Paul had a passionate love for his people, which we should have today. He knew how they had time and time again turned their back on God, and how the Book of Judges has many references to Israel doing evil in the sight of the Lord, and sold them into the hands of their enemies. He also knew how they had gone about to obtain righteousness through their own acts, which is impossible. In verse 3 of chapter 10 of Romans he said, "For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God." The same is true today. Paul insinuates that while the Good News of the Gospel had been
preached to Israel, few had accepted it. Today, our Christian churches are filled with so-called born again believers, who to all intents and purposes have become the salt He spoke about in Matthew 5:13, that has lost it's saltiness, it's ability to act like salt and hold back corruption. He said, "... it is thenceforth good for nothing, but to be cast out, and trodden under foot of men." It was only good for the garbage heap! Today churches are filled with professing Christians, who instead of being on the front lines in this struggle against wickedness in high places, have become spiritual foxhole dwellers, hiding inside their foxholes, as they ask Jesus to come back and Rapture them out of the results of their Christian apathy. It won't happen!

Over and over again in the Old Testament, God sent prophets to His people Israel and they refused to listen to them. In fact they mistreated many and killed a few who came with messages of warning. Today, the Judeo-Christian church has turned their backs on the WATCHMEN of God, who are trying to warn them from God's Word, about the evils that are about to descend on the country and label us as hate mongers, Right Wing Extremists, and Anti-Semites. Paul indicates that while the message had been preached, few responded to it.

Over and over again in the Old Testament, as God sent His prophets to warn His people, they are referred to as a stiff-necked people. They are called this in many places, Deuteronomy 9:6-13; 10:16; 2 Chronicles 30:8; Acts 7:51. In Colossians 2:14, Paul speaks about the, "Blotting out the handwriting of ordinances that was against us (Israel), which was contrary (opposed) to us, and took it out of the way, nailing it to His cross." He was not speaking about the Law. The Colossians knew what he meant, for in those days when a man committed a crime and was jailed, the list of his crimes and the sentence was written on a parchment called a libellus, which was nailed to the cell door. When he completed his sentence, or was pardoned, the judge wrote across the face of this parchment PAID IN FULL and signed it, and he could never again be charged with these crimes. This didn't mean he was free to go out and commit them again. Christ did the same with us, and when we accept Him as Savior, it is written across our lives, PAID IN FULL with His precious blood. We can never be held accountable by God for those sins, but this doesn't mean that because past sins are forgiven, we are free to go out and commit others.

When I was in Moody Bible Institute in the late 1930's, I remember an argument taking place among some Judeo-Christians. One made the foolish statement, "Now that I'm saved, I can do what I want and will never perish, for God gave me eternal life." This is why God gave us a safety valve for when we sin, and we will at some time or another." God has said, "If we confess our sins, He is faithful and just to forgive us our sins, and cleanse us from all unrighteousness." (1 John 1:9) We are treading a dangerous path, when we believe that because we belong to Him, we do not need to obey His Laws.

This thinking is implied in Hebrews 10:26,27, which says, "For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, verse 27: but a certain fearful looking for of judgment and fiery indignation. . ." This is reinforced in Hebrews 6:4-6 - "For it is impossible for those who were once enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Ghost, verse 5: And tasted the good word of God, and the powers of the world to come, verse 6: If they shall fall away, to renew them again unto repentance; seeing they crucify to themselves the Son of God afresh, and put Him to an open shame."
This backsliding thing is not the simple matter many churches make it out to be. It's exceedingly dangerous to one's spiritual health and can be fatal. Some people go forward to a church altar, read the sinners prayer, sign a commitment card, get baptized and join the church. The pastor tells them they are saved. Then something happens they don't like and they get mad at the pastor, or maybe even at God, and show their disgust by rebelling against God. They do this over and over, and think they can come back to God any time they feel like it. Not so! The only time they can return to God is as the Holy Spirit leads them. I'm not sure, but this may be the sin against the Holy Spirit Jesus spoke about in Mark 3:29. I have seen men and women who have been led to repentance over and over again, and have turned it down. Finally a time may come when the Holy Spirit no longer deals with them and when this happens there is no hope for them, either in this world, or the world to come!

In His sovereign grace, God chooses those who believe over those who think they qualify for His Kingdom because of their bloodline.

Even now, in spite of Israel's general rejection of God, He has reserved unto Himself those who have been chosen by virtue of His GRACE, and not on the basis of their GOOD WORKS.

GOOD WORKS are the barometer that proves FAITH and GRACE.

At this point in his book, Mr. Richards gets carried away with his Judeo-Christian logic and states that the present mass conversion of the Gentiles is a mystery not explained in the Old Testament. There is no such mass conversion of anyone other than Israelites from the Ten tribes who went into Assyrian captivity and can now be found among the White nations of Christendom. This is proven by the fact that over 200 fingerprints that identify true Israel in these closing days of this Age, point to these people. Not one of them applies to the anti-Christ's we call Jews. The reason these White people have responded to the Gospel message is because they are Israelites. Not one single colored nation has ever so responded. They are reached only with much effort, the expenditure of vast sums of money, and on many occasions, danger to the messenger.

I believe we are seeing the fulfillment of Ezekiel's Vision of the Valley of Dry Bones, as spoken of in Ezekiel 37, and that soon, these will stand on their feet, "... an exceeding great army". (37:10). Richards, like most J.C. preachers, says that the Gentiles have been engrafted into the Jewish tree. There never was a Jewish Tree, it was always Israelitish. Paul indicates that when the full number of GENTILES (Israelites) are saved, that God will keep His promise and all Israel will be saved. Again, this could not possibly have referred to the Jewish people.

Romans 11:14 says, "If by any means I may provoke to emulation them which are my flesh, and might save some of them." The word FLESH, used here has many meanings in Greek. It is SARX, which means: The body as opposed to the spirit; kindred; human nature with all it's frailties; a human being. He goes on to say in verse 15 - "For if casting away of them (who ever they may be) be reconciling of the world, what shall the receiving of them be, but life from the dead?"

While the Judah side of Israel was never divorced from God, through inter-marriage with the Edomites, they produced a small percentage of those we today know as Jews. Most of the JEWS are Turco-Mongolian Ashkenazis who never had any connection with Abraham. So "if the root be holy, so will be the branches" and at no place in
Scriptures do we find that the Jewish element, even those remotely connected with Abraham, are called holy. Jesus said, "they are not part of His sheep," in John 10:26. In John 8:24, He called them the children of Satan. This indicates to me that the olive tree Paul speaks about, must be true Israel, and not the Jews, who he said, "... please not God, and are contrary to all men:" (1 Thessalonians 2:15) The wild branches engrafted into the Israel trunk, must refer to true Gentiles, the heathen who Christ also came to save. He warns them not to boast against the Israel root, which is taking place today. One branch of a Black church, states that all the Patriarchs of the Old Testament, and the heroes of God were Black, and that Jesus was Black. This would have been impossible, for Christ's ancestor David, most assuredly was a White Adamite, since the Bible describes him as "ruddy (reddish complexion) and withal of a beautiful countenance, and goodly to look to." (1 Samuel 16:12) In 1 Samuel 17:42, when David faced the Philistine giant Goliath, it says that when Goliath looked on him, "...he was but a youth, and ruddy and of a fair countenance." In Song of Solomon 5:10, which is most assuredly written about Solomon, David's son, it says, "My beloved is White and ruddy, the chiefest among ten thousand." This is also a description of Jesus. The very word Adam in Hebrew is to show blood in the face; capable of blushing, which is a peculiarity only of the white race.

In a letter written by Pontius Pilate to Caesar, now in the Vatican Library, he describes Christ as having shoulder length chestnut hair and blue eyes. Most assuredly not an African Black.

Since this message is not about race, per se, I will get back to the book of Romans.

The Israel tree was rooted in Abraham's FAITH and OBEDIENCE to God and the present massive Gentile (True Israel) conversion to Christ is evidence of their Israel ancestry. In John 10:26, where Jesus tells the Jews they are NOT OF HIS SHEEP, He goes on to say in verse 27 & 28: "My sheep hear my voice, and I know them, and they follow Me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand." Before we get carried away with the Doctrine of the Security of the Believer, as my grandfather used to say, "No force can pluck the Christian out of God's hand, but as free moral agent, we can choose to step out", and many have done this and lost their souls. (Review again Hebrews 6:4-6)

The Phillips Translation of the New Testament catches the true meaning of Paul's words in Chapter 12, when it says, "Don't let the world around you squeeze you into it's own mold." Christians don't have to float with the worldly current, we are strong enough to swim upstream.

In verse 2 Paul is trying to tell us, Trust God's will to be good for you, test you confidence in Him by doing His will and OBEYING Him even when you can't understand why, and you will discover God's way is truly good, pleasing, and perfect.

Love is not some abstract concept in scripture it is a way of Life, verses 9-18. Verse 9 says, "Let love be without dissimulation." The dictionary says that to dissimulate means to hide one's feelings through pretense. verse 10: "Be kindly affectioned one to another with brotherly love; in honour preferring one another." In other words, put your Christian brother and sister first in your life. verse 12: "Rejoice in HOPE, be patient in tribulation; continuing instant in prayer;" (pray without ceasing, or be in a prayerful attitude at all times) verse 13: "Distributing to the necessity of saints; (your Christian brethren) given to hospitality." (helping unfortunate folks) verse 14: Bless them which
persecute you: bless and curse not." You men in the gulag take special note of this advice is coming from a man who had more persecution than you will ever see, not for doing evil, but for following God. It may seem stupid to you, but I dare you to try it and see for yourself how it works.

Verse 15: "Rejoice with them that do rejoice, and weep with. them that weep." verse 16: "... Mind not high things, (don't think you are better than other folks) but condescend to men of low estate. (be content with common things) Be not wish in your own conceits." (an aggravated opinion of how important you are) verse 17: "Recompense to no man evil for evil. Provide things honest in the sight of all men." This is of special importance to you in the gulag, because there will be many men you come in contact with, who because of their actions, you would much rather beat up on. As a Christian you can't do that, or rather you won't want to do it. Many times it takes more manhood to keep from violence than it does to clobber someone you don't like. Now here is one that will be difficult for some of you to follow: "Avenge not yourself, but rather give place unto wrath; for it is written vengeance is mine, saith the Lord, I will repay!" Many men in prison feel that if they don't respond strongly to someone when they are insulted, it means they are a sissy. No! It means you have learned to control yourself, and this is a Christian virtue. In Proverbs 15:1 we are told: "A soft answer turneth away wrath; but grievous words stir up anger." The next time a Black or Hispanic curses you and dares you to fight him, give him a soft answer and see what happens. I'll guarantee that you will be pleasantly surprised. Paul, like Jesus, says that if we are kind to our enemies, we punish them by pouring "coals of fire on their head".

So as a Christian, always overcome evil by doing good. If someone curses you and you respond in kind, you are as bad as he is, and, in case you are a Christian, you are worse--for you know better Returning good for evil will induce remorse in the most wicked man. It may not be visible right now, but it will be on the Day of Judgment, when he receives a more severe punishment from God because he returned evil for good. Always remember "The mill of God grinds very slowly, but it grinds exceedingly fine, and every good and evil deed a man or woman does will be recorded by God." In Revelation 20:12 the Apostle John, in his vision of heaven said, "And I saw the dead, small and great, stand before God; and the books were opened; and another book was opened, this is the book of life. And the dead were judged out of those things which were written in the books, according to their works". Here is where the blood of Jesus goes to work for us. In essence when the evil deeds we did before we were save are read, Jesus can say, "But Father, I paid for those sins on the cross, he's my sheep now!"

Romans chapter thirteen is possibly one of the most misunderstood books of the New Testament, both with the Judeo-Christian church and with Identity believers.

There is no reason for this misunderstanding for Paul is clear in what he teaches. He begins by telling us that Secular Government was set up by God to be His servant. Not in a conscious sense necessarily, but because it serves His purpose.

It is a well known human fact that in order to avoid chaos, human government MUST enforce a minimum level of justice and restraints on it's citizens. It is when the government gets out of control, as the British government did under King George III did during the Revolutionary War, that free men had to fight for their God given rights, and where the watchword was "Resistance to tyranny, is obedience to God!" and "We have no King but Jesus!"
Early in the history of this world we read where "every man did that which was right in his own sight". There was no law to control them and the evil in man's nature surfaced to make this world a living hell.

Christians out of respect for this God given institution are expected to support it and give due respect to it's leaders. I do not believe this is respect for the individual as much as for the position. In this country we should respect the position of President, even though we have a reprobate sitting in that position.

There is no doubt that I will make some in Identity ranks angry by saying that in my mind, Christians should pay taxes for the benefits we receive from this government. Jesus lived under possibly the most repressive government that has ever existed, the Roman Empire. It ruled men and women with an iron fist. If did many things which were contrary to God, yet nowhere do we find Jesus criticizing it, or indicating to His followers that they should rebel against it. This was one reason the people of Judea would not receive Him. They wanted a king who would save them from Roman tyranny and when He indicated that His Kingdom was not of this world order, they turned against Him and crucified Him. Some extremists have tried to picture Jesus as a Hippie-type rebel, fighting against the government when this was not so! In fact, when the Edomite leaders of Jewry tried to trick Him into making seditious statements against Rome, we have His answer in Matthew 22:21 - "Render unto Caesar the things which are Caesar's (taxes); and unto God, the things which are God's (the tithe)."

In Matthew 17:25-27 He discusses paying taxes with Peter. Then in verse 27 He tells this disciple to go catch a fish and that he will find a piece of money in it's mouth. He said, "Notwithstanding (in spite of the fact that sovereign citizens do not have to pay taxes), take the money you find and pay what we owe rather that offend the government." Many times the tax resisters in Identity have given a bad name to the rest of us, where we are pictured as Right-Wing EXTREMIST - LAWBREAKERS, when in reality we are the cream of Christian American society, interested in having a better country under God, to hand to our children, and willing to fight and die for this principle if necessary!

Christians have rightfully taught since earliest years, that when secular law conflicts with God's law, we MUST obey God. (Acts 4:17-21) We do this at the polls, and by peaceful protest, not by killing abortionists. This idea of a Phineas Priesthood still existing, is leading some of our hot heads into prison. I know of no instance where Jesus said, "If they disobey my Father kill them."

There was a happy time when our nations laws were mostly in conformity with those of God's. This is when this nation sprang into International prominence as a place of freedom and prosperity. Over a hundred and fifty years ago, the great French political philosopher, Alexis de Tocqueville, came to America, seeking the secret of our greatness. After returning to France, he wrote an American friend saying, "I came to America seeking the secret of your greatness. I didn't find it in your magnificent cities or harbors. I didn't find it in your giant steel mills, or in your vast fields of grain in your Midwest. It was not until I went into the churches of America, and listened as their pulpits flamed against unrighteousness, that I realized that America is great, because she is good, and if she ceases to be good, she will cease to be great." That day is here today, as this once great nation sinks into Third World Status.

As many of you know, this ministry has been harassed by the I.R.S. for the past fifteen
years, with seven audits during this period that has cost this ministry over $108,000. I could have avoided this harassment by accepting a 301 (c) 3 tax exempt status, but to do so would mean that they could dictate what I can and can't preach. So when I began to warn about the dangers posed by Judaism in our National government and the church, within a month after my first lecture on this subject I was hit by my first audit. They have just completed a year of levies on my Military Retirement Pay that cost me $24,000.

While the government has coercive powers which force citizens to obey its laws, Paul says that Christians should obey the law, not because we have to, but because it's the right thing to do. So though we may believe 60 MPH speed limit is stupid on a straight country road, most of us comply because as Christians we are taught to do so.

Verse 8 of Romans 13, speaks about debt in the normal sense. It is not a good idea for Christians to go into debt, for as the Bible says in Proverb 22:7 - "... the borrower is the servant (slave) to the lender." This has become true in this country since we came under control of the International bankers in 1913.

God knew that if Christian Israelites were motivated by love for others, even those who were not of our race, we would fulfill the requirements of the law. Jesus indicated that this was the second great commandment. (Matthew 22:39)

The commandments of the Old Testament were given so that Israel might understand God's will for their lives. We may not like His food laws for instance, but they were written for Israel's health, and even today, with good refrigeration, honest dietitians will tell you that pork and shell fish represents a health hazard.

I remember reading many times, when we lived on the Gulf Coast, warnings in the newspapers against eating oysters harvested from certain areas, because they had become contaminated by sewage. Being scavengers, it was inherently a danger. We may not like these Laws, and eating pork or shellfish will not send a man or woman to hell, but it could very easily pose a health problem to them. We are told in 1 Corinthians 3:16,17, that our body is the temple of the Holy Ghost, and if we do anything to harm it, God will destroy us. This doesn't mean we will be struck by a bolt of lightning, after eating a pork roast, but that in the long run we will suffer ill effects that may shorten our lives.

Since the night of sin ends when we accept Christ as Savior, we should throw off the works of darkness, and make no provision to fulfill the lusts of the flesh.

I do not believe it is worth while to argue about things that God does not put into His Word, and I have found that arguments always generate far more heat than they do light, and often drive men and women away from the truth. When we present the Identity message, we should do it with humbleness, and not try and drive it's truth down others throats. We should not pass judgment on others, on the basis of our beliefs or convictions, but only as we use God's Word as a guide.

When a person engages in an act the Bible defines as sin we are not passing judgment, when we speak out against it. We are agreeing with God.

It amazes me to see the number of professing Christians who in defending the immoral acts of President Clinton say, "Let he that is without sin cast the first stone." They never
seem to remember that Jesus told the woman taken in adultery "Go and sin no more."

The local church has the right to discipline its members who sin, and remember that "Sin is transgression of the Law. (1 John 3:4) So it is only logical to say that if the Law has been done away for Christians, then there can be no sin, and we KNOW how ridiculous this is.

As followers of Christ, we are accountable to Him. Far too many church leaders set themselves up as little kings and believe their followers are accountable to them. By doing this they deny Christ's rightful place in the lives of believers. When we judge others on the basis of our opinions, likes and dislikes, rather than on God's Word, we break God's commandment to "judge not, lest ye be judged."

The last part of the chapter can be explained by this simple story. Most of you have seen pictures of Greek temples, which were beautiful marble structures with immense colonnades, and steps leading up to the interior. Few Christians know anything about how these temples were used, other than for the worship of idols. As you entered the main doors, to the right was the temple bar where alcoholic beverages were sold. To the left was the temple restaurant which served the best meals in town, since their meat came from the choice animals who were offered as sacrifices. In the central room stood the idol being worshiped and every morning the animals offered for sacrifice were led by the priests around this idol, then were taken to the rear and slaughtered in the shambles, the temple meat market, and the choice cuts were sent to the temple restaurant.

Now let's suppose that Jack Mohr is a deacon in the local church. One day he decides to have a good meal, so makes his way to the temple restaurant. The fact that this meat had been offered to idols means nothing to him since he knows that this does not make it forbidden. (1 Corinthians 8:4) says "As concerning therefore the eating of those things that are offered in sacrifice to idols, we know that an idol is nothing in the world, and that there is none other God but one." In verse 13 he says, "... but judge this rather, that no man put a stumbling block or an occasion to fall in his brother's way. But if any man be grieved with thy meat, now walkest thou not charitably (in love). Destroy not him with thy meat, for whom Christ died."

So Brother Mohr has his good meal and goes home satisfied. But another brother who has just been saved sees Mohr enter the temple. He says to himself, "Brother Mohr is a deacon in the church, so if it's okay for him to go in there, I guess I can go too!" He walks up the steps and turns into the temple bar where he has a few, then in an inebriate condition, he ends up in a rear room with one of the temple prostitutes.

Paul tells us in verse 20, "For meat destroy not the work of God..." Then in verse 21, "It is good neither to eat flesh, nor to drink wine, nor anything whereby thy brother stumbleth or is made weak". In 1 Corinthians 8:10 we are told, "But take heed lest by any means this liberty of yours become a stumbling block to them that are weak". Verse 13 says, "Therefore if meat make my brother to offend, I will eat no flesh while the world standeth, lest I make my brother to offend." The question to a Christian should not be, "It is okay for me to do it?", but "Will it please the Master?"

Paul begins chapter fifteen by stating that those who are "strong in the faith" should bear the infirmities of that brother or sister who is weak. Instead of causing them to stumble by the lives we live, we should help them be strong.
How often have you seen a professing Christian, who instead of trying to please God, is more interested in **doing their own thing**, whatever that may be. We can see this in the sayings that have become so popular, "You've come a long way, baby! Don't let anyone tell you how to live!" or "You only go around once in life, so live it with gusto!" Jesus spoke to a man once who felt like this, and said, "Thou fool! This night will thy soul be required of thee? Then what will these worldly things be worth to you?"

By showing love and concern for our weaker brethren we build a spirit of unity in the church body.

Chapter sixteen sums up this great Epistle by commending a woman by the name of Phoebe, who was a deaconess in the church at Rome. He also mentions Priscilla and Aquila who are introduced in Acts 18, and with whom he resided when he was in Rome.

In closing he warns against infiltrators, such as we see in the modern church, who cause "divisions and offenses contrary to the doctrine of Christ". Then he closes with a word of encouragement, "And the God of peace, shall bruise Satan under your feet shortly. The grace of Our Lord Jesus Christ be with you. Amen."

There is no better way for me to close this message, which I pray has been a blessing to you, *JM*

WHO IS THE REAL HATER?

The enclosed diatribe came from the Sunday, March 5, 2000 edition of the ST LOUIS POST-DISPATCH, one of the largest newspapers in the Midwest. It is Jewish owned, and is noted for it's hatred of White Christians in particular.

Evidently, in spite of what they say, the authors of this falsehood, set out to infiltrate the meeting, being held at the Lodge of the Ozarks, in Branson, Missouri under false pretenses. They made no attempt to identify themselves when signing in, although they said they planned to identify themselves if they were asked. Apparently they did something suspicious, for they said that by Friday they felt they were under surveillance.

This is an example of reporting at it's worst and can be classed as "yellow journalism". As you can see, it is filled with lies, half-truths and innuendoes. Notice how skillfully the reporters draw similarities between "True Identists", and the "fringe elements" that has been "thorns in our side." (of course I'm speaking of the "Phineas Priest wannabees", who run ahead of God, and try to handle matters in their own wisdom and strength, which is always 100% fatal!)

There is no need for me to point out the errors and falsehood in this diatribe, for as you read it, you may have the same question as I. "Who are the real "hate mongers"?"

At first, I was angry and wanted to fire a letter back to the Editor. Then I realized I would be disobeying my Savior's command in (Matthew 7:6) when he told His disciples: "Do not cast your pearls (TRUTH) before swine (those who refuse TRUTH), for they will trample them under their feet and turn and rend. (I'm sure some of you have gone through this unpleasant experience).

This letter and it's contents, is merely to give you another example of how the enemy works, and how bold he has become as Christian influence has begun to wane in America.

Wishing you and yours God's richest blessing, protection and prosperity for the coming critical days.

Your brother and servant in the King's business.

Webmaster's Note:-
The Photo copies of the news articles were not of a nature which
would allow them to be placed on our Webpage without great effort on our part. The articles are available for the payment of a fee from the Saint Louis Post-Dispatch.

There were several lines in the paper commenting on how well behaved the 50 or so children in attendance were. Below is a quote from the Saint Louis Post-Dispatch’ article (Emphasis and comments added by Webmaster):

"Mothers breast-fed babies under blankets while Identity musical groups such as the Boatrights, a local Branson Identity family instrumental group; Mark Reynolds of nearby Hollister, Mo.; and Chad and Terri Sigafus of Couch, Mo., played on stage. The children and adults sang to old hymns such as "Amazing Grace," and lesser-known ones like "O For A Thousand Tongues to Sing."

Webmaster's Comment:- This sounds like a really sinister group.

The adults fell generally into two categories: older retirement-age couples and young, married couples under 40 with stair-stepped families of at least three children. Most adults had their own Bibles and turned to them frequently.

Webmaster's Comment:- Old people, married couples with children reading Bibles.

The children were extremely well-behaved. Teen-age boys jumped to open doors for women. Children often moved aside as adults passed. There were no Walkman radios, hand-held computer games or pleas for quarters to play the hotel's pinball machines."

Webmaster's Comment:- These facts alone should cause rejoicing in America. When was the last time you saw "50 or so" well-behaved children under one roof?

A thoughtful person might ask: If the parents are as wicked as the news article leads you to believe, how is it the children are such models of Christian behavior? It is just a question.

Proverbs 22:6
6. Train up a child in the way he should go: and when he is old, he will not depart from it. {Train...: or, Catechise} {in...: Heb. in his way}

Matthew 7:17 and 18
17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.
18 A good tree cannot bring forth evil fruit, neither [can] a corrupt tree bring forth good fruit.

Matthew 12:33
33 Either make the tree good, and his fruit good; or else make the tree corrupt, and his fruit corrupt: for the tree is known by [his] fruit.

Luke 6:44 and 43
43 For a good tree bringeth not forth corrupt fruit; neither doth a corrupt tree bring forth good fruit.
44 For every tree is known by his own fruit. For of thorns men do not gather figs, nor of a bramble bush gather they grapes. {grapes: Gr. a grape}
Proofs of Identity!
(Answers the question "Who are God's Chosen People?")
by BRIG. GEN. JACK MOHR, C.P.D.F.

Today, a great controversy is going on throughout Christendom over the "identity" of what the Bible calls "God's Chosen People."

There are three "schools of thought" among Christian scholars on this subject and there are sincere teachers in all of them. Obviously all of them could not be right. In 1 Corinthians 11:19, the Apostle Paul says: "For there must also be heresies among you, that they WHICH ARE APPROVED may be made MANIFEST among you." (Emphasis added.) (The word "heresies", as used here, comes from the Greek word which means "disunion," while "manifest," means "to make apparent or known.") Weymouth translated this more clearly when he writes: "For there must of necessity be differences of opinion among you, in order that it may be plainly seen who are the men of sterling worth among you."

Once open discussion on any subject is cut off, men fail to learn the truth. Knowing this, the opponents of Israel-Identity truth, have misrepresented Bible teachings, so as to confuse the mind and hide the truth. Free discussion of this subject would open the mind of Christians as to what the Scripture really says, but to do this, the truth would have to be told about the people we now know as Jews, and this the majority of the "brainwashed" Christian world refuses to do.

There is a great similarity here in the controversy over teaching Scientific Creationism in the Public Schools. The Secular Humanists know if this were allowed, they would be exposed as the frauds they really are, so led by the Jewish established and controlled American Civil Liberties Union, they are doing everything possible to combat this teaching.

Let us briefly discuss these schools of thought.

1 - THE JEWISH SCHOOL: According to this teaching, only the people we now know as Jews, are the hereditary descendants of God's Chosen People Israel. They claim that the promises concerning Israel have either been, or will yet be fulfilled in the Jewish people. When you ask them an embarrassing question such as: "Do you really believe that the black singer, Sammy Davis, Jr., is a descendant of Abraham," they get angry.

In Genesis 48:19, the King James Version records these words of Jacob-Israel: ". . . he also (Manasseh) shall become a people, and he shall be great: but truly his younger brother (Ephraim) shall be greater than he and his seed shall BECOME A MULTITUDE OF NATIONS." (Emphasis added.)

Without the shadow of a doubt, this promise has never been fulfilled in the people we call Jews. There is only one group of people in the world who fit this description and this is the British Commonwealth of nations, with their rebellious daughter, the United States of America.

Regardless of what fundamental and evangelical scholars may say to the contrary, the descendants of the whole House of Israel are on the earth today and they will shortly be revealed as One Great Nation. Of this you can be sure! That day is very near!

Ezekiel 37:22, speaking of this time says: "And I will make them one nation upon the mountains of Israel; and one king shall be king over them all: and THEY SHALL NO LONGER BE TWO NATIONS (Judah and Israel), neither shall they be divided into two kingdoms any more at all." (Emphasis added.) This will take place before the invasion of Gog and Magog, as foreseen in Ezekiel 38 and 39.

Now before you begin to say: "See, all this will happen in Palestine," I want to ask something. "Do the 17-million people known as Jews, who are alive today, fulfill God's promise to Abraham, as given in Genesis 13:16? Here God said: "I will make thy seed as the dust of the earth: so that if a
man can number the dust of the earth, then shall thy seed also be numbered."

Go a step farther and consider the fact, that a large percentage of the people known as Jews (possibly as high as 80~6) have no Abrahamic blood flowing in their veins. This would make the "true Jews" number about 3.5 million, certainly not "like the dust of the earth in number." You can confirm the non-Abrahamic identity of most Jews, by simply reading history and the Jewish Encyclopedia and by doing some study in the Bible. In Esther 8:17, we read: "... And many people of the land became Jews; for fear of the Jews fell upon them." Then if you will read further in Ezra and Nehemiah, you will realize that the Jews who came back from Babylonian captivity were a mixture of many people. Once again, do you honestly believe a people "like the dust of the earth in number," could fit into tiny Palestine? Or even all the area promised Abraham in Genesis 13:14?

But wait before you come to any decision. Turn in your Bible to 2 Samuel 7:10. Here we find King David, at the height of his power, standing in his palace in Jerusalem, while the prophet Nathan makes a most unusual prophecy concerning Israel: "Moreover I will appoint a place for my people Israel (but why appoint them a place, if they were already in the Promised Land? But this is what he says.) and will plant them, that they may dwell in a place of their own, and move no more; neither shall the children of wickedness afflict them any more, as afore time." So a little common sense, will show you that this Appointed Place could not be in Palestine. The word "appoint" (Strong's Concordance 7760) is from the Hebrew word "siyn" and means "to set up; to put; to ordain." The word "plant" (5193) is "nata," which means "to fix or fasten."

What God was literally saying here was: "I will set up a place for my people Israel and will fasten them there." This is exactly what He did when our Anglo-Saxon forefathers moved from their captivity in Assyria, north and west through Europe, then to the British Isles and finally on to North America. We find them scattered through this "great company of nations," (Genesis 17:6). In this family of mighty nations (England, Canada, Australia, New Zealand, South Africa and the United States; plus the other Anglo Saxons and related peoples,) we find more than 400 million people, certainly a more apt description of the vast multitude God promises would be Abraham's heirs.

2 - The Second School of Thought is the CHURCH SCHOOL.

According to this teaching, which usually accepts the Jewish School of Thought, we find that the Church has taken the place of Israel. All of the great promises God gave to Israel are spiritualized and assigned to the Church.

But nowhere in the Scriptures can you find a place where God substituted the Church for the Nation of Israel. God's promises to the earthly nation have never been and can never be fulfilled by the Church.

Israel as an elect company of servant nations, with members of the Church of Jesus Christ in her midst, has been, and now is blessing the entire world, as foretold over and over again in prophecy. The Jewish people have never witnessed for God and His Son, Jesus Christ. In fact, the God they worship today is not the God of Abraham, Isaac and Jacob. This can be confirmed by reading from the writings of modern day Jewish rabbis. They will admit that as many as 65% of the people known as Jews, are either agnostics or atheists and then will tell you with a straight face: "The Jewish people are their own Messiah."

Only the Anglo-Saxon and related people have sent missionaries into all the world; only this one unique group of nations has printed the Word; only this one group have set the oppressed of the world free; only this group have fed the world's hungry. Certainly it has not been the people we call Jews . . . their only interest is in their own people and what they can get for themselves.

You don't have to be a brilliant Bible scholar to see that the Israel Identity marks are on the Anglo-Saxon peoples and they alone. If you were to take an intelligent young person from anywhere in the world, one who had never heard modern church preaching concerning the Jews, and if you were to give that young person a Bible and a world history book, when they had made a comprehensive
study, 100% of them would tell you that the marks of Israel fall only on the Anglo-Saxon people, the Jews just cannot qualify.

The Apostle Paul said of true Israel, not the Jews. ". . . Hath God cast away His people? God forbid . . . hath not cast away His people which He foreknew . . ." Why is it then, that our churchmen insist that it is the Jews, (who are the enemies of God of Jesus Christ,) and the Christian Church, who are the Chosen People of God? Why do they designate these Satan inspired people and dignify them as God's Chosen?

Certainly the Church fulfills none of the earthly, physical parts of the Abrahamic Covenant; while in no area of the world, has the Church been accorded the freedom allowed them in the Anglo-Saxon nations.

3 - This brings us to the Third School of Thought, what I choose to call the **ANGLO-ISRAEL SCHOOL**. (I do not use the term British-Israel, because it conjures up misleading ideas, ala Herbert W. Armstrong and similar cultists.)

According to the Anglo-Israel School, the British Commonwealth of Nations, the Americans, and all peoples of Anglo-Saxon, Scandanavian, Celtic, and Germanic origin, are the lineal descendants of ancient Israel. Here I depart from the teachings of some Anglo-Israelites. I insist that Scripture teaches that true Israelites will not be allowed into God's Kingdom on earth, unless they first become "born again," as shown in John 3:3. Israelites, just as Gentiles can only reach this exalted position within the love of God, through this heart change. Some Identity preachers teach that all that is important is that you are of Israelite descent . . . they are wrong! (Read Ezekiel 20:37, 38).

The term "born again," while a good, valid Scriptural term, has been terribly misused in recent years. But John 3:3 clearly states to Israelite and Gentile alike, without equivocation: ". . . Except a man (or woman) be born again, he cannot see the kingdom of God." Then John goes on to further explain this wonderful change in verses 16-18.

There are some people called Jews, a very small percentage to be sure, who are Israelites, most of them are not. But all Israelites are not Jews, as our fundamental preachers would have us believe. And all the people known as Jews are not of Israel. I happen to be of German descent, on my father's side, yet I am an American, because I was born in this country. Yet all Americans are not Germans, there are many of English, Scandanavian and other descents. If I were to try and convince you otherwise, you would rightly consider me to be a fool. Yet most of our brilliant (?) Bible scholars, insist that "the Jews are all of Israel." They refuse to accept Biblical and historical proofs, that most Jews are not Jews at all, but fit the category mentioned in Revelation 2:9 - "those which say they are Jews and are not, but are of the synagogue of Satan."

Those who refuse to distinguish between the so-called Jews of today and the Israelites, and then mix them up with the Church, have been remiss in heeding Paul's admonition to young Timothy in 2 Timothy 2:15 - "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (That word "dividing" is the Greek word "orthotomeo" - 3718 - which means "properly expounding.") This they most certainly have not done.

The vast majority of the Israel people can be found today in the Anglo-Saxon and related peoples, even though most of them do not recognize their heritage. They have been blinded to their wonderful inheritance through the teaching of their spiritual leaders. The Apostle Paul speaks of this blindness in Romans 11:25, when he says: "For I would not, brethren, that ye should be ignorant of this mystery." What mystery is he speaking of? See verse 11 - "As it is written, God hath given them (Israel, not the Jews) the spirit of slumber, eyes that they should not see, and ears that they should not hear . . ." Jesus told His Israelite disciples (only Judas the traitor was a Jew) in Matthew 13:16 - "But blessed are your eyes, for they see; and your ears, for they hear."

There are many references in prophecy to this blindness, on the part of the Israel people, as to their true identity. In Isaiah 65:15, God, speaking to the Jews, said: "And ye shall leave your name for a
CURSE unto my chosen; for the Lord God will slay thee (compare with Luke - 19:27) and call His servants by another name." (This name was "Christian," Acts 11:26).

So let me show you from the Word of God, that the promises made to Israel were not fulfilled in the Church, neither by the Jews, since their earthly fulfillment must of necessity be in families, nations, kings and land.

Unfortunately, as far as modern scholars are concerned, our modern people sprang from nothing, or so it seems. When the history of ancient peoples is studied, it is without any concern whatsoever, that they might have been our ancestors. This is especially true among Bible scholars.

Have you ever wondered why certain nations have a natural distrust for each other? Of course there is the stress of recent history, which in the case of the Soviet Union has been unrelenting warfare against all Christian nations. But few Christians will acknowledge that this is a Jewish hatred, since Communism is Jewish.

Few of our scholars will admit that this distrust and antagonism goes back into the dim past and was caused by ancient injustices and animosities which we do not even remember today.

Because this is so and because God in His all-knowing wisdom made certain promises to a certain people - promises which even now are in the process of fulfillment - the identification of this people can be clearly established.

If you will be honest enough to put aside all the preconceived notions you have heard preached in your church; which have applauded and praised the Jews as God's People - if you will get away from the "brainwashing" of your pastor and the seminary which "brainwashed" him - if you will earnestly and prayerfully seek the leading and guidance of God's Holy Spirit and will allow Him to guide your thinking, rather than some Dr. Scofield, then and only then, will you be able to see and understand the wonderful truth of Israel Identity.

For over fifty years, I wallowed in the spiritual blindness of so-called "fundamentalism." I use these words, because the beliefs of this group concerning the modern Jews, are based on "man-made" conceptions, which are completely invalidated by the Word of God. In many instances, the preaching of their evangelists and leading scholars, has superceded the teaching of God's Holy Word. Today, we find this group in a blind allegiance with the Zionists, who are the avowed enemies of everything they say they stand for.

Recently, one of the most powerful leaders in the Moral Majority told me: "I have backed the Jews for years. I have defended and honored them as God's People. Yet today, my bitterest adversaries are Jews. Why is this?" Yet when I tried to show him from the Bible, how Christian people have been mis-led by this Satanic brood, when I went into history to prove that the Jews could not be the People of the Book, he said: "I can't honestly answer any of your arguments, but the Church says they are God's People and I must go along with that."

When I first broached the Jewish Question to my own pastor, he refused to look at any proof I was about to give and told me: "If you persist in your efforts to expose the Jews, the door of every Baptist church in America will be slammed in your face." He wasn't far from wrong. When I sent out a letter to 200 fundamental pastors in the fall of 1980, stating my new-found position, I had an immediate cancellation of 14 Crusades scheduled in 1981 and for all intents and purposes, I have been "blackballed" in the fundamental churches of America. Was it because I had departed from the faith? Not at all! I still preach as hard on the fundamentals as I always did. But nothing must stand in their way of defending the Jews. Today, the majority of pastors who once called me friend, will not even speak to me. Not because of apostacy, but because I have exposed the Jews for the "frauds," and "enemies" of Christianity, they are. They would rather see America fall to a Jewish-Communist takeover, than tell their people the truth.

Now let's look at racial characteristics. Each race has certain characteristics which are inherent. (This means essentially a part of.")) Men who have studied and are familiar with racial types will
recognize this.

The great southern philosopher, Tom Anderson aptly said: "Negroes are noted for their athletic prowess and for eating each other." On the surface that may seem like a "racial" slur. But people who live in Africa know that while cannibalism is virtually unknown among the white race, it is not uncommon for the blacks to revert to this practice.

Two distinct racial groups will not respond to the same emergency in the same way. An Englishman will react in a different manner to a train wreck than a Hottentot. It has nothing whatsoever to do with their education, but to their racial background. When you take the time and effort to study racial characteristics, you will find that they draw boundaries which are more distinct than geographical ones. Political pressures and war can cause geographical boundaries to change, but no amount of persecution or pressure can change racial characteristics.

One of the outstanding racial characteristics of the Anglo-Saxon and related peoples, is their love for freedom. Over and over again, they have proven their willingness to die, rather than live as slaves. This desire has been expressed in such terms as: "Give me liberty, or give me death!"; "I'd rather die on my feet, than live on my knees." It has produced such magnificent documents as the Magna Carta and our own matchless Constitution with its incomparable Bill of Rights.

There has been no other race on the face of the earth who have been motivated to remain free and set others free, like the white Anglo-Saxons; no others have "preached good tidings unto the meek; bound up the broken hearted; proclaimed liberty to the captives, and the opening of the prison to them that are bound. To proclaim the acceptable day of the Lord," (Isaiah 61:1, 2). The Jews have never done this, except for their own selfish interests. The blacks never have; neither the yellow people of the world.

I believe one of the greatest evidences of a people's desire to remain free, is their reaction to unjust taxation. We people of the Anglo-Saxon race have stood for many injustices on the part of our governments (which strange to say, have been under Jewish control). Our desire to remain free, has often been hampered by the Church, for never in the history of the world, have we seen the Church cooperate in treason and in the subjugation of our people, as we have in the Twentieth Century. Even our fundamental groups, who make the loudest noise about their freedom, have succumbed to the siren song of the Jewish propagandists and we see them cooperating to their own destruction.

I shudder when I see fundamentalist leaders such as Dr. Jerry Falwell, as they give "blanket approval" to the evil aggression of the Jewish Hitler, Nienachen Begin, saying. We will back you, no matter what you do." This is a complete repudiation of the Biblical admonition of 2~Chronicles 19:2 - "... Shouldest thou help the ungodly and love them that hate the Lord? therefore is wrath upon thee from before the Lord."

Yet under the leadership of our preachers, who misinterpret the Word, we are told: "But let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God," (Ronians 13:1). I have never known one who told their people that the word translated "power" in the King James Version, should have been "authority," since the Greek word used here is "exousia," which means "authority." They have never been shown the differences between "Power" and "authority." Nor have they been told that when the authority of government clashes with God's Laws it is their rather than men."

The ancient history of our race shows it escaping from unjust persecution and taxation in Egypt. Then, hundreds of years later, after a split in the nation due to taxation, they become the nation of the Ten Tribes of Israel, as distinct from Judah.

Our modern history shows a parallel, as our forefathers leave Europe to escape tyranny and oppression and then later, split with the mother land, again over unjust taxation.

The records of the Scythians, the Goths, Visgoths, scantly as they are, ring with the cry of free men. Even the great military genius, Julius Caesar, marvelled at the desire of the Britians to remain free -
they were the only men Rome never conquered.

Another striking mark of our identity can be found in our laws. First the Magna Carta of England, then our own Constitution, with its Bill of Rights. These are the only law systems in the entire world, which are built on the verities of God's laws. This should tell you something.

We marvel at the reasons why our Union was founded: "to establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty for ourselves and our posterity." This was what God expected of His people. Listen to Amos 5:24 - "But let judgment run down as waters, and righteousness as a mighty stream." Listen to Hosea 6:6 - "For I (God) desire mercy and not sacrifice: and the knowledge of God more than burnt offerings." Micah 6:8 tells us further, "He (God) hath shown thee, O man, what is good: and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God." These were never Jewish characteristics, but they are those of Anglo-Israel. They are inborn traits. That is why our people have freed the slaves, (who were enslaved and carried to the Israel nations by Jewish traders;) we have fed the hungry of the world and have fought against oppression in two great world wars.

Turn back the pages of history, if you will, and watch as our forefathers gathered in a great natural amphitheatre in the Sinai Wilderness. They were there to listen to God's Laws, delivered from the lips of Jehovah Himself, and spoken through His servant Moses. We listen as our forefathers, by unanimous vote, cast their ballot for Jehovah and His way of doing things. Exodus 19:8 - "And ALL the people answered together, and said, All that the Lord saith, we will do."

Why have the Anglo-Saxon peoples thrived in their system of laws? A system unique in the annals of mankind. Because they were based on that great Law, given to our forefathers, centuries earlier at Mt. Sinai. We call it the Ten Commandments. It has become so ingrained in the consciousness of Israel people, that centuries later, when most of them are unaware of their Israel identity, they still yearn for the Laws of their God.

Our forefathers moved from the relative security of Egypt, into the unknown dangers of the Wilderness. While in Egypt, as slaves, they had little to worry about, since they were fed and housed by the state. But driven by their in-grained love of freedom, they forsook Egypt for the dangers of the unknown.

The book of Hebrews, in its great chapter on Faith (11) tells us about our great revolutionary leader Moses, (24-27) "By faith Moses, when he was come to years (literally when he was grown up), refused to be called the son of Pharoah's daughter (notice closely now), choosing rather to suffer affliction with the people of God (not a one of them were Jews), than to enjoy the pleasures of sin for a season; Esteeming the reproach of Christ greater riches than the treasures of Egypt." What a mighty testimony and what a tremendous example for us to follow. That sounds as though Moses was a Christian.

Much later, after the division of the Kingdom, under Solomon's son, Rehoboam, about 975 B.C. (1 Kings 12), the Northern Kingdom, made up of ten tribes, became known as Israel. From this time onward, in the Bible, they are always listed separately from the southern kingdom of Judah. About 726 B.C. the Northern Kingdom was taken into captivity in Assyria (see 2 Kings 17:23) with the exception of a few Israelites who had moved to Judea. From here on, Bible history is silent. But secular history, the same kind of history which is accepted in our record of other nations, follows the Israelites on their trek to the north and west into Europe, then the British Isles and finally their Appointed Place in North America. For some strange reason, Bible scholars who will accept historical records of Egypt, Babylonia and Assyria, which are centuries older than the record of Israel's movement north and west, refuse to accept the records which prove that Israel did indeed move through these lands.

When the Pilgrim Fathers landed at Plymouth Rock, on November 21, 1621, they knew who they were. They called themselves: "the seed of Abraham, God's servant, and the children of Jacob, His
chosen." These were their words, as seen in their written records. They used the old Israelite word "led," not "driven," when they explained their movement to the New World. They believed God had brought them to these shores for a special purpose. Their passage to these shores was speeded by the great Israelite texts. They braced themselves for trouble from the unknown, with the great Israelite promises. They kept their colony free from blood and crime by following God's Laws, and they allotted their land as Israel had done.

No wonder with this background, that Christians of the Eighteenth Century could sing:

Ye chosen seed of Israel's race,
Ye ransomed from the fall.
Hail Him who saves you by His grace,
And crown Him, Lord of All!

Other peoples had moved West too, but they came for different motives. The French came seeking a rich, fur-bearing empire. The Spaniards came seeking gold, land, and converts to Catholicism. But our forefathers sought the right to worship God in spirit and in truth.

Listen in on the conference which was held in the stuffy cabin of the ship Mayflower, as she lay anchored off what is now Provincetown, Massachusetts. It was November 21, 1621: "In the name of God, Amen! We whose names are underwritten, having undertaken for the glory of God and the advancement of the Christian faith, a voyage to plant the first colony, do by these present, solemnly and mutually, in the presence of God, combine ourselves in a civil body politic." This was the beginning of American politics.

A few years later, when the colonies had grown to four, a Federation became desirable and the Articles of this Confederation read: "Whereas we all came to these parts of America with one and the same end: namejy the advancement of the Kingdom of our Lord Jesus Christ and to enjoy the liberties of the Gospel in purity, we therefore conceive it our bounded duty . . . that, as in nation, and religion, so in other respects, we be and continue as one." It was this declaration that made us, the American people, a people who were to manifest the same characteristics which had been found in ancient Israel.

We, as the Israel people, built a Christian nation, it was not conceived as a place where other religions would be allowed to flourish; it was not to be a "pluralistic nation," as Jerry Falwell has called us. It was to build Christian-Israel, on this Continent, in accordance with God's promise of 2 Samuel 7:10 "Moreover, I (God) will appoint a place for my people and will plant (fasten) them, that they may dwell in a place of their own, and MOVE NO MORE . . ." (This doesn't sound like a universal return to Israel-Palestine, does it?)

Yes, my disbelieving Christian friend, America was settled by Israelites; she was designed to be a Christian nation. We were no longer to be called by the name of our father Jacob-Israel, but were to be given a new name, the name of our God, and Messiah, Jesus the Christ. (See 2 Chronicles 7:14; Isaiah 62:2; 65:15; Acts 11:26).

The characteristic of loving freedom is specific in our race alone; it is not a Jewish characteristic. I say this because the Talmudic religion of modern Jewry, leads men and women into slavery, where as that of our Lord leads to freedom. It's no wonder our Lord told the Talmudic Pharisees, in John 8:32 - "Aud ye shall know the truth, and the truth shall make you free." Right here, the Jews proved they were not Israelites, for their leaders said, verse 33: " . . . We be Abraham's seed, and were never in bondage to any man . . ." This in itself should prover they were not Israelites.

As a nation at Sinai, our forefathers accepted the responsibility of administering God's Kingdom on this earth. (This was the Kingdom Jesus told us to pray for in Matthew 6:10 and Luke 11:2 - "}
Thy Kingdom come, thy will be done, **IN EARTH**, as it is in heaven." This was to be an earthly kingdom.)

We were to be a "servant race," not one who would seek to lord it over others as the Jews have always attempted to do. We were not to consider ourselves a "superior people," who would subdue others, but a nation which had been specially chosen for God's own purpose. Listen to the Apostle Peter as he speaks, not to Jews, not to Christian Gentiles, but to the "strangers scattered throughout Pontus, Galatia, Cappadocia, Asia and Bithynia," (I Peter 1:1). (These could have been only Israelites.) In (2:9) Peter says of them: "But ye are a chosen generation, a royal priesthood, an holy nation, (notice this word "nation" very closely, it is the Greek word "ethnos," which means "a nation of people, specifically a non-Jewish one.") a peculiar people that ye should show forth the praised of Him who hath called you out, of darkness into His marvelous light."

Now I know you have been told in your churches, that this refers to "born again" Christians, who are tile "spiritual Israel." But Christians are not a nation, any more than are Jews, Muslims, or Buddhists. A religious body cannot be a nation, since a Nation is "a politically organized nationality."

Peter was very possibly thinking of Moses' words in Deuteronomy 10:15, where He said: "Only the Lord had a delight in your fathers to love them), and He **CHOSE THEIR SEED** after Them, even you above all people... circumcize therefore the foreskin of your heart, and be no more stiffnecked." Moses was referring to that personal application, each son and daughter of Israel must make, if they are to enter into the Kingdom of God.

The Apostle Paul tells us in Romans 2:28 - "For he is not a Jew (Judean), which is one outwardly; neither is that circumcision which is outward in the flesh. But he is a Jew ("Judean" from the Greek word "loudaios," in the sense of being a citizen of Judea, "belonging to Judah." The term "Jew" is improperly used here and did not appear in the original of the Douay translation, the 1611 King James Version or the Weymouth translation). "But he is a Jew which is one inwardly: and circumcision is that of tile heart, and [lot in the letter . . ."

Isaiah, speaking in (62:12) says: "And they shall call them (Israel, not the Jews) Tile holy people, Tile redeemed of the Lord . . ."

Our task as Anglo-Israelites is to be "light bearers," to all the world. When Jesus gave His great Commission in Acts 1:8, His last act before returning to His Father, He was not speaking to Gentiles, neither were they Jews. These men were all Israelites. With the exception of Judas Iscariot, all of Christ's disciples were Galileans, and were therefore Israelites. This can be coil framed by reading verse II, the words of the angels who spoke to the disciples as they stood gazing after the departed Christ: "Ye men of Galilee, why stand ye gazing up into heaven?" Christ said to these Galileans: ". . . Ye shall be witnesses unto me, both in Jerusalem (starting in) and in all Judea, (then into Judea), and in Samaria, and unto the uttermost parts of the earth." The Kingdom message was to be carried by these Holy Ghost empowered Israelites (vs 8 - "But ye shall receive power, after that the Holy Ghost is come upon you.") first to Jerusalem; then into Judea; then north to Samaria the stronghold Israel and from there into all the world.

The Anglo-Saxon people have been the only people on God's earth who have done this. This is probably one of the most outstanding proofs of our Israel identity. It in itself should prove that we are true Israel. Certainly the Jews have never qualified in this sense, even by the greatest stretch of theological imagination.

When our forefathers at Mt. Sinai unanimously accepted the responsibility of following God's Laws, Moses explained that two ways were open to them: "the way of life and the way of death," (Deuteronomy 30:15). There were two very important clauses which were added to this Covenant, they have become known as the "If" and "But" clauses. Moses went into great detail to explain that "life lay in obedience to God's Laws," while "disobedience would cause death." The Apostle Paul expressed this same idea in Romans 6:23 -"For the wages of sin is death . . ." The Apostle John
defines sin in 1 John 3:4 - "Whosoever committeth sin transgresseth also the law: for SIN IS THE TRANSGRESSION OF THE LAW." (Emphasis added.)

These clauses have never been rescinded and they are as binding on us today, as when they were first uttered in the wilderness. God's Israel people have always been blessed, as they kept His law, and have suffered the consequences when they departed from it.

Today, the Anglo-Saxon-Israel people are in the middle of a lot of travail, caused by our neglect of God's Laws. We have allowed the awful, God cursed sin of homosexuality to run rampant in our land, it has even received the approval of some of our clergy. We allowed men to freely blaspheme the name of the Lord God Jehovah and His Son, the Lord Jesus Christ. We have allowed sexual sins and unbridled lust to become a way of life. We have turned our backs on God's laws concerning economics and have allowed the Jew-led, Jew-bred, Federal Reserve System to burden us with the sin of usury, which is bleeding us to death. Yet most of our churches condone this.

We have allowed our white-Israel people to intermarry with blacks and other races, in complete disregard for God's Laws concerning racial mixing, and our most popular evangelists tell our young people there is nothing wrong with that. We have allowed aliens to be elected or appointed to places of responsibility in our government, although God has told us (Jeremiah 30:21) "And their nobles (leaders) shall be of themselves, and their governor shall proceed from the midst of them

Because of our disregard for God's Laws, the British Commonwealth nations and America are seeing - "Our inheritance turned to strangers and our houses to aliens," (Lamentations 5:2). Our "country is desolate, our cities are burned with fire; our land strangers devour it in our presence, and it is desolate . . ." This has already happened to some extent, will it be our further fate, because we refuse to accept God's way of doing things?

There was a time in our nation when an office holder was required to be a Christian. Yet today, when we see men in office who are bold enough to proclaim themselves to be Christian, nine times out of ten, they will be backing our worst enemies, the Zionist Jews. (I say this because the Jews were and are the backbone of International Communism.)

I could go into the fields of "capitalism," "taxes," "monopolies," "farming," "criminal law," "national defense," "health," and "foreign policy." You would see that at the root of all our problems in all these areas which are slowly strangling us, lies a blatant disregard for God's Laws.

When we as Anglo-Israel break God's Laws, the rod of His discipline falls on us, either as an individual, or as a nation. This is for the purpose of bringing us back to God. (Read Hebrews 12:5-11).

I have often heard Christians say: "If all the Chris-tian people in America were to unite in one mighty crusade of prayer, America would be saved!" But this is not true. While "prayer changes things," and as one has said: "There are more things wrought through prayer than this world dreams of; for the whole world is bound about the feet of God with the golden chains of prayer." Yet in order for God to work in our behalf, our prayers must be heard. In Isaiah 59:1, 2, we read these crucial words: "The arm of the Lord is not shortened, that He cannot save; neither is His ear heavy that He cannot hear: BUT YOUR SINS HAVE SEPARATED BETWEEN YOU AND YOUR GOD, THAT HE WILL NOT HEAR." (Emphasis added.)

Listen to me my Christian friend, whether you belong to the Israel people or not, you can pray until you are "blue in the face." You can spend so much time on your knees that you grow callouses, but until you are willing to get out of your spiritual foxhole and obey God, and fulfill your obligations to Him, He will not pay any attention to your pleadings. This is the Word!

We can blame the Communists and International Jewry for our problems if we desire, and we would be partially correct. But the majority of the problems which are killing us, have come about because we have disregarded God's will for our lives. Instead of doing things His way, we have been obsessed with "doing our own thing," whatever that might be. We are like the cartoon character
Pogo when he said: "We have met the enemy, and he is us."

You see, we will not lose our freedoms at 3 o'clock some morning, when we open our door to a knock and find a little man with a red star on his cap and a Tommy gun, who says to us: "Come with me to the Concentration Camp." This is not when we will lose it. It will come when enough of God's people, see his laws being broken and openly disregarded - when we see it happening in our local government, in our school system and even in our churches, and we sit back before our "idiot box," and say: "There ain't anything I can do about it; I'm only an individual, you know and everyone knows you can't buck City Hall." When enough good, white Christian folks feel this way, we will lose our freedom; we will hold a funeral service for her; will haul her out to the cemetery and bury her, and over her grave we will have to erect a headstone with this epitaph: "America died, because the white Christian people in America didn't want to be bothered."

How much of God's wrath will have to be poured out on this nation before we will "turn from our wicked ways and seek His face?" (2 Chronicles 7:14). How many of our sons will have to shed their blood on the battlefield of "no win wars," before we realize why we are losing? Will America have to be driven to her knees before the heathen hordes of Jewish-Communism and suffer the fate of our Christian brethren in Russia, before we wake up? Will the streets of America have to run red with American blood, before we seek God's will?

Moses' warning to the children of Israel, as shown in Deuteronomy 28:43, is in effect today in America. It says: "The stranger that is within thee shall get up above thee very high and thou shalt come down low. He shall lend to thee, and thou shalt not lend to him; he shall be the head, and thou shalt be the tail." If you can't see how this has happened in America, then you are living off in a dream world somewhere.

Would to God that our people would wake up before it is too late. Would to God that our pastors would tell their people the whole truth, rather than lead them astray with Jewish fables. No wonder we are in trouble, when our spiritual leaders dignify God's worst enemies, by calling them His chosen. It's no wonder our people are confused and do wrong, when they are taught: "The Law was done away with in Jesus Christ. (If you believe this, please read Matthew 5:17; 1 John 3:4; Romans 3:31). When you hear a preacher speak like this, you know you are listening to a man who is either a deliberate "wolf in sheep's clothing," or a person who is intellectually dishonest.

Have you ever been honest enough to ask yourself: "Why is it that the Anglo-Saxon, Scandinavian, Celtic, and related peoples kept such a vigorous, progressive culture for over 2,000 years, while others like Italy, Greece, India, Portugal and Spain, who after a glorious history filled with great achievements, have decayed and fallen from their high places in history?"

History has proven over and over again that when a nation which produces original thought, breeds with a race which produces little or no original thought, the resulting breed is always a dismal failure. This is a law of nature, as unchanging as the law of gravity, in spite of what all the social scientists may say to the contrary. It is the Bible law of "kind producing kind," as found in Genesis 2.

Let me give you one outstanding example. The Nordic Lombards conquered and ruled Northern Italy. They gave the world men such as Dante, Michaelangelo, Leonardo da Vinci, and a host of others. Practically all the major lights of the Rennaissance were Nordics.

But today's Italy is "bi-racial." While most of its scientists, politicians, and high ranking military officers come from the North and are Nordic in descent, the largest part of the south and Sicily are "mixed breeds." They are part Nordic, Asiatics, Africans, and the people of ancient Mediterranean ancestry. They are a hybrid stock. Ask any Italian who the criminal element of Italy is and they will point in contempt to the southern part of the country.

I'm not trying to tell you that white people are superior to others, I'm merely pointing out a Scriptural truth, which has largely been disregarded in our Christian churches. Look at the most
powerful king Israel ever had, a man by the name of Solomon. While he followed God's Laws, he was blessed beyond measure, but when in his lust, he began to disregard God's laws concerning inter-racial marriage, all sorts of "hell broke loose." Read the story for yourself in 1 Kings 11. It was this inter-marriage which destroyed his kingdom.

This is one of the major reasons you will find the Jews pushing "racial integration." They do not marry outside of their own race, but they would like to have white people do so. Why? There is a very good reason. When the Anglo-Saxon people take this road, they will be destroyed, just as the civilizations of Assyria, Babylonia and Egypt were. In the words of the Jewish Communist Lenin, we will "fall into their laps like overripe fruit."

Unfortunately, the majority of our Christian pastors have fallen for this Satanic propaganda and have been willing to sell their white, Anglo-Saxon, Israel heritage to the Jews for a mess of stinking socialistic pottage. How our enemies must laugh when they meet in New York or Tel Aviv!

What is the answer? What will keep the blight away from our cities? What will stop the erosion of our land? What will halt the birth defects, the sickness and the disease, which is running through this land like an awful unstoppable epidemic? What will turn our military stalemate into victory? What will cure our broken homes and set the 9-million alcoholics slaves free? What will turn our mis-directed government around and head them in the right direction? What will end the crime and immorality which is swamping us like an awful tidal wave? What will end the hatred? The insanity? What will bring about the condition described by the Apostle Paul, which is God's will for us? "that we may lead a quiet and peaceable life in all godliness and honesty."

It will come when the white people in America wake up to who they are and become willing to accept God's plan for their life. It will come when our churches preach "the whole truth" of the Gospel. It will come when Americans realize that only Jesus Christ, Yashuah, the Son of God the Messiah of Israel has the answers for our problem.

Men and women of Anglo-Saxon and related blood, Wake up to your Identity! Wake up to your responsibility? Wake up to the glorious future your God has promised, if you will follow HIM. Then go out in the strength He will give, to defeat our enemies and bring about God's Kingdom on this earth!

The Historic Disaster Called "Race Mixing! - Part I

The very title of this message will raise hackles and send "shock waves," through the liberal elements of America, both religious and political. It will elicit the epithet of "racist" for it's author, even though the facts presented are as well documented as any fact in history.

With the able help of Dr. William Stough, 210 Hermitage Drive, Knoxville, Tennessee 37920, from whom I have obtained much of this material, I hope to prove to you from scriptural and historical sources that "miscegenation", (a Latin word that was first used in 1863, which means sexual relations between men and women of different races, especially between White and Black) is contrary to the expressed will of Almighty God, and has caused disaster down through the ages, in spite of what churchmen such as Billy Graham say to the contrary.

One of the most pressing problems facing America in these closing out days of the Twentieth Century, is that of inter-racial marriage, especially between the Black and White races.

Our primary interest in this article is not what men say, but what does God's Word say about this practice, which history proves is disastrous. (I say this, advisedly, because every great civilization which has practiced "miscegenation," has ended as rotten hulks on the garbage heap of history.) This is something which cannot be honestly denied!
With the tremendous influx of alien elements into the United States and Canada over the last fifty years (both legal and illegal), especially from Asia, Africa and Hispanic nations, we have seen a dramatic change in the very essence which once made up the Christian Israel nations of Canada and the United States.

Has the influx of an alien element into American life, had anything to do with the present liberal thinking of so-called Christians who accept the God prohibited act of "race mixing?" There is no doubt about this! Many Christian leaders, especially of the so-called Judeo-Christian churches, have placed their seal of approval on an act which God has condemned in His Word, from the very beginning. Who are we to believe and follow: human leaders in their observed fallibility, or God's Word which is eternally true?

Many who have encouraged this vast foreign invasion, have said that it strengthens our country and they rightfully point out that both our countries were settled by immigrants. This is of course true, as history proves. During one fifty year period during the Nineteenth Century, the greatest immigration of all history took place, as over 50-million immigrants came to America's shores. (When I say "America", I refer to both Canada and the United States, for we are all Americans.)

But closer observation will show that at least 90% of these people came from the White Christian nations we call Christendom. They had been raised on the Christian philosophy, and although they did not all speak the same language, their heart's language was the same. They essentially believed in the One God Jehovah, Creator of heaven and earth, in the Kingship of His Son Jesus Christ their Savior, and in the necessity for mankind to obey God's Law, if they were to live a happy, prosperous life. They came from countries where the One God was revered; where a special day of worship had been set aside to honor Him; where the laws and Constitutions of their parent nations, had been built on the foundation of God's Ten Commandments. These were nations in whose blood was engrained the Israelite desire for "freedom." Where the family was honored; where women were placed on a special pedestal; where the work ethic was in effect.

Where men and women believed the Biblical admonition: "He who does not work, neither shall he eat." (Sometimes called the "Work Ethic"); where children believed in honoring their parents; where a man's word was his "bond."

Most of these people were White, the seed of Abraham in the new wilderness spoken of by the prophet in 2 Samuel 7:10. They were the "true seed" of Israel who had gone into Assyrian captivity for their disobedience to their God; who had lost their identity; who were labeled as "Gentiles; but who in this new land were now known as 'sons of the living God." (Christians, Hosea 1:10).

They had been divorced by God, but now could be reconciled to Him through the death and resurrection of their husband, Jesus the Christ. Through this act, they could once again be legally remarried. (See Romans Chapter 2).

Now in America, the words of Hosea 1:10 have come to pass - "And it shall come to pass, that in the place where it was said unto them, ye are not My people (remember the church world calls us Gentiles), there it shall be said into them, Ye are the sons of the living God," (Christians)".

So the heart's language of this vast immigration throng was the same as that of the Israelites who had settled North America in the late 1600's and early 1700's. These 19th Century immigrants were easily assimilated into the framework of American society and became the people who contributed to making America great.

But beginning about the time of the Great Social Experiments of President Franklin Delano Roosevelt, in the 1930's, the floodgates were opened to alien immigrants from Asia, South and Central America, and Africa. A Jewess named Emma Lazarus, wrote the words, later engraved on the foundation of the Statue of Liberty: "Give me your poor, your tired, your huddled masses; yearning to breathe free." And they came, the refuse from all countries, lured not so much by freedom, as by a "free handout", given to them by "brainwashed" White Israelite Christians, who
did not realize they were destroying themselves in the process.

The enemies of God and His people, "true Israel," were quick to recognize this as a further goal in their avowed purpose to destroy White Christian civilization. A goal they had envisioned from the "dusty halls of Babylon."

Under liberal Democratic Party leadership, which soon learned that the votes of the illiterate immigrants would keep them in power, government policy was put into effect, not for the welfare of Christian America and its people, but for the politicians in Washington, D.C. Since that time, as the floodgates have been opened by traitorous leaders in Washington, the United States has been inundated by the criminal and garbage element of the world. They have turned this Constitutional Republic into a Socialist Welfare State, called a Democracy, which is fast falling under the power of the One Worlders of the New World Order. Which means Zionist control!

The people in government who have encouraged this alien invasion, have done everything in their power to emasculate our Immigration Services and the Border Patrol which is supposed to guard our borders. A constant lesson of history has always been: "When a great nation can no longer control it's borders, it is on the way out."

The 1990 Immigration Law, passed by an emasculated liberal Congress, allows 714,000 immigrants to come into the United States, 1992-94, excluding refugees, whose numbers increase alarmingly every year. In 1992, over 50,000 Jews from Russia have been granted immigration status, and you can be assured that the majority of these are communists.

At one time, before an immigrant was accepted, they had to prove a source of income, so that they would not become a public liability. Today, they begin immediately to receive welfare payments, and some even get Social Security, although they have not paid a cent into this fund. The Jews are given special compensation to get started. Both legal and illegal immigrants are granted welfare and food stamps within a month after they enter this country, and this is further driving us into bankruptcy.

What has been the effect of this almost unlimited immigration from Third World nations? (Where the majority of immigrants used to come from the White nations of Christendom, they now come from the heathen nations.)

First, crime rates have shot sky high in every area where Third World immigrants have settled in any number. Many were criminals before they came to this country and were engaged in drugs and prostitution. Many came to America seeking asylum from prosecution for crimes they had committed.

Along with crime, we have seen disease rates shoot "sky high", with new and apparently incurable Oriental and African diseases showing up, while ancient killers like cholera, tuberculosis, and diphtheria, which we thought had been eradicated, are now becoming epidemic.

But what has this to do with "miscegenation?" Very much! For this influx of non-white foreigners, plus the relaxing of moral standards by the same enemy which encouraged immigration, is now deliberately mixing White boys and girls, with those of other races, knowing that close association will cause inter-racial sexual activity. These are the "intellectual traitors," We are dealing with in our schools. They are encouraged by the National Education Association. These are the ones who push "sex education" in the schools, knowing full well that it does not protect the students, but causes them to be sexually active. They know that handing out condoms does not promote morality among our youth, but encourages immorality. This is their goal, the weakening of the moral and spiritual status of our citizens, to where they can be amalgamated and controlled. They know that history proves that racial integration has been a major factor in the destruction of every great civilization which practiced it, during the sixty centuries of written history. No nation which has experimented with miscegenation, has survived the social disaster it has caused, and since the plans of the conspirators calls for the destruction of White Christian civilization, they know they MUST destroy
our youth, who are the foundation of our future strength. (Do you realize that government psychologists have now declared that anyone who believes in the "conspiratorial aspect" of history, is mentally unstable, and paranoid?) Maybe this is why they are killing themselves by suicide, four times faster than the rest of us "nuts."

But above and beyond social conditions we MUST put God's Word first if we are truly to be called Christian.

I dare you to take an in-depth look at the racial issue, as presented in God's Word. If you are honest in your study, you will find that God forcefully condemns the practice of miscegenation in His people.

But if your "wolf pastors" can "hoodwink" you into refusing to accept your Israel heritage, these scriptures will have very little meaning to you, and will be completely overlooked in the preaching that comes from your church.

The Israel people (who were never Jews) were chosen by God as His special ambassadors to carry His message of salvation, and Kingdom living to all men, through the Gospel of the Kingdom.

There are many reasons why inter-racial marriage is wrong, but in this message I will concentrate on the spiritual reasons as given in the Word of God.

Many of us have observed the heartache and sadness which has come to the offspring of mixed marriages, as they are never completely accepted by either race. While the father and mother may enjoy their sexual experiment, their children invariably suffer from it.

God's Word gives many reasons why He condemns miscegenation and declares it to be an evil practice. Let's look at just a few.

**A - THE CREATION**

When God reconstructed the earth, as recorded in Genesis 1:21, 24, 25, He created "every living creature AFTER HIS OWN KIND..." and God said: "Let the earth bring fn, i the living creatures (Heb. "nepesh", meaning "a breathing creature," ) AFTER HIS KIND, cattle and creeping things, and the BEAST of the earth, AFTER HIS KIND."

This AFTER HIS OWN KIND, was an unchangeable Law of God, as much so as the Law of Gravity, or the Law or Harvest.

Here we run into a very interesting subject which will be discussed in detail in the ANNEX to this message. It is the meaning of the word BEAST. Notice how the BEAST, has been separated from "four footed animals and creeping things." We see where God forbade His people from having intercourse with these creatures. In Exodus 22:19, we read: "Whoso lieth with a BEAST, shall surely be put to death."

Over and over in the opening chapter of the Bible, as it deals with creation we see where every living thing was created to reproduce after "it's own kind!" No where in the animal kingdom do we find the inter-mingling of one kind with another. Only man breaks this commandment. Cats do not mate with dogs; rabbits do not have intercourse with squirrels, and when man tries to mix horses with donkeys he comes up with a hybrid called a mule, which cannot reproduce itself.

In this manner, God safeguarded the members of the animal kingdom and it is safe to assume, from other scriptures, that He had the same plan in mind for mankind.

In the story of creation, the formation of man is not very definite, and as a result we have many different theological opinions. For instance, most Bible scholars, especially those in the evangelical or fundamental ranks, will tell you that the two different acts, or events, mentioned in Genesis 1:26 and 2:7, were one and the same act. But they cannot be. The very wording of these verses shows they were separate acts.
I disagree with the majority, for there are unreconcilable differences between these two accounts. In Gen. 1:27 (KJV) we read: "And God said, Let us make man in our image ... so God CREATED man in His own image ... male and female CREATED He him..."

There are some fascinating features in these three verses (Genesis 1:26-28) for an accurate translation direct from the ancient Hebrew says: "And Gods (plural, more than one), said, "Let US (plural) make man in OUR image." The word for God, as used here in the Hebrew ELOHIM and has a plural meaning which is often associated with angels. It actually means "gods" (plural) in the ordinary sense, according to Strong's Concordance, ff-1430.

If this is true, could it be possible, do you think, that God delegated His supreme authority to create man to His angels and that each created male and female in their own image? Which might be the reason we have different races? (This is merely supposition and I have no scripture to back this.)

Dr. John H. Deguer, a Hebrew scholar of some note, says that the world ELOHIM, which is translated God in our KJV, refers to the "oath bound servants of God," (angels), since EL is the name of God as found elsewhere in the Bible. According to Dr. Deguer, EL (Jehovah-Yahweh) gave these angels power to create beings after their own image. Scholars for many years have puzzled over the name of God, which is ELOHIM in Hebrew, but which is a plural word.

It would also answer the question as to how all races could come from ADAM, since if this were true, as evangelical and fundamental scholars aver, God would have had to break His own Law of "Kind after kind," We KNOW He does not do this!

**B - THE FORMATION OF ADAM**

This brings us to the account of Genesis 2:7, where we are told that God FORMED Adam, male only, from the "dust of the earth" and did something which is not recorded in the CREATION of Genesis One, He "breathed into ADAM'S nostrils the breath of life, and man (ADAM) became a living soul."

The word ADAM in Hebrew is AU-DAUM, which means: "of a ruddy complexion; capable of showing blood in the face, or capable of blushing," which is characteristic of the white race alone.

While theologians and Bible scholars for the most part say that Genesis 2:1-5 is a repeat of the creation story from Chapter One, we find a strange statement in verse five, where it says, "and there was not a man to till the ground." The theologians and Bible scholars on the other hand, say this man was already CREATED in Genesis 1:27. Who is right?

According to the Bible account, on the eighth day, after God had rested from His creation week, He FORMED ADAM from the dust; male only! (This is a completely different act from creating man, male and female, from nothing, as found in Genesis 1:27).

To CREATE, means to "make out of nothing." But the Bible clearly says that ADAM was formed from the "dust of the earth, male only."

This man, ADAM, was a complete being. He was a "son of God," according to Luke 3:38. He was "hermaphroditic" in that he was male and female combined. None of these attributes can be found in the CREATED men and women of Genesis One.

It is very possible that the CREATED men and women of Genesis One were created thousands of years before ADAM was FORMED in Genesis 2:7. They were ordered by God to "reproduce, replenish the earth, and take it under subjugation." This also tells us that this earth existed and was populated before the creation of Genesis One, as it is impossible to replenish something which did not exist. This may very well account for the skeletons of men and women which lived on earth thousands of years before the White race which showed up about 6,000 years ago. Anthropologists know that human beings existed on this earth in Africa and Asia, thousands of years before the White race appeared on the scene.
Adam, according to the Biblical account, was placed in the Garden of Eden to "dress, cultivate, and care for it." (Genesis 2:15). But the man Adam was lonely, so God made him a helpmate, taken from his own body, and presented him with his wife Eve. She is the mother, not of "all living," but of all living white people.

This beautiful true story has been terribly distorted in the Jewish Talmud, which states the Adam had sex with all the animals in the Garden, and when he found satisfaction with none of them, it was then that God brought forth Eve. (It takes a Jew to take something beautiful and turn it into a perversion!)

The One who FORMED Adam was JEHOVAH-ELOHIM, the Sovereign Ruler, the Almighty God, the Creator, the Judge of all nations.

Apparently Adam lived a solitary life for an undisclosed period of time, until God formed Eve. Adam recognized that Eve was part of his body and here we see the institution of the first ordinance, that of marriage. In this ordinance, according to the Bible, "two become one and for this reason a man shall leave his father and mother, and cleave (cling) to his wife, for they are now one flesh." It was for this reason that the Commandment against "adultery" was given later, in order to protect this sacred ordinance.

At this time in world history, Adam and Eve lived in the Garden of Eden, in daily communication with God, who "walked and talked with Adam." (Genesis 3:8)

Outside the Garden, were the other races who lived and carried out God's order to "replenish and subdue the earth."

I have no intention here of going into the "sin" which drove Adam and Eve from the Garden. We know that it was the sin of "disobedience," and we know that Adam and Eve participated in the same sin, for Genesis 3:6 tells us so.

Eve was tricked into this sin by a being which scripture calls the "serpent," in Hebrew NASACH. We know he was not a regular snake, since he walked upright, was capable of reasoning, and could speak in words that Eve understood. (This will also be discussed in the Annex.) Some Bible scholars think the word NASACH refers to the title of this being, but whatever, he was not of Adam kind, for at this time, Adam and Eve had produced no children.

The temptation he gave to Eve was subtle and cast a doubt on God's Word. They were tempted to "become like gods," by partaking of the forbidden fruit.

When Adam and Eve sinned, the glory of God which had clothed them, sometimes known as the "shekinah glory," left and they realized they were naked and were ashamed. I sincerely doubt this had anything to do with a sexual sin, as taught in the SEEDLINE DOCTRINE.

Apparently Dr. Stough, to whom I am indebted for much of the material in this article, believes that the sin of Eve was that of mixing the races. SEEDLINES aver that Eve had sex with NASCAH, who was really Satan in disguise, and as a result Cain was born. I am forced to disagree with this on the basis of Genesis 4:1, which clearly states that Adam had sexual relations with his wife Eve, that she got pregnant as a result and that she gave birth to a man child she named Cain. There is absolutely no hint of any third person involvement. The SEEDLINE argument that Eve's statement: "I have gotten a man from the Lord," indicates that she thought she had had sex with God, when it was Satan in disguise, holds little water, as it is the same statement made by millions of God fearing mothers, when their first son was born: "Look, God gave me a boy."

I cannot bring myself to believe that the "mother of our race," the race from which our Savior was to spring, could have been an adulteress. If she was, so was Adam, for they partook of the same fruit. (The Jewish Talmud says Adam had sex with Satan's mistress, a beautiful demoness named Lilith. More Jewish fables.)

That the SEEDLINE which was to become the chief adversary of God's plan for redemption of the
world began with Cain, I will not attempt to deny. He was the first Adamite to step into the forbidden area of inter-racial marriage. This set him at odds with God's people from the beginning. This sin came after the murder of his brother Abel. (We have an indication that Cain could have repented of his sin, and received God's favor, in Genesis 4:77). It was after this that he inter-married with the "pre-Adamic" people (see Genesis 5:16, 17).

That there were many people living on earth at this time, outside the Garden, can be seen from the fact that he not only found a wife, but he found enough people to build a great city and begin man's first conquest to rule the world.

It was after the time of Cain, when Adam's son Enos was grown, that Adam kind began to worship God. (See Genesis 4:26).

The eighth man in the genealogical line from Adam was Noah, and we see in Genesis 6:9, that he was "just (lawful and righteous), and PERFECT in his GENERATIONS." (The word GENERATION, refers to "bloodline.")

Because of his righteous life and his racial purity, the Bible says that God walked with him (verse 9). He was one of the very few men in scripture of which it was said: "He walked with God." Enoch was another, Genesis 5:22.

This statement regarding Noah does not mean he was without sin, but that his descent from Adam had never been marred by interracial marriage. By this time, all other earthy families had become contaminated by miscegenation and the Bible tells us the result in Genesis 6:12, 12 - "All flesh had corrupted his way upon the earth, and (because of this corruption) the earth was filled with violence." If you look through history, you will find this the story of miscegenation. Violence automatically follows, when men break God's Law of "kind after kind."

God considered only Noah as worth saving, along with his family, when He cleansed the world with the flood.

But trouble began again shortly after the flood, when Noah got drunk on home-made wine. Some have wondered why God did not condemn this in the scriptures, but we must remember that up until this time, grape juice did not ferment.

Noah's sons saw him in this drunken condition and treated the old man with respect, with the exception of his son Ham.

Ham evidently saw his father in a drunken, unclothed condition and treated him with disrespect. Some think he had homosexual relations with his father, we don't know. We do know that when Noah woke from his drunken stupor, he knew what Ham had done and he pronounced a curse, not to Ham, but on his son Canaan. All of Ham's posterity, including Canaan were cursed for "all generations". This curse was that Ham and his posterity were to become "servant of servants to his brethren (kinfolks)."

After the flood, Ham's descendants went south, settling in parts of Africa, and in the land of Canaan, which God later gave to Israel.

These Canaanites were natural enemies of Israel. The Hamites continued further south, settling in what is now central Africa, where they inter-mingled with the pre-Adamic Black races and became servants, or slaves to those who conquered them.

About 1920 B.C. several hundred years after the great flood, Abram was called by God to leave his home in Ur of the Chaldees and move to a new place. This was in order to keep his family line pure. He had married Sara (later called Sarah) who was his half-sister (see Genesis 20:12).

The child that God promised by covenant to Abraham and Sarah, was Isaac. However, Abraham had other children by wives of other races prior to the birth of Isaac. He had a son named Ishmael, whose mother was an Egyptian. After Sarah died, he had a wife named Keturah (we do not know her nationality), they had six sons (Genesis 25:1-3).
However, it was Isaac who was the "child of promise," and Abraham made him his heir, while he sent his other sons away with gifts into the east country. These boys evidently went to India, where they became the White rulers, later called Brahmins.

When it came time for Isaac to be married, Abraham sent his servant Eliezar back to his home country of Mesopotamia to look for a wife for Isaac. He told this servant: "Thou shalt not take a wife unto my son of the daughters of the Canaanites, among whom I dwell, but thou shalt go unto my country, and take a wife unto my son Isaac," (Genesis 24:3, 4).

When Eliezer reached Mesopotamia, he was led by God to meet Rebecca the granddaughter of Nahor, Abraham's brother. After a formal, but friendly visit, Rebecca agreed to return to Canaan and marry Isaac. Thus Abraham's family line, through Isaac, was kept free from Canaanite contamination.

From Isaac, we see how he admonished his heir Jacob, whose name was later changed by God to Israel, to take a wife of his own kindred, (Genesis 28:1, 2).

Jacob made the journey to Padan-Aram where he fell in love with Rachel and worked seven years for his uncle Laban. Then Laban tricked him into marrying Leah, his elder daughter, and Jacob worked seven more years to get Rachel, and six more for his possessions. He was finally able to return to Canaan with his wives, thirteen children and great possessions of cattle and sheep. He also had children by Bilhad, and Zilpah and because the scriptures say nothing to the contrary, we are safe to assume they were Hebrews of the Covenant race. While Jacob kept his family line pure, his sons were not as careful and one, Judah, married a Canaanite woman.

Jacob's son Joseph, while in the court of Pharaoh in Egypt, married an Egyptian woman who was the daughter of a "priest," or "prince" of On. From Egyptian historical sources we learn that she was the descendant of Shem's family who had settled in Egypt many years before. As far as scripture tells us, Joseph kept his family line pure.

**The Disaster of Race mixing - Part II**

The sin of race-mixing is one of the greatest dangers our nation faces today, although most Christian ministers make light of it. If God allows this church approved sin to continue, within a few generations the White race will disappear leaving the world in the control of the anti-Christ Jews who have been foremost in promulgating race mixing, knowing that history proves that bastard races are easier to control.

In America, this has become an increasing threat due to several reasons:

1) The heavy influx of Black Hispanic, Asiatic and Jewish people, strongly promoted by Zionist interests in our government.

2) The rapid increase of these races, (with the exception of the Jews who reproduce very slowly). It has been found that the Black race in America reproduces four times as fast as the White, while Hispanics and Asians reproduce five times as fast. It does not take a mathematician to see the end results. At the rate we are going in 1993, the White majority that settled America and made it the greatest nation on earth, will soon be outnumbered in their own country and become a minority people. When this happens, as in all other cases, America will revert to a Third World nation status.

3) The promotion of "racial equality," by the media, which in business and social situations always stresses race mixing, has encouraged Christians to do the same, even though the Word of God strongly condemns it.

4) The laws forbidding "inter-racial marriage," which once protected the White majority, have been repealed and integration is now being forced by government decree.
in every phase of our national life. All part of the New World Order plan of subjugation.

5) The so-called "sexual revolution," has produced immorality in all areas of our national life and has resulted in literally hordes of illegitimate births, abortions, homosexuality, and miscegenation. Don't be fooled into believing that God will overlook this blatant disregard for His law.

6) The attack on the Bible, Christian virtues, the home and the sacredness of marriage, is all part of the over-all plan of the anti-Christ. A few nights ago I watched TV evangelist Pat Robertson, as he decried this attack against Christianity in what he titled ATTACK ON FAITH! He mentioned such anti-Christian organizations as the ACLU, but never hinted that they were led and controlled by anti-Christ Jews. Of course he could not do this, since as a Christian Zionist his interests lay in an "Israeli first" policy. He calls these Canaanite enemies of Christ, the Chosen People while knowing they are His enemies. What utter hypocrisy!

7) There is a conspiracy underway, Virginia! Whether you want to accept it or not. It is a conspiracy that had its start in the dusty halls of Babylon, for world conquest, and has carried on during the last 2,000 years in what it openly states is a campaign of ultimately destroying "White Christian civilization".

It can be summed up in these words from the Jewish/Communist textbook PSYCHOPOLITICS, page 52: "You must recruit every agency in the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief that Christian belief ... is vicious, bad, insanity causing, publicly hated and intolerable! ... You must work until Christianity is synonymous with insanity. You must work until the officials of city, county and state governments will not think twice before they pounce on Christian groups as public enemies.

"We must be like the vine upon the tree. We must use for our tools any authority that comes to hand, and then, at last, we can dispense with all authority save our own." This comes straight from the "horse's mouth."

After sin entered the world, wherever men lived together, wickedness increased and after ten generations the Bible says that "every imagination of the thoughts of his (man's) heart, was on evil continually", (Genesis 6:5), and God destroyed most of them with a great flood, saving only Noah and his family.

Years after the flood, as the earth began to be populated again, we see another move as the "One Worlders," who have been around a long time, tried to build a civilization without God, and God scattered them by confusing their languages and scattering them to areas which he had appointed for them.

God started a "new plan," and began this plan by calling Abram out of Ur of the Chaldees, because of his faithfulness and obedience. God made an everlasting, unconditional covenant with Abram, telling him that he would have unnumbered posterity, and that all the world would be blessed through him, (see Genesis 12:1, 2). Verse 3, which is a favorite of the Christian Jewish prostitutes, "And I will bless them that bless thee, and curse him that curseth thee: and curse him that curseth thee: and in thee shall all the nations of the earth be blessed." Let me point out that this verse says nothing about a people we now call Jews, who did not come into existence until 1200 years after the time of Abraham, and we have no reason to believe that this blessing and curse, outlived Abraham.

The descendants of Abraham, many years later, now called Children of Israel, after their father Jacob/Israel, went into slavery in Egypt and were delivered through God's miraculous intervention, using His servant Moses as His human tool. God instructed these people, which He called "His own." "Neither shall thou make marriages with them (non-Israelites); thy daughter thou shalt not
give unto his son, nor his daughter shalt thou take unto thy son" Pretty specific, isn't it?

The reason given is: "For they (the non-Israel heathen) will turn thy son from following Me, that they shall serve other gods; so will the anger of the Lord be kindled against you, and destroy you suddenly. For thou (Israel) art an holy people (see 1 Peter 2:9) unto the Lord thy God; the Lord hath chosen thee to be a special (peculiar, the New Testament says) people unto Himself above all the people that are in the face of the earth." (See Amos 3:2 for confirmation).

Notice that the scripture says they are to be a SPECIAL and SEPARATE, nothing is said about them being SUPERIOR. But because they are SPECIAL in the eyes of God, this people MUST remain PURE, if they are to please God.

THE Hebrew word for HOLY is QUADISH which literally means: "set apart". Israel was to be God's ambassador to the rest of the world, carrying His message of redemption for all men who would accept Him as King. It was to show these non-Israel people how God wanted them to live in accordance with His law, so that they could live in peace, freedom, and prosperity. Many of the problems we see in Christendom today, have come because our Israel people have "reneged" on their duty to their God. For the most part, we have been miserable examples of God's ambassadors, and like the "ugly American," have become hated, where we should be loved. Instead of obedience to God's law, we have promoted sin and rebellion. It's no wonder God is disciplining His people today, ala Deuteronomy 28.

Race mixing, "miscegenation," is an affront to God and there are several reasons why it is offensive to Him:

1) It cripples God's original design, the plan God had for every race. He gave each of them distinct characteristics which would make them different from all others, while at the same time making them an important part of His world plan. "Race mixing," is an attempt to destroy God's plan for the races.

2) God created all things to produce "kind after kind." This is a biological law which is as strong and lasting as the "Law of Gravity," or the "Law of Harvest," both of which can easily be demonstrated as true.

As you study the Bible, it becomes apparent that God wanted each race to remain pure. He even designated certain areas in which they were to live.

3) Miscegenation violates the inherent "blueprint" for the genes of each human body. In spite of liberal arguments to make all men "equal", biologists know that each race is distinctly different, in bodily formation, in inherent intelligence, and in the very structure of their blood cells. All races are not biologically the same. Of course it is "politically unacceptable" to discuss this truth, but this fact doesn't change it.

Through inter-marriage, these genes become mixed up, producing abnormal or irregular patterns. The genes of the dominant parent will always determine the results in their children.

4) Miscegenation violates God's Law (natural Law) of reproduction, no matter how much Billy Graham and his ilk put their seal of approval on it. This inter-mingling is unknown to all other species. It is only man who interferes with God's law. It has been proven that if the horse mates with a zebra, it will produce offspring with zebra stripes for generations to come. The lion will not mate with the tiger, unless man forces it to. In many cases of artificial, or forced interbreeding, as between a horse and a donkey, the offspring becomes incapable of reproduction.
5) God opposes miscegenation because of its disastrous results. No where in the scriptures, Old or New Testament, is it considered as right, in spite of what some of our religious leaders have tried to make it say so.

It has another disasterous result, in that it defeats God's plan of redemption of the world through the Ambassadorship of His Israel people, who were to preach the "shed blood of His Son, for the remission of sins", to all the world.

Israel, the instrument through which God intends His Kingdom message to be spread, would not be able to survive inter-marriage, because the genes of other races were stronger and because the religious beliefs of these heathen races would lead His people away from their God. Over and over again, God cautions against this in the Old Testament, and King Solomon, considered the wisest man to ever live, outside of Jesus Christ, is a good example, as his heathen wives led him into idolatry when he became old. (1st Kings 11:4)

The plan of God for the redemption of the world through His Son, our Savior and King, was that He was to be born into the Israel race, which had been set aside for this special purpose; that He would defeat and triumph over Satan and his plan for world control, which God would not allow.

**God's Law Was Made To Protect Israel**

If you study the story of Abram, and the covenant God made with him because of his faithfulness, you will see God's personal direction over the patriarch's in their marriages.

Abram, married Sarai, his half-sister (later called Sarah), which was permissible at this time. Isaac, the son of Sarah and Abram, married his cousin Rebecca, whose father was Abram's brother. Jacob married Leah and Rachel, who Were his second cousins and of the Hebrew race. (None of these were Jews, for the Jewish people did not exist until almost 1200 years after Abram, where we first hear of them in 2 kings 16:6, where they were fighting against Israel.

By following God's "guidelines" Israelites kept their family blood line pure.

From Shem, the son of Noah, this family line had been kept pure from the time of Adam. They had not intermarried with the Canaanites (the descendants of Cain). Because of this racial purity and his obedience to God, Noah found favor in the sight of God, who saved he and his family from the Great Flood. The Bible tells us that Noah was "pure before God in his generations." (bloodline -Genesis 6:9)

When Jacob, whose name had been changed by God to Israel, moved into Egypt during the seven years of famine, he settled in the land of Goshen, where his people kept themselves apart from the heathen Egyptians and other races. (See Genesis 47).

While it is true and scripturally recorded that some of Jacob's sons married out of their race (Judah married a Canaanite woman, whose seed died), the bloodline of the race remained pure.

Notice how when Israel left Egypt in the Exodus, a mixed multitude was allowed to go with them (see Exodus 12:38). If you study the history of Israel in the wilderness, you will find that it was this "mixed multitude" which fell alusting and complained until all of Israel fell into this sin. (Check Nehemiah 13:3, for a later application).

When God delivered Israel from Egypt, He gave strict orders that when they entered Canaan, they were to destroy the inhabitants of the land, and were never to inter-marry with them on pain of death. This is how strongly God looked on the sin of miscegenation.

Today, modern churchmen refuse to dwell on this side of God's nature. It appears to be too harsh for their sensitive Christian people to accept. So modern churchmen differentiate between the God of the Old Testament, who they call a "harsh God of War, hatred, and destruction," while painting Him in the New Testament as being a God who "loves all mankind." Yet these "double-minded" churchmen, still preach that God never changes, and that he is the same "yesterday, today and
forever". They neglect to teach their people that the God of the New Testament is also a God of wrath against evil doers. In Heb. 10:26-30, we read of this aspect of God in the New Testament, followed by this admonition in verse 31 - "It is a fearful thing to fall into the hands of the living God." You better believe it! (See what Jesus has to say about this in Luke 12:5). Strange philosophy, isn't it, that allows churchmen to contradict themselves and still be believed by the majority of their people?

Read for yourselves the account of what happened to Israel when they began to lust after the daughters of Moab, (Numbers 25:1-5). At the time when this happened Moab was a "mongrelized people" who led Israel into idolatry. It became so bad that God commanded the Israelite leaders in this sin to be beheaded.

In Numbers 25, we read how Phinehas, executed an Israel leader, when we brought a Midianite whore into the camp. Because of this sin, the wrath of God fell on all the people, and the plague that God sent against them, was only stopped when Phinehas killed both of them. (Evidently none of the other Israelites had protested this breaking of God's law).

Under Mosaic Law, Phinehas would have been punished for taking the law into his own hands. But God told Moses that Phinehas was not to be punished, since he was carrying out God's will.

Does this mean that you and I have the authority of God to execute a man or woman who are engaged in miscegenation? Not at all! Phinehas did what he did, because he was an authority in the tabernacle, and it was his task to keep the tabernacle holy. What Zimri and Cozbi did was an insult not only to Israel's God, but to the nation as well and he acted on this.

As a Christian, do you feel that God's punishment of 24,000 Israelites who died of the plague for this man's sin, was too severe? What about the millions who are today dying from AIDS, herpes, syphilis and other sex-related diseases? Most of these are caused by immoral sexual behavior. If you are not in favor of this, then why do you support it with your silence? The Bible tells us that once an inter-racial sin takes place, it takes ten generations to cleanse it from the bloodstream, provided the racial barriers are not again broken.

While the Seventh Commandment is a stern reminder, dealing with sexual relations between unmarried people, it has another meaning which is often hidden by the clergy and which the modern church has shunted aside as "adultery." The New Webster Dictionary defines "adulterate", as: "to make impure; to debase by introducing inferior or impure substances." Thus miscegenation adulterates the blood line purity of Israel, and wins the curse of God that leads to national ruin.

All through scripture, from the time of Jacob/Israel, God spoke of the Israel people (not the Jews), as a "special people, separate unto God for a specific purpose." They were not to become "Racial Supremests," as the Jews teach. (In the Talmud, Jews are taught that when their Messiah comes every Jew will have 2,000 "goyim" slaves. That's you and I, brother! But God says of Israel in Amos 3:2 that "You only have I known of all the families on earth." and because of this father-son relationship, God disciplines His people, as He is doing now with the "true Israelite".

Israel has a very special mission which demands both racial and spiritual purity, and one of the major reasons we are in the mess we are now in, is that "true Israel," has failed miserably in her mission as God's Ambassadors.

After Israel endured 40 years of training and discipline in the wilderness, God allowed them to enter Canaan and conquer it.

However, they rebelled many times, and as I mentioned before, this rebellion was often led by the "mixed multitude" who had come with them from Egypt.

This history of our people can be found in the book of Judges. It is interesting to note that on every occasion, when Israel disobeyed God, he disciplined them through foreign invasion. Yet if you were to tell most pastors that this country is in imminent danger of a foreign invasion, they would laugh
in your face. Yet if God never changes, what makes you think He will act differently now, than He did 3500 years ago? (And "No Virginia, Communism is not dead". It has just changed its outward form and is more virulent and dangerous now than ever before). In Judges 2:14, we see that when Israel disobeyed God, He sold them into the hands of their enemies and, "they could no longer stand against their enemies". In spite of our military might, we are now in a position where we could not stand against the great heathen aggregation which will soon come against us, as prophesied in Ezekiel 38 and 39. (For further information read my book A New Look at Ezekiel 38-39.)

From the land of Canaan, Israel was to travel to another wilderness, which has never been recognized by the majority of churchmen, but which is clearly spoken of in 2nd Samuel 7:10. Here we find King David, as he stands in his palace in Jerusalem, and listens as the prophet tells him of an "Appointed Place," sometime in the future, where the Israel people would move; never to be removed, and would be in peace. Since the time of their Assyrian captivity, "true Israel," has been on the move towards this "Appointed Place." Many biblical descriptions show us that this could only be in the British Isles and in North America, even though these nations are not mentioned by name. Israel, under different names, would settle in this "prepared place." (America is accurately described in Isaiah 18).

The devil (the dragon of Revelation 12) has made war with the woman (Israel) and her seed, and has done everything possible to destroy her and her children. He has failed, because God has declared he would fail, and that Israel was to become His "battle axe and weapons of war," (Jeremiah 51:20). The scripture indicates that "true Israel," under God's command, will ultimately defeat the forces of evil sent to destroy them. But this will not take place until Israelis willing to put into operation the only FORMULA FOR SURVIVAL, which will work, the one found in 2 Chronicles 7:14. Our church folks love to quote this verse, but very few, including the majority of their pastors, are willing to stop "doing their own thing," (which often includes miscegenation) to obey God. That is why I have taken as my MOTTO - OBEDIENCE TO GOD MUST COME BEFORE VICTORY!

When I talk about enemies, I am not speaking about the anti-Christ's of Judaism, but of the apostates from within, men such as Baptist evangelist Jack Van Impe, Pat Robertson, Jerry Falwell, Billy Graham and others of their ilk, who are confirmed Christian Zionists (if that is possible), who have "sold their souls to the anti-Christ's of Judaism", for popularity and money. Or as Billy Graham's wife Ruth once said: "We will do anything necessary to fill the football stadiums;" or to remain on TV.

Other forces set out to destroy "true Israel." The Roman Catholic church, steeped in the religion of paganism tried it and was stymied by Christian heroes such as Martin Luther and others who refused to deviate from scriptural truth for any reason.

Diseases such as the Black death decimated Europe and critics of the Bible, led by German Jews, for the most part, tried to undermine the faith and truth of the Word of God. They are responsible, in large part, for the Laodicean "luke-warm" church we see in existence today.

Catholic nations such as France and Spain, attempted to destroy the Protestant Christian nations which were made up in large by an Israelite majority. They failed, sometimes by the miraculous intervention of God, as in the destruction of the Spanish Armada in 1588, in their attempt to invade Israelite England.

When our Founding Fathers drew up our Constitution, they gave us a Republic, not a Democracy, and this Republic was to be under the laws and guidance of Almighty God. It was never meant to become the racial melting pot it now is, where the heathen has equal rights with the Christian. This Republic was to be a representative form of government, whereby its citizens were to elect representatives to enforce God's Law. They knew that government did not have the authority to make Law, only God is the "law giver".

This nation was to be governed by Israel people, and the heathen were not to sit in places of
government. Our early leaders, such as George Washington and Benjamin Franklin, warned us of what would happen, if we allowed the anti-Christ's of Judaism to get a foothold in America. (We didn't listen, and it has come to pass!)

Today our nation has been changed into first a Democracy, then a Welfare State, and we are well on our way to becoming part of a One World Dictatorship. Today, under the direct rule of the people, we see control of government through the pressure groups such as the Jewish Anti-Defamation League, the NAACP, and many others.

Our government is no longer controlled by people who must answer to the electorate, but by appointed groups who now carry out the orders of the bureaucrats, who in turn are controlled by the International bankers. The Internal Revenue Service is a prime example of how bureaucracy now controls America. They are not a government agency as such, but are the "law enforcing branch," of the Federal Reserve System, which is not Federal at all, but privately owned. Today, all the money collected by the IRS goes to pay the interest on the national debt which has accrued since 1913, when our Congress sold the American people into the hands of the International bankers. None of our Income Taxes goes for government.

For many years, our immigration system was under Roman Catholic control and as a result their policy favored "controlled immigration" from mostly Catholic, which meant Third World nations.

Instead of immigrants coming from mostly Israel nations, as had been the trend in the 1800's, suddenly we were inundated by millions of immigrants, legal and illegal, from Catholic countries such as Mexico. This furthers the dangers from miscegenation, which always weakens a White Israel nation, and will ultimately destroy it.

Today, aliens with alien cultures, alien religions and alien diseases are openly flocking into America, with the approval of our government. It is reaching the point where the White Christian majority which built America, may soon become an endangered species in our own country. If this were to happen, we would revert to the savagery we see in Africa, where every Black nation which has come out from under White control, has degenerated into absolute chaos. Not one of them is in better shape today. Yet we never seem to learn!

The Political Action Committees, many of them run by foreigners, spend millions of dollars yearly to get their pet projects passed by Congress, while the White Christian majority surrenders more and more of our God given rights into the hands of the New World Order, and it's hordes of heathen.

Today, a great propaganda campaign is being carried on in America. We see it every day in the media, and especially on TV. It is aimed primarily at Christians, and Christian youth in particular. This is to convince them that "race mixing" is good and has the approval of God, although ALL scripture says otherwise. They even quote from the Bible such scripture as these:

"And hath made of one blood ALL nations of men, for to dwell on all the face of the earth..." (KJV, Acts 17:26).

"From one man He made every nation of mankind," (NIV).

"All nations He created from a common origin," (Moffatt Trans). "He created every race from men of one stock," (NEB).

What these men are saying is that God is a liar, and that He really didn't mean what He said in Genesis One, when He stated that everything was to reproduce "after it's own kind".

But a close look at this verse in Acts 17:27, shows you that it has nothing to do with teaching that all races came from the common origin of Adam. If this verse were to teach this falsehood, then why does God condemn it in many other places? If this teaching is true, then why didn't God allow Israel to inter-marry with the aliens? Use your head and think for yourself. Don't let some seminary "brainwashed" pastor tell you what it means. Scientists and biologists KNOW there are distinct differences between the races, and so should any observing layman. You don't have to be a scientist
to see this!
The traits that make a White man white are recessive as long as White marries White. They will always have white children!

The Negroid and the Mongolian features are dominant traits. That's why marriages between White and colored always produces colored offspring.

If the White man means to maintain white traits, he MUST always marry within his race. If he deviates and inter-marries with any other race, the white traits will be lost within a few generations and his offspring will revert to pure colored. This means that for the White man to inter-marry, means his ultimate destruction. And of course, this is the plan of the "race mixers". History has proven that mongrel people are always easier to control, than pure bred ones.

**Miscegenation Is The Enemy's Blueprint For White Destruction!**

Destruction of White Christian civilization is the major purpose of the present drive towards miscegenation. The enemy often openly admits this. They know that it has always been the White Aryan people who have been the bulwark of freedom. So in order to control the world, this faction must go. Historians and sociologists know that mongrel people are easier to control. History proves this, and our enemy, being Satanically inspired men know that every White civilization (and there have been some 25 of these in the sixty centuries of written history) which has practiced miscegenation, have destroyed themselves from within. The sands of history are covered with the dried bones of those who have tried "race mixing" and have found it was deadly poison for both races. Some in the Black race may dispute this, but history proves that Blacks have never been able to rule their own people justly, and the fables of great Black civilizations in Africa, are just that, "fairy tables." For centuries the Blacks in Africa walked over untold mineral riches without ever recognizing their worth for other than trinkets. I have been in places in the interior of Sudan, where they had never seen a white man, and where the Blacks were living as their aborigine ancestors did thousands of years ago, without the knowledge of a wheel, or how to make fire. As I have mentioned before, not one country in Africa, now under Black control, has bettered themselves, and in South Africa, where gullible Americans have been brainwashed about mistreatments of Blacks, the Black people live better than in any other country on the Dark Continent. It seems that our stupid liberals could see this, when you consider that South Africa is the only country on the Continent with an immigration problem. This would hardly be possible, if this country was as suppressive of Blacks as we have been led to believe by the Jewish controlled media, which means the International Banker clique.

As a result of these international plans, the present public education towards miscegenation by the media and TV, does not happen by accident, or because people are interested in "equality for all," as is sometimes claimed. It is planned for control.

Plans have been in the mill for hundreds of years to destroy White Christian civilization. It has been underway ever since Jewish efforts were used to pressure the Roman Emperors into intense persecution of Christian communities in the Empire. It was inherent in Christ's Parable of the Vineyard in Mark 12, where the wicked men said of the King's son: "This is the heir: come let us kill Him and seize his inheritance." Mark 12:12, tells us that when Christ made this statement, the Pharisees understood that He was speaking about them.

They knew they were the wicked husbandmen, the usurpers, those "which say they are Jews and are not; but are of the synagogue of Satan," which the risen Christ spoke about in Revelation 2:9; 3:9.

Ever since that day when Jewish leaders "killed the heir," Jesus Christ, they have attempted to control the world. This plan can be found in many Jewish writings, where they openly boast about their plans. This world is Christ's inheritance. It was given to Him by His Father, God Almighty. He
was ordained by God to rule this world as King of Kings, and Lord of Lords. But the International Zionists and their ilk will not have it so, and shout in the face of God Himself: "We will not have this Man to rule over us." (For the final outcome of their rebellion, read Malachi 2:2-4).

Many well-meaning Christian pastors and people have been "brainwashed" by enemy propaganda into believing that Christ's worst enemies are His Chosen. Others, who are not so naive, and know the truth; men such as Jerry Falwell, Jack Van Impe, David Webber, Billy Graham, and many others, know that the Jews are the "synagogue of Satan," yet they continue to support them for the monetary benefits which accrue to them by so doing. Because of Jewish wealth and money control, it has now become profitable in America, to be a traitor to God and country.

We must remember that Judaism of today, is the Pharisaism of Jesus' day. Their leaders readily admit this. They openly brag about their plans to destroy Christianity. WE can see their plans in operation, as we see how they are behind the removing of prayers from public schools, the removing of Bible reading, the removing of Christian landmarks which have been present for generations. A little detective work will prove to you that almost 100% of these attacks against Christianity are initiated by Jews.

In his book L'ANTISEMITISME, p.350, Jewish author Bernard Lazare says: "The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys the Catholic or Protestant faith, he provokes indifference, but he imposes his idea on the world of morals, and of life upon those whose faith he ruins; he works at his ago-old task, the annihilation of the religion of Christ".

Jesus said of the Pharisees (Matthew 23:15) - "...ye compass (go over) sea and land to make one proselyte (convert), and when he is made ye make him two-fold more a child of hell than yourselves".

The so-called Christian pastors who support Judaism, are much more dangerous to the cause of Christ, than any anti-Chist Jew.

In 1902, Israel Cohen, a Jewish member of the American Communist Party, wrote a book titled A RACIAL PROGRAM FOR THE TWENTIETH CENTURY. It can be found in the 1957 Congressional Record, p.7557. Here in part is what he said:

"We must realize that our party's most powerful weapon is racial tension. By propounding the consciousness of the dark races that for centuries have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory! While inflaming the Negro against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negros. We will aid the Negros to rise in prominence in every walk of life, the professions, in the world of sports and entertainment. With this prestige, the Negro will be able to inter-marry with the Whites and bring about a process which will deliver America into our cause".

There you have it in black and white, straight from the horse's mouth.

This shows you how the International Jew, through their control of the media, television, the entertainment world of Hollywood, and sports, among other things, has brought about the moral climate in America, where miscegenation, the disease which always destroys, is now considered as popular and desirable.

As we study the facts, we can come to only one conclusion and that is that "race mixing" is a big part of the Talmudic plot to destroy White Christian Civilization, all the screaming of "racism and anti-Semitism" to the contrary. Somehow, the Zionist enemy MUST cover up these facts, if they are to succeed in their dream of world dominion.

In the Jewish/Communist textbook on PSYCHOPOLITICS, published in 1933, which is their blueprint for the destruction of Christian America, they openly state: "We have battled in America since the century's turn to bring to nothing, any and all Christian influence and we are succeeding. While we today seem to be kind to the Christian, remember that we have yet to influence the
Christian world to our ends. When that is done, we will have an end to them everywhere." This is their avowed plan, and all the Judeo-Christian cries that they are the Chosen People, will not change the fact that they hate our God, His Son, and the freedom Christianity has brought to the world.

We know from the Bible (Amos 3:7) that God does nothing without first revealing it to His servants the prophets. Many in fundamental circles say that "prophesy" ended when Christ died on the cross, but Jesus Himself said: "...all things I have heard of My Father I have made known unto you." Search the scriptures, for even today, God reveals His will through Godly men who serve Him. They may not be prophets in the Old Testament sense, but wise men, from the Word of God, can and will discern the future. We must be sure that they come from God's Word, and that they are God's men - "By their fruits shall ye know them".

Herbert Spencer once said: "There is a principle which is a bar against all information, which is proof against all arguments, and which cannot fail to keep men in everlasting ignorance." We often refer to this principle as "prejudice". Most people believe that criticism of another religion, or people who are different, is "prejudice". This makes it obvious they do not understand the meaning of the word. It is taken from the Latin word "praejudicium" which means: "preconceived judgment or opinion adverse to anything, which comes from unjust grounds, or without sufficient knowledge". So before you criticize, always have the facts. (This disease of "prejudice", is prevalent among Christian Fundamentalists and Evangelicals. It is the disease which kept me in spiritual darkness for over 45 years). The most vivid example of this that I can think of, was what happened to me when I went to my pastor (Independent Fundamental Baptist), after three months of study from history and the scriptures, which proved to me that today's Jews are not "true Israel," the Chosen People of the Bible, since they have none of the "fingerprints" which identify Israel in the closing out days of this age. I approached him by saying: "Brother Bob, I doubt that you will accept these facts, but I believe you need to know about them." Immediately, when he saw they were unfavorable to the Jews, he threw them in his waste basket with the angry and contemptuous remark: "You can't show me anything about the Jews. I already know what the Bible says and if you insist in bringing these things to our attention, the door of every Baptist church in this country will be slammed in your face." He wasn't far from wrong, for within two weeks of that meeting, he had turned the hearts of every Baptist minister in Mississippi against me, sometimes using methods which were neither Christian or honest. Fourteen week-long revivals which had been scheduled for the coming year, were cancelled immediately, on this grounds alone, that I no longer accepted the Jew as God's Chosen.

During the signing of the Declaration of Independence a strange thing occurred, which is not spoken of in the history books of the land, but which is recorded in our nation's history. When the Declaration was finished, men were hesitant to sign it, no one wanted to take the lead. Then a strange thing occurred, a stranger stood up in the balcony and spoke these words: "The words of this declaration will live in the world long after our bones are dust. Sign that parchment! Sign, if the next moment the gibbet's rope is draped around your neck! Sign, if the next minute this hall rings with the sound of clashing axes! Sign, by all your hopes in life and death! As men! As husbands! As fathers! Brothers! Sign your names to that parchment, or be accursed forever! Sign, and not only for yourselves, but for all ages, for that parchment will become the textbook of freedom, the Bible of the rights of men forever!

Nay, do not start and whisper with surprise! It is truth, your heart witnesses it! God proclaims it! Look at this strange band of exiles and outcasts, suddenly transformed into a people: Israel was to be born in a day, (Isaiah 66:8) a handful of men, weak in arms, but mighty in God-like faith; nay, look at your recent achievements, your Bunker Hill, your Lexington, and then tell me, if you can, that God has not given America to be free".

When he had finished speaking, they rushed to the table to sign and after it was over, they looked for the stranger to thank him for his inspired words, but he could not be found. He had vanished, though the doors were locked and he was never identified.
The Declaration of Independence and the Constitution which followed, became two of the greatest
documents of freedom ever conceived by the minds of men, yet they were built on the scriptural
basis of the Mayflower Compact, which took place more than 200 years before. Carlyle said of it:
"The Mayflower carried the most precious cargo that ever sailed the seas," for it was the seeds of
the Mayflower Compact, signed on November 21,1620, in the stuffy little cabin of a tiny ship,
called the Mayflower, as it lay anchored off the shore of what is now Provincetown, Massachusetts,
which was the basis for the freedom, God's enemies are now trying to take away from us through
this disease of "miscegenation". The Pilgrim fathers wrote: "In the name of God, Amen! We whose
names are undersigned, having undertaken for the glory of God and the advancement of the
Christian faith, a voyage to plant the first colony - do by these presents, solemnly and mutually, in
the presence of God, combine ourselves into a body politic".

Daniel Webster called this compact the "seed corn of the Constitution". We who love God, know
that these mighty documents were not penned unaided by the genius of men, but came about
through the help and guidance of Almighty God. So no matter what our enemies say to the contrary,
we KNOW that America was conceived as a Christian nation. This is what the Satanists of
International Zionism are seeking to destroy through "race mixing". Only you and I, concerned
Americans and Christians can stop it, and then only with aid from the King. It will be difficult, for
we will be fighting against our own White "brainwashed" Christian people. Christ said that the time
would come, when these would think they were doing God a favor by killing us. (John 16:2)

I realize that on the surface, our battle seems impossible, as the odds are stacked against us. I have
been in this fight for a long time, and sometimes I suffer from "battle fatigue".

I'd like to stop fighting and do some of the things I enjoy. Men tell me: "We have gone downhill for
too long; the enemy is too strong; there is no hope. Maybe we should give up and make the best
deal possible with the enemy".

Do not talk to me of compromise or "making deals" with the enemy. I will have none of it, for
experience shows that this always leads to disaster. I have hope and faith, founded on the promises
of our God. I believe He will give us victory, if we are willing to obey Him. Our watchword MUST
be OBEDIENCE TO GOD MUST COME BEFORE VICTORY!

A Christian lady once accused me of fighting against God, because I am trying to save a remnant in
America. She said: "God has said in His Word that America will be destroyed and you are fighting
it!" Not so! (When I asked her to show me this in the Bible, she couldn't and this made her angry).
But in spite of every enemy effort made to destroy His White Israel people (and I use this term
advisedly), God will give us victory if we obey and follow His FORMULA FOR SURVIVAL as
found in 2nd Chronicles 7:14. But we MUST do more than give this "lip service". To have victory
we must abandon "doing our own thing", to love our God, "with all our souls, and heart, and mind",
which means making Him first in everything we do. He must come before self, before family,
better race, before country. Redemption is available for America, if Christians want it badly
enough.

- Annex -

The following information will be difficult for many Christians to assimilate. I am not sure I agree
with it 100%, but it has merit and as Christians we should examine it in the light of God's Word, and
let His Spirit be our guide in accepting or rejecting it. It will strengthen our argument against "race
mixing - miscegenation," whatever you choose to call it.

This information was given to me by the VIRGINIA CHRISTIAN ISRAELITES, P.O. Box 109,

it to them. I do not know the name of the author.

This annex will be divided into four parts:
Part I - The Beasts of the Field!

When the word "beasts" is used in the scripture, it often simply means "a living creature." For example, in the book of Revelation (KJV) the term "beast" is used to identify certain heavenly creatures who serve God day and night before His throne. Thus, in Revelation 4:6, 8-11 we have the statement - "...and in the midst of the throne, and about the throne were four beasts . . .

In connection with this, read Revelation 5:6, 8 and 6:1, 3, 5, 6, 7, where the word "beast" is used. I have quoted the above scriptures principally to show that there is nothing belittling, demeaning, or derogatory in the biblical use of the term "beast". It is as honorable as the term "angel" or "man".

The English word "beast" is translated from three different Hebrew words:

(1) "behema", meaning cattle or quadruped;

(2) "beir", meaning a brute beast; and,

(3) "chevyah", meaning a "living creature".

The Greek word translated "beast" is "zoon", and this is the word used in the passage quoted above, and in Revelation 7:11; 14:4; 15:7 and 19:4.

Many Bible translations, including the very reliable Revised Version, translated the Greek word "zoon" as "living creature", rather than "beast", and so it is used in all the aforementioned passages. The same should apply to the Hebrew word "chevyah", and does, according to Young's Analytical Concordance. Most translations, however, seem to prefer the expression "beast of the field," or "beast of the earth," to be the best translation of the Hebrew "chevyah". This is the word used in Genesis 3:1.

From this passage it becomes evident that two very definite and distinct types of living creatures are described in the scripture, one identified as "beast of the earth, or the field," while the other is described as the "beast before the throne". Very often the word "beast" is used without the phrase "of the field," or "of the earth".

There is a fundamental principle which every Bible student should remember. It is this: God never troubles to explain things which are not absolutely necessary for us to know. He states the factual truth as it is, and, because HE is completely incapable of untruth or error, He expects us to believe exactly what He says even when no details are given. It is here that faith and trust in the veracity of God always thrive. It is written: "In the beginning, God created the heavens and the earth." That statement is true! You may ask ten thousand questions about it, such as: "Where did God come from?" How did He make the earth? Where did He get the materials? How did He make the stars? How long did it take Him to create it all? and many, many others which the wisest of men cannot answer.

The Lord did not say He wanted us to understand everything He does. He simply states the indisputable facts and leaves man to believe or disbelieve as he wishes.

The scriptures say that a certain man was named Peleg, for in his days the earth was divided (Genesis 10:25). God does not explain what method He used to divide the continents and islands, but in passing, the revealing statement is made: "In his (Peleg's) days the earth was divided". This answers a problem which has baffled the best scientific minds for centuries. If you believe it without explanation, it answers much. If you try and pry into it, you get hopelessly lost in the fog.

Thus, in Genesis 3:1, where the scripture says that the "serpent was more subtle than all the beasts of the field that the Lord had made," it becomes a baffling passage, yet wholly true.

We may ask a thousand questions about this passage. Who was the beast of the field who is here
referred to as a serpent? Where did he come from? When was he made? If he was a beast, how come he could speak an understandable human language? But God leaves you and I to believe His Word and then discover its truth, "line upon line, precept on precept". Only then does it become understandable.

In Genesis 3:1, we have an introduction to this "living creature," called a "serpent". The English word for "serpent" as used here, comes from the Hebrew word "nachash". It makes sense, if we use it as a proper name as it was intended to be. Thus the text would read: "Now Nachash was more subtle than any beast of the field." The Hebrew word for "man" is ADAM, and the translators wisely left this word capitalized, naming this first White man as Adam. Why not use the same principle with Nachash?

It is universally admitted among Bible scholars, that the Hebrew word "Nachash" presents great difficulty when translated as "serpent". This difficulty disappears, however, when instead it is translated properly as "Nachash", and we leave it as a proper name, as it was intended to be. Dr. Adam Clark who has become known as the "prince of Bible commentators", has much to say on this subject. In his labors to solve this difficulty concerning Genesis 3, he said that this was "one of the most difficult, as well as the most important of all narratives in the whole book of God". "We are obliged," he said, to seek for some other word to designate the word Nachash in the text, rather than the word serpent, which in every view of the subject appears to me to be inefficient and inapplicable. In all this uncertainty it is natural for a serious inquirer after truth to look everywhere for information. In such an inquiry, the Arabic may be expected to afford some help from its great similarity to the Hebrew. A root in this language, very similar to that in the text, seems to cast considerable light on the subject. 'Ghanas, or Khansas', signifies that the (Nachash) 'departed, drew off, lay hid, seduced, slunk away.' From this Arabic root comes 'ahhnas, knanasa and khannoos', which all signify an 'ape', or a creature similar to an ape genus

Dr. Clark combats the idea that the tempter of Eve was of the serpent species maintaining that none of them were ever able to walk upright. The very word "serpent" comes from "serpo" which means "to crawl". For that class of reptiles, it would be neither a curse nor punishment to go on their bellies. Furthermore, serpents have no organs of speech nor any kind of articulate sound. They can only hiss.

Dr. Clark continues with this summary: In this account we find

(1) that whatever this Nachesh was, he stood at the head of all inferior animals as far as wisdom and understanding was concerned;

(2) that he walked erect, for this is necessarily implied by his punishment to crawl on his belly;

(3) that he was endued with the gift of speech, understandable to humans;

(4) that he was able to reason, and,

(5) that these things were common to this creature.

There is no doubt that Eve had seen him walk upright, talk and reason and therefore showed no surprise when he accosted her in the language of the text.

According to Genesis 3:1, Nachash posed his question as a challenge to God: "Yea, hath God said, Ye shall not eat of every tree of the garden?" It is quite obvious that there was much more to the discussion between Eve and Nachash, than what is recorded, since the scriptural record seems to begin in the middle of their conversation. Eve reiterated what Nachash obviously already knew when she told him that she and Adam were allowed to eat of the fruit of every tree in the garden, except that of the "Tree of Knowledge of Good and Evil," which was forbidden by God, on the pain
of certain death.

From the little recorded of this conversation, it becomes evident that Nachash understood very well the disastrous consequences to Adam and Eve, should they disobey God, for he went about his seduction with artful cunning, which is not a characteristic of lower animals, and was no doubt inspired by Satan. (Some teach that the "serpent" was Satan himself, but there is no scriptural evidence of this).

It becomes evident that the Adversary of man, sometimes called the "devil" or "Satan", used Nachash as his willing tool in corrupting mankind. There is little doubt that Nachash was morally responsible for his action, for he was not of the lower order of animals without mind or consciousness towards God. He was one of the "beasts - the living creatures" of the field, and the wisest and smartest of them all. If he had not been morally responsible for his actions, God would not have judged him as He did. Notice in Genesis 3:14, that the curse against Nachash was directed against him as an individual and did not effect all members of his kind, as many teach. He was reduced from walking upright to a condition lower than that of cattle, going about on all fours as an ape and compelled to eat his food in the dust of the earth.

The judgment on Eve was:

1. greatly increased conception;
2. accompanied by sorrow and pain;
3. her husband should rule over her;
4. and her desire should be to him.

Adam was sentenced:

1. to toil on cursed ground;
2. in sorrow would he eat all the days of his life;
3. thorns and thistles would come forth to fight the food he planted;
4. and with the sweat of his brow he should eat his bread, until he died and returned to dust. The moment Adam and Eve disobeyed God, they began to die, thus fulfilling the curse.

With these thoughts in mind, it might be well for us to consider this seven fold proposition, all relative to the "beast of the field":

1. It would be able to speak, reason and carry on an intelligible conversation with humans;
2. It would be able to "fast", and "pray", and "bear responsibility before God";
3. It would be able to wear clothing and put them on and take them off under its own power;
4. It would be a biped, walking upright like a man, having hands and feet, rather than the paws and hooves of other lowly animals;
5. That he would often associate with man;
(6) That he alone of all the animal family would be able to crossbreed with man and because of this, this cross-breeding was forbidden by God; and,

(7) He was not a nation and never had a civilization of his own.

The first proposition states that this "beast of the field" was not a dumb animal, but an intelligent being, able to speak, reason and carry on intelligent conversation with members of the human family. This proposition has been covered by examining the scriptural account of the conversation between Eve and Nachash. It is evident that Eve was not surprised by his ability to speak with her. Since he was more subtle, "clever" than any others of his species, it is very possible that he had been chosen by Adam to supervise other members of the Nachash and was responsible to Adam for helping him "dress the garden" (Genesis 2:15). Evidently in this pristine setting it was a pleasant task. It is evident that Adam was the ruler in the garden, an overseer, but not a common laborer. Adam's authority was over all creatures on earth, in the seas, and under the earth. He was the master in every respect and every creature did his will. I believe that Nachash and other members of this "beast people" were his intelligent servants, who had been given this special task by God Himself. When Adam named every creature, he gave them names suitable to their usefulness and ministry and it was not until after his disobedience that man himself became a servant and slave with none to serve under him. He had to make his own way, with the sweat of his brow.

It would seem rather ridiculous for God to place Adam in the Garden of Eden to be it's caretaker, and place him in control of all creatures, and still neglect to give him intelligent living creatures to help carry out his duties. It was that way in the beginning, and will be that way when the Second Adam, Jesus Christ, comes back to rule in His restored kingdom.

In this way, Adam was first given dominion and rulership, but through disobedience was forced to do the work that his servants had previously done. When the master became the slave, then Nachash and his race were reduced to nothingness, since they had no one to serve. For this reason the continent of Africa, became known as the "Black Continent," not because of the color of men's skin who lived there, but because of the darkness that had descended on Nachash and his people. For over 6,000 years they have waited in darkness, ignorance and poverty, for the day when they will once more assume their appointed tasks to the king, in His Kingdom.

In spite of all efforts by liberals and Black leaders to manufacture a great Black civilization in Africa, there has never been any. We have abundantly proved that this Nachash was an intelligent creature, able to think, reason, and bear moral responsibility. He was not a snake, but an intelligent creation known in scripture as the "beast of the field". The rendering of the word "subtle," in the Ferrar Fenton translation indicates that it means: "imprudent, lacking in modesty, contemptuous, cocky, and capable of using his intelligence for deceptive purposes, to gain his own advantage".

The second proposition was that this being could "fast," "pray", and bear moral responsibility before God. If we can show this creature, variously described in scripture as "beast of the field," is simply "beast", is capable of fasting, prayer, and repentance. Then most certainly we are dealing with an intelligent being, possessing God-consciousness and far above the realm of serpents, who though often associated with man, is not man, or a descendant of Adam.

In the third chapter of Jonah we find an interesting story. (This is just another case where the Bible states the truth, as it is, but does not make any explanation). We should remember, that all Israelites of that time, understood the proper identity of the "beasts of the field". Jonah preached, on the order of God, that the city of Ninevah would be destroyed in forty days. The King of Ninevah evidently believed the prophet, and set about to seek God's mercy for his people. (Please accept the facts as they are recorded in God's Word without trying to make them fit into modern tradition, which is far
more often wrong than right).

Note: "Word came unto the King of Ninevah (regarding Jonah's message) and he rose from his throne, and laid his robe from him, and covered himself with sackcloth (like burlap sacking, in those days a sign of sorrow or repentance), and sat in ashes. And he caused it to be proclaimed and published through Ninevah by the decree of the king and his nobles, saying: 'Let neither man nor BEAST, herd nor flock, taste anything: let them not feed, nor drink water...' (Now consider the following words very closely): 'But let man and BEAST be covered with sackcloth and cry mightily unto God.' "(Jonah 3:6-8). Read these words again! The herds and flocks, that is, all the lower animals were to be restrained from eating and drinking, but MAN and BEAST were to put on sackcloth and ashes and pray to God and repent! Be honest now, have you ever heard of a cow or horse, or monkey putting on sackcloth and praying to God for mercy?

Of course not! They are incapable of this. But the "beast of the field," could do this, so the Word says!

So let's start examining the question and see who this creature is who is called a BEAST, but who is capable of fasting, praying, and repenting, just as man can do. The BEAST mentioned here is without a doubt, of the same race as the BEAST mentioned in the Garden of Eden, who talked with Eve and tempted her. NAC HASH, the tempter of Genesis 3:1, was of the BEASTS of the field. (He WAS NOT SATAN! as some teach, although he no doubt was under Satan's control).

Note further, that not only was this being capable of fasting and prayer, but, along with man, he was commanded to turn from his evil way and from violence that was in his hands, (Jonah 3:8). Animals do not have hands! "BEASTS of the field" do! Lower animals are never guilty of violence that could be accounted as sin before God. So here we see several different points: First, these beings called BEASTS can pray; second, they can put on clothing (in this case sackcloth); third, they have hands and can walk erect; and fourth, and finally, like men, they are commanded to put away the violence in their hands. These are things animals cannot do, nor are they ever asked to do in scripture. Therefore we MUST conclude that the "beast of the field" is an intelligent, morally responsible creature, similar to man, although not man.

Our fourth proposition was that this creature was a biped, walking upright and having hands and feet, not hooves or paws. This proposition has been fairly well covered. But there are other passages which point out the moral responsibility of these BEASTS, and show they have hands and therefore walk erect.

At the time when the Law was given to Israel at Sinai, this command was given by God to Moses: "Take heed to yourselves, that ye go not up into the mount, or touch the border of it: whosoever toucheth the mount shall be put to death: there shall not any HAND touch it (please note) he shall surely be stoned or shot through, whether it be BEAST OR MAN, IT SHALL NOT LIVE..." (Exodus 19:12,13). Surely, no one reading this would be foolish enough to believe that this passage was speaking about animals. Dare we charge God with utter foolishness? When He speaks of the HAND of MAN and the HAND of BEAST, then these MUST possess the knowledge and responsibility to refrain from reaching out to touch the mountain. While we do not have time or space to explore this further, it should be accepted as it is given at the hands of two or more witnesses in the Word, and is therefore established!

In proposition five, we stated that the BEAST is closely associated with man. This we have already proven. He talked with Eve in the garden of Eden. He fasted and prayed with the men of Ninevah.

He was commanded, along with man, to refrain from putting his hands on the mountain. In the book of Daniel (Daniel 4:25) we have a further account of the BEASTS of the field, as they cared for King Nebuchadnezzar when he was driven from dwelling with men during the period of his insanity. God's word to the king was: "They shall drive thee (Nebuchadnezzar) from MEN, and thy dwelling shall be with the BEASTS OF THE FIELD, and they (the BEASTS of the field) shall make thee eat grass as an oxen and they shall wet thee with the dew of heaven". (Please note the
words: "They shall make thee"). A domestic animal would have paid no attention to the king, let alone care about what he ate. But the BEASTS OF THE FIELD caused him to eat grass and sleep in the dew. No known lower animal has ever been known to do things such as this, but remember, the BEASTS OF THE FIELD are not lower animals.

There is one more thing we MUST mention, for it is of surpassing importance in our day and ties in closely with the theme of this book on miscegenation. These commands, found in God's Word are almost completely ignored because of a dreadful lack of understanding on the part of people, especially those who go by the name of Christian. In Leviticus 18:23, we find this definite command given to Israel by God: "neither shall he lie with any BEAST to defile thyself therewith: neither shall any woman stand before a BEAST to lie down thereto: It is confusion! And if a man lie with a BEAST, he shall surely be put to death: and ye shall slay the BEAST. And if a woman approach unto any BEAST, and lie down thereto, thou shalt kill the woman and the BEAST; they shall surely be put to death..." (Leviticus 20:15, 16). (Oh, how the Judeo-Christian crowd will cry about this command. They will no doubt say: "That was the harsh God of the Old Testament. The New Testament God is a God of love". Yet these hypocrites teach that "God never changes, and is the same yesterday, today and forever." If this is true, then His commands against sexual union between MAN and this BEAST [which is not an animal] is as true today as when it was written some 3500 years ago, Billy Graham not withstanding).

Any sexual relationship between MAN and this servant race known in the Bible as BEASTS, BEASTS OF THE FIELD, or BEASTS OF THE EARTH, is strictly forbidden. These two morally responsible parties, who cross this forbidden boundary, were to be put to death. (Not my words, but from God's Law, which was never changed in the New Testament).

We have reached a crucial point here. God has clearly ordered that KIND MUST BE AFTER HIS KIND! There MUST be no crossing over between MAN and BEAST (and remember, we are not speaking here about four footed animals, but about a being that walks upright, can reason, knows right from wrong, and is capable of sexual relations with man).

Any cross over between MAN and this BEAST is confusion and abomination to God according to Leviticus 18:3. The end results are so bad, that in Israel the guilty parties were immediately put to death, so there would be no possibility of a hybrid offspring. (Knowledgeable people know this would be impossible with any sexual union between man and lower animals. In fact, it is impossible for man and lower animals to cross-breed. There is only one being, other than man, who can do this and this is the BEAST OF THE FIELD, which we today know as the Black race). There is no other conclusion an intelligent person who believes the Word of God can make. (These were the men CREATED from nothing in Genesis 1:27, male and female, and are completely different from ADAM man FORMED from the dust of the earth, male only, in Genesis 2:7).

No animals crossbreed with man. (The Negro, or Black, as the "politically correct" would have us call them), is a perfectly honorable being, created by God for a distinct and glorious purpose, but he is not of Adam's race. He is closely related to man, but he is not descended from Adam. (Evidence proves that he was on earth before Adam was FORMED).

The seventh proposition was that this being is not a nation and never has had a civilization of his own. That the Negro in God's wise plan was created for the purpose of serving appears evident in the light of the fact that no Negro civilization, as such, has ever existed, in spite of all efforts by Blacks and liberals to prove otherwise. All races of mankind have had their civilizations. The Chinese, the East Indian, the Arab, the Ethiopian, the American Indian - all of these had their own civilization, some highly developed, but in spite of all efforts to prove otherwise, the Negro has never had a civilization as such. His native home, given to him by God is Africa. In his native state he plowed no fields, harnessed no oxen, developed no government, polished no gems, extracted no oil from the ground, and carried on no united projects with other tribes. Today, in areas where he has been untouched by White civilization, he lives the same as he has for the last 6,000 years, with no knowledge of the wheel, or the ability to start a fire. (I have seen this with my own eyes in
Central Sudan - Ed. Mohr). The only civilization Blacks have enjoyed, have been those in association with other of earth's nations, primarily Whites. Thus, it will continue until the day when in the kingdom of God, the Black will be raised from his present status, to the place of service God intended for him to have.

This subject is not as complex as it is vast and because of this vastness and the abundance of evidence available, we must confine ourselves to only a few questions which will come to the minds of those of you who read this article, especially if you come from the Judeo-Christian churches which teach that all mankind came from Adam and Eve. If you are honest in your desire to know the truth, it can be found, as usual, in a close study of the Bible. (It will not come by going to your pastor and asking him for an explanation. For he will give you the answer he was taught in seminary).

Someone is sure to ask: "How did the Negro get through the flood?" The answer should be relatively simple to a thinking person. He came through the flood, inside Noah's ark, the same as all living creatures did. Though we have no scriptural record of it, I do not believe we would be far wrong if we said that he helped Noah and his sons with the tremendous task of taking care of the animals on the ark. Have you ever thought about this. It must have been a tremendous task, for these animals had to be fed, and cleaned up after. Any boy who has lived on a farm can understand this. When the flood was over, the Blacks came out of the ark, just like all the others and continued to propagate their race up to the present time. The only race totally destroyed by the flood, were the giants, who were the product of illicit union between the "sons of God" and the "daughters of men".

Part II - Where Did Cain Get His Wife?

This is a question that has bugged Christians and which they have avoided for centuries. Since Cain was banished to the land Nod, after his brother's murder, and before Eve gave birth to her third son Seth, (compare Genesis 4:8-17 with Genesis 4:25), then there was as yet only one descendant of Adam on earth, and this was the reprobate Cain. We know Cain had a wife, and evidence would indicate that he had taken a female from among the BEASTS OF THE FIELD, a Negress.

After the birth of his first son, Enoch, Cain built a city, (Genesis 4:17). There can be no city without inhabitants and those who inhabited the city which he built were inhabitants of the land of Nod, the same creation that had been given to Adam as servants in the garden of Eden. They were driven forth with Adam, and became wanderers, which is the meaning of the word NOD. These were a numerous people who had been CREATED (Genesis 1:27) before the FORMATION of Adam. The Negro rightly claims to pre-date Adam).

Before Cain was driven forth from the presence of God, he complained: "My punishment is greater than I can bear, Behold, Thou hast driven me out this day from the face of the earth; and from thy face shall I be hid; and I shall be a fugitive and a vagabond in the earth; and it shall come to pass that everyone that findeth me shall slay me". (Genesis 4:13,14)

A fugitive from whom? Certainly not his father and mother, Adam and Eve! From who then would he be forced to flee? And to whom did he refer when he spoke about "everyone that findeth me shall kill me"? It would be none other than the inhabitants of the land of Nod, and these inhabitants, I believe were Negroes, the BEAST OF THE FIELD.

So God put a mark upon Cain (we are not told what it was) and gave a command that whosoever slew Cain, his vengeance would fall seven fold. (Possibly Cain was made to resemble the people of Nod.) In any case, he was able to assemble enough people to build a city and the female he took as his wife, was not a descendant of Adam.

A very expressive term can be found in the book of Jude, in the New Testament, when he describes the great sin of Sodom as "going after strange flesh". That is a very descriptive term. The Sodomites were given to every imaginable sexual perversion, just as they are today (see Genesis 19:1-9), and it was for this filth that they were eliminated. These Sodomites were Canaanites (see Genesis 10:15-
19). It is most significant that Cain, is mentioned in this context in Jude 11.

Note that Jude first mentions the angels which kept not their first estate. These may or may not have been the "sons of God who married daughters of men". (There is a great deal of argument on this among Bible scholars). Then Jude speaks of the Sodomites who were destroyed for the same wickedness - "going after strange flesh". These as brute BEASTS CORRUPT THEMSELVES, he says, and pronounces: "Woe unto them, because they have gone in the way of Cain". (Jude 6-11) Thus the wickedness of Cain, the wickedness of the Sodomites, all appear to be similar. All these filthy dreamers defiled themselves by filthy sexual intercourse with "strange flesh". (Verse 8) The civilization of Cain was very wicked and was completely wiped out by the flood. The fate of Sodom is known to every Bible reader.

When Jeremiah wrote concerning the Babylonian captivity of the Judahites, he said: "And now I have given all these lands into the hands of Nebuchadnezzar, the king of Babylon, My servant; and the BEASTS OF THE FIELD, have I given him also to SERVE him". (See Jeremiah 27:6). When prophesying of the destruction of Babylon, he wrote, "O Lord, Thou hast spoken against this place, to cut it off, that none shall remain in it, neither MAN or BEAST, but it shall be desolate forever", (Jeremiah 51:62). This prophecy was fulfilled ages ago, and it is most significant to find that the ancient ruins of Babylon abound with four-footed animals but that MEN, and the BEASTS OF THE FIELD, the Negro, are completely absent from this area.

From these facts, we can only conclude that the BEASTS OF THE FIELD are indeed a servant race, distinct and separate from the Adamic creation of God, but who have a special place and calling in God. They are vocal, intelligent, capable of prayer, and repentance. The pure Negro stock is a servant order, as are the angels in heaven.

**Part III - The Living Creature!**

There is a considerable mass of scripture which indicates that the Negro is not a member of the Adamic race. Since Christians have questions regarding this, I thought it good to set forth in writing certain evidences which lead me to believe that the Negro is not a descendant of Adam and as Adam was FORMED for the role of leadership, the Negro was CREATED for the role of service.

I am quite aware that such a statement will disturb many people, not because it is untrue, but because it is different and contradictory to long-standing tradition which has been handed down to Christians over the centuries of darkness.

But must truth remain forever silent because it is contrary to man's traditions, or because it is unpopular, and in this case almost punishable as an offense? NO! That will never do! It is far better to learn the truth and understand the wisdom of God in His creation, that we might see at least in part, some of the wonders of His plan.

Will any be so foolish as to take offense when I say that angels are not members of the Adamic race? Would any be offended should we say that angels, which are glorious in power and wisdom, are a separate creation from the Cherubim and Seraphim? No! For even though you may not believe, you would not be offended about it or even lightly reject it. And what will the angels say, those glorious beings whose chief attributes are wisdom and strength, when they are told that man who was made a little lower than they," was ordained by God to some day rule over them? And that this mystery is so great that the angels desire to inquire into it. No angel in heaven is angered and filled with resentment and wrath, because we set forth the scriptural belief that man in his completed state is ordained to be the lord and ruler of the universe and to judge the angels. Even now he is a partaker of the divine nature, when as a Christian he has escaped the corruption of the present world system.

Why, then, must Christians become so annoyed and upset when scriptural evidence is produced showing that the Adamic race was called by God to rule, while the Negro race was called to serve? (I am not a "racial supremest" as many of you know. For I believe Israel is to be the ambassador of
God to other races and nations, showing them how God wants them to live. Only the OVERCOMERS, as shown in Revelation, will "rule and reign with Him". Just because you are White, doesn't mean that you qualify to be a "ruler" - Editor Mohr).

If God in wisdom chose to make the angels a ministering (serving) order of beings (in heaven), why should it be thought incredible that He should have a "servant order" on earth? Is there anything evil in this? Is it not true that our blessed Lord Jesus, to who all power is now given, once declared: "I am among you as He that serveth, (Luke 22:27).

Who can doubt that there are servants in the world to come? It is written in Revelation 22:3, "His servants shall serve Him". What a confused mess everything would be, if in this present world, everyone had the same ministry and calling! What would we do if all were great executives, or kings, or judges? What if all were doctors and there were none to serve? Let us not imagine that God dare not make a choice among His creatures - He who makes His angels spirits and His ministers a flame of fire.

He chose Abraham from among ALL the hosts of earth. He chose Isaac but rejected Ishmael. He chose Jacob and hated Esau (see Malachi 1:2; Romans 9:13). He chose the entire nation of Israel - not just the House of Judah, or the Jews - to be a special witness to His Name for the ages to come (see 1st Peter 2:9, written to Israel, not the church). I do not find any Oriental, or Indian, or Russian who is angry with God because He made that choice. Most are willing to accept the wisdom of God, if they are Christians, and take their proper place in God's plan of things.

When, therefore, it can be plainly seen how the Holy Bible clearly teaches that Adam's calling is to rule and eventually judge angels (1st Corinthians 6:3), must we not accept as truth, even though we do not understand, how the wisdom of God will bring this to pass?

And, if in God's wisdom He has called another race not of Adam's lineage to serve Him and serve Adam, dare we take issue with God or accuse Him of favoritism or lack of wisdom in His plan? (Yet this is what happens, when Christians refuse this scriptural truth - Editor Mohr).

Is it not the prerogative of the potter to make each vessel as it pleases him, and from the same lump of clay, to make vessels of honor and dishonor, as he sees fit? (Romans 9:21)

Paul said: "Judge nothing before the time until the Lord come, who will bring to light the hidden things of darkness, and then shall every man have praise of God". Every man? That is what it says! Pharaoh, and Nebuchadnezzar along with Moses and Daniel. Do not ask me how, because I do not know; but God once said to Pharaoh, "And in every deed for this cause have I raised thee up, for to show thee My power; and that My name may be declared throughout all the earth." (Exodus 9:16)

If, in this brief writing, I can point out the following seven facts, then I think that the reader should give special consideration to this work as a whole and to the truth it conveys (even though it may be contrary to the accepted teaching in the Judeo-Christian church - Editor Mohr). If it can be shown, from the Word, beyond the shadow of reasonable doubt that there is a creature in this world other than man who is:

1) Able to speak and reason and carry on an intelligent conversation,

2) Able to fast, pray and bear responsibility before God,

3) Able to wear clothing and put it on and off by himself,

4) A biped, walking upright as a man, having both hands and feet - not paws and hooves,

5) Who often associates with man,
6) Who alone of all beings is able to cross-breed with man, and because of this God has forbidden this cross-breeding.

7) Not a nation, and has never had a civilization of his own, if this were all true, would you not say that it is our Christian duty to discover who this creature is, so that we may give him the honor and respect due to him of God? It does not take many marks of identification to identify a man from all other men.

Each order of life, whether animal or human, has its special place in God's plan of creation. As long as each species obeys His command, that every kind should be after his kind, all is well. But the moment this barrier is crossed, then turmoil reigns, bringing down the wrath of God and dreadful destruction to the disobedient. (See the ancient history of our Israel people in the book of Judges, where it says that when they disobeyed God, "He sold them into the hands of their enemies", Editor Mohr).

The scripture records one loathsome act of disobedience that in itself was eventually responsible for the deluge of Noah's day, and the destruction of those who took part in this devilish scheme. In Genesis 6:1-4, we are told in no uncertain terms that the "sons of God saw the daughters of men that they were fair, and they took of them wives of all which they chose... And God saw the wickedness of man was great in the earth.

We do not have time to explain who the "sons of God" were, but the salient point is that their inter-marriage was a forbidden and abortive relationship and the consequences of it was beyond human belief.

In this case, the beings called the "sons of God", mingled with the seed of men. This relationship was Satanic. It was a carefully devised scheme to ruin man's hope of ever fulfilling the high and holy plan God had in store for him. Martin Luther King, unconsciously made a very revealing statement when he said: "The Negro MUST ATTAIN HUMAN DIGNITY". This statement is tantamount to saying that the cow must attain bovine dignity. Why would anyone try and attain that which he already possessed?

As the sons of God left their habitation to descend to a lower plane that they might corrupt the man Adam, who God had FORMED, so the Negro is leaving his God-given estate, endeavoring to ascend and invade and destroy the realm given by God to Adam. The oblect of this invasion is the same - to corrupt Adam and gain the ascendancy over him lest he fulfill God's purpose. The outcome will bring nothing but disaster, and that disaster is no less destructive for the black man than for the white. All who cross God's barrier will suffer! So it becomes necessary that we understand the ancestry of all people and recognize the special realm of activity assigned to each race.

**Part IV - Difference In Blood!**

C. R. Dickey, commenting on Acts 17:26 - "And hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation..." says: "Without quoting the latter part of this verse, some people make an ado over the first clause and use it glibly to overthrow all previous Bible teaching concerning racial separation. The key word used to prove the oneness of mankind is BLOOD, yet, actually it proves nothing because the word BLOOD does not appear in any of the ancient manuscripts. The following is a literal translation from the Greek: "and He made of one every nation of men to dwell on all the face of the earth, fixing appointed seasons and the boundaries of the dwelling of them".

The word BLOOD was added by translators.

Perhaps the most logical reading of this passage is provided by the Ferrar Fenton translation from the original language which reads: "Himself giving every one life and breath and all things; because
He made by one (that is in Christ) every race of men to dwell upon the face of the earth”. This agrees with the Revised Version, the Emphatic Diaglott, and others. Even Dr. Scofield in his translation footnotes, makes note of the fact that the word BLOOD is not found in the best translations.

Over thirty years ago, Dr. James Bonner, Professor of Biology at Cal Tech, writing in the Saturday Evening Post (4/26/61) stated: "A tremendous fact developed is that the human races are not the same, but particular kinds of living things. The blood of the white Caucasian differs in molecular construction and hereditary factors from that of the Negro. The physical evidence of this difference has been commonly known as 'sickle cell anemia', a child killer and responsible for causing invalidism in adults. The anemia is not a disease. It occurs in the blood of the Negro as a mutation from the normal and is an inherited characteristic. It can be and is transmitted to the white race by transfusion of Negro blood".

Professor Bonner remarks that a striking example of this is the enzyme found in victims of this hereditary condition which is characterized by abnormal hemoglobin of the red blood cells.

"Developments are gradually leaking out that the epidemics of hepatitis occurring in hospitals the last few years are closely related to blood transfusions from different races of peoples. This is now being recognized by American blood banks". He goes on to say:

"The social engineers and misguided do-gooders, devoting their energies to race mixing as a basis for social adjustment, are now proven wrong from every scientific point of view. Race mixing is bound to result in racial suicide! The Red Cross and other blood banks, who have mixed blood of the races for transfusions, under pressure of minority groups, are guilty of a crime against humanity. The crime is not directed to the white Caucasian race alone, but there is much evidence that white blood given to a Negro has, in many instances, caused a much more serious result". Professor Bonner concludes: "This must not be continued in the face of scientific evidence that mixed blood transfusions may have fatal consequences".

NOTE: While medical authorities are cognizant of the difference in the blood composition between the races, this is not considered a proper subject for general discussion and while this information is available from medical reference sources, it is not something which is promulgated by the published or electronic media. In fact it is considered to be "verboten!" (Does it not seem strange, that this vital information has been kept a secret from the "brainwashed" Christians in the Judeo-Christian churches. Ask yourself, why? Editor Mohr)

In Conclusion

Both scripture and science collaborate in showing that "race mixing" is disastrous, and all one has to do to prove this is to look at the great civilizations which have existed in the past. Two things have been foremost in their destruction, Sodomy and race mixing. This in spite of anything that Zionist Christians such as Billy Graham say to the contrary. There are also distinct scientific differences between the blood of the "true Jew," and that of the Adamite, which explains why they have always been a "vampire" people who MUST live off others in order to survive. This is another subject for another time. I challenge you to check out these facts. Don't take them to your Judeo-Christian pastor, for you already know what he will say. Check them out for yourself in the Bible, using a good concordance and when you find this booklet has told the truth, publish it to Christians and others who need to know.

The End
"In the place where it is said unto them, 'Ye are not my people, 'there it shall be said unto them, Ye are the sons of the living God." - Hos. 1:10

What a strange title and one which is bound to raise the hackles on the necks of fundamentalists before they read the first word.

Most preachers refuse to accept the truth, that God's promises, both in the Old and New Testament were made to an earthly people. They were not made for some distant place which they call "heaven." God's people were not designed to spend eternity, sitting on a fluffy white cloud, strumming on a guitar.

When Almighty God YAHWEH, spoke to Jacob in Genesis 35:11, He said: ". . . I am God Almighty: be fruitful and multiply; a NATION AND A COMPANY OF NATIONS shall come out of thee, and kings shall come out of thy loins." God was not speaking here about a people we today call JEWS; or a spiritual entity called the church. He was referring to the physical descendants of Jacob, whose name was changed to ISRAEL, meaning "prince ruling with God."

This was a promise crucial to world history and was a promise which was not given to a people called JEWS. The Jewish people at the time of Christ and now, did not and do not fulfill these promises. The political leaders of the world cannot point to any such fulfillment. Neither do they fit the church.

A close look made at God's promises to Abraham, the grandfather of Jacob, will reveal they were twofold. The Bible makes a sharp distinction between these two phases.

There was the spiritual promise of "one seed," which was fulfilled in Jesus Christ, and by which salvation was offered to all men, not just those of Israel blood. This is referred to as "the scepter."

But there is another earthly promise of equal importance. This is the one most of our Bible scholars reject. It has to do with material and national promises which related to many nations - the Israel nations, which we believe make up the white nations of Christendom.

These were promises of national wealth, prosperity, power and the possession of what we call the Holy Land, if they obeyed God. The Bible calls these "the birthright."

But before we can intelligently discuss these two phases, we must have an understanding of the terms used. A "birthright" is something which belongs to one by right of birth. It has to do with "race," not "grace." This possession is ordinarily handed down from father to son, with the elder son being the one to receive this precious possession. It has nothing whatsoever to do with "grace," which is unmerited favor of God, offered to all mankind as a "free gift" of God, through Jesus Christ.

The "scepter," on the other hand, is the "badge of command." It denotes sovereignty and culminates in the kingly line of David - in David's Greater Son, the Lord Jesus Christ.

Both of these precious promises were made to Abraham, unconditionally. They were repeated to Isaac and Jacob. But it is very important for us to remember, that at this point, the two sets of promises became separated.

It is also of vital importance to remember that the "birthright" promise was never given to a people we to-day call JEWS. In fact, there were no people so named, until at least 1200 years after this promise was first made to Abraham. They first appear in the King James Version of the Bible in 2 Kings 16:6, where we find the JEWS fighting against ISRAEL.
The "scepter" belonged to JUDAH. In Genesis 49:10 we read: "The scepter shall not depart from Judah . . ." Remember, that the kingly line of David was not a Jewish, but an Israelite line. There is a great deal of important difference.

However, the "birthright" belonged to Joseph, since it was given to him by his father Jacob. In 1 Chronicles 5:2 we read: "But the birthright was Joseph's."

Most Identity Christians believe that the true Germanic people are of the Royal House of Judah. Jesus Christ came from this "seed-line". He most certainly did not come from the people He personally condemned in John 8:44, when He stated: "Ye are of your father the devil . . ." or when He again stated in John 10:26 -"Ye believe not, because YE ARE NOT OF MY SHEEP . . ." This seems mighty plain to me.

When Jesus told the woman of Samaria that "Salvation is of the Jews," we know there must have been a terrible mistake made, or else it was deliberate, for we know from many other Scriptures that salvation did not come through "race", but through one man, Jesus Christ, the Son of God, of the royal line of David.

Hebrew translators will tell you that this verse should have read (John 4:22) "Salvation cometh out of Judea." This makes sense; the KJV rendition does not.

The same thing is true in Romans 1:16, where the KJV says: "The Gospel of Christ is the power of God unto salvation to everyone that believeth: to the JEW first and also to the Greek." The word JEW should have been correctly translated as JUDEAN. The promise of "grace" was handed down through JUDAH, not through a Christ-hating race of mongrels called JEWS.

Few preachers understand that God made physical promises to Abraham, which have been completely overlooked by the church world. When they have been considered at all, they have been assigned to a "counterfeit" group we today call JEWS. The Lord spoke of these in Rev. 2:9, when He referred to: "Those which say they are JEWS, (JUDEANS) and are not; but are of the synagogue of Satan."

Knowledge concerning the "birthright" is the pivotal point on which Israel Identity truth hangs. It is the key to your understanding of prophecy.

The "birthright" includes only that which comes by "right of birth." No one can receive "eternal life," as a "right of birth." Unfortunately, there are some Identity preachers who preach this falsehood. If we could inherit "eternal life", it would not be of "grace." The Apostle Paul, in Ephesians 2:8, explains this clearly when he said: "For by grace are ye saved, through faith: and that not of yourselves: it is a gift of God." Salvation comes as a "gift." This is further explained in Romans 6:23, where we are told" . . . but the gift of God is eternal life, through Jesus Christ our Lord."

We can only receive material things from the "birthright" blessing. It does not bestow spiritual blessings. This promise has no qualifications attached to it. It comes to everyone who was "naturally" born into the Israel family.

But the "gift of eternal life," which comes through God's grace, has a qualifying condition. It does not come to you or me because we are Israelites; or because we have lived a righteous life. Think what would happen if this were true. If all Israelites automatically qualified as sons and daughters of God, with eternal life for all, we would see a rebellious, defiant, hostile, God-hating criminal who would shake his fist in God's face and scream: "I defy you! I refuse to obey you! I demand my right to eternal life! I'm going to use my power as a son of God to oppose you. I will cause friction, hostility, hatred, unhappiness among your children. But I demand eternal life, because it is my right!" You can see the problems this would cause.

There are many professing Christians who teach that there is no condition attached to this glorious "saving grace." They twist the truth around to say: "If there was a condition, that would mean that you earn your salvation. All one needs do is accept Christ as Savior and that is taken care of."
But the Bible clearly teaches that we are saved, only as we are first led to Christ through the Holy Spirit. No man or woman can come to Christ, without this happening. In Romans 8:14 we read: "For as many as are LED by the Spirit of God, they are the sons of God." Verse 16 - "The Spirit itself beareth witness with our spirit, that we are the children of God." (See also Romans 9:11).

There must first be a "calling" before a person can be saved. Think where this type of teaching eventually leads. It causes professing Christians to rebel against God's law - to commit "sin," since sin is the transgression of the law, according to 1 John 3:4.

In Acts 5:32, we read where God gave His Holy Spirit to "them that obey Him."

God only pardons those who "repent." This is one of the conditions of salvation. To repent means to "turn around from rebellion, hostility and disobedience." It means obedience to God's Law. You can't be saved just by mumbling a little prayer that asks Jesus to come into your heart. You must have a genuine repentance for your sin.

If there were no conditions attached to eternal life, anyone could demand it and receive it as a "right." It is not a "right," but the "unmerited grace of God," when we meet the conditions.

The magnitude of material inheritance God passed on with the "birthright" is understood by very few. Paul said: "Eye hath not seen, nor ear heard, neither hath it entered into the mind of man," what God has for them that love and obey Him.

The "birthright" blessing includes all the first phase of God's promise to Abraham - multitudinous population, untold wealth, material resources, national greatness and world power.

God promised that from this one man Abraham, would come a world dominate nation and a "company of," or "Commonwealth of nations.

Not only were these people to be great in number. (The Jews have never numbered over 25-million people ~at any one time in their history and many of these were Jews by conversion, not by blood.) They were also to "possess the gates of their enemy," (Genesis 22:17). These "gateways" were the great natural sea lanes of the Suez Canal; the Panama Canal; the Straits of Gibraltar; the Cape of Good Hope in South Africa. Until this century, all of these sea lanes were under the control of the Israel nations.

Usually, the birthright fell to the eldest son, but on three specific occasions, God intervened, and for His own purposes chose another to possess both the "scepter," and the "birthright."

Abraham's eldest son was Ishamel, but God choose Isaac instead and in Genesis 25:5 we read that Abraham "gave all that he had to Isaac." Isaac was the "firstborn" lawful son of Abraham. Ishmael, was the son of Hagar, Sarah's Egyptian maid.

A prophecy was made concerning Ishmael in Genesis 16:12, which indicated that he would be a wild man who dwelt in tents, to the east of all his brethren. The children of Ishmael have become the Arab nations of the modern world.

Abraham was called to sacrifice his only legitimate son, Isaac, just as God gave His only begotten Son, Jesus the Christ, as a sacrifice for the sin of the world. Rebekah, Isaac's wife, was a type of the church and fell in love with him before she even saw him. Isaac was born miraculously, when his parents were far beyond normal child bearing age, even as Jesus was born through the miracle of the "virgin birth."

Before Rebekah's twin sons were born, God told her: "two manner of people shall be separated from your womb... and one people shall be the stronger: and the elder shall serve the younger," (Genesis 25:23).
The descendants of these two boys were to become two separate, distinct people.

Most of you will recall the story of Jacob's deception, when Esau sold his birthright for a bowl of red soup, (Genesis 25:27-34.) He lost the material promises when he did this. The writer of Hebrews explains this in 12:16, 17 - "Lest there be any fornicator, or profane person, as Esau, who for one morsel of meat sold his birthright. For we know how that afterward, when he would have inherited the blessing, he was rejected: for he found no place of repentance though he sought it carefully with tears."

The promises Isaac made, through God, to his descendants, were material ones: "The fatness of the earth; prosperity; increase and possessions. Nations shall bow down to thee."

During the time of Jacob, who had twelve sons, we see the "branching out" of Israel and through them the future "commonwealth of nations."

The legal inheritor at this time was Reuben, Jacob's eldest son. But in 1 Chronicles 5:1, 2, we learn how this birthright was taken from him because of his sin and was given through God's command to Joseph's two sons, Ephraim and Manasseh.

It is at this point that the "birthright" promises were not made to "all Israel," and most certainly not to a bogus people called JEWS. Only a part of the Israel nation, the descendants of Joseph, were to become beneficiaries of these tremendous material blessings.

At the time of Jacob's death, the Israelite family was living in Egypt. It became time to pass on the birthright to another generation. So we see Joseph, as he brings his two sons, Ephraim and Manasseh to his terminally ill father to receive his blessing. (The mother of these boys was an Egyptian by the way, a white woman, an Aryan, whose father had been an Egyptian priest.)

It was at this point in time that Jacob adopted Joseph's two sons (see Genesis 48:5). This legally made them the "sons of Jacob."

Notice, however, that at the time of the blessing (verse 13), Jacob gave the "birthright" to the younger son Ephraim. Joseph protested, but his father indicated that once again the Almighty had changed the birthright possession. (see vs. 14-16).

Why is it that the eyes and minds of our church leaders and Bible scholars have been blinded to these plain facts of Scripture? Jacob conferred the blessing on both of them when he said (vs. 16) "Let my name be named on them." We know his name at this time had been changed by God to Israel. So the descendants of these two boys became known as ISRAELITES.

Since this is true, the racial inheritors of the Israel blessings today, are not the Jews, but the descendants of Ephraim and Manasseh. Few indeed, are the clergy today, or the Bible scholars, who accept this. Many know it to be true, but it would cause "ripples in the religious pond," and this they are unwilling to do.

In this portion of Scriptures we learn that while Manasseh, the elder, would become a great nation, his younger brother, Ephraim, would become a "multitude of nations". This has happened only in the British Commonwealth. It has never even come close to happening with the people we know as Jews.

So if we honestly look for the Israel people in the present age, we must remember that one was to become a great nation and the other a multitude of nations. These promises were never fulfilled in Bible times, so we must look for their fulfillment towards the close of the present world era.

The descendants of Joseph were to spread abroad, colonizing as they went. These promises, as I said, have never been fulfilled by the Jews and certainly not by the church. Only in the modern nations of Christendom, the white Christian nations of the world, do we find their fulfillment.

About 975 B.C. due to the increasing wickedness of King Solomon, as he was led astray by his lust for his heathen wives (1 Kings 11:1 - The English word "strange" in Hebrew is "nokriy", meaning:
"alien; foreign.

God took the ten northern tribes away from him and gave them to Jereboam. (1 Kings 11:26-40.)

However, Jereboam's lack of faith in YAHWEH God, soon led to heathen practices among the Northern tribes which brought God's wrath upon them and they were taken captive into Assyria. 2 Kings 17:1-6 documents this captivity relative to the royal family, while 2 Kings 18:9-12 dates it in connection with the reign of King Hezekiah in Jerusalem.

While all the major cities of Judah and Israel were overrun and conquered, Jerusalem withstood the siege and did not fall. So we see that most of Israel and Judah went into Assyrian captivity between 740-710 B.C.

The descendants of these people never returned to Palestine and were never part of the bastardized Jewish nation.

In the North, the Assyrians replaced the captured Israelites with men and women from other nations (see 2 Kings 17:24). These mixed with the few Israelites which remained, to form the Samaritan people of Jesus' time.

Another fact, often overlooked, I suspect deliberately, by many Bible scholars, was that the Assyrian captivity and later the Babylonian captivity, were not connected in any way.

Bible commentators often carelessly refer to the scattering of the Jews in 70 A.D., when Jerusalem was destroyed by the Romans, as the "dispersion of Israel." Not so! This dispersion took place more than 700 years earlier.

One thing most pastors and Bible scholars seem to forget, is that Judah comprised only a very tiny minority of the "seed of Abraham" at the time of these captivities and that the people we now know as JEWs, comprised an even tinier portion of Abraham's seed. Since that time, it has grown even smaller, since the vast majority of the Jewish people, according to their own records, are of Turco-Mongolian (Ashkenazi) blood, whose ancestors never set foot in Palestine. These comprise the majority of the Israeli leaders at the present time. This plus the fact that millions of Jews are proselytes, such as Sammy Davis, Jr., and Elizabeth Taylor, and you get the idea that there are very few Jews in the world who can trace their blood lines back to Abraham.

A careful study of John chapter 8, will indicate that most of the Jewish leaders of that time were not of Israel blood, for when Jesus told them in John 8:32 -."And ye shall know the truth, and the truth shall set you free," they boastingly said: " . . . We be Abraham's seed and were never in bondage to any man." This would indicate that they were Edomites; seed of Ishmael, for every Sunday School child knows that true Israel was in bondage in Egypt.

From the time when Israel went into captivity as punishment, the Bible tells us nothing concerning these Israelites, as they made their trek to the north and west, moving to the land which God had promised King David in 2 Samuel 7:10.

While nothing can be found concerning the fate of the children of Ephraim and Manasseh in the Bible, or the fate of the "throne of David," the answers must come from Moses and the prophets with a few glimpses of truth in the New Testament and secular history.

It would take a complete article to even scratch the surface and explain how the "throne of David", which apparently vanished from the archives of history after the Assyrian captivity, can be traced to modern day England.

We do however, have this assurance, given by Almighty God YAHWEH to King David in 2 Samuel 7:12-16 - "Thine house and thy kingdom, and thy THRONE, shall be established forever." There were no conditions given here; this is an unconditional promise.

One of the penalties for the Israelite's transgression of the Mosaic Covenant was their removal from Palestine for 2520 years. Both kingdoms began to serve this sentence when they went into captivity.
When Dr. Moffat wrote his translation of the Bible, he was approached by wealthy and powerful Jewish leaders who offered him a large sum of money if he would eliminate the words "I will ordain, or appoint a place," and change it to read: "I have ordained a place." Great man that he was, Dr. Moffatt refused, because he knew that Israel was to go to a new place, other than Palestine, in a time future to David. Most preachers and Bible scholars refuse to accept the true wording of this Scripture and insist that it was speaking about David's time and Palestine.

It is also interesting to note how Bible scholars who are willing to accept historical records from Assyria, Babylonia and Egypt, which are over 4,000 years old, refuse to accept historical records from Ireland and Britain, which are most often less than 2500 years old. These British and Irish records prove that Israelites settled in the British Isles at least 1500 years B.C. (Read ONE MAN'S DESTINY, by C. R. Dickey, available from Destiny publishers, P.O. Box 177, Merrimac, MA 01860.)

The Israelite tribe of Dan, which was a seafaring people, can be more easily traced than any other, since they had the custom of attaching their name to places and rivers along their route of march. This movement was prophesied by Jacob in Genesis 49:17, when he said of his son Dan: "Dan shall be a serpent by the way." Some translators have put it thus: "Dan's shall be a serpent's trail."

Ptolemy (a Greek geographer, 127-151 A.D.) made a map of Ireland which shows the name of DAN-SOWAR and DAN-SOBAIRSE on the Northeast coast, where the colonies of the Dannites settled.

They had come from Greece and trekked north and west, leaving behind a trail of such names as the river DANUBE; a country called DANMARK; and many, many others.

There are some historical hints that the tribe of Simeon formed the Celt-Iberian immigration, which moved north and west from the Levant (lands bordering the eastern Mediterranean), about 1500 B.C. and settled in Brittany, Belgium, Wales, Devonshire, parts of Cumberland and parts of Cornwall.

These people were called "Simonii" in classical atlases. Irish history indicates that the Prophet Jeremiah along with his scribe Baruch and King Zedekiah's daughters, escaped from Egypt and ultimately landed in Ireland, where the eldest daughter married an Irish king.

Some scholars say that Israel ended under the Assyrian captivity and that today the "Jews are all of Israel." they do not realize, or refuse to realize, that the Jews of today are those referred today by our Lord in Revelation 2:9; 3:9, when He spoke of those "who say they are JEWS (Judeans) and are not, but are of the synagogue of Satan."

The power of the world Jewry has grown to the place where most pastors are afraid to buck it, even though they know the Jews are the enemies of Jesus Christ, and thusly of God Himself. (See 1 John 2:22, 23.)

The faith of Identity Christians should be tremendously increased when they realize that the written history and folklore of the white nations of Christendom, agrees with the solemn proclamations of Bible prophecy. This same criteria needs to be followed when we look at the anti-Christ Jews and realize that they do not fulfill any of the Bible prophesies. Not one!

Israel migrated north through a pass in the Caucasus Mountains, which is today called the "Pass of Israel." This is why our people are called "Caucasian," and why you put this designation on any form where the designation of race is required.

Herodotus, a Greek historian of about 484-425 B.C. wrote in his history concerning this migration. He tells how the Israelites traveled in covered wagons, much as the early American pioneers who crossed the Great Plains. In HERODOTUS, BOOK 4, he says: "If Asoreth can be identified as in the region of the River Sereth, then Israel had made its way to the west side of the Black Sea."

For about the next thousand years, Greek and Roman historians record the movement of a
"mysterious people," whose origin no one knew, as they moved slowly across Europe, settling at various times in the British Isles.

It is also interesting to note that the great Jewish historian, Josephus, in Book II, v.2, writing about 70 A.D. said: "... there are but Two Tribes in Asia and Europe, subject to the Romans, while the Ten tribes are now beyond the Euphrates River and are, an immense multitude, and not to be numbered, or estimated by number."

This takes on added significance when we realize God said Israel would never cease to be a nation as long as the sun and moon, day and night remain and that furthermore, Israel would be numerically "as the sand of the sea which cannot be numbered," (Hosea 1:10.) The Jews have never come close to this criteria.

The name ISRAEL, which means "union with YAHWEH," or "Prince with God," was withdrawn from common use when Israel went into captivity for their sins. It would not be used again until Israel was settled in her new land (2 Samuel 7:10.) The name ISRAEL was used by Jesus and the apostles, in relation to the spiritual welfare of these wandering people and several clues can be found in the New Testament as to their location.

First, when Paul and Barnabas tried to go into Asia to preach the Gospel, they were restrained by the Holy Spirit, who compelled them to go into Asia Minor, where a large body of Israelites resided, (see Acts 16:7-10.)

Then in the opening words of 1 and 2 Corinthians, we see that Paul is speaking to people in Asia Minor; again in Galatians; Ephesians; Philippians and Thessalonians. The Epistle of James is specifically addressed "to the twelve tribes which are scattered abroad," while 1 Peter is addressed to "the strangers scattered through-out" Asia Minor. (The Greek word for "strangers" is "parepidemos", which means: "a resident foreigner; pilgrim.")

In Genesis 21:12, God told Abraham that in "Isaac shall thy seed be called." So is it strange to find "true Israel" called "Isaac's Sons," or "Sacs-Sons," or "Saxons?" Israel is still the family name for the descendants of Jacob-Israel.

We could spend many, many pages discussing the fascinating changes in names which have come to the Israel people; all of them clearly delineating that they are Israelites.

In all the historic movements of these "white" people, we can see the sons of Abraham, Isaac and Jacob, as they are gathered together in the British Isles, before launching out on the voyages to North America, South Africa and Australia.

Most of our historians have given us a false view of our ancestors from the British. Isles, portraying them as ignorant savages. But in his EARLY ENGLISH HISTORY, eminent English historian Yeatman wrote: "Centuries before the Romans gained footing in this country, the inhabitants were a polished and intellectual people, with a system of jurisprudence of their own design, superior to the laws of Rome and the Romans acknowledged this."

The Romans also admired the skill of these people in agriculture and the working of tin and precious metals.

We must be careful not to infer that all of Israel gathered in the British Isles, since this is obviously not true. It is very doubtful if all the members of Jacob's family have ever gathered together in one place, since that day when they got angry at their younger brother Joseph and decided to do away with him, (see Genesis 37:3-11.)

Even as Israel gathered in the Isles, they began to spread abroad, as the land became too crowded. This was according to the prophesy of Isaiah 49:20, which I believe refers to the United States splitting off from Britain: "The children which thou shalt have, after THOU HAST LOST THE OTHERS, shall say again in thine ears, the place is too strait (small) for me: give me a place where I may dwell." So millions of them migrated to Canada, South Africa and Australia.
When our Founding Fathers landed on the shores of America, they laid their plans on the pattern of Israel. We know from their writings that they were Christians, who came to the New World because they were Christians and for the specific purpose of founding a Christian, not a "pluralistic" nation.

When the Mayflower dropped anchor in the waters of Cape Cod Bay, Massachusetts, on November 11, 1620, before they set foot on American soil, they formed a document called the Mayflower Compact which read: "In the name of God. Amen! We whose names are underwritten, having undertaken for the glory of God and the advancement of the Christian faith, a voyage to plant the first colony . . . do by these Presents, solemnly and mutually in the presence of God combine ourselves into a civic body politic." This was the beginning of a Christian government in the New World.

During the next century and a half, while thousands of immigrants, mostly white, came from Europe, they saw the need of a Federation and the Articles of Confederation were drawn up, stating: "Whereas, we all came in to these parts of America with one and the same end, namely, to advance the kingdom of our Lord Jesus Christ and to enjoy the liberties of the Gospel in purity, we therefore conceive it our bounden duty... that as in nation and religion, so in other respects, we be and continue as one."

Finally, on July 4, 1776, the Declaration of Independence made us "one nation under God." George Washington called us "the second land of promise," and a Christian song writer wrote the stirring words of ALL HAIL THE POWER OF JESUS NAME, one verse read:

"Ye chosen seed of Israel's race,

Ye ransomed from the fall.

Hail Him who saves you by His grace,

AND CROWN Him, Lord of All!"

Yes, these men and women knew we were Israel!

Yet today, it is most incredible to find that many Christians who accept what the Bible says about God and Jesus Christ, refuse to accept what it says about "true Israel" and the "pseudo-Jews."

Evil is always more effective when it is in disguise. Not many people would be fooled by Satan if he appeared as a monster with cloven hoofs, horns and a spiked tail; but when he comes as an "angel of light," even professing Christians are taken in. So Satan's children (see John 8:44) try and fool Christians, as they attempt to palm themselves off as the Chosen Race and usurp the birthright from true Israelites.

The New Testament evangelists and apostles were constantly warning Christians about the Judaizers who joined every Christian group, causing strife, confusion and division. Subversive Alexandrian Jews joined the early Christian church and corrupted many of its early doctrines.

When the Protestant Reformation took place centuries later under Martin Luther and others, theologians once again lost their way under the poisonous influence of Jewish philosophers like Spinoza and Kant, and German Jewish teachers such as Wellhausen, Strauss, Ewalt, Kuene and Hitzig. These launched a vicious attack against the Bible under the misleading term of GERMAN HIGHER CRITICISM!

This all brings to mind the warning given by the Apostle Paul in Titus 1:10, where he says: "many unruly and vain talkers, and deceivers, specially they of the circumcision (Jews), whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre (moneys) sake." Then in verse 14 - he warns us 'Not to give heed to Jewish fables . . that turn from the truth."
There is no sphere of human activity where these anti-Christ's have not done Satan's propaganda work. They clamor for "freedom in a democracy," so they can tear down the Republic. They desire freedom only for themselves so they can destroy every vestige of our White Christian Civilization.

They advocate peace for others, while they practice war against their neighbors. Note how all military activity on the part of the Israeli's towards the Arabs, is "legal retaliation," while in every case, Arab counteraction is termed as "terrorism."

Most of the Jews living in the United States are foreigners, who have been given freedom to live here in peace. They MUST not be allowed to undermine our Government, nor control our institutions.

While the Jewish majority constantly cry "persecution," and bid for Christian sympathy, they are the greatest persecutors in the annals of history. They ride to power on their control of money and the press, while the stupid sheeple of Christianity, elevate their worst enemies to positions of prominence and call them the "apple of God's eye." Truly the prophecy of Hosea 7:8 has come to pass: "Israel is swallowed up. . ." and we know it not!

It is not enough to call Jesus "Lord!" We must also obey His laws as well, for "sin is the transgression of the law," (1 John 3:4.) We have missed the mark in America, as we have confined YAHWEH God, and His Son, Jesus our Lord, to the confines of the church. No wonder we muddle along in a constantly worsening condition.

Whether we want to admit it or not, Jesus Christ is much more than a personal question - He must once and for all become a national question! Once more, we must truly echo the cry of the early colonists, as they shouted: "We have no king but Jesus!"

I believe the time has come for an awakening in modern Israel. An awakening that will bring Israelite men and women to a realization of who they are and what their responsibilities are before Almighty God, their Father.

Then with this awakening, must and will come a cleansing of this land. A cleansing which MUST begin in the church. We must get the Judaizers out of the National Temple; we MUST restore Jesus Christ to His rightful place in the hearts of individuals and in the nation.

The Gospel of Salvation is for the individual and comes through the "grace of God." National salvation is the message of the Kingdom, as men and women obey God and do things His way, in the administration of national affairs.

The hunger of men's and women's hearts for decent government will be satisfied, not only in Israel, but throughout the world, when the Israel people seek the face of their God in repentance (2 Chronicles 7:14). Then will come to pass the saying of Isaiah 32:17, 19.) "The work of righteousness shall be peace; and the effect of righteousness, quietness and assurance for ever. And my people shall dwell in a peaceable habitation, and in sure dwellings, and in quiet resting places."

When we are willing to let YAHWEH God control things, then the prophecy of Isaiah 54:17 will take effect: "No weapons that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord."

MARANATHA!
Red Cloud Over America
(A message on Ezekiel 38 - 39)

Evangelist, Author, Lecturer

Thousands of messages have been preached from the pulpits of America on the 38th and 39th Chapters of Ezekiel. These are often called the "Russian chapters" of the Bible, since they speak clearly concerning the "end time" Soviet Union of Gog and Magog. Most Bible scholars agree that Magog can be nothing but the Russian bear. This has been maintained for well over a hundred years.

In 1857, A Rev. F. E. Pitts, spoke twice before sessions of Congress, telling them of a great war which would be fought sometime in the future between Russia and the United States. About 128 years ago, Commodore Perry of the U.S. Navy, read before the American Geographical and Statistical Society, a paper which prophecied that sometime in the future, both Russia and China would be deadly enemies of the United States.

There is little disagreement concerning the allies of the Russian bear. The names are clear in most instances. Persia (now Iran), Ethiopia, Libya, Turkey (the House of Togarmah in the north) and possibly East Germany.

But beginning with verse eight in chapter 38, we begin to see a wavering from the Scriptural truth, as the fundamentalists and evangelicals begin to twist these Scriptures to fit their "end time" concepts of prophecy. This battle becomes an invasion of Old Palestine, which they say will be the home of the Jews, whom they call God's Chosen People of the Old Testament. It is essential that they interpret this Scripture in such a manner, for their entire concept of Christ's Second Coming is based in this Russian attack.

The Jews, they say, must be back in Old Palestine and this attack must come before our Lord can return a second time. The Jews will return as unbelievers, they say, and when they are saved by the miraculous intervention of our Lord, they will become convinced that He indeed is their Messiah and "Israel" will be saved in a day.

They love to quote from Isaiah 39:28 - "Then shall they (Jews) know that I am the Lord their God . . . Neither will I hide my face any more from them: for I have poured out my Spirit on the house of Israel, saith the Lord." The problem here is that both evangelicals and fundamentalists equate Israel and the Jews as one and the same people, when they are not.

Then to bolster their claim, they go to Romans 11:26 in the New Testament and quote from the Apostle Paul: "And all Israel shall be saved: as it is written. There shall come out of Sion the Deliverer, and shall turn away the ungodliness of Jacob; for this is my covenant unto them, when I shall take away their sins."

But here we need to stop and take inventory. We are not so much interested in what men say, no matter how many degrees they have behind their names, nor how learned they are in the ancient languages. We need to ask ourselves: "What saith the Scripture?" So we will spend a little time in this paper and see if we can decipher the truth from these two very important chapters of the Bible. They are extremely important to the future welfare of the United States and Canada.

These two interesting chapters are much more than spectacular sermon material. They should be words of comfort to North American Christians, who have been deliberately kept in the dark for many years as to their identity. They are the fulfillment of a tremendous promise made by Almighty God to a man named Abraham, over 3900 years ago. These promises were not made to the anti-Christ people we today call Jews, whose ancestors never walked the hills of Palestine, but to a people who have lived secure in their final, promised resting place for over 400 years.
In 2 Samuel 7:10, we read of God's promise made to the Israelite King David, while he was living in Jerusalem at the height of his power. By examining its "tense" we can see that it referred to another place, other than Palestine, and to some time in the future. It says: "Moreover I (God) will appoint a place for My people Israel, and WILL PLANT THEM, that they may DWELL IN A PLACE OF THEIR OWN, and MOVE NO MORE..." (Emphasis mine.)

Today, as Christians around the world are being tortured, murdered and persecuted by the anti-Christ's of Zionist-Communism, it should become quite obvious that their final plans for the annihilation of Christianity, of which they brag quite openly, should be of concern to Christians in North America.

From the time when the father of modern Communism, a half-Jew, named Lenin married to a Jewess, said in 1921 that the Christian nations of Canada and the United States would be the final target for world communism and that we would fall into their hands without a fight, after we had been surrounded. From the time when the Jewish Communist Gun Hall, (Hall-berg) perennial head of the American Communist Party said that he would live to see the liquidation of 60 million "hopelessly diseased capitalist animals by the commissars. To this day, Jewish Communism has warned us of their intentions. Samuel Roth, a Jew, tells us: "We come to the nations pretending to escape persecution, and we are the most deadly persecutors in all the wretched annals of man." The AMERICAN HEBREW newspaper for August 10, 1920 said: "The Revolution (Russian) succeeded by our convincing propaganda, and our mass assassinations in order to form a government truly ours." On page 155, of his book YOU GENTILES, the Jewish writer Maurice Samuels says: "We Jews, we the destroyers, will remain the destroyers. Nothing that you will do will ever meet our demands and needs ..." Rabbi Lewis Browne, in his book HOW ODD OF GOD, says: "We (Jews) intend to remake the gentiles what the communists are now doing in Russia."

Just for a moment, ask yourself this question. "What really is my function as a Christian?" It goes far beyond the carrying of the salvation message to mankind. You are to be a "watchman on the walls of modern Israel." You are to be, as Jesus taught, the "salt of the earth." What is the major property of salt? It holds back corruption. The Christian MUST do the same thing.

Now while the final stages are being set for the most terrible war which will ever be fought in the annals of world history, most Christians are "majoring in the minor and minoring in the major," while all hell is about to break about us. In the face of the worst calamity ever to face America, the majority of the spiritual watchmen, have become the watchmen of Isaiah 56:10, 11, "watchdogs which cannot or will not bark; sleeping, lying down, loving to slumber; shepherds which can never have enough. Doing everything for their own gain."

Instead of warning their flocks, they are singing a lovely fatal siren song which says: "Don't worry if you are saved. Jesus will come back and RAPTURE you out of this mess before it gets too bad."

MOST EVERY Christian understands that prophecy foretells the future. Many people understand that there have been prophecies fulfilled in our time such as the advent of the airplane and automobile. But how many Christians do you know, who realize that Canada and the United States are mentioned in Scripture.

Most preachers will immediately say: "What nonsense. You can't find the name of Canada or the U.S. anywhere in the Bible." This is true. But neither can you find the word RAPTURE, which they use so often. But America and Canada are there, if you are willing to do a bit of study.

Maybe you are one of those Christians who did as I did for 45 years. I accepted what the preacher said without question. After all, he was the expert on the Bible. Then I found that the preacher was doing the same thing. He accepted what the seminary professor or denominational Bible scholar said, after all, they were the experts and on and on the error went, with few if any taking time to study Scripture for themselves and find out the truth. Then when they did find their pastor was in error, very few had the courage to correct him. If they did, in most instances they were kicked out of the church as trouble makers.
But God has a marvelous way in dealing with "truth seekers." In my case, I was driven into Scripture study by incidents which took place. Whenever I lectured on communism, I was immediately labeled as an anti-Semite, although I never mentioned the Jews and knew very little about them. This happened so many times, that I began a background study on Communism and its relation to Judaism and I found out the truth. of Rabbi Stephen Wise's statement: "Some call it Communism: I call it Judaism." For Communism is a Jewish concept from start to finish and was carried out in the finest ideals of the Babylonian Talmud.

In the Old Testament of the Bible, we find a man named Isaiah. He was a fellow who went into great detail concerning the destruction of alien nations by an act of God: these were enemies who were seeking to destroy His Israel people (and we certainly are not speaking of the people we now call Jews.) God named Babylon; the Philistines; Moab; Damascus; the Empire of Egypt. He foresaw the downfall of the powerful seaport of Tyre and spoke about it through the mouth of Isaiah. These were all important powers in Isaiah's time.

But in the midst of all his prophecy, in the middle of the rather short eighteenth chapter of Isaiah, God spoke concerning another nation. Isaiah does not name these people, since they did not exist at this time as a nation, but he describes them in painstaking detail.

Unfortunately, as has happened in other places and in spite of what many fundamentalists believe, the translators have garbled this portion of Scripture until it has almost lost its meaning. A correct translation, according to Hebrew experts, regarding this unnamed nation, as found in verses 1-2, 7 reads thus: "Ho to the land of buzzing wings, which lies beyond the rivers of Ethiopia. (This was a language form used in Isaiah's day, indicating a land far to the west of Ethiopia.)

"That sends its ambassadors by sea, in water-drinknd vessels, upon the waters. Go, swift messengers, to a nation tall and smooth shaven, to a people terrible from their beginning onward, a nation measured out by lines underfoot, whose land the rivers divide.

This first interesting thing to note in this chapter is that this unnamed country will be a land of buzzing wings. There are few places you can go in Canada or the United States, where you cannot hear the sound of airplane engines, night or day. We quite literally live in a "land of buzzing wings."

Second, note that this country is located "beyond the rivers of Ethiopia." This was a language form meaning "to the west of." The rivers referred to are the great rivers of Africa which unite into the Nile and then flow into the Mediterranean Sea. If you were to go due west from Jerusalem you will cross the mouth of the Nile River; keep on going west and you would cross Libya, Tunisia and Morocco, keep going further west across the Atlantic Ocean and you would eventually land in the heartlands of America, somewhere in the vicinity of Atlanta, Georgia.

Isaiah tells us that this unique nation will send its ambassadors, not in vessels made of reeds, as the King James Version tells us, but in "water drinking vessels." The translation by Ferrar Fenton, in modern English says: "Woe! to the country wing-shadowed, beyond Kush's rivers, Who on the face of the seas send its letters by Agents, Go, Messengers, speak to a bold conquering nation, - A terrible race in its past and future. A disciplined dominant people, despising the streams of the earth. With the exception of Canada and Mexico, all America's diplomats must travel abroad, either by sea or air. Until late in this century, they traveled by "water drinking" vessels, which Isaiah saw but did not understand and which we call "steam ships."

The people of this unusual country were to be tall and smooth shaven. Very few foreigners are as tall as the "sons of the Republic."

America has been a people "terrible from the beginning." The word "terrible" as used here, comes from the Hebrew word "yaw-ray" which means: "to revere; to be afraid of." Up until a few years ago, when American "statesmanship" was replaced with "chickenship," we were a people who were looked up to by friend and foe alike. We were respected. Our anti-God enemies feared us. We had earned this respect, for our nation was born under God's guiding hand. How anyone can read the
charters of the early colonies and not understand this is beyond my comprehension. In our infancy, we twice defeated the most powerful military nation in Europe. We defeated the Mediterranean pirates which caused proud England to pay tribute. We loosened the grip of mighty Spain on the New World and shattered her dream of a world empire. We won two world wars, although we had been tricked into fighting both of them for the cause of International Zionism.

Isaiah went further in his description of this nation by saying that it would be "meted and measured out." The U.S. Metes and Bounds Act, gave to the United States, the first completely surveyed nation in the world. All of America's lands are laid out by compass - "a nation truly measured out by lines on the ground, underfoot."

Isaiah's prophetic nation was to be divided by rivers. No other nation is divided by rivers as is the United States. The mighty Mississippi cuts our land in half from east to west; the Ohio and its tributaries divide the eastern half in two; the Columbia, North Platte, Colorado and Missouri rivers divide the west.

Isaiah said that "when a banner is raised on the mountains, look in fear; and attend when the bugle is blown." Our nation has always been a "peace loving" nation; but we can and will fight when necessary, as we have proved on numerous occasions. We are not the "paper tigers" our communist enemies have painted us to be. Although strong measures have been taken in recent years to emasculate our nation, when our battle flags fly and our armies gather for war, the entire world still trembles. They may scoff at the indecision and treason we showed in Korea and Vietnam, when we fought under United Nations control; they may laugh at our sorry debacles in Iran and Lebanon, but they are still afraid of us and even the mighty Soviet Union thinks twice before pushing us too far.

Nowhere in the world, or at any time in history, have there been people, like in Canada and the United States, who meet this prophetic description of Isaiah 18. Certainly the people we know as Jews do not come close in any particular.

There is not time in this message to go into the proofs that this "Unnamed nation," is the mainstay of the Israel nations of end time. For the purpose of this message, I am going to assume that you realize that our white, Anglo-Saxon and related peoples, as found in Canada and the United States, are indeed the descendants of Abraham, the friend of God. There are hundreds of Scriptural proofs of this, if you are willing to look for them.

As the Bible and history show, our people have gone through alternating periods of greatness and decay. When we have followed the laws laid down by God for our happy and peaceful living, we have been happy and prosperous. But when we became "too big for our britches;" when we became more interested in "doing our own thing," than in following the Lord, all hell has broken loose!

Today, because our leadership in government and the church has broken down, we see a degeneracy among our people. America has sunk to the lowest ebb in its short history. No nation can align itself with the enemies of God and expect His blessing. No matter what our preachers may say, God has not blessed America because we have been good to the people which crucified our Lord and who hate Him today. The worst moral and political slump in America's history has occurred since 1948, when we officially recognized the "bastard state" of the Israeli in Palestine.

In 2 Chronicles of 19:2, we find a verse openairipture that the Falwell's, Swaggart's and Van Impe's should pray about. It says: "... shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord." In Psalm 26:5, the Psalmist takes a stand against such insanity when he says: "I have hated the congregation of evil doers, and will not sit with the wicked."

I wonder how many of our Christian pastors who hold joint services with a Christ hating Jew have ever pondered over this verse. In Psalm 139:21, 22, King David said: "Do not I hate them that hate Thee, O Lord, and am not I grieved with those that rise up against Thee? I hate them with a perfect hatred: I count them mine enemies."
The Apostle Paul told Christians that they must "have no fellowship with the unfruitful works of darkness, but rather reprove (expose) them." (Ephesians 5:11). It is a Christian's duty to combat evil, not hold hands with it. 1 John 3:8 tells us that "...the Son of God was manifested, (made known) that He might destroy (utterly annihilate) the works of the devil." If this was part of Christ's mission, then who are you, Mr. Preacher, to have liaison with those who hate Him? You are a traitor to your calling!

How we need to get this message across to the "panty-waisted, sissy-britches" men behind our pulpits, who seem to have only one message: "Love! Love! Love! and compromise with your enemies, rather than disturb them!" It's no wonder the Christian world is losing its battle for survival.

Of course it's obvious that if you follow God's way of doing things, you will not be popular. What's new? I learned this the hard way! You cannot remain on national TV! You will not be able to fill football stadiums with adoring crowds. You will not receive the plaudits of the media! Jesus said, (Matthew 20:22) - "Ye (Christians who are acting as Christians) will be hated of all men for my name's sake." When was the last time someone hated you for the Christian stand you took? Christ went on to qualify His statement in John 15:20 by telling you who your persecutors would be: "...If they (Jews) have persecuted Me, they will persecute you also ..." (vs. 23) "He that hateth me, hateth my Father also." This should take care of those "numb-skulls" who say that the Jews follow God.

Remember, when you see a preacher who is making a lot of money from preaching the Gospel and who is "living high on the hog," you are probably looking at a "religious phony." Isaiah 5:22 says: "Woe to them that justify the wicked for a reward." Could this refer to men like Jerry Falwell, who stay on national TV, because they kiss the hands of the anti-Christs?

In my lifetime, the forces which guide international policies and rule the nations, have been exposed. For the first time, those who are really interested in the welfare of this nation and want to know what is going on behind the scenes, can see the web of subversion which has been quietly woven around the Christian world. They can foresee the direction in which we are moving. It is sad that we did not see this before, since it is foretold in the Scriptures.

While this monstrosity we call the United nations speaks glibly about "beating swords into plow shares," they have apparently forgotten that it is only through Jesus Christ, that peace will be brought to this world. There have been more wars fought since the inception of the UN, than at any time in the world's history.

As you read the 38th and 39th chapters of Ezekiel, have you ever wondered why God would allow the heathen nations to gather into a mighty federation to oppose His people Israel? Anyone with an ounce of intelligence, should recognize the fact that the Soviet Union has not spent countless billions of dollars, building up its mighty military machine, just to oppose the little Israeli nation of less than 4-million people. Regardless of what the prophetic preachers say, the missiles are aimed at one people in particular, the nations of Christendom, God's true Israel people.

But there is a clue found in Zephaniah 3:8, where God says: "...wait ye upon Me, saith the Lord, until the day that I shall rise up to the prey; for My determination is to gather the nations, that I may assemble the kingdoms. To pour out upon them Mine indignation, even all my fierce anger." This will be a time when the patience of God will reach an end, when God will say: "This is enough!" When God will say: "Ladies and gentlemen, you have gone quite far enough, it's time for me to close the store!" Without a doubt, the time of God's wrath is fast approaching. Crime is getting out of hand around the world; terrorism is increasing daily; blasphemy against God and His Son is the order of the day, even on television. "Born again" Christians refuse to take a stand against evil and evil men.

When your preacher tells you that God's enemies will invade old Palestine with an army of 200-million men, they are speaking a delusion. Use a little common sense and you would see there is not
standing room for such an army on the plains of Meggido, where they say this battle will be fought.

Now don't get me wrong. I believe the Scripture indicates that the Soviet Union will invade Palestine. I believe that it will come at the same time when the major attack comes against the Israel nations. There are many orthodox Jewish leaders who predict that the present atheist government of the Israeli in Palestine will be destroyed. They have tried without success to warn the Jewish people about this.

But the major Russian attack will not be in Palestine, but will be launched against the "mountains of Israel." (It is interesting to note that the word "mountains" is often used in the Old Testament, to represent "nations." ) This unprovoked attack will come against the Israel nations who have gathered safely in their promised land.

Over and over, you can find reference made to a heathen attack against the Israel people in the end time, but there is never a hint, that these people are Jews. In spite of what your preacher may say, when he calls Abraham, Isaac, Jacob, and Moses, "Jews," the word is not used in the Old Testament until 2 Kings 16:6, almost 1200 years after the time of Abraham, when we find the Jews fighting against Israel.

If you will attempt to understand the difference between the words "Jew" and "Israel", then you will begin to understand Scripture. Only then will you begin to understand the "keys of the kingdom," which reveal Biblical truth about America. Most of your pastors do not understand this truth and they will fight to the death to keep you from understanding it. They would have to change their minds and admit they have been wrong and there are few of them are man enough to do.

For some reason, which I cannot fathom, many pastors like to say: "We are Gentiles, but when we get saved, we become spiritual Israelites." Some go so far as to call themselves "spiritual Jews." If they knew the horrible implication of this, they would not make such a terrible mistake. The word Gentile as used in Scripture does not refer to a "heathen people." It comes from the Greek word "Ethnos," which simply means "nations." A few times in the New Testament it is translated "Hellenes," or "Greeks." It is difficult to understand why the translators of the King James Version of the Bible and most others took the Greek word "ethnos" and translated it to mean "heathen," in one place, and "Greek," or "nation" in another. It is used correctly in very few places in the New Testament and has been a word of stumbling for our people for many years.

Many of the Greeks and those from Asia Minor were members of the ten tribes of Israel in exile. We see this in the introduction to the Epistle of James, when he addresses himself to the "twelve tribes (or nations) scattered abroad." Have you ever wondered why the Holy Spirit forbade Paul from taking the Gospel into Asia, and instead sent him into Macedonia? (Acts 16:6). It was because the Israelites were to be found in Asia Minor, not Asia and the Gospel was especially for Israel. Jesus clearly said this in Matthew 10:6 and 15:24.

It seems rather remarkable that our pastors should call the present day Jews the Chosen People and Christians "spiritual Jews," when our Lord said: "Ye are of your father the devil." (John 8:44) and "Ye believe not, because ye are not of my sheep," (John 10:26). This seems very clear to me.

At no time in the history of Israel did the Israel people all hold to the same religious belief. Many came out of Egypt, worshiping the old Egyptian gods. Later, the great prophet Elijah could only find 7,000 true Jehovah worshipers out of the millions of Israel. Being an Israelite was not a matter of religious belief, but of ancestry. The same is true today.

Here it might be well for me to say, so there is no chance for you to misunderstand, that you can be an Israelite and not make it into the kingdom. Jesus told a religious Israelite named Nicodemus: "If you want to see the kingdom of God, ye must be born again (or from above)." In spite of what some Identity preachers teach, just being an Israelite by blood will not get you into the kingdom.

To understand this better, we need to look at a custom which was prevalent in the days of Christ. If
a man went to a country to claim a kingdom, the inhabitants of that land, citizens by birth, were required to come before the king and do two things. First, on bended knee, they asked the king's forgiveness for any crime they may have committed against him. When they received this forgiveness they were then required to pledge "fealty" to him. This meant give their pledge that they would follow him faithfully and would abide by his laws. This in essence is what we mean by being "born again". It is a process whereby we come to the King and ask His forgiveness for our sins. Then when we have this forgiveness, we pledge our undying loyalty to Him. All too often, people are told: "All you need to do is tell Jesus you are sorry for your sins and ask Him to come into your heart." This is unscriptural. You are not saved, until you make Him the Lord of your life and are willing to serve Him unto death. There is no way in the world that anyone can become a "spiritual Israelite," since there is no such animal. Being an Israelite is a matter of "blood," not "belief."

While many of our preachers would like to have us believe that the Apostle Paul changed the old religion of Moses and set up something new, in nearly every Epistle he wrote, Paul was very careful to indicate that he was writing to Israel and about Israel. Some of this truth has been hidden by mistranslation, some deliberate, I believe.

Now let me digress for a moment from this line of thought to ask you a rhetorical question. Are any of you so naive as to believe that an unbelieving, Christ hating Jew would give an accurate translation of the Bible, whether the Old or New Testament? You know they would not! The Lord Jesus Christ indicated that they did not even follow the words of Moses, when He spoke to the Jewish religious leaders in John 5:46 saying: "For had ye believed Moses, ye would have believed Me; for he wrote of Me." A Jewish translator will go to any lengths to fool a Christian into believing that the enemies of God are His Chosen. They are taught this in their religious book the Talmud. I could give you numerous illustrations of how they have done this in the New Testament, but will confine myself to one. In Romans 1:7, we read that it was addressed to those who are known as "saints" in Rome. The King James Version says: "Called to be saints." Notice that in most Bibles the words "to be" are in italics. This means that they are not to be found in the original translation, but were added by the translators, because they believe this is what Paul meant. In other words, they are trying to interpret what Paul really meant. They are sort of like the news commentator who comes along after a Presidential address and tells us what the President just said, as though most of us were too dumb to understand plain English.

