At first, these banks treated the little bewhiskered Jew from Germany with contempt. But Jacob knew how to overcome that. He threw them a few Rothschild bones consisting of the distribution of European stocks and bonds which Rothschild controlled.

But he had an even more potent weapon available. Following the Civil War, American industries had a phenomenal growth. The world had never seen anything like this. We had great railroad systems to build; oil was discovered; our mines were producing untold wealth; steel and textile industries were bursting out of their baby clothes. All this called for vast financing and of course, most of this financing came from abroad, where it was controlled by the Rothschild interests.

Schiff, playing a crafty game became the "patron saint" of such men as John D. Rockefeller Edward Harriman and Andrew Carnegie. He financed Standard Oil for "Rocky"; the railroad empire for Harriman and the steel industry for Carnegie.

Then he opened the money doors of the Rothschild's to Morgan, Biddle and Drexel, as he arranged for them to set up branches of their banks in major European cities. Cleverly arranged, these banks were always in a partnership, with the Rothschild interests and subordinate to them. Each partner was expected to "pay his pound of flesh" to the Rothschilds. It was clear to the "Big Three" from the beginning that Schiff was the boss and they swallowed their pride and accepted it. After all, "business comes first, you know!"

By the turn of the century, Schiff had tight control over the banking fraternity of America. This included the Lehman Brothers; Goldwyn-Sacks and other International banks, plus the "Big three of Morgan, Biddle and Drexel."

With full control of the American Banking System in his pocket, Schiff was now ready for the giant step which would gain full control of America's money system. Under our Constitutional system, all control of our money was to remain under the control of Congress. So Schiff's task, was to seduce Congress into betraying the Constitutional edict, by surrendering that control to the hierarchy of the Illuminati. In order to legalize this surrender, it would be necessary for Congress to enact special legislation. To accomplish this, Schiff had to infiltrate Rothschild stooges into both houses of Congress and even more important, he would have to have a Rothschild stooge in the Presidency, a man without moral scruples or integrity, who would obey every order that came to him from the Rothschild's and sign this legislation into law. To accomplish this, he had to gain control over one of the major political parties.

The Democratic Party seemed to be the more vulnerable, since it was the hungrier of the two. With the exception of Grover Cleveland, they had been unable to place their man in the White House since before the Civil War. There were two major reasons for this. First, the Democrat Party was a poor party and secondly, there were considerably more Republican voters than there were Democrats. This had to be changed.

The poverty matter was not of great concern, since Schiff had access to the Rothschild wealth. The voter problem was a different story. Remember now, we are dealing with an extremely clever
"cookie" in Jacob Schiff. Here is how he went about solving this problem. The solution shows how the Jewish leaders care very little for their own people and will sacrifice the "little Jews" if it will bring them into power.

About 1890, there were a series of "pogroms" in Russia and Central Europe against the Jews, in which thousands of men, women and children were ruthlessly slaughtered. These pogroms were master-minded by Rothschild agents, working on the dislike for Jews, which had been built up in these countries over the years, because of unscrupulous Jewish business practices. Their plan was to force hundreds of thousands of Jews to flee Russia and Central Europe and find homes in either Palestine or the United States. Palestine was not a very good choice in those days, so the vast majority flocked into the United States.

These immigrants were aided by self-styled humanitarian organizations, using Rothschild money which were set up by Schiff. While the vast majority of Jews arriving in the United States settled in New York City, many were shipped to other large cities, such as Chicago, Los Angeles, Detroit and Philadelphia. Within thirty years, these people become citizens and had been taught to vote a straight Democrat ticket, no matter what!

This Jewish minority was then joined by Blacks, who had also been recruited by Schiff's efforts for Civil Rights. This became a major voting bloc for the Democratic Party. By 1910, these minority voters had become a vital factor in the political life of America. This was the plan Schiff used to plant such men as Senator Nelson Aldrich in the Senate and Woodrow Wilson in the White House.

Now let's digress for a few minutes and go back and look at another important point in Schiff's scheme to control America. I am referring to his plot to destroy the unity of the American people by creating minority groups and engendering racial strife. By forcing Jews to leave their homeland in Russia, Schiff had a ready made minority group who would do his bidding. But the Jewish people themselves, frightened by the violence they had seen in Russia, could not be counted on to produce the violence necessary for Schiff's plan. So he turned to a sleeping minority in America which was much more numerous than the Jews. I am speaking about the Blacks, and such men as Martin Luther King, Jr., Stokley Carmichael and others, who carried out their so-called peaceful demonstrations under the guise of Civil Rights and always under the firm direction of Rothschild agents. All that was necessary to bring about rioting, looting, rape and murder, was to arouse the baser members of the Black race, who were always looking for some excuse to "get even with Whitey."

Working together under Schiff's control these two minority groups, the Ashkenazi Jews and the American Blacks, began to produce the rioting which would tear America apart.

So we find that while Schiff was laying his plans for the takeover of the money system, he was also working on the plans for the chaos they hoped would destroy the unity of the American people.

While this racial holocaust has never been fully realized, the enemy agents are still working on it and we can see the terrible potential which was seen in the race riots which destroyed vast areas of our great cities a few years ago. It is still boiling under the surface, waiting for the proper spark to set it off. I often picture this situation as a man sitting on an open keg of gunpowder, smoking a cigar and knocking the ashes into the open keg. All it will take is one tiny spark to hit the dry powder, and this country will experience the worst tragedy that has ever hit this continent. THE SAME PEOPLE ARE PUSHING IT TODAY!

This potential for racial violence has grown with the vast immigration of legal and illegal Asiatics and Hispanics into this country in the past fifty years. Almost without fail, the immigration laws were changed by the liberals in Congress, to pave the road for this holocaust. Almost without fail, they came from the Democratic Party.

At present there is evidence that in Los Angeles alone, there are over 70,000 armed gang members, who are constantly fighting among themselves. This would be bad enough, except that now they are
spilling over with their warfare into the suburban areas. In recent months, police efforts against these gangs have been carried out by forces of as many as 1,000 combat-geared policemen and the crime bill caused by this strife, which is evident in all of our major cities and many smaller ones, has risen into the hundreds of millions of dollars each year.

The liberal policy of the Democratic Party has been expounded to the point, where anti-American radicals, both professors and students, have been given a haven of refuge on our college campuses. In 1985, FBI sources estimated there were a minimum of 45,000 Marxist Professors teaching in our institutions of higher learning. On many of these once conservative campuses, conservative speakers are shouted into silence by a few radicals, who are among the most vorciferous when demanding their own right to "freedom of speech."

I can tell you this from personal knowledge. During the Vietnam War years, I was working the college circuit and in over 25 confrontations with students, some of them violent, I found every radical group to be led by young Jews from wealthy families. I sincerely doubt that more than 2% of the college students could have been called radical, yet these few radicals almost ran the colleges and universities and the administrators were "scared to death" of them.

This same Jewish control can be seen by anyone who honestly wants to look at the problem and is not afraid of what others might say. Look at every issue which is being used to destroy America, and behind it, financing it and often controlling it, will be a Jew.

Look at every effort to take Christian principles out of the public school and you will find a Jew. Look at every effort to knock the stand which is being taken by Christian Patriots and you will find the Jewish ADL spouting in their two cents-worth.

As you further study this conspiracy, you will find that it took infinite planning and patience to be successful. So let's take a few minutes and look at documentary proof as to how they set about to destroy Christian America.

FIRST it is necessary for them to create the leadership and organizations necessary to brainwash millions of dupes, both Jewish and Christian. Blacks and other minorities received prime attention. These were the ones who would do the rioting and suffer the casualties, while the Jew overlords ran the show from sheltered places. In 1909, Schiff set up and organized the NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE. (Some wag, seeing what it has done, had dubbed it the NATIONAL ASSOCIATION FOR THE AGITATION OF COLORED PEOPLE.) The President and directors from its inception ave been Jewish. Jews appointed by Schiff while he was still alive and later by his successors ran these organizations. In 1914 Schiff came up with the ANTI-DEFAMATION LEAGUE, of the Jewish Masonic Lodge B'nai B'rith. It was to serve as a Jewish KGB, keeping its own people in Line and harassing anyone who dared to tell the truth about International Jewry. It is the largest and most complete private intelligence gathering apparatus in the world and is actually an agent of a foreign country, operating illegally, without a license on American soil. Yet such is the power of the Zionist Lobby in Washington, it has for all intents and purposes become an advisory branch of the United States Justice Department.

Some non-Jews look on the ADL as primarily a "spy outfit," skilled in tapping telephones, infiltrating patriotic groups and meetings and attacking anyone who does not follow the straight Zionist line. It is all that and much more.

It is also a "sleazy, money-raising" operation which pressures Jews to give and when money does not come in fast enough, it will create problems for Jews, which they say they are fighting against. For instance, the leader of the Neo-Nazi group which invaded Skokie, Illinois a few years ago and caused such a furor, was a Jew from the Chicago ADL. This incident scared hell out of Chicago Jews and they shelled out much money for the ADL coffers.

The operating head of the ADL at this time is one Arnold Forster, a veteran troublemaker and a
skillful money-raiser. He says the ADL is merely a Jewish Defense Group which spends its time and
money "fighting racial bigotry," as it pursues its goal of "democracy," and "world brotherhood." If
you believe this, you need to go to Palestine and ask the Arabs who are being murdered there about
Jewish democracy.

When there is no anti-semitism available, Forster and his cronies create some and this enables him
to blackmail Jewish merchants for the alleged purpose of "saving them from goyim persecution." 
This scam has worked for years and Forster is paid a big salary for doing it. He has been in this
game for more than thirty years and has used smear and blackmail tactics, and ever created Nazi
groups in New York to deface Jewish tombstones and paint swastikas on the walls of Jewish
synagogues. The scare stories he managed to raise in New York, called for a Congressional
investigation. Of course the ADL was never investigated, only those bad old Nazis, the KKK, and
of course, all Christian-Patriots.

The leadership of the ADL from its inception has been top-heavy with Communists and communist
sympathizers. Perhaps this is why they smear any anti-Communist group. Before I knew anything
about this Zionist conspiracy, I was amazed that every time I lectured on Communism, as a speaker
with the American opinion Speaker's Bureau of the John Birch Society, I was labeled an anti-
semitic. I had not even mentioned the Jews. At that time, we identified them as "the Insiders."

At the head of the ADL's Fact Finding Committee is one Irwin Suall, who got his college education
at Oxford University, the "hotbed" of Fabian Socialism. When he returned to the United States, he
became head of the Jewish Labor Committee, a known Communist group and in 1951, he became
national organizer for the Communist International Ladies Garment Worker's Union. Suall joined
the ADL in 1962.

It was the ADL who pushed the U.S. Justice Department in-to charging 14 Christian Patriots in the
recent Sedition trial at Fort Smith, Arkansas. They were forced to retreat with "egg on their face,"
when their paid informers made a mess of things. It was this same group that has introduced
legislation in at least ten states, which has resulted in "para-military laws," which are so ambiguous,
that if you take your son into the woods to teach him to shoot a 22 rifle, you can be accused of
"inciting him to harm some minority group." An interesting thing to observe about these "para-
military" laws, is that while they are strictly observed by police authorities against Christian
Patriotic groups, the Jewish Defense League in most instances has been left free to train, even using
illegal automatic weapons.

Time and time again, the ADL has printed books and pamphlets seeking to turn Christian Americans
against the Patriots who are seeking to preserve our "way of life." In many instances, the Jewish
policy has become the policy of the U.S. Government, who has harassed the Patriotic groups and
often refers to them as "uneducated rednecks," who are seeking to overthrow the U.S. Government.

In 1986, the National Council of Churches in America, seeking information on the Christian
Identity Movement in America, went to a Jew, Leonard Zeskind, of the CENTER FOR
DEMOCRATIC RENEWAL, extremely "left wing" organization. They made no attempt to go to
any Identity leader for information, but instead went to this atheist, Christ-hating Jew. He wrote a
"scurrilous" account of the Christian Patriotic movement which has been swallowed "hook, line and
sink," by the NCC leadership. On page 6, under the title: MAJOR IDENTITY FIGURES, he
says this about me: "Col. Jack Mohr acts as the traveling salesman of the Identity Movement. He
lives in Mississippi, but takes his CHRIST AND COUNTRY CRUSADES all over the United
States and Canada. Mohr who was with the John Birch Society speaking circuit until 1969 (the year
I joined). His talks contain dire warnings of Soviet invasion and criticism of Christian
fundamentalists for their inability to stand up to the anti-Christ Jews." (You know, this information
is absolutely correct. In fat, Zeskind's account, gave the Identity Movement some much needed
exposure,) Zeskind also works closely with the ADL.

This sinister Zionist KGB maintains over 2,000 agencies across this country. They advise, and
control every action of the **NAACP**, the **URBAN LEAGUE**, and many other so-called Black political activist organizations, including Jesse Jackson's **SOUTHERN LEADERSHIP CONFERENCE**. They have controlled Black leaders such as Martin Luther King, Stokley Carmichael, Ralph Abernathy, Julian Bond and the man who is running for President in 1988, Jesse Jackson.

In addition, the ADL acquired absolute control over the advertising budgets of many nationally known department stores, hotel chains and key radio and TV sponsors; also the advertising agencies which serviced them. By these means, for all intents and purposes, the mass media of the United States of America is under Zionist control of woe be to the politician who fails to remember this. Ask Senator Percy of Illinois, Senator Fullbright of Arkansas, or Rep. Paul Finley of Illinois. They tried to buck the Zionist Lobby in Washington and were out on their ear in the next election.

This means that all the major news that America hears, is slanted in the direction the Zionist overlords want it to go. Its no wonder that a few years ago, Walter Cronkite, one of the top TV newsmen arrogantly stated: "Our task is not to tell the truth; we are opinion moulders."

Of course, one of their purposes is to sway sympathy for Black rioters and criminals, no matter what they do. This can be vividly illustrated by an incident which took place in the nation's capitol a few months ago. The KKK had received permission from the Washington police for a peaceful march in the capitol. But the Blacks, agitated by agents provocateur from within, tried to disturb this lawful parade and were stopped by the Washington police, as they should have been. But the Blacks went on a rampage, burning cars, breaking store windows and looting stores. The next day, a white correspondent with the Washington Post gave this explanation for the riot: "The Blacks rioted because their civil rights to confront the KKK purveyors of hate had been denied." Now who do you believe were the purveyors of hate? Yet this is the way the news is slanted.

In 1910, a Jewish play write wrote a play titled **THE MELTING POT**. It was sheer communist propaganda designed to incite both Blacks and Jews. The play was supposed to visualize how the American Whites were discriminating against both Jews and Blacks. At this time, no one seemed to care that this was sheer propaganda. It was cleverly written and the propaganda was wrapped in the entertainment offered by the play. It became a Broadway hit.

In those days, the famous Diamond Jim Brady would often hold fabulous banquets at the famous Delmonico's restaurant in New York, after the opening of a successful Broadway play. The author, plus cast and selected political and Broadway celebrities were invited.

Myron Fagan, a well known Hollywood play write, who initiated some of the information I am giving you, was invited to attend this party. There he met the English socialist George Bernard Shaw and a Jewish writer named Israel Cohen. Both Shaw and Cohen had worked together in London, with a Jew named Karl Mordecai Marx. Remember, at this time Marxism and Communism were just emerging and very few people paid any attention to what they were trying to do. No one suspected the propaganda which permeated the writings of either Shaw or Cohen. At that banquet, Cohen told Fagan that he was engaged in writing a book, which was to be titled **A RACIAL PROGRAM FOR THE TWENTIETH CENTURY**.

Fagan at this time knew nothing about Communism or its connection with World Zionism, he was totally wrapped up in his work as a Hollywood writer. But he was shocked when he received a clipping from the **WASHINGTON EVENING STAR**, several years later in May 1957. It was a verbatim excerpt from Cohen's book: "We must realize that our party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races, that for centuries they have been oppressed by whites, we can mold them into the program of the Communist Party. In America, we aim for several victories. While inflaming the Negro minorities against the whites, we will instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Blacks rise to prominence in ever walk of life and in the world of sports and entertainment. With this prestige, the Negro will be able to inter-mar with the whites and will be process which will deliver America to
our cause!" (UNQ.) There you have the plan of the conspirators in a "nutshell." (This excerpt was entered into the Congressional Record of June 7, 1957, by Rep. Thomas Abernathy.)

At this time, Mr. Fagan wondered if the official policy of the Communist Party was the same as that of Cohen, or was this merely the thinking of one man? But in an official pamphlet, published by the New York Communist Party in 1935, titled "THE NEGRO IN A SOVIET AMERICA," he found that it urged Blacks to rise up and form a separate Black nation in the South and apply for admission to the Soviet Union. A firm pledge was made by the communist leaders, that if this happened, the Blacks would receive firm backing from communists everywhere, including the might of the Soviet Union. On p. 48 of this pamphlet was this pledge to the Blacks: "Any act of discrimination or prejudice against the Negro, by a white, will become a crime under revolutionary law." (UNQ.)

What I need to do at this point, I believe, is prove to you that the Communist regimes, both in Europe and on this Continent, are under the full control of the Rothschild agents, which means the Illuminati.

The communist end of this world conspiracy was created by the "master minds" who were "capitalists." You should also note that both the Rothschild's, the Schiff's, and the Warburg's planned and financed the Russian Revolution, after they had murdered the Czar and his family. Jacob Schiff alone, gave $20-million to Trotsky, who was on his way to Russia with 247 of the dregs of the Jewish East Side of New York City, the kind of Jews, the Jews themselves call "kikes." They were stopped in Newfoundland by Canadian Customs and then released under pressure from the U.S. State Department, with the money that made the Revolution a success.

The Jewish involvement is easily proven from statements made by Jewish leaders at this time. THE JEWISH CHRONICLE, the largest Jewish Newspaper in New York, in its April 4, 1918 issue stated: "... there is much in the fact of Bolshevism itself. In the fact that so many Jews are Bolshevists. In the fact that the ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism." (UNQ.)

In 1918, Count Mensdorf, the Jewish Ambassador from Austria to London was quoted as saying: "Israel won the war (WW1); we made it; we thrived on it; we profited from it. It was our supreme revenge on Christianity." (UNQ.) Notice that it is Jews who are making these statements, not Jack Mohr or some anti-semit.

There is little doubt that Lenin, Trotsky and Stalin himself, took their marching orders directly from that little American Jew, Jacob Schiff of New York City.

Can you begin to understand why our Congress, our Supreme Court, and our Justice System has been brown beaten into issuing the infamous Civil Rights Act of 1954 and subsequent unconstitutional legislation which has dis-enfranchised White people whose ancestors built this country?

Can you understand why President Eisenhower, in direct violation of the Constitution, ordered Federal troops into Little Rock, Arkansas a few years ago to enforce Federal integration laws?

Can you understand why President Johnson and 66 U.S. Senators, in spite of protestors from 90% of the American public, voted for the pro-Communist Consular Treaty which opened this country
wide to Communist agents and saboteurs, even when the FBI publicly acknowledged that they knew there were thousands of them in this country? Can you understand why many of these same traitors in Washington, voted at a later date to give away our Canal in Panama to a Communist dictator, even though they knew it would be dangerous to the defense of this country?

These acts, my friends, and many more, can be named only as TREASON, according to the Constitution of the United States, Article III, Section 3. This section, written in words any Fifth Grader can understand, defined treason as: "Treason shall consist only of, levying war against them (the U.S.) adhering to their enemies, giving them aid and comfort." (Notice nothing was said about it being necessary to be at war with a country.)

Why is it that the American people have not risen up in righteous indignation, to demand that the traitors in Washington, D.C. and in our State Houses, be accused, tried, convicted, and executed as the traitors they are? Why instead, do we see them being elected into office, term, after term, after term? Could it be that the statement of a well-known historian was true when he said: "TREASON prospers, what's the reason. For when TREASON prospers, NONE DARE CALL IT TREASON!" Have we regressed so far from the "faith of our fathers," which raised this country to international prominence, that we no longer care when traitors run rampant in the halls of government and trample on our Constitution?

The time has come, my fellow Americans, when we must insist that an immediate, in-depth investigation be made of the Council on Foreign Relations and the Zionist-Americans in Washington who seek to run our country. These MUST be brought to account along with the alien FEDERAL RESERVE SYSTEM, which has robbed Americans for 75 years. We MUST insist that all findings be made public and that the conspirators be brought before the American people they have so woefully wronged and receive the just punishment for their treason, which is DEATH The time has come when we MUST take the scalpel of truth and remove the malignant tumor, apathy has allowed to grow on our body politic. We can no longer sit idly by and allow corrupt government to further sell us down the river. For you see, my fellow Americans, our freedom will not be lost on that day when a man with a red star on his helmet and a Tommy gun in his arms hauls us off to the "concentration camps," or the "liquidation centers." We will lose our freedoms, when we see things happen in local government, in our town, in our local churches, we know are wrong, and we sit back before our TV sets and say: "I'm just an individual, you know, everyone knows you can't buck city hall." When that day comes for the majority of our good, Christian people, that will be the day when we will lose freedom in America. We will haul her to the cemetery, bury her, and over her grave erect a headstone with this epitaph: "AMERICA DIED, BECAUSE THE GOOD PEOPLE OF AMERICA DIDN'T WANT TO BE BOTHERED!"

Now we need to be warned, if we ever get "guts" enough to take this needed step, then there will be a terrific cry of "witch hunts and a return to McCarthyism," which will come from the liberals and from the Judeo-Christian churches. But we MUST realize that the founders of our Republic and the writers of our Constitution, were not only statesmen, they were also historians. They knew that when a government turned from being the servant of the people, to try and master them, then it became the right of the people, NAY, THEIR DUTY, to change that form of government and so preserve their God-given inalienable rights!

Every unconstitutional act of our leaders in modern times whether Presidents Wilson, F.D.R., Truman, Eisenhower, Johnson, Kennedy, Nixon, Ford, Carter, or Reagan, were in line with the plans of the International Conspirators. Every un-constitutional decision which has been issued by our Supreme Court, whether under the liberal Earl Warren, or at this present time, has furthered this alien control over America. Every traitorous decision by our elected Congress since 1913, has been to further the strangle hold these aliens have on the American people.

Remember this, traitorous acts by our leaders, whether it be the President, Congress, the Supreme Court, or whatever, never happens by accident. They have all been planned by the over-all blueprint for our destruction as a free people.
You can "bet your bottom dollar" that the 70 Senators who now "vote the straight Zionist ticket," are under orders from the Conspiracy. They may not know it, but they are, whether they are willing to admit it or not.

Have you ever wondered why a man can go into the U.S. Congress as a well-to-do man and come out in a few years as a multimillionaire? Why do these men spend eight or ten million dollars to get elected to a job that pays a salary of $89,500 plus benefits?

It really doesn't make sense, does it? Especially, when they show by their actions and their voting records, that they are not all that much interested in the welfare of the people who put them into office. Do you think they spend all this money just for the prestige it brings them? Don't be stupid! There are very few men in our government today, who are free from the "taint of treason."

This would be a good place to close our first message. In Part Two, we will discuss Jacob Schiff's entrapment of the American people and the effect it has had on our "American Way of Life," which at one time was the highest standard in the world.

In Part 1 of this message, I discussed how Jacob Schiff had been chosen by the Rothschild interests to come to America with several objectives, the major one of which was to control our Money System. The Rothschild's knew the importance of this and at one time, Meyer Rothschild, the head of the clan, was reported to have said: control of the money of a country and I care not who makes her laws."

In 1908, Schiff decided that the time was ripe to take charge of America's economy. His chief agent for this seizure was a man named Col. Edward Mandel House, who was a close friend of Woodrow Wilson, and who would later become his Presidential advisor. House had spent his entire adult life as an agent and courier of the Schiff enterprises and had worked closely with Bernard Baruch and Herbert Lehman, two more of the most influential of the conspirators. In the fall of 1908, these conspirators met at the Jekyll Island Hunt Club, located on Jekyll Island, Georgia, and owned by J. P. Morgan. This was to be a "top secret" meeting, in which they would lay the final plans for the money takeover.

Among those present were J. P. Morgan, John D. Rockefeller, Col. House, Senator Nelson Aldrich, Jacob Schiff, the heads of the New York City International Banks, Eugene Meyers, Herbert Lehman, Paul Warburg, in short, all the important International Bankers in the United States. All of who were in the Illuminati hierarchy. So secret was this meeting, that the regular employees of the Hunt Club were dismissed during the meeting, and cooks, waiters, butlers, security personnel, in fact all help, were people who were trusted by the conspirators.

After a week of business and revelry, they emerged with a plan which they called THE FEDERAL RESERVE SYSTEM. Senator Aldrich had the honor of being picked as the "stooge" who would "railroad" the Act through Congress. They held up on putting this plan into immediate action for one reason. First, they had to plant one of their men in the White House. He had to be a man who would be completely subservient to their desires. This was necessary, so that he could sign the Federal Reserve Act in-to law. They knew that even if the Congress passed it, the President would have to sign it and that if the President were to veto it, there was too much chance of their plans for money control being revealed.

They found their man in a 67 year-old Democrat from the State of Virginia. Woodrow Wilson became President in 1912 and immediately after his inauguration, Senator Aldrich, began the process which would make the FEDERAL RESERVE ACT into law. Wilson waited impatiently in the wings, to do the bidding of his masters and sign the bill. On December 23,1913, when most of the Congress were home for the holidays, the few remaining, mostly those who had been "hand picked" for the purpose, passed this treasonous bill which has become the "greatest money scam in the world's history."

To give you an idea of how heinous this act really was, we must understand that our Founding
Fathers realized the power of money. They knew that whoever held this power would control the country, so they were extremely careful when writing the Constitution, to set forth in writing, that only the elected representatives of the people, would have the power to coin the nation's money.

The Constitutional language was brief and concise. It was plain enough so that the average citizen could understand it without the interpretation of some lawyer. In Article II, Sec. 8, par. 5, we read - and this defines the power of Congress: "to coin money, regulate the value thereof, and of foreign coin, and standards of weights and measures." (UNO.)

On that tragic day in December, 1913, a Day of Infamy much greater than the Japanese attack on Pearl Harbor, the men we sent to Washington to protect the Constitution from all enemies, without and within, delivered the economic destiny of America into the hands of International aliens who hate us and everything we as Americans stand for.

Even today, 75 years after this act of treason, most Americans believe that THE FEDERAL RESERVE SYSTEM, is part of the American Government. They have no idea that it is governed by Federal Banks, whose heads are aliens, who are members of the International Illuminati conspiracy.

Who are these bankers, you may rightly ask? According to reliable sources in Switzerland, the following banks hold the controlling interest in the FEDERAL RESERVE SYSTEM. They are all Jewish owned and/or controlled. In their order of importance they are:

1 - Rothschild Bank of London and Berlin.
2 - Lazard Brothers Bank of Paris.
3 - Israel Moses Seif Bank of Italy.
4 - Warburg Bank of Amsterdam and Hamburg.
5 - Lehman Brothers of New York City.
6 - Kuhen-Loeb Bank of New York City.
7 - Chase~Manhatttan Bank of New York City (David Rockefeller's baby.)
8 - Goldman, Sachs Bank of New York City.

Please note that the first four banks are all foreign banks.

Approximately 300 people who are closely associated. many by marriage, own and control this system by holding stock or shares in the system. They control an interlocking, international banking cartel of wealth beyond comparison, most of which has been stolen from the working man of America through their Federal Reserve System.

Here is a graphic example of how Americans are cheated,

1 - The U.S. States needs a billion dollars to pay its bills;
2 - It notifies the U.S. Bureau of engraving to print one billion dollars in U.S. Bonds;
3 - The U.S. Government delivers the bonds to the Federal Reserve Bank as
Promissory Notes. The U.S. Government promises to pay for these, its own Bonds, when they mature;

4 - The Federal Reserve Bank deposits these bonds for which they paid nothing, with the Comptroller of Currency;

5 - The Federal Reserve then receives one billion dollars in federal Reserve notes, the currency we now use, in various denominations.

**NOTICE CAREFULLY NOW HOW WE SUCKERS GET TAKEN TO THE CLEANERS!**

6 - The Federal Reserve Bank retains ownership of the one billion dollars in bonds, which it received free of charge;

7 - The Federal Reserve notes are now distributed to member banks, so they have money available to pay the bills of government, cash government checks, cash checks citizens have received, make loans to citizens, etc., (please note that under present banking laws, member banks can loan out ten times the amount they have on deposit.)

8 - The Federal Reserve Bank receives interest on its bonds, for which they paid nothing. **NOTE NOW HOW THEY LAID IT ON US SUCKERS!**

First the Federal Reserve got a billion dollars for nothing. In the meantime they get interest on the bonds they got for nothing and when they eventually cash them they get the money again.

*(REMEMBER TOO, WE ARE ONLY SPEAKING OF ONE BILLION DOLLARS WHERE OUR GOVERNMENT DEALS IN HUNDREDS OF BILLIONS. For example, we borrow $100-billion or more each year, so that we can give it away in foreign loans, often to nations which hate our guts.)*

All the details of this tragic act are available, with documentation, in a book written by Eustice Mullins titled: **"THE FEDERAL RESERVE CONSPIRACY."** I would very sincerely suggest you get this book and study it.

It will only be as decent Christian people in America, who are concerned for the well being of our nation and our offspring, and wake up from this "near fatal sleep," into which the conspirators have hypnotized us. Can these powerful conspirator's be smashed. It will only come through the help of Almighty God, and the repentance of His people, so that He will, once again show mercy to us.

But if you believe that these conspirators are content with the mere control of your money, you are sadly mistaken, and you are in for another shock.

While the Federal Reserve control had America's money, there was no way it could touch the earnings of the American worker, because the Constitution expressly forbids it.

So one of the major planks of the Communist Manifesto, was what is called a "graduated progressive income tax." This would lead eventually to the complete confiscation of all private
property in the nation and the complete control of each individuals earning power. But such a tax could not be brought about without an amendment to the Constitution.

But, as they had done with the Federal Reserve Act, these same traitors, with the same President, arranged for the 16th Amendment to become the law of the land and they "hoodwinked" the American people into accepting this absolute control over their earning power.

A little study will show that most of the Congressmen who voted for the 16th Amendment knew very little about it, because only two, as far as I have been able to find out, had even bothered to read it before they voted it into law. Senator Langer of North Dakota was one of them, the other's name I do not recall.

The main effects of this Amendment, which was never supposed to rise above 2%, or so the American people were told, went into effect during World War II, when President F.D.R. applied a 20% withholding tax on all small wage earners, and up to 90% tax on higher earners. Of course, the conspirators had planned for this and were protected in their Tax Free Foundations. F.D.R. promised faithfully that this tax would be lifted when the war ended, but his promise had as much truth behind it as the one where he said he would never send AMERICAN BOYS TO DIE ON FOREIGN SOIL.

But wait a moment! As the old time Jew comedian Al Jolson used to say: "You ain't heard nothin' yet!"

The 16th Amendment never touched the earnings of the immensely rich. This is why a few years ago, we saw Vice President Nelson Rockefeller, with a yearly earnings of somewhere near $26-million, pay an annual tax of $216.00.

The conspirators protect their wealth, while they rob you of yours. These foundations, which were supposed to have been for humanitarian purposes, became the "hot beds" of sedition and radical communist activity. The disobedience of the Vietnam War era, was funded by the Foundations, who gave "aid and comfort" to those who were trying to tear our Republic apart. Why? Because it was all part of the Master Plan.

These Foundations funded the rights of civil disobedience; the rights of the filthy minded to spread the poison of pornography; the rights of Jew doctors to murder millions of unborn babies; the rights of homosexuals to spread their filth; The Women's Liberation Movements. Almost without fail all of these were headed by Jews. Very little of a pro-Christian, pro-American nature has ever been protected by these International vultures.

As an example: The Ford Foundation finances the CENTER FOR DEMOCRATIC INSTITUTES in Santa Barbara, California. This is commonly referred to as "Moscow West." It has been headed by communist sympathizers since its inception. It is these tax free foundations which are funding the "dirty work" for the Conspirators.

Then there are of course, the thousands of smaller grants, which go to liberal college professors, scientists, and plain "liberal kooks," to study THE SEX LIFE OF THE BRAZILIAN BUTTERFLY; WHY CHILDREN HATE THEIR FATHER MOST; WHY BATS FLY BY NIGHT, and a host of other stupidities.

But what happens to the billions of dollars which are confiscated from the pockets of hard working Americans each year? Of course, the major rathole is our Foreign Aid, which increasingly has gone to nations with a communist leaning, much of which is never paid off. Then the biggest shyster of them all, is the aid to the Israeli. Today we see the amazing sight of our government borrowing a yearly sum of $100-billion or more, from the foreign banks, paying a high rate of interest, so that they can turn around and give it away to nations who "hate our guts." It has become absolutely nauseating!

Another little gimmick which cost the American taxpayers, was perpetuated when our military left Vietnam and left the naval base at Camhran Bay intact. Over $2-billion worth of our most
sophisticated military equipment was left behind for the communists. This is the first time in American military history, where we have abandoned equipment on the battlefield without first disabling it. Do you think this all happened by accident? Do you honestly believe that service men who had seen their buddies blown up by their enemies, or tortured to death, would have willingly left anything behind other than booby traps designed to blow the enemy to "kingdom come?"

Do you believe our fighter pilots liked the idea of seeing their buddies shot down by American technology we had given the Soviets? Do you think they enjoyed dumping their bombs in a rice paddy, when they were given orders not to hit an enemy supply dump?

Oh, we heard a great deal about the immorality of the war in Vietnam, while it was going on, and it was an immoral war. But it was not immoral because we fought against communism, or because we came to the aid of our friends in S.E. Asia. It was terribly immoral, because our leaders sent our men to bleed and die on foreign soil, when they had no intention of letting them win and where they were supplying the enemy with the materials which killed our boys. Yet where was the great outcry from decent Americans? There just wasn't any!

The 16th Amendment saddled America with an "unpayable debt." In 1905, our national debt was about $12.05 for every man, woman and child in this country. Today, it stands at more than $53,000 per person and the end is not yet. This debt goes up every year, because the men we have elected to Congress refuse to work within a budget. These men have the power to control our spending, but for a variety of reasons, they refuse to do it, even though they know they are driving this country into future ruin.

Today, if you are "pro-communist, pro-homosexual, pro-abortion, pro-pornography, pro-evil; you are a "GOOD GUY." But if you are "pro-American, pro-Constitution and against the evils which harass us," you may well be harassed, jailed and even murdered by the government you put into power to protect you. Do you think this situation has come about by accident?

If this old world lasts another hundred years, future historians will no doubt shake their heads over the spectacle of decent Christian Americans, who were so completely "hoodwinked" by the lies of their worst enemies, that they supported them in their own destruction. It is sort of a "national suicide."

But let's get back to the crux of one-world government which is at the base of all these evils which have befallen our beloved country and look at the plot which was necessary to create another League of Nations, to take the place of the one which failed. The conspirators knew it would take another World War to frighten people into accepting their one-world control. So they set about making this war come to pass. It would be a war of such horror, that the people of the world would cry for "peace at any price, even that of slavery!" They would be brainwashed into believing that only within a one-world organization, could the world live in peace. It became even easier to convince people of this, as the nuclear age dawned.

But how would you go about to create a monstrosity which would kill more than 45-million people, according to the World Almanac. All the major nations of the world were at peace during the early 1930's. They had seen enough bloodshed during World War I, to last a lifetime. Even the Soviet Union, which was rapidly growing into an uncontrollable monster, knew they could not win a war of aggression.

But the conspirators needed a war to bring about their objectives and it mattered not to them how many died or suffered, or how many billions of dollars were spent, as long as they made a profit and brought about their aims.

They found the "dupe" they were searching for, in a little, insignificant unknown Austrian corporal named Adolf Hitler.

Now I realize I am opening myself up to the same sort of abuse I got a few months ago when I wrote a pamphlet titled THE HITLER HOAX. In fact the abuse I received from the so-called Neo-
Nazis and their cohorts, was worse than I have received from the Zionists. Although the admirers of Hitler are in the small minority, they are among the most vociferous, loud-mouthed, vulgar people in the country and are certainly the nastiest when it comes to remarks and innuendos. You just cannot tell the truth about this unusual little man, without finding yourself accused of being a "Jew agent," a "double agent" of the enemy, no matter how hard you may have campaigned against the enemy. When you find out from a study of history - not history that was written by the Jews, or the Nazis, but history written by reliable historians - that Hitler was brought into power in Germany through the efforts and money of World Zionism, and that he was kept in power by this same money, then suddenly you become a traitor to your own people, for telling them the truth. "Am I therefore to become your enemy, because I tell you the truth?"

But the purpose of this lecture was not to win friends and influence people and since I am not running for a political office, I can and will tell you the truth, whether it is popular with some folks or not. I am not trying to impress those of you who are concerned, with my vast knowledge of the conspiracy; I'm not trying to convince the "lefties" that I know what they are up to. If people don't like what I say, that becomes a matter between them and God. All I'm concerned about is that one day I will have to answer to God for what I have told you this day and to the best of my ability I intend to tell you the truth, whether you like it or not! If that makes me your enemy, so be it!

Hitler was a house painter when he first attracted the attention of the International Conspirators. He had never been very successful, in the army, as can be seen by his rank of corporal, so his military knowledge was limited. But he had a hidden talent, a great power, if you will. He was an extraordinary orator who could move the rabble with his words and set a crowd on fire with his rhetoric.

Germany was looking for a savior in the early days of the 1930's. She had almost been destroyed by the Jewish money lenders following World War I, and although the Jews were not admired in Germany, there was not a great deal of overt hatred exhibited against them.

The conspirators knew, that this little man, whom some said had Jewish blood in his veins, hated Jewish people with a virulent hatred. So they were willing, as always, to sacrifice a few hundred thousand of their "lesser brethren" if it would bring them ultimate victory. But first, it was necessary to turn world opinion against Germany and cause the German people to be hated and despised. It might be well at this time, to remind you that about 43% of the American people at this time were from a German background. At time, Germany was the strongest nation on the Continent. She had been earmarked for destruction before the turn of the century, following the destruction of the Czar and his family in Russia. According to Jewish sources, World Zionism had a War Chest of some $2-billion set aside for the task of destroying Germany, long before Hitler ever came on the scene.

So using money provided by the Rothschild's, the Warburg's and the Schiff's (all Jews), Hitler was built up into a national leader and finally a total dictator. The German people began an almost miraculous rise to prominence in the world and Germany was among the most productive and prosperous nation in the world.

But while this was taking place in the early days of 1930, the same unsavory crowd that put Hitler into power, were engaged in a propaganda campaign and the myth of Hitler's persecution of the Jews was broadcast world wide, along with a fake plan for the extermination of every Jew in Germany. The fact that there never was such a plan and that even some of the Jewish leaders admitted there was no such plan, meant little to these men who were willing to do anything to bring about their one-world control. (When you are dealing with men who have no scruples about killing 47-million people, there is not much they will not do to bring about their ends.)

So world hatred began to be built up against the German people, greater than anything the world had ever seen. During World War I, we were treated to the contemptuous terms of "Hun" and "Boche," and to stories about babies being tossed into the air and being caught on the points of bayonets. But now suddenly, they were making soap and lamp shades out of Jews and the ground of
detention camps were spouting Jewish blood.

**THE AMERICAN HEBREW** newspaper in New York City, June 3, 1938, trumpeted: "The forces of reaction are being mobilized. A combination of England, France, and Russia will sooner or later bar the triumphal march of the crazed Fuhrer. Either by accident or design, a Jew has come into the position of foremost important each of these nations. In the hands of non-Aryans, lie the very lives of millions... and when the smoke of battle clears, and the trumpets blare no more, and the bullets cease to blast! Then will be presented a tableau showing the man who played God, the swastika Christus, being lowered none too gently into a hole in the ground, as a trio of non-Aryans intone a ramified requiem, that sounds suspiciously like a medley of Marseillaise, God Save the King, and the Internationale; blending in the grand finale, into a militant, proud arrangement of Eile! Eile!"

(This is the traditional Jewish cry of triumph.)

For over forty years now, since World War II ended, the Jewish press and Hollywood has fed the American people an overdose of the stereotype image of Germans as monocled, burrheaded, heel-clicking, mindless robots of the Third Reich. But any person with a little intelligence, who has studied history, knows that it was France and England, who were the "war mongers" of the Nineteenth Century. Professor Quincy, in his book **A STUDY OF WAR** (1942) offers statistical proof of this when he shows that in the period from 1480-1940: "Of 278 wars which involved European States, the participants were:

At the beginning of World War II, a distinguished Austrian professor, noted for his moderation, was quoted in Stephen Robert's book: *THE HOUSE THAT HITLER BUILT* (1938): "The Germans are a politically retarded race. They are in the myth stage of development. They have never wanted democracy; they crave authority and a strong arm. They do not want individual freedom. The average German is designed by history and nature to provide mass material for dictatorship."

Being of German descent myself, I resent these lies, since I know that history proves otherwise. But I also know that this is the way the conspiratorial workers lured Americans and the rest of the Free World into World War II.

There was a time in World War II, right after Pearl Harbor, when I volunteered to fight against Nazism, which I thought at that time was a danger to America and world peace. So I fought against my German kinsfolks in North Africa, where I learned to admire the brilliance of their General Rommell, the Desert Fox.

Finally, when my mind began to turn away from propaganda, both political and religious, to where I sought truth, rather than popular opinion I began to understand what my commanding General in North Africa, Gen. George Patton, meant when he said: "I believe we fought on the wrong side in this war." When I began to realize that Americans were being taught to admire Benedict Arnold's such as Gen. Dwight Eisenhower, and Gen. George Marshall, and traitors such as Alger Hiss, John Steward Service and Owen Lattimore, while they despised pro-American patriots like Sen. Joseph McCarthy and drove him into his grave, then I began to understand why International Jewry carried out their campaign of harassment against Germany.

So with the Judeo-Christian pastors of America beating the drums for Zionism and pronouncing curses against Hitler and the German people, America was herded like a flock of sheep, by her unscrupulous leaders, into a war that destroyed over 40-million people. We gave power into the hands of the Zionist-communist monsters that murdered 48 million more.

At the end of the war, the traitor Alger Hiss, arranged with the Russian Molotov, so that the head of the United Nations Military Branch would always be a Communist general. We fought Korea and Vietnam under their control.

Very few Americans know that the United Nations Charter was copied almost verbatim from the Soviet Constitution and that the only senators who voted against it, were those who had read it.

Since this tool of the conspirators has been placed on American soil, the slaves of Communism have increased by some 72,000 per day, from about 250-million, to almost 2-billion. Fifty six sovereign nations have been gobbled up by this monstrosity since World War II and as many as 140-million people have been ruthlessly murdered by the Zionist-Communist regimes.

Today, we see the phenomena of liberals screaming over a few Blacks killed in South Africa, but saying absolutely nothing about the tens of thousands who are being murdered by the Soviets in Afghanistan. The prelates of the World Council of Churches, sob into their beer over the violation of the civil rights of Blacks in South Africa, when they say absolutely nothing about the thousands who are being murdered in the Black countries of Zambia and Zambesi. Instead, they vote money to support the Communists in those countries.

Now, we are seeing the conspirators, as they stir up trouble for the "Free World" in the Persian Gulf and Central America, once again laying the groundwork for another great war, World War III, this time, which will enable them to finally realize their goal of world control.

Very few Americans know that since 1966, we have had a group of men in our Congress, known as the MEMBERS OF CONGRESS FOR PEACE THROUGH LAW. In their own words, their objective is: "to disarm the United States under existing world law." There are about 290 in this group. They believe that all Americans must be prepared to accept this United Nations control. In 1965, the National Council of Churches drew up a resolution in concurrence with this belief that stated that the United States should surrender, in case of an "all out" war with the U.S.S.R. before
the first bomb drops on American soil: These are the traitorous churchmen who coined the phrase: "It's better to be Red, than dead!" Do you attend a church which supports this group?

Bear in mind that God and Christian principles are never mentioned in the United Nations Charter, and that the very mention of God, except in a curse word, is forbidden within the United Nations halls. The conspirators knew that the destruction of Christianity could only be accomplished from within. Which meant a seduction of the men who stand behind the pulpits of our Christian churches. John D. Rockefeller, the so-called Christian philanthropist, while declaring himself to be a Christian and being a member of a large Protestant church, was nevertheless a member of the Inner Circle of the World Conspiracy. He was chosen for the job of destroying Christianity. With his vast knowledge of the conspiracy, he carefully chose a young minister named Dr. Harry F. Ward for the job. At this time, Dr. Ward was teaching Religion at the prestigious Union Theological Seminary in New York City. Rockefeller found a willing prostitute in the young minister. In 1907, he founded the **METHODIST FOUNDATION FOR SOCIAL SERVICES.** Ward's task was to teach bright, young Protestant ministers to become Communists, while denying the basic doctrines of Christianity. Today, according to reliable sources, it is estimated that Ward put over 40,000 Communist oriented ministers into American Protestant pulpits. Today, many of these stand behind the pulpits of the largest denominational churches in America.

These men were cleverly brainwashed by the teachings of German Jewish professors, who taught something called "Higher Criticism" of the Bible. They were taught that the Bible is full of errors, to cast doubt on the divinity of Jesus Christ by denying His Virgin birth; to doubt His miracles, His resurrection and Second Coming. Do you wonder why today, churches that a few years ago were "lighthouses for the King," have now become nothing by some sort of "glorified religious country club," where men and women belong, not because they Love God, but because it helps them in their business, if they belong to the big prestigious First Church downtown.

The main target of these contaminated preachers was American youth. These were laughingly taught, both in school and in the church, that there are no absolutes such as "right" or "wrong." That there are only shades of "grey," and that persons react to situations which are caused by their environment. This became known as **SITUATION ETHICS.** A good example of this can be seen during a lecture I gave at Ohio State University, Columbus, Ohio, a few years ago. I was speaking against abortion. During the Question and Answer Period, a very attractive coed asked: "Colonel, if we can't have contraceptives and abortion, how will we control the population explosion?" When I asked her if she had ever heard of something called "self-control," by her reactions and those of the audience, you would have thought I had slapped her face. She was shocked that any intelligent person would ask a young person to use "self-control." Here were about 800 young people, just ready to step into adulthood and no one had ever taught them that they had the right to make decisions in their life and choose the road they would walk. instead, they had been brainwashed into believing that they were subject to their environments and that there was little they could do about it. An interesting aside to this story, is that this young lady, who was so vociferous for women's rights to have an abortion, was head of a student organization which was trying to protect baby seals in Newfoundland. They cried big crocodile tears for those "cute little baby seals," and could see nothing wrong with killing unborn human babies.

Then on top of this permissive training, the conspirators introduced one of their most dangerous and subtle weapons, the African beat of "rock and roll" music. This is the type of music which can take a decent young woman and turn her into a wild animal. All of this was part of the plan to destroy American youth and was wrapped up in a statement Lenin made when he said: "Give me one generation of your youth, and I will change the world."

By 1908, the **METHODIST FOUNDATION FOR SOCIAL SERVICE,** had come under attack for their communist affiliations and changed their name to the **FEDERAL COUNCIL OF CHURCHES.** By 1950, this organization had developed such a bad name, that they changed it again to the **NATIONAL COUNCIL OF CHURCHES,** which is made up of most of the major
Protestant denominations in America.

I am sure that many of you have noticed how Black radicals are often led by so-called ministers of the Gospel. Martin Luther King, Jr., is a good example. A man who denied Jesus Christ as Savior and whose moral life was like that of an alle cat. Then there were men like Ralph Abernathy, and our present Rev. Jesse Jackson. All of these have been trained by the conspirators.

When I was a member of the AMERICAN OPINION SPEAKER'S BUREAU of the John Birch Society, a few years ago, I became acquainted with a very courageous Black lady named Julia Brown. In her younger years, she had been taken in by communist teachings, and believed they were trying to help Black people. But she was an intelligent, Christian woman and within a short period, she began to see through the subterfuge which was being used to fool the Blacks. She went to the FBI with this information and offered to help them in any way she could. She was quite surprised when she found that she had been under observation by the Agency for some time. They asked her to stay in the Party as an undercover agent. She did, and became the confidant of some of the top ranking American communists. She attended a training school with Martin Luther King, Jr. She filled this dangerous position for several years, until she surfaced to testify against Party members. She told me that in every unit she had been acquainted with there was a Jewish supervisor behind the scenes giving the orders. She became an outstanding speaker against Communism, speaking primarily to Black audiences about how they were being used as "cannon fodder," by the Zionist conspirators.

The infiltration of American churches became so bad, that even the fundamentalists and the Pentacostals had problems. Today, the Southern Baptist Convention, at one time the conservative foundation of Christianity in America, is fighting for its life in their confrontation with liberalism, especially in their seminaries. In almost every seminary, Jewish professors, some of whom claim to be Christians, are teaching the subversive Jewish fables, the Apostle Paul warned us against in Titus 1:10, 11,13.

In many cases, the Fundamentalists have been the easiest targets, since they have been taught the Jewish doctrine of Pre-Millennialism and that the people we now know as Jews, are the Chosen People of the Old Testament. These people, who are attempting to destroy Christianity, are held up as the "apple of God's eye," and church members are sternly warned that they must never criticize a Jew, since God will punish them if they do.

Many times you will hear statements such as that made by Jerry Falwell, when he said: "God has been good to America because we have been kind to the Jews." Yet a little opened eyed looking around will show you that America has gone downhill in every phase of her national life, morally, spiritually, politically and militarily, since we gave recognition to the "bastard state of Israel" in 1948. Could it be that our pastors have overlooked a verse of scripture found in 2 Chronicles 19:2, which states:"... shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord."

These Fundamentalists look at the definition of an anti-Christ, given in 1John 2:22 and 23, which by the way is a perfect definition of today's Jews - and they only see other Christian brethren who disagree with them. They refuse to see those who hate them and are trying to destroy them. Then when they look at 2 John 10,11, which tells Christians how they must deal with anti-Christ, they say "oh but that doesn't mean the Jews." What is this admonition to Christians? It says that if anyone come to us a and does not bring the teaching that Jesus Christ is the Son of God, we must not bid to enter our house, or give him God speed, for if we do we "become partakers of their evil deeds."

But such has become the power of Jewish leadership within the Christian churches of America, that pastors who tell their people the truth about this Jewish infiltration and takes a stand against it, are few and far between. If you do, you are greatly hated and held in contempt by the Christian community.
I believe this is why we can live in a country where 45-million people are supposed to be "born again Christians," yet as this group grows in size, the country goes to hell even faster. **WHY?** Could it be that these Judeo-Christians have become the "salt" Jesus spoke about when he told His disciples in Matthew 5:13: "Ye are the salt of the earth; but if the salt has lost its savor (its saltiness), wherewith shall it be salted? it is henceforth good for nothing but to be cast under foot of men."

This is what has happened to the average Alka Seltzer type Christian. They come to church on Sunday morning, and "fizz" for an hour, then go home and "live like the devil." No wonder they have such a little influence on the government.

This is why a Methodist evangelist like Oral Roberts will accept a multi-million dollar gift from a race track operator and why men like Jerry Falwell, Jimmy Swaggart, Jim Bakker, Pat Robertson and others, sell out to Zionism, so that they can stay on the airwaves and rake in the TV profits.

In many cases, these men are motivated, not so much by the love of God, as they are by their love of money and prestige. You may say: "That's a nasty thing to judge your fellow Christian like that." To which I can reply by Jesus admonition: "By their fruits shall ye know them." When the Apostle Paul said in 1 Timothy 6:10 that "The love of money is the root of ALL evil," he knew whereof he spoke. For every evil that is destroying America has a big dollar Sign behind it and wherever you find the dollar sign there you will find the vultures of International Judaism gathered for the feast.

It might also be of interest to state that Dr. Harry Ward was also one of the co-founders of **THE AMERICAN CIVIL LIBERTIES UNION (ACLU)** which has been noted for its defense of "left-wing" causes. Ward was its head from 1920-1940. He was also co-founder of **THE AMERICAN LEAGUE AGAINST WAR AND FASCISM**, which was the fore-runner, of the Communist Party, USA. In short, Ward's background was made up of over 70 communist affiliations. This is why wily old John D. Rockefeller picked him for the task of destroying Christianity in America.

Today, we know the names of many of the traitors who have backed this conspiracy and the day is coming, very soon I believe, when these traitors are going to be forced to answer to the American people for their treason to God and country. I believe it will come, when the White Israelite Christian people of America are willing to fulfill their obligations before **YAHWEH GOD** and claim the promise of 2 Chronicles 7:14 - "If my people, which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sin, and WILL HEAL THEIR LAND." There's your answer America, if you want it! But before the healing can take place, there must be a turning; there must be a repentance; there must be a humbling of ourselves before God Our people MUST wake out of their fatal sleep of lethargy and "claim the land" for their God. They must put aside the Jewish fables which have been so cleverly foisted upon them and follow His Law.

Granted that the majority of our people are still in a "brainwashed stage." Granted that they are still deceived and deluded by the traitors of the press, TV, movies and the pulpit. But slowly and surely they are waking up. More and more are asking "What's wrong with America and what can I do about it?" Here is where you and I come in. We must be ready with the truth, to show them how they can stand against this tide of evil. I honestly believe we are standing on the verge of a "flood tide" of awakening, which will once again imbue, White Christians in particular, with that virtue we have almost forgotten; the virtue of **RIGHTEOUS INDIGNATION**, which is the ability to see when things are wrong and the spiritual "guts" to do something about it.

Recently I was visited by two men from the FBI They were on a "fishing expedition." They told me they had heard that I might be one of the defense witnesses, in the Sedition trial at Fort Smith, Arkansas and wanted to know what I could testify about in the defense's favor. When they entered my office, I turned on my tape recorder, and the one in charge said: "Why did you do that?"

"Because," I said, "there's no doubt that you are taping what I say and I want a record so that nothing will be changed." He said: "This is just a friendly visit, we are not accusing you of
anything. Why do you want to tape us?"

So I told him. I said: "Sir, you need to know that the American people are getting awfully fed up with some of your Federal servants. Especially those of you who have turned from being servants of the people and are now trying to control us. The time is coming soon, when we will have enough and I am making these tapes to use at the trials which will result." For some reason he became much less arrogant.

I don't know how you feel about our present situation. But I still believe that Yahweh God's promises are true and that when He said "when the enemy shall come in like a flood, then shall the spirit of the Lord raise up a standard against them." I'm old fashioned enough to believe that we are not going to be raptured out of this mess we have helped create, but that if we are true we will be saved in the midst of it. I believe we will see miracles like those of the Hebrew children in the fiery furnace of King Nebuchadnezzar. When the king had them removed from the furnace, the account says: the king and all his court saw three men "upon whose bodies the fire had no power, nor was a hair of their -head singed, neither were their coats changed, nor the smell of fire passed upon them," (Daniel 3:27).

That power is available to you today, through the God that I serve. Hallelu'Yah!
"Let us hear the conclusion of the whole matter:
Fear God, and keep his commandments: for this is the whole duty of man.
"For God shall bring every work into judgment, with ever secret thing,
whether it be good
or whether it be evil." - Ecclesiastes 12:13, 14

ACKNOWLEDGMENTS

This book could never have been written without the help of these students of FREEMASONRY, some of whom were high ranking Masons themselves: Martin L. Wagner and his FREEMASONRY - An Interpretation; Samuel Roth - JEWS MUST LIVE; Msgr. George Dillon - GRAND ORIENT FREEMASONRY UNMASKED; Nesta Webster - SECRET SOCIETIES AND SUBVERSIVE MOVEMENTS; Rev. E. Cahill - FREEMASONRY AND THE ANTI-CHRISTIAN MOVEMENT Dr. Shepherd, a former high ranking Mason; Rev. Jim Shaw of Silver Springs, Florida, a former high ranking Mason; Ed Decker, from FREE THE MASONS MINISTRIES, and my good friend and critic, Harry E. Werner, Jr., who has been a tremendous help and blessing to me.

This book is not original thought as far as I'm concerned. It is merely the compilation of many facts and documents dealing with FREEMASONRY which have been put into book form to help my readers understand the subversive forces behind FREEMASONRY which are seeking to enslave and destroy the white Christian world. If in writing this, the facts contained herein set some Mason free from the satanic influence of the Lodge, we will give God the credit and glory.

1 - WHAT IS FREEMASONRY? (A Grand Chaplain Speaks Out.)

Dear Servant of God:

Knowing that you desire to serve the Lord with all your heart, I share this letter with you. Perhaps you have been struggling with the same situation. On Nov. 22nd, I sent the facts contained in this letter to all masonic bodies of which I am a member. I invite you to prayerfully read it. It will explain why I, as a Grand Chaplain of the Grand Lodge of Free and Accepted Masons of the State of New York, am requesting a demit from all bodies of the masonic fraternity. There is much more that I could share with you. I would be happy to share more if it will help you in the Lord's service.

Many have asked me if FREEMASONRY is a religion. I have always responded, "No." Others have told me it is a religion. Study has revealed the fact that learned writers in the fraternity say MASONRY IS A RELIGION. The Lord Jesus Christ said: "hi the mouth of two or three witnesses, every word is established" (Matt. 18:16). In order to be brief, I will quote only four masonic authorities that masonry is a religion.

ALBERT MACKEY, one of the best known masonic authorities, wrote in A LEXICON OF FREEMASONRY (pg. 402): "The religion, then, masonry, is pure theism .

ALBERT PIKE, the most important of all American masonic authorities, wrote in MORALS AND DOGMA (pg. 213-214): "Every masonic lodge is a temple of religion, and its teachings are instructions in religion ... this is true religion.
revealed to the ancient patriarchs,' which masonry has taught for centuries, and which it will continue to teach as long as time endures."

J. S. M. WARD, a masonic authority who has written several important books on masonry, wrote in his book: FREEMASONRY: IT'S AIMS & IDEALS, (pg. 185): "I consider freemasonry is a significant organized school of mysticism to be entitled to be called a religion." He continues on page 187: "Freemasonry ... taught that each man can, by himself, work out his own conception of God and thereby achieve salvation." It holds that there are many paths that lead to the throne of the all-loving Father which all start from a common source. Freemasonry believes, according to Ward, "that though these paths appear to branch off in various directions, yet they all reach the same ultimate goal, and that to some men one path is better and to others, another."

FRANK C. HIGGINS, a high mason, wrote in ANCIENT FREEMASONRY, (pg. 10): "fit is true the freemasonry is the parent of all religion."

These masonic witnesses all agree in their doctrine that masonry is, indeed, a religion. It is necessary now to ascertain whether masonry is a true religion or a false religion. In an article entitled, How to Recognize a False Religion (Faith for the Family, Nov/Dec 1974), a prominent Christian leader wrote:

"All false religions, however, have some things in common. Here are the three simplest tests by which any religion should be judged; FIRST, what is its attitude towards the Bible? SECOND, any religious teaching should be judged by this question: 'What is its attitude towards Jesus Christ?' FINALLY, in judging any religious system, we should ask: 'What is its attitude toward the blood of Jesus Christ.'"

According to these three tests, masonry is a false religion manifesting a satanic attitude towards the Bible, the Deity of Jesus Christ, and the blood atonement of Jesus Christ. In order to establish this charge, keep in mind the word of Christ, "In the mouth of two or three witnesses every word shall be established." Please consider now the testimony of masonic authorities which reveals masonry's satanic attitude towards the Bible, the
Deity of Jesus Christ, and the vicarious atonement for the sins of mankind by the shedding of Christ's blood on the cross.

JOSEPH FORD NEWTON, a famous masonic authority and writer, in an article entitled: **THE BIBLE AND FREEMASONRY**, wrote: "The Bible so rich in symbolism is itself a symbol ... thus, by the very honor which masonry pays the Bible, it teaches us to revere every book of faith in which men find help for today and hope for tomorrow, joining hands with the Hindu, as he makes covenant with God upon the book that he loves best."

ALBERT PIKE, in **MORALS & DOGMA**, (pg. 718) wrote: "Masonry propagates no creed except it's own simple sublime one,' that of universal religion, taught by nature and reason.

One who has been truly "born-again" (born from above), can see that the above statement from masonry totally rejects the crucial doctrine of an infallible, God-breathed, inerrant Bible.

According to the SECOND TEST, masonry is a false religion because it totally rejects the crucial doctrine of the Deity of the Lord Jesus Christ.

J. D. BUCK, M.D., another masonic writer of importance, in his book **SYMBOLISM OF MYSTIC MASONRY**, wrote (pg. 57): "In the early church as in the secret doctrine, there was not one Christ for the world but a potential Christ in every man. Theologians first made a fetish of the impersonal, omnipresent divinity,' and then tore the 'Christ is God' from the hearts of all humanity in order to Deify Jesus; that they might have a God-Man particularly their own."

According to the THIRD TEST, masonry is a false religion because masonry dogmatically refuses the doctrine of salvation from the penalty of sin by faith in the vicarious atonement of Christ's shed blood on the cross.

THOMAS MILTON STEWART, another masonic author, in his book **SYMBOLIC TEACHING ON MASONRY AND ITS MESSAGE** to support his doctrine, quoted favorably an apostate Episcopal minister on pg. 177: 'Did Jesus count Himself conceive of Himself as a proprietary sacrifice and of His work an expiation? The only answer possible is clearly, He did not... He does not call Himself the world's priest, or the world's victim."
Salvation by faith in the vicarious atonement are not "ignorant perversions of the original doctrines" as masonry teaches, but are vital ingredients of the glorious Gospel of Christ, which is the power of God unto salvation to everyone who believes. THEREFORE, masonry fails all three tests! It manifests a satanic attitude towards the Bible, the Deity of Christ, and the vicarious atonement. In addition to failing these tests, there is much more proof that masonry is a false religion.

For instance, HENRY C. CLAUSEN, 33°, Sovereign Grand Commander of the Supreme Council 33°, Mother Council of the World, in the NEW AGE, November, 1970 (pg. 4) wrote regarding masonry: "It is dedicated to bringing about the Fatherhood of God, the Brotherhood of Man, and making better men in a better world."

The doctrine of the Fatherhood of God and the Brotherhood of Man is not found in the Bible. It is a doctrine taught consistently by apostates. Also, the Bible makes it crystal clear that no organization, masonry included, can make better men. ONLY GOD CAN MAKE BETTER MEN!

According to a masonic creed, found in the Masonic bible, masonry teaches that "character determines destiny."

The teaching that character determines destiny is a false doctrine of the Arch Deceiver of men's souls. The Bible says: "There is none that doeth good," and "For by grace are ye saved through faith and that not of your selves; it is a gift of God, not of works, lest any man should boast" (Eph. 2:8).

Masonry is anti-Christian in its teachings. For example, J. M. WARD, in FREEMASONRY - ITS AIMS AND IDEALS, wrote on (pg. 187): "I boldly aver that freemasonry is a religion, yet it no way conflicts with any other religion, unless that religion holds that no one outside its portals can be saved." Ward in his statement, reveals the fact that masonry has no conflict with any apostate religion on the face of the earth, but that it is in conflict with Christianity. The Bible says: 'Neither is there salvation in any other, for there is none other name under heaven, given among men, whereby we MUST be saved" (Acts 4:12). The Bible makes it clear that there is no other way to salvation except through Jesus Christ.

A prominent college president said of masonry: "It is a Luciferean religion. We are fully aware of its diabolical origin and purpose. I believe
that any born-again Christian, when the facts from the lips of masonic writers themselves are presented showing that masonry is a religion and is the worship of Satan, will immediately withdraw." To this I must add my hearty agreement!

The God and Father of the Lord Jesus Christ, the only True and Living God, has clearly commanded Christians: "Be ye not unequally yoked together with unbelievers, and swear not at all, and have no fellowship with the unfruitful works of darkness, but rather reprove them" (2 Cor. 6:14).

CHARLES FINNEY, the famed evangelist who God used to bring revival to America in the 1930's, in his book, FREEMASONRY (pg. 115) wrote: "Surely, if masons really understood what Masonry is, as it is delineated in these books, no Christian Mason would think himself to remain at liberty another day as a member of the fraternity. It is as plain as possible that a man knowing what it is, and embracing it in his heart, cannot be a Christian man. To say he is is to disbelieve the very nature of Christianity."

For me, the signs of the time compared with prophetic Scripture, make it apparent that we are living in the last days prior to the Rapture of the Church. (Here is another apparently sincere man, who has been taken in by Jewish propaganda concerning the Rapture - ED). Satan is hard at work trying to hinder believer's spiritual growth, as well as trying to keep the unsaved from entering God's family. Freemasonry, I have come to believe, is one of Satan's master deceptions. Many ministers, elders, deacons, trustees, and Sunday School teachers belong to this cult. Today, my membership ends! Today a new ministry begins! There is a tremendous need to scrutinize the cultic nature of Freemasonry in view of the massive infiltration of its effects on the working body of the church. It should be exposed to the True Light - Jesus Christ.

Love in Christ,

2 - WHAT ABOUT THE YOUTH ORDERS OF FREEMASONRY?

The following information comes from an article titled: THROUGH THE FIRES OF MOLECH, by WILLIAM J. SCHNOEBELEN. For further information contact: FREE THE MASONS MINISTRIES, P.O. Box 1077, Issaquah, WA 98027.

An earnest question is asked of us who minister to the Masons. "So if Masonry is un-Christian, what about the youth orders of Masonry? Are they so bad?" In this increasingly carnal world order, are there good places one can send their son or daughter for fun and fellowship with the assurance that they will only be exposed to wholesome influences?

What about the Masonic orders for youth - the ORDER OF DEMOLAY? THE RAINBOW GIRLS? JOB'S DAUGHTERS? Are these innocent enough? This assumption neglects central principles found in the Holy Bible - the very Bible which is found reposing on the alters of Masonry.

The first question is one of spiritual authority. Surely no Christian parents needs to be reminded of the responsibility they have for the precious young souls God has entrusted to them. The Bible is full of admonitions to carefully train one's child.

"And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, and when though liest down, and when thou riseth up" (Deut. 11:19).

And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord" (Eph. 6:4).

Conversely, there are dire spiritual warnings for those who either fail to teach their children or who lead them in error-filled teachings:
"But whoso shall offend one of these little ones which believe in me (Christ), it is better for him that a millstone were hanged about his neck, and that he be drowned in the depths of the sea" (Matt. 18:6).

Thus God has given Christian parents ultimate spiritual authority, or headship over their children. Even if the child has not yet received eternal life, he or she is protected under the covenant of the parent's commitment to Jesus Christ to an incredible extent. The Lord has placed a strong hedge of protection around Christian families.

"Hast thou (God) not made a hedge about him, and about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land" (Job 1:10).

What does all this have to do with Masonic youth orders? It is the same question of leadership. Masonry is a false religious system, and its god is not the Biblical God. Therefore, temples of Freemasonry are temples of a false god; and Freemasons are, knowingly or not, priests of a false, Baalish system.

Please bear in mind that this is a spiritual principle and that it has little to do with the appearances or even the philosophies of these youth groups. None of these groups are allowed to meet without the presence of a MASTER MASON. They function solely under the charter of Masonic authority! They are also designed to draw young people into the adult orders, which means that upon being initiated the young man or woman is spirithe ly "adopted" into the Masonic family, even though they are not actually Masons.

Even the Christian youth, who has been adopted into God's family (Rom. 8:15-17) comes under this spiritual authority of Masonry as well when he joins the order. This cannot help but make them "double-minded" (James 1:5-8) at an already difficult phase of their lives.

No matter how apparently "innocent" the ceremonies and teachings of these youth orders are, they function under
the shadow of an anti-Christian spiritual power which the Master Mason brings with him.

No parent would knowingly permit their son or daughter to attend a coven of witches; and yet the same spiritual principality (Eph. 6:12) which presides over witchcraft, ALSO presides over Masonic ceremonies - the false god of magic and ancient pagan fertility cults from which Masonry proudly claims descent.

FUELING THE FIRES?

Thus the youth is walking innocently into a spiritual minefield, without warning, when they enter a Masonic youth order. They stand in Satan's territory and have opened a doorway in their lives to him to begin to corrode their very souls. They have broken down the hedge which God has placed around them! (Eccl. 19:8).

Not only that! At the very age when powerful emotional drives are running at peak, they are surrendering themselves to a spiritual power which is engineered to provoke lust! The very elements and symbols of Masonry, even as in witchcraft, are sexual in spiritual content. A young person who is receiving sound instruction at home would be having it subtly undermined by submitting to the headship of Masonic authority!

Masonry exalts human sexuality in a disguised way. The square and compass symbols actually represent the male and female reproductive organs. The "point within the circle" and the twin pillars are disguised forms of ancient talismans of paganism designed to invoke lust.

2 Albert Mackey 33°, Encyclopedia Of Freemasonry, pp. 560, 573; and Symbolism In Freemasonry, pp. 352-53).
Thus, while teaching pious principles on the surface, these orders only serve to pour fuel on the already smoldering fires of adolescent emotion, and the God-given rights of the Christian parents are diluted by the very real authority of a strange god who appeals to all that is carnal in a young person.

WHERE IS CHRIST?

The desire to be "something special," and to "Lord it over others" is enhanced by these groups, which bestows impressive, high sounding titles upon the officers ("Honored Queen," etc..) and dress them up in all the pomp of royalty! Crowns and scepters, satin robes and chains of office: these all serve to glorify the egos of the young people instead of conforming them to the humble image of Christ (See Phil. 2:5-9; Rom. 12:1,2).

Certainly these orders make a show of teaching "religion," but religion is not what our youth need. They need the Gospel of Grace! Subtly but completely, a doctrine of salvation by works and labor is taught in these orders, contrary to Scripture. The secrecy and elitism of these groups is both uncharitable and forbidden by Jesus Christ Himself, who forbade the taking of oaths (Matt. 5:34-37). True Christian love does not exclude, but rather embraces "whosoever will may come."

THERE ARE DEEPER CONCERNS!

Listen to the Prophet Jeremiah: "And they built the high places of Baal, which are the valley of the son of Himmon, to cause their sons and daughters to pass through the fire unto Molech; which I commanded them not, neither came it into my mind that they should do this abomination, to cause Judah to sin" (Jer. 32:35).
Elsewhere God specifically commands: "Thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God. I am the Lord" (Lev. 18:22; 20:1-5).

Now what is being spoken of was a particularly vile form of child sacrifice. Molech was a god of the Ammorites, an idol made of metal and heated up by flames from within. The child was placed in the idol's red-hot arms and one hesitates to even imagine the results. The Hebrews were forbidden by God to do this.

Yet, unthinkable as it sounds, the Israelites persistently fell into this precise sort of idolatry. They were so beguiled by the exquisite sounding promises of the priests of Baal and Molech that they willingly passed their sweet children through the fires; in spite of the repeated warnings of the prophets. Even the wise Solomon, one of the patron saints of Masonry, built an altar to this god (1 Kings 11:1-8).

Horrifying as this may seem, in Masonry the same thing is happening to the young person on a spiritual level! The fires of Molech only consumed the bodies of those innocent children; the spiritual fires of the Masonic order corrodes the very souls of our
youth! The "intention rites" which they put these young people through are unhallowed conflagrations which sear their consciences with a red-hot iron.

In our society today, there are enough "fires" through which our children must walk: drugs, sex, occult movies, and heavy metal music. Most of these the child chooses for himself, however, unknowingly.

But in the Masonic youth orders, the young person is often urged to join with the blessings of the parents. The very virtuous appearance of these Orders is what makes them the more dangerous. These teens are drinking spiritual poison in unlabeled bottles! They are coming under an un-Christian spiritual power which conflicts with the power of God and can only cause confusion to the teen.

Solomon wrote that "He that troubleth his own house, shall in inherit the wind" (Prov. 11:29); and his life was tragic proof of that. His idolatry fractured the kingdom of Israel, and he did indeed "inherit the wind."

We are troubling our own house when we offer our children these pagan societies. We are creating subtle discord in their young hearts when we let them sit, week after week, under the shadow of Masonry, and yet expect them to be upright.

WHAT CAN BE DONE?

Let us remember the "curse of the millstone," which Jesus said in Matthew 18:6, should be tied around the necks of those who lead children astray and try to pass our adolescents through more fires than our culture already subjects them to.

It is the unseen trap which is the most deadly, and their very souls are at stake. If you are allowing your young people to partake in these societies, you need to get them out immediately! If you, yourself, are involved, you need
to renounce them and repent before God! Only then will you have full victory which Jesus can bring.

It is important to remember, that as you draw your children from these "fires," they will also need to repent in prayer for their involvement. They can do this by asking a loving Savior to wash them clean with His blood and take the spiritual debris out of their lives! He is indeed 'faithful and just to forgive us and to cleanse us from all unrighteousness" (1 John 1:19).

3 - INTRODUCTION TO THE MASONIC PROBLEM

In John 7:4 we read: "For there is no man that doeth anything in secret, and he himself seeketh to be known openly. If though doest these things, show thyself to the world."

In Luke 8:17 we read: "For nothing is secret, that shall not be made manifest (rendered apparent or made known); neither anything hid, that shall not be known and come abroad."

The subject which we are about to discuss in detail is one which I have avoided for a long time. But because of the seriousness of its nature and the profound danger it presents to white Christians in particular, it is something I MUST face even though its revelation may bring personal danger and many may be offended.

I am praying that this book will engender more "light" than it does "heat." I do not ask that you agree with my conclusions, some of which will be rather startling in nature. I do ask that you are fair enough with yourself, to read this book to the end, before you consign it to the waste basket. Please do not be one of those smug persons who say by their actions: "Don't
bother me with the truth, I have already made up my mind!" It is very possible, that before I have finished with this subject of FREEMASONRY, I will have to say with the Apostle Paul: "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16).

What is this "super-sensitive" issue we will discuss, that might cause this adverse reaction? No, we will not be discussing JUDAISM, although this has also become a "No! No!" in modern life. In the pages which follow, I will attempt to describe a dangerous phenomenon known as FREEMASONRY! We will look into what it is, how it began, discuss its major purposes and then see the startling story of who is behind it!

To gain these answers, we will go to a number of sources, including writers who have been high ranking Masons who, when they learned the truth and found out the nature of the organization they had joined, had the courage to get out and expose it!

We will examine statements made by both the Lodge and its opponents. I ask that God will give us enlightenment, through His Word, the Bible, so that we may learn the truth, not what men would like to believe.

In Ecclesiastes 12:1, we read: "For God shall bring every work into judgment, with EVERY SECRET THING, whether it be good or evil."

A great American educator of an earlier day once said: "It must be a bad issue which cannot bear discussion. Truth always seeks the light."

Jesus said in John 3:19 - "And this is the condemnation, that light is come into the world, and men loved darkness rather than light, BECAUSE THEIR DEEDS ARE EVIL."

There you have it!

It would seem from this, that most things which are done in secret are evil. In Ephesians 5:12 we read: "For it is a shame to speak of those things which are done of them in secret."

We are going to probe deeply into one of the most secret of all secrets - a secret which has and still does involve millions of men and which exerts untold control over the lives of all Americans.
What is this hidden force called FREEMASONRY?

To millions of members, in what is sometimes called the Blue Lodge, which makes up the lower ranks of FREEMASONRY, Freemasonry is a philanthropic, benevolent, fraternal order of men, who have banded together under the Christian banner of "world-brotherhood" for a common cause.

Often, however, hidden orders in society, have had ulterior motives, not known to the "rank and file" members. Only the "elite" in the "upper echelons" are allowed to see the secret plans.

It may interest you to know that most of the lower orders of Freemasonry, do not realize their is a close connection between Masonry and anti-Christ Zionism, but this is an established fact of history which I will seek to prove to you.

The Talmudic (Jewish holy book) formulas employed by Freemasonry; the Jewish traditions which run through masonic ceremonies, all point to a Jewish origin, or to the work of Jewish connivers in the lodge. Behind the Zionists urge to rebuild Solomon's temple, lies a virulent hatred of Christ and all things Christian and is found in the depths of Jewish secret societies.

We should remember, that the people of the Bible, in both the Old and New Testament eras, those who most translations of the Bible call JEWS, should actually be called JUDEANS, since there were no people in the world known as JEWS, until about 742 B.C., nearly 1200 years after the time of Abraham, where we find them fighting against Israel.

Since the term JEW, in the Bible, has no religious connotation and simply refers to those people who were living in the area of Palestine called JUDEA and which were made up of many races, and religions, therefore they should be properly referred to as JUDAHITES or JUDEANS, rather than JEWS.

The religion of the modern people we call JEWS, was not the Hebrewism of Moses and the Old Testament prophets, but was a new, Cabalistic (occult) religion the Judeans brought back with them when a few returned
from Babylonian captivity about 536 B.C. Today, this religion is more accurately known as **TALMUDIC JUDAISM**. At the time of Christ, the Talmudic scholars were called **PHARISEES**. Many of these were Edomites who were related to Abraham through his grandson Esau (see John 8:33). While these sat in "Moses' seat" of authority (Matt. 23:2), they had already overthrown the true Hebrew religion, by what Jesus called "the traditions of men " (Matt. 15:6, 9).

These were the enemies of God and God's true Israel and were the ones with whom our Lord had a constant running battle while He was here on earth. These were the ones who ultimately persuaded the Israelite people to kill their own Messiah (John 1:11).

One of the tenets of their plot was to return to Jerusalem from Babylon, rebuild Solomon's temple and from there establish control of the world. The above was taken from a discourse by Msg. George Dillion, given in Edinburgh, Scotland, in October 1884. The object of his message was to give a clear outline of the secret, atheistic organization, that was to aid the JUDEANS in their worldwide plot.

In spite of the fact that God had given repeated warnings to the Hebrew people through His prophets, they constantly refuse to follow His plans. God permitted them to kill His Son, Jesus Christ, and thus restore the hope of salvation to mankind "For by His (Christ's) stripes are we healed" (Isa. 53:5). When the JUDAHITES turned their backs on God, the Kingdom was taken away from them and given to another nation (Israel), (see Matt. 21:43).

On account of their racial pride, the people who called themselves JEWS, refused to accept the idea of a kingdom higher than their national life and refused to believe that anyone but they could enter this kingdom. When Christ was murdered on Mt. Calvary, at the instigation of the national leadersfailey determined to work against God and His purpose and impose their rule on all peoples everywhere. This has been their purpose ever since and they make very little attempt to hide it.

Following the narrow, national outlook dictated by national pride, the modern people who call themselves JEWS have continued on this road for centuries (Read **Malachi 1:2-4**, to get a better picture of what is happening now and what will be the end result.)
Over and over again, since Christ's atoning death on the cross, the Christian church has faced the persistent opposition of those who "say they are Jews and are not; but are of the synagogue of Satan" (Rev. 2:9; 3:9. Not my words but those of the risen Christ).

That the Jews eventually plan to rule the world is made adequately by their national leaders down through history! A letter from the Chief Rabbi of Palestine, appeared in THE IRISH INDEPENDENT newspaper, Dublin, Ireland, Jan. 6, 1948, in which Rabbi Hertszob stated concerning the establishment of the Israeli nation in Palestine:

"Eventually it will lead to the inauguration of the true union of nations through which will be fulfilled the eternal messages to mankind of our immortal prophets."

The thinking of these NEW AGE MESSIANIC JEWS, contains a two-fold corruption of all Christian nations. First by opposing the coming of our Lord, they oppose the only means by which mankind can come into a right relationship with God. Jesus said: "No man cometh to the Father, but by me" (John 14:6). 1 John 2:23 says: "He that denieth the Son, the same hath not the Father."

Secondly, Judaism seeks to impose their national ideals on all other nations. Thus the people whose religion is found in TALMUDISM place themselves in direct opposition to the world order proclaimed by Jesus Christ.

In his book, FREEMASONRY IN THE 16TH CENTURY, William Walsh states:

"It is no longer debatable that, if the false leaders of the Jews did not originate the secret societies to cover their own anti-Christian activities, they had a great deal to do with the business. The degrees and rites of Freemasonry are shot through with Jewish symbolism. The candidate goes towards the east, towards Jerusalem, he is going to rebuild the temple (destroyed in fulfillment of Jesus' prophecy)... The Grand Orient and Scottish Rites, sources of so many revolutions, are more militant and open and apparently more virulent than some of the others whom they are..."
leading into a single, one-world organization by gradual steps.

"It is certain there were Jews at the cradle of Freemasonry Cabalistic Jews, as proven by some of the rites they have preserved. According to Rabbi Stephen Wise, a leading ZIONIST of a generation ago: "When the Jews returned from Babylon, that was the end of Hebrewism and the beginning of JUDAISM."

Notes:-

1. The Cabal, or Kabbal, is an occult philosophy of the JUDAHITES who returned to Jerusalem after seventy years of captivity in Babylon. They returned with the BABYLONIAN TALMUD as the basis of their religion, replacing and superseding the TORAH of Moses.

Page 23

Walsh goes on to state that Jews were in the confidence of Adam Weishaupt, the Bavarian Jew who organized the ILLUMINATI CONSPIRACY in 1776, AND WHO RECRUITED MANY MEMBERS FROM FREEMASONRY. The lodges organized by Martinez de Pasqualis, a Jew of Portuguese origin, were "mystical," while others of FREEMASONRY were "naturalistic." (Rationalist - the doctrine that knowledge comes only from pure reason, without any aid from the senses. It is pure intellectualism, the doctrine which rejects all revelation and the supernatural.)

The Apostle Paul, speaking of men such as these said: "Professing themselves to be wise, they became fools" (Romans 1:22).

FREEMASONRY was in operation in Europe as early as 1527, where it was set up by JUDAISM as a secret society, or group of societies, in which its naturalism and anti-supernaturalism was kept secret and camouflaged. This contrasted with JUDAISM which openly proclaimed its hostility towards Christianity.
Both the "naturalists," and the FREEMASONS do not accept by faith, those truths which are made known to man through revelation. The fundamental error of FREEMASONRY can be found in its "naturalism."

In his book, *THE X-RAYS IN FREEMASONRY* Jewish author A. Cowen, writes on page 6:

> The Jews swarmed into it (Freemasonry) from the earliest times and controlled it through the higher grades and councils. They have controlled the ancient and accepted Scottish Rite since the beginning of the Nineteenth Century."

4 - FROM THE HORSE'S MOUTH

This chapter appeared as a pamphlet titled *FREEMASONRY - WHAT IS IT?* It appeared in print in November 1980, and was authorized by the Most Worshipful Grand Lodge of A.F. & A.M. of the Commonwealth of Virginia. It has subsequent printings in 1982, 1984, and 1986 and was accepted by the Supreme Council, 33° Ancient and Accepted Scottish Rite, Southern Jurisdiction, USA (Mother Supreme Council of the World).

On other words, what you are about to read, comes right "from the horse's mouth." In this chapter, you will discover what Masons say about themselves. In following chapters, we will discover what MASONRY is really all about.

FREEMASONRY - WHAT IS IT?

Freemasonry means many things to many people. This is true not only of the person who is not a Mason, but applies to Masons themselves. Some of those who have been members of the Masonic Craft for many years are afraid to mention even the things which almost everyone knows about the fraternity. Others among us are convinced that FREEMASONRY is a secret society and that they, as members, are forbidden to talk about it to others whom they do not know to be Masons. Most of this is far from the truth and a word of explanation concerning this Fraternal organization may not be amiss. FREEMASONRY IS A FRATERNITY. (Keep in mind that this is what FREEMASONIC LEADERS SAY Masonry is all about).

FREEMASONRY is the oldest, and by far, the largest fraternal order in the world. Its lodges stretch around the globe and, like the British Empire, it might well be said that the sun never sets on the Masonic Lodge. Fraternity means an association of friends and brothers, and that is exactly
what Freemasonry is - a society of friends and brothers. It is not a benefit society in the sense that one becomes a member of it because of the insurance benefits which he may receive or which may insure to his family at his death. It is not an eleemosynary institution (a charitable institution), founded to collect and disburse charity or founded on the giving of alms.

It is not a secret society in that its Temples are openly marked and almost everyone in the community knows where they are located. The Grand Lodge publishes a list of the members of every lodge in Virginia. Many of the lodges have individual bulletins which carry the names of officers and of members as well. Thus it is, in the strictest sense of the world, a society with secrets and these are limited to its obligation, its modes of recognition, and is the Tiller which guards the Lodge from intrusion.

**FREEMASONRY'S MEMBERSHIP**

Membership, because it is a fraternity, is limited to men. He who would become a member must meet certain recognized requirements - high standards of character and reputation. It does not require that its members subscribe to any particular creed, or belong to any particular church. Church membership does not keep one out of or secure him admission into any Masonic Lodge. The profession of a belief in God and in a future life are the sole religious requirements.

No one is excluded because of his membership in a particular church. There are, however, a few denominations which do not allow their members to become Masons, in some instances the mistaken impression had gone abroad that Freemasonry refuses admission to those who are members of certain denominations. It is the the church, rather than Freemasonry, that denies that membership.

**HOW DOES ONE BECOME A FREEMASON?**

Many men do not understand the process of acquiring membership in a Masonic Lodge. No one is ever invited to become a Mason or to join a Lodge. Though all morally good men would be welcomed in any Masonic Lodge, the man himself must first ask some Mason about becoming a
member. Once he has done so, the requested Mason will secure an application blank, called by our Lodges a petition, and he has taken the first step. He must have two Masons who know him to sign his petition, vouching for his character and his qualifications. He must also receive the unanimous ballot of the members of the Lodge to which he applies for the degrees, who are present when his petition is voted on.

Having passed this ballot, the candidate receives his first of three degrees which make up the symbolism of the Craft Lodge. This is designated The Degrees of Entered Apprentice. The second degree is designated The Degree of Fellow Craft, and the third degree is the Degree of Master Mason. Each degree is a separate entity and one is always an Entered Apprentice when he sits in a lodge on the First Degree of Masonry, no matter what his Masonic status may be. Each of these degrees has certain rights and privileges but all of the rights and privileges are attained only after the degree is received.

After he has received each of the degrees, the candidate must commit to memory a catechism covering the degree received. He must be examined in open Lodge and prove his right to be advanced thereby. This serves a useful purpose, for it assures the Fraternity that each will know himself to be a Mason and be able to recognize others of the Craft by their manner of speaking. He will be enabled by such knowledge to visit other Lodges where he is not known and must be examined to prove his right to be admitted.

FREEMASONRY'S ORIGIN

Freemasonry is ancient, having existed in some form for so long that many serious students have differed as to the time and place of its origin. There is evidence of a basic type of craft association which antedate the Christian era. It survived various transitions which took place during the Middle Ages. It was during this period that the word FREE was prefixed to the word MASON, because these builders were one of the very few classes of persons allowed to travel from country to country and to practice the builder's art wheresoever they went. It was these companies of Masons who constructed the beautiful cathedrals and other stately structures which dot the plains of Europe and the English countryside. These men differed in the main from others of the working crafts because they, possessing knowledge and skills not found elsewhere, were free men rather than bond servants.
Until the Sixteenth Century Masons were strictly an operative craft, bound together by the close ties found in the constructive guilds of the day. Early in the Seventeenth Century, men of prominence were admitted, not as craftsmen, for they were not skilled in the builders art, but rather as patrons. Gradually these men came to be known as "ACCEPTED MASONS." Thus, by the time the Seventeenth Century came to its end these ACCEPTED or SPECULATIVE MASONS were predominate in many of the older Lodges of Freemasonry. Today the Masonic Lodge is termed SPECULATIVE because its emphasis is on the moral philosophy which is its foundation, rather than the operative art of the Sixteenth and earlier centuries. The tools of the stonemason are used to symbolize moral virtues rather than build cathedrals.

THE GRAND LODGE SYSTEM

On June 24, 1717, St. John the Baptist Day, the members of four old Lodges in London, met together in Grand

Page 28

ASSEMBLY TO FORM THE GRAND LODGE of England. That this was a SPECULATIVE LODGE is evidenced by the election of one styled ANTHONY SAYER, GENTLEMAN as Grand Master. All modern Freemasonry traces its beginning under the Grand Lodge system of Government.

FREEMASONs came to America about the third decade of the Eighteenth Century when Lodges were established in New York, Pennsylvania, Massachusetts, Virginia, South Carolina and Georgia. American Freemasons can take pride in the part which members of this Fraternity have played in the history of this country.

Many of the signers of the Declaration of Independence were Masons and the same statement is true of those who signed the Constitution of the United States. Famous men such as George Washington, Benjamin Franklin, Paul Revere, Lafayette, James Monroe and others whose names awaken memories of the founders of our country. Since our country's beginning, thirteen Presidents have been Masons.

Masons have also won laurels in other fields of endeavor and we find them prominent in government, in science, in sports, in entertainment, and finally in man's newest field, that of space exploration with Wally Schirra, Gordon Cooper, Virgil Grissom, and "Buz" Aidrin, all bound by the
mystic tie of Freemasonry.

FREEMASONRY - WHAT IS IT

It has a different connotation in different situations. Someone has written that Freemasonry is honesty in business; that it is fairness in work; courtesy in society; compassion for the sick and unfortunate; forgiveness for the penitent; love for our fellow man and reverence for God.

Yes it is all of these, but it is more, for Freemasonry is a philosophy to live by, the shadow of a mighty rock in a weary land.

WE HAVE SEEN WHAT FREEMASONIC LEADERS SAY ABOUT FREEMASONRY, NOW LET'S TAKE A CLOSE LOOK AT WHAT IT REALLY IS. THEN YOU BE THE JUDGE AS TO WHETHER IT IS GOOD FOR AMERICA OR NOT!

5 - A FORMER HIGH RANKING MASON LOOKS AT FREEMASONIC SYMBOLISM

From here on, we will get into the heart of FREEMASONRY, and there will be many of the Masonic members of the lower orders who will be furious by what they will believe to be a senseless expose of their Lodge and a revelation of its secrets. But the high ranking Mason who reads this, although he will be furious over it, will recognize the truth, even though he refuses to admit it. If I reach only one member of FREEMASONRY with the truth, the effort taken to write this book will be worth it. It is not written as a means of hurting any good person, but to expose a very present danger to those of us who are White Christians who love our country. This chapter will come from a brochure I received from J. Edward Decker, Jr., who works with an organization called FREE THE MASONS MINISTRIES. You can contact him at P.O. Box 1077, Issaquah, WA 98027. He would be most interested in corresponding with members of the Masonic Lodge, who may be concerned with what they have seen happen within their Lodge.
The question of the Christian stand regarding Freemasonry seems to confront our ministry at every turn lately, because I have seen the exact parallels of the Masonic legends and rituals carried throughout the "mysteries" of Mormonism and have studied deeply into Masonic origins, purposes and doctrines.

In doing so, I have had to come to grips with the sad fact that the esoteric doctrines of Freemasonry separate it, just as unequivocally as do those of Mormonism, from the Christian theology. This holds true of every branch of Masonry, from the Shriners to the Blue Lodge, the Eastern Star, the Demolay, Job's Daughters and the Rainbow Girls! It holds true for the Scottish rite or the York rite!

I realize this will cause offense to many Masons, and for that I am truly sorry. But I would rather that the Masons be offended at me and then be resorted to true fellowship with Jesus Christ than to remain silent any longer.

This word of warning is not to the Masonic Fraternity at large, but to those Masons who claim to be both Masons and Christians.

A recent newspaper insert, called *FREEMASONRY - A WAY OF LIFE!* appeared in many metropolitan areas. It pictured Freemasonry as a family-centered, fraternal, benevolent organization, as "American as apple pie!"

Not only does this article demonstrate the strength of Freemasonry among our political leaders (Both past and present), but makes much of its use of the Holy Bible and its foundational belief in God. Masonry has a strong representation in Christian denominations throughout the world. In many churches we visit, we find Masons involved as deacons, elders, board members, and even pastors.

Their claim and the claim of every Mason to the outside world is that Masonry and Christianity are totally compatible. They tell me that religion is the experience of relating to God, and Masonry the experience of relating to
mankind. While separate, they can and do naturally coexist.

The article mentioned above explains its "religious" position this way. Masonry is NOT a religion in any sense of the word, yet it is religious. Church membership is not a requirement, yet membership in ANY is no bar to admission. There is nothing in the requirements of Masonry to prevent a Catholic, a Mohammedan, a Jew, a Buddhist, a Protestant, a Mormon, or any member of any religion from becoming a member.

On the surface, this might seem quite reasonable. I find no offense in being involved in social, civic and benevolent activities with people of other religious backgrounds

But when it comes to my own personal worship of God, and His revelation to me of His Word, there are some very clear guidelines.

If Freemasonry is truly what it professes publicly, then "Bravo!" It is a welcomed 'fellowship! If it is being deceptive, then it should be exposed. It is that simple.

Let's see what Masonry TRULY teaches within its closed doors, through its own published documents. No "anti-Masonic" publications will be cited in explaining the TRUE Masonic theological position.

The key document from which I quote is the most readily available and universally approved doctrinal book of Freemasonry, MORALS AND DOGMA OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF FREEMASONRY, by Albert Pike, Grand Commander (1859-1891). Its title page states that it was prepared for the "Supreme Council of the 33 " and Published by its Authority." Originally published in 1871, I will use the 1966 edition. Except where other sources are noted, I cite page numbers only when using this work. Emphasis within parenthesis are my own.

- MASONRY DESCRIBED -

CUSTODIAN OF TRUTH

(Masonry). "The custodial and depository (since Enoch) of the great philosophical and religious truths, unknown to the world at large, and handed down from age to age by an unbroken current of tradition,
embodied in symbols, emblems and allegories" (pg. 210). (This seems almost identical to what TALMUDIC JUDAISM teaches and what Jesus criti-cized the Pharisees of when He accused them of "Making the commandments of God of none effect by their traditions" [Matt. 15:6] - ED).

"Masonry is, in every sense of the word, except one, and that its least philosophical, an eminently religious institution - that it is indebted solely to the religious element which it contains for its origin and for its continued existence and that without this religious element it would scarcely be worth cultivation by the wise and good.

"Freemasonry is NOT Christianity nor a substitute for it ... But the religion of Masonry is not sectarian. It admits men of every creed within its hospitable bosom, rejecting none and approving none for his particular faith... Masonry, then, is, indeed, a religious institution; and on this ground mainly, if not alone, should the religious Mason defend it."1

THE FOUNDATION OF RELIGION

"It (Masonry) is the universal, eternal, immutable religion, such as God planted in the heart of universal humanity. No creed has ever been long-lived that was not built on this foundation. It is the base and they are the superstructure" (pg. 219).

TEMPLE OF RELIGION

"Every Masonic Temple is a Temple of Religion, and its teachings are instruction in religion" (pg. 213).

Notes:-

Page 33

BUDDHA THE FIRST LEGISLATURE
"The first Masonic legislator whose memory is preserved for us by history, was Buddha, who, about a thousand years before the Christian era, reformed the religion of Manous" (pg. 277).

REVERENCES ALL REFORMERS

"It (Masonry) reverences all the great reformers. It sees in Moses, the lawgiver of the Jews (there were no people called Jews until 750 years after the time of Moses, see 2 Kings 16:6), where they first appeared in Scripture - ED.), in Confucius and Zoroaster, in Jesus of Nazareth, and in the Arabian Iconoclast, great teachers of morality and eminent reformers if no more; and allows every brother of the order to assign to each such higher and even divine characteristics as his creed and truth requires" (pg. 525).

NOT CREED - BOUND

"The true Mason is not creed-bound. He realizes with the divine illumination of his lodge that as a Mason his religion must be universal: Christ, Buddha, or Mohammed, the name means little, for he recognizes only the light and not the bearer. ('No man cometh unto the Father but by me," Jesus said, and we read in 1 John 2:23 - "Whosoever denieth the Son (Jesus) hath not the Father..." -ED.) He worships at every shrine, bows before every altar, whether in temple, mosque or cathedral, realizing with his truer understanding the oneness of all spiritual truth.\(^2\)

THE BAALIM

"Masonry, around whose altars the Christian, Hebrew, the Moslem, the Brahmin, the followers of Confucius and Zoroaster, can assemble as brethren and unite in prayer to one God who is above ALL the Baalim, leaves it to each of

Notes:-

its initiates to look for the foundation of his faith and hope to the written scriptures of his own religion” (pg. 226).

The word "Baalim" is simply defined as "false god or idol." The Masonic author has included the God of the Christian in this category.

**THE SURFACE OF ALL GOOD**

"Everything good in nature comes from OSIRIS -order, harmony, and the favorable temperature of the seasons and celestial periods” (pg. 476).

Osiris was the ancient Egyptian god whose annual death and resurrection personified the self-renewing vitality and fertility of nature. "The All Seeing Eye" is a Masonic representation of Osiris.

**MASONRY CONCEALS ITS TRUTHS**

"Masonry, like all the religions, all the Mysteries, hermeticism and Alchemy, CONCEALS its secrets from all except the Adepts and Sages, or the Elect, and uses false explanations and misrepresentations of its symbols to mislead those who deserve to be misled; to conceal Truth, which it call Light, from them, and to draw them away from it. (Compare this statement, with the one made previearey by the Masonic authority who stated, "Masonry is not secret - ED)
Truth is not for those who are unworthy, or unable to receive it, or would pervert it" (pp. 105-106).

**THE BLUE LODGE TO BE DECEIVED!**

"The Blue Lodge Degrees are but the outer court of the Temple. Part of the symbols are displayed to the Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them, but it is intended that he shall imagine he understands them" (pg. 819).

(Remember now, this information comes from one of the most famous Masonic Leaders of modern times and is a plain admission that the Lodge deliberately misleads the men who are in the lower orders - ED.)

**WORSHIPFUL MASTER - THE SOURCE OF LIGHT**

"Worshipful Master: The Head and Chief of the Lodge, the Source of Light, of Knowledge and the instruction in Masonry. He personifies the Sublime Art of Masonry and is the Spokesman thereof."2

**OBEEDIENCE THE FIRST RULE**

"The first duty of every Mason is to obey the Mandate of the Master ... The order must at once be obeyed; its character and its consequences may be matters of subsequent inquiry. The Masonic rule of obedience is like the nautical, imperative 'Obey order, even if you break owners.'"2

**THE INCOMPREHENSIBLE BIBLE!**

"The teachers, even of Christianity, are, in general, the most ignorant of the true meaning of that which they teach. There is no book of which so little is known as the Bible. To most who read it, it is as incomprehensible as the Sohar" (pg. 105).
THE INCOMPLETE BIBLE

"All truly dogmatic religions have issued from the Kabalah and return to it.

(Jewish occult books found in the

Notes:-

Page 36

Talmud - ED.) Everything scientific and grand in the religious dreams of the Illumaniti, Jacob Boehme, Swedenborg, Saint-Martin, and others, is borrowed from the Kabalah; all the Masonic associations owe to it their secrets and their symbols.

"The Kabahal alone consecrates the Alliance of the Universal Reason and the Divine Word.

"The Bible with all the allegories it contains, expresses, in an incomplete and veiled manner only, the religious science of the Hebrews. The doctrine of Moses and the Prophets, identical at bottom with that of the ancient Egyptians, also had its outward meaning and veils.

"The Hebrew books were written only to recall to memory the traditions; and they were written in symbols unintelligent to the profane ... thus was a second Bible born, unknown to, or rather uncomprehended by, the Christians; a collection, they say, of monstrous absurdities.

"One is filled with admiration, on penetrating into the Sanctuary of the Kabalah, at seeing the doctrine so logical, so simple and at the same time so absolute" (pp. 744 -745). (The "KABALAH" is a book of ancient Jewish mysticism and magic.)

DEITIES OF MASONRY (THE ENERGIES OF LUCIFER)
"When the Mason learns that the Key to the warrior on the block is the proper application of the dynamo of living power, he has learned the Mystery of his Craft. The seething energies of LUCIFER are in his hands and before he may step onward and upward, he must prove his ability to properly apply (this) energy. ²

LUCIFER IS GOD!

"That which we must say to the crowd is - We worship a god, but it is the god that one adores without superstition.

Notes:

Page 37

"To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st, and 30th° - The Masonic Religion should be, by all of us initiates of the high degrees, maintained in the purity of the LUCIFERIAN DOCTRINE

"If Lucifer were not God, would Adonay (the God of the Christians) whose deeds prove his cruelty, perfidy and hatred of man, barbarism and repulsion of science, would Adonay and His priests, calumniate him?

"Yes, LUCIFER IS GOD, and unfortunately, ADONAY is also God. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two
gods: darkness is necessary for light to serve as its foil as the pedestal is necessary to the statute, and the brake to the locomotive.

"Thus, the doctrine of SATANISM is heresy; and the true and pure philosophical religion is the belief in LUCIFER, the equal of ADONAY (Christ); but LUCIFER, GOD OF LIGHT and GOD OF GOOD, is struggling for humanity against ADONAY, the God of Darkness and Evil." 

The Word of God, the Bible, clearly puts LUCIFER in his proper place and gives God's reasons:

Notes:-

Isaiah 14:12 - 15

12 "How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which did weaken the nations!
13 For thou hast said in thine heart, I will exalt my throne above the stars of God; I will sit also upon the mount of the congregation, in the sides of the north;
14 I will ascend above the heights of the clouds; I will be like the most High.
15 Yet thou shalt be brought down to hell, to the sides of the pit."
Masonic ritual is connected with the recovery of the "Lost Word,"
presumed to be the name of God - supposedly lost through the murder of
the architect, Hiram Abiff, during the building of Solomon's Temple. This
quest is attained during the ritual of the ROYAL ARCH DEGREE. It is
here that the SACRED NAME of the DEITY OF MASONRY is revealed.
That name is JAOBULON, JAO is the Greek word for JEHOVAH, BUL
is a rendering of the name, BAAL, ON is the term used in the Babylonian
mysteries to call upon the deity OSIRIS.

The secret ritual of the craft prints the letters J.B.O. It states: "We three do
meet and agree-in peace, love and unity-the Sacred Word to keep-and
never to divulge the same-until we three, or three such as we, do meet and
agree." Thus, no Royal Arch Mason can pronounce the whole sacred name
by himself!

What you see represented, then as the god of Freemasonry, is a three-
headed monster so remote from the Christian Trinity and so blasphemous
as to damn the eternal soul of anyone who would dare to pronounce its
name in a ritual of worship!

Illustration of the Royal Arch

GOD OF THE MYSTIC SHRINE

The candidates for this ritual kneel at the alter of obligation with arms
bound, leaning upon the top, heads bowed. There they are required to
"assume a most powerful and binding oath, inseparably uniting yourself
with us, and once taken, it can never be retracted or departed from."

This oath is curse enough, being four pagethe length. Its penalty includes
"Having my eyeball pierced in the center with a three-edged blade."
The revelation of truth is in the candidates sealing of the oath, revealing the true nature of the masonic god of the Mystic Shrine. "...and may ALLAH the god of Arab, Moslem and Mohammedan, the GOD OF OUR FATHERS, support me to the entire fulfillment of the same, Amen, Amen, Amen." 2

Notes:-

Page 40

I AM THAT I AM

During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked: "Brother Inspector, what are you?" and he replies: "I AM THAT I AM." Can you imagine that? When Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you" (Exodus 3:14).

Tell me how a Christian can take to himself the Biblical name of God of Israel? The God of the Christian faith said:

Isaiah 44:
8 "Ye are even my witnesses! Is there a God beside me? Yea, I know not any!

9 They that make a graven image are ALL of them vanity; and their delectable things shall not profit; and they are their own witnesses; they see not, nor know; that they may be ashamed."

THE MASTER MASON - A GOD IN THE MAKING

"Man, is a god in the making, and as in the mystic myths of Egypt, on the potter's wheel he is being molded. When His light shines out to lift and preserve all things, he receives the triple crown of godhood and joins that
throng of MASTER MASONs who, in their robes of blue and gold, are seeking to dispel the darkness of night with the triple light of the Masonic Lodge.

"The glorious privileges of a Master Mason are in keeping with his greater knowledge and wisdom ... For him the heavens have opened and the Great Light has bathed him in its radiance.

Page 41

The Prodigal Son, so long a wanderer in the regions of darkness, has returned to his Father's house. The voice speaks from the Heavens, its power thrilling the Master until his own being seems filled with its divinity, saying, 'This is my beloved Son, (the Master Mason) in truth becomes the spokesman of the Most High. He stands between the glowing fire of light and the world. Through him passes HYDRA, the great snake, and from its mouth pours to man the light of God.'

зи
Friend, there is only One for whom the Father uttered those words and He wasn't a Master Mason ... nor in whom I am well pleased.' He will it ever be so. Jesus Christ is God's only mediator for me and you. Do not let any MAN ever tell you that he is, or that you may become, the spokesman for the Most High. Further, if you believe that God speaks through HYDRA, the great snake, then your god comes right out of the pit itself!

**OTHER TEACHINGS AND PRACTICES. MASON USURP THE PRIESTHOOD OF JESUS CHRIST.**

In the 19th level of the Scottish Rite Freemasonry, the initiate receives the degree of GRAND PONTIFF. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of

---

this degree to which I may belong; and the edicts, laws and mandates of
the Grand Consistory of Sublime Princes and Commanders of the Royal
Secret, as well as to those of the Supreme Council of the 33rd...."

At this time the "Thrice Puissant" anoints him with oil on the crown of his
head and says: "Be thou a priest forever, after the order of Melchizedek."

AFTER RECEIVING THE PASSWORD (Emmanuel) and the sacred
word (Alleluia), he is dressed in a robe of white linen and given ahcordon
(ribbon or sash of honor worn across the breast) of crimson color, with 12
stars representing the 12 gates of the "new city," and the twelve signs of
the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel,
and the twelve Apostles." 9

It must be pointed out that what has taken place here, is the Masonic
priesthood taking upon itself the Holy Priesthood of Jesus Christ. That is a
Priesthood that can be held by only One person and that one person is
clearly defined in Scripture as Jesus Christ.

In chapters seven and eight of the book of Hebrews, we are told that it was
ANOTHER Priest who would be raised up, not a group of priests! This
Priest would be our HIGH PRIEST and would be able to save to the
uttermost! He would have "endless life!" The holder of this Priesthood
would be "holy, harmless, undefiled, separate from sinners, and made
higher than the heavens" (Heb. 7:26). This is Jesus Christ, our Holy Lord
and God!

This Masonic ritual takes Christ's Holy Priesthood from Him, and the
Grand Pontiff boldly puts it upon his own breast. Even the use of Biblical
words fails to cover up the adding in of the "signs of the Zodiac," a direct
alliance with

Notes:-

(consulting the signs of the Zodiac to tell the future), or is an observer of times (which is an ancient description of the astrologer who deals with the Zodiac) "is an abomination unto the Lord."

Here again we see the image of biblical truth. The Priesthood of Jesus Christ is given to the deceiver, Lucifer, the true god of Masonry, who hides behind its mystery, ritual and allegory to snare its prey.
WASHED IN THEIR OWN BLOOD

In the seventeenth degree, or KNIGHTS OF THE EAST AND WEST, after the candidates have completed the initiation and after revealing the password (JUBULUM) and the Sacred Word (Abaddon), the Senior Warden conducts the candidate to the elevated vacant canopy at the right of the "ALL PUSSIAN." 

This is suppose to represent the end of the world when all good Masons receive their reward by being conducted to a throne at the right hand of the ALL PUSSIAN, having been purified by washing their robes in their own blood.

