their apathy!

As acts of planned government terrorism escalate, people will agree to give up more and more freedoms, until one day they find themselves trapped in world slavery.

The national leader will explain to his people via TV and the media, that respect for his government MUST be the prime objective of the day and wide-spread legislation will be passed by a subservient Congress. Anyone who opposes the leader's plans will be classified as a "hate monger" and a danger to humanity. "We MUST purge the nation of this evil," will be his cry! His first act will be to take firearms out of the hands of the good citizens who just might oppose him. "Why do good citizens need firearms"? he will say. 'The government will protect them". (Sort of like having a fox guard the chicken coop.)

Then, once disarmed, the plans for enslaving the people can go forward, as his world masters have planned all along.

Unfortunately, the people who should be in the forefront of the fight to preserve freedom and our right to keep and bear arms", the Christian ministry, will be in the forefront of the effort to appease the anti-Christ in charge of government, and thus maintain their "tax free" status. They will trumpet the planned message that Christians MUST never use force, no matter what the provocation, even though the Apostle Paul tells us in I Timothy 5:8 "If any PROVIDE not for his own, and especially for those of his own house, he hath denied the faith, and is worse than an infidel". The English word
PROVIDE, comes from the Greek PRONEO, which literally means: "to look out for beforehand", which most certainly would include their protection. This is what this message is all about. Your Christian duty to protect your family, your nation, and your freedom!

I was made aware of the "pacifist" position of the National Council of Churches many years ago. (It has now infested most of the Judeo-Christian churches). I was debating a United Methodist minister on a Minneapolis Radio Station on the Gun Control issue when he said: 'The only reason you would want a gun is that you intend to kill someone'.

My answer was: "A statement like that doesn't deserve an answer, but I'm going to give you one anyway. I have a gun for the same reason I keep a fire extinguisher in my house, I don't expect the place to catch on fire, but it sure would be nice to have if it ever did!"

When I asked him what he would do, if someone broke into his home and threatened his wife and daughter with rape. He replied: "I wouldn't do anything if it meant using violence!" My reply was: "You are beneath the contempt of a decent man!" A man who has this attitude shouldn't be considered as a man, no matter how religious he may be! The Judeo-Christian crowd love to quote Christ when in His Sermon on the Mount, He said: "Love your enemies, bless them that curse you, do good to them that hate you, and pray for them that despitefully use you, and persecute you". Jesus spoke these words, yes He did! But I have found that most of them, including their pastors don't really mean them. When I broke away from the Judeo-Christian philosophy in 1980, and began to preach the truth about Judaism, (I didn't change my doctrinal teaching), they descended on me like a "hawk on a June bug," and torn me into bits, calling me names such as "apostate", "hate monger", "anti-Semite", and worse. Yet in the years which have passed, not one of these ministers who used to be my friends, has ever tried to show me where I was wrong. They avoid me as though I had the plague! So much for "love your enemies".

But these same preachers are not honest enough with their people to go further than this verse which deals with treatment of personal enemies, to show you what the Word says about the enemies of God.

If these ministers were honest, they would study the meaning of the word ENEMY, and find that it has two meanings. There is an enemy in the "national or racial" sense. The Jews are such an enemy to White Christianity in particular, by their own open admission. The Christian soldier has the obligation to defend himself, his loved one's and his country against such an enemy. Then there is the enemy of God, which the Bible speaks about in 2 Chronicles 12:10 "... shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon thee from before the Lord". (This is what you do when you support Judaism in any way!) Then there are David's words in Ps. 139:21, 22 - "Do not I hate them, O Lord, that hate Thee? and am not I grieved with them that rise up against Thee, I hate them with a perfect hatred; I count them as my enemies". This is the kind of HATRED, all true Christians should have. Yet in over sixty years in a Judeo-Christian church, I can never remember hearing either of these two passages read, to say anything about having sermons preached on them.

Then there is the personal enemy that Paul speaks about in Romans 12:10, when he said: "If thine enemy hungers, feed him, and if he thirsts, give him drink!" From the context of this verse, we know he is speaking about the Christian or racial brother who may be at odds with us. He goes on to say that we should be willing to suffer loss, rather than to take a Christian brother into court, and thus bring disgrace to His Kingdom Movement.

Nowhere, in either Old or New Testament, are God's followers told to "turn the other cheek" to evil men who seek to harm them, their family, or their country. This is what the "gun banners" want you to do! Over and over in the Old Testament, we have examples of men who used violence to save their own people. (Read about it in Genesis 14).

Looking back on the more than half a century I spent in the Judeo-Christian church, I can never remember a sermon preached on Luke 22:35, 36. This incident took place during what we now call
the Last Supper. Jesus was discussing His departure, and His return to set up His Kingdom. He reminded them how He had sent them out to preach the Kingdom message and how they had gone unprepared, yet they lacked nothing. Then He makes this significant statement: "BUT NOW," (this indicates a change has been made), "but now, he that hath no sword (weapon of defense), let him sell his garment and buy one". What did He mean? This was as much an order as when He said: "Go into all the world and preach the Gospel!" He was telling them that they were going into a hostile world, which would attempt to destroy them, so "be prepared, buy a sword"! There is no indication that He ever changed this order, so I tell you Christians today, His word is still "Be armed and prepared to defend your Christian heritage", against evil men.

It should be pointed out at this place, that our "freedoms were not bought and paid for at Valley Forge". That was only the "down payment" on the account. In order to remain free, we MUST make payments on our freedom in every generation.

You see these rights, were given to us as a precious heritage, purchased with blood, suffering, and tears.

It may have been those women who stood behind the muzzles of the Revolutionary War cannon, and serviced them, when their men were shot down. It may have been your great-grandfather or grandmother, who trudged beside a Conestoga wagon across the prairies with a Bible under one arm, and a rifle under the other.

These rights were purchased at the Battle of the Marne in World War I; our men fought for them at Bastogne, during World War II; at the Chosen Reservoir in Korea in 1951 and during the Tet offensive in Vietnam. (We did not fight for them in Desert Storm, or now in Bosnia).

Today, if you want to see the direction our government officials are taking, get a copy of State Department Book Publication 7277, titled: FREEDOM FROM WAR (The United States Program for General and Complete Disarmament). As you read this, you will understand why our Armed Forces now serve under United Nations Control, and why it is impossible for us to fight a war in defense of America, without U.N. approval.

What is the best way for our enemies to bring about "complete and general disarmament"? Common sense dictates that it must begin through individual gun control and confiscation of firearms in the hands of those who may be willing to use them against a "rogue government".

It always begins with "gun registration", followed by "gun confiscation", as surely as day follows night. Don't ever let the gun control folks tell you differently!

This is what folks like Sarah Brady, and President Clinton seek. Even the liberals who take little interest in the subject, recognize this!

I have before me, as I write, an Editorial from the Tyler, Texas TELEGRAPH, for Sept. 21,1996, which takes a realistic look at "gun control", as taken from a recent article in the liberal Los Angeles Examiner. After stating that he did not own a gun, and did not like hunting, this writer from a major California newspaper said: "In spite of this, I am unequivocally opposed to additional gun laws". Quoting from his column titled THE BRADY GUN LAW IS RIDICULOUS, Donald G. Smith, states that he does not belong to the National Rifle Association. He goes on to say: "There are anti-gun activists crisscrossing the country at every hour, day and night, spewing forth the erroneous message that new gun laws are needed to cut down on crime.

"They won't! It is a matter of record that New York City, and the District of Columbia have the toughest gun laws in the nation. Yet a person is more apt to be mowed down in either of these enclaves than in any other political sub-division in the world.

"This should tell the anti-gun activists something, but apparently it hasn't registered. It is notable that the 1994 Brady Gun Law, for all it's waiting period, all it's background checks and noble intentions, has had no effect on crime whatsoever. It represents only a lot of huffing and puffing for no apparent reason.
"The crux of all this anti-gun activity lies in the inexplicable mind set of the American liberal, which deals with any problem by

(1) appropriating money;
(2) by forming a committee, or;
(3) by passing a new law.

"In the case of guns, the liberal has chosen the latter option and believes that by passing more laws (notice closely now) all guns will disappear, along with all gun related problems.

"What they choose to overlook is the obvious reality that criminals don't give beans about the law, which is why they are criminals in the first place. Waiting periods and background checks serve little purpose because they only apply to people who normally keep the law.

"The anti-gun activists seem to be unaware that guns do not wear out, spoil, or disintegrate. A turn-of-the-century vintage Springfield rifle, or a Colt handgun, if properly maintained, is as fine a weapon now, as when it was manufactured.

"If no guns were manufactured anywhere on earth, effective immediately, we would still have enough firearms on hand to supply the criminal population for the next millennium.

"The answer to the problem, which those with a left leaning tilt refuse to face, is to focus their energies on the users, not on their weapons. We have enough gun laws now, so the obvious answer is to go after the people who violate these laws. Anyone who uses a gun in the commission of a crime, should receive an automatic life sentence. The problem lies not with the weapon, but with the person who shoots or threatens someone else.

"Anyone with half a brain cell working, can be taught to make a lethal weapon out of a piece of pipe in about fifteen minutes. Of course, this activity is illegal, but that means nothing to the criminal. We can stop the criminal in his tracks, by cracking down on him, rather on the tools he uses: "Maybe if we could get judges to use existing laws, we would see a reduction in crime." (UNQ.)

Undoubtedly there will be screams from the liberals, who will say: "What about the poor fellow who steals from a grocery store to get food for his hungry family. Should he be put away for life?" Yes, if he is armed when he commits the crime. He is saying by his actions in being armed, "I am going to take away your property and if you try and stop me, I'll kill you if necessary". It's as though he had already done this!

How unfortunate it is, to see good, often Christian people, as they compromise with evil and evil men and are willing to give up their "God given rights" for a little momentary security. Few of these are willing to look into the future and see the results of their cowardice, to their children or grandchildren.

After extensive travel and speaking before thousands of people across America, for the past thirty years, my opinion of the average American is pretty low. I have found that the majority, if you give them a comfortable home to live in, three square meals a day, a nice car to drive, a TV set, and a six pack of beer, they will sit comfortably before the "boob tube", and let the country "go to hell," without a whimper! How very sad to see our nation drop to this level!

These are aided by the "faint-hearts" in our Judeo-Christian churches, especially those who stand behind their pulpits, who point trembling fingers at gun owners and say: "Isn't it terrible, so many Americans killed by guns every year. Wouldn't you be willing to give up your gun, if it would save a life?" Yet these same "fools", refuse to look at historical records, which show that in nations which have been disarmed by their own government, for their "own good, no doubt," they have been murdered by the hundreds of millions, including millions who go by the name of Christian.

When was the last time your preacher told you about the millions of Christians who have been
murdered by Judeo-Communism? Has he ever! I'd be willing to wager most of them love to harp on the so-called Jewish Holocaust of World War II!

If the time ever comes, when decent Americans are willing to assume the status of slaves on the Global Plantation of International Zionism, then there is nothing that can save them from their stupidity. Slavery, my friends, will be the consequences of moral cowardice!

It would be well for our people to remember that every country which has been taken over by Communism with the cooperation of its politicians, educators and pastors, traitors all, have taught their people: "It's better to be Red than dead!" and in all these countries, they and their families have been the first to be liquidated!

A few years ago, after President Nixon returned from his pilgrimage to Moscow, he suddenly dropped all references to the "evil Empire" which has been the proper term for the Communist countries. Suddenly he told Gorbachev: "We are now your friends!"

Was President Nixon so lacking in intelligence, that he could not understand, that a Christian nation cannot compromise with atheistic, God hating nations such as the Communist countries, and, yes, the Israelis, and come out in the "driver's seat"?

Has our national leadership become so immoral and lacking in plain old fashioned "guts", that we cannot see that Socialism, Communism and Zionism come from the same "rotten barrel", and are all "brainchildren" of International Zionism which has murdered millions of our Christian brethren?

While we have been told by the media that Communism is dead, a little study will show that they merely cleverly changed their name, while their idea of world conquest is still alive and well in the Zionist World Movement, as taught in their religious book the Babylonian Talmud. Socialism creeps in quietly through the ballot box. It seduces its people into believing that guns and gun owners are evil and that Big Government will protect them, when in reality it is their worst enemy. It is like a man with cancer. He may live comfortably for years, until one day, he wakes up with unbearable pain and his doctor tells him: "It's too late! If you had come to me six months ago, I might have stopped it. Now you have six months to live!", and he sends him home to die in agony.

History proves over and over again that you cannot compromise with evil, and come out in the "driver's seat", either as a nation or an individual. It always destroys you in the end. We have 6,000 years of written history to prove this. Yet as the great Athenian philosopher said: "Men are blind as stone, and deaf as mud", to this truth!

I remember hearing a story of two lady school teachers who were on their vacation in the Middle West, when they stopped at a large city Zoo. To their amazement they found a cage containing a huge, fierce, black maned African lion and a little lamb. They asked a zookeeper: "Sir, how do you get the lion and lamb to get along so peacefully?" To which he smiled and replied: "It's easy, ladies. All we have to do is replace the lamb every two or three days". This is always the result of "detente" with the enemy.

Have our national leaders been so "brainwashed" in liberal detergent, (which is a mind washing solution made up of an ounce of fact dissolved in a gallon of hogwash), that they refuse to see the danger we face? When their leaders speak words to the effect: "We will make the Christians believe we want to be their friends. We will do this through the biggest peace offensive the world has ever seen, and the Christians, stupid and decadent, will leap at the chance to be our friends. They will be willing to cooperate in their own destruction. Then when their guard is down, and they have gone to sleep, we will smash them with our clenched fist". (This thought came from Dmitri Mainalisky, in 1949, when he was Under-Secretary of Military and Political Affairs in the United Nations).

It echoes the statement of Gus Hall (Hallberg) the perennial head of the Communist Party, U.S.A. when he said: "I will live to see the day when the last congressman is strangled with the guts of the last preacher. The Christians love blood so much, they are always singing about it. We will give them all the blood they can stand, as we cut the throats of their children, and drag them across the
altar rails of their churches. May the parents drown in the blood of their own children". This is the enemy we face so blithely, and with such little Christian concern!!

When Gorbachev visited America a few years ago, according to their official newspaper, PRAVDA, on his return he told the Russian people: "I went to America and diddled President Reagan and the American people and we have them where we want them now". Then came the apparent collapse, and what appeared to be the "break up" of the Communist Empire. Yet with enough guided missiles in their armory to destroy the Free World, and still under control of men who hate Christian America, we have been "force fed" the information that they are no longer a danger to the Free World. Yet every one of these "breakaway" nations are governed by "hardnosed Communist Jews", who hate the West. They are now rearming with aggressive weapons, three times faster than we are. In the past five years we have not built a nuclear sub, while they are producing two per quarter, all superior to what we have now. While we have not floated a nuclear carrier in five years, they are building two per year. They do not build these aggressive weapons unless they intend to use them. Yet gullible Americans, led by the compromisers in Washington, D.C., are spending billions each year to sup-port these enemies and keep them economically strong. We have done it since World War II. While spending billions in defense against this so-called enemy, on at least fourteen major occasions, when they were on the verge of economic collapse, our leaders set them up again, using our tax dollars.

Have we been deliberately duped by the enemy? or do we have TRAITORS in Washington, D.C.?

Over 100 years ago, Supreme Court Justice was quoted as saying: "If the people frame a Constitution, the rulers must obey it. Neither rulers nor functionaries . . . have the right to cripple or destroy it, because according to their view, it is inconvenient, or unwise". Yet this has been done, and the Supreme Court which should be it's guardian, has been foremost in destroying it!

In "Le cesspoole Grande", sometimes called Washington, D.C., many of our leaders have become traitors to the real concept of Americanism and refuse to follow the ideals laid down by our Founding Fathers. They follow the concept: "When treason prospers, none dare call it treason!"

Unfortunately, many of our government servants have found means of making TREASON profitable, as they have done, and are doing business with our enemies, both in Vietnam and China.

A few years ago, when a highly decorated Vietnam veteran turned in information to Washington implicating high ranking officials in the dope trade, he was told to "keep your mouth shut!" When he refused, he came under government persecution. I had the same thing happen to me in Korea, when I turned over State Department documents which came into my possession after Ambassador Muccio left Korea and I was sent to search the State Department building in Seoul. I sent these to Sen. William Knowland, (R-CA) who was head of the Armed Forces Committee. He told me later than when he insisted that an investigation be brought against Ambassador Muccio, liberal Democrats in the Senate began a campaign of harassment which drove him from the Senate. You can imagine what happened to me, when high officials found that a mere First Lieutenant had gone above their heads and "jumped the chain of command".

Today, in the Armed Forces, as in the rest of the government, it is not "What is right!" But what is expedient! Do what your superiors tell you to do, and no questions asked! The very thing we prosecuted German soldiers for doing in World War II. I can no longer, in clear conscience advise a young man to enter the military, as he will no doubt be putting his life in jeopardy for the United Nations, and could very possibly be expected to harass his own people. It sickens me to see where young men have to be promised a college education to enter the service. There was a time when Americans did this for love of country and American principles!! We were making $21.00 a month in those days, when we put our life on the line!

The twin bulwarks of civilization have always been "individual responsibility", coupled with "individual freedom!" The two go hand in hand. If men are to remain free, they must be willing to protect ALL freedoms, not just those which appeal to them.
If for instance you believe in "freedom of speech", and you should, but have little use for firearms; if you allow the government the right to take away my Second Amendment rights, it will only be a matter of time until they take away your First Amendment rights. It has always been thus! The reason for this should be obvious. All our freedoms are so closely tied together and woven into the fabric of our well being, that if you destroy one, you begin a deterioration process which will destroy all of them.

The very opening words of the Declaration of Independence proves that our Founding Fathers understood this when they said: "Prudence, indeed, will dictate that governments long established should not be changed for light and translucent reasons; accordingly, all experience shows that mankind are more disposed to suffer while evils are sufferable, than to right themselves by abolishing forms to which they are accustomed." (NOTICE CAREFULLY NOW!) "But when a long train of abuses and usurpations, pursuing invariably the same end, evince the design to reduce them under absolute despotism; IT IS THEIR RIGHT; NAY, IT IS THEIR DUTY, to throw off such a government, and provide new safeguards for their future security".

This was the basis on which the War for Independence was fought! We are very close to this same "stage of despotism" with the Clinton Administration now!

It was for this principle of freedom that men and women have died and are even today being imprisoned. Men like Gordon Kahl, who are regarded as criminals by the alien government in Washington, but who in reality were Christian Patriots who loved their country and were willing to speak out for our rights, even when they knew they would be censored and persecuted!

If Patrick Henry had been alive in 1997, he would have been referred to by the controlled media as a "seditionist, a hate monger, an anti-America!" For surely, on the basis of his stand in an earlier day, he would take a stand against the DICTATORSHIP which is being formed in our Nation's Capitol.

Benjamin Franklin would be labeled as an "anti-Semitic, hate monger" for "spilling the beans" about the part played by International Zionism in this TREASON!

It was a patriot who stood before that First Continental Congress, as they trembled in indecision. John Hancock had given a stirring speech counseling loyalty to the King. At this, John Adams, rose, and pointing his finger at Hancock, he spoke these words which have come ringing down to us through the corridors of history: "Is life so dear, and peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take, but as for me, 'Give me liberty or give me death'!" He sat down to thunderous applause, and the Declaration of Independence was signed without a dissenting vote.

Yet today, we see signs of an internal decay, which can only lead to defeat and slavery. Millions of Americans are now beginning to remember Adam's words, and more will as the noose tightens around our throats! The question is, will we do anything to stop it?

This same spirit caused Davy Crockett of Tennessee, to march over a thousand torturous miles, with a band of frontiersmen to a place in Texas called the Alamo in 1836, to fight beside the Texans in a hopeless fight against overwhelming odds! When he arrived, they asked him: "Davy, why did you come here? This is not your fight!:" and he replied: "we have made it our fight!" Why? Because he knew that if freedom died in Texas, it would only be a matter of time until it died in Tennessee. This is a principle we better learn to recognize, if we wish to survive!

If the bureaucratic monstrosity we call our government can murder a patriot's wife and son in Idaho, and over 80 men, women and children in Waco, Texas, on a pretense of wrong doing, then they can do the same thing to you, if you have the courage to stand up to them and say "NO"!

If parents can be jailed in Missouri, for refusing to send their children to a government run school, where they will be taught the false religion of Secular Humanism instead of love and obedience to God, if these parents can be sent to prison for standing up for their rights, then it can happen to you...
in Florida, or New York.

A man many admired during World War II, once said: "If you will not fight when you can easily win without bloodshed (and this most American Christians, by their actions refuse to do); if you will not fight when your victory will be sure and not too costly; you may arrive at a moment when you will have to fight with all odds against you, and you have only a precarious chance of survival". I wish this message could be trumpeted from the pulpit of every church in America. We are now in this precarious position, which is the major reason we MUST NOT GIVE UP OUR GUNS at any cost!

I have before me as I write, a law which was approved by the State Legislature of Oklahoma and signed by it's governor on May 11, 1990. It went into effect on January 1, 1991. It requires all citizens to present to the tax assessor, on a yearly basis, a detailed inventory of all personal property, including jewelry, guns, and personal items, etc. If the tax payer refuses to do this, the tax assessor is authorized to obtain a search warrant and go into a private home and make the inventory himself. In fact the law specifically states: "At least once, every four years, the assessor MUST inspect all real property in the State". This did not take place in some communist "gulag", but in the conservative state of Oklahoma. I have no idea if it is being carried out. But if such a draconian law can be passed in Oklahoma, it can be passed in your state, unless you take steps to stop it. The old saying is still true: "All that is necessary for evil to succeed, is for good men and women to do nothing!"

This is something that Christians need to learn, before they have their right to worship God, taken from them. Lawmaking is headed in this direction!

If we could get Christians to spend half as much time fighting against evil, as they do in in-fighting among themselves over some point of doctrine, we could win this war! We need to remember the words of Benjamin Franklin when he told the Continental Congress: "Gentlemen, the time has come, when we will either hang together, or we will hang separately!"

Tyranny is never stopped by appeasement! You can't "plea bargain with tyranny". It needs men and women with "enough fire in their souls, to raise a little smoke once in a while". We must either learn to work and fight together, or face a horrible end in some Zionist concentration camp. This is their plan!

I have now finished my introduction, and I hope have laid the foundation to discuss FIREARMS AND FREEDOM - Gun Control Always Means People Control!

I am going to approach this important subject from a different angle than most, since I will not use many statistics. I have noticed that most folks forget figures as soon as they leave a meeting. I have also noted that the saying is true: "While figures never lie; liars are often clever in using twisted figures to prove their point".

A prime example took place a few years ago during a Congressional hearing on Gun Control, held by liberal Senator Birch Bayh from Indiana. His star witness was Sen. Ted Kennedy, the "hero of Chappaquiddiy". Mr. Kennedy testified under oath, that 32,900 Americans had been killed the preceding year by guns in the hands of civilians, and that since 1900, over 750,000 Americans had been slaughtered by civilian gun fire, more than in all the wars this nation has ever fought.

These are impressive figures and are even more interesting when we see how he came up with them: He took the FBI statistics for people who had died in the preceding year by gun shot wounds, including murder, manslaughter, suicide and accidents, and lumped them under "gun killings". Then because these cities represented approximately half the national population, he merely doubled them. One does not have to be very brilliant to see where these would not be accurate, for we know that urban areas have a much higher death rate from gunshot wounds than rural areas.

No one was able to figure where "Teddy Boy" came up with the 750,000 killed since 1900, since records on gun deaths have only been kept on a national level since 1932.
Listen to his closing argument: "The force of argument against guns is simply a fresh corpse every day. How far must deaths from civilian gunfire go, before the public decides against guns? A disarmament pact is needed among American civilians, which will stem the flow of blood caused by guns in the hands of Americans".

One does not have to be brilliant to understand that Senator Kennedy was deliberately making a misleading statement in which he was attempting to ascribe all gun deaths to law abiding citizens. This is simply an outright lie! The percentage of gun deaths at the hands of law abiding Americans is extremely low and when we take a close look at the Senator's statement, we can see that he doesn't "lie any better than he swims".

The last FBI Uniform Crime Report I have is ten years old. It was made in 1987. With over 200-million firearms in the hands of American civilians, less than .015% were ever used in the commission of a crime. 99.85% were not so used. Only .002% of the long guns (rifles and shotguns) and less than .018% of the handguns were ever used in committing a crime. These official figures should give you a pretty good clue as to who the culprits are, and it's not the law abiding citizen against whom the gun laws are aimed.

The Jewish controlled media has been especially obnoxious in putting out deliberate misinformation. It comes to the public through big name broadcasters like Peter Jennings, Sam Donaldson, Dan Rather, and others. It comes though the Zionist controlled newspapers and magazines. They have been lying to us for over ten years. They have told us that 80% of the American people are in favor of gun laws, when experiences in liberal states such as California and Massachusetts, have seen the people rejecting them, often by a heavy margin.

When the California Chairman of A.P.R.A. (American Pistol and Rifle Association) wrote to the networks requesting the source of their information, he was referred to the New York Times, which is probably one of the most prejudiced anti-gun sources in the country.

Gun control has been a "hot issue" and is bound to get hotter. For total control of our people by the New World Order, cannot take place, as long as 100-million Americans are armed and ready to defend their God given rights.

As a result, the "matroids" in our government, and those above them who hand down the orders have been working on a long range plan which will eventually disarm civilians if it is successful. When this happens, "goodbye to freedom, and welcome to the Zionist Global Slave Plantation". For this reason alone, we MUST NOT ALLOW ANYONE TO TAKE OUR GUNS, FOR ANY REASON!

As I mentioned earlier, if anyone, criminal, or government official tries to illegally enter your home or business, without, in the case of the government official, a legal warrant signed, not by some BATF or IRS official, but by a judge of competent jurisdiction, you have the right to treat them like a common criminal. The government agent may be more dangerous than the criminal.

Common decency demands that the law MUST always protect the law abiding against the criminal. Unfortunately, in modern American, this is not always the case. Let me give you a few examples of how it has been used against the law abiding, rather than the criminal. There are many such:

1 - A man from Kenosha, Wisconsin moved to Chicago over a weekend. Since state offices were closed, he was unable to register his firearms, as the law read. On Sunday, he apprehended four men who were attempting to break into his apartment, and held them at gun point until the police arrived. They arrested him along with the four burglars and held them in the same cell in the city jail over the weekend. On Monday a judge fined the four burglars $500.00 each and suspended the fines. The innocent victim was fined $500.00 and six months in jail, because he had apprehended the criminals
with an unregistered firearm. This was a blatant miscarriage of justice as anyone can see.

2 - A Chicago man who struggled with a burglar who broke into his home with a knife, shot and killed him. The judge cleared him of the shooting, then turned around and sentenced him to six months in prison for doing it with an unregistered gun. Again a plain mockery of justice!

Retired Phoenix, Arizona police officer Jack McLamb, one of the most highly decorated men on the force, now retired and Editor of AID AND ABET, a bulletin put out specifically for policeman, put his finger on the problem when he wrote: "It is an indisputable fact that at one time in America, we operated our government solely on the principle that if something was morally wrong (in government), we never committed such acts to accomplish a desired end even for good.

"If we did commit such acts, we knew we were no different from the common criminals we had taken an oath of office to defeat.

"Today, this is not the case. Over and over again there are cases brought to our attention which show us that when our present day officials are faced with the possibility of not being able to accomplish their worthy goals by obeying the law, they have chosen rather, to accomplish their goals by violating the law, and the rights of the people, if these stand in their way. When they are caught, they always cry, 'We did it for the people! It was for the good of the people we did the illegal acts'".

The Communist and World Zionist leaders believe the same thing. Their motto is "the end justifies the means", even if they must run "rough shod" over the rights of the people and murder millions of them. This is why the largest Jewish newspaper in America, THE AMERICAN HEBREW from New York City, in 1919 was able to say of the Bolshevik Revolution in Russia: "The ideals of Judaism!" (These are not my words, but come "straight from the horse's mouth!"). As a result of this kind of thinking, promoted in their holy book of Babylonian Talmud, which states that all "goyim", (a Yiddish term of contempt, meaning "non-Jew" animal", have no rights and are on earth to be slaves to the Jews. In one place it states: "When Messiah comes, (the Jewish State), every Jew will have 2,000 goyim slaves". This is your Zionist New World Order in operation). They are the one's who want to disarm you!

As a result of this type of thinking, government officials who are under their control, and a majority in America now fit this description, will murder, terrorize, cheat, lie and steal, as long as it promotes their pet goals.

Mr. McLamb went on to point out: "Our nation's founding documents and our present laws created a system which is directly opposed to the Communist (Zionist - Mohr) system. We have a moral code which tells our people that certain acts must never be committed, no matter how desirable the final goal may be ... But today, we have some within our government system that pay allegiance to the alien idea that the 'end justifies the means'. Sadly, we police officers can attest to this". (unq.)

Any anti-gun gunner who professes to believe that Gun Registration will not lead to Gun Confiscation, is either a "fool", or an "outright liar", for the two always go hand in hand! The official who says: "All we want is your cheap Saturday Night Special, to keep it out of the hands of the criminals", knows they are shooting to disarm all law abiding citizens, since most gun crimes are not committed by cheap handguns.

It is unfortunate indeed, that so many decent, patriotic gun-owners, have become so "brainwashed" in liberal "mind detergent" (which is made up of an "ounce of fact, dissolved in a gallon of hogwash"), that they refuse to see how Orwellian Newspeak has effected their thinking. Many say: "What's wrong with registration of guns when all the government is trying to do is stop crime? We're law abiding folks; they know we have no intention of using them against the government".

I have been an avid pistol shooter most of my adult life. I have absolutely no use for some cheap,
pot-metal pistol, which may explode when fired. But I also have enough intelligence to know that if we allow the government to register and confiscate a $79.95 Saturday Night Special, it will only be a matter of time until they try and do the same thing with our Smith and Wesson Combat Masterpiece, which cost over $500.00. That's how bureaucratic government works.

Now let's look at another angle of the problem which confronts us. At first glance it may not seem to tie in with Gun Control, but it does. There is a real possibility of a food crisis in this country in the near future. For the first time since the National Emergency of World War II, our national reserve food supply has dropped below the thirty day level. A few years ago, we had enough food stored for ten years. Then the "big hearted" liberals in government, like Ted Kennedy began to give it away, often to our enemies. After all, as a Christian nation, we couldn't let people go hungry, now could we? That would be immoral! Today, if there was an emergency, the shelves of the Super-Markets would be emptied in a few hours, as most of them have no more than five days food supply on hand. Some of you long range thinking folks, have prepared for such an emergency by storing food. The majority haven't! What would happen if the government declared food rationing, as i-- did during World War II? We can expect them to confiscate food, just as they will firearms, if we let them get by with it, and it will be a crime to have more than two weeks supply of food on hand. The only way government officials can safely confiscate your food, is to first disarm you. Gun control always comes before a government monstrosity can control it's people. It's also very possible, that you will have to protect your stored food, against hungry hordes who didn't have sense to prepare! You can't do this if they take away your firearms! WE MUST NOT LET THEM DISARM US, FOR ANY REASON!

Many of you will fight before you give up the food to feed your family, and you should, for your freedom and your life will be at stake.

The last vital warning we will have that the New World Order is preparing for takeover, will come when a concerted effort is made to disarm us. This has happened in every modern nation which has regressed into dictatorship!

As far back as 1968, almost thirty years ago, the Director of the National Task Force for the Control of Firearms was asked why most Americans were suspicious of their motives. He honestly replied: "Because they know we are out to get their guns!"

One of the best examples of how this happened on a national basis can be found in a book titled NOT A SHOT WAS FIRED! written by Jan Kosak, a member of the Secretariat of the Communist Party in Czechoslovakia. He tells how the communists were able to take over control of that country, without firing a shot, by using a process which has been described as "creeping gradualism!" It is disarmament of the people through gradual planned steps.

I'm sure most of you have heard the illustration of the frog. You can catch most any kind of frog and put him in a pan of cold water on the stove, and he will sit there without moving. Then turn the unit on to low heat, and he will sit there and cook to death, since the temperature change is so gradual. This is what has been happening in this country and Canada, until today, even good patriotic gun owners have been fooled by government objectives.

One thing Christians in particular need to remember is that government bureaucracies, especially the type we now see practicing it's socialism, hates Christianity with a special virulent hatred. For in the end, they KNOW it will be Christian Patriots who will throw a "monkey wrench" into their plans for a One World Government.

There is a reason for government hatred of Christians and that has been true since the First Century Christian church disrupted the corrupt government of the Roman Empire. The Christian Patriot, is one of the few individuals with "guts" enough to expose the ulterior motives of the New World Order, and it's Zionist leaders. Since our political leaders, and many church leaders are closely tied in with this unsavory crew, they are heading in a path which can only lead their people into slavery. As a result, Christian Patriots have always been hated and persecuted by bureaucrats. It is the God
given task, for those who love the King, to do this. This was what He meant when He said: "Occupy until I come!" You can't do that, hiding in a comfortable spiritual foxhole, waiting for Him to rapture you out of the mess which was caused by your Christian apathy! The enemy of mankind seek absolute control over the souls and bodies of mankind, while the Christian Patriots seek the absolute freedom which comes only through the Kingship of Jesus Christ!

The answer as to why they seek control should be obvious to any thinking person. These "pseudo-liberals" like to think of their moral values as the "ethic of the future!" These are the fellows you will find hanging around the Student Unions of our big universities, with their strings of impressive degrees, as they attempt, many times successfully, to inculcate in our sons and daughters, a heathen philosophy which intimates that "God is dead!" and that all that matters is "doing your own thing!" These are aided by the TRAITORS who stand behind the pulpits of many of our Judeo-Christian churches, calling for "detente" with the enemies of God.

I saw this hypocrisy in action a few years ago, when I was lecturing on "Abortion" at Ohio State University, Columbus.

During the Question and Answer Period following the lecture, a strikingly beautiful co-ed asked: "If we can't have abortions and contraceptives, how will we control the population explosion?" When I asked her if she had ever heard of "Self-control?" you would have thought from the audience reaction that I had slapped her face. Here were close to a thousand young men and women, about ready to step into life, who had been so "brainwashed" by their college professors, that they believed they were "victims of their environment", and had no choice to make in life. Later, I found that this young lady was the head of an organization to protect baby seals in Newfoundland. Can't you see the hypocrisy involved here! Protect "baby seals", but no problem with murdering unborn human babies for the convenience of their mammas! No wonder this country is headed for hell!

These are the same type of folks who are so upset when someone is killed by a handgun, but show little or no concern for the millions who have been murdered by dictatorial governments, after they have first been disarmed!

These hypocrites are smart enough to know that out there somewhere in America, are strong, morally healthy Americans, men and women who see through their hypocrisy and are willing to expose it. These patriots are armed, and ready to use their weapons if necessary, to preserve their freedom. This is something their sick souls can't understand, and it "scares the hell out of them!" If this evaluation is not true, then explain, if you can, why they resort to lying, one-sided picture painting of gun owners and Patriots?

A few years ago, the Jewish owned and controlled national ladies magazine, THE LADIES HOME JOURNAL, pictured all American hunters as: "beer swilling, blood-thirsty, uneducated slobs". The REPORTER Magazine, another Jew owned "rag", in 1977 made this amazing statement: "Every year thousands of right-wing extremists join the NRA (National Rifle Association) to obtain guns, ammunition, and surplus military weapons such as machine guns, bombs, flame throwers, bazookas, and aerial bombs, which are given to the NRA from Army surplus". Let me say that if you believe this "horse hockey", you are a candidate for the State "funny farm"!

The communist strategy for disarming a free people before takeover was set forth by Nicolai Lenin, when he said: "A system of licensing and registration of firearms, is the perfect device to deny gun ownership to the bourgeoise". (Middle class!)

Yet in spite of these warnings, coming straight from the enemy themselves, there are millions of gullible Americans, a high percentage who consider themselves to be Christian, who seem to feel that if all the tiger hunters in the world were to hang up their guns, the big cats would turn into vegetarians overnight.

But anyone who has any intimate knowledge of these "man eaters", knows that "a tiger will always
remain a tiger. His claws, his fangs, and his appetite for fresh blood and meat, is as much a part of
his tiger nature, as his beautiful stripes. When you live in an area where man eating tigers are on the
loose, sensible people go armed”.

This is also true when evil men are on the loose and when they show by their actions in government
that they are more dangerous than common criminals. (Can you name any time in our history, when
a street gang has murdered as many citizens as our government did at Waco, Texas?)

A well-known historian, years ago, recognized this danger from big government, when he wrote:
"The liberties which are most apt to remain, are those which are the most jealously and carefully
guarded by their holders". Nothing can guarantee freedom, unless we are willing to guard it!

It is not pleasant to tell Americans that we have been "sold out", by our political and religious
leaders, who have taken this nation to the verge of extinction as a free people. Many realize this,
without the courage to openly admit it!

It literally makes me sick to think of the evil which has been perpetrated against our people by our
own government, and the absolute treachery of some of our leaders, who for gain and popularity are
willimg to "sell their souls to the devil". But this is not at all new in history. In Isaiah 56:10,11,
written about 710 B.C. we read these words directed at the leaders of Israel. They are most
appropriate for our political and religious leaders in 1997: "His watchmen are blind: they are all
ignorant (of God's will for America), they are all dumb dogs, they cannot bark, (a watchdog that
cannot or will not bark when danger approaches is useless); sleeping, lying down, loving to
slumber. Yea, they are greedy dogs, which can never have enough, (always looking for a handout
from some political lobby like the Israelis) and they are shepherds (leaders) that cannot understand;
they look to their own way (doing their own thing), every one to his gain .. ." (political bribes of any
kind!)

It is difficult for me to understand the moral regression which has taken place in our nation's capitol
within my lifetime. But the truth remains, whether we want to admit it or not.

The problems we face in Canada and the United States, are the same as those faced by our Israel
people since Jacob became their hereditary father about 1804 B.C. There are problems similar to
those which have destroyed 23 great civilizations which have gone before us. These have left their
bones to bleach on the sands of history, as they have been destroyed from within, by moral and
spiritual subversion, long before the barbarians swarmed over their walls or battered down their
gates. Today we look for scapegoats to blame, and come up with the JEWS and the ALIENS.
While both of these groups have added immeasurably to America's woes, they are not the CAUSE
of our problems. They are the EFFECT of our DISOBEDIENCE to God. (For confirmation on
this, I suggest you read Deuteronomy 28).

When free people, especially those who dare to go by the name of Christian, like those in Canada
and the United States, refuse to accept their responsibilities before God, they lose their freedoms
and become slaves. It is the natural aftermath of apathy! Yet today, the average Christian in this
country and Canada refuses to face up to the fact that both of our nations are in critical states,
because of our refusal to take a stand on issues dealing with freedom and righteousness.

To deny that we are ensnared in a hideous complex, never ending, ever widening economic crisis, is
to close our eyes to a hideous reality. Yet today, we see the strange and perplexing sight of our
governments, especially that of the United States, as it borrows money, from the International
Jewish bankers, at high interest rates, so that we can give it away in Foreign Aid, often to nations
who "hate our guts".

While this is going on, our own military veterans, men who have put their life on the line for their
country, are being given the run around by a government which for the most part has lost interest in
them.

Today, American farms and small businesses are being driven into bankruptcy by the thousands,
because they cannot handle the ungodly interest rates charged by the International banking vultures. But once enemy nations, such as Red China, which a few short years ago was murdering American servicemen, are now being given special preferential treatment in loans, and Foreign Aid. No wonder that Harry Hopkins, the side-kick of President Harry Truman told him: "Tax! and tax! spend and spend! the damn fools out there are too stupid to know what's happening to them!" The spending policies of our Congress remind me of King Rehoboam, as recorded in 1 Kings 12. When the Israel leaders went to him and requested a lowering of his father Solomon's taxes, he took the advice of the liberals and told them: "My father made your yoke heavy and I will add to your yoke: my father also chastised you with whips, but I will chastise you with scorpions". Today our Congress says "We will balance the budget", when they know it's impossible as long as the Jew run Federal Reserve controls our economy, so instead of lowering taxes, each Administration, Republican or Democrat makes them higher.

We have been told from our pulpits, and from TV evangelists like Jack Van Impe and the LaLonde brothers on Trinity Broadcasting System, that we MUST support the "bastard state of the Israelis", in Palestine or run the risk of God's displeasure. Yet these are the one's who "spit when His name is mentioned, and call Him an "illegitimate bastard". And we support their evil deeds. (See 2 John 10, 11). When in God's name will we wake up?

We see massive unemployment as American jobs are sent overseas under a NATF treaty, so that super-rich men can get richer paying slave wages. We see over 12-million American children going to bed hungry every night, while our legislators attempt to "feed the world".

We see immigration out of control, with over 12-million illegal immigrants flocking into this country, many times for the "freebies" they can get, while American troops, instead of protecting our borders, as they should be doing, are sent overseas to fight for the United Nations in such places as Bosnia and Somalia.

We see over 25-million people on welfare rolls, many who are able bodied, but who refuse to work, and who threaten violence and riots if they do not get "fed at the public trough". We see a stock market that has risen spectacularly to over 6000 points, but which could go broke overnight, while our Federal and State governments are "drowning in a sea of red ink".

We see terrorism looming larger and larger, as our bankrupt Foreign policy has earned us the hatred of millions of people who used to be our staunch friends. Now we see officials admitting that there is a real danger from a terrorist attack using chemical and/or biological agents which could leave millions of our people dead and crippled for life, yet while they spend billions to protect the elite in Washington, D.C. they are doing nothing to protect their own citizens.

Imagine, if you can, what would happen in this country if the Social Security, Welfare and Government checks were suddenly cut off. We would see bloody rioting on our streets within a week, as men tried to feed their families and we would very likely see the United Nations troops which are already here with their equipment, used to control our people. In fact, I am convinced that is why they are here!

Since 1983, highly trained Russian Sepenatz troops have moved freely in this country, and at that time, the F.B.I. said that they knew the names and addresses of over 100,000 Communist agents who were plotting the overthrow of this country. But we could not move against them, because they had made no overt move against us. (This is like a man threatening to kill your wife and children, while you are forced to sit idly by and wait for him to make the attempt!)

Yet, in the face of the greatest, most serious threat to our freedom, there are so-called intelligent people, many who go by the name of Christian, who want to disarm our law abiding citizens leaving them helpless before the enemy, whether this enemy is our government or some foreign United Nations aggressor.

But more and more concerned Americans, as they travel America's highways, are standing on their
2nd Amendment rights, and their motto, like mine is: "I'd rather be tried by twelve, than buried by six!"

One reason for confusion in the minds of our citizens, is that they seldom take time to study history. If they did, they would soon notice that the "denial of the right of self-defense" always accompanies the abrogation of other rights. There are many examples of this.

The F.B.I. rightly identifies "violent crime", as "murder, forcible rape, and aggravated assault". These are the crimes where the criminal is most apt to be armed. (Unfortunately, the F.B.I. does not list crimes of violence perpetrated by the government against the people).

Statistics tend to prove that stricter gun laws have little effect on the commission of crimes committed with firearms. Take for instance the Sullivan Gun Law of New York State, which is said to be the strictest in the nation. Yet violent crime in New York City runs about 142 per 100,000 population, when in little Vermont, just to the north, with one of the most lenient gun laws in the country, it is less than 45 per 100,000.

Of course the liberals are quick to point out the environmental differences between Vermont and New York City. But that is not the reason. The reason can be found in the Vermont Gun Law, which simply states: "You may not purchase a firearm for an illegal purpose. But if you use one in the commission of a crime, there is an automatic five years added to your sentence, and no judge or 'plea bargaining' Prosecuting Attorney can change it".

In New York City, with the much tougher law, only 14 out of every 100 criminals apprehended (caught in the act) in the commission of an armed crime, ever see the inside of a jail, while in Vermont, with a very liberal gun law, very few get away with an armed crime.

This is the only thing which has proven to cut down on crime. When decent citizens are hampered by the law which was designed to protect them, then you have the foundation of a Police State.

Bible justice was very simple and direct. Under it, there was no need for expensive prisons. A proven murderer, rapist, kidnapper, or child molester was put to death, quickly! On the testimony of two or three witnesses. If the witness was found to have lied, he suffered the fate of the man he had condemned, so there were very few false accusations made.

If you stole from someone, you paid them back at the rate of twice what you stole, and if what you stole had to do with their livelihood, you paid then five times its value. You lived at home with your family and paid a stipulated sum from your pay check. If you were a "hardhead" who refused to do this, you were executed. in this way crime was kept to a minimum in Israel, as long as God's law was obeyed.

But Biblical justice has been perverted in America, as we have been "sucked into the Babylonian System of government, (which includes control of our economy), until today, justice has become a "by-word" with many. I will only give one example of this, which has stuck in my mind over the years.

In 1975, the State of Massachusetts passed what was called the CRIMINAL REFORM ACT OF 1975, or more popularly THE PROWLER BILL. This criminal tainted bill said in essence that a citizen "may not use force against a criminal who is committing a crime, if there is a way for them to retreat".

A young mother of two little children was confronted by a drunk man who forced his way into her home at knife point. She retreated into the basement with her babies, and as the drunk came down the cellar steps, cursing and threatening, she picked up an old single shot .22 caliber rifle in the basement and fired one shot which killed him. The judge who tried her case, sentenced her to 14 years in prison, stating that she could have retreated out the basement window with her children and she did not! My personal opinion is that this judge should be run out of town on a rail, and then hung from the closest lamp post, as a warning to others who may think of perverting justice!
I know most of the arguments used by the anti-gun crowd, but have never heard any of them who were foolish enough to claim that they had seen a rifle climb off a wall rack and shoot anyone, or a pistol climb out of a dresser drawer to kill an intruder. There was always a human finger on the trigger, so why blame the inanimate object?

In spite of the loud and rude sounds made by the "anti-gun crowd", only a tiny fraction of gun killings are done by law abiding persons. Even in family squabbles. Police statistics prove this. When family members shoot each other, overwhelmingly they are a criminal element in the first place. The average decent American just does not do such things.

Yet the thinking of Americans has become so "twisted", that even among many who call themselves Christian, they will back an AD like I saw in the San Francisco Examiner a few years ago. The Judeo Christian churches in the city ran a full page AD, saying: "Be a Christian! Bring your gun to church Sunday and turn it in for scrap!" (I think they were going to use this scrap to make a statute' of the Dr. Martin Luther King, Jr., patron saint of the liberals).

It was interesting to note that only eight guns showed up city wide. I sort of liked this Ad, for I believe that any man who would be stupid enough to turn in his gun like that, is too lacking in intelligence, to safely keep it in his home!

Just as current laws against drugs and drug pushers have been a failure, so have laws against the use of guns. While drugs have created many crime problems, especially in our big cities, the liberals prefer to target guns. Have you ever wondered, especially after the government fiasco at Waco, why our government does not take action against the thousands of armed criminals and their gangs in places like Los Angeles, Chicago, and New York City? Frankly, I believe they are afraid to. So they pick on individuals, such as the Weaver's, or on some unpopular group like those at Waco. Then proudly tell us how they are merely trying to protect us against these "extremists". What in the world could be more extreme than the city gangs, like those who roam the big city streets unhindered?

I believe Satan knew he could never conquer "true Christians" through force. Especially as long as they were willing to follow God's Law. He knows scripture too, and KNOWS the promise God made to "True Israel", not a heathen people we call Jews today. It can be found in Isaiah 54:17 - "No weapon that is formed against thee shall prosper... This is the heritage of the servants of the Lord, and their righteousness is of Me, saith the Lord".

So the enemy, knowing that OBEDIENCE was prerequisite of this promise, set out to conquer us through smooth words and promises which are given to us by our politicians, educators, and in many cases Christian pastors. These men and women have prostituted themselves to the heathen philosophy of Secular Humanism, which is actually Talmudism in disguise. It has reached the point, where as Isaiah stated, our people, many times Christians, say to their leaders: "Prophesy (tell) not unto us right things; speak unto us smooth things, prophesy (tell) deceits (falsehoods). Get you out of the way, turn aside out of the path (of righteousness), cause the Holy One of Israel, Yahweh God, to cease from before us."

The enemy has been so successful in getting Christians to disobey God, that they have been able to change our Constitutional Law, under God, into Admiralty Law, under the ungodly United Nations. This is why in every courtroom, and official government office in the United States, the American flag bears a gold fringe. This indicates acceptance of Admiralty (United Nations) Law. It is why, in many courtrooms of the nation, if you bring up the Constitution in your argument, the Judge is apt to say: "If you mention the Constitution in this courtroom again, I will hold you in contempt of court".

Today the people of this country, especially White Christians are in a "snare and a trap". The Bible foretold that this dilemma would happen if we forgot God's Law. Yet in many Judeo Christian churches in the land, Christians are being told by their pastors "God did away with the Law at Calvary. You are now saved by grace and have no need of the Law. Yet both our King Jesus, and the
Apostle Paul said emphatically: "NO! GOD FORBID!" In Matthew 5:17,18 our Lord said in essence: "I did not come to destroy the Law and the prophets but to make it perfect, and not the smallest part of the law shall pass away, until all has been fulfilled". The Apostle Paul went on to confirm this in Romans 3:31, where he emphatically tells us that while we are not "saved" by keeping the Law: "Do we make void (invalid) the Law through faith; God forbid! may, we establish the Law".

Then as though to put a final seal of approval on the validity of the Law, the Apostle John in 1 John 3:4 tells us: "Whosoever committeth sin, transgresseth also the Law; for SIN is TRANSGRESSION (breaking) of the LAW". If there is no LAW, as our preachers say, then there can be no SIN, and the very idea of this is ridiculous, since we see sin on all sides.

In Joshua 23:13, our forefathers were ordered to go into Canaan and drive out the wicked inhabitants of the land, so that they would not contaminate God's people. God said, "If you don't do this, they shall be snares and traps unto you, and scourges in your sides, and thorns in your eyes .." result: "The stranger that is within thee shall get up above thee very high; and thou shalt come down very low". (Vs. 44) ~ he shall be the head, and thou shalt be the tail". This has happened in America, where we are now under Zionist control, when you see the letters ZOG (Zionist Occupation Government) don't laugh, for it has become a reality! As a result, instead of being governed by God's Law, we are controlled by heathen laws which harass and destroy our people

Our first President, George Washington, knowing the importance of the 2nd Amendment in keeping this alien influence from taking control, said: "Firearms stand next in importance to the Constitution itself. They are the American people's liberty teeth and keystone to their independence . . . from the hour the Pilgrims landed, to the present day (and on to 1997, I might add - Mohr), events, occurrences, and tendencies prove that to ensure peace, security and happiness, the rifle and the pistol, are equally indispensable . . . The very atmosphere of firearms anywhere and everywhere restrains evil interference. They deserve a place of honor with all that's good:'

If America is to be spared the horror which has infected 2/3rds of the world, it will be because American men and women, Christian in character, say to government: "You have gone far enough down the road to the New World Order! We will not allow you to go further".

Some say that our government has gone too far to be changed and that the enemy has become too strong to buck. Their plaintive cry is: "You can't buck City Hall!" Have you people slipped so far and become so soft, that we cannot recall with pride our first President George Washington, as he shepherded his men through that brutal winter of 1777-78 at Valley Forge?

The Tories in Washington said: "George, give up! You can't buck the finest army in the world, with that rag tag, starving, motley crew of yours". Yet he got up from his knees in the snows of Valley Forge, to put "feet under his prayers", and lead his starving, ragged troops across the frozen Delaware, to a magnificent victory at Trenton, which was the turning point of the war. Or have you forgotten the heroes of the Alamo, who stood against hopeless odds, in the defense of freedom.

I will never be able to forget the heroes of the Battle of the Bulge, in Germany during World War II, where surrounded and outnumbered, the American commander replied with one word: "NUTS!!" to the German offer of surrender. Or the Marines at Chosen Reservoir in that brutal winter of 1950-51 in Korea. Cut off from all help, outnumbered thirty to one, Gen. Chesty Puller called his men together and told them: "Men, we have the enemy where we want them now, we can shoot in every direction". And the Marines came out with flags flying, bringing their dead and wounded with them! These were the men who epitomized the true spirit of America! This was the spirit, which with God's help made us a free nation and has kept us free for over 200 years. Are we to give this up, for a little temporary safety, before the International Slave State engulfs us?

Our freedom was not "bought and paid for at Valley Forge", that was merely the down payment on the account of freedom. Every generation must be willing to "pay on the account", if they are to remain free!
We will not lose our freedom sometime when at 3:00 a.m. we answer the door to a man with an automatic rifle, who says: "Come with me to the Concentration Camp!" We will lose it when we see things happening in our local schools, churches, and government, and sit back saying: "I'm only one man or woman, there's nothing I can do!" If enough of us feel that way, Americans freedom will die. We will take her to the cemetery and bury her, and over her grave erect a headstone with this epitaph: AMERICA DIED BECAUSE THE CHRISTIAN PEOPLE IN AMERICA DIDN'T WANT TO BE BOTHERED!

Mark my words, it will begin with Gun Registration, followed by disarming us!

We can win this war for freedom, with the help of God, if we are willing to accept individual responsibility as Christians, for our freedom.

If you are too busy to become involved, at least get out of the way and don't become stumbling blocks to those of us who care and mean to do something to defend your rights!

The enemy are sure they will win, because they have been assured by our actions that the people of Canada and the United States are so inherently lazy, apathetic, and immorally insecure, "decadent they call it", that we don't care what happens,! Do you fit into this category? If you do, expect to become a slave!

We do not need a majority to win, for down through history, one man with God has often been a majority! Did you KNOW that we have a FORMULA FOR SURVIVAL which will work, if it is applied? We KNOW it will, for God gave it to us. It is found in 2 Chronicles 7:14 - "If My people, which are called by My name (Christian), will HUMBLE themselves, and PRAY, and SEEK My face, and TURN from their wicked ways; then will I hear from heaven, and will FORGIVE their sins, and will HEAL their land". My how the folks in the Judeo Christian churches of the land love to quote this verse. The problem is that the majority of them, including their pastors, do not want to stop "doing their own thing", to OBEY! How can we even put this into effect when our church leaders say "Christians no longer need God's Law!" It is fatal thinking which will eventually destroy us, unless we wake up and learn the truth. The MOST important thing our White Christian people MUST learn if we are to SURVIVE, is that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY!

ADDENDUM!

Here is some last minute news concerning the Gun control situation in the United States. (This came in before the November, 1995 election and may change rapidly if Mr. Clinton gets elected!)

In THE SPOTLIGHT WEEKLY NEWSPAPER for July 25, and August 22,1994, American gun owners were shocked by a survey that revealed that slightly more than one out of four U.S. Marines on active duty, expressed a willingness to shoot Americans who resisted Federal efforts to take away their firearms.

Further news surfaced in 1996 which indicates this survey was also given to Army, Air Force, Air National Guard, Coast Guard and other military personnel. Your sons and daughters in the military are being "brainwashed" into subservience to a United Nations entity, rather than in loyalty to this country. It is being done very subtly. The Navy claims this survey was given by a Lt. Commander working on his Master's Degree. He was writing about the United States giving up it's sovereignty to the United Nations. However, this thesis was printed in bulk and disseminated to other services.

While the Pentagon claims this survey was only made to a Marine Group at 29 Palms, California, reports are coming in from across the nation that it is being given, not only to the U.S. military, but to Federal Police Agencies.

This survey is Dept. of Defense, DD Form 3208 (rev/96). All editions close with this scenario: "The United States government declares a ban on the possession, sale, transportation, and transfer of all approved firearms. A thirty day amnesty period is established for these firearms to be turned over to
local authorities. At the end of this period, a number of irregular (militia) citizen groups and defiant individuals refuse to turn over their firearms to authority.

"Consider the following statement: 'I would fire upon United States citizens who refuse or resist confiscation of firearms banned by the Federal Government'".

In the case of the Marines who were given the survey in 1994, 26.34% said they would be willing to fire on United States citizens if ordered to do so.

In response to another question asked in this same survey, 85.33% of the Marines said that they would willingly participate in a military mission under a United Nations Police Force! Where are all the Michael New's in our Armed Forces?

Could it be possible, that under the agenda of the New World Order, being pushed by men like President Clinton, our United States military is being changed from a "defender of the people, into being their suppressor?" Think seriously about this!

It appears that as quietly as possible, the combat training of our military is being shifted from "defense against foreign invasion", to "suppression of internal disorders within the United States", caused by our government violation of America's Bill of Rights.

Military men in training, instead of attacking pseudo-enemy forces in the desert as we did during World War II maneuvers, are now being trained, with foreign troops, in specially prepared villages, training in "house to house, search and seizure tactics". This was at one time considered Police work, outside the role of the military. It is still against the law, even though Janet Reno, our U.S. Attorney General, and President Clinton approved of it's use during the Waco massacre.

The One World TRAITORS in our government and the United Nations cannot make us their slaves, as they have openly declared their intention of doing, as long as our people are armed and ready to resist.

The following was taken from THE JUBILEE NEWSPAPER, Sept.1Oct. 1996 titled THE SECOND AMENDMENT TAKES ANOTHER HIT!

October 2, 1996 - Congress sent President Clinton several gun control provisions as part of an omnibus spending bill. The President signed this late at night, after both Houses of Congress overwhelmingly passed it. (Senate 84-15; House 370-37).

It appears that we have few Patriots in that "sewer on the Potomac", we call our nations' capitol. Maybe this is why a high ranking member of the Israeli government could boastingly and openly say: "We (Jews) have the best Congress money can buy!"

Here is a brief summary of what they passed. ROADBLOCK GUN BAN (Sec. 657), of the Treasury portion of HR 3610: known as the KOHL AMENDMENT, this sets up thousands of "gun ban zones" across state roads, where local, state police and the BATF are authorized to arrest any unsuspecting driver who has a firearm in their vehicle and is within 1,000 feet of any school. The
maximum penalty is ten years in prison.

This new law re-enacts the "School Gun Ban Law", which was ruled un-constitutional by the United States Supreme Court last year (U.S. vs. Lopez).

This provision creates a "gun-zone ban", nearly a half-mile in diameter around every school in the country.

Anyone without a "pistol carry license", driving through this zone with an unloaded firearm, that was not in a locked container, faces the maximum prison sentence of ten years. This will even apply to off duty policemen. (What good is a pistol in a locked container if an emergency arises for its use?)

Another strange quirk of this law comes because of the way "school" is defined in Title 18 of the U.S. Code. This bill could outlaw possession of firearms by parents who are "home schooling" their kids. For anyone living within 1,000 feet of a school, any hunting trip would violate this ban, as you could not even carry an unloaded shotgun to your parked car, unless it was first approved by school officials.

This is just another way your tax dollars are being used to take away your rights.

Sec. 658 of the Treasury-Postal Bill HR 3610, threatens to disarm the women it is supposed to protect. This provision will impose a "life-time gun ban" on anyone who has been convicted of using, or attempting to use "physical force", in any domestic situation. This term, "use of force", is another Orwellian "newspeak" to cover both men and women who get into a little domestic spat between spouses, roommates, lovers, etc. This evidently was the purpose of the wording of the bill. The "use of, or attempted use of force", would not only effect women like the First Lady, who has been accused of throwing lamps at the President, but could also effect parents who "spank their children" when they are disobedient. (Another violation of a Biblical commandment to parents which is bearing "rotten fruit" throughout the nation).

Under the provision of this law, if you spanked your children for any reason, you could forfeit your Constitutional Right of ever owning a firearm.

Can't you see how the chains which are slowly binding us into slavery are surely and slowly being forged by the One World adherents? Many in our own government!

Opposition to this very restrictive and dangerous bill, came for the most part from Republican freshmen in Congress, who have not yet been "seduced" into climbing on the Congressional "gravy train".

Everything but the "kitchen sink" has been put into this bill. They even threw in a study on the possibility of placing "taggarts" into ammunition, so that the powder could be chemically traced back to it's source.

It gives the BATF a pay increase of almost $100-million for 1997; $1 6-million in the regular budget plus an additional $66-million for anti-terrorist activities. Here again Orwellian "newspeak" comes into play, as the "terrorists" they contemplate harassing, are the people who fifty years ago had the great honor of being called Christian Patriots. Today, under liberal thinking, brought about through the media, education and many times in the church, the "people who love God, their race, their nation, and their family, who own firearms and are willing to use them to defend their God given rights", are held up as "hatemongering, anti-Semitic, NeoNazi terrorists" who are a danger to all decent citizens and MUST be controlled!

Who says so? The Jew controlled media, the educators, and often the Zionist controlled church! All are TRAITORS to the Christian American principle, and seek to destroy it!

Also cleverly placed in HR 3610, is a provision aimed at threatening the privacy of gun owners. The funding in this provision will force telephone companies to "retro" (change the design) of existing telephone equipment to facilitate the ability of the government to wiretap it's citizens. This
could require builders to place microphones in the walls of private homes and apartments, so some government "snoop" could listen in on your conversation, twenty-four hours a day. Don't laugh! It is well on it's way to completion, with the approval of the men and women you have sent to Congress.

Use this information to confront your legislators who have turned traitor to our Bill of Rights. Don't let them get by with some bureaucratic answer such as the typical: "We appreciate your interest and want you to know we are looking out for your welfare".

A few years ago, when I happen to be in a position to find out that Russian troops and their equipment were flooding into Mexico, and were being strategically stationed within fifty miles of our border. I wrote several Senators and Representatives about this. One Senator referred this to the State Department, and an Under Secretary from Latin American Affairs, wrote me a rather nauseating letter stating in effect: "You can trust your State Department to look after the safety of Americans in the Western Hemisphere". Knowing something about the repeated TREASON of the State Department through unpleasant first hand experience, I was not at all impressed with the answer.

Most of our legislators never hear from us and when they do not, they believe they are getting by with their sometimes treasonous activities.

We MUST let them know, in no-uncertain, yet Christian terms, that "We the People" will hold them accountable for their legislative actions, and that a DAY OF RECKONING will come!

Then we MUST keep in mind two things: First, that ETERNAL VIGILANCE IS THE PRICE WE MUST PAY FOR OUR FREEDOM, and Second that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY! When we act on these two things, then, and then alone will America return to the place of greatness and safety she deserves!

EMERGENCY!

FOREWARNED IS FOREARMED!

"When a strong man armed keepeth his palace, his goods are in peace." (Luke 11:21)

I was so blessed with information received from the May 1992 issue of THE McALVANY REPORT, that I felt led to share it with you, since it is of extreme importance at this time. The entire report may be ordered from P.O. Box 84904, Phoenix, AZ 85707.

My message to you dear ones who read this report is to be WARNED AND PREPARED. May I suggest that this report be copied by the thousands and sent across the country. I have enclosed a few extra for your immediate use. It needs to be distributed well before the November election time.

In the wake of the Los Angeles riots in April and May, we might ask, "Why did they occur?" There are several answers we need to consider:

1) THE MEDIA

In the eyes of knowledgeable people, I'm sure you will agree that the major blame for those riots should fall on the shoulders of the liberal, controlled media, who played, and replayed, thousands of times, only an eight second portion of the Rodney King film, without ever showing what went before. This was deliberate news distortion by selective editing of the video tape. This is typical of the media worldwide. A rioter attacks a policeman who retaliates in self-defense and the TV cameras respond to the response, never the provocation.

During the hectic days of the Vietnam War, I personally saw several instances where TV camera crews paid agitators to burn an American flag, so that violence would erupt and they could film it. The emotional message presented by the media, both newspapers and TV, was a message of hatred towards Whites. Viewers were constantly bombarded with instances of White prejudice and hatred, which they said had caused the riots.

A Black minister on TV said: "The Crips and Bloods (L.A. gangs) must quit fighting each other. We need to band together and have war in the streets". This is pure, deliberate sowing of hatred and inciting to riot on the part of the media. It is all part of a long-term syndrome of wicked, liberal, self-serving on the part of the media, designed to help no one, while furthering the purpose of the media. If it's a crime to "incite to riot?" Then why is the media never prosecuted?

Clear thinking Americans KNOW, that had it been Whites who rioted, the orders to the police and the National Guard would have been "shoot to kill!" Yet when a National Guard officer was asked
why he had his men retreat rather than confront the mob, he said: "We can't afford another Kent State affair".

2) THE GANGS UNITED
Southern California's Black and Hispanic gangs, led by two of the deadliest, the Bloods and Crips, buried the hatchet and formed an alliance against all law and order. They orchestrated, planned, and led raids against Chinese, Korean and Hispanic areas. The New York Times, (5/8/92) quoted a Crip's leader as saying, "Instead of shooting each other, we fought the police".

Another masked rioter was quoted as saying: "Now my attention is not focused on another gang member. He is a brother in arms. I finally realized they're diggin' and trippin' on the same thing as us".

These riots had quite obviously been planned ahead of time by gangs who consider this to be the beginning of a racial war. One arsonist bragged that he had been paid to set the fires and they were set in an expert fashion to cause a maximum of damage. This was not the random action of a rioter tossing a Molotov cocktail through a store window. It was planned by pros!

A week before the riots began, Black Muslim soldiers were warning Black businessmen to place signs on their stores which said BLACK OWNED BUSINESS! Many of these were spared!

At the beginning of the riot, gangs broke into a huge Western Surplus store and stole over 1100 firearms. They also stole over 200 Los Angeles police uniforms from dry cleaning establishments. There is reason to believe that gang members, dressed in these uniforms, will commit atrocities in the future which will be blamed on the police and will further exacerbate the trouble and cause further hatred and division between police and people.

Handbills which were distributed in the LA area state that gangs intend to kill policemen, firemen and public officials, once the National Guard leaves the area. Several of these Black gangs have as part of their initiation ceremony, the killing of a White person, or the raping of a White woman.

It is interesting to note that Willie Mandela, the revolutionary Communist leader from South Africa was in LA earlier this year on Martin Luther King's birthday. Intelligence sources say that she met with Black gang leaders and counseled them on revolutionary tactics and strategies being used in South Africa. One wonders how long it will be before Winnie's favorite terrorist tactic, called "necklacing" will be used in America. (This is the practice of hanging a car tire, filled with diesel around the victim's neck and igniting it).

3) THE FRUITS OF LIBERALISM
The Rodney King trial was not the cause of the riots. It was merely the trigger that set them off. Evidence has surfaced which states that this riot had been in the planning stage for a long time. It is an aftermath of the American liberalism of the 60's, which educated an entire generation White and Colored alike, to do anything that makes you feel good. A close look at the LA looters on TV will show that they were not angry, they were having a ball, as they came out ot shops. their arms loaded with loot, waving and laughing for the TV cameras.

Several generations of "inner city youths" and their parents have been destroyed by our Socialist Welfare System. exactly as planned.

The looters showed no conscience. They were merely collecting from society what they believed was owed. The hatred was not in the hearts of the looters, but in the hearts of the liberals who had poisoned them against their White benefactors.

Despite a Great Society Social effort which is now well into its fifth decade, at a cost to the productive citizen's of this country of over $2.5-trillion dollars, Blacks today comprise almost half of the total prison population of America and 40% of those murdered in the U.S. are Blacks killed by Blacks, while 65% of all Black babies are born to unwed mothers. In the Inner Cities, this often reaches 80%.
While decent Americans watched with horror, as stores were looted and burned, and people were dragged from their cars and beaten to death, very few realized that they were looking at the fruits of fifty years of a soured social experiment, gone wrong, with more chaos to come from it.

4) MORAL AND SPIRITUAL DECLINE

Another thing which influenced the riots, arson and murder, even beyond the liberal "something for nothing philosophy," is the preoccupation of our society for violence. If you do not believe this, take a good look at the evening fare being served to your youth on TV.

The average American child on a steady diet of TV, may well see as many as 15-20,000 acts of murder and violence. They live on such a diet! Americans don't read much anymore. TV has taken its place and does their thinking for them! It has been said that, with historic proof for the statement, that when the literature of a nation become violent, look for violence in that nation.

We have seen a moral and spiritual breakdown in Canada and the United States, and as prayer and Bible reading has been phased out of our schools, to be replaced with liberal philosophies such as sex education, the fruits of fifty years of Secular Humanism are now "coming home to roost!" The stage has been set in North America, for violence, anarchy and bloody upheaval. such as has never been seen in the history of this old blood soaked world.

The riots took place because of the four reasons given above. The looting was the result of people having been saturated with the something for nothing" philosophy of the Socialized Welfare State. Thousands of people in L.A. decided it would be more fun to loot, than to work for an honest living.

A Black economic professor at George Mason University, Walter Williams, said: If the governor and the mayor has given the police and National Guard orders to shoot to kill, the riots would have ended in a few hours, with very little loss of life or property." But this was not the plan of the planners. This would not have accomplished their goal.

When looting becomes fun, and you don't have to pay a penalty for it, why behave like civilized people, which they were not'. In a few short hours, thousands of citizens in Los Angeles reverted to savagery, which would have made their African and Mayan ancestors proud of them.

SECULAR HUMANIST REACTION

Almost as shocking and sickening as the rioting, looting, arson, and murder, was the response of city, state and national leaders. both Black and White.

First there was an almost universal trumpeting of a false message that all Whites were guilty of racism, hatred, intolerance, bigotry and the slave-master mentality. Those who hated the most, were the liberals who brought this sad condition about, and who always scream the loudest about bigotry.

These Secular Humanists are masters of the "collective guilt trip," which is designed to take our attention away from the real problem.

As the Rev. Jesse Jackson said. as the riots grew worse and worse: "The seeds of this violence were planted in the days of slavery, and have grown stronger due to half-hearted efforts by the government to improve the conditions of our people." In the name of common sense, Jesse, what happened to the $2.5-trillion we have shelled out over the years. It is extremely difficult to help a people who do not want to help themselves. but who want everything handed to them free, on a silver platter!

The liberals keep telling us that we haven't done enough for the Blacks. Yet we see them burn and loot their own areas and expect us to pay for their fun. The welfare dollars we have shelled out over the years have destroyed many of the

Black people and set them up as "cannon fodder," for a racial war, designed to bring America into the New World Order.

Why is it that the Koreans and Vietnamese have been able to rise above their difficulties and
become successful? Could it be because they want to do this? This is why they are hated by the Blacks.

Third, the liberals believe that "good government, which places necessary control on evil men" is evil. This is why they demand that our Police be given Sensitivity Training. Yet notice closely, it is these same liberals who screamed the loudest, because the police didn't arrive soon enough at the riot scene.

These liberals, including our President, cry that our legal system is unfair to minorities, then turn around and attack the jury system, which is one of the few remaining bastions of Constitutional freedom we have left.

**LESSON TO BE LEARNED!**

No one was prepared for the riots except the rioters. The police and fire departments were in sad shape. The state and federal government were not prepared and if this nation ever comes under attack from a foreign invasion, God help us if what we saw happen in LA is the norm.

Most important of all, the people were not prepared! For a long time now, there have been repeated warnings of approaching racial unrest, of economic and political upheaval, especially in our large cities, but few have been prepared to listen and take action.

Those who should be the most concerned, the Christian pastors of America, have often been the worst offenders, as they tell their people not to worry, because Jesus will come back and rapture them out of the mess caused by their own apathy, before it gets "all that bad."

We read in Jeremiah 23:22, in the Holy Bible, that if the pastors of the land would stand in God's counsel, and preach His Word, our people would turn from their wicked ways, seek His face and be saved. Yet today, with over 45-million "born again" Christians in America, this country is headed for hell faster than at any time in our history'. Could it be that these "born againers" are the Christian "salt" Jesus spoke about in Matt. 5:13? He said: "But if the salt has lost his savor, (ability to act as salt and hold back corruption) it is good for nothing but the garbage heap".

There were needed lessons to be learned, if we are to survive in the days which lie ahead. Many people in L.A. were without food, for most of the food stores had been looted or burned. They had made no provisions for the care of their families during this emergency.

Most of them were not armed, and many had been intimidated by a state government which had attempted to disarm its decent, law abiding citizens. The city even halted sale of ammunition, so that those who attempted to defend their businesses were hindered from doing this, while the police could, or would not help them.

The only section attacked, that survived, was the Korean area, where brave men banded together to defy the rioters and protect their own property.

As things begin to escalate in the near future, look for our government to declare a "state of emergency," which would give the President the dictatorial authority to disarm law abiding citizens, and take complete dictatorial control over America via Executive Orders which are already in place.

As our nation approaches another Presidential election, we are presented with three major candidates, all of whom represent the same International One World interests. No matter which one is elected, the front man will still be controlled by the Talmudic establishment.

Some of us have recognized for a long time, that our government, since at least 1913, has been under the control of the International Money Changers. We have not had an American Government during this period. no matter whether Republicans or Democrats were in the driver's seat. The government psychologists say that those who believe this provable contention have a "paranoid conspiracy complex," which is dangerous to the well being or our people... Yet we who believe this, are the only one's who are doing anything to preserve this Republic which the anti-Christ want to destroy.
As we approach the grossly over-exaggerated event of a Presidential election, we are faced with a perplexing question re one candidate. Most of us know what Bush and Clinton stand for, for we have heard them tell us and have seen them in action. But what about Ross Perot? Someone has said; 'Always mistrust the obvious!'

Ross Perot is not what the controlled media says he is, i.e., a Conservative businessman, an outsider, an anti-establishment 'knight on a white horse'. The alien masters of America, who are experts in reading shifts in public sentiment, have packaged a candidate or program which they believe will fit the national sentiment.

Much has been said in the media and on TV about the anger of the Blacks and minority people over real or fancied wrongs which have been perpetrated on them by the White majority. But very little is said in the media about the anger of the WASPS (White Anglo-Saxon Protestants and many Catholics) which is heating up to a "white hot heat," which when it breaks out will not be stopped by calling out the National Guard. More and more White Americans are becoming angry as they see our government taking away basic God given freedoms and handing them to aliens.

We have become like a man who sits on an open keg of gun powder, while he smokes a cigar and knocks the ashes into the keg. It will only take one spark, at the right time to reach the powder, and this world will experience the worst explosion it has ever seen. Yet our leaders, both political and spiritual hide their heads in the sand so that they will not have to see this approaching. When this happens, and it will, there will be a "housecleaning in America, in politics and in the church," which will find leaders convicted and executed as the TRAITORS they are!

So knowing how this "anti-establishment" sentiment is growing in America, the "establishment moguls" are packaging Ross Perot as a candidate to siphon off this heat.

They did this to a certain extent in the Post-Watergate era, when they presented America with Jimmy Carter, the "peanut-farmer" from Georgia.

Americans had become fed up with Washington and politicians in general. Some were even referring to our national capitol as "le cessepeole Grande," which was close to the truth. People were angry with the lying sleaze which was coming out of Washington. So as God formed Adam from the dust of the earth, the Internationalists of the Council on Foreign Relations, formed Jimmy Carter from the red mud of south Georgia.

They found a relatively unknown southern governor, who was a Southern Baptist, (and this in itself was worth a few million votes and a liberal. and David Rockefeller, Zbigniew Brezezinski, Henry Kissinger and others from the TRiatlteral/CFR began to mold a political candidate that would pacify the restless American voters.

They taught him how to comb his hair (the dry look was in vogue then), how to dress, how to pronounce words like for-eign-pol-i-cy; and even how to smile.

Then the media began his buildup. He was an outsider, remember? anti-Washington; anti-establishment, pro-family (although they had to hide brother Billy once in a while); a common, simple, self-made man of the people, a peanut farmer, a graduate from the Naval Academy, a brilliant nuclear engineer, a devout Sunday School teacher - in short, the perfect product to meet the national mood.

The reality was that the Tri-Lateralists created, programmed, and totally controlled Carter, who they surrounded with 17 other Tri-Lateralists, such as Fritz Mondale, Andrew Young, Cyrus Vance, Blumenthal, and Carter's entire Cabinet. They created an "administration-n-waiting' 'and sold it to the American people via the media. It was the very opposite of what it purported to be. Remember, the Internationalists also owned Gerald Ford at this time, the Republican candidate, but they preferred Carter.

Today we have a parallel with the meteoric rise of Ross Perot from relative obscurity. Doesn't it seem strange to you that the liberal, controlled press is giving such sympathetic coverage to Perot?
They certainly haven't done this to Buchanan, or David Duke, or Third Party Candidates such as "Bo" Gritz or Howard Philips.

**WHO IS ROSS PEROT AND WHAT DOES HE STAND FOR?**
Believing his "well crafted" outsider appearance, Perot has had close ties with the establishment for decades. Former White House aid Peter Flanagan, from the Nixon years, calls Perot the "ultimate insider". White House logs show that he had over 40 personal talks in the White House and that the White House rolled out the "red carpet" for Perot and his family when they visited there. They were given VIP treatment.

I don't have time in this article to go into some of the numerous "deals" Perot made with the government, but it is known that he made hundreds of millions of dollars when he computerized MEDICARE and MEDICADE. In fact, much of his wealth came from government contracts.

Today, Perot's top advisor is Thomas Barr, a New York lawyer with one of the biggest establishment law firms in the country, and a fellow member in the CFR.

**WHAT DOES PEROT STAND FOR?**
Does anyone really know. He hasn't given a platform at this writing in late June. He has admitted to being:

1) Pro-abortion and has donated lots of money to this cause.

2) Anti-2nd Amendment rights.

3) For increased use of government wire taps in drug cases, which can easily be extended to everyone.

4) Is for increases in aid to Russia.

5) One good point in his favor is that he is anti-aid to the Israeli.

6) is for a computerized tax return.

7) Advocates partnership between government and big business, the very essence of Fascism.

8) Is for increasing the size and power of the IRS.

9) Is for a British/Swedish style National Health care system which is National Socialism at its best.

Columnist Joseph Sobran has said: "While Perot is a good symbol of business/government partnership, he acts outraged by the federal government while advocating a bigger, stronger, and more efficient federal government

Instead of calling Perot "anti-Washington," it would be more accurate to call him an "anti-Constitutional" candidate. for according to his own words, "the problem with this country is not with crooked politicians, but with an dated system of government, which he would like to change.

If Perot is elected, expect to see an immediate Constitutional crisis of some kind or other.

**ARE YOU PREPARED FOR 1993 AND BEYOND?**
The coming months, and years could very well turn into the most unstable in the world's history. I believe this is backed by Bible Prophesy. Because of this, it will be the most dangerous.

These are not the rantings of some DOOMSAYER, but come from an intelligent analysis of what is taking place in the world, and primarily in Canada and the United States.

The social upheaval in LA this spring, underscores the distinct possibility of much more of the same, on a larger scale in the near future.

These crimes will be social, financial and political. Most of them will be brought on by the moral and spiritual collapse, which has stultified good people and often turned them into moral and spiritual cowards, who cringe in their foxholes when they should be on the battle-line against the evils which are destroying our country.

There are at least four major areas of crisis in the immediate future:

1) Planned social unrest and upheaval in our large cities.

2) Financial upheaval, also planned, as America moves into an inevitable depression and banking crisis.

3) Political turmoil, as the New World Order lackeys of the Eastern Establishment and the International Bankers, attempt to replace our Constitution and place more and more socialist controls on our lives, in an attempt to push us into their New World Order.

4) A major military crisis, much more dangerous than admitted by the Pentagon and the Washington politicians, as a disarmed America is confronted by a heavily armed, revitalized new Soviet Union, under a new name; Mr. Yeltsin and his talks about peace notwithstanding.

**WHAT CAN THE INDIVIDUAL DO!**

There are a number of things the prudent individual or family can do to prepare for the coming debacle. The first, and by far the most important, is to develop a firm, personal relationship with the God of the Bible, and His Son, our Savior, Jesus the Christ. Study your Bible as never before and see for yourself why America is being disciplined. I would suggest you start with a close, prayerful study of Deuteronomy 28. Then take the personal steps necessary to put the principles found in the only FORMULA FOR SURVIVAL we have available, as found in 2 Chronicles 7:14 into effect.

1) HUMBLING of self. I have seen very little of this, even among Identity pastors.

2) PRAY. For forgiveness for disobedience. But first, to have God hear, we must be in a right relationship with Him, (see Isaiah 59:2).

3) SEEK HIS FACE. This means obeying Him no matter what, instead of trying to "do our own thing!"

4) TURN FROM OUR WICKED WAYS. Turn from disobedience, to obey and be saved!

No other area of preparation is as important as this. Now, as never before, we MUST seek God's guidance, strength and the peace that only He can give in the midst of struggle and tribulation.

Following are some physical steps you can take NOW and which should be completed well before the November elections:

1) Relocate to a small town or rural area if at all possible. The Bible says: "Come out of
her (Babylon), my people, that ye be not partakers of her sins, and that ye receive not of her plagues". (Rev. 18:4)

The Los Angeles riot is but a small sample of what lies ahead and which may very well engulf America's major population areas during the next few years.

The ingredients of the Los Angeles riots: gangs, racial tension, drugs, poverty. infrastructure paralysis are present in every large city in America.

When this crisis takes place, plans are for the military to seal off these metropolitan areas, and if you are caught inside you may very well not be able to escape.

A small town or rural area, at least 300 miles from a major city would be the best. But If your employment forces you by economic necessity to work in a major city, move your family at least 40 to 100 miles away. I can think of no more important immediate aspect of physical survival than this.

A country retreat, while far from ideal is a second option.

History proves that during the Russian Revolution, World Wars I and II, and the Great Depression, people living in small towns or rural areas, fared much better than the city dwellers.

2) Develop a mental attitude that will make you self-sufficient from the "system".

Most of the people in the riot areas of LA were completely dependent on the "system", for food, water, electricity, fire and police protection, transportation, welfare checks and banking facilities. When the system shut down, the people were helpless and at the mercy of the mob that burned and pillaged. Had the crisis lasted a week longer, LA would have been in utter panic.

Here are a few ways you can change your mental attitude:

1) Begin to develop discernment about people, and learn to read between the lines that the controlled media feeds you.

2) Take an honest look at yourself to discover your strengths and weakness; then work to strengthen the weaknesses.

3) Seek the counsel of wise and Godly people whose lives prove their belief.

4) Find like-minded people and live if at all possible in close proximity to them. Band together for mutual protection and have plans for emergencies.

5) Find alternative ways of doing everything necessary for physical survival. You may need them!

6) Develop an instinct for those things which are right and those which are wrong. These can be developed through Bible study.

7) Begin to eliminate non-esentials from your daily life. Do you really need two TV sets. or that micro wave to survive? Is it necessary to have two cars and a swimming
pool? If you can't get along without these things, you could very well be in for trouble.

8) Develop physical, mental, and above all, spiritual disciplines.

9) Learn to treat everything as though it were irreplaceable. Even toilet paper may be a luxury in the future.

10) Buy things which will last, even though they may cost more.

SOME OTHER THINGS TO CONSIDER

A - FOOD SELF-SUFFICIENCY!
This will be one of the most important aspects of your survival plans, so be sure you have enough dehydrated or freeze dried foods to last your family for at least a year (two years would be much better). People in the LA area could not buy food after a few days, as food stores were burned, others looted, and still others ran out of food.

Learn how to garden (organic is by far the best) and grow some of your own food. This of course will be difficult to do in the city. This means getting seeds, and tools necessary for gardening. It does not mean you need a garden tractor or roto-tiller.

B - WATER
This is an essential during any emergency. What would have happened if the gangs in LA had poisoned the water system? When the "Gog Magog" attack comes, this will be one of the first things enemy saboteurs will do. We know the Soviets have had trained terrorists, called Spetsnaz troops in America for decades. Expect them to poison water supplies.

Store at least 25 gallons of drinking water in your home (100 gallons would be much better). Have chlorine or halazone tablets available for water purification. A water bed can be used to store 50 gallons of water. If you live in a rural area, think about having your own well, or a natural spring would be helpful.

C - FUEL
Power failures. in the winter, can be not only uncomfortable. but in some areas disastrous. So warm clothing and extra blankets are desirable. A wood stove for heating and cooking, where fuel is available, is a wise investment.

Gasoline will be essential if you need to leave the area, so have a few extra five gallon Jerry cans on hand, filled at all times.

If you live in a rural or small town you might want to consider a 250 or 500 gallon gravity feed fuel tank. Always keep enough gasoline on hand so you can evacuate your family if necessary.

D - PERSONAL PROTECTION
This is an area where many Christian people in particular fall short. The government is making it increasingly difficult for individuals to obtain the means of protecting their family and property, so prepare now. while you still can.

Every family should have at least one handgun. one rifle (which can be used for hunting). and one shotgun, with a minimum of 200 rounds for each.

If you are one of those who own no firearms. and consider that they are dangerous. or immoral. then stop and imagine yourself in the place of a LA family. as it is attacked by a marauding gang. bent on rape. arson and looting. with no police to call. If you won't protect your family, or your business, who will? If you are one of those Christians who are reluctant to protect your family, the Apostle
Paul said: "He who will not provide for his own (people), and specially for those of his own house, he bath denied the faith, and is worse than an infidel," (I Tim. 5:8). You can be sure that the word PROVIDE, covers PROTECTION too.

I believe that any attempts at this time by the establishment to confiscate firearms owned by tens of millions of Americans, would precipitate an armed rebellion. Yet strong moves are underway to disarm our people. The reason the enemy has not been able to precipitate a coup and seize absolute power in the United States has 200,000,000 reasons; not 200,000,000 Americans, but 200,000,000 privately owned firearms. A confidential Ford Foundation study showed that only 5 to 10% of Americans would actively resist an attempt by an enemy seizure of power. The bad news for them was that it would only take 1% of our citizens, armed and opposing such a takeover, to defeat it. (I would qualify this by stating it they were in a right relationship with God).

The answer is, that in order to seize power the New World order boys are going to have to confiscate these guns.

In the old Communist regimes, in Red China, North Korea, and Cuba, for instance, only the highest officials were allowed to possess them, along with the military, who are under the strictest of control. Criminals, whether on the streets, or in government, understand only one law - the law of force. The criminals who seek to enslave America and the entire world cannot be defeated by humanity and compassion, as much as the church world would have us believe this to be so. They can only be controlled by the harshest measures.

There are about 500 men in America, who control this country. Under them are tens of thousands of willing subordinates, the politicians and preachers who will sell their souls for popularity and a few bucks of "filthy lucre".

To protect these traitors, our government in recent years has deliberately imported 25-million aliens, which includes thousands of intensively trained terrorists, and over 100,000 hardened criminals. This force will be used to neutralize the opposition of the American people. The government, in spite of protests to the contrary, encourages crime, because it is the nationwide criminal force, not the police force, that keeps the population subdued. The clever plan of subsidizing the criminal element was the sole achievement of the Law Enforcement Administration, a foundation-organized plan that originated at the University of Chicago. (This may explain in part, why the police were slow to react during the LA riots. I sincerely believe that only a few of the highest police officials know of this plan).

The federal government uses its armed police, the IRS, the FBI, the BATF and the CIA solely to terrorize its citizens into compliance with the program of the New World Order. Many good patriots have come to realize that the FBI is not concerned with fighting subversives such as communists (and there are tens of thousands of them in the pulpits of America and our education system. In 1983, the FBI admitted they knew of over 100,000 Communist agents in America, but refused to apprehend them).

Many now realize that the IRS functions as an armed group of terrorists, not so much to collect funds, but to extort money by force from American citizens, as part of the New World Order's plan to destroy the "middle class" and prepare us for merging with the Third World Nation.

(The foregoing information on guns and police terror, was taken in part from THE NEW WORLD ORDER: A Study in the Hegemony of Parasitism," by Eustice Mullins, copyright 1985).

While you are at it, develop an Emergency Plan for your family. Write it out and be sure that each family member knows what to do if an emergency of any kind develops, whether it is a hurricane, an earthquake, a mob riot, a foreign invasion, or an attempt by our own government to institute dictatorial powers.

**E - FIRST AID**

Since the medical system of this country will collapse during a time of national crisis, every
American should have a basic knowledge of First Aid. Drug stores and supermarkets will not be available for medical supplies, so you need to make arrangements NOW to have essential medicines on hand. Most health food stores will have valuable books which will give you the information you need. (I have a little handbook, YOU HAVE BEEN WARNED! written by a fine young Identity Christian, Jerry Younkins).

**F - DEVELOP PHYSICAL SKILLS**

Learn to use and maintain your firearms. An elementary knowledge of carpentry, plumbing, auto mechanics, camping, archery, shortwave radio operation, organic gardening, map reading, sewing, canning, etc. will be helpful. Again, the health food stores will have books which will be helpful.

**G - GET SUPPLIES THAT WILL INCREASE YOUR SELF-SUFFICIENCY**

These would include flashlights, batteries, candles, bed-rolls, a wood stove, gas cans, tools, etc. Develop a mind set to look for essentials at garage sales, surplus stores, flea markets, etc.

I am not going to take time to go into the complicated business of finance and investment, except to say. Be very, very careful!

When we take time to look at the evil men who seek to control America and the world through their New World Order, and the evil people they influence to do their dirty work, as in the LA riots. We should remember that God is still on His throne and Ps 2:4 tells us that as evil men seek to wrest control of the world from Him, He will laugh at their efforts and hold them in contempt. They may be successful for a time, but their time, like that of their mentor Satan, is short. (See Rev. 12:12).

When King David felt the power of wicked men in his day, he sought God's face and wrote many of the psalms which give us comfort in these days.

Psalm 3 says: "Lord, How are they increased that trouble me: Many are they that rise up against me. Many are they which say of my soul, there is no help for him in God: But Thou, O Lord, are my shield; my glory, and the lifter up of my head".

Psalm 46:1-3 says: "God is our REFUGE and STRENGTH, a very present HELP in time of trouble. Therefore will we not fear, though the earth be removed, and though the mountains be carried into the midst of the sea; though the waters thereof roar, and be troubled, though the mountains should shake with the swelling thereof".

What more assurance can you ask for?

So as conditions and standards of living deteriorate rapidly, and troublesome times come to this nation and our people. Be cognizant of the inherent problems. Don't be like many Christians who fail to study God's Word and equate our problems with our disobedience. Pray for understanding of these times; pray for courage to face them and prevail; pray for His soon return as King of Kings and Lord of Lords!

AN OBJECTIVE LOOK AT
U.S. FOREIGN POLICY SINCE WORLD WAR I
A TIMELY LECTURE
Evangelist, Author, Lecturer

The well known American Educator and Legislator of the Nineteenth Century, Horace Mann, once said: "On the face of it; it must be a bad cause which will not bear discussion. Truth always seeks the light, instead of shunning it."

This is what we will seek in this message, as we look at what has happened in American Foreign Policy since World War I. We will look at unhealthy forces which have in-filtered our Government; we will see the damage they have caused, then we will seek answers to this Fifth Column which has invaded us with the purpose of destroying Christian civilization and the freedom it brings to men everywhere.

Over the past thirty-five years in particular, concerned Americans have painfully watched the disintegration of the greatest nation the world has ever seen. We have stood by, often in frustration, as the United States has lost prestige in economic, political, moral and spiritual influence. We have often remained silent, as our competitive Free-Enterprise System has been undermined, our natural resources depleted, and our national wealth given to our enemies and doubtful friends, often on credit. We have watched helplessly, as our sons have been murdered in two "no-win" wars, which were planned by evil men to further their own aims, line their pockets with our wealth and finally enslave us.

Painful as it is for us to admit, the United States is in retreat on every front. Our moral and spiritual strength has declined and we have lost our international prestige. Many of our once great Christian churches, which were lighthouses in a darkened world, have degenerated into "glorified country clubs," where men and women belong, not because of the spiritual benefit they receive, but because of the prestige it brings.

These churches, once the source of our national strength, have often become the source of our national illness. Some in the fundamental field, while not succumbing to the disease of liberalism, have opted in defense of our worst enemies, have dignified them by calling them "God's Chosen People," and have indoctrinated their people with a religious neutralism which causes them to hide in their spiritual foxholes, waiting for the Lord to return and Rapture them out of this "time of trouble." They too, are part of the illness which is killing America.

There can be no argument about our loss of power, when a little, unstable country such as Iran can hold us up for political blackmail. Iran, Taiwan, Cuba and the Panama Canal "giveaway" have all been milestones in America's retreat.

We are in grave danger as we face this decade, for we have become a "senile old tiger" with roting teeth, who is confronting a fanatically dangerous Russian bear and an equally dangerous Chinese dragon.

Unless there is an immediate turnabout in foreign policy, the alternatives we face before the end of this decade are almost too awesome to contemplate.

Many of us have high hopes that the Reagan Administration will turn America around. The rhetoric is there. But we cringe as we see top appointments of those who are internationalists, Tri-Lateralists, and members of the Council on Foreign Relations, all dedicated to an ultimate loss of
American sovereignty and an amalgamation of our precious country into a One World Government. Listen to these men, who are members of the Trilateral Commission and many of whom are dual loyalists with the alien State of Israel.

How can our Republic heal herself, when our top leaders are dedicated to the dissolving of our national sovereignty. Could Mr. Reagan still be acting? Could he be playing the part of the "White Knight in shining armor" for the confused masses of Americans, when in reality he is only a figurehead for the same evil group which has controlled America's direction for sixty years? It would be well for us to think about this while there is still time.

No amount of statistics or hard facts, seem to be able to deter the liberals in our government from the naive assumption that our enemies want the same things we do. History has adequately proven, to those who will look and listen, that the Internationalists do not look on detente, war, peace, and co-existence in the same naive manner as our state Department.

We have a right to be alarmed by what we see happening on the world's scene. But most of us are confused. Why is America in retreat? Why has everything seemed to go wrong for us in the past few decades? Why is it that we cannot cope with the problem caused by illegal immigrants? with the energy crisis? with subversives within our government? In all of Mr. Regan's loud stand against Communism, I have never heard him, or any of his top advisors, say a word about cleaning out the subversives which have been entrenched in our State Department, at least since the time of the New Deal.

I think our problem is not that we haven't heard enough, but that we have been deliberately led astray by what we have heard. In the words of an Ozark hillbilly philosopher: 'It ain't so much from not knowin' that causes our trouble; as it is from knowin' so much that ain't so!' Most Americans are confused and our enemies know that confused people are easy to control.

Many years ago, Daniel Webster defined American responsibility in these words: "The Constitution is but the creature of the public will; and in every crisis which threatens it, it must owe its security to the same power to which it owes its origin. The appeal therefore is to the people, and to all the people; not to party or partisans; not to those whose interest in office and place is greater than their stake in the country; but to all the people, to those who have no wish but for the best for their country." I would like to believe that those who read these words belong to this elite group.

So my appeal to you in this message is not to Republicans, or Democrats, or Independents, but to Americans! Not to Protestants, Catholics, Jews, Mormons, or whatever religious persuasion you may be -but to Americans! To those of you who really care about what happens to us! In the words of Benjamin Franklin, the time has come when "Gentlemen, we will either hang together as
Americans - or we will hang separately!"

My firm conviction is that the salvation of America will come about, when dedicated Americans recognize their heritage and their responsibilities before Almighty God. These can turn America around and get her headed back to greatness.

My purpose in this message is not to discuss the defeats of the past - it is not to concentrate on the debacle in Iran, Vietnam or Panama. It is not to point out our lowering moral and spiritual standards and the crime which is about to swamp us. It is not to point the dangers we face of slipping back into another Dark Age. You know about these things! My purpose is to prove to you, beyond the shadow of any reasonable doubt, that our problems have been deliberately created and that we have been manipulated into our present crisis by blind, mis-guided leaders. While still others have been openly contemptuous of the Constitutional process and are traitors to the American ideal!

In dealing with an enemy, it becomes vitally necessary that we understand them. America's first Ambassador to the Soviet Union, George Kennan once said: "The great tragedy of the West is that many of its leaders -many of whom are fine Christian patriots, simply are incapable of grasping, or understanding the nature of this enemy, bent on our destruction." My feeling is that if this is true, they have no right to be our leaders. But be that as it may, I'd go a step farther and say that many of them, including thousands of our religious leaders do not want to understand this danger. Even worse, some of them are TRAITORS!

I do not consider myself as an expert on American foreign affairs, although I have had a lot of first-hand experiences with the State Department in pre-war Korea and later in Ethiopia. What I saw in both those areas could only come under the title of TREASON! But I have found that a person becomes an expert when they get more than fifty miles away from home. My experiences with the communists in Korea in 1948 and later on in the Korean War, has colored my thinking to the point where I am very harsh and critical when I deal in those areas. No doubt some of you will be upset with my remarks and I may have to say with the Apostle Paul: "Am I to become your enemy, because I tell you the truth."

Now I am about to make a rather strange statement. I do not ask you to believe or accept a single statement I make. I do however, ask that you do yourself a favor. Take what I tell you; place it under the most powerful magnifying glass of truth you can find and when you realize that what I told you was true, do something about it.

I doubt that any of you who have a watchdog, would go down and shoot him if he barked some night to warn you of a breakin. But this in essence is what the American people have done.

There was a time when American Foreign Policy was relatively simple. It was based on the simple premise: "Walk softly; but carry a big stick. "We did not do a lot of threatening; we had no aggressive policy towards our neighbors. But the world knew where we stood and they respected us, friend and foe alike. Today we have a tendency to "talk big," and seldom do anything to back it up.

The actions of our government during the Iranian crisis reminded me of a story I heard about a man who had been beaten up by this big bully for the "umpteenth" time. As he lay bleeding on the ground, he looked up at the burly brute who loomed above him and said: "That's the tenth time you've robbed me. You beat up on me every time. Once you raped my wife. I'm getting sick and tired of this and one of these days, if you don't stop, I'm going to get mad at you."

As I mentioned earlier, I'm a bit disturbed by Mr. Reagan's Foreign Policy. Both he and Alexander Haig, have been quite busy "tweaking the nose," of the Russian bear, when they have only a switch to defend themselves with. I think this is foolish!

While our military leaders say we are ready to go to war - and this is true if we are thinking about fighting Mexico or Cuba; but if they have the Soviet Union in mind, that's a bald faced lie, or as Mr. Churchill used to say: "a terminal inexactitude."
During Mr. Carter's term in office, not a single new missile was added to our arsenal; not a single strategic warhead. We have the same number of Minuteman missiles; our B-29's are "over age in grade," and fewer in number than in 1976. While we "went to sleep at the throttle", the Soviets have been busy adding to their might. They did not sit static behind some Maginot Line. They have deployed hundreds of SS-16 and 19 rockets, with six to ten warheads, all targeted in on America. They have deployed thousands of SS-20 short-range rockets in Europe, enough to blow NATO off the map. We sold them the technology so that these weapons are super-accurate. In 1976 we had 476 ships, today we have 446, and many of them are obsolete.

If our military is ready to defend America, then why has our Army Chief of Staff called it a "hollow army?" Why has our Airforce Chief of Staff publicly admitted: "Our general purpose forces are insufficient for combat."

Former Secretary of State Muskie, says that to build up our forces would mean an "endless war." To believe this, you would have to believe that American strength would invite aggression, while American weakness would not. The lessons of history prove the contrary. So I'm 100% behind Mr. Reagan's plan to strengthen our Armed Forces. But "please Ronnie; don't get fresh with the Soviets until we're in a position to handle them."

Our military experts say this won't be before the end of the decade.

The majority of America's problems have come because we lacked moral courage. We have heard so much about being "out of gas." That's not our problem! Our problem is that we are "out of guts." As we rebuild our Armed Forces, one of the most important elements we will need is to instill in American young men the fact that we have something worth fighting for. The liberals have done such a good job of "brainwashing" our boys, there are few we can trust if we get into another "Big war." If we were to be confronted with a War like World War II with our present professional Army, all I can say is "God help us!"

In these days of declining greatness, we have lost the hallmark of International greatness. This is firmness in dealing with hostile nations. It is a historically proven fact, which cannot be argued against, that a strong stand, from a position of strength, is the only way to bring peace with a potential aggressor.

Probably one of the best examples of this took place in 1902, when a Moroccan bandit, named Razuli captured an American woman named Pedicaris and held her for $10-million ransom. Within forty eight hours after notice was sent to Washington, President "Teddy" Roosevelt sent a four word cablegram to the Sultan of Morocco. It said: "Pedicaris alive - Razuli dead!" and was delivered by an American gunboat that steamed into the Harbor of Tunis, lowered her big guns on the Sultan's palace and 12 hours later, Mrs. Pedicaris was back without a scratch and we didn't pay one cent of ransom.

The bleeding hearts in our government call this "gunboat diplomacy," and say it won't work in the present nuclear world. But it's stood up for the Soviets for 35 years since World War II and it's time we put it into effect. It's time we stopped trying to be loved by everyone in the world and stood up for America for a change.

At one time we had a breed of giants in Washington and American power and influence reached around the globe to do great. We were never perfect, but compared to the totalitarian countries, we were so much better off, that our very poorest people lived better than 75% of the rest of the world. We were recognized by friend and foe alike, as the very best and we stood ready to defend freedom everywhere. Then somehow we "lost our steam," we became "moral cowards," and along with this, we became the "laughingstock of the world." But even in these days of our degradation, something of that greatness still remains, this is what causes tens of thousands of people from all over the world, to literally fight to get into America.

The sad thing about this whole rotten mess is that it was brought about, not by the action of our
enemies, but by the apathy of Americans. We have allowed our country to be governed by bureaucratic dictators, who seem to believe they have more intelligence than the collective wisdom of the American people. Unfortunately, we have allowed them not only to get into power, but once they proved what they were doing, we seldom had the guts to kick them out.

One of the reasons we are no longer great is because we are afraid. We are afraid of "the bomb," although no one has died in a nuclear attack since Nagasaki and Hiroshima. We are afraid of our minority people to the point where we refuse to do anything to bring this problem under control. We are afraid of having a heart attack; of getting fat; of becoming unpopular. Many of our young folks are so afraid of pollution, nuclear and otherwise, that they can hardly sleep at night. They have never been told about the dangers of moral and spiritual pollution, which will destroy them a thousand times more surely than a nuclear leak. Someone has said: "If the ten o'clock news is good, the American people go to sleep; if it is bad, they go to pieces." That pretty well sums it up!

Today the psychologists and psychiatrists, who are supposed to tell us what's wrong, are killing themselves by suicide, four times faster than the rest of us nuts! They are afraid too!

I believe most of our problems should be laid at the feet of the "great silent yellow majority." Those people who like to go by the name of Christian, but who don't want to be involved.

I heard a story recently, which sort of illustrates this. It seems that a woman was mugged in Central Park, New York City. A man found her lying on the ground, bleeding from her wounds, he said: "Lady, shall I call the police?" And she replied: "No, don't, I don't want to become involved!"

You see, you and I'll not lose our freedom, some morning at 3 a.m. when we answer a knock on our door to find a man with a red star on his cap and a Tommy gun in his arms who says: "Come along with me to the Concentration Camp." That's not when we will lose our freedom. We will lose it, when good people like you and I, see things happening in our schools, our churches, our local government, that we know are wrong, and we sit back and say: "I'm only one individual you know and everyone knows you can't buck City Hall." When enough good people feel like this, we will lose our freedom; we will take her to the cemetery to bury her, and over her grave we will have to erect a headstone with this epitaph: "America died; because the good people of America didn't want to be bothered."

One thing we should have learned a long time ago is that you cannot compromise with evil or evil men and come out in the driver's seat; neither as individuals or as a nation. We have sixty centuries of history to prove this.

I heard a story once about two old maid school teachers who were on their vacation, when they stopped in a big city zoo. In a cage in the Cat House, they saw a large black-maned African lion and five little lambs scampering around his cage. They could not understand how these two animals could get along together. They finally found a zoo keeper and asked him. "Oh," he said, "there's no problem there. All you have to do is replace the lambs every three or four days." This is what always happens when good people compromise with evil men.

Today the complacency of the American people in the face of observable, impending disaster, is so profound as to verge on insanity. Even our religious leaders have been affected to the point where one of their favorite hymns says: "It's better to be red than dead; it's better to compromise our Christian principles a bit, than to have the world blow up in our face." The poor fools don't even know what they will face if we ever surrender.

For decades, since the end of World War II, our State Department has sold us a bill of "rotten goods," in foreign policy, under the caption that we were "normalizing relations with Communist countries." Normal relations between a Republic and a dictatorship, should be "mistrust," "suspicion," "military preparedness," and "lack of all assistance." What we have been doing for forty years has not only been illogical, but it is downright immoral, anti-American and suicidal!

Some of you are going to be shocked by my next statement. But remember, I am going to tell you
the truth, not make you feel good. What I am going to say now will be contrary to what many of you have been told in your church. I believed the same way for forty years, until one day I began to study the Bible for myself and found the answer to a lot of the problems that had been "bugging" me.

I honestly believe we are going to have to take a long, hard look at the "all Out, no questions asked" support we have been giving to the Israeli Zionists. If they really are God's Chosen People, as so many of our pastors insist, (and there is a lot of hard, cold evidence to contradict this teaching) this still does not give them the right to rob and murder the Arabs in Palestine. Regardless of what you have read in your newspaper, or seen on television, thousands of Christian Arabs have been illegally driven from their homes in the name of Zionist expansion and many have been killed in cold blood.

I believe it is only common sense to re-evaluate our thinking and support towards a country which is basically atheistic, anti-Christian and Communist. They are not a democracy as we have been told. They are persecuting Christians within their borders and they "hate our guts," no matter how people like Jerry Falwell fawn on them. In 2 Chronicles 19:2, of the Old Testament we read: "... shouldest thou help the ungodly and love them that hate the Lord; therefore is wrath upon thee from before the Lord." We are helping God-haters!

Whether you are willing to accept this or not, our foreign policy is being dictated to a large extent by an illegal Zionist lobby group called the Anti-Defamation League. They have become so powerful that it is political suicide to go against them. I do not believe this is healthy for a free country.

From 1917, to the present, the Communist countries have brought over a billion people into subjection. Their persecution has been so harsh, that yearly, tens of thousands brave death to flee to the West. I can make this prediction with certainty. God will not bless America in any treaty we make with a God-hating nation, whether it be the Soviet Union, Red China, Cuba, or Israel; or any combination of atheistic nations for that matter, such as the Cannibal Debating Society called the United Nations.

Appeasement of evil men and evil motives, as we have seen in the past forty years, has never brought peace in the history of the world. Weakness always encourages aggression. The giveaway of our Canal in Panama was not looked on by the world as the mark of American generosity, as Pres. Carter told us. It was looked on as the mark of weakness. The after effects were seen in Iran and the way Carter dealt with that, opened a "whole can of worms," as far as International blackmail is concerned. The attitude of the Iranian religious leaders can be summed up in a statement one of them made to France. He said: "We will do the same with you as we did to the United States, when we rubbed their snout in the dirt."

It should become obvious to anyone who makes an honest study of contemporary American history, that our worst enemies are those within our Government who advocate a policy of Internationalism at the expense of American sovereignty. Those who advocate a "One World" government as the answer to all our problems. These men are paws of the International Jewish gangsters, who have set about to deliberately weaken this country, so that we can be assimilated into a World Government along with the socialist states.

The major rationale of our foreign policy since 1945 has been that it stops the spread of Communism. I have never heard an official in the State Department attempt to explain how you can stop Communism by subsidizing it.

The plain truth is, it has been American help that has kept this enemy of mankind alive for 63 years. On at least 14 major occasions, when the Soviet Union has been on the verge of economic collapse, it has been Old Uncle Sucker, with your tax money, that has put them back on their feet. Now they are asking us to do the same with Red China.

Do you believe that our government is so stupid, or so blind, that they cannot understand that when
we sell our surplus grain to the Communists, we are strengthening them at the expense of our own people?

One of Moscow's economists, attached to the Soviet Embassy in Ottawa, got drunk at a party celebrating the 25th Anniversary of the Red Army. He was quoted by a Canadian official as having said: "You Canadians are afraid you may have to fight the Red Armies some day. That is not correct. We don't want to fight a global war! When we are ready for conquest, we will merely flood the markets of the world with raw materials and goods manufactured at prices so low it will be impossible for you Capitalists to compete. Do you think organized labor will accept another depression like the 30's, with its unemployment and economic chaos. I am telling you, my friends, Capitalism is doomed!"

When we sell the Soviets our raw materials, we are playing right into their hands.

Do you honestly believe these things happen by accident?

(It is quite interesting to note that this Soviet "blabbermouth" was recalled to Moscow shortly after this incident, where he died from a "dose of lead poisoning.")

Now with this as an introduction, let us look at the trends in our Foreign Policy since 1918 and ask ourselves a very important question. Is our State Department "friend or foe?"

In 1918, two Zionist-Jewish industrialists from New York, Jacob Schiff and Max Warburg, donated $20-million to Leon Trotsky, also a Khazar Jew. This was the money which was used to finance the Russian Communist Revolution. Today in the New York City Library, you can find a book called THE JEWISH COMMUNAL REGISTER (1918-19). On page 1019 are these words: "Mr. Schiff always used his wealth and influence in the best interests of the Jewish people. He financed the enemies of autocratic Russia." (The Communists).

Trotsky was on his way to Russia, along with 247 Khazar Jews from the East Side of New York, the dregs of New York society, with this money, when he was detained in Goose Bay, Labrador, by Canadian custom officials. It was pressure from our State Department, which turned this radical loose, with the money that made the revolution a success.

In 1920, famine came to the Soviet Union, as the Communists proved for the first time that they could not even feed their own people. The United States sent $20-million in aid, under the direction of a man named Herbert Hoover.

In 1924, Lenin died and Stalin took over as dictator of Russia. He began his first Five Year Program, which was destined to turn Russia from an agrarian (agricultural) society to an industrial society. Averill Harriman, Sr., was sent to Russia to put the Soviet mines on their feet; Standard Oil sent $37-million; General Electric sent $20-million and the Ford Motor Company built the first auto assembly line in Russia.

Then a drastic famine came to the Soviet Union, as the Kulak farmers of the Ukraine, refused to work on the collectivist farms. In a deliberate plan to force submission, more than six million people were starved to death.

It was American know-how and money that built the world's largest hydro-electric plant on the banks of the Dnieper River and the steel industry at Gorki which was modeled on that of South Bend, only three times larger. Then in 1935, Franklin Delano Roosevelt insured the continuation of this slave state, when he officially recognized it.

When Hitler invaded Russia in 1941, it was American Lend Lease aid, $11-billion worth of it, that kept the Communists alive. This came at the expense of our own defense effort, since the Soviet Union was given priority in shipping and manufacturing of war goods. While America's boys were dying on the atolls of the Pacific for want of supplies, our Liberty ships were plying the Atlantic with materials for the Reds.