The word "saint" in Greek, means "to be set apart." It was a word used to describe God's Chosen People Israel. So when Paul used this word, we know that he was referring, not to "non-Jewish" Christians in Rome, but to "Israelite Christians." Notice that in verse 5, Paul says that his Apostleship is to "all nations." But here we find the Greek word "ethnos", which the translators have translated as "Gentiles" in other places, translated as "all nations." Yet it is exactly the same word in both places. (It might be of interest at this point, to point out to you that the Jewish Encyclopedia states that the Tribe of Judah was a "non-Israelite" tribe.)

A careful study of the Scriptures will give you a clear picture, which indicates that the Canaanites were never part of the Chosen people. They were always the enemy of Israel. They were a "counterfeit vine." This is true of the vast majority of the people we today know as Jews. Very, very few of them can trace their ancestry back to Abraham, contrary to what some rabbis may tell you, for there is much evidence from Jewish sources to prove this.

For centuries, these people called Jews have been trying to usurp the place God gave to the Israelites. They have done a superb job of "brainwashing" Christians into believing that they are the right ones. It never ceases to make me marvel, how Godly men, who preach the Gospel of Salvation with power and courage, are willing to accept God's worst enemies as His Chosen. Then when someone comes along and is bold enough to try and prove from the Bible that they are wrong, they get mad and assault the "truth bearer." Would you get angry if someone came along and accused you of being an American? I rather doubt it, unless you were a complete idiot! Why then do you get so upset, when someone comes and proves to you that you are one of Abraham's blood children,
rather than some heathen usurper, who according to the Lord will never know Him?

In 1 John 4:6, speaking of the Jews, the Apostle said: "He that is of God heareth God's words: ye therefore hear them not: BECAUSE YE ARE NOT OF GOD." 1 John 5:10, "He that believeth on the Son of God hath the witness in himself; he that believeth not God hath made Him a liar; because he believeth not the record God gave of His Son." How much plainer must this be made before you understand?

These few verses should answer the religious "liars" who say that a Jew can come to God, other than through Jesus Christ. Read on, 1 John 2:23 - "Whosoever denieth the Son, the same hath not the Father; he that acknowledgest the Son hath the Father also." END OF ARGUMENT!

We are told in Zechariah 14:21, that when the Messiah finally sets up His kingdom of righteousness, the Canaanite problem will be solved once and for all and "in that day, there shall no more be the Canaanite in the house of the Lord."

These enemies of God and His church have been known through the centuries of history as cruel and bloody tyrants. They can be seen in action in the history of Babylon, Assyria and later world powers. They are the same crowd our Lord chastized in Matthew 23:34, when He said to them: "Wherefore behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them ye shall persecute in your synagogues (this one word in itself indicates to whom this word was addressed) and persecute them from city to city: That upon you (Jews) MAY COME ALL THE RIGHTEOUS BLOOD SHED UPON THE EARTH . . ."

(Emphasis mine.) Jesus takes them back to the first murder in Genesis 4:8 and accuses them of being guilty. These are the same people who murdered hundreds of thousands of Christians in the early Christian era; who murdered innocent women and children in their carpet bombings in Lebanon: who murdered millions of Christians behind the Iron Curtain and the Bamboo Curtain. Those who today own and operate most of the abortion mills of America and who have slaughtered more than 15-million American babies, many of them true Israelites. They have never changed their evil ways in over 3,000 years.

I have said all this in explanation, so that you understand how today, America and Canada faces a military attack from the same Godless enemy that has attacked Israel for thirty centuries or more. We have brought this judgment of God on ourselves, because we have disobeyed God. The Jews in themselves are not to blame for this. We the Israel people did this to ourselves by our disobedience. God is using our enemies, as He promised, to drive His Israel sheep back into the fold.

Many years ago, a Jewish Communist leader predicted that the "American capitalists would become so greedy for profit, they will sell us the rope with which we will hang them." This has come to pass. At the end of World War II, we forgot the admonition God gave to Israel in 713 B.C. when through the prophet Isaiah (Is. 31:1) He wrote: "Woe unto them that go down to Egypt for help: (Egypt was the symbol of an atheistic, God-hating nation) and stay on horses and trust in chariots because they are very strong: and look not to the Holy One of Israel, neither seek the Lord.

There is no way in which God will ever bless His Israel people when they make treaties with His enemies. There is no way in which God will bless America as we back the Christ haters in the Israeli nation, Falwell and Swaggart notwithstanding. It's right here in God's Word. We are clearly told in 2 Corinthians 6:14 - "Be ye not unequally yoked together with unbelievers.

How in the world can a Christian people continually disregard this very plain teaching of Scripture and expect God to bless us? We have turned our backs on His Word and the "evil chickens of our rotten and bankrupt foreign policy over the past fifty years, are now coming home to roost and our preachers are afraid to speak out about the problems, because they have been foremost in their cause."

But you may say about now, what has all this to do with the Soviet Invasion of America? You need
to know about the enemy, in order to understand this invasion. Probably one of the most important clues to this invasion is found in Ezekiel 38:10 - "At the same time, (at the same time as what? the invasion of Old Palestine) shall things come into thy mind (the Soviet enemy. Remember now this is a Jewish controlled enemy), and thou shalt think an evil thought . . . thou shalt say, (notice carefully the wording of the next few sentences) I will go UP to a land of unwalled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls and having neither bars or gates. To take a spoil and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon a people gathered out of all nations, which have gotten cattle and goods, that dwell in the midst of the land."

Now immediately some discerning person is going to say. These words do not describe Old Palestine and you are correct. No matter what your pastor may tell you, these verses were not written about the land now occupied by the Israeli. Anyone with the smallest iota of common sense knows you do not "go up" from Moscow and arrive in Jerusalem. But if you will look at a globe, you will see that if you "go up" from Moscow, you will go over the North Pole and come down into the heartlands of North America, in the most logical place to make an invasion. Every military expert will attest to this.

Most certainly the Israeli are not living in a "land of unwalled villages in peace." Many of their towns still have walls and most of them are protected by walls of barbed wire and mine fields. They most certainly are not living in peace, as Ezekiel indicates the invaded country will be. Some pastors will hedge here and say that his time of peace will come when the Jews make a peace treaty with the anti-Christ. Do you honestly believe they will disarm and take away their defenses? It doesn't make very much sense, if you know anything about Jewish thinking.

Why does the enemy invade this peaceful country in the first place? Vs 10 says they come to "take a prey of cattle and goods . . ." How many cattle would the Soviets get from the Israeli? Very few. According to Jewish AGRICULTURAL STATISTICS, THERE ARE less cattle in the land of the Israeli than in most of our mid-west counties. They do not have great oil wealth. They have done very little to develop the mineral wealth of the Dead Sea. In fact, to all intents and purposes, the Israelis, as are other Jews, are a "parasite" people, kept alive by the generosity of a lot of stupid taxpayers in America. Even the Israeli officials, as arrogant as they are, have admitted that their little country would collapse within six months if America withdrew its support. So doesn't it seem rather ridiculous to you that the Soviet Union would want to attack this land for its wealth?

The Soviets do want Palestine for its strategic position in the Mid-East, but not for its wealth and this is the reason for the Soviet attack, according to the Bible.

There are other scriptural evidences of this "double invasion" (Palestine and North America). In Isaiah 10:6, God says: "I will send him (the enemy) against a hypocritical nation . . . I will give him charge, to take a spoil and take a prey, and to tread down as mire in the streets." What nation on the face of the earth has become more hypocritical than the United States? We know we are God's people, but we certainly do not act like it. We have been blessed beyond all people on the face of the earth and we repay God by spitting in His face. No wonder He is becoming angry. I saw a bumper sticker recently which pretty well sums this up. It said: "God is back! and is He mad!" I think we have been shown God's "love side" for so long in our marshmallow churches, that we have conveniently forgotten that God is also a God of wrath against evil doers. We don't like to look at or listen to this aspect of God's personality.

In Hebrews 12:29 we read: "For our God is a consuming fire." In Heb. 10:27 - it speaks of a "certain fearful looking for of judgment, and fiery indignation (anger) which shall devour the adversaries, (God's enemies). Then in Vs. 31, "it is a fearful things to fall in-to the hands of the living God." This is somewhat different from what some of our pastors tell their people.

Our preachers have harped on "love" for so long, that we have forgotten that Galatians 6:7 was written to Christians, for Christians and about Christians: "Be not deceived, God is not mocked;
whatsoever a man soweth, that shall he also reap." This is sometimes called the LAW OF HARVEST, and it is one of God's natural laws, much older than the codified law given at Mt. Sinai, and as unbreakable as the LAW OF GRAVITY.

What greater hypocrisy can exist, than for the United States to aid evil nations under the pretense that we are doing good? Yet we have poured America's wealth down the "rat hole" of foreign aid to atheist nations for over fifty years. In fact, it has been the "backbone" of American Foreign Policy. While Administrations in Washington, Republican and Democrat alike, have conned the American people into believing they were trying to stop the advance of Communism, it has been American aid, which have kept these enemies of mankind alive. Where has been the protest from America's Christian leaders? There has been very little! In most cases, when some man has the courage to show where our government is wrong, it is the church which points its finger at him and calls him a "Fascist," an "extremist," a "member of the lunatic fringe."

The "people of God's wrath," are identified in Malachi 1:3,4, as Edomites. It is interesting to note that in the Jewish Encyclopaedia, in its section on Edom, is found this statement: "The Edomites today are found in Jewry." (King Herod was and Edomite, by the way.)

These Edomites, who today go by the name of Jews, are those spoken of in Rev. 2:9 - "those who say they are Jews and are not, but are of the synagogue of Satan," are the anti-Christ people who today occupy the land of Israeli in Palestine. They will stand in the path of Russia's invasion. There is no doubt that International Jewry feels that they now control the Soviet Union, since 19 out of the 23 members of the ruling commissariat today, are Jews. I believe they feel they can bring invading Asiatic hordes through Palestine, as another prong of the attack against the Israel nations of Western Europe and North America.

But here is something very interesting concerning, the enslaved people of Russia; just like many Americans and Canadians they are beginning to wake up. (Remember, there are many Israelite Christians in the lands under Soviet control.) These know who their oppressors have been for lo these many years. When and if fighting breaks out in this area, you can make a wager that the Jews will not be successful this time, no matter how many arms we give them and no matter how people like Evangelist Van Impe scream otherwise.

In Chapter twelve of his book ISRAEL'S FINAL HOLOCAUST, Van Impe makes this ridiculous statement: "Russia will invade Israel at a time when war is not expected." The Israeli know that it is only a matter of time until the Soviets make a move into this area, so for some time now, they have been making alliances with the Soviets. If Bible scholars have known about this Russian invasion for over 150 years, why should the Jews be taken by surprise? Certainly they know that most of the top leaders in the Soviet Union are International Jews.

Van Impe goes on to compound his ignorance by stating that the Russian invasion would come when the "Jews were back in their own land." (p. 136) He says: "An invasion of the Middle East by Russia previous to the statehood of Israel would have been meaningless in regards to this prophecy. The enactment of this scene in the last days guarantees the survival of Israel until their war with Russia . . ." He then goes on to contradict himself, when he says: "This war between Russia and Israel must take place when the Jews are dwelling securely in their own land. The threat of an Arab invasion will have been removed to the place where the Jews feel safe . . ." Does any intelligent person believe this fairy tale? He goes on to say that this invasion will probably come about the middle of the tribulation period, or about 3½ years after an Israeli-Arab peace treaty is signed.

Of course, this is the time when all the "born again" folks are going to be attending a big party in the skies, while the rest of us poor people suffer under the terrible rule of the anti-Christ.

But the Bible clearly teaches that this heathen people will be destroyed and the Jewish leaders know this. That is why they are scared to death of anything which might resemble Armageddon. Many orthodox Jews know that the Jews in Palestine today, are not even Jews for the most part; they are
imposters.

Two men from Moody Bible Institute, Thomas Mc-Call and Zola Levitt, have written a little booklet THE RUSSIANS ARE COMING TO ISRAEL, which propounds this same Jewish fairy tale. "For the past twenty-five years Russia has increasingly become Israeli's arch-enemy. She has armed the Arab . . ." The late Israeli war hero, General Moshe Dayan, is supposed to have said: "Israeli is now at war with Russia," this was in 1967.

Then they go on with this breathtaking statement: "The real issue in Palestine is Communism, the irresistible force of world atheism, against Judaism, the cradle of belief in God. Through Ezekiel, God named the real combatants - the enemies of God versus the friends of God." Now this is ridiculous on the face of it, when you realize that the Jews in Palestine are for the most part atheistic and that they must hate God, since they hate His Son Jesus Christ. (See 1 John 2:22, 23).

According to Ezekiel 38 the major Russian invasion will be to the north, against a people: "gathered out of many people, against the mountains (nations) of Israel." It goes on to say "which have always been waste; but is brought forth of the nations, and they shall dwell safely all of them." This could not possibly be a description of the present day Israeli. While the Jews have come to Palestine from many nations, they do not fulfill this description as North America does. Here we have become known s the "melting pot" of the world.

The lands and mountains of Old Palestine have been inhabited for well over 3500 years. In fact, there has been no time in the written history of mankind, where there have not been people in Palestine. But in America, until about 500 years ago, the land was waste, with only a few thousand Indians roaming its vast reaches. The people of Palestine have not dwelt in safety for centuries and it is doubtful if they would tear down their defenses, even if a peace treaty was made with the Arabs.

Ezekiel goes into great detail in his description of the nations which are attacked and they can only be in North America. A careful study shows that the leading edge of this invasion will be airborne: "Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land." Sounds like an airborne invasion to me. American intelligence has known for a long time, that the Soviets have a huge invasion force poised in Eastern Siberia. It is spearheaded by at least five battalions of specially trained airborne troops. These troops with their equipment have been in Siberia for at least two years. They will be supported by a ground army of over 2-million men who are also there with their equipment, landing barges and a huge amount of horse calvary.

The scenario I envision, was set a long time before the movie Red Dawn was produced. It calls for America's armed forces, including our National Guard, to be out of the U.S. in a war, possibly in Central America or the Persian Gulf area. This could happen at any time. It is of interest to see the huge amount of military equipment moving on our highways these days and to note that all vehicles are painted in either desert or jungle camouflage. You see very little in the old O.D.

With the military out of the country, at the right moment, the enemy Fifth Column will go to work. The FBI in 1983, admitted that they knew of more than 100,000 enemy agents working in the U.S., but that because of existing law, they could not touch them. According to Black sources, including Jesse Jackson's friend, Mr. Farrakah of the Black Muslims, they are predicting a gigantic "race war" before the end of 1985, which will leave very few "whities" alive. Don't get mad at me, I'm just quoting what someone else said.

We know that many of the alien minorities who have come into the U.S. in the past few years - many of them illegally - are enemy agents. Recently, loyal anti-Communist Vietnamese leaders, estimated that possibly as many as 50% of the 640,000 Vietnam refugees in this country are Vietcong. We know that in the past two years, large numbers of en,"ned agents have infiltrated this country from Mexico.

We also know that there has been a plan in the wind for over two years, which calls for these people
to move into the area bordering the Mississippi River and at a given signal, destroy the bridges crossing this mighty stream. If this happened, there would be food riots in the East within two weeks. It is known that more than 3-million illegals are in the vicinity of the Mississippi, from New Orleans to Chicago. The leftist underground has pinpointed 107 major American cities for destruction when the day comes.

What better time would there be, from a military standpoint, for the Soviet Union to launch there attack for the overthrow of Christendom? Would our government retaliate against such an invasion with a nuclear attacks against Russian cities? Very unlikely! Most of the cries for "peace" and "surrender" would come from the brainwashed Christians in our Judeo-Christian churches.

Today we are reaping a bitter harvest in America, because we have listened to these false shepherds for fifty years. For fifty years we have seen this time of danger approaching and have done very little to prepare for it. When a lone, courageous voice has been raised to warn our people, it has been the churches of America which have stifled it. Pastors who should have been the "watchmen on the walls of Israel America," have told their flock: "Don't worry, if you're saved, Jesus will come back and take you out of this mess."

When people reach that point where they give blind loyalty to a church, or a political party, rather than to God, then they are in bad trouble. Many good Americans have given their loyalty, their time and their money to a political party, Republican, Democrat or Independent and then have been disappointed when things kept getting worse. They have refused to see that this country is being run by an alien government and I am not speaking about Mr. Reagan's Administration. I'm talking about the "shadow government" of Internationalists, who have pulled the string of our government for over seventy years.

America is in trouble because we refused to listen to the Word of God. There are some who teach that America will be destroyed for her sins. A lady in Kansas City, severely chastised me for fighting against God, she said: "The Bible says that America will be destroyed and you are trying to keep this from happening. You are fighting against God." When I asked her to show me where this was found in the Bible, she of course could not and this made her angry, so she began to call me names. You see, she was doing what a majority have been doing. They were blindly following some leader, without checking it out for themselves. Jesus once said: "If the blind lead the blind; both shall fall into a ditch." This is what has been happening in America. How can pastors know what the Word says, when they are constantly governed in their interpretation of that Word, by what their particular church teaches. They refuse to see any other truth.

A careful reading of Isaiah 10, 14, 30 and 31, will show that these Assyrians are the same Red Communists found in Ezekiel 38, 39. They may not be called by the same name, but they are the same anti-Christ enemy of God.

I believe the Bible teaches that God's Israel people will triumph in the end. We will not win because of the superiority of our military forces, but because we recognize our sins and come to God for forgiveness and healing. We will have to recognize our inability to win this war in our own strength. It gives me a terrible feeling of depression, to see how we are strengthening our military with new and more terrible weapons, while we do absolutely nothing to strengthen our people with the moral and spiritual attributes we must have to win.

When America repents of her sins and asks God's help, not for themselves, but that it might bring glory to His name. Then we will be victorious. Then we will see God unleash weapons from his armory, which will make the "H" bomb look like a firecracker in comparison. From a study of Chapter 39, it appears as though Russia will be overwhelmed very early in her attack. There are no scenes of lengthy battles, the battle seems to be wholly of God. The attackers will "fall on the mountains and in the open fields," as God comes against them in His fury We His people, have the promise that in that day the enemy shall be "chased as the chaff of the mountains before the wind, and like the tumbleweed before the whirlwind." (It is interesting to note that the "tumbleweed" is
To end the Communist menace for all time, we, the Israel people of Christendom will carry the war to the enemy in their lands. Micah 5:5, 6 promises us: "When 'I the Assyrian shall come into our land, and when he shall tread in our palaces (place of government), then shall we raise against him seven shepherds (leaders) and eight princes, and they shall waste the land of Assyria with the sword, and the land of Nimrod within her gates." (Remember, that the leaders of this Zionist-Communist invasion are the Edomite race, who have been enemies - of Israel from their very beginning.)

Generation after generation of true Israel have had to defend themselves against this heathen force. In John 8:31-44, Jesus Christ identifies this enemy as the "children of Satan." and in Matthew 23:15 he elaborates on this by saying that their converts, "become two-fold more a child of hell than themselves." That's pretty plain talk! Who was he speaking to when He used the harshest language of His career? It was the Pharisees and Scribes, the Jewish leaders of His day.

Today, our Israel people have become infiltered and corrupted by the Judeo-Christian heresy. The final stage is now being set for that war which they hope will bring them into world domination. Instead, it will end in their complete destruction, as God sees that the job is well done. What will our apostate preachers tell their people when this happens? How will they justify their support of anti-Christ, which have siphoned off billions of dollars which should have been used to spread the Gospel? and which has cost thousands of American lives.

But lets talk a little bit more about the attack itself. Verse 9 indicates that it will begin with an airborne invasion. In Isaiah's time, there was no way in which he could conceive of such a force, so he explained it using symbolic language. We know that since 1945, the Soviet Union has built up the largest airborne force in the world. They have out-produced us in building giant transport planes, five to one. They have well over a million superbly trained parachutists. That's more men than we have in total combat troops.

There is little doubt from the accounts of both Ezekiel 30 and Daniel 11, that their first efforts will be made against the oil fields of the Mid-East. This is to assure the success of their major objective against Anglo-Israel. This may well be what draws our armed forces overseas. Along with this, we will see massive attacks against the other Israel nations on the Continent. Britain, Denmark, Sweden, West Germany, France, Italy, Denmark, Holland, Belgium and others, the NATO nations - the nations of Christendom.

In verse 10 where we read: "thou shalt think an evil thought," the Hebrew word for "thought" is "makhash-aw-baw" which means "a device, or machine." So the idea will come into the Zionist-Communist minds, concerning an evil machine which they have and which they will attempt to use against us. What it is we do not know!

But there are several things we can note here, which will help us identify the attacked land as North America.

We have already spoken about the "spoil of cattle." But notice, the land to be attacked has been "brought back from the sword." This is not true of Palestine, where wars have been going on for hundreds of years. Zechariah 12:23, indicates that at this time Old Jerusalem will be a "cup of trembling and a burdensome stone." There is nothing peaceful about this description.

But the United States and Canada are nations which have been brought back from the sword. The last major war was fought on our soil about 120 years ago.

Even the desolate places of America are now inhabited, as one can see if they travel across the Mojave Desert east of Los Angeles.

From a purely military standpoint, the Communists have a tremendous advantage. There is every reason to believe that our government would not respond to an atomic attack against our cities.

We don't have time in this paper to go into the manner in which the war will be fought, except to
say that God will take a hand at the proper time. The question I would like to pose here is, what will it take to bring Christian Americans to their senses? Will it take the havoc, terror and destruction of an enemy invasion to drive our people back to their God? There is some Scriptural evidence that two-thirds of our population may die in such a war. Does that mean two-thirds of the Israel people in America? Not necessarily! By 1990 at the present yearly rate of immigration and births, the United States could be made up of two-thirds alien people. Will God use this war to rid His people of this alien burden? I don't know!

I do know this, God's promise of 2 Chronicles 7:14 is still in effect? Do you remember what it says: "If My people, which are called by My name, (ask yourself who of all the people on earth are called by the name of Christ?) will humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." There is the Formula for America's Survival. God promises that if we will do our part, He will defeat our enemies and "I will make My Holy Name known in the midst of my people Israel: and I will not let them pollute My Name anymore: and the heathen shall know that I am the Holy One of Israel."

What do we face in the near future? I wish with all my heart I could say a RAPTURE, which would take us out of harm's way. It is a sweet, lovely and a comforting message, but it is a fatal message spawned in the pits of hell for your destruction.

In the Book of Revelation, as given to the Apostle John by Jesus Christ, we find pre-written history concerning the Church and the Israel people. It also foretold things which would take place in the Roman Empire, that it would crack in half within 200 years and fall within three centuries. It foretold that the Roman Empire would give way to a religious system which would hold temporary power over Europe for 1260 years, from about 606 A.D. to 1886 A.D. It was a system which would be built on self-power and religious pride. It would oppose the development of Europe and the New World of God's Covenant race, Israel, even though many of its members would be Israelites.

Then man stepped in with a wonderful plan which would "by-pass" the time of the GREAT TRIBULATION. This plan was called the RAPTURE OF THE SAINTS. It was first introduced to the Christian world in the 1500's by a Jesuit priest and later became popular in the middle 1800's under the teaching of a man named Darby and later by C. I. Schofield. Schofield translated the King James Bible with his own footnotes, and this has become the most popular Bible in fundamentalist circles. Schofield's footnotes have come to be accepted, almost like "holy writ."

But if we ask ourselves "Did Paul or any of the Apostles teach of a Rapture?" The answer would be a responding "No!" Did Jesus teach of a Rapture?" Definitely "No!" In Matthew 24 and Luke 21, He foretold the persecution of Christians by the Jews and no where did He speak of the Church being Raptured out of this world. In Matthew 24:22, Jesus says: "Except those days should be shortened, there would be no flesh saved; BUT FOR THE ELECT'S SAKE, those days shall be shortened." He was not speaking here about Jews, but about Christian believers.

The Rapturist preachers will attempt to say: "We have caught you now. This Scripture speaks about God's elect, who are the Jews." But nowhere in the Bible, Old or New Testament, are the Jews called God's elect. The word "elect," is a Greek word which means "selected." In Mark 23:20, "But for the elect's sake, those days shall be shortened." He qualifies this statement by saying that these elect are "one's He has chosen." In John 15:16, Jesus, speaking to Christians, not Jews said: "Ye have not chosen me, but I have chosen you, and ordained you . . ." No my friends, Jesus was not speaking to the Jews when He spoke about "God's elect," but to Christian Israelites.

Most preachers conveniently twist the Scriptures to make them say what they want them to say. But occasionally a gleam of sense is seen as when the great Bible scholar from Canada, Oswald J. Smith said: "After years of study and prayer, I am absolutely convinced that there will be no Rapture before the tribulation!" That was my experience! I did not come up with this truth from the church, but from the Bible!
As much as I personally dislike the "wishy-washy" director of the "700 Club," he at least had guts enough to warn his followers to prepare to go through the tribulation. While I don't agree with everything that the Dutch heroine Carrie Ten Boom preaches, she is on Scriptural grounds when she warns Christians to prepare for the tribulation. Although I have come to detest the hypocrisy of Billy Graham, I must concur with Ruth Graham, when she says: "It's better to believe that you may have to go through the tribulation and prepare for it, than to believe in the Rapture and then go through the tribulation." I can tell you this with certainty, from God's Word. The day is coming soon, when thousands of evangelical and fundamentalist preachers will have to face angry church members who will say: "But you told us we would be raptured!"

Probably one of the most important ingredients of Christian life in these trying days is faith in the Word of God as it stands; not as men want it to stand - but as it stands on its own. Faith is for "now," it is not some ingredient for the "sweet bye and bye." Faith is what blew the rams horns before the walls of Jericho. Faith was what kept old Noah working on his ark for 120 years in the face of ridicule and criticism. Present physical, as well as spiritual salvation, has come to those who are willing to believe Gothinoah and his family believed and they were saved from immediate drowning. Moses led the children of Israel through the Red Sea on faith. Joshua believed God's promises and was able to defeat "seven kings mightier than Israel." Gideon believed and fought a mighty army with a little band of three hundred men and some lamps inside a pitcher. The three Hebrew children believed and God took them through the fiery furnace, so that there was not even the smell of fire and smoke on their clothes.

Why is it that our Israel people will not believe? God told our forefathers: "Behold they (the enemy) shall surely gather together . . . whosoever shall gather together against thee shall fall for thy sake . . . . No weapon that is formed against thee shall prosper .

Did you hear that?

"No weapon that is formed against thee shall prosper!" Why are we afraid of nuclear war? Because we don't believe the promises of God! Why are Christians today, literally cringing at the thought of nuclear warfare? Why do our church leaders say: "It's better to be Red, than dead!" What has happened to the faith of our fathers?

I can tell you one thing. Most white Americans don't even know who their forefathers were. Yet many of them are Israelites to whom "pertaineth the adoption and the glory and the covenants, and the giving of the law, and the service of God," (Romans 9:4). You don't know who you are, because your religious leaders have been telling you for all these years, that an atheistic, God hating crew called Jews, are the Chosen People and you believed without ever checking up for yourself. Now you get angry when someone tries to show you the truth.

God has promised you - His Israel people - that if you will "set your love upon Him," "therefore will I deliver him: I will set him on high, Because he hath known My name. I shall be with him in trouble: I will deliver him and honor him. . ." Psalm 91:14, 15. Verse ten of that same Psalm says that if you will make the Almighty your refuge then "no evil shall come nigh thy dwelling." Do you believe that?

In Vs. 7 it says: "A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. Only with thine eyes shall thou behold the reward of the wicked." I know this promise is true, for it worked for me in Korea, over and over again.

In January of 1984, I held a meeting in Laporte, Colorado where I spoke regarding the dangers of Zionist-Communism. The religious community of Ft. Collins, the University of Colorado town, was terribly upset with my message and the local ministerial alliance erupted in anger because I told their people the truth. The Jewish Defense League in Denver, threatened to "blow me away" if I ever came back to that area. Well, I went back in October that same year, after announcing in the paper that I would be there. The enemy were as meek as little lambs and no trouble resulted. I went back without fear, because I knew that one day, I would see God's justice descend on His enemies.
and that He would keep me safe, as long as I was doing what He wanted me to do. An un-Christian attitude you say! No, a Scriptural one.

Did our Israel ancestors who came to these shores compromise their moral principles for political expediency? Of course not! They were successful in building this great country, as long as they followed God's laws and they did not yield an inch of ground to the enemies of their God. We must follow in their footsteps if we are to preserve our freedom.

Have White Christians reached that stage of moral and spiritual degeneracy that we cringe before our enemies, because it is politically expedient to do so? It was our God who promised that His Israel people would become: "My battleaxe and weapons of war: for with thee (Israel) will I break in pieces the nations, and with thee will I destroy kingdoms," (Isaiah 52:20). When was the last time you heard this message preached in your church? We don't like that kind of militant Christianity in 1985. We opt for a religion where we can love everyone, even the enemies of God and our people and usually end up compromising with them.

If any of you "peace-nik" "milk-sop" Christians happen to read this booklet, listen to this Scripture taken from 2 Chronicles 19:2 - "Shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord." So anyone who hates my Lord, becomes my enemy. This is no time for "sunshine patriots," in our ranks, for whether you want to believe it or not, Christianity is engaged in a battle to the death, against the very forces of hell itself. Now is the time, when Christian men and women, boys and girls, need to rise up in righteous indignation and "lift up their voices like a trumpet." We need to openly declare the sins of our people and tell them that the only remedy is through Jesus Christ, our Kinsman and Elder Brother.

We are told in Revelation 21, that God will finally set up the New Jerusalem and that only "overcomers" will inherit that place (Vs. 7). There is no way you can overcome, when you sit in a comfortable, air-conditioned spiritual foxhole and fold your holy hands, while praying that Jesus will come back and rescue you. When Jesus said: "Occupy until I come!" He was using a military term. "Occupation" is a front line military activity which cannot be carried out from the confines of a safe foxhole. The English word "overcomers," as used in Rev. 21, comes from the Greek word "nik-aho," which means: "to conquer; to prevail" to "get the victory over." It is a soldiers phrase and there is no place in an occupation force for the spiritual coward.

Godless Zionist-Communism is getting ready for its final assault against the Christian world. It has been preparing for this moment for more than 2500 years and the Word of God has predicted it all along. The enemy believe they have a secret plan for this attack which will bring the whole world under their Satanic control, but our God knows their innermost secrets and if His Israel people will listen and follow, they will be saved.

One of our biggest problems, is that the Israel watchmen in 1985 have become the "sleeping dogs" of Isaiah 56:10, 11. They refuse to bark. Why? Because of fear and greed. The Bible says: "they do everything for their own gain." They don't want to lose their retirement pay. They don't want to lose their time on television; they don't want the adverse publicity they will receive if they confront the enemy. So they have kept quiet, and our nation has "gone to hell."

Peace has never come when God's people cooperated with Satan, no matter what guise he may wear. You cannot cooperate with a malignant growth and have a healthy body, it must be removed! The same thing is true of Christianity. No true Christian can cooperate with evil, no matter how nice a label you put on it.

The same evil force which originated Communism and which has furnished most of the Satanic leadership behind the Iron and Bamboo Curtains - which has murdered more than 140-million people in the past 65 years, is now ready for its final drive against God and His church.

Many years ago, one of their spokesmen, a man named Gus Hall (real name Hallberg), who has been perennial head of the American Communist Party for many years, predicted: "I will live to see
the day when 60-million hopelessly diseased Christian animals are hauled away to the liquidation centers by the commissars. I will see the day when the last Congressman is strangled with the guts of the last preacher. The Christians must love blood, since they sing about it in their churches, so we will give them all the blood they can stand, as we cut the throats of their children and drag their bodies over the altars of their churches. May the parents drown in the blood of their own children." This was not some alien speaking. It was an American Jew, gloating over what he hoped would happen to you and as he spewed out his hatred of America.

How Christians can cooperate with such as this is beyond my comprehension. The Word of God clearly teaches us in Ephesians 5:11 - "Have no fellowship with the unfruitful works of darkness; but rather reprove (expose) them." But our American Christians, have been for the most part like our ancestors who said to Isaiah (30:10) "Prophesy not unto us right things, speak unto us smooth things; prophecy deceits." So today, that is exactly what the majority of our preachers are doing. Jeremiah said (5:31) - "The prophets (preachers) prophesy falsely, and the priests (political rulers) bear rule by their means; and MY PEOPLE LOVE TO HAVE IT SO; and what will you do in the end thereof?" (Emphasis added.)

There is no way America can have a decent government, when the Christian people become corrupt. It doesn't matter what kind of a label we stick on ourselves We are told there are 45-million "born again" Christians in America today. If this is true, where is there influence? If they are being the "salt of the earth," then why is America going to hell in a hand-basker?

Our problem in America is not the inroads of Communism or the strengthening grip of anti-Christ Zionism; it is not in the alien hordes which have invaded our land. It lies in the lap of our White, Anglo-Saxon Christian Israel people, who have refused to be wakened out of their sleep. Many refuse to do this, because they know if they wake up, they will be forced to accept some responsibility. They would rather "do their own thing," while they sing about how much they love the Lord. Their preachers tell them to "forget the law of God," that was done away at Calvary. So we have forgotten God's law and have sinned against Him. Then we wonder why He has withdrawn His blessing from us. In 1 John 3:4, we read: "Whosoever committeth sin, transgresseth also the law: for SIN IS THE TRANSGRESSION OF THE LAW." (Emphasis added.)

A terrible war is descending on Christendom and a period of suffering such as this old world has never seen. Will you heed the warning? Will you find yourself and family under the protection promised in Psalm 91 when that time comes?

Possibly this is the first time you have heard this warning. You may not want to believe it, you may find it difficult to accept. That is between you and the Lord. I have done my duty to the best of my ability. I have blown the warning trumpet! Now it is up to you. Will you allow the Holy Spirit to further open your eyes to the truth, or will you continue to say: "I will not see!"

Are you willing to put yourself under the sovereign protection of our God right at this moment. If you have never accepted Him as the Lord of your life. Even if you are a professing Christian who have accepted Him as Savior, but not as the Lord of your life, you can do it right now, if the Holy Spirit leads you. Why not bow at His throne, wherever you are. Ask His forgiveness and when you receive that, as He promised, then will you pledge to Him your allegiance and love?

**THIS IS THE VICTORY, WHICH WILL OVERCOME THE WORLD!**
Red Dawn
(Could It Happen Here?)

By
Lt. Col. Jack Mohr

Whosever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his on head." (Ezekiel 33:3)

Some of you no doubt who read this material have seen the movie RED DAWN, which was produced in 1984. How it ever got past the Jewish censors I'll never understand, since it is about a Soviet airborne invasion of this country and centers on a little Western town, where the only persons who respond to the attack are a group of High School students. These take to the hills and set up a resistance camp. If you haven't seen it you should, it is now available on VHF cassette.

The scenario for this movie is almost exactly like the one I have been writing about for the past five years, ever since our Intelligence Network discovered Soviet troops in Mexico. At the last CHRISTIAN PATRIOT'S DEFENSE LEAGUE SUMMER FESTIVAL, in the spring of 1984, I was part of a panel discussion, led by Col. Robert Arnold, who had guerilla experience against the Japanese during World War II in the Philippines, and Earl Jones, a retired missile expert from White Sands Proving Ground. We discussed a situation very similar to that shown in the movie. In fact it was so close that I received numerous telephone calls asking whether we had drawn up the plot for the film.

For over five years I have been giving out Intelligence information regarding a possible Communist takeover of Mexico and the dangers it would pose for the United States. My efforts have been met with everything from incredulity to scorn. When I first printed eye-witness reports of Soviet armor near the Border with Mexico, south of Laredo, Texas, I was challenged over and over again: "Give us your source of information." Of course this was impossible, since information sources dry up when their source is exposed. I have been asked for documentation on these charges from everyone from critics to members of the American Legion who say:

"Show us your documentation!" Some even sneeringly said: "Mohr's just making this up to strengthen his position." But not so! THE PROOF IS NOW AVAILABLE!

This pamphlet was written to emphasize some of the points I have tried to make over the years, plus a few new ones. Much of this information comes from a copyrighted Intelligence Report written by Russel Gregory Thatcher. He has been making documented analytical reports on this critical situation since the spring of 1976 and has submitted many of them to the U.S. Military and government.

Since it is impossible for me to show you the documents in this leaflet, I suggest you write to him for full particulars, complete with photos and documentation. Send to A.C.C. Services, P.O. Box 529, Navasota, TX 77868. Ask for INTELLIGENCE REPORT on secret Soviet/Mexican preparations for a Red Dawn attack on the United States.

So let's go back to the spring of 1976 and see what has happened south of the Border.

In the May 31, 1976 issue of THE HOUSTON POST, the following article appeared, written by Black liberal columnist Carl T. Rowan, titled RIGHTISTS BREATHE FIRE! It was art attack against Rep. Lawrence McDonald, D-Ga. and a number of other Congressmen (29), including John Ashbrook, R-OH, Trent Lott, R-MS and Philip Crane, R-IL, who were concerned with what was taking place in our backyard.

McDonald was quoted as saying: "the outgoing president of Mexico (Echeverria) has taken long strides towards the imposition of a Communist regime in Mexico. He has set his sights on
delivering his own people to the misery of communist collectivism and strife."

McDonald then went on to state that Echeverria's "hand-picked" successor, Jose Lopez Portillo was no better.

Since McDonald was a "big shot" with the John Birch Society, the liberal press immediately began to scream "right wing radicalism;" yet 28 other Congressmen stuck with him in presenting a letter of warning to President Gerald Ford.

Senator Mike Mansfield, D-Mont., said that McDonald's statement was ridiculous, that Mexico would never go Communist and that these Congressmen would only ruin our relationship with Mexico. (Even the politician, he was more interested in our relations with Mexico than the safety of the American people.) McDonald countered by pointing out that Mansfield's track record in Vietnam had been disastrous.

Rep. Steven Symms, R-IO said that Mexico's drift towards Communism was part of the Soviet plan for "takeover of the waterways and other strategic points on the soft underbelly of the United States."

What happened to the "fire breathing" Congressman from Georgia? You know as well as I. He died in a plane crash, when Korean K.A.L flight 007 was shot down near the Kurile Islands by Soviet fighter planes. Isn't it strange that just after McDonald had made his statement regarding Mexico/Soviet plans and after he had stated that he meant to expose some traitors in Congress, he died such a strange death. There are many of us, including his wife Kathy, who believe he was deliberately murdered, along with many other innocent people, just to shut him up. Interestingly enough, another of these Congressmen, John Ashbrook of Ohio died a mysterious death.

But were there other high government officials who foresaw the danger from Mexico? Row about the liberal Democrat Senator Henry "Scoop" Jackson of Washington? He died mysteriously too, the day after KAL 007 crashed. He had warned Congress about the danger of a "Castro-like" revolution in Mexico. The U.S. State Department refused to comment on his remarks. Jackson went on to say that the North and South American arm of the Soviet KGB was quartered in Mexico City. He then said that he could confirm a major Communist buildup in Central America. Is this why he died?

Now in spite of what the media may say to the contrary; in spite of any denials from the Pentagon, or the State Department, there has been a major Communist military buildup going in Mexico for at least nine years.

Intelligence reports indicate that Russia may be preparing a massive military move against the United States in the near future. (Many sources predict that it will come in 1986). The Bible says this attack will come against the United States and Canada, not against the Israeli in "little old Palestine," as our pastors love to say. (For further information write for my sermon on Ezekiel 38-39, RED CLOUD OVER AMERICA!)

If this attack is to be successful, it must be preceded by a massive pre-positioning of Soviet military machines and equipment in strategic locations near the American border with Mexico; then at the proper time, they can fly in the men to operate them.

First look for some diversionary tactics, probably in the Middle East, or in the Persian Gulf. I believe indications point to an effort to lure America's military might, including the National Guard, into a conflict on foreign territory. This would leave this country vulnerable from an attack from within and from an invasion from the north and south.

If the Russians are successful in their takeover of South Africa and our State Department and "brainwashed" Church people seem to be doing everything possible to help them succeed - it would be a small matter for the Soviets to cross the Atlantic to Guyana, the Caribbean Islands and Columbia, then move north to Cuba and Mexico for their final assault on the United States.

Some skeptics may say this would never happen because we would retaliate with a nuclear strike.
This I sincerely doubt. Do you believe that a Congress which cannot even make up its mind regarding Communist danger in Central America would give the ok for a nuclear war? Don't be silly. They are more apt to be arguing about the danger from the south, when communist troops goose-step into Los Angeles.

Contrary to what most brainwashed Americans believe, a general nuclear war would not result in total annihilation. We know from Bible prophesy, that in spite of all the troubles this old world will go through, it will be a populated world that will greet our Savior's return.

Russia has been preparing for a nuclear attack since 1962, while the U.S. has done absolutely nothing. Many experts feel that in a general nuclear war, Russia might suffer 6% casualties, while the United States could expect 60%. Folks, that's about 147-million people. As soft as we have become, I don't believe our people would accept this kind of destruction without caving in.

But just how serious is this chance of a Soviet attack from the south, or is it really the ravings of a "touched mind?" Are there any indications that such an attack may be in the plans? There is an old cliché which says: "The proof of the pudding is in the eating." In a like manner we could say: "If they have prepared for it, they plan it!"

If you do not believe this could happen, then explain if you can, why in 1976, a convoy of Russian ships loaded with tanks, armored personnel carriers, fighter planes and special technicians, entered Mexico from the southern tip of Baja California.

At this time, armed peasant uprisings had paralyzed farm activity and was used as a "smoke screen" for the movement of large amounts of military equipment.

While the peasants were taking over 106,000 acres in the valleys north of Culican, Sinaloa Province, this military equipment was unloaded and delivered to flatbed railway cars of the Chihuahua-Pacific Railway Company for dispersion along the Texas border opposite El Paso, Presidio, Del Rio, Eagle Pass and Laredo.

Trains from the Pacific Railroad were loaded and moved north to major dispersal points in the Nogales (Arizona) area and Tijuana and Mexicali, with San Diego as a major target.

Shortly before this, the Mexican Government had announced that its Army Engineers were to construct 1100 earth-packed airplane runways in the northern states of Sonora, Chihuahua and Coahuila. These strips can be easily disguised so that they cannot be spotted from a satellite. The World Bank, (which means you the American taxpayer) approved a loan of 25-million for this project. Could this be what Lenin meant when 45 years earlier he said: "The Capitalists will sell us the rope with which we will hang them."

About this same time, in June 1976, the Gulf of Baja California was closed to outsiders - or at least most outsiders - this did not include Russians and North Koreans. There is little doubt that this was done without the approval of Pres. Echeverria.

By the fall of this year, as some of you old Mexican travelers might remember, word was passed that Americans could not bring their CB radios into Mexico. At this same time, according to reports in America newspapers, the Soviets were given mosaic maps of the Rio Grande River area, courtesy of the International Boundary and Water Commission. These maps show complete details concerning the lay of the land and of course all river crossing sites. At the same time, a new seven lane concrete bridge was completed at Laredo, Texas, one of the major crossing points, capable of holding a Russian 60-ton heavy tank. (Of course we all know this wasn't why it was built?)

Then an interesting thing happened in November. Word got out about a new form of "germ warfare" -which created a crisis in the area near Laredo, by instilling a fear of rabid dogs. By late November, armed peasants has seized huge acreages in Sonora and Sinaloa, along with rich farming along the Pacific coastal Highway 15. These areas were alt close to the mouth of the Bay of Baja California. By the end of November, a fishing pact had been signed between Mexico and the Soviets, allowing the Russians to fish in Mexican waters, while American fishermen had to stay at least 200 miles
offshore.

Some of the northern bound trains, carrying military equipment had to pass near the city of Torreon in Coahuila, so the Mexican police created a distraction by driving 4,000 squatters off land near the railroad.

By this time word was received that the Mexican Railroad system, consisting of five major railroads had been merged. By the end of the year, Soviets tanks had been massed just south of Laredo, Texas. Our informants took pictures of them near Ciudad Victoria, just south of Brownsville. Still nothing in the American media concerning this alarming event.

In January 1977, the HOUSTON CHRONICLE ran a small news item in Sec. 1, page 11, stating that Mexican authorities has joined in a “bi-national” campaign against an outbreak of rabies and that the Mexican military were in the process of rounding up 20,000 dogs.

By this time, the ban on CB radios had been lifted, since the military equipment was already in place.

Then 1100 men were sent into the border area to search for drugs, the Mexican government said. Interestingly enough, one man for each of the 1100 runways which had been constructed. Make what you will of this!

From photos in the Intelligence Report, it is known that the Soviets moved in heavy equipment moving transports, capable of handling the Soviet heavy tanks. It can also carry up to 65 metric tons of supplies and ammunition. It was about this time that Mexican authorities announced the discovery of a huge oil field, which experts said was seven times larger than Prudhom Bay, Alaska - 100 billion barrels of oil, they said. This was to make Mexico financially healthy. These finds were in the same area where there were known caches of Soviet heavy weapons.

It is interesting to note that the Mexican oil boom was centered around Villa Hermosa, where the States of Tabasco and Chiapac meet. It is at the lower curve of the Gulf of Mexico. This has been Mexico's major oil producing area since the beginning of the Twentieth Century. But they never got more than 60,000 barrels per day from this area. Now suddenly, they were producing 1,075 million barrels per day, plus 1.5 billion cubic feet of gas.

But what happened? Mexico never got on their feet economically. Instead the economic situation became worse and worse, until today they are close to national bankruptcy. Could this have been through mismanagement, or was it planned that way for specific political purposes?

If you take a close look at a map of the Gulf Coast area, you will see how a major highway leads from this area to the four major oil finds along the United State border, which just happen to coincide with the four major arms caches (?) From these four points, U.S. highways branch out into the interior of the United States. Wouldn't that be convenient for an invasion force?

You may remember how in one intelligence report I mentioned how an informer in the Del Rio, Texas area made his living taking out hunting parties during the deer season. In the fall of 1984, what he called the "good Mexicans" had moved at least 200 miles north from the border and he was forced to go into Old Mexico to get camp help. Since he is part Indian and speaks fluent Spanish, plus six Indian dialects, they think of him as one of them.

Each night, he said, after the gringo hunters had gone to sleep, the Mexican help would gather around the campfire to drink and talk. The major subject was the large number of foreigners - not Americans - who had appeared just south of the border. They were contacting young Mexicans, offering large sums of money ($1,000 U.S.) for them to cross the border and join with underground forces along the Mississippi River from New Orleans to St. Louis and then Chicago. Their mission would be to blow the bridges across the Mississippi with supplies which would be furnished by the underground and then spread out along the river raising hell wherever possible.

Now consider this for a moment if you will. Have you ever wondered what would happen if truck
and rail traffic from the west to the east were halted? Most of the food products bound for the east coast come through Omaha, Nebraska, then cross the Mississippi via bridges at Cairo, Illinois and St. Louis, Missouri. If this traffic was halted, within two weeks we would see food riots in the eastern cities, as the super market shelves would be bare. What better way to begin the conflict, than with internal trouble?

A Russian tank division consists of 9,815 officers and enlisted men, equipped with T-64/72 tanks. This division is divided into three tank regiments, with supporting regiments and battalions. Could it be possible, that the thousands of men who are supposed to be working the Mexican oil fields, could instead be Soviet soldiers waiting for their equipment to be delivered?

What most Americans fail to realize and what our politicians and the media never tell us, is that the world fuel crisis has been an enormous deception from the very beginning. There has never been an oil shortage. This deception was not only for the purpose of forcing you to spend more for the gasoline and diesel you use, it was even more important as a means of deception by the Internationalists to cover up military moves. The big oil discovery in Mexico was a major deception used to cover Soviet activity south of the border.

Now it might be well here to raise the question of where the Soviets will be able to store the vast amount of equipment needed for an invasion and keep the American people in the dark about it. Located throughout Mexico are huge salt mines, the most massive in the world. These could very easily be used for the storage of huge amounts of military equipment. Let's look at a much smaller one in the United States located near Retsof, New York. It is 1068 feet underground and covers over 5,000 acres. Workers descending to the working level by elevator, must then take a 30 minute jeep ride to reach the working sites five miles away. The ceiling is a uniform 11 feet high, supported by rock pillars and the temperature remains a uniform 63 degrees summer and winter.

In Mexico, near Matamoros, there is a much larger dome. It is just south of the southern point of Texas. Little military activity has been sighted around this area. But fifty miles further south, near San Fernando, there is intense activity of a military nature. A 48" oil pipeline has been under construction for some time leading from the huge Cactus Petroleum plant and ending in San Fernando. Just to the east of San Fernando is the Laguna Madre Bay which enters into the Gulf of Mexico. One branch of this pipeline goes to this area. There is reason to believe that work supposedly being done on this pipeline, is nothing more than the digging of a ship channel for use in future unloading of amphibious ships. These would be able to drop off heavy Soviet armor which would be stored in the huge San Fernando salt dome for future use.

This channel would have to be about 16 feet deep to accommodate the Soviet Alligator class landing ships which carry 1500 tons of cargo. It is rather doubtful that the Soviets would take the chance of one of these ships running aground in the shallow Laguna Madre Bay and being seen by American fishermen who frequent this area. However, the Soviets have two other smaller landing craft which would be perfect for this job. One is the MP-4 landing ship with bow doors and ramps and with a draft of less than 9 feet. The other is the POLNOCNY class Medium Landing ship with a draft of about 7 feet. Both are capable of carrying Soviet heavy tanks.

In many of the so-called oil producing areas of Mexico, one can see what appears to be oil drilling derricks. They are not always drilling for oil. Some are being used to create huge underground salt caverns, similar to the Bryon Salt Dome near Freeport, Texas, where the U.S. is storing emergency gasoline supplies.

It is quite possible that the Soviet oil exploration crews who appeared in this area, ostensibly to help Mexican oil industry, were actually surveying these salt domes for storage of military equipment. We know the equipment is in Mexico. It must be stored somewhere.

Several months ago, about 200 Soviet tanks disappeared from an area about 50 miles south of the border. Our people in this area were concerned. Could they possibly have gone underground into temporary storage?
The plans for war against the United States have been in the diplomatic mill for many years. As far back as 1980, Pres. Echeverria was accusing the United States of plotting to seize parts of Mexico in order to exploit the region's oil and uranium deposits.

It is a known fact that the American military has made incursions into Mexico, probably for reconnaissance purposes. The same has been true of Soviet forces, who have been seen as far as 20 miles north of the border. Why has the media never covered this news?

Recently I received news from a trusted source, that a plan had been under discussion by Soviet/Mexican officials in which a great deal of economic pressure would be directed against the northern Mexican States, which would bring these already distressed people to the brink of rebellion. Then elements of the Mexican Government would discover a plot in which these States would attempt to secede from Mexico and join the United States. Far fetched as this may seem, it would be picked up by the Mexican press and the world liberal press who would begin a vast campaign against American imperialism. This would set the stage for the planned invasion of the U.S. Of course, the United States would be in the role of the "bad guy."

The Mexican military has been undergoing a modernization program for some time and recently, old Uncle Sucker have been providing them with some of our most sophisticated weapons - paid for no doubt, by a loan which will never be paid off. We also know that Mexico has used their petro-dollars to purchase modern equipment from France, West Germany and of course, our staunch allies, the Israeli.

We know there have been Soviet military advisors in Mexico for several years, with a large contingent arriving in July 1985. Now we have a report from a usually reliable source, which tells of a brigade of some 3500 Shiite Moslems (the suicide boys), who have just arrived after six months in the Afghanistan combat zone.

Reports have also confirmed large numbers of North Korean troops in the Baja California area and local residents say they are boasting that they will be in San Diego before the end of 1986. There are also reports of upwards of 40,000 Mongolian troops in the Yucatan area.

There have been several large peasant land invasions in Mexico over recent months in which large groups of armed peasants have taken over thousands of acres of land and have set up camps. They say to "keep alien peasants out."

In one invasion the principal cities in 11 Mexican States were virtually shut down, power was turned off and stores and factories closed. Tanks and armored personnel carriers, camouflaged to look like tractors lined the roads and were moved under cover of darkness. The following morning they were nowhere to be seen. Underground maybe?

At this time, Americans in the border towns of Nogales, Laredo, etc., knew there were thousands of soldiers in the area. On maneuvers, they were told.

Now that I have told you all this interesting stuff, it might be well to ask. What capabilities do the Soviets have for an invasion of the U.S.?

We know they have a huge invasion force of some 2-million men (our entire armed force is less than a million), complete with landing barges and equipment, in the coastal areas of Siberia. We know their initial strategy calls for an airborne strike against the Alaska pipeline and that they have at least five specially trained airborne battalions which have been ear-marked for this purpose. We also know that while our government has been playing "footsies" with the Chinese Reds, following the same fatal path we took with the Soviets in 1945, at least eight divisions of Chinese engineers have been supporting the Soviet force.

In recent years, the Soviet Union has enlarged its military force, building up a force which is capable of intervention in distant areas. In spite of all the protests which might be made by our military or our State Department, our leaders know that we, the people of the United States are their number one target. They have told us this over and over again.
Any Christian American who believes that the Soviet Union has built up this huge military force, spending many billions of dollars to do it, for an attack against the tiny Jewish nation in Palestine, needs to have their head examined. Yet this is what Christians are being told in their churches.

The ultra-Zionist Baptist evangelist Jack Van Impe, in his book **ISRAEL'S FINAL HOLOCAUST**, states in Chapter 12: "Russia will invade Israel at a time when war is not expected." Knowing the situation in the Middle East, this seems to be extremely unlikely, since Israeli actions have brought about a condition where peace is impossible.

Van Impe goes on to say on P. 134 - "The weight of prophetic scholarship has gone with the conclusion that Russia is the chief aggressor ... in their end time war with Israel." This part is true. The Bible does say that Russia will be the aggressor and that Israel will be their target. The problem comes in defining who Israel is. By no stretch of Scriptural definition, can the little nation of the Jews be called Israel, since they are "those who say they are Jews and are not..." (Revelation 2:9). The true Israel nations are the primarily white nations of Christendom, which any intelligent person will recognize as the target of the Zionist-Communist hordes. By no stretch of the most vivid imagination, does Ezekiel 38-39 describe the Israelis or the Jewish nation.

Russia, according to the Scriptural account of Ezekiel 38-39 will "GO UP to a land of unwalled villages, where the people dwell in peace, to take a spoil of cattle and goods..." This certainly does not describe the Jewish country in Palestine. Any fifth grader knows that if you 'go up" from Moscow, you don't land in Tel Aviv or Jerusalem. You continue over the North Pole into the heartlands of North America. The Soviets wouldn't get much of a spoil of cattle from the Israeli, since their cattle herds are less than in most counties in the United States. Certainly the people of Palestine do not dwell in peace in cities having neither bars or gates. Most of the Israeli cities are armed camps. Of course Van Impe and others of his ilk say that at this time, the Jews will have a peace treaty with their enemies. Seems very unlikely!

What these false preachers are doing is to take Scripture and twist it around to fit their own idea of "end times." They say that this attack has to come against the Jews before Christ can return. Show me anything that suggests this in Luke 21 or Matthew 24, the chapters which give Christ's own account of these end times. It clearly says there, and Jesus is talking to Christians now, not to Jews: "They (who is He speaking about, the Jews) shall deliver you up to be afflicted, and shall kill you; and ye shall be hated of all nations for my names sake." This certainly isn't true of the Judeo-Christians, the synthetic Christians. They are loved by everybody. It is the Identity Christians, the people who know they are Israeliites, who are "hated of all men for Christ's name sake." (Matthew 24:9). In Luke 21:12 Jesus further clarifies who the persecutors will be when He states: "...they shall lay hands on you, and persecute you, delivering YOU UP TO THE SYNAGOGUES..." (Ask yourself which people worship in synagogues, there is only one.)

So we can be sure the Russian attack will be against the NATO countries and especially Canada and the United States.

But let's look a bit further at the Soviet's capabilities for such an attack. For some time now, we know they have had at least seven airborne divisions of some 7500 men each. These units are strong in anti-armor and antiaircraft capability and have a tremendous amount of firepower.

In addition they have their regular motorized rifle regiments known as MRB's. These units are transported to the battlefield via fixed wing aircraft. At present the Soviet Union has 110 of these units, plus 50 tank divisions.

They have several aircraft which can move these men and their equipment. The AN-12, a medium transport plant powered with four turbo-prop engines which can carry up to 20 tons of cargo or 80 armed paratroopers. It has a range of about 2160 nautical miles.

Their largest plane, the AN-22 has a payload of 80 tons, a cruising range of 2,650 nautical miles at a speed of 600 kpm. Their newest jet plane is the 11-76/CANDID, which can carry 120 paratroopers,
a payload of 70 tons, with a range of 3,000 nautical miles and a cruising speed of just under 500 mph. The Soviets have about 1700 of these craft.

Thatcher closes his Intelligence Report with these very important words: "War is coming to this country (it's past due!) and you should personally prepare for you and your loved one's survival!

"Noah built a survival barge and stored it with food for a flood he knew was coming. And what about Joseph? He hoarded the excess food from the good years, preparing for the lean ones. He didn't sell Egypt's corn to the Communists. Noah's personal effort and that of his family saved them... Joseph's effort was done on a national level with the kings approval and the nation was preserved. IT IS CHRISTIAN TO PREPARE! These examples are in the Bible and we are told they are for our "admonition and edification." IT IS INTELLIGENT TO PREPARE! You are without excuse if you refuse!

"Some Christians will say you 'lack faith' when you make such a preparation and that 'God will take care of you.' Yet these same people look for a job to provide for their family. They do not say 'God will provide their food and clothing!'

"Most of you put locks on your doors to keep evil men out. You purchase fire and life insurance policies and keep a first-aid kit handy in case of an accident. Does this mean you have lost faith in God? Don't be ridiculous!

"The Apostle Paul, writing to Timothy said: 'If any provide not for his own and especially for those of his own house (his kindred), he hath denied the faith, and is worse than an infidel.'

"God has revealed to us through His Word, that difficult days lie ahead. Should we ignore this warning that He has given in His mercy?"

GOOD SOUND ADVICE. MY CHRISTIAN FRIENDS!

But maybe your pastor has told you that you don't have to worry about these times because Jesus will come back and "rapture" you out of this mess before it gets that bad. Friend, you have been taken in by a false teaching which comes from the pits of hell and which makes cowards out of potential 'soldiers of the cross.'

Jesus told His disciples about the time in which we are now living. He said it would get so bad that men's hearts would fail them for fear of the things which were happening, (Luke 21:26). He told about Christians suffering persecution words of hope in vs. 28, when He says: "When these things (wars, famines, pestilences, earth-quakes, persecutions, etc.), begin to come pass, then look up, and lift up your heads; for your redemption draweth night." Nothing about a RAPTURE- Our BLESSED HOPE is in His soon return!

In the meantime there are things for you to do. Jesus gave us a direct command: "Occupy until I come!" You don't occupy when you hide in a comfortable, air-conditioned spiritual foxhole praying for Him to rapture you of the mess you are partially responsible for. Occupation is an active, front line, military duty! It's means "contending for the faith," (Jude 3). It means having "guts" enough to put your life on the line if necessary in this fight against evil, (Hebrews 12:4).

That's the main reason the Christian Patriot's Defense League was formed. We have seen the danger from the south develop over the years. We see the ever present danger of a collapse within this country; we see an enemy invasion very probable. We know that at this time there will be terrible confusion, which the enemy will use to further their aims. We want to be prepared to protect our people to the best of our ability. If you are interested in further information, write C.P.D.L., P.O. Box 565, Flora, IL 62839.

NOW IS THE TIME TO PREPARE!

First, make sure you are in the proper relationship with God through Jesus Christ. There is no other way! Then prepare for the safety of those you love. Always remembering that "without Christ we
can do nothing!" With His help we win for "THIS IS THE VICTORY THAT OVERCOME THE WORLD, EVEN OUR FAITH," (I John 5:4).

The End
"When these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh." - Luke 21:7 - 28.

Whenever a preacher begins to talk about Christ's Second Coming, skeptics have a tendency to nod their heads and say in the words of 2 Peter 3:4 - "Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation." In plain English: "Things haven't changed; don't be so old fashioned and say He's coming back."

A recent survey made among leading seminarians in the United States indicates that the majority of the young men now preparing for the ministry, do not believe in Christ's Second Coming. Yet a look at many men who preach the Second Coming; who vehemently say they believe in it, proves beyond a shadow of a doubt that they don't. Their lives prove this!

So let's face this problem squarely and as intelligent persons ask ourselves this question: "Do we have any evidence which can lead us to an intelligent answer of this question of Christ's return?" Do we as Christians have the right to say that the world is now facing the "final conflict of the ages?"

Do men and women need to be warned of a coming catastrophe, or are we, as one television moderator called me, merely "pornographers of paranoia (fear)?"

In Ezekiel 33:2-4, we have a clear message to preachers. They are to be "watchmen on the walls," warning of impending danger. "When I bring the sword upon a land, if the people of the land take a man of their coasts, and set him as their watchman: If he seeth the sword come upon the land, he blow the trumpet and warn the people. Then whosoever heareth the sound of the trumpet and taketh not warning; if the sword come and take him away (this literally means "destroy") his blood shall be upon his own head." Then in verse 6 we see that if the watchman "falls down" on his job; if he "goes to sleep at his post"; if he gets careless and fails to warn of the enemies' approach and the inhabitants are destroyed then "his blood will [(God) require at the watchman's hand."

That's the "main reason why I preach hard and refuse to compromise my message, in order to "tickle your ears" and make you feel good. My job as a messenger from God, is not to entertain you, or win a popularity contest, but to tell you the truth. Many times this is unpleasant, for most of us do not like to listen to the truth.

My job is not to convince you that what I say is right. That's the job of the Holy Spirit. I will be accountable for what I present and you will be accountable for what you do with the truth you hear.

It is much more pleasant to speak about the great love of God for wayward mankind and the wonders of heaven, than it is to warn sinful mankind. Somehow, I've never been able to understand why God has given me the task of being a watchman on the walls of Israel-America. I've asked Him in tears, to let me preach a nice, sweet message of consolation for my people, but I have been given this message of warning. This message is my way of "blowing the trumpet." I am saying: "Be prepared, the King will soon be back!"

To have any understanding of prophecy, three factors must be taken into consideration. These are TIME, PLACE and EVENT. This time of occurrence is important and also the place where it happens. If any of these three factors is missing, then that particular prophecy will not be accurate.

As we read through the prophetic Scriptures, we will notice that many of the things which relate to today, have already occurred in history. It is wrong to say that all prophecy is in the future. The reason why predicted events do not always follow immediately in time, is that they have not yet come into the proper "junction." This word "junction," comes from the Latin word "junctio," which
means: "a place, or point of meeting." When two trains are moving on the same track towards each other, the "point of impact," is the "junction" of the two moving objects.

The question we face then is: "What then will make it possible to state with assurance, that the predicted signs have occurred and the events of which they are a signal will follow?"

Jesus one time made a clear statement in which He indicated that the signs must occur at some set time or season, in order to be a signal, or warning of coming changes. In Matthew 15:3, He speaks to the religious and political leaders of Jewry and says: "Oh ye hypocrites, ye can discern the face of the sky, but ye cannot discern the sign of the times." What He said was in effect the old saw: "Sun red at night, sailors delight: sun red in the morning, sailors take warning."

So our Lord said that certain TIMES were important as SIGNS. If you point to happening events, without taking into consideration the TIME when they occur, you will be wrong every time.

Jesus was discussing certain signs of foul and fair weather, which appear at SET TIMES OF THE DAY. If these same signs were to appear during the middle of the day, at other than the SET TIME, they would have no meaning. Many prophetic preachers are eager to claim events as warnings, when they are not occurring at the SET TIME.

There are many physical events, such as earthquakes, storms, floods, famines, war and pestilence, which are called SIGNS in the Scripture. But the scoffer comes along and says: "So what; these things have been happening since the beginning of time," and this is very true.

But because of unbelief, these so-called intellectual scoffers, fail to recognize that the day of their historical fulfillment has not yet come. The SIGNS have not yet appeared! But rest assured, my skeptical friend, the day will come soon, when the infidel, the agnostic, the atheist and the modernist, all those who belittle God's Word—and this takes in the Fundamentalist who twists it out of shape to fit his own ideas—the day will come when their scholarship will be discredited in the eyes of all men and they will be made to look as fools.

This will include those, who through the "hardness of their hearts," have believed Satan's message, that (God's greatest enemies,) the Jews, are His Chosen People. Our Lord tells us in Revelation 2:9; 3:9 that they "are of the synagogue of Satan." This ought to be enough to tell you who they are—if you believe God's inspired Word.

What we need to decide is: "Are we living today in the period which fulfills the element of TIME?" We know the Scriptures say that the first Advent of our Lord came "in the fulness of time," (Galatians 4:4). This is in full accordance with the prophecy of Daniel 9:24-26, made in 538 B.C. The PLACE of Christ's birth was specified as Bethlehem, according to Micah 5:2, written about 710 B.C.

The temple was to be in operation at this time, according to Malachi 3:1, written about 397 B.C. So we see a focal point in the junction of TIME, PLACE AND EVENT. History proves, beyond the shadow of reasonable doubt, that Jesus Christ came at the TIME and PLACE prophecy had predicted.

Now the question we must ask ourselves is: "Did our Lord give any clues as the TIME, when EVENTS would cease to be ordinary physical happenings and become SIGNS of His return?" I believe He did!

In Matthew 24:34, Christ told His disciples: "This generation (the one which sees the SIGNS take place) shall not pass, until all these things be fulfilled." In verse 29, He states that His return will come "after the tribulation of those days." Nothing is said here about Him returning to rescue a bunch of "milquetoast followers," from their "spiritual foxholes" through a Rapture.

Verse 29 indicates that the Lord will return "Immediately after the tribulation of those days." Verse 30 states: "and then (after the tribulation) shall appear the SIGN of the Son of man in the heavens." Verse 33: "Likewise, when ye shall see all these things (SIGNS), know that it (the Second Coming)
is near, even at the doors."

For the life of me, I can't find a Rapture of the church anywhere in this message. Maybe you are one of those "brainwashed Christians" who will say: "But Jesus was speaking to the Jews. They will be left behind during the tribulation; that will be the time of Jacob's trouble."

But that's not what the Word says. In verse 3, we read that Christ spoke to His disciples. It says: "And as He sat upon the mount of Olives, the disciples came unto Him privately, saying, Tell us, when shall these things be?..." This clearly indicates that the things Christ was speaking and warning His disciples about, would occur to them. There was only one Jew present, he was the traitor, Judas Iscariot, the others were of the tribe of Benjamin. They were Christians, although they were not yet called by that name. All the predictions of Matthew 24 were made to Christians, about Christians. I know that is not what many of you have been taught, but that's what the Scriptures say... read them!

When Jesus said in verse 9 - "They shall deliver you up to be afflicted and shall kill you..." who do you think the word THEY referred to? It was certainly not the Romans. In Luke 21:12, Christ identifies these enemies when He says: "Before these (the earthquakes, famines, pestilence and fearful signs of verse 11 take place), before these, THEY SHALL lay hands on you, and persecute you, DELIVERING YOU UP TO THE SYNAGOGUES..." There is your clue, "the SYNAGOGUES."

Do you mean to tell me, that as an intelligent person, you believe this means "Jewish persecution of the Jews?" Don't be silly! Of course it doesn't! It has reference to Jewish persecution of "true Israelite Christians;" the one's from whom the bogus Jews are trying to steal the "Jacob birthright."

In the Matthew 24 account, Christ tells us that the generation which sees the "fig tree" begin to bud and put forth leaves, will be the ones who see His return.

Look through Scripture and you will see the "fig tree" has always been representative of Jewry, not Israel. Israel is the "olive tree." In Christ's parable of the Fig Tree, in Matthew 21:19, we see Him use it as an emblem of the Jewish nation. Our Lord said of the "unfruitful fig tree," "Let no fruit grow on thee, henceforth forever." In Matthew 21:43, speaking to the Jewish leaders, Christ said: "Therefore I say unto you, the kingdom of God shall be taken from you, and given to a NATION (notice closely, it says a "Nation," not the Church, or a group of spiritual people, but to a NATION) bringing forth the fruits thereof."

What was He referring to? The preceding verses explain this. Here He tells about the nobleman (God) who sent His Son (Jesus Christ), to the husbandmen (Jews) to receive what was the King's due. But they killed Him!

Now I realize there has been a strange movement underway among Christian groups, to exonerate the Jews from the murder of God's Son. But the Scriptural account leaves no doubt. Matthew 27:25, says that when Pontius Pilate attempted to set Jesus free, the Jews (not their leaders but ALL the people) insisted "His blood be on us, and on our children."

Listen to the Apostle Peter as he thunders at the Jews on the Day of Pentecost, Acts 2:23 - "...ye (Jews) have taken, and by wicked hand have crucified and slain." Verse 36 - "...God hath made the same Jesus, WHOM YE HAVE CRUCIFIED, both Lord and Christ." Look at 3:14-"But ye (Jews) denied the Holy One and the just, and desired a murderer be granted unto you: and killed the Prince of life, whom God hath raised from the dead..." Acts 4:10 - "Be it known unto you all (Jews), and to all the people of Israel, that hy the name of Jesus Christ of Nazareth, WHOM YE HAVE CRUCIFIED..." There is no question who hated and killed the Lord. No wonder modern Jewish rabbis want this account excised from the New Testament.

The Jews still hate Him. Why? Because they are not "true Israel." They are phonies. Could this have been what Jesus meant when He told their leaders in John 8:44-"Ye are of your father the devil?" or in John 10:26, when He told them: "But ye believe Me not, because YE ARE NOT MY SHEEP..."
How much plainer can it be worded?

Yet in spite of all this, Evangelist Billy Graham, in a November 2, 1968 issue of The Phoenix Gazette, answers a questioner in MY ANSWERS by saying. Another reason (for Christian prejudice against the Jews) may be the MISTAKEN impression that it was the Jews who crucified Jesus. This is not true. The Romans actually killed Him." But that isn't what the Book says, is it? Now who are you going to believe?

If you will carefully read the crucifixion account of John 19: 14-16, you will notice that when the Chief Priests said: "We have no king but Caesar. Then delivered he (Pilate) Him (Jesus) unto THEM (the Chief Priests) to be crucified, and THEY (the Chief Priests) took Jesus and led Him away." In verse 18 we read further: "And He (Jesus) bearing His cross went forth into a place called the place of the skull, which is called in the Hebrew Golgotha. Where THEY (the same THEY of verse 16) crucified Him,..."

Notice in further collaboration how in verse 6, Pilate said to the Chief Priests: "Take ye Him (Jesus) and crucify Him, for I find no fault in Him."

In John 19:23, where the four soldiers present at the crucifixion cast lots for His robe, there is another indication that this was not a Roman execution, since an official Roman execution called for at least ten soldiers to be present. In Luke 23:25 it says: "He (Pilate) delivered Jesus to THEIR (the Chief Priests) will." Nowhere in the New Testament, which was written by men who had personal knowledge of the crucifixion, are the Romans ever accused of killing our Lord.

Where Billy Graham quotes Scripture out of context in a vain effort to prove there is no difference between Jews and others (Romans 3:22) - "...for there is no difference. For all have sinned." The Apostle Paul knew there was a difference when he wrote in 1 Thessalonians 2:14, 15 - "...ye also have suffered like things of your countrymen (Greeks), even as THEY (Israelite Christians) have of the Jews." Notice this very carefully: "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (Christians), and THEY PLEASE NOT GOD AND ARE CONTRARY TO ALL MEN." (Emphasis added.) That word "contrary" comes from the Greek word "enantios," which means "antagonistic."

You say: "What has all this to do with Christ's remyse?" It is extremely important for you to understand that the people who sat in the seats of religious power in Jerusalem in 30 A.D. were not Israelites, any more than those who today seek to control Palestine and eventually the world.

In Matthew 27:55, you will find a reference to those "which followed Jesus from Galilee..." Again in Mark 15:40, 41, and in Luke 23:27 and John 19:25, 26. These were all Israelites THEY WERE NOT JEWS! They were the only people in the world, that Jesus called His sheep (Matthew 9:6; 15:24)-"I am not sent but (only) to the lost sheep of the house of Israel." The word "lost" as used here is the Greek word "appolumi." It is made up of two root words, "Apo" and "ollumi," and means: "those who have been banished for punishment." In other words, He was speaking to the "dispersed sheep of the house of Israel."

Before He was crucified, Christ had identified His murderers to be non-Israelites. He said they were of Abraham's seed (John 8:37) but were not Abraham's children, (verse 39). In verse 33 of this same illuminating chapter, the Jews declare clearly that they are not Israelites, when their religious leaders arrogantly brag: "We be Abraham's seed, and were never in bondage to any man...." Any Sunday School scholar can tell you that true Israel was in bondage in Egypt and later in Assyria and Babylon. But these fellows said: "We have never been in bondage!" When the Jewish leaders declared in John 8:41, "...we have one Father, even God," Jesus threw this lie back in their teeth in verse 42 when He said: "If God were your Father ye would love me..."

Why is this so important in the unfolding of events which indicate the return of the Lord is at hand? It is because the phony Jews, who have infiltrated Christendom by the millions and who have infected all phases of our society, our government and even our Christian churches, insinuate that
they are the people of the Book, when in reality, they are our worst enemies.

Dr. Gordon Winrod, in his January 1982 "Winrod Letter" states correctly: "Their centuries-long goal has been to gain complete control of all nations of the world by a world government, headed by a dictator-leader, promoted and set up by them. Their scheming has been animated by 'the dragon, that old serpent, which is the Devil and Satan,' (Revelation 20:2); the 'prince of the power of the air, the spirit that now worketh in the children of disobedience, (Ephesians 2:2). Their final purpose is to destroy all of God's Christians and everything in the world which gives evidence of the existence of God. Their doctrine is Satanic 'Nihilism,' (a doctrine that denies any objective ground of truth and specially moral truths). (If you don't want to accept this, I challenge you to read their religious book the Talmud.)

"That their modus operandi (method of procedure) is Satanically inspired is proven by the clever means through which they rise into power, as well as by their ability to effect their program.

"By what name would they call themselves? ISRAEL AND JEWS! Why? Because they would pretend to be God's people.

"When they have risen into complete control of the world power, where would their headquarters be? JERUSALEM! Why? Because they would pretend to be God's people in God's city.

What national homeland would they claim? The LAND of the Old Testament nation of Israel! Why? Because they would pretend to be God's people returning to the land of God's Old Covenant physical Israel; and they would pretend to be physically fulfilling Old Testament prophecies!

"Why would armies from Russia come down from the North upon this land once known as Israel? In order to make the appearance and deceive gullible Christians into believing the prophecies of Ezekiel 38 and 39 were being fulfilled! This would deceitfully Iconfirm to Christendom that the so-called Jews of Israeli (the workers of the world system of antichrist, the members of the International Sect of the Pharisees) are, indeed, God's people, being attacked by the evil Communists out of the North!

"The Jews took Russia in 1917 and called it Communism; and the masses of the world still do not know that Communism is Jewish. The Jews took Palestine in 1948 and called it Israeli, so that the masses would think they, the Jews, God's Chosen People, were returning to Palestine. The crypto-Jew preachers are telling their Protestant captives that this is the fulfillment of the prophecies of Ezekiel 38 and 39, in that Russian armies will come down on Palestine. You might ask: "If the Jews are behind Communism, why are the Communist nations opposed to Israel?" It is all that simple! It is a fantastic show with the world the stage; and the nations are the marionettes, while the Jews pull the strings."

We could go on to say that this is for the attainment of the ultimate Jewish goal, which is a world Jewish dictatorship, and the destruction of White, Christian civilization. Only true Christianity, stands between them and their goal and unfortunately they have deluded the majority of Christians into believing they are what they are not.

In America the Jews have wormed their way into positions of power, using their immense wealth to control our government and many of our churches. They are at the head of the "peace," and "anti-war" groups and while crying "Peace, Peace!" are preparing for the destruction of the Christian world. Their most effective measure has been infiltration of the Christian church. In Luke 20:19, 20, we read: "And the Chief priests and the scribes, the same hour sought to lay hands on Him (Jesus); and they feared the people... And they watched Him, and sent forth spies, which SHOULD FEIGN THEMSELVES TO BE JUST MEN (in other words, infiltrators), that they might hold His words and deliver Him unto power and authority of the governor."

Today these same Jewish infiltrators are seeking to work from within "true Israel". They are crying for "justice, equality and brotherly love" while passing laws and regulations which are designed to deliver Christians into the hands of the anti-Christ government. What has this to do with Christ's
return? TIME, PLACE, EVENT! Read again Luke 21:12 and Matthew 24:9 and see how these days of persecution are already upon us.

Recently, a church in Nebraska was padlocked by the authorities, because their Christian school refused to register with the State. Over 100 Christian churches in California, have had their property confiscated by the State. Persecution in the media and from the "Jewish stooges" in our pulpits, have been used against those who dare to tell the truth about the aliens in our midst who are trying to control and eventually destroy us. Of course the Jews are going to scream to high heaven at any attempt to tell Christians the truth. They know their only chance for success, lies in keeping Christians in a state of "mental blindness."

Every thinking man and woman in America realizes we are witnessing a change which will have a profound effect on our economy; politics and the Christian religion.

The Bible tells us that one of the SIGNS of Christ's return will be great political and economic disturbances. It will be a day of evil propaganda, as the three unclean spirits of Revelation 16:13, go out into the world to prepare the world for the great day of God Almighty.

It will be a time, when according to Jesus in Luke 21:26, men's hearts will fail them through fear, caused by what is happening in the world. Those days are here NOW, my friends! Two of our major killers in this decade are "heart attacks and suicide," both often caused by fear! We see the strange phenomenon of the psychologists and psychiatrists, those who are supposed to tell us what is wrong, as they kill themselves off by suicide, four times faster than the rest of us "nuts." Why? Because they too are afraid!

We are living in a day, when in spite of all our problems and fears; in spite of all the warning of dire trouble ahead, men are living according to Paul's prophecy in 2 Timothy 3:2 - "For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce-breakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, high-minded, lovers of pleasure more than lovers of God, having a form of godliness (religion) but denying the power thereof..." If you can't see these SIGNS all around you, it's because you have deliberately closed your eyes to facts.

We are living in a day when false doctrines abound. These have deceived many good people. Probably one of the most dangerous, is the teaching that the Jews are God's Chosen People. This is a teaching which is prevalent in most of our churches, and elevates God's worst enemies to a glorified status. It seeks to sell our Israelite "birthright" for a "mess of stinking Jewish pottage."

It is a day when men everywhere call for "peace," as they prepare for war. All these are SIGNS, in the proper PLACE, and at the PROPER TIME. They herald the great event which will be our Lord's return.

My friends, the old order is about to pass and a new and better age is "just around the corner." It will be an age, according to Scripture "wherein dwelleth righteousness."

To those faithful few who are watching and "occupying" for our Lord, the message is: "When these things begin to come to pass (notice He did not say 'when they are completed, but when they begin to come to pass'), then look up, and lift up your heads; for your redemption draweth nigh."

What should this mean to you as an individual? It should mean getting yourself into a proper relationship with the King, so that according to John 1:12, you can be adopted into His heavenly family: "But as many as receive Him, to them gave He power to become the sons of God; even to them that believe on His name."

But remember, along with "sonship" comes responsibility. This means "active occupation" until He returns. It doesn't mean waiting in some spiritual foxhole, folding your holy hands while you pray for Him to come back and rapture you out of the battle. Do you want to "rule and reign with Him?" Then you must become an "overcomer." Only these will "rule and reign with Him." It means getting out of your air-conditioned religious foxhole and get involved in "front line duty" for your Lord. It
means becoming a "good soldier for Jesus Christ;" it means getting involved.

In Revelation 2:26, we read: "He that OVERCOMETH and KEEPETH My words (law) unto the end; to him will I give power over the nations." Compare this with what our Lord said in Matthew 5:19 - "Whosoever therefore shall break one of these least (smallest) commandments, and shall TEACH MEN SO, he shall be called the least (smallest) in the kingdom of heaven; but whosoever shall do and teach them, the same shall be called great in the kingdom of heaven." (What an indictment against those preachers who teach that Christ did away with the Law.)

Finally, in Revelation 3:21 we read: "To him that OVERCOMETH will I grant to sit with me in my throne..." The promise to rule does not come automatically because you are a "born again" child of God. It comes through active participation in the spreading, not only the message of personal salvation, but that of National salvation and the Kingdom message. After all, that's what Christ taught us to pray for: "Thy kingdom come, Thy will be done ON EARTH, as it is in heaven."

Are you as an individual ready for the day of Christ's return? Will you be able to face Him with confidence, knowing He will be able to say to you: "Well done, good and faithful servant; you have been faithful over a few things, I will make you ruler over many."

This will come, not because you are White. Not because you are fortunate enough to be a member of the "true Israelite race," but because of what you do with Jesus Christ.

Will THAT DAY be one of embarrassment on your part? The choice is yours. Soon the war will be ending and Jesus Christ will be triumphant and will return to rule as KING OF KINGS AND LORD OF LORDS. Why don't you get in on the winning side today? "When these things (SIGNS) begin to come to pass, then look up, and lift up your heads: for YOUR REDEMPTION DRAWETH NIGH!"

The End
Religionism!

Hell and destruction are before the Lord:
How much more then the hearts of the children of men?
- Proverbs 15:11

The following message was written by a good friend of mine, Ron Stauffer, who is an "over-the-road" cross-country truck driver. Since he does not have much computer time, it was hand written. It has such a powerful message, I wanted you to hear it and strongly suggest that you make copies of it for wide distribution. - Jack Mohr

I grieve daily for raising my family "religiously" in the Southern Baptist local church system, instead of Christian. My first fifteen years in this system was engulfed in religiosity.

This I did not know at the time though like everyone else, including the Pastor, I was ever learning and studying but not lifting a finger to obey the Commandments of Christ.

The consequences of America's "amorality and immorality", which is today destroying so many families, has come from this foundation of "religiosity".

Religionism has allowed the wicked to rise up into social and political power without contest. Religionism is pre-occupation with symbolism, which is mistaken for substance!

**RELIGIONISM IS:**

1. Ever looking and ever studying without ever coming to full knowledge. WHICH IS - Showing a form of Godliness, but "denying the power thereof", WHICH IS - Believing in the scriptures for Eternal Life but not believing in their Author.

   WHICH IS: Religion without responsibility!

   WHICH IS: Christianity without Christ!

   WHICH IS: Professing in "His Name", while remaining the same.

   WHICH IS: America's Major Problem!

RELIGIONISM sits atop a three pillar ed foundation. These aspects of Religion are:

**(1) ALTAR CALL SALVATION (ACS).**

This is man's Plan of Salvation which allows the spiritually lost "to believe" that they have become "children of Almighty God" and consequently inheritors of eternal life! Some of the unscriptural implemetions of ACS are: "walking the aisles; praying something called "the Sinner's Prayer"; accepting Jesus into your heart; making a decision, etc.

The very nature of ACS by-passes the very point of Calvary - i.e., the "repentance for the forgiveness of sins!"

Religionism added "Eternal life" to this Repentance," by-passing the "Repentance of Brokenness," i.e. Godly sorrow with "repentance" not to be repented of! At best ACS can only provide for the
"purpose of Calvary," "the forgiveness of sins." Without sustaining this "repentance" (the only repentance we generate), there is no entrance through the "Strait Gate." This is the "Repentance that generates the 'New Creature', i.e., that the "Repentance of Brokeness" might be found!

Man's Plan of Salvation especially that called "the Roman Road cannot save the soul" or generate the needed brokeness.

(2) I.R.S. 501 (c) 3 CHURCH,
America's Founding Fathers, especially the clerics, would not have stood still for one "New York minute", allowing any agenda to bind them with a political. Gag the I.R.S. 501 (c) 3 CHURCH, is a politically bought, local church, rendered impotent in obeying God Almighty, and becoming subservient to the State.

As long as the nation's laws honor GOD'S LAW, the national consequences of "National Peace and Prosperity" will envelop the nation. No matter how few or how many of the nation's people worship the Living God!

When the Nation's Laws begin to violate God's Law, these blessings will begin to recede. Without National Repentance - then - the wicked will rise higher and higher in social and political power, until they have complete control over God's people.

At this time, Divine Judgment is being leveled against the Lord's People, as the wicked are having things pretty much their own way. The problem here is that because of the "spirit of Religionism," the Lord's People cannot understand that they are "under the curse" of National Divine Judgment. What's more, they will not realize their apathetic condition until they have fallen into the hands of those who hate our King.

This day is coming to God's People in America because the unscriptural RAPTURE THEORY has persuaded many of them that they will be taken out of harm's way!

(3) THE RAPTURE THEORY
This is based on teachings that Christ will "seek out" - like a "thief in the night", sometime before His Second Coming, all of His "born again" people and take them out of harms way.

This theory has more holes than a screen door!

a - Scripture clearly shows that Christ only returns one time - known as the Second Advent, or Coming!

b - As long as there exists any one nation that still enjoys Christian liberty, such as America, I do not believe He will return!

c - When God's People lose their Biblical "salt and light", the National consequence is the "rise of the wicked" into social and political power.

d - As is, "the Day" is Coming, when the wicked will gain full power over God's people.

e - The nation will begin to lose it's blessings of "peace and prosperity" at the time when the wicked are able to enact social and political Anti-Christ laws!

f - Never has "high heaven" halted the wicked from gaining control, both political and social, of the Israel people, when they lose their "religious responsibility".

g - 2 Chron. 7:14 has a meaning for our Christian people, only as they have become subject to Divine Judgment. Sometimes this remedy is long in coming!

h - At the time of the Second Advent, heaven's army and the saints which are now
asleep in Christ, will accompany Christ on His return, and the Saints who are still alive on earth will meet this Heavenly host in the air and the Marriage Supper of the Lamb will begin.

(1) This "marriage supper," will be a "blood feast," as the saved will watch as the army of God, (Rev. 17:14), sheds the blood of God's enemy up to the horse's bridles.

(2) All this is set up by the "Religionist Agenda" to "get the world saved," while America "goes to hell in a handbasket".

(3) The King never gave any instructions to get "men and women saved." His mandate was to "make disciples of all nations." Teaching them His truth!

In a "nutshell," the Rapture Theory had generated "man's plan of salvation!" Yet now where in scripture is there any "plan for salvation" found.

From the very beginning, salvation was based on the shedding of Divine blood. This blood paid the "sin debt" generated by Adam's disobedience, that "believers" might be "saved". It is foundational that the Believer MUST first participate in the "repentance for forgiveness of sin." ACS has added salvation to this "repentance." The Rapture Theory has allowed the religiously lost to believe they are saved and will be rescued. At this same time, ACS allows the religiously lost to believe their obligations to Christ are complete when they come to the altar and say they accept Him. This is why the wicked have had no appreciable hardship in establishing their anti-Christ agenda of: evolution, abortion, pornography, sodomy, gambling, divorce, violent crime, miscegenation, etc.

Heaven will protect God's people from this heathen agenda, only as God's people remain "Biblically salty!"

RELIGIONISM is America's main problem. The lack or loss of knowledge in God's people, is the foundational reason why they are being destroyed. (Hosea 4:6)

We can clearly comprehend, that our children are not being properly protected and are being destroyed. Today, in America, we see God's people as they are being destroyed in a manner never seen before. There is a reason for this! RELIGIONISM!

In the last part of his message, I want to compare the "wickedness:" of RELIGIONISM with that of the "Worldly wicked!"

The worldly wicked consist of three groups:

The WICKED, EVILDOERS, and those who are AMORAL. The AMORAL crowd, acts as though there is no such thing as "right or wrong . They discern no wrong in "abortion on demand" and they discern no rights coming through OBEDIENCE to God's Law.

The Amoral crowd has been generated by "Christianity without Christ". They are the result of today's apathetic Christianity. This perverted system does not, and cannot generate enthusiasm from non-believers to have any desire to know who Christ is, and what He can and did do for them!

Consequently this crowd has "fallen through the woodwork" and are living their lives by developing values, as the situations are encountered. The "wicked", are those who have sold out the sovereignty of the living God, for wealth, power and prestige. They are the one's who have gained power in high places in society and politics and all abominations that comes into national focus comes from the efforts of these "wicked!"

In the past forty years "the Wicked" have, through their efforts, instituted their religion of Secular
Humanism in public (State) education, which has allowed "abortion on demand; legalized pornography, and degraded the worth of women and children.

Legalized gambling and easy divorce has knocked out the foundation of the family unit:

Sodomy has destroyed the meaning of life; violent crime has destroyed the tranquility of society and on and on.

The "Evil Doers" are that class of beings who set up their establishments of: abortion, pornography, sodomy, gambling, dope, easy divorce, etc.

The "Evil Doers" gain profits and pleasures from anti-Christ legislation which is enacted by "the Wicked."

Without "the Wicked" being in power and control ...the "Evil Doers" have no legal opportunity to use the Capitalist Market System in the retailing and propogation of their abominations.

"The Wicked" makes a way that the "Evil Doers," can merchandise abominations legally and promote these abominations as being the normal in society.

How great is the "Wickedness" of the worldly Wicked? This is an interesting question. The "Worldly Wicked," being either Amoral, or Immoral, will be "turned into hell!!"

The thing to remember is that the "Wicked" can have no power, (none at all), unless it is given to them by the Wicked. It could be denied them by professing Christians.

The smallest segment of "the Wicked" is the White Elitist Establishment which is in control of the Federal Government.

The "Evil Doers", are in much greater numbers than the "the Wicked", but they are vastly outnumbered by professing Christians. In other words, abominations of any sort can not become a national problem as long as professing Christians employ the "salt and light" theory of the Bible.

There is a direct correlation between the rise of "the Wicked" into National Power, and the National loss of Biblical "salt and light".

When enough professing Christians turn away from "religion with responsibility", to employ "religion without responsibility", the "Wicked" begin to prosper and come into National power.

The more regard professing Christians show for "organizational Christianity", the more professing Christians move away from "prior responsibility!"

At this point it is necessary to consider the "Wickedness" of "organizational Christianity". If the Wicked can only gain power through the silence of professing Christians, then the "Wickedness" of the "Wicked", is the least of these two evils.

It is the God given responsibility of for professing Christianity to be Biblical "salt and light" to the world; to occupy until He comes; to be watchful and alert so that the "Wicked" may not pervert the Nation's LAWS. Then without a doubt it is greater "Wickedness" to set aside Christian responsibility in exchange for apathy.

PROFESSING Christians will receive more stripes then even the "Worldly Wicked".

But we have recourse! Repent of past apathy and OBEY the Commandments of the King! Be responsible, and REMEMBER - OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY!

The End
HOW THOUGHT CONTROL
IS BEING USED TO DESTROY AMERICA

A MESSAGE OF IMPORTANCE FOR EVERY
CONCERNED CHRISTIAN PATRIOT!

By
Evangelist, Author, Lecturer

During the Korean War, a new word was coined in the English language. It was called "Brainwashing." The Chinese Communists had a better term for it, they called it "Mind Control." This is what this message is all about. I have always believed that it was essential for Americans to know something about the methods used by our enemies, in order for us to combat them.

For a number of years now, Americans have seen a deliberate attack carried on against our Constitutional guarantees of "freedom of assembly, speech, press, religion, property rights, search and seizure and the right to keep and bear arms." Most of these rights are easily recognizable. We must remember, that as long as these rights, guaranteed to Americans in the Bill of Rights - as long as they remain, so long will America be free. If any of these rights are destroyed, a deterioration process begins, which in the end will destroy all of them. If you allow my right to "keep and
bear arms" to be destroyed, soon your right for "freedom and religion" will be gone.

Our Founding Fathers believed that these were inalienable rights. This means that they are "God given rights," and such cannot be tampered with by government. It is necessary for me to remind you, that anything the Government gives you, the same can be taken away by the same authority. This is why our Founding Fathers put such rigid restraints on the power of the Central Government.

The Collectivists realize this. Now in case you are not sure what a "collectivist" is, he is an individual who believes in involving all members of the group, to the exclusion of individual rights. He is the person who always insists on the "one man, one vote" theory. He is the one who advocates: "Front each according to his abilities; to each according to his needs."

One of the best practical examples of this took place at the University of Florida a few years ago. A Sociology professor I knew, told me about this incident. It seems as though there were many students in his class, who had been indoctrinated with Marxist ideas. They were constantly harping on this theory. So one day he decided to give them a first hand example of it in operation. He asked them to write a paper on this subject and assigned a considerable value to their final grade on the basis of what they wrote. One young Marxist, who was a brilliant girl, wrote a paper that showed a great deal of research. No doubt about it, it was an "A" effort. Another student, a well-known athlete, who was not known for his scholarly ability, turned in a page and a half, which was good for a failure. But the teacher assigned a grade of "C +" to each student. The brilliant girl came to the professor in tears, saying: "There was a lot of effort in my paper. I should have got an A. "The professor agreed, but reasoned thus: "But you see Betty, Charlie, over there, isn't as good a student as you. So I followed your theory and took away from you, who had the ability, and gave to Charlie, who had the need." Well, needless to say, that idea wasn't popular when put into application.

But this is the theory of the collectivists in our Government. They realize that in order to control our people, they must first destroy the rights given to us in that matchless document called the Bill of Rights.

Actually, it could more accurately have been called a Bill of Limitations, since it said to Big Government in essence: Thou shalt not! Thou shalt not! Thou shalt not!" Nine times it says this. Then in the Tenth Amendment, it says in essence: "Government, if there is anything we forgot in the first nine amendments, you can't do that either, unless the people give you the authority." Many years ago, I ran into an old Arkansas hillbilly philosopher who said: "It ain't so in much from not knowin' that causes the trouble; as it is from knowin' so much that ain't so!" So what I want to share with you in this article, are some thoughts on this subject, which have been taken from my own experiences and from the Zionist-Communist textbook on PSYCHOPOLITICS.

I prefer not to be called an expert on this subject, since I have found that a person automatically becomes an expert when they get more than fifty miles away from
home. So what we will do, is go directly to a Communist textbook, printed in 1933, and first taught to a handpicked group of American University students, at the Lenin School of Psycho-Political Warfare, the University of Moscow.

These 47 students had been carefully picked from the ranks of Communist youth in the United States and were sent to take this course, so they would be in a position to infiltrate American schools and bring about the chaos we saw in the 1960's and 70's. It has been my privilege, in the past 18 years, to teach this subject to thousands of American High School and College students.

These young people, for the most part, do not realize that they are pawns and the major target for an insidious plot to destroy America and the white Christian civilization which has made her the envy of the world.

For you to understand the Communist meaning of Psychopolitics, I want to quote from the welcoming address of Laventria Beria, as given to these students. (If you will remember, Beria was head of the much feared K.G.B. under the dictatorship of Stalin.) He said: "Psychopolitics is an important it less known division of Geopolitics. It is less known, because it must necessarily deal with highly educated personnel - the top strata....

By psychopolitics, our chief goals are effectively carried forward. These are to produce a maximum of chaos in the culture of the enemy. This is our first and most important step. Our fruits are grown in chaos, destruction, economic depression and scientific turmoil. At last, a weary populace can seek peace only in our offered Communist State.

To achieve these goals you must work until every teacher of psychology unknowingly or knowingly teaches only Communist doctrine under the guise of psychology. You must labor until every doctor and psychiatrist is either a psychopolitical operator or an unwitting assistant to our aims. You must labor until we have dominion over the minds and bodies of every important person in your nation.

You must dominate as respected men, the fields of psychology and psychiatry. You must dominate the hospitals and universities.

Psychopolitics is a solemn charge, for with it you can erase our enemies as insects. You can cripple the efficiency of our leaders by striking insanity into their families through the use of drugs.

You can change their loyalties by psychopolitics. Given a short time with a psychopolitician, you can alter forever the loyalty of a soldier in our hands, or a statesman, or a leader in his own country, or you can destroy his mind... (Did you realize that every important person in our Government has his own private psychologist? That they are in our school system, and in our military? Think about what Beria has said. He goes on:)

Use the courts, use the judges, use the Constitution of the country... use its laws to further our ends. Do not stint in your labor in this direction. For when you succeed, you will discover that you can now effect your own legislation at will and you can...
make the Capitalist himself, by his own appropriations, finance the larger portion of the Communist conquest of the nation." (Of course this is exactly what has happened in this country.)

"By psychopolitics create chaos. Leave a nation leaderless. Kill your enemies and bring to earth through Communism, the greatest peace that men have ever known."

In 1934, this textbook was brought to the United States, where it was used to train Communist cadre. From May 2, 1936, until October 10, 1939, a young American named Kenneth Goff, attended this school at 113 Fast Wells Street, Milwaukee, Wisconsin. It was called the Eugene Debs Labor School. Operating under the alien John Keats. Goff was trained in all phases of psychological and physical warfare, and was given the Communist plan for the destruction of white Christ civilization and its greatest adherent, our American Constitutional Government.

In October 1939, Goff became disillusioned with the training he was receiving. He was intelligent enough to realize that he was being used, and that Communism was not for the purpose of helping the common man, but to enslave him. He voluntarily appeared as a witness, before the House Committee on Un-American Activities, then chaired by the Conservative Representative, Martin Dies. His testimony can be found in Volume 9, of the 1939 Congressional Report. For his part in exposing this plan, he was hounded and threatened by the Communists, and by the agents of the Zionists, whom he exposed as part of the revolutionary conspiracy. He was finally poisoned, after many years of valiant effort for our people.

During the period from 1948, to the present, I have watched with horror and outrage, and yes, increasing concern, as psychological warfare has been used against the American people. It has come through the Zionist controlled media and television; it has infiltrated most of our churches, especially those affiliated with the National Council of Churches and completely controls our Public Education System through the National Education Association.

I have seen American history completely distorted by the Marxist "mental child molesters" in our public schools. An example: A few years ago, I was in a Junior High School in Florida, waiting in the library to speak to the Principal, I picked up an Eighth Grade American History book. Being a Revolutionary War buff, I automatically turned to this period and read this statement: "$Many stories about our American heroes are fables. Take the story of Paul Revere for instance. It has been proven that he could not have made his historic ride to warn of the British approach, since he was drunk in bed with a prostitute in Boston, when this should have been taking place."

As I watched with increasing concern, I saw psychopolitics in action, as it was crammed down the throats of our American people via the newspapers and certainly in the so-called documentaries on television. In short, I saw the program of Communist Psychopolitics, as it began its insidious invasion of our society. I knew it was designed to imprison and torture men and women of courage, who still preach the Gospel of Jesus Christ and the freedom it brings to all mankind, and who still believe that it is their duty as Christians, to oppose this Satanic conspiracy.
Now in order for Americans to understand what is happening; in order for them to realize the dangers we face, and build an adequate defense, we must know the truth.

You see, my friends, we will not lose our freedoms on the day when our enemy with a tommy gun, knocks at our door at 3 A.M. and hauls us away to a Concentration Camp. We will lose it, when decent Americans, see this subversion taking place in our schools, our churches, and our local government, and we sit back, sigh and say: "I'm only an individual you know; everybody knows you can't buck City Hall. When enough Christian people in America feel this way - then we will lose our freedom! Then we will hold a funeral service for her; we will haul her corpse out to the cemetery and bury her and over her grave, we will erect a headstone with this sad epitaph: "America died! Because her Christian people didn't want to be bothered!"

With this as an introduction, I would like to go over some important points of Communist "thought control" as they are taken directly from their textbook PSYCHOPOLITICS. If you would like this 55 page book, which I have revised and edited, without changing the original text, it is available from the address given on both the front and rear of this pamphlet. A cassette tape is also available.

Probably one of my most important tasks is to establish Communist feelings towards the average American, as seen in our great "middle class", which is the backbone of this country. These are the ones who keep the Ship of State afloat and running.

The Communists tell us: "Basically, man is an animal. He is an animal which has been given a civilized veneer: He is a collective animal, grouped together for protection before the threat of his environment." It might be of interest here to see what the Jewish Talmud (their primary religious book) says about "non-Jews." In the volume of the "Kerithuth," (6b, p.78) we read: "Jews are called men, Christians are not men." In the "Orach Chaim," (225, 10) Christians and animals are grouped for comparison. "Choschen Ham", (226, 1) Jews may keep lost property of a Christian, if found by a Jew. "Babha Kama," (113b) Jews are permitted to deceive Christians. "Babha Kama," (113a) Jews are allowed to lie to condemn a Christian. "Zohar," (1, 106a) Jews must always try and deceive Christians. "Hilkloth Akum," (X, 2) Never save a Christian from death. "Sanhedrin," (59a) Prying into Jews' laws earns the death penalty for a Gentile. "Zohar", (I, 25a) Christians must be destroyed as idolaters. "Abhodah Zarab," (26b) "Even the best of the Goyim should be killed." I could go on and on with similar quotations from this religious book which is taught in Modern Jewish synagogues and which supersedes the Torah (Laws of Moses.)

It can be clearly seen, that the predominate element of Jewry in Communism, strongly affected the teaching that "man is an animal."

This of course is a direct repudiation of the Bible teaching found in Genesis 2:7 which states: "The Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life, and MAN BECAME A LIVING SOUL. "This is what makes him different from the animals. The Communists reject this.

This is the principal reason human beings are not important in the Communist scheme of things. This can be clearly seen in their actions towards human beings in
all areas under their control. On page 42 of the textbook, they make this significant statement: "The first thing to be degraded in any nation under conquest, must be the state of man himself. Nations with a high ethical tone are hard to conquer (here it would be honest to insert the word Christian). Their loyalties are hard to shake... their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of Psychopolitics to reduce the state of mind to a point where it can be ordered and then enslaved. Thus, the first target must be man himself. He must be degraded from a spiritual pattern to an animalistic reaction pattern. He must no longer think of himself, or his fellows, as capable of spiritual nobility or endurance."

Think about this statement for a moment. "He MUST be degraded to an animalistic reaction pattern." We will speak more of this as we go along. But right now, I wonder how many of you have ever wondered why the Secular Humanists in our land make such a fuss about the teaching of evolution in our schools? Is it that they are honest in wanting your children to have the truth? Do they want them to have both sides of the story, as they say about many other issues? Why would scientific men, take an unproved scientific theory and insist that it be crammed down the throats of the American people, unless there was some ulterior motive for it? Why do they become so upset when some Christian says: "Let's tell them both sides of the story. Give them the Creation story too."

Re-read this Communist statement, then I dare you to check out the names of those who are behind the forces that have brought this teaching into our schools. You will find them to be substantially from the same group that mans the nations "abortion clinics," which yearly murder over 1.5-million unborn babies. Check out the names and meditate a bit on this. I dare you! Then compare them with the ones who run the Banking establishment; who run the dope, liquor, prostitution, and pornography trade in America. See who it is who has been predominate in the betrayal of America. Check the names! Don't argue with me Mr. Preacher man, check the names!

How is this animal degradation brought about? So we go to back to the textbook for our answer. "The best approach towards degradation in its first stages is the propaganda of the scientific approach to man. Man must be consistently demonstrated to be a mechanism without individuality. There were those, who in less enlightened times, gave man to believe that goals should be personally sought and held, and that, indeed, man's entire impulse towards higher things stemmed from freedom. But we must remember that the same peoples who embraced this philosophy, also continued in man the myth of a spiritual existence."

Isn't this what they have done to our education system. It is almost a "dirty" word to speak about personal responsibility in a modern school. A few years ago, I was lecturing on "abortion" at the University of Michigan in Ann Arbor. During the Question and Answer period, some of the young people were arguing that abortion was necessary to help keep the population in check. One strikingly pretty girl said: "If we can't have abortion and contraceptives, how can we keep the world from being overrun?" When I asked her if she had ever heard of something called "self-control,"
you would have thought from the crowd reaction, that I had slapped her in the face. Here is where the dirty work is being done among our youth. They are being taught an obvious falsehood, that there is no such thing as "sin;" that criminals or evil men are not to blame for their actions, that it is caused by their environment, and that aberrations such as "alcoholism" is not due to a weakness in man, but is a disease. When I asked one college professor if he had ever heard of any other disease, which killed 30,000 people on our highways alone ever year, which was subsidized by the government, advertised in respectable newspapers and magazines, and often dispensed by Christians; he was amazed at my "narrow mindedness."

Knowing that evil is at the base of all social evil and that the True Church will always attack this evil, Communism hates Christianity. Because it is the most ennobling factor in any community they say: "Religion must be made unfashionable by demonstrating, through psychopolitical indoctrination, that the soul of man is no,? existent, and that man is an animal." How do you go about attacking an institution like the Church? How do you go about degrading people who have been brought up to believe in the "dignity of man?" How do you lower them to the animal level?

One of their most powerful tools, is the education system of this country. The most powerful element in education is certainly the National Education Association, which has been under the complete control of Secular Humanists and Communist elements for many years.

Today, the case is rare indeed, when a boy or girl gets the moral leadership they need and deserve in a Public School. Too often, they are apt to find this being done by a homosexual, or a person who will poke fun at their Christian belief. In the few instances where this moral leadership is given by a teacher with outstanding courage, the chances are high that the subversive American Civil Liberties Union will step in and slap them with a suit; more often than not, brought by a Jewish parent. Check the record! The decent teachers are either weeded out of the system, or are scared into going along with the "status quo."

Now these aberrations did not come into our society by accident. They are not the result of some peculiar process of social evolution. They are well laid plans, which have been in the mill for years. So they say - watch closely now: The psychopolitical operator, in his program of degradation, should at all times bring into question any family, which is deeply religious.... " In America, we could use the term Christian, without doing violation to the truth.

Why is so much pressure exerted by the State against Christian Schools, or parents who take their children out of a Public School to teach them at home? Is it because they are interested in the welfare of the child? You know it is not! Of course they are worried about the Federal funds they will lose. But more important still, the all-powerful state, in order to succeed in the plans laid down by the world conspirators, must control the thinking of young people.

Here is the Communist evaluation of what they have accomplished in America.
Remember now, this was written in 1933: "We have battled in America, since the century's turn, to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christians, remember we have yet to influence the Christian world to our ends. When that is done, WE WILL HAVE AN END TO THEM EVERYWHERE!"

So you must work until Christianity is synonymous with insanity. You must work until the officials of city, county and state governments will not think twice before pouncing upon religious groups as enemies of the State. You must recruit every agency of the nation marked for slaughter, into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief that Christian practice is vicious, bad, insanity-causing, publicly hated and intolerable."

Could it be this kind of thinking, that would cause a Jewish judge, sitting in on a case of Christian parents who refused to send their children to a Public School, who when the Defense Attorney brought up the Constitution in their defense, the judge leaned down over his desk, shook his finger in the Attorney's face and literally screamed: "If you bring up the phony issue of the Constitution in this courtroom again, I'll hold you in contempt?" Could it be that the "man in the black robe," was one of the conspirators?

In 1930, three years before the book PSYCHOPOLITICS was written, Josef Stalin, the Communist dictator of the Soviet Union, published a detailed plan for the destruction of America. This information was published and passed on into the hands of all Communist District organizers in the United States and fell into the hands of our government. It was not made public for years. Listen to its most important parts:

1. - RELIGION: By philosophy, mysticism, the development of liberal cults and the furtherance of atheism, discredit all Christian creeds. (These things have ruined the faith of thousands of young people through the subversion in their colleges.)

2 - ETHICAL: Corrupt morality by advocating promiscuity and advocating high school and college students to practice the same. Introduce companionate ideas; advocate legalized abortion; advance theoretical interracial practices - marriages of white women with colored men; destroy the family; abolish inheritance; destroy records of family history. "We see how this has been done in most of these areas. I do not have to tell you about the lowering moral standards, which have turned many of our institutions of higher learning into moral cesspools. You all know about legalized abortion, which is killing over 1.5-million unborn babies each year, most of them white. You all know how popular interracial marriage has become in recent years and we can see the results of all these subversions. Today, while the idea that "black is beautiful" is being promulgated in every school of higher learning, the opposite idea, "be proud that you are white," is looked on as "racial prejudice." Why? Because it is all part of the conspiracy to destroy white Christian civilization.

Now you may not want to accept this, especially if you have been brainwashed in some liberal church or school. But history proves, without a chance of refutation, that it has been the white race who has brought progress to the world; it was under white leadership that slavery was abolished; it has been white men who have carried the
Gospel of Jesus Christ into all the world.

I know about the progress that has been made by black people in the last 100 years and I give their great leaders full recognition for what they have done. But it could not have been done without the benevolent help of the white race. It has been the white people of the world who have printed the Bibles and sent missionaries into all the world. It has been white nations which have extended the helping hand to the world's needy. So don't let anyone give you a guilt complex, by telling you that your country is a greedy, imperialistic nation, because history has proven this false. Most of our troubles in America have come as a result of our allowing anti-God, anti-freedom aliens to bring their destructive philosophies into the country and spread them. We have been so afraid that we will step on someone's toes, that we have bent over backwards to be fair with our enemies, and we have dug our own grave while doing it. This was the enemy plan.

But back to Stalin and part 3 of his plan:

3 - AESTHETIC: Cultivate the ugly and aberrant in art, literature, drama, music and architecture. Boy have they been successful in this. If you don't want to believe this, compare the blaring sounds of modern music, with that which was popular 50 years ago. Compare the bleak, ugly architecture of our modern buildings with the grace of other ages. Look at the filth which has come into drama; and the ugliness of modern art and then tell me they have not been successful. If you are interested in what has happened in music, write for my cassette tape SIRENS OF DESTRUCTION. This will give you a full background into the subversion of our music and who has pushed it in America.

4 - SOCIOLOGY: Promote and exaggerate all social and economic conditions, political corruption, etc., so as to create unrest, suspicion and revolt by the workers - intensify the class warfare wherever possible. This has been one of the enemy's major areas of success for forty years. Year after year, we see our entire pattern of life, as it is disrupted by strikes and more strikes, protests and more protests. Not to help Americans; not to better their living conditions, but to control them.

5 - INDUSTRIAL AND FINANCIAL: Create mistrust in banks by circulating rumors of their instability. Destroy ideals in craftsmanship and pride of workmanship. (Along this line, ask yourself why foreign cars outsell American made products in many areas.) Standardize products which are shabby; advocate State monopoly of ownership; gradually withdraw gold from circulation. "All things which have been successfully carried out to one degree or other.

6 - POLITICAL: Set up the ideal of thinking "internationally." (This is being done in our public schools, under the subversive leadership of the N.E.A. Our children are being taught that their loyalty is not to the United States, but to the world at large.) "Undermine national patriotism, "PSYCHOPOLITICS says: "If we can kill the pride and patriotism of just one generation, we will have control of that country'. (When Major General William Dean, our highest ranking prisoner in the Korean War, returned through Pan' Mun jon in 1953, he was accompanied by a Chinese Lieutenant Colonel, who was the major interrogator. The major had a PHD in Psychology from
U.C.L.A. He told the General: "Don't feel bad about leaving us, for we will soon be in the United States." When General Dean asked him how they would accomplish this, he said: "We will destroy one generation of your youth and when we have done that, there will be no one to fight for you.

(They have come a long, long way down the road to success in this area.) "Weaken all government departments by corruption. Create suspicion and distrust on every occasion. Ridicule all patriotic effort and undermine all preparations for defense. Carry out a policy for world revolution."

There is not much necessity of enlarging on this. Anyone who is at all knowledgeable, knows that a patriot is looked on today as being a "throw back" to some dark age of history. If you don't believe this, try getting on some talk show, such as the Phil Donahue Show and see what they try and do to you. Recently, I was on a radio talk show and mentioned the danger of Zionist influence in our government in Washington. The moderator called me a "pornographer of paranoia." Think about that!

The six items I have just mentioned from Stalin's plan, were taken from the book THE CONFLICT OF THE AGES, written by the well-known evangelist, Dr. Arno Gabelein. It is a book every preacher would do well to read.

Now think about what we have just gone over together. Go back and read it again. All that has been advocated by the enemies of God and America, has been in the process of being carried Out, right under our noses. 'You have to be blind not to see this! This is not a new program. It was advocated many years before the Zionist-Communist revolution in Russia. It was the power behind the throne, when it was advocated by the Jewish revolutionary Adam Weishaupt in Bavaria in 1776 and developed in an organization called the "Luciferian Society", better known as the ILLUMINATI.

Yet while the proof of conspiracy is there for everyone to see, intellectuals, lead by our religious leaders, have been the blindest in accepting it.

It is beyond my comprehension to understand how any self-respecting man or woman, not to speak of Christians, can advocate friendly relations with the Soviet Union. Now I realize, that most of the Russian people are a great deal like us. They hate what is happening to them, but there is little they can do against the entrenched power of the Communists. But why do we continue to feed them when their crops are poor, when our leaders know that every ton of grain we sell them, releases other men to work in the factories which are turning out the war materials meant for our destruction.

This idea of selling our enemies our technology, is treason of the worst sort, under the Constitutional definition given in Article III, Section 3 of the Constitution. Here in language any Fifth Grader can understand, we have the definition of treason: "Levying war against them (the U.S.); adhering to their enemies; giving them AID AND COMFORT." We need to realize that every time we aid our enemies, we are helping replace the Stars and Stripes with the "gory red flag of blood, murder, and
ruin.

Now that we have talked a bit about Psychopolitics, let's discuss the end result. It can be seen primarily in the degradation of our youth. This group, our High School and College crowd, are the most important group in America today. My generation will soon move off the scene. If we allow our boys and girls to be subverted, all we will have to look forward to will be the ultimate horror of Communist control.

As far back as 1919, an interesting document, titled RULES FOR BRINGING ABOUT A REVOLUTION, was discovered in a Communist cell in Dusseldorf, Germany. Rule Two is of special interest to our youth, for speaking of them it said: "Get them interested in sex; get them away from God; get them interested in drugs; destroy their ruggedness." Now if you have ever worked with teenagers, you know that getting them interested in sex is no problem, since this is the age when the "juices of life begin to flow," and when boys become interested in girls, with designs other than to torment them. So the great effort at destroying our young people has centered in this area, using the other areas of drugs, alcohol; getting them away from the moral and spiritual teachings of the church, and thus effectively neutralizing our most important generation of Americans.

The textbook PSYCHOPOLITICS puts it in these words: "In rearranging loyalties, we must have a command of their values... the loyalty of the human animal must be destroyed by making the family unit economically non-dependent; by lessening the value of marriage, by making an easiness of divorce and by raising the children, wherever possible by the State." (This of course, has to do with State run Child Care Centers, where very young Americans can be weaned away from the values which should be taught at home.) A few years ago, the State Education system of Texas, had a First Grade teachers' handbook which was written by a liberal Jewish professor named Paul Brandwein. The first paragraph said: "Your first and most important task as a teacher, is to tear down the erroneous ideas which have been inculcated in the child's mind, in the home and church. Once you have done this, then you can begin to build the foundation of education, which will result in the international child of the future."

But let's go on with PSYCHOPOLITICS: "under the saccharine guise of assistance to them (our youth) rigorous child labor laws are the best means of denying the child any right in society. By refusing to let him earn; by forcing him into an unwanted dependence on a grudging parent. By making certain that (he parent is never in other than economic stress, the child can be driven in his teens, into revolt. Delinquency will then ensue.

By making readily available drugs of various kinds; by giving the teenager alcohol; by praising his wildness; by stimulating him with sex literature and advertising to him or her, practices taught through Sex Education, the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness, into which can be cast the perfect solution - Communism.
Then follows the statement, that all that is necessary to destroy a country, is to gain control of one generation of youth, so they say: "Our continued propaganda MUST undermine the loyalty of the citizen in general, and of the TEENAGER IN PARTICULAR!"

This is exactly what they have striven for:

What is the end result of psychopolitical warfare? What have our enemies actually accomplished in these United States? For the answer, we need to go to page 16 of PSYCHOPOLITICS. "In any nation under conquest, such as America, our slow and steady approach need take advantage of the cycles of booms and depressions inherent in Capitalistic nations. The masses must be taught that only excessive taxation of the rich, will relieve them of the burdensome middle class, the bourgeoisie. Then they can be brought to accept the Marxist principle of the graduated income tax, which was smoothly slid into the Capitalistic framework of the United States in 1909, even though the basic laws of the country forbade it."

They were a bit off on the dates, but were correct on the effect of their plan. When the Income Tax was brought into being, along with the Federal Reserve Board, which is not Federal at all, but is made up of International Bankers, who have been the leeches which have sucked our economic blood for over 100 years, and who are now driving us towards totalitarian control. We have been on the economic slide ever since and will not get off until we have the courage and common sense to get rid of these leeches.

We have been indoctrinated by the "thought control" experts into accepting the Marxist principle: "From each according to his ability; to each according to his need." We have accepted it to the point where today, it takes two productive workers, to take care of one drone, many times who would not work if he was given a job. Today, welfare relief is considered a "right" rather than a "privilege."

But the economic turmoil, as bad as it is - and there is much more in store for us in the immediate future - as bad as it is, it cannot be compared to the moral and spiritual disintegration which has eroded the "guts" of America.

At one time it was "standard operating procedure" for Americans to have a virtue called "Righteous Indignation." This is the ability to see when things are wrong and the intestinal fortitude to do something about it. Unfortunately today, you can go to many Americans, including Christian leaders and ask them about moral problems and get an answer something like this: "If you had asked me about that twenty years ago, I would have said it is wrong. But I don't know now, times change you know." This is utter stupidity, when you realize that "right" and "wrong" do not change any more than the laws of gravity.

This was brought home to me with striking force a few years ago, when I visited one of our great mid-west universities. In the Student Union, I picked up an attractive college magazine, in full color. There was a full-page ad, of a baby seal, covered with blood, lying on an ice floe. Below was an impassioned appeal to students and professors, to join an organization for the preservation of baby seals in
Newfoundland. I had nothing against this, since I like baby seals and would like to see them protected. But the utter hypocrisy of this college crowd was shown on the opposite page, where an ad said: IF YOU HAVE AN UNWANTED PREGNANCY AND WANT TO GET RID OF IT, CALL THIS NUMBER ______________. I thought: "My God, what has happened to our young people, when they cry tears over the death of a baby seal, and can't see anything wrong with the murder of 1.5-million unborn babies. "I tell you, it's not natural for American youth to feel that way. The entire blame for this shocking situation, must fall on the "mental molesters" of psychopolitics -- MIND CONTROL!

You should realize that the average American refuses to face up to the terrifying dangers we confront. We just don't want to believe that it could happen to us!

You would be surprised by the number of spiritual leaders who have told me: "It won't happen here, because there fire too many Christians in America for God to let anything like that happen to us. Talk about pride! They completely ignore the 34-million Christians who have suffered behind the Iron Curtain. Like the proverbial ostrich, they believe that if they ignore danger, it will go away. No way!

Even more frightening to me, are the millions of Christians who have been neutralized by their own pastors, into believing that all they need to do, is hide in their spiritual foxhole, fold their holy hands in prayer, while God will handle the dirty work He gave them to do. They are told: "Don't worry! Jesus is coming back to rapture you out of this mess, before it gets too bad." I'd like to see them tell that to the Christians suffering in Russia and China. I can tell you one thing, I wouldn't for any fame or fortune, stand in their' shoes, when the day comes that they will have to stand before Almighty God and answer for what they have done to potential "soldiers of the Cross."

You may question as to why Christian attitude is so important. It is because Christians, according to the words of our Lord, are supposed to be the "salt of the earth." When their "salty ability to hold back corruption" fails, then they are good for nothing but the garbage heap, (See Luke 14:34, 35). When the Christian element in this nation instead of holding back corruption, adds to that corruption, then look for "all hell to break loose."

Over and over again in the New Testament, Christians are told to "Contend for the faith," (Jude 3); "fight to the death against evil," (Hebrews 12:4). Nowhere are you given the authority to sit back and relax, while evil has full reign. Whether Christ comes back to Rapture the Church or not, is not important. The important thing is, when He returns, will He find you faithful (I Corinthians 4:17). We are told to "Occupy until He comes," (Luke 19:13), nowhere are we told to "hide and wait."

But why is active participation in this battle against evil so very important? First, because we are commanded to take this stand! Secondly, you better wake up and realize' that the alternative is too terrible to even contemplate!

Here is where a lot of good people shy away from the truth. It is so very unpleasant! I've had fathers chide me quite harshly, because I scared their little daughter with my
story. Listen folks, I hope I scare you. I hope you tremble with fear before I get through, because I can tell you, that what I'm about to tell you, cannot hold a candle to what really happened!

Some of you are going to turn me off right now. Others are going to stop listening - that's all right! God did not give me the task of changing your mind - He called me to be a watchman. I've given you the warning; whether you accept it or not is up to you. But remember this, after today, there will never be an excuse for you to say: "I didn't know!"

Now if you were driving down a country road in a blinding rain and your headlights picked up a sign in the middle of the road which said DANGER! DETOUR! BRIDGE OUT! WOULD YOU get out of your car, throw stones at that sign and say: "It's none of your business what I do, this is a free country," and then drive on to your destination. Of course you wouldn't. That would be extremely stupid! But that's what a lot of Americans are doing today. They are like a man who hears his dog bark in the middle of the night, as a burglar tries to get into his house. So he takes his gun, goes down and shoots the dog and goes back to sleep as though everything is all right. We have millions of Americans, who have been doing this for forty years or more. They get mad when you try and warn them! They call you names! They say you are "paranoid." A member of the "lunatic fringe;" "a war monger."

Many years ago, a very wise man named Edmund Burke said: "All that is necessary for evil to succeed, is for good men to do nothing." This could be brought closer to home by a statement that was made to me a few years ago by an old Indiana farmer, he said: "Son, one of the first things I learned when I began to farm, was that in order to be for corn, I had to be against weeds!" In like manner, there is no way you can be for Jesus Christ and refuse to take a stand against evil.

But what are the alternatives? Look with me once more at the textbook and see the Communist attitude towards brutality. If you can ever get through your head, the terrible hatred this Zionist-Communist crowd has for Christianity, then you will understand something about the terrible dangers we face.

In Chapter Six, we read: "Obedience is the result of force... concurrent with force is brutality... the more barbaric, unrestrained, brutal use of force, if carried far enough, invokes obedience. Savage force, sufficiently long displayed towards any individual, will bring about his concurrence with any principle or order."

You can see this in dealing with a mean dog, who will bite you if you try and pet him. Beat him long enough and the day will come, when though he lays his ears back, and snarls, and hates your guts, he will allow you to pet him. Why? Because, although his heart has not changed and he still hates you, he is afraid to disobey! That is why the Communists use terror and brutality.

They go on to explain their position: "Any organization which has the spirit and courage to display in-humanity, savageness, brutality and an uncompromising lack of humanity will be obeyed... if you would have obedience, you must have no compromise. If you would have obedience, you must make it clearly understood that
you will have no mercy. Man is an animal. He understands in the final analysis, only those things which a brute understands."

One of our greatest barriers towards this understanding, is that we do not understand oriental thinking. It is steeped in the barbarism of the Asiatic mind and is completely contrary to what we have ingrained in us in a Christian country.

I first came into contact with this in Korea, in 1948, when I was assigned to work with the Provisional Military Advisory Group, training the infant Korean Army. As I learned to speak the language, I began to try and understand the Korean people. This was not easy to do, since their philosophy of life was built on the "animalistic" concept. The majority of these people are "spirit worshipers." They believe that their lives are controlled by a host of evil spirits, who are constantly trying to make them miserable.

One day, while walking down the street of a little village, I passed a butcher shop, when I heard a terrible commotion coming from the rear of the shop. Stopping to investigate, I found two Koreans, butchering a cow. They had her hung by her hind legs from a beam and were skinning her. Nothing unusual you say. Well this cow was alive. When I asked them why they were doing it like that, I was informed that the meat was no good if the cow was skinned after she was dead. Translate that kind of thinking into the human field, then take away any Christian concepts of kindness, add a dash of Communist psychopolitics and you have the terror and brutality which is Communism, worldwide.

Then realize, that the average American knows next to nothing about privation. I was raised during the Great Depression and I thought we were poor. But I didn't know the meaning of the word until I got overseas during World War II. It's difficult for Americans to realize, that the very poorest of the poor in America, live better than 75% of the rest of the world. We have lived in a country which has provided at least a nominal amount of protection from fear, want, and brutality, for so long, that we cannot visualize what brutality really is.

This is the major reason that "fear" is the "number one" weapon of Communism. It is more powerful and effective than their strongest bombs and their long-range missiles. It has been used effectively in every country they have sought to control.

This fear is instilled from the very first moment of occupation by the installation of what is known as a 'People's Court.' It has been used in every country where Communism has been successful. It consists of a judge, a prosecuting attorney arid the victim. There is no defense council, no jury. If you are a member of the "bourgeoisie", a property owner, you are eligible to be dragged before this court. You listen to the crimes you have committed against the State, you are not allowed to testify in your own behalf and you are dragged out and murdered, in any manner the executioner sees fit.

These Courts are set up for two reasons. First it is to terrorize the people in the community, so there will be no opposition. Secondly, they are used to eliminate anyone in the community who would normally exert a stabilizing influence on that
community, This means that the Christian leaders and their families are first to go, followed by the intelligentsia, often those who have helped the Communists into power.

If America ever falls before Communism, and my personal belief is that God may very well use Communism to discipline us and get us back to Him, if this ever happens, the first to go, will be men like Billy Graham, Jerry Falwell and others, who have misinformed their people about who the enemy really was. I've been told: "You better watch out; your name is on their list!" I'm not afraid, because if they killed me, a Jot of folks would say: "Old Jack Mohr must have been right. Look what they did to him!" That's not effective! So they go down and get the liberal preacher who has preached "Love and peace at any price!" They work him over and that "scares hell out of the people."

The purges in any Communist country are terrible, because they follow the virulent, anti-Christ philosophy, that in order to control men, you must first brutalize them! I saw this Asiatic justice in operation in Korea in October 1948, when during an abortive Communist coup attempt against the government, a Communist force of some 4,000 rebel soldiers and civilians, took over the little city of Sun'chon and in ten days, brutally murdered over 3,800 men, women and children. Over 80% of those killed were Christian!

I doubt if anyone who hears this message has ever seen a man impaled alive on a sharpened bamboo stake driven into the ground and while he takes hours to die, his young, pregnant wife is stripped and raped, over and over again in the city square, then chopped into pieces with bayonets.

How many of you have ever seen a baby taken from its mother's arms to be swung by its heels against a tree? How many of you have ever gone through the traumatic experience of seeing a tiny baby snatched from his mother's arms, then tossed back and forth between two men, caught on the tips of their bayonets; when the mother begins to scream, one smashes her in the mouth with his rifle butt and beats her to death as she lays on the ground at his feet?

Very few people have ever seen elderly Catholic nuns as they are crucified against the walls of their church, by bayonets driven through their hands and listen, hour after agonizing hour, as they scream, and cry and beg for mercy. I was standing in a window of the Presbyterian mission with a rifle in my hands while this went on less than a hundred yards away. I was praying to God, as to whether I should shoot them to put them out of their misery; I was afraid too, because we had seven American missionary women in the house with us, and we were afraid they would do the same to them.

Have any of you ever seen a young woman stripped, then nailed to the branch of a tree by spikes driven through her breasts, while a bundle of oil-soaked rice straw is bound between her bare thighs and set on fire? When I saw those things; when I had them practice on me for ten days, I said: "My God, if you get me out of this mess, and get me safely home to the people I love and the country I love, I will do my best, using my talents, my time, my money and my strength, to see that this never happens
in America." Oh my friends, indeed I do get angry when I see how they are taking us
down the same path in America.

We are somehow going to have to get it through our thick skulls, that this country and
its people, are not going to be saved from "tribulation," or "slavery," merely because
we are "white" or "Christian."

We will be saved, when Christian men and women in America, "turn from their
wicked ways, and humble themselves and pray." When we realize that God will not
even listen to our prayers, until we repent of our evil deeds, (Isaiah 59:1, 2). "Your
iniquities have separated between you and your God, and your sins have hid His face
from you, THAT HE WILL NOT HEAR!"

Shame on you Christian cowards, who are praying that God will take you out of this
world before bad trouble comes. The Word of God tells us that only "overcomers,"
will reign with our Lord (Rev. 2:26; 3:21). When I was a boy, we used to sing a
stirring hymn that said: "Must I be carried to the skies, on flowery beds of ease?
While others fought to win the prize and sailed through bloody seas; No, I must fight,
if I would reign, increase my courage, Lord; To bear the toil, endure the pain,
supported by Thy word."

This is the spirit that made the early Church triumphant. It has never come from the
foxhole dwellers, but from the "front line combat troops."

This was the spirit of the martyr Marcellus, a twenty-year-old Christian, who in the
year 248 A.D. was informed by a Roman soldier that. his name was to appear on the
execution list. When he was told that he could escape by signing a "libellus" that
stated he had gone to the temple of Jupiter and renounced Jesus Christ, he threw his
shoulders back, and raising his head, he cried for all to hear: "Jesus is Lord!" A few
days later, they tied him to a pole in the arena, poured melted tar over him and set
him on fire, so they could see to kill other Christians. You may think that young man
died in vain, but because of men and women like Marcellus, you are free to hear a
message like this today. Because of people like him, you are free!

Be honest with yourself for a change. Do you honestly believe that America will
escape what has come on the rest of this wicked world? Do you believe that you are
better than the countless thousands of Christians who have suffered and died in China
and the Soviet Union?

Listen to this prediction made by this Jewish Communist, the perennial head of the
Communist Party, USA, a man named Gus Hall (Hallberg). He said at the funeral of
another Communist: "I am going to live to see the day when 60-million, hopelessly
diseased Capitalist animals are hauled off to the liquidation centers by the
Commisars. I will live to see the last Congressman, strangled with the guts of the
last preacher. The Christians love to sing about the blood, so we will give them all
the blood they want, as we cut the throats of their children and drag their bodies over
their altar rails. May the parents drown in the blood of their own children. "Was this
an Asiatic, or an African who made this prediction? No, it was an American
Communist Jew, who vented his terrible hatred for Christianity with this threat.
When are you going to wake up America? Our Ship of State is floundering. What are you doing to save her? Will you continue to support the bitterest enemies of Jesus Christ with your money and approval? What will you do someday, if they take over America as they did in Russia? Will you be willing to fight on the day a government truck pulls up before your door and they take your boys and girls away to become robots of the State? It will be too late then!

Will you fight, when the anti-God, Asiatic hordes march through your city streets, board up your churches, burn your Bibles and forbid you to worship God? It will be too late then!

Will you fight on the day you see these barbarians rape your daughter, because they have been taught that she is "just a piece of meat!" It will be too late then!

Will you fight when they hang your wife by her heels, cut her intestines out and fill her body cavity with hot rocks, right before your eyes? It will be too late then!

A few years ago, I was lecturing on Gun Control in up-state Washington. During the Question and Answer period, a burly man got to his feet and using some rather bad language said: "They won't get my blankety blank guns, I'll kill them first." When I asked him if he had signed a petition to his State Senator, he looked rather surprised and said: "You don't think I'm stupid enough to put my name down where they can see it, do you?" Listen! That man was so scared that if they came to get his gun, he'd not only turn in his, without a fight, but he'd turn in his neighbors too. My experience with men in two wars tells me that if you don't have the courage to take a stand when you can do it within the law, you will never do it when your head is on the chopping block.

So I challenge you as concerned Americans. Especially those of you who claim to love God and your country. I dare you to go home and look at your children or Grand children as they lay asleep. I ask you to remember that every good thing you have, came because God in His providential mercy, allowed you to be an American. Then I want you to remind yourself of a very important fact. These good things - these freedoms which you have, didn't happen by accident. They came, because men and women of courage, were willing to pay a price for them. Remember, "Your freedom was not bought and paid for at Valley Forge; that was only the down payment." You can only remain free, as you are willing to make regular payments on the account.

Now I would like to challenge you to do something important. It won't be the easiest thing you have ever done, but it will make you a better man and woman - a better American! When you have thought about your children, I dare you to go to the closest mirror you can find; turn on the brightest light in the room and look yourself straight in the eye, if you dare to. Then ask yourself this question: "What have I done as an individual in the past year that would help my country remain free? What have I done to make her a better country? Have I fulfilled God's requirements for my life? If you can answer this question honestly by saying: "Before God, I've done my best, "
then God bless you! But if you are like Jack Mohr, and most Americans I know, you should fall on your knees right there, ask God to forgive you for your neglect. Then make a pledge before God and your children, that with God's help, this "government of the people, by the people, and for the people, shall not perish from this earth."

Salt Without Savor!

"Ye are the salt of the earth; but if the salt have lost his savor, wherewith shall it be salted? It is good for nothing, but to be cast out, and trodden under foot of men;"

(Matt. 5:13)

The idea for this article comes from a printed message I received recently from Brother Ron Stauffer, of WHEELS FOR MERCY MINISTRIES, PO. Box 3625, Brookhaven, Mississippi 39601. In many cases, I have merely put his thoughts in my own words. My purpose was not to try and better his well written article, but to present this truth from a slightly different perspective. Needless to say, I have his full permission to use this material, and I thank him for his cooperation.

The searching question Brother Stauffer asks is this: "Is today's modern, mainstream Christianity just a form of Early New Testament Christianity without it's power?" This is a meaningful question which we would do well to ponder carefully.

In our modern mainstream Christianity, most churches whether Independent or Denominational are experiencing phenomenal growth. I live across the street from such a one in Little Rock, Arkansas. It is called the Agape Church. They have a multi-million dollar facility, in a prime location in the city, complete with a religious TV station. On Sunday, or special occasions the church parking lot overflows, until they must have police to handle the traffic, and they use golf carts to haul worshipers from the parking area to the sanctuary. There is little doubt, that many people are having a "born again" experience in this charismatic church, which adds to the congregation, the money taken in, and larger and larger facilities. But is this the criteria for success in the eyes of the Lord? I think not!

An Australian's Looks at the Identity
DEDICATED TO

Colonel John "Dick" Niemela, USAF Ret., Reston, Virginia. Dick is a newcomer to the Identity fold, but as a dedicated Christian, once he learned his Identity, he has become an ardent student of Israel history, and a superb example of "Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the Word of Truth."

With a military background consisting of years as a combat pilot and serving in a staff capacity in Europe, he is a dedicated patriot and a man I'm honored to call my friend.

His research and reports have been a blessing to me and many others in the Christian Israel Patriot Movement.

SATAN'S KIDS AND THE GERMAN CONNECTION!

INTRODUCTION

This book was originally published over ten years ago and has been out of print for some time. After many requests for this book, and because of the seriousness of this time, I have prayerfully rewritten the text to bring it up to date.

I pray that it will prove to be a blessing to you and open the eyes of some of our brainwashed brethren, in the Judeo-Christian church, who are Israelites and don't know it; so they will stop subsidizing their worst enemies, and begin to sincerely, "Occupy until He comes!"

"We are interested in the goods of others; we are solely interested in pure power." (George Orwell in his book 1984)

Today, the Free World, made up mostly of the basically White Christian Nations, sometimes called Christendom are drifting at an alarming rate into the totalitarianism

In one country after another, opposition parties have been banned, and the press has been controlled, while the people have been deprived of their natural right of self protection, by banning their right to "keep and bear arms."

In each of these countries religions, especially that of Christianity have been banned as offensive to the state, while an Elite Inner Party has taken over complete control. Yet every totalitarian nation, flaunts it's democracy. The perfect example is in Africa, where every Black nation that was once under White Colonial control, is today infinitely worse off in every aspect under Black democratic control. These are not speculations but observable truths.

What of America? "Sweet land of Liberty?" Is it possible that "1984" might happen here? Most people, including many who go by the name Christian, will laugh at the dangers posed by Zionism and will label me as a hate monger, or even worse an anti-Semite, which is worse to many Christians than blasphemy against GOD.

The Apostle Paul warned us about this time in 2 Timothy 4:3,4 where he says, "For the time will come when they will not endure sound doctrine; but after their own lusts (longing for material things) shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto (Jewish) fables." He strengthens this statement in Titus 1:10,11 where he says, "For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses (households), teaching things which ought not for filthy lucre's (money) sake." Then in verse 14 in the same chapter he says, "Not giving heed to Jewish fables, and commandments of men, that turn from the truth." My, how careful the church world is to bypass these verses.

In 2 Thessalonians 2:9-12, he tells us why we should heed this warning, "...after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they might be damned (judged) who believed not the truth, but had pleasure in unrighteousness."

Today in 1999, the Christian church faces the most devastating assault which has been hurled against it in the 2000 years since the Jews first tried to stamp it out in the First Century A.D. Unless the Christian church is willing to discern the sign of the times, she could well end up being a willing agent of the enemy. Already many so called Christians are, without knowing it. She could easily find herself glibly mouthing enemy slogans in the name of our Savior, Jesus Christ.

Who are these enemies?

I have before me as I write, a letter mailed on August 8, 1966, from the Jewish Community Council of Metropolitan Houston, addressed to MEMBERS OF THE COMMUNITY RELATIONS COMMISSION OF THE JEWISH COMMUNITY COUNCIL, and signed by their chairman Malcolm F. Sher, M.D. Here are parts of this letter applicable to the subject under discussion.

"The purpose of this meeting... at the Jewish Community Center, is to note the intrusion
of religion in the public schools, specific the religious pageantry at Christmas time. 
(Can you guess which religion they are referring to?)

"We feel the time to understand and prepare for our role concerning this Christmas 
celebration in our public schools, should be held now, during the summer months, so 
that we might be better prepared to take a course of action. Now is the time we must 
discuss this problem."

This is a mild example of the manner in which Satan's Kids are harassing Christians, 
while ultimately, according to the word of their International leaders, they are planning 
to "drive God from the skies, and destroy White Christian Civilization."

One of the most amazing phenomena of the Twentieth Century, is how a group of 
people, numerically small in number, who hate our Lord Jesus Christ and His church, 
have so completely fooled the vast majority of Christendom into accepting them as 
God's Chosen, while lavishing on them countless billions of dollars which should have 
gone for God's work elsewhere.

While many Christian pastors bow down before the Talmudic idol of International 
Judaism, and world politicians cringe before the power of the Zionist horde, they are 
left free to destroy our most cherished traditions, and our country itself.

What has brought about this curious and potentially fatal situation, where God's enemies 
are elevated to a position of honor by the very men who have been ordained to preach 
Christ's Gospel and Coming Kingdom?

Why do our politicians walk in fear before this insatiable alien minority? Can White 
Christian civilization be delivered from this bondage before it's too late?

In this book, I will attempt to discuss this tremendous problem in terms that the average 
layman can understand. As a foundation for this discussion, I will use a book titled THE 
CONQUEST OF THE WORLD, written by Major Osman Bey in the late 1800's and 
translated from French into English by Dr. F.W. Mathias. Original copies of this book 
may be found in the London Museum. Strangely enough, for obvious reasons, it has 
disappeared from the major city libraries of New York, Chicago, and other large cities.

The Jewish question is one that must be faced and answered by every Christian. If the 
power which is now attempting to strangle the Church of Jesus Christ is to be defeated 
and the Kingdom Movement on earth be set up as foretold in the Scriptures, this evil 
must be defeated.

I pray that God, through the leadership of His precious Holy Spirit, will use this book as 
a means of educating our people to truths they may not know, and to dangers they face. 
May it stiffen our backbone for the trying days which lie ahead, and keep us 
Occupying until He comes!

FACTS EVERY CHRISTIAN SHOULD 
KNOW ABOUT THE 
INTERNATIONAL ZIONIST
CONSPIRACY TO CONTROL, YOU AND THE WORLD

Strangely enough, Judaism is the only religion you may not discuss with impunity. You can go to the library and find books on Mormonism, Seventh Day Adventist, Roman Catholicism, protestantism and even if you desire heathen religions such as Mohammedanism, Buddhism, Satanism, and Wicca. When you look for information on what Jews believe and teach an immediate veil of secrecy goes into place which conceals their real motives. This in itself should arouse your suspicions.

Dr. Benjamin Freedman, a distinguished Jew who served as an advisor to seven presidents, converted to Christianity late in life, and realizing the danger posed by Jewry to his new faith, began to expose Judaism for what it really is.

In his book FACTS ARE FACTS, a letter written to a Jewish colleague who had converted to Roman Catholicism, he revealed some secrets of Judaism that are important for our understanding of the problem. Fully understanding the fact that the Jews of today are not the descendants of Abraham, and knowing the truth of Christ's statements in Revelations 2:9 and 3:9, that refers to "Those who say they are Jews and are not, but are of the synagogue of Satan", he refers to them as so called Jews.

In FACTS ARE FACTS, he mentions a significant truth, "...no institution in our modern society can long survive if its structure from the start is not erected on the FOUNDATION OF TRUTH. The Christian church was first erected on this very solid foundation by its founder Jesus Christ. To remain so, it must maintain this foundation. The deterioration, the disintegration, and finally the destruction of this structure of the Christian faith, will be accelerated in a direct ratio to the extent that misrepresentation and distortion of truth is allowed.

"Without you becoming aware of the fact, the methods you employ contribute in no small degree to dilution of the devotion of countless Christians for their Christian faith. For every ounce of good you accomplish by the conversion of self styled Jews, you create a ton of harm in another direction. It is well known fact, that many counterfeit conversions by Jews, have proved to be infiltrations by latent traitors with treasonable intentions.

"Countless Christians standing on the sidelines in this struggle, see their Christian faith 'withering on the vine' and about to drop into the lap of their dedicated enemies. This cup is made more bitter for them, as they observe this unwarranted and unjustified ignorance and indifference on the part of Christian clergy."

On with our story about the control Satan's Kids, have developed over our Christian nation.

The Board of Governors of the Federal Reserve Banks meets behind closed doors and has more power than our government. They were responsible for the depressions of 1921, and 1929, and are now toying with an ever greater one, which will cause the Great Depression to look like a Sunday School picnic by comparison.

In 1900 an interesting document titled THE PROTOCOLS OF THE LEARNED ELDERS OF ZION, showed up in the literary world. Immediately World Jewry and
their stooges in Christian pulpits declared it to be a forgery. Apparently in their struggle to protect Judaism, they forgot that in order to have a forgery, you must first have an original. The forger does his best to make the forgery look like the original to hoodwink people. The question in my mind is not whether this document is a forgery or not, but the fact that International Jewry has been following it, point by point, like a blueprint, for the last hundred years.

PROTOCOL XX says: "Economic crises have been produced by us for goyim (non-Jewish animals) by no other means than withdrawal of money from circulation." This statement, made about 1903, referred to the panic of 1893, which was caused by the sudden withdrawal of a large amount of gold from the New York Stock Exchange. The money panics of 1907, 1921, and 1929 were caused in the same way, and thousands of Jews became millionaires, almost overnight, as they bought up property from bankrupt Gentiles for a few cents on the dollar. This same manipulation is underway today, where the same people are making profit from America's blood, sweat, and tears. To those of you who believe it can't happen again, let me say, "enjoy the false prosperity you are receiving from the Jew controlled Administration of President Clinton, for it's shattering end is just around the corner.

In line with the Protocol Plot, the Rothschild's lent money to both sides during World War I, and subsidized Hitler's rise into power in German prior to World War II. Without these loans, neither side could have fought a war, since neither side had fully recovered from World War I. International Judaism wanted a Gentile War, which would bring the world into a state of chaos, from which they could impose their One World Government. They almost made it through their stooge, Woodrow Wilson in 1913. He desperately wanted to get America into the League of Nations, only to be stymied by a still then, patriotic Congress.

Wilson brought us into World War I to bail out the Jewish banking interests which had elected him President. Powerful Jews, as now in the Clinton Administration, were put in charge of our government. Men like Bernard Baruch, who headed the War Industries Board, Paul Warburg, head of the Federal Reserve and Eugene Myers, who controlled the left wing pro-Zionist Washington Post, and also headed Allied Chemical and Dye Company. He was made head of the Liberty Loan Drive. Baruch spent over 10 billion dollars of Allied money during World War I, giving the choicest government contracts to his Jewish friends.

Baruch became a multi-millionaire by fleecing the American people, and although these facts were well known in Washington D.C. so great was the power of Zionism in our government that no legal action was ever taken against him.

Baruch, along with Henry Kissinger another Jew who came to prominence during World War II, were probably two of the most dangerous Zionist plotters, and both of them spent their lives carrying out the PROTOCOL PLOT, while representing themselves as American Statesmen and Advisors to Presidents. Both of them pretended to be patriots, protecting American interests in wars their own gangsters had started.

It was this same group of amoral (having no morals) Internationalists who squeezed German financially, as they laid the ground work for the destruction of this Christian country in World War II. The Jew, Samuel Untermeyer brought about an economic boycott of Germany in 1933, as I will discuss later, and few Americans understand that as early as 1900, International Jewry had a war chest of a billion dollars set aside for the
destruction of Christian Germany. Their war cry at that time was, "first we will take Christian Russia, then we will conquer Christian Germany, and go on to conquer Asia, and Africa, finally when America is surrounded, with no friends, they will drop into our laps like overripe fruit." We are very close to that point in 1999.

The purpose of World War II, was to do in Germany, what Jewish plotters had done in Russia in 1917, and eventually established worldwide Communism. While we Americans have been brainwashed into believing that Adolf Hitler was an evil man, the proof of the matter is, that he was destroyed because he was the head of a Christian nation, who kicked over the traces, and refused to obey their Zionist masters. For this he had to be destroyed.

Today this same group of International plotters is engaged in another effort to start World War III.

In fact this war, along with World War I and II, were planned by General Albert Pike, the former Confederate General, over a hundred years ago, after he became a leader in International Masonry. The aims of Freemasonry, and International Judaism for a One World Government are very similar and there is much cooperation between these two powerful groups. Both of them worship Lucifer, rather than Almighty God and are determined to bring the World under his control.

Their plan was for World War III, was to bring the world under Zionist control, presided over by International Jewry, with gentle stooges in government and religion to front for them. They plan to exhaust the nations through continuous warfare, until we fall under their control. This scheme is clearly shown in their textbook on PSYCHOPOLITICS, (available from Scriptures for America, P.O. Box 766, LaPorte, CO 80535, for a donation of $5.00). Here they say, "We must be like a vine upon a tree. We use the tree to climb, and then, strangling it, grow into power on the nourishment of its flesh. We must strike from our path any opposition and use for our tools, any authority that comes to hand." This is why they show no mercy for those who are unfortunate enough to come under their control.

In this same textbook, page 30, they say, "Obedience is the result of force. Concurrent with force is brutality... The most barbaric, brutal use of force, if carried far enough invokes obedience, savage force, sufficiently long displayed towards any individual, will bring about his concurrence with any principle or order.

"Any organization that has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity, will be obeyed. Such a use of force, is itself, is an essential of greatness."

This concept is so contrary to Christian teachings, that it is difficult for our people, especially those who have been brainwashed by enemy propaganda, to believe.

Why were the American people pounded with "Cold War" propaganda against the Soviet Union, when Jews controlled not only Russia, but England, France, Germany, the United States, and a host of other countries? The present crisis in Serbia is of the Jewish making and they brought it about deliberately, to further weaken us and place us in an economic straight jacket. While this Cold War was going on, at least twelve major occasions I can recall, when this Evil Empire as it was called, was on the verge of economic collapse, our government stepped in and bailed them out with billions in
relief, when we could not even pay off the interest on our national debt to the Zionist gangsters.

Have you ever wondered why President Truman formed a five man civilian Atomic Energy Board and then appointed four Jews as members? David Lilienthal, who has known by the FBI to be a member of two Communist front groups, was made it's Chairman. The other Jewish members were W.W. Waymach, R.F. Bacher, and Lewis D. Strauss.

Was it because he could find no Christian gentiles to fill these posts? Don't be silly! Why did he appoint the Jewish, Austrian born Professor Arthur Burns as his economic advisor? Could it possibly be because the PROTOCOLS say Jews must occupy the top positions as economic advisors of the country under conquest?

Today, our President William Clinton has gone overboard in appointing anti-Christ Jews to high government positions. Although he claims to be born again Christian Southern Baptist, he has not appointed one White Anglo-Saxon to a high government position. Here are a few of the Jews who now occupy high position in our government, listed alphabetically:

ADLER, Karen - Director of State Department Policy.

ALBRIGHT, Madeline - Secretary of State.

APFEL, Richard - Chief of Social Security.

BERGER, Samuel - Head of National Security Council.

BOSKIN, Stanley - Economic Policy Advisor.

BREUER, Lanny - Special Counsel of the President.

BREYER, Stephen - Supreme Court Justice.

BROMWICH, Mike - Inspector General of the FBI.

COHEN, David - CIA Director of Operations.

COHEN, William - Secretary of Defense.

DIAMOND, Paul - Head of Economic Policy.

EISENSTAT, Struart - Under Secretary of the Treasury.

EISNER, Hal - Director of Bureau of Intelligence.

GINSBURG, Ruth - Supreme Court Justice.

GLICKMAN, Dan - Secretary of Agriculture.

GREENSPAN, Alan - Chairman of the Federal Reserve.
HANS, Ellen, - Assistant Secretary of Education.
HOLBROOKE, Richard - Special Representative to NATO.
KESSLER, David - Chief of Food & Drug Administration.
KLEIN, Joel - Assistant Attorney General.
LEHMAN, Bruce - Head of U.S. Patent Office.
LIPTON, David - Under Secretary of the Treasury.
MAGAZINER, Ira - Head of National Health Care Policy.
PLTOFSKY, Robert - Chairman Federal Trade Commission.
RABBI RAHM, Emanuel - Director of Communications.
ROSS, Stanley - Member of the National Security Council.
RUBIN, James - Under Secretary of State.
SHERBURNE, Jane - White House Counsel.
SPERLING, Gene - Head of National Economic Council.
TARNOFF, Peter - Deputy Secretary of State.
TENET, George - CIA Chief.
WAXMAN, Seth - Acting Solicitor General.
YELLEN, Jannet - Head Council of Economic Advisors.

These are but some of the more than 100 Jews, Clinton has appointed to high government positions.

Why did the Swedish Jew Ike Eisenhower appoint the Jewess Freda B. Hannoch to be Chairwoman of the Federal Communications Commission, and the Jew Samuel F. Groner to be her assistant? Could it be because the PROTOCOLS say, "We must control all communications of the nations under conquest?"

When Anna Rosenberg, (who had attended Communist meetings and was a member of several Communist Front Groups) hired 10,000 people for the Manhattan Atomic Energy Project, (according to the NEW YORKER, September 15, 1945) these included the Soviet Jewish spies Julius and Ethel Rosenberg, Greenglass, Sobel, Gold, and Klaus Fuchs. Sidney Fields, writing in the NEW YORKER, November 15, 1950, described the power of this Communist leaning Jewess in these words: "Tomorrow, Mrs. Anna Rosenberg assumes her duties as Assistant Secretary of Defense, in charge of the nation's manpower. She will be in charge of 115 U.S. Government Agencies." She went on to hire over a million people while she was in this position. Since then (1950) the Red Network she set up in Washington, DC has never been completely dismantled.
When Klaus Fuchs, the Jewish Atomic Energy traitor was jailed in Canada and brought to the United States for prosecution, it was through the efforts of the Jew Albert Einstein, that he was released.

This story has been repeated in every Administration up to this time, as they bowed under the pressure of International Zionism. It's no wonder that a high ranking Israeli official could brag with impunity, "We have the best Congress money can buy!" Today, at least 70 of our 100 U.S. Senators, pretty much vote the straight Israeli ticket.

During the Kennedy era, we had such Jews as Abraham Ribicoff, Secretary of Health, Education, and Welfare, and Arthur Goldberg, Secretary of Labor. Under President Johnson, we find men such as Nicholas Katzenbach, Attorney General, and Wilbur J. Cohen, Secretary of H.E.W. While Nixon was President, we had one of the worst of all, who is still going strong in International Affairs the KGB double agent and German Jew, Henry Kissinger. As some of you will remember, he filled the powerful position as Secretary of State, and another Jew, James Schlesinger as Secretary of Defense. President Ford had William Simon, Secretary of the Treasury; Edward Levi, Attorney General, while President Carter had W. Michael Blumenthal, Secretary of the Treasury; Philip Klutznik as Secretary of Commerce, and Neil Goldschmidt as Secretary of Transportation.

The great conservative Ronald Reagan had a whole flock of Jewish birds in his nest, 72 in all, each appointed, and not one elected by our people. The Administrations of every President since Woodrow Wilson during World War I, has been under at least partial Jewish control. The result, as George Wallace once said, "There isn't a dimes worth of difference between the Republican and Democratic Parties," in that time span. No matter which one has been in the driver's seat, the power behind the throne, has been Zionist. This is hard for patriotic Americans to swallow and is why Harold Rosenthal, Administrative Assistant to the Jewish Senator from New York, Jacob Javits, could boastingly say, "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While naive Americans waited for Khruschev to bury them, we have taught them to submit to our every will." This is why God warned His Israel people that they must not allow "strangers to rule over them" and why in Deuteronomy 28:43,44 we read the end result, "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low... he shall be the head and thou shalt be the tail." If you can't see how this has happened, it's because you have buried your heads in the sand. Today, in 1999, the closing out year of this age, we are a conquered people, and have lost our freedom through default.

Today, we see the confusing sight of a Christian nation of more than 260 million people, as they are controlled by a minority that numbers less than 2% of our population.

While Christians in America have been willing to open our doors and share the benefits of America with the Jews, they are not satisfied and want us to run things their way. They want it all! The Jewish author Maurice Samuels, in his book YOU GENTILES said, "We Jews, are the destroyers, and we will remain the destroyers, there is nothing you can do to satisfy us, for we need a world of our own."

Today, whenever Jews are accused of doing anything contrary to good order, they raise the plaintive cry of anti-Semitism, which is a misnomer, since the vast majority of Jews are not Semites, but Turco-Mongolian by descent. Every Prime Minister of the "mini state" in Palestine has come from this Oriental background. This needs to become
corrected in Christian minds, with Christians not to become anti-Semitic, but Jew-conscious.

If any people, or group of people are guilty of crimes against the American people, they should be publicly tried, condemned, and punished. The Jews must not be allowed to be free from this Law of civilized nations. The Jewish Anti-Defamation League of the B'nai B'rith Lodge, and the American Jewish Congress are subversive agents of a foreign government, operating illegally on American soil without permits. They operate contrary to the good of America, and the welfare of the Israeli is the first order of business in their lives. They must not be allowed to continue this deception and should either answer for their many crimes, or be forced to leave the country.

You may say, as many Christians have, "Why condemn all Jews?" It is because the Jewish communities of America, for the most part cooperate with the illegal activities of Zionism. After all, REMEMBER it was ALL the Jews who condemned Christ to death and said, "His blood be on our heads and those of our children." (Matthew 27:25) Even though an occasional Jewish voice is raised against the evils of World Zionism, still the Jewish people as a whole, have developed an arrogance which places them above the law, or so they believe.

This can be emphasized by a story that made it's rounds in Washington, DC during the Carter Administration. It concerned a meeting that was supposed to have taken place between God, Breshnev, Carter, and Begin. The Soviet leader asked God: "Will there ever be a time when there is peace between the Soviet Union and America?" and God replied: "Yes, but not in your life time." Then Carter asked: "Will there ever be a time when Black and White people will get along on friendly terms?" and God replied: "Yes, but not in your life time." Then Begin asked:

"Will there ever be a time when Jews and Goyim will be able to get along? and God replied: "No, not in My life time!" This high lights the statement made by our friend the Apostle Paul in 1 Thessalonians 2:15, where speaking about the Jews he said, and they please not God, and are contrary to all men.

While Jewish apologists like Jack Van Impe say the Jews were kicked out of every country in Europe at some time or other, because they are God's Chosen people and Satan hates them. This cannot be true, for it would contradict the words of our Savior Himself in John 8:44 when He told the Jewish leaders, "Ye are of your father the devil, and the lusts of your father ye will do." For a second witness, turn to Matthew 23:15, where Jesus again, speaking to the Jewish religious authorities accused them of going sea and land to make converts, only to "make him twofold more the child of hell then yourselves."

It's sad indeed, that millions of Christians in America, would rather listen to men like Van Impe, Robertson, Falwell, and others who back these Christ haters, calling them God's Chosen, when their Savior tells them differently.

Benjamin Franklin, our "elder statesman" during the Revolution, had many encounters with Jews and warned the 1787 Constitutional Convention in Philadelphia, "Gentlemen, 'In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated. They have sneered at and tried to undermine the Christian religion, have built up a State within a State, and have when opposed, tried to strangle
that country financially.

"If you do not exclude them from the United States in this Constitution, in less than 200 years they will have swarmed in such great numbers, that they will dominate and devour the land and change our form of government. If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in their counting houses, rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all times, your children will curse you in your graves. Jews, gentlemen, are Asiatics, they will never be otherwise."

Our forefathers did not listen to this wise man and today, they control this nation.

Jeremiah, the Old Testament prophet wrote about these people in Jeremiah 9:5, where he said, "They deceive every one his neighbor, and speak not the truth: they have taught their tongue to speak lies, and weary themselves to commit iniquity." Any Jew who has been taught from their holy book, has been schooled in this deceit!

The risen Christ, further exposed these pseudo-Jews in Revelations 2:9; 3:9, when He warns about, "of them which say they are Jews, and are not, but are the synagogue (congregation) of Satan."

In Luke 11:49-51 Christ said, "Therefore also said the wisdom of God, I will send them prophets and apostles, and some of them they shall slay and persecute: That the blood of all the prophets, which was shed from the foundation of the world, may be required of this generation; From the blood of Abel unto the blood of Zacharias,... It shall be required of this generation." Their own writers have said, "Our major vice of old, as of today is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world. But despite our faults, we would never have done so much damage to the world if it had not been for genius for evil leadership...

The shame of Jewry comes not from our being the bankers and old clothesmen of the world. It comes rather of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership.

"Read for yourself, the story of the progress of Jewry through out Europe and America. Wherever they have come they are welcomed, permitted to settle down and join in the general business of the community. One by one the industries of the country close to them because of their unfair practices... until it is impossible to longer hold in check the wrath of a betrayed people. There is violence and, invariably, an ignominious ejection of the whole race from the land. There is not a single instance when Jews have not fully deserved the bitter fruit of the fury of their persecutors."

"Their (Jew's) disease is a sort of moral gonorrhea known as Judaism and seems, alas, to be incurable. The results, as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt, take a look at any Jew ridden country in Europe. Then if you need any further convincing, take a look at what's happening in America.

"It is my belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is in subversion of America's best interests." (The foregoing remarks are not from an anti-Semite, but came from a book titled "JEWS MUST LIVE", by the Jewish author Samuel Roth, published by the Golden Hind Press of New York City.)
While the Christian Church, has gone into all the world, to proclaim the Good News of the Gospel, as our Lord commanded, they have never been very successful in reaching Jews, in spite of the exaggerated claims of "Jews for Jesus". They are fixed people when it comes to their hatred of Jesus Christ and Christianity, and genuine changeovers to Christianity are rare. As Benjamin Freedman said, "There are many phony conversions for the purpose of infiltrating and destroying the church from within."

In fact, as early as 1286 A.D. a Protocol to the Jews of France ordered them, "Make of your sons clerics and priests, so that they may infiltrate the Christian church and destroy it from within." It has been found in numerous cases, that when Jews have converted to Christianity, it was because they were adopted children and had no Jewish blood in their veins. Jesus pretty well covered the reason why they did not respond to Him, in John 8:43 when He asked, "Why do ye not understand my speech? even because ye cannot hear my word." This was followed by His accusation, in verse 44, & 45 "Ye are of your father the devil, and the lusts of your father ye will do... And because I tell you the truth, ye believed me not." Verse 47 of the same Chapter, says, "He that is of God heareth God's words: ye therefore hear them not, because ye are not of God." How much plainer could He have been? Then in John 10:26, to clear up any misunderstanding He said to the Jewish leaders, "But ye (Jews) believe Me not, because ye are not of my sheep."

The Apostle John preached to a people who had been brought up in the Jewish faith, in the "tradition of the Elders", which meant under Talmudic teaching. He had been an eye witness to the murder of His Lord, and probably was present when they said, "His blood be on our heads and that of our children." It was impossible that he could have had another people in mind when he spoke about the murderous spirit of Cain in 1 John 3:12. He echoed about Cain, what His Lord had said about the Pharisees in John 8:44. This did not make him a SEEDLINER.

The entire book of Jude, is a frank discussion of Jewish characteristics, God had made many covenants with Israel and the original Judah, but there is no record that He ever made a covenant with a people called the Jews. (I was about to say a race of people called Jews, when it suddenly dawned on me, that there is no such thing, any more than there is race of Christians.)

No where in the Bible can you find where people called Jews were defended as, or called the Chosen People. This is a Jewish myth, manufactured by the Rabbis for goyim consumption, and Christianity has swallowed it hook, line, and sinker. The Jews have been a mixed, mongrelized people since they returned from Babylonian Captivity. They came back, (a tiny percentage of them) as a heathen mongrelized throng, with the new religion of Talmudic Judaism, that superseded the old and respected religion of Hebrewism under Moses. When they bragged to Jesus in John 5 how they followed Moses, He replied in verses 45-47. "Do not think that I will accuse you to the Father: there is one that accuseth you even Moses, in whom ye (say ye) trust. For had ye believed Moses, ye would have believed me: for he wrote of me. But if ye believe not his writings, (and they did not) how shall ye believe my words?"

Both books of Ezra and Nehemiah show this mongrelized throng as they returned from Babylonian captivity. They brought back with them a heathenized religion that had admixed with the occult worship of Babylon, against which God had warned again and again. It contained the worst features of Baal worship and heathenism.
The eighth chapter of *Ezekiel* envisions this abomination, but it is to lengthy to quote here in it's entirety. Here are some hints. The angel who spoke to Ezekiel told him to dig in the wall of Jerusalem where he found a gate. The angel told him, "Go in, and behold the wicked abominations that they do here... all the idols of the house of Israel, portrayed upon the wall round about. And there stood before them seventy men of the ancients, of the house of Israel with a censer in his hand;" and then the angel told Ezekiel "You have seen what the ancients of the house of Israel, do in the dark ... for they say, 'The Lord seeth us not; the Lord forsaketh the earth!'" In verse 16 of that same chapter he tells how he saw twenty five men worshiping the sun, with their backs towards the temple of the Lord and their faces towards the east and the sun, so even though it mentions Israel, we know he is speaking about Jews, because this takes place in Jerusalem, in the temple.

A close honest study of Jewish history will reveal to any honest person, that the tribe of Judah absorbed so many of the Canaanites and became so involved in Canaanite practices, that they completely lost their identity as Hebrews.

The Canaanites, following the lead of their father Cain, were a demon possessed people. Evil spirits do not drown in a flood, and while Noah was a perfect man in his **BLOODLINE**, there is nothing in the Bible which indicates that his wife and sons were perfect in righteousness. I am inclined to believe that the Black race came into being, when Noah's son Ham, cohabited with a Pre-Adamic woman aboard the ark. (We know they were there for the Bible says that at least two of every living species was on the ark.)

The fact that Noah's grandson Canaan, had a curse pronounced on him in *Genesis 9:25* indicates that evil spirits were active **this side of the flood**. There was only one Jew among Jesus disciples and that was Judas Iscariot, who was picked by Jesus for the special purpose of betraying his Master. Jesus said of him in *John 6:70* "Have not I chosen you twelve and one of you (Judas) is a devil?" In *John 13:26*, we are told how Jesus gave Judas a sop (morsel of food, usually soaked in wine) at the Last Supper and when He gave it to Judas, "Satan entered into him." In other words he was **demon possessed**.

In *Acts 13:6* we read about a Jewish prophet who tried to hinder the work of Paul and Barnabas and speaking to him in *verse 10*, Paul uses some picturesque language, "O full of all subtility and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?" This has been the Jewish way from their beginning, when dealing with Christ and Christians. Today the Judeo-Christians church is making a bed-fellow of those who vowed to destroy them. Strange and sad, isn't it?

There is no way you can explain Jesus' statements in Matthew *23:15*, and *Luke 11:50*, unless you understand that Jesus was spiritually correct, when he called the Jewish people **children of Satan**.

Our Fundamental churches are inspiring the Jewish enemy to intensify their self rebellion against God, by calling them His Chosen. If the truth were told in Judeo-Christian pulpits, the Jew would come tumbling down from his lofty perch. Nowhere were the Jews and Canaanites, (and the words are inter-changeable) ever promised rulership of the world. The Judeo-Christian world, unsuspecting it may be, but true never the less, has put a cloak of respectability around the shoulders of the most vicious
enemy the church has ever had, and are **cutting their own throats** in the process. How the Jewish leaders must laugh in secret, as they see the stupidity of the goyim sheeple leaders.

Referring again to Harold Rosenthal he said, "We (Jews) are amazed by the Christians stupidity in receiving our teachings and propagating them. Judaism is not only the teaching of the synagogue, it is the doctrine of most every Christian church in America. Through our propaganda, the Christian church has become our most avid supporter. This has given us a special place in your society, as they believe that we Jews are God's chosen people and they are Gentiles.

"The deluded children of the church defend us to the point of destroying their own culture. This truth should be obvious to any dullard when one views history and sees how your wars have been White fighting White in order to maintain control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during World War I and II. Through our influence on religion we were able to involve ignorant White Christians in wars against themselves which always impoverished both sides, (both money wise and manpower wise - MOHR) while we Jews reaped a financial and political harvest. Any time truth comes forth which exposes us, we simply rally our forces - the ignorant Christians. They attack the crusaders even if they are members of their own family." (Anyone who has ever tried to tell the truth about Jewry can attest to this fact.)

Cain hated the **blood sacrifice** which was necessary for the remission of sin. (see Hebrews 9:22) The Canaanite Jews hate the idea of blood atonement and no people can be God's people who hate the shed blood of God's Son, Jesus Christ.

Trace religious **modernism** that scoffs at the **blood atonement**, of Jesus Christ, and nine times out of ten, you will arrive at a Jewish source. It was Jewish **Higher Criticism**, that has done more to destroy true Christianity in the last Century, than any other thing. These blasphemers (many of whom are White Christian Israelites) have gone so far as to make plans for the removal of every reference to Jesus Christ in the New Testament that is offensive to the Jews. The Jews in turn, has done nothing and will do nothing to remove much more offensive parts against Christians found in their religious book, the Talmud. This means that all references to the **shed blood** of Jesus must go and there can be no Christianity with out this belief. The Apostle John put it very strong in 1 John 2:22,23 when he said, "Who is a liar, but he that denieth that Jesus is the Christ? He is anti-christ, that denieth the Father and the Son. Whosoever denieth the Son, the SAME HATH NOT THE FATHER." (Emphasis mine!)

How can you get around this verse when dealing with Jews? Then add 1 John 5:10 which says, "He that believeth on the Son of God hath the witness in himself: he that believeth not God hath made him a liar; because he believeth not the record that SATAN'S God of His Son." I don't see how it could be made any plainer. Yet such is the perversity of human nature, that man will see the **truth**, and refuse to recognize it. For over fifty years, I was in spiritual blindness. I loved the Lord, and said I believed His Word, yet I accepted the teachings of man, rather than what the Word said, as the prophesy of Isaiah 29:13 came to pass - "Forasmuch as this people draw near Me with there mouth, and with their lips do honour Me, but have removed their heart far from Me, and their fear toward Me is taught by the precept of man:" Our Lord quoted this in Matthew 15:8, and went on in **verse 9 to say**, "But in vain they do worship Me, teaching doctrines the commandments of men." Most Christians would get angry if you
accused them of doing this, but this is exactly what they do when they accept Jewish teachings in place of our Lord's own words.

Unless Christians are willing to stand against this Jew led program of humanism, we will soon be unable to send a Bible through the mail, or witness to a lost person outside our own home. Already programs are underway, as you know, to take the Name of Jesus out of public schools, and remove it from government offices, and public functions. This vicious drive is almost without fail, lead by the anti-Christ Jews who control the A.C.L.U. (American Civil Liberties Union)

Almost all cases to remove Christian symbols from public life at Christmas and Easter, are brought by Jews, and prosecuted by Jews. Yet in many cases, they have the backing of so called Christian pastors. They do not want to do away with these holidays, as they make too much money off the goyim who support them. They just want to take Christ out of all Christian celebrations, even the church.

These once Christian festivals, have been turned into a heathen saturnalia, complete with a fat little Jewish god dressed in a red suit they called Santa Claus, magical reindeer, and at Easter time a bunny that lays colored eggs. Talk about Jews fables, (Titus 1:14).

The Jew led Revolution in Russia cost over 35-million dead, far exceeding the blown up figure of 6-million Jews in the World War II Holocaust. Since then, over a 100-million died, and are still dying under this Jewish terror, many of them Christians who were not RAPTURED, when the enemy took over. Have you ever wondered why the Jewish media, TV, and Hollywood never bring this to our attention, while the Jewish HOLOCAUST, is constantly being pounded down our throats?

Why was the most vicious persecution by Jewish-Communism in Russia against Roman Catholics, Pentecostals, and Baptist? It was because these three groups, more than any other Christians, believed in the necessity of blood atonement. The very Fundamentalists who support the anti-Christ Jews, and have raised them to the position or respectability, are the ones who will suffer most if World Zionism ever takes over control of America. The first one's to go will be the Jerry Falwell's, the Pat Robertson's, the Jack Van Impe's, and the David Webber's, who brag about being Christian Jews. Yet these seemingly intelligent men, have allowed themselves to become blinded to the obvious truth and are heading our people down the pathway to Communist and Jewish terror.

The very word Cain, signifies a love for worldly things, and the Jews motto is: "The gelts the thing", (what you can get from the Gentiles, no matter what you must do to get it. It permeates the teachings of their sacred book the TALMUD). Referring to Harold Rosenthal once again, he said, "During Christ's time, we Jews were seeking a material and earthly kingdom but Christ offered the Jews a spiritual kingdom. This they couldn't buy, so they rejected Jesus Christ and had Him crucified." He went on to say, "Money is more important than morality. We can accomplish anything with money. Our people are proving themselves in Israel and the kibbutz raised intellectual elements are going to build that little country into a mid-east wonderland. It will eventually be the base for World Government Headquarters."

What does God's Word have to say about this? Turn to Malachi 1:2-4, as God speaks to Israel, "I have loved you, saith the Lord. Yet ye say, Wherein hast thou loved us? Was
not Esau Jacob's brother? saith the Lord: yet I loved Jacob, And hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. Whereas Edom saith, We are impoverished, but we will return and build the desolate places (what they are doing now in Palestine); thus saith the Lord of hosts, They shall build, but I will throw down; and they (true Israel) shall call them, The borders of wickedness and, The people against whom the Lord hath indignation for ever." So much for Mr. Rosenthal's predictions, the Word of the Lord shall come to pass!

The spirit of modern Judaism can be seen in many Jewish writings and in the actions of Jewish organizations such as the Anti-Defamation League. Listen to this statement from one of their leaders, "We intend to rule the world, and nothing you can do will stop us. We have our defamation committees and have all Christian preachers classified in our card index files. If any preacher dares say anything against a Jew, we will fix him."

When you consider that Jews make up less than 3% of America's population, doesn't it seem strange to you that they have taken so much power on themselves? This is true not only in America, but through the Israelite world of White Christendom. There are many intelligence documents available which prove without a shadow of a doubt, that Khazar (Ashkenazi) Jews have been, and now are, in the forefront of Communist efforts to subdue the world. In spite of what you may have heard, even from conservative organizations such as Liberty Lobby, Communism is not dead. It has just changed it's name and is now called the New World Order. It is still controlled by the same International Jews, who have operated it from the beginning.

In the past there have been men such as Sam Carr (Cohen), the Communist Organizer in Canada; Fred Rose (Rosenthal), organizer of Communism in French Canada; the German Rabinovich was in charge of American Communists; John Gates (Israel Regenstreif), editor of the American Daily Worker, (a Communist rag) and Gus Hall (Hallberg), the perennial head of the American Communist Party for many years, who ran for President on it's platform. Hall was the man who bragged: "I will live to see the day, when the last preacher is strangled with the guts of the last Congressman.

"The Christians love blood so much, we will give them all they can handle, as we cut the throats of their children and drag them over the altar rails of their churches. May the parents drown in the blood of their own children." You folks who back the Jews, better look at statements such as this, for they reflect Jewish hatred for Christ and Christianity and are not idle threats.

The traitors to America in the last century, especially those who have given America's atomic secrets to the enemy, have been almost 100% Jews. There have been men like Harry Golden (Abraham Brothmann); Miriam Mosckowicz; David Greenglass, and Julius and Ethel Rosenberg, who were the ones executed and who have been made martyrs by the Jewish Community. Dr. William Perl of Columbia University, was arrested as part of a Communist spy ring. He had changed his name from Utterperi. The true head of the American Communist Party was another Khazar Jew named Gerhardt Eisler.

When asked why Jews often take Anglicized names, a Jewish spokesman said, "Jews are the most intelligent people in the world so if it benefits them to change their names they do so. That's all there is to it. They mix in your society which is plenty corrupt in itself - so while the Jews are benefiting themselves the dumb goy doesn't realize that these Jews with non-Jew names are Jews. Don't be concerned with Jews in the
Government who have changed their names, because in the foreseeable future there will be no goyim Presidential power in the United States. Our Invisible Government will take over." (It should be noted, that for years, Jews in Hollywood and in the entertainment world, have changed to Anglicized names to hide their Jewish background.)

It has only since World War II, that Jewish power has noticeably increased in the United States. As long as France, England, and Germany were politically powerful, the Jews jumped on their band wagon, but as America became the most powerful nation internationally, suddenly the seat of International Jewish power switched from London, and Berlin, to New York City.

Along with this switch of power has gone an interesting, startling, and dangerous phenomenon, as we now see almost complete Jewish control over what was once called a Free Press. In 1840, a Jewish Council was called at Cracow, Poland. This was a sort of Ecumenical Council, where the most prominent leaders of World Jewry, from all factions, sat down for consultation. The object of this meeting was to find means of securing the triumphs of Jewry in their move towards world dominion. Different subjects were discussed. Some dealt with theology; some were in the field of politics; while others dealt with finances. A lively debate arose, during which a clear voice made itself heard, in the form of one of the world's most important Jewish authorities. He said, "What are we talking about? So long as we do not have the world press in our hands, all we say will be idle talk. In vain will you organize societies, loans, bankruptcies, and the like; so long as we have not the press in our hands to deafen and deceive the world, we accomplish nothing, and our rule will remain merely the platform of our brain." He was merely expressing what had been laid down in the controversial PROTOCOLS, if 2, 5 "In the hands of the State today there is a great force that creates movement of thought in the people and this is the Press. The part played by the press is to keep pointing to our requirements. The Goyim States have not learned how to make use of this power, and it is now in our hands. Through the Press we have gained the power to influence others, while remaining ourselves in the shade."

His listeners recognized the Satanic wisdom of these words and a new light dawned in Jewry, which sent them in a new direction. They began an immediate campaign to control the world's news media. From that date in 1840, we have seen the effect of that Satanic project to turn the press of the world into an engine of war, a sort of artillery, which can be directed against any kind of obstacle that opposes Judaism.

I'm sure that many of my readers have had frustrating experiences in dealing with the Press. While articles favorable to Jews are printed without problem, it is like pulling teeth to get an article printed which discusses the Jewish questions with candor, even when the facts presented are documented. While many conservative Christian organizations are handled with contempt by the press, the A.D.L., the J.D.L., and most Jewish organizations are handled with kid gloves. It is rare indeed to see an article critical to International Zionism in a daily newspaper and the same is true in the field of book publishing.

The first class up for control became important newspapers such as the New York Times, The Washington Post, The London Times, Les Debats, and "Independence Beige in France.

At the present time (1982), more than 47 major weekly magazines, with
a circulation of over 79-million, are either directly owned or controlled by Jews. Listed below are a few of them:-

NOTE: There may have been some change in ownership and control, as this list was made some years ago, and Jewish control has increased tremendously since then.
In addition to the above, there are more than 17 daily newspapers with a circulation between 250,000 and 500,000 which are Jewish owned/and controlled, including such newspapers as the San Francisco Chronicle, the Miami Herald, the St. Louis Post Dispatch, the Atlanta Journal, the Indianapolis Star, the Boston Globe, the Kansas City Times, and the Omaha Herald.

Add to this the nation's major TV networks - ABC, CBS, NBC, and Metro-Media, and the major Hollywood movie studios, and you begin to realize the tremendous control Jewry exerts over the thinking of the American public, including countless millions of Christians.

Public attention was called to this fact a few years ago, when General George Brown, Chairman of the Joint Chiefs of Staff and former Vice President Spiro Agnew, were forced to leave their jobs over remarks they had made about the Jews which were not considered to be politically proper. Both of these men suffered when they tried to warn their countrymen about the plans of Zionism.

A corporate director, or an editorial manager of Jewish descent, may not be Zionist, but it is reasonable assumption that his sympathies will coincide with those of International Jewry, especially when his job depends on it, and this feeling, no doubt will be translated into biased accounts which interfere with any objective reporting of the news.

The bias of a news director can easily be passed down to his subordinates over lunch, cocktails, or even in the executive washroom. As you must know, pay and promotions usually depend on the good will of the boss, and very few reporters have the guts to buck the boss' wishes.

Within a large newspaper chain, such as those owned by the New York Times, or the Knight-Rider Newspapers, Inc., individual papers may vary in their editorial positions on many issues, some may be pro-Republican, while others will be pro-Democrat. When it comes to Jewry, they will be 100% pro-Israeli. Word from the top has a way of filtering down to the lowest reporter and if he wants to keep his or her job, the must toe the Zionist line.

The three major TV networks and Hollywood have been under Jewish control for a long time, and major newspapers such as the New York Times and the Washington Post have been under Jewish control from the beginning. Other once great newspapers such as the Chicago Tribune which was at one time noted for its conservative Christian stand under the direction of Colonel McCormick, have now been taken over by Jews and serve Jewish purposes. The same is true with organizations such as Walt Disney World in Florida. Today under Jewish control, this once family oriented amusement park, has become the dwelling place of all kinds of foul moral beasts, while its theme is now anti-Christian.

It is interesting to note that the so-called Wall Street Journal and the extremely liberal New York Times, cooperated in the defense of the Jew Helmut Sonnenfeldt, who was counselor of the U.S. State Department under the Zionist Secretary of State, Henry Kissinger, when he was opposed by some in Congress to an appointment as Under Secretary of the Treasury for Monetary Affairs. These newspapers defended him when serious charges were brought against him, accusing him of transferring highly classified military information to the Israeli government. In their defense, the positions of these two newspapers were identical. The impact of this influence in the newspapers, is
compounded when we add TIMES, NEWSWEEK, and U.S. NEWS AND WORLD REPORT, to Zionist positions.

The major Jewish influence is on the few non-Jewish newspapers and commentators who are often forced into taking a Jewish stance in order to stay in business. The late Dorothy Thompson who was an influential commentator for years, lost all of her outlets, when she spoke out against Zionism. Joseph Kraft and C.L. Sulkenberger are two examples of pro-Zionists columnists, who while their stand was repugnant to many Christian readers, still held high paying positions because they are willing to brown-nose the Zionists. There is no need to speak out about men like Peter Jennings, who make great show on their TV programs, while being paid prostitutes of Judaism!

The Jewish mechanics in controlling small newspapers is to cut off it's advertising and shut off it's paper supplies. As a result, very few independent newspapers will buck the Zionist line.

There are several vicious Jewish commentators on TV, such as CBS Sixty Minutes, the 20/20 Show, and at one time the PHIL DONAHUE SHOW. All these are distinctly liberal, pro-Zionist, and anti-Christian and are all run by Jews.

This Jewish control did not come about by accident, nor is it haphazard. It was a well designed plan to control the thinking of White Christians in particular, through a process known as PSYCHOPOLITICS. This is the art of controlling the thinking of a people under conquest, so that eventually you can completely control them physically.

Their constant campaign to brainwash Americans, especially White Christians, has brought about the conditions they need for complete world take over. Their textbook states that the end result of PSYCHOPOLITICS is to, "produce a maximum chaos in the culture of our enemy. Our fruits are grown in chaos, distrust, economic depression, and scientific turmoil... so use the courts, use the judges, use the Constitution of the country and it's laws to further our ends." A good example is their love for the First Amendment, as long as it applies to Jewish freedom of speech.

The plan to control national communications, presented in Poland in 1840, and which was first implemented in Europe, took root in the United States immediately following World War II, when the head quarters of International Zionism moved from London to New York City. The Zionists realized that both Britain and France were becoming second class powers and that world power had passed into the hands of a few, immensely wealthy, powerful Jews in America. Although both David Ben-Gurion and Golda Meier (the first Zionist Ambassador to the Soviet Union and an avowed Communist Sympathizer) wanted an alliance between the Soviet Union and the Israeli nation in Palestine, with a Communist label, they told Ben-Gurion that since most of his financial support would come from the United States, they did not want any alienation of American opinion. They argued, that in view of the open, democratic way of life in the United States, they would be able to dominate our political life, while this would be impossible in the Soviet Union.

The use of the Press by the Jewish minority, strengthens my arguments concerning International Jewish control. Coordinating business interests with those of politics, the Jewish run media has profited immensely at the expense of truth for our people. They have used the media as a ring in the nose of a bull, to control American politics. Until this Jewish Control is broken once and for all, misfortune, confusion, and continued
decadence will be the order of the day, until our people will revolt in a bloody revolution, or are lead docilely, into their International Slave Plantation. There will be no national liberation or regeneration as long as these con-artists control American thinking. That they believe a revolution is in the offing, can be seen by their vicious drive to get firearms out of the hands of the American patriot. They cannot take over control, as long as 70-million Americans remain armed. So they will use every means possible, including contrived violence to bring this about.

The United States is a nation young in tradition. We believe, rightly, that "brave men should stand between their homes and wars desolation." We are rightly being angered with being used as guinea pigs to fight the Jews wars, where only they benefit and we suffer the losses. The nomadic Jewish people, on the other hand are one of the oldest political entities in the world and Jewry was born under conditions that called for it extinction without a homeland. May I suggest you study Genesis 4:9-18.

The Jews for centuries have practiced the art of deception, until it has become a second nature to them. They have waged war for over 25 centuries and are taught the art of deception from the day of their birth. The very nature of their TALMUDIC religion is one of deception of the goyim. This means that there are over 4-million combat ready fighters deployed in the United States alone, who will rape, murder, and terrorize if necessary at the command from Jerusalem. Many of these have high positions in our Gentile governments.

While the government goes out of its way to strictly control all so called right wing Christian movements, and views with suspicion any movement which is meant to protect White Christian civilization, the Jews, through organizations such as the JEWISH DEFENSE LEAGUE, are free to train their fighters, using fully automatic weapons which are illegal for Christians to use. They are free to bomb Jewish synagogues, and desecrate Jewish graves and lay the blame on radical right wing organizations such as the Ku Klux Klan, or the Neo-Nazis. For the Nationalist Jews, "the end always justifies the means, no matter how horrendous this maybe", and they have been known to kill thousands of their own lesser brethren (the little Jews), when it is deemed necessary for their success. The startling thing is that they have been able to fool most Christians into believing that of all people in the world, only they have this right.

INTERNATIONAL JEWRY ALWAYS FOLLOW THE FOLLOWING

FOUR PRONGED STRATEGY:

1. - Manipulate members of the host nation into helping the Jewish people, no matter how dangerous it may be to the welfare of the nation.
2. - If an individual refuses to cooperate, by-pass him and take care of him during mop up operations. This is an unbreakable rule of warfare.
3. - If the enemy actively resists, mark him for destruction and then destroy him through defamation brought about through control of the media, or by using the nation's due process of law through Jewish controlled courts and lawyers.
Listen to this idea espoused in their handbook on PSYCHOPOLITICS, Page 52: "Recruit every agency of the nation marked for slaughter into a foaming hatred of religion. You must suborn district attorneys and judges into an intense belief that Christian practice is vicious, bad, insanity causing, publicly hated, and intolerable. Just as in Russia we had to destroy, after many years of arduous work, the Church, so we must destroy ALL FAITHS in nations marked for slaughter. "This is the Jewish TALMUDIC plan for America.

4. - Never let any individual or organization in the host nation, use the media or the courts to counter-attack us, or for their own defense. Any close look at recent court decisions, will show this bias against Christians, since a majority of the Judges and attorneys are Jews.

This theory has been eminently successful in America, to the point that when a Jew attacks Christ or Christians it is considered acceptable as freedom of speech, but if the Christian is unwise, or brave enough to retaliate and expose the Jew's nefarious purpose, it is automatically classified as anti-Semitism, or a hate crime. Often Christians are ostracized by their own people, who are willing to believe the enemy, rather than their own. I experienced this when I left the Fundamental Baptist Church, in 1981, for the Truth of Israel Identity and the Kingdom Movement. I was immediately labeled an apostate by my own pastor, and in the intervening 18 years, not one Baptist pastor, has attempted to show me where I was wrong from the Word. They avoid me as though I had the plague.

If I as an Anglo-Saxon author, were to charge that my writings were not accepted in Fundamental churches, not because they were unscriptural, but because they would not pass Jewish censorship, there would be a great hue and cry coming from the Fundamentalist camp, and I would immediately be labeled an apostate. Not because I had departed from the "fundamentals of the faith," but because I no longer accept the anti-Christs of Judaism as God's Chosen.

Is the most powerful nation in the world, when measured by tangible armaments, totally unable to defend itself against treason from within, and an ideological war, waged by a handful of aliens against our very foundations?

Certainly America is unprepared for this war, when we have traitors against the cause of Christ, who stand behind the pulpits of this land, extolling the merits of the enemy. We have been infiltrated and the church has become the main source of our problem. We are told in Jeremiah 23:22 - "But if they (the pastors of Israel) had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil ways, and from the evil of their doings. "This wasn't happened in America, and it shows by the fact that with 50-million born again Christians in the country, we are headed for hell faster now than at any time in our history.

Most Christians, including their pastors know very little about the Jewish religion, other than what they read in their Sunday School literature, which may very well have been written by an unsaved Jew. The same is true of graduates from Seminaries and Bible schools, which have been heavily infiltrated by Jews.

Most Christians believe that Jews follow the teachings of Moses, although their Bible clearly shows them that Jesus told the Jewish authorities, "For had ye believed Moses, ye would have believed Me: for he wrote of Me. But if ye believe not his writings, how shall ye believe my Words?" (John 5:46,47)

There are very few Jews of Abrahamic blood and these are to be found among the group called Sephardim, Mediterranean Jews. The much larger group, possibly 90%, are of Oriental, Turco-Mongolian blood and their fore fathers never set foot in Palestine. These are the ones who have accepted the heathen teachings of the TALMUD, and are ruled in their religious life, by it's filthy, anti-God teachings.

Most of their ancestors came from a heathen group known as Khazars, from Southeastern Russia, who were converted to Judaism in the 8th Century A.D. May I suggest that you read the Jew Arthur
The vast majority of Judaism are atheists and agnostics. They believe the coming Messiah is the Jewish nation, as it rises to prominence and takes over control of the world, and this is what they live for. They look forward to the day promised in their TALMUD, when "every Jew will have 2,000 goyim slaves."

It is interesting to note that wealthy Jews in the fields of arts and culture refer to promising young talents as stables. Could this have something to do with the Talmudic teaching that "Only Jews are men and that all others, especially Christians are goyim animals?" (TALMUD, Volume KERITHUTH (6b, page 78), or ORACH CHAIM (225,10), where Christians and animals are grouped together for comparison.

Like all conspiracies, the Jews have one glaring weakness. Their work must be done in secret to be successful. This is why they raise such a stink, when anyone exposes their nefarious purposes.

Their victims must not know what is taking place. They must be lied to, or be made so confused that they refuse to accept the obvious truth when JUDAISM is EXPOSED. If the Christian world ever accepts the truth about Judaism, they will be defeated! Jesus said, "Ye shall know the truth, and the truth make you free." (John 8:32) Truer words were never spoken!

This is why any honest attempt to expose Jewry is met with howls of anguish, from both Jewish leaders, and their Christian stooges. They immediately react by pinning the labels of kook, dangerous-racist, anti-Semite, or Right wing extremist on the exposer. The fact that he is telling the truth, only adds fire to their accusations.

Referring again to Harold Rosenthal, he stated, "Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is an expression we Jews use effectively as a smear word - used to brand a bigot - anyone who dares to criticize a Jew. We use it effectively against hate- mongers."

It is a term that has only recently been created, and has little real meaning, since the majority of the people we know as Jews are not Semites. The Jews use this tool to control and silence opposition to their repugnant ways.

When Jesus spoke to the Jewish leaders of his day, they openly revealed that they were not Israelites. Read it for yourself, John 8:33 - "They answered him, We be Abraham's seed, and were never in bondage to any man:" Which could have meant only one thing. That they traced their ancestry to Abraham through Esau, which meant they were Edomites. We know from historical records that King Herod, who killed the Hebrew babies, and the Chief Priests of the Jews were Edomites. Don't let your pastor spiritualize this passage away, for it is essential in knowing the truth.

Because the truth will make Christians FREE, we see two Jewish programs at work in the world. The one is intended for goyim consumption, while the other is exclusively for Jews. No matter what a Jew may say to his non-Jewish counterpart, he will always be seeking a kingdom to come, on this earth, over which he will be the Supreme Ruler. This desire for a Jewish nation, according to their own writers, will be fulfilled, when the wealth of the world is in their hands and all mankind bows at Jewish feet. This could account for Jewish statements, such as that made by a Rabbi Reichorn, in 1856, at Prague, when at the funeral of another Rabbi he said, "Wars are the Jews harvests. With them we gather up the gold of the goyim while destroying them. We have already killed 100-million of them, and the end is not yet!" You will always find the desire for Jewish power and wealth, accompanied by oceans of blood."

There is little doubt that Henry Ford, Sr. the American Christian Industrialist was right, when he wrote in his book "THE INTERNATIONAL JEW," "If the Jew were fully understood by the Gentiles, if Christian Churches for example, were freed from the delusion that Jews are Old Testament people, and if the churches really knew what Talmudic religion is, this misrepresentation would be impossible. This policy of misrepresentation succeeds, because there is a feeling, strongly
entrenched in Gentiles, that somehow the Jews are Chosen People and that it is dangerous to oppose them in anything; whoever opposes the Jews is damned. The 'fear of the Jews', is a very real element in their life. It is just as real among Jews, as it is among non-Jews, since the Jew himself is bound by fear of his own people and exercises in fear of the curse through the sphere of religion.

"If the Jews were really Old Testament people, if they were really conscious of a mission to be a blessing to all mankind (which was to be Israel's heritage, and has only been fulfilled in the Anglo-Saxon and related Christian nations) the very things in which they offend would automatically disappear. If the Jews are being attacked, it is not because he is a Jew, but because he is a source and life of certain tendencies and influences which, if they are not checked, mean the destruction of a moral society."

How true this far seeing man was. After spending years in research and over 8-million dollars studying the Jewish problem, he came to these conclusions and as usual, International Jewry attempted to destroy him for speaking the truth.

Another great American, who lived many years before the time of Henry Ford, saw this same problem and came to the same conclusion. This is taken verbatim from the "CHRISTIAN LAW JOURNAL," No. 32, 1982, the official publication of the GOSPEL OF CHRIST'S KINGDOM CHURCH:

"As the American colonies rose in revolt against political oppression occasioned by the attempt of Jewish banking houses in Europe to consolidate their economic foothold in the New World, no man among the founding Father's was more alert to the designs of International Jewry, than that shrewd elder statesman of the American Revolution, Benjamin Franklin. Writing to John Adams from Passy, France, on November 26, 1781, Franklin declared: 'I think that keeping us out of possession of fifty thousand pounds sterling worth of goods for securing of a demand for damages, is not only dishonorable treatment but a monstrous injustice. It seems to me. that it is principally with John Neufville of Amsterdam, Holland, we have to do; and although I believe him to be as much a Jew as any in Jerusalem, I did not expect that, with so many and such constant professions of friendship for the United States with which he heads his letters, he would attempt to enforce his demands by a proceeding so abominable. His proposition of terms on which he would borrow money for us stamped his character on my mind with an impression so deep that it is not effaced.' From Albert Smythe's "WRITINGS OF BENJAMIN FRANKLIN", New York, 1905.

De Neufville, was a Dutch Jewish International banking house that wanted to make a loan to Congress on the modest security of the entire Thirteen Colonies and with the stipulation that all American trade and exchange pay a commission on them. In another letter to Adams on December 14, 1791, Franklin remarked that such blood-sucking traits dated back a long way.

In another instance, Franklin revealed his loathing for Jewry in a poem on Benedict Arnold. It was replete with references to Arnold's association with the Jews. The inevitable Jew in the Arnold treason case, was a David Franks. It seems that Franks and the British General Sir Henry Clinton, were involved in illicit trading activities long before Arnold betrayed the American Army into British hands.

Franklin's most damning indictment of Jewry was contained in his famous prophecy at the Constitutional Convention of 1787 in Philadelphia. In one of the most anti-Jewish utterances of all times he declared: "I fully agree with General George Washington, that we must protect this young nation from the assiduous infiltration. That menace, gentlemen, is the Jews.

"In whatever country in which they have settled in any great number, they have lowered its moral tone; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion, on which this great nation is founded, by objecting to its restrictions; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as is the case in Spain and Portugal."
"For over 1700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live among themselves. They must subsist off Christians and other people not of their race.

"If we do not exclude them from these United States in this Constitution, in less than 200 years, they will have swarmed here in such numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, and given our lives, our substance and jeopardized our liberty.

"If were do not exclude them, in less than 200 years our descendants will be working in the fields (while they will be in the counting houses, rubbing their hands). I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they have been away from Asia, they will never be otherwise. Their ideas do not conform to those of an American, and will not, even though they live among us for ten generations. A leopard cannot change it's spots. Jews are Asiatics, are a menace to this country, if permitted entrance, and should be excluded by this Constitutional Convention."

We are now learning the truth of this statement, which was written over 200 years ago. These remarks were recorded in "CHIT CHAT AROUND THE TABLE DURING INTERMISSIONS", a section of the diary of Charles Cotesworth Pinkney, of South Carolina (1746-1825), who attended this convention as a delegate, and took down excerpts of some of the outstanding addresses and discourses which he later published in his diary.

Unfortunately all copies of the Pinkney Report have mysteriously disappeared from libraries during the 1930's and the only known copy was in the Franklin Museum in Philadelphia. I'll leave it up to you to decide why these remarks were removed from American consumption.

If Franklin were alive today, I'm sure he would be in the forefront of a new American Revolution, this one to free our beloved country from the poisonous influences and domination, he warned about over 210 years ago. It might be well for you to know that there are several affidavits from well known and respected citizen's testifying to the authenticity of Franklin's statements in the Pinkney Journal.