In the lecture which follows between the ALL PUSSIAN and the Senior Warden, the Book with Seven Seals -which none but one can open (Rev. 5:5) - is twisted to represent "A Lodge or Council of Masons which the ALL PUSSIAN alone has the right to convene or open."

The Fourth Seal is represented by a skull or "death's head," and Masons are told it "is the image of a brother who is excluded from a Lodge or Council." The Fifth Seal is represented by a "cloth stained with blood." The ALL PUSSIAN identifies this as a symbol "that we should not hesitate to spill ours for the good of Masonry." 10

What a gross misrepresentation of God's Holy Word. First and foremost, it is Christ and He alone who "Hath prevailed to open the book and loose the seven seals thereof" (Rev. 5:5). To presume that honor and power is to deny Christ, or yet in deeper perversity, to replace His power and authority with that of the "ALL PUSSIAN," even in the representation of the power to save and to enthrone. This is the very spirit of "anti-Christ!"

Again, another clue to the true identity of the Masonic Deity is revealed in the Sacred Word of the ritual,

---

Page 44

A MASONIC APRON WITH SYMBOLIC FIGURES
(From an early hand-painted Masonic apron.)
ABADDON. In Rev. 9:11 we learn that "they (the demons and workers from hell) had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is ABADDON."

MASONIC BLOOD OATHS ARE NOT OF CHRIST!

Throughout rituals of the BLUELODGES, and through the 33°'s of FREEMASONRY the candidates are sworn to secrecy by blood oaths. Such as is the oath sworn by the Entered Apprentice or First Degree:

"... binding myself under no less penalty than that of having my throat cut across, my tongue torn out by its roots, and my body buried in the rough sands of the sea at low-water mark"

The Master Mason swears:

"... under no less penalty than that of having my body severed in two, my bowels taken from thence and burned to ashes, the ashes scattered before the four winds of heaven."

RAISING THE DEAD

It is in this final BLUE LODGE degree that the candidate is laid out "in death" and is raised from the dead by the Worshipful Master of the Lodge, who represents King Solomon and using the "strong grip" (or Lion's paw) of the Master Mason.

Let no Mason deceive you! We are facing again this replacement of our Savior by the power and authority of Lucifer. Paul said that if anyone should preach any other gospel "than that which we have preached unto you, let him be accursed" (Gal. 1:8, 9).
The simplicity of the Gospel is this:

1 "Moreover, brethren, I declare unto you the gospel which I have preached unto you, which also ye have received, and wherein ye stand;

Notes:-

11 From: *Duncan's Ritual of Freemasonry.*

Page 46

2 By which also ye are saved, if ye keep in memory what I have preached unto you, unless ye have believed in vain.
3 For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the Scriptures;
4 And that He was buried, and that He rose again the third day according to the Scriptures."12

The infinite power of Jesus Christ was confirmed by Him when he said: "ALL power is given unto ME in heaven and in earth" (Matt. 28:28). This power belongs to Him alone! "For if by one man's offense death reigned by one; much more they that received abundance of grace and the gift of righteousness shall reign in life by one, Jesus Christ" (Rom. 5:17).

Jesus Christ was the one who rose from the dead. Jesus Christ is the only One who has the power to raise from the dead. Jesus Christ is the only One who can free us from the sting of death!

How can a Mason who calls himself Christian, allow himself to partake of a ritual resurrection by the power of Lucifer? This is Satanic! He stands, having been born again and raised from the dead as a Master Mason, through the power of the Masonic god, whom the God of Israel cast into the pit!

**MASONIC OATHS ABOVE THE LAW**

On the "five points of fellowship," he and his "savior" pass the sacred word: MAH-HAH-BONE!
Also, while in this position, the new Master Mason solemnly vows: "3rd, Breast to Breast: that you will ever keep in your breast a brother's secrets, when communicated to you and receive such, murder and treason excepted."\textsuperscript{13}

PAGAN COMMUNION - EATING THE DEAD!

"Question: What is to us (Masons) the chief symbol of man's ultimate redemption and regeneration?"

"Answer: The fraternal supper, of bread which nourishes, and of wine which refreshes and exhilarates, symbolic of the time which is to come, when all mankind shall be one great harmonious brotherhood; and teaching us these great lessons: that as matter changes ever, but no single atom is annihilated, it is not rational to suppose that the far nobler soul does not continue to exist beyond the grave: that many thousands who have died might claim to be joint owners with ourselves of the particles which compose our physical bodies; for matter ever forms new combinations; and the bodies of the ancient dead, the patriarchs before and since the flood, the kings and the common people of all ages, resolve into their constituent elements, are carried upon the wind over all continents, and continually enter into and form part of the habitation of new souls, creating new bonds of sympathy and brotherhood between each man that lives and all his race. AND THUS, IN THE BREAD WE EAT, AND THE WINE WE DRINK TONIGHT MAY WE ENTER INTO AND FROM OF US PART OF US THE IDENTICAL PARTICLES OF MATTER THAT ONCE FORMED THE MATERIAL BODIES CALLED Moses, Confucius, Plato, Socrates, and Jesus of Nazareth. In the truest sense, we eat and drink the bodies of the dead; and cannot say that there is a single atom of our blood or body, the ownership of which some other soul might not dispute with us."\textsuperscript{14}

COME OUT FROM AMONG THEM!
If you are a Christian and a Mason, I exhort you in the name of your Savior, Jesus Christ, to:

Notes:-

14 Albert Pike, *Dogma and Doctrine*, p.539.

"Come out from among them and be ye separate, saith the LORD, and touch not the unclean thing; and I will receive you" (*2 Cor. 6:17*).

"This is the stone which was set at nought of you builders, which is become the head of the corner. Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved" (*Acts 4:11, 12*).

"According to the peace of God which is given unto me, as a wise masterbuilder, I have laid the foundation and another buildeth thereon. But let every man take heed how he buildeth thereon. For other foundation can no man lay than that is laid, which is Jesus Christ" (*1 Cor. 3:10-11*).

"Whereupon God also hath highly exalted Him (Jesus Christ) and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; and that ever tongue should confess that Jesus Christ is LORD, to the glory of God the Father" (*Phil. 2:9-11*).

**CHOOSE ONE OR THE OTHER**

As Elijah called out to Israel in *1 Kings 18:18, 21*:

"Ye have forsaken the commandments of the Lord and thou hast followed Baal. How long will ye halt between two opinions? if the Lord be God, then follow Him. But if Baal, then follow him."

There is no other choice for you my Masonic friend. If you are a Mason and profess Christ as Savior, either renounce your Christian faith and
follow Lucifer or renounce Masonry. There is no way you can cling to both!

Every BLUELODGE member who reads this book and especially this chapter, can no longer maintain his defense by claiming ignorance. Today, Masonry stands revealed in all its Satanic deceitfulness. Today, you must make your choice.

6 - FREEMASONRY: SATAN'S DOOR TO AMERICA

This chapter, like Chapter Four, was written by J Edward Decker, of the FREE THE MASON MINISTRIES. I believe you will find it an eye-opener.

When the average American thinks of Masonry, the thoughts are of Children's Burn Centers and Hospitals, and the Shrine Circus, where handicapped children are often carried to the front row seats in the strong arms of weeping men who are wearing the red Fezes of their fraternity. Rarely do we see a parade without these same Shriners driving up and down the parade route in their little cars and motorcycles, dressed in clothes out of the Arabian nights, bringing laughter to the children lined up along the way.

On more serious occasions, such as the laying of public building cornerstones, or at a funeral service of a Lodge members, these same men, dressed in somber attire, wearing their ornate sashes, medallioned chains of office and ceremonial aprons, will perform with solemn dignity the rites
handed down through the centuries of their secret ritual -"Good men," they say, "becoming better!"

Yet, once you get past the good-old-boy fraternal act, the funny hats of the Shriners and the sheltered reputation of the local Blue Lodge Masonic groups, there is something beyond the colorful mask, an aura of mystery, power and intrigue, complete with under oaths of false gods, blood oaths, conspiracy and back room politics.

The Fez itself, is an example of the double meaning behind most of Freemasonry's facade. Worn and even carried to the grave with pompous dignity, the history of the Fez is barbaric and anti-Christian. In the early 8th Century,

---

Muslim hordes overran the Moroccan city of Fez, shouting: "There is no God but Allah and Mohammed is his prophet. There they butchered almost 50,000 Christian men, women and children, all in the name of Allah, the same demon god to whom the Shriners bow in worship (and proclaim him the god of their fathers) in the Shrine initiation ceremony.

The Shriner's blood oath and confession of Allah as God is found in the secret ritual book, THE MYSTIC SHRINE An Illustrated Ritual of the Ancient Arabic Order of Nobles of the Shrine (pp. 20-22).

One must realize that ALLAH is not just another name for God. Allah is the name of another god and in usual occult fashion, the initiate swears that he will be inseparably obligated to this "most powerful and binding oath," in advance, and that he may never retract or depart from it.

During the butchering of the people of Fez, the streets literally ran red with blood of the martyred Christians. The Muslim murderers dipped their caps in the blood of their victims as testimony to Allah. These blood stained caps eventually were called Fezes and became the Muslim badge of honor. The Shriners wear that same Fez today. The greatest tragedy is that the Fez is often worn by men who profess to be Christians themselves. It must cause God to weep.

A curious piece of the Masonic conspiracy puzzle in the founding of America is the actual layout for the Capital City of Washington, D.C. Actually it's as much the audacity of the thing as the conspiratorial nature of it. You see, the city was laid out in the form of key Masonic symbols, the "Square," the "Compass," the "Rule," and the "Pentagram."
Take any good street map of downtown Washington and find the Capital Building. Facing the Capital from the Mall and using the Capital as the head or top of the compass, the left leg is represented by Pennsylvania Avenue and the right leg by Maryland Avenue. The square is found in the usual Masonic position with the intersection of Canal Street and Louisiana Avenue. The left leg of the et aass stands on the White House and the right leg stands on the Jefferson Memorial. The circle drive and short streets behind the Capital form the head and ears of what Satanists call the GOAT OF MENDES, or the GOAT'S HEAD!

Map of Washington D.C. Showing Masonic Symbols

On top of the White House is an inverted 5 pointed star, or PENTAGRAM. The point is facing south in true occult fashion. It sits within the intersections of Connecticut and Vermont Avenues, north to Dupont and Logan Circles, with Rhode Island and Massachusetts going to Washington Circle to the West and Mt. Vernon Square to the East.

The center of the pentagram is 16th Street where, thirteen blocks due north of the very center of the White House, one finds the Masonic HOUSE OF THE TEMPLE, which sits at the top of this occult iceberg.

The Washington Monument stands in perfect line to the intersecting point of the form of the Masonic Square, stretching from the House of the Temple to the Capital Building. Within the hypotenuse of that right triangle sit many of the headquarter buildings for the most powerful departments of government, such as the Justice Department, U.S. Senate, and the Internal Revenue Service.

It would be great to know that your nation's Capital is bathed in continual prayer and to believe that its building and monuments have been dedicated in prayer, but do you realize that every key Federal building from the White House to the Capital has had a cornerstone laid in a Masonic ritual and has specific Masonic paraphernalia placed in each one. Again,
wonderful if we were talking about our one true God in all this, but such is not the case. The cornerstone of all these buildings have been laid in Masonic ritual, dedicated to the demonic god of Freemasonry, JAO-BUL-ON. That is the secret name of the Masonic god, the LOST WORD in the rite of the Royal Arch Degree. JAO is the Greek name for the god of the Gnostics "ladabaoth or lao;" BUL is a rendering of the name "Ba'al" and ON is the Babylonian name for the Egyptian god "OSIRIS."

What we see represented in this name of the Masonic deity is a three-headed pagan deity so remote from the Christian faith as to damn the eternal soul of anyone who would dare to pronounce its name in worship.

The Washington Monument actually represents the PHALLIC PRINCIPLE upon which SPECULATIVE Masonry is based. From above, the monument and its circular drive, form the esoteric Masonic "Point within a circle." The Reflecting Pool bears its shadow image, with the illusion duplicated in the Lincoln Memorial.

Strange? Not if you understand the occult principles involved. The respected Masonic author and authority, Albert Mackey, states in MACKEY'S MASONIC RITUALIST: (pp. 62-63):

"The point within a circle is an interesting and important symbol in Freemasonry ... The symbol is a beautiful but somewhat obtuse allusion to ... sun-worship and introduces us for the first time to that modification among the ancients as the worship of the PHALLUS. The Phallus was an imitation of the male generative organ. It was represented usually by a column, which was surrounded by a circle at its base, intended for the cteis, or female generative orge. This union of the Phallus and the Cteis, which is well represented by the point within the circle, was intended by the ancients as a type of the prolific powers of nature, which they worshipped under the united form of the activity or male principle and the passive or female principle."

Winding about the streets of Washington, D.C. are hundreds of such applications of THE PRINCIPLE. They are there by design and we can
barely touch the simplest. Our nation and leaders have been deeply
effected by this occult power.

The news rocked the Nation, when ASTROLOGY IN THE WHITE
HOUSE, ran in People's Magazine, May 23, 1988. Nancy Reagan was
manipulating the President's schedule based on astrological charts drawn
up by a San Francisco

soothsayer named Joan Quigley. It wasn't the first time the resident of the
White House was doing a balancing act with stargazers. Teddy Roosevelt
kept his own astrological chart, but it was usually the women in the White
House who consulted the mediums. First ladies Florence Harding and
Edith Wilson, regularly consulted one Madame Marcia Champney and
Mary Lincoln held seances in the White House. Those are just the ones
who openly practiced the art of divination.

Whatever the reasons, we do know that the Bible strongly speaks about
the fall of any nation whose leader defies the Word of God and consults
mediums. The Satanic pentagram under which the White House sits is an
open door through which Satan has access to the White House.

The Pentagram, or five-pointed star is, of course, both a Masonic symbol
and an ancient symbol of witchcraft. With its point facing down (or south),
it is especially found in Satanism. Satanists can be seen wearing the
inverted pentagram; and it appears in many black magic books, including
THE SATANIC BIBLE. It is also the signet of the EASTERN STAR, the
lady's Masonic organization.
You can see on the map, the pentagram is inverted and facing south, and its lowest point does rest upon the White House! What would this mean to someone with a Masonic or magical frame of mind? Bill Schnoebelen, a former Mason and Satanist, is now a Christian worker on the Staff of Saints Alive. He pointed out that such a deidth is a spiritual door to the occult, a planned invasion by the powers of darkness against this Christian nation. "We have been under siege from the first day our President walked into the Oval Office," he said.

Bill added that Albert Pike, the giant of Masonic philosophy who is entombed just 13 blocks from the White House in the HOUSE OF THE TEMPLE, has identified the pentagram (or PENTALPHA) as the blazing star which is at the heart of every Masonic lodge and which represents the star SIRIUS. SIRIUS has been known for 5,000 years as the great evil.

Bill emphasized that to the magician, the inverted pentagram has one use only, and that is to call up the power of Satan and bring the Kingdom of the Devil into manifestation on earth. Yet this very symbol straddles the corridors of our nation's power and is aimed right at the White House.

This pentagram is found constantly at sites of ritual murders; and in the notebooks of teens who have become involved in Satanism and have ended up killing themselves. In the ARIZONA REPUBLIC, 11/27/88; Section B, an article by Bill Donovan and Mark Shaffer, talks about three teenage suicides. The authors quote a school administrator: "All you have to do to know we have a large problem on our hands is drive down the
street. There are pentagrams everywhere, on stop signs, buildings, trash dumpsters, even one that's on the post office. Pentagrams are five pointed stars used as a symbol by practicing Satanists."

---

**Notes:-**

---

*Page 56*

It is evident that death, destruction and carnage follow this symbol everywhere. It is a key that opens the door to hell; at least according to sorcerers. What does the Bible say about it?

This star, which has been identified in the Bible as the accursed "tabernacle of Molech, and the STAR of your god, REMPHAN, figures which ye made to worship them... *(Acts 7:43, cf. Amos 5:25-27)*. This "star" is an idolatrous image sullied by untold centuries of debauched worship; and yet it is carefully placed right upon our nations capital.

Every bit as staggering is the fact that the central symbol of the **CONGRESSIONAL MEDAL OF HONOR**, this nation's highest military award for bravery, is the pentagram. The five pointed inverted star, within a circle is the highest form of Satanic expression, representing BAPHOMET, THE GOAT OF MENDES, or the embodiment of LUCIFER as god!
Of course, nearby the main part of Washington, D.C. is one of the famous and distinctly shaped buildings in America, the PENTAGON. Although most recognize the Pentagon as the nerve center of our nation's defense establishment; few realize that the Pentagon itself is a geometric design used in magic and witchcraft as well.

The Pentagon, through its use of the number 5 is associated profoundly with the planet Mars and the ancient god of war, called variously ARIES, HORUS, or MARS. This is because Mars is the fifth planet on the magical diagram, the Tree of Life; among other reasons.

The Pentagon is also one of the two secret symbols of the highest levels of Freemasonry, the ANCIENT AND ILLUMINATED SEERS OF BAVARIA (aka the Illuminati) - the other being the Pentagram. It may be observed that every pentagram has a pentagon within it; and that every proper pentagram can fit perfectly point-to-point within a pentagon.

Thus, the magician sees the Pentagon as a gigantic talisman of war or battle. Bill Schnoebelen points out that throughout the witchcraft underground in the U.S. there has been circulated a rumor that a demonic war-god is imprisoned inside the Pentagon and that he is what keeps causing wars. During the anti-war movement of the Vietnam era, in the
midst of a demonstration at the Pentagon, some "witches for peace" were actually present and actually attempted to levitate the Pentagon and "exorcise" the demon god YOG SOTHOTH from within. Needless to say, the building remained unlevitated.

Freemasonry boasts 16 Presidents, including Ronald Reagan, 41 Federal Judges, 60 Congressmen, 14 members of the Judiciary Committee and 18 Senators. One can only guess at the numbers involved within the many governmental departments. There is no doubt that Masonic conspirators plotted against this nation from its very inception to the present hour. Thank God that there have been that many real Christians praying for this country and its leaders, to keep a righteous God from bringing deserved judgment against this nation.

Notes:-

Page 58

Is it any wonder that the battle seems so difficult? How have such evils like greed and conspiracy within our nation's leadership been able to rock this nation? How has the Federal Judicial system become such a power cult that it is able to violate our inalienable rights with total freedom? How have such Biblical opposed acts as abortion and homosexuality become accepted and even welcomed practices? When did our people give up the right of freedom OF (and not FROM) Religion? When did we say it was OK for the practice of Witchcraft and Satanism in our government and schools. When did humanism and the New Age philosophies replace Christianity as the Rock upon which this nation was built?

It began, when we allowed the soothsayers and worshipers of JAO-BUL-ON to lay out the National Capital as a giant, Satanic Talisman, an open door to the demonic world of darkness. IT'S TIME WE TOOK THIS NATION BACK!

Christian brothers and sisters, WE have the authority and power of the believer. WE have the Biblical promise and examples of the power of prayer, the miracle of intercession. WE have the need and the right to go to our knees in private and in our congregations to break the power of
these demonic abominations in our Nation, Church, and families. LET US DO BATTLE IN SPIRITUAL PLACES *(Eph. 6)*. LET'S CLOSE THAT NO-LONGER-SECRET door of the enemy in our NATIONAL CAPITAL!

To those of you may read this and make light of this urgent message, the Bible speaks directly of this national sin:

**2 Corinthians 6:14, 15.**

14 "Be ye not unequally yoked together with unbelievers; for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness?

15 And what concord (agreement) hath Christ with Belial? Or what part hath he that believeth with an infidel?

---

Then verse 17 says:

**2 Corinthians 6:17**

17 "Come out from among them and be ye separate, saith the Lord, and touch not the unclean thing; and I (God) will receive you."

Even Elijah called out to his ancient people:

**1 Kings 18:18**

18 "Ye have forsaken the commandments of the LORD and thou hast followed Baal!"

**1 Kings 18:21**

21 I cry out, How long halt ye between two opinions? If the LORD be God, follow Him: But if Baal (be your god), then follow Him.

If you are a member of a Masonic Lodge, I charge you to choose Jesus Christ and the church, or the Lodge and Lucifer, but stop playing games with God, your family and your own soul. There is a good reason why Masons do not allow Lodge prayers to include the name of Jesus. It's not His temple you worship in, but that of JABULON, or Lucifer! You are not bound by these blood oaths! RENOUNCE JAO-BUL-ON AND HIS OATHS AND BE SET FREE!
I pray that you will choose Jesus Christ, repent and be set free from this wicked power unto whom you have submitted your soul. If this is your desire, remember we have this promise in 1 John 1:9 - "If we CONFESS or sins, He (Jesus Christ) is faithful and just to forgive us our sins and to cleanse us from ALL UNRIGHTEOUSNESS."

This is something your Lodge and your Lodge affiliations can never and will never do. If you have a desire to know more about this true freedom in Jesus Christ, write to: FREE THE MASONS MINISTRY, P.O. Box 1077, Issaquah, WA 98027.

* * * * * * *

It has been truthfully said that aliens control our country by controlling Congress. We have not had a truly American Government in Washington, D.C. for well over fifty years, no matter whether Republicans or Democrats have been in power. This alien control is seen when we take into account that there is very little change in government policies, when we see a change of Administration from one major party to the other. They are all controlled from the same international sources. Strangely enough, the majority of this pressure comes from a group of people we know as Ashkenazi Jews. This group, working with the Esau-Edom population of the United States, makes up about 95% of the present world Jewish population. We have been led to believe by Jewish statistics that this number is around 15 million, although, personally, I have reason to believe it is much higher. The Esau-Edomite Jews have been a parasitic people who have never been able to exist on their own, so we find them inter-breeding with anyone who will help them. They have made tremendous inroads into the royal families of Europe and have contaminated the royal blood line of King David until it is difficult to tell the difference between the Jew and the Israelite.

On pg. 76, of Rabbi Jack Moline's book GROWING UP JEWISH, we read:

"For years, anti-Semites have accused Jews of controlling Congress, and for years it has been denied. Ironically, as of 1984, the Jews do control Congress. A recent survey of the 435 representatives, shows that for all practical purposes, 219 are practicing Jews. Interestingly, twelve members of the Black Congressional Caucus are Ethiopian Jews. On the
Senate side, an astounding 62 out of 100 Senators identify themselves as Jews." (What he means by this I am not sure; possibly that they are Christian Zionists who vote the straight Zionist ticket every time - ED).

Appropriations to the State of Israeli are so high, because all 62 Senators have responded to the United Jewish Appeals with the cliche: "I gave at the office." Then suddenly they realize it was a matter of public record.

What we are going to seek to ascertain in the remainder of this book, is how this Talmudic Jewish influence has permeated Freemasonry and further increased the dictatorial control over the Christian world.

**7 - THE TALMUDIC AND MASONIC ZOO**

Before we get into our in-depth discussion of the Masonic Lodge and its connection with Zionist Talmudism, I believe it would be beneficial for us to look at some of the multitude of symbols which are used in worldwide FREEMASONRY and discuss their implication.

A great deal of the information in this chapter comes from Dr. Shepherd, a Mason for many years, who rose to a high degree before he became a Christian and saw the desperate need of exposing the Lodge. Dr. Shepherd is one of those rare, brave men, to whom God and country mean more than popularity and personal safety. He has literally put his life on the line in order to expose this evil which has crept into our midst, in the "guise of sheep's clothing."

What I will share with you in this chapter, is a series of letters he wrote to me regarding FREEMASONRY and their ZIONIST CONNECTIONS. These letters may seem to be somewhat disconnected, but if you read them all, I believe you will see the underlying message.

Both TALMUDISM and FREEMASONRY are awash in animal symbolism. Each has its place in the ritual worship of the Talmudic and Masonic god.

**First Letter:** "The Masonic Lodge is the Jew-lodge and every lodge is - no matter what name they use, Masonic or Jew. The fact which deceives so many, is that various names, titles, and lodges are given, but when you get to their roots you will see; First that a Jew started it; second, a Jew will
be its Supreme Commander, or Grand Dragon as the Jews call them.
Jacobites, Rosicrucians, Knights Templar, Knights of Columbus, Elks, 
Moose,

NOTE. The lion figure below adorned the wall of the throne-room in the 
palace of Nebuchadnezzar at Babylon (pg. 86). It is made of glazed brick 
in the brightest colors, which produced a gorgeous effect as architectural 
adornment. This art arose in Egypt, passed thence to Assyria and 
Babylonia, and was then adopted by the Persians.

Eastern Star, Shriners, are for all intents and purposes all FREEMASONS. 
These have fought my attempts to expose them and four attempts have 
been made against my life. Why? Because I know too much about them 
and try and alert others. In this first letter, I intend to show you who the 
Great Beast of Revelation 13 is and when I point this out, you will 
probably say: "Why didn't I see this. before?"

Revelation 13:1 and 2

"And I stood upon the sand of the sea, and saw a beast rise 
up out of the sea ... and the beast which I saw was like unto 
a leopard, and his feet were the feet of a bear, and his 
mouth the mouth of a lion."

The word CUSH is used many times in the Bible to represent peoples 
from Africa and means LEOPARD to many people. When Jacob 
prophesied concerning his family in Genesis 49:9, he said of Judah:
"Judah is a lion's whelp: from the prey, my son thou art gone up; he stooped down, he couched as a lion, and as an old lion; who shall rouse him up?"

The modern Ethiopians called themselves CUSHITES, or LEOPARDS In Revelation 11:8, we read about "that great city, which spiritually is called Sodom and EGYPT." The Great image of the SPHINX is found in Egypt, near Cairo

and is known in that part of the world as THE GREAT CAT! In the Egyptian BOOK OF THE DEAD the great god Toth says: "I am RE, the MAUMAU" MAU and LEOPARD have the same meaning!

In Genesis 4:7, when God spoke to Cain, after Cain became angry because God did not accept his offering, God said: "... sin lieth at the door." The Jews who translated this deliberately changed the meaning of this verse, for the Chaldean word for SIN, as used here is CHATTAH or CHEETAH or LEOPARD. The word "lieth" should be "couches," and is the act of the female cat as she prepares to breed. In other words, this verse should have read: "The leopardess couches before you."
When the question arises as to who was Cain's wife, the answer of course was she was the LEOPARDESS, NOT THE ANIMAL CAT, BUT A HUMAN WITCH.

Not how closely the HOLYCAT (CATholic)is bound up in these verses. Don't say: "That's Rome," since Rome is only a small part of it. All seven churches in the book of Revelation claim to be catholic. The Apostle's Creed in its original form read: "I believe in the holy catholic (universal) church." CATHOLIC goes back to the Garden of Eden and Genesis 3. In Numbers 26:44, we read about the JESUITS Have you ever heard that name before? Of course you have! The JESUITS are the HOLY-CATS (CATholics) Old Cain was a CATholic who sacrificed the EU-CHRIST.

In the above picture of Herod's coin, 37 - 4 B.C., it had no connection with Rome but was of Jewish origin. A close perusal of Albert Pike's monumental work on MASONRY, MORALS AND DOGAM, take the MASONIC LODGE back to Cain.

Second Letter: Surprising enough, I begin my discussion of FREEMASONRY with Genesis 3:1. This serpent was not a snake. The Hebrew word under here is NAHASH The Navajo Indians still use this word today, it is pronounced NAH-GAH-O-SHEE and means: "witch doctor; guru; voodoo; sorcerer." That's what Cain was!

In Genesis 3, the Creator said to the "serpent," "on thy belly you shall go." But the word "BELLY," should have read: "On all fours shall you go." A cat travels on all fours doesn't it? Since NAHASH IS A WITCH, AND A CAT IS ALWAYS ASSOCIATED WITH WITCHES AND WITCHCRAFT, I believe the serpent was a CAT.
For further proof - What did Adam and Eve do when they disobeyed God by eating of the forbidden fruit? The Bible says they hid themselves among the trees of the garden, this is a characteristic of the CAT.

The LEOPARD, LEO (Lion), PAN (PANther) all come from the same word. Here are words with a similar meaning: PARD; panther; panthera; (PANTHERA is "female"); MAU; PUMA; CHATTAH; CHEETAH; CUSH; NIMROD. Each of these were HOLY CATS and were worshiped in their area and today, the cat is worshiped worldwide. In Central and South America it is the JAGUAR. But note carefully that the CAT is named after CUS H. This is what the Jews call "transmigration of the soul." The cat, according to them, is actually CUSH living in the CAT. This is why many Africans call themselves CUSHITES.

(When I was a Game Warden in Ethiopia, 1958-62, I was impressed by the reverence the animist [worshipers of the spirits of nature] natives had for the Hyena, called "fisi," which is one of the most horrible of the animals God created. In this part of the country, when a man or woman becomes too old to work, or benefit the family, they are often left outside the village fence and become living prey for the hyenas. The natives themselves, will not kill these horrible animals, although they prey on both human and cattle, because they believe the spirits of their ancestors, who the hyenas have devoured, live on in the animal - ED.)

The big CAT is the LION. The mouth of the LION is its most dangerous part and the MOUTH of the ancient family was called the PATRIARCH.

This opens a fact which has been hidden for thousands of years. We know that Catholics literally worship ST. PETER, he his called PATRA-arch, which means ANCIENT STONE.

---

It is interesting to note that the word HAM is HA'MER or STONE. The PATRA-arch of the family is the ANCIENT STONE of the family. Since the head of the family, HAM was called the LION, therefore the church calls itself CATHolic.

If you will look closely at any picture of the Great CATHedral of Babylon, some call it the TEMPLE you will notice on each side of the entrance, a large stone lion with a man's head. The word "HEDRA," from which the last part of the word CAT-HEDRAL comes, means "head," orin most
cases "cat's head." This does not refer to leopards or cheetah's but to the King of Beasts, the LION. Thus the head of the ROMAN CATHOLIC CHURCH, St. Peter, is known in Egypt as PTAH, which means "Ancient Stone."

In the Egyptian BOOK OF THE DEAD, the word mouth is the LION. PTAH was Egypt's great god. The Bible tells us that Egypt is the land of HAM. You make the connection.

In CHALDEAN the Word BAB also means "mouth." Thus again "the LION'S MOUTH." The LEOIRD also has a mouth like a LION and the native word for him is PARD. What is a PARD? It is a PANTHER LION-LEOPARD the mouth or religion. In the U.S. the religion of the Beast is LIONISM or HAMISM or more commonly known as BABYLONIANISM Revelation 11:8 refers to "That great city Babylon in Egypt." It is symbolic, since there was no great city in Egypt called BABYLON.

It is interesting to note, that when you travel to Egypt and see the great SPHINX, you see a cat body with a human head, the same as in the doorway of the BABYLONIAN TEMPLE.

Many Jews carry a "cat's paw." Twelve LIONS stood on the six steps leading to Solomon's throne and Jacob said that JUDAH, representative of the JEWS was a "crouching lion," (Gen. 49:9).

---

The cat represents a witch, witchcraft and the word "cat" in the ancient tongue meant "whore." This is where the term "cat house" came from. The cat is also called a "Pussy," which is the vulgar term used for a woman's sexual parts. These things, unknown to most Christians, had their beginnings from the time of Cain.

**Third Letter:** (I am only printing those things which pertain to FREEMASONRY. Dr. Shepherd has sent me much more, dealing with the Seedline theory and other matters, which we will not be covering in this book. This will be the concluding remarks from Dr. Shepherd. If any of my readers would like to contact him, please write me for his address - ED.)

Eve's penalty for eating the "forbidden fruit" was "death." (Gen. 2:17). When Cain offered his sacrifice to God, it was refused, not because it was
a vegetable sacrifice, as some preachers say, but because it was "devil's bread."

The root word for **CAIN**, or **CANA**, is "black" and this takes us to the root of FREEMASONRY. The MASONIC password is **TU-BAL-CAIN** (See **Gen. 4:20-22**). It is CAIN, or the devil himself who admits one into the Masonic Lodge. If you don't want to take my word for it, then take the word of a strict Jew-Mason, who was converted to Christianity and had his life completely changed, the Apostle Paul. In **Philippians 3:2** he says: "beware of DOGS, beware of EVIL WORKERS, BEWARE OF THE CONCISION." (The Greek word for "concision" is "karatome" which means: "to mutilate." Like in "circumcision.") Masons call themselves DOGS.

In **Isaiah 56:10** we read about ". . . dumb dogs that cannot (or will not) bark; sleeping, lying down, loving to slumber. Yea, they are greedy DOGS which can never have enough (are never satisfied) . . ." In **John 8:44** they are called: "Of their father the devil," an apt description for Masons and Jews alike.

**Page 68**

The MAFIA, KGB, CIA, MOSSAD, the spies of MASONRY are the DOGS or DEVILS of FREEMASONRY. There is not a place on earth which is free from their spies. On every continent, in every country, city and town, these spies are present.

**Albert Pike**, the chief "guru" of MASONRY, says that Masons call their god THE GREAT ARCHITECT. If you read **Genesis 4:17**, you will find the name of the first Mason, CAIN, the builder, the architect.

Archaeologists do not know who built the Great Pyramids of Egypt, the greatest building project the world has ever known. They do not know who erected the mammoth images on Easter Island or the monoliths of Stonehenge, or the pyramids in Mexico on this continent.

Could CAIN have been called THE GREAT ARCHITECT, because he built the first recorded city? Could the builder of the Egyptian pyramids have been called THE GREAT ARCHITECT? Do you doubt that Masons are builders? Jesus hints at this when He spoke to the JEW-MASON Sin Matthew 21:42 and told them: "... The stone which the builders (masons) rejected, the same is become the head of the corner."
If Masons worship Lucifer, as Albert Pike affirms, then THE GREAT ARCHITECT OF THE UNIVERSE must of necessity be the devil - the BLACKDOG.

No one has ever been able to figure how the mammoth stones of the Great Pyramid, many weighing a hundred tons or more, were lifted 490 feet to be fitted in place. We have no modern machinery that can accomplish this. Could it have been done by demonic power?

(When I was in Ethiopia, I became acquainted with a Coptic priest who was a graduate of Cambridge University. He showed me the massive obelisk at Axum, the ancient capital of the Queen of Sheba's Empire. This huge stone is 97 feet tall, by 24 feet at the base and is estimated to weigh about 2700 tons. It is hewn from a solid piece of black granite, the closest quarries of which are in Yemen, across 400 miles of land and the Red Sea. This monument, which is over 5,000 years old, was erected on a mountain plateau, about 7,000 feet elevation, which means this huge stone would have had to be moved up an almost perpendicular cliff, some 2,000 feet from the valley below. Again, modern engineers marvel at how this was done. This Coptic priest told me that the ancients had the power of "levitation." They were able to overcome gravity, he told me, through "spirit power." Is this how the Great Pyramid at Giza, Egypt was erected? - ED)

Could it have been demonic power that made these feats possible? The Apostle Paul tells us in 2 Thes. 2:9 about one whose coming would be "after the working of Satan, with ALL POWER ..." Does Satan have the power to move huge stones?

There is an authentic account of a scientist who was in the Amazon in 1987 and watched as natives erected a pyramid, moving huge stones into position through "spirit power." No, my skeptical friends, there is little doubt that Satan can lift huge stones and that the builder of the Great Pyramid was the GREAT ARCHITECT.

Fourth Letter: THE CITY OF DEVILS
1 - In Arabic, the word CAIN, or CANA means "devil." In Revelation 18:2, we are told that great BABYLON has "become the habitation (dwelling place) of devils, and the hold (cage) of every foul spirit ... " The first city, built by CAIN, was a "city of devils."

2 - ENOS, or Enoch, after whom this first city was named, was the son of CAIN. This city was utterly depraved.

3 - LAMECH - the great-great-great (I think I have this right) grandson of CAIN married a woman whose name was ADAH. It is interesting to note that in India today, ADA or ADAH, is one of their most feared goddesses. She can cast deadly diseases on persons, they believe, on animals and even fish and crops and has been known to have her adherents burn the houses of those who refuse to sacrifice to her. ZILLAH, LAMECH'S second wife, means "shade," "ghost," or "demon." The question might be asked: "Is it possible for a man to live with a demon in a woman's form?" I believe it is and that demons can take any form they desire. There are documented reports of men who had lived with demons in human form. (Unfortunately, Dr. Shepherd does not give us this documentation -ED.)

4 - GIANTS - Genesis 6:4. The word used here for GIANTS is GIGANTE which does not refer to men of great size but to "demon possessed men." Could this be the meaning of verse 5 which says:

"And God saw the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually."

In other words, these men were "devils; witches; swamies; Masons."

5 - HAM was the founder of the city of SODOM after the Flood. Would you call this a "city of devils?"

6 - The TOWER OF BABEL (Gen. 11:1-5) was built by CUSH the "Great Cat," and NIMROD, the "hunter of men." Would you call this tower an evil place? All these places mentioned, were built by the Masonic god, THE GREAT ARCHITECT.

7 - The PYRAMIDS were probably built by the same god.
8 - **SOLOMON'S TEMPLE**, which many people believe was built for the glory of God, was a "temple of the devil." It was erected for the worship of Lucifer, the Masonic god and this is why it is so important in Masonry.

---

9 - **JEZEBEL** - this evil woman, who led her husband, the king of Israel and the Israel people into idolatry, was a witch. We see her mentioned in the "end times" as seducing the church at Thyatira (see Rev. 2:20).

10 - **JERUSALEM** - Many false religious prophets have taught that this was the "holy city." Not so! There is no letter "3" in the Hebrew language, so the name of this city in Palestine is GURU-SALEM "OU" means "black," "RU" means "stones." Why do the Jews and Masons want that place in Palestine? Because it was and is the **BABYLONIAN SYSTEM**. In Isaiah 57:3, 6 we read:

"But draw near hither, ye sons of the sorcerers (witches) among the smooth stones of the stream is thy portion ..."

The "smooth stones" represent the high gurus, witches, sorcerers, and officials of JUDAISM and FREEMASONRY.

11 - **MYSTERY BABYLON** - Called in Revelation 18:2 "the home of devils ..."

Masonry, my dear brothers, is of the devil. It is the city of the devil. It is:

a. -The "great hypocrisy."
b. -The "great conspiracy."
c. -The "great beast."
d. -The "great whore."
e. -The "great sorceress."

**LETTER #5** - When Adam and Eve sinned, God made them coats of skin. Our pastors have told us these were sheep skins. I believe they were the skins of the lion and leopard and this is the reason why heathen high priests still use these skins as a sign of their high office.

**In their KABALLAH**, the Jewish **TALMUD-MISHNA**, the Jewish rabbis say: "Ham smuggled and hid the coat of
Adam in the ark and used it after the Flood to gain power." Could this have been the same garment that Achan took at Jericho (Joshua 7:21), some believe it was. The TALMUD says that NIMROD had received this garment which gave him great power and that this was stolen by ESAU, when he assassinated NIMROD. This is the reason, they claim, that Esau was so exhausted the day he sold his birthright to his brother Jacob (see Gen. 25:30-32). The story goes that he had been fleeing from NIMROD'S MEN, after he had killed their king.

The NEW AGE of FREEMASONRY is nothing new. It is the same old demonism, Satanism and voodooism which has been practiced worldwide since the Garden of Eden.

The god that Masons demand their "proselytes," or initiates" worship is Satan or Lucifer (see Matt. 23:15). This is confirmed by Albert Pike in his MORALS AND DOGAM. Masons believe there are two gods - brothers, if you will. There is LUCIFER, the "good guy," whom they worship, and ADONAY-JESUS Christ, who is the "bad guy." A constant warfare is going on between these forces of "good" and "evil." But of this you can be sure, THE GREAT ARCHITECT OF MASONRY is not the God of the Bible, or Christianity. Their symbol worldwide is that of the CAT.

It is interesting also to note that God calls PHARAOH, the king of Egypt, "the great dragon," (Ezek. 29:3). This is the same term used in Rev. 12:9. It does not refer to a man. You no doubt have heard Egypt called the "land of the PHARAOHs?" But in all actuality, it should be called "the land of the devil."

Ignorance of facts is the destruction of our white, Christian people. Hosea 4:6 tells us that "My people are destroyed for lack of knowledge." Not "lack of education," but "lack of knowledge." -THE END-

I would like to thank Dr. Shepherd for his contribution. Many of you, no doubt will not agree with him and if you would like to contact him, please let me know.

This organization is very closely connected to
MASONRY. Beware of "false prophets."
Beginning with this chapter we will get into an in-depth discussion of Freemasonry and the "Hidden Power" which makes it operate and successful.

Much has been said about the Jewish, or maybe it would be more accurate to say the Zionist, interests which influence Freemasonry. Few members of the lower orders know the significance of this, or its importance to them. This is especially true if they are Christians.

There is no doubt that the Zionist question MUST be linked with the Masonic question. At present, as in the past, Zionist world leaders, and men in high positions with the Masonic organization, have worked "hand in glove" for a universal world revolution, which will bring in the One-World Church and a One-World Government. Many Masonic Lodges are exclusively Jewish, as are the B'nai B'rith Lodges, the mother of the infamous and very dangerous Anti-Defamation League, which is an unregistered agent of a foreign government (Israeli) which has been allowed by our government to operate unhindered on American soil. Although this Jewish organization is totally illegal, such is the strength of both the Masonic and Zionist Lobby in Washington, D.C., that the Government refuses to do anything to curb their power or control their operations on American soil, often at the expense of American citizens.

Wherever you look, you will find Freemasonry upholding and defending Zionist interests, even to the detriment of the safety of this country. This in itself should give you a good idea of the entwining interests of the two which can be seen in the seventy U.S. Senators who are

Zionist controlled and vote a "straight Zionist ticket" when the interests of Zionism come to the fore. These men in Washington, who have taken an
oath to defend this country and its Constitution from all enemies, both foreign and domestic, will vote for Israeli interests, even when they are contrary to the well being of this country. For all intents and purposes, these men are TRAITORS. in the Constitution, ARTICLE III, Section 3, gives a definition of TREASON, which is so clear that even a Fifth Grader can understand it. It says: "Treason shall consist only in levying war against them (the US.) adhering to their enemies; giving them aid and comfort." If what has been done for the Israelis in recent years, has not been "giving aid and comfort to our enemies," then I fail to understand the meaning of the English language.

For all intents and purposes, the A.D.L. has become an unofficial part of the U.S. Justice Department, giving them periodic biased reports on "terrorism and anti-Semitism" in the U.S., which is "extremely prejudicial" to Christian patriots. Every effort to investigate the power of the A.D.L. has been thwarted by establishment lawyers in high places, almost all of whom are either Jews and/or Masons.

There are two theories regarding the TALMUDIC influence in Freemasonry:

1.- That the Jewish leadership, worldwide, created Masonry in order to corrupt the nations of Christendom and propagate the final world domination for Zionism. In other words, this idea says that Freemasonry is merely a tool of world Jewry.

This idea is supported by an article written by Dr. Isaac M. Wise, a Jew, and published in THE ISRAELITE OF AMERICA, Aug. 3, 1866. He said:

"Masonry is a Jewish institution, whose history, degrees, charges, passwords and explanations are Jewish from end to end."

One can easily believe this, if they compare the oaths of Freemasonry with those of the TALMUD, which is the "life blood" of modern Judaism.

2.- Second, is the idea that Freemasonry was a good, sound institution in principle, but that revolutionary agitators, principally Jewish, took advantage of its organization as a secret society and penetrated it little by little until they gained control of it. These Zionists, they say, corrupted Masonry and turned it from its moral and philanthropic aim, to employ it for revolutionary purposes.
In support of this contention, we have the writings of such men as the Jew Bernard Lazare in his book *L’ANTISEMITISME*, in which he states:

"What were the relations between the Jews and the secret societies? That is not easy to elucidate, for we lack reliable evidence . . . they are not necessarily in the head, the soul, the Grand Masters of Masonry. It is certain, however, that there were Jews at the very cradle of Masonry, kabalistic Jews, as some of their rites prove."

**9 - JEWISH INFLUENCE ON MASONRY DEMONSTRATED**

BY REASON: These arguments can be summed up as:

a.- Freemasonry is a secret society  
b.- Freemasonry is directed by an international minority, and,  
c. -Freemasonry has sworn implacable hatred for Christianity.

These are some of the same characteristics which can be found in international Judaism and which could prove Jewish influence in the Lodge. Jews have more to gain from Freemasonry than anyone else.

---

**Page 82**

NOTE CAREFULLY:

1.- Many of the external trappings of Freemasonry, such as its ritual, symbols, terminology, legends, etc., are of Jewish origin.  
2.- The philosophy or religion of esoteric Freemasonry (that understood only by the inner circle) is practically identical to that of the Jewish Cabala.  
3.- Certain small groups of Jews, of immense influence and wealth, are leading Freemasons, and;  
4.- A larger group of very influential Jews, pursue the same goals as Freemasonry, using similar means and are in close alliance with them.
I believe it would only be honest to say here, that although the Jewish element in Freemasonry is of greatest importance, and that Jewish Masonic leaders often exploit the Lodge for their own nefarious purposes, it is unjust to accuse all Jews, or all Masons of being involved in this scheme for world control. Many of the "Lesser Jews," the ones which you and I are most apt to rub shoulders with, just as many members of the Masonic Blue Lodge, know very little about this international scheme for world control, and are innocent dupes of a power that is over them. Many of these people are against One-World government, without realizing that their leaders are pushing them into it. These are the ones who must be reached with the truth. We know that it will be next to impossible to reach those in high positions, as their mind is already "set in cement," but we hope to reach those who have been "hoodwinked" into a society they really know very little about and which many of them would repudiate if they knew the truth.

The Jewish people have suffered, are suffering, and will suffer severely in the future, because of wicked, unscrupulous atrocities committed by the ruling Jewish-Masonic junta.

Page 83

10 - MODERN JUDAISM

It is necessary for you to have at least a "nodding acquaintance" with the Babylonian Talmud, which is the heart blood of modern Judaism, in order for you to understand the influence it exerts on Freemasonry.

Modern Judaism, according to Jewish sources, is modern Pharisaism. Rabbi Louis Finkeistein, head of the Jewish Theological Seminary of America, in the foreword to his first edition of THE PHARISEES, THE SOCIOLOGICAL BACKGROUND OF THEIR FAITH, says on p.21:

"... Judaism ... Pharisaism ... Talmudism became Medieval Rabbinism; Medieval Rabbinism became Modern Rabbinism. But throughout all the changes in name; the spirit of the ancient Pharisees survives unaltered."

Rabbi Michael Rondkinson, in his book THE HISTORY OF THE TALMUD, writes:

"The source from which Jesus of Nazareth drew His teachings, which enabled Him to revolutionize the world ...
is the Talmud ... the written form of that which, in the times of Jesus, was called the "Traditions of the Elders."

The falsity of this statement can easily be seen, when one does some research into this religious book of the Jews and then looks at the statements made by Jesus Christ in regard to them in both Matt. 15:9 and Mark 7:7, 13. In this latter Scripture, speaking directly to the Pharisees, He said:

"You make the word of God of none effect through your tradition, which ye have delivered; and many such things do ye."

The TALMUD is so filthy and absurd, that it is blasphemy to say that Jesus drew the teachings of Christianity from this religious cesspool.

The second major source of Judaism is the Cabala, sometimes spelled Kabbala. This is the mystic, corrupt,

occult teachings that apostate Judeans brought home with them when they returned from seventy years of Babylonian captivity. The TALMUD was begun about 500 B.C. and was finally completed, in its written form, about 500 A.D. at the great Jewish center in Alexandria, Egypt. It contains the arguments of leading Jewish Rabbis as they argue over points in the Jewish religion. Today, the vast majority of religious Jews look to the TALMUD as their guide in religious and civil matters and it has rightly been called by them, the "heart blood of modern Judaism." In the minds of most Jews, it has replaced the ancient TORAH. Even in the time of Jesus, the Pharisees bragged about how they followed the teachings of Moses and were repudiated by Christ when He told them: "Had you believed Moses, you would have believed me; for he wrote of me." (John 5:46). In another place (Matt. 23:2) -

"The scribes and Pharisees sit in Moses' seat (in other words they had usurped the authority of Moses); All therefore whatsoever they bid you observe, that observe and do; but do not do after their works; for they say, and do not."

In other plainer words, they were "hypocrites" and this is what He called them to their face (See Matt. 23:15) -"Woe, unto you, scribes and
Pharisees, hypocrites! for you compass (go over) sea and land to make one proselyte (convert), and when he is made, you make him two-fold more a child of hell than yourself."

Pretty plain talk, isn't it?

The Jewish apologist, Bernard Lazare refers to the TALMUD as "the creator of the Jewish nation, and the mould of the Jewish soul" (L'AUTISEMITISME, p.293).

The TALMUD is impregnated with hatred for Jesus Christ and the Christian church, although some of the more virulent passages have been removed from the English translations and are unknown to many liberal and non-religious Jews. They are still taught in the Jewish seminaries.

Page 85

The Cabala was originally used to indicate that portion of the Mosaic law which was handed down by tradition. Since about the Thirteenth Century, however, it has come to refer to the esoteric (understood only by the upper elite) and occult doctrines of Judaism, which were learned in Babylon and are woven into the tapestry of Freemasonry. The most authoritative work on the Jewish Cabala can be found in the ZOHAR or SEPHERAL-ZOHAR, WHICH IS PART OF THE 63 VOLUME TALMUD.

These books contain the mystical, occult teachings of modern Judaism and Freemasonry and are often tied in closely with mystic occult teachings from the Far East. This system of occultism is sometimes called "hermeticism," named after the god Hermes, who was the Greek god of wisdom, corresponding to the Roman god Mercury. (We see his symbol in many areas of modern life, such as the telegraph service.)

This belief takes in "Theosophism," which means the "physical appearance of God to man." Christian Science, Neo-Platonism, Judaism and Jewish heathen Cabalism. It is actually part of the revival of the Gnostic heresies which played such havoc in the First century Christian church and which provided the Christian world of Constantine, with an acceptable substitute for Christianity. Their adherents are still attempting to do this in Freemasonry.

The major connection between Judaism and Freemasonry can be seen in the Cabala, where there is a very close association between the secret teachings and doctrines of Judaism and Freemasonry.
One school of thought is that Freemasonry was brought into existence by the Jews, for the destruction of Christianity. This view, of course, is accepted by acknowledged anti-Jewish writers. However, it does not come into accord with established facts, since the Jews were excluded from many of the early English and French Lodges of the 18th Century.

The second school of thought is that Jewish Cabalistic tradition is one of the principle means through which Eastern occultism has been transmitted to the Christian world. This can be seen most clearly in the NEW AGE MOVEMENT, which has swept like wildfire through the Christian world in recent months. When men begin to lean on their own understanding, rather than the Word of God, and seek to "do their own thing," instead of obeying His law, they are easy prey for philosophies such as the NEW AGE.

Most of the leaders in Illuminism and Communism were initiated into the secrets by Jewish cabalists, as were early Masonic leaders such as Albert Pike. They drew their inspiration from secret Jewish writings. This can be clearly seen by an honest perusal of Pike's MORALS AND DOGMA. (It can also be seen by reading Nesta Webster's SECRET SOCIETIES AND SUBVERSIVE MOVEMENTS, Chapters 7, 8 and 9.

Many of the Jewish cabalists were MARRANOS a name given to them in Spain, where they supposedly converted to Catholicism in order to avoid the persecution of the Inquisition. During the day, they were Catholics, sometimes even priests and Cardinals, but at night they would revert back to Judaism and in their secret enclaves, they followed the occult practices of ancient Babylon, even including human sacrifices. When war between England and Spain became a reality, many of these Maranos threw off their protective cloak of Christianity and openly reverted to Judaism and were welcomed by the English.

To see how these secret Jews operate, it is only necessary to look at the controversial book The Protocols Of The Learned Elders Of Zion. (Many who have read this far, will state: "But those have been proven to be counterfeit."
This was disapproved in a Swiss court of law. But be that as it may, I would use the same argument used by Henry Ford, Sr., in 1926, when he said concerning the PROTOCOLS words to the effect that whether they are counterfeit or not, didn't really matter, because it was an established fact that world Jewry was using them as a "blueprint" and were following them to the letter.

I do not have time here to go into a discussion of this much maligned document, except to say that it follows very closely a much simpler blueprint of a similar document which printed in 1889, by James de Rothschild and was a copy of a document which was sent out to European Jews in 1289, by Rabbi Chemor, head Rabbi of France.

Chemor wrote to the Grand Sanhedrin of France: "The advice of the Grand Satraps (world governors of the Jews) and Rabbis is as follows:

1.- Make your sons merchants, that little by little they may despoil Christians of their possessions.
2.- Make of your sons doctors and apothecaries, that they may take away Christian lives.
3.- Make of your sons, canons and clerics (clergies), that they may destroy Christianity from within. (There is hardly a Christian Seminary in America, which is not infiltrated by Jewish professors on their faculty).
4.- Arrange for your sons to become advocates and lawyers, and see that they mix themselves up with the affairs of the State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them

It is not difficult to see how international Judaism, especially Zionism, has followed this Protocol and how they have been helped into positions of world power by FREEMASONRY.
entirely of Jewish Masons. Mirabeau, a French Jew, in his MEMOIRS DE MIRABEAU, vol.III, p.60, stated that the program of the Illuminati which involved him, came about because of his intimate involvement in the inner circle of Freemasonry. He was a member of the Lodge of St. Theodore, to which Adam Weishaupt, the founder of the Illuminati, belonged.

There is much evidence available that the program for revolution which was carried out in France, was formulated in the Lodges of German Freemasons, who formed the nucleus of the Illuminati in 1776.

(Although Weishaupt used Freemasonry as a step towards more power, he hated it and was its enemy.)

Arthur Pruess, an American author, in his book A STUDY IN FREEMASONRY, shows the close connection between Masonry and the Jewish Cabal. He sums up his arguments from the celebrated Masonic leader, Albert Pike:

"All true dogmatic (stating an opinion without proof) religions come from the Kabbala and lead back to it; all that is scientific and great in the religious dream Of all the illuminated such as Bachme, Swedenborg, St. Martin, and others similar, is borrowed from the Kabbalah. All the Masonic associations owe their secrets and symbols to it."1

In 1901, a German Mason by the name of Findel wrote:

"It is less a question of a struggle for the interests of humanity, than a struggle for the interests and domination of Judaism. In this struggle, Judaism reveals itself as the dominant power to which Freemasonry must submit. Indeed, we should not be astonished by this, for in a hidden and carefully disguised manner, Judaism is already the dominate power in many lodges in Europe.

---

Notes:-

1. Taken from Pike's Morals and Dogma, pp. 744-745.
"So far as Germany is concerned, it must not be forgotten that it (Judaism) is the master of the financial and commercial markets, master of the press, both political and Masonic, and that millions of Germans are financially its (Judaism's) debtors."\(^2\)

It might be of interest to note that at this time, International Judaism was preparing the takeover of the world by the destruction of two great Christian nations in Europe. They knew that both Russia and Germany stood in their path of world aggression, so as early as 1900, the Jewish Cabal had a war chest of some $2-billion, laid aside specifically for the destruction of Christian Germany. This was long before a little Austrian "paperhanger" by the name of Adolf Hitler came on the scene.

The International Jewish Cabal, planned in its long range scheme of things, the ultimate destruction of Canada and the United States, in order to control the Western Hemisphere. Those of us who have been a student of the Jewish question, have seen this assault in operation in this country for over fifty years. (For those who would like more information on this phase of the conspiracy, I would suggest you write for my book THE GREAT CONSPIRACY).

**The Cabala and the Talmud**

Nahmanides, Solomon ibn Adret, Joseph Caro, Moses Isserles, and Elijah b. Solomon of Wilna were not only supporters of the Cabala, but even contributed largely to its development. As these men were the actual representatives of true Talmudic Judaism, there must have been somethinglythe Cabala that attracted them. It can not have been its and the metaphysics; for Talmudic Judaism was not greatly interested in such speculations. It must be, then, that the psychology of the Cabala, in which a very high position is assigned to man, appealed to tile Jewish mind. - from: *The Jewish Encyclopedia*, Vol. III, "CABALA" pg. 478 (1903).

**Notes:**

11 - THE EARLY RECORD OF JEWISH INFILTRATION

The leaders of Freemasonry love to boast about their leadership in the French Revolution. So do the Jews! "When the Bastile fell," said Bonnet, the speaker at the Grand Orient Assembly in 1904, "Freemasonry had the supreme honor of giving humanity the chart which it had lovingly elaborated."

On August 15, 1789, the Constitutional Assembly of France, of which more than 300 members were Masons, adopted almost word for word, the form determined in the Lodges, which became known as the 'Declaration of the Rights of Man.' It was a simple denunciation of the Kingship of Jesus Christ, and membership in His body, the church. The French State openly declared in this Masonic prepared document, that they no longer acknowledged any duty towards God or Jesus Christ and that they no longer recognized the dignity of membership in the Christian church. It organized a vicious attack against Jesus Christ and His Kingdom, which has been carried on relentlessly until the present day.

That was their first step. The subservience of Freemasonry to Judaism soon showed itself. When the question of Jewish emancipation came up in the Constitutional Assembly (1789-1791), it was Masonic deputy Mirabeau, who linked up with the Jews of Berlin and A. DuPont, who rendered the first secret service of Judaism by Freemasonry. There were many more such acts to follow.

By 1789, the French State had completely ostracized Christianity, while admitting Jews to full membership. This accounted for the domination of state after state in Europe by the Jews. During successive Masonic revolutions from 1789 to the Spanish Revolution in 1931, the world had heard of the enlightening reforms which separated church from state.

With these reforms came a proliferation of divorce, secularization of education, the suppression of Christianity, the neutralization of private
property and the unrestrained license of the press for the glorification of world Zionism and Masonry.

As early as 1922, the Assembly of the Grand Lodge of France began to work towards the formation of a United States of Europe, as the forerunner of their Federation of the World.

In North America - Canada and the United States - Masonry and Zionism worked hand in hand, as they invited these two Christian nations to give up their sovereignty and enter a world Federation which would be controlled by Masonic Jews. But we had enough patriotic Congressmen in Washington at that time, that their dream was disrupted and our entrance into the League of Nations was voted down.

In April of 1919, Mr. Outerdyke, the Dutch minister to Russia at St. Petersburg, wrote in a British "white paper:"

"Unless Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world. It is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends, the existing order of things."

His warning went unheeded, in England particular

In G. K. WEEKLY, Feb. 4, 1937, renowned writer Hilliare Belloc wrote:

"As for any who does not know that the present revolutionary movement in Russia is Jewish, I can only say that he must be a man who is taken in by the suppression of our deplorable press."

All branches of Freemasonry at their highest levels are essentially opposed to Christianity. As a rule, Freemasons admit the existence of God, but they themselves openly confess that they do not adhere to this truth. They allow their members the greatest license on this point, as they are at liberty to believe that God exists, or that He does not.

The recognition by the Grand Lodges of the article relating to the GRAND ARCHITECT OF THE UNIVERSE, does not signify that this branch of Freemasonry accepts the supremacy of Jesus Christ. Like all sections of
Masonry, which put Buddha and Confucius on the same level as Jesus Christ, they deny Christ's role as mediator between God and man. Many of the English Lodges are made up completely of Jews, who of course deny the divinity of Jesus Christ.

The formation of Masonic "toleration of all religions," is actually a positive hatred of the Divine plan for man's salvation, through the death and resurrection of Jesus Christ.

Some Masons believe that their association goes back to Adam and we have seen in Dr. Shepherd's explanation, that he believes it goes back to CAIN at least. Other Masons try and trace its foundation back to Abraham, Moses, or David and Solomon.

The modern version of Freemasonry had its roots in Europe during the rapid rise of atheism and anti-Christianity. By the beginning of the Nineteenth Century, the Reformation Movement had about run its course. The principles of the Reformation, which had allowed private interpretation of the Scriptures and which had been introduced with the best of intentions as the pure worship of Jesus Christ, had ended, as men's efforts often do, by leaving no part of Christ's teaching unchallenged. Men began to attack His divinity, His resurrection and His very existence. These were men who called themselves Christian.

It was during this time, about 150 years ago, that a German Jewish philosopher named Ludwig Feurbach declaimed: "Man will finally be truly free, when he realizes there is no god of man, but man himself" This idea became so deeply implanted in the diseased brain of a young Jewish radical named Karl Mordecal Marx, that it became the foundation of both Illuminism and Communism.

A LEAGUE was begun in Germany by a man named Socinus, which bound groups of Polish and German Protestants into a League, or Lodge, if you will, where the only requirement was an undying hatred and opposition to the Roman Catholic Church.

A man by the name of Boyle threw doubt on everything which had been taught by Christianity, while Spinoza destroyed what little respect was left for the Deity. Both deists and pantheists (the doctrine that God is not a personality but that all forces are t, wnifestation of the self-existing
universe and are therefore gods). This theory made so much headway in Europe and England in the early 1800's as to almost destroy Christianity.

What had once been Protestantism, often turned into what was popular called "Free Thinking." France owed its evil pre-eminence in a great degree to a man named Voltaire. He was an extraordinary man and was possibly the greatest disciple of atheism and "Free Thinking" the world has ever known. Abetted and aided by Judaism, he set out to destroy the Christian world. He once bragged that what Christ and His disciples had taken almost 2,000 years to develop, he would destroy in one generation. He was the son of ardent Roman Catholic parents, with excellent schooling and had been trained by the Jesuits. (It may be of interest to note here that the Jesuits were controlled by Jews who had infiltrated the order begun by Fr. Ignatius Loyola in 1534).

Voltaire had been trained to be a lawyer and apparently learned all the guile and trickery for which the Jesuits were noted. At this time, the courts of Europe were rotten to the core. Many of their leaders, often professing to be Christian, were libertarians of the worst sort, showing very little Christian fruit in their lives.

The court of Catherine the Great, in Russia, for instance, was noted for its unabashed lewdness, while the court of Frederick the Great of Prussia was so corrupt that it cannot even be

ribed by decent language. The Regent of Orleans and Louis XV of France, had carried sexual license to such an extent that the Court at Versailles was in utter confusion. Vice became the order of the day and as a consequence, the libertines hated anyone who took exception to their excesses.

Voltaire, appearing in the midst of this scene was a witty, sarcastic, vicarious fellow who found himself at home with the voluptuaries who filled Paris.

His conduct was so bad however, and his habit of ridiculing royalty so open, that he landed in the Bastille at the age of 27. He was liberated in 1727, on the condition that he leave France and never return. He crossed the English Channel and lived in England for half a century in what was
described as: "the most perfect incarnation of Satan the world had ever seen."

At this time, the society of Freemasonry was just beginning to gain a foothold in London, and Voltaire became an enthusiastic member of one of the Lodges. He returned to the continent during the years 1726-1728, where he became an adept, not only for Freemasonry, but also of infidelity. His hatred of the monarchial government of France, which had imprisoned him, was almost beyond human understanding.

He was a master of French prose and his writings against morality and Christianity were received with great favor by the corrupt, reading public of his day. He was adept at the use of ridicule and blasphemy, which he used against anything that smacked of Christianity.

Nothing was sacred to him and he viciously attacked Joan D'Arc, the "Maid of Orleans," with as little scruples as he attacked Christianity. His teaching was that a reign of terror would spread over the world and that it would continue as long as there was a vestige of Christianity left. His teaching was actually the forerunner of Communist terror today.

He was an adept liar and wrote to his disciple Theriot: "lying is a vice when it does evil. It is a great virtue when it does good. Be therefore more virtuous than ever. It is necessary to lie like a devil, not timidly, and for a time, but boldly and forever."

He was a profound hypocrite who used religion when it became necessary for his evil purposes. Writing to a man named Damilaville, he said: "The Christian religion is an infamous religion, an abominable hydra which must be destroyed by a hundred invisible hands. It is necessary that philosophers course through the streets to destroy it. Let us crush the wretch!"

At one point in his life when he had an accident and broke a blood vessel, he thought he was about to die and called a priest to whom he made confession and even signed a written confession in which he decried his evil life and asked God to forgive him. He went so far as to have this retraction printed in the newspapers. But as soon as he had recovered, he
commenced his war against God with a new fury and died screaming imprecations against God and Christianity.

Freemasonry spread the ideas taught by Voltaire. The first Lodge established in France was in 1727 under English obedience. Its founder was a celebrated Jacobite named Lord Derwentwater. It was accepted almost immediately by the degenerate nobility who clamored for membership. In a short time, Freemasons had lodges in every city of size in Europe and England. Noted Christian leaders of the Eighteenth century realized that the real secret of Freemasonry was their disbelief in the divinity of Jesus Christ and a determination to replace this truth with the doctrine of "Naturalism" and "rationalism." There are some authorities who believe that Oliver Cromwell was a follower of Socinus and that he introduced Masonry into England, calling them FREEMASONS for the first time and inventing the allegory of Solomon's Temple, now so much used by Freemasons everywhere. This temple, which was destroyed by the Roman General Titus, in 70 A.D., in fulfillment of Christ's prophecy in Matt. 24:2 and Luke 19:43, 44 and in the Old Testament in Jeremiah 26:18 and Micah 3:12, was to be rebuilt by Freemasons.

Freemasons planned to restore this temple after Christianity had been obliterated by the conspiratorial revolution. The statue of Nature, was the Hiram, whose murder Freemasonry was supposed to avenge, and which previously, having removed Christ, was to resurrect Hiram by rebuilding the temple as it was before.

The Talmudic-Cabalistic mind for centuries previous to the Reformation, had formed secret societies for their own protection and for the destruction of Christianity.

As early as 1290, Edward I of England had banished the Jews, not because of their religion itself, but because of the grave offenses on the part of the Jews, which endangered his realm. These acts were enacted against the Jews by His Parliament in 1290, with the House of Commons playing a prominent role.

In 1255, about 40 years after the Magna Charta was signed, Henry III ordered a trial in the murder of St. Hugh of Lincoln, who had been killed by "Jewish ritualistic murder." Eighteen Jews were executed by the crown, after being proven guilty of this heinous crime.
In 1275, Parliament passed the "Statute of Jewry," which confined the Jews to certain areas of the country, forbid them from practicing usury, or to own land, and required them to wear yellow identification badges.

In 1290, Edward I, banished all Jews from England. The Baptist evangelist and author Hal Lindsay says this was done because the Jews "were God's Chosen people and Satan hated them." This seems to contradict the words of Jesus Himself, when He said to their leaders in John 8:44 -

"Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him ."

Then in John 10:26, He told these same leaders: "Ye believe not, because ye are not of My sheep..."

(Emphasis mine). This statement seems mighty clear to me! Even "brainwashed" Judeo-Christians should be able to understand the significance of these words.

Without the Jewish conspiracy gnawing at their vitals, England prospered for a time. Then in 1657, Oliver Cromwell, financed by the Jew Moses Caraja, came into power and the Jewish parasites were allowed to return. It has been "downhill" for England ever since.

In 1689, Amsterdam Jews financed the rebellion against James II. The chief of these was Solomon Medina, who was also a high ranking member of Freemasonry.

In 1694, the Bank of England was set up under International Jewish control and the National Debt was instituted, securing for Jewish money lenders a first chance on the taxes of the English people, who paid for the interest on their loans. Sometimes this interest reached the exorbitant rate of 250%. The right of the Crown to print money was transferred to the Bank of England, in much the same manner that this right was taken away from the American Congress and given to the Jewish owned Federal Reserve System in 1913.
In 1707, economic and political union was forced on Scotland, against the vote of the Scottish people in every borough of the land and the National Debt of England became the National Debt of Scotland also. It was during this same period that the Jews took over economic control of Europe and Freemasonry began to thrive under their leadership.

"Masonry, that immense association, the rare initiates of which, that is to say, the real chiefs of which, whom we must be careful not to confound with the nominal chiefs of the Blue Lodge, live in a strict and intimate alliance with the militant members of Judaism ... For that elite of the order - these real chiefs whom so few of the initiated know, are employed in the profitable and secret dependence of the cabalistic Jews. This phenomenon is accomplished, thanks to the habits of rigorous discretion to which they subject themselves by oaths and terrible menaces, thanks also to the majority of Jewish members which the mysterious constitution of Freemasonry seats in its sovereign council."

What we are actually seeing in Freemasonry, is something like what has happened in the governments of England, Canada and the United States, and other nations of Christendom. In these countries, due to the "terrible power of the purse," International Jewry now controls the economic life and politics of most of the Israelite nations. (These, I believe, are the Anglo-Saxon, Germanic, Scandinavian and related peoples who make up that part of the world we call Christendom).

It has been estimated by respected members of the U.S. Senate, that at least 70 members of that august body vote "Zionist first and America second" vote. In spite of the fact many claim to be Christians, they are to all intents and purposes a "bastard combination" called Christian-Zionists or Judeo-Christians, which is like saying something can be
"hot-cold" or "wet-dry." A great majority of them, by their actions, have proven to be "duel loyalists," and strangely enough, most of them are members of the Masonic Lodge.

Voltarie learned that Masonry, which he had joined while living in London, was a capital means of spreading his doctrines among courtiers, men of letters, and the general public of both England and France. His major successes were in France. Operating under the guise of philanthropy and religion, few of the lower order members of Freemasonry knew that it was anything more than a fraternal organization which helped them in business and where they could obtain fellowship.

A man named Ashmale, introduced the Bible into Freemasonry along with the "square and compass." These became important accouterments of Masonry, which witnessed to the world that Masons believed in a god, whom they called THE GREAT ARCHITECT OF THE UNIVERSE. This insignia featured an "open eye," which they were told represented the "all seeing eye of Providence. This eye, they were told, made it impossible for a Mason to escape his fate, if he ever revealed any secrets of the society or failed to obey orders he was selected to carry out. (It was on this basis alone, that I refused membership. I could not bring myself to pledge such allegiance to any man, or group of men.)

In its secret conclaves and ascending degrees, it had means to tell the victim that the ARCHITECT meant a "circle of nothing!" That the open Bible represented the "universe;" that the "Square and compass" were simply the fitness of things - the means to make all men, "fraternal, equal and free!" But like Orson Wells' ANIMAL FARM they were not told that in Masonry, "some pigs were more equal than others," and that the top Masons "lord it over" the Blue Lodge members and control not only their thinking, but their actions.

In the recesses of the Lodge, the political conspirators found men and the means to carry out their nefarious purposes in relative secrecy and security. Those who were interested in public office, found in the lodges, the means for their advancement. The ribald humor of the Seventeenth Century "libertarians," was master in their lodges, as banquets, ribald jests, song, reveling and sin, constituted a leading part of Masonic life. Things haven't changed all that much in the Twentieth Century Lodge.
These attractive centers of protected sin, spread over Europe with great rapidity. The scoundrels of society found employment in them and within a few years, the lodges of the Freemasons had become a formidable power throughout the civilized world.

Freemasonry, in particular, spread rapidly among the higher class of society. It soon began to capitalize on the power of union and propaganda. A brother in one, was a brother in all.

A Portuguese Jew named Martinez Pasqualis, introduced ILLUMINISM into the French lodges and his system was noted for its immorality, anarchy, atheism and blood shed!

Adam Weishaupt, the founder of ILLUMINISM in 1776, told his initiates in Freemasonry:

"If in the order to destroy all Christianity and religion, remember that the end justifies the means. (This was a special axiom of the Jesuit Order of the Roman Catholic church, which were also closely tied in with Judaism). Those we have taken to deliver the human race from religion, are nothing else but a pious fraud which we will some day unveil." ¹

Now that you have learned a brief background of Freemasonry and it's Jewish connections, we need to take a closer look at the "beast" itself.

12 - A CLOSER LOOK AT FREEMASONRY

In the preface of his book *FREEMASONRY - An Interpretation*, Pastor Martin Wagner, Pastor of the St. John's Evangelical Lutheran church in Dayton, Ohio (1912) says:

"Real Freemasonry is something beside and beneath the ritualistic forms and monitorial lectures. It is something which comparatively few Masons understand. Modern Masonry has never possessed the true key for the interpretation of the secret doctrines. This institution is esoteric. (Which means that its "secrets" are intended to be understood only by a few at the top). "Masonic authorities, as well as the Masonic ritual, declares that secret doctrine which constitutes the very essence of Freemasonry and which is veiled under terms and imagery of the builder's craft.

"The essence of Freemasonry is that it's peculiar religious ideas and doctrines, have survived from the periods of remotest antiquity, until the present time ... crushed in one form, it will rise in another. Outlawed, or exposed in one institution, it evades detection by taking refuge under a different name, ritual, or symbolism."

In its modern form and organization, Freemasonry has had a checkered career. So long as there is an unregenerate human nature on this earth, so long will organizations such as the Freemasons find fertile ground in which to take root. Exposure may check it for a while and induce its adherents to repudiate it for a time. This was the case in 1826, when William Morgan, a Master Mason, published his exposure of the Masonic Lodge. For this he was condemned by a Masonic enclave and sentenced to death. When his murder was exposed by police investigation, over 45,000 Masons in the United States left the Lodge, because they believed what Morgan had written, on the basis of what happened to him. But Morgan had only divulged the form, the clothing if you will, the cloak under which the real doctrine was concealed and veiled. Freemasonry on the European continent was scarcely effected by the Morgan affair.
Exposure means little, unless one understands the key to Freemasonry. Most exposures by seceding Masons, exhibit only the trappings, the veneer, under which the true essence of Freemasonry is concealed. Not one Mason in ten thousand ever suspects what lies under the cloak of secrecy in which his lodge operates, for the real secrets of the Lodge are not taught in the Lodge.

The majority of Masons see only the outward trappings of the Lodge and the less the Mason knows about them, the more he admires and believes. The same is true with the Judeo-Christian church, where the vast majority of its members seldom if ever study the Scriptures on their own, preferring to be guided instead, by a pastor who has been as "brainwashed" as they. The same is true with Freemasonry, for when broken down to its common denominator, it is a religion. Religion is its mystical tie! Religion has been from time immemorial, one of the most powerful factors in the activities of mankind. It has been the "motor" which has controlled vast armies and founded world empires. It has been the force behind bloody revolutions and despotic governments. It has established despotic "priestcrafts" and enforced obedience through fear generated by its teachings.

Many times you will hear "atheists" and "humanists" accuse Christianity of being responsible for the bloody deaths of millions of people. This is not the case! True Christianity has never murdered innocent men, women and children! Religion has -churchianity has -but not true Christianity. A good example is the present conflict which has been going on for years in Lebanon, where so-called Christian forces have been battling the Moslems. Yet these are Christian in name only and show none of the "fruits of the Spirit," which Scripture tells us are the mark of true Christians.

In the name of religion, men have been enslaved to build lavish, costly monuments to its power; call these churches or cathedrals. These are shrines for the gods of religion. Not to God Almighty! Religion has never changed any man or woman into a better human being. When the Communist leader Lenin stated that "Religion is the opiate of the people," he knew whereof he was speaking, for religion controls people and makes them slaves of the religious leaders.

On the other hand, true Christianity has been responsible for our finest art; our sweetest music. It has transformed human perverts from harden slave drivers to writers of Christian songs who could say: "Just as I am, without

Page 103
one plea, but that Thy blood was shed for me." It has turned human devils of lust, fury and crime, into saints fit for the Kingdom of God.

Christianity has given timid women and children the courage to face fear of being torn to bits by wild animals in a Roman arena. It has caused gentle women to withstand terrible torture for the sake of their beliefs. It has caused men to sing praises to God, as they were burned to death at the stake. (Read Fox's *BOOK OF MARTYRS*, and the 11th Chapter of Hebrews for an account of what Christianity has done for men and women).

Religion, on the other hand, has been the power behind political corruption; the power behind armies of evil kings and popes to destroy. Religion is the most powerful motor in mankind and religion is the driving engine in Freemasonry. We can see the modern application of the power of religion, in the upsurge of Moslem Fundamentalism, which could well sweep this world into World War III, as it comes up against the "secular religion" of the Zionists in Palestine.

Page 104

The vital and essential elements in the religion of Freemasonry are not the spiritual facts and the spiritual mysteries. They are carnal and physical, what some would call "the facts of life." These are the "mysteries" involved in "generation" and "reproduction," which Masons worship. The same "regenerative power" which has been worshipped for millennia by heathen people around the world. Because of their "earthy" nature, they appeal to the lustful spirit of unregenerate men.

These "mysteries" relate to the dominate passion of man to "procreate." They excite his passion, awaken his emotions, take first place in his mind and energize his deepest thoughts.

It is difficult to conceive of anything more exquisitely fitted to appeal to the "natural," the "animalistic" man of the evolutionists, than the teachings of Freemasonry. It is a religion which makes the mystery of procreation, the hidden force on which it rests.

Masonry conceives of the divine nature as residing in man, and this nature is best expressed through sexual passion. The gratification of this passion, therefore, is pleasing to the Masonic god and becomes his duty. Although he may claim to be a Christian - and many of its members do - he has given
his allegiance to "another false Christ" who repudiates the New Testament teachings regarding "unlawful lust" and "illicit passion."

Our Lord's admonition to men in Matthew 5:28 - "But I say unto you, That whosoever looketh on a woman to lust after her, hath already committed adultery with her in his heart ..." is looked on by the Mason as the height of utter stupidity!

Christians are further admonished in Galatians 5:16 - "Walk in the Spirit and ye shall not fulfill the lusts of the flesh." Again in James 1:14 - "But every man is tempted when he is drawn away of HIS OWN LUST, and enticed. Then when LUST has conceived, it bringeth forth sin (transgression of God's law, according to 1 John 3:4), and sin, when it is finished bringeth forth death." (Both physical and spiritual.) And finally in James 4:1 - "From whence come wars and fightings among you? come they not hence, even of your lusts that war in your members?"

But the god of Freemasonry contradicts the Scriptural account and shouts: "NOT SO! It is your sacred duty to seek self-gratification! It is your moral and religious duty to fulfill the lusts of the flesh!" This is one of the reasons so many men want to become Masons, it is a religion which caters to the sensuality of men. It does to men, what the Woman's Liberation Movement has done to women, when they tell their adherents: "Don't listen to those narrow-minded Christians. You've come a long way baby! No one can tell you what you can do with your own body!"

Freemasonry appeals to the unregenerate heart of men, because the "generation" of human beings is the great work of Masons and is what they call: "Building a temple for the indwelling of the GREAT ARCHITECT OF THE UNIVERSE," who is not the God of the Christian.

Today, as never before, a persistent war is being waged, either directly or indirectly against Christian principles which have been the strong foundation of our white, Christian civilization. These are the principles which have freed the slaves; have fed the hungry; have carried the Gospel of Jesus Christ around the world, and which have built Christian Constitutions on the Word of God. It is what has brought prosperity, freedom, and relative happiness to more people, in a shorter period of time, than any other principle which has ever been practiced on this earth.
As part of any attack against Christianity, there must be an attack against the Christian family and Masonry has followed this path. Many times governments refuse to see the indivisible, fundamental value of the Christian family and try and take over its prerogatives. This always leads to chaos, confusion and destruction to Christian values. Along with this attack, comes the attack on the right of the individual to own private property; the right of the individual to protect himself and his family; the right of freedom of speech, press, and religion. From time immemorial, our European ancestors have looked on these as the prime basis for their society.

Today, the natural organization of labor, which has been founded on the mutual need between capital and labor and which has been traditional in all periods of recorded history, has been upset. Now the worker is proclaimed to be equal in all respects with his employer, while he is exempted from the duties and responsibilities of the employer. The result has been a senseless "class struggle" which has all but destroyed American industry and which was designed to do just that.

According to both English and European Freemason leaders, Masonry was defined as; 'a peculiar system of morality, revealed in allegory and illustrated by symbols." THE UNIVERSAL MANUAL OF FREEMASONRY, describes Masonry as:

"the activities of closely related men, who, employing symbolic forms borrowed principally from the builders art and from architecture, work for the welfare of mankind, striving morally to enable themselves and others to thereby bring about a universal league (One-World Government) of mankind..."

Freemasonry is in the forefront of the One-World Movement. In the Christian concept of society, morals as well as social rights and duties must be based on man's revelation of God and his duty to obey God's law. In Masonry, the idea of human virtue and morality, is independent of God, and Divine law is ignored if it conflicts with the issues promulgated by Masonry. Essentially,
Masonry is "naturalism" in action and is a modern form of "ancient paganism.

Because of the policy of deception practiced by Masonic leaders, it is difficult to analyze accurately the underlying essence of Freemasonry. Essentially, it is founded on Jewish "Pantheism," or the 'deification and worship of unregenerate man, rather than God." It reflects the words of the German Jewish philosopher of the Eighteenth Century, Ludwig Feuerbach, when he said:

"Man will finally be truly free, when he realizes there is no god of man, but man himself."

This is the underlying belief of atheistic communism.

Most of Masonic symbolism, in its original and proper meaning, refers to "phallic worship." This fact is openly testified to by such Masonic leaders as Albert Pike, Mackey, Thomas, Webb Smith, William Preston and Hutchins on.

Rogan, a Masonic author of some note states that the Masonic god is the god of the pyramids, thus identifying Masonry with the ancient Egyptian religions.

The first three degrees of the order - those of Apprentice, Fellow Craft (or Companion Mason), and Master Mason, are known as symbolic degrees. The candidate is admitted through a series of fantastic ceremonies ... the significance of which is not revealed to the initiate. He learns nothing but the symbols and sacred words. He is continually edified by allusions to God and the Bible, the hidden meanings of which are withheld from him until he reaches the higher degrees.

It is not until a member reaches the 33° in the ANCIENT SCOTTISH RITE, that of Sovereign Grand-Inspector, that the genuine mysteries of Freemasonry are explained.

In his first initiation stages he learns:

1. - That the rite of initiation for Apprentice Masons represents in dramatic fashion the origin or birth of Nature's god - the GREAT ALL. It signifies the non-existence of a super-natural person God, such as that of Christianity. It signifies that the two principles of "matter" and "form"
"male" and "female," are always eternally "generating," (reproducing). It looks on God as a hermaphrodite, and creation as the beginning of the "generation process."  

2. - The initiation rite into the Second Degree, represents the moral condition of nature's god, always in labor, always reproducing. Again it looks on God as hermaphroditic, and states that his name JEHOVAH, means "generation." Meaning to say, HE-SHE, the two sexes in one.

The dual principle of "male" and "female" is represented by the "square and compass." The "compass" represents OSIRIS, the male god of the Egyptians, while the "square" is the symbol representing ISIS, the female goddess of Egypt - both are sexual symbols.

3. - The initiation to the Third Degree or Master Mason Degree, introduces the initiate to the story of Hiram Abiff, one of the architects of Solomon's Temple, as related in the TARGUM. (One of the several translations of Jewish scriptures, written in the vernacular (Aramaic) language of ancient Judea.)

Hiram is recorded as an allegorical being, symbolizing the GREAT ARCHITECT OF THE UNIVERSE. (Mackey, pp. 13-99). In this rite, the process of "generation" is represented as being complete; God, and the name of God, which the candidates are supposed to be seeking, is discovered. The name of this deity, not the LORD GOD of the Old Testament, is MOA-BON. This was the name given to the child born of Lot, after he had an incestuous affair with one of his daughters. The story is told in Genesis 19:37. This is explained as the man-child coming into being through the union of the SUN, with his daughter, the EARTH. This deity is also known as MAC-BENEC, "Offspring of putrefaction," since death and decomposition must precede the beginning of life; the seed must die before the plant can live.
"This," says the Masonic expert Ragon, "is the important phenomenon, the ineffable mystery, the key to nature, which the ancient sages succeeded in discovering, and which they adopted as the basis of Masonic doctrine... It is the subject of Masonic legends. According to this interpretation, the revolting atrocities of SATURN, and the incestuous PHARAEDRA, (SATURN was the Roman god of agriculture, and PHARAEDRA was the Greek wife of Minos, who had an incestuous relationship with her own son) were considered interesting enigmas, which involve facts worth our notice." (See Ragon, pp. 218,219). Throughout his book on Freemasonry, Ragon dwells on the process of procreation, Isis, Egyptian gods and goddesses, etc.

I believe enough has been said to indicate the "earthy" nature of Freemasonry and their peculiar system of morality, which we will discuss later on. All this is in veiled allegory. The contrast between Scriptural morality and Masonic morality is that between "light" and darkness; between the "spirit of the anti-Christ" and the "spirit of God." It was Jesus who said: "...men loved darkness rather than light, because their deeds were evil," (John 3:19). He went on in verse 20 to say: "Everyone

5. This principle is taught in Mackey's Lexicon on Masonry.

| Page 110 |

that doeth evil, hateth the light, neither cometh to the light, lest his deeds should be reproved."

As fast as men are converted to Freemasonry, so do they repudiate the principles and claims of Christianity. They may call themselves Christian, but as Christ Himself said:

"No man can serve two masters; for either he will hate the one and love the other; or else he will hold to the one and despise the other; ye cannot serve God and MAMMON."

Mammon is the love of fleshly, material things. In other words, "materialism," which is the very essence of FREEMASONRY
It should be noted that when dealing with Masons, their arguments must be interpreted in the light of the allegories or symbolism they use. According to Albert Pike, in his *MORALS AND DOGMA*

"Almost every one of the ancient Masonic symbols had four distinct meanings, one, as it were within the other - the moral, the political, the philosophical, and the spiritual meaning."

Thus, according to Pike; Hiram Abiff, Christ and MOLAY, are regarded as symbols representing "humanity." Since they are all apostles of "liberty, equality and fraternity." (These, by the way, were the watchword of the atheistic French Revolution). The cross in Freemasonry is by no means looked on as a specific Christian symbol, but is closely connected with a peculiar cult. The I.N.R.I. on the cross, to a Mason, does not refer to the passion of our Lord, but is Masonically read as "Igne Natura Rebovatur Integra," or "All nature is renewed by Masonic fire."

The picture of Christ dying on the cross for the sins of mankind becomes for the Masons, the "greatest among the apostles of humanity, braving Roman despotism, and the fanaticism and bigotry of the priesthood."

Reading from official Masonic documents, one can readily see that the vast majority of the Masonic Brotherhood, does not understand the trend or purpose of Masonic teachings and activity.

They are instructed by slow degrees and are only admitted into the more secret of the degrees, as they have become morally attuned to Masonic teachings and thus become capable of understanding the higher degrees.

Albert Pike, in *MORALS AND DOGMA*, p.819 says:

"Part of the symbols, are displayed ... to the initiated, but he is intentionally led astray by false interp">1... Masonry conceals its secrets from all except the Adepts (Highly skilled experts of Masonry), the Sages and the Elect; and uses false explanations for its symbols to mislead those deserving to be misled."

So you can see, from this top Masonic leader, that Masonry is a system of falsehood, which is used to fool even their own members.
The character of the inner workings of Freemasonry, is one of the reasons its secrets are hidden behind horrible oaths, which bind its votaries, especially in the higher degrees, through fear.

If the eminent Masonic authorities declare that few members understand the mysteries of Masonry, you should not consider it presumptuous if I say that very few Masons are ever brought to a true understanding of the organization they support. If they were decent men, and this is especially true of those who claim to be Christian, they would resign in disgust in spite of the horrible oaths they have taken.

Many Masons fail to see the truth because of the use of the Bible in their ceremonies. They see the garment of HIDDEN POWER - Masonry, but not what it conceals. They get little or no spiritual inspiration from the Lodge,

but appear in its dress parades and feast at its banquets, thinking they are engaged in a harmless fraternity which is doing good in the community and is good for their business. But in most cases, in fact, in a large majority of cases, there is a vast difference between what Masonry teaches and what it believes.

Martin Wagner, in his book FREEMASONRY- An Interpretation, says on pg. 153:

"The peculiar theological and religious ideas that Freemasonry holds and aims to inculcate while positively non-Christian, are expressed in terms of Christian theology, not to express Christian ideas, or to show their harmony with Christian thought, but to give them a Christian coloring, the more effective to deceive, mislead and hoodwink the neophyte, the conscientious member, and the non-Mason into whose hands Masonic literature may come.

"Thus the Biblical and Christian appellations of God are employed to denote the Masonic deity, who is known as THE GREAT ARCHITECT OF THE UNIVERSE. It employs the terms of regeneration; illumination; resurrection; justification and other Christian ideas, under which hide Masonic religious operations. These terms have a peculiar and specific meaning to Masons, and in studying this institution, we must not permit ourselves to be misled by their use of Christian theological terms. Many a Mason has been misled to believe that Freemasonry is a Christian institution."
I see no reason for us to go further into a study of Masonic symbolism, other than to say that its own leaders indicate it is heathen in origin and is used for the purpose of misleading its own members.

Much that appears Christian is in fact nothing but theological development of certain ancient esoteric doctrines, which were incorporated into Christianity and contributed much to its development, and which are also found in Talmudic works and in Talmudic Judaism.

13 - THE BINDING FORCE IN FREEMASONRY - OATHS

The utter obedience and subservience of Masonic members is gained through the use of horrific oaths! The oath for the First Degree, for instance, contains the promise:

"to hide, conceal and never reveal any part or parts of the secrets of Masonry which are already known to the candidate, or may in any way be learned by him at a future time."

Later, after his initiation, he is required to swear:
"To obey all signs and summonses handed, sent, or thrown from a brother Master Mason, or from the body of a just and lawfully constituted Lodge of Master Masons."

The absolute subservience of the member to the Lodge is seen in promises such as:

"to obey without hesitation, any order whatsoever it may be, of Masonic superiors ... to assist a Companion- Royal Arch Mason when he is engaged in any difficulty, and to espouse his cause, so far as to extricate him from the same, WHETHER HE IS RIGHT OR WRONG."

These and other promises are made under the following oath:

"To have his throat cut from ear to ear, his tongue torn out by the roots, and his body buried in the rough sand of the sea at the low-water mark, where the tide flows twice in the same twenty-four hours.

"To have his skull severed in two and divided to the North and South, his bowels burned to ashes in the midst, and scattered to the four winds of the heavens."

"To have his skull broke off, and his brains exposed to the scorching rays of the meridian sun, etc."^1

**14 - THE EFFECTS OF FREEMASONRY ON THE ENGLISH SPEAKING WORLD AND THE CONTINENT**

While many of those who read this book will understand the importance of politics and religion among the European members of the Israelite nations
(the nations we now know as Christendom), most of them will want to focus their attention on the effects of Freemasonry on the English speaking world; the British Isles, Canada, the United States, South Africa, Australia and New Zealand. Most of our interests will be centered on Canada and the United States.

It may be difficult for the average Canadian or American to understand the tremendous influence exerted by Freemasonry on our respective countries. The vast majority of Masons in both countries are law abiding citizens; many of them are church members, active in the religious activities of their community; many are conspicuous in charitable efforts to help the unfortunate and are looked on as pillars of stability in the community. But we need to remember that most of these Masons have been "brainwashed," just as members of the Judeo-Christian churches have been. In the church, these Christians, both Masonic and Judeo-Christian, protect the very enemies which are seeking to destroy everything they say they believe in as Patriotic Christians.

Professor John Robinson, a high ranking English Mason, wrote a very revealing book - PROOFS OF A CONSPIRACY (1798). He stated on pg. 466:

"Not all secret societies are dangerous, but all societies whose object is mysterious. The whole history of man is proof of this position. In no age of our country, has there ever appeared a mysterious association, which did not in time become a public nuisance."

Page 115

Remember the quotation from Horace Mann to the effect that we should question the motives of any man or organization who seeks to hide their objectives from the public.

The Prime Minister of England, during the reign of Queen Victoria, when England was at the zenith of her power, was a converted Jew named Benjamin Disraeli. He stated that Jews were at the head of every important revolution which had taken place on the continent and in England, and that the Masonic lodges sought to carry out the aims of the Jewish revolutionaries.

Over and over again, one can find statements made by both Jewish and Masonic leaders, concerning their part in these revolutions. Marcus Eli
Ravage, a well-known Jewish author, writing in *CENTURY MAGAZINE*, January 1928, stated:

"We Jews are at the bottom of nearly all your wars; not only of the Russian but of every other major revolution in your history. We did it solely with the irresistible might of our spirit, with ideas and propaganda."

The Jewish author, Oscar Levy, in the Preface to his book *THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION*, said:

"There is scarcely an event in modern Europe that cannot be traced back to Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners."

Yet foolish Christians continue to call these barbarians "God's Chosen people." How stupid can we become?

These were and are the men who have controlled and now control Freemasonry. Secret orders within England today, such as the *Star of the East*, and the *Order of the Round Table*, for all practical purposes control England. They are associated with continental Masons who claim to be under the direct influence of the Grand Masters, or the Great White Lodge, which is made up of Jewish cabalists.

---

*Page 116*

The same is true of the *Council on Foreign Relations* in the United States, the *Skull and Bones Club*, the *Trilateral Commission* and other organizations which are seeking to bring this country under the international bondage of a One-World Jewish controlled government. Many of these men are high ranking Masons.

One of the most powerful, but little known orders of Masonry is the *ROSICRUCIANS* who pose as an "high and holy order for spiritual development and service to mankind." They are actually a pseudo-religious order of occultists who study "high magic."

In most of the modern revolutions in Europe, which were communist or socialist in origin, we find Jewish Freemasons, who are in positions of highest power.
Scattered and rendered virtually powerless for almost 2,000 years, Jews have always been bitter revolutionists. Everywhere you go, you will find a profound and bitter antagonism between Jew and non-Jew, in both racial and spiritual realms. The Apostle Paul said of them: "...they have persecuted us (Christians), and please not God, and are contrary to all men" (1 Thess. 2:15). This contrariness rises from their completely different concept of life.

While few Jews were visible in the French Revolution of 1798, Freemasons did the job for them and were a cloak of secrecy shrouding Jewish involvement. Often, where Freemasonry is active, the Jews who manipulate them will remain in the background. This caused the Jewish Prime Minister of England, Benjamin Disraeli (1868-1880) to say:

"The world is governed by very different personages to what is imagined by those who are not behind the scenes...
That mighty revolution which is now preparing in Germany, and which will be in fact, a second and greater Reformation, and of which so little is yet known in England, is developing under the auspices of the Jews."

He was not warning Englishmen of this fact, but like the Jew he was, in spite of claiming to be a Christian, he could not resist boasting of the conquests of his people over the hated "goyim."

It is interesting to note, that down through the ages of history, the so-called Chosen Race of Judaism, has been willing to walk "hand in hand" with the scum of society, if it would further their control. In 1919, when Leon Trotsky, with $20-million donated by Jewish banker Jacob Schiff of New York, was on his way to Europe, he had with him 247 Jews who were the "dregs of society" from the alleys of New York City. The type of Jews, whom the Jews themselves refer to as "kikes." These were to become the top leaders in the Russian Revolution which killed Christians by the millions.

In Russia, where Freemasonry had been forbidden by law, the revolutionary effort was about 90% Jewish and many of these were Masons. The scum which followed them was eager for plunder. In Hungary, according to official Hungarian documents, the revolution was a Jewish-Masonic effort. When the Hungarian Soviet Republic was
established on March 22, 1918, its top leaders were 100% Freemasons and Jews.

The Minister of Public Instruction, Brother Kunzi, was a Masonic Jew; the National Minister of Soviets, Brother Kaszi, the son of a Jewish millionaire from Budapest, who was also a Mason; and above all, we must never forget Brother Bela Kuhn, the Jewish-Masonic-Hungarian butcher of Christians, who was a criminal of the first order and who operated under the protection of his Masonic connections.

Of the Hungarian Commissariat, 26 in all, 18 were Masonic Jews, an unheard of proportion, considering the size of the Jewish community in Hungary. 76 men who had criminal indictments against them, a preponderance of whom were Masonic Jews, were placed in positions of leadership in this Christian country. Men with names such as Liebrenecht, Rosa Luxemborough, Kurt Einser, and others.

When the Imperial Government of Germany fell at the end of World War I, Jews and Masons dominated the new government. The eleven men who took power over Bavaria were Lowenberg, Dr. Kurt Rosenfeld, Caspar Wallheim, Max Rothschild, Karl Arnold, Konrald, Rosenheh, Bierbaum, Reis, and Kaiser. These, along with Kurt Eisner von Israelovich, were the head of the Revolutionary Tribunal. All were Jews, and all were FREEMASONS, belonging to Lodge #11 in Munich.

A strange phenomenon exists in Judaism, in that enormous amounts of labor and money have been expended to minimize the part played by Jews in the Bolshevik Revolution, while at the same time, world renowned Jewish leaders brag about the power they exert.

A few years ago, in 1935, Rabbi Stephen Wise, the top Jewish authority in the United States at that time, was asked to comment on Communism. He was reported to have said: "Some call it communism; I call it Judaism." 

Contrary to what we have been told in the Jewish owned and controlled press of Canada and the United States, an entirely new breed of millionaires have risen in Russia. They are all Jews. They live in the lush resort areas of Kiev and Odessa and own their own factories, something unheard of in Russia. Many of these are prominent Freemasons. In
Russian cities where the population of Jews exceeds 25%, they are allowed to have their own Yiddish law, Yiddish courts, Yiddish codes and Yiddish is their official language.

This is in a communist country, where we have been led to believe, by media propaganda, that the poor Jews are persecuted. Yet as late as 1983, when Andropov was

Notes:-

Premier of the USSR, out of 23 members of the controlling Politburo, 17 were Jews. Virtually all the high ranking military commanders of Russia today are Jews, as are the party functionaries such as the Generals of Police, the Director General of the K.G.B., the Director of Foreign Operations, the Economic Planning Chief and the State Finance Officer. It is impossible, and probably improper, in this book to go into detail concerning the brutality of these Jewish-Masons towards the "bourgeoisie," especially those who are Christian.

In the city of Khorkaff, for example, in recent years, official documents state that a Masonic Jew named Sanko specialized in scalping his helpless victim. He would take the skin off their hands, peeling it off as one would take off a glove. At Kiev, victims were placed in a large chest, along with decomposed corpses and were buried underground until they passed out. They then were uncovered, revived and went through this torture again and again. Do you wonder why many of these people went mad?

Vicomte Leon de Poccius, in his remarkable book *THE SECRET POWER BEHIND REVOLUTION*, says on p.161:

"Without us Aryans being conscious of it, the idealism pertaining to our race, that idealism which was all that is beautiful, throughout all ages, for all that was noble, for sincerity, became imperiled by the seductive concept of Jewry towards a cynical and unscrupulous materialism, which finds its political expression in the Judeo-Masonic universal atheist Republic."
The Jewish revolutionary influence has been felt in all the nations of Christendom, either directly, or indirectly through Freemasonry, or the Jewish nationals who have managed to insinuate themselves into positions of political influence. Probably one of the best examples of this in 1989, is the influence of the Jewish Democratic Senator from Ohio, Metzenbaum, who has been involved in almost every liberal effort against this country and is in the forefront of the drive to disarm patriotic Americans. Recently he made a public statement to the effect that we must fight to preserve America from the horrible fate of becoming a Christian nation.

I have previously mentioned THE PROTOCOLS OF THE LEARNED ELDER OF ZION, which the Jews and their Christian stooges proclaim as counterfeit. But the indisputable fact remains, that from as early as 1789, this Machiavellian plan for world control has been used successfully around the world and Jews and Freemasons are following its plan like a "blueprint." One French Socialist leader stated:

"The nation is a great herd that only thinks of browsing, and with good sheep dogs (police) and shepherds (political and religious leaders), can lead as they please ... Money and hope of plunder is an all-powerful force with the people."

This force can be seen in operation in America and Canada today, for wherever you find the $ sign, no matter how evil the project may be, there you will find the vultures of International Jewry and Freemasonry. When we see what is happening in these two key countries, we can better understand what the Apostle Paul meant in 1 Timothy 6:10, when he stated: "The love Of MONEY) is the root of ALL evil."

Our discussion of Freemasonry has taken us back to its beginning and to the revolutionary period in Europe. But what about now? Has it mellowed? Has its designs changed? We will delve into this and more in the following chapters.

15- FREEMASONRY TODAY

One of the fundamental errors expressed by those who write about Freemasonry, I believe, is that they feel that all Masons hold a common
belief and purpose. The truth is, that Freemasonry is in a generic (applied to a class or group),

simply a system of binding men together for a given purpose.

The allegories (description of one thing under the image of another), used in Freemasonry, are capable of various interpretations. The re-building of Solomon's Temple for instance, may refer to progress in any Masonic undertaking. The same is true about its "sacred traditions." This system of degrees, of initiations, of binding members to secrecy by fearful oaths, can be employed for any purpose, social, political, philanthropic, or religious. It can promote "good," or disseminate "evil." It can be used to "defend a concept," or "overthrow" it; it can "protect" or "destroy."

But unfortunately, in Grand Orient Masonry, we find that it is not only political in its aims, it is also subversive. Instead of a peaceful trilogy of "brotherly love, relief and truth," it has added from its beginning, the war cry of revolution: "Liberty, Equality and Fraternity," which can never come to pass on this earth as long as it is controlled by human beings.

The aim of Grand Orient Masonry, from its inception, has been to bring about "universal equality." In the matter of "liberty," they preach: "no man shall have a master" and echo the thoughts of the German Jew Feurbach who stated that: "Man will finally be free, when he realizes there is no god of man, but man himself." To believe this falsehood, a man must first divorce himself from any concept of Christianity which teaches that Jesus is King!

The Grand Orient Lodge attacks all forms of religion. Its basis is "absolute liberty of conscience and the solidarity of all mankind." This kind of Freemasonry allows for "freedom of conscience" in the same sense that atheism does, since all its members must profess a belief in some form of higher power.

16 - THE REAL JEWISH PERIL!
The religion of JUDAISM TALMUDISM PHARISAISM whatever you wish to call it, does not take its stand on the Bible, or the Laws of Moses, as most Christians seem to think. Our LORD clearly taught this in John 5:46, 47, when He told the Jewish leaders:

46 "For had ye believed Moses, ye would have believed me; for he wrote of me.

47 But if ye believe not his writings, how shall ye believe my words?"

Michael Rodkinsom, the Jewish author and translator of the TALMUD from Hebrew to English, in his preface to the translation says: "The modern Jew is a product of the Talmud."

Yet it is interesting to note that the Talmud relegates the TORAH (the teachings of Moses) to a second place in Jewish teaching. The TALMUD is not a "law of righteousness" for all mankind, as the Bible is, but is a strict code which applies only to Jews. You will not find admonitions in it, such as those found in Micah 6:8 - "He (God) hath shown thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God."

In the TALMUD the ideas of Justice, equity and charity towards one's neighbor, depend on whether you are a Jew or not. In fact, the TALMUD expressly forbids a Jew to save a non-Jew from death, or to restore lost goods to him, or to have pity on him in any way. How can you deal justly with your neighbor, when your religion teaches you that he is a "goyim" (non-Jew animal)?

According to the TALMUD volume Schulchan Aruch, Choszen Hamiszpah (238): 'A Jew is permitted to rape, cheat and perjure himself; but he must take care that he is not found out, so that his people suffer.' This teaching is almost identical to the teachings of FREEMASONRY According to volume Sulchan Aruch, Choszen Hamiszpah (348):

"All property of other nations belongs to the Jews, who are consequently entitled to seize upon it without scruples. An orthodox Jew is not bound to observe principles of morality, if profitable to himself or to Jews in general."
Volume Baba Mechia (108b) and the *JEWISH ENCYCLOPEDIA*, both state: "Only Jews are men... Gentiles (non-Jews) are not classed as men but as barbarians or beasts."

In Volume Bab Khama IV, (3) we read: "if a Gentile sues a Jew the verdict is for the defendant; if the Jew is the plaintiff he obtains full damages." This is almost the same reaction we find when a Mason goes to court against a non-Mason.

In Volume Sanhedrin (954b) we learn that "Pederasty (sex relations between men and boys) with a child below the age of nine years is not deemed as pederasty with a child. If one commits sodomy with a child of lesser age, no guilt is incurred."

There are many more bestial and obscene comments, some of which cannot be placed in a book such as this. It is easy to see where the moral teachings of *Freemasonry* and *Judaism* come from. It is from this same devilish source.

In the CABALA, even more than in the TALMUD, the Jewish dream of world domination reoccurs over and over again. Although Christian apologists for the Jews, laugh and scorn at the idea of a Jewish conspiracy to control the world, yet Jewish leaders talk about it constantly and brag about the progress they have made towards this goal. It is a constant theme in Jewish religious books.

This message of world conquest is not the message taught by the Israel prophets, who were not Jews, by the way, but Israelites.

---

*Page 124*

The task of true Israelites is not to control the world, but, in the words of the Apostle Peter "to shew forth the praises of Him (Christ) who hath called you out of darkness into His marvelous light." The task of "true Israel" is to be God's ambassadors, not some dictator, who like the Jew, desires to have 2,000 "goyim" slaves who wait on him hand and foot.

In the TALMUD Volume Baba Batra (74b) and in at least three other volumes, the story is told of what will happen when the Jewish Messiah comes back to rule the world. It is completely different from the much more plausible story told in the Bible, regarding Christ's return. According to the TALMUD version, the Jews will be entertained at a great banquet. They will be seated at golden tables and will be served wine from Adam's
cellar. Their banquet meal will be made up of a roasted ox called BEHEMOTH which is so huge that it eats the grass off a thousand hills every day. There will also be a monster fish called LEVIATHAN which will be broiled and pickled. A gigantic fowl known as BAYUCHF will also be served. This bird is so large, that when one of its eggs fell out of a nest, it crushed 300 large cedar trees and the white from its broken shell, flooded sixty villages. (This sounds almost as fantastic as some of the stories Jews tell about the HOLOCAUST). The final course of this immense banquet will consist of dessert, including fruit from the 'tree of life,' and pomegranates from the Garden of Eden." (Again, this story sounds almost like some of the stories one hears in the Judeo-Christian churches regarding heaven.)

An 18th Century Jewish commentator named Stehlin states that, "foreigners (that's you and I, brother) will till the ground of the Jews in that day of their triumph; that we (foreigners) will build their houses and cities and plant their vineyards, all without pay, because it will be such an honor for us to work for them. The nations which survive the last 'holocaust' will offer the Jews all their wealth and Gentile princes and princesses will wait on Jews as their slaves, and

be ready at the nod of a head, to do anything the Jew asks." That sounds like "LIBERTY, EQUALITY, AND FRATERNITY!" now doesn't it?

The hope of world domination - "world conspiracy," if you will, is as strong now in the Jewish mind as it has been for 2,000 years, and is being aided and abetted by Masons of high rank. The real dream of Jewish world power can be seen most clearly in the Cabala.

About the only way the modern Jew relates to the Bible, is in his arrogant statements concerning the "Ten Commandments, which WE gave to mankind." It is this type of arrogance, which caused the translators of the New Testament to translate John 4:22, as having Jesus say: "salvation is of the Jews," when any clear thinking Christian knows that salvation does not come through any nation, or group of people, but only through God's Son, Jesus the Christ. It is this Jewish arrogance which caused them to change the original, which said: "For salvation cometh out of Judea." This makes sense, the KJV translation does not!

The fact that there were no people anywhere in the world known as Jews, when the Ten Commandments were given to Israel, means absolutely
nothing to the Jews and their intellectually dishonest prostitutes in the Judeo-Christian churches of America. They deliberately choose to disregard what Jesus said about the Jewish Pharisees in John 10:26 - "But ye (Pharisees), believe not BECAUSE YE ARE NOT OF MY SHEEP..." (Emphasis mine). Instead of heeding what their Master said, they call His enemies, "God's Chosen people" and support the very ones who are attempting to destroy them. What fools men be!