During this same period, Russian diplomats were given free access to our patent offices, where they
either stole or bought most of our military secrets, including the atom bomb.

Long after the war ended, we continued this traitorous dealing with a nation who was our declared enemy, as we sent them the IBM computers, and the "ball bearing machines" which have made their Inter-Continental Ballistic weapons accurate enough to hit within a 100 yards of "ground zero", after they have traveled 7,000 miles.

Then to add "insult to injury," to our people, in 1978-79, we built for them, the largest truck factory in the world, on the banks of the Kama River. This huge complex is now turning out more trucks than all the American truck factories put together. Not only this, but it can convert to the manufacture of tanks in 90 days, while for our factories to do this, would take eighteen months. Do you believe all these things happened by accident?

During the Vietnam War, the recurrent theme of the liberals was the immorality of that war. IT WAS AN IMMORAL WAR! Not because we were fighting against the Communists. Not because we came to the aid of a friendly nation. But because our men were sent into a war, that our leaders had no intention of winning from the very beginning, a war, where 90% of the war materials that killed our men, had first been sent from this country to the Soviet Union and then trans-shipped to Vietnam.

The mystics of our State Department called this peaceful trade." I say there is no term that can be used to describe this other than TREASON!

It is you know - under the Constitutional definition gntur in Article II, Section 3, of the United States Constitution. There in words which any Fifth Grader can understand it says: "Treason shall consist only in levying war against them (the U.S.); adhering to their enemies; giving them aid and comfort." If what happened in Vietnam was not giving our enemies "aid and comfort," then I fail to understand the meaning of these words in the English language.

Until I see the traitors who are still in our Congress brought to justice by the Reagan Administration, I will not have too much faith in him. But what can we expect, when one of the "number one sell-out artists" in the Panama Canal fiasco - Sen. Howard Baker of Tennessee, is one of the outstanding "big shots" in the Reagan Administration? We desperately need a house cleaning in Washington. I would like to see the day when the traitors in our government were forced to answer to the American people, for the crimes which they have knowingly committed against our safety.

Now our government, seemingly willing to compound the mistakes of other Administrations, seems set on aiding Red China, knowing full well, that they are as much our enemies as the Soviet Union.

Today China is in the midst of the most critical political upheaval since Mao Tse Tung took over control of that unhappy country. She is having internal troubles in her inland provinces; her people are going hungry, proving once again that Communist countries cannot take care of their own people. In spite of all the wonderful propaganda stories we read in our newspapers and magazines; in spite of the wonderful so-called documentaries NBC and CBS have done, China is in trouble. Yet we insist that we must "build them up" as a bulwark against the Soviet Union. When will we learn?

This business of lending "blood money" to our enemies, is one of the most criminal, cold-blooded activities in which our Government has ever engaged. This also comes under the proper heading of TREASON! Men who give aid to tyrannical, enemy nations for profit, are as bad as those murderers themselves. They should be properly placed in the same category as the dope pusher or the pimp.

I believe we need to go a step further and include in this category the religious organizations of this country, such as the National Council of Churches, the Catholic Peace Fellowship, the American Friends Service, the Fellowship of Reconciliation and the various Jewish Peace Organizations. All those who approve of and subsidize these murderers, for whatever reason.

But let's get away from theorizing for a moment to go back into history and look at America's
intervention in two of the greatest "fratricidal" wars in human history. That word "fratricidal," is a $2.00 word which means "killing of brothers and sisters." This is exactly what World War I and II were. The killing of white Christians, by white Christians. (Since the majority were in this category.)

These two wars cost America over half a million dead, countless thousand crippled and hundreds of billions of dollars which could have been used to help the world become a better place to live.

We were led into both these wars, against the will of the American people, by the "duplicity" of our leaders." (This is another $2.00 word meaning "double dealing.") Although the people were against these wars, they were fought for political purposes.

Now no doubt some of you are going to get upset with me for what I am about to say. I can assure you that I am not making these things up; all these statements are provable. But as far back as 1868, Jewish leaders were bragging about their part in bringing wars to the Gentile nations. In that year, a prominent Jewish Rabbi named Reichhorn, speaking at the funeral of Grand Rabbi Simon Ben-Ihuda said: "Thanks to the terrible power of our International Bankers, we have forced the Christians into wars without number. Wars have a special value for the Jews, since Christians massacre each other and this is good for the Jews. WARS ARE THE JEWS HARVESTS! The Jew banks grow fat on Christian wars. Nearly a 100-million Christians have been swept off the face of the earth by war, and the end is not yet."Remember now, this statement was made before World War I and II were fought. Both of these wars, according to Jewish and non-Jewish documentation, were instigated, promoted and fought for the profit of the International Bankers who subsidized both sides. It is in teresting to note, that while Hitler was supposed to be killing millions of Jews in Germany, Jewish bankers were subsidizing his war factories.

In 1915, while President Woodrow Wilson was campaigning for reelection on the slogan: "I kept America out of war!" His right-hand man was in London draw mg up the plan to get America involved. According to statements made by Churchill, England was pressured into this war by the International Jewish Bankers to further Zionist interests in Palestine. He further stated, that in order to gain their interests, they knew they would have to get America involved. Hence the plot to sink the Lusitania was drummed up. This was a passenger ship which sailed on a weekly schedule between Liverpool and New York. At this time, there was an agreement between the Allies and the Axis powers, that no ship which was solely a passenger ship would be sunk by the Germans. So House and Churchill came up with the idea to load munitions on the Lusitania, leak word to the Germans and have them sink the ship.

On May 13, 1915, a full page advertisement in the New York Times and the Washington Post was taken out by the German Embassy, warning Americans not to sail on the Lusitania, since she would now be considered a "ship of war." On the opposite page, the U.S. State Department, had a notice that this was German propaganda. So when this ship sailed on May 15th with a full toad of passengers and was sunk a few days later by a German U-boat off the coast of Scotland with the loss of many American lives. This was the spark that got America into the war. (If you are interested in further information on this treasonous act, read Cohn Simpson's book "LUSITANIA.")

Once again, in 1941, while Pres. Roosevelt was makmg his famous fireside chats over the radio, he told the American people in his Boston drawl: "Ah hate wah, and will nevah send American boys to fight on foreign soil nevah! nevah! nevah! nevah!" But while these speeches were being made, plans were already underway to pressure Japan into an overt act against the United States.

More and more evidence has been uncovered that both our top military and civilian leaders knew of the Pearl Harbor attack, long before it happened, but political expediency kept them quiet until four hours after the Japanese attacked. Read Rear Adm. Theobold's testimony before a Congressional investigative Committee in his book THE FINAL SECRET OF PEARL HARBOR. It is interesting to note, that at this time, most of F.D.R.'s top advisors were Khazar Jews.
There are volumes of documented evidence which proves that Zionist interests, working for a home state for the Jews, were willing to see millions of white Christians, and hundreds of thousands of their own countrymen die, in order to gain their ends.

Prior to World War I, the Zionists had been promised by Britain, a Jewish State in East Africa. This had been tentatively accepted by Theodore Herzl, the Father of Zionism. Then the Zionists learned about the incredible wealth in the Dead Sea, estimated to be as high as $5 trillion, and immediately the pressure was put on to get this homeland in Palestine. Since those days, the world Jewish organization has used countless millions of dollars to propagandize the Christian world into believing that the people we now know as Jews, were the Chosen People of the Bible, and that they have a prior right to this land because of God's promise to their father Abraham. Yet according to Jewish sources, a vast majority of the Jews in Palestine, and around the world for that matter, have not one drop of Abraham's blood in their veins, but rather come from a heathen tribe known as the Khazars, from western Russia, which was converted to Judaism in the 8th Century. For further information, read Alfred Lilienthal's book THE ZIONIST CONNECTION, and Arthur Koestler's THE THIRTEENTH TRIBE. Both of these writers are well-known Jews. (Unfortunately, the Christian world has swallowed this Jewish propaganda, "hook, line and sinker!")

There are documents available, which show that World War II could have been won in late 1943, but the International "puppet masters" did not approve. They had not yet reached their objectives. Have you ever wondered why Eisenhower and Churchill, time and time again, turned down requests by Generals Patton and Montgomery for an attack against the Germans, launched through the soft under-belly of Europe? This would have released all of Central Europe from Communist control. It was not in the blueprint.

Why did Eisenhower stop Patton at the German border and allow the Soviet troops to come into East Germany and Berlin?

Why were German efforts to surrender in early 1945 held up for more than six months by Churchill and F.D.R. while hundreds of thousands of soldiers on both sides died, and millions of civilians were murdered in mass allied bombing attacks? Take the attack against Dresden, Germany alone. Launched against an "open city," no military targets, and a casualty list greater than that of Hiroshima and Nagasaki combined. Remember, this was warfare of white Christian against white Christian. Do you believe these things happened by accident?

All the evidence which comes from World War II, proves that the United States and her allies, gained absolutely nothing from this war. All the gains, went to the Jewish-Communist forces. (I say this, because 95% of the high officials of the Soviet Union were Jews in 1945, just as they were twenty-five years earlier in the Revolution.)

The one's who really benefitted were the International Jewish Bankers, who made billions upon billions off the suffering of white Christian nations and who, as I mentioned earlier, financed both sides. This was part of their plan for world subjugation!

Marcus Eli Ravage, a well-known Jewish writer, wrote in the Century Magazine, January, 1928 - "We the Jews, are at the bottom of all your wars and revolutions, not only the Russian, but every major revolution. We did it by the might of our spirit, through ideas and propaganda."

Oscar Levy, another prominent Jewish writer, in his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION says: "There is scarcely an event in modern Europe which cannot be traced back to the Jews. We Jews are today nothing else but the world's seducers; it's executioners; it's incendiaries; and it's destroyers."

Count Mensdorf, the Jewish Ambassador to England from Austria during World War I, said: "Israel won that war! We made it! We thrived on it! We profited from it! It was our supreme revenge on Christianity."

Now there is no doubt in my mind, that some of you are going to become angry and if you are
honest enough to finish this article, you will say: "We read an article by a real radical anti-Semite! All he did was attack the Jews!" Of course that wouldn't be true. We agreed to the truth didn't we? That's what I'm trying to give you. What I'm trying to tell you is: "American Christians, you better wake up! It's later, much later than you think!"

One thing our government should have learned a long time ago was that you cannot play with the Communists. It's like playing "patty-cake" with a rattle snake, sooner or later you are going to be bit!

When all the facts are "boiled down," you come to only one conclusion. This is that the most important agreement which came out of World War II was the Yalta Agreement. This turned over all of Eastern Europe to the Communists. Eleven sovereign nations were delivered into the hands of the Communists by the stroke of the pen of a dying president, as the Khazar Jew traitor Alger Hiss advised him to do so. At this time, the leadership of all the captive nations was over 90% Jewish. Look at the records!

Three sovereign nations and parts of Poland were handed outright to the Soviets - Lithuania, Estonia, and Latvia. Their people were loaded on boxcars, which disappeared into the slave labor camps of Siberia. Countless thousands of Christians died under the inhuman treatment of their Jewish conquerors. Why do we never hear about this in our press or on TV? Do you think all these disgraceful things happened by accident?

In 1948, the traitor of Pearl Harbor, Gen. George Marshall, was sent to China to persuade Chiang Kai Shek to form a coalition Government with the Communists. This the crusty old general refused to do. So Marshall withheld vital military supplies from the Chinese Nationalists for 14 months, while the Communists took over in China. Later he bragged: "I disarmed fifty Chinese division with the stroke of my pen."

Do you think this happened by accident?

In 1953, General Eisenhower was elected President of the United States on his promise to liberate Eastern Europe and do away with the Iron Curtain. Three years later, in October 1956 his chance came, when the Freedom Fighters of Hungary revolted against Soviet control. Here was a chance to prove to the world that his promise was more than just a statement to win an election. But the U.S. State Department answered the pleas for help from Hungary with a cablegram, sent in the clear so all the world could hear, which said: "The government of the United States does not look with approval on governments unfriendly to the Soviet Union, on the borders of the Soviet Union." The next day, Khruschev's tanks rolled into Budapest and the revolt was crushed after 30,000 Hungarian youth had died in a hopeless cause; betrayed by those they believed were friends.

Do you honestly believe this happened by accident? That same year, 1956, our State Department in conjunction with the Jewish controlled World Bank, interfered in the internal affairs of Britain and France and blackmailed them into handing the Suez Canal over to Egypt.

Then we fought our first no-win war in Korea. I wish I had the time here to tell of incidents of treason I saw in the pre-war State Department activities in Korea. Needless to say, this war, our first fought under the United Nations, ended in our defeat. You say it was a stalemate? Then why did we give in to every demand made on us by the Communists?

When General Mac Arthur was fired, not for having trouble with President Truman, as they would have us believe, but because he insisted on fighting to win; he was replaced by General Matthew Ridgeway, the first of the Council on Foreign Relations military men. Since that time, every top military official has been a member of this One World Organization. Our treasonous actions in Korea made Vietnam the logical aftermath.

Most of you know how our State Department betrayed the French at Dien Bien Phu. Then on June 28, 1965, President Johnson, against all military advice, sent American troops into the war. By 1969, we had over a half million Americans involved and had suffered over 360,000 casualties,
including more than 56,000 deaths. We had spent over $30-billion and were sent home with our tails between our legs, whipped by a nation smaller than our State of Minnesota. Not because it was necessary, but because of expedient, political TREASON. A war which could have been won in six months, with conventional weapons, dragged out year, after year, after year, while our nation was divided worse than at any time since the Civil War.

Do you honestly think these things happened by accident?

During this past forty years, time and time again, our State Department has withheld vital information from both Congress and the people. James Forrestal, Secretary of the Navy under President Truman, once said of the State Department: "Consistency has never been a sign of stupidity. If the State Department were merely stupid, they would occasionally make a mistake in our favor." Was it because he understood this that he was murdered? Oh, I know the official version said "suicide!" but the evidence points otherwise.

On the economic front, you business men know how difficult it is to get a big loan from a bank without the proper collateral. You also know how easy it is to lose your credit rating, if you don't make your payments on time. Knowing this, doesn't it seem strange to you how the big mega-banks like the Chase-Manhattan and the Mid-Land Marine (all Jewish controlled), how they can allow Communist countries to run up huge loans, when their payment record is so miserable? It really isn't so strange you know, when you realize that if the Communist nations renge on their loans, the banks still get paid off. How? You, the long suffering American taxpayer are expected to pick up the tab. That's why we gave away the Panama Canal.

Americans were told that the Canal giveaway was for the purpose of bringing peace and stability to this area. But the real reason was that Mr. Torrijo's government, owed more than $2.5-billion to the Chase-Manhattan and Midland Marine Banks. The only way the Jewish bankers could get their money, was that we give Panama this valuable military asset, which was our property. It never had belonged to Panama. One of the Canal negotiators was Sol Linowitz, who just happened to be an official of the Midland Marine Bank. It just so happened that he was a Khazar Jew also.

Do you believe, this happened by accident?

During all this period since the end of World War II, with the exception of an occasional "slap on the wrist," we have seen American accommodation with aggression around the world. We sold the white government of Rhodesia "down the river," because it was politically expedient. We would do the same with South Africa if our liberals had their way.

Now what I'm going to say, doesn't really enter into our subject, but I think you need to know about it, so that you can see how the American people have been "brainwashed." The apartheid government of South Africa has done more for the blacks of Africa than any other country. They have a better standard of living, better health care, a better education and more freedom than in any of the twenty or so Black Republics which have sprung up like mushrooms over the Dark Continent. It is the only country in Africa, where blacks are immigrating to in large numbers.

It is also interesting to know that this was not "black owned" land before the Boer farmers came. With the exception of a few wandering Bushman tribes, there were no natives in this area. But after the whites came in, built it up, and the area became prosperous, then the blacks began to flock in and demand that they be given control.

But back to our subject. Marxism cannot care for its people because their system will not work. It is based on a system of moral and economic instability. The economics of Communism is simply a by-product of the Marxist view of men which states: "Man is an animal; therefore treat him like one. Obedience is the result of force and the most barbarous, unrestrained use of force, if carried far enough will evoke obedience. Any organization that has the spirit and courage to display inhumanity, savageness, brutality and an uncompromising lack of humanity will be obeyed. If you would have obedience you must have no compromise with humanity. It must be clearly understood
that you will have no mercy. Since man is an animal, in the final analysis, he understands only the things a brute understands."

Most Christians, and liberal intellectuals have no desire to know the truth about either Communism, or its Zionist mentor. When I first learned about the Jewish background of Communism, I took documented evidence to my pastor and said: "I don't expect you to accept this, but I think you should know about it." He glanced at the material and when he found it was critical of the Jews, he threw it into his wastebasket and accused me of being an apostate. This is the thinking and attitude of the major Christian leaders today. Dr. Jerry Falwell, of the Moral Majority is a good example. He has indicated that he will back Israel to the hilt, no questions asked. When Arab Christian leaders came to America and wanted to tell Dr. Falwell side of the story, he refused to see them. He had been so advised by Jewish advisors.

It is this kind of sick idealism, this "know-nothing" idealism that has infected millions of intellectuals in the Free World. You can find them by the droves in liberal and fundamental churches alike. They are in the universities, on newspapers and TV staffs, in the movies, in politics, in the tax-free foundations. They fanatically and mindlessly defend their own worst enemies. I say this, because in every country where Communism has taken over, the first people to be eliminated are the Christian leaders and intellectuals who have brought them into power.

It is this misleading idealism which fills men with a burning desire to make all men equal, even if it means using force to bring it about. Then they soothe their consciences and overlook the "blood baths" their stupidity bring about. This can be seen when Christian leaders show an almost "mindless devotion" to the cause of Zionism. They are willing to accept a phony Jewish Zionism in Palestine, because they have willed themselves to believe that the modern Jews are the people of the Book. A study of Scripture will prove to you beyond the shadow of a doubt, that the present Jewish venture in Palestine will never be successful.

Yet we see the Jewish "holocaust" played up in the newspapers, on TV, in the movies and from our pulpits. But have you ever heard these same sources talk about the more than 34-million Christians who were slaughtered by Jewish-led Communism in Russia alone? Have you ever seen a TV documentary or a movie written about this? Have you ever seen Jewish leaders meeting with Christians to celebrate a day of memorial for the Christian dead? Of course you haven't and you won't! Where are the memorials to the Christian dead? What would happen if the Christian behind the Iron Curtain demanded reparations from World Jewry for the suffering which has been brought to them under Jewish leadership?

A few years ago, John Foster Dulles, then Secretary of State, while attending a World Council of Churches meeting in Geneva, Switzerland, as an American delegate, said: "Communism is no worse than American style Capitalism. Western nations should learn from communist experiments and study ways to make changes in both systems so they can become merged." This is the idea that is being crammed down the throats of our children who attend government schools. They are teaching the incredible lie that our enemies have mellowed, that they are nice guys, just like us and we should think about merging with them to save the world from a nuclear holocaust.

Many Americans have been disgusted, to the point of nausea, by the actions of our State Department. They would have liked to have seen positive action against any aggressor. But few of them realize that under our present system of Foreign Policy this is impossible. We gave up our sovereign right to make war, when we joined the United Nations in 1945. By that treaty, which supercedes the Constitution of the United States, we bound ourselves to go to war only with United Nations approval.

There is little doubt, that we are facing up to American involvement in a war to defend Israeli in the Middle East.

Here is a frightening scenario of what I believe could happen: Plans are underway to send American forces to the Sinai. What would this mean if war breaks out between the Israeli and the
Arabs? It would mean that we would be in it from the beginning. What would happen if the Zionist Hitler, Menachem Begin, would use nuclear weapons against his neighbors? He has them you know; we gave him the materials and know-how to manufacture them. If a limited nuclear war began in this area, there is every reason to believe that it would escalate to reach our shores.

Have you ever wondered about what might happen in the aftermath of such an attack? Close your eyes for a moment and visualize this scene. Thousands of maddened, starving, radiation sick mobs, roaming the high ways and byways of America looking for food, medical aid - yes, and someone to blame for the mess they are in. Who do you think the scapegoats will be? Do you suppose it could be the American Jews and the Christian community which has given their backing to the Israeli?

If this ever happens, and pray to God that it does not - the liberals, the Jewish community and the Christians who have helped bring about this terrible state of affairs, will pray for a strong anti-Semitic leader to hold these mobs in control. But alas, there will be none. For the Jews through their A.D.L. and the Christian pulpits, have scoffed at and destroyed every strong leader who recognized the Jewish danger and tried to warn Americans about it. If this happens, then we will see something that will make Hitler Germany look like a Sunday School picnic by comparison. Both the Jews and the Christians who wholeheartedly support them, are laying the groundwork for terror and destruction, beyond their worst dreams.

This is bound to happen, for if war comes in the Middle East, it will once again be a war fought for Jewish interests and for the International Jewish gangsters who control our economy. It will once again be American boys who will die for Jewish selfishness. How long do you suppose Americans will be willing to be dupes of those who hate their God?

One of the most important factions in the unilateral splurge we have seen to disarm America, and the one which is making the most noise right now about sending arms to Saudi Arabia, is a group in Congress formed in 1966, known as the MEMBERS OF CONGRESS FOR PEACE THROUGH LAW. They have 176 members. Two of the most important are the Republican Senators from Oregon, Mark Hatfield and Robert Packwood. Hatfield has a "0" voting record on National Defense, while Packwood is close behind with a 30% record. This organization was set up with the expressed idea "to bring about complete and general unilateral disarmament of the United States under existing World Law." Whenever you see the word "unilateral" used in connection with national defense, it means that we will disarm, whether our enemies do or not. It echoes the sentiments of many of our "mushy brained" Christian leaders. One of these recently said to me: "I have the answer for the arms race. If the U.S. would take all their arms and dump them in the ocean, the Communist nations would see that we mean business and we could have peace." And this is true! You would have the peace of a Communist slave.

But what does the MCPL idea entail? It calls for the turning over of our military forces to a U.N. Peace Keeping Force; and, the doing away of our local police in favor of a National Police Force.

Now I want you to remember that all these Congressmen have taken oaths of loyalty to this country, in which they have promised to protect us against ALL ENEMIES. Yet they consistently vote against every new weapons system our military proposes. They are very clever and devious in doing this. When ever a vote comes up to spend additional money for a new weapons system, they come out in support of another system. By the time the new system is ready for production, they are against that too. By doing this, these men, most of whom are screaming for more "social services", have wasted countless billions of our tax dollars. Look at their records; few of them could be called "pro-American." Of 32 Senators in this organization in 1978-80, seven of them had voting records on national defense of less than 10%; five had a record of Zero. These included Kennedy of Massachusetts, Hatfield of Oregon (an admitted Christian and a "no questions asked supporter" of the Zionists), and McGovern of South Dakota. In the House of Representatives, with 142 members, 39 had voting records of Zero. Strangely enough, most of these were know for their "Israel First" votes.
When all the facts are in, there is only one conclusion we can make. Our Foreign Policy in Washington, since the end of World War II, has been under the control of those whose aims are not pro-American. They are One Worlders.

This centralization of power began under F.D.R. and was furthered by Harry Truman, as he surrounded himself with Jewish Advisors. It happened because the "decent types" in America allowed it to happen. We would not listen to words of warning from men like Pat-ton, McArthur and McCarthy. In the words of Winston Curchill:"The malice of the wicked, is reinforced by the weakness of the virtuous." Edmund Burke, the great Burke, the great British historian put it this way:

"The only thing necessary for evil to succeed, is for good men to do nothing." For the most part, this is exactly what has happened.

I can't explain why Western Civilization is in headlong retreat on every front. Measured on the basis of technology and scientific advance; on conditions of human rights, on matters of material prosperity, the free, Christian world has far out-stripped the Communist and Third World nations. Look at the Soviet Union, the "show case" of the Communist world. You find very little to admire! Look at Red China, and you see her millions bogged down in human misery. Look at the emerging Third World nations and for the most part they are an unfunny joke.

Without exception, the great Socialist Revolutions of this century have all ended as dismal failures. They have always ushered in regimes which were far more repressive than the flawed "right wing" governments they replaced. Yet in spite of this, Christian civilization is in retreat on every front. Why?

Could it be that civilizations, like huge dead fish always rot out from the head down? We are not losing the struggle for the minds of men because there has been a failure in our system, but because of the failure of our leadership. The professors, the scholars, the journalist, the intellectuals, the Christian minister, and the politicians in our system, who have become the most pampered intelligentsia in the world's history. In their prosperity, they have lost their moral and spiritual courage, and along with that their strength.

The British historian, Thomas Lord McCauley, once said: "Your civilization will be destroyed in the Twentieth Century, as Rome's was in the Fifth; but the Huns and Vandals that destroy you will not come from without; they will rise up from within to destroy you." We have seen that happen. There was another Englishman named Sir. John Harrington who said: "When treason prospers sufficiently, then NON DARE CALL IT TREASON!" This is what has happened in America. It has become profitable to be a traitor and many have fallen into the snare. Now one of our priorities must be to stop treason in government, if we are to remain free! The man in our government MUST be AMERICAN FIRST! or they have no business running our country.

There has probably been no single group in America, who is more to blame for the sorry mess we are in than the "Panty-waisted, sissy-britches, namby-pamby" preachers who stand behind the pulpits of many of our churches, changing Christian soldiers into moral cowards and making patriot Americans seem foolish. They trumpet the lie to their people: "Don't worry! If you're saved, that's all that matters. Jesus is coming back to take you out of this mess before it gets too bad!" I'd like to see what would happen if they tried to preach that "hogwash" to the Christians behind the Iron or Bamboo Curtains.

But listen to me. Regardless of what these fellows tell ou, something bad is happening to Americans and Christians are more in jeopardy every day. You better up and realize that we haven't seen anything yet in this country. Nowhere in the New Testament of your Bible does Christ say: "Hide in your spiritual foxhole and pray for my return so you don't have to suffer!" He says: "Occupy until I come!" That's military duty! He says: "Ye are the salt of the earth and when you stop acting like salt, there is only one place for you and that's the garbage heap." Listen to me, those of you who
call yourself Christian. When the Church falls down on its task and instead of holding back corruption adds to that corruption, all hell is due to break loose in that country!

What would you do if the enemy took over? "Oh," but you say, "It won't happen here!" How do you wernow! Do you believe you are better than the Christians of China and Russia that you should escape? But supposing it does! What will you do? What will happen on that day when a government truck rolls up before your house and they take away your children to become robots of the State?

Will you fight them then? Not very likely! My experience has been that if a man or woman refuses to take a stand when they can do it in safety, they are not very apt to do so when their neck is on the chopping block.

Maybe you think I'm becoming overly excited. Maybe you are like the TV moderator who called me a pornographer of paranoia, "because I warned against "no questions asked" aid to the Zionists. But you see, I've been there! I know what happens when they take over and it will be worse here, for there will be no Christian influence anywhere in the world to "tone them down."

I doubt if any of my readers have ever seen a baby wrenched from its mother's arms, to be thrown into the air and caught on the point of a bayonet. Have you ever seen a man impaled alive on a sharpened bamboo pole, set in the ground, and while he writhes and screams his life away, his young, pregnant wife is stripped, raped over and over again and then chopped into pieces while a fearful crowd of several thousand looks on? Have you ever seen a nun crucified against the wall of her church with bayonets driven through the palm of her hands and listen as she screams, and cries, and begs for mercy, hour after awful hour? Have you ever seen a young woman nailed to a limb on a tree, with spikes driven through her breasts, while a bundle of rice straw, soaked in oil is bound between her thighs and set on fire? I doubt it very much! But when I saw those things happen, and as the Communists practiced their cruelty on me, I said: "My God, if you get me out of this mess and get me back to the people I love and the country I love, I will do everything in my power to see that this terror never comes to America." Yes, I'll admit, I get angry when I see the way in which this country has been led down the road to destruction and before God, I'll do everything within my power to stop them no matter who they are.

Because I have been willing to speak out against the Jewish influence which has led us into two wars and is now exerting undue influence in our government, I have been ostracized by many of my Christian friends. Why? Because they do not want to know the truth. Will you recognize it when they rape your daughter or hang your wife from a tree limb and disembowel her? Will you fight them then? It will be too late!

I want you to remember that your freedoms were not "bought and paid for at Valley Forge," that was only the "down payment" on freedom. Every generation must be willing to "make payment on the account," if they are to remain free.

For this reason we need men and women in America who will be committed to the cause of freedom. We have many who will contribute to the cause, this is not enough. I heard a story once about a farmer who was noted for his kindness to animals. One day a hen went to a pig and said: "Mr. Pig, Farmer Brown has been so nice to us I think we should show him our appreciation. Why don't we have a ham and egg breakfast for him." To which the Pig replied. "It's well and good for you to talk about a ham and egg breakfast, because for you it's only a contribution, but for me it's total commitment." This is what we need. We need men and women who will stand tall. Men and women who will talk back once in a while; men and women who have enough fire in their souls they will show some smoke every once in a while.

Maybe you are discouraged when you look at the odds against us. Maybe you are like me and have been in the fight for a long time and are tired; maybe you have "battle fatigue." Maybe you think we have waited too long. But I want to remind you of some examples we have in history. There was a man named Hannibal, his friends said to him: "Hannibal, you can't get across the Alps in the middle of the winter with your herd of elephants." but he did it anyway! There were those in that awful
winter of 1776 who told George Washington: "George, you can't cross the Delaware with that little rag tag army of farmers and clerks. Why they don't even have shoes and they are short of ammunition. How can you expect to defeat those professionals in Trenton?" But George got up off his knees, where he had been praying in Valley Forge and led that little band of patriots to a glorious victory.

Then I remember that terrible winter of 1950 in Korea. The American Marines were far north of the 38th Parallel in a frozen waste called the Chosen Reservoir. They were surrounded by the Chinese, outnumbered thirty to one. As good a time to surrender as ever. But General Chesty Puller called his men together and told them: "Men, we have the enemy where we want them now; we can shoot in any direction." They came out with their flags flying, bringing their wounded and their gun blazed in defiance of an enemy to whom they refused to surrender. This is the kind of spirit which has with the help of God kept America free.

Do you want to have an answer to the problems which are destroying us. God has given us His answer in 2 Chronicles 7:14, it is a promise made to people who go by His name. Many of you know it by heart. It says: "If my people, which are called by my name, will humble themselves, and pray, and seek my face; then will I hear from heaven, and will forgive their sin, and will heal their land." Here is the formula, if we are willing to use it!

If one-fourth of the people in America who go by the name of Christian, would start to act like Christians. If they were willing to live up to their God-given responsibilities as Americans, we could turn this nation around in six months. It's up to us! Are you willing to do your part?

The End
FROM DARKNESS INTO LIGHT!

By Lt. Col. Gordon (Jack) Mohr

(A Personal Trip from "Brainwashed Confusion, into Scriptural Enlightenment")

But ye are a chosen generation (bloodline), a royal priesthood, a holy nation, a peculiar people (set aside for a special purpose); that ye may show forth the praises of Him who called you out of darkness into His marvelous light," (1st Peter 2:9).

Over the years, many people have asked me why I left Judeo-Christianity for the controversial truths of Christian Israel Identity? I am using this means to clarify my stand, especially for those of you who are new to my work. I am an 82-year-old Retired Army Lieutenant Colonel, who served in World War II, Korea, and during Vietnam, with extensive combat during the Korean "no-win" war. In this so-called "police action," I was the first American wounded and the first to be decorated, and became one of the highest decorated veterans of that war with the Silver Star; the Bronze Star with "V" device and two oak leaf clusters; the Purple Heart with two oak leaf clusters, two Unit Presidential Citations, and decorations from the Korean Government, and the Polish and Czechoslovakian anti-Communist governments in exile. I hold the record for the most consecutive days of front line duty (276) in the Korean War. (I am telling you this, not to "toot my own horn," but to let you know that I have been around a little. Or as the old saying goes: "I've been there and done that!")

I was raised with a Fundamental church background and while attending Moody Bible Institute, 1938-41, worshiped in the Moody Memorial Church.

After enlisting in the Army and serving overseas in the Asiatic-Pacific Campaign, and Occupation duty in Japan, I received a honorable discharge in the Spring of 1946 and went back to ranching in North Dakota, near Minot. For several months I pastored a little Northern Baptist church in Sawyer, N. D. with an active interest in young people, and as acting basketball coach for the Sawyer, men's H.S. basketball team, I was able with God's help to build up the church. Although I was what you would call a "nominal Christian," which meant that I had never had a genuine salvation experience, I believed the Bible and taught it to the best of my ability, and numbers of people were saved, as God honored the preaching of His word.

In the spring of 1948, The Army called me back to active duty, and I was sent to Korea as an Advisor to the newly activated South Korean Army. I arrived in time to become victim of a planned Communist coup in the South Korean ranks, aimed at ousting President Sigh Mun Rhee from office and establishing a Communist South Korea. It was during this traumatic experience, which I will not go into here, that I met Jesus Christ "face to face", and accepted Him as not only my Savior, but as my King. I promised Him that if He would allow me to get home safely, I would do my best to warn my people, so that what I saw happen in Korea would never take place here. The story of how He protected me through the toughest days of the war read like fiction.

I left Korea in the spring of 1951, after some hectic experiences, which made a man out
of me. My experiences there, have become the "driving force of my life," and like the foreign automobile advertisement, I can say: "I am driven!" Although I have been in this fight for over fifty years, and am getting tired; some call it "combat fatigue;" and although I'd like to "hang up my spurs," and let you younger folks handle the dirty work of fighting this war, I can no more think of quitting now, than I can of breathing!

After serving another tour of duty in Japan, and four years in Eritrea, Ethiopia, I was ready to get out. I had seen deliberate TREASON on the part of our State Department in both Korea and Ethiopia, but when I became a "whistle blower," and tried to bring this to the attention of people in high places, I was "set down hard" and harassed to the point that in 1964, I had enough and gave up in disgust, after 22 years.

In 1965, I began to fulfill the promise I made to God in Korea in 1948, and became a lay evangelist, working in Judeo-Christian churches in America, mostly among Baptist and Pentecostals. I was still trying to fulfill the "oath of office", I took as an officer to "protect America from all enemies, both without and within". I was welcomed in such places as Tennessee Temple University, Knoxville, TN; Bob Jones University, Greenville, S.C., and Pensacola Christian Academy, in Pensacola, FL. I spoke in many of the largest Protestant churches in America, including several visits to the Indianapolis Baptist Temple, in Indianapolis, Indiana, where Dr. Greg Dixon is still pastor. The general theme of my messages was: "The Bible has the Answer to America's Problems!"

In 1968, I became involved with the John Birch Society, when I was asked to join their American Opinion Speaker's Bureau, and while with them for over ten years, spoke in over 3800 communities, coast to coast.

During this time I was a staunch defender of the Jews, Jewry, and Zionism, strictly following the Judeo-Christian teaching regarding Gen. 12:3. where God told Abraham: "I will bless them that bless thee; and curse him that curseth thee!" I did not realize that there were no people anywhere on earth known as Jews at this time, and that they didn't appear on the scriptural scene until 1200 years later, when we first read of them in 2nd Kings 16:6, fighting against Israel.

My eyes began to open to the truth regarding these enemies of God, as I worked the college lecture circuit for the John Birch Society during the Vietnam War. Those were the hectic days when men like Abbie Hoffman, Jerry Rubin and their Students for a Democratic Society (S.D.S.) ruled the "roost" and were tearing up our college campuses, following a communist "blueprint" which had been established in 1934.

During a two year period, I had twenty-five confrontations with these radicals; some violent. In the spring of 1972, at the University of Kansas, in Lawrence, I was physically attacked by ten "hippie" type men and women, who were not even college students, while the campus police stood by and did nothing. Later the Chancellor apologized to me stating that they could do nothing for: "If we tried to stop them, they probably would have burned the building down!" This is what happened two weeks later, when they torched the New Student Union building, because the school would not give in to their demands.

One thing stood out about all these confrontations, and that was that their leaders, 100% of the time, were young Jews, from wealthy families. Usually their fathers were lawyers.
I became so intrigued with the Jewish connection with Communism, that in the summer of 1980, I took off three months from a very busy schedule, to study this phenomenon. I went to Jewish sources for my answer.

In the ASIAN MAGAZINE, Mar. 1920, the following statement appeared: "In all Bolshevik institutions the heads are Jewish. They look on Bolshevism as a Jewish affair. There is a great national fervor among Jews on behalf of Communism; they believe that the promised time of victory for God's Elect (them) is now" (They openly proclaim their year of victory as 2000!)

Rabbi Stephen Wise, one of the most prominent Jews in America, when asked about Communism, replied: "Some call it communism: I say it's Judaism."

The LONDON JEWISH CHRONICLE, Apr. 4, 1918, stated: "...there is much in the fact of Bolshevism itself; in the fact that the ideals of Bolshevism, are consonant (in agreement with) the finest ideals of Judaism."

The Jewish author, Marcus Eli Ravage, writing in the January 1928 issue of CENTURY MAGAZINE stated: "We Jews are at the bottom of nearly all your wars; not only the Russian, but of every major revolution in history (see Matt. 23:34, 35)... We did it solely with the irresistible might of our Jewish spirit; with ideas and propaganda." (He could have honestly said: "With money we stole from you stupid goyim!").

This statement reflects one made years earlier in 1856, when the head Rabbi in France, a Rabbi Reichorn, speaking at the funeral of another Rabbi in the Prague, said: "Wars are the Jews harvests. With them we kill off Christians, and get control of their gold. We have already killed 100-million of them, and the end is not yet!" (This was before the "blood bath" of the War Between the States, our costliest in man power, before. World Wars I, II, Korea, Vietnam, and the multitude of smaller wars we have fought).

During this study period, I was able to get hold of eight of the 63 books which make up the Babylonian Talmud, the "heart blood of Judaism!" and was horrified at the hatred they express towards Christ and all Christians, and their repeated desire to wipe us from the face of the earth. They even state how they will use foolish people like you Christians in the Judeo-Christian church, before destroying you. By the end of the summer, I was convinced, both from history and scripture, that the people we know as Jews, can in no way be the Chosen of the Book. My pastor said they were, but my Savior and King, told them: "But ye believe (Me) not because yea are NOT OF MY SHEEP." That seems mighty plain to me. In John 8:44, He told the Jewish religious leaders that their father was the devil and that he was a "murderer from the beginning". In Matt. 23:15, He accused them of "going over sea and land, to make converts, only to "turn them into two-fold more a child of hell than themselves". Hardly Chosen people stock.

Who was I to believe? The Seminary professor who said they were God's Chosen? My pastor who backed him up? Or my Savior and King who loudly and clearly called them His enemies?

This brought up a new subject. If the Jews are not "true Israel," and my pastor proclaimed loud and long that the "Jews were ALL of Israel;" if they are the "synagogue of Satan", as the risen Savior stated in Rev. 2:9; 3:9, then where is "true Israel".
"O' they disappeared into Assyrian captivity," the seminary professor said, and he too believed that the present day Jews "are ALL of Israel." But my God, through His Word, told me that His Special People, those with whom He would establish His Covenant would last as long as the "sun, moon and stars." The last time I looked into the heavens, they were still there, so knew Israel must still be somewhere around. (See Gen. 17:5-7).

So I began to search for clues, which would tell me who these people were, and found over 200 "fingerprints," in scripture, which identify Israel in the "closing out days of this Age," as surely as your fingerprints identify you, and not a single one can be applied to Jews. All these fingerprints point straight at the Anglo-Saxon, Celtic, Scandinavian, Germanic and related White peoples of Europe that are known as Christendom. As I began to realize for the first time in my life, that I was of the "bloodline" of Abraham, and that the promises that God gave to Abraham were mine, if I was willing to OBEY the Bible began to open up to me like a "rose bud before the morning sun," and passages of scripture which had been confusing, and which my pastor had been unable to clear up for me, suddenly made sense. I began to realize that the Apostle Paul was not speaking about the people we know as Jews, in Romans 3:1, (even though the King James translation uses the word Jew). How do I know? Because Paul asked: "What advantage then bath the Jew (this should have been Israelite, as I will prove), or what profit is there in circumcision?" He answers in verse two - "Much every way, chiefly because that unto them were committed the oracles (Greek - LOGION, meaning: "utterances of God," given to Moses 750 years before any people known as Jews existed) of God". I challenge you to show me any scripture in the Old or New Testament that indicates that the ordinance of circumcision was ever given to a people called Jews? It just isn't there, no matter how hard men like Jack Van Impe, and others who support the anti-Christ's of Judaism try to prove it.

I didn't like what I found, because it made me admit that some of the things I had been taught in my church, and in the seminary were false. The Seminary professors and my pastor told me that Israel had disappeared in Assyrian captivity, and that today "The Jews are ALL of Israel," while my Bible said that as long as the "sun, moon and stars existed," so long would "true Israel" be in existence and that they would always be God's Special People, His Elect, "set aside for a special purpose." Not to rule as world dictators as the Jew is taught in his TALMUD, but to become first a "servant people" learning OBEDIENCE to the King, before the could become the OVERCOMERS who would finally "rule and reign with Him". (See Isa. 41:8; 43:10; 48:20; Matt. 10:24; 12:18; 20:26, 27; Rev. 2:26; 3:21). This was something that did not cause a feeling of RACIAL SUPERIORITY, as some unfortunately have developed, but a feeling of deep humility, as I realized the new responsibility I now had before God and my fellow man. I'm convinced that this is one of the major reasons Christians refuse to accept Identity truth. They want to "rule with Him, but they do not want to go through the servant stage!"

I began to search through the Scriptures, and in history, to see if these Israel people really existed. I was not satisfied with the anemic answers I got from the fundamental Baptist church.

Are there a people who in these closing out days of the Twentieth Century, have the scriptural "fingerprints" that will identify them as God's ELECT?

There are over 200 of these fingerprints and not one fits the people we know as Jews. Only the White nations of Christendom meet the scriptural qualifications. Immediately
some will begin to scream "racialist", yet you do not seem to feel that the Jews are "racialists" when they purport to be God's Chosen. Why would you as a Christian, want to give this distinguished place in life, to a people who hate your God and your Savior, and who openly state their desire to destroy you? This seems extremely foolish. Maybe you should take a close look at 2nd Chron. 19:2, which says: "Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord". Why not ask your pastor to preach on this verse?

I can tell you from sad experience, that it is not an easy thing to stand up before people you love, and admit you have been wrong, no matter how innocent your intentions may have been. But not wanting to "sail under a false flag", in the fall of 1980, I wrote the following letter to 200 fundamentalist pastors and leaders.

September 1980

Dear Brother-in-Christ:

I have a deep burden on my heart which I do not quite know how to explain. No doubt it will come as a shock to you. I feel that in all fairness and honesty, it is necessary for me to give you this explanation and show you my present position on one of the most sensitive issues to face the Christian world in this Century. I refuse to "sail under a false flag," please bear with me as I seek to explain my situation.

For over a year now, I have been deeply disturbed by what is happening in Israel and its implications for the United States. As a result, I have engaged in a lengthy and prayerful study of the Scriptures and historical documents dealing with these people (Jews) we have been taught to regard as God's Chosen People.

After over 600 hours of study concerning the Zionist Jews, I am convinced that these openly atheistic, Communist haters of God, Jesus Christ and Christianity, are neither our friends, or the Chosen People of God!

Israeli is the only nation I know of which boasts as its leader a man who has a reputation as a former bank robber, terrorist, and who boasts of his murders. I am of course referring to Menachem Begin. He has been directly responsible for the deaths of many Christian Arabs, along with innocent Moslem Arabs who have been caught up in his militant Zionism. Yet most Fundamental preachers would have us believe that these murderers are God's Chosen.

You need to recognize, that many of those who today call themselves "Jews", are not of the blood line of Abraham (See Esther 8:17, as an example). You also need to recognize that many who are of Israel, are not Jews and that the terms Jew and Israel are not interchangeable, as we have been led to believe. The Bible makes a clear distinction between Jews and Israel, from the time the Kingdom was split as recorded in Kings 12:16, 17.

The more I studied Zionism, the more disturbed I became, for they are a real danger to America's freedom. I believe one of the major reasons this country is falling under the curse of Socialist-Communism, is that Fundamental
preachers have refused to face the evil which is being brought into America by the people they proclaim as the "People of the Book".

It is very possible that you will not accept this, but it is true nevertheless. There is no way in which you can discuss Marxism-Communism, without getting involved in the Jewish Question. You cannot honestly discuss Communism, without revealing the proven facts, that the founders of Russian Communism, were for the most part Zionist Jews. Nor can you get away from the fact that all but a very few of the top leaders in the American Communist Party, have been Eastern European Jews. These are proven facts of history, over which I have no control, but which we must accept, if we are honest men.

I can understand why historical writers, speakers, and even preachers have been afraid to face these truths; they are afraid to be labeled as "race haters;" "bigots"; or even worse, "anti-Semites". One simply must not use the word "Jew" when discussing Communism, for this will always bring the bitterest of censorship. Why do you suppose General Brown, Chairman of the Joint Chief's of Staff, was forced into making a public apology, after he stated truthfully, that the Zionists had far too much influence in our government?

I have before me a letter written by Dr. W. S. McBirnie, the well-known conservative from Glendale, California. It is dated March, 1980. In part, here is what it said: "I wish I could tell you, straight out, about the tremendous heavy problems facing our entire work at this time. I can only say that we are under heavy attack from a great many sources. When and if I can prove the origin of the organized effort behind the problems created, I'll shout it form the housetops . . . I wish I could tell you of my suspicions, but I dare not . . . I have reasons to believe our difficulties will get worse, before they get better." Signed: W. S. McBirnie.

Could it be that Dr. McBirnie was afraid of exposing the Zionist attack against anything which is Christian and pro-American? The same thing can be said about Moral Majority!

When I went to my pastor with these facts and tried to talk with him about the Jewish situation, he was understandably upset, since he too had been "brainwashed" by pro-Jewish propaganda, which is "Standard Operating Procedure", in most Protestant churches. He said: "Do you realize that you will alienate yourself with the fundamentalists if you continue to think this way?" The question was not: "Are the facts true?" but "What will the Fundamentalists think about it?"

Why is this? My fundamentalist beliefs are the same as they were before and I am willing to put them up against his or yours. I follow and preach the fundamentals of the Christian faith. Why should I be ostracized because I tell people the truth? Do you remember what the Apostle Paul told the Christians in Galatia? "Am I therefore become your enemy, because I tell you the truth?" (Cal. 4:16).

History proves that the Bolshevik Revolution in Russia was financed with Zionist dollars, supplied in 1917 to Lenin, by two Jewish bankers from New
York, Jacob Schiff and Max Warburg. It also proves that most of the top Communist leaders in Central Europe have been Russian Khazar Jews. It proves that most of the people in the United States, who have been tried for treason in the past sixty years, have been Eastern European Khazar Jews.

Here is a fact that should weigh more heavily than any other on those of you who deplore the moral and spiritual degradation we see spreading over America like a hideous cancer. The leadership and money behind this, is Jewish. These are facts which cannot honestly be denied!

It is Jewish doctors, for the most part who own and operate the Abortion Clinics of America, where over one-and-a-half million unborn babies are murdered every year. It is Zionist Jews who control and own most of the TV Hollywood, and the lying, one-sided media. They have controlling interests in the Rock and Roll business, the dope trade, and prostitution. It is these people who are actively engaged in destroying Christian patriotism and decency, and who are engaged in destroying everything you say you believe as a Christian. Yet you continue to defend and support them. Why? You have no right to complain about these evils from your pulpit, when you support those who cause them.

In 2nd Chron. 18,19, we have the story of a good king named Jehosophat, who helped a wicked fellow named Ahab (who was a fellow Israelite by the way), in his fight against the Assyrians. When Jehosophat returned to Jerusalem, he was met by a prophet of the Lord who told him: "Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." God will never bless America, as long as we support His Israeli enemies in Palestine, Russia, or anywhere else.

Now I realize that you may counter with the argument that the Jews are God's Covenant People, and that in Gen. 12:3, God told Abraham that He would "bless them that blessed Him, and curse them that cursed Him". You may say, as I have been told over and over again: "God will bless America only as we help the Jews!" I would like to call your attention to the fact that the years of America's greatest debacle in every area, has come since we began support of that little "bastard nation" in Palestine call Israel in 1948.

Most fundamentalist preachers tell their people about the terrible persecution of the Jews under Hitler, which was supposed to have eliminated 6-million of them. But Jewish statistics for that time, show that there were not that many Jews in all the area occupied by the Nazi's and that thousands of them escaped. These same preachers are careful not to tell their people about the millions of Christians who have been slaughtered under Jewish led Communism.

I believe one of the biggest problems pastors have, is their inability to distinguish between ISRAEL and the JEWS. Take your case for instance. After preaching for years that the "Jews are all of Israel," how willing would you be to stand up in the pulpit next Sunday and admit you have been wrong all these years. From long experience with Fundamental preachers, very few would have the courage to do it!
Does the fact that the number of Jews in Palestine today, are about the same as the Israelites who were in Egypt 3300 years ago, sound like the fulfillment of God's promise that Israel was to become numerous as the "sand on the seashore?"

Do you mean to tell me that the re-gathering of some 2 million Jews in Palestine today fulfills God's promise of large numbers? Less that 17% of world Jewry lives in Palestine today, and Israeli officials say that more Jews are leaving, than are coming in.

Why did Jesus, speaking to the Jewish religious leaders of his day in John 8:47, say: "... ye therefore hear them (His words) not, because ye are NOT OF GOD?" Why did He tell them in John 10:26 - "But ye believe (Me) not, because ye are NOT OF MY SHEEP?" There doesn't seem to be very much room for error here. If you don't believe Him, you are guilty of the same thing they were.

He went on to describe His "Sheep," His "people." "My sheep hear my voice, and I know them, and they follow Me." Who has heard His voice and followed Him? Not the anti-Christ's of Jewry for certain. They hate Him and spit when His precious name is mentioned.

These sheep cannot be the colored nations of the world, for they are reached with the Gospel message, only through hard work, great expense and even sometimes danger on the part of God's messenger. The only people in the world who have readily accepted the Gospel message are the White people of Christendom. This is one of the "fingerprints" which identify them as Israel. This is why Jesus said: "My sheep hear my voice and follow Me."

Only in the United States do you find a government that was based on the principles of the Holy Scriptures. Why did we set aside a special day as our "sabbath" to worship God? Could it be because we are the Israelites you Fundamentalists scoff at?

The New Testament calls us GENTILES, which means TRIBES or NATIONS, especially "non-Jewish" nations. Do you recall how Jesus said His major mission was to "the LOST sheep of the House of Israel." If you have any knowledge of Greek, you KNOW this did not refer to "unsaved Jews," as you no doubt preach, but to "those who were banished because of their disobedience." This happened only to Israel.

You tell your people that the Jews will rebuild the temple in Jerusalem before Christ returns, and they may well do it, but in Jer. 7: 3-11, and again in Ps 78:59-72 we read how this temple will become like Shiloh that God destroyed.

Today, the old city of Jerusalem has become a "curse to all nations," just as the prophets foretold. It has become the center of International intrigue, the "hot spot" of the world's political problems. It is very probably the area which will lead Christendom, into World War III. It is a country which hates God, and worships Lucifer. It has a philosophy that despises our Constitutional form of government and is dedicated to it's overthrow. Why
do you support them?

Why do you never tell your people that the reason the Jews have been universally hated, is not because they are God's People and Satan hates them - it is not because of their religious belief, although this is at the bottom of their actions; but it is because they have been a "corrupting cesspool" of iniquity in every nation where they have been allowed to settle. They have been a nation of "bloodsucking leeches," for the most part, which have fastened themselves unto humanity and for every ounce of good they have done, they have always extracted their "pound of human flesh."

When they were given sanctuary in Spain and were treated with respect, they turned on their benefactors and betrayed them to the Moorish invaders. It has been thus in every country where they have been allowed to settle. They are now doing the same thing in America, as they seek to undermine and destroy everything America stands for. Don't argue with me about this, look at the names behind every effort towards One-World Government, and the surrender of American sovereignty, and you will find the majority are Jews. This did not happen by coincidence.

Have you ever heard of any great effort on the part of Jews to help others who are not Jews? They often give to be seen as benefactors of mankind, when behind their giving is an ulterior motive. They are the most selfish people in the world. Yet wherever they go, they perpetuate the story of their eternal persecution, brought about by their own actions, and used to further "hoodwink gullible Goyim".

Unfortunately, the next two pages of this letter have become lost over the last eighteen years, but it ends with this scriptural quotation from Jeremiah 5:30, 31 - "A wonderful and horrible thing is committed in the land, the prophets (preachers) prophesy (preach) falsely, and the priests (politicians) bear rule by their means, (through this deception), and My people (Christians) love to have it so; and what will ye do in the end thereof?"

There can be only one end when this happens - DESTRUCTION!! Are you taking part in this process?

For Christ, an Awakened and Militant Church, and a God honoring America.

P.S. I am still available for Christ and Country Crusades. I still preach the same Gospel, with the same fervor. I still speak about the problems facing America from a spiritual standpoint. The only difference is that now I have a stronger reason for taking a stand for Christ and Country, since I recognize who the enemy is, and how our Christian folks MUST know the truth about them, if they are to survive!

I will give you this assurance. If I am invited to your church, I will not make an issue out of Judaism, but I will not sidestep it. I will do nothing to intentionally embarrass you, but I must tell the people the truth. You will need to search your conscience and decide what God would have you do. I
do not like what has happened in my life, from the standpoint of men, but I have promised, before God that I will not "sidetrack" the truth... even if it means displeasing you, my Christian brother. I MUST answer to God, for what I do with the truth. JM

Within two weeks after this letter was mailed, I received 14 cancellations of week long Crusades which had been scheduled for 1981. None were canceled on doctrinal grounds, but solely on the stand that I refused to accept the anti-Christ's of Judaism as God's Chosen. So error is perpetuated in the Judeo-Christian church, as millions of blinded Israelite people are being led to destruction.

Only one pastor, Dr. Greg Dixon of the Indianapolis Baptist Temple, Indianapolis, Indiana, believed me and had me back. To all others, I have become an apostate, and they cross the street when they see me approaching. Within two weeks after I told my pastor this truth, he had spread the word over the State of Mississippi, so that pastors I had known and loved for years, and in whose churches I had held successful revivals, suddenly shunned me as though I had the plague. For a while I was devastated. I thought God was putting me on the shelf. Then in 1981, as I began to get acquainted among Identity Israelite Christians, I learned the meaning of true Christian friendship, and never, for anything you could offer, would I go back to the "weak and beggarly elements" of Judeo-Christianity.

I am not surprised at the actions of the Jews, for as children of "their father the devil", (John 8:44), they are "doing what comes naturally". As far back as 1289, the Jews in France were enjoined by their top Rabbi to:

1 - Make of your sons merchants, that little by little, they may despoil Christians of their possessions;

2 - Make of your sons doctors and apothecaries, so that we may take away Christian lives;

3 - Make of your sons canons, and clerics, so that we may destroy their Christian churches from within;

4 - Arrange for your sons to become lawyers and advocates, and see that they mix themselves in the affairs of the State, in order that by putting Christians under our yoke, you may dominate the world and be avenged on them." (Their date for this takeover is 2000!)

This is the Jewish way, my Christian friend, whether you and your pastor want to accept it or not.

The naivete of the Christian world is reflected in a recent public boast made by a high Israeli official who said: "Today, we have the best Congress money can buy!"

Are you willing to stand by and watch Christianity die a terrible death? If this happens, we will take FREEDOM to the cemetery, bury her along with our Christian churches, and over the grave erect a headstone with this epitaph: "The truth of God died in America, because the good Christian people of America didn't want to be bothered!"

The Apostle Paul tells us in 1st Tim. 5:8, "But if any provide not for his own, (and the word provide includes protection you can be sure), and especially for those of his own
house (family), he bath denied the faith, and is worse than an infidel."

Where do you stand in the eyes of God?

Your Brother and Servant as Ambassador for Christ the King,

Gordon (Jack) Mohr

Feel free to copy and distribute. JM
For over eighteen years, I have been touring the United States as a sort of "watchman on the wall." My calling was to warn America, especially Christian Americans, against the dangers which are seeking to destroy our white Christian civilization. But in spite of doing this to the best of my ability, for many years I refused to look at one of the most dangerous facets of the problem we are facing. This is sometimes called the "Jewish Question." The American Educator, Horace Mann, once said: "On the face of it, it must be a BAD cause which will not bear discussion. Truth seeks light, instead of shunning it." On the basis of this, we must take a much closer and more serious look at the doctrine which has inundated our Christian Churches, which insists that the people we now call Jews are God's Chosen People, and that no matter what they do, we must do our best to help them. In so doing, we are cutting our own throats, and are asking that the world slip into the Dark ages, which will be worse than anything seen in the history of mankind.

The most serious problem in dealing with this issue, is that the average Christian, especially the pastors, refuse to look at any evidence, either from the Scriptures or history, which will disprove their pet theory. Instead, they are willing to brand you as an apostate, if you have the courage to warn your fellow Christians. This is what has happened to me.

So in this article, I am going to depart from the norm. I am not going to marshall irrefutable arguments to prove my point. I am not going to point an accusing finger at those who refuse to accept the truth. Instead, I am going straight "to the horse's mouth," as the saying goes, and prove my argument by quoting the statements of the enemy.
Give Me Ten Men

"Righteousness exalteth a nation, but sin (disobedience to God's Laws, 1 John 3:4) is a reproach to any people." (Proverbs 14:34).

This message has been preached before and some of you will recognize it. But its message is so important at this time, I feel the need to repeat it. Patrick Henry was credited with saying: "For my part, whatever anguish of spirit it may cost. I am willing to know the whole TRUTH; to know the worst, and provide for it."

The American Educator, Horace Mann said: "It must be a bad issue which cannot bear discussion, as TRUTH always seeks the LIGHT."

Jesus Christ said: "If you will know the TRUTH, the TRUTH shall set you free." (John 8:32), and again: "Men love darkness rather than light, because their deeds are evil," (John 3:19).

In this message I am going to look at some thorny issues that are destroying America, and see if we can find the TRUTH, and an answer for them.

It is only fair to warn you that you may disagree with some of the things I mention, and ever get angry with me for saying them. So be it! I am not saying them to "ruffle your feathers," or win a popularity contest, but because they are TRUE!

I hope that when you have finished reading this message I will not have to say along with the Apostle Paul to the church at Corinth: "Am I therefore become your enemy, because I tell you
Unfortunately, White Christian Americans, who once prided themselves on accepting TRUTH, have become so "brainwashed" by the enemy propaganda, that the TRUTH today often makes them feel uncomfortable and therefore angry.

Immediately when the term "White Christian" is brought up, the words "bigot", or "racist" are apt to pop up. Yet it is an observable fact of history, that Christian nations, known as Christendom, have been the only people who have openly accepted the Gospel of Jesus Christ. Only these people have built their Constitutions around active in spreading who feed the world's these attributes are "true Israel." So if being proud of these accomplishments, and being White make me a "racist", then I am proud of it. If Blacks have the right to say: "Black is beautiful," without being "racist", then But today, in this first year of the new Millennium, the White race is in a mess in America, and I have the right to be proud of my people and what they done for mankind.

I have around the world, and is headed for oblivion unless corrective measures are taken soon. I also refer to White Christians for they were the ones who built this nations with the help of and OBEDIENCE to God made it great.

The problems I discuss in this message are so very serious, they could well lead to the "destruction of White Christian civilization", which is the openly avowed objective of our enemies. White Christians in particular MUST be reached with this TRUTH, if they are to survive.

Whether you are willing to accept this or not, it is as mentioned before a readily observable fact of history, that only the White nations of Christendom have readily accepted the Gospel of Jesus Christ. All colored nations have only been reached with the expenditure of much money, much hard work, and often danger to the missionary.
Only the nations of Christendom have fashioned their Constitutions on God's Ten Commandments.

Yet today, unless we allow the light of TRUTH to illuminate our problems, we could very well lose everything which is dear to us, including our FREEDOM, our right to worship God very lives.

In this message I want to talk about men and women of Christian courage, who are willing to "make up the hedge and stand in the gap", before Almighty God, so He will not destroy us, (Ezekiel 22:30). I am speaking of the preservation of our race and our Israel heritage.

The reason I will sometimes be harsh in my evaluation, is because I will be speaking about your and my survival, not in the future, but right now. The subjects I discuss will not be popular with many in the church world, who have been brought up on a "diet of spiritual pablum," which tells them only the pleasant things they want to hear, which makes them feel good. Or as Evangelist Oral Roberts would say: "Something good is going to happen to you today!"

The often harsh TRUTH has become a spiritual "No! No!" in most churches, because it does not make people feel good. These unpleasant things MUST be discussed if we are to develop a solid basis for defense.

I would like to illustrate what I am trying to get across by telling you two stories. - The first is about renegade Whites who have joined the enemy. They may not even know it and may believe they are working for the Lord, but their fruits show otherwise. In Northern Mississippi is an old wooden Negro church, now abandoned, which was once quite active. Many years ago, in the fall of the year, the colored folks were having a revival meeting. The windows and doors were open as it was quite warm.

Some of the older White boys hoping to have some fun at the Blacks expense, dressed one of their fellows in a devil's costume, and in the middle of the sermon propped him up in one of the front windows. There was an immediate evacuation of the church except for one poor old lady who had arthritis so bad, she could hardly walk. As the devil clambered through the needs to know somethin bout me. I specs you knows that I.se the head
of the W.M.S. and that I'se taught Sunday School fo a long time. But one thing yo don't know is that I'se been on yo side all along?"

A funny story, but all too true of many who go by the name of Christian. Jesus said these would remind Him on the Judgment day of all the good things they had done. How they healed the sick in His name, cast out devils, no doubt taught Sunday School, or directed the choir, and baked cookies for the church Bake Sale, and He would, tell them: "Depart from me; I never knew you!" "For by their fruits, (not by what they say) shall ye know them."

When I think of folks like this old Negro lady, I'm primarily of White Christians who attend Judeo-Christian where they are taught that their foremost enemies, the Jews, are God Chosen. His Son, Jesus, whom we claim as Savior, said no! in, (John 10:26). The idea that these enemies of God MUST be supported at all costs is destroying ristian America, and making us hated world wide. (We will discuss more we go along).

My second story deals with "loss of perspective," and is one of the greatest problems nominal Christians seem to have. This comes when we see things taking place, and can't see or often won't see what is actually happening. It’s sort of like the "hall of mirrors" in the "fun house" at the County Fair. What you see isn't the real you. The enemy has become very clever at changing the TRUTH into a lie, and fooling Christians. The Apostle Paul, in (Titus 1:10,11) warns us about this, listen carefully: "For there many unruly and vain talkers, and deceivers, specially they of the circumcision (Jews); Whose mouths must be stopped, who subvert whole houses (households), teaching things they ought not for filthy lucre's (money's) sake."

on the warm afternoons to "shoot the breeze." I remember one in particular, an ex-alligator hunter. He said: "'Taint hard to catch gators if you have the right bait and equipment. You need a loaf of bread, a dull book, a pair of tweezers, a match box and a telescope." Here is how he used this odd equipment: "Go out on the banks of a river where you knew gators hang out and find a big shade tree near the river's edge. Lay you equipment down where it's easily accessible and sit down and relax as
you read your dull book. Soon you will become sleepy and this is and look at him through the wrong eyeglass and take your tweezers and grab the little gator you see there and put him in the matchbox. It's as easy as all that.

perspective" that can be fatal! So in dealing with spiritual had become exceedingly unpopular in the American vocabulary, but which should appear on the front page of our daily newspapers, and be shouted from the pulpits of the land.

Many years ago a political philosopher said: "Treason prospers, what's the reason? for when TREASON prospers, none dare call it TREASON." We are living in that age today. It is prospering in government, in education, in the military and often in the Christian church, and most folks don't want to "touch it with a ten foot pole." We are frightened by TREASON, as we should be, for as Cicero said centuries ago: "Treason rots out the heart of a nation and destroys the pillars of society." It is difficult to detect TRAITORS, for they often look like respectable folks who often come from the "cream of society."

Many unscrupulous men and women are getting extremely wealthy in America through TREASON. Some of these are professing Christians who clutter up the airwaves with their religious TV programs, while they feed our gullible people with garbage which turns them from being "front line soldiers of the cross," into docile foxhole dwellers, who fold their holy hands as they which was caused by their Christian apathy. It is a pretty reliable "rule of thumb", to expect preachers who are on National TV, to bypass those extremely important things which the mainline churches will not touch, for if they preach the "Whole Counsel of God's Word", they will not remain on National TV very long. This is one of the major ills of Judeo-Christianity. In (Jeremiah 23:18) we are told: "But if they (the pastors of Israel) had stood in my (God's) counsel, and had caused my people (Israel) to hear my words, then they would have turned from their evil saved by grace," when they are actually Israelites, God's Chosen People, "saved by His grace." Being Israelites, they have special obligations which many Christians do not want to accept.

You don't fill the football stadiums with religious services by preaching the "whole TRUTH", for few White people are willing to accept it and our enemy does everything in his power to keep
the TRUTH from our people.

Many Christians will tell you: "We have never had any trouble with anti-Christ's, and this is often because they cannot recognize them, even when they stand in the pulpit of their church, and because they have never taken a stand against them."

Have you ever wondered why a man or woman could take office in Congress with a modest income, and by the end of their first term be a multi-millionaire? "When TREASON prospers; none dare call it TREASON!" Common sense tells us that something somewhere.

The conditions in this beloved land are far to serious to suggest anything but the harshest appraisal. We MUST get across to the "rank and file" American citizen, no matter what their color or creed; Christians in particular, that the enemy is not "playing games" with us. This is "hard ball," for survival. We MUST also get across to our elected leaders that "we the American public" are going to hold them accountable for their actions and for living up to their "oath of office". Far too often professing Christians have been derelict in our duty to God and country and have encouraged TREASON in or elected leaders by our apathy.

It is the White Christians of American the enemy has "pinpointed for destruction," they openly boast of this. It is our duty with the help of God, to see they are not successful, for if they succeed, the results will be too horrible to contemplate.

We are engaged in a War for survival, not only of the White Race, but for Christian Civilization. It's outcome will decide the destiny of our country and it's people for centuries.

When I mention TREASON, I am, thinking of the Constitutional definition as found in Article I, Section 3 of our Constitution. Here in words any Fifth Grader can understand it says: "TREASON shall consist only in levying war against them; adhering to their enemies, giving them aid and comfort." So any thinking person can readily see where TREASON is being committed in, and
by our government.

When I was a boy, several centuries ago, there was a song I've never forgotten that went something like this:

"Give me some men, who are stout hearted men,

Who will fight for the right they adore. Start me with ten, who are stout hearted men, I'll soon give you ten thousand more. Oh shoulder to shoulder, and bolder and We shout as we march 'gainst the foe;

When stout hearted men shall stand together man to man

My intention is not to glorify these men, although they have taken a stand throughout history for God and their Israel people. Men and women like Patrick Henry, Roger Williams, Benjamin Franklin, George Washington, Paul Revere, and Molly Pitcher. Your remember Molly don't you? She was the gal who stood behind that Revolutionary War cannon and kept firing it after her husband was killed, and a host more. We have some like that today. Pastor Pete Peters, Earl Jones, Gordon Kahl, and his wife Joan, and others who stand up for the TRUTH and refuse to be intimidated by the enemy. Duty to God, race, country and

more years as complacent Zionist slaves. They would "die on their feet as Israelite men and women," than "live on their knees as slaves of the anti-Christ."

Of course our Zionist controlled press, vilifies them as "terrorists" and "religious extremists." It has ever been so.

Most of you will remember the Old Testament story of how the undermanned, badly armed and trained Israelite army was challenged the Israelite army. Goliath shoued: "Why are ye come out to set your battle inarray? am not I a Philistine, and ye servants of Saul? choose you a man for you and let him come down and fight with me. If he be able to fight with me and kill me, then will we be your servants: but if I prevail and kill him, then will ye be our servants and serve us. I defy the armies of Israel this day; send me a man that we may fight. " The Bible account says that when they heard Goliath's words, Saul and all Israel were greatly afraid for Goliath was a huge man, twice as big
as any in Israel including King Saul.

You remember how Jesse's three eldest sons were in the Israelite army. Jesse sent his youngest son David to the battlefront with some homemade goodies for his brothers, and while there he heard Goliath's challenge which had gone on for forty days (vs. 16), and was amazed because none of Israel answered him. David was angry and said: "What will be done to the man who killeth this uncircumcised Philistine and taketh away the reproach from Israel"? His brothers got mad at him and his eldest brother Elhiab got told David: "Why did you com here, you little punk. Why did you leave those few sheep and come here. I know your pride, and the naughtiness of your heart. You just came down to see the battle."

And David told him: "What have I now done, is their not a cause for my anger?" Someone who heard him went to King Saul and said, "I have found a man in Israel who is not afraid of the Philistine". So Saul sent for him. When he saw that he was only a boy, probably a teenager, he said: "You are not able to fight this Philistine who is a man of war." And David told the king, how while he was keeping his father's sheep a lion came out and took a lamb out of the flock and how he killed the lion. He told Saul, "as God delivered me from the lion and the bear, as God will he deliver me from Golliath, seeing he has defied the Living God." Saul tried to outfit him in his armour, which was far to big for him, and instead he went out in his shepherd's garb, armed only with his sling and five smooth stones he picked out of the riverbed. It is interesting to “read between the lines,” and knpw that David knew that God’s strength, he would be victorious. He never doubted for a minute, although according to human considerations all the odds were against him.

When Goliath saw his enemy and that he was merely a boy, he became furious and said to David: "Am I a dog, that thou cometh against me with staves? Come closer and I'll give your carcass to the birds of prey, and beasts of the field", and he cursed David in the name of his gods. The Bible says David replied: "You come against me with a sword and spear and a shield, but the armies of Israel whom thou hast defied," and fitting a stone to his sling, and
twirling it about his head, he let fly, and the stone sunk into the giants forehead toppling him like a tree struck by lightning. When he fell, David cut of his head with his own sword. The faith chapter (Hebrews 11) mentions this and says, speaking of David and other heroes of the faith: "Who through FAITH subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions." Yes, my frightened Christian Israelite friend, we Israelites have been promised VICTORY if we OBEY God.

Like David told his brother: "Is there not a cause in America today, for us to be disturbed and angry? How can we stand silent, while the heathen anti-Christ's of Judaism curse our Savior and King, and call Him, an "illegitimate bastard" and those who claim to love Him call His worst enemies His chosen? It's no wonder we are losing the war with Christian soldiers fighting for the enemy cause. If you back Judaism, you are in the enemy camp, regardless of what you may be told by Judeophile televangelists like Jack Van Impe and Jerry Falwell, who benefit financially for their support of the enemy.

There are some so-called Christians who will give you the lame excuse for not becoming involved, by saying: "Well it's written in the book of Revelation that the anti-Christ will take over and there's nothing we can do to stop it. In fact we would be fighting against God if we tried." So they "roll over and play dead," while the anti-Christ moves in unopposed. We read in (Revelation 12:17) that "the dragon, (symbolic of the anti-Christ) was wroth with the woman (Israel) and went to make war with the remnant of her seed, which keep the commandments, (are obedient to) of God and have the testimony of Jesus Christ." (So it becomes obvious that at least a remnant of Israel is still fighting.) (13:7) says that the anti-Christ was "given power to make war with the saints, and to overcome them..." (Vs 8) says that "all whose names are not written in the book of life of the Lamb, shall worship him". (Again an indication that there will be those who oppose him.) The TRAITORS will get their comeuppance, when God has had His fill of their blasphemy, (see Revelation 14:9-11). Then in (Revelation 15:2) for those of you who believe we should not stand against the anti-Christ we read: "And I saw a sea of glass mingled with fire: and them
that had GOTTEN THE VICTORY over the beast, and over his image, and over his mark, stand on the sea of glass..." My Christian friend, you don't gain the VICTORY over evil unless you first put up a fight and we have the assurance from God Himself, that if we are OBEDIENT we will be VICTORIOUS!

The teaching that we MUST not put up a fight against evil, is one of the most damnable heresies of the modern church. If the early Apostles had believed this, the Christian church would never have made it through the Jewish and Roman persecution of the First Century A.D.

Jesus, our King, said: "Occupy (be in the front line of the battle) until I come!" (The English word OCCUPY comes from Christians we MUST "busy ourselves" with the King's business, which in this case is to stand against evil.

I believe that one of the MOST pressing needs in the church in America today, is men and women who have enough "spiritual fire", they will raise some smoke, as they exhibit a trait that was once common to Americans, called "righteous indignation." Instead for the most part we have become a generation of "Yes, men and women who will bow down to those in power, whether they are in government or the church, right or wrong". Even when we KNOW they are going against God's will.

Today, most Americans, including many Christians, are satisfied with a good roof over their head, three square meals a day, a nice car in the garage, a TV set to watch and a six pack of beer. Given these things, they will sit complacently staring at the "boob tube" while the country "goes to hell." No wonder we are losing the war!

In order to understand this Christian APATHY, I MUST speak about FEAR. I know it's a negative subject and we don't like negativism the problems that beset us.
There has never been a decent mother who has not been concerned, or possibly even frightened for the safety of her children.

and the effect this would have on their family. This is normal and good; it is part of being good parents.

Brave men and women often disregard their own safety and comfort and overcome their fears in order to do what they consider to be their duty. I have been privileged to fight beside Americans in two wars, and have a few medals to prove it, including four Purple Hearts. I know something about the "gut wrenching fear" that can immobilize a man and make him helpless and I have seen men overcome this fear, to throw themselves on an enemy grenade that landed in their foxhole. Jesus said: "Greater love has no man than this. That a man will lay down his life for his friends," (John 15:13).

There is nothing wrong with FEAR when it is controlled. It can even become an asset. The Christian, and by this I refer to a "genuine one" needs not to be afraid, for we are told in (2 Timothy 1:7) that "God hath not given us the spirit of FEAR; but of POWER, and of LOVE, and of a SOUND MIND," and that "There is no fear in LOVE; but perfect LOVE casteth out FEAR ... he that feareth is not made perfect in love," (1 John 4:18). It is this kind of love that will make a mother dash into a flaming room in an attempt to save her child.

The true story is told of the Roman Centurion (that's like an Army Captain, who was in command of a hundred men), who was questioned by his commander during the Nero persecutions. He was asked: "Are you a Christian?" to which he proudly replied: "I am!" His commander said: "you and have found a way to save you. All you need to do is sign this parchment stating that you have gone to the temple of Jupiter and renounced Christ." I won't even expect you to that. Just sign this paper." But the young Christian threw his head back and shouted so all could hear: "Jesus is Lord!" and the next time they had a game at the arena, they burned him as a tar covered torch, so they could see to kill
other Christians. You may say: "He died needlessly!" But it was courage like this, which overcame fear, that allowed to survive the Jewish/Roman persecutions of the First Century A.D.

When we allow FEAR to burn up our vital reserves of adrenalin, then we become cowards, morally and physically. When we chew off our fingers to the first knuckle through FEAR, every time the enemy sneezes, we have lost the war before the first shot has been fired. This of course is what the enemy wants. Nicolai Lenin the Talmudic/Communist father of modern Communism predicted of America: "They will become so morally and spiritually decadent, they will drop into our laps, like overripe fruit, without firing a shot." including evil men and women. He was speaking preserved with a good deal of effort on the part of Christians. It does not come naturally.

In spite of the effort by the controlled media to paint Christians as "paper tigers", we have proved our physical and spiritually many times during our short history.

Why do you suppose the "left-wing, pro-Zioinist, One-worlders" want to get rid of us, as they have stated over and over? Why are they so anxious to disarm us? Why do highly paid prostitutes like Peter Jennings take such a delight in castigating gun owners, and pointing out how dangerous we are to the rest of the country, when the vast majority of us are "decent, hard-working, God-loving, law-abiding folks"? We love freedom and other Americans enough to be willing to die for them. Could it be that we cannot be intimidated, or bought by the enemy, and that we are the only folks who stand against their plans for World takeover? This knowledge literally "scares hell out of them."

The trouble with many Christian Americans is that we tend to place our courage in the wrong place. COURAGE is a great deal like LOVE, there is plenty to go around, it is the matter distribution that causes the trouble.

The teenager who shows his courage behind the wheel of a high powered car, as he plays the "game of chicken," on a country road, may be brave all right, but he is misusing his courage and becomes a danger to
In the days which lie ahead, we are going to need men and women who will use their courage in the right place, and in the right way!

Many of us have a fatal tendency to look at what's happening shrug our shoulders and say: "The odds are too great, everyone knows you can't buck City Hall."

If we could get professing Christians out of their spiritual foxholes, where they are waiting for Jesus to Rapture them out of the mess caused by their own apathy, it's possible we could make some spiritual headway. My personal opinion is that the Rapture Doctrine, (the word is not even found in the Bible), is one of the most potent weapons in the hands of our anti-Christ enemies who love to promote it to the extreme. It has neutralized millions of potential Christian soldiers and completely emasculated them spiritually. When I was on the evangelism field, speaking about the dangers of Talmudic Communism, I had many good folks say: "Brother Mohr, we believe everything you said. But we are 'born again' you know, and we don't have to worry about things like Communism, because Jesus is coming back to take us out of this wicked old world before it gets all that bad!" They either haven't studied their Bible very well, or they have been "taken in" by some religious charlatan who stood in the pulpit of their church teaching fables.

Instead of having the "Rapture mentality", if we get into the fight, and remember that our God is still in charge of things, and that He doesn't "balance His books at the end of every year," as men do, but that a "Day of Reckoning" is coming. (See His Parable of the Wheat and Tares in Matthew 13:37-43). Then His angels will do the sorting out and destroying.

Evil men and women believe they are getting by with their wickedness, but we KNOW as surely as "day follows night", that: "Be not deceiv'd, God is not mocked; for whatsoever a man (woman) soweth, that shall they also reap." (Galatians 6:7), and this admonition was written for Christian
Israelites as well as wicked infidels. If we are solidly "rooted and grounded in Him", we can say: "Fight on Christian soldier, if you are OBEDIENT, you will be VICTORIOUS!"

God alone knows what would happen in America if professing Christians would become involved. Too many Americans are like the woman who was beaten and raped in Central Park, New York. A tourist found her lying on the ground, covered with blood and asked: "Lady, shall I call the police?" And she replied: "No, please don't. I don't want to become involved!"

But my Christian friend, you are already involved if you call yourself a Christian, whether you are willing to admit it or not. The question is: "Whose side are you on!"

Not so long ago, a woman by the name of Fay Chamberg addressed the Talmudic Assembly in Johannesburg, South Africa, which was then headed by a radical rabbi named Rabinovich. She said: "We South Africa, since this is the only hope of the Whites for survival. We must with all speed poison the minds of the White populace against this racial evil in their midst. During the time of the Anglo-Boer War, we made the mistake of not exterminating their stinking women and children. We only annihilated some 20,000 of them. Now we have the power and the Cape Dutch are cringing and at our mercy. The Boers MUST be erased for two reasons. First because of their nationalism, and second, because they are Christians." (This is typical Jewish/Talmudic hatred for all Whites, especially Christians). She received a standing ovation from the assembled rabbis.

This is only a tiny example of the virulent hatred that International Jewry, (and these include some of them you may be supporting through your Judeo-Christian church), have for you as a Christian. This is the same fate Jewry has planned for the United States and Canada. Utter extinction! one way or the other!

In the August 10, 1920 edition of the leading Jewish newspaper in America, THE AMERICAN HEBREW, published in New York City, we read: "The Russian Revolution was the work of Jewish brains and planning
whose goal is to create a New World Order. What happened in Russia, shall also through Jewish mental and physical forces, become a reality over all the world.” Their special these three nations of Christendom, have been foremost in opposing Jewish takeover, and exposing their plans.

Our founding fathers stated in the Preamble of the U.S. Constitution: “When evidence shows that our government intends to take away our freedoms; it becomes not only our RIGHT, but our DUTY, to throw off that government, and provide something which will defend our freedoms.” Congress take note!

I am personally convinced that if 1/4th of the White people in America, who call themselves Christian, were to “fall in love with King Jesus”, to the point where they put Him first in their lives and strived to OBEY Him, instead of "doing their own thing", we could turn this nation around in a very short time. (IT WILL NOT BE DONE THROUGH POLITICAL EFFORTS! The very nature of the political beast makes this impossible.)

If we were to fall in love with the King, we would eject the "money changers from the national temple" and get back t controlling our own currency. This in itself would alleviate many of our national problems, and Congress could accomplish this by a vote, just as they saddled us with the Federal Reserve this will not happen until decent Americans force Congress into doing their sworn duty, instead of bowing before the power of our Jewish overlords.

Instead of being content to fold our holy hands in prayer, as we ask God to handle the "dirty end of the work" He has given us to do, we need to "put feet under our prayers." Lest you think I do not believe in prayer, this is not so, for I believe like my grandfather did when he said: "There have been more good things wrought by prayer than this old world dreams of. For the whole world is bound about the feet of God by the golden chains of prayer." But like him, I believe when a man prays on a hoe handle." "Prayer without WORKS, is like FAITH without works; DEADJ being alone,” (James 2:17).
Prayer to be effective MUST be heard by God, and the Scripture indicates there are times when God will not even listen to our praying. In (Isaiah 59:2) we read: "Behold, the Lord's hand is not shortened that He cannot save; neither is His ear heavy that it cannot hear: (He as not lost any of His power and is still the same God that opened the Red Sea for the Israelites and shook down the walls of Jericho). Then vs 2 says: "But your (Israel's) iniquities have separated between you and your God, and your sins have hid His face from you that He will not hear." Have you ever heard those two verses used as the basis for a sermon on OBEDIENCE? In over eighty years of attending church, I never have.

Have you ever wondered why with over 54-million "born again" Christians in America, we are "headed for hell" at a faster rate now than ever before in our history? With larger and more yearly, this evil trend continues. Something MUST be drastically wrong.

Could it be that many of those who call themselves Christian are like the folks Jesus spoke about in (Matthew 5:.13), when He referred to "salt that has lost it's savor (saltiness, it's ability to act like salt and hold back corruption?)" I'm sick and tired of listening to Christians who say: "This world is not my home, I'm just passin' through," yet every Sunday they pray the Lord's prayer that says: "Thy Kingdom come, Thy will be done, on earth as it is in heaven.

I wonder how many American Christians would dare to confront by Jewish/Communism, and tell him how they were going to be Raptured. It is one of the most selfish, dangerous doctrines that has ever been invented by unsaved men.

The problem is that many who say they believe it, really don't. They are like the young Baptist preacher, who told me several years ago: "Brother Mohr, the Lord will come back to Rapture us before the end of this year". I knew he didn't really believe this, for he had just increased his life insurance, and was putting money in the bank every month to send his children through college. But when I mentioned this, he got angry with me.

If Christians really believed Christ would return soon, they would allow nothing to stand in
the way of doing the King's work. They show by their apathy that they don't believe what they profess. As the Apostle James said in (James 4:3) - "Ye ask and receive not, because ye ask amiss (wrongly), that ye may consume it on your own lusts (fleshly desires for material things) ".

I'm sure most of you will agree that we are living in the most shameful period of America's history. Could the reason be that so many of our people live in FEAR, is because they have neglected the warning found in (2 Chronicles 19:2): "...Shouldest thou help the ungodly? and love them that hate the Lord? Therefore is wrath upon thee from before the LORD." Some of you who read these words may be guilty of this because of your support of the anti-Christ's of Judaism.

Now you understand what I mean about this being a harsh message to swallow. But unfortunately, it's true and you will gain only

Take the time to study (Deuteronomy 28) and see how God is now punishing Christian America, and by this I refer to White Anglo-Saxon Israel. In (vs. 33) we are told: "The Lord will cause thee to be smitten before your enemies!" (We lost the wars in both Korea and Vietnam., in spite of all the lofty words from our leaders about having a "peace with honor." We lost, not because of the lack off bravery on the part of our fighting men; not because of inferior equipment, but because of TREASON in the surely as if Iraq had whipped us, and there is no telling of the damage that was done to our service people in that "turkey shoot", which our government refuses to admit to this day.

Now we are about to become involved in a big war in the Middle East, which could destroy us. Yet our leaders refuse to listen to God's Word!

(Vs 25) in this same chapter says: "The fruit of your land and your labors shall a nation which you know not, eat up." that has been foisted off on us by the Democrats "open immigration policy". America is
shaving over $365-million worth of food to the Soviet Union, and billions more to the Third World Nations, many of whom refuse to help themselves but spend it on military hardware, and so their leaders can live "high on the hog." According to our own Agriculture Department, we are now down to less than a six months emergency supply of food. Ten years ago we had enough to last ten years, but under the Democrats "give away programs," which garner many votes, we have little left.

For fifty years we were warned about the Evil Empire of Zionist/Communism and how our government and people were the only thing that stood between us and slavery or extinction.

Yet the TRAITORS in our government siphoned off trillions of tax dollars, while on at least fourteen major occasions during this fifty years of Cold War, whenever the Soviet Union was on the verge of financial collapse, our government "bailed them out and put them on their feet again," with our tax dollars.

The words of (vs. 43,44) have been proven true: "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low... he shall be the head, and thou shalt be the tail".

We have been under enemy control since 1913, when a "chicken Congress" passed the Federal Reserve Act. We have fulfilled the promise of one of the Rothschild’s when he said: "Give me control of a nation's economy, and I care not who makes her laws.

Always when we forget God’s Laws, we come under the harsh control of the enemy. It has always been thus!

We have not had an American government in Washington, D.C. since F.D.R. took over in 1933.
It hasn't mattered whether Republicans or Democrats have been in the "driver's seat". It's no wonder that a high ranking Israeli official could boastingly state: "We Jews have the best Congress money can buy!" While over 70 out of our 100 Senators, regularly vote the "straight Israeli ticket."

When you see the term Z.O.G. being used, it's true, as it means ZIONIST OCCUPATION GOVERNMENT.

What has happened in America that the patriotism of a Patrick Henry who shouted: "Give me liberty or give me death, degenerated to the lows shown by the NATIONAL COUNCIL OF CHURCHES, who has called for surrender before the first nuclear bomb falls on American soil, and their watchword has become: "Its better to be Red, than dead!"

Why has the statesmanship of America fallen from the high point shown by the Monroe Doctrine, that protected this Hemisphere for years from foreign invasion, to the low degree of "chickenship" seen in the Clinton Administration which openly sold America's military secrets to our enemies in Red China?.

Today we are being governed by the tenth consecutive Administration which has tried to transplant the heart of a chicken into the American eagle, and I for one am sick of it!

The time has come when decent Americans of all colors and creeds, MUST say to our government: "This is far enough! We will excuse "Unchristian, thinking", you may say, but I think not, for it is the same kind of action taken by our Savior when He overturned the money changers tables and drove them out of the temple with a whip He made, and accused them of being "poisonous snakes."

Our Lord was not the "week little sissy" many church folks make Him out to be. He is no longer the helpless "babe of Bethlehem", but heir to the throne, as King of kings, and Lord of lords. Soon every knee will bow before Him, even those skeptics who now blaspheme His name, and persecute His people. Would you dare call your Savior an "anti-Semite" or a "hater monger"
for referring to the anti-Christ's of Judaism as "poisonous snakes?" You would do so to your own peril!

Since the end of World War II, we have seen a succession of actions by our national leaders, which in earlier days in this nation, would have earned them the "end of a rope." For they have been TRAITORS.

It's far past time for Americans, especially American Christians to stand up and demand that our government protect our borders from illegal alien invasion. One of the surest signs of national deterioration, comes when a nation refuses to do this. If we Bosnia, surely we can afford to have them patrolling our national borders. That's their sworn duty, to protect these United States from foreign invasion.

While the "bleeding heart liberals" may cry: "We were all immigrants at one time," they are careful not to point out that the greatest mass immigration in the world's history during from White Israelite countries. While they did not all speak the same language, their heart's language was the same. believed in God; they revered womanhood and the family; they believed in the work ethic. There is very little similarity between them and the hordes of heathen who are now flocking to America, many of them looking for as free handout, not freedom.

FEAR has caused our school teachers to become hostages to their students in many places, and to an anti-God system run by the American Education System, which is slowly but surely tearing our nations morals to pieces, for a purpose. You can see this EDUCATION, which says: "By the end of the 1980's America's educators will control all modes of living and thinking in the United States." They seek absolute control for their religion of Secular Humanism." (Think about this while considering that we now have over 40,000 Marxist professors operating in America's school system).

Even ministers of the gospel have abrogated their duties to preserve temporary peace and
tranquility. I can't think of a more vivid example than that of Dr. Billy Graham, and I realize I am stepping on "thin ice," by criticizing this "sacred cow".

I can remember back a few years ago, when Dr. Billy stood like the Rock of Gibraltar against compromise of all sorts. Then after a meeting with one of the Rockefeller clan, word was put out to the national media. "Never criticize Dr. Graham, for any reason," and suddenly his stand against some evils began to weaken. He began to preach that Jews did not have to come to God through Jesus Christ, although for years he had preached the truth: "That no man cometh unto the Father, except through Christ." He began to compromise on the homosexual issue, and on "miscegenation", putting his "seal of approval on "mixed marriages" as long as both parties were Christian. Knowing this was unscriptural.

This was before I got into the Kingdom Movement, and was welcome as a speaker at Bob Jones University. One day I discussed this change with Dr. Bob Jones, Jr., Chancellor of the University. He said: "Billy and his wife Ruth were in this office last month and I asked him this same question. Billy hung his head and refused to answer, but Ruth looked me straight in the eye as she said: 'Dr. Jones, we intend to do anything necessary to fill the football stadiums.'" I believe here is one of the major answers to so much apostasy. Many preachers will do anything to fill the church pews, and the offering plates.

Now Billy will not hold a city-wide revival, unless the apostate NATIONAL COUNCIL OF CHURCHES is part of it, and he regularly sends sincere seekers back to their own pastor for counselling, even when he may very well be a liberal apostate who does not believe Christ is the Savior.

How did we get into this mess? Many, seeking a "scapegoat" blame the Jews or the Aliens, but they are not the CAUSE of our problems, they are the EFFECT of "White Christian DISOBEDIENCE to God." (Study Deuteronomy 28 and see for yourself).
Good Christians, like you and I, have fallen down on our Christian duty, and "all hell has broken loose," as a result, as it always does.

Many years ago, a well known Greek philosopher said: "Republics decline into democracies, and then into despotism. We have all of history to prove this, yet men remain blind as stone, and deaf as mud." We just refuse to learn from our mistakes, no matter how painful they may be. It's no wonder the Bible refers to us as "stiff necked people", (see Exodus 3:3,5; Deuteronomy 9:6; 2 Chronicles 30:8; Acts 7:51-53).

We consider ourselves to be FREE, when much slaves to the Babylonian System, as any Black was on the cotton plantations of 200 years ago.

We can't drive down the highways, paid for by our taxes, without first having a paid license from "Old Marse Government." We can't get legally married without the governments approval; and when we sign the marriage license, it makes our children "wards of the state, subject to government regulation". We can't build a house without government approval; or rent a room to people of our own choice. As things are going, soon government will tell us how we must plan. But we will not become complete slaves on the day when a man with a red star on his cap and a Tommy gun in his arms, knocks at our door and says: "Come with me to the Concentration Camp." We will lose it, when we refuse as Christians to stand against evil of all kinds. If this day ever comes, we will bury FREEDOM and over her grave erect a headstone, with this epitaph: "Here lies FREEDOM, she died because good Christians didn't want to be bothered!"

For the most part, American Christians have "chickened out" on our desire to remain free. That's why I say our pressing especially White Christians to have the moral courage to take the battle to the enemy. No/ -war has ever been won from a defensive position. When I was a boy we used to sing a stirring song that said: "Hold the fort for I am coming, Jesus signals still. Send the answer back to heaven, by Thy grace we will!" But it's unscriptural, for there is no place in
the Bible, where we are told to "fort up until Jesus comes back and rescues us." Instead we are told to "storm the gates of Hell, and they will no to be able to stand against us," (Matthew 16:18).

We MUST begin by teaching White Christians in particular that compromise always ends in disaster. I'm reminded of a story I hear about three lady school teachers, who on vacation visited a large zoo in the Midwest. There they saw a large black-manned lion, in a cage with a little lamb. A sign over the cage said "DETENTE!" "How do you get the lion and lamb to get along peacefully," one of them asked the zoo attendant. He smiled and said: "Oh that's easy. All you have to do is replace the lamb every few days."

REMEMBER, your FREEDOM was not "bought and paid for at Valley Forge," that was only an initial payment. Every generation MUST keep up the account if we are to remain FREE

There is not one of you reading this message who if a burgular tried to break into your house one night, and your dog barked to warn you, would shoot the dog and go back to sleep. But this is what American Christians have been doing for years. We have been like a man driving on a back road, when he sees a sign across the road saying DANGER- BRIDGE OUT! still continues on. There is little hope for such a "fool!"

For years now, Americans have lived in the finest house God could give man, but we have allowed the concrete termites to get into the basement and gnaw holes in the foundation and today our lovely home is sliding down the hill towards the precipice of destruction, and the whole world is watching to see what we will do. Will we ride her down? Will we jump off in time? or will we call in the exterminator, get rid of the termites that are doing the damage, and shore up the foundations? (Psalm 11:3) rightly says: "If the foundations are destroyed what can the righteous do?" Almost three hundred years ago, on a fateful day in September 1774, the first Continental Congress met in Philadelphia. It was in chaos. There were fearful men in that enclave. John Hancock, President of that Congress pointed out the benefits of
British citizenship and the dangers posed by rebellion. At this point, John Adams of Massachusetts rose, and pointing his finger at Hancock, he spoke these words, which have come ringing down the corridors of history: "Sink or swim! Survive or perish! I give my heart and my hand to this vote. We may not survive to see this declaration made good. We may die on a Brush scaffold. If it be the pleasure of heaven this country would require the sacrifice of my life, then the victim is ready. But while I live, let me have the hope of a free country. Whatever its fate, rest assured, this Declaration will stand. It may cost blood. It may cost treasure, but it will stand and will richly compensate for both. Through the gloom of the present, I see the brightness of the future. Before God, Sirs, I believe the hour has come! My judgment approves this measure and my whole heart is in it. It is my living sentiment and by the blessing of God it shall be my dying statement. INDEPENDENCE NOW, AND INDEPENDENCE FOREVER!" He sat down to thunderous applause, and I after a session of prayer, called for by Benjamin Franklin, Congress rose to pass the Declaration of Independence without a dissenting vote.

As Congress convened that day, the British bombarded Boston and a signal light burned that night in the belfry tower of the Old North church, as Paul Revere rode to warn the Colonists that the British were on the move. Some of you older readers will the thrilling words of Henry Wadsworth Longfellow's poem that many of us memorized in grade school:

"Listen my children and you will hear
of the midnight ride of Paul Revere. "Twas in the summer of seventy-five. Hardly a man is yet alive, Who remembers that fateful day and year.

"He said to his friend, If the British march, By land or sea for the town tonight; Hang a lantern, as a signal light, In the belfry tower of old North church. One by land, and two if by sea, While I on the opposite shore will be, Ready to ride and give the alarm, To every Middlesex village and farm, For the country folks to be up and to arm.

The concluding verse says:
"You know the rest, from the books you have read, How the British regulars fired and fled; And the farmers gave them ball for ball, From behind every bush, and hedge, and wall; Chasing the red coats down the lane, Only stopping to load and fire again."

That my Christian friends and kinsmen is why America has been free!

George Washington was made Commander-in-Chief and his first official act was to call for a Day of Prayer and fasting. army was small, compared to the enemy; was ill clothed worse armed and was up against the finest soldiers on the European continent, the one’s who had defeated Napoleon at Waterloo.

Then at Trenton, with the odds 100 to 1 against him, Washington rose from his knees in prayer at Valley Forge, to lead his little ragged army of farmers and clerks to a glorious victory that was the turning point of the war.

When the war ended, the Liberty bell in Philadelphia rang out the words of (Leviticus 25:20) - "Proclaim liberty throughout the land, unto the inhabitants thereof," which was God's promise to Israel.

So my White Christian kinsmen, I am issuing a "call to arms" today, as authentic as the one issued in 1775. That we return it belongs. Those who are willing to "listen to God and OBEY!" Are you prepared to face the consequences if the enemy is triumphant? I doubt that few of you can even comprehend what will happen, if we continue to allow TREASON to triumph.

Can you look in the mirror today and honestly say: "All is well in America. This is the way I want it to be?"

So I say to you today. Give us ten concerned Christian patriots in every community in America; men and women who are not AFRAID,

You say: "We have gone too far; the enemy is too strong." I tell you that OBEEDIENCE TO GOD will still turn the tide of battle and we will TRIUMPH! HE HAS PROMISED IT!
He Could Not Have Been A Jew!
(Exploding the false theology which states that Jesus was a Jew, and that the Jews are the Chosen People of the Book)

by

"Am I therefore become your enemy because I tell you the truth!" (Galatians 4:16)

Strangely enough, during the Twentieth Century, there has been a deliberate drive, emanating from the seminaries of most churches, to attribute nationality and specific racial characteristics to our Savior, the Son of God. Many have tried to make Him into a Jew. (Any person with an iota of intelligence, should be able to see where those who promote this idea, are the one's who curse His name, and call Him a "bastard, conceived by a Jewish whore during menstruation").

At the Council of Nicea in 350 A.D., 300 church bishops and learned Christian teachers formed what has become known as the Nicean Creed. This creed declares Jesus Christ to be "God of God, the very God!"

Nowhere in scripture, Old or New, can you find where an angel, a prophet of God, a disciple, or an Apostle, ever referred to Jesus as a JEW. He is called the "Son of God", the "Son of David", the "Son of man" and "Jesus of Nazareth" but nowhere is He referred to as being a JEW!

In a book titled FACTS ARE FACTS, Dr. Benjamin Freedman, who was "born again", and who had been advisor to eight Presidents, and was friends of top Jewish leaders such as Bernard Baruch, wrote his book as a letter to another Jew, Dr. David Goldstein, LL.D., who had converted from Judaism and joined the Roman Catholic church.

On page 10 of this book, Dr. Freedman says: "The utterance by the Christian clergy which confuses Christians the most is the constantly repeated utterance that Jesus was a Jew. That also appears to be your favorite theme. This misrepresentation and distortion of an incontestable historic fact is uttered by the Christian clergy on the slightest pretext. They utter it constancy, almost without provocation. They appear to be 'trigger happy' to utter it. They never miss an opportunity to do so. Informed Christians cannot reconcile this truly unwarranted misrepresentation and distortion of an incontestable historic fact by the Christian clergy with information known by them now which comes to them from sources believed by them to be equally reliable.

"This poses a serious problem today for the Christian clergy. They can extricate themselves from their present predicament now only by resorting to 'the truth, the whole truth, and nothing but the truth'. That is the only formula by which the Christian clergy can recapture the lost confidence of Christians. As effective spiritual leaders, they cannot function without this lost confidence. They should make this their first order of business.

"My dear Dr. Goldstein, you are a theologian of high rank and a historian of note. Of necessity you also should agree with other outstanding authorities as whether 'Jesus was a Jew'. These leading authorities agree today, that there is no foundation in fact for the implications, inferences and the innuendoes resulting from the incorrect belief that 'Jesus was a Jew'.

"Without any fear of contradiction based upon the fact the most competent and best qualified authorities all agree today that Jesus Christ was not a so-called, or self-styled JEW. They now confirm that during His lifetime, He was known as a JUDEAN, by His contemporaries, and not as a JEW, and that Jesus referred to Himself as a JUDEAN and not as a JEW.

"Contemporary theologians of Jesus time, whose competence to pass upon this subject cannot be challenged by anyone today, also referred to Jesus during his lifetime on earth as a JUDEAN and not a JEW.
"Inscribed upon the cross when Jesus was crucified were the Latin words IESUS NAZARENUS REX IUDEORUM. Pontius Pilate was the author of this infamous inscription. Latin was Pilate's mother tongue. No one will question the fact that Plate was well able to accurately express his own ideas in his own mother tongue. The authorities competent to pass upon the correct translation into English of this Latin title, agree that it is rendered JESUS THE NAZARENE RULER OF THE JUDEANS. There is no disagreement upon that by any of them.

"During His lifetime here on earth, Jesus was not regarded by Pontius Pilate nor by the Judeans among whom He dwelt as KING OF THE JEWS. The inscription on the cross upon which Jesus was crucified has been incorrectly translated into the English language only since the 18th century. Pontius Pilate was being sarcastic when he ordered this inscription in Latin... Pilate was well aware at the time that Jesus had been denounced, defied, and denied by the Judeans who alas, finally brought about His crucifixion as related by history.

"Except for His few followers at the time (most of whom were Israelites from Galilee; only the traitor Judas was a Jew), in Judea, all other Judeans abhorred Him and detested His teachings and the things for which He stood. That deplorable fact cannot be erased from history by time. Pontius Pilate was himself the ruler of the Judeans when he had this inscription placed on the cross. The ironic and sarcastic reference by Pilate to Jesus as RULER OF THE JUDEANS, can hardly be accepted as recognition by Pilate of Jesus as RULER, or KING OF THE JEWS. This is inconceivable by any interpretation.

"At the time of the crucifixion, Pontius Pilate was Administrator in Judea for the Roman Empire. It was part of the Roman Empire. As far as Pilate was concerned officially, or personally, the inhabitants of Judea were JUDEANS not JEWS. They were not called JEWS until the 18th century. There was no religious, national, or racial group in JUDEA known as JEWS, nor had there been any group so identified anywhere else in the world at this time.

"During the lifetime of Jesus, it was very apparent to Pilate that Jesus was the last Person in Judea the JUDEANS would have selected as their ruler, or leader.

"It is an incontestable fact that the word JEW did not come into existence until the year 1775. Prior to this the word JEW did not exist in any language. It was introduced into the English for the first time when Sheridan used it in his play THE RIVALS, II,i: "She shall have a skin like a mummy, and the heard of a Jew." Shakespeare never used the word JEW in any of his works. In his Merchant of Venice, V.111. i.61, he wrote: "what is the reason? I am a IEWE, hath not an IEWE eyes?"

"The best known 18th century editions of the New Testament in English are the Rheims (Douai-Roman Catholic) Edition, and the King James Authorized Edition. The Rheims translation was first printed in English in 1582. The word JEW did not appear in it. The King James Authorized Version was begun in 1604 and published in 1611. The word JEW did not appear in it either." (UNQ.)

During the 18th century, under pressure from Jewish sources, many who had infiltrated the Christian publishing houses, the word JEW began to appear in the English translations of the Bible. Thousands of copies of the revised 18th century editions of both the Rheims and King James translations were distributed to the clergy and the people throughout the English speaking world. They did not know, and cared less for the origin of the English word now used as JEW. They accepted it without question. How could they know otherwise, when their religious leaders, those who knew, refused to tell them the truth?

"If the generally accepted understanding of the word JEW and JUDEAN were correct in the Christian world, there would be no problem. But since the middle of the Nineteenth Century in particular, millions of dollars have been spent in propaganda by the Jewish world leaders, trying to convince Christians that their Lord was a Jew, and that Christianity is an offspring of Judaism. This is where the term Judeo-Christian was coined. Along with this, the Christian world has been oriented to the falsehood that today's Jews are the Chosen People of the Bible, the descendants of
Abraham, and that to cross them in any way will bring about God's curse of Gen. 12:3. God speaking to Abraham promised him: "And I will bless them that bless thee (Abraham), and curse him that curseth thee; and in thee shall all the nations of the earth be blessed." Religious leaders are very careful to keep from their people the fact that this promise was made to Abraham, not his descendants, and that there were no people named JEWS in the Bible, until 1200 years after his death. (They first appear in 2 Kings 16:6, in the Revised King James Version, and are fighting against Israel.)

Why is it today, that our religious leaders, especially those of the evangelical and fundamentalist groups, can give no sensible answer to the Jewish Question? Why do most of them constantly seek to exonerate the evilness of Jewish leaders and make these Christ haters, therefore God haters, (John 15:23 "He that hateth Me (Jesus), hateth My Father also", into God's Chosen People, who MUST be treated with special respect, and of course supported!

The Jewish religion of Talmudism, so different from the old Israelite religion of Hebrewism, cannot bring salvation to anyone. The Old Testament tells us that God gave His "oracles" (revelations) to JUDAH, and it was said that "Judah was His sanctuary and Israel His dominion". This sanctuary was taken away from Judah, who was under the leadership of pseudo-Jews, the same one's mentioned by our Lord in Rev. 2:9; 3:9, in Matt. 21:43. Jesus said to the Jewish leaders: "Therefore say I unto you. The kingdom of God shall be taken from you, and given to a nation (not the church) bringing forth the fruits thereof." Surely the people who curse His name, and call Him all manner of blasphemous things; who say their aim is to destroy His church and His people, cannot possibly be the "true Israel" of God, or His "special people."

Many of the Jewish rulers, and the Pharisees of Jesus day, had none of Judah's or Israel's blood flowing in their veins, as is true with 90% of the Jews today. According to John 8:33, they were related to Abraham through Esau/Edom and you can see the outcome of this relationship in Mal. 1:2-4 - "I have loved you (Israel) saith the Lord. Yet ye say, wherein hast Thou loved us? Was not Esau Jacob's brother? saith the Lord; yet I loved Jacob and hated Esau, and laid his mountains and heritage waste... Whereas Edom saith, We are impoverished, hut we will return and build the desolate places; (what the Jews are attempting to do in Palestine today) thus saith the Lord. They shall build, but I will throw down; and they (Israel) shall call them (the Jews) the border of wickedness, and, the people against who the Lord hath indignation forever." (In spite of what men like Hal Lindsey and Jack Van Impe say to the contrary, watch and see what happens to the Israeli's in Palestine!)

It is extremely important that Christians are able to "pin point" the enemies who are making a mockery of the Christian faith today, for the souls of millions of Christians are uneasy about the state of the Christian faith in 1996. The minds of thousands of Christian clergy are troubled by mysterious pressures from above, which often prevent them from exercising sound judgment in the running of their church, or in the contents of the message they preach.

A month seldom goes by, that I do not receive a letter from the pastor of a denominational church, as I did recently from a young Baptist minister in Washington State. He said: "What is this strange pressure coming from my church headquarters, which hinders me from preaching the 'whole counsel' of God's Word?" This pressure and those behind it MUST be identified and stopped, if the church is to survive. If we give our people the truth, the church will stand like the Rock of Gibraltar against all enemies who come against her. If they are not given the truth, they will crumble and become the Laodicean church of Rev. 3:14-22.

The Christian clergy in America are primarily, if not solely responsible for the internal anti-Christ forces within Christianity, which today are attacking our Christian principles. We can no longer afford to "pussy-foot" around, because telling the truth may upset some of our people. The consequences will be too drastic!

There is a move underway in both fundamental and evangelical Christianity, and even within the
Kingdom Movement, to downgrade the Divinity of Jesus Christ. This is the basis for teaching that He was a Jew, whether those who teach this are willing to admit it or not! For if Jesus was a Jew, and is admitted as part of the Godhead, then of necessity His Father MUST also be a Jew, and anyone with normal intelligence can see the fallacy in this thinking.

Truly, the Jesus we worship, was much more than mortal man, although He did take on the mantle of flesh, and become as one of us. From the fall of Adam, to the birth of Christ, the White race, culminating in Abraham's family, which was ultimately called Israel, waited for a promised Redeemer, and the whole world longed for a Savior.

In the First Century A.D. the Apostle Paul tells us in Rom. 8:22 - "For we KNOW that the whole creation groaneth and travaileth in pain together until now." Then in vs. 23, he explains this: "...even we ourselves (Christians) groan within ourselves, waiting for the adoption, to wit, the redemption of our body". (Which will come for the redeemed at the resurrection).

This Savior the world waited for would be the Lamb of God, slain as it were from before the foundation of the world was laid; a Lamb without spot or blemish, who would be offered as the Perfect, once and for all sacrifice for the sins of His people. (See Matt. 15:24). This sacrifice was not that of "mere" man, born of an issue between man and woman, since all flesh had come under the corruption of sin. This Savior was to be a "second Adam," sent by God, a perfect human being in all respects.

The writer of Hebrews (10:5) declared that God created the body of Christ (not Christ himself, His spiritual being, but His physical body): "Wherefore when He (Christ) cometh into the world, He saith 'sacrifice and offering thou wouldest not, but a body, Thou (God) prepared for Me'.

John 1:14 declares that this Second Adam had a perfect body created by God: "And the WORD was made flesh, and dwelt among us, and we beheld His glory as of the only Begotten of the Father, full of grace and truth."

Both Adams, the First and the Second were God FORMED. The Word tells us so and it took the perfect Second Adam, (since the first fell through disobedience. Gen. 3:6) to redeem the world from the effects of First Adam's sin.

Certainly the Virgin Mary was not a mother in the normal sense of the word. There is no indication from the scriptures that she suffered the normal, pangs of childbirth or that she had a midwife to attend her. She was the "human tabernacle" in which Christ, the Son of God was contained, until His appearance was due. He was not conceived through the normal cohabitation between man and woman, but through the Holy Spirit. If God had cohabited with her, as some teach, she could rightly have been considered the wife of God and that is Israel's position. If God had had a physical union with Mary, He would have broken His own law, since she was betrothed to Joseph at the time of Christ's conception, and in the eyes of the law, was as good as married to him.

In spite of what our friends in The Roman Catholic church say, the Bible indicates she had no other children. She was not a "perpetual virgin," as they teach, and she recognized herself as a sinner, she was not without "original sin," as can be seen in her "magnificat", Luke 1:47, when she said: "And my spirit hath rejoiced in GOD MY SAVIOR," (Emphasis mine).

It is sheer nonsense on the part of Christian leaders, when they attempt to make Jesus into a half-man, half God being. In Jer. 31:32, Jeremiah prophesied: "...for the Lord hath created a new thing in the earth, a woman has compassed a man". The English word COMPASSED, comes from the Greek CABAB, which means "to surround." So what we have in the birth of Christ, is no ordinary conception, but a Divine act! The same Jews who claim Jesus is one of them, state that His conception took place when his mother Mary, a Jewish prostitute, had an affair with a Roman soldier during menstruation.