As Franklin predicted, Americans now work five months out of the year, to pay off the Jewish money changers who hang around our necks like a smelly dead albatross, and where generations to come, will be saddled by a grievous financial burden we have run up by catering to these vampires. It can only grow worse, until Americans are willing to "take the bull by the horns", and do something to stop it. This must begin with the curtailment of Jewish influence in our government and church.

It is a gross understatement to say that International Jewry has trampled underfoot the rights of all Americans, especially those of White Christians whom they hate. In their relentless conquest for world dominion, they have brainwashed us into the deadly habit of issuing bonds, not only by the nation, but by municipalities, school boards, and churches. By doing so, they have seduced us into mortgaging away our national wealth for subversive purposes which are destroying us.

A few years ago, before I got into Identity, I spoke at a large Mid-west Fundamentalist church, whose pastor was prominent in the ranks of the Moral Majority. This was during the first days when the Holy Spirit was opening my eyes to the danger from Judaism. I spoke to him about what I had learned regarding the Jews, and received a favorable response as he said, "Yes, what you say about them is true, and I have known for some time that they could not be God's Chosen." Being his close friend, I asked, "If you knew this, why haven't you told your people?" With a rather crestfallen look on his face he replied, "I can't! You see, Jewish bankers in this city hold 1.7 million dollars worth of
bonds on my church, and if I said anything bad about them, they would foreclose and force me to shut the doors." A perfect example of "For fear of the Jews", found throughout the Bible. (See Esther 8:17; John 7:13; 9:22; 12:42; 19:38.) Now the I.R.S. has stepped in with my pastor friend, and is attempting to complete the nefarious task the Jewish bankers began.

The interest on these Jewish held bonds goes on continually, day and night, without interruption. It's course sweeps like a tornado over the fair fields, destroying everything in it's path, bringing death and destruction to everything it touches. It is the seat of World power, that of accumulating interest, and has become the most effective weapon in the world as the Jews use it for their control of mankind. Our Congress, lead by a traitor in the White House, sold us out to the International Jewish Bankers, in 1913, when they passed the Federal Reserve Act, taking the power to coin and control our money, and gave it into the unscrupulous hands of the Jewish bankers of Europe. There were only two dissenting votes against it, by the only two Senators who bothered to read the Bill and see what it contained.

These facts are constantly staring us in the face, and cry out for decent people's recognition. Our only answer to the money problem is to keep out of debt, and many of you who read these words will understand how extremely difficult this is during these days. The financial welfare of individuals, as well as nations demands this! The power of the usurer will be broken, when our debts are liquidated on a just an equitable basis. Congress could do it with one Bill, just as they created this monster in 1913, if they had the courage to stand by their oath of office and oppose the International gangsters. Here again we see the Fear of the Jews! syndrome at work.

During the Dark Ages, men raised a great outcry against the priest craft of the Roman Catholic Church which was strangling old Europe. These were the dark old days, when it was against the law for a Christian to read a Bible, if one were available. The power of the priests was small, when compared to that of the Jewish money changers. Concealed behind their office desks and bank counters, these heathen parasites gnawed into Christian wealth, and destroyed the vitals of mankind through their imposed Amorality. They followed an unwritten TALMUDIC law, which says, There is no law which applies to me. I am a Jew, and I am above the law. Therefore the end justifies the means, as long as I get what I want!" This is the basic law of world Jewry and Communism, which comes from the same Satanic source.

While Christians may expel apostates from the church, the Jews expel their opponents from the Stock Exchanges, from social connections, and finally condemn them to starve, with no roof over their heads. If we are to ever restore the social balance of America, we as Christians must take hold of this obnoxious Jewish weed, and tear it out by it's roots. We must direct out attacks and exposures against the enemies of Christ and His church, no matter how loudly their friends in the Judeo-Christian world may scream. This evil, which has brought the world to the verge of destruction must be exposed and rooted out, if Christianity and freedom are to remain in America.

There seems to be an unwritten law among mankind, which causes them to impose their own conditions, even at the expenses of others. This has been the basis of personal wars which have plagued mankind since the beginning of written history. We find the reason for this in the New Testament, where the Apostle James tells us in James 4:1-3 - "From whence come wars and fighting's among you? Come they not hence, even of your lusts (an intense craving for material things) that war in your members? Ye lust, and have not: ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not. Ye ask, and receive not, because ye ask amiss, (wrongly) that ye may consume it upon your lusts."

Looking back over 6,000 years of written history, we can see the truth of this statement. There seems to be three major principles for war:

1. - The PRINCIPLE OF PHYSICAL FORCE: The Communist Textbook on PSYCHOPOLITICS puts it this way, on page 30 - "If you would have obedience you must have no compromise with humanity. If you have obedience you must make it clearly understood that you
will have no mercy. Man is an animal and he understands in the final analysis, only those things which a brute understands." This is why we have the theory of Evolution taught in Humanist schools. If you can convince young people that they are nothing but graduate animals, not worth very much in earth's scheme of things, then you can mold them to your pattern, and they will commit horrible crimes on the Slave Master's orders.

2. - The **THEOCRATIC PRINCIPLE**: in which the masses of a country are forced to accept a religion, foreign to them. This example can be seen in many Moslem countries which were forced by the power of the sword, to accept Islam. It can also be seen in many of the conquests of the Roman Catholic Church during the Dark Ages, when they forced most of Europe to accept Catholicism or be killed. They then carried it over to the New World among the Indian Tribes of Mexico and Peru.

3. - The **PRINCIPLE OF MATERIAL INTERESTS**: This is where people are enslaved, not so much by war, as by economic oppression and brainwashing. The enemies are past masters at mind control, for they have been practicing it for millenniums. This is why an influential Jew like Harold Rosenthal could say, "Most Jews throughout the world - I'd say more than 90%, know what is happening among our people. (This sort of explodes the Judeo-Christian theory, that most Jews are innocent of what their leaders in Zionism are attempting to do, and why will seldom hear a Jew complain about the actions of his leaders.) We have communications unequalled anywhere. It is only jerks, the ignorant and misinformed degenerates who can find peace in your society - you bastards hide your sins by donning sheep's clothing. You are hypocrites - not Jews, as you write about! In Russia there are two distinct governments - one visible and the other invisible. The visible is made up of different nationalities, where as the invisible one is composed of all Jews. The powerful Secret Police takes orders from the invisible Jewish government. There are about seven million communists in Soviet Russia, (this was in 1975).50% are Jews and about 50% Gentiles - but the Gentiles are not trusted. About once every five years the secret Jewish Board calls for the purge of Party members, and the Gentiles are eliminated!"

When asked, "Why!" he said, "When they begin to understand too much about the secret Jewish government and how it controls Russia, they are eliminated." He went on to say, "There will be a forced class warfare here in the United States, and many of you will be liquidated. The Jews will not be harmed! I'm not boasting, I'm just giving you the facts.

"It's too late for you Christians to put up a defense, that time passed long ago. Long ago we Jews became the aggressors and that is undoubtedly one of our MAJOR purposes in life." Many Jewish leaders will, and have collaborated the words of this boasting Jew.

The first two principles are well known and appeared early on the stage of history. They can be seen in the actions of Egypt, Assyria, Babylonia, Persia, Greece, Rome, and in modern times in the Papacy, and in Russia, China, and Germany.

The conquests of the "PRINCIPLE OF MATERIAL INTERESTS", while much more destructive than the other two, has operated behind a smoke screen so that few have understood it.

The **MATERIAL INTERESTS** of mankind are the focal point towards which all other desires point. So to control material interests means total control of mankind.

A conquest founded on this principle is not a victory of armed strength over weakness, or a victory of knowledge over ignorance. It becomes a victory of cunning and intrigue, over confidence and carelessness. This is why a very wise Founding Father once said, "Eternal vigilance is the price we must pay for Freedom!"

How many times when discussing the problems of Communist control, have you heard Americans, especially Christians say, "It will never happen here!" Yet while they repeat this trite phrase, they are doing absolutely nothing. to keep it from happening, relying on their pet phrases, 'This world is not my home, I'm just a'passin' through!' or I'm saved, you know, and Jesus will come back and
RAPTURE us before it gets all that bad," or as one naive pastor said, "Why polish brass on a sinking ship?" I agreed with him, but what's wrong with the man's thinking, when he refuses to check the lifeboats to see if they are in working order?

In this book I will discuss how the conquest of mankind is now nearing its completion and the part being played in it, by its principal actors, Satan's Kids, (*John 8:44*) sometimes referred to as International Jewry.

Many of you will be dismayed by what I say and some of you may be tempted to throw this book away before you finish reading it. I will assure you, that if you read it in an honest Christian manner, and let the Word of God be the Umpire in the case, that it will blast away the Jewish myths the Apostle Paul warned about in Titus 1:10,14. It was not written for the purpose of making money, as so many writer sin the Judeo-Christian world, such as Hal Lindsey are guilty of. It was not written to lead you astray from the truth of God's Word, for that will be our foundation alone. It was not written because I hate Jews and want to harm them. It was written for the same purpose I might have, if I was driving past your home early some morning and saw smoke and flames shooting out of one of the windows. As a decent Christian man, I would be compelled to stop and warn you. Suppose I was like many Judeo-Christian pastors, and as I hurried up the sidewalk to your front door, I noticed the time was, 2:30 a.m., and thought, "They are sure going to be upset if I wake them at this hour." So I turn away, your home burns to the ground with your family in it. I'd be as guilty of murdering them, as if I had held a gun to their heads. I know that some day I will have to stand before the King and give an account to Him. I am more interested in hearing Him say, "Well done, good and faithful servant," than I am receiving your praise now.

So I do not ask you to believe me, or even accept what I say. I do suggest, however that you be honest with yourself and read this entire book before you make up your mind. Then take the facts I have given you - place them under the most powerful magnifying glass you can find - the Word of God - and when you find I have told you the truth, then take a stand in proclaiming this truth, for only as God's people, and I'm referring to genuine Christians, standing in the gap, can this nation of ours survive.

Today, the Divine and Sacred mission of the Christian faith is in jeopardy, to a degree never before witnessed in its 2000 years of history. If the day ever arrives, when Christians can no longer profess their Christian faith, and this is what the enemy is working for, then civilization will go back into another Dark Ages. The malignant character of the malady that is afflicting Christianity today is as progressive as a malignant cancer. It will surely prove fatal, unless we are obedient to the King, and Occupy until He comes.

While many may scoff at the idea of a great world-wide conspiracy to destroy the faith and White Christian Civilization, it never the less exists. To bury our heads in the sands like the proverbial ostrich, will prove fatal. We need a spiritual Paul Revere, who will ride across this nation warning that our enemies are moving against us.

Thousands of Christians in the Judeo-Christian churches of our land are troubled by the mysterious pressure among Christian clergy that keeps them from telling the whole truth. If our people were told the truth, they would stand like the Rock of Gibraltar against the enemies of Christ and the Church. It's difficult to fight a battle, when many of your spiritual leaders are on the enemy side.

The Jewish people, alone of all people on the face of the earth, have discovered the secret of the principle of material interests and how it can be successfully used in their search for world power.

If you examine history closely, you will find from the earliest times of their existence, that Jews have used this weapon in their fight against the world, and Christians in particular. It was on this Principle that their entire religious, social, and political structures has been built.

At this point, we will run into our first major problem in discussing Judaism. As you study your Bible, you will never be able to understand it fully, if you use the terms Hebrews, Israel, and Jews.
synonymously. They are not one and the same people. The word Jew does not appear in your King James Bible until 2 Kings 16:6, 1200 years after the time of Abraham, where we find them fighting against Israel.

This first appearance came about 1,000 years after the time of Jacob/Israel, and 750 years after the time of Moses, so to call these men Jews, is a grave error. Yet it is common practice in the Judeo-Christian church to refer to the patriarchs as Jews. This is intellectual dishonesty of the worst type. Jews do not appear on the historical scene until after the Kingdom of Israel was divided about 975 B.C., and they were known as Ioudeans, which simply means an inhabitant of Judea. There was no religious significance to their name. It was not until the tribes of Judah and Benjamin (a small percentage of them) returned from Babylonian captivity, that they became known as Jews.

The Northern Ten Tribes which were taken into captivity in Assyria about 750 B.C. disappeared from the Biblical scene, and appeared later in secular history, as they made their way north and west to the Appointed Place of 2 Samuel 7:10. They became known as Scythians, Gauls, and Sacea, from which comes the word Saxon and literally means. Isaac's sons. They were the forefathers of White Christendom and are the only people in the world who fulfill the more than 200 Scriptural fingerprints which will identify true Israel, in the closing out days of this Age. The people we know as Jews do not fit a single one.

With a little effort on your part, you can become acquainted with the spirit and character of the Jewish people and properly evaluate their present purpose on the International scene. It is unfortunate, that in following this trail, we have only Jewish commentaries to go by. If the Philistines, or Babylonians had left reports of these people, it is quite possible that history would give us a different view point than we have today.

We are not sure from Bible sources, why Abram left Ur of the Chaldees, other than that in Genesis 12:1, God told him to leave, and he obeyed. In the great Faith Chapter of the New Testament, Hebrews 11, we are told in verses 8-10 - "By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: For he looked for a city which hath foundations, whose builder and maker is God." None of these men mentioned were Jews.

If you look at a map of the Ancient world, you will find that Ur is located on the eastern boundary of Arabia, southwest of Babylon. In all probability Abram was an Arab. There are many similarities between Arabs and true Jews. There are also striking differences. The Arab is quick to start, but often lacks toughness and staying power. The Judean on the other hand never gives way, never forgives, and never forgets.

There are some Bible scholars who believe the true Jew is a direct descendant of the murderer Cain, and that therefore they are a mongrel race, since he was the first Adamite to inter-marry with other then Adamic people. Obviously from the scriptural account, Cain could not have married into Adam's family. (Genesis 4:16-18)

There is some scriptural basis for this, and it has resulted in what is known as the TWO SEED LINE Doctrine, which states that Cain was the result of a sexual union between Eve and Satan, and that this was the original sin. I cannot accept this on the basis of Genesis 4:1, which clearly states that Adam has sexual relations with his wife, she got pregnant as a result and gave birth to a son they named Cain. There is absolutely no scriptural hint of any third party involvement here and I can not accept this fable, straight from the Jewish Talmud. I do not have time to discuss this issue here, which has caused a division in Identity, but have a pamphlet available from SCRIPTURES FOR AMERICA titled "SEED OF SATAN - LITERAL OR FIGURATIVE?"

When John the Baptist, spoke to the religious leaders of the Jews, He was very harsh with them and called them a "generation of vipers (poisonous snakes)" in Matthew 3:7. When Jesus spoke to
them in John 8:44 he accused them of "being of your father the devil", and in Matthew 23:15, He told the Pharisees that they went over sea and land to make converts, only to "turn them into two-fold more children of hell than yourself." Hardly a Chosen People status. You milque toast Christians who don't like to face up to the true facts about Jews, please remember that these harsh designations are not mine, but came from the lips of our Lord Himself. Who are you going to believe? Your pastor who says they are God's Chosen, or your Savior who said, "But ye (Jews) believe Me not, because ye are not of my sheep. (emphasis added are mine)

In Matthew 21:43, Jesus told the Jewish leaders that the Kingdom of God was being taken from them, and given to a nation (not church) that would "bring forth the fruits thereof." Could He have had been referring to the present day White Nations of Christendom who bear all the fingerprints, of true Israel? These are the only people who have spread His Gospel; they are only one's who distribute His Word to all the world; they are the only one's who have "set the captives free," and they have become a Great Nation, and a Company of Nations, in the British Commonwealth, all begun "for the glory of God, and furtherance of the Christian faith." No other people, anywhere, including the Jews, have fulfilled these fingerprints.

Finally, in 1 John 3:11,12, the Apostle John admonishes Christians to "...love one another. Not as Cain, who was of that wicked one, and slew his brother." Compare with John 8:44.

The Arab experience a beautiful, almost spiritual reverence for anything that is beautiful. While the Jew, on the other hand, when stopping to admire a flower, will at the same time be asking himself: "How much can I make out of selling it?"

Excessive covetness which the Apostle Paul calls idolatry Colossians 3:5 is an inordinate (unreasonable) desire for the possessions of others and this is the Jewish second nature.

The lust for material gain is so deeply ingrained in his organism that it extinguishes every other passion. Jews know no self pride and if you sneer at him for any reason, he will very probably "laugh in your face." If you attempt to praise him, he will make you look like a fool. If you venture to keep him from getting what he wants, he will turn into a tiger who will fight you to his last breath. His major aim in life is gain and anything which does not have this objective in view, is worthless to him.

A story will suffice to explain this. Two men lay dying on their death beds. One is a Jew, and the other is a Christian. The Christian is disturbed because he may have cheated his fellowman and wants to make it right before he meets his Maker. The Jew on the other hand, gloats over his ill gotten gains, and looks on them as God's blessing, because he is a Jew, and therefore God's Chosen.

This overriding passion for material things, places the Jews in a position of everlasting antagonism with the rest of mankind, or as the Apostle Paul said in 1 Thessalonians 2:15, "...they please not God, and are contrary to all men." For this reason he wages war with all those who do not belong to his clan and subscribe to his philosophy.

In their religious book, the "BABYLONIAN TALMUD", which Jewish authorities say is the heart blood of modern Judaism, in Volume "ABHODAH ZORAH" (26b) we read, "Even the best of the goyim (non-Jewish cattle) should be killed." In Volume "SEPER OR ISRAEL" (117b): "If a Jew kills a Christian, he commits no sin." In Volume "ZOHAR II" (43a), we are told, "Extermination of Christians is necessary sacrifice;" while in Volume "HILKOTH AKUM I" (1) we read, "Make no agreement and show no mercy to Christians. Either turn them away from their idols, or kill."

These are but a few of the hundreds of Talmudic passages which deal with Jewish treatment of Christians.

The Jew is taught that he was created to cheat and take advantage of all other people. Again going to the TALMUD for reference, Volume "ZOHar I" (160a): "Jews must always try and deceive Christians. Volume "IORE DEA" (159,1): "Usury is permitted for any reason when dealing with
Christians." Volume "BABA KAMA" (113b): "the name of G-d is not profaned when a Jew lies to a Christian." These teachings are hammered into the heads of Jewish boys and girls at a very early age, until the Jew comes to believe, that the more cunning and greedy you are, the more you will receive the approval of God. This is of course is diametrically opposed to what Moses taught. The Jew recognizes no armistice in his unrelenting war with all other people. We in the Christian world have been led to believe that the Jew follows the teachings of Moses.

Very early in their history, world Jewry adopted a plan. This was to seize the gold and valuables of every country they invaded, but to allow the inhabitants to live and retain possessions of immovable property. Their argument being, "If we take their gold and the fruits of their labor, we may safely leave them in their fields and vineyards. If we succeed in making their riches our own, we will be the masters, and they will be the slaves."

In adopting their plan for world wide conquest, they have become most remarkably successful, usually with the help of the people they are trying to destroy.

Let us see how they have applied their principle of MATERIAL INTERESTS in the Twentieth Century. They have not only plundered the world, following their age old plan of conquest, but have convinced many of it's people that they are morally right. Here is where the falsehood of their Chosen People status carefully exploited among the Gentiles, especially Christians, has been most successful. They have not only sold the world the idea of their superior status, but have won a moral victory by the ability to throw the blame for all their problems and persecution on the shoulders of their enemies. They have sold this idea to most of the Christian world. Listen to these words from a well known Baptist evangelist, Jack Van Impe, who has become a vocal apologist for the very people who are trying to destroy everything he says he believes in. In his book "ISRAEL'S FINAL HOLOCAUST", on page 52, he says, "Jews accusers today are simply following the lead of anti-Semites before them. (It's interesting at this stage, to point out once again, that the vast majority of the people we know as Jews, are not Semites at all, but are ASHKENAZI JEWS, of Turco-Mongolian blood.) People do not want to accept responsibility for the wrongs of society, so they must have a scapegoat, and the Jews have been a universal scapegoat. They take the blame of ignorant people for problems ranging from plagues to politics."

On page 55, he states, "The magnitude of Jewish suffering is difficult to take in completely. One may read of sanctions, slaughters, persecutions, and prejudices, but these are likely to simply move through the mind as historical facts without telling the whole story. The real account of the miseries of the Jews is one of feelings, frustrations, and fears. That is the human side of the story." He goes on to enumerate the woes of the Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are God's Chosen and Satan hates them, when the truth is found in the Apostle Paul's statement in 1 Thessalonians 2:15 "...they please not God, and are contrary to all men;" They were kicked out of every country in Europe, at one time or another because of their immorality and crooked business dealings.

Dr. Oscar Levy, a notable Jewish author states, "We Jews have erred ... we have most grievously erred. And if there was any truth in our error 3,000 years ago, nay 100 years ago, there is now nothing but falseness and madness which will produce an even greater misery and an even wider anarchy. I confess to you openly and sincerely... We, who promised to lead the world into heaven, have succeeded in leading you into a new hell. There has been no progress, least of all moral progress and it is our Jewish morality which stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world and shudder at its ghastliness; I shudder all the more because I know the spiritual authors of this ghastliness."

Very few Jews have the courage to admit this, just as many Christians will refuse to accept it.
You may have known some nice Jews. I have known some too. The Problem is that the most enlightened Jews cannot entirely divest himself from considering the Gentile world from a Jewish perspective. This is true even of the Jew who converts to Christianity, yet still boasts of his Jewishness. This is the legacy of 2500 years of teaching and thinking. I have known converted Jews who still consider themselves as Jews, although Jesus said, "You cannot serve two masters," and Judaism and Christianity are headed in different directions and are hostile toward each other. I suspect that many so called convert Jews, when the chips are down, will prove to be loyal to Judaism. It has been so proven over and over again.

Van Impe barely touches on Christian massacres by Jews on page 50 of his book, where he says, "During the period between the resurrection of Christ and the destruction of Jerusalem in 70 A.D., the Jews imprisoned and executed many Christians." He says nothing of the millions who were killed by Jewish persecutions under Jewish run Communism. He is deliberately using an old propaganda trick of taking your mind off truth, by leading it down the path he chooses. In spite of his intellectual genius, and his knowledge of the Bible, he makes many intellectually dishonest statements, such as on page 56 where he says," Abraham, the father of the Jewish race, was given an unusual promise by His Lord. The guarantee of blessings, providing judgment upon all who bring evil on his descendants." First let me point out, there is no such think as a Jewish race, any more than there is a Christian race. These are religions! It is also obvious to any honest Bible student that Abraham was not a Jew. Since these people did not show up on the historical scene until 1200 years after Abraham's time. Read the curse in Genesis 12:3 against those who curse Abraham. It says nothing about this being carried over to his descendants. If you can find anything in Genesis 12:3, that deals with today's Jews, then I have lost my understanding of the English language.

The policy of blaming others, for woes caused by their own actions is a Machiavellian principle. (Machiavelli was an Italian nobleman, noted for his cunning in politics. Like the Jews, he would stop at nothing to further his own aims.)

The Jews excel in this double cross and in our day it is the very soul of International Judaism and it's illegitimate child, International Zionism, epitomized by the bastard state of the Israeli in Palestine.

One of the reasons the Jew has been so successful in their double cross, is the incredible naiveté of the Christian world and it's leaders, who insist that those who are trying to destroy them, are God's Chosen, who must be treated with utmost respect and never, never crossed. Their success has also come from being able to convince most of the Christian world, that Christianity is an offspring of Judaism, although how any intelligent person can equate the teachings of the Pharisees, then and now, with Christian teachings, is beyond my understanding.

The Christians have been led to believe that Jews have been scattered over the world because of their stubbornness in failing to recognize the Divine mission of Jesus Christ, when history and the Word of God itself, proves without a shadow of a doubt that the dispersion of the Jews, for the most part has been voluntary and for a predetermined purpose. Referring again to the Rosenthal Report, he says," We (Jews) are amazed by Christian stupidity in receiving our teachings and propagating them as their own," or as Henry Ford, Sr., so aptly put it, "The Christian can not read his Bible except through Jewish spectacles and therefore often reads it wrong," (from "The International Jew," Volume IV, page 238). As a matter of fact, many Christians do not live by God's Word, but by what Jews have taught their pastors in their seminaries.

Rosenthal continues, "Through our propaganda, the church has become our most avid supporter. This has given us a special place in your society, since you accept us as God's Chosen People.

"These deluded children of the Church defend us to the point of destroying their own culture. This truth should be evident even to the dullards when one views history and sees that all wars have been whites fighting whites in order that we maintain control. Anytime truth comes forth, we rally our
forces made up of ignorant Christians and attack the crusaders."

Four hundred years before the Roman conquest of Jerusalem in 70 A.D. during the time of the Macabees, the Jews were already scattering to the ends of the earth. It was an aggressive movement, with the final conquest of the world in mind.

As Roman rule began to weaken, the invasions of Northern barbarians, many of whom were from the Israel tribes who had escaped from Assyrian captivity, and had become "God's battle axe, and weapons of war," (Jeremiah 51:50), brought a period of transition which was vastly favorable to the Jewish element. While they were often opposed and even bitterly persecuted by the Roman Catholic church during the Middle Ages, they were not held back by these obstacles, and often held high positions in the Catholic Church, such as Cardinals, with several Jewish Popes. The chief Prosecutor during the Spanish Inquisition was a Jew named TORQUEMADA.

The Jewish fears only one hostility and that is competition which attacks them on their own playing field, in the PRINCIPLE OF MATERIAL INTERESTS. As long as you allow Jews to quietly acquire control of the national wealth and accumulate money, they care for little else, knowing that with money control always goes people control.

During the Middle Ages, as Europe was being separated into many nations and empires, the Jews scattered throughout the trading places and made their homes there in order to carry out their trade and usury.

It is true, that their riches, which had often been gathered by unscrupulous means, were often confiscated in persecutions brought about by their averse and immorality. This violence never stemmed the rising tide of Jewish money power.

As a result, Jewish establishments penetrated the chief commercial centers of Europe. One large body of Jews settled in Venice, Italy; another in Genoa, while at the same time Jewish colonies rose in all the chief cities of Spain, the Netherlands, Germany, and Poland. Although these were scattered, they had an amazing method of communication which formed a homogeneous union. Operating under a single impulse of "power through the control of material interest", they swept over Europe, until today, most of that Continent is under almost complete Jewish control, and Gentile governments are afraid to interfere in Jewish interests. Possibly the prime example is Jewish control in Britain.

Although scattered world wide, Jews are united through religious and historical traditions, from the civilized capitol's to the outposts of Siberia and Tibet. They are united in one faith. Not that of Moses and Abraham, but in their universal belief that they are especially Chosen by God to rule the world and have the treasures of the world at their command. In fact they do not worship the same God, as the Christian world, although they have taught us that "Christianity is the child of Judaism." They worship Lucifer, much as do the Freemasons, who also come from a Jewish source.

Jewish solidarity is so great, that although they often fight bitterly with other factions in Judaism, if they are opposed for any reason, Jews on five continents will rise up in their defense, no matter whether they are right or wrong.

This is a lesson the Christian world has never learned.

During the War Between the States, sometimes called the Civil War, General Grant was facing a Confederate force in Tennessee. He became annoyed at the large number of Jews who were following his army like scavenger crows and issued an order requiring all Jews to leave the army lines. Immediately a hue and cry was raised by Jews in the North and Jewish protest committees began to descend on Washington to confront President Lincoln. The President listened to them and told the General to modify his orders. Grant reluctantly complied, but added, "The Jews in my opinion have not changed for the better since the day they crucified Jesus Christ."

In the middle of the 18th Century, Jews infiltrated and controlled Free Masonry, with their terrible
order of the **Illuminati**, presided over by the Jew Adam Weishaupt. It was just another step on the road to one world control and they used the Freemasons, much as they do the Christian church. There are letters available in the National Archives, that George Washington, who was a Freemason, warned his Masonic brethren about the inroads of a Satanic organization which was attempting to control both Christianity and Masonry.

Few people who know Jews intimately, will believe you if you state that Jews are a virtuous people. This seems to be a paradox for a people who are so immersed in sex and many regard Jews as the **most evil of men**. Jews are both virtuous and immoral. On one hand they may show their morality, while in secret they are viciously wicked. If the **PRINCIPLE OF MATERIAL INTERESTS** causes the Jew to run a **prostitution ring**, an **abortion clinic**, or a **filthy show on National TV**, making money must take precedence over what is right or wrong. When this happens, the virtuous Jew become a vicious individual who will trample on anyone who gets in his way for any reason.

The Jew is **practically moral**, when it is in his best interests, because it can become a powerful offensive or defensive weapon. With virtue they will be brave and face losses and misfortune, but if anyone stands in their way of making money, they will use any evil means of destroying them. A good example of this comes to us from the 19th Century, when Hamid Pascha, son of the Viceroy of Egypt, inherited a vast fortune from his father. He entrusted it to a Jew named Oppenheimer, who became his banker and administered his business affairs. So brilliantly did this Jew follow his trade, that within three years, the young Egyptian went into bankruptcy. This example has many modern day counterparts. When this happens, the virtuous man, becomes the vicious one.

During the Middle Ages, commerce was the great battlefield of Europe. On the one side were the **native born**, and on the other the **Jewish invaders**, When the **smoke of battle cleared**, the Jews were victorious. They had acquired control of the entire commercial world. They looked on this as being a mark of God's approval of their way of doing business. Yet a careful check of history, shows that Jewish methods of doing business, have never enriched a nation, or a people, or been a mark of God's approval on evil, but put enormous amounts into the coffers of a few.

As is well known, Jews seldom engage in agriculture, mining, production of raw materials, or even in the manufacture of things from raw materials. He is mostly interested in the circulation of values, exchanging worthless articles for good money.

In a great majority of cases, Jews are parasites. They recognize this. In his book "**JEWS MUST LIVE,**" published in 1934, by the Golden Hind Press in New York City, Samuel Roth (Jew) said, "Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world.

"It is my belief, that nothing the Jew does in America is essential to it's welfare. On the contrary, a great deal of what the American Jew does is in subversion to America's best interests." (UNQ)

They appropriate what other people make with the **sweat of their brow**. This is why they have a tendency to keep aloof from agriculture. They want nothing that will tie them down to a particular area. They must be free to move at a moments notice, heading for where the business action is. This means that Jews always seek out areas where the most plunder is available, and is one of the major reasons they have become so prominent as leaders of vice.

During the time when the Italian Republics flourished, Venice, Genoa, and Florence, were over run by Jews. When these Republics fell, the Jews packed up their treasures and migrated northward to settle in Germany, Poland, and the Netherlands, where commerce and industry was on the increase. They were the least successful in Spain, mainly because the Spanish royalty forced them to leave, when they realized that they were opening the gates of Spanish cities to the Moorish invasion from North Africa.

Jews are the same today as they were 2,000 years ago when our Lord called them Satan's kids, (see
They have the same characteristics now as they had then, and even their religion has not changed, moving down through the years from the Jewish priesthood, to ancient rabbinism, then to modern rabbinism. As one eminent Jewish authority said, "Down through the centuries, the spirit of the ancient Pharisees has remained intact." Neither time, nor habit, nor intercourse with foreign elements have changed them. They are the same blood sucking parasites, who Jesus Christ called poisonous snakes, (see Matthew 12:34; 23:33). Remember, please that these are not my accusations, but those of your Savior. No wonder they are pressuring Christian authorities to revise the New Testament and remove these remarks. To a thinking man or woman, these remarks by our Savior "shoot holes in the Jews Chosen People Myth." For more information on this subject, may I suggest my pamphlet "EXPLODING THE CHOSEN PEOPLE MYTH", available from Destiny Publishers, P.O. Box 177, Merrimac, MA 01860. They are 50 cents each or 35 cents in lots of 25 or more.

Quoting from this pamphlet, I make reference to a statement made by Dr. Benjamin Freedman in his book "FACTS ARE FACTS". He says, "The utterance by the Christian clergy, which confuses Christians most, is the constantly repeated utterance that 'Jesus was a Jew!' This appears to be their theme. It is a misrepresentation and distortion of an incontestable historic fact... informed, intelligent Christians, cannot reconcile this unwarranted misrepresentation and distortion of the facts."

Most honest Bible historians will admit that at no time in the New Testament was Jesus ever called a Jew, although He called this by others, (see Matthew 2:2; 27:11; Luke 23:3). The great Jewish historian Josephus called Him a Judean, never once did he call him a Jew. The very inscription over His cross, in Latin said, "Iesus Nazarenous Rex Iudorum", and any of you who understand Latin, knows this say, "Jesus the Nazerene, ruler of the Judeans." By no stretch of the imagination can you get this to say "King of the Jews." It was translated in the original 1611 King James Version of the Bible. It is sloppy scholarship such as this that often confuses our people and leads them to believe, those who are their worst enemies, Dr. Freedman said that converted Jews had proven themselves too often to be spies of Judaism, placed in the Christian church to cause trouble from within. Jesus implied this is John 12:40, when quoting from Isaiah 6:9,10, He said, "He (God) hath blinded their eyes, and hardened their heart; that they should not see with their eyes, nor understand with their heart, and be converted, and I should heal them." There are many who believe, with some Scriptural support, that a fake Jew (Revelations 2:9; 3:9), those called Jews today cannot be saved. Because of Jewish ties with religion, tradition, and hatred of all non-Jews, they will never change (Malachi 1:4). You might as well expect a leopard to change his spots, as for a Jew to change his grasping nature. A Jew can be born in, or emigrate to any nation and become a Frenchman, an Englishman, a German, or an American, but if you ask him what he is, he will invariably say, "I am a Jew!" His alliance is to the Jewish people, not to God, or any nation, not even the country where he was born. Jews claim they can combine both qualities and be good dual citizens, but it is impossible, and Jesus Himself said, "A man cannot serve two masters:" (Matthew 6:24)

I have heard Jews boast, "We are Jews to our fingertips," and since there is little beyond the fingertips, this leaves no room for patriotism of any kind, only a blind loyalty for Judaism. This trend towards treason can be seen in Jewish officials who have taken the Kol Nidre Oath on the Day of Atonement. (It is my understanding that even secular Jews take this oath.) In their TALMUD, this is referred to as the "Law of Revocation in Advance." The recital of this prayer, called the all vows prayer, releases a Jew from any obligations under oaths, vows, or pledges entered into during the following year. This means that his oath of office, to support and defend the United States against all enemies, both foreign and domestic, is meaning less, unless he chooses to follow it. Apparently President Clinton never took this into consideration when he appointed more than forty Jews to high government positions such as Secretary of State, Secretary of Defense, and Secretary of the Treasury. Or maybe he did! Is it any wonder our country is in dire trouble?

In 1844, a group of German Rabbis, realizing the effect that knowledge concerning the Kol Nidre
Oath was having on the German people, tried at the International Conference of Rabbis in Brunswick, Germany, to have it changed. The preponderance of Yiddish speaking Rabbis, who were Russian Khazars (meaning they had no Abrahamic blood in their veins), voted it down, and this oath remains an integral part of Jewish worship until this day.

Does this mean that a Jewish Judge is not to be trusted if he has taken the Kol Nidre Oath? How about a Jewish Congressman, or lawyer? Think about this!

The Jews in America are the only ethnic group who are allowed dual citizenship. This means they can be citizens of the Jewish State in Palestine, and at the same time have the full benefits of American citizenship. It has been proven, over and over again, that when the chips are down, they will almost invariably show their loyalties to the Israeli State. This action can be seen in the many pro-Zionist, anti-American actions of Jewish members of Congress.

Throughout the Middle Ages, the Jews laid their foundations for future power. They cleverly arranged, through their usury system, to pile up treasures in every country in which they settled, patiently waiting for the day when they could emerge from the darkness and climb to the top of the economic power heap. They have reached the apex now!

On a spring day in the late 1800's, the old edifice of feudalism broke down with a crash heard round the world, and political and ecclesiastical institutions have never fully recovered from the effects of the French Revolution.

This was a Jewish revolution, so acknowledged by their leaders and was the same way they brought forth in Russia in 1918. The pathway for Jewish conquest of the world now lay open before them. Undermined by the doctrines of Voltaire and conquered by the power of Jewish liberalism, the national and religious limitations of the Middle Ages crumbled into dust and the past was given over to Jewish reconstruction of the present and future. Not for the benefit of mankind, but for the edification, and glorification of the Jewish people.

Just as they did later in the Century, and at the end of the American Civil War, so now, the Jews led in the cry, "Long live tolerance! Long live Fraternity! Down with rank! Away with individual rights!" While the South was saved by the patriotic efforts of Americans who refused to buckle under to the Jewish power in Washington, there was no white sheeted Ku Klux Klan to save France!

With their ranks closed, Jews now opened attacks on their enemies everywhere and as they overcame them one by one, they erected their own standard, the six pointed star of David, which as far as I can find out, was never used by David. Since that date in the 1800's, the standard of Judaism has been unfurled from the watchtowers of the White Christendom in Europe and a few and far between have been the statesmen who had the moral courage to stand up to their corruption. With the exception of a few years in the 1900's when the German people under Adolf Hitler made a bid for national freedom and struggled to free Germany from Jewish oppression, only to be whipped down by their own Anglo-Saxon people, who once again listened to the siren call of world Judaism, over common sense and scriptural truth.

Today, Hitler is hated by the Jews, not because he tried to annihilate them, as this has never been proven, but because he tried to break their grip on Christian Germany.

By stirring up revolutions and then lending their support, Jews assisted on one hand with the distribution of State overthrowing Utopias, while on the other, they furthered their quest for world power.

Jewish writers such as Marcus Eli Ravage, and others have admitted that Jews have been at the bottom of nearly all the revolutions which have taken place in the Nineteenth and Twentieth Centuries.

Another Jewish writer, Oscar Levy, in the preface to his book "THE SIGNIFICANCE OF THE RUSSIAN REVOLUTION," said, "There is scarcely an event in modern Europe which cannot be
traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners", and they glory in bragging about it!

We know that all governments require money to operate and that the men who lend are Jews - thus they gain both in cash and it's corresponding power and privileges.

During the American Revolution, both sides were financed by the Jews, as was the Russian Revolution, the War Between the States, and World Wars I and II. The Jewish bankers became fabulously wealthy off the gains they had made on the suffering of mostly White Christian nations, while they killed off the **cream of manhood** and **fattened** us for future conquest. In the last 150 years, the world has been drenched in mostly Christian blood, as White nations have fought White nations, in Jew instigated wars, and the Jews sat back and gleefully rubbed their hands at the destruction of their enemies.

As atoms are drawn towards larger masses under the law of gravity, so nations drift towards the riches of the Jews. Under the same law, the motion of attracted bodies, becomes more and more accelerated and thus Jewish money power grows daily.

It is simple fact, which cannot be disputed, that at the present, not one single financial operation of any size can be carried out, without having some Jew being involved and profiting from it.

In this manner, Jews have grown from a despised people, the carpetbaggers, and hated usurers of history, to become the wealthiest, most influential citizens, often with front seats in our most prestigious churches, and often with full support for their still nefarious enterprises coming from the Christian world. **Abortion clinics; prostitution; drug traffic; rock and roll music, etc.** After all, they are God's Chosen, you know!

From the height of this economic pinnacle, they command the entire Babylonian Money System of finance and industry. There is not a man or woman among us, no matter how anti-Jewish we may be, who does not in some way pay tribute to Jewish money power. Even in the every day necessities of life we purchase at the local grocery store, we aid them. You can count on your fingers the number of politicians, preachers, and educators, who are not debtors to the Jews, and therefore under their power.

Jewish financial power resembles an imp which cannot be seen, who has his hand in every pocket. He is especially experienced in the art of seduction, having been trained directly by the **master seducer** of all times, **John 8:44.** He speaks to the Christian world today, saying essence, what he said to Jesus during His period of temptation, (**Matthew 4:8,9**) when he showed Him all the kingdoms of the world and said, "All these things (worldly kingdoms) I will give thee, if thou wilt fall down and Worship me." Very few so-called Christians have the courage to answer him as the Master did when He said, "...for it is written, 'Thou shalt worship the Lord thy God, and Him only shalt thy serve.'" So instead of happiness, he leads us into hell, and a world slavery too horrible to contemplate.

Hand in hand with his phenomenal rise to power, has been the rise of individual members of his clan. Those wandering Jews who used to be the crafty, hated speculators, old clothes salesmen, and peddlers, have now opened elegant offices in the world's most prestigious buildings.

At the close of the Napoleonic Wars, in Frankfort, Germany, a Jew named Rothschild, rose to power as the visible head of world Jewry. All other Jews bowed to his power. As **king of world finance** he commanded the rallying masses of Jewish capital as surely as Hitler later controlled Germany, and his subjects were countless millions who labored daily to support his splendor.

It is impossible to calculate the powers of this family, which was greater than that of any crowned head that ruled in Europe. Presidents and Kings cringed before that power and bowed to their wishes.

In the Twentieth Century, this European Jewish family has been challenged by an American Jewish family named the Rockefeller. These people have successfully hidden their Jewishness behind a
facade of Protestantism, as they engaged in a **life and death** struggle with their European counterparts.

The profits accrued by the International Jewish Bankers, were used to improve their social standing, and we see them today, as they mingle with, and inter-marry with the aristocracy of Europe and America, thus furthering their control.

They have longed for a monopoly of the Liberal Arts and Sciences, which at one time were open only to the higher ranks of society. Knowing they could acquire these honors only by means of engaging in literature, medicine, and public education, they set out to monopolize these professions, until today they are almost completely in control. The Christian world set complacently by, or cooperated while their enemies took control.

Today, Jewish journalists in every state, form a closely knit combine, composed of some of the most clever minds in America, who are dedicated to the furtherance of International Zionism, by all means fair or foul. They are men like Peter Jennings, Dan Rathers, and Sam Donaldson all on National TV, who control the thinking of large numbers of Americans, who get their only news from TV, or the daily newspaper. They have appropriated the rights of intervention in foreign affairs, to the point where the Anti-Defamation League, of the Jewish B'Nai B'Rigth (An unregistered agent of the Israeli, operating illegally on American soil without a license) to all intents and purposes controls our Congress. Powerful politicians like former Arkansas Senator J. William Fulbright have tried to buck them, only to be **shot down in flames**. Today, for a politician to criticize Jewish interests is **political suicide**.

As the Jews attained social status, they began a determined effort to infiltrated the Christian social world, brainwashing Christians of every hue with the false theology, that those who hated and murdered our Savior, were indeed God's Chosen People, and as such can do no wrong. They did this most cleverly by infiltrating Christian seminaries, until today, very few seminaries or Bible schools exist that do not have Jewish professors, many of them who do not bother to say they are saved.

Blinded by Jewish cries of the **Fatherhood of God**, and the brotherhood of all men, coming from a variety of organizations designed to confuse Christian thinking, and from apostate sources, under Jewish control, such as the National Council of churches; befuddled by the humane appeal of Jewish theories, our churchmen for the most part seemed incapable of perceiving the danger which threatened the Christian world from Jewish sources, even though the Jews openly stated what they intended to, "Drive God from the skies, and destroy White Christian civilization."

One look at the world of diplomacy, will show that it has been over run by Jews. In England, Disraeli, took over as Prime Minister during the reign of Queen Victoria, and Lord Beaconsfield, later became Prime Minister. The **WESTMINSTER REVIEW** at that time quoted Daniel O'Connor as saying, "If Disraeli's genealogy would be traced, he would no doubt be found to be a true heir of the impenitent thief on the cross."  (*Luke 23:39*)

There were others in England, Sir Nathaniel De Rothschild Bart; Josiah Wedgewood during World War I; Theodore Herzl, the father of modern Zionism, who was a power in British politics at the time.

Samuel Untermeyer, who arranged for the **"International Boycott Conference"** in Amsterdam, Holland in July 1933, stated, "...this holy war ... in which we (Jews) are embarked is a war that must be waged unremittingly . the Jews are the aristocrats of the world ...this boycott must be against all German goods, shipping, and services... we will drive the last nail in the German coffin." This was before Hitler began any move to rid the country of these parasites.

At this time, Germany was deep in a terrible depression, which had been brought about by Jewish manipulation of the money market. In 1940, the eminent Rabbi Maurice Perlman, head of the British Section of the World Jewish Congress, told a cheering Canadian audience, as reported by the
Toronto Evening News Telegram, February 26, 1940, "The World Jewish Congress has been at war with Germany for seven years." This means they set out to destroy Germany at least two years before Hitler came into power, and used him only as an excuse for continuing the war which cost many Gentiles lives. Very few Jews died in comparison, during World War II.

I can remember many occasions when Jewish boys headed for front line combat duty, were rescued by Jewish Doctors who falsified physical reports, so they ended up usually in the Quartermaster Corps, where they were the heart of the Black Market during the war.

Dr. Donald C. Blaisdeil, professor of Government at the College of the City of New York, published an important document entitled "AMERICAN POLICY FOR THE NEAR EAST." in the Jewish publication "ISSUES", the official organ for the American Council for Judaism, in the fall of 1959, in which he stated, "No minority of Irish, of German, of Polish, Italian, or Greek extraction has been able to manipulate policy to its advantage as have the Zionist leaders of the American Jews."

During World War II, the Administration of President Franklin Delano Roosevelt was literally over run with Zionist Jews and more and more evidence has surfaced through the intervening years, to show that President Roosevelt deliberately lead America into that war against the wishes of the majority of it's people, and did it at the behest of Zionism.

The Hon. Henry L. Stinson, Secretary of Defense during World War II, wrote in his daily diary for November 21, 1941, two weeks before the Japanese attack on Pearl Harbor, that the President had told his Cabinet that morning in a White House meeting, that he wanted us at war with Japan, but that he did not want it to appear that the United States had fired the first shots. This was during the period of his fireside chats, in which he told American fathers and mothers, "I hate wah, and will nevah send American boys to fight on fawn soil, nevah! nevah! nevah!" As he spoke these words, he was planning to get us involved under heavy Jewish pressure. What better word for these actions than TREASON!

After World War II, President Harry Truman carried on in Roosevelt's footsteps and used the power and prestige of American government, to recognize an armed uprising of 800,000 armed Jewish alien terrorists, who had been transplanted as part of the Zionist plan. On May 15, 1948, Truman gave official recognition to the "bandit state of the Israeli", which has been a "thorn in our side ever since", and cost us billions in national wealth, and possibly a Third World War in the near future. Today the Israeli's are carrying out a war of systematic genocide against the Arab people. While President Clinton took us into an undeclared war in Bosnia, against genocide of Moslem Albanians, he seems to care little for what the Israeli's are doing to the lawful owners of the Palestinian land they have misappropriated, and the Christian world has given them it's blessing based on God's promise made to Abraham, who as we know was not a Jew, Genesis 12:3. How awfully stupid can Christians become, when they allow themselves to be seduced by Christ's enemy.

When Eisenhower, "the terrible Swedish Jew", became President, he was also faithful to the Jews who helped put him into office. In 1956, he sent 14,000 American troops into Lebanon and stationed the Sixth Fleet in the Mediterranean, to protect the Israeli's. Since then, they have "stabbed us in the back" many times, by selling our military secrets to our enemies, and even attacked one of our unarmed naval ships in the Mediterranean with the loss of many American lives.

The pathway of political lies to the American people, continued under John F. Kennedy, always under the guidance of Jews who were a power in Washington. These were more interested in the welfare and safety of the illegal Israeli State in Palestine, than in the safety of the United States. At the same time while helping the Israeli's to increase in military power, Administration after Administration, under Jewish pressure have weakened our Armed Forces, until today we could not defend ourselves against a major attack. Much of this weakening process took place when the KGB "double agent", Henry Kissinger was in Washington as Secretary of State. He still a power in the nation's Capitol.
The pathway to Jewish domination continued under the Administration of John F. Kennedy who was always under the guidance of Jews in power in Washington. They were more interested in welfare of the Jewish State in Palestine, then that of the nation they had sworn to defend, and while we armed the Jewish State with our most sophisticated weapons; already the process of destroying our own military was under way and has continued until today we can not be classified as a first rate nation as far as national defense is concerned.

In 1938, the senior Kennedy, Joseph, was America's Ambassador to England. He reported to Washington that Neville Chamberlain, then British Prime Minister, had told him that it was the Jews in America, who forced Britain into the Second World War, and were attempting to do the same thing with the United States. Since this information had to be suppressed at all costs, F.D.R. recalled Senator Joseph Kennedy to silence him and this was the beginning of his liquidation as a viable politician.

The story of Jewish control continued through the Nixon, Carter, and Reagan Administrations. From the Administration of F.D.R. which included 52 Jews in high government positions, out of a total of 72 advisors - and many of these were foreign born Jews like Henry Kissinger - we went on to see the most conservative President in this Century, leaning on Jews and Zionist stooges, for his top level information.

There is much documented information which confirms these allegations and proves that the ideals of Roosevelt's New Deal, were written by Jews. Not to mention a vast amount of similar legislation put out by the U.S. State Department, which at this time was riddled with Communist Jews. When F.D.R. was warned about this, he turned furiously on the Senator reporting to him, shouting, "There's nothing wrong with Communist Jews, many of them are my friends."

As early as 1936, the Jewish newspaper DER TAG, wrote on April 9, 1936, "The Jews of America, because of their numbers, interest, and ability, constitute a great political force. They have not usurped this power; it belongs to them as a right! They are going to exercise it as they see fit. What are you goyim going to do about it?"

This is typical Jewish chutzpah. Rather than endure the smears that would come their way through the Jewish controlled media and the Zionist lobbyists, many members of Congress have been willing to sell future generations of Americans into virtual slavery under the proposed One World Government of Zionism. Spineless creatures, engrossed with the egotism of the importance of their positions and believing they are the all wise mentors of the nation, they have become guilty of the grossest of hypocrisy, as they have often deliberately evaded the one and most important foundation of most of our problems. As a result of failing to strike at the root of the problem, they are today presiding over the destruction of their own White Race, with few qualms of conscience.

Many members of Congress, show by their actions, that they desire this life of hypocrisy and leave this major issue to others. Thus our internal enemy has had an open field in which he is moving rapidly towards his goal of One World control.

Communism - the major tentacle of the Zionist plan for world conquest, was set up by Jews in 1917. In other places in this book, I have shown how they brag openly about their part in this conspiracy. From the beginning, it has been a Jewish plot to enslave "non-Jew goyim" (cattle) and rule over them.

They will scream to high heaven that this accusation is untrue, but the plan is there, it can be seen and understood if a concerned person will take the time and effort to look for it. This plan is clearly laid out in their holy book, the TALMUD and in numerous Jewish writings. These prove that Jews, as a whole consider themselves to be a superior people who are destined to rule the world, or as their TALMUD says, "When our Messiah comes, every Jew will have 2,000 goyim slaves." That's you brother and sister, they are talking about. A careful study of the Scriptures will prove their guilt, no matter how strong your pastor may proclaim them to be God's Anointed!
It would be well for me at this point to explain the meaning of several words I have already used numerous times. The **BABYLONIAN TALMUD**, which Jewish leaders say is the "Heart blood of modern Judaism!" is a collection of Jewish civil and canonical (religious) laws. It was begun during the Babylonian captivity, when the tribes of Judah and Benjamin were taken captive for seventy years. A new sect rose among the Hebrew worshipers, which became known as the Pharisees and which rapidly rose to become the major power of Judaism. They began a gigantic work which became known as the TALMUD, that was not completed until some 500 years after the time of Christ. It was what He fought against during His life on earth calling it the "**tradition of men, that nullifies God's Word.**" (Matthew 15:3,6,9; Isaiah 29:13; Titus 1:10,14)

This gigantic work of 63 large volumes, fills a twelve foot bookshelf, and is the final authority of Judaism, superseding the Laws of Moses, in any matter dealing with the conduct of Jews worldwide.

Following are a few of these Talmudic teachings. I will give you the volume, and page where they can be found.

First let me tell you what some of the most eminent Jewish Rabbis' have said about the TALMUD. Rabbi Ismael said, "The teachings of the Talmud stand above all other laws. They are more important than the laws of Moses."

Rabbi Menachem, commenting on the Fifth Book said, "The decisions of the Talmud are words of the Living G-d, Jehovah Himself, as He asks the opinion of earthly Rabbis when there are difficulties in heaven." (If this isn't the height of egotism, what is?)

Tract Mechilla says, "Jehovah Himself studies the Talmud standing, as He has much respect for this book."

**KEKUT CHADASZ** (171,3) - "It is forbidden to disclose the secrets of the law. He who would do it ~:s guilty as though they would destroy the whole world."

**SANHEDRIN** (59a) - "Every goy who studies the Talmud and every Jew who helps him in it, ought to die."

**LIBBRE DAVID** (37) - "To communicate anything to a goy about our religious relations wouldbe equal to killing all the Jews, for if the goyim knew what we teach about them, they would kill us openly."

**SHALLOTH-UTSZABOT** (17) - "A Jew should and must make a false oath when the goyim asks if our books contain anything against him."

**BABA MECIA** (114,6) - "The Jews are human beings, but the nations of the world are not human beings, but beasts."

**SIMEON HADDARSEN** (56,D) - "When the Messiah comes every Jew will have 2,000 goyim slaves."

**MIDRASCH TALPIOTH** (p 225,1) - "Jehovah created the non-Jew in human form so that the Jew would not be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew, day and night."

**NADARINE** (20,B) - "A Jew may do to a non-Jewess what he can do. He may treat her as a piece of raw meat."

**MAMONIDES, JAK CHASAKA** (2,2) - "A Jew may misuse a non-Jewess in her state of unbelief." (In other words, rape of a Gentile woman is approved for Jewish men.)

**TOSEFA, ABODAH ZARA** (8,5) - "If a goy kills a goy or a Jew he is responsible But if a Jew kills a goy he is not responsible."

**MISHNA SANHEDRYN** (57) - "Thou shalt not do injury to thy neighbor, but it is not said, 'Thou
shalt not injure a goy". This is a good example of what the Lord meant when He told the Pharisees that they made the Word of God of non-effect by their traditions. (Matthew 15:9)

**SCHULCHAN ARUCH** - "A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may suffer."

**SCHULCHAN ARUCH** - "Those who do not confess the Torah (law) and the prophets (religious law), must be killed."

**SCHULCHAN ARUCH (348)** - "All property of other nations belongs to the Jewish people, who consequently are entitled to seize it up without scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if it is profitable to him or to Jews in general." You wonder why the Jews treat Arabs with contempt? They are taught that Arabs are mental sewage in their synagogues.

The **TORAH** is Jewish tradition and instructions or decisions, given to the Pharisee priests, now called Rabbis, as Divine revelation. It was to this group our Lord said, "In vain do they worship Me (God) teaching for doctrine the commandments of men." The TORAH contains the first five books of the Christian Old Testament, known as the **Pentateuch**.

I must move on from this area of our studies, there are 63 large volumes of this filth and the work is so pornographic in nature it may not be sent through the U.S. mail.

How can a Jew take an oath of loyalty to America, when he is allowed by his religion to lie and disregard this oath if it benefits him or his people?

How can a Jew be expected to act worthy of his calling as an editor, news correspondent, a judge, a lawyer, a banker, an educator, or a politician, if he follows this religious belief? How can a Christian minister be trusted, who backs them in any way?

Why is it that the Jew, who is an oriental, is given more rights than the Japanese, Chinese, or Koreans among us? Sounds to me like rank discrimination. Yet the Jew is supposed to be the defender of Civil rights! What a hypocrisy!

The Jewish founder of modern Communism, Karl Mordecai Marx, said of his people, "In vain do we look for the key to the labyrinth of the Jewish soul in his religion. On the contrary, we must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? It is a practical passion and greed for profit! To what can we reduce its religious worship? To extortion! Who is their real G-d? Cash!"

So to accomplish their plan for world takeover, Jews create wars, revolutions, and depressions as a means of seizing power during the time of chaos. In the Communist textbook **"PSYCHOPOLITICS"**, which I have mentioned before, the plan for the takeover of the United States was laid down in 1934. They said, "Our chief goals are effectively carried forward, which is to proceed with a maximum chaos in the culture of our enemy. This is our first and most effective step. Our fruits are grown in chaos, distrust, economic depression, and scientific turmoil."

For hundreds of years now, this has been the Jewish plan for World conquest. On instructions laid down by their Grand Sanhedrin in Constantinople from their **VENGEANCE PROTOCOL** in 1286, they have infiltrated every profession in America. To do this, they have cornered the world supply of gold and have sold the non-Jewish world the fiction that gold is wealth, rather than land and commodities. Today, the entire world bows to the Jewish idol of gold, as much as the Babylonians worshiped Nebuchadnezzar's image of gold in **Daniel 3**.

By their control of gold, they smear those who refuse to knuckle under to their desires, and shut off the truth concerning news that our people need to know.

The International Jewish Council which met in Basil, Switzerland in 1879, drew up a far reaching plan entitled **"THE PROTOCOLS OF THE LEARNED ELDERS OF ZION."** This was a formula on which they would launch their world offensive. While Jewry and their Christian stooges.
proclaim this document to be a forgery, they seem to forget that in order to have a forgery, one must first have an original. The forger makes his work as close to the original as possible to fool people. The Jews have never questioned the original PROTOCOL which was written in Hebrew, only the English translation by the Englishman Victor E. Marsden. He was an English journalist who had lived in Russia for many years and was married to a Russian woman. He was a correspondent for the "LONDON MORNING POST", a position he held during the Bolshevik Revolution. He was harassed by the Communists and thrown into the Peter Paul prison. He escaped and eventually was allowed to return to England. His mastery of Russian and Hebrew, made him eminently qualified to translate the PROTOCOLS.

I am inclined to agree with Henry Ford, Sr., when he said, "The only statement I care to make about the PROTOCOLS is that they fit what is going on." International Zionism has followed them like a blueprint for a hundred years, so they could hardly be bogus.

The ELDERS OF ZION have never been revealed, but are sometimes referred to as the Hidden Hand of Judaism. They are not the Board of Deputies of the Jewish Parliament, or the Universal Israelite Alliance of France, or the American Jewish Congress. The late Walter Rathenau said of them, "Three hundred men, each of whom is known to all others, govern the fate of the world, and they elect their successors from their entourage." As far back as 1844, the Jewish Prime Minister of Britain, under Queen Victoria, the Jew Benjamin Disraeli, whose real name was Israel, wrote, "The world is governed by very different personages from what is imagined by those who are not behind the scenes." Then he went on to show that all these personages were Jews.

There are documents available from Jewish sources, such as the Universal Jewish Encyclopedia, Volume 2, 1948 edition, page 102, which show this document and admit to it's Jewishness.

There is much documentary proof that the Russian Revolution was planned, financed, and led by International Jewry. Jacob Schiff, Otto Kahn, and Paul Warburg, all members of the New York firm of Kuhn, Loeb, and Company, advanced nearly $48-million and trained 276 Jewish revolutionaries from New York City's Lower East Side and sent them to Russia to lead the revolution. They passed through Germany, although we were at war with Germany at that time and received permission to do so from Paul Warburg's brother who was Kaiser Wilhelms Chief of Espionage, and the German Chancellor Van Bethman-Hallwig, who was also a Jew.

President Woodrow Wilson (Democrat), was put into office on the basis of Jewish support and $50,000 was put into his campaign fund by the Jew Bernard Baruch. This was in payment for Wilson having signed the Federal Reserve Act of 1913, which placed International Jewish banks in charge of the economics of America, and which was the fore runner of our present economic system which is still Jewish controlled. Rockefeller, Rothschild, Kuhn, Loeb, and Lehman are just a few of the names which were involved, with the Rockefeller clan, masquerading as Protestant Christian Gentiles, leading the way.

While most Americans believe the Federal Reserve is part of our government, all of the major banks are Jewish owned, and their geographical dispersion serves as window dressing. All are independent of Federal control and are dependent for international control on the International Jewish bankers. These banks collect dividends which results in interest payments of the United States government on its bonds sold to Federal Reserve Banks and finances of course, by commercial banks throughout the country, using our money. They have usurped the Constitutional right of Congress to coin and print our money.

Today the United States government pays interest on its credit and the International Jewish bankers collect it and grow rich off the sweat and toil of the American taxpayer. In 1915 our National debt was about $303 million; by 1982, it passed the one trillion dollar mark. Add to this a state debt at this time of some $120 billion, plus God alone knows how much is owed in personal debts, and one can begin to scratch the surface of the robbery that has been carried on under the banner of Judaism. These taxes are collected by the Internal Revenue Service, which is the bully boy tax police of the
Federal Reserve, and enforces their tax laws. From a total of $103,651,585 collected in 1970, this has grown to $745,313,276 in 1996. Unfortunately, the I.R.S. is often used by the government and special interests to punish those who do not walk the Jewish line.

A good example is my own case. From 1965, when I retired, to 1981, I was severe vocal and written critic of the Federal Government's bankrupt Foreign and Economic policies, and was an embarrassment to the United States State Department on several occasions. This never drew any unbearable penalties, but when I began to speak publicly on the Jewish perils to our government and the Christian church in 1986, within six months I had my first audit, and there have been seven of these in fifteen years, costing this Christian work over $108,000. Many of you know that in 1998, the I.R.S. placed a levy on my Military Retirement pay, and stole over $24,000 that year, over the protests of several U.S. Senators. These men were falsely told that there was no religious prejudice involved, although facts proved otherwise. This Christian work was kept afloat, only by Christian brethren, who would not let it go down the drain. Some of you who read this book were in this group, and I will never be able to thank you properly. God knows what the future will bring!

Today in the face of almost unheard of economic woes, which persist in spite of what appears to be a booming economy, we see the strange sight of our government borrowing money from the Internationalists at high interest rates, so that we can give it away in Foreign Aid, often to countries who hate us and are our potential enemies, while our President spends untold billions of dollars of national wealth on brush fire wars in which we have no national interest. All these, Bosnia included, are for the benefit of the Internationalists and is fattening their purses, while bringing us closer to their New World Order, scheduled for completion in the year 2000.

It should be obvious to any intelligent person, where the money power lies. It most certainly is not in the hands of Congress where it belongs, and was meant to be. By their control of gold, the International Jewish bankers have become richer in one hour, as White Christians in particular sink deeper into the toils of their Slave State. Today, Christian America is bowing our backs in virtual economic slavery to world Judaism and they glory in it. Americans are today paying a higher percentage of their earnings into taxes, than was paid by the medieval serfs. This was the ultimate plan of PROTOCOLS, "Drain the entire product of materials and labor off the land and into our coffers." How long will we be willing to live on our knees, when God meant us to be FREE! You may be one of those Christians who reasons, "If He meant us to be free, why has He allowed our enemy to take control." Read the 28th Chapter of Deuteronomy and see for yourself. It all boils down to this TRUTH: "Obedience to God, and the discipline it brings, must come before we can have victory!" Until we learn the lesson of obedience, we should not expect to have God's help, no matter how hard we pray! I have Christians tell me, "If we could just get all the Christians in America to pray together, God would hear and answer our prayers and save us!" For this prayer to work you must mix prayer with obedience in what God tells us to do. In Isaiah 59:1 we are told that God has not lost His power to act, nor has He lost His sense of hearing the prayers of His people. Verse 2 of this same Chapter gives us the answer, "But your iniquities have separated between you and your God, and your sins have hid his face from you, that He will not hear." Before we can expect God to hear and answer our pleas for deliverance, we must first return to Him in obedience. While many so called Christian people recognize this fact, it soon becomes evident that most of them, including their pastors, are only giving God, lip service, and want to continue doing their own thing!

The only way we can be free from the Jewish plague, is by removing it, and this will be impossible until we first learn obedience.

We know God will be with us if we diligently and honestly seek His face, 2 Chronicles 7:14. He has always been on the side of righteousness, when it is exercised in the context of obedience to His will. Never, during the trials of our ancient forefathers, did He respond to their call for help, until they came to Him in repentance and humility, and unfortunately I have seen very little of this in the so called Christian world of 1999. One of our biggest problems in the Christian world, is that we
have grown too big for our britches! God may have to bring us down a notch or two, before He can work His way with us. He has done it before with His people, and if He never changes, as we have been taught, it is very possible He will do it again. I have stopped praying, "God, save us, instead I pray, 'Not my will, but Thine be done.'"

We must not be led astray by our hatred for the Jewish people, although we may have good reason for it. But battle must be against the forces of the anti-Christ, that their leaders advocate.

Sometimes it seems that there are no solutions to our problems. The problems are there, and the milder solutions can only come as the Jewish leaders are willing to lift the cloud of censorship they have placed on the Christian world and then back their words with good intentions.

As long as Jews insist on being a Jewish entity, instead of being individuals, they will ultimately force Christians, as a means of self defense, into viewing them as a foreign element hostile to Christian people and Christian values. If America allows a dual citizenship to stand in the way of loyalty to America alone, then Jews will continue not only to be a thorn in our flesh, but an ever increasing danger to our American way of life.

Our freedom was won at too great a price, to allow it to be usurped by aliens in our midst, who have taken advantage of our hospitality. This goes for other religious groups too.

The Constitution guarantees freedom of speech and press, to American citizens. It does not allow an alien minority to take this away by imposing their censorship. If we allow this to happen, and it's well along the way towards completion, then we deserve everything we get.

Today, as the greatest drama of the Ages begins to unfold before us, there are two paths we can choose. The one is lined with the trinkets and glamour of Jewry, the big brother will take care of you, philosophy which always leads to slavery. Those who seek only personal pleasure and comforts, those fools who believe, "You only go around once in life, so live with gusto, for tomorrow you may die." These will find only slavery and death at the end of their road. It is only the pathway of sacrifice and obedience to God, that comes from loyalty, courage, honor, and a sense of duty, that leads to a more abundant life.

We are offered two options, Either serve God with gladness, knowing His word is true, or follow a path which will only serve the oppressors of our people.

Today in America, we are faced with oppressive, anti-White, anti-Christ government. Will we serve it? Our forefathers refused to do so! In the Declaration of Independence, Thomas Jefferson said that, "We are endowed by our Creator with certain unalienable (may not be tampered with by government for any reason) rights. That among these are life, liberty, and the pursuit of happiness. That to secure these rights governments are instituted among men deriving their just powers from the consent of the governed, that whenever government becomes destructive to these ends it becomes the right of the people to alter and abolish it and institute a new government."

The fact that we are free today, gives us the right to establish and maintain a government which will enable us to enjoy these rights, so aptly expressed by the political philosopher, John Locke. Not only is it our right, but it is our duty. Jefferson said, "When a long train of abuses, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, nay it is their duty, to throw off such a government and provide new safeguards for their future security."

Today, under the despotism of William Jefferson Clinton, we are living under such a government. Our first allegiance must be to God. It is His law and the unalienable rights under that Law, which make us a free people. We cannot afford for our allegiance now, or at any time in the future, to come under bondage to an alien philosophy that seeks to enslave and destroy us.

In 1 Kings 18:21, the prophet Elijah asked our forefathers, "How long halt ye between two opinions? If the Lord be God follow Him: but if Baal, then follow him." Five hundred years before
Elijah's time, Joshua told the people of Israel, "If it seem evil unto you to serve the Lord, choose ye this day whom ye will serve;... but as for me and my house, we will serve the Lord." (Joshua 24:15)

This is the decisions White Christians in particular must make today, if we are to survive. Will we serve Jehovah, the God of our forefathers, and His Son the Lord Jesus Christ and remain free? Or will we bow the knee to the false god of the Talmudic Jews and become slaves? Our whole future, and that of our race, depends on how we answer this question.

For far to long, we have been under the spell of the Baal system of Babylonian usury, It is in the process now of deliberately producing a "raceless, soulless humanity," that can be controlled by the elite in the New World Order of Judaism. This will mean control over income, our children, our entertainment, our sex life, our education, our body, our politics, and our religion. Already the New World Elite have openly stated that there will be no place for Christians in their New World.

I say the time has come when we must stop it. It will only happen when Christian men and women know the truth, recognize it as truth, and operate on this basis. It cannot happen, as long as most of the church world is under bondage, and control of Judaism, as it is today!

The time is late, the situation seems hopeless at times, but so was the situation in 1775 when Patrick Henry, speaking before the Virginia Convention, in an attempt to rally his people to the cause of freedom, shouted for all the world to hear, "They tell us sirs, that we are weak, unable to cope with some formidable an adversary. But when shall we be stronger? Will it be next year? Will it be when we have been totally disarmed, and a British guard is stationed in every house?" This is what the Jews seek in America today. They are in the forefront of every effort towards gun control and total disarmament. Christian America: "How long will ye halt between two opinions?" Will you finally believe when you see enemy hordes marching through our streets, raping our women and destroying our homes and churches?

Today, our Christian people are asleep. They are in a dream world, where they imagine that bad things will not happen to them. They see devastating earthquakes in Turkey and Greece, and say, "It will not happen to us!" They see mass murders by governments in Southeast Asia and Africa, and say, "That will not happen here! We are born again, you know, and Jesus will come back and RAPTURE us away before if gets all that bad!" Talk about being wrapped up in a sheet of self-righteousness, those Christians are enclosed in a shroud and don't know it. Like the folks in Isaiah 28 their church leaders have "made a covenant with death, and with hell are in agreement; when the overflowing scourge (disaster) shall pass through, (they say), it shall not come nigh us: for we have made lies our refuge, and under falsehood have we hid ourselves." What does God have to say about this complacent attitude? The answer is in verses 17 and 18 "Judgment also will I (God) lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place. And your covenant with death shall be disannulled, (canceled) and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it." Still so-called born again Christians who say they believe God's Word, will tell you with a straight face, "It will not happen to America, because we have too many born again Christians here!" How dangerously complacent can we get?

While our preachers indicate that they don't know who the Jews are, and erroneously call them God's Chosen, our risen Savior said of them in Revelation 2:9 - "...I know the blasphemy of those who say they are Jews, and are not, but are of the synagogue (meeting place) of Satan." He will take care of them in His own good time as indicated in Luke 19:27, and in His Parable of the Sower in Matthew 13:30. He indicated here that if we attempt to uproot them before their time, it will harm the wheat.

Will it take God's destruction of His enemies, to waken our Christians, or will it take disaster to befall them?

Are you willing to have your family live under the rulership of International Jewry, now that you
know the truth about them? In the face of slavery and very possibly death. **WHAT WILL YOUR ANSWER BE?**

The day of decision is fast approaching, when Satan's Kids, will make an all out effort to control the Christian world. Their time schedule calls for it to happen in the year 2000. It may be necessary for us to take stern measures in order to stop this anti-Christ scourge. For whether you want to admit it or not, we are in extreme danger as a free people. Soon this war will end. With promises like Romans 8:28; 2 Timothy 1:7; and Luke 21:28, we have nothing to fear. For no matter how heavy the odds against us may be we will be **VICTORIOUS, when we learn to be obedient!** Are you going to be on the winning side? Or will you be one of the church rebels who refuses to believe God's Word, and will not make into His kingdom, no matter how solid your church membership may be? Please never say you weren't warned!

**Choose you this day whom ye will serve!!!**

**ANNEX**

A compilation of up to the minute facts about world Jewry from many reliable sources:

from "THE TRUTH AT LAST" July 1999

President Clinton, in full accord with his Jewish advisors says that he wants to prepare White Americans (and this refers specifically to Christians - MOHR), for the day when we will be a minority in our own country. If the present immigration rate continues, we will be a minority in 30 years. Clinton gloated, "There will be a great revolution that we can live with without having a dominant (meaning Christian) white culture."

Pat Buchanan, the well known commentator said, "When did Americans vote for a revolution to over run our ethnic and racial balance? When did our people vote to over turn her dominate European culture? Republicans are too intimidated and paralyzed by ruling 'political correctness', to resist (the Jew inspired Clinton revolution - MOHR) which would ignite a real revolution."

Buchanan went on to say, "We are only half way to Clinton's paradise. What will it be like when we finally get there?"

**WHITE ON WHITE CRIME!**

Percentage wise, very few crimes against non-Whites are committed by whites and the Jewish sponsored **anti-hate laws** now before Congress will be enforced almost exclusively against whites.

FBI Crime Statistics show that Whites commit only 55.85 crimes per 100,000 against Negroes. While the crime rate of Negroes against Whites is 3,493.63 per 100,000. These
new crime laws will impose a more severe penalty against Whites that are ever applied to Blacks and are part of the overall discrimination that is being shown to those people who settled America and under God, made her great. It is also part and parcel of the Zionist plot for world control, as can be seen from many statements made by Jewish religious leadership in pro-race mixing propaganda can be seen in an article published in Canada in Macleans Review Magazine of September 5, 1967. A prominent Canadian Rabbi, Abraham Feinberg outlined the Zionist solution for racial conflicts, in these words:

"One of the most nagging dilemmas of our creed is the gap between 'preaching and practicing' racial equality. We Canadian Jews support the Civil Rights Movement in the United States.

"This refusal to sanction the mixing of the races is the final bastion of racial hostility. Until we learn to fight our ingrown (natural) fears of sexual relations between the races, the end of the race problems will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a White girl, will the West (Christendom) have begun to tear the racial poison from it's vitals. Such a change will involve an inside out remodeling of the White Psyche, for the fear of mixed marriages is deeply rooted." (It indeed is, for it was a Law our forefathers received from God Himself - but notice how cleverly, the Rabbi applies this reasoning to Gentiles MOHR).

"The change must begin sometime. Why not now? One reason, according to the thinking of those who bridle at the thought of miscegration is that there is basic, physiological incompatibility between races. Allied with this notion is the fear, seldom expressed but nevertheless very real that mongrelization of the races will somehow result in an inferior human product." (Regardless of what the Rabbi said, this is a fact proven by history - MOHR)

"Finally, there is the objection that some races are innately savage, according to this view - and it's surprising that many White liberals halfway believe it! The chaos in the Congo and mob violence in American cities spring from a single Black source. History shows, however, that no race, regardless of its technological progress, has a monopoly on savagery. Many Whites cannot see this, (if this is true, why do we see statistics like those from the FBI as I have shown? Why do we see the unbelievable savagery shown in the faces of black musicians in rock and roll on TV, and in the held of entertainment? And still say, "There's nothing wrong?" It's hard to convince an honest man or woman that this savagery as seen in the TV screen and in rock music, has been held up to our white youth as the way to go, and the norm somehow or other it's not in white nature to bite the head off a live chicken while screaming obscenities on stage? MOHR)

Feinberg continues, "I do not mean to suggest there are no differences. Of course there are. Races do differ - in the frequency of blood type distribution, in taste sensitivity, in hairiness, in body smell. These are real disabilities that Civil Rights leaders must overcome.

"It is certain that the mixed couple contemplating marriage faces a whole sea of trouble that couples of the same race never encounter. But there is evidence that the barriers posed by society are beginning to crumble. (The Jews have been foremost in this Movement to destroy our Christian concept of God - MOHR)
"If anything the Law should encourage, not forbid, the intermingling of bloods.

"Legislation alone cannot change the human heart.

The only way to accomplish this, to have 'Final Solution' to the racial problem is to create a melange (mixture) of races so universal that no one can preen themselves on their 'racial purity', or practice the barbarism necessary to safeguard it. The deliberate encouragement of inter-racial marriages is the only way to hasten this process. And time may be getting short! The dominance of our world has begun to shift like the cargo in a listing ship from the White races to the colored. The sooner we adjust to this fact, the better it will be for our children. We know that we will never be able to completely eliminate racial prejudice, until we eliminate racial separation." (UNQ)

At this time, research projects into the breeding of humans existed. They have long been suppressed by the Jews who control the media and TV fields. Liberal witch hunters, have damned anyone looking into the truth, by calling them racists.

These mentally warped creatures, many of them in the Christian Church, accept scientific methods to create better animals, yet they go into hysterics, when one suggests that same thoughtfulness if applied to humans, would lead to the betterment of mankind.

Africa is a prime example of the failure of Blacks to develop even the rudiments of civilization. Negroes have existed in Africa, as long as Whites have been in Europe. Then ask yourself why blacks have never developed a written language, an alphabet, or mathematics, until the White man came along and showed them how to live a better life.

Today, we see every so-called Black Republic in much worse shape in every way, then when they were under harsh, White Colonial rule. I've been in Central Africa, where they had never seen a White man, and the natives were living as their ancestors 5,000 years ago.

Two political movements, Communism and Zionism benefit from inter-racial marriage.

If the masses of White America interbreed with the Blacks, we will be transformed into a dull, lazy nation, such as we find today in Brazil. With some of the richest mines, and fertile land in the world, they are still a Third World nation.

Communism has been successful in America, through Jewish power, and the support that comes from sullen non-White drones in our Christian churches, who have been lured by their "Take from the rich, and give it to the poor" slogan, knowing that many of them refuse to work for a living. It's so much easier when Uncle Sam gives them a welfare handout.

The Jewish tactics involved appear in a book written by a prominent English Communist Jew in 1921, Israel Cohen, titled "Racial Program for the Twentieth Century." The following quotation can be found in the U.S. Congressional Record of 1957, page 8559: "We (Jews) must realize that our most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by Whites, we can mold them to our program. The term colonialism and Imperialism must be featured in our propaganda. In America, we will strive for a subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in Whites a guilt complex. (They have been most
successful among Christians, as can be seen by the recent apology issued to Blacks by the Southern Baptist Convention - MOHR).

"We will aid the Negroes to rise in prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with Whites, and begin the process that will deliver America into our hands." (What better example than the Black football star O.J. Simpson?)

**AN AUSTRALIANS LOOKS AT THE IDENTITY CRISIS WHERE TO NOW GERMANY?**

Sometimes we White Christians get so tied up in our own problems we forget that others of our Israel kin are suffering the same hardships. This article written by Adam DeWitt, of Australia, covers an interesting phase in our war for Christian survival, that American Christians need to know. (DeWitt writes regularly for the "TRUMPET" magazine, which is the mouthpiece of the Christian Commonwealth of Covenant People, P.O. Box 141, Rondebosch, South Africa, 7701) Listen well to his words concerning another Christian Israel nation which is under violent attack by International Jewry, in their age old plan for world conquest.

When we walk a highway you would like to know where you are heading. What if you don't know? You will need to rely on fixed points and the most helpful would be the starting point. At least if you know where you came from, you will have a pretty good idea of where the road is heading. This principle is being understood by more and more people world wide, as they attempt to strengthen their society, and thereby ensure their future. Likewise this principle could be very helpful to Germany, the country now under discussion. So with this in mind let's look for German roots. (Bear in mind that over 27% of the American people come from a Germanic background.)

In Isaiah 51:1,2 Israelites are admonished: "Hearken to Me, ye that follow righteousness, ye that seek the Lord: look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged. Look unto Abraham your father, and unto Sarah that bare you: for I (God) called him alone, and blessed him, and increased him."

(Remember there were no people anywhere on earth called JEWS, until 1200 years after Abraham's time, so this verse could not have referred to them - MOHR).

**AN IDENTITY CRISIS!**

For many Germans, to delve into history, to find a future direction, is something to fear. They have fear of being labeled a Neo-Nazi or Nazi apologist, because of World War II. German history goes back much farther then World War II. Nor should World War II be seen as the climax for Germans faced by this crisis.

I will not attempt to explain the war away, or give an opinion on it directly. Germans are not war mongers, no matter what the Jewish controlled press says to the contrary and this can be proved from history. On the whole, the history of Germany has been the
most peaceful in Europe, and the most culturally rich. Over a period of some 1200 years, Germany has been involved in less wars than any of its neighbors or rivals.

When statistics are broken down into percentages the list of European nations involved in wars reads as follows:

**European Nations Involved in Wars**

<table>
<thead>
<tr>
<th>Nation</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Poland (Polen)</td>
<td>58%</td>
</tr>
<tr>
<td>England</td>
<td>56%</td>
</tr>
<tr>
<td>France (Franreich)</td>
<td>50%</td>
</tr>
<tr>
<td>Russia (Rubland)</td>
<td>46%</td>
</tr>
<tr>
<td>Netherlands (Holland)</td>
<td>44%</td>
</tr>
<tr>
<td>Italy (Italian)</td>
<td>36%</td>
</tr>
<tr>
<td>Germany (Deutshe)</td>
<td>28%</td>
</tr>
</tbody>
</table>

The problem is, that the wars in which Germany has been involved were within living memory. Therefore we must keep things in perspective and not lose sight of the fact that Germans are a people with a thrilling destiny. There is an ancient prophesy stating that although nations would overcome Germany (as experienced at the end of World War II), the Israelite nation of Germany would overcome in the end. With that in mind, we can now begin to uncover hidden historical and scriptural proofs which have long been withheld from our people.

---

**The Paper Curtain**

Those withholding this information, are aware of the ramifications for Germany should it become widespread knowledge. At the end of this account, you too will know why the world's best kept secret is so suppressed. Just as the Berlin Wall came down, so too will the Paper Curtain of falsehood, come tumbling down. We will not get into a debate on the Jewish Holocaust. But we must realize that this Paper Curtain of misinformation, which has beguiled millions of people, especially since the 1800's is beginning to rip. This message will help speed up this shredding process.

**The Flame**

There is a truth that is spreading from land to land (especially in the nations of Christendom - MOHR), to conservative groups, to patriot groups, from church to church (in the Judeo-Christian world - MOHR), quietly crossing denominational lines and often bypassing church leaders. This teaching crosses political ideologies, and many study groups are accepting it as are many archaeologists, historians, and secretly many politicians. It is being called Israelite Identity, and it has absolutely nothing to do with Judaism. Those who do not understand it or those who fear it, call it "Racism; Cultism; Hatred; Unbiblical; Anglo-Israelitism; White Supremacy; Heresy; and worst of all new anti-Semitism." Yet many are saying and teaching that it is truth; that it can be proven historically, archalogically, and Biblically.
IDENTIFYING HEIRS AND WHY

Picture a tramp sleeping in a back alley. One day a solicitor finds him and asks if the tramp is the man he is looking for. The tramp can prove that he is. It turns out that this down trodden man is the long lost grandson of a King, who left his estate and Kingdom to him. Do you think that identifying this tramp would make a profound difference in his life? Are other tramps who have shared his misery entitled to it's benefits because of his birthright? Clearly the difference is very real and only the proper man can receive the blessings which comes from being a heir of the King. It means the difference between living in a cardboard box, and having to rummage through a garbage can to stay alive, and living in a palace. Identifying people correctly makes a difference in their national, mental outlook that translates into international performance, not just on the economic level, but also morally.

Many trendy intellectuals hate the word morality. Yet morality governs more than sexual behavior; it's the difference between suicide, or living to live, and even procreate on a personal as well as national level.

So let's begin the process of finding out who we are.

At school these days, our children are taught that we came from a bunch of barbarians who came into Europe as part of a mass migration from the East, moving West, and Northwest. Keep this in mind. Barbarians in spite of modern ideas, does not mean a slob or crude fellow. It is a term that meant one who does not speak Greek or Latin. The barbarians were often descendants of refugees or migrating people. Refugees can be seen to lack sophistication because they are in transit, just like a backpacker. Our Israel forefathers in Roman times were in transit, they were pioneers carrying Israel culture into the wilderness. But their forefathers were very cultured and civilized men from whence they migrated and like the American pioneers they sought to start afresh in the wilderness with very little means.

To the British, the American pioneers were barbarians. They lived rough and ready, yet their bloodline, like the British who despised them was European. The American barbarism was not due to these people being crude or uneducated, as some of them were graduates from the finest universities of Europe and could read their Bibles in Hebrew and Latin. These culturally rich pioneers had to live crude, because they were in a wilderness with very little to start with. They were trying to recreate the culture they once knew.

The early Europeans who lived outside the world dominion of Rome were also pioneers. The aim of the pioneer is not to become a barbarian. Their aim is to recreate the culture left behind without (what they viewed) intolerable decadence, corruption, and lack of morality. Indeed most of the early American pioneers were made up of Christian sects that opted to live on a higher moral and spiritual standard than was possible in the land of their birth.

America was settled by Puritans, Mennonites, Quakers, Huguenots, Amish, and so on. Can we then liken them to the early Europeans who lived outside the empire of Rome?

Certainly Roman culture at this time was highly decadent and thrived on fleshly passions ranging from gluttony and drunkeness, to all manner of sexual activity, and ended in spectators viewing of death in their arenas. The Romans wrote gruesome
accounts of the Celts and Germanics, yet much of this was propaganda and exaggeration, even perverted romanticism to suit their various political aims. By and large the Celts and Germanics had strong moral codes. They were a highly religious people. Ancient texts prove the origin of this religion to be found in the Old Testament (for some reason Judeo-Christian pastors and scholars refuse to accept these ancient texts, although they will believe much older ones coming from Egypt and Assyria, which prove their point of view - MOHR). It was their religion that caused them to migrate in the first place, as they left a morally corrupt civilization. (More about this later).

THE SECRET

In this article we will introduce you to an archaeological fact that has been kept secret by the establishment. (This of course under Jewish control -MOHR). This fact is that the Germanic people are Semitic, indeed, they are descendants from what theologians call the Lost Tribes of Israel. (These have been lost to fallible men for centuries, since Israel, and most of Judah were taken captive by Assyria, but they were never lost to God - MOHR).

I will give you a short history to prove these claims. But before reading you must be clear in your mind and understand that when you read the word Israelite, Semite, or Hebrew, they are not speaking about JEWS.

The religious establishment (under Jewish control - MOHR) has programmed us to think that Israelite means Jew, yet it does not and nowhere in the Bible does it have this meaning.

We cannot understand our ethnic beginnings if we cloud out terms by traditional dogma. Judaism is a religion, just as Catholicism. When we say Catholic, do we mean Italians? No, because we also have German, Irish, Mexican, Filipino, and American Catholics. So it is with the Jews, they are not a race, but a religious cult. (Just as there is no such thing as a Christian race, so there is no Jewish race! - MOHR).

THE FIRST TRIBES

Our schools today teach our children they were "Stone Age, or Cave Men" in Europe, such as Neanderthal and Cro-Magnon man.

Our historians are either disinformed (which I doubt - MOHR), misinformed, or dishonest. No, I am not arguing whether those species existed or not. But I am against these learned peoples methods of teaching. They tell our children of these cave men and teach them evolution followed by telling us of the Celts and Germanic tribes. (The Apostle Paul describes them in 2 Timothy 3:7 as "Every learning, and never able to come to the knowledge of the truth." You see, this is part of the Jewish plan for dumbing down our people to where they will listen to and accept Jewish fables, rather than the truth - MOHR).

These men even go so far as to encourage us to believe that our European ancestors,
evolved from these cave men.

Yet, the Celts and Saxons did not evolve from cave men. The cave men, who existed
died out, they came to an end and did not leave offspring's to enable them to have an
ongoing population. The Celts, Germanic's, and Goths, migrated into Europe from the
east in various waves, not having a link whatsoever with cave men. The bulk of the cave
men died tens of thousands of years earlier, as according to archaeologists, they lived
between 100,000 and 40,000 B.C. The Celts migrated into Europe about 2,000 B.C.
resulting in a gap of tens of thousands of years from the cave man era.

The best known group of Celts lived in middle Europe around 800 B.C. and has been
named by archaeologists as the Hallstatt culture. When the Germanic-Saxons or Goths
moved into Europe we are erroneously taught that the Celts were totally driven out. We
are also taught the error that the Celts and Germanics are two different races. I will
show you that they are one and the same people.

The reason why the Celts disappeared is because they were ethnically indistinguishable
from the Saxons. The Celtic language disappeared because Germanic became the
overriding speech. In the same way Latin (in the form of French) replaced the Germanic
of the Germanic-Franks in France. Even though the French, who were descended from
the Germanic and Celtic people and who now speak a form of Latin, still live on today.
The Celts did not die out in Europe. After many battles they simple were grafted into
the Kin stock of the Germanic tribes.

It is time now to trace the Celts back to their cradle.

More and more authorities recognize that the Celts came from the Middle East as
pointed out recently in a lengthy BBC documentary on these people. The word Celt,
(pronounced kelt) is found in many forms in Gelderland, Holland: Galatia, in middle
Turkey; Cheltenham in England; Galia in France; Galacie in Southern Poland; Gallia, a
former Roman Province in Northern Italy; Wael, and Wallonia. Early forms of the word
Cald or Chald have been found in Chaldea in the land of Mesopotamia.

Early Chaldeans migrated from the delta region near what is now Kuwait, up the fertile
strip along the Euphrates River to regions along the Mediterranean Coast, to found the
ancient civilizations such as Egypt. (Who were white Adamites by the way - MOHR).
When we think of the Middle East people today, we tend to picture them as a brown
skinned folk with dark eyes. Yet in the early days it was not so. The Arabs, Turks, and
other darker people moved into the Middle East much later. The Turks for instance did
not come from modern Turkey, but rather from middle Asia. originally Turkey was
populated by descendants of the Chaldeans and related people who were fair skinned
and blond. Basically the Turks ethnically cleansed these fair skinned folks from Asia
Minor. The original Egyptians too, were kin to the Chaldeans and were Nordic in
appearance. (The ancient pictures on the pyramids of Egypt, which are many thousands
of years old, show the ruling class in Egypt as Caucasians. The same is true of the
original Ethiopians. I have seen the ancient paintings on the walls of the Coptic church
in Axum, Ethiopia, the ancient Capitol City of the Queen of Sheba and the ruling class
were Caucasians - MOHR).

Earliest record show that the Chaldeas migrated north-westerly from the highland region
of Eastern Turkey and West into Iran, and then into Europe. Those that migrated south
became known as Chaldeans. One of the most famous of these is Abraham of the Bible,
who was not a Jew, or even and Israelite, he was however related to the Celts; his bloodline was. Celtic. We know the Celtic word for fair is **blond**. The Bible tells us that Abraham's wife Sarai was very fair. The French word for **fair** is **blond**. The Hebrew word used in the Bible is **YOPHIY** from the root word.

Yahpah, meaning "**blond, beautiful, or bright**." Seeing that Abraham loved all God's Laws, including those which forbade marrying those of another nation, it stands to reason that he too would have been Nordic in appearance. Indeed the Celts were tall men, about six feet or 1.8 meters, ruddy and on the whole fair and blond. Abraham and his family left Ur at the time the ethnic makeup of Chaldea was shifting from predominantly fair skinned Chaldeans to the new incoming darker skinned people who changed the entire makeup of Chaldea. Abraham followed the route taken by many of his kin over the centuries before, and settled in a land where he would live amidst the people that the Law approved of. He could have gone to Europe, but evidently did not feel the need to go so far. In those days, Palestine and Lebanon, were populated not by Jews or Arabs, but by Hebrew-Celts, from the highlands of Chaldea, a blond folk who were his kin. (In fact, many of the Lebanese and Syrian people today, are blond, blue eyed Christian relatives of ours - MOHR).

From Abraham came Isaac, who was ethnically Celtic and not Jewish. (The Jews did not come along until hundreds of years later, when they first appear on the Bible scene in 2 Kings 16:6, fighting against Israel - MOHR). This means that all of Isaacs sons were ethnically Celtic and not Jewish. It also means that Jacob's children were Celts or Chads, not Jewish. From this same lineage came King David. We have a description of him in 1 Samuel 17:42, where he is described as "**ruddy and fair**". Ruddy means his skin was light with a pink complexion and again we see the same word fair meaning blond. Thi~ means that Jacob-Israelites were also fair skinned people. This is a totally different picture then that of Hollywood, which stereotypes them as swarthy with black hair.

Remember that at least 50% of all that comes out of Hollywood is nonsense, and the other 50% fiction. (We see very little of truth coming from this predominately Jewish source, and it has become one of their most potent propaganda tools, to **brainwash** our people - MOHR).

Jacob/Israel, the Celt, had 12 sons who in turn made up twelve tribes, or nations. These tribes took on the name of their respective patriarchs. They are Reuben, Simeon, Judah, Dan, Naphtali, Gad, Asher, Issacher, Zebulon, Manasseh, Ephraim, (sons of Joseph), and Benjamin. All were Celts, none were Jews.

**TRUE MEANINGS**

Lets get our terms straight. The word JEW is a corruption of the Hebrew word **Yehuwdiy** from **Yehuwdah**. Yehudah means **JUDAH**, or Judah (the person). Therefore it is ethnically and etymologically wrong to say that the descendants of the other sons are JUDAH. It is simply impossible. It is equally impossible to say that Jacob, Isaac, and Abraham were children of Judah, which the Judeo-Christian churches do all the time by implication by calling them Jews. To call any of these people Jews is utter nonsense, yet most of the churches and most school leachers, even dictionaries are guilty of this stupidity. Only the descendants of Judah can be called **Yeduawdiy**, which
can be corrupted to Jews.

There is a second category of Jews who are not even descendants of Judah. After the 12 tribes settled in what became known as the land of Israel, around 1400 B.C. infighting lead to a rift between the Israelites. The land was split in two, the Northern half became the land of Israel, and the Southern half the land of Judah. The Assyrians began to invade these two kingdoms around 730 B.C.. First the northern land of the ten tribes with many cities of the south went into captivity as outlined in 2 Kings 18. The Assyrians repopulated the land with non-Israelites after the Israelites had been deported.

However, the city of Jerusalem was not taken. The only Isra–lites left in the land were the remnant (not all) of Judah and Benjamin. Because Jerusalem became the administrative capital of this, now Assyrian province, the territory became known as Judea, and its inhabitants as Judeans, event though most of them were not of the tribe of Judah. All the non-Israelite people in the land, took on the new geographic term Judeans, as well as the remnant of Judah and Benjamin.

Only the remnant of Judah could rightfully claim racial blood lines to the person of Judah, but the rest, the majority of the mixed multitude laid claim by geographic means. Both groups are called Jews in our modern Bibles. It therefore takes a trained reader to spot the difference.

Jesus was a Judahite, but He was not a Judean, he was a Galilean. The term King of the Jews is not a reference to being king of the geographic Judeans, but rather a reference to His royal descent from Judah.

(Dr. Benjamin Freedman, explains it very well in his book "FACTS ARE FACTS". On page 17 he says, "...the best known 18th century editions of the New Testament in English are the Rheims (Douai) Edition and the King James Authorized Edition. The Rheims translation of the New Testament into English was first printed in 1582, but the word Jew did not appear in it. The King James Authorized translation of the New Testament was begun in 1604 and published in 1611. The word Jew did not appear in it. It was not until the 18th Century that the word Jew was used for the first time. There is not a person in the English speaking world today who regards a JEW as a JUDEAN in a literal sense. The secondary meaning of the word, with practically no exception is that a person who claims to belong to a racial group associated with ancient Semites or are directly descended from the ancient nation of Judea, is a JEW. The secondary meaning is what causes confusion in the Christian world. The implications, inferences, innuendoes of the word Jew today to the majority of intelligent Christians is contradictory and confusing. Christians who cannot be fooled any longer, are suspect by the Christian clergy, who continue to repeat and repeat, ad nauseam, their pet theme, that Jesus was a Jew - MOHR).

The term King of the Jews, did not refer to religious Jews, who were Hebrews. In essence Jesus was a Chad, of Celtic blood, and even though His paternity was through Judah, He cannot be considered a Jew.

Jewish author Alfred Lilienthal wrote, "Here is a paradox, a paradox, a most ingenious paradox; and an anthropological fact, that many Christians have much more Hebrew-Israelite blood in their veins than most of their Jewish neighbors, (taken from his book "WHAT PRICE ISRAEL?").
Could there be any truth in this statement? If so, this would mean the greater number of German society and it's neighboring countries have misidentified the people who are most prominent in the Bible. The 1980 Jewish Almanac's, first chapter, entitled "Identity Crisis", begins with the following admission: "Strictly speaking, it is incorrect to call an ancient Israelite a Jew, or a contemporary Jew an Israelite or Hebrew." (By Richard Siegel and Carl Rheims, New York Bantam books 1980). The 1978 edition of the Jewish newspaper, "UNITED ISRAEL BULLETIN", (Volume XXXXV, 507 5th Avenue, New York City) admits the following and contradicts the teaching of many Judeo-Christian churches. It says, "to get to the root of the matter ...it is important we clear up one misconception held by so many in our society . . to the true definition of the terms Hebrew, Israel and Jew. Abraham was not a Jew! Don't let this statement shock you. Historically and ethnologically he was not a Jew! Neither was Joshua nor Joseph."

Today's Jews come under two categories, Askenazim and Sephardim. The Ashkenazi make up 90% of all modern Jews. Ashkenaz was the grandson of Japeth. Japeth was a brother of Shem. This means that at least 90% of all modern Jews are not Semitics. (Semitic, means descended from Shem. Jacob/Israel descended from Shem). Seeing that Ashkenazim are not Shem means that more than 90% of today's Jews cannot be classified as Israelites. This group is the power behind the Zionist Movement and are the main occupiers of the modern Jewish State in Palestine. (Every Prime Minister of this mini-state have been of Ashenazim ancestry - MOHR). It does not take much to see that this group has taken over Palestine under false pretenses as they are not Israelites in any shape or form.

The second largest group are the Sephardics. These do have some claim to say that their forbears lived in Judea, BUT, not as Judahites, let alone Israelites. These Sephardim take their name from Sepharvaim or Sephardaim. They are Assyrian people who were placed in the depopulated lands of Israel and Judah after the Assyrian invasion (see 2 Kings 17:24,31; 18:14; 19:13; Isaiah 36:19; 37:13). This means only one thing. This is that those who today call themselves Israelites through the lineage of Judah, are impostors (see Revelations 2:9; 3:9). Where the Bible says the Kingdom was taken away from the Jews, (Matthew 21:43), it was taken away from the pseudo-Jews who were not Israelites. Although the majority of the church world may believe these people are Israelites, this does not make it so!

In Revelations 2:9; 3:9, our risen Savior warned about "those who say they are Jews, but are not... and are of the synagogue of Satan." In other words those who claim to be of the lineage of Judah, are impostors. When the Bible says the Kingdom was taken away from the Jews, it does not refer to true Israelites, but to those who falsely claim to be Israelites by calling themselves Jews.

THE TRUE HEIRS

Now that we know that today's Jews are not Israelites, a logical question is, Who are the true Israelites to whom Christ was sent. In Matthew 15:24 our Lord said, "I am not sent, but unto the lost sheep of the house of Israel." (Your Judeo-Christian pastor will no doubt say this refers to unsaved Jews, but this is not it's meaning. The word LOST in Greek, is the word APOLLUMI, which literally means those who were banished, for disobedience. This happened only to Israel. - MOHR).
To find the **true Israelites** we need to be looking at the Celtic or at least the Celtic type people. One of the forefathers of the Celtic-Israelites was a person named Eber. From which we get the term Hebrew. In Phoenician Hebrew, the name Eber, means colonizer. The European people, are renowned as being a Colonizing people. (The Jews have never done this. They wait until a country has been established and become economically stable, and then step in and try and take control - MOHR).

The name Eber, can be found in many variations throughout Europe. The Ebro River in Spain; Iberia (the old name for Spain); and Iberne, (the old name for Ireland), Latinized later by the Romans to Hiber-nai, or Hibernia.

Many Israelites teamed up with the Cannanites to form the Trading Empire called Phonecia. This fits the two distinct elements which made up the Phonecians. (The word Cannanite means merchant or peddler.) The red haired, or blond Israelite element, and the dark swarthy type being Cannanites.

The Hebrew-Celtic element, did the colonizing, while the Cannanite element did the trading. In fact the merchant class of Phonecia called themselves Chanai, meaning Cannanite in their dialect. The Hebrew-Phonecians called themselves **Barat Phonecians**. According to the Bible, God made special covenants (binding agreements) with Abraham and his folk, and they became His **Covenant people**. The word Barat comes from the Hebrew word Br't, or Berth, meaning Covenant.

This word can be found in many variations in the form of Barta in parthia (near Afghanistan); Brittany in France; Britain in England and Bruttium, a former province of Italy.

The study of these names, seems to suggest a historical path of migration made by the early Hebrew-Celts, who were blood kin of Abraham and his descendants, the Israelites.

We stated earlier that the Assyrians took almost all of Israel into captivity, except for the stronghold of Jerusalem. For hundreds of years the most renowned seats of learning, colleges, universities, and Theological institutions, have been at loss to solve the issue of what became of the **Lost Tribes of Israel**. (They were lost to man and his history, but not to God, who still led them - MOHR). The overriding theory held by modern theologians, (with no proof), is that they simple integrated with the people in the lands of their captivity. (As a result, Judeo-Christian pastors tell their congregations that **The Jews are all of Israel**, when they never were a part of it - MOHR).

The theory held by most theologians contradicts the everlasting covenants outlined in Scriptures. These writings tell of both northern and southern Israelite kingdoms being taken by the Assyrians with only those in Jerusalem being spared. This took place between 740-721 B.C. The Judaïtes in Jerusalem went into Babylonian captivity later. These represented only a tiny part of the Israel remnant. When the Babylonian banishment ended, less than 50,000 souls returned, while an estimated 3 to 6 million Israelites were elsewhere.

During the last 100 years, archaeologists have unearthed and published the original records kept by the Assyrians who took the bulk of Israel captive. These records, housed in the British Museum, reveal vital clues. Assyrian wall reliefs also give pictorial details showing the casting asunder of the Israelites, their towns and the deportations of those captured by Assyria.
These clay tablets were found in the diggings of the Assyrian Royal Museum in Ninevah in 1850. They were translated and published in 1930 by Professor Leroy Waterman of the University of Michigan. These tablets were in total disorder, hundreds of which were miscellaneous texts dealing with the matters of state. Because of this and the fact that the Assyrians called Israelites by other names during their captivity, the relevance to Israel has been overlooked. Yet a number of these tablets dated around 707 B.C. uncovered the hidden lot of the Israelites as they fled from Assyria, into the lands to the north and west. These tablets provide missing links of vital importance to modern descendants of the Lost Tribes of Israel, who are seeking their background.

As outlined above, the forbearers of the Israelites were Chaldeans, or we could say proto-Celts. In due course I will demonstrate how a branch of these Celto-Israelites became Goths and Saxons. If this is so, then it stands to reason that Saxon invasions into Celtic Britain and Europe did not bring about a new race. Instead, it would be more accurate to say that this influx was the coming together of tribes of the same ethnicity.

Before translating these clay tablets, it pays to look briefly again at the birth of Chaldea. The Sumerians were an Asiatic people whose language was neither Semitic nor Indo-European. It's spoken form ended about 3500 B.C. to 2050 B.C. with the influx of proto-Celtic tribes. These Semitic, proto-Celts at that time had no written characters. They simply took the Sumerian script and adapted it to their Semitic tongue. These Celts came in a number of waves, one of the earliest being the Akkadians. Nearby, in Kurdistan lived the Semitic Guti. About 2800 B.C. there arose in AKKAD, a Semitic chieftain named Shargani-shar-ali, better known as Sargon I. There are some scholars who believe this to have been the Nimrod of the Scriptures. (Nimrod's death and rebirth festival is marked by the felling and decorating trees on the shortest day of the year).

Sargon formed a central government and administration complete with record keeping. It was during his reign that the Semitic language was first written. Soon thereafter, the land fell prey to roving tribes, both Semitic and non-Semitic.

Under Semitic law, mixed marriages were forbidden, yet despite this many Chaldeans wed with Sumerians and with other non-Semitic newcomers. The culture and laws of the region began to shift. During this period of change, the Biblical Abram (who was renamed Abraham, which in Hebrew means: the father of a great multitude, by God Himself - MOHR) came on the historical scene.

Abram and other Celts set off on migratory treks, presumably to be able to worship and live as they had before these changes were made. Certainly the Scriptural account tells us how Abram set off on a divine mission~ ordered by God Himself, to become the patriarch (father) of many nations. (In the great FAITH chapter of the Bible, Hebrews 11:8 we are told, "By faith Abraham, when he was called to go out into a place which he should receive for an inheritance, obeyed; and he went out, not knowing whither he went" - MOHR).

In time, some of Abraham's descendants formed the bedrock' of the tribes of Israel. All the while power struggles in the land of Chaldea spawned a number of Empires, the most notable those of Assyrian and later Babylon.

Every spring, the kings of Assyria would gather their troops and move against a neighboring area. Often they were held at bay, other times they would overrun their neighbors. The wounded were beheaded and prisoners chained as slaves. Towns would be looted, razed and burned. A policy to deport a rebellious, overrun nation and resettle
it with. more yielding foreign underlings was brought in by the Assyrian king, Tiglath-
Pileser III.

It was during his reign, that large numbers. of the Israelites were taken deep into
Assyrian territory. When he died in 725 B.C. his son Ulula took over as Shamaeneser V.
He died during the siege of Samaria. His successor, Sargon II relates in his writings that
he took the Northern Israelite capital of Samaria. "I surrounded and deported as
prisoners, 27,290 of it's inhabitants," the clay tablet says.

In time, the social standing of the Israelites within Assyria, (providing they paid their
taxes) was reasonable and they enjoyed a high degree of freedom to travel.
Nevertheless, they were still captive people and according to the account of the Jewish
historian Josephus, the overthrow of Israel was completely destructive. Hoshea was
made prisoner and his subjects were transported to Media in Persia (from his
Antiquities, IX, 13,14).

After Sargon II's assassination, Sennacherib took over the throne. His campaigns against
the Israelite southern kingdom ensured that the bulk of the Israelites were lost to the
eyes of orthodox historians and seminarians. Sennacherib's account, recorded on the
Taylor Prism (in the British Museum) is that of a boastful conqueror, referring to the
Israelite King Hezekiah, "Like a caged bird." In time, Assyria would fall to the
Babylonians and it was during the reign of the Babylonian King Nebuchadnezzar, that
those remnant Israelites not taken by the Assyrians, were deported to Babylon. When
Babylon was overthrown by Cyrus king of Persia, the exiled remnant were allowed to
return to Palestine. Evidently the life in Babylon was not too bad, as only about 50,000
accepted the invitation to return to their ravaged country.

In order to find out what became of the rest of the Israelites (who were not part of the.
remnant), we must seek them under different names.

One of the earliest Assyrian references to Israel is found on a monolith of Shalamaneser
III, uncovered in 1861 at Kurkh, in southwestern Turkey. It tells of the defeat over an
army of 2,000 chariots and 10,000 foot soldiers of Ahab the Israelite, (Ahabbu-mat
Sir'ilalaia).. It is also the last time the Assyrians referred to Israelites by that name. Ahab's
successor, Jehu, is shown yielding to Shalamaneser on the Jehu Stele, or Black
Obelisk. In the text, Jehu is called the son of Omri; (Note that the word son means of
the bloodline of, for Jehu was Omri's grandson). During this time, the Assyrians referred
to the northern Israelite Kingdom as the "House of Omri". The Hebrew name "Omri"
begins with the letter "Y" which is spoken as the guttural "H", translated into the
Assyrian language as or "Gh", Kh", or "Ch".. Thus before the various captivities, the
Assyrians called the Israelites "Bit-Khumri", (House of Omri).

Sargon II referred to himself as "the over thrower of the Bit-Khumri". The clay tablets
or letters covering the sweep of the Assyrian Empire, in the 7th Century B.C. had many
references to the captive Israelites. Most of these letters were border reports made by
spies sent by the Assyrian rulers to oversee the movements of nations within and
without the empire. Variations of the name "Ghumru" used by the Assyrians were
-Khurmi, Khoimri, Gimiri, Gamera, and Gimir. In a letter, written by Sennacherib to
king Sargon, he states: "...When the king of the people of Urartu went to the land of
Gamir, his army met with a debacle . " The battle took place between the Urartians, and
the Gamir (Israelites) south of Lake Uemai next to Media. Assyrian policy of relocated
captured people as buffer zones paid off. The Gimir withstood the Urartians out of self
preservation. The location ties in with the Biblical identification which places the captured tribes being placed near Habor and Halah, between Lake Yrmia and the Caspian Sea. The writings of Josephus also confirms this.

From the tablets it becomes clear that the Gamir or captive Israelites were kept as a homogenous enclave. This is backed by a series of tablets in which the king of Assyria, Esarhaddon (681-669 B.C.) is asking divine guidance about the operation of his troops to gather taxes from the territory of the Medes. These tablets in the British Museum show that Gimirian warriors were teaming up with those of the Medes and Persians and the Mannai to revolt. Esarhaddon wrote about his battle with the Gimiri (697 B.C.):

"Teushpa, the barbarian whose home was afar off, I cut down with the sword...together with all his troops." We see here where the captive Israelites had chieftains and troops with their original home stated to be far off. This confirms them to be a folk in exile. Indeed another letter refers to the Gimirian exiles as exiles. "Let the cavalry and the Daku invade the Gimmerians... They are the offspring of outcasts, they recognize neither the oath of a god (Assyrian god) nor a agreement." (Already they were becoming "God's battleaxe and weapons of war," Prophesied in Jeremiah 51:20 - MOHR).

We stated earlier that like the American pioneers, the earlier Europeans came from a far off land in search of religious freedom. The Apocryphal book of 2 Esdra 13:40 tells of the Israelite tribes surviving in captivity but planning to leave the land of their captivity and "go forth into a farther land, where mankind never dwelt... That they may keep the laws (Of God) which they never kept in their own land." The Israelites called themselves the Nation; Sons, and/or the House of Isaac; Beth-Isaac, or Beth-Sak. Gamira was not a name the Israelites chose for themselves, it was strictly an Assyrian name. The Persians, however, who had a closer social contract with the Israelites called them by the name of Sakka, or Saka from Isacaaca. Because of this, later tablets began to use the term Isk-uda. Again one of Escardons prayers said, "Will the Isk-uda warriors who live in the district of Mannai, and have moved to the frontiers of Mannai, succeed in their plan? Will they march out from the pass of Hubuska ...and take much booty, and heavy spoil from the borders of Assyria?" The Isaac, or Iskura began to overrun land belonging to the Medes, competing with the Assyrian troops to gather tribute as they went. Referring to his tax collectors, who had gone into the land to collect taxes, Esarhaddon asks, "...will they be attacked by the hand of the Iskuza warriors?" There are clear archaeological references to back the Apocryphal account that the Israelite tribes were not only in the process of leaving the Middle East, but that they were a force to be reckoned with.

At this point it is also critical to note that the historian Strabo identifies part of Armenia as having been named Sakjsina. The term is a variation of Saakai-suna and literally means, "sons of the Sakaim" or "Beth-Sak". That the Assyrians turned Isacaaca into Iskusa must be understood in the way the name must have sounded in their ears, for in Hebrew, Isacaaca sounds as "yits-khawa(a)". In time Sakasuna became Sacksen, Sac-son and then Saxon. Saxon literally means "Beth-Sak." According to Herodutus, the Isaca (Iskuza, Sac-son, Saka) were called "Scythians" by the Persians. Ptolemy, states that a Scythian folk sprung from the Sakai, by the name of Saxons. The Jewish Encyclopedia, Volume 12, page 250 says, "...the Sacaes, or Scythians who again, were the Lost Ten Tribes." So the Jews have known all along that we are Semitic, while trying to hide it.

For those who have a problem linking Gimiri with Sakka, the Behistun Rock is proof positive. The caravan road from Babylon to Ecbataba (the old capital of Media), runs by
a limestone mountain rising out of the plain some 1,700 feet. About 300 feet above the base, is a rock face holding inscriptions made by the order of Darius the Great, about 515 B.C. The Memorial is 150 feet long by 100 feet high. The inscriptions are in three languages, Babylonian (Accadian), Elamite (Susian), and Persian. The inscriptions refer to Kana, or Canaan land, from whence the lost tribes came, and Armenia, the area of their captivity.

Of the 23 nations over whom Darius ruled and named, among them was the Sakka. In both the Persian and Elamite accounts, the name is Sakka, but in the Babylonian version these people are called "Gimiri". What is more, the monument shows a branch of the Gimiri or Sakka, had at this time (517 B.C.) trekked a long way beyond Bactria (North of Afghanistan). Many of the lost tribes of Israel had made their way to the steppes of Russia, never to return. From this point orthodox history takes over, telling how these people trekked into Europe.

Of the Cimmeri (Gimmir) the Encyclopedia Britannica states, "An ancient people, one body of whom is called in Assyrian sources, Gimirrai, is represented as coming through the Caucasus, later writers identify them with the Cimbi of Jutland who were probably Teutonized Celts". From Scriptures we see that these Israelites will have a new name and new lands, (Isaiah 52:2) - "and the Gentiles (nations) shall see thy righteousness, and all kings thy glory, and thou (Israel) shalt be called by a new name, which the mouth of the Lord shall name."

They shall be named after Isaac, (see Romans 9:7) - "Neither, because they are the seed Abraham, are they all children: but in ISAAC shall thy seed be called." (See also Hebrews 11:18).

The Saxons or Sachsen are Isaacs Sons, therefore they are Israelites. The corrupted form of the term Isaacs-sons such as Saxons is found in England, as Wessex (Western Saxony). Sussex (South Saxony), Essex (East Saxony) and Middlesex (Middle Saxony).

To establish a fact, the Law of God requires a double witness. The second witness is in Germany. Just as in England, four areas are named after Isaac in Germany and Holland (which was once part of Germany). The areas stretch from the northeast of Germany to the southwest in an unbroken line. They are Niedersachen (Lower Saxony) Sachsen-Anhalt, Sachsen (Saxony), and Saksenheim (Isaacs sons home in Holland). A~ Israelite tribes migrated from the Middle East into Europe, they took names as cultural memory with them and gave these places, towns, regions, and rivers Israelite names where they dwelt. The Israelite tribe of Dan gave its name to many rivers in Europe, such as the Dan-ube (Donau) or D'neister, D'nieper, and Danastom. They also gave names to towns such as Dan-zig, and most notable to DANMARK.

One of the most notable of the Germanic tribes were the Jutes, whose name is still found in Jutland, literally this means JUDA, or JUDALAND.

The very name Deutsch for Deutschland comes from "Diut-isch", which is the Hebrew name for MAN or FOLK. "The folk of the Diut-isch in Germanic means the same. The "sch" is the modern German version of the old "Ish". ISH in Germanic means the same. Here is another Hebrew, not Jewish link with Israel.

DEUT or DIUT comes from the Saxon THEOD, which in turn comes, from the Gothic THIUDA which means "Nation, or troop of one ethnic makeup." The word GUD
comes from **GUDA**, or **GUTTHIUDA**, meaning "the troops (or folk) of the GUD."

GUD in turn comes from GUDA, or the Israelite tribe of **GAD. GOTH** literally means: "Gad's folk!"

Many towns in Europe still bear GAD's name. Such as GADES in Spain, but in Germany and nearby, we have Goita, Goteborg, Gotha, Gotland, and so forth.

Where England is mostly the tribe of Manasseh and Ephraim, and Southern Holland mostly of Zebulun; Northern Holland and Germany are mostly of the tribe of Issachar. The tribe of Judah and Dan are mostly in Northern Germany and Denmark, whereas in the Hinderland, or Heartland of Germany we find mostly the tribe of Gad. With this in mind, let's look at the Biblical blessings, prophesying the idiosyncrasies of GAD.

In **Deuteronomy 33:20**, we read where Moses blessed Gad (as he did the other tribes before taking their share of the promised land of Canaan. But because the Bible teaches that Israelites will inherit new promised lands, much later (**2 Samuel 7:10; 1 Chronicles 17:9**) the blessing would have repeat performance.

"And he (GAD); later (GOTH) provided choice, (the first or prime-finest part (of land) for himself and his folks." Just as in Cannaland, the Dannitess chose the finest land, the hinderland, or heartland, their off spring, settled in the European heartland, the choicest land in Europe.

After having visited 26 countries and lived in four of them, I am like many other tourists, struck by the sheer beauty of Germany. Of all lands in Europe, Germany and their German speaking areas of Austria and Switzerland are without doubt the most beautiful in the world. This is not chauvinism, it is an honest observation of prime, choice land in Europe.

Indeed the last two World Wars have been fought over control of Europe's finest Real Estate, Germany. East Germany, was the **crown jewel** of the Soviet bloc, and true East Germany, is (occupied now by Poland) with no hint that they will ever give it back. The prophesy concerning choice land was indeed true, but what of the future? What plan has God in store for this Israel nation?

In **Genesis 49:19**, we read, "Gad, a troop shall overcome him; but he shall overcome at the last." This shows a relationship with a troop or people. Although most of the other tribes remained relatively distant throughout history, they tended to separate themselves from the Goths, often banding together against them. The tribe of Judah, settled largely north of the Goths, often banding together against them, Traditional tribal jealousy between Ephraim and Judah to this day has never died out and reached its peak at the turn of this century. It took very little to ignite a war in 1914. (This was made even more serious, as the psuedo-Judaties, we now know as Jews, began to agitate against the nation they knew was true Judah, and attempted to take its place in the minds of the Christian world. Today it is universally taught in the Christian world that these usurpers are God's Israel people, when they have no connections to true Israel and are a heathen, mostly atheistic people - MOHR).

In Europe, Judah is strongly allied with its nearest tribe, a tribe that has the distinctive trait of being seen as people in their own right, a troop. The world views the German people (those of Gad and Judah) as a distinct group, yet they reality they are Israelites as part of the larger family of Israelites found elsewhere in the world. The Germans fit this
prophetic character perfectly. The main thrust of prophecy is being carried out right now and the last part has yet to be fulfilled, that Gad will be overcome.

This century is the only century in which Germany, as a unified state has been overcome. Up until the last part of the 1800's, there was no German state. There were many German lands, all with their own kings and princes, but a united states of Germany is very recent. Since the end of World War I, this German State has been overcome in some form or other. Even today, Germany is occupied by the winners of World War II and no real peace exists to this day between her and her overrunners. (This problem is agitated by the largely Jewish control of German government that was allowed by the Allies at the end of World War II - MOHR).

Germany has the unique and sad distinction of being the only land on earth that has lost much of it's territory and any talk of trying to regain them today, is grounds for criminal proceedings.

Germany is the only land to lose more civilians after it's surrender than during the war. At least 9.3 million Germans died in the first five years after the war due to a deliberate policy of starvation. General Eisenhower, (a Jew - MOHR) stated in 1944 that he would like to see things made "good and hard for them (Germany)", (and implemented policies to see that this would happen - MOHR). This was accomplished by the Morgenthau plan (also drawn up by a Jew - MOHR), which was systematic starvation of the Germans. Although this plan was officially dropped by the Americans, Roosevelt said in secret, "that the plan would be implemented." The Allies slowed oil production to a trickle, closed the factories that were left, kept the work force imprisoned and confiscated or destroyed factories and machinery. In Berlin, September 1945, and American official estimated that half the German children aged three and under, would not survive the next year, with a baby death rate of 100%. In February 1946, U.S. Senator Kenneth Wherry stated., "the American people should know once and for all, that as a result of this Government policy, they were being made accomplices to mass starvation ...Germany. is the only nation subject to this DELIBERATE STARVATION PROCESS."

(We treated heathen Japan with much more magnanimity that shown to our Israel brothers in Germany - all due to Jewish pressure - MOHR).

Red Cross trains were sent back from Switzerland, foreign governments were denied permission to send food to German civilians, and the German fishing fleet was kept in port, and one fishing boat was actually blown up by British soldiers to emphasize the point. The official ration in the French Zone in January 1947, was 450 calories per day, a starvation ration. (This information was kept from the American people by the Jewish controlled press, who continued to rail against Germany and stir up hatred for them with their constant Holocaust stories. The Jews in Hollywood joined in with enthusiasm, in the effort to brainwash the American people, especially gullible Christians. People who have done extensive research on the issue of One World Government, a One World Bank, a One World Religion, and a One World UN Police Force, understand that the International Jewish bankers have been running the show in America for a couple of hundred years, especially since 1913, when we turned our economic policy over to the Jewish banks of the Federal Reserve System. The 'dirty little secret' is that both houses of Congress are irrelevant as America's domestic policy is now being run by the Jew, Alan Greenspan, while America's Foreign Policy is run by the International Monetary Fund which is essentially controlled by Jews - MOHR).
Ethnic cleansing of Germans from Eastern Europe, tepidly called Epulsions, was authorized under the Potsdam Agreement signed by Stalin, Churchill, and Truman. More than 16 million Germans were uprooted from ancestral lands after a string of gruesome events. In Sudetenland, the German women were seized by Czech and Jewish mobs, who cut out their Achilles tendons and as they lay screaming, they were repeatedly raped. Hermine Muckusch, a grandmother from Jagendorf, Sudetenland, was forced marched out of her homeland with 27 children. Within 14 days all but one were dead. (Her story was typical of what took place during those terrible days of Jewish retribution. Their slogan: "Never forgive! Never forget!" and fifty years after the war ended, their screams for revenge are as loud now as ever. Unfortunately they are being listened to by Christian men and women who should know better - MOHR).

Thousands of German Mennonites were beaten and shot by British troops who tried to force them into cattle wagons bound for the Soviet Gulags. Bones discovered in mass graves in 1976, and 1981, at Kalwasser/Bromberg were returned to the ground without a marker, when it was discovered they belonged to Germans. This Genocide against the German Israel people continues today. (Where are the protests for this injustice from the Christian world - there is none, for they have been stupefied by Jewish propaganda - MOHR).

Although the German people today are well fed, they are morally starving, having no love for themselves. Hybridization of the species is simply genocide by way of destroying the original stocks and Germans are being brainwashed daily by the Jew controlled media and schools (which are controlled by the occupying forces) to help and inter-marry with the non-Israelites who have been flooding into the land. This time the aliens are overcoming with sheer numbers, with Germany taking in more foreigners than any other European country.

Today, Germany has no homeland and her culture is being replaced by an alien culture of Recreational sex, Recreational drugs, and brain destroying Rock and Roll music. Even pro-German Skinheads are participating in this anti-German behavior.

Neither the far right, the far left, or the German church goers pay any attention to or attempt to obey God's Saxon Laws. How far can these people go when they only have 1.2 children per family and many of them are hybrids? How can they know the truth, when it is against the law to expose their enemies? Truly, Germany has been overcome. Any wealth Germans enjoy is for self gain, and they do not feel the suffering of their fellow Israelites, even though this wealth will not stand!

Dear brothers and sisters in the faith, prophecy gives some hope as "they shall overcome at last!"

This century was one that the Free World looked forward to with hope. Technology would save the poor and relieve drudgery normally a lot of the masses. Sadly, technology was not seen as a blessing from God. Instead of bringing individual nations of true Israelites together, each boasted of their technological gifts in a mad rivalry aimed against their Saxon kin in other Saxon lands. Breeding rivalry and jealousy soared between two of the greatest Celtic-Saxon-Israelite nations, Great Britain and Germany. Canaanite Jews saw an opening that would allow them to rule over the two rivals, reversing the curse of a long lost birthright that dated back to the time of Jacob. Our space does not allow us to go into this detail, but in short the Biblical patriarch of the Jews, Esau, lost his birthright that could otherwise have seen his people become the
leader of nations. The Canaanite, (Ashkenazi/Sephardic/Jews) recognized their ancestral link with ESAU (admitting this to Christ in John 8:33). The Saxons and Celts are of Jacob, not Esau.

The 20th Century saw the end of Israel cooperation as we preferred to love non-Israelites instead of our own kin. (This is a blot on the integrity of the Christian church and it's clergy - MOHR).

"A house divided against itself cannot stand", and indeed, the Israelite-Saxons were divided and fell. After two Saxon-Israelite wars, (instigated by the Edomites - MOHR) Britain lost it's world Empire and was drained of its wealth. America's debt to the International Jewish vampires increased from 1940 to 1945, by 500%. Russians of Scandanavian-Israelite stock have been subjected to systematic starvation since 1917, and by 1945 Germany lay in ruins. Still after this inter-family war, the rivalry between Israelite nations has carried on.

Instead of coming together, the Saxons preferred to make treaties, pacts and friendships with non-Israelite nations who were their bitter enemies, and even passed laws to punish Israelites who refused to join with these aliens. They are branded as racists. (While considered proper for Israelites in Britain and America, to hate South African Israelites, or Australian Israelites, or Dutch, or German Israelites, they are expected to love their worst enemies, those who have openly vowed to destroy White Christian Civilization, and put them on a pedestal as God Chosen. How stupid can intelligent people become? - MOHR).

The Bible tells us that after all the curses of God will bring against us to cause us to obey, if we still refuse to love our own people and serve Christ, more evil will befall us. God says in essence, "if you love the non-Israelite heathen so much, I will give you into their hands until you are thoroughly sick of them."

In Ezekiel 7, speaking of the latter days in which we are now living, it predicts famines for our people. (The great Depression in America killed many; 7 million died in the Ukraine and millions in middle Europe after 1945 (see verse 15). Today the United States has less than a 30 day supply of emergency food on hand in case of a national disaster - MOHR).

We lost our culture and the World has become de-colonized from the 1950's, yet (every Black Republic in Africa, is now infinitely worse off under Black rule, than they were under White colonialism. Check and see for yourself - MOHR).

Still our Israel people refuse to repent! Verse 21 - tells us that strangers will take our inheritance and pollute it. The beauty of our colonial times has been burnt, towns bombed, burned and striped and left in ruins. We have been ethnically cleansed and few of our Christian people seem to care. (Their watchword has become, "I'm born again, you know, and Jesus will come back and RAPTURE me out of this mess before it gets all that bad!", not taking into consideration that the mess was caused by their own apathy and disobedience! What will these do when they discover there will be no Rapture? - MOHR).

Verse 22 tells us that God¹s protection will depart from us, our wealth will have no meaning (as verse 19 - "They shall cast their silver in the streets, and their gold shall be removed: their silver and gold shall not be able to deliver them in the day of the wrath
of the Lord...

In Verse 21 we see how strangers shall take over our heritage. "And I (God) will give it, (Israel's heritage) into the hands of the strangers for a prey, and to the wicked of the earth for a spoil, and they shall pollute it."

God's protection will be taken from us, Verse 22 - "My face will I turn from them, and they shall pollute my secret place: for the robbers shall enter in and defile it." Then if we still refuse to listen Verse 23 says, "Make a chain: for the land is full of bloody crimes, and the city is full of violence." If you can't see this happening now, it's because you have deliberately closed your eyes to the truth. Verse 24,25,26 - "Wherefore I will bring the worst of the heathen, and they shall possess their (Israel's) houses: I will also make the pomp of the strong to cease; and their holy place will be defiled Destruction cometh; and they shall seek peace, and there shall be none. Mischief shall come upon mischief; and rumour shall be upon rumour; then shall they seek a vision of the prophet; but the law shall perish from the priest, and counsel from the ancients (leaders)." Today, our streets are being "taken over by the worst of the heathen," it is becoming dangerous in many places to leave your home and walk in the streets. At last, we will be forced to realize that God is still on His throne, and that He is still BOSS, His laws will replace those of the Supreme Court and the Constitution. It will replace Congress and the Parliament.

Communism, Socialism, Nazism, Fascism, Democracy will come to a shuddering halt. Only God's theocracy will remain. When we accept this, then and only then will our people overcome. We will overcome when we separate ourselves from the non-Israelite, their laws and customs. Then will the true Israel nations overcome and rise to glory. Not because we are so good, but because our King is God. We will over come and rise to our place of glory, when we learn to be obedient. (This is why I say over and over again that OBEDIENCE TO GOD AND THE DISCIPLINE IT BRINGS MUST COME BEFORE WE CAN HAVE VICTORY - MOHR).

John the Baptist was an Elijah type that made ready the way for Christ's first work on this earth, to buy back His Israel people and cover their sins. This message is part of an Elijah ministry, as we must once again proclaim to true Israelites that they must obey God's Law and hold fast to the testimony of Jesus and prepare His people for His return. This entails the removal of sin, since sin is the transgression, breaking of His Law, (see 1 John 3:4). Our Israel people have been bought by Christ's blood, as He came to "save us from our sin disobedience (see Matthew 1:21). When we learn to obey, we will be restored as His people!

Brother Adam De Witt has given permission for this message to be reprinted to further awaken our people, but with the warning to those who would use it to hinder God's work. The Lord will not be mocked!

I have exercised editorial license and added parts where I thought they would help, they are in parenthesis, with my name at the end - MOHR.

IN CONCLUSION

Many who read this book will be angry and repulsed by it's TRUTH. You may attempt to label me with epithets such as hate monger, anti-Semitic, or even Neo-Nazi, I have found over many years in God's service, that many people who go by His name, do not
want to know the truth! And "None is so blind as he who refuses to see the TRUTH."

For some reason that I cannot understand and don't always appreciate, God made me a **WATCHMAN** on the **walls of Israel America**. My task is not to make you feel good, but to give warning when I see danger to you, ala **Ezekiel 33:6** - "If the watchman see the sword (danger) come, and blow not the trumpet, and the people be not warned; if the sword (danger) comes and takes any away ...his blood will I require at the watchman's hand." So my brothers and sisters, I am more interested in God's approval than yours, and if you read this book, you will never be able to say **I didn't know!** You have heard the TRUTH, now the responsibility to follow it is between God and you.

**The End**
"We are not interested in the good of others: we are solely interested in power . . . only power, pure power."

These words were spoken by one of George Orwell's characters, in his chilling novel "1984."

Today, the Free World, made up mostly of what are basically the White Christian Nations, sometimes known as "Christendom," are drifting at a rapid rate into the totalitarianism of Orwell's "1984." In one country after another, opposition parties have been banned, the press has been censored, religion has been suppressed, and the Inner Party has taken over complete control. Yet every totalitarian state flaunts its democracy.

But what of America - "sweet land of liberty?" Is there a possibility that "1984" could happen here? Have Americans been "brainwashed" into accepting alien control? In 2 Thessalonians 2, we read about a time, when because men "will not receive the truth, that they might be saved," - (and we can apply this to other than a religious sense too) - Verse 11 - "For this cause, God shall send them a strong delusion, (Strong's #4106, Greek "plane", meaning: "to deceive; an imposter; a misleader.") that they should believe a lie. That they might all be damned (Strong's #2919, Greek "krino", meaning: "Punished; sentenced; tried by law.") who believe not the truth, but have pleasure in unrighteousness."

Today, Christianity faces the most devastating assault which has been hurled against it in 2,000 years. Unless the Church, heeds the warnings of God's Word and discerns the "signs of the times," she could find herself an agent of the enemy, glibly mouthing their slogans - in the name of Christ.

Who are these enemies?

I have before me, as I write, a letter mailed on August 8, 1966, from the Jewish Community Council of Metropolitan Houston, addressed to MEMBERS OF THE COMMUNITY RELATIONS COMMISSION OF THE JEWISH COMMUNITY COUNCIL and signed by their chairman, Malcolm F. Sher, M.D. Here are parts of the letter, applicable to our subject:

"The purpose of this meeting, to be held Monday, August 22nd, 8 PM in Room A, at the Jewish Community Center, is to note the intrusion of religion in the public schools, specifically, the religious pagentry at Christmas time. (What religion do 'you suppose they have reference to?)

"We feel the time to understand and prep are for our role concerning this Christmas celebration in our public schools should be held during the summer months so that we might be better prepared for a course of action. Now is the time to discuss this
problem."

This is a mild example of the manner in which Satan's Kids are harassing Christians and ultimately planning for their destruction.

One of the most amazing phenomena of the Twentieth Century, is how a group of people who hate the Lord God Almighty and His Son, our Lord Jesus Christ, have completely fooled the vast majority of Christendom into accepting them as God's Chosen People and lavishing on them, count less billions of dollars of their hard earned wealth.

While Christian pastors bow down before the Talmudic idol of International Judaism and world politicians cringe in fear before the power of the Zionist horde, they are free to destroy everything we say we honor and revere.

What has brought about this curious situation, where God's enemies are elevated to a position of honor by the very men who have been ordained to "preach His Gospel of salvation and coming Kingdom?" Why do our politicians walk in fear, before this insatiable, alien minority? Can White Christian civilization be delivered from this bondage before it is too late?

In this book, I will attempt to discuss this tremendous problem, in terms the average layman can understand. As a foundation for this discussion, I will use a book titled **THE CONQUEST OF THE WORLD**, written by a Major Osman Bey in the late 1800's and translated from French into English by Dr. F. W. Mathias. Original copies of this book may be found in the London Museum. Strangely enough, for obvious reasons, copies have been removed from the Library of Congress and in the major libraries in New York City, Chicago and other large cities.

The Jewish Question is one which must be faced and answered by Christians, if the power which is now attempting to strangle the Church of Jesus Christ is to be defeated and God's Kingdom on earth be set up as foretold in the Scriptures.

This book will discuss the power which has blinded Christian eyes for centuries and which at the present, is driving Christendom into economic and spiritual ruin.

Now, as never before in our history, we must remove the blindfold from our eyes, if we are to survive as a free people.

I trust that God, through the leadership of His precious Holy Spirit, will use this book as a means of educating His "true Israel" people to the dangers they face and stiffen their backbone to "Occupy until He comes."

*(Facts every American Christian should Know about the*
International Jewish Conspiracy to control you
by Jack Mohr Brig. General, C.P.D.L.

The Board of Governors of the Federal Reserve Banks meets behind closed doors and has more power than the United States Government. They were responsible for the depressions of 1921 and 1929 and are now toying with another greater one, which could cause the Great Depression to look like a Sunday School picnic by comparison.

PROTOCOL XX says: "Economic crises have been produced by us for the goyim (non-Jew animals) by no other means than the withdrawal of money from circulation." This statement written in 1903, referred to the panic of 1893, which was caused by the sudden withdrawal of a large amount of gold from the New York Stock Exchange. The money panics of 1907, 1921 and 1929 were caused in the same way and thousands of Jews became millionaires, almost overnight, as they bought up the property of bankrupt Gentiles for a few cents on the dollar. The same manipulation is underway today and the same people are making a profit from American suffering.

In line with the PROTOCOL Plot, the Rothschild's lent money to both sides during World War I. Without these loans, there would have been no war, since neither side could afford to fight. But International Jewry wanted a Gentile War which would bring the world to a state of chaos, where they could impose their one-world government. They almost made it through their "stooge," President Wilson. He desperately tried to get us into the League of Nations and it was only stymied by a "still then, patriotic Congress."

Wilson brought us into World War I to bail out the Jewish banking interests which had elected him President. Powerful Jews were then put in charge of our Government. Men like Bernard Baruch, who headed the War Industries Board; Paul Warburg, head of the Federal Reserve and Eugene Myers, who controlled the "left-wing" pro-Zionist, Washington Post and also headed the Allied Chemical and Dye Company. He was made head of the Liberty Loan Drive. Baruch spent over $10-billion of Allied money during the war, giving the choicest contracts to his Jewish friends and fixing prices. He became a multi-millionaire by "fleeceing" the American people. Although these facts were well-known in Washington, no legal action was taken against him, so great is Jewish power in America.

Baruch was probably one of the most dangerous of the Zionist plotters, as he spent his life carrying out the PROTOCOL PLOT, while representing himself as the "Elder Statesman," and "Advisor to Presidents." He pretended to be a patriot, protecting American interests in a war his own gangsters had caused.

It was this same group of "amoral" (having no morals) Internationalists, who squeezed Germany financially, as they laid the groundwork for German destruction in World War II. The Jew, Samuel Untermeyer brought about the economic boycott of Germany in 1933, as I have shown in another section of this book.

The purpose of World War II was to do to Germany, what the Jew plotters had done to Russia in 1917 and the eventual establishment of Communism. While we Americans have been "brainwashed" into believing Adolph Hitler was an evil man, the proof of the matter is that he was destroyed, because he was the only leader of a Christian country in Europe who had "guts" enough to stand up to the Jews - for that he had to be destroyed!
Today, this same group of plotters is engaged in an effort to start World War III. This would be for the purpose of bringing all mankind under a central world control, presided over by Jews. With a few Gentile "stooges" in Government and Religion to front for them, they will exhaust the nations until they fall under their control. This scheme is clearly shown in *Psychopolitics*, where they say: "We must be like a vine upon the tree. We use the tree to climb, and then, strangling it, grow into power on the nourishment of its flesh. We must strike from our path any opposition and use for our tools, any authority that comes to hand."

Why do we hear so much about our crises with the Soviet Union, when Jews control not only the U.S.S.R. but also England, France, Germany, the United States and a host of other countries. The present crises is of the Jews making and they brought it about, deliberately, to place us into an "economic straight-jacket."

Have you ever wondered why President Truman appointed a five man civilian Atomic Energy Board and then appointed four Jews as members? David Lilienthal, who was known to be a member of two Communist front groups, was made the Chairman. The other Jew members were W. W. Waymach, R. F. Bacher and Lewis D. Strauss.

Why did President Eisenhower appoint the Jewish Kuhn Loeb banker, Lewis L. Strauss as Chairman of the Atomic Energy Commission? Was it because there were no Gentiles who could have filled this post? Don't be silly! Why did he appoint the Jewish, Austrian born Professor Arthur Burns as his economic Advisor? Could it just possibly be because the *Protocols* say Jews MUST occupy the top positions as economic advisors and pressured him to do so?

Why did Eisenhower appoint the Jewess Freda B. Hennoch to be Chairwoman of the Federal Communications Commission and the Jew Samuel B. Groner to be her assistant? Could it be because the *Protocols* say - "we MUST control all communications?"

When Anna Rosenberg, (who had attended Communist meetings and was a member of several Communist Front Groups) hired 10,000 people for the Manhattan Atomic Energy Project (according to the *New Yorker*, September 15, 1945), these included Soviet spies Julius and Ethel Rosenberg, Greenglass, Sobel, Gold, Klaus Fuchs, all Jews. Sidney Fields, writing in the *New York Mirror*, November 15, 1950, described the power of this Communist-leaning Jewess in these words:

"Tomorrow Mrs. Anna Rosenberg assumes her duties as Asst. Secy. of Defense in charge of the nations manpower. She will be in charge of 115 U.S. Government Agencies." She supervised the hiring of over a million people while she held this position and in the intervening 32 years, the Red Network she set up, has never been completely disassembled.

When Klaus Fuchs, the Jewish Atomic Energy traitor was jailed in Canada and brought to the United States for prosecution, it was the efforts of the Jew, Albert Einstein, that caused him to be released. This story could be repeated through the successive Administrations and on into that of Mr. Reagan. During the Kennedy Era, there were men like Abraham Ribicoff, Secretary of Health, Education and Welfare and Arthur J. Goldberg, Secretary of Labor. Under President Johnson, we find names such as Nicholas de B. Katzenback, Attorney General; Wilbur J. Cohen, Secretary of H.E.W.
Under Nixon, we had one of the worst of all, the German born Khazar Jew, Henry Kissinger, who could not even speak good English, as our Secretary of State; James Schlesinger as Secretary of Defense; Richard Kleindiest as Secy. of H.E.W. Under Gerald Ford, we find William Simon, Secy. of the Treasury, Edward Levi, Attorney General; under Jimmy Carter there was, W. Michael Blumenthal, Secretary of Treasury, Philip Klutznick as Secretary of Commerce, and Neil Goldschmidt as Secy. of Transportation. Our "great conservative," Ronald Reagan, has a whole flock of "Jewish birds" in his nest, 72 in all, all appointed and not one elected by the people of these United States. Our governments for several Administrations have been run by the Jewish controlled Council on Foreign Relations and the later Tri-Lateral Commission, both dedicated to bringing America into a one-world government.

Today, we see the confusing sight of a Christian nation composed of over 230-million people, as it is ruled by an alien minority of less than 14-million.

While Christians have been willing to open our doors and share America with the Jews; they in turn do not want to share America with the Christians. They want it all! Whenever they are accused, whenever their plot is exposed, they raise the plaintive cry of "anti-Semitism." This needs to be corrected in Christian minds, to read, "Becoming Jew conscious!"

If any person or group of persons is guilty of crimes against the American people, they should be publicly tried, condemned and punished. The Jews must not be free from this rule of civilized nations. The Jewish Anti-Defamation League of the B'nai B'rith, and the American Jewish Congress are subversive conspiracies against our Christian Constitutional Government. They should be forced to stand trial and answer for their crimes, or get out of the country and return to the Zionist bandits whence they came.

You may say, as others have: "But why condemn all Jews?" It is because the Jewish Communities cooperate with the Zionist venture. Even though some of their leaders take a stand against Zionism, very few Jewish voices are raised in opposition to International Jewish crimes. They have developed an arrogance which they believe places them above the law of any land.

This can be emphasized by a story which made the rounds during Pres. Carter's Administration. It concerned a meeting which was supposed to have taken place between Brezhnev, Carter, Begin and God Himself. The Soviet Leader asked: "God, do you think there will ever be a time when there is peace between the U.S.A. and the Soviet Union?" To which God replied: "Yes, but not in your lifetime!" Carter asked: "God, will there ever be a time when black and white people will be able to meet on a friendly basis?" and God replied: "Yes, but not in your lifetime." Then Begin asked: "Will there ever be a time when the Jews will be able to get along with the goyim?" and God hesitates for a moment, then in a tone of sadness says: "Yes, but not in my lifetime."

The reason for this is that they do not want to get along with non-Jews. The Jewish writer, Maurice Samuels, in his book **YOU GENTILES**, page 9 says: "...I suspected from the first dawning of Jewish self-consciousness, that between you gentiles, and us Jews, lies an unbridgeable gulf."

On page 23, he says: "I do not believe the primal difference between Gentiles and Jews is reconcilable. You and we may come to an understanding, but never to a
reconciliation. There will be irritation between us as long as we are in intimate contact."

On page 135 - "We Jews, we the destroyers, will remain the destroyers. Nothing that you can do will meet our demands."

Jeremiah, the Old Testament prophet, wrote about these people in Jeremiah 9:5, 6, when he said: "They deceive every one his neighbor, and will not speak the truth; they have taught their tongues to speak lies, and weary themselves to commit iniquity."

Brainwashed preachers tell us that the Jews are God's Chosen people, but the Bible tells us the opposite. There is a special reason the Jews hate the New Testament, for in its pages our Lord Jesus Christ exposes them for the frauds they really are and calls them by their proper names: "vipers, (poisonous snakes), hypocrites, the children of Satan, of the synagogue of Satan. (The word "synagogue comes from the Greek word "sunagoghe" and means: "to bring together; an assemblage of people.) In other words, the Jewish people are an "assembling together of Satan's kids," (See John 8:44).

Under the inspiration of the Holy Spirit, the Apostle John in I John 3:12 and Jude, in verse 11, reiterate what Jesus said in Matthew 23:35, when He accused the Jews of being guilty of "all the righteous blood shed upon the earth from the blood of righteous Abel, unto the blood of Zacharias..." (Reference to 2 Chronicles 24:20).

In Luke 11:50, Christ says that God will send the Jews witnesses and prophets whom they will kill: "That the blood of ALL the prophets which was shed from the foundations of the world may be required of this generation." (The word "prophet" comes from the Greek "prophetes" - Strong's #4396, and means "inspired speakers."). The word "generation," Gk "genea", #1074, means "this age; or this nation." Substitute the word nation for "generation" and then add Jew, and see what you get.

The word "Cain," Hebrew "Quajin" #7014, means "fixity, or unchangeable." This is a certain characteristic of the Jews. While the Church has gone into all the world and made disciples of all nations, for the most part they have been very unsuccessful with the Jews. They are a "fixed people" in their hatred of Jesus Christ and Christianity and this is changed only in rare cases. Often it has been found that the so-called "converted Jew" is the one who has been adopted by a Jewish family and has no Jewish blood in his veins.

The Apostle John was preaching to a people who had been brought up in the Jewish faith. He had been an eyewitness to their murder of our Lord, so it was impossible that he had some other people in mind, when he spoke about the murderous spirit of Cain in I John 3:12; he merely echoed about Cain, what his leader had said about the Pharisees in John 8:44.

The entire book of Jude is a frank discussion of Jewish characteristics. God had made many covenants with Israel and the original Judah, but not once, is it on record, that He made a covenant with the race of people we call Jews. Nowhere in the New Testament are the Jews ever defended as, or called the Chosen People. That is a Jewish myth, manufactured by the Rabbis for goyim consumption and Christianity has swallowed this "hook, line and sinker." The Jews have been a mixed race, ever since they returned from captivity in Babylon. They came back a heathenized, motley throng, as is shown by both Ezra and Nehemiah. They brought back with them a heathenized religion, which did not follow the Laws of Moses, but which was a mixture of the Hebrew religion,
with the worst of Baal worship and occultism. A close study of the Bible, will reveal to any honest person; that the tribe of Judah absorbed so many of the Canaanites and became so involved in Canaanite practices, that they completely lost their identity as Israelites.

The Canaanites, as was their father Cain, were a demon possessed people. Evil spirits do not drown in a flood and while Noah was a perfect man in his generations, there is nothing in the Bible which indicates that his wife, or sons were so perfect. The fact that a grandson of Noah has a curse pronounced on him (Genesis 9:25), indicates that the evil spirits were active "this side of the flood." The only Jew among Jesus disciples was Judas Iscariot; all the others were Galileans, from the tribe of Benjamin. The Bible says of Judas: John 13:27 - "And after the sop Satan entered into him..." In other words, this Jew was "demon possessed." In Acts 13:6 we read about a Jewish false prophet who tried to hinder the work of Paul and Barnabas. Speaking to him in verse 10, the Apostle Paul uses this picturesque language: "O full of all subtlety and mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?" This has ever been the Jewish way.

There is no way to explain Jesus' statements in Matthew 23:35 and Luke 11:50, unless you understand that Jesus was being factually correct, when He called the Pharisees the lineal children of Satan.

Our Fundamental churches are inspiring the Jewish enemy to intensify their self-rebellion against God, by calling them the Chosen of God. If the truth were told, the Jew would come tumbling down from his lofty perch. Nowhere were the "Jews" or the "Canites" (the words are inter-changeable in meaning) promised rulership of this world. The Fundamentalists, very possibly unwittingly, but nevertheless, have put a cloak of respectability around the shoulders of the most vicious enemy of the Church and are "cutting their own throats" in the process. How the Jewish leaders must laugh in secret, when they see men like Jerry Falwell, literally falling over themselves to make the Jews appear respectable.

Cain hated the "blood sacrifice," which was necessary for the remission of sin, (see Hebrews 9:22). The Canite Jews hate the idea of blood atonement and no people can be God's People who hate the shed blood of His Son, Jesus the Christ.

Trace religious modernism, which repudiates the "blood atonement" and scoffs at the Divinity of Jesus Christ, and you will always arrive at a Jewish source. For it was Jewish-German Higher Criticism, which had done more to destroy Christianity in the last century, than any other single thing. These blasphemers have gone so far as to make plans for the removal of every reference in the New Testament which will offend the Jew. This means that all references of the shed blood of Jesus Christ will have to go and there can be no Christianity and no salvation, outside the belief in this miracle. The Apostle John puts it very strongly and very plainly, when he states in 1 John 2:22 - "Who is a liar but he that denieth that Jesus is the Christ? He is anti-christ, that denieth the Father and the Son. Whosoever denieth the Son, THE SAME HATH NOT THE FATHER...." (Emphasis added.) How can you get around this verse, when you deal with the Jews. Then in 1 John 5:10 - "He that believeth on the Son of God hath the witness in himself; he that believeth not God hath made Him a liar, because he believeth not the record that God gave His Son." How can this be made any plainer? Now who are you going to believe? The Word of the Living God, or some preacher who calls His worst enemies, the Chosen One's?
Unless Christians stand against this vicious 'Jew lead' program, we will soon be unable to send a New Testament through the mail. Already, programs to take the name of Jesus out of the public schools, are under full swing, always led by the Jewish controlled A.C.L.U.. Look at the names behind the suits to take Christmas pageants out of the schools; Christmas carols from public places; lighted crosses from the hillsides and nativity scenes from the city squares of a Christian nation. Almost 100% of the cases are brought by Jews and prosecuted by Jews. They do not want to do away with Christmas and Easter, Oh no! This would take too much money out of their pockets. They just want to take Christ out of the great Christian Holidays and turn them into heathen festivals, where a Santa Claus is the central figure, rather than a Jesus.

The Jew led Communist revolution cost over 34-million dead, in the Soviet Union alone. Why was their most vicious persecution against Roman Catholics, Pentecostals, and Baptists? Because these three groups, more than any others, believe in "blood atonement." The very Fundamentalists who now support the anti-Christ Jew and raise him to a place of respectability, will receive the worst persecution if Zionism is ever allowed to control America. The first one's to go, will be the Jerry Falwell's; the Pat Robertson's; the David Webber's, and the Jack Van Impe's. Yet these intelligent men, seen to be blinded to this obvious truth and are leading their people down the pathway to this Communist terror.

The Jews, following the characteristics of their father Cain, became wanderers and vagabonds. They have been kicked out of every nation which has given them refuge; not because Satan hates them, as Jack Impe avers, but because of their immorality and the crooked business practices they have used on the Gentiles who befriended them.

The very word "Cain" signifies a love for the material things of this world, which has certainly become the hallmark of "Judaism." The Jews do not believe in the Bible, Free Speech, representative government or tolerance, only to themselves - but they do believe in Materialism - that is their god!

The spirit of modern Judaism can be seen in many Jewish writings and in actions of Jewish organizations such as the Anti-Defamation League. Listen to a recent statement from one of them: "We Jews intend to rule the world, and nothing can stop us. We have our defamation committee and have all the preachers and priests classified in a card index file. If any preacher dares to say anything against a Jew, we will fix him!"

When you consider that Jews comprise less than 10% of our American population, isn't it strange how much power they have taken to themselves? This is true throughout the entire world. There are many intelligence documents which prove without the shadow of reasonable doubt, that Khazar Jews (Ashkenazi) have been and are now, in the forefront of the Communist efforts to subdue the world. There were men such as Sam Carr (Cohen), the Communist Organizer in Canada; Fred Rose (Rosenthal), organizer of French Canada; the German, Rabinovich, was in charge of liaison with the American Communists; John Gates (Israel Regenstreif,) was editor of the American Daily Worker, and Gus Hall (Halleberg), has been perennial Head of the American Communist Party for many years. There have been a preponderance of Jewish names in Communism.

The traitors apprehended in the handling of America's atomic secrets to the Communists, have been almost 100% Jewish; people like Harry Golden (Abraham Brothmann); Miriam Moskowitz; David Greenglass; and Julius and Ethel Rosenberg, the only traitors who were executed. In 1951, Dr. William Perl of Columbia University,
was arrested as part of a Communist spy ring. He had changed his name from Utterperl. The true head of the American Communist Party in the U.S. was the Khazar Jew, Gerhardt Eisler.

It has only been since World War II, that Jewish power has noticeably increased in the United States. As long as France, England and Germany were powerful, the Jews attached themselves to their "band wagon;" but as America became more and more powerful, suddenly the seat of International Jewish power switched from London to New York City.

Now along with what we have noticed, one of the most interesting, startling and dangerous phenomenons of all, is that of Jewish control of the Press. In the year 1840, a Jewish Council was called at Cracow, Poland. This was a sort of Ecumenical Council, where the most prominent leaders of World Jewry sat for consultation. The object of this meeting was to find means of securing the triumphs of Jewry in their move towards world dominion.

Different subjects were discussed. Some dealt with theology, some were in the political field, while others dealt with economy. A lively debate arose, during which a clear voice made itself heard, it was the voice of one of the world's most important Jewish authorities. He said: "What are we talking about? So long as we do not have the world press in our hands, all we say will be idle talk. In vain will you organize societies, loans, bankruptcies, and the like; so long as we have not the press in our hands to deafen and deceive the world, we accomplish nothing, and our rule will remain the phantom of our brain."

The listeners recognized the Satanic wisdom of these words and a new light dawned in Jewry, which sent them in a new direction. They immediately began a campaign to control the world's news media. From that date in 1840, we see the beginning of the Satanic project to turn the world's press into an engine of war, a sort of artillery, which can be directed against any kind of obstacle which opposes itself to the financial and political conquests of Jewry.

I am sure that many of my readers have had the frustrating experience of dealing with the Press. While articles favorable to Jewry are printed without a problem, it is like "pulling teeth," to get an article printed which discusses the Jewish problem with candor. While conservative Christian organizations are handled with contempt, the Anti-Defamation League, the Jewish Defense League and all Jewish organizations are handled with kid gloves. It is rare indeed, when one sees an article which is critical of International Jewry. The same thing can be said in the field of book publishing.

The plan of the Jewish conspirators to control the world press, has been broken down into these three phases:

1 - Journals which are in the pay of Jews;

2 - Journals bearing the banner of a specific nationality, such as German, Irish, Greek, Italian, Spanish, etc.,

3 - Journals printed under the Jewish banner.
The first class is made up of the Journals which are either owned or controlled by Jews. These are the most important newspapers in the world, such as the New York Times; The Washington Post; The London Times; Les Debats; L'Independence Beige, etc.

At the present time (1982), more than 47 major weekly magazines, with a circulation of over 79-million, are either directly owned or controlled by Jews. Listed below are a few of them:

In the even more important field of daily news, 909 major newspapers, with a daily distribution of 49-million, are Jewish owned/or controlled as noted:

In addition, there are 17 daily newspapers with a circulation between 250,000 and 500,000 which are Jewish owned, and/or controlled. These include such papers as the San Francisco Chronicle; Miami Herald; Atlanta Journal; Indianapolis Star; Boston Globe; Kansas City Times; St. Louis Globe-Democrat and the Omaha World Herald.

**Add to this almost total control of the nation's TV:**

- ABC Network - Leonard H. Goldenson, Chairman.
- CBS Network - William S. Paley, Chairman.
- NBC Network - Robert W. Sarnoff, Chairman.
- Metro-Media TV - Herbert G. Klein, V.P. and Director.

Then for more clout, notice that nine out of the ten major movie studios are Jewish owned, and/or controlled and you begin to get some idea of the enormous control exerted on the minds of Americans, by Jewish sources.

Public attention was called to this problem a few years ago, by General George Brown, USAF, Chairman of the Joint Chiefs of Staff and former Vice President Spiro Agnew. Their remarks prompted vehement denials from Jewish sources, but when you look at the list of news agencies controlled by Jews, you can see the falsity of any denials. Both of the above men were severely chastised for having had the courage to warn the American people.

A corporate director, or an editorial manager of Jewish descent, may not be a Zionist. But it is a reasonable assumption, that in most cases, his sympathies will coincide with International Jewry and this will be translated into a biased account which will interfere with any objective reporting of the news.

The bias of a powerful news director can easily be passed on to his subordinates, over lunch, cocktails, or even in the executive washroom. As you know, pay and promotion raises, usually accompany those who religiously follow the boss' wishes.

Within a large chain of newspapers, such as those owned by the New York Times, or the Knight-Rider Newspapers, Inc., individual papers may vary in their editorial positions on many issues; some may be pro-Republicans, while others will back the Democrats, but when it comes to Zionist positions, they must be 100% pro-Israeli. Word from the top, has the way of filtering down to the lowest reporter and very few have the moral "guts" to buck the boss' wishes.

In many instances, Jewish representation on a corporate Board of Directors can be readily ascertained from available reference sources. In some cases, the name, will be a dead giveaway, while others will tend to fool the investigator, since many Jews have taken Gentile names.

In the case of the three major TV networks, these have been under Jewish control for a long time, while the control of the major newspapers such as the New York Times, Washington Post and the Wall Street Journal, have been Zionist controlled from the first. Other great newspapers, such as the Chicago Tribune, which used to be noted for its conservative stand under Colonel McCormick, has now been taken over by the Jews and serves Jewish purposes.

It is quite interesting to note how the so-called conservative Wall Street Journal and the Liberal New York Times, cooperated in the defense of Helmut Sonnenfeldt, who was counselor of the State Department under the Zionist Henry Kissinger, when he was opposed in Congress for appointment to the position of Under Secretary of the Treasury for Monetary Affairs. These great newspapers defended him when serious charges were pending which accused him of transmitting highly classified military information to the Israeli government, without proper authorization. On their defense, the positions of the two newspapers were identical.
The impact of Jewish influence in this vast number of daily newspapers (over 909) is compounded by their influence in the two leading news magazines, TIMES and NEWSWEEK. In addition to articles advocating Zionist positions and spreading Zionist lies and half-truths, they show a complete Jewish line throughout.

The major Jewish influence on non-Jewish newspapers, is in the field of advertising, which they control. This is where the power of the Jewish controlled National Newspaper Representatives become ominous. They can break a non-cooperating newspaper in a very short time, by withholding national advertising.

A good example of this is in the rise to power of Samuel I. Newhouse, son of Meyer Newhouse. His leverage in gaining the power to purchase a large group of newspapers, came through the National Newspaper Representatives and resulted in almost absolute control over 486 daily newspapers. Most of these are controlled through the Newspaper Representatives; but he has the controlling interest in 18 dailies, including such well-known papers as the New Orleans Times-Picayune/State's Item; the Birmingham News; St. Louis Globe-Democrat; Newark Star-Ledger; Cleveland Plain Dealer and the Portland Oregonian. Other Jews who control a large number of daily newspapers are Harold Lessersohn; Mel Freeman; G. Gingold; Howard Rothenberg; John Livingston Weinberg and Arthur Ochs Sulzberger.

A Jewish mechanic used in controlling a small newspaper is to significantly cut off its national advertising and shut off its paper supplies, if it deviates from the Zionist line. As a result, very few newspapers will buck this National Newspaper representative, controlled by Samuel I. Newhouse.

While many news columnists are Jews, even the non-Jewish columnists and commentators, are forced into taking a Pro-Zionist stance, if they are to stay in business. The late Dorothy Thompson, who had been an influential columnist for many years, lost all of her outlets, when she spoke out against Zionism. Joseph Kraft and C.L. Suliberger are too excellent examples of pro-Zionist columnists, who while their stands are repugnant to many readers, still hold their high paying jobs, because they are willing to "brown-nose" the Zionists.

One of the most vicious Jewish commentators on TV is Martin Abend. Then of course we have the crew of CBS SIXTY MINUTES and the PHIL DONAHUE SHOW, which always show a distinct liberal, pro-Zionist, anti-Christian bias.

As I have shown, this Jewish control was not by accident, neither was it haphazard. It was a well calculated, well-designed plan for the control of the thinking of the American public and their policy towards International Jewry. By their constant campaign of brainwashing the American public, they have brought about the conditions the Communists said they needed for final takeover: "to produce a maximum of chaos in the culture of our enemy (White Christianity) is our first and most important step. Our fruits are grown in chaos, distrust, economic depressions and scientific turmoil.. so use the courts, use the judges, use the Constitution of the Country and its laws to further our ends.. when you have succeeded, you will discover that you can now effect your own legislation at will and can make the Capitalist, by his own appropriations, finance a large portion of the quiet Communist (Jewish) conquest of the nation."

The plan to control national communications, presented in 1840 and which was first implemented in Europe, took root in the United States immediately following World War II, when the headquarters of International Zionism was moved from Europe to New York City. The Zionists realized that Britain and France were becoming "second class" powers and that world-power had passed into the hands of a few powerful men in the United States. Although both David Ben-Gurion and Golda Meir (the first Zionist Ambassador to the Soviet Union and an avowed Communist sympathizer) wanted an alliance between the Soviet Union and Israeli, American Zionists stopped this plan, believing rightly, that it would smear the American Jewish Community with a Communist label. They told Ben-Gurion, that since most of his financial support would come from the U.S. they did not want any alienation of American opinion. They argued, that in view of the open, democratic
way of life in the United States, they (the Zionists) would be able to dominate the political life of America, while this would be impossible in the Soviet Union.

The use of the Press, by the Jewish minority, strengthens my argument concerning International Jewish control. Coordinating business interests with those of politics, the Jewish run media has profited at the expense of truth for the American people. They have used the media as a "ring in the nose of the bull," to control American politics. Until this Jewish control on American thinking is broken once and for all, misfortune, confusion and continuing decadence will be the "order of the day." There will be no national liberation or regeneration, as long as these "con-artists" control American thinking.

The United States is a nation which is young in tradition. We believe, rightly, that "brave men should stand, between their loved homes, and wars desolation." The nomadic Jewish nation on the other hand, is one of the oldest political entities in the world. Jewry was born under conditions that called for its existence without a homeland. (I suggest you study Genesis 4:9-18 very closely.)

The Jews for centuries, have practiced the art of deception, until it has become a "second nature" to them. They have waged war on this earth for over 25 centuries and are taught the art of deception, male and female, from the day of their birth. This means there are over 14-million "combat ready" fighters, deployed throughout the United States. While the Government exercises strict control over the so-called "right wing" organizations in America and views with suspicion, any movement for the protection of White Christian civilization, the Jews, through organizations such as the Jewish Defense League, are free to train their youth, using fully automatic weapons, contrary to the law, yet nothing is done about it. They are free to bomb Jewish synagogues and harass Jewish families, and lay the blame on the Nazis, or the Ku Klux Klan. For the Nationalist Jew, "the end always justifies the means," and they are free of all moral compunctions, to use any weapon which will bring about their world conquest. The startling thing is, they have been able to brainwash the average Christian American into believing that they of all people, have this right.

International Jewry always follows a four-pronged strategy:

1 - Manipulate members of the host nation into helping the Jews, no matter how dangerous it may be for their own country.

2 - If the individual refuses to cooperate, by-pass him and take care of him in the "mopping up operation."

3 - If he actively resists, mark him for destruction and then destroy him through defamation, brought about through the controlled media, or by misusing the nation's "due process of law," through Jewish controlled courts and lawyers. Listen to them in their book PSYCHOPOLITICS, page 52: "Recruit every agency of the nation marked for slaughter into a Foaming hatred of religion... You must suborn district attorneys and judges into an intense belief.. that Christian practice.. is vicious, bad, insanity-causing, publicly hated and intolerable. Just as in Russia we had to destroy, after many years of the most arduous work, the Church, so we MUST destroy ALL FAITHS in nations marked for conquest." That's the International Jewish plan for America.

4 - Never let any individual or organization in the host nation, use the media or the courts, to counter-attack us, or for their own defense.

This theory has been eminently successful in America to the point that when a Jew attacks a Christian it is considered "freedom of speech." But if a Christian is unwise enough to expose a Jew, even though he may be telling the truth, it immediately becomes a case of "anti-Semitism," and often the Christian is ostracized by his own people, as has been my case.
behind the mindless "shibboleth" (slogan) of "anti-Semitism, the Christian world has attacked its own people, who have the courage to expose the enemy, while the enemy is allowed to go his dangerous way, unopposed by Christian warriors, who are fighting the wrong people.

Supposing that I, as an Anglo-Saxon Christian writer, were to charge that my writings were not accepted; not because they are untruth, but because they will not pass Jewish censorship! Immediately, there would be a great "hue and cry," coming most likely from the Fundamentalist pulpits of America. I would be labeled as an "apostate," not because I had departed from the Scriptural teachings of the Bible, but because I had turned the "spotlight" of truth on God's enemies. They would say of me: "You're prejudice against the Jews is making you paranoid!" This would be false, since "prejudice" means. "a preconceived judgment or opinion; or, an opinion adverse to anything without just grounds or before sufficient knowledge is gained concerning it." This was the attitude my pastor exhibited, when I first tried to present him with evidence, from the Scriptures, concerning the falsehood of Judaism. Although the information I gave him was painstakingly documented, he refused to even look at it and took refuge behind the accusation that I had become an "apostate."

Is the most powerful nation in the history of the world - when measured in tangible armament - totally unable to defend itself when it comes to an ideological war, waged by a relatively small colony of aliens within its midst?

Certainly Christian America is unprepared for this war, when we have traitors against the cause of Christ, standing behind our pulpits, glorifying the enemy. We have been infiltrated from within! Our churches are the main source of the problem.

Unfortunately most Christians know very little about the Jews, except what they have learned in their Sunday School, often from materials prepared by some Jewish scholar. Most Christians believe the Jews follow the Laws laid down by Moses. Those Jews who do, are of an extremely small minority. The second, and much larger group, is made up of people who call themselves "Jews", but who have not a single drop of Abraham's blood in their veins. These are the one's who accepted the heathen, occult teachings of the Babylonians and are ruled in their religious life, by these filthy, anti-God writings.

Many of these, mostly from Eastern Europe, are Khazar Jews, of a Turco-Mongolian background, who were converted to Judaism in the 8th Century, A. D. (For an enlightening journey into Judaism, read the Jewish writer, Arthur Koestler's THE THIRTEENTH TRIBE.)

By far the largest group of professing Jews are atheists and agnostics. They believe the coming Messiah is the Jewish nation, as it rises to prominence to take over control of the world. These Jews look forward to the day when they will have their "stables of goys." It is interesting in this respect, to note how wealthy Jews in the fields of arts and culture, refer to promising young talent as "stables." Could this have something to do with the Talmudic teaching found in Volume KERITHUTH (6b, P.78), which states: "Jews are men, but Christians are not men," or Volume ORACH CAALIM (225, 10) where Christians and animals are grouped together for contrast?

But like all conspiracies, the Jews do have one weakness. The plan of international Judaism MUST work in secret to be successful.

The victims MUST not know what is going on! They must either be lied to, or become so confused they will not accept the truth! IF THEY CAN BE EXPOSED, THEY WILL BE DEFEATED! "Ye shall know the truth, and the truth shall set you free." Truer words were never spoken!

This is why any attempts at exposure, are met with howls of anguish by Jewish leaders, and why immediately, the "media" tries to slap a label of "kook," "dangerous racist," "right wing extremist," or "Fascist," on the one who has courage to walk into this dangerous arena. They CANNOT allow our White Christian people to know what they have planned! This is the reason that books such as this, must be printed and distributed by local publishers and "right wing" organizations, at a greatly
inflated cost.

When Jesus spoke to the Jewish leaders in John 8:32 and 33, they disclosed that they were not Israelites, read it for yourself, they said:..."We be Abraham's seed, and were never in bondage to any man."

What more proof do you need that they were not Israelites? Every Sunday School student knows the true Israelites were in bondage in Egypt. Yet here, the Jew rulers are blatantly stating that they had never been in bondage to anyone. (And don't let your pastor try and spiritualize this statement away.)

But because the "truth will set American Christians free," we see two Jewish programs at work in the world. The one is intended for "goyim" consumption, while the other is exclusively for Jews. No matter what a Jew may say to his "non-Jewish" counterpart, he is seeking a kingdom to come on this earth - a kingdom over all other kingdoms - where Jerusalem will be the center of the world and the Jew will reign supreme. The desire of this Jewish nation, according to their own writers, will be fulfilled, when the wealth of the world is in Jewish hands and all mankind bows at Jewish feet.

I believe Henry Ford, Sr. hit it squarely on the head, when he said, in THE INTERNATIONAL JEW: "If the Jews were fully understood by the Gentiles (non-Jews), if the Christian Churches for example, were freed from their delusion that the Jews are Old Testament people, and if the churches really knew what Talmudic religion is, the 'misrepresentation' would be even stronger. This policy of misrepresentation succeeds, because there is a feeling, strongly entrenched in Gentiles, that somehow the Jews are the Chosen People and that it is dangerous to oppose them in anything: whoever opposes the Jew is damned. The 'fear of the Jews,' is a very real element in their life. It is just as real among Jews as non-Jews, since the Jew himself is bound by fear of his own people and he exercises the fear of the curse throughout the sphere of religion: 'I will curse (hem that curse thee.'

"If the Jews were really Old Testament people (which they are not), if they were really conscious of a 'mission for the blessing of all mankind,' (which was Israel's heritage and has only been fulfilled by the Anglo-Saxon and related, Christian nations) the very things in which they offend would automatically disappear. If the Jew is being attacked, it is not because he is a Jew, but because he is the source and life of certain tendencies and influences which, if they are not checked, mean the destruction of moral society. The only real misrepresentation in society is its regard for the Jews privileges."

How true, this far seeing man was. After spending years in research and over $8-million studying the Jewish problem, he came to this conclusion. As usual, International Jewry attempted to destroy him, for telling the truth.

Another great American, many years before the time of Henry Ford, saw this same problem and came to the same conclusion. This part of the book, is taken verbatim, from the CHRISTIAN LAW JOURNAL, No.32, 1982. This is the official publication of the Gospel of Christ Kingdom Church.

"As the American colonies rose in revolt against political oppression occasioned by the attempt of Jewish banking houses in Europe to consolidate their economic foothold in the New World, no man among the Founding Fathers was more alert to the designs of International Jewry, than that shrewd elder statesman of the American Revolution, Benjamin Franklin. Writing to John Adams from Passy, France, on November 26, 1781, Franklin declared: "I think that keeping us out of possession of fifty thousand pound sterling worth of goods for securing the payment of a demand for damages is not only dishonorable treatment but a monstrous injustice. It seems to me that it is principally with John Neufville of Amsterdam, Holland, we have to do; and although I believe him to be as much a Jew as any in Jerusalem, I did not expect that, with so many and such constant professions of friendship for the U.S. with which he heads his letters, he would attempt to enforce his demands by a proceeding so abominable. His proposition of terms on which he would borrow money for us stamped his character on my mind with an impression so deep that it is not yet effaced." (In Albert
DeNeufville was a Dutch-Jewish International Banking house that wanted to make a loan to Congress on the modest security of the entire Thirteen Colonies and with the stipulation that all American trade and exchange pay a commission to them!

In another letter to Adams on December 14, 1791, Franklin remarked that such blood-sucking traits dated back a long way.

In still another instance, Franklin revealed his loathing for Jewry in a poem on Benedict Arnold. (Sec John Bigelow's WORKS OF BENJAMIN FRANKLIN, New York, 1904.) It was replete with references to Arnold's association with the Jews. The inevitable Jew in the Arnold treason case was David Sholesbury Franks. It seems that Franks and the British general Sir Henry Clinton were involved in illicit trading activities long before Arnold betrayed the American Army.

But Franklin's most damning indictment of Jewry was contained in his famous prophecy at the Constitutional Convention of 1787 in Philadelphia. In one of the most anti-Jewish utterances of all time, he declared: "I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. That menace, gentlemen, is the Jews.

"In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded by objecting to its restrictions; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

"For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But, gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist off Christians and other people not of their race.

"If we do not exclude them from these United States in this Constitution, in less than 200 years they will have swarmed here in such numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance and jeopardize our liberty.

"If we do not exclude them, in less than 200 years our descendants will be working in the fields, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American's, and will not, even though they live among us for ten generations. A leopard cannot change its spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by this Constitutional Convention."

These remarks were recorded IN CHIT CHAT AROUND THE TABLE DURING INTERMISSIONS, a section of the Diary of Charles Cotesworth Pinckney of South Carolina. Pinckney (1746-1825) attended the Convention as a delegate, and took down excerpts of some of the outstanding addresses and discourses, which he later published in his diary.

Unfortunately no copies of the Pinckney Diary are known to be in existence. After publication of the Franklin prophecy in the 1930's, the only known copy was at the Franklin Museum in Philadelphia. It mysteriously disappeared and all references to it were withdrawn.

The Jews immediately seized on this as proof that the Franklin prophecy was a "forgery." (The same thing they have said about THE PROTOCOLS OF THE LEARNED ELDERS OF ZION, THE COMMUNIST BOOK ON PSYCHOPOLITICS, RULES FOR BRINGING ABOUT A...
REVOLUTION, and anything else which exposes their plan for world domination.) They even went so far as to pay academicians to pronounce it a forgery. But the best proof of the Franklin prophecy - as it is with any prophecy - lies in its actual fulfillment. What Franklin foresaw as an ominous possibility in 1787, has today, become a painful fact.

If Ben Franklin was alive today, we can be sure he would be in the forefront of a new American Revolution, this one to free our beloved country from the poisonous alien influences and domination which desecrates the blood sacrifice of those who fought and died for our freedom. (It might be interesting to note, that there are several affidavits, by well-known and respected people, testifying to the authenticity of Franklin's statements in the Pinckney Diary.)

As Franklin predicted, today we must work for five months out of the year, to pay off the usury of the Jewish money-changers, which hangs about our neck like an awful albatross, for countless generations will be saddled with this grievous burden, which can do nothing but get worse, unless we are willing to do something about it.

It is no exaggeration to say that today, International Jewry has trampled underfoot the rights of all peoples, and especially those of White Christians. In their conquest to rule the world, they have brainwashed us into the deadly habit of issuing bonds, not only by the nation, but by municipalities, School Boards, Churches, you name it. By doing this, they have seduced us into mortgaging our national wealth for subversive purposes.

A few months ago, I was speaking with a very prominent pastor in the ranks of the Moral Majority Movement. He indicated that the things I had told him about the Jews were true. He told me that in spite of the fact he had been a staunch defender of the Jews, they were doing everything possible to destroy him and the Moral Majority.

When I asked him why he didn't tell his people the truth about this, I received this sad reply: "I can't. You see they hold $1.7-million worth of bonds on my church and if I said anything bad about them, they might foreclose and I'd lose everything."

he interest on these bonds goes on continually, day and night, without interruption. Its course sweeps like a tornado over the fair fields, destroying everything in its path, bringing death and destruction to everything it touches. It is the seat of world power, that of accumulative interest, which has become the most effective weapon in the world, used by the Jews to control mankind.

These facts constantly stare us in the face; they cry out to our people for recognition. Our only answer is to keep out of debt! The welfare of individuals, as well as of the nation, demands this! The power of the usurer will be broken, when our debts are liquidated on a just and equitable basis.

During the Dark Ages, men raised a great opposition against the "priestcraft" which was strangling Old Europe. But the power of the priests was small, when compared to that of the Jewish money-changers. Concealed behind their office desks and bank counters, these heathen parasites gnaw into our wealth, as they destroy the vitals of mankind through their imposed "amorality." They Follow the law which says: "There is no law which applies to me. I am a Jew, therefore I am above the law!"

While Christians expel apostates from the Church, the Jews expel their opponents from the Stock Exchanges, from social connections, and finally condemn them to starve, with no roof over their heads. If we are ever to restore the social balance of our Country, we as Christians must take hold of the tree by its roots. We must direct our attacks and our exposures against these enemies of Christ and the Church, against the fundamental evil which seeks to destroy Christianity and the freedom it has brought to the world. This evil is

There seems to be an unwritten law among mankind, which causes them to impose their own
conditions, even at expense to others. This has been the basis of the perennial wars which have plagued mankind since the beginning of written history. We have the reason for this in the New Testament of our Bible, James 4:1-3, he says: "From whence come wars and fightings among you? come they not hence, even of your lusts (an intense craving for material things) that war in your members? Ye lust, and have not; ye kill and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not. Ye ask, and receive not, because ye ask amiss (wrongly) that ye may consume it upon your lusts."

Looking back on 6,000 years of written history, we see the truth of this statement. **There seem to be three major principles for war:**

1. **THE PRINCIPLE OF PHYSICAL FORCE.**

2. **THE THEOCRATIC PRINCIPLE,** in which the masses of a country are forced to accept a religion; as seen in many Moslem countries; and,

3. **THE PRINCIPLE OF MATERIAL INTERESTS.** This is where people are enslaved, not by war, but by financial and economic oppression.

The first two principles are well known, since they appear clearly on the stage of history. They can be seen in action in Rome, Greece and in the Papacy and during more modern times in Russia, China and Germany.

But the conquests of the **PRINCIPLE OF MATERIAL INTERESTS,** while more destructive than the other two, has operated behind a "smoke screen," so that only a few have seen and understood.

The "material interests" of mankind are the focal point towards which all other desires point. So to control material interests is the equivalent of total control.

A conquest founded on this Principle is not a victory of armed strength over weakness, nor a victory of knowledge over ignorance. It becomes a victory of cunning and intrigue, over confidence and carelessness.

How many times, when discussing the problems of Communist control, have you heard Americans, especially Christians, say: "But it will never happen here?" While they repeat this trite phrase, they are doing absolutely nothing to keep it from happening.

The main objective of the **PRINCIPLE OF MATERIAL INTERESTS** is to obtain control of all means of existence, and absorb all the wealth of the world, thereby, in the end, bringing the entire world under your control.

In this book, we will discuss how the conquest of mankind is now nearing its completion and the part being played in it, by its principle actors, Satan's Kids, sometimes called the International Jews.

Many of you are going to be dismayed by what you will read. No doubt some of you will become angry and will not be honest enough to finish this book, for to do so, will blast away the myths, which have been built up over the years in your church and which will be dissolved under the searchlight of God's truth.

I do not ask you to believe me, or accept what I say. I do suggest however, that you be honest enough with yourself, that you will read this entire book before you make up your mind. Then take the facts I give you - place them under the most powerful magnifying glass of truth which you can find - this will be the Holy Bible - and when you find that I have told you the truth, let nothing stand in the way of proclaiming the truth!

The Jewish people, alone of all people on the face of the earth, have discovered the secret of the **PRINCIPLE OF MATERIAL INTERESTS** and how to use it in their search for world power.

If you will closely examine history, you will find that from the earliest times of their existence, Jews
have used this Principle as a weapon in their fight against the world. It was on this Principle that their entire religious, social and political structure was built.

At this point, we run into our first major problem in discussing Judaism. As you study your Bible, you will never be able to understand it fully, if you use the terms "Hebrew," "Israel," and "Jew" as synonymous terms. They are not one and the same. The word "Jew" does not appear in your King James Version of the Bible until 2 Kings 16:6, which took place about 742 B.C. This was some 1200 years after the time of Abraham, 1000 years after Jacob-Israel and about 750 years after the time of Moses. To call these Hebrew patriarchs "Jews," as is common practice in most churches, is "intellectual dishonesty" of the worst sort. "Jews" do not appear on the historical scene until after the Kingdom of Israel was divided about 975 B.C. They were then known as "IOUDEANS," which simply meant they were inhabitants of Judea. It was not until the tribes of Judah and Benjamin returned from captivity in Babylon, about 536 B.C. that these people became known as "Jews."

The Northern Ten tribes, which were taken into captivity in Assyria, about 730 B.C. disappeared from the Biblical scene and appeared later, in secular history, as they made their way north and west, towards the lands which had been promised to their forefathers. They were known by many names, Scythians, Gauls and Sacea, from which comes the name Saxons, which literally means "Isaac's sons." They were the forefathers of our Anglo-Saxon and related peoples and it is to them that the unconditional promises made to Abraham by God, pertain.

But our study concerns a people who call themselves "Jews." If you are interested in Scriptural confirmation of True Israel, write for my booklets PROOFS OF IDENTITY: WHO IS TRUE ISRAEL? and PHARISEEISM OR ANGLO-SAXON IDENTITY? With a little effort and research on your part, you can become acquainted with the spirit and character of the Jewish people and properly evaluate their present purpose on the International scene. It is unfortunate indeed, that in following this trail, we have only Jewish documentation to go by. If the Philistines or Babylonians had left us reports of these people, it is quite possible that history would give us a quite different viewpoint than we have today.

We are not sure what circumstances caused Abram to leave Ur of the Chaldees. The Bible simply states in Genesis 12:1, that God told him to leave.

If you will look at a map of the Ancient World, you will find that "Ur" was located on the Eastern boundaries of Arabia, Southeast of Babylon. In all probability Abraham was an Arab. There are many similarities between Arabs and "true Jews." But there are also striking differences. The Arab is quick to start, but often lacks toughness and "staying power." The "Jew", on the other hand, combines a fiery temperment with a stubbornness which is so in-flexible that it has been well said: "The Jew never gives way, and knows neither forgiving, nor forgetting."

There are some Bible scholars who believe the "true Jew" is a direct descendant of the murderer Cain and that therefore they have been a mongrel race from the very beginning, since obviously Cain could not have married into Adam's race. (See Genesis 4:16-18).

There is considerable Scriptural proof for this, one of the most interesting theories is that put forth by Pastor Dan Gayman, in his book THE TWO SEEDS, which can be obtained by sending an offering to THE CHURCH OF OUR CHRISTIAN HERITAGE, Rte 1, Box 61A, Schell City, MO 64783. We do not have time to discuss these Scriptures here, but they were directed at the Pharisaic Jews of Jesus' time. John the Baptist called them "a generation of vipers (poisonous snakes), in Matthew 3:7, while our Lord, speaking to them in John 8:44, said: "Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth because there is no truth in him..." In Matthew 23:15, once more speaking to the Pharisees, Jesus said: "Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye MAKE HIM TWO-FOLD MORE THE CHILD OF HELL THAN YOURSELVES." (Emphasis added.)
In Matthew 23:35, Jesus accused the Jews of being guilty of all the righteous blood which had been shed on the earth from the time of Cain.

In John 10:26, speaking very plainly to the Pharisees, Christ told them: "But ye believe not, BECAUSE YE ARE NOT MY SHEEP." (Emphasis added.) In Matthew 21:43, Jesus again speaking to the Jews said: "The kingdom of God shall be taken from you, and given to another NATION (notice closely now, He did not say "church," but "nation") bringing forth the fruits thereof." (Could He have had reference to the coming Christian nations of the world. They are the only one's who have spread His Gospel; they are the only one 5 who have distributed His Holy Word; they are the one's who have helped the needy, set the captives free and have based their nation's laws on the Law of God. The people we now know as Jews have never done this.)

Finally, the Apostle John, writing in I John 3:11, 12, mentions that Christians should "...love one another. Not as Cain, who was of that wicked one, and slew his brother..." (Compare this with John 8:44).

The Arab experiences a beautiful and almost spiritual reverence for anything which is beautiful. The Jew, on the other hand, while stopping to admire a flower, will at the same time be asking himself: "How much can I make out of it!"

Excessive covetousness, which the Apostle Paul says is "idolatry," (Colossians 3:5) is an "inordinate (unreasonable) desire for the possessions of another." This is the Jew's second nature. The lust for material gain is so deeply rooted in his organism that it extinguishes every other passion. Jews know no "self-love". If you "sneer" at him, he will merely "laugh in your face." If you praise him, he will look on you as a fool. But if you venture to keep him from making money, he will turn into a tiger who will fight you to his last breath. His major aim in life is gain and anything which does not have this object in view, is to him as worthless.

A story will suffice to explain this. Two men are laying on their death beds. One is a Jew and the other is a Gentile. The Gentile is deeply disturbed, because he has cheated his fellow men and wants to make this right before he faces his Maker. The Jew, on the other hand, gloats over his "ill gotten gains," and looks on them as God's blessings on him, because he is a Jew, one of the Chosen.

This overriding passion for material gain, places the Jew in the position of everlasting antagonism with the rest of mankind. For this reason, he wages war against all those who do not belong to his clan and subscribe to his philosophy.

In his religious book, the Babylonian Talmud, the Jew shows his contempt for all "non-Jews," and especially Christians in volume ABHODAH ZORAH (26b) we read: "Even the best of the goyim (non-Jewish cattle) should be killed." in Volume SEPER OR ISRAEL (117b): "If a Jew kills a Christian, he commits no sin;" in Volume ZOHAR II, (43a) we are told: "Extermination of Christians is a necessary sacrifice;" while in Volume HILKOTH AKUM I (1), WE READ: "Make no agreement and show no mercy to Christians. Either turn them away from their idols, or kill."

These are but a few of hundreds of Talmudic passages dealing with the Jews treatment of Christians.

The Jew is taught that he was created to cheat and take advantage of all other people. Again, going to the Talmud, Volume ZOHAR I, (160a), we read: "Jews must always try and deceive Christians." In Volume IORE DEA (159, 1): "Usury is permitted for any reason when dealing with Christians," and in Volume BABHA KAMA (113b): "The name of God is not profaned when a Jew lies to a Christian." These teachings are hammered into the heads of Jewish boys and girls from earliest childhood, until the Jew comes to believe, that the more cunning and greedy you are, the more you
will receive the approval of God. This of course is diametrically in opposition to what the Mosaic Law teaches. The Jew recognizes no armistice in his unrelenting war with all others.

Very early in their history, the Jews adopted a plan. This was to seize all the gold and valuables of every country they invaded, but allow the inhabitants to live and retain possession of their immovable property. Their argument being: "If we take their gold and the fruits of their labor, we may safely leave them their fields and vineyards. If we succeed in making their riches our own, we will be the masters and they will be our slaves."

In adopting this plan for "world-wide" conquest, they have become remarkably successful.

Let us see how they have applied the principle of MATERIAL INTERESTS in the Twentieth Century, as they follow their "age old' dream of conquering the world. They have not only plundered the world, but they have won a moral victory, by throwing the blame upon their enemies and representing themselves, always, as a persecuted people. They have sold this idea to most of the Christian world. Listen to world-known Baptist evangelist Jack Van Impe, as he speaks of this in his book ISRAEL'S FINAL HOLOCAUST. On page 52: "Jew accusers today are simply following the lead of anti-Semitics before them. People do not want to accept responsibility for the wrongs in society, so they must have a scapegoat, and the Jews have been a universal scapegoat. They take the blame of ignorant people for problems ranging from plagues to politics." On page 55, he states: "The magnitude of Jewish sufferings is difficult to take in completely. One may read of sanctions, slaughters, persecutions, and prejudices, but these are likely to simply move through the mind as historic facts without telling the whole story. The real account of the miseries of the Jews is one of feelings, frustrations, and fears. That is the human side of history." He then goes on to enumerate the woes of the Jews, never telling his readers that all these persecutions were brought on, not because of their religion, but because of their attitude towards all men who were "non-Jews."

Van Impe barely touches on Jewish massacres of Christians, by saying, on page 50: "During the period between the resurrection of Christ and the destruction of Jerusalem, the Jews imprisoned and executed many Christians." But he says nothing about the hundreds of thousands who were killed by Jewish manipulation in the terrible years of the Roman persecutions, or the 34-million plus, who have died under Jewish run Communism. His is an old propaganda trick, of taking your mind off the truth and leading you down the path he chooses. On page 56, he makes an intellectually dishonest statement when he says: "Abraham, the father of the Jewish race, was given an unusual promise by His Lord. This guarantee of blessings, provided judgment upon all who bring evil upon his descendants." He then goes on to quote Genesis 12:2, 3. If you can find one word in these verses which deal with today's Jews, then you have a different understanding of the English language than I.

The policy of blaming all others for their own caused ills is a Machiavellian principle (Machiavelli was an Italian nobleman, noted for his cunning in politics. He would stop at nothing to get his own way.) The Jews excel in the "double-cross." In our day, this is the very "soul" and "spirit" of International Judaism and its illegitimate child, International Zionism.

One of the reasons the Jews have been so successful in their deception, is the incredible naivete of our Christian leaders, who insist that our Christian culture is a direct offspring of Judaism, when in reality they are diametrically opposed.

The Christian world has been led to believe that Jews have been scattered over the world, because of their stubbornness in failing to recognize the Divine mission of Jesus Christ.

But history, and the Word of God itself, proves without the shadow of a reasonable doubt, that the dispersion of the Jews has been voluntary on their part and has been a "pre-determined emigration" for a specific purpose. Four hundred years before the Roman conquest of Jerusalem, during the time of the Maccabees, the Jews were already scattering to the "ends of the earth." It was an aggressive movement, with the universal conquest of the world as its final objective.
As Roman rule began to weaken, the invasion of the Northern barbarians brought about a period of transition which was vastly favorable to the Jewish element. While they were often opposed and even bitterly persecuted by the Roman Catholic Church and feudal powers, they were not held back by these obstacles.

The Jew fears only one hostility. It is competition which attacks them on their own field, in the PRINCIPLE OF MATERIAL INTERESTS. As long as you allow Jews to quietly accumulate money, they will care about very little else.

During the Middle Ages, while Europe was separated into many nations and empires, the Jews scattered over all the trading places and made their homes there, in order to carry out their trade and usury.

It is true, that their riches, which had been gathered through unscrupulous means, were often confiscated by cruel persecutions, brought on because of their avarice and immorality. But this violence was never powerful enough to stem the rising tide of Jewish money power.

As a result, Jewish establishments penetrated the chief commercial centers of Europe. One large body of Jews settled in Venice; another in Genoa; while at the same time, Jewish colonies rose in all the chief cities of Spain, the Netherlands, Germany and Poland. Although these were scattered, they formed a firmly connected homogeneous (of the same kind) union. Operating under a single impulse of "power through the control of material interests," they swept over Europe.

Although they were scattered over the world, they were united through religious and historical traditions, from the Capitols of the civilized nations, to the outposts of Siberia and Tibet. They were united by a single faith. Not the, belief of Abraham or Moses, as we have been led to believe, but by their belief that they were the Chosen of God and that the treasures of the world were to be their inheritance. Jewish solidarity is so great, that if you attack a Jew for any reason, Jews on five continents will rise up in his defense, no matter whether he is in the right or wrong.

During the Civil War, General Grant was facing the Confederate forces in Tennessee. He became so annoyed by the number of Jews who were following his armies like scavengers, that he issued an order requiring all Jews to leave his lines.

Immediately a hue and cry was raised by Jews in the North and Jewish protest committees began to descend on Washington to confront President Lincoln.

The President listened, and out of the goodness of his heart, asked the General to modify his orders. Grant reluctantly complied, but added: "The Jews in my opinion have not changed for the better since the time they crucified Christ."

In the middle of the 18th Century, Jews infiltrated and controlled Free Masonry, with their terrible Order of the Illuminate, sometimes called rightly THE LUCIFERIAN SOCIETY. This was organized by the Jew Adam Weisaupt and was just another step on the road to one-world control. There are letters available in the National Archives, showing how General Washington, himself a high ranking Freemason, warned his Masonic brethren about the inroads of a Satanic organization which sought to control Masonry.

Few people who know Jews intimately, will believe you, if you state that Jews are a virtuous people. This seems to be a paradox for a people who are so immersed in sex and since many regard Jews as the "most evil of men." But the Jews are both virtuous and immoral. On one hand they show their morality, while on the other they can be abhorrently vicious. While this may seem to be a contradiction, it can be explained. The Jew is virtuous, because he practices a practical love for virtue. The Christian on the other hand has a "platonic love" of virtue. (This means a close relationship without the necessity of sexual desire.)

The Jew is practically virtuous, when it is in his material interests to be virtuous. If it will prolong his life, or enable him to gain wealth, he can be the most virtuous person around. But he can switch in an instant, to become a viciously wicked person, if the PRINCIPLE OF MATERIAL
INTERESTS compels him to. When this happens, the virtuous man, becomes the vicious one, who
will trample on anyone in his bid for material gain.

Thus, vice and virtue in the hands of a Jew, becomes a powerful means, to be used both as a
defensive and offensive weapon. With virtue, they will be brave and face losses and misfortune;
with vice, they will attack any who stand in their way and use any evil means to destroy them.

A good example of this comes to us from the 19th Century. Ilahmi Pascha, son of the Viceroy of
Egypt, inherited a vast fortune from his father. He became the victim of a Jew named Oppenheimer
in Alexandria, who became his banker and administered his business affairs. So brilliantly did the
Jew follow his trade, that in three years, the young Egyptian went from enormous wealth to
bankruptcy. This example could be multiplied many times over.

During the Middle Ages, commerce was the great battlefield of Europe. On the one side were the
native born and on the other, the Jewish invaders. When the "smoke of battle cleared", the Jews
were victorious. They had acquired control of the entire commercial world. A careful check of
history, will show that Jewish methods of doing business, have never enriched a nation. but only
puts money in the coffers of the Jew.

As is well-known, Jews seldom engage in agriculture, mining, production of raw materials, or even
the manufacture of things from raw materials. He at-tends mainly to the circulation of values,
exchanging worthless articles for good money.

In a great majority of cases, Jews are parasites. They appropriate what others have made from the
"sweat of their brow." This is why they keep aloof from agriculture. They want nothing to tie them
down to a particular area. They must be free to move at a moments notice, heading where the
business action is. That means that Jews always seek out the areas where the most plunder is
available.

As an example, during the time when the Italian Republics flourished, Venice, Genoa and Florence,
were overrun by Jews. But when these Republics fell, the Jews packed up their treasures and
emigrated northward, settling in Germany, Poland and the Netherlands, where commerce and
industry was on the increase.

The Jews were the least successful in Spain, mainly because the Spanish people forced them to
leave, when they realized they were allies of the Moorish invaders.

Jews are the same today, as they were 2,000 years ago when our Lord said they were Satan's kids!
(See John 8:44). They have the same characteristics now as they had then. Neither time, nor habit,
nor intercourse with foreign elements ever change them.

The converted Jew, Benjamin Freedman, intimate of seven Presidents, (there is some reason to
believe he was the adopted son of a Jewish couple, since he did not exhibit Jewish traits) wrote
about Jews who had converted to Christianity and warned, that in his opinion, the majority of them
were nothing but spies for Judaism, who got into the churches to cause trouble. Jesus implied this in
John 12:40, when quoting from Isaiah 6:9, 10, he said: "He hath blinded their eyes, and hardened
their heart; that they should not see with their eyes, nor understand with their heart, and be
converted, and 1 should heal them." There are some who believe, with Scriptural backing, that a
true Jew cannot be saved.

Because of Jewish ties with religion, tradition and hatred of all non-Jews, they will never change.
You could as well expect a leopard to change his spots, as for a Jew to change his grasping nature. A
Jew can be born in, or emigrate to any nation and become a Frenchman, an Englishman, a German,
or an American. But without fail, if you ask him what he is, his reply will be: "I am a Jew!" His
alliance is to his people, not to the nation of his birth. Jews say they can combine both qualities; but
this is impossible. Jesus said in Matthew 6:24 - "No man can serve two masters" for either he will
hate the one, and love the other; or else he will hold to the one and despise the other..."

I have heard Jews boast: "We are Jews to our fingertips." Since there is very little beyond the
"fingertips", this leaves no room for patriotism to any country except a Jewish country?

This same trend towards treason can be seen in the Jewish official who has taken an oath of office to serve and protect this country from all enemies. If he is a religious Jew, how can we believe him, if he takes the Kol Nidre Oath on the Day of Atonement? In the Talmud, this is referred to as "the law of revocation in advance." The recital of this prayer, called the "all vows prayer," releases the Jew from any obligation under "oaths, vows, or pledges; entered into during the next twelve months."

In 1844, a group of German Rabbis, realizing what knowledge of the Kol Nidre Vow was doing to the credibility of the Jewish people, tried, at the International Conference of Rabbis in Brunswick, Germany, to have this changed. But the preponderance of Rabbis speaking "Yiddish," who were Russian Khazars, meaning they had no Abrahamic blood in their veins, voted it down and the oath remains part of Jewish worship to this day.

Does this mean that a Jewish Judge is not to be trusted, if he has taken the Kol Nidre Vow? Or a Jewish Congressman? Or a Jewish lawyer? Think about this!

The Jews in America are the only ethnic group who are allowed "dual citizenship." This means they can be citizens of the Jewish state in Palestine and at the same time, have full citizenship rights in the United States. It has been proven, time after time, when the "chips are down," their loyalties are to the Jewish state in Palestine first. This action can be seen in the many "Pro-Zionist," "anti-American" actions by Jewish members of Congress.

Throughout the Middle Ages, the Jews laid the foundations for their future power. They cleverly arranged to order a battle of usury and piled up their treasures in every country they settled, waiting patiently for the day, when they could emerge from the darkness and climb to the top of the "economic power heap."

On a spring day in the late 1800's, the old edifice of feudalism broke down with a crash heard round the world and the political and ecclesiastical institutions never recovered from the effects of the French Revolution.

This was a Jewish Revolution, as was the one which came to Russia in 1918. The path was now open for the Jewish conquest of the world. Undermined by the doctrines of Voltaire and conquered by the power of liberalism, the national and religious limitations of the Middle Ages crumbled into dust and the past was given over to the reconstruction of the present.

Just as they did later in the Century, at the end of the American Civil War, so now, the Jews led in their cries of: "Long live tolerance! Long live Fraternity! Down with rank! Away with privileges!" While the South was saved by the patriotic efforts of Americans who refused to "buckle in" to Jewish power, there was no white sheeted Ku Klux Klan to save France.