The Jews have always bragged about their privileged status with God, knowing full well that they are the impostors who are spoken of in Malachi 1:2-4 and Revelation 2:9; 3:9. When people brag about their privileged status, they will always be met with resentment. That is one reason the Apostle Paul said they are "contrary to all men," (1 Thess. 2:5).

To represent the Jewish people as a gentle, suffering people, the victims of gentile persecution, is to show an entire lack of both spiritual and historical understanding. In the ages past, Jews have over and over again showed their utter contempt for all mankind and that they are capable of the utmost cruelties towards those who disagree with them, especially if they are the hated Nazarites (Christians). Most of the cruelest persecutions in the Communist regimes, have been carried out under Jewish supervision. An estimated 140-million people have been murdered by these minions of Judeo-Masonry. Today, the cruelty of Jews towards the Palestinians, whose land they have wrongfully usurped, goes far beyond anything that Hitler ever dreamed.

The Jewish historian, Josephus, in his monumental work titled THE JEWISH WARS, describes the pogroms carried out by the Jews in Palestine during the First Century A.D. The "Sicarii," were a band of Jewish terrorists, who were working with the approval of the Jewish authorities, much as the MOSSAD works today. Many Christians do not know that the Jewish leaders Begin and Shamir, were leading terrorists in 1948. During the First Century, these terrorists wiped out a village called En geddim, killing over 700 women and children. In 1948, Menachem Begin, another Jew terrorist, wiped out a Palestinian village of some 264 old men, women and children and bragged that he had killed Arab women with his own hands. Yet this terrorist became Prime Minister of Israeli.
It is intellectual dishonesty of the worst sort to state, as the prostitutes of Judaism do, from their pulpits, that the faults of the modern Jews are due to their persecution at the hands of Christians in the past. They have been persecuted, there is no doubt about that, but not because they were God's Chosen People, as the Baptist Zionist Jack Van Impe likes to shout. They were persecuted because of their crooked, immoral dealings in every country which gave them refuge. Today, that same resentment is building up in Canada and the United States, as we see them taking full advantage of Christian hospitality, while attempting to destroy everything we stand for as Christians. The day of reckoning will come here, as it has in other countries. It is inevitable, unless Jewish leaders come to their senses and put a "check rein" on their activists.

Some idea of why cruelty is the norm for these people can be seen in a mode of execution suggested by the TALMUD. In the Volume Sanhedrin, a method of execution was to wrap a scarf around the neck of the victim, tightening it from both ends until his mouth was forced open. Then a lighted fuse was forced down his throat to burn out his entrails. This is very similar to some of the "blood thirsty" oaths which Masons are forced to take. It is interesting in the light of these TALMUDIC teachings, to see that the liberal Jew is in the forefront of the fight against Capital Punishment, declaring it to be a "cruel and unusual punishment."

It is also interesting to note the number of Jewish women who are in the forefront of the Women's Liberation Movement, the Lesbian Movement, N.O.W., and Pro-Abortion. Yet the Talmudic religion is definitely "anti-woman." A good example of this is the daily Jewish prayer, where the Jewish man says: "Blessed by thou, O Lord our God, king of the Universe, that thou hast not made me a woman.

We must never forget, when we look at Judaism, that no matter what the Jewish Rabbis may say at Inter-Faith meetings, Rabbinical Judaism is the bitter enemy of Christianity. This is not just a matter of ancient history, but is true today. Ask yourself who is behind the effort to take prayer and Bible reading from the Public Schools? Who heads most of the abortion clinics in Canada and the U.S.? Who is behind the effort to remove Christian scenes from public places? In at
least 95% of the cases, you will find these cases brought by the Jewish led American Civil Liberties Union, in the name of a Jew. Now there is a concerted move underway to remove the Gideon Bibles from motel rooms, because of the "prejudiced" words of Jesus Christ, when He dealt with the Jewish religion. Yet our stupid "goyim Christian sheep," still call these people, God's Chosen!

The feelings of the Jew, even those who profess Christianity, can be seen in the actions of a Jewish pastor of an Assembly of God Church in Lauderdale Lakes, Florida. Pastor Harvey Koelner, a Jew, claims to be a "born-again" Christian. Yet he has written several pamphlets, with the Assembly of God logo on them, which are distinctly anti-Christian. One is, *Santa Claus, the Easter Bunny and Jesus*. In this tract he says: "Now comes the hoax of all hoaxes (guess he never heard of the Jewish HOLOHOAX, the story of Jesus. There is absolutely no piece of physical evidence on earth that can prove that Jesus existed. There is no historical evidence that he existed." Yet this man, calls himself a Christian minister.

A Jewish group in Washington State, called the ABELARDREUCHLIN FOUNDATION, recently wrote to me: *There is solid proven documentation which proves that the story of Jesus is false. It was a fictional story created by Flavius Josephus and the Romans. The inner circle of Christian clergymen know this is true.* (I was in this "inner circle" for many years and I never heard a breath of rumor about this Jewish fable.)

A Jewish writer in Hollywood by the name of Hecht, said: *The Jews made a mistake when they crucified Jesus. I would have sent him to Rome to be fed to the lions. The Christians would have a hard time making a Savior out of mincemeat.*

Another Jewish leader said: "The Jewish religion is reserved for only people of quality and excellence, those of superior intelligence, who operate on a higher plane than other people. You must realize that most Jewish people are more intelligent, better educated, and more successful than Christians." With this kind of arrogance, you can readily understand why Jews are universally detested. If you are really interested in knowing more about Jewish moral quality, don't go by what they say, or what the Judeo-Christian "sheeple" say; go directly to their religious book the TALMUD
and see for yourself. But don't try it, unless you have a strong stomach! If you don't want to go to this effort, just take time to listen to Jewish comedians on TV or in the movies.

Could it be this national attitude that Jesus censured in Matthew 23:15, when He told the scribes and Pharisees:

"Woe (deep sorrow) unto you, scribes and Pharisees, hypocrites! for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two-fold more a child of hell than yourselves."

Was our Lord being anti-Semitic when He made this clear statement of facts? No more scathing denunciation of the Jewish religion can be found anywhere, than this which came direct from the Son of God.

When Pastor Sheldon Emry, of the Lord's Covenant Church in Phoenix, Arizona, died from cancer a few years ago; his assistant pastor, Ben Williams, received this letter from a Jew:

Dear Pastor Williams:

"Congratulations on the death of Christian Nazi Sheldon Emry, We (Jews) prayed to the G-d of Israel (Jews) for a painful and agonizing death for this Nazi scum, and G-d answered our prayers. We applaud and rejoice to G-d for snuffing out the life of Nazi Emry, who was a cancer to the entire world.

G-d assured us that Nazi Emry will take his place in hell along with Adolf Hitler and Satan (notice nothing is said about Stalin, who the Jews placed in power), and that the same fate will befall all his followers.

Page 130

Pastor Emry, like Hitler, led a sick, perverted life, dedicated to Jew-Hatred and anti-Semitism, and he was stamped out by the G-d of Israel (the Jews) like the cockroach he was. Excrement flowed from his mouth and every pore of his body, and G-d flushed him down the toilet to hell. All your prayers to the false Messiah Jesus, the
bastard son of Satan, are for naught! You will all experience the same fate!

You, the Christian Nazi's of America, are to be cursed by G-d and deserve all the punishments He has planned for you. Your blasphemous Christianity is an abomination to G-d and man.

SIGNED-THE MESSANIC JEWS!

Anyone who knew Pastor Emry, and he was a close and valued friend of mine, knew him for a dedicated Christian Patriot, who was hated by the Zionists because he told the truth about them. He was not an anti-Semite and he certainly was not a purveyor of hate.

It is interesting to me, to note that it is the Jews who are in the forefront of every effort to enforce so-called "hate laws," in Canada and the United States, yet they are also in the forefront of dispensing hate towards Christians. These laws, such as the ones now in existence in Canada, protect the Jews and minorities from hateful remarks, but cannot and will not be use to defend Christians.

In an anonymous letter from a Jewish woman, written on a paper napkin, she consigned me to hell, and prayed that my wife would turn into a hog, my son into a dog, and my daughter into a frog. She said in closing:

"I curse you and damn your soul in the name of YESHUAH HA-MASHIAH. Thou art ANATHEMA MARANATHA and resigned unto the lake of fire for eternity . Die you devil! May you burn in hell for eternity! May you be blind and your flesh melt in the fire of hell!"

- SIGNED (With some name written in Yiddish).

According to Judeo-Christian and Masonic leaders, letters such as these are not "hate mail." But a book, such as this one you are reading, which tells the truth about these enemies of God and Christianity, is considered to be authentic "hate literature."

Can you imagine the hue and cry that would take place in the media, or among Christian and Jewish circles, if a letter such as the two I have quoted, were to be sent to some Jewish leader? They would literally "froth
at the mouth," and would plaster the front pages of the nation's news, and the airways of TV, with examples of Identity Christians hatred towards the poor misused Jews.

The sad thing is, this virulent hatred of everything that has to do with Jesus Christ, reaches into every organization which is touched by Judaism, including the Freemason Lodge and the Judeo-Christian church. Be honest with yourself and ask this question: "What is so awful about being anti-Jewish, when they openly brag of their hatred for our King and how they mean to destroy us?" Do you honestly believe these enemies of our Lord should be allowed to openly blaspheme His name and ridicule His church, and destroy our Christian beliefs, just because they have proclaimed themselves to be God's Chosen People?

In *Malachi 1:4*, we read these words from the LORD God JEHOVAH! - "Whereas Edom (the Jews) saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they (Israel) shall call them (the Jews), The Border of wickedness, and the people against whom the LORD bath indignation (anger) forever."

**LINE OF REASONING USED BY JEWS AGAINST CHRISTIANITY**

There are three major lines of reasoning used by Judaism in their fight against Christ and Christianity.

1.- The argument that Christ never existed; that He was nothing but the figment of someone's over-active imagination. This idea will not stand up under the search light of recorded history.

2.- That Christ was nothing more than a great teacher and that He should be classified alongside Buddha, Mohammed, Confucius, etc.

3.- That Christ was a crazy fanatic, who was carried away by his visions of being the prophesied Messiah. (See the Jewish Encyclopedia and Hatelsmann's book *WAR JESUS*.)
EKSTATIKER. The later book states: "there must have been an abnormal mental process involved in the utterances and behavior of Jesus." The TALMUD openly calls Him "crazy." Some liberals say He was a homosexual, because most of His time on this earth was spent in the company of twelve men. While others, such as the writer of the movie, THE LAST TEMPTATION OF CHRIST, pictured Him as not only crazy, but a lecher.

In reality, down through the ages, true Christianity has been the greatest protector of the Jews. I do not refer to "churchianity" here, since there is a great deal of difference. In Canada and the U.S., the "Jews are the Chosen People Myth" has become so deeply embedded in most evangelical and fundamental churches, that the pastors and people believe God's promises made to Abraham in Genesis 12:3 - "I will bless them that blesses thee, and curse him that curseth thee, "can be applied to the people we know as Jews today.

Yet the modern Jew is the perfect example of the anti-Christ defined very clearly in 1 John 2:22,23. In spite of this, the "brainwashed" Christians of the Judeo-Christian churches, completely overlook the Scripture warning of 2 Chronicles 19:2 - "...Shouldest thou help the ungodly, and love them that hate the LORD? therefore is wrath upon thee from before the LORD."

Page 133

There were no people named Jews on this planet when God made His promise to Abraham and if you look at it very closely and objectively, it says nothing about these blessings and curses being handed down to his descendants. The people we know as Jews are first mentioned in the Bible, in 2 Kings 16:6, almost 1200 years after the time of Abraham, where we find them fighting against Israel.

The theory of a worldwide Jewish conspiracy, supported by Freemasonry, does not rest on the evidence of such questionable documents as PROTOCOLS (although world Jewry is following them like a "blueprint"). In PROTOCOL IX, we read:

"The words of the liberal, are in effect our watchword - LIBERTY! EQUALITY! FRATERNITY! (Strangely enough they are the "watchword" of world Freemasonry too). When we (Jews) come into our kingdom, we will change these words, not into a watchword, but an
expression of our idealism. The right to liberty! the duty of equality! the ideal of brotherhood! That is how we shall put it! De facto (actually) we have wiped out every role but our own, although de jure (by rights) there remain a good many of them.\(^1\)

By being introduced to this doctrine of "broad-mindedness," under the guise of Jewish liberality, we have given the Jews "carte blanche" (discretional powers) to attack liberty and Christianity. What Christian Americans and Canadians, including the members of the Lodges of Freemasonry, have been taught, is to "tolerate the intolerances" of Judaism, since there are no more intolerant and prejudicial people anywhere on earth, than the Zionist Jews.

In *PROTOCOL IX*, we read:

at the proper time, we (Jews), the lawgivers, (to all intents and purposes they now control the Judicial systems of both Canada and the U.S.) shall exercise judgment and sentence. We shall slay and we shall spare... We will rule by force... (as they are doing now in Palestine, as they have in Russia since 1918). The weapons in our hands will be limitless ambition,

burning greedivens, merciless vengeance, hatred and malice." (How would you like to live under the control of such? This will happen, unless Christian people wake up and stop. it!)

I am inclined to agree with Henry Ford, Sr. the great Christian industrialist of the early 1900's when he wrote:

"To recognize the Jewish and Masonic question does not mean we have gone to a national campaign of hatred against Jews and Masons. It means we must see the stream
which has been flowing through our civilization for years, which has at last accumulated the bulk and power to be a danger to us all."

Unfortunately, there are Christians within the Identity Movement, whose hatred for anyone who differs from them, reaches to all people, not just those who are a danger to us. I do not support this thesis in any way!

Personally, I am "fed up" with the Jewish and Judeo-Christian allegations that even to discuss the Jewish question is unfair and will be punished by God. Jews do not hesitate to criticize Christians, even those who support them. In fact, they often speak with sarcasm regarding the "Christian sheeple," they have so blatantly "hoodwinked," and who they lead around by the nose.

If you will attempt to read books written by Jewish authors, for "Jewish eyes only," you will see even more clearly what I am trying to say. I get angry when the Jewish controlled media lie about me and my people and paint us in the most unfavorable terms imaginable. I am not being anti-Semitic when I tell you the truth about self-announced Jewish plans to destroy you, any more than I was anti-German, when I fought against the Nazi during World War II, fooled as I was by the Jewish propaganda of World War II, just as were 95% of the veterans who fought that war; but we were not "anti-German."

Here is a "fact of life" that Freemasons around the world need to take into account; it is found in PROTOCOL XV:

"When we (Jews) come into our kingdom through coups de'etat (violent overthrow of existing governments), we will make it our task to destroy every institution of secret societies, whose members will be punished by death. MOST OF THEM ARE KNOWN TO US, SINCE THEY HAVE WORKED FOR US." (Emphasis mine).

In every country on this earth, where Talmudic Communism has taken control, this has been their pattern of action. The "goyim" prostitutes (preachers, politicians, bankers, business men, Lodge members) who have helped them into power, have been eliminated; no matter how much you may have helped them, you are on their list for elimination. They tell you so!
While the Jewish controlled press of America, aided by their Masonic cohorts, wants us to believe that Jewish terrorist organizations are on the wane in Canada and the United States, Zionist leaders such as Irv Rubin of the JEWISH DEFENSE LEAGUE, state that bombings of synagogues, by members of the JDL, are for the purpose of bestching up the Jews a little bit!" He says the JDL is trying to head off a "holocaust" in the United States and Canada by "eliminating all the white supremacist activities in the United States." (That means anyone who disagrees with them). This same Jew, who a few years ago offered a public reward of $500.00 for anyone who would kill a Nazi and $1000.00 if they would bring him their ears, has been above the law. You can imagine what would happen to an Identity Christian, who would be stupid enough to make a similar remark in public. He would have the Federal Government on his back, "like a hawk on a June bug." The California District attorney who attempted to prosecute this case, in which Rubin was released, said: "The framers of the American Constitution would turn over in their graves if they could see the manner in which the First Amendment is being used to protect people who offer 'blood money' for the elimination of those they don't like."

Recent police reports from the East, show that in at least 2/3 of all cases where vandalism of synagogues or Jewish cemeteries occur, there are Jews involved. The JDL delights in efforts such as this, since it keeps their people "stirred up; full of hate, and ready to contribute to any cause the JDL desires." This is identical to the process used in Freemasonry, where the lower degrees obey, because of fear and ignorance.

We know from documented facts, that Grand Orient Masonry has exerted profound influence in politics, of all the nations of Christendom. We are not dealing with suppositions here, but with proven facts. There are many cases where the leadership of Freemasons in revolutionary causes can be pinpointed. We know their aims, because they have declared them in books such as Pike's MORALS AND DOGMA. We know that Jewish power, which backs them and is shrouded in secrecy, has fooled millions of Masons into believing that they are members of an organization which is completely different from what they claim it is.

It is extremely difficult to convince anyone about the ulterior motives of Freemasonry, since a mother and father whose child has just been "saved" by the help of some Shrine Hospital, will not want to know the truth about those who have helped them. In this manner, Masonry, like International Zionism, has existed under a shroud of Mystery. That Jews have played a major role in Grand Orient Masonry, is a known fact. The JEWISH
ENCYCLOPEDIA, in its article under the heading, FREEMASONRY states:

"The technical language, symbolism, and rites of freemasonry are full of Jewish ideas and terms... Jews have been most conspicuous in their connection with Freemasonry... since the French Revolution."²

17 - ZIONIST CAPITAL AND MASONIC INFLUENCE GENERATE GENOCIDE!

Most of the information in this chapter will be taken from COUNTERBIAS No. 5, published by the SACRED SURVIVORS OF THE JEWISH HOLOCAUST, P.O. Box 381, Waterloo, NSW 2017, Australia (Every thing you wanted to know about the Zionists but were afraid to ask!)

Whether directly or indirectly, the Khazar tribesmen who falsely call themselves "Jews" are collectively guilty of over one hundred million wilfully committed murders during the Judeo-Communist rule of terror, the Judeo-Masonic World Wars and the present Zionist occupation of Palestine. (For the Bible definition of "pseudo-Jews" see Rev. 2:9; 3:9).

Falsified history books which are peddled far and wide by Mossad agents and the prostitute-historians in their employ, "war action thrillers" and so-called "War documentaries," in the movies and on TV have all churned out dozens of Judeo-Masonic fantasies. They would have the gullible American public believe that we won World War II, just as the Zionist Jew, Henry Kissinger, called our withdrawal from Viet Nam, a "victory with honor." The truth of the matter is that we, the Anglo-Saxon, Celtic, Scandinavian peoples, lost both World Wars, which were fought with brother Israel nations, and have lost every "brush fire" war into which we have been sucked by the Jew-Mason dominated United Nations.
While Stalin's "red horde" was conquering Eastern Europe, with the help of men such as Winston Churchill, Franklin D. Roosevelt, and Gen. Dwight Eisenhower, the Zionist-Masonic shysters were reclaiming with a vengeance the western part of the continent, not merely reestablishing,

but multiplying a hundred fold their ownership and control of commerce, industries, education, the media, and the "goyim" governments. The truth is that World War II was prolonged for two years, with the loss of millions of extra lives, while the Jew internationalists hoarded billions more of Christian money. Both General Patton, and British General Montgomery wanted to invade Europe in 1944, through the "soft underbelly of Europe." This would have liberated all the Eastern European countries which are now under Communist Control. But Gen. Eisenhower, egged on by his boss, Franklin Roosevelt, and Winston Churchill, the drunken Premier of Great Britain, backed the "red murderer" Stalin and the war was extended for two more years, while Stalin consolidated his hold on all of Eastern Europe; a hold which has not been relinquished to this day. It was fear of Patton's exposure of this plot, which led to his assassination, although the official version of his death will not admit this.

World War II was provoked by the International Jewish-Masonic shysters in the first place, solely out of pathological greed and plain racial spite, not because of their "love for dear little Poland." The National Socialist regime of Adolf Hitler, whatever may be said against it, had practically eliminated crime and corruption, and had brought about economic and social reforms, which provided jobs and low-interest loans for all. This had practically put the "usurers, stock exchange speculators, all manner of pimps, all slumlords and other parasites completely out of business."

No one in the West denies that the Soviets either annexed or colonized nearly a dozen independent European countries, which they had liberated (7) during World War II, and then proceeded to introduce them to a "blood bath, ala Stalin style," a class struggle with its obligatory "liquidation of all hostile elements," which meant
principally Christians and near starvation for the rest. How can this be described as a "victory for Democracy?"

Hitler's invasion of Poland was used as a pretext for the war in Europe, which the International Judeo-Masonic leaders had been planning since 1918. Curiously enough, when Stalin invaded the Baltic states, the western press did not consider this as an invasion, it was called "liberation of Western Ukraine." (West Ukrainians have yet to be convinced of this). At the Yalta Conference, a dying American President, controlled by his Communist advisor Alger Hiss, and a vacillating drunkard of a British Prime Minister, Winston Churchill, sold out all of Eastern Europe to the murderer from Russia. In fact, they handed this area to Stalin "on a platter," possibly as a reward for his having exterminated 15,000 Polish officers at the Katyn Forest Massacre.

While attending the Yalta Conference, Winston Churchill, accompanied by his equally alcoholic daughter, was treated to frequent excursions of the numerous Crimean wineries liberated by the KGB. He was hardly ever sober, according to eye witness accounts. Having prostituted himself at Yalta, he later went on to speechify, with great "crocodile tears" in his bloodshot eyes, about the "Iron Curtain" which had descended over Eastern Europe.

Being a Freemason, as well as an agent of the richest Jewish financiers, Churchill, like Franklin Roosevelt, did everything possible to instigate the world war, and drag the United States into it and later on, to arm Stalin's legions to the teeth to assure victory. It was during the early days of 1942-43, when American troops were dying on the atolls of the Pacific for lack of military supplies, that we were sending the Russians $11-billion in Lend Lease, with priority of shipment to the Communists. This was one of the reasons that Rudolf Hess, who was I believe a sincere messenger for peace, was kept incommunicado for the duration of the war. If the British people had been allowed to hear what Hess had to say, the war could have been over by the end of 1943. It is strange to see how Churchill vacillated in his intentions towards Germany. In 1933, on the wake of Hitler's being appointed Chancellor of the Reich, Churchill spoke with admiration of "Germany's splendid clear-eyed youth, burning to die for their fatherland." At that time his interests lay with Germany. But when he was hired secretly, as an agent of influence for the Board of Deputies of British Zionists, he started going on about the
"Huns" and the "Barbarians" who were ruling Germany. He was a perfect example of a "double-minded man," and the Apostle James says of such: "A double-minded man is unstable in all his ways" (James 1:8).

Having stormed into the Judeo-Masonic trap of the Anglo-French "guarantees" to Poland, which were laid for him in 1939, Hitler would have certainly crashed through, if it had not been for the machinations of this Masonic drunkard from England.

Hitler soon found himself at war, not only with his old enemy from Russia, but with Britain, the old bastion of the Grand Orient Lodge of Freemasonry and with the United States which had become the Judeo-Masonic "arsenal of democracy."

In the late 1930's the Soviet Union was described by many noted historians as the "colossus on feet of clay." Most of its infantry soldiers had never seen a semi-automatic rifle. All of its plywood and canvas covered aircraft were almost as useless in the air as they were on the ground - it was on the ground where the Soviet Air force was almost wiped out on the opening day of the war. Most of their tanks would not move and the mechanics knew little about their upkeep. It was only the Russian winter, which kept Hitler from overrunning Moscow and ending once and for all, for all time, the Communist-Masonic danger to the world. But it was not to be. This is when the "Evil Empire" was at its weakest, and when the Judeo-Masonic forces set out to bolster her. One wonders where the "latter day fire-and-brimstone" anti-communists were in those days. Ronald Reagan, for example, was a class B movie player in Jew-run Hollywood, and a registered Democrat no less.

Hitler, who was a self-confessed admirer of Great Britain, never sought a war with the West. That is why he allowed the defeated British Expeditionary Force at Dunkirk to slip across the channel. Instead of subjecting them to humiliating surrender, or hopeless massacre, Hitler's naive racial sentiments concerning "Aryan Brotherhood" made him blind to the fact that its destruction would have possibly saved the war for Germany. Of course the Judeo-Masonic rulers of Britain - its mercenary middle-class, its tainted low-degree Masons included, were always "replaceable resources," for the alcoholic Churchill and his ambitions to please his Zionist masters.
The drunkard prime minister of England, became the greatest undertaker of all times, as he sacrificed millions of his people, in order to win the praise and backing of his Jewish masters.

He was undoubtedly the most boisterous political prostitute of the Twentieth Century, exceeding even Franklin Delano Roosevelt, and that's saying a lot. As a member of the British Parliament and a paid agent of the Jewish Board of Deputies, he went in for a great deal of anti-German war mongering, readily forgetting about the "international Jewish Bolsheviks" he used to rail against. His Zionist paymasters finally "hit the jackpot" when Churchill finally bullied his way into 10 Downing Street in 1940. Every pound of "human flesh" sacrificed by the British Commonwealth of Nations and the United States,

was at the disposal of the "Shylocks" of International Zionism. About to begin was the most sacred and mysterious Kabbalistic ritual; a miraculous transfiguration of tens of millions of "goyim" corpses into giant piles of Jewish dead, which led to more money for the Zionists and wider avenues of Zionist world power.

Here is what Churchill said about the Zionists in 1920, as reported in a Feb. 8, 1920 issue of the *ILLUSTRATED SUNDAY HERALD*:

"There is no need to exaggerate the part played in the creation of Bolshevism ... by these international and... atheistical Jews ... the majority of the leading figures are Jews ... the principle inspiration and driving power comes from the Jews. The predominance of the Jews in the Soviet institutions is even more astonishing. And, ...the principal part of the system of terrorism applied by the CHEKA (KGB) has been taken by the Jews... The same evil prominence was obtained by Jews during the period of terror during which Bela Kuhn ruled Hungary. The same phenomenon has been allowed to prey upon the temporary prostration of the German people... The fact that in many cases Jewish interests and Jewish places of worship are expected by the Bolsheviks from their hostility, has tended more and more to associate the Jewish race ... with the villainies which are being perpetrated."
Not unlike Churchill, and, indeed, not unlike almost all the American Presidents from George Washington to George Bush, President Franklin Roosevelt was a Freemason whose prior allegiance was owed to that nefarious brotherhood, not to America. The Jewish "Usurer" Bernard Baruch, also a high-degree Mason, was an advisor to FIVE AMERICAN Presidents and was one of the close associates of FDR. The dissolution of Freemasonry, the expropriation of the parasitic Jewish finance capital in Germany by the National-Socialist government and the newly-won economic independence from the international usurers bankers put the whole of Germany on the Judeo-Masonic "hit list."

Page 143

The all too noticeable prosperity of the German people under the new populist government was bad news for the usurers; and President Roosevelt came from a long line of bankers and Stock Exchange crooks to whom a government "of the people, by the people, and for the people" was bad for business. As far back as September 1938, Harold L. Ickes, FDR's Secretary of the Interior asked Roosevelt: "Is this Munich crisis good or bad for us in the United States?" According to Ickes private diary, Sept. 13, 1938, Roosevelt replied: "Every European nation is going to have to buy guns and arms and ammunition from us! Already the gold of Europe is flooding across the Atlantic at a rate so fast we haven't got enough warships to bring it over! Any crisis in Europe can do only good." (Of course he was referring to "good for his Zionist masters.")

It has been pretty well established that Roosevelt willfully committed high treason and consented to premeditated murder of American citizens at Pearl Harbor. This moribund paraplegic desperately sought "Casus belli." He was no doubt, ably advised by his Jewish financiers, Bernard Baruch and Henry Morgenthau. Sure enough, the planned sacrifice of thousands of American servicemen was the pound of flesh which was well invested with the international Judeo-Masonic bankers. If a common name for traitor in America is Benedict Arnold, since World War II it should have been Franklin Delano Roosevelt. Instead, he is held up to the praise of our people as one of our greatest presidents. If the argument is used that this treason was necessary to defeat "fascism," it might be well to recall that the worst kind of "fascism" ever known, was the Judeo-Masonic Stalinism of the Soviet Union.

The Churchill imposed war in Europe and the Roosevelt staged fiasco at Pearl Harbor, led to the fall of Singapore, the Pacific Islands, as well as the whole of South East Asia.
Thousands of Allied soldiers died in the fighting and millions of civilians were needlessly killed. Some 27-million Russian slaves were killed from 1939-45, as they saved the hides of their not-so-Russian slave drivers from extermination at the hands of the Nazis.

That was the real "New Deal" which the American people were never told about by their Judeo-Masonic media. There were many things which we were not told, which are just beginning to surface. As they do, more and more Americans are beginning to burn with "righteous indignation" against a government which has become so subservient to a foreign anti-Christ power, that it will abandon the welfare of its own people.

Although facts prove that the Nations of Christendom, betrayed by the Judeo-Masonic plutocracy lost the war in Europe, the prostitute-historians whose cushy appointments in academia are controlled by these same plutocrats, have remained conveniently silent, while the Judeo-homosexual Hollywood and Judeo-Masonic TV networks keep trumpeting, as if it happened yesterday, that it was Germany who started the war, that it was Germany who wanted to conquer the world, when all facts point otherwise. If the invasion of Poland was the real cause of World War II, which of course it obviously wasn't, then both the National Socialist regime of Germany and the Judeo-Communist dictatorship of Russia, must be regarded as being equally responsibility for this "holocaust."

While we have heard a great deal about the plight of the poor Jew in the Soviet Union, the fact still remains that many of the Jews in the Soviet Union, still hold important, well-paying jobs and have standards of living and education, much higher than that of the ethnic Russian.

Of course, it is natural, that in the ongoing "superpower rivalry," a great deal of fuss is being made by the Jew megalomaniacs about the fact that the Jews in Russia are no longer in control of the Soviet Empire; but are instead in control of Russian natives, who were converted to their Judeo-Marxist dogma by the
Jewish leaders in the first place. The Jews don't really mind, that the
regime they set up in Russia, turned into something infinitely more
repressive than anything under the Tsar. Gorbachev not excepted. What
the Jews are really upset with, is that more and more native Russians are
going into positions of power and that they can no longer be considered
High Priests of the Communist Cult. To their way of thinking, this is "anti-
Semitism," although not one in ten of them has any claim to being a
Semitic. Menachem Begin put this thought into words a number of years
ago, when speaking in New York to a group of Jewish millionaires, he
said: "There would be nothing wrong with Communism, if we were still
running it!" A few million dead "goyim" means nothing to this Judeo-
Masonic crowd!

However, in spite of all those make-believe "anti-Soviet" wailings of the
crypto-Communist New York Jews, the under-the-table dealings between
the Zionists and the Soviets are just as cozy as those which once took
place between the Zionists and the Nazis. If you don't want to accept this,
then ask yourself why 50,000 Jews are being allowed to enter the United
States, and receive hearty contributions from the largesse of the American
people, while you hear nothing of Russian Christians being allowed to
leave enmasse.

That the Jew-Masonic plutocrats are still in charge of the governments of
Canada, England and the United States is a matter of fact. Hence the
"Jewish immigration" is a "cherry on the pie" of every dealing we have
with the Soviet Union. It has become an open invitation for the KGB and
the MOSSAD, to send their finest agents to the United States as "poor,
harassed immigrants." How many of you would like to make a bet, that a
majority of the Jews

who come to this country are not trained KGB agents for the not-so-
Gentile Soviet Union?

The very subject of the "Jewish immigration" to the United States, is a
classic example of the Zionist-Masonic controlled media's ability to
exercise mass emotional blackmail on behalf of the MOSSAD and the
KGB, in order to persuade the "suckers" of the Christian world," that we
need those "poor Jews" here.

This media has become so clever in subterfuge, that they can now sell
AIDS as a "new and wonderful human experience," since Rock Hudson
had it and Elizabeth Taylor endorsed it - they have even made it sort of "quasi-respectable." When in God's name will we come to our senses?

Whether directly, or indirectly, the Khazar tribesmen who called themselves "Jews and are not, but are of the synagogue of Satan" (Rev. 2:9; 3:9), are collectively guilty of over 100-million murders, while they "scream and wail" over 6-million Jews who were supposed to have died during World War II, and who never existed. The role of these Judeo-Masonic gangsters in the economies of the West, is about the same as that of the New York Gypsy card-sharps and fortune-tellers, except that the scale of the Judeo-Masonic "ripoff" is astronomical.

There is little doubt that it is the Jewish financial capital that owns and controls the Western governments of England, Canada and the United States, and who are telling our people how to act and think. Even questioning the authority of Jewish financial and political power is a "horrible thought crime." We will never return to real freedom in America and Canada, until our "brainwashed" people, yes, most of them who go by the name of Christian, are willing to wake up, look facts in the face and recognize who the real enemy is.

Karl Marx put it well when he said:

"What is the real god of the Jews? The bill of exchange. Money is the one jealous god of the Jews, beside which no other god may stand!"

"What is the object of Jew worship? Usury! The organization of society in such a way as to abolish the possibility of usury, would make the Jew impossible."

\[18 - IMPORTANT POINTS OF CONNECTION BETWEEN FREEMASONRY AND ZIONISM!\]

It appears as though we have strayed a bit "a field" in our major purpose of showing the "hidden power" behind Freemasonry. Here are a few more facts which you may find interesting and of importance in understanding the problems we face.
1.- The masonic coat-of-arms which is still used by the Grand Orient Lodges of England and Europe was Jewish designed.

2.- Some of the most important legends of Freemasonry come from Jewish sources. The legend of Hiram Abiff, for instance, on which Freemasonry is founded and on which many of its rites are based, is of Jewish origin.

3.- The technical language, symbolism and rites of Freemasonry are full of Jewish ideas and terms. In the Scottish Rite, the dates of all official documents are given according to the Hebrew months and the Jewish era: and use is often made of the older Hebrew alphabet. (See the JEWISH ENCYCLOPEDIA, under "Freemasonry," Vol. 5, p.503.

It may be of interest to note that it was Jews who introduced Freemasonry to the United States and who

began a powerful force in American Freemasonry. (See Joudin, "Les Fideles De La Centre-Eglise Macons, "pp. 37-45. Full documentation is given here).

The Masonic rite of MIZRAIN, with at least 90 degrees, is perhaps the most esoteric and elaborate rite in all of Masonry. It was founded by Jews, as was the order of B'na B'rith (Sons of the Alliance), which is an all-Jewish Lodge and the father of the infamous Anti-Defamation League.

The order of MIZRAIN is found mainly among the European Lodges, some of which are exclusively Jewish. The B'nai B'rith is mainly an American Jewish Lodge, although some do not formally recognize it as being Masonic. But its organization, intimate alliance with, and its intimate objects are the same as in Masonry. In the German Masonic Review *LATONIA*, Feb. 28, 1928, the lodges of B'nai B'rith were explicitly referred to as being Masonic, in fact they were recognized as being the controlling Masonic power in Germany.
In the *Jewish Chronicle*, Oct. 19, 1889, you can find these remarks on pp. 77, 78:

"Masonry tolerates everything except a clericalism (Catholicism) and it possesses a special attraction for Jews. Clericalism has always persecuted Masonry everywhere. There exists between Jews and Freemasons an invisible but potent natural alliance against a common enemy... Together they fight ... against religious fanaticism and racial antipathies."

Much of the present day liberalism in politics, which encourages interracial marriages; laws which discriminate against whites in employment, etc., are promulgated by legislators who are Freemasons. It is all part of their heritage as Lodge members. It might be of further interest to note, that the International Bankers who dominate international finance and who were responsible for the Federal Reserve Act of 1913, which now controls American economics, were Jewish Masons.

In a remarkable study, done over a hundred years ago, a French writer, Gougenot de Mousseaux, collected large numbers of documents which proved beyond the shadow of a doubt, that Jews ran the inner circles of Freemasonry in Europe. On pg. 340 of his book *LE JUIF, LA JUDAISME, et la Judaisarion des Peoyles Chretiens*, published in Paris in 1869, he said:

"The real chiefs of this immense association (Freemasonry) are mostly Jews, and live in close and intimate relationship with the militant members of Judaism, those namely, who are leaders of the Cabalist section. This is known to only an intimate few in Masonry."

M. Daniel, another French writer, quotes from Mons Barbier's *INFILTRATIONS MACONIQUES*, p.99:

"I have often heard French Masons lament the dominance of Jews... Ever since the revolution, Jews have taken possession of Masonic rites. The Cabala rules its mistress in the inner-circle of the Lodge and the Jewish spirit dominates the lower grades... In the mind of Satan, the synagogue has an all-important part to play... The greatest
enemy counts on the Jews to control Masonry, as he counts on Masonry to destroy the Christian faith."

So, as you can see, the infiltration of Masonry by Judaists, is not something which has happened just recently. The professed aims of the **UNIVERSAL ISRAELITE ALLIANCE**, founded in 1860, with its headquarters in Paris, runs parallel to the professed aims of Freemasonry and its founder, the Jew Adolf Cremeieux. For years he was the Grand Master of the Supreme Council of the Ancient Scottish Rite of Freemasonry. (For a list of the governing committees of this Jewish Alliance, see *THE JEWISH WHO's WHO*, published in New York City)

In France, the Jews were refranchised in 1790, under the influence of the Jacobins, who were the most **AGGRESSIVE AND MILITANT OF THE ANTI-CHRIST FORCES** which plagued France at this time. Since then, with the possible exception of the early Napoleonic era, Masonic Jews and Masonic societies have dominated the public and political life of France. Today, Christian Countries such as Canada, Germany, England, the United States, Australia, Sweden, Norway, etc., have fallen under an almost complete Judeo-Masonic yoke.

While most Masons will aggressively deny this, the anti-Christian character of Freemasonry is kept in the dark, and the inner circles of the Lodge are defended with fanaticism.

To give you an example, the following is part of a speech, delivered Sept. 20, 1902, by Senator Gelpech, President of the French Grand Orient:

"The triumph of the Galilean (Christ) has lasted for many centuries, but now he dies in turn. The mysterious voice announcing the death of the impostor god (Jesus), who promised an era of justice and peace to them who believed him. The illusion has lasted for a long time. The mendacious (false) god is now disappearing in his turn. Brother Masons, we rejoice to state that we are not without our share in the overthrow of this false prophet. The Roman Church, founded on this Galilean myth, began to decay rapidly in the day in which the Masonic Association was established." (UNQ).
There are many other such anti-Christ statements which have come from the lips of the leader's of Freemasonry. (See Albert Pike's *MORALS AND DOGMA*). On pg. 582 of this 861 page book (plus a 218 page annex), Pike says:

"Man was created pure; and God gave him truth, as he gave him light. He has lost the truth and found error... The soul that is impure and sinful, and defiled with earthly stains, cannot again unite with God, until, by long trials and many purifications, it is finally delivered from the old calamity and Light overcomes Darkness and dethrones it, in the soul."

This is Oriental Mysticism, chapter and verse. But what does the Bible say about this? In Romans 6:23, we read; "For the wages of sin (disobedience of God's law, 1 John 3:4) is death; but the gift of God is eternal life, through Jesus Christ our Lord." And in Ephesians 2:8

- "For by grace (the unmerited favor of God) are ye saved through faith; and that not of itself; it is a gift of God, not of works, lest any man should boast." Men and women do not obtain personal salvation through "long trials and many purifications," as Pike avers.

On pg. 625, Pike again states:
"The Kabalistic doctrine has long been the religion of the Sage and Savant (eminent scholar); because like Freemasonry, it incessantly tends towards spiritual perfection, and the fusing of the creeds (religions) and nationalities of mankind." (Here he is referring to "miscegenation," the sexual union between different races, which is forbidden by God's command).

Page 643:
"A man who has a higher concept of God than those about him, is very likely to be called an atheist by men who are really far less believers in god than he. These Christians, who say heathen idols are not gods, were accounted atheists by the people, who accordingly put them to death. Jesus Christ was crucified as an unbelieving blasphemer, by the Jews.
"There is a formal atheism, which is a denial of God in terms, but not in reality ... this absolute denial of God is only formal and not real."

On pg. 718 Pike states:
"No dispensations of God's providence, no suffering or bereavement, is a messenger of wrath: none of its circumstances are indications of God's anger." (UNQ).

I wonder which Bible Pike read, for in Psalm 7:11, it is clearly written - "God judgeth the righteous and God is ANGRY with the wicked every day.' (Emphasis mine).

Psalm 76:7 - "Thou, even Thou (God) art to be FEARED: and who can stand in Thy sight when Thou art ANGRY?"

Isaiah 1:4 - "...they (Israel) have forsaken the LORD, they have provoked the Holy One of Israel into ANGER..."

Deut. 13:17 - "...that the LORD may turn from the FIERCENESS OF HIS ANGER and shew mercy, and have compassion upon thee..."

Dent 29:24 - "...wherefore hath the LORD done this unto this land? (destroyed it) what meaneth the HEAT OF THIS GREAT ANGER?"

1 Kings 16:2 - (Spoken to King Jehu of Israel): "...Thou hast made my people Israel to sin, to provoke me to ANGER with their sins."

Isaiah 12:1 - "...Lord, I will praise Thee: Thou wast ANGRY with me, Thine ANGER is turned away and Thou comfortest me."

Jeremiah 36:7 - "...For great is the ANGER AND FURY that the LORD hath pronounced against this people."

In Deuteronomy 28:1-14, we read where God will bless Israel (not the Jews), if they will obey Him, but in verses 15-68, He lists the curses which will deliberately disobey.

In the New Testament we read, "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness" (yes, even Masons!) (Romans 1:18).
Ephesians 5:6 - "Let no man deceive you with vain words: for because of these things cometh the WRATH of God upon the children of disobedience."

1 Thessalonians 2:16 - "...For the WRATH of God is come upon them to the uttermost."

Revelation 6:17 - "For the great day of His (God's) wrath is come."

Revelation 14:10 - "The same shall drink of the WRATH of God upon the earth."

Revelation 16:1 - "...pour out the vials of the WRATH of God upon the earth."

Revelation 19:15 - "...He (Jesus Christ) treadeth the winepress of the FIERCENESS AND WRATH OF ALMIGHTY GOD."

Page 153

These are only a few of the many Scriptures relating to God's ANGER and His WRATH against evil doers in the New Testament. Who are you going to believe? The "guru" of Freemasonry who says that "God is incapable of anger," or the Word which says He is not only capable of it, but will exercise it against those who refuse to bow the knee to Him!

The immediate aim of the practical policy of Freemasonry is to make its "naturalistic principles" effective in the lives of men everywhere; and first of all, to enforce them in public life.

The Political and Social Program of Freemasonry, includes:

1.- The removal of Christianity from all departments of government and from all public institutions. (The policy of removing Christian symbols, such as Christmas creches, Easter signs of Christian significance, are carried out mainly through the Jewish Masons in the AMERICAN CIVIL LIBERTIES UNION). To remove all religious emblems from legislative assemblies, courts of justice, public hospitals, schools, universities, and colleges, etc., even though this nation has been declared by the Supreme Court, to be a Christian nation.

2.- The secularization of marriage and making an easiness of divorce. These are also principles of Communism.
3.- The establishment of a State system of education which will avoid all Christian influence and will be based on the religion of "secular humanism."

4.- Complete freedom for worship for everyone, including Satanists, and,

5.- Unrestrained liberty of the press, even to promoting anti-Christian doctrines and principles subversive to Christian and American standards. Similar freedom is to be granted on stage, television and movies. To promote public activities such as betting, gambling, consumption of alcohol, use of drugs, etc.

This Masonic program favors a "democratic" form of government, with indiscriminate universal suffrage and the centralization of bureaucratic power. (In other words, what we are speaking of is a "socialist dictatorship," with them in control.) It opposes Christian patriotism, the idea of a strong Christian family, and finally seeks to organize society into classes which are bound together with common interests. It's overall policy is towards commercialism, a false internationalism, a lack of individualism, and Socialist slavery in the end.

One of the worst features of the present day Lodge is the tyranny of the moneyed interests which control its top echelons. These men, working hand-in-glove with the International Jewish Bankers, dominate high finance and exercise control over the credit of the nation in every phase of our national life. The number of these elite, who control the nation from behind the secrecy of the Lodge, is small indeed, but extremely powerful due to the "power of the purse." For it has long been known that he who controls the economics of a country, controls its politics. That is what Amsel Rothschild, many years ago, was able to say with truth: "Give me control of the economics of a country; and I care not who makes her laws."

Because of this evil trend, we have not had an American government in Washington in over fifty years, no matter whether Republicans or Democrats have been in power. The real power behind the throne has been the Internationalists, who adhere to the principles of Judaism and
Freemasonry. (For further information on this, send for my book *THE GREAT CONSPIRACY*.)

This is one reason we see little change in foreign or domestic policy, when there is a change of Administration. They speak completely different, but are controlled from the same source. This is one reason they fight so fiercely against the rise of a Third Party, which might "throw a monkey wrench" into their process of control.

At the present time, the foreign policy of America is under the control of Jewish and Masonic interests, personified in the little German Jew, Henry Kissinger, who during World War II as a Master Sergeant in the American Army in Germany, was a "double-agent" for the Communists, and who still embraces their aims. This is the same cartel which control how Americans dress; what they read; what they see and hear on radio, TV, and in the movies. It determines what businesses will succeed and which will go bankrupt. Through their control of a nation's economics they have the power to destroy anyone who stands in their way of the One-World Zionist-Communist-Masonic government, which has been their ultimate goal from the very beginning.

The members of this financial ring, for over fifty years, have been identified in large part with Jewish-Masonic leadership.

**When the great Christian Industrialist Henry Ford, Sr.,** kicked over the traces in the early 1920's and began to expose the Jewish-Masonic conspiracy, they set out by any means at hand, no matter how dirty or underhanded, to destroy him. After several attempts at assassination failed, they finally put so much pressure on him and his family, that he apologized to the Zionist faction he had fought so valiantly for so many years. Today, through the influences of the Ford Foundation, which went into the enemy camp on the death of the "grand old man," we find them building automobiles for the enemy, in a Ford plant in Russia.

The spread of "rationalism," "Humanism," and now the "New Age Movement," all of them virulently anti-Christian, have been successful mainly because of Jewish and Masonic efforts and cooperation.
19 - JEWISH AND MASONIC CONTROL OF THE MEDIA!

It would take a full sized book to discuss in full, the Jewish and Masonic control over the media of the nations of Christendom. Whenever this control is brought to the attention of the American people, especially Christians, great cries of anguish go up from the enemy camp, and especially loud and plaintive is the cry of "anti-Semitism." While they love to control what the American people hear and see, they do not like to have this control discussed by the "bourgeoisie," and they are especially violent against anyone who exposes this control.

Today, in 1990, the great capitalistic presses of the United States, England, Canada, Germany, and France -presses which are referred to as "the Free Press," are almost 100% under the control of the great Jewish-Masonic financiers.

Let's look at some facts which cannot be disputed. In 1982, at least 909 major daily newspapers in the United States, with a daily readership of some 49-million, were Jewish owned and/or controlled. The majority of Jews who controlled these newspapers were high ranking Masons. These included the following:

**LOS ANGELES TIMES** - 1,000,866 - Simon Ramo (Jew) Director.

**NEW YORK TIMES** - 906,498 - Arthur Ochs Sulzburger, (Jew) President.

**CHICAGO TRIBUNE** - 750,707 - Edward Engle, (Jew) V.P.

**DETROIT NEWS** - 626,801 - B. Gingold (Jew) V.P.

**CHICAGO SUN-TIMES** - 554,334 - Howard Seitz, (Jew) Dir.
DETROIT FREE PRESS - 623,846 - John Livingston Weinberg (Jew), Dir.

WASHINGTON POST - 534,400 - Katherine Myer Graham (Jew), Board Chairman.

In addition, the vast majority of daily newspapers with distribution between 250,000 and 500,000, are Jewish owned and/or controlled. These include the SAN FRANCISCO CHRONICLE; MIAMI HERALD; ATLANTA JOURNAL; INDIANAPOLIS STAR; BOSTON GLOBE; KANSAS CITY TIMES ST. LOUIS GLOBE-DEMOCRAT and the OMAHA WORLD HERALD.

Over 47 major weekly magazines, with an estimated readership over 78-million, are Jewish owned and/or controlled. These include:

TV GUIDE - 19,168,096 - Walter Annenberg (Jew), President.

McCALL'S MAGAZINE - 6,801,287 - Robert Stein (Jew), Editor.

GOOD HOUSEKEEPING - 5,250,597 - Harrison Aaron Mitnich (Jew), Treasurer.

TIME MAGAZINE - 4,425,270 - Arthur Heiskell (Jew), Chairman of the Board.

SPORTS ILLUSTRATED - 2,267,547 - Katherine M. Graham (Jew), Board Chairman.

U.S. NEWS & WORLD REP. 2,036,140 - Lester Tanzer (Jew), Ed.

All of the major TV networks are controlled by this Jewish-Masonic cabal:

ABC Network - Leonard Goldenson (Jew), Chairman.

CBS Network - William Paley (Jew), Chairman.

NBC Network - Robert Sarnoff (Jew), Chairman.
Metro-Media Network - Herbert Klein (Jew), V.P. & Director.

Do you wonder now, why there is so much pro-Zionist slant in our news. (For more details, send for my booklet, SATAN'S KIDS).

Page 158

Even many privately owned newspapers, which are not Jewish owned, have a great deal of control exerted over them because Jews and Masons control the nations advertising, which is necessary for a newspaper or magazine to be successful.

The great world news agencies such as United Press and Associated Press are Jewish controlled, as are Reuter and Wolff in England and Germany.

This is one of the major reasons that the Christian Patriotic Movement in Canada and the United States will never receive fair coverage. It is the nature of the Jewish-Masonic beast to "lie."

In his book L'ANTISEMITISAE, Jewish apologist Bernard Lazare says:

"The Jew is not content to dechristianize, he Judaizes; he destroys Christian beliefs; he provokes religious indifference, but he also imposes on those whose faith he destroys, his own concept of the world, of morality, and of human life; he labors at the age-old task - the destruction of the religion of Christ."

This was not meant as an expose, but was a boast regarding Jewish power.

The whole Socialist World Movement, from its beginning, was a Jewish-Masonic operation. It has only been within the last hundred years, that the objective of a world controlled state, controlled by Jewish-Masonic power using gold and international money power as its principle instrument of control, has come to the forefront,

In spite of its claims to the contrary, International Freemasonry has proven itself to be essentially materialistic, naturalistic and selfish. The aims of Freemasonry must always be placed first in the life of a member, before that of God, country, or family.
As far back as 1917, the objective of World Masonry has been openly declared by its leaders. At a conference of Masonic leaders from the Allied Powers (France, England, Italy, etc.), held in Paris, January 14, 15, 1917, it was decided to convene a Congress of Freemasons in June 1918. This would include Masonic leaders from all the Allied and Neutral Powers. This Congress was for the primary purpose of making the following declaration:

"To prepare the way for the United States of Europe; to set up a supra-national (above all nations) authority, whose purpose would be to settle disputes between nations. Freemasons were to be the propaganda agents of this venture, which it was said would bring universal peace and happiness to mankind, viz., this was to be THE LEAGUE OF NATIONS."\(^1\)

In the Protestant churches of the early 20th Century the nature of Freemasonry was clearly understood and openly condemned. At a conference of English Methodist ministers, held at Bradford, England, June 22, 1927, the following resolution was passed: "Freemasonry in its ritual and official language is of a theistic nature... The distinctive faith of Christianity and the Christian message of salvation through faith in Jesus Christ is wholly incompatible with the claims put forth by Freemasonry in writing and speech."

This Methodist Conference recommended that Methodist ministers have nothing to do with Freemasonry. During recent months, the Protestant clergy of England, have condemned Freemasonry as being anti-Christian.

**20 - THE ETHICS OF FREEMASONRY**

The foundation of Masonic morality or ethics, is not founded on the religion of Jesus Christ, the *faith once delivered unto the saints,* (Jude 3). It is founded on the false, man-made religion of Freemasonry, which is "Secular Humanism.

Masonic ethics define the duty of a Mason to his "fellow Masons," not to mankind as a whole. In this they follow the example of the Jews, whose code of ethics concerns only the Jews, not the "goyim animals" they rub shoulders with.

In Freemasonry, the ultimate standard of what is right and wrong, is wrapped up in what is good for Masonry, not in what the Bible says about it. They do not follow the Law of God, as given to Israel on Mt. Sinai, universally known as the TEN COMMANDMENTS. They follow what Masons call "the law of nature and nature's god." This, they teach, is the
operation of the Divine nature in man, as discerned by human reason and experience. The Mason is not taught the Scriptural truth, that the "heart Jewan is desperately wicked and deceitful above all things" (Jer. 17:12); instead they are taught that through the "innate goodness" of man, he can become like God. The moral aspects of the "jaw of nature," cannot be found in Scripture, but in the "lectures, obligatory oaths, and geometrical figures and terms of Freemasonry."

These moral obligations are veiled to the lower ranks of the Lodge, under symbolism known only to the higher initiates.

The Ten Commandments, as explained by Jesus Christ, are rejected and repudiated by Freemasonry, though their retention of what they call "moral law." The law given to

---

**Page 161**

Israel on Mt. Sinai, is considered to be "too narrow" for the higher intelligentsia of the Lodge to accept. So they substitute the GREAT ARCHITECT OF THE UNIVERSE, for GOD ALMIGHTY, while they substitute their "natural law," for the "immutable (unchangeable) law of God."

In *MACKEY'S JURISPRUDENCE*, p.205, Mackey states:

"The Ten Commandments are not obligatory upon a Mason as a Mason, because the institution is tolerant and cosmopolite (a citizen of the world), and cannot require its members to give their adhesion to any religious dogmas or precepts, excepting those which express belief in God and the immortality of the soul."

Masonic law, had its roots in "Deism." It was "deism" which transformed the Masonic guilds in Europe from an operative into a speculative fraternity. The Masonic Lodges, under the influence of the Jewish Humanist-Intelligentsia Movement, adopted "natural law" as its moral law. It is a law which appeals to the carnal nature of man, because there is no Superior Being to whom one is responsible. In reality, in Freemasonry, as in Judaism, man becomes his own god.

Findel, a high ranking Mason said:
"The decisive agent in accomplishing the transformation of Masonry was that intellectual movement under the name of 'deism,' which boldly rejected all revelation and religious dogma, under the banner of 'Reason,' and 'Higher Criticism!'"\(^1\)

Early Masonic leaders such Lord Herbert Hobbes, Lord Bolingbroke, Dr. Tindal, David Hume and others, taught that the indulgence of lust and anger, self-love, ambition, lust for power, could all be gratified. In other words, it was to become man's chief duty to gratify all his appetites and inclinations. The end result can be seen in the moral debacle which has overtaken the world and its plaintive cry of American youth: "We are only trying to do our own thing!"

Of course, it does not take a brilliant mind to see that this teaching is diametrically opposed to Scripture, which teaches us to "Flee fornication ... he that committeth fornication, sinneth against his own body" (1 Cor. 6:18). And: "Let us not sin (break God's law, see 1 John 3:4) therefore reign in your mortal body, that ye should obey the lusts thereof" (Gal. 6:12). Also: "Flee also youthful lusts (greed for material and fleshly things): but follow righteousness, faith, love, peace, with them that call on the Lord from a pure heart" (2 Tim. 2:22).

Masonry does not believe in, or teach this Scriptural restraint of natural desires. Their motto is: "If it makes you feel good; do it!"

Both the Jewish atheist Voltaire and Helvetius who were early French Deists and Freemasons, advocated unlimited gratification of carnal appetites. Rousseau made men's feelings the basic for Masonic standards.\(^2\)

Freemasonry can never be brought into accord with the teachings of Jesus Christ, for He said without equivocation:
"Whoso putteth away (divorces) his wife, and marries another, committeth adultery," (Luke 16:18). That's a harsh, uncompromising statement which few Masons will accept.

It was Christ who also said: "...whosoever looketh on a woman to lust after her, hath committed adultery with her already in his heart," (Matt. 5:28). This statement was made famous by then President Jimmy Carter, a Mason, when he admitted freely, and with the idea that it was a joke, "that he had lusted after many women in his heart." The media seemed to think this was "funny."

Notes:-

Page 163

The ritual of Freemasonry was based on incestuous acts, the deceptions and frauds of Zeus, which he practiced on his mother Demeter, and upon his daughter. These acts are re-enacted before the initiate to impress him with the moral teachings of the "mysteries."

The "natural law," once practiced by mankind, before the codified law was given at Mt. Sinai, had become obscured by men's sins; it was no longer a clear guide to human behavior. The idea of "Let your conscience be your guide," has never proved workable, because natural man is sinful. The Bible says that even the very imagination of his heart are "only evil continually." (Gen. 6:5).

To the savage in the heartlands of Africa, who has never heard of God's law concerning murder, he still knows instinctively that murder is wrong. But his conscience allows him to go against this natural law and not only kill his enemy, but relish eating him.

Masonic teachings negate the Christian viewpoint concerning family ties and Christian standards of marriage. Masonry teaches that a woman who yields to the impulses of her nature, is absolved from all shame and that a Freemason should renounce the "narrow minded standards" set up for the Christian by the Scripture.
You get a much better understanding of Freemasonry, when you look at the oaths and covenants which make a man a Mason. They are the central ceremony of his initiation into the "brotherhood." They are his formal declaration of loyalty to the Masonic religion. When the initiate kneels at the Masonic altar, and places one hand under the Bible and the other on the "compass and square" which rests on the book, he evokes the deity to help him in his purpose. Only, unfortunately, this deity is not the God of Christianity.

Throughout the entire ceremony there is an outward semblance of great loyalty towards the Bible and God. But

the question we must ask is this? What is the meaning of all this pageantry? An honest look at the rituals of Freemasonry will show you that this ceremony is symbolic and allegorical (the description of one thing, under another name), and does not mean what it so solemnly expresses.

The Bible, the Square and Compass, the Alter, are all Masonic symbols which stand for other things. They are substitutes, if you will, for the real objects venerated by Freemasonry. They have a secret, hidden meaning which very probably the initiate does not understand, since its meaning is known only to those of higher rank. The real Masonic moral ideas are concealed in the allegorical acts of the candidate.

A study of Freemasonry will show that the Masonic candidate is not bound by his solemn oath, but by the meaning of the symbolism behind them. It is not reverence for the Bible, that he shows, as he takes his oath with one hand under the Book, but reverence to what the Bible symbolizes to the Mason and what the Bible on the Masonic altar really means to him. He does not swear on the "square and compass," but on what they symbolically stand for. It is not the name of the Lord God Jehovah, which he invokes, but what the term 'God' means to the Mason.

When a Mason uses the term "In the name of God," it means by the authority of the god of Freemasonry, the GREAT ARCHITECT OF THE UNIVERSE, who is not the Christian God by any stretch of the imagination. The candidate is bound to faithfulness by the horrible oaths he takes, which show his condemnation if he is unfaithful. These are not the moral ethics one expects to find in Christianity. They contradict the Scripture found in Romans 8:1, which tell the Christian: "There is
therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit."

21 - TRUTH FROM THE MASONIC STANDPOINT!

The moral law makes it the duty of every person to speak the truth. We are told in Proverbs 13:5 - "a righteous man hateth lying." In Proverbs 12:22 - "Lying lips are an abomination unto the Lord." (Some thing that makes Him want to "throw up.") The moral law forbids lying, deceit and "dissembling" (disguising things), concealing them under false pretenses whether by words or actions. No class of men are exempt from this obligation.

But in Masonry, as in Judaism, their followers do not follow the same law as that laid down for Christians. As a result, a Mason is allowed to lie, if it will help a fellow Mason; just as a Jew is allowed to lie in order to cheat a hated "goyim."

The very fact that Freemasonry is so secret, fosters the desire to deceive others. The whole international organization is based on a lie, teaches it, and encourages its disciples to lie also. The entire system of Masonic rites, lectures and symbolism is for the purpose of deceiving others as to their true meaning.

The candidate solemnly swears that he will "forever conceal and never reveal the (false) secrets of "Masonry." He swears never to reveal the secrets of a brother Mason which are entrusted to him, even though by this act, he may become implicated in a crime. In the case of murder or treason, he may act at his discretion, but in the higher degrees, even murder and treason are not revealed.

Logically, this means, that in order to be a Mason, and keep your promise to Masonry, you must be willing to lie, deceive and dissemble if it is for the good of Masonry.

Sickle says: "Temperance is enjoined, not for its own sake, but for the reason that when a Mason is intoxicated, he might reveal unwittingly, the secrets of Masonry."
The Masonic fraternity teaches and encourages its members to perjure themselves as to their civil oaths, if this becomes necessary for the honor and protection of the Lodge.

The oath of a Mason takes precedence over everything else in his life. It teaches him that violations of this oath as a witness or as a citizen, is not perjury, as long as it is for the good of the Lodge. So just as a Jew may lie, to convict a Gentile, so a Mason may lie 'with impunity, to protect another Mason or his Lodge. The moral standards of Judaism and Freemasonry are so similar, because they come from the same un-Godly source.

One of the best examples I can think of to show how Jews will lie to convict Christians, can be seen in the recent Canadian trial of Ernst Zundel, a Canadian of German descent, who has been on trial in Canadian courts, under their infamous "hate law." They have accused Zundel of deliberately lying, when he wrote a booklet questioning whether 6-million Jews really died in Germany during World War II.

Many Jewish witnesses brought by the prosecution, who were supposed to be victims of German concentration camps, so obviously lied, that their stories could only be called absurd. For instance, a Polish Jew, who was an atheist, testified for the defense of Mr. Zundel. He told the court that if the Jewish witnesses who were testifying against Zundel, were required to take the oath before a Jewish Rabbi, rather than a "Gentile" judge, every one would be required to change their story. But because their oath had been taken before a non-Jew judge, they were free to lie. This is the plain teaching of the TALMUD. In Volume BABA KAMA (1 13a) we read: 'Jews must always try and deceive Christians." In Volume ZOHAR (I,106a) it says: 'A Jew may lie and perjure himself to condemn a Christian." Again in Volume BABA KAMA (1 13a) it says: "a Jew may lie in court to condemn a Christian."

This is the same type of deception practiced by Freemasonry. If a Mason is required to testify in court, and his testimony conflicts with his duty as a Mason, his MASONIC DUTY MUST ALWAYS COME FIRST! When we see the truth of this, then we need to ask a very important question: "How can we trust any Jewish or Freemasonic judge or lawyer, to tell the truth, even when they are under oath?"
The statements of Freemasonry pertaining to the "lambskin apron;" the "middle chamber of King Solomon's Temple; of "Hiram Abiff;" of the "pillars" and a host of other things, are all falsehoods, palmed off on the unsuspecting initiate. Freemasonry, just as Judaism, is based on a foundation of lies."

Freemasonry binds its members to be true to each other, even while it lies to them in its innermost secrets. The exotic language it employs is for the purpose of deception, but the candidate does not know this, and so is deceived.

Masons say that to expose the secrets of Masonry, is perjury, while at the same time say that these exposures are not Masonic secrets. It is similar to the Zionists, who rage and scream against the PROTOCOLS OF THE LEARNED ELDERS OF ZION, while they follow them like a "blueprint."

Something seems to be lacking, when an organization constantly contradicts itself. If from the Masonic viewpoint, those who secede from and expose the Masonic ritual are perjurers, then what they publish about Masonry must of necessity be fact.

Much of what you have read in this book, comes from men who have held high positions in Freemasonry. They have no bone to pick with their fellow Masons, other than the deception which is being perpetrated on millions of men, by their leaders. My heart goes out to the millions of men in the Blue Lodge, who have been completely "hoodwinked" by the hierarchy of Freemasonry, so that "they believe Masonic lies."

Hectethorn, in his (Vol. 2:17) says: "Since the objects that modern Masonry professes to pursue, are brotherly love, relief and truth, surely the pursuits of these objects cannot need secret rites, traditions and ceremonies." In (Vol. 2:18), he goes on to say: "The true regeneration of mankind needs neither secret signs nor passwords to recognize each other. True liberty consists in publicity." In (Vol. 2:109), he states: "Masons have been very indignant with me for making these statements, but honest members of the craft know, and occasionally admit, that I am right." In (Vol. 2:106): "The more I study Freemasonry, the more I am repelled by its pretenses. Are not all its pretenses groundless? Is not its present existence a delusion and the imposition of childish oaths a farce?"
This is what can be termed the "morality of language." To use names and words which do not convey their true meaning, is dishonest in itself. It is the same underhanded essence we see used by the KGB, the CIA, and the Israeli MOSSAD in international intrigue.

It is because of this trickery, that Freemasons and Jews have been able to insinuate themselves into, and practically control, the Lawyers Guild of this country. They control the laws of America, through their control in Congress, on the President's Cabinet, as members of the Supreme Court. In other words, what I am trying to tell you, is that Canada and the United States are controlled by Jews and Freemasons, both working for the same purpose, to cause us to give up our sovereignty, and merge our countries into a One-World system, controlled by Jews and Freemasons. These men, have an absolute hatred for those in America and Canada who can honestly be termed as 'Christian Patriots', and are doing everything in their power to destroy them.

I can give one example with which I am familiar. A few years ago, a man I knew rather well, shot and killed a State trooper, after he had received merciless harassment at the hands of the police, not because of criminal activities, but because he was speaking up against government injustices and had to be silenced. When the local sheriff investigated the incident, he contacted the man's wife and said: "Mrs. ____ before I begin this investigation, there is something which is absolutely essential that I know. Was your husband a Mason?" Why do you suppose he would ask a question such as this, unless if this man had been a Mason, he might have been spared much of the grief that the law brought on him and his family. This is not an isolated incident by any means!

Masons are urged by their superiors, to perjure themselves in court in order to protect their fellow Masons. It is all part of the oath they take, when they join.

Many Masons, and most non-Masons, do not realize that Masonry uses a special language to convey Masonic values. It often calls things by their opposites. It substitutes Masonic legends for facts, and palms them off as being true historical events. It expresses its pagan ideals and legendary lore in Scriptural terminology in order to fool the unsuspecting public as well as its own members.
It calls heathen deities by the Biblical name of God, and heathen rites by their Christian phrases. It couches its Masonic doctrine in the terms of Christian theology. This deception in itself should turn honest men against it.

Its entire system is based on pretense, delusion and fraud. It hides its pagan moral and religious ideas under the veil of artful speech, emblems and types. It inculcates in its members moral and religious ideals which are completely contrary to the Christian viewpoint and which are actually viciously immoral. It enjoins practices, which from a Scriptural standpoint are damnable. It makes the crime, the vice, and the sin inherent in Freemasonry, not in the act of being exposed.

What can be more immoral than the pretense that membership in this international order, gives one the license to live his life as a lie? From the viewpoint of Biblical Christian ethics, Freemasonry must be looked on as a stupendous organized falsehood.

Over against the undisputed facts of its falsehood, the Lodge solemnly professes to be guided solely by truth, even as it admits that it lies to its disciples.

When a charge of deception is brought against the Lodge, its defenders often reply: "Our statements cannot be understood by the profane (those outside the Lodge); there is a secret meaning conveyed by our expressions that only the craftsmen can discern." So it attempts to evade the charges of falsehood, by hiding under an esoteric smoke screen.

One of the greatest prophets of Freemasonry, a man named Pythagoras, instituted an esoteric system of outright deceit and taught his disciples that "it was not only lawful, but praiseworthy to deceive, and use the expedient lie to further the cause of truth and piety."1

The sacred books of Buddha, a religion which is welcomed in Freemasonry, defines falsehood as: "A statement consists of a lie when discovered by the person to whom it is told as being untrue." In other words, it is not a falsehood, as long as this fact is not discovered.
So statements made by the hierarchy of Masonry are to be considered true, until someone discovers they are lies. This idea keeps the lower degree Mason from prying into the esoteric secrets off the higher degrees.

Most decent people see the need of honesty in dealing with others. In the Christian life, it is an absolute necessity and an important part of his religion. But to the Jew and the Mason, it becomes a means of deceiving and cheating those who disagree with them. In the Jew, this pertains mainly to the "goyim, non-Jew animal he calls a Gentile."

The well-known Jewish businessman and author, Samuel Roth, in his startling book, *JEWS MUST LIVE* (Secrets of Sharp Jewish Business Practices Revealed), Chap. VI, p.63, says:

"It is my honest belief that nothing the Jew does is subversive to America's best interests. Like his creature JEHOVAH, a teacher he never tires of imitating, the Jew is forever engaged in the fascinating pursuit of creating everything he needs out of nothing. He is actually a parasite who could not exist without a Gentile host on which to feed."

The present Jewish State of the Israeli in Palestine is an excellent example of this. According to Israeli leaders, their country would collapse within six months, if it were not for the largesse of the American people, especially its "brainwashed" Judeo-Christian population.

The Jew is taught from youth that it is ethical to "skin the goyim; to cheat him and steal from him." After all, he is told, only Jews are human and the world belongs to them.

Every year on the Day of Atonement (a day which is now being celebrated in many Christian churches with the ringing of their church bells), Jews around the world gather to recite the KOL NIDRE. In English this means
'All Vows Prayer." It is recited three times in the Jewish synagogue with the congregation standing, while the Rabbis chant from the altar. Immediately following the recital of this Vow, the religious ceremonies of the Day of Atonement begin. This is the holiest "holy day" of the Jewish year and is celebrated by Jews, worldwide. Even liberal and atheistic Jews, who rarely if ever attend the synagogue services, make it a point to attend on this day. Why is this

---

**KOL NIDRE OATH** so important to Jews, worldwide? Look at the translation and see. Here is the official English translation of the KOL NIDRE:

"All vows, obligations, oaths, anathemas, whether called 'kona' or 'konas,' or by any other name which we may vow, or swear, or pledge, or whereby we may be bound from this DAY OF ATONEMENT until the next, whose happy coming we await, we do repent! May they be deemed absolved, forgiven, annulled and void, and made of none effect. They shall not bind us nor have any power over us. The vows shall not be reckoned as vows; the obligations as obligations, nor the oaths as oaths."

By taking this oath, the Jew is absolved from any agreement he makes under oath, even if it is taken in a court of law. He is not obliged by his god, (who by the way, is not the God of Abraham, he claims to serve) to keep his sworn word, especially to a "Gentile." None of his vows are valid.

With this in mind, how can we expect a Jewish Congressman, who takes this **KOL NIDRE** oath, to fulfill his sworn duty to protect the Constitution of the United States from all enemies foreign and domestic?" How can we expect a Jewish judge or lawyer to fulfill his sworn duty, when we know his oath is no good? We cannot! Neither can we expect honesty from a Mason, for they too are absolved from telling the truth, if it is to the detriment of the Lodge.

Having shown the foundation of Freemasonry in Judaism, do you suppose that some of the Jewish deceit used by Jews against "gentiles," may have rubbed off on Masons? I think it is very possible. Notice this oath, taken by the Master Mason (Rit. 149):

"I solemnly promise and swear that I will not cheat, wrong, or defraud a Lodge of Masons, or a brother of this rank, knowing them to be such, but will give them due and
timely notice that they may ward off all approaching danger."

This simply means that a Master Mason may not only cheat non-Masons with impunity, but that he can also cheat Masons who are of a lower rank than himself. All others are lawful prey to him. This is almost identical to the Jewish KOL NIDRE and has the same effect.

When we look at the Ninth Commandment (see Exodus 20), which reads: "Thou shalt not bear false witness against thy neighbor," and Number Eight which says: "Thou shalt not steal!", it would appear that we are to so fear and love God, that we would never defraud our fellowmen, whether they are members of our Lodge or not. But a Master Mason, by reason of his oath, may use any unfair, unscrupulous, fraudulent means to gain advantage and wealth, so long as he does not hurt members of his own, or higher ranks in Freemasonry. The sin is not in the sinning, in Masonry, but in being caught and bringing disgrace to the Lodge!

**22 - MASONRY'S IDEAS ON CHASTITY**

The Seventh Commandment clearly states: "Thou shalt not commit adultery!" There is no equivocation here, there is no way we who love God can by-pass this with impunity. It means that if we fear and love God, we will remain chaste and pure in our thoughts, words and deeds, each man honoring his own wife, and that of his fellowman. Being a man, I know that it is not always easy to avoid impure thoughts, but our Lord taught that "adultery lies in the heart of men, rather than in the outward act itself." Men are prone to look on the outward act, while God judges the heart. The Christian system strives to purify the hearts and thoughts of both men and women. There is no way a man or woman who loves God, can escape the finality of this Commandment. But it is quite different in the Masonic system. Instead of aiming at purifying the thoughts of a man's heart, Masonry aims to legalize the sin of lust and find accommodation for the
indulgence of the individual within the framework of the Lodge. No wonder Freemasonry is so popular with so many men.

The essence of vice in the Masonic system is not in the indulgence itself, but in failing to keep it concealed from the profane (non-member). As long as the indulgence is concealed, to the Mason it is a virtue. It is a vice only to the Christians, whom they claim are too stupid to realize all the fun they are missing.

What makes things "vices" in the estimation of the Christian, is their erroneous position on morals, according to Freemasonry. This makes the ethics of Masonry irreconcilable with those of Christianity. This is why a Christian, who professes to have turned his life over to the Lordship of Jesus Christ, has no business being a Lodge member. (Now I realize I will be stepping on a lot of toes by making this statement, since there are many professing Christians in the Lodge. In fact many of the clergy of the Southern Baptist Church are Masons. Once they see the inner workings of the Lodge, they should know better. But whether they like it or not, this does not change the truth).

Perhaps, it might be well for me to quote to these brethren, the words of the Apostle Paul to the church at Galatia: 'Am I therefore become your enemy, because I tell you the truth?" (Galatians 4:16).

To find the truth regarding Masonic ideas of chastity, we need to go to the Masonic Covenant, since this in essence is what makes a Mason. There is something in that Covenant which when taken, or entered into, changes a man into a different "moral order," and marks him as guided by a system of ethical principles and precepts which are not found in the Christian system. The Mason becomes a "different order of man," bound by his covenant to Freemasonry and a different system of ethics. He now has, in the eyes of the Lodge, certain rights and liberties, which the Law of God does not give him.

The Hidden Power Behind Freemasonry
Part 8 of 8

By

Lt. Col. Gordon "Jack" Mohr,
The Masonic devotee enters into a new and unique religious and moral realm, by having renounced the God of revelation, to covenant and make the "generative principle," under the name of **THE GREAT ARCHITECT OF THE UNIVERSE**, his god, and the "law of nature," his ethical standard!

As we examine the Masonic teachings concerning chastity, we need to look at the Master Mason's Oath relating to virtue (Rit. 149) - "I solemnly promise and swear that I will not violate the chastity of a Master Mason's wife, mother, sister or daughter, knowing her as such."

God's law says: *"Thou shalt not commit adultery!"* It speaks to all men and women, married and single. It speaks to the Mason and it does not say: "You may violate this law, as long as you do not violate it with a Master Mason's females.

But this is a "narrow moral code" which the natural man does not like. It was given by Almighty God for our protection. In **Matthew 7:13, 14** we read where two roads are open to mankind, one is broad and easy and leads to destruction. The majority opt to follow this road. The Christian way is narrow and difficult to follow," because it means we MUST control our illicit desires. Therefore few people want to follow it, even though it leads to "Eternal Life."

The Masonic teaching follows the "broad road to destruction," because men would have it so. The Masonic oath insists on chastity within the rank of Master Mason, but it hedges and "beats around the bush," as far as the major question goes. It even allows him to have illicit relations with the females of a fellow Master Mason, as long as he does not know they belong to him.

**NOTICE:**

1.- It forbids adultery with the chaste female members of another Master Mason's family.

2.- Since even this prohibition is "too narrow" for Masonic liberalism, a qualifying phrase is added: "knowing her to be such." "Ignorance is bliss," according to the Masonic way
of thinking and the Seventh Commandment should really be interpreted to read: "Thou, a Master Mason, shall not commit adultery with a female member of a Master Mason's family, as long as you know she is chaste."

3.- Assuming the Master Mason respects his Covenant, is it because of his respect for chastity or because the "holiness" of Masonry demands it? To all these questions we must give a resounding "NO!" answer.

The Master Mason respects the chastity of a female relative of his brother Master Mason, because his oath tells him he must. Here again we see the Jewish influence in Freemasonry, for in Judaism, according to the TALMUD, a Jewish man may violate a Gentile woman, because she is looked on as a "piece of fresh meat." This same spiritual authority (TALMUD) gives him the right to violate a baby girl under the age of three and to sodomize a boy under the age of nine. You don't have to go very far in Freemasonry, to see the evil influence of Judaism in their morals. In Masonry, as in Judaism, fear, love and trust in God has nothing to do with their moral standards.

If there is virtue in obedience to a man-made covenant, it is the same virtue and honor known among thieves and cut throats, when they swear to be true to their fellows, for fear of the punishment which may befall them, if they break their contract.

This is the same kind of "virtue" King Herod showed in Matthew 14:6-11, when for the sake of a stupid promise he made to a prostitute, and for public appearance sake, he had John the Baptist executed.

Christians believe in obeying God's Law because it proves their fear of His majesty, and their love for His mercy and love. Christ said: 'if ye love me, keep my commandments." We show our love for Him, by the way we obey Him (John 14:15). The Mason obeys the Masonic laws, even when they conflict with those of God, because that is the nature of the "Masonic beast." They view the Ten Commandments as another form of "moral law," which is too narrow for them to keep.

23 - WHAT MASONRY PERMITS!

With this kind of obtuse (dull and insensitive) thinking, we find things permitted within the Lodge which are strictly forbidden in the Christians
life. Notice some of these practices and ask yourself whether they are moral or not:

a. -Notice that the Oath of the Master Mason allows him to commit adultery with any unchaste female related to a fellow Mason, or with any other woman if he so desires.

b. - It permits him to conceal his adultery, if he does not know the female concerned is related to a fellow Master Mason. There is no evidence anywhere, that he is expected to try and find out if this relationship exists.

c. - A Masonic Oath is not retroactive, so this feature stimulates lower degrees to work into the higher degrees where they have more protection while "doing their own thing."

d. - Their Oath permits the Master Mason to commit adultery with any female who does not belong to the restricted group.

e. - This Oath permits the Master Mason to be an adulterer as long as he follows the restrictions laid down by his order, or as long as he keeps his indiscretions secret.

f. - While this Masonic covenant seems to protect female virtue, it actually undermines it. It makes the guilt for adultery committed, the fault of the woman, rather than of her Masonic seducer. In all cases where the Master Mason does not know she is related to another Master Mason, or when she is not, the Master Mason is considered innocent, even if his act is an act of rape against her will. To him, she is "nothing but a piece of meat," to be used anyway the Mason desires.

What a travesty of decency and justice this is; what a contravention of Christian morality. Yet it is considered the sacred right by many men, who live under the protective screen of Freemasonry.
In all cases of immorality, not covered by his oath, the Mason is absolved of guilt, since he is only following the dictates and inclination of his "natural self," which is the deity he worships. Matthew 6:24 tells us:

"NO man can serve two masters: for either he will hate the one and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and Mammon."

(MAMMON is "materialism," "love of the flesh," "Naturalism.") A man cannot be a Mason and still serve and love the true God!

---

24 - WHAT DOES THE MASONIC COVENANT ASSUME?

1. - It assumes that females in general have a high opinion of Masonic honor and dignity. I believe this to be true. This is one reason a Mason may be more successful in his seduction of an unwary woman, than other men.

2. - It assumes that somehow or other, the Master Mason is a sanctified (saintly, inviolable being), somehow or other holy, and that he hallows anything he touches. In plain terms, that a woman should feel honored to be seduced by a Master Mason.

3. - It assumes that womanly chastity is a joke and that women will gladly sacrifice their virtue and honor for the privilege of being with a Master Mason. (It's no wonder, that women who have studied Masonry, feel it is an insult to womanhood, because it definitely is).

4. - It sets no restriction on the chastity and morality of the Master Mason. He is free to debauch womanhood outside of the restrictions of his Order and still consider himself to be a good, moral man. It is a filthy "double standard" of living. Anyone who understands the least bit about Christian standards, should be able to see the evil in such a system.
Since the Ten Commandments do not apply to a Master Mason, he becomes a "law unto himself," and this morality carries over into his business and political dealings. (I would call your attention to the large number of politicians, who have been Masons, whose shady deals have walked the thin edge of treason, according to the Constitutional definition, Article III, Sect. 3: "Treason shall consist only in levying war against them (the United States); adhering to their enemies; giving them aid and comfort." Any Fifth Grade should be able to understand the meaning of this. I dare you to check out those Senators who voted to give away our canal in Panama and see for yourself, how many were Masons. I dare you to check and see how many of those Congressmen who have voted to give Foreign Aid, to countries which are our enemies, are Masons, Jews or both. If after you have seen this and do not believe this is a reflection on their Masonic training, then it is because you have deliberately closed your eyes to the truth.

Could it be possible that this is one of the reasons that so many politicians who claim to be Christian, are also Masons? They show very little of the "Christian fruits" in their politics, which reeks of Masonic intrigue. The old Duck Theory applies here I believe: "When you see something that looks like a duck, waddles like a duck, has feathers like a duck, and runs around with other ducks, chances are you are looking at a duck." So when you see a political figure, who claims to be a Christian, yet he runs around with an un-Christian crowd and votes for anti-Christ measures, you can almost bet that he is a member of a Masonic Lodge, and very possibly a very high ranking member.

When a man takes the oath of Freemasonry, he is required to step out of obedience to Almighty God and give his loyalty to the Lodge. He then places himself under a completely di Areent moral government, bound by a different set of moral ethics. These are diametrically opposed to Christianity.

Masonic writers boast: "It is the covenant that makes a Mason; and once a Mason, always a Mason. Once you have taken the Masonic oath, you cannot repudiate it."
These remarks make it crystal clear that the Mason becomes a "different order of man," governed by a different code, which sets him at variance with the laws of

Page 181

God Almighty. Things which are "unlawful" to the "profane" (those outside the Lodge), become lawful to the Lodge member, providing he does his sinning in such a way that it does not bring disgrace to the Lodge or his fellow Masons.

Masonry legalizes "lustful sinning" in every sphere, save the one where he is limited in his wanton acts from violating a female member of a Master Mason's family. (Even then, he has an excuse, if he does not know they belong to a fellow Master Mason). This gives a man a lot of leeway in which to fulfill his illicit desires.

If Masonry never changes, as its leaders proudly aver, then men can never become better by joining it. If it allows its members to sin, by putting a Masonic label of approval on sin, whether it is committed by a Master Mason, one of the 33\textsuperscript{o}, or a member of the Blue Lodge, it is still evil in the sight of God and will earn the death penalty. "The wages of sin is death," (Romans 6:23). Sin, no matter whether it is committed by the "mighty" or the "lowly," produces the bitter fruit of Sodom and Gomorrah, for anything which encourages dishonesty, deception and unchastity is wrong in the eyes of God. We have His Holy Word to confirm this!

Yet, unfortunately, in spite of the anti-Christ character of this immoral system, we find thousands of good men who belong to it and defend it. Many of these claim to be Christian. Can this be a measure of their apostasy?\textsuperscript{1}

Timothy 4 says:

1 "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;
2 Speaking lies in hypocrisy; having their conscience seared with a hot iron

7 But refuse profane and old wives' fables, and exercise thyself rather unto Godliness."
Because of these apostates, many of them Christian ministers who support Freemasonry, we find ourselves in the "perilous times" predicted in 2 Timothy 3:1 - 5

1 "This know also, that in the last days perilous times shall come.  
2 For men will be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,  
3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,  
4 Traitors, beady, high-minded, lovers of pleasure more than lovers of God;  
5 Having a form of Godliness, but denying the power thereof: from such turn away."

This is a pretty good "word description" of the Masonic Lodge, and certainly of any Christian pastors who belongs to it. It is no wonder our churches have lost their power, with these "wolves in sheep's clothing" standing behind the pulpits of our churches. Can a true, "born from above" Christian have fellowship with such a strange and immoral institution? I think not! It doesn't make much sense!

In 1 John 2:23, we are given a very clear definition of an anti-Christ. It is anyone who denies the Divinity of Jesus Christ; who denies Him as Savior. This fits any man, whether he is Jew, a Mason, a Heathen, a Baptist, or whatever. In 2 John 10, 11, we are told how Christians should act towards these anti-Christs:

"If any come unto you and bring not this gospel (that Jesus is the Son of God, the Savior of the world), receive him not into your house, neither bid him God Speed; For he that biddeth him God speed, becomes partakers of his evil deeds."

According to Masonic tradition, the Mason is a builder, who is free to go anywhere in pursuit of his avocation. To the Mason, this means he is free from the moral and spiritual restraints organized society imposes on its members; he is a "jaw unto himself," doing what makes him feel good,
The Bible teaches that marriage is a union between man and woman for life, when it is sanctified in the eyes of God. The very essence of Christian marriage is in the consent of both parties, who join together before God and publicly acknowledge their troth (faithfulness; loyalty) to each other. This act, according to the Bible, makes them "one flesh." (See Gen. 2:23; Matt. 19:5,6; Mark 10:8; 1 Cor. 6:16; Eph. 5:31). This covenant between man and wife can only be broken by the unfaithfulness of one or the other, or by death. The marriage bond may only be broken through the "adultery" of one party or the other, never for incompatibility." No man has the authority to break this marriage bond; no judge, no preacher.

The marriage ceremony is a covenant, which imposes on both parties, certain mutual duties and invests both with certain inalienable, God-given rights. These rights must be jealously guarded by both parties. By becoming "one flesh," they have become something special in the eyes of God. The mutual duty of husband and wife is to remain pure and chaste, honoring and loving each other. Neither may lawfully (God's law) join in covenants with others, which will infringe on these conjugal rights.

This Christian Covenant comes into immediate conflict with the Masonic and Judaic Covenants, since both of these protect the man's right to commit adultery. If either of these covenants are accepted in lieu of Christianity, it will doom Christian marriage and the Christian family. Of course, this is the purpose of both Masonry and Judaism.

The wife in a Christian marriage covenant has the inalienable right to know the nature of any contract her husband may enter into with others, especially if this contract might weaken or annul his duty to remain chaste and pure. There is a Divine law involved here, which neither the man nor woman may evade with impunity. Their agreement is a matter of written record and neither has the moral nor spiritual right to overstep the bounds of this contract.

The husband is bound to respect the law of God and follow it, just as he should expect his wife to do. There can be no such thing as a "double-
standard" for either of them, as has been so common in both Masonry and Judaism.

In the Masonic contract, the wife is not consulted on the matter of the man's morals, neither by the Lodge, or by her husband. Even if she agrees with him becoming a Mason, she knows nothing about the nature of the covenant he has made with the Lodge and how it may affect her marriage. To all intents and purposes, she has become a "chattel." The Masonic Covenant supersedes any other covenant the Mason may make with God or his fellowmen. He must subordinate everything, even his family, to his Masonic belief.

26 - THE PENAL FEATURES OF FREEMASONRY

When Freemasonry is traced back to its source, we discover three ideas which are common to most oriental cults:

1. - The initiation process:
2. - The Lodge secrets, and;
3. - The penal features dealing with punishment of recalcitrant Lodge members.

From the very beginning of our search for truth, we will discover that the character of Freemasonry and Christianity are diametrically opposed.

Page 185

Where Christianity wins followers by propagating the truth, taught by its founder, Jesus Christ, Masonry aims to preserve and propagate its faith by keeping secret. It does not rely on the power of its doctrines to do this, since it does not present its claims openly and honestly, nor does it meet its opponents in an open and fair discussion. Like Judaism, from which it sprang, it instead attacks its opponents secretly, through institutions it controls, such as the media. On the basis of its own confusion, it cannot stand the light of truth and exposure. The Christian, on the other hand, is told to "Let your speech be always with grace, seasoned with salt, that ye may know how ye ought to answer every man", (Col. 4:6).

To protect its secrecy, Masonry found it necessary to install a catalog of oaths and terrible covenants, which were set up for the purpose of
destroying those who sought to expose their nefarious activities and terrify its own members into a strict and total obedience to the Masters of the Lodge.

According to their own admissions, which can be found in the Masonic oaths, they employ any means of discrediting or destroying their opponents. They may with impunity, through false testimony, discredit or completely destroy an opponent's reputation, may discomfort, or even completely annihilate them. This extends to the point of committing murder, if that is deemed necessary for the protection of the Lodge, as was the case in the murder of William Morgan in the 1820's. He was assassinated on order of the Lodge authorities, when he sought to expose them.

Masons infer that they are rendering service to the GREAT ARCHITECT OF THE UNIVERSE, when they destroy any one who seeks to expose them. This is a murderous spirit, similar to that found among some of the extremists in t>

Page 186

Masons are willing, according to their oaths, to inflict barbarous and horrible penalties on any brother Mason who strays from their way and exposes them. This reveals the true spirit which pervades Freemasonry and which most certainly does not exhibit the "fruits of the Spirit," which are the attributes of true Christians (See Gal. 5:22, 23).

When it becomes necessary to enforce obedience to an idea, in order to promulgate it, you can automatically know that idea is wrong. If, as some members of Masonry aver, Masonry does not have this cruel, vindictive spirit, then why do they exhibit it in their oaths which cause them to become members? That most Masons believe these oaths, is an established fact, for very few leave the Order, once they become members. This is not because they know their way is true, but because they fear the consequences. It takes an extremely brave man to leave Freemasonry, and then expose it!

That the threats implied in the Masonic oaths are made in good faith, can be ascertained from the past. French, Italian and Spanish Masons cited before their Masonic tribunals for breaking their oaths, were the Emperor Napoleon III; the Emperor of Germany; the Crown Prince of Germany; a Pope and Marshall Prim. of France. These men paid no attention to the
citations made against them by the Lodge and all were marked for assassination. (See Hecthorn, Vol. II, p. 108).

The murder of William Morgan, in obedience to a Masonic decree, almost destroyed Masonry in America in 1826. Judge Whitney of the Belvedere Lodge in Illinois, escaped assassination at the hands of Master Masons, only because they feared public vengeance if they killed this popular man.

The very initiation into the Third Degree, is a dramatic "acting out" of a symbolic murder. The candidate for all intents and purposes is murdered by these ruffians, who inflict on him the horrible penalties inherent in the first three degrees. When these are apprehended, they are theoretically executed by having the penalties of the first three degrees inflicted on them. This is done to impress the Masonic candidate with the seriousness of his pledge and the vengeance which will follow if he breaks his oath. The Knights of Kadash deliberately promise to commit murder on any traitor to Freemasonry.

**Judge Whitney**, who was mentioned earlier, testified in the case of a Miss Ellen Slade, who had been murdered in Boone County Illinois for resisting the law laid down by the Grand Lodge of Illinois. In his testimony, Whitney said:

"The resistance of the law by Masons, in the case of the death of Miss Slade, was well known to the Grand Lodge and their committees, who approved it and this Lodge (Belvedere #6, F.A.M.) has quietly acquiesced; and having their charter restored by the present Grand Master, several of the most culpable of its members have been elected to the most important positions in the Lodge." (UNQ).

This action was taken by Master Masons who had full knowledge of the crime they were covering up, as well adequately proven in court. These murderers resisted the law of the State of Illinois and escaped its consequences through the machinations of high ranking Masons in the Judicial system.

**Pres. C. G. Finney**, himself a Mason, characterized Masonry as follows:
"Freemasonry has no mercy, but swears candidates to avenge violations of Masonic obligations, the most unlawful and un-Christian deeds; to deliver each other from difficulty, whether right or wrong; to unduly favor Masons in business transactions. It's members are sworn to retaliate, and persecute unto death, the violators of Masonic obligations." (Wagner's *Freemasonry -An Interpretation* - p.554).

Because of the Masonic murder of William Morgan, facts came to light by testimony of witnesses before the courts; by action of the New York State Legislature, and the defense of Morgan's assassins by the Grand Lodge of Rhode Island. All this was led by John Quincy Adams

initiating an investigation of Masonry, from a purely patriotic viewpoint. Here are his views as expressed in his *ADDRESS TO THE PEOPLE OF MASSACHUSETTS*. This is only part of his address:

"I saw a code of Masonic legislation adopted to prostrate every principle of justice and to corrupt every sentiment of virtuous feeling in the soul of him who bound his allegiance to it. I saw the practice of common honesty, of Christian benevolence, even the abstinence of atrocious crimes, limited exclusively by lawless oaths and barbarous penalties to the sacred relations between the brotherhood of the craft. I saw slander organized into a secret widespread and affiliated agency, fixing its invisible fangs into the hearts of its victims, sheltered by the darkness of the Lodge room, and armed with never ceasing penalties of death. I saw self-invoked imprecations of throats cut from ear to ear; of hearts and vitals torn out and cast off...

I saw wine drunk from a human skull with solemn invocations of all the sins of its owner upon the head of him who drank it. I saw a wretched human man damning himself to eternal punishment when the last trump shall sound, as a guarantee for idle and ridiculous promises. Such are the laws of Masonry; such are their indelible character ... a conspiracy of the few, against the equal rights of many! Anti-republican in its sap from the first blushing of the summit of the plant to the deepest fiber of its roots."
The experience of Elder David Vernard, an influential and well-esteemed minister of the Baptist Church is a confirmation of what I have been trying to say. As a Master Mason, he was required by the Master to attend a meeting where he was charged with making derogatory remarks against the Lodge. For several hours he was harangued, harassed and insulted. When he was finally allowed to defend himself, he told how he had spoken against the Lodge, because he had the right of free opinion and freedom of speech and liberty of the press all of which were God-given rights which could not be controlled by the Lodge. He stated that these rights had been purchased by the blood of his fathers. Yet his request to defend himself was refused.

Soon after this he was expelled from the Lodge and a vicious campaign of vilification was launched against him. Professing ministers of the Gospel, joined with drunkards, infidels and prostitutes in a drive to destroy him. He was warned by his friends that he should go armed for his protection, since there was a plot afoot to murder him and so strong and dirty was the Masonic campaign against him, that his friends would not allow him to travel alone, even from the parsonage to the church.

Once again I repeat the words of Horace Mann: *(It must be an evil project which will not allow for open discussion.)* This is the same means organized Jewry uses to stifle opposition. They act through their strong-arm KGB, the Anti-Defamation League, and its bully boys the JEWISH DEFENSE LEAGUE.

A few years ago I was invited to speak at the LaPorte, Colorado, Church of Christ, by a young pastor, Pete Peters, who was just becoming acquainted with the Identity message and the Jewish problem. We were subjected to unbelievable harassment, most of it coming from the Fort Collins Ministerial Alliance and the Denver A.D.L. The Alliance threatened Pastor Peters with dire trouble unless he had me leave town at
once. I was accused of being "anti-Semitic, a Fascist) a Neo-Nazi, and a Hate Monger." However, no one from the Ministerial Alliance or the ADL had ever bothered to come and hear me speak. It was all hearsay.

My first message, on Sunday night was on my deliverance from a Communist prison in Korea in 1948. It was in this prison that I was "saved" and promised God to do everything within my power to see that the terrible things I had seen in South Korea would never happen here. I did not mention Jews, Jewry, or Zionism in this message. The meeting ended about 10 p.m. The next morning, a Letter to the Editor appeared in the Denver Post, some 70 miles away. It was written by a Jewish lady in which she expressed shock at the terrible anti-Semitic language I used and said that my statements reminded her of Adolf Hitler. Now anyone with any common sense, would know that a letter written after 10 p.m. the night before, could never arrive in Denver in time for a midnight "deadline." It was quite obvious this letter had been written before I arrived in La Porte. Interestingly enough, there had been no Jewish lady at the Sunday night meeting.

Pastor Peters offered to allow the Alliance members to listen to the tapes of my messages, since none had been in attendance. None of them desired to do this, although all their complaints were based on hearsay. When I arrived home, I found a letter from the Denver JEWISH DEFENSE LEAGUE in which they stated: "You Nazi S.O.B., if you ever come back to Denver we will blow you away!" Notification to the Denver police of this threat brought absolutely no action.

Pastor Peters, not to be intimidated, scheduled me for more meetings in the fall and took out advertisements in the Denver Post, stating when I would be there and the essence of my messages, which this time were definitely Zionist exposures. I offered to host a breakfast for members of the Ministerial Alliance, where we could talk over our differences. None accepted. It became quite evident that they did not know what I preached, that they did not care what I preached, but that they were being led around by the nose by the ADL.

This is the Masonic mentality, which they learned from their Zionist mentors "for men love darkness rather than light, because their deeds are evil" *(John 3:19).*
Masonry, like Judaism, is a system of ethics and religion, in which there is some truth, but it is shrouded and mutilated by the evil it conceals. It is a system held and defended by men of learning; men of wealth and power; men of liberal tendencies; men who are pious "having a form of godliness, but denying the power thereof" (1 Tim. 3:5). The Apostle Paul, in 1 Corinthians 1:26, 27, said:

26 "For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called:
27 For God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the mighty."

These men wallow around in the indulgences which Freemasonry allows them to enjoy, but which must never be spoken of in public. Any system of ethics may stand high in the eyes of men; it may even seem to be a thing of beauty to them. But if it repudiates the Law of God, no matter how charming it may seem to the beholder, it is a thing of hidden danger and evil. Any system which gives license to human lust, will ruin souls and kindle revolution against God. This is always fatal to the rebel!

Freemasonry is a danger to the freedom of America and to the welfare of the Christian community. As long as it maintains its ties with Zionism, it will be a danger to freedom and justice, for it is impossible for a people to have freedom and justice without having God's blessing

These blessings do not come when men set themselves in rebellion against God. In Psalm 2:1-4, we read:

1. "Why do the heathen (nations) rage, and the people imagine a vain thing?"
2. The kings of the earth set themselves, and the rulers (Masonic and Jewish alike) take counsel together, against the LORD, and against His Anointed, saying;
3. 'Let us break their bands asunder, and cast away their cords from us,'
4. He that sitteth in the heavens shall laugh: the Lord shall have them in derision (contempt)."
CONCLUSION - I realize I have stuck my neck out by writing this book. I did not do it because of ulterior purposes, I have no "bone to pick with Masons." I wrote it to warn you of a very powerful organization, which is cooperating with our Zionist enemies, and which is fooling millions of its own members by its hidden motives. It is at-tempting to destroy "white Christian civilization," and the blessings it has brought to mankind. I may have placed myself in a position of danger. I do not fear, for God is still on the throne and He still rules in the affairs of men. If this book is instrumental in reaching the heart of one Mason and causing him to reconsider, it will have been worthwhile. For the freedom of America, the happiness and safety of our people, will be based on this slogan: NO KING BUT JESUS!

THE HITLER CULT!

"The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and His Anointed," (Ps. 2:2).

INTRODUCTION

In recent years a disturbing and dangerous element has crept into the Christian Patriotic Movement in America. It is seeking to revive the discredited policies of NATIONAL SOCIALISM, which proved fatal to Germany during World War II and which led that once great country close to the precipice of complete destruction. It is better known as the Nazi Movement, or as the Jewish controlled media like to say the "neo-Nazi" movement.

Posing as Constitutional Patriots, many times labeling themselves as Christian, they are misleading an already "brainwashed" population and are harming the Christian Patriotic Movement which is seeking to bring this nation back to God and Constitutional Government. Their loud mouthed rhetoric, replete with anti-Christ gutter phraseology, has turned many decent Americans away from the movement to save their freedom.

There is no doubt that many who read these words will wonder why I am sticking my neck out further than usual, when I am already under vicious attack from the Zionist elements and have come under often bitter attack from the evangelical and fundamentalist Christians who back these anti-Christians as God's Chosen People. "Why?" they say, "expose yourself further to the dangers of modern Nazism?"

The reason I feel a compelling need to do this is because numbers of decent Christian Patriots are being misled by these "pseudo-patriots", who are more anxious for the success of their anti-God movement, than the freedom of the American people.

It is as important for our people to know the truth about the "errors" of the "far-right", as it is for them to know about the "sins of the left." Both can be fatal to the cause of freedom, because both attack the very roots of our freedom, which is belief in Almighty God, and His Son, our Savior, Jesus Christ, who alone is able to set men truly free.

From the roots of Nazism in America, has risen the ancient pagan religion of Odin worship, and the even more blasphemous rantings of the Church of Creativity, run by one Ben Klassen. Klassen has written a book for his followers titled THE WHITE MAN'S BIBLE. He is a super-intelligent (?) critic of the Bible, who dares to call God a "super-spook" and who laughs at the saving grace of our Lord Jesus the Christ.

History has adequately proven that those nations who refuse to abide by God's Natural Laws, will be destroyed. The sands of history are covered with the bleaching bones of past civilizations who have tried to live on a false religion.

In this relatively new (less than fifty years old) religion of Nazism, we see the deification of a man whom many of us grew to detest, not only for his part in World War II, but because of the untold harm he did to the German people, to which 27% of our American people belong.
In a book titled THE HOLY BOOK OF ADOLPH HITLER, which is the Bible of many neo-Nazis, a writer by the name of James Larrat Battersby, from Southport, England, wrote in 1952:

"For the Germanic peoples true religion is founded in race. Thus in tracing the foundations of German religion (notice he does not say the "Christian religion") we must necessarily go back to the beginnings of the Aryan race."

A close study of the Bible, in both the Old and New Testament, will reveal that it is the history of the Adamic people, quite apart from any other race. The descendants of Adam were the original Aryans. When Jesus Christ came to this earth in the body of a man, He came with a specific purpose: "to save His people (Israel, not the Jews) from their sins." He was not sent to all the world, as most of our preachers love to tell, but in His own words He said "I am not sent but to the lost sheep of the house of Israel," (Matthew 15:24). These were Aryan people, of whom the Germanic people are an integral part.

But it is impossible to enter into the Kingdom of God following a false leader, especially one who is elevated to a position equal or above that of God. This is idolatry and blasphemy, and this is what the Nazis seek to do with a man named Adolph Hitler.

In Chapter Two of THE HOLY BOOK OF ADOLPH HITLER, we read a statement made by Houston Stewart Chamberlain, near the end of the last century: "In the want of a true religion, that has sprung from, and is compatible with their own individuality (German), I see the greatest danger for the fortune of the Teuton . . . a race so profoundly and inwardly religious is unknown in history . . . The German stands apart and waits for a god to descend once more from heaven." If the writer had used the word GOD, spelled with a capital "G", instead of the word god, I would have agreed But the error is compounded in his next sentence: "The God has indeed come down from heaven and His name is Adolph Hitler. His Spirit, eternal and triumphant, marches on and leads His disciples and followers throughout the world, in judgment and destruction, and in inspiration towards the building of the new world system." (Notice the use of the capital letters.)

This system, call it what you will - Communism, Socialism, Nazism, is nothing but TALMUDIC JUDAISM in disguise.

The writer then goes on to speak of a Hitlerian Religious Order which will take over the world when the Britanic-Jewish civilization is finally destroyed.

Now I readily admit that Britain, the United States and all of Christendom, has been taken over by World Zionism. They control all these so-called Christian countries. From my study of Scripture, I believe this World System will be destroyed when Jesus Christ returns to rule as King of Kings, and Lord of Lords! But it will not be destroyed by a leader with "feet of clay," who led the German people to the brink of disaster in World War II.

There is no doubt that I will come under vicious attack from the neo-Nazi element in this country who have made Hitler their God and who are ever using his symbols in their worship and even in their greetings. So be it! I have found them to be among the most vicious enemies, exceeded only by the Jews in their hatred of our God. Their hatred and venom will not stop me from telling the truth! My loyalty is to my God, and to my Savior, not to some dead man. I do not seek to persuade you, but as a watchman
on the walls of America, I am compelled to warn you when danger approaches and Nazism is a grave danger. What you do with this warning is strictly between you and God!

Professor Ernst Bergmann, of Leipzig University, whose work is on the "forbidden Index of the Pope," in his main work titled: A NATIONAL SOCIALIST PHILOSOPHY OF CULTURE, is a Jew who endorses Hitler belief, "in a new type of mankind being developed and religiously inspired in Germany." Hitler once said: "Man is God in the making."

Strangely enough, this heresy is in complete conformity with that of a German Jew named Ludwig Feurbach, who lived over a hundred years ago and wrote: "Man will be finally truly free, when he realizes there is no god of man, but man himself." This idea became so deeply ingrained in the diseased mind of a radical Jew named Karl Marx, that it became the bedrock upon which modern Communism was raised.

When Hitler was asked to describe the difference between National Socialism and Communism, he said: "There is none!"

Hans Kerrl, who was Reich Minister of Church and State Affairs in Germany in 1935 said: "Adolph Hitler gave us back our faith (certainly not the faith of Martin Luther). He showed us the true meaning of religion. Adolph Hitler is the true Holy Ghost." (From THE HOLY BOOK OF ADOLPH HITLER, P.13.)

Hitler once declared: "First I believe in Almighty God and I solemnly declare that God has chosen me for this task." This book then goes on to say: "Hitler's one enemy was International Jewish Finance." I will prove to you, before this article is finished, that it was the power and money of International Jewry, that put Hitler into power and caused him to lead Germany towards her destruction.

In other places in this blasphemous book if "Hitler stands on the Rock of the Redeeming Blood of his race." (There is ample evidence that his background blood was Jewish.) NOW DON'T GET MAD AND QUIT READING IF YOU DON'T AGREE. I HAVE SOME PROOF FOR THIS STATEMENT WHICH I WILL GIVE YOU SHORTLY.

Again: "Adolph Hitler was the light to lighten the Gentiles promised in the New Testament by Jesus. "THAT LIGHT WAS JESUS CHRIST, NOT ADOLPH HITLER!"

The chapter closes with this pean of praise to a man who turned his back on everything in which the German people believed: "Might is right when it is God's Might and Dominion.

All Hail to God's Holy Land, Eternal Germania, and to the greatest leader of the Aryan race. Leader of Leaders; Lord of Lords, and King of Kings, the Eternal Adolph Hitler! Heil Hitler!"

This nauseates me, since to the sincere Christian there can be only one Lord of Lords and King of Kings, and that is God's Son, our Savior Jesus Christ!

But let's spend a little time looking into the historical background of this strange man whom many worship. The information I am about to give, comes for the most part from a book written in 1954, by one of the greatest anti-Communist fighters of this Century,
A PLAN TO DESTROY GERMANY

Neitzsche, the German-Jewish higher critic said over a hundred years ago: "If Christianity is to be destroyed in Europe, Germany must first be removed from the picture." (ANTI-CHRIST, by F. W. Nietzsche, p.179, 180).

The world scourge of Communism was launched officially in the 1830's by a man named Karl Mordecai Marx, the son of a Jewish rabbi. It was his writings which promoted the German Revolution of 1848. His writings were based on TALMUDIC teachings of Judaism and were consistent with the highest ideals of Judaism. When the Russian Revolution of 1918 had become successful, the leading Jewish rabbi in the United States, Rabbi Stephen Wise of New York was asked for his opinion of Communism. His answer: "Some call it communism; I call it Judaism." Other Jewish sources such as the prestigious JEWISH CHRONICLE, stated in its April 4, 1918 edition: "... there is much in the fact of Bolshevism, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant with the finest ideals of Judaism."