One great Bible scholar, Dr. William L. Pettingill, writing in THE PILOT, stated: "According to the record, what He (God) did was create (FORM) a body for His Son and place it in the womb of a
I agree fully with Dr. Pettingill, if he would change the word CREATE to FORM. For that is what God did with the First Adam. In Gen. 1:27 we see where He CREATED beings, male and female, but He FORMED ADAM, male only from the "dust of the earth", in Gen. 2:7, and did something He did not do with His CREATION. He "breathed into Adam's nostrils the "breath of life, and man (Adam) became a living soul." This sets him apart spiritually from all other human beings. It does not make him SUPERIOR, but makes him a "peculiar people" (Peter 2:9) (set aside for a special purpose).

From a biological viewpoint there can be no such thing as the "seed of a woman", as "seed" is always provided by the man.

This is confirmed in Gal. 3:16, I believe, where the Apostle Paul writes: "Now to Abraham and his SEED were the promises made, He saith not, And to SEEDS, as to many (Abraham was the father of many nations, but in Israel was his seed called), but as one, and to thy SEED, which is CHRIST."

Doesn't it seem strange to you, that the Jews who proclaim they are the creators of the New Testament and that Christianity is the "child of Judaism," are the one's who are openly seeking to destroy it?

The reason, I believe, is that the TALMUDIC-JUDAISTS, realize that this section (the New Testament) of Holy Writ, plainly indicates and accuses them for what they really are, the "spiritual children of Satan," John 8:44. Some called SEEDLINERS, believe they are the "literal children of Satan."

If a modern preacher, or writer, such as myself, were to use the same words Jesus used in condemning the Jews, he would be hounded out of the country as the worst kind of "anti-Semite hate monger." They dare not do this with Christ, as of yet. Jesus in no way softened His condemnation of these evil people, because it might cause a political or religious "fuss."

There MUST be some definite reason why, from the very opening of the Gospel according to Matthew, through the dosing book of Revelation, the Lord and His Apostles, exposed the wickedness of Judaism, and especially that of the Jewish leaders.

In John 2:13-21, we have a vivid account of how Jesus overthrew the tables of the money changers in the Temple, and formed a whip with which He literally drove them out, as He accused them of turning God's house into a "den of thieves." Can you imagine the reaction today, if someone approached a televangelist on his TV program and accused him of the same thing? Yet they do the same thing, in their gaudy TV programs which are designed not so much to praise God, and draw men to Him, as a tool to raise money. Take some time and honestly evaluate a religious program such as that put on by Paul Crouch and his Trinity Broadcasting System.

In an opening speech to a hand picked group of 47 American college students, (43 of whom were Jews), as they attended the Lenin School of Psychological War-fare at the University of Moscow in 1933, Nicolai Lenin told them: "You MUST work until every teacher of psychology unknowingly or knowingly teaches only Communist (Zionist) doctrine under the guise of psychology.

"You MUST dominate as respected men the fields of psychiatry and psychology (note how many of these professionals are Jews). You MUST dominate the hospitals and universities. Use the courts, use the judges, use the Constitution of the country, use it's medical societies and it's laws to further our cause. When you succeed, you will now discover you can effect your own legislation at will and you can, by careful organization, by a constant campaign of terror, cause the capitalist (Christian-goyim) by his own appropriations, to finance a large portion of the quiet conquest of his country."

On page 52, of their handbook on PSYCHOPOLITICS, which is the "blueprint" for the
TALMUDIC/COMMUNIST takeover of Christian America, they state: "You MUST recruit every agency in the nation marked for slaughter, into a foaming hatred of the Christian religion. You MUST suborn district attorneys and judges into an intense belief ... that Christian practice ... is vicious, bad, insanity causing, public hated and intolerable." This is why today, the Christian man or woman who loves God, their people, their family and their country, enough to fight and die for them, are held up in the Jewish owned press as a danger to the rest of the country.

In Jesus' many encounters with the Pharisees of His day, they brought pressure against the families of those who He had healed. We have documented evidence that the Jewish controlled American Medical Association has persecuted Christian physicians who have practiced "preventative medicine," such as "chelation therapy" for cancer, and other forms of natural cures which have done much more to alleviate the suffering of cancer patients, than the quackery of modern medicine, which sucks billions of dollars yearly out of American pockets, while making very little headway against the disease. There is much evidence that these men do not want a cure, as there is too much money to be made in treating the disease, and in the drugs which are sold. This is the moral makeup of Judaism at its best!

Whenever the teachings of our Lord came at cross purposes with Judaism, the Jews organized against Him. This is true today, as we see an "unregistered, illegal agency of the Israeli government, the ANTI-DEFAMATION LEAGUE OF THE JEWISH B'NAI B'RITH, as they try and remove prayer and Bible reading from our school system, promote sexual excess among our young and destroy every vestige of Christianity in the country. They have even gone so far as to try and forbid the shipping of the Bible in the mails, labeling it as "hate literature." These are the people you are backing in your church, under the guise of being God's Chosen People.

While railing against the Christian New Testament, they hypocritically promote the filth and anti-Christ teachings of their Talmud until today, Jewish politicians are taking their oath of office with their hands on the heathen Talmud, rather than the Christian Bible. How can we trust these men, when under their religion, every year on the Day of Atonement, they take the Kol Nidre Oath, which states that all "promises and oaths they make during the coming year are to be null and void?"

Today these charlatans are attempting to destroy the Word of God, by clever underhanded means. One of these is an organization of scholars calling themselves the JESUS SEMINAR who are seducing Christians by impressing them with their prestigious degrees, into believing that they are Bible scholars, when in reality they are trying to destroy the scriptures. (Many of them are Jews, or Christian-Zionists).

Here is part of an article which appeared in the November 8, 1993, U.S. NEWS AND WORLD REPORT, page 75:

The Bible may be sacred, but apparently is not sacrosanct. (inviolable). Not to members of the Jesus Seminar anyway. The controversial panel of biblical scholars - which earlier concluded that Jesus spoke only a fraction of words attributed to Him - has begun a radical revision of the New Testament that it says will provide a more accurate account of Christianity's origins. (They completely ignore that the scriptural accounts of Matthew, Mark, Luke, John, Peter and Paul, were written in the most part by men who lived with Jesus for three years and knew Him intimately. These are discounted as "nobodies", JM).

In a process that may take years and is already stirring up opposition, the seminar last week completed the first phase of a plan to redefine the New Testament canon - the collection of ancient writings that includes the four Gospels, the Acts of the Apostles, 21 Apostolic letters, and the Book of Revelation. The panel - about 70 liberal scholars who since 1985 have been examining the historicity of the Gospels - will likely recommend that at least some of the 27 books be jettisoned (they have already recommended this for the Gospel of John, because of Christ's many violent reactions to the Jewish Pharisees - JM). "The Christian movement hasn't seriously examined the
question of canon since the 15th century," says Robert Funk, head of the seminar's Westar Institute in Sonoma, Calif. "It's time for academic scholars to raise the issue."

Behind the move says Funk, is the modern discovery of the Dead Sea Scrolls and a gnostic library at Mag Hammadi, Egypt, written during Christianity's formative years. Almost certain to be added by the scholars, are such writings as the Gospel of Thomas, a first-century collection of Jesus' sayings found at Mag Hammadi, and the Signs Gospel, a reconstructed text of what some scholars think is the lost account of the miracles of Jesus.

The authenticity of some New Testament books have come under renewed attack, (this is a good word to use in this case, for this is what this group are doing. Attacking the authenticity of God's Word. But it is interesting to note, that this attack, from the same Judaic background, has been going on for 20 centuries, and the Old Ship of Zion, though somewhat scarred by the shots of the adversary, still sails gallantly along, flying from her masthead, the flag which says: "By this sign we conquer!" JM)

To return to the U.S. News and World Report. Whatever the authority, to redefine the Bible is to strike at the heart of sacred tradition. For most of official Christendom, the canon has been closed since the fourth century, when church councils approved what they viewed as the only authoritative documents. According to church tradition virtually all of these were written during the first century A.D., either by apostles or close associates of Christ.

When the Jesus Seminar met in October 1992, some members rightfully argued that altering the canon was not an appropriate task for academicians. "We are neither qualified nor commissioned to make these kind of decisions," declared Stephen Patterson, professor of New Testament at the Eden Theological Seminary in St. Louis. "What constitutes scripture is a question for communities of faith to decide". But Funk argues that since the Bible is a "cultural artifact", that biblical scholars have the "moral responsibility to determine what belongs to the cultural legacies of Christianity and Judaism.

"These liberal scholars have no ecclesiastical authority," says Donald Hagner, professor of New Testament at Fuller Theological Seminary in Pasadena, Calif. "They can scheme away until they are blue in the face, but they are not going to change the church". But they have changed the church; they are in the process of destroying it, and very few of them will admit that this is the purpose of the Jesus Seminar, and all Judaic efforts to destroy the authenticity of the New Testament. They are a vital part of the New World Order scheme, which must destroy the fundamental faith of White Christianity in particular, before they can take over ultimate control. While these attacks go on, the Judeo-Christian church, often in silence, cowers before these Judaic attacks, while at the same time insisting that their founder was a Jew, and that Christianity came from the rotten roots of Talmudic Judaism. It is indeed a strange enigma! If the National Conference of Christians and Jews are genuinely interested in "interfaith brotherhood", do you not think that they might start by having the Jews expunge from the Talmud the many anti-Christian, anti-Christ passages, as they want to remove from the New Testament, Jesus' remarks directed at the Pharisees?

The Jews of today cannot truthfully described themselves as JEWS because they are in no sense JUDEANS. They cannot correctly identify themselves by their religious belief. The origin of the word JEW, does not have it's roots in JUDAISM. The words JEW and JEWISH were unknown until introduced by Judaism in the 18th, 19th, and 20th centuries. It took millions of dollars to "brainwash" gullible Christians to accept these words, along with the falsehood that Jesus was a Jew, and that Christianity came from this heathen cesspool.

When a pastor or priest boasts to his church audience about his "Jewish blood," (and he is a converted Jew), he also refers to Jesus as being of "Jewish blood," His Mother Mary as being of "Jewish blood," and the early disciples, being of "Jewish blood." What is Jewish blood? What happens to so-called Jewish blood when a Jew is converted to Christianity? Does it remain the same? How is Jewish blood biologically different from the blood of other faiths and races?
Especially when the Jews come from an Ashkenazi, Turco-Mongolian background. Is their blood the same as that of a Jew who can actually trace his blood back to Abraham? If the Jew can do this, then why can't we Christians refer to our "Christian blood?" Even though we come from many different races.

Why do we find female Jews, when there are none in other religions. Have you ever heard of a female Protestant, Catholic, Hindu, or Moslem. Yet why do our preachers refer to Christ's mother as a JEWESS?

In like manner, the popular use of the word Judeo-Christianity presents a strange combination. When you use the term "Judeo" are you referring to "Pharisaism," or "Talmudism?", or so-called JUDAISM? How can there be a Judeo-Christian anything, when they are diametric opposites? It makes as much sense as to say that something is "hot-cold;" "young-old;" "wet-dry." These are antonyms, not synonyms as Jews would like to have Christians believe.

According to Dr. Freedman, the word "anti-Semitism" has no place in the English language and serves only one purpose today, that of a "smear word". When a Jew feels that anyone opposes their objectives, they immediately apply the term "anti-Semitic" to their victims. "When Jews in 1946, were unable to disprove my statements regarding the situation in Palestine, they spent millions of dollars to "smear" me as an "anti-Semite," hoping to discredit me in the eyes of the public who were interested in what I had to say. Until 1946, I was a "little saint" in the eyes of the Jews. When I disagreed with them publicly on the Zionist intentions in Palestine, suddenly I was "Anti-Semite Number One!"

"It is a disgrace to see Christian clergy take up the use of this word. They should know better. They know that it is a meaningless word. They know that the correct word would be "Judneophobe." Anti-Semitic was developed as a smear word, because it is associated with Jesus in the minds of most Christians today. Christians become accessories to the destruction of the Christian faith when they tolerate and use this smear word." (UNQ)

We know that our nation's standards have sunk to a new low, in spite of the fact that there are supposed to be 50-million "born again Christians" in America. Where is their influence? Have they become the "salt" Jesus mentioned in Matt. 5:13, which has lost it's "savor," it's ability to act as salt and hold back corruption? The moral standards of a nation are the crucible in which the nation's character is refined and molded. I cringe when I hear some stupid person say, "The moral life of the President doesn't matter. That's his private affair." No it's not? It's a matter of concern for the entire nation, for we are judged by our leadership. If it is rotten and treasonous, then our country will follow in it's footsteps! The end product can never be better than it's ingredients!"

Those of us who have studied the conspiracy, know that the guidance and control of this nation has fallen by default into the hands of those persons least worthy of trusteeship. One of their greatest achievements had been their ability to gain "in am Christian prostitutes" to front for them. (A "male prostitute"), is a man whom offers the faculties of his anatomy from the neck up for hire to anyone who will pay the "asking price", just as the female of the species offers her body from the waist down. There are thousands of these "male prostitutes" in Christianity, who walk unnoticed pandering pernicious propaganda for profit and political power. The corroding effect of their subtle intrigue, is slowly disintegrating the moral fiber of this nation and threatening the very fiber of Christianity.

The scripture warns of them. In 2 Peter 2:18, be warns of those "who speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that were clean escaped from them who live in error". In vs. 2 of this same chapter he says: "But there were false prophets among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them." 2 Timothy 3:1 says: "This know that perilous times shall come," and then lists some of the perils we see prevalent in America today.

Dr. Freedman further states: "The 150 million Christians in the United States were high pressured"
by the Christian clergy to give their unqualified support for the Zionist program in Palestine. We sowed the wind; now we are about to reap the whirlwind'. Christians were exhorted to regard the self-styled Jews" of Eastern Europe as God's 'Chosen People', and Palestine as their Promised Land. They knew better and this was a case of cupidity, not stupidity" (UNQ).

The Christian people in America are entitled to hear the truth, and it MUST come from their pastors. Yet, unfortunately, there are few pastors in America today, who will tell their people the truth about Judaism and it's conspiracy to destroy them and everything they stand for. In order to remain free, we must preach the whole truth, not a selfish anemic message of "personal salvation," which leaves Christ in the cold as far as His Lordship is concerned. Our pastors lie, because the "people would have it so." The average Christian does not want to know the truth, because it "scares hell out of them!" Whether our Christian leaders are guilty through ignorance, indifference, or deliberately will make little difference in the long run, for the "Zero Hour" of the Christian faith has arrived! No institution can survive when it is erected on a false foundation. The deterioration, disintegration and final destruction of Christianity and our freedom, will be accelerated in the direct ratio to the distortions and misrepresentations we allow to creep in. We MUST allow no substitutes for the truth. Referring once more to Dr. Freedman, be said: "For every ounce of good you do through conversion of a self-styled Jew to Christianity, you do a ton of harm to the Christian faith. For regardless of what anyone, anywhere, at anytime may say, events of recent years have established beyond the shadow of a doubt that the Christian faith today is standing with one foot in the grave, and the other on a banana peel.

"If the day ever arrives when Christians can no longer profess Christ, as we do in the Free World today, then we will see the beginning of the last days. What we need today is a spiritual Paul Revere who will ride across this land, warning Christians that our enemies are closing in on us". (UNQ).

The End
If Jews Are Really Persecuted - Why?
(Truth is Stranger than Fiction!)

"And ye shall know the truth, and the truth shall make you free." - John 8:44

Much of the information in this tract was originally put out by LIBERTY BELL Publications, Reedy, West Virginia. Unfortunately, I cannot recommend this publication any longer, for they have turned away from Christian truth, to an attack against Christian values. This article, however, is filled with truth.

There is an old saying: "a guilty conscience needs no accuser," we have wondered for a long time if that is the reason the Jew cries "persecution", every time he is found guilty of any number of different crimes that make him conspicuous in the public eye. You can criticize a Catholic or a Protestant without being accused of bigotry. You can castigate an Arab, or a German, or a Japanese, without drawing very much flack, but say anything which is not complimentary about a Jew and you find that you are immediately labeled as a "fascist," a "neo-Nazi" "a "bigot" or worst of all as an "anti-Semite."

From the Jewish religious law books, the Babylonian Talmud, which is a set of books larger than the Encyclopedia Britannica, we have gleaned a few verses for the education of our readers and for your consideration. These verses have been translated from the original Hebrew by the courts of France, causing the King of France to order all copies of the Talmud to be burned in 1489; and used by the pre-war government of Germany to convict Jews of sabotage against the German government who had been giving them protection. In the United States, many Jewish spokesmen, such as Marcus Eli Ravage, Arthur Michaelson, Samuel Roth, Oscar Levy and others, have attested to the truth that these writings are part of the law of the modern Jewish synagogue.

There are several branches of Jewry in existence today: the Orthodox, Reform, Liberal, Conservative, Sephardim, Ashkenazim, Zionist, etc., but they all use the same set of religious books in their synagogues, just as different branches of Christendom use essentially the same Bible.

We suggest that you keep one question in mind as you read this bit of historic testimony: "Is this the major reason the Jews have been disliked over all the world and have been driven out of every nation where they have existed in any number?" The Apostle Paul said of them in 1 Thessalonians 2:15, that they killed the Lord Jesus, and their own prophets, and have persecuted us (the early Christian church); and "THEY PLEASE NOT GOD AND ARE CONTRARY TO ALL MEN." (Emphasis mine.)

NOTE: There are several words which we need to explain, so that the reader may have a full understanding of these Jewish writings:

TALMUD: The collection of Jewish civil and canonical laws, which were written between 500 B.C. and 500 A.D. and finally edited in Alexandria, Egypt, about 500 A.D. They are the final authority in deciding any matter relative to the conduct of Jewry and were those actions which were condemned by Jesus Christ in the "tradition of the elders."

TORAH: The Jewish tradition and instruction or decisions, given by the Rabbis as divine revelation. The first five books of the Old Testament of the Christian Bible. These are followed by word only, as seen by Jesus condemnation of the Pharisees in John 5:46, where He said: "For if ye had believed Moses, ye would have believed me, for he wrote of me."

GOY: Yiddish word for "non-Jew". In the Talmud it refers to a "non-Jew animal."

GOYIM: Plural for "Goy."
Every quotation is accompanied by the chapter and verse, or the page of the book from which it was taken. (It is further suggested that you study Elizabeth Dilling's monumental work: **THE PLOT AGAINST CHRISTIANITY**, which contains over 150 photographically reproduced pages from the **TALMUD**.)

(This is known as the KOL NIDRE (All Oaths) OATH. It is sung as a
chant each Yom Kippur, Jewish New Year Service (Sept. 17] and absolves a
Jew from any promises he makes during the year." How can one trust a
Jewish judge, or a Jewish politician, who takes an oath to protect the
Constitution of the United States, when we KNOW he takes this religious
oath which allows him to break his promise to the American people?)

32. "Everything a Jew needs for his church ritual no goy is permitted to manufacture,
but only a Jew, because this manufacture must be manufactured by human beings and
the Jew is not permitted to consider the goyim as human beings." Schulchan Aruch,
Orach Chaim 14, 20, 32, 33, 39; Talmud Jebomoth 61.

33. "A Jewish midwife is not only permitted, but she is compelled to help a Jewish
mother on Saturday (the Jewish Sabbath), and when so doing to do anything which
would otherwise desecrate the Sabbath. But it is forbidden to help a non-Jewish woman
even if it should be possible to help her without desecrating the Sabbath, because she is
to be considered only as an animal." Schulchan Aruch, Orach Chaim 330.

34. "At the time of the Cholhamoed the transaction of any kind of business is forbidden.
But it is permitted to cheat a goy, because cheating of a goyim at any time pleases the
Lord." Schulchan Aruch, Orach Chaim 539.

35. "The Jews are strictly forbidden to cheat their brothers and it is considered cheating
already if one-sixth of the value has been taken away from him. Whosoever has cheated
his brother has to return it to him. Naturally, all that only holds towards the Jew, to cheat
a goy he is permitted and he is not permitted to return to him what he has cheated him
out of. Because the Bible says: "Thou shalt not cheat thy next brother, but the non-Jews
are not our brethren, but as mentioned before, are worse than dogs." Aruch Choszen
Hamiszpat 227.

THESE ARE ONLY A FEW OF THE MANY THOUSAND OF JEWISH REGULATIONS
DEALING WITH NON-JEWS. THOSE DEALING WITH CHRISTIANS ARE EVEN
WORSE.

It should not be necessary to give more quotations from the TALMUD, to show the average
intelligent American citizen that the Jewish ethnicity are not to be trusted. With only the few we have quoted these questions come to mind:

1. How can a Jew who takes an oath of naturalization and becomes an American citizen, be expected to be true to his oath? Is it unjust, or anti-Semitic to observe that he may be valueless, or even dangerous to American society?

2. How can a Jew legally and morally take an oath for public office?

3. How can a Jew be relied upon as a witness in any American Court of Law?

4. How can a Jew be permitted to take the oaths and obligations of American Lodges which claim to be Christian?

5. How can a Jew be expected to act as a worthy and ethical citizen in the capacity of a publisher, editor, correspondent; theatrical and cinema producer or director; banker, statesman, congressman, or educator of American youth?

6. How can a Jewish professor of Hebrew and the Old Testament be expected to tell the truth to seminary students in a Christian seminary?

7. How can a Jew, being an Oriental, have dual citizenship when it is not granted to Japanese or Chinese?

DID BENJAMIN FRANKLIN KNOW WHEREOF HE SPOKE?

Mr. Charles Cotesworth Pinckney, one of the framers of the Constitution, published his diary in which he said: "Dr. Benjamin Franklin, a venerable figure weighted down by years and wisdom, leaned one hand on his staff, the other on the table and said:

"There is a greater menace to these United States of America than the strictly Roman . . .

"This greater menace, gentlemen, is the Jew!"

"In whatever country Jews have settled in any great numbers they have lowered its moral tone; they have depreciated its' commercial integrity; have segregated themselves; have not been assimilated; have sneered at and tried to undermine the Christian religion upon which this nation is founded by objecting to its restrictions; have built up a state within a state, and when opposed have tried to strangle that country to death financially.

"If you do not exclude them from the United States in this Constitution, in less than two hundred years they will have swarmed here in such great numbers that they will dominate and devour the land, change our form of government for which we Americans have shed our blood, given our lives, our substance, jeopardized our liberty, and put into it our best thoughts.

"Gentlemen, Jews are Asiatics! Let them be born where they will, or how many generations they are away from Asia, and they will never be otherwise. Their ideas do not conform to an American's, even though they live among us for ten generations. A leopard cannot change its spots. Jews are Asiatics; are a menace to this country if permitted entrance, and should be excluded by this Constitution."
The JEWISH TRANSCRIPT of Seattle, Washington, under the date May 29, 1936, stated that "the Communists are Jewish controlled, therefore it would be fitting to quote Karl Marx (Mordecai), the Jewish founder of both Socialism and Communism, when he says: "It is in vain we look for a key to the labyrinth of the Jewish soul in his religion. On the contrary, one must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? A practical passion and greed for profit. To what can we reduce its religious worship? To extortion. Who is their real God? CASH!"

Jewish leaders such as James Waterman Wise have challenged the American Jewish Committee to disprove that 85% of all Jews are not Communists.

Henry Ford, Sr., the American automobile manufacturer, said: "Corral fifty of the world's wealthiest Jews and there would be no more wars."

From authoritative sources, we find that President Franklin Roosevelt had seventy-two advisors around him when he led us into World War II and that fifty-two were Jews, and to make this even worse, most of these were foreign born.

From other reliable sources we learn that more than 62% of all the real estate, industrial plants, natural resources, and banks in the United States are either controlled or owned outright by Jews. (This article was originally written over thirty years ago and this ratio has greatly increased.)

The motion picture industry, clothing manufacturing, newspapers, television, drugs and prostitution are almost completely controlled by Jews, as is the liquor industry.

The New York Yiddish Daily, DER TAG, in an editorial on April 9, 1936, stated: "The Jews of America, because of their numbers, interest and ability, constitute the greatest political force. They have not usurped this power; it belongs to them as of right! They are going to exercise it as they see fit! What are you goyim going to do about it?"

THE RED NETWORK, a WHO'S WHO and HAND BOOK, by Elizabeth Dilling, listed more than 600 Jewish Communist subversive organizations in the United States in the 1930's. Their numbers have grown since then.

We could go on and on from the litany of information, to show how Americans, especially "brainwashed" Christians, have misplaced their confidence in Jews, when in all actuality, they are the worst enemies of everything a Christian is supposed to believe in. Yet today, we see the infinitely sad and dangerous situation, where members of the Judeo-Christian churches of America, support their enemies, while attacking anyone who attempts to tell them the truth!

I challenge any Rabbi, any recognized Jewish authority, or any one of the number of Jewish leaders in our Congress, or in President Reagan's Administration or any Judeo-Christian preacher to disprove any statements which have been made in this pamphlet.

Let American Patriots everywhere, especially those who dare to call themselves Christians, rise up as men to defend our faith which these alien Christ haters are attempting to destroy. Like Benjamin Franklin proposed, we should enact laws which would protect ourselves from this anti-American alien minority which seeks to control our government. We should clean house in politics and kick the "money changers" out of the National temple. We should "clean house" in our churches, for after all, that is where national revival must begin and the time has come when "Judgement MUST begin at the house of God . . ." (1 Peter 4:17)

Let us adopt the immortal words which said: "united we stand divided we fall!"

WILL YOU HELP IN THIS CRUSADE TO END DEPRESSIONS, UNEMPLOYMENT, COMMUNISM, WARS, STARVATION, PERSECUTION? AMERICA WILL REMAIN THE LAND OF THE FREE, ONLY SO LONG AS SHE REMAINS THE HOME OF THE BRAVE.
REMEMBER: The famous words: "It can't happen here," were once repeated in Russia, Germany, Austria, Hungary, Cuba, China, and many other countries where Jewish Communism has taken over and slaughtered over 140-million. You want to celebrate a holocaust. Look at that one for a while and then ask yourself this question. **WHAT WILL MY CHILDREN AND GRANDCHILDREN THINK OF ME, IF WE FAIL!**
Is There Such A Thing As Christian Justifiable Homicide?

Many men in the Prison Ministry have asked questions regarding the scriptural right of a Christian to take the Law into their own hands and punish evil doers. Their principle hero in this case, seems to be the Levitical priest Phineas, who is mentioned in Numbers 25, when he killed an Israelite prince named Zimri, and his Midianite girlfriend Cozbi, whom lie had brazenly brought into the Israelite camp in defiance of God's Law. In this account, God praised Phineas' actions (vs. 10-13). Does this mean that Christian Israelites today have the right to kill a White man, when we see him consorting with a Black woman? Do we have the right to execute a Jewish doctor, who is killing unborn babies in his abortion clinic?

My answer may not sit well with some Israelites, but we MUST look at it from a scriptural standpoint and let the Bible be our guide, rather than be led by emotion. When Pastor Paul Hill recently killed an abortionist, he appeared on CBS "Eye to Eye" with Connie Chung, rather smugly defending the right of a Christian to execute abortionists, and declaring his actions as "justifiable homicide", as he called it. He stated that it was a Christian's duty to execute those who were murdering unborn babies. While my sympathies lie with Pastor Hill, and against the Jewish abortionists, (and I say this because the majority of abortion clinics in Canada and the US. are owned and run by Jews), our answer, must of necessity be on scriptural grounds.

As a basis for these remarks, I am going to use some scriptural ideas expressed by Jay Rogers, Director of Media Rouse International, as they appeared in the June 1995 issue CHALCEDON REPORT, PO. Box 158, Vallecito, CA 95251, plus some of my own ideas.

One of the sad commentaries on the Paul Hill trial was that none of the pro-life leaders interviewed by the national media, were able to put forth a consistent Biblical stance, defending the use of violence in pro-life activism. While many appeal to emotion and common sense which equates abortion with murder, this is not enough. We must have a Biblical-based-right, before taking the law into our own hands.

Those in the Kingdom Movement, in particular, MUST raise the question: "Is it ever right to use deadly force to defend one's own life, and the life of others?"

From the very beginning, we MUST maintain that it is not within the jurisdiction of the church, or that of individual Christians, to execute Paul Hill type justice! Even when the offenders are openly violating God's Law.

Kingdom Theology, which should be the theology of Christian Israelites (and I am not referring to the people we now call Jews, but to the White Anglo-Saxon nations of Christendom, who are the only people in the world, who match the fingerprints, which identify "true Israel" in the closing out days of this Age). Along with this "theology", Should come all attempts to reform national laws. (This is called "Theonomy", which means "laws controlled by God"; referring to the original Law of God, since He is the basic "lawgiver".) A general principle of Kingdom Theology, is that the laws of God, as given in the Old Covenant (the Old Testament) are still in effect, except where they were specifically changed by Christ, or His Apostles under the leadership of the Holy Spirit. These laws are as binding today, under the New Covenant, as when they were first given to ancient Israel.

We know there have been some changes, for these were mentioned by the Apostle Peter in the Jerusalem Conference spoken of in Acts 15. Certain Judaizers had come to Antioch, teaching that a man had to be circumcised and keep the Law of Moses, before they could be "saved and join the
church". In vs. 10, the Apostle Peter said to them: "Now therefore, why tempt ye God, to put a yoke upon the neck of the disciples, which neither our fathers nor we were able to bear. But we believe that through the grace of the Lord Jesus Christ we shall be saved, even as they." (See Eph. 2:8). In vs. 19, Peter says: "Wherefore my sentence, (judgment) is, that we trouble them not, which from among the Gentiles are turned to God". (Here he was referring to the Israelite people of Asia Minor, who had lost their identity in Assyrian captivity. and were looked on by the Jews as Gentiles. See Hosea 1:10). But that we write unto them that they abstain from pollutions of idols, and from fornication, and from things strangled, and from blood'. (Nothing is said here about the 600 plus laws of Moses, which the ASSEMBLIES OF YAHWEH say MUST be followed if we are to please God).

Some in identity teach that the old dietary laws have not been changed, while most agree that the sacrificial and ceremonial laws were done away by Christ's "once for all" sacrifice for sin on Calvary.

"Dispensational Theology," which is the theology of the Judeo-Christian church world is flawed for the most part, in that it teaches that the Old Covenant Law, the Ten Commandments, no longer applies to Christians. The Apostle Paul quite adequately answers this argument iii his marvelous discourse on the Law in Romans 3. In vs. 20 he states that under the New Covenant (Testament) we are not justified in the eyes of God, through our own good works (keeping the law), and that the purpose of the law is to bring us to the knowledge of sin. In Gal. 3:24, lie tells us: "Wherefore the law is our schoolmaster to bring us unto Christ, that we might be justified by FAITH".

When we look at God's Law, and see where it says: "The soul that sinneth, it shall die!" We know there is no way, within our own strength, that we can please God. So we scurry for a way out of our predicament. This brings us: "face to face" with the only solution to our problem", which is acceptance of Jesus Christ. It is not the Law that saves us; but it is the Law that brought us to the realization of our sin. In vs., 28. Paul sums this up: "Therefore, (because of this) we conclude that a man is justified by faith, without the deeds (ritual) of the law." Then in vs. 31, to make sure we do not go astray in our thinking, he says: "Do we make void (of none effect) the law through faith: God forbid! Yea we establish the law!" We have a second witness from the Apostle John in I John 3:4, where he says: "Whosoever committeth sin, transgresseth (breaks) also the Law; for sin is transgression of the law". So according to this, if the Old Testament law has been "done away," then there can be no more sin. and we know how foolish this thinking is, for we see the effects of sin about us every day.

Confusion among those in the denominational world occurs when they often see God's people. as they execute violence against God's enemies, contrary to His Word. What they fail to see, is that there has been a "Covenant shift" in the area in which the law operates and that in some instances. it operates differently under the New Covenant than under the Old. It has not been nullified, or done away!

Jesus spoke in His Sermon on the Mount, to His disciples. This message was not to the general public. He had taken His disciples away into the mountains. to give them a discourse on what His Kingdom would be like, and the rules which would apply to it. He was speaking about a "New World Order". Many conservative patriots hate that word, because it has become the "watchword" of the enemy in his drive to enslave Christianity. But I long for it, under His command! Matt. 3:38,39, He refers to the Old Covenant by saying: "You have heard that it was said, "An eye for an eye, and a tooth for a tooth," But I say unto you. Do not resist him who is evil". Here we see Jesus, as the Son of God, legitimately changing the old law regarding personal vengeance. (He was not referring to the Christians battle against sin and evil men!) The Apostle Paul strengthens this in 2 Cor. 10:4. when he says: "For the weapons of our warfare are not carnal (fleshly)." The Christian under the New Covenant, fights with different weapons than his counterpart under the Old. You may not like it, but there it is in the Word!! While old Israel was God's "Battleaxe and weapons of war, that broke in pieces nations and destroyed kingdoms," evidently this is not God's plan for Israel
under the New Covenant. (This does not mean that we must give up the light. It does mean that our methods of warfare have changed! (I know that some in Identity who want to go out and strike at the enemy with carnal weapons will resent this, but I can't change God's Word to make you feel good. In fact, I'd be willing to venture, that most of those who call for violence now, will be hard to find when the lead begins to fly. (I say this on the basis of personal experience in combat in two wars.)

Throughout Paul's Epistles, he negates the right of the church, or the individual to wield the "sword of judgment". This is one of the reasons why the "Paul bashers" in Identity hate him.

Do Paul's writings negate the authority of civil magistrates to execute vengeance on evil doers? Not at all. That is their purpose! According to Romans 13:4, it is the duty of the court to exact vengeance on evil, but it is not an individual right.

Neither the organized church, or the individual has the right, or authority to execute vengeance on murderers, rapists, Sodomites, adulterers, dopesters, etc. They are not authorized to act as a court in determining the guilt of these people. Remember this, before you rashly accuse another brother, of some sin, without having absolute proof, under the old law, if you were a false witness, you suffered the same sentence as the guilty man. We have far too much of this type of accusation going on in the Prison Ministry. I appreciate information regarding a man who is misusing the Prison Ministry, but you MUST be absolutely sure of your facts, before you bring them to my attention!

No individual, or no church, has the authority under God, to enforce His decrees with violence! While under the Old Covenant, a man could be found guilty based on the testimony of two or three witnesses and could be executed by individuals. Under the New Covenant, this duty belongs to the State or Civil authority. In Romans 13:3, 4 Paul explains this: "For rulers (and here we would be in order to insert "Godly rulers") are not a terror to good works, but to evil. Wilt thou not be afraid of the power? do that which is good. and thou shalt have praise of the same: For he is the minister of God, a revenger to execute wrath upon him that doeth evil."

But what happens when we are under evil rulers, as we are now, who often persecute the righteous, and help the ungodly? Paul addresses this in vs. 7 when he says: "Render therefore to all their dues: tribute to whom tribute is due: custom to whom custom; fear to whom fear; honour to whom honour" This echoes the words of Jesus when the Pharisees asked Him if it was lawful to pay taxes to Caesar, who the Jews hated. He replied (Matt. 22:21) - "Render unto Caesar the things which are Caesar's; and unto God the things which are God's". Then in Matt. 17, when the tax collectors asked Peter whether his Master paid taxes to Rome. He replied "Yes!" (vs. 25). In verse 27 Christ told Peter to go fishing, and the first fish he pulled in, would have a coin in its mouth: "Take that and pay the tax collector, lest we offend them". Why? could it be because He wanted them to "avoid the very appearance of evil?" Possibly some of our tax protestors who brag so loudly about not having paid taxes in umpteen years, should think about this! Nowhere do I find any teaching of Jesus that says His followers should not pay taxes. (Remeniber, the government of Rome at this time was exceedingly wicked).

One of the reasons for Christ's execution was that he taught "civil obedience" to the Roman government. He was not a revolutionary as many say.

However, we must use much care, for there are instances when individual responsibility to defend one's own life and that of their family, becomes a Separate issue. Frederick Bastiat, the internationally famous French lawyer, in his book THE LAW, States that man has the "natural right from His Creator, to defend himself, his family and his property from evil men".

While under the Old Covenant, a man could take personal vengeance if he or his family were harmed, under the New Covenant, there were only specific instances when this was allowed. Under both Covenants, if a man breaks into your home and attempts to harm you or your family, you have the right to kill him. This is known as 'justifiable homicide". It is mentioned in Ex. 22:2,3.
According to this Scripture, the defender has the scriptural right of self-defense, and defense of his family and property. If the thief breaks in at night, and is killed, there is no blood guiltiness. But if the crime happens during the daylight, the householder cannot turn himself into a vigilanti and hunt down and kill the intruder.

The "pro-lifers" may ask this question: "If abortion is the wanton destruction of human life, (and we know it is), and we defend life violently in our home, then why don't we have the right to do the same at the abortion clinic". This is a good question which needs an answer! If we really believe the "fetus" is a human being, then why should we not defend it in any way possible? Is it contrary to God's Law to use violence in defense of the unborn? Another good question.

I believe there is a fundamental difference between the case of the man who defends his family against an intruder, and that of taking it on himself to become jury, judge and executioner in the case where murder is about to be committed, or which has been committed by abortion. Under the New Covenant, this authority belongs to the civil authorities only.

In Matt. 26:52, when Peter struck off tile ear of the High Priest's servant, as he attempted to defend Jesus from the Jews . . . our Lord told him: "He who lives by the sword, shall die by the sword". Christ was on His way to the cross. He was about to suffer the greatest act of violence the world had ever, or would ever see. He was clearly indicating that the Kingdom of God, and the plan of God, was not to be advanced by violence.

The so-called Christian Crusades of the Middle Ages, were Christian in name only, since they were not for the purpose of advancing the Kingdom of God, but for the enrichment and glorification of world rulers. God's Kingdom is to be advanced by His Word alone, never by violence! 'this is an important lesson that many of our Identity people need to learn. Probably it's MOST important lesson is that OBEDIENCE TO GOD MUST ALWAYS COME BEFORE WE CAN HAVE VICTORY! We have two options available: (I) the "easy way", God's way, (see Matt. 11:29, 30): or (2) continue "doing our own thing", and learn that "the way of the transgressor (he who bucks God), is indeed very hard," and always leads to disaster.

But violence used in self-defense is another matter, and in Luke 22:36, we see where Christ tells His disciples that if they didn't have a means of self-defense, they were to sell their garments and buy one. He told them this, after He had sent them out to preach the Word, and they had come back saying: "Lord, we had need of nothing!" In vs. 36, He makes this cryptic statement: "BUT NOW . . . " These words indicate a changes of status. It was as if He was telling them that they were about to go out among their enemies, and were to have a means of self-defense. So when a Christian believes in the 2nd Amendment and in providing a means to defend him-self and his family from evil men by buying a gun, don't fault him, he is following the King's orders.

We can't advance the Kingdom of God by using the 2nd Amendment as the basis for our defense, but it gives us the scriptural right to have firearms to defend ourselves, not only from evil men, but more specifically from a government that turns from being the "servant of the people, into a monster that seeks to enslave them". This is the same thing that was taught in the Old Covenant.

The Kingdom view of authority includes the individual, the family, the Church, and the State. The strategy of the Christian must be to use all methods short of violence, to Stop evils such as abortion. Of course the main weapons we must use are the spiritual one's of prayer, and scripture teaching, which will change the hearts and lives of those who condone the practice of child murder, both in the lives of the mother who allows it, and the doctor who practices it.

Here, the blame must fall on the shoulders of the pastors in Canada and tile U.S. who have "fallen down on their task of preaching the whole counsel of God's Word," (see Jer. 23:22).

This scripture clearly indicates that if the pastors were doing their job, the people would "turn from their wicked ways". (This would include their backing for child murder). There was a time within my lifetime. when America was closer to God, and when abortion was an unthinkable crime. Today
it is condoned by many who go by the name of Christian, because apostasy has entered the church, and the people are not being told the truth by their religious leaders. A good description of these leaders can be found in Isa. 56:10, 11 - "His (Israel's) watchmen are blind: they are all ignorant (of God's Word), they are all dumb (togs, they cannot bark; (a watchdog that cannot or will not bark is useless) sleeping, lying down. loving to slumber. (They sleep while the enemy destroys our people). Yea, they are greedy dogs, which can never have enough, and they are shepherds that cannot understand; they all look to their own gain . . . (If you don't want to believe this, look at the TV evangelists. Recently I saw what was called a PRAISE THE LORDATHON! on Trinity Broadcasting System, where the Presidents wife, whirling around like some heathen priestess, literally screamed; "Praise the Lord, we have raised over four million dollars!" Over and over the emphasis on these TV spectaculars. is raising money. The Bible says: "doing everything for their own gain!" When the leadership of the church is engaged in this kind of activity, how can they expect their people to take a stand against evil?)

Because our preachers have fallen down on their responsibility to preach the "whole counsel" of God's Word, America and Canada are overrun with evil, which allows such practices as the sanction of murder of 2-million unborn every year. Our countries are going to pay a heavy price for this evil we have condoned

Christians who advocate violence as a legitimate tactic to force people into obedience to God's Word, are "lawless covenant breakers" themselves.

Whether you want to accept it or not, there has been a Covenantal shift in how God's justice is executed, since Jesus died and rose again. The Law still remains, it has not changed, but the manner of executing it has changed. Under the Old Covenant, God's people warred according to the flesh. Under the New Covenant, we MUST war after the Spirit.

Kingdom Theology provides a response to all sin. The Old Testament (Covenant) provided examples of what we must accomplish in the New. In 1st Cor. 10:11, the Apostle Paul, speaking about things which happened under the Old Covenant, said: "Now all these things happened unto them for examples; and they were written for our admonition." (The English word for ADMONITION, is "nouthesis" (3559) and means: "attention; warning; rebuke". For example: "Natural. Israel" followed a man named Joshua into the Promised Land. "Spiritual Israel", follows a man named YESHUA (Jesus) in to the Land of Promise. Everything the Old Testament Israelite.' experienced in possessing the land of Canaan, has a direct New Testament application.

Israel was commanded to destroy the detestable idolatrous act of "child murder" in Canaan. Under the New Covenant, in our day, Christians are commanded to drive idolatry from the land. How do we accomplish this under the apparent restrictions imposed by the New Covenant? Should we, like ancient Israel, attack the individuals responsible for this idolatry and kill them? These are questions which demand scriptural answers

Under the Old Covenant, the Holy Spirit had not yet been given to Israel, as we know Him today. Man had neither tile anointing, or tile power, or the authority to confront demonic powers. There are no scriptural examples of the exorcism of demon Spirits under the Old Covenant. In, order to defeat the forces of wickedness, there was no solution other than to destroy the idol worshipers, or drive them out of the land. This accounts for God's order to Israel, to destroy the heathen nations it encountered in Canaan. This order is the source of much embarrassment in the modern church, who do not want our people to look on God, as anything but a "God of love!" Yet wherever Israel disobeyed God, these heathen became "thorns in their sides". In Numbers 33:55, we read: "But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which he let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in tile land wherein ye dwell"

But when Jesus, the Soil of God an-ived on the scene, tile scenario changed. For tile first time in recorded history, "saved" men and women, were given full authority to control their lives. These
"spiritual warriors" were given authority to directly confront the forces of demonic power which the Apostle Paul called "spiritual wickedness in high places," (Eph. 6:12) and overcome them. (Here I need to explain what I mean by "saved" men and women. I am not referring to the vast majority who accept Jesus as Savior - a sort of Celestial Fire Insurance Policy to keep them out of hell. Few of these want Him as King, for when they accept Him as King, they can no longer "do their own thing", for He is now in complete control of their lives. These are the OVERCOMERS, spoken of in Rev. 2 and 3, who will "rule and reign" with the King in His Millennium Kingdom.)

Paul went on to explain this "spiritual warfare" in Ephesians 6, when he said: "For we wrestle not against flesh and blood (human beings), but against principalities, (Gk. -"archi" [746] meaning: "magistrates; rulers") against powers (Gk. - "exousia", [1849] meaning: "delegated influences; potentates; super-humans; jurisdiction") against the rulers (If the darkness (Gr. - "skotos" [4655] meaning: "obscurity or shadiness") of this world (order), against spiritual (demonic powers) wickedness in high places"

This is the same demonic power that was present in the Garden of Eden, as recorded in Gen. 3:4, when the serpent told Mother Eve: "If you disobey God, and eat of the forbidden fruit, ye shall surely die!"

In Luke 11:20 Jesus defines the ability to "cast out demons". as one of the primary signs that the Kingdom of God has arrived. He said: "But if I (the Son of God) with the finger of God, cast out devils, no doubt the Kingdom of God is come upon you".

God's people are now in a position to confront the real problem. Instead of destroying the adversary, we work for his salvation. When they accept the King, they are no more enemies, but brethren in Israel. (I suspect that this is one truth which disturbs some in Identity, who do not want any but White folks to be in the kingdom).

When Joshua led Israel into the Promised land, they began to obey God's command to destroy all idolatry and ill some instances this led to the complete annihilation of entire cities, much to the embarrassment of some churchmen today, who want God to be always pictured as a "God of love", never as a "God of wrath against evil doers". God wants us to be as ruthless as Joshua and his armies in destroying the forces of heathen idolatry in the land, only now we can direct our energies against the evil forces behind this idolatry - the real enemy - the spiritual forces of wickedness in heavenly places. Jesus commanded us, as His followers, to go into all the world, wrenching it from the control of Satan and His forces. That is our Kingdom task!

When Jesus talked about John the Baptist, in Luke 7:28, He said: "For I say unto you. Among those born of women there is not a greater prophet than John the Baptist; (but notice carefully now). But he that is least in the Kingdom of God, is greater than he". Jesus is telling us that the least Christian has more spiritual authority than an Old Testament prophet.

On another occasion, in John 14:12, Jesus said: "He who believes in Me, the works that I do shall he also do; and greater works than these shall he do, because I go on to the Father". He was not speaking about the phony display we see, put on by the TV evangelists, as they touch people on the forehead and have them faint away. He was speaking of "spiritual power" that would defeat a supernatural enemy, and I have seen very little of this power within our Kingdom Movement. It is almost completely missing in the compromising Judeo-Christian church world.

Our King, Jesus the Christ, expects us as His followers. to manifest the same authority over evil that He did, but we cannot use violence to accomplish it. We would be playing into the enemy hands if we did. Anytime something shocking takes place, the first question we should ask is: "Cue bonn? (who benefit?) In the recent Oklahoma City tragedy, most certainly the Christian Patriot Movement did not benefit, no matter how hard the media tries to prove otherwise. Only the New World Order received any benefit from it. The same thing happens, when Christians use violence to bring about spiritual results. The enemy benefits!
There is a wide divergence of opinion in Christian circles, about the issue of abortion and the Law of God. On one side we have those who advocate violence, while on the extreme, are those who do not believe God's Word when it says: (Gen. 9:6) - "Whoso sheddeth man's blood, by man shall his blood be shed . . ." These oppose capital punishment as being unchristian, when it is God's proper retribution for murder.

We have already discussed how the Kingdom Law will not allow us to commit violence. Now we shall look at another error, which is common and which is based on the "natural law theory". This theory was held by the renowned Roman Catholic scholar Thomas Aquinas, and was later developed by the rationalist philosopher John Locke.

"Natural law" is the idea that inherent in all men and women, is a sense of "divinity," of "good and evil". In other words, that natural men, deep down inside themselves, know that murder, and rape, and Sodom are wrong. But the idea of "natural law" cannot be found in the Scriptures, which plainly tells that the heart of natural men and women is "desperately wicked and deceitful," not to be trusted. (Jer. 17:9).

"Natural law", is distinguished by "natural revelation" that the Apostle Paul discusses in Romans. 1:18-21.

This states that which "natural men" and women recognize the existence of God, they do not know what the Bible has to say about it. The problem arises you see, when "unsaved men and women", take the idea (if "natural revelation" and attempt to build a system of "natural law" or natural theology" on it. It does not work!

The Kingdom view. which is the scriptural view does not deny "natural law", since it is one of the bases on which lost men will be judged by God. But listen closely to what the Apostle Paul has to say in Rom. 1:18-21 "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness. Because (for this reason) that which may he known of God is manifest (made known) in them for God hath shown it unto them. For the invisible things of Him from the creation of the world are clearly seen. being understood by the things that are made, even It is eternal power and Godhead: (the Psalmist said. Ps. 19:1 - "The heavens declare the glory of God, aud the firmament (earth) showeth His handiwork") so that they are without excuse. Because (as a result of this) that when they knew God, they glorified him not as God neither were they thankful but they became vain in the imaginations. and their foolish heart was darkened, professing themselves to he wise. they became fools".

It is for this reason. that "Natural theology, or a workable natural law" cannot be employed. Unregenerate men and women do not instinctively know "right from wrong, or good from evil", because the natural heart of human beings is wicked. Man hates to admit his inherent wickedness, so he naturally suppresses any truth dealing with it.

"Natural Law" can never work. because men will never agree with it's truth, even when they know it. Paul says that this is the basis for "homosexuality," (Rom. 1:24) - "Wherefore (because they will not accept God) God gave them up unto vile affections: for even their women did change the natural use into that which is against nature; and likewise the men, leaving the natural use of the woman, burned in their lust. one towards another: men with men, working that which is unseemly" (disgraceful; indecent).

Vs. 31 states God's judgment for this sin: "Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same. but have pleasure (consent) in them that do them".

It becomes quite obvious that "natural law" teaches that both "abortion and sodomy" are wrong, yet such is the perversity of "natural man", who is "basically evil," that they "sear their conscience", so that they will not worry when they flout God's Law, even when it calls for death.

Natural revelation in itself is not sufficient, 50 we must seek something with authority; and this
brings us to God's Word, as the only source for this authority.

This is why the Bible was written. As an example, "natural law" teaches us nothing about "salvation", and the only way we can know how to be saved, is from the written Word. The only way we can escape from the penalty that says: "The wages of sin is death", (Rom. 6:23) and "The soul that sinneth, it shall die", (Ezek. 18:4), is found in John 3:16 - "For God So loved the world; that He sent His only Begotten Son. that whosoever believeth in Him. might not perish. but have everlasting life".

We should not oppose abortion on note grounds of the "sanctity (If life"); or that "life is precious in the eyes of God," and both of these statements are true. The reason we MUST oppose it, is because it violates the moral law of God. If we do not recognize this, we fall into the moral trap of being against Capital Punishment and service in the Armed Forces of our country. (As must of you know. I spent a considerable part (If my life in the Army, serving during three wars, with combat duty in WWII and Korea. Yet I can not counsel young men to join the military today, since they would not be defending the United States, but the Anti-Christ United Nations. I am not against defense of this country, and believe I have proved it. But I am against the taking of human life, in order to promote the evils of One World Government, and line the pockets of evil men. My conscience sometimes bothers me because (if my service in WWII and Korea. I went overseas, as most of our men did, filled with love of country and devotion for our cause. I did not know then. as I do now. that both those wars. and Vietnam. were fought for the benefit of the International Bankers who now control our country. It is wrong, to take human life for such as these.

Any time "natural law" is applied to society, it leaves open the door to "human autonomy", (self-government). It has been proven over and over again, during 6,000 years of written history, that unregenerate men and women are not capable of governing themselves, and that when the Law of God is left out. chaos results. When men stand up and decide what is right and wrong", without taking into consideration what God says about it. 'all hell breaks loose!' This inevitably leads to the conditions described in Isa. 5:20 - 'Woe unto them that call evil good and good evil; that put darkness for light, and light for darkness: that put bitter for sweet and sweet for bitter. Woe unto them that are wise in their own eyes, and prudent (have understanding) in their own sight." ( In other words, this is speaking of those who believe they know better than God, how to run His earth).

As adherents of the Kingdom Movement, we MUST look into the future and ask ourselves: "What will be our vision of America in thirty, forty, or fifty years?" Will we be living under God's rule, or the dictatorship of man, These are the only choices we have.

Our vision must be, not only the eradication of evils such as abortion, sodomy, dope and all evil, but the complete rehabilitation of mankind through the Gospel of Jesus Christ. and under His leadership.

A revival of the Law-Word of' God will affect many inure than just Christians and the church.' it will change our society. This is why we, if we are to survive. MUST adhere to the provisions of the only FORMULA FOR SURVIVAL that will work. We KNOW it will, for God has said so. It is found in 2 Chronicles 7:14. Many of you know it from memory, as it is a favorite in many churches: "If My people. which are called by My name (Christian), will humble themselves, aud pray. and seek my face. and turn from their wicked ways THEN will I HEAR from heaven and will FORGIVE their sins, and will HEAL their land". ( Emphasis nine!) But we MUST give this more than the "lip service" it has received in the past.

Too often. in spiritual apostasy, we have fulfilled the words of Isa. 29:13-14 - ". . . Forasmuch as this people draw near me with their mouths, and with their lips do honor Me, but their fear (reverence) towards Me is taught by the precepts (doctrines) of men. Therefore (because of this), I will proceed to do a marvelous work among this people; even a marvelous work and a wonder; for the wisdom of their wise men shall perish. and the understanding of their prudent men (leaders)
shall be hid". We are in those days now! This is why we see evil rather than good in our Government. This is why we see "compromise with evil" in our churches. This will not change, until our people change, and are willing once again to be obedient to God. Must we first be driven to our knees, and have our nose rubbed in the dirt, before we are willing to "Listen to God. OBEY, and be saved. both spiritually and physically?" May God forbid!

When our people wake up to who they are, and their responsibility to God, and begin to OBEY, then once again. America and Canada will become "twin beacons of righteousness in the world", and our people will live in peace and prosperity!

Senator Tim Hutchinson, U.S. Senate

Dear Hutchinson Brothers:

This serious letter is being written to you two men, because I trust you most of all our public servants in Congress. I have voted the Republican ticket for over sixty years now, but on the basis of what has happened in Congress, in recent months, I must make a serious re-evaluation of my political stand.

It is a fact, known to any intelligent American, and I'm sure to you men in Congress, that we are engaged in an illegal, futile, "no-win" war, and that if we get engaged in ground warfare, we will be whipped worse than we were in Korea and Vietnam. We lost both those wars, not because of lack of military expertise on the part of our fighting men, or because of inferior equipment, but because of the immorality of our governmental leaders, who sent our men overseas to die in a political war they had no intention of winning, and then left our P.O.W.'s to rot in enemy prisons when we withdrew. Our military leaders KNOW that we are in no position to fight a war of any kind, as we are at our lowest military ebb since before Pearl Harbour. Because they fear to lose their prestigious positions, or are "bucking for another star," this means more to them than their "oath of office."

Where are our military leaders with the moral character of Patton, Mac Arthur, and "Chesty" Puller, now that we so desperately need them?

If we become engaged in a ground war, it will be an open invitation to Red China, Russia, North Korea, Cuba, and other nations who "hate our guts", and who have been patiently waiting for just such a chance. As early as 1946, a Russian U.N. diplomat named Dmitri Manualisky said: "When they (the Christian West) have let their guard down and gone to sleep, we will SMASH them with our clenched fist." Our leaders and President Clinton know this danger and are playing into the enemy hands. The sad
thing is that you men, who are the "watchdogs of America", are doing nothing to curb this madman. Instead of putting a halter on him, you have given him the funds necessary to finance his private war. While speaking hypocritically about "balancing the budget," you are pouring billions of our tax dollars down the "rat hole" of war.

As veteran with infantry combat experience in World War II and Korea, where I filled every leadership role from Pfc Squad Leader; to Captain, Company Commander, with some Field Staff experience, I KNOW as do many other ex-service personnel that we are fighting a futile war, not to help America, but for the benefit of the Internationalists who always start them and are the only ones to profit from them. The humanitarian pleas of the President fall on deaf ears, when we realize that he is killing thousands of innocent civilians, to protect others. Who is the worst war criminal, Clinton or Milosevic?

I KNOW that Asa took a strong stand on impeachment proceedings, and honor him for his integrity. But I also know that the Senate "let him off the hook," by charging him with "lying and sexual misconduct," when you KNOW he should have been tried and convicted for TREASON. Yet he is doing the task he was trained to do as a Rhodes scholar, and that is sell the sovereignty of America into the hands of the New World Order.

Our top military leaders know we have no business in this war, as we are: at our weakest military strength since before 1941 and would be defenseless in the face of a Red Chinese attack.

Recently I came across this interesting analogy in the Old Testament of the Bible, 1st Kings 2:25, written about an Israelite king named Ahab who ruled about 899 B.C. If you were to bring this verse forwards 2900 years to 1999, it could well read like this: "And there was no president in the history of Christian America, like unto Bill Clinton, who sold (prostituted) himself to work wickedness in the sight of the Lord, who Hillary his wife stirred up." Interesting, isn't it?

The tragedy at Littleton, Colorado, that received so much attention and publicity from the President, where he hypocritically plead with American youth for moral
standards, when he has none, said nothing about the government HARP experiments which have been going on in Alaska for several years, and which are used as a tool for "mind control." haven't spoken about them and neither has the controlled media. Could it be that the two young murderers at Littleton were victims of this experimentation? Several knowledgeable men have wondered why all the violent attacks have taken place in mostly conservative White schools. While Blacks who have been scientifically proven to be more prone to violence have not been touched? Something is dramatically amiss here?

Gentlemen, a "day of reckoning is coming," as the American people begin to realize how they have often been mis-represented by the men we have placed in Congress to run our country. I trust and admire you both, and would not like to see you hurt when America gets angry and wakes up.

In Ezekiel 33:6, we are told that when the WATCHMAN warns his people of dangers they face, and they refuse to listen to his warning, if they get hurt as a result, their "blood will be on their own head". I am an old man now, I have served my country faithfully in three wars, and my "oath of office" means as much to me today as when I took it in 1942 - [or some reason, unknown to me, God has made me a "watchman for America," there are times when I don't like the job, as it can become most unpleasant. But it MUST be done and I trying to fulfill it to the best of my ability. I have told you the facts. What will you do about them?

Your servant in the service of God and Country,

Senator Hutchinson's Response to Jack Mohr's Letter:-

United States Senate
WASHINGTON, DC 20510
June 2, 1999
Dear Col. Mohr:

Thank you for contacting me to express your opposition to U.S. military involvement in the former Yugoslavia. I would like to thank you for your kind words of support, and I appreciate opportunity to familiarize myself with your views.

As you may know, Kosovo, a region in southern Serbia, has been the focal point of bitter struggles between Orthodox Serbs and largely Muslim Albanians for centuries. Many Serbs see Kosovo as the cradle of Serbian civilization. The province is dotted with Serbian religious shrines and historical monuments.

In 1990 Yugoslav President Slobodan Milosevic revoked Kosovo's autonomous status, putting it under the control of the Serbian-dominated Belgrade government. In response, an armed resistance movement led by the "Kosovo Liberation Army" developed in the 90% ethnic Albanian province. The Belgrade government has responded with Yugoslav military ground units and aircraft destroying villages, and executing civilians suspected of supporting the insurgents.

On February 23, rival Kosovo Albanians and Serbs conditionally agreed to a partial accord which called for an end to open hostilities and increased autonomy for the Kosovar region. They resumed negotiations on March 15 to address unresolved issues. Though the Albanians assented peace agreement, the Serbs refused to do so. As a result, a NATO bombing campaign commenced against the Serbs on March 24, 1999. The decision of the nineteen NATO member nations to attack an independent country represents an important departure from NATO's historic mission as a defensive alliance to defend against Soviet aggression.

On March 23, 1999, just prior to the commencement of the NATO bombing campaign, the Senate considered Senate Concurrent Resolution 21 to authorize the president of the United States to conduct military air operations and missile strikes against the Federal Republic of Yugoslavia. Though I voted against this measure, it passed by a vote of 58 to 41. While I remain strongly supportive of our troops in the field, and will continue to support efforts to ensure their safety and well-being, I am interested in seeing lasting peace in this region and am wary of any further U.S. military intervention. I voted against the use of air strikes because I did not think it was in the national security interest of the United States to conduct an act of war against a sovereign nation in an attempt to mitigate centuries-old ethnic hatreds. Further, with history as a guide, it seemed equally obvious to me that an air war alone was unlikely to yield the political results needed to protect the victims of Milosevic's violence. It seemed equally the limitations of an air campaign could lead us to committing ground forces into a non-permissive and hostile environment, where the loss of American lives would be likely.

With these serious concerns in mind, earlier this month I traveled to Aviano Air base,
NATO headquarters and to Supreme Headquarters Allied Powers Europe (SHAPE),
where I met Defense Secretary William Cohen, U.S. Ambassador to NATO Alexander
Vershbow, U.S. General and NATO Supreme Commander Wesley Clark and other
U.S. military leaders who were directly involved in planning and executing the air
campaign. In touring Aviano, I met with a variety of American service members, from
bomb makers to pilots. As misguided as I believe the Administration's current policy
in Kosovo to be, I support our troops and was extremely impressed with their
capability, dedication and morale. However, my first-hand exposure did nothing to
lessen my skepticism about the effectiveness of an air war to achieve the unclear
objectives set forth by NATO.

While we have fought a war from the air, Milosevic has engaged in a brutal effort to
drive ethnic Albanians out of Kosovo. Regretfully, while we are winning the air war,
he is win war against his own people. I am well aware that many have died in this
conflict, primarily hands of Milosevic. It is heart-wrenching to see the plight of the
refugees fleeing Kosovo, and I have consistently advocated humanitarian aid to the
region: There is no simple solution to securing peace in the Balkans, and there is no
easy way out. However, all good intentions aside the shedding of American blood is
too high a price to pay for a perhaps futile effort to bring peace to Yugoslavia.

It is my hope that Congress will engage in extensive debate on the merits and future
of military action in Kosovo. I have serious concerns about the wisdom of sending in
American ground forces, and I have vocally advocated a thorough debate followed by
a vote of the Congress before sending in troops. The American people must
understand that if we invade Yugoslavia a potentially bloody and costly ground war is
likely to be followed by the deployment of U.S. soldiers in Kosovo as "peace
keepers" for a decade or more. This is not a commitment we should make lightly, if at
all. For these reasons, on May 4, 1999, I voted to table a resolution offered by
Senator McCain which would have authorized the president to use any force he
deemed necessary in the Balkan conflict. The resolution was tabled by a vote of 78 to
22.

Again, thank you for the benefit of your comments. Please be assured that I will keep
your views in mind in the coming days.

With kind regards,

Sincerely,

Jesus -- The Rock That Will Not Roll
(An expose of Satan's Minstrels of Music)

"Every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit... Therefore by their fruits shall ye know them". - Matt. 7:18, 20

PRELUDE

Christian Youth and Parents, Have You Been "Sucked in" by this Satanic Delusion?

"This know, that in the last days (of this age) perilous (dangerous) times shall Come. For men (and women) will be lovers of their own selves -. Having a form of godliness, but denying the power thereof: from such turn away". - 2 Timothy 3:1-5

Jesus Loves to Rock and Roll Or Does He?

For many years, knowledgeable men and women have known of plans to Capture the minds of our people through "Cultural subversion" - Although we have been told that anti-Christ Communism is dead, the same anti-Christ crowd, headed by Talmudic Zionism, is pursuing the same objective today. During the Korean War (1950-53) this was popularly known as "brain washing". The Chinese Reds had a more descriptive term, they called it "Thought Control" or "Mind Control".

The end results as planned by this Talmudic group, is the destruction of White Christian civilization and the emergence of America, and the other great nations of Christendom, in a Jewish controlled New World Order.

It must begin with the destruction of the moral and spiritual foundations which have made our countries great. In America, this plan has been underway for decades, as we see the constant attack against the family unit, the subversion in our churches, where our worst enemy is glorified as God's Chosen and where our education system and the media have joined hands in this godless venture.

At the end of the Korean hostilities, when Major General William Dean, our highest ranking POW was returned through Pan' Mun 'Jon, the chief Chinese interrogator, a Lt. Col. with a Ph. D., from UCLA accompanied him. According to the general's own testimony, this communist told Dean: "Don't feel bad about leaving us, for we will be in control of your country one of these days". When Dean asked how they would accomplish this, he was told: "All we need to do is destroy one generation of your youth, and we will conquer you." This has been their plan!

As a result the efforts of the Talmudic-Socialist-Communist enemy has centered on our most precious possession, our American boys and girls.

In the Communist textbook PSYCHOPOLITICS, which was their "blueprint" for the subversion of America, written in 1933, we find these words on page 24: "By the use of various drugs, it is, in this modern age, well within the realm of psychopolitical reality, entirely too easy to bring about a state of severe neuroses or insanity in the wife or children, of high officials, and thus pass them, with the full consent of the Important person, and the government in which he exists, or the bureau in which he operates, into the hands of a psychopolitical operator, who then, in the safety of his own laboratory, without restraint or fear of investigation or censor, can with surgery, electrical shock, sexual attack, drugs, or other useful means, degrade or entirely alter the personality of that family member, and create in that person, a psychopolitical slave subject, who then, on command or signal, will perform outrageous actions, thus discrediting the important person, who will then demand that
certain (political) measures are taken as directed by the operator"

I believe this may very well account in large part, for the outrageous actions of children or spouses of political and religious figures, used to discredit them.

Since in most civilized countries, such a person can be declared insane, and lose all their rights, such as owning property, or testifying in court, this has become an excellent tool for the enemy to use in the degrading and destruction of America as a Christian nation.

Further on page 27, this book (PSYCHOPOLITICS) describes the method by which this degradation can be accomplished. It says: "Deny the Capitalist (Christian) country easy access to courts, bring about and support propaganda to destroy the home, create continuous juvenile delinquency, force all manner of practices to divorce the child from the family, which will in the end create the chaos necessary to communism.

"Under the saccharine guise of assistance to them rigorous child labor laws are the best means to deny the child any rights in society. Refuse to let him earn and by forcing him into unwanted dependence upon grudging parents, who have been forced into a never ending economic stress, the child can be driven into revolt and delinquency will ensue.

"Make readily available drugs of various kinds; give the teenager alcohol, praise his wildness, stimulate him or her with sex literature and teach sexual practices in sex education. Using these methods, the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness which will drive them into communism".

As we look at what has happened in America over the past fifty years, one would have to be entirely lacking in intelligence if they could not see the terrible results which have been accomplished.

Just one evening of roaming the TV channels, should be enough to prove to you the depravity (most coming from Jewish funded entertainment sources), which is being force fed to America's gullible youth.

One will immediately note, and be properly shocked, if they have not seen it before, how decent American young people can be transformed from normal, happy human beings, into a screeching, howling mob of savages, enticed by the horrible caricatures of humanity who Gambol on the stage as rock musicians. These appear in every guise of indecency and filthiness, driven on to their excesses by the ear splitting resonance of what is known as "Rock 'n Roll".

The enemy infiltration of America's music in the past fifty years has been nothing short of phenomenal. It is being used as a two-edged subversive sword with one cutting edge aimed at moral disintegration, while the other destroys the mental and emotional stability of our youth through a process which causes mass neurosis.

In 1946, the Zionist influence on this propaganda, came to light when Sidney Finklestein, a Jewish cultural spokesman for the Communist movement in the U.S. wrote a book HOW MUSIC EXPRESSES IDEAS! in which he called for: "breaking down barriers between classical and popular music." He proposed to smash this barrier, by inundating classical music with the "Music of the Negro people". He was not referring to Negro spirituals, but rather the African jungle beat music which today inundates American music with its racuous sounds, accompanied by equally racuous and filthy sexual lyrics.

Jerry Rubin, the Jewish radical of the Vietnam War era, in his communist oriented book DO IT! states that "rock 'n roll" marked the beginning of the communist revolution among American youth. He openly stated: "We use sex, rock 'n roll, and dope as part of the communist plot. We've combined youth, music, sex, drugs, and rebellion with treason I That's a hard combination to beat!"

This may be why one Jewish commentator said: "If the establishment knew what today's popular music was saying, not necessarily what the words say, but what the music says, they'd ban it! They would smash all the records and arrest anyone trying to sell or play it!"
But now, looking at modern music from the perspective of 1993, we realize that the so-called Establishment, has been in the plot all along, for it has been vitally necessary for them in order to produce their New World Order, which will be devoid of Christianity.

William C. Bullitt, America's first ambassador to the Soviet Union, once stated: "The great tragedy of the West is that it's leaders - and they are good Christian patriotic men - simply are not capable of grasping or understanding the nature of the enemy bent on their destruction." While this may have been true then, although I seriously doubt it, America's leaders for the most part have known what was going on, but have been traitors to this country, and to their oath of office to protect It and it's Constitution from all enemies without and within. Instead, we have seen them subsidize and help these enemies over and over again.

From at least 1945 until the so-called "end of the Cold War", our leaders have "conned" the American people into believing that Communism was our greatest enemy. We have spent hundreds of billions of dollars building a defense against them. Yet during this same period, on at least 14 major occasions, when this enemy has been on the verge of economic destruction, it has been our government, using our tax money, that has put them back on their feet. In my understanding this is "giving aid and comfort to the enemy," and is TREASON of the highest order.

Today, many of the "good Christian patriots" Bullitt spoke about, were in the move to sell America "down the river", into slavery.

Many of our politicians, and yes our Christian ministers, have been willing to cooperate with the enemy for profit, popularity, or other selfish reasons. It is unfortunate indeed, that many of these are Christian religious leaders, which teach two falsehoods. First that the enemy is God's Chosen, and second that when Christ died, He did away with the Law. This has turned most Christians into the "panty-waisted, sissy-britches, good-Lord, good-devil crowd" of the Laodicean church. (See Rev. 3).

One of the major Talmudic methods of destruction of Christianity is through a little known psychological weapon called "mentacide", (destruction of the mind). It is a psychological process which literally causes "mental suicide". In fact, it's major purpose is to "create sick minds

By using music, hypnosis and Pavlovian psychiatry, these evil men can destroy a nation without a military attack, as they have said: "America will raise the hammer and sickle over the country themselves". Or as Khruschev said: "They will become so degraded from within, they will fall into our laps like overripe fruit".

We know from Biblical accounts, that as early as 1063 B.C., David, the Psalmist, used music to soothe a deranged mind. We read in 1 Samuel 16:23 - "And it came to pass, when the evil spirit from God was upon Saul (King of Israel), that David took a harp, and played with his hand: so Saul was refreshed and the evil spirit departed from him". Someone once commented that "music has charms to soothe the savage beast". This is true I But it can also be used to stir up the savage beast, and this is how the enemy is using it against American youth.

As far back as the time of Plato, the Greek philosopher (427-347 B.C.), he warned the Greek legislators against all music which was of an effeminate or lascivious nature, while encouraging that which was pure and dignified.

I saw a dramatic personal example of this while I was serving with the Army in Eritrea, East Africa in 1958-62. While on a hunting trip into central Sudan, 2500 miles inland, where they had never seen a white man before, where they had no knowledge of the wheel, or even how to start afire, we attended a native celebration one night. The music was provided by different sized drums, made from hollow logs. I was amazed to see the effect this drumming had on the natives. One drum beat would produce a hypnotic effect, where the people around the campfire would sway together in perfect rhythm. A change of the beat would cause the warriors to leap to their feet and charge into the crowd, stabbing in all directions (woe be to anyone who got in their way). Then the beat
changed again, and the men rushed to drag the women by the hair, into the surrounding brush, where a gigantic sexual orgy took place. At that time I thought:

"How absolutely Satanic this is!" Then several years later, I attended a rock concert in Miami, where I heard the same drum beat, with the same effect on civilized youth. The young girls, many from Christian families, went into a frenzy as they literally fought to get on the platform with the gyrating musicians. Some tore off their blouses, and scratched themselves on their bare breasts until they drew blood. It was as savage and Satanic as anything I saw in Africa.

In the intervening years since 1962, the rock scene has got much worse, as degenerates like Madonna and "the Prince" have become popular to the point where they are actually worshiped by "brain dead" youth. Yet today, many youth become extremely hostile if you point out how they are being used, and they are often backed in their stand by their parents and church leaders.

A careful study of "hard rock" will prove to an impartial observer, that not only is the beat harmful to the mind, but the lyrics promote promiscuousness, use of drugs, chaos and rebellion against everything decent. This, of course, is their purpose!

To a casual observer from another planet, it would be easy to understand the evil behind the modern Jewish controlled music system. All one needs to do is look at the names of those who own the music companies that produce rock, and those who promote it. Look at the names of the rock bands, such as GRATEFUL DEAD, then look at the savage, sleazy appearance of the artists, at the dinky Afro's, their antics such as biting the head off a live chicken, and many other utterly revolting things which civilized people should detest. Look at their antics which we know suggest the sex act in it's rawest, that they perform on stage in front of everyone. All this filthiness has a purpose. The degradation and ultimate destruction of White Christian civilization is their ultimate aim! And I use this term, not because I am a "racist" but because I am speaking about the Christian majority.

I recently finished reading David A. Noebel's book THE MARXIST MINSTRELS for the third time. It is one of the best books exposing how the enemy uses music to subvert our youth, although somewhat dated at this point. In this book he quotes from many sources, how beginning in the 1960's music companies such as YOUNG RECORDS; RECORDS, INC., were set up by the communists for the expressed purpose of subverting our youth.

It is extremely interesting to note the large number of Jewish names found among the musical companies publishing this rot. But when we realize that the objectives of Talmudic Zionism, run parallel and in agreement with those of communism, we can understand why this is.

Most of our gullible youth become so disoriented and actually hypnotized by this music, that they have no idea of what the enemy is doing to them and readily play into their hands.

I saw a good example of this after the Korean War, as I worked with returning POW's. I sat on the court martial of an Army Staff Sergeant, who had been accused of murdering four fellow soldiers. This man, with an outstanding combat record, had been captured near the Manchurian border, in the initial Chinese offensive of November 1950. He was placed in a mud hut in a prison camp near the Yalu River with 39 other POW's. In that terribly cold winter, where the temperature often plunged to 400, they huddled together trying to keep from freezing. Since they were not allowed to go outside for sanitary purposes, and four of the men were sick with dysentery, the hut became mighty smelly. One night, in disgust, this sergeant threw the four sick men outside, where they froze to death. I was not terribly shocked by this, since there are always men who will do anything to gratify their own senses. The thing that shocked me, was the attitude of the other 35 men in that hut. Eight of them appeared as government witnesses for the prosecution. When they were asked: "What did you do when the sergeant threw those sick men outside?" Everyone answered: "We didn't do nothing" When asked "Why?" their response was: "It wasn't none of our damned business!" Where do you suppose they had developed this lack of concern? Very possibly from their school or maybe even their church, which was teaching humanitarianism instead of Christianity. This "mind altering" had taken place before they began their "brain-washing" in the military.
The idea of the "mental child molesters" in psychology and music, is not to make minds well, but to make them sick.

Turning again to the textbook on PSYCHOPOLITICS, page 41, we read: "Defamation is the foremost weapon of the Psychopolitical operator . . . By attacking the morals and character of man himself and by bringing through contamination of youth, a general degraded feeling, command of the populace is facilitated to a marked degree.

On page 43: "As it seems in foreign nations (America) that the (Christian) church is the most ennobling influence, each and every branch and activity of every church must be discredited. Religion (Christianity) must become unfashionable by demonstrating through psychopolitical indoctrination, that the soul of man is nonexistent, and that man is an animal. An immediate attack upon the sanity of the attacker, before any hearing can take place, is our best defense". This is why the Christian Patriot is always painted by the controlled media, as being "paranoid, anti-Semitic, racist, and Fascist". The best defense of the enemy is through "defamation of character".

Recently, a very good friend of mine, who has been on Death's Row, at the State prison in Tucker, Arkansas, was evaluated by a government psychiatrist. The psychiatrist said he was unbalanced because "he believed there was a Zionist plot to destroy White Christian civilization", even though the Zionists openly admit this is their plan. Yet most members of the Judeo-Christian churches in America, have become so thoroughly brainwashed by Jewish mind control in their churches, that their minds are literally encased in "denominational cement", and only the "dynamite of God", can blow them loose, to where they are even willing to listen to the truth. I know, from sad personal experience for I went through this deadening process over fifty years, before I learned the truth.

Christian clergy who use the term "anti-Semitic" rarely know what the term signifies, and are often found among those who allow "religious rock" in their churches. They should know better, for even basic knowledge of English, shows that they have become "intellectual prostitutes" of Zionism. They have ingrafted into this Christian generation, with few exceptions, the idea that everything in life is secondary to what they do right now. This has given us such slogans as: "You only go around once in life, so live with gusto!" "If it makes you feel good, baby, do it!"

The enemy has been successful in turning many ministers of the gospel into "male prostitutes", for Zionism. (A "male prostitute" is one who sells his body from the shoulders up, as a female prostitute does hers from the waist down"). These so-called "servants of God", like the female of the species, are willing to sell out to anyone who has the asking price. Should any whisper, pamphlet, or book against the enemy efforts be published by a Christian Patriot, you can count on these "religious prostitutes" to immediately brand them as "insane and a danger to decent society".

Jewish leaders openly admit their desire to wipe out our White Christian civilization which is the only barrier that stands between them and their New World Order. The Jewish author Samuel Roth, stated: "We (Jews) come to the nations pretending to escape persecution, while we are the most deadly persecutors in all the wretched annals of men".

The AMERICAN HEBREW readily admitted in its Sept. 10, 1920 issue, that the Bolshevik Revolution was the result of Jewish planning and stated: "What happened In Russia, will through Jewish mental and physical forces, become a reality over all the world". They were willing to slaughter over 140-million human beings to bring this about, including tens of millions of your Christian brethren. Now they are using your tax money to build a Museum to their so-called Holocaust during WWII, which is more and more proven to be one of the biggest hoaxes they have ever pulled on gullible Christians. While the much larger Christian Holocaust of World War II and Communism, Is seldom mentioned, these mental deviates laugh as they "pull the wool" over the eyes of brainwashed Christians, who still insist on elevating them to the position of God's Chosen. This, even though they know their own Savior said of them: "Ye believe not, because ye are NOT MY SHEEP", (John 10:26). What will it take to get our sleeping people to wake up? Must we see our sons and daughters slaughtered in the streets, our women violated, and our churches and Bibles
burned, before we wake up to reality?

So in the light of these truths, there is little wonder that the attack against our Christian youth, is coming from those who have publicly declared their hatred for our King.

When analyzing the ideas which drive modern music makers, you will find them engaged "hand in glove" with the psychologists and psychiatrists of the land, who are almost always Jews. They are engaged in the One World idea of breeding a "race of mentally ill Americans (U.S. and Canada alike), beginning with our children, starting when they are In kindergarten.

As you study their methods, you can understand why the Communist Khruschev was able to honestly say: "We will bury you!"

Remember, Talmudic communism is not dead, no matter what the controlled media tells you to the contrary. It has merely changed it's name. It is still controlled by the same "hard-nosed, Jewish Communists", who have been in power since 1918. If you refuse to believe this, I challenge you to take an honest, unbiased look at what Is happening in Asia today.

Going again to PSYCHOPOLITICS, page 44, we read: "By perverting the institutions of a nation and bringing about general degradation, by interfering with the economy of a nation (they did this successfully in 1913 with the Federal Reserve System), to the degree that privation and depression can come about (we have only experienced this to a mild degree before, now we are about to see real suffering among our people), only minor shock will be necessary to produce in the population as a whole, an obedient reaction, or hysteria".

Can you imagine what would happen if a "back pack nuclear bomb" carried by the Russian Spetsnaz troops we know are in the U.S. by the hundreds, were to go off in a large city? Look what happened when that bomb went off in the New York Board of Trade. If a nuclear device were exploded, our government, pressured by so-called Christian ministers, would be forced to surrender, before the first enemy soldier landed on American soil.

It is indeed strange and terribly sad, to see so-called Christian organizations such as the National Council of Churches, use and recommend children's records put out by the enemy. It is all part of the overall plot. Even the conservative Southern Baptist Convention was guilty of aiding in this debacle, when they sold records put out by Communist record makers, in their book store at 1010 Broadway, Nashville, Tennessee in 1965.

The same can be said of the United Methodists, the Presbyterians and many others. It is also interesting to note how family magazines such as Good Housekeeping, Parents, and Los Angeles Times, and others, have backed the subversive music companies. But it is understandable, when you realize that all these media outlets are Jewish owned, and/or controlled.

The Jewish ANTI-DEFAMATION LEAGUE OF THE B'NAI B'RITH, and the Jewish controlled AMERICAN CIVIL LIBERTIES UNION, have stood up for the rights of these "mental child subverters" to exercise control over the minds of our children through subversive methods.

One of the biggest problems in recent years in Christian families, is that parents have become so "brainwashed" that they have become responsible TO their children, rather than FOR them. There is a great deal of difference. As a result we see Christian parents, who buy sound systems for their teenagers, which often cost hundreds of dollars, then shell out other funds, so they can purchase records which are made to destroy them. Jesus told us how He felt about these "child molesters" in Matt. 18:6, when He very plainly stated: "But whoso shall offend (Greek - "cause to stumble, or entice to sin"), one of these little one's which believe in Me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea". God will show very little mercy in the Judgment, for those who have deliberately tried to destroy our youth. Teachers and preachers alike, beware!

If someone tried to molest your child, you would be right to be indignant and take any measures
necessary to stop it, even if it meant physically harming the molester. But many Christians have forgotten what the Apostle Paul said in 1 Timothy 5:8- "But if any provide not for his own (people; blood kin) and specially for those of his own house, he hath denied the faith, and is worse than an infidel". Brother and sister Christian, this means protecting them, as much as giving them food and clothing. The so-called Christian who pontificates about how he would never use force for any reason, is a traitor not only to his family, but to his God.

By now, some who are reading this tract may believe I am engaged in an anti-Jewish diatribe. Not at all! I am merely telling the truth; observable facts, If you are honest enough to look at them. I am not exposing them because they are Jews, but because of the evil they are doing. Paul told us what to expect of them In Titus 1:10, when he said: "But there are many unruly and vain talkers, SPECIALLY THEY OF THE CIRCUMCISION: whose mouths MUST be stopped, who subvert whole houses, teaching things they ought not for filthy lucre's (money) sake." Then in 1 Thessalonians 2:15, he says of them (the Jews): "... they please not God, and are contrary to all men". Those are not my words, they come from the Book. So all I am doing is giving you the facts, about those people who openly declare their intentions to destroy White Christianity.

Everyday on the television, on the printed page, in Sunday School literature, in the classroom, we see our precious boys and girls as they are under attack by this vicious conspiracy. Yet very few Christians, have the "intestinal fortitude" to openly oppose it. Men like Jerry Falwell give lip service to Pro-Life groups. So does Pat Robertson and Dr. Billy Graham. But you will find none of them who have the courage to tell their listeners who is behind this conspiracy. Why? Could it be the millions of dollars they take in through their TV programs, which would be "down the tube", if they told the truth? Pat Robertson decries the movement to destroy Christianity, on one hand, while subsidizing these same enemy on the other, by declaring them to be God's Chosen. We could name many others such as Jack Van Impe, Oral Roberts, David Webber, etc.

I am sick and tired to the point of nausea, with these Christians who will not use physical force to defend their loved one's and their God. They search the scriptures, trying to find verses which will back their so-called nonviolence, while like Martin Luther King, Jr., adding to the violence they say they abhor, by allowing wicked men to control our people.

During the Vietnam War, Jerry Rubin, one of the Jewish "mind molesters", who invaded our college campuses stated: "We will combine youth, music, sex and drugs with rebellion and treason - that's a combination hard to beat!" (From his book DO IT, pg. 249).

At this time I was working the college lecture circuit and came into many violent confrontations with those who were attempting to destroy our education system. In 25 incidents with the so-called "hippie" element; one violent one at the University of Kansas in April 1972, where I was beaten by the dissidents; I found every radical group led by young Jews from wealthy families. The college coeds who deliberately exposed their "private parts" to harass the National Guard at Kent State, were for the most part Jewesses. This is typical of the Talmudic breed, which revels in sexual filth, so we should not be surprised when we find them heading the movement to destroy Christianity.

The "jungle rock beat" popularity known as "rock 'n roll" has infested the world of modern youth music, as it has been deliberately encouraged by the Jewish controlled and owned music companies and magazines.

It is not unusual on television to see some "cornrolled, hairdoed Rastafarian (member of a Jamaican born Black religious sect, which wants to be repatriated to Africa) dude" as he dances to the "jungle beat" with a lovely blonde, blue-eyed, fair-skinned white Israelite female who should know better.

As far back as 1854, Henry David Thoreau, a U.S. naturalist and writer, predicted that music would eventually destroy both England and the United States, and today, in both these countries, as well as through all the nations of Christendom, this prophesy is being fulfilled, often with church approval.
Much later, Nicolai Lenin, premier leader of the Russian Revolution, realized that decent society could be destroyed by degrading its music. It is interesting and rather frightening to see how Jewish authors are tied in with this degradation. The communist Jew, Sidney Finklestein, openly set forth a "blueprint" to destroy the barriers between classical and popular music. The final goal, as he openly stated, was to so inundate Americans. with the jungle rhythm of Africa, they would turn away from good music and civilized conduct.

To see just how successful they have been, one needs only to turn on the TV set, where the musical background today for the most part, even in the commercials is 90% "jungle beat". Here we can see thousands of American youth, as they twist and gyrate, white and black savages together, in a sexual filth that beggars description. The few good programs where you can hear decent music, such as the Lawrence Welk Show, are looked on with contempt by the younger set as being "old foogyism".

While some liberals thought of "rock 'n roll" as being "deep south Negro music," it was not! This type of music can be seen in the often deeply moving Negro spirituals. While "rock 'n roll" goes to the very heart of dark Africa, with its occultism, Satanism and animistic religion. This is the same thing that can be found in the voodoo religions of Jamaica and Haiti.

Today, most of the well-known music houses are flooding America with this savage rhythm, which has proven to be mentally unsettling to our youth, and a medium for revolution, rebellion, sexual promiscuity and the drug culture. They all go hand in hand!

Time after time at rock concerts, which draw countless thousands of our youth, who spend billions of dollars to see their "rock idols" perform, riots have broken out, as these same youth, "bombed out of their minds by drugs, and/or alcohol" and urged on by the savage beat of the music, allow their passions to take control in a murderous frenzy which has laid dormant in the human soul for thousands of years. In fact the passion they expose, is not white passion, but the hidden Satanism of darkest Africa.

Decent girls from Christian families, under the influence of the hysterics caused by this music, have been known to disrobe in front of screaming crowds, and even their soloists have been called "screamers", which is an apt description of the sounds they produce.

Strangely enough, this hysterical behavior has been tested in psychologically controlled laboratories, where psychologists have experimented with methods to induce atypical neuroses.

On page 18, of the communist textbook, PSYCHOPOLITICS, we read: "The Capitalist (put Christian) does not know the definition of war. He thinks of war as an attack with force performed by soldiers and machines. He does not know that a more effective, if somewhat longer war can be fought with bread (food), or in our case with drugs... The Christian has never won a war of truth, so the psychopolitician will have little trouble winning this one". You see, they look on Christians with contempt, as "empty headed fools".

This is a sad commentary on modern Christianity, which should be in the forefront of the battle against spiritual darkness.

The use of Christian Rock is one of the methods being used by the adversary, "Surely," brainwashed Christian leaders are wont to say, "anything that glorifies the Lord can't be all that bad. Besides, we need to attract young people to church, so we can reach them with the gospel message".

This is a sad commentary on any church, if they must use Satanic methods to attract young people to the gospel truth. No wonder our youth are leaving the church by droves, as they face the anemic gospel of the Laodicean church.

Churches will find it difficult to attract intelligent youth, if all they have to offer are worldly entertainment. Nowhere in the scriptures are Christians urged to use worldly methods to win men and women to Christ. We are told in places such as 1 Thessalonians 5:22 to "Avoid the very appearance of evil". Often when a church allows religious rock in their services, it will be followed by church dances, many times with integrated youth in attendance. "After all," the church leaders
say, "we are all alike in God's eyes".

A church which will permit Satanic music, no matter how fine the lyrics may be, will also permit un-scriptural inter-racial relationships, which will lead to the sin of inter-racial marriage, which is condemned by God, Billy Graham to the contrary.

While it is not my purpose to discuss this subject here, inter-racial marriages have always been a sin in the eyes of God, no matter whether both parties are Christian or not, and always lead to problems for the offspring. Throughout history, they have always led to national disaster. This is another evil that has destroyed many great civilizations, which always begin to decline when miscegenation takes place. Don't argue with me about this, read your history books.

The Russian physiologist Ivan P. Pavlov, did much experimentation in the study of "conditioned reflexes". From his writings we are led to believe that he thought these studies would be a blessing to mankind. But coming from an atheist background, this proved impossible, and when Lenin, the Russian dictator read his findings he stated: "You have saved the revolution!"

I saw many of Pavlov's ideas as they were used against our American Prisoners of War in North Korea (1950-53). Pavlov, in his experimentation learned how to cause neuroses in both animals and humans, and these experiments were furthered by using our men as "Human guinea pigs". The Chinese, who were far more apt to use these techniques (the North Koreans were noted for their physical brutality), found that they could draw desired information from our captured soldiers, much easier through psychological means than by force. I know my own experience was that when force was used against me I would grit my teeth and say to myself: "Nothing you little b...s can do will get me to cooperate with you". So in most cases, the Chinese used psychological means. In fact there was not a documented case where an American was tortured by the Chinese.

It has been noticed by many who have attended rock concerts out of curiosity, that the music and antics of the musicians, produces frantic, hostile, uncontrollable, screaming unrecognizable human beings. This is its purpose!

Referring again to PSYCHOPOLITICS, page 42, we read: "The first thing to be degraded in any nation is the state of man, himself.

Nations with a HIGH ETHICAL (moral) tone are difficult to conquer. Their loyalties are hard to shake, and their allegiance to their leaders will often be fanatical, and what they usually call their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of psychopolitics to reduce that state of mind to a point where it can be ordered and thus enslaved. Thus, the first target must be man, himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must no longer think of himself, or his fellows as capable of spiritual endurance or nobility".

This no doubt is why the unproven theory of evolution is taught in our public schools while the Biblical story of Creation is not allowed. Our boys and girls are being taught that they are animals, with animal instinct. Superior animals to be sure, but animals nevertheless and that being animals they have no soul. (This was what separated the FORMED Adam of Genesis 2, from the CREATED man of Genesis 1. The Bible says that God 'Breathed Into his [Adam's] nostrils the breath of life, and man [Adam] became a living soul'). This is why he has the spiritual integrity, the adversary needs to destroy, before he can enslave and control.

Add drugs, the stimulus of rock music, alternate life styles such as Sodomy, the sexual revolution that emphasizes "safe sex" as It hands out condoms to our school children, and you can see Christian America as its most valued possession, it's youth, is prepared for the New World Order by Talmudic Zionism.

The psychopoliticians who can be found by droves In our schools and who make up a large percentage of the psychiatrists and psychologists (a disproportionate number who are Jewish), know that our educational programs must seek out levels of youth who will become our future leaders,
and educate them in the animalistic nature of man so that they can be controlled through sex, drugs and music.

These agents of the New World Order believe Christian religion, which is "pure and undefiled" is their greatest enemy and must be destroyed. On page 43, we read: "Religion (Christianity) must be made unfashionable by demonstrating through psychopolitical indoctrination, that the soul of man is non-existent, and that man is an animal".

When young people begin to look on themselves as animals - even superior ones - the animalistic reaction seen in rock concerts can be understood, as these youth are doing what they believe "comes naturally". This produces artificial neuroses in them I

"Artificial neuroses", can be produced by continuously increasing the tension of the "excitatory process". Rock music, not only by its beat, but through the loudness of its music, produces the cumulative, tension producing stimulus in which youth become divorced from reality and are driven into a tremendous, Satanic frenzy which often borders on hysteria. Then by injecting free sex, drugs, and/or alcohol, you have developed a process few young people are strong enough to resist.

Christian youth who attend these concerts, or listen to this music, already have a "built in inhibitory reflex". This has been engrained by their parents, their church, and their schools. It takes into consideration such things as decent behavior which will prohibit the coed from undressing in public. It will keep a young man from tearing up the auditorium and creating havoc by battling with the police.

However, a clever rock and roll group, can take decent youth, and have them doing indecent things within~0 minutes of a concert. The perverted music of the African jungle beat, dulls the capacity of the mind and creates a hypnotic monotony which blurs the external world and makes it unreal. In many ways it parallels the drug experience.

The every day decent concerns of life are submerged in a rising tide of exaltation, where all things merge with the beat of the music. The lyrics smash any idea of "true love" and supercede it with "mad, savage, passionate sex" and the desires created by peaceful music are replaced with the desire to smash and destroy. No wonder so many innocent girls lose their virginity at these concerts, when their inner defense mechanisms have been thrown completely out of kilter and they find themselves in a hypnotic state where they can easily be led by the worst in them. The rock musicians and the music writers, glory in their ability to destroy vulnerable youth. In their own foolish eyes, it gives them a "god like" quality they revere. The Apostle Paul says of them in Romans 1:22 - "Professing themselves to be wise, they became fools".

In my estimation, there are few battle plans being used by the enemies' of Christianity, which are more effective than this attack against our youth. Remember the enemy adage: "Destroy one generation of your youth, and we can destroy you!"

A few years ago a First Grade Teacher's handbook was Introduced into the Texas school system by a radical Jewish child psychologist named Paul Brandwein. In the first paragraph he said something like this: "Your most important task as a teacher, is to realize that all children come to school with sick minds. It is your job to tear down the erroneous ideas that the child has learned in its home and church. When you have done this, you begin to build the foundation for the international children of the future". Let's put it another way and say: "The international slaves of the New World Order".

Fortunately two fighters for decency, from Texas, a husband and wife team, Mel and Norma Gabler, created enough of a backlash, this book was kept out of the Texas education system.

American educators have openly admitted their major concern was "people control", rather than education. Rock music is a potent weapon in the control of our youth, and if you will make an honest research, you will have to admit that this is part of the Zionist New World Order Conspiracy to enslave all mankind. in spirit and in truth?
In the Protocols of the Learned Elders of Zion, written near the beginning of the Twentieth Century and proclaimed by the Jewish world, and their Christian stooges as being "counterfeit", (note that in order to have a counterfeit, you must first have an original, and the counterfeit is made as close to the original as possible in order to fool people. If these "Protocols" are counterfeit, the Zionist Movement has been following them like a "blueprint" for over eighty years), in Protocol XIII, we read: "In order to distant people who may be troublesome from discussion of the political... in order that the masses may not guess what we are about. We will further distant them with amusements, games, pastimes, passions, people's palaces (whorehouses) ... so we will begin through the press to propose competition In all arts, in sports of all kinds ... these Interests will distant their minds from questions in which we would find ourselves compelled to oppose them".

Think about this statement for a moment - forgery or not! Since World War II America has been obsessed by sports, and with the push to bring the minorities into the picture, all team sports today are made up of at least 75% non-white players.

When we see two men in a boxing ring, being paid $25-million to beat each other into a bloody pulp, and where most of the spectators are White, we see that we are not very far beyond the blood thirsty days of the Roman arena, when Christians were fed to the lions. In 1902, Israel Cohen a Jewish communist, wrote in a book concerning communist plans for America: "We (Jewish communists) will elevate the Negro to positions in the entertainment world and sports, to where they are making so much money, they can easily inter-marry with Whites. Once this has happened, we can direct the destruction of our greatest enemies, White Christians.

When a city like New Orleans, which is on the verge of bankruptcy, will spend a $100-million on a heathen celebration like Mardi Gras (even though it is blessed by the Roman Catholic church), which allows the so-called Christians to "let their hair down and live like the devil in public", before the days of fasting preceding Lent, and the fundamental Christian world goes along with it with scarcely a whimper of protest, you know something is sadly wrong with Christian America.

When you see Christian parents subsidize their "Little darlings" by buying them sound equipment and allowing them to listen to the Satanic music of rock and roll, you know something is distinctly wrong with Christian America.

While it is almost impossible to get 100 young people to attend a seminar where they can learn the truth about the problems they are facing, music promoters have no trouble getting 50,000 screaming lunatics to pay $25.00 apiece to listen to the "devil's advocates". "Folks, wake up! YOU KNOW SOMETHING IS WRONG!"

Who is behind the corruption in sports and music?

Henry Ford, Sr. analyzed this problem as early as 1922, and it is more to the point today than at that time. He said: "To begin with, Jews are not sportsmen. This is not set down as a complaint against them, merely as an analysis... Yet the bane of American sports is the presence of a certain type of Jew, not as a participant, but as an exploiter and corrupter. The entire story of professional wrestling, for instance, is not only in the demoralization of the sport, but in the wholesale defrauding of the public". (If you don't believe this, watch professional wrestling on TV some night and see the absolute hoax of the sport). "The same is true of horse racing. The whole atmosphere of this sport is dishonest. The horses are the only well-bred creatures connected with it.

"The Jews saw in sports, money, while the sportsman saw fun and skill. The Jew set out to capitalize and commercialize contestant zeal. If the Jews of America are ashamed of this, they should repudiate those Jews who have been instrumental in destroying our cleanest and most manly sports." The same can be said of the world of modern music, which is almost 100% under Jewish control.

Remember, I'm not responsible for Jewish subversion. They are not, no matter how our pastors try and whitewash them by calling them God's Chosen. Jesus repudiated this in Matthew 23:15, when
He told the Jewish leaders: "...ye compass (go over) sea and land to make one proselyte (convert), and when he is made, you make him two-fold more a child of hell than yourselves". You Christian pastors who subsidize these antiChrist, beware!

Adlous Huxley "hit the nail on the head" when he said: Never before have so few been in a position to make fools, maniacs, or criminals of so many".

The primitive rhythms of a Stone Age tribe in Central Africa and a rock band in New York City, can produce a trance like emotion which leads to spiritual and physical disaster.

Why are teenagers in particular attracted to rock music? The music is loud, you can't get away from that fact, it has been proven to cause hearing defects. It is primitive and insensitive, appealing to the newly acquired sexual urges of youth. Mix this with contagious hysteria, mass hypnosis, and throw in some drugs and/or alcohol and you gain the blissful feeling that you are lord of the universe, and that nothing can touch you. us is why kids scream, faint, gyrate and look in general the heathen savages who are performing musical x on the stage. It has the impact of unholy bedlam, an orgy for teenagers. It was planned to turn them into controllable savages.

When the communists were in full control of the U.S.S.R (they still are, but under a different name), rock music was forbidden, for the authorities knew that this could backfire. When the authorities said "NO!" to rock music, juvenile delinquency fell by 34.8% in three years. Along with this, incidents of VD among Russian youth dropped dramatically. The communists took great sat-action in pointing to the rock culture in the West, and calling it by it's proper name, "degeneracy".

Then came so-called Democracy and modern rock music was allowed in the country, with the result that juvenile delinquency and the resulting venereal diseases have skyrocketed too, just as they did in the nations of Christendom.

In a letter to the office of Economic Opportunity, a few years ago, a Mr. Stahlcup protested the use of federal anti-poverty funds for the development of rock groups among the minorities. He gave the following reasons, which it would be well for Christian parents and pastors to ponder:

(1) Why do we have teenage and college student riots at summer resorts, which originate in the resort "rock 'n roll" dance halls?

(2) Why has the illegitimate birth rate soared by more than 250% since rock and roll and primitive sex-stimulating dancing has been allowed?

(3) Why has the VD rate soared among teenagers, in spite of the wonder drugs now available?

(4) Why has suicide among teenagers and college youth soared since rock and roll came on the scene?

(5) Why have some concerned high schools banned rock music, in spite of cries of "foul" by such groups as the A.C.L.U.?

(6) Why have some popular hotels in big cities banned all rock and roll groups, regardless of their reputation from staying in their hotels?

(7) Why have top law enforcement officials asked city officials to ban rock concerts in their area?

(8) Why have many responsible civic groups abolished all sponsorship of
Can you find a single qualified psychologist who will say this music is not harmful?

Our young people are desperately searching for something, and they are for the most part not finding it in the churches of the land, so they look elsewhere and find rock because it is a cheap way to fulfill their emotional needs - even if these are "low emotion."

Famous musicians such as Dimnitri Timkin, have said: "The big beat is deliberately aimed at exciting the listener. There is actually very little melody to it, or little sense in the lyrics, only rhythm".

Are we reverting to savagery, both in music and dress in America? Look at the youth who appear on TV and see what they prefer. See the so-called stars who they try and emulate. You will find most of these musicians, even in the field of religious rock, to be long-haired, filthy looking, savage acting "creeps", who decent people, even young people would shun under normal circumstances.

I have often wondered what kind of attraction a filthy dressed, unbathed looking, feminine appearing, weird looking young man with greasy hair to his waist, could have on a lovely young woman, who under normal circumstances would not be seen dead with him.

The communists soon learned that it was impossible to obtain decent people's cooperation in creating the "new man slave" they anticipated for their New World Order. So they set out to force compliance with their degeneracy.

Going back again to **PSYCHOPOLITICS**, Chapter IV, we are told: "Obedience is the result of force! Concurrent with force is brutality. The most barbaric, unrestrained, brutal use of force, if carried far enough, will bring about concurrence with any order.

"Any organization which has the spirit and courage to display inhumanity, savageness, brutality and an uncompromising lack of humanity will be obeyed.

"If you would have obedience, you must have no compromise with humanity. If you would have obedience, it must be clearly understood that you will have no mercy. Man is an animal. He understands only the things a brute understands".

While to most decent people, especially Christians, this seems horrifying, to the New World Order concept it has become Standard Operating Procedure. This is why decent Christians have been "brainwashed" or "mentally beaten into submission" to where they will accept the murder of 2 million unborn babies a year, under the idiotic slogan "The woman has the right to decide what she will do with her own body".

This is why Christians turn a deaf ear to injustices by our government, such as the Ruby Creek Massacre in Idaho in 1992, where government agents, trespassing illegally on a man's property, murdered his 14 year old son, and his wife, as she held a ten months old baby in her arms. Where were the cries of anger from the church crowd? They were sadly lacking, because this man and his family were not "politically or religiously correct". Therefore in the eyes of decent (?) folks, they had no rights!

Then in Waco, Texas, these same government "goons", who remind us so much of the communist KGB, went into the compound of the Davidians, guns blazing, throwing grenades, to serve a warrant for illegal possession of firearms. They could have served this warrant successfully and peacefully on many occasions. But were they really interested in illegal firearms? If they were, ask yourself why there have been no big government operations against the Black, Hispanic, and Asiatic gangs who infest our big cities, killing hundreds of people and holding millions in fear? There has been no such operation, which points up to the utter hypocrisy of government agents at Waco.
So what steps are necessary for big government to bring its people into compliance with the slavery of the New World Order? It is quite simple! Brow beat the populace, terrorize them with a show of police force. For who knows who will be the next victim? Will it be those who know and believe in their Second Amendment right to "keep and bear arms?" Very possibly, for the New World Order cannot succeed, as long as Patriotic Americans remain armed. Will it be Christian Patriots who refuse to bow the knee to the Baa! of the New World Order? Will it be members of Christian Identity churches, who refuse to accept the falsehood of Judeo-Christianity? Will it be Klansmen? or Neo-Nazis? or you?

In the media hype, we hear a great deal about "anti-Semitic" violence and "anti-Semitic" acts. But the Jew controlled media never points out the fact that FBI statistics show Jewish terrorist organizations such as the Jewish Defense League, commit outrageous acts of terrorism at a ratio of nine to one to those committed by the anti-Semites.

So in order for the New World Order to control our youth, they must demand unquestioned obedience from them. How is this accomplished? In dealing with youth, an outward show of force and brutality would be counterproductive. So they must gain control of youthful minds through some other technique. This is where sex, drugs, and music is used so successfully.

Jerry Rubin, the Jewish communist radical of the Vietnam War days said that: "Hard rock energy surged through us in driving rhythm, arousing repressed passions".

This could be seen in the radicals of those days who would go through any tasteless, vulgar, savage action, to gain control over the minds of their fellows.

It is a known fact, proved by 60 centuries of written history, that great Civilizations and animal behavior cannot go hand in hand.

A careful study of the lyrics of hard rock makes it immediately recognizable, that the purpose is not to uplift youth, but to degrade them. The lower they sink, the better. Then throw in sexual perverts like Madonna and the Prince and you have trouble!

Do you honestly believe that rock songs with titles such as **LET'S SPEND THE NIGHT TOGETHER; SOCK IT TO ME BABY**, and many others which are worse, are for the purpose of making better people out of our youth. Don't be completely naive!

Perhaps one of our biggest problems is covered in a statement made by T. S. Eliot, when he observed: "The world is trying the experiment of attempting to found a civilized world without a Christian mentality". Folks, it can't be done! Any attempt to operate without taking God into Consideration, is bound to fail, and "great will be the fall thereof!"

When rock leaders state: "Since kids are going to blow their minds anyway. Let them groove and do their thing! Let them ball on the grass in the open. I dig watching people f...k". This is the same kind of mentality that destroyed the world at the time of Noah, and the cities of Sodom and Gomorrah.

Then add to this warped mentality, the philosophy of musicians who state: "Our music turns the chicks on, first they listen, then they smoke pot, then they jump into bed". Then we wonder why this type of thinking, plus the abnormality found in the sin of Sodomy, has brought a curse like AID's to plague us. Folks "we ain't seen nothin' yet". (Study Deut. 28).

Anyone with an ounce of Common sense knows that mind altering drugs are dangerous, even when they are administered under a doctor's care. Visualize then, if you can, the danger of shooting heroin directly into the blood stream, usually using an unsterilized needle. But sanitation is but a small part of the problem. These drugs work on a person's mental balance, often producing hallucinations and psychotic effects. Repeated use brings dependence on the drug, and withdrawal, when possible, is extremely long, painful, and rarely successful.

Drugs, taken to escape from reality and mixed with rock music, which is used for the same purpose,
is extremely dangerous. There is no such thing as a harmless drug, for relatively mild drugs such as marijuana, almost without fail, lead to hard drugs such as heroin, cocaine and their derivatives. These effect the nervous system so that a driver can barrel down the highway at 80 mph, when he believes he is going a sedate 40; run through a red light which he believes is green, and crash headlong into a loaded car, killing innocent lives.

In most accidents of this type, it has been found that the car radio was tuned to its highest volume on a rock station, adding to the confusion of the driver.

There is no nation which can long survive, when it's most precious asset, it's boys and girls, are wallowing in a sea of sinful degradation, caused when their morals have been destroyed by drugs and music.

Maybe this was what the communists had in mind when they stated over fifty years ago "We will never have to fight you, for you will become so rotten within, that you will fall into our laps like overripe fruit".

As a Christian, you need to study the history of our Israel people (not Jews) in the Old Testament. You will find that the heathen nations, along with Israel and Judah (they are not the same), went into captivity and destruction because of their utter disregard for God's Law. This always resulted in abnormal, animalistic morals. The Canannites, who both Judah and Israel loved to copy, wallowed in phallic (sexual) worship and their worship services ended in complete sexual debauchery. In Isaiah 57:4-5, we read: ". . . are ye (Israel) not children of transgression (racial mixing), a seed of falsehood, inflaming yourselves with idols under every green tree, slaying the children in the valley. . .?" Then in Jeremiah 3:6- Hast thou seen that which backsliding Israel hath done? she is gone up upon every high mountain and there hath played the harlot". Today America, and all the lands of White Christianity, called Christendom, are exhibiting the worst characteristics of a common whore.

In every great civilization which has existed since written history began, about 60 centuries ago, they have destroyed themselves by doing four things:

1. Refusing to obey God's Law;
2. Rank immorality;
3. Miscegenation (inter-racial marriage); and,
4. Sodomy.

These things have destroyed all of them!

Yet today, even in the so-called Christian world, we see the repetition of Judges 21:25 where "Every man did that which was right in his own eyes". Or in modern terminology, he was just "doing his own thing!"

In spite of what Bible critics say, sex in the Bible is never considered as being dirty, when practiced within scriptural guidelines. in fact, it is probably the most beautiful natural act which can be committed between man and woman, for it foreshadows the love Christ had for His church. (By this, I mean the "ecclesia", the "called out, born-again ones"). Ephesians 5:25 puts it this way: "Husbands love your wives, even as Christ loved the church and gave Himself for it".

The New Morality we see in 1993, as practiced by the "rock culture", is merely a throwback to the evil which has destroyed people for centuries. Young people, why allow yourselves to become "dupes" of evil men who seek to destroy your life now, by making you slaves to their evil desires, and by destroying you for eternity?

The constant drum beat of rock music, the repetition of words over and over again, as in one Beatle's number which lasts for a minute and 45 seconds, repeating over and over again the nauseous words: "Why don't we do it in the road? No one is watching. Why don't we do it in the
Modern rock has become a heathen, phallic religion to millions of American youth, including thousands who come from Christian families. It has reached the point where even some religious leaders say: "it's sensible to live together before marriage. (trial marriages they are sometimes called) If they want a kid, it's okay." And now, of course if one comes along that they don't want, they can legally murder it by abortion. I tell you young people, God will hold both the mother and father to account for these monstrous sins, regardless of what political or religious leaders say to the contrary.

To show you how modern rock stars feel about Christianity, let me quote from one of the most famous of the Beatles. John McCarthy, in an interview with PLAYBOY MAGAZINE, Feb.1965, said: "We probably seem to be anti-religious because none of us believe in God. But we are not anti-Christ, only anti-Pope and anti-Christian". (He did not explain how you can be anti-Christian and not against Christ).

John Lennon, another of the Beatles portrayed Christ by describing Him as "a garlic eating, stinking, little yellow greaser, fascist bastard, Catholic Spaniard".

Referring to Jesus love life, about which we have no description in Scripture, he said: "Whistling a quaint Spanish refrain, Jesus was dreaming of His beloved wombs back home in their little fascist bastard huts".

Maybe it was his overriding hatred of Christianity and his monstrous ego, which prompted him to say: "Christianity will go! We are more popular now than Jesus! Christianity will vanish and shrink. I don't have to argue about that and I will be proved right! We are more popular now than Christ". But since when was "popular being right"? It never has been and never will be, and Jesus knew this when He said that He would be hated of men, and that you who follow Him would feel this hatred.

An Interview with John Lennon by the Washington Post, showed that he was influenced into becoming an atheist (he was a member of the Church of England, a liberal denomination) by the Jewish author, Hugh Schonfield, who wrote a novel in which he stated that Christ never died on the cross, and that His resurrection was a hoax.