With ranks closed, the Jews now opened attacks on their enemies everywhere and as they overcame them one by one, they erected their own standard, the six pointed star of David, over the ruins they had created throughout Europe. Since that date in the 1800's, the flag of Judaism has been unfurled from the watchtowers of Europe and few and far between are statesmen with moral courage to say "No!" to anything they demand. With the exception of a few years during the 1900's, when the German people under Adolph Hitler, made a bid for national freedom and struggled to free themselves from Jewish oppression, Europe has groveled at their feet. Hitler is hated by the Jews, not because he tried to annihilate them, as they aver, but because he was the only man with guts enough to try and free his people from their clutches.

By stirring up revolutions and then lending their support for legitimacy, Jews assisted on one hand with the distribution of State-overthrowing Utopias, while on the other, they restored Monarchies.

The Jewish writer Marcus Eli Ravage, writing in the January 1928 issue of Century Magazine, recognized this when he stated: "We Jews are at the bottom of nearly all your wars; not only of the Russian but of every other major revolution in your history... We did it solely with the irresistible
might of our spirit, with ideas and propaganda."

Another Jewish writer, Oscar Levy, in the Preface of his book, **THE SIGNIFICANCE OF THE RUSSIAN REVOLUTION**, said: "There is scarcely an event in modern Europe which cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners.

We know that all governments require money to operate: the men who lend are Jews - of course, and they gain both in cash and corresponding power and privileges.

During the American Civil War, both sides were financed by the Jews; as was the Russian Revolution and World Wars I and II. The Jews garnered countless billions of dollars of Gentile wealth, while the world was drenched in Christian blood, as Christian nation fought Christian nation and the International Jews set back, rubbing their hands in glee.

In 1869, Just after the Civil War, a prominent Jewish Rabbi named Reichhorn, speaking at the funeral of Grand Rabbi Simeon-Ben-Iudah in the Prague, said: "Thanks to the terrible power of our International Bankers, we have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and make more room for us Jews. Wars are the Jews harvests: The Jew banks grow fat on Christian wars. Over 100-million Christians have been swept off the face of the earth by wars, and the end is not yet." (Remember, this statement was made before World Wars I and II, killed additional millions - and the Jews have the nerve to speak about a Holocaust!)

As atoms are drawn towards larger masses under the "law of Gravity," so nations drift towards the riches of the Jews. Under the same law, the motion of attracted bodies, becomes more and more accelerated and thus Jewish money power grows daily.

It is a simple fact, which cannot be disputed, that at the present, not one single financial operation of any size can be carried out, without some Jew participating and putting some of the profits into his own pockets.

In this manner, Jews have grown from the despised of society, to become its wealthiest, most influential citizens and have attained vast power along the way.

From the height of their economic pinnacle, they command the entire Babylonian Money System of finance and industry. There is not a man among us, no matter how anti-Jewish he may be, who in some way does not pay tribute to Jewish money power. You can count on your fingers, the politicians, preachers, industrialists and educators, who are not debtors to the Jews and therefore come under their power.

Jewish financial power resembles an imp which cannot be seen, but yet he has his fingers in every pocket. He is especially experienced in the art of seduction, having received his training directly from the "master seducer" of all times, who is his father (See John 8:44). He speaks to the Christian world today, saying in essence: "Worship me and I will lead you to happiness." While in reality, he is leading us to a death too horrible to contemplate!

Hand in hand with the phenomenal rise to power of Jewish financial interests, has been the rise of individual members. Those wandering Jews who used to be crafty speculators, old clothes men and peddlers, have now opened elegant offices in the halls of world industry.

At the close of the Napoleonic Wars, a Frankfort Jew by the name of Rothschild, rose to power as the visible head of Jewish supremacy. All other Jews bowed to this ruler. As the "king of world finances," he commanded the rallying masses of Jewish capital as surely as the Kaiser controlled the armies of Germany, or the Czar, the "hordes" of Russia.

It is impossible to calculate the power of this family, since they had at their beck and call, thousands of millions of dollars and Kings and Presidents cringed at their spoken word.

The head of the Rothschild clan was as much a world ruler, as any crowned head who had ever
ruled, and his subjects were the countless millions of human beings who labored incessantly to support his splendor.

In the Twentieth Century, this Jewish family was challenged by an American family named Rockefeller. These people hid their Jewishness behind the facade of Protestantism and engaged in a "life and death" financial struggle for world supremacy.

The profits acquired by the International Jewish Bankers, were also used to improve their social standing and we see them as they mingle with and are accepted by the aristocracy of Europe and America. They longed for a monopoly of the Liberal Arts and Sciences, which were at one time open only to the higher ranks of society. Knowing they could acquire this honor only by means of engaging in literature, medicine and public education, they set out to monopolize the professions of Law and Journalism.

Today, Jewish journalists form in every state, a closely connected, powerful combine, composed of the most clever and industrious minds, who are dedicated to the furtherance of International Zionism by all means, fair and foul. They have appropriated the rights of intervention in foreign affairs, to the point where the Anti-Defamation League of the B'nai B'rith (an unregistered agent of a foreign power, Israeli) to all intents and purposes, controls the American Congress. Powerful men, like former Senator J. William Fulbright of Arkansas, have tried to buck them and have learned to their sorrow, that to criticize the Jews, even truthfully, means "political suicide."

As the Jews attained social status, they invaded the Christian social world; brainwashing Christians of varying religious hues, with the false theology, that they, the one's who hated and murdered our Lord, are indeed "the Chosen People of God" and as such can do no wrong.

Blinded by Jewish cries of "brotherhood," coming from organizations formed to confuse Christians and from apostate religious groups such as the National Council of Churches; befuddled by the humane appearances of Jewish theories, our churchmen for the most part, seemed incapable of perceiving the danger which threatened the Christian world.

One look at the world of diplomacy, will show how it has been overrun by Jews. In England, Disraeli, Lord Beaconsfield, became the Prime Minister. The WESTMINSTER REVIEW of that time, quoted Daniel O'Connor as saying: "If Disraeli's genealogy could be traced, he would no doubt, be found to be the true heir-in-law of the impenitent thief on the cross."

There were others in England, Sir Nathaniel Mayer de Rothschild Bart; Josiah Wedgewood during the World War I; Theodore Herzl, the father of modern Zionism, who was a power in British politics.

Samuel Untermeyer, who arranged for the "International Boycott Conference" in Amsterdam in July 1933, stated: "...the holy war... in which we (Jews) are embarked is a war which must be waged unremittingly.. the Jews are the aristocrats of the world... this boycott must be against all German goods shipping and services.. we will drive the last nail in the German coffin.

At this time, Germany was deep in a terrible depression which had been brought about by Jewish manipulation of the "money market." In 1940, the eminent Rabbi Maurice Perlman, head of the British Section of the World Jewish Congress, told a cheering Canadian audience, as reported by the Toronto Evening Telegram, February 26, 1940: "The World Jewish Congress has been at war with Germany for seven years." This means they had set out to destroy Germany, two years before Hitler came to power. Is it any reason the German people defended themselves? It's no wonder they hated the Jews. The Jews are not the innocent, persecuted people we have been led to believe.

Dr. Donald C. Blaisdell, Professor of Government at the College of the City of New York, published an important document entitled AMERICAN POLICY FOR THE NEAR EAST, in the Jewish publication ISSUES, official organ for the American Council for Judaism, in the fall of 1959, he stated: "No minority of Irish, of German, of Polish, Italian, or Greek extraction has been able to manipulate policy to its advantage as have the Zionist leaders of the American Jews."
During World War II, the Administration of Franklin Delano Roosevelt, was literally overrun by Zionist Jews and more and more evidence is surfacing, to show that President Roosevelt, deliberately led America into that War at the behest of International Zionism.

The Hon. Mr. Henry L. Stimson, Secretary of Defense during World War II, wrote in his daily diary for November 21, 1941, two weeks before Pearl Harbor, that the President had told his Cabinet that morning in a White House meeting, that he wanted us to be at war with Japan, but that he "did not want it to appear that the United States had fired the first shot." He then went ahead and knowingly provoked Japan into the attack and then withheld information from the military commanders at Pearl Harbor, so that they were not prepared to defend the Island.

This intrigue, (TREASON would be a better word) came at the time when F.D.R. was making his famous "fireside chats" with the American people, assuring them that "Ah hate wah, and will nevah send American boys to fight on foreign soil, NEVAH! NEVAH! NEVAH!!"

After World War II, President Harry Truman carried on in the footsteps of F.D.R. and recognized an armed uprising of 800,000 armed aliens, who had been transplanted into Palestine as part of the Zionist plan. On May 15, 1948, he gave official recognition to the "Bandit State of the Israeli."

President Truman in 1948, used the power and prestige of the United States to compel the United Nations to accept this "gang of terrorists," as a "peace loving nation" - a nation which had come into being through terror, armed uprising and billions of American tax dollars. America has been in bondage to the Israeli ever since. We have poured uncounted billions of our national wealth down the "Zionist rat hole." Today, that country is carrying out a war of systematic genocide, against the Arab people.

When General Eisenhower became President, he also was faithful to the Jews who had put him into office. In 1956, he sent 14,000 American troops into Lebanon and stationed the Sixth Fleet off its coast to protect the Jews.

The pathway of political lies to the American people, continued under John Kennedy, always under guidance of the Jews who were in power. These were more interested in the welfare of the Jewish State than the safety of the United States and while we armed the Jewish State with our most sophisticated weapons, regardless of the cost to the American taxpayer, our own Armed Forces were allowed to deteriorate at an alarming pace, until we came close to becoming a "second rate" power.

In 1938, the Senior Kennedy, was America's Ambassador to England. He reported to Washington, that Neville Chamberlain had told him, that it was the Jews in the United States and Britain, who forced Britain into the Second World War. Since this information had to be suppressed at all costs, Roosevelt recalled Kennedy to silence him and this was the beginning of the liquidation of Joseph Kennedy as a politician.

This story of Jewish control in Washington continued on through the Nixon, Carter and into the present Administration of Ronald Reagan. From the Administration of F.D.R. with 52 Jews, out of a total of 72 advisors - and many of those foreign born, we have gone on to see our most conservative President of this Century, leaning on Jews and Zionist stooges, for his top-level information.

There is much confirmation, from reliable sources, which proves that all the important legislation on file since the beginning of the New Deal in 1932, has been written by Jews'. Not to mention the vast amount of similar legislation which has- been written at State level.

As far back as 1936, the Jewish newspaper, DER TAG, wrote on April 9, 1936: "The Jews of America, because of their numbers, interest and ability, constitute a great political force. They have not usurped this power; it BELONGS to them as of right! They are going to exercise it as they see fit. What are you going to do about it?"

Rather than endure the smears which would come their way through the Jew controlled media and the Zionist lobbyists, many members of Congress have been willing to sell future generations of
Americans into virtual slavery. Spineless creatures engrossed with the egotism of the importance of their positions and believing they are the all-wise mentors of the nation, they have become guilty of the grossest hypocrisy of all times, as they have deliberately evaded the one and all-important issue which is the foundation of most of our problems. As a result of failing to strike at the root of the problem, they are presiding over the destruction of their own White race, without a seeming qualm of conscience.

Many members of Congress desire this life of hypocrisy and leave this major issue to others. Thus our internal enemy has a free and open field in which he rapidly moves toward his goal of world control.

Communism - the major tentacle of the Zionist plan for world conquest, was set up by the Jews in 1917. In other places in this book, I have shown how they openly bragged about their part in this conspiracy. It was a Jewish plot to enslave "non-Jews," whom (hey call "goyim", which literally means "cattle," and rule over them. They will scream to high heaven that this accusation is "Untrue!" but the plan is there, the proof is there and it is plainly taught in their holy book, the Babylonian Talmud and in numerous Jewish writings. These will prove that the Jews, as a whole, consider the rulership of the world, theirs by virtue of their destiny as the Chosen People of God. A careful study of the Scriptures will prove otherwise, no matter how loudly your pastor proclaims to the contrary.

I should take this opportunity of explaining the meaning of several words, which I have already used numerous times. The TALMUD is a collection of Jewish civil and canonical (religious) laws. It was begun during the Babylonian captivity of the tribes of Judah and Benjamin. A new sect arose among the Hebrew worshipers, which became known as the Pharisees and which rapidly rose to become the major power in Judaism. They began a major religious work, known as the Talmud, which was not completed until some 500 years after the time of Christ. This tremendous religious work is made up of 63 volumes and is the final authority, superceding the Laws of Moses, in any matter relative to the religious conduct of Jews worldwide.

The TORAH is Jewish tradition and instructions or decisions, given by the Pharisee priests or Rabbis as a Divine revelation. It was with this group that our Lord had His most violent controversies, when He said to them: "In vain do ye worship me (God), teachings for doctrines the commandments of men," (Mark 7:7). They contain part of the first five books of the Old Testament, known as the Pentateuch. The word "Goy" refers to all "non-Jews", with the plural "goyim." As I mentioned earlier, this literally means: "animal." Let's look at some of these Talmudic teachings. I will give you the Volume and page here they can be found.

First let me tell you what some of the eminent Jewish Rabbis have said about the Talniud. Rabbi Ismael said: "The teachings of the Talmud stand above all others laws. They are more important than the laws of Moses."

Rabbi Menachem, commenting on the Fifth Book said: "The decision of the Talmud are words of the living God. Jehovah Himself asks the opinion of the earthly rabbis when there are difficulties in heaven."

Tract Mechilla: "Jehovah Himself studies the Talmud standing, He ha, much respect for that book."

KEKUT CHADASZ (171,3): "It is forbidden to disclose the secrets of the law. He who would do it would be as guilty as though he destroyed the whole world."

SANHEDRYN, (59a): "Every goy who studies the Talmud and every Jew who helps him in it, ought to die."

LIBBRE DAVID (37): "To communicate anything to a goy about our religious relations would be equal to the killing of all the Jews, for if the goyim knew what we teach about them, they would kill us openly."

SZALLOTH-UTSZABOT (17): "A Jew should and must make a false oath when the goyim asks if
our books contain anything against them."

**BABA MECIA**, (114, 6): "The Jews are human beings, but the nations of the world are not human beings but beasts."

**SIMEON HADDARSEN** (56-D): "When the Messiah comes, every Jew will have 2,000 slaves."

**MIDRASCH TALPIOTH** (p. 225-L): "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew, day and night."

**NADARINE**, (20, B): "A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."

**MAIMONIDES, JAK CHASAKA** (2:2): "A Jew may misuse a non-Jewess in her state of unbelief."

**TOSEFA. ABODAH ZARA** (8, 5): "If a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible."

**MISHNA SANHEDRYN** (57) (This is a good example of what our Lord meant when he said to the Pharisees: "Ye make the word of God of nonefrect, by your traditions.) "Thou shalt not do injury to they neighbor, but it is not said, 'Thou shalt not do injury to a goy.'"

**SCHULCHAN ARUCH**: "A Jew is permitted to rape, cheat and perjure himself; but he must take care that he is not found out, so that Israel may not suffer."

**SCHULCHAN ARUCH**: "Those who do not confess the Torah and the Prophets MUST be killed."

**SCHULCHAN ARUCH** (348): "All property of other nations belongs to the Jewish nation, which, consequently is entitled to seize it up without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to the Jews in general." (You wonder why the Israeli treat the Arabs as they do when they are taught this "mental sewage" in their synagogues?)

Do I have to go on with more, and there are thousands, to prove to you that Jews are not to be trusted? How can a Jew take an oath of loyalty to America, when he becomes naturalized, when he is allowed to lie and disregard his oath? How can a Jew legally and morally take an oath of public office, if he believes these teachings? How can a Jew be expected to act as a worthy individual in his capacity as a publisher, an editor, a correspondent, a judge, a lawyer, a banker, a statesman, or an educator?

Why is it that the Jew, who is an oriental, is given more rights than the Japanese, Chinese, or Korean among us? Sounds to me like rank discrimination Yet the Jew is supposed to be the defender of Civil rights! What a hypocrisy!

The Jewish founder of modern Communism, Karl Marx, said of his people: In vain do we look for the key to the labyrinth of the Jewish soul in his religion. On the contrary, we must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? A practical passion and greed for profit! To what can we reduce its religious worship? To extortion! Who is their real God, CASH!"

So to accomplish this plan for world takeover, Jews create wars, revolutions and depressions, as a means of seizing power during the time of chaos. In the Communist textbook **PSYCHOPOLITICS**, the plan for the takeover of the United States, written in 1933: they say . . . our chief goals are effectively carried forward. To produce a maximum chaos in the culture of the enemy is our first and most important step. Our fruits are grown in chaos, distrust, economic depression and scientific turmoil

For hundreds of years now, this has been the Jewish plan of world conquest, on instructions from their Grand Sanhedrin of Constantinople, as laid down in their VENGEANCE PROTOCOL of
1492. To do this, they have cornered the world supply of gold and have sold the non-Jewish world the fiction that gold is wealth, instead of the land and commodities. Today, the entire world bows to the Jewish idol of gold, and worships it as much as did the Babylonians during the time of Nebuchadnezzar. (See Daniel 3).

By their control of gold, they control the means of propaganda as I have proven in other parts of this book. They smear all those who refuse to "knuckle under" to their desires and shut off the truth concerning foreign news to our people.

The International Jewish Council which met at Basle, Switzerland in 1879, drew up a far-reaching plan entitled THE PROTOCOLS OF THE LEARNED ELDERS OF ZION, as a formula from which to launch their world offensive. While world Jewry proclaims these to be a forgery, we should recognize that a "forgery" is merely an "unauthorized copy of an original." The Jews have never questioned the authenticity of the original PROTOCOLS which were written in Hebrew, only the English translation which exposes their plans to the world. The important consideration is not whether this translation is a forgery or not, but the fact that they have been carrying out the details of this plot, as laid down in the English translation, to the very letter. As I write, I have before me a photograph which was taken at that Council meeting, naming each member on the Council. This photograph and text, were photocopied directly from the Universal Jewish Encyclopedia, Vol. 2, 1948 edition, page - 102.

There is much documentary proof that the Russian Revolution was planned and financed by international Jewry. Jacob Schiff, Otto Kahn and Paul War-burg, members of the Jewish firm of Kuhn, Loeb and Co., New York bankers, advanced $48-million and trained 276 Jewish revolutionaries from New York City's Lower East Side. These men were sent to Russia in 1917, to overthrow the established government and set up the present Communist regime. They passed through Germany, even though we were at war with that country at the time and received permission to do so from Paul Warburgh's brother, who was Kaiser Wilhelm's Chief of Espionage and the German Chancellor Van Bethman-Hallweg, also a Jew.

President Woodrow Wilson (Democrat), was put into office on the basis of Jewish support. $50,000 was given to his campaign fund, by the Jew Bernard Baruch, and he also had a $40,000 blackmail bill paid off by a prominent Jew. Baruch's money was given on the basis of passage of the Federal Reserve Act of 1913, which placed all United States Banking Reserves under control of the International Jewish Bankers and which was the forerunner of our present economic woes. Rothschild, Rockefeller, Kuhn, Loeb, Lehman, were just a few of the names which were involved and although the Rockefeller clan has masqueraded as Gentiles, they are of Jewish descent.

While most Americans believe the Federal Reserve Banks are government owned, they are privately owned and the geographical dispersal of the twelve, represents window dressing. All are dependent on the Federal Reserve Bank of New York City, which is under complete control of the International Jewish Bankers.

These banks collect dividends resulting from interest payments of the United States Government on its bonds sold to the Federal Reserve Banks and financed of course by deposits of Commercial Banks throughout the country, USING YOUR MONEY!

The United States Government pays interest on its own credit and the International Jewish Bankers collect it and grow rich off the sweat of the American taxpayer. In 1915 our National debt was about $303-million, by 1981, it had grown to $959-billion and in 1982, it passed the One trillion dollar mark. Add to this a State debt of $111.7 billion by the end of 1979, plus God only knows how much personal debts, and you can see the strangefold these leeches have placed on this country. They are slowly but surely bleeding America to death.

Today, in the face of almost unheard of economic woes, we see the strange sight of our Government, borrowing over $50-billion at high interest rates, so that we can give it away in Foreign Aid Programs. The major recipient of our handouts, being the Bandit State of Israeli. By the
end of 1979, they had received over $12-billion in loans, (this is only what we see on the surface) and much of this has been outright grants.

Looking at all these facts, can't you see where the money power lies? It most certainly is not in the hands of Congress, where it was meant to be. By their control of gold, the International Jewish Bankers have become richer by the hour, while Gentile America bows their back in virtual economic slavery. Today the American taxpayer is paying a higher percentage of his wages in taxes, than was paid by the mediaeval serf. This was the plan of the PROTOCOLS: "Drain the entire product of materials and labor off the land and into our coffers."

International Jewry. The only way we can be free from the plague under which they have placed us, is to remove the cause. Our battle cry must be: DOWN WITH JEWISH WORLD RULE!

We must not be led astray by our hatred of a people, although the Lord knows, we have good reaspn to hate them. But our fight must be against the anti Christ, anti-freedom policies their leaders advocate.

We know God will be with us, if we seek His face and turn from our wicked ways, for He has promised us this. (2 Chronicles 7:14) He is always on the side of righteousness and against evil.

There are solutions to this problem. But the milder solutions can only come, as the Jews are willing to lift the cloud of censorship they have placed on the Christian world and when words, backed by good intentions, take the place of the weapons they now use.

As long as Jews insist on being a Jewish entity, instead of individuals, they will force Christians, as a means of self-defense, into dealing with them as an entity alien and hostile to Christian people. If America insists on allowing dual-citizenship, instead of insisting that American loyalty be to America alone, then the Jews will continue to be not only a "thorn in the flesh," but an ever increasing danger to us.

Our Constitution guarantees "freedom of speech and press" to all U.S. citizens: but if we allow an alien minority to take this away, by imposing their own censorship, then we deserve everything we will get.

Today, as the great drama of the ages unfolds before us, we have two paths we can follow. The one which is lined with the trinkets and glamor of Jewry, the comfort of the "big brother system" which will take care of us from the cradle to the grave and the other path, which offers nothing at first, except sacrifice. But in the end, the results will be vastly different. Those who seek only personal pleasure and comforts, those who believe: "You only go around once in life; so live with gusto." These will find servitude and death at the end of the road. The other path of sacrifice will end with the fulfillment that comes from loyalty, courage, duty and honor. This is the path which leads to life.

Today, the American people are offered two opinions, shall we serve God, or shall we serve the oppressors of our people?

Today, ruling over our people, is an oppressive anti-White, anti-Christ government. Will we serve it? Our fore-fathers would not! In the Declaration of Independence, Thomas Jefferson said THAT We "are endowed by our Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights governments are instituted among men deriving their just powers from the consent of the governed, that whenever such government becomes destructive to these ends it becomes the right of the people to alter and abolish it and institute new government."

The fact that we are free gives us the right to establish and maintain a government which will enable us to enjoy the natural rights, so aptly expressed by the political philosopher, John Locke. Not only is it our right, but it is our DUTY! Jefferson said: "When a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, nay IT IS THEIR DUTY, to throw off such a government, and to provide new guards for their future security."
Our first allegiance is to the "God of our fathers." His Law and our alienable rights under that law, is what make us free men and women. Our allegiance cannot be now, or ever, to an alien, heathen philosophy, which will eventually enslave us.

In 1 Kings 18:21, the Prophet Elijah asked our forefathers: "How long halt ye between two opinions? If the Lord be God, follow Him; but if Baal, then follow him..." Five hundred years earlier, Joshua had asked our people: "If it seem evil unto you to serve the Lord, choose ye this day whom ye will serve... but as for me and my house, we will serve the Lord."

This is the decision White Christian America must make today. Will we serve Jehovah, the God of our forefathers and His Son our Lord Jesus Christ and be free? or will we serve the god of the Talmudic Jews and become slaves? Our whole future depends on how we answer this question.

For too long, we have served the law of Baal, which is in the process of producing a raceless, soulless humanity, which is not free, but the slave of the Jewish system of control - control over our income, our marriage, our entertainment, our sex life, our education, our body, our religion and our politics. I say the time has come when this MUST be stopped. But it will only come when Christian men and women know the truth, recognize it for the truth and operate on the basis of that truth. It cannot come, as long as our churches are under the bondage of Judaism.

The time is late, the situation often seems to be hopeless. But so was the situation in 1775, when Patrick Henry, speaking before the Virginia Convention and attempting to rally his fellow Americans to the cause of freedom shouted: "They tell us sir, that we are weak, unable to cope with so formidable an adversary. But when shall we be stronger? Will it be next week, or next year? Will it be when we are totally disarmed, and a British guard shall be stationed in every house?" This is what the Jews seek in America. This is why they are behind every move to disarm patriots. How long, Christian America will ye halt between two opinions?

Today, our people are asleep. We are in a dream world, where we imagine we are someone else. But God knows who we are! He knows we are His people, even if the preachers don't! He knows who the Jews are too, and He said in Revelation 2:9 - "...I know the blasphemy of them which say they are Jews, and are not, but are of the synagogue of Satan." He will take care of these blasphemers in His own good time, as He stated in Luke 19:27. Christians, will you believe then, when you see the destruction of God's enemies? Will you be willing to accept the truth then?

We know this will happen, because God has said it would. When, we do not know. Are you willing to have your family live under the rulership of International Jewry in the interim period? In the face of our loss of freedom, what will your answer be?

The day of decision is here. Satan's Kids must go! One way or the other; of their own free will, or through force if necessary. In the light of Jewish crimes against humanity in general and America in particular we must take stern measures. Whether you want to accept it or not, we are in the most desperate danger of our short existence as a free nation. Soon this war is going to end in glorious victory for God's true Israel. Are you going to be in on the winning side? or will you be one of the rebels who will be weeded out of the kingdom?

**CHOOSE YE THIS DAY WHOM YE WILL SERVE!**

The End
Satan's Weapon of Fear!

"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."
(2 Timothy 1:7)

In Isaiah 43:12, we read these comforting words, spoken by God to His people Israel: "Fear not; for I have redeemed thee. I have called thee by name (Christian, see Hosea 1:9) THOU ART MINE!" The Hosea passage says in part. "... and it shall come to pass, that in the place where it is said unto them (Israel), ye are not my people (the Jews and judeo-Christians world calls us gentiles), there it shall be said unto them, ye are the sons of the Living God (Christians)."

What glorious promises these are, yet in spite of this, one of the most important lessons we face in the White Nations of Christendom the "true Israel people", is that of FEAR. Today, faced by the chaotic conditions in the world, and a seemingly useless fight against evil, we have developed a paranoia of fear. Luke 21:25 says that as men see "signs in the sun, moon, and stars, with perplexity; (meaning no way out) the sea roaring; (even Mother Nature in an uproar) verse 26: Men's hearts failing them for fear, and looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

Today, suicide, often brought about by fear is one of the leading causes of death in America. The psychologists and psychiatrists, who are supposed to tell us what is wrong, are killing themselves off four times faster than the rest of us "nuts". Why? They too are afraid and don't have the answers for their fear!
A hot argument is inflicting Identity Christianity today. It concerns the proper translation of Genesis 3:15, and gathers around a heathen philosophy which states that mother Eve was seduced by Satan himself, in the Garden of Eden and that the Jewish race came from this seduction and that this was what Jesus was speaking about, when He told the Pharisees in John 8:44: "Ye are of your father the devil."

This booklet will be more or less a review of a book titled THE SEED OF THE SERPENT, written by James E. Wise. I picked this book, because it was short, yet expresses the main ideas of those within IDENTITY who are called SEEDLINERS. It is not my purpose to poke fun at, or in any way show disrespect for those brethren who believe this heathen error. My purpose is to show you what the Scriptures say, then let you use the God given intelligence you have, to see and understand the truth.

Error is always bad, but error involving the teaching of God's Word, can be fatal. For once error creeps in any way, it is an opening the enemy has, which will lead to its complete destruction. The key to SEEDLINE doctrine is found in Gen. 3:15, where God speaking to mother Eve and the "serpent" in the Garden, after the "fall," says: "And I (God) will put enmity between thee (serpent) and the woman (Eve), and between thy seed, and her seed; it (woman's seed) shall bruise thy (the serpent's) head, and thou (the serpent) shall bruise his heel." The main argument of the SEEDLINERS in this verse is that God is speaking to Satan, the fallen angel, who has just finished with his sexual seduction of mother Eve. But unfortunately, for their explanation, there is no indication that God is speaking to Satan. The Bible clearly says (Gen. 3:14) - "The Lord God said to the serpent (small "s") . . . because thou hast done this (whatever the act might have been), thou are cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life." No indication here of some super-natural beings, since the Word says God addressed the serpent as He would have addressed one of the cattle of the field. The word "serpent" as used here and throughout this chapter is #5175 in Strong's Concordance - "nachash," which simply means a "snake from its hiss." If the word had been capitalized, it might have had reference to a non-Adamic person, but by no stretch of the most vivid imagination can it refer to Satan.

Let's look at a few more "key" words in this verse: ENMITY - #996 - Heb. "biyn" meaning: "between; among; within. In actuality it has seven different meanings, only the three mentioned above can fit into this setting."

SEED - #2233 - "zera" meaning: "fruit; plant; sowing time; posterity; carnally, child; fruitful; seed-time; sowing time". It can very easily refer to children or posterity. The same word is used for the "seed of the serpent," as for the "seed of the woman."

But we find no indication here of who the "seed of the serpent" might be, racially speaking, if it is speaking of race here, which I doubt.

Just as no one today can say with certainty: "I am of the seed of Abraham," since there are no records to prove it, so no one can say with certainty that the "seed of the serpent must be the Jew, or Canaanite, of Khazar, or Edomite."

When author Wise states that Gen. 3:15 states that God is declaring that the devil would have literal seed, just as Eve, he is "assuming" since this is not what this verse says at all.

It is impossible for our finite minds to reason this out, for we have no basis for this kind of
reasoning. Because Eve was to have literal seed, culminating in the "seed Christ Jesus," does not mean that Satan also would have literal seed, culminating in a people we call Jews. There is no verification here, except a twisting of the Scriptures to make them say what the SEEDLINERS want to hear.

Mr. Wise goes on to state that if we study the first six verses of Genesis three, we will be able to "know" the act committed by our first parents, which caused the world to turn from the perfection of Gen. 1:31, to the corruption of Gen. 6:5, 12.

The alienation between God and His formed creatures Adam and Eve, came through disobedience, not through a sexual union with a super-angel.

While Eve had been warned by God not to eat of the "tree of knowledge of good and evil," He has said nothing to her, which is recorded, about "touching it." (See Gen. 3:17). Eve was the one who added the "touching business," when she talked with the serpent. Like so many of our people, she thought she had to add to the Word.

The author then goes on to "surmise", since he has no Scriptural proof, that the "trees", in the Garden were not made up of "sap, bark, and foliage." In other words, these trees were not really trees, since trees cannot "discern between good and evil." Yet nothing written in this Scripture indicates that these "trees", whatever they may have been, were supposed to do any discerning. The word TREE as used in this passage comes from the Hebrew word "'ets", #6095 and means. "a tree for its firmness; hence wood; gallows; helve; stock; timber; tree; wood." Absolutely no indication here that it refers to a "person," or "being" of any kind, such as a "serpent," or "Satan." He goes on to compound his strange explanation by stating that these "trees" were endowed with the gift of speech. Show me anywhere where the Scriptures so states.

Now I'll freely admit that Eve's adversary, called a "serpent" had the power of speech, since the Word says so. Whether he was an actual snake, or a member of one of the Pre-ADAMIC races, I do not know, since we are not told.

Wise then mentions that the Apostle Paul uses "races" and "trees" synonymously when he speaks about the Gentiles in Romans 11:27, as being a "wild olive tree." Here the word for tree is #65, in Greek, "Agrillaious," meaning; strangely~enough "a wild olive tree." In vs. 24, the "olive tree" becomes #3586 -"Xulon," meaning, 'timber, (as a fuel or material); by implication a stick; club; tree; or other wooden article.)

In Gal. 3:13 where Paul says: "Curseth is everyone who hangeth on a tree," he is quoting from the Old Testament and the word is #3586, "xulon". But in James 3:12, where the Apostle asks the question: "Can the fig tree bear olive berries?" the word for TREE is #4808 - "suke" which means plainly a "fig tree." You see, the word TREE, has three different meanings in the Old Testament and five in the New, yet in none of these instances does it refer to "races of people."

In Ezekiel 31:3, where the Assyrians were described as a "cedar in Lebanon," it was not a racial connotation, but simply a "figure of speech," explaining the greatness of Assyria.

In Jer. 11:19, these words were not written about Jesus, as Wise avers, but about Jeremiah, see vs. 21 for explanation. Here the TREE is #6086, - "'ets" meaning simply a tree. Here again it is used as a figure of speech.

In Matt. 3:10 and Luke 3:9, where reference is made: "And now also the axe is laid to the root," (#4491 - "rhiza" meaning "a root") of the trees . . . " The word for TREES is #1186, "dedron" meaning: "an oak: a tree). Again, it is merely a figure of speech, having nothing whatsoever to do with race of any kind. Yet the author clearly implies, without any Scriptural backing whatsoever, that John the Baptist meant that now Jesus, the Messiah, had come and all "races" would be brought before Him for judgment.

What these verses actually say (9-11) is that having Abraham as your father is not "all that counts," but that men, not "races" will be judged, not by who their father was, but by their works.
Wise then goes on to make some very positive statements, which I do not believe he can back with Scripture. At least he doesn't do it here. He says: "Therefore (because of the explanations he has given), that which was spoken of or called the "tree of the knowledge of good and evil," was the devil. In other places he is called the devil, Belial, etc." But there is no Scripture which will back up his contention, no matter how much you want to believe there is. The idea that Satan or the devil was the seducer of Eve in the Garden, may fit in with your theological concept, but it's not what the Word says.

The author then mentions other trees in the garden when he says: "In Gen. 2:9, God first mentions the stationary trees, pecan, peach, apricot, etc." For the life of me, I can't find any of these trees listed anywhere in the Bible. The apple tree is listed, but no pecan, apricot or peach. If he's imagining these trees in the Garden, maybe he imagining when he says Satan was there too. If a man will add words which aren't there, in order to "sell his point," he's not to be trusted in his explanation. This man is "intellectually dishonest," and is willing to twist Scripture to make it say what he wants it to.

He then goes on to the "tree of life." He indicates that these "trees" were personalities of some kind or other, although the Bible says they were trees and in the original language that is what they were. No chance to make them anything other than trees.

He compounds his fantasy by saying that these two trees "vied for Adam and Eve's affection." Where he got this fantastic idea from I don't know, I just know it isn't in the Book. He keeps on "supposing" as he develops his "fairy story." "Eve looked from one tree to another," he said, "she was captivated by the exquisite beauty of the TREE OF KNOWLEDGE OF GOOD AND EVIL, but when she looked at the TREE OF LIFE, she saw the Messiah who was prophesied of in Isaiah 53:2 - 'He had no form or comeliness, and when we shall see Him, there is no beauty that we shall desire Him.'"

He then furthers this "pipe dream" by stating that the TREE OF THE KNOWLEDGE OF GOOD AND EVIL, (Satan, of course) had been in Eden since the beginning and quotes Ezekiel 28:12-15 to prove this.

But, lo and behold, when we read this passage of Scripture in an honest manner, we find out that it refers to the King of Tyrus, and yes, I know all about those Bible scholars who say it also refers to Satan. (But it doesn't say that does it? It infers that it might be someone different than the King, but nowhere does it say this).

There are some difficult things to equate with the king of Tyrus, because it appears that this "man" or "being", whatever he may have been, and he was a "male" from the wording of the passage, was a super natural being of some sort or other, although he is not called Satan, nor is it hinted that he might be Satan. We have to allow our imaginations to run amok, to come up with this idea. It appears that this "being" was in God's abode and was very powerful there, until the day when he revolted against God and was cast down to the ground (vs. 17). Remember how Jesus said in Luke10:18 - "I beheld Satan as lightning fall from heaven?"

So author Wise, taking a little bit of Scripture here, and a little bit there, assumes that since Scripture doesn't indicate it, we must assume that when Eve looked at the two TREES in the Garden, she was looking at SATAN and CHRIST and that CHRIST was the TREE OF LIFE.

Now I have no argument about CHRIST being the TREE OF LIFE, since He is the only one who can give life to a spiritually dead human. But to say that Eve looked on Him and saw no beauty, (and by the way the description of Christ given in Isaiah refers to His trial and crucifixion and had nothing to do with Him before,) that she saw no beauty in Christ. But when she looked at the "serpent," Satan of course, she was captivated with his beauty and succumbed to temptation and had a sexual affair with him.

Now this is pretty far fetched, I think, for it is the same teaching you find in the BABYLONIAN
TALMUD, and in most heathen "phallic religions" of the Far East. Wise implies that the FRUIT of the trees of knowledge of good and evil, was sexual union, even though the Hebrew word for "fruit," as it is used here (6529), means: "Bough; fruitful; reward." There is hardly any room here for any sexual interpretation of the word, unless your mind is sexually oriented. Then I guess you can see sex in anything. Certainly the SEEDLINERS SEE SEX IN THIS PASSAGE. Shows you where their mind is, doesn't it?

Wise then indicates that up to this point, only Eve had partaken of the "forbidden fruit," which he has not as yet Scripturally defined. Then he says, shortly thereafter, no time, whether minutes, hours, or the next day, he doesn't say, because he has no indication of this time from any Scriptural source, Eve gave of the fruit, (whatever it may have been) to Adam, and he did "eat." Now the Hebrew word for "eat", as used throughout this chapter is #398, "akal" meaning. to eat; burn up; consume; devour; dine; feed with; food." There is absolutely no indication that this simple act was a sexual act, it was merely partaking of food of some sort.

Wise implies that it was the "sinful, sexual act," that changed Adam and Eve from "sinless purity to being shamed of their nakedness." From every study of Scripture I can find, it was their "disobedience" of God's command that caused them to be ashamed and fearful.

When they discovered they were naked, (which is an act God deplores, see Ex. 32:25; 2 Chron. 28:19), they made aprons for themselves from fig leaves to cover their sexual parts. To Wise, this implies guiltiness in a sexual act, the Bible says: "as a man thinketh in his heart, so is he." It seems to be that this author is over-obsessed with sex.

Then he makes another positive statement which he cannot back with Scripture, when he says: "... a careful study of the Scriptures will definitely prove that the sin committed by our first parents was a sexual sin and that Eve was a 'fallen woman,' after she partook of the forbidden fruit." This statement is simply untrue, for Scriptures shows no such thing.

If Eve was a "fallen woman," as Wise avers, then she could not have been the pure ancestor of our Lord Jesus Christ.

God had told His creation to be "fruitful and multiply, and replenish the earth." (Gen. 1:28) This could not have been accomplished without "sexual union." It certainly wasn't the case when it came to the birds and animals. Babies were not found under cabbage leaves by these first people, the pre-ADAMIC ONES. I personally believe that if God had considered the act of "sex" as a sin, he would have warned Adam and Eve against that "beautiful being" who Wise says was in the garden, who might sexually seduce Eve." What a bunch of absolute nonsense this sexual bit is! This is not the manner in which our God works. It may fit in with the God of the Jewish Talmudic religion, or the heathen Babylonian religion from which the Masons and the Seedliners get their facts, but it doesn't fit in with the manner in which the God of the Bible operates.

Wise then goes on to compound his error by stating that the sorrow Eve would have in child birth, was due to the "sexual nature of her sin." Again, I say, absolute hogwash!

If Eve was punished for a "sexual act," why wasn't Adam punished sexually also? Adam was the one who was really at fault, or so the Scriptures indicate. We are told in 1 Timothy 2:14 that Eve was "deceived". The Greek word used here for the English "deceived," is "apato," (538) which simply means: "to cheat; delude; deceive." This Scripture clearly states that "Adam was not deceived, but the woman (Eve) being deceived was in the transgression." In 2 Cor. 11:3, the same Scripture writer indicates that Eve was beguiled in her mind, not through her sexual parts. In other words, Adam knew what he was doing when he sinned, but Eve was deceived (fooled). Adam knew he was disobeying God when he partook of the forbidden fruit, so if his was also a sexual sin, then why wasn't he punished sexually? You may say that he didn't know what Eve had done? The Bible certainly doesn't indicate this. It pretty clearly shows that he was with Eve when this incident took place. Wise is "way out in left field," when he states that God's words to Eve: "Thy desire shall be to thy husband, and he shall rule over thee," (vs. 16) indicates that Eve's desire had been towards
someone else. Again, there would be a stronger word than "hogwash" used here to indicate the absolute ridiculousness of this statement!

He then "supposes" some more when he states that Eve's sin was in cohabiting with Satan and not her husband. Once he starts "supposing," he never stops. Scripture be damned!

When the Apostle Paul admonished the church at Corinth not to be a partaker of Eve's sin, he said: "For I fear, lest by any means, as the serpent (if it was Satan, why didn't Paul say so, he was usually pretty outspoken when it came to naming the adversary), beguiled (#1185 - 'deleazo' meaning: "to entrap; allure; beguile; entice," (nothing of a sexual nature here) Eve through his subtlety (#3834 - 'ponourgos' meaning: 'shrewdness; craftiness;') should be corrupted from the simplicity that was in Christ."

Paul was not warning the Christian women at Corinth to avoid sexual contact with Satan, or a snake. He was merely using this as an illustration to tell them not to be led astray by clever fakirs who would come preaching another, false Jesus.

In no way does Gen. 3:16 indicate that God is telling Eve that two seeds, one of Satan, and the other of Adam, are in her womb and that they will be the bitterest of enemies. He is telling Eve in essence, "You sinned by disobeying me (1 John 3:4) and this is the penalty you must pay." He had already pronounced the death penalty on them when He said: "If ye eat thereof (not have sexual union, but eat) you will surely die." Doesn't it seem strange to you, that our God, who is not a God of confusion, would so confuse this issue that he would not have clearly named Satan, if this had actually been a sexual sin between Satan and Eve?

If you will check throughout Scripture, you will find that our God always warns men and women of the dangers of sin. It doesn't make any sense to me, that He would have allowed Satan, a so-called "fallen angel," to invade His garden and violate His perfect creation, without first having given Adam and Eve warning about it. There is no Scriptural evidence that either Adam or Eve were ever warned about a "sexual encounter with the Talmudic Satan." This idea comes straight to Christianity from the halls of ancient Babylon and the Jewish Talmud. It doesn't come through the Christian Bible, no matter what translation you use.

Genesis 4:1, is very clear: In simple words it states that Adam had sexual relations with Eve and that a son named Cain was born, then later, Able. We have reason to believe they were twins. But Wise states, again without any Scriptural backing, when Eve stated: "I have gotten a man from the Lord," she thought Cain was her firstborn and she thought he was the promised seed, she later acknowledges that Abel, not Cain, was the promised seed. Therefore, if Able was her promised seed, then Cain would have to be the seed or progeny of the serpent."

There is absolutely no Scriptural evidence which indicates that Eve thought that Able was the "promised seed." Verse 25, which Wise quotes as confirmation of this statement merely says that w! 1en Eve had Seth, she said: "God has appointed me another seed instead of Able, whom Cain slew." She is merely stating that God gave her a son to replace the one who had been killed. Nothing is said here about "promised seed."

1 John 3:12 does not "plainly denote that Cain was the offspring or progeny of the wicked one." The word "of" does not necessarily mean "progeny." The Bible dictionary says the word Cain means "acquisition," which means: "the act of having as one's own; to get or gain through one's efforts." "Seth: means to "compensate: a sprout," it has nothing whatsoever to do with being a substitute as Wise avers. I wonder where this man got his information or if he just dreamed it up, the latter seems the more possible.

The SEEDLINERS love Gen. 4:1, they say that Eve was fooled into believing that she had had sexual relations with God Himself. My reaction is that she was saying what any Christian woman might, when her firstborn son arrived: "God gave me a son!" But no, they say Eve was fooled into thinking that Cain was God's son. She didn't realize she had been had by Satan.
But let's analyze Gen. 4:1, very carefully and see what it really says, not what some man thinks it
says. Read it for yourself, it is very clear. I can find no hint in this chapter, that Even thought Able
was the "promised seed." How could he have been when he was killed. Do you mean that God
would have given a "promised seed" to Eve, only to have him murdered? It doesn't make much
sense, does it? The promised seed was "Seth," who God gave to her to take the place of Able. It
becomes a gross assumption on the part of the author, when he states: "because of this, Cain could
only have been the progeny of the serpent." When we quote the 1 John 3:12 verse about Cain being
of that "wicked one," we must see vs. 12 in its context, it cannot be lifted out of its proper setting
just to prove a point that someone wants to make. In verse 8 of this chapter we are told that: "He
that committeth sin (transgressteth also the law, 1 John 3:4) is of the devil: for the devil sinneth from
the beginning. (I believe that the Apostle John is referring here to Satan's revolt against God, which
is referred to in Ezekiel 28:15-19. It makes no hint of anything which happened in the Garden of
Eden, since this was not "the beginning.") For this purpose the Son of God was manifested (5319
meaning to "render apparent; to declare; make manifest; shew oneself"). That He might destroy the
works of the devil. Whosoever is born of God ("spiritual rebirth" - "born from above" John 3:3)
doth not commit sin (violate God's law); for his seed (#4690, meaning: "something sown; by
implication offspring; issue) remaineth in him; and he cannot sin, because he is born of God."

John then goes on to explain this in the verses that follow: "In this the children of God are manifest
(he is not referring here to the white Israelite seed of Abraham, but to all those who have been "born
from above") and the children of the devil." NOTICE VERY CAREFULLY NOW! "Whosoever
DOETH NOT RIGHTEOUSNESS (follow God's law) IS NOT OF GOD, neither is he that
loveth not his brother. For this is the message that we (disciples of Jesus) heard from the beginning
(of Christ's earthly ministry), that we should love one another." He then goes on to explain that these actions must not be like those of Cain, who was of that wicked one and slew his brother, and wherefore slew he him? Because his (Cain's) own works were evil,
and his brother's (Abel's) righteous." It had nothing whatsoever to do with who was their physical
father. This is confirmed in Gen. 4:7, where God told Cain that if he obeyed God's law, he would do
well and be accepted, but if he did not do well (refused to obey God's law), then "sin lieth at the
door." A rebellious Israelite who refused to obey God's law, is just as much a "child of Satan," as is
the Jew, or the heathen. This relationship has nothing to do with our first parents and any of their
acts, other than that we today have a "sin nature," every one of us, because our first parents
"disobeyed God's law."

John was confirming that we could tell who were the children of Satan, by their actions towards
their Christian brothers. He was not speaking of the "brotherhood of all men, under the fatherhood
of God," which is a Talmudic concept, but of the "brotherhood" shared by those who had accepted
Jesus Christ and thus can call God "Father". (See 1 John 2:22, 23).

Some argument is used because Cain is not found in Adam's lineage. Neither is Able. But this is not
due to the fact that he was not a son of Adam, but because of his sin, not only of murdering his--
brother, but then of intermarrying with others not of the ADAMIC LINE (Gen. 4:16, 17). This cut
him off from his heritage. The first child of Adam and Eve, mentioned in any Bible genealogy of
Adam, always starts with Seth.

We can reasonably assume that Cain and Able were twins and that they reached manhood together.
In verses 3, 4 we find where these two boys brought their offerings to God at the same time.

Anyone who knows about twin births knows there is only one conception and that the babies,
although they may be born hours apart, are still considered to be twins. There have been a few, very
isolated cases, where two different men have impregnated the same woman, within a short period,
and the children born to her had the characteristics of their fathers. But there is certainly no
Scriptural evidence, even by a stretch of the most vivid imagination that this happened here. Even if
it could be proven that the "serpent" was one of the pre-Adamic races, the case would be stronger
than to believe Eve was impregnated by a "super-spiritual" being. This smacks of oriental sorcery.
We could almost be sacrilegious by comparing this birth to that of our Savior, who was "conceived by the Holy Spirit," according to Matthew 1:20 and Luke 1:35. Yet no SEEDLINER, that I know of would assume to believe that the Holy Spirit, which is a spiritual being like Satan, had physical intercourse with the Virgin Mary. But this in essence is what they believe in the case of Eve and it is just as ridiculous.

Author Wise then jumps to another part of the Bible in his vain attempt to prove the SEEDLINE theory. He thees the Parable of the Tares as an example and explains that this Parable shows God sowing the "good seed," since it says in Luke 3:38 that Adam was a son of God, and that Eve was taken from his body.

Then along comes this nasty serpent, that arch spiritual being we call Satan, who sowed some seed of his own. He did his sowing in the body of mother Eve and Cain was the result. The time of the "fruit," was when the two boys, Cain and Able, reached maturity and brought their offsprings to God.

But the Bible clearly tells us that Cain's offspring was refused because "sin lieth at the door." It wasn't refused because Satan was his father. There is no such implication. Cain had deliberately broken God's law and this was the reason his sacrifice was not approved. Preachers have speculated that the reason it was not accepted was that it was not a blood offering, but there is no proof of this. The Bible simply says: "sin lay at the door of Cain's heart." It had nothing to do with the fact that Cain's offering were of the "first fruits of the ground," instead of an animal sacrifice.

Then Wise goes a step further and says that in order for us to understand the Parable of the Wheat and Tares, it is necessary for us to go back to the beginning in the Garden of Eden, since this passage is an almost perfect repetition of what is written in the first four chapters of Genesis. Maybe if you have a vivid imagination, such as author Wise evidently has.

Apparently the disciples were intrigued by this parable, but could not understand its meaning. So Jesus explained it to them and told them that the "tares," (#2215 - "zizanion," a false grain called "darnel," which looks like wheat), were the "children of the wicked one." The word "children" in Greek is (#5207 - "huioa" and means "immediate, remote or figurative kinship." So if the word civenefer to "figurative kinship," why are the SEEDLINERS so adamant in stating it means "literal kinship?" Wise says this Parable agrees perfectly with I John A:8, but in this passage, the words refer to "all unsaved men and women," who are figuratively children of Satan. They retain this position, even if they are Israelite descendants of Abraham, until such time as they are saved from the "power of evil," through the "new birth." Remember that Christ came to destroy the "works of the devil" (evil).

Most Bible students will tell you that Cain's progeny was destroyed in the deluge (great flood). But this Parable has nothing to do with the "beginning," it was for the "end of this present age." The "tares", those who disobey God's law and refuse to be reconciled to Him, will be gathered at this time by the reapers, who will be "angels," not "white Israelites, bent on vengeance." Wise carefully leaves out the part where Jesus warns His followers to leave these "children of the devil alone," "... lest while ye gather up the tares, ye root up also the wheat with them." That's something for our IDENTITY folks to ponder on, especially those who want to go out and slaughter all who believe differently than they.

This is one of the biggest problems with the SEEDLINE people. They are more concerned with "pulling up the tares," whom they say are the Jewish people, then in getting their own house in order and their own Israelite people in a right relationship with God, so that He can do the "rooting out work." As a result, we find the SEEDLINERS doing exactly what Jesus warned them not to do, "rooting up the wheat along with the tares."

In no way does this Parable point to specific people by race, who are literal descendants of Satan, coming from his union with Mother Eve.
I can assure you from the Word of God, that when the "rooting up" process takes place, there are going to be "white Israelites" among the "tares," who will be rooted up along with God'~ other enemies. (Read and study Ezekiel chapter 20).

On page 7 of Wise's narrative, we get down to the "nitty-gritty" of the SEEDLINE belief. Wise says we have seen an abundance of evidence which proves that Satan has literal, physical seed and that they are in constant friction with the Adamic race; that they are abusive to the rights, laws, and privileges of others; that they would be unassimilated anywhere they went, a nation within a nation."

It is quite obvious that he is referring to the Jewish people. Now it is true that the Apostle Paul accused them of killing their own prophets and of persecuting Christians, and that "they please not God, but are contrary to all men." But it should be quite obvious, to anyone with a small amount of common sense, that most of the Jewish people cannot be traced back to the time of Jesus, to say anything about the Garden of Eden. We know from the Scriptural account that many were converted to Judaism at the time of Esther, (Esther 8:17), about 510 B.C. We need to realize that the Persian Empire at this time covered most of the known world and that men and women of many nations and colors, became Jews.

Later in the 8th Century A.D. the Khazar people of Southeast Rushe were converted to Judaism and today the Ashkenazi (Khazar) Jews, make up almost 90% of the Jewish people. How did Cain get from the Land of Nod, all the way up to Russia, to become the forefather of the Ashkenazi? How can we trace them back to the Garden of Eden and an illicit affair between a "super-angel" and an Adamic woman? What about Jews such as Sammy Davis, Jr., and Liz Taylor and the several thousand professing Christians who are converted to Judaism every year, can they be traced back to this sexual mess in Eden? I sincerely doubt it!

We know what Jesus thought about these converts to Judaism for He told the Jewish scribes in Matt. 23:15 - "... ye compass (go over) sea and land to make one proselyte (convert) and when he is made, ye make him two-fold more a child of hell than yourselves." Here again, the word "child" can refer to "figurative kinship." Certainly we cannot say with any degree of accuracy, that these Jewish proselytes can trace their ancestry back to Esau-Edom, and certainly not to the Garden of Eden.

In 1 John 2:22, 23, we have a very clear "word picture" of an anti-Christ. But because it fits the Jewish people to a "T", doesn't make them of the Seedline of Satan, since there are many from the Adamic SEEDLINE, who also fit these anti-Christ characteristics. I can point to quite a few within the IDENTITY MOVEMENT, who can't carry on a conversation without cursing or using foul language; some of them drink to excess; some of them follow the custom of "multiple marriages," using the example of Abraham as an excuse for their sexual excesses (men such as Jim Ellison of the C.S.A.) Some can't sit through an hour's Gospel message without going outside to contaminate their lungs with cigarette smoke. Does this mean that these un-Godly "white people," can be traced back to Satan and Mother Eve, because their deeds are evil? I think not!

In 1 John 3:10 does not confirm the existence of two "Physical seeds" when it says: "In this the children of God are manifest, and the children of the devil." Those of us who are "children of God," were not born of some physical union between God and an Adamic woman, namely Eve - any more than the children of Satan were born of a sexual act between Satan and Eve. If the word "of" refers to a physical thing for the devil, then it must of necessity mean a physical thing for God and I don't know any SEEDLINER who would be blasphemous enough to accuse God of having a sexual affair with Eve which resulted in the birth of Able or even Seth.
But now we come to the interesting part, where this SEEDLINE "guru," (spiritual teacher advisor) is going to prove to us that the people we now know as Jews are of the physical progeny of Satan.

He takes us back, of course, to that controversial eighth chapter of John's Gospel, the one the Jews want taken out of the New Testament. In vs. 23 we find Jesus speaking to the Jewish leaders: "Ye are from beneath; I am from above." Is Jesus speaking here of their physical origin? Look and see for yourself! We can see that Jesus is speaking here in a "figurative" sense, if we will compare this verse with His words to the Jewish leaders in Matt. 15:13. Here He says: "Every plant (#5451 - meaning: "a shrub or vegetable"), which my Heavenly Father hath not planted (#5452 meaning "to set out in the earth"), shall be rooted up (#1610 -"uprooted").

The simple meaning of these words is quite obvious. Unless God "plants" or "instills" doctrine, it will come to nought and will be destroyed. It has nothing to do with the physical origin of any person or group of persons, much less tracing them back to a Satanic ancestor.

Jesus was telling the Pharisees: "You worship me (God) in vain (see vs. 9), because you have taught your doctrine's in the place of God's; therefore God will root out these false doctrines and destroy them." It's as simple as that!

Wise says that the word "beneath" is synonymous with "hell." It actually has three different meanings. In the Old Testament we see where "Deborah, Rebekah's nurse was buried beneath Bethel under an oak . . ." (Gen. 35:8) Here the Hebrew word for BENEATH is (8478, "tachath" which means: "bottom, below; underneath, etc.) In Deut. 28:13 we have a different meaning: " . . . thou (Israel) shalt be above only, and thou shalt not be BENEATH . . ." Here the Hebrew word is (4295 - "mattach" meaning: "downward; below; beneath; very low; underneath).

Then there are three references to this word in the New Testament. The one quoted from John 8:23, also Mark 14:66 - "And Peter was beneath in the palace . . ." (Here the word BENEATH in Greek is 2736 -"katatero" meaning: "downwards; beneath; bottom; down; under). The same meaning for the word is found in Acts 2:19 - "And I will show wonders in the heavens above, and signs in the earth BENEATH . . ." At no place in either the Old or New Testament is the word BENEATH synonymous with "hell." Now if Wise deliberately misleads his readers in this place, how can we trust his exegesis in other areas? In the Isa. 14:9 verse he quotes: "Hell from BENEATH is moved for thee to meet thee at thy coming . . ." The word BENEATH is again (8478) which has nothing to do with "hell" itself.

It is true that Jesus could just as well have said: "You are from hell! I am from heaven!" But He did not! He did call them "children of hell," in Matt. 23:15, but the same term is used as descriptive of anyone who is in rebellion against God, even rebellious Israelites. (See 1 John 2:4; 3:8).

Jesus "figuratively" called the disciple Peter a "child of hell" when He rebuked him in Matt. 16:23 by saying: " . . . Get thee behind me, Satan, thou art an offense unto me . . . In vs. 31, Wise goes on to quote how the Jews "that believed on Him (Jesus)," claimed to be descendants of Abraham and that Jesus admitted this claim in vs. 37, where He said: "I know ye are Abraham's seed . . ." But these Jews were not claiming to be Israelis, as Wise avers, but were admitting that they were the "seed of Abraham" through Esau-Edom. (The Jewish Encyclopedia admits that Edom is in Jewry). Verse 33 confirms that they were offspring of Esau, for if they would have been Israelis, they would have been in bondage both in Egypt and later in Assyria.

Again, when Jesus spoke to these Edomites in Matt. 23:32 and referred to them as "serpents and a generation of vipers," He was using a "figure of speech." He could have done the same against many in Israel. It would be like us calling a wicked man "a dirty rat." We know he isn't really a "rat," yet we use this term in a "figurative" sense, just as Jesus did.

If Jesus were to look at men such as Ben Klassen and His Church of Creativity, he could use the same terms as He did against the Edomite Pharisees, yet that would not mean that Klassen's physical ancestor was Satan.
Wicked men, whether Jew or Israelite, or heathen, are "children of that wicked one," in a figurative sense. I'm sure most of you realize this, even those who believe SEEDLINE.

Here again we see Wise as he does some more "supposing", when he states that the word GENERATION could be translated as RACE.

If you will check your Strong's Concordance, you will find the word Generation has five different meanings. In the Old Testament we find the Hebrew word ("daur" - 1755, which means: "an age; a dwelling; posterity"). It is used thusly in Gen. 7:1 - "And the Lord said unto Noah, come thou and all thy house into the ark; for thee have I seen righteous before me in this GENERATION.

(Nothing here to do with RACE!)

We find a second meaning to the word in Dan. 4:3 - where the word is (#1859 "dar" meaning: "generation.")

In the New Testament, three Greek words are used for GENERATION. In Matt. 1:1 - "The Book of the GENERATION of Jesus Christ . . ." Here the word is "genesis, (#1078) which means: "nativity; figurative, nature; generation"). In Matt. 3:7 we read: ". . .0 GENERATION of vipers, who hath warned thee to flee from the wrath to come?" (Here the Greek word is "gennema: - #1081, meaning: "offspring; produce; fruit; generation.")

Finally in Matt. 12:41 we read: "The men of Ninevah shall rise up in judgment with this GENERATION, and shall condemn it". (Here the word is "genea," - #1974, meaning: "a generation; anage; nation; time").

This is the only occasion in the entire Bible where the word GENERATION could mean RACE, but we see from the context that this is not what it means here. Once again, Wise has borne "false witness" to what a word means.

At the bottom of p.8, he makes a true statement, when he says: "In many instances the Children of Israel married or had children by Canaanitish women. Judah, one of the sons of Israel married a Canaanitish woman, and there was a surviving son, Gen. 46:19. Simeon, another son of Jacob-Israel has a son by a Canaanitish woman, the son's name was Shoul, by one of the WOMEN OF THIS DEVIL RACE." Here again we see Wise's "supposing," in operation, since there is no indication here, or anywhere else, for that matter that the CANAANITES can be traced back to a sexual union between Satan and Mother Eve.

You see, my friends, when you begin "supposing," in your study of the Word of God, it is exceedingly difficult to stop and you must keep on SUPPOSING. The definition of this word is: "assume to be true, as for the sake of argument; to imagine; think, guess, or presume; to consider as a proposed possibility." Of course TO ASSUME, means to: "accept as true, lacking proof to the contrary." So what we see happening in Wise's book, THE SEED OF THE SERPENT, is a valiant effort to ASSUME something that the Word of God does not teach. This is true with most of the SEEDLINE arguments. When a man makes up his mind to something, because he ASSUMES it is true, without Scriptural proof, this fellow is skating on mighty thin ice and will probably fall through.

Wise then goes on to tell us how Solomon took wives and how the Judahites committed fornication on their return from Babylon with "this devil-sired race." Yet nowhere in the Scriptures does it say that the CANAANITES were "devil-sired. Wicked, no doubt about it, but not devil sired! The word CANAANITE is used 12 times in the Old Testament and twice in the New, on no occasion does it mention a "devil sired people." The word CANAANITES is used 54 times in the Old Testament and CANAANITISH twice, but at no place are they referred to as "devil sired." This comes only from the fertile imagination of a writer who ASSUMES. Then to strengthen their argument, or so they think, they state that all the early Identity leaders believed the SEEDLINE DOCTRINE and taught it. THAT DOESN'T MAKE IT TRUE!

Wise goes on to say in Deut. 7:1, that God mentions seven Canaanite nations and KNOWING
THEM TO BE THE SEED AND PROGENY OF THE DEVIL.

God commanded them to be destroyed. But that is not what the Word says and that is not what it intimates. They were not destroyed because they were a DEVIL RACE, but because they were an exceedingly wicked people, who worshiped idols, and if they remained in the land, they would lead Israel astray. We can assume, from the way they enticed the Israel men, that the Canaanitish women were exceedingly beautiful.

I'm sick and tired of Identity writers, or preachers who insist that God's Word says something which it does not say, just so they can prove a point of their twisted doctrine.

Since our God is not a God of confusion, doesn't it seem logical to you, that He would have clearly defined the enemies of His people as CHILDREN OF SATAN, if this had been true? But nowhere is this reference seen.

Wise insists that the JEWS were called CANAANITES, before they were called JEWS for the first time in 2 Kings 16:6, about 742 B.C. This could very well be, but is an assumption which cannot be borne out by Scripture.

These people were usurpers, there is little doubt of that. You can see this quite clearly in Mal. 1:2-4, where we have a clear picture of how God feels about them and what He intends to do about it. There is little doubt that Jesus was speaking about these JEWISH usurpers, in Rev. 2:9 and 3:9 when He referred to them as:

"Those who say they are Jews (Judeans) and are not; but are of the synagogue of Satan." He was referring to them again in Matt. 11:12, when He said that the Kingdom of heaven had suffered violence at their hands. At the time of Jesus, the Edomite Jews, the Pharisees, sat in Moses seat of authority and ruled illegally over the Israel people. But there is no proof that they were either CANAANITES or CHILDREN OF SATAN!

God had appointed His Israel people to be a "special, holy people," who according to 1 Peter 2:9 were to be: "a chosen generation, a royal priesthood, an holy nation, a peculiar (set aside for a special purpose; that ye (Israel) should show forth the praises of Him who called you out of darkness, into His marvelous light."

This was to be Israel's purpose. The JEWS, in their TALMUD say their purpose is to rule the world, and have 2,000 gentile slaves, and own all the property of the world. True Israel were to be a nation of ambassadors, showing forth the truth of the Kingdom message to all the world. God knew she would not remain true to Him if she inter-married with the un-Godly tribes in Palestine. But nowhere in His warning to them, did He call them a DEVIL SIRED PEOPLE.

I have had unfortunate experiences with some people who call themselves ISRAEL IDENTITY, and who have by their actions appeared to be DEVIL SIRED. That doesn't make them literal children of Satan.

On page 11, Wise makes a statement which destroy his entire SEEDLINE THEORY, when he says: "anyone can read a pedigree or bill of sale and unmistakably know what it means." Then he uses the illustration of a BILL OF SALE for a thoroughbred horse. But he doesn't go far enough, for he should have said that if that THOROUGHBRED mare, ever was bred by a common stud, none of her offspring could ever be declared THOROUGHBRED again. The same is true of Mother Eve, and our pure King Jesus could have not come from an impure source.

Wise states that "Cain was a murderer from the beginning," yet his other teachings show that he does not mean this, for he believes that the pre-Adamic creation of Gen. 1:27, came into being thousands of years before Cain was born. So how could he apply the statement that Cain was in the beginning, when he was not.

Show me any statement in the Bible which says that Cain's murder of Able was the first murder committed. It was the first murder of the Adamic race as far as we know, but I really can't
comprehend that with millions of people on this earth, for thousands of years prior to Cain and Abel, that none had been killed maliciously. There is no indication anywhere that there was a "Garden of Eden atmosphere outside the actual Garden. In fact, there is indication that when Cain was banished from his Adamic background, he found refuge among the non-ADAMIC people of the earth, and Gen. 6:5 indicates they were an "exceedingly wicked people," but no reference to a DEVIL ANCESTOR. In fact, these were the men who God had created in Gen. 1:27 and whom He had declared to be "very good" in Gen. 1:31.

Nowhere in the Scripture does Jesus accuse Cain of being a "murderer from the beginning," that accusation was made against Satan. Even when John speaks of Cain as being of that wicked one, he does not equate this crime as happening in the beginning.

Then Wise makes a "flat. all-out false statement," when he says: "It is now confirmed that those who have usurped the title, Israel, and God's Chosen People, are in reality, the seed of the serpent, or children of perdition." But he has proven nothing of the sort, since Scriptural proof is lacking.

Knowing how the leaders of International Jewry act, and how they hate our King and everything He stands for, it would be easy for me to accept the SEEDLINE DOCTRINE, and say they were the literal "seed of Satan." But it wouldn't be true, since this is not what the Scripture says.

At the bottom of p.11, our author makes another curious statement when he implies that the story in Acts 19:13, was an attempt by Satan to cast out Satan. Do you honestly believe that if these seven wicked Jew had been literal "children of Satan," he would have allowed the evil spirit controlled man to beat up on them? Doesn't make much sense, now does it? Jesus pretty well exploded this theory in Luke 11:18 when He told the Pharisees: "If Satan is also divided against himself, how shall his kingdom stand? . .

Wise then goes on to explain the reason we do not see many Jewish farmers is because God cursed the soil for Cain and his descendants and that mark of Cain still remains on the Jewish race. Now I've known a few Jewish farmers, and they didn't seem to have any more problems with the soil, than the Christian Israelites who lived all around them. If I was a gambling man, I'd be willing to bet that if Wise, or any of the SEEDLINE crowd for that matter, were on a busy city street, they wouldn't be able to identify more than one Jew out of a hundred. I'll admit that a few of them have that distinctly Jewish look which is described in Isa. 3:9, but to say this is the "mark of Cain," is pretty well stretching the imagination.

There is little doubt that the Esau-Edomite Pharisees who confronted Jesus were the forerunners of modern Jewish Rabbinitism, since they freely admit this to be true. There is also little doubt that they have been guilty of the blood of many righteous men, women and children since the death of Zacharias as mentioned in (Matt. 23:35). We know they were the moving force behind Communism, which has slaughtered over 140 million people in the last 70 years. We know by reports from organizations such as AMNESTY INTERNATIONAL that they are killing Christians at an estimated 350,000 per year right now and this is not counting the millions of unborn Israelite babies who are murdered in the mostly Jewish run abortion clinics everand ar. But while this is definite proof that they are an evil people, and you only have to read their religious book the TALMUD, to see what they are taught, this still does not prove that they were literally "sired by Satan," since we have seen many Israelites who are as cruel and evil in their actions against their fellow men.

The SEEDLINE DOCTRINE is a slam against the Israel people, and the purity of the blood line from Adam and Eve, since it accuses our mother Eve, the ancestor of our Lord, of being a prostitute of the worst kind. I refuse to accept this!

If Cain was the physical result of a sexual union between Satan and Mother Eve, does that mean that Jesus Christ was born as the result of a sexual act between the Virgin Mary and the Holy Spirit? I don't believe that even the staunchest SEEDLINER would accept this blasphemy. But if we accept the first theory, how can we get away from the second?
Abraham had many "seeds", through Ishmael and his other sons, but the promised "seed" was through Isaac. Isaac had many sons, but the promised "seed" was through Jacob-Israel, the "seed" which produced Jesus Christ. But think about this. Christ could not have been of pure lineage, if Eve had been contaminated by Satan. You "can't have your cake and eat it too!"

I agree with Wise when he states on p.15: "An idea, thought, or concept that is adverse to the Bible, or the teaching of God, (which comes only through the Bible-ED), is indeed a dangerous thing; so should this study bear the image of truth, it would be well to ponder and study it further, for the Bible to many should become a new and meaningful Book." I'm 100% in favor of this. I don't ask you to accept what Jack Mohr says or believes. I do ask you to be honest enough to find out for yourself what the Bible teaches, without being led astray by what men say, no matter how sincere they may be.

Study the Word in all its parts. Don't be influenced by the teachings of men such as Jack Mohr, James Wise, Dan Gayman, George Udvary, Earl Jones, or others, without checking them out against the Book.

These are all fallible men, and can be wrong. The Book will never lead you astray. Cling only to the truth of God's Word.

It may appear that this article was written in defense of the Jews. IT WAS NOT! I detest them as an International force. I know their leaders are the bitterest enemy of our God, His Son, our King, and of our faith. I know what their plans are for the takeover of this world, since they have clearly told us what they are, over and over again and I have eyes to see how they are carrying out these plans. Figuratively, I believe they are the special children of Satan and that as the Apostle Paul said: "They please not God, and are contrary to all men," (I Thess. 2:15). But let us use care when we call them the literal, physical children of Satan, for we cannot prove this from the Word.

We know that as a race, they have the sly characteristics of the serpent. We know from history that they are the makers of war and brag about it. In 1918, Count Mensdorf, the Jewish Ambassador from Austria to England was quoted as saying: "We (Jews) won the war (WWI); we made it, thrived on it; profited from it. It was our supreme revenge on Christianity."

The Jew, Marcus Eli Ravage, writing in the January 1928 issue of CENTURY MAGAZINE said: "We Jews are at the bottom of nearly all your wars; not only of the Russian but of every other major revolution in your history. . . We did it solely with the irresistible might of our spirit, with ideas, and propaganda."

The Jew Oscar Levy, in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION said: "There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers, it's destroyers, it's incendiaries, it's executioners."

We know they have intimidated and imposed their will on our own government and every government in the nations of Christendom, through their dominance of finance, government, church, education and the media.

But let us be honest in our study and harsh evaluation of these people, no matter how much we would like to believe they are literally BORN OF SATAN. If this teaching is true, then as true followers of the Living Christ, let's prove it from the Book, not from what some man teaches.

The End
Signs and Wonders!

End Time Prophesies of Jesus Examined!

We have heard the term "end time", or "end of the Age", or even "end of the world", used many times, especially by prophetic preachers. Yet few Christians seem to understand the significance of these terms, and what is actually meant by them.

It is the purpose of this study, to examine in detail, the prophetic messages Jesus gave to His disciples, just prior to His crucifixion, as found in the revealing Gospels of Matthew and Luke.

Part I of this study will examine in-depth, the Matthew 24 prophecy, looking at the meaning of every "key" verse in the original Greek and perhaps by this means, and under the leadership of the Holy Spirit, we can come to a better understanding of what will happen in the days before Christ's return, and how we can better prepare for it. Just being saved is not enough! This is only the first step in the Christian process.

To the Preterists, (those who believe that all Scripture prophecy has been fulfilled), this will be redundant, since they believe Christ has already returned and that the prophesies of Matthew 24 were fulfilled in the First Century A.D. While I have no intention of arguing with these Christian brethren, let's take a close look at this Scripture and see what it really says. Vs. 1 of Matthew 24 needs no explanation, as it's meaning is perfectly clear to anyone of normal intelligence: "And Jesus went out, and departed from the temple: and His disciples came to Him for to show Him the buildings of the temple".

I have often wondered why the disciples felt it necessary to show Jesus the temple buildings, because he had been in them many times. I don't believe we would be far wrong, if we paraphrased this verse to read: "And as Jesus departed from the temple, His disciples called Him for to show Him the buildings of the temple.".

Vs. 2 - "And Jesus said unto them, see ye not all these things?" (The word SEE as used here is a primary verb for the Greek word EIDO [14921 and is used in the past tenses. According to Strong's it means: "to gaze upon with wide-open eyes, as on something remarkable". It also borrows from [37081, the word HORA which means: "to stare at").

It other words Jesus was saying to His disciples: "Don't you see these remarkable buildings, verily I say unto you, there shall not be left here one stone upon another, that shall not be thrown down". These words need no explanation. It is a description of utter destruction for these beautiful
buildings.

Those of you who have studied the history of this period, and who may have read the historical accounts of the noted Jewish historian JOSEPHUS, know that the soldiers of the Roman General Titus, in AD 70, during the siege and destruction of the city, set the temple on fire, in spite of Titus's attempts to save it. According to these accounts, the gold trappings on the temple walls melted, and the greedy soldiers literally tore the temple walls apart, trying to get at the gold that had seeped into the cracks in the walls. This prophesy was literally fulfilled in 70 AD.

Vs. 3 - Here we have a change in location, as Jesus and His disciples have moved out of the temple to the Mount of Olives, one of Christ's favorite teaching spots. After having looked in detail on the magnificence of Herod's temple, they came to Jesus privately (He did not discuss His prophecies with the multitude) and asked Him: "Tell us when these things be? and what shall be the sign of Thy coming and of the end of the world (Age)". (The English word THINGS, as used here comes from the Greek PROIMOS, which means "dawning", like in the beginning of the day). The word SIGN, comes from the GK SUSPARASSO and indicates a "violent convulsion; to throw down".) Evidently Christ's return will be indicated (SIGN) by violent convulsions of nature. The word COMING, comes from Greek PAROUSIA which in this instance means "The coming of Christ to punish Jerusalem and finally the wicked" - It refers to a physical, not a spiritual coming.

The English word END, is the Greek SUNTELEO [49301 meaning: "the consummation of a dispensation or age". The word WORLD is AION [165] and refers to an AGE, rather then to the physical world. We would be faithful to it's meaning if we called it the "World order".

There is no implication here that the disciples were referring to the physical destruction of the world, as some imply, but rather to Christ's second physical advent which would bring to an end, the present World Order, or as we sometimes call it the "Babylonian System".

Vs. 4 is a warning from the King Himself: "Take heed that no man deceive you". The word HEED, comes from the Greek BLEPO [991] which literally means: "beware!" The word MAN, as used here comes from the Greek TIS [5 10~ and refers to "some person or object". DECEIVE comes from the GK PLANAO [4105] and means: "to cause to stray from the truth; to seduce; a delusion".

So what we see here is a warning: "Beware that no person causes you to stray from the truth". A very good warning for these days in particular!

Vs. 5 - "For many shall come in My name (Jesus), saying, I am Christ and shall deceive many". The word MANY comes from the Greek POLUS (4183) and refers to a very large number. The word SAYING, from EGO (3004) which is a primary verb meaning "to lay forth", or generally referring to individual expression.

CHRIST is the New Testament title for Jesus the Messiah and is not found in the Old Testament. It comes from the Greek word CHRISTUS (5547) and in every instance in which it is used, it means: "the Messiah; the Anointed One". It always refers to Jesus, not to some Jewish Messiah, or some Greek God named ZEUS, as some aver. The word DECEIVE, as we have seen, means to "cause to go astray; seduce".

In other words, what this verse is telling us is that "a large number of people shall appear in Jesus name, saying that they are the Christ, and that they will lead many astray". Turn anyone loose with what appears to be miracles, and a large number will follow them no matter how false they may be!

Vs. 6 says: "And ye shall hear of wars, and rumors of wars; see that ye be not troubled, for all these things MUST come to pass, but the end (of the Age, not the world) is not yet".

The English word HEAR, is the Greek word AKOVO (191), meaning: "to hear; to understand; be noised about; be reported". WARS, from the GK POLEMUS (4171) means: "warfare; battles; war". RUMORS, GK AKOE (189) means: "to act; to sense; a thing heard or reported".

In our modern usage, it usually refers to an "unconfirmed act or event".
Yet rumors are often indicative of an actual truth. It's sort of like a man who is hunting in the woods during the fall deer season. He smells smoke, and knows there is a fire nearby. He doesn't know if it's a forest fire, or from a camp fire, but he does recognize it as a sign of fire. So it is with rumors coming from many sources, they are usually indicative of something going on. At present in this country there are numerous reports of foreign, United Nations troops training in this country, all these reports cannot be officially confirmed, and the government denies them, but our people see these foreigners, in uniform in many areas of the country, and lo and behold, it finally comes out that "rumor is fact!"

TROUBLED, GK THROEO (2360) meaning: "clamorous; to frighten; to trouble". ALL is PAS (3956), a primary word meaning: "many; all; every; the whole". MUST is DEI (1163) meaning "it is necessary". COME is GINOMAI (1096) meaning: "to cause to be; to become; to be brought to pass". PASS is PARERCHOMAI (3928) meaning: "to come near; to approach". END is TEKLOS (5056), meaning: "the conclusion of an act; ultimate prophetic purpose, etc."

YET is the Greek OUPO (3768) meaning: now

So what this verse actually says is: "And there (speaking both to His disciples, and I believe to future generations), shall be reports of warfare, and battles, and rumors of wars. But don't be frightened by these reports, for all these things must happen before the termination of this age".

Vs. 7 - "For nation shall rise up against nation, and kingdom against kingdom; and there shall be famines, and pestilence, and earthquakes in divers places".

Let's analyze this verse. NATION - Gk ETHNOS (1484) means: "a race or tribe; a foreign (usually non-Jewish) one which by implication is pagan. This is sometimes erroneously called GENTILE, RISE, Gk EGEIRO (1453) meaning: "rouse up as from a sleep; rise up against; lift up; rear up; stand, etc." KINgDOM is BASILEIA (932) meaning "royalty; a ruler; a realm; a kingdom". FAMINES is LIMOS (3042) meaning: "a scarcity of food; hunger". PESTILENCES is LOIMOS (3061) meaning "a plague; disease". EARTHQUAKES is SEISMOS (4578) meaning: "commotion of the air or ground". DIVERS is POIKILOS (4164) meaning "manifold; many". PLACES is TOPUS (5117) meaning: "a spot; locality, etc."

Putting these together we come up with this rendition: "For foreign nations shall rise up against pagan nations, and rulers against kingdoms; and there shall be a great scarcity of food, and great hunger; and great commotions will be seen in the earth in many localities"

Vs. 8 tells us - "All these are the beginnings of sorrows".

The THESE is from the Greek TAUTA (5023) meaning "these things". BEGINNINGS is ARCHE (746) meaning: "commencement as applied to time and place" - SORROWS is ODIN (5604) meaning: "pain; sorrow; travail".

So we find that verse eight tells us that "All these things (earthquakes, wars, rumors of wars, famines, and pestilences) will be the beginning of pain, sorrow and travail on this earth".

Verse nine continues by saying: "They shall then (the Jews - explanation follows) deliver you up to be afflicted, and they shall kill you, and ye shall be hated of all nations for My name sake". THEN is the Greek TOTE (5119) meaning "At that time or in the future". The THEY can only refer to Jewish authorities, since at that time there was no overt persecution of Christians from Rome. A further indication of this can be found in Matt. 10:14, where Jesus told His followers: "But beware of men; for they will deliver you up to the council (law) and they will scourge you in their SYNAGOGUES". The only people who worship in synagogues are Jews. In John 16:2, we read: "They will put you (Christians) out of their synagogues (this was a central meeting place, like a town hall); yea, the time cometh that whosoever shall kill you will think he doeth God service". We are fast approaching this time in America, where the Jewish controlled media is working overtime, to make the gullible public believe that Christians and their influence in America is bad. Acts 4:21
indicates that Jewish persecution of Christians came because they preached Jesus and the people glorified God because of what they were doing. Later the Apostle Paul noted this persecution in 1 Thess. 2:14 - "For ye, brethren, became followers of the churches of God which in Judea are in Christ Jesus; for ye also have suffered like things from your own countrypeople (the Jews of Thessalonica), even as they have of the Jews (of Judea): Who (the Jews of Judea) both killed the Lord Jesus, and their own prophets, and have persecuted us (the Christians in Judea); and they please not God, but are contrary to all men". That's a pretty apt description of Jewry everywhere, including this day and age. These people are not the Chosen People of the book, as the Judeo-Christian leaders tell us, but are avowed enemies of Christianity, who have openly declared their intention to destroy White Christian civilization and all the benefits it has brought to mankind. Those who support these anti-Christ's fall under the condemnation of 2 John 10, 11 - "If there come any unto you, and bring not this doctrine, (that Jesus is the Son of God, the Redeemer) receive him not into your house, neither give bid him God speed: For he that biddeth him, God speed, is partaker in his evil deeds". In other words, those in the Christian world who support the Jews as God's Chosen, will be held guilty of their evil deeds! How many of you Christians in the Judeo-Christian churches will be willing to answer before God for the millions of unborn babies which have been murdered in mostly Jew owned and run abortion clinics? How many will be willing to answer before God for the millions of American youth who have been placed on the road to hell, by alcohol, drugs, pornography, prostitution and rock music, all primarily sponsored and owned by Jewish interests? Think about this! It's mighty serious!

This is the meaning of verse nine.

The disciples knew that this prophesy dealt with them, but as is so often true of prophesy, it had a "long term" meaning as well, which is being fulfilled in our day, in spite of the teaching by the Preterists that all prophesy was fulfilled in the time of the disciples.

We can see the immediate application of this prophesy in Acts 12:1-3, where speaking of King Herod, and his persecution of the Apostle Peter, it says: "Now about that time Herod (an Edomite Jew) the king (of Judea), stretched forth his hand to vex (persecute) certain of the church. And he killed James, the brother of John with the sword". (NOTICE CAREFULLY NOW) "And because he saw that it PLEASED THE JEWS (emphasis mine), he proceeded further to take Peter also . . .

But to go back to our original text, Verse 10- "Then (at the time of wars, earthquakes, famines and pestilence) shall many be OFFENDED, and shall BETRAY one another, and shall hate one another". The word OFFEND comes from the Greek SCANDALIZE (4624) meaning: "to scandalize; trip up; entice to sin; entice to apostasy". BETRAY is PARADIDOMI (3860) meaning: "to surrender; deliver up; put in prison". ANOTHER is ALLELONI (240) meaning: "each other; one another". HATE is MISEU (3404) meaning: "to detest; to persecute; to hate".

This verse could very well read: "And at that time shall a large number be enticed into sin and apostasy, and shall deliver you up to be persecuted, and shall detest and persecute you." This has already taken place in many Communist countries, where children have been taught to turn in their parents to the anti-God authorities, and where family members turn on their own families to save their own skin and ingratiate themselves with the authorities. Today, we see this same move underway in our education system, where the children are being encouraged to "tattle" on their parents home activities, and where the government encourages citizens to spy on citizens. This is what happened in the Soviet Union.

Vs. 11 indicates that "many false prophets shall rise and shall deceive many".

FALSE come from the GK PSEUDOLOGOS (5573) meaning: "speaking lies; promulgating erroneous doctrines." Modern examples of this in the church can be seen in the RAPTURE DOCTRINE; JEWS CHOSAEN PEOPLE; CHRIST DID AWAY WITH THE LAW; in the Judeo-Christian church, and the SEEDLINE; insistence on worshiping on Saturday, and the demand that we must use the Hebrew names YAHWEH and YASHUAH in Christian Identity circles.
PROPHETS comes from the GK PSEUDOPROPHETS (5578) which refers to: "spurious (false) prophets; a religious pretender; a false prophet". We have many of these today in the church world, with the VAN IMPE's; the FALWELL's; the ROBERTSON's; the SWAGGART's; the ROBERT's and the LA LONDE's and many more. For "By their fruits shall ye know them", and their fruits are Jewish fruits.

DECEIVE in Greek is PLANAO (4105) meaning: "to cause to roam; to go astray from the truth". In Acts 20:29, 30, the Apostle warns the church about these deceivers: "For I know this, that after my departing, shall grievous wolves enter among you, not sparing the flock. And also of your own selves shall men rise, speaking perverse things to draw away disciples after them". If you don't believe this, spend some time in the evening watching the TRINITY BROADCASTING SYSTEM (TBS) on your tube. Watch the gyrations of the principles in their gaudy studios, and the hypnotized crowds who gyrate and scream on cue, to the hypnotism of some high powered evangelist. Their gyrations to "Christian rock music", are more like the movements of demon led African savages, than of Christians. I have lived in Africa, and I can tell you that their actions and movements are identical! Then add to this their constant pressure for money, and you have something which is decidedly un-Christian! But it brings in "big bucks!"

Verse 11 could well read: "And many men shall promote erroneous Christian doctrine, and shall appear, causing many who are weak in the faith, to stray from the truth".

Vs. 12 - "And because iniquity shall abound, the love of many shall wax cold". 

BECAUSE in Greek DIA (1223) meaning: "The channel of an act; through; because of; by reason of; wherefore; etc.," INIQUITY is ANOMIA (458) meaning: "violation of the law; wickedness; transgression". (See 1 John 3:4). While the preachers in the Judeo-Christian churches trumpet the falsehood that the Law was done away at the cross, 1 John 3:4 tells us differently, as it gives us the definition of SIN; "Whosoever committeth SIN, transgresseth (breaks) also the LAW; for SIN is TRANSGRESSION OF THE LAW". So if there is no LAW, then there can be no sin, and we all know the fallacy of this kind of thinking.

ABOUND in Greek is PLEUTHUNO (4129) meaning: "to increase; abound; multiply". LOVE in this instance is AGAPE (26) meaning: "affection or benevolence". WAX is PSUCHO (5594) meaning: "by implication; a reduction of temperature; to chill the air". COLD is the same as the above.

So this verse could well read: "And because of violation of the law and the wickedness this causes, wickedness shall increase and the affection of many for the Lord shall become chilled and cold".

Vs. 13 - 0 "But he that shall endure unto the end, shall be saved".

ENDURE - Greek HUPOMENO (5278) meaning: "to remain; to bear the trials of; have fortitude; persevere; be patient, etc." It is the exact opposite of that which is taught by the RAPTURE, where men and women cower in their "spiritual foxholes", waiting for Christ to rescue them from the mess caused by their own apathy, when they should be out on the front lines of the battle. I had a vivid example of this a few years ago, when during a Question and Answer period, after I had spoken on the dangers of Communism, a nice Christian lady, I assume, said: "I believe everything you have told us. But I'm saved, you know, and I don't worry about the Communists or any others, for Jesus is coming back to rescue me before things get all that bad". Talk about being wrapped up in a blanket of self-righteousness, that sister was more like enclosed by a shroud.

SAVED - GKSOZO (4982) meaning: "healed; persevere; saved; made whole". I don't believe this "saving" mentioned here has anything to do with "spiritual salvation", which we KNOW is not a matter of WORKS, but of FAITH!

So verse 13 could read: "But he that bears the trials of being a Christian to the conclusion of these things, the same shall be preserved and made whole".
Here we have a promise from the King Himself, of final victory if we persevere unto the end. This cannot take place when you remain within the confines of a "spiritual foxhole". When Jesus told His followers to "Occupy until I come!" He was not speaking about "Hiding in a spiritual foxhole with holy hands folded in prayer, as we ask Him to return to RAPTURE us out of the mess of our own making". OCCUPATION is a "front line" military venture and He had Christian perseverance in the face of danger and suffering in mind when He spoke these words. Most modern day Christians do not want to think about the possibility of having to suffer for Him. Yet it is clearly spoken of by both the Apostle Paul and Peter. (Rom. 8:17) "... if so be we suffer with Him, that we may also be glorified together". (No suffering, no glorification!) Get that through your head!

In Phil. 1:27-29 we have this assurance from the Apostle Paul: "... stand fast in one spirit, striving together for the faith of the gospel (and again, this can't be done from a foxhole): And in nothing terrified by your adversaries; which is to them an evident token of perdition, but to you of salvation and that of God. For unto you it is given in the behalf of Christ, not only to believe on Him, but also to suffer for His sake". Did you get that, lukewarm Christian. We should look on the act of suffering for Christ, as a great privilege. How many churches do you know that preach this truth?

2 Timothy 2:12 - "If we suffer (for Him), we shall also reign with Him; if we deny Him, He will also deny us". Again the criteria for reigning with Him, is the willingness to suffer for Him.

1 Peter 3:14 - "But if ye suffer for righteousness sake, happy are ye; and be not afraid of their terror, neither be troubled".

Vs. 14 - "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations, and then the end shall come". Did you know that as of today, the Kingdom message has been taken to ALL people, around the world. It has been carried exclusively by the Israelite people and is one of the marks which identifies them as Israel.

The Preterist teaching falls apart here, for only a very small portion of the world had heard the Kingdom message before they say Christ returned in the First Century!

What is the Gospel anyway, could it be that the Gospel which is now being taught in most of our churches, is not the gospel of the First Century A.D.? Most certainly, unaccounted, and mostly undetected, there has come into popular evangelical circles, a NEW CROSS. It looks like the old cross, but it's different, the likenesses are superficial; the differences fundamental. The teaching of the NEW CROSS has resulted in a "luke warm Christianity", that does not want to be made uncomfortable by Gospel teaching.

From this NEW CROSS, we have seen a new philosophy of Christian life spring up, and from the new philosophy, a new evangelical technique. This new evangelicalism employs the same language as the old-time evangelism, but its content is not the same, since it's emphasis has been misplaced.

The OLD CROSS had no ties with the world, since it carried into effect the penalty of death imposed by the Law of Sinai. Today, men and women want to be free from that law. They want to be free to "do their own thing", without having to worry about the penalty for their acts. The NEW CROSS let's sinful Adam live without interference. His life's motivation is unchanged; he still lives for his own pleasure, only now he takes delight in sinful things. His accent is still on enjoyment, although his fun is now on a higher plane morally, if not intellectually.

The NEW cross encourages a completely new approach to evangelism. It can be seen clearly in the TV tel-evangelists who today clutter up the airwaves. A few nights ago, I watched parts of the Black propaganda film, SHAKA ZULU, and watched as the natives engaged in their frenzied ungodly dancing, which I had seen so often when I lived in Africa. Then I turned over to the TRINITY BROADCASTING SYSTEM (TBS), and saw the same kind of dancing and convulsions, going on in a supposedly Christian crowd of thou sands. The screaming, drum beats, and bodily writhings could not be distinguished between so-called Christians and Black heathen Satan worshipers. I
thought: "My God, what has Christianity come to, that they call this worshiping our Savior?" (All this from a studio that cost thousands of dollars, with an every night pressure for their listeners to give more. "The telephone lines are open, so call in your pledge for the Lord's work!" I can see nothing for this kind of giving, anywhere in the New Testament). But it is the evidence of believing in the NEW CROSS, and the viewers are given loads of entertainment by long haired male singers who evidently don't believe that it is a "shame for him to let his hair grow to where he looks like a woman," (1 Corinthians 11:14) says - "Doth not even nature itself teach you that if a man have long hair, it is a shame unto him?" Not on TBS, it's the norm!

The NEW CROSS has encouraged a new and different approach to evangelism. The evangelist does not demand abnegation of the old sinful life before a new life can be received. He does not preach contrasts, but similarities. He seeks to key into public interest by showing that Christianity makes no unpleasant demands; rather, it offers the same thing the world does, only on a higher level. Whatever the sin-mad world happens to be clamoring for at the moment is cleverly shown to be the very thing the Gospel offers, the religious version promising to be more spiritually fulfilling than the worldly one.

The NEW CROSS does not slay the sinner; it only redirects him. It gives him a cleaner and jollier way of living and saves his self-respect. He does not need to humble himself for any reason. To the self-assertive it says: "Come and assert yourself in Christ". To the egotist it says: "Come and do your boasting in the Lord". To the thrill-seeker, it says: "Come and enjoy the thrill of knowing Christ!" Any Christian message is slanted in the direction of the current vogue in order to be able to make it more acceptable to the public. I remember, a few years ago, speaking in a large Christian University. During a casual conversation with its President, I asked him why he thought a very popular evangelist would no longer hold revivals in a city, unless he received the backing of the liberal National Council of Churches. He replied: "Dr So-and-So was here a few weeks ago with his wife, and I asked him that same question. He would not reply, but his wife looked me straight in the eye and said: 'Dr . . we intend to do anything necessary to fill the football stadiums' ". This is the NEW CROSS in operation!

The philosophy behind this kind of deception may be sincere, but it's sincerity does not keep it from being false and dangerous. It is false, because it is blind. It misses completely the Gospel message of the cross.

The OLD CROSS was a symbol of death. It stood for abrupt, violent end of a human being. When a man in Roman times took up his cross, he had already said good-bye to his friends. He did not come back! The cross in those days made no compromise, it modified nothing. It spared nothing. It slew the man, completely and for good. It struck cruelly and hard and when it had finished its work, the man could not be found.

The race of Adam, is under the death sentence as surely today, as it was 2,000 years ago. There has been no commutation, and there is no escape. God cannot and never has approved any of the fruits of sin, however innocent they may appear or how beautiful to the eyes of men. God saves the individual by killing him on the cross and then raising him to a newness of life, just as He did with His own precious Son.

Evangelism which draws a friendly parallel between the ways of God and the ways of men, is false to the Bible, and cruel to the souls of its hearers. Faith in Christ does not parallel the world, it intersects it! In coming to Christ we do not bring our old life up to a higher spiritual plane; we leave it at the cross! The kernel of wheat must first fall to the ground and die, before it can bring forth "fruit for the Kingdom".

We who preach the Gospel must not think of ourselves as public relations agents sent to establish good will between Christ and the world. We must not imagine ourselves as commissioned to make Christ acceptable to big business, the press, sports and modern education. We are not diplomats but prophets. Our message is not compromise, but an ultimatum!
God offers us life all right, but it is not an improved old life. The life God offers is eternal life out of death. It stands always on the far side of the cross. Whoever wants to possess eternal life, MUST first pass under the rod. They must humble themselves and agree with God's just sentence against them.

What does this mean to the individual, to the condemned person who must first find life in Christ Jesus? How can this theology be translated into life? Simply, they must repent and believe! They must forsake their sins and then go on to forsake themselves. They must cover up nothing, defend nothing they have done, excuse nothing, and never try and come to terms with God, but how their head beneath the stroke of God's stern displeasure and acknowledge that they are worthy to die!

Having done this, they can then turn their gaze with simple trust in the risen Savior, and from Him will come life and rebirth and cleansing and power. The same cross that ended the earthly life of Jesus now ends the life of the sinner, and the same power that raised Christ from the dead, now raises the sinner to a new life in Christ Jesus.

To any who object to this assessment as being a narrow, private view of truth, let me say that God has set His hallmark of approval on this message from the time of the Apostle Paul to the present. Whether stated in these exact words or not, this has been the content of ALL preaching which has brought life and power to the Christian world for 2,000 years The Reformers and Revivalists put their emphasis on the OLD CROSS, and the mighty operations of the Holy Spirit gave witness to God's approval.

Dare we, as heirs of this legacy of power, dare we with our stubby pencils, to erase the lines of the blueprint, or alter the pattern shown us on Calvary? God forbid! Let us return to preaching the OLD CROSS and know first hand, once again, the old power of the Gospel.

This is the Gospel spoken of in Vs. 14, which has been taken into ALL the world. The Good News that Christ saves sinners from their sins, and prepares them for His Kingdom. The Greek word for GOSPEL is EVAGGELION (2098) which means: "to announce the good news; to declare the good news; to preach the good news, that Christ does save and satisfy!"

We read of the King's final command to His followers in Matt. 28:19, 20 - "Go ye therefore, and teach all nations people), baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always even unto the end of the world. Amen!"

It is our Kinsman Redeemer, Jesus the Christ, who will become the Savior of all who are called by the Holy Spirit, and who receive Him. These can and will be adopted into the family of Abraham. Thus, the major obligation of "true Israel", which we have sadly neglected and which accounts for much of our trouble, is to preach this message to all men. In 1 Peter 2:9, 10, we read: "But ye (true Israel) are a chosen generation (bloodline), a royal priesthood, an holy nation, a peculiar people: that ye should show forth the praises of Him who bath called you out of darkness, into His marvelous light. Which in time past were not the people (the church world called us "Gentiles") of God: which had not obtained mercy (we had been sent into banishment for our disobedience), but now have obtained mercy". (See also Hosea 1:10). Hosea says: "In the place where it was said unto them, Ye are not My people, there it shall be said unto them, Ye are not My people, there it shall be said unto them, Ye are the sons of the Living God (Christians)".

So when we take all these things into consideration, verse 14 could well read: "And this good news of Christ's redemption of all mankind, MUST be published in all the world for a testimony unto all nations. When this comes to pass, then you will see the conclusion of this Age".

Vs. 15 - "When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place. . . Then let them which are in Judea flee into the mountains".

I believe the Preterists are correct when they say this took place in 70 A.D. when the Roman General Titus captured and destroyed Jerusalem and the Temple. It may be of interest at this point,
to note that according to ancient historians of that time, including the Jewish historian Josephus, who was a Roman general, while over a million Jews were slaughtered, not one Christian lost their life. They had heeded Christ's warning to "flee to the mountains", and took refuge in the city of Pella, in the mountains to the east.

I also believe that this prophesy, as many others has a dual meaning and a special application to the future, and that the "Abomination of Desolation" is now in Jerusalem in the form of "those which say they are Jews and are not; but are of the synagogue of Satan," Rev. 2:9; 3:9). These false Jews, now sit in positions of world power, having "brainwashed" the Judeo-Christian world into accepting them as God's Chosen, while acknowledging themselves to be the anti-Christ. There is little doubt in my mind, that these false Jews are returning to Palestine so that Christ's prediction of Luke 19:27 will take place, when the King will tell His servants: "But those mine enemies, which would not that I reign over them, bring hither and slay them before Me". It is interesting to note that many orthodox Jewish rabbis are warning their people that the Israeli government in Palestine, is not the one which will foreshadow the return of their Messiah.

This is a considerable different message than that which is preached from the majority of pulpits in America.

Vs. 17-21 indicates the chaos which will come to the world as the Tribulation Days descend on us. Vs. 22 goes so far as to state that conditions would deteriorate to the point that "except those days be shortened (Gk. KOLOBOO [28561, meaning: 'cut short']) there shall no flesh be saved. (Gk. SOZOI [49821 meaning: "delivered; protected"] but for the ELECT'S sake (Gk. EKLEKTOS [15881 meaning: "favorite; by implication chosen") those days shall be shortened".

A study of both Old and New Testaments will reveal that the word ELECT, applies only to "true Israel". It has never meant the church, or the anti-Christ's of Judaism!

What are the implications of this verse? I believe it clearly shows that conditions on this world will deteriorate and become so bad, that God will have to step in to keep men from destroying themselves. This is another indication that God's people will be here during the Tribulation, and will not have taken a "flying saucer" back to heaven in a Rapture.

Thank God, we have His promise that for our sake, (not because we are so holy and righteous,) but because we are His people, He will step in and take control of things. MARANATHA! This to me is much more exciting than to think that we may be able to escape the coming conflict via a Rapture! That's the Christian coward's way out.

Vs. 23-28 are a warning against "false Christs". (Anti-Christ's would be an accurate term to use here!) According to Vs. 24, there will be those who will show up on the scene who are so clever, they will show great signs and wonders. (I believe the sign of healing will be one of them, and often wonder if men such as Benny Hind and Oral Roberts, don't fit into this false prophets category). If you have a strong stomach, take some time and watch one of their TV spectulars, and see them as they touch people on the forehead and have them pass out in a dead swoon. Don't tell me this is the Holy Spirit at work, for He doesn't operate in this manner. Oral Roberts has even gone so far as to say that he can teach people to speak in tongues", although there is no spiritual justification for this. At no place in the New Testament, can you find an example of Christians speaking in the "glossolalia - heavenly language gibberish" of the Charismatics. The "speaking in tongues", found in the New Testament was always a known language.

Yet millions of so-called Christians are being deceived by charlatans in the church, who are making a fine living off their deception. These smooth speakers will deceive many who are not deeply rooted and grounded in the Word. See them by their screaming thousands as they twist, gyrate and shriek on TBS, all in the name of praising the Lord! The latest is for them to go off into fits of uncontrollable laughter, all in the name of Jesus! But it's not scriptural!

There is no reason for us to be hoodwinked by the anti-Christs, for the scripture gives us a clear
definition of who they are in 1 John 2:22, 23 - "Who is a liar but he that denieth that Jesus is the Christ. He is ANTICHRIST, that denieth the Father and the Son. Whosoever denieth the Son, the same denieth the Father; (but) he that acknowledgeth the Son, hath the Father also". There is no group of people, anywhere in the world, who fit this description as well as the Jews.

Then in 2 John 7, after stating: "For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an anti-Christ." John goes on in vs. 10 and 11 to tell Christians how they MUST react towards these anti-Christis. "If there come any unto you and bring not this doctrine (that Jesus Christ has come in the flesh), receive him not into your house, neither bid him God speed: For he that biddeth him God speed (helps him in any way) is partaker in his evil deeds". I wonder how many Christians know that they will be held accountable for the evils done by these anti-Christis they support with their money and their praise?

Vs. 27 indicates that Christ's return will be sudden and open. It will not be a secret Rapture which will take Christians off the scene without the world knowing it.

Vs. 29 indicates that it will immediately follow the Tribulation. The word IMMEDIATELY comes from the (Gk. word EUTHEOS, meaning: "directly; soon after; forthwith; soon"). This will be the time when the sun and moon are darkened, and we will see mighty convulsions in the heavens. It will be after these things, that we will see the SIGN, not the SON, but the SIGN (Gk: SEMEION, meaning: "an indication of; wonder") of His appearing. What this sign is, we are not told, but it will shake up this old cold, sinful world, as we are told that at this SIGN, "all the tribes (GK - PHULWE, meaning: "races; clans; kindreds; tribes"), of the earth will mourn, when they see the Son returning in the clouds, with power and great glory".

This will not be the "meek and lowly Jesus," our churches love to project, not the Babe of Bethlehem, but the King of Kings, and the Lord of lords, spoken of in Rev. 14:14-16 and Rev. 19:11-15. Vs. 15 of this latter passage says: "And out of His mouth goeth a sharp sword, that with it He should smite the nations: and He shall rule them with a rod of iron; and He treadeth the winepress of the fierceness and wrath of Almighty God". He will not be the One that the world leaders will laugh and scorn anymore, but "every knee shall bow, and every tongue confess that He is King". His Word will be the Law!

We are given some indication of this awful day by the Prophet Isaiah in 11:4, when he says: "... And He (Jesus) shall smite (Heb. NAKAH [5221J meaning: "beat; strike; give wounds to; kill; slaughter; punish") the earth with the rod of His mouth, and with the breath of His lips shall He slay the wicked". 2 Thess. 2:8, speaks about the final revelation of "that wicked one", who will come with "all power, and signs, and lying wonders, and with all deceivableness of unrighteousness in them that perish; because they received not the love of truth that they might be saved. And for this cause, God shall send them a strong delusion (GK - PLANE meaning: "fraudulent; straying from orthodoxy; deceitful") that they should believe a lie. That they all might be damned (Gk - KRINO meaning: "condemned; judged; called in question; sentenced"), who believes not the truth, but have pleasure in unrighteousness".

Whether you want to accept this truth or not, evidence proves that our churches today are filled with unsaved members, and that because of this, many churches which were once "lighthouses" for God's truth in the neighborhood, have for all intents and purposes turned into "religious country clubs", where men and women attend, not because they love God so much, as because it is considered respectable and beneficial to be members of the big FUST CHURCH. Others have turned into "religous honky tonks," replete with flashing psychedelic lights and religious rock. All that would be necessary for them to fit into a "whore house" district, would be to place a red light over the door.

This is very possibly the major reason, why with 50-million professing "born again" folks in America, we are headed for hell faster than at any time in our existence, for in spite of the great revivals proclaimed by the charismatics, such as the Trinity Broadcasting System, spiritual
conditions in this country are getting worse and worse.

2 Thess. 2:8, tells us that at His Second Coming, the Lord Jesus will "consume with the spirit of His mouth, and shall destroy with the brightness of His coming". Nevertheless, come quickly, Lord Jesus!

When God is finished with His judgment on this wicked world, we are told in Ezek. 39:21, 22 - "And I (God) will set my glory among the heathen, and all the heathen (Hebrew, "goy, meaning non-Israel people) shall thre My judgment that I have executed, and My hand that I have laid upon them. So the house of Israel (not Jews) shall know that I am the Lord their God from that day forward". Evidently it's going to take some terrible times for our Israel people to wake up, believe, obey and be saved!

My professing Christian friend, especially if you belong to a Judeo-Christian church, it behooves you to see that your salvation experience was real, and not something you were talked into by a smooth, fast talking evangelist. (I'm thinking of charlatans like Benny Hind, for instance.) Be sure from the Word, that you are saved, not from what some preacher says.

We are told in Joel 2:17 that our religious and political leaders need to weep in our churches and pray to our God: "Spare Thy people, O Lord, and give not Thine heritage to reproach, that the heathen should reign over them: wherefore should they say, among the people, Where is their God?"

This is what the anti-Christ's in government and the media are literally saying to Christians today: "Who are these Christians who insist that we have prayer and Bible reading in our public schools? Who do they think they are to tell our women that it is wrong to murder their unborn children? Everyone knows a woman should have control over her own body! Who are they to lay down standards of morality, that the majority of us don't want or like? Who are they to say that our homosexual life style is wrong?"

We have not yet experienced the literal foreign invasion of America, by heathen troops, as pictured in Ezekiel 38, 39. (This scripture is speaking of Israel in their new land, promised to King David in 2 Samuel 7:10.) Yet we have already experienced a heathen invasion of America, and heathens have run this country for the past eighty or more years, regardless of whether Republicans or Democrats have been in the seat of power. But the military invasion is coming, you can count on it. It will be the invasion Gen. George Washington saw in his vision at Valley Forge. You say: "How can Russia invade America, when Communism is dead?" Oh, but my friends, Zionist controlled Communism is not dead, it has just changed it's name to fool our gullible people and while our One World Order leaders have led us into disarmament, the old Communist world has been rearming faster than at any time in their existence.

Since 1987, we have not built a nuclear sub, in fact our President disarmed ours. They have been floating two every three months. We have not built a super-carrier in over five years, they are building two per year. They have got rid of thousands of their intercontinental missiles, only to replace them with more powerful, more accurate ones, and while our leaders cry: "Peace! Peace!", the enemy prepares for war against Christendom. It's coming!

But "thank God", in the midst of the gloom, and fearfulness which often grips our heart, we are told in Joel 2:19, 20, that God will take care of the "northern-enemy army". Vs. 20 says - "I (God) winturemove from you (Israel) the northern army, and will drive him into a land barren and desolate, with his face towards the eastern sea, and his hinder part towards the uttermost sea". My friends, this description cannot possibly fit Old Palestine, no matter what Peter LaLonde or Jack Van Impe may say to the contrary.

Then in Joel 2:30, 31, we have a further confirmation of Christ's prophesy of Matthew 24:29, made hundreds of years later: "And I (God) will show wonders in the heavens and in the earth, blood, and fire, and pillars of smoke (nuclear war, possibly? Sounds like it!) The sun shall be turned into
darkness, and the moon into blood, (a poor translation, since the word BLOOD in Hebrew is DAM, which means literally "to perish"), before that great and terrible day of the Lord". But thanks be to our God, that vs. 32 is true: "And it shall come to pass, that whosoever shall call on the name of the Lord shall be delivered. . ." But be sure that He hears you when you call, for scripture indicates that He does not hear all our prayers. Isa. 59:2, indicates that He will not even listen to our petitions, when there is unforgiven sin in our life. So keep the lines of communication open between you and God, by asking His forgiveness on a daily basis.

You rich men who trust in your big bank accounts and your riches, they will not save you in that day. Listen to Zephaniah 12:18 "Neither their silver nor their gold shall be able to deliver them in the day of the Lord's wrath .

In Zep. 3:8, we are further told: "Therefore wait ye upon Me, saith the Lord, until the day that I raise up to the prey, (Heb. AD [57061 meaning: "the aim of an attack") for my determination is to gather the nations, that I may assemble the kingdoms, to pour out upon them mine indignation, even all my fierce anger! for all the earth shall be devoured (Heb. - AKAL [398] meaning: "burned up; consumed"), with the fire of my jealousy".

This is quite a different picture from that given in the average Judeo-Christian church, where God is always pictured as a "God of love", who loves the sinner, while hating His sin. Maybe this is one of the reasons they dislike the Old Testament so much, since it "tells it like it is!" and makes no attempt to sugar coat scripture to make it appeal to men and women.

But let's get back to Matthew 24.

Vs. 31 - Here we have evidence of the regathering of "true Israel", not a people we call Jews. This will take place after the nations of the world see the Son returning in great glory and power. This will not be a secret gathering, as the Rapturists teach, but will be announced with the "great sound of the trumpet".

Vs. 32, 33 - These appeal to our common sense and say in essence: "Just as you know summer is near when you see the fig tree put out leaves, so when you see the things I (Jesus) have spoken of take place, you know my return is at hand". Of course La Londe, Van Impe and other prophetic preachers of their stripe, say this "fig tree" is represented by the Jews, but Jesus is not speaking of a literal fig tree here, but is using it as an illustration to show that summer is at hand.

Vs. 34 has caused some confusion in Christian circles. The Preterists say that this verse refers to the people Christ was speaking to, and that ALL these things took place within their lifetime. This was true to a certain extent, but I believe it refers to the generation which sees these things take place, and some of the predicted things did not happen in 70 A.D.

There was no darkening of the sun. There is no evidence proving that the stars fell from heaven. There was no great persecution of the Christian church. The persecution of Nero, under influence of his Jewish wife, Poppaea, ended with his death in 68 A.D. Although Christ predicted great persecution of His people before His return, and there had been this persecution under Nero, it had abated, and Christ had not come back visibly, as He said He would. The world had not seen His return in glory!

While there were wars, famines, pestilence and earthquakes, such as there have been since the beginning of 6000 years of earth's written history, at no time in the First Century did they reach the intensity of what is happening now.

Christians were not hated world wide as they are now. False prophets were not running rampant, "brainwashing" the people through a public media such as television. The Gospel of the Kingdom had not been preached to all people, worldwide, as Christ said it must!

God did not end the days of Rome's destruction of Jerusalem to save the "elect". They had already listened to Christ's warning and had fled the city before it fell. There were no false Christ's showing signs and wonders. But these things are happening now! I watched one of their nauseating displays
on Trinity Broadcasting System last night, where from coast to coast, in what they called a "PRAISE THE LORDATHON!" they whirled, danced like whirling dervishes to Satanic religious rock music straight from the Satanism of darkest Africa, while all the time exhorting their "brainwashed" followers to SEND IN YOUR PLEDGES! One woman, who looked like a painted prostitute, "ala Tammy Bakker" exulted, "Praise the Lord, we have just passed the $2 million dollar mark." It made me angry, when I thought of all the elderly men and women, who have sent in their pittance, from a Social Security income of very little, so these charlatans could put on a show from their studio which must have cost at least $250,000 to furnish. Judeo-Christian preachers on prophesy, such as the La Londe brothers, Jack Van Impe and Hal Lindsay, proclaim that we are living in the last days. Most of these fellows believe in a "pre-Tribulation Rapture", which is not taught in the scriptures, and which was unknown in Christian circles before 1850. They envision "saved" folks being taken out of the mess that was caused by their apathy, and oh how the gullible Christians love to listen to their sweet words.

Hal Lindsay is probably the best known of the Pre-Tribbers, and he has sold millions of his books on subjects such as THE LATE GREAT PLANET EARTH. He is a welcomed guest on TBS. He has an exciting way of stirring up a church crowd of thousands to where they thrill with the expectancy of taking a trip into the stratosphere to be with the Lord, at any moment! This teaching has destroyed more "soldiers of the Cross", than anything I know of, for instead of being on the battle line where they belong, they hide in their comfortable, air-conditioned spiritual foxholes, folding their holy hands as they ask God to do the dirty work for them! "I'm saved, you know," one lady told me, "and I don't have to worry about these awful things happening, because Jesus will take us out of this world before it gets all that bad". I wonder how they explain Matt. 24:22, where Jesus said: "Unless I intervene, there will be no one left alive!" These people are so wrapped up in their "shrouds of self-righteousness", that it is problematical whether they get unwrapped in time when He does return!

When you follow Lindsay's reasoning that Jesus will return within a generation after the Jews were restored to Palestine, that generation of 40 years ended in 1988. Hal being a "pre-tribber" believes that the Rapture will take place before the seven year tribulation begins. Like Van Impe, and the LaLonde boys, he believes there will be 3-1/2 years of peace under the anti-Christ, followed by 3-1/2 years of calamity. So since the generation of forty years ended in 1988, minus the seven years of tribulation, the Rapture should have taken place in 1981. Only it didn't, and those who promoted this falsehood are still here, still peddling their poisonous fare to gullible Christians.

Of course none of these fellows are stupid enough to set actual dates. But they give what they believe are Bible dates to make it clear what they mean, and then say: "You figure it out!" According to Bible definition, they are "false prophets", who should not be listened to. In Deut. 18:22 we are told: "When a prophet speaketh in the name of the Lord, if the thing follow not, nor come to pass, that is the thing which the Lord hath not spoken, but the prophet hath spoken it presumptuously (Heb. zawdon [2087] meaning "arrogantly; proudly"); thou shalt not be afraid of him". In Deuteronomy 13:5, we listen as God pronounces the death penalty on false prophets. It's no light thing in the eyes of God, to make predictions when you don't know what you're talking about!

A serious study of scripture will reveal that Jesus may not return in our lifetime. I wish He would. I pray that I will see His triumphal return! But this "Any moment" teaching has an adverse effect on many Christians. Why prepare for the future, if Christ will return any day now they seem to say!

Some who preach the Rapture don't believe in it, as can be seen by their actions. A few years ago, a young Baptist pastor told me, "The Lord will return before the end of this year". (It was about September some 1989). When I asked him how sure he was of this taking place, he said: "As sure as it is that I'm speaking with you now". The problem was, he didn't know that I knew some things about him, and when I asked why if he believed this, he had just taken out more life insurance, and why he still put money in the bank every month so his two boys could go to college, he got angry...
and stalked off. You see, it was quite obvious he was preaching something he didn't believe. We have thousands of these fellows standing behind the pulpits of our land preaching what they don't believe, because it is church dogma, not because it is scriptural.

When you come right down to it, the historical Christian view of the End of the Age, is quite different from that of most contemporary Christians, or those put out to millions via TV and authors such as Hal Lindsey. Lindsey is noted for his sensationalism, which sells millions of books, but doesn't coincide with scripture!

The theory of the "any moment return of Jesus" is unorthodox, and anti-historical Christianity.

I believe that you are going to see a drastic change take place in the thinking of fundamental, Judeo-Christians, when it finally sinks into their consciousness that they have been fooled by very clever "wolves in sheep's clothing", who have occupied their pulpits. What their reaction will be, I don't know, but I would not want to stand in the shoes of one of these charlatans when the truth finally comes out.

Jesus is coming back all right! Make no mistake about this! The Word says He will return, and that's good enough for me (see Acts 1:10, 11).

Jesus never prayed that His followers would be Raptured out of tribulation, but He did say (John 17:15) - "I pray not that Thou shouldest take them out of the world, but that Thou shouldest keep them from evil".

Now is the time when genuine Christians should be getting serious about their associations with the King. Now is the time when we should look for DISCIPLINE AND OBEDIENCE in our lives.

We look at the world powers arrayed against Christians and victory seems impossible. But we have a FORMULA FOR SURVIVAL, which will work, if we are willing to give it more than mere "lip service". It is found in 2 Chron. 7:14. Remember the experience of Gideon in Judges 7. He was prepared to go against an army of 130,000 Midianites with 32,000, untrained Israelite soldiers. God had him cut this force down to 10,000, by letting all the cowards go home. Then he further cut this force to a mere 300, by an exercise in discipline, and it was with this tiny 300 DISCIPLINED, OBEDIENT men, that he won a magnificent victory without even using a weapon. Isa. 59:1, indicates that our God, is today the same God that opened the Red Sea for our forefathers, and shook down the walls of Jericho. I would go so far as to say that if we are OBEDIENT, He will once again come to our aid with miracles.

We can be sure of God's promises and He reiterated this in vs. 35 when He said: "Heaven and earth may pass away, but My words shall not pass away!" We can be as sure of this as that the sun will rise tomorrow morning.

Vs. 36 - Any time you hear some prophetic preacher predict when Christ will return, remember this verse. For Jesus proclaims him to be a "liar". He said: "But of that day or hour (of His return), knoweth no man, no, not the angels of heaven, by My Father only.

In vs. 37-41, Jesus gave further clues as to the time of His return. He said those days would be as in the time of Noah. What do we know about those days from scripture? Vs. 38 says that people were "eating, and drinking, marrying and giving in marriage, until the day that Noah entered into the ark. And they knew not, until the flood came and took them all away". What further clue do we have of these days from scripture? Gen. 6:5-7 says: "And God saw that the wickedness of man was great in the earth, and that every imagination (Heb. - yester [3336] meaning: "purpose"), of the thoughts of his heart was only evil continually. And it repented the Lord that He had made man on the earth, and it grieved Him at His heart. And the Lord said, I will destroy man that I have created". (Note that the men He destroyed were the created one's of Gen. 1:27, who had been CREATED male and female. ADAM was FORMED, male only, Gen. 2:7. Noah was from the Adamic seedline, and was "perfect in his generations". In other words, he had not mingled his blood with other races (vs. 9). This is why God spared him.
Things haven't changed very much, have they? The imagination of the vast majority of mankind is still evil continually, as can be seen by their life style and actions.

Men no longer see the importance of keeping the Adamic bloodline pure, and when you even mention it, you are labeled as "racist". Men continually seek excuses for miscegenation, contrary to the law of God. So we are living in a generation which was like that of Noah. Millions of Adamites were destroyed in the flood, because they had not listened to God, or the preaching of Noah. (2 Peter 2:5) Noah had preached "righteousness" for 120 years as he built his ark, and no one listened to him other than his immediate family. Those who would not listen perished!

Because of our indifference, when He comes back, we will see a division among the people, vs. 40 says: "two will be in the field, one will be taken and the other left" vs. 41 - "Two women will be grinding; one will be taken and the other left", and the Rapturist will say: "See, doesn't govt prove the Rapture?" Not at all! Look at Jesus parables of the Good and Bad Fish and the Wheat and the Tares, in Matthew 13:24-30; 37-43; 47-49. Vs. 49 clearly states: "so shall it beat the end of the world (Age); the angels Will come forth and sever the wicked from among the just". It will be the "tares" and "bad fish" which will be removed.

Vs. 42 is an admonition for us to be on the watch for His return. The Apostle Peter warns us of those who will say: "...there shall come scoffers in the last days, walking after their own lusts (desire for material things). And saying, Where is the promise of His coming? for since the Fathers fell asleep, all things continue as they were from the beginning of creation". (2 Peter 3:3, 4).

These words may seem a contradiction of my statement that His return may not be eminent. But notice. Here it is 1994, almost 2,000 years from when this promise was made. Men and women who have loved Him, down through the ages, have looked for His return during their lifetime. The Preterists say He came back in the First Century and is here now, but we have no visible proof of this. But because we have not seen His return, does not mean that He has broken His word. No way! He will return at the Father's appointed day and hour, and in a time when many, even those professing to be Christian will not be ready. We have Jesus' parable of the ten virgins to prove this. Five were "saved" and "wise". The other five were "saved" but "foolish". There is no reason to believe that the "foolish" girls were not "saved". But they missed out on the wedding feast because they were not prepared for the Bridegroom's return. In 1 Corinthians 3:13 we are told by the Apostle Paul about men and women who build on the foundation of Jesus Christ, an edifice of gold, silver, precious stones, wood, hay or stubble. When their edifice is tried by fire, the gold, silver, and precious stones become purified and more valuable, while the wood, hay and stubble most of us send forward, are burned up, although Paul says that these folks will be "saved, but as if by fire". (1 Cor. 3:11-15). I have heard church folks rave about the golden mansion they are going to have in heaven, when they have not been sending any gold and silver building materials on ahead. This ties in with the observation of the Apostle James in James 2:17, when he said: "Even so faith, if it hath not works is dead; being alone". This makes sense, for although we are "saved by grace (the unmerited favor of God), through faith, and that not of ourselves; it is the gift of God; not of works, lest any man should boast," (Eph. 2:8,9). Yet the proof of our salvation is in our works, not in what we say. There is a great deal of difference between standing up in church and telling folks how much we love the Lord, or showing it by what we do for Him.

"What you do shouts so loud that we can't hear what you say!" So don't brag about how much you love the King, if you aren't showing it by what you do!

In vs. 43, Jesus tells us that if we knew the hour when the thief would come, we would be prepared to defend ourselves against him. Therefore, it is our duty to be ready for the King's return at all times, even though He may not return in our lifetime, or that of our children.

God does not expect you and I to be SUCCESSFUL. He does expect us to be FAITHFUL! I am not worried about what my position is in His Kingdom, for I have made up my mind to be satisfied with any position He gives me, even "private rear rank". All I want is to hear His: "Well done good and faithful servant; enter into the joy of thy Lord".
Matt. chapter 25, is a continuation of examples given in chapter 24 and further shows the necessity of being FAITHFUL!

In Vs. 31 Christ says that when He returns He will gather all nations before Him and will separate them as a shepherd does his sheep and goats.

Isn't it interesting to note that the "sheep - God's saved people", are on the "right", while those who have rebelled against Him and have been rejected will be on the "left".

Note carefully vs. 35-46. It will not be those who shout "Lord! Lord!" the loudest who will enter the Kingdom, but those who OBEY Him. I have always been intrigued by Jesus' words in Matt. 7:22, 23, where He tells about the many who in the Day of Judgment will remind Him of the wonderful things they have done for Him. My! My! How they have prophesied in His name; how they have cast Out demons in His name and healed people in His name". And the King says, He will say to them: "Depart from me, ye who work iniquity. I never knew you!" What does that word INIQUITY imply? It comes from the Greek word "anomia" (458) which means: "lawless; violation of the law". What are we told about this in the scripture? 1 John 3:4 says: "Whosoever committeth sin, transgresseth (breaks) also the Law; for SIN is transgression of the Law". Many of you in your Judeo-Christian churches have been taught that Christ did away with the Law when He died on Calvary, although both He and the Apostle Paul say something quite different. So how do you explain this? You believe in SIN don't you? You can see it's results all around us every day. If there was no Law, there could be no SIN. This in essence is what the Bible says. So as long as "sin abounds", GOD'S LAW MUST be in effect. It should be as plain as the nose on your face.

We have a sequel to this in Luke's Gospel, chapter 21. It is essentially the same story, given from a different viewpoint, but carrying the same message. I like Luke's message of hope, as given in Luke 21:28. After stating in vs. 26, that "Men's hearts will fail them for fear, and for looking after those things which are coming on the earth . . ." and this is literally true, for suicide, brought about by fear, is now one of the number one killers in America. It is the number one killer among college aged youth, and the psychiatrists and psychologists who are supposed to tell us what's wrong, and what we can do to alleviate it, are killing themselves off four times faster than the rest of us "nuts". This should tell you something!

But Luke 21:28, is a shout of triumph, for it says that when we, who love the King, see things happening which distress and frighten others, we are to "LOOK UP, FOR OUR REDEMPTION DRAWETH NIGH! HALLELU'YAH!"

What more can I say?

Be prepared for His return, and remember again that

**OBEEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY!**

Your brother and servant in the King's business,

SOME ASPECTS OF PRESENT TREASON YOU NEED TO KNOW! U.S.

Government refuses to acknowledge Gulf War dead!

The following information was taken from the February 2002 CRIMINAL POLITICS MAGAZINE, published by Lawrence Patterson, of the PATTERSON Strategic Organization, P.O. Box 37812, Cincinnati, Ohio 45222, and used with his approval. It is of vital importance to White Christian Americans in particular, since you are the target of enemy attacks.

An incredible development is the refusal of our government to acknowledge that the dead from that first phony war, was claimed by the government to be 150, while the Gulf War Veteran’s Association have produced evidence proving there were over 40,000 dead and that Gulf Vets are now dying off at the rate of 6,000 per year, from the effects of that war, which has now infected thousands of their dependents.

In the meantime, veteran's benefits and compensations for income loss and disability have been flatly denied to over 100,000 men and women who served in that war and who are now suffering from it's effects, along with their families.

Perhaps the greatest cruelty is that doctors have been ordered by our government to determine that there were no war related illnesses, although ample evidence is available to prove the fact that chemical and biological attacks, and destroyed enemy ammunition dumps, dispersed these deadly agents over hundreds of miles.

Doctors have been telling infected Gulf War vets, that the symptoms that have been killing and disabling them are merely a "problem in their minds."

The only thing now holding up another deployment of American service personnel to this area, is the production of more "smart bombs", that were depleted in our aerial attacks on Afghanistan. This and the Saudi Arabian refusal to give us bombing bases on their territory as they did during the first war.

Many men were disabled by being forced to take poisonous vaccines that had never been tested by Health authorities. (I experienced this in 1943 at Fort Polk, Louisiana, where over 10,000 soldiers were infected with hepatitis, at one time by bad vaccines).
It should not come as a surprise to see servicemen and women in the National Guard, and Reservists, resist and refuse to be sent to the Arabian desert.

It is interesting to note that over 100 officers and enlisted men in the Israeli Army have refused to take part in their country's unjust attacks on Palestinian Arabs. No doubt they will be severely disciplined.

If you wish to protect our servicemen and women against another unjust war, it would be well to let your Congress and conservative publications know how you feel and that the American people will hopefully demand that our elected officials live up to their "oath of office".

The protection of those who defend our country is the only "moral, ethical, and Christian thing to do." To do less is an insult to being an American. To remain silent in the face of this grave injustice is to "become part of the problem."

President Bush has asked Americans to show their pride and patriotism, but how can our people be honestly patriotic when the men and women who protect us are dishonored by their own government? True patriotism goes much deeper than merely flying the American flag. I wonder how many Americans who are now "starry eyed with patriotism", will care enough to do something about this disgrace? For "What you do shouts so loud we can't hear what you say!"

Two unrelated, highly respected research groups, one in California, and the other in Ontario, Canada have independently come to the conclusion that our government, under the leadership of George Bush, Sr., cooperated with Saddam Hussein and used secret germ weapons to kill our own military.

Some of you know about the mysterious disappearance of the STARS and STRIPES military newspaper. I believe with many others, this was because they proved that our government had advanced warning of the 9-11 attacks, and did little to stop them. The follow up campaign from Afghanistan, if allowed to carry over to another attack against Iraq, will result in the deaths of thousands of more military personnel, without doing anything for the protection of America. As usual we will come, out on the "dirty end of the stick."

I have been much disturbed by the actions of George Bush, Jr., although we should have expected it with his 32° Mason affiliation and both he and his father being ardent New World Order adherents. The thing which amazes me is how he has played his "born again" admission to seduce millions of Christians into believing he and his Administration can do no wrong, when any intelligent person should know you can't be a 32° Mason,"
and a "born again" Christian at the same time, as his loyalty MUST be first to the LODGE, and Christ said: "A man cannot serve two masters."

Both George Sr, and Junior, are members of a Satanic cult which teaches it's members to become their own god's, using (Genesis 3:22) for their authority. They follow the teachings of the German Jew philosopher Ludwig Feurbach, who over 150 years ago stated: "Man will finally be truly free, when he realizes there is no god of man, but man himself." This idea took root in the diseased brain of a young Jewish radical named Karl Mordecai Marx, and became the foundation for his Communist Manifesto.

In June 1981, the Israeli's made an aerial raid on Iraq's nuclear plant, totally destroying it. This eliminated for years to come any attempts by Iraq to become a nuclear power. This raid was a first strike against Iraq which the Israeli considered a threat to the Palestinian mini-state, and was carried out without any consultation with their American benefactor and ally.

This raid was followed almost immediately by a State visit by President George Bush, Sr, to Iraq, where Bush recruited Saddam Hussein as a partner in the C.I.A.-Secret Societies program. From this point on Hussein followed orders from the C.I.A.

In 1982, under President Ronald Regan, Iraq was suddenly removed from our State Departments list of terrorist countries, and the Commodity Credit Corporation opened a line of credit with Hussein's regime. Shipments were sent to Iraq of wheat, rice other foods and medicine. Then without notice, these shipments were suspended and the credit was used to purchase high-tech military armaments. While President Regan objected vehemently, he was met with an assassination attempt outside the Hilton Hotel in 1983.

Documented evidence proved that John Hinckley's bullet did not hit Regan, and that he was shot by a C.I.A. agent who in the confusion caused by Hinckley's shot, shoved the President to the floor of his limousine and shot him at close range using a miniature, silenced pistol that fired a tiny bullet called a flachette. This left such a tiny hole in the President's body there was almost no bleeding. (While weak in power, it had the ability to kill if it hit a vital organ). Regan was saved by a miracle.

In late 1983, using Henry Kissinger's contact with an Italian bank, BANCA NAZION alecelt LAVORO, a guaranteed credit line was set up for Hussein's regime in the amount of $2 billion.
and suddenly, without their consent, U.S. taxpayers were giving
guaranteed loans to a terrorist nation who had threatened the
Israeli's with a nuclear attack.

Next, the Atlanta branch of the Italian bank, secretly allowed
Iraq to exceed this loan by $900,000. These loans were used to
procure nuclear, biological and chemical materials from the U.S. and
Great Britain.

In March 1984, Hussein suddenly received orders from the C.I.A.
to attack Iran and start a war. In this war they tested their
nerve and mustard gas against the Iranians. The overriding goal of the
U.S. conspirators was to wipe out and commit Genocide
against the Arab population of the Middle East. Their purpose
was to restore a more equal population balance between the Arabs,
who often had eight to ten children, and the Israelis whose
women preferred birth control and abortion. With a child bearing
basis close to 8-1, the U.S. government cooperated with their
Zionist masters in Tel Aviv and New York City, and set up "killing
fields" for Arabs. Yes, Virginia, there was a conspiracy between
the evil men of world Zionism and their equally evil cohorts in
America. They were successful, because with 50-milaTon "born again"
Christians in America, the majority insisted on backing the
anti-Christ's of Judaism as God's Chosen who can do no wrong.

The 8/1/92 VILLAGE VOICE detailed how Bush, Sr. armed Hussein,
and how these weapons were used against the American service
personnel in the Gulf War, turning over 100,000 of them into
"human vegetables".

Over the next five years, 1986-1991, this same Italian bank
increased U.S.taxpayer spending in Iraq to an amazing $5.5 billion.
There was no way this could be accomplished without the knowledge of
many in our Congress. It has been well documented that the U.S. used
it's helicopters to help Hussein lower the Arab population in both
Iraq and Iran.

Iraq became quite adapt at the use of chemical and biological
agents during the Iranian war, and was known to have used them
against their own people who disapproved of Hussein's heavy
handed policies. Iraq later loaded scud missiles with these
horrible agents, which caused many casualties among our American
military personnel. (Mostly a long range effect that is still
crippling thousands of them

On January 25, 1989, Sen. John McCain (R-Az) charged that the
U.S. had sent Iraq, secret biological agents, ten times more
destructive than Anthrax, and shortly thereafter C.I.A. Director
William Webster admitted to a Senate Committee that Iraq had
produced several thousands tons of chemical and bacteriological
agents.
During this period up to 1989 Henry Kissinger and his associates were making a business of organizing contracts between Hussein and American business interests and getting wealth off fees charged for their services.

Kissinger's agent to Iraq, along with Kissinger himself, made huge profits from these illegal and immoral deals. Their success was facilitated by the badly wounded Regan's agreement in November 1984, to establish full diplomatic ties with Iraq.

Bush, Sr., also speeded up deliveries of biological agents and weapons to Iraq through Presidential Orders that often bypassed and were even unknown to Congress.

Often Congress was kept in the dark by Top Secret Presidential Orders, that bypassed Congress, and now, his son, in the Presidential seat, wants to continue in his father's bloody footsteps.

Bush Sr's new Secretary of State, James Baker, lobbied the Secretary of Agriculture to support these loans to Iraq although a State Department memorandum mentioned that these loans were being used to purchase more biological and chemical weapons.

Twenty months after Bush, Sr. became President, Saddam Hussein invaded Kuwait, after being assured by our State Department that we would take no action against him. Suddenly and amazingly the President switched sides and labeled Hussein as a "new Hitler." It immediately became obvious that Bush made his decision under intense pressure from Tel Aviv, who viewed Iraqi military presence in Kuwait as a danger to them, and once again America was "suckered" into a war to protect Jewish interests. Just as in World I and II, we gained nothing but grief and an unplayable debt to those who seduced us into fighting another war for their benefit. Hussein was never at any time a danger to America, or American interests in the Arabian Peninsula. And once again we got involved in an "entangling foreign alliance" contrary to warnings we had received from men like George Washington, Benjamin Franklin and more importantly the Holy Bible. Now it appears that Bush, Jr, is leading us into another of these immoral and costly wars which may very well end in our being taken over by the Zionist New World Order. This is their avowed plan! The old truism is still valid: "He who will not learn from the mistakes of history is bound to repeat them." Will we never learn?

It is doubly sad, when we see true Christians cooperating in their own destruction.
No Christian could imagine that the present U.S. Administration could surpass that of ex-president Clinton in treasonous acts. But the present Administration has not only failed to stop, overturn, or dismantle any of the significant evil acts of Bill Clinton’s Administration, it continues to cover-up illegal government activities.

According to the accurate WORLD AFFAIRS BRIEF of Joel M. Skousen, Orem, tah, these are - "surveillance without a warrant; withholding of crucial intelligence regarding national defense; threats; corruption of evidence in ongoing investigations; money laundering; collusion of judges to imprison whistle blowers; massive drug control and importation schemes which could not be possible without government approval, and a host of other wickedness that there is not room to mention here.

While Bush and most of his advisors are considered to be conservatives, most of them belong to the internationalist group, the Council on Foreign Relations, which is Zionist controlled and One World Order oriented.

One of the main reasons the Bush Administration is more dangerous than the openly liberal Clinton Administration, is that it has fooled millions of Christians into believing they are God-fearing, patriots who love the Constitution, when in reality their actions show they are trying to tear it down, and prepare us for the slavery of the Zionist One World Order.

Bush, Cheney, Powell, Ashcroft and other high Administration officials have agreed to follow a control agenda, formulated by anti-Christ's who hate our government and people and desire, according to their own testimony, to "Destroy White Christian civilization."

This Administration is more dangerous, because it's lies are believable, and are accepted by millions of good Americans. It has reached the unbelievable and dangerous point, where to criticize the government or the church, for obvious wrongs, is considered close to TREASON.

This Administration is rapidly undermining many Constitutional American rights, in their oft-repeated name of fighting terrorism, while they are becoming terrorists who prey on our rights.

When Bush, Sr., began the first Gulf war on January 16, 1991, it resulted in the destruction of Iraqi ammunition and chemical dumps, which released poisons that contaminated hundreds of square miles, while Scud missiles loaded with poison gas, hit our military camps, and contaminated thousands of American service personnel.
International Zionism, egged on by the strong Jewish Lobby in Washington, D.C. is once again "beating the war drums" for American involvement in a second Iraqi war. Yet, mark my words, although we may very well become involved, Hussein, like bin Laden will miraculously avoid capture or destruction.

Must we repeat this nauseating process every ten years to appease our masters in Tel Aviv and New York City?

Criminals in our own government have used our military as "guinea pigs", turning them into vegetables, headed for an early grave. As a combat veteran of World War II and Korea, I can no longer remain silent about this hideous crime against our people.

On May 25, 1994 a secret Senate Report which represented hearings behind closed doors with no news personnel allowed, clearly indicated biological weapons supplied to Iraq by the Bush, Sr. Administration and paid for by your tax dollars were used against our military personnel in the Arabian Desert.

Anyone doubting this can request a phostatic copy of this 150 page report for $25.00. It is no longer available through government sources.

This report carries a table of contents that includes a list of the biological and chemical agents supplied to Iraq and more importantly pinpoints the agents used on our troops.

This factual information, coming direct from our Senate should make decent Americans furiously angry, to where we demand strong, and immediate action against the government criminals involved, no matter how high ranking they may be.

Professor Donald Scott, President of the Common Cause Medical Research Foundation, after years of research has traced many of the diseases now being suffered by our Desert Storm troops, to biological experiments conducted and plaid for by
your tax dollars. These related diseases are AIDS, multiple sclerosis, bipolar depression, chrome colitis, Huntington's, lupus, lyme disease, Parkinson's disease, rheumatoid arthritis, and the fearsome, and yet uncontrollable Alzheimer's disease.

This research raises grave suspicions that former President Ronald Regan may have been purposelessly infected with micro plasma to prevent him from testifying publicly regarding the deadly dangers which seek to overthrow this country.

How much insane abuse must Americans, especially Christian Americans suffer, before we will rise up in righteous indignation to deal severely with the criminals who seek to control and destroy us?

It now appears that after the 9-11 terrorist attacks that killed over 10,000 Americans, (not the less than 3,000 reported by the media), and which was planned and executed by extremist Arabs under supervision and aid from our C.I.A. and the Israeli MOSSAD, that other terrorist acts are in the planning stage by those secret rulers who control this world.

If George Bush, Jr. is enticed into another war in Iraq, it could easily lead to thousands of American casualties, caused by further terrorist acts. Imagine if you can, the explosion of a nuclear device, or germ warfare bomb in a big city like New York. There are thousands of potential terrorists already in America who would die happy, if they could cause this disaster. Don't rely on your government for protection as long as we have TRAITORS operating in high government positions, who would gladly "sell us out", to the highest bidder. Or as one high ranking Israeli official recently boasted: "We have the best Congress money can buy".

Will our American people swallow a second phony war in Iraq? Why are we still asleep when the evidence of TREASON is all about us?

The New York Times, carried this headline: CALLS FOR NEW PUSH IN IRAQ GAIN POWER IN WASHINGTON (Strong lobbies find allies in the White House). It should take no imagination to know who these lobbyists are.

The Israelis regardless of their phony Bible interpretations, backed by most of the "brainwashed" church world, have no legal, moral, or spiritual claim to Palestine, It was stolen from Arabs, by Britain and the United States and given to the Jews. The present day Jews are genetically un-related to the Hebrew people, so the armament that they received this land by Divine decree does not old water, no matter what Jewish apologists like Jack Van Impe and Jerry Falwell say to the contrary. Jewish leaders
openly admit that the vast majority of the Jewish people today, (at least 85%) have none of Abraham's blood flowing in their veins, but are of a heathen Truko-Mongolian background. Every Prime Minister of the Israeli mini-state has come from this heathen background. Alfred Lilienthal, a prominent and respected Jewish author has said: "It would not surprise me to find that many Gentiles have more of Abraham's blood flowing in their veins, than their Jewish neighbors."

This truth and Christ's own witness, kills the argument of many Judeo-Christian and Fundamentalist Christians, that these heathen, anti-Christ people are God's Chosen, who have a spiritual mandate to Palestine. They are usurpers.

It is very possible that another war against Iraq will unleash more terrorist attacks against America, that could result in millions of casualties. Yet the Zionist leadership who are pressing for this attack, could care less about how many Americans die, as long as their long range plans for One World Government are met.

The New York Times of 2/14/02 reported evidence which indicates that Al Qaeda leaders are organizing their remaining cells for another massive terrorist attack against America.

It is very possible that the method used may be radiation. This is a relatively simple device, which if used in a populous area would kill and sicken masses of people through radiation produced with nuclear materials, without destroying buildings. It would be spread with ordinary explosives like dynamite.

It is most likely these attacks would be against coastal areas as these are the most easily penetrated. Our southern border is also extremely vulnerable.
The Mexican border remains wide open for trucks and sealed containers which could easily carry Al Qaeda terrorists and their arms into the central areas of the country, very possibly under Chinese leadership. The terror and confusion caused by such attacks, would provide the political cover needed for a war against Iraq.

When, not if, this attack occurs, we can expect half a million of our service personnel to be stationed in Palestine, as "peace keeping" forces, when actually they will be for the protection of the Israeli and further harassment of their Arab neighbors.

It is sad to see the day, when decent Americans, especially those who call themselves Christian, will allow our own government to institute operations that are dangerous to our freedom.

While the Israeli military mutiny against the excesses of the Israeli government is praiseworthy, our nation has become so dominated by Jewish leadership that a phony war in Iraq, now in it's planning stages, will set the stage for the Zionist planned world conflict which will start in the Middle East and could destroy us. This is evidently the "long range" Zionist plan for world control.

Now is the time when Americans should DEMAND that Congress introduces a binding resolution on the President, which will forbid him to:
(1) start an un-declared war in Iraq; (2) immediately return American military forces stationed in over 140 places overseas, and, (3) demand that our military be used to defend our own borders, and prepare an adequate defense against foreign attack, as we have none now. Oh for a return to the days of the Monroe Doctrine.

The duty of our government is not to become involved in "entangling foreign alliances" overseas as a world policeman, but to "protect and defend this nation "against all enemies, both foreign and domestic."

Our government has allowed the Panama Canal to come under the control of Communist China, and has given concessions to them on American soil. This MUST be stopped at all costs if we are to remain FREE.

We know for instance, that radical Mexican extremists under the sponsorship of the tax-free Ford Foundation, have been agitating Southwestern Mexicans for twenty years to invade Southwestern U.S. and declare it a Republica del Norte. Already, many states in the Southwest have become predominately Hispanic, due to lax immigration laws, and illegal immigration, backed by "left wing liberal politicians", for their own ulterior purposes.
Now the time is getting ripe for an attack from the south. If our military is involved in Iraq and other overseas areas such as the Philippines and Russian Georgia, we would be in no position to defend this country from a southern invasion, with millions of potential enemy already within our borders with their heavy equipment. The Panama Canal under Red Chinese control would be useless to us. Surely knowledgeable men such as our Secy. of State Colin Powell, can understand this danger.

With America virtually defenseless, what a temptation this would be for Red China and Russia, to get into the fight against us. In spite of what you read in the controlled media, they still consider us as their most dangerous enemy. It presents us with an almost perfect setting for the Gog-Magog invasion of (Ezekiel 38,39), whose main effort will be directed against the Israel nations of Canada and the United States, not the Israeli mini-state in Palestine, as Judeophile TV prophets like Jack Van Impe, and Jerry Falwell predict. Our first and greatest President George Washington received a warning of this attack in his famous Valley Forge Vision, and a sermon was preached before Congress in the middle 1800 by a preacher named Pike, I believe his name was, who predicted a future war with Russia.

The signs are clear and only the stupid or "brainwashed" will fail to take note. If you are a Christian, God will hold you accountable for the TRUTH you have heard, whether you want to accept it or not.
Scoffers be warned! Would you have laughed a year ago if someone had predicted the 9-11 terrorist attacks? Would you have called the predictor insane? Yet more and more evidence is accumulating, that our government knew about these coming attacks and did little to stop them. What makes you believe that present tensions will slack off, when we are more vulnerable than ever before? (The success of these attacks makes more almost inevitable.)

I am not a prophet, nor do I claim the gift of prophesy. But more terrorist attacks are almost inevitable, as our enemies know we have few defenses against them.

But we still have an option. We can take God's way as promised in (2 Chronicles 7:14), and be saved. Or we can continue doing things our own way and face disaster. (Man's way has always proven fatal). We began a war against drugs, and the drug problem got worse. We began a war against poverty, and there are more hungry and destitute people in America than ever before. We began a war against pornography, and illicit sex and sexual depravity is at it's worst.

So let me call something special to your attention about this (2 Chronicles 7:14) promise. It does not say: "If the heathen, the aliens, or the unsaved church members listen to God and REPENT,  He will HEAL our Land. It is very specific. It says: "If My (God's people and it was not speaking about anti-Christ's of Judaism), who are called by My name (Christian), will LISTEN to Me, REPENT, and OBEY, then I will HEAR from heaven and FORGIVE your sins, and will HEAL your land". This indicates that people in America and Canada, who have a true Christian experience, hold the key to our SURVIVAL. MUST we be driven to our knees and have our nose rubbed in the dirt before we will, LISTEN to God, OBEY, and be SAVED both spiritually and physically? We have tried man's way and it has proven a miserable failure. Are we intelligent enough to try God's plan that will keep us SAFE and FREE?

Yours for Christ and a Christ honoring Republic,

Jack Mohr

Special Message for 2002

Those of you who have been with my ministry for any length of time, know how I have emphasized, over and over again, the necessity of Christians adhering to God's Conditional Promise, given to ancient Israel, through King Solomon in 2 Chronicles 7:14. Some have stated that I repeat this too often, but how can this be, when it is the key to our survival?

Although I have read this passage, hundreds of times, it was only recently that I saw a new and very important meaning to it. It is a message that will not set well with "universalists" of the Judeo-Christian world. (This term is an impossible oxymoron, since there can be no such creature. The Jew and Christian are headed in opposite directions, and according to Jewish sources, do not even worship the same God.)

The Jewish god, like that of Freemasonry is not Almighty God and His Son, Jesus Christ, but a heathen entity called Lucifer.

Jesus Himself placed a difference between His followers and those of Judaism in many places. In John 10:26, He told the Jewish leaders: "But ye (Jews) believe me not, because ye are not of my sheep..." (emphasis mine).

In Matthew 23:15, He accused them of going over sea and land to make converts (proselytes), only to turn them into "two fold more children of hell than themselves."

In John 8:44, He refers to them as being "of your father the devil; and the lusts of your father ye will do. .. " In verse 47 He said, "He that is of God heareth God's words; ye, therefore hear them not, because ye are not of God."

In many places in the New Testament Jesus referred to the Jewish leaders as "hypocrites " - (Matthew 15:6-9; 23:13-15; 23:23, 25, 27, 29; Luke 11:44). In other places He called them "vipers, poisonous snakes " (Matthew 23:33). These are the heathen antichrists (See 1 John 2:22) that many in the Judeo-Christian church world call
God's Chosen. How can this be, when their Savior says otherwise? It is obvious that many would rather believe their church leaders, than their Savior.

Let us return to 2 Chronicles 7:14. I noticed that this promise said nothing about a great national revival that would reach the heathen, the aliens, or even the church.

It is very specific. Read it and see for yourself. It says: "If My people - who are they? Genesis 21:12 says: "In Isaac (the son of Abraham), shall thy seed be called." Isaac's sons, S-ac's Sons, Saxons, and in Amos 3:2 "Thee (Israel) only have I (God) known of all the families of the earth; therefore will I punish thee for thy iniquities."

We have a second witness in Hebrews 12:6 that says, "For whom the Lord loveth, He chasteneth, and scourgest every son whom He receiveth." Correction is a sign of sonship! These are the people "called by God's name (Christians), whom He says if they will listen and obey, He will hear and heal!"

This discipline, when we sin, is one of the strongest evidences that we belong to God as His sons/daughters. Hebrews 12:8 says, "But if ye be without chastisement, whereof all are partakers (and this evidently refers to disobedient children), then are ye bastards and not sons." Please don't get angry with me for these harsh words, as they come from the Book, and mean that if you sin and are not disciplined by God, you do not belong to Him.

What implication has this promise to us today? I believe it implies that we who know we are "born from above Israelites" called by God for special purpose (See 1 Peter 2:9) hold the key to the survival of Christendom. It is a tremendous responsibility and because we have fallen woefully short on our obligations, we are feeling the disciplining hand of God on our people.

You may choose to believe that Christ did away with the Law, but 1 John 3:4 clearly states that "sin is transgression of the Law", and the Apostle Paul, in Romans 3:31 says, "Do we then make void the law through faith? God forbid: yea, we establish the law!"

We are not going to get out of this mess we are now in through military or political actions, or by throwing vast sums of money at it.

For over eighty years now, the Foreign Policy of the U.S., has completely disregarded the warning of 2 Chronicles 19:2 - "Shouldest thou help the ungodly? (They are the antichrists according to 1 John 2:22), and love them that hate the Lord? (They call Him bastard), therefore is wrath upon thee from before the Lord."

We can't expect to disregard God and mock Him (See Galatians 6:7), as we have done by becoming involved in "entangled foreign alliances", contrary to what God's Word teaches, that have led us astray from God and expect to be blessed.
Special Message for 2002

Today we have military missions in over 500 places worldwide when we cannot defend our own borders and our non-Israelite Secretary of State, Colin Powell has stated publicly that he wants them to remain there as U.N. policemen.

Today, once Christian America has allowed the antichrists of Judaism, to once again seduce us into a war in the Middle East, on the side of antichrists, which could easily turn into World War III, and destroy us.

Already because of this war, we are losing many of the freedoms, that Americans have fought and died to obtain.

Because our country is now caught up in the "while hot heat" of patriotism, it has become almost an act of treason to point out wrongs in our government or the church.

With this as an introductory background, let's look at what is taking place in America on a National level, which is not being brought to the attention of the American people through our controlled media.

Our country was shocked by the September 11th terrorist attacks. Now as more and more evidence is surfacing, it appears that our intelligence agencies knew months in advance, that such an act was being planned.

It is interesting to note that before the second airliner crashed into the Twin Towers, the media was already trumpeting the Zionist information that this was an attack by Arab terrorists, and that Osama Bin Laden was most assuredly to blame. Immediately the British and American governments confirmed this, before any evidence had surfaced. Yet they have never seen fit to give this evidence to the American people. Leaving speculation in the hands of a prejudice media. What are they trying to hide? This operation has all the earmarks of a joint MOSSAU CIA maneuver, but the media has not breathed a word of this to the public, even though it shows all the characteristics that got us fraudulently involved in World War I and II. Both were Zionist wars, for Zionist purposes, and America got nothing of value from, only grief, bloodshed, and unpayable debt. Strangely enough this debt is owed to the very same bandits who got us involved in these wars.

When anything like this takes place, the question should be asked. "Que bueno? " (Who profits from it?) Certainly the Arab world gained nothing, and we are the ones who have suffered the damage and must pay the bills for the destruction. Apparently the Israeli are happy, as once again they have seduced us into a war for their purposes, this time against the Arab world.

Now that some of the trickery is being exposed. Members of our government and the liberal left are suggesting we look for "domestic terrorists ", with the media already pointing their accusing fingers at the "armed militia and armed Christian patriots ", who have been the backbone in defense of this country. The idea that there are still, men and women who cannot be bought, who cannot be intimidated, and who will fight for their
freedom, is something so foreign to their narrow liberal natures, that it "the hell out of them ". They know that before their Zionist One World Government can take control, these must be disarmed. If it means killing a few million of them, "so what? " I will be good for the whole world. Could it be that the media is laying the ground work for Christ's prophecy in John 16:2 - "They will put you out of the synagogues (identifying who the `they' are); yea the time cometh when whosoever killeth you, will think he doeth God service."

The suggestion that the search for "domestic terrorists" began in the sacred hall of Congress, was made by you guessed it a Jewish Congressman. My suggestion is that this search should begin with a good "house cleaning in Washington DC, and many of our churches."

What has come to light concerning the 9-11 attack that has not been revealed by the media to the American people?

Most of the information I will give you comes from the respected "CRIMINAL POLITICS MAGAZINE" published by Lawrence Patterson, P.O. Box 37812 Cincinnati, OH 45222.

Under the headline "REPORTS OF ADVANCE KNOWLEDGE VOLIMINOUS", we read: "History repeats itself, as this country has been dominated by the Secret Societies of Communism, Zionism, and Freemasonry for decades. The 9-11 attack was not the first to afflict the American people. There have been many since World War II, which was fought to create the Israeli State in Palestine, and has been a "thorn in our side, " ever since, just as God promised.

Our government has spent over $200 billion of our tax dollars supporting these ungodly (antichrists according to 1 John 2:22), who hate the Lord (calling Him a bastard). And we are shocked when God's wrath falls on us.

Now 55 years later, we have suffered over 3,000 casualties in another genocidal attack, caused by our insistence on defending those who "hate our Lord". Our government, supported by the controlled media that clamors for war tells us that this attack was made by angry Arabs, who are jealous of our world prestige. Yet they have given us no tangible proof to back up the war that is now raging in Afghanistan as a result, and is costing us a billion dollars a month to promote, while using up valuable munitions we may need later, to defend these shores against an enemy attack, ala Ezekiel 38, 39. This could well take place as the result of the "bankrupt foreign policy " this nation has chosen to implement.

There are so many public reports now available of complicity in the cover-up of this carnage, that intelligent men and women, who are willing to look for the truth, and refuse to be "brainwashed" by one sided media reporting, must question whether the American people are facing a scandal of unbelievable proportions.
Special Message for 2002

Yet in the face of the "white hot" wave of patriotism that is now sweeping America, it is extremely difficult to get the truth, when any criticism of government or church actions is construed as "treason". Look back in history and see where this has happened before. During both World War I and II, conscientious men and women in both Britain and the United States were imprisoned for merely expressing opposition to wars most Americans detested. In both of these wars, incidents had to be created to bring patriotic fervor to the "boiling point", where men and women were willing to become involved in wars they did not want. There is an old natural law, which says: "He who will not learn from the mistakes of history is bound to repeat them."

Most Americans accept what they hear on TV and read in their newspapers without question, yet it has been proven over and over again that these controlled sources are unreliable, and give you only one-sided reports.

Years ago, I remember a TV broadcast where Walter Cronkite, the head "guru" of the media at that time was asked about truth in broadcasting. In his superior manner he replied: "My job is not to tell the truth, I am an opinion molder." (Remember this the next time you see the urbane faces of Peter Jennings or Tom Brokaw on the evening news.)

This is more or less the attitude of the media, that for the most part are Jewish owned and controlled, and operate in the interests of their Zionist masters. As a result of this, the vast majority of news received by Christian and non-Christian alike, is in favor of Zionist interests, whether they are good for America or not. Their first loyalty is to Zionism!

The degree of Jewish control over America can be seen in remarks made by high-ranking Israeli officials. One reported publicly: "We (Jews) have the best Congress money can buy." While Ariel Sharon, the Israeli Prime Minister, when being cautioned by an official of his government over America's reaction to the 9-11 tragedy, according to Jewish newspapers screamed back: "Don't worry about the Americans, they are under our control and know it!" It has also been recorded that 70 of our 100 U.S. Senators, usually "vote" the straight Zionist ticket, when it comes to support of the Israelis.

When a once great Christian republic falls to the socialist level of a Zionist welfare state that openly supports God's enemies, they are not far from becoming a dictatorship of the planned Zionist One World order. Many of our government leaders in Washington, Jew and non-Jew alike, are openly working towards this end. Or as one of them said: "You will have a One World Government, whether you like it or not."

According to the Cincinnati Post, a Scripp Howard newspaper on 9/22/01, press releases from Tel Aviv stated that the Israeli Intelligence Source, the MOSSAD were aware months before 9-11 of planned massive terrorist attacks against the United States, and never gave warning. (With friends such as these, why does a nation search for enemies?) The Israeli officials who briefed journalists on the condition of anonymity said: "Everybody here knew about a heightened alert, and that a big attack was coming."
This same official said the MOSSAD regularly shares its intelligence with the CIA so there was no reason they did not know. Yet in Washington DC the CIA denies having received this warning. "Something is rotten, folks, which smells to high heaven, and it ain't in Denmark."

It now appears as an aftermath of the 9-11 attack, our precious Bill of Rights is about on it's last legs, and our self proclaimed "born again " U.S. Attorney General John Ashcroft, appears to be the one who is singing it's "death knell."

A majority of Americans may deny that we are slowly losing our God given freedoms, as an antichrist bureaucracy is swallowing them up, but this has become more apparent since the 9-11 attacks. Now a frightened America is willing for the government to take our freedoms on the promise of safety. It reminds me of Benjamin Franklin's remarks when he said: "He who values security more than freedom, deserves neither." Now the government is promising America a security it can no longer guarantee and when Americans wake up to the fact that they are now "slaves of the New World Order", it will be too late to do anything about it other than submit.

We have been seduced by a gradual process that has taken this once great Christian nation from a free Christian Republic, into a Jewish Welfare State, well on our way to becoming slaves on the Zionist World Plantation of their New World Order.

We can declare our love of country by flying our flags, and singing "God Bless America ", without realizing that He will not bless us as long as we are in disobedience to His will.

From my office window I can see five flags flying in front of American homes, and it thrills me, but I was saddened by the fact that probably not one of them understands or cares about the depth of America's present enslavement.

Just as FDR knowing about the Japanese attack on Pearl Harbor, failed to warn our military, blaming our military commanders for his treachery, in order to get us involved in World War 11, so today, our government under Zionist control failed to warn our people about the danger that faced us, and prepare us for adequate defense. This frightens me!

Yet with all the knowledge available of treason in our ranks, it is very improbable that these will ever be brought to justice under our present system. Treason prospers, what's the reason? "For when treason prospers none dare call it treason!"

I could go on with page after page of evidence proving the treasonous activities of men and women in our Congress, who have taken an oath of office, to protect and defend the Constitution and this Republic against all enemies both foreign and domestic, who are now "giving aid and comfort to the enemy", in their efforts to amalgamate this republic into their Zionist One World Government. Many are not Jews! Many hold high positions in the ranks of professing Christians, which makes their treason even more
contemptible. This will continue to grow worse, until decent Americans, Christians and non-
Christians alike, demand accountability from those we have put into office. As the old
Pogo cartoon character said: "We has met the enemy, and they is us!" We have no one
else to blame.

While the Jews and aliens have become "thorns in our sides, and pricks in our eyes",
founding fathers like George Washington and Benjamin Franklin, and more importantly the
Word of God foretold, if we allowed them access to our country, they are not the cause
of our troubles, they are the a ect of White Christian Israel disobedience, and it is far past
time to place the blame where it belongs. (Study Deuteronomy 28 and see for yourself.) God
promised fabulous blessings if we obeyed, and harsh curses if we disobeyed. We choose to
disobey, and now I wonder why we are in trouble?

It is hard to believe that former President Clinton and now President George W. Bush, Jr., were
fully aware of the danger from terrorist attacks and did little to prepare this nation to defend
against them. This will become more obvious as facts are brought to light.

When President Clinton's all out effort to force a peace agreement between Yassar Arafat and
the Israeli failed, a green light was given to the long, preplanned use of four
commercial airliners as bombs to galvanize the American people into actions against the
Arab world on the side of the Israeli. It bore many of the same fingerprints used to get us
involved in the Jewish wars of 1918 and 1941.

It should be noted that the Secret Societies who now control America, will soon be in full
control of our Home Defenses. We are getting closer to this every day and it is a
frightening thought.

As usual this deception has been carried on by the creation of a Cabinet Level Office that is
answerable neither to Congress, or the American people. Very few Americans are aware of
this fact!

Instead of announcing this to the American people, President George W. Bush, has kept this
fact a virtual secret. He has refused suggestions that he ask for a Congressional vote on the
creation of this office, and has indicated that he would not sign such a bill, as the
government deception continues.

This office should be directly responsible to the American people.

Believe me when I state that our security is not in responsible hands. The control of America is
no longer in the hands of Congress, but in the hands of the Secret Societies.

There is now much evidence that plans are underway to destabilize this country and adopt
Marshall Law. There are over 30 million foreign-born people in the United States with
possibly 11 million being illegal. Never in our history have we been so vulnerable to attack
from within, for the barbarians are already within our gates.
Reports are constantly being made that large numbers of Middle Eastern men are illegally entering the country through Mexico. The Mexican-US Border has become the major highway for illegal's to enter the U.S. and the almost completely unguarded Mexican border has become the most heavily used corridor for them to enter. While we have military stationed at over 500 overseas posts, it seems that our lawmakers cannot see the importance of guarding our own borders, yet one of the historical signs of the break up of large empires, has been their refusal or inability to protect their own borders.

Many ranchers on the borders have a valid apprehension about speaking openly of the border situation, for fear of retaliation from the narco-militants and coyote human smugglers.

According to Dr. Gordon Ginn, the Bible Commentator for "CRIMINAL POLITICS", and backed by many knowledge Christian Bible students: "Under Biblical teachings, we are the separate ourselves from those of non-Christian belief and patterns practiced by antichrist nations." This is completely at odds with the Christian (?) "universalists", who insist that God wanted us to be "one chocolate blob. " It seems logical to believe that if this had been God's plan, He would have made us the same from the beginning. Apparently deluded churches know more about what is good for mankind than God Himself. This has been one of the biggest problem areas in church from it's beginning.

Dr Ginn continues: "What's more, we have allowed ourselves to become compromised by foreign cultures, just as God promised if we allowed them entry into our country. Consider this passage from Leviticus 20:23,24 - "And ye (White Israel), shall not walk in the manner of the nations I have cast out before you: for they committed all these things and therefore I abhorred them ... I am the Lord thy God, that has separated you from other people." Verse 26 - "And ye shall be holy unto me; for I the Lord am holy, and have severed you from other people, that ye should be mine." (See also 1 Peter 2:9)

Un-Christian you say. Not so! For it is un-Christian to mix with those who hate our King and are bent on "destroying White Christian civilisation " (God's people).

We can either obey God, or be destroyed For obedience to God must come before we can have victory and be truly safe and free!

Introduction

Jesus -- Not A Jew

Seemingly, in every age, since the advent of the Christian Church, a book or writing, like a messenger, comes along which vociferously and indignantly silences the false teachings and heresies of it's day. From the writings of St. Paul, the early church fathers, Augustine, Acquinas, Abelard, St. Francis of Assisi, Luther, Wesley, and scores of others there has always been a "generational" witness against the heresies of that particular era. Especially right and proper has this been when such erroneous teaching has become almost universally accepted by the so-called "purveyors of truth", usually those individuals who speak from a voiceless, and stagnant church age such as this one.

Such a book is this one.

In an age when much false teaching abounds, Jack Mohr has scripturally and historically "slammed the door" on one such false teaching, namely that our Lord and Savior Jesus Christ was a Jew and thus, Christianity sprang from Judaism.

Mohr exposes the hypocritical facade and lack of in-depth research into this vitally important subject in a myriad of ways and from a wide range of sources. With careful attention to true historical analysis, he effectively dismantles the monstrous apparition created over the centuries by a deceived and gullible populace which has been led and controlled by tired, lazy, "so called" scholars who willingly accept any and all information spoon-fed to them in colleges and seminaries across the land.

He begins this expose' by reviewing the true historical facts surrounding the times and message of the apostle, St. Paul. References to Paul's missionary direction and his denunciation of "Ebionite" teaching, (that Christianity sprang from Judaism) prove conclusively that the early church did not espouse a JudaicChristian theology, but, on the contrary, adamantly opposed such a teaching. The careful and meticulous extrication of Judaizing influences in the early church by the apostles is further noted as a causative factor in maintaining it's purity. By carefully detailing the antithetical differences between Judaism and Christianity, he very astutely cuts away at the fabric of Judeo-Christian philosophy. Such differences include the all encompassing aspect of Christianity compared to the egotistical exclusiveness of Judaism.

His very credible sources further detail plans of a universal Jewish conspiracy with references to
taped and written interviews, writings (Jewish Protocols), events that have transpired right here in the U.S., infiltration techniques, "modus operandi", and most importantly, the manifest "fruits" of Judaism proving them to be the enemies of our Lord.

His proof that the province of Galilee (dwelling place of Christ), was non-Jewish coupled with a complete historical look at the land of Galilee, including a survey of it's geographical terrain all combine to make off-time boring factual data more invigorating and interesting. The numerous varieties of people who settled in and around the area of Galilee (practically all of whom eventually became the progenitors of European and Scandinavian stock) testify to God's providential intervention in maintaining an area of comparative purity and productivity destitute of overriding Jewish influence. The influence of Greek culture and language upon the people in and around the area of Galilee were the prime movers in the promotion of the physical and spiritual beauty of that region. Both by temperamental and physiological differences, Mohr proves the people of Galilee were not at all like their neighbors to the south, the Judeans. Thus, this area provided the perfect setting for our Lord's human growth and development.

Upon reading his detailed descriptions of the character and nature of Jesus Christ one is left aghast at those who would even remotely compare Him with the Jew. By a careful analysis of the arrest and trial of Christ, Mohr rightly lays claim to the premise that Jesus Christ in no wise exemplified the personality traits of the apostate crowd who instigated the whole affair. This highly factual information regarding Christ is supported by historians of that era and even a letter discovered to have been written by Pontious Pilate to emperor Nero describing in some detail the physical appearance of Christ including His demeanor and countenance.

The historical life and times of Jesus is further meticulously surveyed with emphasis upon

1. Christ's rejection of Jewish Messiahship
2. His attitude toward Gentiles
3. and finally, as noted, His trial and crucifixion, all of which reveal his character, temperament, and objectives as being totally antithetical to the personality and objectives of His Jewish adversaries.

The trials, tests, and even apostolic confrontations encountered by Christianity in the first century and while escaping from Jewish influence, epitomize the common practices experienced by true believers of all succeeding ages.

As one reads the episodes of vivid accounts of confrontations of Paul and Peter, the firm verbal and written exhortations made by the Apostle Paul against adherences to Jewish philosophy, dogma, and fables he is gripped with the realization that nothing has really changed since that time. The constant haranguing and persistent historical confrontations between these two distinctly different theological philosophies prompted diligent oversight from the apostles and leaders of 1st Century Christendom. Even today among those who truly understand the issues does this scenario perpetuate itself.

Mohr cites the confusion interjected by various scriptural translations has contributed in a large matter to the ambiguity in scriptural interpretation and thus, proved a valuable tool to Jewish influence.

The clarion call of "we must act now" screams from Mohr's writings as he indignantly and vociferously voices the concerns of multitudes across this land, those who truly understand the evil, cancerous system at work.

An indictment against compromising Christians is rightly resounded as their acceptance of the fallacious doctrine of Jesus was a Jew combined with the acceptance of His doctrine as springing from Jewish doctrine has rendered most pulpits across the land as barren and ineffectual.
Furthermore, as America's pulpits have increasingly leaned toward the Jewish concept of universal brotherhood, (with them as "big brother") and global One-Worldism, the unction and anointing so prominent among 17th and 18th pulpiteers has likewise departed the sanctuary, giving way to watered-down, milk toast sermons having little spiritual value.

The arrogant boast of Jewish antiquity is exposed as fallacious and without historical merit with references to the early Sumerian (Mesopotamian River Valley) inhabitants (5,000 BC) as not being Jews but Aryans who were forerunners of the Semitic people (not Jews) who later settled there.

The author factually declares that the Jews have not changed since their origination which began even before the Assyrian captivity of 745 - 721 BC and reaching the high water mark with the Babylonian captivity in 606-586 BC. Quotes from Roman and contemporary historians add credence to the claims of Jewish subterfuge and chicanery. Even the early church fathers, who because of intense stress and persecution were perhaps inclined to be more tolerant than the average Christian of today, noted their disapproval of Jewish influence. Rulers, Czars, and Presidents all have acknowledged similar reactions to the Jewish problem prevalent in their time. American generals of times past noted the despairingly ineffectiveness of attempted disciplinary assimilation of these people.

Perhaps the significant witness of all, however, has come from the pen of the Jew himself. Brazenly and arrogantly acknowledging their goals, Jewish writers have continued on their road of anticipated world conquest.

Even with all this boundless deluge of information available, thousands of pastors in Evangelical and Fundamental churches, Mohr says, still stubbornly refuse to look at truth. He rightly laments the fact that because of "the binding cords" of denominational dogma and tradition these pastors and leaders have inadvertently set the stage for a final showdown between these two mutually exclusive beliefs.

Because of the Jews' intense hatred for Christ and His church, coupled with the world-wide acceptance of the doctrine of the New World Order and it's accompanying Jewish implementations, the final manifested "showdown" of the ages is to occur. From both a scriptural and historical point of view it's inevitability is certain.

Any true Christian believer who would ever have the opportunity to look upon the pages of the Jewish "Bible", the Babylonian Talmud, could never come away from such an experience the same person, believing the same thing as before about Judaism. The author further exposes Jewish teaching by simply allowing this Jewish book to speak for itself. His review of the historical information surrounding the compilations of the now 63 volume set, along with the precariously attempted sanitized versions, both adamantly testify to the inconsistencies of the Jewish mind in any proposed attempt at dissemination of truth. The open admittance on the part of those translators of sanitized editions of having omitted certain portions along with extremely questionable sources employed by the early Pharisaical Elders in compiling the information contained in earlier (and even later) volumes, combine at the very outset of such investigation to question the genuine truthful spirituality of such writings.

The extreme secrecy involved in Jewish thinking in not allowing non-Jews to review their religion, should make any Christian leery of it's message. As the Author meticulously dissects the details of Talmudic Law, one quickly discerns why it's message has been concealed for generations from the unsuspecting. The refinement of Jewish cruelty and inhumaneness is vividly revealed as the forms of capital punishments of offenders of Talmudic Law (not the Torah) are duly noted. Special attention is given to certain acts which automatically call for the death penalty along with the punishments meted out for insignificant "crimes" such as "grinding" (chopping vegetables), "hammering", and paring of toenails or fingernails. The dichotomous traits of the two "beliefs" becomes overwhelmingly apparent as one reads on into this sordid material, derived from the heathen occult background of Babylon,
and practiced long before the advent of Christ on earth.

The several sources of the Talmud which have become available in an English translation further testify to the concealment techniques of these "emissaries of Babylon" and offer no help to the sincere seeker in understanding the source material behind the writings of Judaism. The real "unexpurgated" Talmud edition, the Soncino edition, became available in English simply because there were Jews who could not read Hebrew.

Scripture passages have been conveniently twisted to meet the approval and dictates of the Talmudic sages, says Mohr, revealing the "higher revelations" of the post Babylonian Rabbinic sages over those of the original Torah authors.

Multitudes of scriptures are cited showing Christ's scorn and contempt for these imposter interpreters of Hebrew law, all of which are taken from the New testament disannulling the theories so predominant today in Judaeo-Christian circles that Christ's manifested attributes during His earthly sojourn were only those of love and peace.

Other witness, all through history, have warned if Jews were allowed to remain in the country in just a short time that country would belong to them while the original inhabitants would become their slaves.

Mohr's conclusion is summed up rather succinctly. There is only one formula for survival. "It is found in II Chronicles 7:14. God's people must repent. Because this conflict has been from the very outset, intrinsically a spiritual one, it will not be waged with the weapons of the flesh, but rather as we submit to the God of our fathers and implore His blessings as we physically and most importantly, spiritually prepare for the days immediately ahead.

Was Jesus of Nazareth a Jew? Of course not. The historical Biblical, and spiritual evidence is overwhelmingly to the contrary. The author has "laid the axe to the root" of the falseness of this stumbling-block of heresies. It is my sincere prayer that each and everyone privileged to read this account will contemplate, with prayer and re-commitment, the needed return to the commands and dictates of our Lord in eager anticipation of the soon cleansing and restoration of our land.

Not A Jew

One of the most disturbing things now disrupting modern Christianity is a Judaized teaching which has crept into the Christian church within the last 100 years. This heresy erroneously teaches that Jesus Christ, the Son of Almighty God, the Savior of all who believe, came from that group of people who have been anti-Christian from the beginning, and who have openly advocated that Christ and His religion, known as Christianity, must be destroyed. To believe that the teachings of Christ are based on this "God hating" religion, called Judaism, is akin to blasphemy, yet it is the doctrine taught in the majority of our so-called Christian churches, especially among those who are known as Judeo-Christian.

It is the purpose of this book, to attempt to point out, from history and the Scriptures, that the religion of Christ, we now call Christianity, could not possibly come from the heathen religion of Judaism, which teaches a doctrine diametrically opposed to Christianity. It is only as Christians understand this vital truth, that they will be able, in the concluding days of this "age" to defend themselves against a philosophy dedicated to their destruction. It is in the spirit of self preservation, that this book has been written, and it is dedicated to those faithful souls who have had the courage to stand in the face of modern church criticism, for the truth.
In his fascinating book, FACTS ARE FACTS, Dr. Benjamin Freedman, a converted Jew writes: 
"The utterance by the Christian clergy which confuses Christians most, and which is constantly repeated from the pulpit, and on the written page, is that Jesus was a Jew. It is uttered by the clergy on the slightest pretext. They utter it without provocation. They appear to be 'trigger happy' about it! They never miss an opportunity to proclaim it to their congregations.

"The only way the clergy can get out of this mess they have brought on themselves, is to resort to telling the truth, the whole truth and nothing but the truth. This is the only formula by which they can regain the confidence of their flocks.

"Without fear of contradiction, based on the most competent, the best qualified authorities today, the clergy will have to admit, if they are honest, that Jesus was not a self-styled Jew. During His lifetime He was known as a Judean by His contemporaries, but HE WAS NEVER CALLED A JEW!"

One of the most outstanding Christian theologians of recent years, Adolf Harnock, rejected the hypothesis of the Jewish origin of Christ and His doctrine in these words: "The Messianic features in Christ's words are abolished entirely and virtually no importance is attached to Judaism in its capacity of Jesus' environment."

This is not an original book as such. Rather it is a compilation of statements which prove to those who have an open mind for the truth, that Jesus Christ, whom we acknowledge as the Son of God, and whom many of us proclaim as Savior and king, did not come from the heathen background of Judaism. It will prove, I believe, that the God Christians serve, is not the God of the Jews. While this is a truth which will shock many devout Christians, it is nevertheless a truth we MUST accept, if we are to stand against the assaults of the adversary in these concluding days of the "Church Age."

In this study, I am indebted to a large degree, to a book written by Jacob Elon Conner, A. B., PhD, which was published in 1964. Dr. Conner did the in-depth research which you will read here, delving into the historical background of Jesus of Nazareth. Theologians will find nothing new in respect to Christ the Son of man, unless it may be the nationalistic implications which may arise from the authors comments.

This book is but a modern attempt to answer an old, old fallacy known as "Ebonitism," a heresy denounced by the Apostle Paul and other Apostles, when they carried the kingdom message of Christianity, to the Gentilized "lost sheep of the house of Israel." (not the Jews), who, during the first century AD, were scattered abroad in Asia Minor, Europe, and the "isles of the sea," (Great Britain). Have you ever wondered why the Apostle Paul took the message of Christianity into Asia Minor, rather than Asia?

Every indication of Scripture shows that Paul was planning to go into Asia. What changed his mind? You can find the plain answer in Acts 16:5, where we are told that Paul and Silas, after having preached through Phrygia and the region of Galatia: "were forbidden by the Holy Ghost to preach the Word in Asia. After they were come to Mysia, they assayed to go into Bithynia: but the Spirit SUFFERED THEM NOT. And, after passing by Mysia, came down to Troas. And a vision appeared to Paul in the night; There stood a man from Macedonia, and prayed him saying, 'Come over into Macedonia and help us.' And after he had seen the vision immediately we endeavored to go into Macedonia, assuredly gathering that the Lord has called us to preach the Gospel there."

Look at a Bible map showing Paul's missionary journeys and you will see that he left off preaching in Asia to go into Asia Minor, following Christ's command. (Luke 10:6). "Go not into the way of the Gentiles (and here the word means "heathen" rather than "non-Jew.")., but go rather to the lost sheep of the house of Israel." These were the Gentilized Israelites who had lost their identity, as they had been sent into captivity, centuries earlier, for their disobedience. These "lost sheep," do not refer to "unsaved Jews," as your pastor has probably told you for the Greek word for "lost" has nothing to do with the state of being "unsaved," It comes from the Greek word "Appolumi," which is made up
of two root words, "apo" and "ollumi" and literally means: "those who have been banished as punishment." (This was "true Israel."

The "Ebionites" whom Paul denounced, taught that in order for a Gentile, (and here this much mis-used word refers to a non Jew) to become a Christian, they must first be converted to Judaism, and be circumcised. This seems strange, in the light of Christ's words in Matt. 23:15, where he spoke to the leaders of Judaism, saying: "Woe unto you, scribes and Pharisees, hypocrites! for you compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two-fold more a child of hell than yourselves."

It is evident from Christ's own words here, and in many other places, that Jesus did not accept the religion of Judaism. In one place in John 5:16, when the Pharisees bragged about how they followed the teachings of Moses, Christ refuted them by saying: "Had ye believed Moses, ye would have believed me, for he wrote of me. But if ye believe not his writing, how shall you believe my words?"

These "Ebionites" were the first of a long line of Judeo-Christians who have infiltrated and literally destroyed many true Christian congregations, along with Christ's true witness to the Church.

The importance of the subject under discussion, has become evident in recent years in the outgrowth of world wide Jewish aggressiveness, but especially in the white nations of Christendom, who are, I believe, the "true Israelite" people of the Bible.

For all intents and purposes, these nominal Christian nations are now under the political and economic control of what some call ZOG ("Zionist Occupational Government.") The recent Jewish aggressiveness is but another in a long series of such incidents throughout history, which have always resulted in catastrophe for the Jews, yet they never seem to learn:

The present trend towards Jewish assertiveness can be traced, and is aggravated, by the timidity of the Christian pulpit, and by the Jewish boast that Christianity came from a Jewish source. They say that the Jews gave us both our Lord and Savior, Jesus Christ, and our Christian religion, while blaspheming him and calling Him an "illegitimate bastard." For those who know the truth, this is blasphemy of the worst sort.

The Gentile (non-Jew) world, has been accused by the Jews of cowardice in dealing with the Judeo-Christian phenomenon. I agree with this! A Jewish writer, Marcus Eli Ravage, in his book, A REAL CASE AGAINST THE JEWS, January 1928, said that the Christian world were cowards because we were afraid to speak our minds in all frankness, when it came to Judaism and Jews. I call it the "FEAR OF THE JEWS" syndrome that caused thousands of Persians to convert to Judaism as early as 510 BC. (see Esther 8:17.) (The Jews celebrate this day every year! It was the day on which they massacred thousands of those who anti-Jew. It is known as the Feast of Purim.)

We must also deal with another challenge thrown out to the Jews by a blunt old Gentile who said: "If God is a Jew, what have we Gentiles to do with your religion?" A good question, since the religion of Judaism has nothing in common with the religion of Jesus Christ.

When we deal honestly with the Jewish Question, we are obliged to indict an entire nation, or race, (if Jews could be called a race). Since we are facing a racial challenge, that is aimed at the destruction of white Christian civilization, according to the Jews own words, we must face this danger from a racial as well as a religious standpoint.

Individual exceptions, and there are many, must be secondary and wait until the major problem has been resolved.

While the burden of proof, to their claim of being God's Chosen, rests upon the shoulders of the anti-Christ (see 1 John 2:22, 23), we can show the fallacy of their claims within the context of the Old Testament itself.

There is logically no room for doubt that the Galileans and Judeans were no more than standoffish
neighbors, from the time of King Rehoboam, the son of Solomon, to the time of the Assyrian captivity some 245 years later. Their only bond was a common "cult" or "religion," which at that time was known as Hebrewism. (The religion of the Jews, that was known at the time of Christ, was not the religion of "true Israel.")

Any fair minded person recognizes the truth that you cannot judge an entire race on the basis of the "best" or "worst" of their nationality; nor can you do it by a chance acquaintance with a neighbor you may have liked or disliked. In other words, Christians must judge Judaism on the basis of national, or racial ideals, and how Jews adhere to them en masse.

As "non-Jew" Christian Americans, (the Jews call us "goyim" which in Yiddish, means: "non Jew animal"), it is within our rights and our duty, to resist whatever is hostile to our way of life, especially our Christian ideals.

This book has not been written to criticize the individual Jew, but to stress the un-Godly power this alien group now holds over the people of the Christian world and which according to their own predictions is concerned with eliminating all Christian influences from this world.

The same people who claim to have given us our religion, and our Savior, have declared in their Bible, the Babylonian Talmud that our Savior is an "illegitimate bastard, born out of wedlock by a Jewish whore."

While we today are living not in the Republic envisioned by our Founding Fathers, but in a Socialist Welfare State, where we who love God are forced to pay for the parasites who live off us, the same is true of Judaism, which has become a "vampire religion and society" which cannot exist of itself but must live off the efforts of others.

America has been declared by our courts and our national leaders to be a Christian nation, although when we look at the monstrosity that has been created by Jewish interference with our Christian way of life, we shudder at what we see. We have certain guarantees of freedom which are inherent in our magnificent Constitution, and its Bill of Rights. One of these is found in the 1st Amendment, which guarantees liberty of religious belief for all. But if we allow Judaism to gain the upper hand, as they did in the Soviet Union following the Jewish sponsored and led Bolshevik Revolution in 1918, we will see the imposition of an atheistic State religion, which is already in place, known as Secular Humanism. The idea is to ban all religions and cults, except for the One World religion, which leaves Judaism supreme.

The Christian theologians of the Free World should not be offended, when some of us care enough about the welfare of our people, that we "draw a line of demarcation," between the sacred and the profane.

Christianity belongs both to the "present" and the "future." It is not bound to the "tradition of the Jewish elders," that Christ constantly fought against. (See Matt. 15:6, 9).

Christianity is not a Jewish religion and did not come from the "cesspool" of Talmudic Judaism. It's founder, our Savior, did not come from this mongrel people.

I will attempt to prove this to you as we go along, if you are honest enough to look at the facts, and not be carried away by the criticism which is sure to come from many Christian pastors who either do not know the truth, or who deliberately shun it.

Why should Christianity be held to the supposition that they are heirs to traditions which are not our own? Especially when they are filthy, absurd traditions which come from a people who are decidedly antagonistic to Christianity.

While Christianity has become uncomfortably TOLERANT, we MUST learn that we cannot COMPROMISE! Judaism is the opposite of Christianity, in that while it is forever intolerant of others, it is forever compromising to get the better of every situation that comes along. It is high time for Christianity to leave Judaism on the "garbage heap of history," where they belong, and
where they would have automatically ended, if it had not been for the support of "brainwashed" Christians.

In many ways, the Christian world has lost the respect of unsaved men and women, as they see the way Christianity as a whole has cooperated with these avowed enemies of God, with the open purpose of destroying us. Christians need to understand what Judaism is all about, and what it has borrowed from the heathen, especially the occult world.

The early Christians, hindered to a great extent by their Judaistic background (most of them were Israelites, there were few Jews among them who believed in Christ), failed to detach Christ completely from the Cabalist religion of Judaism. ("Cabala" - "an occult philosophy taught by the Talmudic Rabbis of Judaism, and contained in their holy book, the Babylonian Talmud.")

Save for the Greek Christians of Antioch, who were very possibly "true Israelites," and elsewhere along the Mediterranean coast, the teachings of Jesus Christ, at a very early stage in their history was in danger of being smothered or absorbed by the Judaizers who had managed to insinuate themselves in the new religion.

The Apostle Paul was aware of this when he warned Titus in Titus 1:10: "For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews); Whose mouths must be stopped, who subvert whole houses, teaching things they ought not, for filthy lucre's (money) sake." Then in vs 14: "Not giving heed to Jewish fables, and commandments of men, that turn from the truth." Then in Acts 15:1, we read: "And certain men which came down from Judea taught the brethren, and said, 'Except ye be circumcised, after the manner of Moses, ye cannot be saved.'" Paul put the "quietus" on this false teaching, when he accosted Peter face to face, because he had been taken in by this Judaizing teaching. Our modern day Judeo-Christian churches are being faced by this same danger, and very few pastors have the courage to confront it for fear of being called "anti-Semitic."

The wisdom of Christ, in contrast with that of the worldly wisdom of the Pharisees, can be seen to no better advantage than in His attitude towards law and order. He even counseled obedience of the Roman government, whom most Jews hated.

Even though many Christians today, including many in the ranks of Identity Christianity, to which I belong, resent Christ's teachings, I must promote His teachings that we should "support the powers that be," as long as they are under duly constituted authority and do not cause me to do things contrary to the King's will.

The Jews do not want Christians to follow this teaching, since it leads to a nationalistic "mind-set" which is contrary to the One World Order thinking of International Judaism.

The world is still reeling under the assault of Zionist Bolshevism, which has murdered over 140-million people since 1918, many of them Christians. It's interesting to note that this vast holocaust is never mentioned in the Jewish controlled media, while they constantly harp on the false Jewish holocaust of World War II. Communism is still a major threat to Christianity, in spite of media efforts to convince us that it is dead since communism is the stepping stone to a one world dictatorship.

Today, as the major efforts of Zionist/Socialism have inundated the United States and Canada - in fact all of Christendom the anti-Christ's gloat over the prospect of a willing victim, whose "brainwashed:" Judeo-Christians, preach a gospel of non-resistance", and "internationalism," when it's real name is Judaism.

About 1975, a well-known Christian patriot, Walter White, head of a Christian organization, headquartered in Los Angeles, known as WESTERN FRONT, had a paid interview with a Jewish politician named Harold Rosenthal, the secretary of Senator Jacob Javits of New York State. While Jewish sources have denied this tape was made, I personally listened to it when I visited Walter in Los Angeles in 1984. It would be well for us to listen to some of the contemptuous and bragging
He began the interview, rather contemptuously by stating that no one in America had gained national political power since WW II, without Jewish approval. "Americans have not had a presidential choice since 1932," he stated. "Roosevelt was our man and every president since has been our man."

When questioned about America's Foreign Policy, he smugly stated that it was "Zionist-Communist policy from beginning to end. Yet the stupid 'goyim' think this Jewish policy will benefit America."

When asked about the billions in aid which have been sent to Israel, as part and parcel of our Foreign Policy, Rosenthal said: "The naive politicians in Washington are gullible. Most of them are not too bright (something many of us have suspected for a long time) so the powerful Jewish lobbyists influenced this practice years ago and now there is no one strong enough to stop it. Some of that money given to the Israeli, is returned to the United States, where it is used by the B'nai B'rith the Conference of Jewish organizations, and the World Jewish Congress. The Jewish Agency is the funding arm. There is nothing wrong with Jews sending American dollars to Israel, tax free, as long as they are smart enough to get away with it. (This trickery is taught in their Talmud.)"

When asked about the popular "smear-word anti-Semitism," he replied: "Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is an expression we Jews use effectively to any and everything related to Christianity - it is a smear-word to anyone who criticizes the Jew. We use it against hate-mongers."

When asked about the Jewish attitude toward Jesus Christ, he sneeringly stated: "During Christ's time, the Jews were seeking a material and earthly kingdom while Christ preached a spiritual kingdom. This they (Jews) couldn't buy, so they rejected Him and had Him crucified."

He said that Jews believed that Jesus Christ was only a man: "That's all He was - a man who walked the earth like any other man. This myth about Christ rising from the dead and returning to the earth to visit His disciples is a bunch of crap. You see, instead of a leader who would make an empire for the Jews, your kind of people gave us a peaceful preacher called Christ, who instead of an eye-for-an-eye, turns the other cheek. This is rubbish! We are building, in fact we have built, an earthly empire without your kind and your disappointing Messiah."

When asked why Jewish controlled Communism always destroys the middle-class, he replied: "It is an established rule to destroy all members of pre-existing government, their families, and relatives, as long as they are not Jews. They destroy all members of the police, state police, army officers, and their families but never Jews. You see, when a government begins to search for Communists within their borders, they are really attempting to uncover Jews. We are not fooled! (Maybe this is why, when I lectured on the College circuit during the Vietnam War, every time I spoke against Communism, I was labelled as Anti-Semite, although in those days I never criticized Zionism.)"

Rosenthal continued: "The invisible rulers in the Communist countries have control over the propaganda and the governments of the Free World. We (Jews) control every media of expression, including newspapers, magazines, radio and television. Even your music! We censor the songs released for publication long before they reach the publishers. Before long, we will control your thinking."

These ideas are supported by another Jewish document, the much maligned PROTOCOLS OF THE LEARNED ELDERS OF ZION. I will not argue over whether these are a forgery or not, except to say that International Jewry is following them like a blueprint for world control.

In Protocol Number VIII it says: "In order to annihilate the instructions of the goyim before it is time, we have touched them with craft and have taken hold of the ends of the springs which move their mechanisms. These springs lay in a strict, but just sense of order; we have replaced them with the chaotic license of liberalism. We got out hands into the administration of their law; into the conduct of their elections; into their press; into the liberty of the person, but principally into their
education and training, which are the corner-stone of a free existence."

It is not difficult to see the damage that liberalism has done to America, and principally to the Christian church. It is the "whatever makes you feel good, is all right," theory, that has been crammed down the throats of our youth, until many of them no longer believe in the principles which made America great. Many of us have watched in frustrated silence and fury, as Jewish teaching has destroyed the sanctity of the American Christian family; as Jewish sponsored permissiveness has resulted in teenaged pregnancies, the use of alcohol and dope, and a venereal disease problem which has reached epidemic proportions. An honest evaluation will show you that these things all come from Jewish controlled sources. Look at those behind the "Gay rights," those who push the evils of homosexuality as a respectable "alternate life style." Look at those who push for the integration of the races, knowing that this always, 100% of the time, ends in the destruction of that civilization. Notice who owns the abortion clinics, which yearly murder over 2-million unborn babies, most of whom, are White. See who runs the liquor and dope industries, who controls prostitution, the crime syndicate. ~very time you will come up with a Jew. How many Christians know that 1991 marked the sixtieth anniversary of the Jewish takeover of the National Crime Syndicate? (Don't get angry with me, I was merely giving you some facts!) It was September 11,1931, that Meyer Lansky (real name Sucholjinsky), created Murder, Inc., with the help of Jewish associates "Bugsy" Siegel, Arnold Rothstein, Aaron Sapiro, Ollie "Tic Toc" Tannebaum, "Tootsie" "Tootsie" Fein-stein, and Israel "Ice Pick Willie" Alderman.

Lansky rose to become a multi-billionaire, based on his control of narcotics, gambling, prostitution and the rackets. Our Government makes little headway against this criminal effort, because of their FEAR OF THE JEWS SYNDROME. This is what Rosenbaum talked about.

He went on to say: "There will be forced class warfare here in the United States and many will be liquidated. The Jews will not be harmed! I am not boasting, I am giving you the facts! It is too late for you Christians to put up a defense. (Remember this statement was made about sixteen years ago.) That time is long past. Long, long ago we had to become the aggressors. That is our great purpose in life! We are the aggressors! You stole your religious beliefs from our Talmud." (Here of course, Rosenthal was lying, for Christianity never came from the filthy foundation of Talmudism!)

With a great show of ego Rosenthal said: "Judaism is the unequalled culture - nothing in the world compares to it. (It might be interesting to speculate here, if this is true, why the Israeli admit they could not exist in Palestine for six months, without American assistance.) Your so-called Christianity is an outgrowth of Judaism. The cultural and intellectual influence of Judaism is felt throughout the world, throughout all civilization." (I guess this is what the Apostle Paul was speaking about in 1 Thessalonians 2:15, when writing about the Jews, he said: "They please not God, and are contrary to ALL men.")

Rosenthal continued with a discussion of the Jewish religion: "In regard to the moral value of the Jews' religious teaching, there exists exhaustive studies which show the kind of religion we have. We are the best example of the kind of product which religious training evolves. Our life is of this world only; our mentality is foreign to the true spirit of Christianity, as our character was to the founder of this new creed, 2,000 years ago. The Founder of Christianity made no secret of his estimation of the Jews and the fact THAT HE WAS NOT ONE OF US. When He found it necessary He drove us out of the temple of God, because then, as always, we used religion as a means of advancing our commercial interests.

"We managed to nail Jesus to the cross for His attitude towards us; whereas modern Christians (Judeo-Christians) enter into party politics and in order to win elections, debase themselves by begging for Jewish votes. They enter into political intrigues with us, against the interests of their own nation and people.

"We are obliged to conceal our own particular character and mode of life so that we will be allowed to continue our existence as a parasite among the nations. Our success in this line has gone so far
that many believe that the Jews among them, are genuine Frenchmen, Englishmen, or Americans. One glance at the press we control, ought to furnish sufficient evidence to the contrary, even for those goyim who possess only the smallest degree of intelligence."

Asked whether the Jews felt a threat from the "silent Christian majority" in the United States, he laughed and said: "There is no such thing as a 'silent majority,' because we control them. (He's speaking about you and I, Christian friend). The only thing that remains in the United States is the unthinking majority, and unthinking they will remain, as long as we can control them through the opiate of our entertainment industry. By controlling this, we have become the task masters, and your people have become our slaves. When the pressure of daily toil to make a living reaches the explosion point, we have provided a safety valve of momentary pleasure in our television. These programs are carefully planned to appeal to the sensuous emotions, never to logical thinking according to reason. Silent they are, and unthinking they will remain. We have castrated your society through fear and intimidation, Your manhood exists only in a combination with a feminine outward appearance. You have become so neutered, that you are now docile and easy to control. As all geldings in nature, your thoughts are not concerned with concerns for the future and your posterity, but only with your present toil and the next meal.

"We have proven that the American people can be ruled by our propaganda and that the pen is indeed, mightier than the sword. We virtually get away with murder and all the goy will do is talk about it, which of course is ineffective. If the Aryan world were to review history, and apply the lessons of the past, the pen would be thrown down in disgust, and the sword would be wielded in the heat of passion. Thus far, in the United States, we have escaped the sword, your only retaliation is some pamphlet that we can easily repudiate. (Like this book, perhaps). No letter, editorial, or letters to the President and Congress have ever motivated your people into rebellion against our control. We remain safe to exploit, intimidate, and disenfranchise White Americans, as long as they remain preoccupied with the illusion that they can educate the masses through printed material. Woe be to us Jews, if they ever see the futility of this, and lay down the pen, and pick up the sword.

"History proves that the passion of an aroused minority, no matter how small a group, (could this possibly refer to Christian Patriots?) has been able to exert enough power to topple the greatest empire. Will is power, not numbers, for a strong will, will always rule the masses. So we Jews will be safe as long as our will is stronger, or the will of the goyim is scattered, misdirected and without leadership. We will never be deposed with words, but through force."

The program of world Judaism has ever been "First defile and then destroy!" Surely Christianity could never come from such a base, no matter what our theologians may tell us! You can read this purpose, which has been reiterated over and over again in Jewish literature and in their holy book the Babylonian Talmud, as well as such documents as the PROTOCOLS OF THE LEARNED ELDERS OF ZION and other Jewish PROTOCOLS which have been put out throughout the ages of history. We can see the effects of these plans throughout Christendom and specifically in the United States and Canada. We feel these effects in the business world; in the economy of our nation; in our government, and in the halls of justice, which are today dominated by Jewish judges and attorneys.

Today, the last stronghold of free speech, the Christian pulpit, is coming under virulent attack, both through traditionalism, and the paid apologists and traitors in our midst. (I'm thinking in particular of men such as Jerry Falwell, Pat Robinson, Billy Graham, Jack Van Impe, David Webber and others, who have indicated that if "push comes to shove," they would have to side with the Israeli over the well being of America. I call this TREASON!)