THE AMERICAN HEBREW, leading Jewish newspaper in the United States, in its September 10, 1919 issue stated: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfactions, of Jewish planning, whose goal was to create a new world order. What happened in Russia, shall also, through the same Jewish mental and physical forces, become a reality over all the world." That kind of a statement is mighty hard to refute. Yet it is consonant with the statement made by Hitler that he was preparing for a New World Order.

The plans to crush Christian Germany began in Brussels, Belgium in 1909, when at a meeting of wealthy Jewish Bankers and men such as Mussolini, Lenin and Blum, plans were laid for the destruction of Germany. Lenin once said: "It is necessary to use any ruse, cunning, unlawful methods, evasion and concealment of the truth," to bring about the desired end. This is the proper application of the TALMUDIC principle "the end justifies the means!" It is TALMUDISM pure and simple!

When Hitler named his political party, he called it THE NATIONAL SOCIALIST GERMAN WORKER'S PARTY. This name in itself should show you Hitler's close tie-in with the teachings of Karl Marx. Both Socialism, Communism and Nazism have their roots in the Bible of revolutionary movements, Marx's DUS KAPITAL. While Hitler attacks Communism in his MEIN KAMPF, he adopted for his party a Marxist name.

Hitler made no bones about the fact that his movement was built-on basically Marxist principles. In his conversations with Herman Rausching, he said: "I am not only the conqueror, but also the executor of Marxism. The difference between me and the other Marxists is I put into practice what these peddlers and pin pushers began. The whole of National Socialism in based on Marxism."

While Hitler in MEIN KAMPF depicted himself as being violently anti-Jewish and anti-Communist, several of his close friends and members of his personal staff were Jews...
and there are many historians who believe he had Jewish blood flowing in his veins.

The story that lie slaughtered 6-million Jews, which has inundated this country in recent years, has proved to be a fabrication of International Judaism, not only to gain the world's sympathy, but to shovel billions of dollars into the Israeli economy. During the Nuremberg Trials, after the end of World War II, the Nazi leadership was charged with the murder of 3-million people of all races, most of whom were Slavic and German political prisoners. The International Red Cross puts the number of Jews who died in German concentration camps at less than half a million and many of these died from the results of disease and allied bombing raids. Jews died in Germany, that is true, but what most Americans do riot know, is that it was the International Jewish Bankers who paved Hitler's way into power.

The Internationalists plan to destroy Christian Germany went into high gear when Hitler came into power in 1933.

JEWS, THE POWER BEHIND THE THRONE!

In 1933, the well known and reputable Dutch publishing company of Van Holkeman and Warendorf, published a book which contained three conversations between Hitler and the International Jewish financier, Sidney Warburg.

This book was written in the form of a diary and covered interviews given by Hitler in 1929, 1931 and 1933. It clearly revealed Hitler's plan for Jewish finances in rising to power in Germany.

On page 15 of this book, we read of a decision made by the United States Government, under the direction of the Jewish Presidential Advisor to President Woodrow Wilson, Edward Mandel House, in which pressure was brought to bear on England and France, to leave Germany alone, so she could become solvent and protect the investments of the International Bankers.

On page 18, we learn that in a secret meeting of important International Jewish Bankers, a plan was made to pressure France by inspiring in her the fear of a Communist revolution in Germany. It was agreed that a Nationalist Revolution would be the best for the bankers interests, rather than a Communist takeover.

Sidney Warburg, of the New York firm of Kuhn, Loeb and Co., was chosen to go to Germany as a representative of the Internationalists and take charge of the negotiations. lie held several series of meetings with Nazi representatives in Munich, where it was agreed that an initial sum of $10-mi lovn would be paid to Hitler's intermediary, a man named Von Frey. The bank of Mendelsohn and Co., was to issue ten single checks of $1-million each, endorsed in favor of members of Hitler's trusted staff.

Hitler notified Warburg that the bankers would need to create distrust among the German people by increasing unemployment. Which they immediately did.

On page 43, of this book, iii the copy of a letter penned by Hitler himself to his Wall Street promoters on October 29, 1929, in which he said: "Our movement is growing
rapidly . . . I have spent the sum given to me for the upbuilding of my party and I must find new revenue within a reasonable period." (This letter was datelined in Germany, but mailed in the United States, so it probably was carried by a courier.)

At a hasty conference of International Bankers in New York, attended by Montagne, Norman, Rockefeller, Carter and McDean, it was agreed to send Hitler $15-million more. Warburg was once again sent to Munich to handle the details. He told the German people that they were not yet mature enough for a democracy and that a nationalist movement was what they needed. He was not at all uneasy about Hitler's Jew baiting, since Hitler had told him that the Nazis aimed only at Galacian Jews.

While it may seem strange to many to see a Jewish banker lining up with an anti-Semite like Hitler, it is not strange if you read Protocol No. IX, of the controversial PROTOCOLS OF THE LEARNED ELDERS OF ZION. (Whether they are a forgery or not makes no difference, since they are obviously being followed by World Jewry.) It says: "Now days if any state raise a protest against us it is only pro forma (provided in advance) at our discretion and by our direction, for their anti-Semitism is indispensable to us for the management of our lesser brethren."

In other words, the International Jewish leaders promote anti-Semitism to keep the "little Jews in fear and thus in line."

At this time, the International Zionists were anxious for an European War, through which they could enforce the Balfour Treaty and gain control of Palestine.

The final financial arrangements for aid to Hitler came through the Jewish bank of Mendelsohn and Company in Amsterdam. In 1933, they advanced Hitler another $7-million.

When this Warburg Manuscript was published, there was an immediate drive underway to put into effect a ban of the book. This was carried out by world Jewry and the German Secret Police. Many publishers, out of fear, recalled as many copies as they could.

The only mention of this book in America appeared in a short item in the NEW YORK TIMES, November 24,1933, page 14, column 2, in which Felix Warburg, of the' New York Warburgs, charged the editor of the TIMES with perpetrating a hoax. He stated that the Sidney Warburg mentioned in the manuscript was not his son Sidney and that he was not a member of International Jewry. (Strange that they would pick one not of themselves for this sensitive mission.) It is also strange indeed, when you consider that both International Jewish and Nazis sources sought to suppress the report.

The Swiss magazine DER SPERBER, published an account of this manuscript in 1936 in Zurich, which carried a detailed report of the facts contained in this outlawed book. It also circulated a book titled SPANISCHER SOMMER, which showed how the International Jews and Bankers had paved Hitler's way in-to power.

HITLER'S RISE TO POWER
Hitler began his rise to power in 1919, but he had a long and stormy road ahead, until he became Chancellor of Germany in 1933. During this time, he expended a tremendous amount of money, most of it coming from non-German sources, although many wealthy German ladies, intrigued by the little mustached man, sent him their family jewels.

It is also rather interesting to note that Hitler sold his idea of anti-Semitism through the help of very powerful and wealthy Jews. Some of these Jews used the excuse that they financed Hitler so that they could control him, but it is a known fact, that they made billions of dollars profit by financing both sides in World War II, just as they did in World War I. The Jews who financed Hitler are as much to blame for any Jewish deaths in Germany, as the German people, yet we never hear anything about this in the constant wailing over the so-called Holocaust.

Most of the men who knew about these transactions between Hitler and the Zionists, met with untimely deaths. Many pages could be written on evidence surrounding their murder and how it was tied to the Inter-nationalists. One of the most prominent of these was Dolfuss, Chancellor of Austria. He was assaulted in his office by a band of Nazi thugs, who wounded him mortally and then left him to bleed to death.

Fritz Thyseen, writing in a book titled I PAID HITLER! described the Dolfuss murder and said the reason the Chancellor was killed was that he had received a copy of the Warburg document and one exposing Hitler's Jewish ancestry. (This story had been in public circulation for a long time before this.)

**HITLER'S JEWISH ANCESTRY!**

Hitler's grandmother, whose name was Schickelgruber, had been seduced by a Jew named Frankenberger, in whose home she worked as a maid in (Vienna. This was general public knowledge. But Dolfuss had prepared a document on this fact, which he threatened to make public along with the Dutch manuscript showing Jewish aid. For this he had to go. Today a copy of the Dutch manuscript, along with the genealogical chart of Hitler's ancestry, is in possession of the British Secret Service, but is hidden from view by Jewish power exerted over the British Government.

If it is true that Hitler was of Jewish blood and that Frankenberger was his grandfather, this may account in part for Hitler's rise to power over Germany, which resulted in the killing of more than 9-million white Christians.

To those of you who revere Hitler and have read this far, be honest enough to ask yourself this simple question "Why did Hitler keep the war going when he knew Germany was defeated and it would only result in hundreds of thousands of German casualties?" "Why was it that during the conduct of the war, oil many occasions, he refused to accept the advice of his top admirals and generals on how to conduct the war?" "Why was it in North Africa, when General Rommel had the Americans and British forces in retreat, that Hitler refused to send Rommel the supplies he needed to complete a victorious campaign?"

If Hitler was an anti-Communist as some of you claim, why did he allow the top Communist propagandist to attend the Reichstag Fire Trial in 1933, where he was
allowed to harangue the German people in favor of Communism. Why was this man allowed a safe return to Russia?

During this period, German nationals were being shot down in cold blood in Germany's streets for the smallest misdemeanor against the Nazis. But here we have a powerful Communist allowed to publicize communism and get away with it. It doesn't make very much sense to tire. This man, Dimitroff, later became the President of the Communist World International, so he was no "small-fry."

But back to Adolph's Jewish blood. When the Jewish press learned of Hitler's Jewish blood they claimed to be embarrassed, although I rather doubt they claimed to be given him ft o this aid and it is most unusual for a Jew to make a loan until he knows everything possible about the man to whom he gives the bait. One reason Hitler never married can be found in a statement taken from the Office of Strategic Services Report (1943), p. 2226, where he said: "The off-spring of the genius have great difficulties in life. Everyone expects them to have the same ability as their famous parent. But that seldom happens. Besides they would all be feeble minded."

This was the man that some people revere today and almost worship. A mart who was a failure in life and brought death to his people.

**TREASON AGAINST GERMANY!**

From 1933 to 1938 Hitler turned from being a creature of the generals and International Jews, into a radical totalitarian dictator. Many of those who were close to him were dismayed by what they saw. These were "dyed in the wool" German patriots who loved their country with a passionate love. They were true Germans who felt it necessary to stop the madman which was destroying the country they loved. Nearly every one of them that broke with Hitler met a terrible death. Admiral Canaris was slowly strangled to death; General Rommel, the Desert Fox of North Africa was forced to commit suicide; Field Marshall Von Sitzleiden was killed and his body was exhibited hanging from a meat hook. It was no coincidence that Hitler used these sadistic means, since they were the same means used by Communism and came straight from a Judaist Talmudic background.

There were at least seven assassination plots against Hitler by top ranking officers in the German army in 1943 alone. These men realized that Hitler was a "Judas goat" who was leading them to destruction.

The facts surrounding these plots have been revealed by British historians after a careful study of captured documents. While some say that Hitler's escapes were acts of God, I personally believe as Goff did, that he was a Satanist and under the protection of that evil one. The Bible tells us, "by their fruit shall ye know them," and Hitler's fruit certainly was not the "fruit of the Spirit," spoken of in Galatians 5:22, 23.

From the moment of his rise to power, Hitler used every means at his disposal to drive Germany into war. As his forces conquered country after country, it was Hitler's direct orders which caused such a hatred of Germany among the conquered people.
But Germany must die! This was the word from the "puppet masters" who even then pulled the strings which governed this strange man.

It was Hitler's stupidity that gave the Soviets 70,000 square miles of Polish territory without a fight. By 1940, with German help, the little countries of Lithuania, Latvia and Estonia were safely in the Soviet fold. Then Rumania, Northern Bukovania, and portions of Bessarabia fell to the communists.

When the German armies moved into Poland it gave the Communists the opportunity to do the same from the east and allowed the Soviets to wipe out the cream of the Polish Army Officers Corps at Katyn Forest. This atrocity was used by the communists to further hatred against Germany, who in this case was not guilty. It might be interesting to note here, that while both Germany and Russia invaded Poland, England and France only found Germany guilty.

Stalin admitted they were using the Germans, saying: "We shall assist the Germans in an European War so that they can offer prolonged resistance to the British and French, and in this way exhaust the Capitalist nations. In this way we will control the decision."

Then on May 24, 1940 the German Army was in a position to defeat the British at Dunkirk and very possibly end the war. It was then that Hitler gave his famous order that the left wing of the German assault be halted. Gen. Heinz Guderin in his book THE PANZER LEADER, said that when this command came, the German military leaders were utterly speechless. It went against everything the military stood for. Yet they obeyed and the British were able to make it back to their island fortress. Here we see Hitler, with one command, destroy everything the German Army had accomplished by their blood, sweat and tears.

Dr. Walter Dornberg, German expert on the development of the flying bombs and the brains behind the V-1 and V-2, stated that Hitler could have won the war in early 1944, but he held back on development of this new and terrifying means of waging war.

Then to make things even worse, with Britain in his grasp, he turned away and attacked his ally, Russia. Many military experts have tried to figure out the thinking of this devious man. Had he become so drunk with power that he decided lie could conquer the world? Or was their a deeper purpose behind it? He was never on the battlefront, so did not have to face the hardships of his people. While they were suffering and dying, he was living in sybarite splendor in Berlin. It was at this time that the British Government, followed by the United States, came to the aid of the Communist forces. They were able to draw the elite of the German forces into a conflict in which their supply lines were hundreds of miles long. It also allowed Stalin to know who was the hidden enemy in his country and hundreds and thousands of those who fought with the Germans were later liquidated.

With the defeat of the Germans in Russia, the Communists were able to tighten their control over all of central Europe. Then on April 24, 1945, American forces under General George Patton were lined up along the Elbe River, in some places less than 14 miles from Berlin, when the order came through General of the Armies, Dwight Eisenhower that they were to withdraw and await the appearance of the Russian forces in Berlin.

Then came the end on April 30, 1945, the London Daily Times ran a headline which
said: HITLER ON BRINK OF DEATH WITH CEREBRAL HEMORRHAGE! The following day, General Kukhov and the Russian Army entered Berlin.

On the afternoon of May 1, 1945, the Hamburg radio suddenly stopped its program to announce that the Fuhrer had died "fighting to his last breath against the enemy." Admiral Doenitz, was put in command of the German forces.

The great German specialist, Dr. Giensing who had examined Hitler on many occasions said that it was impossible that Hitler had died from a cerebral hemorrhage or from cancer as reported.

Then on May 8, seven days after the Russians had entered Berlin, it was stated that the charred remains of Hitler and three of his companions, including his paramour Eva Braun, had been found in the burned out rubble of the Chancellor's bunker. No pictures were ever taken of his body. No concrete evidence was ever given that the body was his. There are many contradictory stories about what happened in that bunker. Whether he escaped or not, is not the important thing. His task had been accomplished. Germany lay in ruins; 3-million of Germany's best young men were dead; over 550,000 civilians had died and 2.6-million German homes were in ruins. Germany was set back a quarter of a century and the country was divided. Not only that, but the people of West Germany have been in slavery to International Judaism ever since and have paid over $35-billion in war reparations to those who were supposed to have escaped the Nazi Concentration camps. Then the twilight of civilization descended on Europe and over a billion people and ½ of the world's surface came under the savage control of the anti-Christs of Communism.

WAS HITLER ONE WORTHY OF HONOR?

In the book HITLER SPEAKS, we find Hitler making this speech to Hermann Goering: "Religions are all alike, no matter what they call themselves. They have no future - certainly none in Germany. Fascism if it likes may come to terms with the Church, and so shall we. Why not? They will not prevent me from tearing up Christianity root and branch and annihilating it from Germany... A German church, a German Christianity is a distortion. One is either German or Christian. You cannot be both. You can throw the epileptic Paul out of Christianity, as others have done before us. You can make Christ into a noble human being and deny His divinity and His role as Savior. People have been doing it for centuries. We need free men who feel and know that God is in themselves," "Professing themselves to be wise; they became fools," this same Paul said in Romans 1:22.

So today, we see the adherents of Hitler and others in these United States, as they seek to tear down the value of our Christian civilization and replace it with the heathen cult of Hitler worship, Odinism, or CREATIVE CHRISTIANITY. They have completely forgotten the One who said: "I am come that they (His people) might have life, and have it more abundantly." (John 10:10).

In Ben Klassens RACIAL LOYALTY, July 1985, page 5, he writes: "What saved them (the Jews) was the zeal and dedication of Saul of Tarsus (the Christians Apostle Paul) in spreading the poisonous new creed of Christianity among the Gentiles, a creed
originating among a small Jewish sect and riot attracting any particular attention, especially among the mainstream of the Jews. In fact, Saul recognized its suicidal nature, at first persecuting this sect, since he did not want the Jews to become infected with it. Then he got the idea of feeding it to the Romans his was the most fatal and significant turning point in the history of the White Race.

This patriotic Jew named Paul or Saul, conceived the idea of humbling the Romans power by destroying the morale of its soldiery with the Christian doctrine of love and non-resistance, as preached by the little sect of Jewish Christians. He became the Apostle to the Gentiles. And so well did Paul do his work that within four centuries the great empire which had subjugated Palestine along with half the world, was in ruins,

There in essence you have the evaluation of these modern Nazi "freethinkers" regarding Christianity. Now you do not have to be especially brilliant to see through this "literary garbage." Rome was destroyed from within, not by the tenets of Christianity, but by Jewish ideals and Jewish economic practices, which have destroyed many another civilization. The idea of "inter-marriage"; the sympathy towards homosexuality; all signs of the decay which is brought about when men and women get away from God and try and go it with a human god.

Klassen spreads more of his intellectual poison, as he says: "The Jew with his abominable Christian creed has scrambled the brains of the White Man with his "spooks-in-the-sky" swindle. He has confused, crippled and divided the native spirit to where we are stymied, paralyzed and stand naked and defenseless before our enemies . . . . It is high time the White Race rises to a man, plucks this abominable Jewish clog (Christianity) from our craw and throws it back into their faces. It is high time we adopt a religion of our own." (Klassens CREATIVITY, of course.)

To follow this religion and these false prophets, is to see freedom die. Who is our worst enemy? A man like Klassen, or one like Hitler? and are they any less dangerous than our natural enemy, the International Jew?

The best explanation of what is happening comes from a NORTHPOINT bulletin, written by Nord Davis on May 13, 1985. He says: "There is a serious hidden agenda in the formation of the American Nazi Movement. Their leaders know what they are doing and they are doing it with precision. So effective are they with so few people, one might wonder if there were no neo-Nazi groups around, the Jewish Anti-Defamation League would have to create them. Without a discredited enemy to point to, the ADL would have no cause to exist. Revolutionary totalitarian socialists (no matter what they are called) have a tactical program which is carried throughout all their propaganda, from the writing of Karl Marx and those of the socialist Hitler in MEIN KAMPE and that thread is this: Any program (Thesis) must go into direct conflict with the opposing program (called anti-thesis), this will force or produce the desired political or social changes called (synthesis). No desired change can come about without this direct confrontation. If there is no immediate anti-thesis available, one must be created, financed and agents recruited into it." Informed Christian Patriots must not allow themselves to be trapped or unwittingly recruited into such a program, since many of them are financed by un-American, un-Christian interests.

There you have the problem in a nutshell. You can always judge a man or his program by the solutions he suggests. "By their fruits shall you know them." So "if they look like a duck, have feathers like a duck, waddle like a duck and run around with other ducks;
you are pretty sure you are looking at a duck!" When you listen to a speaker at a patriotic meeting, evaluate him on the basis of the Word of God. Read between the lines; don't get carried away with his rhetoric, just because he uses patriot terminology and quotes Scripture. Satan was pretty good at doing that too.

We must be wise as serpents and harmless as doves, the good Book says. I believe the old adage says it pretty well: "Walk softly, but carry a big stick." I have found from long experience in dealing with men - training young men in three wars and fighting beside them in two, that it is not always the "loud mouth" whom you can trust. Many times when the "lead begins to fly, the loud mouth is mighty hard to find." Just because a man loves to run around in a camouflage suit, with a big gun on his hip or over his shoulder, doesn't mean that he's a patriot. Just because he loves to make threatening sounds towards minority people and Jews, doesn't mean that he's pro-Christian and pro-American. We are in a battle to the finish against the very forces of Hell itself. We need to be prepared. But we need to go about it in a Christian way. I didn't say, "Let them slap your face," Jesus never said that. He did say: "When a strong man armed keepeth his palaces, his goods are at peace." THINK ABOUT THIS.

If I have made you mad, maybe it's a good thing. You wouldn't be angry unless your conscience was bothering you. Maybe you need to re-evaluate your basis thinking and see whether you are really pro-American, or have you been taken in by a heathen cult?

The End
The Inside Story of International Judaism!

(A brief summary of Dr. Benjamin Freedman's book FACTS ARE FACTS. Must reading for every concerned Christian.)

By Brig. Gen. Jack Mohr

"And ye shall know The Truth, and the truth shall make you free." - John 8:32

Many Christians are utterly confused by what is happening in the world today. Much of this confusion is coming from the pulpits, where many pastors have departed from preaching the "whole counsel of the Word of God," and have been led astray in their seminaries and Bible Schools, to depend on the teachings of men such as Dr. Schofield and others.

There is probably no area where this is more evident than in modern church teaching regarding a people we today call "Jews" and who have been held up to most Christians, as being the "Chosen People of God, the People of the Book."

An honest study of the teachings of Judaism, and especially their holy book The Babylonian Talmud will reveal that they are the most deadly enemies of God, His Christ, and the Christian church. They have advanced far in their plan to destroy Christian civilization and the freedom it has brought to the world, because of their aid from the Christian church.

If Christianity is to survive; if freedom is to be retained, it will only come about when God's true Israel people, the Anglo-Saxon and related people's of the world, the nations we sometimes refer to as Christendom, the true seed of Abraham, wake up to the truth of what is happening and do something to stop it.

This booklet was not written to make you hate the Jews. It was prayerfully prepared, under the direction of the Holy Spirit, to show you the truth. I will not attempt to change your mind about the Jews; that is not my task. I am a "watchman on the walls of Israel-America." My task is to warn you of dangers we face. What you do with this warning will be between you and God. Some day you will be required to answer for what you learn in this booklet. There will be no excuses then'. So if you want the truth - READ ON! If you are afraid to know the truth, stop reading right now, for you are going to be tremendously disturbed!

The historical facts revealed in this booklet provide incontestible proofs that their continued suppression will be harmful to the security of America, the peace of the world, the welfare of humanity, the progress of Civilization and the cause of Jesus Christ and His Coming Kingdom.

Most of the information you read will not come from the author, but from an original source, a Jew, who during his lifetime, spent a personal fortune of over $2-million to bring these frightening facts to the attention of the American people. this man was not a Jewish American, whose loyalty was to the "bastard state of the Israeli" in Palestine. He was an American Jew, who had been converted to Christianity and who loved Jesus Christ and the United States of America. Laboring under almost unbelievable odds, hated by his own people, vilified by Christians who should have known better, Dr. Benjamin Freedman literally "burned himself out", materially and physically, to warn Christians and this nation of the danger posed by his own people, the Jews.

In October 1954, from his office on Park Avenue, New York City, Dr. Freedman wrote a long letter to Dr. David Goldstein, a Jew who had been converted to Catholicism, but who by his writings and speeches, was for all intents and purposes, still a Jew. This letter was printed in a small book titled FACTS ARE FACTS. Very few Christians have ever read it.

Because of its length, and much repetition, I have picked out the high points of this unusual book. I ask that as you read, pray that the Holy Spirit will enlighten you to the truth it contains. Then armed
with these truths, go out in God's strength, to do battle with those who would destroy everything you say you love as a Christian.

As you read, keep in mind Galatians 4:16 - "Am! to become your enemy, because I tell you the truth?"

After a rather lengthy introduction, in which he explains the purpose of his letter to Dr. Goldstein, Dr. Freedman gets into the meat of his message.

You assuredly subscribe to that sound and sensible sentiment, that "it is better to light one candle, than to sit in the darkness." There have been many instances where I have failed over the past thirty years. I still live in hope that one day, one of these candles will burst into flame like a long smouldering spark and start a conflagration that will sweep across this nation like a prairie fire and illuminate vast new horizons for the first time.

It has been correctly contended for thousands of years, that in the end, truth will always prevail. We realize that truth in action can prove itself a dynamic force of unlimited power. But Truth has no self-starter. Truth cannot get off dead-center unless a worthy apostle of Truth gives it a little push to over-come inertia. Without that start, Truth will stand still or often "die aborning."

On the other hand, Truth has many times been "blackened out" by repeated contradictory and con-

Top of pg 4 - missing line

World's history supplies many sober testimonies to this truth. This form of Treason to Truth is treachery to mankind.

Many of history. most noted characters have misrepresented Truth to the world. As recently as 1492, the world was misrepresented as being flat, by all the best authorities. When Christopher Columbus demonstrated otherwise, he came in for all sorts of criticism. There have been countless other similar incidents.

Whether these authorities were guilty of ignorance, or indifference is beside the point. A duplication of this exists today with respect to the crisis which confronts Christianity. We are living in the "Zero Hour" for the Christian faith. No institution in modern society can long survive if its structure is not erected on the foundation of Truth. The Christian faith began on the solid foundation of its Founder. To survive, it must remain on that foundation. The deterioration, disintegration, and final destruction of Christian faith, will be accelerated in direct ratio to the distortion and misrepresentation which is allowed to become the substitute for Truth. Truth is absolute! It can never be relative! Truth either exists, or it does not! There can be no degrees of Truth! To be half-true, is as incredible as to be half-honest, or half-loyal!

In their attempts to do an "ounce" of good in one direction, many well-intentioned Persons have done a "ton" of harm in the other. (He then goes on to mention how Dr. Goldstein had devoted his life to conversion of so called Jews - ED.) He continues:

For every ounce of good you accomplish through the conversion of a self-styled Jew (Rev. 2:9) to the Christian faith, you do a ton of harm in another direction.

Regardless of what anyone, anywhere and anytime may say, events of recent years everywhere have established beyond the question of doubt that the Christian faith stands with one foot in the grave and the other on a banana peel, figuratively speaking. (Consider this. Christian polls place the number of "born again" Christians in America at over 45-million, this number grows every day due to the unceasing efforts of evangelical and fundamental group. This is good. But where is this Christian influence in America? As the number of "born again" people has increased, Christian influence has decreased. Crime, corruption and evil of every type has taken a stranglehold on America. Could it be that these Christians have become "the salt which has lost its savor - its ability to act as salt?" The major property of salt is to hold back corruption. Why have Christians failed in their efforts. Why is the Moral Majority making such little headway against all types of evil? Could
it be that they have refused to strike at the root of the problem, because it is a Jewish root? Could it be that many of these Christians are fulfilling the words of Isaiah 29:13 - "... this people draw near me with their mouth, and with their lips do honour me, but they have removed their heart far from me, and their fear towards me is taught by the precept of men." - ED.)

The Christian faith stands at the crossroads of its destiny. The Divine and sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its 2,000 year history.

If the day ever arrives that Christians can no longer profess their Christian faith, (This time has already come in Communist countries ED.) as they profess it in the Free World, then it will see the beginning of its last days.

It is useless to deny that today the Christian faith is on the defensive throughout the world. This realization stagger the imagination of those of us who understand the situation.

The history of the world for the past several centuries and current events at home and abroad, confirm the existence of a conspiracy to destroy Christian Civilization. The world-wide plot of these diabolical conspirators has been implemented while most Christians have been asleep. The Christian clergy seem to be more ignorant and indifferent to this plot than other Christians. They seem to bury their heads in the sands of indifference and ignorance like the legendary ostrich. This ignorance and indifference has dealt a severe blow to the Christian faith, from which it may never recover.

Christians need a spiritual Paul Revere to ride across this land, warning that their enemies are closing in on them. (This is what I have been attempting to do - ED.)

**WHO ARE THESE ENEMIES?**

It is important that we pin-point the enemies who are making war on the Christian faith. The souls of millions of Christians are uneasy about the state of the Christian faith today. The minds of thousands of Christian clergy are troubled about the mysterious pressures from above which often prevent them from exercising sound judgment in this situation. If these forces can be identified and stopped, Christianity will stand on its feet, facing its enemies like the Rock of Gibraltar. But unless something is done soon, the faith of many will begin to crumble. (We already see evidence of this. - ED.)

The Christian clergy are primarily, if not solely responsible for the internal forces within the Christian faith, which are fighting against its best interests. We can no longer pussy-foot with the truth, because we find that it hurts someone we know or like.

At this late hour, there is very little time left to mend our fences. "Beating around the bush," will get us nowhere. The courageous alone will endure the present crisis. Both figuratively and literally, there will be live heroes and dead cowards when the dust of this secular conflict settles. The Christian faith is the only anchor to windward, against universal barbarism. The enemies of Christianity have already shown us the savage methods they will adopt if they are victorious.

The confusion of the average Christian comes from the action of the clergy. Confusion creates doubt! Doubt brings loss of confidence! Loss of confidence brings loss of interest!

There need be no confusion in the minds of Christians concerning the fundamentals of the faith. It would not exist if the clergy were not "aiding and abetting" their own worst enemies. Many clergymen are their allies, without realizing it, while others have become deliberate "male prostitutes" to their cause.

Countless Christians are today standing on the sidelines of this struggle, watching as their faith "withers on the vine," and their freedom is about to drop into the laps of their enemies like overripe
fruit. Their cup becomes more bitter, when they realize that it is the ignorance and indifference of their leaders which is causing the problem. (When I first began to see what is happening, I spent several hundred hours of research on the problem. When I thought I had enough information to speak intelligently, about it, I went to my pastor, expecting him to at least read the material I had so painstakingly assembled. But as he glanced at it and saw that it was not complimentary to the Jews, he threw it into the wastebasket and pronounced me an apostate. When I asked him to look with me in the Bible, his retort was an angry: "I already know what the Bible says." How can you do anything constructive with a man like that - ED.)

When Christians see their leaders in retreat, which can only bring defeat, they are confused and afraid, To stop this surrender, the clergy MUST make an about face immediately and take a stand against the invisible and intangible ideological war which is subversively being waged against the Christian faith.

The utterance by the clergy which confuses Christians the most, is constantly repeated from the pulpit and on the written page, this is that "Jesus was a Jew!!" This is not only a misrepresentation, but a distortion of incontestible historic facts. Yet it is uttered by the clergy on the slightest pretext. They utter it without provocation. They appear to be "trigger happy" to utter it! They never miss an opportunity to proclaim it to their congregations.

But informed, intelligent Christians, who know' the facts of Scripture and history, cannot reconcile this misinformation with incontestible facts.

The only way the clergy can get out of this mess they have brought on themselves, is to resort to "telling the truth, the whole truth, and nothing but the truth." This is the only formula which will allow them to regain the full confidence of their flocks.

Without fear of contradiction based on fact, the most competent, and best qualified authorities today, will have to admit that Jesus was not a self-styled Jew". During His lifetime, He was known as a JUDEAN, by His contemporaries, HE WAS NEVER CALLED A JEW!!!

When Jesus was crucified, the Roman Governor Pontius Pilate, had an inscription placed on the cross. It was written in Latin, IEUS NAZARENOUS REX IUDERUM. Since Latin was Pilate's mother tongue, he was able to express his ideas in this language. Authorities competent to translate from Latin to English agree that this inscription said: JESUS THE NAZARENE RULER OF THE JUDEANS! Then why have our Bible translators, almost to a man, translated this to read: JESUS THE NAZARENE, KING OF THE JEWS?

There is little doubt that Pilate was being sarcastic when he put this inscription on the cross. He was mocking the Pharisees, whom he hated, knowing that they had denounced Jesus, defamed Him; that He had been denied by the majority of the Judeans and that they had insisted on His crucifixion.

Except for a few of His followers, all Judeans detested His teachings. The Gospel of Matthew 27:25 says that when Pilate washed his hands of the blood of Jesus - "Then answered ALL the people, and said, His blood be on us and on our children."

(Let yor pastor argue about that verse.) With the exception of the traitor Judas, none of His disciples were JUDEANS, they were all from Nazareth, in the Israel nation. Jesus said of Judas, that he was a "devil", (John 6:70 - compare with John 8:44 - ED.)

When Pontius Pilate was governor of Judea, there was no racial, religious, or political group, anywhere in the world which was known as "Jews."

(Then follows ten pages of evidence, proving to the most biased mind that Jesus was never called a Jew, since the word was not used in the English language until 1775.) Shakespeare, in his MERCHANT OF VENICE, did not use the word "Jew", instead he said: "what is reason? I am an IEWE; hath not an IEWE eyes?" This was the English word for JUDEAN.

In the 4th Century Latin Vulgate translation of the New Testament, Jesus was referred to by the Genitive Plural IUDEAEUS. In the Rheims Douai Version, the word "Jew" does not appear. In the
original King James 1611 Version the word JUDEAN, was used. (In John 4:22, where Jesus spoke with the woman at the well of Samaria, the words in the present King James Version make little or no sense: "for salvation is of the Jews." What intelligent Christian would believe that salvation came through any nation, or religion? We know this is untrue. But in the original 1611 Version of the King James Bible this verse reads: "But salvation cometh out of Judea." This makes sense, for this is where Jesus came from and it was, foretold in prophecy - ED.)

When the word JEW was first introduced into the English language, its only meaning by implication, inference or innuendo was JUDEAN. But during the 18th and 20th Centuries, a well organized, well-financed international pressure group of Jews created a "secondary meaning" for the word, among English speaking peoples. This secondary meaning has no more relationship to the word JEW as used in the 18th century, than the original meaning of the word CAMEL, an animal, has to CAMEL, a cigarette; or IVORY, a tusk of an animal, bears to IVORY a type of soap.

The generally accepted secondary meaning of JEW today is made up of four almost universal theories.

(1) JEW - a person who today believes in a form of religion known as Judaism;

(2) JEW - a person who claims to belong to a racial group associated with ancient Semites;

(3) JEW - a person who is directly descended from the patriarch Abraham; and,

(4) JEW a person blessed by Divine intentional design with certain superior cultural characteristics denied to other racial, religious and national groups.

The acceptance of this "secondary" meaning is what has confused most Christians. More and more of them are beginning to realize that they have been "brainwashed" into believing such phrases that JESUS WAS A JEW! AND JUDEO-CHRISTIAN, to the point where it now approaches psychosis.

The time has come when our clergy better wake up and tell their people the truth. They may not yet feel the resentment of their people, because of their untruths, but that time will come and it will be a bitter pill for these so-called "men of God" to swallow".

More and more intelligent, informed Christians, who have been studying the Bible and history for themselves, are challenging the assertion that Jesus was a member of a religious group in Judea who practiced Pharisaism, or Judaism. They also know that the people who now call themselves JEWS, are not the people of the Book - not the descendants of Abraham.

The resentment of the people at the "lack of guts" in the clergy to tell the truth is deepening. (I predict a day soon, when the clergy will be held accountable by their people, for their treason against God, their race and their country - ED.) As this condition expands, the clergy will find to their sorrow', that "ignorance is not bliss," neither is "wisdom folly."

(As Christians learn how self-styled JEWS have spent millions of dollars to manufacture the "Jewish myth" for Christian consumption and that they have done this both for economic and political advantage, you will see a tremendous explosion against the Jew's. Right thinking Jewish leaders are worried about this, since they see it coming. The unfortunate thing is that many of the "little Jews," the ones you and I rub shoulders with in everyday life, the man who owns the corner delicatessen store, most of who know little about what is happening at International level, these are the ones w"ho are always hurt the worst - ED.)

(To say that Christianity and Judaism have the same roots is nothing but outright blasphemy - ED.) Jesus abhorred and denounced the form of religion practiced in Judea in His day. His pet peeve was with the Pharisees, who were the exponents of Judaism. Most Christian ministers learn this during their seminary days, but few ever tell this to their people.
The eminent Jew, Rabbi Louis Finklestein, head of the Jewish Theological Seminary of America, often referred to as "THE VATICAN OF JUDAISM", in the foreword to his First Edition of THE PHARISEES, THE SOCIAL BACKGROUND OF THEIR FAITH, page 21, says: "...Judaism...Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes in name, the spirit of the ancient Pharisees survives, unaltered. From Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain, France and Germany; from these to Poland, Russia and Eastern Europe generally, ancient Pharaism has wandered...this demonstrates the enduring importance which is attached to Pharaism as a religious movement."

(These were the same men to whom our Lord said: Matthew 23:15 - "...ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves." ED.)

Rabbi Adolph Moses, states in his book YAHUISM, AND OTHER DISCOURSES, page 1 - "The term Judaism coined by Josephus (a eminent Jewish historian of the first century A.D. - ED), remained absolutely unknown to them (Jews)...it was only in comparatively recent times, after the Jews became familiar with modern Christian literature, that they began to name their religion Judaism." (It was also during this time, that the heresy of Judeo-Christianity was coined - ED.)

The religion of Pharassism practiced in Judea during the time of Jesus was a religious practice based exclusively on the Talmud. (It was not based on Mosaic law, as most Christians believe. Our Lord told us this when he criticized the Pharisees in John 5:46, saying to them: "For had ye believed Moses, ye would have believed me; for he wrote of me." The TALMUD today virtually exercises totalitarian control over the lives of every so-called Jew, whether they are aware of it or not. Jewish authorities extend their control far beyond that of spiritual matters.

The role the TALMUD plays in Judaism is officially stated by Rabbi Morris N. Keitzer, the Director of Interreligious Activities of North American Jewish Commission. In an article in LOOK magazine, June 17, 1952, he states: "The TALMUD consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis."

WHAT IS THE TALMUD?

In his book HISTORY OF THE TALMUD, Michael Redkinson states on page 70 - "Here is the source from whence Jesus of Nazareth drew' the teachings which enabled him to revolutionize the world." (This of course is an old Jewish trick, to call Jesus a "revolutionary." It leads us to this question - "Do we as Christians know' what the TALMUD teaches?" Could this be what Jesus alluded to in Matthew 15:6 when He said - "Thus have ye (the Pharisees) made the commandments of God of none effect by your traditions," and a second witness given in Mark 7:8 "Howbeit in vain do they (the Pharisees) worship me (God), teaching for doctrines the commandments of men. For laying aside the commandments of God, ye bold to the traditions of men." - ED.)

Stimulated by this statement from an eminent Jewish rabbi, every Christian, especially every pastor, should take time to investigate whether this is true. Ask yourself: "What do I know about the TALMUD?"

From the birth of Jesus to the present, there has never been recorded a more vicious, vile and libelous blasphemy against Jesus and Christians, than you will find in the pages of these 63 volumes. The TALMUD reviles Christ and Christians in unbelievably foul, obscene, indecent, lewd and vile language. (Please excuse their use in this article. They are all direct quotes from the TALMUD.)
In 1935, the first International hierarchy of so-called Jew's, for the first time in history published an official, unabridged English translation of the whole TALMUD. It was probably done because many of the younger Jews could not read Hebrew, the language in which it was written.

This translation was known as the SONCINO EDITION of the TALMUD and it immediately became a "two-edged sword". For while it taught millions of younger Jews, the teachings of Judaism, it also enabled Christians, for the first time, to learn what the TALMUD actually taught about their Founder and their religion.

(Here Dr. Freedman makes numerous quotes from the TALMUD. I will only give a few and I ask you to pardon the language used. It is not mine, but comes directly from this Jewish hook. It is from this veritable "sewer of filth" that so-called Jews are taught and which their leaders have "brainwashed" Christians into believing that the teachings of Christianity come - ED.)

In the Volume SANHEDRIN, 55b - "A maiden three years and a day may be acquired in marriage by coitus (sexual intercourse) and if her deceased husband's brother cohabits with her, she becomes his. The penalty of adultery may be incurred through her; if she defiles him with whom she has connection, so that he in turn defiles that upon which he lies. As a garment which has been laid upon by a person afflicted with gonorrhea."

SANHEDRIN 69b - "If a woman sported lewdly with her young son (a minor), and he committed the first stage of cohabitation with her, would this render her unfit for the priesthood?" Rabbi Beth Hillel declares in answer: "the connection by a boy of nine years and a day is a real connection; while that of a boy of less than eight years is not." (While the Levitical law states that a woman who becomes a harlot may not marry into the priesthood, Rabbi Hillel says that if the son was eight or under, he is not yet a man and as a result it does not so disqualify her.)

YEBAMOUTH, 63a - "What is meant by the Scriptural text: 'This is now bone of my bone, and flesh of my flesh?' " (Genesis 2:23) Rabbi Eleazer says: "This teaches that Adam had intercourse with every beast and animal in the Garden of Eden, but found no satisfaction until he cohabited with Eve." (This I believe is enough of this filth, which can be found in thousands of TALMUDIC passages, to give you a general idea of its vileness - ED.)

To the average Christian, the word TALMUD has no meaning, or if it does, it is associated with the Bible of Judaism. (Very few' Christians have ever seen the TALMUD, much less read it, because this foul book pronounces a death penalty on any "goyim" (non-Jew) who reads it and any Jew who helps him obtain access to it - ED.) Many Christians seem to think that the TALMUD is some sort of a Jewish spiritual manual.

How many Christians know the significance of the KOL NIDRE (All Vow's) prayer, which is recited by so-called Jews on the Day of Atonement?

In Volume VIII of the Jewish Encyclopaedia, found in the Library of Congress, the New York Public Library and other large libraries, will be found the official translation into English of the KOL NIDRE. It is a prologue to the Day of Atonement services in all synagogues. It is recited three times by the standing congregation in concert with the chanting rabbis at the altar. Here is the official translation: "All vows, obligations, oaths, anathemas, whether called 'konan', 'konas', or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound, from this Day of Atonement unto the next...we do repent. May they be deemed absolved, forgiven, annulled, and void, and made of none effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not be obligations nor the oaths be oaths." (What is the meaning of all this? It simply means that the word, promises, or oath of any so-called Jew is not to be trusted. The Jew who never attends synagogue during the year always makes it a point to be at
this one service, where he is absolved from all promises he makes during the following year. How
then can we trust a Jewish Judge or Legislator, to fulfill his oath of office, when we know he has
taken this oath? - ED.)

In some parts of the world the stupid Christian churches actually "peal their church bells," to help
celebrate this holy day of their worst enemies.

The present wording of the KOL NIDRE dates from the 11th Century.

There was an attempt made a few years ago to repeal this nefarious prayer, but it was voted down
by Ashkenazi Jews.

How many Christians know that a large majority of so-called Jews have no connection with lineal
descendants from the tribes of Israel or Judah? Not even many ministers know this. At least 90% or
more of the people we know as Jews are descendants of a Turco-Mongolian people known as
Khazars and are not Semites at all.

What mysterious power has kept this from the Christian world for centuries? The origin of the
Khazars and the Khazar Kingdom are historical facts, yet very few students of history know
anything about their connections to modern Jewry.

The Khazar Kingdom in southern Russia in the 8th Century A.D. was the largest nation in Europe.
It covered an area approximately 1-million miles square and was inhabited for the most part by the
Khazar people who were an Asiatic-Mongoloid people. They are classified by modern
anthropologists as TurcoFinnish. They were a very war-like people who had been driven westward
out of Asia. They were pagans in their religion, which was a combination of phallic and idol
worship. The vile forms of sexual excesses indulged in by the Khazars had produced a degree of
moral degeneracy which even the Khazar, King, could not stomach. In the 7th Century, King Bulan
decided to abolish this immoral religion and make one of the "monotheistic" religions the new State
religion. After a historical session with representatives of Christianity, Islam and Judaism, he
selected Talmudism as his State religion.

The king invited large numbers of rabbis to come to the kingdom and teach his people the new
religion. After this, no one but a so-called Jew could be king. The ideologies of the TALMUD
became the axis of political, cultural, economic and social attitudes. This change is graphically
described in Volume IV, of the Jewish Encyclopaedia.

When King Bulan converted to Judaism, he decreed that the Hebrew alphabet would become the
alphabet of the Khazar language. The adoption of the Hebrew alphabet had no racial, political or
religious significance. While most of the nations of Western Europe adopted Latin as their alphabet,
the Khazar language became known as YIDDISH. For at least six centuries the Jews of Russia,
Poland, Lithuania, Rumania and Hungary referred to their common language as YIDDISH and it is
used extensively to day throughout the Jewish world. Yiddish is not a German dialect, as many
believe, although it did borrow many German words.

The descendants of the Khazars, which make up at least 90% of modern day Judaism, are a product
of Talmudism and it may come as a surprise to many Christians, that they have no connection with
Abraham. (When I first began to air this information, an irate Christian woman from Dallas wrote
to me and said: "Everyone knows that the Jews are blood descendants of Abraham; the Bible says
this and thats that." But the Bible does not say this and when I wrote and asked her if Sammy Davis,
Jr., the Black singer was a descendant of Abraham, she got very upset - ED.)

In 1951, when President Truman was presented with a set of the TALMUD, he was quoted by
Jewish sources as saying: "the book I read the most is the TALMUD which contains sound
reasoning and good philosophy." Yet these were the teachings condemned by our Lord.
WHAT DOES THE TALMUD TEACH REGARDING CHRISTIANITY?

The Rev. I. B. Prantis, Professor of Hebrew at the Imperial Ecclesiastical Academy in old St. Petersburg, Russia and probably the world's greatest "non-Jewish" authority on the TALMUD, wrote a devastating book titled THE TALMUD UNMASKED The Secret Rabbinical Teachings Concerning Christians. The Jews used millions of dollars to suppress this book. Here are some of the references Dr. Prantis used, taken directly from the TALMUD:

SANHEDRIN, 67a - "Jesus is referred to as the son of Pandria, a Roman soldier."

KALLAH. Ib (18b) - "Jesus was the illegitimate child of a Jewish prostitute and was conceived during menstruation."

SCHABBATH, 104b - "Jesus is called a fool."

SANHEDRIN, 103 - "This passage suggests that Jesus had corrupt morals."

SANHEDRIN, 107b - "This says that Jesus corrupted, deceived and destroyed Israel."

ZOHAR, 111(282) - "Jesus died like a beast and was buried in a dung heap."

ABODAH ZARAH (6a) - "Jesus promoted the false teaching of worshiping on the first day of the week."

TALMUD TEACHINGS REGARDING CHRISTIANS:

HILKOTH MAk'HALOTH - "Jews must not associate with Christians since they are idol worshipers

ABHODAI ZARAH (22a) - "Do not associate with Christians since they shed blood."

ORACH CHAHM (20, a) - "Christians disguise themselves to kill Jews."

ABHODAH ZARAH (15b, 22a) - "This passage suggests that Christians have sexual relations with animals."

KERITHUTH (6b, p.78) - "Jews are called men; Christians are not men."

MAKKOTH (7b) - "A Jew is innocent of murder if he intended to kill a Christian."

MIDRASCH TALPIOTH (225) - "Christians were created to minister to Jews."

SANHEDRIN (74b) - "The sexual intercourse of a Christian is like that of an animal."

ZOHAR (II, 64b) - "Christian birthrate must be diminished materially." (Could this have anything to do with the fact that in America, most of the doctors running the Abortion Clinics are Jews? - ED.)

ROSCH HASCHANACH (17a) - "The souls of all non-Jews go to hell."
SCABBATH (116a) - "Talmudists agree that Christian books, such as the Bible should be burned.

SANHEDRIN 58b - "To strike a Jew is like slapping God in the face."

CHAGIGAH, 15b - "A Jew is to be considered good, no matter what sins he may commit."

ZOHAR (1, 25b) "The Jew who does good to a Christian will never rise from the dead."

IORE DEA (148) - "Always hide your hatred of Christians."

BABHA BATHRA (54b) - "Christian property belongs to the first Jew claiming it."

BABHA KAMA (113b) - "It is permitted to deceive Christians."

BABHA KAMA (113a) - "A Jew may lie in court to condemn a Christian."

ZOHAR (1, 60a) - "Jews must always try and deceive Christians."

HILKKOTH AKUM (X, 1) - "Do not save a Christian in danger of death."

SANHEDRIN (59a) - "Even the best of the goyim should be killed."

ZOHAR (II. 43a) - "Extermination of Christians is a necessary sacrifice."

These are but a few of thousands of like references.

When you hear the term "Judeo-Christian" used from the pulpit, what does the speaker mean? Is he referring to ancient Pharisaism? to Talmudism? or to so-called "Judaism." In view of the facts which have been presented, how can there be a "Judeo-Christian" anything? It is as unrealistic as to say something is "hot-cold," "wet-dry", "healthy-sick," or "happy-sad." These words are "antonyms," not "synonyms." (A Christian can no more follow Judaism than he can Communism - ED."

Yet this idea of ours being a "Judeo-Christian" culture has been carried to such extremes, that there are Institutes for the study of Judeo-Christianity in some of our leading Universities. It would make much better Christians out of congregations, if ministers would try and sell "Jesus Christ", rather than a monstrosity called "Judeo-Christianity."

Along with this term, we also find the horrible "trigger word," of "Anti-Semitic". It is nothing but a smear word which makes little sense, since by no stretch of the imagination are the Jews of today, Semites. Yet when any Jew' feels that he has been opposed, offended, or exposed for any reason, he immediately trots out the word "anti-Semite." (In some churches. to be an anti-Semite, is worse than being an apostate - ED.) When the Jews in 1946, were unable to disprove Dr. Freedman's allegations regarding their illegal entry into Palestine, they literally spent millions of dollars smearing him as the world's Number One anti-Semite, thereby trying to discredit him in the eyes of the brainwashed public. Until the time when he began to expose Jewry for what it was, he was considered to be a "little saint", but when he disagreed, they did everything within their power to destroy him - ED.)

Christian clergy who use the term "anti-Semite" against those who are trying to expose the evils of International Jewry, should know better. They show their ignorance of the English Language by using this word. Today, this Jewish phobia against criticism of any kind, has become one of the world's most intolerable forms of persecution.
It should give any Christian in particular, or any decent person for that matter, who sees our nation's morals crumbling, and our standards in the fields of politics, economics and religion crumble, something to think about. The moral standards of any nation are the crucible in which the nation's character is refined and moulded. The end product can never be better than the ingredients used.

While America has much for which to be proud, she also has many sources of shame. A correct diagnosis of our nation's rapid disintegration in all walks of life will reveal the cause, which is primarily of an economic nature:

1. Make more money; and,
2. Have more fun.

When we look at all the evils which have descended on America, they have an economic root and we can understand what the Apostle Paul meant when he said: "The love of MONEY is the root of ALL evil," (Emphasis added) (1 Timothy 6:10). How many Americans do' you know who include in their daily duties, service, sacrifice and prayer in the defense of this nation against its enemies?

With very few exceptions, this generation seem to regard everything as secondary to their accountability to unborn generations. (Our thinking is wrapped up in the words of the beer ad: "You only go around once in life; so live with gusto." - ED.)

The guidance and control of America has gravitated by default into the hands of those least worthy of trusteeship. One of their most notable achievements, has been in the making of "male prostitutes" who do their dirty work for them.

A "male prostitute" is a male who offers the facilities of his anatomy from the neck up, to anyone who is willing to pay the price, exactly as a female prostitute of the same species offers her body from the waist down for an asking price. Thousands of these "psuedo-Christian" "male prostitutes" are circulating in all walks of life, pandering evil propaganda for monetary profit and political power. Nowhere are they more prevalent than in Christian work. Look at the electronic evangelists for instance, almost to a man, they back the Jewish enemies of Christ and the church, even though many know that the so called Jews are not the people of the Bible. They know that if they tell the truth, they will be cut off the TV airways, so they prostitute themselves for a few million dollars. It reminds me of the story told of the English Bishop who ""as attending a dress party of English Lords and Ladies. He was approached by a haughty English beauty and in the course of their conversation he said: "Would you go to bed with a stranger for a million pounds?" When she replied in the affirmative he asked: "Would you go to bed with a man for five pounds?" To which she haughtily replied: "Of course not. Do you think that I'm a prostitute?" The prelate replied: "We've already established that, my dear. Now we are negotiating the price." - ED).

The corroding effect of this subtle intrigue is slowly but surely disintegrating the moral fiber of America. This danger to our Christian faith cannot be overestimated. This peril to our nation cannot and must not be underestimated.

The International "crime of all crimes" was committed in Palestine in 194S, almost totally as a result of American interference, at the behest of world Zionists in New York. Today, although we know we have been wrong, we still side with the aggressors. As a result, the Arab world, which once admired us and look to us for guidance, has come to hate us and the foundation has been laid for World War III. Our government has become a "male prostitute" for world Zionism and the blackest page of American history is now in the writing. (This crime has been aided and abetted by the ministers of America, who trumpet the falsehood that since the Jew's are God's Chosen People, we must back them in all their endeavors. We have complete alsgotten the warning of 2 Chronicles 19:2, which clearly states: "Shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord?" - ED.)

So we thank Dr. Benjamin Freedman for his courage and wisdom in bringing us this truth. For those of you who have never read his book FACTS ARE FACTS, I would suggest you make every effort
to get it.

The thoughts from here on are mine (ED).

Today, the blood of American boys is being mingled with that of innocent Lebanese women and children, as they are sacrificed on the altar of world Zionism. It was our clergy who urged this slaughter, as they hammered away day after day, sermon after sermon, ad nauseam, the false theme; "The Jews are God's chosen people and we must support them. The return of the Jews is the major sign of Christ's soon return." I hope and pray that He comes back soon. It will be necessary for the preservation of humanity. But the Jews are not the sign of that return, since they are not the Chosen People and never have been. Christian minister, if you have the courage to read this little book, you have "sowed the wind, now get ready to reap the whirlwind." The Bible tells us of the Law of Harvest, "Be not deceived, God is not mocked; for whatsoever a man sow's, that shall he also reap," (Galatians 6:7). This law is for you, as well as for all mankind. You have spoken a lie to your flock, if you have supported Israel. You may not have realized this, since you too have been "brainwashed" at that prestigious seminar you attended. But ignorance of truth is not an excuse. Someday soon, you will be held accountable for your poor stewardship before God. now is the time to straighten out your life, before God holds you accountable for it.

Some of you good Christian mothers and fathers will pay too, for although some of you have known better, you would not cause ripples in the pond by telling your pastor that he was wrong. You too will pay, with the blood of that precious son of yours, as you see him sacrificed on the altar of Jewish greed. You will bear the guilt of his death. I hope and pray for your sakes and the sake of America that it never comes, but it is just ahead, we know that, for the Word of the ever living God has predicted this. "The Lord will cause thee to be smitten before thine enemies: thou shalt go Out one way against them, and flee seven ways before them: "...thy carcass shall be meat unto the fowls of the air, and unto the beasts of the field, and no man shall fray (Hebrew "charad", meaning to "shudder, fear, discomfit, quake, tremble") them away," (Deuteronomy 28:26). Vs. 62 -"And it shall come to pass, that as the Lord rejoiced over you to do you good. and to multiply you; so the Lord will rejoice over you to destroy you, and bring you to nought..." You may say: "Those words were written for Israel!" You are right! But whether you want to accept it or not, you are Israel, if you belong to the Anglo-Saxon and related peoples and these promises are for you. Pray to God that America does not have to go to war, because if we do, we will be whipped again, just as we were in Korea and Vietnam. We cannot win, as long as we refuse to obey the Lord.

Soon, very soon, my Christian friends, you are going to see the hate of the anti-Christ's you have supported, as it is unleashed against Christian America. The signs are already there if you look for them. To whom will you flee for refuge then? There is not going to be a Rapture, as you have been told, which will spirit you out of the midst of this evil time. Where will you go for refuge?

If Christianity is but the "carbon copy" of Judaism as we have been told, then why would any intelligent person want to change from Judaism to Christianity? You pastors who tell your people that we are a Judeo-Christian culture, why would you preach this rot? The Christian church was on earth centuries before there were any people called "Jews." Acts 7:38, speaks of the "church in the wilderness," that my friends, was a Christian church. The Apostle Paul in 1 Corinthians 10:1-4
speaks about Israel passing out of Egypt, into the wilderness, in vs 3, 4, he says: "And ALL drink the same SPIRITUAL drink, for they drank of that SPIRITUAL ROCK, that followed (was to come) them: and THAT ROCK WAS CHRIST JESUS." (Emphasis added.)

These people were not Jews. They were not followers of the religion called Judaism. They were Christians. I realize they were not called Christians until almost 1500 years later, when they were first called by that name at Antioch (Acts 11:26). But they were Christians nevertheless. They looked forward to the once-for-all sacrifice of the Lamb of God, Jesus the Christ. We today look back on this sacrifice. But we are all members of the same church and it is and has never been a Jewish church.

It will only be when we purge our churches from this false teaching and eject the Judaizers from our ranks and tell our people the truth, that we will be saved from our enemies. The true Judaizers are not those who teach the everlasting truth that the Law still remains, but those who tell you that since you have become a Christian, the Law no longer applies to you. The Judaizers would have you believe that Jesus did away with the law when He died on Calvary, but our Lord Himself repudiated this falsehood when He said: "I am not come to destroy the law and the prophets; I am come to fulfill," (Matthew 5:17). While the writings of the Apostle Paul, if studied carelessly, may give the impression that the Law was done away, he says: (Romans 3:3 1) "Do we make void the law through faith? God forbid, yea we establish the law." Then in I John 3:4, the Apostle of Love tells us that "sin is transgression of the law," and then goes on in 2 John 6 to say: "And this is LOVE, that we WALK after His COMMANDMENTS..." Emphasis added.)

You see, my brainwashed Christian friend, the same man who has fooled you concerning the Jew's, has fooled you concerning the Law. The ordinances and sacrifices were done away at Calvary, Christ nailed these to His cross, as the Apostle Paul so ably tells us. When He shed His precious blood on that Roman cross, He did away with the necessity of ALL blood sacrifices for all time. But He did not destroy the Law. Our problems in America, EVERYONE OF THEM, have come about because Americans have refused to obey God's Law. No one has been more guilty of disobedience, than those of us who go by the name of Christian. It's no wonder the wrath of God is falling on our country.

Our problems will end, when we discover who we are and accept our responsibilities before God. When we discover that as God's Servant People, we were put on earth to do His will and bring about His Kingdom on this earth, not in some heaven. When we realize that we are not to be some kind of dictator, as the ~ew envisions. but a people who will serve.

If we were to return to God and recognize our responsibilities before Him then we would be restored

(1) To our status as the number one nation;

(2) we would have blessings of many children, instead of an ever decreasing birth rate;

(3) we would have blessings on our food production, which would benefit our people instead of some foreign nation, and,

(4) we would be victorious in battle (See Deuteronomy 28:9). Then in verse 10 God says: "The Lord shall establish thee, an holy people unto Himself, as he hath sworn unto thee, IF THOU SHALT KEEP THE COMMANDMENTS of the Lord thy God, and walk in His ways. And all people of the earth shall see that thou art called by the name of the Lord; and they shall be afraid of thee." This promise has never been fulfilled in the Jews. It has been fulfilled in the Anglo-Saxon and related peoples of the earth and will be fulfilled again, when we KEEP HIS
COMMANDMENTS AND WALK IN HIS WAYS.

But as we have followed the "Judaizers" to brainwash us into accepting the "false Jew" of the "synagogue of Satan", (Rev. 2:9) as the Chosen People; as we have followed their teachings, while rejecting those of our God, then all the curses of Deuteronomy have fallen on us. They will remain and become worse until we wake up.

When will we wake up? Will we wait until God Almighty drives us to our knees and rubs our noses in the dirt? Will we have to see our great cities in ruins? our women raped? our sons murdered? before we wake up?

To those of you who believe that you will be raptured out of this mess before it gets that bad, let me ask you. Do you believe that teaching strong enough that you will dare tell it to some Christian brother who has been suffering behind the Iron Curtain? I rather doubt it! Do you really somehow or other feel that you are better than those Christians who have suffered down through the ages for our Lord? It seems to me that the Rapture Theory breeds a terrible pride in Christians. In Romans 8:17 we are told: "... if so be that we suffer with Him, that we may be glorified together." (Philippians 1:29) - "For unto you is given in behalf of Christ, not only to believe on Him, but also TO SUFFER FOR HIS SAKE." (Emphasis added.) Then in Revelation 2:26 - "He that OVERCOMETH, and KEEPETH my works unto the end, to him will I give power over the nations." You don't OVERCOME, sitting in some comfortable, air-conditioned spiritual foxhole, waiting for the Lord to come back and rescue you. Overcoming is a front line battle thing. To "overcome" you must hate evil and yes, evil men. David said in Psalm 97:10 - "Ye that love the Lord, hate evil ..." "Oh", but you say, "we hate sin, but love the sinner." And David shouts right back at you in Psalm 139:21 - "Do not I hate them, O Lord, that hate thee? am not I grieved with those that rise up against thee? I HATE THEM WITH A PERFECT HATRED, I COUNT THEM MINE ENEMIES." Emphasis added.)

It will only be when we learn the truth of these verses, that we will be able to make headway against our enemies. I know what some are going to say:

"You are trying to encourage hate, when we are supposed to love." I am encouraging hate against evil and evil men who would destroy everything you say you believe in as a Christian. Which side are you on? You are either for Jesus Christ ALL THE WAY, or you are on the enemies side. You cannot have it both ways. One day you will stand before Him and answer for your choice. What will that answer be? Why not get in on the winning side now! Soon Jesus will come back, not as the "babe of Bethlehem," but as King of Kings and Lord of Lords, will you be happy or ashamed to face Him then? It's up to you!

SATAN'S KIDS AND THE GERMAN CONNECTION!

INTRODUCTION
This book was originally published over ten years ago and has been out of print for some time. After many requests for this book, and because of the seriousness of this time, I have prayerfully rewritten the text to bring it up to date.

I pray that it will prove to be a blessing to you and open the eyes of some of our brainwashed brethren, in the Judeo-Christian church, who are Israelites and don't know it; so they will stop subsidizing their worst enemies, and begin to sincerely, "Occupy until He comes!"

"We are interested in the goods of others; we are solely interested in pure power." (George Orwell in his book 1984)

Today, the Free World, made up mostly of the basically White Christian Nations, sometimes called Christendom are drifting at an alarming rate into the totalitarianism of Orwells 1984.

In one country after another, opposition parties have been banned, and the press has been controlled, while the people have been deprived of their natural right of self protection, by banning their right to "keep and bear arms."

In each of these countries religions, especially that of Christianity have been banned as offensive to the state, while an Elite Inner Party has taken over complete control. Yet every totalitarian nation, flaunts it's democracy. The perfect example is in Africa, where every Black nation that was once under White Colonial control, is today infinitely worse off in every aspect under Black democratic control. These are not speculations but observable truths.

What of America? "Sweet land of Liberty?" Is it possible that "1984" might happen here? Most people, including many who go by the name Christian, will laugh at the dangers posed by Zionism and will label me as a hate monger, or even worse an anti-Semite, which is worse to many Christians than blasphemy against GOD.

The Apostle Paul warned us about this time in 2 Timothy 4:3,4 where he says, "For the time will come when they will not endure sound doctrine; but after their own lusts (longing for material things) shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto (Jewish) fables." He strengthens this statement in Titus 1:10,11 where he says, "For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses (households), teaching things which ought not for filthy lucre's (money) sake." Then in verse 14 in the same chapter he says, "Not giving heed to Jewish fables, and commandments of men, that turn from the truth." My, how careful the church world is to bypass these verses.

In 2 Thessalonians 2:9-12, he tells us why we should heed this warning, "...after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they might be damned (judged) who believed not the truth, but had pleasure in unrighteousness."

Today in 1999, the Christian church faces the most devastating assault which has been hurled against it in the 2000 years since the Jews first tried to stamp it out in the First Century A.D. Unless the Christian church is willing to discern the sign of the times, she could well end up being a willing agent of the enemy. Already many so called Christians are, without knowing it. She could easily find herself glibly mouthing enemy slogans in the name of our Savior, Jesus Christ.

Who are these enemies?

I have before me as I write, a letter mailed on August 8, 1966, from the Jewish Community Council of Metropolitan Houston, addressed to MEMBERS OF THE COMMUNITY RELATIONS COMMISSION OF THE JEWISH COMMUNITY COUNCIL, and signed by
their chairman Malcolm F. Sher, M.D. Here are parts of this letter applicable to the subject under discussion.

"The purpose of this meeting... at the Jewish Community Center, is to note the intrusion of religion in the public schools, specific the religious pageantry at Christmas time. (Can you guess which religion they are referring to?)

"We feel the time to understand and prepare for our role concerning this Christmas celebration in our public schools, should be held now, during the summer months, so that we might be better prepared to take a course of action. Now is the time we must discuss this problem."

This is a mild example of the manner in which Satan's Kids are harassing Christians, while ultimately, according to the word of their International leaders, they are planning to "drive God from the skies, and destroy White Christian Civilization."

One of the most amazing phenomena of the Twentieth Century, is how a group of people, numerically small in number, who hate our Lord Jesus Christ and His church, have so completely fooled the vast majority of Christendom into accepting them as God's Chosen, while lavishing on them countless billions of dollars which should have gone for God's work elsewhere.

While many Christian pastors bow down before the Talmudic idol of International Judaism, and world politicians cringe before the power of the Zionist horde, they are left free to destroy our most cherished traditions, and our country itself.

What has brought about this curious and potentially fatal situation, where God's enemies are elevated to a position of honor by the very men who have been ordained to preach Christ's Gospel and Coming Kingdom?

Why do our politicians walk in fear before this insatiable alien minority? Can White Christian civilization be delivered from this bondage before it's too late?

In this book, I will attempt to discuss this tremendous problem in terms that the average layman can understand. As a foundation for this discussion, I will use a book titled THE CONQUEST OF THE WORLD, written by Major Osman Bey in the late 1800's and translated from French into English by Dr. F.W. Mathias. Original copies of this book may be found in the London Museum. Strangely enough, for obvious reasons, it has disappeared from the major city libraries of New York, Chicago, and other large cities.

The Jewish question is one that must be faced and answered by every Christian. If the power which is now attempting to strangle the Church of Jesus Christ is to be defeated and the Kingdom Movement on earth be set up as foretold in the Scriptures, this evil must be defeated.

I pray that God, through the leadership of His precious Holy Spirit, will use this book as a means of educating our people to truths they may not know, and to dangers they face. May it stiffen our backbone for the trying days which lie ahead, and keep us Occupying until He comes!

FACTS EVERY CHRISTIAN SHOULD KNOW ABOUT THE INTERNATIONAL ZIONIST CONSPIRACY TO CONTROL, YOU AND THE WORLD
Strangely enough, Judaism is the only religion you may not discuss with impunity. You can go to
the library and find books on Mormonism, Seventh Day Adventist, Roman Catholicism,
Protestantism, Islam, Buddhism, Satanism, and Wicca. When you look for information on what
Jews believe and teach, an immediate veil of secrecy goes into place which conceals their real
motives. This in itself should arouse your suspicions.

Dr. Benjamin Freedman, a distinguished Jew who served as an advisor to seven presidents,
converted to Christianity late in life, and realizing the danger posed by Jewry to his new faith,
began to expose Judaism for what it really is.

In his book FACTS ARE FACTS, a letter written to a Jewish colleague who had converted to
Roman Catholicism, he revealed some secrets of Judaism that are important for our understanding
of the problem. Fully understanding the fact that the Jews of today are not the descendants of
Abraham, and knowing the truth of Christ's statements in Revelation 2:9 and 3:9, that refers to
"Those who say they are Jews and are not, but are of the synagogue of Satan", he refers to them as
so called Jews.

In FACTS ARE FACTS, he mentions a significant truth, "...no institution in our modern society
can long survive if its structure from the start is not erected on the FOUNDATION OF TRUTH.
The Christian church was first erected on this very solid foundation by its founder Jesus Christ. To
remain so, it must maintain this foundation. The deterioration, the disintegration, and finally the
destruction of this structure of the Christian faith, will be accelerated in a direct ratio to the extent
that misrepresentation and distortion of truth is allowed.

"Without you becoming aware of the fact, the methods you employ contribute in no small degree
to dilution of the devotion of countless Christians for their Christian faith. For every ounce of good
you accomplish by the conversion of self styled Jews, you create a ton of harm in another
direction. It is well known fact, that many counterfeit conversions by Jews, have proved to be
infiltration by latent traitors with treasonable intentions.

"Countless Christians standing on the sidelines in this struggle, see their Christian faith 'withering
on the vine' and about to drop into the lap of their dedicated enemies. This cup is made more bitter
for them, as they observe this unwarranted and unjustified ignorance and indifference on the part of
Christian clergy."

On with our story about the control Satan's Kids, have developed over our Christian nation.

The Board of Governors of the Federal Reserve Banks meets behind closed doors and has more
power than our government. They were responsible for the depressions of 1921, and 1929, and are
now toying with an ever greater one, which will cause the Great Depression to look like a Sunday
School picnic by comparison.

In 1900 an interesting document titled THE PROTOCOLS OF THE LEARNED ELDERS OF
ZION, showed up in the literary world. Immediately World Jewry and their stooges in Christian
pulpits declared it to be a forgery. Apparently in their struggle to protect Judaism, they forgot that
in order to have a forgery, you must first have an original. The forger does his best to make the
forgery look like the original to hoodwink people. The question in my mind is not whether this
document is a forgery or not, but the fact that International Jewry has been following it, point by
point, like a blueprint, for the last hundred years.

PROTOCOL XX says: "Economic crises have been produced by us for goyim (non-Jewish
animals) by no other means than withdrawal of money from circulation." This statement, made
about 1903, referred to the panic of 1893, which was caused by the sudden withdrawal of a large
amount of gold from the New York Stock Exchange. The money panics of 1907, 1921, and 1929
were caused in the same way, and thousands of Jews became millionaires, almost overnight, as
they bought up property from bankrupt Gentiles for a few cents on the dollar. This same
manipulation is underway today, where the same people are making profit from America's blood, sweat, and tears. To those of you who believe it can't happen again, let me say, "enjoy the false prosperity you are receiving from the Jew controlled Administration of President Clinton, for it's shattering end is just around the corner.

In line with the Protocol Plot, the Rothschild's lent money to both sides during World War I, and subsidized Hitler's rise into power in German prior to World War II. Without these loans, neither side could have fought a war, since neither side had fully recovered from World War I. International Judaism wanted a Gentile War, which would bring the world into a state of chaos, from which they could impose their One World Government. They almost made it through their stooge, Woodrow Wilson in 1913. He desperately wanted to get America into the League of Nations, only to be stymied by a still then, patriotic Congress.

Wilson brought us into World War I to bail out the Jewish banking interests which had elected him President. Powerful Jews, as now in the Clinton Administration, were put in charge of our government. Men like Bernard Baruch, who headed the War Industries Board, Paul Warburg, head of the Federal Reserve and Eugene Myers, who controlled the left wing pro-Zionist Washington Post, and also headed Allied Chemical and Dye Company. He was made head of the Liberty Loan Drive. Baruch spent over 10 billion dollars of Allied money during World War I, giving the choicest government contracts to his Jewish friends.

Baruch became a multi-millionaire by fleecing the American people, and although these facts were well known in Washington D.C. so great was the power of Zionism in our government that no legal action was ever taken against him.

Baruch, along with Henry Kissinger another Jew who came to prominence during World War II, were probably two of the most dangerous Zionist plotters, and both of them spent their lives carrying out the PROTOCOL PLOT, while representing themselves as American Statesmen and Advisors to Presidents. Both of them pretended to be patriots, protecting American interests in wars their own gangsters had started.

It was this same group of amoral (having no morals) Internationalists who squeezed German financially, as they laid the ground work for the destruction of this Christian country in World War II. The Jew, Samuel Untermeyer brought about an economic boycott of Germany in 1933, as I will discuss later, and few Americans understand that as early as 1900, International Jewry had a war chest of a billion dollars set aside for the destruction of Christian Germany. Their war cry at that time was, "first we will take Christian Russia, then we will conquer Christian Germany, and go on to conquer Asia, and Africa, finally when America is surrounded, with no friends, they will drop into our laps like overripe fruit." We are very close to that point in 1999.

The purpose of World War II, was to do in Germany, what Jewish plotters had done in Russia in 1917, and eventually established worldwide Communism. While we Americans have been brainwashed into believing that Adolf Hitler was an evil man, the proof of the matter is, that he was destroyed because he was the head of a Christian nation, who kicked over the traces, and refused to obey their Zionist masters. For this he had to be destroyed.

Today this same group of International plotters is engaged in another effort to start World War III.

In fact this war, along with World War I and II, were planned by General Albert Pike, the former Confederate General, over a hundred years ago, after he became a leader in International Masonry. The aims of Freemasonry, and International Judaism for a One World Government are very similar and there is much cooperation between these two powerful groups. Both of them worship Lucifer, rather than Almighty God and are determined to bring the World under his control.

Their plan was for World War III, was to bring the world under Zionist control, presided over by International Jewry, with gentile stooges in government and religion to front for them. They plan
to exhaust the nations through continuous warfare, until we fall under their control. This scheme is clearly shown in their textbook on **PSYCHOPOLITICS**, (available from Scriptures for America, P.O. Box 766, LaPorte, CO 80535, for a donation of $5.00). Here they say, "We must be like a vine upon a tree. We use the tree to climb, and then, strangling it, grow into power on the nourishment of its flesh. We must strike from our path any opposition and use for our tools, any authority that comes to hand." This is why they show no mercy for those who are unfortunate enough to come under their control.

In this same textbook, page 30, they say, "Obedience is the result of force. Concurrent with force is brutality... The most barbaric, brutal use of force, if carried far enough invokes obedience, savage force, sufficiently long displayed towards any individual, will bring about his concurrence with any principle or order.

"Any organization that has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity, will be obeyed. Such a use of force, is itself, is an essential of greatness."

This concept is so contrary to Christian teachings, that it is difficult for our people, especially those who have been **brainwashed** by enemy propaganda, to believe.

Why were the American people pounded with "Cold War" propaganda against the Soviet Union, when Jews controlled not only Russia, but England, France, Germany, the United States, and a host of other countries? The present crisis in Serbia is of the Jewish making and they brought it about deliberately, to further weaken us and place us in an **economic straight jacket**. While this Cold War was going on, at least twelve major occasions I can recall, when this **Evil Empire** as it was called, was on the verge of economic collapse, our government stepped in and bailed them out with billions in relief, when we could not even pay off the interest on our national debt to the Zionist gangsters.

Have you ever wondered why President Truman formed a five man civilian Atomic Energy Board and then appointed four Jews as members? David Lilienthal, who has known by the FBI to be a member of two Communist front groups, was made it's Chairman. The other Jewish members were W.W. Waymach, R.F. Bacher, and Lewis D. Strauss.

Was it because he could find no Christian gentiles to fill these posts? Don't be silly! Why did he appoint the Jewish, Austrian born Professor Arthur Burns as his economic advisor? Could it possibly be because the **PROTOCOLS** say Jews must occupy the top positions as economic advisors of the country under conquest?

Today, our President William Clinton has gone overboard in appointing anti-Christ Jews to high government positions. Although he claims to be **born again Christian Southern Baptist**, he has not appointed one White Anglo-Saxon to a high government position. Here are a few of the Jews who now occupy high position in our government, listed alphabetically:

**ADLER, Karen** - Director of State Department Policy.

**ALBRIGHT, Madeline** - Secretary of State.

**APFEL, Richard** - Chief of Social Security.

**BERGER, Samuel** - Head of National Security Council.

**BOSKIN, Stanley** - Economic Policy Advisor.

**BREUER, Lanny** - Special Counsel of the President.
BREYER, Stephen - Supreme Court Justice.

BROMWICH, Mike - Inspector General of the FBI.

COHEN, David - CIA Director of Operations.

COHEN, William - Secretary of Defense.

DIAMOND, Paul - Head of Economic Policy.

EISENSTAT, Stuart - Under Secretary of the Treasury.

EISNER, Hal - Director of Bureau of Intelligence.

GINSBURG, Ruth - Supreme Court Justice.

GLICKMAN, Dan - Secretary of Agriculture.

GREENSPAN, Alan - Chairman of the Federal Reserve.

HANS, Ellen - Assistant Secretary of Education.

HOLBROOKE, Richard - Special Representative to NATO.

KESSLER, David - Chief of Food & Drug Administration.

KLEIN, Joel - Assistant Attorney General.

LEHMAN, Bruce - Head of U.S. Patent Office.

LIPTON, David - Under Secretary of the Treasury.

MAGAZINER, Ira - Head of National Health Care Policy.

PLTOFSKY, Robert - Chairman Federal Trade Commission.

RABBI RAHM, Emanuel - Director of Communications.

ROSS, Stanley - Member of the National Security Council.

RUBIN, James - Under Secretary of State.

SHERBURNE, Jane - White House Counsel.

SPERLING, Gene - Head of National Economic Council.

TARNOFF, Peter - Deputy Secretary of State.

TENET, George - CIA Chief.

WAXMAN, Seth - Acting Solicitor General.

YELLEN, Jannet - Head Council of Economic Advisors.

These are but some of the more than 100 Jews, Clinton has appointed to high government positions.
Why did the Swedish Jew Ike Eisenhower appoint the Jewess Freda B. Hannoch to be Chairwoman of the Federal Communications Commission, and the Jew Samuel F. Groner to be her assistant? Could it be because the **PROTOCOLS** say, "We must control all communications of the nations under conquest?"

When Anna Rosenberg, (who had attended Communist meetings and was a member of several Communist Front Groups) hired 10,000 people for the Manhattan Atomic Energy Project, (according to the **NEW YORKER**, September 15, 1945) these included the Soviet Jewish spies Julius and Ethel Rosenberg, Greenglass, Sobel, Gold, and Klaus Fuchs. Sidney Fields, writing in the **NEW YORKER**, November 15, 1950, described the power of this Communist leaning Jewess in these words: "Tomorrow, Mrs. Anna Rosenberg assumes her duties as Assistant Secretary of Defense, in charge of the nation's manpower. She will be in charge of 115 U.S. Government Agencies." She went on to hire over a million people while she was in this position. Since then (1950) the Red Network she set up in Washington, DC has never been completely dismantled.

When Klaus Fuchs, the Jewish Atomic Energy traitor was jailed in Canada and brought to the United States for prosecution, it was through the efforts of the Jew Albert Einstein, that he was released.

This story has been repeated in every Administration up to this time, as they bowed under the pressure of International Zionism. It's no wonder that a high ranking Israeli official could brag with impunity, "We have the best Congress money can buy!" Today, at least 70 of our 100 U.S. Senators, pretty much vote the **straight Israeli ticket**.

During the Kennedy era, we had such Jews as Abraham Ribicoff, Secretary of Health, Education, and Welfare, and Arthur Goldberg, Secretary of Labor. Under President Johnson, we find men such as Nicholas Katzenbach, Attorney General, and Wilbur J. Cohen, Secretary of H.E.W. While Nixon was President, we had one of the worst of all, who is still going strong in International Affairs the KGB **double agent** and German Jew, Henry Kissinger. As some of you will remember, he filled the powerful position as Secretary of State, and another Jew, James Schlesinger as Secretary of Defense. President Ford had William Simon, Secretary of the Treasury; Edward Levi, Attorney General, while President Carter had W. Michael Blumenthal, Secretary of the Treasury; Philip Klutznik as Secretary of Commerce, and Neil Goldschmidt as Secretary of Transportation.

The **great conservative** Ronald Reagan had a whole flock of Jewish birds in his nest, 72 in all, each appointed, and not one elected by our people. The Administrations of every President since Woodrow Wilson during World War I, has been under at least partial Jewish control. The result, as George Wallace once said, "There isn't a dimes worth of difference between the Republican and Democratic Parties," in that time span. No matter which one has been in the driver's seat, the power behind the throne, has been Zionist. This is hard for patriotic Americans to swallow and is why Harold Rosenthal, Administrative Assistant to the Jewish Senator from New York, Jacob Javits, could boastingly say, "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While naive Americans waited for Khruschev to bury them, we have taught them to submit to our every will." This is why God warned His Israel people that they must not allow "strangers to rule over them" and why in **Deuteronomy 28:43,44** we read the end result, "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low... he shall be the head and thou shalt be the tail." If you can't see how this has happened, it's because you have **buried your heads in the sand**. Today, in 1999, the closing out year of this age, we are a conquered people, and have lost our freedom through default. **Note:** Ronald Reagan is a Freemason.

Today, we see the confusing sight of a Christian nation of more than 260 million people, as they are controlled by a minority that numbers less than 2% of our population.

While Christians in America have been willing to open our doors and share the benefits of America with the Jews, they are not satisfied and want us to run things their way.. They want it all! The
Jewish author Maurice Samuels, in his book YOU GENTILES said, "We Jews, are the destroyers, and we will remain the destroyers, there is nothing you can do to satisfy us, for we need a world of our own."

Today, whenever Jews are accused of doing anything contrary to good order, they raise the plaintive cry of anti-Semitism, which is a misnomer, since the vast majority of Jews are not Semites, but Turco-Mongolian by descent. Every Prime Minister of the "mini state" in Palestine has come from this Oriental background. This needs to become corrected in Christian minds, with Christians not to become anti-Semitic, but Jew conscious.

If any people, or group of people are guilty of crimes against the American people, they should be publicly tried, condemned, and punished. The Jews must not be allowed to be free from this Law of civilized nations. The Jewish Anti-Defamation League of the B'nai Brith (Masonic) Lodge, and the American Jewish Congress are subversive agents of a foreign government, operating illegally on American soil without permits. They operate contrary to the good of America, and the welfare of the Israeli is the first order of business in their lives. They must not be allowed to continue this deception and should either answer for their many crimes, or be forced to leave the country.

You may say, as many Christians have, "Why condemn all Jews?" It is because the Jewish communities of America, for the most part cooperate with the illegal activities of Zionism. After all, REMEMBER it was ALL the Jews who condemned Christ to death and said, "his blood be on our heads and those of our children." (Matthew 27:25) Even though an occasional Jewish voice is raised against the evils of World Zionism, still the Jewish people as a whole, have developed an arrogance which places them above the law, or so they believe.

This can be emphasized by a story that made it's rounds in Washington, DC during the Carter Administration. It concerned a meeting that was supposed to have taken place between God, Breshnev, Carter, and Begin. The Soviet leader asked God: "Will there ever be a time when there is peace between the Soviet Union and America?" and God replied: "Yes, but not in your life time." Then Carter asked: "Will there ever be a time when Black and White people will get along on friendly terms?" and God replied: "Yes, but not in your life time." Then Begin asked:

"Will there ever be a time when Jews and Goyim will be able to get along? and God replied: "No, not in My life time!" This high lights the statement made by our friend the Apostle Paul in 1 Thessalonians 2:15, where speaking about the Jews he said, and they please not God, and are contrary to all men.

While Jewish apologists like Jack Van Impe say the Jews were kicked out of every country in Europe at some time or other, because they are God's Chosen people and Satan hates them. This cannot be true, for it would contradict the words of our Savior Himself in John 8:44 when He told the Jewish leaders, "You are of your father the devil, and the lusts of your father you will do." For a second witness, turn to Matthew 23:15, where Jesus again, speaking to the Jewish religious authorities accused them of going sea and land to make converts, only to "make him twofold more the child of hell then yourselves."

It's sad indeed, that millions of Christians in America, would rather listen to men like Van Impe, Robertson, Falwell, and others who back these Christ haters, calling them God's Chosen, when their Savior tells them differently. Note: Pat Robertson has been given a copy of the Talmud, and still dose not condemn them. Falwell is a Free Mason.

Benjamin Franklin, our "elder statesman" during the Revolution, had many encounters with Jews and warned the 1787 Constitutional Convention in Philadelphia, "Gentlemen, 'In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated. They have sneered at and tried to undermine the Christian religion, have built up a State within a State, and have when opposed, tried to strangle that country financially.
"If you do not exclude them from the United States in this Constitution, in less than 200 years they will have swarmed in such great numbers, that they will dominate and devour the land and change our form of government. If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in their counting houses, rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all times, your children will curse you in your graves. Jews, gentlemen, are Asiatic, they will never be otherwise."

Our forefathers did not listen to this wise man and today, they control this nation.

Jeremiah, the Old Testament prophet wrote about these people in Jeremiah 9:5,, where he said, "They deceive every one his neighbor, and speak not the truth: they have taught their tongue to speak lies, and weary themselves to commit iniquity." Any Jew who has been taught from their holy book, t has been schooled in this deceit!

The risen Christ, further exposed these pseudo-Jews in Revelations 2:9; 3:9, when He warns about, "of them which say they are Jews, and are not, but are the synagogue (congregation) of Satan." Note: Would Jesus approve of Christians blindly supporting to pseudo-"Israel", and the Yiddish Talmudic frauds?

In Luke 11:49-51 Christ said, "Therefore also said the wisdom of God, I will send them prophets and apostles, and some of them they shall slay and persecute: That the blood of all the prophets, which was shed from the foundation of the world, may be required of this generation; From the blood of Abel unto the blood of Zacharias,... It shall be required of this generation." Their own writers have said, "Our major vice of old, as of today is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world. But despite our faults, we would never have done so much damage to the world if it had not been for genius for evil leadership...

The shame of Jewry comes not from our being the bankers and old clothesmen of the world. It comes rather of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership.

"Read for yourself, the story of the progress of Jewry through out Europe and America. Wherever they have come they are welcomed, permitted to settle down and join in the general business of the community. One by one the industries of the country close to them because of their unfair practices... until it is impossible to longer hold in check the wrath of a betrayed people. There is violence and, invariably, an ignominious ejection of the whole race from the land. There is not a single instance when Jews have not fully deserved the bitter fruit of the fury of their persecutors."

"Their (Jew's) disease is a sort of moral gonorrhea known as Judaism and seems, alas, to be incurable. The results, as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt, take a look at any Jew ridden country in Europe. Then if you need any further convincing, take a look at what's happening in America.

"It is my belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is in subversion of America's best interests." (The foregoing remarks are not from an anti-Semite, but came from a book titled "JEWS MUST LIVE", by the Jewish author Samuel Roth, published by the Golden Hind Press of New York City.)

While the Christian Church, has gone into all the world, to proclaim the Good News of the Gospel, as our Lord commanded, they have never been very successful in reaching Jews, in spite of the exaggerated claims of "Jews for Jesus". They are fixed people when it comes to their hatred of Jesus Christ and Christianity, and genuine change overs to Christianity are rare. As Benjamin Freedman said, "There are many phony conversions for the purpose of infiltrating and destroying the church from within."
In fact, as early as 1286 A.D. a Protocol to the Jews of France ordered them, "Make of your sons clerics and priests, so that they may infiltrate the Christian church and destroy it from within." It has been found in numerous cases, that when Jews have converted to Christianity, it was because they were adopted children and had no Jewish blood in their veins. Jesus pretty well covered the reason why they did not respond to Him, in John 8:43 when He asked, "Why do you not understand my speech? Even because you cannot hear my word." This was followed by His accusation, in verse 44, & 45 "You are of your father the DEVIL, and the lusts of your father you will do... And because I tell you the truth, you believed me not." Verse 47 of the same Chapter, says, "He that is of God heareth God's words: you therefore hear them not, because you are not of God." How much plainer could He have been? Then in John 10:26, to clear up any misunderstanding He said to the Jewish leaders, "But you (Jews) believe Me not, because you are not of my sheep, Note: If Jesus appeared today, He would be called an anti-Semite, belittled by Pat Robertson, Rush Limbaugh, Sean Hannity, every major newspaper in America, and would face charges in Canada, Germany, Spain, Switzerland, Sweden, Austria, Finland etc. He could not give his sermon on the mountain, because he did not have a permit, and would be labeled a conspiracy kook.

The Apostle John preached to a people who had been brought up in the Jewish faith, in the "tradition of the Elders", which meant under Talmudic teaching. He had been an eye witness to the murder of His Lord, and probably was present when they said, "His blood be on our heads and that of our children." It was impossible that he could have had another people in mind when he spoke about the murderous spirit of Cain in 1 John 3:12. He echoed about Cain, what His Lord had said about the Pharisees in John 8:44. This did not make him a SEEDLINER.

The entire book of Jude, is a frank discussion of Jewish characteristics, God had made many covenants with Israel and the original Judah, but there is no record that He ever made a covenant with a people called the Jews.

No where in the Bible can you find where people called Jews were defended as, or called the Chosen People. This is a Jewish myth, manufactured by the Rabbis for goyim consumption, and Christianity has swallowed it hook, line, and sinker. The Jews have been a mixed people since they returned from Babylonian Captivity. * They came back, (a tiny percentage of them) as a heathen throng, with the new religion of Talmudic Judaism, that superseded the old and respected religion of Hebrewism under Moses. When they bragged to Jesus in John 5 how they followed Moses, He replied in verses 45-47. "Do not think that I will accuse you to the Father: there is one that accuseth you even Moses, in whom you (say you) trust. For had you believed Moses, you would have believed me: for he wrote of me. But if you believe not his writings, (and they did not) how shall you believe my words?" * Note: The mixed are the Sepheritic Jews. The Yiddish are a race of the Khaza people.

Both books of Ezra and Nehemiah show this mongrelized throng as they returned from Babylonian captivity. They brought back with them a heathenized religion that had admixed with the occult worship of Babylon, against which God had warned again and again. It contained the worst features of Baal worship and heathenism.

The eighth chapter of Ezekiel envisions this abomination, but it is to lengthy to quote here in it's entirety. Here are some hints. The angel who spoke to Ezekiel told him to dig in the wall of Jerusalem where he found a gate. The angel told him, "Go in, and behold the wicked abominations that they do here... all the idols of the house of Israel, portrayed upon the wall round about. And there stood before them seventy men of the ancients, of the house of Israel with a censer in his hand," and then the angel told Ezekiel "You have seen what the ancients of the house of Israel. do in the dark ... for they say, 'The Lord seeth us not; the Lord forsaketh the earth!' In verse 16 of that same chapter he tells how he saw twenty five men worshiping the sun, with their backs towards the temple of the Lord and their faces towards the east and the sun, so even though it mentions Israel, we know he is speaking about Jews, because this takes place in Jerusalem, in the temple.
A close honest study of Jewish history will reveal to any honest person, that the tribe of Judah absorbed so many of the Canaanites and became so involved in Canaanite practices, that they completely lost their identity as Hebrews.

The Canaanites, following the lead of their father Cain, were a demon possessed people. Evil spirits do not drown in a flood, and while Noah was a perfect man in his BLOODLINE, there is nothing in the Bible which indicates that his wife and sons were perfect in righteousness.

The fact that Noah's grandson Canaan, had a curse pronounced on him in Genesis 9:25 indicates that evil spirits were active this side of the flood. There was only one Jew among Jesus disciples and that was Judas Iscariot, who was picked by Jesus for the special purpose of betraying his Master. Jesus said of him in John 6:70 "Have not I chosen you twelve and one of you (Judas) is a devil?" In John 13:26, we are told how Jesus gave Judas a sop (morsel of food, usually soaked in wine) at the Last Supper and when He gave it to Judas, "Satan entered into him." In other words he was demon possessed.

In Acts 13:6 we read about a Jewish prophet who tried to hinder the work of Paul and Barnabas and speaking to him in verse 10, Paul uses some picturesque language, "O full of all subtlety and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?" This has been the Jewish way from their beginning, when dealing with Christ and Christians. Today the Judeo-Christians church is making a bed-fellow of those who vowed to destroy them. Strange and sad, isn't it?

There is no way you can explain Jesus' statements in Matthew 23:15, and Luke 11:50, unless you understand that Jesus was spiritually correct, when he called the Jewish people children of Satan.

Our Fundamental churches are inspiring the Jewish enemy to intensify their self rebellion against God, by calling them His Chosen. If the truth were told in Judeo-Christian pulpits, the Jew would come tumbling down from his lofty perch. Nowhere were the Jews and Canaanites, (and the words are inter-changeable) ever promised rulership of the world. The Judeo-Christian world, unsuspecting it may be, but true never the less, has put a cloak of respectability around the shoulders of the most vicious enemy the church has ever had, and are cutting their own throats in the process. How the Jewish leaders must laugh in secret, as they see the stupidity of the goyim sheeple leaders.

Referring again to Harold Rosenthal he said, "We (Jews) are amazed by the Christians stupidity in receiving our teachings and propagating them. Judaism is not only the teaching of the synagogue, it is the doctrine of most every Christian church in America. Through our propaganda, the Christian church has become our most avid supporter. This has given us a special place in your society, as they believe that we Jews are God's chosen people and they are Gentiles.

"The deluded children of the church defend us to the point of destroying their own culture. This truth should be obvious to any dullard when one views history and sees how your wars have been White fighting White in order to maintain control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during World War I and II. Through our influence on religion we were able to involve ignorant White Christians in wars against themselves which always impoverished both sides, (both money wise and manpower wise) while we Jews reaped a financial and political harvest. Any time truth comes forth which exposes us, we simply rally our forces - the ignorant Christians. They attack the crusaders even if they are members of their own family." (Anyone who has ever tried to tell the truth about Jewry can attest to this fact.)

Cain hated the blood sacrifice which was necessary for the remission of sin. (see Hebrews 9:22) The Canaanite Jews hate the idea of blood atonement and no people can be God's people who hate the shed blood of God's Son, Jesus Christ.
Trace religious modernism that scoffs at the blood atonement, of Jesus Christ, and nine times out of ten, you will arrive at a Jewish source. It was Jewish Higher Criticism, that has done more to destroy true Christianity in the last Century, than any other thing. These blasphemers (many of whom are White Christian Israelites) have gone so far as to make plans for the removal of every reference to Jesus Christ in the New Testament that is offensive to the Jews. The Jews in turn, has done nothing and will do nothing to remove much more offensive parts against Christians found in their religious book, the Talmud. This means that all references to the shed blood of Jesus must go and there can be no Christianity with out this belief. The Apostle John put it very strong in 1 John 2:22,23 when he said, "Who is a liar, but he that denieth that Jesus is the Christ? He is anti-christ, that denieth the Father and the Son. Whosoever denieth the Son, the SAME HATH NOT THE FATHER." (Emphasis mine!)

How can you get around this verse when dealing with Jews? Then add 1 John 5:10 which says, "He that believeth on the Son of God hath the witness in himself: he that believeth not God hath made him a liar; because he believeth not the record that SATAN'S God of His Son." I don't see how it could be made any plainer. Yet such is the perversity of human nature, that man will see the truth, and refuse to recognize it. For over fifty years, I was in spiritual blindness. I loved the Lord, and said I believed His Word, yet I accepted the teachings of man, rather than what the Word said, as the prophesy of Isaiah 29:13 came to pass - "Forasmuch as this people draw near Me with there mouth, and with their lips do honour Me, but have removed their heart far from Me, and their fear toward Me is taught by the precept of man:" Our Lord quoted this in Matthew 15:8, and went on in verse 9 to say, "But in vain they do worship Me, teaching doctrines the commandments of men." Most Christians would get angry if you accused them of doing this, but this is exactly what they do when they accept Jewish teachings in place of our Lord's own words.

Unless Christians are willing to stand against this Jewish led program of humanism, we will soon be unable to send a Bible through the mail, or witness to a lost person outside our own home. Already programs are underway, as you know, to take the Name of Jesus out of public schools, and remove it from government offices, and public functions. This vicious drive is almost without fail, lead by the anti-Christ Jews who control the A.C.L.U. (American Civil Liberties Union)

Almost all cases to remove Christian symbols from public life at Christmas and Easter, are brought by Jews, and prosecuted by Jews. Yet in many cases, they have the backing of so called Christian pastors. They do not want to do away with these holidays, as they make too much money off the goyim who support them. They just want to take Christ out of all Christian celebrations, even the church.

These once Christian festivals, have been turned into a heathen saturnalia, complete with a fat little Jewish god dressed in a red suit they called Santa Claus, magical reindeer, and at Easter time a bunny that lays colored eggs. Talk about Jews fables, (Titus 1:14).

The Jewish led Revolution in Russia cost over 35-million dead, far exceeding the blown up figure of 6-million Jews in the World War II Holocaust. Since then, over a 100-million died, and are still dying under this Jewish terror, many of them Christians who were not RAPTURED, when the enemy took over. Have you ever wondered why the Jewish media, TV, and Hollywood never bring this to our attention, while the Jewish HOLOCAUST, is constantly being pounded down our throats?

Why was the most vicious persecution by Jewish-Communism in Russia against Roman Catholics, Pentecostals, and Baptist? It was because these three groups, more than any other Christians, believed in the necessity of blood atonement. The very Fundamentalists who support the anti-Christ Jews, and have raised them to the position or respectability, are the ones who will suffer most if World Zionism ever takes over control of America. The first one's to go will be the Jerry Falwell's, the Pat Robertson's, the Jack Van Impe's, and the David Webber's, who brag about being Christian Jews. Yet these seemingly intelligent men, have allowed themselves to become blinded to the obvious truth and are heading our people down the pathway to Communist and Jewish terror.
The very word *Cain,* signifies a love for worldly things, and the Jews motto is: "The gelts the thing", (what you can get from the Gentiles, no matter what you must do to get it. It permeates the teachings of their sacred book the TALMUD). Referring to Harold Rosenthal once again, he said, "During Christ's time, we Jews were seeking a material and earthly kingdom but Christ offered the Jews a spiritual kingdom. This they couldn't buy, so they rejected Jesus Christ and had Him crucified." He went on to say, "Money is more important than morality. We can accomplish anything with money. Our people are proving themselves in Israel and the kibbutz raised intellectual elements are going to build that little country into a mid-east wonderland. It will eventually be the base for World Government Headquarters."

What does God's Word have to say about this? Turn to Malachi 1:2-4, as God speaks to Israel, "I have loved you, saith the Lord. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the Lord: yet I loved Jacob, And hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. Whereas Edom saith, We are impoverished, but we will return and build the desolate places (what they are doing now in Palestine); thus saith the Lord of hosts, They shall build, but I will throw down; and they (true Israel) shall call them, The borders of wickedness and, The people against whom the Lord hath indignation for ever." So much for Mr. Rosenthal's predictions, the Word of the Lord shall come to pass!

The spirit of modern Judaism can be seen in many Jewish writings and in the actions of Jewish organizations such as the Anti-Defamation League. Listen to this statement from one of their leaders, "We intend to rule the world, and nothing you can do will stop us. We have our defamation committees and have all Christian preachers classified in our card index files. If any preacher dares say anything against a Jew, we will fix him."

When you consider that Jews make up less than 3% of America's population, doesn't it seem strange to you that they have taken so much power on themselves? This is true not only in America, but through the Israelite world of White Christendom. There are many intelligence documents available which prove without a shadow of a doubt, that Khazar. (Ashkenazi) Jews have been, and now are, in the forefront of Communist efforts to subdue the world. In spite of what you may have heard, even from conservative organizations such as Liberty Lobby, Communism is not dead. It has just changed it's name and is now called the New World Order. It is still controlled by the same International Jews, who have operated it from the beginning.

In the past there have been men such as Sam Carr (Cohen), the Communist Organizer in Canada; Fred Rose (Rosenthal), organizer of Communism in French Canada; the German Rabinovich was in charge of American Communists; John Gates (Israel Regenstreif), editor of the American Daily Worker, (a Communist rag) and Gus Hall (Hallberg), the perennial head of the American Communist Party for many years, who ran for President on it's platform. Hall was the man who bragged: "I will live to see the day, when the last preacher is strangled with the guts of the last Congressman.

"The Christians love blood so much, we will give them all they can handle, as we cut the throats of their children and drag them over the altar rails of their churches. May the parents drown in the blood of their own children." You folks who back the Jews, better look at statements such as this, for they reflect Jewish hatred for Christ and Christianity and are not idle threats.

The traitors to America in the last century, especially those who have given America's atomic secrets to the enemy, have been almost 100% Jews. There have been men like Harry Golden (Abraham Brothmann); Miriam Moskowicz; David Greenglass, and Julius and Ethel Rosenberg, who were the ones executed and who have been made martyrs by the Jewish Community. Dr. William Perl of Columbia University, was arrested as part of a Communist spy ring. He had changed his name from Utterpereri. The true head of the American Communist Party was another Khazar Jew named Gerhardt Eisler.
When asked why Jews often take Anglicized names, a Jewish spokesman said, "Jews are the most intelligent people in the world so if it benefits them to change their names they do so. That's all there is to it. They mix in your society which is plenty corrupt in itself - so while the Jews are benefiting themselves the dumb goy doesn't realize that these Jews with non-Jew names are Jews. Don't be concerned with Jews in the Government who have changed their names, because in the foreseeable future there will be no goyim Presidential power in the United States. Our Invisible Government will take over." (It should be noted, that for years, Jews in Hollywood and in the entertainment world, have changed to Anglicized names to hide their Jewish background.)

It has only since World War II, that Jewish power has noticeably increased in the United States. As long as France, England, and Germany were politically powerful, the Jews jumped on their bandwagon, but as America became the most powerful nation internationally, suddenly the seat of International Jewish power switched from London, and Berlin, to New York City.

Along with this switch of power has gone an interesting, startling, and dangerous phenomenon, as we now see almost complete Jewish control over what was once called a Free Press. In 1840, a Jewish Council was called at Cracow, Poland. This was a sort of Ecumenical Council, where the most prominent leaders of World Jewry, from all factions, sat down for consultation. The object of this meeting was to find means of securing the triumphs of Jewry in their move towards world dominion. Different subjects were discussed. Some dealt with theology; some were in the field of politics; while others dealt with finances. A lively debate arose, during which a clear voice made itself heard, in the form of one of the world's most important Jewish authorities. He said, "What are we talking about? So long as we do not have the world press in our hands, all we say will be idle talk. In vain will you organize societies, loans, bankruptcies, and the like; so long as we have not the press in our hands to deafen and deceive the world, we accomplish nothing, and our rule will remain merely the platform of our brain." He was merely expressing what had been laid down in the controversial PROTOCOLS, of 2, 5 "In the hands of the State today there is a great force that creates movement of thought in the people and this is the Press. The part played by the press is to keep pointing to our requirements. The Goyim States have not learned how to make use of this power, and it is now in our hands. Through the Press we have gained the power to influence others, while remaining ourselves in the shade."

His listeners recognized the Satanic wisdom of these words and a new light dawned in Jewry, which sent them in a new direction. They began an immediate campaign to control the world's news media. From that date in 1840, we have seen the effect of that Satanic project to turn the press of the world into an engine of war, a sort of artillery, which can be directed against any kind of obstacle that opposes Judaism.

I'm sure that many of my readers have had frustrating experiences in dealing with the Press. While articles favorable to Jews are printed without problem, it is like pulling teeth to get an article printed which discusses the Jewish questions with candor, even when the facts presented are documented. While many conservative Christian organizations are handled with contempt by the press, the A.D.L., the J.D.L., and most Jewish organizations are handled with kid gloves. It is rare indeed to see an article critical to International Zionism in a daily newspaper and the same is true in the field of book publishing.

The first class up for control became important newspapers such as the New York Times, The Washington Post, The London Times, Les Debats, and "Independence Beige in France.

At the present time (1982), more than 47 major weekly magazines, with a circulation of over 79-million, are either directly owned or controlled by Jews. Listed below are a few of them:-

**NOTE:** There may have been some change in ownership and control, as this list was made some years ago, and Jewish control has increased tremendously since then.

In addition to the above, there are more than 17 daily newspapers with a circulation between 250,000 and 500,000 which are Jewish owned and controlled, including such newspapers as the San Francisco Chronicle, the Miami Herald, the St. Louis Post Dispatch, the Atlanta Journal, the Indianapolis Star, the Boston Globe, the Kansas City Times, and the Omaha Herald.

Add to this the nation's major TV networks - ABC, CBS, NBC, and Metro-Media, and the major Hollywood movie studios, and you begin to realize the tremendous control Jewry exerts over the thinking of the American public, including countless millions of Christians.
Public attention was called to this fact a few years ago, when General George Brown, Chairman of the Joint Chiefs of Staff and former Vice President Spiro Agnew, were forced to leave their jobs over remarks they had made about the Jews which were not considered to be politically proper. Both of these men suffered when they tried to warn their countrymen about the plans of Zionism.

A corporate director, or an editorial manager of Jewish descent, may not be Zionist, but it is reasonable assumption that his sympathies will coincide with those of International Jewry, especially when his job depends on it, and this feeling, no doubt will be translated into biased accounts which interfere with any objective reporting of the news.

The bias of a news director can easily be passed down to his subordinates over lunch, cocktails, or even in the executive washroom. As you must know, pay and promotions usually depend on the good will of the boss, and very few reporters have the guts to buck the boss' wishes.

Within a large newspaper chain, such as those owned by the New York Times, or the Knight-Rider Newspapers, Inc., individual papers may vary in their editorial positions on many issues, some may be pro-Republican, while others will be pro-Democrat. When it comes to Jewry, they will be 100% pro-Israeli. Word from the top has a way of filtering down to the lowest reporter and if he wants to keep his or her job, the must toe the Zionist line.

The three major TV networks and Hollywood have been under Jewish control for a long time, and major newspapers such as the New York Times and the Washington Post have been under Jewish control from the beginning. Other once great newspapers such as the Chicago Tribune which was at one time noted for its conservative Christian stand under the direction of Colonel McCormick, have now been taken over by Jews and serve Jewish purposes. The same is true with organizations such as Walt Disney World in Florida. Today under Jewish control, this once family oriented amusement park, has become the dwelling place of all kinds of foul moral beasts, while its theme is now anti-Christian.

It is interesting to note that the so-called Wall Street Journal and the extremely liberal New York Times, cooperated in the defense of the Jew Helmuth Sonnenfeldt, who was counselor of the U.S. State Department under the Zionist Secretary of State, Henry Kissinger, when he was opposed by some in Congress to an appointment as Under Secretary of the Treasury for Monetary Affairs. These newspapers defended him when serious charges were brought against him, accusing him of transferring highly classified military information to the Israeli government. In their defense, the positions of these two newspapers were identical. The impact of this influence in the newspapers, is compounded when we add TIMES, NEWSWEEK, and U.S. NEWS AND WORLD REPORT, to Zionist positions.

The major Jewish influence is on the few non-Jewish newspapers and commentators who are often forced into taking a Jewish stance in order to stay in business. The late Dorothy Thompson who was an influential commentator for years, lost all of her outlets, when she spoke out against Zionism. Joseph Kraft and C.L. Sulkenberger are two examples of pro-Zionists columnists, who while their stand was repugnant to many Christian readers, still held high paying positions because they are willing to brown-nose the Zionists. There is no need to speak out about men like Peter Jennings, who make great show on their TV programs, while being paid prostitutes of Judaism!

The Jewish mechanics in controlling small newspapers is to cut off it's advertising and shut off it's paper supplies. As a result, very few independent newspapers will buck the Zionist line.

There are several vicious Jewish commentators on TV, such as CBS Sixty Minutes, the 20/20 Show, and at one time the PHIL DONAHUE SHOW. All these are distinctly liberal, pro-Zionist, and anti-Christian and are all run by Jews.

This Jewish control did not come about by accident, nor is it haphazard. It was a well designed plan to control the thinking of White Christians in particular, through a process known as
PSYCHO-POLITICS. This is the art of controlling the thinking of a people under conquest, so that eventually you can completely control them physically. Note: Throughout Jewish literature, Jews never refer to themselves as White. In many cases, the make clear distinction between Jews and the White race.