It was impressions of Christ, given by such apostates as the Beatles, which caused Jesus to be pictured by the sub-culture hippies as a "dirty, long-haired, beatnik revolutionary" wanted by the Roman government for sedition. This was the Jewish lie that resulted in Christ's crucifixion.

That the lyrics of rock stir up violence against legal authority is certain. In fact, some songs put out recently by Black militant rock musicians, call for the murder of police. They have become so bad that even some "hard rock" stations have refused to play them, and they have been banned from music stores.

Yet these records sell by the hundreds of thousands, and the more violent they become, the more our conditioned youth seem to enjoy them.

This is not ordinary reaction for a normal American youth, but is something which must be ingrafted in their thinking through "thought control" methods.

Many times this comes through something called "subliminal thought control", such as can be seen on TV, where the victim does not even realize they are being manipulated.

Again referring to PSYCHOPOLITICS, we read on page 32- "The psychopolitical operator has no interest in therapeutic means or cures. (In other words, he is not interested in curing people). The greater number of insane (disturbed minds) in the country where he operates, the greater number of the populace will come under his control, and the greater will become his influence. Because the problem is apparently mounting into uncontrollable heights, he can more and more operate in an atmosphere of emergency, which will again excuse use of such treatments as electric shock, prefrontal lobotomy, trans-orbital leucotomy, and other operations long practiced in Russia on
political prisoners'.

Do not be so naive as to believe that this happens only in Russia, as it is being used in the U.S. today. In such places as the U.S. Mental Hospital in Springfield, Missouri, where terrifying experimentation is now being performed on live Americans. This experimentation often turns them into "human vegetables". (All in the name of science, of course!

It is a well-known fact that most of the important government leaders have their own personal psychologist, (most of whom are Jews). These are often psychopolitical operatives, who help keep government leaders under the control of those they serve, the masters of the New World Order, be they called CFR, Trilateralists, International Bankers, or Bilderbergers.

The psychopolitical operator is in full agreement with the rock musical manipulator, when he states: "Sex, In all animals (remember they think of you as an animal), is a powerful motivator, and the occasioning of sexual liaison between females of a target (put White Christians here) family, and indicated males (put Black "studs" here) under the Control of the operative, must be demonstrated to be possible with complete security to the psychopolitical operator"

Occasionally when one is "caught in the act", he usually gets off with a mild "tap on the wrist", or a light sentence and is soon paroled and returned to continue his nefarious business. The media is always quick to drop the subject. This gives the operative an excellent weapon for the breaking down of familiar relations and consequences public disgrace for the psychopolitical target.

"Just as you can train a dog, so you can train a man. Sexual lust, masochism and other perversions can be induced through pain-neuroses and benefit our final ends".

Here is where the combination of drugs and music play a vital part.

The hopelessness of this music can be seen in the Beatles song A WORKING CLASS HERO. One verse says: "Keep you doped with religion and sex and TV; and you think you're so clever, and classless, and free. But you're still 'f... g peasants' as far as I see. A working class hero is something to be!"

Yet such is the perversity of the human heart, which the Bible tells us without God that the "imagination of man's heart is evil from his youth", (Genesis 8:21). So that as music comes ever closer to the "idiot level", the more it is played and the better it sells.

An interesting experiment was performed by a woman who discovered that hard rock music would actually shrivel and kill tender houseplants in less than a month. (Who ever heard of a plant that could hear?) Yet it is a proven fact, that loud, harsh noises, continually listened to will ruin one's sense of hearing. In my case, it came from standing too close to too many big guns during the combat days of WWII and Korea.

So an experiment with plants was set up in the Denver area, where five different plants in each group, were exposed to different music, in a controlled atmosphere. Five petunia plants in one group were exposed to the music of radio station KIMN, which played rock music, while the others were exposed to station KLIR which played classical music.

The petunias exposed to rock refused to bloom, while the others had beautiful blossoms. Those exposed to rock leaned away from the sound and soon began to wither and die, while those exposed to the classical music sounds did beautifully. Could this also be true of tender ears and human minds?

One of the Complaints the Apostle Paul had against behavior such as that shown by the rock culture, can be found in Rom. 1:18-32. Listen closely to his words, and try and apply them to what is happening to our youth:

"For the wrath of God (something we hear little of in most modern churches) is revealed from heaven against all ungodliness and unrighteousness of men who hold the truth in unrighteousness". (We are told in Gen. 8:21, that the "imagination of man's heart is evil from his youth"). Vs. 19-
"Because that which may be known of God is manifest (revealed) in them; for God hath shown it unto them." Vs. 20 - "For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse". Vs. 21 - "Because (for this reason), when they knew God, they glorified Him not as God; but became vain in their imaginations, and their foolish hearts were darkened" (NOTE CLOSELY VS. 22) - "Professing themselves to be wise, they became fools". Vs. 23 - "And changed the glory of God into an image (idols), like to corrupted man, and to birds, and four-footed beasts, and creeping things". Vs. 24 - "Wherefore (because of this) God gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves". Vs. 26 - "For this cause, God gave them (surrendered) them up unto vile affections (lusts); for even their women did change the natural use into that which is against nature (homosexuality is not an "alternate lifestyle" it is against the very laws of nature itself), and likewise also the men, leaving the natural use of the women, burned in their lust one towards another: men with men, working that which is unseemly (indecent) and receiving in themselves the recompense of their error (sin - AIDS?) which was meet (Oust)". Vs. 28 - "And even as they did not like to retain (keep) God in their knowledge, God gave them over to a reprobate (rejected) mind, to do those things which are not convenient (becoming)". Vs. 32 "Who knowing the judgment of God, that they which commit such things (homosexual acts) are worthy of death, not only do the same, but have pleasure in them that do them". How any Christian can look at this passage and say that homosexuality is not a sin, is beyond me!

But where you find the rock culture, there homosexuality will always abound, and where there is homosexuality, the evil of rock music will always be prevalent.

There is only one way this awful state can be corrected and that is through repentance of this sin, and the forgiveness of God which can only come through the shed blood of Jesus Christ.

There will be no homosexuals in God's Kingdom, you can be sure of that, and I sincerely doubt that any rockers will make it. There will be "ex-sodomites:" and "ex-rockers" but only as they accept Christ's mercy for forgiveness of their disobedience. The Apostle Paul speaks of this in 1 Cor. 6:9, where he says: "Know ye not that the unrighteous shall not inherit the Kingdom of God? Be not deceived! (fooled): neither fornicators, nor idolaters, nor adulterers, nor effeminate (men who wear women's clothes), nor abusers of themselves with mankind, nor thieves, nor covetous (those who put material things before God), nor revilers, nor extortioners, shall inherit the kingdom of God".

But "thank God", he goes onto say in Vs. 11 - "And such were some of you, but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God". (AMEN! For I was part of those named before I made Christ my King!)

Teenagers can be reached with the message of God's love, if it is presented to them In the proper manner, but they want LOVE, not LUV! It will never come about through the use of Satanic means such as "religious rock". Christians are admonished that they must not do evil, in order to produce good results!

Young people throughout Christendom in particular are looking for an answer to their spiritual and moral needs, and the church for the most part has fallen terribly short of answering these needs. When they say: "We are trying to find ourselves!" they really mean this. It is a cry for help which we MUST answer, or court disaster for this country. The refusal to answer this need will bring a penalty too terrible to contemplate!

We know from Scripture that Christ came to save His people (who were not Jews, by the way) from their sins. He said so Himself and very few young people need much convincing that they need a good spiritual cleansing. They yearn for it in spite of the hard crusty appearance they put on for public show. They are not as tough as they look and are often marshmallows at heart, waiting for someone with love and understanding to help them.

Most people, including youth, have an inordinate fear of death. This is because, even though they
may not know God's Law, they have an understanding in their hearts that "the wages of sin is
death". This is especially true to White youth from the Israel nations, for according to scripture,
under the New Covenant which Christ sealed at Calvary, God's Law is engrafted in their hearts and
though they may never have attended church, or read the Bible, they instinctively know this.

But when White teenagers learn the unadulterated truth, that Christ came especially to save them,
because they are His kinsmen, and that He became the "kinsman redeemer" for them, according to
God's Law, then for the first time they realize that they are "set aside for a special purpose". (See 1
Peter 2:9). When they realize this, there is no power on earth or in hell that will keep them from the
love of God, as shown in Christ Jesus.

When they reach this point in their spiritual life, then "the things of this world will grow strangely
dim, in the light of His glory and grace". Then and only then will they be delivered from the
bondage of evil men who seek to destroy them. Then and only then will their minds be washed free
of the "cheap filth" of the world, which evokes riotous feelings and incites rebellion against
everything that is good. When they are "filled with the God Spirit," there is no room for Satan or
any of his cohorts.

This is one of the major reasons the world order seeks to entice our youth with slogans such as "You
only go around once in life; so live with gusto!" These slogans are designed to enslave, not set free!
For no one is more a slave, than one who is enslaved by sin and it's slavemaster.

During the heights of the Civil Rights Movement, the song **WE SHALL OVERCOME!** was made
popular by the Dr. Martin Luther King, Jr., the siren of communism among the Blacks of America.
It was sung wherever he went in Black and White churches alike. Yet Christian people of both
racies, were not told that its composer, Pete Seeger, was an open and avowed communist, dedicated
to the destruction of freedom in America and the Christian religion. They were not told that
**WE SHALL OVERCOME** was made popular through the efforts of the pro-communist Highlander
Folk School in Mounteagle, Tennessee, and that it was Fidel Castro's official revolutionary slogan
in Cuba.

While the Walther League of the Missouri District of the Lutheran church, at St. Paul's College,
Concordia, Missouri, accepted Seeger's Christian testimony in 1965, his un-godly life style never
changed and his affiliation with anti-Christ communism never changed. I sincerely doubt that a man
like that, who backed these anti-Christ causes, could ever be a "born again Christian", no matter
what his testimony may have been, "For by their fruits shall ye know them".

The degeneracy In the Lutheran church from the standards of it's founder, the Reformer, Martin
Luther, has become so pronounced, that his books warning of Jewish subversion In the church, are
no longer allowed in Lutheran church libraries, and when you see church officials, calling
musicians such as Seeger and Joan Baez, "Pop prophets of the church", you realize just how far the
church has fallen into subversion. What can we expect but degeneracy from our youth, when church
officials sanction unrighteousness?

All through the Old Testament, prophets warned against pastors who led their flock astray. In
Jeremiah 23:22, we are told that if the pastor would preach the "whole counsel" of God's Word, the
people would turn from their wicked ways. Since this has not happened in America, we can
honestly say that something is frighteningly wrong with our churches.

When any church feels it must use worldly methods, such as Christian rock, dances, etc., to entice
young people to attend, something is drastically wrong with that church.

Bob Dylan, another rock singer who was popular during the Vietnam War, wrote **LIFE'S
EULOGY** which was in defense of the unwashed, long-haired, filthy mouthed hippies of that era,
he said:

"Come mothers and fathers throughout the land, Don't criticize what you don't
understand."
Your sons and your daughters are beyond your command,
Your old rules are rapidly aging.
Please put out a new one if you can't lend a hand;
For the times they are a-changing!

These music hucksters have set out to destroy parental and church authority, and love between children and parents is not a thing of the past, as these "mental child molesters" have opened a new can of worms to control and destroy your boys and girls.

Although it is considered by many to be raciest to condemn Dr. Martin Luther King, Jr., of anything, some liberal churchmen even go so far as to call him the "voice of God", although he denied the Virgin birth of our Lord, and questioned whether He really was raised from the dead. During his most famous march on Selma, Alabama, the marchers were promised in his name: "Ten dollars a day, free board and room, and all the sex they wanted with members of either race". Both Black and White marchers invaded a Black church in Montgomery and engaged in an all-night session of debauchery in the church sanctuary.

Seventy-five of the marchers picketed the home of Gov. George Wallace, and at a given signal rose and urinated on the lawn". Not much to say for the Christian aspects of King's Movement.

Whether you want to accept it or not, the enemy has made big and dangerous inroads into the Black community of America and are using their impressionable and easily stirred up youth, through drugs, sex, and the jungle music of their African ancestors, to destroy White Christian civilization which for the most part has been a blessing to Black people everywhere.

On making a statement such as this, immediately someone will bring up the issue of slavery, which has been a major blot on the history of America, aid an albatross around our necks for generations, ever since the first Black slave landed on American soil.

But the truth, no matter how disagreeable it may be to some, and records to prove it are still available in the Boston Public Library, is that nine out of ten of the ships which transported Black slaves to America were Jewish owned, and the rum, which was used by the slave traders, to exchange for Black slaves in Africa, who were sold by their own people, came from the New England distilleries which were owned by Jews.

Are any of my readers naive enough to believe that a White ship crew of a dozen men, could trek hundreds of miles into hostile Africa, and capture and transport hundreds of Black slaves back to the coast? These slaves were brought to the Atlantic ports, by Black chiefs, who sold their own people into slavery for Jewish made rum. The fantasies made up by men like Alex Haley in his ROOTS, notwithstanding.

Many of the Black slaves who were transported to America, were far better off than those who remained behind in Africa, to end up in the cooking pots, or the horrible slavery practiced by Black on Black.

Many of the top Black leaders such as Jesse Jackson, Martin Luther King, Jr., and Andrew Young, would never have existed if their ancestors had remained in Africa. It was White Christian civilization, an earmark of "true Israel" which caused slavery to cease and gave Black people a chance to rise above the squalor of Africa. For in spite of all the efforts to brainwash our people into believing in great Black civilizations of a by gone era, there were none! It was not until the White man arrived, with his message of hope through the religion of Jesus Christ, that Blacks began to move out of the primal ooze of Africa.

Today, America, I believe, is under judgment for the evil we have allowed to fester unattended in our midst. It was not Satan who made us do it, but unprincipled so-called Christian leaders in both the church and politics. These hypocrites fell down on their responsibility to God and man and instead of preaching God's Gospel of the Kingdom, they preached the political, Satanic message of
Socialism.

In Ezekiel 33:31, 32, we read about such a people as this: "And they come unto thee (the preacher) as the people cometh, and they sit before thee (the preacher) as My people (Christian Israel), and they hear thy (the preacher's) words, but they (the church members of the so-called Christian churches) will not do them: for with their mouth they show much love (how they love to get up and pontificate about what Jesus has done for them, see them in all their nauseous hypocrisy on the Trinity Broadcasting Stations), but their heart goeth after covetousness". (Look at the jewelry, and expensive suits worn by the preachers, the hairdos, makeup and clothes of their wives, which make them look more like "high class whores", than preacher's wives, and you can see the hypocrisy in the church). It is obvious from looking at them, and their expensive surroundings that their heart indeed goes after "covetousness". Love of material things. This is why they spend so much of their air time on raising money, and cheapening the Gospel by doing it.

Vs. 32 says of the people, "... they hear thy words, but they will not do them"

In Jeremiah 5:30 we are told: "A horrible and wonderful thing is committed in the land; The prophets (pastors) prophesy (preach) falsely, and the priests (the political rulers) bear rule by their means: and My people love to have it so; and what will ye do in the end thereof?" What can you do for a people who desire to be fooled, and who would rather hear pleasant lies, than unpleasant truth? There's not much you can do except pray for them.

If there are fifty million "born again" Christians in America, as we are told, then why are we headed for hell faster than at any time in our history? Why has sodomy, drugs, pornography, murder of the unborn, and ungodly music been condoned by a so-called Christian nation?

Have White Christians (and I use this designation because they are in the majority) become the "salt" Jesus mentioned in Matt. 5:13, which has lost it's "savor" (it's ability to act as salt and hold back corruption)?

So let's spend a few minutes as we look at the moral scene as it appears in America in 1993.

Many churches doubt that ghastly Satanic rites, including ceremonial murder exists in this country. But they do! The police in most large cities know it and some admit they know that large numbers of small children (most of whom are White) disappear every year, never to be found. The police know these disappearances were not by accident. They know of the pitiful little bodies which are found from time to time, flung on garbage heaps, after the blood has been drained from their bodies.

In the Panhandle of Texas, there have been occult atrocities which have resulted in ritualistic murder and authorities from Amarillo, have uncovered evidences of Satanic activities related to this. The Satanists even have their own Bible, written by a Satanic High Priest named Anton La Vey. If you were to follow its teachings you would be compelled to violate the Laws of both God and man.

Social killers such as "Son of Sam", Charles Manson, Henry Lee Lucas, and others, openly gloat over their association with Satan.

Richard Ramirez, known as the "nightstalker" was a drifter from Texas, who was a heavy drug user, and into the occult and heavy metal music. By the time he was apprehended he was accused of at least 16 murders, rape, sodomy, burglary, oral copulation and attempted murder. He was obsessed with "heavy metal music", and following his conviction, while still in the courtroom, he screamed for all to hear, "HAIL SATAN!"

Shocking as all this may be to naive Christians, I am only scratching the surface and could be convicted of pornography of the most vile sort, if I even attempted to portray what happens among these demented youth.

Young people are "hooked" by the allure of the occult and rock music, which go hand in hand, and which almost without fail leads to illicit sex, the use of drugs and complete degeneration. One of the deepest reasons for this, falls on the shoulders of the parents, preachers, and school teachers of the
land. Those who have the major part in molding young malleable minds.

How can we demand decency from youth, when their parents are so busy making a living, that they have little time to spend with their family. There is little or no family supervision and like Topsy, they "just grewed!!" It was planned this way, my friends!

These children are allowed to go to a church where they hear "religious rock", and no message of salvation or righteousness. Then In the worship service, they listen to a twenty minute message preached by some "good-Lord, good-devil, panty-waisted, sissy-britches" preacher who is afraid to speak the truth for fear that his people will get mad and leave the church. He would never condemn doing "what comes naturally" for his church youth and then he will tell his youth, if you both love God, it's okay for Black and White to marry, ala Billy Graham and contrary to God's Word.

Then this same teenager goes to school, where he or she is taught that there is no such thing as "right" and wrong",that there are only "shades of gray," and that what you do depends on the situation you are in. "Situation Ethics" it is called! Then to complete their confusion, they are given a "how to course" In Sex Education where they are told the benefits of "safe sex," after which the teacher hands out condoms, and they wonder why the illegitimate birthrate has soared.

Recently a Jewish rabbi in New York City, stated that as young people were going to experiment sexually regardless of what anyone said to the contrary, he suggested they set aside "sex rooms" in the school, where they could have sex under sanitary conditions. (More evidence of the Talmudic "mind set" of Jewry).

With all these things taking place, why should we wonder when we see our youth "taking the easy road to hell?"

Satan doesn't want you to believe he exists, or that his worship is now a "way of life"to countless thousands in America. I will admit, that the average picture of Satan which has been preached in most of our churches, Is so far from the truth as to be almost absurd. He is not all powerful like God; he Is not omniscient, or omnipresent, and many Christians give him power which he does not possess. But he is a force to be reckoned with, just as he was In the life of Jesus, who set him back like a whipped cur, "with his tail between his legs".

Satanists are often the first to scoff at their existence, for it is much easier for them to ply their nefarious trade, if gullible Christians refuse to believe they exist. But if you are intelligent enough to understand plain English, I dare you to listen to the lyrics of "hard rock" and then tell me that these deviates do not worship Satan.

God is calling America to repentance, from the President and his wife, to his Cabinet, to Congress, to our State Legislatures, to our City and Country officials. He Is calling America's preachers to proclaim all of His Word, not just those parts the people love to hear that make them feel good.

He Is calling America's parents to repentance, especially those who dare go by the name of Christian. He is telling them in no uncertain terms that they MUST be responsible FOR their children not TO them, and that they should "bring up their children in the nurture and admonition of the Lord".

He is calling America's youth, (the most important segment of American society) to repentance. He is saying to them: "Let no man despise your youth; but be thou an example of the believers, in word, in conversation, In charity (love), In spirit, In faith, in purity." (1 Tim. 4:12)

Listen to me young people, you are important in God's plan of things and when you compromise God's standards, you grieve the Holy Spirit. When this happens, you will be more willing to listen to the spirit of the anti-Christ, than that of God. When you allow yourselves to be overwhelmed with the loudness of "rock music" you cannot at the same time listen to the Spirit of God.

You will not be able to honor God, when you literally worship your rock idols. Even in Christian rock, the "music ministers" entertain, they do not minister. You can't minister that which comes from
an evil source and expect God's blessing.

You music ministers in the Christian churches of America, God is calling you to repentance, for all too often you have become the ambassador of the adversary and you live in sin, when you compromise God's standards for any reason. When you become so overwhelmed with your musical ability, that you allow the world to control it, you need to repent!

Unless America repents, especially the White Christian majority of America, the consequences are too horrible to even contemplate for God will not hold American Christians guiltless, even those who are really "born again".

How stupid we have become, when we believe we can't worship God in music, without a band, the clashing of cymbals, and the whooping and hollering that is the sign of heathen Africanization.

Enough of this ungodly loudness! Enough of the empty shouting and clapping! How I loath the hypocrisy of a music minister who in the midst of his worldly music, stops to declaim: "Everyone give a clap for Jesus!" Your hands are full of the stinking garbage of the world, so how can you worship Him in spirit and in truth?

DEATH OF A NATION

My advice to all of you who use God's "love and mercy"to put our church people to sleep is "Repent, or ye shall all likewise perish!"

God's Spirit is calling us to end the stage shows and dramas in His house of worship. His sword has been drawn, and soon it will be wet with the blood of the unrighteous hypocrites who have made a mockery of Him in the name of Christianity.

How can we reach men and women for Christ, when instead of "evangelization", we see "evangossip". They sing lies such as: THIS WORLD IS NOT MY HOME, I'M JUST APASSIN' THROUGH, as they get men and women, boys and girls to compromise with evil. They seem to completely forget Christ said we were to pray: "Thy kingdom come, Thy will be done, IN EARTH as it is in heaven". No wonder we aren't doing much to hold back evil!

We hear so-called Christians as they sing ONWARD CHRISTIAN SOLDIERS, MARCHING AS TO WAR, when they don't even know there is a war going on, and when at the first sign of physical conflict, they retire to their spiritual foxholes, and spend fruitless hours praying for Christ to Rapture them out of the mess that was caused by their apathy. You can't fight a war hiding in a foxhole, and we are engaged in a "no quarter" war to the death, against the forces of hell itself, whether you want to admit it or not. in your present state of apathy, you could well become a casualty!

All of you who want to "rock for Jesus" and "burn for Jesus," better repent, for God's wrath is about to be poured out on you as you shout your empty "hallelujahs, praise the Lord, Amens!" (By their fruits, not their loudness, shall ye know them").

This is the day, when God's truth MUST be uppermost in the minds and foremost in our hearts, if we are to be victorious! Stay clear of compromise, as you would the plague! Take the sword of the Spirit and strike for the' glory of God for we are at WAR! Take the enemy into the spiritual realm, where the Sword of the Spirit will hack him into pieces. The enemy recognizes this danger, that is why he wants us to fight his way, using his methods, on grounds of his choosing. But to do this is to be annihilated!

I believe God wants us to exalt and worship Him in music. He always has! We are told to "Speak to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord", (Eph. 5:19; Col. 3:16). But we are told in Amos 5:23 - "Take away from me the noise of your songs . . . but let judgment run down as waters, and righteousness as a mighty stream". if we do not do things God's way, He has promised to turn our song into lamentations (Amos 8:10) and just because you claim to be a New Testament Christian, and this was written under the Old
Covenant, don't think it doesn't apply to you, for it does!

I believe the reason most "true Israelites" have an ingrained love for good music, is because God wants us to glorify Him by this means. But you can rest assured, that He does not look with approval on **REGGAE, FUNK, BLUES, ROCK**, or even worldly, country music.

Many of you in the church world have been deceived into believing that dancing around, shouting and clapping and discoing is doing God a service. You have been deceived! You are being used by your selfish, carnal nature, not the Spirit of God. For God's Spirit never does anything in an unseemly manner!

Compose and sing songs which are written according to the leadership of the Holy Spirit. Compare such mighty songs as "Amazing grace, how sweet the sound, that saved a wretch like me. I once was lost, but now I'm found; was blind, but now I see". Compare this grandeur with the little religious ditties which are now considered songs of praise.

Compare "ye chosen seed of Israel's race, ye ransomed from the fall, Hail Him who saved you by His grace, and crown Him Lord of all". Compare this if you dare with your hand clapping, cymbal clashing, drum beating numbers which some of you call "songs of the Spirit". Which spirit, may I ask?

The preceding, in part, was taken from an article which appeared in the No.111 issue of the 1992 Christian newspaper **BATTLE CRY**. It may seem harsh and unloving to some of you "marshmallow-type" Christians, who inhabit many of our modern churches, but as one travels over America, they can see what is happening in our churches, as many of them have turned from being "lighthouses" for the Kingdom message in their community, into sort of glorified religious "Country Clubs", where men and women belong, because it makes them feel respectable. Many others have turned Into "glorified religious honky-tonks" replete with psychedelic lights and rock and roll music. If you put a red light over their door, they would fit into any whorehouse district in the toughest area.

These so-called Christians are taking a marvelous means of glorifying our God and turning it Into a "weak and beggarly element" which brings disgrace to His name.

**ROCK AND ROLL CHRISTIANS!**

The large crowd of teenagers, and young adults, leaped to their feet, leather jackets and long hair flying in every direction. The air is thick and hot as they whistle, yell and stomp, shaking the entire building. On stage, the band members look at each other with the satisfaction which comes with being idolized.

Suddenly the lead singer turns to the crowd, grabbing the mike, a savage scowl contorts his face which is plastered with sweat and his long hair. He leans back and screams: "Are you ready to ROCK?" and hundreds of fists are thrust upwards, as screams of pleasure from the crowd drown out all else.

I said: "Are you ready to ROCK?" This is the sound man's cue to crank up the amplifiers to unbearable sound levels. Then with three cross taps of the drum-sticks, a furious torrent of electric noise is released on the crowd, whipping them into an uncontrollable frenzy. For those packed tightly in front of the stage, all else ceases to exist as they enter a stage of amplified ecstasy. They breathe it in; they drink it in; they bathe in the sound as though It was holy water.

Where would you expect this scene to take place? In a seedy night club in some big city? Sure, but not just there. The scene described above is now taking place in thousands of churches in America. What makes them different from the sleazy night clubs. Nothing really, except that the band members and most of the listening crowd claim to be Christians.

From the beginning of the Christian Rock Movement, they have encountered much opposition from both within and without the church. Yet while coming under heavy criticism, they are receiving
much support from the progressive, liberal church leaders. I guess it would be fair to call them the Laodicean church of Rev. 3.

Using loud mouths, bold and surly attitudes, religious rock has managed to infiltrate an ever growing segment of the "body of Christ". They claim their music has a message for all, yet their primary target is teenagers and young adults, over which they wield an extraordinarily strong influence. It is time for those who love God to take a deeper look at the "Jesus Rock Cultists", looking at them through the fiery eye of God's Holy Spirit.

The preceding introduction to JESUS ROCK was taken almost verbatim from the No.111 issue of BATTLE CRY, 1992.

The information that follows, in part, has been taken from members of this ministry, who have had years of experience in the field of "religious rock and roll". Some were former band members, radio disc jockeys and hippies. Many were involved in the "drug scene". They tasted the pleasures offered by rock. They tasted the poison of rebellion and self-destruction, but were conquered by Jesus Christ, and are now trying to warn His people of the dangers faced by our Christian youth.

I have taken some editorial license, but have been careful not to destroy their meaning. If you want to read the entire article, write to C.M.T.C., P.O. Box 992, Kiamath Falls, OR 97601, and ask for the 1992 issue of BATTLE CRY, No.111. I would suggest that you send a donation to help cover cost of printing and mailing.

ROCK ORIGINS - SOUNDS FROM THE UNDERGROUND!

Before we go deeper into our study of so-called Christian Rock, it might be well for us to take a deeper look at the secular nature of "rock and roll" and see where it came from.

One does not need to be a brilliant historian to trace the roots of rock music back to its origin. It began to take shape in America in the 1950's, although its immediate roots were in the "blues music of Black America". In the beginning, for the most part it seemed to be giddy, happy music, seemingly innocent enough, although crowds of youth would scream and fall to the floor, when Elvis Presley gyrated and thrust his pelvis at them. Even then, anyone with a teaspoon of common sense, could see that America was in for big trouble.

Those who have been addicted to the real thing, know that rock music stands for rebellion and sin. Everything about it, from the nerve shattering electric guitars to the hypnotizing drum beats, has sprung directly from the loins of men and women who have hated Jesus Christ and His church.

This music was specifically designed to condone everything the Word of God condemns as evil, with more modern strains of "trash metal" and "death rock" being especially evil; if it is possible to give degrees to sin.

All forms of sin are glorified in this ear shattering music and the more violent the better, so that everything from drugs, to witchcraft, to Satanism, to sodomy and murder, to having sex with the dead, is glorified. The day of "drinking a few beers with the boys" is gone forever, as far as our younger generation is concerned.

As long as rock music has been around, the personal lives of those who play it have faithfully reflected the trashy, cheap, self-destructive principles the music swears by. Rock stars have always been self-admitted whores, sodomists, drunks and drug addicts. They glory in this and their devotion to Satan.

The lifestyle and messages of these Satanic deviates, represent the general attitude and behavior of America and all of Christendom. in no way, Church approval notwithstanding, can it be described as Christian.

Rock music is the music of the "world system" and we know from the Bible that ". . . the whole world (system) lieth in wickedness", (1 John 5:19). This music was created by the ungodly. This
cannot be denied, and these ungodly have only one master, and that is Satan, the "god of this world". In all fairness, we can say that rock and roll, old style or new, was the creation of fallen mankind, under the direction of the adversary. The question we need to ask ourselves is this: "Why under God's name, would professing Christians want to copy this worldly, ungodly form of entertainment?"

THE ORIGIN OF CHRISTIAN ROCK

It might be good to bring some facts to light. There was a time when no music such as rock and roll existed. Then suddenly, it was unleashed as a plague on the music world, as an attack against the moral foundation of our youth, by wicked men and women. Their ultimate motive was the destruction of White Christian civilization.

In the beginning stages of the "rock revolution", Christian America stood solidly opposed to this new "tribal beat," with its sexual suggestive stage antics. At this time of course, there was no such thing as "Christian rock," this came along later, as a more subtle means of destroying Christian youth.

When this Satanic music first arrived on the music scene, the issue was "black and white" and the battle lines were drawn. People knew which side they were on, and almost without fail, the Christian church in America, in the beginning denounced rock and roll, as at best, having an evil influence on our youth, while at worst an attack from hell itself.

At this time "Christian rock" was unheard of, and no one would even dare imagine such a monstrosity.

But times change, as do the attitudes of society, and as Christians began to let their guard down, they were bombarded through audio and visual media, with new forms of entertainment. Many factors, including the rise of television, the growth of Christian liberalism and the sexual/drug revolution of the 1960's, were responsible for transforming rock and roll from just another teenaged aberration, into a multi-billion dollar goldmine and a national institution, which now yields tremendous influence over a major segment of America's people. In these days of apostacy, it is not unusual for the President of the U.S. to invite these deviates to play in the White House.

What should be obvious, and what needs to be understood by Christian youth of all denominations, is that "Christian rock" is nothing more than an attempt by so-called Christian musicians, to copy that which is a Satanic creation. They say: "It is alright, as long as we use it to glorify Christ." But the Apostle Paul, in Romans 3:8, clearly tells Christians that we "MUST NOT do evil that good may come from it!"

While "Christian rock" may seem to be a new music form, it is not! It is the same old Satanic beat, with Jesus' name attached to it!

It seems strange, that the vast majority of our Christian youth cannot see through the sham of "Christian rock", and understand that it is the same evil that was at one time denounced by most Christians.

"Christian rock" has come into existence within the last twenty years. it started out as "contemporary music", with "poppy tunes and happy beats," which are so often found in the music of the charismatic churches.

Since its beginning, it has progressed to the point where every form of secular rock, from "punk" to "heavy metal", and "country rock and rap", have been copied by those who call themselves Christian musicians, as a new form of praise has been presented to the church, as though coming from God Himself.

Another question needs to be asked: "What makes rock and roll, really roil?" How does one go
about identifying rock music? By the way it sounds, of course! If you were to separate the lyrics from the music, and read them by themselves, you might get the idea that you were reading a batch of bad poetry. You can't recognize rock music from it's lyrics! But you could listen to the music, without the lyrics, and know immediately that you were listening to rock. As they say on the rock scene: "The beat goes on!" The words change, or can even be omitted, but the beat is still "rock".

Rock music is not now, and never has been "neutral". It is sensual, sexual, and infuses the mind of those who listen to it, with rebellion against all that is decent. It was planned to do just that.

All music has the power to affect the mind, the will and the emotions of human kind. Music can calm and soothe, or it can irritate and infuriate. It can put you to sleep, or make you want to go to war. Ask anyone who has ever been at a rock concert and has experienced being "grabbed" by the intense amplified energy of live rock. The listeners are often whipped into a violent frenzy by hearing "heavy metal". It wasn't the words that did it, but the violence which the music carries in itself. This is why we so often see violent riots at rock concerts.

Even if this music is "neutral" and has no effect other than being a vehicle to carry the gospel, why would Christians use such an openly, Satanic style of music to glorify their God?

If it is true that only the words are important, as many defenders of Christian rock aver, then why would Christians want to associate with that which has been created by ungodly men to deny Christ? Remember, "Christian rock" was not created by those who love God, but by those who hate Him! Why do so-called Christian musicians insist on copying the methods of the worldly bands, even down to their dress, hairdoes, and actions? "By their fruits shall ye know them!"

**CONFESSIONS OF A JESUS ROCKER!**

The latest release from the new Christian rock band **DIE HAPPY!** Is potent stuff. It contains the same kind of music that excites our youth when they listen to "heavy metal".

The title track **DIE HAPPY**, keeps things at an intense level, while the tune rockets along like Megadeth at their very best. The haunting sound of "real" is as full and compelling as the current metallic **ENTER SANDMAN!**

**CELEBRATION** is the best cut on the album. This melodic blues "rocker" could fit right into a Jaguar or white snake album. it is a classic form of "get-go".

In the song **SILVER CLOUD**, the band sounds like **LED ZEPPLIN LIVE**, with a six minute artistic instrumental which sounds like what was once called "acid rock". The guitarist even uses a violin bow for a psychedelic solo which give screaming effects.

Overall, the message tries to show people that you can "die happy", because of the grace and mercy of God. It is the music, not the words which reeks of Satanism.

The new **BLOW THE HOUSE DOWN**, video, from the so-called Christian band **ONE BAD PIG**, (why would a Christian group even think of using such a horrible name?) is full-throttle trash (punkie and funk music).

Lots of stunts and antics abound, such as jumping into giant ice cream sundaes, skate boarders ripping up the stage, and a bunch of head bangers throwing their long hair around in a song titled **CUT YOUR HAIR!** (If Christian youth need this sort of garbage to attract their attention to Christ and His Kingdom, they are pretty far down the road towards the complete spiritual apostasy of the Laodicean church of Rev. 3.)

Along with the "piggish glee" is the ministry of **ISAIAH 6**, which is a song about having a repentant heart, and **RED RIVER**, a rocky tune which attempts to visualize the cleansing blood of Jesus. (**ISAIAH 6**, by the way, has absolutely nothing to do with that chapter in the Bible).
Here is how this band was described by liberal so-called Christians who love it: "Overall this tape is a great time of music and ministry. The tape ends with the rollicking tune "Never Forget the Cross", which is something we all do well to heed. So get this tape, slam it in the VCR, crank it up LOUD, AND BLOW THE HOUSE DOWN!"

Sounds mighty Christian now doesn't it? Yet ask yourself: "What do pigs have to do with Jesus", other than that he used them to get rid of some demons. (Luke 8:31-33)

**WORDS OR MUSIC?**

If the words are all that matter why do Christian "rockers" worry about the sound? Could it be that the music is more important to them than the words? Is this why Christian youth become addicted to it and refuse to give it up?

**THE STORY OF THE TWO TREES!**

In Matt. 7:17-18, Jesus speaks to His disciples about two different kinds of trees and their fruit. Listen to what He said, as translated from the AMPHIFIED VERSION of the Bible: "Even so every healthy (sound) tree bears good fruit, worthy of admiration; but the sickly (decaying; worthless) tree bears bad (worthless) fruit; nor can a bad (diseased) tree bear excellent fruit worthy of admiration".

This principle, which is easy to understand, somehow eludes many Christians in this day. There are not two kinds of "rock and roll music", and "good" and one "evil". There is not "Christian rock" as opposed to "Satanic rock", for both come from the same Satanic source. There is only one source for this music, no matter what kind of a label you attach to it. It MUST always come under the evaluation of "evil fruit".

Any investigator into the lives of worldly rock stars, reveals a long trail of immorality, abuse and self-destruction. The same is true about the rock musicians who play so-called Christian rock. They cannot play this music, without becoming contaminated by it.

Why have Christians chosen to use rock music to preach their message of salvation and hope, when their Master tells them that they cannot get "good fruit from a bad tree"?

Rock and music was created to destroy souls, not to glorify God. If was designed to destroy the only element which has presented Christ to a "lost and dying world".

Christians who believe they can sanctify the music of the adversary by putting Christian lyrics with it, are deceiving themselves. Instead of sanctifying the evil music, they become defiled by it!

It becomes quite obvious that Christian youth listen to rock and roll because it gratifies their sensual lust for music. in modern terms "They get off on it!" They compromise their Christian integrity by yielding to the "lust of the flesh". They unthinkingly utter blasphemies such as "Jesus loves rock", or "We're rocking for the King". Nonsense, If they are "rocking" in any way, it's not for King Jesus. Jesus doesn't love anything that is of the devil, yet in their feeble attempt to justify themselves, they make a public shame and mockery of the Savior who died for them!

**COPY CATS**

It may be of interest to note that during this period when Christian rock has become popular, in every instance it is copied from the music style of "unsaved rockers". I'm not going to stick my neck out to say that those musicians who play Christian rock, or those who listen to It are unsaved, but the scriptural "rule of thumb" still stands: "By their fruits shall ye know them!" Remember the
old adage: "If it looks like a duck, waddles like a duck, quacks like a duck, has feathers like a duck, and runs around with other ducks; the chances are pretty good that you are looking at a duck". The same goes with Christian rock.

God does not desire His "born again" children to imitate the world. In 1 John 2:15, we are told: "Love not the world, neither the things that are in the world (system). If any man (woman) love the world (system), the LOVE OF THE FATHER IS NOT IN HIM". (Emphasis added.)

Don't get angry with me, those words are not original with me, I'm just passing on what the New Testament church taught.

You young people who love Christian rock, how much time do you spend with the Lord, attempting to find out His will for your life? Evidently very little, or you would not be using the devil's tool in a feeble attempt to glorify your King. Do you spend as much time studying His Word, as you do listening to the devil's music?

If Christians need to seek fun through Christian rock, why not open Christian bars and night clubs, where they could serve Christian booze? We might as well advocate Christian booze and cigarettes, as Christian rock. All of them are absurd and destroying. Or what about Christian pornography? Would you be willing to have your Christian sister pose in the nude, for some so-called Christian magazine, so that Christians could look on and lust after one of their own? Absolutely stupid! Doesn't make much sense, now does it?

The concept of Christian rock is no less dangerous than putting a label on a bottle of Old Grandad, which states: "OK FOR CHRISTIANS, BECAUSE IT WAS DISTILLED FOR CHRISTIANS BY CHRISTIANS, HAVE A CHRISTIAN DRINK!"

Rock music is mind-altering, addictive, and manufactured by the enemy to destroy you. How many times must I say this? If you can't or won't see this obvious truth, it Is because you have closed your mind to the truth. Or are you one of those in whom the "god of this world hath blinded you, so that you can't accept the truth and be saved?" You say: "I'm already BORN AGAIN!" Then act like it! Don't act like one of the devil's crowd.

God alone knows how many children, who have been raised by God fearing parents, in the way they should go who have been destroyed by Christian rock. The pastors and lay members of the church that allow this aberration in their church, will be held accountable before God for this. They will have no defense when they stand before the King.

The deliberate destruction of souls is no light matter in the sight of God, and you should encourage your church leaders to remember Christ's words in Matt 18:6 - "But whoso shall offend (hurt) one of these little ones (youth) which believe in Me, it were better that a millstone were hanged about his neck, and that he were drowned in the depth of the sea". God will not overlook the blasphemy of Christian Rockers, nor the church authorities which allow them to act in their churches.

An analogy of sanctifying Satanic music by using Christian lyrics, would be like a preacher preaching the salvation message while he was drunk, or by someone like Jimmy Swaggart, or Jim Bakker, preaching on Christian chastity while living the life of a whoremonger.

Much can be said about the heretical misconceptions of Jesus Rock. But we need to take a closer look at the "rockers" themselves. Go to any Christian book store and pick up a Christian music magazine. Look at the way these Christian rockers dress. Their costumes, their hairdos. Their actions are a 100% imitation of the worldly crowd. Nothing is left out from the skin tight spandex, to the leather jackets covered with spikes and chains. Some stoop so low as to wear women's underwear in direct conflict to God's Law which say that it is an abomination for a man to wear women's clothing.

The Jesus Rockers defend themselves by saying that outward appearance don't mean anything, because Jesus looks on their heart. But this type of ungodly reasoning is in direct contrast with what the Apostle Paul said in Romans 12:2- "And be not conformed (fashion yourselves after) to this
world (order): but be ye transformed (changed) by the renewing of your minds, that ye may prove what is that good, and acceptable, and perfect will of God". You can't do the "perfect will of God", when you are involved in worldly pursuits.

Rock and roll music, and everything connected with it smacks of spiritual debauchery and when Christians insist in dabbling around with it, and identifying with it by wearing its clothes, and using its language and styles, then they are in contradiction with God's Word and are bringing discredit to Him.

The Jesus Rockers will angrily assert that it's what is in the heart that counts, and this is essentially true. But they often forget that outward appearances, and actions, indicate the heart's condition for "as a man (woman) thinketh in their heart, so are they". (Prov. 23:7). If they are not worshiping the gods of rock, then why dress like them and act like them? The "copy cats" are so anxious to be accepted by the world that they go out of their way to wear the same hair styles, and mimic the surly, rebellious facial expressions of those who bite the heads off live chickens on stage. I've never seen a so-called Christian Rocker, who looked truly happy or contented.

Their imitation of the world does not stop with their dress and expression, but is carried over into their loud and suggestive antics of the "hard rock" crowd. They did not learn these nasty habits from the Holy Spirit, of that you can be sure, for we are told, that when a man or woman really become "born again" they become new creatures". "Therefore if any man (woman) be in Christ he (they) is a new creature; old things have passed away, behold all things become new", (2 Cor. 5:17). This means a 180 degree change from worldly directions to the Christian way, the way of the Spirit. If this didn't happen when you made your commitment to Christ. If this change didn't take place, then what you got was a "pseudo-experience" and you are still lost. It wasn't that commitment card you signed that saved you, nor was it that little prayer that was handed to you printed on a card, made up by some preacher. Being s-ved, comes when you are "called by the Spirit of God to repentance, when you recognize yourself as a sinner worthy of the death penalty, when you confess your sins, to God, not to some preacher or priest, and when you are truly sorry for your disobedience and turn from your evil ways". This MUST come before the Salvation Experience can take place.

In terms of scriptural principles, both Old and New Testament, the entire Christian rock scene smacks of rank hypocrisy and complete lack of scriptural standards of holiness and decency. For that reason alone, I believe these rockers cannot be genuine Christians, for "By their fruits shall ye know them! "it is relatively easy to stand up In church and tell what Christ has done for you and how you love Him, but if you are following Satanic principles, you are nothing but a sham, a liar, a religious hypocrite and the truth Is not in you! Harsh? Yes, but you better believe it - TRUE!

Godly discipline and chastisement are completely foreign to the fakes In the Laodicean church, for when you know what true Christianity is all about, it is clear that the reason so-called Christian youth copy the world, is that they have no spiritual substance In their life. You may say: "You are being un-loving and judgmental". But maybe it's time that more Christians became "fruit inspectors", instead of taking so many fakes at "face value". Or is it the Christian way to be "played for a sucker?"

The same pastors and church members who back Christian rock have a twisted concept concerning their liberty in Christ. They have been taught by the "wolves in sheep's clothing" who stand behind their pulpits, that "Christ did away with the Law on Calvary. You don't have to live by that old Law anymore". This, even when the Savior Himself said that He had not come to do away with the law, but to confirm or fulfill it. (Romans 3:31)

The laws regarding personal purity, adultery, fornication, sodomy, etc., were not changed when Christ died for our sins. in fact Jesus was harder on sinners than the Old Testament, for He said in John 5:28 that anyone that looked on a woman, to lust after her, has already committed adultery with her in his heart. How many of you Christian rockers can honestly say that you have not
committed mental adultery" as you listened to the ungodly beat of the music, and watched the ungodly antics of so-called Christian girls around you?

These young people poke fun at those of us who want to live by standards of Biblical decency. They call us "old fashioned party-poopers"! The only thing they have from Christ is His name, and they mis-appropriate and defile that. They do not worship the Christ of the Bible, they follow "another foreign adulterated Christ", the god of this world. This Is what makes them popular with the Laodicean church crowd. It's no wonder the risen Christ said to them (Rev. 3:16) "So' then because thou art lukewarm, and neither cold nor hot, I will spew (spit) thee out of My mouth". Christ never did take kindly to hypocrites!

The risen Christ said that these poor befuddled church members tell themselves: "We are rich and have an increase of goods (stocks and bonds), and have need of nothing". But the King replies to these by saying: "But they do not realize they are wretched, and miserable and poor, and blind, and naked". That's about as bad a' shape a person can get in! Yet it's the state most of our professing Christians are in today! Pity that poor church member and his family, and the "brainwashed" 'wolf in sheep's clothing" who has led them astray. God's wrath will fall on such when He has had enough, and I surmise that it will fall heaviest on the pastors who have led them astray. (We could honestly designate many of these as Baal priests).

While we know from sad experience, that hypocrisy can be found in most churches, we still seldom find professing Christians dealing in drugs, fornicating in the church parking lot while an evangelistic meeting is in progress. Yet these are the kind of actions which are bred by the Christian rock culture. The problem of sin in the church has always been with us, and will remain so long as men and women are rebellious towards God and seek to "do their own thing". We have had our Jimmy Swaggart's and Jim Bakker's in the church for centuries, but it is beyond belief, when we see professing Christians as they openly allow the Satanic influence of Christian rock to invade their church, to where rock activities become the norm among our church youth.

When someone asks how these agents of the adversary have gained so much ground within the "body of Christ", we must repeat the number one argument used by the "religious rock" enthusiasts.

When questioned about the odd costumes; lanky, greasy hairdos; loud music, and un-civilized stage antics, many Christians try and justify them by saying that they are merely "reaching young people for the Lord, who could never be reached any other way". They say: "We are doing this in order to reach lost souls!" How very spiritual! In fact, this spurious argument has been swallowed by millions of Christians around the world, without even attempting to put it under the magnifying glass of God's Word, and see if it "measures up".

I'm afraid that converts made in this un-scriptural manner may be like those Jesus accused the Pharisees of making. In Matt. 23:15, he told the Jewish church leaders: "Woe unto you scribes and Pharisees, hypocrites: for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two4old more a child of hell than yourselves". We could certainly paraphrase this to fit the converts made under the influence of Christian rock.

If some who read this are skeptical, listen to this news account which appeared in the COMMERCIAL APPEAL, the leading newspaper in Memphis, TN, March 28, 1993, under the title ORGANIZERS SAY ATTACKS NOT RACIALLY MOTIVATED. In part, this is what this account said: "Two teenagers were injured outside The Pyramid (evidently a bar) following Friday night's Life Focus '93 Rally, a revival where a predominately young crowd became unruly witnesses said Saturday".

NOTICE CLOSELY NOW: "The rally featured what was billed as a Christian rap concert by the group of ETW and, after the concert, a speech by former gang member Joseph Jennings.

"Life Focus executive coordinator Howard Eddings said it took officials a while to quiet the boisterous crowd before Jenning's speech. Once his anti-violence, anti-drug talk was over, the
12,000 teenagers poured out of the arena. As they did, one boy was beaten, and a girl was knocked to the pavement.

**LIFE FOCUS RALLY ENDS IN RIOT!**

"About 115 black and white Protestant churches were in participation in the Life Focus program. Organizers said the event's purpose was to convert young people to Christ, and to help unify the races. (Put miscegenation here and it would be more correct).

Christopher MacDonald, 14, one of those Injured, went to the concert after hearing about it from the Cathedral of Praise Assemblies of God Church where he attends. He and his friends were on their way back to the church van when the attack occurred. Bill Patterson, who went to the hospital to check on his daughter Meghan, 14, who was the other teenager injured, said his car was pelted with rocks by the youth when he left the hospital". Sounds like a fine Christian evening of entertainment, doesn't it? Yet it's what can be expected if you allow your teens to attend such a function. They may gain something there, but it won't be Christianity.

It is blasphemous for any Christian organization to teach that a righteous and holy God would use anything as demonic as rock music to lead men and women to Christ. An analogy might be that of a Christian using the occult to win the world for Christ. It just doesn't Work that way! The "end never justifies the means". A Christian **MUST** "never use evil means to bring about good", for it never does!

Few Christians in our day have reached the point where they are willing to put their life on the line for Jesus. I know they Sing about it, but how many Christians do you know who practice the Sentiment of this hymn?

"Must I be carried to the skies,
On flowery beds of ease?
While others fought to win the prize;
And sailed through bloody seas.

"No, I **MUST** fight, if I would **REIGN**,
Increase my courage, Lord,
To bear the toil, endure the pain,
Supported by Thy Word!"

The men who are willing to fight are few and hard to find, that's one of the reasons why America and Christendom is in this mess today. We could have Stopped most of this corruption at the end of WWII, with a little faith in God, and Some of the courage we Showed during the war. Instead, most patriots, including those who are Christians, thought that what they did during that War was enough, and forgot that "Eternal vigilance is the price we **MUST** pay for freedom". The same is true in the spiritual realm. We **MUST** not get Saved in order to retire to our "air-conditioned Spiritual foxhole" to wait for God to rapture us out of the mess which has been caused by our apathy. First because It is not going to happen, and Second, because it Is Shameful for Christians to act this way. This is why the writer of the book of Hebrews stated In (12:4) "Ye have not yet resisted unto blood (death) Striving against sin". What Is sin? The definition is given' in 1 John 3:4: "Sin is transgression (breaking) of the Law".

Most Christians love to talk about "ruling and reigning with Christ", in His Millennial Kingdom on this earth. But according to Rev. 2 and 3, only those who **OVERCOME** will "rule and reign with Him" You can't be an OVERCOMER and be in the crowd that sanctions rock and roll In the
Many Christians who support "religious rock" (that is a more accurate term than "Christian rock", for these can be no such aberration), may be sincere. But it is well to remember that "sincerity is only a matter of intent it has absolutely nothing to do with truth." There will be many "sincere" Professing Christians who will hear the Lord say: "Depart from me, I never knew you!" Don't be one of these. Test the Spirits to see if they are of God. You can do this by placing them under the powerful magnifying glass of God's Word. The errors will always show up if you do this honestly!

There is a mighty rough road ahead for the professing Christian who refuses to obey the King without question. Many of these have taken Jesus as Savior", sort of a Celestial Fire Insurance Policy in order to avoid hell. (I'm not sure this will work). But few of these want to accept Him as King, for when they do, they must recognize His right to give them orders which MUST be obeyed. When you accept Him as King, you recognize His right to reign and rule in your heart, and many Professing Christians, including multitudes of pastors, do not want to "give up doing their own thing".

According to the Word, it will only be a matter of time until the patience of God comes to an end and He says: "Enough!" I have often wondered how He has put up with sinning mankind as long as He has. His love and patience is indeed "long suffering". So In the face of the fact that we can expect Him to return soon, in fact at any time, we should remember the warning of the Apostle John in 1 John 5:21 - "Little children keep yourselves from idols". What did he mean by this? What are these idols in 1993? They are anything which we place in our life before God, it could be wife, children, a boat, a big car, a nice house, a good job, anything. God MUST always come first!

We read these sobering words In James 4:4 - "Ye adulterers and adulteresses (those who live immoral lives), know ye not that friendship of the world (order) is enmity with God? whosoever therefore will be a friend of the world (order) is the enemy of God". Those are not my words, they come straight from the Book. Christian young people, if you love and honor the deviate performers in the rock world (religious or secular), you are, according to God's words, an enemy of God.

Titus 1:16 speaks about those who profess Christ, but do not possess Him: "They profess that they know God; but in (their) works they deny Him, being abominable (detestable), and disobedient, and unto every good work reprobate (worthless)".

Checking out a number of different Bible versions, we can come up with this translation, which does the original full justice: "They openly claim to know God, but in their actions they disown Him. They are degraded and self-willed, and when it comes to doing good, they are probably frauds".

God is not concerned with whether we are entertained or not, but He does desire to see the "fruit of the Spirit" ripen In our lives. This is the fruit which comes from "Godly discipline, holiness and sacrificial love for both God and our fellow man".

We can only choose God's path by denying our fleshly lusts, whether they are for sex, money, ungodly music, power, or what have you.

The Apostle Paul admonishes us in Romans 6:12-13- "Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof. Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness unto God".

**REMEMBER ALWAYS, ABOVE EVERYTHING ELSE, ONCE YOU HAVE ACCEPTED CHRIST AS SAVIOR, THAT OBEDIENCE TO GOD MUST ALWAYS PRECEDE VICTORY!**

The End
Concerned American, for I presume you are that, if you are taking the time and effort to read this pamphlet, you are about to read two articles, written in 1955, by a man whom I consider to be one of America's great Christian Patriots.

Kenneth Goff, was at one time a member of the Communist Party, USA. He had been trained in all the uses of Psychological and Psychopolitical warfare against his own people. But he came into intimate contact with Jesus Christ and recognizing Him as Savior and Lord; his life was changed. He dedicated his life to the exposure of the evils which are slowly destroying Christianity and which are being coddled by most Christian churches, even those in the evangelical and fundamental ranks. The pastors of these churches, who should be in the "front ranks" of this battle for Christian survival, have all too often become allies of those who would destroy everything they say they believe in as a Christian. They have been "brainwashed" in their seminaries and by their church leaders, into believing the Satanic lie, that those people whom we today call "Jews," are the Chosen People of the Bible and therefore must be "coddled, protected, and supported," no matter what the cost. The first article by Kenneth Goff, was printed in the September, 1955 issue of the DEFENDER MAGAZINE.

There was launched in ancient Babylon 2500 years ago the most powerful secret organization the world has ever known. Like a serpent, it has crawled down the corridors of the centuries, and continues today to be the dominating force among the nations. Jesus called its leaders, in His day, a "generation of vipers." (As you know, a viper is a poisonous snake - ED.)

The twentieth century finds this organization more influential and powerful than ever before. Its agents operate in all areas of our national life. To those unfamiliar with the facts, what I am now saying may seem at first glance fantastic.

But such an organization does exist and must be destroyed! America and the rest of the world will he delivered from its grasp, only when the truth becomes known. The task of enlightening the masses of people is rendered difficult by the control which the organization wields over governments, international finances and channels of public information.

From the days of Moses until the war with Babylon, the main religion of Israel, both in the ten Northern and two Southern tribes, was monotheistic belief in Jehovah God and observance of the Mosaic Law. The twelve tribes first had Tabernacle worship and later the Temple rituals which looked forward to the coming of the world's redeemer.

When the Southern tribes of Benjamin and Judah antagonized Babylon, in defiance of Jeremiah's instructions, a change took place. King Zedekiah held a rendezvous with the prophet and privately admitted: "I am afraid of the Jews that are fallen to the Chaldeans." (In other words, the Jewish traitors - ED.)

Jewish pressure on the court resulted in Jeremiah's persecution and the Babylonian captivity. While in Babylon, Jewish leaders had ample time to go into the country's libraries and study the Black Magic and sorcery that had come down from the days of Cain. (At this time the Jews were not called JEWS, but were known as YHUWDIY, which simply meant an JUDAITE, or an inhabitant of JUDEA. It had no religious connotation - ED.)
These JUDEAN leaders blended the black arts with the Law of Moses and evolved the TALMUDIAN system which has remained embedded in international Jewry to the present time. The Jews entered Babylon with priests, Temple worship and the books of Moses. They came back to Palestine with rabbis, synagogues, and the TALMUD.

The TALMUD is the bible of Judaism. The Old Testament is used only for window dressing purposes. Chief Rabbi Hertz states in the front of the BABYLONIAN TALMUD:

"During the exile Israel found Itself. It not only rediscovered the TORAH and made It the rule of life, but under Its Influence new religious Institutions such as the synagogues, congregational worship without priests or ritual." (It was during this period, that the religion of Jewry developed, of which Jesus spoke, when Re said to the Pharisees of His day: (Matthew 15:9 - "In vain do they worship me (God), teaching for doctrines, the commandments of men." - ED.)

Arsene Darmester, who has been long recognized in Jewish circles as an authority on the TALMUD, has this to say:

"Nothing, indeed, can equal the Importance of the TALMUD ... The daily study of the TALMUD, which among Jews began with the age of ten to end of life itself, necessarily was a severe gymnastic exercise of the mind, thanks to which it acquired Incomparable subtlety and acumen ... The study of Judaism is that of the TALMUD, as the study of the TALMUD Is that of Judaism ... Thus became possible the strange phenomenon, unique in history, I believe, of a people dispersed to the four corners of the earth, yet one. of a nation without a land, yet living. The miracle was accomplished by a book, the TALMUD," (If any Jew, or Christian clergyman tells you that the Jews do not use the TALMUD, they are either intellectually dishonest, or ignorant - ED.)

It is the TALMUD, and nothing else, that binds international Jewry into a solid body. Darmester generalizes when he refers to the Satanic document as a "book." In reality, it encompasses 63 large volumes containing the accumulated writings of the rabbis from Babylon to the fifth century A.D.

Rabbi Morris Kertzer says: "The TALMUD consists of 63 books of legal, ethical and historical writings of the rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in training of rabbis." (Recently in a controversy in Colorado, Rabbi Twersky, who is sup-posed to be an authority on the TALMUD, said that it contained nothing derogatory towards Christ or Christians. Yet a perusal of its pages finds it filled with hateful statements to and about the Christian faith -ED.)

While in Babylon, the Jewish authorities propounded the theory that they were a chosen people, a God race, to which all other peoples were inferior. The idea of complete control of mankind through world government developed from this seed thought.

Talmudic leaders in the day of Christ decided first to accept Him, thinking He would lead a rebellion and give them world domination. He killed that movement aborning and they turned against Him.

To accomplish their end, those who framed the Babylonian plan established an occult organization known as the Kehillah and sometimes called KAHAL which means "Community Assembly of Government," and took the snake as a symbol. These black magicians decided to conquer the world through serpent like slyness

The head represented those who had been initiated in-to the plans of Jewish administration, while
the body of the snake symbolized the Jewish people. The administration was to be kept secret, even from the masses of Jews. As the snake would penetrate the hearts of nations, it could be expected to devour everything in the way.

There was a depth of meaning to the words of Christ addressed to the TALMUDISTS of His day: "O generation of vipers. how can ye. being evil, speak good things? for out of the abundance of (he heart the mouth speaketh." (Matthew 12:34) And: "Ye serpents. ye generation of vipers. how shall ye escape the damnation of hell?" (Matthew 23:33).

The ability of the TALMUDIC power to penetrate and gain control over governments was noted in the Wilson, Roosevelt and Truman Administration (and in every one since then - ED.) - which, incidentally, resulted in two world wars and the rise of anti-Christ Zionism and Communism. (They both come from the same TALMUDIC source - ED.) The impact of the criminal code embodied in the TALMUD comes home to every American fireside, a fact to which our people for the most part, are oblivious.

These writings of the rabbis contain the filthiest rot ever put into human language. For instance, Jesus is described as a bastard, conceived during menstruation when Mary had sexual intercourse with a demon. (And bear in mind that every living rabbi occupies the office he holds in the system, for devoting years of his life to a study of the TALMUD.) When Jewish leaders accused our Lord of being the son of a depraved woman, He retaliated by saying: "Ye are of your father the devil." (John 8:44).

This is only a sample of the TALMUD's sewage. Imagine a "religious code" devoting pages and lewd details to explain the right of a rabbi to cohabit with a three-year-old baby girl.

No other "religious" teachings has ever underwritten or subscribed to lying, cheating and murder (of other races) as tenets of faith. No other "religious" teaching has become so racist that it regards the rest of mankind as being on the level with beasts.

Little wonder that our Lord defied the TALMUDISTS and called them "whited sepulchres full of dead men's bones." (Matthew 23:27).

This book contains thousands of superstitions, such as carrying pulverized manure from a white dog around the neck for certain cures. If one eats fish he must not be bled on the following day. If he has been bled, he must not catfish on the following day. On the third day both would be dangerous. After blood letting a man must not, on the same day, drink milk, eat cheese, onions or vegetables. If a man, however, has eaten these things, he should mix a quart measure of vinegar and a quart measure of wine and drink the concoction. If a motion of the bowels ensues, the evacuation should take place without, and on the east side of town. It is a sacred requirement that one MUST spit when the name of Christ is mentioned.

The contents of the TALMUD explains why the Jews are strange, different, and odd. (The Apostle Paul said: "...they (Jews) please not God, and are contrary to all men." (1 Thessalonians 2:15.) Their minds have been for centuries warped by this demonic code. Their egos have been inflated into a state of self-hypnosis, causing them to believe that they are in some mysterious way, especially "chosen."

The TALMUD demoralizes everything it touches. Before this occult power gained the upper hand in our part of the world, American thought was basically Christian. But when Jews carried their Talmudic doctrines into the field of literature and art, there began to be a rapid decline.

The serpent is today crawling in every department of our national existence. It is no accident that Christian patriots, particularly the opponents of Communism, are systematically smeared and maligned by press and radio. It is no accident that millions of Americans sit night after night, and watch Jewish "entertainers" put on filthy, suggestive and disgusting programs.

Radio and TV are Talmudically controlled. Most of the actors are Jews, and the Gentiles who perform must use scripts prepared, for the most part, by Jewish writers. (Head of ABC Broadcasting
Company - Jack Hausman, Jew; head of Columbia Broadcasting System, Leon Levy, Jew; head of National Broadcasting Company, Saul Nathan Lev, Jew. Head of Metromedia Television, Herbert O. Klein, Jew. Every major movie studio, with the exception of Republic, is Jewish owned and or controlled. This Jewish control of the U.S. media was not accidental or haphazard, but was a well-calculated and designed plan, a part of a larger plan to control the United States and alter its thinking towards Palestine and thereafter the Israeli. - ED.)

Anyone who doubts that our air waves are under Talmudic control only needs to do a bit of investigation. A few years ago, in Wichita, Kansas, Dr. Gerald B. Winrod tried for eighteen years to purchase time for definitely Christian broadcasts on local stations. Managers told him that the B'nai B'rith Jewry had for-bidden him the right of speaking despite the fact that he offered to submit his scripts a month ahead of time for examination. (Could it be that this was done because he was exposing Zionism? - ED.)

The B'nai B'rith Fraternal Lodge for Jews only was organized in 1843. It operates at international levels, in all countries. In 1913 the B'nai B'rith added to its many sided organization one known as the Anti-Defamation League. This outfit is richly endowed and heavily staffed, with tentacles reaching throughout the United States.

Its professed aim is to combat racial and religious intolerance. In actual practice, it has consistently directed attacks upon known opponents of Communism, using smearing, vilification, misrepresentation and character assassination. (This was what first aroused my curiosity concerning Judaism. For fifteen years I had spoken out against Communism; never mentioning the Jewish background of the beast, and everywhere I went, I was labeled as anti-Semitic. The ADL is in all actuality, the unregistered branch of a foreign government, operating without license in the U.S. - ED.) Just why any race should be permitted to operate a Gestapo in the United States is not clear.

The Anti-Defamation League is a police agency, which seems in some respects, to surpass the F.B.I. Only a few members of Congress have ever dared resist its power. It admits maintaining a force of over 2000 expert investigators in cities across the continent, and thousands of helpers.

They keep files, listing the names and containing the records of every man and woman in whom, for any cause, the Jews might have the slightest interest. The organization has been correctly labeled an "invisible government."

To give an example: It often happens when I travel about the country speaking against Communism that, upon reaching a city, I find a group of Jewish businessmen, and usually a rabbi and liberal preachers, who have called on the Pastor sponsoring the meeting.

With them they bring the same stale trash out of the A.D.L. files, charging me as being anti-Catholic, anti-Negro and anti several other things. Other speakers have had similar experiences. The local auspices sometimes become frightened and intimidated. (I have experienced this same thing on several occasions. During the hectic 1960's and early 70's, I worked the college circuit. I was speaking on the extremely unpopular subject: THE MISSING ALTERNATIVE IS VICTORY! I was heckled on every campus, and assaulted on one and every time, the slimy fingers of the A.D.L. was seen behind the hairy, smelly, hippies who insulted me and on every occasion they were composed, almost 100% of Jewish youth and Jewish led. In October of 1983, I was invited to speak at the International Convocation of the CROWN COLONY LEAGUE OF RIGHTS, in Calgary, Alberta, Canada. This was a group of ten, English speaking nations, all of whom realize that we have the same problems, and all recognizing that they come from the same International Jewish source. I had to sneak into the country, since the A.D.L. was doing everything possible to keep me out. They tried to crash the meeting. A few days before, in Toronto, they had been successful, and their "bully boys of the Jewish Defense League, had thrown stink bombs and overturned literature tables", while the Province police stood by and did nothing. Now if a Christian organization had done something like this, it would have made headline across the Continent. Not a thing concerning this action ever hit the American newspapers. - ED.)
I have actually faced reports taking me back to the age of ten, so thorough is the Anti-Defamation League sleuthing. They even tell about the time when, as a boy, I tied wire around an outhouse near the railroad track on a Halloween night and the midnight freight smashed it to bits. These reports contain my school record, and many things about my private life and that of my family. They tell how I have been arrested for "criminal activities" (neglecting to explain that those activities consisted in fighting Communism.) This record against me is known to be in the files of Anti-Defamation League offices in more than 1200 American cities. (It might be of interest here to note that Kenneth Goff lived his life under threat of death from the A.D.L. goons of the J.D.L and that he was assaulted on several occasions and died a mysterious death - ED.)

From these centers goes forth millions of pieces of deceptive literature a year packed with falsehoods, half-truths and Talmudic propaganda. I am listing some of the books this Gestapo has prepared. On the surface they appear to have been written by different authors, but it is not difficult to trace them to their common source: UNDER COVER, by John Roy Carlson; THE PLOTTERS, by John Roy Carlson; HOW SECURE THESE RIGHTS, by Weintraub; THE NAZIS GO UNDERGROUND, by Riess; THE TIME BOMB, by Pillar; A MEASURE OF FREEDOM, by Forester; THE TROUBLE MAKERS, by Forester and Epstein and the APOSTLES OF DISCORD. by Ralph Lord Roy. (There have been many which have been published since 1955, probably the most recent are EXTREMIST GROUPS IN THE UNITED STATES, a Curriculum Guide, printed in 1982 in which they castigate most of the "right wing" Christian Patriots groups, while barely touching on the Communist affiliates, and the most recent, HATE GROUPS IN AMERICA, A Record of Bigotry and Violence, published in 1983. These books are actually sent into the public school system, with the expressed idea of indoctrinating the students with sympathy towards the one-world ideas of International Judaism and a hatred for patriotic Americans - ED.)

Such books are widely publicized on the radio and through the press. (Now on television "talk shows" - ED.) Millions of Americans have been deceived. But if someone should write the true story of the Anti-Defamation League, he would be attacked as an anti-Semite and smeared from Dan to Beersheba.

The power of this Gestapo is so great that it was able to seize control of the House Committee on Un-American Activities in 1954, when Congressman Velde was chairman. It is reported in Washington that they succeeded in getting "something" on him.

The time came when Committee reports had to be cleared with the A.D.L. before being released. We were treated to the spectacle of a powerful Congressional Committee becoming a TALMUDIC tool.

It was a slick operation when the Anti-Defamation League began taking over government groups clothed with the responsibility of investigating and wiping out Communist organizations. I have watched with abiding interest, the unfolding of this scheme. (It has become much worse since 1955. Today, the A.D.L. has brought into being in at least nine states, what is known as "Paramilitary Training Statutes." This is primarily aimed at militant Christian organizations which are preparing for that day when the "bottom drops out" of our society and the Zionist one-worlders step in and try and take over. They have been successful in nine states. Yet it is interesting to note, that in at least three of these states, the Jewish Defense League is allowed to carry on "full-scale" military training, even to the use of illegal fully automatic firearms and the law does absolutely nothing about it, FOR FEAR OF THE JEWS!!! - ED.) In 1947, I was visited by State Senator Ben Gettleman of Wisconsin and asked to accompany him to a talk with the editor of the Milwaukee Sentinel, a Hearst publication. He said the editor wished to see me before I appeared before the State Legislature to advocate a bill requiring professors to sign the Loyalty Oath.

I found the editor to be a Jew. He told me that the A.D.L. and various Jewish leaders were looking for someone like me, a former Communist, to dramatize before the public and become a national hero. He said they had studied several who had left the Party but found no one with the fluent speech and crusading spirit that I possessed. He said Louis Budenz had some of the qualities
desired, but they were afraid to use him because he was a Catholic, under the direction of the Church. Being a Protestant, I would be more free.

The editor told me that if I would sign a statement which he had prepared, condemning Communism and Fascism together, declaring Fascism to be the greater menace, it would appear in every newspaper the next day, and from there on I would become the most publicized fighter against Communism in the nation. They would prepare books for me to assure handsome royalties. I would never again have a financial worry as long as I lived.

I read the statement. It said I agreed with Pope Pius the eleventh that "spiritually we Christians were Semites." I would have to attack Major Robert H. Williams (who wrote a devastating expose of the A.D.L. - ED), Dr. Harvey Springer, Dr. Gerald B. Winrod and scores of other stalwart Christian patriots as being dangerous to the American Way of Life.

I refused to sign, and from that day to this (1947 to 1955) I have been under attack by the A.D.L.

When I watch the performance of men like Herbert Philbrick (former F.B.I. agent), blasting Senator McCarthy and other patriots, taking sides with leading leftists, being wined and dined by the National Conference of Christians and Jews, enjoying enormous publicity through press and radio, becoming filthy rich, I know the price they paid and the sell out of which they are guilty!

THE OCTOBER ARTICLE IN THE DEFENDER
FOLLOWS

I wrote about the Jewish TALMUD in the Defender last month, explaining how this unmoral, immoral, criminal, anti-social code consisted of the accumulated writings of rabbis starting during the Babylonian captivity and ending in the fifth century A.D.

Rabbi Morris Kertzer was quoted as saying that it is the "legal code which forms the basis of Jewish religious law and It is the textbook used in the training of rabbis."

The TALMUD, not the Old Testament, is the core of modern Judaism. A limited number of the document was printed in English a few years ago by Jewish groups in England. Christianity was becoming conversant with its contents - to their horror and amazement.

(They do not relish, for instance, being told that Mary conceived Christ during menstruation by cohabiting with a demon. They find it difficult to understand why rape, murder, sharp financial practices against Gentiles and other crimes should be approved and promoted as religion. They are learning the facts about an invisible government based upon the TALMUD, which has operated for centuries, controlling nations at the top, as exemplified by the Roosevelt and Truman Administrations. (Actually this Jewish control began with Woodrow Wilson, when he was blackmailed by Jewish interests into getting America involved in World War I - ED.)

Arsene Darmester, a Jewish authority, credits mastery of the TALMUD with producing "incomparable subtlety and acumen" which characterizes members of his race.

Any group of human beings, regardless of racial origin and structure, who might receive and apply the Talmudic code, would be capable of developing capacities of shrewdness and cunning, engineering schemes of which international Jewry has proved itself capable.

Chinamen, Irishmen, Germans or Hottentots, given the TALMUD, could develop the power to upset religions, political and social orders. They could invent twin conspiracies such as Zionism and Communism, both of which represent the flower of Talmudic thought. (THE JEWISH CHRONICLE, London, April 4, 1917 stated: "...there is much in the fact of Bolshevisim itself, in
the fact that so many Jews are Bolshevists, in the fact that the Ideals of Bolshevism are consonant with the finest Ideals of Judaism..."

Rabbi Stephen Wise, one of the most powerful Jews in the world, spoke of the Russian Revolution, saying: "Some call it Communism; I call it Judaism." - ED.)

This inhuman, sinister system will have to be brought under control if Christian civilization is to survive, and if the cause of Christ is to be saved from the Anti-Christ.

Last month I showed how the Talmudic machine is operating in the United States, controlling press, radio, stage and television, infiltrating every department of our national existence, religious, political, financial and otherwise.

I discussed the Jewish Gestapo, which systematically harasses Christian and patriotic leaders, striking them down from behind the scenes, organizing such terrorist programs as the war-time so-called "Sedition Case," the attack on McCarthyism and other schemes.

Unfortunately, comparatively few Christian, loyal Bible-believing Christians, understand the true nature of the opposition which works against them, Every possible thing should be done to enlighten them. (I have found, from sad, personal experience, that most of the so-called Christian leaders do not want to know the truth - it would mean they would have to change their teaching and admit they have been wrong - very few of them have "guts" enough to do this - ED.)

Talmudic Jewry supports financially, and in other ways, left-wing causes that promise to denature and devitalize true Christian effort. Here is a clear illustration:

I have before me a 28-page volume containing the 1953 annual report of the American Jewish Committee, prepared for its members. No matter the fortuitous circumstances under which this enlightening item came in-to my possession, it is at hand.

If Christian people of the United States could read pages 95 to 112 inclusive, they would understand many things for which there is no other explanation. Ten branches or departments of the American Jewish Committee are named and their areas of operation defined, with an explanation of what each is doing in infiltrating the Protestant and Catholic church life of America. The record of results achieved and methods used for covering their steps, is frightening.

Concern is expressed over: "A Fundamentalist reaction as evidenced by the spread of revivalism, the shift of the National Council of Churches towards orthodox theology and the phenomenal expansion of the Fundamentalist churches, whose following, in some cases, has swelled more than 100% over the past decade." (The A.D.L. has been able to counter this through the rise of the electronic evangelists in the past ten years, men like Jerry Falwell, Jimmy Swaggart, Jack Van Impe, David Webber, and many others, who have gained enormous followings through their television programs. Along with this, has come a tremendous inflow of financial support. All of these successful TV evangelists, have been pro-Zionist. If they were to reveal the truth, they would be cut off immediately from the nations' TV programs - ED.)

According to this report, the denomination most responsive to Jewish infiltration, at the present time, (1953) is Methodism. The schemes used for boring into all church groups, both Protestant and Catholic, reflects "incomparable subtlety and acumen," (the very thing the TALMUD is said to teach - ED.)

Talmudic Jewry is directly responsible for the racial strife which is so rapidly developing in our country. This program includes stirring the Negro population on the theory that disturbances of this kind help the Jew.

They were directly responsible for the Genocide Treaty and numerous other un-American propositions. Intermarriages between other races is advocated in their propaganda, but not for themselves. A surprisingly large number of Negroes are coming to understand what is happening and do not propose to be the goats.
When the Jewish motivation of the old Federal Council of Churches of Christ in America became known, the chameleon changed its colors and the National Council of Churches in the U.S.A. was born.

Intimate collaboration between Jewry and the National Council is a well-known fact. (During a recent speaking trip in Colorado, in which I exposed TALMUDISM, I was attacked, not by Jewish sources, but by their stooges from the Council of Churches -ED.) There exists no barrier to their infiltration. The Jews have been given a free hand. Talmudic teachings are being planted in Sunday School literature, daily vacation Bible School programs, Church papers, denominational Colleges, theological Seminaries and other areas. Infiltration has been developed into a science.

February 25, 1955 was designated by the National Council as a "World Day of Prayer." From its headquarters in New York City, posters measuring 11 x 17 inches in size and gorgeously printed, were sent to Churches throughout the country for public display.

On the left side, reaching to the top, there appeared the figure of a BLACK CHRIST - a perfect figure of our Lord, except He was portrayed as a Negro.

On the right side and lower, there appeared the face of a white woman, eyes lifted in adoration, fixed upon the black figure.

It probably never occurred to the vast majority of Church goers seeing this placard, that there was Talmudic propaganda in the raw - the product of a well organized and powerfully financed "inter-racial" pro-gram.

We were not surprised to learn that devoted Negro Christians protested against this innovation. They know the Lord Jesus Christ was not a black man on the human side and they resent the misrepresentation. But they also know they are precious in His sight as any other members of the human race, when He is accepted as Lord and Savior.

Talmudists in the U.S. recently waged a war against singing Christmas carols in our schools. They publicly advocate observance of HANNAKUH during the holiday season, including the lighting of their candles. (Notice, they do not want to do away with Christmas and Easter, they make too much money off the Christian "goyim" during those periods; they do want to take Christ out of Christmas and Easter. It is also interesting to note, that those who bring suit against Christian observances, whether in the schools, a Christian scene on city property, or a lighted cross on a hillside, these are almost without fail, Jews. Yet the stupid Christian cannot see beyond the end of their noses to ask why? ED.) They oppose Bible reading in school rooms. They object to having Gideon Bibles placed in hotels. (America is a Christian nation. The Supreme Court has so declared. The constitution of each of the original 13 colonies, states very clearly that they were settled for the Glory of God and the propagation of the Christian faith. America was not founded to give religious freedom to all faiths. It was founded for the expressed purpose of allowing Christians to worship God according to the dictates of their conscience, without having a State church tell them how they must worship. We Christians have been tolerant of heathen religions, to our own detriment. Now is the time when we should say, either conform to our Christian heritage, or get out - ED.)

They (the Jews) are releasing films to our schools which attack Anglo-Saxons and call for the mongrelization of our race. In some places, they have gone so far as to pass out colored and Chinese dolls to little white girls to create an impression in their little minds, that in the future, their babies may be of any color.

In the Denver area last year, we were treated to an expensively produced Annual with spiral binding, which was distributed by the Talmudists through the local Parent-Teacher Association in cooperation with the Denver Public School system. It was called APPOINTMENTS, MEMORANDA AND REMINDERS.

Forty-three holidays were listed, including the following Jewish holidays: Race Relations Day, Brotherhood Week, First Day of Passover, Second Day of Passover, Last Day of Passover, First Day

Notice, not a Christian holiday in the list. Remember now, these are the same people who scream the loudest about Christian materials in the schools. If this is wrong, then how come they can send Jewish materials into our Public Schools? - ED).

This subject is so large, that we have only touched the outer fringe of the problem. In closing, let me appeal to Christian readers everywhere to make the problem a subject of prayer, because help from a Supernatural force will be necessary if this Satanically-motivated crime against humanity is ever broken.

For further information on this far reaching problem. may I suggest the following books and articles which I have researched and written: KNOW YOUR ENEMIES, THE SATANIC COUNTERFEIT (a book on the Protocols of the Learned Elders of Zion), SATAN'S KIDS!, (Jewish control of the media.) and Kenneth Goff's book, the Communist textbook on PSYCHOPOLITICS (the art of controlling the thinking of an entire nation,).

May God give you the courage to take a stand on this vital issue, even if it means flying in the face of everything you may have been taught. Your future security and the freedom of your family is at stake.

Forward

The transitional epoch in history, in which we are now living, is incalculably influenced by the wide extent of the artful, sometimes insidious, deception of pernicious propaganda, comprising a body of distortions and half-truths which bias the judgment of the individual in every area of daily life. At a time when truth is so needed, error was never more prevalent. In fact, truth is often maligned as actually subversive and this is nowhere more evident than in the religious sphere where, beyond a degree of unanimity, more or less, in regard to the necessity to accept our Lord Jesus Christ as personal Saviour, theological chaos abounds.

We are today in the midst of a period of great apostasy under church leaders who, according to Paul, have "a form of godliness, but denying the power thereof" (2nd Timothy 3:5). They were anciently designated as false prophets or false teachers, but they had - and they now have - the ear of the people. In their studies, they only embrace a superficial theology and this is especially apparent in the failure to comprehend the scope of the story the Bible tells or identify the people of the Book who were to become a nation, a company of nations and a great people, which the Jews are not, nor never can or will be. Because of the lack of this knowledge and understanding in this age which prides itself upon its modern progress and enlightenment, the Divine appraisal is most applicable: "My people are destroyed for lack of knowledge" (Hosea 4:6).

Politicians, who advocate all-out support for the Zionist State in Palestine, are following in the footsteps of theologians, pastors and evangelists, who wrongly uphold the Jews as God's chosen people. They all ignore the fact that, by refusing to receive Jesus Christ as their Messiah, Jewry is under Divine condemnation. It is prophetically foretold that the Jews would do so and the verdict of the Lord was rendered in advance centuries ago.

Our Lord Jesus confirmed the accuracy of this prophecy when He informed the Jews, who had rejected Him, that the Kingdom would be taken from them and given to a nation (not a church) that would bring forth Kingdom fruit (Matthew 21:43).

In a parable, Jesus likened Himself to a nobleman who went into a far country to receive a Kingdom. His citizens (who were the Jews) became His enemies (John 7:1) and sent a message
after Him saying: "We will not have this man to reign over us" (Luke 19:14).

Modern "broad-mindedness" overlooks the essential factor that, when the fundamentals of the position of Jewry are examined, it will be found that Jesus Christ is still rejected, with hatred toward all He represents, also with His teachings as found in the New Testament. Included as an object of hatred are not only the followers of our Lord but also their endeavors to inject into our modern civilization the standards and principles of Christian attitude and conduct. It is fortunate, as the present crisis deepens, that Col. Gordon "Jack" Mohr has written this book exposing the enemy within and recording, from their own writings and utterances, their hatred of Jesus Christ our Lord and Saviour, and their determination to destroy our Lord's followers and His church. In Part II of this book is presented the only available antidote to eliminate all such evil machinations, which would thus completely destroy the present effective use by the Jews of the term "anti-Semitic." The remedy is to acknowledge that we are the seed of Abraham, Isaac-sons, the Anglo-Saxon and kindred people, the Israel of God in the world today and then become willing to conform with the terms of the Covenant God made with our forefathers. This would remove the blindfold from our own eyes and then tear the mask from the face of those to whom Jesus declared, "Ye are of your father the devil" (John 8:44), and so obliterate all their evil objectives.

Dedication

This book is dedicated in Christian love and respect to my friend and kinsman in blood and through Emmanuel's blood, Dr. Howard B. Rand. It is in appreciation for his long years of tireless and courageous defense of the Anglo-Israel Identity. After hundreds of hours in study of his writings, I found them to be consistent with the fundamentals of the apostolic Christian faith. May God grant that his works will be instrumental in leading millions of our Israel people to an understanding of the truth about their identity and to the resulting obligations they incur.

Part One

OUR ANCIENT FOE

"Stil 'tis our ancient foe,
Doth seek to work us woe.
His power on earth is great,
And arm'd with cruel hate;
On earth is not his equal."

(From "A Mighty Fortress is Our God" - by Martin Luther)

"Can the Ethiopian change his skin, or the leopard his spots? then may ye also do good, that are accustomed to do evil." (Jeremiah 13:23.)

"Thou makest us a strife unto our neighbours: and our enemies laugh among themselves." (Psalm 80:6)

"Servant of God, well done! Well hast thou fought the better fight, who singly hast maintained against revolted multitudes the cause of truth, in word mightier than they in arms, and for the testimony of truth hast borne universal reproach, far worse to bear than violence: for this was all thy
care - to stand approved in the sight of God, though worlds judged thee perverse. The easier conquest now remains, aided by this host of friends." ("Paradise Lost" by Milton.)

With these words, the immortal Milton summed up my own experiences in this battle for the minds of men. I am a fundamentalist "lay" evangelist, a man to whom has been given a unique mission. I was brought to a saving knowledge of our Lord Jesus Christ, not in a church, not in an evangelistic service, nor by someone who knocked on my door and showed me the "way to salvation," but in the midst of the terror of a Communist prison in Korea, a year and a half before the war began.

As a boy, I had been raised in the church. My father had been a Sunday School Superintendent for twenty-eight years. My foster mother had taught Sunday School and was President of the Woman's Missionary Society and the Ladies Aid Society. I made a profession of faith at the age of twelve, was baptized and joined the church.

Filled with a zeal for the Lord's work, inspired, no doubt by the example of my sainted grandfather, E. K. Mohr, whom I loved and who had devoted years to spreading the Word throughout the Midwest, I attended Moody Bible Institute.

When World War II began, I was one of those who went down all "starry eyed with patriotism," to enlist in what I hoped would be the Horse Cavalry. We were mechanized within six months, just after I had saved enough money to buy my first set of "boots and breeches." I served in the Armored Forces, the Paratroop Corps, and finally as an Infantryman, always as a combat soldier.

Unfortunately, when I ran into the temptations of army life, I learned to my sorrow that my religious experiences were only "skin deep." Though I had fooled a number of pastors and a great number of church members, I had never had that heart changing experience the Bible calls being "born again" (John 3:3).

Faced with the temptations of overseas army life, I fell deep). Ind deeper into sin, while turning my back on everything I had been taught was right. It was almost as though I was deliberately trying to prove that my earlier Christian experience had been a farce.

I was discharged from the army in March 1946 and went back to North Dakota to retire as a rancher and complete my college education. During this period, although I was not a real Christian, I pastored a little Baptist country church.

In June 1948, I was called back into the army and was sent to Korea, as a military advisor with the Korean Military Advisory Group and was assigned to work in the city of Sun'chon, in Chollo'Namdo Province, in the southwestern part of South Korea.

In October 1948, a Communist-led coup broke out among the military, led by Communist dissidents who had infiltrated the services. My regiment at Sun'chon was in the thick of it. During a ten day period, beginning October 28, 1948, the rebel forces took over the city and the surrounding countryside, brutally murdering over 3800 men, women and children. While attempting to negotiate with the rebels, I was captured, was brutally tortured, and finally stood before a People's Court, where I was sentenced to be shot. God was good to me and, with the help of a friendly South Korean Sergeant, I was able to escape and make my way to a Southern Presbyterian Mission Station, run by Dr. John Curtis Crane from South Carolina. I stayed with them until the South Korean forces drove the rebels out of the city.

From my vantage point in the mission compound, I saw Communist hatred at its worst, as it was vented against the Christian population in the city. (Sun'chon was known as the Christian City of South Korea; the Southern Presbyterians had a mission there for 48 years and the Catholics had been there for 43 years.)

After seeing scores of little girls, between the ages of 11 to 13, dragged into the streets by the
rebels, to be stripped, raped and beaten to death; after seeing two elderly Catholic nuns crucified against the walls of their church; after seeing babies swung by their heels against a tree or stone wall, or tossed into the air to be caught on the points of bayonets; after seeing a beautiful young girl stripped and raped over and over, then nailed to a tree with spikes driven through her breasts, while a bundle of oil-soaked rice straw was bound between her bare thighs and set on fire, I cried out: "My God, if you will get me out of this mess and get me safely back to the people I love and the country I love, I will do everything in my power to serve you. Lord, I don't know how you can do anything with a wicked man like me, but I believe you can, Save me!" When I did that, the Holy Spirit took over and I became "born again." I have never been afraid of a man since that day. I know that no one can touch me for harm, unless God in His all-knowing wisdom lets them.

You can just bet your "bottom dollar" that I get angry when I see how this country of ours is going down the same road. God not only saved me that day, but He stood beside me when I faced a Red firing squad and somehow or other they fired over my head. He stood beside me for nine horrible months, with 265 consecutive days in a front-line unit, where I was wounded three times. Each time I should have been killed, but I never received more than a scratch. So I can say, that experience was a "turning point" in my life. God kept His promise to me, now I am trying to live up to the promise I made to Him. When I returned to the States in the spring of 1951, I began to speak to anyone who would listen to me.

At this time, the military was not confined by the infamous "Fulbright Memorandum," and I was allowed to speak anywhere, without prior approval from the military. The Commanding General of Fort Ord, California, told me: "I've only got one criterion for you, Mohr; tell 'em the truth; just be sure you can back it up." So I spoke wherever they would have me; in service clubs, churches, schools, anywhere. My message was the same - "America, wake up!"

It wasn't long before I realized that I didn't know very much about Communism, except that I didn't like it. When I would have "head to head" confrontations with the Marxist professors in our school system, they would make a fool out of me, so I began to study. Many a long night was spent in poring over background materials. I read everything I could lay my hands on from the Congressional Record to the Communist Manifesto. It wasn't long before I realized why countless thousands of Christians had been ruthlessly murdered by these barbarians, and why Christianity was their main target.

When I was finally discharged from the army in the fall of 1964, I began to work "full time" at my job as a "watchman on the walls of America." It was a frustrating task, because many good people didn't want to hear the truth.

Most of my work was in churches, since I had seen that the problems which were destroying us were not political at all, but were of a moral and spiritual nature. I began to realize that, unless we attacked these problems from a spiritual standpoint, we would make no headway against them.

With this came the terrible realization that the reason evil was prospering in America was because most Christians refused to become involved in the fight. I recalled the statement made by the British philosopher Edmund Burke: "All that is necessary for evil to succeed; is for good men to do nothing!" This is what the church was doing in this battle for the most part. They have sat in silent frustration on the "sidelines," while the "sin-dominated" geniuses of Moscow and Peking have breathed out "threatenings of everything which is lovely and of a good report." They would say to me: "I don't have to worry about the Communists. I am saved, you know, and Jesus is coming back to rapture me out of this mess before it gets too bad." Talk about being wrapped in a shroud of self-righteousness. I realized that these good people had "become so heavenly minded, they were no earthly good." They had fallen down on their task of being "salt of the earth," and forgot Christ's warning: "But if the salt have lost his savour [its ability to act like salt! ...it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men" (Matthew 5:13). When the church, instead of holding back corruption, adds to that corruption, all hell will break loose in that land.
Today our fundamental and conservative churches, who believe the Word of God and preach about the saving faith of Jesus Christ, all too often fail to realize they are "aiding and abetting the enemy." Often they set themselves up to defend those who are their worst enemies. To Christians who feel they do not need to become involved, I would suggest they speak about the rapture to their brethren behind the Iron Curtain.

I became an evangelist so that I could reach these good church folks, who had been neutralized from the fight by their own preachers. Many of them felt that all they had to do after getting "saved" was to hide in the comforts of their air-conditioned spiritual foxholes, fold their holy hands in prayer and God would handle the "dirty work" He had given them to do. It just doesn't work that way! There is no place in the New Testament that gives Christians the right to do this. Over and over again, from Jesus Christ to the Apostles Peter, James, Jude and John, the message to Christians is "Quit you like men, be strong;" "Occupy till I come!" You can't do that hiding in a foxhole.

My messages were strong meat. They discussed America's pressing problems from a scriptural standpoint. Many church folks would not accept them because they were unpleasant. I did develop a reputation as being uncompromising in my stand against evils in government as well as in the church.

During this same period, I became a member of the John Birch Society and served on their American Opinion Speaker's Bureau for twelve years. My lectures, in spite of some opposition from Society officials, always carried a strong spiritual tone.

When I resigned from the Society in the fall of 1979, it was because of a personal dispute with Birch officials and had nothing to do with the Society itself. Now that I was relieved of a heavy secular speaking schedule, I threw myself into "full time" crusade work. In 1980, I added an extra dimension, by adding school seminars to my crusades. I was on the road 250 days out of the year.

Then in the spring of 1980, something happened which was to drastically change my life once again. For months I had been questioning the "blind allegiance" held by fundamentalists toward Judaism. I knew all the reasons they gave: "They are God's Chosen People; If we don't help them, God will curse America; God has been kind to America because we love the Jews." I had heard them all but I realized that God had not blessed America because we had been kind to the Jews. I was intelligent enough to realize that the worst troubles America had ever faced have come to us since we approved the bandit state of the Israelis in Palestine in 1948.

For the first time in my life, I began to study the situation without accepting as "Gospel truth" what I heard from the pulpit. The more I studied, the more I was convinced that the fundamentalist stand was wrong. I had always been taught that not only must we respect the Jews because they were the Chosen People, but that Judaism stood on incontestable grounds, because it was the first universal religion which had believed in one God and that Christianity was the child of Judaism. I saw the "Jerry Falwell" idea in operation in most of our churches. I am referring to his statement to Menachem Begin of Israel, when he told this terrorist: "The fundamentalists of America will back you no matter what you do because you are God's chosen." Somehow on the basis of Bible teaching, this did not seem right. Then one day, during my daily devotions, I read a verse found in 2nd Chronicles 19:2 which said: "Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord."

But you see I didn't know very much about the Jews, because I had never been honest enough to study the situation. I had always lazily been ready to accept anything the preacher told me, or anything I read from some fundamental writer. I was like many Baptists, and almost believed that Dr. Scofield's footnotes were Holy Writ. The more I studied, in not only the Bible, but in history, I found that the idea of one-God was not a Jewish idea. It was taught long before a tribe by the name of Judah ever existed, and long before a man called Abraham was called out of Ur of the Chaldees, to become the father of a very special people.

In Douglas Reed's remarkable book, "The Controversy of Zion," he states on page 1, "The Egyptian
Book of the Dead (manuscripts of which were found in the tombs of the kings of 2000 B.C.; long before the Judast Law was completed) contained this passage: "Thou art the One, the God from the very beginning of time, the heir of immortality, self-produced and self-born: Thou didst create the earth and make man." There are few fundamentalists who could disagree with that. It could have come from our Bible.

As I studied further, I found that the sect, who mastered the tribe of Judah, took this concept of one-God and embodied it in their Scriptures, only to destroy it and set up a creed which was based on its denial. It is denied because Judaism set up the theory of a master race and, to have a master race, that race must itself be God!

The more I studied the Jewish religion, the more I came to realize that the term Judeo-Christian, which we hear so often from our pulpits, is a ridiculous misnomer, for Christianity and Judaism are eons apart. I found that Judaism is a counterfeit religion. The word "counterfeit" means "an imitation, passed off as the real thing for fraudulent purposes." The antichrist, Canaanite Jews, who say they are Jews and are not, are of "the synagogue of Satan" (Revelation 2:9). They claim to be the Messiah themselves! They claim the Jewish race is the embodiment of the Messiah. They deny the incarnation of God in human flesh, in the form of His Son Jesus Christ, and this places them within the definition of "antichrists," as given in 1st John 2:22 - 23 and 2nd John 7. This, of course, places them in a position of direct enmity to Jesus Christ.

It seems as though most of the problems with our Bible scholars begin when they study Bible history. They seem to concentrate on the year 975 B.C. when the Kingdom of Israel, ruled over by King Solomon, was split at his death, when his son Rehoboam became king (see 1st Kings 12). At this time in history, there were no people anywhere in the world who were known as Jews. (The first reference to "Jews" in the King James Version comes in 2nd Kings 16:6, about 742 B.C. In the original 1611 translation of the King James Version of the Bible, the word "Jew" is not found; instead we find the word "Ioudean," which simply means "a resident of Judea." It did not take on a religious connotation until many centuries later.) Yet, in spite of this fundamental scholars insist on calling these people "Jews" and using the term "Jew" and "Israel" as synonymous. They are not! To indicate they are is the mark of "intellectual dishonesty!"

From the time when the Israel Kingdom was divided, Scripture makes a clear distinction between the House of Judah and the House of Israel. There must be a reason for this! To state that "the Jews are all of Israel," as most of our fundamental leaders do, is a falsehood of the first water, for the people known as Jews do not make up even a small percentage of the Chosen People.

In the fall of 1980, as my studies began to penetrate the "veil of darkness," which fundamental teaching had pulled over my eyes, I became further perturbed by the actions of the Israeli government in Palestine. "Even if they are God's Chosen People," I thought, "it does not give them the right to act as they are doing."

Further study showed me that the most feared enemy of Christianity in this century is Communism and, the more I studied, the more I became convinced that Communism was the "brainchild" of Judaism. An honest study of recent history will convince anyone that it was Eastern European Jews who "masterminded" the Bolshevik Revolution. They are not loath to brag about it themselves. These people are known as "Ashkenazi Jews". They are not relatives of Abraham by any stretch of the most fertile imagination. (Begin is an Ashkenazim Jew.)

One of the most common misconceptions in fundamental circles is that the modern Jews are physical descendants of the twelve tribes of Israel and, as such, are sole representatives of the Israel people in the world today. This is even contrary to the teaching of modern Jewish scholars, who admit that Jews make up only a tiny portion of the House of Jacob.

The well-known and highly respected Jewish author, Alfred Lilienthal, a graduate of Cornell and Columbia Law Schools, a man who served with our State Department both before and after service in the army and who traveled with Secretary of State John Foster Dulles through Arab countries and
the Israeli State in 1953, has written several books which completely refute this idea. (See his 
"What Price Israel?," "There Goes the Middle East," "The Other Side of Zion," and his latest and 
most fascinating book., an 8115-page book entitled "The Zionist Connection.")

Speaking about the ten tribes which were taken into captivity in Assyria, in his book, "What Price 
Israel?," he states on pages 215-216: "Twelve tribes started in Canaan about 35 centuries ago, and 
not only ten of them disappeared - more than half of the remaining tribes never returned from their 
exile in Babylon."

Our preachers today seem to believe that the Jews are a remarkably pure race, who can trace their 
ancestry back to Abraham. This feeling can be seen in a statement made to me by a lady from 
Dallas, when she found that I was preaching that the Jews were not true Israel. She indignantly said: 
"Everyone knows that the Jews descended from Abraham. The Bible tells us this, and that's that!"
Now I admire anyone who believes the Bible is true, but this kind of thinking is ridiculous, for the 
Bible says nothing about Abraham's descendants being called "Jews."

Again referring to "What Price Israel?," Lilienthal says on page 215: "The Jews have mingled most. 
Until the middle of the 5th Century B.C., intermarriage was a normal phenomenon in Israelite life 
and the ensuing Judait proselyting over the globe, brought people into Judaism from all races."

On page 224 he goes on to say: "It is, in fact, the unanimous conclusions of anthropologisch arom 
Weissenberg, Hertz and Fishberg (themselves Jews), to Boas, Ripley, Mead, Pittard and others, that 
wherever Jews are found, they most closely resemble the people among whom they live." Dr. 
Pittard says: "There is no more a Christian race than a Muslim race, neither is there such a thing as a 
Jewish race." This same conclusion was made by the United Nations Educational, Scientific and 
Cultural Organization.

Columbia University anthropologists in their book, "The Races of Mankind," say: "Jews are a 
people who acknowledge the Jewish religion. They are of all races, even Negro and Mongolian. 
European Jews are of many different biological types." So much for the myth that the Jews are a 
race. It just isn't so!

Lilienthal comments: "The descriptive name Judaism was never heard by the Hebrews or the 
Israelites; it appears only in Christianity. Flavius Josephus was one of the first to use the name in his 
recital of the war with the Romans; it was used to connotate totality of beliefs."

On top of this "mishmash" of people who are now called "Jews," few of our preachers have ever 
heard of, to say anything about admitting to, the fact that possibly as many as 90% of the people we 
now know as Jews trace their heritage back to the Khazar Kingdom in Russia, which was 
incorporated into Judaism in the Eighth Century A.D. These people were of Turco-Finnish 
background and had no connection whatsoever with Abraham. Their forefathers most certainly 
never set foot in the Holy Land.

Lilienthal says of them:

"These Ashkenazim Jews (as the Jews from Eastern Europe are properly called), whose numbers 
were swelled by Jews who fled Germany at the time of the Crusades and during the epidemic of the 
Black Death, have little or no trace of Semite blood.

"That the Khazars are lineal ancestors of Eastern European Jews is an historical fact. Jewish 
historians and religious textbooks acknowledge the fact; though propagandists of Jewish 
nationalism belittle this as pro-Arab propaganda."

When Lilienthal speaks about the claim the Zionists, who are almost all Russian Jews, have to 
Palestine, he says: "Here's a paradox, a most ingenious paradox in anthropological fact. Many 
Christians have much more Hebrew-Israelite blood in their veins than most of their Jewish 
neighbors." Of course, most of our preachers refuse to accept this proven fact. Instead they reveal 
their ignorance by continuing to spout their "Jews are the Chosen People" theory.
Those of you, who believe and preach that the present regathering of the Jews in Palestine is the return of Israel to the Promised Land, are in for a rude and very embarrassed awakening. Even the Jews know they are not Judah, to say anything about them being "all of Israel." They have very little, if any, connection with Israel, Abraham or Jacob.

Even more important, Scripture teaches that they are never to return to Palestine in totality, only representatively. The rest were to go to the "Appointed Place," mentioned in 2nd Samuel 7:10 (more about this later).

As I began to study contemporary history, I was amazed to find that Judaism, or rather Babylonian Talmudism as it should more accurately be called, was the founder and foundation of Communism. The Jewish Ashkenazim element in Russia were the leaders, fomenters, and brains behind the Bolshevik Revolution. It is quite interesting to compare the bragging of Jewish authorities, as to their part in this revolution, with the fundamentalists who throw up their hands in horror at the thought.

The Jewish Chronicle in 1918 stated:
"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant [agree] with the finest ideals of Judaism."

Marcus Eli Ravage, a Jewish writer, in the January 1928 issue of Century Magazine, said: "We Jews are at the bottom of nearly all your wars; not only of the Russian, but of every major revolution in your history... We did it solely with the irresistible might of our spirit, with our ideas and propaganda."

Oscar Levy, a well-known Jewish writer, in the preface to his book, "The World Significance of the Russian Revolution," wrote: "There is scarcely an event in modern European history that cannot be traced back to the Jews. We Jews are today nothing else but the world's seducers, its executioners, its incendiaries, its destroyers."

As far back as 1888, Goldwin Smith, Jewish Professor of Modern History at Oxford University said: "We regard our race as superior to humanity; and look forward, not to its ultimate union with other races, but to its triumph over them." (Remember, these are Jews, speaking about Jews and Jewish aspirations. If I were to say anything even closely resembling these truths, you would immediately slap me with an "anti-Semitic" label.)

When I began to study more modern history, I discovered that most of the modern American traitors have been Jews; those who sold the atomic secrets to the Communists were Ashkenazim Jews. Don't argue about it, just check out the facts!

It was when I saw this that I began to realize that the money and the brains behind the moral cancer, which is destroying our White Christian nations, is Jewish. This is why organizations such as Moral Majority, no matter how well-meaning they may be, will never make much headway against these evils. You cannot fight evil on one hand, while you subsidize it on the other. (This was the fallacy of our military program in Vietnam.) This is what Moral Majority seeks to do. They chop off the arms of the evil octopus which is destroying us, but they refuse to strike at its Jewish heart. One thing we need to remember is that a "nation cannot exist half-Christian and half-heathen, any more than it could exist half-slave and half-free."

You may disagree quite violently about my assessment of the Jewish people but, rather than argue with you, I suggest you look at the names behind the evils which are destroying us. Who is it that mans the abortion clinics, which murder three million (mostly white) American babies every year? They are mostly Jewish doctors. Who controls our news media which "brainwashes" our people with daily pro-Zionist propaganda? They are Jews. (More about this later.) Who controls Hollywood and the TV networks? Who is the brains behind the "mafia," the dope trade, the prostitution, the pornography which has debased American womanhood? Who owns the liquor industry which is indirectly responsible for 25,000 deaths on our highways each year and for nine
million alcoholics, who are slaves to this evil? You name it and you will find Jewish names in position of prominence behind it all! Why? Because the Jewish mentality is such, that it will make money off anything, even if it has to "sell its soul" to do so!

Every major evil that the Moral Majority claims to abhor, everything which is helping destroy America and the Christian church, can be traced back to the ones our pastors call God's Chosen People. No wonder they are universally hated! Check out the facts, I dare you! These anti-Christ people have cost the Christian nations of the world untold billions of dollars and uncounted suffering, because of their long-range plans to destroy us and they are taught these ideas in their synagogues. No wonder our risen Lord called them "the synagogue of Satan" (Rev. 2: 9; 3: 9).

One day, after hundreds of hours of prayerful study and armed with irrefutable facts, I went to see my pastor. "Brother Bob," I said, "I have some facts here you need to know about. I don't expect you to accept them, or even believe them, but you need to know about them." He glanced at the material and, when he found it was uncomplimentary toward the Jews, he threw it into his wastebasket and literally accused me of being an "apostate." Yet I was the same man who had occupied his pulpit the week before and had drawn his praise. He went on to say: "If you insist on putting out this trash, the door of every Baptist church in America will be slammed in your face." I didn't believe him at the time but have found it to be true! The fundamentalists, for the most part, refuse to accept this truth.

One of the most powerful leaders in Moral Majority told me: "I can't understand why, after all the support I have given them, that my strongest opponents are Jews." When I presented my argument, he said: "There is nothing I can say to refute what you have told me, but I cannot go against the teaching of my church." God have mercy on us!

Since I detest a hypocrite and have always refused to "sail under false colors," I wrote a rather lengthy letter, which some of you may have read. I spent several hundred dollars having this printed and mailed. It described my newfound position. This letter was mailed to 200 fundamental pastors, with whom I had worked in the past. It resulted in cancellation of fourteen Crusades which had been scheduled for 1981.

Here are some of the typical letters I received. One from Pensacola Christian College, where I was scheduled to hold a two-day seminar: "Recently I received some information concerning your position in regard to the Jews [I had sent it to him]. Unfortunately, this position is one we could most definitely not support; and, therefore, I am going to have to ask you to cancel our meeting," Signed: A. A. Baker, Vice President.

In January 1981, I received this letter from Fairhaven Baptist College, Chesterton, Indiana. (I had been there several times in the past for seminars and Crusades and had always had a most friendly reception.) This letter said: "I received your letter regarding the Jewish question. I am going to have to ask you to cancel our meetings scheduled on November 15-20, 1981. I realize you would do nothing to embarrass the church or school...but, if you believe as strongly as it comes across in your letter, then you are going to preach what you believe to be the truth regardless," Signed: Bill Beherens, Vice President.

There is something I want you to notice about these two letters, which were representative of many others I received. No questions were ever raised about the truth of my statements, or about my fundamental Christian stand. It all hinged on my acceptance of the Jews, according to their standards. What mattered most was that I was "stepping on a sacred cow," and this they could not have. (In all fairness, I need to say that the pastor of the Fairhaven Church is one of the most fearless individuals I have ever known, when it comes to preaching the Gospel and taking a stand on moral issues. He has suffered considerably for his stand, but he refuses to take a stand on the Jewish issue.) Again, I say, how very sad!

People who had formerly been my friends attacked me. I received special notice in The Prolector, from Milton, Florida. (I had held two Crusades in their church and had spoken in their school.)
received special notice from Bob Jones University in Greenville, South Carolina. Not because I refused to preach the truth, not because I refused to accept and defend the divinity of Jesus Christ, but because I refused to put my "seal of approval" on God's bitterest enemies.

In Esther 8:17, of the Old Testament, we read: "And many of the people of the land became Jews; for the FEAR OF THE JEWS FELL UPON THEM." (Emphasis added.) This was a malady of the early church. You can read about it in John 7:13: "Howbeit no man spake openly of him [Jesus], for FEAR OF THE JEWS." (Emphasis added.) John 19:38: "And after this Joseph of Arimathea, being a disciple of Jesus, but secretly FOR FEAR OF THE JEWS." (Emphasis added.) John 20:19: "The doors were shut where the disciples were assembled FOR FEAR OF THE JEWS." (Emphasis added.) So you see, this feeling is not new among Christians and is a malady which affects most of our preachers today - "FEAR OF THE JEWS." It has turned them into spiritual cowards.

With this as an introduction, I want to go on to further explain my position and show you that, when you accept the truth of the Bible, rather than the teachings of some seminarian, Bible teacher, or preacher, a whole new vista of truth will open up for you.

Let me begin by asking you a simple question. (The answer will be between God and you.) How many of you, who are reading this message today, have ever bothered to check out the Scriptures for yourself, to find out what the Bible says about the Jews? Or do you accept everything your pastor tells you, without reservation?

The major problems with Judaism began when the Southern Kingdom of Judah was taken captive into Babylon, about 610 B.C. At this time, these people followed the Mosaic law. It was the basis of their religious belief, even though they had been careless in following it for a long time, but in Babylon a drastic change took place. The greedy priesthood, looking for ways to control the people, began to form a new religion, based on a book which is now called the Babylonian Talmud. This book, of 63 volumes, which gives "lip service" to the laws of Moses, the "Torah," nevertheless looks for ways to bypass them. Its formation took over a thousand years and it blended the old Hebrew faith, with the heathen Baal worship of Babylon, replete with its devil worship and the occult practices which Moses had expressly condemned.

This was the same religious group with whom Christ dealt in the gospel account of the New Testament; they were called Pharisees. It was this group to whom He referred as "vipers, hypocrites, children of hell."

When you learn something about this satanic, Talmudic religion (which the Jews strive to keep secret from Gentile eyes), you will begin to understand Jewish thinking and why Jesus told their religious leaders: "In vain they [the Jews] do worship me [God], teaching for doctrines the commandments of men" (Matthew 15:9). In Mark 7:13, he says of them: "Making the word of God of none effect through your tradition."

By 1158 B.C. these people, most of whom were by now "half-breeds" (see both Ezra and Nehemiah for confirmation) and many of whom had no Abrahamic blood in their veins (see Esther 8:17), bad so perverted the Mosaic teachings they taught that all worshipers of God had to live in what they called the Promised Land of Palestine.

It became obvious that, as this people increased in size, there would not be room for them in little Palestine. In order to control their people, they developed a teaching that their people automatically became captives of any land where they sojourned, even if they went there of their own free will, and it was their duty to "root out, pull down, and destroy" these people, even those who had befriended them.

In no area of Europe was this teaching more plainly seen than in Spain. The Jews had been received with respect and lived in peace and prosperity, but, when the Moorish invasion began, it was the Jews who turned traitor and opened the gates of the Spanish cities to the Moorish invaders. For this they were amply rewarded, but earned the enmity of the Spanish people.
In country after country in Europe, Jews were bitterly persecuted and expelled, not because they were God's people, as some would have you believe, but because of their treason, wickedness, and corrupt business dealings. Today, they are doing the same thing in America.