Working under the label of nihilism, Bolshevism, socialism, pacifism and internationalism, and discarding any label which might hurt them, their unchanging, secret name, as it has been for over 2,000 years, is Talmudic Judaism, or Modern Pharisaism.

Beginning with small insolences, too small to be openly resented, Judaism works its snakelike way
towards open defiance of both State and the Christian Church, crawling along towards it's higher objective of complete world domination. It has preached this from it's very beginning!

If you will make an honest check of the last 2,000 years of history, you will find that the morals and methods of world Judaism have remained the same. For verification, "search the Scripture," and once again I refer you to the Apostle Paul and 1 Thessalonians 2:15.

We can also verify this from the accounts of noted historians, some of whom were Jews, like Josephus, There was the Roman Tacitus; Pliny (Roman); Gibbon (English), and many, many more. In view of what is happening today, and what has happened in the past, to remain uninformed is to ask for disaster.

Many devout Christians will say: "We don't care what race Christ came from." This is usually an uneducated expression of personal loyalty to the king, and while it is commendable in itself, it is treasonable in the effect it has on His overall mission.

History cannot be ignored with indifference. We are told in the New Testament, that the Old Testament was written for our edification and education. In 2 Peter 2:6, we are told that historic events, such as the destruction of Sodom and Gomorrah, were examples to those who would live equally ungodly (homosexual) lives in this age.

The truth which demands recognition by all Christians, is that Christ, as the Son of Man, was a GALILEAN, and the GALILEANS WERE NOT JEWS! by race, although they were in part by religion and tradition. A stream must always rise from a source higher than itself, and Judaism cannot be the source of Christianity, for as Christ said Himself, in Matthew 7:16-20: "Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so, every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit . . ."

You can prove that the fruits of Judaism are evil, by looking at the historical record, and what they are doing now . . . Prove this to your own satisfaction, if you are honest enough to want the truth. Take a large sheet of paper and in the left hand column list all the evils you believe are destroying America. Drugs; prostitution; abortion; rock music; alcohol; TV; movies; dishonesty in government and business, etc., then in the right hand column, list the names of those who control these activities in America. If you are completely honest, you will discover that 98% or more of the leaders in these nefarious activities are Jews. Don't get angry with me, I'm not responsible for this, I'm just giving you some facts!

GALILEE AND THE GALILEANS!

From this point on, I will make no attempt at continuity, but will make statements of fact, which can lead you to some logical and honest conclusions:

1) "GALILEE OF THE NATIONS"

Galilee of the nations is what Isaiah called it in Isaiah 9:1. it was a non-Jew country, all of it, from north to south, east to west. It was a Gentile nation (the Hebrew word is "gowry" which means: "a foreign nation; nation; people". In modern terminology, a "non-Jew" people." It was partially Judaized through the cult of Judaism, but it was a Gentile nation long before "true Israel" ever crossed the Jordan River, about 1451 BC.

Nearly six hundred years later, the Assyrian ruler, Sargon, overwhelmed the Israelites and scattered the ten northern tribes, known as the House of David, and most of the southern tribe of Judah, with the exception of Jerusalem, throughout his empire. He replaced them with other Gentile (non-Jew) people.
Some of these Israelites who were not of Judah returned and were moved out by Simon Macabee in 164 BC. Galilee was strictly a Gentile (non Jew) nation at the time of Christ when there was a good deal of hatred between the Jews and the Galileans.

Fifty years after the time of Christ, the Governor of Galilee, was a Jewish historian, and Roman General named Josephus. He described these people as wholly unlike the Jews in temperament and ideals - so different in fact, that there was no chance they could have come from the same genealogical background. There was a strict taboo against inter-marriage, between the Jews and the Galileans, which can be seen in the Talmud.

Christ, the Son of Man, was a Galilean, and the Galileans were not Jews. This is the verdict of both history and the Scriptures. It is also the verdict of nature, stamped on the character of the Galileans and the Jews, through their differences.

2) THE CANAANITES

Palestine, sometimes known as the Western arm of the "fertile crescent," had been inhabited by Gentile (non-Jewish) people for a thousand years before Joshua crossed the Jordan River. In fact, there were no people anywhere in the world at this time who were known as Jews. We first find them in the Bible in 2 Kings 16:6, where they are fighting against Israel. These people were Caucasian members of the Aryan (white) race and were known as Canaanites. The history of the Aryan people can be traced back at least as long as the time of Adam, who was their progenitor.

These Israelites who invaded Canaan were not Jews. They were the descendants of Jacob/Israel, who had been in captivity in Egypt for some 400 years.

After conquering the land, and with 225 years of off and on again warfare under leaders who were known as Judges, Saul, the son of Kish, from the tribe of Benjamin was made king about 1045 BC. Fighting continued, often between the various tribes, but mostly with their Canaanite neighbors.

Saul was succeeded by David, of the Tribe of Judah, and by 1035 BC David had established his borders to the south, with his capitol city in old Jerusalem.

At this time, the Israelites were a united people, although they had a strong admixture of neighboring blood.

Judea was a barren, mountainous area, with few natural resources, but it was well adapted for defense.

David was followed by Solomon about 1000 B.C. and he reigned for thirty years. The 100 years under Saul, David and Solomon were the only fairly stable epoch in Israelite history.

During this period, especially under the 30 year rule of Solomon, there was a lavish display of kingly power, which erected elaborate buildings, including the temple, with hired labor. ~ost of this was accomplished at the expense of the people from fruitful Galilee, in the North, who had to "foot the bills," without getting anything from it in return. The ten northern tribes, brought their grievances to Rehoboam, Solomon's son, who took over Israel on his father's death. But Rehoboam, as though determined to counterbalance his father's wisdom, showed his inability to rule and with typical Jewish shortsightedness, added to the burdens of the people. The northern ten tribes revolted and split off from the south, which was made up of the tribes of Judah, Benjamin, and part of Levi. Their capitol city was in Jerusalem.

The Northern ten tribes, which became known as the House of Israel, had their capitol in Samaria. The people of the southern kingdom did not become known as Jews, until many years later, when a remnant returned from Babylonian captivity, with a new religion, that was no longer Hebrewism, but an occult "bastard" religion that became known as Judaism, or Phariseism. These people went
into Babylonian captivity with priests and a temple for worship, and came out with Rabbis and the
synagogue, and with two political parties which were to control them, the Sadducees and the
Pharisees.

Because Judea was without natural resources, they attracted worshipers (whom we might call
tourists) who came to Jerusalem to worship at the temple. Under the return of the Jews, who had
learned occult practices, and the ungodly practice of usury in Babylon. The temple became the
center of crooked economic practices and the use of illegal weights and balances, all things which
were condemned by God in the Laws He gave to Moses. These were all Babylonian System
practices, which are even today, under Judaism, destroying the economy of Christendom, with the
final goal of world control.

If it had not been for the "crime of the ages," the murder of the Son of God, some 1,000 years after
Solomon's time, Jerusalem would have had little impact on Christ's life and message. His mission,
His labors, His teachings and His surroundings were strictly Israelite, not Jew. The importance of
the old city of Jerusalem in the minds of Christians, has drawn undeserved attention away from the
primary theater of Christ's mission, which He Himself declared to be: "...I am not sent but (only) to
the lost sheep of Israel." (John 10:2). This word LOST, does not refer to "UNSAVED JEWS," no
matter what your pastor may have told you to the contrary, but by its very wording means 'those
who were put away, or banished for punishment" - "true Israel" not the Jews.

3) THE LAND OF GALILEE

Since neither the ten tribes House of Israel, or the smaller house of Judah, could stand up against
any first-class military power; and though Israel was the stronger in numbers of the two, the
importance of Judah was in her strategic location.

These two tiny nations, lay directly in the pathway of the two strongest world powers of that time,
Egypt and Assyria. Both of these nations were striving for control of the known world. They were
blood enemies.

There was a well beaten war path in the southern part of Galilee, which stretched across the Valley
of Esdaelon, and contained the valley of Jezereel, and the field of Armageddon. It is probably the
most famous battle field in world history. The central part is like an inflated pouch, with mountain
spurs sticking into it like many needles from different sides and angles. The eastern end leads into
the deep valley of the Jordan River and to its fords, and from there an open road extends towards
Damascus and Syria.

The western end narrows into a pass as it approaches the Mediterranean Sea, and then circles the
base of Mount Carmel, like a sentinel guarding the entrance into Galilee.

Then bending sharply southward, it goes into the ancient warpath all the way to Egypt, through a
long costal valley known as the Valley of Sharon, with a low range of foothills guarding the east
flank known as Shepelah. The pass around Mount Carmel is rough and unsuited to the needs of a
large, modern army, especially its mechanized forces.

A better avenue of approach to Esraelon is offered by three other routes leading into the Vale of
Sharon. One of these, the Valley of Doethan, gives swift and easy access to the eastern end of the
Valley of Esraelon. This approach was used by both the Egyptians and the Assyrians for attack or
defense, as was needed. Many nations attempted to retain the northern Kingdom of Israel as an ally,
and this kept Israel guessing as to which nation was the strongest. Of course this vacillating policy
was self-destructive in the long run, for the stronger power was sure to remember how
undependable the Israelites were in any "show down." This can be vividly seen in 2 Kings 18:19,
20, where Rab-shakeh, the commander of the Assyrian Army speaks to Hezekiah the King saying:
"...What confidence is this wherein thou trustest? Thou sayest (but they are vain words), I have
counsel and strength for war. Now on whom doth thou trust, that thou rebel lest against me? Now, behold, thou trustest upon the staff of this bruised reed, even upon Egypt, on which if a man lean, it will go into his hand, and pierce it; so is Pharaoh king of Egypt unto all that trust on him."

4) DEPORTATION OF TEN-TRIBED ISRAEL.

Tiglath Pieser II, who assumed the ancient title of Sargon, when he became king of Assyria, remembered Israel's interagency.

Besides, he was too good a strategist to overlook the necessity of shutting the Egyptians out of the Valley of Esdraelon, which was a cross-roads in all directions. His own necessity, and the fickle support of Israel, caused him to crush the Kingdom of Israel in 722 or 721 BC He did more than defeat them militarily; he removed them "lock, stock and barrel," all their men, women and children and scattered them throughout the wide expanse of the Assyrian Empire. It is important to remember, they never came back - but became known as the "ten lost tribes," of Israel.

We believe that history and anthropology reveals that these tribes migrated west and north, through the Caucasus Pass, (known as the "Pass of Israel," into Central Europe, then west to Gaul, Germany, Scandinavia, and finally the Isles of the Sea which are Britain.

5) SARGON BRINGS BACK THE GENTILES

There was something like poetic justice in the fact that Sargon went far afield from the Semitic world, to replace the Israelites he had removed from Galilee. He brought people from Babylon, (see Kings 17:24) - "And the king of Assyria brought men from Babylon, and from Cuthah, and from Hamath, and from Sepharvaim, and placed them in the cities of Samaria instead of the children of Israel..."

Isaiah was not exaggerating when speaking of these events, he called the land "Galilee of the Gentiles (nations)" Isaiah 9:1.

7) THE NORDICS IN GALILEE

In his conquest of Egypt, a route through Galilee which Sargon controlled completely - he led among this cavalry forces, strange wild troopers from the far north. These were Scythians, known to Old Testament writers as Gog and Magog. They struck terror into the hearts of the people being invaded by their formidable appearance. They rode unhindered through the land, while the Jews in their walled cities could only rave at them. It is believed that it was these warriors, who in their return from Egypt, built at least one settlement in Galilee known as Scythopolis, and later Beth Shean, now Beisan. This city is located at the most important point in Galilee, as it commands the fords of the Jordan River.

8) THE SCYTHIANS

Where did these wild cavalry men come from? They were from the northern region we now call Russia, which was the ancestral home of the people of white skin, the Indo-Europeans, or Caucasians.

Anthropologists tell us that the broad steppes from the Volga River eastward was the origin of
domesticated animals which were raised not only by the Russians, but by the Celts, Teutons, Gauls, Greeks and the predominate strain that we now know as Nordics.

It was the people from this region who followed the southward course of the Volga River and the Caspian Sea, to the frontiers of Asia Minor.

It is these Northern Whites who were the Semites in the Land of Sumer and throughout Asia Minor. They have become known as the "makers of civilization." There is a long standing tradition among the Russian orthodox descendants of the ancient Scythians, that the Virgin Mary was of their race, which is far more believable than the orthodox tradition that she was a Jewess.

9) THE GAULS INVADE ASIA MINOR

At a much later date, another European element was added to the population of Asia Minor within easy striking distance of Palestine. These were the far-wandering Gauls who split off from the army of Brennus in 278-277 B.C. and roamed over northern and southern Asia Minor, and finally settled in Galatia which was named for their people. This name is found over and over again in Paul's Epistles.

We must not overlook the possibility that this name may have been given to Galilee itself, as well as the Sea of Galilee, and especially the region of Gaulanitis on the eastern shores of that sea. Both the Scythians and the Gauls were known as hardy warriors and were of a kindred spirit, if not of blood. They were one of the few people who stopped the advance of the Roman Legions, and whose fearless devotion to the cause of freedom and independence, won the admiration of Caesar himself. Like the Galileans, they fought with a system, rather than with Jewish passion and trickery.

10) GRECIAN GALILEE

Of all the Gentile (and here we are speaking about the non-Jews, whether Israelite or heathen) influences around Galilee, the Greek was by far the most important.

When Christians read about Decapolis in Matthew 4, 5, and 7, few understand how large and thoroughly Greek this area was. It lay east of the Jordan River, from Samaria and western Galilee and was about as large as these two areas combined. It's commerce and contacts with the outside world was by way of the Valley of Esdraelon, and for 300 years before the time of Christ, it was a cosmopolitan area with a mingling of population. In the time of Christ, this area was backed by Roman power which kept the Arabs at bay.

From Nazareth, the city of Scyhopolis lay 20 miles away. Tiberius was five miles nearer, while less than ten miles to the north, was Roma and Sepphoris, both Greek cities.

The coastal cities which had once been of Phonecia and Philistia, were now Greek in language and culture. Even in their court proceedings and legal documents, the Romans ruled this country through the Greek language. Greek names and words were slipped into the local Aramaic, as can be seen in the names of Christ's disciples. It is impossible to believe that our Lord and His disciples, did not speak Greek, since it was the universal language of that time, as English is now, and was the major language spoken in Galilee.

Hebrew was a "dead language," at the time of Christ, and the Old Testament had been translated into Greek for the benefit of the modern (at that time) Jews.

11) THE ORIGIN OF GREEK INFLUENCE

The beginning of Greek influence in the area of Galilee began about 332 B.C. when soldiers of Alexander the Great found the region east of the Jordan to be a highly desirable area for retirement,
and sparsely occupied. They proceeded to occupy it, not realizing at the time, that the reason for its sparse population, were the frequent attacks from the nomad Arabs to the east. Since they were soldiers and world conquerors, they were soon joined by colonists from all over the Greek world. These had only to cross the Mediterranean Sea, to Mount Carmel, from which it was a journey of only forty miles to the fords of the Jordan River. Ten cities were built by the Greeks in this area and were organized into a loose confederacy for protection against the Arabs.

12) THE DECAPOLIS UNDER ROME

Under the Romans, the Decapolis of Eastern Galilee reached a high degree of development - colon naded streets, the arch, the forum, the temple, the bath, the mausoleum, all done in florid Doric and Corinthian architecture.

Some cities had amphitheaters, as at Gadora and Kanatha, and some had temples built in the classic Greek style. Their religion was thoroughly Greek. They had paved roads and other public works such as the aqueduct at Gadara which brought water to the city from a point thirty miles away. The Decapolis was a flourishing area during Christ's earthly ministry. It was a beautiful area, overlooking the Sea of Galilee. We have ample proof from historical records, that the Kingdom of God, came forth, not from some obscure village, as most Christians believe Nazareth to have been, but in the face of the "major kingdom of the World," as then seen in Rome.

12) NAZARETH

A broken range of foothills, rising to considerable elevations, bounds the northern limits of the Plain of Esdraelon. Near its middle, between the Mediterranean Sea and the Sea of Galilee, was the city of Nazareth, the boyhood home of Jesus Christ. Nazareth is centrally located with reference to routes of trade and was the cross-roads of travel into Asia at that time. It was not some little, obscure village, as most Christians picture it, but a thriving metropolis on the major caravan route from Damascus to the seaports of the Mediterranean and southward to Egypt. In location, we might compare it in importance to the city of Omaha in the United States. Nazareth was a lovely spot and Antonius the Martyr called it "Paradise."

All the rumors of the Roman Empire entered Palestine through Nazareth - the news concerning the emperor's wealth; the battle reports from the far flung Roman legions; the gossip about Caesar and his wife, were all heard in Nazareth.

It was quite natural that the temperament of the Galilean was by no means as sour as that of the Jews, since he had far wider contacts with the outside world and lived in a pleasant environment. There was no savage desert at his doorstep; he was protected by the might of Rome and the people of Nazareth lived a happier, saner, gayer life than the dour Jews in Jerusalem to the far south.

It was a long time from the invasion of Sargon, to Christ, but the Gentile character of Nazareth can be seen in the cynical remark of Nathaniel in John 1:46, when he said to the disciple Philip: "Can any good thing come out of Nazareth?" or in 7:41, where the Jewish leaders skeptically said: "...shall Christ come out of Galilee?" They ignored the fact that Elisha, and the field of Elijah’s labors, as well as that of Deborah, Jonah, Hosea, and possibly Amos and Nahum, come from this area.

13) THE GALILEANS AS PROSELYTES
We need to go back to the year 722 B.C. when the ten northern tribes of Israel were deported by Sargon. We must do this in order to understand why and to what extent, these Gentiles accepted Judaism.

The seven and a half centuries which elapsed between this deportation and the birth of Christ, is a long period in which many things occurred. In European history, this time lapse would take us from the time of the Magna Charta in England, and 200 years before Constantinople fell to the Turkish hordes.

14) THE DEUS LOCI

When a people migrates, they usually take their religion with them, and this happened when the colonists from Assyria were transplanted to Galilee, to take the place of the Israelites who had been deported by Sargon. They kept their local religion for centuries, much to the annoyance of the Judaizers.

But times being what they were, when heathen people went into a new land, they wanted to know who the "Deus Loci," (god of that land) was, so they would not get into trouble with him. Furthermore, they were strangers to each other, since they had been brought from many areas in Sargon's empire (see 2 Kings 17:6, 24.)

When these strangers first arrived, some of them had been killed by lions, (2 Kings 17:25-33), 50 they reasoned the god of the land must be angry with them and must be appeased. They appealed to the king of Assyria and asked his advice. He said (vss 27, 28) "Carry thither one of the priests whom ye brought thence; let them go and dwell there, and let them teach them the manner of the god of that land." (So Judaism was brought to Galilee at a very early stage.)

This resulted in mixed results, for though these foreigners adopted Judaism, the narrator says that they did not completely abandon their former heathenism. (This is much like the problems facing the modern Christian missionary in Africa.)

By the time of Christ, the people of Samaria and Galilee, while Gentiles (non-ews) by blood, had for all intents and purposes adopted the religion of Judaism, which by the way, was not the Hebrewism of Abraham, Isaac, and Jacob, but the Talmudism of those Judahites who returned from Babylonian captivity, with Hebrewism intermingled with the occult teachings of Babylon to the point that they actually had a new religion called Judaism. While they followed many of the old Hebrew customs, and claimed to be followers of the Mosiac Law, Jesus when speaking to their leaders in John 5:46 said: "If ye had believed Moses, ye would have believed Me; for he wrote of Me."

They even adopted the Jewish traditions of Babylon, so that one of them, a Samaritan, said to Jesus in John 4:12 - "Art thou greater than our father Jacob who gave us this well?"

We can see this same thing taking place today, as we see late immigrants from Europe, as they boast about "our Pilgrim Fathers."

15) JEWISH COMPROMISING

At the time of Christ, the strength of the Jews had been sadly depleted. Only a few had come back from Babylonian captivity, since most of them had preferred to remain in the comforts of Babylon, where like their offspring in America, they had become the banking, economic experts, and merchants of the country, who controlled its finances.

The division of the Israelite kingdom, into Northern and Southern factions called the House of
Israel and the House of Judah, had depleted their strength and the Babylonian and Assyrian attacks had about finished them off. Besides, they had considerable problems within, not the least of which was caused by miscegenation (race inbreeding). So even though Judaism was very rigid concerning converts, the Jews, with their new Talmudic Judaism, compromised as they usually do and adopted what they called "proselytes of the gates." This was as far as their stubborn racialism would go when it came to accepting outsiders. While these outsiders could become Judahites, they could never become Jews. Jesus criticized their hypocrisy in Matthew 23:15, when He told the Jewish leaders: "... ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two4old more a child of hell than yourself." (This is quite evident in the Christian Zionist of today, who is many times more dangerous to the cause of Christ, than the anti-Christ Jew himself.)

It is when Christians fail to understand the difference between Jews and Judeans, that we fail to realize that the Samaritans and Galileans were of a different racial origin from the Jews. Many of these people never became Judaized.

Circumstances made the Galilean and Jews neighbors, and eventually partners in the same political state, but they were different people. Josephus, the eminent Jewish historian of the First Century AD recognized this when he said of the Galileans, on P.38 of his ANTIQUITIES OF THE JEWS, "They were inured to war from their infancy, and have always been very numerous; nor hath the country ever been destitute of men of courage, not wanting a numerous set of them." In another place he calls them: "A sturdy race that has developed a fervid patriotism and nationalist spirit - lovers of liberty and ready to defend their homes." This love of freedom is hardly a Jewish characteristic. It sounds much more like a description of the White nations of Christendom, whom we believe are the "true Israel," of the Bible. Could it be that we are the offspring of the men of Galilee?

These people were despised by the Jews as "boorish hill billies." Even the Talmud is quoted as saying rather sneeringly, I suspect: "The Galileans were more anxious for honor than for money. Their fidelity, often unreasonable and ill tempered was always such." This is a characteristic Jewish attitude towards those of us whom they call "goyim," which in Yiddish means "non Jew animal." Many Christians today look on the Galilee of Christ's day as being a new land devoid of traditions, and with a largely uneducated population. When these men spoke in different languages on the Day of Pentecost, (Acts 2:6, 7,) these Jews said: "... Behold, are not these Galileans? (uneducated men) And how hear we every man in our own tongue, wherein we were born? You see these men "speaking in tongues," were not rattling off some "heavenly gibberish", but were speaking in actual languages that men understood).

The Galileans were despised by the Jews. I suspect that it was because of Jewish envy and greed, due to the national resources and the superior contacts Galilee enjoyed with the outside world. People show a great deal of mental stupidity when they assert that Jesus was a Jew, for the very contrast of His character, with the historical background of Judaism, established facts which completely differentiates Him from Jews and Judaism. Historically speaking, Galilee had twice been purged of Jewish influence before Christ was born and we can learn from Josephus that 50 years after His birth, the Galileans were completely different from the Jews - a fact the Jews bragged about.

When Isaiah, an Israelite (not a Jew), living in Jerusalem, wrote of Christ's coming, he spoke of "Galilee of the Gentiles." He was actually speaking of the Gentilized nations of Israel in captivity, who had lost their identity as Israel. Isaiah said of them: "The people that walked in darkness have seen a great light; they that dwell in the land of death, upon them hath the light shined." In another place, (Hosea 1:10), it says: "Yet shall the number of the children of Israel be as the sand of the sea, which cannot be measured nor numbered; and it shall come to pass, that in the place where it was said unto them, (divorced Israel) Ye are not my people, there it shall be said unto them, Ye are the sons of the living God." (By no stretch of the most fertile imagination, can the people we now call
Jews, fit this description.)

In Isaiah 42:6, 7 we read "...I will give thee for a covenant to the people, for a light to the Gentiles (Gentilized Israel in captivity). To open the blind eyes, to bring out the prisoners from the prison, and them that sit in darkness out of the prison house." Who were called out of "captivity" into freedom? Not the Jews, but "true Israel."

When Christ the Galilean, the Israelect Gentile (not a Jew) returns, then the prophesy of Isaiah 35:4-6 will be fulfilled: "..Be strong, fear not; behold God will come with vengeance, even God with a recompense; He will come and save you. Then the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped. (I believe he is speaking here both about physical and spiritual results) Then shall the lame man leap as a hart, and the tongue of the dumb shall sing: for in the wilderness shall waters break out, and streams in the desert. HALLELU'YAH!

Only the White Christian nations, as we call Christendom, have ever fulfilled these conditions. The Jews do not even come close!*

When a Christian minister claims that Christ was a Jew, the burden of proof should be on his shoulders to prove it, for nowhere, even in the contaminated modern versions of the Bible, does Christ admit to being a Jew. Possibly the closest is in John 4:22, where the King James Version has Christ tell the woman of Samaria: "Ye worship ye know not what: we know what we worship; for salvation is of the Jews." Any thinking person should recognize this as a false statement, no matter how strongly the Fundamentalists claim the KJV is without error. For we KNOW that salvation does not come through any race, but through the Christ-Man, Jesus. A much more accurate translation comes from the Ferre-Fenton translation, which is made directly from the Greek It says: "Salvation cometh out of Judea." This makes sense!

In the light of historical data, there is no need for us to go to the genealogical accounts found in the Gospels, for they give the genealogy of Joseph, who was Christ's foster father. We have enough Scriptural evidence to prove that Christ is David's Greater Son, descended from Adam, through Jacob/Israel, that we do not need any genealogy to prove it. There are many instances in the New Testament which are corroborated in the TALMUD, which shows the racial prejudice of the Jews from Judea against the people of the North country, Galilee. A recent authority, Houston Stewart Chamberlain, in his book FOUNDATIONS OF THE XIX CENTURY, page 211, says: "Whoever makes the assertion that Christ was a Jew is either ignorant or insincere: (in the case of most Christian ministers, it is a matter of intellectual dishonesty.) ignorant when he confuses race and religion; insincere, when he knows the history of Galilee, and partly conceals, and partly distorts the very entangled facts in favor of the Jews. The probability that Jesus Christ was no Jew; that he had not one drop of Jewish blood in His veins, is so great as to be a certainty!"

CHRIST DID COME TO EARTH! Secular history proves this! It was such an outstanding event, and so great, that we mark time from the beginning of that era.

In spite of the efforts by many liberal churchmen, including many Jews, to prove that Christ never lived; this event has more historical evidence than any event known to man and will stand up in any court of law.

Several years ago, I came in contact with blasphemous material put out by a Jewish organization in Washington State, called the ABELARD-REUCHLIN FOUNDATION. Theirs is part of a Jewish mis-information campaign, of which the Jews are "past masters," for the benefit of the stupid "goyim." but a close look at the shoddiness of their research and the contempt they reveal for all Christians, can be clearly seen.

One of the puzzling aspects of dealing with Jews, is that they think like an Oriental, rather than an Aryan. So they attempt to perpetrate hoaxes, which no Aryan mind would ever attempt, since they believe their intelligence is far superior to ours, which they consider to be on the animal level.
The name Abelard-Reuchlm is a pseudonym used by the author of this spurious material, which I am sure the Jews view as master piece of deception.

It is based on the assumption that the New Testament was a plot against the Jews, perpetrated by a Roman nobleman named C. Calpurnius Piso, in order to discredit the Jews in the eyes of the Emperor.

Yet anyone with even a superficial knowledge of Roman history, knows that the conspiracy to overthrow the Roman tyrant Nero was led by this same Calpurnius Piso, a scion of one of Rome's most prominent families. Nero was a favorite of the Jews, because he had murdered his Roman wife, so he could marry the Jewess Poppaea Sabrina. Under her influence, Nero always bowed to the wishes of the Jewish Sanhedrin, and it was under this influence that he instituted the persecution of Christians which murdered hundreds of thousands of them. When a swarm of "early Jewish Bolsheviks" attempted to burn Rome, Poppaea convinced her husband that the Christians were to blame, and they were hounded to their death, while the Jewish culprits went free. (Sound familiar?)

The fairy story presented by Abelard-Reuchlm as historical, is that under Nero, the Romans were about to recognize the Jewish God and publicly announce that they were the "chosen people," picked by God to rule the world.

Calpurnius Piso, who was a "wicked goyim", (a Nazi really), conspired with the Christians against God to keep the Empire out of Jewish control. When he failed, his vile son carried out his dastardly work, by writing the New Testament and the works of the Jewish historian Josephus, in order to slander the Jews. (Who we all know are God's Chosen People?)

This story is set forth in an elaborate pseudo-historical argument. It is so preposterous, it is not even humorous. Reuchlm intends us to believe that the historical Calpurnius Piso had a son named Anus, who wrote the New Testament.

Anyone willing to spend a few minutes in a respectable library, could inform Rabbi Reuchlm, that the Romans had a very limited number of given names. He could have found a complete list of these names in one of the score or more reference books. The great families of the Roman aristocracy limited themselves to a very small range of given names. The reference index of BROUGHTON'S MAGISTRATES OF THE ROMAN REPUBLIC, would have shown that the Calpurni family used only five given names for their sons - GAIUS, GADEUS, LUCIUS, MARCUS and QUINTUS. There was never a son, or any member of this family named ARIUS, as Reuchlm contends!

If you were to try and fool some stupid American by inventing a son for George Washington, you would probably call him George, Jr., but you certainly would not have called him IGOR WASHINGTON, or TEXAS WASHINGTON, or SITTING BULL WASHINGTON. This is what the Jew Reuchlm attempted to do.

This is but one of the many attempts by the Jews against our Lord and Savior. Yet they often call Him a "Jew" with one breath, and an "illegitimate bastard," with the next, and our brainwashed pastors meekly accept it. No wonder we are in trouble!

Reuchlm compounded his stupidity by stating that all the great characters of the New Testament, Matthew, Mark, Luke, John, Paul, Silas, Barnabas, etc., were sons of Calpurnius Piso.

I can't for the life of me understand how educated, intelligent Christian leaders can be hoodwinked by the Jews, into a complete distortion of Christian history. When they see the open threats in Jewish writings, and the acknowledged hatred of Jews for everything they stand for as Christians, how is it possible for any Christian today to betray Christ, by catering to Jewish pride, arrogance and duplicity? Yet such is the power of Jewish "brainwashing" in Christian circles, that good, "born from above" men and women have been tricked into libeling the might and power of YAHWEH GOD, by maintaining that He belonged to one certain race, when for all honest purposes the Jews cannot even be classified as a race. (They are probably more "mixed up," both physically and
mentally, than any other group of humans in existence.)

Yet such is the perversity of members of my race, the White race, and true Israelites to boot, that they declare that God must be White. God has no color. The Bible tells us He is a Spirit, therefore He cannot come from any race and thank God for that.

Jesus Christ, His Son, is a Unique Being too far above those who would destroy Him, to be brought down completely to earth, and though we know He was the Son of man, He told us so Himself, we also KNOW He is the exalted Son of the Most High. He, Jesus the Christ, is GOD IN THE FLESH! for "In the beginning was the WORD, and the WORD was with God, and the WORD WAS GOD!" (John 1:1). This seems mighty plain to me!

There were three things the first century church did - just as many of us would probably do today - in order to give expression to their new religion.

1) Although the majority of the converts were not Jews, in spite of all the teachings of our modern Judeo-Christian churches to the contrary (they were Israelites), yet they came from a Jewish religious tradition. So it was natural for them to expect the coming Messiah to be a powerful, earthly king who would deliver them from the power of the hated Romans. This is what they had been taught by the Rabbis.

2) These early Christians looked back to Hebrew, not Jewish prophesies. For the prophesies of the Old Testament are all Hebrew in context. Not a one is Jewish! They looked back to the old Hebrews, just as Americans, or Greeks, or Italians, might look back to their ancient history.

3) They placed in the record of those times, two conflicting genealogies, that of Matthew and Luke. (Check them out for yourself and see what I mean.) This does not mean that either is incorrect.

Christians have no need of a MESSIAH, in the Jewish sense. Let the Jews get what comfort they can from this distorted doctrine. Christians do not need a Super-Jew to lead us into God's Kingdom!

We have Christ, the Son of the Living God, as Peter called Him, we need no earthly leader!

Many Christians today, if they were to submit their thoughts to close examination, would be found to be as much Judaized, or maybe even more so, than Christianized! Some like Jerry Falwell and Pat Robertson, even go so far as to proudly claim this aberration and call themselves Christian Zionists or Christian Jews! There can be no such "animal"; it is a physical and spiritual impossibility, for they are headed in different directions. It is as impossible for you to be a Christian Zionist, as it is for you to be "wet-dry" or "hot-cold." You can only be one or the other, for as the Master said: "A man CANNOT serve two masters," (Matt. 6:24; Luke 16:13.)

Our people become confused when they hear their pastor's tell them they are "heir to promises made to Jews," for God made NO promises to the Jews, except those of the nature found in Malachi 1:2-4 "Whereas Edom (Jewry) saith, We are impoverished, but we will return and build the desolate places (this is what they are doing in Palestine today); thus saith the Lord of Hosts, They (the Edomite Jews) shall build, and I will throw down; and they (true Israel) shall call them (the Edomite Jews), The border of wickedness and The people against whom the Lord hath indignation forever." (I challenge you to compare this Scripture with the king's promise in Luke 19:27.)

Today, the false Jew, the one's our risen King spoke about in Rev. 2:9; 3:9, when He referred to "Those which say they are Jews, and are not; but are of the SYNAGOGUE OF SATAN." These "false Jews" come to the Christian world shouting: "We are the heirs to God's promise to Abraham and the Patriarch's. The world is ours by right of inheritance." And stupid Christians accept this, even though their leaders know full well that 90% of those who call themselves Jews, have no racial connection to Abraham, but are of Turco-Mongolian stock.
These Christians, led by false teachers such as Falwell, Robertson and Graham, claim relationship with the Jewish god JAHVEH, and claim this heathen deity of a race alien to Christ, to be His Father. What can be more blasphemous? Yet they clothe themselves in the garments of Christianity and lead countless millions of unsuspecting "sheep" into accepting a heathen anti-God belief which is destroying them!

By doing this, they put Christ to shame, as they yield to fables which make His Gospel of Jewish origin, although He always rejected the Dogma of Judaism. Anyone who goes so far as to call himself a "Zionist CHRISTIAN," has no right to call himself a "Christian." Is it any wonder that Judeo-Christianity is destroying the Church of Jesus Christ today?

**PROPHECY AND PROPHESYING!**

One of the commonest errors made by modern Bible scholars is to interpret the words "prophet" and "prophecy," to mean the verb, "to prophesy." Even some of our English dictionaries mislead us here, for they connect these words with the office of "foretelling the future," and make this its primary meaning, when usually it is secondary.

Any pastor can be a "prophet" in the primary sense, which means "an anointed person," such as an "ordained preacher." This is its meaning in 162 out of the 165 times it is used in the Old Testament. The word "prophet," in Jeremiah 29:26, 27, means "to sing or speak by inspiration." In Micah 2:4, it means practically the same thing. In all other (162) instances, it means "ordained, or anointed to speak for God." There is nothing here which speaks about foretelling the future, although we know from a study of the Word, that God gave this gift to certain men He had picked for this purpose. (Daniel was one of the most outstanding examples.)

But our Israel people, (which includes the vast majority of those who today call themselves Christian) love mysteries. That is why they spend hundreds of hours trying to decipher the mysteries of Revelation, or the Great Pyramid of Egypt, but often spend little time, studying how God wants us to live today.

Of the four Gospels, Matthew, Mark, Luke and John; Mark is probably the oldest, dating around 65 AD.

By the time Peter and Paul wrote their Epistles, thousands of Christians had become martyrs, as the Roman authorities, under egging from the Jews, slaughtered them. The book of Acts is full of this Jewish persecution and history proves that the wife of Nero, a Jewess named Poppaea, was responsible for thousands of Christian deaths.

It is interesting to note that only Matthew and Luke list the genealogies of Christ, neither Mark or John mention them. But the disagreements in these genealogies does not effect Christ, or His mission, or the Christian world, although opponents of Christianity always point to them to disparage the Scriptures.

The testimony as to the physical existence of Jesus is not limited to the New Testament, or to the witness of the church fathers. You can find this for yourself, by going to any good library and consulting the following authorities:

1) Flavius Josephus, a Latinized Jew, who became Governor of Galilee and who is best known as a Jewish historian living from 55 to 120 AD.

2) Tactitus, a Roman historian living from 122 - ? AD.

3) Pliny the younger, a Roman historian of note 62-113 AD.
4) Sultanius, a Roman historian, 70-140 AD.

5) Lucian, a Greek essayist who lived around the middle to the 2nd Century AD.

The testimony of these men bears even more weight, since they were hostile to Christianity and termed it a "pestilence which is sweeping away our native Grecco-Roman religion." Naturally they were disturbed! But they still testify to the truth that Jesus Christ existed in the flesh. Something some modern Bible scholars are trying to refute.

Among more modern writers, we have such well known men as Thomas Carlyle, who wrote: "Jesus of Nazareth is our divinest symbol; higher has human thought not reached."

J. J. Rousseau said: "For men to invent such a sublime character would make the inventors more wonderful than the Being they portray."

Gothe said: "I esteem the Gospels to be thoroughly genuine, for there shines forth from them a reflected splendor of sublimity which proceeds from the person of Christ."

Fiche said: "There is no man of sense, who will not bow before this astonishing phenomenon."

NAPOLEON I said: "Jesus Christ was not a man; there is between Him and all others the distance of infinity."

There are many other quotations from the writings of great men, which attest to the power and divinity of Christ, and that He did physically exist!

THE MISSION BEGINS!

We know little of Christ's early life, except for some rare books which are not particularly reliable historically. We know that His primary mission was to the "lost sheep of the House of Israel," for He told us this Himself in Matthew 15:24. His mission did not begin until He reached maturity at the age of thirty.

He appeared suddenly out of nowhere, on the banks of the Jordan River, seeking baptism at the hands of John the Baptist, (Matt. 3:13-18; Mark 1:9-11; John 1:29-34.)

It was fitting that John, the "wild man from the desert," a cousin of Jesus and an unordained priest of Almighty God, who acknowledged no earthly authority, would be the first to recognize His divinity and then baptize Him.

The universal power of Christ was seen in many ways other than through his miracles. He spoke to men, saying: "Follow Me!" and they dropped what they were doing to obey. His authority was so compelling, that even His adversaries said: "No man ever spoke as He."

He taught His own doctrines, which made up a New Covenant with His Israel people (not the Jews). He did this without referring to Moses. As far as the written record is concerned, we see no place where He mentioned the Jewish deity ELOHIM, ADONAE or JAHVEH! Yet there are those today, within the Christian world, who say His religion is nothing but a continuation of the heathen religion of the Jews. We can see this, as He speaks to the Pharisees in Matthew 23:15, accusing them of going over sea and land to make one proselyte (convert) "and when he is made, ye (Pharisees) make him two-fold more a child of hell than yourselves. (Compare with John 8:44).

Jesus was not afraid to flout the authority of Moses, when He told the Pharisees who asked for a sign that a "greater than Jonas and Solomon is here," (Matt. 12:41, 42.)

If He had been only a mere man and had made these statements. If he had been only a teacher of righteousness, as modern theologians would have us believe, the Jews would have stoned Him to death.
Some will say, "But the scribes and Pharisees questioned His authority." Yes, and so did Satan. That was their evil business and our Savior repudiated them on every occasion. The real significance was that the scribes and Pharisees, and even Satan, appealed to tradition and over and over again they said: "It is written!" or as Satan asked the Master during His wilderness trial: "Is it not written?" and over and over again we hear our Lord reply: "In vain do ye worship Me (God), teaching for doctrines the traditions of men," (Matthew 15:9).

Christ's mentality, as shown in the Gospels, stands in vivid contrast to the static-mindedness and backward-looking type of mind exhibited by the Pharisees. These distinctions alone, should set Him apart from the Jews, who still follow this Talmudic-Pharisee religion. It is utterly irrational to believe that Jesus the Christ, evolved His religion from a people who were as "hide-bound," as the Pharisees, both in their concept of morality, ethics, deity and humanity, and in their relations with each other and with those they call "goyim," Yiddish for "non-Jew animal.")

Even without the support of history, there is a difference in Jesus that lifted Him immeasurably above the Jewish concept: "Thus it is written!"

No doubt, to disciples such as Thomas, Christ was a perpetual puzzle. They followed Him because of His compelling influence. For His disciples, like all those who had fallen under the influence of Judaism, were looking for a physical Savior who would deliver them from the oppression of Rome. Other pretenders had come before, only to expire on Roman crosses.

But here we find a man, endowed with super-human power, (they had seen it in His acts of healing, and as He cast out demons; as He fed the multitudes on a few loaves of bread and a few fishes; as He rebuked the storm on Galilee and the tumultuous waves stilled). But He was not interested in statecraft, or politics, or military leadership, nor of religious institutions as He found them. He could have been crowned king. That was what the multitude wanted on Palm Sunday as He rode into Jerusalem on that colt. Remember how the adoring crowd shouted: "Hosanna to the Son of David?" (Matt. 21:9) and when some asked: "Who is He?" they received the sarcastic answer from the religious and political leaders of Jewry: "Jesus the prophet of Nazareth. Can any good thing come out of Nazareth?"

The Son of God came to fight sin. The Apostle John who was one of the closest of His disciples, much later, defined sin in 1 John 3:4, when he correctly stated: "Sin is transgression (breaking) of the law." Then in vs 8, he stated Christ's purpose in coming to earth: "...For this purpose the Son of God was manifested (made known) that He might destroy the works of evil." If this is true, and we know it is, then why should anyone who goes by the name of Christian, support those who always promote evil?

Christ came to set the captive free from the chains of sin and its penalty - death I The old law said: "The soul that sinneth, it shall die!" (Ezekiel 18:43). Christ came to dethrone sin in the human heart and the Jewish leaders opposed Him!

He went into their synagogues (which were community meeting places) and spoke as was His right. It was when He went to the synagogue in His home town of Nazareth, that He announced His mission and His chosen text from Isaiah 61:1 - "The Spirit of the Lord is upon me, because He hath anointed me to preach the gospel to the poor; He hath sent me to heal the broken hearted, to preach deliverance to the captives, and recovery of sight to the blind, to set at liberty them that are bruised. To preach the acceptable year of the Lord." (Luke 4:18,19).

So the Jewish leaders sought to kill Him! Why? Because He was in no sense the militant Messiah they wanted, and besides this, they said: "Is this not the son of Joseph, the carpenter from Galilee?"

According to Josephus, the Galileans were a hot-headed lot who did not stop at half-way measures. (Simon Peter was a good example!) But simple as they were, they needed a miracle to stun their faculties into a receptive mood. So when they saw Jesus feed the multitude with a few fishes and loaves of bread, they were willing to follow Him, not as Savior, but as the long awaited Messiah.
Surely, a man who could multiply bread and fish, and who could command the wind and waves, could call fire down from heaven to consume their adversaries!

When He attempted to help mankind from the goodness of His heart, it brought Him publicity He did not crave, and the more He told the recipients to be quiet about it, the more they spread His fame. They were more interested in what He could do for them physically, than in His message of freedom from the effects of sin. He deplored and often reproved their "looking for a sign," for some "trick," or "miracle," that would prove who He was. Many men and women still look for that same sign today. This is especially prevalent among our Charismatic Christians who often rely more on "signs", than on what the Word of God teaches. They often teach "giving to the Lord, not because you love Him, but for what you will get in return." Most of the TV evangelists teach this false concept.

Jesus sought to break with Jewish tradition in order to identify Himself with the spiritual world which He came to reveal. His message was for the future, in spite of what the Preterist teach. He stood alone, on His own ground, as the only begotten Son of God, who was also the Son of man. He did not need Jewish fables to sanction His message to mankind.

It is always the self-evident things which are the hardest to prove. Christ's teachings were too simple to be understood by the religious leaders of His day. Today, they are called "over simplification." The Apostle Paul, in Romans 1:22, speaks about those who "Professing themselves to be wise, became fools." Then later in 2 Timothy 3:7, he enlarges on this by stating that there are some men who are "Ever learning, and never able to come to the understanding of the truth." These are those who are "educated idiots," with strings of degrees behind their name, who refuse to accept truth. In 2 Corinthians 11:3, Paul expresses concern when he said: "But I fear, lest by any means, as the serpent beguiled Eve through his subtlety (trickery), so your minds should corrupted from the SIMPLICITY that is Christ."

**WHAT DID CHRIST SAY ABOUT HIS MESSIAHSHIP?**

There is no record that I know of, except for one test of a rather questionable witness, that Christ ever claimed to the Jewish Messiah. This Scriptural criteria for authenticity rests on the testimony of two or more witness.

Over against this rather dubious incident, which has no "second witness", there are at least three different occasions when Christ by implication repudiated this Jewish Messiahship. When He asked the Jewish Pharisees: "What think ye of Christ? Whose son is he?" They answered: "The son of David," (Luke 20:41.) Jesus immediately challenged this in vs 42 when He said: "David himself saith in the book of Psalms, The Lord said unto my Lord, Sit thou on my right hand, Till I make thine enemies thy footstool. David therefore calleth Him Lord, how then is He this son?" Verse 40 says they dare not ask Him any more questions.

On another occasion when He asked His disciples "What do men say that I the Son of man am?" They gave Him various answers, not one which indicated that He was the Messiah. But when Jesus asked "point blank" "But whom say ye that I am?" He got an equally blunt answer from Peter who said "Thou art the Christ, the Son of the living God," (Matt. 16:16). (Notice Peter said nothing about His being the "long awaited Messiah," and Jesus approved of what Peter said by telling him: "Blessed art thou, Simon Bar-jonah: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven."

Peter is the first person of consequence of whom we have record, who did not repeat the customary palaver about Christ the Son of David being a national Jewish hero.

The third occasion was when John the Baptist, in prison, discouraged and despondent, sent his disciples to Christ to ask: "Art thou He that should come, or look we for another?" (Luke 7:20).
It was a frank question which deserved an equally frank answer. In plain speech, John who has risked his life for Christ was asking: "Are you or are you not the Messiah?"

Notice Christ's answer. He did not say: "Go back and tell John I am a King." He said nothing about being the "Messiah," instead He said (vs 22) "Go back and tell him what you have seen, the blind see, the deaf hear, the lame walk, the dead are raised to life." Instead of saying: "Sure, tell John I'm the Messiah!" He said in essence: "Let the record speak for itself!"

**WHAT WAS CHRIST'S ATTITUDE TOWARD GENTILES?**

Was there a difference in the manner our Lord differentiated between Jews and Gentiles? Remember now, that the terms JEWS and GENTILES are JEWISH categories. Christ did not include Himself in either one.

When the word GENTILE was applied to the Romans, their conquerors, it usually had a hostile meaning. It was neighborly, when applied to the Greeks and Phoenicians with whom they did business. Then there was a third classification of GENTILES, which included proselytes (converts) to Judaism. These were sort of "poor relations," to the bigoted Pharisees.

So when Jesus said to His disciples: "For after all these things (and here He was speaking about food, shelter, and material things) do the Gentiles seek." He was in reality saying: "This is what the nations surrounding us seek after." For the word GENTILES in Greek, is ETHNOS, which means "Non-Jew" nations. It has absolutely nothing to do with heathen people. Remember also, that at this time, the "lost tribes" of Israel, which had escaped from Assyrian captivity, were living mostly in Asia Minor and in Europe to the north. These tribes had become "Gentilized," in other words, had lost their Hebrew characteristics, their identity, and their Hebrew religion. They were no longer considered as Israelites by the Jewish leaders.

This confusion in the use of this term is illustrated in Paul's use of the word JEW, which strictly speaking, in the language of that day, meant an inhabitant of Judea. it had absolutely no religious connotation.

The King James Bible translators have much to answer for before the King for this mis-translation, which often causes confusion in the minds of believers. It has the Apostle Paul repeatedly speak of himself as a Jew, when it actually meant he was a follower of the Jewish religion. For he tells us himself, in no uncertain terms, that he was an Israelite from the tribe of Benjamin. Listen to him as he describes himself in Romans 11:1 - "For I also am an ISRAELITE, of the seed of ABRAHAM, of the tribe of Benjamin." Just because the tribe of Benjamin had a close association with the tribe of Judah, did not turn Benjamites into Jews.

When Jesus faced a Roman centurion, who begged Him to heal his servant in Matthew 8:10. Jesus said of him: "I have not found so great faith, no not in Israel." What He was literally saying was: "I have not found this sort of faith among the Jews."

Then we have the story of the Greek woman, a Syro-Phonecian, in Mark 7. On the surface, it appears as though Christ was indifferent to her appeal. After He had literally called her a "dog," in vs 27, He was amazed at her humble answer: "...Yes, Lord: yet the dogs under the table eat of the children's crumbs." He gave her His undying commendation when He said: "For this saying (faith and humility) go thy way; the devil (evil spirit) is gone out of thy daughter."

There are at least two references in the New testament where the Word GENTILES clearly refers to the Romans and it is employed with neither kindness or hostility. It was here that Christ told His disciples what the Romans would do to Him. He told this without hate, since He did not hold the Romans responsible for what was about to happen.

Then He stunned His disciples, who had been arguing about which one of them would be the
greatest in the Kingdom by saying:

"He who would be great among you, let him become your servant." This must have come as somewhat of a shock to them. Then to further emphasize this, He washed their feet, which was one of the humblest tasks they could imagine. Even then, they didn't completely understand and it took the crucifixion and the Resurrection to get this truth across to them.

(FOOTNOTE:-
While Jesus was born In Judea (Bethlehem) and subsequently referred to as the Lion of The Tribe of Judah, (Rev. 5:5.10) this in no wise is to be interpreted as representative of Jewish heritage. Christ's birth heritage is noted as belonging to the Royal (original) House of Judah comprised of pure Israelite stock. The terms Jew and Israelite were not then and are not now synonymous and thus non-interchangeable. As noted, His rearing took place In Galilee.)

There is one passage of Scripture which stands out vividly in Christ's early ministry, which needs explanation, since many Christians, even those who are pastors, and seminarians, do not seem to understand its simple message.

Christ had just finished calling His twelve disciples. They were all "hand-picked" by the Master, even the only Jew among them, Judas Iscariot, who would betray Him. He called them together to receive final instructions before He sent them on their first missionary journey to the "lost sheep of the house of Israel." They were to be on their own during this venture, as He would be with them only in the spirit.

There is no record of Him giving them instructions as to what they were to say, but He did tell them where to go, what to do, and what they could expect in return. In Matthew 10:5, 6 we read: "Go not in the way of the GENTILES (Romans probably), and into any city of the Samaritans, enter ye not, but go rather to the LOST SHEEP OF THE HOUSE OF ISRAEL."

Now most pastors will tell you that Christ was sending His disciples to convert the unsaved Jews to Christianity. But a close look at the meaning of the Greek words for "lost sheep," will dispel this error. The word LOST in Greek, is APPOLUMI which is made up of two root words; APO, which in this case means: "separation," and OLLUMI, which in this case means 'PUNISHMENT." So we see that this word LOST literally means: "those who were separated, or banished for punishment," which is what happened to Israel. This word LOST is used 16 times in the New Testament, and 14 times, it has the meaning given above. In the other two, Matthew 5:13 and Luke 14:34, Christ was speaking about the Christian salt which has LOST it's savor, (ability to act like salt and hold back corruption.)

Of course "those who were banished as punishment for their sins," were the "lost sheep of the House of Israel," as can be seen from a study of the book of Hosea. In 1:10, we read God's own words concerning "LOST ISRAEL." "Yet the number of the children of Israel (not Jews), shall be as the sand of the sea which cannot be measured nor numbered; (notice carefully now:) "and it shall come to pass in the place where it is said unto them. 'Ye are not my people;' (remember God divorced them!) there it shall be said unto them, 'Ye are the children of the living God.'"

Doesn't it seem strange to you, that the pastors of America who insist that the White Anglo-Saxon and related people are not "true Israel," will opt instead for a group of anti-Christ's who bear none of the fingerprints which "true Israel" was to have in the closing out days of this Age? The people we call JEWS, cannot now, and never have fit into the description given in God's Word, which identifies "true Israel."

But back to that first missionary journey in Palestine. Christ told His disciples to take no money or provisions with them, but to "live off the land," so to speak. They were to heal the sick, raise the dead, cast out evil spirits, and above all preach the Kingdom message. These other things were merely confirmation of their authority from the King.
He warned them that He was sending them forth as "sheep among wolves," and told them to beware of those to whom they were being sent, for they would deliver them up to earthly tribunals, and persecute and kill some of them. He told them that as men had persecuted Him, the Son of God, so they would persecute His followers.

This warning was not only for that limited missionary effort, but was for our day as well. We can see it in operation today. If you are willing to placate the Babylonian authorities you can have large fashionable churches, with many members, and make millions off your TV ministry. But if you preach the truth, and tell men what God expects of them, and warn them of their short comings, they will persecute and hate you. In one place Jesus said, a time would come when people would think they were pleasing God, by killing you, (John 16:2). I believe we are very close to that time now, as the Christian world turns it's back on the truth of God's Word, and the messengers who proclaim it. Men and women who refuse to bow the knee to worldly authority, but worship the king only, have always been hated by the complacent religious crowd.

We can assume that there were many Israelites living in Judea at this time, and we know this is where the disciples went, for our Lord sent them south, telling them not to even stop over in Samaria.

Could it be that He sent His messengers first to an area heavily populated by Jews, to show that the Jews were a "stiff-necked, self-righteous lot" whose father's had murdered God's servants in the past, and would refuse the truth then?

At this time, He was not looking for martyrs for the cause and told them in essence that if the wolves attacked, they should "run for their lives."

There is also an indication here that this message was for the future, since He told them: "... Ye shall not have gone over the cities of Israel, til the Son of God be come." He was already here, so why would He make a statement such as this? The disciples could have easily visited every city in Judea in two weeks, so he could not have been referring to Judea, or even Palestine. I believe He was pointing ahead to this Age, when His kingdom Message must be preached in "all the cities and towns of true Israel," scattered across the earth, before the king returns the second time. I know this will get the Preterists upset, but so be it!

Then He told them something I keep reminding my "boys" in the Prison ministry about. When they complain because fellow inmates will not listen to the truth, I tell them. "REMEMBER, you are not to be the PERSUADER. That is the task of the Holy spirit. It is your duty to take the truth to your fellow men to the best of your God given ability. What they do with it then becomes a matter between God and them." In Ezekiel 33:6, we are told these sobering words. If the "watchman" on the walls of Israel, (and this is as true today as when this was written in 587 BC.) fails to warn his people when he sees evil approach, whether it is because he has gone to sleep at his post, or has become careless, or has been bribed by the enemy not to give warning; if as a result of this God's people are harmed "their blood will I (God) require at the watchman's hand." Think about that, Mr. Preacher, the next time you want to preach "Peace! Peace when you know there is no peace!" Think about that next time you want to glorify God's enemy as His Chosen People, when you know this is false and will lead to their harm. Think about this, Mr. Politician, when you are tempted to "sell out" our people to better your political position. GOD WILL HOLD YOU ACCOUNTABLE FOR ANYTHING THAT HARMS HIS PEOPLE!

That's why I preach hard. That's why I'm harsh at times! That's why I "tell it like it is," in stead of trying to "soft soap" the unpleasant things. My task is to "Cry aloud, lift up thy voice as a trumpet, and show my people their transgressions..." (shortcomings) Isaiah 58:1. I'm not here to win a popularity contest and I don't ever want to be in the terrifyingly embarrassing position of having to explain to the King, why I went to sleep on sentry duty. Vs 9 of Ezek. 33 tells us that if the watchman gives the warning, and the people refuse to listen, they will "die in their sins, but thou hast delivered thy soul."
So our Lord, using picturesque language, told His disciples not to waste their time on those who did not want to listen. He said: "cast not your pearls before swine, lest they trample them under their feet, and turn and rend you." This is often what happens when we attempt to force feed TRUTH, to those who do not want to accept it.

There is no record that they made many converts. There was nothing in the daily news about their filling the coliseums (football stadiums), there was nothing which indicated that 45,000 at one meeting "signed commitment papers," to follow the Lord.

But, they came back rejoicing, saying: "Lord, even the devils were subject to us!" There is no record that Jesus gave them any words of praise either, for they were merely doing their duty. I am always skeptical about these Christian leaders, and I could name some that you know, who tell about stopping in a garage for a short time while their car is being fixed, and in that short period leading ten or twelve men to the Lord. Friend, it just doesn't work that way!

A few years ago, before I came into the Identity truth, I was speaking at Bob Jones University, Greenville, North Carolina. I was discussing with Dr. Bob, Jr., the reasons that Billy Graham had turned from being a stalwart "soldier of the cross," into an unbelievably compromising Christian who would not hold a city meeting, unless the apostate National Council of churches was invited to attend. Dr. Bob told me, that a few weeks earlier, Billy and his wife had been visiting the school. Dr. Bob said, "I asked Billy straight out why we had made this change, and he refused to answer. But Ruth, his wife, looked me straight in the eye and said: 'Bob, we will do anything necessary to fill the football stadiums.'" This kind of Christian action, is killing America!

There are many instances of Christ praising the Gentiles, (and here remember the true meaning of the word). Many times He contrasted their actions to those of their Jewish neighbors. Probably the best known is that of the Good Samaritan, as told in Luke 10:30-37. Then when He cleansed ten lepers in Luke 17:15-18, it was only the Jew despised Samaritan who gave Him thanks.

So with the vivid pictures, Christ painted in the Gospels, a honest person is forced to admit that Christianity came into being, not from the heathen apostasy of Talmudic Judaism, but in spite of it!

THE DIVINE TRAGEDY!

Whenever men seek for an excuse for performing a shameful deed, in court, the validity of the charge means very little. The main point is whether the false charge can be made to stand, and the ease with which it can be accomplished. So as the hatred of the Jewish leaders grew, for this upstart named Jesus, they finally managed to bring Him before the Roman Governor, Pontius Pilate on a charge of "sedition against Rome." (This is one of the major accusations made against patriotic Christians by the alien government today, and one that is most difficult to defend against).

The "trumped up charge" the Jewish leaders used was that He had proclaimed Himself to be the Jewish Messiah, and hence their king, and that He was stirring up the Jews to rebellion against Rome.

We could honestly call this a "sanctimonious frame-up," since there is no evidence that Christ had any more to do with Jewish and Roman politics, than He had with the Jewish religion.

But the Talmudic representatives of Judaism, knowing that Pilate would be upset with any plot against Caesar, had been so thoroughly exposed to the public as hypocrites, that their offended dignity could stand it no longer and they were willing to bring false charges against this man who called Himself the Son of God.

The same would be true of our religious leaders today, if someone were to expose them for the hypocrites many are. But this is even more so with the Jews, who are very "thin skinned" people when it comes to criticism of any kind. Since they have proclaimed themselves to be the "Chosen
People," and since many Christian leaders back them in their claim, they believe themselves to be above criticism of any kind, since they are always right in their own eyes. Have you ever known a Jew to apologize when he was caught in an illegal act? I never have! He always has an excuse for what he has done!

Finally through the treachery of the only Jew among his disciples, Judas Iscariot (and notice the Jewish trait; he did it for money), Christ was delivered into the power of the Jewish Sanhedrin. Their problem then was to get the Roman Governor to see things their way, since they had no legal right to execute this just man, who had broken no laws, yet who they were set on killing.

They also wanted to shift the blame for His murder onto the Romans, and thus discredit Rome in the eyes of all who had become Christians.

They had plenty of authority from the Babylonian Talmud to kill him in many and horrible ways, as a blasphemer and violator of the Jewish Sabbath. But the Jews have always been "past masters," at getting others to do their "dirty work" for them, and "pull their chestnuts out of the fire." So they set about letting the Romans do the dastardly deed, thus affording, or so they thought, an alibi for themselves.

It is not at all unusual today, in so-called "free America" to have a Christian numbered among the transgressors; then have Jewish judges and attorneys (and they are in the majority in the American Bar Association), tamper with the law of the land in such a manner as to condemn them. This Jewish sense of justice is as rudimentary as that of the lowest savage - the condemning of the accused, without a trial, and the weighing of evidence through passion, rather than on facts.

The idea of subverting justice for Christians was declared in the 13th century, when a Jewish head rabbi in Aries, France, sent out a Protocol to the Jews in Europe, to "make your sons advocates of the law, so that thereby they can divest Christians of their rights in court."

Pilate had incurred the wrath of the Jewish leader by the roughshod manner in which he had ruled the land and he was trying to get back into the good graces of the troublesome Sanhedrin. He was anxious to please them, while at the same time his sense of Roman justice told him that Christ was an innocent man. But they clinched their case, when they told Pilate: "If you let this fellow go, you are no friend of Caesar," (John 19:12). To a Roman politician, this could well be a death blow. Pilate did not want to incur the displeasure of the Emperor, for it had cost many a Roman politician his head.

No doubt Pilate had heard reference made to Jesus as the king of the Jews. We can gather this by the questions he asked during the trial. (John 19:33) "Art thou the king of the Jews?" But notice Christ's answer, it was not in the affirmative, instead He repudiated this by saying: "Do you say this of your own volition, or did someone tell you this?"

When Pilate asked Him again in vs 37: "Art thou a king then?" Jesus answered in the affirmative. He had just finished telling Pilate that His kingdom was not of this world order, for if it were: "My servants would fight to keep Me from being delivered to the Jews." He was a King all right, make no mistake about that, but He was not "king of the Jews."

We know that Pilate did not recognize Him as a threat to Rome, for on several occasions, he told the Jewish accusers: "I find no fault in Him!" (vs 38).

But the Jewish rabble (and I'm sure there were some who had acclaimed Him the Son of David a few days earlier, when He entered Jerusalem in triumph) under the direction of the hypocrites in the Sanhedrin had already condemned Him to be put to death. The trial before Pilate was only a formality, for as in many Jewish trials, the victim was pronounced guilty before the trial was begun. It was "Judge Lynch" in the person of the High Priest who demanded that Pilate execute the Christ. Pilate tried to squirm out of it by offering the Jews a real murderer named Barabbas as a substitute. So what we really see, when Pilate finally gives in to their bloodthirsty demands, in Jewish "ritual
murder," which we have reason to believe is still practiced today.

To evil men, there is nothing more infuriating, than to be confronted by a righteous life. Formal righteousness, was the only kind the satanists in the Sanhedrin understood. Their insulted dignities could not withstand the righteousness of He who said to them: "Let he who is without sin, cast the first stone," (John 8:7). So just as they do today, Caiphas the High Priest, hired perjurers, who testified falsely against Him, speaking words which had been given to them by the High Priest. (We saw this same thing happen a few years ago, when the government charged some Christian Patriots with "sedition," in the Fort Smith Trial. The government hired "false witnesses," against these Christians. Only this time God intervened; all the accused were vindicated. The false charges, and the false witnesses were exposed in court, yet none of them have been prosecuted, although they lied to the court, while under oath. This, my Christian friends, is the Jewish way!

When Caiphas told Jesus: "I adjure (swear under oath) Thee by the Living God that thou tell us whether Thou be the Christ, the Son of God," Jesus recognized this as a challenge which might well condemn Him to death, yet He refused to evade it and answered in the affirmative. Matthew 26:64, tells us that Jesus replied: "...Thou hast said; nevertheless I say unto you, Hereafter ye shall see the Son of man sitting on the right hand of power, and coming in the clouds of heaven." At this the High Priest tore his garments and shouted: "He hath spoken blasphemy, what further need have we of witnesses? Behold now ye have heard His blasphemy." And the rest of the Sanhedrin said (vs 66) "He is guilty of death!"

When Pilate had questioned Christ along political lines, He remained silent, but He would not evade the question asked by the High Priest regarding His divinity, even though he knew it would condemn Him. After a hypocritical display of offended sanctity, Caiphas twisted Christ's answer into the political charge he laid before the Governor.

Did anything happen during this trial that might indicate that Christ did not consider Himself to be a member of the Jewish race? Yes, strangely by inference! Everyone who knew Him and His disciples, knew that with the exception of Judas, who was a Jew, they were Galileans.

Even the servant girl during the trial detected this by Peter's speech (Mark 14:66-70). In Matthew's Gospel it indicates that Christ said to those who came to arrest Him: "...Are you come out against a thief with swords and staves to take me? I sat daily with you, teaching in the temple and ye laid no hold on me," (Matt.26:55).

All through His trial He regarded Himself and was regarded by others as a Galilean, not a Jew. What excuse do you or your pastor have to call him a Jew? You "cannot get grapes from thorns, or figs from thistles." You can't get the pure Son of God and his religion from the "pig pen of Talmudic Judaism."

It was not Christ who called Himself "King of the Jews," it was Pilate who had this inscription written above His cross to irritate the Jews, and even your precious king James Bible is wrong, for anyone who knows Latin knows that IEUS NAZARENOUS REX IUDERUM! means "Jesus of Nazareth, ruler of the Judeans!"

With the exception of a few of His followers, almost all the people at His execution were Jews, and Matthew 27:24, 25 says that when Pilate washed his hands of the blood of this innocent man, ALL the Jews, not just their leaders said: "His blood be on us, and on our children!" They condemned themselves for all time, for the murder of the Son of God, no matter how much you and your pastor seek to exonerate them.

The supreme testimony of Christ against Jewish Messiahship came during His trial when He said: "Ye call me King, and so I am; But my kingdom is not of this world (order)," vs 36. That should be enough to silence those who want to talk about Christ's Jewish Messiahship.

The modern Jewish claim that Christ came from their race, though not the Messiah they look for, is a flimsy absurdity and is an attempt to revive the heresy of the Ebionites and drag His Divinity
THE ESCAPE FROM JUDAISM

The escape of the new religion called Christianity from the background of Judaism was most difficult. It had to be accomplished during the First Century church by men such as Paul and John and later during the Reformation period, only to have it crop once again in modern evangelistic and fundamentalist circles.

The man chosen by God to show the distinction between Judaism and Christianity was an Israelite from the tribe of Benjamin, who was a Roman by birth citizenship, but a Jew by religion. This was the Pharisee trained Saul of Tarsus, who was one of the worst persecutors of the new belief, until his miraculous confrontation with the risen Christ on the road to Damascus, as told in Acts chapter nine. It was at this point, that Saul, whose name was changed to Paul, became the missionary to the Gentilized nations of Israel in Asia Minor, who were in reality the "lost sheep of the house of Israel," who had lost their identity as Israelites. When grave doctrinal differences raised by the Judaized Ebionites threatened the First Century Christian church and the relationship between the Apostle Peter and Paul, the spirit of the resurrected Christ prevailed and they submitted their differences to His leadership.

We need to remember that these early Israelite Christians were fallible men, rather than the infallible saints some have painted them.

Few Christians realize the importance of the Greek culture and language in shaping the early church (more properly called the "ecclesia"). It was not so much the influence of the Greek language in itself, which was enormous, but in the refusal of the early Christians to submit to Judaizing influences. As mentioned earlier, the Ebionite influence in the church, came from those Judaizers who demanded that Christians MUST first be circumcised before they could be "saved." Remember, that the vast majority of these early Christians were not Jews, but Israelites. But they had been brought up in the Jewish religion, which at the time of Christ was a "bastard religion," which had little to do with Old Testament Hebrewism. Jesus indicated this, when the Pharisees bragged to Him about how they followed the teachings of Moses, He replied: "If ye had believed Moses, ye would have believed me; for he wrote of me." (John 5:46.)

So persuasive was the Greek influence, not only in Galilee, but also in Judea, that the Old Testament which had been translated into the Aramaic language in Alexandria, Egypt, had to be retranslated into Greek so the Jews could themselves understand it. (Hebrew, at this time, was for all intents and purposes a "dead language.) This Greek translation became known as the Septuagint.

When the message of Christ began to spread north and west, into the lands occupied by the "true Israelites," the writers of the New Testament wrote in Greek. As a result of this, in the words of Apostle Paul, (Romans 1:23) the Gospel became a "stumbling block (Greek - occasion of falling, or offense) to the Jews, and foolishness (Greek - absurdity) to the Greeks."

It is significant that modern Jewish historians such as Prof. Graetz and Dr. Klauser, make a broad distinction between the "pagan Greeks and the Judeo-Christians." (Yes, they had them in the 1st Century too!)

Apparently there was a friendly feeling between the Ebionite, Judeo-Christians, and the Anti-Christers of the Talmud, which caused the Apostle Paul to warn Christians in 2 Corinthians 6:14, not to be "unequally yoked together with unbelievers; for what fellowship hath righteousness (the teachings of Christ), with unrighteousness (the teachings of the occult Talmud), and what communion hath (Christian) light, with (Jewish) darkness?"

He then asks a searching question in vs 15: "What concord (agreement) hath Christ with Belial?

down to a Jewish level.
So they crucified him!
Here is a brief summary of the differences between Judaism and Christianity:

1) Christ showed His complete detachment from Judaism by His direct appeal to God, as the Father in heaven. He did not make this appeal on the basis of race, or that as a Jew He was entitled to it. This was a typical Jewish argument.

2) The contrast between the message of Christ and that of Judaism is so diametrically different, it should need no explanation. To those Israelites who had been brought up under Judaism, He showed kindly tolerance. It was only to the religious leaders who had been leading the Israelite people astray, that His harshest remarks were made. When they mentioned how they followed Moses, He said: (John 5:45) "Do not think that I will accuse you to the Father; there is one that accuseth you, even Moses, in whom (you say) you trust."

3) Christ was not an enemy of Judaism, or Mohammedanism, or any other religion, except as "light is the enemy to darkness." He contented Himself with showing mankind "a more excellent way," (1 Cor. 12:31).

4) Christ followed the Hebrew customs, such as the observance of the Passover, and He honored the Sabbath Day. These were Hebrew-Israelite ceremonies, which had been stolen by Judaism. For you see, the Jews of His day, were the one's He spoke about later in Rev. 2:9; 3:9, when He spoke of the "blasphemy of those who say they are Jews (Judeans), and are not; but are of the synagogue of Satan." (Think about this, the next time your pastor tries to talk you into supporting these anti-Christ's.) He taught in the Jewish synagogues, since they were the "town halls" of that day.

5) In His parting instructions to His disciples, Christ said nothing about their dealing with the soul deadening influences of Judaism. Instead He told them to "go into all the world and preach the Gospel." (The good news of His Kingdom.) This news consisted of the fact that through Jesus Christ, ALL mankind can be reconciled to God. This made it a "non-Jew" religion, for Talmudic Judaism is for the Jew alone, with the death penalty for any "goyim," (non-Jew animal) who even reads it!

Christ sowed the seed of the new religion, knowing that its germination power, was far beyond anything that mankind could comprehend.

It should be repeated over and over again that the Gospels were written after most of the disciples had already suffered martyrdom. This religion, was a religion, not just for the "chosen people of Israel"; it was not an exclusive religion such as that taught by Judaism, it was for all mankind who would accept Christ as Savior and King. The priority of presentation was first to the "lost sheep of the house of Israel," for this was His primary mission. From there the blessings of the promise made to Father Abraham in Genesis 12:3, were to spread to all who would accept His Lordship. The universality of this religion can be seen in John 1:12, which states: "But as many as receive Him (Jesus Christ) to them gave He (God) the power, to become the sons of God; even to those who believe on His name."

Though some in Identity preach that salvation is only for Israel, this is a perversion of Scriptural teaching.

Again in Galatians 4:26-29, we read: "For ye are ALL the children of God, by faith in Christ Jesus. For as many of you as have been baptized into Christ have put on Christ. There is neither Jew (Judean) nor Greek, there is neither bond nor free, there is neither male nor female; for ye are ALL
ONE in Christ Jesus, and if ye be Christ's, then are ye ABRAHAM'S SEED, and HEIRS ACCORDING TO THE PROMISE," (Galatians 4:25-29) Some of you "racial supremists" may not like this, but there it is and I cannot change its truth!

The Jews could never have originated an all encompassing religion such as this, for the very nature of Judaism is a selfish, revengeful religion, devoid of fair play and honesty towards anyone who is not a Jew. How blasphemous it is to believe that the beauty of Christianity could have sprung from such bigotry, hatred and the "cesspool mentality" of Talmudic Judaism.

Christ did not attempt to overthrow other religions, nor did He seek to change men and women. There is no Scriptural evidence that He ever gave an "altar call" during any of His sermons. His message, as was that of the disciples, who also did not use the "altar call," was one of liberation for men and women from the power of sin, and from the "wages of sin," which Scriptures say is "death," (Rom. 6:23; Gen. 2:17; James 1:15.)

Judaism, as It appeared on the historical scene, when Hebrews came back from Babylon captivity with the occult religion of Babylon, cannot survive as a living organism. It is a vampire religion, practiced by a vampire people, which destroys everything it comes in contact with. The modern Jewish author, Oscar Levy, in the introduction to his book, THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, said: "We Jews today are nothing else but the world seducers; it's destroyers; it's incendiaries; it's executioners. There has been no progress, and it is our (Jewish) mentality which has prohibited all real progress, and - what is worse - stands in the way of all future natural reconstruction of this world. I look at this world and shudder at it's ghastliness; I shudder even more when I recognize the SPIRITUAL AUTHORS of this ghastliness, "(International Jewry.)

The compromise between Judaism and Christianity in the early "ecclessia," could not endure, for the two were completely unrelated and irreconcilable. One is tolerant; the other completely intolerant.

Having murdered the head of the "new faith," then known as THE WAY, the Jews set out to throttle all teachings for His doctrines. They forbade Christians to heal in the name of Jesus. One thing led to another, until at the behest of Jews, Christians were thrown into prison, were tortured and executed. In Acts 12:1, we read: "Now about this time, Herod the king stretched forth his hands to vex certain of the church. And he killed James, the brother of John with the sword. And BECAUSE HE SAW IT PLEASED THE JEWS, (notice this very carefully now) he proceeded further to take Peter also." BECAUSE IT PLEASED THE JEWS! it sounds almost like what is happening in Washington, DC today. "What the Jews want; the Jews get," whether it is good for Americans, and for Christians in particular, matters little. Sad to say, this utterly un-Christian and foreign attitude, is backed by the majority of our churchmen, who have become willing prostitutes of Judaism.

It was at this time of Christian peril, that Christians found friends among native elements of the Greeks, who were mostly Israelites, although, like most "true Israelites," today, they did not know this and looked on themselves as Gentiles. Even before Christ's crucifixion, some of these "truth seekers," had come to Philip and said: "Sir, we would see Jesus!" These were white Aryans like ourselves. They were cultured men. The meaning of the message of Christ made sense to them and Philip and Andrew (both of these names are Greek), carried the Kingdom message to them.

It was soon after these Greeks came to Jesus, that realizing that His mission was completed, He said: "The hour is come that the Son of man should be glorified. (Read the entire 12th chapter of John.) It was less than a week later that He told His disciples: "Go ye into ALL the world and preach the Gospel to every creature. (Mark 16:15). The Gospel of Luke 24:47 says: "That repentance and remission of sins should be preached in His name, among ALL nations, beginning at Jerusalem." (Here the Greek word for "nations," is ETHNOS, which we have showed before, means a "non-Jewish" nation.) Matthew's Gospel (28:19, 20,) has the most complete instructions of all: "Go ye therefore, and teach ALL nations (Ethnos), baptizing them in the name of the Father, and of the Son, and of the Holy Ghost. Teaching them to observe (obey) ALL things whatsoever I have
commanded you: and 10, I am with you always, even unto the end of the world (order.) Amen!

The new religion had a phenomenal growth and within ten years after the crucifixion there was a Christian church in Rome, and within another thirty years, a Christian church had been organized in Great Britain, very possibly by Joseph of Arimathea.

It is no wonder that the followers of THE WAY, were first called Christians at Antioch, (Acts 11:26), which was a Greek city on the seacoast.

At this time, among the Judaite believers in Jerusalem, most of whom were Israelites no doubt, there were factional disputes. Hegesippus, an early church father mentions seven of them. Probably the most destructive was that of the Ebionites who I have mentioned on several occasions. These were very probably Jews who had infiltrated into the church for the purpose of causing trouble. (During the Middle Ages, in Spain, they were known as "Marranos." They were Christian by day - some even became high ranking officials in the Catholic church, but at night, in their secret enclaves, they were Jews who scoffed at the stupidity of the "goyim" Christians.)

These Judaizers came to Antioch from Jerusalem preaching the doctrine that a man could not become a Christian unless he was first circumcised. This led to a General Conference of the church in Jerusalem and the matter was settled under the guidance of the Holy Spirit. The Gentilized Israelites of Asia Minor did not have to conform to Judaite rites in order to become Christians.

Out of this Jerusalem Conference, rose the strong leadership of the Apostle Paul, who became the missionary to the Gentilized Israelites of Asia Minor. It is interesting to see how God's plan worked out, in spite of other plans which Paul evidently had. In Acts 16:6, we read: "Now when they (Paul and Timothy) had gone throughout Phrygia and the region of Galatia, and were forbidden of the Holy Ghost to preach the Word in Asia." Where were they to go? Vs 9 tells how Paul had a vision of a man from Macedonia, who appealed to him saying: "Come over into Macedonia and help us!" Paul was living close enough to the Lord, that he recognized this as God's will, and went into Asia Minor, which was made up mostly of the "lost sheep of the house of Israel."

It was Paul who confronted Peter "face to face" over the issue of circumcision, and we read that out of that Conference, the church fathers wrote to the Antioch Christians, (Acts 15:24) "Forasmuch as we have heard that certain which went out from us have troubled you with words, subverting (Greek - "to upset") your souls, saying, Ye must be circumcised, and keep the law: to whom we gave no such commandment. (This makes me believe these were apostate Jews who had infiltrated the church). It seemed good unto us, being assembled with one accord, to send chosen men unto you, with our beloved Barnabas and Paul, Men that have hazarded their lives for the name of our Lord Jesus Christ . . . For it seemed good to the Holy Ghost, and to us, to lay on you no greater burden than these necessary things: That ye abstain from meets offered to idols, and from blood (eating) and from things strangled, and from fornication; from which if ye keep yourselves, ye shall do well."

You can read further about this conflict with the JudeoChristians in the new church in Galatians 2, and its end result.

As persecution increased against the Christian church, we read of very little progress made among the so-called Jews, although the church growth among the Gentilized Israelites was phenomenal.

In his book THE LIFE OF CHRIST, Ernest Renan, p. 123 says: "Jerusalem could never have conquered humanity. It was from the north (Galilee) alone, that made up Christianity."

Geographically, the escape from the influences of Judaism allowed Christianity to spread abroad as a world religion. Even before the martyrdom of Peter and Paul, it had been taken into all the known world.

It might be well to remind you at this point, that the Old Testament is not and was not a Jewish book, although many pastors and seminarians would have you believe this. It was the foundation of Hebrewism, which was a completely different religion from the occultism and heathenism of the
Babylonian Talmud, which is today, according to their own leaders, the "heart blood of Judaism."

Moral precepts and religious convictions are not the exclusive property of one race, and Moses was not the only "law giver" of Mankind. There was Pythagoras, who taught the immorality of the soul, and Socrates who in 399 BC was executed for teaching men to purify the filth from the ancient Greek religion.

I personally believe, that some of the explicit sexual passages we find in the Old Testament, came into our Bible translations, as translators were influenced by the Jewish Talmud, since they have no place alongside the teachings of Jesus Christ. If you really want to know the truth about Judaism, I dare you to read the TALMUD, but be prepared for the shock of your life.

Paul evidently had a constant struggle against his Jewish training. (Remember, he was an Israelite by blood, but a Pharisee trained Jew by religion.) No wonder he cried out in spiritual agony:

"Oh wretched man that I am, who shall deliver me from the body of this death? (Judaism)." So while Paul's teachings did not destroy the Law, as many preachers teach today, he taught that those who became Christians and loved and followed the Lord, followed the Law instinctively, because it was engraved on the "tablets of their heart." It was not necessary to cram this down their throat through some church ritual.

This, of course, does not excuse the modern church, usually the Judeo-Christian church, which quite untruthfully teaches that the Law was done away when Christ died, and that as a Christian you can get by with almost anything! While the Christian can now approach God for forgiveness, without having to go to a priest with a sacrifice, the Law of Harvest, which says "What you sow; that shall you also reap," is as much in effect for the Christian as for the unsaved. A Christian cannot deliberately break the Law, without suffering the consequences.

The Apostle John gives us a clear definition of "sin" in 1 John 3:4, he says: "Sin is TRANSGRESSION (breaking) of the Law." If there is no LAW, then there can be no SIN, yet we can look about us on every side and see SIN, and it's terrifying results, so we KNOW sin still exists, no matter what the theologians tell us to the contrary!

When Jerusalem was destroyed in 70 AD by the Roman General Titus the Christian population, heeding the warning Jesus had given in Matthew 24, had fled to the city of Pella, on the eastern side of the Jordan River, and not one lost their life. But over a million Jews perished.

Bishop Lightfoot, in his scholarly work THE APOSTOLIC FATHERS, wrote that another exodus from Jerusalem took place about this time to Ephesus, where the Apostle John, the writer of Revelation, Philip and other Christian canons were formed. Through this all, the heresy of the Ebionites continued and it was said to have been especially strong in the refugee city of Pella.

There appeared to be four major points in the Ebionist heresy, as taken from George Adam Smith's book, HISTORICAL GEOGRAPHY OF THE HOLY LAND, p631.

1) Had to do with the enforcing of the Mosaic Law.

2) Affirmed the human birth of Christ over His divinity.

3) Abjured the Apostle Paul—as a heretic; something the "Paul bashers," within Identity are attempting to do today, and:

4) Looking forward to Christ's return to form an earthly Messianic kingdom, in which they would be the supreme rulers of the world.

It is little wonder that the writers of the Talmud were on good terms with these First Century Judeo-Christians.
Paul replied to the Ebionite's charge of heresy in Gal. 2:21, where he said: 'I do not frustrate (and this is the only time this word is used in the New Testament. It is the Greek word ATHETEO, which means: 'to set aside; neutralize; reject.') the grace of God: for if righteousness come by the law, then Christ is dead in vain." Nearly this entire Epistle is Paul's answer to the Ebionites.

It is not necessary for us to question the sincerity of those who taught the Ebionite doctrine, nor their fidelity to Jesus Christ. But sincerity is only a "matter of intent." You can be very sincere and be "sincerely wrong." This thinking follows the thought pattern of many church liberals who say that a man or woman will be saved by their sincerity - not so. So it was with the Ebionites who went beyond facts, and in defiance of the first Apostles of the church, attempted to bind down the New Covenant with the concepts of the Old. They made a grievous error, which has continued until this day in conceiving our Savior to be a Jew, with Jewish characteristics. Along with this, of course, they must accept Christianity as a continuation of the primitive cult of Judaism.

They failed to think of Christ apart from His Jewish surroundings. Cloistered as they were, in their narrow Jewish world, they could not conceive of a religion that was open to all men. This is a failing of many who are in Identity and one which I seek to counter whenever possible.

The following excerpts from three distinguished historians agree that the Jews were at the bottom of the violent Christian persecutions during the first three centuries after the church was formed. In this they are supported by Roman historians such as Tacitus, Pliny the Younger, and Sactonius.

In Lancianis' PAGAN AND CHRISTIAN ROME, he says on page 311 - "The pagans despised both Jews and Christians and mixed themselves up with their affairs only from a fiscal point of view, because the Jews were subject to a tax per head, and the treasury officials were obliged to keep themselves acquainted with the statistics of the colony.

"This state of things did not last very long, it being of vita! importance that the Jews separate their cause from that of the newcomers (Christians). The responsibilities for the persecutions which took place in the first century must be attributed then, not to the Romans, whose tolerance in religious matters had become almost a state rule. The first attempt under Claudius was not a success; it ended in fact, in banishment from the Capitol (Rome) of every Jew, no matter whether he believed in the Old or New Testament. (This should be considered a "figure of speech," since there was no New Testament during the First Century.) It was however, a passing cloud. As soon as they were allowed to come back to their haunts, the Jews set to work, by exciting the feelings of the populace, and denouncing the Christians as conspiring against the State, (Exactly the same thing they try and do in 1992 with Christian Patriots.) and Roman gods. Under the protection of Roman laws, (Much like our First Amendment, "Freedom of speech," law,) which guaranteed Jews free exercise of their religion. The Roman populace, impressed by the conquests made by the Gospel among all classes of the population (and many Roman nobles became Christians), was only too ready to believe this calumny. As for the State, it became a necessity, either to recognize Christianity as a new religion, or to proscribe and denounce it.

"The great fire which destroyed half of Rome under Nero, and which was set by dissident Jewish terrorists and blamed on the Christians, brought this situation to a crisis. The first persecution began. (Remember also that at this time, Emperor Nero's wife was the Jewess Poppaea, who hated Christians with a passion. At this time the Christian church was considered to be "religio illiceti," an illicit religion. This is what the IRS recently told me, when I attempted to take tax deductions for contributions to Christian Identity cause. "We do not look on Identity as a legitimate religion." Witchcraft, yes! Satanism, yes! Secular Humanism, yes! But Christian Identity, no!). "Had the magistrates who conducted the investigation into the fire been able to prove an indictment of arson, the storm might have been short and confined to Rome. But as the Christians could easily exculpate (prove their innocence) themselves, the trial was changed to become a politico-religious one. Christians were convicted, not on charges of arson, but on hatred for mankind. (Shades of the present Anti-Defamation "hate laws.")
"This was a formula which included anarchism (sedition), atheism and high treason. These monstrous accusations once admitted, the persecution spread beyond Rome, and it became general, and more violent in some places than others, according to the impulse of the magistrates who investigated this unprecedented case."

Note the close similarity between this Roman persecution and what we see beginning in the United States and Canada. In both countries, the persecution of Christian Patriots has been instigated by Jewish leaders, with Christian patriots being accused of "sedition and hatred," which varies with the intensity of the Jewish judges and lawyers, before whom most of these cases appear. The persecution of Ernst Zundel, Malcolm Ross, and James Keegstra in Canada, are perfect examples.

In Edward Gibbons, DECLINE AND FALL OF THE ROMAN EMPIRE, VOL II, p.21 wrote: "We must therefore presume to imagine some probable cause which to direct the cruelty of Nero against the Christians of Rome, whose obscurity as well as innocence, should have shielded them from his notice. The Jews, who were numerous in the Capitol, and were oppressed in their own country (Judea) were a much fitter object for the suspicions of the Emperor and the people: nor did it seem unlikely that a vanquished nation (the Jews)... might have recourse to the most atrocious means of gratifying their implacable revenge.

"The Jews possessed a very powerful advocate in the palace and even in the heart of the tyrant: his wife and mistress, the beautiful Poppaea and a favorite actress of the race of the Jews, had already employed her intercessions in behalf of her obnoxious people. In their place it was necessary to offer some other victim, and it might easily be suggested that although the genuine followers of Moses were innocent of the fire, there had risen among them a new and pernicious sect of Gal leans who were capable of this horrid crime." (Christians.)

Earnest Renan in his book ANTICHRIST, page 140 says: "It is hard to believe that the idea of accusing Christians for the July conflagrations came of itself from Nero...

"From the accessions of Caligula to the death of Nero, Jewish cabals (plots) never ceased in Rome. Jews had aided in bringing the family of Germanicus into power and sustaining it . . . According to Josephus, Nero's crimes were ascribed to Poppaea, who supported the claims of the Jewish zealots, and adopted some of their rites. Nero hated everything Roman and surrounded himself with orientals.

". . . May we, perhaps, trace the hatred of the Jews for Christians, that exposed the most harmless of men to monstrous cruelty? It looks ill for the Jews, in all events, that their private interview with Nero and Poppaea, came when Nero conceived his hateful scheme against the Christians. Why should Rome, who once confounded Jew and Christian, now make such a sharp distinction between them? Why should the Jews, towards whom the Romans felt the same moral antipathy and religious prejudice as to Christians, suddenly be untouched by calumny? . . . a suspicion arises, strengthened by the fact that until the destruction of Jerusalem in 70 AD the Jews were the real persecutors, and spared no efforts to exterminate Christians."

If these historians had lived until this time, they might have asked: "Which one race rejoices in the slaughter and torture of millions of Christians? Which one race has been responsible for financing and managing the Communist machine which has murdered 140-million people in the last seventy years?"

Their main objective, according to their own leaders and writers, is still the destruction of White Christian civilization and the freedom it has brought to a tired world. Are you willing to admit that your Savior, Jesus the Christ, sprang from this evil race? God forbid! This borders on blasphemy!

**CHRISTIANITY AND OCCIDENTAL RELIGION**

Some scholars have thoughtlessly said that Christianity is an oriental religion. But this statement either shows their ignorance of the facts, or their deliberate distortion of the same.
While the sun rises in the east, this does not make the sun Oriental; and like the sun, Christianity expanded it's influence only as it moved westwards following the path of "true Israel." We have already seen how God Himself kept the Gospel from spreading to the east at this time, instead, following the words of Christ "I am not sent but (only) to the lost sheep of the house of Israel," (Matt. 10:6; 15:24), they went West.

No strictly Oriental religion has ever made much headway in the West, among the predominantly White nations we know as Christendom and because of the distinct differences in mentality, they never will. (Notice, I did not say that Whites were superior in mentality, but it has been proven without a shadow of a doubt that they are different in their thinking from other races and nationalities.)

Occasionally we see a few Whites who are sucked into the vortex of Oriental religious cults such as the Moonies, but never in impressive numbers. Why is this? I believe that in the minds of "true Israel," (and remember, we are not speaking here about Jews), there is a yearning towards the truth of God to such an extent that they do not gravitate towards the "mystery religions" of the East. Unknown to the White person themselves, is a heart longing to know the truth of God, and His Son, the Lord Jesus Christ.

In spite of the mouthings of the Baal prophets in our JudeoChristian churches which seek to glorify the Christ haters of Judaism, Christianity is fundamentally non-Jewish. It's early origin came from among the people of Galilee, who were despised and called Gentiles by the Jews.

All through the preachings of the major prophets such as Isaiah, Jeremiah and Ezekiel, we read of God's visitation to the Gentiles. In every case, the word GENTILE in the Old Testament is translated from the Hebrew "goy" and means "nation; foreign non-Jewish nation; heathen." In Isaiah 42:6, we read: "I the Lord have called thee (Israel; speaking of "true Israel," not the imposters of Rev. 2:9; 3:9), in righteousness, and will hold thine hand, and will keep thee, and give thee as a covenant of the people for a light to the GENTILES."

The principle means by which Christianity was released from its hostile background, came from a Gentile nation, the Greeks, who we have every reason to believe were made up principally of the "lost sheep of the house of Israel."

The Apostolic Council held in Jerusalem to settle the matter in 49 AD officially declared the complete independence of Christianity from Judaism.

It was not until about twenty years later, after most of the disciples had suffered martyrdom, that the early Judeo-Christians, the Ebionites, who had been on friendly terms with the Jewish Talmudists, introduced into the New Testament, the "Messiah doctrine," of the Jews.

We would be false to historic truths if we did not admit that our early church fathers, many of whom were alive when Christ walked this earth, knew that Christianity could not be entered through a Jewish portal. The two were then, as now, as separate as daylight from dark. Christianity was for all mankind who believed in and accepted the kingship of Jesus Christ, while Judaism is and was a religion, narrow in it's concepts, and Oriental in it's occult Babylonian thinking.

Because Christ's message to mankind passed through Oriental hands, we find many of the characteristic idioms, figures of and the florid imagery of the East in our Bible. But we Occidentals must guard against taking the figurative language of the East, too literally. We MUST always pause and ask ourselves, "Did the writer mean exactly what he said?" Our Bible scholars and seminarians have brought no end of confusion and derision on the cause of Christ, by neglecting to take into consideration the difference in thinking and expression between our Caucasian people and those of the Near East.

I saw this confusion very clearly during the five years I spent in Japan, first on occupation duty in 1945-46, and later in the 1950's. There was much misunderstanding between Americans and Japanese, because we refused to accommodate our minds to the Oriental manner of thinking, which
was often quite different from ours. As I learned to speak Japanese, I saw this difference, even more clearly.

The message of Jesus Christ is one of pastoral simplicity, which has often been confused by the insistence of our Bible scholars to give it an Oriental flavor. We can readily see this in the artlessness of the Sunday Schools of America, where the International Sunday School lessons are often prepared by unsaved Jews and in many church hymns which need to be dropped. These hymns often completely distort what Christianity is all about. One comes vividly to mind:

"This world is not my home,
I'm just a passing through;
My home is up in heaven.
Way on beyond the blue!

"The angels beckon me,
From heaven's open door,
And I can't be at home,
In this world any more.

Anyone with a knowledge of the Bible knows this hymn is completely un-Scriptural. Yet I have heard it sung with fervor in many fundamental churches, and it is a favorite among the charismatics of Pentecostalism. With this "other worldly" concept, it's no wonder that so many of our Christian churches have become the "salt which has lost its savors," (it's ability to act as salt and hold back corruption.)

The same thing could be said about the Rapture doctrine, which has turned many potential "soldiers of the cross," into foxhole dwellers, who fold their holy hands in prayer, while they ask Christ to come back and "rapture" them out of the mess which was caused by their apathy.

My Bible, which happens to be a King James Version, states very clearly in (Matthew 6:10), that the King told us to pray: "Thy kingdom come, Thy will be done IN EARTH as it is in heaven." There is no Scriptural teaching which indicates that Christians will spend eternity, sitting on some fluffy cloud, strumming on a harp through eternity. Yet that is the idea in the minds of many Judeo-Christian churches and can even be seen in their art and cartoons. This idea is utterly ridiculous and contrary to the teaching of ALL Scripture.

When our Bible, both Old Testament and New, was translated from Hebrew, Greek and Aramaic into English, the translators faced some terrifying difficulties in rendering from the original, a faithful and accurate version. For the most part, they did a remarkable job. But if you really want to know exactly what the Bible says, you need a good Concordance and Lexicon. As you look up key words, you will often be amazed at what they meant in the original. They may contradict what your pastor says they mean, for he will no doubt tell you what he learned at the seminary, which may not necessarily be their correct meaning.

A translator is always allowed a certain latitude of expression between the literal and figurative. For instance take the English word FAST. It has many meanings: It might mean to go without food for a period; or it could mean to move rapidly; or it might indicate a person with loose morals; its meaning always depending on how it is used.

The same is true with the translators of the Bible. Let's take the King James Version for example, since it is probably the best known and most used of all translations. The word GENTILE in every instance in the Old Testament comes from the Hebrew word "goy" which refers to a "non-Jewish" nation or people. In the New Testament, in every place but four, it comes from the Greek word Ethnos, which specifically means a "non-Jewish" people. (In John 7:35; Romans 3:9; 1 Cor. 10:32 and 12:13, it comes from the Greek word HELLEN, which means a "Greek speaking person.") Yet as we read the New Testament and see how the translators have used the word GENTILE, it can
become mighty confusing.

Some quotations in the Bible are foreign to our English expression. For instance, when a Hebrew prophet said: "Thus saith the Lord!" the people know better than to believe that God had actually come down to that prophet and spoke with him face to face. It was a figure of speech and was the prophets way of telling the people, truth which had been revealed to him by the Holy Spirit.

The beauty of divinity that shines forth in the English translations of our English forefathers, who were masters in the use of English prose, can be seen as you read the translations of Wycliffe, Tyndale, Coverdale, the Geneva Bible, and finally the King James Version. None of the modern Judeo-Christian versions, such as THE LIVING BIBLE; GOOD NEWS FOR MODERN MEN, etc., where you will often find unsaved Jewish scholars among the translators, can come close to the classic beauty and accuracy of the early translations.

The common language spoken by Christ and His disciples was Aramaic, a dialect of the ancient Assyrians, and many Semitic relatives. It would be unreasonable to believe that Christ and His disciples did not know Greek, since it was the common business language throughout the known world.

Anyone who has made an in-depth study of the literature of Greece, can see in the Gospel of Luke, and the book of Acts, the rhythmic flow of the Greek language.

A venerable Christian scholar once said: "We have three avenues of a knowledge of God, namely history, including revelation, reason, and experience. These three must be coordinated - neither is more important than the other. The over emphasis on revelation leads to dogmatism; the over emphasis on reason leads to rationalism, and the over emphasis on experience leads to mysticism."

In youth, we tend to lean heavily on the authority of revelation; in maturity we tend to rationalize our beliefs, while in old age, we often appeal to our experiences. This is a strictly Occidental foundation, with none of the hidebound regimentation of the Pharisees. This is the freedom Christ preached and which Judaism never knew.

At the age of twelve, Christ showed His ability to "hold His own," with the best minds of Judaism; when He knew more at that age about their boasted laws than they did, He had little use for their narrowness.

He never cultivated an air of mysticism, such as was in vogue with the Talmudic leaders of Judaism. He was direct, and plain in His speaking, and His theology was understandable to the "man in the street," which set Him apart from the Jewish leaders, who were often deliberately confusing in their theology, in order to keep the common man under their control. In Matt. 7:28, 29 we read: "...the people were astonished at His doctrine: For He taught them as one having authority, and not as the scribes."

When the Pharisees sent temple officers to arrest Him, they returned empty handed and told their masters: "Never man spake like this man," (John 7:46). The Pharisees ridiculed them, and when Nicodemus, one of their own, who had secretly come to Jesus by night in John 3, defended the officers, the Pharisees sneeringly said: "... Art thou also of Galilee? Search and look: for out of Galilee ariseth no prophet." (John 7:52.) Certainly these Jewish religious leaders did not accept Christ as being on an equal plane with them.

Christ showed the reality of the spirit, as no other had ever done, without resorting to the "clap-trap" of spiritualism so often used by the Pharisees, and which has become so popular in the Judeo-Christian churches of Pentecostalism today.

When we compare the real Jesus of Nazareth, to the Jewish traditionalists, we see a decided contrast and "never the twain shall meet."

TOLERANCE NOT COMPROMISE!
It is interesting to note that while true Christianity is tolerant towards other religions, it MUST remain uncompromisingly Christian.

This is where the Judeo-Christian churches fall far short of the ideals of "true Christianity." Is it a small matter in your mind, when your pastor sees Jesus Christ ranked with the anti Christ rabbis of Judaism? It should be a matter of deepest concern. Can you condone a Christian pastor who brags about being a "spiritual Jew," when the Bible clearly shows that Jews are "spiritually dead?" and that they fulfill the definition of an anti-Christ, as given in 1 John 2:22, 23?

Are any of our Christian people so stupid that they believe that Jewish hostility towards our Master and His church, is different now then when they "breathed out threatening and slaughter against the disciples of the Lord" in Acts 9:1?

Look at crucified Christian Russia. Christian, I dare you to look at what has taken place there since 1918. Millions have been murdered by the same Jewish hatred that killed our Lord and harassed the early church. Yet Judaism, while intolerant of Christianity, is willing to compromise with Communism, and according to their statements, finance it, and become the brains behind the monstrosity which has killed millions of hated Christians. This strange thinking, will allow a Jew to convert to Christianity, (if this is possible and read Matthew 23:15 to see why I make such a remark), to claim Christ as Savior, while remaining a member of a sect which hates the leader of the religion he has joined. It doesn't make much sense, does it?

Once Judaism gets the upper-hand in anything, religion, economics, politics, etc., you will immediately see revealed the assassin, the Shylock who demands his "pound of flesh," and who is as unmerciful as death itself. We have the death of millions of Christians at Jewish hands, not only in the early church, but under Jewish Communism, to prove this! Please don't get angry with me. These are not my words but come out of the Book you say you believe.

Then in Obadiah 21 we have this promise from our God, the God of Abraham, Isaac and Jacob. The Lord God Almighty, Creator and Savior! "And saviors shall come up on Mt. Zion to judge the Mount (nation) of Esau, (there is no Esau nation today except for the Jews) and the kingdom shall be YAHWEH'S (the Lord's)."

The evil designs of the Edomite Jews and their Khazar non-Semitic allies the Ashkenazi Jews, and their confederates in Gog, Magog and Togarmah, shall not succeed. Their bloody scheme for a New World Order, envisioned in their Red, Jew controlled Communism, shall not prevail. The Thousand Years of Peace will not be ruled over by Jewry, but by our Lord, Jesus Christ, YASHUAH is His name! The great whore will be exposed as the imposter and the world shall recognize "true Israel," as the Bride of Christ, which shall be given her rightful place in the kingdom, as consort for the King, for GOD HAS CHOSEN HER! MARANATHA!

In his book YOU GENTILES! Jewish author Maurice Samuels says on page 155 - "We Jews, we the destroyers, will ever remain the destroyers. Nothing you will ever do will meet our demands and needs. We will forever destroy because we need a world of our own, a God-world, which it is not in your Gentile nature to build."

Conrad Alberti (Sittenfeld), a leading Jewish novelist in the 19th century wrote: "No one can dispute that Jewdom takes a leading part in the pollution and corruption of relations between nations. It is the character of the Jew to have a stubborn endeavor to produce values without work, and this, being an impossibility, it simply means that these values are artificially produced, at Gentile expense."

When Christians realize that the Jews are obnoxious in manners, crooked in business dealings, vile in their moral concepts and a danger to all the ideals of Christianity, then it no longer is prejudice to shun them, or even use harsher measures if necessary to get rid of their influence!

The alleged persecutions of the Jews, who Judeo-Christians "turncoats" such as Baptist evangelist Jack Van Impe, Jerry Falwell, Pat Robertson, Jimmy Swaggart, and a host of others call the "apple
of God's eye," (A term reserved for "true Israel"), is not because they are God's people and Satan hates them. But because of their own unrighteous conduct. The Christian leaders who lead their people astray, by accepting the Jewish lie that 6-million Jews were annihilated by Hitler's government in Germany, when Jewish statistics show there were never more than 3.6-million Jews living in German controlled territory and that millions of those escaped and have been drawing reparations from West Germany ever since. These are at fault!

When they attempt to change the Word of God, so that the Jews bear no responsibility for the murder of our Lord; when they attempt to subvert our Christian leaders and political figures into supporting God's worst enemies into fawning at their feet, then it is time for Christians to rise up in righteous indignation and say: "It is enough! STOP"

Centuries ago, it was common practice to persecute heretics in all religions, and in some areas, Jews suffered alongside of Catholics and Protestants, in the so-called Christian Wars, which were not Christian at all, but were caused by the moral debacle James spoke of in James 4:1-4. They came from evil men, who under religious guise, sought power and wealth to "consume it on their lust."

During Czarist times, Christian pastors in St. Petersburg were besieged by Jews who wanted to join their churches so they would be allowed to remain in the city and own property there. They were not interested in becoming Christians, or changing their abominable moral practices, but wanted to use Christianity as a shield. One of their rabbis told them... "Yes you may join a Christian church, but never forget you are a Jew." I wonder how many Christian congregations were suckered by these Christ haters?

There is no question in my mind that individual Jews can be kind, generous and sympathetic to others than their own kind. I have known some to be so! Some even criticize Jewish leadership, but very seldom publicly. Some decry the excesses of Zionism, while still paying dole to the Zionists.

But in spite of this, the cancer of Judaism remains in the Christian world, as an open malignant sore, which seeks to corrupt everything it comes into contact with. What it has done in centuries past, and is doing now to tolerant Christianity, should be a definite warning signal regarding the "true nature of the Zionist beast!"

I believe we are reaching the "point of no return," in dealing with this problem and MUST settle with the whole tribe now, in order to exist. We can deal with individual cases, once we can control the "power sources" of International Judaism.

The Jewish leaders for centuries have admitted that Christianity has been a threat to their Talmudic World Conspiracy. Christ was totally good, and only a "totally good" leader can expect to best one who is "totally evil," call him the Anti-Christ, or whatever you will. There is no way we can stop the Jewish attack against Christianity using the average "Alka-Seltzer" type Christian soldier in our fight for Christ and freedom. I call them "Alka-Seltzer," for they are like that medicine which you must use while it still fizzes, in order to get any benefit from it. These Christians come to church and "fizz" for an hour or two on Sunday, while the rest of the week you can't tell them from the unsaved people they surround themselves with. They act the same worldly way, they go to the same worldly places, they do the same worldly things, while calling themselves Christians. No wonder so many Christians are looked on as "hypocrites." Many a time I have heard and unsaved man or woman say: "I'm as good as those hypocrites who go to First church," and they are very possibly right. For one of the weaknesses of the Christian church today, is that the majority of its members have never had a personal encounter with the Commander-in-Chief.

In order to be an OVERCOMER, a Christian must WORK, yes I said WORK, at being a Christian, seven days a week. Just having FAITH in Jesus Christ is not enough. Oh how right the Apostle James was, when he said: (James 2:14) "What doth it profit, my brethren, though a man say he hath faith, and have not works, can faith save him?" Vs 17 - "Even so faith, if it hath not works, is dead, being alone." After explaining about how Abraham proved his faith through his works, he concludes in vs 24 - "Ye see then, how that by works a man is justified, and not by faith only." You can scream
until you are "blue in the face," about how you were saved by FAITH alone, but until you show by
your works that it was real, you are nothing but an "empty windbag."

You may consider me to be un-Christian in my criticism, but this is not the case, I am merely telling
you the truth. "Shall I become your enemy, because I tell you the truth?"

This Jewish hatred for Christianity should not be unexpected, for our Savior told us that as He was
hated, so would we be. In John 15:18,19, He spells this out: "If the world (order) hate you, you
know that it hated me before it hated you. If ye were of the world (order), the world would love his
own; but ye are not of the world (order), but I have chosen you out of the world (order) therefore
the world (order) hateth you."

Then in vs 20 - ". . . If they (speaking of the Jews) have persecuted me, they will also persecute
you..." Then in Vs 23 -"He that hateth Me, hateth my Father also." That ought to answer apostates
such as Billy Graham and Jerry Falwell, who say that Jews can reach the Father, other than through
Jesus Christ. We can expect to be slandered and persecuted by the World Order of Internationalism,
if we take a stand for Jesus Christ. If we are not, then there is something sadly lacking in our
Christian witness. Show me a Christian who is not attacked by evil men, and I will show you a
"wish-washy" individual without any "spiritual backbone," who will never take a stand for
anything, while falling for everything.

So-called Gentile Christians who defend God's enemies with their praise and support, or simply
leave them alone to practice their devilry, believe, no doubt, that they will in the final analysis be
exempt from Jewish malice. But if you look at the record, you will see they are the first to be
eliminated, when the anti-Christ's take over.

We know from observation, that if an officer of the law, were to treat a Jew with no fear of the "self-
chosen race," he would see his term in office drastically shortened. If he were a politician, with the
"intestinal fortitude" to speak up about Jewish excesses, he would be run out of public office. Ask
such men as Senator Percy from Illinois, Fulbright from Arkansas.

You hard-headed Christian Gentiles, who refuse to face up to the truth; you whose mind is so
encased in "religious cement," that it will take the dynamite of God to blow it loose to where you
can even see the truth. I dare you to have the courage to say in public, what you say about the Jews
in private. Why do you attack those of us who are truthfully exposing this cancer which is
destroying our Christian society? Certainly, I do not like to preach this kind of message. I'd like to
talk about the wonderful love of God, and His mercy and grace. But someone has to tell the "harsh
facts, and for some reason I can't understand, and don't like, I have been given that task, and before
God, I will do the best I can, whether you or the Jews like it or not!

In your own heart, you know you are a coward, when you fail to protest Jewish control of our
banking system, the press, our medical and judicial systems. Yet there they are! The Jewish
overlords of America, put there for the most part by cowardly Christians who were afraid to speak
up, and kept there by Christian prostitutes who benefit from their relationship with the anti-Christ.

You know your Christian responsibility, if you have studied the Bible. In 1 John 2:22, 23, we are
given a very clear definition of an anti-Christ, and no one more clearly fits this description than the
Jew. In 2 John 10,11, we are told how we MUST treat these anti-Christ's. "If any come unto you,
bring not this doctrine (that Jesus is the Son of God), receive him not into your house, neither bid
him God speed (help him in any way). For he that biddeth him God speed, (notice carefully now)
BECOMES PARTAKER IN HIS EVIL DEEDS." You say you believe the Bible? Who will you
obey? Your pastor or the Word of God?

The manner in which the Jews have abused freedom in America would justify the
disenfranchisement of the entire tribe. Surely, a parasite of such vicious nature, MUST at least be
controlled!

Is it stupid malevolence that has given us the slogan "we must not indict a WHOLE RACE?"
When a nation declares war on another, it indicts every member of that nation with the enemy's characteristics, whether this is true or not. No doubt there are good men and women on the enemy's side; some may even be friendly to our cause. But as long as they "sail under the enemy's flag," THEY ARE THE ENEMY! To deal with them in any other manner would be the utmost of stupidity and would lead to our defeat.

A domestic, secret enemy will never declare war openly. It will preach "pacifism," and "disarmament," while privately practicing warfare against us.

So today, a discerning Christian MUST be able to see how the International Jew practices his "secret warfare" against Christianity which has given them shelter and succor.

The power of Judaism today, is not in their numbers, which are small, but in their "terrible power of the purse," which they wield without mercy. Their power lies in the ability to infiltrated Christian organizations such as the church, and deceive God's people as to their evil nature.

JEWISH INVASION OF THE PULPIT!

The last stronghold of "free speech," and "freedom" in any Christian country, rests in the Christian church, and it's pulpit. In America, this freedom is protected by the First Amendment which states that the State may not interfere in the rights of the church to preach the Gospel of Jesus Christ. It was designed to protect Christianity, not any other religion. But because of this Amendment, Christian America has been tolerant of other religions, even those who seek to tear us down. Of course this is not Christian forbearance, but stupidity of the worst kind. If we had followed the orders given to our forefathers in old Israel, this problem would never have arisen.

But the Jews in particular, protected by this Amendment, have invaded the Christian sanctuary and on every hand, we can see unmistakable features and hear the characteristic speech and doctrines of Judaism. We get very little of the Christ of the Gospel in our modern church, but much of the social gospel of Judaism.

Most often, we see "Jewish dupes," pastors who are not Jews, who call themselves Christian, who tell their parishioners, "We must love the Jews, or incur the wrath of God." While at this moment, according to their own world leaders, they intend to slaughter American Christians like they did those in Europe and China, the Christian dupe spouts the false message that we "must turn the other cheek" to the enemy which seeks to destroy us and our God given freedom. To do this is of course suicidal! Certainly Jesus never taught this kind of doctrine! Certainly this was not the attitude He showed, when he made a whip out of rope, and drove the money changers out of the Temple, (John 2:15), or aren't we supposed to speak about this Jesus?

Has the pulpit in America become so blind, or so solidly sold out to Jewish interests, that it is ready to follow the lead of the press, TV, radio, and Hollywood, into the contaminated "hog pen" of Talmudic Judaism?

While these "wolves in sheep's clothing" we call pastors, pontificate about "universal brotherhood; the Fatherhood of God, and the brotherhood of man," while they seek to disarm America, yes, even through individual gun control and elimination of 2nd Amendment rights; which would leave us at the mercy of those who have openly stated their desire to destroy us. Where are the Christian Shadrach's, Mesheck's and Abednego's in the American pulpit, who will stand tall and say to the overlords of world Jewry, "We will not bow down to your image of gold!"

At the turn of the Twentieth Century, what we see happening today was called "Nihilism" (the general rejection of all belief in morality; the belief that there is no meaning to our existence; so since we live only for today, "Eat, drink and be merry, for tomorrow we may die!") Today, this idea is being "spoon fed" to our college youth by Jewish professors, for the most part, who are doing their part to prepare America for the slaughter.

The Jew can never feel at home under the Christian political system, (and I say this, fully realizing
how far we have fallen away from "One nation under God.") But the Jew knows that there is still "spoil" to be found in the world today, and the spirit of Judaism, is the spirit of the "freebooter" who sailed under the Skull and Cross Bones flag of Jolly Roger. The Bible says they love to "take and occupy houses they have not built; and reap from fields which they have not sown."

The Jewish tribal organization of the Kaballah, is all that the Jew wants, it is all he needs, and his rule of the Sanhedrin, or racial tribunal is enough for him. He despises. the political and judicial systems of the West, and uses them only for his own advancement and as a means to destroy his enemies.

But let's get back to the original theme and see how the earliest Christian heresy, that of Ebionitism, has begun to renew its efforts in 1992, as it seeks to introduce Jesus Christ as a Jew, and His doctrine as Jewish doctrine. This is an enigma, for on one hand Judaism claims Christ, while on the other it downgrades Him as an illegitimate bastard and apostate.

What we see happening today, in the modern Christian church, especially those who are known as Judeo-Christian churches, is an all-out Jewish effort to recapture Christianity and its converts, and bring them under the bondage of Judaism, by representing their leader, Jesus the Christ, as an exalted Jewish rabbi, although slightly demented, to be sure! This is the attitude of many modern Jewish authors and can be seen in Dr. Joseph Klausner's book JESUS OF NAZARETH.

"There is an old saying that applies to all Christians who make concessions to anti-Christ Judaism: 'They that touch pitch will become dirty.'"

While the first century Ebionites spoke from their Judaized background, the Ebionites of the Twentieth Century have no such native background and are inexcusable in their heresy. This is an example of what Jesus meant, when He accused the Pharisees in Matthew 23:15, of turning their converts into "two-fold more a child of hell than yourselves."

It was in this manner that the Apostle Paul counseled the Galatians, a people with no Jewish background (although many of them, unknowingly, were Israelites). These people had no business being led astray from their Christian belief, by Judaizers.

Anyone who allows themselves to be trapped into believing that Christianity and Judaism spring from the same rotten "fountainhead," are indeed to be pitied, for in the words of the Apostle Paul, for such a one, "Christ died in vain!" (Gal. 3:1). Such a person, and there are millions of them in our present day Christian churches, are stepping backwards in time for almost 2,000 years, to a time when some said that in order for you to be saved, you first had to be circumcised.

It is necessary for Judaism to keep up this deception, which is designed to bury Christ and His message among their traditions, and prepare the world for the NEW WORLD ORDER, which the Jews teach will be under their domination.

They are presently trying to do this through a very clever maneuver, in which they induced the U.S. House of Representatives, on March 5, 1991, to pass by voice vote, a resolution, designating March 26th as EDUCATION DAY, U.S.A. in honor of Rabbi Menachem Scheerson, leader of the worldwide Lubavitch Movement. This Resolution was passed by the U.S. Senate on March 21, 1991, and our so-called Christian President George Bush issued a proclamation calling upon the people of the United States to observe this day with appropriate ceremonies and activities. This was lending support for the anti-Christ's of Judaism, and in so doing, according to 2 John 11, we have "become partaker in their evil deeds."

The Noahide Laws, which have been fostered by the Lubavitch Movement are the supposed Laws of God, which were for the purpose of governing "non-Jewish" people. These Laws have nothing in common with God's Laws as given in the Ten Commandments, but are Jewish Laws, imposed on "non-Jews," in which the death penalty can be imposed on "non-Jews" who break them. (Supposing of course, that Jews are in control of the situation.)
Where the Ten Commandments demand at least two eye witnesses to condemn a man or woman to death, the Noahide Laws require only one witness.

While the Bible mentions the Noahic Covenant, Gen. 9:11-17, in which God promises never to destroy the earth again by a flood, there is no mention in Scripture, either Old or New Testament of the Seven Noahide Laws. They come to us direct from the Babylonian Talmud, which states that although these laws apply to all mankind, those who live by the Torah (Jewish Laws), are exempt. A perfect example, that although "all pigs is equal, some pigs is more equal than others." (Please excuse the rotten grammar.)

When the U.S. Congress, both branches, passed Public Law 102-14, they stated in no uncertain terms, that this Jewish Law is the foundation of all international law, and this is a step in the establishment of a law code for the NEW WORLD ORDER.

In Noah's time, corruption became so widespread that God had to intervene; He cleansed the world with water, saving only Noah, his family and selected animals and beasts. There were no nations, no communities, no society, just a family. But in this NEW WORLD ORDER, sin existed. We can see this in Noah's drunkenness and Ham's dishonoring his parent. It was Ham, who begat Cush, and Cush begat Nimrod, who began the Babylonian System which is basic to Talmudic Judaism, and which holds all men in bondage in these closing out days of the Twentieth Century.

When Nimrod tried to build the tower of Babel, God confused the languages and scattered the people abroad upon the face of the earth. So it might be said that God created a new world order of nations to prevent leaders of that time from creating their own man-made world order. This should serve as a warning to those who, in our time, are striving to "make them a name," and create a New World Order. (George Bush please take note!)

While a superficial study of the Seven Noahide Laws may draw a favorable response from many Christians, it is because they have not done their homework. For if they studied this law, it can be seen that as the orthodox Jew interprets them, Christians who worship Christ would be guilty of crimes which demand the death penalty. Because we believe that "Jesus is God," to the orthodox Jew, this is blasphemy, hence the death penalty; technically, every Christian on the face of the earth faces the death penalty, if these Seven Noahide Laws become the basis for International Law, and don't be naive enough to say: "It will never happen to us!" Now we are saddled with this Law, and the Noahides are exploring the feasibility of making it world wide through the United Nations. It seems to fit perfectly with George Bush's NEW WORLD ORDER Plans!

While this Noahide Law has been fostered and promoted in our Congress, the Ten Commandments of God are prohibited from public display in our public schools. Those who profess to be Judeo-Christian in their beliefs, are in effect accepting the ancient Pharisaism which our King Jesus condemned. For according to Jewish authorities such as Rabbi Louis Finklestein: "Pharisaism became Talmudism ... and the spirit of the ancient Pharisee survives unaltered. When the Jew studies the Talmud, he is actually repeating the arguments used in the Palestinian academies. From Palestine to Babylon ia; from Babylonia to North Africa, Italy, Spain, France, and Germany; from these to Poland, Russia and Eastern Europe generally, ancient Pharisaism has wandered." This is the link which is missing in Evangelical and Fundamental understanding, which allows them to give "God speed," to God's worst enemies, in direct contradiction to His Word. (See 2 John 10, 11.)

According to news reports, this heresy has become so strong, that in Athens, TN, the "heart of the Bible belt," the Emmanuel Baptist church took the steeple off their church, and scraped the name Baptist and Church off their church sign. Here we find a -group of Christian fundamentalists, who have allowed themselves to be sucked into believing that they are discovering the roots of their faith by a return to Judaism.

Boiled down to reality, the passage by the U.S. Congress of Public Law 102-14 in 1991, is the most flagrant violation of the First Amendment ever passed by Congress, and can be expected to be the "wave of the future," unless Christians wake up to what is being done to them and their faith.
But remember, that while we see this usurpation of authority, we know that "The government shall be upon His (Christ's) shoulder; and His name shall be called Wonderful Counselor, The Mighty God, The Everlasting Father, The Prince of Peace," and "neither is there salvation in any other; for there is no other name under heaven by which we MUST be saved." HALELU'YAH! So "Let the heathen rage, and the people imagine a vain thing... He that sitteth in the heavens shall laugh: the Lord shall have them in derision (contempt)." (Ps 2:1)

The frantic efforts of Judaism to prove their contentions, is evidence enough that this subject is vital to their intentions. One can read about this in books by Jewish authors such as Prof H. Graetz in his HISTORY OF THE JEWS; Dr. Joseph Klauser in his JESUS OF NAZARETH, and Emil Ludwig in his THE SON OF MAN. All three of these Jewish authors are characterized by the same diseased logic that effects the tribal intellect of this species we call Jews.

Their method is to announce as their premises a hypothesis (supposition) that none but themselves can logically accept (in other words, a Jewish fable) then proceed to build an argument without a sound foundation. They all say Jesus is a Jew, but never go on to prove it. Klausner clinches the whole matter to his satisfaction at least, by quoting a Latin proverb: "Ex nihilo nihil fit" - "you cannot get something out of nothing." This pre-supposes, of course, that the message of Christianity came from an earthly origin, and of course, that this origin MUST have been Jewish.

It is rather amazing to see where this writer in the very same paragraph, literally disproves his own statement by saying: "Had there not been in Jesus' teaching something contrary to the world outlook of Israel, (and here he of course was referring to the Jews), there could never have risen out of it a new teaching so irreconcilable with the spirit of Judaism."

Again: "Although Jesus' teaching may not have been directed against contemporary Judaism, it certainly had within it the germs from which there could and must develop in course of time, a non-Jewish and even anti-Jewish teaching."

It seems incredible to me, that an intelligent man can take two such conflicting positions and attempt to present them as the truth; but such is the obtuse reasoning of Judaism.

The false idea that Christ was a Jew and His teachings an offshoot of Judaism, is held by all three of these Jewish authors. But we must notice that they still admit that "there is something contrary to the world outlook of Judaism in Christ's teachings," and that "this new teaching is irreconcilable with the spirit of Judaism."

Adolph Harnach, one of the outstanding Christian theologians of the 20th Century said: "There the historical Jew, Jesus, disappears totally; virtually every word He taught is made to be of permanent and universal human interest. The messianic features are abolished entirely, and virtually no importance is attached to Judaism in its capacity of Jesus' environment. Jesus rose independently and so towered above contemporary Judaism, as to be untouchable by it." (This is a message that present day Christian theologians for the most part seem to have ignored.)

Looking forward from the Christian era nearly 2,000 years, it will surprise many readers that the Jews cannot be considered the ancient race they claim to be. Civilized man had occupied the land of Palestine long before the Jews appeared on the scene. They first appear in Biblical accounts, about the year 742 BC, which is almost 1200 years after the time of Abraham, (to call Abraham a Jew is a sign of ignorance, or intellectual dishonesty) in 2 Kings - when we find them fighting against Israel.

The original home of the Semitic people was undoubtedly near the country we know as Arabia, which is now a hot and arid land, part of what is called the "fertile crescent." The Western arm of this crescent reaches southward along the Eastern shore of the Mediterranean Sea and is today known as Palestine. In the East, it broadens out into the valley of the Tigris and Euphrates Rivers, which in ancient times was called the Land of Sumer, or Mesopotamia. Long before these Semitic people came out of Arabia, this eastern arm was occupied by a highly civilized people known as Sumerians, who were not Semites. (See J.H. Braested - THE CONQUEST OF CIVILIZATION.)
Monuments in this land date back to at least 5000 BC and their translations place them in this area before the Great Flood. At the height of their power, they ruled as far westward as Asia Minor, and the islands of the Aegean Sea.

These people had the earliest written language in Asia, which furnished the basis for the Assyrian cuneiform writing. They had a highly developed and involved system of worship. Their ideas of worship were copied by the first Hebrew (not Jew) settlers in this area about 1451 BC.

It is only within the last hundred years or so, that modern archeology has recovered from the ancient buried cities of Mesopotamia, evidence that these people were not native to this area, but came from somewhere to the north.

The latest writings on this subject by Dr. L.A. Waddell, THE MAKERS OF CIVILIZATION, (1929) holds to the view supported by archaeological evidence, that from the Land of Sumer, these people spread east to the Indus Valley, then south, carrying the Sanskrit language and Indo-European culture into India itself.

These white skinned people, came in successive waves, as Medes, Persians, Hittitites, Scythians, and among those who settled in Palestine, they were known as Canaanites.

A few of the people we now know as Jews, were those Hebrews who came back from the Babylonian captivity (probably less than 15%). They were a mixed crowd who brought back a religion which had been contaminated from the worship of the true God, to the Babylonian occultism known as Talmudic Judaism. From priests of the Most High God, they came back with Rabbis, who were supposed to counsel with God, and who became intermediaries between God and man, contrary to all true Hebrew teaching.

Just as Judaism is anti-Christ, it is also anti-national by nature and wherever it is practiced it has failed as a nation. It failed nationally and was overthrown and almost destroyed by the Romans in 70 AD when their holy city Jerusalem was razed and burned. Instead of accepting defeat and making the best of it under as efficient governmental system, as the Galileans did, they became a "parasite" people wherever they went, and by means of their Talmud organized and perfected their plans for preying on and ultimately subjecting all mankind to their nefarious purposes. Remember how the Apostle Paul characterized them in 1 Thess. 2:15, when he said: "...they have persecuted us (Christians), and they please not God, and are contrary to all men." This is an excellent character analysis of the International Jew.

Jews have always been a notorious failure in the matter of self-government when left to themselves. In their contact with others, their loyalty is always to the tribe. This is true of most American Jews, who have "dual citizenship." When the "chips are down," you can expect them to support Zionism, not what is best for America. It has been proven thus too many times to even argue about it.

Centuries before Christ appeared on the scene, Jews were viewed as the enemies of man kind, no matter where they were, for almost without fail, they were connected with the unsavory practices of "usury," and crocked business dealings, along with a dirty, immoral life style which most people, even non-Christians, hated. This was the reason Jews were kicked out of every European country at some time or other. It was not because they were God's Chosen People, as Baptist evangelist Jack Van Impe love to tell us.

When Russia fell to Jewish Bolshevism, it was the son of a Jewish rabbi, who directed the destruction of the Christian church in Russia. (See New York Herald Tribune, Magazine Section, April 16,1934.)

Jewish authorities of the time, bragged about their part in making the Revolution a success, and when red Rabbi Steven Wise was asked what he thought about Communism, he replied: "Some call it communism; I call it Judaism." The Jewish writer M. Hermaflin, writing from New York City in 1917, said: "The Russian Revolution was made by Jews. We have created secret societies and planned the Reign of Terror.: 

The AMERICAN HEBREW, leading Jewish newspaper in the United States, in its September 10, 1920 edition said: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a NEW WORLD ORDER. What happened in Russia, shall also, through the same Jewish mental and physical forces, become a reality over all the world."

There is no excuse for any Christian not to know that countless millions of their brethren were murdered by those people their false shepherds now call God's Chosen, and that the future of Christianity, if it falls into Jewish hands, will be bleak indeed.

The number of Christians murdered under Jewish supervision in Russia will probably never be known this side of eternity, but it exceeds by many times, the so-called Jewish holocaust of World War II, where it falsely contended that 6-million Jews perished, when according to their own statistic, there were never more than 3.6-million Jews in German occupied territory and many of them escaped before the Nazi took control.

But Jewish propaganda in American churches being what it is, our Christian people bemoan the persecution of Jews, while completely overlooking the suffering caused to our own people by these anti-Christ parasites. Authentic records show that during the opening days of this Jewish Revolution, 31 bishops, 1,650 priests and ministers, and over 2-million Christian laymen, were murdered under Jewish control. (This included the Czar and his family who were brutally murdered by Jewish assassins.)

If we were to take to heart the record of the Jewish led, Jewish instigated, Jewish financed Bolshevik Revolution in Russia and see it as a warning; every non-Jew, especially if they were Christian, should become concerned for the welfare and safety of themselves and their families, for they are the future target of Judaism, no matter what your "Jew tainted" pastor tells you to the contrary.

While Judaism often attaches the International label to itself, it is at heart anti-national. It claims to be the source of Christ and His Gospel, in spite of all historical facts which proves otherwise. It preaches "pacifism," while carrying on unrelenting warfare against everyone who is not a Jew. It's "soap box" orators stir up discontent and are at the bottom of the racial hatred which is tearing America apart and which threatens "racial warfare." For decades, it has been known that the Jewish overlords of America, plan to use Blacks as "cannon fodder," in a racial war, they hope will bring them into their NEW WORLD ORDER.

Judaism has been successful in "hoodwinking" the bulk of Christianity into a sense of false security, which cries out "Peace and safety!" The Apostle Paul tells us in 1 Thess. 5:3, that when this happens, "sudden destruction cometh upon them ... and they shall not escape." Today in many of our Christian churches, Jewish influence has set up "non-resistance" to evil. With hordes of paid "prostitutes" in the form of "pastoral spies", Judaism has infiltrated the Christian church and is ever on the alert to catch Christians unaware, using secret intrigue, wherever it can and adopting one subversive method in one Christian country and another elsewhere.

The false doctrine known as the Rapture, has been one of Judaism's most potent weapons, as it has kept countless Christians from becoming "front line soldiers" for Jesus Christ, while relegating them to the role of "foxhole dwellers," who fold their holy hands in prayer, asking God to Rapture them out of the mess which was caused by their apathy.

This form of JUDAISM, which is the enemy to White Christian civilization must be EXPELLED AND OUTLAWED if White Christian civilization is to survive! This is your only choice and the time has come when Christians MUST decide between CHRIST or the ANTI-CHRIST OF JUDAISM! It is a matter of LIFE OR DEATH!

While Judaism has repudiated the PROTOCOLS OF THE LEARNED ELDERS OF ZION, and called them counterfeit, (accompanied by loud "Amens" from many Christian leaders), they cling to
their TALMUD, which teaches the same thing found in the PROTOCOLS.

So as we look deeper into the problem, we find that the liberalism which is destroying the strength of Christianity, is a "Jewish brain child."

When the Peace Pact of Westphalia was signed in 1648, ending the Thirty Year War, the foundation of modern nationalism was laid down. It was:

1) A state MUST have independence or sovereignty.

2) A state MUST have judicial equality, and;

3) A state MUST have a territorial domain.

The Jews, known as Israeli in Palestine, do not have a nation as such, for they have never had the attributes of Statehood and have no legal or moral right to be in the "family of nations."

A parasite organization, such as that presented by the Jews in Palestine, is fundamentally the reverse of that of a nation. The latter is set up to allow the greatest degree of personal liberty possible. In a genuine Republic its basis lies in the reservation of all liberty of action to the individual, as long as he does not harm his fellow man in any way. Hence we have the legal principle, that the State should govern it's people as little as possible. This ideal rests on the integrity of the individual to govern himself.

In a society of delinquents, this idea would be sheer stupidity. The State contemplates a peaceful objectivity for its domain, and its defender, the army, navy and air force, is available as a security for its borders and its people.

But when you have a political and moral parasite, a course of action contrary to this takes place. It's defenders seek the center of the herd, from whose safety they can bellow defiance to the rest of the world. The synagogue, serves as such for the Rabbi, who feels free to pronounce anathema against any Christian who crosses or exposes the aims of Judaism. These are immediately labeled as "anti-Semitic," which along with the term "racist," is one of the worst accusations which can be made against anyone these days. The fact that Judaism is one of the worst discriminators and "racist" organizations in the world, seems to have little effect on the thinking of "brainwashed" Christians.

This "parasite" organization has distinct advantages for the parasite. It has a mass of membership to act as its contacting body with the outside world, which proves to be a convenient "smoke screen," from which it's leaders can carry out their subversive, destructive, anti-Christian activities.

When met with proofs of hostility, they always deny partnership, but never denounce the guilty. This is what I have against the many so-called "good Jews." While many of them say they are against the excesses of world Zionism, very few will speak out to admit the guilt of collective Jewry. Good Jews, who defend Zionism, automatically become the enemy of everything which is truly Christian, just as Christians who defend the anti-Christ's of Jewry, become traitors to Christ and Christianity. (See 2 John 11.)

Have you ever heard a Jew denounce Karl Marx, Weishaupt, Trotsky, Lenin, or Stalin? They know that when their international leaders succeed, and claim their rewards, all members of the tribe profit from it. This plus their fear of militant Jewish organizations such as the ANTI-DEFAMATION LEAGUE of the B'Nai B'rith, which is designed to keep the "little Jews" in line, will keep all but the bravest from speaking out against their brethren.

Then one of the most damaging things to Christianity, is that of having to deal with the "internal parasite." These are the "disease germs," we find in the pulpits of America. The Falwell's, the Robertson's, the Swaggarts, the Graham's, the Van Impe's of Christianity, who have worked their way into the healthy body of the church, secretly and insidiously destroying it from within. These are also our ENEMIES AND MUST BE DEALT WITH AS SUCH, if we are to SURVIVE!
JEWISH LEADERSHIP

Jewish leadership has never been known to stop at anything which will gain its desired ends, and no wonder that we find among their ranks, such famous crooks as Caiphas, Herod, Nero, Lenin, Weishaupt, Marx, Trotsky, Hertzl, Ginsberg, and don't forget Henry Kissinger and Alger Hiss. These men were vile enough to be especially chosen for their positions of importance in the schemes of International Judaism. Such tools are all the more fit for their positions, when they are morally rotten specimens such as Nero, Lenin, Marx, Kissinger, and yes, the moral perverts of Christianity, such as the Swaggart's and Bakker's of TV prominence.

These tools of International Judaism signify the degree of mental and moral decay, indicative of the race, or its proselytes. This was the same disease that produced the rottenness of the Babylonian Talmud as the primary basis of their anti-Christ religion.

While the Greeks reacted with disgust to evil creatures such as the Thersites in the Trojan War, the Jews on the contrary extol the monsters of depravity as their heros and standard bearers. Men such as the terrorist murderer Menachem Begin, or the present Prime Minister Shamir, both of who boast of their deeds of murder and terrorism, yet both of whom have been welcomed by our government, and by religious leaders such as Jerry Falwell. When Falwell first met Begin, he came close to repeating the words used by King Jehosophat, the good king of Judah, as he visited wicked Ahab. In 2 Chron. 18:3 we read Jehosophat's words: ". . . I am as thou art, and my people as thy people; and we will be with thee in this war."

Later, when Jehosophat escaped destruction by the "skin of his teeth," he was warned by God's prophet in 2 Chron 19:2-. . . Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." This is a warning many of our Christian ministers need to hear today!

It is stupidity of the lowest degree to argue that there are some "good Jews" to whom my criticism does not apply, and that they should not be held accountable for the actions of their racial leaders. In reply, I would have to answer that there is a battle to the death going on now between the forces of "light and darkness," between "good and evil," between "Christ and "anti-Christ." This battle has reached the point where it is about to break into violent action, aimed at Christians everywhere, just as it was at Russian Christians almost 75 years ago. When facing an enemy in open battle, there is no time to question whether there are good men among the enemy, especially when we see them giving silent assent to what the enemy is attempting to do. (I honor those few, such as Dr. Ben Freedman, Haviv Schrieber, and Alfred Lilienthal, who have had the courage to speak out against International Zionism, but they are few and far between.)

When the organization of Jewry is in our midst - as it most surely is - we MUST assume that every Jew is an enemy, and though we have given him citizenship, that does not make him an American. Remember the words from the Revolutionary War: "Put only Americans on guard tonight!"

Over two hundred years ago, the very wise elder statesman of America, Benjamin Franklin recognized the problem we face today, when he told our first Continental Congress: "Gentlemen, the Jew is an Asiatic," and warned that unless we prohibited them from access to this country, within 200 years they would seek to control it. Truer words were never spoken, and when Christian Patriots speak of ZOG (Zionist Occupied Government,) they are fairly describing our perverted government in "el cessepoole grande," Washington, DC.)

To forget that Jews do not think like Aryans, is to repeat the mistake that led to the "decline and fall of the Roman Empire."

The solidarity of International Jewry is not an easy obstacle to overcome. It exceeds that of all other diverse peoples in our midst. Yet, when we find a parasite in our midst, that is slowly draining our blood supply, no right thinking person, Christian or non-Christian, would blame us for using any method necessary to get rid of it and protect ourselves.
If we continue to tolerate this evil; if we spend our spare time watching their filthy, false TV presentations, listen to their degrading rock music, listen to the "brainwashing" lies of the media pundits, and those coming from the equally corrupt Baal pulpits of America, then we will be praising and supporting the enemy by our actions! Then they will "grow fat on our blood," and the seduced press will look on us as "democratic," "tolerant", "liberal" and "good guys," as we slip into the slavery of the ZIONIST NEW WORLD ORDER. God will say to us: "Depart from me, you who disobey my laws; I never knew you!" (Matt. 7:23; Luke 13:27.

As an alien who can exist in a Christian nation such as America, only by lying and cheating, the Jew is the perfect agent for Satan and his anti-Christ forces. For many centuries, the Christians in Europe made the "sign of the cross" when they met a Jew, because they knew they were the epitome of evil. Today, American Christians are more apt to embrace them and call themselves Zionist Christians. While the battle goes against Christianity, as it is now, because Christians have allowed the enemy to take charge, the time will come when the tide will turn. Our King has promised it. When that day comes, it may be too late for the Christian "turncoats," to attempt to "climb on the bandwagon of victory!"

**JUDAISM ANALYZED!**

With the many Jewish organizations in our midst, such as the AMERICAN JEWISH CONGRESS; the ANTI-DEFAMATION LEAGUE; the various JEWISH DEFENSE LEAGUES; the Jewish Masonic Lodge of B'NAI B'RITH; the KEHILLA of New York City, the JEWISH YEARBOOK, and many other sources which are open only to Jews, there is no excuse for Christians to not know that Judaism is a cult, not a religion. Most Christians can know the truth, if they so desire, no matter how strongly their pastors honor the anti-Christ's of Judaism. You have the option of believing Jesus Christ and His Word, or the projew sentiments of your seminary trained pastor.

1) **JUDAISM** is a cult, because it is organized along racial or tribal lines, instead of being based on religion as such. It rigidly commands the obedience of its members and makes their resentment felt to all who criticize them. (This is the major function of the ADL; that and keeping the "little Jews" in line.)

   It's leadership is found among its Rabbis, who by virtue of the protection given them by their religious calling, can utter sentiments which in others would be called treason. (This is not true however with Christian pastors, many of who have been imprisoned by Jewish Judges and Prosecuting Attorneys, because they have refused to "bow the knee to the State.") Show me one Rabbi who has ever been imprisoned because of this. At this writing in 1992, over 265 Christian pastors are known to be incarcerated in American Prisons. Their crime? They stood against ZOG (Zionist Occupational Government).

2) Judaism, being a cult, must be considered as an ethnic group, whose aims and objectives are for the sole benefit of their race, no matter what methods must be used to bring it about. The Jewish Communal Register is an authority for this statement. It is a perpetual alien entity, by virtue of its "self-chosen, Chosen People" fetish. As aliens, they should not be allowed citizenship in any Christian country, since they are openly avowed enemies of our God, and His Son, our king.

3) Judaism is an unethical band, except among its own kind. According to its Talmud, it's hand is against the "goyim," the non-Jew, whom they consider to be animals, placed on earth by God to serve the Jews.
4) Judaism is a clandestine, secret organization, using various branches such as the AMERICAN JEWISH CONGRESS, THE ADL, the B'Nai B'rith, its local kehillas, its YOUNG JUDEA and its various JEWISH DEFENSE ORGANIZATIONS, for its nefarious purposes. Most of these could be classified as anti-Christian, anti-American.

5) It is in effect a closed corporation, an industrial unit, if you will, whose power is used to keep the Jew in the "driver's seat," while hampering the Gentile in any way possible. I use the word GENTILE, to refer to anyone who is not a Jew.

In the financial field, it concentrates its "power of the purse" to control corporations and nations. It is like a gigantic octopus which is remorseless and persistent in its revenge against any which seek to stay its power, or expose its ulterior motives. It is the public enemy of all who are "non-Jews", which it will seek to destroy, unless it is first destroyed.

This Jewish thinking can be seen in the statement made by the Jewish Ambassador from Austria to London, Count Mensdorf in 918: "Israel (Jews) won the war (WW I); we made it; we thrived on it; we profited from it. It was our supreme revenge on Christianity."

In 1852, Benjamin Disraeli, the Jewish Prime Minister of Britain, wrote: "The influence of the Jews can be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition, against religion, against property... (Remember this statement was made before the Bolshevist Revolution) men of the Jewish race are always found at the head of every one of them. They cooperate with atheists; the most skillful accumulators of property ally themselves with Communists; this peculiar race... touches the hand of all the scum and low castes in Europe: and all this because they wish to destroy ungrateful Christianity." (From THE LIFE OF LORD GEORGE BENTINCH, London, 1852. Notice he is not criticizing Jews, he is bragging about them. This same thing happened in 1918, when Trotsky with 247 Jews, the scum of the New York City's East Side, went to Russia with $20-million in gold, donated by the Jew banker, Jacob Schiff.)

On page 23, in his book YOU GENTILES, Jewish author Maurice Samuels says: "I do not believe the primal difference between Gentiles and Jews is reconcilable. You and we may come to an understanding, but never to a reconciliation. There will be irritation among us as long as we are in intimate contact."

On page 152, of this same book he writes: "In everything we (Jews) are the destroyers - even in the instruments of destruction to which we turn to for relief. The very socialism, and internationalism through which our choked spirit seeks utterance, which seems to threaten your way of life, are alien to our spirits, demands and needs."

On page 155 - "We Jews, we the destroyers will remain the destroyers. Nothing that you can do will meet our demands and needs..."

Bert Hect, the well-known Jewish Hollywood writer, showed typical Jewish contempt for Christ when he wrote in one of his books: "One of the finest things done by the Jewish mob was the crucifixion of Christ. Intellectually it was a splendid gesture! But trust the mob to bungle it! If I would have had charge of the execution of Christ, I would have shipped him to Rome and would have fed him to the lions. They (Christians) could never have made a Savior out of mincemeat."

Remember, these are the same folks some of your pastor's constantly refer to as the "apple of God's eye." (Men such as Jerry Falwell, Billy Graham, Jack Van Impe, and David Webber, frequently do!)

If "corporations have no souls," then it follows that those who manage them can have none either. This is essentially true of Judaism.

It requires a great deal of courage and brains on the part of a Gentile (non-Jew) to stand against the power of Judaism. The Gentile, especially the white Aryan, in his love for freedom, including free competition, seldom combines against the Jewish octopus, as the Jews continually do. The Jew prefers shelter and easy success by identifying himself with his racial or religious parasites. We hear
much about the "Oil octopus," the "steel octopus," but these are not bound together by race, unless they are Jew led, which many are. They are not protected by law as a religion. While they are supremely selfish, they are not usually hostile, except to anything which slows down or stops their gains. But the International Jewish octopus, as shown in their Talmud, has a malicious hostility and vindictiveness which goes far beyond its gains, and clothes the entire devilish hypocrisy with a show of religion which our laws forbid us to touch. So strong has this Jewish force become in the countries of Christendom, that they openly attack the Christian religion, while they themselves are protected from retaliation by the Christian element. To further the confusion, much of the Christian world has been "brainwashed" into believing that these anti-Christs are God's Chosen, even though our Lord clearly indicated they are not. (See John 10:26).

There are fools among our secular and religious families who praise the Jew for his business ability. Yet it is eloquent testimony to the capability of the average Gentile, that he can fight his battle for a living, and enjoy his own rugged individualism, his freedom, and his pride in manhood as a producer. For he is not a parasite like the Jew. Merely contrast the Aryans spirit of freedom and independence, the things Christ preached, and contrast this, if you dare, with the cowardice that resides within the parasite. Then tell me, that you want this country to come under their control. Industrial freedom is impossible where parasites abound and our entire economic system in the Free World today, is under the control of Jewish parasites.

Not only is Judaism a "parasitic" religion, they love to brag about it. In the JEWISH COMMUNAL REGISTER, published by the Kehillah of New York City, volume 1917-1918, it states, under the title YOUNG JUDEA, PAGE 1936: "The purpose of YOUNG JUDEA is twofold. It aims to foster or even arouse, if need be, the Jewish consciousness among the Jewish youth which is so necessary for the full realization of the Jewish life; and, secondly, it endeavors to direct Jewish work among the youth along nationalistic and more particularly Zionist lines. The organization insists that Jewish life devoid of nationalistic elements is lacking in one of the most essential elements.

"The YOUNG JUDEA ideal, however, is something much greater than just outlined. We fondly look forward to the day when the Young Judea idea is no longer locally American, but shall unite as one powerful organization on the common platform of service to the cause of Zionism, all Jewish youth in the world."

It is interesting to note that foreign Jews were most prominent in these Jewish Youth Organizations - Jews who obviously did not consider themselves to be American.

The Young Judeans openly confess their purpose to train children from the age of ten to twenty to "look forward to the day when the young Judea idea is no longer America."

A parasite can never be a loyal American, and should never be given citizenship, even if born in this country. One result of this Jewish youth training, has been an increasing insolence and rudeness on the part of Jewish youth, especially in the institutions of higher learning. As mentioned before, I encountered this while lecturing on college campuses during the Vietnam War. 100% of the radical elements which were tearing our colleges apart, were Jewish led, men like Jerry Rubin, Abbie Hoffman, etc. Their rude and profane insolence was unbelievable. They were encouraged in their insolence by adult Jews such as the lawyer Kunstler.

The American Jewish Committee Report (p.1413) mentions its objectives to defend the civil and religious rights of Jews around the world, and cites the "terrible Russian massacres of Jews in 1903 and 1905," which shocked the civilized world. But historical facts for that period show no massacres. Instead it shows a Jewish attempt to overthrow the legitimate Russian government, which was put down by government forces, and its perpetrators, who were mostly Jews, were punished under Russian law.

On p. 1416 of this same report they admit to raising a considerable sum of money from what they call the "gullible goyim," to help the criminal element in Russia, which they called "innocent victims."
It is also interesting to note that it was the American Jewish Committees, who in 1909 exerted enough pressure on our American Congress, that they dropped from the Census Reports a section that gave a person's religious preference. Evidently, for some reason or other, Jews do not want the Gentile world to know how many there are in America.

They also opposed at this time (1909), a movement which sought to deprive Asians of the privilege of becoming naturalized citizens. They (the Jews) believed that this law could be used against them, since most of them are Asiatic. This certainly makes sense today, when we realize that according to their own statistics, fully 90% of world Jewry today is made up of the "round headed" "Judeo-Mongrels" known as Ashkenazis, who have always been the one's most hostile to the American Way of Life. These are Jews like Golda Meier, and Menachem Begin, who came from a Khazar background and whose ancestors never set foot in Palestine. Alfred Lilienthal, the renowned Jewish author, in his book THE ZIONIST CONNECTION says: "I would not be surprised if some of my gentile readers do not have more right to the Land of Palestine than Menachem Begin."

Since the "turn of this century," America has been inundated by Ashkenazim Jews, most of whom have come direct from Russia. They often boast in their Yiddish publications, how they have been able to defeat American immigration restrictions.

The operations of the American Jewish Committees, which expend enormous sums for the relief of "suffering Jews" (?)here and abroad, reads more like a chronicle of racketeers, who have squandered vast sums, often sucked from gullible Christians under the cloak of religion. This has been done, with the help of many Christian leaders, and has been for the furtherance of the anti-Christ's of Greater Judaism.

**THEY HAVE NOT CHANGED IN 2,000 YEARS!**

The Roman historian, Tacitus, (Vol.11, p.264) tells us that "while the Assyrians, and after them the Medes and Persians were masters of the East, of all the nations held in subjugation, the Jews were the vilest." (See Jeremiah 24.)

The French historian Renan, commenting on Jewish persecution through the ages said: "Antipathy against the Jews was universal in the ancient world. It cannot be without reason, (This reason is not that they are hated by Satan, because they are God's people, as Baptist evangelist Van Impe would have us believe.) that they were the victims of slaughter. When every nation and age persecutes you, there MUST needs be some motive behind it. Down to our day, the Jew has pushed his way everywhere, claiming common rights. But in fact, the Jew would never stand upon common right; he would hold to his peculiar law; he would insist upon the privileges open to all, and his exceptional privileges in the bargain. He claims the advantages of nationality without being a nation. No people could tolerate this . . . The tolerant foreigner may be of service to a country, as long as he does not interfere in the affairs of that country. There is no justice in claiming family rights in a house which you have not built." (Ernest Renan, ANTI-CHRIST, p.206).

On page 93 of this same book, Renan, commenting on Rome's problems with the Jews, said: "It would have needed perfection itself not to be exasperated by that narrow and haughty temper, that hostility to Greek and Roman culture, that ill-will towards all mankind, which a surface knowledge took to be the essence of Judaism." Isn't this what the Apostle Paul talked about in 1 Thessalonians 2:15, when He said: "They (Jews) please not God and are contrary to all men?"

Ovid Publius, the Roman historian in his book OVIDUS NASCO, said: "They (Jews) are corrupters and tempters and highly inventive of everything concerning the lower forms of sensual pleasure." you Christians who support them, can't or won't you see that they are behind the corruption in Hollywood; on TV; that they are the major supporters of dope, prostitution, homosexuality and abortion? Can't you see this, or are you too stubborn to look at the facts or maybe you are one of those sad Judeo-Christians who have been completely "brainwashed" by the propaganda of the
Anti-Christ's until you believe their Jewish fables!

Diodorus Sicus, another Roman historian (BC 20 - AD 20) said of the Jews: "The friends of Antiachus had advised him to expel the Jews, as they would not mix with others, and regarded e

Seneca Lucius Annaeus, (BC 3 - AD 65) said: "These pestilential people have known how to acquire such influence that they, the vanquished, dictate laws to us, the victors." (Today, they are doing this same thing, in every nation of Christendom.)

Appolinus of Tyanna said: "The Jews have been in revolt, not only against the Romans, but against all humanity."

St. Justin (AD 103 - 167) said: "The Jews are hated byall mankind. They are behind all the persecution of Christians."

Tertullian, (AD 169 - 230) said: "The Jews formed the breeding ground of all anti-Christian action."

St. Thomas Aquinas said: "The Jews should not be allowed to keep what they obtain from others through usury."

Martin Luther (1485 - 1546), the Great Reformer said of them: 'Tis a pernicious race, oppressing all men by their usury and rapine. If they give a prince or magistrate a thousand florins, they extort 20,000 from their subjects as payment. We must ever be on guard against them." (This of course is what has happened in America, where our economy was taken over in 1913 by the Federal Reserve System, made up of eight privately, Jew owned banks. They have bled us white ever since.)

Napoleon I, (1769- 1821)said: "I decided to improve the Jews, but I do not want any more of them in my kingdom. Indeed, I have done all to prove my scorn for the most vile nation in the world."

Peter the Great, Czar of Russia (1672 - 1725) said: "I prefer to see in my land Mohammedans and heathen rather than Jews. For the latter are crooks and swindlers."

Paul Krueger, President of South Africa in the middle 1800's said: "If it were possible to eject the Jews from this country without incurring war with Great Britain, then the problem of everlasting peace would be settled in South Africa." Today, the white government of South Africa, for all intents and purposes, is under Jewish control, just as we are in the United States.

The Honorable Mr. Cudendyk, Netherlands Minister to St. Petersburg, Russia, in 1918, said of the Jews: "Bolshevism is organized and worked by Jews whose one object is to destroy."

David Francis, American Ambassador to St. Petersburg, Russia, in 1918, said: "The Bolshevik leaders, mostly of whom are Jews, and 90% whom are returned exiles, care little about Russia or any other country, but are internationalists and are trying to start a world-wide social revolution."

Gen. Ulysses Grant, Civil War general on the Union side, wrote to Major General Hurlbut, Jackson, Mississippi - "Refuse all permits to come south of Jackson for the present. The Israelites (Jews) should especially be kept out." Signed, Nov. 9,1862.

Following this, on Dec. 17,1862, was General Order #11, which said in part: "The Jews as a class are violating every regulation of trade established by the Treasury Department and also Department Orders, and are to be expelled from this Department within twenty four hours of this order."

Shortly thereafter, these Special Orders were rescinded by a Special Order which came from Army HQ in Washington, D.C. It most probably did not come from President Lincoln, but from Gen. Halleck who was an "arm chair" soldier and friendly with the Jews.

Rabbi Stephen Wise, one of the best known Jewish leaders and President of the AMERICAN JEWISH CONGRESS in the 1930's and President of the COUNCIL OF AMERICAN RABBIS, said of Communism: "Some call it Communism; I call it Judaism!" As a defense witness in a libel suit in Chicago, in 1946, where the CHICAGO JEWISH SENTINEL was being sued, Wise said: "The Talmudic Laws and traditions are to us of Jewish faith today, our guide and rule of conduct, as
the days when our people were a nation in Palestine. I am not an American Jew, I am a Jewish American."

In 1934, the Jewish author Samuel Roth, in his book JEWS MUST LIVE! wrote:

"Jewish history has been tragic to the Jews and no less tragic to the neighboring nations who have suffered them. Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and the good nature of the rest of the world.

"But despite our faults, we would never have done so much damage to the world if it had not been for our genius for evil leadership . . . Granted our parasitism . . . For the first of all creeds is that Jews MUST live. It does not matter how, by what, or to what end. Jews must live!"

He then went on to list the reasons why Jews have been and are now despised: their corrupt and corrupting business and professional practices which ultimately led to their expulsion from country after country throughout the history of western civilization.

During World II, the outstanding General on both sides was without doubt, General George Smith Patton, Jr. Today, attempts have been made to blacken his name, by the same enemy who seeks to destroy Christianity. It was probably because of his outspoken contempt for those in our government who were deliberately attempting to weaken us.

He was a hot tempered man who scorned subterfuge and who spoke his mind. He hated Jewish led Communism and recognized it as a worse enemy than Nazism. This was at a time when the political trend was for American detente with the USSR.

Here are some of his thoughts, as he saw the deliberate manner in which Franklin D. Roosevelt, Winston Churchill, and Dwight David Eisenhower, were selling out this country and all of Eastern Europe to the Mongolian hordes of Communism.

As he looked at what was happening to Post-War Germany, he remarked: "It is very probable, and to me seems eminent, that the doctrines being executed are those promulgated by Morgenthau at the Quebec Conference which was not approved by either our Secretary of War, or the Secretary of State. It was at this meeting in which Morgenthau and later Roosevelt, copying him, stated that Germany was to be de-industrialized and demilitarized, and turned into an agricultural state."

"I can't see how Americans can sink this low. It is Semitic, (Jewish), I'm sure of it."

"Today, I received a letter...in which we were told to give the Jews special accommodations. If for the Jews, then why not for Catholics and Mohammedans?"

"We are also turning over to the French several hundred thousand prisoners of war to be used as slave labor in France. It is amusing to recall that we fought the Revolution in defense of the rights of man and the Civil War to abolish slavery and now we have gone back to both principles.

"This stuff about fraternization is all wet.. All that sort of writing is done by Jews to get revenge. Actually, the Germans are the only decent people left in Europe."

"I also wrote to Secretary of War, Mr. Stimson on the question of pro~Jewish influence in the military government of Germany."

"Frankly, I am opposed to this war criminal stuff, it is Jewish. I am opposed to sending POW's to work as slaves in foreign lands, where many will be starved to death."

"Evidently this virus started by Morgenthau and Baruch is Jewish revenge against all Germans. Harrison and his associates indicate that they feel German civilians should be removed from their houses for the purpose of housing displaced persons... It is against my Anglo-Saxon conscience to remove a person from a house, which is punishment without due process of law... Harrison thinks that Displaced Persons are human beings, which they are not, and this applies especially to the Jews who are lower than animals. I remember in Sicily, when General Gay said: 'It isn't a question of people living with dirty animals but of animals living with dirty people.' They have never seen a
"Today, we drove to a Jewish Camp . . . established in what was once a German hospital. The buildings were in a good state of repair when the Jews arrived, but were in a bad state when we got there. They have no sense of human relationships. They decline, were practicable, to use latrines, preferring to relieve themselves on the floor. At Yom Kippur, we entered a large wooden building they called a synagogue, so General Eisenhower could speak to them. It was filled with the greatest stinking bunch of humanity I have ever seen. The head rabbi was dressed in fur that was similar to that worn by Henry VIII and was very filthy. The smell was so terrible, I almost fainted and three hours later, I lost my lunch just thinking about it."

"Yesterday, General Craig told me he had visited another Jewish camp, in which he found men and women using adjacent toilets which were not covered in any way although screens had been made available to them. The Jews were too lazy to put them up."

"Craig said that conditions were unspeakable, and in one place he found ten people, six men and four women, occupying one bed . . . In my personal opinion no people could have sunk to this level of degradation in the space of four years."

"There is strong Semitic influence in the press. They are trying to do two things: First, implement Communism, and second see that all businessmen who are of German ancestry and non-Jewish, are thrown out of their jobs. They have utterly lost all Anglo-Saxon concepts of justice and feel that a man should be kicked out of work, merely because someone said he was a Nazi. They were shocked when I told them this should not happen without proof of guilt before a court of law."

"I called General McBride today about the density of population in one camp. He told me that it would be necessary to use force to get the Jews to move into adequate quarters. He said that although there was adequate space, the Jews crowd together and refuse to use the latrine. Garbage was piled in one corner of the room, and that was used as a latrine. The Jews were only forced to desist from their nastiness and clean up their mess, when my men threatened to use their bayonets."

"I know about the Lost Tribes of Israel, but this could not apply to the Tribe of Judah from which these current sons of bitches have descended. My personal opinion is that this is a lost tribe - one which has lost all sense of decency!"

Today, in America in particular, countless thousands of pastors in Fundamental and Evangelical Christian churches refuse to recognize the truth of both Scripture and revealed history. They know that the Jews hate Jesus Christ and His church. They know that the anti-Christ's of communism who murdered countless millions of their Christian brethren, were led by Jews. But they are so closely bound up by their church doctrine, which has been subverted to teach that the people Christ said were His enemies, are now His Chosen, that this lie has become encased in their minds in concrete, so that it will take the power of "Holy Spirit dynamite, (truth)" to blow it loose to where they will accept the truth and come out from under the domination of the Judaizers who openly state their desire to destroy Christianity.

These explosions between Jews and those they contemptuously call "goyim," have been going on for over two thousand years and as Renan, said, quoting from Strabo a noted geographer of antiquity: "They (the Jews) have invaded every city, and it is hard to find a place in the world that has not received their tribe, or more correctly, accepted their domination." Renan concludes by saying: "Two elements as opposite as fire and water could not mingle thus without constant danger of the most awful explosion." IT IS COMING SOON!

**THE BABYLONIAN TALMUD**

To understand modern Jewry, the non-Jew MUST have some knowledge of Jewish religious life, which is revealed in a set of books which Jewish religious authorities call "the life blood of Judaism," the Babylonian Talmud.
Many Christians think of this work as comparable to our Bible. It is not! It is a compilation of Sacred writings of Jewish religious leaders over a period of 1,000 years, beginning in Babylon about 500 BC, and being completed at the Jewish religious seminary in Alexander, Egypt, about 500 AD.

There are actually two Talmuds, the Jerusalem Talmud, and the Babylonian, which is more complete, and which is considered by modern Jewish religious leaders as their Bible.

To those Christians who read this book, and still believe the Jews follow the teachings of Moses, let me quote from the words of the Master Himself. In (John 5:46, 47) when the Jewish religious leaders told Him how they revered and followed Moses, the King replied: "If ye had believed Moses, ye would have believed Me, for he wrote of me. But if ye believe not his writings, how shall ye believe my words?"

In Rodkinson's translation of the Talmud from Hebrew to English, he admits in his preface to Volume I, that he has removed some of the things which might lead to misunderstanding and misrepresentation. This is a dangerous thing to do, without the authority of the sanctioning body.

The Soncino edition of the Babylonian Talmud, is the most popular with modern Jews, and is the one they consider to be official.

Jacob Elan Conner, the man from whom much of this information was taken, used the Rodkinson Edition in his comments. This was the sanitized version.

The Talmud is not a single volume like the Bible, but is made up of 63 volumes which fill a 12 foot book shelf.

The Talmud was originally translated into English for the benefit of young Jews who could not read Hebrew, but they learned that this gave the English speaking "goyim," the opportunity to know what their religious book really taught, even though there is the pronouncement of the death penalty in the Talmud for any "goyim" who reads it, or any Jew who helps him in his endeavor. This would indicate to me, that the Jew does not want the Gentile to know what his religious book says about them. It's strange that one can go into most any religious book store and get copies of the Scriptures for many religions, only the Jewish religion seems to strive for secrecy. Rodkinson in his preface to Volume I says: "The modern Jew is the product of the Talmud, and every attack against it is an attack upon the Jew." Could it be that the contents of the Talmud are one of the reasons for this attack? We shall see.

Many Christians mistakenly suppose that the modern Jew studies the Old Testament, especially the books of Moses, sometimes called the Torah. But the Torah and the Talmud are "light years" apart in their teachings.

The Talmud is an immense conglomeration of "hair-splitting" religious nonsense, coming from the solemn old rabbis of Judaism, as they dabbled with problems of life, death and human conduct, like children playing with matches in a powder magazine.

These rabbis were mainly concerned with the "tradition of the elders," the sin Jesus condemned more than any other thing. As he said in Matthew 23:23, "Woe unto you scribes and Pharisees, hypocrites! for ye pay tithe of mint and anise, and cummin, and have omitted the weightier matters of the law, judgment, mercy and faith..."

The rabbis who wrote the Talmud were slaves to the "tradition of the elders." This came first in their life, before truth, or love of God, to the point where Christ said of them "In vain do they (the Jewish religious leaders) worship me (God), teaching for doctrines the commandments of men." (Matthew 15:9, Christ was quoting from Isaiah 29:18.)

To any honest student of the Talmud, its distinct Jewishness cannot be repudiated. While the Jews have spent much time and money trying to convince the Christian world that the PROTOCOLS OF THE LEARNED ELDERS OF ZION are fake. Yet they accept the Talmud, which confirms all the
major premises of the PROTOCOLS. The only way Jewry can repudiate the PROTOCOLS, is by repudiating the TALMUD, because it is filled with damning evidence against them and their spurious religion.

When we notice how strict the Jew is in allowing non-Jews to review his religion, we have a first hand illustration of Jewish intolerance, especially when the power is theirs. When they are not in power, they compromise in any manner necessary to get benefits for their people.

In Volume VIII, page 149, the Talmud speaks about four kinds of capital punishments: by stoning; by beheading; by strangling; and by burning alive. While all these deaths are classified as "capital punishment," only beheading would be recognized among civilized nations. On page 139, it says: "All who are stoned are also hanged; the sages said only a blasphemer and or idolater were hanged, a male with his face towards the people, and the female with her face towards a tree."

The refinement of Jewish cruelty can be seen in that those who were "burned," were burned from the inside first, and then the outside. The Talmud describes it thusly: "The sinner was placed in waste knee deep. Then placing a twisted cloth of coarse material within a soft one, they wound it around his neck. One of the witnesses pulled one end towards himself, the other doing the same thing to force his mouth open. Meanwhile the executioner lights the string (wick) and thrusts it into his mouth, so that it flows down through his inwards and shrinks his entrails. Should the culprit die before the string is thrust into his mouth, then the law of burning has not been properly executed, and therefore his mouth must be opened forcibly with a pair of pinchers. Meanwhile the lighted string is thrust into his mouth so that it may reach his intestines."

This description is taken from the expurgated edition. Can you see anything in the teachings of Jesus which might reflect this background? Even the harsher teachings of Moses, does not sanction this act of unbelievable cruelty. Yet if we were to look into the torture and murder of Russian Christians by Jewish thugs, this description is merely child's play to what they actually did.

There are 39 acts enumerated in the Talmud which call for the death penalty by stoning, for desecration of the Sabbath. Each one can cover scores of acts. Thus the act of "plowing," would cover, digging in your garden on the Sabbath, weeding, fertilizing, etc. Here is one example of the "nit picking" of Talmudic Judaism. "Sewing with two stitches on the Sabbath was worthy of death, if more than two knots were made."

"Grinding," - such as chopping vegetables, or splitting wood for kindling was worthy of the death penalty if committed on the Sabbath.

"Hammering," which could consist of striking two stones together merited the death penalty.

"Carrying" of such items as hay or straw was forbidden on the Sabbath, if it was more than a mouthful for a cow, or stubble more than a kid could get into it's mouth. The death penalty was pronounced for this heinous act.

"Paring finger or toe nails," on the Sabbath merited the death penalty, for the sages said: "One who pares his nails on the Sabbath, either by means of his nails or teeth; or who plucks hair from his head or lip, is according to the rabbis guilty of death." You Judeo-Christians who "bite your nails," better watch out for your Jewish friends may "do you in." Also, a woman who braided her hair on the Sabbath was culpable.

Here is some more of their "hair-splitting": "One who plucks something from a perforated flower pot is culpable; from a flower pot that is not perforated he is not culpable." (Vol.1, page 181.)

Can you begin to understand why, in the midst of all this religious nonsense, an unknown prophet from Galilee, who causes the blind to see, casts out demons, and heals people on the Sabbath, and who, horror of horrors allows His disciples to pluck ears from the standing corn on the Sabbath, would come under condemnation by these hypocrites of Judaism? The ones He called "whited sepulchres and poisonous snakes," no wonder they set about to kill Him.
The ancient Jewish penalty for desecrating the Sabbath was stoning, and then hanging with their face towards the public. But would you be so bold as to tell me that the good news of the Kingdom, which was preached by our Savior, came from this heathen religion?

In Volume I, appendix, page 381, the Jewish sages tell us of eighteen regulations which were put into force to protect the nation of Jewry from annihilation. There are some of them:

1) The Jews were prohibited from partaking of bread, and food which had been prepared by Gentiles.

2) They proclaimed that the children of all "goyim~" especially those who are Christian, as being "unclean." This poisoned the minds of Jews against all other people and led to the point where the Apostle Paul said they were "contrary to all men," (1 Thess. 2:15)

3) Proclaimed that foreign women were the deadliest enemies of the Jews, and went so far as to prohibit the women of Samaria from working as servants in Jewish homes.

It does not take a brilliant mind to see that this was a racial taboo, since the people who lived in Northern Palestine, were of the family of Abraham, although the "kingdom of Israel" was never connected with that of the Jews. It is also interesting to note that modern Jews, are in the forefront of all integration movements as long as it does not effect their race. The Jewish Encyclopedia goes so far as to state "Israelites were not of Je'wry." Thank God!

The real reason the Jews hated the Samaritans was that of envy. The land north of barren Judea was much more fertile and progressive that those whose capitol was in rugged Jerusalem. We can see by reading the parable of the Good Samaritan, that he was well enough off to have money to pay the innkeeper for the hapless stranger, while the Jews; the priests and Levites, all passed him by and were willing to give no help.

Some who attempt to defend the anti-Christ's of Judaism, say that their parasitic nature came about when the Roman General Titus destroyed their nation in 70 AD But the laws that were followed in the Talmud, were laid down hundreds of years before the time of Christ, and came from the heathen occult background of Babylon.

About 100 years before Titus destroyed Jerusalem, one of the greatest of the Jewish sages, a Rabbi named Hillel said: "What is hateful to thee, do not to thy neighbor. This is the whole law." Notice how close this is in negative form to what Christ taught, in what we now call the Golden Rule. But Hillel's comment is completely destroyed in the Talmud, where in the Mishna volume, Sanhedrin 57, the Jewish rabbis clearly get around this profound statement by declaring: "where it is written Thou shalt do no Injury to your neighbor,.. it is not said Thou shalt do no injury to a goy.

While Judaism loves to boast of it's great Hillel, it is careful not to show how his teachings are nullified in the Talmud.

THE UNEXPURGATED TALMUD

There are several sources of the Talmud which have become available in an English translation. In most of these, the evil of the original volumes have been cleverly concealed. One of these was the translation of Rodkinson.

I have in my library a book written by the Jew, Dr. Jacob Neusner, in 1817. It is titled INVITATION TO THE TALMUD and was designed to cleverly "pull the wool over the eyes," of concerned Christians who wanted to know the truth about Talmudic teachings. It completely sanitizes the real Talmud. I have written about this in depth, in my book THE TALMUDIC INFLUENCE ON JUDEO-CHRISTIANITY.
Here are a few of the teachings as they come from the unexpurgated Babylonian Talmud, called the Soncino Edition. These will clearly show you, that the teachings of Christ and Christianity could not have come from this contaminated source. In fact, to say thus, is to border on blasphemy!

As mentioned earlier, the Soncino Edition was an English translation from Hebrew, made specifically for the Jews who could not read Hebrew.

Taking a text from Deuteronomy 7:6, (which was written about Israelites, not Jews. Since there were no people anywhere on earth at this time who were called Jews) we read: "For thou (Israel) are a holy people unto the Lord thy god; and the Lord hath chosen thee to be a special people unto Himself, above all people that are on the face of the earth." (This is confirmed in the New Testament in 1 Peter 2:9, where we see why Israel was chosen as a "special, peculiar people." It was not to rule as a dictator, where "every Jew has 2,000 goyim slaves," as the Jews are taught in the Talmud, but to act as an Ambassador Race to spread God's message of redemption to all men everywhere, in fulfillment of God's promise to Abraham in Genesis 12:3.)

This scripture from Deuteronomy has been twisted around by the Talmudic sages to say: "You (Jews) are human beings but the nations of the earth are not human beings, but beasts." In Tosefa Erubim, Vol.111, we read: "On the house of the goy, one (Jews) looks as on the fold of cattle." During recent unpleasantness in Palestine, where an Israeli raid into Arab territory killed a number of women and children, a lady on a Radio Talk Show from Atlanta, Georgia, was speaking of the barbarity of the Israeli soldiers, when a Jewish woman called in to say: "What are you upset about, don't you know those Arabs are only animals" This is a typical Jewish attitude towards non-Jews.

In Talmudic volume (Baba Bathra, 54b) one reads: "The estates of the goy are like wilderness, who first settles in them has the right to them." Again in 55a: "If a Jew has struck his spade into the ground of a goy, he has become master of the whole."

This hardly coincides with the teaching of Christ of Galilee.

When Jews take the denial of private property to all but themselves - and this is the first plank of the Jewish inspired Communist Manifesto: "Abolition of property in land and application of all rents to public purposes" - and they have done this in every country which they have controlled, most notably China and the USSR, there is no way an honest person can draw a line between them and other thieves, robbers, and pirates.

SULCHAN ARUCH, is an authority which is regarded by Jews with special respect. Note this quotation from this volume called the CHOSEN HAMISZPAT, 425, 50: "Those who do not own (follow) Torah (Jewish Law) and the prophets must all be killed. Who has the power to kill them let him kill them openly with the sword; if not, let him use artifices (poisons) until they are done away with."

Foolish "brainwashed" Christians whose pastor's tell them these bandits are God's Chosen, need to look at Paul's words in Galatians 3:1, which paraphrased say: "Oh foolish American Christians, who hath bewitched you, that ye should not obey the truth?..."

An interesting common Jewish practice can be found in SCHULCHAN ARUCH, 1,136. It is called the kOL NIDRE OATH, which is taken by most Jews, religious and un-religious alike on the Day of Atonement. It says: "as vows, oaths, promises, engagements and swearing, which beginning this very day of reconciliation we intend to vow, promise, swear, and bind ourselves to fulfill, we are sorry for already, and they shall be annulled, acquitted, annihilated, abolished, valueless, unimportant, our vows shall be no vows, and our oaths no oaths at all."

How can we trust any Jew, whether he be a government official, a judge, a lawyer, a doctor, or whatever, when he takes an oath of office, knowing that his religious oath has made his oath of allegiance, to serve his country, of no value?

Once again, I challenge anyone to show me how this perverse thinking, fits in with anything taught by true Christianity. Christianity can not come from the same filthy source!
In SULCHAN ARUCH (CHOSEN HAMMIUSZPAT, 28, ART, 3 & 4) we read: "If a goy wants a Jew to stand witness against another Jew in a court of law, and the Jew could give fair evidence, he is forbidden to do it; but if a Jew wants a Jew to be a witness in a similar case against a goy, he may do it."

Again in SANHEDRIN, 59a, ABODA ZORAH, 8-6: "Every goy who studies the Talmud, and every Jew who helps him in it ought to die."

The code of the Talmudic parasite says: "One (Jew) should and must take false oaths when the goys ask if our books contain anything against them. Then we (Jews) are bound to state on oath that there is nothing like that." This is why most Jewish leaders will claim there is nothing in the TALMUD which is Anti-Gentile, or Anti-Christ. But there is!

These, my Christian friends, are the dogmas of hell, no matter how cleverly the enemy, or your religious leaders try and camouflage them. They will be denied by the Jews, but they are there in their book. They will be denied by the Christian Zionist prostitutes, but they are revealed in the Talmud and in many other Jewish writings. History, both ancient and modern gives eloquent proof that the Christian religion could not have come from the same rotten source as Judaism!

Some of your pastors will no doubt reply that Jesus said: "Love your enemies, do good to them that spitefully use you, and persecute you." These men need to be reminded that Jesus also said in Matthew 23:13-35 - "Woe unto you scribes and Pharisees hypocrites! for he shut up the Kingdom of Heaven against men; for ye neither go in yourself; neither suffer ye them that are entering to go in. Woe unto you scribes and Pharisees, hypocrites! for you devour widows houses, and for pretense make long prayer: therefore ye shall receive great damnation." (condemnation).

"Woe unto you scribes and Pharisees, hypocrites: for ye pay tithe...and have omitted the weightier (more important) matters of the law, judgment, mercy and faith; these (tithes) ought ye to have done, and not leave the others undone."

Vs 23 - "Woe unto you, scribes and Pharisees, hypocrites: for ye are like whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones and all unclean-ness."

Vs 25 - "Woe unto you scribes and Pharisees, hypocrites: for ye are like whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones and all unclean-ness."

Vs 31 - "Wherefore ye be witnesses, unto yourselves, that ye are the children of them that killed the prophets. Fill ye up the measure (portion) of your fathers. Ye serpents, you generation (Greek - offspring) of vipers (poison snakes), how can ye escape the damnation of hell?"

"Wherefore, behold, I send unto you (Jews) prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues (meeting places) and persecute them from city to city. That upon you (Jews) may come all the righteous blood shed upon the earth from Abel.. Verily I say unto you, All these things shall come upon this generation (offspring - not a period of time as many teach.)"

Vs 38 - "Behold your house (Gk - "oikos" meaning: dwelling; family; home; temple) is left unto you desolate (Gk - "eremos" meaning: "a wilderness; or lay waste.")"

Do you mean to honestly tell me that you believe our Savior, the Lord Jesus Christ, could even possibly come from this unsavory crowd? or that His religion, which we call Christianity, could have come from this cesspool called Judaism?

Look to 1 John 2:22, 23, for a perfect definition of an anti-Christ, (and no group of people fits it as completely as do the Jews): "Who is a liar, but he that denieth that Jesus is the Christ? he is anti-Christ, that denieth the Father and the Son. WHOSOEVER denieth the Son, the SAME HATH NOT THE FATHER; he that acknowledgeth the Son has the Father also."

What must we as Christians do in our actions towards anti-Christers? Turn to 2 John 10,11 - "If any
come unto you, and bring not this doctrine (that Jesus is the Christ of God), receive him not into your house, neither bid him God speed (help him in any way,) for he that biddeth him God speed, is partaker of his evil deeds."

Now who are you going to believe? Your pastor who tells you the Jews are God's Chosen, whom we MUST help, or the Word of God which says they are His enemies, and if you help them in any way, "you become part of their evil designs?"

You MUST make the decision, and you will answer for it one day when you stand before the King. Will you listen to false teachers as they seek to lead you astray? If you do, be WARNED, you will be held accountable for their evil deeds.

**EPILOGUE!**

**ORIGIN OF THE BLOOD.**

The following is taken in part from an article that appeared in the September 1990 issue of my Newsletter, THE CHRISTIAN PATRIOT CRUSADER. It was written by my Assistant Editor, Harry L. Werner, Jr., Rte 2, Box 1137, Robesonia, PA 19551.

He quotes from a book titled THE CHEMISTRY OF THE BLOOD, written by a retired physician, Dr. M. R. De Haan.

"It is now definitely known that the blood which flows in an unborn babies arteries and veins is not derived from the mother, but is produced within the body of the fetus. It is after the male sperm has entered the ovum and a fetus has begun to develop, that the blood appears.

"It is unnecessary that a single drop of blood be given to the developing embryo within the womb of the mother. Scientists say that the mother provides the fetus with the nutritive elements for the building of the little body which forms in her womb, but all the blood which forms is formed by the embryo itself. From the time of conception to the time of birth, not one single drop of blood ever passes from the mother to the child.

A new living human cell consists of 46 chromosomes, half from the father and half from the mother. These contain the genes by which we pass on to our offspring our outward physical traits such as color of hair, eyes, etc. Blood plays no part in the determination of either race, or sex of offspring.

The mother's egg is the female chromosome, while the father's sperm contains both the female (X) and the male (Y) chromosome.

When a male's (X) fertilizes a woman's (X), the result will be a baby girl (XX). If the males' (Y) fertilizes the woman's egg, we have a male child (XY).

When you consider that Jesus Christ, our Savior was born of a woman who had never known a man sexually, and when you know that His mother's egg (X) had to be fertilized by the male (Y) to produce a boy, you can begin to see the miracle of His birth. Christ had no human father, unless you are willing to believe the lies put out by the Judaizers and doubters. Where did the male (Y) chromosome come from?

There are some who maintain that when Adam fell, his blood became contaminated and this was passed on to his descendants. If this teaching was followed to its logical conclusion we would have to believe that blood is sinful and this sin is inherited. This thinking is involved in the Roman Catholic teaching of the "Immaculate conception," which revolves around the principle that human blood is sinful, and therefore sin is inherited through the blood. (This theory was brought into the Catholic church hundreds of years after it's founding.)

The Bible tells us quite plainly that Christ, the "Lamb of God," "Was without spot or blemish." This
means to me that there was no contaminated blood in his veins. Therefore, according to Roman Catholic teaching, His earthly mother Mary had to be sinless.

But when we realize that blood in itself cannot be sinful - it does not lust or covet, nor is it tempted to sin - it is the FLESH that is sinful. In Romans 8:3, we read: "For what the law could not do, in that it was weak through the FLESH, God sending His own Son in the likeness of sinful FLESH, and for sin, condemned sin in the FLESH." Hebrews 2:14 - "Forasmuch then as the children are partakers of flesh and blood, He also Himself likewise took part in the same: that through death He might destroy him that had the power of death, that is, the devil."

Nowhere does the Bible say that Christ came in the "likeness of sinful blood," but in the "likeness of sinful FLESH."

Jesus, just as you and I, was born of the sinful flesh of His mother Mary, although Catholic doctrine will try and tell you she was sinless. We know that she needed a Savior, and she acknowledges this in the "magnificat," found in Luke 1:46, 47. But Christ, her Son, did not sin, even though He was tempted as we are, (see Hebrews 2:17, 18).

Jesus was a "flesh and blood" man just as you and I. He had to be mortal in order to die as the Lamb of God. He received His mortality from His mother. His divinity from His Father, (Luke 1:35).

FOOTNOTE: The Greek word for "flesh" is SARX meaning "carnal nature," not "flesh and bones." The sin condemned here is the "carnal nature." This does not mean the Virgin Mary was sinless, since she too was a descendant of Adam.

But as His blood did not come from His mother, so, even if she was a Jewess, (which she was not, she was a Galilean) her blood would have no effect on her son.

OTHER WITNESSES

We have other witnesses which prove that Jesus was not a Jew. The Jews of His day, were known by their dark complexion and their Jewish looks. In Isaiah, speaking about the wicked Jews, the "corrupt figs," who had returned from Babylonian captivity with the perverted Talmudic religion of Judaism, the prophet said: "The show (Heb - "nakar" meaning: "to look at with recognition") of their countenance (face) doth witness (Heb - "ayd" meaning: "testify") against them; and they declare their sin as Sodom, they hide it not..." It is a strange phenomenon, but often young Jews, who do not have this "Jewish look" develop it as they grow older.

We should also remember that many modern day Jews, those who are mentioned in Rev. 2:9; 3:9, as "they who say they are Jews (Judeans) and are not; but are of the synagogue of Satan," are of Khazar-Mongolian origin and therefore Asiatics. These make up at least 90% of Jewry, according to their own leaders and are known as Ashkenazi Jews. Many of these are fair haired and blue eyed.

It might be of interest to look at some ancient documents which describe Jesus. Modern critics will tell you that there are no known descriptions of Jesus, but this is not true. Most preachers and Bible scholars will tell you that we have no "eye witness" accounts of Jesus. Again not true! It is just not logical to believe that Jesus, who was well-known in Palestine during His three years of Kingdom ministry, would not have come to the attention of Rome. We know that he came into contact with the Roman Governor of Palestine, Pontius Pilate, and Herod of Galilee, from Scriptural accounts. The Romans were most meticulous in the keeping of records and we can reasonably assume that they had written records of Jesus, especially of His trial before Pilate. One such official document of historical records can be found in the Archoko Volume in the Congressional Library in Washington, D.C. There are other such accounts in the Vatican Library in Rome.

The Archko record gives an eye-witness account from Pontius Pilate, who testified that Jesus did not look like, or act like a Jew. Here is the account as it appears in this official record:

To Tiberius CAESAR, Emperor of Rome Noble Sovereign, Greetings:
Among various rumors that came to my ears there was one in particular that came to my attention. A young man it was said, had appeared in Galilee preaching with noble unction a new law in the name of the God who sent him. At first I was apprehensive that his design was to stir up the people against the Romans, but my fears were soon dispelled.

"Jesus of Nazareth spoke rather as a friend of the Romans than of the Jews. One day in passing by the place of Sibe, where there was a great concourse of people, I observed in the midst of the group a young man who was leaning against a tree, calmly addressing the multitude. I was told it was Jesus. This I could easily have suspected, so great was the difference between him and those who listened to him. His golden colored hair and beard gave to his appearance an almost celestial aspect. He appeared to be about thirty years of age. Never have I seen a sweeter or more serene countenance. What a contrast between he and his hearers with their black beards and tawny complexions!

Never have I heard in the words of the philosopher, anything that can compare with the maxims of Jesus. One of the rebellious Jews, so numerous in Jerusalem, asked Jesus if it was lawful to give tribute to Caesar, he replied: 'Render unto Caesar the things which belong to Caesar, and unto God the things which are God's.'

I wrote to Jesus requesting an interview with him at the praetorium and he came." (Think now for a moment on your own, without having some preacher tell you that this is fantasy. What would be so strange in this? Even though this meeting is not recorded in the Gospels, we know that most of what Christ did during His three years of public ministry was never recorded (See John 21:25)

Pilate's report to Caesar continues:

"You know that in my veins flows the Spanish mixed with Roman blood... When the Nazarene made his appearance, I was walking in my basilic, and my feet seemed fastened with an iron hand to the marble pavement, and Itrembled in every limb as does a guilty culprit, though the Nazarene was as calm as innocence itself. When he came up to me and stopped, and by a signal sign seemed to say to me, 'I am here!' though he spoke not a word. For some time I contemplated with admiration and awe, this extraordinary type of man, a type unknown to our numerous painters...There was nothing about him that was repelling in its character and I felt awed and tremulous to approach him.

"Jesus, I said to him at last, 'Jesus of Nazareth, for the last three years I have granted you ample freedom of speech (it is not recorded anywhere, either in the Gospels, or Roman historical records, that the Romans ever attempted to suppress Christ's ministry.) nor do I regret it. Your words are those of a sage. I know not whether you have read Socrates or Plato, but this I know, there is in your discourse a majestic simplicity that elevates you above those philosophers.

"...Your blood shall not be spilled,' I said, with deep emotion, 'you are more precious in my estimation on account of your wisdom than all the turbulent and proud Pharisees who abuse the freedom granted them by Rome. They conspire against Caesar, and convert his bounty into fear, impressing on the unlearned, that Caesar is a tyrant who seeks their ruin. ...I will protect you against them. My praetorium shall be an asylum both day and night.'"

"I am your obedient servant, PONTIUS PILATE."

You can accept this letter, as I do, since it makes sense, or dismiss it as most of your preachers and church Bible scholars will do. Think for yourself! Doesn't it make sense to you that the Jews would try and suppress this truth?

WHAT OTHERS THROUGH HISTORY
HAVE SAID ABOUT THE JEWS!
Christian Zionists such as Baptist evangelist Jack Van Impe, Pat Robertson, Jerry Falwell, David Webber, Billy Graham, and many others, would have you believe that the Jews have been persecuted by the rest of the world, for thousands of years, because they were God's Chosen People and were therefore marked for special hatred by Satan. How could they be hated by their own spiritual father? This is what Jesus told the Pharisees in John 8:44 - "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar and the father of it."

Please remember, that this diatribe against the Jews, came from the lips of your Savior. They were not original with Jack Mohr.

There is an old saying: "A guilty conscience needs no accuser," and many have wondered why the Jew always cries "persecution," when he is caught in crimes which make him conspicuous in the public eye. You can criticize a Catholic, or a Protestant without being considered a bigot. You can castigate an Arab, a German, or a Japanese, without drawing much flack, but if you say anything that is uncomplimentary about a Jew, you are immediately labeled as a "fascist," a "neo-Nazi", a "bigot," or worst of all an "anti-Semite." Most of this opposition will come from organized Christian religion, the Judeo-Christians in our society.

The answer for the world's dislike for Jews and Jewry is given by the Apostle Paul in 1 Thessalonians 2:15, where he says of them: "They please not God, and are CONTRARY TO ALL MEN."

The Jewish people were not kicked out of every nation in Europe at one time or another, because they were God's Chosen, but because of their immorality and their shady business practices. Here is what some well known historical figures have said of them, beginning with the Apostle Paul, who had first hand experience with them, having followed their religion fanatically. In Titus 1:10, he says of them: "For there are many unruly and vain talkers and deceivers, SPECIALLY THEY OF THE CIRCUMCISION (Jews). Whose mouths must be stopped, who subvert whole houses, teaching things they ought not, for filthy lucre's (money) sake."

Mr. Charles Cotesworth Pinckney, one of the framers of our Constitution, published his diary in which he said: "Dr. Benjamin Franklin, a venerable figure weighted down by years and wisdom, leaned one hand on his staff, the other on the table and said: 'There is a greater menace to these United States of America than the strictly Roman . . .''" "This menace, gentlemen, is the Jew!

"In whatever country Jews have settled in any great numbers they have lowered its moral tone they have depreciated its commercial integrity; have segregated themselves; have not been assimilated; have sneered at and tried to undermine the Christian religion upon which this nation is founded by objecting to its restrictions; have built up a state within a state, and when opposed have tried to strangle that country to death financially. "If you do not exclude them from the United States in this Constitution, in less than two hundred years they will have swarmed here in such great numbers that they will dominate and devour the land, change our form of government for which we Americans have shed our blood, given our lives, our substance, jeopardized our liberty, and put into it our best thoughts. "Gentlemen, Jews are Asiatics! Let them be born where they will, or how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American's, even though they live with us for ten generations. A leopard cannot change its spots. Jews are Asiatics; are a menace to this country if permitted entrance, and should be excluded by this Constitution."

Our Founding Fathers refused to listen to this wise man, and today we are afflicted by the parasites who kill nations wherever they settle. It is an established historical fact which cannot be honestly refuted.
The JEWISH TRANSCRIPT of Seattle, Washington under the dateline May 29, 1936, stated: "the Communists are Jewish controlled, therefore it would be fitting to quote Karl Marx (Mordecai), the Jewish founder of both Socialism and Communism, when he says: 'It is in vain we look for a key to the labyrinth of the Jewish soul in his religion. On the contrary, one must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? A practical passion and greed for profit! To what can we reduce its religious worship? To extortion! Who is their real God? CASH!" (This comes to you straight from the "horse's mouth," it is not the ranting of some anti-Semite.)

Henry Ford, Sr., the great Christian industrialist, said: "Corral fifty of the world's wealthiest Jews and there would be no more wars."

From authoritative sources, we can find that President Franklin Roosevelt had seventy-two advisors around him when he led America into World War II, fifty two of these were Jews, most of whom were foreign born.

Over forty years ago, it was admitted that at least 62% of all real estate, industrial plants, natural resources, and banks in the United States were either controlled, or owned outright by Jews. This percentage has risen rapidly since then.

Today the motion picture industry, clothing manufacturing, newspapers, television, drugs and prostitution, as is the liquor industry is Jewish controlled.

The New York Yiddish Daily newspaper, DER TAG, in an editorial on April 9, 1936, stated: "The Jews of America, because of their numbers, interest and ability, constitute its greatest political force. They have not usurped this power; it belongs to them as of right! They are going to exercise it as they see fit! What are you goyim going to do about it?

I could go on with a litany of information, showing how Americans, especially the "brainwashed" Christians of the Judeo-Christian churches, have misplaced their confidence in the Jews, when in all actuality they have proven themselves to be the worst enemies of Christianity and brag about their plans to destroy it. Yet it is the leadership of the Judeo-Christian churches who support these enemies of Jesus Christ and attack anyone who attempts to tell them the truth. When will our brainwashed people wake up to the danger that confronts us? Will it take a terror such as that instituted during the Jewish Bolshevik Revolution in Russia to wake you up? Must you be driven to your knees and have your noses rubbed in the dirt before you will wake up and follow the teachings of your God?

I challenge any Rabbi, any recognized Jewish authority, or any Christian scholar, to disprove what has been written in this book. It has not been written out of hatred for Jews, but out of my love and desire to protect White Christian civilization from the fate International Jewry has prepared for us.

Let Christian America in particular, rise up as men to defend our faith, which these Christ haters are attempting to destroy. We need to clean house and kick the money changers out of our National Temple.

Our religious leaders in America have much to answer for before God, as they refuse to recognize what the Scriptures teach about the Jews. They know the Jews hate Jesus Christ and His church; they know the Jews were behind Communism which has murdered over 140-million people, including millions of Christians. They know that Communism has been nothing but a political smoke screen behind which is hid the Christ hating, Christianity destroying, Jewish Talmudic program of One World domination.

Yet very few of these religious leaders have the courage to speak out and tell their people the truth. Some do this through a "Fear of the Jews" syndrome. Some do it because they are afraid to lose their vast TV ministries, if they make enemies of those who control the industry. The praise of men, and it's financial rewards, means more to them than the approval of God. In Christ's own words: "Their reward!" Others like Webber and Van. Impe, are "prostitutes" to Judaism. All of them are hypocrites, because they know that what they are doing is wrong. There is no excuse for any of
them, even those who have been "brainwashed" in their seminaries, for all of them refuse to accept the Scriptures at face value, no matter what they say to the contrary. All will be called one day soon, to face the King they have denied and beyond that, they will have to face the wrath of the people they have seduced.

I realize that the truth contained in this book will win further hatred for me, both from Jewish sources, and from the Kosher Christians who back them, but I am forced to say, in the words of the Apostle Paul: "Am I therefore to become your enemy, because I tell you the truth?"

**WHAT IS THE ANSWER?**

To concerned Christians there can be only one answer, for their is only one FORMULA FOR SURVIVAL. It will not come through any political process, or through any revival process. It will only be as Christians are willing to put into action the provisions of 2 Chronicles 7:14 - "If my people which are called by my name (Christians), will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will HEAL THEIR LAND." My how our Christian people love to quote this verse, but in most cases they are fulfilling the prophecy of Isaiah 29:14 - "... Forasmuch as this people draw near me with their mouth, and with their lips to honour me, but have removed their heart far from me, and their fear towards me is taught by the precept of men." This is the major problem with Christian America. Most Christians believe that they can approach God in prayer at any time and He will hear. But this is not so. In Isaiah 59:1, we are told that God has not lost His power. He is the same God that opened the waters of the Red Sea for our forefathers. He has not lost His sense of hearing. But verse 2 tells us:

"But your iniquities have separated between you and your God, and your sins have hid His face from you that He WILL NOT HEAR!" (Emphasis mine.) It does Christians no good to pray for the safety and welfare of America, if there is unconfessed sin in their life. How can you support God's enemies and expect His blessings? They will never come. 2 Chronicles 19:2, tells us to expect "His wrath" instead.

Healing will not come as we prepare for the critical days ahead by arming ourself and storing food, although these may be necessary for our survival. Our salvation will not come by joining organizations such as the ARYAN NATIONS or the CHRISTIAN PATRIOT'S DEFENSE LEAGUE, although they may have much merit. These will be useless, until we are willing to "straighten out our priorities" and put "first things first!" Which means that God MUST come first in our lives, before ALL else!

One of the finest statements about our survival was written over thirty years ago, by Gerald L. K. Smith. It appeared in his Newsletter, THE CROSS AND THE FLAG. He said: "There is nothing in this universe despised and hated more by Satan and his army, than the name of Jesus Christ. When a man or woman believes in that name, confesses it, and is baptized in that name; they agree within their own soul, and in the presence of God, that from that day forward, everything they do, everything they plan, everything they desire, and everything they hope, will be centered in Jesus Christ.

"When this happens, Satan blows the trumpets of hell and summons forth from the pits and caverns, and the fires, every ally at his command in order to put down that person, the church, the community, the state, and the nation that would put the name of Jesus Christ first in every undertaking, every move, every program and every battle.

"Satan has employed every seductive and deceptive force at his command, whether his imps appear as theological seminary professors, public officials, local preachers, Jewish apostates, or what not. The slogan of this chaotic hour is 'OMIT THE NAME OF JESUS CHRIST! DENY HIM! BY REFUSING TO REFER TO HIM!'"
This is the malady we face in 1992. It is because of this that we see gatherings of so-called Christians with their natural enemies, the Jews, where in order to please the anti-Christ's, the name of Jesus is not mentioned. Today, He may not be mentioned in politics; He MUST not be spoken about in our Public School system; He is left out of all aspects of our life. Do you wonder why America is headed for hell now, at a faster rate than any time in our history?

No President, no Senator, no Congressman, no Governor, no one individual in a position of power may use the name of Jesus Christ, for it is anathema to the Jews. To do so, will bring on their heads, the contempt of those Christian traitors who have betrayed the Lord, as surely as Judas did for his "thirty pieces of silver."

Any man, whether he be an evangelist in a little white country church, or a preacher in a great city church, who loves their Lord enough to resist the seduction of the NEW WORLD ORDER, and who speaks up for our Savior and King, can expect scorn, revengeful attitudes, bad accounts of his work in the news, and ridicule and persecution from the Christian world he seeks to serve. Such is the power of the anti-Christ.

The world, the nation, and our Christian religion, can only be saved as men and women, who are unafraid to do what they must, will do it in the name of Jesus Christ.

A "turning point" has been reached in America. This is why the enemy has become so vicious in his attack against Christian Patriots.

But thank God, Satan's hold on America, Canada and the other Israelite nations will be dislodged one day, when His people are willing to faithfully adhere to the orders of the King.

Some who read this book will scoff at the information it contains, but you will never be able to stand before the King and say: "No one ever warned me!"

A time is coming, very soon, I believe, when white Christians in particular will wake up to their identity. When they do, then with this realization will come an understanding of the responsibilities they have towards their Sovereign and His people. When this happens, we will see the prophesy of Amos 5:24 fulfilled: "Judgment will run down as waters, and righteousness as a mighty stream."

When this day comes, our God will plant His Israel people (not the Jews) "upon the land of America, and they shall no more be pulled up out of the land I have given them, saith the Lord God." (Amos 9:15).

Thank God, my Savior was not a Jew, so I do not have to fear the anti-Christ's no matter how fearful they may become for I have the promise of my Savior and king: "But unto you that fear My name, shall the Sun of Righteousness arise with healing in His wings," (Malachi 4:2)

MARANATHA!

The End
THE ASSAULT ON FREEDOM

(Who is behind the assault on America's freedom and the why of it?)

Evangelist, Author, Lecturer

"...Proclaim liberty throughout all the land unto all the inhabitants thereof:..." (Leviticus 25:10).

On the American Liberty Bell in Philadelphia, we find inscribed the words of Leviticus 25:10 - "...Proclaim liberty throughout all the land unto all the inhabitants thereof:..."

Today, this liberty is in jeopardy. Life, property, the assets of private citizens, industry, government and even religious freedom is under attack. Day by day, week after week, year in year out, we see the erosion of those freedoms which have always been typically American.