Their constant campaign to brainwash Americans, especially White Christians, has brought about the conditions they need for complete world take over. Their textbook states that the end result of PSYCHO-POLITICS is to, "produce a maximum chaos in the culture of our enemy. Our fruits are grown in chaos, distrust, economic depression, and scientific turmoil...so use the courts, use the judges, use the Constitution of the country and it's laws to further our ends." A good example is their love for the First Amendment, as long as it applies to Jewish freedom of speech.

The plan to control national communications, presented in Poland in 1840, and which was first implemented in Europe, took root in the United States immediately following World War II, when the head quarters of International Zionism moved from London to New York City. The Zionists realized that both Britain and France were becoming second class powers and that world power had passed into the hands of a few, immensely wealthy, powerful Jews in America. Although both David Ben-Gurion and Golda Meier (the first Zionist Ambassador to the Soviet Union and an avowed Communist sympathizer) wanted an alliance between the Soviet Union and the Israeli nation in Palestine, with a Communist label, they told Ben-Gurion that since most of his financial support would come from the United States, they did not want any alienation of American opinion. They argued, that in view of the open, democratic way of life in the United States, they would be able to dominate our political life, while this would be impossible in the Soviet Union.

The use of the Press by the Jewish minority, strengthens my arguments concerning International Jewish control. Coordinating business interests with those of politics, the Jewish run media has profited immensely at the expense of truth for our people. They have used the media as a ring in the nose of a bull, to control American politics. Until this Jewish Control is broken once and for all, misfortune, confusion, and continued decadence will be the order of the day, until our people will revolt in a bloody revolution, or are lead docilely, into their International Slave Plantation. There will be no national liberation or regeneration as long as these con-artists control American thinking. That they believe a revolution is in the offing, can be seen by their vicious drive to get firearms out of the hands of the American patriot. They cannot take over control, as long as 70-million Americans remain armed. So they will use every means possible, including contrived violence to bring this about.

The United States is a nation young in tradition. We believe, rightly, that "brave men should stand between their homes and wars desolation." We are rightly being angered with being used as guinea pigs to fight the Jews wars, where only they benefit and we suffer the losses. The nomadic Jewish people, on the other hand are one of the oldest political entities in the world and Jewry was born under conditions that called for it extinction without a homeland. May I suggest you study Genesis 4:9-18.

The Jews for centuries have practiced the art of deception, until it has become a second nature to them. They have waged war for over 25 centuries and are taught the art of deception from the day of their birth. The very nature of their TALMUDIC religion is one of deception of the goyim. This means that there are over 4-million combat ready fighters deployed in the United States alone, who will rape, murder, and terrorize if necessary at the command from Jerusalem. Many of these have high positions in our Gentile governments.

While the government goes out of its way to strictly control all so called right wing Christian movements, and views with suspicion any movement which is meant to protect Christian civilization, the Jews, through organizations such as the JEWISH DEFENSE LEAGUE, are free to train their fighters, using fully automatic weapons which are illegal for Christians to use. They are free to bomb Jewish synagogues, and desecrate Jewish graves and lay the blame on radical right wing organizations such as the Ku Klux Klan, or the Neo-Nazis. For the Nationalist Jews,
"the end always justifies the means, no matter how horrendous this maybe", and they have been known to kill thousands of their own lesser brethren (the little Jews), when it is deemed necessary for their success. The startling thing is that they have been able to fool most Christians into believing that of all people in the world, only they have this right.

INTERNATIONAL JEWRY ALWAYS FOLLOW THE FOLLOWING

FOUR PRONGED STRATEGY:

1. - Manipulate members of the host nation into helping the Jewish people, no matter how dangerous it may be to the welfare of the nation.

2. - If an individual refuses to cooperate, by-pass him and take care of him during mop up operations. This is an unbreakable rule of warfare.

3. - If the enemy actively resists, mark him for destruction and then destroy him through defamation brought about through control of the media, or by using the nation's due process of law through Jewish controlled courts and lawyers.

Listen to this idea espoused in their handbook on PSYCHO-POLITICS, Page 52: "Recruit every agency of the nation marked for slaughter into a foaming hatred of religion . . . You must suborn district attorneys and judges into an intense belief . . . that Christian practice . . . is vicious, bad, insanity causing, publicly hated, and intolerable. Just as in Russia we had to destroy, after many years of arduous work, the Church, so we must destroy ALL FAITHS in nations marked for slaughter. "This is the Jewish TALMUDIC plan for America.

4. - Never let any individual or organization in the host nation, use the media or the courts to counter-attack us, or for their own defense. Any close look at recent court decisions, will show this bias against Christians, since a majority of the Judges and attorneys are Jews.

This theory has been eminently successful in America, to the point that when a Jew attacks Christ or Christians it is considered acceptable as freedom of speech, but if the Christian is unwise, or brave enough to retaliate and expose the Jew's nefarious purpose, it is automatically classified as anti-Semitism, or a hate crime. Often Christians are ostracized by their own people, who are willing to believe the enemy, rather than their own. I experienced this when I left the Fundamental Baptist Church, in 1981, for the Truth of Israel Identity and the Kingdom Movement. I was immediately labeled an apostate by my own pastor, and in the intervening 18 years, not one Baptist pastor, has attempted to show me where I was wrong from the Word. They avoid me as though I had the plague.

If I as an Anglo-Saxon author, were to charge that my writings were not accepted in Fundamental churches, not because they were unscriptural, but because they would not pass Jewish censorship, there would be a great hue and cry coming from the Fundamentalist camp, and I would immediately be labeled an apostate. Not because I had departed from the "fundamentals of the faith," but because I no longer accept the anti-Christ of Judaism, as God's Chosen.

Is the most powerful nation in the world, when measured by tangible armaments, totally unable to defend itself against treason from within, and an ideological war, waged by a handful of aliens against our very foundations?

Certainly America is unprepared for this war, when we have traitors against the cause of Christ, who stand behind the pulpits of this land, extolling the merits of the enemy. We have been infiltrated and the church has become the main source of our problem. We are told in Jeremiah 23:22 - "But if they (the pastors of Israel) had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil ways, and from the evil of their
doings. "This wasn't happened in America, and it shows by the fact that with 50-million born again Christians in the country, we are headed for hell faster now than at any time in our history.

Most Christians, including their pastors know very little about the Jewish religion, other than what they read in their Sunday School literature, which may very well have been written by an unsaved Jew. The same is true of graduates from Seminaries and Bible schools, which have been heavily infiltrated by Jews.

Most Christians believe that Jews follow the teachings of Moses, although their Bible clearly shows them that Jesus told the Jewish authorities, "For had you believed Moses, you would have believed Me: for he wrote of Me. But if you believe not his writings, how shall you believe my Words?" (John 5:46,47)

There are very few Jews of Abrahamic blood and these are to be found among the group called Sephardim, Mediterranean Jews. The much larger group, possibly 90%, are of Oriental, Turco-Mongolian blood and their fore fathers never set foot in Palestine. These are the ones who have accepted the heathen teachings of the TALMUD, and are ruled in their religious life, by it's filthy, anti-God teachings.

Most of their ancestors came from a heathen group known as Khazars, from Southeastern Russia, who were converted to Judaism in the 8th Century A.D. May I suggest that you read the Jew Arthur Koestler's book "THE THIRTEENTH TRIBE."

The vast majority of Judaism are atheists and agnostics. They believe the coming Messiah is the Jewish nation, as it rises to prominence and takes over control of the world, and this is what they live for. They look forward to the day promised in their TALMUD, when "every Jew will have 2,000 goyim slaves."

It is interesting to note that wealthy Jews in the fields of arts and culture refer to promising young talents as stables. Could this have something to do with the Talmudic teaching that "Only Jews are men and that all others, especially Christians are goyim animals? (TALMUD, Volume KERITHUTH (6b, page 78), or ORACH CHAIM (225,10), where Christians and animals are grouped together for comparison.

Like all conspiracies, the Jews have one glaring weakness. Their work must be done in secret to be successful. This is why they raise such a stink, when anyone exposes their nefarious purposes.

Their victims must not know what is taking place. They must be lied to, or be made so confused that they refuse to accept the obvious truth when JUDAISM is EXPOSED. If the Christian world ever accepts the truth about Judaism, they will be defeated! Jesus said, "You shall know the truth, and the truth make you free." (John 8:32) Truer words were never spoken!

This is why any honest attempt to expose Jewry is met with howls of anguish, from both Jewish leaders, and their Christian stooges. They immediately react by pinning the labels of kook, dangerous-racist, anti-Semite, or Right wing extremist on the exposer. The fact that he is telling the truth, only adds fire to their accusations.

Referring again to Harold Rosenthal, he stated, "Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is an expression we Jews use effectively as a smear word - used to brand a bigot - anyone who dares to criticize a Jew. We use it effectively against hate-mongers." It is a term that has only recently been created, and has little real meaning, since the majority of the people we know as Jews are not Semites. The Jews use this tool to control and silence opposition to their repugnant ways.

When Jesus spoke to the Jewish leaders of his day, they openly revealed that they were not Israelites. Read it for yourself, John 8:33 - "They answered him, We be Abraham's seed, and were
never in bondage to any man:" Which could have meant only one thing. That they traced their ancestry to Abraham through Esau, which meant they were Edomites. We know from historical records that King Herod, who killed the Hebrew babies, and the Chief Priests of the Jews were Edomites. Don't let your pastor spiritualize this passage away, for it is essential in knowing the truth.

Because the truth will make Christians **FREE**, we see two Jewish programs at work in the world. The one is intended for **goyim** consumption, while the other is exclusively for Jews. No matter what a Jew may say to his **non-Jewish counterpart**, he will always be seeking a kingdom to come, on this earth, over which he will be the Supreme Ruler. This desire for a Jewish nation, according to their own writers, will be fulfilled, when the wealth of the world is in their hands and all mankind bows at Jewish feet. This could account for Jewish statements, such as that made by a Rabbi Reichorn, in 1856, at Prague, when at the funeral of another Rabbi he said, "Wars are the Jews harvests. With them we gather up the gold of the goyim while destroying them. We have already killed 100-million of them, and the end is not yet!" You will always find the desire for Jewish power and wealth, accompanied by **oceans of blood.**  

**Note:** As the 20th century comes to a close, almost half a billion people have lost their lives because of Jewish dictators or bankers financing oppressive regimes. Every nation on Earth, all races, religions and peoples, have paid blood sacrifice, so Jews can get what they want.

There is little doubt that Henry Ford, Sr. the American Christian Industrialist was right, when he wrote in his book **"THE INTERNATIONAL JEW,"** "If the Jew were fully understood by the Gentiles, if Christian Churches for example, were freed from the delusion that Jews are Old Testament people, and if the churches really knew what Talmudic religion is, this misrepresentation would be impossible. This policy of misrepresentation succeeds, because there is a feeling, strongly entrenched in Gentiles, that somehow the Jews are Chosen People, and that it is dangerous to oppose them in anything; whoever opposes the Jews is damned. The 'fear of the Jews', is a very real element in their life. It is just as real among Jews, as it is among non-Jews, since the Jew himself is bound by fear of his own people and exercises in fear of the curse through the sphere of religion.

"If the Jews were really Old Testament people, if they were really conscious of a mission to be a blessing to all mankind, the very things in which they offend would automatically disappear. If the Jews are being attacked, it is not because he is a Jew, but because he is a source and life of certain tendencies and influences which, if they are not checked, mean the destruction of a moral society."

How true this **far seeing** man was. After spending years in research and over 8-million dollars studying the Jewish problem, he came to these conclusions and as usual, International Jewry attempted to destroy him for speaking the truth. **Note: The tried ti kill him.**

Another great American, who lived many years before the time of Henry Ford, saw this same problem and came to the same conclusion. This is taken verbatim from the **"CHRISTIAN LAW JOURNAL,"** No. 32, 1982, the official publication of the **GOSPEL OF CHRIST'S KINGDOM CHURCH:**

"As the American colonies rose in revolt against political oppression occasioned by the attempt of Jewish banking houses in Europe to consolidate their economic foothold in the New World, no man among the founding Father's was more alert to the designs of International Jewry, than that shrewd elder statesman of the American Revolution, Benjamin Franklin. Writing to John Adams from Passy, France, on November 26, 1781, Franklin declared: 'I think that keeping us out of possession of fifty thousand pounds sterling worth of goods for securing of a demand for damages, is not only dishonorable treatment but a monstrous injustice. It seems to me. that it is principally with John Neufville of Amsterdam, Holland, we have to do; and although I believe him to be as much a Jew as any in Jerusalem, I did not expect that, with so many and such constant professions of friendship for the United States with which he heads his letters, he would attempt to enforce his demands by a proceeding so abominable. His proposition of terms on which he would borrow
money for us stamped his character on my mind with an impression so deep that it is not effaced." From Albert Smythe's *WRITINGS OF BENJAMIN FRANKLIN*, New York, 1905.

De Neufville, was a Dutch Jewish International banking house that wanted to make a loan to Congress on the modest security of the entire Thirteen Colonies and with the stipulation that all American trade and exchange pay a commission on them. In another letter to Adams on December 14, 1791, Franklin remarked that such blood-sucking traits dated back a long way.

In another instance, Franklin revealed his loathing for Jewry in a poem on Benedict Arnold. It was replete with references to Arnold's association with the Jews. The inevitable Jew in the Arnold treason case, was a David Franks. It seems that Franks and the British General Sir Henry Clinton, were involved in illicit trading activities long before Arnold betrayed the American Army into British hands.

Franklin's most damning indictment of Jewry was contained in his famous prophecy at the Constitutional Convention of 1787 in Philadelphia. In one of the most anti-Jewish utterances of all times he declared: "I fully agree with General George Washington, that we must protect this young nation from the assiduous infiltration. That menace, gentlemen, is the Jews.

"In whatever country in which they have settled in any great number, they have lowered its moral tone; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion, on which this great nation is founded, by objecting to its restrictions; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as is the case in Spain and Portugal.

"For over 1700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live among themselves. They must subsist off Christians and other people not of their race.

"If we do not exclude them from these United States in this Constitution, in less than 200 years, they will have swarmed here in such numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, and given our lives, our substance and jeopardized our liberty.

"If we do not exclude them, in less than 200 years our descendants will be working in the fields (while they will be in the counting houses, rubbing their hands). I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they have been away from Asia, they will never be otherwise. Their ideas do not conform to those of an American, and will not, even though they live among us for ten generations. A leopard cannot change it's spots. Jews are Asiatics, are a menace to this country, if permitted entrance, and should be excluded by this Constitutional Convention."

We are now learning the truth of this statement, which was written over 200 years ago. These remarks were recorded in *CHIT CHAT AROUND THE TABLE DURING INTERMISSIONS*, a section of the diary of Charles Cotesworth Pinkney, of South Carolina (1746-1825), who attended this convention as a delegate, and took down excerpts of some of the outstanding addresses and discourses which he later published in his diary.

Unfortunately all copies of the Pinkney Report have mysteriously disappeared from libraries during the 1930's and the only known copy was in the Franklin Museum in Philadelphia. I'll leave it up to you to decide why these remarks were removed from American consumption.
If Franklin were alive today, I'm sure he would be in the forefront of a new American Revolution, this one to free our beloved country from the poisonous influences and domination, he warned about over 210 years ago. It might be well for you to know that there are several affidavits from well known and respected citizen's testifying to the authenticity of Franklin's statements in the Pinkney Journal.

As Franklin predicted, Americans now work five months out of the year, to pay off the Jewish money changers who hang around our necks like a smelly dead albatross, and where generations to come, will be saddled by a grievous financial burden we have run up by catering to these vampires. It can only grow worse, until Americans are willing to "take the bull by the horns", and do something to stop it. This must begin with the curtailment of Jewish influence in our government and church.

It is a gross understatement to say that International Jewry has trampled underfoot the rights of all Americans, especially those of White Christians whom they hate. In their relentless conquest for world dominion, they have brainwashed us into the deadly habit of issuing bonds, not only by the nation, but by municipalities, school boards, and churches. By doing so, they have seduced us into mortgaging away our national wealth for subversive purposes which are destroying us.

A few years ago, before I got into Identity, I spoke at a large Mid-west Fundamentalist church, whose pastor was prominent in the ranks of the Moral Majority. This was during the first days when the Holy Spirit was opening my eyes to the danger from Judaism. I spoke to him about what I had learned regarding the Jews, and received a favorable response as he said, "Yes, what you say about them is true, and I have known for some time that they could not be God's Chosen." Being his close friend, I asked, "If you knew this, why haven't you told your people?" With a rather crestfallen look on his face he replied, "I can't! You see, Jewish bankers in this city hold 1.7 million dollars worth of bonds on my church, and if I said anything bad about them, they would foreclose and force me to shut the doors." A perfect example of "For fear of the Jews", found throughout the Bible. (See Esther 8:17; John 7:13; 9:22; 12:42; 19:38.) Now the I.R.S. has stepped in with my pastor friend, and is attempting to complete the nefarious task the Jewish bankers began.

The interest on these Jewish held bonds goes on continually, day and night, without interruption. It's course sweeps like a tornado over the fair fields, destroying everything in it's path, bringing death and destruction to everything it touches. It is the seat of World power, that of accumulating interest, and has become the most effective weapon in the world as the Jews use it for their control of mankind. Our Congress, lead by a traitor in the White House, sold us out to the International Jewish Bankers, in 1913, when they passed the Federal Reserve Act, taking the power to coin and control our money, and gave it into the unscrupulous hands of the Jewish bankers of Europe. There were only two dissenting votes against it, by the only two Senators who bothered to read the Bill and see what it contained.

These facts are constantly staring us in the face, and cry out for decent people's recognition. Our only answer to the money problem is to keep out of debt, and many of you who read these words will understand how extremely difficult this is during these days. The financial welfare of individuals, as well as nations demands this! The power of the usurer will be broken, when our debts are liquidated on a just an equitable basis. Congress could do it with one Bill, just as they created this monster in 1913, if they had the courage to stand by their oath of office and oppose the International gangsters. Here again we see the Fear of the Jews! syndrome at work.

During the Dark Ages, men raised a great outcry against the priest craft of the Roman Catholic Church which was strangling old Europe. These were the dark old days, when it was against the law for a Christian to read a Bible, if one were available. The power of the priests was small, when compared to that of the Jewish money changers. Concealed behind their office desks and bank counters, these heathen parasites gnawed into Christian wealth, and destroyed the vitals of mankind through their imposed Amorality. They followed an unwritten TALMUDIC law, which
says, There is no law which applies to me. I am a Jew, and I am above the law. Therefore the end justifies the means, as long as I get what I want!" This is the basic law of world Jewry and Communism, which comes from the same Satanic source.

While Christians may expel apostates from the church, the Jews expel their opponents from the Stock Exchanges, from social connections, and finally condemn them to starve, with no roof over their heads. If we are to ever restore the social balance of America, we as Christians must take hold of this obnoxious Jewish weed, and tear it out by its roots. We must direct out attacks and exposures against the enemies of Christ and His church, no matter how loudly their friends in the Judeo-Christian world may scream. This evil, which has brought the world to the verge of destruction must be exposed and rooted out, if Christianity and freedom are to remain in America.

There seems to be an unwritten law among mankind, which causes them to impose their own conditions, even at the expenses of others. This has been the basis of personal wars which have plagued mankind since the beginning of written history. We find the reason for this in the New Testament, where the Apostle James tells us in James 4:1-3 - "From whence come wars and fighting's among you? Come they not hence, even of your lusts (an intense craving for material things) that war in your members? You lust, and have not: you kill, and desire to have, and cannot obtain: you fight and war, yet you have not, because you ask not. You ask, and receive not, because you ask amiss, (wrongly) that you may consume it upon your lusts."

Looking back over 6,000 years of written history, we can see the truth of this statement. There seems to be three major principles for war:

1. - The **PRINCIPLE OF PHYSICAL FORCE:** The Communist Textbook on PSYCHO-POLITICS puts it this way, on page 30 - "If you would have obedience you must have no compromise with humanity. If you have obedience you must make it clearly understood that you will have no mercy. Man is an animal and he understands in the final analysis, only those things which a brute understands." This is why we have the theory of Evolution taught in Humanist schools. If you can convince young people that they are nothing but graduate animals, not worth very much in earth's scheme of things, then you can mold them to your pattern, and they will commit horrible crimes on the Slave Master's orders.

2. - The **THEOCRATIC PRINCIPLE:** in which the masses of a country are forced to accept a religion, foreign to them. This example can be seen in many Moslem countries which were forced by the power of the sword, to accept Islam. It can also be seen in many of the conquests of the Roman Catholic Church during the Dark Ages, when they forced most of Europe to accept Catholicism or be killed. They then carried it over to the New World among the Indian Tribes of Mexico and Peru.

3. - The **PRINCIPLE OF MATERIAL INTERESTS:** This is where people are enslaved, not so much by war, as by economic oppression and brainwashing. The enemies are past masters at mind control, for they have been practicing it for millenniums. This is why an influential Jew like Harold Rosenthal could say, "Most Jews throughout the world - I'd say more than 90%, know what is happening among our people. (This sort of explodes the Judeo-Christian theory, that most Jews are innocent of what their leaders in Zionism are attempting to do, and why will seldom hear a Jew complain about the actions of his leaders.) We have communications unequaled anywhere. It is only jerks, the ignorant and misinformed degenerates who can find peace in your society - you bastards hide your sins by donning sheep's clothing. You are hypocrites - not Jews, as you write about! In Russia there are two distinct governments - one visible and the other invisible. The visible is made up of different nationalities, where as the invisible one is composed of all Jews. The powerful Secret Police takes orders from the invisible Jewish government. There are about seven million communists in Soviet Russia, (this was in 1975).50% are Jews and about 50% Gentiles - but the Gentiles are not trusted. About once every five years the secret Jewish Board calls for the purge of Party members, an the Gentiles are eliminated!"
When asked, "Why!" he said, "When they begin to understand too much about the secret Jewish government and how it controls Russia, they are eliminated." He went on to say, "There will be a forced class warfare here in the United States, and many of you will be liquidated. The Jews will not be harmed! I'm not boasting, I'm just giving you the facts.

"It's too late for you Christians to put up a defense, that time passed long ago. Long ago we Jews became the aggressors and that is undoubtedly one of our MAJOR purposes in life." Many Jewish leaders will, and have collaborated the words of this boasting Jew.

The first two principles are well known and appeared early on the stage of history. They can be seen in the actions of Egypt, Assyria, Babylonia, Persia, Greece, Rome, and in modern times in the Papacy, and in Russia, China, and Germany.

The conquests of the "PRINCIPLE OF MATERIAL INTERESTS", while much more destructive than the other two, has operated behind a smoke screen so that few have understood it.

The MATERIAL INTERESTS of mankind are the focal point towards which all other desires point. So to control material interests means total control of mankind.

A conquest founded on this principle is not a victory of armed strength over weakness, or a victory of knowledge over ignorance. It becomes a victory of cunning and intrigue, over confidence and carelessness. This is why a very wise Founding Father once said, "Eternal vigilance is the price we must pay for Freedom!"

How many times when discussing the problems of Communist control, have you heard Americans, especially Christians say, "It will never happen here!" Yet while they repeat this trite phrase, they are doing absolutely nothing, to keep it from happening, relying on their pet phrases, ...This world is not my home, I'm just a'passin' through!" or I'm saved, you know, and Jesus will come back and RAPTURE us before it gets all that bad," or as one naive pastor said, "Why polish brass on a sinking ship?" I agreed with him, but what's wrong with the man's thinking, when he refuses to check the lifeboats to see if they are in working order? Note: If you read the Ten planks of the Communist Manifesto, you will clearly see that America, as well as other Western countries, are communist nations. The trade treaties, NAFTA and GATT, are trade communes, complete with Soviet, Star chamber arbitration systems.

In this book I will discuss how the conquest of mankind is now nearing it's completion and the part being played in it, by it's principal actors, Satan's Kids, (John 8:44) sometimes referred to as International Jewry.

Many of you will be dismayed by what I say and some of you may be tempted to throw this book away before you finish reading it. I will assure you, that if you read it in an honest Christian manner, and let the Word of God be the Umpire in the case, that it will blast away the Jewish myths the Apostle Paul warned about in Titus 1:10,14. It was not written for the purpose of making money, as so many writer sin the Judeo-Christian world, such as Hal Lindsey are guilty of. It was not written to lead you astray from the truth of God's Word, for that will be our foundation alone. It was not written because I hate Jews and want to harm them. It was written for the same purpose I might have, if I was driving past your home early some morning and saw smoke and flames shooting out of one of the windows. As a decent Christian man, I would be compelled to stop and warn you. Suppose I was like many Judeo-Christian pastors, and as I hurried up the sidewalk to your front door, I noticed the time was, 2:30 a.m., and thought, "They are sure going to be upset if I wake them at this hour." So I turn away, your home burns to the ground with your family in it. I'd be as guilty of murdering them, as if I had held a gun to their heads. I know that some day I will have to stand before the King and give an account to Him. I am more interested in hearing Him say, "Well done, good and faithful servant," than I am receiving your praise now.
So I do not ask you to believe me, or even accept what I say. I do suggest, however that you be honest with yourself and read this entire book before you make up your mind. Then take the facts I have given you - place them under the most powerful magnifying glass you can find - the Word of God - and when you find I have told you the truth, then take a stand in proclaiming this truth, for only as God's people, and I'm referring to genuine Christians, standing in the gap, can this nation of ours survive.

Today, the Divine and Sacred mission of the Christian faith is in jeopardy, to a degree never before witnessed in it's 2000 years of history. If the day ever arrives, when Christians can no longer profess their Christian faith, and this is what the enemy is working for, then civilization will go back into another Dark Ages. The malignant character of the malady that is afflicting Christianity today is as progressive as a malignant cancer. It will surely prove fatal, unless we are obedient to the King, and Occupy until He comes.

While many may scoff at the idea of a great world-wide conspiracy to destroy the faith and Christian Civilization, it never the less exists. To bury our heads in the sands like the proverbial ostrich, will prove fatal. We need a spiritual Paul Revere, who will ride across this nation warning that our enemies are moving against us.

Thousands of Christians in the Judeo-Christian churches of our land are troubled by the mysterious pressure among Christian clergy that keeps them from telling the whole truth. If our people were told the truth, they would stand like the Rock of Gibraltar against the enemies of Christ and the Church. It's difficult to fight a battle, when many of your spiritual leaders are on the enemy side.

The Jewish people, alone of all people on the face of the earth, have discovered the secret of the principle of material interests and how it can be successfully used in their search for world power.

If you examine history closely, you will find from the earliest times of their existence, that Jews have used this weapon in their fight against the world, and Christians in particular. It was on this Principle that their entire religious, social, and political structures has been built.

At this point, we will run into our first major problem in discussing Judaism. As you study your Bible, you will never be able to understand it fully, if you use the terms Hebrews, Israel, and Jews synonymously. They are not one and the same people. The word Jew does not appear in your King James Bible until 2 Kings 16:6, 1200 years after the time of Abraham, where we find them fighting against Israel. Note: The word Jew did not appear in any Bible prior to the mid 1800's.

This first appearance came about 1,000 years after the time of Jacob/Israel, and 750 years after the time of Moses, so to call these men Jews, is a grave error. Yet it is common practice in the Judeo-Christian church to refer to the patriarchs as Jews. This is intellectual dishonesty of the worst type. Jews do not appear on the historical scene until after the Kingdom of Israel was divided about 975 B.C., and they were known as IOUDEANS, which simply means an inhabitant of Judea. There was no religious significance to their name. It was not until the tribes of Judah and Benjamin (a small percentage of them) returned from Babylonian captivity, that they became known as Jews.

The Northern Ten Tribes which were taken into captivity in Assyria about 750 B.C. disappeared from the Biblical scene, and appeared later in secular history, as they made their way north and west to the Appointed Place of 2 Samuel 7:10. They became known as Scythians, Gauls, and Sacea, from which comes the word Saxon and literally means. Isaac's sons. They were the forefathers of European Christendom, and are the only people in the world who fulfill the more than 200 Scriptural fingerprints which will identity true Israel, in the closing out days of this Age. The people we know as Jews do not fit a single one.

With a little effort on your part, you can become acquainted with the spirit and character of the Jewish people and properly evaluate their present purpose on the International scene. It is
unfortunate, that in following this trail, we have only Jewish commentaries to go by. If the Philistines, or Babylonians had left reports of these people, it is quite possible that history would give us a different view point than we have today.

We are not sure from Bible sources, why Abram left Ur of the Chaldees, other than that in Genesis 12:1, God told him to leave, and he obeyed. In the great Faith Chapter of the New Testament, Hebrews 11, we are told in verses 8-10 - "By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: For he looked for a city which hath foundations, whose builder and maker is God." None of these men mentioned were Jews.

If you look at a map of the Ancient world, you will find that Ur is located on the eastern boundary of Arabia, southwest of Babylon. In all probability Abram was an Arab. There are many similarities between Arabs and true Jews. There are also striking differences.

There are some Bible scholars who believe the true Jew is a direct descendant of the murderer Cain, and that therefore they are a mongrel race, since he was the first Adamite to inter-marry with other then Adamic people. Obviously from the scriptural account, Cain could not have married into Adam's family. (Genesis 4:16-18)

There is some scriptural basis for this, and it has resulted in what is known as the TWO SEED LINE Doctrine, which states that Cain was the result of a sexual union between Eve and Satan, and that this was the original sin. I cannot accept this on the basis of Genesis 4:1, which clearly states that Adam has sexual relations with his wife, she got pregnant as a result and gave birth to a son they named Cain. There is absolutely no scriptural hint of any third party involvement here and I can not accept this fable, straight from the Jewish Talmud. I do not have time to discuss this issue here, which has caused a division in Identity, but have a pamphlet available from SCRIPTURES FOR AMERICA titled "SEED OF SATAN - LITERAL OR FIGURATIVE?"

When John the Baptist, spoke to the religious leaders of the Jews, He was very harsh with them and called them a "generation of vipers (poisonous snakes)" in Matthew 3:7. When Jesus spoke to them in John 8:44 he accused them of "being of your father the devil", and in Matthew 23:15, He told the Pharisees that they went over sea and land to make converts, only to "turn them into two-fold more children of hell than yourself." Hardly a Chosen People status. You milque toast Christians who don't like to face up to the true facts about Jews, please remember that these harsh designations are not mine, but came from the lips of our Lord Himself. Who are you going to believe? Your pastor who says they are God's Chosen, or your Savior who said, "But you (Jews) believe Me not, because ye are not of my sheep. (emphasis added are mine)

In Matthew 21:43, Jesus told the Jewish leaders that the Kingdom of God was being taken from them, and given to a nation (not church) that would "bring forth the fruits thereof." Could He have had been referring to the present day White Nations of Christendom who bear all the fingerprints, of true Israel?These are the only people who have spread His Gospel; they are only one's who distribute His Word to all the world; they are the only one's who have "set the captives free," and they have become a Great Nation, and a Company of Nations, in the British Commonwealth, all begun "for the glory of God, and furtherance of the Christian faith." No other people, anywhere, including the Jews, have fulfilled these fingerprints.

Finally, in 1 John 3:11,12, the Apostle John admonishes Christians to "...love one another. Not as Cain, who was of that wicked one, and slew his brother." Compare with John 8:44.

The Arab experience a beautiful, almost spiritual reverence for anything that is beautiful. While the Jew, on the other hand, when stopping to admire a flower, will at the same time be asking himself: "How much can I make out of selling it?"
Excessive covetness which the Apostle Paul calls *idolatry* Colossians 3:5 is an inordinate (unreasonable) desire for the possessions of others and this is the Jewish *second nature*.

The lust for material gain is so deeply ingrained in his organism that it extinguishes every other passion. Jews know no *self pride* and if you sneer at him for any reason, he will very probably "laugh in your face." If you attempt to praise him, he will make you look like a fool. If you venture to keep him from getting what he wants, he will turn into a tiger who will fight you to his last breath. His major aim in life is gain and anything which does not have this objective in view, is worthless to him.

A story will suffice to explain this. Two men lay dying on their death beds. One is a Jew, and the other is a Christian. The Christian is disturbed because he may have cheated his fellowman and wants to make it right before he meets his Maker. The Jew on the other hand, gloats over his ill gotten gains, and looks on them as God's blessing, because he is a Jew, and therefore God's Chosen.

This overriding passion for material things, places the Jews in a position of everlasting antagonism with the rest of mankind, or as the Apostle Paul said in 1 *Thessalonians* 2:15, "...they please not God, and are contrary to all men." For this reason he wages war with all those who do not belong to his clan and subscribe to his philosophy.

In their religious book, the "BABYLONIAN TALMUD", which Jewish authorities say is the heart blood of modern Judaism, in Volume "ABHODAH ZORAH" (26b) we read, "Even the best of the goyim (non-Jewish cattle) should be killed." In Volume "SEPHER OR ISRAEL" (117b): "If a Jew kills a Christian, he commits no sin." In Volume "ZOHAR II" (43a), we are told, "Extermination of Christians is necessary sacrifice;" while in Volume "HILKOTH AKUM I" (1) we read, "Make no agreement and show no mercy to Christians. Either turn them away from their idols, or kill."

These are but a few of the hundreds of Talmudic passages which deal with Jewish treatment of Christians.

The Jew is taught that he was created to cheat and take advantage of all other people. Again going to the TALMUD for reference, Volume "ZOHAR I" (160a): "Jews must always try and deceive Christians. Volume "IORE DEA" (159,1): "Usury is permitted for any reason when dealing with Christians." Volume "BABA KAMA" (113b): "the name of G-d is not profaned when a Jew lies to a Christian." These teachings are hammered into the heads of Jewish boys and girls at a very early age, until the Jew comes to believe, that the more cunning and greedy you are, the more you will receive the approval of God. This is of course is diametrically opposed to what Moses taught. The Jew recognizes no armistice in his unrelenting war with all other people. We in the Christian world have been led to believe that the Jew follows the teachings of Moses. Note: *Non-Jews should always use the Talmud in court cases against Jews. It goes to motive, and would shock a jury totally!*  

Very early in their history, world Jewry adopted a plan. This was to seize the gold and valuables of every country they invaded, but to allow the inhabitants to live and retain possessions of immovable property. Their argument being, "If we take their gold and the fruits of their labor, we may safely leave them in their fields and vineyards. If we succeed in making their riches our own, we will be the masters, and they will be the slaves."

In adopting their plan for world wide conquest, they have become most remarkably successful, usually with the help of the people they are trying to destroy.

Let us see how they have applied their principle of *MATERIAL INTERESTS* in the Twentieth Century. They have not only plundered the world, following *their age old plan of conquest*, but have convinced many of it's people that they are morally right. Here is where the falsehood of their
Chosen People status carefully exploited among the Gentiles, especially Christians, has been most successful. They have not only sold the world the idea of their superior status, but have won a moral victory by the ability to throw the blame for all their problems and persecution on the shoulders of their enemies. They have sold this idea to most of the Christian world. Listen to these words from a well known Baptist evangelist, Jack Van Impe, who has become a vocal apologist for the very people who are trying to destroy everything he says he believes in. In his book "ISRAEL'S FINAL HOLOCAUST", on page 52, he says, "Jews accusers today are simply following the lead of anti-Semites before them. (It's interesting at this stage, to point out once again, that the vast majority of the people we know as Jews, are not Semites at all, but are ASHKENAZI JEWS, of Turco-Mongolian blood.) People do not want to accept responsibility for the wrongs of society, so they must have a scapegoat, and the Jews have been a universal scapegoat. They take the blame of ignorant people for problems ranging from plagues to politics." On page 55, he states, "The magnitude of Jewish suffering is difficult to take in completely. One may read of sanctions, slaughters, persecutions, and prejudices, but these are likely to simply move through the mind as historical facts without telling the whole story. The real account of the miseries of the Jews is one of feelings, frustrations, and fears. That is the human side of the story." He goes on to enumerate the woes of the Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are Jews, never telling his readers that all these persecutions were brought about, not because of their religion, but because of their attitudes towards people among whom they lived. Van Impe says that the Jews have been persecuted because they are God's Chosen and Satan hates them, when the truth is found in the Apostle Paul's statement in 1 Thessalonians 2:15 "...they please not God, and are contrary to all men;" They were kicked out of every country in Europe, at one time or another because of their immorality and crooked business dealings.

Dr. Oscar Levy, a notable Jewish author states, "We Jews have erred ... we have most grievously erred. And if there was any truth in our error 3,000 years ago, nay 100 years ago, there is now nothing but falseness and madness which will produce an even greater misery and an even wider anarchy. I confess to you openly and sincerely... We, who promised to lead the world into heaven, have succeeded in leading you into a new hell. There has been no progress, least of all moral progress and it is our Jewish morality which stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world and shudder at its ghastliness; I shudder all the more because I know the spiritual authors of this ghastliness."

Very few Jews have the courage to admit this, just as many Christians will refuse to accept it.

You may have known some nice Jews. I have known some too. The Problem is that the most enlightened Jews cannot entirely divest himself from considering the Gentile world from a Jewish perspective. This is true even of the Jew who converts to Christianity, yet still boasts of his Jewishness. This is the legacy of 2500 years of teaching and thinking. I have known converted Jews who still consider themselves as Jews, although Jesus said," You cannot serve two masters," and Judaism and Christianity are headed in different directions and are hostile toward each other. I suspect that many so called convert Jews, when the chips are down, will prove to be loyal to Judaism. It has been so proven over and over again.

Van Impe barely touches on Christian massacres by Jews on page 50 of his book, where he says, "During the period between the resurrection of Christ and the destruction of Jerusalem in 70 A.D., the Jews imprisoned and executed many Christians." He says nothing of the millions who were killed by Jewish persecutions under Jewish run Communism. He is deliberately using an old propaganda trick of taking your mind off truth, by leading it down the path he chooses. In spite of his intellectual genius, and his knowledge of the Bible, he makes many intellectually dishonest statements, such as on page 56 where he says," Abraham, the father of the Jewish race, was given an unusual promise by His Lord. The guarantee of blessings, providing judgment upon all who bring evil on his descendants." First let me point out, there is no such think as a Jewish race, any more than there is a Christian race. These are religions! It is also obvious to any honest Bible
student that Abraham was not a Jew. Since these people did not show up on the historical scene until 1200 years after Abraham's time. Read the curse in Genesis 12:3 against those who curse Abraham. It says nothing about this being carried over to his descendants. If you can find anything in Genesis 12:3, that deals with today's Jews, then I have lost my understanding of the English language.

The policy of blaming others, for woes caused by their own actions is a Machiavellian principle. (Machiavelli was an Italian nobleman, noted for his cunning in politics. Like the Jews, he would stop at nothing to further his own aims.)

The Jews excel in this double cross and in our day it is the very soul of International Judaism and it's illegitimate child, International Zionism, epitomized by the bastard state of the Israeli in Palestine.

One of the reasons the Jew has been so successful in their double cross, is the incredible naiveté of the Christian world and it's leaders, who insist that those who are trying to destroy them, are God's Chosen, who must be treated with utmost respect and never, never crossed. Their success has also come from being able to convince most of the Christian world, that Christianity is an offspring of Judaism, although how any intelligent person can equate the teachings of the Pharisees, then and now, with Christian teachings, is beyond my understanding.

The Christians have been led to believe that Jews have been scattered over the world because of their stubbornness in failing to recognize the Divine mission of Jesus Christ, when history and the Word of God itself, proves without a shadow of a doubt that the dispersion of the Jews, for the most part has been voluntary and for a predetermined purpose. Referring again to the Rosenthal Report, he says," We (Jews) are amazed by Christian stupidity in receiving our teachings and propagating them as their own," or as Henry Ford, Sr., so aptly put it, "The Christian can not read his Bible except through Jewish spectacles and therefore often reads it wrong." (from "The International Jew," Volume IV, page 238). As a matter of fact, many Christians do not live by God's Word, but by what Jews have taught their pastors in their seminaries.

Rosenthal continues, "Through our propaganda, the church has become our most avid supporter. This has given us a special place in your society, since you accept us as God's Chosen People.

"These deluded children of the Church defend us to the point of destroying their own culture. This truth should be evident even to the dullards when one views history and sees that all wars have been whites fighting whites in order that we maintain control. Anytime truth comes forth, we rally our forces made up of ignorant Christians and attack the crusaders."

Four hundred years before the Roman conquest of Jerusalem in 70 A.D. during the time of the Macabees, the Jews were already scattering to the ends of the earth. It was an aggressive movement, with the final conquest of the world in mind.

As Roman rule began to weaken, the invasions of Northern barbarians, many of whom were from the Israel tribes who had escaped from Assyrian captivity, and had become "God's battle axe, and weapons of war," (Jeremiah 51:50), brought a period of transition which was vastly favorable to the Jewish element. While they were often opposed and even bitterly persecuted by the Roman Catholic church during the Middle Ages, they were not held back by these obstacles, and often held high positions in the Catholic Church, such as Cardinals, with several Jewish Popes. The chief Prosecutor during the Spanish Inquisition was a Jew named TORQUEMADA.

The Jewish fears only one hostility and that is competition which attacks them on their own playing field, in the PRINCIPLE OF MATERIAL INTERESTS. As long as you allow Jews to quietly acquire control of the national wealth and accumulate money, they care for little else, knowing that with money control always goes people control.
During the Middle Ages, as Europe was being separated into many nations and empires, the Jews scattered throughout the trading places and made their homes there in order to carry out their trade and usury.

It is true, that their riches, which had often been gathered by unscrupulous means, were often confiscated in persecutions brought about by their averse and immorality. This violence never stemmed the rising tide of Jewish money power.

As a result, Jewish establishments penetrated the chief commercial centers of Europe. One large body of Jews settled in Venice, Italy; another in Genoa, while at the same time Jewish colonies rose in all the chief cities of Spain, the Netherlands, Germany, and Poland. Although these were scattered, they had an amazing method of communication which formed a homogeneous union. Operating under a single impulse of "power through the control of material interest", they swept over Europe, until today, most of that Continent is under almost complete Jewish control, and Gentile governments are afraid to interfere in Jewish interests. Possibly the prime example is Jewish control in Britain.

Although scattered world wide, Jews are united through religious and historical traditions, from the civilized capitol's to the outposts of Siberia and Tibet. They are united in one faith. Not that of Moses and Abraham, but in their universal belief that they are especially Chosen by God to rule the world and have the treasures of the world at their command. In fact they do not worship the same God, as the Christian world, although they have taught us that "Christianity is the child of Judaism." They worship Lucifer, much as do the Freemasons, who also come from a Jewish source.

Jewish solidarity is so great, that although they often fight bitterly with other factions in Judaism, if they are opposed for any reason, Jews on five continents will rise up in their defense, no matter whether they are right or wrong.

This is a lesson the Christian world has never learned.

During the War Between the States, sometimes called the Civil War, General Grant was facing a Confederate force in Tennessee. He became annoyed at the large number of Jews who were following his army like scavenger crows and issued an order requiring all Jews to leave the army lines. Immediately a hue and cry was raised by Jews in the North and Jewish protest committees began to descend on Washington to confront President Lincoln. The President listened to them and told the General to modify his orders. Grant reluctantly complied, but added, "The Jews in my opinion have not changed for the better since the day they crucified Jesus Christ."

In the middle of the 18th Century, Jews infiltrated and controlled Free Masonry, with their terrible order of the Illuminati, presided over by the Jew Adam Weishaupt. It was just another step on the road to one world control and they used the Freemasons, much as they do the Christian church. There are letters available in the National Archives, that George Washington, who was a Freemason, warned his Masonic brethren about the inroads of a Satanic organization which was attempting to control both Christianity and Masonry.

Few people who know Jews intimately, will believe you if you state that Jews are a virtuous people. This seems to be a paradox for a people who are so immersed in sex and many regard Jews as the most evil of men. Jews are both virtuous and immoral. On one hand they may show their morality, while in secret they are viciously wicked. If the PRINCIPLE OF MATERIAL INTERESTS causes the Jew to run a prostitution ring, an abortion clinic, or a filthy show on National TV, making money must take precedence over what is right or wrong. When this happens, the virtuous Jew become a vicious individual who will trample on anyone who gets in his way for any reason. Note: To make matters worse, the notorious organized crime group, known as the Mafia, is know under the control of a Jew. John Gotti Jr's mother is a Russian Jew, under Jewish law, that makes him Jewish.
The Jew is **practically moral**, when it is in his best interests, because it can become a powerful offensive or defensive weapon. With virtue they will be brave and face losses and misfortune, but if anyone stands in their way of making money, they will use any evil means of destroying them. A good example of this comes to us from the 19th Century, when Hamid Pascha, son of the Viceroy of Egypt, inherited a vast fortune from his father. He entrusted it to a Jew named Oppenheimer, who became his banker and administered his business affairs. So brilliantly did this Jew follow his trade, that within three years, the young Egyptian went into bankruptcy. This example has many modern day counterparts. When this happens, the virtuous man, becomes the vicious one.

During the Middle Ages, commerce was the great battlefield of Europe. On the one side were the native born, and on the other the Jewish invaders. When the smoke of battle cleared, the Jews were victorious. They had acquired control of the entire commercial world. They looked on this as being a mark of God's approval of their way of doing business. Yet a careful check of history, shows that Jewish methods of doing business, have never enriched a nation, or a people, or been a mark of God's approval on evil, but put enormous amounts into the coffers of a few.

As is well known, Jews seldom engage in agriculture, mining, production of raw materials, or even in the manufacture of things from raw materials. He is mostly interested in the circulation of values, exchanging worthless articles for good money.

In a great majority of cases, Jews are parasites. They recognize this. In his book "JEWS MUST LIVE," published in 1934, by the Golden Hind Press in New York City, Samuel Roth (Jew) said, "Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and good nature of the rest of the world.

"It is my belief, that nothing the Jew does in America is essential to it's welfare. On the contrary, a great deal of what the American Jew does is in subversion to America's best interests." (UNQ)

They appropriate what other people make with the sweat of their brow. This is why they have a tendency to keep aloof from agriculture. They want nothing that will tie them down to a particular area. They must be free to move at a moments notice, heading for where the business action is. This means that Jews always seek out areas where the most plunder is available, and is one of the major reasons they have become so prominent as leaders of vice.

During the time when the Italian Republics flourished, Venice, Genoa, and Florence, were over run by Jews. When these Republics fell, the Jews packed up their treasures and migrated northward to settle in Germany, Poland, and the Netherlands, where commerce and industry was on the increase.

They were the least successful in Spain, mainly because the Spanish royalty forced them to leave, when they realized that they were opening the gates of Spanish cities to the Moorish invasion from North Africa.

Jews are the same today as they were 2,000 years ago when our Lord called them Satan's kids, (see John 8:44). They have the same characteristics now as they had then, and even their religion has not changed, moving down through the years from the Jewish priesthood, to ancient rabbinism, then to modern rabbinism. As one eminent Jewish authority said, "Down through the centuries, the spirit of the ancient Pharisees has remained intact." Neither time, nor habit, nor intercourse with foreign elements have changed them. They are the same blood sucking parasites who Jesus Christ called poisonous snakes, (see Matthew 12:34; 23:33). Remember, please that these are not my accusations, but those of your Savior. No wonder they are pressuring Christian authorities to revise the New Testament and remove these remarks. To a thinking man or woman, these remarks by our Savior "shoot holes in the Jews Chosen People Myth." For more information on this subject, may I suggest my pamphlet "EXPLODING THE CHOSEN PEOPLE MYTH", available from Destiny Publishers, P.O. Box 177, Merrimac, MA 01860. They are 50 cents each or 35 cents in lots of 25 or more.
Quoting from this pamphlet, I make reference to a statement made by Dr. Benjamin Freedman in his book "FACTS ARE FACTS". He says, "The utterance by the Christian clergy, which confuses Christians most, is the constantly repeated utterance that 'Jesus was a Jew!' This appears to be their theme. It is a misrepresentation and distortion of an incontestable historic fact... informed, intelligent Christians, cannot reconcile this unwarranted misrepresentation and distortion of the facts."

Most honest Bible historians will admit that at no time in the New Testament was Jesus ever called a Jew, although He called this by others, (see Matthew 2:2; 27:11; Luke 23:3). The great Jewish historian Josephus called Him a Judean, never once did he call him a Jew. The very inscription over His cross, in Latin said, "Jesus Nazarenous Rex Iudorum", and any of you who understand Latin, knows this say, "Jesus the Nazereene, ruler of the Judeans." By no stretch of the imagination can you get this to say "King of the Jews." It was translated in the original 1611 King James Version of the Bible. It is sloppy scholarship such as this that often confuses our people and leads them to believe, those who are their worst enemies, Dr. Freedman said that converted Jews had proven themselves too often to be spies of Judaism, placed in the Christian church to cause trouble from within. Jesus implied this is John 12:40, when quoting from Isaiah 6:9,10, He said, "He (God) hath blinded their eyes, and hardened their heart; that they should not see with their eyes, nor understand with their heart, and be converted, and I should heal them." There are many who believe, with some Scriptural support, that a fake Jew (Revelations 2:9; 3:9), those called Jews today cannot be saved.

Because of Jewish ties with religion, tradition, and hatred of all non-Jews, they will never change (Malachi 1:4). You might as well expect a leopard to change its spots, as for a Jew to change his grasping nature. A Jew can be born in, or emigrate to any nation and become a Frenchman, an Englishman, a German, or an American, but if you ask him what he is, he will invariably say, "I am a Jew!" His alliance is to the Jewish people, not to God, or any nation, not even the country where he was born. Jews claim they can combine both qualities and be good dual citizens, but it is impossible, and Jesus Himself said, "A man cannot serve two masters:" (Matthew 6:24)

I have heard Jews boast, "We are Jews to our fingertips," and since there is little beyond the fingertips, this leaves no room for patriotism of any kind, only a blind loyalty for Judaism.

This trend towards treason can be seen in Jewish officials who have taken the Kol Nidre Oath on the Day of Atonement. (It is my understanding that even secular Jews take this oath.) In their TALMUD, this is referred to as the "Law of Revocation in Advance." The recital of this prayer, called the all vows prayer, releases a Jew from any obligations under oaths, vows, or pledges entered into during the following year. This means that his oath of office, to support and defend the United States against all enemies, both foreign and domestic, is meaning less, unless he chooses to follow it. Apparently President Clinton never took this into consideration when he appointed more than forty Jews to high government positions such as Secretary of State, Secretary of Defense, and Secretary of the Treasury. Or maybe he did! Is it any wonder our country is in dire trouble?

In 1844, a group of German Rabbis, realizing the effect that knowledge concerning the Kol Nidre Oath was having on the German people, tried at the International Conference of Rabbis in Brunswick, Germany, to have it changed. The preponderance of Yiddish speaking Rabbis, who were Russian Khazars (meaning they had no Abrahamic blood in their veins), voted it down, and this oath remains an integral part of Jewish worship until this day.

Does this mean that a Jewish Judge is not to be trusted if he has taken the Kol Nidre Oath? How about a Jewish Congressman, or lawyer? Think about this!

The Jews in America are the only ethnic group who are allowed dual citizenship. This means they can be citizens of the Jewish State in Palestine, and at the same time have the full benefits of American citizenship. It has been proven, over and over again, that when the chips are down, they
will almost invariably show their loyalties to the Israeli State. This action can be seen in the many pro-Zionist, anti-American actions of Jewish members of Congress.

Throughout the Middle Ages, the Jews laid their foundations for future power. They cleverly arranged, through their usury system, to pile up treasures in every country in which they settled, patiently waiting for the day when they could emerge from the darkness and climb to the top of the economic power heap. They have reached the apex now!

On a spring day in the late 1800's, the old edifice of feudalism broke down with a crash heard round the world, and political and ecclesiastical institutions have never fully recovered from the effects of the French Revolution.

This was a Jewish revolution, so acknowledged by their leaders and was the same way they brought forth in Russia in 1918. The pathway for Jewish conquest of the world now lay open before them. Undermined by the doctrines of Voltaire and conquered by the power of Jewish liberalism, the national and religious limitations of the Middle Ages crumbled into dust and the past was given over to Jewish reconstruction of the present and future. Not for the benefit of mankind, but for the edification, and glorification of the Jewish people.

Just as they did later in the Century, and at the end of the American Civil War, so now, the Jews led in the cry, "Long live tolerance! Long live Fraternity! Down with rank! Away with individual rights!" While the South was saved by the patriotic efforts of Americans who refused to buckle under to the Jewish power in Washington.

With their ranks closed, Jews now opened attacks on their enemies everywhere and as they overcame them one by one, they erected their own standard, the six pointed star of David, which as far as I can find out, was never used by David. Since that date in the 1800's, the standard of Judaism has been unfurled from the watchtowers of Christendom in Europe and a few and far between have been the statesmen who had the moral courage to stand up to their corruption. With the exception of a few years in the 1900's when the German people under Adolf Hitler made a bid for national freedom and struggled to free Germany from Jewish oppression, only to be whipped down by their own Anglo-Saxon people, who once again listened to the siren call of world Judaism, over common sense and scriptural truth.

Today, Hitler is hated by the Jews, not because he tried to annihilate them, as this has never been proven, but because he tried to break their grip on Christian Germany.

By stirring up revolutions and then lending their support, Jews assisted on one hand with the distribution of State overthrowing Utopias, while on the other, they furthered their quest for world power.

Jewish writers such as Marcus Eli Ravage, and others have admitted that Jews have been at the bottom of nearly all the revolutions which have taken place in the Nineteenth and Twentieth Centuries.

Another Jewish writer, Oscar Levy, in the preface to his book "THE SIGNIFICANCE OF THE RUSSIAN REVOLUTION." said, "There is scarcely an event in modern Europe which cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners", and they glory in bragging about it!

We know that all governments require money to operate and that the men who lend are Jews - thus they gain both in cash and it's corresponding power and privileges.

During the American Revolution, both sides were financed by the Jews, as was the Russian Revolution, the War Between the States, and World Wars I and II. The Jewish bankers became fabulously wealthy off the gains they had made on the suffering of mostly White Christian nations,
while they killed off the **cream of manhood** and fattened us for future conquest. In the last 150 years, the world has been drenched in mostly Christian blood, as White nations have fought White nations, in Jew instigated wars, and the Jews sat back and gleefully rubbed their hands at the destruction of their enemies.

As atoms are drawn towards larger masses under the law of gravity, so nations drift towards the riches of the Jews. Under the same law, the motion of attracted bodies, becomes more and more accelerated and thus Jewish money power grows daily.

It is simple fact, which cannot be disputed, that at the present, not one single financial operation of any size can be carried out, without having some Jew being involved and profiting from it.

In this manner, Jews have grown from a despised people, the carpetbaggers, and hated usurers of history, to become the wealthiest, most influential citizens, often with front seats in our most prestigious churches, and often with full support for their still nefarious enterprises coming from the Christian world. **Abortion clinics; prostitution; drug traffic; music, etc.** After all, they are God's Chosen, you know!

From the height of this economic pinnacle, they command the entire Babylonian Money System of finance and industry. There is not a man or woman among us, no matter how anti-Jewish we may be, who does not in some way pay tribute to Jewish money power. Even in the every day necessities of life we purchase at the local grocery store, we aid them. You can count on your fingers the number of politicians, preachers, and educators, who are not debtors to the Jews, and therefore under their power. **Note:** Many non-Jews are not aware of the great Kosher labeling scheme. Large food produces are force to place a K or a U on their products, indicating they are blessed by a Rabbi. If a corporation dose not do this, they are labeled anti-Semites, and the full weight of world Jewish organizations, Masonic orders, and useful idiots Judeo-Christian groups, come down on them. There is even a brand of generic motor oil and toilet bowl cleaners, with the kosher labels. In Canada, the Canadian Jewish Congress gets kick backs this way. Symbols differ from country to country; even in Islamic nations, this is going on.

Jewish financial power resembles an imp which cannot be seen, who has his hand in every pocket. He is especially experienced in the art of seduction, having been trained directly by the **master seducer** of all times, John 8:44. He speaks to the Christian world today, saying essence, what he said to Jesus during His period of temptation, (Matthew 4:8,9) when he showed Him all the kingdoms of the world and said, "All these things (worldly kingdoms) I will give thee, if thou wilt fall down and Worship me." Very few so-called Christians have the courage to answer him as the Master did when He said, "...for it is written, 'Thou shalt worship the Lord thy God, and Him only shalt thy serve.'" So instead of happiness, he leads us into hell, and a world slavery too horrible to contemplate.

Hand in hand with his phenomenal rise to power, has been the rise of individual members of his clan. Those wandering Jews who used to be the crafty, hated speculators, old clothes salesmen, and peddlers, have now opened elegant offices in the world's most prestigious buildings.

At the close of the Napoleonic Wars, in Frankfort, Germany, a Jew named Rothschild, rose to power as the visible head of world Jewry. All other Jews bowed to his power. As **king of world finance** he commanded the rallying masses of Jewish capital as surely as Hitler later controlled Germany, and his subjects were countless millions who labored daily to support his splendor.

It is impossible to calculate the powers of this family, which was greater than that of any crowned head that ruled in Europe. Presidents and Kings cringed before that power and bowed to their wishes.

In the Twentieth Century, this European Jewish family has been challenged by an American Jewish family named the Rockefeller. These people have successfully hidden their Jewishness
behind a facade of Protestantism, as they engaged in a life and death struggle with their European counterparts.

The profits accrued by the International Jewish Bankers, were used to improve their social standing, and we see them today, as they mingle with, and inter-marry with the aristocracy of Europe and America, thus furthering their control.

They have longed for a monopoly of the Liberal Arts and Sciences, which at one time were open only to the higher ranks of society. Knowing they could acquire these honors only by means of engaging in literature, medicine, and public education, they set out to monopolize these professions, until today they are almost completely in control. The Christian world set complacently by, or cooperated while their enemies took control.

Today, Jewish journalists in every state, form a closely knit combine, composed of some of the most clever minds in America, who are dedicated to the furtherance of International Zionism, by all means fair or foul. They are men like Peter Jennings, Dan Rathers, and Sam Donaldson all on National TV, who control the thinking of large numbers of Americans, who get their only news from TV, or the daily newspaper. They have appropriated the rights of intervention in foreign affairs, to the point where the Anti-Defamation League, of the Jewish B'Nai B'Rigth (An unregistered agent of the Israeli, operating illegally on American soil without a license) to all intents and purposes controls our Congress. Powerful politicians like former Arkansas Senator J. William Fulbright have tried to buck them, only to be shot down in flames. Today, for a politician to criticize Jewish interests is political suicide.

As the Jews attained social status, they began a determined effort to infiltrated the Christian social world, brainwashing Christians of every hue with the false theology, that those who hated and murdered our Savior, were indeed God's Chosen People, and as such can do no wrong. They did this most cleverly by infiltrating Christian seminaries, until today, very few seminaries or Bible schools exist that do not have Jewish professors, many of them who do not bother to say they are saved.

Blinded by Jewish cries of the Fatherhood of God, and the brotherhood of all men, coming from a variety of organizations designed to confuse Christian thinking, and from apostate sources, under Jewish control, such as the National Council of churches; befuddled by the humane appeal of Jewish theories, our churchmen for the most part seemed incapable of perceiving the danger which threatened the Christian world from Jewish sources, even though the Jews openly stated what they intended to, "Drive God from the skies, and destroy White Christian civilization."

One look at the world of diplomacy, will show that it has been over run by Jews. In England, Disraeli, took over as Prime Minister during the reign of Queen Victoria, and Lord Beaconsfield, later became Prime Minister. The "WESTMINSTER REVIEW" at that time quoted Daniel O'Connor as saying, "If Disraeli's genealogy would be traced, he would no doubt be found to be a true heir of the impenitent thief on the cross." (Luke 23:39)

There were others in England, Sir Nathaniel De Rothschild Bart; Josiah Wedgewood during World War I; Theodore Herzl, the father of modern Zionism, who was a power in British politics at the time.

Samuel Untermeyer, who arranged for the "International Boycott Conference" in Amsterdam, Holland in July 1933, stated, "...this holy war ... in which we (Jews) are embarked is a war that must be waged unremittingly . the Jews are the aristocrats of the world ....this boycott must be against all German goods, shipping, and services... we will drive the last nail in the German coffin." This was before Hitler began any move to rid the country of these parasites.

At this time, Germany was deep in a terrible depression, which had been brought about by Jewish manipulation of the money market. In 1940, the eminent Rabbi Maurice Perlman, head of the
British Section of the World Jewish Congress, told a cheering Canadian audience, as reported by the Toronto Evening News Telegram, February 26, 1940, "The World Jewish Congress has been at war with Germany for seven years." This means they set out to destroy Germany at least two years before Hitler came into power, and used him only as an excuse for continuing the war which cost many Gentiles lives. Very few Jews died in comparison, during World War II.

I can remember many occasions when Jewish boys headed for front line combat duty, were rescued by Jewish Doctors who falsified physical reports, so they ended up usually in the Quartermaster Corps, where they were the heart of the Black Market during the war.

Dr. Donald C. Blaisdeil, professor of Government at the College of the City of New York, published an important document entitled "AMERICAN POLICY FOR THE NEAR EAST." in the Jewish publication "ISSUES", the official organ for the American Council for Judaism, in the fall of 1959, in which he stated, "No minority of Irish, of German, of Polish, Italian, or Greek extraction has been able to manipulate policy to its advantage as have the Zionist leaders of the American Jews."

During World War II, the Administration of (Jewish) President Franklin Delano Roosevelt was literally over run with Zionist Jews and more and more evidence has surfaced through the intervening years, to show that President Roosevelt deliberately lead America into that war against the wishes of the majority of it's people, and did it at the behest of Zionism.

The Hon. Henry L. Stinson, Secretary of Defense during World War II, wrote in his daily diary for November 21, 1941, two weeks before the Japanese attack on Pearl Harbor, that the President had told his Cabinet that morning in a White House meeting, that he wanted us at war with Japan, but that he did not want it to appear that the United States had fired the first shots. This was during the period of his fireside chats, in which he told American fathers and mothers, "I hate wah, and will nevah send American boys to fight on fawn soil, nevah! nevah! nevah!" As he spoke these words, he was planning to get us involved under heavy Jewish pressure. What better word for these actions than TREASON!

After World War II, (Jewish ) President Harry Truman carried on in Roosevelt's footsteps and used the power and prestige of American government, to recognize an armed uprising of 800,000 armed Jewish alien terrorists, who had been transplanted as part of the Zionist plan. On May 15, 1948, Truman gave official recognition to the "bandit state of the Israeli", which has been a "thorn in our side ever since", and cost us billions in national wealth, and possibly a Third World War in the near future. Today the Israeli's are carrying out a war of systematic genocide against the Arab people. While President Clinton took us into an undeclared war in Bosnia, against genocide of Moslem Albanians, he seems to care little for what the Israeli's are doing to the lawful owners of the Palestinian land they have misappropriated, and the Christian world has given them it's blessing based on God's promise made to Abraham, who as we know was not a Jew, Genesis 12:3. How awfully stupid can Christians become, when they allow themselves to be seduced by Christ's enemy.

When Eisenhower, "the terrible Swedish Jew", became President, he was also faithful to the Jews who helped put him into office. In 1956, he sent 14,000 American troops into Lebanon and stationed the Sixth Fleet in the Mediterranean, to protect the Israeli's. Since then, they have "stabbed us in the back" many times, by selling our military secrets to our enemies, and even attacked one of our unarmed naval ships in the Mediterranean with the loss of many American lives. Note: They knew about the bombing of the Marines an hour before it happened.

The pathway of political lies to the American people, continued under John F. Kennedy, always under the guidance of Jews who were a power in Washington. These were more interested in the welfare and safety of the illegal Israeli State in Palestine, than in the safety of the United States. At the same time while helping the Israeli's to increase in military power, Administration after Administration, under Jewish pressure have weakened our Armed Forces, until today we could not
defend ourselves against a major attack. Much of this weakening process took place when the KGB "double agent", (homosexual) Henry Kissinger was in Washington as Secretary of State. He still a power in the nation's Capitol.

The pathway to Jewish domination continued under the Administration of John F. Kennedy who was always under the guidance of Jews in power in Washington. They were more interested in welfare of the Jewish State in Palestine, then that of the nation they had sworn to defend, and while we armed the Jewish State with our most sophisticated weapons; already the process of destroying our own military was under way and has continued until today we can not be classified as a first rate nation as far as national defense is concerned.

In 1938, the senior Kennedy, Joseph, was America's Ambassador to England. He reported to Washington that Neville Chamberlain, then British Prime Minister, had told him that it was the Jews in America, who forced Britain into the Second World War, and were attempting to do the same thing with the United States. Since this information had to be suppressed at all costs, F.D.R. recalled Senator Joseph Kennedy to silence him and this was the beginning of his liquidation as a viable politician.

The story of Jewish control continued through the Nixon, Carter, and Reagan Administrations. From the Administration of F.D.R. which included 52 Jews in high government positions, out of a total of 72 advisors - and many of these were foreign born Jews like Henry Kissinger - we went on to see the most conservative President in this Century, leaning on Jews and Zionist stooges, for his top level information.

There is much documented information which confirms these allegations and proves that the ideals of Roosevelt's New Deal, were written by Jews. Not to mention a vast amount of similar legislation put out by the U.S. State Department, which at this time was riddled with Communist Jews. When F.D.R. was warned about this, he turned furiously on the Senator reporting to him, shouting, "There's nothing wrong with Communist Jews, many of them are my friends."

As early as 1936, the Jewish newspaper DER TAG, wrote on April 9, 1936, "The Jews of America, because of their numbers, interest, and ability, constitute a great political force. They have not usurped this power; it belongs to them as a right! They are going to exercise it as they see fit. What are you goyim going to do about it?"

This is typical Jewish chutzpah. Rather than endure the smears that would come their way through the Jewish controlled media and the Zionist lobbyists, many members of Congress have been willing to sell future generations of Americans into virtual slavery under the proposed One World Government of Zionism. Spineless creatures, engrossed with the egotism of the importance of their positions and believing they are the all wise mentors of the nation, they have become guilty of the grossest of hypocrisy, as they have often deliberately evaded the one and most important foundation of most of our problems. As a result of failing to strike at the root of the problem, they are today presiding over the destruction of their own White Race, with few qualms of conscience.

Many members of Congress, show by their actions, that they desire this life of hypocrisy and leave this major issue to others. Thus our internal enemy has had an open field in which he is moving rapidly towards his goal of One World control.

Communism - the major tentacle of the Zionist plan for world conquest, was set up by Jews in 1917. In other places in this book, I have shown how they brag openly about their part in this conspiracy. From the beginning, it has been a Jewish plot to enslave "non-Jew goyim" (cattle) and rule over them.

They will scream to high heaven that this accusation is untrue, but the plan is there, it can be seen and understood if a concerned person will take the time and effort to look for it. This plan is clearly laid out in their holy book, the TALMUD and in numerous Jewish writings. These prove that Jews,
as a whole consider themselves to be a superior people who are destined to rule the world, or as their TALMUD says, "When our Messiah comes, every Jew will have 2,000 goyim slaves." That's you brother and sister, they are talking about. A careful study of the Scriptures will prove their guilt, no matter how strong your pastor may proclaim them to be God's Anointed!

It would be well for me at this point to explain the meaning of several words I have already used numerous times. The BABYLONIAN TALMUD, which Jewish leaders say is the "Heart blood of modern Judaism", is a collection of Jewish civil and canonical (religious) laws. It was begun during the Babylonian captivity, when the tribes of Judah and Benjamin were taken captive for seventy years. A new sect rose among the Hebrew worshipers, which became known as the Pharisees and which rapidly rose to become the major power of Judaism. They began a gigantic work which became known as the TALMUD, that was not completed until some 500 years after the time of Christ. It was what He fought against during His life on earth calling it the "tradition of men, that nullifies God's Word." (Matthew 15:3,6,9; Isaiah 29:13; Titus 1:10,14)

This gigantic work of 63 large volumes, fills a twelve foot bookshelf, and is the final authority of Judaism, superseding the Laws of Moses, in any matter dealing with the conduct of Jews worldwide.

Following are a few of these Talmudic teachings. I will give you the volume, and page where they can be found.

First let me tell you what some of the most eminent Jewish Rabbis' have said about the TALMUD. Rabbi Ismael said, "The teachings of the Talmud stand above all other laws. They are more important than the laws of Moses."

Rabbi Menachem, commenting on the Fifth Book said, "The decisions of the Talmud are words of the Living G-d, Jehovah Himself, as He asks the opinion of earthly Rabbis when there are difficulties in heaven." (If this isn't the height of egotism, what is?) Note: They refuse to spell the word God with an o. They also write xmass, instead of Christmas. This is one way a Talmudic Jew gives themselves away.

Tract Mechilla says, "Jehovah Himself studies the Talmud standing, as He has much respect for this book."

KEKUT CHADASZ (171,3) - "It is forbidden to disclose the secrets of the law. He who would do it ~:s guilty as though they would destroy the whole world."

SANHEDRIN (59a) - "Every goy who studies the Talmud and every Jew who helps him in it, ought to die."

LIBBRE DAVID (37) - "To communicate anything to a goy about our religious relations wouldbe equal to killing all the Jews, for if the goyim knew what we teach about them, they would kill us openly."

SHALLOTH-UTSZABOT (17) - "A Jew should and must make a false oath when the goyim asks if our books contain anything against him."

BABA MECIA (114,6) - "The Jews are human beings, but the nations of the world are not human beings, but beasts."

SIMEON HADDARSEN (56,D) - "When the Messiah comes every Jew will have 2,000 goyim slaves."
MIDRASCH TALPIOTH (p 225,L) - "Jehovah created the non-Jew in human form so that the Jew would not be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew, day and night."

NADARINE (20,B) - "A Jew may do to a non-Jewess what he can do. He may treat her as a piece of raw meat."

MAMONIDES, JAK CHASAKA (2,2) - "A Jew may misuse a non-Jewess in her state of unbelief." (In other words, rape of a Gentile woman is approved for Jewish men.)

TOSEFA, ABODAH ZARA (8,5) - "If a goy kills a goy or a Jew he is responsible But if a Jew kills a goy he is not responsible."

MISHNA SANHEDRYN (57) - "Thou shalt not do injury to thy neighbor, but it is not said, 'Thou shalt not injure a goy'. This is a good example of what the Lord meant when He told the Pharisees that they made the Word of God of non-effect by their traditions. (Matthew 15:9)

SCHULCHAN ARUCH - "A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may suffer."

SCHULCHAN ARUCH - "Those who do not confess the Torah (law) and the prophets (religious law), must be killed."

SCHULCHAN ARUCH (348) - "All property of other nations belongs to the Jewish people, who consequently are entitled to seize it up without scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if it is profitable to him or to Jews in general." You wonder why the Jews treat Arabs with contempt? They are taught that Arabs are mental sewage in their synagogues.

The TORAH is Jewish tradition and instructions or decisions, given to the Pharisee priests, now called Rabbis, as Divine revelation. It was to this group our Lord said, "In vain do they worship Me (God) teaching for doctrine the commandments of men." The TORAH contains the first five books of the Christian Old Testament, known as the Pentateuch.

I must move on from this area of our studies, there are 63 large volumes of this filth and the work is so pornographic in nature it may not be sent through the U.S. mail.

How can a Jew take an oath of loyalty to America, when he is allowed by his religion to lie and disregard this oath if it benefits him or his people?

How can a Jew be expected to act worthy of his calling as an editor, news correspondent, a judge, a lawyer, a banker, an educator, or a politician, if he follows this religious belief? How can a Christian minister be trusted, who backs them in any way?

Why is it that the Jew, who is an oriental, is given more rights than the Japanese, Chinese, or Koreans among us? Sounds to me like rank discrimination. Yet the Jew is supposed to be the defender of Civil rights! What a hypocrisy!

The Jewish founder of modern Communism, Karl Mordecai Marx, said of his people, "In vain do we look for the key to the labyrinth of the Jewish soul in his religion. On the contrary, we must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? It is a practical passion and greed for profit! To what can we reduce it's religious worship? To extortion! Who is their real G-d? Cash!"

So to accomplish their plan for world takeover, Jews create wars, revolutions, and depressions as a means of seizing power during the time of chaos. In the Communist textbook "PSYCHO-
POLITICS", which I have mentioned before, the plan for the takeover of the United States was laid down in 1934. They said, "Our chief goals are effectively carried forward, which is to proceed with a maximum chaos in the culture of our enemy. This is our first and most effective step. Our fruits are grown in chaos, distrust, economic depression, and scientific turmoil."

For hundreds of years now, this has been the Jewish plan for World conquest. On instructions laid down by their Grand Sanhedrin in Constantinople from their VENGEANCE PROTOCOL in 1286, they have infiltrated every profession in America. To do this, they have cornered the world supply of gold and have sold the non-Jewish world the fiction that gold is wealth, rather than land and commodities. Today, the entire world bows to the Jewish idol of gold, as much as the Babylonians worshiped Nebuchadnezzar's image of gold in Daniel 3.

By their control of gold, they smear those who refuse to knuckle under to their desires, and shut off the truth concerning news that our people need to know. Note: To illustrate the power Jews have in controlling money, take a look on the back of an American one dollar bill. The 13 stars form a larger Jewish star.

The International Jewish Council which met in Basel, Switzerland in 1879, drew up a far reaching plan entitled "THE PROTOCOLS OF THE LEARNED ELDERS OF ZION." This was a formula on which they would launch their world offensive. While Jewry and their Christian stooges proclaim this document to be a forgery, they seem to forget that in order to have a forgery, one must first have an original. The forger makes his work as close to the original as possible to fool people. The Jews have never questioned the original PROTOCOL which was written in Hebrew, only the English translation by the Englishman Victor E. Marsden. He was an English journalist who had lived in Russia for many years and was married to a Russian woman. He was a correspondent for the "LONDON MORNING POST", a position he held during the Bolshevik Revolution. He was harassed by the Communists and thrown into the Peter Paul prison. He escaped and eventually was allowed to return to England. His mastery of Russian and Hebrew, made him eminently qualified to translate the PROTOCOLS.

I am inclined to agree with Henry Ford, Sr., when he said, "The only statement I care to make about the PROTOCOLS is that they fit what is going on." International Zionism has followed them like a blueprint for a hundred years, so they could hardly be bogus.

The ELDERS OF ZION have never been revealed, but are sometimes referred to as the Hidden Hand of Judaism. They are not the Board of Deputies of the Jewish Parliament, or the Universal Israelite Alliance of France, or the American Jewish Congress. The late Walter Rathenau said of them, "Three hundred men, each of whom is known to all others, govern the fate of the world, and they elect their successors from their entourage." As far back as 1844, the Jewish Prime Minister of Britain, under Queen Victoria, the Jew Benjamin Disraeli, whose real name was Israel, wrote, "The world is governed by very different personages from what is imagined by those who are not behind the scenes." Then he went on to show that all these personages were Jews.

There are documents available from Jewish sources, such as the Universal Jewish Encyclopedia, Volume 2, 1948 edition, page 102, which show this document and admit to it's Jewishness.

There is much documentary proof that the Russian Revolution was planned, financed, and led by International Jewry. Jacob Schiff, Otto Kahn, and Paul Warburg, all members of the New York firm of Kuhn, Loeb, and Company, advanced nearly $48-million and trained 276 Jewish revolutionaries from New York City's Lower East Side and sent them to Russia to lead the revolution. They passed through Germany, although we were at war with Germany at that time and received permission to do so from Paul Warburg's brother who was Kaiser Wilhelms Chief of Espionage, and the German Chancellor Van Bethman-Hallwig, who was also a Jew.

President Woodrow Wilson (Democrat), was put into office on the basis of Jewish support and $50,000 was put into his campaign fund by the Jew Bernard Baruch. This was in payment for
Wilson having signed the Federal Reserve Act of 1913, which placed International Jewish banks in charge of the economics of America, and which was the forerunner of our present economic system which is still Jewish controlled. Rockefeller, Rothschild, Kuhn, Loeb, and Lehman are just a few of the names which were involved, with the Rockefeller clan, masquerading as Protestant Christian Gentiles, leading the way.

While most Americans believe the Federal Reserve is part of our government, all of the major banks are Jewish owned, and their geographical dispersion serves as window dressing. All are independent of Federal control and are dependent for international control on the International Jewish bankers.

These banks collect dividends which results in interest payments of the United States government on its bonds sold to Federal Reserve Banks and finances of course, by commercial banks throughout the country, using our money. They have usurped the Constitutional right of Congress to coin and print our money.

Today the United States government pays interest on its credit and the International Jewish bankers collect it and grow rich off the sweat and toil of the American taxpayer. In 1915 our National debt was about $303 million; by 1982, it passed the one trillion dollar mark. Add to this a state debt at this time of some $120 billion, plus God alone knows how much is owed in personal debts, and one can begin to scratch the surface of the robbery that has been carried on under the banner of Judaism. These taxes are collected by the Internal Revenue Service, which is the bully boy police of the Federal Reserve, and enforces their tax laws. From a total of $103,651,585 collected in 1970, this has grown to $745,313,276 in 1996. Unfortunately, the I.R.S. is often used by the government and special interests to punish those who do not walk the Jewish line.

A good example is my own case. From 1965, when I retired, to 1981, I was a severe vocal and written critic of the Federal Government's bankrupt Foreign and Economic policies, and was an embarrassment to the United States State Department on several occasions. This never drew any unbearable penalties, but when I began to speak publicly on the Jewish perils to our government and the Christian church in 1986, within six months I had my first audit, and there have been seven of these in fifteen years, costing this Christian work over $108,000. Many of you know that in 1998, the I.R.S. placed a levy on my Military Retirement pay, and stole over $24,000 that year, over the protests of several U.S. Senators. These men were falsely told that there was no religious prejudice involved, although facts proved otherwise. This Christian work was kept afloat, only by Christian brethren, who would not let it go down the drain. Some of you who read this book were in this group, and I will never be able to thank you properly. God knows what the future will bring!

Today in the face of almost unheard of economic woes, which persist in spite of what appears to be a booming economy, we see the strange sight of our government borrowing money from the Internationalists at high interest rates, so that we can give it away in Foreign Aid, often to countries who hate us and are our potential enemies, while our President spends untold billions of dollars of national wealth on brush fire wars in which we have no national interest. All these, Bosnia included, are for the benefit of the Internationalists and is fattening their purses, while bringing us closer to their New World Order, scheduled for completion in the year 2000.

It should be obvious to any intelligent person, where the money power lies. It most certainly is not in the hands of Congress where it belongs, and was meant to be. By their control of gold, the International Jewish bankers have become richer in one hour, as White Christians in particular sink deeper into the toils of their Slave State. Today, Christian America is bowing our backs in virtual economic slavery to world Judaism and they glory in it. Americans are today paying a higher percentage of their earnings into taxes, than was paid by the medieval serfs. This was the ultimate plan of PROTOCOLS, "Drain the entire product of materials and labor off the land and into our coffers." How long will we be willing to live on our knees, when God meant us to be FREE! You may be one of those Christians who reasons, "If He meant us to be free, why has He allowed our enemy to take control." Read the 28th Chapter of Deuteronomy and see for yourself. It all boils
down to this TRUTH: "Obedience to God, and the discipline it brings, must come before we can have victory!" Until we learn the lesson of obedience, we should not expect to have God's help, no matter how hard we pray! I have Christians tell me, "If we could just get all the Christians in America to pray together, God would hear and answer our prayers and save us!" For this prayer to work you must mix prayer with obedience in what God tells us to do. In Isaiah 59:1 we are told that God has not lost His power to act, nor has He lost His sense of hearing the prayers of His people. Verse 2 of this same Chapter gives us the answer, "But your iniquities have separated between you and your God, and your sins have hid his face from you, that He will not hear." Before we can expect God to hear and answer our pleas for deliverance, we must first return to Him in obedience. While many so called Christian people recognize this fact, it soon becomes evident that most of them, including their pastors, are only giving God, lip service, and want to continue doing their own thing!

The only way we can be free from the Jewish plague, is by removing it, and this will be impossible until we first learn obedience.

We know God will be with us if we diligently and honestly seek His face, 2 Chronicles 7:14. He has always been on the side of righteousness, when it is exercised in the context of obedience to His will. Never, during the trials of our ancient forefathers, did He respond to their call for help, until they came to Him in repentance and humility, and unfortunately I have seen very little of this in the so called Christian world of 1999. One of our biggest problems in the Christian world, is that we have grown too big for our britches! God may have to bring us down a notch or two, before He can work His way with us. He has done it before with His people, and if He never changes, as we have been taught, it is very possible He will do it again. I have stopped praying, "God, save us, instead I pray, 'Not my will, but Thine be done.'" We must not be led astray by our hatred for the Jewish people, although we may have good reason for it. our battle must be against the forces of the anti-Christ, that their leaders advocate.

Sometimes it seems that there are no solutions to our problems. The problems are there, and the milder solutions can only come as the Jewish leaders are willing to lift the cloud of censorship they have placed on the Christian world and then back their words with good intentions.

As long as Jews insist on being a Jewish entity, instead of being individuals, they will ultimately force Christians, as a means of self defense, into viewing them as a foreign element hostile to Christian people and Christian values. If America allows a dual citizenship to stand in the way of loyalty to America alone, then Jews will continue not only to be a thorn in our flesh, but an ever increasing danger to our American way of life.

Our freedom was won at too great a price, to allow it to be usurped by aliens in our midst, who have taken advantage of our hospitality. This goes for other groups too.

The Constitution guarantees freedom of speech and press, to American citizens. It does not allow an alien minority to take this away by imposing their censorship. If we allow this to happen, and it's well along the way towards completion, then we deserve everything we get.

Today, as the greatest drama of the Ages begins to unfold before us, there are two paths we can choose. The one is lined with the trinkets and glamour of Jewry, the big brother will take care of you, philosophy which always leads to slavery. Those who seek only personal pleasure and comforts, those fools who believe, "You only go around once in life, so live with gusto, for tomorrow you may die." These will find only slavery and death at the end of their road. It is only the pathway of sacrifice and obedience to God, that comes from loyalty, courage, honor, and a sense of duty, that leads to a more abundant life.

We are offered two options, Either serve God with gladness, knowing His word is true, or follow a path which will only serve the oppressors of our people.
Today in America, we are faced with oppressive, anti-Christ government. Will we serve it? Our forefathers refused to do so! In the Declaration of Independence, Thomas Jefferson said that, "We are endowed by our Creator with certain unalienable (may not be tampered with by government for any reason) rights. That among these are life, liberty, and the pursuit of happiness. That to secure these rights governments are instituted among men deriving their just powers from the consent of the governed, that whenever government becomes destructive to these ends it becomes the right of the people to alter and abolish it and institute a new government."

The fact that we are free today, gives us the right to establish and maintain a government which will enable us to enjoy these rights, so aptly expressed by the political philosopher, John Locke. Not only is it our right, but it is our duty. Jefferson said, "When a long train of abuses, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, may it is their duty, to throw off such a government and provide new safeguards for their future security."

Today, under the despotism of William Jefferson (Jewish)Clinton, we are living under such a government. Our first allegiance must be to God. It is His law and the unalienable rights under that Law, which make us a free people. We cannot afford for our allegiance now, or at any time in the future, to come under bondage to an alien philosophy that seeks to enslave and destroy us.

In 1 Kings 18:21, the prophet Elijah asked our forefathers, "How long halt you between two opinions? If the Lord be God follow Him: but if Baal, then follow him." Five hundred years before Elijah's time, Joshua told the people of Israel, "If it seem evil unto you to serve the Lord, choose you this day whom you will serve;... but as for me and my house, we will serve the Lord." (Joshua 24:15)

This is the decisions White Christians in particular must make today, if we are to survive. Will we serve Jehovah, the God of our forefathers, and His Son the Lord Jesus Christ and remain free? Or will we bow the knee to the false god of the Talmudic Jews and become slaves? Our whole future, and that of our race, depends on how we answer this question.

For far to long, we have been under the spell of the Baal system of Babylonian usury, It is in the process now of deliberately producing a "raceless, soulless humanity," that can be controlled by the elite in the New World Order of Judaism. This will mean control over income, our children, our entertainment, our sex life, our education, our body, our politics, and our religion. Already the New World Elite have openly stated that there will be no place for Christians in their New World.

I say the time has come when we must stop it. It will only happen when Christian men and women know the truth, recognize it as truth, and operate on this basis. It cannot happen, as long as most of the church world is under bondage, and control of Judaism, as it is today!

The time is late, the situation seems hopeless at times, but so was the situation in 1775 when Patrick Henry, speaking before the Virginia Convention, in an attempt to rally his people to the cause of freedom, shouted for all the world to hear, "They tell us sirs, that we are weak, unable to cope with some formidable an adversary. But when shall we be stronger? Will it be next year? Will it be when we have been totally disarmed, and a British guard is stationed in every house?" This is what the Jews seek in America today. They are in the forefront of every effort towards gun control and total disarmament. Christian America: "How long will you halt between two opinions?" Will you finally believe when you see enemy hordes marching through our streets, raping our women and destroying our homes and churches?

Today, our Christian people are asleep. They are in a dream world, where they imagine that bad things will not happen to them. They see devastating earthquakes in Turkey and Greece, and say, "It will not happen to us!" They see mass murders by governments in Southeast Asia and Africa, and say, "That will not happen here! We are born again, you know, and Jesus will come back and RAPTURE us away before if gets all that bad!" Talk about being wrapped up in a sheet of self-
righteousness, those Christians are enclosed in a shroud and don't know it. Like the folks in Isaiah 28 their church leaders have "made a covenant with death, and with hell are in agreement; when the overflowing scourge (disaster) shall pass through, (they say), it shall not come nigh us: for we have made lies our refuge, and under falsehood have we hid ourselves." What does God have to say about this complacent attitude? The answer is in verses 17 and 18 "Judgment also will I (God) lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place. And your covenant with death shall be disannulled, (canceled) and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it." Still so-called born again Christians who say they believe God's Word, will tell you with a straight face, "It will not happen to America, because we have too many born again Christians here!" How dangerously complacent can we get?

While our preachers indicate that they don't know who the Jews are, and erroneously call them God's Chosen, our risen Savior said of them in Revelations 2:9 - "...I know the blasphemy of those who say they are Jews, and are not, but are of the synagogue (meeting place) of Satan." He will take care of them in His own good time as indicated in Luke 19:27, and in His Parable of the Sower in Matthew 13:30. He indicated here that if we attempt to uproot them before their time, it will harm the wheat.

Will it take God's destruction of His enemies, to waken our Christians, or will it take disaster to befall them?

Are you willing to have your family live under the rulership of International Jewry, now that you know the truth about them? In the face of slavery and very possibly death. WHAT WILL YOUR ANSWER BE?

The day of decision is fast approaching, when Satan's Kids, will make an all out effort to control the Christian world. Their time schedule calls for it to happen in the year 2000. It may be necessary for us to take stern measures in order to stop this anti-Christ scourge. For whether you want to admit it or not, we are in extreme danger as a free people. Soon this war will end. With promises like Romans 8:28; 2 Timothy 1:7; and Luke 21:28, we have nothing to fear,. For no matter how heavy the odds against us may be we will be VICTORIOUS, when we learn to be obedient! Are you going to be on the winning side? Or will you be one of the church rebels who refuses to believe God's Word, and will not make into His kingdom, no matter how solid your church membership may be? Please never say you weren't warned!

Choose you this day whom you will serve!
THE LOST TRIBES OF ISRAEL

Still Lost in Church Theology
"When the Most High divided to the nations their inheritance, when he separated the sons of Adam, he set the bounds of the people according to the number of the children of Israel. For the Lord's portion is his people; Jacob is the lot of his inheritance."

DEUTERONOMY 32: 8-9.
The Lost Tribes of Israel
Still Lost in Church Theology

By RICHMOND N. STUART

IT WAS PAUL who first exclaimed that the rediscovery of the Israel peoples and their manifestation to the world would mean nothing less than life from the dead. The apostle quoted Moses: "Rejoice, ye Gentiles, with his people," having first identified "His people" in eight significant clauses:

"Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises; Whose are the fathers, and of whom...Christ came, who is over all, God blessed for ever. Amen." (Rom. 9: 4-5; 15: 10.)

If the so-called "Lost Tribes" are truly lost and assimilated among the Gentiles as conventional wisdom would have us believe, "the sure word of prophecy" would have proved to be most unsure, indeed! But historians, both biblical and secular, record the regathering of Israel in new lands far to the North and West of Canaan (ancient Palestine) (Isa. 49: 12). True to the word of prophecy, Israel has become a multitudinous people in the earth: "a great nation," "a nation and a company of nations," and "many nations," albeit, called by a new name.

On a six-sided clay prism in the British Museum, London, is the Assyrian King Sennacherib's record of the eight campaigns against the northern ten-tribed Kingdom of Israel which began in 703 B.C. and ended in 689 B.C. It should be noted that the Assyrian King's inscription refers to the captives, not by their name, "Israel," but "Beth Omri" (House of Omri), after the name of their King. That they were not known by their spiritual name, "Israel," which was conferred upon their patriarch, Jacob, by an angel or messenger of the Lord of Peniel (Gen. 32: 24-30), was a stroke of Divine Judgment.

National Blindness was the inevitable consequence of Israel's unfaithfulness in worshiping the false idols of the Canaanites and their rejection of the law of the Lord to follow the statutes of Omri (Deut. 28: 28). The cause and duration of Israel's estrangement from the Lord is given by Moses in Chapter 26 of the Book of Leviticus:

"And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, but that ye break my covenant....Then I will walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins...and I will destroy your high places, and cut down your images...and I will scatter you among the heathen." (Lev. 26: 15-33.)

During the "seven times" of chastisement, the exiles were no longer called by the name, Israel, but, oddly, they became known by an even older family name, 'Saac's sons, or Saxons, after Isaac, the child of promise: "In Isaac shall thy seed be called" (Gen. 21: 12).

Eventually, "the outcasts of Israel" would become known by a new name, "Christians," as it is written in Isaiah 60: 16: "And thou shalt know that I the Lord am thy Saviour and thy Redeemer, the mighty One of Jacob." But, for a time, they
were to remain unrecognized. However, they were never lost in the Lord's sight:

"Behold, I will send for many fishers, saith the Lord, and they shall fish them; and after will I send for many hunters, and they shall hunt them from every mountain, and from every hill....For mine eyes are upon all their ways: they are not hid from my face, neither is their iniquity hid from mine eyes." (Jer. 16: 16-17.)

"For my name's sake will I defer mine anger, and for my praise will I refrain for thee, that I cut thee not off. Behold, I have refined thee....I have chosen thee in the furnace of affliction....Even for mine own sake, will I do it: for how should my name be polluted? and I will not give my glory unto another. Hearken unto me, O Jacob and Israel, my called; I am he; I am the first, I also am the last." (Isa. 48: 9-12.)

It is inconceivable that the so-called "Lost Tribes of Israel have disappeared for all time, never to be restored as the Lord's Kingdom Nation. If such were true, the entire body of Scripture would collapse without foundation. The Redemption of Israel and the Restoration of God's earthly Kingdom is the essence of the national message of the Bible.

The House of Israel's role in the Lord's great plan of restitution is epitomized by the Apostle Peter:

"But ye are a chosen generation [race], a royal priesthood, an holy nation, a peculiar [consecrated] people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light." (I Peter 2: 9.)

"Listen, O isles, unto me; and hearken, ye people, from far," is the Lord's salutation to Jacob-Israel's descendants (Isa. 49: 1). Through His Prophet Isaiah, the Lord continues:

"Thou art my servant O Israel, in whom I will be glorified....And he said, It is a light thing that thou shouldst be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth.

"Thus saith the Lord, the redeemer of Israel, and his Holy One...In an acceptable time have I heard thee, and in a day of salvation have I helped thee: and I will preserve thee, and give thee for a covenant of the people, to establish the earth, to cause to inherit the desolate [undeveloped] heritages." (Isa. 49: 3, 6-8.)

That the so-called "Lost Tribes" were never forsaken, nor lost in the Lord's sight, is made abundantly clear by His analogy:

"Can a woman forget her sucking child, that she should not have compassion on the son of her womb? yea, they may forget, yet will I not forget thee. Behold, I have graven thee upon the palms of my hands; thy walls are continually before me." (Isa. 49: 15-16.)

A most remarkable testimony concerning the lost identity of the House of Israel is given in Hosea 1, verses 4 through 10. Two Hebrew names are used to describe Israel's estrangement from the Lord:

"Loruhmah; for I will no more have mercy upon the house of Israel; but I will utterly take them away." (V. 6.)

"Loammi: for ye are not my people, and I will not be your God." (V. 9.)

"Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measured nor numbered; and it shall come to pass, that in the place where it was said unto them, Ye are not my people, there it shall be said unto them, Ye are the sons of the living God." (V. 10.)

The National Amnesia that blinded Israel in the Old Testament was extant in Paul's day and his exhortation to his brethren in the New Testament is no less germane now to our present generation:

"For I would not, brethren, that ye should be ignorant of this mystery...that blindness in
part is happened to Israel, until the fulness of the Gentiles be come in." (Rom. 11: 25.)

Despite the fact that the descendants of the Lost Tribes eventually emerged from historic obscurity as sovereign nations in the West, national blindness still causes many to forget the Lord's exhortation:

"Look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged. Look unto Abraham your father, and unto Sarah that bare you." (Isa. 51: 1-2.)

To find "the lost sheep of the House of Israel" in the world today, all one needs to do is recognize the nations and peoples in whom the Lord's covenant promises have been fulfilled.

In a prophecy that would have a long-term fulfillment, Amos gives the Lord's promise that, despite the Kingdom's sinfulness, He will not utterly destroy the house of Jacob:

"For, lo, I will command, and I will sift the house of Israel among all nations, like as corn is sifted in a sieve, yet shall not the least grain fall upon the earth." (Amos 9: 9.)

Because of their national sins, the House of Israel was given a bill of divorce (Jer. 3: 8 & 14). But the Lord promised that Israel would be redeemed through the suffering and death of their Messiah (Isa. 53: 5-8). How great is their salvation is recorded by the prophet:

"Thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited...for thou shalt forget the shame of thy youth, and shalt not remember the reproach of thy widowhood any more.

"For thy Maker is thine husband; the Lord of hosts is his name; and thy Redeemer the Holy One of Israel; The God of the whole earth shall he be called....For a small moment have I forsaken thee; but with great mercies will I gather thee. In a little wrath I hid my face from thee for a moment; but with everlasting kindness will I have mercy on thee, saith the Lord thy Redeemer." (Isa. 54: 3-8.)

The prophets explain how the Lord God, under the terms of a New Covenant, will implement the Law Covenant made at Mount Sinai. It would not be a new covenant in the sense that the law covenant would be annulled or diminished. But its "newness" was the Lord's promise:

"But this shall be the covenant that I will make with the house of Israel; After those days, saith the Lord, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people." (Jer. 31: 33 and also see Ez. 36: 24-28.)

Some six hundred years after the terms of the New Covenant were foretold by the prophets, Jesus Christ was born and by His Ministry He fulfilled Malachi's prophecy:

"And the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant...saith the Lord of hosts." (Mal. 3: 1.)

During His Ministry, Jesus made the terms of the New Covenant clear. The laws once written upon tables of stone must be written in the hearts of His people. He changed no laws but by His words
He made keeping the spirit of the law infinitely more important than the outward appearance of keeping the letter of the law.

In refutation of the law that was to be written in their hearts, a pernicious church doctrine that we are now no longer under the law is accepted by many who call themselves "New Testament Christians." Yet Jesus upheld the Old Testament "and beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself" (Luke 24: 27). But to the Jews in Jerusalem He said:

"For had ye believed Moses, ye would have believed me: for he wrote of me. But if ye believe not his writings, how shall ye believe my words?" (John 5: 46-47.)

The First Century Christians knew who they were. In the Acts of the Apostles they had been told:

"Ye are the children of the prophets, and of the covenant which god made with our fathers, saying unto Abraham, And in thy seed shall all the kindreds of the earth be blessed." (Acts 3: 25.)

That the Messiah had come was made clear, for Jesus left no doubt concerning Who He is and to whom He came: "I am not sent but unto the lost sheep of the house of Israel" (Matt. 15: 24). And when He sent forth His apostles, He commanded them, saying:

"Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not: but go rather to the lost sheep of the house of Israel. And as ye go, preach, saying, The Kingdom of heaven is at hand." (Matt. 10: 5-7.)

Jesus testified that a prophet has no honor in his own country (Luke 4: 43-44). So it was not simply for fear of the Jews that the Lord left Judea. Until near the end of His Ministry, He walked in Galilee where remnants of the tribes were still living in their tribal territories. Manasseh and Ephraim particularly are mentioned (II Chron. 34: 9). These were undoubtedly "the gleaning grapes" which Isaiah said would be left in the land (Isa. 17: 6). Here, among the Benjamites and the gleaning grapes of "the outmost fruitful branches," Jesus found a responsive remnant of all of the tribes of Israel and Judah apart from the heterogeneous, largely Idumean, population of Judea.

Concerning the remnant of the northern Kingdom living in the territory of Zebulun and Naphtali, the Lord, through Isaiah, declared that, "if they speak not according to the law and to the testimony, there is no light in them" (Isa. 8: 20–22). However, the Lord promised: "The people that walked in darkness have seen a great light" (Isa. 9: 2). Then followed the glorious promise of the One who would come as "the light of the world" (John 3: 19; 8: 12; 9: 5):

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this." (Isa. 9: 6-7.)

A remarkable feature of this promise by the Lord is that it addressed the remnants of the northern ten-tribed Kingdom of Israel. It was they upon whom the light would shine. It was they who would see a great light and it was their land, Galilee, which would see the Light of the Lord's promised shining.

Judah in the south received no such promise. In a parable the Lord of hosts had pronounced judgment upon Judah and Jerusalem:

"Even so will I break this people and this city, as one breaketh a potter's vessel, that cannot be made whole again." (Jer. 19: 11.)

The finality of this judgment was confirmed by Jesus:

"For the days shall come upon thee, that
thine enemies shall cast a trench about thee, and compass thee round, and keep thee in on every side...and not leave thee one stone upon another." (Luke 19: 43-44.)

The judgment came when the Jewish nation was destroyed in the appalling destruction of Jerusalem by Roman legions under Titus in 70 A.D.

From its inception, the early church was unable to distinguish between Israel, Judah and the Jews. The erroneous identification of the false Jews as "Judah" and, moreover, as "Israel," led to the confusion that has blinded the church to this day. Yet Jesus had said, "I know the blasphemy of them which say they are Jews, are not, but are the synagogue of Satan" (Rev. 2: 9; 3: 9).

When Jesus left Galilee to confront the Jews in Jerusalem, He knew the identity of those who sought to kill Him and usurp His Kingship as David's Greater Son. To those Jews who believed on Him, Jesus said, "If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free" (John 8: 31-32).

But the Pharisees answered Him, "We be Abraham's seed, and were never in bondage to any man: how sayest thou, Ye shall be made free?" (John 8: 33).

This was a tacit admission that, although they were "the seed of Abraham" (through Ishmael and Esau), they were not "the seed of Promise" through Isaac and Jacob—Israel who had long been in bondage in Egypt.

Jesus knew they were of Esau of the Edomite Idumean confederacy in the vision of the Prophet Obadiah:

"Every one of the mount of Esau may be cut off by slaughter. For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever." (Obadiah 1: 9-10.)

When Jesus said, "the scribes and Pharisees sit in Moses' seat," He meant they had taken control of the Jewish nation, albeit, subject to Rome.

Jesus knew well the Scriptures concerning "the inhabitants of Jerusalem" who would reject Him. He was fully aware of the distinction the Lord God made within Judah between those He called "the good figs," who were carried away captive into the land of the Chaldeans (Babylon) for their own good, and "the evil figs" whom He called "the residue of Jerusalem." The latter included Zedekiah, king of Judah, and his princes that remained in the land and also them that dwelt in Egypt.

Using the analogy of the fig tree, Jesus used a barren fig tree as the symbol of Jewry, and said:

"Let no fruit grow on thee henceforward for ever. And presently the fig tree withered away." (Matt. 21: 19.)

In the Kingdom parable of the wicked husbandmen, Jesus indicted those He knew sought to kill Him:

"Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvellous in our eyes? Therefore say I unto you, The Kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof." (Matt. 21: 42-43.)

Today the people of the Kingdom, to which Jesus referred, are very much in evidence in the

5 Jesus refers to Himself as the Cornerstone of the Stone Kingdom which smote the great image (of Nebuchadnezzar's dream) upon its feet of part iron and part clay, to become a great mountain (government or Kingdom), to fill the whole earth (Dan. 2: 31-34).
Saxon–Israel nations of Western Christendom. The long trek of the lost tribes from ancient Palestine to the north and west coastlands of Europe and the Isles of Britain and thence, ever–westward, to the wilderness of North America has been amply documented. The records of the continuity of the Kingdom, its people, its royal dynasty, and its vast territorial expansion, could not be the private interpretation of any individual or school of theology. It is to be found in the cumulative research of a host of Bible scholars, archaeologists and secular historians.

Now, in light of "so great a cloud of witnesses," how can one account for the persistent blindness of the church in Israel? The early Christians, however, were not without excuse. Israel’s great expectations, raised by the prophets, had seemingly come to naught.

They knew the Scriptures’ account of the great national promises made to Abraham and his seed. They knew that the children of Israel were the literal, earthly Kingdom that the Lord God formed into His holy nation at Sinai. They knew of the disintegration of the Kingdom following the reign of David’s son, Solomon. But, with the coming of the Messiah, they anticipated that "David’s Greater Son" would restore the Kingdom to Israel.

The Messiah had come as Saviour and Redeemer, and as the Royal Heir to the Throne. But He was betrayed by His enemies and was given a crown of thorns. True, He had died as the prophets foretold for the sins of His people; but the Kingdom had not been restored to Israel. Moreover, any hope of restoration of the literal, earthly Kingdom of God apparently was aborted when the nation of the Jews was destroyed, as the prophet Daniel had foretold, "and they shall no more be his people: or, and the prince’s [Messiah’s] future people" (Dan. 9: 26, marginal rendering, King James Version).

In the aftermath of the catastrophic events in Jerusalem, it does not seem unreasonable that the early Christians would conclude that the Old Testament Covenant Promises made to the seed of Abraham were never intended to be taken literally. The whole story must be simply an allegory.

From their myopic viewpoint, God’s Kingdom people were beyond redemption. The Jews who were believed to be the Chosen People had rejected and betrayed the Messiah of Israel; and they had been destroyed, as a nation, by a Divine Judgment. It is understandable that early on the church faced a most serious conundrum: "Had the Lord God failed to keep His promise, to restore again the kingdom to Israel?"

It was not theirs to question if by a simple expedient they could circumvent such an unacceptable premise. It was simply asserted that the church is "Spiritual Israel." Thus, it was said, God keeps His Covenant Promises to the church—the Spiritual Heir to the Lost Tribes.

It follows quite logically that the church, as "Spiritual Israel," is the temporal manifestation of the Kingdom of God.

Having ascended the lofty slopes of priestly theology this far, it would not be difficult to transcend the literal, earth-bound Kingdom of Scripture—free to roam in the rarefied spirituality of a heavenly Kingdom. A welcome conclusion for a disillusioned people, unable to see beyond their day.

In the early centuries A.D., the concept that the covenants made with the fathers were no longer operative became dogma. But it should be noted that the seeds of subversion were being sown by the Gentile, universal Church of Rome—not by the Apostolic Church in the Isles. Also be it known that the British National Church was founded in A.D. 36, an hundred and sixty years before heathen Rome confessed Christianity.

THE PRIESTLY INNOVATION that the Church is the spiritual Kingdom of God, in place of the literal national Kingdom of the Scriptures, became polarized by a series of doctrinal writings begun in 413 A.D. and issued in several parts for thirteen years until 426 A.D. "They were designed as a great apologetic treatise in vindication of Christianity and the Christian Church (of Rome)—

the latter conceived as rising in the form of a new civic order on the crumbling ruins of the Roman Empire.7

Such an insidious exegesis of the Word of God can only be characterized as the inspiration of "the father of lies."8 Yet it has become the church's most influential expression of doctrine for nearly fifteen centuries.

Its most corrupting influence is manifest in the churches which came out of Roman Catholicism. The allegorical, or spiritual, interpretation of Scripture not only survived the Reformation, but, today, permeates virtually every mainline denomination in Christendom. In effect, it has relegated the words of Moses and the Prophets to the limbo of anecdotal Sunday School stories, which, taken out of context, are about as meaningful as "Tales of the Arabian Nights" or "Aesop's Fables." Particularly in the present Great Apostasy when "darkness shall cover the earth, and gross darkness the people" the prophets' great message and warning to the seed of Jacob is made wholly irrelevant.

These most devastating of doctrinal writings are, of course, none other than Saint Augustine's treatise, "The City of God."

The epitome of the true "City of God" is given in the New Testament by the writer to the Hebrews:

"By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise:

"For he looked for a city which hath foundations, whose builder and maker is God." (Heb. 11: 8-10.)

ISRAEL'S TRIBAL MIGRATIONS TO "THE APPOINTED PLACE"

THE RE-FORMATION OF ISRAEL
IN THE WEST
An Introduction

to Biblical and Historical Records of Israel’s Tribal Trek to the West

By RICHMOND N. STUART

THE NEW TESTAMENT EPISTLE OF JAMES begins with the salutation, "James, a servant of God and of the Lord Jesus Christ, to the twelve tribes which are scattered abroad, greeting."

Those who were scattered abroad were "the lost sheep of the house of Israel" (Matt. 10: 5–7 and Matt. 15: 24). They were "lost in the sense of the Greek word apollumi, meaning "put away in punishment." But their whereabouts was not unknown in the Lord’s Day. Remnants of the so-called lost tribes were still living in "the lands of Zebulun and Napthali by way of the sea, beyond Jordan, Galilee of the Gentiles [nations] that it might be fulfilled which was spoken by Esaias [Isaiah] the prophet" (Matt. 4: 13–15 and Isa. 9: 1–2):

"The people that walked in darkness have seen a great light." (Matt. 4: 16 and Isa. 9: 2.)

In the final days of Jesus’ ministry, He left His kinsmen—the remnants of the tribes in Galilee—to confront the Jews in the temple in Jerusalem. When the Pharisees and the chief priests sent officers to arrest Him, Jesus said unto them:

"Yet a little while am I with you, then I go unto him that sent me. Ye shall seek me, and shall not find me: and where I am thither ye cannot come.

"Then said the Jews among themselves, Whither will he go, that we shall not find him? Will he go unto the dispersed among the Gentiles, and teach the Gentiles?" (John 7: 33-35.)

Those who conspired against Jesus could not fathom His cryptic allusion to His forthcoming Ascension. They could only assume that He must refer to His self-proclaimed mission, "I am not sent but unto the lost sheep of the house of Israel" who, for the most part, were dispersed among the Gentiles.

"The lost sheep of the house of Israel" to whom Jesus commanded His apostles to go were represented by a remnant of the tribes who still remained in the Promised Land. However, the vast majority of the twelve tribes were, as James’ Epistle had addressed them, "scattered abroad." They had long since become a great migration toward a "new Canaan" in the West.