Whenever any anti-Christ issue arises in this country, whether over prayer and Bible reading in the schools, sex education, immoral textbooks, the singing of Christmas carols and the showing of nativity scenes, check and see who leads the attack. In almost 100% of the cases, it will be the Jewish-led and Jewish-controlled American Civil Liberties Union (the A.C.L.U.). Nine times out of ten, it will be a Jew who brings the issue into court. You know this as well as I do! Yet you still continue to honor them by saying they are God's chosen ones. The Jews are not out to destroy Christmas and Easter as holidays - they make too much money off Gentiles during those times - but they desire to take Christ out of these celebrations which originally were in His honor.

The Judaites of the 4th Century B.C. were a completely different "breed of cats" from those of David's time. They had by then completely destroyed the vision of a universal, loving God of all men, and had developed instead the creed of Judaism, which called for a "master race," as surely as anything Adolph Hitler ever taught. From this time on, the Pharisaic-led Jews became the most obnoxious people on the face of the earth. They were ingrained with an overbearing pride and a "creed of hatred," which looked on all non-Jew "goyim," as "cattle," rather than human beings. This is thoroughly taught in the Talmud. They completely and conveniently forgot the admonition of Moses in Exodus 22:21: "Thou shalt neither vex a stranger, nor oppress him: for ye were strangers in the land of Egypt."

The achievements of the priests who mastered Judah, and later became known as Pharisees, can be seen in their religious counterparts during the time of Christ. He reserved His bitterest denunciations for these religious charlatans. The bloodthirsty ideas of these men can be found in modern Jewish religious writings and in the statements of Jewish leaders. In 1918, Count Mensdorf, the Jewish Ambassador from Austria to England, gloated over World War I, as he said:

"Israel won this war; we made it; we thrived on it; we profited from it! It was our supreme revenge on Christianity." Indeed it was, for in that war Anglo-Saxon Christians had been seduced into fighting and killing Anglo-Saxon Christians, while the Jews became rich and powerful over the suffering of millions.

Some of the Jews of nobler minds have recognized and deplored the chaos brought about by Jewish thinking. Listen to Dr. Oscar Levy, as he laments over the actions of his people: "We Jews have erred ... we have most grievously erred. And if there was truth in our error 3,000 years, nay 100 years, ago, there is now nothing but falseness and madness, a madness which will produce an even greater misery and an even wider anarchy. I confess it to you, openly and sincerely... We, who promised to lead the world into heaven, have only succeeded in leading you into a new hell. There has been no progress, least of all moral progress. And it is our [Jewish] morality which has prohibited all real progress and - what is worse - which stands in the way of all future and natural reconstruction, in this ruined world of ours. I look at this world and shudder at its ghastliness; I shudder all the more, as I know the SPIRITUAL AUTHORS OF THIS GHAStLINESS." (Emphasis added.) Not many Jews have the courage to admit this and not many Christians are willing to accept its truth.

The Jews come to the Christian world protesting what they call "centuries of persecution." The word, "Holocaust," has become a "trigger word" on the American scene. Yet another brave Jew comes to his fellow Jews and tells them: "We come to the nations pretending to escape persecution, and WE ARE THE MOST DEADLY PERSECutors IN THE WRETCHED ANNALS OF MAN." I'm sure the Palestinian Arabs would agree with him!

I could continue with such examples for page after page, but I believe these examples will suffice. For centuries the Shylocks of International Jewry have sat in their "counting houses," of Europe and America, while a horde of sweating mankind has labored in their factories, under the constant threat
of Jew-led strikes and dissensions.

Benjamin Franklin realized this danger and, in an address delivered before the Constitutional Convention in Philadelphia in 1787, he said:

"In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated. They have sneered at and tried to undermine the Christian religion, have built up a State within a State, and have, when opposed, tried to strangle that country financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers, that they will dominate and devour the land and change our form of government. If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses, rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, gentiles, are Asiatics, they will never be otherwise."

Unfortunately, we must have had some Jerry Falwells and David Webbers in Philadelphia, for they failed to listen to this honored American and have brought ruin to our shores.

Napoleon saw through their racket in France and was made helpless by international Jewish power. Abraham Lincoln was one of the few Americans who saw how they were trying to control our finances and, along with this, our economics and, when he tried to institute constitutional money reforms, he was assassinated. Adolph Hitler saw what they were doing to a Germany, who had at first befriended them, and he too was sacrificed on the "altar of Jewish greed and hatred."

Today, because of the utter stupidity or cupidity (avarice; inordinate desire for wealth) of our leaders, both in politics and religion, our White Christian civilization, which has brought so much good to the world, has been strangled by these alien, international leeches. They will not be content until they have bled us dry and we lie supine at their feet.

In Psalm 80:6, the Psalmist wrote: "Thou makest us a strife unto our neighbours: and our enemies laugh among themselves." How Satanists like Menachem Begin must laugh in their secret meetings, as they see Christian leaders like Falwell, Webber and Van Impe, prostrate themselves before the Talmudic idol, selling their Israelite "birthright" for a mess of "vile smelling Jewish-Socialist pottage."

Most Christians believe the Jews revere the Old Testament. Listen to this quote from the late, very prestigious Rabbi Emil Hirsch: "They tell you Moses never lived; I acquiesce [agree]. If they tell me that the story that came from Egypt is mythology, I do not protest: it is mythology! They tell me that the book of Isaiah, as we have it today, is composed of the writings of three and perhaps four different periods. I knew this before they ever told me, before they ever knew it, it was my conviction."

Yet in spite of this and many other Jewish statements downgrading the Old Testament, most of our Christian leaders have been so sloshed around in the "Jewish mind detergent" of our times (a brainwashing solution made up of "an ounce of fact, dissolved in a gallon of hogwash"), that they believe the Jews are strong defenders of the Old Testament. It is probably true that not one in a thousand Christians, who support Zionism, realize that, by their own figures, more than 75% of all Jews are either agnostics or outright atheists.

Dr. Joseph Kastein, a well-known Jewish authority on ancient Jewish history and a fervent supporter of Zionism, believes that the law laid down in the Old Testament must be fulfilled to the letter. But at the same time, using the principle of "doublethink" (believing two contrary principles at the same time), he says the law is seriously flawed and cannot be trusted. He differs in this from fundamental Christians, who believe every word of the Bible is true. (I believe this also of the original texts.)

Kastein teaches that the Old Testament was a political program, drafted specifically to meet the
conditions of their time, and frequently revised to meet changing conditions. He says the Egyptian captivity, the slaying of the Egyptian firstborn, the exodus from Egypt, and the conquest of Canaan, are all myths. He goes on to explain by saying that this ancient history was invented by Hebrew priests and the lesson of vengeance on the non-Jew "Goyim" was implanted in Jewish minds for the purpose of affecting their dealings with the Gentiles forever. Again remember this idea is not from some "anti-Semitic" source. All I am doing is repeating it.

By the time the Judaïtes had returned from Babylonian captivity with their Talmud - first about 536 B.C. under Ezra, then a later and larger group about 445 B.C. under Nehemiah - they had intermarried with the native Canaanites to the point where their children could not even understand the language of the Jew (see Nehemiah 13: 24).

While most Christians believe that the Jews remained of pure blood, this was not the case. This is one of the reasons such care was taken in tracing Christ's bloodline back to David. (But this is the exception, rather than the rule.) When Jerusalem was destroyed by the Romans in 70 A.D., their records were destroyed and no one can say with certainty today: "I am a Jew, of the blood of Abraham."

If you will go back into the Bible and Jewish secular history, you will find that the tribe of Judah, from the very beginning, had a strange look about them. They never got along well with the rest of the Israelite people. They seem to have been set aside from their fellows, rather than to have been chosen. The Jewish Encyclopaedia flatly states: "In all likelihood, Judah was a non-Israelitish tribe." (Their words, not mine.)

This tribe, from which we get our present English words, "Judaism, Jewish, and Jew," set out into the future, saddled with a doctrine which was drawn up, not by Moses, at the order of God, but by the Levitical priesthood. These, very early in Judah's history, set out to completely control them. They produced a people who are dedicated to destruction. In Isaiah 3: 9, we read about these people: "The shew of their countenance doth witness against them; and they declare their sin as Sodom." This special facial characteristic has sometimes been called the Jewish look and is characteristic of all Jews who can trace their ancestry back to Judah.

In Isaiah 65:15, the prophet speaks further about these people: "And ye shall leave your name for a curse unto my chosen [yes, God had a Chosen People all right, but they were not Jews]: for THE LORD GOD SHALL SLAY THEE, and call his servants by another name." (Could this be what Jesus referred to in Luke 19: 27, when He stated how in the "end time," "those mine enemies, which would not that I should reign over them, bring hither, and slay them before me"?)

In marked contrast to this, Isaiah states of Israel (62: 2): "The Gentiles [nations] shall see thy righteousness, and all kings thy glory: and thou [Israel] shalt be called by a NEW NAME, which the mouth of the Lord shall name." (Emphasis added.)

But I am getting a bit ahead of my story!

When Israel split off from Judah, about 975 B.C. (see I Kings 12) they rejected the creed of Judaism and went their own way. When the modern day Zionists adopted the name Israel for their new state in Palestine in 1948, it was a deliberate, transparent falsehood. The new state had absolutely nothing to do with Israel and its people were not Israelites, in fact, a majority of them were not even Jews by blood.

While I was in the process of putting this manuscript together, I received a fascinating letter from a "born again" Jew. He is associated with a Hebrew organization called the Assemblies of Yahshua, in Baltimore, Maryland. He had read an article of mine, printed in the Christ is the Answer periodical, entitled "Exploding the 'Chosen People' Myth." Here is what he said in part:

"SHALOM: - Greetings in THE NAME of the only wise ELOHIM, Our blessed Messiyah and Savior, YAHSHUAI" (Psalms 68: 11; Matthew 1:21-23; John 1:1 - 3, 10 - 14 ; 5:43 and Acts 11:12.)

"I have been very disappointed with both Judaism and Christendom. JUDAISM pretends to be
ELOHIM'S CHOSEN PEOPLE, and they also pretend to believe the Torah (Law); yet they do not live by the Torah! Likewise, CHRISTENDOM pretends to believe ALL the Bible, both Old and New Covenant Scriptures; yet, they do not live by the teaching of the Messiyah nor His Apostles! (Matthew 4: 4; Isaiah 8: 20; Matthew 22: 29; 1st Thessalonians 5: 21 and GELAH or Revelation 22:18-19.)

"The MASSORITES of the Great Synagogue were very instrumental in the establishing or founding of Christendom! They went into an alliance with Alexander the Great, after they had translated the original Hebrew Scrolls of the Old Covenant Scriptures into Aramic, which is Asiatic Yiddish, and then into Greek. This paved the way for them to utilize the Greek (mythology) Churches of the Gnostics and the Coptics for the Roman Empire (political church), which is now commonly known in Christendom as the Roman Catholic Church! Since Judaism failed to get the Messiyah to accept their Political philosophy, and political offers to set up an Earthly Kingdom - with the Pharisees and Saducees as His Political Bosses - they had Him crucified by the Romans, and then went on to attempt to set up a 'One-World Government' (Catholic or Universal) by salvaging the divided Gnostic Church. (The Coptics had broken away from the Gnostics, just as the Protestants broke away from the Roman Catholies) for their own objectives and political gain and control of the entire world. This 'Religious-Political Battle' has never ceased, and it will not cease until the Messiyah returns, and overthrows ALL the kingdoms of this evil world system and gives ALL these kingdoms to His Saints. (Daniel 7: 9-27; Matthew 6: 9; and GELAH or Revelation 11: 15.)

"This drastic WORLD CHANGE will take place at the Last Trump, which is the Seventh Trumpet (1st Corinthians 15:50-54 and GELAH or Revelation 11:15). From the natural point of view, it looks impossible...but ELOHIM will intervene and thereby offset and delay Satan's plans in establishing their own One-World Government. ELOHIM's Divine Plan of the Ages will be done, whether Judaism or Christendom cares to believe it or not!

"TRUTH IS FAR STRANGER THAN FICTION! NEITHER JUDAISM OR CHRISTENDOM has the Truth! The Almighty YAHVAH ELOHIM never used any Judaite to serve in His Levitical priesthood, nor in His Royal priesthood of the Melohizedek Order. The MESSIYAH never identified any of His followers as Jews or Christians! He simply called them Disciples! AMEN AND AMEN!

"No form of government can function properly apart from the Torah (ELOHIM'S DIVINE LAWS)! Any nation or kingdom who thinks or assumes they can remain strong and stable, apart from the Torah, are only fooling themselves!

"AS A CHRISTIAN AMERICAN PATRIOT, you are doing a great work! But what are your objectives? I shall read your materials very carefully. I seek only YAHVAH'S Divine Will for my life, and not my own. Please feel free to send me any literature which you think would contribute to my Spiritual welfare and well-being."

I put this letter in this message because I wanted you to see that all Jews do not believe as our fundamentalists do!

The Encyclopaedia Britannica says that Judaism developed "long after the Israelites merged themselves with mankind" and that the true relationship between the two peoples (Judah and Israel) can be best expressed in the phrase: "The Israelites were not Jews!" Yet our learned Bible scholars and our less learned preachers continue to insist: "The Jews are all of Israel!" Fundamentalist brother, your ignorance is showing!

Judah survived Israel by a hundred years or so and brought forth Judaism, which in turn begat their illegitimate child called "Zionism." Israel disappeared into Assyrian captivity and is heard of no more on the Bible scene, except for remote hints in the New Testament, but there is absolutely no historical or Biblical proof that they ceased to exist.

Racial discrimination and segregation were not practiced strictly in the time of David and Solomon,
as can be seen by David's adulterous affair with Bath-sheba, who was a Hittite. (Zionist apologists say she was a Jewess married to a Hittite, but this is mere supposition. She was the daughter of Ammiel but I have been unable to find out what her nationality really was.)

After the split between the two nations occurred, Dr. Kastein states: "The two states had nothing more in common, for good or evil, than any other two countries with a common frontier." We know from Bible history that they occasionally fought with each other and at other times were in alliance against invaders, but the Juda-ites, from whence cometh the Jew, taught that they were a "race set apart." Thus the breach became final. This same prejudice is as common today, as it was in Jesus' time. They looked with a great deal of scorn on the people from the north and contemptuously called them "Samaritans." You may remember that is what they called our Lord! Today, the Israeli Jews are among the most prejudiced in the world and have shown a great deal of contempt for the 200,000 Black Jews who are living in their country.

A careful study of the 200 years Judah and Israel existed as separate countries will reveal that the voices of the Hebrew prophets (not Jews) were constantly blasting the creed of the Levitical priesthood for all manner of evils against the people. These Levites were even then creating the Satanic evil Jewish holy book, called the Talmud.

The voices of these ancient prophets still cry out to all mankind, out of the darkness which beclouds the time until Jesust first Advent. They constantly flay the creed which was developing within Judaism. This was the same procedure followed by our Master, when He took up His earthly ministry. The Pharisees, the major political party of Judaism, were His worst enemies; they finally succeeded in murdering Him. But praise God, they could not keep Him in that garden tomb. Today, they are still His most virulent enemies.

Most of the Bible prophets were Israelites; a majority of them Josephites. They were on the road to the truth about the "one God for all men," that was the teaching of the Christ. They were the Protestants of their day, warning of the dangers posed by "bogus Jews," just as the risen Christ warned the Church of Smyrna in Revelation 2: 9 about "them which say they are Jews and are not, but are the synagogue of Satan."

A careful study of these prophets will reveal that they were constantly rebuking the priestly doctrine of slaying and enslaving the heathen. They cried out that God desired moral behavior, neighborly conduct and justice towards the poor, the fatherless, widows and the oppressed. It was on the basis of this teaching that our American Republic was founded, with an intense desire for "liberty and justice for all." (The Jews detest this teaching, as can be seen in their support for Communism.)

While our modern fundamentalist preachers say, with a straight face, that Israel disappeared without a trace into the Assyrian Empire, the Zionists do not believe this. As far as the modern Jew is concerned, these so-called "lost tribes" have been pronounced "dead." They have suffered the same fate that an orthodox Jew suffers when he marries a "goyim." As far as the Jews are concerned, Israel has ceased to exist.

History proves that the Israelites did not disappear; they did not become extinct. Peoples do not become extinct. The North American Indians, the New Zealand Maoris, the South African Bantu are all proof of this. Somewhere in the world there must be people of Israelite blood. (We will seek to find them in Part II.)

The feelings of the Jews toward the Israelites can be seen in the Talmudic teaching which says: "The ten tribes have no share in the world to come." (They are not referring to some Jewish heaven, but to a Jew dominated, one-world government, which they have zealously advocated since their return from Babylon.)

When the Zionists used the term "Israel" to describe their "bogus" state in Palestine, they were guilty of forgery. I believe their reasoning was quite simple. They knew it would appeal to those in the Christian world, who seemed to think that they need to help God in His fulfilling of prophecy. I
sometimes feel these men pray for the success of the Jews, not because they love them so much, but because they are so anxious to prove their interpretation of prophecy has been right.

The modern state of the Israeli thrives on terror and brutality. The "Mossad," the Israeli intelligence apparatus, has become known worldwide for its terrorist methods and the brutality of its torture. State officials around the world have been intimidated by Mossad threats. While our fundamental preachers cry "great crocodile tears" for the persecuted Jews, seldom if ever do they cry out against Jewish brutality, which since 1917 has been responsible for the deaths of over thirty-four million Christians in Communist lands.

Why is it that our media, the newspapers and TV, never mention the Christian Holocaust? They certainly love to "rub our noses in a constant application of Jewish Holocaust bunk." You know the answer. It is in the Jewish control of our press.

Now before you get angry and turn me off completely, let me remind you that every major news outlet in the United States is either owned outright or controlled by Jewish interests. Please don't try and argue with me about this, just look at the facts.

Let me give you a sample: ABC (American Broadcasting Company, Inc.) corporate level control, six Jews, headed by Leonard Goldenson, Chairman of the Board; CBS (Columbia Broadcasting System, Inc.) corporate level control, four Jews, headed by William Paley, Chairman of the Board; NBC (National Broadcasting Co., Inc., subsidiary of RCA Corporation) corporate level control, five Jews, headed by Robert Sarnoff, Major Stockholder whetro-Media Television has ten major TV stations, all Jewish owned and controlled, Director Herbert Klein.

(Notice the interconnection between many of these newspapers.)

You can see that Jewish control reaches into every major city and every major newspaper in the United States. A total of 59,398,304 people in this country are being "brainwashed" on a daily basis by Jewish-controlled news, no wonder it is almost 100% pro-Zionist.

Forty-one major magazines, reaching a weekly reading public of some 77,292,298 people, are either Jewish owned or controlled. Among these are: TV Guide; Family Circle; McCall's; Good Housekeeping; Redbook; Time; Newsweek; Sports Illustrated; Cosmopolitan; U.S. News and World Report; Popular Science; Popular Mechanics; Esquire; Sports Afield; Fortune; Harper's Bazaar; Saturday Review and Harper's National Review.

This is why news, such as items concerning the so-called Jewish "Holocaust," is "force fed" to the American people, while we seldom ever hear anything about the millions of Christians killed by Jewish-Communism. The Jews, using this news control, have been able to milk countless billions in reparations from the non-Jewish world, many times paying for Jews who are still alive. What do you think would be the reaction of the Jewish world if the refugees in Russia would ask for reparations of their family members killed by the Bolsheviks? There would be the greatest scream of anguish this world has ever heard.

The acts of the early Bolshevik government, against Christians in Russia, express this same hatred. Many times the most insane hatred was carried out by Jews, who were often in charge of the Secret Police and the Labor Camps. At this time, according to Jewish sources, 90% of the leadership in Russia was made up of Khazar Ashkenazim Jews.

To an orthodox Jew, you are an idolater, and Jesus Christ is your false God. Instead of a Judeo-Christianity, as we have been taught in most of our churches, Christianity is diametrically opposed to what Judaism teaches. This is why the term "Judeo-Christian" nauseates me. It is a lie out of the pits of hell.

You may know many nice Jews. I have known some too. But the problem is that the most enlightened Jew cannot entirely divest himself from considering the world from other than a Jewish viewpoint. This is even true with the so-called converted Jew, who still brags of his "Jewishness." This is the legacy of 2500 years of teaching and thinking. I have known of converted Jews who still think of themselves as Jews, and when the "chips are down," I imagine most of them would react as Jews. Even those, who see and understand the utter destructive fallacy of Talmudic teachings, cannot divest themselves entirely from this Jewish concept. Besides, most Christians do not realize that it has been Jewish policy for many years, approved by the Talmudic teachings, for a Jew to feign conversion to Christianity, so they can infiltrate the church and thereby better destroy it.

From personal observation, I have noticed many times, when Jews make a so-called conversion to Christianity, they almost immediately become totally immersed in the business of the church; they will attempt to get on as many committees as possible; they will attend every meeting, many times with a tape recorder. You may say: "This is because Jewish converts are more sincere than others." In some cases this may be so but, from conversations with Jews, I know they are taught to infiltrate the Christian church for the purpose of destroying it. I don't mean to criticize any Jew who has a real Christian experience, but I have found them to be the nosiest people imaginable.

Now this becomes serious, as the Jewish population becomes larger and larger. In America, the
immigration of Russian Jews has reached epidemic proportions. (Remember now, these Russian Jews have no hereditary link with ancient Israel.) Today, we find Jews deserting both Russia and the Israeli in droves. They are coming to America as though it were the Promised Land. Most of them do not come as political refugees, as we have been led to believe, but because, in spite of all our economic problems, America is still the best place in the world to live. If these Russian immigrants were Christians, most of them would be deported but, because of the strong Jewish lobby in Washington, backed by Jewish money, they are able to "thumb their noses" at the immigration authorities and illegal Jews are coming in by the thousands.

While we sometimes worry about the illegals coming across the Rio Grande from Mexico and about those from Haiti and the Far East, our biggest problem at this time is the influx of illegal Russian Jews. This, of course, is kept a secret by the Jewish-controlled press.

For ten years America's Jewish population remained at about six million. Then suddenly, for no apparent reason, it skyrocketed to seven and a half million almost overnight. Some Jewish authorities place it at eleven million. It is estimated that there are 500,000 illegal Jewish immigrants living in America. How did they get here? They came as tourists or students and never left.

Then, too, to add to the tragedy, legal Jewish immigration has grown year by year. In 1973, 20,000 young people from the State of the Israeli (Sabra's - native born Jews) of draft age left for the United States. By 1980, over 30,000 Jews each year were leaving Palestine for the United States. While, according to Jewish statistics, only 1,000 per month were immigrating to the State of the Israeli, 110,000 to 50,000 were leaving each year. Does this sound to you like a return to the Holy Land, as predicted by our preachers? The Jews say: "It is nothing short of disaster."

It has been a disaster, for the United States in particular, for these Jews have not been coming here for their protection, but for the economic benefits they can receive. They have brought with them a completely alien, anti-Christian, anti-American concept and have become a power in Washington. Certainly the Democratic Party has wooed them and has become tainted by the socialist ideas which permeate our "give away" society.

Perhaps the reason for this can best be explained by a Jew. In 1934, the New York Jew Samuel Roth had a book published by the Golden Hind Press entitled "Jews Must Live." I wish I had the space to quote from him in detail, but will only give a few of his ideas. Here is what he said of his own people:

"Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and the good nature of the rest of the world. But despite our faults, we would never have done so much damage to the world if it had not been for our genius for evil leadership... The shame of Jewry comes not from our being the bankers and the old clothesmen of the world. It comes rather of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership.

"Read for yourself the story of the progress of Jewry throughout Europe and America. Wherever they have come they are welcomed, permitted to settle down, and join in the general business of the community. But one by one the industries of the country close to them because of their unfair practices - until it is impossible to longer hold in check the wrath of a betrayed people. There is violence and, invariably, an ignominious ejection of the whole race from the land. There is not a single instance when the Jews have not fully deserved the bitter fruit of the fury of their persecutors.

"Their [Jew's] disease is a sort of moral gonorrhea known as Judaism and seems to be alas incurable. The results, as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt, take a look at any Jew-ridden country in Europe. If you need any further convincing, take a look at what's happening in America.

"It is my belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is in subversion of America's best interests." [Remember now, these words come from a Jew, analyzing Judaism's problems. They are not from an anti-
The Jewish Agency is the most powerful international Jewish organization in the world. It unifies Jewish groups in every land, behind specific worldwide Jewish political objectives. It is the godfather of all other Jewish organizations.

From all the Jewish leaders, books and newspapers, we find the following conclusions:

1. Jews dream of a world domination and work for the realization of that dream,
2. Jews control the financial and economic life of the world; they have the power to instigate crises and unemployment, in order to ruin individuals and states and prepare revolution; they are born revolutionists and supply the leadership and execution of all great revolutions.
3. Jews are the creators, leaders, propagandists and money-purveyors of Marxism (socialism, communism, bolshevism).
4. Jews want all nationalities and religions to disappear, in order to bring forth the "world republic" which will deliver world control to them.
5. Jews, through their powerful means of propaganda (cinema, publishing houses, news agencies, organizations of all sorts), work for the choking of national, racial and religious sentiment, so as to bring down the civilization built by all peoples.
6. Jews control secret societies, which form provisional governments and turn all political and social upheavals to the profit of International Jewry.
7. Jews are not nationals, in whatever country they may be, but are essentially Jews, who cannot think like other citizens.
8. Jews are at the roots of most of our troubles, conflicts and revolts in the modern world; they gradually Judaize other peoples by the influence of their organizations, and work towards bringing them to believe, think and live as Jews.

All of these things are affirmed by Jewish leaders. They are not accusations of their enemies. In no other peoples in the world can be found so many identical, cynical and unanimous admissions. This destructive revolution is at our doors. The enemy is within our walls. The poison circulates within our national body.

While Christian Americans have been brainwashed by Jewish propaganda over alleged anti-Semitism, facts prove otherwise. There is very little anti-Semitism in the Soviet Union. Over a thousand Jews, who left Russia for economic reasons, have returned from Israel. One of them was quoted as saying: "The so-called Jewish problem does not exist in Russia. It was artificially created and formed for Zionist propaganda. Israel is a backward nation; she is a militaristic state, rife with inequality, racism, and immorality."

A repatriate from the Ukraine said: "We speak a different language; we think differently. Nazi Germany brought less misfortune to the Jews than has Zionism. I refused to read a false, anti-Soviet statement over the Voice of Israel Radio and lost my job because of it."

Another said: "In the Soviet Union we were regarded as human beings, in Israel they treat slaves." (Again, Jews speaking about Jews.)

The tremendous influx of Jews into America has been for one purpose alone, to further their control over us and to ultimately bring us under the bondage of their one-world government. All you need
to do to understand this is to read contemporary Jewish literature for the past 100 years. The Jewish
author, Maurice Samuels, in his book "You Gentiles," page 154, says:

"A century of partial tolerance gave us Jews access to your world. In that period the great attempt
was made, by advance guards of reconciliation, to bring our two worlds together. It was a century of
failure. Our Jewish radicals are beginning to understand this. We Jews, we the destroyers, will
remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will
forever destroy because we need a world of our own, a God-world, which it is not in your nature to
build....Those of us who fail to understand that truth will always be found in alliance with your
rebellious factions, until disillusionment comes. The wretched fate, which scattered us through your
midst, has thrust this unwelcome role upon us."

In another place he says: "The Jewish radical will turn from your social movement; he will discover
his mistake. He will discover that nothing can bridge the gulf between us." On page 144 of the
chapter entitled : "We, the destroyers," he says:

"If anything, you must learn to dislike and fear the modern assimilated Jew more than you did the
old Jew, for he is more dangerous to you. At least the old Jew kept apart from you, was easily
recognized as an individual, as a bearer of the dreaded Jewish world-ideas; you were afraid of him
and loathed him. But to a large extent, he was insulated. But as the Jew assimilates, acquires your
language, cultivates certain intimacies, penetrates into your life and begins to handle your
instruments, you are aware that his nature, once confined safely to his own life, now threatens
yours."

I believe the reason the Zionists are carrying on an "anti-Soviet" campaign at the present time is
that they are attempting to fool the Christian world into believing they are against the Soviets. Time
and time again, our press states that the Zionists are our best friends in the Middle East and the
"bulwark against Communism." This is a "smoke screen," which they have successfully used in the
past. Not only does it blind us to the Communist nature of the Zionist beast, but it takes our minds
off the millions of Christians who have been slaughtered by these people we are taught are God's
Chosen.

Too many "brainwashed" Christians, such as Dr. Jerry Falwell, Dr. Jack Van Impe, Dr. David
Webber and others, have used this in their defense of these anti-God people.

Van Impe, in his book, "Israel's Final Holocaust," has become one of their top apologists. According
to him, they can do no wrong. (This is also a Falwell premise.) Van Impe begins Chapter Seven by
stating: "The Jews have enriched all the nations in which they have settled - an inevitable fact,
promises made to Abraham in Genesis 12:2." Does this mean that he is naive enough to believe that
the black singer, Sammy Davis, Jr., is a descendant of Abraham? Does it mean that he accepts the
90% of modern Jewry, who are Khazars by descent, as descendants of righteous Abraham?
Evidently! How ridiculous can a modern man become in his rationalizing?

If you will take time to read God's promise to Abraham in its context, you will find it does not
mention the word Jew; in fact, the word did not even come into usage until 1200 years later. It does
not even hint that such a people would be included in this blessing in the future. The "Chosen
People" idea, as we have it today, is the product of the "fertile imagination of some fundamentalist
mind." It has absolutely no basis in Scripture. When the Psalmist wrote in Psalm 135:4 that God
chose Israel for His "peculiar treasure," it had no reference whatsoever to a people we now call
Jews.

Then Van Impe poses an absurd question: "Why are the Jews so maligned and hated, when they
have been so productive and helpful? There can be only one explanation - the fulfillment of
prophecy: 'And thou [Jews] shalt become an astonishment, a proverb, and a byword, among all
nations whither the Lord shall lead thee' (Deuteronomy 28: 37)." Well, the Jews have been
productive, they have taken their "pound of flesh" for everything they have given to mankind.
There is little question that the Jew is hated worldwide. It is not because of his contributions to mankind, but because of his evil, double-crossing, treacherous actions toward God, the nations which have succored him and everything which is "lovely and of a good report."

He has been kicked out of every nation in Europe, not because he is God's People and Satan hates him, as Van Impe would have us believe, but because of his evil ways. Look at our own history. Who have been the traitors against America in the past 100 years? Close to 100% have been Jews. You know the names of many of them. The Rosenbergs, the Sobells, the Lattimores. For over fifty years, our State Department has been riddled with Zionist-Communist collaborators. A large majority of the infamous Weatherman Underground Movement in the United States - a movement dedicated to the destruction of our Constitutional Republic - has been Jewish. They have attacked our police; subverted our college youth; planted bombs and thumbed their noses at Americans in general. Most of these have been Jewish, from wealthy and prominent New York families.

Kathy Boudin, recently in the news, has said that she "hated her white skin and the privileged lifestyle she lived before she became a subversive." Her father, Leonard Boudin, was a Jewish lawyer, noted for his defense of many charged with communist activity. Her home was called "a salon for leftist intellectuals." On more than one occasion, Mr. Boudin defended his daughter's terrorist acts and he is reputed to have secretly funded some of her subversive activities.

This was the group which coined such phrases as: "All white babies are pigs!" They were the words of sick, powerful, crazy people, bent on murder and mayhem. Then there was Judith Clarke; David Gilbert; Eva Rosahan; Eleanor Raskin; Jerry Rubin; Bernadine Dohrn; Jane Alpert; Mark Rudd, all Jews and all dedicated to the destruction of America and white Christian civilization. The Weatherman Manifesto stated: "We will loot and burn and destroy, we are the incubation of your mother's nightmares." Bernadine Dohrn was involved in 25 bombings; yet when she was picked up by the police, the Jewish Judge, Fred G. Suria, Jr., put her on three years' probation, saying: "She has suffered enough through her years of hiding, separated from her family and friends." When she was sentenced, she defiantly told the judge that she was still "committed to the struggle ahead!"

A new book, "Growing Up Underground," has recently been released and promoted by the Jewish William Morrow Publishers. It was written by the Jewess Jane Alpert and paints a sympathetic picture of the treasonous Weatherman Organization. Alpert surfaced from the underground in 1974 and, despite the fact that she confessed to conspiracy in the bombing of eight New York government and corporate buildings, she was given three years in prison, but only served one. She revealed that her wealthy Jewish parents had financed her underground activities. On and on we could go.

The Apostle Paul put his finger squarely on the problem in I Thessalonians 2: 15, when he says of the Jews: "Who both killed the Lord Jesus, and their own prophets, and have persecuted us [the Christian church]; and THEY PLEASE NOT GOD, AND ARE CONTRARY TO ALL MEN." (Emphasis added.)

I could go into Van Impe's virulent tirade against Germany and show you how he has twisted facts for the benefit of the Zionists. He has apparently swallowed "hook, line and sinker" the Jewish "Holocaust" story, all proof to the contrary. What I am showing from his book is for the purpose of getting you to study deeper into how the Jews use propaganda and fool some "pretty good men."

On page 81 of "Israel's Final Holocaust" he states: "Hundreds of thousands of Jews were fleeing before the advancing German Army ... It is doubtful that any people ever suffered as did the Jews during World War II, when they were the special object of Hitler's hatred." Page 82: "When the German Army moved into Russia, mobile killing units were dispatched for the sole purpose of following the army and killing Jews. Within five months, these murder missions brought death to 500,000 Jews." (I would really like to know where he got those figures.)

Yet compare Van Impe's statements with this fact. Jewish population statistics for 1939 show that there were only 550,000 Jews living in Germany and, if "hundreds of thousands fled before the advancing German Army," where did they come from?
He goes on: "Auschwitz was equipped to execute 10,000 Jews per day and Treblink could destroy 25,000." But eyewitness accounts say there were only four crematory furnaces in Auschwitz, and each had a daily capacity of six bodies. This would mean that, working at full capacity, day and night, only 8,060 bodies could have been handled each year.

Something is drastically wrong in this man's figures. If he had taken time to do some research, he would have found that the World Almanac for 1939 showed the Jewish world population to be 15,688,259. Nine years later, after 6,000,000 Jews were supposed to have been murdered, the Jewish-run New York Times reported there were between 15,600,000 and 18,700,000 Jews in the world. Does Van Impe expect us believe that the Jews reproduced this fast? You see, my brainwashed Christian friends, you make a fool out of yourself and a mockery of God, when you allow yourself to be fooled by Jewish propaganda. It has done a "hard sell" on a lot of good men like Falwell, Van Impe, and Webber.

Another preacher, who differs greatly, as far as doctrine is concerned, with the fundamentalist pro-Zionists, is "Israel first," pastor H. B. Thieme, Jr., of the large Beracheh Church in Houston, Texas. In his book, "Anti-Semitism," page 12, he writes: "The Jewish race is the youngest, yet the greatest of all races in history. God formed it for the specific purpose of being instruments for the development and dissemination of the Old Testament Canon." Yet in spite of what this "learned" man says, and he is well educated, make no mistake about that, the fact remains there are only four races on this earth - white, black, yellow and red. There is no more a "Jewish race," than there is a "Christian race," or a "Buddhist race." The Jews belong to the same race as the Arabs, the ancient Assyrians, Edomites, Amorites, Syrians, etc., at least a small percentage of them do. The greater portion had nothing in common with Palestine or Abraham.

He goes on: "Abram (renamed Abraham by God in Genesis 17: 5) was circumcised at the age of 99, as an act of faith, and became the father of the Jewish race." This was about 1900 B.C. according to Bible accounts. Yet the Bible clearly shows that there were no people called Jews until about 742 B.C., where for the first time they show up in the Bible account in 2nd Kings 16:6. This was 1200 years after the time of Abraham. Anytime you hear a preacher state, "Abraham was a Jew," you knew he is either "rather dense," or he is being "intellectually dishonest."

He goes on: "To countermand Satan's evil design against the promised new race, omniscient God affixed a blessing and a cursing clause to the Abrahamic Covenant. The latter vouched for sustained divine provision, protection, and preservation of a remnant of the Jews, in every generation." He then quotes from a verse, which is very popular in fundamental circles: "I will bless them that bless thee, and curse him that curseth thee." This was the verse my pastor used on me, when I told him to check the Jewish record. "God has blessed America, because we have been kind to the Jews," he said. When I pointed out that the time of America's greatest debacle has come since we recognized the "bandit State of the Israeli" in 1948, he got mad and pronounced me an "apostate." If you will look closely at this promise, you will see that it indicates blessings only for Abraham; it does not even hint at his posterity.

Thieme goes on to say: "The Lord blessed Potiphar, the Egyptian, for Joseph's sake (Genesis 39:5), but he judged Egypt for enslaving the Jews (Genesis 15:13-14)." Here we can see intellectual dishonesty at work, since there were no people called Jews anywhere on earth at this time. Continuing with his false reasoning, he states: "God will bless all who bless the Jews and punish all who interfere with His plans and His People." (I would imagine this same kind of reasoning was in Dr. Falwell's mind, when he gave the "blanket approval" of all fundamentalists to the little "Hitler of the Israeli.") If both Thieme and Falwell had used the proper term "Israel" instead of "Jew," in their statements, I would have been compelled to say "Amen!"

Throughout his book, Thieme follows the false process of using the terms, "Jew, Hebrew, and Israeliite," as interchangeable. They are not synonymous, they never have been and never will be. On page 29: "Most of the opposition to the Jews (19th Century) has come from organized religion.
This opposition was based on the claim (Luke 23:23; Mark 15:15; Matthew 27:27; Acts 5:30) that the Jews were responsible for crucifying Christ. This is only partially true! The real opposition to the Jews was the same as it is today. In every place where they have settled, they have brought along their unGodly, immoral, crooked and treasonous practices. Check the history of every nation which has given shelter to the Jew. The story is always the same. Yet the Jew defenders never mention these reasons. He goes on to state: "They were confined to the limits of the ghetto," yet he fails to explain that the "ghetto" was not an European invention, but was straight out of the Talmud and was a device used to control Jewish people by their own religious authorities.

A few paragraphs later Thieme says: "There were utterly ridiculous and unfounded claims of blood libel; that is, the accusation that the Jews murdered Christian babies to obtain blood for the Passover ritual." This statement shows how unscholarly a good scholar can become, when he becomes involved with Jewish propaganda. These accusations, backed with prosecution and conviction, are laced throughout European history, and there have been cases of this heinous crime in the United States. It is a proven fact that Talmudism is Satan worship, and it has been known by knowledgeable persons that, down through the centuries, the Jews have been known to commit terrible pollutions at their secret gatherings.

Much of the success of Jews, in their dealings with Christians, comes through their use of magic. Elphias Levi, a person whom no one can accuse of anti-Semitism, asserts in his Dogme et Rituel de Haute Magie, 1961, Chapter 4, page 78: "The Jews, who believed most of all in the secrets of the 'Cabbala,' were in the Middle Ages almost exclusively the grand masters of magic." In Voltaire's work, "Henriade," describes a revolting ceremony in which the devilish name was mentioned with the Eternal in the same breath. He said: "The priest of this temple is one of those Jews who are respected as world citizens." In a footnote he says: "It is universally customary that the Jews gave themselves up to magical actions."

Thieme continues by saying: "It was Christian mistreatment of the Jews which has caused the name of Jesus to become a stumbling block to the Jews." My friends, Jews have hated Jesus Christ ever since the day He called their religious leaders "hypocrites and poisonous snakes." (See Matthew 23:13-35 for about as thorough a coverage of this subject as is possible.)

Speaking about the persecution Thieme mentions, why is it that he says nothing about the millions of Christians who have been tortured, imprisoned, and murdered by the Jewish Communists? The Jews have hated Christ since the time in John 8: 44, when He stated: "Ye are of your father the devil." It is no wonder that modern day Jewish Rabbis want the book of John taken out of the New Testament. If you had no other literature in the whole world, other than the Gospel of John, you would have no excuse for not knowing that the Jews are not God's people.

What makes you believe that a "child of Satan, the murderer," would hesitate in killing a Christian baby? It certainly doesn't stop the Jewish doctors who man most of our abortion clinics! Thieme is reaching desperately for the defense of a people who cannot be defended and is using the "big lie" technique he claims to abhor.

He even derides Martin Luther, the great Protestant Reformer of the 16th Century, by stating: "Martin Luther started out by defending the Jews." Then he began to learn about their treachery from firsthand experience and became their bitter enemy. Thieme claims that it was only when the Jews spurned Luther's offer (whatever that may have been) that he turned against them, "as he later turned against others who had disillusioned and betrayed him." He fails to state that all of Luther's statements concerning the Jews have been expunged from the modern Lutheran churches and seminaries.

Thieme, as wrong as he is concerning the Jews, still understands one important point which seems to be overlooked by a majority of fundamentalists. On page 39, he states: "Zionism is strictly man's efforts to usher in the Jewish Millennium." This is true! It is the aim to "help God" by creating a homeland into which all Jews, who wish, might be admitted. Thieme states: "The Bible neither
condemns, condones, or encourages such an effort. However, Scripture clearly indicates that during the Trib. Ceion [and here he switches names again and uses 'Israel'] Israel will be regathered in unbelief, a nation in its own right, and in a position to draw and sign legitimate treaties."

The efforts of Christians, to speed this heathen Zionism on its ungodly way, is a mere attempt of men to "speed up God's prophetic timetable." It is almost as though they believe God cannot handle things without their help.

Thieme's statement on page 45 is one of the best examples I have ever seen of how Zionist propaganda can twist the thinking of a brilliant man. Here he speaks of Britain's struggles with the Zionist terrorists in Palestine (of course he does not call them "terrorists"). "Handicapped by their consideration for the Arabs, British leaders were deaf to those voices [the pro-Zionist voices in parliament] and threw caution to the winds. British armed might now became the Palestinian Jewish soldiers' most formidable enemy. THIS ACTION TURNED OUT TO BE A TRAGIC MISTAKE!" (Emphasis added.)

He goes on: "Historically Britain lost the struggle in Palestine over the precedence of greater problems in other parts of their far-flung empire, which began to crumble." NOTICE, VERY CAREFULLY, THIS STATEMENT WHICH FOLLOWS: "However, Britain's decline can be attributed to one fact only, THE NEVER-FAILING OUTWORKING OF THE PRINCIPLE STATED IN GENESIS 12:3:"

I am sure Thieme, as well educated as he is, recognizes this as a falsehood. Britain's decline came about for the same reason it is going on in the United States and the rest of the Anglo-Israel nations. Not because we have been unkind to the Jews, but because we have departed from the "faith of our fathers" and have broken their Covenant with our God. The only part the Jews have played in this has been their usual one, of adding to the decadence, which is designed to bring about their one-world government they so selfishly want for themselves.

On page 61, page after page of Jewish-supplied statistics concerning German atrocities against the Jews during World War II, he makes this rather ridiculous statement: "This myth [racial superiority], conjured up in the German minds their foremost place of power in Satan's domain - Germans as supreme masters with the world groveling at their feet." (This is the exact dream of the Jews whom he supports.)

In the London Jewish Chronicle, January 22, 1943, Berl Locker, speaking at a Zionist Conference, said: "We have the right to come to the world today and say - 'Here is the Jewish problem. Settle it to our satisfaction, or there will be no rest for the world.'"

Vladmir Jabotinski, a radical Zionist leader at the 5th Congress of Polist Zionist Revisionists, was reported by the London Times, December 30, 1931, to have said: "The Jews will become the dynamite which will blow up the British Empire!" They were!

Goldwin Smith, a Jewish Professor of Modern History, at the University of Oxford, 1881, said: "We regard our race as superior to mankind, and look forward not to its ultimate union with other races, but to its triumph over them."

Rabbi Lewis Browne, in his book, "How Odd of God," says: "We Jews intend to remake the Gentiles - what the communists are now doing in Russia!"

In 1889, a document was published by Baron Julius de Rothschild. It was dated 1289 and was written by Chemor, Jewish Rabbi of Arles Province. He had written to the Grand Sanhedrin for advice concerning Jewish problems. He received an answer with six main points. Here is one of them: "Arrange for your sons to become advocates and lawyers and see that they always mix themselves with the affairs of State, in order that, by putting Christians under our yoke, you may DOMINATE THE WORLD AND BE AVENGED ON THEM." (Emphasis added.) Why is it that Thieme puts none of these statements in his book? Is he really interested in Christians knowing the truth?
On page 73, after a rather ranting dissertation, extolling the virtues of the Jews and damning anyone intelligent enough to recognize their danger to Christian civilization, he makes this statement: "There never was a Jewish plot to overthrow the duly established authorities in any nation; there is no International Jewish conspiracy now! The only genuine fact that exists is that the Jews are always under attack!" Now, whether he knows this or not, this statement is an outright lie and can be proved by the statement of many Jewish authorities.

If his statement is true, then how can he account for the fact that 95% of the leaders of the Communist Revolution in Russia were Jews? All you have to do is look at their names to see this. How does he account for the fact that it was two New York Jewish bankers, by the name of Schiff and Warburg, who donated the $20 million that made the Bolshevik Revolution a success? If his statement is true, then why do Jewish leaders brag about the part Jews played in the Revolution? In my 22-page pamphlet, "From the Horse's Mouth," I give many documented statements by Jewish leaders as to their part in Communism. They glory in it. Let me give you a few examples:

In the Zionist organ, The Maccabean, New York City, November 1905, this headline appeared: A JEWISH REVOLUTION!

The Jew, M. Hermalin, New York City 1917, said: "The Russian Revolution was made by Jews. We created secret societies and planned the reign of terror. The revolution succeeded by our convincing propaganda and our mass assassinations in order to form a government which was truly ours."

The American Hebrew, leading Jewish newspaper in the United States, August 10, 1920, said: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was the creation of a new world order. What happened in Russia shall also, through the same Jewish mental and physical forces, become a reality over all the world."

Samuel Roth, a Jew of unusual bravery, warned his fellow Jews with these words: "We come to the nations pretending persecution, and we are the most deadly persecutors in all the wretched annals of mankind."

Is Pastor Thieme going to call me a "Liar" and say that I have made up all these statements? Or will he be honest enough to do some checking on his own and learn the truth? I rather doubt it!

While Thieme praises the Jews for their wonderful contributions to mankind, one of the leading Jewish novelists of the 19th Century, Conrad Alberti (Sittenfeld) wrote: "No one can dispute that Jewdom takes a leading part in the pollution and corruption of world relations. A characteristic of the Jew is a stubborn endeavor to produce values without work and this is an impossibility. It simply means that these values are artificially produced by swindling and corruption." (It takes one to know one!)

Thieme, like most Zionist supporters, is terribly inconsistent. He says on page 75: "The Jews are not the Christ-killers whom the anti-Semites would have them to be. Besides, only a rather small faction of Jews - Pharisees-plotted the death of Jesus." Could it be that he is calling Matthew a liar? For this very clear account says (27:25): "Then answered ALL THE PEOPLE, and said, His blood be on us, and on our children." You choose whom you want to believe, this Jew lover, or God's own account.

On page 150 he contradicts himself again when he states, "Any attempt at internationalism is of the devil!"; yet, as an educated man, he must know that the Jews are the most notorious internationalists in existence and that the core of their doctrine is one-world government, with them in control.

I cannot help but wonder about Jewish truthfulness, when I see Jews, who were supposed to have perished in the German camps, now drawing reparations from the German people; or a young
Jewish woman, speaking of her experiences in a prison camp and being given enthusiastic responses by Christian audiences, who are too stupid to realize she is too young, by twenty years, to have gone through that experience. Then to see films, like The Bunker, Skokie, The Diary of Anne Frank and The Holocaust being crammed down the throats of Americans via television and the movies and being passed off as documentaries, when most of the material shown is pure fabrication, it makes one wonder. That is, until you realize that the Talmud gives the Jew the authority to lie to, and break his oath to, a Gentile, as long as he takes the Kol Nidre oath once each year. (This is an oath that absolves him of all lies told to a Gentile.)

If you would like documentary evidence of what I have written and would like some good written material covering it, I would suggest "The Overman Report," by Rev. Kenneth Goff and "The Iron Curtain Over America," by Col. John Beaty."

The entire drive of Judaism, towards a Jewish controlled one-world government, can be summed up in the arrogant words of the International Jew, James Paul Warburg, as he testified concerning internationalism before a U.S. Senate Committee, February 17, 1950. He said: "We [America] shall have world government, whether we like it or not. The only question is whether world government will be achieved by conquest or consent."

So the battle rages and many Christians do not even know there is a war going on. They read those marvelous words of Ephesians 6:12 and they come out: "For we wrestle not! Period!" Certainly, very few, in the fundamental world, realize that it is a war between the forces of Talmudic evil and that representing Jesus Christ. As a result, when they see how anemic their efforts are, they become discouraged, because they do not realize they have been subsidizing their own enemy.

Too often the forces of Christianity have been neutralized by blind leaders, who refuse to see that the source of the evils they claim to hate and fight is the thing they are supporting. Seven hundred years before Christ came to earth, the Prophet Isaiah predicted such men, when he said (56:10-11): "His watchmen are blind: [they refuse to see]: they are all ignorant [they refuse to accept what God's Word says, if it contradicts their pet theory], they are all dumb dogs, they cannot bark [a watchdog, who refuses to bark at the approach of danger, is worse than useless]; sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain." (They are willing to do anything to remain in Jewish favor.) What a terrible indictment for our spiritual leaders.

There are many examples of these men "selling out" for financial benefits. I can think of none so blatant as that of Billy Graham and Oral Roberts. By contrast, during the early days of Moody Bible Institute in Chicago, its President, Dr. James Gray, was a great Christian scholar who did not believe the Chosen People theory. He came in for a lot of criticism from the Christian world and some persecution from the Jews. His life was threatened on a number of occasions but he would not give in. Moody's was always in financial difficulties in those days. By contrast, on his death, every president since then has been pro-Jewish and the Institute has never lacked for financial assistance. This should tell us something.

Do you honestly believe that men like Falwell, Van Impe, and Graham would continue very long on national television, if they came out with an anti-Jewish stance? You know the answer to that!

In the Twentieth Century, we have seen two generations of Western politicians who have been in quest of Jewish favors, often to the detriment of their own countries. The result has been two world wars, found not "to end all wars," not "to protect Democracy," as our fighting men were so glibly told, but to increase the power and wealth of the International Jewish gangsters; set up the "bandit State of the Israelis" in Palestine and bring about the final Jewish takeover of the world.

It was during the Babylonian captivity that the teachings later incorporated in the Talmud began to supercede the teachings of the Mosaic Law. The Jewish religious leaders, led by the Scribes and the Levites, began to form a new religion for this ancient people. It was a formal denial of the God of
their forefathers and of His Law. The following is advice from a highly respected Rabbi: "My son, give heed to the words of the scribes, rather than to the words of the Law."

In the Sanhedrin X, 3, f.88b, you can read: "He who transgresses the words of the scribes sins more gravely than the transgressors of the Law." In the book, "Mizbeach," we find the following opinion: "There is nothing superior to the Holy Talmud."

Christians from the first century have condemned this Satanic book, and it was proscribed by both the Church and the State on many occasions. Toward the end of the 16th Century, many Christian scholars began to study the Talmud, and the Jews, fearing for themselves, began to delete parts which were hostile to Christians. Thus the Talmud, which was published in Basel, Switzerland, in 1578, was mutilated in many parts. The Rabbis however, had the unexpunged books from which they teach.

The teachings of the Talmud are reflected in the writings of many Jewish authors. Listen to the words of the eminent Rabbi Solomon Goldman: "God is absorbed in the nationalism of Israel. He becomes the national ethos (character)... He creates the world in the Hebrew language. He is our national God."

In Maurice Samuels' book, "You Gentiles," he states: "We and God grew up together... We have a national God ... We believe that God is a Jew, that there is no English or American God."

Dr. Kastein, another Jewish historian, says: "It was not true that God willed these people [Jews] and their meaning. It was this people who willed God and this meaning." In other words: "The Jews created God." If this is the case, then He is not the Deity who Christians worship. Yet these same people obligingly tell us that 75% of their people are either agnostics or outright atheists.

When the Jews lost their language (Hebrew) in Babylon, they spoke Aramic, so a translation of the Scriptures became necessary. This was undertaken, according to Jewish tradition, by 72 Jewish scholars in Alexandria, Egypt, between 275 and 150 B.C.

"The single largest body of Jews in the world at that time lived in Alexandria. Here Greek was the common language. So the Talmud, which had its beginnings in the heathen culture and beliefs of Babylon, was first translated into a distortion and twisting of words, changes of meaning and frequent substitution of general terms and ideas from those which were purely local or natural," according to Dr. Kastein.

When John Hyrcanus, king and high priest in Judea during the brief revival of Judaism, prior to Christ's first Advent, attacked the Idumeans and, at sword's point, forced them to be circumcised and accept Judaism, many of the descendants of Esau became Jews.

During this period, two political parties rose to power in Judea. The more moderate of these was the Sadducees, who supported the monarchy. The Pharisees, who were heirs of the Levites, controlled the thinking of most of the Jews. They formed the most numerous and powerful political party at the time of Christ and numbered among their adherents the High Priest Caiaphas and the most powerful Jewish lawyers.

Against those who insisted that the Mosaic laws were not capable of change, the Pharisees struck with deadly enmity. "We are the keepers of the oral law, directly imparted from Moses," they said. Christ said of them: "The scribes and the Pharisees sit in Moses' seat" (Matthew 23:2). They claimed to possess the secrets of God and caused the mystic awe, in which so many generations of Jews have held the elders. This awe has had the power to frighten even the most enlightened on the outer fringes of Jewry.

Strangers to Jewry, including most of our fundamental scholars who back them as the Chosen People, are usually mystified at how the ruling sect of Jewry has been able to control Jewish communities scattered around the world. Yet at the time of Christ, these rulers were so strong they intimidated the Roman governor of Judea. In Mark 15:15 we read: "So Pilate, willing to content the people, released Barabbas [a murderer] unto them, and delivered Jesus, when he had scourged him,
to be crucified." Luke 23: 23 puts it a bit more clearly: "And they [Jews] were instant with loud voices, requiring that he [Jesus] might be crucified. And the voices of them [the Jews], and of the chief priests prevailed." (This should blow to pieces the contention of the fundamental apologists for the Jews, who say the Jewish people were not in favor of Christ's death.)

Although the Roman governor knew he was dealing with an innocent man, and even though he had been warned by his wife as to the consequences of condemning an innocent man, he gave in to Jewish pressure and had the Son of God executed. (There is some evidence that Caiaphas had become aware of some privileged information, that linked Pilate with a plot to assassinate the Emperor, and Caiaphas held this over his head as blackmail.)

The Jews had been led to believe that their Messiah would be a militant, avenging leader, who would destroy all the Jewish enemies and rule over them with a "rod of iron." The idea of a man, who would teach "love your enemies" and "turn the other cheek," was too much for their "eye for an eye, and tooth for a tooth" souls, so soaked in the virulent hatred of the Talmud, to accept. So they murdered the Son of God. (Yes, the proper word to use here is MURDERED!)

To understand this Jewish hatred for all things which are Christian, it is necessary to look into the Talmudic teachings. It teaches that "The life of a Goi and all his physical powers belong to a Jew." It is an axiom of the Rabbis that a Jew may take anything that belongs to a Christian for any reason whatsoever, even by fraud; nor can such be called robbery, since it is merely taking what belongs to him.

If a Jew goes to collect money from a "Goi" and he pays too much, the Jew may keep the difference. In the CHOSCHEN HAM, (266, 1), it says: "A Jew may keep anything he finds which belongs to the Akum [Christian], for it is written, 'Return to thy brethren what is lost' (Deuteronomy 22:3). He, who returns lost property to a Christian, sins against the Law by increasing the power of the transgressors of the Law."

In BABHA KAMA (9113b), it says: "It is permitted to deceive a Goi."

In IORE DEA (157, Hagah), it says: "If a Jew is able to deceive them [Christians] by pretending he is a worshiper, he may do so."

In the BABHA KAMA (113b), it says: "The name of a Jew is not profaned when, for example, a Jew lies to a Goi... as long as the Goi does not know he is lying."

In IORE DEA (158,1), it says: "The Akum [Christians] who are not our enemies must not be killed directly, nevertheless they must not be saved from danger of death. For example, if you see one of them fall into the sea, do not pull him out unless he promises to give you money."

CHOSCHEN HAMMISCHPAT (388, 10) says: "There are those who say that a traitor is to be put to death only when it is impossible to get rid of him by mutilating him, that is, cutting out of his tongue, or his eyes, but if this can be done he must not be killed." (You wonder why the Israelis are so brutal in their dealings with the Arabs?)

In the SANHEDRIN (59a), it says: "Rabbi Jochanan says: A Goi who pries into the Law is guilty of death." What this means is that those of you who read these words can be condemned to death by a Jew.

In the ABHODAH ZARAH (926b, Tosephoth), it says: "Even the best of the Goyim should be killed."

At the time of Christ, most of the followers of Jesus were non-Jews, although we have been told otherwise. Most of them, that we know about through the Scriptures, were Benjamites from the Northern Area of Palestine, known as Galilee; they were held in the utmost of contempt by the Jews and were called "Samaritans." The testimony of the Holy Spirit in Acts 1:11 shows us that these people were Galileans. The majority of these people, who were called "The Way," later to become known as "Christians," were gathered on the Mount of Olives, to see their Lord return to heaven.
They were addressed as "Ye men of Galilee." While these words should have a special significance to us, I have never heard a Baptist preacher attempt to explain them.

By rejecting Jesus as their Messiah, the Jews bequeathed to all future generations a tormenting doubt, plus their own condemnation as found in Matthew 27:24-25. Today, these same people, or those who say they are Jews, are trying desperately to prove to the Christian world that they had no part in the murder of our Lord.

In spite of the screams of innocence from these people, the name of Jesus may not be mentioned in the home of a pious Jew, except in a curse, while Christ and His followers are cursed on a daily basis in regular prayers. (Ask your pastor to explain this for you!)

If today's Zionists are the Jews of Jesus' time (and this claim is almost universally accepted in our churches), then the party which condemned Jesus in Palestine in 33 A.D. is the same one which rules in Jerusalem today. The full weight of Christ's condemnation fell on these fellows. In John 8:44, he called them "children of Satan." In Matthew 23:31 - 35, He accused them of being guilty for all the innocent blood which had been shed on earth from the time of Abel to the dispersion in II Chronicles. It is no wonder the Pharisees and their modern day relatives hate Him so! Yet isn't it strange that the very things which Jesus singled out for attack are what today's Zionists claim are identifying features of Jews, Jewishness, and Judaism?

Jesus, the unschooled young man from Galilee, reached out His Divine finger, over 1900 years ago, to thrust aside all the mass of Jewish heresy and reduce the law and the prophets to two great commandments: "Love the Lord thy God with all thy heart, and...thy neighbour as thyself. THERE IS NONE OTHER COMMANDMENT GREATER THAN THESE." (Mark 12:30 - 31.) (Emphasis added.) This was a complete repudiation of Talmudic teaching which says that "non-Jews" are nothing but animals, fit only for Jewish use.

It is interesting to note how the politician, the Roman Governor Pontius Pilate, dealt with the Jews during Christ's trial. His wife's warning, his Roman training and his political background screamed: "Hands off!" He tried, as modern politicians often do, to "pass the buck" to Herod but that did not work. Then he tried to assuage the bloodthirstiness of the Jewish mob by having Christ whipped until His back was a mass of broken, bleeding flesh and muscle. When that did not work, he gave in.

He did the same thing our Anglo-Israel governments have done over and over when dealing with the Jews. Going all the way back to President Woodrow Wilson and his "right-hand man," Edward Mandel House, and continuing through the administration of Franklin Delano Roosevelt, and every administration since, including the present one, our government, in the name of good relations with the State of Israeli, has sanctioned murder, torture and robbery of countless thousands of Arab Christians, who have been forced out of their homes by illegal Israeli actions. Why have the officials of the greatest nation in the world bowed to the will of the tiny nation of the Israeli? Van Impe would have us believe this is the fulfilling of prophecy. I accuse them of cowardice. I say they have done this for Jewish praise, for Jewish money and for Jewish votes and the sanctimonious hypocrites, standing behind the pulpits of our land, have done the same thing.

In the years since Christ's resurrection, the western Christian civilization has left the rest of the world behind. Nowhere else has there been such remarkable progress. But our greatest progress was not in the fields of science and technology - great as they were - but in the moral and spiritual relationship with man and his Creator.

It has been the White Christian nations of the world who have liberated the slaves from the chains of Jewish dominated slavery. (Before the Civil War, records show that the Jews dominated the slave trade; they owned 90% of the slave ships, which brought Blacks from Africa to the New World.) It was white men of moral and spiritual courage, who first in England, then in the United States, liberated the slaves. Our peoples have done more for human rights than all the rest of the world combined. The Jews have done none of these things!
Now I realize that some of you are going to disagree with this statement, because the Jews have been very loud over their defense of Civil Rights in this country. Their American Civil Liberties Union is a good example of this hypocrisy. But more and more intelligent Black people are beginning to realize that the only reason Jews have cultivated Blacks is to use them as "cannon fodder," in the coming "race war" which the Jews hope will put them in command of this nation.

It is difficult for our fundamental preachers to admit that the Mohammedan people are closer to Christianity in their belief than the Jews. They have preached their "Judeo-Christian" concept for so long, that most of them are convinced of its authenticity. Yet the Mohammedans believe in the One-God, the Creator of the universe and of all mankind. They do not preach hatred for either Jew or Christian. While they do not believe Jesus Christ to be the Son of God, they honor Him as a great prophet, like Moses. But the Jews spit on His name and call Him a "Mamser" (illegitimate bastard). They say He deserves to suffer eternity in hell for leading Jews astray.

One of the most valuable characteristics of the Jews has been their ability to hide their virulent hatred from Christians. While the Talmud refers to our Lord as "a fool; sorcerer; profane person; a dog; a child of lust, and many more epithets," they are careful to conceal their contempt behind a Talmudic facade. They are told, over and over again, to never allow their evil intentions to become known to the "Goyim."

During the latter part of the Seventeenth Century, when knowledge of the contents of the Talmud was becoming fairly widespread in the Christian world, it led to much embarrassment for world Jewry. This led to the following edict, quoted here from Douglas Reed's book, "The Controversy of Zion," page 90: "This is why we enjoin you, under pain of excommunication major, to print nothing in future editions, whether of the Mishna (oral laws), or the Gemara (the discussions of the rabbis concerning these oral laws), which relates whether for good or evil to the acts of Jesus the Nazarene, and to substitute instead a circle like this 'O,' which will warn the rabbis and schoolmasters to teach the young these passages only 'viva voice!' (by word of mouth). By means of this precaution, the savants (scholars) among the Nazarenes (Christians), will have no further pretext to attack us on this subject." This decree was passed by the Jewish Synod of Poland in 1631.

In the 20th Century, Christians have been led to believe that the "ghettos," built in the large cities of Europe, were put there by Gentiles as sort of "Jewish concentration camps." Nothing could be further from the truth. They were Talmudic inventions, used for the control of Jews. We see the first one in Jerusalem, in the book of Nehemiah, where he built a wall around Jerusalem and, when it was finished, drove all "non-Jews" outside. It was from this model that the modern "ghetto" took shape. It is to make minimum contact between Jew and Gentile, and keep the Jew from becoming contaminated, by brushing shoulders with the "goyim." The "Ghettos" have been established by pressure from the rabbis, whether in Alexandria, Warsaw, or New York City's East Side.

The word, "destroy," is the foundation of Talmudic teaching, not "defeat," nor "conquer," not "overcome," but "destroy." This is why Samuels, in his book, "You Gentiles," says: "We Jews, the destroyers, will remain the destroyers." This is why the Jew, Oscar Levy, would call his Jewish people the world's "seducers, executioners, destroyers and incendiaries." The Talmud specifically glorifies that part of the Old Testament, which states that the Jews must "ruin the people among whom they sojourn." This is spite of anything they may have done to help the Jews. Our pastors refuse to see this!

This is one thing Christians better learn about the Jews, if we are to survive as a free people. The Jews have an inbred hatred for Jesus Christ and His Church. It was Christ who exposed their true parentage in John 8:44, when He told the Pharisaic leaders: "Ye are of your father the devil." I do not see how this could be made much clearer. If they are "children of Satan," most certainly they cannot be the Chosen People of God Almighty!

I wish there were time for us to go through the Middle Ages of History and watch as the Jews were first accepted and then driven from every nation in Europe. Not because they were God's Chosen
People, hated of Satan, as Van Impe insists, but, as I have mentioned before, because of their "filthy life style," and their "crooked, and traitorous dealings" with every nation which accepted them.

This is the story of modern Jewry. They did the same thing in Russia, where the Tsar had given them special consideration. They have been and are doing the same thing in the United States and have almost succeeded in ruining England.

With a little honest research, you will find that all of America's wars have been instigated and financed by Jewish bankers, with enormous profits for them and a terrific bloodbath for us. The German war factories of 1914 and 1939 were, for the most part, Jewish owned. It was the machinations of these Jews which resulted in the deaths of countless thousands of "little Jews," who were caught in the schemes of the international planners. It was their influence, exerted on Churchill and Roosevelt, which kept World War II going for an extra two years and resulted in the deaths of hundreds of thousands of Israelites. It was their machinations that held Patton on the western border of Germany, so that Jewish-Communism could control Eastern Europe. The leader of every communist nation behind the Iron Curtain during this period was a Jew.

It was Jewish manipulation of Christian countries which led to the excesses of Nuremberg, where Germans were tried by Jewish courts and Jewish lawyers, before Jewish judges and were determined to be guilty before they went to trial. It was Jewish pressure which caused us to get involved in the United Nations and back the "bandit State of the Israeli" in Palestine. Yet our fundamental pastors say this is the fulfillment of Bible prophecy.

Listen to Van Impe, as he agonizes over the plight of the Jews on page 99 of his book, "Israel's Final Holocaust." "Bruised and bleeding from centuries of suffering, the Jews came home to the land of their fathers." (He completely disregards proof, which shows that at least 90% of the Jews in Palestine are "non-Jews," whose ancestors never came close to Palestine. See Jewish author Arthur Koestler's book, "The Thirteenth Tribe.")

On page 102, he says: "It is clear God protected His ancient people." How could this be true when they were not of Israelite blood? It was American arms that protected the Israelis, not GOD! It is American financial help which is keeping this "enemy of mankind" alive today. Israeli authorities admit they would collapse within six months without American aid.

Then Van Impe asks a question on page 106, with which I am forced to agree. He says: "Are the Jews of the world about to be blamed for the economic ills of the world? Is a new wave of persecution about to begin?" I make this prediction: "It is inevitable, unless the Jews do a drastic about-face and renounce their aggressive policies."

If Begin is responsible for a war in the Middle East, and I believe this is a distinct possibility, and if this war becomes a "limited nuclear war" (Israelis do have atomic weapons, you know), if this war escalates into an "all-out nuclear war," what will happen? The surviving Jews better look for holes to hide in, whether they are guilty or not. The homeless, the starving, the nuclear sick, the mobs of survivors, will be roaming the countryside, looking for two things, food and loot, and someone to blame. The Jews who supported the Israelis, and the Christian dupes who supported them, will feel the full anger of a terribly enraged people.

Van Impe spreads more of his propaganda on page 161 when he states: "The land of Israel was the birthplace of the Jewish people. Here their spiritual, religious and national identity was formed... Here they wrote and gave the Bible to the world." (Facts from history and the Bible prove he is wrong.) He continues: "In the Second World War, the Jewish people in Palestine made a full contribution in the struggle of the freedom loving nations against the Nazi evil." (Why doesn't he tell us that 90% of the Communist leadership at this time was Jewish?)

Now if the Jews were such fighters for freedom, I wonder why my observations of them were so different. (I wonder if Van Impe ever spent any time in the front lines of combat.) During the process of World War II and Korea, I was a front line infantry officer and rubbed shoulders with
many Jewish boys. My observation, backed by many other combat veterans, was that Jewish doctors all too often made out fake health reports, so that Jewish boys were kept out of the front lines and were assigned, instead, to the lucrative "rear echelons" of Quartermaster Corps, where they became rich in the "Black Market." I know, I was there! We often wondered in those days, if the Jews had been persecuted so badly in Germany, why didn't the Jewish boys want to fight. (I realize this is a generalization and that some Jewish boys did fight and die for this country. But in general, it was as I stated before.)

But now we come to something much more important. I have given you many facts, both from the Scripture, history and from statements made by Jews themselves. Many of you will still refuse to believe but, if my facts are true and the "mass of evidence says they are," then who are "true Israel?"

Here is one of the most important truths Christian people MUST learn if they expect to survive. With the true knowledge about the Jews must come a knowledge about who "true Israel" is. So in Part Two we will look at identifying marks which will prove this identity. In Revelation 2:9, our risen and ascended Lord warned Christians from the church of Smyrna about "them which say they are Jews, and are not, but are the synagogue of Satan." When I first realized this, then I was on the "second mile" to understanding Israel Identity. There are over 200 scriptural marks which identify this "People of God," but they will not help you, unless you are willing to be "led by the Spirit of God, into all truth."

"Ye chosen seed of Israel's race,
Ye ransomed from the fall.
Hail Him who saves you by His grace,
And crown Him, Lord of all!"

"Ye that follow after righteousness, ye that seek the Lord: look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged. Look unto Abraham your father, and unto Sarah that bare you." (Isaiah 51:1 - 2.)

"Cursed be he that doeth the work of the Lord deceitfully." (Jeremiah 48:10.)

"Those Preachers preach lies in My Name. I never sent them! I have not commanded or spoken to them. They preach to you a false vision - a pagan lie - and the invention of their own hearts!" (Jeremiah 14:14, Ferrar Fenton translation.)

Some of my readers will, no doubt, be disturbed by my use of the word "God," "Lord" and "Jesus Christ," instead of the proper Hebrew terms. I do this, not because I do not recognize these proper words, but because a majority of my readers have been "brainwashed" into accepting them and would not understand their proper use.

Since we are searching for the truth, let me explain the proper use of these words, so you will have a better understanding of what I am saying. The terms we use as proper words for the first two members of the Trinity are heathen words. Here is their proper usage:

ELOHIM - Not "Gawd," or "GOD."

YAHVAH - Not "Lord," which in the original Hebrew means "Baal."

YASHUA - Not "Jesus," which equals "Zeus," who was a Greek god.

MESSIYAH - Not "Christos," or "Christ."

With this brief explanation, let us begin Part Two and examine the question, "Who are we?"
Remember now, I am addressing this question exclusively to White Anglo-Saxon and related peoples.

In Joel 2:17, we find these words: "Let them say, Spare thy people, O Lord, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, Where is their God?"

One of the major problems in recent years among our youth has been that of identity. When you ask them why they are engaged in certain outlandish acts, they will invariably reply: "I am merely doing my own thing; I am trying to find myself; I want to know who I really am." This is a commendable attitude, if it can be channeled in the proper direction.

It has been my privilege, since retiring from the Army in 1964, to have traveled extensively as a lecturer and evangelist. I have spoken in 49 of our States and visited more than 3,000 communities. The more I have seen of America during this period, the more I have become convinced that the problems which are destroying us are not political at all. They are moral and spiritual, have been deliberately caused, and must be approached from a spiritual angle, if we hope to answer them. Our only answer will be to rediscover that sense of Divine guidance, with which our founding fathers were able to face the dangers and hardships of the New World. They did this, with the assurance that God would prosper and protect their undertakings, because they had been ordained of God.

Today a spirit of fear prevails in this country and throughout all Christendom. We may not want to admit it but it is there. For the first time in our proud history, within a period of 30 years, we have been defeated in two wars, by countries smaller than most of our states. We were not forced into defeat by the lack of strength or incompetence of our military, but because our leaders did not have the will to win, while our people had been deliberately eroded, from without and within, with a deliberate attack against everything we have held as dear and sacred. Some wag has said: "When the ten o'clock news is good, America goes to sleep; when it is bad, she goes to pieces." This pretty well sums it up.

In Deuteronomy 28:15 and 25, where Moses makes his final speech to Israel, we read these words: "But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all his commandments and his statutes ... the Lord shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them." What a terrible lesson was taught in both Korea and Vietnam, yet I am not sure we learned this lesson!

So today, we see the shameful spectacle, of the most powerful nation on earth, as she cringes before the threats of some Banana Republic. We hope, this will change under the leadership of Mr. Reagan. However, when we look at his National Advisory Group, this is doubtful. In Proverbs 25:5 we read: "Take away the wicked from before the king [President], and his throne [government] shall be established in righteousness." Oh how America needs righteous advisors.

In the past decades, we have been confused by the actions of our leaders and, whenever a president has taken a "pro-American" stance in recent years, he has been battered down by a Congress who says in essence: "No! The Zionists must be given first consideration!" It has become almost a dirty word to be "America First!"

I cannot help but feel that the secret of our problems lies in a statement made by an old Arkansas hillbilly who said: "It ain't so much from not knowin' that causes the trouble; as it is in knowin' so much that ain't so!" In other words, we have not been told the truth. However, when some man comes along and does tell the truth, the scream of "prejudice" is heard on every side.

An informed people is not necessarily an enlightened people, unless they have impartial accounts from both sides. Enlightenment cannot be debased to mean partial knowledge gained from censored material. You could spend your lifetime reading Life, Time, Newsweek and listening to the major broadcasting systems on TV, but you would not be enlightened, because you would be reading and seeing controlled news. All of these sources, as we have seen, are Jewish controlled; therefore are
What does this actually mean? The word "pre" means "to go before." A person who is pre-judiced has beforehand made a "Judicial" (judgment) decision on a matter, without fully examining the evidence necessary to reach that decision. This is almost 100% true of those churchmen who oppose the Christian Identity truth. Only when a man, a church group, or a faction have refused to examine the evidence, can they be said to be "prejudiced."

While the Israel Identity truth may be distasteful, objectionable, fanatical, or what-have-you, I claim immunity from such words as "bigot," "prejudice," or "bias" on the grounds that not one bit of evidence I have presented against the Jews, or against the "bias" of fundamental Christianity, was written without ample, concise, detailed, thorough and faithful reference to the Bible and history, looking at both sides of the argument. Can this be said of our opponents? I think not!

It has been because Americans have not been shown both sides of the story, that they have been deliberately implanted with the feeling of fear. This fear will continue to grow until we awaken to the realization that God Almighty has a specific purpose for America, and that He brought this nation into existence for a specific purpose.

What will change the conditions of fear and chaos which now sap our strength? What will bring to the forefront White Christian leaders of spiritual strength, stature and righteousness, who will be joined by millions of people who are willing and ready to face every problem we may confront, with the knowledge that we will be victorious?

The answer will startle many of you, especially if you belong to that branch of Christianity which is called "fundamentalist." This will be because you have never been told the facts concerning America's origin and destiny. In fact, many of you have been taught that America is "Mystery Babylon" of the Bible and that we will be destroyed. No wonder we have such a defeatist attitude.

As a consequence of this and other false teachings, God's people have fallen woefully short of fulfilling our responsibilities, not only to God, but to our fellowmen. Because of this, we have been beset with all sorts of calamities.

Before we go further, let me say that I too am a "fundamentalist" in the literal meaning of the word. I believe in the inerrancy of the original Scriptures, the Virgin Birth of our Lord, His substitutionary death on the cross for the sins of all mankind, His literal resurrection and His Second Coming, to set up an earthly kingdom, where He will reign supreme as King of kings and Lord of lords. (I do not believe this will be a Jewish Kingdom!)

This was the very thing Jesus taught His disciples to pray for in Matthew 6: 10: "Thy kingdom come. Thy will be done in EARTH, as it is in heaven." I believe these things will come, just as surely as night follows day, and so I preach them to the best of my ability. I believe that God Almighty, Jehovah, YAHWEH, is Creator over all. I believe that Jesus Christ, YASHUAH, is His Son, born of a Virgin, without sin, very God and very man. I believe the Holy Spirit is an integral part of the Godhead Trinity and is God's emissary on this earth.

What I will say to you in this section may come as a shock to some of you. Not because it is "science fiction," not because it is designed to shock you, but because the Bible and world history prove it to be true and yet you have never heard it preached in your church.

If you are to accept the facts I will prove in this message - and many of you will go to any lengths not to believe them - it will be necessary for you to lay aside some "timeworn" ideas of men, which have been preached in our churches for many years. In most cases, these false conceptions were not preached with the idea of leading men astray, as much as they were preached through ignorance. Most of our preachers have been led astray in the seminaries.

Now don't get mad at what I am about to say. It will only raise your blood pressure, although some of you do look a little anemic anyway.
God may give you what you want and allow you to believe what you want to believe, but that does not mean it is true, or even "worth the powder to blow it to hell!" You may say: "God approves of the Jews, because He has given them all their wealth and success." Do you think He approved of Hitler, Stalin, Nero, Bloody Mary and Genghis Khan? God grants power to a lot of people He doesn't approve of, for His own unknown reasons.

Satan uses this fact to further his own aims. In 2nd Thessalonians 2:11, we read: "For this cause [because they receive not the truth, see verse 10] God shall send them strong delusion, that they should believe a lie." When men deliberately turn their backs on provable truth, for any reason, their lies become delusions to them. (According to the dictionary, a "delusion" is "something that is falsely believed or propagated." Boy oh boy, is this true when it comes to their ideas concerning the Jews.) Man wants to believe something which is not so; he rejects something that is so, and upon this deliberate action, God allows him what he wants and he believes a LIE!

In Dr. Peter Ruckman's book, "Mark of the Beast," he says on page 145: "Unable to burn the A.V. (Authorized Version) openly since 1700, Rome changed armor and destroyed it [the Bible] one page at a time, by using seminaries (Fundamental and Liberal alike), and convincing the professors that the Vatican manuscripts were the authoritative source of revelation." But he doesn't go far enough. Who was behind the apostasy in the Roman Church?

For the answer to this, we will go to Father Maurice Pinay's monumental work, "The Plot Against the Church." He has an entire Chapter (24) on "Jewish Infiltration of the Clergy." On page 1465 he says: "The weapon preferred by the (Jewish) Fifth Column was to bring young Christians, descended from Jews, into the ranks of the clergy, who secretly paid homage to Judaism. After ordination, these priests were then to rise in the hierarchy of the Church (Roman Catholic) and be in the worldly orders or in the holy orders - in order to utilize their positions to harm the church." (Don't think this didn't happen in Protestantism either!)

In the early 1930's an order went out from Communist headquarters in the United States, saying in effect to young Communists: "If you really want to help the cause, get into the churches; attend the seminaries and become preachers and priests. Then you can work from within." They did this most effectively and many of these Fifth Columnists were Jews. The most effective work in Protestantism was done through a man named Dr. Harry F. Ward, who was head of the Union Theological Seminary in New York City. There were more pro-Communist ministers who went into churches (mostly from the National Council of Churches) from this seminary, than from any other source.

A 13th Century Jewish document, which fell into the hands of French authorities in the 18th Century, stated to the Jews of France: "You say your synagogues have been destroyed. Let your sons become priests and abbots, so they can destroy the Christian Church from within."

The learned Jewish historian, Abram Leon Sachan, one of the directors of the Hillel de la B'na'i B'rith Foundation, a Jewish community leader and later president of Brandeis University, wrote a book, "History of the Jews," in which he went into detail about how the conversion of hundreds of thousands of Jews to Christianity in Spain, after 1391, resulted in: "Whole Jewish communities confessed Christianity. The majority eagerly utilized their new status. Hundreds of thousands entered professions hitherto forbidden them. They obtained important state offices and even penetrated the Church [Roman Catholic], at its highest levels. Their power increased along with their wealth and many were accepted into the oldest families of Spanish nobility. The converted Jews practically ruled Spain (notice carefully now) WHILE THEIR SECRET ADHERENCE TO JUDAISM DESTROYED THE CHRISTIAN FAITH... While the masses of Spanish people observed, with growing bitterness, the success of these new Christians, the clergy lied about their unfaithfulness and lack of honesty... Tens of thousands of these new Christians went to church as usual, murmured their prayers, carried out the rites and observed the customs. But in spirit, they were still Jews."
At least seven of the head officials in the Roman Catholic Church in Spain were Jews in the 14th Century and, in 1330, a Jew, Cardinal Pierleoni, actually became Pope. He was known as Anachiet II.

The Jewish historian, Joseph Kastein, makes this contemptuous remark about christianized Jews: "There are three ways you can waste water:

(1) To baptize a Jew;

(2) Let it run into the sea;

(3) Mix it with wine."

Don't kid yourself. This infiltration still continues in the 20th Century. Almost all the big fundamentalist seminaries have had, or now have, Jewish professors, usually in Old Testament, or Hebrew studies. How many of them do you suppose might be Fifth Columnists? The results show in the Jewish propaganda preached in our pulpits.

Many fundamental Bible scholars have rejected what I am about to tell you, because they are not honest enough to admit they have been wrong for so many years. (I can assure you, from bitter experience, it is not easy to admit you have been wrong for twenty years.)

The whole problem with these fellows seems to be: "If I find something in the Bible I don't like, how can I get around it?" When they come across the 8th Chapter of John's Gospel, where Jesus says to the Jews, "Ye are of your father the devil," they try and explain it away by saying: "He was talking about unsaved people in general." When Christ told the Jews in John 10:26, "But ye believe not, BECAUSE YE ARE NOT OF MY SHEEP," they say "He meant they were unsaved!"

HOGWASH! I recall an old preacher who used to say: "When will men stop going through the cafeteria of God's Word, with their little trays, picking out only what they want to believe?"

Yet in spite of what Christ taught, most of our fundamentalist preachers scoff at the idea of an earthly kingdom and tell their people they are to prepare themselves for heaven. As one lady told me: "I don't have to worry about the Communists, you know, because I'm not of this world."

In the face of a lot of tremendous opposition, from men who should know better, I do not ask you to believe me. In fact, my task is not to persuade you that I am right. It is to give you the facts - the Holy Spirit must do the persuading. I'll give you the facts, then it will be between you and God what you do about them.

I challenge you, if you really want to know the truth. First, listen to the facts I present from the Scripture and history; please don't reject them out of hand, just because they differ from what you have been taught. (Remember, that some day God will hold you accountable for what you have learned in this message.) I encourage you to take what I say, put it under the powerful magnifying glass of the Word, and, when you find I told you the truth, then have "guts" enough to do something about it.

This section is a message about God's earthly Kingdom and your part in it. It is a message about the MESSIAH, who will be the salvation of America.

The task of spreading the truth is not easy. If you have the courage to proclaim it, you will lose many of your so-called Christian friends, who have not matured enough to accept the "meat of the Word." They are still "baby Christians." Most of these will not even be honest enough to check out the facts. They will prefer to believe whatever their preacher tells them, but what will happen if your preacher is like mine and refuses to even listen to the facts? That is being dishonest and unworthy of a man who calls himself God's servant.

Truth in action is a dynamic force. Jesus Christ once said: "Ye shall know the truth, and the truth shall make you free" (John 8:32). But truth often cannot get off "dead center" unless some worthy
apostle of truth gives it a push to overcome its inertia. Without that initial push, truth will often "die aborning."

On the other hand, truth is often blacked out by repeated contradictions and conflicting untruths. If lies are repeated over enough, even intelligent people will often believe them. This is the sobering testimony of history.

Whether wittingly or unwittingly, many of history's foremost characters have misrepresented truth. As recently as 1492, the foremost scientists of the world believed that the world was flat. When Christopher Columbus proved otherwise, he suffered under their hostility. Many men and women have suffered in support of the truth, because it did not dovetail with what the majority wanted to believe. This happened to our Lord, when He came in contact with the Jewish authorities and their traditions. We don't like anyone messing with our "sacred cows."

Now you can fool a bunch of nitwits, trying to get fundamentalist "Jew bait" off their "trotline," but this doesn't change the truth. God knows what He spoke, and why He spoke it, and just because some fallible men come along and say, "That isn't really what He means; the Jews are the Chosen People, you know," that doesn't change the truth. If the fundamentalists want to give honor to the God-hating Jews, that doesn't change the truth one little bit "which says they are Jews, and are not, but are the synagogue of Satan" (Revelation 2:9).

The first interpreter of the Bible is the Author Himself and His method is to compare "Scripture with Scripture." So that is what we are going to do! We are going to lean very heavily on "What saith the Scripture?" Not on what Jack Van Impe says, not on what Webber or Falwell believe, but "What does the Bible teach?"

Most of the preachers, who refuse to accept what the Bible says about the Jews, are moving through the Bible so rapidly, looking for verses to prove their point, you have to corral them every once in a while, so the truth has time to penetrate their thick skulls. They need to realize that two opposite theories cannot both be right and that, when Jesus said to the Jews, "Ye are of your father the devil," He could not mean they were God's people at the same time. By a like token, when the Bible differentiates so clearly between Judah and Israel, who is mere man to come along and say: "They both mean the Jews"? He has no such right, even if he has a D.D. tacked on behind his name.

This country, which was founded on the Christian faith, must have a revival of that faith, if we are to survive as a free nation. The deterioration and disintegration of America will be accelerated in direct ratio as to how we receive the truth. Truth either exists, or it does not. There are no degrees of truth - to be "half-true" is as incredible as to be "half-honest," or "half-loyal." We, just have not been told the "whole truth" in our churches. Many pastors who have been faithful in "preaching the full counsel of the Word," in regard to salvation and righteous living, have fallen woefully short when it comes to telling their people the truth, not only about their own identity, but the identity of the Jews. For this they will have to answer to God; I am not their judge!

I hope you, my reader, will be honest enough to accept the truth; not what Jack Mohr tells you, but what the Word of God tells you, this is what is important. All I am doing in this message is following the admonition of Isaiah 58:1: "Cry aloud, spare not, lift up thy voice like a trumpet, and shew my people their transgressions."

This is not some "spur of the moment" message. It was not inspired by what I read somewhere, or a message I heard on tape, radio or in person. It came after hundreds of hours of prayerful study, and the reading of thousands of pages of reference materials, both in the Bible and history. It came after a lot of soul-searching. Unfortunately, the preaching of this truth has made me unpopular with many people who used to welcome me into their churches. So be it! My job is to preach the Word, not strive for a popularity contest.

I believe the greatest part of our conservative and fundamental preachers and scholars have been remiss, often to the point of criminal neglect, in their refusal to acknowledge what the Bible teaches
about America. They will tell you: "America is not mentioned in the Bible." That is true. You will not find the words, "United States" or "America," anywhere in the Bible, but she is there, just as clearly as if these familiar words were used. We shall see!

Without the shadow of a reasonable doubt, America and the British Commonwealth of Nations, plus other related peoples, have been called, according to God's immutable purpose, to fulfill a very special place in His plans for mankind. When enough of our Israel people recognize us, we will see the greatest revival which has ever swept over Christendom and a revival of our White, Christian countries. We will see the literal fulfillment of the promise made to King Solomon over twenty-nine centuries ago. Many of you know it by heart, and we hypocritically quote it in our Christian churches, over and over, without really believing it:

"If my people, which are called by my name [the Christian nations of the world are the only people known by the name of the Christos; certainly the Jews are not], shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will FORGIVE THEIR SIN, AND WILL HEAL THEIR LAND." (2nd Chronicles 7:14.)

Do you want to see America healed? Do you want to see her returned to the greatness she once had? There is your answer, my Christian friend. We have been so busy getting people "saved" (and that is our first priority) that we have forgotten the need for National Salvation, and we are paying for our neglect.

Once the White people in our Christian nations understand and accept God's plans for us; when Christian people realize they are part of this plan; when they become aware that they have been especially chosen to be "light-bearers" for God; then, and only then, will we regain the moral and spiritual strength which made us great in the first place.

The Bible clearly states that when we accept responsibility and come out with the truth concerning our identity, then we will find the answer to the problems which are killing us and: "In righteousness shalt thou be established: thou shalt be far from oppression; for thou shalt not fear: and from terror; for it shall not come near thee." (Isaiah 54:14.)

National righteousness is a way of life which is based on obedience to the commandments of the Lord God. Once you have read this message, there will be no excuse for your disobedience. You will not even be able to say: "But my pastor told me differently." For you will have the Word of God, as your infallible guide.

I can predict this with certainty. If America fails to heed God's message, she will be driven to her knees and the righteous will suffer along with the wicked, as they always do. To those of you who dare use the name of Jesus Christ, and have accepted Him as the Lord and Messiah of your life, one day you will be forced to stand in embarrassed silence before Him and answer for your neglect: "For we MUST all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad. Knowing therefore the TERROR of the Lord, we PERSUADE men." (Emphasis added.) (2nd Corinthians 5:10-11.)

While I do not profess to be a great scholar, having never learned to read either Greek, Hebrew or Aramic, as some do, I challenge you to study God's Word. Place it beside the historical record and, when the truth finally dawns on you, then have the courage to accept it and publish it abroad, even though it contradicts everything you once believed. I am not calling you to a new religion, I am merely saying: "Be true to the faith once delivered unto the saints."

In Malachi 4:5 - 6, we have a record of Elijah's return before that "great and terrible day of the Lord." The significance of Elijah's message with that day is that God's people (not the anti-God Jews) will be called on to repent and restore the righteous administration of the Law of the Lord to this earth. This was to be accomplished when our people finally realized who they were. There was to be a "purging" time, when the rebels would be "weeded out" from among God's people:

"I will cause you to pass under the rod, and I will bring you into the bond of the covenant [not
Palestine: and I will purge out from among you the rebels, and them that transgress against me...
And ye shall know that I am the Lord, when I have wrought with you for my name's sake." (Ezekiel 20:37 - 38 and 44.)

Now it is easy to predict what some of you are thinking. Remember, not so long ago, I "stood in your moccasins." You have been conditioned to believe that this verse was speaking about the Jews. It was not!

Let us analyze this statement, by asking a question: "Is there really a Chosen People?" The Bible says there is and it is very careful to accurately point them out. The textbook we will use in our study is the oldest racial document in the human race, a volume composed of 66 books, which we call the Holy Bible. Of necessity, there will be some overlap with Part One. Don't let this bother you!

In presenting this marvelous Book, it is not required that you approach it with some theory concerning its Divine inspiration. Inspiration is not some idea we bring to the Bible which gives it supernatural standing. Inspiration is what we fetch away from the Bible, when we finally realize and accept its Divine essence.

You cannot know if anything is inspired until it inspires you. As a result, there are millions of Christians who read the Book and say they believe in its inspiration, who take away from it only those ideas which coincide with what they have been taught. When the Bible teaches something which conflicts with their belief, they will go to any lengths to prove they are right, even if it means twisting and warping the meaning of God's WORD. (of course there is a terrible curse pronounced against such as do this - Revelation 22:18-19.)

I believe the Bible labors under the disadvantage of being considered a religious book, but, when you go into the Bible, you will go far before you find anything that smacks of religion. The Bible begins with Geology, Astronomy, Meteorology, Biology, Anthropology, and Psychology. All the materials of the physical and mental sciences, the concepts of time, space and motion, of the creative method and purpose, are found in its opening passages.

God is the Central Figure of the Bible, but God is not an ecclesiastical figure. He is not a religious figure. The creating and sustaining God of the Bible and history appears as the sole complete personality in the Universe. He is the One-Complete-Moral-Being. He has eternal wisdom and upholds all things by the power of His Spirit. We find this explained in Colossians 1:16 - 17: "By him [Jesus Christ] were all things created ... whether they be thrones, or dominions, or principalities, or powers: all things were created by him and for him. And he is before all things, and by Him ALL THINGS CONSIST." (Emphasis added.)

In the Greek, the phrase, "all things consist," means "held together." Isn't it wonderful to know that, in this chaotic old world of ours, all things are held together by the Power of our Savior?

Religion does not appear in the Bible until man's unnatural and sinful departure from God's law. Religion appeared as an emergency measure, a rescue force, if you will, brought into being because of abnormal human breakdown. When it has fulfilled its place, it will disappear. What a shock that is going to be to some people who believe that only they have the "real thing." The Apostle John wrote about this in Revelation 21:22, telling of the day in the New Jerusalem, when there will be no place of worship: "For the Lord God Almighty and the Lamb [Jesus] are the temple of it."

There is a great deal of careless talk whenever people begin to discuss race. The Gentile loves to boast of his superiority over the Jew; the Jew over all people; Black over White; White over Black. But race is not the consideration in this message.

We Americans are prone to think of ourselves as a relatively young people, when in reality we are very old, but the true effect of knowing who we are should not feed our vanity. It should not rouse our boastfulness; it will not make us want to "Lord it over everyone else." Instead, it should rouse a sense of great awe in our hearts, as we see the tremendous responsibilities which God has placed on
the shoulders of White people.

Many people are afraid to mention race, especially if they are members of the White race. Jewish propaganda has made this a term synonymous with "prejudice." While it is not considered wrong for a Black person to believe that "Black is beautiful," it is a sin for a White person to feel pride in his race. Before we go any further, let us lay down a "ground rule." As "long as pride of race leads to boastfulness and contempt for others, it is a false pride and cannot be condoned."

We are not going to discuss nationalities, since they are largely artificial, but you will soon find that race is a basic, natural fact. Take the Anglo-Saxon and related peoples as an example. (This includes Americans, Englishmen, Canadians, Australians, many from South Africa, Norway, Denmark, Sweden, Holland, Germany, Austria, Poland and other related White peoples.) They speak many different languages and have different cultures but, when you touch their basic, sensitive central nerve, you will find they all respond in a similar manner. They advocate reverence for God, are in favor of progress, believe in the work ethic, and an orderly social life, based on love of God and His laws. Their ideals concerning freedom are essentially the same.

A good example can be found in the United States and Canada. They are made up basically of English, German, Scandinavian and French speaking White people. They are divided by an invisible barrier that crosses over 3,000 miles of mountains and prairies; yet they are essentially the same and could become one great Christian country with a minimum of difficulty.

Race is an insistent fact in Bible history, since the Bible is not the story of many people, but revolves around one particular people. It was written about a distinctive family group, which had been chosen by God, from all others, for a very distinctive purpose. The Bible does not deal with dead races and dead civilizations but is contemporary history. In dealing with this one race, it flows through history like a mighty stream, touching three continents and blessing many nations.

The Bible explains what God has done and why He did it. It then shows revelation in progress and gives us an exciting glimpse into the future. God never wrote a book, He writes in life. When He wants to show us "oakness," he does not present us with a treatise on botany; He makes an oak tree.

Our Lord Jesus Christ followed that same formula. He left no books written by His own hand. He left, instead, twelve fallible men, we call disciples, and one of those was a devil. These men became His "manuscripts." The Bible is devoted to the story of one nation, which became known as the "Chosen People." (This is the title the Jews are trying to usurp for themselves.)

It is at this point where Bible scholars depart from reality. They shrug their shoulders and say in essence: "So what! It's the Jews, everyone knows that and, besides, what difference does it make if you are saved?" But it does make a difference; a vast difference!

Most of you will be familiar with the Bible account of Abraham and how he was torn from his own country and people, by God's explicit orders. He was sent into a strange land, where he was to become, according to God's word, "A great nation, and a company of nations."

While Abram, who was soon to be called Abraham, was the father of many different nations, his racial line was to descend through his younger son, Isaac. In Genesis 21: 12 we read how God told him: "For in Isaac shall thy seed be called."

From Isaac, the "seed line" passed to Jacob, then to Jacob's sons. These people became known as Haibru, or Hebrew (they were never known as "Jews"). They were called the "Children of Israel" or "Israelites." This came when Jacob's name was changed to "Israel," as recorded in Genesis 32:28: "And he [the angel of the Lord] said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed."

These unique people (remember now, they were not Jews) expanded in numbers, power, and prestige, until in King David's time they numbered somewhere around fifteen million. While standing in the King's palace in Jerusalem, the Prophet Nathan predicted that this people would one day be planted in another land, which they did not know, and from which they would never be
removed. This could not have had reference to Palestine, since they were in Palestine at the time. Read with me, if you will, from 2nd Samuel 7:10:

"Moreover I [God] will appoint a place for my people Israel, and WILL PLANT THEM, that they MAY DWELL IN A PLACE OF THEIR OWN [but you say, they had a place of their own in Palestine, so this must be somewhere else], and MOVE NO MORE; neither shall the children of wickedness afflict them any more, as beforetime."
(Emphasis added.)

This would indicate to me that Israel was to move out of Palestine at some future date, into a land where they would be rooted and planted, and where they would be relatively safe. From this APPOINTED PLACE, they would never move! Why is it that our pastors never mention this passage? Have you ever heard a sermon preached on this verse? Well for one thing, if they did, it would destroy one of their pet theories, that the Jews must return to Palestine before our Lord returns to reign on this earth.

Now the selection of one specific people by Divine choice, for a specific purpose, was a wonderful thing. It did not call for boasting, or a feeling of superiority, for God did not call this people to "Lord it over the rest of the world," as the Jewish Talmud teaches. He called them to be a "servant nation," placed on this earth for the specific purpose of spreading God's Kingdom message. Much later, they were to become rulers, after they had first proved themselves faithful as "servants."

This should engender a feeling of humility. It was a tremendous event, when God called Israel - not because they were a powerful people, not because they were rich and plenteous and had great international influence, but because of the faithfulness of their father, Abraham, God's servant. (Read about this in Deuteronomy 7:7-8 and Hebrews 11:8-12.)

By a like token, it was a mighty event when God took America out of the midst of another great nation (Britain), to become a separate and special constellation among the nations of the world. Do you believe this all happened by accident? I think not!

The Apostle Paul, in his letter to the church in Rome, gives and answers the question: "Why doth the chosen people still continue to be chosen?" He answers in Romans 11:29: "The gifts and calling of God are without repentance [not subject to change]." In other words, they were absolute and unconditional! Nowhere did God say to Israel: "If you will obey me, I will be your God." He said in effect: "YOU ARE MY PEOPLE and, because of this, YOU SHALL OBEY ME!" That little word "shall" is the key to what we see happening in America today.

Were all the promises of God mere illusions in the mind of Abraham? Just for the moment, for the sake of argument, let us assume they were. Let us assume that all of the great covenant promises God made with Abraham were nothing but delusions of grandeur; a vain desire on the part of Abraham for the distinction of his posterity. If this had been so, they would have died with Abraham, for delusions always die with deluded men.

If God's promises to Abraham had been "hatched" in a human mind, they would have come to nothing. If God had not selected and predestined a "servant-ruler race," then that race would never have served and ultimately reigned. It is not just a matter of simple faith, but a theory which can be tested by history. Things which actually happen are always valid facts; they are never deluded dreams.

None of you who read these passages ever knew George Washington, neither your father or your grandfather knew him. All we know about Washington comes from hearsay; it is what we find written in history. Yet we believe he lived and served this country as one of our great leaders.

The idea of a "servant-ruler race" did not die with Abraham. It outlived Abraham and his great-great-grandchildren. It lasted 200 years until the time of Moses. After another 150 years, it was the
dominant theme of King David's time; another 300 years passed and we find this same theme being promulgated by the Prophets Isaiah, Jeremiah and Ezekiel. We go forward another 200 years and find it in the last book of the Old Testament. It outlived the 400 years of darkness between the Old and New Testaments. It appears again in the Gospels, then in the Epistles, and finally in the last book of the New Testament, the Revelation of Jesus Christ.

It was the common language of the Pilgrim Fathers; it can be found in the Prayer Book of the early Episcopal Church. It was believed by the early Baptists and Methodists. The idea that we, the White, Anglo-Saxon and related peoples, were God's Chosen, appeared in the early hymn books, where our forefathers sang:

"Ye chosen seed of Israel's race; Ye ransomed from the fall; Hail Him who saves you by His grace: and Crown Him, Lord of All!"

Our forefathers were not singing about a people we now call "Jews." Their songs were about White Christian people, which were then settled in the land God has promised their forefathers - God's APPOINTED PLACE, from which they would never be moved.

There are many marks of identity, which will tell us who these Chosen People are. If they do not bear the marks of "true identity," then they must be imposters. I heard a story which illustrates this truth. Many years ago, in England, a small boy was kidnapped from his home. In spite of every effort on the part of the authorities, he could not be found. Many years passed until, one day, the family received a letter from a lawyer in Spain. He explained how an old gypsy woman, on her deathbed, had confessed to stealing a little boy from a certain family.

The mother who had never given up hope wrote: "Check and see," she said, "if he has the lower part of his left earlobe missing; does he have a small scar on the inside of his left ankle; is there a large scar on his right thigh; does he have a strawberry birthmark between his shoulder blades?"

A few weeks later, a cablegram came in the affirmative and in great excitement they made the long trip to Spain. On arrival, they were bitterly disappointed to be introduced to a large swarthy man, dressed in gypsy clothes, who could not speak a word of English. The mother checked his left earlobe and, lo and behold, it was missing. She looked for the well-remembered scars on his ankle and thigh and they were there. Then in great agitation, through the interpreter, she asked the man to remove his shirt, and there it was, the strawberry birth-mark. Without hesitation, she threw her arms around that stranger and accepted him as her son. Why?

He did not look like them. He could not remember his father's home, and spoke not one word of his father's language; he did not remember his father's God. Then why did they accept him? Because the marks of identity were there on his body and they could not be refuted.

In the same manner, "true Israel" bears certain marks which no one else can bear. They cannot be changed; they cannot be erased. Find them and you will have found the true people. There are over 200 of these marks given in Scripture and none of them fit the people your pastor calls the Chosen People; none of them come close to fitting the people we now know as Jews, So let's look at some of the more important ones:

MARKS OF IDENTITY:

1. The Chosen People would worship and revere the God of Israel, Yahveh. Take a look at a world globe and see where faith in the one true God is predominate. You will not find it among the Jews in Palestine; more than 75% of these are agnostic or outright atheists. You will not find them in the great Jewish communities of New York City and Los Angeles. These people do not worship the God of Abraham. They follow a false, heathen teaching, which came from the dusty corridors of heathen Babylon, called the Talmud. It is a complete repudiation of the laws God gave to Moses on Mt. Sinai. Don't argue with me about this, check it out for yourself.
The Chosen People were to carry the Gospel of God's Kingdom to all men everywhere. They were to be witnesses for their coming Messiah-King. Beginning in Genesis 28:11' and continuing throughout the Old Testament, and on into the New, "true Israel" was to be the "light bearer" of God's truth. Listen to Isaiah 43:10: "Ye are my witnesses, saith the Lord, and my servant whom I have chosen: that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me." Isaiah 49:3 & 6 states: "Thou art my servant, O Israel, in whom I will be glorified... It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles ["Ethnos," "nations"], that thou mayest be my salvation unto the end of the earth." You say: "That will happen later." It is happening now!

Who prints 95% of all the Christian literature that goes out to mankind? Certainly not the Jews! Who sends the missionaries to foreign lands? England was first, followed by the United States and Canada. You say: "But what about the 144,000 Jewish evangelists who will evangelize during the Tribulation" (Revelation 7)? But there is not one single word in this entire passage which mentions the word "Jews." Why? Because these are not Jews, they are Israelites. There is a vast difference!

This prophecy has been fulfilled only by the White, Anglo-Saxon and related peoples. Those people who go by the name of Christian. You don't have to look any further, neither do you need to spiritualize away its meaning by saying: "This means the church."

When Jesus spoke to His little band of followers on the Mount of Olives, before He left this world (Acts 1: 8), He was not speaking to Jews. Note how specific the wording of this verse is (Acts 1:11): "Ye men of Galilee, why stand ye gazing up into heaven?" These were the people of the "Way," who were soon to be known as Christians (Acts 11: 26).

2. The Chosen Race was to have and honor the Scripture. To the Anglo-Saxon and related peoples, the Bible is the people's book. In other lands, where it exists at all, such as Italy, Spain and Portugal, it is the Book of Church. There is a great difference! To the Jew, their sacred book is the heathen Talmud, which supercedes the Old Testament Pentateuch. The Talmud, with its occultism, is the guiding spiritual light of Judaism. It is a Satan inspired book. You can prove this easily enough, by merely reading a little of it. It did not come from God but was "man-made"; its thousands of pages contain the traditions of the Levites, who then became the Pharisees and now the Rabbis.

If you will remember, Jesus Christ had a major condemnation for the Pharisees of His day. He said of them "making the word of God of none effect through your traditions" (Mark 7: 13). Then to be sure there were at least two confirmed witnesses to His accusation, we find in Matthew 15:9: "In vain they [the Jews] do worship me [God], teaching for doctrines the commandments of men." No, my Christian friends, these Chosen People cannot be Jews.

3. In Anglo-Saxon and kindred lands, the Christian Sabbath is a day of rest and worship and is so established by law. There is a great deal of difference between the Anglo-Saxon Sunday and that observed in the Latin countries, where elections are often held on Sunday. The main effort to destroy the meaning of the Christian Sabbath has been carried out by the Jews, who have successfully commercialized it most everywhere.
4. The Chosen People were to be a missionary people. As I mentioned earlier, 95% of the world missionary effort comes from the White Christian nations of the world. They do not preach a "church system," as do the missionaries from the Roman Catholic countries, but the liberating power of Christ's saving grace to all mankind. They are merely fulfilling the ancient prophecy of Isaiah 40:3: "Prepare ye the way of the Lord, make straight in the desert a highway for our God."

It has been the White Christian nations which have formed a living highway, along which Jesus the Christ has traveled. It has crossed Europe, to England, then to America and on to the Dark Continent of Africa, to Asia and the Isles of the sea.

We know about and grieve for the sins which have been committed in our Christian nations. Yet, in spite of these--in many cases promoted by these people called Jews - 50% of the world Sunday School attendance is to be found in spiritually careless United States of America, and the other 45% is in other Anglo-Saxon nations.

On the other hand, the religion we know as Judaism has never sought to bring men to God the Father, or His Son, Jesus the Christ. When they did convert men to Judaism, Christ said of them: "Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte [convert], and when he is made, ye make him twofold more the child of hell than yourselves." (Matthew 23:15.) How could this be any plainer?

5. The Chosen People were to offer havens of refuge to the world's oppressed. In Isaiah 61:1, we are told of this mission in these words: "The Spirit of the Lord God is upon me; because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound."

Have you ever seen the magnificent Statue of Liberty in New York Harbor? Engraved across its base are these words (written by a Marxist, I will have to admit, but true nevertheless): "Give me your' poor, your tired, your huddled masses; yearning to breathe free!" Men everywhere have believed and they have come by their countless millions from every land. It has been Christian Israel-America and her sister, Israel nation of Canada, who have opened their doors to the world's oppressed. Have you ever heard of the Jews doing this? You are welcomed by the Israelis, only if you are a Jew and can help them.

The Jews have never set people free. They have been the most notorious slave traders in the world's history. It is a matter of record. They owned 75% of the slave ships and carried out most of the slave trade prior to the Civil War. Why? Because they have always made profit off the misery of others. It was Anglo-Saxon England who first set her slaves free in 1834, followed closely by her rebellious daughter, America, in 1860. We even fought one of our most costly wars over the issue. The Anglo-Saxons have always been liberators; the Jews never!

6. In their great trek to their APPOINTED PLACE, the Chosen People were to move north and west of Palestine. Listen to Isaiah 49:12 where it speaks about the token group who would one day return to Palestine: "Behold, these [chosen] shall come from far: and, 10, these from the north and from the west; and these from the land of Sinim."

This migration is rather strange, when you realize that most Semitic peoples had the
tendency to move east and south. Yet God said His people would go north and west and this they did.

7. The Chosen People were to be a separate people. While they mingled with other people, they would never be swallowed up by them. A striking example of this can be found in the Lombard's of Northern Italy. These people are predominately Anglo-Saxon in background and, even today, they remain racially separated from the peoples of Southern Italy, most of whom are mongrels.

In spite of every effort on the part of the Jewish one-worlders to integrate the White Christian foundations of our Christian countries, we have somehow been able to maintain our Christian identity. There must be a reason for this. In contrast, the Jews are a heterogeneous (not made up of one pure line) mixture of peoples. They have been since the days of Ezra and Nehemiah, when a motley crew returned from captivity in Babylon. Nehemiah complained that they could not even speak their mother tongue. This great mixing process had begun under the influence of King Solomon, where we read in 1st Kings 11:1: "But King Solomon loved many strange women." (This word "strange" comes from the Hebrew word "nakriy" and means "foreign or alien.")

When the Book of Esther was written, about 521 B.C., we read in 8: 17: "Many of the people of the land became Jews; for the fear of the Jews." At this time, the Persian Empire stretched over 127 provinces from Greece to the western borders of India, and from the Caucasus Mountains to the Persian Gulf and the Indian Ocean. It included Egypt, Mesopotamia, Assyria, Babylon, Afghanistan, and part of Turkestan. It is hard to think of a race which was not included in this area, unless it might have been the ancestors of the American Indians. Among all these peoples, millions became Jews, not because they loved and revered God, not because of a sense of righteousness, but the Bible says because they were afraid. This religion was not a thing of the heart, but an outward form only. Yet technically, these millions entered the bloodstream of the present Jewish people.

In his book, "Israel Among the Nations," Jewish author, Anatole Beaulieu, states that the Jews engaged in slave trade and often circumcised their slaves. He mentions 200,000 Black Jews from Abyssinia (modern Ethiopia) and states: "Towards the eighth century, to the north of the Black Sea, in the Scythian steppes, a people of Finnio-Turkish stock, the Kozars, Khazars, went over in a body to the Old Law." (Jewish.) These people, which make up at least 90% of present day Palestine, never had an ancestor who had stepped foot in the Holy Land.

The Jew, as we know him today, is vastly different from those of Jesus' time, with the exception of their religion, which is still the Satanism our Lord condemned almost 2000 years ago.

8. The Chosen People were to become a "great nation, and a company of nations." Not even by the most fertile stretch of imagination can an "Israelophile" fit this mark of identity to the Jews. Today, they number less than eighteen million worldwide, with less than three million living in Palestine. The great return to their so-called "homeland" in Palestine has been a farce, in spite of all efforts by the fundamentalist prophetic preachers to the contrary. For the past ten years, more Jews have been leaving Palestine than are coming in. Where are they going? You guessed it. To the Promised Land in America. The Jews in America and other White lands have always represented a "nation within nations." They have never become a great nation, to say anything about a
"company of nations," but the British Commonwealth nations fit this description exactly.