As we look about us, we see breach of privacy, internal theft, acts of terrorism and civil disorder, sabotage, deception in government and church alike, industrial sabotage and violent personal attack. Where will it all end?

My personal feeling, after long and thorough Bible study, is that Christians have an inherent right to protect their lives and property. In Luke 22 of the New Testament, we have the interesting account of a conversation our Lord apparently had with His disciples, in the Upper Room, after instituting the sacrament of the Last Supper. He talked to them about their missionary activity to "the lost sheep of the House of Israel." (Not Jews.) He mentioned how He had sent them out without any preparation and yet they had lacked nothing. Then in verse 36, He makes this very interesting observation: "BUT NOW, ...he that hath no sword, let him sell his garment and buy one."

Isn't this in opposition to what He had told them when He said: "Blessed are the peacemakers... (Matthew 5:9) and "Love your enemies, bless them that curse you, and do good to them that hate you...?" Vs 44) What did these cryptic words mean? Notice the first two words of Luke 22:36 - "BUT NOW." These two words indicate a change. Christ was saying in essence: "I came with a legitimate offer of Messiahship and I was turned down. BUT NOW, there is going to be a change. Where one time I told you to be kind to your enemies, now, because of their rejection of me, you will be going out into a hostile world. So BE PREPARED, ARM YOURSELF AND TAKE THE NECESSARY STEPS TO PROTECT YOURSELF!"

We have been fed the fable that the early Christians went to their martyr deaths as meek little lambs. But have you ever seen historic evidence of this? I never have! All we have are the "pipe dreams" of someone who has used this to project the picture of a "non-Militant Christian." Yet isn't it interesting to note, how all through the New Testament, the Christian life is equated with that of a soldier and of a "battle to the death?" In Hebrews 12:4, we are told: "Ye (Christians) have not yet resisted unto blood, striving against sin." That word "sin," in the original Greek, does not have the usual theological meaning. It comes from the word "hamartano," which literally means: "to miss the mark." In it's broad sense, it includes all evil in the world and in essence says: "Christians, you haven't reached the place in your life, where you are willing to put your life on the line, in this struggle against evil." What a difference from the usual picture painted of the Christian, as some Caspar Milquetoast character who never offends anyone and who never ever talks back.

The majority of so-called Christians in the world today, have been so imbued with the spirit of compromise, brought about by the "namby-pamby, panty-waisted, sissy-britches preaching which is coming from the pulpits of America, that they believe it is wrong for Christians to use force against evil. They take those wonderful, stirring words of Ephesians 6:12 and make them come out to say: "For we wrestle NOT!" PERIOD!
When the time comes, that American Christians refuse to stand up for their rights, this will be the
time when America will be destroyed. For whether you want to accept it or not, there is a concerted,
well-planned, well-financed conspiracy underway today, to destroy White, Christian civilization and
the White culture which brought it into being. For when all is said and done; when all the evidence
is in, Christianity is and has always been, peculiarly a part of the White race.

In this message, we will look at America's greatest danger. Most of us recognize Communism as a
danger to the "American Way of Life." We know it is a subversion of the truth. We know that
Secular Humanism, one of the most potent arms of Communism, is seeking to "down grade and
destroy" the spirituality, which has been the backbone of America. But who is behind this
conspiracy and why do they want to destroy the finest civilization which has ever existed?

There is a deafening silence from most of our churches, when we confront this problem. We find
many, who are willing to take a stand on moral issues, such as those promoted by the Moral
Majority. I have no quarrel with this. This should be a major part of being a Christian. But these
fellows refuse to go behind the scenes, to put their finger on the source of this evil. They will try
and "side track" you, by saying it is "the work of the devil."

When Henry Ford, Sr., wrote his autobiography in 1922, he made several significant statements
concerning his shattering and very controversial book THE INTERNATIONAL JEW. He had spent
two years and over $8-million researching this book and had been violently attacked by the Jewish
controlled press. Here is what he said: "The motives and purposes of my book must be judged by
the work itself. It is offered as a contribution to a question which deeply effects this country, a
question which is racial at its source and concerns influences and ideals, rather than persons.

"Our statements must be judged by candid readers who are intelligent enough to lay our words
alongside life as they are able to observe it. If our word and their observations agree, the case is
made! It is perfectly silly to damn us before it has been shown that our statements are baseless and
reckless. The first item to be considered is the truth of what we have set forth; it is precisely this
item, which our critics choose to evade."

So this is all I ask you to do, as you read this pamphlet. I do not ask you to believe or agree with
me. I do ask, that you be honest enough to read the entire pamphlet - that you look at all the facts -
put them under the most powerful magnifying glass of truth which you can find - I would suggest
the Holy Bible - and when you find, possibly to your amazement, that I have told the truth, allow
nothing to stand in your way of proclaiming this truth. Remember the admonition of our Lord in
John 8:32 - "Ye shall know the truth and the truth shall set you free."

There are many pastors in America, who will privately admit that Jewish influences are behind most
of the ills that are destroying America. Jerry Falwell, for instance, knows that his severest critics - in
spite of his "fawning on the Israeli" - are Jews. But very few of these fellows have the "spiritual
guts" to tackle this issue.

So instead of facing up to what to them is a very touchy subject - they would have to admit they
have been lying to their people for years - they attack the "watchman on the walls," who is trying to
warn America of the dangers we face. They accuse us of motives of "hatred, revenge, or prejudice"
against the Jews. This is their only defense. For neither Scripture, nor history, gives any credence to
their stubborn assumption, that these alien people we call "Jews," are the inheritors of the blessings
and promises given to Abraham, Isaac and Jacob.

But there is one fact they cannot cover up, or get around. This is that most of the anti-Christian
pressure in America is coming from one people. They cannot get away from this truth, for to be
honest, they would have to face the emotional charges of being "anti-Semitic," which in these days
of spiritual apostasy, seems worse in the eyes of most of them, than blasphemy against God
Himself.

While I am not against a race of people as such. I must, in all honesty, openly oppose the hypocrisy
which the world-wide Jewish conspiracy advocates and which is diametrically opposed to Christianity. This opposition, is designed for one purpose, and one purpose only. To sap the moral and spiritual stamina of our White Christian people and leave them vulnerable to the "brainwashing" of the enemy. This I refuse to remain quiet about. Not only that, but I will expose anyone I know, preacher or otherwise, who as traitors to God and their country, backs these destroyers! If we could only get Christian leaders to be honest enough to expose the source of our national illness, we would be well on our way towards National survival.

In recent months, vast Conservative Christian movements, such as the Moral Majority, have come into being. I have no quarrel with them, as far as they go. But I will make this prediction. They are bound to fail, as long as their leadership attacks the arms of the octopus, while refusing to strike at it's head! Instead of exposing the evil leadership of the problems they fight, in many instances, they have "linked arms" with those whose stated purpose is to destroy them! This is not only stupid, it is suicidal!

One of the most vivid examples of this anti-Christian attack, is in the field of Secular Humanism, which the Supreme Court has defined as "the religion of man." This belief, fostered by the International Jewish sources from the very beginning, has saturated our Public School system and for all practical purposes has destroyed it. It has also crept into and neutralized many churches. A few years ago, they stood as "lighthouses for God's truth;" today, they are "glorified religious country clubs," where men and women belong, because of the prestige it gives them.

According to Jewish sources, well over half of their people are either agnostic, or outright atheists. (This percentage is noticeably higher among the Zionists. The former Prime Minister of the Israeli, Ben Gurion, was a Buddhist, while Golda Meir, was a self-acknowledged atheistic Communist.) These world-conspirators, knowing that truth is the Christian's strongest weapon, have attacked the principle seat of knowledge, the school and church.

In his book YOU GENTILES!, written in 1924, Jew author Maurice Samuels gives this warning to "non-Jews." "We Jews, we the destroyers, will remain the destroyers forever. Nothing that you can do will meet our demands and needs. We will forever destroy because we need a world of our own, a God-world, which it is not in your nature to build. Beyond all temporary alliances, with this or that faction (Moral Majority) lies the ultimate split in nature and destiny, the enmity between the goyim and God." (Please note that the word "goyim," in Yiddish and the Jewish Talmud, refers to all "non-Jews" as "animals.")

The Apostle Paul, speaking to the Christians at Corinth, in 2 Corin. 5:14, warns them: "Be ye not unequally yoked together with unbelievers: For what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? and what concord (harmony) hath Christ with Belial (Satan)? or what part hath he that believeth, with an infidel?...wherefore, come ye out from among them, and be ye separate, saith the Lord . . ."

Most fundamental preachers love to quote this. I've heard many sermons preached on this text. But it is always used in connection with some Christian brother who doesn't completely agree with them! Never, never have I heard it used, to warn their people about the evils of Judaism and what it is doing to them, their families, and their country! Why?

Isn't it amazing to note that wherever you turn in America, the harmful streams which are destroying everything Christianity stand for, are coming from Jewish fountainheads? Look at corruption in sports and you will find it headed by Jews. Look at the exploitation of International finance, which has literally made billions of once free people, the slaves of the International Jewish bankers. Look at the names behind the liquor industry, which is directly responsible for over 25,000 American deaths each year on our highways. Look at the 2-3 million unborn babies, who are murdered every year in the abortion clinics of America. Behind them, nine times out of ten, you will find a Jew.

Be honest enough with yourself to study American history in depth. Who has instigated America's
wars, from the Civil War to Vietnam? Who has benefitted most from them? Certainly it has not been the white Christians who have fought them! In every instance, it has been Jewish interests who have benefitted from the oceans of blood and suffering. In a moment of braggadocio, a Jewish leader said: "Wars are the Jews harvests!" How very true!

Look behind the immoral influences of Hollywood and television and you will find them Jewish controlled! The same can be said of popular music, which combines weak-mindedness with sexual filth. Only a mind embedded with Talmudic evil, could produce such filth! Look behind pornography, prostitution, dope, and crime - all designed to destroy America and always you will find Jewish influence.

Take a close look at the Jewish controlled press of America, which brings us only those things the Jews want us to know. Look at every organized, anti-Christian effort in America - the things which seek to destroy Christian law and the freedom it brings - behind it, you will find the sinister figure of the International Jew. There is no way anyone can refute this, for it is a stark fact of modern life. Yet many so-called Christians, swallow whole, the falsehood that these Christ haters can be God's Chosen People.

Go a step further and look at influences in our Nation's Capitol, where the Zionist Lobby rules supreme. Ask yourself why there are so many Jews in positions of responsibility and don't come back with the absurdity "it's because they are so intelligent!" Why do you suppose that so many of our Congressmen, literally fawn on the Zionist State of the Israeli? Could it be for what they are getting from the Jews? Ask Senator Henry Jackson about the support he gets.

One of the greatest needs we have in America today, is for Christians to realize that the Jews who cry "bigot," when anyone exposes them, or takes a stand against their evil, are the greatest "bigots" the world has ever seen. There is religious persecution in America. This I am ashamed to admit. But it is not against the Jews. The religious freedom of the majority, has been shoved aside by a heathen minority, who have no loyalty to God, or to this cuntry, because of their single-minded loyalty to International Zionism.

If it is "anti-Semitic," to tell Americans the truth, that Communism was the "brain-child" of Judaism, then I am an "anti-Semite," and proud of it!

Today, in our education system, every word which would identify International Jewry with the evil it has created, has been eliminated from the textbooks. While the same textbooks lambast such historical personages as Hitler, and play up the obvious Jewish lies concerning the Holocaust of World War II, none of them remind their students about the 140-million people, many of them Christian, who have been slaughtered by Jewish-Communism. Have you ever seen a history book, which seeks to enlighten young Americans with the fact that International Judaism is seeking world control? Of course you haven't!

The same textbooks which pour contempt on our White, Anglo-Saxon heritage - a heritage which has made us the greatest people in history - seek to tear down the "landmarks" of our greatness, while filling their minds with Jewish revolutionary ideas. It's no wonder college students act as they do, when we allow these radicals to teach in our schools. (Again, look at the names of these teachers, and of the leaders in the radical student movements - I'll guarantee that 90% or more will be Jewish.)

Have you ever asked yourself why the dire warnings of Martin Luther, concerning the Jews, have been expunged from the textbooks in the seminaries of the church he founded?

The liberalism which is constantly applauded by Jewish spokesmen. The liberalism which the Jewish founded and controlled American Civil Liberties Union constantly fights to uphold; the liberalism which has destroyed American education and many of our churches, all come from Jewish Talmudic ideas.

The New York Jewish Press, on June 13, 1980, carried an article by Rabbi Moshe Weiss, titled
ANTI-SEMITISM! He was disturbed by what he called a "rise of anti-semitism among blacks and minority peoples in New York City." He quoted from remarks which had been made by a Black educator, John Hatchett: "We are witnessing in New York, a phenomenon which spells the death for the minds and souls of Black children. It is the control of the New York City education system by Jews. Our children are being mentally poisoned by a group of educators that are actively and persistently bringing a certain self-fulfilling prophesy into our schools . . . I have singled out the Jews because it is a statistical fact that Jewish teachers comprise 80 to 85% of the teaching staff in this system. It is an unalterable fact, that Christians - White, Black, or Puerto Ricans, are being persecuted and driven out of the free public schools of their communities. The Jews are wilfully, deliberately and intentionally depriving American citizens of their right to a first-class education . . . the Jewish teachers are the ones who cause Christian students to turn to dope addiction, drop out of school, and get into crime and total degradation... The Jews demoralize our children, shatter their egos, and destroy their spirits."

It seems sort of sad to me, that it takes a Negro educator with "guts," to say what White Christian educators and ministers should have said a long time ago. Anti-Semitism (as false as the term is), will remain as long as Jews remain among other people and try and impose their ways of life on decent people.

I have never heard a Fundamental preacher tell his people, that the Talmud, the Jewish religious Bible, was written to inform Jews how they can violate God's Laws and still retain their good standing.

The Apostle Paul warned us of these imposters who stand behind our pulpits in 2 Timothy 4:3 - "For there is going to come a time, when people will not listen to the truth, but will look around for people who will tell them what they want to hear." (Boy, oh boy. What an accurate description of such apostate doctrines as that of the "Pre-Tribulation Rapture of the Church", and the "Jews are God's Chosen People." Paul puts his finger squarely on the source of the trouble, when he warns Titus in 1:14 not to "give heed to Jewish fables, and commandments of men, which turn from the truth."

If the Christian Anglo-Saxon heritage of our Christian, Anglo-Saxon forefathers, had free course in our so-called Christian churches today, their Anglo-Saxon sons and daughters would know the truth and the "Jewish fables would dry up and blow away."

We could then say with Henry Ford, Sr., "Judah began the fight! She invaded America! Let it come! Let no American fear it! But let Christians know who their enemy is! Let tf youknow that the anti-Christ force which attacks them and everything they stand for, is an enemy alien, atheistic, God-hating force, called Judaism. This is all that will be necessary! This is what the Jews are protesting against! This is why they do not want Christian leaders to tell their people the truth about Jewish activities."

The greatest fear of Jewish leaders is that American Christians will learn the truth concerning their activities. Then they would rise up in righteous indignation and following their Lord's example, would boot the Jewish money lenders, out of the National Temple. So their watchword is: "YOU MUST NOT IDENTIFY US! YOU MUST NEVER USE THE TERM JEW, WHEN YOU SPEAK ABOUT OUR ACTIVITIES, FOR TO DO SO, WOULD MAKE YOU AN ANTI-SEMITIC BIGOT!"

The Zionists are afraid for Christians to learn the truth, because, first, it would cut off their greatest supply of funds. Second, if their plans for world conquest were ever exposed to the glaring searchlight of truth, they are doomed to failure! So what we desperately need in America, is to require that every alien, anti-American, anti-God idea, be required to sail under their own flag. If this ever happened, there would be no question of who the Chosen People are not!

Wherever Jews have settled, down through the last 2,000 years of history, the greatest complaint has been due to their financial chicanery and their immoral practices. The reason this has never been
exposed in our history books, gives you a good idea how Jews control education. The Jews were kicked out of every country in Europe, not because Satan hated them, as fundamental evangelists love to state; not because of their religion, but because in every country where they settled, they drove that country to the verge of financial and moral collapse. The Jews personal interest in profit, has always taken priority over the safety of the country in which they live. They freely admit this!

It is as natural for a Jew to be a merchant of goods and information during a time of war, as it is for them to breathe. They usually don't much care what side they favor, as long as they make money. From time immemorial, Jews have been "war profiteers." Look at the names of those who have spied against America in modern times and who have sold our atomic secrets to the enemy. Most of them have been Jews. Theirs has been a pathway of financial corruption and treachery which goes back to the corruption of Babylon and that reaches in America, from the Revolution to the present. In all our wars, Jewish profiteers have grown fat and bloated on the blood and suffering of primarily White Christians.

Today, these same Jewish bankers, sit perched like vultures on the limbs of history, as they wait and plan for another war, which will once again shed Christian blood and will give them the oil wealth of the Middle East, while advancing their aims towards world control.

While there is no religious persecution of Jews in America, there is a lot of religious persecution by Jews. Have you ever wondered why in modern times, no American President has ever taken his oath of office on the open pages of the New Testament? It is because it would have been denounced by Jews. When Mr. Reagan became President, he took his oath on 2 Chronicles 7:14. I have no quarrel with this, since it is the "formula for America's survival." But it is not healthy for a heathen minority to control the thinking of the Christian majority.

No politician in public office, has ever been able to openly speak out for Jesus Christ, without being criticized by the Jews. No church group has ever been able to take a stand on political issues, without the bigots of the A.C.L.U. screaming for "separation of church and state." Yet in spite of this hypocrisy, the Jews have the strongest lobby in Washington and Gentile Christians, are forced to pay for Jewish inspection of most of the food they eat and many other products. I resent this! This is not the American way!

If our politicians are not afraid of the Jews, then why was General Jones, head of the Joint Chief's of Staff, forced into an apology after telling American's the truth about Jewish control in Congress? Why was John Conolly driven out of the Presidential race, after he criticized them? Why was ultra-liberal Senator William Fulbright of Arkansas, driven out of his job, after he told the truth concerning Jewish power in Washington? You know the answer! YOU MUST NOT! YOU MAY NEVER CRITICIZE A JEW WITH IMPUNITY, EVEN IF WHAT YOU SAY IS TRUE!

WHO demands that lighted crosses be removed from hillsides, where they have burned for decades, during the Easter Holidays? Who demands that the "manger scenes" be taken out of Christian celebration and that Christmas carols no longer be sung in Public Schools? Who was responsible for the removal of prayer and Bible reading from our schools, all in the name of separation of church and State? Who is in the forefront of pushing Sex Education in the schools? You know as well as I do - look and you will see Jewish names. The Jew has always gloried in religious persecution of anyone who disagreed with him, he glories over it, as a "red blooded" American does over true patriotism.

If our churches were willing to spend one-one hundredth as much time investigating Judaism and Talmudism, as they do in downgrading those of us who fight this evil, the whole rotten fabric of Jewish hypocrisy would fall apart.

Jewish intolerance in every age of history, especially where they have gained power - is an indisputable fact. Nowhere can it be more clearly seen than in their treatment of the Palestinians. They are doing there, the same things they accused Hitler of doing. It is only among people who refuse to face the truth and who become blinded to the dangers they face, that Judaism has ever
become a success.

A great man once said: "None is so blind, as he who refuses to see." This is the sad history of Fundamentalism, as far as the Jew is concerned. They are more willing to support their greatest enemy, than they are to listen to their friends.

Have you ever wondered why immigrants who enter the United States are classified by race and nation, with the exception of the Jew. It seems that few nationalities object to be known as French, German, Italian, Polish, Chinese, Koreans, Egyptian, or what have you, until you come to the Jew. Usually, he does not want to be known as a Jew, until he has had a chance to get his claws into the new nation where he plans to settle. The result of this warped reasoning, is that even Jewish leaders do not know how many of these "sons of Satan" reside in Christian countries.

Leon Simon, a brilliant Jewish scholar and writer, summed up Jewish thinking in his book STUDIES IN JEWISH NATIONALISM. He said: "Judaism has no message of salvation for the individual soul, such as Christianity has; all it's ideas are bound up with the present existence of the Jewish nation."

Arthur Schlesinger, Jr., another well-known Jew, put it this way: "We (Jews) do not believe in a heaven in heaven, as Christians do; we believe rather, in a heaven on earth. The salvation of mankind is not bound up with the death of a Christ on a cross, but in the unfolding of technology and the basic goodness of man. This will eventually bring about a heaven on earth." This of course is the theory of Talmudic Secular Humanism.

Both these Jewish ideas, echo the thinking of a German Jew named Ludwig Feurbach, who lived more than a hundred years ago. He said: "Man will be finally free, when he realizes there is no God of man, but man himself." This idea became so deeply rooted in the diseased brain of a young Jewish radical named Karl Mordecai Marx, that it became the "bedrock" upon which modern Communism was built.

As you listen to Jewish propaganda, you realize they promote the idea of their eternal persecution -that is, except when they are being praised, by some "crackpot, brainwashed" preacher, who sees these "devils" as the Chosen People. If the Christian Church in Christendom, ever frees itself of this Jewish delusion and learns what the Talmud teaches about them and the Lord Jesus Christ, the Jews will no longer pose a danger to anyone. But as long as Christian people persist in believing a Satanic lie, they will be in dire danger. (I pray that the Fundamentalists who will laugh at this warning, never live to see the day when their wives and daughters are violated, and their sons slaughtered, by the folks they called "God's Chosen." This is what has happened in Russia, China and a hundred other places.)

The downfall of Russia was prepared by a long, thorough, deliberate program of misrepresentation by the Jewish controlled Press, following the same format they are using in the Free World. The same thing happened in Poland and Germany. This was what led to the German hatred of the Jews. Great Britain lost her world Empire and was emasculated by this same Jewish propaganda and today, the entire Free World, labors under tyrannical control of world thought, by the Jewish money lenders, who take "their pound of flesh," from everyone they come in contact with.

This policy of misrepresentation, has become the "modus operandi" of the world Jewish conspiracy and has been aided tremendously, by the deliberate stupidity of the Christian world. It seems almost as though we want to be destroyed or enslaved. Only, God Himself, knows how many billions of dollars of Christian wealth, has gone into the coffers of International Judaism, because of false teaching. It might well have evangelized the world!

Constantly, American Christians are inundated with statements from their pulpits, such as "Jesus was a Jew! We MUST back the Jews! America has been blessed, because we have been good to the Jews." On and on, "Ad nauseam." What a barrel full of "bull" this propaganda is.

A little investigation on your part, would show that every nation which has tried to help the Jews,
has been paid off by treason, betrayal and corruption. At one time, America was great! We had a special breed of giants who ran this country from Washington. We feared no man or nation, only God. Then in 1948, we recognized the "bastard, bandit nation of the Israeli" in Palestine. We began to pour countless billions of dollars of our wealth down the "Zionist rathole;" we backed their terrorist tactics in dealing with anyone who disagreed with them. We have alienated a friendly Arab world. The results? We have been on the skids ever since. Contrary to the story put out by the "pro-Jew" stooges in America's pulpits, God has not blessed America; we are in the worst decline of our history.

Dicraeli, a Jew, converted to Christianity, or so they say, became Prime Minister of Great Britain. He said: "You never observe a great intellectual movement in Europe in which the Jews do not greatly participate. The first Jesuits were Jews. That which so greatly alarms Western Europe, is organized and primarily carried out by Jews. That mighty revolution, now preparing in Germany.. is developing under the auspices of the Jews."

In a moment of typical Jewish braggadocio, the following statement was made by a Jewish leader: "We will so wear out and exhaust the Gentiles by all this that they will be compelled to offer us absolute international authority.. we must so direct Gentile society that it will drop its hands in the weakness of discouragement."

The "bugaboo" of anti-Semitism has been used to discourage anyone with guts enough to expose the Jewish gangsters. A highly placed Jewish official stated recently: "Anti-Semitism does not signify opposition to Semitism. There is no such thing! It is an expression we Jews use effectively as a smear word, used to brand a bigot who says anything bad against Jews." This is true. You MUST not speak any word of criticism, even if what you say is true.

Why do Jews act as they do? Why are they so obnoxious when dealing with non-Jewish peoples? The list of answers would be too long and complicated to answer. It would give a "field day" to any psychologist brave enough to tackle it. But let me give you a few reasons:

1 - Jewish nature is autocratic. This means that they look on themselves as Jews, above the laws of any land. They are a "law unto themselves." They are what we call "amoral" persons. They differ from moral people, in that "moral" people believe there are certain laws laid down by God for the happiness and safety of mankind so they try and keep them. They are miserable when they don't. The "immoral" person also admits to these laws, but for reasons, often known only to themselves, they constantly break them and therefore are among the most miserable of all people. Then there is the "amoral" person. He believes there are no laws of God or man which he needs to keep. He is a law unto himself. If he desires to murder, he murders; if he wishes to steal, he steals; if he feels like lying, he lies. All is right; the "end justifies the means." This is Jewish national thinking and can be seen very strongly in their brainchild of International Communism.

The Jew considers himself to be far above the "goyim" cattle in intelligence. He believes that God, or whatever power that may exist - very possibly Satan, - has singed him out to be the overlord of all the world. So he uses "democracy" as a trigger word, which is constantly used by Jewish agitators, as they go about stirring up the revolution they hope will ultimately bring them into world control.

A high placed Jew recently boasted: "There will be a forced class warfare in the United States and many will be liquidated. But the Jews will not be harmed! I am not boasting! I'm giving you the facts! It is too late for you Christians to put up a defense! That time is long past! Long ago, we Jews became the aggressors. That is one of our greatest purposes in life. We are the aggressors."

There will be some who read this statement, who no doubt are so naive and "brainwashed" by the Jewish propaganda they have heard, that they will refuse to accept this. So let me ask you to explain this letter, which was written by a Miami Jew, to Jim Townsend, Editor of the NATIONAL
EDUCATOR: "Dear Mr. Townsend: Of course your anti-socialist writers tell the truth. However, there isn't a thing you can do about it. Your group woke up too late and you simply were not smart enough to make peace with the powers that be, before WE (notice that word "WE" very carefully; remembering he is a Jew) begin lopping off your heads." SIGNED: William Golden, Miami, Florida.

The clergy who labor so industriously to protect and support these enemies of Jesus Christ and His Church, should read this Jewish statement made in 1905: "We have taken good care long ago to discredit the Gentile clergy and thereby destroy their mission, which might hamper us considerably. Their influence over the people constantly diminishes. It is only a question of time before there is a complete crash in the Christian religion."

Then compare this statement, with the one made in the Communist Textbook on PSYCHOPOLITICS, written in 1933. The plan for the take-over of America.

These same clergy should take a close, hard look at what Jewish-Communism has to say: "We have battled in America since the century's turn to bring to nothing any and all Christian influence (Notice it does not say "Jewish influence," but "Christian influence." The reason is obvious, Judaism and Communism are tarred with the same brush,) and we are succeeding. While we today seem to be kind to the Christian (shades of Billy Graham in Moscow), remember that we have yet to influence the Christian world to our ends. When this is done, we will have an end to them everywhere . . . So you must work until officials of city, county and state governments will not think twice before they pounce upon religious groups as public enemies... You must recruit every agency of the nation marked for slaughter into a foaming hatred of the Christian religion (Notice again, that nothing is said against Judaism). You must suborn district attorneys and judges into an intense belief that Christian practices are vicious, bad, ...publicly hated and intolerable."

You pastors and lay leaders who are concerned and honest enough to read this, ask yourself this question: "Who is behind the effort to destroy the Christian churches and schools in America? Who is in the forefront of the movement to take away your God given right to educate your child as you see fit; away from the dehumanizing influences of Secular Humanism?" If you have an iota of common sense, you already know the answer, although you may not want to admit it. Please don't come up with the stock Fundamentalist statement that all these things are "caused by the devil." But in case you are afraid to say the correct answer out loud, let me do it for you. You know that it is the anti-Christ, power-hungry, money-mad interests who are doing this. Everything you stand for as a Christian, is today under attack from Jewish led sources. Yet you insist on calling these anti-Christ, the Chosen People. (See 1 John 2:22,23). What you are doing, is committing "spiritual suicide."

Recently I saw Dr. Jerry Falwell, President of Moral Majority, as he appeared on national television to plead for the passage of an amendment to prohibit abortion. (More power to him and his organization on this issue.) But is Dr. Falwell so naive, or so "brainwashed" by the poison which has seeped from Jewish sources into the Fundamentalist pulpits, that he refuses to see that the majority of abortion clinics in America, are owned and headed by the people he calls "God's Chosen." If he cannot see, or refuses to see that most of the evils his organization stands against are promoted by Jews, then he is blind indeed.

When Menachem Begin, the self-confessed murderer and terrorist who now heads the nation of the Israeli in Palestine came to America, he received "red carpet" treatment from Falwell and his "henchmen." When Falwell shook hands with him on national television, he assured Begin that American Fundamentalists would back the Israeli, no matter what they did. What he was really saying was: "Go ahead with your robbery, your torture, your rape, your genocide in Lebanon. For what you do, you do with God's blessings, as His people." I wouldn't stand in Falwell's shoes when he faces God some day, for all the money you could offer me.

What in the world has happened to the Fundamentalist's favorite teaching: "Come ye out from
among them and be ye separate?" This is often used against some Christian brother, with whom they disagree, but they would never think of using it against the greatest anti-Christ force the world has ever seen.

There is only one of two conclusions I can come to, as I see Fundamental leaders engaged in such stupidity. Either they are incredibly stupid, in which case they have no business leading any congregation; or, they are "Traitors" both to America and their Lord. Here I use the definition as found in the U.S. Constitution, Article III, Section 3, which defines treason in words which any Fifth Grader can understand, saying "treason ... shall consist in giving aid and comfort to the enemy." (Whether they be "Jews", Communists, or atheists.)

The belief that the Jews are God's Chosen People is not held because most of their leaders believe it. A top Fundamental preacher, of one of America's largest Baptist churches told me recently: "A majority of the fundamental Bible scholars and preachers of the Twentieth Century have preached this way and I cannot go against them." Then he hesitated and said: "Besides that, we owe $1.4-million on these church buildings and the Jew's hold the bonds." There's your answer! "Fear of the Jews."

Moses speaking to the children of Israel (who were not Jews, by the way) said in Exodus 23:2 - "Thou shalt not follow a multitude to do evil." So just because the majority of fundamental preachers teach this heresy, doesn't make it so! The following verse says: "neither shalt thou speak in a cause to DECLINE after many to wrest judgment." The Hebrew word for "decline" is "natoh," which means: "to bend away from; pervert; turn aside from." The word for "judgment," is "mish'pat" which means a "perversion of justice." Put them together and the correct translation is: "You shall not go along with the majority to turn aside from the truth, or pervert justice." This is what you preachers do, when you twist Scripture around to fit your viewpoint and refuse to put your finger on the "source of the trouble."

There has been a constant cry from American pulpits for "Jewish rights." I believe it is high time for our church leaders to take a stand for "Christian rights," and tell their people the truth; that International Judaism is their worst enemy. The Jews have lost no rights in America, yet they are constantly in the forefront with efforts to interfere with the rights of Christians. Notice they attack no one but Christians; other religions are left alone. While this goes on, fundamental and evangelical pastors, lead their flocks like "lambs to the slaughter" because they are too "gutless" to tell their people the truth and admit they have been wrong.

Have Christians become so brainwashed by the Jewish propaganda which has swamped our churches for a century that we will become like the lemmings, who drive to the ocean in a movement to destroy themselves?

It might be well to stop here and speak for a few paragraphs about so-called "Christianized" Jews. In his book CHRISTIANITY AND SURVIVAL OF THE WEST, Dr. Revilo P. Oliver gives some insight in chap. 2, regarding a group of Jews who became known as MARRANOS. Here is what he said, take heed: "Ever since it was founded, the Christian Church has labored incessantly to convert Jews, using every method from flattering exhortations and cash rewards to legislative pressure and armed coercion, and it has failed utterly. This failure, further-more, has been conspicuous in every town and city of Christendom, year after year, and century after century. It was known even to the most ignorant and isolated peasant. In Christendom, as elsewhere, the International race planted its colonies wherever there was money to be got from the natives, and it always followed the standard procedure which has been used from the time of Alexanderia in the 5th Century B.C.

"This was to infiltrate in small groups until their numbers were sufficient to take over a part of the city for themselves, to establish their own ghettos, from which the inhabitants of that country were informally, but effectively, excluded. The main body of these colonists ... were usually accompanied by a number ... of MARRANOS, i.e., Jews who feigned conversion to the religion and culture of the nation in which they had come to reside..."
"Here and there in Europe, Christians sometimes tried to dislodge and expel the Jewish colonies, but they never succeeded. By violence or threats of violence some cities and territories were able to drive Jews from their Ghettos. The MARRANOS, sheltered by their professed conversion eluded all efforts to control them, and in Spain and Portugal they not only entered the highest offices of the state, but, despite the frantic efforts of the Inquisition, they filled even the (Catholic) church with nuns, priests, bishops, and archbishops, who solemnly celebrated in public the rites of a religion they despised, and, when they met in their secret conclaves, laughed at the stupidity of the gullible goyim.

"The amazing versatility and subtlety of the MARRANOS, especially those in Spain and Portugal has been described by many distinguished Jewish scholars..."

"Was a Jew ever converted to Christianity? The learned and candid Rabbi Solomon Schindler, in his book MESSIANIC EXPECTATIONS AND MODERN JUDAISM, written in 1886, said, while addressing a Christian audience in Boston that "no Jew would submit conscientiously to so inferior a creed. There never has been a Jew, who has been converted to Christianity, who conscientiously believed in the doctrine of his adopted religion. They are all hypocrites, who changed their creed for earthly considerations."

Another well-known Jewish writer, Maurice Samuel, in his book YOU GENTILES!! written in 1924, said: "Obviously you do not make a gentile of a Jew by baptizing him any more than you would make an Aryan of a Negro by painting him with ochre." Dr. Oliver then goes on to say: "There seem to be some instances of Jews who sincerely defected to Christianity, but they are few. On the whole, the failure of Christians to allure or compel Jews has been total and spectacular."

This same idea is echoed by a Jew named Benjamin Freedman who was converted to Christianity. He himself believes this was possible, because he believes he was a gentile child, who had been adopted by a Jewish family. He says in his book FACTS ARE FACTS! page 6 - "It is useless to try and deny the fact that today finds the Christian faith on the defensive throughout the world. This realization staggers the imagination of the few Christians who understand the situation... The Christian clergy appear to be more ignorant or indifferent about this conspiracy than other Christians. They seem to bury their heads in the sands of ignorance or indifference, like the legendary ostrich. This ignorance or indifference on the part of Christian clergy has dealt a blow to the Christian faith already, from which it may never completely recover.

"Christians deserve to be blessed in this crisis with a spiritual Paul Revere to ride across the nation warning Christians that their enemies are moving in on them fast..."

"The minds of millions of Christians who are totally unknown to you are quite uneasy about the status of the Christian faith today. The minds of countless thousands among the Christian clergy are troubled by the mysterious "pressure" from above which prevents them exercising sound judgment in this situation."

He goes on to mention the fact that most Jewish converts are not to be trusted and that a majority of them have been planted in the Christian church for the purpose of destroying it. He then states what I know to be a fact. Speaking to Christian pastors: "You cannot pussy-foot with the truth any longer simply because you find that "the truth hurts", someone you may know or like.

"At this late hour, very little time is left in which to mend our fences... Beating around the bush now will get us exactly nowhere. The courageous alone will endure the present crisis when the chips are down. Figuratively and possibly literally there will be live heroes and dead cowards when the dust of this secular combat settles and not dead heroes and live cowards as seems to occur under most circumstances. The dedicated enemies of Christianity (International Judaism) have sufficiently convinced the world by this time by the savage methods they have adopted, that their program is to erase Christianity from the face of the earth."

The Jewish leaders believe they already control America. Recently, one of them stated publicly:
"We have castrated Gentile society, through fear and intimidation. It's manhood exists only in combination with a feminine outward appearance. Being so neutered, the populace has become docile and easy to rule. As all geldings are by nature, their thoughts are not concerned with the future, or their posterity, BUT ONLY WITH THE PRESENT and the next meal." What a perfect "word picture of modern American society. It is the attitude of Christians, who don't want to be involved, and allow Jews, to control the school and often the church. We MUST break these fatal bonds, if we are to remain free.

The Jews acknowledge the error of the "Judeo-Christian" nonsense which is being preached from most of our pulpits. Listen to this Jewish leader, as he describes the difference between Judaism and Christianity: "There are quite exhaustive studies concerning the Jew's religious teachings. We are the best example of the kind of product religious teaching evokes. Our life is of this world only. Our mentality is as foreign to the true spirit of Christianity, as our character was to the founder of this creed 2,000 years ago. (They crucified Him - remember!!) The Founder of Christianity made no secret of His estimation of the Jews and the fact that He was not one of us. He drove us from our temple, because then, as now, we used our religion as a means of advancing our commercial interests. At that time, we managed to nail Jesus to a cross, for His attitude towards us; whereas your modern Christianity has entered party politics in order to win elections. You debase yourselves by begging for Jewish votes. You even enter into political intrigues with us, which are against the interests of your nation. We are obliged to conceal our particular character and mode of life, so that we will be allowed to continue our existence as a parasite among the nations."

What is a parasite? The dictionary defines it as: "an organism living in or on another organism." This is what the Jews have always been. A careful study of history will reveal this. This is why the Israeli nation in Palestine cannot survive without the help of the United States. There is no parasite which can survive, without a host on which to feed. Today, world Jewry, especially International Zionism, are gorging themselves and becoming fat on the blood and toil of Christians worldwide.

Listen to this statement taken from the Jewish-Communist textbook PSYCHOPOLITICS: "We must be like a vine upon a tree. We use the tree to climb and then, strangling it, grow into power on the nourishment of its flesh." This has been the path of Judaism from time immemorial and it is still their pattern in America.

There must be a recognition by American leadership in both politics and the church, as to who our enemies really are. This they have refused to do.

Secondly, there must be a concerted effort, led by the American pulpit, to uncover this enemy and remove the shroud of secrecy with which he has surrounded himself. He will shrivel up and die if this is done, for he cannot stand the light of truth.

Secondly, there must be a concerted effort, led by the American pulpit, to uncover this enemy and remove the shroud of secrecy with which he has surrounded himself. He will shrivel up and die if this is done, for he cannot stand the light of truth.

This will not be an easy task. It will not be something accomplished by "Sunshine Patriots." It will be dangerous, for the arm of Jewish vengeance is long and unforgiving. (Note the massacre in Lebanon; Jewish controlled, no matter what they say). The clergy, which has been in the forefront of the "whitewashing" of the enemies of Christ -whether unknowingly or knowingly - must reestablish their commitment to the truth and to their Master, Jesus the Christ. "You cannot serve two masters." They must swallow the bitter pill and acknowledge that they have been wrong. It will not be easy; I know, this is what I had to do after 18 years of living a falsehood.

In Isaiah 9:16, we read these words, written to our people, the Israel people, centuries ago: "For the leaders of this people cause them to err; and they that are led of them shall be destroyed."

This potentially fatal situation will not be alleviated until Americans are willing to rouse themselves from their fatal sleep and look with honesty at our deteriorating national situation. Then and only
then, will we be able to halt the "usurpation power" of the Asiatic heathen we know as "Jews." Then and only then will we be able to regain control of a Christian America.

I am not one of those who proposes a blood bath. But I believe we need to issue an ultimatum to the world Jewish leaders and especially to those in America, Jew and Gentile alike, who put Zionism first. We need to tell them in no uncertain terms:

"Prove by your actions that you are an American, or move out! If you want to be Zionist first; then go to Palestine. But we will hold you responsible for any actions percpititated in this country by Jews, which are against the welfare of this country, or against our God." THIS IS AN ULTIMATUM! I have no quarrel with any Jew who desires to live in peace and safety in this country, as long as he will put the interests of America first. But there MUST be no place in America for ANYONE, no matter what his race, creed or color, who desires to destroy our White Christian civilization. We must never falter in our determination, for the fate of America lies in our hands.

If the Jews refuse to abandon their plans for the destruction of Christian freedom, then it lies with us to defend ourselves with any means at hand and with God's help, we will do this and with His promises as our guide, WE WILL WIN!

Our first move must be to get the truth out to white Americans. To do this, we must remove the "Jewish stooges" from behind our pulpits and out of public office. We must disinfect our churches from the virus of Judaism and then inoculate them with the truth, so they will see and understand Jewish corruption and fight it wherever it rears its ugly head. We must never surrender! The consequences are to horrible to contemplate.

We must remember that 2 Chronicles 7:14 was written to our white forefathers and that as it was a formula for their survival, so it will be for ours. "If my people, which are called by my name, (only Christendom answers this description) will humble themselves, and pray, AND SEEK MY FACE, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and WILL HEAL THEIR LAND." This is a promise made by Almighty God Himself - a promise which will never be broken if we will do our part. How much we suffer before it is fulfilled will be up to us. We alone hold the key to survival and blessing. We will either accept this truth from God and act on it, or we will lose our heritage to the heathen mongrels who would control the world. What is your choice?

The End
The Birthright or
The Right to Govern

By
Brig. Gen. Jack Mohr

Revelation 12: 7 And there was war in heaven: Michael and His angels fought against the dragon; and the dragon fought and his angels,

8 And prevailed not; neither was their place found any more in heaven.

9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, who deceiveth the whole world: he was cast out upon the earth, and his angels were cast out with him.

War In Heaven

Scripture tells us that before Adam was in the Garden of Eden, there was a war in heaven. Two plans were offered for the governing of the earth.

One plan provided for men to have their free agency to choose for themselves between right and wrong. God would not force them one way or the other. There was a redeemer who offered himself as a sacrifice to pay for the errors that humans would inevitably make during their learning period here on the earth. His sacrifice would blot out these mistakes if men would repent of them and change. If men would not repent, they would have to suffer the consequences of their own mistakes.

The other plan, offered by Lucifer, was to set up a government of force and coercion depriving all of God's children the freedom to choose which path to follow and of the blessings resulting from their doing right of their own free will and choice. According to this plan of force, Lucifer wanted to rule in the place of God and receive all the glory.

Christ's plan was chosen and the right to rule was given to him by our Father in Heaven.

As a result of the division caused by these two plans, a war was fought in which one-third of the hosts of heaven, led by Lucifer, were defeated and cast out. They were denied the opportunity of further progress by not receiving a mortal body through birth on earth. They were cast down to earth as spirits and here they wander, homeless, endeavoring to tempt and deceive God's children here in mortality.

The Valiant

There were members of another group who were, in varying degrees, involved in the battle on the side of freedom's plan. According to their degree of diligence, their opportunities here in mortal life were determined. The most valiant became God's prophets and birthright children.

The Cursed

A third group refused to assist either side. They stood by while the Savior and his followers fought the battle of liberty for them, and because they refused to take a stand for right, they automatically chose evil. By this action, they limited their opportunities in this life to some extent. They would be
allowed a mortal body but would be limited in that they would not have the right to rule or represent God because they were not valiant in their first estate.

We have examples of the attitude of this third group all around us today. There are those who stand by and do nothing while a woman is assaulted or raped on the streets of our cities and those who sit idle while tyrants pass unconstitutional laws over us and make no protest or effort to stop them. They, too, will find that they will be limited, to the extent of their cowardice, in the next life.

**The Seed of Cain**

This third group would have to be marked and separated in mortal life. Cain became the father of this group. The accompanying chart shows Cain and his descendants down through history. They were limited as to their opportunities in this life because of their cowardice in the spirit battle for freedom. They and all who mix their seed with them are restricted from the right to rule or to represent God on earth.

We can see then that Cain's curse was not only a result of his murdering his brother Abel through the promptings of Lucifer in order to get the right to rule, but a continuation of the premortal limitation placed upon him and others by our Father in Heaven for their lack of valiancy in the premortal war.

**From Freedom To Force**

As we look at the condition of our country today, we see that something is wrong. Someone has manipulated our system of a government of freedom and as a result we have forsaken the Constitutional laws that protected the rights of men. Justice has been thwarted and the common law of God is no longer held valid. There seems to be a handful of people who have total control over the entire government and hence over all our lives, and nearly all our liberties are gone!

This condition appears to be something that has just happened, but as we go back into the history of the Bible, we see that really it all began with the two sons of Adam, Cain and Abel. These two sons were asked to make an offering to the Lord.

Abel's offering, made in righteousness, was accepted by the Lord. Cain harkened unto Lucifer and took as an offering something other than that which the Lord had asked of him. The Lord was displeased and told Cain that if he had done the right thing instead of listening to Lucifer, he would have done well, but "sin lieth at the door".

**The Right To Rule**

The Lord said that Cain was upset with his brother Abel because Abel, through his obedience, was to receive the birthright. What is the birthright? It is of paramount importance that we understand what the birthright meant.

Who was the chief ruler on earth at that time? Adam was, because he was the head patriarch or king. Who was to receive the power to rule upon the death of Adam? The son who was designated by Adam. Therefore, the birthright is the right to rule. The birthright is the right to govern.

Heavenly Father depends on men who obey Him and are valiant in his service. These are they who receive from Him the right to govern. Why would God choose righteous men to be His rulers and governors? Because He knew that if He gave this power to unrighteous men, they would oppress the people, take away their liberties, and destroy them. Therefore, He chooses the righteous to govern and gives them what is called the birth-right or the right to represent Him here on the earth.

The controversy at the time of Cain and Abel revolved around the birthright. Who would become the leader of the world when Adam died? When Cain saw that Abel was chosen to be the new governor of the earth after Adam, he killed Abel because he wanted that power for himself.

**The Pre-Existent Curse Established In Mortality**

What did the Lord do? Did He give Cain the power to govern? No! The Lord cursed him, marked
him and sent him away to the land of Nod or Wanders to separate him from God's children. The birthright passed to Abel's brother, Seth, who then shouldered the responsibilities of government.

The Lord said that Cain and his children would never have the right to govern on earth because Cain, like Lucifer, tried to usurp this power by unrighteous means. Those spirits who were not valiant in the premortal battle for freedom are those who come to earth through the lineage of Cain.

We can follow down through the scriptures and find that this group of people, the descendants of Cain, are called the Cainanites and later on are called the Hittites and Hettites. They began to intermarry with the children of Seth. Why do you suppose they did that? The birthright! They thought that if they mixed their seed with the birthright group, they would automatically get the birthright. They thought that if they could mix their seed with all of the seed of Seth, they would get the birthright because there would be no pure lineage left to receive it.

They, the mixed blood lines, also tried, by appealing to their love of liberty, to get this other people to fight wars among themselves and thereby destroy the birthright lineage.

**Pollution Of The Races Caused The Flood**

Further down on the chart, we see that there was a great flood because nearly all God's children had mixed their blood with the blood of Cain and, as a result, had turned away from God.

God used the flood to wipe the earth clean of the wickedness caused by the mixed blood. A new lineage through the sons of Noah was then begun. Each group was to be in its own separate part of the earth. The confusion of tongues at the Tower of Babel helped to separate these nations for a time.

Noah had three sons, Shem, Japheth, and Ham. The Eastern Empires originate with Japheth.

**Mixed Blood Also Carry The Curse**

We see that Ham married Egyptus, The name, Egyptus, meaning forbidden one. Why was she forbidden? Because she was of the seed of Cain. Why did the Lord say that Ham should not marry her? Because, by doing so, he would lose the birthright or the right to rule. Because he broke that law, Ham's descendants were called the Hittites. From that time on, the Hittites were an outcast people and when the prophets would preach or give power from God to men, the Hittites were never numbered among those who had the right to govern.

**The Semites (Caucasian)**

The Sheminite or Seminite peoples come through the lineage of Shem. The Seminites, then, are the descendants of Shem, the birthright son.

The title Seminite has nothing to do with today's so-called "Jewish" people. All the Caucasian people of the world are Semites.

The Sheminite or Seminite peoples come through the lineage of Shem. The Seminites, then, are the descendants of Shem.

**The Oriental and Negroid Races**

The Oriental people are descendants of Japheth and the Negroid and mixed blood people are descendants of the Hittites (or Cain). Down a few generations in the Sheminite or Seminite line, we come to a man named Eber. This is where the term Hebrew came from; Eber was the great-grandfather of Abraham.

**The Arabs and Saxsonites**

Abraham had one son named Isaac and another son named Ishmael Ishmael is the father of all the Arab nations. Isaac is the father of the Isaacsons or Saxons. The Saxonites and Seminites, from whence came the European nations, are of the blood line that has the right to rule or administer the laws of God to men.
Isaac had two sons, Esau and Jacob. Esau married two Hittite women and lost his birthright as a result. Esau's mother had a terrible time; she wept over her son because Esau had broken the Law of God. How did Esau break the Law of God? Not by marrying two women, but by mixing his seed with the Cainanite lineage which did not have the right to rule. Therefore, Esau lost his birthright and Jacob, who also married more than one wife, received the right to rule.

**Israel (Jacob) the Birthright Son**
Jacob's name was changed to Israel which means prince of God. Prince of God means ruler.

**The Twelve Tribes (The House of Israel)**
In the next generation, twelve sons were born to Jacob. From these twelve sons came the twelve tribes of Israel, and of these sons, Joseph had the birthright. His brothers sold him into Egypt because they were jealous of him. Why? Because he had the birthright. In a vision he had seen that all the other tribes were caused to bow down to him. He had the right to rule. The colors of Joseph were red, white and blue.

**House of Israel Split**
Later, the House of Israel, the twelve tribes were split into two kingdoms. The kingdom of Judah and the Kingdom of Israel. Then, the entire House of Israel went into bondage. Prior to this time, Esau's name had been changed to Edom because he had broken God's law and had lost his birthright. His children and followers were called Edomites. The Edomites and the Kingdom of Judah part of the Israelites were in bondage together and while they were in this condition, they intermarried.

After the Lord spoke to King Darius who held them in bondage, Darius released them to go back to Jerusalem to rebuild the temple. When they got to the border of the land, Hezekiah, the prophet, asked the Judean Israelites how many had kept their bloodline pure. He said that if they had not kept their bloodline pure, they could not build or even touch the temple.

**The Cursed Line Identified at Christ's Time**
From that time on, the people who had mixed with the Edomites while in bondage were known as the Idumeans and later some of them were called the Herodians. King He rod was the first of the Herodians, but he and the others of his group were a part of those who had mixed their bloodline while in bondage.

The Savior of the world came through the lineage of Israel through that part of the kingdom of Judah and more particularly the tribe of Judah who did not mix their bloodline. These were known as Judahites or Judeans.

Just before Christ was born on earth, the Idumeans went to the Roman leaders and promised, "We will do anything you say if you will let us rule over the Israelites." Herod and others of the mixed bloodline rose to power by this means. When lie rod heard that the true king had been born, he, knowing he had no birthright, ordered that all the pure blooded male Israelitish children under two years old should be slaughtered, He did this in order to secure his usurped position.

When Christ came, he challenged their right to rule by identifying them as the mixed bloodline, (John 8:37-44) and for that they killed him. It was a political assassination. We can see that the murderers of Christ came from the mixed bloodline of Cain and Israel.

**The Deceit Continues**
Three hundred years after Christ, that same element infiltrated the newly-established church and set themselves up as religious experts. They screened and rewrote some of the scriptures and inserted the term "Jew" into the writings. It is written that when Pilate put the sign above Christ's cross, it said, "Jesus Christ, King of the Jews". In the original writings it said, "Jesus Christ, King of the Judeans". Up until this time, there never were any people known as "Jews". There were Judeans,
who were pure Israelites who were from the Kingdom of Judah which was made up of the tribes of Judah and Benjamin and parts of the tribes of Levi and Simeon. And there were Idumeans, who were the people of mixed blood. These are the only two groups of people with whom we are concerned. The Kingdom of Israel was made up of the rest of the tribes under the leadership of Joseph's son, Ephraim, the birthright son of all Israel. Later, at Christ's time the remaining part of this group was known as the Samaritans.

The Idu means coined the word "Jew" to make it look as if they were the same people as the Judeans. They wanted to appear as if they were still part of Israel to cover up the fact that they had lost the birthright and had been cut off. This term was rewritten into the scriptures 300 years after Christ by some of the Jesuits who were really Idumeans and Herodians. It was the Idumeans who turned the true Israelite Christians over to the Romans to be mauled by the lions, burned at the stake, and slaughtered by the gladiators at Roman festivals. Their purpose again was to eradicate those of the pure bloodline.

It has always been those of the Idumean bloodline that have created wars in an effort to get those of the birthright bloodline to destroy themselves. The Idumeans never war among themselves. They have also tried to mix their Cainanitish blood with that of Israel to the end that there will be no pure blood left. By this means, they hope somehow to regain the right to rule if only by default.

The Khazar Empire (World Bankers)
Seven hundred years after Christ there was a community of this mixed bloodline that settled north of the Caspian Sea in what is known today as the Ural Mountain area in the Soviet Union. They pooled all the wealth they had gained from 700 years of unrighteous activities into one central money system. They then loaned money to the Czars of Russia and to the princes and kings of Europe and England. In that way they bought their way into power and leadership positions in all of the major and many of the minor nations of the world.

This group was called the Khazar Empire and the Khazars from that group are the ones who rule the banking system of the world and the banking system of our country in our day. They own and control the Federal Reserve Banking System that has devalued our money system by confiscating the gold and silver and replacing gold and silver backed paper currency with worthless notes. These "bank notes" are in reality promissory notes with no value upon redemption. Even our coins are now devoid of any precious metals of real value. It is the biggest financial hoax in the history of the world.

Lincoln Stood In The Way
These international bankers had Lincoln killed because he would not allow this group to corrupt our money system in his day. They wanted to set up the Federal Reserve Banking monopoly then, but Lincoln refused to cooperate and so they had him murdered.

These people also had another reason for killing Lincoln. His post. civil war reconstruction program. His plan provided for the returning to Africa of all the former slaves, the seed of Cain, who had been freed by the Emancipation Proclamation. He wanted to sell public lands at public auction to raise enough money to purchase vast tracts of land in Africa to be given as a home to the former slaves. The freed slaves were also to be given free passage back to their homeland. Liberia was begun this way as an initial program. Lincoln was killed before he could complete this plan and President Andrew Johnson was almost impeached for trying to do the same.

Busing Children For Integration
The Khazars are the ones who have forced the Humanist teachings into our country through government owned schools. They call for the busing of children over long distances in order to force mixing of the races. They are pressing the issue of race integration and encouraging the mixing of the bloodlines.
United Nations (Government of the Anti-Christ)
Not too far in the future, we will see laws passed requiring that each person of pure blood must intermarry with another race. As the United Nations one-world government of the beast is expanded by the Khazars, this will be one of their laws. Today, less than 5% of the women of the world of child-bearing age are of the pure bloodline. The right to rule on earth is limited to this bloodline because God judged that these people were the only people to administer his laws.

The Seminities Love of Liberty
The premortal spirit of liberty and freedom is the spirit that imbues the lineage of Shem and of Isaac and Israel. Our founding fathers, who came from Wales, England, and Europe came through this birthright lineage. The lineage of these nations stems from Shem, Isaac and Joseph.

Wars have been fought for liberty, year after year, by this bloodline. It was this lineage that kept the spirit of liberty and freedom alive over the years and ignited it again here in America.

The False Illuminati
Those who have mixed their blood with Cain have functioned through an organization called the "Illuminati". This false Illuminati originated at the time of Solomon. Prior to this time, the true Illuminati or the "enlightened ones" were from the lineage of Seth and Shem. They were the sons of God and they spoke with him and administered His laws. They knew His will and administered His government among men. That is why they were called the enlightened ones. They recorded in the temple of Solomon some of the things that God had taught them.

Jezebel brought her Edomite Priests into Israel and 1™them into the temple and all the holy houses. These false priests stole some of the knowledge that the genuine enlightened ones had. They then appropriated the title of enlightened ones unto themselves.

This false Illuminati line then went underground from time to time and finally surfaced again in Europe under the leadership of Adams Weishaupt who was a Khazar. The signs and tokens he used were from the temple of Solomon although changed slightly in order to deceive the people.

The five-pointed star with the single point extending upward was used in the temple. The points on the sides depict a man standing with out-stretched arms looking to heaven for assistance. Lucifer and his followers take the same five-pointed star and turn it upside down. The two points extending upward are the two horns of the ram. The two points extending outward are the ears of the ram, and the single point extending downward is the snout of the ram. The ram and the pentagram are the sign of the Anti-Christ.

The Counterfeit
Lucifer and his followers have taken the holy symbols from the temple, turned them around, and then used them to deceive us into thinking that they are the true representatives of God, "the Enlightened Ones". We can examine every symbol and see where it has been changed just a bit.

The individual members of these groups are honest, dedicated people who believe in God and are acting in good faith. Some of the top echelon, however, understand these things which we are discussing.

The one-world conspiracy facing us in our day is a culmination of the mischief wrought by Cain and his descendants down through the Hittites, the Edomites, and now the Idumeans. The goal of this group who worship Lucifer, the outcast from heaven, is to steal the birthright and rule the world by force in accordance with Lucifer's original plan.

The Big Lie
Those of the higher echelons of these groups are taught that Christ was the impostor. They say that his apostles used a sponge with a drug on it to cover his mouth and nose so as to induce a coma and
give the appearance that he was dead. Three days later, according to them, the apostles entered the
tomb and gave Christ the antidote to the drug. Having thus brought him back to life, they took him
to India where he allegedly died at age 82.

This story varies from time to time in its details but generally follows the same line. These stories
and other teachings of these groups originated with the false Messiah, the AntiChrist who is trying
to get the birthright he lost because of unrighteousness.

Our goal in this portion of this material is to point out that the "Jews", as many believe, are not the
real trouble makers in the world. The Jews are not the creators of these worldwide problems unless
we mean by the term "Jews", those of mixed blood. Most of the conservatives in this country have
been misinformed regarding the issue.

**The Real Enemies of Freedom**

THE ENEMY IS THE ANTICHRIST, I.E. CAIN UNDER LUCIFER'S
DIRECTION, who used the bloodlines that we have been discussing: THE
DESCENDANTS OF CAIN AND THE IDUMEANS AND KHAZARS WHO HAVE
MIXED THEIR BLOOD WITH THE CAINANITES. THESE LINES LOST THE
BIRTHRIGHT LONG AGO AND IT IS THEY WHO HAVE BEEN THE
CONSPIRATORS SINCE THE BEGINNING OF TIME. They have been trying and
will continue to try to destroy the pure bloodline by interbreeding and by causing
wars for its destruction.

The Semitic peoples, with few exceptions, have always been the ones involved with these wars.
How does this happen? The Khazars stir up unrest among the Semitic peoples, and, once there is a
war going, the Khazars, who control the banking systems, make billions of dollars by selling
weapons of war to both sides. Also, every time there is a war, some tens of thousands of males of
pure blood are killed and many mix their seed with the mixed blood of other nations of the world.

**God Loves All His Children**

All nations are special to God and all have an important and special history and place in the world.
No man should be in bondage to another, nor deprived of the basic rights to life, liberty, and
happiness except as punishment for crime.

**Nationalism**

Each tribe or nation should have enough pride in its own history and accomplishments to keep itself
clean and pure for their children's sake from generation to generation. There need be no animosity
over such issue.

Cain has his own nation and can rule within his own tribe as can all tribes. Israel has the birthright,
or right to administer God's laws on earth to those who wish to submit to God's Kingdom. Israel can
rule in his own nation and he can rule over other nations when they so desire and submit voluSoily
or when they apply to live within the boundaries of his land.

**America The Birthright Nation**

America is the birthright nation established and paid for by the blood of the descendants of Seth,
Shem, Abraham, Isaac and Israel (Jacob). Those of this birthright lineage are bound by covenant to
serve the God of Abraham, Isaac, and Jacob.

The organic laws of our land were framed on the eternal laws of God and all who would dwell
within her boundaries must abide by those laws or leave. If they choose to remain and disobey, they
must surely be judged by those laws and suffer the penalty.

**The Ultimate Consequences**
The sword of judgment hangs over our land because we have broken the covenants we have made with God. We have allowed the AntiChrist to gain power in and control over our government. We have stood by while the AntiChrist has established alien and unholy standards for our people. The heathen practice of killing the unborn now has spread throughout our land, and sends up a stench to heaven from every city and town in our country. The chains of oppression and bondage hang around our necks once more.

All men are subject ultimately to God's laws, be they heathen, saint, believer or unbeliever; for His judgments are just and unchanging.

These judgments are at hand!
An intimate look into what has caused the United States to change from a Christian Constitutional Republic, into a Democratic Welfare State, headed for the dictatorship of the New World Order, and the FORMULA FOR OUR SURVIVAL as a free and Christian people!

"Where there is no vision the people perish". - Proverbs 29:18

This message will take a close hard look at some of the unpopular facts which are ruining our nation. You may not like what you read here, and I do not expect you to believe what I say, merely because I am considered an expert in the field of "brainwashing". I do ask however, as intelligent Americans, of every race, creed, and color, that you take what I say and place it under the most powerful magnifying glass of truth you can find. (If you are a Christian, this of necessity must be the Holy Bible). Then when you discover I have told you the truth, allow nothing to stand in the way of getting this information to our people. Unless our decent people are willing to face these unpleasant facts, no matter how dismal they may be, there is little hope for a free America.

Have you ever wondered why in a so-called free Christian nation such as America, we would arm our worst enemies and waste our hard earned money on those who hate us? Can you explain why in the past fifty years our government has told us that America has been the mainstay in stopping the inroads of International Communism. Yet this is an observable lie, for on at least fourteen major occasions, that I can think of, when the Communists were on the verge of economic collapse, it was Uncle Sucker, using your tax dollars, who bailed them out and placed them back on their feet.

While our government was spending hundreds of billions of our tax dollars to arm us against the Evil Empire of Communism, the traitors in Washington, were keeping them alive and healthy, as we fed them when they were short of food, so that their men could remain in the war factories, instead of being on the farms. We clothed them when they were naked; we built their great arm industries; the steel industry at Gorki, many times greater than our own at South Bend; we built the Ford factory on the banks of the Kama River, that produces more trucks than all our factories combined. We built their hydro-electric plants, that power their factories and light their homes.

I realize that we have been told by the media and our government that Communism is dead, and that we do not have to worry about them any more. But our military leaders know this is not so. They know that every country that broke away from the Soviet Union, is now under the control of "hard-nosed Communists", usually Jews, as they were before the Bolshevik Revolution. They know that while we have been disarming at an alarming 30% per year, the old communist world is re-arming with aggressive type weapons. While we have not built a nuclear sub in two years, and most of ours were disarmed on Presidential order, they are building two per quarter. While we have built no new carriers in five years, they are turning out super-carriers at the rate of two per year, and I could go on and on.
And today, we see our government making the same obvious mistakes in Korea, they made before the 1950 war. Just the other day I read an AP report which stated that the North Koreans dared not attack south, since with our superior weapons we would wipe them out in three months. This was the same stupidity we showed in June 1950. At that time, I was working as a military advisor with the South Korean troops north of Seoul. For six months we saw the build up of North Korean forces and reported it to the State Department. Over and over again, I was laughed at, when I reported large troop movement and heavy tanks seen north of the Parallel. The State Department Liaison Officer would say: "Mohr, you're paranoid, you see a communist under every rock and behind every bush". And I did, because they were there!

Later when it was proven that Ambassador William Muccio and several of his top State Department men had withheld vital information from General MacArthur's Headquarters in Tokyo, they were all promoted, and Muccio was sent as Ambassador to Iceland. Because I "blew the whistle" on them, I came under government harassment.

On June 26th, 1950, I became the first American wounded in Korea, when I was hit by shrapnel from a Yak fighter attack on the airfield at Su'won. They flew me to Japan to get patched up, and I flew back to Korea on July 1st, with TASK FORCE SMITH, the first contingent of American ground troops to enter the war. They were supremely confident, boasting that the North Korean troops would break and run when they found Out they were fighting Americans. I tried to tell them that they were up against veterans who had fought with the Red Chinese and Japanese during WW II, but they would not listen. Ten days later, I watched as the few who remained, less than a hundred, staggered into the airport at Tague, sadder, but much wiser. They found that our superior tanks, could not match the Russian supplied T-34's and that our outdated I05mm howitzers, were out ranged by 10,000 yards, by the 122mm Russian supplied cannon.

But like now, the "powers that be" who control America, had decided on war, and nothing could stop them. We are headed for the same situation now and many places are available, for war to break out, since we have began to dabble in United Nations actions.

Can you understand why Christian Americans would tolerate an alien, anti-Christ political force in Washington, D.C. which intimidates our government, our politicians, and certainly many Christian preachers, and which each year, "milks" our people of billions of dollars, under the guise that they have a "special option from God to do so?"

Why is it that ministers of the Gospel who will often take a stand against evils such as abortion and pornography, quail at the very thought of tangling with the men who promote these evils and who they know stand against everything they claim to believe as Christians?

What has happened in America, in the past fifty years, which has caused Christians to lose that virtue which was once "Standard Operating Procedure" with our people? I'm referring to "righteous indignation", the ability to discern between "good" and "evil" and the "guts" to take a stand against it?

One of God's complaints against the "shepherds" of Israel, in Isaiah 5:20 was: "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter." Vs. 23 - "That justify the wicked for reward (bribes), and take away the righteousness of the righteous from him".
This is what has happened in many of our churches. You cannot promote God's enemies, and expect His blessings, no matter how powerful a preacher of salvation you may be!

Could it be possible, do you suppose, that a large majority of Americans are suffering from a malady that some call "brainwashing?" which completely confuses people until they believe something that deep down inside they know is a lie. Jesus indicated that this state would increase to the point where those who killed and persecuted Christians, would feel they were doing God a favor.

Could it be this "brainwashed" state that is causing Christian Americans to have such strange priorities in their lives? to where they will favor evil men and harass those who are bold enough to warn us of the dangers we face?

Is this why Christians often have such strange priorities in their lives, that they will favor evil men, and harass those who try and warn them of danger?

We are living in the precarious times spoken of by the Apostle Paul in 2 Timothy 3:1-5, where professing Christians often have ". . . a form of godliness, but deny the power thereof; from such turn away".

Today, as never before in our history, Christian Patriots are under a vicious attack, often by the established denominational church. It appears as though the controlled media is engaged in a gigantic campaign to "brainwash" the uncommitted into believing that Christian Patriotism is bad. (This is especially true, if you happen to belong to the Christian Identity persuasion), and even good, decent pastors are inclined to give false information about a Christian group they know very little about. The media loves to dwell on the small groups of extremists that pop up here and there, while completely ignoring the presence of hundreds of thousands, of enemy agents who have been in this country for decades.

I have often felt the wrath of the liberal media, when I attempted to tell our people the truth about what was happening behind the scenes, which the media refused to reveal. It was not at all unusual, to have them deliberately lie about what I said and twist my statements to make me look bad. This has been the experience of many devout Christian patriots.

It is almost as though they think it is a sin for a man to warn our people about the dangers we face, and seek to put some spiritual backbone into our people, so they will "stand for something, rather than fall for anything!"

My experience with the media has proven that for the most part they are "harsh and warped" in their thinking and callous in their actions. They care little about what they do to a person's reputation, as long as they can come up with a sensational story. As far as I'm concerned, most of these should be beneath the contempt of decent Americans. Their thinking at high level can be seen in a statement made by Walter Cronkite, the "guru" of the news world. When asked what he thought about truth in reporting, he replied: "My task is not to speak the truth. I am an opinion molder."

Patriotic Christians, especially those of the Identity persuasion have been labeled as "racists" "bigots", and "hate mongers" by the vk, a people who spew out hatred with every breath they breathe.
Sir William Drummond, an English philosopher once said: "He who will not reason is a bigot; he that cannot reason is a fool; he that will not reason is a slave". The truth of this statement indicates that the majority of our media are "slaves," or maybe "prostitutes" would be a better term to use. For the people they work for, are according to their own admission, engaged in the "mental subversion" of the world to their New World Order.

The prophet Hosea once said (4:6), "My people are destroyed for lack of knowledge". Notice he did not say "lack of education", but "lack of knowledge". There is a world of difference in these two. I realize that in a world which is "dedicated" to education for everyone, this is heresy, but you can have a string of degrees behind your name, and as the Apostle Paul said you are: "Ever learning, but never able to come to an understanding of the truth". (1 Timothy 3:7)

Knowledge is not just the ability to read, it is the ability to assimilate the truth and come to a reasonable conclusion regarding it. You don't get this kind of information by sitting in front of the "Boob tube", or reading the daily newspaper.

Many times, as I approached this subject, I have been accused by the media of being "prejudiced". I doubt that many of them know what this term means. It comes from the Latin word "predicium" which means: "To form an opinion, without knowing the facts". I can assure you that this is not the case in the "brainwashing" issue, for I have spent hundreds of hours in studying the problem from both sides.

Whether you accept the facts I present will be entirely between God and you. But if you are honest enough to read this message, you will never be able to stand before Him and say: "I never knew!"

I will not attempt to cram facts "down your throat, for I learned long ago, that I am not to be the PERSUADER. That is the task of the Holy Spirit. lam however, a "watchman on the walls of Israel America, and ala Ezekiel 3 and 33, I have the definite task of warning my people of danger. The Bible says that if you hear my warning and do not heed it and get hurt! "Your blood will be upon your own head!"

During the Korean Police Action, 1950-53, a new word was introduced to the English language. It was "brainwashing". Our enemies in Red China had a more descriptive term for it, they called it "thought control". They introduced it to their people through a science called PSYCHOPOLITICS, which is the "art of controlling the thinking of an entire body of people, so that they will obey you without question".

In this message, I will show you, beyond the shadow of reasonable doubt, that this country we love, and the other nations of Christendom, who represent "true Israel," have been singled out for the Satanic purpose of destroying us, and the Christian civilization which has brought so many blessings to the world.

Then I will give you some workable suggestions, taken from our Guide Book, the Holy Bible, which will allow you to face these problems and become immune to, or overcome them. You have my guarantee that these will work, if they are honestly applied.

By the time I have ended this message, I believe you will have a better understanding of what I mean, when I state that the English speaking world in particular, has been chosen by the enemy in his vicious attack to "wipe out White Christian Civilization".
Some Christians immediately become "touchy" when I say "White Christian Civilization," as though I meant that salvation did not apply to all. This is not my meaning! But if you are honest, you will have to admit, that only the White nations have openly responded to the Gospel message. Colored nations have only been reached at great expense, effort and often danger. Only the White nations have founded their constitutions on God's Word; in them alone, is a day set aside for the worship of our God, and the rest of the body. A well-known atheist once said: "The strength of England can be found in their Sunday day of rest and worship".

In recent years, in America in particular, there has been a plan underway in our education system and the media, to make White folks ashamed of being White. We are to be indoctrinated with a "guilt complex". While it is perfectly acceptable for a Black to believe and preach that "Black is beautiful," for a White to do the same will bring cries of "racist" from the press and pulpit.

While it is considered proper for a Jew to talk about his Jewishness, and his "Chosen People" status, (and many so-called "converted" Jews still refer to themselves as Jews), you are considered to be a "religious bigot," if you believe that the White people of Christendom, are the Chosen One's of the Book.

As the result of this strange "lopsided" thinking, and because most of us have been sloshed around in the "liberal mind-detergent" of our times. (This is a mind cleaning detergent made up of one ounce of fact, dissolved in a gallon of hogwash"), we have seen a strange and very sad thing happen in America, as our White boys and girls are being taught to be ashamed of their heritage.

While I am not a "racial supremest", I am a "racist" if believing in one's own people and wanting to help them, makes one so I go by these observable facts and many more:

1 - Only our people (White) have openly accepted the Gospel.

2 - Only our people have abolished slavery. England first in 1854, followed by the United States in 1865.

3 - Our nations send out 98% of all Christian literature and missionaries.

4 - Our nations are the one's which feed the world's starving.

5 - Our White nations are the one's who send aid when there has been a great catastrophe.

6 - Only our White nations have based their governments on God's Law.

All these, my friends, are scriptural "fingerprints" which will identify "true Israel" in the closing out days of this age. There are over 200 of them, and the people we know as Jews, do not match up to a single one.

The scriptural facts concerning "true Israel", is one of the major reasons I believe in Israel Identity. I came out of fundamental Baptist "denominationalism", after fifty years, twenty as an evangelist, and with two high degrees in religion. My mind was so encased in hardened "denominational cement", that it took the "dynamite" of God, through a traumatic incident, to blow it away to where I would accept the full truth of the Word.
After twelve years in Christian Identity, I would never go back to the "weak and beggarly elements" of Judeo-Christianity. It would be like a "dog returning to his vomit", (2 Peter 2:22).

If it makes you feel proud to see the accomplishments of the White Christian world, then my friend, according to the present "political" doctrine, you are a 'racist'!

Since the time of Christ, the Christian world has been under relentless attack by the anti-Christ doctrine of Judaism. It was this force that brought into being, paid and led, the Satanism of communism which has murdered over 140-million people. (Talk about your real holocausts). Jewish leaders brag of this.

The Jew, Marcus Eli Savage, in the Century Magazine, January 1928, says: "We Jews are at the bottom of nearly all your wars; not only of the Russian but of every major revolution in your history . . . We did it solely with the irresistible might of our spirit, with ideas and propaganda".

Oscar Levy, in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION says: "There is scarcely an event in modern European history that cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers, it's destroyers, its incendiaries, its executioners".

The AMERICAN HEBREW, largest Jewish newspaper in the United States, 9/10/20 said: "The Bolshevik Revolution in Russia was the work of Jewish brains and planning, whose goal was to create a New World Order. What happened in Russia, through the same Jewish mental and physical forces, will become a reality over all the world".

In another issue of the AMERICAN HEBREW it said: "The ideals of Judaism are consonant (in agreement) with the finest ideals of Bolshevism". (And you wonder why so many Jews are Communists).

These same anti-Christ's are at work in America, striving mightily to destroy the freedoms our forefathers fought and died for. While many intellectuals sneer at the idea of a conspiracy going on now, they will admit there have been many conspiracies in history. But it won't happen here!

The nations of Christendom are unique among all other nations of the world, because their laws are based on the premises that there are certain "God given rights" which are outside the scope of governmental control. Since these rights come from God Himself, they are known as "inalienable rights". Government may not tamper with these in any way, shape or form.

There are four major rights we have in America, which form the foundation of our Constitutional government:

1 - The RIGHT OF THE PEOPLE TO KEEP AND BEAR ARMS, as found in the Second Amendment. A freedman has always had the "God given right" to protect himself, his family and his property from the depredations of evil men, whether they be "run of the mill" criminals, or a criminal government which seeks to run roughshod over the rights of it's people. The government criminal, acting within the protection of the Law, may be more of a danger to you than the man who seeks to break into your house and rob.
you of your belongings. This is the principal reason this Amendment was included in the Constitution. It was not for the rights of a man to hunt, or have a gun for target practice, but as a "last ditch stand" of the Freedman against a government which has run amok. Our Founding Fathers stated that if the time ever came, when our government began to take away our God given rights, then it became not only our RIGHT, but our DUTY to throw out that government and install one which would protect the rights of it's citizens.

2 - THE RIGHT OF WORSHIP WITHOUT STATE CONTROL. This country was never meant to be a "pluralistic society". It was set up as a Christiane sntry, to protect the rights of Christians to worship God according to the dictates of their conscience. The documents which founded every state prove this! Many of them specifically state that they were formed: "For the glory of God and the propagation of the Christian faith." Other religions have obtained freedom under our system. They do not have this freedom under Jewry or Moslem rule.

3 - THE FREEDOM OF SPEECH, PRESS and ASSEMBLY, and last, but not least;

4 - THE RIGHT TO OWN PROPERTY.

There are many others, some incorporated in the BILL OF RIGHTS, but these four are the cornerstones on which the foundation of America was laid. These were the rights our forefathers demanded from the tyrannical King John of England, when on a foggy day in the year 1214, at Runnymede, England, the British freedmen, sword in hand, forced the king to sign a document called the MAGNA CHARTA. They did not do this on bended knee, but stood "sword in hand" and demanded their God given rights.

Since that time, the nations of Christendom have been unique in their concept of freedom. We must remember that FREEDOM is a fragile thing at best. Benjamin Franklin, the senior statesman of America once stated: "He who values security more than his freedom, deserves neither".

Our Christian people for the most part, have forgotten this advice in these "latter days". The abortion issue is a good example. We have well meaning people in America, who cry great crocodile tears over the fate of baby seals in Newfoundland, yet see nothing wrong with the murder of 2-million unborn babies every year by abortion. Entire communities come together to rescue a few whales trapped in the ice, and spend millions to free them, while others cheer from the sidelines. Yet the feeling of millions of young Americans, es,uding many Christians, can be summed up in the words of a beautiful co-ed at Ohio State University, Columbus, Ohio, who questioned me during an after speech Question and Answer Period. She said: "If we can't have abortions and contraceptives, how will we handle the population explosion". When I asked her if she had ever heard of such a thing as "self-control", you would have thought from the crowd reaction, that I had slapped her in the face. Here were about 800 young Americans, ready to make their way into adulthood, who did not know that they had "freedom of choice" to decide whether they wanted to do "good" or "evil". They had been taught that everything they did was conditioned by their environment, and that they had no moral choice. How sad, and how terrible will be God's punishment on those who have taught them these falsehoods.
Later, I found that the young woman who had asked this question was head of a committee dedicated to saving baby seals, yet she could see nothing wrong in the murder of 2-million unborn babies in the abortion clinics of America. She had been taught that it was a woman's right to control her own body, even if it meant breaking one of God's major Laws. "Thou shalt not commit murder!"

Many Americans will take a stand for some "pet right" and ignore others. This is extremely dangerous. All our freedoms are so intricately woven together into the fabric of our well-being, that if we neglect one, a deterioration process begins, which in time will destroy all of them.

This principle was understood by a well known American patriot named Davy Crockett, who in 1833, took a military force of 1,000 Tennesseans on a thousand mile cross country trek to fight at the Alamo. When they arrived, the Texicans said: "Davy, why did you come? This isn't your fight!" And Crockett said: "I've made it my fight!" Why? Because he knew that if freedom was destroyed in Texas, it would only be a matter of time until it was destroyed in Tennessee.

The same is true in 1994. If we allow the enemy to destroy South Africa, (and in this case the enemy is our SHADOW GOVERNMENT), the same force will in time destroy America, using the same methods. If the SHADOW GOVERNMENT can take away the right of parents in Nebraska to "home school" their children, they can do it wherever you are.

In America today, we are under attack from foreign, anti-Christ forces, headed by such organizations as the Anti-Defamation League, of the Jewish B'nai B'rith, which is an unlicensed agent of a foreign country (the Israeli), that has been operating illegally on American soil, with government approval. They have become the official advisor of our Justice Department in their dealing with Christian patriots and for all practical purposes run our State Department in their handling of foreign affairs.

When you read in the media, which is controlled by this same foreign, anti-Christ power, that the government is taking action against some Christian patriot, or group of patriots, invariably you will see some statement from "Abie of the ADL". LOOK AND SEE FOR YOURSELF! These are the people who have set up laws forbidding "paramilitary" training, while carrying out this same training in at least seventeen states free from government harassment. Let a group of Christian patriots attempt to do this and see what happens!

But such is the strength of this alien enemy in the halls of our Congress and in the subverted Judeo-Christian churches of America, that our leaders are afraid to stand up and fight against them, for it is the "kiss of death" to any politician, or pastor who has the courage to resist them.

That's why there is so much "butt kissing" of Jews in Washington. That's why President Clinton has appointed many of them to high government positions, while he has not appointed a single Anglo-Saxon Christian. I remember seeing a cartoon a few weeks ago, where the President was sitting in the Oval office. A flunky came and said: "Mr. President, the Pope, and a high Israeli official are waiting outside. Which one do you want to see first?" To which the President replied:

"Better send in the Pope. I only have to kiss his ring!"
These anti-Christ are being aided in their efforts to destroy Christian America by the members of the Council on Foreign Relations (CFR) and the TriLateral Commission, whose goal is to bring about the Jewish New World Order. These are all working towards the enslavement of Americans.

The reason our British forefathers put such rigid controls on King John, 775 years ago and then continued them in their Constitutions, was that they were not only Statesmen, they were also Historians. They realized that history proves that governments left to themselves, always seek control over their people, under the guidance of unscrupulous men who will gain by it!

The founders of our government took steps to protect the rights of Americans against such a government, in the remarkable document we call the BILL OF RIGHTS. (It could rightfully be called a BILL OF LIMITATIONS, for that is what it does to government). The first nine amendments say in essence to big government: "THOU SHALT NOT! THOU SHALT NOT! THOU SHALT NOT!" Then the Tenth Amendment, says it all by saying in essence: "Government, if there is anything we forgot in the first nine Amendments, you can't do that either, without the permission of the people". By following these principles we have remained relatively free for over 200 years. But now, evil men in the government and a group in Congress known as the M.C.P.L. Members of Congress for Peace Through (World) Law, are pushing one agenda; One World Government, under Jewish control. Remember, that all these men have taken an oath of office to protect and defend our Constitution against ALL enemies, both foreign and domestic and they have not done this. To all intents and purposes, according to the definition of our Constitution, Article III, Section 3, they are TRAITORS! and should be dealt with accordingly!

Have you ever wondered why the 2nd Amendment, the RIGHT OF THE PEOPLE TO KEEP AND BEAR ARMS, is under perennial attack? It is because this Amendment is the foundation of ALL our freedoms. The great international lawyer, Fredericky Sciat, in his book THE LAW, states: "Each of us has the natural right - from God - to defend his person, his liberty and his property. These are the three basic requirements of life: the preservation of any one of them, is dependent on the preservation of the other two".

Civilization has been based on this premise for the past 6,000 years of written history. Once the right of a freedman to protect himself, his family and his property against anyone is taken away, he becomes a slave!

The Communist Lenin knew this when he stated: "A system of licensing and registration of firearms is the perfect device to deny gun ownership to the bourgeoisie."

One thing the "free world" should have learned a long time ago, is that you can't play "patty cake" with a rattlesnake without getting bit!

We have in America, many people who are either so "naive" or "brainwashed" that they believe if all tiger hunters would hang up their guns, the big cats would turn into vegetarians over night. But here is a fact of life, they refuse to face. No matter whether you view a tiger as a "pussy " or a "beautiful animal", he is still a tiger. His tiger appetite for flesh and blood is as much a part of his tiger nature, as his stripes and when you live in a district where "man eating" tigers roam, sensible people go armed! The same is true when dealing with criminals or government traitors!
The liberals in our government who have such lovely dreams of the future, simply can't understand that you can't legislate "equality" by law. That's the main reason they have pushed their "integration programs". It is not to help the Blacks, or other Minority people, but to accomplish the "mongrelization of America"! You see, these men are also historians and know that history proves that whenever a people become "mongrelized" they are easier to control and are on their way to destruction. (Don't argue with me about this, check your history books!) Every great civilization that has existed in our 6,000 years of written history, has had to learn this lesson the "hard way".

Whether you are willing to accept it or not, it is an observable fact, that the aliens who have flocked illegally into America in the past thirty years, have become an albatross around our neck which is sinking us. They have not been a blessing to us!

During one period in the 19th Century, over 40-million immigrants flocked to these shores in the greatest immigration of all times. Almost 100% of them came from the White Christian nations of Europe. While their spoken language was not always the same, their heart's language was! Their ideas concerning freedom, religion, morals, integrity, womanhood, the family and the work ethic, were very similar.

But the immigrants who have inundated America in the last thirty years are for the most part alien to everything America stands for. They are heathen in concept, anti-Christian in religious belief, and most have come for what they can get from our government, not what they can contribute to the country.

Foremost among these aliens, have been the Jews, especially those from Russia, who are socialist in their thinking. They have flocked into America by the millions, settling in large cities like New York, Los Angeles and Miami. (The Jewish population of New York City, is now more than that of the entire country of the Israeli). 50,000 a year are coming in now!

The thinking of the leaders of this alien mob can be seen in their perpetration of wars without number. The Chief Rabbi of France, in 1859, Rabbi Reichorn, stated at the funeral of a prominent rabbi: "Wars are the Jews' harvest. With them we kill off the Christians and gain control of their gold. We have already killed 100-million of them, and the end is not yet!" This is the thinking of the International Jewish mind.

Remarking on the Civil War, the noted German political philosopher, Otto Von Bismarck, said: "The division of the United States into two federations was decided long before the Civil War by the high financial powers of Europe. (These were Jewish bankers under the banner of the Rothschilds). The European bankers were afraid the United States would attain economic and financial independence and upset their financial domination of the world. They foresaw tremendous booty if they could substitute two feeble democracies, indebted to Jewish financiers. They made the rupture between the North and South, and Lincoln never suspected it! But later on, when he learned their plans and understood that the South was not the real foe of the Republic, but the Jewish financiers; he decided to eliminate the international bankers from the American scene, and for this he had to die! The Jews have never hesitated to plunge the world of Christianity into wars and chaos, in order that the world may become their inheritance" (UNQ).

After the war, the South was turned over to the "mad dogs of the Northern Abolitionists", who more often than not were Jews. These fattened themselves off the
misery of the defeated South. President Jefferson Davis of the Confederacy was captured and charged with the assassination of Lincoln, and kept in inhuman conditions for two years, on orders from a mysterious source outside the government.

I am not anti-Semitic, or even anti-Jewish as such, but the fact remains that this people, at least on the part of their leadership, have no conscience. The Apostle

Paul pretty well described them in 1 Thessalonians 2:15, when he said: "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (the Christian church); and they please not God, and are contrary to all men."

During World War II, General Patton who was my commanding officer once stated that he thought we had fought on the wrong side in that war. I have come to believe this! For we were subverted into fighting on the side of Jewish communism, against everything we believed in as a Christian nation. Gen. Ulysses Grant tried to outlaw Jews from Union Army camps during the Civil War, because of their immorality and crooked business practices. His order was mysteriously rescinded by some secret power in Washington, which superseded the military and the American Congress. When Gen. William Sherman complained about the "swarms of Jews who prayed on the Union Army, robbing and cheating". He was told to "shut up!"

Farmers and laborers are one of the number one targets of the International Jews, who hate "work". Their religious book the TALMUD, refers to those who work with their hands as the lowest kind of humanity. So the International bankers steal from the farmer and allows him to live, only because they can make a profit off his labor. If this is not true, explain, if you can, how the American farmer can make $25-billion a year off the "sweat of his brow", while the Jew middle-man who sells what the farmer produces, makes $250-billion?

Why are non-Jews in America afflicted with food products which bear Kosher approval of Jewish rabbis, the K and U you find on food products. If Christians were to insist on a Christian standard for foods, the Jews would be the first to cry out about "prejudice, or separation of church and state!"

Why should farms be confiscated by an alien power and resold at pennies on the dollar to the aliens who caused their collapse? I dare you to take an honest look at those who have Stolen our farms!

The Jewish historians have frantically tried to obscure the fact that their people have never been the productive ones. They have never been the builders, as one of their own writers said: "We Jews are the destroyers!" Yet under Zionist pressure, we are dumping over $5-billion a year into the Israeli economy, and through them supporting the Jewish led countries which broke away from the USSR. The banks that loan the Israelis, the Communist countries, and the Third World nations billions yearly, at rates of 3-5% interest, with no payments for the first ten years, are the one's who are foreclosing on American farms and businesses.

The reasons the enemy wants to destroy farmers and small businesses, is that you are the "backbone of the nation; you are the glue that causes America to hang together; you are the people who made us great! You are the conscience of the nation!" Wake up to your responsibility!
I do not advocate annihilation of everyone who disagrees with us. That's not only un-Christian but ridiculous. But we have the right to say to the Jews and aliens in our midst. If you want to live in peace within our borders, as productive citizens, and enjoy the freedom and security you will find nowhere else, then dwell in peace! But when you begin to interfere with our Christian way of life; when you attack our Christian principles; when you tell us what we can and can't teach our children in the public schools, or what Christian displays we may use on our Christian holidays, then you have outstayed your welcome and we have the right to ask you to depart. If you will not do so peacefully, then we should "throw you out!"

I'm sure that many of our problems come from a lack of understanding of the basic principles of freedom, for although we are an educated people, that does not mean we are knowledgeable. Someone once truthfully said: "Education without God, turns men into clever devils". And it often appears as though this is the goal of modern education. It certainly is not to develop Christian Americans.

We are inundated by men in position of responsibility, who are in the words of the Apostle Paul: "Ever learning, but never able to come to an understanding of the truth", (1 Timothy 3:7).

According to Isaiah 56:10, 11, the D.D. behind many preacher's name could well stand for "Dumb Dog" instead of "Doctor of Divinity".

I believe there are several reasons behind this lack of understanding on the part of our people. One is that the leadership of America, under the apathy of it's citizens, has sunk to a new low level. If you don't believe this, look at the level of appointees that have been elevated to positions of responsibility within the Carter Administration. They are top heavy with anti-Christians, non-Whites and sexual deviates.

It seems to me that our current crop of politicians in "le cesspool Grande on the Potomac," are more interested in promoting themselves than in the welfare of the country. As a result they will "sell out" to anyone who has the money, and are willing to pay for their TREASON.

Second, our people as a whole, Christians foremost, have become mentally lazy and apathetic. It has become much easier to sit before a TV screen, or read a newspaper for our education, while you will find very few Christians who will look into the Bible for the answers. When they come to a place that is difficult to understand, they trot to their minister, who tells them what he was taught in the seminary. Maybe it's right, and many times it's wrong! After all, we reason. The pastor is educated. That's why we pay him. We can trust what he says! Yet we neglect scriptures such as Jeremiah 23:22, which clearly indicates that if the pastors would "preach the whole counsel of God's Word, the people would turn from their wicked ways". This by no means has happened, which indicates to me that something is terribly wrong with the preaching coming from our churches.

As a result, our churches are turning out a crop of Alka Seltzer Christians, who come to church and "fizz" for an hour or two on Sunday, while the rest of the week they can't be distinguished from the worldly crowd.

They are no doubt the Christians Jesus spoke about in Matthew 5:13, when He mentioned the "salt which had lost it's savor," (it's ability to act as salt and hold back
...corruption).

Then too, the American people are continually attacked by an enemy strategy called "mis-information." In the words of an old Arkansas hillbilly: "It ain't from knowin' so much that causes the trouble; as it's from knowin' so much that ain't so!"

We should always remember that we will not lose our freedoms at 3 a.m. when there is a knock on the door and we open it to a man in uniform with a Tommy gun in his arms, who says: "Come with me to the concentration camp". We will lose it when people like you and I see things which are wrong in our local government, our schools, and our churches, and turn back to the TV saying: "I'm just an individual, you know, and everyone knows you can't buck city hall". When enough of us feel that way, we will hold the funeral for freedom. We will take her to the cemetery and bury her, and over her grave erect a headstone with this epitaph: "America died! Because our Christian people didn't want to be bothered!"

Believe it or not! I have just completed the introduction to this message.

One of the first things I noticed when I began an intensified study of the Zionist-Communist conspiracy in 1978 was that it was an almost 100% Jewish effort. This was what caused me to investigate in the first place. I had been raised in a Judeo-Christian fundamental Baptist church, where it was apostasy to say anything derogatory about the Jews. But during the Vietnam War years, I was lecturing for the John Birch Society on their American Opinion Speakers Bureau, and worked the college circuit, where I had at least 25 confrontations, some quite violent, with those radicals who were tearing the college campuses apart. To my amazement, I found that 100% of the leadership of these groups were young Jews from wealthy families.

So in the summer of 1979, I took off several months to study this phenomenon, going to Jewish sources for my information. I found to my amazement, that Jewish leaders bragged of their part in making the Communist Revolution in Russia a success. In fself Rabbi Stephen Wise, top Jew in America, when asked what he had to say about Communism, replied: "Some call it communism, I call it Judaism!"

I was amazed that every time I lectured on communism and related evils, the media labeled me as "anti-Semite", although I had not mentioned, Jews, Judaism, or Zionism.

My studies indicated that long before the Zionist-Communist conspiracy took over in Russia, the enemies of Christianity had laid down plans for the destruction of two great Christian nations on the European Continent. They believed that Russia and Germany had to be destroyed before they could conquer the New World and advance to World power.

As a result of this thinking on the part of Zionist leaders, a plan was evolved among the International Zionist gangsters, long before Hitler appeared on the scene. It called for the neutralization of Germany and set the stage for World War II.

This war, like World War I, was waged for two primary purposes. First, the strengthening of Jewish claims on Palestine, which would result in the foundation of the Israeli state in 1948, and secondly to kill off as many Christians as possible, while weakening them economically. This brought to mind the statement by Rabbi Reichhorn, mentioned earlier: "Wars are the Jews harvests. With them we kill off Christians and we
have already killed 100-million of them, and gain control of their gold".

So we saw a strange thing take place in Germany, as the International Jewish bankers supported both sides in World War II.

Many admirers of Adolf Hitler, and he had some good ideas for Germany, are extremely touchy about this subject, but I have studied it from both the Nazi and anti-Nazi sides and am convinced that the World Zionists brought Hitler into power for a specific purpose, which was the ultimate destruction of Germany.

I doubt that Hitler knew about their plan, for they used him as they have used many other leaders, and he was desperate for funds to use in his German renovation program. These International Zionists were willing to sacrifice any number of their "lesser brethren", so that their plans for world conquest would succeed. It takes a Satanic mind to plan for the destruction of your own kind, but this in essence was what Jesus accused the Jewish leaders of in Matt. 23:35, when He said they were guilty of all the righteous blood that had been shed on the earth from the time of Cain, until the time of Christ." Then he elaborated in John 8:44. The question is, church member, who are you going to believe, your pastor who calls these anti-Christ's God Chosen, or the Son of God who openly declared them to be the "sons of Satan!"

Hitler was not hated by International Jewry because of what he did to the Jews in Germany, but because he became the first leader of any major country, who bucked their plans and for this he had to be destroyed.

When you take time to study World War II, in all of it's ramifications, you can understand why General Patton said in disgust: "I believe we have been fighting on the wrong side!" Certainly neither this war, or World War I, were fought for the welfare of our American people, or for the benefit of world-wide freedom, no matter what our historians have told us to the contrary. They were Zionist conceived, Zionist directed wars, by which they "killed off the Gentile goyim, and gained control of our wealth".

During World War II and since, the leaders of the Communist world, which means Jewish influenced men, have treated the Christian West with utmost contempt; which most times they have deserved. This is why Lenin predicted as far back as 1921, that they would never have to fight against us to obtain their objective of a One World Government. He said that the Christian world would become so rotten within, that it would fall into their laps like "over-ripe fruit".

That is why when Khruschev came to the United States to speak at the United Nations in New York, he was able to pound on the podium with his shoe, while screaming: "We are going to bury you!" Our educated liberal "fools" such as Professor John Kenneth Gailbraith of Harvard said: "He doesn't really mean that! He means that they will pass us economically". No wonder that when he returned to Russia, he was able to say, according to Pravda, "I went to America and spit in their faces; and they thought it was dew!"

It doesn't appear that we have learned much since those dark days.

When President Reagan was playing "patty cake" with Gorbachev at Summit meetings regarding World Peace, again according to Pravda, "Gorby" told the Russian people: "I diddled President Reagan and the American people, and we have them where we want
them now".

At the very beginning of the Zionist-Communist Movement, Lenin laid down the blueprint for their world takeover. He said they would start by taking over the land masses of Asia, then Europe, then Africa, and finally when the United States and Canada were surrounded, we will be forced into surrender or die! This of course is the old "Better Red than dead", propaganda of the N.C.C. The organized church world was so sold on this idea, that as far back as 1965, they drew up a plan calling for our surrender, before the first bomb fell on our soil.

In the early 1900's a very controversial document appeared on the world scene. Many of you have heard about it. It was called THE PROTOCOLS OF THE LEARNED ELDERS OF ZION. The Jews and their "Christian stooges" have called this document a "forgery" and I will not argue against this, except to point out that before you can have a "forgery" you MUST first have an original. The forger tries to duplicate the original as closely as possible, to fool people. So the criteria regarding this paper is not whether it is fake or not, but whether World Zionism is following it's plan. All you have to do to see that they are following it like a "blueprint" is to read it for yourself. It is "blood chilling" to read what they say they will do, and then see how successful they have become in doing it!

For example, listen to PROTOCOL VIII, and make up your mind: "In order to annihilate the instruction of the goyim (a Yiddish word means 'non-Jew' animal) before its time, we have touched them with craft and have taken hold of the ends of the springs which move their mechanisms. These springs lay in a strict but just sense of order. We have replaced these with the chaotic springs of license and liberalism. We got our hands into the administration of their law. (The Jewish Anti-Defamation League, is for all intents and purposes a part of our U.S. Justice system at this time. They are always consulted by the Department, when dealing with Christian patriots); into the conduct of their elections (see how much emphasis is placed on Jewish desires in every national election); into the press, (which for all intents and purposes is Jewish owned and/or controlled); into the liberty of the person, but principally into their education and training, since they are the cornerstones of their free existence." (Jews control the education of America, through their control of the National Education Association).

Let me stop here to elaborate briefly on Jewish control over the media. At least 909 major newspapers in America, with a daily readership of over 50-million are Jewish owned and/or controlled. Over 48 major magazines, with a readership of over 80-million weekly, are Jewish owned and/or controlled (magazines such as the Ladies Home Journal; Reader's Digest; U.S. News and World Report; Time Magazine; Newsweek, etc.)

All of the major TV networks in America, with the exception of Ted Turner's CNN are Jewish owned and/or controlled. Nine out of ten of the major Hollywood movie studios are Jewish owned and/or controlled. This is why they can put out a fictitious historical film such as SCHINDLER'S LIST, and have it win most of the movie awards. This is why the airwaves are inundated with Holocaust films, when nothing is ever said about the 140-million or more who were murdered under Zionist-Communism.

When the Jews put out their blasphemous film, THE LAST TEMPTATION OF CHRIST, Christians everywhere complained. Yet Christian leaders such as Jerry Fawell, Pat Robertson, Jack Van Impe, and Jimmy Swaggart, were more concerned that this
might stir up anti-Semitism among their people, that in what the movie did to Jesus Christ. When Robertson made a feeble attempt to get Rabbi Tannenbaum to speak to the Jewish promoters of the film and have it withdrawn, Tannenbaum was incensed, although he was one of the Jewish leaders who had asked Falwell to help them stem the "anti-Semite" backlash they knew was bound to come.

My Christian friends, no matter what church you attend, there can never be anything resembling "detente" between Christians and non-Christians, for we have been told to "come Out from among the world and be separate". Who are we going to obey, our Lord, Master and Savior, Jesus Christ, or your church leaders who have "sold Out to the enemy" and opt for "compromise? " You cannot cooperate with evil, if you love the Lord, either as an individual or as a nation and come out in the driver's seat.

This reminds me of the story I heard about the two old maids who were on vacation in the Midwest. In a large city zoo, they saw a caged black maned African lion (the fiercest of the lion family). In the cage with him were four little lambs, who were scampering around in no apparent fear of the beast. Over the door of the cage was the word DETENTE! Finding a zoo keeper, they asked; "How do you get the lion and lambs to get along so peacefully," to which he replied: "It's easy! All you have to do is replace the lambs every two or three days". The py Scway of compromise with evil is the same, as shown in Psalm 1:1 - "Blessed is the man that WALKETH not in the counsel of the ungodly; nor STANDETH in the way of sinners, nor SITTETH in the seat of the scornful".

Here are the three steps to compromise". First you begin by walking hand in hand with evil men. (In the church world it is known as "ecumenism"). Then it is not long before you stand around holding "dialogue" with them; from here it is an easy step to "sit in the seat of the scornful", laughing at the things you once held sacred and good.

My search for the truth began, I guess, when I was a speaker for the John Birch Society in the 1970's. My messages were essentially anti-Communist and every time I delivered one, the media labeled me as anti-Semite, although I had not mentioned Jews, Judaism or Zionism. I knew little about them then, other than what I had been told by, my church leaders, that they were "all of Israel - God's Chosen" and must not be questioned, no matter what they did. My, my what a license to sin they had!

I did not know about the part they played in bringing communism into fruition, and it was not until I tangled with the Jewish radicals in our colleges during the Vietnam War, that I realized that all was not as I had been told in Jewdom! As I mentioned earlier, I found multitudes of Jewish writers who glorified in their efforts to make communism successful, and destroy their ages old enemy, Christianity!

In all my training for the ministry, and my experience as an evangelist, I had never noticed a verse in scripture found in 2 Chronicles 19:2. This is a verse of warning that our fundamental and evangelical pastors need to take very seriously, "Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord". Did you get that? You can't help God's enemies and be on His side.

This is further brought to our attention in 1 John 2:22, 23, where we have a clear definition of an anti-Christ, and no one fits it as closely as does the Jew. Then in 2 John 10, 11, Christians are told what their reaction towards these anti-Christ's MUST be. We are not to help them in any way, for if we do, we become "partaker in their evil deeds."
How many of you Christians who read this pamphlet, will be willing to stand before the Great Judge and answer for the 2-million unborn babies who are murdered each year in mostly Jew run and owned Abortion Clinics? You say: "But we oppose abortion!" Well and good, but the Book says that if you support those anti-Christ who underwrite this murder, you become partaker in their evil deeds. Are you and your church an apologist for Jewry? Or how about the millions of American youth who have been headed for hell because of pornography, prostitution, alcohol, drugs, rock music, etc., all promoted and heavily owned by Jews? According to the Book, you will become "partaker in their evil deeds", and this means in the punishment God will mete Out to them.

So I was forced into making a very difficult and painful decision. Should I continue to lie about these anti-Christ's and be welcome in the big churches, or should I tell them the truth and be ostracized. When I went to my pastor with my problem, he stated that if I was foolish enough to attack Jewry, the "door of every Baptist church in the country would be slammed in my face". He made certain that this was true in Mississippi, as every Baptist church and men I had loved, respected, and held revivals in their church, suddenly turned against me. But I didn't have much of a choice. I had to opt for telling the truth!

Not wanting to sail under false colors, I wrote a letter to 200 fundamentalist leaders in 1980, explaining what I had found regarding Jewry. Fourteen week-long revivals scheduled for 1981, were canceled within two weeks, not because I had changed my preaching, or my doctrine, but because I would no longer accept these anti-Christs as God's Chosen.

As I went into further study of this International problem, I became fascinated with a Communist textbook titled PSYCHOPOLITICS/THE ART OF BRAINWASHING. It contained the "blueprint" for the destruction of Christian America. It was introduced in the Lenin School of Psychopolitical Warfare, the University of Moscow, in 1932, to a class of 47 hand-picked American college students who went to Moscow to study communism first hand. Strangely enough, 45 of these students were Jews.

This book contained the plans for the disruption of American education, which I had seen take place during the Viet Nam War. This book was brought to the United States in 1933, where it was taught at the Eugene Debs Labor School, Milwaukee, Wisconsin, to communist cadres who were then spread out over the United States. Attending this school, were such communist notables as Golda Meier, and Gus Hall (Hallberg), perennial head of the American Communist Party.

Since my personal experience with communism in 1948, I had watched with horror and fascination, the inroads being made by Zionist-Communist propaganda in America's schools and churches. At that time I (did not recognize the Jewish effort behind this! I did recognize the subversion that was coming through the controlled press, TV, the movies, and the education system, which reached even into the Christian church.

This information was readily available to anyone who was concerned by the direction our country was headed. Yet in spite of all the problems which could be laid at the door step of International Jewry, in spite of what our Lord and the Bible says about them, the majority of Christian pastors have clung to the idea that we better not mess with the Jews in any way, or God would punish us. They take Genesis 12:3, completely out of context: "I will bless them that bless thee; and curse him who curses thee". They tell their people that this promise was made to Abraham, a Jew, but the truth of the matter is
that there were no people called Jews until 1200 years after the time of Abraham, when we find them fighting against Abraham's descendants, through his grandson Jacob/Israel. (2 Kings 16:6)

Years ago, a well-known fundamentalist TV evangelist told he that God had been good to America, because we had supported the Jews. When I called to his attention the fact that American had gone downhill faster in every area - politics, education, militarily, morally, and most certainly Christian, since we recognized that little "bastard state of the Israeli" in Palestine, in 1948, he went off in a rage. Could this be the result of 2 Chronicles 19:2 in effect?

I have watched the insidious threat to Christians everywhere, as it has developed around and through the people we know as Jews. This plot, according to their own leaders, is designed to torture, destroy and imprison, men and women of courage, who are willing to stand up for God, Jesus Christ, and the principles of Christian freedom.

If you are one of the "brainwashed" one's who doesn't want to believe this, then explain to me, if you can, why we cater to a people who fits the Bible definition of the anti-Christ, like a glove?

If we have eyes to see, we can already see the forerunner of this persecution at work. It has imprisoned many Christian Patriots, whose only crime is "bucking the corrupt Babylonian System of anti-Christ Zionism", which now controls America. When Jesus warned His followers in Mark 13:8 and Luke 21:12, that this enemy would live them up to the synagogues to be beaten and killed, this in itself identified the enemy, since only one people worship in synagogues.

I wish we had time in this message to discuss in detail the roots of Jewish teaching, which are not to be found in the Books of Moses, as most Christian pastors teach. Jesus Himself blew this myth to pieces in John 5:46, when He told the Jewish leaders: "If ye had believed Moses, ye would have believed Me: for he wrote of Me".

Orthodox Jewish belief is centered in a heathen monstrosity of 63 volumes, which fills a 12' bookshelf, called the BABYLONIAN TALMUD. According to modern Jewish religious scholars, this is the "heart blood of Judaism".

Many of the things taught in the Talmud, coincide with their teachings in the textbook on PSYCHOPOLITICS. For instance on page 30 of PSYCHOPOLITICS, it says: "Obedience is the result of force. Concurrent with force is the use of brutality; the most barbaric, unrestrained use of brutal force, if carried far enough, will result in obedience. Any organization which has the spirit and courage to display a lack of humanity, will be obeyed. If you wish to have obedience you must make it clearly understood that you will have no mercy. Since man (goyim) is an animal, he understands in the final analysis, only those things which a brute understands".

Then on page 42 of this "gem", we read: "The first thing which must be degraded in any nation under conquest is the state of man himself. Nations with a high ethical tone are difficult to conquer... what they call their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a state of mind. So it is the basic purpose of PSYCHOPOLITICS to reduce this state of mind to the point where it can be ordered and thus enslaved. Thus, the first target must be man himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must no longer
think of himself or his fellow being as being capable of spiritual endurance or nobility".

This teaching has been cleverly done in our education system, by the teaching of evolution, which changes man from a "spiritual being", into a "higher class of animal". But when men and women begin to think of themselves as animals, even high class one's, they begin to believe that they aren't worth very much in the "scheme of things", and it then becomes easy to eliminate them for the welfare of the state. That my friends, in a nutshell, is TALMUDIC-COMMUNISM.

This communist textbook ends with a warning that all Christians should take to heart. On page 43, it says: "As it seems in foreign nations that the church is the most ennobling influence, each and every branch, of each and every Christian church, must one way or the other be discredited, by broadly demonstrating, through PSYCHOPOLITICS, that the soul of man is nonexistent, and that man is an animal". (That's why the Jew calls us "goyim," which is a Yiddish term meaning: "Non-Jew animal").

The TALMUD backs up this statement by saying that when the Jewish Messiah (which by the way is not an individual, but their One World Government) comes, every Jew will have 2,000 goyim slaves. That's you and I they are talking about!

What will end this TREASON AND SUBVERSION against God and our people?

Our nation has been on the economic slide ever since our Congress allowed the International Bankers to control our economics through their FEDERAL RESERVE SYSTEM. (This is not Federal at all, but is made up of eight banks, seven of which are Jewish owned and/or controlled. There is some questions about the eighth, which is the Rockefeller bank.)

The banks which make up the Federal Reserve System, are:

1 - ROTHSCHILD BANKS OF LONDON AND BERLIN;
2 - LAZARD BROTHERS BANK OF PARIS;
3 - ISRAEL MOSES SEIF BANKS OF ITALY;
4 - WARBURG BANK OF HAMBURG AND AMSTERDAM;
5 - LEHMAN BROTHER BANK OF NEW YORK;
6 - KUHN, LOEB BANK OF NEW YORK;
7 - CHASE MANHATTAN BANK OF NEW YORK (ROCKEFELLER);
   and,
8 - GOLDMAN, SACHS BANK OF NEW YORK.
There are approximately 300 Jewish people known to each other, and/or relatives of the owners, who hold stock or shares in the Federal Reserve System. They comprise an interlocking, international banking cartel of wealth beyond comprehension.

This same economic power is now exerted in every nation of Christendom. In this nation, we currently borrow over $100-billion each year, with high interests rates, so that we can give it away to nations that often "hate our guts". (The Israeli are one of them).

But our economic and political problems are but the shadow of a much greater problem. This is the moral and spiritual debacle which has taken place in America in the last century. When we look at the moral debacle which is taking place in America, where were are supposed to have 50-million "born again Christians", and we can only believe that most of these Christians have become the "salt" Jesus spoke about in Matthew 5:13, that has lost it's savor (it's ability to act as "salt" and hold back corruption). But what can we expect from a "twinkie-marshmallow Christianity" whose leaders tell their people: "Don't worry about these things. If your saved Jesus will come back and Rapture you out of this mess before it gets all that bad!" What a monstrous, egotistical, gall, when one considers that it was Christian apathy that caused this mess in the first place.

Why do Christian ministers shy away from the unpleasant truth? I believe it's because it "scares hell out of them", and I'm not using that as a cuss word either. It really does! It's because they are preaching something they really don't believe in. I remember speaking with a young Baptist pastor, who told me that the Lord would return before the end of the year. It was about June at this time. When I asked him how sure he was of this, he said: "As sure as it is that I'm speaking to you right now!" Well, I happened to know something about this young fellow. I knew he had just increased his life insurance and that he was putting money in the bank every month so his children could go to college. But when I called these incongruities to his attention, he got mad and stalked away. You see, by his actions, he proved that he didn't believe what he was preaching.

If you were driving down a country road at night, and suddenly the beam of your headlights showed a sign which read DANGER - DETOUR! - BRIDGE OUT! Surely you won't stop, throw rocks at the sign, and then drive ahead to your destruction! But that in essence is what millions of good Americans are doing today! If you had a watchdog, and he barked one night when a burglar tried to break into your home, surely you wouldn't get your shotgun, blast the dog and go back to sleep! But that, in essence, is what millions of so-called Christians are doing in America, as our great nation slips "down the drain".

It seems hopeless doesn't it. But we have a ready made FORMULA FOR SURVIVAL, if we are willing to give it more than mere lip service. It is found in 2 Chronicles 7:14, and many Christians know it by heart: "If My people, which are called by My name (Christian), will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will heal their land".

There it is my friends! What are you going to do about it? It will take more than just repeating the words. It is going to take some praying and action on your part. It means that we MUST stop "doing our own thing" to obey God in everything we do, with ALL OUR HEART, AND SOUL AND MIND. It means putting God first in our lives. It
means learning the lesson that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY OR SAFETY!

When are we going to wake up? Or will we be like the hillbilly who Sat on the porch of his shack as it burned to the ground. Someone stopped and said: "Your house is on fire!" and he replied: "Ah knows it is". When he was asked what he was doing to stop it, he said: "I'ze sittin' here praying' for rain." That's typical of the utter stuidity of most of the people who go by the name of Christian.

A leader of the Zionist-Communist cult once publicly stated: "I will live to see the day when 60-million hopelessly diseased Christian animals in America are hauled away to the elimination centers by our commissars. The Christians love to sing about blood, so we will give them all they can handle, as we cut the throats of their children, drag them across the altar rails of their churches, and may the parents drown in the blood of their own children". That was an American speaking about what he hoped would happen when Zionist-Communism fastened it's grip on Christian America.

As the hordes of the anti-Christ gather for their final assault on Christendom, we need men and women with the faith of the Hebrew children in Daniel 3. When the king said: "Bow down to my image or die!" They replied as a man: "We are not careful to answer thee in this matter. If so be our God whom we serve is able to deliver us from the burning fiery furnace and He will deliver us Out of thy hand, O king! But if not, be it known unto thee, 0 king, that we will not serve they god's or worship the golden image which thou hast set up!"

This is the kind of Christians we need to be victorious! Are you one of them?
The Brainwashing of Christendom!

(Address given at the International Conference of the League of Rights. Calgary, Alberta, Canada, October 29, 1983.)

"Wherefore take unto you the WHOLE armour of God, that ye may be able to withstand in the evil day, and having done all, to stand!" - (Ephesians 6:13)

During the Korean War (1950-1953), a new word was introduced into the English language. It was "brainwashing." The Chinese Reds had a more descriptive term for it, they called it "mind control," or "thought control."

This is what I will be speaking about tonight. I want to show you, beyond the shadow of a reasonable doubt, how the nations of Christendom, and especially those of the Commonwealth nations and the United States, have been singled out for this control.

Any military man worth his salt, knows that in order for him to successfully combat his enemy, he must first know how he thinks, since this effects the way he acts.

During the 1930's, at the U.S. Command and General Staff School in Ft. Leavenworth, Kansas, two colonels, from different nations were in attendance. One was a German officer named Erwin Rommel and the other was an American named George Patton, Jr. They were good friends. But Patton, recognized that Rommel might become his adversary in the future, so he studied him closely and learned how he thought and acted. This was one of the reasons he was able to defeat the "Desert Fox" in North Africa.

I believe before I have finished, I will be able to prove to you, that the predominately White, English speaking nations represented in this meeting, are under a vicious, mental attack, designed to destroy them, our White Christian civilization and the freedom it has brought to a weary world.

Some people become a bit touchy when I use the term "White Christian civilization," since they have been so thoroughly sloshed around in the "liberal detergent" of our times, that they consider this to be a racist statement. (In case you don't know: "liberal detergent" is a "mind washing solution," used by the controlled media which is made up of an "ounce of fact, dissolved in a gallon of hogwash." But this is not a "racist statement"!) It is merely a statement of observable fact and I am not deriding any race or color of skin by making it.

Only the White race has opened its heart to the Gospel of Jesus Christ; all others are reached only by tremendous effort and often danger. Only the White race has been willing to abolish slavery, England first in 1833, followed by the United States in 1865. The White races publish 98% of all Bibles and Christian literature printed; they send out 98% of all Christian missionaries. Who is it that sends help when a natural catastrophe such as an earthquake or hurricane devastates a country? Always the White world is the first to send aid! Who has based their laws on the commandments of Almighty God? Only the nations of Christendom. There has been very little moral, spiritual, or physical progress made in the world, except under the guidance of the White race. So don't let anyone make you feel guilty because you are white. If this truth makes me a "racist," then so be it!

All of you gathered here tonight, recognize that for several decades, the nations of Christendom, sometimes called the "West," or the "Free World," have been under a bitter attack. Today, our freedom is at stake. There is a world force which is seeking to destroy the rights, our forefathers gained through much blood and tears.

The nations represented in this Conference are unique among the nations of the world, for their laws
are based on the premise that there are certain "God given rights," which come from the Almighty, rather than government. These are sometimes known as "inalienable rights," which means they may not be tampered with by government.

These rights are in part:

1. The right to keep and bear arms; to defend ourselves, our families and property if necessary;
2. The right of freedom of religion without pressure from the State;
3. The right of freedom of speech;
4. The right of freedom of the press;

There are others, but these are the foundational freedoms, upon which our governments were built. These were the rights our forefathers demanded of King John of England, when in June 1214, they forced him to sign the Magna Charta.

Since that time, our nations have been unique in their concept of individual freedom. It is well for us to remember that freedom is a fragile thing. Benjamin Franklin one time said: "He who values security more than freedom, deserves neither." Our people for the most part have not remembered this. Many times we have taken a strong stand for Christian rights, while we have been silent about others such as "freedom to bear arms." This is extremely dangerous! All our freedoms are so intricately bound into the fabric of our well being, that if one is destroyed, it begins a deterioration process which in time will destroy all of them.

If you sit idly by, satisfied with your right to worship God according to the dictates of your conscience, while my right to "keep and bear arms," is taken away by big government, it will be only a matter of time until they will take religious freedom away from you, along with your freedom of speech and press. This was something the American hero, Davy Crockett understood, when he took a band of men from Tennessee and marched over a thousand miles to die at the Alamo in 1835. When the Tennesseans arrived in Texas, the Texicans said: "Why have you come? This isn't your fight!" But Crockett answered: "I've made it our fight!" He knew that if freedom died in Texas, it would soon be lost in Tennessee. This is something we need to understand in the Free World. If we stand idly by and allow freedom to die in a place like Rhodesia or South Africa, as remote as they seem to some of us, it will be only a matter of time until our freedom is threatened. This is the manner in which tyranny operates.

Today, as more and more of our rights are being taken away by big governments, which are fast becoming insatiable monsters, who seek to rule their people, rather than be their servants; we must protect with our very life blood, the inalienable rights which make us freemen.

Today in all our countries, these rights are being eroded by foreign influences. In the United States, it is by an anti-Christ, anti-freedom organization called the Anti-Defamation League of the B'nai B'rith (ADL). This is the un-licensed agent of a foreign country, operating illegally on American soil.

Here it would be well to remind you of a very important point. There is no such thing as a "government handout," for what the government gives to anyone, they can also take away. It reminds me somewhat of the hunter who was out in the forest with his dog. They became lost and after wandering around for several days, they became short of food. One night, in desperation, as they sat around the fire, the hunter called the dog to him and cut off his tail. Throwing it in the cooking pot, he ate the meat and fed the dog the remaining bones. The dog licked his hand in gratitude. This is what happens when you depend on the government for help.

The reason our Founding Fathers placed rigid controls on King John, 750 years ago and then
continued them in each country where they settled, was that they were not only statesmen, they were also historians. They knew that government often became the worst enemy of the people and that many times, men who had been put into an office of responsibility, turned against the people who had given them the power, and tried to control them. So they took special pains to protect these "God given rights."

These rights could accurately be called a "Bill of Limitations," for this is what they did to government. They said to government: "Thou shalt not! Thou shalt not! Thou shalt not!" In the United States, these rights were put into a document called the "Bill of Rights." The tenth amendment to this Bill states in essence:

"Government. if there is anything we forgot to mention in the first nine amendments: you can't do that either, unless the people give you the right."

The Collectivists in our governments - I don't know what you call them in your country - in the United States they are the Council on Foreign Relations and the TnLateral Commission gangsters. I understand in Canada you have a group called Parliamentarians for World Order. But whatever their name, they all have the same idea and this is to "promote the cause of world peace through enforceable world law for the peoples of the world as a single community through parliamentary action." This would mean that we would all be placed in the same pot, with the Third World and Communist nations.

In the United States Government, they operate through a Legislative group in our Congress called MEMBERS OF CONGRESS FOR PEACE THROUGH LAW (MCPL). There are some 287 members of Congress in this group. All of them have taken an oath of loyalty to the United States and our Constitutional government, to protect the United States from all enemies both without and within and they have not done this. Instead, every one by their actions and their words, have shown their first loyalty is to a One World Government. These men are TRAITORS to their country. I understand that in Canada, you have at least 108 Parliamentarians for World Order in your government. I don't know too much about you Aussies and Afrikaners, maybe you are not as stupid as your North American cousins.

These men in government, want to see our wonderful countries, come under the thumb of world dictatorship. I don't know a better term than treason to use for these gangsters. In an earlier day, most of them would have been hung for the traitors they are!

Have you ever wondered why there is one right which always comes under attack from the One Worlders? It is the right of the citizen to "keep and bear arms." This right of "self-defense" is the foundation of all other freedoms. The great French International lawyer, Frederic Bastiat, in his book THE LAW', says: "Each of us has the natural right - from God - to defend his person, his liberty, and his property. These are the three basic requirements of life: the preservation of any one of them, is completely dependent on the preservation of the other two." (UNQ).

Civilized law for at least 6,000 years, has been based on this sacred premise and once the right of a free man to defend his own life, that of his family, and his property is taken away, then it is only a short time before he is made a slave.

The Communist Lenin put it this way: This was his philosophy for controlling the "Middle Class." He said: "A system of licensing and registration, is the perfect device to deny gun ownership to the bourgeois."

One thing the Free World should have learned long ago, is that "playing patty-cake with the Internationalists, is like petting a rattlesnake; sooner or later you are going to get bit!"

The Collectivists who have in-filtered our governments, seem to be filled with an insane desire to make all men equal, if they have to kill them to do it. But the real reason for their push to "integrate the races," is that they know that "mongrelization" always leads to degeneration and slavery. History proves beyond the shadow of reasonable doubt, that a mongrelized people are more docile
and therefore easier to control.

Anglo-Saxons and their related peoples have always been in the fore-front of the fight for men's freedom. So the enemy's push for integration and open immigration, is not because of their love for the colored races, but because they know this will weaken our countries and make them more susceptible to their control.

Whether you want to accept it or not. It is a provable fact, that these aliens have brought foreign ideas to our shores which have been detrimental to our people. If you take a close look at the 23 great civilizations which have been on this earth in the last 6,000 years, you will find that every one of them have been destroyed from within, by moral and spiritual subversion brought about through race mixing. They have all been destroyed, long before the barbarians battered down their gates, or came swarming over their walls.

In the United States, we have prided ourselves on being the "melting pot of the world." All of our people came to this continent as immigrants. In a one hundred year period during the 18th and 19th Centuries, more - than 45-million flocked to the shores of the New World, in the greatest migration ever seen in the annals of history. But almost 100% of these were white, and most of them came from the Christian nations of Europe.

Their ideals about religion, morals and freedom were very similar. Although their spoken language was not always the same, their heart's language was.

But today, the great influx of people into our white nations cannot rightly be called "immigrants," but rather "aliens." They come from a background entirely different from our European forebearers. Their religious beliefs are anti-Christian; their political beliefs are socialist-communist, their ideas about the sanctity of womanhood are entirely different, they look on the family structure in a different way. It is no wonder, that it is among this "hodge-podge" of aliens, that the Communist agents of Internationalism have their greatest success.

There is little doubt in my mind, that many of our problems in the Free World, come from a lack of understanding of our basic principles of freedom. For in spite of the fact that we are among the best educated people in the world, we are not necessarily the most knowledgeable. An Old Testament prophet named Hosea put it this way: "My people are destroyed for lack of knowledge," (Hosea 4:6) Notice he did not say:

"They are destroyed for lack of education; but LACK OF KNOWLEDGE." There is a great deal of difference between the two.

I have known many persons with a string of degrees behind their names, who were in reality "educated idiots." As my wife puts it: "They don't know the meaning of common sense." Now I'm not in a position to know about you folks from Canada and the Commonwealth countries, but I suspect that many of those with a "lack of knowledge" in the United States, are in government, education and a lot of our churches.

The Prophet Isaiah gives a pretty good description of these people in (Isa. 56:10, 11) when he says of them: "His (Israel's) watchmen are blind: (A blind sentry isn't worth much) they are all ignorant (and here he is speaking about ignorance of God's Word, not book learning), they are all dumb dogs, they cannot bark; (what good is a watchdog which cannot, or will not bark?) sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand; they ALL LOOK TO THEIR OWN GAIN..." (Emphasis added.) No wonder our Anglo-Saxon people are in trouble with this kind of leadership. In 2nd Timothy 3:7, the Apostle Paul says of these that they are: "Ever learning and never able to come to the knowledge of truth." These men and women have very little understanding concerning the meaning of freedom.

There are no doubt a number of reasons for this. First, our Anglo-Saxon and related people have a tendency to be mentally lazy. It has become easier for us to sit in front of a "telly" set and let some "mental mind molester" do the thinking for us, than to take the time and effort to dig out the facts
for our self. Secondly, we have a tendency to be "apathetic." Give our people a roof over their heads, three square meals a day, a television and a six pack of beer and that's all many of them want out of life. It has not always been thus, we have been deliberately educated to be this way. It's possible that the people in Christendom are the most "brainwashed" people in the world today.

A few years ago, while traveling in the Ozark Mountain area of Northern Arkansas, I ran into an old "hillbilly philosopher" who said something I've never forgotten: "It ain't so much from not knowin' that causes the trouble," he said, "as it is from knowin' so much that ain't so!"

So because of these three deliberately caused problems; mental laziness, apathy and brainwashing, we have seen strange reactions from our people, even good Christians, as they have attempted to deal with our most serious problems.

We are like the farmer from the "good old days", who in the fall of the year, after the crops were harvested, sent his hired hand into town with a load of potatoes, ordering him to peddle them from door to door. Charlie sold all the potatoes, then went a step farther and sold Farmer Brown's team and wagon.

Farmer Brown has three options:

1- He can tell Charlie: "You had no business selling my; property; give the money back and return my team and wagon or I'll have you thrown in jail."

2 - He could say: "Charlie, you got a darn good price for my property, give me the money and I'll give you a legal 'Bill of Sale' for the buyer," or,

3 - He could do nothing. In this case, the illegal act would become legal. Not because it is legal in itself, but because something known in law as the "Doctrine of Ratification" takes place. This simply means "silence gives consent."

This is the action taken by most of our good Christian people over the years. Over and over again, we have seen our elected representatives do things which were illegal, and over and over and over again, we have let them get by with it and then re-elect them to office. Now that we see the direction in which they are leading us, many of our people are beginning to panic.

We should remember that we will not lose our freedom some morning at 3 a.m. when we answer a knock at the door and find a little man with a star on his cap and a Tommy gun in his arms, who says: "Come with me to the Concentration Camp." This is not when we will lose it! Freedom will be taken away from us, when enough good people see things happening in our local schools, churches and government, and we sit back, sigh and say: "There ain't nothin' I can do about it; I'm only an individual, you know and everyone knows you can't buck City Hall." When enough decent people feel and act this way, then we will lose our freedom. In fact we will take her to the cemetery, hold a funeral service for her and over the grave we will erect a headstone with this solemn epitaph: "Freedom died, because the Christian people didn't want to be bothered!"

Much of what I share with you tonight will come from my personal experience with the enemy; some will come from what the enemy often braggingly says about themselves, and much of it will come from a lot of research.

Many years ago, before Zionist-Communism took over in Russia (and yes, the Communist revolution was almost 100% a Jewish effort according to their own reports), the Communists realized that two nations in the world would have to be destroyed for them to succeed. Both were strong Christian nations. In Europe, that nation was Germany. Now I hope no one gets angry with me for saying this. When I lectured in Vancouver a few months ago, a nice lady got quite upset with me for making this statement. She thought I had insulted the Queen. Well this was not true! I was merely stating a fact. In the early part of the 20th Century, Germany was the "key" Christian nation in Europe, while in North America it was the United States, and this is no insult to my Canadian
hosts.

So a plan was begun in Europe to down-grade Germany and the German people, from which so many of us sprang and set the shings for World War I and II. These two wars were set up to kill off all Christian influence in the world and make Zionist-Communism supreme.

While I hold no sympathy for Fascism or Adolph Hitler, and fought against Naziism in North Africa during World War II, he was most cruelly maligned by world Jewry, not because of a phony "holocaust" as we have been led to believe, but because he was the only world leader who stood in the path of Zionist conquest on the Continent. By 1938, England was almost completely under Zionist control, while the same was becoming increasingly true of the United States under President Franklin Roosevelt.

In 1921, the Communist Lenin had been quoted as saying of the United States: "We will never have to fight against them, because they will become so morally bankrupt, they will drop into our laps like overripe fruit." This has been their plan of action, restated by both Communist and Zionist leaders for 60 years. In PROTOCOL VIII, of the PROTOCOLS OF THE LEARNED ELDERS OF ZION, which the Zionists claim is a crude forgery, we read: "In order to annihilate the instruction of the goyim (non-Jew) before it is time, we have touched them with craft and have taken hold of the ends of the springs which move their mechanisms. These springs lay in a strict but just sense of order: we have replaced them with the chaotic license of liberalism. We got our hands into the administration of the law; into the conduct of their elections; into the press; into the liberty of the person, but principally into education and training, since these are the corner stones of a free existence." (UNQ.)

It is because of this that we have never seen anything resembling "detente" between the "Free" and the "Communist world." It will be an impossibility as long as the two exist. A basically Christian nation cannot cooperate with an anti-God Communist tyranny, any more than true Christianity can cooperate with Judaism. The reason - they are headed in different directions.

The nations of Christendom should have learned a basic truth a long time ago. This is that you cannot compromise with evil, either as an individual or a nation and come out in the driver's seat. 6,000 years of history prove this!

The pathway of compromise for both man and nations is shown in Psalm 1:1 - "Blessed is the man that WALKETH not in the counsel of the ungodly, nor STANDETH in the way of sinners, nor SITTETH in the seat of the scornful." These are the three steps to compromise and destruction.

1 -You begin by being friendly with the enemy;

2 -Then you stand around holding "dialogue" with them; and,

3- Finally, you find yourself sitting beside them, deriding the things you once held to be sacred.

This reminds me of a story I heard about two school teachers who were on their vacation. Visiting a zoo, they came to a cage holding a huge, Black Maned African lion. In the cage with the lion were four little lambs. They seemed to have no fear of the lion. Somewhat con-fused, the ladies sought the advice of the zoo keeper who answered their question by saying: "The lion and the lambs have no trouble living together, all you have to do is replace the lambs every few days."

Some people have called me an "expert" on brain-washing, because of my training and experience with them in Korea. I do not like this term, since I have learned that many men become "experts" when they get more than fifty miles away from their home. But my personal experiences with these devils, and the treason I personally saw in the American State Department prior to the Korean War and later in Ethiopia, forced me into hundreds of hours of research into the background of Communism.
As much as I disliked it, since it was contrary to everything I had ever been taught in my church or school, I discovered that Communism was basically Jewish, from start to finish. I had been so "brainwashed" in seminary and by 45 years in a Fundamentalist church, that I had crisscrossed the United States for eighteen years, as an evangelist, preaching that these "Christ haters" were God's Chosen People and that we MUST never criticize them, no matter what they did.

Then my eyes were opened to the truth and I faced a quandary. Would I lie to the people (before this I had the excuse of ignorance), or should I tell them the truth and become a church "outcast?"

As I looked at my options, they boiled down to being popular with men, or having the approval of God. There was no contest! When I began to preach the truth, I was immediately "blackballed" by the churches I had faithfully served for eighteen years. I was often forced to say with the Apostle Paul: "Am I to become your enemy, because I tell you the truth?"

As I studied more and more into the Communist Conspiracy - and yes it is a Conspiracy, a Jewish conspiracy to control the world. I came across a fascinating book titled PSYCHOPOLITICS. It had been published in Russia in 1933, and was the Communist blueprint for the conquest of the Christian World.

You cannot find the word "psychopolitics" in any of the older dictionaries, but it means: "the art of controlling the thinking of an entire nation of people."

This textbook, as far as I can find, was first used as a textbook in the Lenin School of Psycho-political Warfare, the University of Moscow in 1933. It was used to indoctrinate a group of 47 handpicked American University students, who had been sent there to take this course and prepare them for the student rebellion we saw in American colleges during the Vietnam War. The majority of these students, strangely enough, were Jews. (It is also interesting to note that almost 100% of the Communist leadership in higher education is Jewish.) These young people, for reasons we will discuss later, were filled with an almost insane desire to destroy freedom and our Christian heritage.

This unusual textbook, was brought to the United States in 1934, where it was used to train Communist cadre at the Eugene Debs Labor School in Milwaukee, Wisconsin. (For those of you who are familiar with the military term, "cadre", is a "nucleus of especially trained personnel capable of assuming military control.") This school, was attended by such well known Communists as Golda Meier (later Prime Minister of Israel) and Gus Hall (Hallberg), perennial head of the Communist Party, USA.

In attendance from May 1936 until October 1939, was a young American by the name of Kenneth Goff. Goff had been trained in all aspects of Communist psychological and physical warfare against the land of his birth. But in late October 1939, under the influence of a Christian friend, Goff was converted to Christianity. Almost immediately he realized that Communism was not trying to help the "masses" as they had been taught, but that it was a tool of International Judaism and was being used in a massive conspiracy to control mankind. Their special target was the Christian World.

Goff was a most unusual young man. Not only was he extremely intelligent, he also had a lot of what we used to call "guts." He voluntarily appeared before the U.S. House of Representatives, Un-American Activities Committee, Chaired at that time by a patriotic Congressman named Martin Dies. Goff's testimony can be found in Volume 9, the 1939 Congressional Record and reads like a fantastic spy story.

Because while exposing Communism, he exposed many American Jewish leaders, he became the target of the Jewish strong arm association, the Anti-Defamation League of the B'nai B'rith and was harassed by them until his death a few years ago.

It is of interest to note, that in recent years, anyone who is "anti-Communist" in the Free World, is automatically labeled as "anti-Semite." This should tell us something about Communist-Jewish connections.

Since my experience as a prisoner of the Communists in 1948, I have watched with horror,
fascination and a great deal of anger, as the Zionist-Communists have used psychological warfare against the Christian World.

Their propaganda has been spread mainly through the Jewish controlled press, television and in the United States, through the equally controlled National Education Association. To illustrate: in the United States, 909 major newspapers with a daily readership of over 49-million are Jewish owned and or controlled. Of 48 major weekly magazines, with a readership of 79-million, all are Jewish owned and/or controlled; of ten major Hollywood movie companies, nine are Jewish owned and all three major television networks in the United States are under Jewish control. This makes for almost total control of news.

In addition, the Jews themselves have bragged about how they have successfully infiltrated the churches of the United States, especially those affiliated with the National Council of Churches, they have much influence in the Roman Catholic church and a majority of the Fundamental and Evangelical Seminaries in the States have Jewish professors in their ranks. No wonder our people have become "brainwashed."

By now, some of you are going to label me as an "anti-Semite." But I am not an "anti-Semite!" I am merely a bearer of the truth, I did not come before you to entertain you, or win a popularity contest, but to tell you the truth. I am desperately trying to show how our people have been influenced by Jewish propaganda and how this propaganda is leading us into International One-World control.

We have been told over and over again in our churches, how the Jews are God's Chosen People and how we as Christians must back them in order to escape the wrath of God.

Now I can't say with certainty, about the countries of Christendom, who are represented here tonight, but I can tell you this. God has not blessed America, since we recognized the Bandit State of the Israeli in Palestine in 1948, these years have been the one's of our greatest decline. Maybe we as Christian nations should take a closer look at a Biblical admonition found in 2 Chronicles 19:2. This says: ". . . shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon thee from before the Lord."

Let me make a rather peculiar statement. I am not particularly interested in whether you believe what I tell you, or what you do about it. But as intelligent people, may I suggest that you take what I have to say; place it under the most powerful magnifying glass of truth you can find (and my number one choice is the Holy Bible), then when you realize I have told the truth, have courage enough to do something about it!

As I have watched the moral and political scene in the United States, and to a lesser degree in your countries, I have seen an insidious threat against White Christian people in particular. This threat is designed to ultimately imprison, torture and destroy those men and women of courage, who believe and follow the teachings of Jesus Christ and who are willing to oppose Jewish ideas for One-World control. The enemy knows that in order for them to be successful, these patriots MUST be destroyed.

So in order to get a closer look at their plans, we will go into their own textbook and see what they say. (For other statements by Jewish leaders, read for my booklet FROM THE HORSE'S MOUTH.)

Somehow or other, I believe my most important task is to show you what Zionist-Communism has in store for you as a Christian. Christians are of primary importance, for these are the one's who keep the "ship of state afloat and in running order." The enemy hates patriotic Christians with a special, virulent hatred, which cannot be understood until it is carefully analyzed.

To do this, we will need to briefly mention the ultra secret religious book of world Jewry called the BABYLONIAN TALMUD. I will be quoting from this book and comparing it with the Communist textbook on PSYCHOPOLITICS.

We will not have time here to go into the Jewish background of International Communism, except to say that it was Jewish planned, financed and led and that their leaders braggingly admit this. The
JEWISH CHRONICLE of April 4, 1919 stated: "...there is much in the fact that Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant (in agreement with) the finest ideals of Judaism... The Jewish writer, Marcus Eli Ravage, writing in CENTURY MAGAZINE, January 1928 said: "We Jews are at the bottom of nearly all your wars: not only of the Russian but of every other major revolution in your history.. We did it solely with the irresistible might of our spirit, with ideals and propaganda."

he BABYLONIAN TALMUD, which is the Bible of World Jewry, is made up of 63 volumes. This work is kept hidden from Christian eyes wherever possible. It even pronounces the death penalty against any Christian who reads it.

Secrecy, usually indicates evil intent. The burglar operates under the cover of darkness; the respectable businessman visits his mistresses after dark; 99%. of all murders are committed during the hours of darkness. The Bible tells us in John 3:19 "...men love darkness, rather than light, because their deeds are evil."

In the States, as it is in Canada, and I imagine many of the other countries of Christendom, you can criticize most anyone, including the government, as long as you tell the truth. But this is not true when you deal with the "Jewish Question," even when your criticism is correct. When you have courage to expose them, the roof of "anti-Semitism" falls on you. Yet strangely enough, at agat 90%. of the people we now call Jews, are not of Semitic origin, but have their roots in a Turco-Mongolian background. The Arabs are the true Semites and this makes the Jews the worst "anti-Semites" in the world.

But let us look at a few passages from the TALMUD and compare them with teachings in PSYCHOPOLITICS. In the Volume KERITUTH, (P.78), we read: "Jews are called men; Christians are not men." In Volume ORACH CHAIIM, (P.225), Christians and animals are grouped together for comparison. In Volume ABODAH ZARAH, (P.26) - "Even the best of the goyim (non-Jews) should be killed."

These are only three of literally hundreds of derogatory references dealing with Christians. They all show an unbending Jewish hatred for anything remotely connected with Christ and Christianity and an intense desire to destroy the same. This is what the Jews are taught in their synagogues and what they drill into their children and youth. They are taught that Jews are superior to all other peoples and that Jews are predestined to rule the world.

Now whether you are willing to accept this truth or not, the fact is, that only a very tiny minority of the people we today call Jews, have even a trace of Abrahamic blood in their veins. When I first began to write about this, a nice Christian lady from Dallas took me to task, she said: "The Bible says that a Jew is of the blood of Abraham, so every Jew is Abraham's son. That's that!" When I asked her whether this included the black singer, Sammy Davis, Jr., she got mad for some reason.

Yet it was these non-semitic people, who made up 95%. of the leadership of the Communist Revolution and who still control and finance world Communism and its One-World conquest. So let us make a comparison between Jewish and Communist teaching.

On Page 9, of PSYCHOPOLITICS, we read: "Basically, man is an animal.. Those who wish to group and control him MUST have in their possession all of specialized techniques to direct the vagaries (eccentric actions) and energies of the animal man toward a greater efficiency in accomplishing the goals of the State."

Most Christians will immediately reject this humanitarian concept, since we believe that the "Lord God formed man of the dust of the earth, and breathed into his nostrils the breath of life, and man became a living soul." This essentially is what makes us different from the animal.

But Jewish-Communist teaching that "man is an animal," accounts for the extreme brutality with which they deal with those who disagree with their philosophy. This is why they can murder "non-Jew" Arabs by the thousands, as they bomb refugee camps in Lebanon. These assassins are
protected by the Jewish world, who for the most part scream: "There were PLO terrorists there." (To be absolutely fair, there were many Jews who could not stomach this hypocrisy and who repudiated Zionist aims.)

But this same spirit has murdered more than 140-million people in the Communist world, with the most brutal attacks coming against Christians.

On page 30 of PSYCHOPOLITICS, we read: "Obedience is the result of force. Concurrent with force is brutality; the most barbaric, unrestrained, brutal use of force, if carried far enough, invokes obedience. Any organization which has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity, will be obeyed.

"If you would have obedience, you must have no compromise with humanity. If you would have obedience you must make it clearly understood that you will have no mercy. Man is an animal. He understands in the final analysis, only those things which a brute understands." (UNQ.)

This my Christian friends, is Jewish-Communist teaching, straight out of the sordid pages of the BABYLONIAN TALMUD.

On page 42, we read further: "The first thing which must be degraded in any nation under conquest is the state of man himself. Nations with a high ethical tone are difficult to conquer. what they call their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of PSYCHOPOLITICS to reduce that state of mind to a point where it can be ordered and enslaved. Thus, the first target is man himself. HE MUST BE DEGRADED FROM A SPIRITUAL BEING TO AN ANIMALISTIC REACTION PATTERN. He must think of himself as an animal, capable only of animalistic reaction patterns. He MUST no longer think of himself, or his fellows, as being capable of spiritual endurance, or nobility."

So how do you go about this "degrading process?" Usually through the education process in the school and via the media.

Have you ever wondered why the Secular Humanists who run our school systems, are so touchy about the teaching of "creationism" in the public schools? Why is it that whenever a Christian parent says: "Why not teach the children both sides of the story?" They go off into a screaming tantrum, usually led by the Jewish controlled American Civil Liberties Union (ACLU), or the ADL?

The intense desire of these Jewish controlled educators to control humanity, can be seen in an article which appeared in the October 1969 issue of TODAY'S EDUCATION, the official publication of the National Education Association in the United States. It was a discussion of education's role in the 1980's. It said that by the end of the 1980's, educators in the United States would have complete control over every phase of American life, including morals, lifestyle, religion and politics. This is the height of insolence.

Today our youth are being taught that "responsibility" is a dirty word. A few years ago, while speaking at the University of Michigan, on the "Abortion Issue," I was interrupted by a lovely co-ed, who asked: "If we can't have abortion and contraceptives, how will we be able to cope with the population explosion?" When I answered her question with another question: "Have you ever heard of a thing called 'self-control?' " You would have thought from the audience reaction that I had slapped her face. Here was a sizeable audience of young adults who had never heard about "self restraint." Instead, they had been taught in school and via the media: "You only go around once in life, so live with gusto." In other words: "What ever makes you feel good is ok and to hell with the consequences."

Here is where the enemy has done its dirty work. Today, there are no such people as criminals. The "bad guy" has done wrong, because you and I have been mean to him. Put him in the proper environment and they will become good. This is like trying to change a pig's nature by giving him a bath.

Our enemies know that evil is at the base of the world's problems . . . all of them and they know that
when Christians refuse to combat these problems, they will be in the "driver's seat." So their main
attack is against those who have the courage to tell the truth. They could worry less about the Alka
Seltzer Christian, the one who goes to church and "fizzes" for an hour on Sunday morning, while
the rest of the week he is one of them. They know that Christianity and Communism cannot exist
side by side, any more than Christianity and Judaism, because they are opposites.

So on page 43 of PSYCHOPOLITICS, they say: "As it seems in foreign nations (the nations of
Christendom) that the church is the most ennobling influence, each and every branch, of each and
every church, must one way or the other be discredited. (Oh how I wish the Evangelicals and
Fundamentalists in our countries could get this truth through their heads.) Religion must be made
unfashionable, by demonstrating broadly, through Psychopolitical indoctrination, that the soul of
man is non-existent, and that man is an animal."

Think for a moment about what we have discussed. All these evils brought about deliberately by the
enemies of God and freedom and all being carried on quite openly, right under our noses.

This program of subversion is not new. It did not begin when PSYCHOPOLITICS was first taught
in Moscow in 1933. It did not begin with the Russian Revolution in 1917, or when the Jewish
radical Karl Marx, wrote his Communist Manifesto in 1848. It did not begin when the Jew Adam
Weishaupt formed his Luciferean Order of the Illumanitti, in Bavaria in 1776. It began more than
500 years before the time of Christ, in the dusty halls of ancient Babylonian, when a group of
priests set out to put in operation, a Satanic plan to ultimately control the world.

Yet while these "proofs of conspiracy" are readily available to anyone who cares to search for them,
the majority of intellectuals in Christendom, led by our religious leaders, have refused to accept
them. Someone once truthfully said: "None is so blind, as he who refuses to see."

It is beyond my comprehension, how any self respecting man or woman, least of all one who calls
themselves Christian, can cooperate in any way with those who are seeking to destroy everything
we say is dear and sacred to us. Our actions for the most part come under the category of
TREASON, as defined in the United States Constitution, Article III, Section 3. Here in words which
any Fifth Grader can understand, we find the definition for TREASON: "Treason shall consist only,
in levying war against them (in this case the U.S.); adhering to their enemies, giving them aid and
comfort." I imagine that definition would stand up in all your countries. Today we have men in
positions of responsibility, who at an earlier date, would have been tried, convicted and hung as
traitors to their countries, but today are known respected leaders.

What will be the end result of our stupidity? We can see it in the degradation of our youth. The
enemy knows that if they can "kill the pride and patriotism of one generation of our youth, they can
control us."

Our Free World nations have been on the economic slide, since the day when we allowed the
International Jewish bankers to control our economic systems. In every nation of Christendom,
finances have become an almost unsurmountable problem. In the United States, for example, we
borrow $68-billion from the Internationalists at extremely high interest rates, so that we can give it
away in Foreign Aid. While American industries are closed for lack of financing, the same banks
which charge American business men 18% interest, are loaning it out to the Israeli and Third World
nations at from 2-3% interest and no payment for ten years. Who picks up this enormous tab? The
long suffering American tax-payer. I imagine you have similar problems.

But our economic problems, as tremendous as they may be, are not to be compared with the moral
and spiritual collapse which has taken place during the past fifty years. At one time, most of our
people possessed a virtue known as "righteous indignation." This is the ability to see something
wrong and the "guts" to do something about it. Today it seems as though most of us have developed
the philosophy which says: "Twenty years ago I would have said this was wrong. But today, I don't
know. Maybe it's ok. Times change you know." We seem to have forgot that right and wrong never
change, any more than the Law of Gravity or the "boiling and freezing point of water." This can be
illustrated by an incident which took place at Ohio State University a few years ago, during the international controversy over the killing of seals in Newfoundland. I picked up a magazine in the Student Union. In it was a full page picture of a baby seal, lying on a blood covered ice. It was an impassioned plea for the University professors and students to join an organization for the protection of seals. I really had nothing against it. But on the opposite page was this advertisement: "If you have an unwanted pregnancy and want to get rid of it, call this telephone number..." I thought: "My God! What have they done to our young people, that they want to protect baby seals, yet can see nothing wrong in the murder of 2-million unborn babies." This kind of thinking is not natural for white youth and can only be brought about by the "mental child molesters" in our society, who seek to destroy us.

Most of our people, and I'm speaking about White Christians for the most part, refuse to accept the dangers we face. How can they, when they are being led astray by their religious leaders. When they are told: "Don't worry so much! You won't be here when it gets real bad!" I wonder if they would have the guts to tell that to a Chhingian brother who is suffering behind the Iron Curtain?

Instead of front line soldiers of the Cross, we have raised a generation of spiritual cowards and weaklings, who hide in their spiritual foxholes, while they fold their holy hands in prayer and ask God to handle the dirty work He gave them to do." When Christians refuse to take a stand, then our countries are finished.

Why do good people shy away from the truth? I believe it is because the truth "scares hell out of them;" and I'm not using this as a cuss word.

Yet these same folks, if they were driving down a country road in a storm and through the sweep of their windshield wipers, their headlamps picked up a sign which said DANGER - DETOUR - BRIDGE OUT! How many do you know that would stop their machine, throw rocks at the sign and then drive off into the river? Not very many! Yet this is essentially what the Free World has been doing for fifty years or more. We are like the man who wakes in the middle of the night, as his watchdog barks warning of an intruder. He takes his gun, goes downstairs and blasts the dog, and goes back to sleep believing everything is all right. This is how stupid we have been!

Very few of our people have ever experienced real hunger. Very few of the Free World people know the meaning of "gut wrenching fear." Most of our very poorest people live better than 75% of the rest of the world. But I have seen the result of Communist hatred for Christianity.

Have you ever seen a baby swung by his heels against a tree or a stone wall? Have you ever seen a man impaled alive on a sharpened bamboo pole and while he screams his life away, his wife, close to nine months pregnant is stripped and raped before his eyes, over and over again, then has her breasts hacked off, so that she runs screaming through the preets, spattering blood on the onlookers? Have you ever seen Catholic nuns crucified against the walls of their church by bayonets driven through the palms of their hand and listened hour after agonizing hour to their screams and pleas for mercy? Have you ever seen a young woman nailed to the branch of a tree, with spikes driven through her breasts, while a bundle of rice straw, soaked in oil is bound between her bare thighs and set on fire? Have you ever had the enemy practice on you? I have! I promised my God: "God, if you get me out of this mess and get me back to the country I love and the people I love, I'll do everything within my power to see that this doesn't happen there." Yes, I get upset and angry, when I see the deliberate manner in which they seek to destroy us.

When will we get it through our thick skulls, that our people will not be rescued because we are White, or because we are Christian Israelites. The Formula for our Survival has been given to us. It is found in the Old Testament, 2 Chronicles 7:14, many of you know it from memory: "If my people, which are called by my name (the only one's in the world who go by the name of Jesus Christ, are the people of Christendom), will humble themselves; and pray, and seek my face, and turn from their wicked ways: then will I hear from heaven, and will forgive their sins, and WILL HEAL THEIR LAND." This healing will come when our people are willing to share their blood,
and tears, and prayers - then and only then will we remain free.

We used to sing a great hymn in our churches:

```
Must I be carried to the skies,
On flowery beds of ease;
While others fought to win the prize,
And sailed through bloody seas?
"No I must fight, If I would reign;
Increase my courage, Lord;
To bear the toil, endure the pain;
Supported by Thy Word!"
```

This was the spirit that made our fore-fathers victorious over every obstacle they encountered; it is the spirit which can save Christendom, now - if our people really care.

Many years ago, the American Communist leader Gus Hall made this prediction: "I will live to see the day," he stated, "when the last Congressman is strangled to death with the guts of the last preacher. I will see the day when 60-million hopelessly diseased Capitalist animals in America are hauled away to the liquidation centers by the Commissars. If the Christians like blood so much - and they are always singing about it in their church services - we will give them all they can stand, as -we slit the throats of their children, and drag their bodies across the church altars. May the parents drown in the blood of their own children." I want to remind you that this was not some Asiatic savage; it was not someone from the heart of Africa who made this statement. This was a prediction by an American Jew, of what he would do in America, if he ever came into power. We must not let them succeed.

When will the Free World wake up? Will we take a stand when our "ships of State" flounder on the Internationalists rocks? Will we wake up when Asiatic hordes goose step down our city streets? Will we become alert to what is happening when they rape our wives and daughters and murder our sons? It will be too late then. Will we wait until they close our churches and burn our Bibles? I rather doubt it. I have found from dealing with young men during three wars, that if you will not accept discipline and follow orders, when you are in training and when you can do things within the law; the chances are that you will never do it when your neck is on the "chopping block."

Yes! I'm upset. I have gone by your home at 3 a.m. in the morning and have seen the smoke as it poured from your basement window. I know your house is on fire and that I should stop and wake you up. But I don't want to disturb you so early in the morning, so I drive past. You and your family die and before God, I would be as guilty of murder as if I had held a gun to your heads and blown your brains out. This I refuse to do. I am frightened by the Word of the Lord as seen in Ezekiel 33:6 - "If the watchman see the sword come, and blow not the trumpet, and the people are not warned; if the sword come, and take any person from among them. . .his blood will I require at the watchman's hand."

This is why I warn you; gently if possible; harshly if necessary. "Am I to become your enemy, because I tell you the truth?"

The Choice Is Yours

The Greek world had a great deal of influence on Christianity. Not only was Greek the "universal" language of the first century A.D., but it was the Greek Christians, who stood up and resisted attempts by the early Judeo-Christians, who insisted that Christians must become Judaized before they could be Christians. This in itself should give some answers to honest Bible scholars regarding Judeo-Christianity.

Rabbi Adolph Moses, writing in his book YAHVISM AND OTHER DISCOURSES, says on page 1: "Neither in Biblical nor post-Biblical, neither in Talmudic or much later times, is the term Judaism ever used."

According to the footnotes in Malcolm Ross' book CHRISTIANITY VS. JUDEO-CHRISTIANITY, p. 59, he said: "This is not an uncommon impression and one finds it sometimes among Jews as well as Christians - that Judaism is the religion of the Hebrew Bible. It is of course, a fallacious impression."

Michael Rodkinson, a translator of the TALMUD into English, says in his book THE HISTORY OF THE TALMUD, p.70: "The Talmud is the written form of that which in the time of Jesus, was called the 'Tradition of the Elders,' and to which He makes frequent allusions." Jesus as you remember, used some of His choicest criticism against these traditions.

Modern Jewish historians such as Graetz and Klausner, distinguish between the "pagan Christians (Greek) and the Judeo-Christians (Judaizers)". It is interesting to note that it was the Greeks who fought this fatal trend, while the Judeo-Christians, then as now, had friendly relations with the blasphemous Talmud.

We cannot condemn Peter and the other disciples for clinging to the vestiges of Judaism, since it was all they knew until Christ came.

Actually what they had been taught was HEBREWISM, not JUDAISM. The early disciples were bothered by some of the same problems which "bug" the Christian church of today. Are the written Ten Commandments and the Law, as given to Moses on Mt. Sinai for our use today? How much of the old law should we retain and what if any should we reject?

The early Jews suffered a great deal from inbreeding and knew that they would gain if they could Judaize the non-Jews among whom they lived. Apparently they had done a good job by the time of Christ, for one of His harshest criticisms was directed against their proselytizing efforts: "...when he is made, ye make him twice the "child of hell as yourselves," (Matt. 23:15).

So being Jews, and devious as always, (remember what Jesus called them in John 8:44 "liars from the beginning,") they would grant their new convert admission to Judaism, as "proselytes of the gate." These strangers might become Judaists, but they were never considered to be Jews. You could only be a Jew through birth. The same holds true today.

When Christians ignore this basic distinction between Jews and those who had been Judaized, they fail to realize that even if the eleven disciples, who were Galileans and who practiced Judaism, were of a different racial origin from the Jews, they were not considered Jews. There is much proof, that these Galileans were Aryan Gentiles (from the nations of Israel).

Circumstances made the Jews and Galileans neighbors, but it did not make them of the same racial background. On occasion they fought each other and at different times they were allies against common foe. It is interesting to note, that the first time the word "Jew" is used in the King James Version of the Bible, is 2 Kings 16:6, when the "Jews," were fighting against the Israelites. (Didn't your pastor tell you that "jews" and "Israelites" were the same people?)
The Galileans showed few Jewish traits. They were extremely nationalistic and were known for their love of freedom. They were despised by the Jews in Jerusalem as "country bumpkins." I guess in modern terminology, they would have been called "hillbillies," or "red necks." Even the Talmud comments on these differences, by saying: "They are more anxious for honor than for money." Of course the contrary was true of the Jews.

While the Jews tried to leave the impression that the Galileans were an illegitimate people, they were evidently envious of Galilee's natural resource and the superior contacts she had with the outside world.

It is rather absurd for anyone, Bible student or pastor alike, to say that Jesus came from the parasite race of Jewry, just because it is to the benefit of the Jews to have us believe this. The contrast of His character, with those of the Satan's brood in Jerusalem should cause an intelligent individual to ask some searching questions.

The burden of proof, that Christ the Son of the Living God, belonged to a group which He characterized as "children of Satan," "poisonous reptiles," and "hypocrites," should rest on the shoulders of those religious simpletons who would foist off this age-old heresy on the Christian world.

The story of Jesus at the well of Samaria is a good illustration of the deep animosity between Jews and Galileans. Here Jesus was mistaken for a Jew, and unless you do some deep study on this passage, you might get the idea that he was accepting this title. Nothing could be further from the truth.

Some may say: "But Jesus was not the enemy of Judaism!" and I could truthfully answer: "Only as light is the enemy of darkness." Christ came to show mankind the only way to God.

Yes, He followed the customs of Hebrewism, such as the Passover, since this was a national as well as a religious feast. He taught in their synagogues, since that was the place where public speakers spoke. When He gave His disciples His parting instructions in Matthew 28:19, 20, He did not tell them to abandon Judaism, He said: "preach the gospel of the Kingdom." This amounted to the same thing, for Christianity was a "non-Jewish" religion from the very beginning, although its first converts were Jews by religion. Christianity was an "all-inclusive" religion to which all men could come; as they were called by the Father. Judaism was a closed religion, suited only to a "contrary people."

Christianity was not a religion of racial superiority. It did not envision Israelites as dictatorial rulers with thousands of heathen slaves. This was the vision of Judaism as seen in the TALMUD, where each Jew was promised 2,000 "goyim" slaves. In Christianity, the Leader said: "first learn to serve... He that Levites his life shall lose it; he that loseth his life for my sake shall find it." These principles were completely contrary to what Judaism taught.

If you are honest my friend, can't you see the depth of the abyss which separates Judaism from Christianity? Judaism said "An eye for an eye, and a tooth for a tooth." Christianity teaches "do unto others, as you would have them do unto you." Judaism makes men slaves of a heathen philosophy. Christianity sets men free.

Judaism is a narrow, bigoted religion, fit only for that peculiar people whom the Apostle Paul said: "Pleased not God and are contrary to all men," (I Thess. 2:15). Where Judaism says "only Jews may know our God," Christianity says: "Whosoever will may come!"

How utterly ridiculous to believe that the magnificent freedom of Christianity could spring from the bigoted ranks of Judaism.

Christ was not a revolutionary, as many try and picture Him. He was "evolutionary." By this, I mean, He did not come to destroy other religions, but to preach the kingdom of God. His was a positive ministry. He came, so He said, specifically to the "lost sheep of the house of Israel." This did not refer to unsaved Jews, as many preachers try and explain. He came to the house of Israel,
which was scattered abroad as punishment for their evil ways. He came to bring them together again as a "nation of priests ... show forth the praises of God who had called them out of darkness, into His marvelous light," (I Peter 2:9).

When Peter began his ministry, he went to those he knew. These were people who were already Judaized; probably most of them were not Jews. He emphasized the Judaic concepts because this was all he knew. But this compromise between Christianity and Judaism could not endure. The two are irreconcilable. The Jewish leaders knew this and after publicly murdering the leader of the new faith, they set out to "stamp it out." They forbade the Apostles from performing acts of healing and public preaching. They threw them into prison, they beat them up, they harassed them from house to house and city to city.

In Russia, this trend toward destruction can be seen, when in the first year of Jewish-Communist occupation (at this time, over 90% of the top leaders in Communism were Jews), 31 bishops, 1650 ministers and priests, and over 2-million Christians were brutally murdered. This included the murder by a Jewish assassin of the Emperor and his entire family. In the years that followed, millions were driven to death by the rigors of the slave camps and by planned starvation, which in the Ukraine alone, killed over 6-million people.

To date, a conservative estimate of official murders by Communist regimes around the world, stands at the terrible figure of 140-million.

While some "little Jews" deny this holocaust, Jewish leaders gloat over it. Shortly after the takeover of Russia in 1918, Rabbi Stephen Wise, the top Jew in the United States was asked his opinion of the revolution. He replied: "Some call it Communism: I call it Judaism." The JEWISH CHRONICLE, for April 4, 1919 said: "...there is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant with the finest ideals of Judaism..."

Count Mensdorh, the Jewish Ambassador from Austria to England, stated at the end of WWI - "Israel won that war; we made it, thrived on it, profited from it. It was our supreme revenge on Christianity."

M. Hermalin, a Jew, wrote in 1917, "The Russian Revolution was made by Jews. We created secret societies and planned the Reign of Terror. The Revolution succeeded by our convincing propaganda, and our mass assassinations in order to form a government truly ours."

THE AMERICAN HEBREW, leading Jewish newspaper in the United States, carried an article in its August 10, 1920 edition which said: "The Bolshevik Revolution is Russia was the work of Jewish brains, of Jewish planning, whose goal was to create a new world order. What happened in Russia, shall also, through Jewish mental and physical forces, become a reality over all the world."

The Jewish periodical, THE JEWISH WORLD, London, January 16, 1919 carried an article which said: "International Judaism forced Europe into the war (WWI), not only to seize a large part of the gold but to start a new Jewish World War (W.W.II) by the help of this gold."

I could go on with hundreds of pages of quotations from Jewish sources, where they brag about their destruction of Christendom and their intentions of world power in the future.

Judaism has always been a contradiction. While it calls itself International, it has always been International. While it claims to be the source of the Christian religion, it calls its founder an "illegitimate bastard." While it preaches "pacifism," it has been the source of all wars for over 150 years.
The Christian Soldiers Psalm

(True safety comes only through the mercies of YAHWEH God!
A Close look at Psalm 91 - the Soldiers Psalm

by Col. Jack Mohr

Deliverance Through the Soldiers Psalm

During World War I, the 91st Infantry Brigade of the U.S. Expeditionary Army was preparing to enter combat in Europe. Most of the men were "green soldiers who had never seen combat. Its commander, a devout Christian called an assembly of his men, where he gave each a little card on which was printed the 91st Psalm. They agreed to recite the Soldiers Psalm daily.

The 91st Brigade was engaged in three of the bloodiest battles of WWI; Chateau Thierry, Belle Wood, and the Argonne. While other American units similarly engaged had up to 90% casualties, the 91st Brigade DID NOT SUFFER A SINGLE COMBAT RELATED CASUALTY!

This Psalm shows the "safeguard, the haven of rest," for the true Christian soldier. I want to discuss it in detail in this pamphlet. We will look closely at this marvelous Psalm in an effort, under the guidance of God's Holy Spirit, to understand its true meaning and significance.

In a world in which the majority of Christians have been led astray by false Jewish doctrines, such as that of the Rapture, which has emasculated Christian soldiers and made them useless on the battlefield; in a day when Christians are being "brainwashed" by alien fairy stories and are "departing from the faith, giving heed to seducing spirits, and doctrines of devils," (1st Timothy 4:1), it behooves each of us who dares to name the name of YASHUA the Christ and claim Him as our King, to look to the only source which can offer us true refuge from the destruction which is wasting the Christian world in these the most trying and critical times to ever hit old Mother Earth.

Some who read this will be war veterans who have been tried and tested in the fiery crucible of war. You will better understand the "gut wrenching" fear which comes when a man is under fire and cannot defend himself. To the civilian who has never experienced this, I speak to you through personal experience gained in two of our Zionist imposed wars (World War II and Korea). In both these wars, I served as a front line infantryman, both in enlisted and officer grades. I have four Purple Hearts and numerous other decorations to show for this. In Korea, I was the first American wounded and the first to be decorated, winning a Silver Star during the opening hours of that "no win" war. I do not say this to brag, but to let you know I have been there and know whereof I speak.

When the War began in Korea on June 25, 1950, I was working as an Advisor with a South Korean Regiment, at the little town of Pochon, on the 38th Parallel, north of Seoul. I was what you might call a "nominal Christian," or as I like to put it, an "Alka Seltzer Christian", one who goes to church and "fizzes for an hour on Sunday morning, when it is convenient, then lives for the devil most of the rest of the week. I had seen a miracle take place in 1948, eighteen months before the Korean War began, when during
a Communist attempted military coup against the South Korean government, most of the Infantry Regiment I was advising (19th Infantry) had joined the rebel forces, taking over the Province of Chollo-Namdo, the cities of Yosu and Sunchon and murdering over 3800 civilians in an effort to control this territory. After being mistreated and facing a Communist Peoples Court, God had miraculously saved me from a Red firing squad. (See my testimony in COMMUNIST TERROR IN PEACEFUL HEAVEN.)

Four times during that abortive war, I went through the terrifying experience of being millimeters from death or serious injury and four times a miracle had occurred. I had seen Korean soldiers falling like flies all around me, but it had not come nigh me. Just as the Psalm states. I could not understand at that time, why YAHWEH GOD would spare an old reprobate like me, who had deliberately "spit in His face" so many times. How can God take a man like this and turn Him into a "watchman on the walls of Israel America?" To me, this was also a miracle.

One day, during the early days of the Korean War, as I casually looked through my Bible, which wasn't too often, I'm afraid to confess, I came across the 91st Psalm. It was written especially for Jack Mohr. While I was not able to understand much of the symbolism of the book of Daniel, or Revelation, here was something I could understand and apply to my life, for I was seeing it take place every day. Just the day before, I had stood in the school yard of a little town, as the enemy shelled us with heavy mortar fire. I saw a mortar round drop less then ten yards away, the explosion knocking me to the ground and deafening me for a week. I did not get a scratch, yet several Korean soldiers, over 75 yards away, were killed or wounded. Why? Then when I read this Psalm, I understood why it was written for me, and for any other Christian who has been in, is, or will be in a position of danger. It is a promise from YAHWEH, the Almighty God, as well as eternal hope to those who love Him and seek to serve Him. I start every day by reading it.

So lets take some time to dissect this marvelous piece of literature, most probably written by David, when he was living as a fugitive in the mountains of Judea (see 1 Samuel 23:19-26; 24). We will take it apart verse by verse, using the King James Version of the Bible, and see what it really says to the Christian soldier.

**PSALM 91**

**Verse 1** - He that dwelleth (Heb. "yashab" - 3427 meaning: "to dwell; settle down; habitation; house") in the secret place (Heb. - "cithrah" - 5643 meaning: "covered; covert; protection of") of the most High (YAHWEH GOD) shall abide (Heb.- "liyn" - 3885 meaning: "to stay permanently; continue in; dwell in; remain in) under (Heb. - "tachath" - 8478 meaning: "the bottom; beneath; underneath") the shadow (Heb. "tsel" - 6738 meaning: "literal defense of.") of the Almighty. (Yahweh God).

Then in Psalm 30:20 as a backup to this, we read: "Thou shalt hide them (those who trust in God) in the secret of thy presence from the pride of men: thou shalt keep them secretly in a pavilion. (Heb.- "chukkah" - 5521 meaning: "lair; cottage; covert") from the strife of tongues."

**Verse 2** - I will say of the Lord (Heb. - "YAHOVAH" - 3068 meaning: "the self-existent or Eternal God and let me say here it does not mean Baal, as some preachers will try and tell you. Whenever it is capitalized it refers to YAHWEH.) He is my refuge (Heb. - "machceh" - 4268 meaning: "shelter; hope; place of refuge.") and my fortress (Heb. -
Then in Psalm 142:5 we hear the heartfelt cry of David, as he was hiding in a cave from King Saul: "I cried unto the Lord: I said, Thou art my refuge and my portion in the land of the living." Verse 7 - deliver me from my persecution: for they are stronger than I." Oh how we need to think on this verse as we come against an enemy whose strength seems to be overwhelming.

**Verse 3** - Surely He shall deliver (Heb. - "natsal" - 5337 meaning: "to snatch away; to defend; to rescue; save") thee from the snare (Heb. - "pach" - 6341 meaning: "a spring net; a snare.") of the fowler (Heb. - "yaguwsh" - 3353 meaning: "one who snares; one who catches fowls in a net").) and from the noisome (Heb. - "havvah" - 1942 meaning: "One who eagerly covets; desire; calamity; perverse thing; very wicked.") pestilence (Heb. - "deber" - 1698 meaning: "pestilence; plague; a destroyer.")

This idea of being "ensnared" by an evil enemy is seen in Psalm 124:7 - "Our soul is escaped like a bird out of the snare (trap) of the fowlers; the snare is broken, and we are escaped."

**Verse 4** - He (God) shall cover (Heb. - "sokak" - 5526 meaning: "to fence in; to cover; to defend.") thee with His feathers (Heb. - "ebrah" - 84 meaning: "feathers; or wings." Giving the impression of a mother bird sheltering her brood under her wings. See Matthew 23:37) and under His (Gods wings shalt thou trust: Heb. - "chocoh" - 2620 meaning: "to flee for protection; make a refuge.") Note that the word "trust" as used here has a different meaning than the same English word used in Verse 2.) His truth (Heb. - "emeth" - 571 meaning: "stability; certainty; trustworthiness") shall be thy shield (Heb. - "tsinnah" - 6793 meaning "a large shield which covers the entire body" and buckler. (Heb. "cocherah" - 5507 meaning: "something surrounding a person for protection; a shield.")

In Job 5:19 we read: "He (YAHWEH GOD) shall deliver thee in six troubles; yea, in seven there shall no evil befall thee."

Psalm 112:7 - "He shall not be afraid of evil tidings: for his heart is fixed, trusting in the Lord (the Eternal God)."

Proverbs 3:23 - "Then (when you have wisdom from God) shalt thou walk in thy ways safely, and thy foot shall not stumble."

Isaiah 43:2 - "When thou passeth through the waters, I (God) will be with thee: and through the rivers, they shall not overflow (Heb. - "shataph" - 7857 meaning: "by implication to inundate; to conquer; to drown; wash away") thee: when thou walketh through the fire (Heb. - "esh" - 784 meaning: "burning; fierce; fiery; flaming hot") thou shalt not be burned; neither shall the flame kindle upon thee." (Here we need to read Daniel 3:24-27). It is the story of the three Hebrew boys in the fiery furnace of King Nebuchadnezzar: "Did we not cast three men bound in the midst of the fire? "...Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God. Vs.ot h-
"And the princes, governors, and captains, and the kings counselors, being gathered together, saw these men, upon whose bodies the fire had no power, nor was an hair of their head singed, neither were their coats changed, nor the smell of fire had passed upon them." **Halleluyah!**

I want you to remember that our God, **YAHWEH THE ALL-POWERFUL**, the God we worship today, is the same God we see in Daniel, with the same power today He had then.

In Isaiah 59:1 we read: "Behold the Lords hand is not shortened (Heb. - "gatsar" - 7114 meaning: "wax short; vexed") that it cannot save; neither is His ear heavy (Heb. - "kabed" - 3513 meaning "previously afflicted") that He cannot hear."

**Verse 5** - Thou shalt not be afraid (Heb. - "tare" - 3372 meaning: "frightened; dreadful; fearful") for the terror (Heb. - "pachad" - 6343 meaning: "an object to be feared, a dreadful thing; great fear) by night (during the night session); nor for the arrow (Heb. - "chets" - 2671 meaning "thunderbolt of God; dart) that flieth by day. (Could this refer to a guided nuclear missile? I believe it could!)

**Verse 6** - Nor for the pestilence (same as in Vs. 3 - plague) that wasteth (Heb. - "shuwd" - 7736 meaning: "to devastate; waste") at noonday.

**Verse 7** - A thousand shall fall (Heb. - "naphal" - 5307 meaning "to fall; be cast down; die; perish) at thy side, and ten thousand at thy right hand; but it shall not come nigh (Heb. - "nagash" - 5066 meaning: "come near for any purpose; as an enemy to attack; approach; come near) thee.

**Verse 8** - Only with thine eyes shalt thou behold (be conscious of) and see the reward (Heb. "shillumah" - 8011 meaning: "retribution; reward) of the wicked. (Heb. - "rasha" meaning: "Bad person; ungodly; wicked man.")

In Malachi 1:5 we see a further explanation of this idea as the prophet foretells the fate of Esau-Edom (the Jews) who have attempted to usurp Israel in Palestine: in verse 4 we read: "...They (Esau-Edom) shall build up, but I (YAHWEH GOD) will throw down; and they (Israel) shall call them (the Jews-Esau-Edom). The borders of wickedness, and, the people against who the Lord hath indignation (hatred; anger) forever." Then in verse 5, spoken to true Israel: "And your eyes shall see, and ye shall say, the Lord shall be magnified from the border of Israel."

The reason "true Israel" will be able to see the destruction of Gods enemies without being hurt is found in verse 9 of the 91st Psalm.

**Verse 9** - Because thou (Israel) hath made the Lord which is my refuge (shelter, the same as in Vs. 2) even the Most High thy habitation (Heb. - "maoun" - 4582 meaning: "abode; Tabernacle; dwelling place. Refer back to verses 1 and 2.)

**Verse 10** - There shall no evil (Heb. - "raad" - 7461 meaning: "fear; trembling") befall (Heb. - "anah" - 579 meaning: "approach; happen to) thee, neither shall any plague (Heb. - "nega" - 5061 meaning: "affliction; plague") come nigh thy dwelling. (Heb. - "Ohel" - 168 meaning: "home; dwelling place.")
Proverbs 12:21 furthers this idea of God’s protection on His own: "There shall no evil happen to the just: but the wicked shall be filled with mischief." (Heb. "ra" - 7451 meaning: "distress; adversity; affliction; grief; sorrow; wretchedness.

**Verse 11** - For He (God) shall give His angels (Heb. - "malak" - 4397 meaning: "to dispatch as a deputy; a messenger from God; an ambassador) charge (Heb. - "tsavah" - 6680 meaning: "command of; give charge of; send with) over thee, to keep (Heb. - "shamar" - 8104 meaning: "to hedge about; to attend to; to preserve; save) thee in all thy ways (Heb. - "derek" - 1870 meaning: "course of life; journey; pathway.") Psalm 34:7 - (Heb. "chanah" - for a siege; dwells) and delivereth them."

Psalm 71:3 - "Be thou (YAHWEH GOD) my strong habitation, whereunto I may continually resort; thou hast given commandment (orders) to save me: thou are my rock and fortress."

(See also Matthew 4:6 and Luke 4:10, where Satan quotes this same Scripture of Jesus as He is tempted in the wilderness.)

Hebrews 1:14, speaking of God’s angels says: "are they not ministering spirits, sent to minister (Gk - "dikonia" - 1248 meaning: "in attendance on; servants; serve") for them who shall be the heirs of salvation." In other words: The angels are "ministering servants" to those who are CALLED ACCORDING TO GOD’S PURPOSE, (Romans 8:28).

**Verse 12** - They (the angels) shall bear thee up in their hands (Heb. - "kaph" - 3709 meaning: "the hollow of the hand) lest thou dash thy foot against a stone.

Job 5:19-23 - Speaking of those who love and obey God: "He (God) shall redeem thee from death: and in war from the power of the sword (nuclear destruction?) Thou shalt be hid from the scourge of the tongue (false accusations of the enemy): neither shall thou be afraid of destruction when it cometh. At destruction and famine thou shalt laugh: neither shalt thou be afraid of the beasts of the earth. (Could this possibly refer to people other than the Adamic race?) For thou shalt be in league with the stones of the field; and the beasts of the field shall be at peace with thee."

Psalm 37:24 - "Though he fall, he shall not be utterly cast down; for the Lord upholdeth him with His hand."

**IF THESE SCRIPTURES DO NOT WANT TO MAKE YOU SHOUT WITH JOY, ITS BECAUSE YOU ARE SPIRITUALLY DEAD!**

**Verse 13** - Thou shalt tread (Heb. "darak" - 1869 meaning: "tread down; walk on) the lion and adder (poisonous snake); the young lion and the dragon (serpent) shalt thou trample under feet.

**Verse 14** - Because He (God) hath set His love upon me (His "born from above" child) therefore will I (God) deliver him: I will set him on high. (Heb. "sogah" - 7682 meaning: "in an inaccessible place; safe place) because he hath known (Heb. - "yada" - 3045 meaning: "acknowledged; recognized; had respect for" my name.
Some preachers say this verse refers to God's love for His Son, Jesus. But it goes much deeper than this and extends to those who know Him personally and who love and obey His laws.

Psalm 9:10 - "And they that know (respect) Thy name will put their trust in Thee: for thou, Lord, hast not forsaken them that seek Thee."

**Verse 15** - He (the one who knows God as Savior) shall call on Me, and I (God) will answer him: I will be with him in trouble (Heb. "tsarah" - 6869 meaning: "adversity; affliction; distress; tribulation; trouin H), I will deliver (Heb. - "palat" - 6403 meaning: "cause to escape; cause to deliver; carry away safe) him and honour (Heb. - "kaved" - 3513 meaning: "make rich; make honourable; be held in honour; promote to honour) him.

Psalm 50:15 - "and call upon Me (God) in the day of trouble, and I (God) will deliver thee, and thou shalt glorify Me." (See also Isaiah 43:2).

1st Samuel 2:30 - "for them that honour Me (God) I will honour, and they that despise Me shall be lightly esteemed."

Proverbs 3:1, 2 - "My son, forget not My law; but let thine heart keep my commandments. For length of days, and long life, and peace shall they add to thee."

**Verse 16** - With long life will I (God) satisfy (Heb. - "sabea" - 7646 meaning: "fill to satisfaction; have enough to fill; plenty of) him, and show him my salvation. (Heb. - "yshuwha" - 3444 meaning: "deliverance; victory; salvation.")

**Now lets take these Hebrew translations and put them together in an attempt to see what this Psalm says in its original Hebrew form:**

**Verse 1** - He that settles down in the protected place of the most High (Yahweh God), shall dwell permanently beneath the defense of the Almighty.

**Verse 2** - I will say to the Eternal God, He is my place of refuge and my defended place; my God, in Him will I be secure.

**Verse 3** - Surely He (God) will rescue me from the trap of those who seek to entangle me and from the very wicked destroyer.

**Verse 4** - He (God) shall defend me under His feathered wings, and under His overspreading wings shalt you flee for protection. His trustworthiness shall be your shield and He will surround you with a fence for your protection.

**Verse 5** - You shall not be fearful for the dreadful thing which comes at night; nor for the thunderbolt of God that flies by day.

**Verse 6** - Nor for the plague that devastates at noonday.

**Verse 7** - A thousand shall die at your side and ten thousand at your right side; but it shall not come near to attack you.
Verse 8 - Only with your eyes will you be conscious of the retribution of the wicked.

Verse 9 - Because you have made the Eternal One which is my shelter, even the Self-Existent One your dwelling place.

Verse 10 - There shall no fear approach you, neither shall any affliction come close to your house.

Verse 11 - For God shall send His special messengers to be with you, to hedge you about and attend to you in all your journey.

Verse 12 - They (the angel messengers) shall bear you in the hollow of their hands so that you shall not stumble or hurt your foot against a stone.

Verse 13 - You shall walk on the lion and the poisonous snake; the young lion and the sea serpent you will tramp under your feet.

Verse 14 - Because God has set His love upon me, (His "born from above child") therefore will He deliver me.

Verse 15 - I will call upon God, and God will answer me. God will be with me in tribulation. God will cause me to escape and will promote me to honour.

Verse 16 - With long life will God fill me with satisfaction, and He will show me His deliverance and victory.

There is one reservation which needs to be noted in both verses 15 and 16. It is found in Isaiah 59:1,2. Many Israelite Christians seem to feel that they can call on God at any time and He is bound to hear and answer them. Verse 1 tells us that God's power has not diminished over the centuries. He is still the same God of power that opened the Red Sea for our ancestors in 1491 B.C. He is still the same God that stood beside the shepherd boy David and guided the stone from his sling as it sunk into the head of the giant Goliath. He still has the power to save His people.

But verse 2 clearly tells us there are times when God will not even listen to our prayers. This is when we have sinned, broken God's law, and this sin has corroded the contact points between us and the power supply which is now found in the Holy Spirit.

We should never allow a day to end, in which we do not take a "self-inventory" and then use the marvelous "safety valve" God has provided for us in I John 1:9 - "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." With all due love and respect for our Israelite friends of the Catholic faith, this means that you do not have to go to God through a priest. You can approach the Father directly through Jesus Christ, who is now the Advocate before the Father.

There is one very important thing each of us MUST understand. This special "Father-son" relationship does not come because we are "white", or because we have the blood of Abraham flowing in our veins.

One day, Jesus told a very fine Israelite named Nicodemus, that if He ever wanted to see the Kingdom, he would have to have a change of heart. (John 3:3.) This verse should have been more accurately translated: "Born from above."
God created us to have eternal fellowship with Him. It was the waywardness of our first parents, Adam and Eve, the father and mother of the white race, that caused us to be born with a "sin nature."

So before we can claim this wonderful "Father-son" relationship, we must have the spiritual experience of accepting the King, Jesus, as our Commander-in-Chief. Some people call this being "saved," which again is in error. They try and change this into something mystical which is not necessary. It was never intended to be something we cannot understand. In fact, we cannot come to God unless we are led by His Spirit. Romans 8:14 tells us: "for as many as are LED by the Spirit of God, they are the sons of God."

You may ask: "Does every Israelite need to go through this process?" and we find the answer in Romans 3:10 where we are told: "...There is none righteous, no not one." Verse 12: "...there is none that doeth good, no, not one." Verse 23: "For ALL have sinned and come short of the glory of God."

You may ask: "What is sin? And we find the answer in 1 John 3:4 - "Whosoever committeth sin transgresseth also the law; for sin is transgression of the law." So if you break Gods law, either deliberately or through ignorance, you are a sinner. Have you ever known any man or woman who has not in some way broken the basis of Gods law as found in the Ten Commandments? The Bible says that any who says they have not sinned are liars (1 John 1:8).

In Romans 6:23, we learn that the "wages of sin is death" and that eternal life comes through Jesus Christ our Lord. This goes back to the Natural Law of Genesis 2:17, given centuries before the codified law was given at Sinai.

Then we might ask: "But isn't there some way in which a person can save themselves?"

And again we resort to Gods Word in Ephesians 2:8, 9 where we read: "For by grace (Gods unmerited favor) are ye saved, through faith; and that not of yourselves: it is the gift of God; not of works, lest any man should boast." So we see where we do not become Christians by merely being kind to our family, not beating our dog, and being honest with our fellow men. it goes much deeper than this. in 1st Timothy 1:9 we read; "Who (referring to Jesus Christ) has saved us, and called us with an holy calling, not according to our works, but according to His own purpose and grace, which was given to us in Christ Jesus before the world began."

When we read so much in the Bible and hear so much about evil men being punished in "hell" with Satan and His angels, we might wonder if God wants to save those who are lost and away from Him. John 3:16, one of the key verses of the Bible, tells us that God so loved the "world". Some of you Identity people may resent this, but the word "world" as used here, comes from the Greek word "kosmos" (2889) which means: "by implication the world and its inhabitants." In 2 Peter 3:9 we read: "The Lord (God the Eternal One) is not slack concerning His promise, as some men count slackness; but is long-suffering to usward, not willing that ANY should perish, but that ALL should come to repentance." The Greek word for "any" is "tis" (5100) meaning: "any person; any man; every man; whosoever." The word ALL in Greek is "pas" (3956) which means: "all; every; all manner of; anyone; everyone." Now I hardly think that those of you who want to throw Paul out of the New Testament, -would want to do the same to the Apostle Peter. Yet they agree on this teaching that "anyone whom God calls can come to
repentance." If you dont like that teaching, please dont waste my time by trying to argue with me; take your beef to God, Hes the one who had it written.

Some might say, "But isnt there some other way beside coming through Jesus. What about the Jew who follows his religion, or the Mohammedan, or the Hindu? Wont they be saved. Its not what you believe that counts, its whether you are sincere about it or not." Well let me tell you something, brother, sister, you can be very sincere about something and be sincerely wrong. Sincerity has nothing to do with the truth.

So if we are going to accept the Bible, Gods WORD as our guide, we will need to accept Acts 4:12, where Peter, filled with the Holy Spirit on the Day of Pentecost, told the Israelites gathered in Jerusalem: "Neither is there salvation in any other (than Jesus): for their is none other name under heaven given among men, whereby we MUST be saved." (1st Timothy 5:6 - "For there is ONE God, and one mediator between God and men, the man Christ Jesus." This means again, that a priest cant do it for us.

In John 14:6, Jesus, the Son of God tells us Himself: "...I am the Way, the Truth, and the Life; NO MAN cometh unto the Father, but by me." So when Bailey Smith of the Southern Baptist Convention said a few years ago that God did not hear the prayers of Jews, he was absolutely correct. He listens only to those who come to Him through His Son.

So what must a man or woman do to come into this Father-son-daughter relationship with God, through Jesus Christ? Jesus speaking in John 4:24 said: "...He that heareth my word, and believeth on Him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death into life." (By the way, this is much more than just a head knowledge that you believe there is a God.)

The Baptists dont like this verse, but when the people who heard Peter preach on the day of Pentecost, were stricken in their hearts and asked what they should do, the apostle said (Acts 2:38 - "...Repent and be baptized every one of you in the name of Jesus for the remission (cancellation) of sins, and ye shall receive the gift of the Holy Ghost." So the "repentance" is necessary and the "baptism" is necessary. Then in Romans 10:9 and 10, we listen as Paul explains: "That if you confess with thy mouth the Lord Jesus, and shalt believe in thine heart, that God raised Him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." Then in I John 5:12, 13, the Apostle John tells us: "he that hath the Son hath life: and he that hath not the Son of God hath not life. These things have I written unto you that believe on the name of the Son of God; that YE MAY KNOW THAT YE HAVE ETERNAL LIFE, and that ye may believe on the name of the Son of God."

Im going to get personal now and ask you Israelites who read these words whether you have ever had this personal relationship with the Commander-in-Chief? Answer this to yourself, I dont need to know, but you do! Its essential that you know the Commander in a personal way, if you are going to be successful as a Christian soldier in the war which we are now in. Do you want to claim the wonderful provisions of the 91st Psalm? Then why dont you come to grips with yourself and your God and get in on the winning side.

Soon the war will be over. Soon Jesus Christ will rule as King of Kings and Lord of Lords. Will He be able to recognize you as one of His true followers, or will He have to say to you: "Depart from me, I never knew you?" (Luke 13:27).
BEHOLD TODAY IS THE DAY OF SALVATION!
"Still tis our ancient foe, doth seek to work us woe; his pow'r on earth is great, and arm'd with cruel hate; on earth is not his equal."

FOREWORD

This book is a compilation of many writings published over the past thirty years. While there are many authors, the subject is the same, the subversion of the Christian faith and a concerted drive to destroy the Christian faith and the White Christian civilization which it has engendered and which in spite of all criticism, has done more for the people of the world than any other civilization which
has ever existed.
The religion taught by Jesus Christ and as found in the New Testament of the Bible, has been under intense pressure from the very beginning. The foe has always been the same. There has been no change in their hatred of the Christ or His followers. They still seek world domination and the complete destruction of Christianity.

The major problem we face in these closing days of the Twentieth Century is that our churches, once the bastion of moral and spiritual strength for America, have now become allies, for the most part, with the enemies of Jesus Christ and His church. Our religious teachings have been subverted to conform to what man wants to believe about the future, rather than what God's Word teaches. Christians everywhere, have been weaned away from following God's laws for happy living, by a philosophy which teaches that these laws, which are everlasting, were somehow or other done away at Calvary and that Christ's substitutionary death for the sin of the world, has given Christians a dispensation to break these laws. This has resulted in the curse of God upon our white Christian nations, sometimes called CHRISTENDOM. Today these nations are struggling to remain free from a nefarious influence which is slowly strangling them.

Almost twenty centuries ago, the Apostle Paul put his finger on the trouble makers when he stated in 1 Thessalonians 2:15, that there was a certain people who "Both killed the Lord Jesus, and their own prophets, and have persecuted us; (the First Century Church) and they please not God, and are contrary to all men." These people are the same foe who confront Christianity today in the guise of TALMUDIC JUDAISM, the religion of the PHARISEES, which Jesus Christ hated and condemned. Yet it is these same people who are being aided by our most outstanding fundamental and evangelical churches. It is no wonder that we have problems, when the enemies of God, become the friends of His people.

This book was written to give you an overview of the situation as it has developed during the past thirty years, until today it has become a pressing problem which could well destroy the freedom we have to preach the Gospel of Jesus Christ. For what we fight against today is not merely "flesh and blood," but it is the "spiritual wickedness in high places," which has engulfed the Christian world and which is threatening to destroy our freedom.

This book is a CALL TO BATTLE for the forces of light, over those of darkness. The day of decision is coming soon. Which side will you be on?

CHAPTER I
INTRODUCTION

In a country dedicated and built on the foundations of Christianity, a heathen, anti-Christ philosophy, backed by the "sons of Satan," (see John 8:44) has been flourishing. This religion known as "secular humanism," was the brainchild of International Judaism and has been one of their most effective tools in the seducing of White America; weaning our people, away from the great truths of the Scripture to follow the precepts of men. In the Old Testament, Isaiah 29:13, we read the prophets description of these times: "Wherefore the Lord said: forasmuch as this people draw nigh me with their mouth, and with their lips do honor me, but have removed their hearts from me, and their fear towards me is taught by the precepts of men: Therefore, behold, I will proceed to do a marvelous work among this people, even a marvelous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid." (The word "prudent" in the Hebrew language is "biyn," which means: "cunning; eloquent; wise men, etc.,") It clearly indicates that during this time of apostasy, peril and falling away (see 2 Timothy 3:1-5; 4:3, 4), the same condition would prevail as did during the time of Christ At this time, our Lord accused the Jewish leaders of worshiping God in vain, "...teaching for doctrines, the commandments of men," (Matthew 15:9). In the preceding verse (6) He said: "Ye have made the commandments of
God of non-effect by your traditions."

Isaiah had predicted (30:8, 9), that this people would be "a rebellious people, lying children, children that will not hear the law of the Lord: which say to the seer. See not! and to the prophets, Prophesy not unto us right things, speak unto us smooth things, prophecy deceits."

One of the men in America who saw what was coming, was a Christian patriot named Gerald L. K. Smith. He has been maligned by friend and foe alike and today, there are Christian patriots who still consider him to have been an enemy of Christianity and somehow or other, the agent of the International Jews. On the basis of his record, this seems like a remote possibility. Many of the following articles are taken from his weekly magazine, THE CROSS AND THE FLAG, published thirty years ago. As you read these articles, ask yourself. Have they become a reality in 1985?

CHAPTER II

TELEGRAM TO A CONGRESSMAN

On July 20, 1954, Gerald L. K. Smith sent a lengthy telegram to Congressman Velde, retiring Chairman of the Congressional Committee on Un-American Activities. (Since destroyed by the liberal left in Congress). Here is part of what he said:

Dear Congressman:

Your records will reveal that I was the first person to circulate a petition calling for the continuing support of your committee in the years of 1940 and 1941. Nearly half-a-million names appeared on that petition. As a fighting enemy of Communism I have assembled through the years a dossier concerning the conspiracy to undermine our American Way of Life and overthrow the government of the United States.

I implore you to permit me to appear before your committee as you invited Bishop Bromley Oxnam (a Communist leaning Bishop in the Methodist Episcopal church) in order that I may put into the permanent record of your committee facts which can be confirmed by documented evidence. It goes without saying, that I take issue with Bishop Oxnam and stand ready to produce evidence concerning his left wing associations thus far never presented to your committee. I would like also to present names of individuals of unimpeachable character and reputation who will be willing to testify under oath in confirmation of my statement.

I am aware that the fulfillment of this request might tax the moral courage of certain members of your committee, but I stand ready to be cross-examined without mercy and will not attempt to shelter myself. The records will reveal that some years ago, I attempted to present evidence before your committee concerning the conspiratorial operations of Charles Chaplin (A Jewish-Communist movie actor, who is now being memorialized by IBM in their TV ads.)

Your records will reveal that William Z. Foster, head of the Communist Party, U.S.A. testified before your committee that the two chief projects of their party was the destruction of Gerald L. K. Smith and his movement. In view of this fact, I believe the time has come for you to permit me to appear before your committee for the permanent record.

SIGNED:

Gerald L. K. Smith Los Angeles, CA
The CHRISTIAN NATIONALIST CRUSADE was built on the following ten principles:

1. - Preserve America as a Christian nation, being conscious of the fact that there is a highly organized campaign to substitute Jewish tradition for Christian tradition. (This was before the time of the arch-collaborators, Jerry Falwell and Jimmy Swaggart. However the Judaizers were hard at work even then - ED.)

2. - Expose, fight and outlaw Communism in the U.S.

3. - Safeguard American liberty against the menace of bureaucratic Fascism.

4. - Maintain a government set up by the majority, which abuses no minority and which is abused by no minority. To fight mongrelization (this is a Scriptural teaching - ED.) and all attempts being made to force intermingling of the black and white races.

5. - To maintain the George Washington Foreign Policy of friendship with all nations, with entangling relations with none.

6. - To expose world government and the super-state.

7. - To prove that the worker, the farmer, the businessman, the veteran, the unemployed, the aged and the infirm can enjoy more abundance under the true American system than by any alien system being proposed by foreign propagandists.

8. - Stop immigration to protect American jobs and American housing.

9. - Enforce the Constitution as it pertains to the monetary system. (In other words, no control by foreign bankers; no control by a Federal Reserve - ED.)

10. - To protect and earmark national resources for the use of our own citizens.

While most decent people will find little controversy concerning these principles, the CRUSADE came under bitter and unrelenting attack from the Communist and Jewish elements. Why was everything short of murder tried to silence Gerald L. K. Smith? There has to be some basis for this hatred.

Here are the major reasons for the enemy attack. They apply in 1985 to those of us who have the courage to stand against the same enemy. They are being used today against the CHRISTIAN PATRIOTS DEFENSE LEAGUE, my CHRIST AND COUNTRY CRUSADE and any other white Christian patriotic organization which will tell the American people the truth about what is happening.

1. - If you are anti-communist, then in the eyes of the enemy, you are also "anti-Semitic." The two go hand in hand. When Gerald L. K. Smith called for an investigation into the antics of the Jewish traitor Alger Hiss in the middle 1930's, he was immediately accused of being an alarmist and a rabble rouser.

2. - If you join in the American tradition of expressing Christian, Scriptural convictions on the subject of racial segregation, you will be attacked. We do not believe that hatred for another race should ever enter the subject of segregation, but that it should be approached from a Scriptural perspective. (This is something Evangelist Billy Graham has not done.)

3. - Smith believed, as I do, that Blacks are creatures of Almighty God and that under
our Constitution they deserve life, liberty, and the pursuit of happiness. This includes employment, freedom from want, education and all the values of American life. (If this rubs some of you racialists the wrong way, so be it - it is still the truth!) But Smith believed, as I do, that the forced mixing of the races, involving social mixture of the races through intermarriage, is contrary to the laws of God as set forth in the Scriptures. We both believe that this un-godly movement is part of the Jewish plot to destroy our White Christian civilization. We have the writings of a multitude of Jewish writers to confirm this.

4. - Smith, like myself, was prior to World War II, an AMERICAN FIRSTER! I still believe this is a sound idea. I have nothing but the utmost contempt for those so-called Christian preachers who put the welfare of the Israelis before that of their own people. What more patriotic attitude can one take, than to resolve in his heart that the welfare of his people, and his nation should come first? There have been many great and good Americans who have believed and lived by this principle. These too have been persecuted by the enemy and their "brainwashed" followers.

There are many historic events which have taken place since 1945 which prove this principle to be sound. I believe as did my World War Commander, Gen. George Patton, that we may have fought on the wrong side in World War II, since we most certainly did not fight a "war to end all wars," nor a war "to defend democracy." All the evidence coming from World War II shows that it was fought for the benefit of international communism and its Jewish overlords.

In spite of all the high sounding rhetoric which has come from Washington, D.C. in the 40 years since that war ended, haranguing the American people on how our government has been in the forefront of "stopping the advance of communism," no matter which Party has been in power, our official policy has been to aid the Communists whenever they needed us and we have set them on their feet on at least fourteen major occasions, when they were on the verge of economic collapse. So much for our anti-communist stance! In aiding the Communists, we have made a multitude of Jewish banking billionaires.

Many knowledgeable Americans know that while we "won" World War II, we "lost" the peace.

Our hypocritical leaders said we fought this war to save Poland and other Iron Curtain countries from the threat of Nazism. Then we turned around and gave these same countries into the hands of a more savage Stalin. This treason was accomplished at Yalta and Potsdam with the help of Jewish advisors.