"The Reformation of Israel in the West is about to be fully realized with the dawn of the Kingdom Age." So writes Wm. Norman Saxon under the subtitle, The Stone Kingdom. "As we have seen, all signs indicate the Kingdom of God is at hand. For many centuries the ground has been prepared in anticipation of the Second Advent. This time the Royal Heir to the Throne of David will come as 'Lord of lords and King of kings.'"

In his book, The Parables of the Kingdom, John Morey briefly summarizes that preparation for

It is interesting that immediately after the death and resurrection of our Lord, the Christian church was established in Britain by the Apostles themselves. Wherever the lost Israel nation was to reappear, we may be sure that there the Church of Christ would find its home, and from that centre would spread out to all the world.

In the first century the home of Christianity was removed from Jerusalem to Britain, and here it has ever since remained. God knew that the early Britons were part of His lost race, and that in this land the tribes of the House of Israel would regather and become a mighty nation.

To this land the throne of David would come, and the Kingdom be restored....The early British Church became strong and full of zeal and missionaries from these shores found their way to Scotland, to Ireland, to Europe in the early centuries of the Christian Era. By the time Augustine came at the end of the sixth century Christianity was firmly established in the isles.

Saint Augustine (not to be confused with the earlier Saint Augustine, A.D. 354–430, bishop of Hippo, author of "The City of God") occupied a position of authority in the monastery of St. Andrew at Rome when Gregory I summonsed him to lead a mission to England in 596 A.D.

The apprehension of Augustine's followers caused him to return to Rome, but the Pope furnished him with letters of commendation and encouraged him to proceed. He landed at Thanet in Kent shortly after the death of the renowned Irish missionary-statesman, St. Columba of Iona, in 597 A.D.

Continuing the excerpt from The Parables of the Kingdom, John Morey writes:

"Augustine was met by bishops representing hundreds of British churches, and for a long time the efforts of Rome to influence and control the beliefs and forms of worship of these early churches were strongly resisted.

"The British Church is 500 years older than the Papacy and true Catholicism belongs to Britain rather than to Rome. The Pope has now publicly admitted that this early British Church did really exist, and that these records are true."

As God's witnesses, British and American Bible societies have translated the Word into every known language and dialect and have distributed the Scriptures worldwide.

"Glastonbury on the Isle of Avalon—long regarded as the cradle of English Christianity—can only be explained in the context of the Arimathea mission." writes the Rev. Ansley F. Rash:

"Joseph of Arimathea is said by tradition to have been the younger brother of the father of the Virgin Mary. He was a man of great wealth and influence, an important member of the Sanhedrin Council. Joseph controlled more than fifty percent of the tin trade of the British Isles. He was one of the few men who dared to speak in defense of Christ when He was brought before Annas and Caiaphas. As a result he was not loved by his fellow legislators.

"Soon after the Ascension of our Lord a great persecution broke out in Jerusalem. Stephen was martyred, James was beheaded, Peter was imprisoned, and the church was scattered abroad. Joseph was forced to leave Palestine but he did not travel alone. With him the restoration of the Kingdom:
went Mary and Martha, and Lazarus, whom Christ had raised from the dead. They were set adrift in a boat without oars and eventually reached Marseilles. Here the Bethany family remained to preach the Gospel in the south of France. A deputation of Druids from Britain waited upon Joseph and asked him to bring the Christian message to their land. Joseph gladly consented and landed with them one morning on the Isle of Avalon. With his own hands Joseph built a little church of mud and wattle, the first Christian church in all the world outside of Jerusalem. Joseph labored for many years at Glastonbury and when he died he was buried near the little church which he had made. That, very briefly, is an account of the Arimathea mission."--From This Sceptred Isles by The Rev. Ansley F. Rash.

Centuries before "the coming of the saints" to the Sceptred Isle, a promise of momentous importance was told by the Lord's prophet Nathan to King David:

"Moreover I will appoint a place for my people Israel, and will plant them, that they may dwell in a place of their own, and move no more; neither shall the children of wickedness afflict them any more, as beforetime." (II Sam. 7: 10.)

This could not refer to the Promised Land described in Genesis 15: 18, "Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates" and in Genesis 17: 8, "all the land of Canaan for an everlasting possession." Israel was already dwelling in the Promised Land; i.e., Canaan (Palestine). Considering the implied promise of immunity from the scourge of invasions and the captivities which the children of Israel had endured for centuries, the words of the Prophet could only be fulfilled in another land far removed, and at a future time.

The remoteness of that time, when the Lord's Kingdom people would at last come to rest in a place of their own, is indicated by the words of Moses in the Old Testament Book of Leviticus:

"And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, but that ye break my covenant...then will I walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins...and I will scatter you among the heathen." (Lev. 26: 15, 18, 27, 28 & 33.)

It has been determined that a prophetic "time" is 360 years on the Hebrew calendar. "Seven times" 360 is 2,520 years. This, then, was the duration of Israel's exile. It ran concurrently with "the times of the Gentiles" when the Babylonian Succession of Empires was given a charter for world dominion.

The period of Israel's chastisement began in 703-689 B.C. when the divided Kingdom fell to the Assyrians in a series of military assaults and the people were taken into the land of the Medes southwest of the Caspian Sea. Here the northern Kingdom of Israel and most of the southern Kingdom of Judah (and Benjamin) were held captive for one hundred and twenty years until the Babylonian Empire gained the ascendancy. Then the fall of Jerusalem in 604-3 B.C. provided a Providential escape for the captives in Assyria.

After the city fell and many inhabitants were taken to Babylon, the armies of Babylon attacked Nineveh, the capital of Assyria. The Empire fell before the power of Babylon and, during the turmoil of conflict, the gate was left ajar for the captive children of Israel to escape. In the west, Egyptian armies blocked the path to the Mediterranean; to the east lay the Persian and Parthian powers; but the road north lay open. The prophet Micah describes the breaking up for Israel's second exodus:

"The breaker is come up before them: they have broken up, and have passed through the gate, and are gone out by it: and their king shall

17 This Sceptred Isles, Ansley F. Rash, Covenant Publishing Company Ltd., 8 Blades Court, Deodar Road, Putney, England SW15 2NU

pass before them, and the Lord on the head of them." (Micah 2: 13.)

The prophet Esdras in the Apocrypha19 gives the most graphic account of Israel's deliverance:

"Those are the ten tribes, which were carried away prisoners out of their own land in the time of Osea the king, whom Salmanasar the king of Assyria led away captive, and he carried them over the waters, and so came they into another land. But they took this counsel among themselves, that they would leave the multitude of the heathen, and go forth into a further country, where never mankind dwelt.

"That they might there keep their statute:, which they never kept in their own land. And they entered into Euphrates by the narrow passages of the river. For the most High then shewed signs for them, and held still the flood, till they were passed over. For through that country there was a great way to go, namely, of a year and a half: and the same region is called Arsareth." (II Esdras 13: 40-45.)

To this day, traces of the name "Ar-Sereth" are still found north of the Crimea. Northwest of the Black Sea one of the streams flowing from the Carpathians into the Danube is the River Sereth; and Ar in Hebrew means "city." The burial place of these people has left inscriptions on tombstones to show that the tribes of Israel were once resident in the Crimea. A Hebrew-Phoenician inscription in an Israelitish cemetery in the year 15 B.C. reads:

"This is the tombstone of Buki, the son of Itchak the priest; may his rest be in Eden, at the time of the salvation of Israel. In the year 702 of the years of our exile."

From this region the tribes migrated into the northern wilds of Scythia to become known as the Norsemen (Northmen) and, while Rome was yet in the ascendancy under the early Caesars, far beyond her northern frontiers, the Goths settled the coasts of the Baltic Sea, called by the ancients, "Pelagus Scythicum."

Israel's Westward Trek moved slowly across the continent with the main body of the exiles who traveled overland taking a thousand years to reach and settle the coasts of western Europe. Along the route of this vanguard there were left behind pockets of Israelites whose inherent passion for liberty set them apart from the Japhetic and Hamitic peoples who followed.

The exiles soon forgot their spiritual name, "Israel," but did remember their family name, "Isaac." Their Assyrian captors called them Beth-Sak and Beth Khumri or Beth Omri (House of Omri) after the name of their King whose statutes they had substituted for the Law of the Lord. It is significant that not only the name Beth-Sak (House of Isaac) was reminiscent of their origin as the Lord's chosen people, but they were also called Gaels, meaning "the people, or sons, of God." And among the Persians, they were known as the Guta-Thiuda which meant "Great God's Troops."

By these two names, "Isaac" and "Omri," and derivatives of these names in varied spellings, the children of Israel can be traced throughout their migrations. The original Hebrew alphabet had no vowels. It was not until the sixth century A.D., or later, that vowel points were introduced. There was no "I" in the early form of Isaac. It was pronounced "Saac" and spelled Sak, Saka, Sakai, Sakasuna, and other variants.

Sharon Turner, the great Anglo-Saxon historian, says "The Sakai, who, in Latin, are called Sacae, were a Scythian nation and were called Saca, Sacki and Sach-sen. The Scythians crossed the Araxes, passed out of Asia, and suddenly appeared in Europe in the sixth century B.C." History of the Anglo-Saxons, Vol. I, p. 100.

In his great work, The Viking Age, M. Paul du Challu traces the modern Anglo-Saxons back to the ancient Sacae, Cimmeri and Getae. Other renowned historians, Ptolemy and Albinus, also found that the Sacsons, or Saxons, were a race of Scythians called Sakai, who came from Media, and Albinus wrote that the Saxons were descended from

the ancient Sacae. Sir Henry Rawlinson called these European Scythians a distinct people apart from the Scythians of Asia. Herodotus describes them as the former colonists of the land of the Medes. And Diodorus Siculus traces them back to "two remarkable colonies that were drawn out of Assyria and Media."

The flight of Israel brought the tribes across the upper reaches of the Euphrates, through the Caucasus into the vast barren plains of the Scythian steppes where they began to move north and west across Europe. Much of that area had not yet been explored in the day of Herodotus three and a half centuries later. His writings agree with the prophet Esdras and show the people moving farther on in the same direction beyond the Araxes.

In this territory, where Esdras, in the Apocrypha, and Josephus, the historian, placed the children of Israel, the Gimri or Cimmerians, the Sacai, Sacae, Getae, Massagetae and Scythians became known as the Goths, the Danes, Normans, Saxons and Angles.

Professor Rawlinson, who deciphered the Behistun Rock, says the ethnic name, Gimri, occurs in the cuneiform writing of the time of Darius. It is the equivalent of the Greek, Cimri, the Danish, Cymbri, and the Welsh, Khumri. He also expressed the opinion that we have reasonable grounds for regarding the Cimri or Cimmerians, who first appeared in Assyria and Media in the seventh century B.C., as the Sacae of the Behistun Rock nearly two centuries later as identical with Israel.

Generations before the captive Israelites escaped from Assyria to begin their great westward trek, a separate branch of the family—the descendants of Judah's son Zara20 which had left the main body of the twelve tribes—had already founded outposts along the shores of the Mediterranean. These early colonies extended to the British Isles, "the appointed place," where the prophet Nathan declared the Throne of David and the people would come to rest. Brigadier G. Wilson in his book, Coincidences, says that about half of Judah's progeny had migrated before the main body of the children of Israel went into Egypt.

In his book, Empire in Solution,21 Rev. Wm. Pascoe Goard says, "The bulk of the people (Israelites in bondage) remained to the time of Moses. But there was a large migration from Egypt during that period. Of that migration was a branch of Judahites who followed the banner of Zera the son of Judah. These followed their leader to the banks of the Dardanelles and there they founded the Kingdom of Priam, the capital of which was the city of Troy."

Regarding the city of Troy, E. Raymond Capt tells in his book, Jacob's Pillar,22 that "Dara, or Darda, one of Judah's five sons (I Chron. 2: 6), founded Troy and his descendants ruled there for hundreds of years. A descendant, Brutus, led his people to Britain where he made contact with his kindred and built another capital city called New Troy, later called Londinium, or London."

"In the latter days," the Lord, through the Prophet Jeremiah, foretold that He would be "the God of all the families of Israel" who would find "grace in the wilderness" where they would come "to rest" (Jer. 30: 24; 31: 1 & 2). And, through the Prophet Isaiah, the Lord declared, "I will preserve thee, and give thee for a covenant of the people, to establish the earth, to cause to inherit the desolate [undeveloped] heritages" (Isa. 49: 8).

All of these great latter-day blessings, enjoyed by the children of Israel, derive from the Abrahamic Covenant which was passed on through Isaac to Jacob's twelve sons and, particularly, to the descendants of Joseph who were given preeminence:

"For Judah prevailed above his brethren, and of him came the chief ruler;23 but the birthright was Joseph's."

20 Zara--also spelled Zerah and Zareh in the Scriptures.
The two sons of Joseph, Ephraim and Manasseh, inherited the birthright in a special sense when the very name "Israel" was conferred upon them by the Patriarch, Jacob–Israel:

"And he blessed Joseph, and said, God, before whom my fathers Abraham and Isaac did walk, the God which fed me all my life long unto this day, The angel which redeemed me from all evil, bless the lads; and let my name be named on them, and the name of my fathers Abraham and Isaac; and let them grow into a multitude in the midst of the earth." (Gen. 48: 15-16.)

Joseph did indeed receive "one portion above his brethren" through the inheritance of his two sons, Manasseh and Ephraim (Gen. 35: 11; 48: 8-19). Manasseh became "a great people," or republic—the United States of America; and Ephraim became even "greater than he," as "a company," and "a multitude of nations"—the United Kingdom of Great Britain and, eventually, the British Commonwealth of Nations (Gen. 17: 4; 35: 11; 48: 19).

As already noted, the Lord declared through the prophet Nathan that:

"I will appoint a place for my people Israel, and will plant them, that they may dwell in a place of their own, and move no more...as before time." (II Sam. 7: 10.)

"The appointed place" could not be Palestine, but new lands far removed from the ancient land of Canaan. In fact, at the very time the prophet was speaking, outposts of Israel were taking possession of lands where, later, many of the tribes would come to occupy.

The prophet Isaiah declared that Israel would glorify the name of the Lord God of Israel in the isles of the sea and the isles would wait for his law (Isa. 24: 15; 42: 4). And, through the prophet, the Lord declares: "Thou art my servant, O Israel, in whom I will be glorified" (Isa. 49: 3).

History confirms that the British Isles is "the appointed place" foretold by Nathan. But Great Britain was not to be the sum total of Israel's final resting place. This was graphically indicated by Jacob's prediction when he called his sons together, "That I may tell you that which shall befall you in the last days" (Gen. 49: 1).

Concerning Joseph, he said:

"Joseph is a fruitful bough, even a fruitful bough by a well; whose branches run over the wall." (Gen. 49: 22.)

While many of Israel were to remain in the Isles, the first branches to run over the wall were the New England colonists—the Puritans and other Pilgrims who founded a New Canaan in the new world. Further expansion, first by the House of Joseph, then by people of all the tribes, began moving, ever—westward, to inhabit all of the lands reserved for Israel.

Perhaps the most compelling evidence of Israel's arrival in the Isles of Britain and North America is in the timing of certain events. When the Lost Tribes reappeared from age—long obscurity as two great sovereign nations in the West, God's hand was made manifest in the precise timing of their exile among the Gentiles.

We have the word of Amos that "Surely the Lord God will do nothing, but he revealeth his secret unto his servants the prophets" (Amos 3: 7).

The Lord told Jeremiah, "for all the causes whereby backsliding Israel committed adultery I had put her away, and given her a bill of divorce" (Jer. 3: 8). Israel's unfaithfulness in worshiping the false idols of the Canaanites, and her repudiation of the Law of the Lord brought the nation under the condemnation of the Covenant made at Sinai.

The time factor lay in the duration of Israel's estrangement from the Lord as given by Moses:

23 The Chief Ruler, or Prince, of the Royal House of David

24 British-Hebrew, "Covenant Man."

25 Britain—Hebrew, "Covenant Land."
"And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, but that ye break my covenant...then will I walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins...and I will destroy your high places, and cut down your imagines...and I will scatter you among the heathen." (Lev. 26: 15-33.)

The Lord's judgment, "Then will I also walk contrary unto you, and will punish you yet seven times for your sins" (Lev. 26: 24), is a recurrent theme of Scripture. It also refers to "the times of the Gentiles" (nations) when the kingdoms of this world (order) were given dominion over the nations (Jer. 27: 6–11). The Babylonian Succession of Empires—Babylon, Medo-Persia—Greece and Rome which divided into the Continental Powers—held dominion for "seven times" concurrently with the "seven times" of Israel's exile.

The Seven Times26 of Israel's chastisement among the heathen began when the divided Kingdom fell to the Assyrians and the Babylonians in a series of military incursions from 745 to 604 B.C. In one of these incursions, Manasseh and the tribes of Reuben and Gad were taken into captivity by Teglath-pileser in 745 B.C.

It has been determined that a prophetic time is 360 years. Projecting seven times 360, or 2,520 years, from the date of Manasseh's deportation to Assyria, brings us to 1776 A.D., the very year the thirteen American Colonies became a sovereign nation, or republic, which, in the Preamble of its Constitution, calls itself "we the people."27

In this remarkable alignment of the arrival of the appointed people in the appointed place at the appointed time, surely God's Hand is manifest in America's destiny.

In their book, The Light and the Glory, Peter Marshall and David Manuel also comment on the remarkable timing of the Puritan's arrival in New England:

"A few far-sighted Puritans could sense God's Hand in a coincidence of timing which was too extraordinary to be accidental. Had Columbus landed farther north....Had the Spanish colonization of Florida been successful....Had Jamestown been less of a catastrophe....Had America's very existence not remained cloaked until the Reformation....Had her northeastern coast not been reserved for the Pilgrims and Puritans...."

"But they could see only behind them. Today we can see what lay ahead of them as well, and sense how extraordinary was the timing of the Puritan exodus. If Land had not come to power28 and abetted the King in his drive to bring the Puritans to heel....If the English Puritan's glorious revolution had begun ten years earlier there might not have been a Puritan exodus in sufficient numbers to seed America with spiritual liberty. For there were not nearly enough Pilgrims to do the work that was needed, let alone withstand the concerted pressure of the church and crown. The Puritans were the right people."

Nathaniel Morton in his New England Memorial (1669) wrote:

"The praise of the Lord, that especially the seed of Abraham His servant, and the children of Jacob His chosen, may remember His marvelous works in the beginning and progress of the planting of New England, His wonders and the judgment of His mouth; how that God brought a vine into His wilderness; that He cast out the heathen and planted it....And not only so, but

27 Regarding Manasseh: "He also shall become a people, and he also shall be great" (Gen. 48: 19).
also that He hath guided His people by His strength to His holy habitation and planted them in the mountains of His inheritance."

W. J. Cameron, writing of Morton's history, says, "That is how the first Americans wrote history. And that is also why later Americans cannot write history—they have lost the Key."29

The founding fathers of the Republic sensed the nation's covenant relationship with the God of Israel. They acknowledged our dependence as a people upon the Providence which brought us to this continent and forged a new nation in the fires of revolution. This is brought out in quotations from our national documents, the Mayflower Compact, the Articles of Confederation and the Declaration of Independence, in Cameron's *The Covenant People*. Brief excerpts of a few identification marks of Israel follow:

"Our eagle, for example, is an Israel emblem.30 The Lord called Moses out of the mountain saying, 'Thus shalt thou say to the house of Jacob, and tell the children of Israel; Ye have seen what I did unto the Egyptians, and how I bare you on eagles' wings, and brought you unto myself' (Ex. 19: 3-4).

"As an eagle stirreth up her nest, fluttereth over her young, spreadeth abroad her wings...so the Lord alone did lead him [Israel], and there was no strange god with him.' (Deut. 32: 11-12.)"

The events attendant to latter-day Israel's arrival in the New World should fill one with a profound sense of *deja vu* in recalling how, centuries ago, God brought Israel out of Egypt. The tremendous import of God's mighty deliverance is described in the words of Moses to the people:

"For ask now of the days that are past, which were before thee, since the day that God created man upon the earth, and ask from the one side of heaven unto the other, whether there hath been any such thing as this great thing is, or hath been heard like it?...Or hath God essayed to go and take him a nation from the midst of another nation, by temptations, by signs, and by wonders, and by war, and by a mighty hand, and by a stretched out arm, and by great terrors, according to all that the Lord your God did for you in Egypt before your eyes?" (Deut. 4: 32-34.)

George Washington called this nation, "the second land of promise," and when the Revolution was successfully concluded, he was moved to say, "My gratitude for the interposition of Providence...increases with every review of the momentous contest." When he became the first President of the United States, he acknowledged who was the author of our liberty:

"It would be peculiarly improper to omit, in this official act, my fervent supplications to that Almighty Being who rules over the Universe....No people can be bound to acknowledge and adore the invisible hand, which conducts the affairs of men, more than the people of the United States. Every step by which we have advanced to the character of an independent nation seems to have been distinguished by some token of providential agency."

We have seen how Joseph's elder son, Manasseh, became "a great people"—The United States of America—in 1776 A.D. at the expiration of "seven times" of exile which began with deportation to Assyria in 745 B.C.

Now it will be seen that Joseph's younger son, Ephraim, who was to become even greater than Manasseh, became "a nation and a company of nations" and, eventually, "a multitude of nations." Ephraim, leader of the remaining tribes in Palestine,
was taken captive to Assyria in 721 B.C. Again, projecting forward "seven times," or, 2,520 years, brings them to 1800 A.D., a most momentous date in Celto–Anglo–Saxon history: England and Scotland, and in 1801 A.D., Ireland, were joined to become the United Kingdom of Great Britain, as foretold in Genesis 35:11.

In Tracing Back to Find a People’s Antecedents, language can provide important guideposts "unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged" (Isa. 51:1). In this way, Celto–Anglo–Saxons are unmistakably linked by the English tongue to their Hebrew forebears in the Old Testament.

Strange as it may seem, many Anglo–Saxon Celtic words in the English language are derived from the Gaelic tongues and agree more often with the Hebrew than with the Romance languages, Latin, or Greek. It should not be surprising to find, then, that the early immigrants to the British Isles in Ireland, in Wales, and in Scotland spoke Gaelic derived from the Hebrew language of the Old Testament. According to some linguists, as much as forty percent of the English language is based upon the Hebrew.31

William Tyndale, who translated the New Testament, says, "The Greek agreed more with the Englyshe than the Latyn and the properties of the Hebrew tongue agreeth a thousand times more with the Englyshe than with the Latyne."

"My love has been declared in Hebrew—in the Hebraic tongue," asserted Taliesin, the King or Prince of Druid bards.31

Britain, British and English are compound Hebrew words. Britain combines Brith, meaning Covenant, and ain, meaning land. The very name, Great Britain, is a literal fulfillment of God’s promise to Abraham: "And make thy name great" (Gen. 12:2).

British is also composed of two Hebrew words: Brith, meaning Covenant, and ish, meaning man. English combines Engl, meaning Bull, with ish, meaning man.

The Heraldry of Great Britain is composed largely of Israelitish symbols. A bull was one of the heraldic symbols of the tribe of Joseph. England and Britain have been often depicted as "John Bull" in political editorials and cartoons. Great Britain’s Royal Coat of Arms is composed of the unicorn (Deut. 33:17), the great lion and all the young lions (Gen. 49:9; Num. 23:24; 24:9; Ez. 38:13), and the harp of David (1 Sam. 16:23).

The flag of Great Britain is called the "Union Jack," after the ceremony when its design was adopted: When James VI of Scotland became James I of the United Kingdom, he joined the Crosses of St. Andrew of Scotland and St. George of England. Then, speaking in French, which was the language of Court, the King said: "C’est l’union de la maison de Jacque"—this is the union of the house of Jacob. "L’union de Jacque" became "the Union Jack," as Great Britain’s ensign is affectionately called by her nationals. In 1801, the Cross of St. Patrick was added to the design when Ireland became part of the United Kingdom.

The descendants of Joseph were destined to become great colonizers (Gen. 49:22; Isa. 54:2–3) and no other people has equalled the colonial expansion of the Celto–Anglo–Saxons. By the 19th century A.D., it could be said that, quite literally, "The sun never sets on the British Empire." The dominions and possessions of Ephraim—Britain girdled the globe, fulfilling the Lord’s injunction to "break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited" (Isa. 54:3). By the first quarter of the 20th century, the colonies and dominions had grown and prospered until they became sovereign nations in their own right. In 1931, under The Statute of Westminster, these "young lions" were united with Great Britain to form The Commonwealth of British Nations—in literal fulfillment of the "multitude of nations" foretold for Ephraim (Gen. 48:19).

The Vastness of Israel’s Inheritance in the
Abrahamic Covenant was made known to Jacob in a dream:

"And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed." (Gen. 28: 14.)

Today, the peoples and nations which bear the scriptural identification marks of Israel are found in the remarkable fulfillment of Joseph's Birthright:

"And this is the blessing wherewith Moses the man of God blessed the children of Israel before his death." (Deut. 33: 1.)

"And of Joseph he said, Blessed of the Lord be his land, for the precious things of heaven, for the dew, and for the deep...and for the precious fruits brought forth by the sun...and for the chief things of the ancient mountains, and...of the lasting hills, and for the precious things of the earth and fulness thereof, and for the good will of him that dwelt in the bush." (Deut. 33: 13-16.)

The entire 33rd chapter of Deuteronomy is a recitation by the great prophet giving the Lord's blessings to the descendants of the twelve tribes. Here we are considering the special blessings conferred upon the head of Joseph who was separated from his brethren:

"His glory is like the firstling of his bullock, and his horns are like the horns of unicorns: with them he shall push the people together to the ends of the earth: and they are the ten thousands of Ephraim, and they are the thousands of Manasseh." (Deut. 33: 17.)

As Heirs of the Birthright promised to the sons of Joseph, The British Commonwealth of Nations and the United States of America have enjoyed the national blessings insofar as they have fulfilled their commission to be the Lord's servant people (Isa. 49: 3). But in many respects they have failed to keep God's Law. However, despite grievous instances of disregard for the National Covenant made with the Lord at Sinai,32 they have, on the whole, prospered.

The Lord declares His great purpose is to glorify His name in the House of Israel (Ez. 36: 22-23). Hear His summons through the Prophet Isaiah:

"Listen, O isles, unto me; and hearken, ye people, from far....Thou art my servant, O Israel, in whom I will be glorified." (Isa. 49: 1-3.)

"And he said, It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth." (Isa. 49: 6.)

The Bible and history bear witness how the Lord established Ephraim in the Isles, and brought a vine into the wilderness of North America to become the great people of Manasseh.

Great Britain and the United States have become havens of refuge where the outcasts of Jacob could come to rest. They have "enlarged the place of their tent, and stretched forth on the right hand and on the left," and "their seed did inherit the Gentiles [nations], and made the desolate cities to be inhabited" (Isa. 54: 2-3). Their missionaries have brought the Lord's salvation unto the ends of the earth" (Isa. 49: 6).

But, for the most part, they have done all this unwittingly—blind as a people to their heritage and responsibility as Israel.33
One of the more puzzling present-day phenomena is the zealous—but misguided—love affair that many Christian fundamentalists have with Israel and Zionism. While some evangelical preachers are blatant thieves or disgusting sinners, most are simply ignorant. The latter group has no concept of the disdain and scorn with which they are viewed by the Zionist Jews. Partly, this is because the Zionists hide their contempt for fundamentalist Christians—in order to better manipulate them to the advantage of Israel.

Zionist disinformation artists, such as Hershel Shanks, publisher of Biblical Review and its sister periodical Biblical Archeological Review, have done a masterful job of brainwashing gullible Christians. But the Zionist propagandists have been given incredible support by their evangelical allies, particularly those in the TV-radio broadcasting business. The likes of Ed McAteer, Elwood McQuaid and other sycophants who leap forward to do Zionism’s bidding are especially prominent and despicable. They misunderstand their own religion and have no comprehension of Judaism or Zionism.

It is only in the writings of the hard-core Zionists that this scorn for Christianity and Christians is unabashedly displayed. In a recent issue of Midstream, the voice of the Theodor Herzl Foundation, Emanuel Rackman, Chancellor of Israel’s Bar Ilam University, writes: “One of the major differences between Judaism and Christianity is that Judaism was deliberately intended to be the faith of a limited people, the Jewish people, while Christianity from the very beginning sought to shed the nationalistic component of Judaism and become a religion for all mankind.”

“This point is worthy of consideration. It makes of Jesus not a loyal Jew but a rebel. And Paul becomes the prophet and architect of a faith and movement that represents the very antithesis of that which Judaism always was and still is—a religion only for Jews to whom God gave a special mission to all the world and not a religion for all humanity. Judaism was not to be a universal religion, and no universal church was a part of its vision, even for Messianic times.”

As for the Christian fundamentalist belief that the second coming of Jesus will produce one great brotherhood of believers in Jesus, don’t count on it. Maimonides, Rackman says, was clear on this point, writing that “the Messiah will only produce one result, the freeing of Israel from oppressors”—and that obviously includes the Christians. Moreover, says Rackman, “even in the Messianic era, Jews will accept no converts to Judaism—the very antithesis of the view that in the Messianic era, all people of the earth will convert to Judaism. The reason that they [the non-Jews] are denied conversion is that in the Messianic era, with all the good that will befall Jews, anyone who will seek to identify with them will be suspect.” Evangelicals and fundamentalists need not apply.

When the Messiah comes, say the Zionists, “there will still be a Jewish people and others adhering to their creeds.” There will be no deal with Christianity, no matter what the Christians think and hope for. It is the Jews who have the special covenant with God, not the followers of Jesus. Meanwhile, Rackman says, since most Jews live in predominantly Christian societies, “they find it advantageous to stress that they and their neighbors share a common religious and cultural heritage which is described at Judeo-Christian. That term induces a spirit of brotherhood. It conveys the thought that Christians and Jews are very much like each other; they have a similar background.”

That’s okay for Christians to believe, he says, but Jews must think differently. Jews must be reminded that there are also differences between themselves and the Christians. He warns, “If the differences are ignored altogether, one will be unable to dissuade [Jewish] youth who prefer to assimilate and even embrace the Christian faith... Moreover, if the differences are ignored, we will be betraying our ancestors who deemed both Jesus and the new religion a threat to authentic Judaism... It will be said that their [the Jews’] martyrdom was the result of an erroneous perception—that they should have been less intransigent and more hospitable to what seemingly was the successful widening of Judaism’s circle of believers.”

This cannot be permitted, the Zionists say. It would not only be wrong and a violation of God’s trust in the Jews. There also can be no separation of Judaism and the Jewish people. When the Messiah comes, it will be a victory for the Jewish people, Israel and Zionism—not for Christianity. It is the Jews who will bring peace to the world, and in so doing they will remain apart from the rest of the people. It is God’s will, and “the Covenant idea is as ancient as is the faith.”
In the Beginning was the Lie: 13 Million People Gassed in Dachau, 26 Million Altogether!

On August 24, 1945 the newspaper Berner Tagwacht, referring to an official Reuter press release, reported that "...according to official figures determined by French government investigators, a total of 26 million people were murdered in all the German concentration camps. Most of them were killed in Dachau."

Now some people may be inclined to say, well, in 1945 there was not yet any clear overview of the numbers of victims. However, these were figures officially determined by the French government. And what is more, these 26 million victims (and hence, 13 million in Dachau) were again touted as established fact just as recently as 1992, namely by the very highly esteemed German newspaper Frankfurter Allgemeine Zeitung, which reported on p. 13 of its September 21, 1992 edition: "[Concentration camp] facilities in which 6 million Jews and 26 million inmates...were killed."

We know today that the gassings at Dachau are a Holocaust Lie, and that "...18,448 deaths are documented" for this camp, according to the findings of the Arolsen Special Office (October 9, 1980, Ref. I/K1).

It is due to mind-boggling lies such as these of the 26 million, that we demand the right to research freely in order to find out more precisely how many Jews really died in the concentration camps (a number somewhere between several thousands and 26 million), who killed them, and how they died.

And we claim the right to denounce Holocaust Lies as such, because until quite recently such lies were regarded as truth, and because official judicial records spare not so much as a comment for Holocaust Lies now exposed - as though it were perfectly normal that people have been sentenced to death or to many years' imprisonment for questioning wholly fictional Holocaust Lies.

For this reason we appeal to all truth-loving people to ask questions. Only if a broad spectrum of the population demands proof of hitherto unproven Holocaust events can the ban on research be lifted and a path be opened up to historical Holocaust Truth. We want to be allowed to investigate and evaluate the Holocaust as a historical event, and no longer be forced into professing religious creeds.

Historical Events - or Torah Prophecy?

But such an inquiry, i.e. the historical contextualization of the Holocaust, is forbidden in Germany. In Germany the laws are being bent to the breaking point in order to fog over or suppress the actual events of 1941-1945. In Germany, Holocaust Truths alone no longer suffice; in addition, perverted Holocaust Lies are invented to the collective detriment of the German people.

The majority of all Jews as well as the German people have become the victims of a Holocaust dictatorship. Is it necessary for the German people to accept blame for "the murder of six million Jews" so that Israel can finally meet the terms of a Torah prophecy ("Ye shall return less six million ", Ben Weintraub, The Holocaust Dogma, Washington: Coeso Publishing, 1995, p. 9)? This fits in with an interesting statement made by the Israeli Professor Michael Wolfssohn in the Frankfurter Allgemeine Zeitung of April 15, 1994, p. 21: "Therefore the Jews need the Holocaust in general, and by derivation, Germany in particular, as a symbol of meaningful cohesion. They are chained to Germany in order to preserve their Jewish identity."

Is it perhaps the case that the German people, without ever having been asked, serve as a sort of guarantor for the fulfilment of the Torah prophecy of the "missing six million"? Is this why the establishment of the Federal Republic of Germany hinged on its agreement to secret conditions? In this regard the Frankfurter Allgemeine Zeitung of August 15, 1994, p. 21, contained an interesting pointer: "In denying the murder of the Jews, he [Deckert] denies the Federal Republic its legitimacy." After all, in Article 7.1 of the Transfer Agreement with the Allies, the Federal Republic committed itself to safeguarding not only Holocaust Truth, but also all Holocaust Lies, for ever and all time.

And so, Israel and the Federal Republic of Germany have one thing in common: both nations seem to have been built up on the fulfilment of the prophecy of the "six million dead Jews". Clearly, according to the Torah prophecy, Israel may exist as a nation only if it has "six million vanished Jews" to mourn. This prophecy, which according to the political version of the Holocaust has been fulfilled, represents the foundation of the Israeli Constitution. In Der Spiegel, issue 4/1996, publisher Rudolf Augstein put it thus: "The memory of Auschwitz became a constituent of the self-perception of the Jewish state." And Germany, one might conjecture, probably received the Allied blessing as reconstituted state only because it had agreed in secret pacts to endorse the "missing six million Jews", as guarantor of the prophecy. Ex-Supreme Justice Rudolf Wassermann described the German situation as follows (Die Welt, April 28, 1994): "Anyone who denies the truth about the National Socialist extermination camps betrays the foundation on which the Federal Republic of Germany has been built."

"Dr. Amnon Raz-Krakotzkin, Ph.D. in history, a long-time history teacher and pivotal critic of Israeli curricula for history (Frankfurter Allgemeine Zeitung, Feb. 6, 1995), advises in his book that it is pointless for students to even try to answer examination questions honestly: 'Only if you repeat the lies in your history textbooks will you pass the exam.'"

What does the Talmud have to say about legal and moral controversies in modern America?

Plenty, according to the creators of the new Washington-based National Institute for Judaic Law, which opened with a lavish Supreme Court dinner last month.

Some Orthodox activists say they can't figure out exactly the point of the whole thing. But Neson Gurary, a Lubavitch rabbi who came up with the idea and won backing from some top Jewish legal experts, harbors no doubts.

"It will be an eye opener for judges, scholars and law students," he told The Jewish Week. "Before you know where you're going, you have to know where you came from. And Jewish law is the basis of our legal system in America."

Gurary said that the idea for the institute came in an exchange of letters in which Supreme Court Justice Antonin Scalia, one of the most conservative Justices, expressed his "fascination with Jewish law."

"And as a teacher of Judaic studies, I began to see the excitement of students who were being exposed to Jewish law for the first time, who now had a better understanding of where Western law come from," Gurary said.

Gurary, who teaches at the University of Buffalo law school, said his target audience includes judges around the country and law students, not politicians and lawmakers.

According to Gurary, the group, which has hired two researchers to compile reports, will focus initially on the issue of business ethics. Eventually, the goal is to compile a library and database in Washington that will offer Jewish law insights into a host of contemporary issues and to help create courses on the subject at law schools nationwide. The institute will also inaugurate a monthly lunch series for legal machers in Washington.

The Buffalo rabbi is a relative unknown in the Jewish world. Not so some of the participants in the new project, including Harvard Law School professor Alan Dershowitz, former U.S. Solicitor General Seth Waxman and top constitutional lawyer Nathan Lewin and his law-partner/daughter, Alyza.

Alyza Lewin noted that "the idea is to make Jewish law accessible to the public — to jurists, legal scholars, the press, anybody."

Polls Apart

Polls are notoriously subject to the ideological biases of those who carry them out. On the question of how President Bush is handling the Middle East, two recent polls — one from the left and one from the right — are a study in contrast. Below are the numbers.

69% % of Jews who rate President Bush's handling of Middle East as fair or poor in last week's Americans for Peace Now/Arab-American Institute poll

28% % who rate it good or excellent

66% % of Jews who approve of Bush's handling of U.S.-Israel relations in Republican Jewish Coalition poll last year
People used to say that South Africa was 20 years behind the rest of the Western world. Television, for example, came late to South Africa (but so did pornography and the gay rights movement).

Today, however, South Africa may be the grim model of the future Western world, for events in America reveals trends chillingly similar to those that destroyed our country.

America's structures are of "Western Culture". Your Congress, your lobbying groups, your free speech, and the way ordinary Americans either get involved or ignore politics are peculiarly your "Western Culture", not the way most of the world operates. But the fact that only about a third of Americans deem it important to vote is horrifying in light of how close you are to losing your Western character.

Writing letters to the press, manning stands at county fairs, hosting fund-raising dinners, attending rallies, setting up conferences, writing your Congressman -- that is what you know, and what you are comfortable with. Those are the political methods you've created for yourselves to keep your country on track and to ensure political accountability, with freedom and justice for all.

But woe to you if -- or more likely, when -- the rules change. Americans may soon find themselves unable or unwilling to stand up to challenge the new political methods that will be the inevitable result of the ethnic metamorphosis now taking place in America. Unable to cope with the new rules of the game -- violence, mob riots, intimidation through accusations of racism, demands for proportionality based on racial numbers, and all the other social and political weapons used by the have-nots to bludgeon treasure and power from the haves -- Americans, like others before them, will no doubt cave in. They will compromise away their independence and ultimately their way of life.

That is exactly what happened in South Africa. I know, because I was there and I saw it happen.

Faced with revolution in the streets, strikes, civil unrest and the sheer terror and murder practiced by Nelson Mandela's African National Congress (ANC), the white government simply capitulated in order to achieve "peace." Westerners need peace. They need order and stability. They are builders and planners. But what we got was peace of the grave for our society.

The Third World is different -- different peoples with different pasts and different
cultures. Yet Westerners continue to mistake the psychology of the Third World and its peoples. Sierra Leone and Zimbabwe are perfect examples of those mistakes. Sierra Leone is in perpetual civil war, and Zimbabwe -- once thriving, stable Rhodesia -- is looting the very people who feed the country. Yet Westerners do not admit that the same kind of savagery could come to America when enough immigrants of the right type assert themselves. The fact is, Americans are sitting ducks for Third World exploitation of the Western conscience of compassion.

Those in the West who forced South Africa to surrender to the ANC and its leaders did not consider Africa to be the dangerous, corrupt, and savage place it is now in Zimbabwe and South Africa. Those Western politicians now have a similar problem on their own doorsteps: the demand for power and treasure from the non-Western peoples inside the realm.

It is already too late for South Africa, but not for America if enough people strengthen their spine and take on the race terrorists, the armies of the "politically correct" and, most dangerous of all, the craven politicians who believe "compassionate conservatism" will buy them a few more votes, a few more days of peace.

South Africans, you should remember, have been in that part of Africa for the same amount of time whites have inhabited North America; yet ultimately South Africans voted for their own suicide. We are not so very different from you.

We lost our country through skillful propaganda, pressure from abroad, Great Britan the UN (not least from the U.S.A.), with unrelenting charges of "oppression" and "racism," and the shrewd assessment by African tyrants that the white man has many Achilles' heels, the most significant of which are his compassion, his belief in the "equality of man," and his "love your neighbor" philosophy -- none of which are part of the Third World's history.

The mainline churches played a big role in the demise of Western influence throughout Africa, too; especially in South Africa. Today's tyrants were yesterday's mission-school proteges. Many dictators in Africa were men of the cloth. They knew their clerical collars would deflect criticism and obsfuscate their real aims, which had nothing whatever to do with the "brotherhood of man."

Other tyrants, like the infamous Idi Amin, were trained and schooled by the whites themselves, at Oxford, Cambridge, and Harvard. After receiving the best from the West, they unleashed a resentful bloodlust against their benefactors.

From what I have seen and read thus far, I fear Americans will capitulate just as we did. Americans are, generally, a "compassionate" lot. They don't want to quarrel or obstruct the claims of those who believe they were wronged. They like peace and quiet, and they want to compromise and be nice.

A television program aired in South Africa showed a town meeting in Southern California where people met to complain about falling standards in the schools. Many who politely spoke at the meeting clearly resented the influx of Mexican immigrants into their community. When a hancful of Chicanos at the back of the hall shouted and waved their hands at them, the "compassionate" simply shrunk back into their seats.
rather than tell the noisemakers to shut up. They didn't want to quarrel.

In America, the courts are still the final arbiters of society's laws. But what will happen when your future majority refuses to abide by court rulings -- as in Zimbabwe? What will happen when the courts are filled with their people, or their sympathizers? In California, Proposition 187 has already been overturned.

What will you do when the future nonwhite majority decides to change the names of streets and cities? What will you do when they no longer want to use money that carries the portraits of old, dead white "racists" and slave owners? Will you cave in, like you did on flying the Confederate flag? What about the national anthem? Your official language?

Don't laugh. When the "majority" took over in South Africa, the first targets were our national symbols.

In another generation, America may well face what Africa is now experiencing -- invasions of private land by the "have-nots;" the decline in health care quality; roads and buildings in disrepair; the banishment of your history from the education of the young; the revolutionization of your justice system.

In South Africa today, only 9 percent of murders end up in jail. Court dockets are regularly purchased and simply disappear. Magistrates can be bribed as can the prison authorities, making escapes commonplace. Vehicle and airplane licenses are regularly purchased, and forged school and university certificates are routine.

What would you think of the ritual slaughter of animals in your neighbor's backyard? How do you clean up the blood and entrails that litter your suburban streets? How do you feel about the practice of witchcraft, in which the parts of young girls and boys are needed for "medicinal" purposes? How do you react to the burning of witches?

Don't laugh. All that is quite common in South Africa today.

Don't imagine that government officials caught with their fingers in the till will be punished. Excuses -- like the need to overcome generations of white racism -- will be found to exonerate the guilty.

In fact, known criminals will be voted into office because of a racial solidarity among the majority that doesn't exist among the whites. When Ian Smith of the old Rhodesia tried to stand up to the world, white South African politicians were among the Westerners pressuring him to surrender.

When Robert Mugabe of Zimbabwe murders his political opponents, ignores unfavorable court decisions, terrorizes the population and siphons off millions from the state treasury for himself and his friend, South Africa's new President Thabo Mbeki holds his hand and declares his support. That just happened a few weeks ago.

Your tax dollars will go to those who don't earn and don't pay. In South Africa, organizations that used to have access to state funds such as old age homes, the arts, and veterans' services, are simply abandoned.
What will happen is that Western structures in America will be either destroyed from without, or transformed from within, used to suit the goals of the new rulers. And they will reign either through terror, as in Zimbabwe today, or exert other corrupt pressures to obtain, or buy votes. Once power is in the hands of aliens, don't expect loyalty or devotion to principle from those whose jobs are at stake. One of the most surprising and tragic components of the disaster in South Africa is how many previously anti-ANC whites simply moved to the other side.

Once you lose social, cultural, and political dominance, there is no getting it back again.

Unfortunately, your habits and values work against you. You cannot fight terror and street mobs with letters to your Congressmen. You cannot fight accusations of racism with prayer meetings. You cannot appeal to the goodness of your fellow man when the fellow man despises you for your weakness and hacks off the arms and legs of his political opponents. To survive, Americans must never lose the power they now enjoy to people from alien cultures. Above all, don't put yourselves to the test of fighting only when your backs are against the wall. You will probably fail.

Millions around the world want your good life. But make no mistake: They care not for the high-minded ideals of Jefferson and Washington, and your Constitution or Bill of Rights. What they want are your possessions, your power, and your status.

And they already know that their allies among you, the "human rights activists," the skillful lawyers and the left-wing politicians will fight for them, and not for you. They will exploit your compassion and your Christian charity, and your good will.

They have studied you, Mr. and Mrs. America, and they know your weaknesses well. They know what to do. Do you?
How strange it is, that with all the definite and positive assurances in the Word of God as to Israel's continuance forever as a Nation, there has never been any continued or persistent effort on the part of genuine Bible believers to find them. That they have been content to let them fade away and vanish into nothingness is surely a deep reproach on all true Christians.

There is, however, one probable explanation. It was GOD'S WILL AND PURPOSE TO HIDE THEM. While the Jews (some of whom are only a part of the Rouse of Judah) occupied the stage, and even called themselves "Israel", God could work unhindered with and in "Lost Israel", till he had finished his predetermined work, and without them knowing they were the people of the Book. Only as Israel's time of punishment had run out, with the whole of God's purposes at the point of complete fulfillment, was the identity of Israel to become known.

However, it is a matter of inspired record that God placed "marks" on His people Israel. During the Christian dispensation, Lost Israel was to possess these marks of identification. So then, if we can discover the nations and people with Israel's marks, we have found the people whom God chose to serve Him to be a channel of blessing to all mankind. The God-given marks are very many, and while the following list is not exhaustive, they constitute a chain of evidence utterly impossible to ignore.

One race, and one race alone, has all these marks. Nations within this race may have only a portion of them, but the race as a whole has them all. With a few exceptions, Joseph (the birthright nation) was the recipient of them all. By inheritance, his two sons, Ephraim (Great Britain) and Manasseh (U.S.A.) will be found possessing them all.

While Israelites remain in other countries, America is the home of millions of all the thirteen tribes (one out of many) and thus is representative of the whole House of Jacob. We are bound by Israel's responsibilities; fulfilling Israel's destiny. The MARKS are on us everywhere; in our NAME; in our SABBATH; in our INSTITUTIONS; in our PHILANTHROPY; in our COMMERCE; in our WEALTH; in our MINES; in our AGRICULTURE; in our CHURCHES; in our MISSIONARY ENTERPRISES; in our ARMED FORCES; in our POSSESSION OF THE BIBLE: - all BIRTHMARKS, which neither time, nor the ages, nor even our sin can wipe out.

1. Israel to be great and mighty nation. Gen. 12:2; 18:18; Deut. 4:7,8.
3. Israel to spread abroad to the West, East, North and South. Gen. 28:14; Isa. 42:5, 6.

26. Israel to find the aborigines diminishing before them. Deut. 33:17; Isa. 60:12.
27. Israel to have control of the seas. Deut. 33:19; Num. 24:7; Psa. 89:25; Isa. 60:5 (F. Fenton translates this last, "when rolls up to you all the wealth of the sea". That could not be unless Israel controlled it).
29. Israel to lose all trace of her lineage. Isa. 42:16-19; Hos. 1:9, 10; 2:6; Rom. 11:25.
30. Israel to keep Sabbath forever (one day in seven set aside). Ex. 31:13, 16, 17; Isa. 58:13, 14.
31. Israel to be called the sons of God (i.e., accept Christianity). Hos. 1:10-11.
33. Israel to be the custodians of the Oracles (Scriptures) of God. Psa. 147:19, 21; Isa. 59-21.
34. Israel to carry the Gospel to all the world. Gen. 28:14; Isa. 43:10-12 (witnesses), 21; Micah 5:7.
36. Israel to be the heir of the world. Rom. 4:13.
37. Israel to be God's Glory. Isa. 46:13; 49:3; 60:1, 2.
38. Israel to possess God's Holy Spirit as well as His Word. Isa. 44:3; 59:21; Hagg. 2:5.
40. Israel is the nation appointed to bring glory to God. Isa. 41:8-16; 43:10, 21; 44:23; 49:3.

YE RANSOMED OF THE FALL,
HAIL HIM WHO SAVES YOU BY HIS GRACE,
AND CROWN HIM LORD OF ALL."

The End
The Master Plan!
(Yes, Virginia, there is a conspiracy!)

"Ye shall know the truth, and the truth shall set you free" (John 9:32)

by
Lt.- Col. Gordon Jack Mohr (AUS Ret)

America is in dire trouble. It doesn't take an expert to realize this. She is reeling under an ever increasing burden of crime, fear, hate, unemployment, federal, state and personal debts, increasing taxes and moral decadence.

A tidal wave of destruction is sweeping over this nation, aided and abetted by many in high positions in politics, the media, finance, education and religion.

Under this sustained pressure which is pounded down our throats every waking moment of the day - Americans are for the most part in retreat. They have withdrawn into a shell of indifference - into a fantasy world of make believe, where truths have become blurred with untruths. Nowhere is this more evident than in America's churches. Even the evangelicals and fundamentalists have been "brainwashed" into aiding and praising the worst enemies of Jesus Christ and His church, elevating them to the position of a Chosen People who can do no wrong, while they destroy the very moral fiber of America.

Today, we see a situation where ever increasing doses of "escapism" are necessary in a desperate effort to close out the hideous reality of what is happening to our nation.

The fabric of our society - the family, the church, the education system and the economy, are fast "coming apart at the seams." Most people are interested in only one thing, "Getting their share of the cake" while the getting is good, and to hell with the future and anyone else who may stand in their way of success.

Our youth, sensing that something is drastically wrong, are desperately seeking some reason to exist. When one out of four pregnancies ends in abortion; when suicide is the number one cause of death in our high school and college age group, one begins to understand the horrible indictment against a society that "stands for nothing, but will stoop to anything!"

Did all these things happen by some strange evolutionary process? Did they just happen, as the liberal intelligentsia state? Or were they created. Did we fall into our national trauma, or were we pushed? What caused the effects we see all about us? These questions must be answered, if we are to find the answer to our problems and save America. Americans must face the truth, no matter how unpleasant it may be. We must be willing to come "face to face with reality." We must face facts as they really are, not as the media, politicians, or our preachers describe them.

A few nights ago, I watched Dr. Jerry Falwell on national TV, as he celebrated 30 years of work in Lynchburg, Virginia. The entire program was taken up with praise for Falwell and what he had done. Then he made some rather stupid remarks. He said: "America is standing on the verge of a great spiritual awakening." This I believe. "The signs are all about us." He went on to say: "Things are going to get better for Christians, as this awakening takes place; prosperity will once again return to this land; unemployment will go." This is an absolute falsehood and Falwell knows it. As the spiritual awakening takes place - and it is going to be an awakening of the awareness of who we are as White Christians. It will be an awakening to the fact that Christians are to blame for what has happened in America and that unless they return to doing things God's way, instead of trying to "do their own thing," this mess will get worse. But let me tell you something with absolute certainty. As Christians awake, persecution of Christians will grow. It will come from the "brainwashed" minions.
of Judeo-Christianity, who cannot make up their minds whether they are Christians or Jews.

In Luke 21:9-11, Jesus predicted there would be wars, commotion, great earthquakes such as the world had never seen, famines, pestilence and fearful sights in the heavens. But before these things come, He said: "They (He was speaking about the Jewish leaders) will deliver you up to the synagogues, and into prisons." He clearly said that the persecutors of Christians will be the Jews and you can bet your bottom dollar, that going along with them will be their stooges in the fundamental and evangelical churches.

These catastrophes which we see piling up in America, until we can scarcely keep our heads above the water, did not just happen. They were planned, centuries ago. They were scientifically engineered in great detail. We have become victims of an ingenious plot to destroy our free nation, our White race, and the Christian civilization it has brought to the world. The intelligentsia may scream: "There is no conspiracy!" "But, yes, Virginia, there is one and you better learn about it before it is too late."

This conspiracy is not new. In its modern form it was created by the Jew Adam Weishaupt in Bavaria on May 1, 1776. It was known then as the Order of the Illuminati. In our modern day society it is represented by the Bilderbergers, the Council on Foreign Relations, the Tri-Lateral Commission. Those organizations who want to see America become part of a one world government. Its adherents are fanatical in this desire? Listen to this letter a friend of mine received recently on January 23, 1986.

Dear _____________________

You people are paranoid, it is obvious we can no longer permit your group to exist. We cannot allow the spread of your filthy, immoral Christian beliefs, onto the rest of society and the world. Naturally, you are opposed to world government ... unless it is under your fascist, American imperialism. Who are you to proclaim that the Christian-American way of life is the best way. It is obvious you have not been exposed to the superiority of communist culture. World government and subsequently world peace, cannot come about as reality until American nationalism and imperialism is smashed.

When nationalism is smashed. I will personally be there to fire-bomb your church, burn your Bibles, confiscate your firearms and take away your children and send them to Eastern Bloc schools for re-education as future leaders of the newly formed Soviet Socialist Republic of America. We're taking over this world and you are not man enough to stop us. I am prepared to fight you and all the other enemies of the State.

Sincerely, your enemy

Gregory Paul Brookbank
Spokane, WA

This my Christian friends, is what you have to look forward to, if this Zionist-Communist conspiracy is successful.

Any intelligent individual should realize, the fallacies in Brookbank's letter, re the superiority of Communism. On at least eighteen major occasions since 1917, when the Soviet Union has been on the verge of economic collapse, it has been this "terrible imperialist" country, the U.S.A., using your tax dollars, that has put them on their feet. It has been proven that they cannot even feed their people without our help, yet obviously this man believes the Communist brainwashing he has received.

Today, the conspirators at International level, are being aided in this country by Communism, Socialism, Liberalism, the National Council of Churches, Zionism and some forms of Freemasonry.
In order for us to understand what is taking place, we must grasp the reality of two statements made by two world-famous personages. Disraeli, the British Prime Minister during the reign of Queen Victoria, a Jew himself, once said: "The world is governed by very different personages from what is imagined by those not behind the scenes."

President Franklin Delano Roosevelt, one of the major conspirators, once said: "If it happens in politics, you can bet it was planned that way in some smoke filled room." In other words, it does not happen by accident!

What we see happening, is the unfolding of a cold-blooded, systematic destruction of the American Dream. It is the fulfillment of a plan forged in the dusty corridors of Babylon, over 500 years before the time of Christ.

The Master Plan has been in the British Museum in London since 1906, but it is rarely available to the public. It is too dangerous for the rank and file members of society to see.

The leaders of this movement have accepted the Luciferean doctrine of men like Adam Weishaupt, and Albert Pike, both much honored in the circles of world Freemasonry. These men worship at the throne of Satan himself. They acknowledge the authority of no one except their supreme leader. While many who are in places of political power may have pledged their allegiance to America, even with their hands on the Holy Bible - they give their loyalty to no nation. They arm and divide people; finance both sides in wars; they are the moving force behind world terrorism and they control the vast criminal underground organizations of the world, from which they siphon off unbelievably amounts of wealth.

At the root of all these problems, foreign, domestic, economic and spiritual, lies the tremendous power of world Jewry, operating under the guise of International Zionism.

In spite of all attempts by well known electronic evangelists such as Jerry Falwell, Jimmy Swaggart, and Pat Robinson, to whitewash these "sons of Satan," (Christ's words not mine, see John 8:44), these men indoctrinate millions of gullible Christians each week with their obvious falsehood such as the "Jews are God's Chosen people," yet these men know full well, that International Zionism, stands at the head of the class as far as hatred of Christianity is concerned.

Communism is and always has been a "confidence trick" used by world Jewry to acquire a nation's wealth by pretending to nationalize it for the benefit of the working class. But Communist leaders make no attempt to hide the fact that when power is in their hands, the workers are far worse off than anything they suffered under Nationalism.

The former Jewish Communist dictator of Hungary, Matyas Rahaski, for instance, had the sole gentile in his government, a man named Laslo Rajh. But he was hanged on order of Rahaski for alleged "anti-Semitism." (This is the same kind of law the Anti-Defamation League of the Jewish B'nai B'rith is pushing for in the U.S. Notice how in every article which deals with "right wing" patriotic groups, the A.D.L. is always religiously quoted. They have become government advisor to the U.S. Justice Department.) Most gentile stooges of Communism have been eliminated as soon as the Communists get into power and I would venture to say that men like Falwell, Swaggart and Robinson would not last long if the Zionist-Communist clique ever took over in America. All their "playing footsies" with the Zionists would be conveniently forgotten.

When men like Falwell and Swaggart offer false assurance to their listeners, they are leading them to deliberate destruction. Prosperity will never come to America as long as the "International Jewish money changers" are allowed to operate in our National Temple. The time for a thorough housecleaning is far past. When Christians once learn the truth about who they are, and their responsibilities, then God has promised to act on our behalf. (See 2 Chron. 7:14). Until that time, He has said that He does not even "hear our prayers," (Isa. 59:1, 2).

The Jews, down through the ages have been noted for their genius at salesmanship. In every country taken over by Communism, it has been this group of people who have been in the forefront of
"selling the worker's hell of Communism," to the gullible working man, as a "worker's paradise."

How can Communism ever become a "working man's dictatorship", when it is run by the wealthy internationalists of Zionism? When as in Russia today, over 90% of the Politburo are Jews? When virtually all the high ranking military men in Russia today are Jews? When the head of the national police force, the KGB is a Jew. Men like General of Police Anathi Ivanovich Lazarov; Deputy General of Disinformation, V. R. Sitnikov; N. A. Korsnighov, Director of the KGB Illegal Operations and on and on. When ex-Soviet diplomat Theodore Butenko, fled Romania in 1938, he described Communism bluntly to the "GIORNALE DITALIA." "The Communists have promised to give the industries, mines, etc selo the workers and make them the masters of the country. But in reality, never has the working man suffered such privation as those suffered under Socialism.

In place of the former capitalists, a new 'bourgeoisie' have been formed, composed 100% of Jews."

In a Republic, such as the United States was meant to be, the Jewish lust for maximum profit was hindered by the formation of Labor Unions. But as the country began to be turned into a Democracy and now into a semi-socialist State, the functions of the labor unions are not to protect the worker, but to control them. This fits into the Zionist-Communist plan to perfection.

Today, without fail, wherever you see a world peace movement, either among the working class, or in the perverted churches of Christendom, you will find Communist infiltration, always Jewish led. Many years ago, in the 1920 and 30's this movement to subvert the churches was begun in one of the most prestigious seminaries in the country, UNION THEOLOGICAL SEMINARY in New York, headed at that time by Dr. Harry F. Ward, a dedicated communist. According to FBI informants, as many as 50,000 communist oriented preachers went out from this school to contaminate the pulpits of America.

There are many "brainwashed" ministers in America who seem to believe that Communism would be preferable to another war. They are absolute fools, as any study of communist history will prove! Yet, in spite of the knowledge we have through example, the National Council of Churches, in 1969, drew up a plan for the surrender of the United States in case we got in a war with the Soviet Union, before the first Soviet bomb exploded on American soil. Their watchword was the nauseating cry: "It's better to be red, than dead!" With this kind of leadership in our major denominational churches, what chance do the parishioners have of learning the truth about this Satanic monster?

In the evangelical and fundamental churches, the people are being led astray by two monstrous lies. The one is the Judeo-Christian teaching that the people Jesus called "Children of Satan." (Matt. 8:44) are the Chosen People of the Bible and the Jewish "fairy-tale" called the RAPTURE THEORY, which neutralizes good Christian soldiers by saying to them in effect. "You have nothing to worry about if you're saved. Jesus will come back and take you to be with Him before things get too bad!" This teaching is a subversion of Scripture truth. Yet these "brainwashed" people cling to it as though it came from the mouth of our Lord Himself. If you really want to know what will happen before our Lord's return study His own words regarding it in Matthew 24 and Luke 21. There is not a hint here of anything such as a RAPTURE of Christians. However, Jesus does say to Christians, not Jews: "Then shall they (He was speaking about the Jewish authorities at this point), deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake." (Matt. 24:9). In Luke 21:12 He is even more specific as to whom the persecutors will be, as He says: "But before all these (wars, famines, pestilence, earthquakes, etc.), they (Jews) shall lay hands on you, and persecute you, delivering you up to the SYNAGOGUES, and into prisons ..." (Emphasis mine. Ask yourself who worships in synagogues. There is only one people, the Jews). How Christians can believe they are going to be different from all Christians that have gone before them, and escape this Jewish persecution, calls for a tremendous ego which in itself is decidedly anti-Christian.

Whenever Communism seeks to take over a country, they always seek to disarm them through "Peace Offensives." This is best illustrated by a speech made by Dmitri Manualisky in 1947. He
was then Under Secretary of Military and Political Affairs of the United Nations. He said: "We (USSR) will offer them (the Free World), unheard of concessions and the capitalist nations, stupid and decadent, will leap at the chance to be our friends; they will be willing to cooperate in their own destruction. Then when their guard is down and they have gone to sleep, we will smash them with our clenched fist." This has been Communist doctrine since the very beginning and it has never changed. Over and over again they have reiterated the doctrine: "We will never have to fight against them, because they will collapse from within." This collapse will be a planned Zionist tragedy.

The Apostle Paul, writing about the "day of the Lord," put it in words which apply to America's present situation, when he said in 1st Thessalonians 5:3, "For when they shall say, Peace and safety, then sudden destruction cometh upon them.

Today, the churches of the National Council of Churches and many of the Roman Catholic faith, are in the forefront of what has popularity been called the preaching of "Liberation Theology." This is Zionist-Communist doctrine pure and simple and is in direct contradiction to the teachings of Christ. Along with this they have started the "Sanctee, Movement," which is aiding tens of thousands of illegal aliens to enter the United States, many of them known enemy agents, under the guise of refugees. Yet these are the same churches who harp on the theme of Romans 13:1 - "Let every soul be subject to the higher powers. For there is no power but of God ..." They tell their brainwashed people that this means they must obey the government no matter what it does.

Yet on the other hand, they deliberately break the law through their "Sanctuary Movement." We are probably dealing with the worst religious hypocrites in the world's history.

Last year a leader in the South Vietnamese community admitted that possibly as many as half of the 640,000 Vietnamese refugees in this country are Viet Cong. The Roman Catholic Church in Oklahoma, which had been responsible for tens of thousands of these refugees coming to America, admitted publicly that many of them came to America, not to gain freedom, but because they could get government welfare. These are also part of the "plague of locusts" Joel wrote about.

Have you ever wondered why down through the years, from World War I to the present, the nations of Christendom (more commonly called the Free World,) have spent hundreds of billions of dollars on wars which killed off their own white people? A little study will show you that in every one of those wars the life of International Jewry was at stake and they were the only ones who benefitted from them. If we as a Christian nation can spend that amount of money on a people who hate our Christian philosophy and our Christ, why is it that we will not spend the same kind of money to halt unemployment, and keep our small businessmen and farmers on a sound business basis? Why do our bankers give huge loans to countries like the Israeli and the Third World nations who hate our guts, at low interest rates, when they charge the maximum interest rates to our farmers and businessmen?

You should know the answer if you are honest and are looking for it. War has always put gold into the pockets of the International Jews. Many years ago, following the Civil War, one of their top rabbis said: "Wars are the Jews harvests; for with them we kill off the Christians and get control of their gold. We have already killed 100 million of them and the end is not yet." This was before the holocausts of World War I and II.

In 1939, 400 world financiers held over 98% of the world's wealth under their control. Of these, over 90% were Jews. At this time, they owned over $25-billion worth of gold. If the rest of the world had copied the economics of "pre-war" Germany and coined their own money, they would have never gone broke. But when the United States tried to do this under the leadership of Abraham Lincoln in 1865, he was murdered by the Internationalists.

So using clever Jewish salesmanship, the Internationalists convinced the world that Adolf Hitler was a monster who must be stopped to save civilization. That since he meant to conquer the world, he must be stopped at all costs, and once again we were at war with our German brethren, this time killing over nine million of them.
Today we stand in similar circumstances. There are great masses of food and raw materials available in the world, but the nations of Christendom do not have enough money or gold to make them available to the rest. Why is this, when we have been the most productive. It is because the white Christian stooges of Christendom, the true Israelite people, were conned into voting for their own destruction. Led by their pastors, who had been poisoned in the seminaries, often by Jewish professors, they went into the Zionist camp in direct defiance of the Word of God, they said they followed. They "loved the Lord with their mouth, while they supported His enemies with their money and actions."

But to further the problem, these same men diluted the "true Gospel of Christianity," by a counterfeit religion which has popularity been called "Judeo-Christianity." This religion is now taught in the majority of American churches and so well have the enemy done their dirty work, that when you try and expose them, you immediately become the enemy of the Christians you are trying to save.

While our pastors thunder the words of 2 Corinthians 6:14, "Be ye not unequally yoked together with unbelievers," and those of 2 John 11 - "Neither bid them God speed; for he that biddeth them God speed, becomes partakers of their evil deeds," they join hand in hand with the vies.people who call their Lord and Master an "illegitimate bastard." It is the leaders of Christianity, those "wolves in sheep's clothing" who have led their people into the trap of Judeo-Christianity.

Whatever view you may hold of Adolf Hitler, and he is not one of my favorite historical characters for number of reasons; in all honesty he did one tremendous thing for Germany, he put a brake on the Jewish control which was strangling pre-war Germany. In fact, he kept Germany from becoming a Second Russia.

What do the Internationalists have to say about themselves? Unbelievably, - unless you understand their way of thinking - they brag about what they are doing, while screaming "anti-Semitism" against anyone who says the same things about them.

Max Nordrow, a German Zionist leader during WW I stated in THE JEWISH WORLD; "We are neither German, English or French. We are Jews and your Christian mentality is not ours.

THE JEWISH COURIER, Jan 17, 1924 stated: "Jews may adopt the customs and language of the countries where they live; but they will never become part of the native population."

Dr. Oscar Levy, a well-known Jewish writer, in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, said: "...we (Jews) are today nothing else but the world's seducers, its destroyers, its incendiaries, its executioners."

We hear so much about the Jewish "holocaust" of World War II, which we know from documentary evidence has been greatly exaggerated, but which is nevertheless constantly shoved down our throats by the Jewish controlled media. Yet few Christian pastors or leaders have the "spiritual guts" to tell the truth about the holocausts which have been brought on the Christian world through Jewish influence. Seldom will a Jew speak up about Jewish cruelty in any critical manner. Probably two of the most outspoken have been Dr. Benjamin Freedman who spent his life and fortune fighting Zionism and Dr. Alfred Lilenthal, a well-known Jewish diplomat and author who wrote a monumental book titled THE ZIONIST CONNECTION. On page 286 of this book he says: "The famed author (James Michener), a strong protagonist for Israel and equally anti-Palestinian, ludicrously presented Israel as a land of faith, although more than 60% of its population was either atheistic or agnostic.

"In the filming of ISRAEL: A SEARCH FOR FAITH, Michener continually misled his viewers not only by invariably using Zionism, the national movement, interchangeably with Judaism, the faith, but by conveniently substituting the country Israel for the people of Israel. He equated Hebrew, Israelite, Judean, Jew, and Israeli as one, so as to draw a continuity for Jews from 2000 years B.C. to date. Everyone watching Michener was led to believe there has always been an Israel, and by
implication that the Zionists have every right to hold onto this land (Palestine). But in fact, aside from the 250-odd years the Kingdom of Israel existed in the 8th Century B.C., there was no entity called Israel in the Middle East until 1948."

On page 406 he says: "Americans who have recently shown how sensitive they are to the threats to their privacy and liberties when CIA wiretapping and spying was revealed, have never been told about the building of what might be called the Jewish Gestapo or the largest non-government spy system functioning in the Western hemisphere." He was referring to the Anti-Defamation League of the Jewish B'nai B'rith.

In his startling book FACTS ARE FACTS, the Christianized Jew, Dr. Benjamin Freedman says: "The confusion of the average Christian comes from the action of the clergy. Confusion creates doubt! Doubt brings loss of confidence! Loss of confidence brings loss of interest! "There need be no confusion in the minds of Christians concerning the fundamentals of the faith. It would not exist if the clergy were not 'aiding and abetting' their worst enemies. Many clergymen are their (Zionists) allies, without realizing it, while others have become deliberate "male prostitutes" to their cause. (I believe Falwell and Swaggart fit into this category.)"

"When Christians see their leaders in retreat, which can only bring defeat, they are confused and afraid. To stop this surrender, the clergy MUST make an about face immediately and take a stand against the invisible and intangible ideological war which is subversively being waged against the Christian faith."

In another place in this same book he says: "As Christians learn how self-styled Jews have spent millions of dollars to manufacture the 'Jewish myth' for Christian consumption and that they have done this for economic and political advantage, you will see a tremendous explosion against the Jews. Right thinking Jewish leaders are worried about this, since they see it coming."

He goes on to say: "The guidance and control of America has gravitated into the hands of those least worthy of trusteeship. One of their most notable achievements, has been the making of 'male prostitutes' who do the dirty work for them."

"A 'male prostitute' is a male who offers the facilities of his anatomy from the neck up, to anyone who is willing to pay the price, exactly as a female prostitute of the same species offers her body from the waist down. Thousands of these 'pseudo-Christian' male prostitutes are circulating in all walks of life, pandering to evil propaganda for monetary profit and political power."

Since that day in Persia. about 500 B.C. when 75,000 Persians were massacred by the Jews, until the present time in the Middle East. the Jews have been the greatest murderers of all time. It's no wonder that Jesus told their leaders in Matthew 23:35 - "that upon you (Jew's) may come ALL the righteous blood shed upon the earth..."

Today. Whether you want to accept this truth or not, world Zionism is in the forefront of the attack against White Christian civilization and the benefits it has brought to mankind.

When you realize that the Jew' is taught in his most holy book. the TALMUD. that you as a Christian are an "animal." (BABA MEZIA, p. 144b): and that a Jew may lawfully cheat a non-Jew (Baba Kamma, 113b): and that "all property of other nations belongs to the Jewish nation, who consequently is entitled to seize upon it without any scruples," (CHOSEN HAMISPHAT. 348): then you can understand why they act as they do and why the Apostle Paul said of them: Who hath both killed the Lord Jesus, and their own prophets. and have persecuted us (Christians): and THEY PLEASE NOT GOD, AND ARE CONTRARY TO ALL MEN," (1st Thessalonians 2:15 - The emphasis is mine!) Today, most people are reluctant to speak about "race." It seems as though it is perfectly all right for a Black man to believe that "Black is beautiful!" but when a White person expresses pride in race, they are immediately labeled a "racist." But "race" is and has always been one of the most important issues in world history and we will be destroyed unless we take cognizance of this fact. The
downfall of World Zionism-Jewry will take place when the Aryan (White) people of the world once again become "race conscious." This is why Disraeli, the British Prime Minister of Britain during the time of Queen Victoria, said: "The question of race is the secret of the history of the world."

The Jews brag that they will remake the world through Communism. The Jewish author Lewis Brown, in his book HOW STRANGE OF GOD!, stated: "We intend to remake the Gentiles...what the communists are now doing in Russia.

In 1917, America went to war to "make the world safe for democracy." Then in 1941, we again entered a Jewish made war to give the Jews a homeland in Palestine, which was stolen from its rightful owners, the Arabs. Now we are standing on the verge of World War II, to bring America into the Zionist-Communist camp. In none of the preceding wars has America gained anything of value. Everything of value was realized by International Jewry.

The Jewish Rabbi Lee J. Levinger, wrote in his book FOLK AND FAITH: "Is it any wonder American G.I.'s in Europe are called 'Gentile idiots'? This expresses the stupidity of the Gentiles who fight each other for our (Jews) benefit and who have never in 2000 years fought a battle for ourselves."

But White Christians are waking up? A rumbling growl is coming from the "sleeping giant." The day of reckoning is close at hand. Let the Jews in America, who put Israel before their allegiance to the United States tremble in their shoes and let the Zionist prostitutes in our churches and politics stay awake nights for fear of the retribution which has been long in coming. It will!

I have never been one of those "hot heads" who say: "Kill them all!" because I believe God meant what He said when He wrote: "Vengeance is mine, I will repay!" (Romans 12:19). But He also spoke words conveniently forgotten by most ministers of the Gospel, found in Luke 19:27, when He said: "But those mine ENEMIES, which would not that I should reign over them, bring hither and slay them before me." (I didn't speak those words, they came from the lips of the Son of God, who you Christians claim to worship.)

My Christian friend, you better believe God when He says: "Be not deceived, God is not mocked; for whatsoever a man (or nation) sows; that shall he (it) also reap." (Galatians 6:7) and that goes for you as a Christian and for those who are trying to destroy Christianity.

American Christians who take the time to study for themselves, without listening to the words of some preacher who has been "brainwashed" in a seminary, know that it has been the Jew who has organized and directed Black hatred against White Americans. But the Blacks are beginning to wake up too. There are Jews who feel: "So what! Let the gentiles hate us, as long as we are in control." But these may very well wake up soon to a situation they no longer control.

Former Ambassador James W. Gerard, spoke a great truth when he stated in the New York Times, October 8, 1934: "If the American people ever get the idea that the Jewish race and Communism are synonymous, there is a possibility of a program in the United States that will make those of the Czar look like a small parade."

You Jews with a bit of intelligence better wake up and see where your leaders are taking you!

You Christians who have become so brainwashed by your Judeo-Christian propaganda, look at history, I dare you and see where Judaism has taken others. If you refuse to believe me and label me as "anti-Semite," so be it but look at Jewish writers and see why they call you "morons," and "mongrels," and refer to your Lord Jesus Christ as an "illegitimate bastard born out of wedlock."

These same Jewish writers openly brag that in the last 2000 years, less than 1% of their race has inter-married with the gentiles - yet they are in the forefront of pushing mongrelization between Blacks and Whites - ask yourself, why?

Ask yourself why Jews have always been in the forefront of liberalizing immigration laws, which have flooded this country with the world's undesireables at our expense. It was from the home front of Communism - Russia that millions of Jews flocked to the United States. They did not go to their
homeland in Palestine. but to the "promised land" of America. They were like the "swarm of locusts" prophesied in Joel 1.

But thanks be to God, regardless of what you may believe, God has promised to restore His land (America not Palestine) and if His people will but straighten out their hearts and follow Him (See Joel 2:18-27).

The Jews have always destroyed every country which has accepted them; just check the historical record. They have not been persecuted because they are Jews, but because they have always persisted in carrying out the diabolical plot of Zionism and Judaism, which calls for a world wide Jewish dictatorship.

Have you ever wondered why most Jews refuse to live in the Israeli State in Palestine? One Jewish leader said: "America is our Promised Land!" It is because the Jews are a "parasite" people who cannot practice "anti-Gentilism" in a Jewish State. They must have "non-Jews" to live off.

But the time has come, when you as a White Christian MUST make up your mind. Either we will break out from the bondage of world Jewry or we will become their total slaves. More and more in the controlled media of America, we see the term ZOG (Zionist Occupational Government). This is true symbolism, for America has been under their alien control for at least fifty years, no matter whether Republicans or Democrats were in Washington. We have been living under an alien government.

Now is the time for us to rise up and break these chains of bondage. Now is the time when true Christians must echo the words of Patrick Henry when he said: "I know not what course others may take; but as for me, GIVE ME LIBERTY OR GIVE ME DEATH!"

Will you join in a Crusade to deliver America from foreign bondage? Then the first step you must take is to get into a right relationship with our king; Jesus the Christ. He has promised that if His people "which are called by His name, will humble themselves, and pray and seek His face; then will He hear from heaven, and will forgive our sins, and WILL HEAL OUR LAND."

This is the first step! The second is that when we know the truth, armed with the strength which can only come from our God, we will go on victory in His name.

HAIL HIS VICTORY!!!

The End
THE MIND SLAVES!

by

Lt. Col. Gordon "Jack' Mohr (AUS, Ret.)

I have just finished reading one of the most frightening books I have ever read. It was frightening, not because of its plot; not because of its suspense, but because it is a true story of what is happening right here in these United States. It is a story of what is being prepared for you, from authentic sources.

This story was first written as a "Top Secret" Operations Research Technical Manual, TM-SW7905.1, titled SILENT WEAPONS FOR QUIET WARS - (An introductory programming manual.) I understand this is only one of a series of training manuals which was written for Government Agents in May of 1979. The other Manuals will. be forthcoming.

Because of its technical contents, it will be difficult for the layman to understand. I am only going to give you excerpts from the Manual. You can order the complete manual from THE AMERICAN SUNBEAM, Duverus Building, Seligman, Missouri 65745. The price is $4.00 for a paper bound copy. You should have this in your library and most certainly should share it with your concerned friends. The other, apathetic, brainwashed one's will probably think you have "lost your mind" and should be sent to some mental institution. I can assure you that such is not the case. Already, Americans are far down the path towards one-world totalitarian control. It is explained in this
This will be a reproduction only of the more obvious parts; the one's you need to know about in order to protect yourself and your family from those who would enslave you. Your skeptical friends may want to believe this manual is a hoax. I wish it were. I can assure you it is the genuine thing. It has been authenticated by four different technical writers for Military Intelligence. One has just retired; one is still employed as an Electronics Engineer by the Federal Government and has access to this entire series of Training Manuals. One is in Hawaii and has the highest security in Naval Intelligence and another is now teaching at a university and has worked with Central Intelligence for a number of years.

The manuscript was delivered to the editorial offices of THE AMERICAN SUNBEAM by an unknown person. The document was not stolen, and it was not obtained by any dishonest method. The National Security of the United States will not be effected by the facts I will discuss and which will be detailed in the Manual itself.

Just as the Editors of THE AMERICAN SUNBEAM felt morally bound to reveal the contents of this Manual, so I feel morally bound to give you a resume of the Manual and urge you to get it from the Duverus Publishing Company.

This Manual needs to be distributed to concerned Americans by the hundreds of thousands, so that they will understand more concerning the "war which has been declared against them." They will need to properly identify this enemy, separate themselves from it and allow God to have His way in destroying it, without destroying His people in the process.

My appreciation goes to Delamer Duverus, the Editor of THE AMERICAN SUNBEAM, for giving me permission to print this pamphlet and for the courageous manner in which he has stood up against our enemy.

SECURITY

It is impossible to discuss the social engineering of a society on a national or worldwide scale, without implying that there are extensive objectives of social control and destruction of human life, i.e., slavery and Genocide. (See for example Global Plan 2000.)

Information such as this must of necessity be kept from public scrutiny, since otherwise, it might be recognized as a formal declaration of domestic war.

Whenever any person or group of persons in a position of great power, and without the full knowledge and consent of the public, uses such knowledge and methodology for economic conquest - it must be understood that a state of domestic warfare exists between said person or group of persons. and the public.

You (the students for whom this handbook was written) have qualified for this project because of your ability to look at human society, with cold objectivity, and yet analyze and discuss your observations and conclusions with others of similar intellectual capacity, without the loss of discretion or humility.

The solution of today's problems requires an approach which is ruthlessly candid, with no apologizing over religious, moral, or cultural values.

This manual marks the 25th Anniversary of the Third World War, called the "Quiet War, which is being conducted using subjective biological warfare, fought with "silent weapons."

This is a resume of a book which contains an introductory description of this war, its strategies, and its weaponry.

HISTORICAL INTRODUCTION

This portion of the Manual will contain quotations from the Field Manual. These will be written in quotes. There will be comments by the Editor, Brig. Gen. Jack Mohr, Christian Patriot's Defense League.

"Silent weapon technology has evolved from Operations Research (O.R.), a strategic and tactical methodology developed under the military management in England during World War II. The original purpose of O.R. was to study the strategic and tactical problems of air and land defense, with the objective of effective use of limited military resources against foreign enemies.

"It was soon recognized by those in positions of power, that the same methods might be useful for totally controlling a society. But better tools were needed.

"Social engineering (the analysis and automation of a society) requires the correlation (placing in a mutual relationship) of great amounts of constantly changing economic information (data), so a high speed computerized data processing system which could race ahead of the society and predict when society would arrive for capitulation, became vitally necessary.

With the recent inventions of the electronic computer in 1946; the simplex method of linear programming in 1947, and the invention of the transistor in 1948, those in positions of power strongly suspected that it was possible for them to control the whole world with the push of a button."

This idea of world control is not new, since it has been preached and avidly sought for ages. The PROTOCOLS OF THE LEARNED ELDERS OF ZION, which first came on the world scene in the early Twentieth Century and which were vehemently denied by World Zionism as a forgery; nevertheless show us a program for world control, which has gained strength with every passing decade.

It covers such facets of life as:

1. - Protocol 1 says: "Every man aims at power, everyone would like to be a dictator.. What restrains the beasts of prey who call themselves men? In the beginning of the structure of society they were subjected to brutal blind forces: afterwards to law, which is the same force only disguised. We draw the conclusion that by the law, right lies in force." This same Talmudic idea is carried over in the Communist textbook PSYCHOPOLITICS on Page 30: "Obedience is the result of force - concurrent with force is brutality. If you would have obedience you must have no compromise with humanity..."

2. - "It is indispensable for our purposes that wars be fought on economic grounds..."

3. - "The pivots - the kings and presidents on their thrones - are hemmed in by their representatives, who play the fool, distraught by their own uncontrolled and irresponsible power.

4. - "The goyim (non-Jew) have lost the habit of thinking unless prompted by the suggestions of our specialists."

5. - "It is indispensable for us to undermine all faith, to tear out of the minds of the goyim the very principle of the Godhead, and the spirit, and to put in its place arithmetical calculations and. material needs."
6. - "In order to put public opinion in our hands, we must bring it into a state of bewilderment by giving expression from all sides to many contradictory opinions. This will suffice to make the goyim lose their heads in labyrinth and come to see that the best way is to have no opinion of any kind in the matter of politics."

7. - "At the proper time, we the law givers, shall execute judgment and sentence, we shall slay and we shall spare. We will rule by force. The weapons in our hands will be limitless ambitions, burning greediness, merciless vengeance. Hatreds and malice."

8.- "We must have everyone vote "without distinction of class and qualifications, In order to establish an absolute majority... in this way we will destroy the goyim."

9. - Freedom is the right to do what the law allows... the laws will abolish or create only that which is desirable for us, according to our programme.

10. - "The Press serves to excite and inflame those passions which are needed for our purpose... Not one single announcement will, reach. the public without our control."

These are but a few of the principles for world government control, as laid down in this destructive document which world Jewry says is a fake. Now we have this new Government Training Manual, saying essentially the same thing.

"In 1948, the Rockefeller Foundation got in on the ground floor by making a four year grant to Harvard College, funding an economic research project for the study of the structure of American economy. A year later, in 1949, the U.S. Air Force joined in."

"In 1952, when the original grant period expired a high level meeting of the elite was held to determine the next phase of social operations research. The Harvard project had yielded fruit that suggested the feasibility of economic (social) engineering. (STUDIES IN THE STRUCTURE OF THE AMERICAN ECONOMY, by Wassily Leontief, Intl. Sciences Press, Inc., White Plains, N.Y.)

"The 'Quiet War' was quietly declared by the international elite at a meeting held in 1954, although it would be thirteen years later that the weapons system of the conspirators would be revealed."

**Political Introduction**

"In 1954 it was well recognized by those in positions of authority that it was only a matter of time, only a few decades, before the general public would be able to grasp and upset their cradle of power, since the very elements of the new silent weapon technology were as accessible for a public weapon technology, as they were for the private utopia. The issue became one of dominance, revolving around the subject of the energy sciences."

**ENERGY**

"Energy is recognized as the key to all activity on earth. Natural science is the study of the sources and control of this energy and social science, expressed in economics, is the study of the sources and control of social energy. Both are bookkeeping systems. Therefore the bookkeeper can be king, if the public is kept ignorant of the methodology of the bookkeeping."

"Science is a means to an end. The means Is knowledge. The end is control- Beyond this lies only one issue: 'Who will be the beneficiary?'"
"This was the primary issue of concern to the nation's elite in 1954. While so-called moral issues were raised, it was agreed that a nation or world or people who will not use their intelligence are no better than animals who do not have intelligence. Such a people are mere beasts of burden and steaks on the table by choice and consent."

CONSEQUENTLY: In the interests of future world order, peace, and tranquility, it was decided to privately wage a 'quiet war' against the American public with the ultimate objective of permanently shifting the natural and social energy (wealth) of the undisciplined and irresponsible many into the hands of the self-disciplined, responsible and WORTHY few. (You can easily guess who these were to be - ED.)

"In order to implement this objective, it was necessary to create, secure and apply new weapons, which as it turned out, were a class of weapons so subtle and sophisticated in their principle of operation and public appearance, as to win for themselves the title -'silent weapons.'"

"The objectives of the magnates of capital (banking) and the industries, is the establishment of an economy which is totally predictable and manipulable."

In order to achieve this, the low class elements of the society MUST be brought under TOTAL CONTROL, i.e., they must be house-broken, trained and assigned a yoke and long term social duties from a very early age, before they have an opportunity to question the propriety of the matter.

In order to achieve this conformity, the lower class family unit must be disintegrated by a process of increasing preoccupation of the parents and the establishment of government operated day care centers for the occupationally orphaned children.

Notice how this dovetails in with the Communist plan as seen in PSYCHOPOLITICS, Page 27 - "Under the saccharine guise of assistance to them (youth), rigorous child labor laws are the best means to deny a child any right in the society. By refusing to let him earn, by forcing him into unwanted dependence upon a grudging parent, by making certain in other channels that the parent is never in other than economic stress, the child can be driven in his teens into revolt and delinquency will occur." P. 41 "By attacking the character and morals of Man himself and by bringing about, through contamination of youth, a general degraded feeling, command of the populace is facilitated to a very marked degree." P. 43 - "The educational programs of Psychopolitics must, at every hand, seek out the levels of youth who will become leaders in the country's future, and educate them into a belief in the animalistic nature of man. This must be made fashionable. They must be taught above all things, that the salvation of Man is to be found only in his thorough adjustment to this environment."

"The quality of education given to the lower classes must be of the poorest sort. so that the moat of ignorance isolating the inferior class from the superior class remains comprehensible to the inferior class. With such a handicap, even the bright lower class individuals have little hope of extricating themselves from their assigned lot for life. This form of slavery is essential to maintaining some measure of social order, peace, and tranquility for the upper ruling class."

DESCRIPTIVE INTRODUCTION OF THE SILENT WEAPON

"Everything expected from an ordinary weapon is expected from the silent weapon, except its manner of functioning."

"The 'silent weapon' shoots situations instead of bullets; it is propelled by data processing, instead of an explosion; it originates from bits of data, rather than grains of gunpowder; it comes from a computer, rather than a gun; it is operated by a computer operator instead of a marksman; it is under the orders of a banking magnate instead of a military officer."
"The 'silent weapon' makes no obvious explosive noises causes no obvious physical or mental injuries, and does not interfere with one's daily social life."

"Yet it does make an unmistakable "noise", causes unmistakable physical and mental damage, and unmistakably interferes with daily social life. These symptoms are easily discernible to a trained observer, who knows what to look for."

"The general public cannot understand this weapon and therefore cannot believe they are being attacked and subdued by it."

"The public may" feel instinctively that something is very wrong, but because of the technical nature of the silent weapon, they cannot express their feelings or handle the problem with their intelligence. Because of this, they do not know how to cry for help, or how to associate themselves with others for mutual protection."

"When a silent ss capon is applied gradually to the public, the public adjusts/adapts to its presence and learns to tolerate its encroachment on their lives, until the pressure becomes so great that they 'crack up.'"

"This makes the silent weapon a type of biological warfare. It attacks the vitality of the individuals of a society by knowing, understanding, manipulating, and attacking their sources of natural and social energy, and their physical, mental, and emotional strengths and weaknesses."

**Theoretical Introduction**

"Mayer Amschel Rothschild, the International Jewish Banking magnate once said: 'Give me control over a nation's currency, and I care not who makes its laws.'

"Today's silent weapons technology is an outgrowth of a simple idea discovered, expressed, and effectively applied by this quotation. Mr. Rothschild discovered the missing passive component of economic theory known as ECONOMIC INDUCTANCE. He did not think of his discovery in these 20th Century terms, and mathematical analysis had to wait for the Second Industrial Revolution and the invention of the electronic computer, before it could be effectively applied to world economics."

"What Mr. Rothschild discovered was the basis principle of POWER, influence and control over people as applied to economics. That principle is: "when you assume the appearance of power, people soon give it to you."

"Rothschild discovered that currency or deposit loan accounts had the required appearance of power that could be used to induce people into surrendering their real wealth in exchange for greater wealth. They would put up real collateral in exchange for a loan of promissory notes. Rothschild soon found that he could issue more notes than he had backing for, as long as he had someone's stock of gold as a persuader to show his customers. He loaned his promissory notes to individuals and governments. These created overconfidence. Then he would make money scarce, tighten control of the system, and collect the collateral through the obligation of contracts. The cycle was then repeated - These same pressures could be used to ignite war, where he would control the availability of currency and determine who would win the war. The government which agreed to give him control of its economic system got his support. Collection of debts was guaranteed by economic aid to the enemy of the debtor. The profit made from this scheme, made Rothschild the wealthiest man in the world. He found that public greed would allow currency to be printed by government order beyond the limits (inflation) of backing in precious metals or the production of goods and services (gross national product)."

---

**APPARENT CAPITAL AS "PAPER" INDUCTOR**
"In this economic structure, credit, presented as a pure circuit element called "currency", has the appearance of capital, but is in fact, negative capital."

"While it has the appearance of service, it is in fact indebtedness or debt. The total goods and services represents real capital called the Gross National Product, and currency may be printed up to this level and still represent economic balance; but currency printed beyond this level is subtractive (having the power to subtract) and represents the introduction of what is known as 'economic inductance,' which is merely the introduction of notes of indebtedness."

"War became the balancing of the system by killing the true creditors (the public) and falling back on whatever was left of the resources of nature and the regeneration of these forces."

"Rothschild had discovered that currency gave him the power to rearrange the economic structure to his own advantage, and to shift the economy into a position which would cause the greatest economic instability. (This was what brought about control of American economics by the International Banking Group known as the Federal Reserve System in 1913 - ED.)"

"The final key to world economic control had to wait until there was sufficient data and high speed equipment to keep a close watch on the economic oscillation created by price shocking and excess paper energy credits. We have this now!"

"It is interesting to note, that ECONOMICS is only a social extension of a natural energy system. Since energy is the key to all activity on earth, it follows that in order to attain a monopoly of energy, raw materials, goods, and services and to establish a world system of slave labor, it is necessary to have a first strike capability in the field of economics."

"The conspirators realized that in order to achieve world sovereignty, they must have absolute first knowledge of the science of controlling economic factors and that the world economics must be engineered by them. They believe that the gullible public will not make either the logical or mathematical connection between economics and other energy sciences or learn to apply this knowledge."

"They realize that from new knowledge coming from computers in private use, people will begin to understand their plan for world conquest. So they depend on their control of the media, by subversive education and keeping the public distracted with matters of no real importance. (Could this be one of the reasons for America's obsession with sports and en/fonainment?)"

"In the Communist textbook PSYCHOPOLITICS, P. 16, we read: "In a nation under conquest such as America, our slow and stealthy approach need take advantage only of cycles of booms and depressions inherent in Capitalist nations (caused by the ruling elite, as we have seen) in order to assert more and more strong control over individual wills.. The masses must come at last to believe that only excessive taxation of the rich can relieve them of the burdensome leisure class and can be brought to accept such a thing as the income tax, which is a Marxist principle, smoothly slid into the Capitalist framework in 1913, even though the basic law of the United States forbade it."

The Communist (Internationalist) agent skilled in economics has as his task the suborning of tax agencies and their personnel to create the maximum disturbance and chaos and the passing of laws adapted to our purpose.

"It is not possible for me to reproduce here the scientific diagrams and formulas shown in this Field Manual. If you are interested, I would suggest that you obtain the original from the Duverus Publishing Company."

The problem with stabilizing the economy in America is that we have devolved into a Welfare State where there is too much greed, aided by too much population. This creates a situation where there are not enough true resources to handle the needs of the population. The social-welfare system which we see in operation in this country is nothing more than an open-ended credit balance system which creates a false capital industry to give non-productive people a roof over their heads and food in their stomachs. The conspirators have found this to be useful because the recipients have become
state property, and a standing army for the elite.

"There is an old saying: 'He who pays the piper, picks the tune.' Those who get hooked on the economic drug, must go to the elite masters for their 'fix.' They stabilize the economy by borrowing on the 'future' credit of the world. But in the end, the inevitability is war to balance the account, because war is ultimately the act of destroying the creditor. The politicians we put in Washington are "publicly hired hit men" that justify the act to keep the blood and responsibility off the public conscience."

If people really cared about their fellow men, they would control their appetites so that they would not have to operate on a credit or welfare system. The Apostle James understood this when he said (James 4:1,2):

"From whence comes wars and fighting? come they not hence, even of your lusts? (desire for material things); Ye lust, and have not: ye kill and desire to have, and cannot obtain: ye fight and war, yet ye have not..."

"If American Christians really cared, they would operate within the laws of God, rather than on the usury system of the anti-Christ, which steals from the workers to satisfy the bums."

"But since most of the general public refuses to exercise these restraints, according to the governing elite, there are only two alternatives to reduce the economic problems of the system:

1. - Let the population bludgeon themselves to death in war, which in this modern age could lead to complete destruction of the living earth; or

2. - Take control of the world by the use of economic silent weapons in the form of a 'quiet warfare' which will reduce the economic problems to a safe level by a process of benevolent slavery and genocide. (This is one of the major purposes of the Genocide Treaty and of the Global 2000 plan, which calls for the reduction of the world's total population by the year 2000. You figure out how this will be done. It isn't pretty to contemplate.)

The latter plan has been accepted by the world's elite as the better option. This is why it becomes 'crystal clear' why absolute secrecy regarding these 'secret weapons' must be maintained. These elite believe that the general public refuses to improve their own mentality and their faith in their fellow men. To them, we have become a 'herd of proliferating barbarians', a blight on the face of the earth. To a great extent this is true, for most of our people, including our religious leaders do not care enough about economic science to learn why we have not been able to avoid war, in spite of religious morality. Too many Christians have their minds so steadfastly fixed on heaven, that they have become no earthly good. These are the one's who persist in hiding in their comfortable, air-conditioned spiritual foxholes, letting the world "go to hell" with scarcely a murmur, because they believe Jesus will come back and rescue them by some magical act called the Rapture, before things get too bad on this earth. There seems to be only a very few, who are willing 10 take the time and effort to find the answer to the world's problems. It's there; it's revealed in God's Word, but even the religious people don't want to put it into operation.

Almighty God told our Israel forefathers, centuries ago that "If My people. which arc called by My name, (ask who these are, They are not those who follow the religion of Judaism) will humble themselves. and pray and seek My (God's) face, and turn from their wicked ways; then will I (God) hear from heaven, and will forgive their sin, and WILL HEAL. THEIR LAND." Of course the world's elite will do everything in their power to keep God's people from doing this. For when they do, the dictatorial power over the minds of men will be broken forever.
THE PRIMARY STRATEGY OF OUR ENEMY

Experience has shown that the simplest method of securing a silent weapon and gaining control of the public is through keeping them ignorant and undisciplined. They must be kept ignorant of the systems of politics and economies, while on the other hand they are kept confused, disorganized and distraught with matters of no or little importance. They have achieved this by:

1. - Disengaging our minds, sabotaging our mental activities, by providing a low quality program of public education in mathematics, logic and systems design and by discouraging technical creativity. (If you can't see how this has happened over the past few decades, it is because you have deliberately closed your minds to what is happening all about you.

The Zionist-Communist elite have said in their own textbook PSYCHOPOLITICS, Page 11 - "The tenets of rugged individualism, personal determinism, self-will, imagination and personal creativeness are antipathetic to the good of the Greater State."

On Page 36 - "Having no independent will of his own, Man is easily handled by stimulus-response mechanisms." Page 42 -"The first thing to be degraded in any nation under conquest is the state of Man himself. Nations with a high ethical tone are difficult to conquer... It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of the PSYCHOPOLITICIAN (the gunner with the "silent weapon") to reduce this state of mind to a point where it can be ordered and enslaved. Thus the first target must be Man him self. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself only a' an animal with animalistic reactions..." P - 43 - "As it seems in foreign countries that the church is the most ennobling influence, each and every branch and activity of each and every church, must, one way or another, be discredited. Religion MUST become unfashionable by demonstrating broadly, through Psychopolitical indoctrination, that the soul is nonexistent, and that Man is an animal."

"This sort of debased thinking of course, ties in with point (2) of their strategy:

2. - Engage their emotions, increase their self-indulgence and their indulgence in emotional and physical activities, by:

a - Unrelenting emotional affrontations and attacks (mental and emotional rape) by way of a constant barrage of sex, violence, and wars, in the media, especially TV. (Again, if you can't see this attack underway, you are asleep or are a candidate for the State "funny farm.")

b - Give them what they desire - in excess - "junk food for thought" - depriving them of what they really need:

(Anyone who has ever read a copy of Playboy Magazine can see what they mean.)

3 - Rewrite history and law, subjecting the public to the deviant creation, thus shifting their thinking from personal needs to highly fabricated outside priorities.

(We have of course seen this in the clever Zionist propaganda concerning
the Holocaust; and in the constant barrage of "left-wing, liberalism on TV and in our newspapers.)

The enemy goes on to declare. "There is profit in confusion; the more confusion, the more profit. Therefore the best approach is to create problems and then offer (their) solutions."

They operate in this media in particular:

**MEDIA:** KEEP THE ADULT public attention diverted away from the real social issues, and captivated by matters of no importance. (If you don't believe this works, read the Letters to the Editor section of most any daily newspaper and see how many letters you find that have any real meat in them.)

**SCHOOLS:** Keep the youth ignorant of real mathematics, real economics, real law, and real history. **ENTERTAINMENT:** Keep public entertainment under the Sixth Grade level. Concentrate on sex and violence.

**WORK:** Keep the public busy, with no time to think; keep them back on the farm with the rest of the animals.

**CONSENT - THE PRIMARY VICTORY:**

"When the government is able to collect taxes and seize private property without just compensation, it is an indication that the public is ripe for surrender and is consenting to enslavement and legal encroachment. A good and easily qualified indicator of harvest time, according to the one-worlders is the number of citizens who pay income tax despite an obvious lack of reciprocal or honest service from their government.

Most people, even Christians are hypocritical in their actions and beliefs. They love to assign any dirty work to others. They send their sons to die in an unpopular war such as Vietnam, then spit on them when they come home. They want to keep the blood off their own hands. They are perfectly willing to listen to their pastors tell them that they must support the bandit State of the Israeli, but get angry when someone tells them they must bear the moral responsibility of their actions in arming Israel. But that is what their Bible teaches. 2nd John 11 - "For he that biddeth him (the anti- Christian) God speed is partaker of his evil deeds." Often these same hypocritical folks rave about the humane treatment of animals, as they sit down to a delicious hamburger which was slaughtered on the edge of their own town - out of sight of course. But even more hypocritical, they pay their taxes to finance a professional association of hit men, which we call Congressmen or politicians, and then complain about the corruption in our government.

Politicians are put into office for these purposes:

1. - So the people can obtain security without managing it.

2. - So the people can obtain action without thinking about it.

3. - So the people can inflict theft, injury and death on others without having it on their conscience.

4. - So people can obtain the benefits of reality and science without exerting themselves in the discipline of having to face or learn either.

They give their Congressmen the power to create and manage a war machine to:

1. - Provide for the survival of the Nation, which to them is an artificial womb which protects them from the cradle to the grave.

2. - Prevent encroachment of anything upon the Nation/the artificial womb.
3 - To destroy any enemy who threatens their security in the government womb.

4 - To destroy those citizens of their own country who refuse to conform for the sake of the stability of the Nation/womb, right or wrong.

"The politicians hold quasi-military (resembling) jobs. The lowest are the police who are the soldiers; the attorney's and C.P.A.'s who are the spies and saboteurs (licensed of course). And the judges who shout the orders and run the closed union military shop for whatever the market will bear. The generals are the industrialists. The "Presidential and Prime Ministerial" level, as the commander in chief, is shared and controlled by the International Zionist bankers. The people know they have created this farce and financed it with their taxes, but they would rather knuckle under, than go through the trauma of changing it."

There are many other facets of this quasi-government we could discuss, but which you will find presented in the original Manual. Let me mention briefly the Father, the man of the household, who has been deliberately destroyed by the enemy. In their own words, page 55 of the Manual, they say: "The man of the household must be house-broken to ensure that Junior will grow up with the right social training and attitudes. The advertising media, etc., are engaged to see to it that father-to-be is "pussy whipped" before or by the time he is married. (Their words, not mine.) He is taught that he either conforms to the social notch cut out for him or his sex life will be hobbled and his tender companionship will be zero. He is made to believe that women demand security more than logical, principled, honorable behavior. By the time Junior goes to war, father (with a backbone like that of a jellyfish) will slam a gun into his hand, rather than risk the censure of his peers. Junior will either fight for the powers that be, or father will be embarrassed. So Junior goes to war, whether the cause is right or not.

"The female element is ruled by emotion first and logic second. A woman with a new born baby is too starry-eyed to see a wealthy man's cannon fodder, or a cheap source of labor for the master. She must be conditioned to accept these things."

"So he family unit must be carefully disintegrated and the child indoctrinated in public child care centers. So as to begin a detachment from father and mother at a very early age.

Then they come up with the same words of caution:

"A woman's impulsive anger can override her fear. An irate woman's power must never be underestimated and her power over a pussy-whipped husband must never be underestimated. It got women the vote in 1920."

This remarkable and freighting book closes with these words: "Those who will not use their brains are no better than those who have no brains, and so this mindless school of jellyfish: father, mother, son, daughter, become useful beasts of burden or trainers of the same."

This is what the one-wonders think of you!

What will you do about it?

The first thing you must do is spread the word. Send copies of this pamphlet to your friends, your ministers and priest, and most of all to your Congressmen so that our people can see what is in store for them, unless they "get up off their apathy." Then get the real Government Field Manual. You will be glad you did.

"The Lord hath poured out upon you (Israel) the spirit of deep sleep, and hath closed your eyes: the prophets (preachers) and your rulers (politicians), the seers hath He covered. Forasmuch as this people draw near me with their mouth, and with their lips do honor me, but have removed their heart far from me. . . Therefore, behold, I will do a marvelous work and a wonder among them: for the wisdom of their wise men shall perish, and the understanding of their prudent (those who take part in the political process) will be hid." - Isaiah 29:10, 13

FOREWORD

The subject of "true Israel" is a complex one and is recognized as such by all intelligent Bible scholars and students. There is a great deal of confusion surrounding it, and often more heat than light when it is discussed. Because it involves an ethnic group called JEWS, it has become even more confusing since a majority of Bible scholars equate the terms "Israel" and "Jew" as one and the same. They are not! Because the majority of Bible scholars accept this premise does not make it so, as Moses told the children of Israel: "Thou shalt not follow a multitude to do evil."

The confusion regarding Israel centers around four entirely different entities:

1 - The man named Jacob (Israel) in the Bible and his physical descendants;

2 - A geographical portion of the Middle East called the Promised Land. (This in reality comprises nearly all of Turkey, Iran, Iraq, Lebanon, Syria, Saudi Arabia, Trans-Jordan, Palestine, the Sinai Peninsula, more than half of Egypt, Eritrea, Ethiopia and a large section of Sudan;

3 - Most Christians think of it as the nation of the Israeli that exists today between the Mediterranean Sea and the River Jordan, and,

4 - True Israel.

Because of this confusion and because truth regarding the Anglo-Israel belief has been completely distorted in the minds of most Christians who are actually uninformed and k about Bible truth, other than what they hear from pulpits." This and the fact that most pastors have been"befuddled" by the teaching they have received in their church seminaries. For this reason, I am trying to do a difficult task and through the guidance of the Holy Spirit, will attempt to educate, at least in part, those who are interested in the truth - that regarding their Anglo-Israel heritage.

Because the term British-Israelism has been given in recent years by cultists such as Herbert W. Arm WORLDWIDE CHURCH OF GOD, which br followers into believing that he was one of the "ir sent by God." (For further enlightenment on this man and his activities, I suggest the book titled: ARMSTONGISM RELIGION OR RIP-OFF, by Marion J. McNair, member of that organization.) Because of this co minds of already befuddled evangelicals and fundamentalists use the term Anglo-Israel. I am indebted for much of the information I will give to Mr. Merwyn T. Judge, of Sydney, Australia who in 1970 wrote a monumental work titled MAN THINKING! His book was designed in tabloid form from original Bible studies made by the British-Israel World Federation (Canada, Inc.), whom I also wish to acknowledge and thank. The about to read is actually an outline of what Mr. Jud added comments by General Mohr, which will understandable to its American readers.

Chapter I

WHAT OUR CRITICS SAY ABOUT ANGLO-ISRAELISM!

Someone has truly said: "You can learn more about a man from his enemies, than from his friends." So what we are going to do in this chapter is examine some of the ideas which have been implanted in Christian minds concerning Biblical Israel.

In a recent letter received from a fundamental Baptist pastor I have known for some time, he said: "While I share many of your views on the conspiracy, I do not do so for the same reasons. The doctrinal position you have taken, while new to you (Anglo-Israel Identity), has been around for a long time and is vulnerable on many points.
"At the onset, let me agree with many of your generalizations about the people we call Jews. They are a very powerful, generally agnostic, unsaved and godless people. Modern Israeli, as a nation, by no means fulfills Bible prophecy. In my judgment, Begin was a cut-throat in the same class as Mao and Stalin, and because the people are under the judgment of God, like wandering Cain -marked but somehow immune to destruction (Gen. 4:14-16), they are involved in most of the troubles of the world through their control of much of the world's money.

"The special experience and background you bring to this book is particularly important, as I see it, so you should consider all its pitfalls. Because there is a 'troublesome' people who are so unsuitably called 'the Chosen', the Anglo-Israel position ultimately resorts to an argument for 'oughtness.' That is, anybody as bad as the Jews ought not to be the chosen of God and therefore cannot be. Setting out to prove that Anglo-Saxons and related peoples are the ten lost tribes of Israel, is flying in the face of science, logic, and linguistics, and those who do this, invariably accept the fact first and then try and find evidence to justify their position; one cannot follow evidence in the Bible and arrive there without presuming (to go between what is right and proper) the guilt of the Jews and building a case 'ad hominem' (appealing to a person's feelings or prejudices, rather than his intellect.)

"I appreciate your challenge IN KNOW YOUR ENEMIES, page 18, to check all things by the Bible. As I play 'devil's advocate' for you, check my Scripture references . . . and when I challenge a point, show me where I am wrong.