9. The Chosen People were to inherit the "desolate places" of the earth. This could not possibly be Palestine, since, before the time of the Exodus, Palestine has been a heavily populated country. Listen to Isaiah 49:8: "Thus saith the Lord, In an acceptable time have I heard thee, and in a day of salvation have I helped thee: and I will preserve thee, and give thee for a covenant of the people, to establish the earth, TO CAUSE TO INHERIT THE DESOLATE HERITAGES." (Emphasis added.)

When our forefathers first came to America, there were less than a quarter of a million Indians roaming her vast expanse, so this Biblical description could not possibly describe Palestine. But it does describe England, which was uninhabited before our forefathers arrived there, and it does describe America, and Australia, and South Africa.

Now here is a very interesting fact I will throw in just as a matter of interest. In the 41st chapter of Isaiah, the Prophet is describing the land where Israel will settle. Listen to this description: "I will open rivers in high places, and fountains in the midst of the valleys: I will make the wilderness a pool of water, and the dry land springs of water." NOTICE VERY CAREFULLY THIS NEXT VERSE: "I [God] will plant in the WILDERNESS the cedar, the shittah tree, and the MYRTLE, and the oil tree; I will set in the desert the fir tree, and the pine, and the box tree together." Palestine has been denuded of all her forests until recently when man, not God, began to replant. Certainly Israeli is not noted for its forests. But the North American Continent is and among the trees which grow here is the myrtle tree.

This was the tree once known as the "cedar of Lebanon," and has been extinct in Palestine for centuries. The only place in the entire world, where this tree now grows, is on the west coast of the United States. It is our giant redwood. Isn't it marvelous, and, yes, exciting, to realize that over 5,000 years ago, God Himself planted these trees in the New World, for the use of His Israel people?

10. Another outstanding mark of Israel identity would be that "true Israel" should lose their identity. This cannot be said of the people we know as Jews; they have bragged of their "Chosen People" status for centuries. You can find an interesting clue in John 8:33. Jesus had just got done telling the Pharisees: "If ye shall know the truth, the truth shall make you free." In their Jewish arrogance, they sneeringly say: "We be Abraham's seed, and were never in bondage to any man." If this were true and we have no reason to doubt it, then these people, while quite possibly of Abraham's blood, could not have been of the chosen line of Jacob-Israel. Any Sunday School student knows that true Israel was in captivity in Egypt, then later in Assyria and Babylonia. Yet these fellows bragged that they had never been in bondage. They knew who they were, all right!

Only a few of "true Israel" knew their true identity. It was prophesied that, in the "latter days," they would begin to see the light. This is happening, praise God! Hardly a week passes, that I do not receive a letter or telephone call from pastors, or people, who belong to fundamental churches, who begin to see the truth. Like I did, they begin by accepting the truth, that the people we know as Jews cannot possibly be true Israel. Once they have accepted this, it is easy for them to see the truth about their own identity. Almost without fail, when this truth dawns in their minds, they exclaim: "The Bible is so much clearer to me now that I know who I am." Unfortunately, most of these pastors, who have been given the truth, have not had the courage to pass it on to their people. They know that, if they did, they would become the recipients of scorn, and, yes, literal persecution. So
they remain silent!

The Israel people became lost to Bible history, when they went into captivity in Assyria. We have only a hint of them in the New Testament. As a result, Bible scholars and teachers have sought to identify what they choose to call the "lost ten tribes of Israel." But they are not lost! You may not know where they are, your pastor may not know, but thank God, He knows! Today, the Chosen Race is beginning to come alive, as the "dead bones" of Ezekiel 37 are beginning to show life. One of the major hindrances for our people learning the truth is that those, we call "Jews," are trying to steal our "birthright," and the Jewish stooges in our churches are helping them, by falsely identifying them as the Chosen People.

In Isaiah 42:16, speaking of "true Israel," we read: "I will bring the [Israel] blind by a way that they knew not; I will lead them in paths that they have not known: I will make darkness light before them, and crooked things straight. These things will I do unto them, and not forsake them."

God's promise is that, in the "latter days," the veil of blindness will be lifted from the eyes of our people and they will come to know who they really are. This is the reason I wrote this message. I want you to understand that, if you are a White member of the Anglo-Saxon and related peoples, you are one of God's Chosen People by right of birth. When you finally accept this truth, then you will realize how very important it is for you to accept the Lordship of Jesus Christ, the MESSIYAH!

Now I am going to contradict some Identity preaching, for a very good reason. Some Identity preachers will tell you that all that is necessary for you to be accepted into God's Kingdom is to be a member of His People. This is false teaching! Jesus told a very righteous man named Nicodemus (John 3:3), "Except a man be born again, he cannot see the kingdom of God." While this term is in bad repute today, it is a perfectly good word and a condition that is necessary for anyone to enter the Kingdom.

Thank God, people by the tens of thousands are beginning to wake up throughout Christendom as to who they are. I believe, as the dark clouds of the coming Communist invasion of Israel-America rolls over our land, we will see more and more of our people recognize this truth. Then we will see the mighty revival, which must take place before this country is saved. I believe that one day soon we will see the enemies of God and "true Israel" overwhelmed on the mountains of Israel-America (not in Palestine), just as God described in Ezekiel 38 & 39. When people begin to realize that the evil in this world system is being perpetuated in the name of Judaism, they will realize the truth of our Lord's words, to the Church at Smyrna, when He said: "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue Satan" (Revelation 2:9).

There is no doubt in my mind that many who read these words will not want to accept them, even in the face of all the evidence I have given you, which would stand up in any court of law. So let me quote from a few Jewish sources, and let you see what they say about themselves.

In the book, "The Conspiracy of Truth," the Jewish author, W. D. Chalmers states: "But why, you might reasonably ask, should the richest people in the world [Jews] promote a socialist system? The answer appears to be that, under socialism, the state owns everything, and these people [Jews] intend, quite simply, to own the State."

The Foreign Minister of Germany after World War I was a Jew named Walter Rathenau. He was the richest man in Germany, heading 86 German companies and 26 overseas. He wrote in Neve Freie Presse, December 1909: "Three hundred men (all Jews), all acquainted with each other, control the economic destiny of the Continent." He contributed lavishly of his wealth in support of the Bolshevik Revolution in Russia.

Henry Waton was an early Jewish Communist leader in the United States. In his book, "A Program for the Jews," he wrote:

"Communism is the destiny of mankind. There is one work in sociology, and only one work, and that is Marx's CAPITAL. Only a Jew could have written this work."
"The Jews are the highest and most cultured people on earth....The Jews have the right to subordinate to themselves the rest of mankind and to be the masters over the whole world. The Jews will become the masters over the whole earth, and they WILL subordinate to themselves, all nations, not by material power, not by brute force, but by light, knowledge, understanding, humanity, peace, justice and progress.

"The Aryans (Anglo-Saxons) will enlarge and beautify the world [they have]; but they will settle to enjoy the world which they have created, only in the tents of the Jews. These tents are communism and internationalism.

"The Jews shall inherit this earth ... all other races will disappear or they will become Jews."

The above astounding declaration was published by a group calling themselves The Committee for the Preservation of the Jews. It was sponsored by the prestigious Spinoza Institution of New York City.

This is present Jewish attitude through and through. How can we expect them to be anything but aggressive, when they are taught racial superiority in their schools and synagogues?

Americans have been led to believe, in recent months, that Jews are being persecuted in the Soviet Union. More and more evidence is surfacing, which proves this to be false. There is no doubt that some Jews in the Soviet Union have come under Communist persecution, as have tens of millions of Christians. But overall, evidence proves that the Jews are doing well in the U.S.S.R. Fortune Magazine in its June 29, 1981 issue, published one of the most sensational articles ever to appear in the Western Press. It was entitled "Russia's Underground Millionaires." It was written by a Jew, Konstanin Simis. Mr. Simis held an important position in the Soviet Ministry of Justice. Here are a few excerpts from this article:

"The greater number of private businesses which have been allowed to operate in Russia, the Ukraine and the Baltic Republics are owned predominately by Jews. These are not small businesses, but include tens of thousands of large factories mainly concentrating on such items as clothing, shoes, artificial leather goods, sunglasses, costume jewelry and recordings of popular Western music."

He goes on to state that private Jewish businesses have been allowed under Lenin, Stalin, Khrushchev, and Brezhnev. (It is interesting to note that all four of these men were married to Jewesses.)

Simis states that one of Russia's richest families is the Jewish Glazenberg family. They own so many factories, they were forced to set up their own marketing agency. Another prominent Jewish business family is that of Isaac Bach, who went into business in the under the regime of Stalin and has prospered ever since.

In addition to receiving special privileges, Simis says the Russian Jews are allowed to support the Israelis, which will no doubt be a shock to some who believe the U.S.S.R is opposed to the Israeli State. Simis said that millionaire Jews live a life of special privilege and luxury and own Odessa, on the Black Sea, while millions of Gentiles live in abject poverty. They have their own private clubs in Moscow, operated by a Jewess named Elizabeth Mirkien. She serves sumptuous Jewish food. They have their own gaming casino and young prostitutes are provided by the Mirkien salon.

Simis warns that the Jews in Russia are flaunting their immense wealth, as they did in the Weimar Republic of Germany in the 1920's. It was the Jewish financial stranglehold over Germany that led to the excesses against the Jews under Hitler. Simis says: "History may repeat itself; this time in Russia. If this happens and communism collapses, the Russian people will rise up in their wrath and punish the Jews for imposing communist slavery on them. This could result in a bloodbath, such as
the world has never seen.” Jewish world leaders, blinded by their program of world conquest, never
seem to learn from history and their people suffer as the result.

Now since we have digressed a bit, let us get back to WHO ARE WE?

My first step to an understanding of Israel Identity came when I became honest enough to realize
that what I had been taught about the Jews for 50 years was false, and these people could not
possibly fill the marks of Israel Identity. So I began to search the Scripture on my own. I didn't go to
any man, or the works of any man, but relied completely on God's Word. He was faithful to His
promises and showed me the truth about His people, for which I praise Him! This can be the
experience of any Christian who will honestly study this problem from an unbiased Christian basis.

For the first time in my life, I honestly became concerned about what the Word taught. I no longer
accept the teaching of some fallible man, just because he has a string of degrees behind his name.
As I went to the Word, it was with the prayer that I might open my mind to the truth and let His
Spirit guide me.

So as we near the end of this message, for a little while try and forget all the sermons you may have
heard which praised the Jews. Forget what you heard Billy Graham, Jack Van Impe, David Webber,
R. B. Thieme, or Hal Lindsay say. Forget the pro-Jewish propaganda which has come from the
Jewish-controlled media; forget the footnotes you may have read in your Scofield Reference Bible
and let the Holy Spirit guide you. You will be amazed how simple this is!

Then, if you believe what the Word says, you will be faced with the unassailable fact, that the
Anglo-Saxon and related people, and they alone, bear the identifying marks of “true Israel.”

If White Christian people in the lands of Christendom ever become aware of this mighty truth, you
will see a spiritual revival sweep our countries which will be unrivaled in world history. You will
see White Christians down on their knees, begging God for forgiveness, and you will see the literal
fulfillment of 2nd Chronicles 7:14: “If my people, WHICH ARE CALLED BY MY NAME, shall
humble themselves, and pray, and seek my face, and turn from their wicked ways; THEN WILL I
HEAR FROM HEAVEN, AND WILL FORGIVE THEIR SIN, AND WILL HEAL THEIR LAND.”
There is the answer, straight from the lips of Almighty God! When this happens, you will see the
greatest miracle in the world's history, outside the miracle on the Cross.

Why is it that Godly men, who stand behind the pulpits of our most prestigious churches, refuse to
accept this marvelous, plain teaching from the Word? Is it because they are afraid to admit they
have been wrong for so long? I believe it is! I think their pride stands in the way of their honesty!
They are afraid of what people will say about them. Then, too, they do not have the courage to face
the opposition which they know will come from Jewish sources. Many times people ask me: "Aren't
you afraid to speak out as you do? Don't you know this is dangerous?” I am not afraid because I
know God still sits on the throne of the Universe and He, and He alone, controls it. I know, beyond
the shadow of a doubt, that no one can put his hand on my life for evil, unless God in His wisdom
allows it. If it is God's will that I suffer for righteousness' sake, I recall the words of our Lord in the
Sermon on the Mount:

"Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom
of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say
all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for
great is your reward in heaven ['Heaven,' Greek 'ouranos,' meaning 'the abode of God']."
(Matthew 5:10-12.)

Back in the 1920's, the great Christian industrialist, Henry Ford, Sr., warned American Christians
that most of the major seminaries had been sold a "false bill of goods," and were teaching that the
Jews were God's Chosen People. He said this was "tearing the Christian world apart." In Chapter
Two, of his monumental book, "The International Jew," page 21, he says: "The Jews are
propagandists. This was their original mission. They are now without a mission and few of their
leaders claim to be spiritual. Judaism has degenerated and represents the greatest materialism of our day."

Then on page 25, he strikes at the very heart of the problem in fundamentalism:

"The last place an uninstructed observer would look for traces of Jewish influence should be in the Christian church. If the libraries of our theological seminaries were equipped with complete files of Jewish literary effort during recent decades, and if theological students were required to read these Jewish utterances, there would be less silly talk and fewer 'easy marks' for Jewish propaganda in the American pulpits... There is a mission for the pulpit to liberate the church from what the New Testament calls the 'fear of the Jews.' The pulpit also has the mission of liberating the church from the error that Judah and Israel are synonymous. The reading of the Scriptures, which confuse the tribe of Judah with Israel, and which interpret every mention of Israel as signifying the Jews, is at the root of more than half of the confusion and divisions traceable in Christian doctrinal statements.

"The flaccid condition of the church, so much deplored by spokesmen who have regard for her inner life, was brought about not by science, nor by scholarship, nor by the increase of light and learning - for none of these are antagonistic to the truth - but by Jewish-German Higher Criticism. The defenders of the faith have fought long and valiantly against the inroads of Higher Criticism, but are sadly incapacitated in their defense, because they did not see that its origin and purpose was Jewish. It was not Christian; it was not German; IT WAS JEWISH!

"Jews have invaded in person, and in program, hundreds of American churches, with their subversive and impossible social ideals. They got hold of the church in doctrine, in liberalism, in so-called and feeble sociological diversions of many classes... The modern church has unconsciously given allegiance to a mass of Jewish propaganda."

Nowhere can this be more clearly seen than in the case of Dr. Jerry Falwell and his Moral Majority. They take strong stands against the evils which are destroying America; they hack valiantly at the arms of the international octopus, but they refuse to strike at its Jewish heart. In fact, they even refuse to expose it! Instead, Falwell has become the greatest apologist in America for the Bandit State of the Israeli.

I am not proposing reaction, no matter what conclusion you may have come to. I do ask for progress along constructive Christian lines; I am asking for the same action our Christian Anglo-Saxon forefathers would have taken. These were the men who were the world builders; these were the makers of the great cities; the founders of commerce and trade. The Jews have always worked these things for their own benefit, not for the good of mankind. Jews have never been builders, for theirs is a mission of hate and world destruction. On page 185 of his book, "You Gentiles," the Jewish author, Maurice Samuels states: "In everything, we Jews are the destroyers. Our Jewish geniuses, in the midst of your world, are an alien and destructive element, more clearly revealed as such, because they are articulate." (They never cease to hide the fact that they are here to destroy.)

Now, believe it or not, most of what I have said so far in Part Two was by the way of introduction. The idea of a Chosen People has been accepted by most Christians, since it is based on Scriptural fact. So let us begin our technical study by looking at the history of the Zionist nation. (I do not use the word "Jewish" for a specific purpose.)

There is a secular record of history which always runs parallel to the sacred history of the Bible. The story of God's destruction of 185,000 Assyrian soldiers in one night is paralleled in the historical clay tablets of Assyrian history for the year 700 B.C. (Read this account in 2nd Kings 19: 35.)
Our Bible is but a small section of human history, seen in a special light and for a specific purpose. It tells us about the origin, organization and dispersion of Israel and about the coming of the Gospel of the Kingdom. It is through the windows of the Bible that we can see God's hand as it works in history.

Secular history always glorifies man and their actions, but Bible history differs, in that it glorifies God. It is always mercifully true and never seeks to "whitewash" distasteful facts. It tells the truth about the great heroes of the Bible. It shows Jacob-Israel as a cheat; Moses involved in manslaughter; David, the beloved of the Lord, as an adulterer, which ultimately led to murder; it shows Peter as a liar and coward, and the Pharisee, Saul of Tarsus, later to become the Apostle Paul, as he became the bitterest enemy of Christianity. The Bible can do this, because human fact is not history. The true history is that of God, working through fallible men.

You will notice three major historical movements in the history of the Israel people and, on each occasion, this was brought about by unjust taxation. The first was in Egypt, about 1491 B.C., where their rebellion was based on unjust labor levies, as recorded in Exodus 6.

The second was when Israel seceded from Judah in 975 B.C., because of the labor levy which had been instituted by Solomon, and which his son, Rehoboam, refused to relieve (1st Kings 12:14-16).

The third breakaway occurred when "Israel in the Isles," partly settled in their APPOINTED PLACE in America, revolted against the unfair taxation of George III of England, which had been brought about through the machinations of international Jewry. It was the Jewish bankers who controlled English economics, which forced England into a war with her American Colonies.

When Israel left Egypt and entered the land which had been promised to their father, Abraham, some 430 years earlier in Genesis 12:6-7, they made it their own, by right of "eminent spiritual domain." The reason for this 430-year lapse between the promise of Genesis 12 and its fulfillment in Genesis 15:16 can be found in this verse: "But in the fourth generation they shall come hither again: for the INIQUITY OF THE AMORITES IS NOT YET FULL." (Emphasis added.)

God is a God of justice, but His justice is always tempered by mercy. He always gives individuals and nations the choice of serving Him voluntarily, so He appointed a grace period for the Amorites, the original inhabitants of Palestine, and when their gross sin and immorality continued, after 430 years of grace, Israel was ordered to march in and "blot them out."

In Palestine, Israel established a theocratic form of government - a government of God. It was a representative form of government, but not a "democracy," which God abhors. Moses and Aaron stood for God, they represented Him in His dealings with the Israelite people (see Exodus 18:21).

The only time on record when Israel tried a "democracy" was when Moses was on Mt. Sinai and the people "conned" Aaron, without too much effort, into erecting the Golden Calf. You remember what a disaster that was. History has proven, over and over again, that, when a "one man, one vote" system is established, "all hell breaks loose."

As long as Israel followed the representative form of government, she prospered and had the highest degree of liberty and happiness in their long history. These same blessings will be returned to the Israel people, when our governments return to God's way of doing things and when we once more are willing to follow His laws. These were given, after all, for the welfare and happiness of God's people.

Strangely enough, one of these laws, which we have blatantly disregarded in the United States in the past fifty years, can be found in the New Testament, 2nd Thessalonians 3:10: "This we commanded you, that if any would not work, neither should he eat." God has never had a place in His plans for a Welfare State, or a lazy people. This was a Jewish social idea which is now strangling us.

The people of ancient Israel, like their modern counterparts in America, were not satisfied with what they had. They wanted to experiment. They wanted to try a New Deal; a Great New Society.
The Bible says: "They went after strange gods." This does not mean they stopped the worship of Jehovah, no indeed; they were probably the most religious people in the whole world, but they followed heathen practices, the economic and moral practices, which were built on the false "Gold Standard" of heathen Babylon. (We still have this system with us today.)

This idolatrous practice produced great wealth, side by side with great poverty. While God was at the center of their religious life, their secular and economic existence was ruled by "other gods." This is the same thing we see happening in Christian nations today.

Today our churches are full with what I call "Alka Seltzer Christians." These are the folks who come to church on Sunday, and "fizz for an hour," then forget their Christianity for the rest of the week. No wonder we have lost our spiritual power. As a result of this, many churches, which used to glorify God, have become sort of "glorified religious country clubs," where people belong because it helps in the business, or adds to their prestige in the community. American Christians in a large part have become folks who worship God with their mouth, while allowing the "golden calf" to govern their lives. "This people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men." (Isaiah 29:13.) (The Hebrew word used here for "precept" is "mitsvah," which means "human orders.")

Our Christian Capitalist System of Free Enterprise, which has given us the highest living standard in the world, has brought more material good, to a greater number of people, in a shorter period of time, than any other; yet we seem to want to "chuck it" for the Jewish Socialist schemes which have never proved successful.

When the nation of Israel reached the zenith of its greatness, a split occurred, leaving Judah and Benjamin, with part of the tribe of Levi, in the South, and the other tribes in the North. Most of the Levites stayed with Judah, since the temple was located in Jerusalem. The people called "Jews" did not show up on the biblical scene until almost 235 years later, when they first appear in 2nd Kings 16:6, about 742 B.C.

While most Christians believe the words "Israel" and "Jew" are synonymous, they are not and the Bible makes a very careful distinction between these two groups. Somehow or other, our fundamental preachers and Bible scholars refuse to accept this truth and insist they are one and the same. The leaders of Israel came primarily from the Joseph tribes of Ephraim and Manasseh. Moses was not a Judaite, therefore could not properly be called a Jew. He was from the priestly tribe of Levi. Joshua was an Ephraimitic, as was Deborah and the Prophet Samuel. Saul, the first king of Israel, was from the tribe of Benjamin, the same one which produced the Apostle Paul many centuries later. (See Philippians 3:5 and notice how careful Paul was to designate himself as an Israelite.) This same line of division can be found in the Bible census which were taken in 1st Samuel 11:8 and 2nd Samuel 24:9.

A little careful Bible study should convince you of the error of using the word "Jew" every time the word "Israel" appears. About 975 B.C., the split between the two nations became final (See 1st Kings 12:17-21).

Many generations later, the Northern Kingdom was taken captive into Assyria. According to many historical accounts and extensive archeological findings, they traveled north and west into Europe and became the Anglo-Saxon, Celtic, Germanic and related peoples of Europe. The Southern Kingdom of Judah was taken captive much later into Babylonia, and a "mixed multitude" of about 50,000 people, under Ezra and Nehemiah, returned approximately seventy years later. It was this group which brought with them the Satanically inspired Babylonian Talmud. The priests of that day, striving for political power within the nation, became the Pharisees of Christ's time and from them came the Rabbis of modern Judaism. This Pharisaic group was the one to which Christ addressed His sharpest rebukes, when He said: "Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP" (John 10:26). How much clearer does the Word have to become before you will believe?
At this time, we must also take note of a scene. Does this mean that God broke His promise with David? Not at all! It merely means that, just as in many other areas, we do not know what happened.

The Christian church has tried to answer this dilemma by spiritualizing the promise and saying that Jesus Christ came from the line of David and that it was He who would perpetuate David's throne. What about the 400 intervening years between the Old and New Testaments? God's promise said, "You will NEVER lack a man to sit on David's throne," so, somewhere, there must have been a descendant of David, who was reigning on a throne.

When Judah was taken captive into Babylon, Zedekiah, the last of David's line, saw all his sons killed by Nebuchadnezzar, before he was taken captive to Babylon (2nd Kings 25:7). There is little doubt that the Babylonian monarch thought he had killed all of the royal seed. But Jeremiah the Prophet, with his secretary Baruch, and the king's daughters, escaped into Egypt (See Jeremiah 43).

No more is told about Jeremiah's mission to "build and to plant" (Jeremiah 1: 10), until he, Baruch and the king's daughters appear in early Irish history, in the British Isles. Now I realize this is not in the Bible, but it is in history, just as clearly as the fact that George Washington was once President of these United States. Many modern scholars do not want to accept this proof, but there it is and it cannot be laughed away. (Maybe this is one reason so many Irishmen are named Jerry; it certainly isn't a popular Jewish name.)

According to ancient Celtic history, the king's daughters married into Irish royalty, and this can be traced, without a break, to the present reign of Queen Elizabeth.

There are literally volumes of ancient history, pointing to the fact that the throne of David, which became extinct in Palestine, was replanted among the Israel people in the British Isles. You would think this would make the "fundamentalists jump for joy," since it is certainly a vindication of the authenticity of the Bible. But no, instead, these men appear bent on refusing to accept British history, while believing historical accounts from Egypt and Assyria, which are centuries older.

In the September 1981 issue of Bob Jones University's Faith for the Family Magazine, Dan Olinger wrote an article entitled "British-Israelism." On page 2, he shows an old Jew (it is obviously a Jew, since he has a hooked nose and is wearing the traditional skull cap), as he sits reading a Bible, before a British flag, which has been superimposed on the six-pointed Star of David. This leaves a false impression without saying a word. It says in effect: "Israel and the Jews are one and the same." We have seen the fallacy of this belief. Olinger states: "Hence the legend about Jeremiah. A leading Irish historian [whom he fails to name] has stated: 'This legend is not asserted by a single scholar in Irish history anywhere; absolutely no one in Irish history puts his name to it."

He goes on to say that the only proof for Jeremiah's stay in the British Isles comes from unreliable Irish Chronicles. Folks, this simply is not true! E. Raymond Capt, M.A., A.I.A., F.S.A. Scot, of the Archeological Institute of America, believes this story; as does Professor Sir W. M. Flinder Petrie, Professor of Egyptology, from the University of London, and many more.

There are many historical records which point to Israel's presence in Britain at a very early date, some say as much as 1500 years before the time of Christ. On Ptolemy's map (an astronomer and geographer who lived in Alexandria, Egypt, about 130 A.D.), of Ireland, in the northeast corner of the island, we find such Israelite names as "Dan-Sawar" (Dan's resting place); and "Dan-Sobairse" (Dan's habitation). Gladstone's Juventus Mundi, and the old Psalter of Chashel, both state that some of the Grecian Danai (tribe of Dan) left Greece and invaded Ireland. Writers such as Petanius and Hecatoeus of Abedera (Sixth Century) speak of the Danai as being Hebrews, who came from Egypt to colonize Ireland.

"The History of Ireland," by Moore, states that the ancient Irish called the Danai 'Vanes." After they crossed to Greece, they then invaded Ireland. This is the story as told in British history and can be found in the prestigious Westminster Abbey, where you can also find the chronology of British
Royalty, which goes back to David without a break. Why is it that our modern scholars refuse to accept these facts and still cling to the "Jewish fables," Paul warned about in Titus 1:14: "Not giving heed to Jewish fables and commandments of men, that turn from the truth."

In this same article, Olinger says: "British-Israelism ignores Deuteronomy 28:63-66, which states that, as long as Israel is out of the land of Palestine, they are under the curse." This is not what it says at all. In fact it is an excellent example of how fundamentalists twist Scripture to come up with their own interpretation. Here is what it says:

"And it shall come to pass, that as the Lord rejoiced over you to do you good, and to multiply you; so the Lord will rejoice over you to destroy you, and to bring you to nought; and ye shall be plucked from elf the land whither thou goest to possess it. And the Lord shall scatter thee among all people, from the one end of the earth even unto the other; and there thou shalt serve other gods, which neither thou nor thy fathers have known, even wood and stone. And among these nations shalt thou find no ease, neither shall the sole of thy foot have rest: but the Lord shall give thee there a trembling heart, and failing of eyes, and sorrow of mind: And thy life shall hang in doubt before thee; and thou shalt fear day and night, and shalt have none assurance of thy life."

These verses speak of Israel being scattered because of the evil they have done in refusing to follow God's laws. It says absolutely nothing about being cursed because they are outside the land of Palestine.

Again Olinger states that God did not make an unconditional promise to perpetuate David's throne, but that He threatened in 1st Kings 9:6-7 an interruption of this throne through disobedience. Let us see what these verses really say: "But if ye shall at all turn from following me, ye or your children...then will I cut off Israel out of the land...and this house [speaking of the temple] ...will I cast out of my sight; and Israel shall be a proverb and a byword among all people." There is not one word, or hint, of an ending to David's throne in these verses.

Olinger then goes on to point out that the Apostle James in Acts 15:16 indicated that David's house had indeed fallen. Here is what it says: "After this I will return,. and will build again the tabernacle of David, which is fallen down." Once again, this verse says nothing about David's throne.

In order to avoid any further controversy on this point, let us go straight to the final authority and see what it does say: "I [God] will set up thy seed [David's] after thee, which shall proceed out of thy bowels...AND I WILL ESTABLISH THE THRONE OF HIS KINGDON FOR EVER." (2nd Samuel 7:12-13.) (Emphasis added.) (The Hebrew word used here for "forever," is "clam," which means: "eternity; always; continuous; everlasting.") Then God goes on in verses 14 and 15 to say that, if David's seed were to do wrong, "I will chasten him!" Verses 15 and 16 give us the correct answer, and, Mr. Olinger, it says you are WRONG! "But my mercy SHALL NOT DEPART AWAY FROM HIM [David and his seed] ...and thine house and thy kingdom SHALL BE ESTABLISHED FOR EVER before thee: thy throne SHALL BE ESTABLISHED FOR EVER." (Emphasis added.)

To place a "capstone" on my argument, turn to 1st Kings 8:25. This is part of Solomon's prayer: "Keep with thy servant David my father that thou promisedst him, saying, THERE SHALL NOT FAIL THEE A MAN IN MY [God's] SIGHT TO SIT ON THE THRONE OF ISRAEL." Now either God is a liar, or someone else is trying to "pull the wool over your eyes," you be the judge!

The entire book of Isaiah was written in Judea, but was addressed to Israel in the Isles. (See Isaiah 41:5 & 8-9.) All of these verses were addressed to an Israel who had been cast out of her original land.

I believe the problem of modern Christianity goes much deeper than a mere acknowledgment that the ten tribes still exist. If the White, Anglo-Saxon peoples of the world would honestly study God's Word and secular history which backs it up, they would believe what they found there and would know they were God's people, chosen for a "special purpose." This knowledge would not make us
puff up with superiority, but would give us a clearer understanding of God's will, not only for our personal lives, but for our nations as well. Wouldn't it be wonderful if we could have a great confederation of nations who glorified God, put Him first in their lives and could honestly be called "Christian?"

How glibly most Christians mouth the words of that wonderful promise given to us in 2nd Chronicles 7:14. Not one in a hundred know what they really mean. Yet we are His people, not only because of the wonderful salvation He offers us through His Son, but because somehow, in His infinite mercy, He has chosen us to be His witnesses to all the world.

When Judah went into captivity in Babylon, she was promised a homecoming in seventy years. A relatively small number returned under Ezra and Nehemiah, but nowhere was Israel promised a homecoming. Instead, she was told of a "tender twig" which would be cropped from the royal house and carried by God's hand into a foreign land. (Read Ezekiel 17:22-24 and note the Divine Signature affixed.)

Years later, the Prophet Hosea (1:10) was to say of Israel, after she had traveled to that faraway land: "Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measured. Do you mean to tell me that the relatively few Jews on this earth fulfill this promise? Then the Prophet went on to say: "And it shall come to pass, that in the place where it was said unto them, YE ARE NOT MY PEOPLE [they would be known as 'Gentiles' and even their pastors would tell them: 'You are not God's people!'], there it shall be said unto them, YE ARE THE SONS OF THE LIVING GOD." (See John 1:2.)

So you see, it really doesn't matter what the fundamentalist or liberal scoffers say. They can disbelieve and miss out on the tremendous blessings of knowing they are God's people, but this does not change what God has prepared for those who recognize who they are and what they must do.

We could stop here and spend pages going into the fascinating story of Solomon's navy, as it went through the Straits of Gibraltar, possibly as far as Britain. There are many historians, and some Bible scholars, who believe ancient Tarshish was the British Isles. The maritime tribe of Israel was Dan and they left their name all over Europe, such as "Danube," "Danmark," "Danzig," and others. All over Europe, you can find these Israel signs. The Scots or Gaels, as they were formerly called, is a perfect word derivative of "Galilu." You will find this word in the city of Galatia on the southwest coasts of the Black Sea. It can be found on the northwest tip of Portugal and again among the "Gauls" of Spain. Did all these Israelitish names just happen? I rather believe not!

Bible scholars have speculated about the eighteen years of Christ's life, which are lost in Bible history. These are the years between when He was seen in the Temple at the age of twelve and when He was baptized in Jordan by John. Yet there is historic evidence of these years. It is strong enough that, when the researchers for the film, "In Search of Historic Jesus," began to dig into old history, they came up with the distinct possibility that Christ may have traveled to Britain with his uncle, Joseph of Arimathea. It is known that this man was very wealthy and owned tin mines in Cornwall, which he visited on occasion. What is so farfetched about a teenager going along with his uncle on an exciting trip?

You may be wondering where I got the information that Joseph of Arimathea was Jesus' uncle. There are some very interesting documents from early church history, which, while not inspired Scripture, still tell as much of an authentic story as historical accounts concerning George Washington. One is called the Gospel of Nicodemus, which is believed to have been written by the same Pharisee who came to Jesus by night, in the John 3 account.

Joseph shows up during the trial of Jesus and, while Bible scholars would have us believe that Christ stood helpless before His accusers, early historical records, both Jewish and Roman, indicate that a brilliant defense was put up for Jesus by some very able lawyers and against heavy odds, In
fact, there is some evidence available, which indicates that this defense cost the lives of several men. Early Jewish records of this trial indicate that, when the final vote of the Sanhedrin was taken, forty of the seventy legislative members voted for acquittal. It was then that Caiaphas the High Priest, seeing a great political danger to himself, did an unprecedented thing and took charge of the trial personally. Then to thwart the votes of the legislators who voted for acquittal, he played his "trump card" and sent Jesus to be tried by the Roman Governor, Pontius Pilate.

There is very little doubt, based on these early accounts, that, before Christ had been brought to trial, there had been a heated debate in the Sanhedrin, over what to do about this exciting young teacher from Galilee. He had fired the imagination of the common people. There were two political parties in the Sanhedrin at this time--the older, ultraconservatives, led by Ananias and Caiaphas, known as the Pharisees, and the new Liberal Party, called the Sadducees. This new party had been in a power struggle to unseat Caiaphas. They had little chance of winning, since the wealthy ruling power in Jewry, with the exception of one man, was in the hands of the Pharisees. However, this one man, Joseph of Arimathea, had a political influence which went beyond the boundaries of Judaism, into high Roman political circles.

Evidence reveals that Joseph was so strong the religious leaders were afraid to attack him openly. This man is mentioned in only a few places in the Gospels. The Matthew account connected him with the burial of Jesus and can be found in Matthew 27:57. In Luke's account, he is called a "counselor," or "lawyer," so we see him as a very important figure, not only in Jewish politics, but in Roman circles. He was influential enough that, according to Bible accounts, he could get an audience with the Roman Governor.

With the skimpy Scriptural account, I doubt if one fundamentalist pastor or Bible scholar in a thousand has ever bothered to do a "background study" on this very remarkable man. This is a shame, since he was very active in the new church.

A study of contemporary history will show us that Joseph of Arimathea played an important part in the early drama of the Christian Church. He became one of the major protectors of that little band of people known as THE WAY, who later became known as "Christians." These were those who dared to stand against Roman power and say: "Jesus is King!"

Early church history indicated that Joseph became the guardian of the Virgin Mary. He also became an early apostle to Britain and set up the first Christian church on English soil, less than ten years after Christ's death. This was 500 years before the Roman Catholic Church claims to have Christianized Britain.

Joseph's wealth came from the tin industry in Cornwall, where the major portion of the world's tin was being mined at this time. Many of the early Greek and Roman classical writers refer to this tin trade between England and Phoenicia. From early records, it appears that Joseph was the Virgin Mary's uncle. He was reputed to have owned the largest private fleet in the world. There is further confirmation of this in the Latin Vulgate translation of the Bible, where in Mark 15:43, he is referred to as "Decuno," which was a common Latin term, meaning "A Roman official in charge of metal mines." In the St. Jerome translation, Joseph's official title is given as "Nobiles Decuno." This would indicate that he was a prominent official.

Further confirmation comes from the Jewish Talmud, which states that Joseph was the younger brother of Mary's father. This would have made him Mary's uncle, and Jesus' great-uncle. From other scholarly reports, we find that his only son, Josephus, left a mark of distinction on early British history.

A study of old records shows a very close relationship between Joseph and Christ's earthly family. Cornish tradition abounds with stories of Jesus' frequent visits to that land, when He was a young man.

We have been commonly taught that Jesus came from a poor family, but secular records indicate
that, in His own right, He was a property owner who gave up His material wealth to pursue His mission of preaching the Kingdom Message.

It also appears, from these same early accounts, that one reason the High Priest Caiaphas had such control over the Roman Governor was that he was in possession of secret information, which linked Pontius Pilate to a secret, futile assassination plot against the Roman Emperor. Caiaphas was said to have used this information to "blackmail" Pilate into condemning Jesus. Do you remember the veiled threat to Pilate, found in John 19:12, when, at the height of the trial, the High Priest shouted: "If thou let this man go, thou art not Caesar's friend"?

Secular history also indicates that a "reign of terror" was instituted by the Jewish leaders against the little band of THE WAY, immediately following Christ's execution. We know, from skimpy Bible accounts, that all but two of Christ's disciples had fled from the city. It appears as though the disciple John had taken Christ's mother away from the execution site before He died. This would seem logical, in spite of religious pictures to the contrary. Early records indicate that only Joseph of Arimathea, of all the disciples, was able to walk the streets of Jerusalem openly.

When the grave of Christ was found open, on that first Easter Sunday, the stone was rolled away and the body was missing. It was quite evident that the Jewish guards had fallen asleep at their posts. If they had been Roman soldiers, they would have been instantly executed, but the Biblical account in Matthew 28:11-15 indicates that the Jewish authorities bribed these men to lie to the Roman authorities and say that, while they were asleep, Christ's disciples had come and stolen His body. This is the story told to Jews worldwide today.

Jewish records, for this time, show that Joseph of Arimathea was called before the Sanhedrin and accused of stealing the body of Jesus. In the steamy session which followed, Joseph refused to talk, secure in the knowledge that the Jewish authorities were afraid to touch him.

You may wonder why I have gone into such detail concerning this remarkable man. It is because he is further proof that our Israel people were in the British Isles, according to the prediction of the prophets, and that they had already begun to fulfill their mission of being God's witnesses to all the world. Look at Isaiah 43:21: "This people [Israel] have I formed for myself; they shall shew forth my praise." Isaiah 24:15: "Wherefore glorify ye the Lord in the fires, even the name of the Lord God of Israel IN THE ISLES OF THE SEA." (Emphasis added.) Isaiah 42:4: "And the isles shall wait for his [God's] law." Verse 10: "Sing unto the Lord a new song, and his praise from the end of the earth, ye that go down to the sea, and all that is therein; the isles, and the inhabitants thereof." Isaiah 51:5: "The isles shall wait upon me [God], and on mine arm shall they trust." Isaiah 66:19: "And I [God] will set a sign among them, and I will send those that escape of them unto the nations...to the isles afar off, that have not heard my fame, neither have seen my glory; and they shall declare my glory among the Gentiles [nations]."

Yes, my White Christian friends, your Israelite ancestors did this and their witness is inscribed in the ancient historical records, which your own pastors refuse to accept.

When the persecution of the early church became violent, it disappeared from Jerusalem and showed up in many faraway places, including Britain. As the Christian Church began its task of evangelizing the world, the Apostle Paul followed the coastline route of earlier Israelites and planted new churches among the Israel colonies on the northern shores of the Mediterranean Sea. This can be proven from the salutations given in some of his Epistles. The Epistle to the Hebrews was not written to Jews, but to Israelites, as was the Epistle of James. Notice his salutation in James 1:1, "to the twelve tribes which are scattered abroad, greeting." Notice 1st Peter 1:1: "to the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia." (The word "strangers," as used here, comes from the Greek word "parepidimos," and means "resident alien."
The Israelites were aliens in these lands.)

The New Testament clearly hints that Spain was within the boundaries of Paul's missionary vision. In his letter to the church at Rome, he indicates that, while he has not yet been to Rome, he had
already visited Spain. In Romans 15:24 it states: "Whensoever I take my journey into Spain, I will come to you." In verse 28, Paul explains how it was necessary for him to first visit Jerusalem, then says: "When therefore I have performed this... I will come by you into Spain."

If Paul went to Spain, what makes you think he did not go on to Britain? And if Paul was in Britain, as early records seem to indicate, then why do fundamental pastors and scholars get so upset at records that Joseph of Arimathea foue” s a Christian Church there? After all, these records were kept by a meticulous Roman government.

If this record was about America's Revolution, the same men would accept it. If it was about Nebuchadnezzar in 607 B.C. or Egypt in 1700 B.C., they would accept it. It is only those records which upset their pet theories which they refuse to accept. Why? Because they have been led astray by Jewish propaganda (fables).

One of the outstanding facts in world history has been the basic unity of the Anglo-Saxon people. We people in the United States did not create this unity for, in fact, under Jewish pressure, we have tried to destroy it for 150 years. We fought two wars with our mother country, both instigated under pressure from International Jewry. We have fought two great wars with a great Christian White country named Germany, this in spite of the fact that 25% of our American people were of German heritage. We have allowed the Jewish-controlled media to spout "anti-Germ an anti-English" propaganda, which is designed to drive us further apart. The same thing is now going on with our neighbor Canada. In spite of every effort to widen the gap between our peoples, Anglo-Saxon unity is still a force to be reckoned with. Why is this? Because Bible prophecy foretells it!

This unity did not come into being because we speak a universal language - we do not! It did not come because we are alike in politics, for we are not! We think the same thoughts, because they are our heart language and we have been conditioned by our Israel-Christian heritage to think them. (Never say Judeo-Christian, since this is completely false.)

Nowhere else in all the world do you find the love of freedom, which is found in our people. This love for justice and freedom stems from our Israelite belief in the Lord God Jehovah, the God of our father Jacob.

We look at the historical records of England and the United States and there is much for which we should be ashamed. We can see where the Jewish influence has infused a greedy drive for materialism into our people and our government. Yet our forefathers in the Old Testament committed these same sins and the "lash of God" descended on their backs, just as it is falling on our White countries today.

Wherever our people live, the enemies of God (not His Chosen People, but His enemies) have attempted to lure us away from the God of our fathers and from living according to His laws. We have broken the Covenant our fathers made with our God and, today, we are paying the price for it.

Take some time and read the words of the Mayflower Compact, signed on November 21, 1620, in the stuffy cabin of a little ship called the Mayflower, as she lay anchored off what is now Provincetown, Massachusetts: "In the name of God, Amen. We whose name are underwritten, having undertaken for the glory of God and the advancement of the Christian faith, a voyage to plant this first colony."

When the first colonies had grown to four, they formed a Federation and the Articles of Confederation began with these words: "Whereas we all came to these parts of America with one and the same end: namely the advancement of the Kingdom of our Lord Jesus Christ and to enjoy the liberties of the Gospel in purity."

Don't ever try and tell me that America was not founded as a Christian nation. Our early records are replete with examples like this. We say in our Pledge of Allegiance: "One nation, under God!" Our money bears the motto: "In God we trust!" Our country was founded as a Christian nation. Our forefathers had no idea of founding a "pluralistic society," as Jerry Falwell claims. We were set up
to be a Christian country and, if people of other faiths want to live in peace with us, let them realize they are here only by our Christian sufferance and let them desist in their efforts to destroy us. It is no wonder our founding fathers could declare themselves to be "the seed of Abraham, God's servant, and the children of Jacob, His chosen." Those were their words!

Those of us, who have studied the Bible with an open mind, know that the purposes of God will be fulfilled in the Israel nations, in spite of all the efforts by "brainwashed" or "evil" men to thwart them. It will come in God's own good time, regardless of what the skeptics say to the contrary. It is our task to "prepare the way for His Kingdom," as He has commanded us.

The great poet laureate of England, Rudyard Kipling, knew this. He was conscious of our Israel identity, when he wrote his greatest poem, "Requiem," for the Diamond Jubilee of Queen Victoria. It was not a popular poem, because it warned Englishmen of something they didn't want to accept. It is a poem America better listen to:

"Far flung our navies melt away;
On dunes and headland sinks the fire:
Lo, all our pomp of yesterday,
Is one with Ninevah and Tyre;
Lord God of Hosts, be with us yet,
Lest we forget!

"For heathen heart which puts its trust,
In reeking tube and iron shard.
All valiant dust, which builds on dust,
And guarding, calls not Thee to guard.
For frantic boast, and foolish word,
Have mercy on Thy people, Lord!"

Let no one believe that I have written this message for the glorification of my people. On the contrary, I hope that its truth will bring our Israel people to their knees before our God. These words were written to glorify our God and that His purposes may be fulfilled through us. The highest justification of man's existence comes when he becomes a vehicle through which God's purposes can be accomplished. There should be no other goal in our mind!

Over a hundred years ago, a heathen Jewish philosopher in German, named Ludwig Feurbach, wrote: "Man will finally be truly free; when he realizes there is no God of man, but man himself." This heathen idea became so deeply rooted in the diseased brain of a young Jewish radical named Karl Mordecal Marx, that it became the foundation on which modern Communism exists.

This same idea has been promoted by Jewish sources in America, just as they have been in the forefront of promoting Secular Humanism (the worship of man, rather than God). It has invaded our government, our schools, and many of our churches, with its insidious poison. It has slowly eroded the moral fiber of our nation. It is in direct conflict with everything our God stands for!

Today we find the White nations of Christendom standing at the moment of decision. We are confronted by the same question Joshua once asked of our forefathers: "Choose you this day whom ye will serve." May our answer be as his: "But as for me and my house, we will serve the Lord" (Joshua 24:15). This is the only thing which will save us. Will we return to the keeping of God's laws and be happy and survive? Or will we have to have our noses rubbed in the dirt, and possibly languish under Jewish-Communist persecution, before we will acknowledge the God of our father, and His right to rule over our lives?

The supreme proof that we are God's people can be seen in the fact that we are still within the scope of His discipline as a nation. This correction will be carried out until He has "purged the rebels from
among us" (Ezekiel 20:37-38). Then, and only then, can His Son, Jesus, the MESSIYAH CHRIST rule supreme as KING OF KINGS AND LORD OF LORDS! MARANATHA!

This correction may fall on you too my friend, even if you are an Israelite by birth. To enjoy the whole package of God's love, you must also become His sons and daughters through the blood of His Son, which was shed for you (see John 1:12). The "high calling" of God is not just to accept Christ and build a Christlike life. It is to know the truth and be willing to publish it to all men!

What is to be done? First, we must awaken to the realization of who we are. Then we must tear the protective mask from the enemy's face. But the blindfold must be taken from our own eyes before we can do this. We must be willing to name the danger by its proper name and then prepare, with great vigilance, to meet the enemy's offensive. We must offer a steady resistance and mount a triumphant counterattack. This will come, only as White Christians know who they are: "This is the victory that overcometh the world, even our faith" (1st John 5:4).

For those of you, who read this message and are not of Israel's race, there is good news for you too. Our God has said: "Whosoever will may come!" Why not accept Him and get in on the "winning side today?"

The End
KNOW YOUR IDENTITY!

From
Crusade for Christ
COL. GORDON "Jack" MOHR, AUS RET.

Most folks are confused, when it comes to questions regarding their Identity. This is because very little is done to teach them the importance of their heritage.

Yet at some time or other in their life, most people have a question in the back of their mind. Where did I come from? Why am I here? that goes much deeper than the old "wives tale" about babies being found under cabbage leaves. Few us are satisfied with such a childish answer.

Those of you who have had the privilege of hearing the TRUTH of the Identity message, KNOW that you are not here by accident, but by Divine design. You have come to the TRUTHFUL conclusion that there is more to life than the worldly: "Eat, drink and be merry, for tomorrow you may die!" THEORY of the natural man. Those of you who have been led by God's Spirit to accept His SON as your Savior and King, believe God's promise in Romans 8:28 - "For we KNOW that ALL things work together for good to them that love God; to them that are THE CALLED according to His purpose". You also know, that you belong to that elite "CALLED OUT" group, for you have the witness of His Holy Spirit working in your life.

But most of us want to go beyond mere surface knowledge, heeding the admonition of the Apostle Peter in 1 Peter 3:15 - ready always to give an answer to every man that asketh you a reason for the hope that is in you with meekness and fear", (reverence). The Apostle Paul in Colossians 4:6 says: "Let your speech be always with grace, seasoned with salt, that ye may know how ye ought to answer every man".

Those of you who have been in the Identity Movement for any length of time, and who have been trying to spread it's TRUTH, know how difficult it is to convince someone from a Judeo-Christian background, that what we teach is the TRUTH. This can be seen in one simple example. Christians who forcefully claim that Christ is their Savior, and who are voluble in their declaration that the Bible is the Word of God, still cling to some man made beliefs that contradict this. As a result, they will believe their pastor, when he tells them that the anti-Christ's of Judaism are God's Chosen People, when their Savior, in John 10:26, clearly and unmistakably told the Jewish leaders: "But ye believe (me) not, because ye are NOT OF MY SHEEP".

To give you some additional ammunition to counter the arguments of the nonbelievers, I have put together what I believe are some essential Identity truths, which will make it easier for you to answer them.

I cannot take credit for these thoughts, for they come from an excellent book, YOUR INHERITANCE - THE BEST KEPT SECRET IN THE WORLD, written by my good friend and Christian colleague, Pastor Robert Bailicius from the SACRED TRUTHS MINISTRY, P.O. BOX 18, MOUNTAIN CITY, TN 38683. I wish I could supply each of you with a copy of this priceless hook. Since I don't have funds available to do this, I am putting this article together especially for you men in the gulag, who are trying to spread Identity truth in the Babylonian Prison System. I deeply appreciate the permission Pastor Bailicilis has given me to use his research. If you find it possible to purchase this book, I would consider it an excellent addition to your Identity Library.

As you know, there are people in the world today who call themselves JEWS and claim to be the Israel people of the Bible. Intriguing is the Scriptural warning of our Savior, that we beware of "those who say they are JEWS, and are not, but do lie, and are of the synagogue of Satan," (Rev. 2:9; 3:9).
God would not so warn His people, if it were not possible for us to be fooled by these impostors, or if this danger did not exist.

What does this warning mean? God has enlightened us to the fact that not all those who may have partially descended from Jacob/Israel are legitimate Israelites. In Romans 9:6, the Apostle Paul wrote: "... for they are not all Israel, which are of Israel!" Through the lineage of Esau, many of the "children of Jacob/Israel" at the time of Christ had sinned by inter-marriage with non-Israelites, and were known as Jews. King Herod was an Edomite, as were most of the high ranking Pharisees, and temple leaders. Jesus spoke about this usurpation of authority in Matt. 23:2, when He said: "The scribes and Pharisees sit in Moses' seat". We know they were of Edomite background for they admitted it in John 8:33, when they told Christ: "We be Abraham's seed, and were never in bondage to any man..." Any Sunday School student knows that "true Israel" was in bondage in Egypt, so these Jewish leaders could only have come from an Edom lineage.

These illegitimate children of Abraham have been the bitterest enemies of "true Israel" from their beginning and still are. Their openly avowed plan is the "destruction Of White Christian civilization," and establishment of a Zionist controlled New World Order.

God told "true Israel" that He would cast then out of old Palestine, and that they would have a new home, mostly north and west, of Palestine, that would reach to the "corners of the earth". They would also have a new language, (see 2 Sam 7:10). They were to have many kings (Gen 17:16) and would become a vast multitude that no man could number. The people we know as Jews have never come to close to qualifying in this respect. Israel was also to become a GREAT nation (I believe this was to be the US.) and a "company of nations" found in the British Commonwealth of nations. Again the Jewish people have never qualified.

We also see in Hosea 1:10, that Israel would lose their Identity and be called by a new name, Christians ("sons of the living God").

When Assyria conquered Israel and deported her to the east, they beyond the Euphrates River area, the conquerors moved in Canaanite people to take over the land. It was these people, lead by a man named Sanballat, who fought against the JUDEANS, when they returned under Nehemiah, and tried to build the walls of Jerusalem.

These people were not known as Jews, until they returned from Babylon with a false religion in which Hebrewism had been intermingled with the occult practices of heathen Babylon.

It was this "inter-mingled, mixed multitude" of people who tried to steal the inheritance of "true Israel", by claiming the land had been given to them by God's promises to Abraham.

J. Llewellyn Thomas, in his book THE ASSYRIAN INVASION AND THE DEPORTATION OF ISRAEL, quotes from an Assyrian inscription which states: "In the beginning of my reign the city of Samaria I besieged. I captured 27,280 of its Inhabitants and carried them away... the remainder were carried away and he (the king) transported them to the land of Beth-Omri."

It is interesting to note that the Jews today refer to themselves as either Ashkenazi or Sephardim (Mediterranean) Jews. They are neither Israelites nor Shemites. They are Edomite Canaanites and are no more descended from Jacob/Israel than that Martin Luther King, Jr, was a lineal descendant of Martin Luther the great Reformer.

It is also interesting to note that God declared that because of their sins, Israel would be divorced from Him and taken into captivity, where they would become "blind or ignorant" of the Israel heritage. There are many Scriptures to this effect, a few are (Deut. 29:28,29; Isa. 42:16-23; Jer. 50:6,7; Hosea 1:9,10; Rom 10:1-3; 2 Cor. 3:14,15).The world at large has also become "blind" to Israel's true Identity as seen in Deut 32:26 and Hosea 1:10. In the Hosea passage it says: "... and it shall come to pass, that in the place where it was said unto them (Israel), Ye are not my people, (the Jews and the Judeo-Christian world calls us GENTILES), there it shall be said unto them, Ye are the sons of the living God" (Christians). So though "true Israel" may be lost to the anti-Christ's and the
worldly elements of the church, they are not lost to God. He KNOWS exactly where we are, and why we are here, and still blesses us as He promised our forefathers, when we are OBEDIENT. Nowhere in Scripture do we find where "true Israel" would be blind to their Messiah, Jesus the Christ, we recognize Him as our true leader, but we became blind to our identity as Israelites. Look at our enemies, the people who more than all others combined, attack Jesus Christ and His church, even though it has been Christians who have helped them most. Who has been responsible for removing prayer, Bible reading, and the Ten Commandments from our Public Schools? and have replaced it with a "filthy sex education program", that instead of teaching chastity before marriage, encourages illicit sex by giving the students condoms in school and encourages interracial marriage, which has always been fatal to every people who has practiced it. Don't argue about this, check out your history books. The sands of history is covered with the dried bones of civilizations who have practiced miscegenation and it's accompanying sin, Sodomy, and have destroyed themselves.

In the September 5, 1967 issue of MacLean's News Magazine, a prominent Canadian rabbi, Abraham L. Feinberg, outlined his solution to racial conflicts. He said: "Until we learn to fight our ingrown fears of sexual relations between the races, the end of the race problem will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a White girl, will the West begin to tear away racial poison from its vitals. (This "racial poison" he mentions is God's Word, by the way). The "self-chosen" people are in the forefront of the drive to integrate the races, knowing it will destroy us eventually, although they urge their own people to marry only Jews.

In Scripture, the word JEW has often created confusion, as many time it is not clear what it means. This word JEW, cannot be found in the 1611 King James Version, or in the earlier GENEVA translation, simply because the word was unknown in the English language at the time. The word used was IEWE, which simply meant "an inhabitant of Judea", and had none of the religious significance now given to the term.

In Hebrew, the proper word is JUDAHITE, while in Greek it should be JUDEAN. These words can refer to someone who is racially of the tribe of Judah; one who is a resident of Judea; or one who follows the religious teachings of the Pharisees, which were not the teachings of Moses. Remember how Jesus told the Jewish authorities in (John 5:46,47) - "For had ye believed Moses, ye would have believed me; For he wrote of me".

Jesus warned His disciples about the "tares", an obnoxious, poisonous weed, that their enemy, Satan, would plant in the world field, in His Parable of the "Wheat and Tares," in (Matt. 13). He also spoke about "goats", who would be separated from His "true sheep". So in order to understand the true meaning of the word JEW, we must properly understand the context in which it is used.

For instance in Romans 3:1, the Apostle Paul said: "What advantage then hath the Jew, or what profit is there in circumcision? Much in every way; chiefly, because that unto them were committed the oracles of God". With apologies to our sincere Christian brethren who do not believe there are any errors in the King James Version, here is an obvious one. We KNOW that the "oracles" (oral statements) of God, and the Covenant of circumcision were not given to Jews, as there were no such people anywhere on earth until 1200 years after this Covenant was made with Abraham. But if we change the wording to read ISRAEL, instead of JEW, it makes sense. We are not questioning God's Word, but the translators.

Another word that has caused much confusion in the Christian world is GENTILE, which is actually a verbal "illegitimate stepchild of Judaism". It is not actual a translation as much as it is an "anglicization".

The Hebrew word for GENTILE is GOYIM (singular and GOYIM (plural). The problem seems to arrive from the Latin Vulgate translation of the Bible which rendered the Latin word as GENTILIS, from which came the word GENTILE.
Most Christians seem to believe that a GENTILE is anyone who is not a JEW. In Yiddish, the "bastard language of modern Judaism," a GOYIM is considered to be a "non-Jew animal, according to their holy book the Babylonian Talmud.

But in neither Hebrew, or Greek should GOYIM ever be translated as HEATHEN.

This Hebrew word simply means NATIONS, or TRIBES, and in a few places in the New Testament GREEKS, who were mostly of Israelite stock.

There can be no such thing as a GENTILE "singular. Just as one cannot speak of "tall persons", but only of "a tall people".

If you were a GERMAN visiting in China, you could rightfully be referred to as a GOY (singular); if two Frenchmen went with you, they would become "GOYIM" (plural).

The Jews claim that GOYIM are non-Jews, while at the same time they want to accept Abraham as their ancestral father. Yet in Gen. 12:2, and other places God said, in the Hebrew language: "I will make of thee (Abraham) a great and mighty GOY (NATION) . . . a father of many GOYIM (NATIONS) will I make of thee." You can't have it both ways!

These Hebrew words may refer to both Israel and non-Israel peoples in the same sentence, depending on how they are used.

In order to understand Scriptural context, one must apply "Biblical Rules of Interpretation: The foundational Rule is that God cannot lie! He cannot contradict Himself; and neither can His Word. Because of this, Scripture may only be interpreted in the light of other Scripture, not the writings of finite men.

In several places in the King James Version, the word GENTILE is erroneously used in place of the word GREEK. This Greek word is HELLEN, which means GREEK. One example of this is found in John 7:35 which says: "Will He (Christ) go unto the dispersed (of Israel) among the GENTILES, and teach the GENTILES". In both instances the word GENTILES here should be GREEKS. The Greeks, for the most part at this time were the dispersed "lost sheep of the house of Israel," and obviously the Jewish leaders knew this.

Whenever words are changed around by fallible men, and labels changed from what they were originally, confusion takes place, as second-hand information is often in error.

It is fortunate indeed, that we do not have to rely on the thoughts of "fallible" men down through history, but that God has kept a true record of His Word, no matter how man has messed it up or sought to change it. Historical records of the Greeks show that many of them were Israelites from the Tribe of Dan, who left Egypt before the bondage, and migrated to Ireland and Denmark after a battle with the Assyrians. They left their marks throughout Europe in many prominent names such as DANMARK, DANUBE, DNIEPR, etc.,

God has said that "in the mouths of two or three witnesses let a matter be established," (Deut. 19:15; Matt. 18:16; 2 Cor 13:1).

So with FAITH and CONSCIENCE we will look into God's Word in all matters of FAITH, to see what is true, Scriptural identification of God's people. We will not take into consideration what modern churchmen and scholars say, but "What saith the Scripture?" We will not look for what is "politically or religious correct in the modern world," but what does God's Word say?

In the light of this, let's examine some of the Scriptural "fingerprints" that will identify God's "true Israel" people in the "closing out days of this Age." There are over 200 of them, which are as sure in their identification as your fingerprints or o ar

A true story will illustrate this. In the middle 1800's when gypsies roamed the British countryside, a two year old White boy disappeared from his home and it was believe he had been stolen by these people who were noted for their kidnapping. Years passed and the police had come up with no
substantial clues. The boy's father was sure he was dead, but his mother, as mother's do held out hope. Then one day they received a letter from a Catholic priest in the Pyrenees Mountain area of northern Spain. He said that on her death bed, an old gypsy woman had confessed to kidnaping a little boy from their village, the same year their son disappeared. In great joy the mother wrote back stating, "There are three marks which will identify him. Our son had part of his left earlobe missing; he had a scar about six inches long on the inside of his right leg, and a strawberry birthmark between his shoulder blades." Several months passed, and a letter came back. The priest said: "I went to the gypsy village and talked with the man, he has all the identifying marks you mentioned and I believe he might be your long lost son." In great excitement the English couple sold their home to pay for the ocean trip to Spain. On arriving they were taken on donkey back to a remote gypsy village in the high mountains, where they were introduced to the man. There hearts sank for he did not look like an Englishman, he was burned dark from exposure to the sun; he had long unkempt hair and a beard, and could not speak a word of English: he remembered nothing about them or their God. Then as they turned away in bitter disappointment the mother noticed that part of his left ear lobe was missing; in great excitement, through the interpreter he she had him raise his right pant leg, and there on the inside of the leg she saw the scar she remembered. When he took off his shirt, there was a strawberry birthmark between his shoulder blades, and they threw their arms around him and accepted him as their long lost son and heir. Why? In outward appearance he didn't appear to be their son, but he bore the unmistakable marks which proved that he was theirs.

This is what happened to "true Israel," they went into captivity and lost their identity as Israelites. No doubt many of them strayed from their Hebrew religion, but as the centuries passed, they could not shed the "fingerprints" which proved that they were God's people. In their long trek across Northern Europe to the British Isles, and on to North America, God never lost track of them and they never lost these identifying marks. God knew where they were all this time, and guided and protected them. Today the church world laughs with scorn, when we show them the "fingerprints" which identify us as being Abraham's offspring. Instead they give this honor to those how hate their God, and openly state their desire to destroy them. The Jews say: "No we are His people, God's bly wng to Abraham belongs to us. The land God gave to Abraham is ours", and our "brainwashed" churchmen insist this is true, even as they help those our Savior said were "fake Israelites", who are of the "synagogue of Satan", (Rev 2:9; 3:9), and who do the works of their father, Satan, (John 8:44). Who are you going to believe? Some churchman who says they are God's Chosen, or your Savior who told them "Ye believe (me) not, because ye are NOT OF MY SHEEP?" (John 10:26).

Let's look at some of these fingerprints in the light of God's Word:

**ISRAEL WAS TO BECOME A MIGHTY NATION AND A COMPANY OF NATIONS**

These people would have kings to rule over them and priests to lead in their worship. God declared in His blessing given by Jacob to Ephraim, the younger son of Joseph, that he and his brother Manasseh, would grow into a mighty nation and a COMPANY OF NATIONS. We have seen this take place in the United States and the British Commonwealth of Nations. It has never happened to the Jews. The word GROW in Gen. 48:16 is a Hebrew word used only this once in the entire Bible and means to "spawn in numbers like fish". Could this be why the early church chose the fish as it's symbol? or was this mere coincidence. Jacob said that this expansion would take place in the "midst of the earth". Which people have been the center of world attraction in the last 200 years? The U.S. and the White Nations of Christendom.

It was the Vandals and the Goths, both Israelite people who finally conquered Rome in 410 AD. Certainly the Jews never fulfilled this prophesy at any time in their existence. In fact it was a Jewish rebellion against Rome that infuriated the Emperor and led to the invasion by General Titus that destroyed Jerusalem and the Temple in 70 AD. It is interesting to note that while over a million Jews died in this invasion, not one Christian died, as warned by Christ's prophecies concerning
these days, they had taken refuge in the desert city of Pella.

It was Germanic tribes of Israelites who destroyed the Moslem invasion of Europe at Tours, France in 732 AD. and it was Lithuanian Israelites who kept the Muslim Mongols, the Tartars, and Huns, from overrunning Central Europe. Later, in 1917, it was Israelites from Great Britain, under General Allenby, who delivered Jerusalem from Turkish control. Here the prophesy of Isa. 31:5 took place when he prophesied: "As birds flying, so will the Lord of hosts defend Jerusalem; defending He will also deliver it . . ." Here for the first time in history, airplanes were used in war, and when British planes flew over Jerusalem, the superstitious Turkish forces fled in fear.

The Jews have never been a great military power, while the Israelite nations, where kind people are terrible when they go to war. This is what the poet referred to when he mentioned the "Wrath of the Saxons" when they were stirred up for war. In Isaiah 18, the prophet prophecies about a nation that will exist in latter years, that was "terrible from their beginnings". This could only refer to the Israelite nation of the United States, as the context of this verse describes America to a "T".

In the closing book of the Old Testament, Mal 1:2-4, God speaks about Israel and the people we now know as Jews in no uncertain terms. He said: "Have not I loved you (Israel), saith the Lord. Yet ye (Israel) say, Wherein have ye loved us. Was not Esau Jacob's brother, saith the Lord, yet I loved Jacob and hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. Whereas Edom saith, we will return and build up the desolate places (destroyed places in Palestine); thus saith the Lord of Hosts. They (the Jews) shall build up, and I will tear down: and they (Israel) shall call them (the Jews), the border of wickedness, and the people against whom the Lord hath indignation (anger) forever". These are the people who are now trying to do this in Palestine, whom the Judeo-Christian pastors call God's Chosen, but who our Savior says are "NOT OF MY SHEEP," (John. 10:26), but are of "their father the devil," (John 8:44)

**ISRAEL WAS TO HAVE A NEW LAND AND A NEW NAME**

In 2 Samuel 7:10, as King David stood in his palace in Jerusalem, the prophet Nathan brought God's word to him and said: "Moreover, I will appoint (note the future tense of this statement) a place for my people Israel, and will plant them in a place of their own, and move no more neither shall the children of wickedness afflict them anymore as aforetime".

They were to be specifically named after Isaac, Abraham's son, as seen in Gen 21:12; Isa. 62:2; Hosea 2:17; Rom. 9:7; Heb. 11:8. They were to be known as ISAAC's sons, SAXONS, the name which has been given to the White Israelite nations of Christendom.

The Edomite Jews, who falsely claim to be Israel, have stolen this name, as prophesied in (Is. 65:15; Jer. 24:8,9; Rev 2:9; 3:9). In Isa. 65:15, God speaks to these usurpers when He said: "But ye (Jews) shall leave your name for a curse unto my chosen; for the Lord God will slay thee, and call His servants by another name". (This name is Christian, see Hosea 1:10).

**ISRAEL'S NEW HOME**

God told Israel that they would not remain in Old Palestine, because He would drive them from that land to a new land. He prophesied that they would be "rooted out" of Palestine, and scattered around the world in all directions, where they would settle along the coastlines, and in previously unoccupied desolate wilderness areas. They would also settle the Islands of the sea. Their new home home was to be north and west of Old Palestine and they would be "sifted among all nations", then during the Kingdom Age, they would return to the Old lands, where North and South Israel would be reunited. There are reference to this from Gen. 28:14 to Acts 2:5-11.

The name Hebrew itself, means "colonizer", and that's what these people did wherever they settled. They originally settled on the seacoasts of the Mediterranean Sea, and along the Atlantic Seacoast; then moved to Northwest Europe, to Britain, and across the seas to America and Australia.
From their beginning the people we know as Jews, have only moved into a land after it was well developed, and they could move in with their degenerating influence to destroy the country and it's people.

**ISRAEL WAS TO BE A PERPETUAL NATION!**

Scripture says that Israel would never cease to be a nation, although for a period they would be without a king. (2 Sam. 7:16,24,29; 2 Chron. 17:9, 22-27; Jer. 31:35-37; Hosea 1:10; Amos 9:9).

The Jews of today have never been a nation before WW II and the State of Palestine was formed by United Nations mandate in 1948. It has always been a "welfare state", dependent on Christian America for it's economy and safety, while constantly "stabbing us in the back," as it has stolen our military secrets and sold them to our Communist enemies. They have never been a blessing to any nation where they have lived, and were kicked out of every nation in Europe at one time or another, for their immorality and unscrupulous business dealings. In spite of what Zionist apologist Jack Van Impe says that they were persecuted because "Satan hated them because they were God's Chosen." They fulfill the statement of the Apostle Paul in 1 Thess. where he said: "Who both killed the Lord Jesus, and their prophets, and have persecuted us (Christians); and they please not God but are contrary to all men". Today they are "pathetic impostors", who through their control of the press and clever propaganda, have fooled most of the Christian world into supporting them, believing they are God's Chosen. (Again refer to Rev. 2:9;3:9).

**ISRAEL'S PERPETUAL THRONE!**

Along with being a perpetual nation, Israel was to have, even during the period of their blindness, a man from the tribe of David in some ruling capacity. While they were without a sign or vision from God that they were His people, they would still have a king.

In Dent. 32:26, God said: "...I will scatter them into corners, I will make the remembrance of them to cease among men". In Isa. 42:19,20 - "Who is blind but my servant? (Israel) or deaf; as my messenger that I have sent? who is blind but he that is perfect, and blind as the Lord's servant? Seeing many things, but thou observest not; opening many ears, but thou hearest not."

In Jer. 50:6 - "My people (Israel) have been LOST SHEEP (see Matthew 15:24), their shepherds (preachers and priests) have caused them to go astray ... they have forgotten their resting place (heritage)". (See Jer. 23:22).

But notice, God made an UNBREAKABLE PROMISE, that Israel would forever have a king from the House of David."

That there would never be a time in which an heir of David would not be ruling over Israel. God said, "as long as the sun, moon, and stars lasted, so long as there was day and night, God's promise to David would not be broken." Since God cannot lie, we know this promise is sure.

To many who are somewhat lax in the study of history, this promise would seem impossible to keep. So let's take a little time showing from Scripture and history how God has kept His promise.

When God said that Israel would be without a king for a short period, this was in reference to the House of Israel, the Northern Kingdom, which broke away from the House of David on the death of King Solomon. Hosea prophesied around 760 BC., and his prophecy came to pass about 40 years later, when the Northern Kingdom was conquered by Assyria and deported East of the Euphrates River. They never returned to Old Palestine.

By the time Nebuchadnezzar, of Babylon, conquered the Southern Judah Kingdom (the House of David), a good portion of this Southern group had also gone into Assyrian captivity, and only Jerusalem and a few other cities had resisted the Assyrian attack. By the time Jerusalem was
conquered by Nebuchadnezzar, the majority of the 13-million Israelites who had gone into Assyrian captivity, were already spreading across Europe, setting up little kingdoms wherever they went, from the scant historical records we have of this time, the kings of these small countries were most likely descendants of King David.

Long before the time of David, Israelites from the Tribe of Dan, the "sea faring explorers", had migrated to many places along the Mediterranean and Atlantic seacoasts, setting up great Empires such as Greece, with kings from the Davidic line ruling over them.

When the House of David, (JUDAH) finally went into Babylonian captivity, God in His faithfulness had provided the transfer and planting of David's seed. Mattaniah was the last king of the Davidic house before it was conquered by Nebuchadnezzar. When he was taken captive to Babylon, where his sons were slain before his eyes were put out, his name was changed to Zedekiah. To all outward appearances, the kingly line of Judah/Israel had been destroyed.

Scripture reveals however, in Jer. 41:10; 43:6, that King Zedekiah had two daughters. These girls were taken under the "protective custody" of the old prophet Jeremiah, as he was about to complete his Divine mission or transplanting the throne of David to the British Isles. Listen to Jer. 31:36: "If those ordinances (day and night) depart from before Me, saith the Lord, the seed of Israel shall also cease from being a nation before me forever". As far as I have been able to ascertain, day and night has never ceased, which means to me that "true Israel" is still in existence, in spite of what "brainwashed" pastors may say to the contrary. (I have had them tell me: "Israel disappeared in Assyrian captivity, and today the Jews are all of Israel". They don't seem to understand that at no time in history were the Jews ever part of Israel.)

In an unprecedented event, King Nebuchadnezzar gave Jeremiah permission to go wherever he wanted, and do whatever he wished, and even assigned one of his generals to see that Jeremiah's wishes were carried out, and provided funds for his needs, (Jer. 39:11-14).

Surely no pagan king would take a lowly prophet from an enemy nation and raise him up to such a prominent place, unless God had Divinely appointed it to happen.

The Judeans who remained in the land refused to obey God, and forced Jeremiah and the king's daughters to go to Egypt with them, contrary to God's orders, see (Jer. 43:7).

It was while in Egypt, that Jeremiah and his scribe, Baruch (see Jer. 36:4), split away from this disobedient group and began a journey that took them to Spain, and ultimately the British Isles. Because this trip is not recorded in the Scriptures, most churchmen refuse to accept British history which proves this. It is amazing to me to see how they will accept Egyptian, Assyrian, and Babylonian history thousands of years older, but will not accept that of their own people.

After Israelites founded the City of Troy, many Greek Israelites migrated to Britain, to join their kinsmen who had been there for centuries.

These Israelites had already established a monarchy in Britain when Jeremiah and the king's daughters arrived. So Israel has always had a ruler from the SEEDLINE of David ruling somewhere. Indeed the "eyes of our people have been blinded that they cannot see," (Is. 6:9,10; John 12:40; Rom. 11:7).

The Jews have had no king in this millennium, and were not even recognized as a nation before 1948. The truth about the Jews can be seen in the statement their rulers made to Pilate in John 19:15, when He asked them it "Jesus was their king?" They replied: "We have no king but Caesar!" In other words they were and still are God's enemy in spite of efforts by "brainwashed" churchmen to turn them into God's Chosen. They vehemently oppose God's plan for an Ordained Israel Government knowing they can never be part of it.

Scripture indicates that the throne of David would be "overturned" three times. In Ezekiel 21:27 God says: "I will overturn, overturn, overturn it: and it shall be no more until He come whose right
it is; and I will give it to Him". The fulfillment of this prophesy began when Jacob's pillar was taken to Ireland by Jeremiah. The Irish refer to this stone as "La-fail." It has become the coronation stone, on which all the British monarchs have been crowned. This stone was "overturned" to Scotland by Fergus the Great in 498 AD. and was kept in the Abbey of Scone, where it became known as the "stone of Scone." It was overturned again in 1296 AD. when it was captured by Edward I of England. It remained in Westminster Abbey until last year, when it was returned to it's rightful place in Scotland.

While there is some argument about who married who, we know that Zedekiah's daughters married into existing dynasties who had descended from king David.

The British refer to their Monarchy as the Divine Right of Kings, meaning that God set up this government, not man. There is a strong move in both Australia and England to overthrow this God given government.

Jeremiah was buried in Ireland where his grave can still be seen. He was of the Tribe of Levi and the Levite High Priest wore as beautiful breastplate made of twelve precious stones, representing the twelve tribes of Israel. The stone of Levi, was the Emerald. Is it just a coincidence that the stone of Ireland is the Emerald and that it is called the "Emerald Isle?"

Israel was without an official king from 781-712 BC. when they went into Assyrian captivity. They came back together with their Judahite brethren (not Jews), under Alfred the Great, the first King of England. He was a godly king who founded the British Laws based on the Ten Commandments and translated the Bible into Anglo-Saxon. It was obvious that he KNEW he was an Israelite.

Since then, the majority of Israel has been blinded to their heritage and are just now beginning to see the truth. I predict that the time will come in the very bear future, when a mighty flood of recognition will come to our people, as we see how we have been "hoodwinked by God's enemies over the ages.

This flood will sweep through the lands of Christendom and overrun the falsehoods now being taught by Judeo-Christianity. The wrath of our people will be great when they find how they have been "hoodwinked", not only by the enemy, but by their so-called Christian leaders.

Men are evil by their very nature, and when left to themselves always choose "evil" over "righteousness". Our ancient ancestors rejected God's rule and when the Prophet Samuel became old, he made the mistake of making his sons judges over Israel. In 1 Sam 8:3 we read: "And his sons walked not after his ways, but turned aside after lucre (money), and took bribes. and perverted judgment". So the Israel elders had a meeting with Samuel in which they said: "Behold, thou art old, and thy sons walk not in thy ways; now make us a king to judges us like all the nations".

Samuel did not "cotton to this idea" and was unhappy about their decision. He prayed to God about it and God told him: vs 7 - "Hearken unto the voice of the people in all that they say unto thee; for they have not rejected thee, but they have rejected Me, that I should not reign over them." Isn't that what most of the White, therefore Israel people of the United States and Christendom done to God today. Very little effort is made during elections to make sure that God's man gets in office, instead it's the man with the biggest campaign kitty, who can lie the best and fool a gullible people with the support of the media, and often the church. There was a time in this land, when God was blessing us in a mighty way, that a man had to be a "practicing Christian" before he could hold a political office. Today. most politicians are afraid to stand up for what they believe, so they fool the public like our reprobate President, who while destroying the country, and handing it over to the anti-Christ, claims to be a "born again Christian", as he goes to church with a Bible under his arm, while he commits TREASON against the country he has vowed to serve! It reminds me of a bumper sticker I saw that said: JUDAS WITH A KISS! CARTER WITH A SMILE!

Then God told Samuel to "Protest solemnly unto them, and show them the manner of the king that shall reign over them", (1 Sam 7:9). The rest of this chapter is taken up with Samuel's warning to
Israel. Then in vs 19 we read: "Nevertheless the people refused to obey the voice of Samuel, and said: Nay, but we will have a king over us." So they got a king, and their political problems began.

**ISRAEL WAS TO BE A BLESSING TO ALL NATIONS**

God told Abraham that his descendants through Isaac, would not only become a GREAT nation and a COMPANY of nations, but that they would be a blessing to all the world. The Jews have never given anything to mankind, where they have not demanded their "pound of flesh!" and while Jewish philanthropists give away millions of dollars they have stolen from our people, they always want to have their name prominently displayed on the building that is erected. There is only one people in the world today that fits the description of Gen. 23:3; 28:14 and that is the White Nation's of Christendom. Not because they are White, but because only they fit the scriptural fingerprints.

**ISRAEL WAS TO BE A MISSIONARY PEOPLE**

It has been the White Nations of Christendom that have carried the Good News of the Gospel to the world. 90 % of the missionary activity and Scriptures printed and delivered have come from Britain and the United States. The Jews have never been a missionary people, and Jesus scoffed at their efforts in Matt. 23:15, when He told their leaders that they "went over sea and land to make converts, only to turn them into two-fold more children of hell than themselves." Hardly Chosen People material!

The Jews have never based their government on God's Law, while the majority of the Germanic, Anglo-Saxon and related peoples of Christendom, have formed their Constitutions on the Ten Commandments. There are no other people anywhere, that fulfill this promise. NONE!

**ISRAEL WAS TO BE A HOSPITABLE PEOPLE**

God commanded our forefathers to be kind to strangers who lived in our land (See Lev. 19:33,34; Matt 25:31-46). The old Israelite Law said that the foreign guest was riot be harassed, but that he should be like one born in our country and we should "Love him as our self." (You may not like this, but that's God's Word). It doesn't say that we should follow their heathen ways; it doesn't we should inter-marry with them; it doesn't say we should open our borders for all the "trash of the world", but it enjoins our people to be kind to strangers.

While many blinded Christian believe the migration of Jews from Russia to Palestine is the re-gathering of Israel, most of them don't know that Palestine is merely a "stopping over point", for these anti-Christ's as they migrate to the Chosen Land of America, where they can begin drawing welfare and Social Security immediately. Jewish immigration officials point out the fact that more Jews are leaving Palestine, than then are coming in as permanent residents.

I do not believe the re-gathering of Israel will take place until God's people truly repent and "seek His face," (2 Chron 7:14), and Christ returns to take His rightful place as our Leader and King.

Unfortunately, the White race, in it's blindness, has not always been hospitable to their own kind, and has often helped those who were our enemies. In Palestine, under Jewish rule, you as a Christian have no rights, although as "dual citizens" in America, they expect not only "equal rights", but "special treatment! As a gullible White Christian tourist, they welcome you and your money, but you have no rights under their Noahide Laws.

**ISRAEL WAS TO BE A TEACHING NATION!**

God said that "true Israel" would teach ALL nations including their own people His TRUTH (Isa. 2:2,3; Micah 4:2). It has only been the White Christian nations which have readily accepted and
spread God's Word. No colored nation, and neither have the Jews done this. In fact Jesus told their leaders that their missionary work consisted of making their converts "two-fold more a Child of hell than yourselves," (Matt. 23:15).

**ISRAEL WAS TO BE A MERCIFUL AND PROTECTIVE PEOPLE!**

They would help those in need and set the slaves free, England did first in 1854, followed by the United States in 1865. Isa. 42:6,7 says: "I the Lord have called thee... (Israel) to open blind eyes and to bring out the prisoner from the prison, and them that sit in darkness out of the prison house". (This is why we have a CRUSADE FOR CHRIST PRISON MINISTRY!)

The Jews have never done this, for they have always been in the forefront of the slave trade, and even today are foremost in this "slave trade" of prostitution. Few White or Black Americans realize that it was Jewish slave traders, who bought Black slaves, from Black chieftains, who sold their own people for rum distilled in Jewish distilleries in "abolitionist New England". They were shipped under deplorable conditions in Jewish owned ships, and as many as 10-million may have perished in this passage. Then they were sold in Jewish owned Slave Markets in America, by Jewish auctioneers. Yet the Black people of America, have been "brainwashed" into believing that these people are their friends.

All told, there are over 200 fingerprint that identify "true Israel" in the closing our days of this Age. A few are given:

**WHY HAVE THE JEWS NOT BEEN ABLE TO FULFILL MOST OF THE PROPHECIES GIVEN TO ISRAEL?**

Today we know that the modern Jewish religious adherents claim to be the House of Israel, but instead of believing what man has said, study what God says. We know that Jesus Christ in the Revelation to the Apostle John says that they who claim to be Jews are actually not. Truth will always expose error, and the word of God is truth. God always makes a distinction between these Jews and the House of Israel, His Chosen People. The Bible says that Israel would:

(a) be a **GREAT NATION** not a little country which would be dependent upon other nations for aid.

(b) have a **VAST POPULATION** not a minority race.

(c) colonize and **inhabit even the desolate (wilderness) places**

(d) have a **NEW LAND** not Palestine because they were already dwelling there when this future prophecy was given.

(e) **BE SECURE** in this new land, not true of Jews in Palestine.

(f) be a land of **UNWALLED VILLAGES** this also is not true of the cities in Palestine which have walls and barbed wire fences.

(g) totally be regathered into this land.

(h) be **regathered from the HEATHEN (non-Christian) nations** this does not apply to the Jews since they are not Christians.

(i) have a **NEW NAME**
(h) they would be named after the Lord Jesus Christ,

(j) CHRISTIANS have a NEW LANGUAGE

(k) lose trace of lineage and identity.

(l) have a NEW RELIGION

(m) have a NEW HEART.

(n) have a NEW COVENANT.

According to Dr. Scofield's note on Romans 11:26 we know that Israel has a God given mission which the Jews have not fulfilled simply because they are not the nation of Israel! Dr. Scofield says that Israel's duty was:

(1) "to witness to the UNITY of God in the midst of universal idolatry." What nation has been the worldwide witness to the unity of God the Father, the Son and the Holy Spirit?

(2) "to illustrate to the nations the blessedness of serving the true God." What nation has shown all others the blessings which will come from God when serving Him? What nation is known as Christian and the land of blessings?

(3) "to receive, preserve, and transmit the Scriptures." What nation today has accepted God's Word, has kept publishing it, and has sent it to all parts of the world? Have the Jews translated the Bible into the modern foreign languages and sent out all the missionaries with the Bible?

(4) and "to be the human channel for the Messiah." What nation sings "Make Me A Channel of Blessing Today?" What nation is the channel that Jesus Christ is using today to reach and to bless all the world?

Now can you more clearly see what Jesus meant when He told the Jews: "Therefore say I unto you (Jews), the kingdom of God shall be taken from you, and given to a Nation bringing forth the fruits thereof." What nation or group of people are still bringing forth the fruits of God's kingdom?

"Therefore every scribe which is instructed unto the kingdom of heaven is like unto a man that is an householder, which bring forth out of his treasure things new and old." Unless you are instructed in the things of the kingdom, you lack the treasure which is wisdom and knowledge of God's Word and promises for you. Believe only the Bible!

In the words of Pastor Bailicius, it is not enough to be descended from Abraham. It is not enough to be an "pure blooded Israelite", for that is not what gets you into God's Kingdom. In John 3:2 we find Jesus speaking to a very fine Israelite named Nicodemus, who came to him by night, for fear of the Jews and admitted that he knew Jesus came from God, because, as he said: "...no man can do these miracles except God be with him". Then Jesus gave him a lesson in "applied Christianity", when he told him in vs 3: "Verily, verily (truly), I say unto thee, Except a man be born again, he cannot (even) see the kingdom of God".

Nicodemus, a man trained in Jewish theology couldn't understand this simple Bible truth, until Jesus explained that just as a man must be born of "water" (natural birth) to come into this world, he MUST have a SPIRITUAL birth in order to enter God's Kingdom. At another time, as John the Baptist was preaching his message of repentance, he told the Pharisees and Saducees who came to him: "Think not to say within yourselves, We have Abraham to our father: (in other words, this is all that's necessary) for I say unto you that God is able of these stones to raise up children unto Abraham".

In John 8:32 when Jesus told the Jewish leaders: "And ye shall know the TRUTH, and the TRUTH
shall make you free;" te tohaughtily admitted that they were children of Abraham through Esau, when they said in vs 33: "We have never been in bondage to any man". Then in vs 37 Jesus told them: "I know that ye are Abraham's seed; but ye seek to kill me, because my word hath no place in you. I speak that which I have seen with my Father, and ye do that which ye have seen with your father. If ye were Abraham's (true) children, ye would do the works of Abraham". At this point, in anger they accused Him of being of illegitimate birth, (vs 44). Then in vs 44, He accused them of being of their (spiritual) father the devil, who was a murderer from the beginning, and a liar. Then in vs 47 He said: "He that is of God heareth God's words; ye therefore hear them not because YE ARE NOT OF GOD!" What more proof do you need that the Jews are not His Chosen People?

It is because of the above, that I keep insisting that the most important decision you will ever makes, is the one where you come to God in contrition, confessing your sins and asking Him to forgive your rebellion. Then under the direction of God's Holy Spirit, accept Him as your Savior. It means much more than going forward to some church altar, praying a little prayer handed to you on a card, signing a "commitment card," being baptized and joining a church. It means turning your life over to His full control. In fact I believe one should go a set further and make Him King of your life, which means giving Him "absolute control" of everything you do.

Many people want Jesus as Savior, but they want Him as a sort of Celestial Fire Insurance Policy to keep them out of hell, not because they love Him and wish to obey Him. This is why with 50-million "born agains" in America, we are headed for hell faster today than at any time in our history. Many professing Christians do not want to "stop doing their own thing", to give Him the ABSOLUTE OBEDIENCE demanded by a King!

Some of you who read this message and have never had this marvelous experience, may ask. "How can I have this experience in my life"? Let the Bible answer - (Acts 16:31) - "That if you confess with thy mouth the Lord Jesus, and shall believe in thy heart that God hath raised Him from the dead (for your justification), thou shalt be saved. For with the heart man believeth unto righteousness, but with the mouth confession is made unto salvation".

(John 1:12) - "But as many as received Him (Jesus Christ), to them gave He power, to become the sons of God, even to those who believe on His Name!"

(Titus 3:5) - "Not by works of righteousness that we have done, but by His mercy, He saved 1:5."

(Rom. (3:23; 6:23) - "For all have sinned and come short of the glory of God's Divine expectation ... For by GRACE are ye saved, through FAITH, not of your own abilities, it is the GIFT of God, not of works, lest any man should, "boast."

If you have never come to Christ in humbleness, feeling sorry for your rebellion and confessing your sins to Him, (not to some priest or pastor, but to Him). If you have never submitted yourself to His control and been accepted by Him. You can never enter His kingdom. But if His Spirit is moving in our heart, possibly right now as you read this, pray to Him. Not some canned prayer that some preacher or evangelist has written for you, but from your heart. Tell Him you are sorry for your rebellion, confess your sins to Him, and ask His Son to come into your heart as your Savior and King. Don't do this unless you mean business with Him, for the Bible tells us that it is a "Fearful thing to fall into the hands of the Living God," (Heb. 10:31).It is not the words in themselves that count, since He knows the very thoughts of your heart. It is the sincerity of your heart that matters. You MUST come to Him on His terms, not yours!

Since we are all sinners, and God MUST be the forgiver, we MUST come to Him the only way possible, and that is through His Son. (John 14:6) tells I's that Jesus said: "I am the WAY, the TRUTH, and the LIFE: no man cometh unto the Father, but by Me."

Your prayer to God is not some magical formula, it's speaking to the Father in confidence that He
hears your prayer. It may seem awkward to you at first, because you have seldom spoken to Him. But it is not the words that count, but the condition of your heart. It's not enough to just say: "I'm sorry" that won't "cut the mustard". We MUST first approach Him in repentance for our sins and asking His forgiveness. We are told in John 1:9 - "If we confess our sins, He is faithful and just to forgive our sins, and cleanse us from ALL unrighteousness." Then there is a step left out by most Judeo Christian churches that demands that if we have harmed anyone, we MUST seek their forgiveness, and make restitution if possible. Jesus set the groundwork for this in Matt. 5:23,24, when He told us that when we "bring our gift to the altar," and I believe in this case He means when we accept Him, if we remember that our brother has anything against us; not if we're angry with him, but if he's angry with us for any cause, we are to leave our gift and become reconciled with our brother, then present our gift to God. This is not necessary to be saved, but it's the only way you should get started in your Christian life.

Some of you men in the gulag are in because you have harmed someone in some way. Have you ever expressed regret to them, and tried to "make it right"? You should, and it will strengthen your Christian life."

Christ provided restitution for us as sinners, when He died for us and was raised from the dead!" But we MUST accept Him on His terms!

Here is a model prayer that may help you when you speak to Him. It won't save you, but is just to help guide your thinking:

Dear Heavenly Father: I come before you now, realizing how I have rebelled against you. I am heartily ashamed of it and realize that I don't really know how to approach you to ask for your forgiveness. I thank you for choosing me as your own, and for sending your Son to die in my place, for my sins. I'm sorry for my rebellion and ask that you forgive me and put me in a right relationship with you. I accept the sacrifice your Son made for me and ask for complete atonement. Wash me and cleanse me of ALL sin and fill me with your Holy Spirit, that I may have the strength and will to live for you. May Thy Spirit direct my life and teach me the truth of your Word. Fill me with the desire to place you first in my life, and give me the wisdom that I need to lead others to you I ask this in the name of your Son, Jesus Christ YEHOUSHUA. AMEN!

If you have received Christ write to me and let me know so I can rejoice with you and encourage you in your Christian life. It will not be easy, but we can "Do all things through Christ which strengthens us," (Phil. 4:13), and our reward will be great, (1 Cor 2:9). I will be praying that; Cod's will may be done in your life

Servant in the Service of Christ the King,

The End
Dear Senator Hutchinson:

This is my first communications with you, so I wish to express my appreciation for the fine Constitutional job you are doing in our Nation's Capitol. Because of your current interest in The I.R.S. scandal, I thought you might be interested in my rather lengthy experience with the U.S. Government, both while in service and since retiring in 1964. I do not ask for your help in my continuing problems with the I.R.S. but merely write this for your information. Realizing how very busy you must be, and the length of this letter, I understand that you may not be able to read it personally. I just want this information to be available to you.

I am a retired Army Lt. Col. with 22 years of service in World War II, Korea, and Vietnam, and combat service in WW II and Korea. I am not a native of Arkansas, but came from the Canadian border of North Dakota. I settled in Arkansas because of the pleasant experiences I had while stationed at Camp Chaffee, and Camp Robinson during WW II. I liked the people and the area, so here I am today, in a Retirement Community in Little Rock.

Strangely enough, I was one of those men who went down to the Recruiting Office, the day after Pearl harbor, "starry-eyed with patriotism, and a zeal", to protect this country and the people I loved from a horrible enemy. I didn't know then what I know now, about the Machination of politics, that cause a war where the American people receive nothing but pain, suffering, death and an unpayable debt, and that those who instigate the war, profited by selling war materials to both sides. They were our true enemies then, and still are.

After a brief period of combat duty in the South Pacific in 1945, I went into Japan with the Occupation forces and was there until the spring of 1946, when I was discharged as a First Lieutenant and went back to ranching in North Dakota.

After a disastrous farm year in 1946, where I had 5,000 acres of wheat hailed out a week before harvest, I was in the mood for a change, when I received a letter from the Dept. of Army asking if I was interested in going to Korea, at my former rank, as an Advisor to the Infant Republic of Korean forces. They were looking for men with a speaking knowledge of Japanese.

In the spring of 1948, I was sent to Korea and assigned as Advisor to the 19th R.O.K. Infantry Regiment, stationed in Yo'su, in the far SW of the Korean Peninsula. In the fall of 1948, Communist rebels who had been specially trained in a school in P' yong 'Yang, North Korea, who infilted the South Korean Military, staged a coup attempt to
wrest the South Korean government from President Sigmun Rhee. About 2500 men from the regiment I was advising, joined the rebels, and in ten days of terror, set up their typical Communist People's Court and brutally slaughtered over 3,800 men, women and children. Most of the damage was done in the little city of Sun'chon, in Challo' Namdo Province, which was known as the Christian city of South Korea. The Southern Presbyterians had a missions there for 45 years, and the Roman Catholics for over forty. As in most areas where communism has taken over, Christians suffered the worst. During the forty years of Japanese occupation, the Korean people had been completely disarmed, so they had no means of protecting their families from the rebels. This is one of the major reasons I have taken a strong stand against Gun Control, knowing that every time it eventually leads to "People Control."

I was captured by the rebels and the beaten up, When I tried to stop the execution of the police chief, as he was impale on a sharpened bamboo pole set in the ground. Eventually, after sampling communist brain washing tactics first hand, I was sentenced by a people's court to be executed as an enemy of the people. I was saved by the miraculous intervention of a rebel sergeant from my regiment, who volunteered to shoot me, took me to the village edge, where his firing squad fired over my head and turned me loose. I was able to escape to the mission station of Dr. John Curtis Crane, of South Carolina, where from a hill in the center of the city, I could see first hand what happens in a communist take over.

Very few Americans who have been softened by our Christian influence, can understand the brutality of a heathen culture especially one that hates Christianity. Very few of our people have ever seen babies taken out of mothers arms and swung against a tree or a stone wall. Few have seen women raped in the streets, then cut into pieces by soldier bayonets; few have seen a beautiful young woman stripped naked, and nailed to a branch of a tree with spikes driven through her breasts, while a bundle of rice straw, soaked in oil was fastened between her bare thighs and set on fire. When I saw that, I promised God that if He got me home safely to the people I love and the Country I love, I would do every thing within my power to see that this never happened in America. I have been active in warning the America people of dangers we face, especially in our bankrupt foreign policy ever since, through lectures and the printed page. This is one reason I have received harsh treatment from our government, who cannot allow our people to know the truth of what is taking place! I was what is called a "nominal Christian" at the time, although I had never taken seriously the Christian life. But when I saw God act in miraculous ways on several occasions to save my life, I became convinced that He is much more than that "Big Spook in the Sky," that many blaspheme.

After this experience, I was given the option of returning to the States, or being transferred to Japan. I realized that if I left this area, I would have an innate fear of Communism that could effect me all my life. So I made one of the hardest decision I have ever made, and asked to be sent back to the area where I had been captured. During 1949, were in a state of Perpetual war With the rebels who has escaped to the mountains and were being supplied by an underground from North Korea. My
regiment lost over 960 killed, and I came under enemy fire on numerous occasions. At this time, and during the war, I was living under a $250,000 in gold reward, "dead or alive!" offered by the North Koreans to "save face!"

In January of 1950, I was transferred to a border station along the 38th Parallel, north of Seoul at the village of Po' chon. This was on the major invasion route into Seoul. I was advising an Infantry Battalion of some 850 men at the time.

During the first six months of 1950, those of us who worked along the 38th Parallel were conscious of an enormous military buildup in the North, which could mean only an invasion. Yet when we took our reports to the State Department, they were always scoffed at. After turning in one critical report I had a State Department official sneeringly say: "You military fellows see a Communist behind every rock and under every tree," and he wasn't far from wrong.

On Friday, June 23 I turned in a report containing 29 references to increased enemy activity opposite my position. An infantry company had been replaced by an Infantry division of some 12,000 men; a mounted horse cavalry regiment of some 1,800 men had moved in; over 75 heavy tanks had been reported in the area, and we knew the North Koreans had been supplied with 122 m/m cannon, out ranged our 105 howitzers by some 10,000 yards.

Yet when I turned in this information over to the Colonel from the State Dept., at our Saturday Horning briefing, he stated: "There is no sign of unusual activity along the Parallel, feel free to attend the bash at the Officer's Club tonight."

I was so sure that the invasion was eminent, that I had my gear packed and ready, and when I was notified of the invasion at 4:30 Sunday morning, I was on my way to my unit within minutes of receiving the call. What an opportunity to say: "I told you so!" But too serious to be facetious.

I arrived at my unit about 5:30 am to find them under heavy attack from mounted cavalrymen, infantry and heavy tanks. In an attempt to stop tanks that had broken through our lines, I towed a 65 mm anti-tank gun north of the village to defend a bridge. Yet when I fired on the tanks, I discovered that all my ammunition was high explosive, which exploded on the outside of the tanks without doing any damage. I hit the lead tank eight times at a range of less than 100 yards, without even slowing it down. Then watched as they ran over my jeep and flattened it. I received the first medal given to an American that morning, the Silver Star; the citation signed by Maj. Gen. Leven Allen.

On arriving back at Battalion Hq, I learned that all the anti-tank ammunition, had been withdrawn from the front lines ten days earlier, on order of the American Ambassador, William C. Muccio. It seemed that Mr Muccio, was afraid that the ROKS would attack the north.

We ended that day by walking through the mountains for 38 miles, with the remnants of our 850 man Battalion. We could account for only 48 men and one officer. The rest had been killed or captured. I arrived in time to kiss my wife good by, as she was being loaded on a bus for In' chon and a four day trip to Japan with other civilian
refugees on a Norwegian fertilizer ship that happened to be in the harbour.

The evacuation of most Americans, including military had been completed by the evening of June 26. I was on the last plane to leave for Japan, and before we could take off, word arrived that Pres. Truman had ordered the American Navy and Air force into the war on the side of South Korea. We were ordered to return to Seoul. That evening Capt. Elmer Lowry and I went to the ambassador's home to get permission to burn a large gasoline dump on the southern outskirts of Seoul. A million 40 gallon barrels of gasoline had been shipped in only a few days before and we did not want this to fall into enemy hands I'll never forget my reaction when Muccio literally cursed us out of his home, screaming: "I'm damned tired of you military types trying to tell me what to do. I'm giving the orders!" and four hours later, 40-million gallons of gasoline were in enemy hands, enough to run their war machine for three months.

Early June 27th the Ambassador and two of his flunkies left, for Tokyo, and Major Paul Hedstrom, and I were sent to the State Department building in downtown Seoul, to check and make sure no sensitive materials were left behind. In the Ambassador's office we found a locked door, which we kicked in, and in a little storeroom, a military type safe, with a padlock which we shot off. In this steel filing cabinet were reports of enemy activity along the Parallel for the preceding six months, which had never been forwarded to Mac Arthur's Tokyo headquarters. You may remember that when the war began, the media had a field day criticizing Maj. Gen. Willoughby, Mac Arthur's Intelligence Chief, because he did not know about the North Korean buildup. The reason, State never notified him although they knew.

When I picked out four of the most critical documents, Maj. Hedstrom asked me what I was going to do with them? I replied that I intended to get them to Washington to someone who would do something about it "You mean break the chain of command to do this?" he asked. "They will hang you if they find out! I knew this was true, because breaking this chain is a "cardinal sin" In the military. However at the time, I felt so strongly about it, and was sure that if it went through regular channels, either the Dept. of Army, or the State Department would cover it up.

The next day, I was slightly wounded when our headquarters was strafed by a North Korean fighter plane and I was flown to Itazuke, Japan for medical attention. I took these reports with me and gave them to a young officer who was headed back to Washington. He hand carried them to Senator William Knowland (R-Ca), a conservative who at that time, if I recall, was Chairman of the Senate Armed Forces Committee. He told me later that when he took these reports before this Committee, they laughed him off the Senate floor, at the idea that an American Ambassador would commit such a treasonous act. When he insisted on an investigation powerful Democrat liberals began a campaign of harassment, which later drove him out of the Senate.

You can imagine the harassment that came my way, when the military higher ups learned that a mere First Lieutenant had blown the whistle on State. I began to be
given insignificant jobs that would never lead to promotion, such as Club Officer of the Fort Ord Officers Club.

The Public Information Office at Fort Ord used me however. and because of my war experiences I became a rather popular speaker in service clubs on the West Coast, and even served as a technical advisor for a movie on the war that was being shot in Hollywood. I was given Carte Blanche by the Commanding General to speak on any aspect of the war, stating: "Just make sure you can back up what you say, and tell the people the truth!" This was most unusual coming from a high ranking military man. So I built up somewhat of a reputation as a speaker on the West Coast, even speaking on Don Mc Neil's Los Angeles Breakfast Club.

About this time I began to do some Monday Morning Quarterbacking. I recalled how a few weeks before the war began, Col. William Baird, the KMAG Proost Marshall, and National Advisor to the Korean National Police, who at that time were more powerful than the Army, had left Korea via ship, for Oakland, California, where he was to retire after 36 years of service. His ship had not cleared Inch'on harbour, when the Korean Military Police arrested his female secretary, a beautiful former model who had worked for him for two years. It seems that she was the wife of a powerful military man in Pyongyang, North Korea. For two years, she had been using American Military Police vehicles, and G.I. drivers, to take information from Seoul to her mother who lived in the little Parallel village of Kae' song, NW of Seoul. This information crossed the line into the North. She had also been "shacking up" with seven top State Department officials, and had seduced them into giving her over $2-million in State Dept. funds which went to her husband. When the war began, the South Korean police shot her without a trial.

In the meantime, Col. Baird's ship arrived at the Oakland Naval Base in California, where he was put in "arrest of quarters" pending the possibility of a Court's Martial. He had such an extensive dossier on Mr. Muccio and the rest of the State Department, that everything was "swept under the carpet," Mr. Muccio was sent as Ambassador to Iceland, and the seven State Department fools, were all promoted. Not a word of this it the media, although high ranking men in KMAG knew about it. It was not until years later, that a little magazine called PAGEANT, published the complete story.

I began to realize that I was only a small cog in a mighty machine, and if I had experienced these things, then treason in our government must indeed be rife.

Later in 1958, when there was a big cutback of 5,000 Field Grade officers, I was given the option of leaving the service with a healthy lump sum payment, or staying in at my highest enlisted rank. I was fortunate enough to have a permanent rank of (E-6) Sergeant First Class, and with 14 years of service, I wanted to complete the time for retirement. Later in 1962, in Eritrea, when I again blew the whistle on State Department "dirty work," I was immediately transferred to Ft. Richardson Alaska, where I came under the most in tense harassment. The CID even placed a full time man to watch everything I did. When my enlistment was up in 1964, I said: "Enough is enough!" and retired at my highest rank of Lieutenant Colonel.
During the Korean War, I became one of the highest decorated Army men of that war, with the Silver Star, the Bronze Star with "V" device and four oak leaf clusters; the Purple heart with three Oak Leaf clusters, the Korean Order of Tac Guk, similar to our Distinguished Service Cross. I also received decorations from the Polish and Czechoslovakian Governments for my stand against Communism. During the Korean War I held the record for the most consecutive days of front line duty without a break, July 10, 1950, until April 1951.

After retiring in September 1964, I went to Mexico with my youngest son to work on a book, which was an account of my experiences as a game Warden in Eritrea.

Returning to the States in the spring of 1964, we settled in Hot Springs, Ark., on the shores of Lake Hamilton, and I began my CRUSADE FOR CHRIST AND COUNTRY, which was a one man to exhort the American to return to the values which had made us great. It an effort to wake up the "rank and file" American to our responsibilities to God and country. My motto was "The Bible holds the key to our survival and OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY!"

At this time I was a "hard-nosed" Fundamentalist Baptist evangelist, holding meetings in some of the largest churches in the country, and was welcomed in schools such as Tennessee Temple, and Bob Jones University. My mind was so incased in "hardened denominational cement," that all I could understand was Baptist doctrinal teachings. It took the "dynamite of God", through a traumatic experience, to shatter this cement and allow me to study God's Word and see what it meant, without having some seminary educated preacher tell me what it says.

I was thoroughly Judeo-Christian in my belief, and even considered going to Palestine to volunteer to fight for the Israelis as a mercenary. Yet in spite of my church training, I had difficulty accepting these anti-Christ's as God's Chosen People, as I knew then too well and could see that this was not true. My Savior in John 10:26, said to them: "But ye believe (Me) not, because YE ARE NOT OF MY SHEEP." In Matthew 23:15. He accused their religious leaders of going over sea and laid to make converts, only to turn them in to "two-fold more a child of hell than yourself!" (hardly "chosen people" material). Yet when I asked the seminary professors what these verses meant I was let by stony silence, or was told: "Sit down! Shut up! and don't rocking the boat!" I never had a pastor or seminary professor attempt to explain what Christ meant.

In 1971 and 72, with the Vietnam War reaching it's hottest point, I worked the college lecture circuit, and came into close and Sometimes violent contact with members of the S.D.S. ("Student's for a Democratic Society"). Led by men like Abbie Hoffman aid Jerry Rubin, who were tearing our college campuses apart. In over 25 such confrontations, I was amazed to find that the leadership of these radical groups were 100% young Jews from wealthy families. Usually their daddies were criminal lawyers.

This Jewish affiliation with Communism so intrigued me, that in the summer of 1979,
I took off three months from a very busy schedule, to study this phenomenon. I went to Jewish sources for my information. I was amazed to find that reputable Jewish sources, such as THE AMERICAN HEBREW, the largest Jewish newspaper in the U.S. in 1919, had a front page article which said: "What we did in Russia through Jewish money and brain power, we will accomplish in America!" In another place, it state: "The ideals of Bolshevism are consonant with the highest ideals of Judaism!" The leading Rabbi in America, Rabbi Stephen Wise, when asked about Communism replied: "Some call it Communism; I say it's Judaism!" I was amazed to find that over 450 of the top revolutionaries in the 1918 Revolution were Jews from the Lower East Side of New York City, the kind their own people Contemptuously refer to as "kikes." The money that made the Revolution a success, $20-million, was donated by the New York Jew Sidney Warburg, and was hand carried to Russia by another Jew, Nicolai Lenin. The millions of Christians who died horrible deaths under the hands of the Communists were almost always killed by Jews. As I also did some in-depth study into their religious book, the BABYLONIAN TALMUD, I began to understanding of their terrible hatred against Jesus Christ and for anyone who goes by the name Christian. Their leaders have openly declared their intention to "wipe out White Christian civilization.

After completing this study, I wrote a letter to 200 Fundamentalist leaders telling them what I had discovered, and promising that If I came to their church for a meeting, I would not push the Jewish issue, but would answer truthfully any questions raised concerning them. On the basis of this, fourteen week-long revivals scheduled for 1981 were canceled within a month after mailing the letter to Pensacola Christian Academy, one of the loudest in proclaiming me to be a "turncoat apostate," who had abandoned Bible truth.

About this time, another incident in my life took place, which added to the harassment I was already receiving from Fundamental Christian and Jewish sources. In the summer of 1980, I was invited by a friend who lived in Brownsville, Texas, to go on a fishing trip to the fabulous bass area of Lake Vincente Guerrero, near the city of Ciudad Victoria. Arriving, we found the weather too windy to get on the water, so we went dove hunting in the hills north of the lake. That day we came across a large number of heavy military vehicles including tanks and half-tracks, that bore the Russian Red Star, this included rocket launchers. One of our party had a camera with a telephoto lens, and took pictures. On arriving home, I hand carried these pictures to the State Department in Washington, D.C. where I was rudely told that we had been in an "off limits" area, and that what we had seen was none of our business. They were upset because I had not brought the negatives and threatened any of us who spoke about this to others. This angered me, as I felt that Texans had the right to know what was taking place on their border, so on a radio talk show, a few weeks later I discussed what we had seen. Immediately "hell broke loose, as F.B.I., C.I.A. and other government officials were "sicced on me". Most of their visits were "fishing expeditions," where they were looking for some reason to "nail our hides to the wall."
Up to this point, I had never mentioned Jews or Judaism in any of my lectures. Then one night, following a J.B.S. lecture, I forget where, during the Question and Answer Period the question was asked: "What do you: think about our open check policy with the "Israelis?" My reply was: "I believe the time has come when we MUST take a strong, closer look at this policy." I was called to J.B.S. Headquarters in Belmont, Mass, where Mr. Welch, head of the Society gave me a verbal tongue lashing for mentioning Jews. He said: "Never, under any circumstances are you to mention Jews, Judaism, or Zionism in a derogatory manner." My reply was that if I could not tell people the truth, then they needed someone else in my place and I resigned.

Since that date. I have had several audits by the I.R.S. It seems that "once they have tasted blood," and know they can get money from you, they never let up. In all, they have stolen over $80,000 from this Christian ministry. They have based this on the idea that since my religion is not "legitimate," neither is my Prison Ministry, which reaches men in 126 State and Federal prisons in 26 States, and is dedicated to bringing men to a saving knowledge of Jesus Christ, orienting them to what's happening in the country, and laying a foundation for them to live Christian lives when they get out. This is not the purpose of the so-called rehabilitation programs of most prisons. They make criminals, instead of turning criminals into good men! As the result of this thinking, they have not allowed me to deduct expenses for this ministry from my income tax. They also co all donations made to my Crusade work, as "earned," even when they are marked as "gifts."

In 1996, I received my seventh audit from the Little Rock branch of the I.R.S. and they are attempting to collect over $22,000 for the years 1994-95. It will be like getting "blood out of a turnip," since I am already deeply in debt from money they confiscated over the past ten years. This year for the first time I am striking back, and have a Tax Expert working on my case. Additional expense! I honestly believe they are trying to bankrupt me, and drive my Crusade work out of business.