We said we must protect China from the military ambitions of Japan, then turned against the Nationalists and handed China over to the Communists. So you see, those of us who believe World War II might have been avoided, with millions of lives saved, and countless billions of dollars spent on peaceful pursuits, were not so wrong after all.

5. - I also observed, what Smith had seen a long time before, that if you took an uncompromising stand against communism and fought it effectively, you would be
viciously smeared You would be labeled a "fascist," a "neo-Nazi," a "member of the lunatic fringe," an "anti-Semite," and the most vicious attacks would always be led by Jews. Figure it out for yourself!

One of the men who was unmercifully smeared by the communist-Jewish enemy, was Martin Dies, Congressman from Texas, head of the House Committee on Un-American Activities. This was popularly known as the DIES COMMITTEE. Dies began his investigation of Communism as a naive, sincere, intelligent statesman. But when he delved into the facts, it brought him face to face with murderers, conspirators, liars, character assassins - in fact, the campaign against Congressman Dies became so deadly, that he went in dire danger of his life and the lives of his family.

Then there was Congressman John Rankin, one of the men who succeeded Martin Dies as Chairman of the House Un-American Activities Committee. Nothing was too degrading for the eno Ato do to destroy this patriot. He was greatly respected in his home state and community as a fine Christian gentleman, but the Zionist controlled press and the "smearbund" represented him as a "rabble-rouser, a hate-monger, and a blatherskite." (A "blatherskite is a contemptible fellow.) His character was so blackened that men who had known him for years in Congress were afraid to be seen in his company. Others who supported Congressman Rankin, found that huge sums of money from Jewish sources, were being spent to defeat them in upcoming elections. (Shades of Jesse Helms and Sen. Charles Percy.) When Rankin invaded the sacred Jew territory of Hollywood and began to expose communism there, Zionist hatred knew no limits.

There was Representative J. Parnell Thomas who faced as vicious a smear campaign as any which had ever been mounted up to the time of Sen. Joseph McCarthy. He was finally convicted for receiving payroll kickbacks and was sent to a Federal Penitentiary. He found that the very men he exposed, were those running the penitentiary where he was incarcerated. His conviction was a "cooked up farce," which has a modern parallel in the trials of Congressman Ralph Hansen.

There was Father Charles Coughlin, a humble priest of a congregation known as the CHURCH OF THE LITTLE FLOWER, at Royal Oak, Michigan. When he began to understand something about the conspiracy which was taking place and had the courage to speak about it on his radio programs, he was "smeared" beyond all comprehension. He was attacked mainly, because he showed the connection between Communism and Zionism.

There was a national hero named Charles Lindberg, who with General Mac Arthur, has become one of the greatest American heroes of the Twentieth Century. He believed that World War II could have been avoided and said so in a historic speech given at Des Moines, Iowa. He stated: "The three great forces seeking to involve the United States in the war are the New Dealers, the British, and the Jews."

Every honest student of World War II knows this is true. The Jews freely admit it. But for a national hero to openly accuse the Jews brought their slaughter machine of the press on his head and he was unmercifully smeared. He was even attacked by the President, who was the lackey of International Judaism.

Why was Lindberg so unmercifully smeared? Who was behind the smear? The answer to that question would be the answer to America's problem today. There was Congressman Harold Velde, who was never forgiven by the Jews for using the name of the wife of the Jew editor of Washington's largest daily newspaper, Mrs. Eugene Meyer, in his expose. Meyer used his influence among America's newspaper men to crucify a courageous Congressman.

There was the greatest American so attr of the Twentieth Century, Gen. Douglas Mac Arthur. He returned from the Orient after being fired in a fit of anger by a "little man" named Harry Truman. Mac Arthur returned to a hero's welcome in spite of everything the press could do to blacken his name. Most Americans knew there was something deadly wrong when the general was fired, but the details were never made available to the public. While American soldiers were being murdered and
humiliated in Korea, the only general who could have led them to victory was being brutalized in the United States by a controlled press.

The general who replaced general Mac Arthur, went there knowing that he would have to blindly follow mysterious orders of the "pro-communists" (almost 100% Jews) in our government, who were determined that we should lose that war and insure the success of the communist efforts in China. This folks, is called TREASON, according to Article III, Sec. 3, of our Constitution: "giving aid and comfort to the enemy." I hope to God, that sometime very soon, these traitors, some of whom are still in Congress, will be called to account by an irate American people.

Then let us look for a moment at J. Edgar Hoover, head of the F.B.I. Probably no man in American history every conducted himself in a more honorable manner than this giant of patriotism. Yet he has been subjected to unimaginable filth, smear, misrepresentation and down-right lies.

During the early days of WW II, evidence came into the hands of Senator Bob Reynolds of North Carolina, that President Roosevelt had ordered all files having to do with communism in Military Intelligence, destroyed.

The evidence was clearly available and it was a matter of common knowledge in the Capitol. When Hoover began to look into this, the smear campaign went into high gear. The instrument used was a Jewish writer, Max Lowenthal, who wrote a book specifically designed to smear and destroy the effectiveness of Mr. Hoover in our government.

Then we must not forget that giant of the Senate, Sen. Joseph McCarthy of Wisconsin. When he found out about communist infiltration into our government, his reaction was that of any normal patriotic American. It must be rooted out! He did a heroic job! He had fought in WW II with the Marines and came home to a far greater war. There were many things he did not know about Communism, but he knew enough to know that it was the deadly enemy of everything he believed in and that it was designed to destroy American freedom. So without fear, he attacked the problem with all his strength. Probably nothing in modern times, will ever equal the campaign launched by the enemy against this heroic American. The masterminds of the conspiracy did such a masterly job on the thinking of the American people, that now, years later, the term "McCarthyism," stands as a smear word.

What is this evil which inhabits our land? Who operates it? Who finances it? Why is it that almost without fail, anti-communist right wingers are always the targets of government harassment, while those of the left are relatively immune? What strange force is manipulating America which causes even churches of Jesus Christ to bow down before this heathen shrine?

One of the best informed Congressmen on communist activities was Sen. Jack Tenney. For twelve years he was head of the Un-American Activities Committee in California. His findings formulated an investigation of Hollywood, where a young actor, who was later to become President of the United States, stood high in subversive circles.

No man of character ever questioned Sen. Tenny's integrity. Like most men in public life, there were no doubt areas in which he had made mistakes which could be exaggerated or blown out of proportion by the smear artists. But no one questioned his honesty.

Then suddenly Tenny was smeared! One day, papers, posing as "right wing," opened up on him. Why? Because he asked forbidden questions about communism and the Anti-Defamation League of the Jewish B'nai B'rith. His curiosity became so great, that he was willing to sacrifice his political career to get at the truth.

He found the answer. But when he dared use the forbidden word "JEW", all hell broke loose. He had the temerity to condemn the whole Jew-Zionist political setup and the "smear machine" went into high gear. He refused to back down, he would not compromise and as a result, became one of the most respected citizens in his state of California.

This parade of heroes would be incomplete - and there are many more - but I would like to include
my good friend Congressman Lawrence McDonald of Georgia, who in 1983 was deliberately murdered to keep his mouth shut. He flew on ill fated Korean Flight 007, which was shot down by the Communists under bizarre circumstances. Nothing that anyone in government can ever say, will convince me that this man was not murdered.

No sincere American, man or woman, can but wonder why Americans are attacked when they tell the truth. Every concerned Christian should be willing to look at the reason for these attacks and who is behind them, for they are the enemies of Christ and of His church.

Honest inquiry will clearly show that these attacks are not started by evil men merely to cover their tracks, but that almost always, without fail, they come from the same evil TALMUDIC sources which brought false witness against our Lord and condemned Him to death. (Matthew 26:59, 60; Mark 14:55-57).

Like Gerald L. K. Smith, I got into the conflict with the most vicious character assassins of history, when I could have escaped the battle. For twelve years, as a lecturer with the American Opinion Speaker's Bureau of the John Birch Society, I was forbidden to reveal who these assassins were. Even then I was called an anti-Semite, because I was anti-Communist. At this time, I knew very little about the Zionist conspiracy and certainly did not know about their control of communism. So there was absolutely no legitimacy in calling me anti-Jewish. But the charge of being anti-Semite piqued my curiosity and I began an in-depth study of communism. Who were its founders? Who supplied the finances and the brains to make it a success? After more than 600 hours of intense study and reading more than 5,000 pages of documented history, I found that Communism from start to finish, was a product of the Jewish mind and that when Rabbi Stephen Wise, said: "Some call it communism; I call it Judaism he knew whereof he spoke.

I could spend hours quoting from Jewish writers who freely admit and even brag about the Jewishness of Communism. Marcus Eli Ravage, writing in the January 1928 issue of CENTURY MAGAZINE said: "We Jews are at the bottom of nearly all your wars; not only of the Russian Revolution but of every major revolution in your history. We did it solely with the irresistible might of our spirit, with ideas, and propaganda."

The Jew, Oscar Levy, in the preface of his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, said: "There is scarcely an event in modern European history that cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners."

Goldwin Smith, a Jewish professor in Modern History at Oxford University said: "We regard our race as superior to humanity, and look forward not to its ultimate union with other races, but to its triumph over them."

It was only after this lengthy study, that I went up against 45 years of Baptist teaching. It was a traumatic experience! For eighteen years, as a well-known fundamentalist Baptist evangelist, I had toured the United States proclaiming that the Jews were God's Chosen People and that if America were to receive God's blessings, it would be on the basis of our treatment of the Jews. I had always taught: "Help them, no matter what they do!"

I knew when I told the truth, "all hell would break loose." I was right. I have found the fundamentalists to be more bitter enemies than the Jews. But it finally boiled down to one central issue. Was I to remain popular in the Baptist Church, or was I to tell the whole truth? There was not really that much of a choice and when I began to tell the truth, my name became anathema in Baptist circles. I took a step forward in 1980 from which God willing, I will never retreat!

Having no desire to enter any church under false pretenses, I wrote a letter to 200 fundamental leaders in 1980, which outlined what I had found out. Within two weeks, fourteen Crusades scheduled for 1981 had been canceled. Not because of a change in theology, but because I refused to accept God's enemies as His Chosen People.
Dear Brother-in-Christ:

I have a deep burden on my heart which I do not quite know how to explain. No doubt it will come as a shock to you. I feel that in all fairness and honesty, it is necessary for me to give you this explanation and show my position on one of the most sensitive issues to face the Christian church in this Century. I refuse to sail under a false flag, so please bear with me as I seek to explain the situation.

For over a year now, I have been deeply disturbed by what is happening in Israel and it's implications for the United States. As a result, I have engaged in a lengthy and prayerful study of the Scriptures and historical documents dealing with these

After over 600 hours of study concerning the Zionist Jew, I am convinced that these openly atheistic, Communist haters of God, Christ, and Christianity, are neither our friends, or the Chosen People of God.

Israel is the only nation I know of which boasts as it's leader a man who has a reputation as a former bank robber, terrorist and who boasts of his murders. I am of course referring to Menachim Begin. He has been directly responsible for the deaths of many Christian Arabs, along with innocent Moslem Arabs who have been caught in his "militant Zionism." Yet most Fundamental preachers would have us believe these murderers are God's Chosen people.

You need to recognize that many of those who today call themselves Jews, are not of the "blood line" of Abraham (See Esther 8:17, as an example.) You also need to recognize that many who are of Israel, are not Jews, the terms are not interchangeable, as we have been led to believe. The Bible makes a clear distinction between the Jews and Israel, from the time the kingdom was split as recorded in I kings 12:16,17.

The more I studied Zionism, the more disturbed I became, for they are a real danger to America's freedom. I believe one of the major reasons this country is falling under the curse of Socialism-Communism, is that Fundamental preachers have refused to face the evil which is being brought into America by the people they proclaim as the "People of the Book."

It is very possible that you will not accept this, but it is true nevertheless. There is no way in which you can discuss Marxism-Communism, without getting involved in the Jewish question. You cannot honestly discuss Communism, without revealing the proven facts, that the founders of Russian Communism, were for the most part, Zionist Jews. Nor can you get away from the fact that all but a very few of the top leaders in the American Communist Party, have been Eastern European Jews. These are proven facts of history, over which I have no control, but which we MUST accept if we are honest men.

I can understand why historical writers, speakers and even preachers have been afraid to face these truths; they are afraid of being labeled "race haters," "bigots," or even worse, "anti-Semites." One simply does not use the word "Jew" when you discuss Communism, for this always brings the bitterest of censorship. Why do you suppose General Brown, Chairman of the Joint Chief's of Staff, was forced into making a public apology, after he has stated that the Zionists had far too much influence in our Government?
I have before me a letter written by Dr. W. S. McBirnie, the well-known conservative from Glendale, California. It is dated March 1980. In part, here is what it says: "I wish I could tell you, straight out, about the tremendous heavy problems facing our entire work at this time. I can only say that we are under heavy attack from a great many sources. When and if I can prove the origin of the organized effort behind the rash of problems created, I'll shout it from the housetops... I wish I could tell you of my suspicions, but I dare not! ... I have reason to believe our difficulties will get worse before they get better."

Could it be that Dr. McBirnie, is afraid of exposing the Zionist attack against anything which is pro-American? The same can certainly be said concerning the Moral Majority!

When I went to my pastor with these facts and tried to talk with him concerning the Jewish situation, he was understandably upset, since he too had been "brainwashed" by the pro-Jewish propaganda which is "Standard Operating Procedure" in most of our Protestant churches. He said: "Do you realize that you will alienate yourself with all fundamentalists if you continue to think this way?" The question was not: "Are the facts true?" But that Fundamentalists would be upset with the truth!

Why is this? My doctrinal belief's are the same; I am willing to put them up against his or yours. I still follow and preach the fundamentals of the Faith. Why should I be ostracized because I tell people the truth? Do you remember what Paul told the Christians at Galatia? "Am I therefore become your enemy, because I tell you the truth?" (Gal. 4:16).

History proves that the Bolshevik Revolution in Russia was financed with Zionist dollars, supplied in 1917 to Lenin, by two Jewish bankers from New York, Jacob Schiff and Max Warburg. It also proves that most of the Communist leaders in Central Europe have been Russian Khazar Jews. It proves that most of the people in the United States, who have been tried for treason in the past sixty years have been Eastern European Khazar Jews.

Here is a fact which should weigh more heavily than any other on those of you who deplore the moral and spiritual degradation we see spreading over America like a hideous cancer; the leadership and money behind this, is Jewish! These are facts which you cannot in honesty deny!

It is Jewish doctors, for the most part, who man the Abortion Clinics of America, where over one and half million American unborn babies are murdered every year. It is the Zionist Jew who controls and owns most of the TV, the movies, and the lying media. They are behind the rock and roll business, the pornography, the dope trade, and the prostitution. It is these people who are engaged in every effort to destroy Christian decency and patriotism, and who are engaged in destroying everything you say you stand for as a Christian preacher. Yet you continue to defend and support them Why? You have no right to complain of these evils, when you support those who bring them about.

In 2 Chronicles 18,19, there is a story of a good king, who helped a wicked fellow named Ahab (who was a fellow Israelite, by the way) in his fight against the Assyrians. When Jehosaphat returned to Jerusalem, he was met by a Prophet who told him: "Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord!" God will never bless America, if we aid wicked,
murderous, anti-Christ countries, whether they be Russia, China, or the Israeli! The Word of God clearly indicates this.

Now I realize you will come back with the argument that the Jews are God's Covenant people and that in Genesis 12:3, God told Abraham: "I will bless them that bless you, and curse them that curse you." You will say, as I have been told, over and over again: "God will bless America, only as we bless the Jews. The reason we have been blessed, is because we have aided them." Well, I beg to differ with you. I would like to call to your attention that the years of America's greatest disasters and worst problems in every area, has come since 1948, when we recognized the Israeli Government. These have been the years of our greatest moral and spiritual decline; these have been the years of America's decline on the International scene; our years of increase in crime, of declining economic greatness. So please as an intelligent man, don't use that argument, since it just "doesn't hold any water!"

Most Fundamentalist preachers tell their people about the terrible persecution of the Jews by Hitler, which was supposed to have eliminated 6-million Jews. But do you ever tell your Christian people about the more than 100-million who have been destroyed by the Jewish led Communists? Furthermore, documented evidence, adequately proves that it would have been an impossibility for Hitler to have killed so many, since there never were more than 550,000 Jews in this area at any one time prior to the war.

The more I study this problem, the more I am convinced that a lot of the error in our fundamental church teaching concerning the Jews, is due to the fact that preachers have refused to accept the difference between the Jews and Israel. Take your case for example. Do you believe and teach that the "Jews are all of Israel?" After years of this teaching, would you have the "moral courage" to admit to your people that you have been wrong all the time, even if the Word of God proved this? On the basis of what I have seen among most Fundamental preachers, you would not!

Have you ever wondered why the number of Jews now in Palestine, is about the same as those who came out of Egypt 3300 years ago? This does not sound like the fulfillment of Genesis 48:4,19 to me.

If there were 3-million Israelites in Canaan in 1451 B.C. when Moses was still alive, how do you account for the promise of Deuteronomy 1:11 which states that they would become "a thousand times as many?" If my mathematics is right, this should come out to about 3-billion. Yet the Jewish census for 1978, indicates there are less than 19-million Jews in the entire world. I doubt if all the Jews who have lived since Moses time would number three billion.

It has been estimated that King Solomon had about 15-million Israelites in his country over 2500 years ago; yet you would have us believe that the 19-million Jews living today are the multiplied seed of Abraham?

Do you mean to tell me that the regathering of some 4-million Jews in Old Palestine fulfills God's promise that they are to be as the "sands of the sea?" Less that 17% of world Jewry now live in Palestine and in the past five years, according to Israeli immigration figures, more Jews have left Palestine than have immigrated to it.

Why did Jesus, speaking to the religious leaders of His day in John 8:47 say: "...ye therefore hear them not (His words), because ye are not of God." Why did He say in
He then went on to describe His sheep: "My sheep hear my voice, and I know them, and they follow me." Who has heard the voice of Christ and followed Him? Certainly not the Zionist Jew! They hate and despise Him! They hate Him so much that they spit when they hear His name in anything except a cuss word.

These sheep are not the colored races of the world, since they are won to Christ only after the most strenuous and dangerous efforts on the parts of God's people and then only by a very tiny majority.

Who are the people in the world who have accepted Christ and His teachings? They are the white, Anglo-Saxon, Celtic, Germanic, Scandinavian and related people of Western Europe. Today 98% of all the Bibles printed come from the United States and Great Britain; 95% of the world missionary effort comes from these two countries.

Only in the United States do you find a government which is based on the Holy Scriptures and which has a rich Christian heritage, going back to our earliest settlers. Why? Could it be that these people, that you Fundamentalists have scoffed at for so long, are really the "lost sheep of the House of Israel?"

The New Testament calls us "Gentiles," which means "tribes," or "nations." Do you recall Christ's command to His disciples as He sent them out with his Kingdom message: "go only to the lost sheep of the House of Israel." Who were these "lost sheep?" They were not lost in the theological concept of the word. If you have any knowledge of Greek, you know that our English word "lost," comes from the Greek word "Appolumi." This in turn, comes from two "root" words - "Apo," which means: "separation or departure," and "ollumi" which means: "death or punishment." In other words: "to those who have been separated as punishment." This could only have one reference; the ten so-called Lost Tribes of Israel, who had gone into Assyrian captivity because of their sins and as punishment for them.

You tell your people that the Jews will rebuild the temple in Old Jerusalem - and they well may - but God will not bless them in their efforts. Jesus told the woman at the well in Samaria: "...the hour cometh, when ye shall neither in this mountain, nor yet at Jerusalem, worship the Father."

In Jeremiah 7:3-11, we read the prophecy about how the Jerusalem temple would become as Shiloh. In 1 Samuel 2, we read about this and again in Psalms 78:59-72. These Scriptures confirm the fact that the Jewish temple in Jerusalem will become like Shiloh. Have you ever told your people this?

Today, Jerusalem has become the "curse of all nations," just as the prophets foretold. It is the center of International intrigue; it is the "hot spot" of the world's political problems; it is probably the area which will lead this old world into World War III. It is an area which siphons off more of America's wealth than any other. It is a country which hates God, Christianity and curses our Lord. It follows a philosophy which despises our Constitutional form of government and is dedicated to it's overthrow. Yet you insist we must aid them!

Why do you never tell your people that the Jews have been universally hated - not because of their religion; not because they are God's Chosen People, but because they
have been a corrupting cesspool of iniquity in every nation where they have settled. They have been a nation of "bloodsucking leeches" which have fastened themselves on the human race and for every benefit they have given to mankind, they always demand their pound of human flesh.

When they were given sanctuary in Spain and were treated with respect, they turned on their benefactors and betrayed them to the Moorish invaders. It has been true in every country where they have settled. They are doing the same thing here in America, as they seek to undermine and destroy everything we stand for. Don't argue with me about this, look at the names behind the efforts towards a one-world government and you will discover that a majority are Jewish names. Don't try and tell me this all happened by coincidence.

Have you ever heard of any great Jewish effort to help anyone other than another Jew? Of course you haven't! They are the most selfish people in the world. Yet everywhere they go, they perpetuate the story of their persecution, brought about by their own actions, but used to "hoodwink gullible Goyim" into helping with their own destruction.

Why have these facts never been brought to our people? Is it because thinking American Christians might see the evil they perpetuate and refuse to believe the Chosen People theory?

Most of you to whom this letter will go, warn your people about the Communist danger to Christianity and America and it is your duty to do so! But why have you never told your people, that since 1945 to date, the highest percentage of traitors, proven so in America, have been Jews of Eastern European background? Why do you protect them by remaining silent?

I could go on for hours with documented evidence. But you know who they were. Hiss, Frankfurter, Copeland, Eisler, the Hollywood Ten, the Fuchs-Gold spy ring, Greenglass, Oppenheimer, Rosenberg's, Sobell and many, many others.

The central figure in America's atomic program was a foreign born Jew named Albert Einstein, who was a member of at least 16 Communist front organizations. In 1945, when President Truman removed the Atomic Energy Commission, three of it's five members were foreign born Jews.

The film industry of Hollywood - seat of subversion and pro Communist sympathy and propaganda - the hotbed of anti-Christian bias and immorality is almost exclusively Jewish owned. Only two of the top ten movie producers are Gentiles, RKO and 20th Century Fox; the rest are Jewish owned.

These producers constantly flood the American market with pictures which inflame racial hatred. They accuse all white people of bigotry and persecution of the minorities. They are especially anti-Christian and seldom show Christians in their true light. They are trying to make white Christians in particular, guilty about our wonderful heritage. Hollywood virtually crawls with Eastern European Khazar Jews who direct this virulent campaign against God and His people known as Christian. How blind can you be?

If you broadcast your messages over radio or TV, have you ever had any trouble with the government? You would, if you had the courage to tell people the truth about the Jews.
The Constitution in Article III, Section 3, defines treason in terms that any Fifth Grader can understand: "Treason shall consist only in levying war against them (the U.S.), adhering to their enemies; giving them aid and comfort." This means, that if you help those who would destroy this country, if you insist your people aid and defend them, then you are guilty of TREASON. There can be no other interpretation placed on this.

The Zionists you so religiously defend, have murdered over 100-million people since 1917, including hundreds of thousands of Christians. I say this, because 90% of the Communist leadership in Russia and behind the Iron Curtain has been Jewish leadership. The fury of Red terror can only be described as a Satanic manifestation of Jewish hatred for everything Christian. This was the romance of the Bolshevik Revolution.

The "Civil Rights," movements, the agitation of the minorities, NAACP, CORE, SNCC, all were organized and controlled by Zionist Jews, for the same purpose, the destruction of Christian America. The "anti-war" movements, the "peace at any price movements," the "women's lib," subversive organizations such as the Students for a Democratic Society, all had Jewish Khazar leadership, the names should speak for themselves.

There is no doubt in my mind that you take a strong stand against liquor - you should if you are a minister of the Gospel. You should stand against immorality, pornography, prostitution, rock music, dope and the subtle rebellion of American youth. This is your duty as a minister of the Gospel. You no doubt express sorrow from your pulpit about the way America is heading into moral degradation. This is what God expects you to do! But why do you refuse to expose the source of this trouble?

Why for instance, have the warnings of Marlin Luther against the Jews, been expunged from the books used in Lutheran churches and Seminaries. Why are Baptists and Pentecostals not told that the most violent persecution of their brethren behind the Iron Curtain comes from the Soviet Jews.

History and the Word of God proves that the people we now call Jews, have been, and are now, the most deadly enemies of "true Israel," and Christianity. This has been true for centuries. In 1924, Henry Ford, the great Christian Industrialist, wrote an almost forgotten book THE INTERNATIONAL JEW, in Chapter Two he writes: "There is a mission for the pulpit to liberate the Church from what New Testament Scriptures call 'the fear of the Jews.' The pulpit also has the mission of liberating the Church from the error that Judah and Israel are synonymous. The readings of Scripture, which confuse the tribe of Judah with Israel and which interprets every mention of Israel as signifying the Jews, is at the root of more than half of the confusion and division traceable in Christian doctrinal statements. THE JEWS ARE NOT GOD'S CHOSEN PEOPLE, THOUGH PRACTICALLY THE ENTIRE CHURCH HAS SUCCUMBED TO JEWISH PROPAGANDA WHICH DECLARES IT TO BE SO.

Here we should digress for a moment to mention that the word "Jew" was never mentioned in the Bible until 2 Kings 16:6, some 1200 years after the time of Abraham. Yet most of you continually refer to Abraham, Isaac, and Jacob as Jews - this is intellectual dishonesty!

In fact, the word "Jew" was unknown in the English language until the beginning of the Eighteenth Century. The original version, 1611 edition of the King James Version, used the word "Ioudean," or "Judean" as the proper term - never "Jew." (This word had no
religious connotation, but merely referred to people who were inhabitants of Judea.)

These are only a few of the reasons, my dear brother, why I MUST take a stand against these enemies of my Lord. You see, one day, I will stand before Him and answer for my faithfulness to Him. That will be the day when He states: "But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me" (Luke 19:27). One day, I will have to answer for any errors I may have taught His people. So even though I may incur your displeasure, that is not important in the face of Christ's pleasure. Before God, my friend, I cannot stand silent any longer and put my seal of approval on those who "say they are Jews and are not, but are of the synagogue of Satan" (Rev. 2:9; 3:9).

In Titus 1:14, we are told: "Not giving heed to Jewish fables, and commandments of men, that turn from the truth." In Matthew 23:15, Jesus tells us: "Woe to you scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more a child of hell than yourself." How much plainer could our Lord be?

I pray that God will give you the wisdom, not only to see what you are doing to God's people, but what you are doing to yourself. Then I pray that He will give you the courage to admit you have made mistakes and take the proper steps to remedy them. Our people have become victims of "certain men crept in unawares, who were before of old ordained to this condemnation" (Jude 4).

It is no wonder that Christ spoke to the Pharisees of His day and said: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there was not truth in him..."

Then in Jeremiah 5:30, 31 - "A wonderful and horrible thing is committed in the land; the prophets (preachers) prophesy (preach) falsely, and the priests bear rule by their means; and my people love to have it so: and what will ye do in the end thereof?"

THEY WILL BE DESTROYED! Will you have part in this destruction process?

For Christ, an Awakened and Militant Church, and a God Honoring America,

JACK MOHR

P.S. Let me state as an afterthought, that I am still available to you for Christ and Country Crusades. I still preach the same Gospel, with the same fervor. I still talk about the problems facing this nation from a spiritual standpoint. The only difference, is that now I have a stronger reason for taking a stand for Christ and America, since I recognize who the enemy is and how our Christian people need to know the truth. I can give you this assurance; if I am invited to your church or school, I will do nothing to embarrass you. If you want your people to know the truth about the Jewish question, I am available with the facts. If you are afraid of their reactions, I am still available to give them the information I have given for years. It will be up to you to search your conscience and decide what God would have you to do. I do not like what has happened to me, from the viewpoint of men. But I have promised before God, to let nothing stand in my way of the truth ... even your displeasure, my Christian brother!

During the past few months, I have received numerous requests for a "follow up" message on my Letter to the Pastor's, which was printed in the fall of 1980. I have been led, after a great deal of prayerful thought, to make the further explanation, hoping that our Lord will use it to help other Christians who are trying to make up their mind about the same question.

As I pondered on the contents of this message, I came across these words in Proverbs 12:15 - "He that justifieth the wicked, and he that condemneth the just, even they both are an abomination to the Lord."

In the fall of 1980, after having been a member of the American Opinion Speaker's Bureau of the John Birch Society for twelve years, I resigned. At this time, I had been a fundamentalist evangelist for eighteen years. But I had come face to face with a disturbing truth; I had to make a decision. It was not something I wanted to do, since I knew it would mean immediate alienation from many who had called me friend. It also meant doing a 180 degree reverse, in a thought process which had been built up over many years.

One morning, as I read in my daily devotions, I came across these familiar words from James 4:17 - "Therefore, to him that knoweth to do good, and doeth it not, to him it is sin." This told me very plainly, that if I did not share the truth with Christians, I was committing a deliberate sin.

From the time when I had miraculously escaped a Communist firing squad in Korea in 1948, one of my favorite Scriptures was found in Ezekiel 33:1. I guess it was because it applied tome in a very special way: 

...if the people of the land take a man of their coasts, and set him for their watchmen: if when he seeth the sword come upon the land, he blows the trumpet, and warns the people, then whosoever heareth the sound of the trumpet, and taketh not warning: if the sword come, and take him away, his blood will be upon his own head... But, if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take away any person from among them ... his blood will I require at the watchman's hand."

This was a plain message to me: "When you know the truth, you better warn the people, even if they don't like to hear it."

For a number of years now, I have been disturbed by what has happened in Palestine, and with the Interference of Zionist influences in our own Government. I knew all the fundamental arguments about the Jews being God's Chosen People. I had been told many times, that unless we helped the Jews, God would curse us. But the truth of the matter, was that God's wrath has fallen on America more severely since 1948, when we recognized the Israeli Government in Palestine, than at any time in our nation's history. Something must be wrong with this theory!

So what I am going to try and do in this letter, is explain more in detail, what I tried to express in my letter of 1980.

One of the most disturbing things I had seen during my eighteen years as a fundamental evangelist (and I traveled the length and breadth of America, speaking in every state except Maine) was their tendency towards an unbending prejudice towards anyone who disagreed with them in the religious field. (I use this term for want of a better one. The dictionary defines "prejudice" as, "preconceived judgment or opinion; an opinion made without sufficient knowledge.") This I found was almost universally true, in the fundamentalist camp.

If you disagree with a fundamentalist about the mode of baptism, speaking in tongues, divine healing, closed communion, you name it - you are immediately placed on their "black list," and often they refuse to associate with you. They base this stand on 2 John 10, 11 - "If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him Godspeed." Of course, this always refers to their "pet doctrine," whatever that may be - it varies from one group to another. But heaven forbid that you apply this to the Jews, who are one of the most atheistic, anti-
God groups in America, or maybe I should say "anti-Christ." These verses, in fundamentalist theory, are to be applied only to other Christians, or heathen.

Now there is absolutely nothing wrong with this theory of separation, when it is used within spiritual, Biblical meaning. The Apostle John is very plain about this, he says: "If any come unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed, for he that biddeth him God speed, is partaker of his evil deeds." Then, so there is no chance of misunderstanding what he means, he explains it. It has to do with belief in the Divinity of Jesus Christ. The evil doer He speaks about, is the one who refuses to accept Him as the Son of God. Of course, if you are honest about this, it refers to the Jews among others, who refuse to accept Christ as the Messiah. This theory of separation has absolutely nothing to do with feet washing, speaking in tongues, Divine healing, pre, post, or A-Millennialism, or belief that the Jews are, or are not the Chosen People.

Yet today, in a majority of fundamental churches, if you do not accept their religious "shibboleth," (and this simply is a theological term meaning: "language which is regarded as distinctive to their special group." then they will immediately label you as an apostate and you are anathematized. (That's another two-dollar word meaning "blacklisted.")

If you do not use their terms of "rapture," "born again," "dispensationalism," etc., and some of these terms are not even found in the Bible, you sometimes get the idea that they believe you might not be a Christian.

Now I make this charge, on the basis of having been a fundamentalist for 45 years. I was a militant, ardent "pre-millennialist," and a "Pre-Tribulationist." In case you don't understand these terms, a pre-millennialist is one who believes the Lord will return prior to the Millennium (I still believe this,) while a pre-tribulationist, is one who believes the Church will be "raptured," "caught up out of this world," before the Great Tribulation begins.

I believed this for at least three reasons. First, I'm quite sure it was because this is what I had been taught for 45 years. As far as I can remember, I never made any effort to check this out against what the Bible said, I accepted what I had heard from the pulpit.

Second, I believe that like most Christians who accept this theory, it gave me a wonderful feeling of safety and security, to believe that I would not have to go through the terrible times which would come to this old world. Third, it was a wonderful tool for an evangelist to use, since it became a powerful warning to recalcitrant individuals to "straighten up and fly right, for you won't get another chance after the rapture."

But I will have to be honest with you and say that for a number of years, I have had some misgivings about this theory. I have found this same mis-giving in the minds of quite a number of fundamentalist preachers. I was disturbed by what I saw happening in many fundamentalist churches across America.

I saw a people, who for the most part, had become so complacent about their freedom, they were perfectly ready to hide in their spiritual foxholes, while the country literally went to hell. Oh, they were willing to go out and knock on doors once in a while. They were willing to tell about the love of God. They were great on getting up in some church service to tell what the Lord had done for them, and they often prayed beautiful prayers, but the proof of their Christianity often was missing in their everyday life.

This "religious neutralism," and again I use this term for want of a better one, can be illustrated by an incident which happened to me in a large Mid-Western church. After preaching one Sunday morning about the Communist threat to Christianity and the need of Christians to become involved in the defense of our religious freedom, a very nice lady came up to me and said: "Brother Mohr, I liked your message, but it was not for me. You see, I've been born again, and that means that I don't have to worry about such things as the Communists. The Lord is going to come back and take me
out of this mess before it gets too bad." You talk about being wrapped up in a sheet of self-righteousness; that old sister was literally bound up in a shroud.

My blood pressure went sky high. I asked her if she had ever thought about the Christians, by the tens of thousands, who had been persecuted in Russia and China, and the one's who were murdered during the Third Century persecution and during the inquisition. Don't you think they might have thought Jesus would come back and rescue them?

Then I told her: "It could be that you are so tightly wrapped up in your shroud of self-righteousness, you won't get unzipped in time to go along with the Lord when He does come back." You might be inclined to believe that was a terrible thing for me to say, but in essence that was what Jesus said in Matthew 7:21 -"Not everyone that saith unto me Lord! Lord! will enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." He went on to say: "There will be folks who will ask me, Lord, don't you remember how we healed people in your name? Lord, don't you remember how I cast out evil spirits in your name? and others would say, Lord, we preached in your name! And the Lord said, verse 23 - "And I will profess unto them, I never knew you."

Those are mighty sobering words and it would be well for a lot of professing Christians to take time and think about them. Listen, my fundamentalist friend, if you really believe that Jesus is TAM back soon, why aren't you out doing something about it? Your churches should be crammed to overflowing; you should have to put up loud speakers in the parking lots, to take care of the crowds. I'm afraid many of you can be classified with the folks Isaiah spoke about in 29:13, when he said: "This people do honor me with their lips; but their hearts are far from me."

I was disturbed by the apathy I saw. They would criticize me when I told them, you better prepare for hard times ahead. They would criticize me when I told them to store food and ammunition, so they could protect their family during the troublesome times ahead. They would tell me: "God will take care of us, if we trust Him." But they still bought more life insurance, even while telling me they thought Jesus might be back this year. You see, what they said about Christ's return, just didn't shape up with what they were doing. There were a lot of preachers in this group.

One young Baptist preacher told me: "My job is to preach the Gospel; the Lord will take care of the Communists." I asked him where he got his authority to preach and he got indignant and marched me over to Matthew 28:19, 20, where it says: "Go into all the world and preach the gospel to every creature." I asked him if he was doing that and he said: "I can't go everywhere; but my church sends missionaries." When I asked him how many missionaries the Baptists had sent to Russia and China in the last twenty years, he got angry and said: "You know they won't let us go there." Well I handed him my Bible and asked him to show me one verse of Scripture where it said: "Go if it's convenient; go if they don't persecute you." And of course, he couldn't, because there are no such verses. That's one of the reasons we are in this mess, the Church hasn't done what her Lord told her to do. If we had sent missionaries to China fifty years ago, as we were supposed to do, there is every reason to believe China might have been a Christian nation. We didn't and today they are our enemies, no matter how nice they speak to us.

Well I began to study about some of the things I had been taught and which I had taught to others. I went into an intensive study of both the Scriptures and history; a study, which in six months, entailed over 600 hours of study and the reading of over 6,000 pages of material. It was a prayerful study; there wasn't a time when I sat down to study, that I didn't ask God, through the Holy Spirit, to enlighten my mind to the truth. Then I said: "Oh Lord, when I know the truth, don't let anything stop me from proclaiming it." That's what I'm trying to do today. I know people don't like it, but there's nothing I can do about it. I am constrained to tell the truth.

I can't make a living from telling the unpopular truth. I have had an almost 100% blackout among fundamentalists, since my letter was sent to their leaders. They don't want their people to know what's going on. They told me in essence: "Either love the Jews, or get out!" But then it wasn't pleasant for me to tell the American people that some of our leaders were traitors, and that for over
fifty years, our leaders have been selling us into slavery. I've been called all kinds of names, both
within and without the church. Recently a TV moderator called me a "pornographer of paranoia,"
because I said we needed to take a close look at Zionist influence in Washington.

But as I studied, I learned some things I had never heard in any fundamental church. I learned that
the people we now call Jews, are not now, nor never have been the Chosen People of the Bible, and
that from Jewish sources, there is proof that a vast majority of the Jewish people have no
relationship to Abraham and their ancestors never set foot in Palestine. When I began to speak about
this, the garbage "really hit the fan."

Listen to this letter, I recently received from CHRIST FOR THE NATIONS, Dallas, Texas.
February 17, 1981, Dallas, Texas.

Dear Mr. Mohr:

It is one of the saddest things in the world when one of our brothers turns from the faith
which is taught in the Bible and embraces the doctrine of man which is contradictory.
The men who teach what you have embraced are naturally very persuasive men, as they
have the charisma of the devil to back them up.

"The Bible is not hard to understand... A Jew is a direct physical descendant of
Abraham, and that is all there is to it. Nothing can change that, and any other
interpretation is not of God...

"SIGNED: Linda Fletcher." (Another illustration of fundamentalist prejudice.)

I learned that the pre-tribulation doctrine skates on "mighty thin ice." I guess the final blow to my
previous belief, came as I studied Christ's "end time" message in Matthew 24. You may remember
how His disciples came to Him privately and asked: "Tell us, when shall these things be? and what
shall be the sign of Thy coming, and of the end of the world." (This would have been more
accurately translated: "end of the age.")

If you will honestly study this portion of Scripture and compare it with Luke 21, you will notice that
Jesus did not even hint of anything like a "rapture" to take place during this period. Doesn't it seem
strange to you, that our Lord, in explaining these very important last days, would leave anything as
important as the rapture to speculation?

Now maybe you are going to say, as a lot of preachers do: "Christ was speaking to the Jews. These
chapters deal with the Jews and with the 'Time of Jathe s trouble.' " But they do not! Look at this
Scripture again, very carefully. Jesus was not speaking to the Jews. We read in verse three, that He
sat down with His disciples, privately. This was not a message to Jews. He was speaking to
Christians, even though they were not called by that name at this time.

As He talked to His followers in verse nine, He mentioned wars, rumors of wars, famines,
pestilence, and earthquakes; all of which would come to this earth during the tribulation. He said:
"THEN (This means: "following next in order,"') shall they deliver you up to be afflicted, and shall
kill you, and ye shall be hated of all nations for my name's sake." Who do you think that word
"They" referred to? They were the enemies of Christ. He was telling them in essence: "The Jews
will deliver you up to be afflicted, and they shall kill some of you, and ye shall be hated for my
name's sake." This could not refer to the Jews, for they have never been hated for the sake of Christ.
They blaspheme Him in their synagogues, and in their religious writings. They have been among
the worst persecutors of Christians in the history of the Church. The International Zionist-
Communist leaders have been responsible for the deaths of over 100-million people in the past 65
years, including millions of Christians. We keep hearing about the "holocaust in Germany," where
six-million Jews were supposed to have perished (This has been proven to be one of the greatest
hoaxes in world history), but when have you seen our news media, or our TV, or movies make a
documentary film telling the truth about Christian deaths at the hands of Jewish Communists? Why hasn't someone built a museum to commemorate Christian deaths at the hands of the Zionist-Communists? You can't answer that, can you?

Not once in Matthew 24, or Luke 21 does Jesus say: "Don't worry about these days; I'll come back and get you out before they get too bad!" Instead, He warns in Luke 21:16 - "And ye shall be betrayed, both by parents, and brethren, and kinfolks, and friends; and some of you shall be put to death."

In Matthew 13, Jesus tells the story of the WHEAT AND TARES, and then goes on to explain its meaning in verse 30. "The tares are wicked persons," He explains, "they will be gathered out of this world at the end of this age." To all appearances, the wheat will remain to set up our Lord's kingdom on this earth.

Later in this same chapter, verses 47-50, He gives the illustration of the GOOD AND BAD FISH. Notice verse 48 - "And gathered the good into vessels, but cast the bad away; so shall it be at the end of the world" (age); NOTICE VERY CAREFULLY NOW: "The angels shall come forth and sever the wicked from among the righteous." Haven't you been taught the other way around? Jesus taught, quite clearly, that the wicked would be taken out of the world and the good where remain to set up His kingdom.

Now I know that some of you who read this message are going to be very upset with what I have said. There is no doubt in my mind, that some of you won't be honest enough to read any further. I can tell you I was mighty upset, when this truth first dawned on me. The rapture is something everyone would like to believe in. It gives you a sense of false security. It's nice to feel that you don't have to be concerned with the corruption all about you. In fact this teaching has made a lot of Christians "so heavenly minded, that they are no earthly good."

If I was an unsaved man or woman, I'd like to believe the theory that since God is a God of love, He's going to fix it so that everyone is saved in the end! That's a lovely theory, but it's poison out of the pits of hell! It's the same kind of warped thinking that makes you say: "Sure, we know the Jews are a bad bunch now, but one day God is going to save all of them." That promise wasn't even made to the Jews, it was made to the Israelites and they are a completely different crowd.

A young Baptist preacher in Pennsylvania, with whom I had scheduled a Crusade, recently wrote to me and said: Dear Brother Jack, I've put off writing you long enough. I'm really not sure how to put on paper how I feel about the Jew issue... I have not studied this thing for 600 hours, but frankly, 600 hours of study don't prove anything. I'm inclined to go with church tradition when the Bible does not clearly say otherwise. Can you prove to me that the church traditionally hasn't accepted the Jews as God's Chosen People?

Well, I could do it. But you aren't going to make very much headway with a man whose mind is as closed as that.

When I first began my study, I went to my pastor, whom I considered a very close fr INT. I took him some material, very carefully documented and asked him to look at it. I said: "I don't expect you to accept this, but I think you should know about it." He glanced at it and when he saw it was critical of the Zionists, he threw it away and pronounced me an apostate. He said: "You know, if you persist in this foolishness, the doors of every Baptist church in America will be closed to you."

I had suspected for some time, that there were some Baptists who believe that if you don't agree with them you are headed for hell, but this is as close as I've ever come to having it put into words. But one thing I learned a long time ago, the majority is usually wrong. That's why Moses told the Israelites: "Thou shalt not follow a multitude to do evil."

Well I felt so strongly about my newfound knowledge, I wanted to share it with my Christian friends, for their safety depended on what they did about it. That was when I wrote my 1980 letter, which was sent out to 200 fundamental preachers and laymen. I never liked to sail under a false
flag, and I wanted them to know what I had learned, before they invited me into their churches. As I said, the result was an almost 100% cancellation of all my scheduled meetings for 1981.

Why? I preach the same messages, with the same fervor. I'm stronger in the fundamentals of the faith than at any time in my life. I'll put my preaching up for comparison with any of the fundamental greats like Bob Jones, Jr., Jack Hyles, or Jack Van Impe. I don't have to be ashamed of what I'm preaching, for I preach straight out of the Word of God and I'm not one bit afraid of what other preachers say about me.

But there is a difference. Now I'm getting to the heart of the moral and spiritual problems which are strangling us. I'm going behind the scene of the problems the Moral Majority claims to be fighting. The only problem is, they want to cut off the arms of the monster, when what we need to do is get to its heart.

I can't see how any honest person can do less that change their views, when they find out they are wrong. That's what Saul of Tarsus did on the Road to Damascus. It turned him from being a persecutor of Christianity, to its greatest defender. It's better to tear down what you one time built up - if it is contrary to the Word of God - than it is to rebuild the "inner wall of partition," which God has taken such pains to break down through Jesus Christ.

Unless Christians are willing to accept the New Testament, using the Old as the key to open Bible prophecies, we will never understand the truth. We will follow the Judaizers, who attempted to bring their heathen, Talmudic philosophy into the New Testament Church. Paul said of these in Acts 13:27 - "...they knew Him not (the God of Abraham), nor yet the voices of the prophets which are read every Sabbath day, they have fulfilled them in condemning Him (Christ)."

It would seem to me, from a careful study of Scripture, that aside from the Gospel of Christ, there is nothing special in the future for those people who go by the name of Jew. (This will cause opposition from some of you, who don't believe a Jew can be saved, but I'm not about to argue about it.)

You can go back as far as you want to during the 6,000 years of written history and find that mankind has always hoped for a "Golden Age," of peace and prosperity. Many religions predict this for their followers. The schemers have aimed at world domination, whether it was the thousand years reign of Hitler's Third Reich, the dream of International Communism, or the one-world, Jewish controlled empire of Zionism. The United Nations was a dream of a great, one-world government, with a one-world church, where all men would live in peace and brotherhood, and where poverty and disease would be conquered for all time. But let me tell you my friends, it is not going to come during a 1,000 years reign of Jewish supremacy, such as the fundamentalists visualize.

Zionism, is a man-made scheme which is doomed for failure, because they have left God out of their calculations. I am not trying to tell you that the Christians who hold this theory are un-Christian, but they have allowed themselves to be fooled by Jewish propaganda, which has cost this world countless billions of dollars and much suffering.

The non-Christian ideas of world-Jewish supremacy are going to fail, because they are founded on the false premise of the inherent goodness of mankind. Arthur Schlesinger, Jr., a well-known Jew has said: "We do not believe in a heaven in heaven as the Christian do; we do not believe that the salvation of mankind will come through a Christ on a cross. We believe it will come through the unfolding of technology and the inherent goodness of mankind. These ultimately, will bring about heaven on earth." This my friend is Jewish teaching and is contrary to everything our Lord stands for.

Some teachings will fail because they are nowhere promised in the Scriptures. Christ was completely silent about any reign of Jewish power, centered in Jerusalem. Neither the Gospels, nor the Book of Acts, nor the Epistles, speak of a Jewish dominated world power, inhabited by mortals
and immortals, at the end of this age.

The Epistles give no hint of a Jewish return to Palestine, and the setting up of a mighty world kingdom, with its capitol city in Jerusalem. Many of the Epistles were written to counteract these Judaizing influences in the early church.

A careful study of the Epistles, will show you how very foolish it is to use the term Judeo-Christian, which we hear spoken so glibly from our fundamental pulpits. Nothing could be farther from the truth. Judaism and Christianity are at the opposite ends of the religious pole. The Mohammedans are closer to Christianity in their religious belief, than the Jews, for they believe Jesus Christ was a great prophet, while the Jews call Him a bastard and spit on His name. (If you don't want to believe this, I challenge you to do a bit of studying into Jewish beliefs.)

It is true that the early disciples had been "brainwashed" by Jewish teachings concerning an earthly kingdom and they even fought with each other to see who would be chief in that kingdom. But they never received any encouragement from their Master, and by Pentecost, they had been delivered from this false belief.

It was this Judaizing influence which caused the Apostle Paul to warn Titus in (1:14) not to "give heed to Jewish fables, and commandments of man, that turn from the truth."

If Christ had offered the Jews of His day a literal political kingdom, with all the pomp of Solomon, they would have flocked to His standard. But when He told them: "My kingdom is not of this world," they turned away from Him. It was then that He told their leaders, "Ye can not know me, because ye are not of my sheep." So the Jews not only turned their backs on Christ, they killed him.

To believe that the restoration of a heathen, basically atheistic religious group like the Jews will take place in Old Palestine, under God's banner, would be a reversal of the natural order of events and carry us backwards instead of forwards. It would take us from Jesus Christ, back to Cain, the murderer of his brother. It would take us from the Church and true Israel, to the counterfeit Israel we call the Jews. It would be a horrible, anti-climatic thing, Christian-Israel, superseded by heathen, Talmudic Judaism. You can rest assured that God will not let this happen.

In God's plan of the ages, the superior is never replaced by the inferior. The Law of God has always been: "First, that which is natural; then that which is spiritual," (1 Corinthians 15:46).

Now that the Sun of Righteousness has risen with healing in His wings, we will not go back to the dismal, guttering candle of heathen Babylon, which is what Judaism is all about.

A literal resurrection of the righteous, a thousand years before that of the wicked, as most fundamentalists are taught, contradicts the clear teaching of the account given by Jesus in John 5:28, 29 - "Marvel not at this: (He was speaking of His resurrection from the dead) for the hour is coming in which ALL that are in the graves shall hear His (God's) voice, and shall come forth; (Not just believer, but ALL) they that have done good (believers) unto the resurrection of life; and they that do evil (unbelievers) unto the resurrection of damnation." Absolutely nothing here about a rapture, which will take believers first; nothing about Christians being resurrected a thousand years before sinners. But we see one resurrection, all at the same time! How could this be explained any plainer?

During the past sixty years, the Rapture teaching has been spread far and wide, by the use of the Scofield Reference Bible, which also teaches that the Jews are God's Chosen People. Unfortunately, many fundamentalists seem to believe the footnotes, written by Dr. Scofield, have the same authority of Holy Writ. They do not! To such a naive individual, the Scofield Reference Bible can be a danger.

When Paul spoke before King Agrippa in Acts 26:6, 7, he declared: "Now I stand and am judged for the hope of the promises made of God unto our fathers: Unto which promise our twelve tribes, instantly serving God day and night, hope to come. For which hope's sake, King Agrippa, I am accused of the Jews." Now some of you may say: "See there, Paul was speaking about the hope of
the Jews in a return to their land." But that was not what Paul said. He was not a Jew. He was a member of the tribe of Benjamin and was a Roman by birth. The hope Paul spoke about, was not in a return to Palestine, but in the hope of the resurrection, found in verse eight. Paul was persecuted by the Jews, because he preached Christ, risen from the dead!

In Psalm 80:6, we read, "...our enemies laugh among themselves." How they must, as they see Christians neutralized by preaching coming from their own pulpits. How they must laugh, as they see the worst enemies of Christ, dignified with the title of God's Chosen People. How they must laugh, as they see Christian soldiers seduced from being "front line warriors" for Jesus Christ, to become sniveling, spiritual cowards who huddle in their spiritual foxholes, while the battle for Christian civilization rages all about them.

When I was a boy, we used to sing a great stirring hymn, which needs to become our battle cry now:

"Must I be carried to the skies,
On flowery beds of ease;
While others fought to win the prize,
And sailed through bloody seas?
No I MUST FIGHT, if I would reign,
Increase my courage, Lord,
To bear the toil, endure the pain,
Supported by Thy Word."

This should be your prayer. Not "Lord take me out of this world because things are so hard!" In 1 Corinthians 16:13, the Apostle Paul gives us the watchword of the Christian soldier: "Watch ye, stand FAST in the faith; QUIT YE LIKE MEN, BE STRONG!" The English word "Quit," comes from the Greek word "andrisomai," which means: "to manly, act like men."

In chapters two and three, of the Book of Revelation, we read at least seven times: "To him that overcometh, I will give a crown." Not to those who hide and pray; not to those who "knock on doors," but to those who overcome. That word "overcome" comes from the Greek word "nikae," which literally means: "to conquer; to get the victory over," it is a military term, a soldier's word; it means "front line" duty for your Lord.

In Revelation 2:10, the Lord tells His faithful Israel-Christian followers: "... be ye faithful unto death, and I will give you a crown of life." In other words: "Die on the battlefield if that is necessary, but be faithful." In Hebrews 12:4 we are told: "Ye have not yet resisted unto blood, striving against sin." (The word "sin" does not have the theological concept of sin, but refers to the vast, overpowering evil which Satan has brought into the world.)

Unfortunately, many people who go by the name of Christian have become traitors, not only to the cause of Christ, but to their country. I say this, because they are engaged in "giving aid and comfort to the enemy." If you belong to a church that contributes to the National Council of Churches, you have been supporting the Zionist-Communist enemies of America for many years. When you find a clergyman, or a politician who gives aid to the enemies of America, and this includes International Zionism, which is dedicated to the destruction of Christian America, then that person is a traitor, no matter how cleverly they conceal their motives.

To those of you who have been "seduced" by our enemies, knowingly or unknowingly, we must apply the same term, for you too have given aid to the enemy and did not care enough to learn the truth about who our enemies really are.

What we need in America today, more than any other thing, are Christian men and women who know who they are. We need white Christian Americans who understand their Israel heritage and the promises of God to our people. Men and women who recognize their duty to God and country and will allow nothing to stand in their way of doing it.
I remember hearing a story about a rebel chief, who was fighting against a tyrant king. The king sent an emissary into the mountain stronghold of the rebels, offering them amnesty if they would pledge fealty to the king. The rebel chief called one of his men and said: "Leap off that cliff!" and without a word, the young man saluted and jumped to his death. He called another and said: "Plunge your dagger into your heart," and without a murmur, he saluted and killed himself. Then the chief turned to the king's emissary and told him: "Go back to your master and tell him that I have 998 more men like those two, and that within a week I will have him penned up with my dogs." As the story goes, the king with his force of 20,000 fled.

In 480 B.C. a Persian army, numbering over three million men, advanced down the coast of Greece from the north. They threatened the very existence of Greek civilization. They were stopped by a little band of 7,000 men, who had been given the order: "Stand or die!" They did just that and they held long enough for the Greeks to rally to the defense of their country.

We know there are traitors at work in our Government, and in our churches. They are seeking to destroy white Christian civilization and everything our forefathers fought and died for. Most of our people are more interested in playing games than they are defending our civilization. So those of us who know the truth, face an awesome responsibility. Will we continue to enjoy the benefits and comforts God has given to us, or will we too be destroyed by the "synagogue of Satan," (Rev. 2:9) which has risen up among us?

The answer will be up to us who go by the name "Christian." We must always remember: "Our freedom was not 'bought and paid for at Valley Forge. That was only the 'down payment' on freedom. Every generation of concerned Christians, must be willing to make a payment on the account, if we are to remain free."

The outcome of this war we are in; the fate of civilization and Christianity rests in our hands. I do not apologize for changing my mind about the Jews. I believe God led me to this truth. It was He who said: "If ye would know the truth, the truth will set you free!" Before Him today, and with you as witnesses, I make this renewed pledge. "I will do everything within my power, as far as my strength, money, talent, and time will permit, to see that America will have a rebirth of freedom; that the Government of the people, by the people, and for the people; a government under God, shall not perish from this Earth."

SIGNED:
Jack Mohr 3/31/81

Will you join me in this Holy War for our survival?

I have often been asked since then. Aren't you sorry for the decision you made? To which I can honestly reply: "I am more sure now that I made the right decision, than when it was first made."

Today, I am convinced that I am doing what God wants me to do. For some strange, unknown reason, God picked me to be a "watchman on the walls of Israel-America." Why, I will never understand! But I believe that what I am doing is right. I believe it is Scriptural, and I believe the day will come when I will be able to stand before my God with a clear conscience. THIS IS MY GOAL IN LIFE! Today, (1985)I am undergoing the greatest smear campaign of my life. The enemy is trying to tie me in with all sorts of evil enterprises, even indirectly accusing me of the murder of a Jewish Talk Show host, who was shot after I was on his show. But I will not give up! They will never get me to surrender!

I feel as Gerald L. K. Smith must have felt, when he wrote in January 1955: "I began to pursue this inquiry to its roots. The superficial reader, the prejudiced observer will quickly say: 'Now Smith is getting ready to blame the Jews for everything.' That is over-simplification! That is an illogical analysis of what I am about to say. I submit the following facts, and I defy any honest reader, or intelligent patriot to ignore these facts. I am going to give you these facts without conclusion, and then I dare the reader who is skeptical, to follow these facts, add them up and make your own
conclusion:

Here is the argument Smith used and the one I want to adhere to:

The leading Jewish Journal in the United States, THE AMERICAN HEBREW, said on Sept. 10, 1920: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a NEW ORDER in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, BECOME A REALITY OVER ALL THE WORLD!"

The literature of the Jewish community during the entire lifetime of the Un-American Activities Committee; during the lifetime of the McCarran Committee and during the lifetime of the Internal Security Committee; has shown a consistency with this statement.

Here are some inescapable facts: The history of opposition to the Communist Party and the Communist movement in the United States has centered around certain committees and personalities. (Remember this was written in 1955 - ED).

1. - The House Un-American Activities Committee;
2. - The McCarthy Committee;
3. - The McCarran - Waither Immigration Act;
4. - The Internal Security Act;
5. - Loyalty oaths;
6. - Gen. Douglas Mac Arthur;
7. - Dean Acheson and his policies, and,
8. - Outlawry of the Communist Party.

This great conflict has embraced many more issues and personalities, but the above are enough to identify the issues.

Now here's the dynamite! Here is the discovery that brought persecution against Gerald L. K. Smith, not only from Jewish sources, but from the Judeo-Christians in the churches.

In 1955, there were something like 320 national and local Jewish organizations in the United States. These represented the Jewishes immunity in their towns, cities, counties, states and the nation. They concentrate under the leadership of powerful, highly financed organizations such as the AMERICAN JEWISH CONGRESS; the AMERICAN JEWISH COMMISSION; the ANTI-DEFAMATION LEAGUE; the B'NAI B'RITH lodges; the JEWISH WELFARE SOCIETY, and numerous Women's youth and veteran organizations. These organizations probably represent 98% of the Jews in the country.

You may be shocked to know, that all of these organizations, plus a careful monitoring of all newspapers and magazines published by Jews, including stories, editorials and official columns have all opposed the following:

1. - All Jewish organization have fought against the taking of loyalty oaths.
2. - All Jewish organizations have fought any effort to outlaw the Communist Party.
3. - ALL Jewish organizations have fought efforts of any government security organization to expose communist agents in the U.S. government or business.

4. - ALL Jewish organizations have joined in the effort to defame Gen. Mac Arthur.

5. - ALL Jewish organizations supported the traitor, Dean Acheson.

6. - ALL Jewish organizations favored the censure of Sen. McCarthy.

This list could go on at length. But as an intelligent reader, you must either prove these statements wrong, or accept them at face value.

The reason the CHRISTIAN PATRIOTS DEFENSE LEAGUE, THE CRUSADE FOR CHRIST AND COUNTRY, THE ARYAN NATIONS, and many other anti-Communist organizations are being attacked by organized Jewry, is because we are fighting the efforts of TALMUDIC JUDAISM to take over control of our country. We know who the enemy is, because we can follow these smears back to their TALMUDIC sources.

The reason any Christian patriot can be smeared overnight; the reason a Congressman can be smeared, is because these Jewish organizations have always been on the side of the "left." They are completely united in their campaign to stamp out white Christian Civilization.

We hear a lot these days in the Jewish controlled media about the "hate campaign" being carried out against the poor Jews. But when Congressional Committees begin to investigate these allegations, I would respectfully suggest that they first read an article which appeared in the JEWISH VOICE, the largest Jewish newspaper west of Chicago. It was written by a Milton Friedman. In this article Friedman deplores the fact that after many years of Jewish effort to silence him, Gerald L. K. Smith was still enjoying his liberties. The typical Jewish attitude can be seen in Friedman's words: "Although the Jewish defense agencies have spent many years and millions of dollars to destroy Smith, he and his henchmen now emerge stronger than ever. Smith has never been in a more powerful position than today."

When Jewish organizations are willing to spend millions of dollars and countless hours of work to destroy one man and his organization, you can bet your bottom dollar that he is doing a superb job of exposing their Satanism. This effort in itself should tell an intelligent Christian how dangerous these Christ haters really are.

America has always been by tradition a Christian nation, no matter what Jerry Falwell may say to the contrary. We are not ridiculous enough to imply that you must be a Christian in order to be an American, although it would make you a better one. No religious dogmas should be imposed on our people by anyone. But we have the right to insist that our leaders be Christian in its Biblical concept. It is honorable for Christian men and women to determine the destiny of a Christian nation. It should not be determined by some heathen cult who hates the very founder of Christianity and all it stands for. We have no business putting aliens like Henry Kissinger and Zignew Brezinski into positions of power in our government and we should have learned by now, that this will bring us nothing but extreme grief. Any fool should know that a Jew in a place of political power will not vote for the good of a Christian.

Should we be required to surrender to the anti-Christ's who would remove the name of Jesus Christ from our official prayers? Should we be expected to capitulate to those who would take Christ out of our religious holidays like Easter and Christmas and turn them into heathen business holidays? I think not!

Should we as Christians meekly surrender to those who want to "brainwash" our most precious source - our children - in the cesspool of secular humanism in our government schools? Today, all over America, there is a concerted Jewish campaign to "de-Christianize" Christian
America. They want to remove the crosses from our military cemeteries. They want to erase every vestige of Christianity from our public life, while they infiltrate our churches with their poison. They have the right, under American law to campaign for these issues. But they do not have the "moral right" to brand me and others like me as "hate mongers," and call for government investigations of our activities, because we insist that America respect the name of Jesus Christ which brought us into existence.

Anyone who has ever made a study of early American history, knows this nation would never have come into being, if it had not been for men and women who believed and practiced - not "Judeo-Christianity" - but Bible Christianity. I believe that America's tradition is that of a Christian nation and we will fight to the death any alien who tries to change it to fit their nefarious desires.

CHAPTER III

FROM OUR NEIGHBOR TO THE NORTH

"Except the Lord keep the city the watchman waketh in vain," (Psalm 127:1).

From Canada, thirty years ago, came this article written by Ron Gostick, Canadian patriot and head of the CANADIAN LEAGUE OF RIGHTS. It appeared in the CANADIAN INTELLIGENCE SERVICE: "The order has gone out from our Defense Department in Ottawa that members of our armed forces may not take part in REMEMBRANCE DAY observances which contain religious content." (Canadian REMEMBRANCE DAY, is similar to our MEMORIAL DAY.)

Then follows this column in the August 6, column of the TORONTO TELEGRAM, written by Judith Robinson:

"Canada's... Minister of National Defense has decided to boycott the Deity come November 11th. The decision deserves a special place in the annals of national lunacy, for it is official. If men who fought to save this country, persist in praying God's blessing on this country, when they gather on Remembrance Day to salute the memory of their fellows who died in battle for Canada, Canadian soldiers, sailors and airmen now serving must not gather with them.

"The CANADIAN LEGION will have to remove all religious content from Remembrance Day observances. Otherwise members of Canada's armed services cannot be permitted to attend. Canada's Minister of National Defense says so. It is not a slanderous invention of Canada's enemies. It is official out of Ottawa.

"Yesterday the Canadian Legion unanimously refused to remove religious contents from Remembrance Day services. So Canadians now serving in Canada's armed forces will have no part in them in the future."

Mr. Gostick said: "If true religious content is to be purged from the Remembrance Day observances, then what is left which one could not find on May Day in Moscow's Red Square."

This happened thirty years ago in Canada. If true spiritual values are purged from any country, whether it be Canada or the United States, by government officials, then any remembrance of those men who died to protect us becomes a mockery. For they died not for God, country and freedom, but for an atheistic, materialistic, humanist concept and the enemies of Christianity will reign supreme.

CHAPTER IV

THE APPEASER

Co-existence means getting along with gangsters. It means that America has confessed to the world that we have given up trying to protect our White Christian civilization. It is a propaganda
campaign which comes from the heart of Zionist-Communism and causes us to recognize and aid the International gangsters. In other words, if you can't or won't try and save your city from the criminal element, try cooperating with them. Before you know it, they run the city. The same goes for the country.

However, this has been official policy in Washington, D.C. since at least 1918. As has been mentioned before, on at least 14 major occasions when the Soviet Union has been on the verge of economic collapse, it has been Old Uncle "Sucker" using our tax money, who has put them back on their feet. Now they are stronger than we and we are in a constant state of worry because of it. But has that changed the mental attitude of the idiots who run this country? Not at all! They acknowledge that aiding the Soviet Union was a bad mistake, so now they are doing the same thing with Red China. Could these leaders be classified in the words of the Apostle Paul, as found in 2 Timothy 3:7, when he talked about those who were "ever learning, and never able to come to the knowledge of the truth?"

This coddling of Communists by our government has been the official policy since at least the time of F.D.R. and it hasn't mattered whether Republicans or Democrats have been in the seat of power. Today we have a so-called conservative administration under President Reagan. He talks conservative, while the same old policy of "giving aid and comfort to the enemy" continues. WHEN WILL WE WAKE UP?

* * * * *

There are men who pose as patriots and belong to that strange breed who fight communism while refusing to get to the root of the problem. They seem to take delight in attacking those of us who "go all the way." An excellent example of this breed is Evangelist Jerry Falwell of Moral Majority. He hates all the evils which are destroying America, so he says. In fact he rails against them. With this I have no argument. But never, not even once, can you find where he attempts to identify the people and organizations which are behind the effort to destroy everything he claims is sacred.

You cannot study communism without using the word "JEW". It is absolutely impossible! But whenever you use this word, and show their connection, brother, you are in "hot water."

So to escape the wrath of modern Jewry, men like Falwell indulge in the luxury of attacking Christian patriots who tell the "whole truth."

When the American Jewish Congress or the Anti-Defamation League prattle about anti-Semitism, they actually mean: "anything which is critical of Jews or Judaism." You can attack Catholics, Protestants, Seventh Day Adventists, Mormons, but heaven help you if you dare to criticize a Jew for any reason.

Now the Jewish people, in spite of recent efforts to appear friendly, have never had any love for Christians. They may hold their convocations of Christians and Jews but they still hate Christians with a virulent hatred which is difficult for ordinary folks to understand. They don't even love Moslem Semites, who have a much more legitimate claim to the land of Palestine than do the Israelis.

If some Christian millionaire patriot were to offer a large sum of money to a college that would restrict its membership to white Aryan Christians, all hell would break loose and the Jews would be in the forefront of the fight. The donor would immediately be classified as a "hate monger," and most assuredly "anti-Semite" and he would probably be called a "neo-Nazi." So what? It's the man's money and he has the right to interfere with this freedom. No law has been broken. Yet the Jews continually endow schools, colleges and universities, exclusively for Jews and no one else. That's their right! But when have you heard anyone scream about this? Does the media have the right to say they are being "anti-gentile?" Of course not! There are exclusive Black colleges and that's their right. But such is the stuff with which the AJC and the ADL is made of, that they will automatically smear anyone who does anything exclusively for Whites.
CHAPTER V
THE ABOMINATION OF DESOLATION

"When ye therefore shall see the abomination of desolation ... stand in the holy place ... Let them that be in Judea flee into the mountains," (Matthew 24:15,16.)

We hear a great deal in the news about the World Council of Churches and its national affiliate the National Council of Churches. Just about every radical, pro-communist, anti-American effort receives some backing from this "irreligious religious" organization. So for the information of those who do not know much about this monstrosity which calls itself Christian, here is some early chronological data from its early days (1907-1953) - it has not changed for the better in recent years.

1907 - The Methodist Foundation for Social Services was organized by a group of socialist, Marxist clergymen in the Methodist church. (Notice I did not say Christian clergymen, for in spite of all you have read, it is impossible for a communist to be a Christian.) This organization was headed by Dr. Harry F. Ward, twelve years before the Communist Party of the U.S. was formed in 1919. (This information comes from page 2084 of the House of Representatives document, INVESTIGATION OF COMMUNIST ACTIVITIES IN THE N.Y.C. AREA, JULY 7,1953.)

Dr. Ward was identified under oath by a number of witnesses, as a top policy maker in the American Communist Party.

1908 - The Social Creed of the churches, adopted first by the Methodist Episcopal church, is dated 1908. (From P.74 of PERSONALITIES IN REFORM, by Bishop G. Bromley Oxnam.) The Federal Council of Churches of Christ in America was founded and Walter Rauschenbuhah, a socialist, was the guiding light in its founding.

Sharp, the historian for the F.C.C. says about Rauschenbush: "He not only taught history, he made history. The stream of American Christianity has broken from the old bottom of individualism and has channeled a new course through the social bad lands of poverty, slums, and economic injustice. Rauschenbusch changed both the emphasis and direction of American Christianity."

Bishop Oxnam states on P. 75 of his PERSONALITIES IN SOCIAL REFORM, that Rauschenbush came under the teachings of the Webb's during a visit to England in 1907. These were the same Fabian Socialists teachings which nearly destroyed the English economic system. He identifies Rauschenbush as a Socialist and quotes him as saying in 1893: "The only power that can make Socialism succeed is religion. It cannot work in an irreligious country." (Of course this is the same secular humanist, Judeo-Christianity that is being taught and preached today in most N.C.C. churches.)

1914 - The Church Peace Union was founded by Andrew Carnegie with Federal Council officers in leadership positions. Carnegie subsidized this organization with a gift of $2-million. The Church Union in turn, organized the World Alliance for International Fellowship. This laid the groundwork for the later formation of the World Council of Churches.

1919 - A conference held at the Hague by the Federal Council leadership began the World Ecumenical Movement.

1920 - A series of conferences were held in Geneva and Stockholm.

1942 - The Federal Council of Churches issued a pamphlet titled SOCIAL CREED OF THE CHURCHES, which stated that its member churches should stand for: "subordination of the profit motive to create a cooperative spirit; social planning and control of the credit and monetary systems and the economic systems and the economic processes for the common good; a wider and fairer distribution of the wealth; drastic reduction of armaments; participation in international agencies for..."
the peaceable settlement of all controversies: THE BUILDING OF A COOPERATIVE WORLD ORDER."

The Federal Council's just and durable Peace Commission met at Delaware, Ohio and advanced 13 principles for peace which had been submitted by its chairman John Foster Dulles. Among these principles were strong limitations on national sovereignty, world wide freedom to immigrate, international control of all armies and navies, an international monetary system, elimination of tariff and quota restrictions and an international bank." In other words, INTERNATIONAL GOVERNMENT.

Mr. Dulles was a leader in the World and National Council of Churches before he was appointed as Secretary of State.

P. 13503 of the Congressional Record of the House of Representatives contains a portion of an Office of Naval Intelligence Report which had to do with the Federal Council of Churches. It said in part: "Organizations which while not openly advocating the force and violence principles of the Communists, give aid and comfort to the Communist movement and party. Among the strongest of these are:

The Federal Council of Churches of Christ in America. This is a large radical pacifist organization. It probably represents 20-million Protestants in the U.S. However, its leadership consists of a small radical group which dictates its policies. It is always extremely active in the matter of national defense."

Note that the F.C.C. must bear a great share of the responsibility for the un-preparedness of the U.S. at the time of the Pearl Harbor attack because of its consistent lobbying efforts against national defense.

1946 - P.240 in the F.C.C. 1946 report carries a statement regarding Soviet-American relations. For the first time it was revealed by Bishop Oxnam, during the hearing on July 21,1953, before the Committee on Un-American Activities, that the author of this statement was John Foster Dulles, then Secretary of State. Here are part of Mr. Dulles comments on Communism and Capitalism:

"Moreover, communism as an economic program for social reconstruction has points of contact with the social message of Christianity as in the avowed concern for the under privileged and its insistence on social and racial equality.

"The Free Enterprise System has yet to prove that it can assure steady production and employment. It has yet to prove that it can continuously provide industrial workers with that sense of individually creativeness which gives greater satisfaction than mere personal possessions."

Of course these statements are "stupid and irresponsible in the extreme", since at this time and since, it has been the Free Enterprise System of the United States which has continually "bailed out" the floundering economies of every nation which has ever tried the socialist experiment. The Free Enterprise System has given more blessings, to more people in a shorter period of time, than any other system which has ever been tried. As to Dulles' statement concerning "individual creativeness," let this be answered by the great American industrialist Henry Ford, Sr., writing, in his monumental book THE INTERNATIONAL JEW, he says: "when the American idea of 'make' was superseded by the Jewish idea of 'get', American business began its slide downwards."

1948 - According to the Biannual Report of the F.C.C., p.105, under the section heading: INTERNATIONAL JUSTICE AND GOODWILL, it is revealed that Mr. William Z. Foster, of the American Communist Party headed a Department committee on policy. Serving with him was the traitor Alger Hiss. On page 107 of this same report is seen the following statement: "That evening an impressive demonstration of Christian concern was shown at the Washington Cathedral, Bishop Stamm presided; Bishop Dunn, Secretary of State George C. Marshall and Mr. Dulles gave the addresses. The audience of more than 2,000, included the President and many members of Congress." (Do I need to remind you that it was Seecy. of State George Marshall who sold
Nationalist China into the hands of the Communists?)

On p. 108 - "At its April meeting, the Executive Committee authorized the Department to present testimony to Congress in behalf of the principles of reciprocal trade agreements legislation. This testimony was subsequently presented to Mr. Taft." The June Committee adopted a resolution supporting the United Nations Convention on the crime of genocide and later joined with some 123 organizations and 23 countries in presenting this petition to the United Nations."

1948 - August - Federal Council leadership went to Amsterdam to form the World Council of Churches.

TIME MAGAZINE, September 13,1948 had several interesting remarks about this array of theologians, many from the Soviet Union and the Iron Curtain Countries: "This greatest church meeting since the Reformation could not agree on the definition of the word church. What the world heard here was very much like a United Nations session. The assembly's major message was given by a Czechoslovakian theologian, Joseph Hromadka (a Soviet mouthpiece) who said: 'It won't embarrass me at all in returning to Prague. Of course, its pretty negative and doesn't offer much in the way of action.'"

The most important resolution passed was one condemning the capitalistic system of the United States. This condemnation was written by the Socialist theologian Dr. John C. Bennett of Union Theological Seminary in New York City. The New York State joint Legislature labeled Union Seminary as "a dangerous center of revolutionary socialist teaching."

1948 - SEPTEMBER - The F.C.C. Executive Committee put out a statement labeled; BASIC CHRISTIAN PRINCIPLES AND ASSUMPTIONS. It was a pious, vicious attack on the Free Enterprise System of the United States. The writers were clever enough to use the Latin phrase "status quo," when describing our economic system and then proceeded to tell us that we must not have a passive attitude towards this evil system. At no time did they hint that our economic system was under International Jewish control. The F.C.C. writers declared that "revolutionary social criticism is implicit in the teachings of the church." Of course, they offered no Scripture to back this erroneous contention.

1950 - NOVEMBER - The F.C.C. met in Cleveland to consolidate with its allied agency the United Council of Church Women, the International Council of Religious Education, etc., They changed their name to the NATIONAL COUNCIL OF CHURCHES OF CHRIST IN AMERICA.

It should be noted that the average church member in this organization, the ones who pay the bills, have never had the opportunity to vote on whether or not their church should join the N.C.C. A small group of radical, socialist-pacifist, world-government minded clerics have left out the masses of decent, patriotic Christians and have arrogantly claimed that they speak for all members of this organization. This policy has never changed.

1953 - JUNE - The Rev. William Spafford, magazine editor of WITNESS MAGAZINE, was invited to lecture at a seminar given for the N.C.C. missionaries going to the foreign field. Spafford had been cited at this time at least fifteen times by the House Un-American Activities Committee for Communist affiliations.

So what has happened 32 years later? The trend towards one worldism, socialism, radicalism and the "liberation theology" has increased and we see the N.C.C. sending huge sums of money to subsidize Marxist revolutionaries in Africa and Central America, while making "folk heroes" out of such revolutionaries as Bishop Tutu from South Africa. When will our brainwashed Christian majority wake up and see what is being done to destroy them?

CHAPTER VI
THE JEWISH PROBLEM

Over thirty years ago, Miss. Opal Tanner, writing from Washington, D.C. presented this paper on Jewish pressure against our American Congress. In view of the fact that our present government is almost totally under Jewish control, it would be well for us to consider these points.

1. - IS CONGRESS ALERT TO THE JEWISH PROBLEM? These are Miss Tanner's words: "I have interviewed numerous members of Congress as well as their executive secretaries. Almost without exception, they were alert to the Jewish problem. But most of them recognize that the Jewish pressure organizations have become overbearing, bull-dozing and obnoxious. They stand in fear of the Jew, and many of them tremble in anticipation of what the Jew can do to them. This has created an ominous frustration. If I were a professional Jew, or a Jewish leader who participated in these high pressure tactics, I would feel very insecure. It is my impression that most Congressmen would vote against the Jew if they considered it safe to do so. History proves that no segment of society has ever been able to remain strong permanently, when they based their strength on intimidation. The knowledge of this has created a panic of sorts among the intelligent Jews." (This feeling has tripled in the past thirty years and is greater now than at any time in our nation's history. As more and more Americans learn the truth about the Jews, the danger to Jewry increases.)

2. - WHAT ARE THE MOST POWERFUL LOBBIES IN WASHINGTON? "When we think of lobbies we usually think of labor, veterans, education, etc., the most insidious however, and the most oppressive are the Zionist lobbies. One Congressman said he suffered more abuse when he voted against increasing immigration quotas, than he had at any time on any other issue. Most of this abuse came from Jews."

These Zionist lobbies has been strengthened immeasurably by the aid of Jewish dupes such as Jerry Falwell, Jimmy Swaggart and others. These men have been instrumental in robbing American Christians of billions of dollars, which have been poured down the "rat hole" of International Zionism. Instead of creating a peaceful attitude in the Mid-East, these so-called Christian leaders have added to its tension and will be held guilty before Almighty God for the innocent blood spilled there by their Jewish cohorts.

3. - HAVE MANY CONGRESSMEN EVER READ COL. JOHN BEATY'S BOOK "IRON CURTAIN OVER AMERICA?" "Every member of Congress has received this book and an amazingly large number believe it is true. (This book documents Jewish backing of the Communist Revolution in Russia.) But the Zionist leaders have done everything possible to squash this book and drive it off the market."

4. - ARE MEMBERS OF CONGRESS ACTUALLY AFRAID OF THE JEWS? "Most members of both Houses of Congress fear the Jews, because of their control of the press, radio and TV. Any Congressman who dares to criticize Jewish-Zionism, immediately comes under attack of the A.D.L. and runs the risk of being abused, smeared and vilified. Practically every Congressman knows this danger, so they steer clear from these controversial issues."

It is a known fact, that in the past thirty years, many politicians have lost their jobs because they made some statement critical of the Jews. This is a political "no! no!" You can look to such strong politicians as Sen. William Fulbright of Arkansas, Sen. John Tower of Texas, and Sen. Charles Percy of Illinois and see Jew power in action.
5. - WHAT WOULD HAPPEN TO THE PERSONAL LIBERTY OF AMERICANS IF WE WERE TO ALLOW INTERNATIONAL ZIONISM TO EMBROIL US IN ANOTHER BIG WAR? "This of course would depend to a large degree on the courage of Congress. If the Jewish leaders have their way, emergency laws would be passed, which would make every American citizen a vassal to a Jewish ruled state. This bondage would be the fulfillment of a prophecy made by Rabbi Rabinovich in Budapest, Hungary, June 12, 1952. He said 'The day will come when every Gentile will be a slave and every Jew a king.'

Today Jewish control is at a high point and the TALMUDIC followers have launched an all out attack against Christian patriots. They have even been bold enough to build concentration camps to hold our people when the time comes. WE WILL NEVER SURRENDER!

6. - WILL THERE BE A UNIVERSAL WAR? "God only knows. Wise observers know that the Jewish cabal in Washington wants 'peace at any price,' as long as it is on their terms. The same people who wanted to fight Germany and Japan, are sadly quiet whenever the Kremlin kicks over the traces."

The same can be said in 1985. Look at the furor raised by the Jewish press over South Africa and then compare this with what the same press says about Soviet aggression in Afghanistan.

CHAPTER VII
JEWS OUTCASTS

Many Christian people feel we exaggerate when we tell about Jewish opposition to our fight against Communism. But some years ago, a group of Jews, including George Sokolsky and Alfred Kilberg, tried to organize a movement known as THE AMERICAN JEWISH LEAGUE AGAINST COMMUNISM. They selected Rabbi Benjamin Schultz to head this group. He was immediately smeared and ridiculed by his own people to the point where he became completely isolated. He was kicked out of his synagogue. There were some paranoids who believed that he was a plant to give the Jews another pressure point against Christians. But I would like to believe that he was sincere. Then we have Benjamin Freedman, a Jew, converted to Christianity, who spent his entire life and fortune fighting Zionism. There have been men like Alfred Lilienthal, the prestigious statesman and author and others, who have been abused by their own people because they told the truth about International Zionism. The Jewish communist in America has never endured an anti-Communist fighter in their midst, this should tell you where their sympathies lie. Maybe the JEWISH CHRONICLE of April 4,1919 was right when it stated: "there is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the values of Bolshevism are consonant with the finest ideals of Judaism." Why not? Jews wrote the book on Communism. They established it! They nurtured it! COMMUNISM IS STILL JEWISH!!!

CHAPTER VIII
WINSTON CHURCHILL ON THE JEWS

An enterprising English journalist dug up this quotation from one of the earlier writings of Winston Churchill Knowing what we do concerning his actions in World War II, it may be difficult to believe, but it was in his memoirs: "This movement among the Jews (Communism) is not new. From the days of Spartacus, Weishaupt, Bella Kun, Rosa Luxemburg, and Emma Goldman, this world-wide conspiracy for the overthrow of civilization and for the reconstruction of society on the
basis of arrested development, and impossible equality, has been steadily growing. It has played a part, as modern writer Nesta Webster has shown in the tragedy of the French Revolution. It has been the main spring of every subversive movement during the Nineteenth Century.

"There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international, and for the most part, atheistical Jews."

This statement is confirmed over and over again by Jewish writers, such as Oscar Levy, who stated in his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION: "There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners!"

CHAPTER IX
STILL NO SUBSTITUTE FOR VICTORY

On January 26, 1955, in the Grand Ballroom of the Hotel Ambassador in Los Angeles, California, hundreds of people gathered to honor one of America's greatest soldiers. It was the 75th birthday celebration for Gen. Douglas Mac Arthur. That afternoon he had spoken in Mac Arthur Park, in words which will go down in history as one of the greatest speeches of modern times. Before he began his speech that night, the general gave his listeners this definition of "youth and age," he said: "Youth is not entirely a time of life it is a state of mind. It is not wholly a matter of ripe cheeks, red lips and supple knees. It is a temper of the will, a quality of imagination, a vigor of emotion, a freshness of the deep springs of life. It means a temperamental predominance of courage over timidity, of appetite for adventure over loss of ease.

"Nobody grows old by living a number of years. People grow old by deserting their ideals. Years may wrinkle the skin, but to give up interest wrinkles the soul. Worry, doubt, self-distrust, fear and despair - these are the long, long years that bow the head and turn the spirit back to dust.

"Whatever your years, there is in every being's heart the love of wonder, the undaunted challenge of events, the unfailing childlike appetite for what next, and the joy of the game of life. You are as young as your faith, as old as your doubts; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair. In the central place of every heart there is a recording chamber; so long as it receives messages of beauty, cheer and courage, so long are you young.

"When the wires are all down and your heart is covered with the snows of pessimism and the ice of cynicism, then, and only then, have you grown old."

Probably nothing that great soldier ever said surpassed his remark: "There is no substitute for victory!" It was the statement of a man who refused to be thrown into the fire of compromise, appeasement and surrender. It was the statement of an American. When Gen. Mac Arthur was summoned with his troops to represent this nation on the field of battle in Korea, he doubtless realized that a more pro-American attitude on the part of our politicians in Washington could have avoided that conflict. He realized that American promises and appeasements had virtually assured that the Communists would attack in Korea - but like all true Americans - he knew and expressed the truth, that once engaged in combat, "There was no substitute for victory!"

Today our country is in the midst of the worst emergency we have ever faced. We realize that when patriotism and Americanism loses out, we lose as a nation, its rich heritage. We lose our personal liberty and become the servants, the slaves, the robots, the victims of the Zionist-Marxist bureaucracy. In the event of our defeat, patriotism will come into disgrace and it will be a criminal act to be an American.

Already love of country is under vicious attack by the elements of the media. If they win, nationalism will be outlawed, the American flag will be considered a provincial banner and vital
Christianity will be crushed. It will be the fulfillment of the age old Zionist dream, which was voiced by a Jewish rabbi in Budapest, Hungary in 1952 when he said: "You (Jewish leaders) have been called here to recapitulate the principles of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains we made during WW II. but our increasing numbers in certain vital areas is arousing opposition, and we must now work with every means at our disposal to precipitate World War III. (Note we have had Vietnam, the mess in the Mid-East and now Central America since then.)

"The goal for which we have striven so concertedly for 3,000 years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution ten-fold. I can safely promise you that before ten years have passed, our Jewish race will take its rightful place in the world, with every Jew a king and every Gentile a slave."

It seems that he has miscalculated a bit, since there have been some patriotic Christians who did not "roll over and play dead" like they hoped. But the Zionist plans for world conquest still continue; they still continue to brag about them and our stupid "goyim" leaders cooAPTEte in their own destruction. No wonder they are winning! The rabbi continued: "You must remember the successes of our propaganda in the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America. A campaign which culminated in World War II.

"Within five years, our program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel will of course remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all the wrecked countries. This war will end for all time our struggle against the Gentiles.

We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commission will, in the interest of peace and wiping out inter-racial tensions, forbid white's to mate with whites. The white woman must be made to co-habitate with members of the dark races and white men with black women. Thus the white race will disappear, for the mixing of the dark races with the white means the end of the white man, and our most dangerous enemy will be only a memory.

(We are dangerous to them, because we are the true, Biblical Israel. If our people only realized this, the Jew threat to the white world would disappear.)

"We will embark upon an era of ten thousand years of peace and plenty, the Pax Judica, and our race will rule undisputed over the world. Our superior intelligence will enable us to retain mastery over a world of dark peoples."

Rabbi Rabinovich was asked from the audience: "What about the various religions after World War III?" His answer: "There will be no Christianity. Not only would the existence of a preacher-priest class remain a constant danger to our rule, but belief in an afterlife would give spiritual strength to irreconcilable elements in many countries and enable them to resist our rule. We will however retain the rituals and customs of Judaism as a mark of our racial laws, so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us." (Why do they attack the one who tells them the truth, will accepting their worst enemies and exalting them to a place of preeminence?)

"We may have to repeat the grim days of World War II, when we were forced to let the Hitlerite bandits sacrifice some of our people in order that we may have adequate documentation and witnesses to legally justify our trials and execution of the leaders of America as war criminals. (Why do you think they are pushing for the ratification of the Genocide Treaty? This is the reason.) This will come after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.
'To convince you of the certainty of this leadership, let me point out to you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios; his TV stations are the mouthpiece of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against him. (Reconcile this, if you can, with the Regan Administrations efforts to modernize Communist China. - ED.)

"And so with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the light of the world." (UNQ)

Now whether you believe this Jew or not is up to you. You can turn your back on what he has told you and sneeringly say that this is the statement of an "anti-semite," and that God will still protect and bless these anti-Christ. That is your privilege. It may also be your privilege to see your family, your children and yourself suffer under the bloody hands of these people who hate you worse than anything you can comprehend. Any Christian leader or layman with any intelligence, who reads this Jewish threat and reflects on it for a bit, MUST be concerned with the emergency which now faces Christian America. If they refuse to do this, then there is no hope for our race or our religion.

Today, the Christian world has been offered many substitutes for victory! We have been told that "peaceful co-existence is possible." We have been told: "It is better to be Red, than dead!" We are told that Christians MUST help the Jews or the wrath of God will fall on us. No wonder we are losing this battle for the minds of men.

Many fundamental and evangelical Christians who read these facts will be more disturbed with me for revealing them, than with the Jews for perpetrating them. Some will even refuse to read what this Jewish rabbi has said.

But was Patrick Henry wrong when he shouted: "Give me liberty or give me death!"

Suppose that a young man and his bride were accosted on a dark street by a savage sex maniac. Would we admire the groom if he abandoned his bride rather than harm the criminal? Would the bride say to the criminal: "I'll do anything you want as long as you don't make my husband harm you." Is this the Christian philosophy which makes white Christians cringe before the threats of heathen Judaism?

There was a time when compromise was a word which indicated "instability of character." It was a word used to define a "weakling." Basic fundamental Bible Christianity has no place for the "compromiser." Only in Judeo-Christian ethics do you find love for the cowardly process. If compromise had been in the vocabulary of our forefathers, there would have been no Boston Tea Party, no Patrick Henry, no Paul Revere, no American flag, no free people. I challenge all of you who read these words, to search and find anywhere in the American Declaration of Independence, a single word of compromise. THERE IS NONE!

There is no cheap philosophy such as "peaceful co-existence." There is no compromise which will keep men and women free. There can be no "fellowship with the unfruitful works of darkness," for as the Apostle Paul said in Ephesians 5:11, it is the duty of the Christian to "rather reprove (expose) them." That means that a Christian MUST take a militant stand against evil.

If we as white Christian Americans accept anything as a substitute for victory in this war, we will:

1. Lose our sovereignty as a free nation, as we become merged into the Zionist planned one-world government.

2. We will lose our right to decide who our leaders will be, as we come under a bureaucratic dictatorship.

3. Our government will come under complete control of these Asiatic anti-Christ barbarians and your right to worship God will be taken away.
4. - Our nation and our citizens will become amalgamated into a fellowship with Christ-hating, Christ-killing Zionist gangsters.

5. - Our grand children and great-grand children will cease to be white. All history proves that with racial mixture comes degeneracy and destruction.

6. - If we lose, our nation will be open to an over-flooding of aliens and the destruction of our freedom.

7. - If we lose, we will become the slaves of the world Zionist system, which will be worse than any system yet seen on the earth.

8. - If we lose, you will not be able to own a Bible, or attend a Bible believing church. Your Jewish friends will see to that.

9. - If we lose, the Zionist KGB, financed by the ADL will become the law in the United States and we will become victims of a ruthless police state copied after the Soviet controlled Soviet Union.

The hour is much later than most of you think. "How can we ever win, when we are so few and so weak and the enemy is so strong?" Remember the words of our National Anthem:

"Then conquer we must,
For our cause it is just;
Let this be our motto:
'In God is our trust.'

It is not expensive to ring an alarm bell. Every concerned American can do this. It may take a hired arsonist many days and much planning to burn down a large building. It may require great care and expense for a professional thief to rob a vault. But the humblest of men and women can pull the fire plug in an alarm box and even little children can scream for help when they see a robbery taking place. This task is yours and mine. We are to be the Paul Revere's. The lines are drawn. The principle is clear. The issues should be visible to any honest, mature-minded person.

There is no substitute for victory! So "give me liberty, or give me death!"

CHAPTER X

CHRIST - THE DYNAMIC OF AMERICANISM

The following message was given by Evangelist R. E. Bream, thirty years ago. It is even more appropriate in 1985.

Jesus Christ is the Divine and only Begotten Son of God, the Savior of mankind (John 3:16). Jesus is eternal. He is co-creator of this universe. History, the things of nature and civilization are proof that these things are so.

We have the testimony of early Christians in the First and Second Century such as Justin Martyr, Polycarp, Papius Clement of Rome, Barnabus and Ignatius regarding the fact of Christ. We have the testimony of Roman historians such as Caius, Cornelius Tactitus, Seutonius, Pliny and Lucian. Archeology has uncovered much truth which proves the truth concerning Jesus Christ. Even hostile Jewish writers bear witness in spite of themselves to the historic character of Jesus.

The animosity of the Jews towards Christ comes out of the Talmud, as it refers to Jesus as an illegitimate child, born out of wedlock; Mary being the mother and some Roman soldier the father.
The Talmud is the civil and canonical law of the Jews. Many of its references to Christ are unbelievably coarse, vulgar, filthy and foul.

The divinity of Christ has been attacked from the time of the Saducees. In the year 300 A.D. there was a conflict between the followers of Anus who denied Christ's divinity and the followers of Athanasius who believed it.

The Bible, the greatest source book of information, gives clear, bell ringing testimony that Jesus is Divine. The book of Genesis declares that "In the beginning, God created the heavens and the earth." The Old Testament was written in Hebrew and the word for God was ELOHIM. It is plural - proof positive that Jesus Christ and the Holy Spirit were present from the very beginning, together with the Father. The Gospel of John clearly states: "In the beginning was the Word (Jesus), and the Word was with God, and the Word was God. The same was in the beginning with God.

All things were made by Him... And the Word was made flesh and dwelt among us."

The dynamics of civilization at its best is Jesus Christ, because of who He is. His example, His life, death, resurrection, ascension and the certain promise of His return gives incentive to life. It is Christ who brings out the best in a person and helps people to overcome the trials, burdens and problems of life. Jesus said: "In the world ye shall have tribulation, but be of good cheer: I have overcome the world," (John 16:33).

The world had its beginning with God therefore we see that life sprang from a religious source. Since this is true, the principle of God should be applied in everything. The only successful way to combat the forces of evil is by a deep and abiding faith in Jesus Christ and adherence to His teachings. The forgiveness of sins through Jesus Christ and His precious blood mean everything to mankind. Life after death is the supreme incentive and dynamic of Christianity. Christianity is superior to all other religions since it alone provides the perfect sacrifice for sin.

Today, many use the word God, to the exclusion of Jesus Christ, for the purpose of a camouflage for evil. The National Conference of Christians and Jews for instance, harps on the "Fatherhood of God and the brotherhood of all men." For the most part, Jews are anti-Christ and according to Scripture teaching Christians must have no fellowship with them. (See 2 John 10, 11). There is no true brotherhood apart from Jesus Christ. It is impossible to say you love God, when you hate and refuse to accept His Son (see 1 John 2:22, 23.)

The Old Testament was as dependent upon Christ as the New and Jesus let the Jews know that their religion was useless without Him. In John 10:30, Jesus told the Jews: "I and my Father am one." In Matthew 11:27 He said: "... no man knoweth the Son, but the Father; neither knoweth any man the Father, save the Son, and he to whomsoever the Son will reveal Him."

All is not well with the church today. (Remember, this message was delivered over thirty years ago - ED.) but we can thank God for a few preachers who love God and speak the truth, even when men abhor it.

Today, for fear of the Jews, the name of our Savior is often ignored and the sacred name of God is used as an empty hollow shell in our national affairs. This veil of hypocrisy must be torn down. The veneer of righteousness which protects ungodly corruption in government must be torn aside.

The Christian of today is much like the hunter who encountered a huge bear in the woods. The bear was unarmed except for its teeth, claws and wit, while the hunter had a high powered rifle.

The bear asked the hunter: "What are you looking for?" to which the hunter said: "I want that fur coat you have on."

"Well," said the bear, "all I want is some breakfast. Let's sit dere and see if we can't work something out." So they sat down to talk together. Soon the bear got up alone. They had reached a compromise. The bear had his breakfast and the hunter was in his new fur coat. This is the kind of compromise that is killing Christianity. We must have none of it!
CHAPTER XI
SOME GOOD REASONS WHY THE UNITED STATES NEEDS TO GET OUT OF THE UNITED NATIONS

1. - They have taken our sons into two world wars where over 110,000 have died; they did this without the consent of our Congress or our people.

2. - By their manipulations they have drained our treasury and we now face a crippling debt.

3. - They have subordinated our Constitution by chicanery and have violated the traditions of our nation.

4. - They have used our power, our money, our blood and our military to intimidate and browbeat nations who wish to remain sovereign.

5. - They used the power and influence which America gave to the U.N. to drive millions of Arabs from their rightful homes in Palestine and gave the land to imposters.

6. - They have used the power of the U.N. to justify the mongrelization of our people and destroy the integrity of our racial heritage.

7. - They have flooded our land with spies and enemy agents, who exploit our hospitality while gnawing at our vitals.

8. - They have created a forum, where our enemies curse us, while standing on American soil.

9. - They have re-written American textbooks in accordance with a humanitarian education association they call U.N.E.S.C.O. They are building patriotism for a one-world government in the minds of our children, while they deride patriotism for America.

10 - They have inspired our public school teachers to belittle nationalism and love for our flag.

11 - They have given us a new flag, the emblem of world slavery, the "spider flag of the U.N."

12 - They have flooded our country with subtle propaganda which would elevate the U.N. above America. This is treason!

13 - By manipulation of their International agents in the Federal Reserve System, they have directly and indirectly increased our debt, inflated our currency, and siphoned off the blood of our young men.

14 - They have organized an "economic booby trap" beyond the understanding of our people, for the systematic plundering of our economy.
15 - They have outlawed prayer, Bible reading, and the mention of Jesus Christ from our government offices.

In addition, they have exploited the knaves and fools among our politicians and ministers into acts of treason against the American people.

Who dares to justify these acts of treason? No man or woman who loves God, who believes in Jesus Christ - who really loves America! Those of us who love our God, our race and our nation are patriots in the tradition of George Washington.

We love the world in the tradition of Jesus Christ. We are convinced that our Nation and its Anglo-Saxon and related people carry a tremendous responsibility in its world relations, for we are the "light bearers" of God's kingdom here on earth.

We, under God, must jealously guard our sovereignty. We can not we must not give it into alien hands for safe keeping. I appeal to you who go by the name of Christian, that under God, we keep American blood in control of our destiny. We MUST NOT RELINQUISH IT TO THE ANTI-CHRIST!

* * * * *

CHAPTER XII

PRINCIPLES AMERICA NEEDS TO RETURN TO

1. - The preservation of America as a Christian nation, knowing there is a high-powered campaign underway to substitute Judeo-Christianity for Bible Christianity. THEY ARE NOT THE SAME!

2. - To expose, fight and outlaw anti-Christ Communism.

3. - To safeguard American liberty against any totalitarian power whatever its name may be. Even International Zionism!

4. - To maintain a government under God by the majority, which abuses no minority; which will oppose mongrelization of our people and any attempt to enforce inter-racial marriage on our people.

5. - To protect and earmark our national resources for American use.

6. - To maintain the George Washington Foreign Policy of friendship with all but Communist countries, while having entangling alliances with none of them.

7. - To oppose with all our being the imposition on the world of a one-world Super State.

8. - To prove once again that the worker, the farmer, the businessman, the veteran, the aged and the infirm can enjoy more happiness and abundance under our system of Free Enterprise, than under any alien system now proposed by the foreign propagandists.

9. - To stop further immigration and protect American jobs.

10. - To enforce the Constitution, especially as it pertains to our monetary system.
CHAPTER XIII
THE UNITED STATES AS A CHRISTIAN NATION

(Through a chapter in a book written by Rev. James Wheeler.)

To most Americans the concept that America is a Christian nation is neither strange or new. Millions of voices resound the spiritual stanzas of our National Anthem - and those same voices blend in hymns to Christ, to testify in psalm that "There is a balm in Gilead, to heal the sin-sick soul." The pulsing songs of Zion mingle in resonance, inspired by the marching cadence of ONWARD CHRISTIAN SOLDIERS, the stirring challenge of THE BATTLE HYMN OF THE REPUBLIC, or the simple, humble words of our national motto: "In God we trust!"

Christianity is the most essential part of our nation's identity. The meteor-like rise of this nation from its inception to its present leading position among the world powers, occurred in the short span of 150 years - a thing unprecedented in recorded history. This rise can only be attributed to its one unique feature - its God purposed founding. If we reject or neglect the principle responsible for that rise, there can be only one inevitable result, defeat, decline and disintegration.

We shall prove by history, tradition and statistics that the United States is, in fact, a Christian nation. Yet that Christianity is being challenged by an insidious force that is, even now, in active opposition. Cunning conspirators have infiltrated our unsuspecting society and, dedicated to the destruction of Christianity, have arrayed themselves against the progress of American Christian civilization.

This threat against this nation, is a threat against Christianity. It has risen to great proportions, but an eleventh-hour awakening of the American people has already begun. We are rapidly becoming more aware of our ludicrous position. Set by the enemy to playing Don Quixote with a windmill, we are turning about in time to see our precious heritage being stolen from behind our backs, like pies from a window sill. In spite of organized efforts to the contrary, millions of Americans, whether native born or naturalized, still thrill to the beauty of the Stars and Stripes and take pride in the temporal and spiritual stories of this immortal nation, stories handed down to them by record and word of mouth throughout the generations of American ancestry.

The United States came into being as a jewel in a dark setting a Republic born into a world of monarchy and empire, carved out of courage and endurance scarcely conceivable to us and impossible of accomplishment except by divine inspiration and by more than human strength.

What makes a nation what it is? Its government, its culture, its race, its religion; and, consciously or otherwise, nations are thought of in respect to one or more of these categories. Some are classified as empires, as kingdoms or as commonwealths; some are republics. These classifications are entirely based on perspective and are often misleading. Such descriptions for example, include the following: "democracy, socialist, communist, fascist and dictatorship."

Racially nations are grouped according to the predominance of the race of its citizens. Great Britain is known as an Anglo-Saxon nation; France as Gallic; Germany as Teutonic. There may be many other nationalities within the borders of those nations but, primarily when the country or continent is named, the basic race of the majority comes to mind. With Africa it is Negro; with the Orient it is Chinese, Japanese or Korean.

Nations fall into other important classifications. They are grouped according to their religion. Some nations are Moslem; some are Buddhist; one is Judaistic. Another is known for its opposition to all religion. Other nations are Christian.

By government, the United States has been loosely classified as a democracy. However, more strictly speaking, this is not true. This nation is democratic but, by governmental classification we are a Constitutional Republic. "Democracy literally means mass rule." and by implication, this means "mob rule." It signifies that the unrestricted will of each represented group of the population is in effect. Instead of that, the United States "democratically" elects its representatives who, in turn,
govern under the Constitution. The system of "checks and balances" in our government was meant to be a safety feature of the Constitutional Republic; each major department checks on the other to balance the other and to preserve the Constitution as the law of the land. This worked fine, until unscrupulous men began to undermine the Constitutional process.

By religion, the U.S.A. is universally recognized by friend and foe alike, as a Christian nation. In the same manner that it is recognized governmentally as a Constitutional Republic, so it is classified as Christian. The following Supreme Court declaration is, of itself, sufficient to do this, but to satisfy the more inquiring mind, an entire background will be presented in explanation of the court decision.

The Supreme Court of the United States formally declared this Republic to be a Christian nation. It was so declared in a case involving a church and certain taxes. (Holy Trinity church vs U.S., 143 U.S. 471); the date was February 29, 1892. The highest court of the land, after mentioning various circumstances, added the following words: "... and these and many other matters which might be noticed add a volume of unofficial declarations to the mass of organic utterances that this is a Christian nation."

In what sense is the United States being referred to as a Christian nation? Not in the sense that Christianity is the religion established by the State. Not that the citizens are required to support it. The Constitution of the United States specifically states that "Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof." However, the actual separation between church and state is one of the greatest testimonials that Christianity is indeed the law of the land. Why is it such a testimonial? Because the supreme thought of the religion of Jesus Christ is that of a personal relationship between God and man, with Himself as the Mediator - a relationship uncontrolled by and independent of government. Freedom of worship is, perhaps the greatest single evidence that the U.S.A. is indeed a Christian nation.

The United States is not classified as a Christian nation in the sense that all its citizens MUST be Christian, either in fact or profession. On the contrary, all religions have free scope within its bounds.

All religion in the U.S. is independent of the government, and the government, as a legal organization, is free of all religions. Therefore, although the U.S. is and was formally declared to be a Christian nation, professing Christianity is waived as a condition for holding office. (An unfortunate regression from a former policy - ED.)

The term "Christian nation," is certainly not one of derision. The firm Christian background of this nation is no mirage of the imagination and a careful examination of that background will uncover the cause for the Supreme Court declaration.

Christianity motivated the first settlements on this continent. The legal instruments, the charters and the Constitutions of the colonies are filled with evidence that Christ was the dynamic that inspired the early American settlers. The laws of the Christian Bible were a controlling factor in their lives. In at least one of the Colonial Constitutions, Christianity was declared to be the established religion. In several others, the furthering of the kingdom of Jesus Christ, the Son of God, was stated to be one of the purposes of government. In many of the Colonies belief in the Gospel of Jesus Christ was declared as an express condition for holding political office. In some of the earlier Constitutions, authority was given to the legislature to make the support of Christianity a public charge and to aid in the operational expenses of the church through taxes.

Further evidence can be found in most of the State Constitutions, in which they have recognized the Christian Sunday and often include express declarations to support that recognition. Sunday laws, were enacted and enforced in most of the colonies and States. (Since falling prey to the Judeo-Christian concept, many of these laws have been repealed so that the "Jewish money changers" can make their profit even on the Lord's Day - ED.)
Throughout all the organic legal instruments and Constitutions, appeal is habitually made to the God of the Bible. The form of the oath, both in inaugural and court proceedings, ends with the words: "so help me God!" Many of the earlier forms added the words: "In the name of Jesus Christ, our Savior and Lord."

But Christianity, as an accepted background of our national culture, is not relegated to the early days of our nation. At the present time there are sitting accommodations in our churches for two-thirds of our population. Almost 50% of our population are members of some Christian church. Many of the educational institutions of America began under the auspices of Christian churches. Aside from parochial schools, most of the universities and colleges, with the exception of municipal or state schools, were originally sponsored by church bodies.

These facts prove irrefutably that the United States, even today, is the result of the expansion of the Christian church. The United States emerges as the direct result of the militant, Holy Spirit led advance of the "kingdom of God," bearing aloft as a triumphant banner, the name of the Beloved Son, in whom God is well pleased. The Lord of all making, YAHWEH - THE MOST HIGH GOD, YASHUA - "God with us, the Savior". He whom we call Jesus the Christ, King of Kings and Lord of Lords.

With this breath taking truth in sight, is there any wonder that the United States has been the most "God blessed of all nations?" Surely the citizens of this country should be grateful to its founding fathers - thankful that the God of Creation was the dynamic in our establishment.
My idea of an honest Jew is one who is a Jew, who admits it, acts like it and is not ashamed to tell the world about it. He admits it, acts like it and is not ashamed to tell the world about it. He admits that he hates Jesus Christ: He hates the idea of representing Christ as being divine. He hates the whole philosophy of Christianity.

Once in a while you will find a Jew like this. One of these was a Jewish editor in California who introduced a new word - He discussed the ‘menace’ of “Saviourism.” He went so far as to say that the Saviourism of Jesus Christ had produced Adolph Hitler.
Its too bad our Christian Americans cannot read some of the Jewish newspapers. I believe it might wake a lot of them up to reality; this reality is that their pastors have been lying to them regarding the Jews as the Chosen People. If they could understand the utter contempt the Jew has for their Christ and their religion, possibly we might have an end to this stupidity which calls God's worst enemies, His approved people.

If you have any doubt about how Jews feel about your Savior and your religion, I suggest you read the book YOU GENTILES, written by the Jew Maurice Samuels.

CHAPTER XV
SHOCKING NEWS FROM WORLD WAR II

For those of you who looked on General Dwight Eisenhower as a great American, later to become President, you might look at PARADE MAGAZINE in 1955 and see an article written by General Walter Bedell Smith. He tells how Eisenhower threatened in the closing days of World War II to have American troops shoot any German soldier who tried to surrender to the Americans, if they had first failed to surrender to the Communist troops of Soviet Russia.

Smith said that Gen. Gustav Jodl, Chief of Staff of the German Army had pressed for a "cease fire" for some time before the war ended and that we would not accept. Smith said that Jodl made this proposal to him as Eisenhower's representative at surrender negotiations.

One wonders how many American boys died because Eisenhower, Churchill and President Roosevelt, the supreme egotist, refused Germany's early surrender. It did not fit in with the plans of the International Jewish "puppet masters," who did not want a surrender until their Communist cohorts were in complete control of what are now the Iron Curtain countries.

This information ties in with the ignominious OPERATION KEELHAUL, in which Eisenhower turned over to the Soviets, several millions of anti-Communist fighters. Many of these were murdered outright, while countless thousands disappeared into the Soviet slave labor camps. The records of this tragic affair have been sealed and have not been made known even to our Congress, or most certainly not to the American people. Just another indication of how the "puppet masters" control America.

CHAPTER XVI
SUPREME IMPUDENCE

The B'nai B'rith MESSENGER, published in Los Angeles, is one of the outstanding Jewish papers in the nation. On its editorial page for June 17,1955, page 26, appeared these words:

"There must be a re-writing of the Christ story for Christians which will for all time eradicate the myth that the Jews killed Christ." Of course, there has been a move underway to take this story out of the New Testament account and some strong efforts have been made by Jewish authorities to eradicate the entire eighth chapter of St. John's Gospel. It seems that they cannot stand the truth!

The Christ story was written long ago in the New Testament. In Matthew 27:24, at the trial of Jesus Christ, Pontius Pilate, the Roman governor insisted that Jesus was innocent of any crime. But they insisted that He be executed. In verse 25 we have the Jewish answer to Pilate: "Then answered ALL (unanimous approval) the people and said, 'His blood be on us, and on our children.' This account is not only found in the New Testament, it is also found in Roman documents of the trial. Yet the Jews would have Christians re-write their Bible, because they cannot stand the bright beams of its truth. They hate Christ, because He exposed them for the frauds they are. How then can our so-called Christian pastors still insist that these Christ haters are God's CHOSEN PEOPLE?
CHAPTER XVII
FROM THE MOUTH OF THE ENEMY

In 1931, Dmitri Manualisky, who presided over the United Nations Security Council in 1949, told an audience at the Lenin School of Political Warfare, the University of Moscow: "War to the hilt between Communism and Capitalism is inevitable. Today, of course, we are not strong enough to attack. Our time will come... To win, we will need the element of surprise. The bourgeoisie will have to be put to sleep. So we will begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The Capitalist nations, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be our friends. As soon as their guard is down, and they have gone to sleep, we will SMASH THEM WITH OUR CLENCHED FIST."

The Zionist-Communist anti-Christ anti-Christ have not changed one bit in the 54 years since this threat was made. Yet the stupid Christians of America are indeed asleep. They still believe that the Zionists want peace. But playing ball with these hypocrites is like playing "patty cake" with a rattlesnake. Sooner or later, you are going to get bit.

CHAPTER XVIII
ISN'T IT INTERESTING?

While most Jews seem to favor mongrelization, integration and brotherhood for everyone but Jews; most of their rabbis are behind "inter-marriage between blacks and whites." All Jewish organizations in the U.S. push for "integration." But when they meet with themselves, it is amazing how they confirm the doctrine of segregation and how they oppose integration of their own people. You see, they are smart! They know what integration accomplishes.

The following Jewish dispatch came out of London: "According to a survey made by the AMERICAN JEWISH COMMITTEE, a vast majority of American Jews want to maintain their identity as Jews, while clinging to the benefits of being Americans. The number who want to move to Palestine is very small. Dr. John Slauson, executive vice president of the AJG said a recent survey showed that 95% of all Jews wanted to continue as a distinct group. The findings showed a widespread opposition to intermarriage."

Isn't it strange and somewhat hypocritical that the AMERICAN JEWISH CONGRESS who opposes integration and intermarriages for Jews would back it in the case of Blacks and Whites? Could there be some ulterior reason for this? Maybe that's why Jesus Christ called them liars and hypocrites. (See Matthew 23:13-15; 23-25; 27-36, and many other Scriptures.)

CHAPTER XIX
THERE WAS A TIME WHEN BAPTISTS HAD GUTS

As a former Baptist, raised in that church's doctrines for 45 years and preaching as an evangelist for eighteen, I can say with a good deal of sadness that hard times have come to the Baptist churches of America, when it comes to taking a stand for God and the Bible. Compare, if you will, the "wishy-washy" stand taken by most Baptist churches today, with this one, published in BAPTIST FACTS, thirty years ago by a fearless editor named Maylon D. Watkins:

"So much is being said on what is right and wrong on the desegregation of our public schools that we see a clear, unmistakable statement should be made, setting forth the Biblical position on the separation of the races.

"This statement is not intended to give a Biblical exposition of the subject, but to announce that
there will be such an article in the near future.

"Mixing races is a grievous sin, and the examples in the Bible tell of God's judgment upon the races that mixed.

'It is past the time when an organization should be set up, on a sane, sensible basis to promote Christian views on segregation and fight to maintain it, not only in the public school, but in every walk of life. We need to start at the grass roots and spread out in-to this state and the nation, until the Supreme Court reverses its decision, or the Constitution is changed.

"Forced integration is so foreign to our American Way of Life that Congress should set up a committee to study the background and real purpose behind those groups who call so loudly for the mixing of the races.

"The public will be surprised if they know the real purpose and who is promoting it." (Unq)

Today, for the most part, Baptists of every stripe back the anti-Christ's in their approval of integration and race-mixing. They say you are not Christian if you are not willing to intermingle with our Black brothers. But few of them are willing to go to the Word of God and see what it says. Even men like Billy Graham have been taken in by the propaganda of the anti-Christ and are promoting this evil, which can do nothing but destroy us in the long run.

CHAPTER XX
ONE WAY TO HELP BALANCE THE BUDGET

The pressure power of the Zionist political machine all over the world can be seen no more clearly than in the way this pressure inspires editors and publishers to become "apple polishers" for Zionist interests. An outstanding example in the past was William Randolph Hearst, Jr., who after visiting Israel wrote a feature article entitled TALE OF TWO CITIES. In this article he compared the Arab controlled section of Jerusalem to that which at that time was under Jewish control.

He went into quite some detail to discuss the new buildings and wide streets in the Israeli section, comparing them with the squalor found in the Arab section. What he failed to do was remind his readers that millions of Arabs had been driven from their legal homes, businesses and fruit plantations by the ever greedy Zionists.

Mr. Hearst was also very careful not to remind his readers that most of the money used to polish up the Jewish communities was furnished by Americans. This tax-exempt money - which ordinarily would have gone into the American treasury, was given a tax-exempt status if donated to the Israelis.

While Americans have poured billions of their hard earned tax dollars down the Zionist "rat hole," we have received very little in return. Mostly it has been the ill will of the most ungrateful, deceitful people who have ever existed on the face of the earth. They hate our guts (Read 1 Thessalonians 2:15).

Today, when the big thing in the news is the President's effort to "balance the budget," why is it that we never hear him say anything about cutting down on our foreign aid to Israel? The vast majority of our aid now goes to these ungrateful, deceitful people who are our allies, when in reality they cannot be trusted to do anything but that which will serve Israeli interests. There is a lot of evidence that they have been playing "footsies" with the Soviets behind our back.

* * * * *
CHAPTER XXI
THIS MYTH CALLED ANTI-SEMITISM
It is rather fantastic to see the manner in which many Jewish leaders refuse to face the realities of life. A London periodical called the LITERARY GUIDE, published an article entitled ANTI-SEMITISM IN FRANCE, written by a Jew named A. D. Cohen. He praised the French authorities for "getting down to the grass roots of anti-Semitism." "It is nothing but a middle-class myth," he said, "composed of many different and contradictory parts. It brings together the rich and poor against an alleged outsider and thus staves off a revolution of the left. It fosters a sense of superiority in the mediocre, who are led to believe they are true patriots and makes them believe, that somehow or other, their birthright has been stolen by the uncanny intelligence of the Jew."

But "anti-Semitism," is the wrong word to use, for defining the "uncanny intelligence of the Jew." We are forced to use that word, because it describes the feeling of those of us who do not want to come under Jewish domination.

The fact remains, that every Jew of any consequence belongs to an organization for Jews only. If a plain, old-fashioned alert Gentile happens to get into one of these programs and then gives an account of Jewish activities, is he doing something wrong? The Jews infiltrate Gentile meetings all the time and nothing is said about that. Why the furor when the tables are turned. Could it be that Jewish organizations are engaged in activities they do not want the rest of us to know about?

Is it wrong for a Jew to study the methods used by a Methodist or a Bare pt? Is it wrong for a Republican to read the platform of the Democrats? Then when you have read and studied these programs, is it wrong to comment on them or even criticize them? Of course not! That is the American Way.

But if some Gentile happens to read the minutes of an A.D.L. meeting and finds something which is definitely anti-American and anti-Christian in them and then has the guts to tell people about them, either on the written page, or by word of mouth, he is immediately labeled as an "anti-Semite," and is probably called a "fascist" or a "neo-Nazi" as well.

During the twelve years that I worked as a speaker for THE AMERICAN OPINION SPEAKER'S BUREAU of the John Birch Society, I never mentioned Judaism, Zionism, or ever said anything which demeaned the Jews. (Mostly because I was ignorant about it.) But I did hit Communism hard and every time I did, I was immediately labeled in the Jew controlled press as being "anti-Semite." Most of the time when I got into trouble in the colleges and universities, the radical element was Jewish led.

Sort of makes you think doesn't it? So I searched for the reason and that is when I found that "Communism is indeed Jewish", from its founding to the present time and that it is part of the overall Zionist plot to control this world. One of their own said: "...there is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism." (This gem was written in THE JEWISH CHRONICLE, April 4,1919).

Anti-Semitism is not a myth, it is a reality. I am not an anti-semite, if you use it as a term for someone who hates Jews. I do not hate any group of people in the world, just because they think differently than I do. But as an American Christian patriot who is concerned over the welfare of my people and my country, I have every right in the world to read the Anti-Defamation platform and then comment on it. I have every right in the world to read what Jewish authors say about the Zionist plans to control all mankind, and then I have every right in the world to warn my fellow Americans about this danger. Before God, I intend to do this. Is this anti-Christian? Am I to blame because a majority of Jews are liberals who lean towards the socialism I hate? Am I to blame because they hate my Savior and would destroy everything I stand for as a Christian? Can you place the finger of blame on me because I say with the Psalmist: (Psalm 139:21) "Do not I hate them, 0 Lord, that hate thee? and am not I grieved with those that rise up against Thee? I hate them with a perfect hatred; I count them as mine enemies." "Am I therefore become your enemy; because I tell you the truth?"
CHAPTER XXII
S.O.S. AMERICA!

"Ten years more, possibly that's all. By then the Reds will have taken America, just as they said they would. No war! No nukes! No mass slaughter until after the surrender is signed and the "sheeple are all safe in the slaughter pen."

O, we've heard this all before. In fact we have heard you "kooks" shout it for thirty years and nothing has happened yet."

But what most of you don't seem to understand, is that the "coup d'etat" is being accomplished even while you read these lines. It is being engineered to a final success by the entrenched traitors, the seemingly untouchables, that we have elected to office in Washington, who are being aided and abetted by the preachers of America who prefer to remain silent about what is happening to their people.

The same men who sold a billion Chinese into Communist slavery will finally betray America. The saboteurs who engineered the disastrous defeats in Korea, Vietnam, Iran and the Panama Canal, will at last achieve the utter destruction of the only nation which has ever stood against the bloody Zionist-Communist one-world government.

It will be the final fulfillment of the Jew Lenin's prophecy of 1921, when he said: "First we will take Eastern Europe, then the land masses of Asia, then Africa. We will then encircle the United States, which will be the last bastion of Capitalism. We will never have to attack, because they will fall into our laps like overripe fruit."

Who are these traitors that have run America for more than seventy years? In what key spots will you find them? Apparently we will not be sure until the surrender is signed. It is suicide for anyone who has tried to track them down. The end of those brave souls who have tried has always been assassination, disgrace, character destruction.

A true Christian can do only one of two things with the above gloomy forecast. He can dismiss it as being untrue, (this is the pathway taken by most who call themselves Christian, even when the evidence overwhelmingly says it is true,) or he can believe the warning and act on it.

So in the face of what is happening in America, I ask you as an intelligent caring American to think about these things:

1. - America is a Constitutional Christian Republic. It grew out of the teaching of Christian ideals. Who will benefit most if it is destroyed?

2. - The enemies of Jesus Christ and our way of life, no matter what title they go under, have been organizing for years in a world-wide plot to destroy everything you say you stand for as a Christian. You don't have to believe this, but I dare you to look at the facts.

3. - It is our duty as Christians to learn the truth and then follow the admonition given by the Apostle Paul in Ephesians 5:11 -"Have no fellowship with the unfruitful works of darkness, but rather reprove (expose) them." at t>4. - To do this, we must first educate our "brainwashed" Christian brethren in our churches as to who the enemy is and the techniques he has been using for our destruction. This will not be an easy task, for he has infiltrated his agents into most of our churches and they have been teaching their propaganda there for a long time. This MUST be exposed!

5. - Based on the truth, we must act with intelligence, strength and courage. We are told
in 1 John 3:8, that "...the Son of God was manifested (made known), that He might
DESTROY (utterly annihilate) the works of the devil." If this was one of the major
purposes of Christ's first advent, then who are you and I as His followers to hide in our
spiritual fox-holes while the battle for truth and freedom rages?

Behind the conspiracy to destroy our Christian Republic stands the same evil, Christ-hating political
machine which has brought over 2-billion people into savage slavery and has killed 140-million
more.

Because most Americans are decent people, mellowed by our Christian heritage, crude methods
could never succeed in enslaving and then destroying us. So today we are being destroyed by the
"wolves in sheeps clothing" our Lord warned us about. They have crept into our schools, our
colleges, our churches, our cultural organizations, our broadcasting facilities and our news media.
In fact, for all practical purposes they control them.

Many who are doing this work of destruction are neither Jews nor communists. In fact, many of
them believe they are opposed to communism. They are serving as innocent tools of the most
ruthless conspiracy ever plotted against mankind. The study of this conspiracy is as complex as the
study of geology or cancer. While billions of dollars have been spent on a study of science, only a
relatively small sum and only a few people by comparison, have studied this gigantic threat to
Christianity.

Since so few of our people are informed, it is almost impossible to reach them with the truth. They
would rather believe the lies of the enemy. Those who dare to lift their voices in warning are
smeared, ridiculed, persecuted, struck down by character assassination, imprisoned or murdered.
The roll call of such heroes is long and includes such illustrious men as Charles Lindberg, Father
eclahlin, Kenneth Goff, Senator Joseph McCarthy, General Douglas Mac Arthur, Gordon KahI and
Representative Lawrence McDonald. These are but a few on the Honor Roll!

Here are a few of the unmistakable symptoms of treason which has cropped up in high places in our
government. I defy any honest American to ignore this!

High ranking governmental officials have stated, under oath, that President Franklin Roosevelt
knew about the Japanese attack on Pearl Harbor in 1941, yet deliberately withheld this information
from our American commanders, because he wanted America embroiled in World War II, on
pressure from his Jewish overlords.

Most of you know about Roosevelt's "sell-out" to Stalin and the Communists at Potsdam and Yalta,
where for all intents and purposes, Eastern Europe was turned over to the Communists.

Many of us know about the treason of Gen. George Marshall, who as Secretary of State deliberately
sold out the Nationalist Chinese and then publicly bragged about it. Five generals and admirals
testified before the Internal Security Committee of Congress, that they were ordered by the U.S.
Government to take steps in Korea, which were against their better judgment and which led to our
defeat.

Most of you can remember America's recent humiliation in Vietnam and Iran; you can remember
the "sell-out" in Panama and the slaughter in Lebanon.

Yet today, our legislators in Washington are still so terrorized by what happened to Senator
McCarthy and others, that they even refuse to criticize the Zionists for their excesses against the
American people.

Ask yourself. Who is and always has been behind the world Communist conspiracy? What
individuals have supplied the brain power and the money to make it succeed? If you are honest, you
will find that the greater majority, the high majority have been Jews, because this, is a Zionist plot.
(These statements should place me even higher on the A.D.L. "hate list.")
When the Christ-hating savages of communism burned the churches, slaughtered the police and overthrew the government of Russia, three hundred commissars came into power. Two hundred and ninety of these were Jews. (Don't get angry with me, I didn't make these figures up. They come from Jewish statistics.)

Three years after the Revolution was successful, the most influential Jewish newspaper in the United States, the AMERICAN HEBREW, stated: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order for the world. What was performed in so excellent a way in Russia, thanks to Jewish brains ... shall also, through the same Jewish mental and physical forces, become a reality all over the world." HOW CAN YOU REFUTE THESE WORDS AND SAY THEY HAVE NO MEANING?

When I use the word "Jew" I do not refer to the individual Jew, but am referring to the policies of International Jewry, the Jewish organization which stands behind the world's revolution and the slaughter of Christians everywhere.

Col. John Beaty was one of the top officers in the U.S. Army Intelligence during World War II. Following the war he retired and took up duties as a university professor. He was head of the English Department of Southern Methodist University in Dallas, Texas. During the war years, Colonel Beaty had observed subversive activities in the Armed Forces; he made a thorough and comprehensive study of this and put the information into a book titled IRON CURTAIN OVER AMERICA! It proved beyond the shadow of reasonable doubt, how world Zionist leaders have seized control of Christendom and their part in the Communist revolution. Col. Beaty immediately came under vicious attack by the political arm of Zionism, the Anti-Defamation League and other powerful Jewish organizations and his book was banned in many areas and was literally driven off the book shelves of America. Why do you suppose that powerful Jewish leaders wanted these facts suppressed?

When Gerald L. K. Smith, Editor of THE CROSS AND THE FLAG, spoke in Chicago at the West End Women's Club in 1955, he was mobbed by thugs from the A.D.L. The editor of the JEWISH SENTINEL, in Chicago wrote an editorial which said: "We intend to make it impossible for Gerald L. K. Smith or any of his ilk to meet in public places anywhere in Chicago. Let them spew their filth in sewers, in dungeons, in underground basements, not where decent people gather."

Imagine how the media would have screeched, if someone would have denied the Jew Jerry Rubin the right to speak at one of our colleges during the Vietnam War. Or if Jane Fonda had been denied this right. The Jew run American Civil Liberties Union would have been in the forefront of the struggle to give these traitors their rights.

That same year, the Jew owned St. Louis GLOBE-DEMOCRAT carried a news story concerning a meeting in St. Louis, which said: "A New Year's resolution was passed by the group to wish and pray for the death of Gerald L. K. Smith. One member of the same individual asked that funds be donated to pay for Smith's death by any means." Now can you imagine the furor which would have been raised, if some "right wing" group had said the same thing about the Anti-Defamation League and some rabble rouser like Rabbi Meyer Kahane? You see, it all depends who is doing the defaming. If it is a Jew, it seems to be all right. If a Christian tells the truth about Judaism, then he becomes a "menace to society."

Why has America been kept in the dark? Why haven't our Christian people been warned? The reason is simple. Most of the news media in the United States is owned and controlled by Jews. 909 major daily newspapers, with a daily readership of over 47-million are Jewish owned/and or controlled. 48 of the major weekly magazines, with a readership of over 79-million are Jewish owned, and/or controlled. All the major Hollywood movie studios with the exception of Republic, are Jewish owned. All the major TV networks are Jewish owned. They have a stranglehold on the news Americans receive.

The American people today are puzzled and confused, because while they have heard the "what" of
communism and the "nature of the beast," few have heard the "who" of Communism. As the Bible so clearly states: "By their fruits shall ye know them."

I have had people say: "Do you actually believe that all Jews are Communists, or in favor of Communism?" To which I would honestly answer: "Not at all. It would be foolish to make such a statement." But we are forced to judge Jewry by the actions of its leaders. They have fought every pro-American, pro-Christian program which has been introduced into this country in the last fifty years. 'By their fruits shall ye know them.'

If someone tells me over and over again that they hate me and then prove this by "beating up my kids," and destroying my property, as an intelligent man I am going to believe them and try and do something to protect myself.

Every important Jewish organization in America at one time or another fought the House Un-American Activities Committee. Why? Because when it began to expose treason, it pointed its finger at a goodly number of Jews. In fact it exposed the Jews who were in the top echelon of this conspiracy.

This is one reason the CHRISTIAN PATRIOT’S DEFENSE LEAGUE was born. It is here to help patriotic Christian Americans plan a defense against those who would destroy our Way of Life. It is not anti-Jew or anti-Black, it is pro-American, pro-Christian. If you are concerned with what is happening to your country, why not write to them for details, it will cost you nothing more than a postage stamp and the time to write. Write to: C.P.D.L. P.O. Box 565, Flora, Illinois, 62839 and ask for their "information packet."

CHAPTER XXIII
THE POWER OF THE PURSE
The Apostle Paul knew whereof he spoke, when he stated in 1 Timothy 6:10, "The love of money is the root of ALL evil." Look at every evil which is destroying this country we love and behind it you will find a big $ sign. Where the money is "there the vultures are gathered together."

The Hon. Jack B. Tenny was for twelve years head of the Un American Activities Committee of the State of California. His responsibilities made him one of the most knowledgeable persons in the United States concerning the Zionist-Communist conspiracy. He wrote three books concerning this conspiracy - THE ZIONIST FIFTH COLUMN; THE ZIONIST NETWORK, and ZION’S TROJAN HORSE. Here is what he had to say about Jewish money power: "Theodore Hertzl, the father of the Zionist Movement once said: 'When we (Jews) sink, we become the revolutionary proletariat, the subordination of officers of all revolutionary parties, and at the same time, where we rise, there rises also, our terrible power of the purse."

It is interesting to note that Hertzl did not say: 'when some Jews rise.' He was speaking of the Jewish nation and not of the Jewish individual. He conceived a race movement towards a common objective. Whether or not Jews blazed their way by force and violence through Christian barriers; bought and bribed their way, or combined both measures to the attainment of their common objective mattered not at all, to Hertz! He was merely stating a historical fact and issuing a directive to world Jewry. The combination of this "terrible power of the purse" and the "revolution of the proletariat" was to achieve success in the Russian Revolution.
It was bankrolled by the Jewish Schiff dynasty. Jacob Schiff, the Rothschilds, and the Warburgs, were a few of the International Jewish bankers who played a part in shaping the destiny of Western Christian Civilization.

The firm of Kuhn, Loeb and Co., was established in New York City in 1867 by Abraham Kuhn and Solomon Loeb. These two had started out in general merchandise in Lafayette, Indiana in 1850. Jacob Schiff was born in 1847 in Frankfort-on-the-Main, Germany. He came to the United States in 1865 and joined the staff of the New York banking house. He became a naturalized citizen in 1870. He returned to Europe in 1873 where he made important connections with some of the chief European Jewish bankers and banking houses. Returning to the U.S. he became a partner in Kuhn, Loeb and Co., in 1875, where his financial connections with the Rothschilds and their principal German agents, the Warburgs, became of great importance.

Within ten years Abraham Kuhn died and Solomon Loeb retired. Jacob Schiff became the head of their vast financial empire.

His association with E. H. Harriman against J. J. Hill and J. P. Morgan & Co., for the control of the Northern Pacific Railroad, resulted in the stock market panic of May 9, 1901. This struggle left Schiff and Company in a strong position. The firm became the "financial reconstructors" of the Union Pacific Railroad and since that time has exerted strong control over the American railroad system.

In order to suppress "ruinous competition," Schiff took the lead in establishing the Northern Securities Company. He was several times its vice-president, he was also vice president of the New York Chamber of Commerce and director of the Central Trust Company, Western Union Telegraph and Wells Fargo Express.

Through his firm of Kuhn, Loeb and Co., Schiff floated the Japanese War loans of 1904-05 which ensured the defeat of Imperial Russia. He also marketed the Chinese Loan of 1911. His intense hatred of Russia led him into exerting great influence in barring that country from the money markets of the U.S.

Jewish authorities proudly proclaimed that Schiff always used his wealth and influences for the best interests of world Jewry. He presented the funds for the building for Semitic Studies at Howard University. He was chairman of the East Asiatic Section of the Museum of National History in New York. He presented the New York City Library with a large number of the works dealing with Jewish subjects. He presented a students social hall to Barnard College and his philanthropies embraced every phase of Jewish life.

He took a leading part in the reorganization of the Jewish Theological Seminary of American and provided funds for the erection of the building for the Young Men's Hebrew Association of New York City.

In 1918, he along with Paul Warburg, donated $20-million to Trotsky; these were the funds which made the Russian Revolution a success.

Then there was the Rothschild family founded by Mayer Rothschild. He was the son of Anslem Moses Bover, a Jewish merchant from Frankfort-on-the Main in Germany. His father wanted him to be a rabbi but he preferred business. At the "sign of the Red Shield," (the Rothschild insignia) in the Frankfort JUDENGASSE, he established himself as a money lender. He became the agent of William the Ninth, Langgrave in 1801. In 1802, Bover (who changed his name to Rothschild) negotiated his first government loan - a matter of a mere $10-million thalers for the Danish Government. He died in Frankfort on December 12, 1812, leaving ten children, five sons and five daughters.

Branches of the House of Rothschild were established in Vienne, London, Paris and Naples, each being under the charge of one of his sons. By the clever emplacement of agents throughout the world, plus the utilization of ingenious methods of rapid communication, the brothers were able to
bring all Europe into their financial network. Intermarriage solidified and preserved the family interests and assured the continuity of Rothschild control.

In 1815 Austria granted the brothers the privilege of hereditary landowners and in 1812 they were made barons. From that time on, the many Rothschild daughters were able to marry into the noble families of England and Continental Gentiles. This extended Rothschild influence and blood into the British House of Lords and the ruling circles of European nobility. (There is no woman in the world, who is more of a social climber than a Jewess.)

Anselm Meyer was in charge of the Frankfort branch. He was chosen to be a member of the Royal Prussian Privy Council on Commerce and in 1820 became Bavarian Consul and Court banker.

Solomon had charge of the Vienna branch and his personal relationship with Prince Metternich led to the firms connections with the Allied powers.

Jacob, the youngest, undertook the establishment of the Paris branch after the restoration of the Bourbons. He negotiated large loans from them, but lost heavily in the Revolution of 1845. He financed the earliest French railroads, reaping enormous profits from speculation.

Karl was superintendent of the Naples branch, the least important of the five. It was discontinued in 1860.

Nathan, the third son, is generally considered to be the financial genius of the family. He came to Manchester, England in 1800. In 1805 he moved to London. Here he employed carrier pigeons and fast sailing vessels for the transmission of intelligence. Utilizing information unknown to the general public, he became adept in manipulation of the money market. In 1810, Lord Wellington made some drafts which the English government could not meet. Rothschild purchased them at a liberal discount and they were ultimately redeemed by the government at par, making him an enormous profit.

He became associated with the Allied powers in their struggle against Napoleon and he made loans to them which made him the wealthiest man in the world. (This wealth and power has been challenged in the Twentieth Century by the Rockefellers, a Dutch Jewish family.)

Rothschild followed closely the fortunes of Lord Wellington against Napoleon and at the Battle of Waterloo, watching the ebb and tide of the battle with feverish interest, he was able to manipulate the stock market to his own benefit. Blucher's defeat two days earlier had thrown the London Stock Market into a panic with stocks tumbling to a bottom level. Armed with the knowledge of Wellington's victory, hours before it reached London, Rothschild reaped huge profits.

He popularized foreign loans in Britain by fixing the rate in sterling and making the dividends payable in London. He soon became the banking agent for every civilized nation in the world.

Other Jewish families who financed governments were the Lazards, the Sterns, the Spyers, and the Seligmans. They also followed the Rothschild pattern of establishing branch offices in the leading cities of the world.

It was the Rothschilds who made the arrangement at the end of the Franco-Prussian War for the payment to Germany of 5-million francs in reparations. In 1875, they advanced more than 5-million pounds sterling to the British Government for shares in the Suez Canal and made over 100-million pounds profit from this deal alone.

In 1875, France rebelled against the Semitic influence of the Rothschilds and in 1876 launched the Union Generale with a capital of 4-million francs, increasing this to 25-million francs in 1878. The bank failed after many obstacles were thrown in its way by the Rothschild influences and by the end of the 19th Century, the Rothschilds reigned supreme as the "money power," and this means the controlling force of Europe.

It is interesting to note that in 1865, the closing year of the American Civil War, when President Lincoln issued "greenbacks" without borrowing the money from the Rothschilds, there was a great
hue and cry in European banking circles. The Rothschild controlled LONDON TIMES, screamed that if the United States was allowed to coin their own money, they would become the wealthiest nation on earth and this would spell the end of all monarchies. Shortly thereafter Lincoln was assassinated by John Wilkes Booth, a paid assassin of the Rothschilds. (Of course this is not what our history books tell us.)

The WARBURGS came into prominence in Hamburg, Germany where four brothers were born. Abby became a historian and devoted himself to research. Max was a banker in Germany. In 1924, he became the advisor to the Reichsbank and was the author of several books on banking. He was the financial expert for the German Delegation at the Peace Conference in Paris in 1919.

Paul Moritz Warburg also became a banker. He was a partner with M. M. Warburg and Co., of Hamburg in 1895 and came to the United States in 1902. Here he joined forces with Kuhn, Loeb and Co. He became a naturalized citizen in 1911. While still an alien, he set about reorganizing the banking system of the United States and was one of the bankers who met secretly with Senator Aldrich at Jekyl Island, Georgia, in 1910, to work out the details for the FEDERAL RESERVE ACT of 1913.

Felix Warburg came to the U.S. and was naturalized in 1900 and also joined Kuhn, Loeb and Co. Paul Warburg became the first Chairman of the Federal Reserve Board, resigning his $500,000 a year job with Kuhn, Loeb and Co., to accept a job that paid $12,000. (Figure this out for yourself. This "money hungry" Jew did not do this for the "good of the country.")

During W W I, Paul Warburg through the parent bank of M. M. Warburg in Germany, was in the U.S. Treasury Dept. in charge of Liberty Bonds which financed the war against Germany. In the meantime, his brother Max was financing Kaiser Wilhelm's war effort against the Allies. (Every man for himself - the Jewish ideal.)

Paul resigned from the Board of Governors of the Federal Reserve in May of 1918, after investigation revealed that his brother was at the head of Germany's secret service and after it had been proved that he was affiliated with the Communist Party.

The U.S. had been at war for about a year when he resigned. Col. Edward Mandel House, the Jewish advisor to President Wilson, had publicly observed on March 16,1917 that Paul Warburg was "pro-German" in his sympathies. Although Senator Robert Owen had charged that Paul Warburg was the American representative of the European Rothschilds, the U.S. Senate still confirmed his appointment by President Wilson to head the Federal Reserve Board.

So goes the "terrible power of the Jewish purse." There is much evidence that International Jewish bankers financed both sides during both World War I and II, making a tremendous profit off both these blood baths. It is no wonder that Rabbi Reichorn, stated in the Prague in 1865: "Wars are the Jews harvests!"

The Jewish periodical THE JEWISH WORLD, London, January 16,1919, stated: "International Judaism forced Europe into W W I, not only to seize a large part of the gold, but to start a new Jewish world war by the help of this gold." This war began a few years later and Europe has never recovered, slipping more firmly into international Jewish clutches.

While you may be one of those gullible Christians who believe that THE PROTOCOLS OF THE ELDERS OF ZION, published in 1898, are a forgery, look about you and see how international Jewry is following them to the letter.

PROTOCOL II says: "It is indispensable for our purpose that wars, as far as possible will be fought on the economic ground, where nations will fail to perceive in the assistance we give, the strength of our predominance. This state of things will put both sides at our mercy.

PROTOCOL XXII - "In our (Jew) hands is the greatest power of the day (gold). Surely there is no need to seek further proof that our rule is predestined by God. Surely we shall not fail with such
wealth to prove that all the evil which for many centuries we have committed, has served as means to the ends, the cause of true well-being; the bringing of everything into order. "Our authority will be glorious, because it will be all powerful ... Our authority will be the crown of all order... True force make no terms with any right, not even that of God. None dare come near it so as to take so much as a span away from it."

CHAPTER XXIV
DISCIPLES OF THE FIRST PETER

I can understand people who are ignorant and even sympathize with those who sincerely believe I am wrong in my evaluation of the Jewish situation. But the people who really puzzle me are those Christians who say: "We know you are right and you are doing a great work, we hope you succeed in alerting Americans, but we won't take a stand with you!" Some of them, including a lot of preachers, will not admit they are afraid.

These people are "Apostles of the First Peter." By this I mean the Peter who was afraid to confess his association with Christ, because of a little servant girl. That Peter knew he was lying, but he was man enough to admit it to himself and cry bitterly about it. Then he went out and did something about his fear. God honored him, by allowing him to preach the first great sermon of the Christian era at Pentecost.

This was the Peter who told the Jewish authorities, when they tried to stop him from preaching: "Whether it be right in the sight of God to hearken unto you more than unto God, judge ye." this is the Peter I want to follow, the Second Peter, the penitent Peter, the forgiven Peter, the courageous Peter, who was later willing to die for the truth he knew he preached. How we need men and women like this in 1985.

CHAPTER XXV
I DO NOT ACCUSE!

No one needs to accuse the Jews. Read what they say about themselves. They condemn themselves out of their own mouths.

A Copy of the MILWAUKEE JOURNAL for Sept. 17, 1955 carried this story: "RED HUNTERS BEDEVIL FREEDOM, SAYS RABBI - "The U.S. should not use up so much energy fighting Communism, that it has none left to build democracy, said Rabbi Dudley Weinburg of Temple Emmanu El N'ni Jeshrun."

Now doesn't it seem strange to you that a Jewish rabbi would be so concerned for fear that someone would expose Communism? It only confirms what Rabbi Steven Wise said in 1918: "Some call it Communism; I call it Judaism!"

* * * * *

It is interesting to me to see some people in conservative Christian circles, who call anyone a "fraud" who tries to expose Judaism. They are often called "straw men," who are "agents of the Jews." It was sort of like the Pharisees accusing Jesus of casting out devils by the aid of Beelzebub, the chief of the devils. But one of the men so accused by gutless Christian leaders had this to write in 1955:

Form your own impression of him: "Jesus Christ, the Son of God, stands in the center of the world
stage at this moment. (Jesus said, Matthew 10:32, 33 - 'Whosoever therefore shall confess me before men, him will I confess before my Father which is in heaven...')

His miraculous personality is being lifted up both by His disciples and His enemies. The amazing fact in Christianity, aside from Christ's revealed Deity, Lordship and Saviorhood, is that any mention of His name lifts Him up. If He is cursed, He is lifted up! When He was buried, He was glorified in the resurrection! When He is abused, the lovers of Christ are aroused. If He is made the center of crude, barbaric commercialism, even the Christ-hating merchant cannot put up the word CHRISTMAS in his store, without honoring Him. (Did you notice how they did away with the word CHRISTMAS during the 1984 holiday season? It was HAPPY HOLIDAY, or SEASONS GREETINGS, not MERRY CHRISTMAS!)

For those of us who think of Christmas as the dynamic moment when we celebrate the advent of our Lord, it seems difficult to break through the materialism, the vanity and the extravagance of Christmas. We observe that even a drunk cannot say MERRY CHRISTMAS, without honoring Jesus Christ.

Oh yes, I know all about the arguments some use against the celebration of Christmas. They say that it is a heathen holiday and that the Christmas tree and the ornaments are heathen symbols and they are. But the day itself, whether coming at the wrong time of the year or not, should be important to the Christian, for it was on that day, centuries ago when we acknowledged "the Word was made flesh and dwelt among us..." John 1:14. Nothing wrong with a celebration that honors and glorifies Him!

The Jews, the pagans, the modern Herodians are as determined to stamp out His name and discredit our Lord today, as they were that night when the order went out from king Herod the Edomite, to kill all the baby boys in Galilee, so as to eliminate Him.

Strange creatures have appeared on the scene in recent years who call themselves Christians. I cannot honor any man or woman as a Christian who brings Christ down from His throne to the level of a Ghandi, a Buddha, or a Confucius. Enemies of Christ who pose as Christians and Christian leaders are seeking to "down grade" the Son of God. They want to bring Him down to their own sinful level. I believe He was "man in the flesh," But He was also "God with us!"

Patriotic organizations such as the CHRISTIAN PATRIOT DEFENSE LEAGUE do not assume the responsibility of teaching religious dogma. That is not their task. I discuss doctrine in my CHRISTIAN PATRIOT CRUSADER, because as a watchman, I must declare the "whole counsel of God," not just the part I especially like. The CHRISTIAN PATRIOT DEFENSE LEAGUE is dedicated to the preservation of an America, which maintains the full dignity of a Christian Republic. It is dedicated to the protection of that Republic. We feel that it is the responsibility of the church to keep alive the holy truth which has to do with personifying God on earth through Jesus Christ. Many churches have not done this. Many have turned away in recent years, from being lighthouses for truth, and have become instead "glorified religious country clubs," where men and women belong and attend because of the prestige it gives to them. These, the apathetic Alka Seltzer Christians, who come to church and "fizz" for an hour on Sunday morning and forget God for the rest of the week, are the cause of America's downfall. "It is my pleasure," this man of God said, "to confess my complete faith in Jesus Christ, the Son of God. He was born of the Virgin Mary, and I believe there is no other name given among men whereby we must be saved. I believe that His teachings and those of the Apostles contain the full truth concerning my personal conduct on this earth and my hope for immortality when this fleshly temple is discarded. If I did not have this faith; if I did not believe every word He uttered; I would not preach what I do.

"His enemies killed Him! His friends buried Him! But He rose from the dead in order that the simplest and the humblest person might understand fully that He is the Master over death. I do not believe a prayer can be prayed, which God will hear and answer, unless it is prayed in His name. In fact, He said it in stronger words: 'I am the door of the sheepfold. He that climbeth up any other
way is a thief and a robber.' This is my confession!"

I know of no greater testimony to the saving power of Jesus Christ than this testimony. I know of no
greater reason for the fight in which I am now engaged. This is the testimony of millions. But
unfortunately, many millions who have accepted Him as Savior, have never made Him their king.
They still insist on doing their own thing, rather than obeying His law. The Apostle John in his First
Epistle (2:4) tells us: "He that saith I know Him, and keepeth not His commandments, is a liar, and
the truth is not in him." Please don't get angry with me, those words are not mine!

CHAPTER XXVI
THE TRICK OF TREATY POWER

The founders of this nation wrote the Constitution on the assumption that its spiritual character and
full intent would keep us free. They never dreamed that individuals, posing as Americans, would so
mis-interpret the Constitution as to destroy it.

A very discerning patriot from California wrote about this: "Article six of the Constitution of the
United States clearly states that Treaties made with any foreign power shall become the law of the
land. The wording is unfortunate. Par. 2 says: 'This Constitution and the laws of the United States
which shall be made in pursuance thereof; and all treaties made, or which shall be made under the
authority of the U.S., shall be the supreme law of the land; and the Judges in every State shall be
bound thereby, anything in the Constitution or the laws of any State to the contrary not
withstanding.'

"These few innocently written and simple words, were embodied in a document written by our
founding fathers to make it possible for our citizens to live in freedom forever... Those tragic words,
which in these latter days, are interpreted by our high Supreme Court in a manner not foreseen by
those who framed the Constitution, act as a floodgate through which those forces bent upon our
destruction now spread their poisonous political filth.

"Fanatical 'one-world', or 'super-government' crusaders maintain a powerful lobby within the United
Nations organ. Well meaning churchmen and duped educators as well as women and men in high
places of honor have been hoodwinked and persuaded to join in this movement.

"These international rascals who practically control many departments of the United Nations, are
now seeking to invoke the vicious wording of Article 6 and are determined to use every trick and
device known to secret and dishonest diplomacy, for the coercing of the American people into
abdicating their sovereignty, thereby surrendering the control of all government, resources and their
Constitutional right to govern themselves.

"While I am not a lawyer and therefore do not possess the learning to compare the concept of the
treaty power in the days of Alexander Hamilton, Thomas Jefferson or Calhoun, what those
gentlemen thought makes very little difference. Nor am I disposed to waste time splitting hairs with
learned lawyers who have the ability to twist the meaning of words and distort phrases for the aid
and comfort of those who would barter away our American Life by making a treaty with any
foreign nation the supreme law of the land. (This of course, is what the Genocide Treaty is designed
to do! - ED).

"Every layman can understand that what we need today is to amend this provision of the
Constitution. Since the Supreme Court has overrode the rights of Americans in the following words:

"The treaty making power is an extraordinary power liable to abuse. Treaties make International
Law and they also make domestic law. Under our Constitution, treaties become the supreme law of
the land. They indeed, are more supreme than ordinary laws, for Congressional laws are invalid if
they do not conform to the Constitution - whereas treaties can override the Constitution. Treaties,
for example, can take powers away from the States and give them to the Federal Government or to some International body and they can cut across the rights given the people by the Constitutional Bill of Rights."

There you have it - for those who are not too mentally lazy to read something basically more involved than the comics or the sports page.

The Supreme Court tells you that here is a power, vested in the President and a few Senators, which can override our Constitution. Worst of all, their power can be exercised by the President alone without the confirmation by the Congress. IT CAN BE DONE ANY TIME DURING A TIME OF NATIONAL EMERGENCY! It is called the DOCTRINE OF EXECUTIVE AGREEMENT. When will the American people wake up to this deadly and inherent danger to our rights as freemen?

CHAPTER XXVII
THE BIG LIE

"When you tell a lie, make it a big one; shout it long and loud enough and even intelligent people will begin to believe you."

The Jew-paid propagandists of the media have tried to brainwash Americans into believing that the Arab people are procommunist. In fact, the majority of Arabs, especially the Muslims, are violently anti-communist. The trick of the International Jew propaganda machine has been to corner the Arabs with embargoes and fake propaganda in hopes that they will be forced into trading with the Communist nations. They have been eminently successful in their efforts, and several hundred million Arabs, who were once friendly to the United States now "hate our guts." The Jews use these facts to try and whip up anti-Arab sentiment in the United States.

Communism is completely contrary to the Arab doctrine. In fact, Mohammedanism is much closer to Christianity in its basic beliefs, than this fake Judaism which we hear so much about today and which is really Phariseeism. Except for the brainwashed Judeo-Christians who have been taken in by Jewish myths and who cannot be Bible Christians and Judeo-Christians at the same time, Christianity has made the grave sin of helping those who hate the Lord. In 2 Chronicles 19:2 we read these words: "... shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." I wish some of our churchmen would ponder this verse once in a while.

* * * * *

From the very beginning of the Zionist movement into Palestine, the Jews have been plotting to make Jerusalem their Capitol. A lot of Zionist Congressmen, many of whom are not Jews, would like to move the Israeli capitol from Tel Aviv to Jerusalem.

In an address given December 1, 1948, Chaim Weizman, the first Israeli President said: "Jerusalem is ours and any other rule over the city is inconceivable." Bernard Joseph, alias Dov Joseph, then Military Governor, said: "No matter what is decided, IS ours!" Weizman must have forgotten that he was a Russian Jew, with a British passport. In fact, being of khazar origin, like Menachim Begin and about 95% of the rest of the Israeli's, he was not a descendant of Abraham and none of his ancestors had ever set foot in Palestine.

I agree with them when they said: "No alien shall ever rule over Jerusalem!," for both of these men were aliens to Israel. It includes a vast horde which our Lord spoke about in Revelation 2:9, when He mentioned "those which say they are Jews and are not; but are of the synagogue of Satan."

It should not be necessary to remind any Jew of the role played by their ancestors almost 2,000 years ago, for Mt. Golgotha is still there to remind them of their murder of the Son of God.
"We cannot forget Jerusalem!" Weizman said, to which we must add that Jerusalem will never forget the Jews. It will never forget the destruction by Jews of Christian shrines, as they battered the cross and trampled underfoot the emblem of Christianity and covered it with human excrement.

"We want to be free in the land of Zion," Weizman said and we dare not but admit that Jews now have the free run of Jerusalem. They are free to loot Arab property; they are free to rape and murder, as Begin did at Deir Yassin. They are free to bomb and napalm women and children as they did recently in Lebanon.

"And last but not least, we need to remember that it was Jews, who killed Count Bernadotte, the United Nations Mediator and his chief observer, in broad daylight in the center of Jerusalem, because he would not do things their way."

Are not these proven claims strong enough for you Christians to realize that the Jews hold Satanic rule over the Holy Land?

In 1952, the Archbishop of Galilee, Msgr. George Hakim, protested to the Israeli Minister of Religious Affairs, Dr. Hertzog on the wholesale destruction of the Christian village of Ikrei. It was totally destroyed by the Israeli with vicious cruelties which would match anything Hitler was ever accused of.

Today the truth is known! Communism is Jewish, whether you want to accept it or not!

It is Jewish whether it is found in Russia, China, or Palestine and they will not rest until you my brainwashed Christian friend, are wiped off the face of the earth, as Christians were in Russia -over 60-million of them! That's a real holocaust!

In the Communist textbook on PSYCHOPOLITICS, page 52 you can read their own words: "We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When that is done, we would have an end to them everywhere."

"You must work until Christianity is synonymous with insanity. You must work until the officials of city, county and state governments will not think twice before they pounce on religious groups as public enemies. You must recruit every agency of the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief that Christ practice is vicious, bad, insanity-causing, publicly hated and intolerable."

This ties in with PROTOCOL XIV, which states: "When we (Jews) come into our kingdom, it will be undesirable that there should exist any other religion than ours..." This is why Christianity cannot survive in a Jewish world any more than a nation can exist "half slave and half free,"

CHAPTER XXVIII
WHO IS HURTING THE BLACKS?

The people of America who are really being hurt in the crossfire of demagoguery and mongrelization are the sincere, hard-working, law abiding people of the Black community. While millions of dollars are being spent in propagandizing Blacks, much of this is really hurting them. The daily threats coming from liberal legislators in Washington and the media, regarding Southern Whites bowing to Black demands is doing little but hardening the resolve of many White people, that they are not going to have their lives run by the Jew dominated "carpetbaggers" from the North. Even in the North, the indiscretions of sentimental liberal saps are crystallizing a resentment which the average person cannot understand. The propaganda on TV, which shows a Black as the top detective in most every "cop" program, and Blacks walking arm in arm with white girls, is breeding a white resentment which few people care to understand. The constant throwing together of Blacks
and Whites in intimate scenes on the TV screen, is causing a burning resentment in many at the present time, even though they will not openly admit it. This propaganda is not for the purpose of helping Blacks, or for bringing about an understanding between the races. The Black people of America are being prepared by the International Jewish Communists, to be the "cannon fodder" in a race war they hope to start, so that they can pick up the pieces and have their one-world government.

The election of a Black girl as campus sweetheart in a Mid-Western College was a bad blunder. In the first place, the word "sweetheart" suggests a close and intimate male-female relationship, social-intermingling and possibly love-making. Of course the Black population in these States is relatively small and many people in rural areas have little understanding of the "Black problem." (I was almost twenty years old before I saw my first Black and he was in a circus.) The sweetheart thing could very well have been a sentimental gesture by those who did not want to seem to discriminate. But such things as this are manipulated by small-time liberal operators for a completely different reason. The evil it will do, in the provocation of illicit relationships between the races is incalculable.

It saddens me to think of the consequences which could be wreaked on honest, patriotic Blacks, when this thing comes to a head and the manipulators are safely out of the danger area.

When resentment finally crystallizes - and it always does - the manipulators are seldom the ones who suffer. It is very possible that the Whites who ignore mongrelization today, will be the ones who will react in the most extreme manner when they finally wake up and realize what the enemy has done to us.

A lot of ministers of the Gospel who should know better, and who have fooled their people in this racial matter, better look for a deep hole to hide in when this thing breaks, for they are going to have some embarrassing questions to answer before their congregations, as to why they twisted God's Laws concerning race mixing. They will be caught in a trap of their own making and I can predict that it will not be a pleasant one. We need to remember that Galatians 6:7 was written to Christians, for Christians, about Christians - "Be not deceived, God is not mocked; whatsoever a man sows, that shall he also reap." This is sometimes known as the LAW OF HARVEST and it proves true 100% of the time. Today, a majority of our ministers and politicians are "sowing to the wind," and the day is coming soon, when they will "reap the whirlwind." It will not be pleasant!

When the time of awakening comes to both Blacks and Whites, history will probably repeat itself and the innocent will suffer along with the guilty. Malcolm "X" deceased leader of the Black Muslims, once made this true statement: "When you add cream to coffee, you come up with a weak mixture and both ingredients suffer." Of course he was speaking about racial mixing and he was exactly right. Would that more of our "bleeding heart" liberals could understand this "fact of life."

CHAPTER XXIX
SHOW BUSINESS IS JEW BUSINESS

While the following article appeared in the ST. BENEDICT CATHOLIC CHURCH bulletin in Cambridge, Mass., over thirty years ago, it has a strong message for 1985. Some of the names have changed, but the truth is still there.

Americans are not by nature a very wary people. They prefer to rush at life with a wide-eyed exuberance, trusting devoutly that their native charm will fend off all foes and leave them to enjoy the ever-brighter and happier world promised them in the TV advertisements.

This penchant for off-guard living is currently being exercised in a most striking way. With a confidence and abandon scarcely paralleled in history, American families have surrendered their leisure time to a motley assortment of crooners, wisecrackers, saxophonists and hams, who have
assumed the task of keeping America happy.

The interminable outpouring of this crew, from stage, screen and loud speaker, have made such pursuits as thinking, talking, and enjoying one's friends, not merely un-necessary but out of date. It is entertainment officially designated as such - that provides most of what America laughs at, most of what we cry about, and most of what we get excited about. This form of entertainment has even invaded Christianity, where the TV programs of the electronic evangelists rival those of the entertainment world. All you have to do is watch a Billy Graham, Oral Roberts, or Rex Humbard show to see for yourself.

The American living room has been turned into a cheap vaudeville house, a center of indecency and insinuated smut and as the Good Book says: "My people love to have it so."

Though few Americans are aware of it, show business is almost exclusively a Jewish product. The habitual wariness that Christians show of upsetting these anti-Christ, plus natural Jewish willingness, have kept Christians from realizing just how anti-Christian their entertainment has become. Any American couple with tickets to a Broadway hit, if apprised of the Jewish state of things, would probably blithely assume there were no Jewish fingers in their entertainment pie, since they were going to hear a Gentile entertainer, or so they believe.

What most of these naive innocents do not know, is that the majority of the stars whose names appear on the marquees are perhaps the only Gentiles in the show and that often they are not Gentile, but Jews who have changed their names to keep the "stupid goyim" in the dark.

Control, not notoriety is what the Jews seek. And control of the entertainment and music world is what they have obtained in the past fifty years.

If the aforementioned couple were to investigate the ownership of the building where the theater was located, the chances are very high that it would be Jewish owned. The Schubert Theater Company for instance, amassed an immense fortune of over $400-million in about thirty years. In Boston, they owned and operated even legitimate theater in the city, including the Opera House.

Knowing that Jews own the American theaters, it should come as no surprise to normally intelligent people, that America's plays and music for the most part, are written by Jews. The Jews have such a stranglehold on this industry, that any Gentile written play, used in the theater, is always Jewish produced.

The schemes and subterfuges used by the Jews on Broadway, were enthusiastically copied by Hollywood and are now being used on television. They often work behind the names of such Christian stooges as Dale Evans and Roy Rogers, Pat Boone, etc.

Today, due to the guile and money power they exert, Jews control nine out of ten top movie studios in Hollywood. Among top producers and directors, 98% are Jews, while in the lesser studio operations - script-writing, score-composing, wardrobe-design, make-up, etc., their numbers look like an overstuffed bureau of the Israeli government.

For those Americans who seek their entertainment at home via television, all three major TV networks are Jewish owned and control led.

Controlling America's music trade has been a Jewish obsession and they have a vise-like control over all song outlets. The songs Americans hear today are for the most part written by atheistic Jews. Among the most noted in recent years have been the Gershwin brothers, Jerome Kern, Irving Caesar, Frank Loesser, Richard Rogers, Irving Berlin and of course Oscar Hammerstein.

The Talmudic concern of Jews in entertainment is less that their names become household words, than that they should establish household attitudes. Seeing the delight with which many Christian Americans accept their filth, the Jews have been encouraged in their efforts to debauch America, especially our youth.

As a clincher for those naive American Christians who doubt the thorough going Jewishness of
America's professional entertainment, here is a partial list of well known stars who are Jewish:

In increasing numbers in recent years, Jewish agitators have infiltrated crowds gathered for most any purpose and have acted as agitators. During the Vietnam War, as a speaker on the American Opinion Speaker's Bureau of the John Birch Society, I worked a college circuit and had many confrontations with the college radicals and on one occasion was actually assaulted. In every instance, the leaders of the disturbances were Jewish youth, mostly from well-to-do families.

The Jews have become increasingly upset to hear their ancient anti-Christian prejudices exposed. Sometimes, as in the case of the INSTITUTE OF HISTORICAL REVIEW, they have been attacked by radicals from the JEWISH DEFENSE LEAGUE. Always when Jews are attacked, or a synagogue is defaced, the media immediately blamed it on the Nazis or the KKK. But on many occasions, it has been found that the J.D.L. have carried out these attacks on their own people, for propaganda purposes. In 1983, a Nazi parade scheduled to be held in predominately Jewish Skokie, Illinois, drew national attention. Yet the same media that spouted their pro-Jewish propaganda, were very careful not to reveal that the so-called Nazi who set up the parade, was a member of the JEWISH DEFENSE LEAGUE who was acting as an agent provocateur.

Yet when the IHR building was bombed by Jewish radicals in 1984, the media scarcely mentioned it and the local police have done little if nothing to apprehend the culprits.

A question concerned Christian Americans need to ask and have answered is. Who are these Zionist gangsters who operate with such impunity in our country and what is their purpose? While the media rants about the danger to America posed by a few armed right-wing radicals in some remote area of the Northwest, they are totally ignoring the much greater danger from armed Communist agents who are in the United States with the avowed purpose of destroying us. In 1983, the F.B.I. publicly admitted they knew the whereabouts of over 100,000 of these agents, but under existing American law, they cannot touch them. This is suicide!

Much of the racial trouble which has erupted in Boston has been traced to a top Jewish agency in Massachusetts called THE NEW ENGLAND ZIONIST YOUTH COMMISSION. It operates through two affiliated clubs called YOUNG JUDEA and the STUDENTS ZIONIST ORGANIZATION. These participated in at least four training camps referred to by the Jews themselves as "Zionist Youth Camps." The ADL which was instrumental in having "para-military" laws passed in at least nine states, has been very careful not to propose these laws in states where the Jewish camps are located and military training, including the use of illegal automatic weapons is conducted in these camps under the eyes of a tolerant police force. If the same training was carried out by "right-wing" groups, there would be a terrible furor raised not only in the media, but by the police. Using a little common sense, it becomes quite easy to see where the control lies and just how "one-sided" these laws have become.

The mere fact that Jews are desperately trying to hide the truth from Christians, should give an intelligent person something to think about. They have become the "book burners" of the Twentieth Century, for they are determined to do away with anything that is critical of their actions no matter how truthful it may be. This includes the Holy Bible, the most "anti-Semitic" book of all. In our neighbor to the north, Canada, the Jewish organizations have banned the sale of many historical works which do not show the Jews in a favorable light. In the United States they have been trying for some time, to take the Gospel of St. John out of the New Testament because it is decidedly anti-Talmudic. The sad thing is that these anti-Christers are being helped by many liberal, evangelical and
fundamental ministers who cannot see beyond the end of their noses and realize that these Zionists are their worst enemies.

CHAPTER XXX
WHAT IS THE REAL PURPOSE OF THE UNITED NATIONS?

The answer can be made short and simple. It was formed to destroy the freedom given to our people by the Bill of Rights and hand over the resources of the richest nation on earth to the "have not" nations of the Third World who care very little about helping their own people. They know they will never get America's riches, as long as we remain a sovereign people.

The United Nations is part of a long range strategy to bring about world control by a handful of powerful, wealthy Internationalists, the majority of whom are Jews. There is no reason to beat around the bush on this point, because this truth is obvious to anyone who studies the international situation.

The fact that the creators of the United Nations chose a Soviet secret agent to be their Executive Officer during the formative days at Dumbarton Oaks, should tell any intelligent person a great deal.

The superficial thinker may say: "But he was only one and anyone could have made the same mistake."

This shallow logic is easy to demolish. Since the founding of the U.N. it has become a safe refuge for thousands of communist spies who work quite openly within this country under diplomatic immunity. With the U.N. - Headquarters in New York City, they are in a strategic position to infiltrate and prepare this country for destruction. This they have told us was their plan, reiterated over and over again.

Practical observers know that communist agents in the U.N. manipulated our military into ignominious defeat in both the Korean and Vietnamese Wars.

Here are a number of valid reasons why I believe we should banish this organization from the United States:

1. They have taken our sons into battle in two no-win wars without the consent of our Congress or our people.

2. By their clever manipulations, they have drained America's treasury and have involved us in a crippling debt.

3. They have subordinated our Constitution by chicanery and literal interpretations which have violated the traditions of our nation.

4. They have used our power, our money and our military apparatus to intimidate and browbeat nations seeking to establish their own sovereignty. (Good examples are Rhodesia and now South Africa.)

5. They have used the power, influence, money and military might of the U.S. to drive millions of Arabs from their rightful possessions in Palestine and have set up an illegal, bandit state known as the Israeli.

6. By trickery and use of the word "convention," they have organized something which is in no sense a convention, for the purpose of drawing us into International rulings
which are detrimental to the welfare of our nation and its people. By this trickery, they are now attempting to pass a resolution known as the Genocide Treaty, which if passed, would subject American citizens to arrest and trial in foreign courts and imprisonment on foreign soil.

7. - They have used the power and influence of the U.N. to justify the mongrelization of our nation and the destruction of the integrity of the White race. This is in itself the "genocide" they say they abhor.

8. - They have placed a foreign beachhead on American soil and we are told that it no longer belongs to us.

9. - They have flooded our shores with spies - communist and Zionist alike, who hate America and everything we stand for and who have told us over and over again that they mean to destroy us.

10. - The U.N. has created a forum for our foes on our own shores, where our enemies can vent their spleen against us, while our government protects them from the anger of justly disturbed Americans. (A good example, during the Vietnam War, communist agitators burned an American flag on the steps of the Capitol Building in Washington, D.C. without any interference from the police. But when a Polish-American patriot tried to burn a Soviet flag on the steps of the Soviet Embassy a few blocks away, he was arrested and incarcerated.)

11. - Spineless politicians in our Congress, corrupted by International Zionist traitors, have given immunity to this alien horde. They cannot be arrested for violation of American law.

12. - They are re-writing the textbooks of American schools, under the camouflage of the United Nations Educational Organization, UNESCO. They are building a synthetic patriotism in the minds of American school children, not for America, but as one-world citizens. (A good example of this. A few years ago in a Texas school, I saw a First Grade teachers handbook, written by a radical Jewish child psychologist named Paul Brandwein. The first paragraph said in essence: "All children coming to your classes are insane, because of what they have been taught in their homes and churches. It is your task as teachers to correct these erroneous ideas and prepare the way for these children to BECOME THE INTERNATIONAL CITIZENS OF THE FUTURE.")

13. - They have inspired thousands of American school teachers to downgrade patriotism for America and pride in our history.

14. - They have given us a new flag to follow - the spider flag of the U.N. which apes the sickly blue and white of the Zionist flag; The flag of the anti-Christ.

15. - They are bankrupting our nation deliberately, to put our wealth into the pockets of the Internationalists which control them.

16. - They are following PROTOCOL VI of THE PROTOCOLS OF ZION, which states:

"It is essential for us at whatever the cost to deprive them (the non-Jew) of their land. This objective will be best attained by increasing the burdens
upon landed property - in loading the land with debts."

Open your eyes and see what is happening to the American farmer and small business men. They are being systematically looted by the bankers and their property for the most part is going into the hands of the alien Jews.

What we see happening today in America would have made the Jewish carpetbaggers of the post-Civil War days look like small potatoes. Today's land grabbing devils (St. John 8:42-47) are the descendants of the same Jews who once before invaded the South in the name of HUMAN RIGHTS and JUSTICE during the Reconstruction Era. Today, these same people are systematically raping the White Christian people of America. Ask yourself how many Jews have gone out of business during these days? They are attempting, under the cloak of HUMAN RIGHTS and JUSTICE to manipulate the American farmer into loss of his land.

Isn't it strange how the American government swarms to the aid of the Jew owned airlines, tobacco companies, railroads and steel industries, but can't find help for the men who keep America alive and feed the world?

17. - They have organized a monetary "booby trap", beyond the understanding of the average American designed specifically to loot our people in the greatest scam in the world's history.

Through their so-called World Bank, they have literally looted the wealth of America. They operate in the shadows and exploit the lack of information our people have regarding their criminal operations.

18. - In all the United Nations activities on the shores of Christian America, they have outlawed prayer, chaplains, Scripture and above all, any mention of Jesus Christ in their official sessions. This in a Christian Nation which is their host.

19 - They have invaded America's military and trade secrets and have sought to destroy American industry through cheap slave labor.

These, my American friends, are but a few of the evils the United Nations has brought to our shores. They have exploited the knaves and fools among our legislators to the point where many of them have committed acts of treason against our people, our flag, our Constitution and our traditions.

Who among those of you who read this book dares to defend and justify these acts? This substance of treason? No man or woman who loves God! No man or woman who believes in Jesus Christ! No man or woman who really loves America!!!

CHAPTER XXXI
WHY DOES OFFICIAL JEWRY ALWAYS STAND ON THE ENEMY SIDE?

We could answer this question very simply by honestly stating: "Because they are the enemy!" But this would be too simplistic and would certainly result in charges of being a "hate monger," or "anti-Semitic."

So to prove my point, I'd like to go back a few years and "look at the Jewish record" in the United States and let you make up your own mind.
Prior to the days when the "villainous agents of the hidden hand" had political power in the U.S. our government put "hand cuffs and leg irons" on patriots such as Sen. Joseph McCarthy. McCarthy had done a magnificent job of building into the permanent record of the U.S. Congress, a roster of names of persons who had confessed, under oath, that they would be incriminated if they were forced to give truthful answers about their relationship to the Communist conspiracy to destroy America.

Now doesn't it seem strange to you, as an intelligent person, that the media of America would come to the defense of the conspirators and attack McCarthy? There were some exceptions in the media, but very few and these were of little consequence. The Jew-owned WASHINGTON POST, the Jew owned NEW YORK TIMES, and the Jew owned ST. LOUIS POST-DISPATCH, set the pace for the national sophisticated media. It seems almost unbelievable, that American citizens, passing as Christian patriots, would be so concerned about the protection of the rights of men and women who obviously hated the United States while castigating a great patriot who loved this country and was trying to save it.

This crime, with which they were charged, was not that of stealing a car, or the forging of a check, but TREASON - "Giving aid and comfort to the enemy of the United States." (Article III, Sec. 3 of the U.S. Constitution.)

What a strange coincidence it is, that close to 90% of the unfriendly witnesses in these trials were members of powerful Jewish organizations.

No one could accuse Joseph McCarthy of being anti-Semitic. He never uttered a word which could have been construed in this manner. He had even hired a brilliant young Jew as an attorney and most of the unfriendly witnesses subpoenaed were at the instigation of Mr. Cohen.

There were some patriots, as I guess there will always be, who were bitter and cynical over years of unhappy experience and abuse by Jewish officials, who went so far as to say that Cohen was a "Jewish plant" for the purpose of destroying McCarthy. From my studies of this man, I do not believe he would have been taken in by such a plot.

On November 29, 1955, an issue of LOOK MAGAZINE had an article in which a Gentile named William Attwood, tried to do a job for the Jews in an article titled THE POSITION OF THE JEWS IN AMERICA TODAY. To the undiscriminating reader, this article was just another article designed to convince the American people that the Jews really are a magnificent body of poor, persecuted, misunderstood people - a maligned minority. But in numerous places in this article, Mr. Attwood slipped. Whether he made these blunders personally, or whether they were committed by the Editorial Staff I do not know.

There is little doubt that some "high-pressure" Jew was looking over his shoulder, approving every sentence. The result confirmed an opinion held by many who have studied the Jewish problem over the years. "Give a Jew enough rope and invariably he will hang himself." The official professional Jew always slips somewhere and "let's the cat out of the bag." Why? Because he has a tremendous ego and loves to brag about his power and what he will do to the stupid "goyim." He also insulates himself with coercion, intimidation and high pressure; thus eliminating the great resource of honest opinion. He keeps himself in such a state of sub-conscious panic that he annihilates all honest values. In dealing with radical Jews over the years, I have observed this personally. Since they do not have an honest answer for the "dirty work" they are doing, they try and "shout down" their opponents by calling them all sorts of evil names: "Anti-Semitic;" "racist;" "fascist," you name it. One Jewish radio moderator called me a "pornographer of paranoia" for exposing Jewish deviousness.

But a good investigation into the background of the LOOK article proved to be an eye opener. While Sen. McCarthy had hired a Jewish lawyer to prove he was not anti-Semitic, we find every Jewish organization of note and every Jewish periodical, engaged in "bad mouthing" him. As
Winston Churchill was suppose to have said: "This is an enigma within a riddle."

There was and is only one answer. Sen. McCarthy was honest enough and brave enough to expose communism wherever he found it. But when he began to tread on Jewish toes, because many of those he exposed were Jews, he was marked for Jewish slaughter. This seems a bit strange, when you consider that many high-ranking Jews had bragged over the years, about how Communism was a "brain child of Judaism." The most prestigious Jewish newspaper in the U.S. THE AMERICAN HEBREW, clearly stated in their August 10,1920 issue: "The Russian Revolution was made by Jews!"

Now it is only fair to say that there is a handful of anti-Zionist, anti-Communist, Pro-American Jews in the U.S. They have suffered terribly from their own people because they are honest enough to admit Jewish underhandedness. Two of them are Alfred Lilienthal, brilliant statesman and author of THE ZIONIST CONNECTION, and Arthur Koestler, author of THE THIRTEENTH TRIBE. There are others, men such as Benjamin Freedman, who spent his life and fortune fighting Zionism and Haviv Schrieber. One cannot but help respect these men for their honesty. But the fact still remains that every important Jewish organization in the United States took the side of the Communists and fought against McCarthy's exposure.

The LOOK article said: "Demagogues (a leader who makes use of popular prejudices and false claims to gain power) like Sen. McCarthy alarm Jews; they dread an atmosphere of unreason. They oppose him because their built-in radar detects danger signals."

Now if some Christian had made a statement such as this, that their "radar system" had given off certain "danger signals" when they were around a Jew, the press would have smeared them as being anti-Semitic. No thinking Christian would ever consider himself to be anti-Semitic. In the first place this is a misnomer, since the great portion of those who call themselves Jews are not Semites. They are from a Turco-Mongolian back ground and their ancestors never set foot on Palestinian soil.

But this much used term has become a Zionist "smear word." It is employed by professional Jews to designate anyone with guts enough, who exposes their crooked works. These are the Jews who profess to love everyone and hate no one, while insisting that America's destiny and ethics should be determined by the dynamics and ethics of the Talmud. This is the Judeo-Christianity, which has superseded Bible Christianity.

For any Jew to state that Jews had special built in "radar systems" to warn them against people like me, is to admit that every Jew is biologically fixed at birth to be on the wrong side of the question. (This may be true, for the Apostle Paul said of them in 1 Thessalonians 2:15 - "...they please not God, and are contrary to all men.") This kind of philosophy leaves no room for anyone of Jewish birth to be a decent, patriotic American citizen. Any Gentile who would hold a view such as this, would be considered as an immediate candidate for the "State funny farm."

A lot of printed material has been put into circulation which defames every Jew. As a Christian, I do not believe I have to use terms such as "stinking kike," or "mud people," to express my revulsion for what some people do. Neither do I have to go to people who hate Jews for the facts. I would much rather go to Jewish sources, for it is impossible to refute these. I can prove from Jewish sources, why International Jewry always fights anyone who tells the truth about Judaism and why Jews always oppose honest men like Sen. McCarthy.

International Jewry dares not allow the average, decent, American, especially those who are Christian, to know the truth about their operations, for it would "blow the International Jewish ship out of the water."

Why should I be branded a "hate monger" when I tell the truth about Jewry? Why should I be called a "fascist" when I expose what they brag about themselves? They accuse me of being the problem. They say I cause hate for their people. Yet a mouthpiece of official Jewry, states in a national magazine, that Jews have a "built in radar system which recognizes evil in men who expose them."
I would like to have any Jew or Christian apologist for the Jew, such as Jerry Falwell or Jimmy Swaggart, explain to the Christian people of America, why more than 90% of those implicated for treason against the U.S. in the past fifty years have been Jews. Why is almost 100% of the leadership in organized evil in America - the evils which a lot of these Christian apologists say they are trying to combat - why do they never tell their people that these are Jews?

Why was it that not a single one of the Jew witnesses who testified against Sen. McCarthy and who were proven to be liars and some of whom publicly admitted to being communists, why was not even one of these ever prosecuted? Why was a man like William Z. Foster, head of the Communist Party, USA, allowed complete freedom to preach his communist hate in the United States? Why has a man like Gus Hall, been allowed freedom in this country for over fifty years when he has plainly stated that he is looking forward to the day when "the last Congressman is strangled with the guts of the last preacher."

Can you tell me why decent Americans have put up with over 40,000 Marxists professors in our public education system, a high percentage of whom are Jews, and who preach the destruction of everything decent Americans believe in?

Can you tell me why the media tells us that our greatest danger comes from the radical right, when the radical left has been ten times as active in destruction in the past ten years?

Why do we put up with a tiny minority of alien people, who hate our country, our people and our God and who smear anyone who speaks out against them? WAKE UP CHRISTIAN! YOU HAVE BEEN HAD!!!

During the Korean War, according to a speech given by General Mark Clark before the Executive Club of Chicago in 1955, he received orders from Washington which resulted in certain defeat on the battlefields of Korea.

This fine American officer said that he was shocked by these orders, so much so that he took the time and effort to contact certain public officials concerning them; especially those whose names were on the orders. These officials, according to Gen. Clark, insisted that they had never signed such orders. It became apparent, that the orders were signed by unknown personalities in the Pentagon. Why was there never a Congressional investigation of this treason?

Why was it that when Sen. McCarthy and a few others tried to find out the truth, President Eisenhower lowered an "Iron Curtain" on their investigation? Why did certain people in the White House cabal (people secretly united to bring about a change in public affairs) serve notice on Pentagon officidy H, that if they dared to pass on this information to Sen. McCarthy and his committee, they would not only be fired, but would be accused of releasing classified information? Who were these people who forged the orders which resulted in the deaths of 54,246 young Americans? Who were responsible for the 157,530 Americans who were wounded? Why have these traitors never been brought to justice? Why was there never a big hue and cry about this treason from such organizations as the AMERICAN LEGION and the VETERANS OF FOREIGN WARS? Where are these traitors now? Are any of them still in our government? We have never been given the answer to any of these questions and anyone who has honestly sought to find the answer has been savagely and ruthlessly persecuted.

Mrs. Anna Rosenberg, the Jewish immigrant from Budapest, who came into prominence by the way of her Communist affiliations in New York state and through the efforts of Harry Hopkins and President Eisenhower, might have been able to answer some of these questions.

This little Jewish lady had been given the biggest job in the Pentagon, when measured from the standpoint of active executive control. She was put in charge of Military Manpower. Doesn't it seem strange to you, that the powers in control of our government could not find one person out of 20-million veterans, who were honest enough and smart enough to hold this job? Why then did Pres. Eisenhower give it to an alien, Marxist Jew? Why did our government allow an alien with a Marxist
background, to take over control of America's mighty military machine? Yet to say anything about this today, is to leave yourself open to an accusation of being anti-Semitic.

The more one looks into the reasons why we lost the war in Korea - and we did lose it - the less mysterious these reasons become.

It is only fair to mention here that Gen. Mark Clark was half Jew. But it also important for us to remember that there was never anything that indicated that he was ever influenced by this fact. He was a fine military man and a good American.

So all this brings us up to a very interesting and important question. "Who master-minded" the appeasement of our sworn enemy?" Co-existence and appeasement in our government - a principle diametrically opposed to Americanism - was originated by the same individuals who brought about the Communist Revolution in Russia. Remember Rabbi Steven Wise's statement: "Some call it Communism; I call it Judaism." So it is not all that difficult to run down the source of America's appeasement.

The philosophy of "compromise" with evil is as old as hell itself. It was the same policy the devil presented to Christ when he took Him into a high mountain and subjected Him to the three temptations listed in Matthew 3. (As far as history reveals, this was the first "summit conference.") Christ however, did not sit down with the enemy and discuss the problems over a feast of expensive food and vodka. He said: "Thou shalt worship the Lord thy God, and Him only shalt thou serve," (Matthew 3:10).

Now if we were to move rapidly from that mountain top in Palestine to the year 1924, we would find a top communist official, Dmitri Manualisky, as he laid out the plan for the final subjugation of America. It was a plan, listed in other places in this book, whereby the Communists would offer peace overtures to America and give them "unheard of concessions, hoping to lull them into a fatal sleep. Then when Christendom (the Free Western World) was under this hypnotic spell, they would "smash us with their clenched fist." This Manualisky presided over the United Nations Security Council in 1949.

If we recognize that Satan is the creator of compromise involving all moral and spiritual problems, we can see him behind this Bolshevik trick. Our major problem is to find out who is implementing this program in 1985.

We know that during the Eisenhower Administration, it was carried out by such personages as Josh Foster Dulles, America's Secretary of State and Harold Stassen. It might be presumptuous to assume these men were traitors purposely conspiring to destroy America. Possibly they were victims of a super-hoax, and an all-powerful pressure machine which has been running American politics for more than fifty years. I have often mentioned the fact that our government in Washington today, is an alien government. I am not referring to the Regan Administration, for no matter whether Republicans or Democrats are in office, this alien government is the "power behind the throne." It is the force which "pulls the strings and manipulates the puppets we call Congressmen."

Why has America been led into one "sap trap" after another in International affairs? I believe it was Secretary of the Navy James Forrestal, who once said words to the effect: "If the State Department was on our side, they would make a mistake in our favor every once in a while." If we knew the full truth concerning the manipulation of the Baruch's, the Rosenberg's, the Lehman's, the Kissinger's and the Brezenksi's, we might be able to find the answer to this thorny question.

Why did we desert Christians during World War II to carouse with the gangsters from the Kremlin? A lot of us would like to know the answer to this one! We wonder why, when our State Department tells us that our Foreign Policy for the past fifty years has been to "curb the expansion of Communism," have we on at least 14 major occasions, when the Soviet Union was on the verge of economic collapse, stepped in and with American tax dollars, bailed them out? Yes indeed, we would like someone in government to answer this question. Why when we now fully understand the
stupidity of our actions in helping the Soviet Union re-arm, is the Regan Administration trying to do the same thing with Red China?

Many concerned Americans will be surprised to find that while we were told that we fought a war in 1950 to save Korea, we never permitted Korea to join the United Nations, although our State Department was fully behind the drive to allow Red China to become a member. The intellectuals and "brain trusters" in our State Department did everything in their power to turn Korea over to the Communists, just as they did China under General George Marshall.

Maybe some of you will say: "Why worry about Korea, that was more than thirty years ago?" I am telling you about Korea, because it was the key to what happened later in Vietnam and what is happening today in Central America. I was also personally involved in the Korean War and saw some of our State Department's treachery first-hand.

The Korean War often referred to as a "police action," was one of the biggest deceptions in our country's history. We experienced all the liabilities of a war, with none of the assets. We suffered over 150,000 casualties and in the opinion of every intelligent American I have ever met, we lost that war, not through the cowardice of our men under arms, not because of our military leadership, but because of the traitors within our government who meant us to loose that war.

It was the traitors in Washington, that "leaked out the information" that the Chinese and North Koreans would have nothing to fear from us North of the 38th Parallel. (I use the term TRAITORS, ADVISEDLY, TAKING IT FROM Article III, Section 3 of the U.S. Constitution, which defines treason as: "levying war against them (the U.S.); adhering to their enemies, giving them aid and comfort.") If that isn't what our official policy did in Korea, then I fail to understand the meaning of the English language.

Our actions in Korea would be similar to leaking information to Mexico, that they could move unmolested into the Southwest, since we would not defend anything south of the Mason-Dixon Line.

The results of this treason was a disgraceful defeat for a nation which had never been defeated before and the men responsible for this fiasco, who should have been tried for treason, convicted and hung, have been some of the "big shots' in Washington for the past thirty years.

The end results of three years of hell in Korea was something the State Department called an "armistice." After we had been "kicked in the teeth," as a result of their treasonous policy of appeasement and downright cowardice. One of the most shocking events of this period was the firing of General Douglas Mac Arthur, for attempting to thwart this policy and win the war.

If the defenders of the Alamo could know that happened in the years 1950-53 and later on in Vietnam, they would not be able to believe that the inheritance of courage they left, could fall so low in America.

Our actions in Korea and Vietnam, were as disgraceful as though the Chief of Police, the City Council, and the leading clergymen of a big city were to sit down at a conference table with gangsters, who would humiliate them and spit on them and then dictate how they were to run their city for the benefit of the criminals.

It was as dishonorable as though a father of three daughters was to make a deal with a rapist. "You can have your pick of the girls, if you promise to leave the other two alone." Who ever heard of an honorable man who would acquiesce to such a proposition? Most fathers would rather see the entire family die, before having them so dishonored. This of course was before our churches inspired the slogan: "It's better to be Red, than dead!" Most of the poor fools who mouth this cliché, have no idea of what they are asking for.

This strange new "gray" philosophy of compromise and cowardice has become a fad with many Americans and no where is it more visible than in the church. Here we see national leaders who compromise with and glorify those who hate them and who would destroy everything they stand for.
as Christians. Yet they call these enemies, "God's Chosen People."

I can look back on the days of the Korean infamy with fury, because I was there and saw this treachery first hand. In 1950, I was an Advisor with the Korean Military, serving with the Korean Military Advisory mission in Seoul. I had gone to Korea in the spring of 1948 when this advisory group was first formed.

In the summer of 1950, I was billeted in Seoul and was advising a South Korean Infantry battalion, which was guarding one of the approaches into Seoul, at a little town called Pochon, located just south of the 38th Parallel.

From the early days of 1950, the Americans serving along the Parallel knew that it was only a matter of time until the North Koreans struck south. There were many probing attacks across the Parallel during this time, yet whenever we gave an account of these attacks to the State Department representative, they were met with skepticism and sometimes downright rudeness.

I can especially remember the week before the war began. We had seen a tremendous buildup of enemy forces north of the Parallel. In my area, an infantry company had been replaced by an infantry division of some 12,000 men, while a mounted cavalry regiment of some 1800 men and 76 heavy tanks were reported in the area. We also knew that the North Koreans were armed with new 122 mm guns which out ranged our 105 mm howitzers by some 10,000 yards.

Yet on June 24, 1950, the day before the invasion began, I sat in on an officer's briefing in Seoul, in which a colonel from the State Department's Liaison Office told us there was no significant enemy action along the Parallel and we could safely attend a big party that was to be held that night at the KMAG Officer's Club. For some reason, I did not attend.

About 5 a.m. on the morning of June 25th, 1950, I was wakened by a telephone call from KMAG Headquarters, informing me that the invasion had begun and that I was to join my battalion at Pochon as soon as possible. I was so sure that it would come at any time, that I had my equipment ready in a corner of the room and only had to load it into my jeep and head north.

Arriving at Battalion Headquarters in the village of Pochon about 6:30 a.m. I found the South Koreans under heavy attack from the north. Our Headquarters was about 500 yards south of the front lines and we were under heavy artillery attack at that time, with shells from the 122's and 120mm mortars dropping all about. On the front lines, the odds against us were twenty to one. An initial attack by heavy armor had been repulsed with the loss of six enemy tanks. These had been knocked out by South Korean suicide groups who had tied explosives to their waists and thrown themselves under the tanks and then blown them up. This came after they found that their American supplied anti-tank weapons would not stop the North Korean tanks. My Korean counter-part, a Major Kim told me about his suicide troops and then said: "But they don't like to do it that way."

Shortly thereafter I found that all the armor piercing ammunition for our anti-tank guns had been removed from the front lines, ten days before, on orders of the American Ambassador, William C. Muccio. He later told a Congressional Committee that he had done this because he was afraid that South Korean President Signum Rhee would attack the north.

By evening, our defending unit of some 850 men, was down to less than 200 and we were forced to retreat as the enemy tanks finally broke through our lines. I ended that first day walking cross-country for some 38 miles in a downpour of rain, to our base in Seoul. I arrived early in the morning, just in time to kiss my wife good bye, as she was loaded on a bus for the trip to Inchon and then by ship to Japan.

By Tuesday afternoon, June 27, the evacuation of all civilians and most of the military had taken place. I happened to be on the last plane load of advisors which was to be fly out and we never made it. Thirteen of us were returned to Seoul, when we found that President Truman had ordered the U.S. Air Force and Navy to support the South Koreans. One of our first actions was to go to the State Department Headquarters and get permission to burn a gasoline dump on the outskirts of the
city, which contained a million, 40-gal. drums of gasoline, which had just arrived from the States. We were literally cursed out of the office by Mr. Muccio himself. I distinctly remember his words: "Get the hell out of here," he shouted, "I'm sick and tired of you military b 5 trying to tell me how to run this war, I give the orders around here." Five hours later 40 million gallons of U.S. gasoline was in the hands of the enemy, enough to run their tanks for three months.

When Ambassador Muccio left Seoul that afternoon, Major Paul Hedstrom of Bismarck, North Dakota and myself, went to the State Department building and searched it from top to bottom, looking for any important papers which might have been left behind by mistake. In the Ambassador's office, we found a locked room which we broke into and in that room a "military type filing cabinet," padlocked. We blew the padlock off with a shot from a .45 and found some interesting papers. They were apparently dispatches from the State Department covering some eighteen months of enemy activities, which should have been sent to Major Gen. Willoughby, in Tokyo, McArthur's Intelligence Chief. Instead, they had been deliberately withheld by the Ambassador. I picked out four of the more incriminating ones, over the warning from Major Hedstrom that "they will hang you if they find out what you are doing." The next day, I was slightly wounded and was flown to Japan for medical treatment. While there, I gave the papers into the keeping of a young lieutenant who was bound for the States on an emergency leave.

He hand carried these papers to Sen. Bill Knowland of California and these were presented to the Senate Armed Forces Committee. Mr. Knowland told me himself, later on, that when he made his report before the Committee, they laughed at him for believing that "an American ambassador would do such a treasonous thing." When he insisted that an investigation be made of this incident, it began a long period of harassment for Sen. Knowland, which ultimately ended in his being defeated for the Senate seat. (You can easily imagine where the pressure came from.)

Many of you will remember how Gen. Willoughby, McArthur's Intelligence Chief, was castigated by the media for not knowing what was brewing in North Korea. Of course nothing was said about the treason in our State Department. But those of us who were on the scene remembered, and we did some "Monday morning quarterbacking." We looked back to some suspicious things which had happened a few weeks previously.

About three weeks before the war began, a very powerful American military man, Col. William Baird, the KMAG Provost Marshall and National Police Advisor to the South Koreans, left Korea for retirement with over 35 years of service. He was probably the most powerful American military man in the country. He had a beautiful private secretary, a girl about thirty years old at that time, who had been a professional model. As soon as Baird got on the ship at Inchon, his secretary was arrested by the South Korean police and was accused of being a North Korean spy. It seems that she was married to a high ranking North Korean military officer and had been using American Military Police vehicles to take information to her mother who lived in the little village of Kae'song, on the 38th Parallel. While the South Korean police suspected her, they were afraid of Col. Baird and would do nothing while she was under his protection. On the day the war began, this woman was shot by the South Korean military without a trial.

In the meantime, Col. Baird had arrived at the Oakland Naval Base in California, where he was placed under "arrest of quarters," pending an investigation into his Korean activities.

This wily old man had a dossier on Ambassador Muccio and eight high ranking State Department officials in Seoul, who had apparently been "shacking up" with this Korean beauty. These dossiers contained so much damaging material to the State Department, that all charges against Col. Baird were dropped, Ambassador Muccio was re-assigned to become Ambassador to Iceland and the eight State Department officials were all promoted. All the evidence was swept under the carpet by officialdom in Washington and nothing hit the news, until about eight years later, when an investigative reporter for PARADE MAGAZINE, wrote an account of this treason in government.

Later in Eritrea, Ethiopia, in 1961-62, I saw more of the State Department treason, when shipments
of American wheat, which had been sent as a free gift from the American people to alleviate a 
famine in that country, was sold by Ethiopian officials. When I went with my Commanding Officer 
to confront the State Department Consul in Asmara, we were bluntly told that it was none of our 
business and that he would ruin our military careers if we were to say anything about what we saw. 
I immediately wrote to my Senator and a few weeks later the "stuff hit the fan," and I was officially 
harassed for the next two years, until I finally resigned from the Service in disgust.

When I think that what I saw of State Department treachery, was only a very tiny corner of their 
treason, it makes my blood run cold and I fear for the safety of this country I love.

How could treason such as this flourish within America? Why do Americans know so little about 
these betrayals? Do you honestly believe these things happen by accident?

There is a "hidden hand," my friend, a submerged force, a "submarine policy", if you will, "a hidden 
political apparatus," which operates outside the knowledge of our citizens and which is never 
exposed by the media, which is part of this apparatus. You may not want to believe this. You may 
not accept it. BUT IT IS TRUE!!!

Ask yourself this question: "Why does Congress never make a full investigation of these things 
which are conveniently called 'political blunders'?"

When Sen. McCarthy tried to expose this treason, his most aggressive enemy was a Jew named 
Maurice Rosenblatt. Behind Rosenbalatt was another Jew, Arthur Goldsmith, sometimes referred to 
as "the ivory tower propagandist."

A brilliant journalist named Westbrook Pegler, devoted much space to the smear tactics used by this 
rich and ruthless Jew. It is interesting to note that the Eisenhower a shers were often guests at the 
Goldsmith suite in the Waldorf-Astoria Hotel in New York City.

While Sen. McCarthy often bent over backwards to prove that he was not anti-Semitic and 
associated with pro-American Jews such as George Sokolsky, Eugene Lyons and Rabbi Benjamin 
Schultz, he hoped against hope that official Jewry would recognize their error and the danger it 
presented to their own people. He hoped they would see through the "witches brew of Zionist-
Communism?" and repudiate it before it was too late. McCarthy knew that these Jews and others 
such as Benjamin Freedman, had been ostracized by the Jewish leaders because of their anti-Zionist 
stance.

But no man can survive very long in a battle condition with one hand tied behind his back. We 
learned this the bitter way in Korea and again in Vietnam. Deep down under his aversion to 
prejudice, Sen. McCarthy knew that his enemies were Zionists.

There are some people who claimed that Rabbi Schultz and even Gerald L. K. Smith were A.D.L. 
agents, planted within the framework of the Christian Patriotic, anti-Communist Movement. I do 
not believe this, for they all paid a terrible price for their opposition to Zionism. Freedman lost a 
fortune of more than $2-million and his name became a "by word" in Jewish circles.