"I believe this new doctrine you have embraced is vulnerable historically. There is no evidence for the ten lost tribes in the Bible. The doctrine that there is a 'doctrine of the remnant,' which teaches that when God's ancient people moved from obedience to apostasy, God would cause great trouble to come upon them, plagues, diseases, wars, deportations, greatly reducing their numbers and leaving them only a remnant - a tiny portion of the original nation. The Minor Prophets major on this theme.

"So representatives of all the twelve tribes survived the captivity and returned to the land. (Here he lists 2 Chron. 36:23; Ezra 1:3, 5; 2:70; 7:7; 13, 28; 8:24, 25, 35; Nehemiah 9:2; 11:20 and 12:47 as proof of his statement.)

"In the New Testament, the Jews were called "all of Israel." Compare Acts 2:5, 36; 13:24; with Matthew 3:5, 6; Romans 11:26; Luke 1:80; Acts 4:10; 5:21; 4:8. The Jews are called Israel. (Note that in Acts 2:5, these men were not listed as "followers of Judaism," but as Judeans, godly men living in Jerusalem.

Quite a difference. Acts 13:26 rather than proving that JEWS AND ISRAELITES are one and the same people, shows that Christ came to the stock (seed) of Abraham and "whosoever among you that feareth the Lord." Vs. 27 indicates that those who dwelt in Jerusalem, the "psuedo-Jews" knew Him not, nor yet the voices of the prophets." (Notice that the writer is careful not to say "their prophets", which are read every Sabbath day, they have fulfilled them (the Scriptures) in condemning Him. (My purpose in this book is not to refute this pastor, merely to show what he believed.)

"There is no respectable evidence of Israelites migrating from Babylon and ASSRYIA to England. Our people (Anglo-Saxon) have no true Sabbath, have had no circumcision, and our language is not similar and certainly not related to Hebrew, (please note Isaiah 28:11 - "For with stammering lips, and ANOTHER TONGUE, will I speak to this people [EphraimManasseh], God's people in their new land were not to speak Hebrew-Editor.)

"Exodus 31:16, 17 and Ezekiel 20:12 show how important the Sabbath is to the identity of Israel. Finding English words which sound like Hebrew BRITISH - 'BRITH' (Covenant) 'ISH' (man), etc., can be done in any language.

"Secondly, I believe you will not be able to justify your position linguistically. You argue on pps. 9-11, the difference between the word JEW and ISRAELITE, HEBREW, etc. You deny they are
synonymous. That JEW is something alien to God's People. It only confuses the issue to point out that HEBREWS were not JEWS, that ISRAELITES were not JEWS early in the Old Testament. Of course HEBREW was a term used before Jacob; Jacob was called ISRAEL and later his offspring were called ISRAELITES. Only one tribe of twelve became JEWS, the tribe of JUDAH. But this does not refute the fact that the word is used synonymously during some periods and certainly in the New Testament, when they meant the same thing. The words developed in their meaning over the years.

"Jesus was from the tribe of JUDAH and therefore a JEW. The Wise Men called Him that in Matthew 2:2, (not so, they said: 'Where is He that is born king of the Jews?' The word JEWS here is translated from the word "chakmowiny", which means "Israelites." So the true translation should have read, "Where is He who is born king of the Israelites," not JEWS - EDITOR). Was He (Jesus) not king over all the other tribes also? Of course! JEWS has become the term used for all 12 tribes of ISRAEL, the same throne as David's (Luke 1:32-33). (But look closely at this passage, it says he will rule over the House of Jacob [ISRAEL], nothing is said here about a people called JEWS - AUTHOR.)

"Jesus claimed to be the king of the JEWS as clearly as language can convey it. John 18:33-35; also John 19:19-22. I'm sure that you know that in Greek "Thou sayest," means 'yes', like our idiom, 'You said it brother!' (But that is not what it means in the Greek. The English phrase "Thou sayest," means in English: "That's what you say!" Then Jesus asks Pilate: "Did you say this of yourself, or did others tell it thee of me?" In other words, Jesus most clearly did not admit being king of the Jews, but said to Pilate that this was the claim of the Pharisees -AUTHOR.)

"Jesus claimed to be king of the JEWS, and He was heir to the throne of united ISRAEL (True). The Apostle Paul was also a JEW and said so proudly (Acts 21:39; 22:3) of this there is no question. (Here again the Greek word used does not define him as a Jew, but as an Israelite. Why did the translators not use the correct word? Your guess is as good as mine. In 22:3, the same word ISRAELITE is used in the Greek - You see, evidently our Baptist preacher friend has been using arguments which he heard in the seminary, without ever checking them out from the Word itself. Paul was a Benjamite by blood - not of JUDAH. He was a Roman by citizenship, and a JEW by religion, and a PHARISEE, by political party. Just as I am of English-German blood, a citizen of the U.S. and a Christian by religion. Paul was not a JEW by blood and there is no Scriptural evidence to so prove - AUTHOR.)

But back to our Baptist pastor's letter: "Your position constantly resorts to the use of the generalization fallacy and is therefore indefensible logically. (NOTE - These are all theological terms he learned in seminary - AUTHOR.) Logic is an exact science similar to mathematics. A logical syllogism (a deductive scheme of formal argument consisting of a major and minor premise and conclusion, is built on two statements which eliminate any conclusion but one. It is like drawing two lines which converge on a map. It is like saying: 'All Chinese are Oriental'; that is a premise. Then you might say, 'This man is Chinese', having said that, these two things then give you a logical conclusion that the man must be an Oriental. But suppose the premise (to presuppose) is false . . . The premise must be true to begin with.

"Because JEWS killed Christ does not mean that ALL JEWS are bad. Rules of logic demand that if you have a 'same' premise, you cannot have an 'all' in the conclusion.

"Yet you (Jack Mohr) have fallen into this false conclusion repeatedly. That is to say, because some or even 'most' of the JEWS are bad, therefore ALL JEWS are enemies (p.16, par. 1). (What I actually said was this, quote from p.16 of KNOW YOUR ENEMIES: "Every major evil that the Moral Majority claims to abhor, everything which is helping to destroy America and the Christian church, can be traced back to the ones our pastors call God's Chosen People. No wonder they are universally hated! Check out the facts for yourself, I dare you! These anti-Christ people have cost the Christian nations of the world untold billions of dollars and uncounted suffering, because of their long-range ideas to destroy us and they are taught these ideas in their synagogues. No wonder
our Lord called them the "synagogues of Satan," (Rev. 2:9; 3:9). Not one word here about all JEWS being evil. This is something this pastor has read into my writings intentionally, I believe - (AUTHOR).

"You eventually conclude that INTERNATIONAL BANKERS are the culprits and I could not agree with you more. But NON-JEWISH INTERNATIONAL BANKERS are rotten too. (Here he is careful not to tell that these non-Jew bankers are under the complete control of the Zionists - (AUTHOR). Some bankers, does not equal all JEWS, just as SOME FUNDAMENTALISTS do not equal all FUNDAMENTALISTS. (AUTHOR)

"Another argument you use is the lengthy point-by-point identification, pp.97-105, of what TRUE ISRAEL MUST be. The Bible does not have such a list, or make such identification.

This identification of yours has been IMPOSED ON SCRIPTURE, not stated in it. (But again, this premise is proven false, for there are well over 200 identifying marks in the Scriptures, which will identify Modern ISRAEL in these last days. Of course they are not given in a concise list, but are scattered around throughout Scripture. The people we know as Jews do not answer to one of them.

Since we will speak more about this later on, I will drop this subject now, except to say that my critic evidently has not read His Bible with an open, unprejudiced mind, or he would have discovered at least a few of these identifying marks - (AUTHOR).

Again you state that the JEWISH people were in favor of Christ's death. Obviously not Joseph of Arimathea, Nicodemus, Mary and Martha and most of the disciples. (Well, rather than argue with this "brainwashed" brother, I rest my case on Matthew 27:25. Either accept what he says, or what the Bible says. Take your choice! This Scripture says: "Then answered ALL THE PEOPLE, and said, His blood be on us, and on our children." The people this pastor mentioned who believed on Jesus, were Israelites from Galilee, THEY WERE NOT JEWS! You see, our fundamentalist preacher has been so thoroughly brainwashed that he cannot tell the difference between JEWS and ISRAELITES - (AUTHOR)

He goes on: "You beg the question repeatedly in calling America a CHRISTIAN NATION. Certainly you do not mean that all Americans are saved, or that even most are. (He then goes on to mention the wickedness of America, which we all know about, but neglects the obvious that America was founded as a Christian nation, on the principles of God's Law and that the charters of every one of the original thirteen states indicated that they are founded "for the glory of God and the propagation of the Christian faith." We were never meant to be a "hodge-podge of religions." Our founding fathers made a covenant with God which was just as binding as that made by the Children of Israel at Mt. Sinai, and the reason we are suffering in America today, is not because of the Jews, or the aliens, but because white Israelites are more interested in "doing their own thing," than in obeying God's Law. He said, Deut. 28, that if we disobeyed Him, all manner of evil would come upon us and that our enemies [in this case the Edomites] would get up above us very far, and we would come down very low." - (AUTHOR).

He continues: "Most indefensible of all is the incredible credence your new position gives to the spurious (false) Gospel of Nicodemus. You warn so eloquently against Jewish fables, quoting Titus 1:14, yet you actually accept this one so uncritically. There are dozens of these false gospels. Some were written by clever unbelieving Jews for the purpose of debunking Christianity or to gain profit from it. Some already existed in Paul's time and he warned against them in 1 Timothy 1:4; 4:7. Many are quite fanciful and devoid of any historical value. (All this diatribe, because I mentioned the Gospel of Nicodemus. I did not state that I believed in it. This man has evidently set himself up as an authority on the many letters which were written by early Christians, getting his information, no doubt, from the Jew tainted seminarians who taught him - (AUTHOR).

"When you leave the Bible for proof, there are a thousand snares. There is no historical proof of what happened to Israel between the Assyrian captivity and the time of Christ." (UNQ.)

But enough of this diatribe (sarcastic criticism). The fundamentalists love to use this and other
arguments to bolster their beliefs, but we shall see, as we go along, that many of the questions raised by this pastor and others will be answered in the chapters which follow.

A radio evangelist, commenting on my message THE PLOT AGAINST CHRISTIANITY, relied most heavily on an attempt to discredit me, rather than answer my arguments. He said: "In my judgment this is a hodge-podge of truth, half-truth and totally false concepts. I have no confidence in JEW BAITERS; nor do I have any confidence in NOBODIES (Jack Mohr) who take on some of the greatest Bible scholars and expositors of all times. (Remember that there was a time when the church authorities swore that the earth was flat, and when a man named Galileo proved otherwise, they burned him at the stake -AUTHOR).

He continues: "What an awful thing to write off Israel (here again he shows his ignorance, by being unable to tell the difference between Israel and the Jews - AUTHOR) to whom most of the promises of the Bible are made. This man (Jack Mohr) is theologically mad." (UNQ.) I would encourage each of you who is really interested in this subject, to search the Old Testament and see if you can find one reference to God's promises ever being made to a people called Jews. You can't, for they are not there!

Occasionally, support comes from unusual sources and they are always greatly gratifying. This letter came from a man, who according to his own words, pastored a Baptist Church in Manhattan for 22 years. He said: "I pastored the _______________ Baptist Church in Manhattan for 22 years with both Sunday morning and evening services broadcast. My radio broadcasting experience covers 41 consecutive years, 32 of them in New York City."

He continues regarding my writings: "Thank you for sending me the tremendous article entitled THE PLOT TO DESTROY CHRISTIANITY. I have carefully read it through, and was impressed by the astute revelation it contained.

"Col. Mohr has given much material hitherto unknown to me . . . I feel that he has given a true picture of conditions . . . he has in clarity and, I think in justice, made known the tragic truth concerning the satanic Zionist program in America today; its nature and purpose. I could wish such a tract could be read and acted on by millions of deceived Christians, especially knowledgeable Christians, to waken them to the serious position this country now occupies." (UNQ.)

Notice the difference in this Baptist pastor's evaluation of my writings. Why the difference? Because he was willing to look at the truth and recognize it, while the other men refused because it contradicted their church teaching.

Another well-known evangelist says: "As far as having an avowed enemy in the communists, Col. Mohr is right. But when he transfers all his feelings against the Jews . . . claiming they master-minded and controlled communism, then I must part company with him." (UNQ.) Here again, a man who recognized at least part of the truth, but refuses to change his thinking on the Chosen People, in the face of all evidence to the contrary.

Another states: "Many people's thinking concerning Israel depends on their view of the Covenants. If we believe the Old Covenant is still, in effect and that both Old and New are still valid, one would come to a wrong conclusion.

"When Christ said He came to fulfill the law (Matthew 5:17), He fulfilled all the requirements of it and thus terminated it. Since Christ declared ALL foods clean (Mark 7:18, 19), He negated that part of the Old Covenant. (The Greek word for "fulfill," is "pleroo" which means: "to execute an office; finish a task; perfect." In no way does it indicate the ending of something else. In Mark 7:18, 19, there is absolutely no indication that Christ declared ALL foods to be clean and thus negated the Old Covenant. He merely expressed the thought that it was the inward thoughts of man that defiled him, not what he put into his mouth. This portion of scripture had nothing to do with food, but with inward thoughts, Jesus merely used food as an example. You are not defiled by what you eat, but it can make you sick. The Greek word for "defile" as used here means "to pollute" - AUTHOR)."
"The basic problem with Christians today is that they do not believe the Bible. (Here I agree with him 100% - but I disagree with him totally on his next statement - AUTHOR.) At least they do not believe the Bible concerning the Jews and Israel . . . Anyone who has received Christ in his heart as Savior is a Jew. This means that all Christians (according to Romans 2:26-29) are Jews, regardless of their racial backgrounds. If he lives in Jerusalem and claims to be a Jew and does not know Jesus, then he is not a Jew. (Here again we have had a mistranslation, whether fundamentalists want to accept this or not, for the word here, from the Greek, indicates it should have been JUDEAN, not JEW, since it had absolutely nothing to do with the religion of JUDAISM. Do you actually believe our Savior would equate Christianity with those whom He said were children of Satan? [John 8:44] - AUTHOR).

"Israel has always been and is today a spiritual rather than a physical entity. The olive tree is Israel (yes, but not the JEWS - AUTHOR). After Christ's death, the individual JEW, who did not believe in Christ, was broken off, while the believing Gentile was grafted in. (Here he again shows his ignorance of the meaning of words in the Greek; the word Gentile, does not mean "heathen" as most Christians believe, but referred to non-Jewish nations, that is Israelites - But now he shows some spiritual discernment - AUTHOR).

"The biological Jews of today do not spiritually (or physically) qualify as the house of Israel. (They never did - AUTHOR). When true Israel is gathered from all nations, God will cleanse them from all sins. This prophecy was not fulfilled in 1948 . . . I believe that those of us who are saved, who comprise true Israel, will be the ones to return to Palestine.

"But let me repeat, I love the HEBREWS (Jews) and I love their nation (ISRAELI). I AM ALL FOR THEM. I love to visit our promised land, which they are temporarily occupying. What they are now building will be wiped out soon and we Christians will rebuild it after the Great Tribulation."

Isn't it interesting to note the contradictions in this man's theological thinking. He knows the Jews are not the Chosen People, yet he still supports them. He still equates them with the ancient HEBREWS, with whom they had no connection. He is evidently a "rapturist" from his remarks regarding the Great Tribulation. His entire theological train of thought is tied up in these people, whom he admits are not God's Chosen. Strange, isn't it?

Another Baptist preacher writes: "I am sorry you have listened to the writings of men instead of the inspired, preserved, inerrant, infallible Bible, preserved for us in the King James Version." (UNQ.)

From a well known Christian school in Florida, which had scheduled me for a week of meetings in 1981: "I do not know when you become a follower of the Identity Movement (makes it sound like a heathen religion, doesn't he? - AUTHOR), but I do have a copy of your letter concerning your change in position . . . You accuse me of inferring that IDENTITY and BRITISH ISRAELISM (ala Herbert W. Armstrong) are one and the same and I plead guilty of this.

"I would like a full doctrinal statement showing your real belief. I have a doctrinal statement from Sheldon Emry, but it is not complete. For instance, it does not say whether or not the humanity of man is part of the IDENTITY doctrine. However, I do have a copy of the CHRISTIAN VANGUARD, which says that Christ is completely God and not at all man. This destroys the doctrine of the incarnation and the atonement and does damage to His offices as Mediator, Redeemer and High Priest.

"Perhaps the VANGUARD is not the official paper of your brand of IDENTITY (notice the sarcastic snideness in this remark - AUTHOR).

"I believe there is a more logical and Scripturally sound answer to the Jewish question. I suggest you read Louis De Boer's book, THE NEW PHRISEEISM..."

"I do not write to antagonize people, I believe you are involved in a cult which is close to the truth,
but not close enough. If you have not rejected all the possible answers to the Jewish problem before embracing Identity, you embraced it prematurely." (UNQ.)

Here again we see a man who is presupposing and is speaking about something he knows next to nothing about. He uses the CHRISTIAN VANGUARD, as an example of ALL Identity thinking. His letter came after I sent out a letter to 200 fundamentalist leaders in 1980, showing what I had found from a summer of intense Scriptural and historical study into Judaism during the summer of 1980. As a result of this letter - I had fourteen week long revivals, which had been scheduled for 1981 cancelled. Not because I had changed my doctrinal stand, but because I now refused to accept the people we call Jews, as the Chosen People of the Bible.

A lady from Dallas wrote: "It is one of the saddest things in the world when one of the brethren turns from the faith taught in the Bible and embraces doctrines of men which are contradictory. The men whose teachings you have embraced are naturally very persuasive, as they have the charisma of the devil to back them up. (ALL YOU Identity preachers take note! - AUTHOR.)

"The Bible is not hard to understand . . a Jew is a direct descendant of Abraham, and that's all there is to it. Nothing can change that, and any other interpretation is not of God." (UNQ.)

When I asked this sister, if her interpretation of a Jew, included people such as black singer Sammy Davis, Jr., she got so angry she could hardly talk.

All these things were brought about because of that letter I wrote. I had been a Baptist evangelist at this time, for eighteen years and had been welcomed in some of the largest Baptist churches in America. But I became greatly disturbed by the actions of the "pseudo" Jews in Palestine, who I had been told were the Chosen People. At this same time, I was a member of the American Opinion Speaker's Bureau of the John Birch Society and traveled the length and breadth of America making patriotic speeches. I noticed that whenever I spoke against communism I was labeled "anti-Semite", even though I had not mentioned the Jews. This disturbed me. During the Vietnam War years, I worked the college circuit and made speeches at some 23 major colleges. In each one, I was confronted, sometimes violently, by student dissidents, in every case lead by young Jews from wealthy families. This disturbed me to the extent that in the summer of 1978 I spent several hundred hours in a prayerful study of the Jewish problem, both from the Scriptural and historical perspective. It soon became apparent to me, that in spite of what I had been taught from fundamental pulpits, and a fundamental seminary, that Baptists in particular, had been lied too on such issues as the Jews, Judeo-Christianity, Israel, the Pre-Tribulation Rapture of the church and dispensationalism. (The study of history in dispensations, "ages").

Please be careful to notice that I did not say that Baptists were lied to deliberately, because I do not believe that this was and is true with most of them, but somewhere back along the line, there had been some deliberate deception at work and I do blame pastors for being so negligent in their Bible studies, that they allowed this to happen. I know that some Baptist preachers knew the truth regarding the Jews, because they admitted it to me. They did not have the spiritual courage to "buck the tide," or go against the popular opinion of their church. I will admit that I was forced into this study, and went "kicking and screaming" into an understanding of the truth. When I finally had the courage to speak out, I was immediately branded as a "black sheep" in the Baptist family and within two weeks after the day I attempted to talk to my pastor regarding these things, I was completely ostracized by the Baptist pastors in Mississippi to the point where they would not even greet me on the street when we met. Not one of them took the Scriptural steps of trying to reason with me over the actions I had taken. I was not ostracized because of apostasy, since I was still a fundamentalist at heart and still believed as the fundamentalists do, with the exception of the "Pre-Tribulation Rapture, which I could no longer Scripturally accept. I was "black-balled" because I refused to accept that Satan's Brood in Palestine as the "true Israel."

But once I learned who the Jews of today really were, another problem presented itself. If the Jews were not the chosen people, who were? I knew enough from my Bible study to know that
somewhere in the world, physical Israel existed, since the Bible clearly taught this.

About this time, in the summer of 1979, I believe it was, I was holding a revival meeting in a large Baptist church in Quincy, Illinois. One evening, after a rather successful service, I was approached by a nice looking gentleman, who inquired if I had ever heard about Israel Identity. I rather flippantly replied: "Oh, those are those religious nuts who believe they are the true Israelites." He replied: "Yes, and I'm one of them!" This sort of embarrassed me. He then showed me a book he had titled: JUDAH'S SCEPTRE AND JOSEPH'S BIRTHRIGHT, by J. H. Allen, who I believe had been a Presbyterian preacher. A reviewer in the BAPTIST MESSENGER said of this book: "This is one of the most interesting volumes we have read in many a day . . . and we confess that the arguments produced by Mr. Allen seem unanswerable. It is more thrilling than Western fiction. The description of the scarlet thread, the royal remnant, and the part played by Jeremiah in the preservation of the ruler for David's throne, will cause you to lose sleep rather than go to bed without knowing the outcome." (A most remarkable statement coming from a Baptist publication.)

The man who spoke to me, was Dr. R. C. Stevens, a veterinarian from the little town of Mendon, Illinois. He said: "I'll give you this book, if you promise to read it." I promised and went back to my motel that night and began to read. Just as the Baptist reviewer had said, I was fascinated with the book and I lost sleep that night, so that I could find out the outcome. By the time I had finished, I was convinced in my mind, that here was the answer to the Jewish Question. Dr. Stevens has become one of my dearest friends. It was because of his courage in approaching me concerning a controversial question, that I learned the truth. In 1987, at a summer Bible camp in the Western Rockies, I had the privilege of being "baptized for the remission of sins," by this Godly man. I will ever be in his debt! When I first learned the truth about Israel, it came to me like a "Breath of spring air in a smoke filled room."

But in order to accurately set the stage for what Anglo-Israel Identity is all about, we need to look some more at what our opponents think we believe. Let's look briefly at Louis De Boer's book THE NEW PHARISEEISM (a study in the Logical Implications of the Theology of British-Israelism). My how the fundamentalist and evangelical scholars like to use that word "logic." De Boer says in his introduction, p.5: "It is the thesis of this book that the theology of British-Israelism as it is being promoted today is a potent revival of Phariseeism. It is the evil genius of all the cults, that, although they profess Christ with their lips, yet they all universally and uniformly deny Christ. (I guess you Identity folks didn't realize what an evil bunch we really are, did you? - AUTHOR)

"The theology built upon the fact of a supposed identification of the Anglo-Saxon race with physical Israel according to the flesh, constitutes an effective denial of Christ, both as Lord and Savior - that it even denies that Jesus of Nazareth is the Christ, the promised son of David - that there is no need for the atonement that He has wrought and that it has a salvation of its own, totally apart from the work of redemption He has wrought - that it is truly another gospel . . .

(I can assure you, having been in Identity ranks for nine years, that this statement by De Boer is totally false and is maliciously made, as you will see when we discuss Anglo-Israel theology in a later chapter. It is typical of the diatribes which are used in the evangelical and fundamental world, against an explanation of the Bible which they are unable to Scripturally deny. I don't know whether you have noticed or not, but when people are backed into a corner on their theology, and cannot come up with Scriptural answers, they resort to sarcasm and the use of diatribe -AUTHOR).

On p. 11 of this book, De Boer says: "They (Identity) believe that the present day ethnic and racial group known as JEWS, is not physically or racially descended from Abraham through Isaac and Jacob, but is an alien seed of Asiatic stock which has historically adopted Judaism as its faith, and is more properly identified as the Khazars. That they are not Jews, nor descendants of the tribe of Judah... that Christ was not a Jew.. "(For what the Jews themselves say about the Khazars, I would suggest Arthur Koestler's book THE THIRTEENTH TRIBE -AUTHOR).

"It is with those who believe this and trust in this in application to themselves, that we will dispute
concerning the things of the Kingdom of God."

On page 17 of his book he states: "Another subversion of historic post millennialism to serve heretical purposes has been promulgated by British-Israelism. This view holds to the "post millennium" view of an earthly millennium, BEFORE THE RETURN OF CHRIST which will constitute the Kingdom of God. It rejects the Church Kingdom theory and holds to a civil rather than an ecclesiastical kingdom." (The proper terminology for him to use here should be "spiritual kingdom," since evangelicals and fundamentalists alike, have the bad habit of spiritualizing anything they cannot explain in Scripture -AUTHOR).

On page 30, he continues: "For those who believe in the need of regeneration, repentance, and the absolute need of and dependence on Divine grace, there is no theological difficulty in accepting Jews for what they claim to be." (This is most certainly true of such men as Jerry Falwell, Billy Graham, David Webber, Jack Van Impe, and a host of others. They back the Zionist Jews in their claims, even though so-called Jews (see Rev. 2:9; 3:9) 'cannot claim a single one of the more than 200 finger prints which, Scripture uses to identify "true Israel" - AUTHOR).

But enough of De Boer, who when all his writings are boiled down to truth, do not amount to very much.

At this point, I believe it would be worthwhile for us to look at the "all out" proponent of anti-Christ Judaism. Baptist evangelist Jack Van Impe, the "Human Bible" as he is sometimes called. (He claims to have memorized all the Bible). The following statement was taken from his book ISRAEL'S FINAL HOLOCAUST! (from the title, you can see that he does not know the difference between Israel and the Jews).

In the introduction to his book, p.9, he states: "It is impossible to grasp God's prophetic plan apart from an understanding of His promises to Israel. (So far, so good, I believe this - AUTHOR.) All prophetic truth revolved around the Jews. The Bible reviews their history and unfolds their future. The future of the world will be effected by the future of Israel." (It is quite clear to see that this man does not understand the difference between the word JEW and ISRAEL and that he attributes all the promises God made to Israel, to an anti-Christ people we know as Jews - AUTHOR).

On page 10, he asks this question: "The Old Testament prophets foresaw the return of the Jews to their homeland in the latter days. Does the existence of the State of Israel fulfill this prophecy?" (To those who have done their homework, the answer is an unqualified, NO! - AUTHOR.)

On page 50, Van Impe states: "We who live within the memory of the Nazi nightmare, when six-million Jews died in Europe, might conclude that Hitler's hatred of this people was a phenomenon of the Twentieth Century. Not so, for Jewish blood had been spilled across Europe . . ." (UNQ.)

At this point Van Impe's Christian Zionism begins to show its true color, as he perpetuates the Zionist lie that 6-million Jews were murdered by the Germans during World War II. Any honest student of history, who is willing to take an honest look at what really happened during World War II, will surely know that there were never more than 3.5 million Jews in territory under German control and that far more than half of them had escaped before the war ended. According to Jewish statistical sources, there were never more than 550,000 Jews living in Germany proper when the wasephgan, and again according to Jewish sources, there were more Jews alive at the end of World War II, than there were when the war began in the late nineteen thirties. But then, these Christian Zionists never bother to check out the facts, for fear they will contradict their beliefs.

It is true that Jewish blood was spilled across Europe and that they were kicked out of every nation on the continent.

But it was not because as Van Impe says: "Satan hated them!" It was because of their crooked business dealings, their immoral Talmudic mode of life and the fact that they interfered with the government of every country which gave them refuge, just as they are attempting to control our government now.
The Apostle Paul put his finger on the reason why these people are universally disliked, and it had nothing to do with Satan's hatred for them. Why should Satan hate the one's our Lord said were his children (John 8:44). In 1 Thessalonians 2:15 we read that they killed the Lord, and their own prophets, and persecuted the early Christian church and "THEY PLEASE NOT GOD, BUT ARE CONTRARY TO ALL MEN." (Emphasis mine.)

Why is it that the proponents of Zionism are not honest enough to admit this Scriptural and historical truth? This Jewish myth of the "holocaust" has poured countless billions of Christian dollars in-to Jewish coffers, and still the "stupid Christian sheep" enjoy being robbed by those who hate them more than anyone else.

On page 52, Van Impe continues his fairy tale concerning the Jews: "Everywhere the Jews were blamed for the ills of their day. Some still foolishly follow this practice. In the Twentieth Century, Jews are accused of controlling all the money (they own the Federal Reserve System and all ten private banks which govern it - AUTHOR). They cause all depressions, influencing spiraling inflation and plotting the conquest of the world." (UNQ.)

Now there is no argument here, since if you will honestly look at the majority of names of those who control International finances, you will find 90% or more are Ashkenazi Jews. Look at the names of those who own and run the abortion clinics of America, which yearly murder more than 2-million unborn babies, again Jews; see who controls the liquor and drug market, which yearly kills thousands of Americans and makes slaves of many more - again Jews; see who owns the sources of pornography, who produces the filth of Hollywood and TV, see who they are. A very, very high percentage of the people Van Impe supports are the subverters of Christian America. Van Impe knows this, as do many other Christian Zionists, yet they still stubbornly cling to support of these Christ haters, under their guise that they are God's anointed.

Then on p.55, he uses the fundamentalist "boogie man," which is their favorite argument. He says: "One wonders how long this nation (America) will officially stand on the side of the Jews . . . if we do not, the Land of the Free, is about to enter its darkest hour." (UNQ.)

His argument is based on God's promise to Abraham in Genesis 12:3, when He said: "I will bless them that bless thee, and curse him that curseth thee." But America has not been blessed because we have been kind to the Jews. In fact America's darkest hours have come since we recognized this Christ hating country of the Israeli's in 1948. We have gone down hill faster, in every area of American life, economically, politically, militarily, morally and spiritually, since we have sided with God's enemies. Could it be that we are seeing the results of 2 Chronicles 19:2, which states: ". . . shouldest thou help the ungodly; and love them that hate the Lord? therefore is wrath upon thee from before the Lord. Pretty clear and plain isn't it. Yet such is the fundamentalist "mind set" that when a blasphemous movie like THE LAST TEMPTATION OF CHRIST, is produced by Jews in Hollywood, the Christian protestors are oh so careful, that they do not step on the toes of the Jews and become known as "anti-Semite."

Another attack against ANGLO-ISRAEL IDENTITY came in the September 1981 issue of FAITH FOR THE FAMILY, the official organ of Bob Jones University in Greenville, S.C. It was written by Dan Olinger, whose father I knew real well.

This article titled BRITISH-ISRAELISM, started off by equating all Identity people with Herbert W. Armstrong's cult and he quoted liberally from Armstrong's writings. Olinger claims that the Hebrew words "b'rith-'ish", which Identity says means "covenant man," actually stand for a "covenant of man" which completely changes its meaning.

He goes on: "British-Israelism (Identity) carries two especially virulent dangers which should be considered by every Christian. In the first place, it is rooted in post-millennialism, which teaches that man will establish the Kingdom of God on this earth before Christ returns. Very few conservatives hold to this.

"The last temptation of Christ, and the great battle of the ages, is the question of our allegiance to our Lord Jesus Christ--the question of"
"Secondly, BI acts as a 'rabbit trail' to divert Christians from the main business at hand. It is not correct really, to call British Israelism a cult, or a heresy, since it is does not deny any major doctrine or fundamental of the faith. (Cultists like Armstrong are clearly heretics, but it is not BI that makes them such.) (Notice carefully how he differs in his evaluation from De Boer - AUTHOR.) But experience shows that adherents of BI spend most of their time trying to convert Christians to BI, rather than trying to win the lost." (Unfortunately, in some cases this is true. But by a like token, while evangelicals and fundamentalists have "keyed in" on personal salvation, they have neglected part two of Christ's Great Commission, Matthew 28:19, 20, which clearly states: "Teaching them to observe ALL THINGS whatsoever I have commanded you . . ." This is the major reason why 45-million "born again Christians" have such a little effect on the country. They have become the "salt which has lost its savor," (It's ability to act as salt) Matthew 5:13. While about two-thirds of the Bible teaches national salvation, evangelicals and fundamentalists concentrate on the one-third, while they leave the country to go to hell. We have forgotten, even while we mouth the words, what Jesus taught us to pray: "Thy Kingdom come, Thy will be done, IN EARTH, AS IT IS IN HEAVEN," (Matt. 6:9).

Olinger accuses Identity people of studying the Bible only to prove their preconceived ideas about Identity. I claim this to be false, for this is exactly what the evangelicals and fundamentalist do. In my own case, I studied the Bible for hundreds of hours, searching for the truth, always asking God's Holy Spirit to guide me in my search for the truth. It was a grief and amazement to me, to find that the fundamental pulpits of America had been lying to me about the Jews, the Rapture and the Kingdom of God on this earth, for over 40 years. Very possibly this lying was unknowing, but it was lying nevertheless and I'm sure that the seminarians who taught this heresy of Scripture, knew for the most part, what they were doing.

Olinger went on to say: "While a person can be saved and believe in BI the chances are he will not be a victorious Christian, but will be one who will give heed to 'fables and endless genealogies' which minister questions, rather than godly edifying which is in the faith,' "(1 Timothy 1:4).

While I have run into a few of these Identity folks he mentions, to my sorrow, I can also say that the majority I have met are Godly men and women who are concerned not only with the "salvation of souls," but the Godly operation of our country. "By their fruits shall ye know them."

So now that I have allowed the opposition to speak quite freely and tear us apart at will, let's look and see what ANGLO-ISRAEL IDENTITY is really all about.

Chapter II
THE FAITH OF ANGLO-ISRAELITES!

Owing to mis-information in some cases, and deliberate falsehood and lack of knowledge in others, critics, as we have seen say: "You Identity people have no plan of Salvation; you have no Cross, and you glorify the Nation above Christ and personal salvation." Sad to say, there are a few Identity preachers who would fit into this mold. These teach that all is necessary for salvation is for you to be white and of the seed of Abraham. (We could say that fundamentalists have their problem areas too.) The vast number of our Identity people reject this kind of simplistic thinking, for we know that it is contrary to the teaching of God's Word. When Jesus spoke to the Pharisee Nicodemus in John 3:3, he spoke to a man who was an Israelite by blood; a Jew by religion and a Pharisee by political party. He said ". . . except a man be born again, he cannot SEE the kingdom of God." (A clearer
translation would have been "born from above." ) There are no "ifs", and "ands", and "buts" about this statement, it is spoken in a language that even a child can understand. It is further explained by the most loved verse in the Bible, John 3:16, that tells us that WHOSOEVER (Greek "Pas" meaning: "all; any; everyone; as many as") believe on Him (the only begotten Son of God) should not perish, but have everlasting life." This is reiterated in John 1:9, which tells us: "But as many as receive Him (Jesus), to them gave He (God) the power, to become the sons of God, even to them that believe on His name." THAT'S IDENTITY THEOLOGY, my friend!

We believe the Bible is the WORD OF GOD written; and therefore is true from Genesis to Revelation. That it is applicable to us, the Old Testament as well as the New. Having said this, there is no reason for me to enlarge on my faith, but owing to the ignorance of our critics, whether well meaning or feigned, let me enumerate some of the articles of Identity Faith:

1 - WE BELIEVE IN THE DIETY - the Godship of our Lord Jesus Christ. We believe He was the Creator of this world and all things in this universe, (John 1:3). We believe He was one with God the Father, (John 1:1, 2.)

2 - WE BELIEVE in the Gospel of Personal Salvation through the blood of Jesus Christ, (Ephesians 1:7) - "In whom we have redemption through His (Christ's) blood, the forgiveness of sin, according to the riches of His grace."

3 - WE BELIEVE IN THE GOSPEL OF THE KINGDOM OF GOD ON EARTH, exactly as He taught us to pray: "Thy Kingdom come, Thy will be done; on EARTH as it is in heaven," (Matthew 6:10; Luke 11:2). We believe there is only one Gospel of Jesus Christ and this is the Gospel of the Kingdom. It is impossible to teach the Gospel of the Kingdom, without the Gospel of Personal Salvation, but unfortunately, you can teach Personal Salvation, and miss out completely on the Gospel of the Kingdom which occupies two-thirds of the Scriptures. This has been done in a majority of our churches.

4 - WE BELIEVE IN the absolute necessity of the spiritual re-birth.

5 - WE BELIEVE IN the Second Advent of our Lord and that He will return prior to the Millennium, to rule and Reign on this earth as King of Kings and Lord of Lords.

6 - WE BELIEVE IN THE RESURRECTION of the dead and the translation of living Christians from a corruptible to an incorruptible body to take place at Christ's return. This will not be a Rapture, where the saints are removed from this earth during the Great Tribulation, since Scripture teaches that it is the wicked who will be removed (see Matthew 24:37-39). Compare this with the Parable of the Wheat and Tares in Matthew 13:30-41 and the Parable of the Good and Bad Fish in Matthew 13:49. There is no indication anywhere in Scripture that the righteous will be removed from this earth.

7 - WE BELIEVE IN THE DIVINE INSPIRATION OF THE SCRIPTURES, not only that they were Divinely inspired, but that human writers actually wrote only the words which were in-breathed into their minds by the Holy Spirit. (This applies only to the original words which were in Hebrew, Greek, and Aramic, the languages in which the Bible was written.) We know, that mortal men since then, have changed the meanings of many of these words as they were translated into English. Therefore it is important for every concerned Bible study, to check out the meaning of important English words in their original languages. This can be done with the use of a good Bible Concordance, such as Strong's Exhaustive Concordance, which was written specifically for the King James Version.

8- WE BELIEVE AND CAN PROVE that the Bible is true.

9 - WE BELIEVE IN THE LINEAL DESCENT of the Anglo-Saxon and related peoples from the 12 tribes of Israel, as distinct from the people we call Jews today and that these true Israelites are the only peoples who bear the Biblical "fingerprints" of Scripture.

10 - WE BELIEVE THAT the UNITED STATES AND CANADA are the lands which were
promised to King David in 2 Samuel 7:10 and that North America is the only place on earth which bears the identifying marks of this NEW JER USA LEM!

Chapter III
COVENANTS OF THE BIBLE

While most Christians recognize the two great Covenants which divide our Bible into two major parts, the Old and New Testament, many do not know that there were a number of others which were also important, in fact, there were eight in all.

It is important that our people know about these Covenants, for they contain not only God's promises to the Special People called Israel, but His plan and purpose for the world and all the peoples in it.

Listed below, are the eight Covenants, Almighty God made with men whom He had formed from the dust of the earth. (Here we enter into an entirely different area than that taught by most churches, since we believe the Bible distinctly teaches that the Adamic race, from which Israel sprang, was of a different source from that of the colored races. This hinges on- the Scriptural account, which MUST be taken literally. In Gen. 1:26, God created man in his image. He created them male and female and gave them dominion over the earth. But in Genesis 2:5-7 we find a second and different account of man's beginning. (Orthodoxy says this is one and the same account, but it cannot be, for there are dramatic differences between the two.) In Genesis 2:5 we read ", and there was not a man to till the ground." Then notice in verse 7 that God "formed man from the dust of the earth." The first man was "created", not formed. The Hebrew word for "create" is "bara" which means "to make out of nothing." Notice too, that this second man was not created "male and female" as was the first creation in Genesis 1:27, but was created in the male form only. It was only later when no "help meet" could be found for Adam," (Gen. 2:20) that God made woman, from part of man's body (vs. 21-23.) WE BELIEVE that the dark races were from the first creation and that the white, or Adamic races came from the second "formation." The name ADAUM in Hebrew means "to show blood in the face," or be capable of blushing. This is why we believe there is no contradiction between the Bible and those scientists who insist they have found the remains of men who are millions of years older than our Adamic ancestors. They no doubt come from the colored races who were created in Genesis one.

The Biblical Covenants:

1 - THE EDENIC COVENANT. This was made between God and Adam in the Garden of Eden, see Genesis 2:15.

2- THE ADAMIC COVENANT. This was made with Adam after the fall, (see Genesis 3:15). It promised perpetual warfare between the "seed" of the woman, and the "seed" of the serpent. (Some Identity pastors teach that this was a literal "seed of Satan" which culminated in a people we now call Jews. (See John 8:44). Not all Identity people teach this. I DO NOT!)

3 - THE NOAHIC COVENANT. Made with Noah after the flood, in which God promised never to destroy the world again with a flood, see (Gen. 9:1).

4- THE ABRAHAMIC COVENANT. Made by God, f, t with Abraham and later confirmed and enlarged on to Isaac and Jacob, (see Genesis 12:2, 3; 15:18.)

5 - THE MOASIC COVENANT. Made with Moses and Israel at Sinai. (See Exodus 24:8).

6- THE PALESTINIAN COVENANT. Made with Israel as they were about to enter Palestine, (see Leviticus 26; Deut. 28, 29, 30.) We believe the provisions of Deuteronomy, both the blessings and the curses, apply to modern Israel today. That's us!
7 - THE DAVIDIC COVENANT. Made with David and his seed forever. (See 2 Samuel 7:10-16.)

8 - THE NEW COVENANT. Made with twelve tribed Israel through the shed blood of their Messiah, Jesus the Christ, (see Jeremiah 31:31; Hebrews 8:8).

(While I do not recommend the Scofield Bible as a study Bible because he is a confirmed Christian Zionist and a teacher of the Pre-Tribulation Rapture, there are many excellent explanations on these covenants in his footnotes. They can be of help, if one is careful to remember his background.)

At this point, we need to examine one of these Covenants THE ABRAHAMIC COVENANT, made by God with Abraham in Genesis 12:2, about 1921 B.C.

In this Covenant we find the beginning of a progressive relation of God's Great Plan and I Isoso for this earth and the people living on it. In a day when men and women are more and more seeking to "find a purpose for their lives," when youth are asking "who are we and why are we here? "it is essential for Christians in particular to understand the Scriptures. In the study of this great covenant, we will learn how Almighty God intends to restore a ruined world - a world ruined by Satan's lies - lies which caused our parents Adam and Eve to sin by dis-obedience to Him in the Garden of Eden, and so effect all their progeny.

It should be noticed that this is an "unconditional Covenant." By this we mean it was a promise made by God, to Abraham, which He (God) would carry out regardless of whether Abraham and his progeny held up their "end of the bargain" or not. A careful study of Genesis 12 to the end of Revelation will reveal this. The entire Bible, beginning with Genesis 12, is the majestic story of one man and his descendants. This major theme flows through the Bible like a mighty river on its unstoppable course to the sea.

Because this Covenant is "unconditional", nothing that Abraham's descendants, might be, or d6, can in any way change or abrogate it. It is a firm, promise by God which cannot be broken. God swore on His own oath, that this COVENANT is his declared will and purpose. Regardless of how wicked and wayward later generations might become, regardless of how severely God might have to punish them, His promises to Abraham WILL BE FULFILLED. MEN CANNOT CHANGE OR ALTER THEM, since GOD HAS SWORN TO IT!

The writer of the book of Hebrews understood this when he wrote in Hebrews 11:8, 9 - "By faith, Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed: and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles (tents or cloth huts) with Isaac and Jacob, the heirs with him of the same promise.

The ABRAHAMIC COVENANT was first formed in Genesis 12:2-4 where God unconditionally promised Abraham: "I (God) will make of thee (Abraham) a great nation, and I will bless thee and make thy name great, and thou shalt be a blessing: (Now we come to a part of this Covenant which has been completely twisted out of shape by the evangelicals and fundamentalists) and I will bless them that bless thee, and curse him that curseth thee, and in thee shall ALL the nations of the earth be blessed."

Our detractors say: "See! This means the Jews!" Recently, Dr. Jerry Falwell of the Moral Majority sent a letter to thousands of American Christians, begging for funds for a new organization called CHRISTIANS FOR ISRAEL. He asked for contributions to aid the anti-Christ Zionists in Palestine and ended his letter with this veiled threat. "Either American Christians will help the Jews, or God will curse them!" This is a complete perversion of Genesis 12:3. This is not what these verses say. Do not attempt to "read something into them that is not there."

These words in verse three are simply God's promise to Abraham. Actually, they say nothing about his "seed." Paraphrasing them, without changing their meaning, they simply say: "Abraham, I am going to bless you, and if anyone blesses and helps you, I will bless them, and if anyone tries to hurt
you in any way, I will place my curse on them." There is nothing here about a people called JEWS, who did not show up on the scene until some 1200 years later, when we first find Biblical account of them in 2 Kings 16:6, and find them fighting against Israel. Strange, isn't it, when our pastors tell us that they are one and the same? There is no implication here that these blessings and curses will be carried down to future generations. This is something the Bible scholars have read into the Word.

This Covenant was further confirmed in Genesis 13:14-17; 15:1-7, 18; 17:1-8. It was again confirmed with Isaac in Genesis 26:23, 24 - "And the Lord appeared unto him (Isaac) and said, Go down into Egypt; dwell in the land which I will tell thee of. Sojourn (Hebrew, "guur", meaning "to turn aside from the road for lodging.") in this land, and I will be with thee and bless thee; for unto you and your seed, I will give all these countries, and I will perform the oath which I swore unto Abraham thy father. And I will make thy seed to multiply as the stars of heaven, and I will give unto thy seed all these countries, and in thy seed shall all the nations of the earth be blessed." (Are you so naive as to believe that eighteen million Jews fulfill this promise of a "great multitude like the stars in number?")

Again in Genesis 28:13, 14, we find God's Covenant with Abraham enlarged with Abraham's grandson Jacob. After reiterating the promises of the land on which Jacob stood, God said, verse 14: "And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south, and in thy seed shall all the families of the earth be blessed." This is further confirmed in Genesis 35:9-12.

It is interesting, when you come to think of it, that Abraham and his descendants through Isaac and Jacob are the people with whom God made His Covenant. In other words they are "God's Covenant People." Did you know that the Hebrew word for "Covenant" is "Berith" or "B'rith." (Strong's Concordance, (#1285), the word for "man" in Hebrew is "ish." Put them together and you have the word "B'rith 'ish" or "British."

Now I know that Identity detractors like to laugh at this and say it is a coincidence without meaning. But Abraham was the first "covenant man," and he was "B'rith 'ish" and like it or not, he was the progenitor of our Anglo-Saxon people. You can't change that by any twisting of history or scripture, or by the use of any derogatory terminology. The Word of Almighty God still stands.

A close check of this Covenant will reveal that it is the Divine Charter of the Covenant People, a people whom God ordained to become a nation and then a company of nations (commonwealth) which would never be destroyed.

The New Testament mentions this Covenant in Romans 8:16, 17, when the Apostle Paul said: "The Spirit itself beareth witness with our spirit, that we are the children of God: and if children, then heirs; heirs of God, and joint heirs with Jesus Christ . . ." To the believers in Galatia he says: "Now to Abraham and his seed (descendants) were the promises made. He saith, not to seeds, as to many: but as of one. And to thy seed which is Christ. And this I say, that the Covenant, that was confirmed before God in Christ, the law . . . cannot be disannulled, that it should make the promises of none effect," (Gal. 3:16, 17).

So what we need to do is search for the legitimate heirs of Abraham in this generation. When a rich man dies, we can always expect to find a number of people who will claim heirship . . . relatives turn up which had been unknown before. The task of the court is to determine who the true heirs are. So since this Covenant is an "eternal inheritance for the offspring of Abraham", we can expect many to claim to be "Abraham's heirs according to the promise."

It is not unusual in the light of this, to find questions raised such as. "Who are the Chosen People?" This is natural and to be expected. But when we find people who turn down their inheritance and give it to hated aliens who are trying to destroy everything they say they believe in, when we hear them say: "So I'm an Israelite; what difference does that make as long as I'm saved?" We find people who are doing the same thing Esau did, when he sold his inheritance for a "bowl of red beans and rice." I'm quite sure that none of these Christians would turn down a big material
Inheritance by saying: "I'm a Christian you know and my inheritance is in heaven, so what difference does it make to me who gets that million dollars." Don't be silly. You know what the reaction would be as well as I. But when it comes to accepting an "earthly inheritance" that God has waiting for them, most White Christians have become so brainwashed by the "mind detergent" that has been used against them in their churches, that they don't even know they are heirs to an earthly promise and instead opt for "pie in the sky," which most of them are not honestly sure they will receive. (I say this, on the evidence of their actions.)

But who in this generation are the "seed of Abraham," the friend of God? There are a multitude of answers, but only one correct one. Most say the present day Jews are the ones, without ever studying Scripture to find out the truth; others say it is a born-again Christian. While a few of us "nuts", recognize the Anglo-Identity truth taught in the Bible and are laughed to scorn by our fundamentalist brethren. Louis De Boer, in his book THE NEW PHARISEEISM, which we have already discussed, says on p.6 - "It is to the task of refuting one such answer (Anglo-Israel Identity) an answer the author considers especially pernicious (highly destructive), an answer that can only be a damning delusion to those who confide in it, that this book is dedicated." In other words, the author is giving us clear warning that he is out to destroy Israel Identity by any means possible, because he hates its truth.

The battle over who are the heirs to the promise is almost as old as the promise itself. Esau tried to take it from the true heir, just as the evangelicals and fundamentalists would today. They would like to take the promise from true Israel and give it to Esau's descendants, who pose as the true Israelites. (If you want to find out the end fate of this error, read Malachi 1:2-4).

It is quite interesting to note the message of our risen Lord, to the church at Smyrna, Rev. 2:9 - ". . . I know thy works, and tribulation, and poverty (but thou art rich) and I know the blasphemy of them which say they are JEWS and are not, BUT ARE OF THE SYNAGOGUE OF SATAN." (Emphasis added.)

This message from our Savior, was sent to a church which was under merciless persecution not only from the Romans, but a Jewish element which was bitterly hostile to Christians, and which like the Zionists of today were dedicated to its destruction. (In this connection, it is interesting to note that Emperor Nero's sine, was a Jewess who hated Christians with a virulent hatred.)

Smyrna was the center of the "Imperial Cultus," which mercilessly persecuted any religious sect which did not recognize Caesar as God. For some reason, which I will not attempt to explain, this persecution did not reach to the Jews in Rome. These Jews, not the "seed of Abraham," as De Boer claims, but the "pseudo-Jews" of Smyrna, had been exempted by royal decree from having to worship Caesar. They were able to carry on their heathen Talmudic worship without coming under the Roman ban for treason and blasphemy. These were the same crowd who a few years before had cried to Pontius Pilate: "Away with Him! (Christ) Away with Him! Crucify Him. We have no king but Caesar." (John 19:15).

Then, as now, we find these imposters claiming to be of the "privileged seed." They were quick to denounce Christians, for they knew these were the "true seed of Abraham." Truly the Jews of Smyrna, acted as the Synagogue of Satan, fulfilling Christ's description of them in John 8:44, when He said: "Ye are of your father the devil . . ."

Jesus further clarified His statements regarding the Jews in John 10:26, when he said: "But ye believe not, BECAUSE YE ARE NOT OF MY SHEEP," (Emphasis added.) How much plainer does the Lord have to get before you will accept His teachings?

Yet in spite of what the Scripture says, men like De Boer are strong in their attempts to protect the Christ haters of Judaism, while laying the blame on those of us who "know and can prove from Scripture, that we are heirs to the promises made to Abraham."

The Abrahamic Covenant was given in six distinct parts:
1 - "I will make of thee a great nation." Genesis 12:2; 13:16; 15:5; 46:3. By no stretch of the most vivid imagination can these promises be made to fit the people we call JEWS.

2 - "I will bless thee," (Gen. 12:2; 22:17; 26:24).

3 - "I will make thy name great." (Gen. 12:2). Does this have any significance in the fact that of all the nations on the face of the earth, our mother nation England is known as GREAT BRITAIN? (Great Covenant men).

4 - "Thou shalt be a blessing." (Gen. 12:2; Gal. 3:14). "That the blessings of Abraham might come on the Gentiles (Greek, "ethnos" meaning: "non-Jew nations.") through Jesus Christ: that we might receive the promise of the Spirit through faith." The Jews have never been anything but a curse to any nation where they have resided, sure a few of them have done noble things for their fellow men, but every time they have, they have "demanded their pound of flesh" in return. Paul said of them in 1 Thess. 2:15 that "they please not God and are CONTRARY to all men." This is why they have been universally disliked and persecuted.

5 - "I will curse them that curse thee." This promise was made to Abraham, nothing was mentioned regarding his descendant and certainly in all honesty, we cannot equate this promise to the Jews, (Gen. 12:3; 27:29).

6 - "In thee shall all the seed of the earth be blessed." (Gen. 12:3; 18:18; 28:14). I believe that most Christians rightly teach that this blessing would come to mankind through Jesus Christ. But there were many, many minor blessings which came from Abraham's descendants. More good has come to mankind through the White Christian nations we sometimes call Christendom, than from all the other nations combined. We could mention the abolishing of slavery, which is still practiced in many parts of the world; Governments built on the Ten Commandments; care of the needy, world-wide; publishing and proclaiming the Gospel. None of these things have ever been done by~the Jews, yet they are the "fingerprints" of true-Israel.

In the Abrahamic Covenant an original grant of land was made in Genesis 15:18. It was a vast tract of land, much greater than all of Palestine. It is what the Israeli, the "pseudo-heirs" of the promise want today.

While Abraham could not understand how his seed could inherit these lands, since he was 100 years old and his wife Sarah had been barren and was ninety herself, he asked God to prove it to him and God swore an oath with Abraham, the same as men make with each other. Men make verbal promises which are binding in a court of law; but God's oath was eternal, since He never dies. The symbolism of Gen. 15:1-18, it that of passing through death.

The promises regarding this vast land were "modified by prophecies of three dispossessions and restorations."

1 - Genesis 15:13-16 - 400 years of bondage in Egypt;

2 - Jeremiah 25:11, 12, seventy years of Babylonian captivity; and,

3 - Deuteronomy 28:62-65; 30:1-5, which covers the Seven Times of Punishment on Israel for their sin, or 2520 years (see Leviticus 26). The Third dispossession began about 740 B.C. when the 21/2 tribes of Israel, known as Judah were taken captive into Babylon. This dispossession was completed when a handful of Israelites were divorced from the land in 580 B.C. (Jeremiah 52). Full restoration for "true Israel" is promised at
the return of Jesus Christ, our Lord and King, under the Davidic Covenant, (see Deut. 30:3; Jer. 23:25-8; Ezek. 37:21; Luke 1:30~33; Acts 15:14-17.)

It should be noted here and emphasized over and over again, that Abraham, Isaac, and Jacob WERE NOT JEWS! They could not be for the simple reason there were no people known as Jews, anywhere on earth.

Chapter IV

THE DEDICATION OF OUR RACE

If you will carefully read Genesis 22:1-18, you will see where "God did tempt Abraham." (Strong's Concordance says that "the English word "temple," is "bacah" in Hebrew, which literally means: "to test.") You remember the story, I'm sure. Abraham was told to take his only son Isaac, his only legitimate son, who would inherit the birthright, and sacrifice him to God on Mt. Moriah.

Scripture says that Abraham believed God. He must have wondered how God would fulfill His promises in Isaac, if he died. Yet the record shows that He obeyed God without question. In Hebrews 11:17, the great Faith Chapter of the Bible, we read:

"By faith, Abraham, when he was tried, offered up Isaac. Accounting that God was able to raise him up, even from the dead; from whence also he received him in a figure." To all intents and purposes, in the mind of Abraham, his son Isaac was dead when the angel stayed his knife hand. Mentally, as far as Abraham was concerned, the sacrifice had been made.

This meant that Isaac and all his children, in all their generations were especially dedicated to God. The Sacrificial ceremony was the dedication of our race, who were not even in existence at the time. These descendants of Isaac had been "fore-ordained" by God, "pre-destined" if you will, for a special service for all mankind. In Romans 8:28, 29 we read: "For we know that ALL things work together for good, to them that love God, (sometimes we forget this part) TO THEM WHICH ARE CALLED ACCORDING TO HIS PURPOSE. For whom He did the use of the name Jesus Christ means "the Anointed Savior." (Some Identity folks argue that both these words are of heathen usage and that the Hebrew word YASHUAH should only be used, but since I do not speak or write in Hebrew, but in English, I use the English translation.)

Christ is the "Servant of the Lord, through whose mediation, the world will eventually be brought back to God. The Dedicated Race, the descendants of Isaac, are also "anointed of God," to become His Servant Race. (see Ps. 105:15; Hab. 3:13.)

In 1 Peter 2:9, the Apostle Peter, speaking to the "strangers scattered abroad" in Asia (Israelites), said "Ye are a chosen generation, (Greek, "genos" meaning: "offspring") a royal priesthood, an holy nation, that ye should show forth the praises of Him who hath called you out of darkness, into His marvelous light." By no stretch of the imagination can this "nation" be translated to mean "church," as many fundamentalists and evangelicals teach.

Jesus came into this world for the express purpose of saving the "lost sheep of the house of Israel," (Matthew 15:24). This word "lost" as used here does not mean "unsaved" as many teach, but comes from two Greek words "apo" and "ollumi", which literally mean: "those who were banished for punishment." Of course, this was what happened to the tribes of Israel.

Paul's statement in Gal. 3:16 had a two fold application which many pastors are prone to forget - individual and national.

If you will recall, Abraham had two sons at the time of this testing. One was Ishmael by his bondswoman Hagar, and the other Isaac, by his legitimate wife Sarah.
Isaac was the child of promise; he was the only child of Sarah and was the promised seed, (see Gen. 17:19-21). Later Abraham had six more sons by Keturah. Paul tells the Galatian Christians that the promises were not made to "all of Abraham's descendants," but were to be fulfilled through "one seed," the

"Anointed," the "child of promise." He then tells us that through this "one seed," Isaac, would come the "one seed," through which all mankind would be blessed, Jesus Christ the Redeemer.

We find the first promise of this "Divine Seed," in Genesis 3:15, where the "seed of the woman" (Christ) would crush the head of the serpent, who was her and God's enemy.

Here for the first time we begin the magnificent highway of the "blood line of Christ". (His complete genealogy can be found in Luke 2:23-28.)

While Abraham had eight sons, only one was to be the father of the race who would eventually become a blessing to all people and who would figure in the physical birth of the Son of God.

This incident, which can be called "the election of race," deals with one particular race of men who were selected by God to become "servant-rulers." First they were to prove themselves as servants, before they were given the opportunity to "rule and reign" with the King.

This is one of the major lessons our Identity Christians need to learn. Too often we were "puffed up" with pride because we know we are God's special people. This knowledge should have the opposite effect on us. It should make us very humble, for we should recognize that with our privilege status, goes a thousand fold increase in our responsibilities to God and our fellow men. Once when Christ's disciples were squabbling over which one of them would be the most important in the kingdom, He said: "Neither be ye called masters: for one is your Master, even Christ. But he that is greatest among you shall be your servant. And whosoever shall exalt himself shall be abased; and he that shall humble himself shall be exalted," (Matt. 23:10-12).

Another time in Matthew 20:25-27, our Lord said: "Ye know that the princes of the Gentiles (nations) exercise dominion over them, and they that are great exercise authority upon them. BUT IT SHALL NOT BE SO AMONG YOU: but whosoever will be great among you, let him be your minister: and whosoever would be chief among you, let him be your servant." In other words, you first have to demonstrate obedience as a "private," before you can become a "general." I've gone through this humbling experience in my own life.

So if you get "puffed up" because you happen to be a White, Anglo-Saxon-Israelite, remember you must first prove yourself as a "handy-man" before you can become the "straw boss." This doctrine is completely opposite that which the Jews are taught in their Talmud, which tells them that when they are in charge of this world, all the wealth of the "goyim" (non-Jew animal - which means you) will be in their hands and every Jew will have 2,000 "goyim" slaves. Does this sound like the kind of a world you would like to live in?

The election of grace, deals with individual salvation and eternal life. This has no regard for race or color. (This statement is going to elicit some howls of anguish from some Identity leaders who teach otherwise, but it is nevertheless true.) Every individual member of the Chosen Race, must be "saved" in the same manner as all non-Israelites. God is not a respecter of persons when it comes to salvation. Everyone can only be saved through faith in the shed blood of God's Son, Jesus the Christ. Only through Jesus Christ can Israelites become "inheritors of the promises made to Abraham." Anyone who tells you that you are righteous in the eyes of God, because of the color of your skin, is a liar! There will be many Israelites who will be rejected and will not make it into the Kingdom, because they refused to bow the knee to the King. Jesus told His disciples in Matthew 8:11 - "... many shall come from the east and west and shall sit down with Abraham, and Isaac, and Jacob, in the kingdom of Heaven. But the children of the kingdom shall be cast into outer darkness; there shall be weeping, and wailing, and gnashing of teeth." Why? Because they "wanted to do their own thing," rather than accept the King's way of doing things.
In Ezekiel 20:37, 38 God is speaking to Israel in the "latter days," before He sits on His throne in the Kingdom. He says: "And I will cause you to pass under the rod, and I will bring you into the bond of the covenant; and I WILL PURGE OUT FROM AMONG YOU THE REBELS, AND THEM THAT TRANSGRESS AGAINST ME . . ." (Emphasis added.)

To better understand this, we need to know something about the customs of Ezekiel's day. When a king came into a land to accept a kingdom, it was the custom for the men of that land to appear before him on bended knees, where they asked him to forgive them for any act of rebellion they may have committed against him. When they received this forgiveness, they then pledged "fealty" to him. This was an act where they then said in essence: "From now on, I belong to you. I will follow you faithfully; I will obey your law; I will be true to you, even unto death." This in essence is what "being born again" is all about. So remember this, my dear Identity brethren, you too MUST accept the king, if you expect to enter His Kingdom. In a booklet titled THE SERVANT PEOPLE, published by Destiny Publishing Co., P.O. Box 177, Merrimac, MA 01860, we read this regarding Anglo-Saxon responsibility: "Thou, Israel, art my servant; Jacob, whom I have chosen, the seed of Abraham, my friend," (Isaiah 41:8).

"In Deuteronomy 7:6, Moses told the children of Israel: "For thou art an holy people unto the Lord thy God: the Lord thy God hath chosen thee to be a special people unto Himself, above all people that are on the face of the earth." (How could language be any plainer?) The question which we must ask therefore is this: "Do our beliefs conform with this declaration from God?" Are we prepared to accept the Scriptural identification of this specially selected people, even if the weight of Scriptural and historical proof designates them to be other than the Jews?" (UNQ.)

Let me remind you again. When Moses spoke to these people in the Wilderness of Sinai, there were no Jews among them. The Jew did not come into existence until centuries later.

There are many Bible references to the fact that the Jews lost any status they may have had in the eyes of God. While there has been a tremendous effort, backed with Jewish money, to influence Christians into believing the Jews are the Chosen ones, this does not make it so! Today, Jewish sources, backed by "brainwashed" Christians, are trying to acquit the Jews of the death of God's Son. Their argument is: "You can't judge all Jews for what their leaders did in Jerusalem." Yet if you believe the Bible, as you claim you do, how can you get around the statement found in Matthew 24:25 - "Then answered ALL the people, and said, His blood be upon us and on our children." Their cry still echoes down through the corridors of history to this very day: "We will not have this man to rule over us; WE HAVE NO KING BUT CAESAR! Crucify Him! Crucify Him!"

In view of the Divine pronouncement, how can anyone who loves God, hold to the untenable position that the Jews are the Chosen of God? Jesus passed judgment on them in Matthew 23:38, when He said: "Behold your house is left unto you desolate ... The kingdom shall BE TAKEN FROM YOU, and GIVEN UNTO A NATION (Notethem now, not a CHURCH, but a NATION,) bringing forth the fruits thereof," (Matthew 21:43).

The Jews in their arrogance want to be ISRAEL who is entitled to the Land of Palestine. This was the basis for Menachem Begin's aggression and those people in Christendom, who back these "pseudo-Jews" will one day soon, experience extreme shock when they discover how they have been deceived. Can you visualize men like Jerry Falwell and Jimmy Swaggart, as they are forced to admit they have been "deceived by the anti-Christs."

We have seen how God chose Abraham and his seed as a "people set apart for a special purpose." So Israel, MUST be a nation dedicated to doing God's will, if she is to be blessed.

If the Scriptural truth is ever accepted, which proves that the Anglo-Saxon and related people are the true Israel, then our people will be shocked into seeing their responsibility before God. Today, very few Christians realize what this responsibility is. It goes far beyond knocking on doors and speaking to someone about their soul's salvation. Most Christians in our Judeo-Christianized churches are content to "slip into the kingdom by the skin of their teeth," or as Paul said "saved, yet
so as by fire" (1 Cor. 3:15). These might be encouraged to become "watchmen on the walls of Israel," warning their fellow men in accordance to Ezekiel 33:7, if they knew who they were.

We white people in America have a national responsibility before God. The words of Ezekiel 33:10, 11 were written especially as a warning to us. "... If our transgressions and our sins (disobedience to God's law, see 1 John 3:4) be upon us, and we pine away in them (in God's name what do you think is happening to America today?) how should we live? Say unto them (Israel-America), as I live, saith the Lord, I have no pleasure in the death of the wicked; but that the wicked turn from his way and live; turn ye, turn ye from your evil ways: for why will ye die, 0 house of Israel (America)"

Because we are His people and have maneuvered ourselves in-to a potentially dangerous situation by disregarding His law, He says we shall suffer, until the "rebels" (those who refuse to obey) are purged from our midst. Maybe we should start our house cleaning in Congress and the pulpits of America, beginning first with the house of God.

**THE PROMISED SEED, THE ONE SEED OF ABRAHAM, WAS JESUS CHRIST, THE ANOINTED ONE!**

1 - Everything is in Him; everything depends on Him -"And He is before all things, and by Him all things consist. (Greek "sunistemi" meaning: "are held together.") (Col. 1:17). Even the atoms are held together by the power of our mighty King, Jesus the Creator, (see John 1:3).

2 - He is the blessing of God to all Nations and all families of the earth. (see Gen. 3:15; 12:3; 18:18).

4 - Without Him, the Chosen People have no blessings nor have they anything of blessing to offer to other nations.

5 - The ONE SEED, Christ, having come of the family of Abraham, can now be a blessing to all mankind.

**Chapter V**

**ESAU AND JACOB AND THE SPURNED BIRTHRIGHT!**

As you read the Bible account given in Genesis 25:19-34, you will notice that the struggle between the two sons of Isaac, Jacob and Esau, began before they were born. Quoting from the Ferrer-Fenton translation from the original Hebrew, we read: "and the children struggled together in her breast and she consequently said: 'Why does this happen to me?' so went to enquire of the Everlasting. And the Lord said to her, 'Two nations are in your breast, and two peoples shall proceed from your womb, and one people shall be stronger than the other people, and the elder shall serve the younger."

When the twin boys were born, the elder came out red, all over like a hairy garment; and they called his name Esau. When the second child was born, he had hold on Esau's heel; and his name was called Jacob," (Gen. 25:25, 26).

(Could this incident have any connection with Genesis 3:15, do you suppose, where God's promise was made that the seed of the woman should bruise the heel of God's enemy?)
Under normal circumstances in Hebrew custom, the first born would inherit the Covenant Promises. But Esau grew up to become a man who was primarily interested in "doing his own thing," which in this case was hunting and feeding his belly, or as the Yiddish say: "Getting while the getting is good." He believed that: "You only go around once in life, so live with gusto!" He thought so little of the promises of God, in fact he despised them - that he sold them to his brother Jacob for a bowl of "red beans and rice," one day when he was hungry (see Gen. 25:29-34). Because of his color, he had been nicknamed "Edom" which in Hebrew means 'red." He was not only red on the outside, he also had a red heart. He was a "rebel," a "left winger", one who rebelled against the wishes of his father and mother and his God. The immediate satisfaction of his bodily needs meant more to Esau than any promises God had made for the future. He could not see "beyond the end of his nose."

How many Christians do you know who are like Esau? Our churches are full of them. They use the excuse for disobeying God, by saying: "Christ did away with the law when He died on Calvary." They live like the devil, while they claim to be children of God. They are "Alka-Seltzer" Christians who come to church and "fizz" for a hour on Sunday, while the rest of the week you cannot tell them apart from the world.

Sometimes we call these folks "nominal Christians. It's no wonder the old Ship of State is in trouble with folks like this at the helm.

In spite of the objections of his parents, Esau deliberately broke God's Law and married "outside the blood line." In fact, he married two Canaanite women, just to spite his parents, (see Gen. 26:34, 35). "And Esau was forty years old when he took to wife Judith the daughter of Been the Hittite, and Bashemath, the daughter of Elon the Hittite: which were a grief of mind unto Isaac and Rebekah." Later in a mis-directed effort to appease his parents, he married a daughter of Ishmael, Abraham's son. (Gen. 28:8, 9).

The descendants of Esau became known as "Edom," "Edomites," "Seir or Mt. Seir", the latter two being names of the region where they lived. The immediate descendants of this "rebel son" are listed in Genesis 36. "Amalek" was a grandson of Esau and became the father of Israel's most vicious enemy, the Amlekitites, (see Exodus 17:8-16; Numbers 24:20; Deut. 25:17-19; 1 Samuel 15L:2-33). All the descendants of Esau, were forbidden by Hebrew law from becoming citizens of the Israel nation until the third generation, (see Deut. 23:7, 8 and the book of Obadiah).

When Esau sold his birthright to his brother Jacob, with it went the Title Deeds of the Promised Land. From later events, it becomes evident that the Amlekitites did not honor their father Esau's agreement and now lay claim to the land as theirs. According to the Jewish Encyclopedia, they are part of Jewry and many Amlekitites became Jews by adopting the Babylonian Talmudic religion of Judaism. They are now part of the "pseudo-Jews" who hold Israel under the name of ISRAELI. They are descendants of the same men Jesus tangled with in John 8:33, when the Jewish Talmudic leaders told Him "We be Abraham's seed, and were never in bondage to any man . . ." This in itself was a clear, self-pronounced fact that they could not be Israelites, since Israel had been in bondage in Egypt, as any Sunday School child knows. Why then do our pastor's persist in calling these enemies of Christ the Chosen People?

Chapter VI
THE COVENANT
PROMISES CONFIRMED!

In Gen. 27:41, 42, we see where Esau hated his brother because of his own stupidity and threatened to kill him. As a result, Jacob spent twenty years in exile (see Gen. 28-33). Chapter 29 records Jacob's unusual vision of a ladder reaching into heaven with angels ascending and descending. From the wording of verse 11 it is quite possible that the stone Jacob used for a pillow, was one which had been discarded by builders in the area. He called the place Beth-el, which in the Hebrew language means "the house of God." There the Covenant which God had made with Abraham, was re-confirmed with his grandson.

While in this exile, Jacob married four wives, who bore him 11 sons. The youngest of them by Rachel, who was his "beloved wife." Later after his conversion, his name was changed to Israel" and from the "Usurper Jacob," he became "Israel, a Prince with God", (see Gen. 32:28).

During Jacob's conversion experience, which is recorded in Genesis 32, he became a new man and went into partnership with God. This experience is described in the New Testament in 2 Cor. 5:17 "Therefore, if any man be in Christ, he is a new creature, old things are passed away, behold all things are become new." This is what happened to Jacob, from a cheat and a liar, he became "Israel", through whom all the nations of the world would be blessed and God reconfirmed this in Gen. 35:10. Jacob's descendants were to work together with God for the blessing of "all families" of the earth, and for the final restoration of this world which had been ruined by Satan's rebellion against God.

Jacob was not an Israelite - he was the father of the Israelites - and HE WAS MOST DEFINITELY NOT A JEW! The twelve sons of Jacob, became the fathers of the twelve tribes (nations) of Israel and NONE OF THESE WERE JEWS! In fact there were no Jews until after the kingdom had been broken up, and a remnant of that broken kingdom became known as JEWS, which in Hebrew is YEHUDIM, meaning "a remnant of Judah!"

The "seven times" punishment of Israel (2520 years), is now about to come to a close and the Edomites who now rule in Palestine and the rest of the world, having control over the world's economic system and who are now masquerading as "true-Israel", will be destroyed, (see Luke 19:12-27, noting especially verse 27), then read Malachi 1:2-4: "I have loved you (Israel), saith the Lord. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the Lord, yet I loved Jacob and I hated Esau, and laid his mountains and his heritage waste

". . . Whereas Edom saith, We are impoverished, but we will return and build the desolate places: thus saith the Lord of hosts, they (the Jews/Edomites) shall build, but I will throw down; and they (Israel) shall call them (the Jews), the border of wickedness, and, THE PEOPLE AGAINST WHOM THE LORD HATH INDIGNATION (anger) FOREVER." (Emphasis mine.) These are the people our pastors call God's Chosen. The day is coming soon, when we will see the destruction of these evil people in Palestine and God will fight against them, not for them, as we have been taught in our churches.

Chapter VII

EGYPT - THE EXODUS -
THE 13th TRIBE!

Reuben, the firstborn of Jacob's twelve sons was deprived of the birthright because of his wickedness, (see Gen. 35:22). Joseph, who was the youngest, being somewhat spoiled and also
somewhat of a "tattletale", and also being close to Bilhah's sons (Gen. 37:2) went to his father with the story of Reuben's sin. The first indication that the birthright had passed from Reuben to Joseph is found in Gen. 37:3, where Jacob presented his younger son with a coat of many colors. Joseph was evidently somewhat of a "brat" at this time and loved to "lord it over his older brothers," as his father's favorite son. This did not make for a good family relationship, but evidently Israel in his old age, and doting on Joseph, could or would not see this. This of course caused hard feelings in Joseph's brothers, which led them to sell him into Egyptian slavery, (see Gen. 37:19-28).

In Gen. 49:8-12, we find that the "sceptre of Power," the "Divine Right of Kings, or Rulership" was given to Judah. This was the tribe through which Christ would later be born. This promise to Judah was later re-affirmed in 2 Samuel 7:16, where David was told by the Prophet Nathan, after he had received a special revelation from God (see 2 Samuel 7:4, 5). In verse 10-17, we read about the message God gave to the king. In verse 10 we see where he is promised a new place which will be given to Israel, where she will be planted sometime in the future, and from which she would never move. We can tell from the wording of these verses that this was to take place sometime in the future, in a place other than Old Palestine. Then as a capstone of this promise, God told David:

"And I will establish the throne of his (David's) kingdom forever." (vs. 13), "and thine (David's) house and thy kingdom shall be established for ever before thee: thy throne shall be established forever." (vs. 16).

The lines of rulership were never to depart from David until Christ, the Greater Son of David's line, was to come and set up His earthly kingdom, of which there would be no end. (See Luke 1:30-33). In verse 31-33 God told the Virgin Mary, through an angel: "And behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS. He shall be great, and shall be called the Son of the Highest; and the Lord God shall give unto Him the throne of his father David: And He shall reign over the house of Jacob (Israel) for ever; and of His kingdom there shall be no end." MARANATHA!

The kings and princes which ruled over Israel from that time on have always come from the Tribe of Judah. Today, Christ is the spiritual head of this kingdom; when He returns again, He will be the King in His bodily form.

When Jacob/Israel gave his death-bed blessing, Judah and Joseph were selected for special responsibilities (see Gen. 49). Here we see the beginning of the division between the Israel people into "the two families which the Lord hath chosen," (Jeremiah 33:24). The House of Israel and the House of Judah. Psalm 114:2 explains it in this way: "Judah was His (God's) sanctuary, and Israel His dominion." (IT IS INTERESTING TO NOTE, THAT NEITHER OF THESE TWO FAMILIES WERE EVER JEWS.)

There were 69 Israelites, besides Jacob's sons and their wives, who went into Egypt during the Great Famine of Gen. 46:26, 27. In Acts 7:14, during Stephen's magnificent defense before the Jewish Sanhedrin, he mentioned 75 people as going into Egypt. This in no way is a contradiction, since Joseph's wives and sons were included in this number. These Israelites were in Egypt for 430 years (Exodus 12:40, 41). During this period they had an extraordinary growth, to the point where they began to bother the new Pharaoh, which the Bible says did not remember Joseph (see Exodus 1).

During the first fifteen chapters of Exodus, we have the long drawn out account of the struggle with Pharaoh, in which ten judgments were executed on the Egyptians and in which thirteen miracles were performed, which ultimately resulted in the Israelites being released from economic bondage. Many scholars estimate that Israel numbered at least 3-million when they left Egypt, since Exodus 12:37 says, "there were about six hundred thousand on foot that were men, besides children and a mixed multitude went up also with them . . ." (This mixed multitude was evidently made up of foreign servants and possibly some Egyptians who had been converted to Hebrewism.) Fourteen months later, in Numbers 1:45, 46, we find a census numbered 603,550 fighting men above the age
of twenty. (The Levites were not included in this census - Number 1:47).

Such a miracle of growth had never before been recorded - from 70 - to over three million. But we have a similar record in this end of the age, of these same people. In 1800 AD according to the most reliable reports, there were about 16-million Anglo-Saxons in America, in a little over 150 years, they had increased to over 175-million. You will remember, I'm sure, that God had promised Abraham, that his descendents would be fruitful and multiply until they figuratively became like the "sands of the sea," (Gen. 13:16; 15:5; 22:17; 26:4; 28:14). The people we now know as Jews have never had a population explosion such as this and have never numbered more than 18-million, world wide. Today, they are barely holding their own in their birthrate. For the most part, the Jews of today are a motley crowd, made up of "black Jews," "Asiatic Jews," and very few of these are Semites.

According to sources such as the Jewish Encyclopedia and Jewish writers such as Arthur Koestler, in his book THE THIRTEENTH TRIBE, and Jewish author Alfred Lilienthal, in his monumental THE ZIONIST CONNECTION, over 90% of world Jewry are of Khazar extraction. (Turco-Mongolian in blood), which means that their forefathers never set foot on Palestinian soil. Every major leader of the Israelis since 1948, has been of the Khazar extraction, known as ASHKENAZI Jews. It is to this mongrel crowd, that our pastors pay homage, when they call them "God's Chosen."

The 13th miracle performed in Egypt was the crossing of the Red Sea. It is interesting to note that the surface of the sea floor in this area has a crust over it. To break through this crust means to become "mired down" in the quicksand underneath. Some liberal Bible scholars argue that this crossing was not a miracle, and that the Israelites crossed in shallow water, in an area known as the Sea of Reeds, where the wind has been known to blow the water to one side. But the interesting question is, if the water was only ankle deep, as these skeptics maintain, how did Pharaoh and his horses and riders, drown in ankle deep water?

The Bible account says that the Egyptians were plagued by the Lord who "took off their chariot wheel, that they drave heavily," (Exodus 14:25). It is evident from this account, that the sea bottom held up the weight of people and their animals, but collapsed under the superior weight of animals, men and chariots. Then in verse 27, we see where God allowed the waters, which were piled up as a wall on either side of the Israelites, to come back and drown the Egyptians. Recently I had a man write to me, who tried to explain that God froze the waters of the Red Sea so that Pharaoh thought it was dry land. This I am inclined to seriously doubt. I like the Bible story better, because it makes more sense.

A number of years ago, I had an interesting debate with a Baptist theologian from the Southern Baptist Theological Seminary in New Orleans, Louisiana. He claimed that this miracle was nothing but "another Hebrew fairy tale." He said that the Israelites had merely crossed at a shallow place in the sea. I asked him whether he had ever been to that area and he admitted he had not. Well, I have been from the north to the south of the Red Sea at least six times, and I never saw a place where the water was less than 40 feet deep in the main channel. I then asked this Bible skeptic if he had ever been to visit the Museum of Egyptology in Cairo, which he admitted he had not. There is an interesting room there, which contains the remains of Egypt's pharaohs. There is only one missing and the plaque beside his name is dated 1491 BC and the plaque says in essence: "presumed lost in the battle of the Red Sea." So God's Word is vindicated, in spite of every effort of men to destroy it.

The twelve sons of Jacob/Israel, formed the nucleus of the 12 tribes. The two sons of Joseph, Ephraim and Manasseb, became the fathers of the Tribes of Ephraim and Manasseh, inheriting Joseph's portion. They were literally adopted by Jacob/Israel (see Gen. 48:16). These two tribes became known as the House of Joseph. (There was no Joseph tribe as such.) So in reality, Israel ended with 13 tribes.

After the Exodus, God commanded that the Levites were not to be numbered with the other tribes,
so the number was brought back to twelve. (The Levites were to be special servants of Israel, providing the priests, teachers and civil services of the nation.)

Chapter VIII
THE TRAINING OF ISRAEL

From the time of the exodus from Egypt, to their entrance into Canaan, Israel was put through a "testing period." The Lord was preparing them to become seasoned instruments in His hand, for the blessing of all nations. These testings were evidently for the purpose of strengthening them in patience, forbearance, and the knowledge that God was interested in their well-being and would provide for them, subject to certain conditions which they would have to meet. I will not go into detail concerning these trials, but merely note the major ones:

1 - THE WATERS OF MARAH (Exodus 15:23-26). Where the bitter waters were made sweet.

2- THE MANNA AND THE QUAILLS. (Exodus 16), where God provided temporary meat and manna for Israel for 40 years.

3 - THE SABBATH TEST. (Exodus 16:23-31). Where the Israelites learned that they MUST take God's word literally.

4 - THE ROCK AT HOREB. (Exodus 17:1-7). Where God provided water for the Israelite multitude. There is no evidence that this rock was a cliff, or a lone rock standing in the desert. I believe, very possibly, although I have no evidence, that this rock was the "Stone of Israel," the pillow which Jacob had anointed at Bethel and which we know Israel carried with them on this wilderness journey. The Hebrew word for rock, "tsur," as used here, does not indicate a rocky formation on the side of a mountain, as most pictures depict, but rather an individual stone.

This is the same stone which now resides in Westminster Abbey, in London, England and is kept under the Coronation chair.

Author E. Raymond Capt., in his extremely interesting study of Bible History of Israel, titled JACOB'S PILLAR, p.6, says: "The veneration of sacred pillars was common in ancient Israel, but nowhere in Scripture has an inanimate object been given such glorious eminence or divinely declared purpose, as that which was bestowed on that 'pillow stone' upon which Jacob rested his head. Jacob was so spiritually impressed that, to memorialize the occasion and the place, he blessed the stone on which his head had rested, sanctified it by anointing it with oil and gave it the name 'Bethel', (God's House). Although he gave the name Bethel to the place, or locality where the stone was set up, he emphatically declared: 'The STONE which I have set up as a pillar, IS GOD'S HOUSE.' " (Emphasis mine.)

He went on to explain how 22 years later, when Jacob returned to Bethel, he had a vision in which the Lord told him: "I am the God of Bethel," (Gen. 31:13). In this way, God associated Himself not only with the place, but with the stone. It was here that Jacob's name was changed to Israel, a "prince with God," (see Gen. 35:11, 12).

While we have no Scriptural account of Jacob taking this stone with him, reason would have us believe he would not leave such a valuable and sacred monument behind. When Jacob was on his death bed, years later in Egypt, he stopped in the middle of his prophecy, (Gen. 49:24), to say: "from whence is the shepherd, the STONE of Israel?" It is probable that Jacob's descendants took this sacred stone with them on their wilderness travels, as it had means of carrying, with iron hooks, through which carrying poles could be placed.

If you will notice carefully in Exodus 17:6, when God gave instructions to Moses for bringing water from the rock, He did not say: "strike that rock," which would have indicated a particular rock, but
He said: "strike THE rock," which indicates a rock with which Moses was already familiar. Once again in Numbers 20:8, we have an instance where God told Moses: "... speak ye unto THE ROCK ..." (Emphasis added.)

There are several instances where the people were commanded to "gather before the rock," (Numbers 20:10). Again in Deut. 8:15, we find reference to "THE ROCK", which indicates a specific rock. The Biblical account indicates that the same "rock" was struck by Moses at both Rephidim and Kodesh, yet these geographical areas are miles apart.

Jacob's Stone, was I believe, a type of Christ and the "living water" which would flow from Him unto everlasting life (John 4:14). We find Jacob anointing the Rock with oil, which in the Scriptures is symbolic of the Holy Spirit. There is no reference made anywhere in Scriptures to any other stone ever being so anointed.

Listen to the Apostle Paul as he speaks of "the Rock," in 1 Cor. 10:4 - speaking about Israel he said: "they did all drink the same spiritual drink (Ps. 78:15, 16); for they drank of that spiritual Rock that followed them: and that Rock was Christ." (The Greek word for "follow" is "akoloutheo" which means: "to accompany.")

Jacob called the Stone, "the Shepherd of Israel," (Gen. 49:24). Later this Shepherd became manifested in the flesh and John 10:27 says: "My sheep hear my voice, and I know them, and they follow me."

As Israel's Shepherd Rock was literally smitten to bring forth the water of life, so the Spiritual Rock, Christ Jesus, was "smitten on Calvary," "that His people might have eternal life. He became the "water of life," (John 4:10). Can you see the important symbolism in this stone of Jacob?

Israel had to have some means of providing 3-million people and their flocks with water in the desert, for in Numbers 20:17, we find where Moses asked permission of the Edomites to pass through their land and said: "... neither will we drink of the water of the wells," the land they crossed was miles long and must have taken days to cross, so they would have needed much water for both people and flocks.

There is a tradition which states that when Solomon's Temple was built, the builders rejected this stone, because it had a crack in it. This is alluded to in both Psalm 118:22, which says: "The stone which the builders rejected is become the head stone of the corner," and Acts 4:11, where Peter alluded to it and spiritualizes it to mean Christ.

Do we not know for sure, but could this stone have spoken to the people? Stranger things have happened. In Numbers 22:21-35, God caused Balaam's ass to speak. At Kodesh God told Moses: "... speak unto the rock before their eyes..." could the rock hear? If it could, then why couldn't it also speak? When Jesus road into Jerusalem on that colt, on the first Palm Sunday, He said in Luke 19:40: "I tell you, if these (people) should hold their peace, the very stones would immediately cry out."

Do you think maybe I'm a bit crazy by now? But as I mentioned before, the kings of Israel were crowned by a "pillar," which could have easily have been "Jacob's rock," (2 Chronicles 23:13).

Archeologist E. Raymond Capt. remarks that the Bible says little about this rock, possibly so that people would not make an object of worship out of it, as the crucifix has become to some. But it makes sense to me to believe that this stone went with Israel as there is some indication that it was taken to the British Isles by the Prophet Jeremiah, after the destruction of Jerusalem.

In Micah 2:12, 13, there is reference made to Israelites passing "through the gate." This gate today is a pass through the Caucasus Mountains. In ancient writings, it was called the "Pass of Israel." At this time Hosea wrote (3:4): "The children of Israel shall abide many days without a king, and without a sacrifice, and without an image." One marginal reference says: "without a standing pillar, or rock." This brings us to the conclusion that Israel did not have the "rock of Jacob," but that it remained with the remnant of Judah, until the overthrow of King Zedekiah. Irish history says that it
was brought to Ireland by Jeremiah.

If you believe God's promises, and I presume that most of you do, then we must search for a king from David's house, since this was the promise made in Genesis 49:10 and later in 1 Kings 9:5. Under Hebrew law, a daughter could inherit as though she were a son, (see Numbers 27:8-11), provided she marry within her own house (Numbers 36.)

Jeremiah and the king's daughters found refuge with a Greek mercenary garrison, which according to secular records was stationed at Tahpanhes in Egypt and is recorded in Jeremiah 43:5-7. It is interesting to note that this ancient fortress, at the modern city of Defreh, is still known in Egypt as the "Palace of the Jew's Daughters."

When Jeremiah prophesied in Jeremiah 44:26, 27, concerning the Israelites who fled to Egypt to escape the Babylonians, he stated that only a small remnant would escape the destruction which would come to Egypt.

We could go on in this interesting study if space were available, but since we will explore it in more detail later on, I will leave "Jacob's Stone, Jeremiah and the king's daughters" in Egypt for now.

5 - THE WAR WITH AMALEK - (Exodus 17:8-16).

It was here that Israel made their first attempt at an organized defense and learned the power of their God through prayer. Here God declared "perpetual warfare against Amalek," which is important for us to note, since Amalek was a branch of Esau-Edom, which is today in modern Jewry. According to God's promise, they were to be finally annihilated. (see Luke 19:27 and Malachi 1:2-4 for comparison.)

6 - The Mosaic Covenant Which Formed God's Kingdom.

The Israelites remained in the vicinity of Mt. Sinai for a little over a year (see Exodus 19:1 and Numbers 10:10, 11) and it was here that God formed them into the nation of Israel, with Himself as their Sovereign. The Mosaic Covenant begins in Exodus 19:3 and is known as a CONDITIONAL COVENANT. Notice especially verse 5, which says: "IF YE OBEY MY VOICE . . . then all the blessings the human heart desires would be poured out on them. But these were conditioned on their obedience to God's Law. It was here, also, that the TEN COMMANDMENTS were given, engraved on tablets of stone by the finger of God Himself, (Deut. 5:22). The ordinances which followed, were to be the ECONOMIC SYSTEM under which Israel and God's Kingdom would operate on this earth. The people accepted this unanimously: "And ALL the peoples answered together, and said, ALL that the lord hath spoken, we will do . . ."

The TEN COMMANDMENTS made up the Divine Constitution of Israel. The Statutes and Judgments were based on the Commandments and were to govern the social life of the nation and apply to both individual and nation.

The Ordinances were the religious laws. Many of these had to do with "blood sacrifices, for the remission of sin," (see the need for this in Hebrews 9:22). These Ordinances were fulfilled when Jesus Christ became the "once and for all time," sacrifice for the sins of His people Israel. Ephesians 2:15 explains it in this manner: "Having abolished in his flesh the enmity, even the law of COMMANDMENTS contained in the ORDINANCES; for to make in himself of twain (two) one new man, so making peace." (Emphasis mine.) Then in Colossians 2:14 we read: "blotting out the handwriting of ORDINANCES that were against us, which was contrary to us, and took it out of the way, nailing it to His cross." Did this mean that Christ did away with the Law? Absolutely not. It means He did away with the ORDINANCES of the blood sacrifice. When Paul talked about "nailing them to the Cross," he was speaking in words his readers understood. For in those days, when a man was committed to prison for a crime, his crime, along with his sentence was nailed on the door of his prison cell. When he completed his sentence, the judge wrote across the face of this parchment, called a "libellus," PAID IN FULL, and the man could never be charged for that particular crime again. This is what Jesus Christ did for those who accept Him, He has written
across the record of our sin, in His precious blood PAID IN FULL, and according to the promise of God Himself, they will be remembered against us no more. Hallelu'Yah!

When God, the Righteous Judge, looks at weak, sometimes sinful Jack Mohr, He does not see my sins, but the blood of His Son, Jesus Christ, which covers them, just as the Israelites were saved from the visit of the death angel in Egypt (Exodus 11,12, which was a type of Christ's death. In verse 23 God told the Israelites: "... when he (the death angel) seeth the blood upon the lintel (top of the door), and on the two side posts, the Lord will pass over the door, and will not suffer the destroyer to come in unto your homes to smite you." I would imagine, there might have been a few Israelites who thought: "Just another stupid regulation," and when they left the blood off their door, the death angel visited them too.

Here is something most important to remember and something which is overlooked by a vast majority of Christendom in these days of spiritual apostasy. The fulfilling of the Blood Sacrifice, in no way effected the necessity of obedience to the Social Laws given to the nation . . . the Law of God still stands, in spite of what puny men called pastors may say, when they preach that Christ did away with the Law on Calvary. Christian-Israel-America and the other Israel nations, are suffering today the penalties declared in Deut. 28, for those who refuse to obey God's Law.

Israel was to set up a Theocratic State. This term comes from two Greek words "Theos," meaning "God," and "kratos," meaning "power." God was to be the Supreme Power in this State. America was set up as such a State. She was never set up with the idea of "plurality" in mind. In our Pledge of Allegiance we say: "One nation, under God!" America was set up from the beginning to be a Christian nation, obeying God's laws. She was not set up to give religious freedom to the Jews, or Moslems, or Buddhists. The founding documents of each of our original 13 Colonies, prove this and the U.S. Supreme Court has declared it to be so!

Supreme Court Justice David J. Brewer, who served from 1890-1910, wrote a lengthy opinion establishing the legal logic that America was indeed a Christian nation. Among many other points mentioned, he said: "This Republic (notice now, a "Republic" not a "Democracy" as we are told today) is classified among the Christian nations of the world. It was formally declared by the Supreme Court of the United States in a unanimous opinion, February 29, 1982 in the case of Holy Trinity Church vs the U.S., 143, U.S. 471.

"... we constantly speak of this Republic as a Christian nation - in fact, as the leading Christian nation. This popular use of the term has significance. It is not a mere creation of the imagination . . . It's use has had from the early settlements on our shores and still has an official foundation. It is only about three centuries since the beginning of civilized life within the limits of the United States and those beginnings were in a marked and marvelous degree identified with Christianity.

"... the Constitution of 1776 required every officeholder to make the following declaration: 'I do profess faith in God, the Father, and in Jesus Christ, His only Son, and in the Holy Ghost, One God, blessed forevermore! and I do acknowledge the Holy Scriptures of the Old and New Testaments to be given by Divine Inspiration. (There were no Jewish or atheist politicians running this country then. No wonder God blessed us in the early days - AUTHOR).

"The New Hampshire Constitution of 1784 and 1792, required that senators and representatives should be Protestant by religion and this provision remained in effect until 1877.

"The Constitution of North Carolina of 1776, provided that in order to be an office holder, a man MUST be a Christian who believed in the fundamentals of the faith (not necessarily a "fundamentalist.") We could go on and on, through Maryland, Mississippi, Arkansas, and many others.

"Sunday was recognized universally as a day of worship. This was even noted in Congress, where the term "Sunday excepted" is found in the United States Government and 36 states. (Remember, this was what America stood for, seventy years ago, before the alien anti-Christ of Judaism got their
feet in the door -AUTHOR.)

"The term God, referring to a Supreme Being is used in constitution, statute and instrument. We find in the preamble the word, 'grateful to Almighty God!' It is again declared in official oaths: 'So help me, God!' While separation of Church and State is often affirmed, nowhere do we find a repudiation of Christianity . . .

Justice Brewer then goes on to point out how our laws and customs are based on the Law of Moses, (the Hebrew, not a Jew - AUTHOR), and the teachings of Jesus Christ; and how the Bible is appealed to as the guide of life in questions of morality. He concludes: "I have said enough to show that Christianity came to this country with the first colonists; has been powerfully identified with its rapid development, colonial and national, and today, exists as a mighty factor in the life of the Republic." (UNQ.) It was shortly before this, that a great French Political Philosopher, Alexis de Tocqueville, came to America to search for the reason why America had had such a phenomenal rise to greatness. On the conclusion of his visit, he wrote to an American friend, words to this effect. "America is great because she is good; and when she ceases to be good, she will cease to be great." We could honestly paraphrase this by saying: "America was great as long as she followed God's laws and when she ceases to obey God's law, she will cease to be great." Those of you who read these words, and who can look back on the past fifty years of America's decline, can see the truth in this statement.

How far has the mighty fallen since those days in the eighteenth century? Why? Because we have forgotten who we were and why we were here and in so doing, we have allowed "heathen, anti-Christ" ideologies to have "free reign" in America, under the Humanist idea of "pluralism." Under the guise of "tolerance," we are committing national suicide.

Chapter IX
THE PALESTINIAN COVENANT AND SEVEN TIMES OF ISRAEL'S PUNISHMENT

The Palestinian Covenant was made with Israel just before they entered the Promised Land. It was strictly CONDITIONAL COVENANT, where Israel's victory depended on their obedience to the "if" and "but" clauses of the agreement. To understand it, you will need to carefully study Deut. 30:1-10; Leviticus 26 and Deuteronomy 28:29, 30. This Covenant lays down the conditions under which Israel was to remain in control of the land they were to occupy. If the people would obey God, and follow His law, they would be blessed with permanent peace, good health, happiness, social security and prosperity beyond their fondest dreams. They would be free from all insecurity; from war; from sickness; from crime; from poverty and from alien control. The very things which are destroying the Israel nations of Christendom in the Twentieth Century. But, if Israel disobeyed God, and refused to follow His law, then there was to be "subjugation to the enemy, slavery, humiliation and death." From being the "head nation," they would become the "tail," vs. 44. They would be defeated in war by nations much smaller than themselves (vs. 25). Aliens would "eat up" the fruits of their labor (vs. 33) and finally they would "serve thine enemies which the Lord shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all things . . ." Is this what must happen to America before the "seed of Abraham" is willing to wake up and do things God's way? Must our nation be invaded by heathen hordes from Asia or Africa; must our wives and daughters be raped in our streets and our young men and little boys be murdered? Is this what it will take to wake America up to their responsibilities before God? We are much closer to this condition.
now, than either our "brainwashed" Christian people, or their Judeo-Christian pastors are willing to admit. Already many of the curses of Deuteronomy 28 can be seen, as they take effect in America, yet there is very little effort made to put the Formula for our Survival into effect, 2 Chronicles 7:14, which calls for humbling ourselves, praying, repentance and turning from our wicked, self-willed ways. There is very little repentance seen in America, even among Identity Christians, including her pastors.

Mankind has "free will" today, just as they had in 1451 BC. At that time, God told Ancient Israel: "I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing; therefore choose life, that both thou and thy seed may live; that thou mayest love the Lord thy God, and that thou mayest obey His voice. . ." The same plea is being made to Twentieth Century Christendom in the "closing out days" of this Twentieth Century. "Choose life or death, Oh America; choose blessings or cursings." The choice is yours! When Ancient Israel disobeyed her God, she became divorced from Him: "And when I (God) saw, when for all the causes whereby backsliding Israel committed adultery, I had put her away, and given her a bill of divorcement; yet her treacherous sister Judah feared not, but went and played the harlot also,” (Jeremiah 3:8).

For their sin, Israel lost their land. They lost the name of Israel and were to in time, be called by another name (Christian) . . . God, speaking to the rebels in Judah said: (Isaiah 64:15): "Ye shall leave your name for a curse to my chosen (Israel); for the LORD GOD SHALL SLAY THEE (see Luke 19:27) and shall call His servants (Israel) by another name (Christian.)"

The name of Jewry has become a curse to everyone who has been associated with and tried to befriend them. The Apostle Paul spoke of them as those who had killed their own prophets, and persecuted the Christian church and "please not God, but are contrary to all men," (1 Thess. 2:15.) Israel was to be called after Isaac, rather than Israel (Gen. 21:12; Rom. 9:7.) Could this be why "true Israelites" are known as "ISAAC-sons" or "SAXONS" Today?

Dan Olinger, of Bob Jones University, in his article in FAITH FOR THE FAMILY, which I mentioned previously, scoffs at this idea. He says: "they (Identity) claim that the terms Saxon and 'British' are Biblical; the former an abbreviation of 'Isaac's-sons.' but the word Saxon actually comes from the Germanic 'sahsam' meaning 'sword.' The Saxons were a sword wielding tribe." (UNQ.) Seems like a wea~ argument to me, since there were many "sword wielding" tribes in northern Europe.

Israel in her dispersion was to undergo punishment, correction and training through a definite period, but not forever.

Leviticus 26 and Deut. 28:28-30, tells about the "punishment clauses" of this Covenant. We can see them in operation in the nations of Christendom today.

Then, GLORIOUS DAY, there will come a day of National conversion, of restoratiQn and national prosperity, when our Lord returns to take over control of this world as King of Kings and Lord of Lords. Some say that America is doomed; that she is the Mystery Babylon of the Bible and that God will destroy her, because she has led the world into idolatry. I do not believe this is true. I still believe that God's promise in 2 Chronicles 7:14 is for our Israel people today, if we will listen to and act on it. This day of our King's return is spoken of in Luke 21:28, where Jesus, speaking to His disciples regarding the things which would happen before His return, says that when we see the wars, famines, earthquakes, pestilences, etc., that overtake the earth; when we see men's hearts failing them for fear of what is happening, then we are told: "When these things begin to come to pass, look up, and lift up your heads; for your redemption draweth nigh!" HALLELU"YAH!

Today we see this fear prevalent in our "brainwashed" Israel people. Suicides and heart failures are two of the greatest killers in America today, both of them often brought on through fear. It is the number one killer among college students and the psychologists and psychiatrists, who are
supposed to tell us what's wrong, are killing themselves off through suicide, four times faster than the rest of us "nuts." Why? Because they are afraid too and do not have the answer. But we do! We know that redemption is "just over the horizon," so we trust God and look for His return.

God told His Israel people in Leviticus 26:18, that He would punish them seven times for their sins. The explanation for this period of punishment can be found by a careful study in the books of Daniel and Revelation. We find that the "time, and times, and the dividing of times," mentioned in Daniel 7:25; 12:7; Rev. 12:14; 11:2; 13:5; 11:3 and 12:6 is 42 months of thirty days, or a total of 1260 days. Twice that is 2520 days.

In Numbers 14:34 and Ezekiel 4:6, in connection with the punishment of Israel and the House of Judah, God states: "I will appoint thee each day as a year." Therefore 2520 days, becomes 2520 years in God's calendar of the ages. If you try and work out the "seven times" of punishment period on a "day to day" basis, you will be doomed to disappointment.

The "times of the Gentiles," referred to by Jesus in Luke 21:24, is of the same duration and represents the same thing today, this should have been translated "times of the nations," for this is what the Greek word, translated "gentiles," really means. During the period of Israel's punishment and training, God gave the Charter of World Dominion into the hands of the Babylonians and a succession of heathen nations headed by Nebuchadnezzar's Babylonian Empire, followed by Medo-Persia, Greece, Rome and finally the smaller kingdoms represented by the toes of Daniel's image in Daniel 2. At the end of this 2520 year period, these empires would collapse and Israel, not the Jews, will be restored to world power and position about.

Chapter X
THE DIVINE MARRIAGE!

Much has been said in evangelical and fundamental pulpits about the "church being Christ's body," (see Ephesians 1:22, 23; Rom. 12:5; 1 Cor. 10:17; 12:12.) It is impossible for a part of the body of the groom to be his bride. Over and over in Scripture, God points out the fact that He is the Husband of Israel. In Jeremiah 3:14, He pleads with his wayward wife: "Turn, O backsliding children, saith the Lord, FOR I AM MARRIED TO YOU." (Emphasis mine.)

In the New Covenant of Jesus Christ, (Jeremiah 31:31,) we find that which is repeated in Hebrews 8:8. It is a statement of marital relationship between God and Israel: "... I was a husband unto them (Israel), saith the Lord." In Isaiah 54:5, God says to Israel (not the Jews): "For THY MAKER IS THINE HUSBAND; the Lord of Hosts is His name; and the Redeemer the Holy One of Israel: the God of the whole earth is He called," (Emphasis mine.)

These statements which identify God Almighty as the Husband and Israel as the wife, were not addressed to the "church," neither were they ever addressed to the people we now call Jews, but to the Israel people.

To clear up any misunderstandings people might have over who these people were, God identifies their location through the prophets. The descriptions of this location, cannot by any stretch of the most vivid imagination be Palestine. God declares that the "home of His wife - Israel," would be in the Isles of the sea, to the North and West of Palestine. "Behold these (God's people, whom He has identified as His wife) shall come from afar; and, lo, these from the north and from the west . . ." Vs. 8 says they will be a people who: "... established the earth, to cause to inherit the desolate
heritages." Palestine was not desolate when these words were written, it had not been desolate for thousands of years and would not be desolate in the future. It was a heavily inhabited area. But the British Isles had no known inhabitants when the first Israelites landed there 1500 years BC and America, an extension of this promise, was completely desolate with the exception of a few thousand nomadic Indians who roamed her vast areas.

In Jeremiah 3:12, a second witness is given: "Go proclaim these words towards the north, and say, Return, O backsliding Israel . . ." Vs. 23:8 speaks about the Lord who ". . . brought up and led the seed of the house of Israel out of the North country."

There is no way you can understand these references, unless you keep in mind Israel's message from Chapter 40, which was addressed completely to the Israelite people in the Isles of the Sea. A good example can be found in the opening words of Isa. 41, which say: "keep silence before me, O islands; and let the people (Israel) renew their strength." Israel was to rest herself in the islands for many years, before they made the trek to America, Australia, New Zealand and South Africa.

Isaiah 49 begins in a similar manner: "Listen, O Isles, unto me; and hearken ye people from afar." Then in vs. 3 we have a definite identification of who these words were addressed to: "Thou art my servant, O Israel, in whom I will be glorified." (Note how this is in the future tense.) In Isa. 43:10, the Israel people of the Isles were declared to be God's witnesses: "Ye are my witnesses, saith the Lord, and my servant, whom I have chosen." Ask yourself. Who has produced the Bibles and the Christian literature which has been sent around the world?" Who have provided the missionaries? Certainly NOT THE JEWS!

Who has set the slaves free? CERTAINLY NOT THE JEWS, they were the backbone of the slave trade which brought Africans to America. But white, Anglo-Saxons set their slaves free, first in Great Britain in 1834, then a few years later in the United States. The nations of Christendom, and these alone, bear the identifying marks which prove that they are Israel. The Jews have none of them! Why? Because they are the imposters spoken of by our Lord in Rev. 2:9; 3:9, "those who say they are Jews (Judeans), and are not; but are of the synagogue of Satan."

After God declared that Israel was His wife, He declared His great love for her.

Referring to only one chapter in the entire Bible, we read in Isaiah 43:1 ". . . thou art mine. . .'Vs.4-". . . I have loved thee . . ." Vs. 7 - "I have created them (Israel) for my glory . . ." Vs. 10 - "Ye are my witnesses, saith the Lord, and my servant whom I have chosen." Vs. 12 - ". . . ye are my witnesses." Vs. 15 - "I am the Lord, your Holy One, the Creator of Israel, your King." Vs. 19 - "I will even make a way in the wilderness . . ." Vs. 21 - "This people I have formed for myself; they shall show forth my praise.

Who are the people of the world who worship Christ as Creator? Not the black or yellow races. They are won to Christ only through great effort, at a great expenditure of money and often at considerable danger. Certainly not the Jews. Only the white nations of Christendom, have consistently accepted Christ as Lord.

As. 25 - "I (God) am He that blotteth out thy (Israel's) transgressions for my sake . . ." There are many, many more references of God's love to Israel. No other nations, or other people are so named in the Bible.

The marriage ceremony was solemnized at Mt. Sinai, where the people with one accord said: "I do!" to God's words. Ex. 19:8 says: "ALL (unanimous) the people answered together and said, ALL that the Lord hath spoken, we will do."

The full Marriage Contract can be found in Leviticus 26 and Deuteronomy 28-30. You will not find the words MARRIAGE CONTRACT, of course, but that is what the Palestinian Covenant actually was.

In ordinary marriage ceremonies, the bride groom bestows his name on the bride and in this most wonderful of all marriages, that is what God does to Israel. He gave us His name. He called us
ISRAEL, which means "a prince with God," or "ruling with God," or in modern terminology "in partnership with God."

When the bride groom bestows his name on the bride, he expects her to honor his name and never bring discredit against it. This is what God expected of His Israel bride. He warned her of the severe penalties which would come if she were unfaithful. In the 3rd Commandment, the Husband warned against "Taking His name in vain." How careless, we of Israel have become on this Commandment.