They have threatened me with "levies" and "liens" and recently I received a letter from the Collecting Agency in Austin, Texas saying they would levy my Army retirement pay and Social Security, because I had not answered a prior letter in ten days. I sent him proof that I had sent answers to the I.R.S. in Little Rock; the Oklahoma City Area Branch, and Headquarters in Washington D.C. I have found from long and bitter experience, they do not hesitate to lie if it benefits their cause, and will twist the law, even their own regulations around to fit their own purpose. This is what has the American public up in arms. It will grow worse, until you men in congress do something to harness the bureaucratic monster Congress created in 1913.

I am not a "tax resistor." I believe a Christian should pay their legitimate taxes, and believe the Bible teaches this. My Savior, Jesus Christ told the Jewish authorities: "Render unto Caesar the things which are Caesar's; and unto God the things which are God's!" In Matthew 17:27, we have an incident where Jesus had His disciple Peter, that a piece of money found in a fish's mouth and pay the authorities: "Lest we should offend them!" He said.

Senator, it is a bitter pill to swallow, to have given over 20 years of the best of my life
to the service of my country, and now have a "rebel gestapo," of the International
Bankers, operating within our government as their police force, rob me illegally and
unfairly.

I am an old man now, almost 82 and in poor health.

* * *

Senator, a day of reckoning is coming in America, soon I believe, in which the vast
mass of caring Americans are going to stand up "en mass" and hold the President,
Congress, and our "brainwashed" pastors accountable for what is taking place. It is
going to be a most uncomfortable time for some. I pray you will not be among them.

I believe you the in the position to do this country and it's people a real service, by
backing those who are looking into the illegal bureaucratic actions of this branch of
government. I do not ask for myself, but for all concerned Americans.

Yours for Christ and a Free, God-honoring America

P.S. In March of 1998, the I.R.S. instituted an unlawful levy against my Military
Retirement Pay, which will cost over $23,000.00 more and will end in January 1999.
God alone knows what they will do then. But my FAITH is bolstered by the SURE
knowledge that a Day of reckoning is coming, when the King will return to clean up
this mess we have made, and demand an accounting from His enemies, (see Luke
19:27). In the meantime, His orders remain: "OCCUPY" until I come!" **JM**
Letter from a Jewish Foundation

Original letter from the Abelard Reuchlin Foundation and Col. Mohr's defense.

by Col. Jack Mohr

Preface

The following article begins with a letter from the Jewish Abelard Reuchlin Foundation of Kent, Washington. In December 1981, they wrote to me concerning my article on Judaism titled THE CHOSEN PEOPLE MYTH.

Contained in this letter was a blasphemous booklet which claimed that the New Testament was completely spurious and had been written by the Roman Piscos family in an attempt to subvert the early Christian Church.

On April 27, 1982, I received the following printed letter from the Foundation; followed by my answer of May 10th.

I had no intention of printing this letter, or my reply. But after prayerful consideration, thought this would be a good chance to show Christian Americans, the subtle means which are being used to intimidate and fool Christians.

My prayer is that our Lord Jesus Christ will use this to open the eyes of a lot of befuddled Christians in our churches, who have been "brainwashed" into believing the Jews are God's Chosen People. If they ever understand the dangerous fallacy of this false teaching, it will only be a short step into acceptance of the Israel Identity truth, and a completely new unfolding of the Bible, as God's Word.

Letter from foundation to Jack Mohr:-

April 23, 1982

Col. Jack Mohr
Bay St. Louis, Mississippi 39520

Dear Col. Mohr:

We challenge you as to your long diatribe against Jews. We will assume you are an honest man who has been misled into disliking all Jews as a group.

Firstly, it is erroneous to blame all Jews because some Jews were among the leaders of the Communist revolution. Those people were not true Jews. The true Jews were either Orthodox or backed other parties or were Zionists.

Secondly, Communism and Zionism are diametrically opposed. The Russian Communists have long persecuted Zionist Jews.

Thirdly, there is no proof that most Jews today are descended from the Khazar kingdom of southern Russia, Koestler's book notwithstanding.

Fourthly, there is no doubt that 6,000,000 Jews were murdered by the Nazis. In Poland alone, before WWII, there were more than three million Jews. If they were not murdered, 95% of them, where did they go? Are they perhaps all hiding in Hollywood movies as extras?!

Fifthly, you build your present day antipathy upon the image of the Jews created in the fictional
New Testament by the Calpurnius Piso family. That evil image was fictional. Moreover, that image in no way applies to people alive 1900 years later.  

Sixthly, your antipathy (this is a milder word than should be used) toward Jews seems an attempt to buttress your Kingdom-Identity theology, in your argument that white Christian Americans are present-day Israel. British Israelism is only a few hundred years old; rather recent as religions go. Moreover, hatred toward Jews is unnecessary to Identity Christianity. The Armstrongs have been very successful without the hatred appendage. For an educated man, with a military background, the language you use, Sir, is amazing.  

We pose to you, Col. Mohr, the following hypothesis. Since you persist in blaming all Jews as a group today for all the sins of individual Jews of the past, are you as a true Christian willing to accept blame for all the sins of other Christians, past and present, to-wit::  

1. John Hinckley, Charles Manson, Juan Corona, Hitler, Stalin, Karl Marx—were all Christians. Will you accept blame for their misdeeds?  

2. Karl Marx was baptized as a Lutheran Christian at the age of six, was educated as a Christian, grew up to hate Jews and to write vile things against them. He was a "true Christian." Does that make you responsible for his actions?  

3. Hitler was baptized a Catholic. He said he was doing the work of the Church against the Jews. Does that make all Catholics responsible for his murderous activities?  

4. Joseph Stalin was educated in a Russian Orthodox seminary. It was he and not Jews who insisted on killing the peasants of the Ukraine, for it was he who was in control. It was he who ordered the killing of Trotsky. He was in power. Does that make all Russian Orthodox, and perhaps all Christians, and even, you, dear sir, responsible for his vile deeds?  

You may think you are helping America, but you are not. All Americans should be working together to counter the great problems this country has. Russia controls Nicaragua and Cuba. There are well-meaning pacifists, led by Communists, in the streets of America clamoring for unilateral disarmament, so that our country can more easily be weakened and taken over by the Communists.  

Also, because of the hatred toward Jews, Jewish leadership in America must spend its time answering the diatribes and hatred, instead of applying their brains to trying to save our country from the Communist threat.  

The overwhelming percentage of Jews today are not Communists. That some Jews were fooled in the 20's and 30's merely shows that Jews like anyone else, can be very stupid. Today Jews are very anti-Communist. That is why Russia is so oppressive to its Jewish citizens, and why it uses anti-Semitism to control its people today, and why it arms the PLO and the other Arabs. An intelligent man should realize the world as it is today, and think and act accordingly. In the 30's and early 40's, Russia was by force of circumstances very anti-Nazi, and therefore some Jews could be fooled into thinking the Communists were nice guys. Times have changed. Today Communists don't put much effort into trying to fool Jews, who have grown more sophisticated about Russia. Instead they work on blacks, Latinos, Arabs, etc. Whoever they can work on, whoever they can use to try to seize power.  

In December we sent you a booklet which proves the Pisos wrote the New Testament. Now we are enclosing a booklet concerning many Jews who were American patriots and made great contributions to our country.  

You wrote that you do not like what has happened to you (apparently you were alluding to what you have come to believe). This letter is long enough; if you have courage to reply (courteously), we will answer and write more. We challenge you to consider this letter and to reply to us. With all best wishes for your enlightenment and change of heart.  

Very truly yours

Dear Sirs:

While I am a very busy man and am not the least bit interested in becoming involved in an argument with you (since I do not have the finances available to hire a secretary or research specialist to do my work). Nevertheless, in all fairness, I believe I should explain the stand I have taken against the Jews, or more particularly the Zionists. (My fight is not against the "little Jews", the men who run the corner store or the neighborhood business and who know no more about International intrigue, than the members of the Blue Lodge know about the 32nd and 33rd degrees of Masonry.) These International Zionist Jews, as you are well aware, are dedicated to the concept of a one-world, Jewish controlled State, where they will rule supreme and where Christianity will be destroyed. White Christians are their major target, for we are all that stands in the way of their success.

I have made the above adequately clear in all my writings. Many have commended me on my "moderate" stance. Others condemn me, because I do not come out and say: "Destroy the parasites!"

You assume wrong, when you believe that I have been misled into disliking the Jews. For many years, eighteen to be exact, as a nationally known Baptist evangelist, I upheld the Jews as God's Chosen People. I had been taught to believe this from childhood. I believed that the Jews must not be criticized, no matter what they did, since this would bring a curse upon our land. Only God knows how many times I expounded from the pulpit: "America has been blessed, because we have been kind to the Jews. Curse the Jews and the curse of God will fall on you" (Genesis 12:3). Yet not one in a thousand Christians seem to realize, that the time of America's greatest degradation has come since 1948, when we recognized the Jewish claim to Palestine. Few Christians ever recognize the truth in 2 Chronicles l9:2 - "...shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon thee from before the Lord." No one hates our Lord any more than the Jew.

For many years, as a lecturer, I had recognized Jewish influence in the fields of rock music, sex education, pornography, immorality in TV, the movies and on the stage, abortion on demand, organized crime you name it. You didn't have to look very far to see Jewish names at the helm and Jewish money subsidizing it. When I asked Jews about this, I was met with stony silence, or was blasted as an anti-Semite, a sin akin to blasphemy.

One day I came across this statement made by Horace Mann, the 18th Century educator and legislator, he said: "On the face of it, it must be a bad cause which will not bear discussion. Truth always seeks the light, instead of shunning it." So I used this in application to the Jewish Question. Why could we talk about the Blacks, the Irish, the Catholics, Baptists, Methodists and others without being castigated? But the mere mention of problems among or with Jews, brought immediate harsh criticism.

So I began to study. I learned what you are taught in your synagogue. I read and studied your forbidden Babylonian Talmud. I saw for myself, what Jews are told about Christ and Christians. Then pressure descended on me.

On a recent well-known radio talk show, I made this statement: "I believe Christians must take a
close look at our Blank Check policy with the Israeli. I do not believe it is politically healthy to give any people so much power." The Jewish moderator retorted with some heat by calling me "A pornographer of paranoia; an anti-Semitic bigot." I can assure you, it would not take many Jews like him to make me a bigot. But I am not anti-Semitic. I am pro-American! I believe the good of America must come first, before that of El Salvadore, Cuba, Russia, and yes, Israeli.

When Dr. Jerry Falwell, of the Moral Majority told Menachem Begin: "All American Fundamentalists back the Jews no matter what you do; because we recognize that you are God's people." He did not speak for this Fundamentalist and for hundreds of thousands more of us who know the truth.

If you are an American Jew, your first loyalty should be to America-not the Israeli. If you place Zionism first, you have no right to be an American. This business of dual loyalty, given to Jews alone, stores the seeds of destruction for your people.

You say it is unfair for me to blame the Jews for the Communist Revolution in Russia, since these were not "true Jews." That the "true Jews" are orthodox, backed other parties, or were Zionists. Begin is not a Jew by blood. He is of Khazar extraction in spite of your weak arguments to the contrary. If this is not true, then why does the Jewish Encyclopaedia and many Jewish periodicals admit this?

Now I realize this is not put out for "goyim" consumption. But it is found, nevertheless, in many Jewish writings. Jewish leadership in the Communist Revolution has been a "bragging point" for Jews for years. In the Jewish Chronicle, April 4, 1918, can be found this statement: "...there is much in the fact of Bolshevism itself, in the fact that the ideals of Bolshevism are consonant with the finest ideals of Judaism..." How do you answer this?

Marcus Eli Ravage, a Jew, writing in Century Magazine, January 1928 said: "We Jews are at the bottom of all your wars; not only of the Russian but of every major revolution in your (goyim) history...We did it solely with the irresistible power of our spirit, with ideals and propaganda..." Do you attempt to answer this by telling me he was not a "true Jew?" Oh no, my friend, this kind of denial does not refute documented proof to the contrary.

What about Oscar Levy's preface to his book, "The World Significance of the Russian Revolution," in which he says: "There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners."

Dr. Goldwin Smith, the Jewish professor of Modern History at Oxford University said: "We Jews regard our race as superior to humanity and look forward, not to its ultimate union with other races, but to its triumph over them."

Or what about The American Hebrew newspaper of October 10, 1920, which stated: "The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new world order..."

Or the Jewish World, of London, January 16, 1918, which said: "International Judaism forced Europe into the war, not only to seize a large part of the gold, but to start a new Jewish War by the help of that gold."

Please don't tell me these are fake or forged statements, made up to embarrass the Jews, for I have seen them in their original form.

You should know the many similarities between Communism and Judaism. They are easy to spot when you know that Communism had a Jewish background:

1 - Both have a mania for social beliefs in Oneness.

2 - Both aim at universality and favor Internationalism.
3 - Both repudiate beliefs in genetic worth and persist in an irrational faith that improved environment will build a better humanity.

4 - Both preach social justice, while employing this concept in opportunistic way. (The Israeli treatment of Black Jews in Israel is a good example.)

5 - Both breed pressure groups to further their work.

6 - Both place dogma above reason. (Judaism must come first, no matter what the consequences to others.)

7 - Both follow peculiar manias which do not know the meaning of compassion or moderation in dealing with those who disagree with them.

Is it any wonder Jews often transfer their love for Judaism to Communism? As your own prominent Rabbi Stephen S. Wise has said: "Some call it Communism. I call it Judaism!"

A thing which sets Jews aside from all other peoples, is their lack of respect for all "non-Jews." I'm speaking about the "goyim" cattle, your Talmud rails against. There is no language vile enough to express Jewish hatred for Jesus Christ and His followers, I know, since I have been on the receiving end of this kind of "Jewish courtesy."

If the Black people of America ever learned what you Jews have done to them in the past, and what you are seeking to do to them now, there would be an uprising in America against the Jews, unequaled in the world's history.

You should know the Talmud much better than I. But I have access to a translation in English and realize this should be punishable by death, according to its teachings. You and I both know this religious book of the Jews, teaches Jewish superiority. You and I both know it teaches that "goyim" are cattle, to be dealt with by the Jews as such. Both of us know you are taught an unreasoning hatred for Christ and His followers. I know the curses you use against us. No matter how benign a facade you put on for Christian consumption, we both know how you feel. I do not blame you too much for this, for this is what you have been taught to believe.

But if knowing this, I allowed you to carry out your plans, without warning my fellow Christians of the consequences, I would be much less than a man.

Your statement concerning Zionism and Judaism being diametrically opposed is outright falsehood, as you well know, since World Zionism, was the force which imposed Communism on the world. If this is not true, why do Jewish leaders brag about their part in it? Why have so many of the Israeli leaders been Communist? We have just gone through another Jewish brainwashing on TV, in the form of "A Woman Called Golda." Why were Americans not told the truth that she was a Communist, who was trained at the Eugene Debs Labor Schools in Milwaukee?

If Judaism is not favorable to Communism, why was the second largest Communist celebration in the world, held in Tel Aviv on May Day, 1980, with over 250,000 Jews in attendance?

If the Jews who perpetuated their heinous crimes against Christians, which resulted in many more than the mythical 6-million of Nazi Germany, if they are abhorred by true Jews, as you claim, why do we never hear anything about it in the Jewish controlled media? We are constantly having shoved down our throats, the Holocaust Myth. Why is nothing ever said about the 100-million Christians who died under Jewish Communism? Why have not the so-called "true Jews" raised a public, indignant cry against "those who say they are Jews, and are not, but are of the synagogue of Satan?" (Revelation 2:9).

I do not blame all Jews for the sins of individuals. I blame them for accepting teaching which teaches hatred of Christians and desires to eliminate them. (Listen to the enclosed tape by a Jewish
Rabbi, titled GOD ON TRIAL! Why do the "true Jews" try and shut up those of us who are telling our fellow-Americans the truth abut the evil men? It seems to me, that if you were being honest, you would join us in your denunciation of these devils.

Of course I do not accept blame for the heinous deeds of Stalin and Hitler. I fought against both of them in two wars. I have proven my contempt for aggression. I have spoken out strongly against evil men, no matter what their ethnic background. I have openly criticized my one-time friend, Dr. Jerry Falwell, for "playing footsies" with the Khazar Jewish murderer, Menachem Begin.

While you accuse me of bringing evil to light, what have you done to alert Americans to this Jewish devil? No wonder one of your own countrymen, the Pharisee Saul of Tarsus, when he learned the truth and became the Apostle Paul said of your people:

"...for ye brethren have suffered like things of your own countrymen, even as they (Christians) have of the Jews: Who both killed the Lord Jesus, and their own prophets, and have persecuted us: and they PLEASE NOT GOD, and are CONTRARY TO ALL MEN!" (1 Thessalonians 2:14-15-Emphasis added.) That was a "true Jew" speaking; a man of the tribe of Benjamin and don't come back at me, using that Jewish lie about the House of Pisos.

About the 6-million Holocaust theory, you know the absurdity of this as well as I. You probably know better than I, how many billions of dollars of Christian gold, has flowed into Jewish coffers, because of this exaggeration. You made a rather sarcastic reference to the 3-million Polish Jews. You should know, that many who died in the so-called Nazi elimination camps, have been drawing reparations from West Germany for over 35 years. Millions escaped into Russia, and over 300,000, most of them Communist oriented, were allowed into America, where they have been the backbone of liberalism and "Anti-Americanism."

Can you answer me why the Jewish world population from 1939 to 1947 increased if six million were murdered? (This is what Jewish census figures show.) Why do Jewish casualty figures vary from a low of 300,000 Jewish deaths during World War II, to as high as twelve million?

While we are still on the Holocaust theme, can you explain why Jews, who own at least 909 of our major newspapers, with a daily circulation of over 57-million; and more than 48 major magazines, with a circulation of over 79-million, have never advocated a "Christian Holocaust Memorial" for the victims of Jewish Communism? Why do we see and hear so much about the "bad German Nazis," and little if anything about the "bad Communist Jews?"

Why has the Abelard Reuchlin Foundation never taken a public stand against the excesses of International Judaism and if you have, when and in what form? In law, this is known as the "Doctrine of Ratification," or in common terminology, "silence gives consent." Show me where you have publicly refuted Jewish crimes and I will publicly apologize!

Your sixth point regarding British-Israelism holds no water whatsoever. I am not part of Armstrong's theology. He is a charlatan, as far as I'm concerned, making millions off gullible Christians. I do believe in Israel Identity.

The Old Testament of the Christian Bible, which is Hebrew, not Jewish, contains over 200 proofs of Identity of the Israel people. You Jews do not fulfill a single one. If the world's Christians are not smart or courageous enough to stop Jewish drive for world power, let me assure you, God Almighty will do it! You are not going to get by with it!

Your hypothesis of blaming all Jews, or all Christians for the evils of others, is patent hypocrisy, for that is exactly what Jews have done, over and over again. There is much documentary proof, that the Jewish trouble in Germany, began a long time before Adolph Hitler took over power. It was Jewish intrigue and underhandedness, which caused Hitler to rise into power. At a recent Holocaust meeting in Jerusalem, the "little Jewish Hitler," Menachem Begin, blamed all Germans for the excesses of Hitler. Before you make ridiculous statements as to what Communist leaders were Christians although born and trained as Jews look up the facts. The Marxist program of "people
control," was not repugnant to the Russian Jews, since they had been trained to accept the more than 12,000 restraints of the Babylonian Talmud.

When Czar Nicholas II and his family were murdered by Jewish thugs on July 16, 1918, the Universal Jewish Encyclopaedia, Vol. 1, page 286, said: "reaction to these excesses resulted in more Jewish support for the Bolshevists."

While Lenin may not have been a Jew, other Communist leaders were. Some named in the Universal Jewish Encyclopaedia, Vol. IX, page 668, were Zinoniev, Kananev, and Sverdlov. According to the Jewish controlled Soviet Press of those days, out of 556 important functionaries of that first Soviet, (1918-19), 457 were Jews, many of them from New York City's East Side.

The leaders of most of the Satellite nations of Eastern Europe during those terrible days of purge against Christians, were Jews.

Today, a special breed of millionaire can be found in the Soviet Union. They live in the resort area of Odessa-they are over 90% Jews. Yet you try and tell me that most Jews are anti-Communist. Come now, I'm not that stupid.

You have done your best to cover up the crimes of International Jewry, but all you have done is say "They were Jews, so what they did was all right." No wonder your people are hated over all the world. It's not because of your religion, but your duplicity.

If Jews are not Communist sympathizers, why then have over 90% of those tried for treason in the U. S. since 1945 been Jews? Why do Jews finance and support such organizations as the Anti-Defamation League of the B'nai B'rith, an unregistered agent of a foreign government in the United States? Why do they support an organization such as the American Civil Liberties Union, which has been foremost in their defense of Communists and radicals, and foremost in persecution of Christians? Why are the majority of "underground" leaders in America, Jews?

Your attitude towards white Christians was proven in the book you sent me in December, where you attempted to prove that our Christian New Testament was a fake, written by the Pisos family. Your blasphemy towards Jesus Christ, the Son of God, is equaled only by that of men such as the Jew author of the "Passover Plot;" it is complete fiction. If you do not hate us, then why do you condone and aid in the destruction of our religious beliefs? Didn't you do enough damage with your Jewish Higher-Criticism of the Bible, which allowed Modernism to take over many Christian churches?

As to your pamphlet on famous Jews in American history for the sake of argument, let's assume all these Jewish statements are true.

But then let's be fair and look at the two number one prominent Jews of the Twentieth Century, Freud and Einstein. According to intellectuals, Freud did more to further the science of Psychology than any other man. He based his findings on experiments he did with 250 middle-class, neurotic Jews in Europe. He assumed that all mankind would react like these people and formed his idea of "sex in psychology," which has done more to destroy "morality" in one generation of young Americans with the possible exception of the Jewish baby doctor, Benjamin Spock and his radical ways in child rearing.

Top this off with Albert Einstein, who some men say was the "smartest man who ever lived." He gave us the atom bomb, which today threatens the very existence of mankind.

You Jews preach and believe that you are mentally superior to all other mankind. You are taught that from childhood. It is taught in your synagogues. Maybe there

But, thank God, you could not silence Him. When your fathers murdered Him in a trial which was illegal under both Roman and Jewish law, they could not hold Him in that garden tomb. In spite of what your Pisos claim, there is irrefutable proof, that He rose from the dead and that one day He will come back to judge those of you who have rejected His Lordship. Your gold, your power and your prestige will not save you then.
Your own prophet Ezekiel (7:19) prophesied of you when he said: "They (Jews) shall cast their silver in the streets, and their gold shall be removed: their silver and their gold shall not be able to deliver them in the day of the wrath of God."

The Psalmist David, a man you falsely claim as your own, warned in Psalm 2:12 - "Kiss the Son, lest He be angry, and ye perish from the way, when His wrath is kindled but a little..."

My task is not to argue with you, or persuade you that I am right. My voice is a warning voice. You Jews are standing on the brink of extinction as a people, not at the hands of righteously indignant Christians, but at the hands of the God of Abraham, Isaac and Jacob, and His Son whom you have spurned.

I realize Jewish power is strong in America. I realize I have put myself in a position of danger for exposing the truth about the Jewish Conspiracy against Christianity and freedom. But I am not afraid! You cannot touch me, unless Almighty God, in his immutable wisdom allows it!

I realize Jewish lawyers and judges control our court system. I know that the arm of the A.D.L. and the J.D.L. is long. I realize Jews are unforgiving and vindictive people.

My quarrel and that of knowledgeable Christians is not with Jews who want to live in peace. But you must show this by your actions, not in the multiplicity of your words. Dissolve the Jewish controlled organizations which seek to destroy Christianity and control the world. Clean up the mess you have made in Hollywood and the media. Run out the Jewish gangsters who control crime, dope, prostitution and other evils.

Free this country from the materialistic propaganda which has poisoned an entire generation of American youth. Withdraw your troops from occupied lands. Show an honest effort to negotiate with your Arab leaders in Palestine.

Then when Jews prove honest and sincere in carrying out these and other necessary measures; may you live in peace within our borders.

But if you continue to deceive America, if you continue to lie about your Communist sympathies; if you refuse to stop the constant stream of damaging propaganda which comes from your controlled media, then before God, American Christians have the right to defend themselves, our faith, our race, our country, and our dearly won freedom with any means at hand. Through God's help, we mean to do just that. He has promised us, His "true Israel people", victory! We shall never surrender!

Yours for Christ and a Free, Christ Honoring America,

Jack Mohr

P.S. Your letter of April 23rd and this reply is to be printed and distributed by the thousands throughout America. Thanks for your help in getting this truth out to Christians.

Dear Christian Friends,

We are living in perilous times as you all know. The *Prostitute* media is keeping many facts about the war in Bosnia from our people. Recently, a lady from Boise, Idaho sent me the following information, which I believe to be true, as it fits in with other information from reliable sources.

An associate minister from the First Presbyterian Church in Idaho, which has a Serbian community of some 2,000 people, sent him to Serbia in December 1998 to investigate the war for the Serbian Community. Here is his report. Compare it to we have been hearing in the American press and on the TV.

He said, "The Boise Serbian Community believed we were being lied to about the war, and wanted someone who was unbiased to check the truth, on the ground. I was willing to go, as long as I was allowed to see what I wanted to see, take pictures I wanted to take, and talk with anyone I wanted to, with no restrictions.

"One gentleman from Boise who had been scheduled to be Ambassador Yugoslavia under the Bush Administration, made some arrangements with the Yugoslavian Government, so I could go."

I was given a car, a driver, and an escort from the Foreign Ministry, and was allowed to go anywhere I desired. We headed for Kosovo and on our way, I noticed that the crops were in the fields and were being harvested normally, and there was little evidence that a war was going on. When we got to Kosovo we noticed that a lot of construction was under way. Homes equivalent to $125,000-150,000 homes in the U.S. were being built. I wondered where the money was coming from for construction, as I saw several thousand being built."
"There seem to be a number of sources for this wealth. One is money from the drug traffic. The Albanian Mafia in Koscvo controls the drug traffic in Europe, and the Middle East. These drugs eventually end up in Europe and the U.S. This income is in the billions. The mountains in Albania are high and porous and drug smuggling has been going on there for centuries.

A second source of income is from the illegal tax that is put on the people of Kosovo. It is a tax of 3% that is paid to the illegal shadow government in Olm, Germany. It's interesting this government has backed the Albanians, as they backed Muslim Bosnians. It's similar to our CIA coming to Albania to help train the so called Kosovo Liberation Army, which is actually a terrorist group who have been trying to take Kosovo from the Serbs.

"The third source is from a number of Muslim governments who sending people to fight with the Kosovo Liberation Army it a matter of record. Many of the interviews with these people show that the Mujahideen who are in this military Jihad come from countries as far away as Malaysia.

"Kosovo is an integral province of Serbia. When Tito was ruling, he wanted to destabilize the majority in Kosovo, which was the cradle of Serbian civilization. It has some 1,300 Christian civilization and is a very sacred place to the Serbian people. Tito sought to destabilize this Christian influence by bringing Albanian Muslims. The Serb's received them and integrated them into their society, treating them well. However, gradually Albanians grew in numbers, plus over 600,00 illegal aliens who came in over the last five years, until now these foreigners constitute over 80% of the population.

"There are other facts involved. Recently it has been discovered possibly $2 to $3 trillion worth of oil lies under Kosovo also have some of the best anthracite coal reserves in Europe. Along with other minerals, there are perhaps $5 trillion in untapped mineral resources in this area. (Naturally the International Power Elite, which means International Jewish bankers, are not going to give up this source of more illegal gain. For where the carcass is found, there the buzzards will always gather - MOHR).

"I didn't see any homeless or any signs of genocide. I was in Grand Hotel which was the center of worldwide
press, I talked with a number of reporters from different countries, who told me the same story about the CNN reports we had been hearing daily. It appears that many scenes we see on American TV have been especially staged.

"I was in Vietnam as a Chaplain, so I know what a war zone looks and I didn't see any of this kind of activity in Bosnia. There were checkpoints where the Serb police were checking the movement of arms, drugs and were searching trucks. This is standard in time of war.

"If we had an uprising on the Mexican Border and had Mexicans coming across the border to terrorize our people in El Paso and Laredo, I'm sure the governor would take action, and the Federal Government might even become involved. This is basically what the Serbian government has done. It sent in army and police to put down illegal terrorists who have been flocking into to the country.

(The controlled press is trying to make Americans believe the Serbs are the aggressors, when they are only protecting their own sovereignty and of course this is a No! No! with the U.N. - MOHR).

"There is some $600 million in Serbian money which has been frozen in this country that could be used to buy medical supplies for those who need them desperately. I am trying to devel moral indignation on the part of Christian churches in America. (For the most part they are siding with our corrupt government against a White Christian nation - MOHR).

THE SPOTLIGHT has shown the light of TRUTH on how Bill Clinton has gone to war on the behalf of the world's drug lords, and in the process the people of Kosovo are suffering. We see the tragic picture of the war on TV every night, but hear nothing about it's drug connection.

In essence Clinton is protecting the drug lords of Kosovo, who are ethnic Albanians, and Albania for all intents and purposes is a puppet state of Red China.

If the truth about President Clinton's involvement were known Congress would be forced to arrest him for TREASON. Rep. Christopher Cox, (R-Ca) has a report which indicates that Clinton has given our most important military secrets to Red China, though Henry Kissinger says, "It's not all that bad!"

The enemy has such a strong foothold in Washington that
they blackmailed the House and Senate into turning the TRAITOR loose on anemic charges of sexual immorality, when he should have been charged with TREASON. Now he has us involved in a war that could easily destroy us, as we are in no position to fight a war anywhere, and our military leaders KNOW this. For fear of losing their prestigious positions, or because they may be bucking for another star, this means more to them than the oath of office!

Where are our military leaders with the moral character of Patton, MacArthur, or Chesty Puller, now that we need them? A ground war in Bosnia will leave us wide open for an attack from Red China, Russia, and North Korea. Communism is not dead! It has merely changed its name.

Kenneth Starr, the man who prosecuted Clinton had connections with Red China through Wang Ju, the head of the Chinese secret police. Starr was actually an unregistered lobbyist for Red China, and if you or I tried this we would be in jail.

Davis Schipper, one of the impeachment counsels said on a radio show from Chicago, "I don't care if you have documented proof and a picture that Clinton raped a woman in the middle of street, and then beat her up, we are not going to remove him from office." This is how far this nation has slipped.

I have a very strong feeling that God's patience with White Christian America in particular may be getting very short and that we can expect to be taken to His woodshed for a severe whipping for our DISOBEDIENCE! The wild oats we have planted in our path are about to be harvested. As I have asked before:"Must we be driven to our knees, and have our nose rubbed the dirt," before we will "listen to God, REPENT, OBEY, and be saved both physically and spiritually?" It seems to me the hard way to go when we already have a FORMULA FOR OUR SURVIVAL in 2nd Chronicles 7:14.

Your brother, the Watchman on the walls,

UNSAINTLY SAINTS:

There are few hinderances to the cause of Christ, as a bad disposition on the part of God’s people. It is hardly too much to say that an evil disposition manifested by an evangelical, (the dictionary classifies an evangelical as "being in agreement with the Christian Gospel, especially as presented in the four Gospels"), does the church more harm in the end than anything the modernist or unbelievers can ever do.

A bad disposition has been called "the vice of the virtuous". The woman who would not gamble, or smoke, or attend any place where worldly amusements were manifest, may manifest a churlish temper that keeps her family, (including her husband) in terror with her acid tongue. A man who will fight for the faith once delivered to the saints, may be so hard to live with that his family actually wishes him gone, and feels little sorrow when he finally shuffles off his mortal coil, to go, as he fondly believed, to dwell with the saints in the peace of heaven forever.

The slick habit of blaming the devil for conditions in the average church is too smooth to escape suspicion. That explanation explains too much. We do not underestimate here, the ability of the devil to raise troubles, nor do we believe that he has softened up his attitude towards the followers of Christ. But his power is specifically limited.

It is extremely doubtful whether he has any real power unless we give it to him. At least we know that he could not get to Job, without special permission from- God, and it is hard to conceive that God took better care of Job than He does of each of us.

Chrysostom once preached a great sermon to show that nothing can harm a Christian who does not harm himself. Over the humble and
obedient soul the devil has no power. He can harm us only when we, by unspiritual and unchristian ways, play into his hands. And we play into his hands whenever, and as long as, we harbor unjudged and uncleansed evil within us.

Dispositional sins are fully as injurious to the Christian cause as more overt acts of evil. These sins are the various acts of human nature. So that there may be no misunderstanding, let us list a few of them: over sensitiveness; irritability; churlishness; faultfinding; peevishness; temper; resentfulness; cruelty; uncharitable attitudes, and of course there are many more. (I'd like to break in here to add another which has done untold damage to the cause of Christ, and that is gossiping - MOHR).

These kill the spirit of the church and slow down the progress which the gospel may be making in the community. Many a soul has been turned away and embittered by manifestations of ugly dispositional flaws in the lives of the very persons who are trying to win them, (This has bred the often heard excuse: "I'm as good as any of those hypocrites in the church," - MOHR.)

Deliverance from inward sins would seem a spiritual necessity. In the face of the havoc wrought by dispositional sins among religious people, we do not see how sincere men can deny the necessity. Unsaintly saints are the tragedy of Christianity. People of the world usually must pass through the circle of disciples to reach Christ, and if there they find these disciples severe and sharp-tongued, they can hardly be blamed if they sigh and turn away from Him.

All this is more than theory. Unholy tempers among professed saints constitutes a plague and a pestilence. The low state of religion in our day is largely due to a lack of public confidence in religious people.

It is time we Christians stop trying to excuse our un-Christian dispositions and frankly admit our failure to live as we. Wesley said that we will not injure the cause of holiness by admitting our sins, but that we are sure to do so by denying them. There is a power in Christ that can enable the worst of us to live lives of purity and love. We have but to seek and lay hold of it in faith. God will not disappoint us". (UNQ).

I pray that some of you may not feel like the old sister who was fond of dipping snuff. When the preacher spoke about the sins of drunkeness, adultery, filthy language, and smoking, she shouted
"Amen!" but when he admonished them about "dipping snuff", she go up and left in a huff, muttering: "Now he's quit preachin' and gone to meddlin". This article was meant especially for Jack Mohr, for I can see many areas where I need to "clean up my act." Not because I'm unsaved, God took care off that years ago, but so that I can glorify my Savior and King, not so much by what I say, as by what I do. As I often tell my Prison Ministry boys: "What you do shouts so loud we can't hear what you say!"

Wishing you all God's best for the stormy days ahead,
A Federal court has ruled that Christians have no rights and that the First Amendment of the Constitution does not apply to them.

I had heard this shocking news in the fall of 1983, but as bad as things had become in this country, with the Federal Government waging a ceaseless war against Christianity and seemingly attempting to establish "humanitarianism" as the established religion of the State, I found it hard to believe that in America, the "home of the free and the brave," the situation was as distressful as reported. I decided to find out for myself.

Obtaining a list of prisoners in Arkansas who had requested Christian literature "at a great risk to their lives and persons," I proceeded to follow the Word of God, in which I implicitly believe. Christ commanded us to visit and comfort prisoners. In Matthew 25:36 we read these words from our blessed Master: "...I was in prison, and ye came unto me." Then in vs 39, the righteous elect say to the King: "When saw we thee sick, or in prison, and came unto thee? And the King answered in vs 40 - as much as ye have done it unto the least of these my brethren (and He was not speaking here of the people we call Jews, as so many of our pastors tell us, but of Christian Israelites) ye have done it unto me." So I sent copies of my newsletter THE CHRISTIAN PATRIOT CRUSADER and other evangelical tracts to these prisoners.

I had been told that the bureaucrats in the Arkansas state prisons had conspired to deny white prisoners in their custody their rights, because of their race and religion. (These men are discriminated against solely because they are White and Christian.) I had been told that the Arkansas officials had denied these prisoners the right to worship, to have Bible studies, and to receive Christian publications, and to correspond with or have ministerial visitations from Christian clergy, unless the prison officials and the State Chaplain had first decided whether these teachings conformed with their version of "the established religion." These men had appealed to the Federal courts to enforce their Constitutional rights.

On December 7, 1983, a new day of "infamy", the Federal court in Little Rock, launched a Pearl Harbor like sneak attack against the United States Constitution and the Christian majority. District Judge Elisjane T. Roy, reissued the lengthy convoluted, tortured reasoning of a Federal magistrate, which said that unless the court approved of the structure, the theology, etc ...as conforming to the State's version of religion, Christians or anyone else, "are not entitled to the free protection of the first amendment."

In a bizarre twist, various "outlawed" churches, mostly of the Israel Identity movement were not even told by the court that they had been denied their rights to Freedom of Religion by the courts of Arkansas. It was only because of letters which were smuggled out through the prison grapevine, that we discovered the Courts had taken away one of our basic Constitutional rights.

For some reason, I was not on the banned list, although I have preached Identity for three years. I had been a Fundamental Baptist evangelist for 25 years, having studied at Moody Bible Institute and with degrees from a fundamental seminary. I had spoken in churches from coast to coast, in some of the largest of them. Surely, I thought, the Arkansas bureaucrats and the Federal despots would not dare deny these white prisoners the right to read the Bible tracts published by my Christ and Country Crusade.
But my tracts were banned. The prison officials returned my materials, not to me, but to the Church of Jesus Christ, halfway across the continent in Idaho. This is a church with which I was not even affiliated. The bureaucrats wrote me a nasty letter, warning me against any attempt to preach the Good News of Christ to Arkansas prisoners, reminding me that my ministry was banned, although this was my first attempt to send materials to an Arkansas prison. (It might be of interest to note that I had been able to send my material to Federal prisons in Ohio, Texas, and Arizona, with no comment from the officials.)

It is interesting to note, that in the newest edition of his book, TO HARASS OUR PEOPLE, Congressman Ralph Hansen of Idaho, has added a special section titled ASSAULT ON RELIGION, to his book on the Governmental abuse of power. The abuse of Pastor Everett (Sileven) Ramsey and the Nebraska 7, is a good example of this.

This "Pearl Harbor" attack against the Constitution and Christians is especially dangerous, because (a) they have not even notified Christians that the courts have unlawfully denied them their rights, and, (b) the government, like a thief in the night, simply tells Christians, one by one, "You are outlawed!" If it can happen to Pastor Ramsey and to me, then who is safe? If it can be allowed in Arkansas, then no one is safe.

Shockingly, but not surprisingly, the American Civil Liberties Union, the National Council of Churches, and a whole list of liberal organizations, that the public would expect to be first in line demanding that this blatant trampling of First Amendment Rights be stopped, have all been notified by the authorities and their silence has been deafening.

But I predict victory for those of us who love the Lord because we have been promised by our Commander-in-Chief, Jesus the Christ, "greater is He (Christ) that is in you (Christians) than he (Satan) which is in the 'world (order)." Our Founding Fathers knew and declared our rights, as given in the Bill of Rights, come from God, not the Government. Our Rights are divinely inherent, they are indefeasible and inalienable, they cannot be taken away from us by the Government, or even tampered with. When our Founders, (through the power of prayer and their belief in the Bible) created our Constitution, they specifically forbade Government to touch these Rights. Therefore, any "Law", "court order", or "regulation," which attacks these Rights, is not only ungodly, but unconstitutional. Therefore it is Null and void on its face and must be resisted by all who dare go by the name of Christian.

As Thomas Jefferson so beautifully put it, RESISTANCE TO TYRANTS IS OBEDIENCE TO ALMIGHTY GOD!

The Arkansas bureaucrats have refused to disclose that special treatment is given to Blacks, as Black Muslims are permitted full religious rights, con-duct their services, rituals and classes without any governmental harassment. They are free to receive their "hate Whitey" newspapers, literature and are uncensored in what they say and do. A typical church service schedule smuggled out of another prison, lists special services for "Jewish: American Muslim Mission; Sunni Muslims, Hanafi Mussulmans; All Muslim Jumm'ah etc." Prisoners in the Arkansas prison system may refuse haircuts, if they claim haircuts are against their religion. Federal courts have said that prison officials may not ban even the foulest, hard-core, homosexual literature, or other forms of perverted pornography. Only Christian literature, which does not conform to the State's version of "the established religion," is banned. This must not be allowed to happen, if America is to remain free.

My suggestion would be that you contact your Congressman about this violation of Constitutional rights: write to the Warden of the Arkansas prison system and ask him where he gets his authority to transgress the Constitution. Then write to the Arkansas Governor and Attorney General and demand that justice be done for all.

It might be well to say here, that the major reason this literature is banned, is that we preach and believe, on the authority of the Word of God, that the people we now know as Jews are not the Chosen People of the Bible. We believe, with plenty of evidence for any open minded individual,
from both history and especially the Bible, that the Anglo-Saxon, Celtic, Germanic, Scandinavian
and kindred people, are the "true Israel of God." For this we are banned. They say we are racist,
because we are "pro-white, pro-God, pro-American," is there anything wrong with that? Even if you
don't agree with us, can't you see the inherent danger to anyone who believes that Jesus is the
Christ, the Son of God and who teaches obedience to Him?

Concerned American. We are standing on the verge of religious persecution in America. Why?
Because the Christian who stands for the Law of God, is the independent thinking family man who
cannot be bought; he cannot be intimidated. He represents everything Big Government is afraid of.
So he MUST be controlled. To the frightened hypocrites in Big Government, the knowledge that out
there somewhere, are strong, morally healthy, armed Americans, who mean to defend American
principles at any cost. This is a nightmare their sick souls cannot comprehend and it "scares hell out
of them!"

Many years ago, a well known Constitutional scholar said: "The liberties which are apt to remain
are those which are most carefully and jealously guarded by their holders." Nothing can guarantee
you freedom, unless you are willing to fight for it. This picture of Bureaucratic persecution can only
be changed, when men and women, like you - with full trust and dependence on Almighty God, will
get informed of what is happening and will say to government: "You have gone far enough. This is
where we draw the line!" If America is to be spared the terror which has engulfed two-thirds of the
world, it will be because Americans have said: "With God's help, it WILL NOT HAPPEN HERE!"

The enemy is hard at work, trying to destroy our White Christian civilization and the blessings it
has brought to mankind. They are trying to destroy our freedoms, which were purchased at such a
fearful price. "Our freedom was not bought and paid for at Valley Forge, that was only the down-
payment on freedom. Every generation must be willing to make a payment on account, if they
would remain free."

Let 1984 be the year when we demand that our Government get back to following American
principles. When we demand that our representatives in government, both State and Federal, put
America first. When decency and justice is returned to the American scene and our leaders care
more for their country than for personal gain and power. It can happen here. IF ENOUGH OF YOU
CARE.

NOTES FROM THE WATCHMAN'S CORNER

The following article taken from the NEW BEGINNINGS, January 2001 publication, was written by Dr. Howard Rand (deceased), who I consider to be one of the most important Israel Identity scholars of the 20th Century. It is important enough to be read by all Christians, and other than the constant use of the Hebrew words YASHUA for God, and YASHUA for Christ, (which many of our people do not understand), I agree with 100%. I have no argument with those who wish to use the Hebrew names for God and Jesus, but wish to point it out, so that you who have never heard them are not confused.)

THE GLORY OF THE EMERGING KINGDOM, PART I

"Then shall the nations revere thy name, O Yahweh, and all kings of the earth thy glory, when Yahweh builds up Zion again and shows Himself in His glory." (Psalm 102:15,16, New English Bible).

There is a pernicious endeavor, which is in wide-spread evidence today, to eliminate all expectations concerning the restoration of the Kingdom of Yahweh, and it's re-establishment upon the earth. Those who object to the fact of the coming earthly reign of Yashua misuse, misquote, and misapply the Scriptural pronouncements pertaining to His Kingdom, its universality and its perpetuity. There seems to be a concerted drive to this end, with laymen, ministers, and evangelists cooperating in the nefarious repudiation of the proclamation of the Kingdom Gospel which heralds the ultimate emergence of the restored Kingdom of Yahweh, in righteousness upon the earth.

Furthermore, there is an attempt to completely discount any possibility of the return of Yashua to reign over such a Kingdom.

THE GLORY OF THE EMERGING KINGDOM - PART I - 2

While admitting that the Second Advent of our Savior is to be an actuality, it is denied, that upon His return, He will, as a descendant of His father David, occupy the Throne of David reigning over an earthly Kingdom, in accordance with the annunciation to His mother Mary.
"Yahweh shall give unto Him the throne of His father David: and He shall reign over the house of David forever and of His Kingdom there shall be no end," (Luke 1:32,33).

In the light of this announcement to Mary, vouchered for by her Divinely sent informer, the Angel Gabriel, it is preposterous to contend that, after Yashua's triumphal return, there will be no Kingdom over which He may reign. The Satanic endeavor; throughout the ages, has been to annihilate the people of the Kingdom so that the promised reign of Yashua as King, over the House of Jacob, can never come to pass. The failure to obtain this objective has spawned a second-choice Satanic attempt to spread abroad the lie that there will be no actual Kingdom on earth and thereby thwart the proclamation of the Kingdom evangel, which includes the necessity for the Kingdom people to acknowledge their identity and fulfill the requirements for readiness to receive their coming King. The Psalmist stated:

"Thy people shall be willing in the day of Thy power," (Psalm 110:3)

In order for the Kingdom people to be willing in the day of the manifested power of Yahweh, there must be an acceptance of the proven identity of the people originally constituting the House of Jacob and their modern representatives in the world today. Without this knowledge, no one is in a position to even approach a discussion of the subject of Yashua's reign and His Kingdom.

THE GLORY OF THE EMERGING KINGDOM - PART I - 3

The persistent assumption that Jewry represents all of Israel in the world today has brought about confusion worse confounded at a time when it is all-important to recognize the origin and identity of the People of the Book. The Jews are only a small fraction of the descendants of Judah, one of the twelve sons of Jacob, whose name was changed to Israel. In pronouncing prophetic blessings upon Joseph's two sons, Ephraim and Manasseh, Jacob said of Ephraim, that he would become a "multitude", that is a "company of nations," while Manasseh, would become "a people", and "great", (Genesis 48:19). This promise of numerical, as well as geographical expansion; given to the descendants of the two sons of Joseph, the son of Jacob, have never been fulfilled in the history of the Jews. (Many of us who have made a study of Judaism, know that the vast majority of the people we today know as Jews, come from a Turco-Mongolian background and have none of Jacob's or Abraham's blood flowing in their veins - MOHR). The Prophet Isaiah addressed messages to the nations of the then-existing Euphrates civilization and his pronouncements were of judgment, which have all come to pass. Afterwards he turned his attention to a new civilization that would arise in the West and directed his prophetic messages to people dwelling in the Isles of the Sea, who are called Yahweh's Servant People (Isaiah 49 1 & 3). He exhorted them to listen to him in a manner indicating they had lost all knowledge of their
origin and identity. He admonished them to awaken to the fact that they were indeed the descendants of Abraham and Sara through their son Isaac: "Look unto the rock whence ye are hewn, and to the hole of the pit whence ye were digged. "Look unto Abraham your father, and unto Sarah that bare you," (Isaiah 51:1,2).

THE GLORY OF THE EMERGING KINGDOM - PART I.- 4

These are the people who would build the new civilization, having assembled themselves in the Isles of the West, the British Isles, the first gathering point of their "appointed place," (2 Samuel 7:10). The prophet declared they would continue to spread out to establish the earth and inherit the "desolate heritages" (Isaiah 49:8); that is, the North American Continent, Australia, New Zealand, South Africa, etc. These, Isaiah maintains, are the descendants of Abraham. By no stretch of the imagination, could they be called Jews, for they had forgotten that Abraham was their forefather. The Jews, on the other hand, (some of them, erroneously), have continued to claim Abraham as their ancestor.

It was in the 10th Century B.C., following the division of the Kingdom of Yahweh into two opposing factions, during the reign of Solomon's son, Rehoboam, that the House of Israel became the northern, ten-tribed Kingdom of Israel and the House of Judah became the southern, two-tribed Kingdom of Judah. The House of Israel was taken into Assyrian captivity in 740-710 B.C. (along with most cities of Judah - MOHR). It was some 130 years later that the Southern Kingdom of Judah was taken captive to Babylon.

The House of Israel never returned to Palestine as a nation. Later on, when the opportunity came, the people having undergone segmentation, moved out of Assyria in groups, or clans, under different names such as the "Getae, Massagatæ, Scythians, Goths, Visigoths, Ostrogoths, etc." in a massive westward trek. They became "Gentilized" by their contacts with the non-covenant people among whom they had temporarily resided. Then, passing through central and northern Europe, they eventually began to congregate in the British Isles, where they became identified in modern times as the Anglo-Saxon-Celtic peoples.

THE GLORY OF THE EMERGING KINGDOM - PART I - 5

It must be borne in mind that, as the ten tribes of Israel trekked across central and northern Europe, they did not all cross the English Channel into the British Isles. A substantial number settled in Norway, Sweden and Finland. Many remained on the European continent, in Denmark, Holland, Poland, Saxons in Germany, Huguenots in France, Basques in Spain and Lombard’s in Italy are all from Israel stock. The Prophet Amos quotes Yahweh
as declaring that "pockets", of Israel will be found in all nations.

"For lo, I will command, and I will sift (marginal rendering: "cause to move"), the House of Israel; among all nations, like corn is sifted in a sieve, yet shall not the least grain fall upon the earth (i.e., "to be lost to Divine cognizance").

As, a matter of fact, wherever the Reformation of the 16th and 17th Centuries ignited the flame of spiritual revival, this was sparked by descendants of the House of Israel moving westward. The Bible was unshackled from the church altar and the people rose up to the pure truth of the Gospel of Grace, picking up the light bearing torch of faith and holding it high above the oppressive head of ecclesiastical tyranny.

The 19th chapter of Exodus sets forth the inception of the Kingdom of Yahweh do earth when the specially selected descendants of Abraham, addressed as the "House of Jacob" and also "the children of Israel", were informed, in words given by Yahweh to Moses, their leader: "Ye shall be unto me a kingdom of priests (administrators), and an holy (set apart) nation." (Exodus 19:6). Following the organization of the seed of Abraham, through Isaac and Jacob, into Yahweh's Kingdom-nation, the Commandments, Statutes and Judgments of the Law of Yahweh were promulgated, to be administered as their Constitution.

THE GLORY OF THE KINGDOM - PART I - 6

After the founding of the Kingdom of Yahweh at Mount Sinai, the people of the Kingdom were schooled for forty years in the wilderness. At the end of that time they entered the Promised Land of Canaan, where they were first under judges, and then under kings. Eventually the House of David was selected as the reigning dynasty and the a throne of David was established in perpetuity over the Kingdom.

The covenant that Yahweh made with the people of His Kingdom contained the "If" and "But" clauses of the Laws of Yahweh, that is, blessings if they kept the terms of the covenant, and curses if they refused to abide by its terms, (Deuteronomy 28). Nevertheless, in either case the covenant remained in force, either for good or evil, according to the choice and conduct of the people. In the formal inception of the Kingdom, the people made a solemn vow, which was reiterated three times:

"All the people answered together, and said, All that Yahweh hath spoken we will do," (Exodus 19:8).

Throughout all the succeeding generations, the Kingdom people have been bound by this oath, even to suffering under the stipulation of the "But clauses" of the law for their violation of the terms of the covenant of
nationhood. Howbeit, Yahweh never has - and never will - repudiate His Kingdom, or abandon His people. The Divine pledge of forbearance is inherent in the pronouncement given though the Prophet Ezekiel which contains the warnings that Yahweh will permits severe tribulation to overtake them to compel His people to recognize the necessity to keep the vow of their forefathers:

"As I live, saith Yahweh, surely with a mighty hand and with a stretched out arm, and with fury poured out, will I rule over you. And I will bring you out from among the people, and

THE GLORY OF THE KINGDOM - PART I - 7

will gather you out of the countries where you are scattered, with a mighty hand, and with an outstretched arm and with fury poured out. And I will bring you into the wilderness of the people, and there will I plead with you face to face. Like as I pled with your fathers in the wilderness of the land of Egypt, so will I plead with you, saith Yahweh. and I will cause you to pass under the rod, and I will bring you into the bond of the covenant. And I will purge out from among you the rebels, and them that transgress against me... and ye shall know that I am Yahweh," (Ezekiel 20:33-38).

The context clearly indicates that this message is addressed to the House of Israel, which would be functioning as the House of Jacob during the closing days. of the present world order. As a result of the pressure of Yahweh’s hand resting heavily upon His people at this time, Yahweh declared in (Ezekiel 20:44).

"Ye shall know that I am Yahweh, when I have wrought with you for my name's sake, not according to your wicked ways, nor according to your corrupt doings, O ye House of Israel, saith Yahweh," (Ezekiel 20:44).

From the very outset of the establishment of His Kingdom at Mount Sinai, through a process of selection and rejection, Yahweh has separated the undesirables and the rebellious from among His Kingdom people, together with those who reject Him and despise His Kingdom and its laws. Nevertheless, the Kingdom of. Yahweh has continued to be in existence, although not with outward show, but with no abatement, in the process of its growth.

THE GLORY OF THE KINGDOM - PART I - 8

During the early history of the Kingdom, the tribe of Benjamin was purged when all but six hundred men perished in, (Judges 20:47). Yashua selected
them from this tribe to become His disciples, for the Benjamites were Galileans, not Jews. (Only the traitor Judas Iscariot was a Jew - MOHR). Because the Jews refused to accept Yashua as their Messiah, they ceased to be numbered, as a nation-among His Kingdom people, a foreknown fact prophesied by Daniel:

"And they (the Jews), shall no more be His people, or the prince's (Messiah's) future people," (Daniel 9:26, marginal rendering).

Yashua Himself told the Jewish leaders:

"Therefore I say unto you, The Kingdom of Yahweh shall be taken from you, and given unto a nation, (not the church as some teach - MOHR), bringing forth the fruits thereof," (Matthew 21:43).

Let those who argue that the Kingdom of Yahweh does not now exist heed the words of Yahweh, as uttered by the Prophet Jeremiah:

"Hear the word of Yahweh, O ye nations, and declare it in the Isles afar off, and say, He that scattereth Israel will gather him, and keep him, as a shepherd doth his flock. For Yahweh hath redeemed Jacob, and ransomed him from the hand of him that is stronger than he," (Jeremiah 31:10,11).

Looking forward to the latter days, following the First Advent of our Savior, and in preparation for His Second Advent, when the nations of His people will awaken to their identity and return to Him, Jeremiah prophesied:

"Behold the days come, saith Yahweh, that I will make a new covenant with the house of Israel, and with the house of Judah; not according to the covenant that I made with their fathers, in the day that I took them by the hand to bring them out of the land of Egypt, which covenant they brake, although I was a husband to them, saith Yahweh. But this shall be the covenant that I will make with the house of Israel. After those days, saith Yahweh, I will put my law in their inward parts, and write it in their hearts; and will be their Elohiym, and they shall be my people. And they shall teach no more every -man his neighbor, and every man his brother, saying Know Yahweh: for they shall all know me, from the least of them unto the greatest of them, saith Yahweh; for I will forgive all their iniquity, and I will remember their sin no more," (Jeremiah 31:31-34).

Furthermore, Yahweh confirms the perpetuity of the House of David and the
Davidic throne, ruling over the seed of Abraham, Isaac, and Jacob:

"For thus saith Yahweh: David shall never want a man to sit upon the throne of the House of Israel," (Jeremiah- 33:17).

Therefore, it is over the House of Israel that the Throne of David is to have a permanent establishment. To validate the enduring existence of His Kingdom people, and the continuity of David's throne, the word of Yahweh, came through Jeremiah, saying:

"Consider thou not what the people (i.e. those people who doubt the words of Yahweh concerning His purposes - (See Ezekiel 37:11) have spoken, saying," The two families which Yahweh hath chosen, He hath even cast them off? Thus they have despised my people, that they should be no more a nation before them. Thus saith

THE GLORY OF THE KINGDOM - PART - 10

Yahweh: If my covenant with day and night, and if I have not appointed the ordinances of heaven and earth; then shall I cast away the seed of Jacob, and David his servant, so that I will not take any of his seed to be rulers over the seed of Abraham, Isaac, and Jacob , for I will cause their captivity to return, and have mercy on them," (Jeremiah 33:24-26).

The New English Bible renders-the final clause: "I will restore their fortunes and have compassion on them.

Let those in the Christian world who would belittle- or deny - the present day existence of the throne and the Kingdom, ponder well the prophetic substantiation of Yahweh's promise in regard to the Throne of David established without disruption over His Kingdom, an earthly Kingdom that is to have no end. Following the institution of the Throne of David, when King Solomon began his reign, we have added verification that it is Yahweh's throne in this statement:

"Then Solomon sat on the throne of Yahweh as king instead of David his father, and prospered, and all Israel obeyed him," (1 Chronicles 29:23).

The Prophet Micah testifies concerning a day coming, when the reign of the Kingdom of Yahweh will extend over all nations, and world, peace will be a reality:

"But in the last days it shall come to pass, that the mountain (Kingdom) of the House of Yahweh shall be established in the top of the mountains (over all nations), and it shall be exalted above the hills (lesser governments): and people shall flow into it," (Micah 4:1).
In his contemporary, Dr: Adam Clarke states this is a prophecy of the establishment of the Kingdom of Yahweh, and of Yashua and its progress towards universality and perfection. With this observation we thoroughly agree. Micah continues:

"And many nations shall come, and say, Come, and let us go up to the mountain (Kingdom) of Yashua, and to the house of Yahweh of Jacob (that is, the house of Jacob, over which Yashua is to reign); and he will teach us his ways, and we will walk in his paths; for the law shall go forth of Zion (the seat of the government and administration in the Kingdom), and the word of Yahweh from Jerusalem (the center of reverence and worship within the Kingdom), And he shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war any more," (Micah 4:2,3).

With the arrival of universal peace on earth, and the implementation of equity and justice within the Kingdom, its citizens will experience well-being and security according to Micah:

"They shall sit every man under his vine and under his fig tree; and none shall make them afraid: for the mouth of Yahweh of hosts hath spoken it".

The Prophet Isaiah corroborates this happy outlook, and refers to the coming birth of the Child who would grow to manhood, to be called "Wonderful, Counselor, The Mighty El, The Everlasting Father, The Prince of Peace", (Isaiah 9:6). The future administration of the affairs of the Kingdom, will rest on His shoulders, ruling from the Throne of David:

"Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his Kingdom, to

order and establish it with judgment and with justice from henceforth even forever. The zeal of Yahweh of hosts, will perform this," (Isaiah 9:7).

Isaiah makes a tacit reference to the rejection of the Jews because of their refusal to accept Yashua as the messiah and the consequent-transfer of the
Kingdom to "a nation bringing forth the fruits thereof":

"Yahweh sent a word (Yashua is called "the Word" John 1:14) into Jacob (that part of the seed of Abraham residing in Palestine at the time of the birth of Yashua), and it hath lighted upon Israel (the nation to which the Kingdom is transferred when taken from the Jew - Matthew 21:43; Isaiah 9:8).

Within a very short time after the resurrection and ascension of Yashua, His disciples began to fulfill the instructions He gave them to "go to the lost sheep of the House of Israel," (Matthew 10:6) and they introduced "The Word" through the work of missionary societies, while undertaking to administer justice under the law. Thus, the nations of the Anglo-Saxon-Celtic and kindred people, the actual descendants of the ten-tribed Kingdom of Israel, became the House of Israel in the latter days. They were redeemed from the curse of the law because of the atonement wrought by Yashua and became the servants of Yahweh of whom Isaiah was speaking:

"Thou, Israel, art my servant; Jacob, whom I have chosen," (Isaiah 41:8).

"Thou art my servant; I have chosen thee, and not cast thee way," (Isaiah 41:9).

THE GLORY OF THE KINGDOM - PART I - 13

"Thou are my servant, O Israel, thou shalt not be forgotten of me," (Isaiah 44:21).

As the nations of modern Israel pass through the Time of Jacob's Trouble, and approach the end of the present order, there is every reason to believe the time of their deliverance is drawing near. Jeremiah's prophesy was couched in terms of great distress:

"Alas! For that day is great, so that none is like it: it is even the time of Jacob's trouble, but he shall be saved out of it. For it shall come to pass in that day, saith Yahweh, that I will break his yoke from off thy neck, and I will burst thy bonds, and strangers shall no more serve themselves of him: but they shall serve Yahweh their ELOHIYM, and David their king, whom I will raise up unto them," (Jeremiah 30:7-9).

The 'yoke' typifies servitude and latter-day Israel. is oppressed by the foe without and the enemy within. Men whose concepts are alien to the principles which have motivated Yahweh's people during past generations occupy high government positions within the nation. Isaiah declares with direct succinctness:
"When the enemy shall come in like a flood, the spirit of Yahweh shall lift up a standard against him (or as stated in the margin, "put him to flight").

At the same time, ecclesiastical and evangelical leaders are failing to feed His flock and are sternly censured:

"Seemeth it a small thing unto you to have eaten up the good pasture, but ye must tread down with your feet the residue of your pastures?, And to have drunk of the deep waters, for ye must foul the residue with your feet? And as for my flock, they

THE GLORY OF THE KINGDOM - PART I - 14

According to Jeremiah, it is during the Time of Jacob's Trouble - which the Prophet Daniel, refers to as a Time of Trouble, unlike any other previously experienced (Daniel 12:1) - that Yahweh will move to bring about the rescue of His people.

"Behold, the days come, saith Yahweh, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth. In his days Judah shall be saved, and Israel shall dwell safely, and this is his name whereby he shall be called, YAHWEH OUR RIGHTEOUSNESS," (Jeremiah 23:5,6).

Isaiah alludes to the coming intervention in terms of the return of the Redeemer:

"And the Redeemer shall come to Zion, (the seat of government), and unto them that turn from transgression in Jacob (those who are righteous in the Kingdom), saith Yahweh," (Isaiah 59:20).

The surety of Yahweh's word is defined as a covenant, guaranteeing its fulfillment in every letter

"As for me, this is my covenant with them who are righteous among the Kingdom people, saith Yahweh. My spirit that is upon thee (Isaiah) and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed’s seed, saith Yahweh, from henceforth and forever", (Isaiah 59:21).

Modern Day Jewish Persecution of Christians!

To American Christian Patriots everywhere; especially if you are of the Israel Identity faith:

This is a letter of vital information to you if you love God and His Son, Jesus Christ, our Savior for it concerns your physical survival, as a "born again" Christian. Some professing Christians have told me: "I'm born again and that's all that matters. What happens to my physical body is not all that important." But I believe most of these are being hypocritical in making this statement, for their reactions when they or their family is in danger and the "chips are down," show they are concerned. It's a pretty sad example of a man or woman who dares to go by the name of Christian, who aren't concerned with the physical welfare and safety of those they love.

The Apostle Paul touched briefly on this in (1 Timothy 5:8) when he said: "But if any provide not for his own, (and the word PROVIDE in Greek is PRONEO, which; means: "to consider in advance; to look out for beforehand;" and I'm positive this includes protection), especially those of his own house, (family-) he has denied the faith, and is worse than an infidel." The first priority of a good Christian in the physical realm is to care for his family and this means more than merely giving them "food, clothing and shelter." If he falls down on this, he has little right to be called a Christian, no matter how thrilling his testimony may be inside the church. Any man who would stand by and see his wife or daughter assaulted and raped, without trying to stop it by any means possible, is a pretty sad example of a Christian.

I have said this to set the foundations for the following information you need to know, even though it may upset you terribly. Some of you church folks who read this will be angry with my exposure of your favorite people, those who call themselves Jews, who have openly stated their plans to "destroy White Christian civilization." These are the people your pastor calls God's Chosen, but to whom your Savior said: (John 10:26) "But ye (Jews) believe me not; because ye are not of my sheep." Seems mighty plain to me in spite of what Jewish apologists like Jack Van Impe, Jerry Falwell and others say to the contrary. Who are you going to believe? your pastor, or your Savior?

On February 19th, Pastor. Peter Peters, from Scriptures for America, invited me to attend a business luncheon in Little Rock where I had the privilege of addressing people involved in Christian broadcasting, and giving my personal testimony. Pastor Peters told me that it was necessary for him to drive to Branson, Missouri on the following day, breaking into his very tight schedule, because the motel, with which he had a signed contract for a Memorial Day service, had broken their contract under severe pressure from the Anti-Defamation League of the Jewish B'nai B'rith and other Jewish organizations, who had persuaded the Branson police that this meeting would be a danger to the safety of the city. This in spite of the fact that several Identity meetings had been held in Branson previously, and the only problem has come from Jewish activists.

In spite of what the media and TV has had to say about Christian Identity, there is no meeting on record, anywhere, where our people have caused trouble. Oh there has been trouble all right, always caused by Jewish activists like those from the Jewish Defense League: The media loves to flay up the activities of any crackpot who commits a "hate crime" and get him to admit that he has been influenced by some Identity teaching. Many times coming from a "pseudo-Identity" group such as ARYAN NATIONS in Hayden Lake, Idaho, which are more National Socialist than Identity.
I have attended many Identity meetings and camps across this nation, and in many, where the manager did not especially approve our teaching, they have invariably said: "We have many Christian groups here, but yours was the best we have ever had. You left the camp grounds cleaner, there was no graffiti on the dorm walls, while your young people were perfect ladies and gentlemen as far as ours' help were a concerned." Not once have I heard a facility complain about the actions of our people. We expect our youth to behave, for they are: taught Christian courtesy at home.

Why then the screams of anguish from Jewish militants? It is because we are teaching our people, and any others who are willing to listen, the TRUTH, which is sadly neglected in most churches, as this TRUTH exposes Judaism for what they are: "Those who say they are Jews, but are not, but are of the synagogue of Satan." (Revelation 2:9; 3:9. Nod my words by the way, but the statement of our risen Savior). Jews cannot afford for White Christians in particular to know the truth about their hatred for Jesus Christ and Christians, even if you support them. If our Christian people knew the TRUTH. Jewish power in America, would evaporate overnight, and their plans for world conquest would die an ignominious death.

They are doing the same thing today, that they did 2,000 years ago, to the First Century Christians. In (Acts 6:13) we see where they set up false witnesses, which said, this man (Stephen) ceaseth not to speak blasphemous words against this holy place, and the law." Of course: this was false! In (Acts 6:11), we see where the Jews "suborned" (Greek - HUPOBALLO - meaning "to throw in stealthily; i.e., introduce by collusion (trickery) men, who said 'We have heard him speak blasphemous words against Moses and God.'"). That we can know that the Jews were noted for their lying, we have Jesus' testimony in (John 8:44) where He told their leaders: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no TRUTH in him. When he (they) speak a lie, they speak of their own, for he (Satan), (their spiritual father), is a liar, and the father of it." Subsequent history has proven this over and over again, and it is still true of these people today.

Why do Jewish leaders literally "throw a fit", when Christian Identity is mentioned? There is never an increase in crime when our people come to town for a large meeting. There has never been any violence on the part of Identity Christians. If any violence has occurred, it has been brought about by Jewish activists. The police know this, so why are they so upset with Identity meetings? It is another indication of the power of Judaism in America, and of a very real thing called in Scripture "fear of the Jews," (See Esther 8:17; John 20:19).

It is taught in many churches, witch misapply (Genesis 12:3), God's promise to Abraham, that He would "bless them that bless him, and curse those who curse him." Yet Abraham was not a Jew. He was a Hebrew, and there were no people known as Jews until 1200 years after his time, when we first hear of them in (2 Kings 16:6) as they are fighting against Israel. Jewish apologists like Jerry Falwell have publicly stated: "God has been kind to America because we have been kind to the Jews." But we can see the falsity of this statement, by looking at what has happened in this country,' since we recognized the "little bastard state of the Israelis" in Palestine in 1948. This country has not been blessed. It has gone "down hill" in every conceivable manner, educationally, politically, militarily, and most important in our moral and spiritual life. Most of this can be directly traced to Jewish influence in America, as they pursue their "ages old" agenda of destroying Christianity and all its influences.

To the orthodox Jew, you are an idolater and Jesus Christ is your false God. Instead of the Judeo-Christianity taught in most churches, TRUE Christianity is diametrically opposed to what Judaism teaches, just as our Savior was, and the term "Judeo-Christianity" nauseates me with it's false implications for it is a "lie out of the pits of hell."

You may know some nice Jews, I have known some too. But the problem is that the most enlightened Jew, even the agnostic, cannot entirely divest themselves from considering the rest of the world from a Jewish standpoint, and as their holy book, the Talmud points out, you are nothing but a "non-Jew animal," a hated
Why is it that when a so-called Jew becomes converted to Christianity, they seldom drop the term Jew. They continue to refer to themselves as Christian, or Messianic Jews, and there can be no such creature, as they are opposites, but it has become an excellent means for Jews to infiltrate the Christian church and destroy it from within. This is their life mission!

The reason for this can be seen in a book titled JEWS MUST LIVE! written by the Jew Samuel Roth in 1934, and published by the Golden Hind Press of New York. In it he says: "Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world. But despite our faults, we would never have done so much damage to the world if it had not been for our genius for evil leadership ...The shame of Jewry comes not from our being the bankers and the old clothes men of the world. It comes rather of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership.

"The Jews disease is a sort of moral gonorrhea known as which seems alas, to be incurable. The results, as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt, look at any Jew-ridden country in Europe, and if you need further convincing, look at what's happening in America.

"It is my belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is subversion of America's best interests." (UNQ).

Remember these words are not coming from some Anti-Jew extremist, but are direct from the horse's mouth".

Samuel Roth, who I have previously mentioned warns his fellow Jews in these words: "We, come to the nations pretending persecution, and we are the most deadly persecutors in all the wretched annals of mankind".

The answer for A.D.L. pressure against Christian Identity meetings, lies in the fact that we are one of the very few groups in America, which has had the courage to expose the Zionist plans for One Worldism under Jewish leadership. They cannot afford for Americans, especially White Christians, to know the truth. I realize that there are those who claim to be of Identity, who have committed crimes of violence against people of other races and religions, but a close look at these individuals will show that they were never TRUE Identists, although the Jewish controlled media love to paint them with this brush.

But this message is not about "bad apples" in Identity, it is about Jewish persecution of Christians which has been going on ever since they murdered Jesus the Christ for telling them the truth. In the early days of the Christian church, most certainly_ in the first century A.D., the Apostle Paul who had been one of the persecutors before his conversion on the road to Damascus, wrote about them in (.I Thessalonians 2:14,15) - "For ye, brethren became followers of the churches of God which in Judea are in Christ Jesus: for yo have suffered like things of your own countrymen, even as they have of the JEWS: Who both killed the 'Lord Jesus, and their' own prophets, and have persecuted us, and they please not God, but are contrary to all men."

Anyone who has made an honest study, of Judaism, and has read even parts of their holy book the Babylonian Talmud, know about their virulent hatred for Jesus Christ and all Christians. This hatred is so intense, that they have condemned Christ and His followers to an eternity in hell, "standing up to their necks in boiling excrement". While. Jewish religious leaders campaign for the Gospel of John to be excised from the New Testament, because of Christ's declarations against the Pharisees, they refuse to change anything in the Talmud, which is much worse against Christ and Christians. This is the Jewish mentality at work.

Here is something for those of you who uses the old Hebrew words for God and Jesus, YAHWEH and
YASHUA. The orthodox Jew is not at all upset when you speak the name YASHUA, but will go into a "screaming, spitting, cursing rage" at the mention of the name JESUS.

They murdered Him 2,000 years ago because He exposed the hypocrisy of Judaism, which was worship of the "tradition of the elders, (the Talmud), "that made the Word of God, of non-effect, (see Matthew 15:8,9).

While the myth of Jewish persecution by -Christians prevails in the Judeo-Christian world, fueled by pastors who have been "brainwashed" in Jewish influenced seminaries, and Bible Schools, little if anything is said about the countless millions of Christians who were brutally murdered by Jews during the early days of the Christian church, and in the past century by Jewish led and controlled Communism.

Roman history records for instance, that on the Isle of Crete, nearly a million Christians were brutally murdered during a Jewish uprising. Here the Jews disemboweled their living victims, men and women alike, and wrapping their entrails around their necks, danced in drunken glee in the streets. It is recorded that they actually wallowed in Christian blood.

That this same thinking still prevails can be seen in a statement made by the Jew Gus Hall (Hallberg), the perennial head of the American Communist Party for many years. He was quoted as saying publicly: "I will live to see the last Congressman strangled with the guts of the last preacher. The Christian love blood so much they constantly sing about it, so we will give them all the blood they -can handle, as we cut the throats of their children and drag their bodies over the altar rails of their churches." Can you imagine the furor in the press, if a Christian leader made a similar remarks about Jews?

During the Spanish Inquisition in the 14th Century, which was begun to cleanse the Roman church of Jewish influence that had in filtered high church offices, and which eventually claimed the lives of millions of non-Catholic Christians, the main Inquisitor was a Marrano Jew (Christian by day and Jew by night) named Torquemada. He was man of unspeakable cruelty, who delighted in seeing the breasts of women torn off by barbed claws, and the bodies of screaming men pulled to pieces between teams off horses.

The Jews have at one time or another been kicked out of every country in Europe, not "because they are God's chosen people and Satan hates them," as the Jew apologist Jack Van Impe states, but because of their crooked business dealings, and their unspeakable moral filthiness. They are headed in that same direction in America. If you do not want to believe me, I dare you to sit down and write a list of the things which are destroying America: "prostitution, pornography, abortion on demand, hard rock music, dope, etc." and in over 90% of the cases, you will find these evils led by Jews who are becoming wealthy at the expense of the American people, while they slowly but surely destroy White Christian civilization.

I was raised in the Baptist church and was taught that the "Jews are all of, Israel, and that they must be treated with respect no matter what they do, in order to avoid God's curse". I preached this falsehood for fifteen years as a Baptist evangelist.

Then during the Vietnam War years, II lectured on the American Opinion Speaker's Bureau of the John Birch Society and while working the college circuit, had 'many confrontations, some violent, with the radicals who were tearing our colleges apart. Communist groups such as the Students for a Democratic Society, led by young Jews like Abbie Hoffman and Jerry Rubin. In over 25 sometimes violent confrontations during this period, every one of the leaders were young Jews, from wealthy families. Often their fathers were famous criminal lawyers.

This Jewish obsession with Communism piqued my curiosity, since it was so contrary to the Old Testament teachings of Moses, whom they said they followed. I took off three months in the summer of 1979, to find the answer to why Jews were so intrigued with Communist ideals. I went to Jewish sources and the Scripture
for my answers. The first Judeo-Christian fable that was exploded was that the Jews followed the teachings of Moses and came when I read (John 5:45) where our Lord said to the Jewish religious leaders: "Do not think that I will accuse you to the Father: there is one that accuseth you, even Moses in whom, ye (say) ye trust. For had ye believed Moses, ye would have believed me; for he wrote of me. But if ye believe not his writings, how shall ye believe my words?." I had to go by what my King said, contrary to the teachings of Baptist scholars.

The second fable exploded came from a Jewish source. I had always been told in Baptist circle, that the teaching that Jews were Communist inclined was anti-Jewish propaganda. So I went to Jewish newspapers and writings to see what they had to say about it, and was amazed to find that they not only openly admitted their connection with Communism, but bragged about the leadership role played by Jews. In a 1919 edition of THE AMERICAN HEBREW, the largest English speaking newspaper in America on page one I found this headlined article: "What we (Jews) did in Russia, through Jewish brains and money power, we will soon accomplish in America." Later in the same edition was this statement: "The ideals of Bolshevism, are consonant (in agreement with), the finest ideals of Judaism."

The more I studied, the more I found the "Jew, as God's Chosen People", a fable, which was falling to pieces, in spite of every effort on the part of Judeo-Christians to keep it alive. I discovered that many church leaders knew they were wrong, but for various reasons, such as losing their 301 (c) 3 tax exemption, would not speak out, while others, like the TV evangelists, feared losing their lucrative TV ministries. Others were traitors who had "sold out" to those who were destroying Christ's church.

As I studied scripture, I was amazed at the large number of "spiritual fingerprints", which would identify TRUE Israel in the closing out days of this Age." (Some say there are over 200 of them,) and the people we know as Jews, do not fulfill a single one. This was evidence enough to convince me that the present day Jews cannot be the Chosen People of the Old Testament, and as I studied their religious book, the TALMUD, and saw their virulent hatred for Christ and His followers, I knew it could not be.

Not wanting to "sail under a false flag", I wrote a letter to 200 Fundamental leaders, explaining what I had found in my research, and advising that I would not push the Jewish issue if I came to their church, but would answer truthfully any question asked regarding the Jews. On the basis of this letter, 14 week long Crusades scheduled for 1981 were cancelled, and I have been labeled as an apostate by the Baptist church.

Many pastors in so-called Christian churches preach what I refer to as a "rat poison. re For like rat poison which is 97% cornmeal and 3% arsenic, it is the 3% falsehood. that does the damage. Likewise in the Christian church; it is the 3% falsehood that destroys the church from within: Many times this falsehood is so cleverly inserted into the Christian message, that folks are thoroughly indoctrinated before they realize what is going on. Many people sense this in their Judeo-Christian churches and are leaving them in droves. I believe we are beginning to see the "blindness in part of Israel," spoken of by the Apostle Paul in (Romans 11:25) being lifted. (This is difficult for many church folks to believe, for they have been taught that they are gentiles, rather than true Israel).

As Pastor Peters told me about the Jewish persecution he was undergoing in Branson, -I recalled the many times this same thing was mentioned in the book of Acts. I counted 28 incidents, although I'm sure I've missed some. If you are honest in your evaluation, you MUST admit that Jewish persecution of Christians came because Christians were speaking the TRUTH and the same is obviously true today.

This message is not designed to create hatred for Jews or apostate Christians, but to warn you of dangers we
face in this age when the children of Esau/Edom are still in the driver's seat. (For scriptural evaluation, see Malachi 1:2-4).

OTHER SCRIPTURES TO CONSIDER:

(Acts 4:1-3) - "And as they (the Apostles) spoke unto the people, the priests, and the captains of the temple, and the Saducees, came upon them being grieved that they taught the people and preached through Jesus Christ, the resurrection from the dead, and they (the Jews) laid hands on them and put them into the hold until the next day." (You should recall that the Saducees, the minority political party in Judaism, taught there was no resurrection.)

(vs. 21) - "When they further threatened them, (the Apostles), they let them go, finding nothing how they might punish them."

(5:17) - "Then the (Jewish) High Priest rose up, and all that were with him-and were filled with indignation, and laid hands on the Apostles, and put them into the common prison."

(vs. 33) - "...they the High Priest and Pharisees), were cut to the heart (by the Apostles preaching of the Truth), and took council to slay them."

(vs. 40) - "And when they had called the Apostles and beaten them, they commanded that they should not speak in the name of Jesus, and let them go."

(John 20:19) - "And the doors were shut when the disciples were assembled, for fear of the Jews."

(Acts 6:13) - "And they (the Pharisees) set up false witnesses..."

(7:54) - "When they (the Jewish leaders) heard these things, (the preaching of Stephen), they were cut to the heart and gnashed on him with their teeth." (Literally "ground their teeth in rage").

(vs. 57,58) - They were so angry that they "cried out with a loud voice, and stopped their ears and ran with one accord, stoned him..."

(Acts 12:1,2) - Herod the king stretched forth his hand, and killed James the brother of John with the sword, and because he saw it pleased the Jews, he proceeded to take Peter also."

(Acts 13:7), "But Elymas the sorcerer (a Jew, see vs 6,) withstood them (Paul and Barnabas), seeking to turn the Deputy from the faith."

(vs. 45), "but when the Jews saw the multitude (that had come to hear Paul preach), they were filled with envy and spoke out against Paul, contradicting and blaspheming."

(Acts 14:2) - "But the unbelieving Jews stirred up the Gentiles, and made their minds evil affected against the (Christian) brethren."

(Vs 5 ) ~ "And when their was an assault made both by the Gentiles, and also the Jews, and their rulers, to use them spitefully and stone them."
NOTICE: The Jews did not persecute the Christians for committing some crime, but were willing to murder them for exposing the TRUTH.

(VS 19) - "And there came thither certain JEWS from Antioch, and persuaded the people, and having stoned Paul, drew him out of the city supposing him to be dead."

(Acts 15:1,5) reveals false teaching in the church by JEWS from Jerusalem. See Peter's answer in vs. 10).

(Acts 17:5) - "But. the Jews which believed not, filed with envy, took, unto themselves certain lewd fellows of the baser sort, and gathered a company, and set all the city in an uproar, and assaulted the house of Jason."

(This has been typical Jewish behavior for ages. In 1918 Lenin gathered a motley crew of some 250 Jews from the Lower East Side of New York City, "lewd fellows of the baser sort," the kind of men the Jews call "kikes." They were sent to Russia, along with $20-million in gold donated by a good Jewish banker in New York and were the nucleus of the Bolshevik Revolution that murdered the Czar and his family and killed millions of Christians.)

(Vs 13) - "But when the Jews of Thessalonica had knowledge that the Word of God was preached of Paul in Berea, they came thither and stirred up the people."

(Acts 18:12) - "And when Gallio was the Deputy of Achaia, the Jews made insurrection with one accord against Paul and brought him to the judgment seat."

(Acts 21:27) - "...the Jews which were of Asia, when they saw him (Paul) in the temple, stirred up all the people and laid hands on him."

In chapter 22, the Jews again accused Paul of stirring up trouble, when it was they who were guilty. They same thing they are doing now in Branson.

(Acts 23:12) - "...certain of the Jews banded together, and bound themselves under a curse, saying they would neither eat nor drink until they had killed Paul." (This was a conspiracy.)

(Acts 24:27) - "But after two years Porcus Festus came into Felix' room: and Felix willing to SHEW THE JEWS A PLEASURE, left Paul bound."

(Acts 26:30) - After his trial, the king, the Governor and his wife said: This man (Paul) doeth nothing worthy of death, or bonds."

In (2 Corinthians 11:24) we have Paul's personal testimony of his persecution at the hands of the Jews: "Of the Jews five time received I forty stripes save one. Thrice was I beaten with rods, once I was stoned." (Not for any criminal acts, but for preaching God's Word.)

Before you or your pastor backs these anti-Christ enemy of God, and His Son, it might be worthwhile to look at the advise given to the Jewish Sanhedrin by the Jewish Doctor of Law, Gamaliel in (Acts 5:35). "Ye men of Israel. Take heed to yourselves what ye intend to do touching these men (the Christians in Jerusalem). (Vs 38) "Now I say unto you, Refrain from these men, and let them alone; for if this counsel, (preaching) or this work be of men, it will come to nothing: But if it be of God, ye cannot overthrow it; lest haply ye be found even to fight against God."

It would be a terrible thing to one day stand before the Judgment Seat of Christ, and have to admit that you backed His enemies. No matter what your pastor told you to the contrary.

As ever in His service, Your brother and servant,
NOTES FROM THE WATCHMAN'S CORNER

Following is a list of books written by Lt. Colonel Gordon "Jack" Mohr, A.U.S. Retired. They are available from SCRIPTURES FOR AMERICA, P.O. Box 766, La Porte, CO. 80535 (Prices include Postage)

THE MYSTERY OF TRUE ISRAEL!

This is an in depth attempt to alleviate the confusion that has risen in the modern church world, which teaches that the anti-Christ's of Judaism are God's Chosen People who are all of Israel, when they actually have no part in it, but are the impostors our risen Lord identified in Revelations 2:9, 3:9. It gives scriptural and historic proof that true Israel is found in the White nations of Christendom, who are referred to by modern churchmen as Gentiles. It is and excellent book for those who are being introduced to the Kingdom Movement. (189 pages, price $7.50)

THE ENEMY WITHIN!

This book is a compilation of many books written over the last fifty years, by friends and foes alike of the Kingdom Movement, and shows clearly that the religion taught by Jesus Christ in the New Testament, did not have it's beginnings, as many teach, in the occult beliefs of Judaism. This teaching has caused much confusion in the Christian world and has caused many dedicated Christians to support those who openly state that their aim is to destroy to Christian civilization. It will answer many questions raised by this apostate doctrine. (196 pages, price $ )

THANK GOD! MY SAVIOR WAS NOT A JEW!

It is another Watchman's voice which down through the ages has been raised against false teachings, which are now universally accepted in the Judeo-Christian church by it's so called purveyors of truth, those who speak from a generally voiceless and stagnant church, which has become the savor less gilt our Master spoke about in Matthew 5:13 and has "lost it's ability to hold back corruption. This book Scripturally and historically slams the door on the false and tainted teaching that our Lord Jesus Christ. His teachings not come from the filthy tainted error of Talmudic Judaism. This is probably the most controversial of Mohr's books. (147 pages, price $7.50)

THE EFFECT OF THE TALMUD ON JUDEO-CHRISTIANITY!

From the time of His birth in Bethlehem, until His death on the cross of Golgotha, Jesus Christ, our Savior and Redeemer, was hated by the Jewish leaders, who recognized Him as a threat to their false teachings and living. The Edomite Jew, King Herod made an unsuccessful attempt to kill Him when He was a baby, and on many different occasions the Jewish leaders tried to trap Him into making seditious statement against the Roman Government. They finally had Him executed on false charges of revolt.

When Jesus began to preach His Kingdom Message, most of the people who heard Him were indifferent, much as they are today. A mere handful believed Him. Even today, as millions gather in His name, to worship, (some have gone so far as to call it celebrating in his name), few meet the requirements to become one of His brothers or sisters. (see Matthew 12:50)

During His earthly ministry, it was the Jewish leaders, the scribes and Pharisees, who were His worst enemies. These Jewish leaders did not follow the teachings of Moses, as they claimed, but followed an occult monstrosity, they acquired in Babylon, known as the TALMUD. Today, Jewish religious authorities call this hideous set of books the heart blood of Judaism. They are so sexually
filthy they cannot be sent by U.S. Mail.

Jesus referred to it as the "Tradition of the Elders", and reserved His most scathing denunciations against those who taught it.

This book reveals portions of this set of 63 volumes which the Jews consider as their Holy Book, that supersedes the TORAH. Very few Christian pastors graduating from Bible Schools, or Seminaries, "will know as much about Judaism as you will, after reading this book. It shows actual, photostatic copies of pages taken from the Soncino (English) edition of the Talmud. It is must to reading if you want to have even a small understanding of Judaism. (227 pages, price $12.50)

FIREARMS AND FREEDOM (Gun Control Means People Control)

This oldie, written over fifteen years ago, is more relevant today than when finest written, as America cannot be taken over by the Zionist/Communist New World Order, until Christians who will fight for their freedoms are first disarmed (52 pages, price $ )

WHAT HAPPENED TO OUR CHILDREN?

This book discusses the present conflict between traditional American Christian concepts of decency and morality, which are being challenged by a heathen concept known as ocular Humanism, which has about taken over our education system, and many of our churches. It proves that the old adage: "She who rocks the cradle still rules the world," is true. (49 pages, price $ )

SALT WITHOUT SAVOR!

It discusses the phenomenon that has taken place in the world, where Christians, to a large degree have gotten away from the Word, and are followers of teachings of men. This has brought about the savor less salt of Matthew 5:13, which is useless in the Kingdom. Scriptural answers to this problem are given. (40 pages, price $2.00)

JESUS, THE ROCK THAT DOES NOT ROLL!

This is an in depth study of Rock music, and how it has infected our youth and the church. It discusses it's Satanic origin, who is behind it; it's purpose to destroy a generation of America's youth. It explains the phenomenon of why White American youth have been attracted to the savagery of heathen music, customs, and even dress. How it has invaded the sanctity of the church. It's importance can be seen by merely turning on the TV, where most of the music comes from this Satanic origin and it has become a major tool in selling miscegenation to White American youth. It will convince you that the outrageous conduct of many of our youth is due to it's Satanic influence, which turns decent White youth into screaming African savages, who forget their God, and civilized decency. It give answers how we as Christians can counteract it's influence. (75 pages, price $6.00)

THE GREAT CONSPIRACY!

An in depth discussion of how International Jewry has taken over the economics of Christendom. It is a fascinating study into the intrigue used by these anti-Christ's to control and ultimately destroy Christian nations, and how they infiltrated the modern church. It reveals facts that are not universally know by Christians. (60 pages, price $3.00)

TO DECEIVE THE ELECT!

This book discusses one of the most dangerous doctrines taught in the Judeo-Christian church, the un-Scriptural doctrine of a Pre-Tribulation Rapture. (The word Rapture cannot be found any where
in Scripture.) It is a Johnny come lately doctrine which was unknown in Christendom prior to 1850, and has emasculated many Christian soldiers, who instead of being on the battle line against evil, are hiding in their comfortable spiritual foxholes praying for Jesus to rescue them from the results of their Christian apathy. It has taken the Fundamental Christian world by storm, as it is a much more pleasant doctrine, than to believe we will have to go through a Tribulation Period. It is an anemic doctrine that absolves Christians from their duty to become the salt of the earth. This book discusses the source of this doctrine and an in depth explanation of it's fallacy, as taken from the Scriptures. (42 pages, $)

**BRAINWASHING - PSYCHO POLITICS!**

A synthesis of the Russian textbook on controlling the thinking of an entire nation, in order to control it. Brought to the United States in 1937, by specially trained agents, it is the handbook of Communist cadres in America, and is the method they are using to take over control of this country, by destroying it's moral and spiritual fiber. It's principles have invaded education, politics, and to a certain extent even the church of Jesus Christ. It is imperative that Christians recognize this danger, in order to protect themselves from it's influence. (55 pages, price $5.00)

**THE PSYCHO?POLITICAL INDOCTRINATION OF AMERICA!**

This book a sequel to "BRAINWASHING-PSYCHO POLITICS" explains how the Talmudic/Communist conquest of America has become successful, as Christians have allowed it to infiltrate the church with it's poison. It reveals the Satanic origin of this philosophy, and what Christian must do to counteract it. (44 pages, price $)

**TO SEDUCE THE ELECT!**

One of Colonel Mohr's latest books, it discusses major branches of Christianity and looks at their weaknesses and falsehoods which have crept in as men and women have abandoned Scriptural truth, for the teachings of men. It examines these weaknesses without apology. (150 pages, price $)

**THE GOG - MAGOG ALLIANCE!**

This is an updated revision of my former book "A CLOSER LOOK AT EZEKIEL 38, 39 as seen by present world events. It is an eye opener as to what is taking place in America's Foreign Policy, as traitors within our government prepare America for takeover by the Zionist New World Order. (64 pages formatted @ 8 1/2 X 11", price $)

**SATAN'S KIDS AND THE GERMAN CONNECTION!**

A Scriptural indictment of International Jewry and documented proof of their enmity towards Jesus Christ and His church. A must for an understanding of what is taking place in the Middle East. (89 pages, formatted 8 1/2 X 11", price $)

**THIS TIME BOMB CALLED ZIONISM!**

This book will answer many questions you have regarding Zionism, the political arm of International Jewry, and their most troublesome. In fact it has become the thorniest problem in the Christian world. Are the Jews, really God's Chosen people, or are they a self chosen people who want to become world dictators? Who will you believe? Your pastor, or your Savior? (John 10:26)

Very soon now, you can expect Judeo-Christian pulpits to preach" We must back the Israelis in their fight against the Arabs, since they are God's Chosen. (To see what they were Chosen for, read Malachi 1:2?4)
This book will be an eye opener, which cannot be refuted as it consists of many documented statements from Jewish leaders, regarding their intentions of destroying Christianity. (88 pages formatted 8 1/2 X 11”, price $7.50)

KNOW YOUR ENEMIES

This was the first book Colonel Mohr wrote after leaving the Fundamental church, and joining the Kingdom Movement. It will explain why he made this drastic move and it's results. He believes essentially the same twenty years later, except for refuting the un-Scriptural Seedline doctrine, taught by some in Christian Identity. THE HIDDEN POWER BEHIND FREEMASONRY!

This book gives an in-depth look into Freemasonry, which is not understood by many of it's members in the Blue Lodge. It is not until a Mason reaches 32° or higher, that he learns the secrets of the inner brotherhood. It is a Satanic part of the Zionist plan for a New World Order, and has tremendous power in politics and law in America. This is not a diatribe against Masonry, but uses quotations from many high ranking Masons to prove this accusation. It is not Christian oriented, as most Christians believe.

God willing there will be more books in the future, I am now working on a revision of my tape series, WHITE ROOTS, which I hope will be available in early 2001
Odds and Ends About....
(Zionists - COMMUNISTS - Socialists AND Assorted liberals! for further Enlightenment!)

by
Lt. Col. Gordon "Jack" Mohr (AUS, Ret.)

"Ye shall know the truth and the truth shall set you free "(John 8:32)

He was a murderer from the beginning and abode not in the truth, because there is no truth in him... He is a liar, and the father of it, " (John 8:44)

ODDS AND ENDS ABOUT JEWS - COMMUNISTS - SOCIALISTS - LIBERALS - THEY ALL COME FROM THE SAME SOURCE - John 8:44 - "Ye are of your father the devil, and the lusts of your father ye will do..."

FROM THE DON BELL REPORTS OF THIRTY YEARS AGO - RACE, RELIGION AND RESTORATION:

RACE is a think of God. "I will put enmity between thy (Satan's) seed and her (Eve's) seed," was one of His first promises: "each shall produce after its own kind," one of His first commandments. And history has proved that man can make many errors and mistakes, fall victim to many faults and sins; yet mistakes can be erased and sins forgiven, and man can yet have another chance. But one mistake can never be erased, one sin will be visited upon succeeding generations for all time to come: that is the sin of miscegenation. Man can recover from the effects of other mistakes - but he can never wipe out or hide the mistake of race-mixing. If there is any doubt of this fact; then look with compassion upon the people of Egypt and India, Brazil and Mexico; nations whose people have reached the "point of no return" in human progress because of the sins of their fathers. In the spiritual sense, there is no difference between Black and White, miscegenated Brown and Oriental Yellow; all are equal before the throne of God (as they should be before a court of law). But in the physical, material, and carnal sense, they are different and separate, each having its peculiar physical and mental characteristics, each contributing to the glory of God and development of man if kept separate, but becoming an abomination if polluted one with the other. Racial purity, therefore, is a thing upon which there can be no compromise. We can look with compassion and charity upon the victims of the sins of their fathers - but we MUST forbid the perpetuation of that sin.

RELIGION is the quality which determines the moral fiber, character, social and economic integrity of a people or nation. Materialists look to government for security; Demo-ologists look to power, prestige and money for security - CHRISTIANS LOOK TO God for security. As in Race, there can be no mixing of these. Under the Constitution and the systems of Colonial government protected in their rights to "seek first the Kingdom of God," and then the greatest riches the world has ever known were added. The trouble began when man began seeking man-made security before he sought God-granted security. This which was a Christian nation, must return to the fundamental, undiluted, inspired and inspiring Christianity of our Founding Fathers, if we are to deserve to survive as an independent, Sovereign Republic.

RESTORATION of Constitution-guaranteed personal and property rights is the third part of our foundation upon which we must build our political counterrevolutionary program. States' Rights is a part of this. So is the repeal of the Federal Income Tax and the Federal Reserve System. So is separation from the United Nations, its agencies and all other International creations of a multilateral agreement. But there is more to Restoration than merely cleaning these barnacles off the hull of the Ship of State. We can't just "clean up," we must "restore."

In other words: if we succeed in cleaning the evil from our governmental home; empty, sweep and
garnish it; we may find seven times more evil creeping in unless we replace evil with good, rather than simply eliminating it (See Matthew 12:43). When evil is taken out, an empty space is left which will be refilled with greater evil; unless we fill the void with positive good.

Our Founding Fathers did not simply wipe out the weakness and evils of the Articles of Confederation. They replaced its evils with positive good.

As political counter-revolutionists today, we face exactly the same situation. We must not just eliminate the corroding evils which have weakened our Constitution; we must fill the empty gaps and rebuild the very foundation of our Constitution; so that greater evils may not creep in to complete its destruction. If we are to wipe out our present vicious and unjust tax structure, we must replace it with a better tax structure. If we are to destroy the Federal Reserve System, we must replace it with a sound, interest-free money system, that will prevent the entry of new and greater evils and so on down the line.

Here are the seven sinful "Isms" of Civilization which must be replaced:

1. - Babylonian usury system
2. - Anti-Christism
3. - Centralism
4. - Imperialism
5. - Socialism
6. - Communism
7. - Zionism - Talmudic Judaism - Judeo-Christianism

COUNTRY THE CRUSADE FOR CHRIST AND RESTS ON THE FOLLOWING TEN-PRINCIPLES

1. Preserve America as a Christian nation, placing God first in all that we do, ever being conscious that there is a highly organized campaign underway to substitute Jewish tradition for Christian truths.

2. Expose, fight and outlaw Communism.

3. Safeguard American liberty against the menace of Fascist bureaucratism. (By Fascism I mean a governmental system led by a dictator having complete power; who regiments all industry, commerce, agriculture, etc., for the benefit of the State rather than the citizens.)

4. Maintain a government set up by the majority which abuses no minority and is abused by no minority. Fight mongrelization and all attempts to force the intermixture of the Black and White races.

5. Protect and earmark national resources for the use of our citizenry first.

6. Maintain the George Washington Foreign Policy of Friendship with all nations who desire to be our friends; trade with all nations who show a desire for this friendship,
having entangling alliances with none of them.

7. Oppose a world government and a super-state.

8. Prove that the Worker, the Farmer, the Businessman, the Veteran, the Unemployed, the Aged, and the Infirm can enjoy more abundance under the true American system than any alien system now being proposed by the foreign propagandists.

9. Safeguard America's tradition in relationship to immigration, and,

10. Enforce the Constitution as it pertains to our monetary system. "If my people, which are called by my name (Christian), will humble themselves, and pray, and seek my face, and turn from their wicked ways.. then will I hear from heaven, and will forgive their sins, and WILL HEAL THEIR LAND," (2 Chronicles 7:14). THIS IS THE FORMULA FOR OUR SURVIVAL!!!

NEGLECTED TRUTH FROM THIRTY YEARS AGO

It is not generally known, but Harry Truman got fed up with the high-pressure he was receiving from the Zionist Jews in Washington, and might have resisted them completely if he had had the political strength and the moral courage to so. Even in his memoirs, Truman said: "The pressure brought to bear on me by prominent Jews was scandalous."

The death of Truman's Secretary of Defense James Forrestal continues to remain a mystery. Technically and legally he was a suicide but there are many ways to murder a man by driving him to suicide, and there is considerable evidence that a scientific and psychological process was used against Forrestal. He was the first man or consequence in the U.S. Government in the years after World War II who had the guts to resist Zionism and warn the American people about what the Zionists were trying to do.

JEWISH WORLD-WIDE CONTROL

The following taken from Eric Butler's THE INTERNATIONAL JEW, P.29. (A quotation from Lloyd George of England): "The boast that Jews as an International force are invincible, was demonstrated during WW I in connection with the aim of the Zionists to establish a Jewish National homeland in Palestine. There appears to be little doubt that, if the British Government, during a desperate and critical period of the war, had not made a bargain with the Zionists, the powerful Jews would have made a bargain with Germany in exchange for support for their aims. Lloyd George, an intimate friend of the Zionists admitted this in THE TRUTH ABOUT THE PEACE TREATIES, Vol. II. he wrote: "The German General Staff in 1916 urged the Turks to concede to the demands of the Zionists in respect to Palestine. Fortunately the Turks were too stupid to understand or too sluggish to move...The Germans were equally alive to the fact that the Jews of Russia wielded considerable influence in Bolshevik circles. The Zionist movement was exceptionally strong in Russia and America..." The support of the Zionists meant a great deal to the war effort."

Page 20, 21: "Mr. Lloyd George, speaking of the actions of the international financiers after World War I, said: 'The International Bankers (Jews) swept statesmen, politicians, journalists and jurists all on one side and issued their orders with the imperiousness of absolute monarchs who knew there was no appeal from their ruthless decrees.'"

Col. John Beaty, in his book THE IRON CURTAIN OVER AMERICA, p.49, says: "...President Wilson was readily won over to a scheme concocted later in another compartment of the British
Government. This scheme, Zionism, attracted the favor of Prime Minister David Lloyd George, who, like Wilson, had with prominent Jews certain close relations, One of which is suggested in the ENCYCLOPAEDIA BRITANNICA article (Vol. XIX, p.4). According to S. Landman in his paper, SECRET HISTORY OF THE BALFOUR AGREEMENT, World Jewry on March 1, 1935, after an understanding had been reached between Sir Mark Sykes, and Weizmann. Sukolov, resolved to send a secret message to Justice Brandeis, that the British Cabinet would help the Jews to gain Palestine in return for active Jewish sympathy and support in the U.S. for the allied cause, so as to bring about a radical pro-ally tendency in the U.S.

According to information given in THE JEWISH CHRONICLE, February 7, 1936, "...certain representatives of the British and French Governments had become convinced that the best and perhaps the only way to get America involved in the war, was to secure cooperation of American Zionists by promising them Palestine. Since President Wilson at that time attached the greatest importance to the advice of Mr. Justice Brandeis (Jew), the Zionists worked through him to get America into the war."

CHICKENS COMING HOME TO ROOST!

It never ceases to amaze me at the thinking of certain Christian people from the Northern parts of the U.S. concerning their relationships with Blacks and their constant criticism of their Southern Christian brethren.

It is expected that the extremists and demagogues of the "left" with their Communist stooges (many of them in the churches), would be very outspoken in their condemnation of Southern customs. They love to speak out about mongrelization, integration and other things which they contend are evil, without ever having come into close contact with any of them. Having been raised in the North, I have lived in the South for the past 22 years. I believe I have the right and the duty to speak out about this tendency.

So-called Northern Christians, who at the drop of a hat condemn their Southern brethren as devils, sinners, and hate mongers because they have a practical and Scriptural notion about how they should live alongside the Black, without intermixing their blood with them, need to take a hard, fast look at what is happening in many large Northern cities.

If the theory of segregation was something which was only being advocated by people with vested and selfish interest, then it could be taken more lightly and condemned without argument; but it is a well known fact, that the overwhelming White population of the South is more gentle, kind, hospitable, and yes, Christian, than their complaining counterparts in the North. I can testify to this from personal experience.

While possibly 90% of White Christians in the South are opposed to integration of the races, and by this I'm thinking of miscegenation, they hold no hatred in their hearts for Black people. In fact, in most areas, where Northern liberal agitators have been kept out, they live at peace with their Black neighbors. They do business with each other. They have employer relationships with each other and they get along well.

They don't have the problems that the Northerners do, when they are forced to live alongside large populations of Blacks, who have been taught that they have the right to be taken care of, by the more productive White population. It would seem that the Northern Christian, who has had experience with the troubles which have come to the "inner cities" since the influx of colored peoples, would be the one's who understood why these problems exist. Instead, they are the first to criticize Southerners, who do not want this to happen in their area.

Everyone of intelligence knows about the great shift in population in the big cities of the North and Northwest. The loose thinking of the White leadership in those areas is now beginning to show drastic results, or to use the old phrase: "The chickens are coming home to roost!" Cities like
Chicago, New York, Cleveland, and St. Louis, not to mention Los Angeles, are breaking at the seams with the hordes of aliens who have flocked in during the past decade. All with extremely unhappy results. If you don't believe this, look at the economic conditions of these cities and the crime statistics. Then have the gall to criticize those who do not want this to happen in their area. SOMEWHERE, SOMETIME, SOMEHOW, SOME IN GOVERNMENT SHOULD LEARN BY EXPERIENCE, RATHER THAN POLITICAL EXPEDIENCY!!!

TWINS OF THE ANTI-CHRIST

Wise patriots will not allow themselves to be manipulated into a position where they will have to take sides with Israel against Russia, or Russia against Israel. We must never forget that both of these movements are anti-Christ and were both founded by ruthless Jews. Mature observers believe that any pretense of conflict between the purposes of Zionism and Communism is merely an act for the purpose of deceiving the Christian world.

Zionism is as completely evil as Communism. The Zionist manipulators are attempting to create the impression that they are America's chief defenders in the Middle East against Communism. This is a fraud and a deceit. We as Christians, must be loud and consistent in our opposition to both Communism and Zionism, knowing that behind the scenes and under cover the leaders of both groups are working together. Don't ever forget that the most prominent Jew of the 20th Century, Rabbi Stephen Wise said: "Some call it Communism: but I call it Judaism!"

* * * * *

GERMAN STRENGTH: Americans of German descent should take heart at this: The German people are demonstrating with hard work, application and traditional intelligence that they are still a strong people. In spite of the efforts of International Jewry to destroy, or at least control them, they are emerging as the strongest nation on the European Continent, much stronger than Britain. We blew up her buildings during World War II, at the urging of International Jewry. We divided her nation. We allowed her sons to be enslaved by the savages of Jewish Communism. We permitted the Communist armies to overrun and invade her land, raping her daughters and slaughtering all who stood in their way of rapine and plunder. We wiped her national capitol virtually off the face of the earth. We subdued her defeated people by sending hordes of Jewish bureaucrats to pour salt in her wounds. We violated the moral code of all time by slaughtering her soldiers following the farce of the Nuremberg trials. Yet in spite of every effort by the anti-Christ, Germany, like the Phoenix, is rising from the ashes of defeat as the most progressive, vital and dynamic nation in Europe. For this we should thank Almighty God!

* * * * *

HERZL: For the benefit of the "lefties," "softies," "sentimentalists" and other varieties of blind citizens, I would like to call attention to the words of Theodore Herzl, the founder of the World Zionist Movement. In a book written by Ludwig Lewisohn, entitled THEODOR HERZL,, the following alarming quotation is found on page 250: "When we (Jews) sink, we become a revolutionary proletariat, the corporals of every revolutionary party; and when we rise, there rises also our terrifying financial power." A WORD TO THE WISE SHOULD BE SUFFICIENT!

* * * * *

INFLTRATION: Closing the barn doors after the horse is stolen may do some good, but it is rather impractical as it relates to the horse which has been lost. It may create an impression which will keep the owner from losing another horse, but its too bad that the discovery of the unlocked doors did not come before the horse was stolen, not afterwards.

This simile could be applied to our Foreign Policy. There was a time when our Legislators were concerned with enemy infiltration into this country and we had an organization called the
INTERNAL SECURITY COMMITTEE, which did a fairly good job in keeping them under
observation.

However, in recent years, it seems that as Zionist control over Washington has tightened, it has
become unpopular and downright dangerous for politicians to take a stand on the side of National
Security. We know the Communists have made vigorous and sustained efforts to infiltrate the Jewish
controlled media and entrench their members in all forms of mass communications. We know they
have moved into our school system, especially in the institutions of higher education. We know they
constantly hide behind the cloak of the First and Fifth Amendments. Yet when our FBI stated in
1983, that they knew of over 100,000 enemy agents within the United States, they did nothing about
it except keep them under surveillance. Yet when a small group of extremists, like the ORDER in
Washington, or the CSA in Missouri come into the limelight, they are splashed all over the media,
for weeks on end. Why is it that the American people have never heard about the Communist agents
within our country. Are our spineless Congressmen afraid of causing "ripples in the diplomatic
pond," or is it that our Zionist controlled government doesn't want our people to know the truth?
Our Government admits now that we made a bad mistake when we armed the Soviets 45 years ago
and gave them our technical secrets; why then are we doing the same thing with the Red Chinese?
HAVE WE NO MEN OF INTEGRITY IN WASHINGTON?

BRAZEN PROPHECY

Have you ever wondered at the brazen presumptions of some people? For instance there was this
dispatch out of Chicago a number of years ago by Rabbi Louis Binstock of Temple Sholom. At a
convocation at the University of Rhode Island he stated: "Communism is here to stay, it is likely to
change, but it will not explode or crack as some wishful thinkers like to hope.

"The fact of communism exists but what the different countries do with communism is important to
the civilized world."

* * * * *

This statement was made by General George Van Mosley, concerning issues in Washington, D.C.
thirty years ago. It certainly applies today: "Over nineteen hundred years ago, a divinely inspired
Man walked upon this earth. If He had come to us today, He would have found a nation living gaily
beyond its means, both nationally and individually, a nation almost completely controlled both
economically and politically by the money changers. Had He attempted to instruct our people and
turn them away from their downward course, He would have been silenced and destroyed just as so
many patriotic Americans have been silenced and destroyed during this present day tragedy.

"Christ found a replica of those conditions in His homeland. He labored unceasingly for the
redemption and salvation of His people. But nothing could have saved Him after He drove the
money changers from the temple. The Pharisees and Jews demanded His trial. But Pilate could find
no guilt in Him: It was the custom of the Roman government, for the purpose of the conciliation of
the Jews, to release one Jewish prisoner at the yearly Passover. A word from the mob could have
saved the life of Christ. Instead they cried out: "Give us Barabbas (a condemned robber and
murderer) - CRUCIFY HIM, LET HIS BLOOD BE ON OUR HANDS FOREVER." And so Christ
carried His cross to His crucifixion.

"This highly important historical fact should be of vital interest to us today when similar mobs are
demanding the release of traitors and criminals while just laws, written for our protection, are so
often and brazenly broken.

"The cry 'GIVE US BARABBAS' was heard around the world when the same old mob appealed for
the exoneration of the Rosenbergs. It has been heard for the release of every convicted traitor and in
support of those who are undergoing investigation for trial. (It was heard recently, in all its
stridency, when a Jew was found guilty of spying for Israel and our Government let the Israeli slip
by without trying him.)

"These demands come from the professors, ministers and liberals, seeking not only the pardon of traitors (mostly Jews) found guilty of treason, but those groups go further. They not only cry for the release of Barabbas, but they demand the repeal of the laws under which traitors are tried. It was J. Edgar Hoover who said: 'I confess to a real apprehension as long as communists are able to secure Ministers of the Gospel to promote their evil work.' (It is a known fact, that over 50,000 Communists went into the pulpits of America, through such liberal organizations as the Union Theological Seminary of New York- ED).

"Every informed person knows that the Jews are the instigators and leaders of communism. The evidence from Jewish sources is conclusive and to the point. The American people are not told the truth of the situation in such places as Poland. While these nations want their freedom from the Soviet Union, the thing they have been fighting is rule by Jewish officials.

"How strange it is that the problem of the Jew cannot be discussed on the floor of either the House or Senate. It is the greatest problem before the world today because the Jew has infiltrated into every phase of world affairs, and he is behind the throne of every government. There can be no peace in the world until this problem is brought squarely into the open and frankly discussed and settled for all time.