In 1954, every important Jewish organization in America, mefontder the title of the NATIONAL 
COMMUNITIES RELATIONS ADVISORY COUNCIL. This included representatives of the 
AMERICAN JEWISH CONGRESS; the ANTI-DEFAMATION LEAGUE; the JEWISH LABOR 
COMMITTEE; the JEWISH WAR VETERANS, and THE UNION OF AMERICAN HEBREW 
CONGREGATIONS. A special resolution was passed for the expressed purpose of condemning 
Rabbi Schultz, the only American Jewish rabbi who had consistently defended Sen. McCarthy and 
Americanism. Before this happened, Schultz had been kicked out of his synagogue.

A new cult has developed in America politics since the New Deal Era. Since the "man on the street" 
have become aware of the menace of Communism, those who favored Communism through support 
or appeasement have joined this cult. It is sometimes referred to as "Anti-anti-Communism." Most 
of the adherents of this strange cult do not have the nerve to support communism openly, because of 
the effect it might have on their businesses. So instead, they join in any campaign aimed at
destroying or slowing-down anti-communists. They join the "wolf-pack" which howls for the blood of the Christian Patriots who have guts enough to expose the true Zionist enemy. They bring about the "silent treatment," often used by the press, where conservative "Letters to the Editor, seldom if ever are printed. Or they join the lying, half-true yellow journalism of the Jewish controlled press in its campaign against true patriotism.

These people have been remarkably successful in exploiting the villainy, stupidity, sentimentality, and other human traits which are in their favor.

When everything is summed up and brought into the proper perspective, it boils down to one main point. Americans, for the most part want to know the truth, but they are being deliberately kept from it by a controlled media, and those they trust the most, their clergy.

American pastors are probably as much to blame for this unhealthy state of affairs as any other group. For instead of warning their people concerning the danger which emanate from International Judaism, they are glorifying God's enemies by calling them His Chosen. Then to make things even worse, they say: "God's wrath will fall on you if you do not support the Jews." They should read 2 Chronicles 19:2 which states: "... shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord."

Many of our pastors have become like the shepherds of Isaiah 56:10,11, they are "watchdogs that cannot, or will not bark," they are "shepherds who cannot or will not understand," "doing everything for their own personal gain." Isaiah said they were "ignorant," not of formal learning but as the Apostle Paul explained in 2 Timothy 3:7 - they are "Ever learning, and never able to come to a knowledge of the truth."

What a terrible indictment! But at the same time, Christian people are not blameless either, for as Isaiah said in 30:10, they are literally saying to their pastors: "... Prophesy not unto us right things, speak unto us smooth things, prophesy deceits." In other words: "Don't tell us the frightening truth; tell us good things we want to hear!" and that's what they have been getting.

Every person concerned with the Zionist-Communist conspiracy should take the time to read a document titled THE PROTOCOLS OF THE LEARNED ELDERS OF ZION and see how these plans are being carried out to the letter in 1985. An edited version titled THE SATANIC-COUNTERFEIT.

Organized Jewry and many fundamentalist and evangelical Christians who have been influenced by them, have branded this document as a forgery. Millions of dollars have been spent by organized Jewry to destroy this document, which first came to light in Russia about 1898. Behind the Iron Curtain, it can mean the death penalty if you are caught with this document in your possession.

Now the word "forgery" implies that there must have been an original and as you know, a forgery is made as close to the original as possible. The translators of this document represented it as being the secret minutes of the World Zionist Congress at the turn of the Twentieth Century. In it they allegedly laid down their plans for world conquest.

When the late Henry Ford, Sr., first published these, he became the recipient of threats against himself and his family He was told that his grandchildren would be in danger unless he withdrew them from circulation.

After Mr. Ford's death, an employee of Ford's admitted that he had affixed Mr. Ford's signature to an apology offered to organized Jewry, because of Jewish threats to bomb the Ford Motor Company. This apology was repudiated by Mr. Ford.

Ford had a statement regarding these PROTOCOLS which was to the effect that whether they were genuine or not, was not the point, it was in how they were being carried out. If you will take time to read them, you will see a blueprint for what is happening in the world today.

Among one of the things this secret meeting agreed to accomplish was to make our "goyim"
(Yiddish for "non-Jewish" animal) society a "soft, corruptible, cowardly, compromising society." They have done an excellent job on this, especially among Christians. So much so, that at one time virtue known among Americans as "righteous indignation," (the ability to see when something is wrong and the guts to do something about it) has all but disappeared from the American scene.

By 1920, when Mr. Ford first published the PROTOCOLS, over half of them had been accomplished, and they have gone a long way towards completion of their plans in the 65 years which have intervened.

This fad of caution, cowardice, timidity and compromise is something completely foreign to the conduct of American affairs in the past. Yet it has become the policy of this century.

When Americans first came into contact with the ideology of Adolph Hitler during World War II the Jewish controlled propaganda machine was completely intolerant. There was no compromise preached then. World Jewry called for the liquidation of the German people. (See the book, GERMANY MUST PERISH! written by the Jewish author Theodore N. Kaufmann in 1941.)

A plan was devised by the Jew, Henry Morgenthau and his Jewish assistants in the American government for the complete annihilation of the German people through a program of planned genocide. It proposed the immediate execution of 500,000 German war criminals. (Criminals of course by their definition.) But in the intervening years, when our conflict has been with the Jew-created Soviet Union (which has killed more than 65-million of its people) we have suddenly been manipulated into retreat and timidity and a world policy of appeasement as seen in Korea, Vietnam, the Panama Canal, Iran and Lebanon.

We are told over and over, by our own government and the Jew owned media, that we no longer dare to fight (in Grenada and Nicaragua, yes, but not the "big boys" of Cuba or the Soviet Union). We are told that another war will kill us all. But is a man or woman any more dead who is incinerated by a hydrogen bomb, than one who is killed by napalm? We are not only being turned into a nation of compromisers, who cannot even express anger over something like what is happening in Afghanistan, but we are being turned into a nation of cowards.

Personally, I would rather stand and fight the evils of International Zionist-Communism arm-in-arm and be incinerated, than to see my children and grandchildren live under the slavery of Judaistic Communism.

CHAPTER XXXII  
QUARANTINE AND PERSECUTION OF CHRISTIAN PATRIOTS

There are powerful organizations at work in America, who are spending millions of dollars every year, much of it coming from gullible Christian sources, to be used in what they call the "quarantine treatment of Christian Patriots." These are the people who are intelligent enough to know the truth and who have the courage to speak out concerning it. They are the ones in particular, who are "blowing the whistle" on the Jewish control over America.

The AMERICAN JEWISH COMMITTEE, which works in harmony with every Jewish organization in America, invented this formula for dealing with American patriots. In a confidential conference held in 1955, this committee resolved to "quarantine" every patriot who dared speak out with alertness concerning the Zionist threat to Christian America. They sent out specific orders to the Jewish controlled media to enforce these orders.

They resolved that if any public figure spoke out concerning the "Jewish Question," he would immediately be labeled as a "rabble rouser," or a "leader of the lunatic fringe." They also concluded than even a smear campaign helped a patriotic group, since it brought them to the attention of the
public.

We have found this to be very true with the CHRISTIAN PATRIOT'S DEFENSE LEAGUE. We have always treated the press and TV personnel with courtesy and have always opened our meetings to them. In almost 100% of the cases, they have done "hatchet jobs" on us and have twisted our statements around to make us look like a bunch of "kooks" and "hate mongers." Recently they went so far as to accuse John Harrell, the founder of this organization, of building his own personal air force. (Next they will be coming out and stating we intend to bomb Washington, D.C. with the Piper Cubs we have in our air-arm.)

But strangely enough, we have found that even badly adverse reports have helped our cause. More and more Americans are waking up to the fact that the media cannot be trusted, they are learning to read between the lines of the news. As one man told us: "When I read a radical report on some person or organization that is exposing evil, I immediately ask, why are they so concerned. Could it be that those extremists are telling us the truth?"

In every instance, bad reports have resulted in hundreds of letters of inquiry.

So the Jewish "power lords," tried giving us the "silent treatment." They showed their utter contempt for the Bill of Rights. And, they have confessed over and over, by their actions, that they believe Jews have the right to use force and power, to coerce and control Americans.

If Christians were ever able to get this truth through their "thick heads," 90% of the Jewish problem would be resolved.

Why should any group have the power to determine what Americans shall and shall not know about their own affairs? When these alien people, who are completely hostile to the idea of Americanism, and who are a tiny minority, rise up and try and control all of us, we have strong motives to question their tactics.

* * * * *

One of the major tools of the Zionist "change artists" has been in the matter of "racial integration". They are enough historians, that they understand that every racially integrated society in the world's 6,000 years of written history, has "gone down the tube" from internal decay.

Up until about 1870 archeologists who were exploring ancient British antiquities never followed up their findings and what they did find, has been ridiculed by modern scholars. The reason for this is quite evident. With the coming of such men as Darwin, Huxley, Spencer and others, the theory of evolution occupied completely the root of speculative philosophy and even science.

To the theory of Evolution, which demands that man developed from a primate and a savage, through various stages until the Greek and Roman culture, the idea that a scientific community existed in Britain, 1500 years before the time of Christ, was utterly disastrous. Historians have pictured our Anglo-Saxon ancestors as savages in the skins of wild animals, barely able to use metals for the construction of their weapons. Yet when the Roman Legions tried to conquer Britain, they found ancient universities, which surpassed anything that could be found in Rome.

So modern investigators, anxious to follow the Evolutionary reasoning process, have carefully avoided tampering with anything which might prove them wrong.

Since the advent of Thomas Paine and the Jewish-German higher critics of the Bible, the statements of the Bible have been criticized and laughed at as folk tales by those who should know better.

Oriental scholars have believed that the Semites existed at least 4,000 B.C. Now these same scholars believe that the term "Semite" is derived from Shem, the son of Noah, who lived about the time of the Great Flood, which according to Scripture account took place about 2344 B.C. If this is true, then how could Semitic people have existed 1500 years earlier?
Some Orientalists believe the Semitic race originated in Central Asia and migrated into Mesopotamia about 3,000 B.C. There they found an inferior civilization which they conquered and absorbed and then founded the Babylonian Empire.

This migration of a superior race, coming from Central Asia has been proven correct, but as Shem did not come into existence until 2400 B.C. this race which came from Asia could not have been Semites. They were ARYANS, the parent white race. The name ARYAN in the Original Sanskrit language comes from the word ARYA which literally means "the noble race."

Scientific men know that there is a great deal of difference between the three principle races of mankind, regardless of all the screaming to the contrary of those who say they are alike. These three races are the Mongolian, sometimes called the Turanian race; the Negro and the White race, known as Caucasian. The white race were late comers on the worlds scene and constituted world leaders wherever they appeared. Any honest investigation into their background will show that they appeared late in history, as a highly developed civilization.

The answer to this can be found in Genesis 1:26 where we read that God said: "Let us make man in our image, after our likeness: and let them have dominion over all the earth." If the Bible translators had used care and had translated the original Hebrew word for man, which is "Aw-dam", as Adam, instead of man, there would have been no doubt that only the White race was created in the likeness of God and was to have dominion over all the earth. Young's Analytical Concordance will show over 500 cases where the Hebrew word for "man" in the Old Testament, is "Adam." Which certainly indicates that God was speaking only of the Adamites. Unfortunately the translators read their assumptions into the Book, just as most Christians do today.

Now I realize that these statements are going to make some of you angry and will elicit accusations of being a "white supremest." But what I am doing is merely telling you the truth. If the food is too strong for you, maybe you should go back to the "bottle feeding" you get from your own church. My job is not to convince you of anything, merely to tell you the truth.

So whether you want to accept it or not, the Old Testament gives us the best and right explanation as to why the White or Adamic people have always been superior. It has always been recognized by historians, that the White race was an agricultural race, while most of the older races were chiefly nomads and hunters. This is proven in Gen. 2:5, which states that after the creation: "And there was not an Adamite to till the ground." Then in Genesis 2:7 and 8, we find where the Lord God "formed" (not created, but formed) ADAM from the dust of the earth and breathed into his nostrils the breath of life and "man became a living soul." This was completely different from the "creation" of Genesis 1:26.

It goes on to say: "And the Lord planted a garden in Eden; and there He put the man (Adamite) whom He had formed." According to Max Mueller, a great Oxford scholar, "Man is a derivative root word, which means to think. From the Sanskrit we have the word "Manu", which means 'the thinker,' this then was changed to 'man.' The name Adam, the thinker, suggests that the living soul that was breathed into Adam (not the beings of Genesis 1:26 who were created) raised him above the existing races."

This of course will be a bitter pill for the fundamentalists and evangelicals to swallow, since they have been taught by their religious leaders, and not from the Scriptures, that all mankind is alike. According to biological laws, the black and yellow races could not have come from a white couple, no matter what the religionists say to the contrary. It is against every law of nature and therefore against the genetic laws of God Himself.

Many Christians become extremely uncomfortable when they are faced with the racial issue. This is because they have been under attack for a long time with a theory designed to give them a guilt complex. This theory is that they should be ashamed of being White, because of all the evil things we "White folks" have done to the colored races.
Let me stop here briefly to point out that only the White race and the countries of Christendom, (mostly White) have been open in their acceptance of Christianity. The colored races have only been reached for Christ through a great deal of effort, expense and even physical danger.

The White nations of the world send out 98% of all Christian missionaries and Christian literature. It was the White race who abolished slavery, England first in 1834, followed by the United States in 1865. Whenever there is a great national catastrophe, it is the White nations of Christendom who are in the forefront of sending relief. For every evil we have perpetrated on the world, our people have brought a thousand blessings. So never let anyone make you feel ashamed because you are White.

The idea of cohabitation between Blacks and Whites is a sensual concept which immediately creates an evil impression. The instincts of decent Blacks and Whites, revolt at this unnatural performance. The word "adultery", which is akin to "adulterate" is not used in its proper format. It is one type of crime to adulterate the purity of a family, when the husband or wife go outside the marriage relationship for sex relations. Such conduct degenerates and ultimately destroys, first the family and finally the civilization. Fidelity is one the highest principles maintained by the traditions of the Anglo-Saxon and related peoples of Northern Europe.

It is a terrible sin, in the eyes of God, to adulterate this family relationship, but it is a much more terrible sin to adulterate a race. When Moses first presented the Ten Commandments to God's people Israel at Mt. Sinai (these were not the Jews we know today), he included God's specific command: "Thou shalt not commit adultery!" To construe this commandment as referring only to the husband-wife relationship, is to limit the breadth and wisdom of its significance God had set apart a special people - not to rule over others, as the Zionists envision and are taught in their TALMUD, but to become the "light bearers" of Almighty God, out of which would come the Savior of mankind, Jesus the Christ.

The "seed of the woman" was to come from the woman's body, with the Holy Spirit supplying its contents. This was in a direct fulfillment of Isaiah's prophecy: "Behold a virgin shall conceive and bear a child, and thou shalt call its name Emmanuel, which is interpreted, God with us." (Isaiah 7:14).

This special people who were to come from the seed of Abraham, are not to be confused with the Twentieth Century apostates who are as the Scripture says in Revelation 2:9 -"Those who say they are Jews (proper word JUDEANS), and are not: but are of the synagogue of Satan."

The faithful seed of Abraham was to maintain its racial purity and fulfill its calling in answering that first Biblical prophesy found in Genesis 3:15, when God promised that the "seed of the woman" would bruise the serpent's (Satan's) heel. It also said that there would be perpetual enmity between the seed of Satan and the seed of the woman.

I am firmly convinced, that when God said: "Thou shalt not commit adultery!" he was not referring to the purity of the home, but to the purity of our race. There are many other Scriptures which will confirm this, no matter what seal of approval is placed on inter-racial marriage by such as Billy Graham and others. These say there is no restriction on marriage between the races, as long as both are Christian, but "thus saith not the Scriptures."

There is a great deal of difference between an honest mistake and an evil obsession. When a tourist takes a wrong turn in the road, sincerely believing he is headed in the right direction, he is a victim of a mistake. Possibly he was at fault for not having learned to read a road map, but he is not the victim of an obsession and he did not make that wrong turn because of some evil motive.

However, there are very few people who, sentimentally, without question, without intelligence, and without proper consideration, would allow themselves to be used for the purpose of mongrelization. It is completely contrary to nature. These same folks will often condemn adultery in the home, but glorify it when it comes to race.
After observing this unholy campaign for many years, I am convinced that its purpose is to destroy our race and adulterate the White Man's Christian tradition. I would suggest that our youth have been deliberately debauched by drink, dope and unbridled sex, not to benefit them but to enslave them. They have been taught to get their thrills through sexual intermingling. Last summer I was in Oregon on a speaking tour. Some students from Oregon State University told me that a "lesbian organization" in the school had come up with a motto which stated: "Raise black soldiers for the coming revolution," and urged the lesbian girls to have an affair with and get pregnant from a Black student. You can never convince me that this was for some healthy purpose.

Any policeman with any experience at all will tell you that white men do not go into a Black neighborhood for sexual satisfaction when they are sober, or on their way to church. It usually happens when they are dead drunk and scarcely know what they are doing.

Politicians who love to stay in office, no matter what the price, will do anything, and I literally mean anything to get the Black and Jewish vote. If they think this will come about by promising sexual intermingling, they will do it, regardless of its effect on their own people.

However, anyone who will make an honest study of this problem from a Scriptural and historical basis, will find that race mixing is always promoted by Satanically inspired demagogues, for the purpose of controlling and ultimately destroying people. History proves, beyond the shadow of reasonable doubt, that every civilization which has been guilty of miscegenation has been on the pathway to national ruin and destruction.

Let me ask you a rhetorical question. This is especially aimed at you Christians who may believe that I am a racist, or an antisemite. Is it anti-semitic for me to observe that the majority of Jewish rabbis, and every Jewish Journal and every Jewish organization which has expressed itself on the subject, is in favor of "mongrelization" for the Gentiles, but not for Jews? The very same rabbis who campaign for racially integrated schools, will send his children to a Jewish school so as to maintain his racial purity. In Israel, for instance, it is a criminal offense for a Jew to marry outside his own race. I say: "What's sauce for the goose, should be sauce for the gander."

Before we allow this sin, which God condemned by actually killing people because they committed it, occurs among our youth, ask yourself: "Who is behind it and why?" (I suggest that you read the entire 25th Chapter of the book of Numbers.)

Tied in very closely with mongrelization is our present problem of alien immigration. Why has billions of dollars been spent by lobbyists and propagandists to break down our immigration barriers and flood our land with aliens. Now someone is bound to observe that all Americans, with the exception of the native Indians, have been immigrants. This is true! During one fifty year period in the Nineteenth Century, more than 43-million people flocked to our shores, in the greatest mass movement of people in the world's history. But observe closely that the vast majority of these were White people from Northern Europe. While they did not all speak the same language, their heart's language was the same. The majority of them were Christians; they believed in the sanctity of the home and womanhood, they believed in the work ethic; they honored God's laws. But in the past fifty years, since the immigration barriers have been deliberately broken down, America has been flooded with aliens. They are alien in their religion; they are alien in their moral beliefs, they are alien in their political philosophy. It's no wonder that it is among this group that the Communist agents have their field day.

The major reason that America has always been strong, vital and dynamic, Christian and progressive, is because it has been predominately White. Now some of you are bound to violently disagree with this, but it can be easily proven One of the best examples I can think of is the country of Italy. The people in the north, the Lombards, are mostly of white stock and they have produced the great Italian leaders; the soldiers, statesmen, painters, musicians. In the south, the people are of mixed breed and even in Italy have a reputation of being lazy, shiftless and not to be trusted. If you have ever traveled extensively in Italy you know this to be true. There are many other examples. So
before you slap a "racist" label on me, remember that history proves that the great scientific civilization of Egypt was a white civilization. Look at the picture on the tombs of the pharaohs and you will find they are all Caucasian. It was not until their military campaign brought black slaves from Ethiopia and Sudan into their palaces and there was integration between White Egyptian and their black slaves, that Egyptian civilization was lost to the world.

In the past fifty years, there has been an underhanded, Jew led campaign in the United States to make White people feel ashamed of their heritage. While it has become popular for Blacks to believe that "Black is beautiful," you are supposed to believe that it is a shame to be White. This is a lie!

It has been the White nations of the world that have abolished slavery, England first in 1834, followed by the United States in 1865, while in much of Africa and Asia, slavery is still practiced and in some places the horrible practice of cannibalism. At no time in the history of the world, have a people fought against an enemy and then turned around and placed those enemy on their feet and nursed them back to health. We did that because we were White and Christian, no colored civilization or race has ever done that. So don't be embarrassed because you are White.

Am I anti-Semitic when I point out that every Jewish organization, rabbi and periodical in this country has backed open immigration. If that makes me anti-Semitic - please explain why?

Many years ago, Gen. George Van Horn Mosley addressed a Congressional Committee. He was one of America's greatest patriots. During World War I, he had been the "right hand" man of Gen. "Black Jack" Pershing, the American Commander of the Expeditionary force we sent to Europe. He was retired, when he made this speech and that he had been joining in protest of neutral legations appears to indicate that the danger was being realized by them. "I consider the immediate suppression of Bolshevism as the greatest issue now before the world, not even excluding the war which is still raging. Unless Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over all of Europe. It is organized and worked by Jews who have no nationality. Their objective is to destroy for their own ends, the existing order of things. The only manner in which this danger can be averted would be a call to action on the part of all the great powers."

Illustrating the tremendous power of organized Jewry, it must be noted that the British White Paper referred to was followed by a Revised White Paper, which omitted entirely the role played by the Jews in the Bolshevik Revolution

The statement in the original paper is in accord with what the U.S. Ambassador to Russia, David R. Francis wrote in January, 1918. He said: "The Bolshevik leaders, most of whom are Jews and ninety percent of whom are returned exiles, care very little for Russia or any other country. They are internationalists and they are trying to start a world-wide social revolution for their own ends."

The JEWISH CHRONICLE of London, carried an article in the April 4,1919 issue, which was in accord with the report from the Netherlands and from France, it said: "There is much in the fact that Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant (in agreement with) the finest ideals of Judaism (Talmudism.)"

The JEWISH CHRONICLE of London, carried an article in the April 4,1919 issue, which was in accord with the report from the Netherlands and from France, it said: "There is much in the fact that Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant (in agreement with) the finest ideals of Judaism (Talmudism.)"

In the September 10,1920 issue of the AMERICAN HEBREW AND JEWISH MESSENGER, the following quotation appeared: "What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries." (UNQ.) (Vol. 107, p. 507, THE HEBREW MESSENGER.)

All these quotations and many more can be found in the Congressional Library.

The experience of Russia, where millions of Christians were deliberately and brutally murdered, stands before us as a vivid example. Trotsky, the Jewish Minister of War, who personally ordered the killing of more than 6-MILLION Christians, became our neighbor in Mexico for a short time,
until he went to Russia with 247 of the worst Jewish bums from New York's East Side and $20-
million donated by the Jew, Jacob Schiff. They were stopped by Canadian Customs at Goose Bay,
Labrador and held in custody, until pressure from the American State Department turned them loose
to loot and rape in Russia.

Then we had another vivid example in Hungary, where Bela Kun lead the murder squads. When the
Hungarian patriots tried to stand against this tyranny in 1956, it was the President of the United
States, Dwight David Eisenhower - who had been elected on his promise to do away with the Iron
Curtain - who turned a deaf ear to the cries of the freedom fighters. Instead the U.S. State
Department sent a cablegram, in the clear, for all the world to read which said: "The United States
does not look with favor on countries hostile to the Soviet Union, on the borders of the Soviet
Union." The next day Khruschev's tanks rolled into Budapest and crushed the revolution.

If you wonder why Germany hated the Jews, all you need to do is take a look at the terrible
experiences they went though after the Armistice of World War I and see how it was Jewish control
of economics, that brought the German people, the most industrious in Europe, to the point of
starvation.

Germany had been the next State in Europe, after Russia, which was earmarked to go Communist.
Fortunately the character of the German people was aroused, and regardless of what you may think
of Adolph Hitler, it was under his influence that Germany threw off the Communist yoke.

If any of my readers stupidly accept Communism as 20th Century Americanism, you should read
and absorb the Manifesto of the 8th Convention of the Communist Party of the U.S. in April 1934,
and note especially the following statement made at this time: "The revolutionary way out of the
crisis begins with the fight for unemployment insurance, relief to the farmers - through
administrations, strikes, general strikes, leading to the seizure of power, to the destruction of
capitalism by the revolutionary people's government."

What they fail to state is that not one - not one - of the countries which has tried Socialism-
Communism - has ever succeeded in doing for the people what they have promised.

Then if this does not wake you up, it would be well for you to read what Earl Browder, Communist
leader in the U.S., declared in his book WHAT IS COMMUNISM? published in 1936:

"The revolution does not simply happen, it must be made. (P. 163).

"Thus some form of violence is unavoidable. There is no possible choice between violence and non-
violence. The only choice is between the two sides of class trouble." (P.169) Dr. Martin Luther
King, Jr. the Black activist knew this and followed its precepts, even while preaching "non-
violence."

Then if you are still unconvinced, you might turn to the Sept. 9, 1928 issue of PRAVDA, (Moscow's
official news organ), which declares: "The world-wide nature of our program is not mere talk but an
all-embracing and blood-soaked reality. It cannot be other-wise. Our ultimate aim is world
communism, our fighting preparations are for world revolution, for the conquest of power on a
world-wide scale, and the establishment of a world dictatorship."

This is the same aim of world Zionism. In PROTOCOL III, you can read their plan for bringing this
about: "We (Jews) appear on the scene as the alleged Saviors of the workers from the oppression of
the aristocracy, those, who have enjoyed by law, the labor of the workers. They are interested in just
the opposite - in the KILLING OUT OF THE GOYIM! Our power is in the chronic shortages of
food and physical weakness of the workers, because by this they are made our slaves. By want,
envy and the hatred which it engenders, we shall move the mobs and with their hands, we will wipe
out all those who hinder us in any way." (UNQ)

For heaven's sake, folks, look around you and see how this has been and is being done!

Now at this point, I want to state emphatically, that I do not by any means endorse the proposition
that all Jews are Communists, or that all Communists are Jews. In the very nature of things, no loyal Jewish American (by this mean an American of Jewish faith), can possibly be a Communist. That outstanding Jewish American, Samuel Gompers, who at one time headed the American Federation of Labor, was so resolutely opposed to communism that he publicly declared: "I can think of nothing that would constitute a more needless and base betrayal of civilization than American recognition of the Soviet Union." (UNQ.)

Individual Jews can and have been good Americans. But unfortunately, serious embarrassments are placed in their way by organized Jewry which declares that all Jews are a distinct nationality. In his book, THE JEWISH PROBLEM - HOW TO SOLVE IT!, the Jew Louis Brandeis said: "Let us all recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station, or shade of belief is necessarily a member. Organize, organize, organize! until every Jew in America must stand up and be counted - counted with us - or prove himself, willingly or unwittingly of the few who are against their own people." In other words. You are a Jew first, before you are an American and your loyalty must be first to Zionism!

Such a state of affairs creates a divided or dual loyalty, wholly inconsistent with loyalty to any nation, by those affiliating with organized Jewry. Brandeis' statement cannot be lightly brushed aside, when one keeps in mind that he was elected, along with the Communist Litvinov, to the Jewish Hall of Fame, as being among one of the 120 greatest living Jews. (See 1938 World Almanac, p.413.)

The existence of an organized World Jewry is openly declared in a Fireside Discussion Group Leaflet #VII of the Anti-Defamation League of the Jewish B'nai B'rith, which stated: "Approximately a race, definitely a people and consciously a unit, we are a historic people - a world community." (P.3).

This same idea of Jewish unity was reaffirmed by Rabbi Louis Loeb of Washington, D.C. who proclaimed that his creed was: "Jerusalem as the head capitol of the United States of the World." (UNO) (WHO'S WHO IN THE NATION'S CAPITOL, 1929-30, pp 447, 448.)

Few Christians realize how complete is the Jewish State, as it is organized and operates within the United States. It is a complete nation within a nation, which demands loyalty to its plans. The Jewish people of America, are the only ones among many hundreds of nationalities who are allowed "dual loyalty" in this country.

Our inquiry will also include an investigation of the controlling organizations of this Jewish State, operating within America. The -Big Four are:

(1) THE AMERICAN JEWISH COMMITTEE;

(2) THE AMERICAN JEWISH CONGRESS;

(3) THE B'NAI B'RITH, with its affiliates of the ANTI-DEFAMATION LEAGUE and the JEWISH DEFENSE LEAGUE. (The latter two are the KGB of organized Jewry in America,) and

(4) THE JEWISH LABOR COMMITTEE.

There are other powerful Jewish organizations which you will discover as your investigation proceeds. Bear in mind, that this Jewish nation is complete in every respect, including having their own court system.

The question of Communism and National and International control will not be settled as long as this condition exists. We are not interested at this time in the poor, down-trodden communist running down some dark street alley, but in the great power at the top, which interferes in the operation of our own government, in fact controls it.
Since I have had the temerity to challenge this Jewish octopus and to expose it in an effort to protect our Christian people, I have come under attack from them and from their stooges in the churches. In fact I have received more "flack" from the JUDAPHILES behind the pulpits, than from the Zionists themselves. They like to have others do their dirty work for them."

Now there is much for us to remember, we realize that this speech was delivered more than forty years ago and that the power of the Jewish Octopus has grown by leaps and bounds since then. Today, the Anti-Defamation League openly proposes legislation for the benefit of Jews only and intimidates the cowardly Congressmen in Washington into voting for it. If these men show a spark of Americanism and take only a tiny stand against Jewish control, they are immediately "earmarked" for defeat at the polls (See the example of Sen. Fullbright of Arkansas; Sen. John Towers of Texas; Sen. Percy of Illinois, and the tremendous fight to unseat Sen. Jesse Helms in North Carolina It looks as though organized Jewry may have reached its objective with Sen. Helms, for he has suddenly softened his resistance to Zionist control.)

CHAPTER XXXIII
THE HIDDEN HAND

From time to time, freedom loving Americans have been encouraged by the words of the prominent men who have had the courage to "beard the enemy in his den." One of these was the eminent broadcaster, Dean Manion. Over thirty years ago he made a public speech titled: THE HIDDEN HAND THAT CONTROLS OFFICIAL WASHINGTON. Needless to say, it was not well received by organized Jewry or the hordes of "yes" men who cater to them in our Nation's Capitol.

CHAPTER XXXV
THE SHADOW OF ARMAGEDDON

War clouds have been gathering in the Middle East ever since the nations of Christendom succumbed to Zionist pressure and allowed them to establish the bastard state of the Israeli in Palestine. Commitments to defend the mis-named State of Israel have come from every hand, as Congressmen, politicians; businessmen, news editors and Christian leaders, both evangelical and fundamental, has scurried to get on the Zionist bandwagon.

The records have been so falsified by "those who call themselves Jews and are not," (Revelation 2:9), that it has created confusion in the public mind concerning the real issues involved. Only by examining a different record, given in the publications of the enemy, can we learn their real intentions.

This action, of course, will bring down on us the wrath of the Jewish watchdog, the ADL and the JDL, who cannot afford to let Americans know the truth concerning their nefarious activities.

There are now present in America, congenital aliens who are incapable of contenting themselves with the blessings of a peaceful life in this bountiful land, but who must forever embroil their Christian hosts in foreign wars, from which only they emerge as victors. There is a heavy concentration of these "parasites" in the United States.

In an editorial in the B'NAI B'RITH MESSENGER, over thirty years ago, the Zionists boasted: "Los Angeles is blessed with a sprawling, ever increasing Jewish population - it is the American Canaan of the exodus from the East Coast, remarkable because it did not take forty years. In a few years Los Angeles has become the second largest Jewish population center in the world, second only to New York City."

Because of this vast Jewish growth and the subsequent power it holds, the Middle East has become a far greater issue than a mere quarrel between the Jews and the Arabs. It has become a question of
whether our elected representatives shall be made tools of an anti-Christ power, for the purpose of establishing a Jewish World State.

The Jew author, Marcus Eli Ravage, in an article titled A REAL CASE AGAINST THE JEWS, published in CENTURY MAGAZINE, January 1928, made this deadly confession on the part of his fellow Jews: "We (Jews) have been at the bottom not merely of the latest great war but of nearly all your wars, not only of the Russian Revolution but of every major revolution in your history."

The Chicago JEWISH SENTINEL, October 8, 1942, proudly boasted: "The second world war is being fought for the defense of the fundamentals of Judaism."

THE JEWISH WORLD stated: "Let us take off the mask. Let us play the Lion of Judah for a change. Away with fake patriotism. A Jew can only recognize one Fatherland - Palestine."

The AMERICAN HEBREW, July 24, 1942 - "Whenever American or Filipinos fell at Bataan or Corregidor, or at any of the now historic spots where Mac Arthur's men put up their remarkable fight, their survivors could have said with truth; the real reason that boy went to his death was because of Hitler's anti-Semitic movement in Germany." (In other words, the war was fought for Jewish interests.)

There are hundreds more brazen Jewish admissions that this is true. If and when this mask is finally ripped off and our boys are called to face the Moslem world in defense of the counterfeit State of Israel, Christian parents will have only themselves to blame, if their sons die on foreign soil.

The reasoning of the twisted TALMUDIC mind of the congenital alien, the International Jew, reasons thusly: "The Christians are obedient. They have fought for us time after time. They have spilled their blood and spent their wealth for us. They will not fail us now."

These impostors, whose racial composition is anything and everything but that of the true Israelite of the Bible, have fronted for the "synagogue of Satan," since their heyday in Babylon. It was here that their "age-old" conspiracy began. It is a vast, evil conspiracy designed to over throw God's Kingdom on this earth and His plan for the salvation of mankind. It has succeeded beyond their fondest expectations, mainly because of the apathy and stupidity of those who call themselves Christian. Those people of Anglo-Saxon and related nations, who are too lazy, or apathetic to care who they are and what their responsibilities before God really are.

The docile Christian world, for the most part, is now securely in the grip of these anti-Christ. Only the sons of Islam, and a few concerned Christians, have girded themselves to halt the onrushing progeny of Satan. A shuddering terror should be apparent in every Christian who studies the Bible, for they should realize that we are facing the "point of no return" in America and there will be no Rapture to rescue them.

The question has been often asked: "Can America lead the world to peace?" and the answer is a resounding: "No! Not as long as we are the errand boy for the anti-Christ."

Intelligent men and women cannot put their hope for peace in either Zionists or the Satanic organization men call the United Nations.

This organization has harmed America's friends, while rewarding the gangsters in the Kremlin.

In spite of all talk to the contrary, the "wages of sin is still death," and when the Last Will and Testament of International Zionism is finally read, it will state: "The Communists sole beneficiary - the Zionist Movement."

Communism is a mixture of Socialism and State Capitalism, based on the Talmudic concepts of Judaism. This is why the leading rabbi in the United States, sixty years ago said when questioned about the Communist Revolution: "Some call it Communism; I call it Judaism!"

The weakness and sins of private enterprise can be corrected by legislation; but a world government would be beyond all law. In a super-government, the people would become slaves, by taking what
they are offered and doing what they are told.

It has been said long ago, that people get the kind of government they deserve. They also get the amount of freedom they deserve.

This is not a time when we should "soft-pedal" the humiliations and defeats America has suffered at the hands of these aliens. Nor should we find the solution by accepting the lies which come from those who profess to be our leaders, both in the government and in the church. Rather we must face what our fate would be, if we were forced into a world government under Zionism. Any honest person knows the answer to that. All we need to do is look at what happened to Christians in Russia. What happens to any people who fall prey to cut-throats and thieves - those who are the children of the lie and who have been murderers from the beginning (John 8:44).

Ministers of Christ who have lent their voice and pen to encourage their followers to base their hope for the welfare of America on how we treat the Jews are false prophets! They should never be supported by the tithes and offerings of God's people.

These false, idol worshipers cry: "Peace! Peace! When there is no peace," (Jeremiah 8:11). These blind leaders of the blind should listen to what God says of them in Jeremiah 14:14 - "The prophets prophecy lies in my name: I sent them not ... they prophecy unto you a false vision ... a deceit of the heart." "They cause my people to err by their lies," (Jeremiah 23:32).

Are our leaders, under the evil influence of Zionism, leading us into that last terrible war prophesied in Revelation? More and more proof is cropping up that this may be the case. How can the world have peace when Christians everywhere are backing the "murderers of peace?" Psalm 28:3 speaks of those, the "workers of iniquity, which speak peace to their neighbors, but mischief is in their hearts." This, my friends, is the "Hallmark" of TALMUDIC JUDAISM.

Because our true Israel people have allowed evil anti-Christ men to lead us astray, the days spoken of in Ezekiel 7:3 are upon us: "Now is the end come upon thee, and I will send mine anger upon thee (Israel) and will judge thee according to thy ways, and will recompense upon thee all thy abominations. Mine eyes shall not spare thee, neither will I have pity: but I will recompense thy ways ... and ye shall know that I am the Lord."

No people in the world's history have ever been blessed more than the Israel people of Canada and America and none have flouted God more. Even Sodom and Gomorrah pale into insignificance when we look at the sins of America. It has been the insidious disease of Judeo-Christianity which has led our people to literally "spit in the face" of God Almighty, the God we claim to love. He has told us quite clearly in 2 Chronicles 7:14 - "If my people, which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND." (Emphasis added.)

For the most part, o hahite Christian people have spurned this marvelous promise from God. Instead they have opted for "doing their own thing," whatever that may be. They have added "insult to injury" by elevating God's worst enemies to the pedestal of calling them God's Chosen, while they turn their back on their own marvelous heritage. No wonder our God is angry. The "pay day" is approaching. Recently I saw a bumper sticker which says it all, it stated: GOD IS BACK AND HE IS MAD!

Some of you who have read these words are going to try and excuse yourself by saying: "We never went along with the false teachings of the church. In fact, we left our church because of it." Yes, and you have never done anything since that day to alert our people or fight against her enemies. Shame on you! What nave you done in the past year to fight the corruption which is bringing God's anger on America? Have you made any attempt to elect righteous men to office, and I'm not talking about phonies like Ronald Regan? Or have you gone along with the "brainwashed horde," and voted for "the lesser of two evils." Almighty God, YAHWEH the Creator, says to you, that if we escape to the
mountains, when this punishment falls on us, we will "mourn everyone for his iniquities."

There will be no time for making excuses then. The question will not be: "Are you a Christian?" but "What did you do to stop the evil that international Talmudism brought to America?" Have you done anything to warn our people about this evil? Ezekiel 33:6, says that if you see the evil come and do not warn your friends and they are taken away by that evil, their "blood will I (God) require at your hands." Don't ever kid yourself that you are not a watchman. Every true Israelite Christian, those who have been saved through the marvelous grace of our Lord Jesus Christ, have been appointed to be watchmen!

The Bible tells us that our silver and gold (money) will be worthless in that day and that it "will not be able to deliver you in the day of the wrath of the Lord."

You may say: "But I am a Christian. I accepted Jesus Christ as my Savior. I don't have to worry about those days because I'm going to be Raptured out of this world before it gets that bad!"

You poor fool! Have you ever examined your salvation experience? Did you merely go forward at some altar call and mumble some little prayer you were told to say and believe that saved you? The "born again" experience goes much deeper than that. Was there a change in your life when you became a Christian? or do you still run around with the same crowd, go to the same places, do the same things, and laugh at the same jokes? In 2 Corinthians 5:17 we are told: "If any man (person) be in Christ, he is a new creature: old things are passed away; behold all things become new."

As a Christian, are you disturbed when evil crops up in your life? Does God chastise you when you commit sin? We are told in no uncertain terms in Hebrews 12:8, that if this does not happen, we are on shaky terms with God. This verse says: "If ye are without chastisement ... then are ye bastards (illegitimate children) and not sons." That's pretty rough language, but don't get angry with me. It's not my idea!

You Israelite Christians who rest so smugly under the cloak of your Anglo-Saxon blood. How do you shape up here? Are you going to be safe in the day of God's wrath? or will God "do unto you according to your way, and according to your desserts?"

The false prophets standing behind our pulpits can scream until they are "blue in the face" about the love of God and how "everything now comes under the blood," when you accept Jesus, but that does not change the fact that you will one day stand before the Almighty Judge (2 Corinthians 5:10) to receive "the things done in your body, according to what you have done..." There will be no excuses in that day! In that day you will know that YAHWEH is God! There will be no excuses that you "didn't want to get involved." No excuses that people might have persecuted you if you had spoken up. No excuses that you might have lost your job.

The Christian people of America, especially those who are White, MUST render a decision as to whether we presented the truth to our fellow men and whether our objective in doing this was valid or not. For God Himself will pass final judgment in accordance with the verdict rendered by His people, whether it be a blessing or a cursing.

Those Christians who pretend, or allow themselves to be neutral, or who allow themselves to become so mentally lazy they will let the media do their thinking for them, - or some preacher, - will be forced to make their own decisions during the Great Tribulation - actually, most of them have already made their choice.

I have found from personal experience of training young men in three wars, and having fought beside them in two, that those who refuse discipline during training, can seldom be counted on in combat. The same is true of Christians. I am very skeptical of those Christians who long for the Rapture, when their Master said: "Occupy until I come!" There is no way you can "Occupy," when you are cowering in some comfortable air-conditioned spiritual foxhole praying for deliverance.

Maybe there are some of you who will read these words, and say: "I believe all the horrible things you have told us are true. But I don't have to worry, my preacher tells me that Jesus is coming back"
to rescue me from all that!" Tell that to some brother or sister who has suffered in Russia, I dare you!

What a height of irresponsible egotism has been reached by the average American Christian, when the Apostle Paul said in Romans 8:17 - "if we SUFFER with Him, we will be glorified together."

In the crucial days which lie ahead, which could spell the hope or downfall of Christian freedom, I challenge you, especially if you know you are Israelites to shake off the lethargy and free yourselves from the slave-chains of ignorance and anti-Christ propaganda.

We have millions of "second-class" citizens in America. I call hem this, because they are "second class" not because of an accident of birth or discrimination, but solely because of their own choosing. They are "second class' because they are too tired, or too busy, or too "goody-goody" to soil their hands with worldly things such as politics - the things which are necessary for their survival.

These are usually the whining people - the ones who cry the loudest as they criticize the government, but never take part as a citizen. They have only themselves to blame for the mess America is in. If they wake up some morning and find their freedom gone, they do not need to come to me for sympathy. At least I tried to stop the enemy. George Washington once said: "It the citizens of the United States should not completely be free and happy, the fault would be entirely their own."

What have you done in the past year other than to gripe about conditions? Have you allowed yourself to be influenced by Jewish fables, that Paul warned about in Titus 1:14? Have you believed the anti-Christ, rather than the Christ of the Bible? If we have an evil, apathetic government in Washington, it is because we the American people put them there and what is even worse, allowed them to stay after we knew they were dangerous. God has warned us that our leaders MUST come from our own people. We have no business putting aliens such as Henry Kissinger in positions of responsibility. A Christian nation needs Christian leaders and we can never expect a Jew or an atheist to vote for something worthwhile for a Christian nation.

The power we have to vote is a sovereign power. That which creates is always greater than the thing created. The power behind the ballot is greater than the result of the ballot. The greater power, therefore, rests where the greatest power is, that is to say, with the voters.

Together with God, decent Christians can still turn America around. Faith, vision and united action can still bring victory. I believe if one-fourth of those who call themselves Christian in the U.S. would fall in love with their Lord and try and do His will, we could turn this nation around in six months. But as the Apostle James said (2:17, 20) - "Faith without works is dead; being alone."

Unfortunately, because of the hardness of our hearts towards the truth, great truths must be expressed with severity and even bitter criticism. So what offends us and provokes the bitter criticism, is often exactly the medicine we need. I believe the criticism we face in 1985 is less the fault of any one political party or group, than they are consequences which automatically accrue from the greedy, selfish anti-Christ Babylonian system under which we now live.

The political psychology of America is in a vacuum. Like "Tweedle-dedee and Tweedle-Deedum" it is difficult to distinguish between the two major political parties, no matter how much difference there is in their rhetoric. About the only difference is that one is in and the other is out. Like George Wallace once said: "there ain't a dime's worth of difference between them."

The enemies of Christian Americanism have infiltrated and controlled both. It is the "power behind the throne" which control this country and for over fifty years we have had an alien government in charge of America, no matter which party was in power. It is always the "puppet masters" of Internationalism which pull the strings. There are many Congressmen, both Republican and Democrat, who have placed party far above loyalty to country. Today, many of these are "dualists" who give their first loyalty to International Zionism. This can be truthfully said about the President of the U.S., Ronald Regan. Anything the Zionists want, the Zionists get. These men have abrogated
their oath of office and according to a strict rendition of the Constitution, Article III, Section 3, are traitors to this country, because they have wittingly or unwittingly been giving "aid and comfort to the enemy."

Nothing has been more senseless than the Zionist policy of our State Department for the past forty-five years. This branch of government, according to government surveys, has been riddled with Communists since before the New Deal Era in the 1930's. It is no wonder that America's Foreign policy for over half a century has been against the best interests of America. The Bible tells us: "A man cannot serve two masters, how true this is. "Ye cannot serve Zionism and the United States."

As a former military man and a student of history I believe in a strong defense. The Bible tells us truthfully: "When a strong man armed keepeth his palace, his goods are in peace," (Luke 11:21). It has been proven over and over again, that if Communism is not met with sternness, it continues to gain momentum until the time comes when there can be no retreat and no compromise - then the aggressor, drunk with power and convinced that we are weakened beyond our power to resist - goes all out for our domination and enslavement.

In 1921, Lenin the half-Jewish leader of Russia stated the Communist policy whereby they would first take the masses of Europe and Asia, then Africa and finally surround the last bastion of freedom the U.S. By this time he said, we would be so weak and degenerate, "they will fall into our lap like overripe fruit." Ladies and gentlemen, we are at that point in 1985, no matter what the President or any politician tells you to the contrary.

Today, a "hidden hand" policy is being used to trap us into a position of weakness. Then at the time of their choosing, the Zionist-Communist enemy of White Christian civilization will strike.

Just as they prepared the way for our capitulation at Yalta, Potsdam and Pan'mun-jon, so the same enemy is scheming to destroy the unity of Christendom and allow the Soviets to build up an irresistible strength. They have been aided by the traitors in America, in our government, who since 1918, on at least 14 major occasions, when this enemy of mankind was on the verge of economic extinction, have used our tax dollars to put them on their feet again. If this does not come under the caption of "giving aid and comfort to the enemy," then I fail to understand the meaning of the English language.

There has been propaganda coming from the pulpits of America, that we can win the enemies of Christ by our love. It is as sensible as having a love affair with a rattlesnake. The Bible tells us that we should "love our enemies," but nowhere that I can find, does it say anything about "giving aid and comfort to the enemies of our God." The Psalmist David placed his finger on this problem in Psalm 139:21, when he stated: "Do not I hate them O Lord, that hate thee? and am not I grieved with those that rise up against Thee? I hate them with a perfect hatred, I count them mine enemies." This should he the fervent commitment of every "born again" child of God, no matter what the color of their skin.

If our clergymen had understood the Word of God, we would not now be headed towards Armageddon. It is not that they did not have the answer in their hands, for they have had the Bible all this time. But you cannot use the Bible as a means to prove your own theory and neglect what the Holy Spirit really teaches - too many of our pastors and Bible scholars have done just that. Those pastors who "stuck their neck out" and backed the Zionists in their rape of Palestine, will some day share in the fruits of their ungodly interference, as will every "brainwashed" Christian simpleton who follows their teachings.

When the country of the Israeli was set up in 1948, the United States and the Soviet Union were the first to extend their recognition. When this so-called Jewish State was organized with American aid, we legally showed our endorsement for the shameful treatment given to over 900,000 ARABS - Mohamhat n and Christian alike - who were illegally forced out of their homes by the incoming Jews. We have kept these enemies of God alive for almost forty years.
The half a billion Arab Moslems cannot understand why nations which call themselves Christian, such as Britain and America, acted as they did and one cannot blame them for this confusion.

The hideous and outrageous consequences of Zionist aggression is yet to be felt in the world. Christian clergymen who should know better, have elevated these false Jews to a position of supreme importance in the world, by giving them the title of God's Chosen. By doing this, they have abrogated their own position as God's people and have led America into a terrible predicament which could well lead to our loss of freedom to preach the Gospel. By no stretch of the most vivid imagination, can those people who today call themselves Jews, establish relationship with Abraham, Isaac and Jacob and the Biblical promises given to them.

The Kingdom of God does not come into being because you have planted some orange groves in a place called the Holy Land, or because you have driven a million, mostly defenseless Arabs into the desert. The Bible says that - "Righteousness exalteth a nation: but sin is a reproach to any people," and this rule holds true for even those who are called Jews. In their grab for Palestine, the Zionists first contacted the Sultan of Turkey who turned them down. Then they approached Kaiser Wilhelm of Germany, who also refused their demand. The Russian Czar would make no deal with them and this was one of the major reasons they hated Russia and the Russian people.

The JEWISH LIFE MAGAZINE, suggests that "this is the reason these nations went out of business." This is the same absurd line of reasoning taken by Baptist evangelist Jack Van Impe in his book ISRAEL'S FINAL itneCAUST!, where on p.56, he quotes allegedly from Frederick the Great, who was supposed to have said: "No nation which persecuted the Jews has ever prospered." Then Van Impe goes on to observe that Nebuchadnezzar, Herod, Titus, the Czars and Hitler all fell, because they were unkind to the Jews. (Using this kind of reasoning, Napoleon should have won the battle for Europe, because he did everything in his power to help the Jews, even building synagogues for them.)

Events since those early days of Zionist expansion have shown that Britain and the United States were seduced by the Zionists infiltrators and reading from Jewish sources, we get the idea that we should be grateful to the Jews for moving to Palestine and should give them everything they ask for. This we have done to the tune of over $28-billion.

There is no way in which Christian. Israel-America can attain to righteousness when we make a covenant with anti-Christ. The entire Jewish nation is in this category, according to 1 John 2:21, 22. Who are you going to believe, the Jews? your Judeo-Christian pastor? or the Word of God?

We will not attain to righteousness by taking the liberal track which says that one religion is as good as another and that you do not have to approach God through Jesus Christ in order to be saved. There is only one way to salvation for America, both physical and spiritual and that is the Christian way. This may seem very narrow minded to many and it is, but this does not alter the truth. Jesus said: "No man cometh unto the Father but by me," (John 14:6.) There is no way you can use any argument to get around this, over it or under it.

I refuse to divide my allegiance with the spider flag of the United Nations or the sickly pale blue flag of the anti-Christ Israelis.

I am proud to be an American and an Identity Christian. Some may call me selfish; some may believe me odd; others will no doubt use stronger terms of description and I have heard them all. But I choose, of my own free will to follow in the footsteps of my ancestors who came here from Austria in 1721. I believe that Israel-America must be first in my loyalties, preceded only by my loyalty to God and race.

Our American Way of Life can be preserved; our happiness, prosperity and safety can be re-established in honesty, justice and honor, if we as a nation seek God's face and return to obedience to His Law. But to attain this cherished goal, we must seek it first as individuals. We cannot be slack in our personal moral obligations and expect to be righteous in our national dealings.
The abundant life will never be achieved by trusting in ideologies, no matter how "high sounding" they may be. Morality cannot be thrust upon a people through law. It is a prize which must be diligently sought along the avenues of life and until America does this, we will never reach our potential for greatness. If we continue in our own willful, selfish way, we will continue the slide to oblivion which has destroyed great civilizations of the past.

The answer to a "world destroying Armageddon" does not lie in the hands of government, or even that of the Church. It can only come as individuals are willing to follow in the footsteps of Him we call the Christ.

The future of America, my friends, will not be determined by Republicans, Democrats, or Independents. It will not be determined by the United Nations or by our Supreme Courts. It will come when the people of America are willing to get their hearts right with God and do things His way!

CHAPTER XXXVI
WHO WROTE THOSE ORDERS?

During the Korean War (1950-53) we had five outstanding military leaders - Gen. Douglas MacArthur, Gen. George Stratemeyer, Gen. Mark Clark, Admiral Charles Jay and Gen. Van Fleet. The testimony given by these men of unimpeachable character and patriotism was not widely distributed to the American people. In fact it was suppressed. They were not permitted to win that war, just as a few years later, the same thing happened in Vietnam. There were some strange things which happened in America's first "no-win" war which you should know about.

The Korean War leaders (American) often received conflicting orders from the Pentagon, which resulted in our defeat and multiplied our casualties many times over. They were often ordered to withdraw, when they knew they should advance. They were ordered to retreat, when they should have attacked. They revealed that these mysterious orders, which they could never successfully identify as to origin, came out of Washington, D.C. They bore the proper signatures, but when they returned to the United States, they discovered that these orders had not been signed by the people whose names were attached.

This thing, which should have been a "super-scandal" was never properly investigated. Ask yourself why? Why is it that the men who are in our Congress in Washington, never pushed for an investigation of this treason?

There was a move underway at this time, to prevent the U.S. Senate from confirming as Asst. Secy. of State a Jewess named Anna Rosenberg. She came into the American Government from a background of Communist Front Organizations. Although she was designated as Asst. Secy. of State, many knowledgeable persons believed she was the one who ran the department. This was at the time when the arch traitor George Marshall was deliberately handing China over to the Communists and openly bragging about it. It was the heyday of John Stewart Service and Owen Lattimore and followed in the footsteps of Alger Hiss.

To this date, thirty years later, no Committee of Congress has had the guts to investigate this woman; no one has asked openly why a Communist was placed in this high position, or who was responsible for her getting there. Ask yourself why this happened, then go a logical step farther and remind yourself that the United States State Department has not changed for the better in the past thirty years. Then ask yourself why the Conservative, anti-communist (?) President Ronald Regan, has done absolutely nothing to unveil this sordid mystery in the more than four years he has been in the White House. Could there really be a conspiracy in operation in America?

CHAPTER XXXVII
INTERNATIONAL OUTLAWS

We Americans are naive to the point of "fatal stupidity." When President Regan got into office by claiming to be a conservative and told us that we must have a strong national defense, we cheered uproariously. When he mixes Christian clichés in his speeches the "American sheeple" say, "this man will lead America back to God."

But very few Americans realize, or want to know, that Ronald Reagan is the mouthpiece for as ruthless a gang of pirates, as any that ever joined with Laffitte, Morgan, Captain Kidd or Gasparilla. They have looted, raped, and murdered innocent people in recent years with the abandon of the old time buccaneers.

The global depredations of this Twentieth Century gang of buccaneers have been successful, because the Christian world has refused to recognize them for what they are and they are the more deadly, because they have the full protection of the media, which is supposed to bring the facts to the attention of our people. This has allowed these international bandits to hide behind a mask of anonymity and renders them immune to retribution.

They first emerged from the mists of antiquity, following a chart for world conquest that has given them the navies of the world to serve as their corsair fleets and the armies of their victims to carry out their operations, disguised as revolutions. The seizure of nation after nation in bloody revolution, has been written off as the uprising of oppressed people. But the loot has always gone into the same coffers and the oppressed people are more oppressed than ever before. The coffers which have been filled to overflowing are those of the Rothschilds, the Rockefellers, the Schiffs, the Warburgs, the Baruchs, the Morgans, the Kuhn-Loebs and others. They are stashed away in that International city the Bible describes as BABYLON THE GREAT, MOTHER OF HARLOTS.

Thrones have been toppled as these bandits swept over land and sea. Kings, queens, emperors, premiers and presidents have been forced into doing their will.

"Permit me to issue and control the money of a nation," wily old Jew Mayer Anslem Rothschild once said, "and I care not who makes her laws."

"We the Jews," declared Theodore Hertzl, the father of modern Zionism, "are a people - one people. When we sink we become the revolutionary proletariat, when we rise, there rises with us our terrible power of the purse."

Jesus said of these same people: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him ..." (John 8:44).

The Apostle Paul wrote to the Christians in Thessalonica about the Jews "... who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men," (1 Thessalonians 2:15).

These incorrigible aliens of the "synagogue of Satan," (Revelations 2:9) were old at their craft of banditry when the remnants of Judah came under their control during the Babylonian captivity. These were the "rotten figs" Jeremiah spoke of in (24:2, 8) "evil figs," which would become "a reproach, and a proverb, a taunt and a curse, in all the places whither I (God) shall drive them ..."

This promise certainly has come true!

But let the Hollywood Jew, Ben Hecht, the overrated Hollywood novelist and playwright, tell us about it in his own words. This comes from his autobiography A CHILD OF THE CENTURY. He says: "it was not too bright a ghost, and for many years, when I sought to put an identity to it, it wagged foolishly at a hundred spoors. But one day... I pinned it down and proved its name to my satisfaction at least."
Here Hecht goes on to elaborate on how this tribal ghost had sailed with the fleets of the raiders and had been present at the sacking of a hundred cities. Suddenly he realized who this swashbuckling ghost was, he said: "It was a Jew! Who else but a stateless Jew, first cartographer, first wanderer of the seas belonged more in the great company - an outcast soldier under an outcast flag... It stayed with me - to chuckle with glee one day in 1941 at a lunatic project to drive Britain and six Arab satellite countries from the Holy Land. A little to my surprise, I agreed and the old stateless, flag less ghost of a Jew in me rejoiced."

Hecht chuckled with glee, as he thought about the terrorists of the Irgun gang, which spawned an Israeli Prime Minister. He wrote inflammatory broadsides in America's newspapers to cheer on these thugs in their murder of innocent women and children. He gloated that day, when two British sergeants were slowly strangled to death by the Jewish terrorists and their bodies were booby trapped to murder others. He gloated when a Jew bomb killed scores of people at the King David Hotel and oh how he chuckled, that day at Dar Yassin, when Begin's gangsters wiped out a helpless Arab village and threw the bodies of women and children down a well.

In one chapter titled THE UNDERGROUND KICKS IN, he tells how under the personal guidance of the Jewish gangster Mickey Cohen he "addressed a thousand bookies, ex-prize fighters, gamblers, jockeys, touts and all sorts of lawless and semi-lawless characters; and their women folk." The gangster Cohen backed him to the hilt by saying:

"It's for the Jews, ready to knock hell out of all the bums in the world who don't like us." Man after man stood up amid the cheering and doubled their pledge to help the terrorists of the Irgun. Hecht's leering, swashbuckling ghost came into its own, when Hecht's play A FLAG IS BORN, netted over a million dollars which went into the coffers of the terrorists.

Hecht also hated Christians with an unreasoning hatred and one time said: "It was a marvelous thing that Jewish mob did when they crucified Jesus. But leave it up to the mob to mess things up. If I had been doing it, I would have had Him sent to Rome and fed Him to the lions. It would be difficult for Christians to make a Savior out of mincemeat."

That men like Hecht, and other Jews can so brazenly flout Title 18, Section 960 of the U.S. Criminal Code, shows how powerful they have become. This section calls for fines, imprisonment or both, for engaging from the United States in military or naval operations against "the territory or domain of any foreign prince or state or of any colony, district or people with whom the U.S. is at peace." When several white Americans did this recently and were planning to help overthrow a Communist country in Central America, they were apprehended and all given long prison sentences. Only Jews are immune.

At the beginning of this Century, the conspiracy was so advanced that Zionist spokesmen could boast: "Through the press we have gained the power to influence while remaining ourselves in the shade: thanks to the Press we have the goal in our hands... We must compel the governments of the goyim to take action in the direction favored by our widely conceived plan, already approaching the desired communication, by which we shall represent as public opinion, secretly promoted by us through the great power of the Press, which with a few exceptions that may be disregarded, is already entirely in our hands. In a word, to sum up our system of keeping the governments of the goyim in Europe in check, we shall show our strength to them by terrorist attempts and to all. If we allow the possibility of a general rising against us, we will respond with the guns of America, or China, or Japan." This threat was made before World War II.

It is a matter of historical record, underscored by Jewish statements and by piles of our own dead, that since 1900 they have used the guns of America, China, Japan, and the British Empire for their own brutal purpose of world conquest. Our people have concurred and have coined such phrases to justify our entry into the war, as this is a "war to end all wars," or this is a war "to make the world safe for democracy." The Psalmist understood these adversaries and their methods, when he said in Psalm 59:7 -"Their feet run to evil and they make haste to shed innocent blood; their thoughts are
thoughts of iniquity; wasting and destruction are in their paths. THE WAY OF PEACE THEY KNOW NOT: and there is no justice in their going." (Emphasis mine.)

It is these Zionist gangsters, as the Jewish press attests over and over again, who fan the flames of Communist Revolution. Today they are using America's tax dollars to aid our enemies in Iran against their neighbors in Iraq.

It was the International High Command of Judaism that created the menacing dragon of Red China, which our tax dollars are now going to support.

Over and over again, our government has welcomed Soviet farm delegations to tour America, to inspect our resources and to view our thinly populated open spaces; This is designed to whet the appetite of the Asiatic aliens who have poured into America at an alarming rate, after the Zionist stooges in Congress lowered the immigration bars.

All this hastens the day, when if events go according to the PROTOCOLS OF ZION (and they have been for eighty years), the most ruthless gang of cutthroats who ever invaded any nation, will sweep down on America and in full view of a cowed world, will reap the richest prize yet.

If all goes according to the PROTOCOLIC PLAN, we believe that God will step in and intervene. But how many of our people must suffer first, before we get right with Him?

God's Scriptural plan calls for a reversal of Jewish plans and a stunning defeat for the world rapists. It will take place when Babylon falls (Revelation 18). Then the false standards that made gold the basic medium of exchange will be utterly destroyed. The Epistle James could not have expressed it better than he did in James 5:1 - "Go too now, ye rich men, howl and weep ("Oy, oy oy") for the miseries which will come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasures together for the last days, Behold the hire of the laborers who have reaped down your fields, which is of you kept back by fraud, crieth and the cries of them that reap are entered into the ears of the Lord of Saboth. Ye have lived in pleasure on the earth, and been wanton ... behold, the Judge standeth at the door."

CHAPTER XXXVIII
CONCLUDING REMARKS

What is the answer to this ungodly conspiracy? Hoses 4:6 tells us that "My people are destroyed for lack of knowledge." Not lack of education, but lack of knowledge, there is a great deal of difference there.

This means that the message of this book MUST somehow or other get into the hands of our "brainwashed" people, especially White Christians. It must of necessity be spread by those of us who know the truth, who care, and who have the courage to spread it. It will not come through the church system.

Isaiah warns us that our task will not be easy for he says -"...this is a rebellious people, lying children, children that will not hear the word of the Lord; which say to the seers, see not! and to the prophets 'Prophecy not!', Prophesy not unto us right things (the truth), speak unto us smooth things, prophecy deceits."

This is what is happening in America in politics and the church. Somehow, this trend MUST be overcome.

The Word of our God plainly states that He will conquer in the end. My concern right now is how many of His people will perish before they wake up!

We are the watchmen on the walls and we can delegate our task to no other. God comes to His
Israel people today with this message - "I have no pleasure in the death of the wicked; but that the wicked turn from his way and live; turn ye, turn ye from your evil ways; for why will ye die, O house of Israel," (Isaiah 33:11).

This plea of Almighty God, is backed by His promise from 2 Chronicles 7:14 - "If my people, which are called by my name; will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will heal their land."

There is the promise - there is the alternative. What will you as an individual do to bring this condition about?

THE END
The Exclusiveness of Israel

Through the New Testament there are many topics and words that originate in the Old Testament. In the Old Testament there are words such as promises, know, elect, called, chosen, seed and variations of them which are generally agreed to refer only to the Israel nation. We have to ask if there is adequate reason to suggest a switch which switch might allow the equivalent Greek words to apply to some multi-racial church in the New Testament.

It can be seen that there is an overwhelming weight of evidence from simple direct statements against the traditional teachings. The traditional teachings do not arise from any weight of simple direct statements. To use words like deception and another Gospel cannot be done lightly. These are very serious considerations and if there is a weight of evidence, then the popular teachings must have cultish elements. The implications of this conclusion are vast and almost devastating to many Christians and churches. It has bearing on missionary activity as well. But, please note well, it is not said, or suggested, that all the non-Israel nations should not be made subject to the Law of God. Neither has it been said that they are condemned by God. When we come to God so loved the world as taught, traditionalists have to immediately get around every reference to the exclusiveness of Israel (in both Testaments), if they want to change the nation of Israel into some multi-racial church, or if they want to say there is both a national Israel and a Church consisting of non-Israelites. This is impossible to do from any pattern of consistent direct statements. We would have to get around it from the foundation of the Law, the Psalms and the Prophets, and this cannot be done.

God has told us that He will do nothing He does not reveal first to his servants the prophets of Israel. He will fulfill His Word to Israel. Some of what has already been written in this book will cause immediate (and common) reactions among Christians who think they know their Bible. This is why it has been necessary to lay a good foundation from both Testaments and to demonstrate the consistent direction and weight of evidence in that direction.

Now we can have a look at some of these common reactions. Only brief comments are made on these reactions, because they are all expanded at various places elsewhere in this book.

**REACTIONS TO AN EXCLUSIVE ISRAEL**

“... God was speaking to them, and not to us. Now God is speaking to everyone.”

This would be the thought of the majority of church-going people today, and is a thought that is wrongly encouraged. So should we go along with that reaction just because it sounds right? As soon as it is asked, “When in this Christian age did God’s speaking change from ‘them’ to ‘us’?”; there is no answer at all. If this question cannot be answered from Scripture, then it has no basis.

It would be profitable for anyone who would like to retain this particular thought and reaction, to look at the root word *grapho* which is used in the New Testament 194 times. It is used in the expression *it is written* and refers to the Old Testament Scriptures. It would be profitable too, to look at *written* in a concordance where it will be seen afresh that many times the basis of all doctrine is *it is written*. *It is written* means written in the Old Testament and so these quotes refer to Israel.

If the basis of a belief or doctrine appears to be in the New Testament alone, it must be suspect because it is not written in the Law, the Psalms and the Prophets. This is important because there are a number of such ideas which are generally accepted, but which do not have *it is written* as a basis. In fact it might be said that much of what is debated has no foundation at all in the Law, the Psalms and the Prophets. Some traditional teachings cannot present a clear pattern of simple direct statements from the Old Testament to support these views. They rely mainly on fabricated “types”, “shadows” and analogies. Man’s tradition therefore is not established *in the mouth of two or three witnesses* as is required by Scripture. Israel cannot be changed to mean non-Israel just by making such a statement without the right foundation.

If a New Testament book, written in the ‘Christian age’, [for example, James’ Epistle to the Twelve Tribes] was written and addressed to Israelites, then either the writer was wrong or there would need to have been something that happened since Pentecost in order for men to be able to say, God is now speaking to everyone [meaning every race].
"Yes, but Israel has now become the church, so all these things belong to the church".

This says that "Israel" and "The Church" no longer have any connection and that Israel has vanished. The church is supposed to consist of non-Israelites, the so-called "Gentiles". However, the Hebrew word goi, upon which the "gentiles" thought is based, is also used of Israel. So goi does not always equate with so-called non-Israel "gentiles". The whole subject is simplified when we accept what we find when we build upon the right foundation and have the Cornerstone.

Eph 2:20 And are built upon the foundation of the apostles and the prophets, ...

The Cornerstone, the prophets and the apostles all agree. Since "apostles" is put before "prophets", this Scripture is used to say that New Testament apostles have new prophecy and doctrine that was not contained or forecast within the Old Testament. Just to say something like that does not make it fact. In the books of Galatians and Romans in particular, modern teaching says that the Apostle Paul has made a turn around from what is recorded in Acts where he tells King Agrippa that he spoke nothing other than what was said in the law and the prophets! In Romans and Galatians he is now supposed to be writing to certain so-called Gentiles who are supposed to be non-Israelites. The internal statements show that each letter in the New Testament is written only to Israelites. This is discussed in more detail in a chapter titled That Unfortunate Word "Gentile".

Let us look again at the Apostle Paul's famous speech in Acts 13 which was made long after Jesus' death and resurrection. Here, right in the New Testament age, Israel is still a genetic term. There is still no sign of "The Church" as this is commonly perceived. Consider all the following highlighted words from Acts 13:17-42:

v17 The God of this people of Israel chose our fathers, ...

v23 Of this man's seed hath God, according to his promise, raised unto Israel a Saviour, Jesus.

v24 ... the baptism of repentance to all the people of Israel.

v26 Men and brethren, children of the stock of Abraham, ...

v32,3 ... how that the promise which was made unto the fathers, God hath fulfilled the same unto us their children, ...

v39 And by him all that believe are justified from all things, from which ye could not be justified by the law of Moses.

In the last verse we see the first “all” that people most like to generalise to include everyone on Earth. But the “ye”, and the context, nails it down to Israel alone as the ones to whom the Law of Moses was given. All the highlighted words in these verses give a very specific definition of who is being addressed in the New Testament; it is always to a genetic Israel! We can no longer say that these children of the fathers, (Abraham, Isaac and Jacob), come from other stock. These are the people who had been under the Law of Moses! In the above passage, Paul was addressing those whom he described as MEN OF ISRAEL, who feared God. The only way we could say that "The Church" has replaced Israel is to prove that the New Testament Church comes from within Israel via the mechanism of the New Testament; this is discussed later in this book.

"The Gentiles are now adopted into Israel, so the promises made to Israel are now made to everyone who believes in Jesus".

A short answer to this reaction is not possible because there are so many aspects to cover. These are covered as individual sections on "gentiles", "the church", "strangers" and "adoption", and the promises made to Abraham and his seed.

"The seed of Abraham has now become the seed of Jesus ... it is now a spiritual Seed".

The promises were made to Abraham's seed, but not to Jesus, who came to fulfil them. The promises were made to Abraham and his seed, which is named in Isaac [Gen 21:12]. The promises were therefore given to the Israel people as a whole. Now, as Jesus was born into Israel, He is regarded as the seed of Abraham and of David [Matt 1:1]. But
the promises were not specifically given to Jesus as the 'one seed' of Galatians 3:16. And, of course, Jesus had no 'seed'. If Jesus was that one seed, then everyone between Abraham and Jesus would be disinherited, including Isaac and Jacob. Israel then, could not have existed as the seed of Abraham through Isaac and Jacob, if Jesus were that seed. A more accurate translation of Gal 3:16 reads:

And to Abraham and the seed of him the promises were spoken. He says not, 'And to the seed of thee' as of many, but as of one. And to the seed of thee which is anointed.

Note: "seed" is used here and elsewhere as a collective noun.

REACTION FIVE

"It is said that the middle wall of partition between Jew and Gentile has been broken down so that all are now one in Jesus."

Here we have another hinge point of much of what is taught in the evangelical churches today. But, in the Law, the Psalms and the Prophets, the partition is found to be between The House of Israel and The House of Judah. It is not between Israelites and non-Israelites [see Isaiah 11:13 Ephraim shall not vex Judah any more]. In all of the New Testament Scriptures quoted above where the exclusiveness of Israel was shown, all the people addressed by Paul, the Apostle to the Gentiles, are clearly shown to be Israelites. All the books of the Bible provide the same evidence. It will be shown that the House of Israel had been “scattered” among the nations and that any pattern showing a gathering or the joining together of Israel with non-Israel races cannot be found in prophecy.

REACTION SIX

"The Jews are God's natural children, but the members of the Church are God's spiritual children”.

Two sets of parallel promises cannot be found in the Law, the Psalms and the Prophets. Neither are the promises made to Abraham's seed directed specifically to Jesus. The promises made to the fathers are always presented as being fulfilled in us their children. Israelites are the children of the promise. There is only one promise in this respect. There is not a second similar promise found for non-Israel races.

NOTE: The “children” still have to be redeemed individually from the curse of the broken Law. They are born at physical birth as heirs of salvation. This sixth reaction results from attempting to get around the problem of a national and racial Israel and retain tradition at the same time. The word Jew has to be made to equate with Israel and the word Gentile has to be made to equate with non-Israel. This is not the world of reality! Yet it has been drummed into most Christians, conditioning all their thinking, teaching and writing, on almost every subject.

REACTION SEVEN

"That seems to be true, but no one knows who is an Israelite today.”

May we quote 2 Timothy 2:19? Never-the-less the foundation of God standeth sure, having this seal, the Lord knoweth them that are his. There is a holy [separate] people which are staked, elect and precious, above all other people which have now obtained mercy. They are brethren from the womb and are anointed [christos]. They are born from above (that is, begotten from above). The Bible does give marks of identification that are clear and unmistakable, but this identity factor is outside the scope of this book.

REACTION EIGHT

"This is all very well, but now everything is spiritualised.”

It is unfortunate for such a belief that the Twelve Tribes of Israel keep appearing in the New Testament. In this present New Testament age they are not spiritualised away! To react this way is to say that Jesus and Paul are wrong. Paul said unto which promise our twelve tribes, instantly serving God day and night, hope to come - Acts 26:7. How can twelve individual tribes be spiritualised?
**REACTION NINE**

"The law has been fulfilled, therefore nothing in the law applies any more."

Jesus says in Matthew 5:17,18:

> Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

The Law has different aspects. In Romans 13:8-10 we have a discourse about fulfilling the Law which concludes with, therefore love is the fulfilling of the Law. This Scripture is sometimes quoted as proof that everything relating to the Law is finished, but verse 8 is about people, as individuals, fulfilling the Law by their actions. It is not about God fulfilling His covenants and promises. This is confirmed in Matthew 7:12 where Jesus is saying, therefore all things whatsoever ye would that men should do unto you, do ye also unto them, for this is the Law and the Prophets. Jesus has fulfilled what is written in the Law concerning Himself [Luke 24:44]. His sacrifice has fulfilled that part of the Law concerning sacrifices.

Possibly the short answer to the rest of the matter of fulfilling the Law is that heaven and earth has not yet passed away. When they are passed away, all will have been fulfilled. What has been written in the Law, The Psalms and The Prophets will come to pass. The promises to the seed of Abraham still stand and will yet come to pass!

**REACTION TEN**

"Everyone is now the same because all are one in Christ Jesus."

This epitomises the traditional teachings.

Gal 3:7  
Know ye therefore that they which be of faith, the same are the children of Abraham.

Gal 3:26  
For ye are all children of God by faith in Christ Jesus.

It sounds right at first glance, particularly when the pronouns are ignored. The ye are the people being addressed. That is why it is necessary to establish that the so-called Gentiles in the Epistles were Israelites. A later chapter is devoted to this subject. There is no pattern through The Law, The Psalms and The Prophets to support tradition. It is not there, so something must be wrong with the traditional teaching.

**REACTION ELEVEN**

"It makes no difference now because all nations are blessed in Abraham. All is now of Grace."

Some teachers actually do say this, believe it or not. Now, if this were true, it means that the Old Testament is invalid. It is like the Roman Catholic idea of saying that the Church is the authority rather than the Bible and yet quoting the Bible wrongly about Peter and the rock to support their view.

But to whom is God gracious if all is of grace? Is it every one of every race on Earth?

Exodus 33:19  
... and will be gracious to whom I will be gracious, and will shew mercy on whom I will shew mercy.

Rom 9:15-18  
For he saith to Moses, I will have mercy on whom I will have mercy, ... so then, it is not of him that willeth, nor of him that runneth, but of God that sheweth mercy ... therefore hath he mercy upon whom he will have mercy, and whom he will he hardeneth.

This question of the Grace of God is a subject in itself, but the over-riding principle is the Sovereignty of God. It is whom He will. To say glibly, all is of grace is to include everyone and to make a mockery of the Sovereignty of God. If redemption is for every man of every race, then the whole choice is man's choice and this is another gospel [2 Cor 11:6 and Gal 1:6].

In the New Testament, "grace" refers to the Divine influence upon the heart. We can find no reference to God writing the Law on their hearts other than to Israel, nor can we find a word of prophecy about a new heart being given to any other than Israel.
ARE THERE TWO OR THREE WITNESSES FOR "EXCLUSIVE ISRAEL"?

2 Cor 13:1 In the mouth of two or three witnesses shall every word be established.

First witness:

1. The Old Testament is contained in the Law, the Psalms and the Prophets.
2. The New Testament is contained in the Gospels, the Epistles and Revelations.

Second witness:

1. The Old Testament speaks redemption being for Israel ALONE.
2. The New Testament speaks of redemption being for Israel ALONE.

Third witness:

1. The Old Testament was made with Israel ALONE [Psalm 147:19,20 etc].
2. The New Testament is made with Israel ALONE [Hebrews 8:8].

Let us go on to look further into these issues and to meet the objections and the things that might appear to be at variance.

We will look at a chapter devoted to the world as found in Go into all the world, and follow this with a chapter on specific stumbling blocks placed in the way to comprehending the whole Bible witnesses concerning the exclusiveness of Israel.
CHAPTER 5: STUMBLING BLOCKS TO AN EXCLUSIVE ISRAEL

Earlier we looked at the general reactions which immediately spring to mind when the consistent pattern of Scripture about The Exclusiveness Of Israel is introduced to people. It is time now to look at the stumbling blocks that modern teaching puts in our way. It is appreciated that people's objections and concerns are very genuine and that such people are sincere. It is also recognized that it is difficult for people to "unlearn" what they have been taught for years. It is necessary to look at a selection of stumbling blocks which would represent most of those that are raised, so that they will not be hindering progress through the main part of this book.

1. IT IS CONTRARY TO THE NATURE OF GOD

This is a sincere feeling that many have, but it has its origin in an unbalanced view of the character of God. Where there is continual emphasis on the Love of God and almost total neglect of the Righteous Judgements of God, this is understandable. The wrong teaching about "all" and "every", together with the absence of teaching about the sovereignty of God, are the root cause of this feeling. In His nature, God is unchanging. That God should create vessels for different purposes is not readily acceptable to many people, but it is the clear teaching of Scripture. For example:

1. It is God who put the perpetual enmity between the seed of the serpent and the seed of the woman [Gen 3:15].
2. It was The Lord who put a mark upon Cain and his offspring [Gen 4:15].
3. It was God who saved Noah and his family because Noah was perfect in his generations [Gen 6:9].
5. God even placed different "last days" destinies on each of the 12 Twelve tribes of Israel [Gen 49 and Deut 33].
6. We find scriptural discrimination between "men" as enowish or adam, etc.
7. We find words for "men" that do not apply to women in both Hebrew and Greek (gyb and aner).
8. Jacob have I loved and Esau have I hated [Malachi 1:2,3 and Rom 9:13].
9. God chose Israel and said they should not be reckoned among the nations [Num 23:9] and the God of this people Israel chose our fathers [Acts 13:17].
10. And she shall bring forth a Son, and thou shalt call His name Jesus, for he shall save His people from their sins [Matt 1:21].
They were and are God's people before they are saved.

2. "OF EVERY KINDRED, TONGUE, PEOPLE AND NATION".

Rev 5:9,10 ... for thou hast slain, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation, and hast made us unto our God kings and priests: and we shall reign on earth...

Rev 7:9 I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and tongues, stood before the throne ...

NOTE: Attention is drawn to out of in the first verse and of in the second verse. Both are the same Greek preposition ek with the literal meaning showing it is not all the nations, peoples etc but a people taken 'out of' them and not 'of' them.

These two passages appear to stand out against what has been written so far. It looks conclusive as a statement to say that before the Throne of God will stand people from every race on earth. This appearance is used as a basis for the teaching about universal racial or national salvation. Because this does not fit with any foundation in the Law, the Psalms and the Prophets, these verses require closer examination. Firstly, we must look at what this verse is fulfilling. We must ask if there is any stream of prophecy confirming the popular multi-racial view. If there is none, we must go back to the original prophecies.

Exodus 19:5,6 ... ye shall be a peculiar treasure unto me above all people: for all the earth is mine, and ye shall be unto Me a kingdom of priests, and an holy nation. ...

NOTE: In the Hebrew all people is plural with the article giving the meaning all the peoples.

These verses are addressed only to Israel, as are a multitude of other Old Testament prophecies. This is also confirmed in the New Testament by the Apostle Peter regarding the same singular, peculiar people.

1 Peter 2:9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people.

Although there is reference to every tribe, tongue, people and nation, these are all national, not racial, terms. It must be remembered that Israel had twelve tribes which became scattered among nations and peoples. Their languages became those spoken by their captors and later those of the nations amongst whom they were dispersed or scattered. This is from whence the people of Israel were regathered. They were from among every tribe, tongue, people and nation, as was prophesied. It is repeated again that there is no prophecy about all races being in the Kingdom of Heaven or of any race being redeemed other than Israel. Others had no broken Law-covenant that required redemption. But Israel is redeemed out of [not of] every kindred, tongue and nation and people.

Quoting R.K. Phillips in Incontrovertible Facts Of The Bible, we find:

"This Holy Nation was to be the next step in the re-establishment of the Sovereignty of the Kingdom of God on the Earth. This Sovereignty of God denotes a sphere of God's rule and requires that:

1. It has a territory;
2. It has a people;
3. It has law;"
4. It has a King;
5. It has an economy;
6. It has an administration

All these things God was now about to give to the Children of Israel and as Sinai the people accepted God as their King, thus making them a holy nation. God has never rejected that Sovereignty over that throne or that nation.

If every race was included then this would all be meaningless. A number of commentaries refer to the redemption as that of the people who had once been redeemed from Egypt. The Exodus is the first place where there is mention of redemption [Exodus 15:13]. The redemption in Scripture is always that of Israel, and of Israel only. The issue of the redemption of Israel is stated before the Covenant of the Law.

Bullinger’s lexicon comments:

But now the People had been scattered among every kindred, and tongue, and people, and nation and therefore they must be redeemed from out of these the second time, like as it was to Israel in the day that he came up, out of the land of Egypt.

Isaiah 11:11 And it shall come to pass in that day that the Lord shall set his hand again the second time to recover the remnant of his people from Assyria, ... and from the islands of the sea.

The regathering is always of His People and not of other races. Contrary prophecy does not exist!
The scene of Rev 5:9 is in heaven as it is in Rev 7:9. Here there is a great multitude out of all nations, and kindreds, and peoples, and tongues. It does not say of all races; the word genus (races) is not used in this passage.

It may not be appreciated that Israel is spoken of as the families of Israel, the Tribes becoming nations.

2. “ALL THE ENDS OF THE EARTH”

Isaiah 45:22 Look unto me and be ye saved, all the ends of the earth.

The word translated as the earth is the Hebrew word erets which is mostly translated as “country” or “earth” in the sense of a localised area or that earth belonging to a people [for example, the land, or earth, of Israel]. In context, this whole chapter is about Israel and no other. It certainly is not used in the generalised sense as the universalists who try to prove the expression the ends of the earth means every race or place on Earth.

4. THE EXODUS

When Israel made the Exodus from Egypt, it is evident that some Egyptians, or some of mixed blood, came out with the Israelites. The claim has been made that these saw the miracles that God had done in the Land of Egypt, and so they joined themselves to Israel. These are then said to be a type of non-Israelite Gentiles joining the church. This mixed multitude was continually a problem within Israel. It should be remembered that these were not permitted to assemble with Israel, before God, because they were not Israelites. There are two expressions translated, The congregation of the Lord, namely the edah of Israel and the cabal of Israel, and this difference is important because they separate the mixed multitude travelling through the wilderness from the Israelites themselves.

5. “EVERYONE THAT THIRSTETH”

Isaiah 55:1 Ho, everyone that thirsteth, come ye to the waters ...

The context shows this is addressed to Israel alone. The sure mercies of David [v3] indicate the people of whom He is commander. The everyone [kole] of this verse is touched upon at the end of the previous chapter. Concordances do not convey the meaning of this word, but there is a parallel where the Greek equivalent is considered in the next objection.

6. CORNELIUS

This man is used by many as an example of a so-called “Gentile” non-Israelite being saved. The place of birth, or citizenship tells us nothing about race. But this man’s race can be determined by Scripture, even if he is not described as a “Jew” [or “Judean”]. In the AV of Acts 10:28, Cornelius is described as being of another nation but, the Greek text uses the word allophulos which is a compound of allos [another of the same kind], and phulos [a kindred tribe (phule)].

Cornelius was a devout man, we are told, and he feared [the] God, therefore he was one who could believe. According to Vine, devout means careful as to the presence and claims of God. So Cornelius knew the Old Testament claims of God upon Israel. We do not find devout being used of people other than Israelites. Also, he feared “God” [Acts 10:2] and he prayed to [the]God and was heard by [the]God. “God” here is ho theos, the term used to denote the one true God. So, Cornelius was not a Roman polytheist! He was an Israelite!
7. **Peter's Sheet Vision**

Universalists use the account of Peter's sheet vision to suggest that the unclean animals in the sheet represent peoples of all races, but the rest of the chapter shows otherwise. That they are called Gentiles by translators in verse 45 only confirms that the wrong meaning is put on this word *Gentile*. Historically, the House of Israel, which was scattered among the nations, was considered unclean and common by those practising the Jewish (Edomites, Tradition of the Elders) religion. In saying that it was unlawful, Peter knew that what he was doing was contrary to the Tradition of the Elders in Judea. As will be shown later, Peter was being shown that the ten Tribes of The House of Israel would be cleansed under the New Testament. The animals in the sheet represented the unclean and uncircumcised members of the House of Israel.

This vision in Acts 10 is also used to promote the idea that the prohibition against eating certain unclean meats is no longer valid. The symbol is taken literally! When Peter declares what God has shown him, God does not tell him that he should eat unclean meats, but that, *God has showed me that I should not call any man common or unclean*. The word *another in another nation* [v28] has already been covered in [6] above to show that this refers to people of the same kind. "Nation" here is *phulon* and not *ethnos* or *demos* which are often translated as "nation" and "people". The distinction is noted by Vine under "nation" and refers to allusion (another), and *phulon* (a tribe).

Acts 10:36 The Word which God sent unto the children of Israelipreaching (proclaiming) peace by Jesus Christ

This follows on to say that a start was made in the Holy Land and continued to the uncircumcised Grecians of the House of Israel [Acts 11:20]. This fulfilled the Word as being sent to Cornelius, as an Israelite. The *in every nation* of verse 35 is commonly and incorrectly given the general meaning of *every* as being every race, as explained in the previous chapter. Cornelius was one of those who feared and believed God. He had that spiritual capacity within him from his conception. These men had the capacity to believe God and so could accept the 'good news' and be reinstated as God's people. “All men” is thus all the men of dispersed Israel and all the men of the Judean nation who were of Israel.

Acts 10:43 To Him give all the prophets witness, that through his name whoever believeth in him shall receive remission of sins.

The prophets did not witness or prophesy of redemption and remission of sins for all races. Evidently it is thought that they should have, according to the common popular doctrine. The prophets were giving witness about Jesus and Israel [v43].

8. **The Ethiopian Eunuch**

Here we have a man who went to Jerusalem to worship, and was returning and reading the Scriptures in his chariot. It impossible for a pagan to be returning from an Israelite feast, let alone reading the Scriptures. Although he was of Ethiopia, this says nothing about his race or genes; it only tells us where he was living. If he had been a black man, he would not have been allowed near the temple as he would have been an alien. The Jews would have killed such a person immediately. We can see this when the Apostle Paul tried to take one who was suspected of not being an Israelite into the temple [Acts 8:21]. Would Phillip be sent to one who was not called by God and to one who “could not” receive the Word? The weight of this passage says the Ethiopian was an Israelite, even if his residence was in Ethiopia.

9. **The Widow of Sarepta**

Again, there is nothing conclusive to say the widow was not an Israelite in this passage [Luke 4:24-28]. The principle is no different to that given in Matthew 13:57 where Jesus did few mighty works in His home town. There are however two points that should be noted:

1. The widow woman obviously knew that Elijah was a man of God, and she knew about sin and therefore the Law which was given only to Israel [1 Kings 17:18].
2. Elijah was a prophet of Israel sent to Israel and he said to the woman, Thus saith the Lord God OF ISRAEL.

10. **"Go Into The Highways"**

Matt 22:9 Go ye therefore into the highways, and as many as ye shall find, bid to the marriage.

Again, the standard universalist doctrine teaches this Scripture wrongly in an endeavour to say everyone of every race is included in this call. There is a lot more in these verses than meets the eye. The servants were told to go to the cross-roads [doro] but instead they went to the ways [hodos]. Both words are translated as *cross-roads* in the KJV. At the cross-roads there is a separation place, but on the ways, or the path between two places there is no separation place. The consequence of going to the wrong place to invite people to the wedding was to bring in people who
were an un-separated mixture of two kinds. In verse 11 there is a *man not having on a wedding garment*. This suggests that one group does not have on the wedding garments and the consequence is that the evil or the bad guests are to be cast into outer darkness.

Where do the churches go today to preach? Do they go to the *hodos* or to the *dies*? Should we be going to the lost sheep of the House of Israel as Jesus commanded His disciples? Should it not be to Israel to whom the New Testament is made? The New Testament still pertains to those who had the Old Testament and direct statements to the contrary cannot be found in Scripture. [Please read Jeremiah 31:31-34 to review the limitation given].

II. **EVERYONE THAT ASKS RECEIVES**

*Luke 11:10*

For everyone that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

In the New Testament there are many like Scriptures that use the words *all* and *everyone, whosoever* etc. In the Greek the situation is similar to that already pointed out to be the case in the Hebrew. We could take the meanings of these words as either:

[a] All of everything or
[b] All of that part being spoken about.

We are not at liberty to choose which meaning suits us to prove a doctrinal position, but this is what most do. Usually it is done in ignorance or without thought because of the traditional teachings. We cannot mis-apply these words to suit ourselves. We can read the Scriptures from the viewpoint of generalisation or from differentiation, but both cannot be right at the same time. It is always necessary to take note to whom any passage is addressed. This defines the context of the passage. In this passage Jesus isolates those He is addressing. He says twice, *I say unto you* and uses the pronoun *ye*. He was talking to his disciples as Israelites.

We find that many of the stumbling blocks are based upon misunderstanding of *all, all men whosoever, every, everyone* and such words. Lexicons give much space in covering these words. In his coverage of "all" [Greek: pas] which is often translated in these various ways. Vine's Expository Dictionary says:

*Before proper names of countries, cities and nations, and before collective terms like Israel, it signifies either all or the whole, for example, Matt 2:3, Acts 2:36. Used with the article, it means the whole of one object. In the plural it signifies the totality of the persons or things referred to.*

This totality only refers to that part which is the subject of the context. Thus all men [of Israel] cannot mean all of every race in the world.

Thayer confirms this [under ref 3956]:

The words "world" and "all" are used in some seven or eight senses in Scripture, and it is very rarely the "all" means all persons, taken individually. The words are generally used to signify that Christ has redeemed some of all sorts—some Jews, some Gentiles, some rich, some poor, and has not restricted His redemption to either Jew or Gentile...

Thayer quoted the last sentence from one of Spurgeons's lectures and this book shows that view to be incorrect. However, the important point to note is that the "all" is recognised as not being a universal "all". Its precise restriction is the purpose of this book. From a note from Josephus [Wars 2:19.1] we read:

*Here we have an eminent example of that Jewish language, which Dr. Wall truly observes, we several times find used in the sacred writings; I mean where the words "all" or "whole multitude", etc., are used for much the greatest part only, but not so as to include every person, without exception;...*

In considering all similar objections listed, this must be taken into account.

12. **WHOSOEVER SHALL CONFESS ME**

*Luke 12:8*

And I say unto you, Whosoever shall confess me before men, him shall the Son of man also confess before the angels of God.

The "you" Jesus is addressing is not the multitudes, but the disciples only. The word "men" is one of many words translated as "men". There are differing kinds of "men" and different words for "men," in the original languages. Men may have differing origins and be of differing seeds and plantings. To deny this is to deny Jesus' words. To deny and to teach differently is to deny *Me before men*. These things are not being taught today because they do not fit in with the "all" of the *all the world* universal doctrine.

13. **THE WOMAN OF SAMARIA**

This passage in John 4:12 is easily satisfied in the words, *Art thou greater than our Father Jacob who gave us this well*. She was a descendant of Jacob and thus was an Israelite. How anyone can use her place of residence to say she was a non-Israelite is hard to comprehend. Samaria contained a mixture of races. In Acts 8:14 we can see that certain of the Samaritans *received the Word of God*. In the first verse we find evidence of the scattering abroad to Samaria. Philip proclaimed the Word in Samaria as did Peter and John. Their proclamation was concerned with the Kingdom of God.

14. **PENTECOST**

*Acts 2:21*

And it shall come to pass that whosoever shall call upon the name of the Lord shall be saved.

Here we have another *whosoever* and so we must determine to whom the *whosoever* relates. This whole chapter is exclusive to the people to whom the prophet Joel made his prophecy. This was made to Israel so how can any say it was made to others? If every prophecy is made to everyone then we have a grey mass and everything is likewise an
The Exclusiveness of Israel

obscure grey. Nothing is ever clear! What would be the point of prophets giving different messages to different people if all people were the same?
The whoever relates only to those to whom it is spoken. Peter makes this very clear in verse 36 Let ALL THE HOUSE OF ISRAEL, know that God … Who was he addressing? The whoever and “all” is exclusive to that group. The whoever and the all flesh does not allude to anyone other than genetic Israelites.

At Pentecost some scattered Israelites came to Jerusalem from different countries. This does not say that they were from different races. Would they have come to the feast if they had been pagans or if they were following other cultural beliefs? Such would not even be permitted to enter the temple [Acts 21:28]. Yet this is said to be so to try to prove the generalisation that people of all races came to the feast. The bulk of the House of Israel had become scattered among other nations and that of these were to be reached later. The gospel was to be proclaimed which began from Galilee [Acts 10:37] and was published through all Judea. Jesus sent His disciples away to the last sheep of the House of Israel and it is not unreasonable to suggest that some among those sought out attended the Feast of Pentecost. We read about Jews, Judeans “dwelling” (katoikeo) in Jerusalem [Acts 2:5] and of others “dwelling” in other countries [Acts 2:9] attending Pentecost. To infer that nationality and race are always the same thing is far from honest! And, of course, the notion about the “Church” being a “Gentile” Church of non-Israelites following Pentecost is nonsense simply because there were Jews there.

15. ALL MEN JUSTIFIED BY THE FREE GIFT

Rom 5:18 Therefore as by the offence of one, judgement came upon all men to condemnation, even so by the righteousness of one, the free gift came upon all men unto justification of life.

Our prime consideration in this verse is the latter part because we are establishing the identity of these all men. In all this book of Romans, the subject people are of the seed of Abraham according to the flesh [Rom 4:1] and so this book is not written to any others than Israelites. The subject people are indicated as we in this chapter and these people are identified as being Israelites. If there is any hesitation in acceptance of this statement, you should go back and read the sections on the exclusive nature of Israel in the book of Romans. In Romans 4:16 we read that the promise might be sure to all The Seed. It is not to all seeds on earth, but to that particular seed or sperma being addressed.

A similar situation occurs in Romans 7:6 That we being delivered from the Law. The pronoun we only refers to those to whom the Law had been given and we have given proof that the Law was given to Israel only. Because of this, the all men in this verse applies only to the seed of Abraham through Isaac and to nobody else.

16. “WHO WILL HAVE ALL MEN TO BE SAVED…”

1 Tim 2:4 Who will have all men to be saved, and to come unto the knowledge of the truth.

The notes on “all” and “every” in the last chapter, and within this chapter, apply here. That it does not mean a blanket every person on earth is obvious from the fact that all men are not saved. In the following verses there are the words who gave Himself a ransom for all … and these words show that the all concerns only those who needed to be ransomed, that is, those who were under the Law which is exclusively to Israel.

17. “SALVATION TO ALL MEN”

Titus 2:11 For the grace of God that bringeth salvation hath appeared to all men.

The all men in this passage is the same as that in the passage above. It is again limited by those to whom it is addressed, namely God’s elect [Titus 1:1], and in Titus 2:14 we can see that this again limits the scope of all men to those who were given the law … who gave himself for us, that he might redeem us from all iniquity …

18. “BUT THAT ALL SHOULD COME TO REPENTANCE…”

2 Peter 3:9 … But is longsuffering to us-ward, not willing that any [that is, any of us] should perish, but that all should come to repentance.

Here we do not have the word “men” mentioned, but in its place we have the indefinite pronoun its which denotes some or any person or object … any man … whomsoever, or certain men etc … see Strong G5100. Certain men are not all men in general.

Thayer [5100] It indicates that the thing with which it is connected belongs to a certain class, or resembles it. In this book Peter is writing to the one Holy Nation. He is writing to the strangers of his own blood. Peter again refers to Our Fathers indicating that the people to whom it was written were the children of the Fathers, and so the “any” is racially exclusive. All men on Earth do not have “The Fathers” Abraham, Isaac and Jacob as their progenitors. In this passage Peter is pointing out that God is long-suffering to “us-ward” and not to “them-ward”. Peter is writing to an Holy Nation. He is not writing to “The Church” as a multi-racial group.

19. THE KINGDOM NOW INCLUDES EVERYONE

Jesus spoke of The Kingdom. The disciples where told to go and proclaim The Kingdom and that the time was at hand. After His resurrection Jesus spoke to the Apostles about this Kingdom.

Acts 1:3 … being seen of them forty days, and speaking of the things pertaining to the Kingdom of God.

This appears to be the prime message of Jesus and He taught it right up to His ascension. But who is willing to teach this today? We hear much about the gospel of universal salvation, but this is not what Jesus taught. Try to find the gospel of universal salvation in the Law, the Psalms, and the Prophets. Then try to find it in the New Testament as the fulfilment of the Old Testament. “The Church” might seem to be an answer, but the fulfilment
still has to be in us their children [Acts 13:32,33]. If this is so, then The Church still has to be racial; the members still have to be the children of The Fathers.

The disciples asked Jesus before His ascension, Lord, wilt thou at this time restore the Kingdom TO ISRAEL? [Acts 1:6]. Look again at this. To whom is the Kingdom to be restored? Is there ever a suggestion that any but genetic Israel will be included in that Kingdom? The meaning of Israel includes ruling with God. If Israel was made up from all the nations, then who are the other nations over which Israel is to rule with God? Jesus used the word 'salvation' only twice, but 78% of the gospels are about the Kingdom.

Consider these expressions:

- The KING is the King of ISRAEL.
- The REDEEMER is the Redeemer of ISRAEL.
- The HOLY ONE is the Holy One of ISRAEL.
- The FATHER is the Father of ISRAEL ["My Son"].

Look in vain for these titles to apply to other Israel.

20. THE LORD'S PRAYER

When we pray as Jesus taught, OUR Father which art in heaven, hallowed be Thy Name, THY KINGDOM come, what are we saying?

- Is the pronoun our referring to all races or to Israel?
- Is God ever called the Father of races other than Israel?
- Is Thy Kingdom ever other than the Kingdom over which the King of Israel will reign?

A close examination will indicate that the particular "Father" referred to is Our Father, the One in The Heavens. It is not "their" father.

It is common to hear that The Israel of God means The Church. This statement is used as a basis for sermons about universal salvation. It is so easy to make a wrong statement and then use that statement as a foundation. But being based on a wrong foundation, this doctrine cannot stand. The Israel of God means the Israel of the Supreme Divinity. It says nothing about God being the God of all the races. This book of Galatians is written to them that were under the Law, that is to Israel. There will be those who say that there is now a spiritual Israel as well as a natural Israel, as a way of promoting universal salvation. So let us look at this.

22. THERE ARE TWO ISRAELS: ONE NATURAL, ONE SPIRITUAL

To say that there is a natural Israel and a spiritual Israel is the only way out of the dilemma some people have in trying to fit their doctrines and prophecy together. Their dilemma arises from the wrong basic traditional teaching that:

- [a] The Jews are National Israel, [or "Natural Israel" or "God's natural people"].
- [b] The Gentiles are The Church, [or "Spiritual Israel" or "God's heavenly people"].

In a later chapter we will labour to show that "The Jews" are not Israel and that "Gentiles" may be Israelites. Obviously there are two groups of peoples concerned. There is no denying this. This is why it is so important to determine exactly who the two groups are.

In the Old Testament there is no dispute about this. Israel separated into two Kingdoms which were basically:

- [a] The House of Israel [ten Tribes] ... known as Ephraim.
- [b] The House of Judah [two Tribes] ... known as Judah.

These two Houses had enmity between them, and according to prophecy, they retain this enmity until unity is restored under the New Testament which the two Houses receive nationally. The timing of the reunion is at the time of the regathering of both Houses of all Israel. Ephraim and Judah are unique identities, through Scripture from the time of the division of Israel into two Kingdoms, until the regathering of Israel as a whole.

Isaiah 11:12,13. ... and shall assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth. The envy also of Ephraim shall depart, and the adversaries of Judah shall be cut off: Ephraim shall not envy Judah, and Judah shall not vex Ephraim.

Here in the Old Testament we find two groups within all Israel which stay two national groups until the time given to once again become one group. They are still the two groups to whom the New Testament was given.

Heb 8:8,9 Behold the days come, saith the Lord, when I will make a new covenant with the house of Israel and with the house of Judah: not according to the covenant that I made with their fathers in the day when I took them by the hand to lead them out of the land of Egypt; ...

There is no record in Scripture of the New Testament being made with any other two groups. This verse says that they are the same race with which God was involved in the Exodus from Egypt. Again we have definition in the words their fathers. This gives a racial statement of meaning that cannot be spiritualised. The problem that then arises is, that if the covenant people were to be spiritualised into two different groups, one Israelite and the other non-Israelite, then one of the original two national groups would have to have vanished or the two combined. Despite the fact that this cannot be found in prophecy in the Old Testament, or in the New Testament as fulfilment of prophecy, the belief about Jews and non-Israel Gentiles is still taught as being truth. In order to accommodate all races, another doctrine had to be created and this is actively promoted.

This non-scriptural doctrine presupposes that non-Israel races need salvation from a broken law which they were not given to break in the first place. This cannot be found as a doctrine in either Testament.
NOTE: No statement about the final destiny of non-Israel races has been made or suggested in this book. The idea about all races needing redemption comes mainly from the misuse of all, whosoever etc in the New Testament. But there is no denial that the non-Israel nations should be made subject to the Law of Christ. Jesus will rule with a rod of iron, and the nations will bring their glory to the New Jerusalem, but we are told that the other nations will be outside that City.

The extra-scriptural doctrine about “Jews and Gentiles” arises from interpretations of the books of Romans and Galatians. But, the racial statements cannot be eliminated from these books, even if it is thought God should have given the covenants to every race on Earth. The expressions, The House of Israel, and The Twelve Tribes still exist through the New Testament.

In concluding his argument about the so-called “Jews and Gentiles”, the Apostle Paul says:

Rom 11:26 And so all Israel shall be saved; as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob.

There is no mention about any but all Israel being saved. None other than the seed of Jacob are included in being turned from ungodliness. Other races can never be part of all Israel or Jacob.

Rom 3:30 Seeing that it is one God, which shall justify the circumcision by faith, and uncircumcision through faith.

Those whom God would justify are shown to be:

[a] The circumcision ... The House of Judah.
[b] The uncircumcision ... The House of Israel.

The House of Israel had become dispersed among the nations and were known as the un-circumcision. They had become as strangers and aliens to the Judeans, but they were still Israelites by race. To the Judeans who had the temple worship, the House of Israel was unclean and was despised.

Rom 4:13 ...for the promise, that he should be the heir of the world, was not to Abraham, or to his seed, through the law, but through the righteousness of faith.

It is still to Abraham's seed that the promises were made. This includes all from Jacob to Jesus who believed God. All Israel was saved by Jesus but it is belief in God that saves the individual person within that seed. The popular doctrine says the seed is only a spiritual seed which can be made up from all races.

Rom 4:16 ...to the end the promise might be sure to all the seed; ...

Paul is not talking about other races. It is always to the one seed of Abraham through Isaac and Jacob. These are the children of promise. Prophetically the New Testament is made only with the two Houses, the House of Israel and the House of Judah. Hebrews 8:8 shows the promise of the New Testament concerns only these two Houses. This is the fulfilment of Jer 31:31. Paul sums up the two parties, and declares:

Rom 9:4 Who are Israelites; to whom pertaineth the adoption, ...

All the objections in the world are not going to change what pertains to Israel or to the Word of the Lord. This verse says Who ARE Israelites.

22. STRANGERS can become Israelites

It is claimed by many that the word strangers indicates other than Israelites. In the Book of Peter we find this Apostle to the circumcision writes to strangers scattered as also does James, in the first verse of his book. The Strangers scattered, contains the same word that is used in James, who addresses his book to the Twelve Tribes. Please look this up and make sure about this. So these strangers are still of the Twelve Tribes!

If any want to consider this matter further they can find that looking at the word pilgrim as used by Peter will help. This is exactly the same word that is translated as stranger in 1 Peter 1:1. The words, pilgrims and strangers, also appear in Hebrews 11:13 which clearly isolates them as being Hebrews [that is, Israel]. A later chapter titled Pilgrims, Strangers and Israel examines this in more detail.

This again is the language of the Old Testament where David says:

Psalm 39:12 ...for I am a stranger with thee, and a sojourner, as all my fathers were.

My fathers gives immediate racial identity. But, further to this, the Hebrew words used for stranger and sojourner are:

Ger meaning a stranger (an unknown person) of ones own blood, tribe, or race.

Toshav meaning only a pilgrim or a temporary resident, and one who has no rights OR KINSHIP in any way at all with the people of the land in which they have taken temporary residence.

In this Psalm, David is saying that he is a stranger away from his home with God and he has no kinship with any other race around him. Peter make this same distinction.

1 Peter 1:2 Elect according to the foreknowledge of God the Father ...

In Chapter 2 of this book we looked at this word “elect” and the elect nation, whom God is saying that He foreknew in the Old Testament.

Rom 11:2 God has not cast away his people which he foreknew.

1 Peter 2:10 Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy.

In Hosea and Peter, the not a people refers to the same people and hence cannot be non-Israelite “Gentiles”. Peter would have had trouble in convincing the Judeans that they had become not a people at some past time.
24. JESUS IS NOW THE KING
Remember how God said that David would never want for a descendant upon his throne until Jesus came to take this throne?

Jer 33:17 For thus saith the Lord; David shall never want for a man to sit upon the throne of the house of Israel.

At the time of Jesus, the throne of the Kingdom of Judah and Solomon's line had long gone from Judea. The throne must therefore be manifest somewhere else and within the ten tribes headed by Ephraim. The Epistles are in full accord with the Law, The Psalms and the Prophets. But they are not in accord with tradition! The people to whom Peter was writing had a King [1 Peter 2:13 and 1 Peter 2:17]. This again confirms that these people were not the Judeans, although they were Israelites. The people addressed had a king they were to honour. Peter tells us who they were racially. The indicators are given in the expressions an Holy [that is, set-apart] nation and a peculiar people as pointed out in the early chapters of this book.

25. "IN THEE SHALL ALL NATIONS BE BLESSED"
AND THE "FAMILIES OF THE EARTH" BEING BLESSED IN ABRAHAM

The major source of error in these blessing passages is what we mean by certain words. We have different words translated as earth and the ground, countries and the land, as also occurs with the words translated nations, families and kindreds. Although an extensive technical Hebrew language exposition is beyond the scope of this book, there are things that need to be pointed out. Originally Abraham was told to go from his father's house unto an eretz that God would show him. If eretz here is the whole Earth, then Abraham must have gone to another planet! Abraham was told all The Earth 'which thou seest,' I will give thee. He was told to arise and walk through the earth. Did he walk across the whole globe? So we have to ask if this 'earth' is the whole earth or the promised land. It is not all the 'eretz' of all the races on earth. Abraham was told to get himself out of his present earth and to go to THE earth. There are many references which give confirmation of the meaning. THE earth does not mean the whole globe, but rather that portion belonging to the particular area or person under consideration.

Contrary to popular presentation, we must note that in Genesis 12:3, the 'them' in I will bless them is plural, whereas the 'him' in I will curse him is singular. The Hebrew allows for two possible translations of be blessed, namely:
may be blessed in, or by, association with thee, and
may bless themselves [as the RV footnote says].

Some awkward questions could be posed here if it was to be taken that all nations had the meaning of "every race on earth":

1. If those who curse Abraham are cursed, how could those so cursed be part of all nations which were to be blessed?
2. Were the Egyptians blessed or cursed through Israel's presence during their captivity and also in the Exodus?
3. When the Children of Israel went into the Promised Land, they were told to exterminate all the Canaanite nations. Was not that an unusual way of blessing the Canaanites? After all, they were supposed to be part of all nations. Likewise Amalek was to be exterminated.
4. In Deut 23:6, God commanded Israel that they should not seek the peace or the prosperity of the Ammonites and the Moabites right up to the end of the age. Ezra 9:12 indicates similar treatment of the non-Israelites in the land. This is hardly a blessing on those nations, is it?
5. When The House of Judah was in captivity in Babylon, is there any evidence of Israel being a blessing to Babylon?
6. When the House of Israel was in captivity in Assyria, did this make the Assyrians blossom?
7. In prophecy why are all the forecasts concerning non-Israel nations always detailing them as being servants to Israel and for them to perish if they refuse this destiny? This is so right up to the end of the age.
8. The promise to Abraham was to "ALL" nations without any exceptions. "All" cannot include those who are cursed and those God says that He hates. Hence "all" means all the nations of Israel.

Throughout Scripture, Israel was to dwell alone and shall not be reckoned among the nations [Num 23:9]. Prophecy sustains this to the end.

Daniel 7:27 And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High, whose kingdom is an everlasting kingdom, and all dominions shall serve him.

Isaiah 60:12 For the nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted.

Zech 14:16,17 And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the Lord of hosts, and to keep the feast of tabernacles. And it shall be that whoso will not come up from all the families of the earth unto Jerusalem to worship the King, the Lord of hosts, even upon them shall be no rain.

Israel and Judah were scattered among all nations, but are these other nations to be blessed? Jeremiah does not agree.

Jer 30:11 ... though I make a full end of all nations whithersoever I have scattered thee, yet I will not make a full end of thee ...

Jeremiah repeats this in Jer 46:28, addressing this to Jacob.
In all these Scriptures we can see the unique place of Israel among the other nations. This continues after Jesus returns and Israel reigns with God over the other nations. Finally there will be no more death. What a blessing! The blessing is either given by this seed, or by the Act of God.

THE PROMISE AND "THY SEED" IN THE NEW TESTAMENT

Acts 3:25  
Ye are the children of the prophets, and of the covenant which God made with our fathers, saying unto Abraham, And in thy seed shall the kindreds of the earth be blessed.

Only Israelites are being addressed here! We can find references in Scripture to the families (plural) of Israel. "Kindreds" is patria which means kindred from one ancestor. The Hebrew mishpachah supports 'family' 288 times and it is used of the subdivisions of Israel. The Tribes became national identities but were of one racial group from one ancestor. Israel is still an exclusive race existing as families or nations. It is unto these Jesus was sent.

Acts 3:26  
Unto you first God, having raised up his Son Jesus, sent him to bless you, in turning every one of you from his iniquities.

In context, you still is the Israelites being addressed.

As we said, without continual recourse to the Old Testament origins, it is impossible to rightly interpret passages in the New Testament. Only by going back can we know what all nations means and only then find a doctrine that is 100% consistent. Galatians 3:8 can no longer be allowed as an "out" for those preaching universal racial salvation. When we take Scripture as originally written in the Hebrew and Greek, we find that conflicts disappear. We can understand that an exclusive Israel in the Old Testament remains an exclusive Israel in the New Testament. The promises are ever fulfilled in us their children and never in others. They are fulfilled in brethren of the same kin. The blessings of the Patriarchs [as given by Jacob in Genesis 48 and by Moses in Deut 33] for the last days still apply separately to each of that same group of peoples, who are being specified. These are the sons of Joseph, Ephraim and Manasseh. In Genesis 49 Jacob gives his prophecy about what will befall each individual Tribe of Israel, in the last days. These are limited, specific and definite. We cannot find prophecy for the application of the blessings given by the patriarchs as being applicable to all other races. This is why all nations is commonly taken wrongly today as meaning every race on earth. The statement of Romans 4:11, a father of all them that believe is only in the context of Israel. For the last days, Jacob gave his blessings to his children one by one [Genesis 49]. The blessings were to his seed only. They were not to other seeds. The New Testament is still made only with the House of Israel and the House of Judah [Heb 8:8]. The word children in Galatians 3:7 [the Children of Abraham] is huios which denotes kinship or physical offspring. [Note: This word is also used of animals, so it cannot refer to spiritual offspring in the way commonly taken!]

How can the Patriarchal blessings apply to all races? If they were all the same, what would be the point of separation? And, if they are for the "last days", why not accept this as a reality, rather than saying that some singular multi-racial church that has nothing to do with these Twelve Tribes is the recipient of these blessings?

As it has been pointed out, translators show what they believe in their translations. For instance, in Galatians 3:8 the words translated heathen and nations are identical. The translation as heathen gives an entirely different connotation to the verse. The nations whom God would justify by belief were not heathen, but were of Israel. The proof of this is that this is the fulfilment of the prophecy made by the Patriarchs. This is confirmed — by him are ye justified from all things from which ye could not be justified by the law of Moses … These justified people must have first been under the Law of Moses, so they could only be Israelites. Most of this book of Galatians is written relating Law and Grace to the one people. The whole argument might be summed up by questioning whether or not they were going to remain under the schoolmaster or whether they were going to believe God as Abraham did. What they were to believe was that Jesus had redeemed Israel and that Jesus was the Son of God.

Ultimately, that which is reserved for Israel, namely redemption, salvation, resurrection to eternal life, belongs only to Israel. It is their inheritance from Abraham, according to the promise made by God to the fathers of Israel.

CONCLUSION

We can see that the churches today have a major problem in doctrine. This is simply through wrong teaching that has arisen through failure to base doctrine upon the same basis used by Jesus and the Apostles. The basis must ever be the Law, the Psalms and the Prophets. The Law and the Word of God were given only to Israel among the nations. Because of the misuse of the word all, particularly within the New Testament, the presumption is made that the Law of Moses, together with the associated covenant with Israel, was given to every person of every race. In this way, all have sinned is taught forgetting the context statement whatsoever the Law saith, is said to them who are under the Law [Rom 3:19]. Look at this quotation which is one of many which shows "all" in the reverse situation.
Dent 28:10  And all the people of the earth shall see that thou art called by the name of the Lord, and they shall be afraid of thee.

Here all the people of the earth does not include Israel! This same situation exists more often the other way around with all being Israelites. There is yet one more important impediment preventing people accepting an exclusive Israel. It is addressed in the next chapter, That Unfortunate Word "Gentile". The unity of the Scriptures is made or broken upon this word Gentile and what that word actually means.
The Formula for Survival!

Evangelist, Author, Lecturer

Second Chronicles 15:12-"And they entered into a covenant to seek the Lord God of their fathers, with all their heart and soul."

In Hosea 4:6, we read these sobering words: "My people are destroyed for lack of knowledge. I also reject thee, seeing thou hast forgotten the law of thy God, I will also forget thy children." Notice this verse does not say we are "destroyed for lack of education," but from "lack of knowledge." There is a great difference. A former Prime Minister of Britain once said: "Education without God, turns men into clever devils." We seem to have our share of these in the United States.

Too often in this Christian age, we are confronted by leaders in our New Testament churches who say:

"We are living in the Age of Grace; all the old laws were done away with, when Christ died on Calvary; they do not apply to us." This of course, Is contrary to Biblical teaching. As a result of this unscriptural attitude, Christians by the millions have been led away into strange doctrines, such as that of the PreTribulation Rapture of the Saints. And as a result of these doctrines, the strength of the church has evaporated to the point where it is often non-existent. This has caused our Christian nation, once the envy of the world, to reach the stage where it can no more honestly be called Christian.

Recently, Dr. Jerry Falwell, leader of the Moral Majority, made a statement to the effect that they were working for a Christian America. He was instantly called on the carpet by the Zionist leader, Rabbi Tannenbaum. Under Jewish pressure, Falwell compromised, as he has always done where the Jews are concerned, and said that he wanted to see a "pluralistic society," in this country, where men could worship as they willed. Our Founding Fathers would have "turned over in their graves" at this statement, for they founded America to be a Christian nation.

Isn't it strange and sad to see one of our outstanding religious leaders as he caters to the worst enemies of Christ and is willing to compromise his Christian principles in order to be "bed partners" with them? The November 16, 1981 JERUSALEM POST, was jubilant over the fact that Falwell was a guest at a dinner given in honor of the Zionist terrorist Ze'ev Jabotinsky. This dinner was given when Menachem Begin was in New York to celebrate the 100th Anniversary of the founding of the terrorist Hagana organization.

Dr. Falwell received the Jabotinsky Centennial medal from Begin, a master terrorist himself. The late William Zukerman, who was editor of a Jewish Newsletter and a publisher of Non-Zionist books, authored an article "The Menace of Jewish Fascism," in which he called Jabotinsky "the Jewish Hitler." He commented that many of the Zionist actions are reminiscent of Hitler and said: "Fascism is too glaring a fact of Jewish life for denials."

Falwell claims to abhor the tactics of Hitler, while adopting a double standard in regard to the Zionist Jews. These have applied racist standards in their dealings with both Arabs and Christians in Palestine. According to the thinking of Falwell, it was wrong for Christian Germany to persecute the Jews (and they had adequate reasons to hate them), but it is' all right for the Jews in Palestine to use "storm trooper" tactics in their dealings with the Palestinians, since the Jew's are God's Chosen People and can do no wrong.

Recently, when a group of Arab Christian leaders came to America, they sought an audience with Dr. Falwell, so they could explain their side of the story. He refused to see them; according to well placed sources, on the advice of his Zionist advisors. How' could a Christian be more hypocritical?

What a change has taken place in America. Today, instead of having predominately Christian
leaders, we see the country under the control of men who hate God and who are often foreigners who have a decidedly un-Christian attitude. Because of this, America is tottering on the verge of collapse. What went wrong? Why have we declined from "being the head, to becoming the tail?" (Deuteronomy 28:33, 34). This Scripture says: "The stranger that is within thee shall get up above thee very high: and thou shalt come down very low. He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail." This is the curse God pronounces against those who refuse to follow His commandments.

Today in America, we often see election results decided by, the vote of alien minorities who have flocked into this country like a consuming plague of locusts, since our Immigration Laws have for all intents and purposes been destroyed.

America is a Bible-based land, no matter how hard the atheists try, and prove differently. It can only be compared to ancient Israel. We began as a "hodgepodge" of Western European nationalities, who were "allured" (This is a Biblical word meaning "enticed, or attracted.") to the New World. In Hosea 2:14, the Prophet wrote of our forefathers, when he said: "Therefore, behold I will allure her (Israel, not the Jews) and bring her into the wilderness." Our forefathers were "enticed" into the wilderness of North America, to the Promised Land, where they dreamed the American Dream, united and built this great country for the glory of God. In fulfillment of what history most assuredly proves a God-given dream, America grew to become the wealthiest, most powerful nation in the world's history.

But why? How could this be? Most modern day historians, philosophers, and Bible scholars.. those who search the pages of history, philosophy and Scripture, have failed to discover the secret of American unity in its diversity. They have failed to understand the driving force and spirit which made America great.

Today, as we are entering our Third Century as a nation: as we stand on the brink of national collapse; we see America's tremendous strength, failing at home and abroad. We see our churches filled with people who claim Christ as Savior, yet who have so little influence on our country, that year after year, crime, sin and moral corruption reaches new depths. It is time we back up and re-evaluate our national position in the light of God's Word.

If there are really 45-million "born again" Christians in America, as recent polls have declared, why is it that we do not have more influence on the affairs of America? Have we become the "salt which has lost its savor?" (It's ability to act as salt? This is the ability to hold back corruption.) For years, we have been told from the pulpits of our churches: "All that is really necessary in this life, is to get men and women saved. When they get right with God, they will automatically straighten things out." But it hasn't worked out that way.

Our great fundamental churches have concentrated on personal salvation and we have seen a great ingathering of souls, as these churches are crowded from Sunday to Sunday. But what has been happening out there in the world?

Conditions have become worse and worse! We are closer to "all-out" war now than at any time since 1945. We are in fact, living in the most dangerous period of American history. Crime is running rampant in our cities in spite of expenditures of billions of dollars to stop it. Disease is spreading, even though we spend billions each year on medical research. Unrest and violence stalk the land, as our minority people are being prepared by unscrupulous men, to become "cannon fodder," in a coming race war. America is like a man, sitting on an open keg of gun powder, smoking a cigar and knocking the ashes into the keg. All it will take is one live spark to hit the powder and we will experience the worst explosion this old world has ever seen.

Our problems with the vastly increased minority people have grown worse and worse, even though this generation has done more, and spent more money and effort on Civil Rights, than any other in the world's history. What went wrong?

In spite of every effort by the church, we seem to be fast approaching the time predicted by the
Apostle Paul in 2 Timothy 4:1, when he said: "This know, that in the last days perilous times will come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection; trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, high minded, lovers of pleasure more than lovers of God; having a form of Godliness, but denying the power thereof . . ."

We could stop right here and spend a hundred pages, pointing out the areas where this Scriptural prediction has come true. We could mention the professing Christians who are "lovers of their own selves," to the point where God takes second place in their lives. We could point to the youth rebellion which has effected millions of Christian homes and brought heart-ache and heart-break to millions. We could point our accusing finger at the plague of homosexuality, which is sweeping over America like a scourge and which is gaining respectability, even in the church.

We could spend hours, speaking about the treason which is so evident in high places; where government officials, who have taken an oath of loyalty to this country, with their hands on the Holy Bible, have been traitors according to the definition of our Constitution. (In Article III, Sec. 3, in words any Fifth Grader can understand, we read this definition: "Treason shall consist only in levying war against them (the U.S.), adhering to their enemies, giving them aid and comfort." This has been knowingly violated over again by the last seven Administrations in Washington.)

We could talk about the scourge of immorality, which has fastened its awful tentacles on this land, like some huge, malevolent octopus, as millions of professing Christians have become "lovers of pleasure, more than lovers of God." The evidence is all about us, as we see Christians flocking to Sunday ball games, to the beaches, and into the mountains to have a good time, rather than worship God.

Where are we headed? Are we going down the same road followed by the 21 civilizations which have preceded us and which have all left their bones to whiten on the sands of history? All these preceding civilizations were destroyed by internal moral and spiritual subversion, and succumbed, long before the barbarians poured over their walls, or battered down their gates.

Throughout history, America has possessed by an acute sense of divine election. We have fancied ourselves as a new; Israel; a people chosen for the awesome responsibility of serving as a light to other nations. We are merely fulfilling our Israelitish obligations. Certainly the people we know as Jews have never done this. This is why more Bibles have been printed, and more missionaries have been sent out from the Anglo-Saxon and related nations, than from any other source. There is an unspoken belief, based on the reality of the Scriptures, that America was providentially chosen for a special destiny. This belief which has been given up in this secular age.

A brochure published by the LAYMAN'S NATIONAL BIBLE COMMITTEE said: "The sermons of the Calvinist New Englander preachers likened their colonies to ancient Israel. They fused Locke's political covenant with the Biblical concept of a Covenant people. the people of Israel had groaned under the bondage and cried to God for help. God heard their cries. He remembered His covenant with Abraham. It was easy for the people of New England to identify with the ancient Biblical people of God. Indeed, their flight from the Old World to the New Land was comparable to the Exodus from Egypt and they felt they had entered a new land of Canaan."

I challenge you to read the Constitutions of every one of the original thirteen colonies. Notice how they mentioned the same major item. They were all formed for the glory of God and the furtherance of the Christian religion. They pledged themselves, and us their children, to God's service. They felt so strongly about this, that in many states, in order to hold a political office, you had to be not only a professing, but a practicing Christian. There were no atheists in government, who were hostile to Christianity. There was no Jewish led American Civil Liberties Union to take prayer and Bible reading out of the schools. There were no Jewish politicians who pushed to have nativity scenes removed from before the court house. No wonder God blessed us!

The religious writer for the Los Angeles Herald-Examiner, caught a vision of this when he wrote:
"In the image of the ancient Israelites who broke free from the bondage of Egypt, the early settlers saw their venture as a divine liberation from the yoke of the Old World; they believed that they were to shape their lives in the New World in accordance to God's Laws, since He had given it to them.

"They fled the oppressive 'pharaohs' of Europe, crossed the 'Red Sea' of the Atlantic, braved its furies and entered an unknown 'wilderness,' to build what they called a new 'Zion' on earth. That high calling resounds in the documents, speeches, and sermons of that period, becoming etched on the very consciousness of our people.

"But most consistently, the colonists saw their experience as a re-enactment of the ancient deliverance of the children of Israel from thralldom—it was a pilgrimage into the 'wilderness, towards the goal of a Promised Land.

"Because of this belief, the Bible was regarded as the handbook for directing individual, family, economic and governmental affairs. Even the Quaker William Penn, the most liberal of all the Colonial governors, said: 'Government seems to me a part of religion itself, a sacred thing in its institution and end.'"

Did our forefathers know something we do not? How could they write and sing a song such as the old favorite:

"Ye chosen seed of Israel's race,
Ye ransomed from the fall;
Hail Him who saves you by His grace,
And crown Him, Lord of all!"

What has happened to this militant Christian spirit? Why is it that today we hear such a furor over "separation of church and state?" Why are Christians told from their pulpits that they are not to become involved in politics? Must we sit back in our comfortable, air-conditioned spiritual foxholes and let the anti-Christ take over the country? This is not only stupid. it is also fatal!

The great British Philosopher, Edmund Burke, once said: "All that is necessary for evil to succeed, is for good men to do nothing." We could paraphrase this by saving: "All that is necessary for Satan to succeed in his attempt to take over America, is for Christians to do nothing."

You see, my Christian friend, we will not lose our freedom some morning at 3 A.M. when we answer the door. to find a man with a star on his cap and a tommy gun in his arms, who says: "Come with me to the concentration camp." That's not when we will lose it, We will lose it when good people see things happening in their local government, schools, and churches, which they know are wrong. When they sit back and twiddle their thumbs and say: "I'm only an individual you know and everyone knows you can't buck City Hall." When enough people feel this way; then we will lose America. In fact we will cart her away to the cemetery and bury her and over her grave we will erect a headstone with this epitaph: "American freedom died, because the Christian people in America didn't want to be bothered."

In 2 Corinthians 10:4. the Apostle Paul tells us about the weapons Christians have at their disposal for this battle: "For though we walk in the flesh, we do not war after the flesh; for the weapons of our warfare are not carnal (that means fleshy), but mighty through God, to the pulling down of strongholds." We either fear and trust God above all—or we will succumb to the fear of man.

In Psalm 111:10. we are told: "The fear of the Lord is the beginning of wisdom." Not the fear of man! Not the fear of being labeled an "extremist," or an "anti-semit." The fear of man is idolatry. Our people need to be brought into obedience to the will of God. When we obey God, He will give us whatever "counter-weapons" we need, which He guarantees will "pull down" the strongholds of wickedness.
Today America stands at the "jumping off point" in history. We desperately need a national reformation, a national revival, which will not only bring us back to God as individuals, but will return our country to following God's Law.

This revival is not coming through the church. If it comes, it will be like the revivals in ancient Israel, when the civil authorities got right with God.

One of these revivals is reported in 2 Chronicles 15. In verse 3 we learn "For a long season (time) Israel hath been without the true God, and without a teaching priest, and without the Law. But when they in their trouble did turn unto the Lord God of Israel, and sought Him, He was found of them."

I wonder if this isn't the major source of our trouble in America? Notice the results which came when Israel was without God's Law, verse 5: "And in those times, there was no peace to him that went out, nor to him that came in, but great vexation were upon all the inhabitants of the countries."

this is an almost perfect word picture of America today.

Where did all this trouble come from? Was it due to the liberal preaching from her pupils? No! Was it due to the apostasy of the National Council of Churches? Oh No! Was it to be blamed on the Jewish conspiracy? No again! The Bible says it came because God's people, had forgotten His Law!

As a Christian nation, we are obligated to keep God's Law. Our Founding Fathers came very close to meeting God's requirements when they formed the Constitution, for in many major respects, it parallels the Law system ordained of God.

Had our Founding Fathers followed this completely, none of the penalties for disobedience, which are "bugging us" today, would have happened. All the things Paul mentioned in 2 Timothy 3, could have been avoided: "blasphemy, disobedience of our children, unholiness, homosexuality, treason, lovers of pleasure more than lovers of God." All of these would have been handled under God's Law.

Since we partially obeyed and partially disobeyed, our history has been one of mixed blessings and cursings, since Divine Law, is the interpretation of God's will "done on earth, as it is in heaven."

Some of our lawmakers, economists and jurists have in seeking remedies for our national ills. taken their cues from the Jewish-Communist-Socialist ideology, which is the anti-thesis of God's Law. This action has resulted in more economic and social stress. For as we violate the Law, we increase the nation's sin. In I John 3:4, we learn that "Whatsoever committeth sin, transgresseth also the Law; for sin is a transgression of the Law."

According to the Bible, the penalties for transgression of God's Law are debt, poverty, crime, social unrest, youth rebellion, inflation, unemployment and all the other multitude of problems we face in the 1980's. If we persist in our rebellion, these could increase to famine, invasion by foreign forces, and eventual slavery. These are natural causes, when people transgress the Law.

The Bible indicates that these calamities are not brought about by our enemies. They are the rod of correction of God upon His people, used to bring us back to Him. In Hebrews 12:6, we read: "For whom the Lord loveth, He chastiseth, and scourgeth every son whom He receiveth."

Now I realize that many of you are going to disagree with me and say: "But the Law was done away with at Calvary. You are trying to legalize our religion." Nothing could be farther from the truth. In Matthew 5:17, Jesus speaking: "Think not that I am come to destroy the Law, or the prophets: I am not come to destroy, but to fulfill." In Matthew 22:37- 40, Jesus summed up all of God's Law in two basic commandments: "Thou shalt love the Lord thy God, with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it. Thou shalt love thy neighbor as thyself. On these two commandments hang ALL the law and prophets."

You who teach that the Law was done away at Calvary, need to read very carefully the words of our Lord in Matthew 5:19, where He stated that those who taught men to disregard God's Law, would be the least in the Kingdom.
In Romans 2:13, we have further confirmation of this, when Paul said: "Not the hearers of the law are just before God, but the doers of the law shall be justified." In other words, just because you are a "born again" Christian, this does not release you from keeping God's Law. Galatians 2:16 tells us: "know that a man is not justified by the works of the law, but by faith in Jesus Christ." You say: "That's more like it. That's what my pastor says!" But go on and read Paul's words in Titus 3:7 - "That being justified by His grace, we should be made heirs according to the hope of eternal life." What were the "works of the Law" mentioned in Galatians 2:16? They were the blood sacrifices, the burnt offerings, and the rituals performed by the Levitical priesthood, which were done away when Christ became our "once for all sacrifice" for sin. BUT THESE ARE NOT THE LAW!!!

Many of these rituals were man made. They had been handed down through tradition. These were the things Jesus criticized, when He berated the Pharisees in Matthew 15:3 - "Why do ye also transgress the commandments of God, by your traditions?" Verse 6 - "Ye have made the commandments of God of no-effect by your traditions." God speaking to Israel in Jeremiah 7:22, said: "For I spoke not unto your fathers, nor commanded them in the day that I brought them out of the land of Egypt concerning burnt offerings or sacrifices."

At that time, God's message to Israel was: "Obey My voice, walk in all the ways that I have commanded you." In Jeremiah 7:2 we see the result of this kind of living: "...that it may be well with you."

There are many examples of this in the Bible. In I Samuel 15:22, we see an incident which took place about 1079 B.C. King Saul disobeyed God and saved some of the spoils of war in his battle with the Amlekites, which God had told him to completely destroy. God spoke to the king through the Prophet Samuel: "Hath the Lord great delight in burnt offering and sacrifices, as in obeying the voice of the Lord? Behold to obey is better than sacrifice, and to hearken than the fat of rams. FOR REBELLION IS AS THE SIN OF WITCHCRAFT AND STUBBORNNESS IS AS INIQUITY AND IDOLATRY." (Emphasis added.)

In Hosea 6:6, written almost 200 years later, we read: "For I desire mercy, and not sacrifice: and the knowledge of God more than burnt offerings."

So please don't show your ignorance of God's Word by saying that Jesus did away with the Law for Christians and that as we are now living under grace, we don't have to keep the Law. For confirmation of this, let's turn to Galatians 2:17 - "But if, while we seek to be justified by Christ, we ourselves are also found sinners (this means transgressors of the Law - I John 3:4), is therefore Christ the minister of sin? God forbid!"

Paul teaches us that if we break the Law, because we are justified in Christ, then that makes Christ appear to be the minister of sin. Therefore when a man or woman, who claims to be a Christian, state that because they have been saved, they are free to transgress the Law, they are making our Lord to be a minister of sin. No wonder our Lord said in Matthew 7:21 - "Not every one that saith unto Me, Lord, Lord, shall enter into the kingdom of heaven; but lie that DOETH THE WILL OF MY FATHER WHICH IS IN HEAVEN." (Emphasis added.) This is further confirmed in I John 2:4 - "He that saith, I know him, and keepeth not His commandments, is a liar, and the truth is not in him." So a Christian, or a professing Christian, who does not keep God's Law, according to this Scripture is not a Christian. Every transgression of God's Law by a Christian, brings reproach to Christ.

There is no question that now men and women are not saved by keeping the Law. The Bible is very clear about this. Ephesians 2:5, states so that no one can possibly, misunderstand: "For by grace are ye saved, through faith: and this not of yourselves; it is a gift of God, not of works, lest any man should boast."

Let me explain it this way. If a man is in a Federal penitentiary under sentence of death and the President forgives (pardons) him, he is set free and can never again be called to account for that crime. He has been cleansed of guilt before the law, by the favor (grace) of the President. Does this
man now become immune from the Law? Of course not He cannot go out with impunity and break the law again. Even though he has been "saved by grace," the Law still stands and still applies to him and he will have to answer for any violation. The only difference, when we apply this to God's Law and grace is explained in 1 John 2:1, 2 - "... these things write unto you that ye sin (do not transgress the law) not. And if any man sin, we have an advocate (defense lawyer) with the Father; Jesus Christ the righteous: and He is the propitiation for our sins.

The only reason the Christian escapes the full penalty of the Law, is because the blood of Jesus Christ has been applied. But hold on! In 2 Corinthians 5:10. we learn that even if we are saved, "We must all stand before the judgment seat of Christ: that every one may RECEIVE OF THE THINGS DONE IN HIS BODY, according to that he hath done. WHETHER IT BE GOOD OR BAD." (Emphasis added.) So don't ever be naive enough that you will believe you are "free from the Law."

Does our faith in Christ make the Law void? The Apostle Paul says a resounding "NO!" In Romans 3:31 - "Do we make void the law through faith? God forbid yea we establish the Law." That word "void" in Greek is "katarego," which means: "to abolish; destroy; put away; make of none effect. Paul tells us very clearly that we do not abolish the Law through faith. we establish it'.

Most of Paul's sermons as recorded in Acts and the Epistles came from the Law and the prophets. In Acts 28:23. when he preached in Rome, he "expounded and testified the kingdom of God, persuading them concerning Jesus, (Notice very carefully now) both out of the law of Moses and out of the prophets. from morning to evening." That doesn't sound very much as though Paul believed the Law had been put away, now does it?

When Peter preached his mighty sermon on the Day of Pentecost, Acts 2, he preached from the "law and the prophets." Every great revival message recorded in the New Testament came from the same source, so why do you believe your pastor when he contradicts them and says "Christ did away with the Law?"

We have learned what the Apostle John thought about the Law in I John 3:4-"sin is the transgression of the Law." How do we know what sin is? Paul tells us in Romans 7:7- "... is the law sin? God forbid! Nay, I had not known sin, but for the law: for I had not known lust, except the law had said, 'Thou shalt not covet!'" (The word "lust" comes from the Greek word "epithumia," which means: "a longing for forbidden things." It goes far beyond the sexual connotation.)

In Romans 7:12, we learn that the Law and the Commandments are "holy, just, and good." In 1 Timothy 1:7, Paul warned against teachers who wanted to teach the law, but did not understand it. This seems to be one of the biggest problems with our pastors today. A majority of them do not understand it, or its purpose. With some of them it is deliberate, because it is unpleasant; with many, I believe it is through ignorance. So they excuse their lack of scholarship by saying: "Christ did away with the Law." How foolish and how fatal!

You may be inclined to say: "A mere human can't keep the Law." But doesn't Paul tell Christians in Philippians 4:13, "I can do ALL things through Christ which strengtheneth me?"

Maybe you will come back with: "What if I break the Law; what happens then?" Jesus answered that in John 8:11, when He spoke to the woman taken in adultery: "Go and sin no more!" You come back again and say: "How can this be? How' can He forgive me when I sin?" Well, the answer is simple and wonderful. Paul explains it in Romans 8:1."There is therefore now no condemnation to them which are in Christ Jesus, (Listen very carefully now) WHO WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT." (Emphasis added.)

Some may say: "Jesus freed me from the bondage of the Law," but the Apostle James contradicts this false thinking in James 1:25-"Whoso looketh into the PERFECT LAW OF LIBERTY, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed." (Emphasis added.)
The Apostle John in 1 John 2:3, 4, said: "and hereby we do know that we know Him, IF WE KEEP HIS COMMANDMENTS (or Law's). He that saith I know' Him, and keepeth not His commandments, is a liar, and the truth is not in Him." Pretty strong language. isn't it? But don't get mad at me; it's not my words. It says pretty clearly, that those who refuse to keep Christ's Laws and say they' love Him, are fakes!

You see my Christian-Israelite friend, we are living today under the New Commandment, or Covenant, if you will, the one Jeremiah spoke of in 31:33-"I (God) will put my laws in their inward parts and write it in their hearts; and I will be their God. and they shall be my people." (And by the way, this was not w'titten to the people we call Jews.)

In Hebrews 10:16, we learn: "This is the covenant that I will make with them after those days, saith the Lord. I will PUT MY LAWS INTO THEIR HEARTS, AND IN THEIR MINDS WILL I WRITE THEM; and their sins and iniquities will I remember no more." (Emphasis added.)

Paul explains in Galatians 3:24, how "The law was our schoolmaster, to bring us to Christ, that we might be justified by faith." We look at God's Law and immediately we see there is no way for us to keep it. We look at it more closely and see that "death is the penalty" for breaking the Law. (Romans 6:23) This should send us scurrying to look for a Savior, and when we look, we find only One, the Lord Jesus Christ, who has the power to save us from the results of sin. When we accept Him, He becomes our Advocate (defense lawyer) who pleads our case before God. The Righteous Judge, looking at us, does not see our sins, but the blood of His Son which "cleanses us from all sin."

When we stumble, as we all will, being human, He has provided a "safety valve" for us, which will bring us back into a proper relationship with Him. It is found in I John 1:9-"If we confess our sins, He is faithful and just to forgive us our sins, and cleanse us from all unrighteousness."

Why is God's Law so important to us in this period of "grace?" It is because it effects each one of us and through us the nation. In I John 5:2, the Apostle tells us: "B" this we know' that we love the children of God, when we love God and keep His commandments. For this is the love of God, that we WALK IN HIS COMMANDMENTS; and His commandments are not grievous." (Emphasis added.) Then in 2 John 6-"and this is love, that we WALK AFTER HIS COMMANDMENTS. This is the commandment that ye have heard from the beginning. ye shall walk in it." (Emphasis added.) Does this sound to you as though the Law had been abolished? Of course not!

John 14:15, Christ speaking, says: "If ye love me, keep my commandments." Does this refer to animal sacrifices? Of course not!

But why is it so important for America to keep God's Law'? As Christians, we are told in 1 John 3:22, that our prayers will be answered according to our obedience: "Whatesoever we ask, we receive of Him (and here's the reason); because we keep His commandments, those things which are pleasing in His sight."

In order for you to understand the Old Testament, you must read and study the Old. In one place in Paul's writings, in 90 verses, he quotes from the Old Testament 35 times. It is simply impossible for a Bible student to understand the teachings of Jesus and Paul, without referring back to Moses and the Old Testament Prophets.

In 1 Peter 2:22, we are told that Jesus was without sin-This was the reason He could become the perfect sacrifice for our sins. In 1 John 3:4, we are told that sin is the transgression, or breaking of the Law. In Deuteronomy 4:2, we are told that no one may add to, or take away from the Law. Therefore if Jesus did away with the Law, as some claim, He broke the law and became a sinner. This we know was impossible.

The Law was written for our protection against the wicked. According to it, the punishment for murder is death. The punishment for kidnapping is death. The punishment for homosexuality is death. Our judges and courts have no right to determine the penalty for a crime, when God has
Did you ever sit down and attempt to analyze America's pressing problems? The big ones which are in the process of destroying us? They were all brought about through disobedience to God's Laws. We look at God's Law concerning rape and say: "The death penalty is too harsh; we should try and rehabilitate the poor fellow." Then our judges and Parole Boards, turn these criminals loose to rape again, and probably murder the next time. Statistics show that over 90% of all "rape-murders" were committed by repeaters. You can see this in the daily evidence of crime in our newspapers.

We look at God's Law concerning the thief and see that he is required to replace from three to five times what he has stolen. If he can't pay, then he is put to work to pay the penalty (see Deuteronomist 17:12). A lot of "bleeding hearts," including Christians who should know better will say: "The poor fellow really isn't to blame. He's one of those poor, unfortunate fellow's society has been mean to. Put him in a good environment: give him another chance and he will change."

So what do we do? We spend billions of dollars each year, building bigger and better jails, with color TV's and conjugal visiting rights, and then the Parole Board turns the criminal loose to commit another crime and we never learn from our stupidity.

We look at modern defense and realize that most of those problems would be taken care of if we followed God's plans for the defense of the nation, as given in Deuteronomy 20. This plan tells who is to get military training, who is to receive deferments, and who is to fight. And there's not one word about women in the military forces.

Our national debt rises higher every year, in spite of frantic efforts to control it, yet we refuse to follow God's Law, which condemns Usury, the thing which is strangling America economically. We allow the International Bankers to come into our country like a horde of hungry, bloodsucking leeches (which they are), to rape this country of its wealth and natural resources, and we wonder why it's happening to us.

By now, you may be wanting to ask: "Well then, who is to blame? Is it the Communists? The Jews? The liberals? The minority people?" and my answer would have to be a resounding "No!" although all of these have a part in the destruction process. In the final analysis, America has gone down the drain, because the Christian people of this country, the white Israelite people, have refused to do what God requires of them. In the past, America was much more moral and Christian in her actions and God poured out His blessings on us. But in recent years, we have become "too big for our britches." We have tried to do things our way. As an example, we have allowed the terrible sin of homosexuality to become respectable, even though history adequately proves that this is a sign of national decay. Our pastors tell us: "They are people too, they have their rights: leave them alone and they won't bother us." So under this benevolent situation, this moral disease has spread like wildfire. We removed our immigration laws and have been flooded by millions of aliens, who have brought their heathen ideologies, and we wonder when our children are lured into the worship of some strange religion. This was the same sin which destroyed our fathers in Israel. We see these false religions spread by TV and they are allowed to spread their poison in our public buildings.

We produce over half of the world's goods and services, yet we owe the International Zionist bankers three times more than the value of our entire nation. Once you begin to practice usury, contrary to Biblical principles, there is no way you can get out of their poisonous web.

God has said: "Thou shalt not commit murder!" Yet we legally murder 3-million or more unborn infants each year, under the guise of human rights. Many of these aborted babies go into garbage cans. What's done with the garbage? It's often fed to pigs. This fulfills the prediction of Leviticus 26:27: "If ye will not for all this hearken unto me, but walk contrary unto me; then will I (God) walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins." (NOW LISTEN VERY CLOSELY TO THIS NEXT GRUESOME PREDICTION.) "And ye shall eat the flesh of your sons, and the flesh of your daughters ye shall eat." Think about this the next time you eat a slice of ham, or have a pork chop. Gross, indeed it is, but it is sadly true!
The wicked people who would like to destroy America know that the only solution to our problems lies in our obeying God's Laws. So they will do everything in their power to persuade us not to follow them. Let me give you one example: The bussing of children for the purpose of desegregation, or integration. Now you can parrot the liberal line if you so desire, which says: "God loves everyone; we are all brothers; God is Father to all, and besides I'm not a bigot." Being a bigot has nothing to do with this problem, for bussing is used to force "race mixing." It is the only reason for this practice. When a Christian school such as Bob Jones' University, in Greenville, S.C. comes along and says: "You can come to our school if you're black. But we do not allow interracial dating, because it's against God's Laws." The Federal Government comes along and backed by the Jewish led and controlled American Civil Liberties Union, they say: "If you don't allow more minority children in your school, you will lose your tax free status." This has nothing to do with "brotherly love," but is for the harassment of those who seek to follow God's Law.

It is all part of the program of the anti-Christ to destroy Christianity. The Social Planners of the One-World Government know that an integrated society is easier to control. They know from a study of history, that once a people begin to mongrelize, it is only a matter of time until they become weak. You may not want to accept this, but I didn't make it up. It's one of the immutable laws of God.

As America has broken her covenant with God, we have seen our Armed Forces humiliated on the battlefields of Vietnam and Korea, by countries smaller than most of our states. We have had our nose rubbed in the dirt by little Iran and we have knuckled down to a little Banana Republic call Panama. Why this humiliation? Because we have broken God's Law, and this is what He promised would follow. In Leviticus 26:19, we learn that the price of disobedience is: "I (God) will break the pride of your power . . .

It is possible that even the gasoline crisis is part of this malady, since we read in Leviticus 26:22-". . . your highways shall be desolate."

One of the more ticklish Laws is that of tithing and a lot of so-called Christian people get up on their "high horse" and screaming like wounded eagles say: "That was in the Old Testament. We don't tithe, we give God a love offering." Well bless your heart, honey, you can't give God a love offering, until you first pay what you owe, and that's a tithe, whether you want to accept it or not. In Malachi 3:9, God speaking to the Israelite people (not Jews by the way) said of them: "Ye are cursed with a curse: for ye have robbed me, even this whole nation." I'm not going to spend a lot of time showing you from the New Testament, that tithing has not been done away with. But I will say this. If you would honestly try tithing for six months, you would find that you cannot afford to use any other method. I know, because I have tested it for over fifteen years.

What have I been trying to tell you in this message? It is that God's Laws and commandments have not been changed, altered, or annulled, no matter what your pastor or anyone else says to the contrary. The entire body of National law remains in effect today. The only law which was put away was the "law of righteousness," (Romans 10:4). This was the Law which was added because of transgression until the "seed (Jesus Christ) should come, to whom the promise was made..." (Galatians 3:19). This law refers to the animal sacrifices and rituals, as I have already shown.

In the Christian, the Law should "come of age." We see the necessity of abidlesby it and realize it was written for our own good. We realize that obedience brings blessings, while disobedience brings only trouble.

So nowing this, we have the formula for survival of this country in our hands. We show how much we love the Lord, not by the wonderful prayers we pray; not by our attendance at every church service; not by the fine testimonies we give in church; not by' telling others what the Lord has done for us. (All these things are fine, but they' are not the final criteria for obedience.) We show our love for the Lord, by the measure of our obedience. Jesus said.. "If you love me, keep my commandments," (John 14:15, 23). In John 15:10-"If ye keep my commandments, ye shall abide in
my love; even as I have kept the Father's commandments, and abide in His love." 1 John 3:24-"He that keepeth His (Christ's) commandments dwelleth in Him, and He in him. And hereby we know that He abideth in us, by the Spirit which He hath given us." 1 John 5:3-"For this is the love of God, that we keep His commandments..."

When enough Christian people realize this and awaken to their responsibilities; when they realize they are the "true Israel" of God, then we will see a mighty effort by our people to get back into a proper relationship with our God. Then and only then will the revival come that will save America. Then and only then can God's marvelous machinery go into operation for us.

So my white Christian friends, the solution is up to you. You have the solution to America's problems in your hand, if you are bold enough to follow it. In 2 Chronicles 7:14, a promise was made to our ancestors, which has as much relevancy today. Many of you know it by memory: "If my people, which are called by my name (the only people who qualify here, are the nations of Christendom), will humble themselves, and pray, and seek my face, and TURN FROM THEIR WICKED WAYS, (this means a return to God's Laws, to doing things His way) then will I hear from heaven, and will forgive their sin, AND WILL HEAL THEIR LAND." (Emphasis added.)

You want to see America healed? What will you do about returning yourself, and telling others about it?

THE SOLUTION IS IN YOUR HANDS!!!

The End
The Great Conspiracy
Who's Stomping on Christian Civilization?

"There is a conspiracy of her prophets (leaders) in the midst thereof, like a roaring lion ravening the prey; they have devoured souls; they have taken the treasure and precious things; they have made her many widows in the midst thereof." - Isaiah 22:25

FOREWORD

In Psalm 2:2-4, we read these words: "Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together against the Lord, and against His Anointed, saying, "Let us break their band asunder, and cast away their cords from us, He that sitteth in the heavens shall laugh; the Lord shall have them in derision." - (Or contempt).

Off and on you will hear about the "Conspiratorial Theory of History." This is certainly in line with the words spoken by the Psalmist and they echo those spoken by President Franklin Delano Roosevelt when he said: "Nothing in politics happens by accident; it was all planned somewhere, in some smoke filled room."

But if you mention a conspiracy in 1988 - a conspiracy to control the world and make men and women slaves - the elite of the world; the sophisticated; the educated, laugh knowingly, tap their heads and declare you to be a "kook" of some kind.

Yet many Americans believe there was a conspiracy to kill President John Kennedy. They do not believe it was the work of one slightly demented man. Even when the Kerner Commission said one man did it, many intelligent Americans said: "Why then, did you seal your findings for decades? Who are you protecting?"

So when something unusual happens, which does not appear to be by accident, people have the right to ask: "Who did it? Why did they do it? Was there more than one of them? Who financed them? Who benefitted by the death of President Kennedy? Did the man who replaced him have any debts which he paid off?"

That a long range conspiracy against God and His Christian people is in progress we know without a shadow of a doubt, because the Bible tells us so. I read three verses that confirms this conspiracy in Psalm 2. In Isaiah 14, we read about a very powerful arch angel named Lucifer, who tried to arrange a conspiracy in heaven, to kick God off His throne and usurp the throne. It went so far that he seduced 1/3rd of the angelic hosts to join him in the conspiracy. This was part of the conspiracy. And, if we study the Bible carefully, we will see that this great conspiracy has been in operation since the day that God placed our forefather AU-DAUM in the Garden of Eden.

To identify a conspiracy, you must know who is being conspired against. The Bible tells us that this great conspiracy is against God and His people. Not the people we call Jews today, who are the ones our Savior mentioned in Rev. 2:9, when He spoke about: "Those who say they are Jews (JUDEANS) and are not; but are of the synagogue of Satan." I'm speaking about God's true Israel people, who we know are the Anglo-Saxon, Scandinavian, Germanic and related peoples of the earth, because they are the only ones who bear the Biblical fingerprints of Israel in these days.

What I will attempt to do in this message is look at the present phase of this conspiracy, the one
which is taking place in America right now.

The Great Conspiracy

Much of the information you are about to read was taken from a radio message given over thirty years ago, by a well-known Hollywood play write named Myron Fagan. In it he discussed the plot of a group of elite One-Worlders known as the Illuminati, to take over control of the world. This information is so important to our American people in these waning days of the Twentieth Century, that I have taken Fagan's information and brought it up-to-date, to show how it is on target in 1988. I pray that God will use this message to open the eyes of our Christian brethren who have been blinded by the propaganda of the enemy which seeks to destroy them. This information will explain, at least in part, why this wonderful country of ours is "coming apart at the seams."

This message is about a Great Conspiracy; in fact an ages old conspiracy to enslave all peoples of the world, under a one-world system controlled by a totalitarian dictatorship. Noah Webster's AMERICAN DICTIONARY OF THE ENGLISH LANGUAGE, 1823, defines conspiracy as:

"A combination of men for an evil purpose; an agreement between two or more persons, to commit some crime in concert particularly a combination to commit treason, or incite sedition or insurrection against the government of a state."

Because this conspiracy has been a Jewish plot from the very beginning, the media has been very careful to poke fun at anyone who believes in what they call "The Conspiratorial Theory of History." They will admit to many other conspiracies in the 6,000 years of written world history, but say they do not believe one is going on now. I am going to prove to you, beyond the shadow of any reasonable doubt, that there is such a conspiracy underway to enslave us and destroy Christian civilization everywhere.

This plot is generally unknown to the majority of our people and when one speaks about it, he is apt to be received with scorn, contempt, sometimes even hatred and violence. There is no doubt that I will be labeled as "anti-Semitic" for this message, since unfortunately, without any help from me, the majority of the conspirators have been and now are Jews. The reason this plot is not generally recognized is because the plotters have gained control of the media of the land. By this I mean the newspapers, magazines, radio, TV and Hollywood; anything which might promote their ideas. I will prove this to you as we proceed.

In recent decades, television and the movies have been in the forefront of this "brainwashing" process. These are almost totally controlled by International Jewish interests. This control has been so exaggerated and misused, that it has effected our political and religious leaders, as well as our major educators, to the point where they believe they have the right to tell the people what they want them to hear, rather than what is true.

Our National leaders seem to feel that they have received this power from their positions in government, although our Constitutional Republic was set up to be the "servant of the people, rather than its master." Today our leaders, while ostensibly in power, are controlled by shadow figures who lurk in the background, pulling the strings of government, no matter what political party is in power. This is why we see little change in economics or foreign policy, when there is a change of administration. To be quite frank, we have not had an American Government in Washington for over fifty years. We have been led by the alien figures of the International Jewish bankers, who control our economy and thus the country.

The idea of these ruling elite, is to so change the thinking of good, patriotic Americans, so that we can be peacefully merged with the nations of the Third-world and the Communist states.

During the Korean War, 1950-53, when our armed forces came under United Nations control for the first time, we saw our boys murdered by the tens of thousands in a war our leaders never intended to win, while our national wealth went into the pockets of the International gangsters who were responsible for it. This was all part and parcel of the plan to weaken and divide America. We saw its
horrible aftermath in Vietnam. Both of these "no win" wars were part of the world-wide conspiracy which has already destroyed Rhodesia, much of Africa and is now attempting to destroy South Africa, South Korea, Nationalist China, and Central America. In every instance, although Americans have been brainwashed into believing our government was anti-Communist, it was our tax dollars and aid, which kept this enemy of mankind alive and well.

It is vitally important for you mothers and fathers whose sons died in Korea and Vietnam, to know the truth about this betrayal. When you visit your disabled son in some veteran's hospital, remember that it was the treason of the men we elected to office, that caused him to be so disfigured. He did not fight a war for the protection of this country. Remember also, that many of these same traitors are still in Washington, getting fat off the labors of the American taxpayer.

But more important still, is for us to understand, that standing behind the traitors in government, is a comparatively small group of men, whose sole purpose in life is the enslavement of the world and to enrich those who proclaim themselves as the only ones capable of ruling this complex world.

In order for you to obtain a clearer view of this satanic plot, it will be necessary for me to go back to Europe, to its modern beginning. I say "modern," because the underlying plot was hatched centuries ago, long before the time of Christ, in the dusty corridors of Babylon.

I am going to tell you about the man that resurrected this ancient plot in 1776 and who was the architect of the modern conspiracy that we erroneously call Communism. Then I will bring you down to the present time and show you how the conspiracy is still in operation. To many of you, this will seem unbelievable. I can assure you that the facts are down in black and white, for anyone who takes the time and effort to look for them.

In order for you to clearly understand what I am speaking about, it will be necessary for me define a modern term which is much misused these days. What do we mean when we say: "He is a liberal?"

**WEBSTER'S DICTIONARY, 1823,** defines liberal as:

1 - of a free heart; munificent; bountiful; generous; a liberal donor.

2 - generous, as a 'liberal donation';

3 - not selfish, narrow or contracted; embracing interests other than one's own;

4 - embracing literature and sciences generally, as a liberal education;

5 - open; candid, as liberal communication of thoughts;

6 - large; profuse, as a liberal discharge of matter;

7 - free;

8 - not mean, low in birth or mind;

9 - licentious; free to excess."

So you see, this commonly used word covers a large range of thoughts. But the world conspirators seized on this word and used it as a pivot on which to build their activities. In itself, it sounds innocent and humanitarian. But we must use exceeding care, for today the term "liberal" is often used to describe someone or their activities, who are actually subversive in nature. Most of the agents of the world conspiracy, come from the ranks of those who consider themselves to be
"liberal."

The satanic plot to control all of mankind was launched in the 1760's under the name of the **ILLUMINATI**. This subversive organization was organized by a Jew named Adam Weishaupt, who had been converted to Catholicism became a Jesuit priest and then became an agent for the Jewish house of Rothschild.

Naturally it was the Rothschild wealth that financed this venture. They have also planned and financed every major war and revolution beginning with the French Revolution. They worked under various guises and names, but it was for the same purpose and backed by the same men.

I use the word "guises," because when the Illuminati became too notorious, the Rothschild's and other International Jewish bankers began to operate under different names. In the United States, immediately following World War I, the conspirators set up an organization which today goes under the name of the **COUNCIL ON FOREIGN RELATIONS (CFR)**. It is actually the modern branch of the Illuminati, furthering Illuminati goals in the Twentieth Century. It's hierarchy, the Master-Minds in control of the C. F.R. are in a very real sense the descendants of the original Illuminati conspiracy.

To conceal this fact, most of them have changed their original Jewish names to American sounding names. For example, the family name of Clarence Dillon, once Secretary of the Treasury and very high on the totem pole of the conspiracy, was **LAPOUSKI**. There are many others and I will mention some of them by name as we proceed.

In England, we find an establishment similar to the C.F.R. which goes under the name of the British Institute of International Affairs. For all intents and purposes it is for the same purpose as the C.F.R. There are similar secret organizations in every major country, including the Communist nations, all operating under different names, but all tied to the central conspiracy.

While they operate under different names, all these international organizations, including the C.F.R. continuously set up subsidiaries - front organizations, if you will - which are in-filtered into every phase of national affairs.

At all times, these operations are controlled by the international bankers, who are in turn controlled by the House of Rothschild. The means by which they set up these various organizations are too numerous to mention in this message.

It might be well for us at this point to go back to the original purpose of the founders of the Illuminati. One branch of the Rothschild family financed Napoleon during the Napoleonic Wars, while the other branch financed Britain, France and Germany and others opposed to Napoleon's internationalist aims. Immediately following the Napoleonic Wars, the Illuminati assumed that all the nations of Europe, who had been involved, were so destitute and worn out from the long fighting, so heavily in debt, that they would do anything and grab at any solution which would lead them out of their dilemma.

So the Rothschild stooges set up what they called the **CONGRESS OF VIENNA**, and at that meeting tried to create the first League of Nations. This was their first open attempt at a one-world government and was attempted on the theory that since all the crowned heads of Europe were so deeply indebted to them - the International Jewish bankers, they would either willingly, or unwillingly serve as their prostitutes.

Unfortunately for them, the Czar of Russia saw through their scheme and completely torpedoed it. This so enraged Nathan Rothschild, then head of the family, that he vowed that some day, either he or one of his descendant would wipe out the entire family of ly of the Czar. His descendants finally accomplished this in 1917, when the Czar and his entire family were brutally murdered by Jewish assassins. (So much for enduring hatred.)

Keep in mind that the Illuminati was not set up as a "short range" operation. Normal conspiracies
are set up on the basis of achieving their aims during the lifetime of the conspirators. But that of the
Illuminati, which went back to 500 B.C., was based on the infinite patience of men who meant to be
successful, no matter how many ages it took to accomplish their purpose. Strangely enough, this is
the same thinking that permeates world Zionism. The reason being, they are one and the same
conspiracy.

As a result of this thinking, the descendants of the Illuminati are dedicated to keeping the plot in
operation, until one day they believe they will be successful and in the words of the Jewish Talmud,
"every Jew will have 2,000 goyim slaves." The Chief Rabbi in France, in 1859, a Rabbi Reichorn
stated this when he said: "Wars are the Jews harvest for with them we wipe out the Christians and
get control of their gold. We have already killed 100 million of them, and the end is not yet." This
was before the Civil War and the two great World Wars. Many other Jewish writers confirm this
Jewish thinking.

Goldwin Smith, Jewish Professor of Modern History at Oxford University, was quoted in October,
1981 as saying: "We Jews regard our race as superior to all humanity, and look forward, not to its
ultimate union with other races but to its triumph over them."

On p.155 of his book, YOU GENTILES, Jewish author Maurice Samuels writes: "We Jews, we are
the destroyers and will remain the destroyers. Nothing you can do will meet our demands and
needs. We will forever destroy because we want a world of our own." (Or under their control).

On Feb. 17,1950, the Jewish banker Paul Warburg, testifying before the U.S. Senate,
contemptuously stated: "We will have a world government whether you like it or not. The only
question is whether that government will be achieved by conquest or consent."

That this idea is still in existence can be seen from this letter which was recently sent to an Identity
pastor by a Jew from Spokane, Washington. He wrote: "Your people are so paranoid, it is obvious
we can no longer permit you to exist. We cannot allow you to spread your filthy, immoral, Christian
beliefs to the rest of the world. Naturally, you oppose World Government, unless it is under your
Fascist-Christian control. Who are you to proclaim that your Christian-American way is the best? It
is obvious you have never been exposed to the communist system.

"When nationalism is finally smashed in America, I will personally be there to fire-bomb your
church, burn your Bibles, confiscate your firearms and take your children away. We will send them
to Eastern Bloc schools and re-educate them to become the future leaders of One-World
Government, and to run our Socialist Republic of America. We're taking over the world and there is
nothing you can do to stop us," (UNQ.) This from one of those people who is constantly screaming
that Christians spread "hatred and anti-Semitism."

This, my Christian friends, is the spirit of Zionist-Communism, which has been promulgated by the
Illuminati plot.

Going back to the beginning of the modern plot, we find the Jew Weishaupt who was trained in
Canon Law by the Jesuits at Englestadt University and which was the basis of his Luciferean
theories. It was in 1770, that the Rothschild's set out to revise this "age old" plan of Jewish
conquest.

This plot was designed to give "the synagogue of Satan," so designated by Jesus Christ in
Revelation 2:9, 3:9, complete control of the world and impose its Luciferean philosophy on the
entire human race who were fortunate enough to survive the social cataclysm they would bring to
pass.

Weishaupt completed his plans on May 1,1776. (Now you know why May Day is so important in
communist countries.) It was on this day that the Illuminati was officially organized and put their
plan for world control into operation.

This diabolical plan called for the destruction of all known forms of government and religions, with
their special target, Christianity.
This plan was to become successful, as the masses of mankind, whom Weishaupt called "Goyim," (a Yiddish word which literally means "non-Jew animal") were to be divided into opposing camps on social, political, economic and religious issues.

These are the exact situations which are tearing America apart in 1988. The opposing sides were to be armed and incidents created, which would lead to violent confrontations. One of the best examples I can think of is the present trouble in Northern Ireland. It has been pictured by the media as mainly a Protestant vs. Catholic problem, but it is not. It is a deliberate attempt, by the conspirators, to set one religious group against another, with the purpose of ultimately weakening them, and the United Kingdom, to where they can be absolutely controlled.

This was the essence of the preaching of the Civil Rights leader Dr. Martin Luther King, Jr., a few years ago, when he led his people and white liberals in so-called "peaceful" Civil Rights demonstrations. His theory was, and often verbally expressed by him, that when Blacks marched peacefully in an all white area, it would cause confrontation with some whites who would be radical and thus ensure government intervention and bring about Civil Right laws which would benefit the Blacks. He was right. His masters knew exactly what would happen. Unfortunately, too often the Neo-Nazi types, and the KKK played right into his hands.

We saw this plan come into operation again during the Vietnam War, when war protestors, paid for by the conspiracy, fought with police and caused all sorts of civil disturbances. The plan then, as now, was to so weaken and divide America, that they would eventually destroy the Republic. They have been so successful, that within the lifetime of many of us, we have seen the United States go from a Constitutional Republic, into a Socialist Democracy, and now we are standing very close to a totalitarian Communist dictatorship.

A close observer can also see the enemies efforts to destroy the influences of Christianity in America, all Jewish led and financed.

It may be of interest to you to note that the program of the Illuminati, follows almost step by step, the blueprint for world conquest laid down in the PROTOCOLS OF THE LEARNED ELDERS OF ZION, which was first unearthed about 1898. I realize that both Jewish leaders and their Christian "stooges" have proclaimed these to be counterfeit. But I must call to your attention the fact that in order to have a counterfeit, you must first have an original. The counterfeit follows the original as closely as possible. But whether they are counterfeit or not is of no importance. The important thing is that the world conspirators are following the PROTOCOLS, as they would a Blueprint.

It was interesting to me to find out that Adolf Hitler, the man the Jews say they hated most, next to Jesus Christ, was financed in his rise to power during World War II, by the Rothschild's, the Kennedy's and the Warburg's and that the Zionists stated in Article II, Par. 5, of their counterfeit Protocols: "We have the gold of the world in our hands, not withstanding we had to gather it out of oceans of blood and tears. But it has aid us even though we have sacrificed thousands of our own people." ANY AMERICAN JEW WHO READS THIS SHOULD TAKE NOTE!

International Zionism has never hesitated to slaughter hundreds of thousands of their "lesser brethren," if it would aid their plan for world conquest. You can see this in Russia today, as the persecution against Jews is carried out under Jewish leadership.

In 1983, when Mr. Andropov was head of the Soviet Union 21 of the 23 men making up the Comintern (the Soviet ruling body) were Jews. Every one of the top military and police commanders in the Soviet Union were Jews. This meant, that in spite of all the stories coming out of the USSR concerning Jewish persecution, it was being carried out with the permission of Jewish authorities for their own ulterior motives. This persecution, of course, generates a tremendous amount of sympathy for Jews in the Christian world and adds to the wealth flowing into Jewish coffers. Whenever persecution of Jews slacks off, the money flow becomes a trickle, so Jews invite persecution to keep their people in line and line their pockets with gentile gold. What fools we
Christians be!

The conspirators chose the word "ILLUMINATI" for their satanic plot, because it means "holders of the light." Weishaupt's idea was to pick men of great mental ability and wealth, to govern the world and prevent future wars. Using the slogan "Peace on earth!" The same slogan the conspirators used to get us involved in WW I and II. You remember, World War I the "war to end all wars!" World War II, the "war to make the world safe for democracy." Our presidents in both wars, both Democrats, assured the people that their sons would never be sent to fight on foreign soil. While Woodrow Wilson was parroting this Illuminati phrase, he and Churchill were drawing up the plan for the sinking of the liner Lusitania, to get America involved in World War I. Many of you can remember F.D.R. and his fireside chats before World War II when he said: "I say again, and again, and again, I will nevah send American boys to fight on fawn soil. Nevah! Nevah! Nevah!" Yet while he was making these remarks, a plan was being drawn up in our State Department, which was to pressure Japan into attacking us and thus Pearl Harbor. When it came, our leaders deliberately withheld information from our Pacific fleet, until it was too late. World War II was never fought for the safety and benefit of the Western World, but for world Jewry and their homeland in Palestine.

So Weishaupt's idea was to enroll the most intelligent people of the world and he used the Masonic lodges of Europe and America, Lodges of the Grand Orient, as recruiting headquarters. During all this, he was acting under orders from the Rothschilds.

The Rothschild plan called for the Illuminati to accomplish the following points:

1. Use monetary and sex bribery to control men already in high places in various levels of government. Once these men fell to temptation, they were to be kept in perpetual bondage to the Illuminati through threat of exposure and outright threats of violence against them and their families. Those who refused to "play ball" were often eliminated. There is much proof that this was true with Sen. McCarthy, Rep. Larry McDonald, Sen. Taft and many others who died mysterious deaths and who government agencies refused to investigate.

Today, there is much evidence available, that the drug traffic which is raising so much hell among our youth, could be reduced to a trickle but for the fact that powerful men, high in our national government are protecting, subsidizing and profiting from it. Yet when men of courage, offer substantiating evidence to prove this, they are either harassed by government or mysteriously die. (For those of you who would like to hear evidence of this, write and ask for my "Bo" Gritz tape.)

2. The Illuminati through the faculties of colleges and universities, have cultivated students of exceptional mental ability, who are recommended for scholarships in Illuminati centers of learning. Foremost among these are the Rhodes Scholarships, which trained such liberals as the ultra-liberal Senator from Arkansas, William J. Fullbright.

The main idea is to indoctrinate these young men and women with the idea that only a one-world government can stop the world from being destroyed by a nuclear holocaust.

This was essentially the argument which was used to erect the spy center called the United Nations, on American soil. It is subsidized primarily by American dollars, while we have very little say on what happens with that world body.

The Illuminati rationale seems to be that only the very intelligent elite of the world, are capable of ruling the world and that the rest of us poor, ignorant suckers, don't know what's best for us. Of course this idea, always results in profit and control for the elite.
In addition to the Rhodes Scholarships, the Illuminati operate three known schools: one in Gordontown, Scotland, another in Salem, Germany and the third in Greece.

While Karl Marx was busy writing the Communist Manifesto, under the guidance of one group of Illuminists, a Professor Karl Ritter from Frankfort, Germany was writing the antithesis under the direction of another group. The idea was that those who direct the conspiracy would use differences to enable them to divide and conquer. They would divide the human races into conflicting camps and brainwash them into fighting and destroying each other, all political parties, and all religions, especially Christianity.

The work Ritter started was continued after his death and was completed by a German Jew named Frederick Wilhelm Nietsehke, the founder of Nietsheism. This idea was later developed into the philosophy of Fascism, then Naziism and was used to foment World War II.

In 1844, the Italian revolutionary leader Mazinni was selected by the Illuminati to direct the world revolutionary program. He served in this capacity until his death in 1872. During this time, Mazinni met a Confederate General named Albert Pike and found him to be a willing student of Illuminism.

Pike was fascinated by the idea of a one-world government and in time became the head of this conspiracy. Between 1861 and 1871 he worked out a blueprint for three world wars, which he felt would be necessary for the world takeover and for various revolutions which would condition the people to accept Illuminist control within the Twentieth Century.

Pike did most of his work from his home in Little Rock, Arkansas. A few years later, when the Illuminist Lodges of the Masonic Grand Orient became suspect because of revolutionary activity, Pike organized what he called the NEW REFORMED PALLADIUM RITES. He set up three supreme councils, one in Charleston, S.C. one in Rome, Italy and the third in Berlin. It was about this time, that he began work on a mammoth literary work called MORALS AND DOGMA, which was to become the Bible of Masonry.

He established 23 subordinate councils in strategic locations throughout the world. These have been the secret headquarters for world revolution ever since.

The First World War was to be fought to allow the Rothschild's to destroy the Czar of Russia and to transfer Russia from a Christian country into the stronghold of world atheism and Zionist Communism.

Political differences stirred up by agents provocateur were to be used to foment this war. After the war, communism was to be used to destroy other governments and weaken and ultimately destroy Christianity. One of its leaders boasted: "We will sweep God from the skies."

World War II would become necessary if the conspirators could not take over world control at the end of WWI. This war would be brought about by a controversy between Fascism and political Zionism. Here we note again that Hitler was financed before and during the war by the Jewish Krupp family, the Warburg's, Rothschild's and other International Jewish banking groups. The supposed slaughter of six million Jews, which any intelligent, thinking person can see was an impossibility, did not bother the
International Jews in the slightest, since they have always been willing to sacrifice their own people if it would help them gain political control.

The "myth of the holocaust" was necessary to create worldwide hatred for the German people and thus bring about a war against them. The conspirators knew that in order to be successful, three great Christian nations would have to be destroyed, Russia and Germany on the European continent, and the United States in North America. It should be of interest to note that World Zionism had already built up a war chest of some $2-billion to be used against Germany, as early as 1902.

During World War II, International Communism was to be built up to where they would be equal in strength with United Christendom. Of course, this became possible, as traitors in both the British and American governments, gave, or sold our atomic secrets to the enemy. During this period, the men in the CFR did everything possible to build up the strength of the Soviets, while hindering the military strength of the U.S. and Britain. Men in our government such as Dean Rusk, Gen. George Marshall, Dean Acheson, Henry Kissinger, Zgnibew Brezezinski, and many others, all members of the CFR were acting in the category of traitors against the United States, while Britain had their own.

When Communism reached a par with Christendom in military strength, then political Zionism was to step in and contain them until the time they were needed for the final thrust which would bring about world control.

Any honest student of history can see how Stalin and President F.D.R. worked "hand in glove" to bring all of Eastern Europe into the Communist camp and how this treachery was aided and abetted by the Zionist Eisenhower. This resulted in the murder of one of our top generals George Patton, who unfortunately saw through the plot and tried to stop it.

Eisenhower was paid off by the conspirators, with the Presidency of the United States, when his major competitor Sen. Taft of Ohio was literally eliminated before the election. Eisenhower refused to allow Patton to move his troops to the eastern border of Germany, and was forced by Eisenhower's orders to hold them on the border of Western Germany until the Communist forces came in and took control of this area.

Earlier in the war, both General Patton and British General Montgomery wanted to invade Europe through the soft underbelly of Italy. This would have shortened the war by at least two years and would have saved millions of lives and billions of dollars. But Churchill, F.D.R. and Stalin held out for a later landing in Normandy and while this was going on, the Soviet forces moved into Eastern Europe and took over complete control of this area. When Patton in frustration, brashly announced that he intended to blow the whistle on Churchill, F.D.R. and Eisenhower when he returned to the States, he signed his death warrant for he was too much of a threat to them to be left alive.

Every President since F.D.R. has followed the treasonous policy of "giving aid and comfort to the enemy." Even the great conservative "showman" Ronald Reagan, while pontificating against the Soviet "evil empire" has signed legislation which was helpful to them.

For years, the American people have been told by their government, that it was the United States who was holding back the tides of Communism, when the truth, as any fool can plainly see, whenever this enemy of mankind has been on the verge of
economic bankruptcy, it has been our government, using our tax money, which has kept
them on their feet. There are at least fourteen major incidents of this since 1945.

World War III was to be held in abeyance until needed and would be finally fomented
between political Zionism and its prostitute the U.S. and the Arab world which was anti-
Communist and once our staunch friends. Under American foreign policy since World
War II, it has become very dangerous to be our friends, for we have always "stabbed
them in the back," while aiding and abetting our enemies. This of course, was part of the
conspirator's scenario. With a little honest insight, you can see them at work in
Washington at the present time.

Their plan, of course, is to so weaken and fractionalize us, that our people will sue for
"peace at any price," even that of Zionist-Communist slavery. By the time the world has
fought itself into exhaustion, the conspirators believe they will be able to step in and
take control.

Can any intelligent person look at what is happening in the Middle East, the Far East,
South Africa, Central America, and right here at home, and believe these things are
taking place by accident? Certainly the things we see being done by the Zionist and
Communist world are not for the purpose of peace, no matter how many Summit talks
we see between the leaders of America and the Soviet Union. I personally believe, that
what we see at these meetings, is not a plan to stop war, but to hasten our surrender to
Zionist designs.

3 - The students who received special training, plus other agents, were to be placed in
special branches of governments as experts and specialists, so that they would advise
top executives to adopt policies that would in the long run, serve the conspiratorial plans
and bring about the ultimate destruction of government and religion.

In 1933, a group of 47 American university students were sent to Moscow to stud at the
Lenin School of Psychological Warfare, University of Moscow, 45 of these students
were young Jews. They were to be taught the essentials which caused the campus riots
we saw during the Vietnam War. They were addressed on arrival by Laventria Beria,
then head of the KGB, among other things he said to them: "Use the courts, use the
judges, use the Constitution of the country use its medical societies and its laws to
further our ends. Do not stint in your labor in this direction. And when you have
succeeded you will discover that you can now effect your own legislation at will and
you can, by careful organization, by constant campaigns about the terrors of society, by
pretense as to your effectiveness, make your capitalist himself, by his own
appropriations, finance a large portion of the quiet Communist conquest of that nation."
(P.8, Communist textbook on PSYCHOPOLITICS).

Recently our news media was filled with accounts about a few men, fourteen in all, all
of them poor financially, who were accused of sedition, plotting to overthrow the
government of the United States. They were all found innocent in a court of law. But
while the media made "much ado about nothing," they completely neglected to tell the
American people about the large number of Communist agents who the FBI admitted
they knew were in the U.S. Of course, some of you understand that this is what media
control is all about.

Look at some of these CFR conspirators who have operated in our government: Dean
Rusk, as Secretary of State; Robert McNamara, Secretary of Defense; Gen. George
Marshall, the man who sold China into the hands of the Communists; Hubert Humphrey, the one-world senator from Minnesota; Alan Cranston, the CFR traitor from California, Henry Kissinger, the Jewish double agent from World War II, who has consistently sold out American interests to those of the Zionists and Communists; Zgnibew Breninski, a university professor who has been heavily into the conspiracy. Today, George Schultz, our Communist-Zionist leaning Secretary of State and a CFR member and of course, Presidential hopeful, our Vice President George Bush, who from a teenager has been trained by the conspirators. Then there is Frank Carlucci, our present Secretary of Defense, James Bales, Secretary of the Treasury and over 80 other appointed men in Ronald Reagan's "conservative" government. (And we thought Jimmy Carter was bad!) There are 38 U.S. Senators and Reps. who are members of the CFR; 12 in the Federal Reserve; 12 in the U.S. Treasury Dept.; 16 in the State Dept. and 40 who are U.S. Ambassadors.

In our banking system, Chase-Manhattan has 19 board members who are members of the CFR; Bankers Trust has 9; Morgan Guaranty 14. In the media, CBS has 12; NBC 11; ABC 6; Associated Press 4; New York Times 24; Times, Inc., 7; Newsweek/Washington Post 22; Dow Jones 6 and the U.S. military is riddled with them until every top commander, in every branch of our military service, is a member of the CFR.

At the top, as Chairman of the North American branch, and very near the top of the world Illuminist hierarchy, we find David Rockefeller.

4- At the time of Weishaupt, one of the most critical issues was to take control of the press, since this was the only means of communication at this time. Now we have the added burden of books, magazines, the radio and of course TV. You don't have to be very bright to see how these elements can be used in brainwashing a people. It is through the elements of the media that people are convinced that only through one-world government can we expect to escape the horrors of a nuclear war and the problems associated with food, poverty and disease.

I'm sure that many of you who read this booklet know who controls the press in America. For those of you who do not, here are some facts for you to chew on: Over 909 major newspapers, with a daily readership of over 47-million are Jewish owned and/or controlled; over 48 top weekly magazines with a weekly readership of over 79-million are Jewish owned and/or controlled; magazines such as Ladies Home Journal, Readers Digest, U.S. News and World Report, Newsweek and TV News.

All the major TV networks are Jewish controlled as are all the major movie studios with the exception of Republic. For a further in-depth study of this news control, I would suggest you send for my booklet SATAN'S KIDS, which goes into this in detail, giving names of many owners.

With such a control, you can see why government leaders believe they have the right to lie to "we the people," and why we are among the worst "brainwashed" peoples in the world, the Soviet Union not withstanding.

It has reached the point where our CFR controlled government can lie with impunity to the American people and they will be believed by the majority, even when it has been proven over and over again that they are liars! Even when these lies become obvious through casual observation, they are still "swallowed hook, line and sinker!"
Many newspaper men know this and some of them have twinges of conscience because of it. One of the best known newspaper men in America at the beginning of World War I was John Swinton, when asked for a toast before the New York press Club on the occasion of his retirement, he said: "There is no such thing at this date as an independent press. You know it and I know it! There is not one of you who dares to write his honest opinions, and if you did, you know before hand that it would never appear in print. I am paid a good salary for keeping my honest opinion out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you would be foolish to write honest opinions, since you would be out on the street, looking for another job... If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone. The business of the journalist is to destroy the truth- to lie outrightly and to pervert-to fawn at the feet of mammon, and to sell his count and his race for his daily bread. You know it and I know it! . . We are the tools of the rich men behind the scenes. We are jumping jacks . . . they pull the strings and we dance. Our talents and our lives are all the property of other men . . . we are intellectual prostitutes." (The sad comments of an honest journalist on retirement!)

But let's take another "flashback" to the first days of the Illuminati. Because Britain and France were the greatest nations in the world at this time, in the latter years of the 18th Century, Weishaupt ordered to foment colonial wars, including our own Revolutionary War. Their purpose was to weaken France and England. The French Revolution was scheduled to start in 1789, but in 1784, an act of God upset the timetable of the conspirators. This act proved to the Bavarian Government that there was indeed a conspiracy and that the Illuminati were at the head of it. The evidence they received could have spared France and saved that nation from its bloody revolution, but the French leaders refused to believe the evidence, much as most of the American people refuse to believe it today.

In 1774, when Weishaupt issued his orders, which were in manuscript form, a copy was sent to Robespierre, who was to head the French Revolution. The courier who was carrying this manuscript was struck by lightning as he rode through a heavy thunderstorm somewhere between Frankfurt, Germany and Paris. The Bavarian police found the manuscript, which was immediately turned over to the Bavarian officials. These promptly ordered raids on the newly organized Lodges of the Masonic Grand Orient and the homes of Weishaupt and his most influential associates. Enough additional evidence was found in these raids, that the authorities were convinced of the authenticity of the manuscript.

In 1785, the Bavarian Government outlawed the Illuminati and they were forced to go underground: all lodges of the Grand Orient in Bavaria were closed. Then in 1786, the Bavarian Government published details of the plot. If this had happened in 1988, they would have probably sealed this information for at least fifty years, much as they did evidence on the assassinations of John Kennedy and Martin Luther King, Jr.

Copies of this conspiratorial document were sent to the heads of all European countries, but such was the power of the Illuminati in these governments - and of course this refers to the power of the Jewish Rothschild's, that it was universally ignored and the French Revolution took place as scheduled in 1789.

At this time, 1786, Weishaupt ordered his agents to infiltrated the lodges and form secret societies inside secret societies. Only Masons who were Internationalists, or those who were especially approved by the Illuminati were allowed to join these new organizations. One of the qualifications was that they must renounce God and accept the leadership of Lucifer. While they carried out their subversive activities, they carefully camouflaged them under humanitarian and philanthropic acts, which concealed their revolutionary and subversive intents.
In order to infiltrate the Masonic Lodges of Britain, Weishaupt invited a man named John Robinson to Europe. Robinson was a very high ranking Mason in the Scottish rites. He was a professor of Natural History at the University of Edinborough. Robinson did not fall for the trickery of the Illuminati, to form what they called a "benevolent dictatorship." But he kept his reactions to himself so well, that he was entrusted with a copy of Weishaupt's Constitution. Because the heads of both church and State ignored the warnings given them by Robinson, the French Revolution was soon in full swing, drenching that country in the blood of innocent Frenchmen.

In order to alert other governments which might be effected, Robinson published a book in 1798 titled PROOFS OF A CONSPIRACY TO DESTROY ALL GOVERNMENTS AND RELIGIONS." Once again, his warning fell on deaf ears, exactly as we see happening in America today.

While many Americans are touchy about believing this, there is ample evidence that our own Thomas Jefferson and Alexander Hamilton were avid students of Weishaupt. Jefferson became one of Weishaupt's staunchest defenders in the New World and it was Jefferson who introduced the Illuminati to the newly organized Masonic Lodges of the Scottish rites in America, over the protest of Gen. George Washington.

In 1789, Robinson warned all Masonic leaders in America that the Illuminati had infiltrated their lodges and on July 19, 1789, the President of Harvard University, himself a high ranking Mason, issued the same warning to the graduating class, lecturing them on the influences the Illuminati had on American religion and politics. To top this all off, John Quincy Adams, who had helped organize the New England Masonic Lodges, issued a similar warning. He wrote three letters to top American Masonic leaders in which he outlined how Jefferson was using his influence in the Lodges for the benefit of the Illuminati. Those three letters are now in the Whittenberg Library in Philadelphia. In short, whether we want to accept it or not, Thomas Jefferson, the founder of the Democratic Party, was a member of the Illuminati. Whether this had any influence on their present liberal image, I do not know.

Realizing that they could not seduce the Russian Czar, the Rothschilds began a new attack against the money systems of the European nations and the United States. They used a very tricky method to gain control of the English Banking System. During the Battle of Waterloo, in 1815, the Rothschild's were able to falsify a report of the battle, so that the English people believed that Napoleon had won. The British Stock Market plummeted and shares fell to rock bottom. Who was there to buy them up at a few cents on the dollar? You guessed it. Mr. Rothschild's agents. When the true news came that Napoleon had been defeated, the stocks went sky high and the Rothschild's cleared millions of pounds in profits and ended by controlling the economy of both England and the Continent.

Rothschild forced Britain to set up a new bank of England, which he totally controlled. This was similar to a later criminal activity, when a group of International gangsters led by Jacob Schiff, had the Federal Reserve Act passed in 1913.

At this point, I believe it might be worthwhile for us to look at the activity of the Illuminati in the United States. In 1826, one Capt. William Morgan, a high ranking Mason, decided it was his duty to inform all American Masons how their lodges had been infiltrated by the Illuminati. The Illuminati, through the Masonic Lodge, tried Morgan in "absentia," and sentenced him to death. Morgan was warned and fled to Canada. But the executioner, an English Mason named Richard Howard, caught up with him near Niagara Falls and killed him. This was verified in court through sworn statements and by a thorough police investigation. The testimony of this trial is on record in New York City archives.

Very few members of the Masonic Lodge or the general public know, that the public disapproval of this act, was so general that it closed down over half of the Masonic Lodges in the Northern
Jurisdiction of North America.

In the early 1850's, the Illuminati held a secret meeting in New York which was addressed by a British Illuminist named Wright. Those in attendance were told that the Illuminists were organizing Nihilists, atheists and other subversive groups into an International organization which was to become known as "Communism." It was intended to be the supreme weapon of terror, which would eventually control the world.

Communism was to be used to foment wars and revolutions. Quentin Roosevelt, an ancestor of F. D.R., Horace Greeley, a well-known newspaper publisher, and Charles Daner were appointed to head a commission to raise funds for this new venture. Of course, most of these funds came from the Rothschild's. It was this fund that financed Karl Marx and Frederick Engels, when they wrote "DAS KAPITAL," and "THE COMMUNIST MANIFESTO."

Communism was not to be an ideology, but a secret weapon, a "boogie-man word," to serve the ulterior purposes of the Illuminati. According to Joseph Burg, an anti-Zionist Jew, "World War II was a Zionist plot to make way for the foundation of the Jewish State in Palestine." He stated that Zionist and Nazi leaders collaborated on Jewish immigration from Russia to Palestine and the United States. Testifying at the trial of Ernst Zundel, a revisionist in Toronto, Canada in March 1988, Burg said: "Zionism was willing to sacrifice the whole of European Jewry for a Zionist State. Everything was done to create a state of Israel and that was only possible through a world war. Wall Street and Jewish large bankers aided the war effort on both sides.

"Zionists are also to blame for provoking growing hatred for Jews in 1988." (Taken from THE TORONTO STAR, March 31, 1988).

Weishaupt died in 1830, but prior to his death, he prepared a revised version of the age old conspiracy, which under various facades was to control all the international subversive organizations, by working their agents into executive positions at the top of governments.

In the United States we have seen such men as Presidents Woodrow Wilson, Franklin Delano Roosevelt, Lyndon Johnson and Jimmy Carter, and other high ranking officials such as Henry Kissinger, Zgnibew Brzezinski, George Schultz, Gen. George Marshall, Owen Lattimore, Vice President George Bush, and many more, who were stooges of the conspiracy.

World War III was to finally be fomented between political Zionism and their "yes" man, the United States and our one-time staunch anti-Communist friends, the Arab states. The conspiratorial agents are even now hard at work setting up this war and it has reached the explosion point in the Near East. Even as I write these words, the United States is exchanging gunfire with the Iranian Moslem state.

This final great war has been planned to so weaken the nations of the Free World, that they will become fractionalized and will be ready for "peace at any price, even that of slavery." The conspirators believe the nations who fight this war will have fought themselves into a state of complete exhaustion and economic bankruptcy, so that they can step in and pick up the pieces and thus achieve world control. How many millions of people die, is immaterial to them.

Can any intelligent person see what has happened in the Near East and Central America and be so naive as to believe it has happened by accident?

Every revolutionary effort since the French Revolution has been financed by the International Jewish bankers who have profited by backing both sides and they love to brag about it. In the January, 1928 issue of Century Magazine, Jewish writer Marcus Eli Ravage wrote: "We Jews are at the bottom of nearly all your wars; not only of the Russian, but of every other revolution in your history . . . we did it solely with the irresistible might of our spirit, with ideas and propaganda."

The Jewish writer, Oscar Levy, in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, wrote: "There is scarcely an event in modern history that cannot be traced to the Jews. We Jews today, are nothing else but the world's seducers, its destroyer's, its
We are supposed to believe today, that the International Pharisees, like the Pharisees of Christ's time, are only tools or agents of the Great conspiracy, when they are the "heart and soul" of the conspiracy itself. My Christian friend, whether you want to accept this or not, whether your Pastor is honest enough to accept it does not matter. When you back them, you are backing the enemies of God, His Son our Lord, and His church. They hate for anyone to expose them and will do most anything to shut them up. That's why many of our pastors are scared into silence, even though they know the truth.

Why do you suppose the average American has been brainwashed into believing that communism is a movement of the working class, when it is controlled by the International Zionist Bankers? The movement to control the world, is not a movement of workers, striving to better themselves, but of the International elite, who led by Jewish money and power, are seeking world control at any cost. The Jewish bankers control the world's economy and thus its people. Like the "money changers" of Christ's time, who received His most violent denunciations, they are the power behind the move to destroy Christianity and White Christian Civilization. The Bible tells us: "Where the Spirit of the Lord is, there is liberty!" (2 Corinthians 3:17). The conspirators know this truth, so they seek to stamp it out. This is their major target.

The headquarters for this world conspiracy in the late 1700's was Frankfurt, Germany, where the House of Rothschild's (known as the Red Shield) was formed by a Jewish banker who adopted the name Rothschild and linked up with other international Jewish bankers who had quite literally "sold their souls to the devil."

After the Bavarian government's exposure in 1786, the conspirators moved their headquarters to Switzerland, then London, and finally after World War II, to New York City, where it is located today.

The Rockefellers, original protegees of Jacob Schiff, have taken over the manipulation of the North American area and David Rockefeller, the head of the clan, is one of the most influential men in the world today.

In its final stages, the world conspiracy calls for a king dictator, a United Nations and a few subordinate organizations such as the CFR, a few billionaires such as Arm and Hammer and some top scientists, economists and educators who have proven their loyalty to the conspiracy. The rest of the world is to become a mixed up mass of mongrelized humanity, who for all intents and purposes will be slaves of the world system. This is quite literally taught in the Jewish religious book, the Babylonian Talmud, where it states that in the Jewish World government "ever Jew will have 2000 goyim slaves."

At this point, we should examine how the American government and its people have been literally tricked by this one-world plot. Always keep in mind, that the United Nations, which is found on American soil in New York City, was created to be the housing for the conspiracy.

The real foundation of the plot to take over America was laid during the Civil War, by Rothschild agents who had been planted in the United States as far back as the Revolutionary War. They had been preparing this country for ultimate takeover ever since.

Our first president was more than a match for the Illuminist agents and on several occasions he wrote letters to leading Masonic leaders, warning them of the attempt to infiltrated the Masonic Lodges of America. (Evidence shows, that although Washington was a member of the Masonic Lodge, he was rather inactive and seldom attended their meetings.)

But it was not until the time of the Civil War, that the conspirators launched their first concrete effort to control our economy. We know from history, that the chief advisor to President Jefferson Davis of the Confederacy, as a Jew named Judah Benjamin, who was an Illuminist. We also know that the Lincoln Administration was riddled with Rothschild agents, much as they control our
present government through the CFR. These agents attempted to steer President Lincoln into a financial deal with the International Jewish bankers. But old "Honest Abe" saw through their schemes and bluntly rejected them, thereby incurring their wrath, just as the Czar of Russia did a bit later when he torpedoed the first League of Nations.

For insults, both real and imagined, both the Czar and Lincoln paid with their lives. Investigation into the assassination of President Lincoln, shows that the assassin, John Wilkes Booth, was not a Southern sympathizer, as our history books aver, but was a member of a secret conspiratorial group led by the Illuminati. The name of this group has never been revealed and this evidence has been covered for many years, much as evidence was covered in the later assassination of Jack Kennedy.

The ending of the Civil War temporarily destroyed chances for the House of Rothschild to gain control of our money. They already controlled the economy of Britain, France, and most of the European countries. This was only a temporary set-back for them. But in the United States they had to start from scratch. Shortly after the Civil War, a young Jewish immigrant from Germany, named Jacob Schiff, arrived in the United States. His mission was to gain control of the American money system for his master, the Rothschilds.

Schiff was the son of a Rabbi and had been especially trained for his mission in Frankfurt, Germany.

It is not necessary for us to go deeply into Schiff's background, other than to say that Rothschild recognized in him, not only a potential "money worker," but more important, recognized in him the ideal agent for the conspiracy. He saw the latent Machevillian qualities which would turn Schiff into one of the most important agents of the world conspiracy.

Schiff became the primary cog in the plan to control the American money system. He came to New York with orders to buy into a banking house which would be the "springboard" into acquiring ultimate control of our economy. He had three primary assignments:

1 - The most important was to acquire control over the American economy;

2 - He was to find men in important government and business positions in this country who would be willing to serve as "front men" for the conspiracy;

3 - He was to create minority group strife, particularly between Blacks and Whites, and;

4 - He was to create a movement which would eventually destroy Christianity in America.

I will attempt to trace Schiff's actions as he set out to accomplish Goal #1, control of the American Money System.

His first step was to buy into a banking house, using Rothschild money. It had to be a house over which he would have complete control. After carefully scouting around, Schiff bought a partnership in a New York firm called Kuehn and Loeb. Like Schiff, both Kuehn and Loeb were German Jews who had immigrated to the United States in the mid 1840's from the ghettos of Germany. Both of them started their business careers as itinerant peddlers. In the mid 1840's, they pooled their interests and purchased a merchandising store in Lafayette, Indiana under the name of Kuehn-Loeb. They serviced covered wagons heading west. In a few years, they had a string of stores in Cincinnati and St. Louis. Then they added "pawn broking" to their pursuits. By the time Schiff arrived on the scene, Kuehn and Loeb were well-known bankers in this country.
Shortly after Jacob bought into the firm, he married Loeb's daughter Theresa. Then he bought out Kuehn's interest and the firm, headquartered in New York City became known as Keuhn, Loeb and Company, International Bankers. By this time, Schiff was in complete control of the firm.

From the very beginning this agent of a Satanic conspiracy posed as a great philanthropist and a man of great religious holiness. But under his pious exterior, he carried out the satanic policies of his masters with brilliance.

To achieve control of the U.S. Money System, Schiff had to get cooperation from the Big Banking elements in this country. In those days, Wall Street was the heart of the American Money Mart. J. C. Morgan was its unchallenged dictator. Next in line were Biddle and Drexel, two great banks from Philadelphia. All the money interests in America, danced to the tune these three banks played, with Morgan always in the driver's seat.