"With all the evidence before us, why should we allow Zionist Jews to infiltrate throughout our Government? They are being appointed to vital posts where they can be a leading part in the active revolution when it comes. Our people have short memories. As we view the world today, let us remember the words of Stalin when he said: 'I consider that the Communist Party in the United States is one of the few communist parties to which history has given decisive tasks from the point of view of the world revolutionary movement. The revolutionary crisis has not yet reached the United States, but we already have knowledge of numerous facts which suggest that it is approaching. It is necessary that the Communist should be capable of meeting the moment of crisis, fully equipped to take direction of future class wars in the United States. You must prepare for that, Comrades, with all your strength, and by every means; you must constantly improve and Bolshevise the American Communist Party. You must forge real revolutionary leaders of the proletariat, who will be capable of leading the millions of American workers towards the revolutionary class war.

"If this problem is not faced and solved by proper governmental actions, the peoples of the world will one day be driven to solve it for themselves, and it will be a sad day for the Jew. No Genocide Treaty will protect them when courageous citizens finally act to rid their respective nations of these inhuman pests." SIGNED: Gen. George Van Horn Mosley. How many Christians do you know, who even care about the Jewish infiltration of our government and schools? Most of them think of the Jew as God's Chosen, who must never be criticized!

A NATIONAL SYMPTOM

Most Jewish leadership is emotional, irrational and un-philosophical. A Jewish public official, such as a Congressman, or a public figure such as a Rabbi, or a prominent businessman can discuss almost any subject and seem to be calm and judicial in his approach until it comes to his racial aggressiveness, anything involving so-called anti-Semitism, or anything involving Zionist ambitions. Then it is that the public individual, regardless of how calm he seems to have been before, becomes irrational, bitter, emotional, nasty and vindictive. There seems to be a minority of Jewish leadership which recognizes the dangers which can grow out of this highly charged emotional situation. Such irrational attitudes can produce natural reactions among the goyim and Christian goyim in particular. (The brainwashed "sheeple of Judeo-Christianity," are never bothered by this nasty Jewish attitude.)

Well known Jewish leaders have called on their fellows for temperance. They suggest that while
Americans of Jewish faith have a religious heritage in Israel, they should not meddle in the political affairs of this country. One of them, a Major General in the Army said: "Americans of Jewish faith realize that their first concern is the United States, and should Israel ever adopt a policy detrimental to American interests, strong action will be taken." Here a Jew recognizes this basic fact, yet the preachers in our evangelical and fundamental churches can't seem to get it through their heads, that the Jews are just what Jesus Christ called them, "Children of the devil," who will do the lusts of their father Satan. (John 8:44).

**BRITISH CRISIS**

Two Jew-promoted world wars have been responsible for the destruction of the British Empire as such. The first World War was the result of Jewish manipulation in favor of their ambitions in the Middle East. The second World War was the result of Jewish manipulation of the defense of Communist Russia and in defense of the Jewish population of Europe. Out of these two "real holocausts," have come an impaired British Empire. The British lion has lost most of her teeth. Her Empire is shrinking. Her international trade has been shrinking. Her domestic economy is menaced. While this is happening, Britain is swamped by aliens from a completely different culture and background, who are destroying the few remaining traditions of Britain's greatness.

As a result of this situation, the visa offices in Britain are crowded by young men who are trying desperately to get out of Britain, and into Canada, Australia, and New Zealand, where the same problems are shaping up.

* * * * *

**SMOTHERED HISTORY**

Rudolph Hess, the German diplomat came to Britain in 1940 to try and make peace and was found "not guilty" by the International Military Court at Nuremberg of committing war crimes; yet he was sentenced to life imprisonment for "plotting against the peace." His chief accuser was the Soviet Union who charged that Hess did not try and stop Hitler's invasion of Poland in 1939. Isn't this interesting, seeing that the Soviet Union invaded Poland from the East. This fact alone will go down in history as one of the most "barefaced" mockeries of justice ever seen.

Since then, a disclosure of the German Foreign policy Documents shows that the Duke of Windsor sent a personal telegram to Hitler six days before the outbreak of the war, urging him to use his influence to preserve the peace. Hitler replied with a telegram on August 27th which stated: "You may rest assured that my attitude towards Britain and my desire to avoid another war between our peoples remains unchanged." The absurd guarantee given by Great Britain to Poland to go to her help if attacked by Germany was impossible to implement and war was inevitable.

But Hitler was wrong when he suggested that it depended on Britain whether there would be war or peace. Neville Chamberlain admitted in a conversation with James Forrestal, the American Defense Secretary, that "the world Jews forced England into the war," as disclosed in the Forrestal Diaries. Isn't it strange how history repeats itself?

**BIBLES BURNED**

Did you know that during World War II, a move was started to place a Bible in the hands of every American soldier in uniform. The official Jews put up quite a howl because of a certain verse in the Bible that referred to them as "children of Satan." In case your pastor never read this verse in your church, it is found in John 8:44 and is Jesus speaking to the Jewish leaders. lie said: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: "for he is a liar, and the father of it." (John 8:44).
President Roosevelt yielded to Jewish pressure and over a million Bibles were burned by Governmental order:

NEWS FROM LONDON

The newspaper GOTHIC RIPPLES carried the following dispatch: "The biggest trek in Jewish history is now taking place. They are moving by the thousands from the East to the West and into the State of Israel. (Most of them are coming to the Promised Land, the United States - ED). This movement is going on under the cloak of "refugees." Two things are clear however. They are not fleeing some form of Soviet anti-Semitism, because in spite of what we hear, the Iron Curtain comrades are still under Jewish domination. They are not moving because of the possibility of an atomic war, since if that happened, not even Tel Aviv or New York would be safe. Could it be that they are beginning to realize that they are no longer safe behind the Iron Curtain? that the collapse of Communism, if it comes, would see a turning by an enraged gentile population against the secret Jewish police which have harassed them for so long? Among these refugees, therefore, are the worst types of Communists - ready to bring Bolshevism to any country which gives them adoption.

Covering the real reason for the vast movement of Jews is the smoke screen of the press, which is always talking about "anti-Semitism" in Russia. This anti-Semitism is confined to a quarrel between the Atheistic and Communist Jews of the U.S.S.R. and the so-called "religious" Jews. A few years ago, books from Russia were banned in Israel, because the censor said: 'Soviet Jewish writers have published books attacking Zionism as a narrow, racist and religious doctrine." ENOUGH SAID?

STEPHEN FOSTER A "HATEMONGER"

Whoever dreamed that the day would come in America when we would not be permitted to sing the beautiful folk songs of Stephen Foster. Today, because of the influence of the "mongrelizers" and the "demagogues", certain beautiful folks songs cannot be sung, because they use words such as "darkies," "massa," and "mammy" which they say does an injustice to the Black people. Where such words appear, they must be deleted.

I guess that if Stephen Foster, one of our greatest American song writers was alive today, he would be smeared by the Anti-Defamation league, his name would appear in their black book, and he would be advertised to the "dummies" of America as a "hatemonger" and "bigot."

GOD HAVE MERCY ON THE SOUTH!

I love the South. I was not born here, but I have lived here for the last 22 years and am a sympathetic citizen of the South.

Forty million white people in the South are being "crucified", "burned at the stake," "smeared", and "trampled on." Whatever is necessary to make others believe they are bad, nasty bigoted people is being done.

Never in the history of our nation has the Jew-controlled propaganda machine of the instruments of communication, including the press, radio and television, been so ruthless in destroying and subduing an important segment of our citizenry. Nothing like it has happened since the days of the Reconstruction.

"We face a disgraceful situation of a few' demagogues, financed largely with Jewish money, as they mobilize millions of Black votes in the large Northern cities, not for the benefit of the American people, but so that they can subdue the white majority in America.

"I am disappointed in the South - no more so. say than in the West or the North, but in the way the
South has dealt with this betrayal of American principles. They have produced no dramatic or
dynamic leadership for the most perilous moments of our existence.

"Instead, we see softness and vacillation among large numbers of the clergy and vacillation among
church bureaucrats. We see Congressmen and Senators who are indulging in double talk for fear
they will lose some pork barrel legislation and will not be re-elected. We see Senators from
Tennessee, Texas, Mississippi, Georgia and others, as they hold back, indulging in two-faced
statesmanship for fear that their ambitions for the Presidency may be hurt, or that their personal
ambitions might be imperiled.

We have seen the "statesmanship of which the South was once proud, replaced with a degrading
chickenship." We need young men and women in government, who are proud to be Southerners and
who are willing to stand up and be counted, no matter what the cost. We need men and women who
will make no compromises with evil or evil men. Who will stand foresquare for the rights of the
races to be separate. I am disappointed that the South has not produced such leadership in the
twenty plus years I have lived here.

God give us men and women. In the North, in the West, in the South - (there is little chance for this
in the East, for they have been in a state of decay for too long.) Men and women who are interested
in the welfare of America before that of the Israelis. Men and women who are interested in
what is best for America, before the wants and demands of the Cannibal Debating Society we call the
United Nations. Men and women who are interested in bringing America back to God, rather than
in "doing their own thing." Men and women who are free from the fear of Zionism and
Communism and the other Satanic isms which are attempting to destroy America. GOD GIVE US
STRONG HEARTED MEN AND WOMEN!!!

ROTTEN WORDS - THE ART OF THE PROPAGANDIST

One of the biggest problems we face today is that words have often changed their meaning. Ask
most anyone a question pertaining to a moral issue and you are apt to receive an answer something
like this: "If you had asked me that twenty years ago, I would have said it was wrong; but now I
don't know, times change you know." These people have forgotten that "right" and "wrong" never
change, any more than the Laws of Gravity. So let's examine a few words and see what they mean
to you:

BROTHERHOOD: Every true Christian should believe in Brotherhood. It is a Christian term
which originated with our founder, Jesus Christ. But the word as it is being used today by
demagogues, agitators and anti-Christians would lead us to believe that brotherhood is a state of the
flesh; that we are all blood-brothers. According to New Testament logic, this belief cannot be
supported. If men of different nationalities can become brothers by the act of birth, then we have the
implication of fatherhood without God. The New Testament teaches that men cannot be brothers
without a common father and Jesus said: "No man cometh unto the Father but by me..." The use of
the term brother, without the implication of Christian faith is false.

NEIGHBOR: Propagandists, mongrelizers and overeducated clergymen use the term, "Thou shalt
love thy neighbor as thyself." These words are true. They were originally uttered by our Lord. He
used the Parable of the Good Samaritan to explain this and as you will remember, the Samaritan had
only one neighbor and that was the man who helped him. The Priest certainly wasn't his neighbor
and neither was the Levite. I believe we are to look on all humanity with compassion but when it
comes to loving someone as you do yourself, Jesus used the beautiful word, "neighbor." For any
preacher, teacher, or politician to tell us that we must love everyone, regardless of their character or
state of life, is to inspire hypocrisy and make our religion look ridiculous.

PEACE: This magnificent word has been spoiled by the "saps", the "sentimentalist," and the
"cowards" as well as the enemies within our gates. It is possible for a dying man, lying in a mud
hole to be at peace. Fundamentally, it is a Christian word which means a proper relationship with
God. There can only be one true peace and this is when you are in proper relationship with your
Maker. Substitutes for this "peace" are offered by drugs, hypnotists, psychiatrists, sex, you name it
as well as by frothy and superficial preachers. They give us mental exercises to develop peace by
making us forget our responsibilities. The very foundation of psychiatry is based on the
presumption that you can have peace, when guilt is removed. So they justify sin in the lives of their
patients by saying: "You should feel no fear; you have done no wrong!"

In the realm of politics and statesmanship, peace has been defined as the "cessation of military
hostilities." But propagandists for a false peace would have us give up our principles to a bunch of
blood thirsty one-worlders, no matter how many millions would die in the aftermath. Peace at the
sacrifice of principle is not peace. Peace in the form of an opiate is not peace. A pacifist is not a
lover of peace; he is merely someone who has compromised with his enemies.

**FORGIVENESS:** The Bible teaches us: "Forgive us our sins as we forgive those who sin against
us." The implication is mighty clear. God does not forgive us our sins until we ask Him to do so.
Soft and sloppy interpreters of this Scripture want us to forgive our enemies who despitefully use us
without any function on their part. This is impossible. No man can forgive an enemy unless that
enemy first asks for forgiveness. Even God cannot forgive us, until we petition Him to do so.
Penitence is the foundation of forgiveness. Without penitence, there can be no forgiveness. To claim
forgiveness without repentance is to risk the impression that the exponent of good has justified evil.

**EQUALITY:** This is the slogan of the hypocrite. It is to create the impression that for a person to
excel at anything is undesirable and that superiority is unworthy. The Founding Fathers and the
patriarchs of American statesmanship never introduced the word of equality in the sense that an
idiot, or a wallowing drunk, or a moron, should be considered the equal with a person of
conscience, intelligence and accomplishment. God taught us to love with compassion all mankind.
But His teachings do not justify the barking demagogues and the whimpering sentimentalists and
the unrealistic clergy who use "equality" as a trick for seducing the inferior. Equality under the law
should never be used to change this tradition. For example: The law states that 55 mph is the speed
limit. This should apply to everyone who drives on the highway, to the humblest as well as the most
exalted individual in the community. When they are haled into court, after exceeding the speed
limit, there should be no such thing as one fine for the prominent man and another for the humble
man. That is what we mean by "equality under the law."

**DISCRIMINATION:** A few years ago the word "discrimination" was an honorable word. "When
you said that someone was a "discriminating man," it meant that he understood the difference
between good and bad, between the beautiful and the ugly, between right and wrong. It was
considered a symbol of refinement.

Today it has been spoiled by the "word twisters. "If the mother of a family tries to select her
children's associates on the basis of their cleanliness, character and refinement, she is called a
"snob", or "undemocratic."

Discrimination should still be a beautiful word, for it gives you the option to choose between that
which is "lovely and of a good report", and that which is "sinful and ugly."

**LOVE:** The New Testament devotes an entire chapter to the definition of love. Jesus Christ is the
personification of love. There wasn't one act in the life of Jesus that was "sappy," "soft", "sissified"
like our present definition of Love. While Jesus personified love, He lived a life of vigor, virility
and fearlessness. He knew how to express indignation and anger. What would the sappy-sentimental
preachers of this day do if Jesus were to return and tell the Jewish leaders: "You are of your father
the devil?" They would be the first one's to cast Him out of their church! He would be arrested,
hailed before a court and the A.D.L. would label him as an "anti-Semitic bigot."

Special peddlers of love would try and teach us that we are supposed to love everything, no matter
how evil, ugly, filthy, or treasonous it may be. But true love can never be spoiled by these
"spoilers." When crude and unholy manners, and animal affections and base sex is defined as "love" it is one of the most blasphemous misrepresentations of this magnificent word.

**HATE:** Hate cannot exist without love, and love can-not express itself without hate. Love defines the values to be treasured and hate manifests ones opposition to

**The End**
In Romans 9:6, 7, the Apostle Paul states: "... For they are not all Israel, which are of Israel; neither, because they are of Abraham are they all children: BUT (because of this) IN ISAAC SHALL THY SEED BE CALLED." (Emphasis added.)

There is only one race of people in the world today, who are named after Isaac. They were once called "Sacae," then "Sacs Sons," then "Isaac's Sons," and are now known as "Saxons," or "Anglo-Saxons."

Yet, without exception, when a statement such as this is made, in such an unequivocal manner, many brainwashed Christians will cry "prejudice," or "unChristian pride." Isn't it strange, how these same people are willing to allow their worst enemies to steal their "birthright" and assume the name of God's Chosen People, which rightly belongs to them?

Whenever the term Anglo-Israel is used, many churchmen, especially those in the fundamental field, will immediately undertake to refute Scriptural proofs which prove that the white, Anglo-Saxon, Celtic, Germanic and related peoples, are the true Israel of God and instead will vehemently assign this role to those who hate Him most.

While Israel was lost in Biblical history and was not mentioned as a people after their deportation to Assyria about 726 B.C., they can still be traced through secular history and by some obscure references in the New Testament.

In 2 Kings 17:20, we read: "And the Lord rejected all the seed of Israel, and afflicted them, and delivered them into the hands of spoilers, until He had cast them out of His sight." (Notice this came after the division of the Israel nation into the two parts of Judah and Israel). Now notice closely in verse 21: "For He (God) rent Israel from the house of David." Then verse 23 - the Lord removed Israel out of His sight, as He had said by all His servants the prophets. So Israel was carried away out of their own land to Assyria, unto this day."

From this point on, there is no more reference made to them, except for some hints in the New Testament, such as the one found in John 7:34, where Jesus speaking to the Jews, said: "Ye shall seek me and shall not find me, and where I am, thither ye cannot come. Then said the Jews among themselves, Whither will he go that we cannot find him? Will He go unto the DISPERSED AMONG THE GENTILES, and teach the Gentiles?"

In James 1:1 we read: "James, a servant of God, and of the Lord Jesus Christ, to the TWELVE TRIBES WHICH ARE SCATTERED ABROAD, greetings." So it appears, that at this time, the Jews knew where Israel was located.

Peter in his First Epistle addresses it to "the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia and Bithynia." This indicates that many Israelites had not remained in Assyria, but had migrated north and west, into Asia Minor and even Europe.

The renowned Jewish historian Josephus, in his monumental book THE ANTIQUITIES OF THE JEWS, mentions a great horde, without number, beyond the Euphrates. So it was recognized, that Israel did exist at that time.

Yet today, when historical proofs of Israel Identity; of their migration to Europe and the British Isles and their tie-in with the people we know as Anglo-Saxons; when these are made; when they are shown to be consistent with Old Testament prophecies, immediately the cry is raised by fundamental scholars, that these are mere coincidences or similarities.
It seems strange indeed, that while these men are willing to accept the evidence and testimony of the Old Testament Scriptures, which were completely fulfilled in Jesus Christ, yet for some strange reason, they refuse to accept these same requirements when it comes to Israel and insist that she has disappeared from the earthly scene and cannot be identified. Then to complicate matters, they insist that God's greatest enemies, the "pseudo Jews" of the Twentieth Century (see Rev. 2:9; 3:9) are the Chosen People of God and that we must give "blanket approval" of their actions, no matter how evil, they may be. (This has been the stand of such men as Dr. David Webber, Jerry Falwell, and Jack Van Impe.)

So I am going to make an appeal to you as intelligent Christians and use the same arguments the Apostles used to prove that Christ was indeed the Messiah. Peter's entire sermon on the Day of Pentecost, was based on proofs from the Law and the Prophets. (See Acts 2:14-36).

First, let's look at the prophecies concerning our Lord and see how they are so strong that they will hold up in any court of law. Then I will go on from the same source, to prove to you, if you are honest enough to listen and check in your Bible, that the Anglo-Saxon race, are indeed the Israel of God. I do not ask you to accept what I say. I do ask that you will be honest enough, without any prodding, or coaching from your pastor, to see what God's Word has to say; then base your decision on this. Could anything be fairer?

The Prophet Micah (5:2) said: "But thou Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall He (the Messiah) come forth unto me, that is to be the ruler in Israel . . ." About 710 years later, in Matthew's account (2:1) we read: "Now when Jesus was born in Bethlehem of Judea . . ." then in verse 6, he quotes the exact prophecy given in Micah. This of course is proof, if you are willing to accept it.

In Hosea 11:1, we read: "Out of Egypt will I call my Son." In Matthew 2:14, we read the account of how Joseph "... took the young child (Jesus) and his mother by night, and departed into Egypt." Then note verse 15: "... that it might be fulfilled which was spoken of the Lord by the prophets saying, Out of Egypt have I called my Son." As a Christian, you accept this prophecy, since you know it was fulfilled 740 years later in Judea. The account of Matthew is historical proof that Jesus was indeed the Christ.

The prophets bore witness many years before His birth that He would be called a Nazarene and we have the witness of the Holy Spirit in Matthew 2:23, that this happened. You say you believe this. It is but another witness in the chain of evidence which proves Jesus to be the Christ.

The Prophet Zechariah (11:12) said that a monetary value would be placed on the life of our Savior: "... so they weighed for my price, thirty pieces of silver. About 490 years later this prophecy was fulfilled as related in Matthew 27:3, when he wrote: "Then Judas, which betrayed Him, when he saw that He (Jesus) was condemned, repented himself, and brought the thirty pieces of silver to the chief priests and elders, saying, I have sinned in that I have betrayed innocent blood." You say you believe this is another link in our chain of proof that Jesus is the Christ.

The Psalmist in (34:20) tells us: "He keepeth all His bones; not one of them is broken." You believe this ties in with what the Apostle John tells us about the crucifixion, when he writes in John (19:36) "For these things were done that the Scripture should be fulfilled, a bone of Him shall not be broken." We know how the account says that His side was pierced with a spear, while the two who were crucified with Him had their legs broken, as was the custom. You believe, and rightly so, that this was another link in our chain of proof.

When the Psalmist said (22:18) "They parted my garments among them and for my vesture they cast lots," we believe the account of Matthew 27:35 which tells us this was fulfilled at the crucifixion.

But if we were to use the reasoning of those who refuse to accept the testimony of prophecy concerning Anglo-Israel, we would say: "These things were all mere coincidences."
We could go on and on with prophetic proof that Jesus was indeed the Son of God, and the promised Messiah. These prophecies foretold not only His birth, but His life, His ministry, His death, resurrection and His coming again. You say you believe them, because they are in. the Book. You say: "These are irrefutable proofs." Put them all together and you have proofs which will stand up in any court of law.

But now I want to find out if you are consistent in your belief in the Word, for I am going to show you another side of the prophetic coin and turn to prophecies concerning the house of Judah, and particularly that branch represented by the Jews. I want you to remember, that a very large percentage of the people we now call Jews, have absolutely no Abrahamic blood flowing in their veins. One striking example of this can be found in Esther 8:17 and I'm sure none of my readers would say that the black Jewish singer, Sammy Davis, Jr., has Abrahamic blood flowing in his veins. This is also true of the vast majority of the Israeli in Palestine, whose descent is from a Turco-Mongolian tribe in Western Russia, whose ancestors never set foot on Palestinian soil.

Certain judgments have been pronounced against this people and their fulfillment is proof of their legitimacy. They were to have been dispersed among the nations and would be very few in number. Listen to Jeremiah 17:4 - "And thou, even thyself (speaking specifically about Judah), shall discontinue from thy heritage, that I gave thee; and I will cause thee to serve thy enemies in the land which thou knowest not: for ye have kindled a fire in mine anger, WHICH SHALL BURN FOREVER." (The Hebrew word for "forever", is "olam", which means "for eternity.")

The prophet Isaiah predicted that the name of the Jews would be left for a curse and that even their facial characteristics would be a witness against them (65:15) "And ye (Judah) shall leave your name for a curse unto my chosen; for the Lord God shall slay thee and CALL HIS SERVANTS BY ANOTHER NAME." Then in (3:9) "The shew (expression) of their countenance doth witness (testify) against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul, for they have rewarded evil unto themselves." Is it mere coincidence that true Jews have a special look about them which has been called "the Jewish look" and that they are hated everywhere they go, not because they are God's Chosen, as Evangelist van Impe says, but because of their wickedness? Common sense would tell you that this is a fulfillment of prophecy, just as much as any of the proofs we gave concerning Jesus Christ.

As you consider this, then why in the name of common sense, should we not accept the evidence of history and prophecy, which proves beyond the shadow of a doubt that there are other prophecies, which do not refer to Christ, or to Judah, but which concern her sister nation Israel, and Israel alone. If the evidence of the prophets is accepted in the case for Christ, then in all honesty you must also accept it in the case for Israel. This being true, then to be honest, we must place the same value on the same kind of evidence which proves the identity of the house of Israel. If we refuse to accept the evidence of Scripture as to the identity of true Israel, then we cannot in all honesty accept the same evidence concerning Jesus Christ.

God declared that the house of Israel, distinct from the house of Judah, would become a "nation, and a company of nations: as the sand by the sea shore, innumerable," (Gen. 35:11). (This could not possibly have a literal meaning, since all the people in the world could not match the sand. It has reference to a very large number and could not possibly mean the 17 or 18 million Jews who claim to be true Israel. The Jews are under a parallel series of prophecies, which condemns them to be few in number,) (Jer. 15:7).

When we survey all nations and peoples, who are living today, only one group meets this Scriptural criteria. This is the Anglo-Saxon, Celtic, Scandinavian and Germanic people, who are not only many related peoples, but who number well over 600 million people. Argue as you will; search as you may; get angry if it helps, but you can name no other such group.

Why is it that white Christians, especially those in America, refuse to accept the evidence of Scripture and instead are led astray by false teachings?
Our Founding Fathers believed we were Israel. When they arrived in this country they called themselves: "the seed of Abraham, God's servant, and the children of Jacob His Chosen." They used the old Israelite word "led," instead of saying "driven," when they spoke of their journey to the New World.

Their stormy passage over the Atlantic was speeded by the great Israelite texts and they braced themselves for trouble in the unknown wilderness with the great Israelite promises. They kept their new colonies free from blood and crime by following the council of Moses, the Lawgiver of Israel. They allotted their land as Israel had.

There are just too many parallels between the ancient Israelites and America to be mere coincidence. When ancient Israel moved out of Egypt, they moved from one Continent to another, as did our forefathers. In a Free Convocation of its citizens at Sinai, they voted unanimously to accept God as their leader (Exodus 24:3).

Our Founding Fathers aboard a little ship called the Mayflower, on November 21, 1620, called a convocation which began with these words: "In the name of God, Amen! We whose names are underwritten, having undertaken FOR THE GLORY OF GOD, and the ADVANCEMENT OF THE CHRISTIAN FAITH, a voyage to plant the first colony

With faith like this, it was no wonder they could sing:

"Ye chosen seed of Israel's race,
Ye ransomed from the fall.
Hail Him who saves you by His grace,
And crown Him, Lord of all!"

The Jews have never been able to sing such a song!

Why is it that their children refuse to accept this marvelous heritage? Is it that we refuse to accept our responsibilities as the "servant race" ordained by God to take His Kingdom message to the world? Is it that we do not want to demonstrate to other nations the perfection of God's Laws? Or is it like the lady who said: "What difference is it to me whether we are Israel? I'm saved and that's all that matters. You see I'm not of this world. My home is in heaven." What utter hypocrisy! If I were to come to you as a Christian and tell you that you had become heir to a vast fortune, would you throw it away because you were saved? Of course you wouldn't. The high calling of Jesus Christ is not just in accepting Him and building a Christlike character, but it is to be thoroughly furnished unto every good work. It is not just to take the Gospel to every creature in obedience to the Great Commission, but to preach the Gospel of the Kingdom, so that God's Kingdom might come on earth as it is in heaven. That is what He told us to pray for, (Matthew 6:10). The Kingdom of God on earth; that which was lost in Eden, and which will be restored by Christ; that was the theme Jesus preached. It was a message for the individual also.

So let's spend a few minutes looking for Scriptural identity and see who fits its description. The face may not be Jewish, for the Kingdom was taken from them; it cannot be Hebrew; the cult may not be Mosaic. For centuries, God's Word has announced specific signs by which the Ten Tribed Kingdom of Israel would be recognized in the latter days. There are more than 200 Scriptures which attest to this, I will mention only a few.

1 - The Word of God says that true Israel will become a powerful nation (see Micah 4:7; 5:8). The Jews, since the time of Solomon (when they were not called Jews), have never been a powerful nation. Even Solomon's kingdom only covered a small portion of the then known world. But the Anglo-Saxon peoples have spread abroad and made their influence felt around the world in Europe, North America, Africa, New Zealand and Australia. Certainly they have become a "great nation, and a company of nations."
Jews never have.

2 - Israel was to possess the gates of their enemies (Genesis 22:17). Until recently, the Anglo-Saxon nations were in control of all the great water gateways of the world - Suez, Gibraltar, the Cape of Good Hope and the Panama Canal.

3 - Until we allowed our country to become overrun by aliens and have come under alien Jewish control through the United Nations, we never lost a war, (see Isaiah 17:14; 41:12 & 15).

4 - The Anglo-Saxon and related nations have been the strongest in the world, since the collapse of the Roman Empire, this is in accordance with the prophecy

5 - The British Commonwealth, our "Mother nation," of Isaiah 41:8, 9, has had colonies around the world. These were of immense size, as predicted in Isaiah 54:1-3; 58:12. The Jews have never had any colonies.

6 - We have held possessions which have formed a great girdle around the anti-God Gentile nations.

7 - Our mother nation, from its beginning, has been a Christian monarchy (Numbers 23:21). But since the time of the Babylonian captivity, the Jews have had no king.

8 - The Anglo-Saxon nations have been the wealthiest in the world, in accordance with God's promise to Israel, (See Deut. 28:1-14; Isaiah 60:16). The present Jewish state of the Israeli in Palestine, is poor by comparison. Its leaders admit that it could not exist without the generous help of the United States. (Over one-third of our foreign aid now goes to Israel, yet they have the highest inflation and tax rate in the world and would collapse within a short time if we were to withdraw our aid.) This hardly seems like the nation mentioned in Deut. 28.

9 - We, the Anglo-Saxon nations have lent to all nations, many times to our own hurt, but we have borrowed from none, see Deut. 28: 1-14. (Speaking as a nation.)

10 - We alone of all nations have followed the "God-given" system of just weights and measures as found in Leviticus 19:36.

11 - Our great Israelite nation (company of nations) have been known as Christian nations, that is why we are called Christendom; we have been redeemed from the curse of the old sacrificial ordinances, through the death of our Messiah, Jesus the Christ (See Isaiah 45:17; 48:20).

12 - Our peoples have been the chief missionary force in the world, carrying the Gospel of salvation to the uttermost parts of the world. We have distributed more Bibles, sent more missionaries, built more churches, have more people who worship God, than all the rest of the world combined. Why? Because God predicted in Isaiah 49:6 - ". . . I (God) will give thee (Israel) for a light to the Gentiles, that thou mayest be My salvation unto the end of the earth." How in the name of common sense, can you place the Jews in this category? They just don't fit!

13 - Our people for the most part are a Sabbath keeping people, both nationally and by Law. The Jewish element in our country has done more to destroy this, than any other
group. They are the ones who have destroyed our honoring of the Lord's Day, Christmas and Easter, by their crass commercialization of these days. Yet today, all over the Anglo-Saxon world, this day has been set aside as a special day; many of our people may not know its significance, yet we still honor it according to God's plan.

14 - We are the only people in the world, who are known by their fathers' name. No matter whether you are willing to accept it or not, the fact still remains that the word "Saxon," means "Isaac's sons."

15 - The Anglo-Saxon peoples are the only ones who have made the Laws of God, the Ten Commandments, the basis for the common law of their lands. Does the fact that you are saved for eternity, take away the fact that you enjoy civil blessings on this earth, under the Abrahamic Covenant? If you were to spend some time in Gentile lands, you would soon see the difference. Most of our problems have come, as we have strayed from these Laws and have accepted the heathen concepts of the rest of the world.

16 - In Hosea 8:11 we are told that our people would become prone to idolatry. Oh how prone Christendom has become to their special idols. How we place our homes, our automobiles, our boats, our TV's, our sports, our businesses before God. They have become idols to us, just as much as the hideous carvings of the heathen. In Colossians 3:5, the Apostle Paul warns about "Covetousness, which is idolatry." This word means "avarice or greediness," and when we place material possessions before our love for God, then we become idol worshipers. My, my, how many Christians could be classified in this group.

17 - Most of our people have been afflicted by hard-ness of heart. Romans 11:25 tells of this, when the Apostle Paul says: "blindness in part is happened to Israel: until the fullness of the Gentiles is come in." Our pastors have told us that this refers to the spiritual blindness of the Jews, but it is speaking about the blindness of our Anglo-Saxon people as to their identity. The Jews know who they are; they have known it for centuries. They knew it during Jesus' time on earth, when He told them over and over again in John 8 and 10, that they were "not of His fold." Yet in spite of the true record of the Word, good Christian folks, refuse to believe the proof that they are Israel and their pastors have become the "blind watchmen and the dumb dogs," of Isaiah 56:10, II. These refuse to warn their people of the dangers posed by the Jews, who are their worst enemies. In fact they glorify their enemies, while they "suck up" on the material blessings which come to those who are willing to compromise with Judaism.

18 - Our Anglo Saxon nations are nationally addicted to drunkenness, as prophesied in Isaiah 28. (In spite of all there evils, this is not a Jewish vice.) We read Isaiah's words: "the drunkards of Ephraim, whose glorious beauty is a fading flower . . . " Verse 7 - "they have erred through wine, and through strong drink are out of the way . . . they err in vision and stumble in judgment." My how many of our national leaders have become alcoholics; they have joined the more than nine million alcoholics who inflict this nation; who kill more than 25,000 of our people every year on the highways alone. Yet we persist in saying: "These people are sick."

19 - And oh how our Christian people are blind as to their origin. Hosea 2:6, says of Israel - "...I will hedge up thy way with thorns, and make a wall, that she shall not find her paths." We constantly declare that we are not God's Chosen people and instead give this honor to our worst enemies. In Hosea 1:10, we read: "... and it shall come to pass, that in the place where it was said unto them, Ye are not My people, there it shall be said
unto them, Ye are the sons of the living God." Very few of our people know we are Israel, yet our pastors tell us week after week, that if we are saved, we are the children of God. How inconsistent can we be?

20 - Israel was to be a people who in their hymns would declare their redemption (Isaiah 48:20) - "... with a voice of singing, declare ye, tell this, utter it even to the ends of the earth. The Lord hath redeemed His servant Jacob." We love to sing about redemption in our churches, but few of us really understand it. But the Jews do not sing about redemption. It is not taught in their synagogues, neither in their Devil born Babylonian Talmud, which is their Bible. They are taught "world domination," not redemption.

21 - Israel is to have a new name. They are not to be called Israel in those "latter days"; listen to Isaiah 65:15 for the Lord shall slay thee (speaking to the Jews), and call His servants by another name." Compare this with Luke 19:27, which states "But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me." You have never heard this text used in your fundamental churches, now have you? Today, the Anglo Saxon peoples are called Christian, this is our new opa, honoring our Lord. The Jews have retained their old name for over 2700 years, and as predicted, it has been a curse to them.

22 - We, the Anglo Saxon peoples have come under the New Covenant of Jeremiah 31:33 and Ezekiel 11:19. Those of us who have accepted Christ as our King and Lord, have received a new heart, we have been "born again," by water and the Spirit, as taught in John chapter three.

There are many, many more clues we could use. Some very clear and others somewhat hidden. No other people can fill them; certainly all evidence shows that the Jews do not fit any of them. Some of these hidden clues are quite exciting; let me mention only one. In Isaiah 41:19, God says that for the children of Abraham in those "latter days," He will "open rivers in the high places, and fountains in the midst of the valleys; I will make the wilderness a pool of water. I (God) will plant in the wilderness the cedar, the shittah tree, and the myrtle; and the oil tree; I will set in the desert the fir tree, and the pine, and the box tree together."

It is interesting to note, that the "myrtle tree," which is mentioned in this passage, is the same as the ancient cedars of Lebanon. These have not existed in Palestine for centuries. But they do exist only in Western California in the form of our giant redwoods. Isn't it wonderful, that our God, planted these trees over 5,000 years ago in anticipation of the time when His people would be in the land? How wonderful is the Word of God, and men, no matter how brilliant, can not change it. Are we going to allow "blind, mis-led" pastors to rob us of this magnificent heritage and give it to God's worst enemies? Do you believe all these things happened by coincidence?

Oh that our generation would not make the mistake made by those who lived when our Lord was on earth. He said to them in Luke 16:31 - "If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead."

So my task is not to persuade you, my skeptical friend. I have given you the truth from the Word. It is not what I think, but what the Word says. What you do with it now is between God and you. But I want you to remember, that some day, you will be required to stand before the Judgment Seat of our Lord, to answer for what you have read today. (2 Corinthians 5:10). My message is not popular in our fundamental churches today. But God did not call me to win a popularity contest, but to tell you the truth. I am the watchman on the wall of Israel-America. I have given the warning, now you know who you are and some of your responsibilities. I have done my duty. If you refuse to accept the truth and are destroyed by the enemy, then the Word says: (Ezekiel 33:2-6,) that I have been
absolved of my responsibility.

What will you tell God in that day? You "chosen seed of Israel's race; ye ransomed from the fall," what will you say when He asks you why you refused to accept your heritage? Listen to what He says in Isaiah 51:1 . . . look unto the rock whence ye are hewn, and to the hole of the pit from whence ye are digged. Look unto Abraham you father, and unto Sarah that bare you: for I (God) called him alone, and blessed him, and increased him."

When you come to a realization that you are true Israel, it will not puff you up with unseemly pride. It will open the Bible to you as never before. You will be able to better understand what is happening in this world and what we can expect in the future. It will give you a newness of life which you would never have had before. And God will bless you as never before, as you humbly bow to His will and are willing to become the servant, that eventually you may rule over many.

May the Lord God Yahweh, and His Son Yashuah, or Jesus, open your eyes that you may see the truth from His precious and Holy Word.

The End
Prelude to Terror!
(Facts about AIDS never mentioned in the news)
by Brig. Gen. Gordon "Jack" Mohr, CPDL

"But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all His commandments and statutes ... that all these curses shall come upon thee, and overtake thee." - (Deuteronomy 28:15)

"The Lord shall make the pestilence cleave unto thee, until He have consumed thee from off the land." - (Deuteronomy 28: 21)

"The Lord will smite thee with consumption, and with a fever, and with inflammation, and with an extreme burning..." - (Deuteronomy 28: 22)

"...I (God) will even appoint unto thee terror and ye shall sow your seed in vain, for your enemies shall eat it," - (Leviticus 26:16)

"Therefore also will I (God) make thee sick ... in making thee desolate because of your sins." - (Micah 6:13)

"...and there shall be famines, and pestilence, and earthquakes..." - (Matthew 24:7)

"Men's hearts failing then for fear and for looking after those things which are coming on the earth..." - (Luke 21:26)

Today a terrible, incurable disease called AIDS is devastating the civilized world. It is increasing by leaps and bounds, yet both the government and the media is afraid to tell our people the truth regarding this terror.

The following account was taken from Gary North's, May 6, 1987 Newsletter REMNANT REVIEW, P.O. Box 8204, Fort Worth, Texas 76124,

"On Sunday morning, March 1, a local radio station in the Miami area broadcast a most remarkable program. The British Broadcasting Corporation (BBC) broadcast a show dealing with AIDS. They opened their phone lines to the whole world. Then they started giving the facts. These facts, if they do not change, are going to restructure Western Civilization as nothing has in over 400 years. But no one ever quite gets around to saying this.

"What they do admit is bad enough. Before this disease runs its course, world health officials estimate that about 100-million people will die. This is as many as died in all the wars and concentration camps of the 20th Century. (Excluding Red China where we do not know how many died.) This will happen in a little over a decade."

What is this terrible disease? Did it really begin among "green monkeys" in Africa and then spread..."
to human beings? Is it a plague sent by God to punish a "hell bent world?" or is it "man-caused", a form of biological warfare, used by our enemies to put OPERATION 2000 into effect. (For those of you who have never heard of OPERATION 2000, it is a plan by the United Nations, approved by the Nixon, Carter and Reagan Administrations, to reduce the population of the world by 2.5-billion people by the year 2000. Some U.N. officials have said this will be done through war, famine and disease.)

As one studies this awful disease, it becomes quite apparent that the general public is not being told the truth regarding it. Even the Surgeon General of the United States, a man who is supposed to be a "born again" Christian has lied to the people regarding it and has come up with the foolish idea of slowing it down by getting the people to use condoms in their sex life. What utter stupidity! Or is it? The leaders of America, in government, the media and the church, seem more intent on stopping the American people from panicking, than and stopping the AIDS epidemic. Besides there are the feelings the Civil Rights of the homosexual community which must be taken into consideration. They don't want the true facts to leak out either.

When government officials withhold the truth about this man killer, based on fear of public panic, they are bordering on criminal neglect and put those who are deliberately misleading our citizens in the position of being accessories before, during and after the fact of mass murder.

Here are a few of the facts which are generally not known about AIDS:

1) AIDS can survive outside the human body, wet or dry, at room temperatures for up to ten days.

2) The AIDS virus has been found in blood, sweat, tears, semen and saliva; 6% of all cases fall into the "no risk" category as exemplified in an elderly infected woman whose only exposure was kissing her husband, an impotent transfusion recipient.

3) The pattern of distribution and transmission of AIDS follows a pattern similar to Hepatitis B, which can be transmitted by mucosal surfaces, including the mouth and eyes.

4) AIDS is a "lentivirus" (slow), previously found only in such animals as sheep and horses. It can go airborne. Infected individuals are capable of transmitting the disease to others. Many contracted it five years ago and it is just now surfacing.

5) The AIDS virus is capable of mutating and many scientists fear it will change to the point where it can be transmitted by common procedures such as sneezing and coughing.

6) There seems to be some connection between AIDS and tuberculosis, as this disease, thought to have been whipped, is on an upsurge in America and is rampant among homosexual AIDS victims. Many homosexuals are food handlers, yet no tests are administered to those who handle the public's food, to see that they are free of this disease.

In spite of the fact we have been told that AIDS cannot be transmitted casually, studies from Africa indicate that those living under the same roof with an AIDS sufferer have a 300% higher risk of becoming infected than the general public.

7) Research, both in America and Africa, indicates that the disease can be carried by insects, especially those which are blood suckers such as mosquitoes and bedbugs.
8) It is known that some homosexuals have deliberately spread the disease, which is an act in the same category of that of a mass murderer.

While a great deal has been said about the Civil Rights of homosexuals and AIDS victims, the Civil Rights of the general public MUST take precedence over those of disease carriers. If we had fought malaria and yellow fever, as we are fighting AIDS, there would be few people living today to whom we could extend Civil Rights.

Some say that giving these facts about AIDS makes one an alarmist and puts them in the category of one who shouts "fire" in a crowded theatre. But there is nothing wrong in shouting "fire" when the theatre is burning. In fact it becomes one's duty.

The "bleeding hearts" of our society would no doubt have called Paul Revere an "alarmist," bent on causing panic, when he rode to warn the colonist that the British were on the march. But if I were to go past your home at 3 a.m. some morning and see smoke and flames shooting from your basement windows and did nothing to warn you because the hour was early and you would be disturbed, I would be as guilty of murder as if I had gone into your home and shot each member of your family in the head.

A doctor, who cannot be named for security reasons, has attempted to form a Health Maintenance Organization to alert Americans to the extreme dangers posed by diseases such as AIDS. In an August 10, 1987 letter, written to a Baton Rouge lady, who supplied me with much of this information, he wrote:

"I am convinced that the AIDS virus explosion is a secret bio-warfare experiment against humanity. Everyone should know that homosexuality per se has nothing to do with the spread of AIDS. Anyone can contact the disease from sex if exposed to someone carrying the virus. The gays were the first group to receive the AIDS virus through Hepatitis B vaccine experiments conducted by the government, using gays as volunteers in New York, San Francisco, and Los Angeles in the late 1970's. I am enclosing a report on the matter. It makes more sense to me than the idea that AIDS came from "green monkeys" in Africa. If that was the case, how did the disease start exclusively among young gays in Manhattan in 1979? You are right in not believing government rhetoric because what you are being fed is a 'pack of lies' using the gays and other minorities as the 'scapegoats.' The virus was seeded in the most despised groups in America ...and the government uses that hatred to allow the disease to spread throughout the world for their own diabolical ends. I know this sounds wacko... but you need to investigate this matter for yourself."

Then follows a paper titled THIS IS A BIO-ATTACK ALERT - March 28, 1986.

The idea of this doctor's letter does seem "wacko" to many, until you realize that it was the "alien" government of America - not necessarily the administration in power at the time - but the "behind the scenes" alien shadow government that pulls the strings, which lead the U.S. into the United Nations OPERATION 2000. What better way to reduce the world population by 2.5-billion people in twelve years, than to murder 100-million of them through a disease which could well kill many more?

This action by our government does not seem so "wacko" when we realize that the drug traffic which is destroying our youth, could be cut to a trickle, if it were not for people in high places within our government, who are giving protection to drug interests and becoming wealthy in the process. (If you want more information on this horrible affair, write the DON BELL REPORTS, P.O. Box 2223, Palm Beach, FL 33480 and ask for DRUGNET, Aug. 7, 1987.)

Every tell to twelve months the number of AIDS patients doubles. Dr. William Grace, chief of oncology (cancer) at St. Vincent Hospital in New York City says: 'In four years we will have exhausted all the medical beds in Manhattan.' What he admits regarding New York will be true nation wide. Dr. Grace bluntly says: "I think AIDS is going to devastate the American medical system."
The National Academy of Sciences has released a conservative study which estimates 270,000 cases of full-blown AIDS by 1991, with 170,000 deaths yearly. The actual medical outlay on each AIDS patient is about $147,000, which means an expenditure of $1.5-billion. This does not count loss of income; it does not count taxes lost, or those which will never be collected to fund public health, Medicare, Medicaid and the Social Security System.

By 1991 it will cost this country in the neighborhood of $40-billion annually, just to take care of AIDS patients until they die. By this time, many of the victims will be heterosexuals.

AFTER 1990, UNLESS A CURE IS FOUND, OR FOR SOME REASON THE DISEASE CEASES TO BE LETHAL, THE DOUBLING PROCESS GETS US. The number of infected persons now is estimated at between 3 and 4 million. The incubation period is believed to be about ten years, according to Surgeon General Koop. If the disease continues to double, 64-million Americans will be infected by the end of 1990. If it were to immediately slow to half the present rate, then only 15-million Americans will be carriers by 1991. Does that number frighten you? It should! And please don't come up with that old Judeo-Christianity fairy story that you won't be around then, because Jesus will rapture you out of this mess before that happens.

This disease is not hitting the elderly on Medicare and Social Security. Its hitting the young, those who are expected to finance our Socialist Welfare System in the future.

If 10-million Americans were to die from AIDS by the year 2000, as BBC predicts, and we can keep the medical costs down to $150,000 per patient, that would mean that Americans are going to have to come up with an outlay of $ 1.5-trillion dollars in the next twelve years.

While AIDS is not yet "front page news" it should be and will be. Today it is superceded by the Persian Gulf mess and the Pope's visit, but I can assure you that it will be on the front; page of every newspaper before the year 2000. It could well be the end of this Statist, humanist, fist-in-the-face of God world.

Let's spend a few moments looking at some other facts regarding AIDS as taken from the March 1986, BIO-ATTACK ALERT!

One of the first things discussed was that once sufficient numbers of Americans have become infected (because we need to remember that AIDS is not just a sexually transmittable disease), even without sexual intercourse, the infected will reinfect each other and the uninfected will become infected, leading to an explosion of infection and disease.

Without a doubt, individuals in the U.S. National Institute of Health and National Cancer Institute, have combined with the U.N. Health Organization in an attack against the United States using bio-weapons.

This disease was intentionally introduced into Africa (see THE AIDS PROBLEM IN AFRICA, Lancet, 1986) by inoculation given by the World Health Organization International Agency for Research on Cancer (IARC). (See Seventh National Cancer Conference Proceedings, Los Angeles, 1972). In American homosexuals the virus may have been engineered to reproduce faster and for specific attack.

Review of recent history and science publications leads this reporter (a highly respected M.D.) to the conclusion that he is correct. He sent his warning to the President, the V.P., Governors of several states and federal government agencies including the Departments of State, Agriculture, NSA, FBI, CIA and three selected members of the U.S. Congress.

The National Cancer Attack Act of 1971 has been used to research virus warfare, finance virus warfare and attack the United States. Was this what Laventria Beria, then head of the Soviet KGB meant in 1933 when he said: "Use the courts, use the judges, use the Constitution of the country, USE ITS MEDICAL SOCIETIES, and its laws to further our ends ... by pretense as to your effectiveness, make your Capitalist himself, by his own appropriations, finance a large portion of the quiet Communist conquest of that nation," (See The Psychopolitical Indoctrination of
**America** - Parts 1 and 2 - How the Talmudic/Communist Blueprint for American subjugation has taken place.

Daniel Greenberg outlined this attack beginning in DISCOVER, March, 1986, p. 47 in an article titled WHATEVER HAPPENED TO THE WAR ON CANCER?

It is quite possible that the majority of the U.S. Congress who voted for the NATIONAL CANCER ACT of 1971, with the exception of those members with allegiance to foreign governments, did not realize this Act would be used to formulate a bio-attack against the United States. Those of you who contribute to the National Cancer Fund should think twice before you do so again.

Do you wonder why the disease of AIDS, purportedly a homosexual disease, evidences an attack on the United States by world virologists and bureaucrats? In documents available in medical libraries, virologists and bureaucrats requested the production of the AIDS virus and planned its introduction into various world populations during preventative vaccinations.

In brief, here is their plan:

In Vol.47 of the BULLETIN OF THE WORLD HEALTH ORGANIZATION, p. 257 through 274 (1972), we find A. C. Allison with others, including WHO officials and a NIH bureaucrat recommending on p.259:

1) "A systematic evaluation of the effects of viruses on immune functions. A number of viruses should be studied and a standard set of immune functions should be employed."

2) "The effect of virus infection on different cell types should be studied in greater detail."

3) "An attempt should be made to ascertain whether viruses can in fact exert selective effects on immune functions."

AIDS is the result of this experimentation from 1972, because in AIDS the immune response to the virus is impaired, when a portion of the cells responding to the viral antigens are the infected cells which were killed, "lysed" in virologist terms, by the viral antigen.

How could this study be conducted in humans? In the Fogerty International Center proceedings (funded by your tax dollars), No.15, published in FEDERATION PROCEEDINGS, Vol.31, No.3, May-June 1972, the Committee for the Conference was addressed by D. B. Amos of Duke University, who said: "In relation to the immune response, a number of useful experimental approaches can be visualized... This approach would be particularly informative when applied to sibships."

By "sibships" it meant "children of the same parents." This means that WHO and NIH decided in 1972 to inject known virus and bacteria into children of the same parents during alleged preventative vaccinations.

The purpose of these attacks may be to prepare America by infection with immune depressing virus for a fast bio-attack. If that is true, it was started in the homosexuals because the enemy correctly judged that most Americans would not be alarmed with what they saw as a homosexual disease. But this disease is planned to eventually spread to the heterosexual population. The lies of the United States National Institution of Health in this regard, reveal its participation in this attack.

In wars, the objective of each side is to inflict death and wounds upon the other. This method chosen by the enemy, will preserve American land and structures for the victors. Their action is calculated to demonstrate that right lies in their might, and that freedom is impossible.

The enemy hopes to impose his despotic rule by the hue and cry of the population to abandon the rights of others, included the infected, to save themselves.
This is an attempt to exhaust America with hatred, struggle, want, confusion and the inoculation of disease. The enemy intends to control our population with disease, make us dependent upon them for remedies, engineer each birth and reduce America to a servant of the Supreme Soviet and its Zionist masters.

This battle is being fought slowly and very few Americans realize it is going on, while many do not seem to care.

D. Carlton Gajdusek, chief of the National Institute of Health's Laboratory of Control Nervous System Studies and the Laboratory of Slow, Latent and Temperature Virus Infections, says on p.106 of OMNI: "In this facility I have a building where more good and loyal communist scientists from the USSR and Mainland China work with full passkeys to all the laboratories, than Americans... Even the Army's infectious disease unit is loaded with foreign workers -not always from friendly nations." Yet this man vehemently denies that there are any "secret activities," among these enemy scientists.

BUT WE ARE UNDER ATTACK! AND WE MUST ACT IF WE ARE TO SAVE OURSELVES!
At present, only about 2-million Americans are infected with AIDS, we can deal with this, but we MUST halt the disease's spread, for we are losing population now, at the rate of 2,000 per week, all of which will die prematurely.

WHAT CAN WE DO:

1) We MUST retake the virus labs, using force if necessary. Some of these will be on college and university campuses. We must substitute virologists who are loyal to the U.S.

2) Mobilize the National Guard to prepare quarantine hospitals and hospices for infected individuals.

3) Inform the American people that we are under attack and the seriousness of this attack.

4) Arrest and prosecute identifiable individuals for murder and submit their cases for murder and sedition to Grand Juries. This. MUST include ALL individuals in governmental agencies, no matter how high up they may be.

5) Seize the records of the inoculation projects and use them in the prosecution of guilty individuals.

6) Alert all pro-American doctors to watch for other ordered diseases and organize immediately for quarantine.

7) Be on guard against ALL vaccination projects and halt all vaccinations until the vaccine has been cleared.

8) Prepare for the premature death of 100% of those who are now infected by AIDS.

9) Cull the murderers from our midst and deal with them as provided by law. We need not live in chains, nor leave our children to the tender mercies of these bastards.

10) Whether we want to or not, we MUST recognize the part being played by Zionist doctors in this plot against Americans and white Christians in particular. To do this we
must go back to the 13th Century and see a Jewish protocol which calls on Jews to have their sons become doctors and apothecaries, so that thereby they may kill Christians. The well known Jewish author, Samuel Roth, in his most unusual book JEWS MUST LIVE, writes on p. 111 - "The stern fact is that they (Jews) practiced medicine, as they practiced money-lending, entirely for personal gain, and without contributing to the advancement of the science itself." On p. 122 - "The Jews do become shrewd practitioners... They make out of the human body a contrivance for raising money very much as Jewish lawyers manipulate the affairs of their neighbors for their own financial aggrandizement... He appraises the sick who come to his office not for the use he can be in healing them of their ailments, but for the source of income for himself which he can make over a long period of time. If Jews are ever expelled from America; it will be because of the evil practices of Jewish lawyers and doctors." What makes you think that a Jewish doctor, with this attitude, could not be bought by the enemy for the purpose of deliberately destroying America? In fact, many of these alien scientists are Eastern Ashkenazi Jews.

11) Then we need to give the President and Congress an ultimatum from the people that we have had enough of this untruthfulness and that we will not tolerate further treason towards our Constitutional Republic and her people.

If the President refuses to lead the nation in response to this attack, then the Governors of the several States should act to protect their people and alert them to the dangers we face.

If you are interested in further information on this terrifying report, I would suggest that you contact Dr. Theodore A. Strecker, 334 North Central Ave., Suite 101, Glendale, CA 91203.

I would go a bit deeper than Dr. Strecker and say that those of us who go by the name of Christian need to get down on our knees in prayer and supplication to Almighty God, after we have first taken care of the sin in our own lives. (See Isaiah 59:2) The provisions of God's promise in 2 Chronicles 7:14 are still in effect: "If my (God's people) which are called by My name, will humble themselves and pray, and seek my face, and TURN FROM THEIR WICKED WAYS, then will I hear from Heaven and WILL FORGIVE THEIR SIN AND WILL HEAL THEIR LAND."

Unfortunately there has been very little of turning away from "doing their own thing," in the Christian community of America. When we abandon God's way of doing things. He has warned us that the aftermath is such deadly destruction as that seen in AIDS. It is going to take more than medical aid to stop this tragedy. Only we who go by the name of Christians can do it, by getting ourselves back into a proper relationship with our God, then going out in the strength He will give us, to take a stand against the enemy who would destroy' us and the wonderful freedom which has come from "one nation, under God!" "Pray' as though everything depended on God; then work as though everything depended on you.”

Rabbi Eckstein:

I do not want any more of your perverted Jewish material coming to my address. From now on, all of your material will be thrown away without being opened.

Not all Christians are "dumb goyim", as your letter shows you believe. Some of us KNOW the truth about the so-called HOLOCAUST, and how you Jews, going by your theory: "The gelts the thing!" Have literally stolen billions of dollars from "stupid Gentile sheep." under the false guise that you are still "God's Chosen people" When you have never qualified as such, but have always been those Christ spoke about in (Revelation 2:9; 3:9), "Those who say they are Jews, and are not, but are of the synagogue of Satan".

Now under the guise of helping "poor, downtrodden" Jews escape from persecution in Russia, you have the "chutzpah" to lie to the Christian world again, to get more financial help from those you hate and have determined to destroy.

You claim that in Russia, Communist leaders have openly accused the Jews of bringing about the extinction of the Russian people. This is true, as you well know, and over 60-million of them, mostly Christians, died under Jewish inspired Bolshevism. Most of these were Christians.

You are clever enough to know that the American people, for the most part, are unaware of what's taking place in Russia as the only news they get is from your Jewish controlled media. But even your clever people slip up once in a while, and truth leaks out. This was the case when William Safire, a Jewish correspondent of note from the New York Times, recently stated:

"Russian Jews have nothing to hide." He then went on in great detail explaining how the richest men in Russia are Jews, such as former Russian Foreign Minister Primakov, whose real name was Finklestein. The media mogul, Vladmir Gasinski, who controls a media empire greater then that of NBC, CBS, ABC, and CNN is Jewish
and one of the richest men on earth. Let these fellows help your people. Safire notes that today in Russia, "Jews are a greatly favored minority, just as they were during the halcyon days of Communism under Vladimir Lenin". This letter will go out to many Christian leaders and I will do my best to expose you for charlatan you.

For God and Country,

TO: Supporters of the CRUSADE FOR CHRIST and it's Prison Ministry.

Dear Christian Friend:

This has been a momentous, and sometimes frustrating year in the Prison Ministry. It was made possible by your prayers, friendship, and financial support. I thank God, and you and for sticking by this ministry so faithfully. It has kept me on the "firing line," when many have said: "You have done enough, slow down!" (I will be 84 at midnight tonight) and pray that God will keep me active until the day He calls me home.

When a prison inmate contacts me regarding the Prison ministry I tell them this: "welcome to the CRUSADE FOR CHRIST PRISON MINISTRY FAMILY. We are an 'elite group of CALLED OUT, Christian Israelite believers, who operate under the sole leadership of King Jesus'. We will expect you to act in such a manner as not to bring discredit to His name, or His Kingdom Movement. This means: "What you do, shouts so loud we can't hear what you say!" Though you are saved by His GRACE ALONE, you prove your love for the King by your OBEDIENCE and GOOD WORKS, (James 2:17).

I emphasize the importance of a personal relationship with Jesus Christ and OBEDIENCE. Many men have responded in a positive manner. Most of them have, come out of Judeo-Christian churches, and for the first time are seeing the TRUTH in God's Word, and are responding to it.

While we do not have as many men in the Prison Ministry as some groups, all are active participants who have corresponded with me during the last three months.

During 1999, 1,290 books with an estimated value of $9,030 were sent FREE to these men. (Some respond by sending stamps from time to time). With an average postage of $1.13 per book, postage and handling adds another $1,870.00 for a total expense of about $10,900.00. According to the I.R.S. none of this is deductible, as they do not consider us as a "legitimate religion".

Following is a list by State, with the number of prisons ministered to, and the number of prisoners. Keep in mind that you have made this possible.

As the "storm of the Ages," gets set to roll in, REMEMBER that our God is still in charge of things and that a Day of Reckoning is coming (see PS. 2:1-5). So as the FEAR and CONFUSION in the world gets worse and worse, Jesus said, (Luke 21:28), this is an indication that our REDEMPTION is close at hand. MARANATHA!

Wishing you the Father's best for 2000, I remain, Your Brother and Servant in the King's business,

IS THERE A SOLUTION TO YOUR PROBLEM?

God has promised in His Holy Word to protect men and women who diligently seek Him and are willing to OBEY Him.

"But you, beloved building up your self on your most Holy Faith, praying in the Holy Spirit. Keep yourself in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life. And of some have compassion, making a difference. And others save with fear, pulling them out of the fire, hating even the garments soiled by flesh. (Jude 20).

HOW DO YOU BUILD YOURSELF UP IN THE MOST HOLY FAITH?

FIRST OF COURSE, YOU MUST BE SURE YOU ARE SAVED! There are millions of church members today, who while going by the name of Christian, have never experienced the "born again-born from above" experience of John 3:3. Unless they change, they will not even see the kingdom of God" You MUST be certain that your sins have been washed away in the blood of God's Son.

WHAT IS THE SCRIPTURAL PLAN THAT LETS YOU KNOW IF YOU ARE SAVED?

1. - Have you ever ACKNOWLEDGED before God that you are a sinner, and that you are sorry for being disobedient to His Law? This MUST come first. "For ALL have sinned and come short of the glory of God," (Romans 3:23). "But God commended His love towards us, in that while we were still sinners, Christ died for us." (Romans 5:8). Jesus speaking: "I come not to call the righteous, but sinners to repentance," (Mark 2:17).

2 - YOU MUST BELIEVE that God loves you and desires to forgive you: "For God so loved the world, that He gave his Only Begotten Son, that whosoever believeth in Him, should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world, but that the world through Him might be saved", (John 3:16,17). "If my people (Israel), which are called by my name (Christian~), will HUMBLE...
theinsaelves, and PRAY and SEEK My face, and TURN from their wicked ways: THEN will I
HEAR from heaven, and will FORGIVE their sins, and will REAL their land," (2 Chron 7:14~.

3 - CONFESS YOUR SINS AND REPENT! Tell God from your heart that you are sorry for your
rebelliousness and your disobedience of His Law. Ask Him to forgive you:
"For if we confess our sins, He is faithful and just to forgive us our sins, and cleanse us from all
unrighteousness," (1 John 1:12). "If you confess with your mouth the Lord Jesus, and shall believe
in your heart that God raised Him from the dead, you shall be saved. For with the heart men believe
unto righteousness, but with the mouth, confession is made unto salvation," (Romans 10:9,10).

4 - PRAY - You don't need some "canned prayer", handed to you at a church altar by some
evangelist or preacher. Ask the Lord Jesus to forgive you and cleanse your heart through the blood
He shed for you. Tell Him you are sorry for disobeying Him. Then believe He died for you and ask
Him to become, not only your Savior, but your King. Only do this if you mean it! Salvation is a
terrible thing to mess with. Listen to Hebrews 6:4-6 - "For it is impossible for those who were once
enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Spirit, and
have tasted of the good Word of God, and of the powers of the world to come. If they fall away, to
be renewed unto repentance; seeing they crucify to themselves the Son of God afresh, and put Him
to shame".

There is no such thing in Christianity as an "I'll try it and see if I like it religion!" You either go "all
out for Jesus," or you are "all out of His Kingdom". He said Himself in Matt. 12:3 -"He that is not
with Me, is against Me". You can't be for Him, and adhere to the World Order at the same time, for
it is a known fact that a man cannot serve two masters

Here area few important ideas from which if followed will greatly enrich your
Christian life:

1. - Read a good translation of the Bible. I prefer the poetic language and accuracy of the
Authorized King James Bible. There are some opponents that say there are over 20,000 errors in
this version, but can't point them out. If you change the word JEW to JUDEAN, and GENTILE to
NATION or TRIBES, as it was in the original Hebrew, the KJV has all the elements necessary to
live as God pleasing, happy and productive life. The few errors which occur, are such that an honest
Bible student will immediately pick them out. One can be found in John 4:22, where Jesus tells the
Samaritan woman at Jacob's well - "Ye worship ye know not what: we know what we worship, for
salvation is of the Jews". You should immediately see the mistake made here, for we know that
salvation does not come through any race, or nation, but through the God-Man Christ Jesus. A much
older translation states: "For salvation cometh out of Judea", which is true, for Christ was of the
tribe of Judah, the House of David. Another is found in Luke 23:43, when He told the thief on the
cross, according to the KJV: "Today thou shalt be with me in paradise". We know this could not
have been true, since He did not go to be with His Father until forty days later as recorded in Acts 1.
Since the original Greek had no punctuation marks, could this verse have originally read; "I say
unto you today. Thou shalt be with me in paradise?" It makes more sense, but the very few errors
you find, will not effect the truth of it's message. Shun like poison the new modern versions such as
GOOD NEWS FOR MODERN MAN; THE NEW ENGLISH BIBLE; and others, which cast doubt
or weaken the doct--ine of the Virgin birth. The NEW REVISED STANDARD VERSION sustitutes
the words "young woman", for "virgin", in the prophecy of Isaiah 7:14. This makes all the
difference in the world, for if someone other than God were the father of Jesus, He could not have
been sinless.

If you want a good version in modern English, I would suggest the Ferrar-Fenton Translation.

2. - Get a good Bible Dictionary such as Unger's. You can learn a lot about the Bible which will
help you understand the settings being described. Even more important is a good Concordance, I
would suggest Strong's if you are using the KJV, or Young's. These will show you the original
meaning of the - English words in Hebrew, Greek or Aramic. Then pray that the Holy Spirit leads
you to His truth.

3. - When you read your Bible take it at "face value". God did not have his Book written to confuse His people but to give them- Spiritual knowledge. Take every word at face value as long as it is consistent with the context. Don't try and spiritualize it, unless it is evident it was meant to be read in this manner. Above all, don't try and read it so as to make it consistent with what you want to believe!

4. - Learn the value of fasting regardless of whether there is a crisis in your life or not.

5. - Find other strong Christians to associate with if possible and socialize with them as much as possible.

6. - Never go to places where you might be tempted above your strength, or which would reflect on your Savior. A good question to ask, before you enter is: "What would my Savior think about this place?" Never meet with people, that might seduce you, especially those of the other sex, and if you are married, be doubly careful about this. Never go anywhere that would make your wife uncomfortable or embarrass her.

7. - Stop reading un-Godly books, watching un-Godly movies or TV shows. With all the entertainment available, there is no need for a Christian to go to the movies, and they are thumbing their nose at temptation when they do. Read and watch those things which will strengthen your moral and spiritual life. Unfortunately, this will eliminate some so-called Christian TV shows.

Be careful in watching religious programs not to be led astray by "some wolf dressed in sheep's clothing", posing as God's servant. Remember what you see on TV and read in your daily newspaper is controlled enemy propaganda. Learn to read between the lines and recognize the TRUTH!

Never follow any personality without first checking out his teaching. This includes me! Make sure they confirm to what God's Word teaches, not what men want to hear! Men change, and good men have been known to become TRAITORS. Jesus Christ never changes: "Jesus Christ, the same, yesterday, today, and forever!" (Heb. 18:8) you can depend on this. "And be not carried about (away) with divers (different) doctrines. For it is a good thing that the heart be established (founded) with grace; not with meats (Material things) which have not profited them that have been occupied- therein.

9. - Ask God to reveal to you His purpose in your life. He has a plan for each of us. Mine was to be a WATCHMAN on the walls of Israel America, (Ezekiel 33:1-4). Sometimes I haven't liked it very much, as it gets unpleasant, when people do not want to hear distressful things. But I KNOW it's right for me, because He choose it!

HOWEVER, DON'T WAIT AROUND FOR A VISION. He has already given you "marching orders", when He said: "Occupy until I come!" You can't do this, if you are hiding in a spiritual foxhole, waiting for Him to Rapture you out of the mess caused by your Christian apathy.

Remember one very important thing. You can't profess to be a Christian, then when a guard gives you an order you don't like, spit in his face, or curse him. In one case one of my "boys" threw hot coffee in his face. Such a witness is nothing but hypocrisy, for "What you do, shouts so loud we can't hear what you say!"

10. - In addition fill your home and automobile with music that magnifies God. This does not include- "religious rock", which is Satanicly inspired, no matter how good the words may be. Hymns of- praise will help you feel the presence of the Holy Spirit, while un-Godly music attracts evil spirits.

SUBJECT: AN ANALYSIS OF THE F.B.I. PROJECT MEGIDDO!

As a combat veteran of World War II and Korea, I well remember the triumphant, ticker tape parades by which the American people welcomed home their military heroes from Europe and the Pacific. At that time, 55 years ago, it was considered an honor to be a Christian American Patriot. Today, this term is one of contempt, as the Jewish controlled media and TV, with the aid of the evil Administration that now controls Washington, D.C. is trying to brainwash the gullible American public into believing that Christian Patriots, especially those of the Christian Identity faith, are a danger to the safety of the country.

Thousands of veterans and other decent Americans are becoming increasingly disturbed by the deceit we see coming from government agencies to accomplish this. Our government under the direction of our Rhodes Scholar, President Clinton, is in the process of turning our sovereignty over to the control of International enemies, and their New World Order.

President Clinton and the high ranking Jewish officials he has appointed (more than any President in history. Although Jews consist of less than 5% of our population, they hold every important position in the Clinton Administration, are dedicated to the proposition that America MUST go into their Zionist World Federation and become part of their International Slave Plantation.

In order to do this successfully, they must silence or eliminate those pesky individuals who "love their God, their country, and their families, and are willing to fight for them if necessary." We take the Apostle Paul's teaching in 1 Timothy 5:8, literally - "But if any provide not for his own (this includes protection), and especially for those of his own house; (immediate family), he hath denied the faith, and is worse than an infidel."

The enemy of America's enemy, is the armed, Christian Patriotic Community.

In October 1999, Louis Freeh, the Jewish head of the Federal Bureau of Investigation (F.B.I.), and a violent anti-Christian, sent an official bulletin to all American Law Enforcement officials under the seal of the F.B.I. It was titled PROJECT MEGIDDO (copy enclosed). The information in this document, which indirectly accuses the Christian Identity church of being a "subversive, potential terrorist threat," was provided by the ANTI-DEFAMATION LEAGUE of the Jewish B'nai B'rith, (a violently anti-Christian organization), and the 'SOUTHERN POVERTY LAW CENTER run by a Morris Dees, who is equally violently anti-American Patriot. ADL, is an agent of the
Israeli Government, operating illegally on American soil without a license, while the SPLC has been a means of making Dees a multi-millionaire and a so-called expert on terrorism.

These two "radical anti-Christian organizations" are now for all intents and purposes, part of the F.B.I. Fact Finding team and knowingly supply false information to the Justice Department. They are aided in their efforts by the public statements of the U.S. Attorney General Janet Reno who has said, "Those Christians who believe the Bible; attend a Bible believing church; home school their children; believe in the Conspiratorial Theory of History; are against gun control, and the United Nations, can be considered as potential terrorists dangerous to the stability of the country." Of course nothing is ever said about the radical left wing Jewish Defense League, or equally extremist left wing organizations.

In the 34 page PROJECT MEGIDDIO Report, based on false information from the ADL and the SPLC, the F.B.I. says that "some members of the media, and specifically racist groups such as Christian Identity and Odinism, are acquiring weapons and surveying targets in anticipation of the Millennium."

I have been a member of Christian Identity since 1981, and can honestly state that I know of no "true Identity Group", that could be so classified. Of course there are a few extremists in Identity circles, just as you find snake handlers among the Baptists, and Voodoo worshipers in some Black Baptist churches. The Church of Jesus Christ Christian (sometimes referred to as THE ARYAN NATIONS) in Hayden Lake, Idaho, which is often held up by the media as an example of extremism, is not 'true Identity', but can be classified as National Socialist.

Using the power of the Jewish controlled national media and TV, government agencies are setting the stage for Jesus' statement in John 16:2, when He told his disciples: "They shall put you out of their synagogues (public meeting places); yea, the time cometh, that whosoever killeth you, will think that he doeth God service."

Pastor Peter J. Peters, of Laporte, Colorado, a nationally know Christian Identity leader, in a letter to other CI leaders on November 18, 1999, of which I was a honored part, analyzed PROJECT MEGIDDIO quite properly, I believe, when he said: (1.) The left-wing magazine NEWSWEEK broke the story of Y2K in 1998, it was picked up and carried by fear mongers on the right, and has become the latest government fear craze; (2.) The media on the basis of false information given them by Morris Dees, of the SPLC in 1996, began to demonize Christian Identity in the minds of the American people, along with the militia; (3.) The F.B.I. which has become a willing tool of the ADL and the SPLC, prepares PROJECT MEGIDDIO and sends it out to all U.S. Law Enforcement heads. By further use of the power of the controlled media and TV, they convince millions of brainwashed Americans, that Christian Identity is a danger to the security of the country; (4.) Agents provocateur, commit terrorist acts over the New Years Holiday, as they did at Ruby Ridge, WACO, and the Oklahoma City bombing, and Christian Identity and the militia are blamed; (5.) These terrorist acts could be used by the President to declare Martial Law, suspend the Constitution, completely disarm the American people, and turn us over to the New World Order." If you resist, you may be shot, or disappear into America's extensive Gulag System to never be seen again. The Russian people didn't think it could happen to them!
The purpose of this mailing at my expense, is to acquaint you with the TRUTH of what is taking place in Washington, DC which you do not read about in the media, or hear on TV.

For several years, the Internal Revenue Service, has told me, **Off the cuff** of course, that they do not consider Christian Identity as a **legitimate religion**, although they accept Satanism, Wicca, Voodooism, and most heathen religions. As a result, they have stolen over 108,000 dollars through seven audits on this Ministry in the last ten years, placing a levy on my Military Retirement Pay in 1998, and stealing over 25,000 dollars. This is part of the government harassment campaign against genuine Christianity. The 302, (c) 3, churches who adhere to government **guidelines**, in running their churches, are not harassed.

Included in this packet with the PROJECT MEGIDDIO REPORT, is a treatise by Pastor Peters, showing you the real meaning of Christian Identity beliefs.

We are not AFRAID as we face the future, for we KNOW that God is still in charge of things, and that a Day of Reckoning is coming when He will be vindicated. He WILL NOT BE MOCKED! **Psalm 2:1-5**, sets the stage for what will happen in the near future, I believe, and it will come, whether you want to accept it or not.

Of this you can be SURE, you will stand before Almighty God some day, and give an account of your earthly stewardship. I do not want you to be able to tell Him: "No one ever warned me!" What will your answer be? That is something between God and you!

This letter is an effort to bring you the TRUTH, and possibly head off bad trouble that could destroy the country we love.

I will be happy to communicate further with you on this matter, if you so desire.

Yours in the service of Christ and Country,

Dear Christian Kinsman:

Someone Sent a copy of my Fall Intelligence Report to a pastor in California. It was returned marked - REFUSED -PLEASE TAKE US OFF YOUR MAILING LIST! I am enclosing my reply and hope I was not too harsh.

I must admit that I get rather irritated by people in the Judeo-Christian world who refuse to accept the obvious TRUTH from God's Word, although I did the same for over fifty years.

I have had friends ask me: "Aren't you sorry that you left the Baptist church in 1981 and got into this much maligned Identity group?" My honest answer is that I would never for anything you could offer me, go back to the "weak and beggarly elements" of Judeo-Christianity.

It hardly seems possible that we are nearing the end of the 20th Millennium, (I will be 84 on New Year's Day).

While we don't know what the uncertain future has in store for us, we KNOW that if we are OBEDIENT to God, ALL things will work out for our good (Romans 8:28).

So as the storm clouds gather, the lightning flashes, and the thunder rolls, as the "storm of the Ages" gets ready to move in, REMEMBER to LOOKUP, for our REDEMPTION is close at hand, (Luke 21:28).

Pastor Samuel Foster
10795 Aba Rd.,
Dear Pastor Foster:

Rest assured that you are not on my Mailing List, and that the return address did not come from me. I hope that you washed your hands thoroughly after handling the contaminated material of TRUTH contained in my Fall Intelligence Report.

It is evident that you are not interested in the TRUTH, but belong to that vast majority of Christians (?) who call themselves Judeo-Christian and cuddle up to Christ's worst enemies by calling them "God's Chosen," when our Savior told their leaders in John 10:26, "But ye Jews, believe me not, because ye are NOT OF MY SHEEP." (Emphasis mine!) Who are we to believe, our Savior or pastors who lie about His enemies?

With 50-million "born again Christians", in America, who evidently feel as you do, I can understand why the country is "going to hell faster now than at any time in our history". When Christian "salt" has lost it's "savor," (Matthew 5:13), (it's ability to act as salt and hold back corruption), the country naturally "goes to hell". What are you going to say to your Savior one day when He asks you to give account for your stewardship?

This is not a letter written from a "hate filled heart," as you may assume, but from one who is attempting to follow the advice given in Ezekiel 33:6. I am more interested in God's approval than that of the clergy who detest the TRUTH. May I prayerfully suggest you read and meditate on Jeremiah 23:22.

Jeremiah Chapter 23:21 and 22
21 I have not sent these prophets, yet they ran: I have not spoken to them, yet they prophesied.

Rabbi Daniel Lapin
TOWARD TRADITION
P.O. Box 97027
Washington, D.C. 20090

Rabbi Lapin:

Since I would be a hypocrite if I called you "Dear Rabbi," or "Brother," let me state that you Jews sure do KNOW the meaning of "chutzpah!" You come to America, seeking asylum from world persecution, are given our protection and kindness, and repay us by "biting the hand that fed you". Now you want to impose Jewish TRADITIONS on Christian America, to control us, and have the "gall" to approach 'is with your TALMUDIC fables concerning Judeo-Christian values, when there never were any, as they are diametrically opposed and headed in different directions. Your return to TRADITION is the very thing my Savior and King, Jesus the Christ fought against when He was on earth and your people murdered Him. In the Gospel of Matthew, He was reported to have told your religious leaders, (and they probably weren't, unless through Esau/Edom): "But in vain do ye (Jews) worship me (God), teaching for doctrines the commandments of men." You realize, I'm sure, that your TALMUD is nothing but the "traditions of 1,000 years of Jewry, mixed with the occult practices of heathen Babylon."

You would have much more of my respect, if you were to speak the truth, and say you "hate Jesus Christ and all Christians," instead of playing on the sympathy of good but "Jewish brainwashed" Christians who have been taught that you Christ haters, are really God's Chosen. What a monumental falsehood. Not all Christians are stupid. Some of us have even read and studied your TALMUD, although we KNOW this is a crime in Jewish eyes, and we KNOW how you really feel about Christ and Christians.

Secular Humanism is taking over because it is under Jewish control. Don't try and fool us into believing that a Jew, who hates Jesus Christ, and has been brought up that way, wants to cooperate with Christians by returning to TRADITIONAL CHRISTIAN VALUES. It would be more honest if you said: "A return to Jewish values!"

You and your work have nothing but my contempt and I call to your attention God's prophesy concerning your Jewish people in (Malachi 1:2-4). Here we are told how Jews will return "to the land where they were cast out", and attempt to rebuilt it, but that while they would rebuild, God would throw down, and you Jews will finally become known as "The border of wickedness; the people against whom the Lord hath indignation forever."

Yes, my Jewish enemy. A Day of Reckoning is coming, when you who preach a false
Gospel, and refused to accept God's Son, Jesus Christ, will answer for your crimes against God and His "true Israel" people, of which you are not a part.

I will do everything in my power to expose and counter your false efforts to entice Christians who have been "brainwashed" by your Jewish propaganda machine and ask God to allow you to "fall into the ditch" you have dug for my people (see Psalm 7:14,15).

You enumerate the sins of our government, and I agree with you they are an savory, wicked crew. But you fail to point out in your letter, that every evil mentioned, is being sponsored by Judaism. The ACLU is Jewish led and controlled; as is the A.D.L. which was the fomenter of THE F.B.I. OPERATION MEGIDDIO, aimed at harming and silencing CHRISTIAN PATRIOTS.

The abortion clinics you rightly expose, are for the most part Jewish owned, and the abortionists are almost 100% Jews. You KNOW this yet you are not honest enough to admit it in you false letter. The homosexual menace is Jewish approved, as you well know? You call this a CULTURAL, WAR, I say it is a WAR BETWEEN the FORCES of ANTI-CHRIST (Judaism), and the forces of a God loving, honoring Israel.

We shall OVERCOME, because we are on the side of the Almighty. Your defeat and destruction has already been decided in the council of heaven. You cannot win! You are fighting a propaganda war that will hasten your destruction! I detest hypocrites, and without a doubt, as a Jewish rabbi, you took the Kol Nidre Oath on the Day of Atonement. This means that you like all other Jews are a liar, and that we cannot trust what you say. My "true Israel" people have been warned, (2 Corinthians 6:14) - "Be ye (Christians) not unequally yoked together with unbelievers (a Jewish-Judeo-Christian coalition); for what fellowship has righteousness with unrighteousness? and what communion hath light with darkness?..." May the God of Israel stop you in your blasphemous attempts to brainwash His people and make money off it.

Dear Israelite Kinsfolk:

Enclosed you will find a letter written to men in my Prison Ministry, and an enclosed study on the Book of Romans written especially for them.

I did not have the funds available to print these in quantity, as they cost $2.65 each for printing, postage and handling. I had a few left over which I am sending to selected people on my Mailing List who I thought would be interested in the kind of material I share with men in the gulag.

My first interest is in reaching them with a "saving knowledge of the King", and secondly to root and ground them solidly in their Identity faith. I wish I could share with you some of the letters I receive, and show you how many are responding eagerly to a message they never heard before in their Judeo-Christian church. Thank you for your help in making this work possible, and may the Father richly bless and protect you and yours during the critical days which lie ahead.

TO:- ALL MEMBERS OF THE CRUSADE FOR CHRIST PRISON MINISTRY. VARIOUS PRISONS U.S.A.

Dear Spiritual Son,

The enclosed message was written especially for you and comes from my heart. It was designed to help you better understand the Israel Identity Movement of which this Ministry is a part, also the sometimes rather difficult teaching of one of the greatest First Century Christian leaders, our Israelite kinsman, the Apostle Paul.
The Apostle Peter, speaking about Paul's teaching in 2 Peter 3:16 said, "As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned (in the scriptures) and unstable wrest, (twist) as they do also the other scriptures, unto their own destruction (condemnation)." The purpose of this message is to try and explain, at least in part, what the Apostle Paul was trying to convey to modern day Christians regarding the Laws of God, and their responsibilities to obey them.

It has been my privilege for a number of years now; to have been your instructor in the Word of God and our Israelite heritage. Some of you have been in this ministry for several years, others only a few months. Some have been avid correspondents, with scarcely a month passing that we have not been in contact. Some have written only once in the past six months and are in danger of being dropped from this Ministry as a result. Some will drop out from this Prison Family, because my teaching from God's Word, does not conform with what you were taught in your Judeo-Christian church, and seems to difficult for you to accept. I challenge you to show me where I have been Scripturally wrong.

This drop out is to be expected for only "THE CALLED ACCORDING TO HIS PURPOSE" (Romans 8:28), which means those of you who have been convicted by God's Holy Spirit of your rebellion against Him, and have come to Him for forgiveness, and have accepted His Son, Jesus, as your Savior and King can be regarded as the "CALLED OUT ONES". You have become the new creature spoken of in 2 Corinthians 5:17 - "Therefore if any man be in Christ, he is a new creature: old things have past away; (you no longer seek to "do your own thing", but to obey Him) behold, all things have become new." Many of you in this Ministry have had this personal experience with the King. Some of you pretend to have it, but I can see from your letters that you are far short of what God wants for you. I am not easy to fool, since I have been in the business of working with men for over fifty years; 22 years in the Army, including three wars, and over eighteen in the Prison Ministry. Please do not try to fool me by using Christian or Identity phraseology when you do not mean it. Remember, I am trying to help you and it costs you nothing.

I would need to see you in action, when you face disturbing circumstances, before I could make an honest evaluation of your intentions, so I will not attempt to do this. Your actions are between God and you, and you will have to answer to Him one day. I go by the old adage: "What you do shouts so loud we can't hear what your say!" In other words, as the Apostle James said, (James 2:20) "... that faith without works is dead?"

The books I have sent you were meant to lead you to the truth, not only about God's Word, but dealing with our heritage and our enemies. Being a fallible man, I do not claim to be free from error, but have never, and will never deliberately lead you astray from the truth.

Like me, many of you came from a Judeo-Christian background where the traditions of the church had hardened around your mind like cement. In my case, it took the "dynamite of God" through a traumatic experience to blow this away, so that I can now read my Bible and see what it says, not what some seminary educated pastor says it says. Many of you have accepted the truth, not because Jack Mohr taught it, but because the Holy Spirit has shown you, through His Word, that it is correct. You are a joy to me akin to seeing a son graduate from college, "summa cum laude", only much more important.
The message I am including with this letter is important, and I urge you to study it carefully, asking the Holy Spirit to guide you to the TRUTH. It involves one of the most controversial books in the Bible, Paul's epistle to the Church in Rome.

Paul was an Israelite (Romans 11:1), from the Tribe of Benjamin. He was an Israelite brother by birth, and a Roman by citizenship (Acts 22:24-28), and until his conversion to Christianity on the Road to Damascus, (Acts 9) was a Jewish Pharisee, educated by the foremost Rabbi of his time. As Saul of Tarsus, he hated Christians and persecuted them.

Today, there are some in Identity circles, especially among those who accept SEEDLINE teachings, who say that Paul, the greatest, most respected Christian teacher of the First Century A.D. was a Jewish spy, who infiltrated the Christian church to destroy it. They do this on a deliberate misunderstanding of Paul's teachings regarding the law. They are known as "Paul Bashers". In their disagreement with Paul, they often "throw the baby out with the bath water."

This study is designed to explain Paul's teachings to the Christian church, in modern terminology and I pray it will clarify some problems some of you may have had as you read Paul's Epistles and the comments of fallible men concerning them. I believe I have the witness of the Holy Spirit on my side.

Paul was a great believer in FAITH, the kind of FAITH exhibited by the Old Testament heroes mentioned in Hebrews 11, Hebrews and Israelites alike, such as Abraham, Isaac, Jacob, Moses, David, none of whom were Jews. These were our blood kin.

In Romans 3:31, the Apostle Paul settles once and for all his understanding of God's Law and whether it still exists for believers when he said, "Do we then make void (of non effect) the law through faith? God forbid: yea, we establish the law."

I pray you will benefit from this study and if it raises any questions in your mind, feel free to ask. I will do my best to give you an honest answer.

Your kinsman and servant in the service of the King,

THE EFFECT OF PAUL'S TEACHING ON THE KINGDOM MOVEMENT!

First let me explain what I mean by the KINGDOM MOVEMENT. It is the belief, commonly called Israel Identity, which correctly identifies the White Nations of Christendom, as true Israel. There is over 200 fingerprints in the Bible that establish this Identity. We are the descendants of what are erroneously known as the Lost Tribes of Israel who went into Assyrian captivity for their rebellion against God, and lost their
identity as Israelites. (Hosea 1:10)

These people escaped from Assyrian captivity and made their way west and north to Western Europe, the British Isles, and later Australia and South Africa. We KNOW these people are true Israel, for Jesus said, "My sheep hear my voice, and I know them, and they follow Me." No other nations or people have readily accepted Christ's message. The Judeo-Christian pastors, educated in Jew tainted seminars will tell you that the ten tribes who went into captivity were, lost in the fog of history and that today the Jews are all of Israel. Our Savior repudiated this Himself, when He told the Jewish leaders in John 10:26 "But ye believe (me) not, because you are NOT OF MY SHEEP." This seems mighty plain to me!

Later, the risen Lord called the Jews the synagogue of Satan, (Revelations 2:9, 3:9)

Paul, was educated as a Jewish Pharisee, although he was an Israelite by birth from the tribe of Benjamin (Romans 11:1), and was a Roman by citizenship, who had been educated by the foremost Rabbi of his time, a man named Gamaliel. (Philippians 3:5, Acts 5:34, 35-39)

Paul became the Apostle to the Gentiles, who at that time were a remnant of the Lost Tribes who had settled in Asia Minor. Notice that Paul's Missionary work was all in this region, and when he wanted to go to Asia to preach, he was restrained by the Holy Spirit. (Acts 16:7-10) The reason is obvious, Paul's ministry was to be to his people Israel, who had lost their identity and were now contemptuously called GENTILES by the Jews. Our brainwashed pastors still call us GENTILES, when Hosea 1:10 says we shall be known as the sons of the living God, Christians.

These Paul Bashers love to point out that no one was a witness to Paul's conversion and that we have to take his word for the fact that a voice from heaven spoke to him. (Acts 3:9) They are careful not to point out that God sent a disciple named Ananias to Saul, to restore his sight and baptize him. (Acts 9:10-18) It's amazing how some men are willing to accept parts of the scripture they like, and discard those which do no fit their preconceived notions. I call this Cafeteria religion.

As I mentioned before, these Paul Bashers come mostly from those who teach the SEEDLINE fallacy, which is one of the Jewish fables Paul warned us about in Titus 1:14, and which comes straight to us from the Jewish holy book the TALMUD.

This message is specifically written to you men in the gulag ministry, to give you a spiritual insight into what the Apostle Paul taught and why it is so important to us today. (The modern Judeo-Christian church has also taken Paul's teachings and twisted them around in a direction opposite those of the Paul Bashers. According to the Scriptures, they are both wrong!) What Jack Mohr believes has nothing to do with it, it's What saith the Scriptures?

I will not have time in this message to hit the high points of Paul's message to the Israelite Christian church, contained in his Epistles. I will concentrate on his letter to the church at Rome, which I believe is the most controversial.

A good deal of the information I give you will come from a book titled THE BIBLE READER'S COMPANION, authored by a Judeo-Christian named Lawrence 0. Richards. I am marking my copy at the present time, to show where he has been led
astray by Jewish tainted teachings. For the most part this book is excellent and will soon be available to you through the Prison Lending Library. It is one of the finest overall commentaries on the Bible, Old and New Testament I have ever read.

While the book of Acts gives an overall account of the life of the Apostle Paul, beginning with his conversion in Acts 9, Paul's letters to the Christian Israelite churches scattered abroad, begin with the Epistle to the church at Rome. None were written to a Jewish Christian church, for no such animal has ever existed. (You cannot be JEWISH and CHRISTIAN at the same time, for they are headed in different directions and worship different Gods). These letters were for instructional and correctional purposes.

In the Epistle to the Romans, Paul sees himself as a servant of Jesus Christ, sent on a special mission and in verses 3,4 of the first chapter affirms the humanity and deity of Jesus Christ. As a descendant of Adam, and later the Davidic family, He qualifies through His human nature, as Israel's Messiah (Isaiah 11:1).

The physical resurrection of Jesus (Romans 1:4) didn't make God's Son, but demonstrated the truth that He was. Paul recognized this reality and gave Jesus His appropriate name and title. JESUS was His name (some in Identity call Him Yashua, one and the same), and CHRIST, which identified Him as Israel's coming King. He is our LORD, identified in Hebrew in the Old Testament as YAHWEH, which is His personal name in Hebrew and is used by many in Identity.

Salvation in His name gives the believer past (forgiveness for rebellion), present power (to live Godly, God pleasing lives), and future (resurrection and transformation). It brings salvation to ALL, who believe the Word, and are led by the Spirit of God, they are the sons of God (Romans 8:14).

The wrath of God revealed in verse 18, is the result of the rebellion of the creature against his CREATOR. It makes life painful for those who reject Him. It is not that men cannot KNOW the TRUTH, but that they deliberately ignore it because it goes contrary to doing their own thing! CREATION in itself sends a message to all mankind everywhere that there is a Supreme Being, we call God. Man's sinfulness is not seen so much in his wicked acts, but in the manner in which he responds to God.

When men KNEW God, they retreated from this knowledge to worship the creature instead of the Creator and the consequences can be seen in verses 26-32.

Today, we find the general public and even many in the church world, approving practices that God looks on with disgust, (verse 32).

While Richards says: "The Jews had God's Law and were proud of it and their superiority", God's Law was never given to the Jews but to the Israelites at Mt. Sinai. There were no people called Jews anywhere in the world at this time.

Paul's evident intent here is not to describe the way of salvation, as it is the fruits of salvation.

When God judges what we do, those who are saved and possess eternal Life, do so on the basis of Christ's sacrifice for the sins of the world. Our good works cannot produce salvation, for we are saved by the GRACE of God, through FAITH. (Ephesians 2:8). Good works are the result of our salvation, and without them our Christian witness is
worthless.

Paul speaking to the Edomite leaders of Jewry is verse 17 says that they "break the Law of God, while boasting of their superiority". This is nothing but an expression of raw pride! Some in Identity have this same weakness.

Circumcision, which was given to Abraham, a Hebrew, never a Jew, was as outward, physical sign of membership in God's Covenant Community. But true relationship with God requires the spiritual circumcision of the heart. Those who rely on circumcision, or keeping the Law, to get into the Kingdom are going to be left outside, weeping and gnashing their teeth.

Romans chapter three begins with a verse that causes some confusion, since it asks the question: "What advantage hath the JEW, or what profit is there in circumcision," He then goes on to explain that "Much in every way; chiefly, because that unto them were committed the oracles of God". I am not one who when I come to a portion of Scripture I don't like, say: That MUST be a mistranslation! This quite obviously is, for we KNOW that the Jews received no oracles (this is the Greek word logion, which means utterance of God) and these were NEVER given to a people called JEWS, but to ISRAEL.

Paul teaches the doctrine of total depravity which many in the modern church detest. This means that ALL have sinned. That nature in this imperfect state, is unacceptable to the Holy God, (verse 12).

The Law was a standard for right living. It never had anything to do with salvation. In the Old Testament, a man or woman's sins were forgiven on the basis of a blood sacrifice. We do not need this now, for Christ has become our once and for all time sacrifice for sin.

When individuals fell short of the Law in the Old Testament they had to get back in a right relationship with God through a blood sacrifice. We will not be judged by God, we have already been judged and found guilty. (verse 21) shows us that any righteousness found in the Law must come from human works, while any righteousness God provides comes from His GRACE, as we approach Him for forgiveness.

In verses 22, 23, Paul makes another rather stunning statement, that all the righteousness that comes from God is taught in the Law and the Prophets of the Old Testament. This is not simply a New Testament truth.

Those Christians who delight in calling themselves New Testament Christians, are way off base, for they are saved the same way the Old Testament people were saved. In the Old Testament they looked forward to Christ's death on the cross, while we look on it as an accomplished fact. We are both saved by the same act of FAITH.

In the Greek language, the English word PROPITIATION, is HILASTERION which means: "The averting of just punishment." In Hebrew culture it implies the sacrificial death of a substitute which is what Jesus did when He died on the cross. In 1 John 2:1,2 we are told, "He (Jesus) is the propitiation (the one who saves us from the just punishment of our lawlessness) for our sins, and not for ours (Israel's) only, but for the sins of the whole world." The next time someone tells you that only Adamites can be
saved, ask him to explain this scripture.

When Jesus died, He took on His shoulders the awesome penalty for the sins of the world and we are told in John 3:16 - "For God so loved the world (not just Israel), that He gave His only Begotten Son (Jesus), that whosoever (all inclusive) believeth in Him should not perish, but have everlasting life." This is why on the cross we find Jesus crying in agony, "My God, My God, why hast Thou forsaken Me?" At that moment God had turned His back on His own Son, that we who believe might have everlasting life. He took our rejection by God on His own shoulders.

Some Identity state that Paul's teachings about GRACE and salvation by FAITH deny the Old Testament revelation of God. Paul says that it upholds it, and gives it the place God intended it to have. In Romans 3:31 he said, "Do we then make void (of non-effect) the Law, through faith? God forbid: yea, we establish the law.¹

A Christian keeps the Law, because under the New Covenant, it has become engrafted in his heart. The writer of the book of Hebrews understood this and explained it in chapter 9.

Christians since the death of Christ do not keep the Law in order to be saved, for Christ made that once and for all sacrifice for our sins on Calvary. This is all we need. We keep the Law because we know it is pleasing to God. In Romans 4:1, when Paul speaks about "Abraham our father according to the flesh," he was speaking to Israelites about their fleshly forbear, not the Edomite Jew who controlled Judaism at this time. He goes on to prove that a right relationship with God, was anchored in FAITH, just as it is now.

Paul indicates that this is not an act of God for the service we have rendered Him. Instead, God relates to us through His promises and we must relate to Him through faith, as shown by our GOOD WORKS. (Romans 4:4) We are not SAVED by them, they are evidence of what has taken place in our lives. The Apostle James gives a concrete example of this in James 2:14-17, when he says that if a brother or sister who are destitute come to us for help and we tell them "be ye clothed and fed", and do nothing to help them "what doth it profit?" It means nothing, for our FAITH without WORKS to back it up is useless.

Our SALVATION depends on God keeping His promise to us, and when we OBEY, this is shown by the kind of life we live, in GOOD WORKS. This is why I have often told you, "What you do, shouts so loud that we can't hear what you say!" You can shout to the roof tops that you are born again, but when a guard gives you an order you don't like you curse him, or as one man did, threw hot coffee in his face, your salvation experience is nothing but hot air, and you are shown up as a hypocrite.

ALL the blessings we have in this life come from God. We could not exist for one minute without Him. The sunshine we enjoy, the air we breathe, the water that is necessary for our existence all come from Him. He can wipe us out like an insect at any time, if He so desires, and we only live because of His gracious longsuffering with us when we are rebellious against Him. In 1 Peter 3:20, the Apostle mentions how in the time of Noah, a long suffering God waited for men to repent, before He destroyed the world with a flood. We KNOW that Noah preached repentance for 120 years as he worked on the Ark, yet only his own immediate family listened to him and were saved. Think about that when you get discouraged with witnessing to your fellowman.
Never think of Christianity as pie in the sky, and the sweet by and by. It is a positive relationship with the King, right here and now, that will carry over into eternity. The Apostle Paul, in 1 Corinthians 2:9, quoting from the Prophet Isaiah (Isaiah 64:4) tells us, "... Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love (and I might say, obey) Him." For OBEDIENCE is the sign of our LOVE for HIM. Not what we say, but what we do. We are sitting at a banquet table, piled high with a spiritual feast we can enjoy right now, with much more to come when He returns.

We often complain about the troubles and persecution we receive as Christians, but Romans Chapter five indicates that this suffering shapes us up for that which is good verses 3-5 tell us, "... we glory in tribulations also: knowing that TRIBULATION worketh PATIENCE; and PATIENCE EXPERIENCE; and EXPERIENCE HOPE; and HOPE maketh not ashamed, because the love of God is shed abroad in our hearts, by the Holy Ghost, which is given unto us."

In verse 6, we see where the proof of Christ's love for us was shown in His willingness to die for us while we were yet in rebellion against God. Theologians love to debate how death came unto all men through Adam's sin, and our racial heritage from Adam to the present time has been one of sin, disobedience and death, as God promised in the Garden of Eden (Genesis 2:17) "... for in the day that thou eatest (not have sex with, but eat) thereof ye shall surely die." It was the serpent's lie in Genesis 3:4, that convinced Eve that they would not die, but would become like God. Man has believed this falsehood ever since.

How this curse applies to non-Adamic people I cannot answer, but we know it does, although the vast majority of mankind does not come from Adam's seed.

Now that we have accepted Christ as Savior, we belong to a new race. Our heritage is not that of Adam, for whom God cursed the ground so that he would eat in sorrow all the days of his life, and have to combat thorns and thistles, only to die and return to dust. NO INDEED! Now through Christ's righteousness, we can look forward to eternal life in God's presence.

The sin spoken of in Romans 5:11-21, may refer to specific acts of rebellion against God, but may also serve to focus our attention on the corruptness of human nature. The Bible says, "... there is none that doeth good, no, not one." (Romans 3:12, Psalm 14:1) In this sense, SIN is a principle that LIVES (dwells) in the human personality. (Romans 7:17) It warps and destroys our desire to understand the will of God and destroys any desires we may have to chose that which is right.

Romans 6:3 does not refer to water baptism, when it says we are "... baptized into Christ Jesus were baptized into His death?" It refers to the work of the Holy Spirit by which we become organically united with Jesus. (see 1 Corinthians 12:13) "For by one Spirit (notice the word Spirit is capitalized, so we know it refers to the Holy Spirit) we are baptized into to one body ..." (see Colossians 2:12, Galatians 3:27) The salvation God gives us when we conform to His will is in the present tense and is complete. We are being saved by Christ, right now, as He releases us from the control of sin and Satan, to live a life pleasing to Him.

The tendency to sin remains embedded in our human personality, even after we are saved. This reminds me of a story I heard once about an old American Indian preacher
who was trying to illustrate this truth. He said, "It's like there were two big dogs inside of us, a good White dog, and a bad Black one (this illustration would be frowned on today, because of the colors involved) that are always fighting to see who will be supreme." When asked which one won, he replied, "The one I say 'sic em too!' Never be so foolish as to say, "I couldn't help it, or Satan made me do it", for we choose to 

**BELIEVE** God and obey, or do our own thing, and **DISOBEY**! Of course we suffer the consequences for the Law of Harvest immediately goes into effect, that says, "Be not deceived; God is not mocked: for whatsoever a man (woman) soweth, that shall he also reap."  

**Galatians 6:7** This Law, which is as sure as the Law of Gravity, was written to Christians, it's for Christians, but it operates for everyone, be he President, Pope, a billionaire, or the drunk in the gutter.

When you are **saved**, this does not mean you have freedom to disobey the Law, but to **OBEY** it. You do this automatically because you know it is pleasing in the eyes of God.

When a mother tells her little boy, "Don't eat these cookies, they are for your sister's Girl Scout sale!", her **DON'T** makes those cookies that much more appealing to the little boy. Paul reviews the Law system and says that what is wrong with the system isn't a flaw of Divine standards. God's Laws are holy, just, and good. It is you and I who are flawed. We automatically want to do what God says is bad for us. We look at the Law and see where it states, "The soul that sinneth, it shall die." We know that we can't keep God's law in our own strength, so we go scurrying to find a way out of our perilous predicament. Paul says the Law becomes the school master to bring us to Christ, for only He has the answer for the sin problem, and is the only way we can reach the Father.  

**John 14:6**

Paul's experience is that of many Christians. We struggle to do right, but seem to fail again and again, as the thing we know we should do and want to do, we can't seem to do; while the things that are wrong, seem so easy to commit. Our hope is to stop fighting against God, and seek the route of **OBEDIENCE** to Him which brings about righteous living and happiness.

The question we many ask is how can a Christian live a righteous life without a constant struggle to keep the Law? In Chapter eight, Paul introduces another **universal principle**. This is the **LAW OF LIFE LIVED IN THE POWER OF THE HOLY SPIRIT**.

In verse 1 he says, "There is therefore now no condemnation (Greek, **HETAKRINO**, meaning: adverse sentence against) to them which are in Christ Jesus, who walk not after the flesh, (lusts of the flesh) but after the Spirit."  

(Note that the word Spirit is capitalized indicating it refers to the Holy Spirit) He goes on in verse 2 to explain, "For the law (Greek, **NOMOS**, meaning: specifically the law of Moses) of the Spirit of life in Christ Jesus hath made me free from the law of sin and death." verse 3: "For what the law (of Moses) could not do, in that it was weak through the flesh, God sending His own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh:" Nothign with doing away with the law here, but strengthening it.  

In verse 4 we find, "That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit." He then goes on to state an observable fact in the life of a genuinely **saved** man or woman. Verse 5: "For they that are after the flesh (unsaved) do mind (follow) the things of the flesh; but they that are after the Spirit (the truly **born again** ones) the things of the Spirit."
It is natural for a genuinely saved person to keep God's Law, since it has become engrafted in his or her heart, The Apostle James backs this claim in James 1:21 when he tells Christians, "Therefore lay apart all filthiness and superfluity (Greek, PERISSEIA meaning: abundance) of naughtiness, and receive with meekness the engrafted (in your heart) word, which is able to save your souls." He goes on in verse 22 to say, "But be ye doers of the Word, and not hearers only, deceiving you own selves." He gives an example of a man in verse 26 who makes a show of his religion, but refuses to control his tongue (gossiping). James said, "... this man's religion (belief) is in vain."

Paul has already told us in Romans 2:29, that an Israelite, "... which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God."

Remember that circumcision was given to Abraham, a Hebrew, not to the Jews, as there were no people in existence called Jews until 1200 years later. So if a pastor says that circumcision was given to the Jews, you know he is wrong.

Today, under the New Covenant, we focus our attention on responding to God's Spirit, and when we do, we automatically keep His Law. So our obligation as Christians, is not obeying the Law, but obeying the Spirit, and when we do we will keep the law.

Romans 8:14 tells us that, "For as many as are led by the Spirit of God (not by His law but by God's Spirit), they are the sons of God."

Paul then looks forward to the day when creation itself will be renewed. While we wait for this day, God's Spirit helps us in our weakness and prays for us in words that cannot be understood by the human ear (verses 26,27).

It is our relationship to God through the Holy Spirit which gives us victory over the flesh and the devil. God has chosen that His CALLED OUT ONES will live in VICTORY, not in the muddy pit of sin. We are to be CONFORMED (Greek SYMMORPHOS, meaning: jointly formed; similar to), the image of His Son.

When we live in OBEDIENCE to God's Spirit, nothing can separate us from His love, (verses 38,39) no earthly force has the power to do this. It is when we live in conformity to His will, that the promise of Romans 8:28 goes into effect, "And we KNOW that ALL things, work together for the good to them that love God, to them who are THE CALLED according to His purpose." The word called as used here comes from the Greek KLETOS, meaning: those who have been invited or appointed.

You become one of THE CALLED, when you accept Him as Savior and turn control of your life over to Him. Paul said in verse 30, "Moreover whom He (God) did PREDESTINATE, them He also CALLED: and whom He called, them He also JUSTIFIED: and whom He justified, them He also GLORIFIED."

While it may seem in chapter nine that God has set aside His ancient people true Israel, and did divorce them for a spell for their disobedience, until the death of their King on Calvary, but now for those who accept Him and His sacrifice for their sins He has given them ADOPTION, and the COVENANTS, and the giving of the LAW, and the SERVICE of God, and the PROMISES. Remember once again, that these things were never given to a people we know as Jews, but to true Israel.
Paul re-emphasizes the fact that it is **true Israel**, who are God's chosen, then makes a distinction between a **descendant of Abraham through the flesh**, and a **member of the Covenant family**. You can be a pure Israelite of the family of Abraham, and never make it into God's Kingdom, that's why Jesus told Nicodemus in **John 3:3**, "Except a man be born again, he cannot see, the Kingdom of God." You get into the kingdom through what you do with the King, not through your **bloodline**.

God makes a distinction between the **physical seed** of Abraham, and what He considers His **true children**, who are **spiritual** after the faith of Abraham in their **Obedience to** God. Then in verse 6 he makes a rather strange statement, "... For they are not all Israel, which are of Israel: verse 7: Neither, because they are the seed (bloodline) of Abraham, are they all children: but, In Isaac shall thy seed be called." This refers to **Genesis 21:12**, where God told Abraham, "... for in Isaac shall thy seed be called," and again in **Hebrews 11:18**.

God considered some of Abraham's progeny as **seed of the flesh**, but the **children of promise**, those who come from Isaac were those from whom the Savior came. In verse 11, he goes on to explain a bit about **election**, which has become a bone of contention to many Christians. Going contrary to traditions of the day, God made a choice between the sons of Isaac, Jacob, and Esau, and before the twin boys were born, and had committed any good or evil, He chose the younger, Jacob. In verse 13 he said, "Jacob have I loved, but Esau have I hated." God could look into the future and see that Esau would sell his birthright for a plate of **red beans and rice**, and would break God's Law by inter-marriage with a Canaanite, while Jacob would be **Obedient**.

Paul indicates that some people will believe that God is unrighteous in playing favorites and said, "God forbid!" He explains how that God has mercy on some, while the minds of others are hardened, such was the case of Pharaoh. So when someone says, "Why does He (God) find fault with me when He made me this way?" Paul said, "Who are you to question God?" He goes on to say that when a potter makes a vessel of clay, he has the right to make a vessel of honor (beauty), or a vessel of dishonor (a chamber pot), out of the same lump of clay. He also has the right to destroy what he had made. Then Paul hits on the theme of **true Israel** in verses 25-27 - "As He saith in Osee (Hosea 2:23), 'I will call them my people which were not my people, which were not my people; and her beloved, which was not beloved.' Remember God divorced His Israel people when they went into Assyrian captivity for their disobedience. In verse 26 he said, "And it shall come to pass, that in the place where it was said unto them (Israel), Ye are not my people; (the counterfeit Jews and Judeo-Christians still call us Gentiles), there shall they be called the sons of the Living God." (Christians) He goes on in verse 27 to say that through the number of the children of Israel shall grow to where they can't be numbered, only a remnant will be **saved**. You are part of that remnant, if you have a genuine **salvation experience** with Jesus Christ. The word **remnant in Greek**, refers to a few. This takes us back to Jesus' statement in **Matthew 20:16** - "... for many be called, but few chosen." Some of you can relate to this in a personal way, for you have seen men who were under conviction for their rebellion, who refused to accept God's mercy and forgiveness. They cannot enter the Kingdom, through they may be white and of Israel.

Writing about this almost 600 years before the time of Paul, in **Ezekiel 20:37,38**, we read, "And I (God) will cause you (Israel) to pass under the rod, and I will you into the bond of the Covenant: verse 38: And I will **PURGE** (Hebrew, **BARAR** meaning: examine, select, choose, purge) out from among you (Israel) the rebels, and them that
transgress against Me: I will bring them out of the country where they sojourn (live), and they SHALL NOT enter into the land of Israel: and ye shall know that I am the Lord." I do not believe this refers to Old Palestine, but to the new land where Israel would go after their Assyrian captivity. We are living in that land today.

Paul uses his argument to show that the chosen people, are not only Israeliites, but those who at that time were called GENTILES. Remember they lost their identity as Israel in Assyrian captivity and are now no longer known as Israel, but as the sons of the Living God, Christians. (Hosea 1:10)

When God made His Covenant with Abraham, He chose which of Abraham's seed would inherit it. He chose Isaac over Ishmael, and Jacob over his elder brother Esau. According to Hebrew tradition, Esau should have received the birthright, because he was the first born of the twins. But he had contempt for his birthright and sold it to Jacob for something of monetary value. Hebrews 12:17, says, that he sought the blessing later with tears. (see Genesis 27:34)

God gives no reason for His hatred of Esau, but refers to it again in Malachi 1:2-4, which we see taking place now in old Palestine. God said the Jews will try and rebuild the land, and what they rebuild, He will destroy, because He has anger against them forever.

Paul points out that God is not like a potter who squeezes unresponsive clay into a lump. He does not do this even with those who reject Him. He bears with great patience those who are to become objects of His wrath, but as I said before, "He does not balance His books at the end of the year."

Humans are not clay, and God is not responsible for their sinful condition. Those who are prepared for destruction, are those who choose to disobey God and do evil. Yet in spite of the fact that their evil cries out for Judgment, God remains patient with them, while giving them every chance to repent. A. good example is that of President Clinton, who while claiming to be born again, brings disgrace on the name of Christ by his ungodly living. He has had, and will have other chances to repent. To date there is no visual evidence that he has. "For by their fruit shall ye know them."

In chapter 10, Paul argues that God has not rejected His people Israel, but they rejected Him. Remember again, that this refers to His Israel people not to Those who say they are Jews are not, but are of the synagogue of Satan. (Revelations 2:9, 3:9)