While we do not find the word "divorce" in the Marriage Contract, it can be found in Jeremiah 3:8 (this entire chapter deals with the legal position of a divorced wife.) "And I saw, when for all causes whereby backsliding Israel committed adultery: I (GOD) PUT HER AWAY, AND GIVEN HER A BILL OF DIVORCEMENT . . .." (Emphasis mine.)

In Isaiah 50:1, a statement of God, addressed to Israel in the Isles of the Sea, asks: "Where is the bill of your mother's divorcement, whom I have put away?" Hosea 1:9 - "... for ye (Israel) are not my people, and I will not be your God." Hosea 2:2 -for she (Israel) is not my wife, neither am I her husband."

Then in Ezekiel 23, we have a graphic description of the adulteries of both Israel and Judah. But it was the Northern ten tribed Israel, which was divorced; nothing is said anywhere in Scripture about God divorcing Judah and there is a good reason given. Read the 18th and 19th chapters of Jeremiah. Chapter 18 likens Israel to a "lump of clay" in the hands of the Potter. He can reform her and remold her, until she becomes eventually, a vessel which pleases Rim. But in chapter 19, the Southern Kingdom is likened to a bottle which cannot be repaired and which will be utterly destroyed - broken into so many pieces it cannot be put together again. Vs. 11 tells the prophet to break the bottle in the sight of the Judah people and declare: "... Even so will I break this people and this city (Jerusalem), as one breaketh a potters vessel, THAT CANNOT BE MADE WHOLE AGAIN . . .." Then read Malachi 1:2-4).

In Ezekiel 37, we learn that broken Judah, not those we today know as Jews, will merge with the House of Israel and will become one people again.

Then a wonderful revelation, restoration is promised for backsliding Israel. In Hosea 2:14, 19, 20, 23 - speaking now of Israel, we are told: "behold, I will allure her, and bring her into the wilderness." That word "allure" in Hebrew is "pathah", which means: "to open; make room for." In other words, God was saying: "I will make room for Israel in the wilderness." Another meaning of this word is to "entice," or "persuade." So God persuaded--His people Israel to come to the wilderness area of North America. Our founding fathers understood this. The sermons of the early colonial preachers indicates this. They were full of allusions to our Israel background. This is why they could write the hymn we still sing in some of our churches:

"Ye chosen seed of Israel race,
Ye ransomed from the fall;
Hail Him who saved you by His grace,
And crown Him, Lord of ALL."

You see, these men knew who they were! This is why they could face the terrors of the unknown wilderness, because they KNEW that God had brought them here to the Promised Land.

The book of Hosea, next to John 3:16, contains the most wonderful love story of all time. It is the story of God's wonderful love for his adulterous wife, Israel. How He divorces and chastens her for sin, yet in great love ultimately purifies and saves her. Listen as Hosea speaks in 2:19, 20, 23 - "And I (God) will betroth (marry) thee, (Israel) unto me forever; yea, I will betroth thee unto me in righteousness, and in judgment, and in loving kindness, and in mercies. I will even betroth thee unto me in faithfulness, and thou shalt know the Lord. I will have mercy upon her (Israel) that hath not obtained mercy; and I will say to them which were not my people (cast off Israel, not the Jews),
THOU ART MY PEOPLE AND THEY SHALL SAY, THOU ART MY GOD." (Emphasis added.)

Compare this with Hosea 1:9, 10 "... for ye (Israel) are not my people, and I will not be your God; yet the number of the children of Israel shall be as the sand of the sea which cannot be measured or numbered; and it shall come to pass that in the place where it was said unto them, Ye are not my people, there it shall be said unto them; ye are the children of the Living God." Only one people in history have ever lost their national identity and then become known by another name and that is the people of Christendom. Only one people in the world's history have built their laws on the basis of God's Ten Commandments, even though they did not know they were Israel and those are the white people of Christendom. No colored nation has ever been called Christian. Look into every area where white missionary activity has been successful and we see the same sad story. The Christian missionary is forced to leave, possibly by a political upheaval. He is gone for a few years and invariably returns to find most of the converted natives, have reverted to heathen practices. Not one colored nation has ever been filled with the desire to set men free; they still have slaves in Africa and Asia. Not one colored nation desires to send aid when others are caught in a great catastrophe, only the nations of Christendom do this. Why? Because it is an identifying mark of their Israel heritage. It is a mark which sets them aside from every other people on the face of the earth, not as superior, but as "set aside for a special purpose.

This is why the nations of Christendom have always been in the forefront of the desire to be free themselves and free others from the chains of tyranny. They know the truth of their Master's statement when He said: "If the Son therefore shall set you free, ye shall be free indeed." (John 8:36.)

Again in the wonderful 54th chapter of Isaiah, we read: "For the Lord shall call thee (Israel) as a woman forsaken and grieved in spirit, and a wife of youth... for a small moment have I (God) forsaken thee; but with great mercies I will gather thee." No my Israelite friend. America is not going to be completely destroyed, no matter what the religious charlatans say to the contrary. She will no doubt be greatly humbled, but those of us who remain faithful and who are still alive, are going to see some great things happen in the very near future, which will be comparable with what our God did for our forefathers in Egypt. He WILL NOT FORSAKE HIS OWN!

The New Testament ratifies and confirms the teaching of the Old Covenant regarding this restoration. Read carefully the Parable of the Ten Virgins in Matthew 25, where Jesus represents the bridegroom, coming to marry His bride - not the church - but true Israel. Read the story of the King's son in Matthew 22, as He comes to marry Israel.

The Israel nation, cleansed and purified, washed white as snow by the blood of her Savior and Messiah, is the bride of Christ the King, while as we have said before THE CHURCH IS HIS BODY. (Ephesians 1:22, 23.)

For a period of about 400 years, Israel acknowledged God as King. Then in the days of Samuel, due to the corrupting influence of the Judges who "turned aside after lucre (money), and took bribes, and prevented judgment," (1 Sam. 8:3), the people demanded a king so they could be like the nations surrounding them.

They forgot who they were and who was their rightful leader. They did the same things which the nations of Christendom are doing in the 20th Century. Their Theocracy was repudiated by the people and Saul was crowned king, even though Samuel warned the people of what would happen. In 1 Sam. 8, we read how Samuel warned them how the king would take their sons into his army to fight his wars. How he would use their daughters; how he would confiscate the best of their fields and vineyards and would tax them to maintain his high standard of living, but in verse 19 we read: "Nevertheless the people (Israel) refused to obey the voice of Samuel, and they said: 'Nay; but we will have a king over us.'" Isn't this what we have done in the 20th Century? The founders of our country gave us a glorious Republic. It is said that as our leaders left their legislative chambers after ratifying the Constitution, a woman asked aging Benjamin Franklin what kind of a country they had
given us. He was reported to have replied: "A Republic, madam, if you can keep it!" We haven't
done a very good job of keeping this a Republic and today we find ourselves entangled in a
Socialist Democracy, one short step removed from a totalitarian dictatorship, where the things
Samuel warned against will happen to us. We have already seen our sons confiscated by a Godless
government to die in two no-win wars; we have seen the government rob our farmers of their land;
we have seen how they are drowning us in taxes and a sea of red ink, yet the good people of this
country, for the most part - the White Israelite people - have remained silent, as this country of ours
has been taken over by anti-God aliens.

But just as in the time of our forefathers, when the people rejected His leadership, God did not
abdicate. He is still King today, no matter what the rulers of the world may say, or how badly His
subjects act. In Ps. 2:2-4 we read: "The kings of the earth set themselves, and the rulers take counsel
together against the Lord, and against His Anointed, saying: Let us break their bands asunder, and
cast away their cords from us. He that sitteth in the heavens (God Almighty) shall laugh: the Lord
shall have them in derision." ("Derision," Heb. "la'ag", meaning: "to deride; mock, scorn.") So in
spite of Israel's sin against their God, He appointed as His Governor General, the man who was to
be king and declared a Covenant with this man which was to extend through each generation that
followed, in perpetuity (forever.) (See 1 Chron. 29:22.) All the king's of David's line, since that day,
regardless of their conduct - and there have been some bad ones - have been God's Chief Governor
over Israel. All of Britain's monarch have ruled "By the grace of God," as is acknowledged on all
their coins and official documents.

This covenant made by God with David, as outlined in 2 Sam. 7:4-17, was absolutely
UNCONDITIONAL. It said: "Thine (David's) house and thy kingdom shall be established forever
before thee; thy throne shall be established forever."

The succession of this line of Davidic rulers was guaranteed by God. It does not change or alter the
Abrahamic Covenant, but merely enlarges it and it will remain, in spite of all the scoffing of the
pastors and Bible scholars who said that David's line ended with Zedekiah in Babylonian captivity.

The extension of this marvelous promise, which effects you and I today, can be found in 2 Samuel
7:10 and 1 Chron. 17:9. It says in 2 Samuel: "I (God) will appoint a place for my people Israel, and
will plant them, that they may dwell in a place of their own . . ." 1 Chronicles 17 says "I will ordain
a place." Notice these promises are all in the future, in a different place, than Jerusalem, where
David was residing when the promise was made. These two words "ordain" and "appoint" come
from the Hebrew word "siyn," which means: "to put." It could not possibly have referred to
Palestine. We will consider where this "appointed place" is, later in this book.

Many of the kings who followed David were not faithful to God and both king and people were
severely punished. It is interesting to note here, that the people usually get the kind of a government
they deserve. (Just as today, we cannot blame the people who are in Washington, for the vast bulk of
the AMERICAN PEOPLE ARE TO BLAME FOR THOSE WE PUT IN OFFICE AND ALLOW
TO REMAIN THERE.) One king who sinned against God, was David's grandson Rehoboam and as
a result, the ten northern tribes, called Israel, were taken from him (see 1 Kings 11:11-13; 12:16.)
The last of the Davidic line who ruled in Jerusalem was Zedekiah, 2 Kings 25:1-7.

Since that time, the only legitimate king from David's line, who has been crowned in Jerusalem,
was given a crown of thorns. Some say, that ended David's line, until Christ comes back to rule and
reign as King of Kings and Lord of Lords. But we MUST remember that God's covenant with
David was an "immutable" (unchangeable) covenant. So just because the Bible says nothing about a
king from David's line from 590 BC to the present, many Bible scholars tried to "spiritualize" this
promise. But the phrase "Throne of David," is not a spiritual phrase, it is a literal phrase which
MUST be taken in a literal sense in order to be absolutely honest about it.

While theologians may attempt to "spiritualize" this promise for their own purposes, and twist and
turn it to fit their teachings to say something God never intended it to say, it still remains amazingly
It is often amazing to me, to see the hazy ideas some Christians have when it comes to honoring God. The unfortunate thing is, the "sheep in the pews," often accept the twisted teachings of the shepherd in the pulpits, when with a very little effort on their part, they could learn the truth for themselves. If you were to say to most Christians: "God has broken His promise to David!!" they would be terribly shocked, yet most of them do not understand, or try to understand what God's promises really are!

It is because of this apathy on the part of most church goers, that theologians have said in essence: "God did not really mean what He said!" This is true almost 100% of the time, when we find them trying to "spiritualize" something which was to have been taken "literally." These church leaders have some hazy sort of an idea that the Throne of David was somehow or other transported to heaven when our Lord ascended there in Acts 1:9, and that He has been reigning in heaven ever since. These same characters ("pretenders; quacks; frauds, charlatans") tell us that Israel lost all her promises for future blessings, because they disobeyed God and that these blessings, somehow or other, have been passed on to the church. Of course you can find nothing in the original Covenant to substantiate this kind of thinking. It's something they have added from their vast intelligence.

But if what they say is true, then we find that it contradicts what God actually said. For God's promise to David, states in clear and lucid detail, the fact that God would establish an earthly throne with David's family, over a nation of people called Israel (not Jews). Now none of these church leaders would be stupid enough to say that David ruled over a spiritual kingdom. They would be laughed to scorn by their colleagues. So if God's promise is to be believed, then somewhere, on earth today, we must be able to find a descendent of David, ruling over an established kingdom.

He goes on to say: "A leading Irish historian (whom he fails to identify) has stated: 'This legend of Jeremiah is not asserted by a single scholar in Irish history anywhere.'

"The only support for these legends is in the unreliable CHRONICLES OF IRELAND, which mention an old eastern prophet, but do not supply enough information to identify him as Jeremiah of the Bible. What Identity fails to see is that God did not unconditionally promise David an uninterrupted throne; (compare Olinger's statement with Jeremiah 33:17 - "For thus saith the Lord, David shall NEVER WANT a man to sit upon the throne of the House of Israel." Now who are you going to believe? - AUTHOR.

Olinger continues--his diatribe: "God threatened interruption if the king disobeyed (1 Kings 9:6, 7). (It is interesting to note that these verses have nothing to do with the establishment of the throne, but of what will happen to the people of the kingdom if they disobey - AUTHOR.) In Hosea 3:4, we read: 'For the children of Israel shall abide many days without a king, and without a prince."

Now either we have a contradiction of Scriptures between Hosea 3:4 and Jeremiah 33:17, or we have a misunderstanding of them. Since we know that the Scriptures cannot contradict each other, then it must be the latter. But Olinger then brings in his closing argument, which is meant to clinch things in his favor. He quoted from Acts 15:16 which says: "After this will I return, and build again the tabernacle of David, which is fallen down; and I will build again the ruins thereof, and will set it up." What does the word "tabernacle" mean as used here? Strong's Concordance, #4633, says that it comes from the Greek word "skene," which means "tent, or cloth hut." By no stretch of the most vivid fundamental imagination can the word "tabernacle" be construed to mean "throne." Yet this is the means by which Godly, scholarly men, attempt to twist the Word of God, to fit their own interpretations.

To make sure that you understand God's UNCONDITIONAL PROMISES to David, let me list the references as given

If this is not true, then the words of the Bible have no meaning and we would have to declare God to be a liar! This is dangerous thinking, since it borders on, if it is not, blasphemy.
If we cannot believe the promises God made to David in the Old Testament, then we have no basis for believing the promises which were to come through Jesus Christ in the New, and we are of all men most miserable in our religious beliefs.

We Identity people, at least for the most part, believe that God "said what He meant and meant what He said." It's as clear as all that!

As you read 2 Samuel 7:18-29, it immediately becomes evident that David believed God too, as we listen as he pours out his heart in praise and adoration to his God: "Wherefore thou art great, O Lord God: for there is none like thee, neither is there any God beside Thee . . . and what one nation in the earth is like thy people, even like Israel, whom God went to redeem (see Matthew 15:24) for a people unto Himself, and to make Him a name . . . For thou hast CONFIRMED (Hebrew - "kuun" meaning: "to set up; prepare; fashion; ordain.") to thyself thy people Israel to BE A PEOPLE (not a church, but a nation) UNTO THEE FOREVER: AS THOU LORD, ART BECOME THEIR GOD." (Emphasis added.)

Those who scoff at this idea may say: "Where is that throne now?" In the article from Bob Jones University, which we discussed earlier, Mr. Olinger, said: "British-Israelism maintains that since God promised David a throne that he should rule forever, his line must have continued elsewhere after the fall of Jerusalem. Hence the LEGEND about Jeremiah." (Here he is slightly referring to Irish historical records, which show that Jeremiah and his scribe Baruch, with the daughters of King Zedekiah, came to Ireland from Egypt and married into early Irish royalty.) Olinger evidently refuses to believe these records, although he is willing to accept Egyptian and Assyrian records which are thousands of years older. It is quite obvious why? because the Egyptian and Assyrian records confirm that what he wants to believe, while the Irish records do not!

He goes on to say: "A leading Irish historian (whom he fails to identify) has stated: 'This legend of Jeremiah is not asserted by a single scholar in Irish history anywhere.' "The only support for these legends is in the unreliable CHRONICLES OF IRELAND, which mention an old eastern prophet, but do not supply enough information to identify him as Jeremiah of the Bible. In Hosea 3:4, we read: 'For the children of Israel shall abide many days without a king, and without a prince . . .'

Now either we have a contradiction of Scriptures between Hosea 3:4 and Jeremiah 33:17, or we have a misunderstanding of them. Since we know that the Scriptures cannot contradict each other, then it must be the latter. But Olinger then brings in his closing argument, which is meant to clinch things in his favor. Yet this is the means by which Godly, scholarly men, attempt to twist the Word of God, to fit their own interpretations.

To make sure that you understand God's UNCONDITIONAL PROMISES to David, let me list the references as given by Mervyn Judge, in Chapter Thirteen in his book MAN THINKING! These are only "key" verses and the entire chapter should be read in every instance:

"I will set up thy seed after thee . . ." 2 Samuel 7:12.

"Establish the throne of thy kingdom forever . . ." 1 Kings 9:5; 1 Chron. 17:12-14.

"There shall not a man fail thee to sit on the throne . . ." Jer. 33:17.

"David, a prince forever . . ." Ezekiel 37:25.

"I have sworn unto David . . ." Psalm 89:3.

"Build thy throne for all generations . . ." Psalm 89:4.

"His throne as the days of heaven . . ." Psalm 89:29.

"My Covenant will I not break . . ." Psalm 89:34.

"I have sworn, I will not lie to David . . ." Psalm 89:35.

"His seed forever . . ." Psalm 89:36.

"Throne established forever . . ." Psalm 89:36.

"According as I have covenanted with David . . ." 2 Chron. 7:18.

"Then may my covenant with David be broken . . ." Jer. 33:20-26.

"Throne of the kingdom of the Lord . . ." 1 Chron. 28:5.

"Solomon anointed as Chief Governor . . ." I Chron. 29:22.

"David's House and Kingdom are Mine . . ." 1 Chron. 17:14.

Folks, all these Scriptures are clear and understandable and are "unimpeachable" witnesses for the defense, that David's throne, family, and kingdom will endure as long as the sun, moon and stars last. If this throne and kingdom cannot be found on earth today, then these words have no meaning. Yet men like Olinger say: "It is impossible that this line should have continued uninterrupted in
WHO ARE YOU GOING TO BELIEVE?

An honest study of the Scriptures, which will take Scripture as it stands and does not try and change it in any way, will bring you face to face with this truth. "The Israel kingdom is on earth today; it is still God's kingdom; it still has a ruler from David's family line, and IT IS NOT THE JEWS!"

If you will carefully and prayerfully read the verses that Mr. Judge has laid out, an honest student can come to only one conclusion, that is that the Israel Kingdom still exists and that a descendent of David has always sat on its throne and that they will remain there, no matter what happens, until Jesus Christ, David's Greater Son, comes back to take charge as King of Kings and Lord of Lords. HALLELU'YAH!

If God's Word is true? AND WE KNOW IT IS! Then what happened to this Israel kingdom and its throne from the time of the last Bible account to the present, must be recorded somewhere. We know that very little is said about it in the New Testament.

There are some hints however. The Apostle James addresses his Epistle to "...the twelve tribes which are scattered abroad." (James 1:1). (He was not speaking about Talmudic Jews.) Peter addresses his Epistle to "the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia and Bithynia." (These areas were all to the north and west of Jerusalem and were areas where the bulk of Israel could be found.)

Why do you suppose it was, that the Holy Spirit prevented Paul and Silas from preaching in Asia? (Acts 16:6). Instead they went into Asia Minor to Macedonia.

We know from recorded Bible history that David's house ruled over the twelve tribes of Israel for about 70 years (1 Chron. 29:27; 2 Chron. 9:30; 2 Sam. 5:4, 5.) Then came the revolution against David's grandson Rehoboam, as recorded in 1 Kings 12, where the ten northern tribes broke away from Judah and Benjamin, and set up the Kingdom of Israel in the north. From that time on, Judah and Israel are always listed separately in the Scriptures. They are NEVER called by the same name. Most of the kings who served Israel were "adventurers"; and "military opportunists"; none of them were related to David's family. None of them operated under the Davidic Covenant.

During this period, and for about 400 more years, David's line held the sceptre in the smaller Kingdom of Judah, with its capitol in Jerusalem. Finally, after years of sinning and straying from their God, Judah was taken captive into Babylon (see 2 Kings 25:6, 7; Ezekiel 12:13.)

Here, for all Scriptural references, David's line ended. It became obvious that the King of Babylon believed Zedekiah and his sons were the last of the Royal Davidic House. But if God's word is true, and we know it is, then we must look to secular history for our answer. When the Covenant between God and David said that David would never lack a "man, to sit on his throne," it was used in the "generic" sense, applying to both men and women, or child, depending on how it was being used.

Chapter XI

THE APPOINTED PLACE!

In 2 Sam. 7:10, in the very middle of God's word to David concerning the Great Unconditional Covenant He was making with David, we find an interesting and extremely important verse which most pastors and Bible scholars completely overlook. This 10th verse is made up of five parts:

1 - "I will appoint a place for my people Israel."

2 - "I will plant them there."
3 - "That they (Israel) may dwell in a place of their own."

4 - "They shall move no more."

5 - "The children of wickedness (refer to Malachi 1:2-4) shall afflict them no more as beforetime."

When this promise was made with David, all twelve tribes were dwelling in the Land of Palestine. It was the first time in 40 years that David had a period of great peace and unheard of prosperity. Everything was going as the king wanted it to go. Then in midst of this prosperity and peace, God speaks to David through the prophet Nathan in 2 Samuel 7:10. Verse 1 says: "... the king (David) sat in his house, and the Lord had given him rest round about from all his enemies." "He had it made," as we say today. But the king's conscience bothered him a bit. When he looked at all the blessings God had given to him, he said: "... See how I dwell in a house of cedar, but the ark of God dwelleth without curtains." David wanted to build a special house for God's ark of the covenant.

That night Nathan had a dream in which God spoke to him: "Go tell my servant David ... Shalt thou build a house for me to dwell in?" He then went on and mentioned how He had never dwelt in a building of any kind since the day He had brought Israel out of Egypt. God said that at no time had He told His people to build Him a house of cedar. Then He gave Nathan a special message for David in which He said: "I took thee (David) from the sheepcote, from following the sheep, to be the ruler over my people, over Israel. I was with thee withersoever thou wentest, and have cut off all thine enemies out of thy sight, and have made thee a great name, like unto the name of the great men that are on the earth." Then God gave David this marvelous future promise for the Israel people in vs. 10 - "Moreover, I WILL APPOINT (future) a place for my people Israel, and will plant them, that they may dwell in a place of their own (not Palestine), and move no more; neither shall the children of wickedness afflict them any more as beforetime." Before we go on, let's see what Malachi has to say about "the children of wickedness," Mal. 1:2-4 - God speaking to Israel: "I have loved you, saith the Lord, Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the Lord, yet I loved Jacob, and I hated Esau, and laid his mountains and his heritage waste ... Whereas Esau saith, We are impoverished, but we will return and build the desolate places: thus saith the Lord of hosts, They (Esau/Edom/Jewry) shall build, but I will throw down; and they (Israel) shall call them, The borders of wickedness, and, The people against whom the Lord hath indignation forever." Can't you see the connection? It's very plain!

But go back to verse 10 and God's promise to David. Notice that it is in the future tense and in a different place from where David resided at that time. Where is that place? Quite obviously it was not in Old Palestine, because they were there when the promise was given. Does this do away with the original promise God gave in Genesis 13:17 concerning the land in the Middle East? Of course not! This promise made to David was an enlargement on the original promise. If Abraham's seed was to enlarge itself to the point where there were hundreds of millions of them, like the "sand of the sea," which was an illustration of their numbers, they obviously would not have had room for this vast number in the original grant. So the Davidic promise added to the original and gave them vastly more than they had at first. Remember that God told Abraham that his seed should "spread abroad to the west, and to the east, and to the north, and to the south ... The promise was that this new home would be a permanent one, from which they would never move and where they would be safe from their enemies.

It is also interesting to note that none of the Davidic promises have ever been fulfilled by the people we now call Jews, and we must remember that if there are any "true Jews" in existence today, they are very small in number and cannot be accurately identified as such. These do not in any way represent Israel.
So in looking for the fulfillment of this marvelous promise, we must look at what happened to ancient Israel when she went into captivity in Assyria. The Bible tells us that ALL Israel went into Assyrian captivity, plus a large number from Judah.

The restoration of the captive nation of Israel in the future, was foretold in many places in prophetic Scripture and not one of these has anything to do with some future reunion between Israel and the people we call Jews. (Judah yes, but not Jews.) In no place in Scripture can you find where God ever gave the Jews an Appointed Place to live, or a land of their own where they would be free from oppression. They were to be a wandering people, who would be hated everywhere they went, because of their aggression against God and their fellowmen.

Because of this, the word ISRAEL, as used in Nathan's promise, could have nothing to do with the people we now know as Jews. (As a matter of fact, there were no people called Jews in existence at the time when this prophesy was made. They did not appear on the Bible scene until 300 years later, when in 2 Kings 16:6, we find them fighting against Israel.)

In Isaiah 11:11, 12 and Ezekiel 37, we find a plain reference to a future regathering of all 12 tribes of Israel, from both the House of Judah and the House of Israel. Therefore the first gathering would be in the "appointed place," of 2 Samuel 7:10.

Is it possible for us to learn where this Appointed place is located, from Scriptures? Most Bible scholars say "no", mainly because they do not want to locate it. If they change the location from Palestine, to the New World, then they must admit they are wrong regarding their obsession with the people we now call Jews. This most of them refuse to do! Let's see what the Scriptures have to say. In Hosea we are told that this place will be located in the "wilderness." In chapter one and two of this little prophetic book, we learn that God will "allure" Israel to this place and speak "comfortably" to her. The English word "allure", as used here, comes from the Hebrew word "pathah" which means: "to entice; persuade." It is used only twice in the entire Bible, once in this passage and again in 2 Peter 2:18, where it is used in a completely different sense and means "to entrap or beguile." The English word "comfortably," as used here, comes from the Hebrew word "leb" which means: "speak to the heart in a friendly manner." This will occur to Israel after she migrates to her new land. It becomes evident (rom Jeremiah 31:1, 2, that the prophet is referring to this place when he says: "The people which were left of the sword found grace in the wilderness."

In Isaiah 42:10-12, we find where the inhabitants of this new land will be singing a new song unto the Lord and verse 10 tells us that these will be". . . ye that go down to the seas and ALL that is therein: the ISLES and the INHABITANTS thereof." In Isaiah 41:1; 11:11;24:14-16;42:10;49:1 we see where these Isles are far from Old Palestine. In 49:12 we are told that these Isles lay to the north and west of Palestine. (There is no Hebrew word for "northwest.") (In relation to this, read Isaiah 59:18; 60:9; Jeremiah 31:10; Rev. 12:6, 14; Numbers 23:9 and Deuteronomy 33:28.)

In Revelation we read where the Appointed Place is a place of security which has been prepared for the safety of the woman, Israel, as she flees into the wilderness and where she will be safe and be nourished.

So it becomes evident, from an honest study of Scripture; that the Appointed Place is North and West of Palestine, at a far distance and that it will be an uninhabited wilderness; that the people who arrive there will sing a new song unto the Lord and that the nation will obviously be Christian. (Of course these exact words were not used in the Old Testament, since there were no people at this time known as Christian."

In the marvelous 41st Chapter of Isaiah, we see where the people will "renew their strength" in the Isles, as they are on their way to the Appointed Place. This is exactly what happened to our Anglo-Saxon and kins people. In the 16th century, during the reign of Queen Elizabeth in England, there were only about 4.5-million Anglo-Saxons on earth. In 400 years they have renewed themselves" to
the extent that there are now well over 200-million. The British Isles became a haven of safety for these people. Mighty Rome could not conquer it; Catholic Spain was unable to take it and God spared Britain with a miracle, when Adolf Hitler was unsuccessful in his attempt to cross the English channel during World War II. Have you ever asked yourself what made Hitler change his mind regarding the invasion of England and call it off? I believe it was the working of God, as once more, He protected His Israel people.

I believe we will see an attack against Israel once again, possibly in the very near future by the Gog and Magog of the Communist world, as pictured in Ezekiel 38, 39 and that they will suffer a humiliating and disastrous defeat. (For further information of these exciting and important Scriptures, write for my book A NEW LOOK AT EZEKIEL 38 and 39.)

While the British Isles and North America have been relatively free of war, Palestine has turned into one of the worst battle grounds of the world. More battles have been fought there than on any other spot on earth. When General Allenby, an Israelite general delivered Jerusalem from the Turks in 1917, it was the 23rd time in that city's history that it had changed hands.

In ancient Irish prose, translated from the Celtic by Sir Walter Raleigh, we read these fascinating words:

"Unless the fates are faithless frown, And prophets voice be vain, Where 'er is found this Sacred Stone, The Wanderer's Race shall reign."

This verse is over 2400 years old and of course it refers to the Coronation Stone, which resides under the Coronation chair in Westminster Abbey, London, and on which all the monarchs of Britain have been crowned. It is an oblong block of reddish sandstone, weighing about 350 pounds. It is approximately 26" long, nearly 11" deep, and about 16" wide. It was fitted into the Coronation chair in 1296 AD when it was first brought from Scotland by Edward the First. From that time on, with the exception of the reign of the Catholic monarch, Mary Tudor, every British king and queen has been crowned sitting in this chair.

What is the significance of this piece of sandstone? Dan Olinger in his article in FAITH FOR THE FAMILY, pokes fun at British tradition, when he states: "Prof. A. C. Ramsey of the Geology Department of London University inspected the stone and identified it as a calciferous sandstone probably of Scottish origin. The stone around Bethel, where Jacob got his pillow, is white limestone; the nearest red sandstone is 100 miles away in Petra, Edom. So the heritage of the Coronation Stone, while fascinating, is certainly not of Israelite origin." (He does not identify his authority for this dogmatic statement.)

But E. Raymond Capt., M.A., A.I.A., F.F.A., Scot. A well-known authority and a member of the Archeological Institute of America, says in his book JACOB'S PILLAR, p.57 - (quoting from CERTAIN MONUMENTS TO ANTIQUITY, by Weaver, p.118) - "Dean Stanley, one-time custodian of the stone, in his book MEMORIES OF WESTMINSTER ABBEY, sums up the historical importance of the stone in these words: 'It is the one primeval (of earliest origin) monument which binds together the whole Empire. The iron rings, the battered surface, the crack which has all but rent its solid mass asunder, bear witness of the English Monarchy - an element of poetic patriarchal times, which like Arumah's son (2 Sam. 24:16) rocky threshing floor in the midst of the Temple of Solomon, carries back our thoughts to races and customs now almost extinct; a link, which unites the throne of England with the traditions of Tara and Iona."

I have never seen this stone, but those who have, tell me that it is of a steely-dull, purplish color, with some reddish veins. It is composed of carcareous (resembling calcite or calcium carbonate) sandstone and imbedded in it are a few pebbles; one of quartz, and the other of some dark material. It is formed roughly in the shape of a pillow. Across its surface appears a crack and some chisel marks are still visible on two sides. (There are some Bible scholars who believe that Jacob slept that night in a rock quarry and that his pillow was
made up of one of the rocks that the builders had rejected. (Compare with Luke 20:17.) It appears as though this stone had been prepared for building and then had been rejected, possibly because of the crack in its surface. There are two iron rings of some rust resistant metal, one at each end of the stone. They hang from eyes of similar metal, which have been driven into the stone. The rings indicate that porter poles were once used to carry it. When turned up, the rings protrude above the surface of the stone, allowing two persons to carry it with shoulder poles.

There is a groove across the top which is clearly the result of friction from a single pole, which has worn away the stone and indicates an enormous amount of carrying. The metal rings are also worn thin from much use.

British, Scotch and Irish historical records locate this stone at Tara, Ireland, at least 500 years before Christ. It was transported to Scotland in 498 AD by King Fergus the Great and was finally moved to Westminster Abbey in 1296 AD. The moving of the stone during British times, could not account for the wearing of the stone and rings.

While Olinger claims there is no such rock in the Bethel area, let's listen to a real expert, an eminent professor of Science at Yale University, Professor Totten. After a close examination of the Coronation Stone, he said: "The analysis of this stone shows there are absolutely no quarries in Scone or Iona wherefrom a block so constituted could come, nor from all Ireland."

Prof. Odium, a geologist and professor of Theology at a Ontario, Canada University, also made a microscopic examination of the stone, comparing it with similar stones from Scotland and found them distinctly dissimilar. After a determined search in Palestine, he discovered a stratum of sandstone, near the Red Sea, at a place called strangely enough, "Bethel." Geologically, this was the same material from which the Coronation stone came. A microscopic test was made and it proved, beyond the shadow of scientific doubt, that the Coronation Stone, came from this same material. So much for doubters like Olinger.

But why is all this importance given to a piece of rock?

Irish record, legend and tradition say that this unusual stone arrived in Ireland over 1,000 years before it found its final resting place in London. It was known as LIAFAIL, the STONE WONDERFUL, or THE STONE OF DESTINY. It arrived in Ireland, according to ancient Irish historical records, when an aged Eastern Prophet, accompanied by his secretary, and a Hebrew princess named Tea Tephi, were shipwrecked off the coast of Northern Ireland in 583 B.C. Some five years earlier, in 588 BC this same prophet, Jeremiah, with Baruch his secretary and the daughters of King Zedekiah, the last of David's line, had escaped from Jerusalem to Egypt. (see Jeremiah 43:6.)

When the ship bearing Jeremiah and his party was wrecked in 583 B.C. they were rescued by the Irish and welcomed by the Irish king named Eponchaidh the Erman. Who was later crowned on the STONE OF DESTINY. According to Irish historical records, he married Zedekiah's daughter Tea Tephi and the capitol city of Cathair, was renamed TARA, which is the Irish translation of the Hebrew word TORAH, or LAW. In England, this stone is now popularly known as JACOB'S PILLOW.

While we know this stone has been in the British Isles for at least 2500 years, it has not been moved enough to wear the rings in the stone, which show much moving. Rev. Dean Stanley, in his MEMOIRS OF WESTMINSTER ABBEY, says: "The iron rings, the battered surface, the crack which has all but rent its surface, bears witness to its long migration."

Evidently, when Nebuchadnezzar of Babylon, looted the temple in Jerusalem in 558 B.C. he overlooked this rough appearing stone, not realizing its importance. While we have no actual record of it, yet it was evidently carried to Egypt by Jeremiah (Jer. 1:7-19; 43:6, 7; 44:14-28) and then carried by him to Northern Ireland, when he escaped from Egypt.

The Coronation Stone is the visible, physical symbol of the Throne of the House of David, which
God declared would last forever and this is one of the reasons its detractors will do everything possible to make it appear as a fake. It completely neutralized any Jewish claim to the throne. It has been overturned three times as prophesied in Ezekiel 21:27. First when it left Palestine for Ireland; second, when it left Scotland for England and it will be overturned one more time, when Jesus Christ comes back soon, to reign as King of Kings, and Lord of Lords and to claim His rightful place on the earthly throne of David: ". . . and it shall be no more (overturned), until He come, whose right it is; and I (God) will give it to Him."(Ezekiel 22:27.)

It was evidently this same stone which Joshua set up as a pillar by the sanctuary, in Joshua 24:27 - "And Joshua wrote these words in the book of the law of God, and TOOK A GREAT STONE, and set it there under the oak, that was by the sanctuary of the Lord. And Joshua said to all the people, Behold this stone shall be a witness unto us: for it hath heard all the words of the Lord which He spake unto us; it shall be therefore a witness unto you, lest ye deny your God."

On Davenish Island, in Lake Erin, four miles below the town of Enniskellen, Ireland, is an ancient cemetery in which can be found a tomb, made out of solid rock, in which the remains of Jeremiah are buried. He was known in old Ireland as Ollar Falla, which means the Hebrew prophet. He established in Ireland, the Law given to Israel by God, through Moses. THIS IS OUR HERITAGE!

**Chapter XII**

**ISRAEL COMES TO THE ISLES**

There is much evidence that Israelites first came to the British Isles in very early times. Isaiah 24:15 indicates that God would glorify His people Israel in the Isles of the Sea, listen to these words: "Wherefore glorify ye the Lord in the fires, even the name of the Lord God of Israel IN THE ISLES OF THE SEA." (Emphasis added.)

It seems wonderful to me, that we as a Christian nation, can approach God and know the truth of Romans 8:29, 30 - "For whom He did foreknow, He also did predestinate, to be conformed to the image of His Son, that He might be the firstborn among many brethren. Moreover, whom He did predestinate, them He also called, them He also justified; and whom He justified, them He also glorified."

There is no key which will unlock an understanding of the Scriptures, more than the knowledge that the promises of God are "sure" and that we, the Anglo-Saxon and related people's are God's ancient people of Israel. I cannot understand this, any more than I can understand how God took an old reprobate like Jack Mohr and made him a watchman on the walls of Israel-America. But He did and I thank Him for it every day. By a like token, I cannot understand how the Nations of Christendom can be the Israel of Scriptures, but I believe it, because they bear all the "fingerprints," all the "identifying marks" of Scriptural Israel and because God has promised this.

Once you understand this, you will be filled with a deep humility. It will not be a "holier than thou" attitude, of this I can assure you. It will be a humbling experience, for you will then realize the tremendous responsibility we Israelites have, to fulfill God's will in our lives and in our country, so as to bring blessings to the rest of the world.

It is very probable, that not one Christian out of a thousand has ever heard of the SONNINI
MANUSCRIPT. This document professes to be the concluding portion of the Acts of Apostles. It gives an account of Paul's journeys, after his two years enforced residence in Rome. It is written in the same style as Acts, and reads like a continuation of that book. It was found in a copy of "Sonninis Travels in Turkey and Greece," and was purchased at a sale in the library of the Right Honorable Sir John Newport, in Ireland. Along with this, was a document from the Sultan of Turkey, granting C. S. Sonnini permission to travel in all parts of the Ottoman (Turkish) Empire.

The document on the lost chapter of Acts, was presented to Sonnini by the Sultan and was translated from the original Greek. This manuscript was found in the archives of Constantinople and was translated in 1801. Here are a few of the excerpts from it:

Vs. 1 - "and Paul, full of the blessings of Christ, and abounding in the spirit, departed out of Rome, determined to go to Spain, for he had a long time purposed to journey thitherward, and was minded also to go from thence to Britain." (Compare this with Rom. 15:24, 28.)

Vs. 2 - "For he had heard in Phonecia that certain of the children of Israel, about the time of the Assyrian captivity, had escaped by sea to the isles afar off, as spoken by the prophet, and called by the Romans, Britain.

Vs. 3 - "And the Lord commanded the gospel to be preached far hence to the Gentiles, and to the lost sheep of the House of Israel." (See Acts 22:21; 9:15.)

Vs. 4-6 gives a brief account of Paul's preaching in Spain. Then verse 7 says that Paul sailed for Britain and vs. 8 tells how he was greeted courteously by a great multitude when he landed there.

Vs. 9 - "And on the morrow he came and stood upon Mount Lud (Ludgate Hill, the present site of St. Paul's Cathedral) and the people thronged at the gate, and assembled in the broadway, and he preached Christ unto them, and they believed the word and the testimony of Jesus."

Vs. 10-12, Gives Paul's prophecies for the latter days, culminating in Christ's return.

Vs. 13 - "And it came to pass that certain of the Druids (British native religious priests) came into Paul privately, and showed by their rites and ceremonies that they were descendants from the JUDEANS which escaped bondage in the land of Egypt (this would have been about 1491 B.C.) and the apostle believed these things, and he gave them the kiss of peace."

It is interesting to note that Eusebius, Bishop of Caesarea (313-338 A.D.) said: "Some of the apostles passed over to the British Isles,"

Theodoret, Bishop of Cypecus in Syria, states that he believed Paul visited Britain, after spending two years in "house arrest" in Rome.

In the city of Sandwich, Kent, England, is an old house called "the House of the Apostle." Tradition has it that Paul stayed here.

It is also interesting to note that Paul's prediction: "nation's shall come to worship on the mount," came true in the form of the magnificent church which now stands on this site.

It is also interesting to note that in Vs. 10, Paul was supposed to have predicted: "Behold in the last days, the God of peace shall dwell in the cities and the inhabitants thereof shall be numbered; and in the seventh numbering of the people, their eyes shall be opened, and the glory of their inheritance shall shine forth before them . . ."

Some skeptics, such as Olinger, will no doubt say: "This is a fake document someone made up to try and prove their point of view. But let me state that the Sonnini document was translated in 1801 and the seventh numbering of the British people took place in 1861. The first numbering of Britain, "census" was in 1801, with 16,237,300 people recorded. The second was in 1811 with 18,509,116; the third was in 1821, with 21,272,187; the fourth in 1831 with 24,392,485; the fifth in 1841 with 27,958,143 and the sixth in 1861 with 29,571,644. It was during the late 1860's and the early 1870's, that the people's eyes began to be opened and the Anglo-Israel Movement began.
While you may not choose to believe this ancient document, its tone is spiritual and it has a remarkable characteristic of prophetic utterances and its character is purely gospel with no hint of heresy of any kind. Could it be that the reason fundamental and evangelical scholars refuse to accept these ancient British and Irish documents is because they refute their theory concerning the Jews, and thus their entire prophetic dispensational concept?

Chapter XIII
WHO WERE THE DRUIDS?

Many historians in recent years have tried to downgrade Anglo-Saxon history by referring to early Britons as "Naked, painted savages." But the records of Julius Caesar, show them to have been a highly educated, intelligent people, with a strong spiritual belief and an unquenchable love for freedom. There were ancient universities in Britain, that had been there hundreds of years before the Romans invaded the islands.

In many places in Britain, one can find the sites of "pre-Christian" fire altars. They are always on the summit of a hill, reminding us of the Old Testament places of heathen worship. In England, the Druids worshiped the sun and it is not uncommon today, to find English churches built on the summit of a hill. (The name Churchill comes from this association.)

As the Christian faith began to replace the former pagan worship of the Druids, the places of Druid worship were often taken over by Christian churches.

The Bible throws a great deal of light on the worship of "pre-Christian" times. The existence of these "high places" reveals pagan idolatry and tie in the British with the backsliden Israelite tribes who practiced the same kind of worship. (See Numbers 22:41; Deut. 12:2; 1 Kings 14:23; 2 Kings 16:4.)

After the death of Joshua, about 1400 B.C., Israel was already turning to idolatry, even before they entered the Promised Land of Palestine. There were some restoration under David and Solomon and towards the end of Solomon's forty year reign, we read: "For it came to pass when Solomon was old, that his wives turned away his heart after other gods . . . For Solomon went after Ashtoreth the goddess of the Zidonians (this is where we get our Easter celebration) and after Milcom, the abomination of the Ammorites. And Solomon did evil in the sight of the Lord . . . Then did Solomon build a HIGH PLACE to Chemosh, the abomination of Moab, in the HILL which is before Jerusalem.

It was this spiritual decline which led to the corruption of God's people, so that by the time Ahab became king (874-857 BC) a large body of Baal priests were maintained by the king and queen. (See 1 Kings 16:30-33.)

While there was a partial turning to God, after the Prophet Elijah destroyed the priests of Baal as recorded in I Kings 18:40, Israel never completely returned to God and this precipitated their overthrow and captivity by the Assyrians in 722 BC. (2 Kings 17:6-23.)

Some scholars believe that Israel returned to the true worship of God, on their trek through Northern Europe to THE APPOINTED PLACE. I personally doubt this, although there is some evidence of Israelite worship found in the monuments which are scattered along their route of march. Who would have taught them regarding the true religion? Hosea 3:4, 5, prophesied "For the children of Israel shall abide many days without a king, and without a prince, and without a sacrifice, and without an image, and without an ephod, and without a teraphim: afterwards shall the children of Israel return and seek the Lord their God."

In Ezekiel 36:20 we learn further about Israel among the heathen: "... wither they went, they
profaned my holy name, when they said to them (the heathen), these are the people of the Lord. In verse 24 we read how God would gather Israel from among the heathen and "I (God)... will bring you into your own land." (THIS WAS NOT TO BE OLD PALESTINE, BUT THE APPOINTED PLACE.)

This was to be fulfilled as Israel, moving north and west, as a nation, would embrace Christianity and become His witnesses throughout the earth. A greater fulfillment of this prophecy is yet to take place, (see Jeremiah 31:31-33.)

As we study more about ancient British Druid worship, we still find vestiges of the Old Testament faith. While idolatry was at the heart of their worship, the outward form had been changed to confirm to man's desires. Just as much of modern Christianity has been changed from the Apostolic faith, so man can "do his own thing," so the Israelite worship in the Isles had changed and Druid worship was a religion of compromise with the old faith.

The religious orders found in Druidism were similar to the religious orders of God's Israel people. There was a Chief Druid or "High Priest," who presided over the temple ceremonies. There were "officiating druids" similar to the Levites; there were "Musicians and singers," just as there were in ancient Israel.

The British Druids were influential people who often served in the homes of British nobility. Both Hebrewism and Druidism had a breastplate for the High Priest, which were almost identical. Each has a similar priesthood. Each priesthood was exempt from taxation and military service. Both taught the Mosaic record of creation, of the fall of man, and of a coming Messiah. In fact, Druid worship was similar to Hebrewism in some of its basic aspects, that it became easy for these Israelite people to see the truth in Christianity and accept it.

Julius Caesar often said that the strength of these unusual people came because they believed in life after death, although this was not what the Hebrew religion taught. Hebrewism taught that man was a "living soul," not that he was "immortal."

The Bible tells us quite plainly that we are not "immortal," but that we can put on immortality through Jesus Christ (see 1 Tim. 6:16.) Christianity offers us the hope of RESURRECTION and ETERNAL LIFE in Christ's coming kingdom, HERE ON THIS EARTH, not in some nebulous far-off place the seminarians call heaven. (See Job 19:25-27; John 11:25.)

Chapter XIV
WHAT ARE THE LATTER DAYS?

The promises to Israel were to be fulfilled in the "latter days," (Gen. 49:1; Dent. 4:30; Jeremiah 23:20; Hosea 3:5; Ezekiel 38:8.)

Moses speaks regarding Israel (not the Jews) in Dent. 4:30 - "When thou art in tribulation (extreme trouble) IN THE LATTER DAYS."

In Hosea 3:5, we learn that "Afterward (a long period of not knowing who they were, see vs. 4) shall the children of Israel return, and seek the Lord their God, and David their king (Christ); and shall fear the Lord and His goodness IN THE LATTER DAYS."

Daniel 10:1 tells us this period of darkness will be long - in fact it lasted 2520 years. Then in verse 4, "Now I am come to make the understanding of what shall happen to thy people IN THE LATTER DAYS."

From Genesis to Daniel - from the very beginning of the Israel nation in Gen. 12:2, 3 until a long time after they were carried away captive, the prophets speak of what will happen during that age
and during the age which you and I now live in.

I have often said that we are living in the most exciting age of human history. More of the ancient prophecies have been fulfilled during my lifetime than at any other time in history. I believe we are entering the time when we will see the Lord return to take His rightful place as King of Kings and Lord of Lords, and I pray I may live to see that wonderful day. MARANATHA!

A study of the Bible reveals that TIME, as we understand it, is divided into two main parts. Former TIME, which refers to the ages from Creation to the first Advent of our Lord. (Religious tradition sets this at about 4,000 years. I refuse to be dogmatic about this, since I do not believe we have any actual proof to substantiate it.) The LATTER DAYS, are those from the death of our Lord, to His triumphant return. A few minutes of honest Bible study with a good reference will confirm this.

We Identity people have been accused of believing that Christ will set up His Kingdom after the "millennium" - how utterly ridiculous! We are now living in the Days of the Gospel Dispensation and this will end when Christ, as King of Kings, and Lord of Lords, sets up His earthly Kingdom. (Read 1 Tim. 4:1-3; 2 Tim. 3:1-8; Heb. 1:1, 2; 1 Peter 1:4, 5; 2 Peter 3:1-9; 1 John 2:18,19; Jude 18.)

Let's take time to examine only one of these references as found in 2 Timothy 3:1-5 - "This know also, that in THE LAST DAYS, perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce breakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, high-minded, lovers of pleasure more than lovers of God; having a form of Godliness, but denying the power thereof . . ." Brother, Sister, if you can't see these things taking place before your very eyes today, it is because they are deliberately shut.

I believe we are about as far from the birth of Christ, on this side of the dividing line, as Abraham was on the other. Our Lord was born in 4 B.C. and about 1921 years before that, God called Abram out of Ur of the Chaldees, to become the father of a great nation and a company of great nations. He was called for a special purpose.

1921 years after the birth of Christ, the Israel General Allenby, marched into Jerusalem with Israel (not Jew) troops and liberated the city from the heathen "treading down" of Luke 21:24.

I have already mentioned how the nation of Israel was to suffer for 2520 years as punishment for her sins. After that she will be restored. So because of this, we can expect to see the rebirth of Israel and the moving of the Jews into Palestine, and the forming of the Israeli nation in 1948, was not the rebirth of Israel as our pastors have told us. This is the "Pseudo-Israel" spoken of in Rev. 2:9 and 3:9, which will be destroyed.

One of the bitterest opponents of Identity, states in a recent book: "The strong appeal of Israel-Identity lies in their militant nationalism and patriotism. But are they really patriotic? We will seek to show how the unregenerated man can never please God. We will seek to show that the patriotism of Israel-Identity is sin.

"The Word of God declares: 'Righteousness exalteth a nation; but sin is a reproach to any people!' this constitutes a good Biblical definition of true patriotism. A true love of one's country will prompt one to promote natural righteousness. It will stir one to reform it of its national sins. It will labor to bring the nation in-to the favor of God. It will not be concerned with worldly power position and prosperity of the nation, its status in the sight of other nations, but will concern itself with the nation's status in the sight of a holy, just and righteous God." (I can say AMEN TO THIS. I believe it and preach it, as do most of the Identity pastors I know - AUTHOR.)

He continues: "It will recognize that without the Lord's blessings all these are but an act of vanity and futility and that none of these can defend the nation from the chastening hand of an angry God.

"True patriotism will lead a nation to national repentance . . . It will call for mourning and fasting and a humbling of the nation before God. It will not rail against God's chosen instrument .
"The Identity people are like the Israelites of old (we should be, since we are their offspring - AUTHOR), in the years before their captivity . . . Our national enemies are reviled and scorned. They are traduced (deformed) on the basis of their race. They are railed against as the wicked enemies of the people of God, as the instruments of Satan, as the epitome of all evil. Then we hear the siren song, that America is the Chosen Nation, that the Anglo-Saxons are the Elect People. We hear that God will be with us and we will ultimately prevail with a great victory. It is taken for granted by these people (Identity) that God will overthrow our enemies for their wickedness and prosper us for our righteousness. To them, it is unthinkable that the 'seed of Cain' should triumph over the 'White Adamic Race.'

"To seek to save America by a message of racial identity, to proclaim that if America would only acknowledge her racial identity and covenant status, she shall be saved, is to heal a deep hurt very slightly. It is to preach the false peace of old. It is to lure a nation to certain destruction. They will never confess that communism is a scourge of the Almighty, to punish a wicked and apostate civilization." (UNQ.)

This tirade is interesting, since it comes from a man who is well-known in the "evangelical" camp. This is the same group which has violated God's law by promoting "race mixing," in the name of Christian brotherhood. This is the same group who along with the fundamentalists; has promoted the most vicious enemy of Christ, Christianity, and freedom, making them out to be the CHOSEN PEOPLE OF GOD. This man is one of those who "helps the ungodly, and loves them that hate the Lord," (see 2 Chronicles 19:2).

For years, fundamentalism and evangelicalism has preached the message "get men and women saved and they will change the nation." And in past decades, we have seen millions garnered into the church, as they sign commitment cards, stating that they have accepted Jesus as Savior and Lord. We have seen the establishment of churches by the thousands; we have seen billions of dollars spent to reach men, women, boys, and girls for Jesus Christ. Yet during this same period, with an estimated 45-million "born again" Christians in America, we have seen the greatest spiritual, moral and economic debacle in American history, as our beloved country has gone to hell at an amazing rate. Can they blame this on Identity teaching?

Identity theology, contrary to what this writer says, teaches the necessity of not only personal, but national salvation. (You may not realize it, but over 2/3rds of the Bible deals with national salvation.) Most fundamentalists and evangelicals have followed the first step in Christ's Great Commission of Matthew 28:19, 20 and have led men and women to Jesus Christ, many times superficially, I'm sorry to say, by their "milquetoast preaching" of a soft Gospel. But they have almost completely forgot the admonition to "Teach them whatsoever I (Christ) have commanded you," and therein lies our national trouble.

Those of you who have read my writing, or heard my messages on tape, know that one of the major points I stress, is that America, as God's Chosen People MUST repent, before the Formula for our Survival, found in 2 Chronicles 7:14 can take effect. Over and over I have emphasized that our problems are not caused by the Jews, or the aliens in our midst, but are caused by disobedient Israelites who want to "do their own thing," rather than follow God's law.

Let me use but one quotation from my message titled FORMULA FOR SURVIVAL.

"Why is God's law so important to us in this age of grace? It is because it effects each one of us and through us the nation. In 1 John 5:2, we are told: 'By this we know that we love the children of God, when we love God and KEEP HIS COMMANDMENTS. For this is the love of God, that we WALK IN HIS COMMANDMENTS . . .' " (Emphasis mine.)

Does this sound to you as though the Law has been abolished? Of course not! In John 15:15, Christ says: "If ye love me, keep my commandments (law)." Does this refer to the animal sacrifices of the Old Testament? Of course not! This is what was taken care of on Calvary, once and for all. But the law still exists and we are further told in I John 3:4, that "Whosoever committeth sin, transgresseth
also the LAW, for SIN IS THE TRANSGRESSION OF THE LAW." (Emphasis added.) This means that in order to do away with the law, there can be no sin.

Yet Scripture tells us that if we say we have no sin, then the truth is not in us. In other words, we are liars!

Why is it so important for America to keep God's Law? As Christians, we are told in 1 John 3:22, that our prayers will be answered according to our obedience: "Whatsoever we ask of Him, we receive of Him, BECAUSE WE KEEP HIS COMMANDMENTS (Law), those things which are pleasing in His sight."

God's Law was written for our protection against the wicked and for our happiness. According to this law, the punishment for murder is death; the punishment for kidnapping is death; the punishment for homosexual practices is death; the penalty for rape is death. Our Judges have no right to determine a penalty which has already been declared by Almighty God. Our courts were not brought into being to make the law, but to determine the guilt or innocence of those brought before them.

In this same pamphlet FORMULA FOR SURVIVAL, I go on to discuss some of America's major problems, crime, national defense, national debt, all caused by disobedience to God's Law. Notice this statement:

"By now, you may want to ask. Who is to blame? Is it the communists? The Jews? The liberals? The alien people? NO! While all these have a part in the destruction process, they are not the problem. The problem in the final analysis is that America has gone down the drain, because the Christian people of this country, the WHITE ISRAELITE PEOPLE, have refused to do what God requires of them."

Does this sound as though I preach the way my critic said?

As America has broken her covenant with God, we have seen our Armed Forces humiliated on the battlefields of Korea and Viet Nam, by countries smaller than most of our states. We have had our noses rubbed in the dirt by banana republics like Iran and Panama. Why? Because we broke God's Law and this is what He predicted would happen. In Leviticus 26:19, God says: "I will break the pride of your power . . ." In Deuteronomy 28:24, we are told the result of disobedience: "The Lord shall make the rain of thy land powder and dust; from heaven shall it come down on thee, until thou art destroyed." Vs. 25 - "The Lord shall cause thee to be smitten before thine enemies . . ." Vs. 33 - "The fruit of thy land, and all thy labors, shall a nation which thou knowest not eat up . . ." Vs. 43 - "The stranger that is within thee shall get up above thee very high; and thou shalt come down very low." Vs. 44, . . . he shall be the head, and thou shalt be the tail." Why? Vs. 47 - "Because thou servest not the Lord Thy God with joyfulness, and with gladness of heart, for the abundance of all things." It goes on to talk about unknown diseases which will plague us and famine. We are very close to this right now, with the AIDS epidemic and the food shortages which loom on the horizon, as our farmers suffer from lack of rain. How long will it be before we wake up and call on the Lord? How long will it be before we confess our sins to Him, ask His forgiveness, and ask Him to heal the land? We can pray until we are "blue in the face," but the Bible indicates that God will not even listen to us, until we get into the right spiritual relationship with Him. In Isaiah 59:1, we are told that the Lord's hand is not "shortened" that He cannot save. Nor is His ear heavy that He cannot hear." But the problem occurs in Vs. 2, which says: "But your iniquities (Hebrew "avown" meaning: "perversity") have separated between you and your God, and your sins have hid His face from you that He will not hear." So before you pray for God to save America, remember, you MUST get your heart in the right relationship with Him, for Him to even hear your petition. When enough Christian people in America wake up to our responsibilities as His people; when we realize who we are, and what God expects of us, then we will see a mighty effort on the part of our people to get right with God. When this happens, the revival will come which will save America and bring our wayward people back to Him. Then, and only then, can God's marvelous machinery go into
operation to bless us. So, my white Christian kinsmen, your fate is in your hands! What will you do about it?

We have the solution for America's problem. We know the Formula for our Survival. Will we be bold enough to follow it? In 2 Chronicles 7:14 we find a promise which was made to our ancestors, which I believe is just as relevant for us today. Many of you know it by heart. "If my people WHICH ARE CALLED BY MY NAME (Christian), shall humble themselves and pray, and seek my face, and turn from their wicked ways: THEN will I hear from heaven, and WILL FORGIVE THEIR SINS, and WILL HEAL THEIR LAND!" (Emphasis added.)

This is my answer to those who say: "Identity has tried to bypass Calvary."

The Bible tells us that this is what will happen in these LATTER DAYS. One of the great events which will take place is recorded in Ezekiel 38:16 - "And they (Russia) shall come up against my people Israel, as a cloud to cover the land; it shall be in the LATTER DAYS . . ." This event, is apparently part of the battle of the Great Day of God, as found in Zechariah 14; the book of Joel; Ezekiel 38 and 39, and Revelation 16. For an in-depth study of Ezekiel 38 and 39, write for my book A NEW LOOK AT EZEKIEL 38 and 39. This battle will be terminated by the return of our Lord.

At this time, He will destroy the enemy of His people. THERE WILL BE NO RAPTURE OF THE CHURCH, instead the "wicked" will be removed, and the "righteous" will remain behind to help govern the earth. (See Matthew 13:37-43, 47-49.)

Baptist evangelist, Jack Van Impe, in his fantasy, ISRAEL'S FINAL HOLOCAUST, p.130 says: "Students of Bible prophecy have long expected a Russian invasion of the Mid-East. He then quotes from a book by Dr. Harry Ironside: "In the last day, the final head of the Russian people will look with covetous eyes upon the great developments in the land of Palestine. They will determine that Russia must have her part of the wealth produced there."

But that's not what the Bible says. In Ezekiel 38:8, it says that the country attacked, will be "gathered out of many people, against the mountains of Israel, which have always been waste." There is little doubt in my mind, that during this war, the nation of the Israeli will be attacked and destroyed. But the major Russian attack will not be against the Israeli. That is not where their nuclear weapons are pointed. In spite of what Dr. Ironsides said about the wealth of Israel, they do not have enough to keep going without tremendous handouts each year from the United States. Their own leaders have openly admitted that without U.S. aid, the Israeli's would collapse within six months. The natural wealth of the Israelis does not qualify in vs. 12, which states that Russia will attack this country "to take a prey, to turn their hands upon the desolate places which are now inhabited, and upon a people that are gathered out of all nations, which have gotten cattle, and goods . . ." That's not a picture of the Israeli. According to their own figures, they have less cattle in all of Israel, than we have in many counties in the United States.

Vs. 16 says they "will come up against my people Israel . . . You don't "come up" to go from Russia to Palestine, you "go down." But "go up" to get from Moscow into the heartlands of the U.S. and the logical invasion route, as any military tactician will tell you, is over the North Pole. Anyone with the intelligence of an average fifth grader should be able to tell you that Russia has not spent hundreds of billions of dollars, building up a military machine second to none in the world, just for the purpose of attacking "little old Israeli" in Palestine. The target, as they have told us over and over, for more than seventy years, will be the nations of Christendom, especially Canada and the United States.

Van Impe continues his fundamentalist "fairy tale" by saying: "The Russians know they will be marching to the Middle East to take a spoil . . . Sheba and Dedan, represent a few Arab nations who will not attack Israeli. The Merchants of Tarshish are the Western powers who at this time will be under the control of the anti-Christ (they have been for over fifty years - AUTHOR.) This war between Russia and Israel (he persists in calling the Jews, Israel - AUTHOR), must take place when
the Jews are dwelling safely in their land."

But if this is true, then this event will not take place in the near future, since the Jews are not dwelling safely in Palestine. And the attack against the people in Ezekiel 38 and 39, is against a people who are dwelling without bars and gates on their towns, and this is not true of Palestine.

Chapter XV
THE NEW COVENANT

Many Christians have been taught that in this Church Age, we have become completely divorced from the Old Testament. They do not realize that the New Covenant in Jesus Christ can be found complete in the Old Testament, yet there it is in Jeremiah 31:31-37. It clearly states: "... I (God) will make a new covenant with the House of Israel and the House of Judah. ... it will be different from the one I made with your fathers in Egypt, they broke that one, even though I was a husband to them - but in those days (THE LATTER DAYS we have been speaking about), I will put my law in their inward parts, and write it in their hearts, and I will be their God, and they shall be my people ... and they shall ALL know me ... for I will forgive them and remember their sin no more." (PARAPHRASED.)

God then goes on to show that His covenant is eternal, as He says in Vs. 36 - "If those ordinances depart from before me ... then the seed of Israel shall also cease from being a nation before me forever." He was speaking of the sun, moon and stars and said in essence: "As long as the sun, moon and stars exist, so long will there be a nation of Israel."

The writer of the book of Hebrews in the New Testament, confirms this in 8:7-13. In verse 7 he has been discussing the Old Covenant and mentions that the Levitical priesthood was but the forerunner of the perfect priesthood of Jesus Christ, which was to come under the New Covenant. Verse 9 is an almost exact quote from Jeremiah 31:32, while verse 10, parallels Verses 33, 34 in Jeremiah 31.

This covenant is ABSOLUTELY UNCONDITIONAL. God does not say: "If you obey me, then I will bless you," as He did in the Mosaic and Palestinian Covenants, He says in this New Covenant: "I WILL and they SHALL." We read here what God is going to do, regardless of what men or devils try to do to get around it. There will be no circumventing this plan of God. In common language: "You can't get around it; you can't get over it; you can't get under it. IT IS SURE!" Praise God, He has a plan for His people which cannot be changed.

Read very carefully the following references both in text and context. ("Text" meaning the principle part; "context" meaning the parts which surround it.)

18 - I the Lord have spoken it and I WILL DO IT Ezekiel 36:36.

19 - I will yet for this be inquired of by the House of Israel to do it for them ("Enquire" - Hebrew "da rasch" meaning: "to question; seek after; to ask.") Ezekiel 36:37.

We of Israel Identity believe and preach with few exceptions, that the ceremonial laws and the laws of sacrifice were blotted out, having been nailed to Christ's cross and that man is no longer judged by the keeping of those laws. But the other laws, regarding personal conduct, health, and well-being of the nation are still in effect and have not been changed under the New Covenant.

De Borer claims that we attempt to "bypass" Calvary. While some of our Identity people have returned to the Old Testament feasts ordained by Moses, I do not know of one who says that personal salvation is not necessary. We have clearly seen this change of heart, in such passages as Hebrews 8:10 which says: "I will put my LAWS into their mind, and will write them in their hearts."

This New Covenant has absolutely no effect on either the Abrahamic or Davidic Covenants. It does not change or alter them in any way. It is an enlargement on these earlier covenants. The New Covenant rests on the blessed base of Christ's blood sacrifice for our sins, which secures for us eternal life, if we are willing to appropriate it.

Under the Mosaic Covenant, obedience was through fear (Hebrews 12:25-27), but under the New Covenant, obedience comes through a willing heart. Paul says in Gal. 3:24 - "Wherefore, the law was our schoolmaster to bring us to Christ." When we come up against the Law, we see how it is impossible for us to keep it in our natural, carnal bodies. We know from 1 John 3:4, that "sin is the transgression (breaking) of the law." We know from Ezekiel 18:4, 20 and Romans 6:23, that "the soul that sinneth, it shall die!" So in our desperate search for a method to escape, we are driven to Christ as the only means of our salvation. The Law shows us the ONLY WAY and secures our personal relationship with the King, as a believer (Hebrews 8:11) and frees us completely from the bondage of sin, (Heb. 8:12, 10:17.)

In the Old Covenant, the blood sacrifices were necessary for salvation. They were a symbol of the coming sacrifice of the Lamb of God. The Old Testament saints were saved by grace, through faith, just as we are today. They looked ahead to the "perfect sacrifice" of God's Son, as we look back on it. Both groups are saved, not through the keeping of the law, but through faith in the Son of God.
The Law is for our welfare, both spiritual and physical; it has nothing to do with salvation. The New Covenant rests upon an accomplished Redemption: "For this is my (Christ's) blood of the New Testament (Covenant), which is shed for many, for the remission of sins," (Matthew 26:28; see also 1 Cor. 11:25.)

In Heb. 9:11, we read: "But Christ being come an high priest of good things to come, by a greater and more perfect tabernacle, not made with hands, that is to say, not of this building." Continuing in Vs. 14: "How much more shall the blood of Christ, who through the eternal Spirit offered Himself without spot to God, purge your conscience from dead works to serve the living God." (Read also vs. 18-23.)

In this New Covenant, God refers to Himself as the "Husband of Israel," therefore we know that the "Israel nation," not the "church" is His bride.

The Abrahamic Covenant formed the Israel nation. The Davidic Covenant created the Royal family from which the Savior would come, and which has, and will rule until He comes as King of Kings and Lord of Lords.

The New Covenant shows the redemption, purification and restoration of Israel, under the rulership of Jesus Christ, YASHUA!

Chapter XVI
MARKS OF IDENTITY!

Whenever the word ISRAEL is mentioned, the majority of Christians immediately think of the people we call JEWS. When we speak of the Anglo-Saxon, Celtic-Scandinavian-Germanic and related peoples as ISRAEL, they have a tendency to react with scorn and hostility. We must remember that man's answers to any question, in order to be true, must coincide with what God says. The answer must not come from some learned "Doctor of Theology," or "seminary scholar," who reads Hebrew and Greek, but from the Bible itself. If they are not consistent in their teaching with the Word of God, then we MUST stand by the WORD at all costs.

Unfortunately, in these LATTER DAYS, very few Christians are willing to take the time or effort to see what the Bible has to say about Israel. They rely on what their pastor tells them, for after all, he was the one who went to seminary. They fail to realize, that all too often, the pastor relies on what the seminarian taught him, for after all, he was the expert in Greek and Hebrew and should know the truth. If our people would read and study the Bible for themselves, without some preacher looking over their shoulder telling them what it means, they would discover many proofs concerning the Israel people, which can and must be used as "marks of Israel Identity," to prove who they really are. If as they claim, the Jews are God's Chosen, then the JEWS MUST fulfill every Scripture concerning Israel. If, as we contend, the Anglo-Israel people are God's Chosen, then they must fulfill this same criteria.

Today, as you know, a great controversy shakes all Christendom. For some reason known only to God, the majority of Christians have opted to call God's worst enemies, His Chosen. They have become so inflexible in this belief, that they "cut off for heresy," anyone who believes otherwise, even when they can prove their stand from the Bible. Most Christians refuse to sit down and look at what the Bible has to say about "true Identity."
Whenever open discussion is cut off, men fail to learn the truth. So under the guidance of clever Judaizers, modern Christians have for the most part been isolated by their church leaders from Biblical truth about the Chosen People. The opponents of Israel Identity, have mis-interpreted Biblical teachings, often deliberately, in such a way that the vast majority of their people are confused and have been quite literally "brainwashed" by Jewish propaganda, into accepting their bitterest enemies, as the ones they MUST support or earn the hatred of their God.

If open discussion in our churches was allowed concerning the Judeo-Christian question; if preachers were allowed to preach the whole truth of the Bible, without pressure from above, the pro-Jewish element in our churches, which have turned most of them into Judeo-Christian churches, would be exposed as the frauds they are and Christians who are now neutralized, would once again become "front line soldiers" for Jesus Christ, and the "salt which has regained its savor."

As early as 1921, the great Christian industrialist, Henry Ford, Sr., tried to warn Christians about what was happening. In his book THE INTERNATIONAL JEW, which took several years and the expenditure of more than $6-niillion in research, he states that one of the biggest tasks of the church leaders is to relieve Christians from what the Bible calls "Fear of the Jews!"

There are many references in Scripture to the blindness of the Israel people in captivity. They will be blind to their identity in the LATTER DAYS. This has never been an affliction of those we call Jews, for they have known their heritage and identity from the first and have fully lived up to it. Jesus knew whereof He was speaking when He said to them in John 8:44 - "Ye are of your father the devil and the lusts of your father ye will do . . ." The Jews, from their beginning, have loudly proclaimed for everyone to hear, that they are God's Chosen and the Apostle Paul in Romans 11:8, said of Israel: "God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear; unto this day."

Unfortunately, as far as modern Bible scholars are concerned, the White race, so they claim, sprang from nowhere. When they study the history of ancient peoples, such as those of Babylon, Assyria and Egypt, it is with an eye to proving their doctrinal thesis. But when they see ancient peoples who were our ancestors, they pass over this as non-essential.

Have you ever wondered, for instance, why certain nations have a natural distrust for each other? Of course, there is the exception of the Soviet Union, which, like the United States, is made up of people from many races, many of whom are Israelites. But few Christians are willing to face the truth, that the reason communism seeks to destroy Christendom, is not because the Russian people dislike the people of Christendom, but because of Jewish hatred for Christianity and everything connected with it. Whether you want to accept it or not, irrefutable evidence proves that Communism from its earliest beginning, has been the brainchild of Judaism. (For more details on this, I suggest you write for my book THE SATANIC COUNTERFEIT; KNOW YOUR ENEMIES, and THE GREAT CONSPIRACY.)

Few scholars are willing to admit that the distrust and antagonism between most countries goes back into the past and was usually caused by ancient injustices on the part of one or both; things which very few historians remember today.

Because of this and because God made certain promises to certain people - promises which are now in the process of being fulfilled - the identity of these people can be determined from Biblical marks of their identity.

If you will be honest enough to put aside "preconceived" notions which you have had drummed into your head in your church for years; if you will get away from the "brainwashing" which has been inflicted on the Christian church from Jewish sources; if you will allow the Bible to speak for itself, without having to have it explained by some brainwashed preacher; if you will earnestly and prayerfully seek the guidance of the Holy Spirit in your search for the truth, then a whole vista of truth will open to you, like a rose to the morning sun. You will never accomplish this, until you get away from Bible helps like the Scofield Bible, which are designed to blind you to Israel truth.
For the life of me, I cannot understand how intelligent people are willing to turn their back on their "birthright" and blandly turn it over to those who hate everything they stand for. This is what most of Christendom has done. I did it for forty-five years, until I got my head screwed on straight and began to think and study the Bible for myself. I wallowed in this same "spiritual blindness", because I was too lazy to study the Bible for myself, and as a result, the Book remained a mystery to me. This is not what God wants from His children.

The belief that the people we now call JEWS, are the CHOSEN PEOPLE of the Bible, is based on man-made conceptions, which have been cleverly introduced into the Christian church by the same men the Apostle Jude warned us of in Jude 4: "For certain men are crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our god into lasciviousness, and denying the only Lord God, and the Lord Jesus Christ." The Apostle Paul further clarifies these "deceivers" in Titus 1:10, when he says: "For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses (families), teaching things which they ought not for filthy lucre (money's) sake." (Anyone who has had much to do with Jews, knows that the average Jew will do most anything for money.)

I have been "black-balled" for all intents and purposes by the fundamental Baptist churches in America, which I served faithfully for eighteen years, not because I departed from the "fundamentals of the faith," but because I refuse to be deceived by these Christ haters they uphold. I refuse to "bow the knee" before usurpers, or be intimidated by "fear of the Jews!"

While it may seem to be "racist" on the surface, it is still essentially true, that each race has certain characteristics which set them apart. A well-known American philosopher once said: "Negroes are noted for their athletic poweress and for eating each other." While this may seem racist on the surface, it is nevertheless true. Look at the large number of "black" athletes who now dominate sports such as boxing, football, baseball, all physical sports. The African blacks for centuries have practiced cannibalism, while this horrible practice is virtually unknown among the white nations.

No two racial groups will respond to identical emergencies in the same manner. The Englishman will react differently from the Hindu from India; the American from the Chinese; the Canadian from the Congolese. It will have nothing whatsoever to do with their educational background, but will be an "inborn" trait.

If you were to take a group of 100 blacks and place them on an uninhabited island, history proves that in 100 years, they would be living as they have for the last 5,000 years. (I have seen black tribes in Central Sudan, who have not bettered their ways of living for thousands of years and who do not even know how to use a wheel.)

But if you were to take an equal number of whites and place them on the same island, they would immediately begin trying to improve their situation. Why? Because the two races are inherently different, regardless of what the social scientist says to the contrary. This is why Zionist pressure in Christendom, is seeking to amalgamate (mix) the races. They do not advocate that for Jews, just for Christians. For they know, that history proves that mongrels are easier to control than those of pure blood. Don't argue with me about this. Just check out your history books for the past 6,000 years of written history and see what has happened to every civilization which has begun a process of inter-mingling.

One of the outstanding characteristics of the Anglo-Saxon and related people is their "love of freedom." It is unique among all the peoples of the world. Most of them, unless they have become "brainwashed by Jewish propaganda", would "rather die on their feet, than live on their knees!" This intense desire has produced great pronouncements such as: "Give me liberty or give me death!" It has produced the most magnificent documents the human race has ever written such as the Magna Charta and the American Constitution, with it's unique Bill of Rights. The Jewish race has never produced anything like this, although they try and claim Moses for their own. Jesus pretty well
handled this argument, when He told the Jewish religious leaders: "If ye had believed Moses, ye would have believed me, for he wrote of me," (John 5:46.)

There has never been any other people which have been so motivated towards freedom, as the white people of Christendom. Could it be that this is because God said that Israel was to "preach good tidings unto the meek ... to proclaim liberty to the captives, and the opening of the prison to them that are bound? . . ." Jewry have never done this, only the white nations of Christendom.

I believe one of the greatest evidences available that we are indeed Israel, is our reaction against unjust taxation. This reaction can be found all through the ancient history of Israel, from their captivity in Egypt, until the time of their dispersal. It was what caused the split between the Northern and Southern sections of the Hebrew people.

Listen to the cry of the Prophet Amos in Amos 8:4 - "O ye that swallow up the needy, even make the poor of the land to fail." (I.R.S. maybe?) Listen to Micah 3:2 - "Who hate the good and love the evil; who pluck off their skin from off them, and their flesh from off their bones." (Have you ever heard the phrase: "I'm being skinned by the government?") Listen to Zephaniah 3:1-4 - "Woe to the oppressing city (Washington D.C.? Maybe!) She obeyed not the voice. . . she received not correction; she trusted not in the Lord; she drew not near her God. Her princes (government officials) within her are roaring lions: her judges are evening wolves . . . Her prophets (pastors) are light and treacherous persons; her priests have polluted the sanctuary, they have done violence to the law." Listen to Zechariah 7:9 -Execute true judgment, and show mercy and compassion every man to his brother: and oppress not the widow nor the poor, and let none of you imagine evil against his brother in your heart."

All of these things are evils which have "bugged" Israelites from time immemorial and which are destroying us today.

The records of the Scythians, the Goths, the Visgoths, echo with the cries of free men, trying to escape government tyranny. Even the Roman Emperor Julius Caesar, marveled at the Britons love for freedom.

We marvel, as we look at how our country was founded to "establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare (not of just one group who refuse to help themselves, but for all citizens), and secure the blessings of liberty for ourselves and our posterity."

In Hosea 6:6, we listen as God speaks to Israel: "For I desire mercy and not sacrifice: and the knowledge of God, more than burnt offerings." Then Micah 6:8 crowns God's desire for His people in these words: "He hath shewn thee, O man, what is good and what doth the Lord require of thee, but to do justly, and love mercy, and to walk humbly with thy God." None of these are Jewish traits, but they are "inborn" into the very fiber of the Anglo-Saxon and related peoples.

This is why our people freed their slaves, while the colored nations of Asia and AFRICA still practice it. The slaves were brought to America, primarily by Jewish traders as can be seen by documents in the Carnegie Institute in Washington, D.C. (For further information on this, write for my pamphlet WHO BROUGHT THE SLAVES TO AMERICA.)

But let us spend some time looking at a few of the 200 or more Bible marks of Israel Identity, as laid down in Bible prophecy.

1 - Israel must exist as a great nation (Jer. 31:35-37; 33:20-26.) Until 1948 there was no such nation of the Jews and the present nation of the Israeli in Palestine is a "psuedo-Israel."

2 - Israel must be an island nation, (Jer. 31:10; Isa. 41:1; 42:12; 11:11; 24:14-16; 49:1-3; 49:12.) The Jews have never qualified here.

3 - The ISRAEL lands must be north and west of Old Palestine. (Jer. 3:12; 23:8; Isa. 49:12.)

4 - Israel must be made up of a vast number of people, the Bible illustrates this by saying: "as the
sand of the sea, or the stars of heaven, in number." (Hosea 1:10; Gen. 22:17; Gen. 32:12.) The Jews, according to their own census figures, have never numbered more than 18-million at any one time.

5 - Israel must have found the island lands too small for their numbers and desired larger areas for expansion. "For thy waste and desolate places, and the land of thy destruction, shall even be too narrow (small) by reason of thy inhabitants, and they that swallow thee shall be far away." The American Standard Version translates this to read: "Surely now, you will be too cramped for the inhabitants." This was what happened during the 18th and 19th century, when during a fifty year period, more than 40-million white people migrated to Canada and the United States, in the greatest migration of all time. This has never happened to the Jews.

6 - Israel must have lost part of their people, at least one tribe, which split off from the mother nation. Isaiah 49:20 - "The children which thou shalt have, AFTER THOU HAST LOST THE OTHERS, shall say again in thy ears, THE PLACE IS TO STRAIT (small) for me; give me a place where I may dwell." So in 1776, when Britain lost her children in the United States, within a few years, the migration took place which took Israelites to South Africa, Australia, New Zealand, Canada, and of course, the United States. The Jews have never had a split off from their ranks like this.

7 - Israel must be living under a monarchy and have a descendant of King David (king or queen) sitting on their throne. (1 Chron. 22:10; 2 Chron. 13:5; Jer. 33:17; 33:19-26; 2 Sam. 7:13-16.) The British monarchy traces its ancestry back to David and the genealogy is there for even the skeptics to see if they so desire. It is openly displayed at Westminster Abbey and is an official part of British government documentation.

8 - Israel must be represented by more than one nation. (Gen. 35:11) says ". . . a nation, and a company of nations shall be of thee, and kings shall come out of thy loins." Only the nations of Christendom qualify here. One nation, the United States, and a "company of nations," the British Commonwealth, all white nations. By no stretch of the most vivid fundamentalist imagination, can the Jews qualify here.

9 - Israel must have a nation which sprung from the mother nation, but which is independent of them. (Gen. 48:19; Isa. 49:20.) Only the British Commonwealth qualifies here, with the independent nation being the United States.

10 - Israel must have immense colonies (Isa. 49:8; 54:3.) Again, only the British Commonwealth qualifies here. The Jews have never had any colonies.

11 - Israel will "push the people together," (Gen. 33:17.)

12 - Israel will be the chief (most prominent) of the nations, (Jer. 31:7; Amos 6:1.)

13 - Israel will be an undefeated nation (Isa. 54:17; Micah 5:8.) The English speaking nations of the world have never fought a losing war. (We are not talking about "police actions" such as Korea and Vietnam, fought under the U.N.)

14 - Israel will win their final war with a relatively small army. (Lev. 26:8; Deut. 20:1.) In our coming conflict with Russia and very probably China, plus the black nations of Africa, Israel will be greatly outnumbered. The Jews, while defeating the greatly numerical Arab armies, did it through the use of American equipment, not through the help of God, whom most of them denounce. There is some difference here.

15 - Israel will be a wealthy nation. (Deut. 8:18.) The Gross National Product of the Israeli in 1980, was about $16.4-billion; that of the U.S. $2.5-trillion; that of Canada $249.3-billion; that of Australia $119.1-billion; that of New Zealand $20.2-billion; that of South Africa $54.9-billion; that of Britain $346.6-billion. This means that the nations of Christendom, "true Israel, has a yearly GNP of about $3.289-trillion compared with $16.4-billion for the Israeli. As I have mentioned previously, Israeli leaders know that if the U.S. were to withdraw their support of the Israeli, they would soon
16 - Israel will lend to others, but not borrow (Deut. 15:6). This is a conditional promise. Since the end of World War II, the United States has supplied other nations (this is through the end of 1979) more than $246-billion in military, economic and technical aid and loans. Of this, only $75-billion has been in loans, the rest has been in the form of gifts. To the Jews in Palestine, for instance, we have given $1 2-billion plus, with only $4.4-billion repaid. But during this time, as the U.S. has drawn away from God, we have begun to borrow from the International Bankers, who are almost 100% Jews who control the Federal Reserve System until in one year, we borrowed more than $80-billion at huge interest rates, so that we could give it away, often to nations who hate us. The conditions of Deut. 28:44 are now at work in this country: "He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail."

17 - Israel was to abolish the slave trade. (Isaiah 58:6.) This has happened only among the Anglo-Saxon and related peoples. Britain was first in 1834, followed by the United States in 1865.

18 - Israel was to have the finest fruit and cattle in the world. (Deut. 38:4 - again conditional.) In 1979, the total Israeli production of cattle was under 50,000 head, while that of the U.S. is in the hundreds of millions.

19 - Israel was to lose her identity and become known by another name (Isaiah 65:16.) They were no longer to be called "Hebrews", but Christians, and their nations CHRISTENDOM. The JEWS are still called JEWS.

20 - Israel's national heraldly was to feature the lion and the unicorn. Both of these animals are found on the official seal of Great Britain.

21 - Israel was to be a great missionary people, (Isa. 22:6; 43:21; Mark 16:15; Matt. 7:20.) Over 95% of all Christian missionary effort comes from the United States and England. The Jews have never done this.

22 - Israel was to be named after ISAAC and were not to be called ISRAEL. (Gen. 21:12; Romans 9:7.) They were to be known as ISAACSONS-SAXONS.

23 - Israel's name was to be called GREAT, (Gen. 12:2). There is only one nation in the world with this name, our mother nation GREAT BRITAIN.

24 - Israel was to speak another language other than Hebrew. (Isa. 28:11.) (This does not refer to the "glossolalia" now being practiced by Charismatic Christians, as they speak in "other tongues." The Scripture name for "tongues," is "languages-known languages.)

25 - Israel was to be a CHRISTIAN Nation, (Hos. 1:10; Isa. 9:2; 9:8; 45:17-19, 15; 48:20; 49:3.) On at least three occasions, the Supreme Court of the United States has declared this to be a CHRISTIAN country. The original Charters of each of the thirteen original Colonies, reveal that they were settled "For the glory of God and the propagation of the Christian faith." America was never intended to be a "pluralistic" country, as Jerry Falwell and others of the Judeo-Christian crowd affirm.

26 - As long as they obeyed their God, Israel was to "Possess the gates of their enemies," (Gen. 22:17,18.) Until the last few years, as the Israel nations have become mired in Judeo-Christianity, they held all these important gates - the Suez Canal; Gibraltar; the Panama Canal; the Strait of Magellan; the Cape of Good Hope. The Jews have never controlled any of these.

27 - Israel was to observe the Sabbath nationally. (This does not necessarily refer to the Jewish Sabbath which is observed on Saturday.) Only in Christendom, has one day in seven been set aside for worship and rest.

28 - Israel was to become a mighty "sea power." (Ps. 89:25; Numbers 24:7.) At one time Britain ruled the sea and the sun never set on her mighty empire. Then she began to forget her God, and she has become a third rate nation. Then America became a great sea power, now because of our
wickedness, we are losing out to the anti-God Soviets.

29 - Israel was to be tolerant of strangers, (Lev. 19:33, 34.) Only the nations of Christendom have shown this tolerance. In Palestine today, if you are not a Jew, you are rated as "nothing," and have very few privileges.

30 - Israel was never to become subject of a foreign power, (Deut. 15:16.) Neither England or the United States and Canada, have ever been ruled by foreigners.

31 - Israel was to possess a mighty tract of land, outside Palestine, where the multitudes of her people could live in peace, (2 Sam. 7:10.) We believe this APPOINTED PLACE is in North America. Palestine bears none of the identifying marks of this Promised Land.

32 - Israel's preservation will be due, not to her vast military power, but through the Divine protection and intervention of her God. The Zionists have their protection from the support of America. I firmly believe, that when this mess is over and our God has "balanced His scales," we will know of a surety, both Israel and her enemies, that the victory was not won through our might, or intelligence, but because of the intervention and will of our God.

33 - In the end, Israel will be joined to Judah and at least some of the people will return to the original land, (Jer. 3:14, 18; Ezek. 37.) I believe this will take place after our Lord returns. Those who return to the "Old Land," will not be JEWS, but ISRAELITES.

34 - Israel will be used as an instrument in the hands of God to destroy the heathen who will not bow the knee to His rule, (Jer. 51:20; Dan. 2:44.) This will be sometime in the future!

35 - Israel was to spread abroad to the east and west, the south and north. This is where the Israel people went in their treks to the New World, South Africa, New Zealand and Australia.

Israel has always been represented as being "sheep." In the End Times, they will be separated from the "goat nations," those who refuse the Lordship of King Jesus, (Matt. 25:31-34.)

36 - The Israel "sheep nations," would feed the hungry; clothe the naked; and liberate the captives, (Matthew 25:31-46.) Only the nations of Christendom have done this.

37 - Israel was to become "circumcised" in their heart. (Deut. 10:16; 30:6; Romans 2:28, 29; Phil. 3:3; Col. 2:9, 11.)

38 - The Israel nations were to glorify the Holy One of Israel. Only the nations of Christendom have openly accepted Him and based their governments on His law. (Isa. 41:16; Luke 1:32; 7:16.)

39 - Only Israel would declare JESUS CHRIST to be their God. (Isa. 43:10-12; 44:8; 49:3, 4; 52:6; Acts 1:8.)

40 - Only Israel would possess the Spirit of God and the Word of God in their innermost being (Isa. 59:21.) The religion of the JEWS is based on a heathen book called the BABYLONIAN TALMUD, which repudiates the teachings of God through Moses.

41 - Only the nations of Christendom are the "sheep of the house of Israel," as can be seen by a close look at (Ezek. 34:11, 12; John 10:26, 27; Matt. 15:24.)

42 - The JEWS are not the servants of God (Isa. 41:8; 43:10; 49:3.) Jewish rabbis openly admit that their god is "materialism."

43 - The Jews are not a "holy nation," but have become a curse to every nation which has dealt with them. (1 Thess. 2:15.)

44 - Of all the great Scriptural heroes mentioned in Hebrews chapter 11, not one was a JEW. This includes Abel, Enoch, Noah, Abraham, Jacob, Sarah, Isaac, Joseph, Moses, Gideon, Samson, David,
The first Jews were not mentioned in Scripture until 2 Kings 16:6. This was at least 273 years after the reign of David.

45 - Israel was to have ALL of God's Word, (Rom. 9:3-5; Ps. 147:19, 20; Deut. 33:4.) The Jews do not even honor the Old Testament, they only give lip service to it. Jesus told their religious rulers in (John 5:46), "If ye had believed Moses, ye would have believed me; for he wrote of me." A check of the Talmud will show you that their teachings contradict those of Moses and the prophets.

46 - ISRAEL was to be above all nations. This is in a moral and spiritual sense. The Jews have never qualified here. Their leaders teach them that they are superior to everyone else, in fact the Yiddish word "goyim" which is used to define "non-Jews," refers to "non-Jew" animals according to the teaching of the TALMUD.

47- The JEWS are NOT NOW, nor EVER HAVE BEEN GOD'S CHOSEN PEOPLE. (Numbers 24:8, 9; Isa. 41:15; Jer. 51:20-23.) True Israel has always been a group of nations (tribes) which have fought against evil. Even Hitler's fight was against the evils of anti-Christ, Zionist Communism. As Gen. George Patton once said: "I believe we fought on the wrong side during this war (WWII)." Patton was killed because of what he knew about the Zionist conspiracy and the top officials who backed it (Churchill, Stalin, Roosevelt, Eisenhower, etc.) But history proves that both World War I and II were started by the International Zionists, for Jewish interests and that the Christian nations who bore the brunt of the suffering and cost of these wars, got absolutely nothing from them but death and suffering. The Jews have benefitted from, and been prominent in causing every war which has been fought in modern times. As always, like one of their top Rabbis in Europe said: "Wars are the Jews harvests, for with them we kill off Christians and take control of their gold. We have already killed 100-million of them and the end is not yet in sight." This statement was made in Prague, Austria, in 1857, by a Jewish Rabbi named Reichorn.

48- The JEWS have never borne the name of ISAAC, yet the promise was: "In Issac shall thy seed be blessed!" (Gen. 21:12; Amos 7:16; Rom. 9:7; Heb. 11:18.)

49 - The modern day JEWS have never lost their identity, they have been Jews for centuries, only the nations of Christendom have done this. (Hos. 1:9, 10; Isa. 1:3; 42:19; Deut. 32:26; Jer. 50:6, 7; Hos. 8:8; 9:17.) The Jews are "still the sons of Satan," which they were when Jesus called them this in John 8:44.

50 - The JEWS have never had a new name. Israel's name was to be changed. (Isa. 62:2; 65:15; Hos. 1:10; Rom. 9:25, 26; 1 Peter 2:10; Acts 11:26.) The JEWS have been the YEHUDIM since 742 B.C. and have left their name as a curse to ISRAEL. (Isa. 65:15.) But God's ISRAEL, has not only had a new name, they have a new language (Isa. 28:11.)

The Identity detractors such as DeBoer, in his THE NEW PHARISSEISM, p.36, says: "He (Paul) instructs Roman believers that God has not cast away His people, that God has not put Israel aside and made His covenant of no effect, but rather that the terms of the Covenant require faith, and that the unfaithful have been rejected and the faithful accepted." (Here he does a typical job of twisting things to serve his own purpose. The first part of this paragraph is true, but the poison seeps in during the remainder of his statement.) "He (Paul) sets the true Israel of God under the figure of the olive tree. He describes the roots and the branches of the olive tree today, which represents Abraham and the faithful patriarchs Moses and all the prophets, indeed the faithful of the nation Israel and of the OLD TESTAMENT JEWISH CHURCH!" Notice how slyly he slips in the term JEWISH CHURCH, when it should have remained ISRAEL. He is being intellectually dishonest for he knows there were no people called Jews at the time of the Patriarchs.

Another critic says: "The Israel Identity people do not circumcise, nor do they speak Hebrew, but the Jews do." Here he completely disregards what the Word says about
Israel changing their name and their language.

51 - Are the heathen nations aligned against the JEWS? Not so you would notice, outside of the Arab world. The JEWS would like to have us believe this. Their "stooges" standing behind the pulpits of the Judeo-Christian churches of America would like us to believe this. But they are not. Official Soviet policy is not anti-Jew, only to the point where their Jewish leaders see it as a benefit to their world plans. A majority of the Comintern (the ruling body of Russia) at the present time are Jews. Many of the richest people in Russia today are Jews, who live in elegance in the resort areas of the Black Sea. The wrath of the anti-God nations of the world today, is not aimed at the ISRAELI, but at the nations of Christendom. We could expect to receive more help from the Moslem nations, than we would from the Jews, if the chips ever fall in another World War.

At least the Moslem nations look on our Savior with the respect they reserve for a great prophet. They do not spit when His name is mentioned, as the orthodox Jew does; they do not pray many times each week for curses on Christ and Christianity, as the Jew does.

52 - It was not the JEWS who delivered Jerusalem from the hands of the heathen in 1917. It was Anglo-Saxon troops under an Anglo-Saxon general, with Anglo-Saxon planes flying overhead as was predicted by the prophet Isaiah in 31:5.

It might be interesting at this point, to note that all the royal houses of Europe, with the exception of one, are Germanic in origin (Gen. 49:10; 35:11.) The breach between the two branches of Israel, represented by Great Britain and the United States on one side, and Germany on the other will soon be healed. No more will the "sons of Satan" be able to cause ISRAELITES to fight against their brethren, as they have so cleverly done in many wars of the past. It might be interesting to note that Germany's final safety will come before that of Great Britain and the United States, (see Zech. 12:7.)

Chapter XVII
THE ORIGIN OF THE RACES

After the Great Flood, the Adamic race became separated into three main families of sub-races - SHEMITE, HAMITE, AND JAPHETHITe. The descendants of Shem were the continuation of the Divinely appointed stock whose special purpose would be to prepare the world for the establishment of God's Kingdom on earth.

The descendants of Cain were a "throw back" to the contaminated stock of Cain. The descendants of Japheth were a sort of neutral element, which intermarried into the other two groups. Gen. 9:19 says of them: "These were the three sons of Noah; and of them was the whole earth overspread (populated)."

In Genesis 9-11, we find details concerning the generations of Noah's sons and see the "cursing" of Canaan, a son of Ham; followed by the blessing of Shem, and the enlargement of the tents of Japheth and his intermingling with Shem.

From the "sons of Japheth" came the following:

GOMER AND MAGOG - The fathers of the Tatar tribes who settled in what is now modern Russia. Their descendants primarily remained in this area. About 95% of the people we today know as JEWS - the one's called ASHKENAZIM - belong to this group. They never came from Palestine.
MADAI - From whom came the Medes.

JAVAN - the ancestor of the aboriginal stock of the Grecian archipelago.

TUBAL - Father of the tribes from southern Russia. The city of TUBLOSK was named after him.

MESHECH - Another Russian tribe, from which came the modern name of MOSCOW.

TIRAS - Father of the Thracian tribes.

THE SONS OF HAM

CUSH Descended from Nimrod the "mighty hunter" and founder of the city of Babel, from which came Babylon (meaning "confusion.")(See Gen. 10:8-10.) Another descendant was Asshur, who founded Ninevah, the capital city of Assyria. Some of Cush's descendants later mingled with the black Africans and became the inhabitants of Ab-bysinia, now called Ethiopia.

MIZRAIM - Father of the Egyptians and Philistines. The word "Egypt" in Hebrew is "mizraim." The maps of the ancient world call this area MIZRAIM and ETHIOPIA was known as CUSH.

PHUT - The Negroid races came from this son and spread throughout Africa. Every nation which has intermarried with them, has slid "down the tube" through this miscegenation.

CANAAN - Father of the Canaanite nations stretching from Sidon to Sodom and Gomorrah (see Gen. 10:19.) It was this people who became so evil with their practices of Sodomy and who had revived the wicked practices of Cain, which were from before the flood, that caused God to destroy this area.

THE SONS OF SHEM

These men are listed in Gen. 10:21-31. It is through this "bloodline" that Jesus Christ the Redeemer was to come - Adam, Seth, Noah, Shem, Abraham, Isaac, Jacob, Judah, David, Jesus (see Matthew 1 and Luke 3 for the complete genealogy.)

In Gen. 10:32, we learn that Shem had five sons - Elam, Asshur, Arphaxad, Lud and Oram. From the genealogy of Shem in Gen. 11:10, we find that Shem came from Eber or Heber who was the father of the Hebrews (not the Jews). There were no Hebrews on earth before this time. From this Hebrew family came our forefather Abraham, first called Abram.

Following the confusion of tongues, which took place at the Tower of Babel (Gen. 11:7-9), we find the human race divided in-to two main groups - the HAMITIC-JAPHETHIC combination and the SHEMITE people. From the HAMITIC-JAPHETHIC group come most of the war-like nations and confederation of nations, which grew up in the Chaldean area, with Shinar as its center. This was about 2,000 BC. This confederation developed into the Assyrian Empire which was the first great world-empire. This society is sometimes called the Gentile Nations and had its secret societies called the CABAL, which were started by Nimrod. It was government by force, being a totalitarian dictatorship and provided the Gentile National System which has become known as the BABYLONIAN system. It is still controlling the world today and holds most of the world, including the Israel nations, in economic bondage. It is almost totally controlled by International Jews. It is in direct opposition to the system of economics appointed by God for His Israel people.

Most Christians have been completely fooled by the propaganda that white Christians are Gentiles, and the Jews the Chosen people. It is the other way around. The Jews, who are descendants of Cain
and Canaan, have been the bitterest foe of the Israelite people since the beginning of their recorded history and have always controlled the evil system of "usury bondage" which now threatens the world's economic systems. It was condemned soundly in Mosaic Law.

Today, modern Judaism, is an occult, evil religion, controlled by a secret CABAL called the KABALLA. Their sacred book, the BABYLONIAN TALMUD, contains many of the occult secrets which came direct from Babylonian idol worshiping practices.

The descendants of Ham and Japheth, who knew Shem was divinely appointed stock, who was to prepare the world for the establishment of God's Kingdom on earth. They set out to frustrate this plan, by seizing control of the world through secret organizations. In the 1700's, this secret organization was known as the ILLUMINATI, which was the forerunner of Communism. Interestingly enough, the top leaders in these conspiratorial societies for ages, have been Jews.

The Bible reveals a great deal about Satan's plot to seize and control the world and destroy God's people. It tells a great deal about how they will go about frustrating God's plans, and predicts their ultimate defeat and destruction.

But it is next to impossible, for Christians to be successful in this war which we are fighting for our survival, unless we know who our enemies really are. For centuries now, God's bitterest enemies, the Jew, has set himself up as the Chosen People and have subverted God's real Israel into helping and supporting their own worst enemies. In 2 Chronicles 19:2, we read these words: ". . . shouldest thou help the ungodly? and love them that hate the Lord; therefore is there wrath upon thee from before the Lord." This is a verse Twentieth Century Christians better understand, before they destroy themselves.

The indifference of Christians to this insidious enemy which has infiltrated our ranks, was shown many years ago when Nicolai Lenin, then head of the Communist world said in effect: "We will never have to fight against them, because they will become so morally corrupt, they will drop into our laps without a fight."

While it may be difficult for "brainwashed, subverted" Christians, especially pastors, to face the bitter truth. They are going to have to accept it and act on it if they want to survive. The fact remains, in spite of all the howls of protest which come from Jewish sources and their Christian stooges such as Van Impe and DeBoer, that there is much evidence which proves that revolutionary Jewish effort is behind the movement to wipe out Christianity. Yet when a blasphemous movie, such as the recent TEMPTATIONS OF CHRIST, makes the Christian world angry, few Christian leaders have the courage to point out that it was Jews who made and distributed that picture and who are making money off it.

An honest look at the destructive fervor of world Judaism, will bring before us, terrible pictures of oceans of blood, and millions of Christians who have been slaughtered in hideous ways, to slake the blood craze of those who hate Christ and His people. (For more information on this, listen to my cassette tape, THE PLOT TO DESTROY CHRISTIANITY.)

Must we wait until the heathen hordes commanded by International Zionism march through our city streets? Must we constantly restrain ourselves, under our Christian standards, until we see our wives and daughters raped by those who consider a "non-Jewish woman a piece of meat to use any way they desire?" Must we wait until they burn our Bibles and board up our churches and we are driven underground? How long, O God! How long, must we sit back and allow this to happen?

If the Jews want to live in peace and security, as they constantly aver, then let them prove it by their actions. This is not shown, when they try and take prayer from our schools, and Christian symbols from our city streets. As long as they continue their aggressive ways against Christ and Christianity in this country, then it is our right, nay, it is our DUTY, to defend our families, our friends, our faith, our race, and our country by any means which are available. We MUST NOT allow these anti-Christ to dictate the terms by which Christian America is to be governed. If TRUE ISRAEL will
seek God's face, then "No weapon which is formed against thee shall prosper (be successful): and every tongue that shall rise against thee (even from the Judeo-Christian pulpits) shalt thou condemn. This is the heritage of the SERVANTS OF THE LORD - ISRAEL."

Chapter XVIII
THE SHEMITIC RACE AND ISRAEL

It was from the Shemitic race, through Heber, that Abraham came. Later God changed his name to Abraham. He was chosen above all other men on the face of the earth, to be the father of a very special people - these were not to "lord it over others," as the Jews are taught - these were not to be a MASTER RACE, as Hitler had in mind, but were to become "servant-rulers," one's who would first prove they could "serve" before they were given the privilege of "ruling."

It was through Abraham and his offspring, that all the families of the earth were to be blessed. Not only through their actions, but because through them would come the Savior King, who would one day rule the world in complete justice.

There were three major figures in this remarkable family which we will discuss:

ABRAHAM - From whom came Ishmael, the father of the Arab people. Abraham also had six sons by his third wife, Keturah (~ee Gen. 16; 21:1-8; 25:1-4.)

ISAAC - The son of Abraham's old age. (He was 100 and his wife Sarah was 90, when this child was born.) This was the son God had chosen, to be the father of the family, from which His own Son, would have His earthly birth. Isaac had twin boys, Bsau and Jacob, (see Gen. 25:24-26.)

Esau was called "Edom," which in the Hebrew language means "red," because he was a hairy man, covered with red hair. Some of Esau's descendants can be found among the Turks, while other, through his grandson Amalek, are among the people we today call JEWS. (They say so in their own encyclopedia.) They are now, and have always been the bitterest enemies of true Israel. (See Mal. 1:2-4 for their final disposition.)

The nation of Idumea (Edom) was absorbed into Jewry during the time of John Hyrancus, about 125 B.C. These people were forced to become Jews, much as those Persians spoken about in Esther 8:17. These people were not Israelites, even though they were from the seed of Abraham. The majority of Jews during Christ's time belonged to this group, and all the Jewish leaders among the Pharisees and Saducees were from this lineage. This was very probably the basis of Christ's cutting remarks to them in John 8.

JACOB - Jacob was the youngest of the twins born to Isaac and Rebekah. He was a greedy man who took advantage of his brother Esau's weakness for material things (a trait which is typically Jewish). But at the Brook Jabbok, Jacob was "born again," he experienced a spiritual rebirth (see Gen. 32:22-28.) He became a new man and God gave him a new name, ISRAEL, which in Hebrew means: "ruling with God." He is the father of all physical ISRAELITES. There were no ISRAELITES in existence anywhere, before this time.

As many of you will remember from your Sunday School lessons, Jacob had twelve sons who became the fathers of the twelve tribes of Israel. They were all ISRAELITE THERE WAS NOT A JEW AMONG THEM! They were Semites and Hebrews. Their religion was HEBREWISM, not JUDAISM! The term "anti-Semitic" which is such a trigger word for modern Jewry, is a gross misnomer since very few of modern day Jews are Semites. The term is used for the purpose of "fooling, and brow beating", Christians.

There are multitudes of people on this earth today who are descendants of Abraham, just as God
promised him it would be. They can correctly say: "We are the sons of Abraham," which is something which very few Jews can honestly say. Many of the "seed of Esau," adopted Judaism and can rightly be called Jews, but they have no moral or legal right to use the term ISRAEL, and are using it only to confuse Christians and cover up their designs for a World Jewish Empire.

Chapter XIX
CLASSES OF ISRAELITES

In Romans 11:25, the Apostle Paul writes that "Blindness in part is happened to Israel." Now most of our Protestant and some Catholic pastors will say this has reference to the Jews and that when Jesus returns the second time, the Jews will recognize Him as their Messiah and all of them will be saved.

J ourVan Impe, in his book ISRAEL'S FINAL HOLOCAUST!, p.152, says: "In the coming age (millennium) of peace, Jews will love the name of Jesus and will be thrilled with the benefits of His kingd9m." (UNQ.) It appears that Van Impe never read Luke 19:27, which is an accurate description of what is going to happen to the anti-Christ Jews when Jesus returns. Maybe he has translated this verse to fit his own interpretation of Scripture, as he has apparently done with many others. This statement by Jesus, follows His story of the nobleman who went into a far country to receive a kingdom (Luke 19:12-27), it becomes quite evident that He is speaking of Himself and the Jews were those mentioned in vs. 14 - "But his citizens hated him, and sent a messenger after him saying, WE WILL NOT HAVE THIS MAN TO REIGN OVER US." These were almost identical to the words used by the Pharisees and ALL the Jewish people, as Christ appeared before Pontius Pilate and they cried: "We have no king but Caesar!"

Van Impe continues his Jewish white wash job on p.155 - "because of their business ability, the Jews have been the scapegoat for the economic ills of many nations. Their success in handling money has often brought them grief. Hitler's excuse for the holocaust was in large part because the Jews had monopolized the wealth of Germany. Few have recognized Jewish prosperity as the fulfillment of God's promise to Abraham as recorded in Gen. 12:1-3." (UNQ.) Now that's stretching the Word of God mighty far and is treading on mighty thin ice, since the historical record shows that the Jews were kicked out of every country in Europe, sometimes more than once, because of their immoral conduct and because they tried to take over control of every country they lived in, just as they are doing in America today, through their control of the economy. Van Impe can scream to the contrary until he has a coronary, but that is not going to change the truth of what the Jews have done to dest pritrue Israel.

As masters of "usury" Jews ran Germany to the brink of economic destruction before WWI I. In fact, it was Jewish actions in Germany, that drove the German people into the arms of Adolf Hitler. Whatever his position concerning the Jews, whether he may have been right or wrong, he was correct when he labeled them as a "nation of leeches, parasites, and blood suckers." This is what Martin Luther, the Great German Reformer said about them centuries before: "Next to the devil, Christians have no more bitter, more poisonous, more vehement enemies than a real Jew who earnestly desires to be a Jew... Should they at times do something good, know full well that it is not done out of love for you, nor for your good." (UNQ.) Possibly this was what the APOSTLE Paul had in mind in 1 Thess. 2:15, when he said of the Jews of his day: "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (the Christian church); and they PLEASE NOT GOD AND ARE CONTRARY TO ALL MEN." (Emphasis mine.)

It is "true Israel" who has been blinded, not the Jews. We have been blind for 2500 years, to our identity, to our heritage, to our responsibilities before God, to our mission. But now, as the END TIMES are coming on the scene, the "blindness which happened to Israel in part," is being
removed, as thousands upon thousands of "true Israelites" are beginning to wake up and find out who they are. Like Esau, White Christians have not realized the value of their birthright and have sold it out to the Jews and thus despised it.

The Romans 11:22, verse, has been applied to the Jews by our "brainwashed" pastors, but this blindness does not have to do with unbelief. It comes from the Greek Word "porosia," which literally means: "stupidity or callousness." We have been "brainwashed" through our own "stupidity and callousness" to the truth, into believing that the Jews will be restored nationally to Palestine in their unbelief and there will accept Christ. I predict they will return to Palestine all right, not to accept Christ but to fulfill the prediction of Luke 19:27.

Typical of the "baloney" which is coming from the fundamental churches of America is this masterpiece of Jewish propaganda written by R. B. Thieme, pastor of the Berachah Church of Houston, Texas. Thieme is supposed to be a "super-intelligent" man, at least he considers himself to be so, who reads both Hebrew and Greek. On p.137, of his book ANTI-SEMITISM, he says: "Whereas our ancestors picked lice from their hair and fleas from their bodies while they still lived in caves and hovels under the most primitive conditions, the ancestors of the Jews had a fantastic standard of living. They had laws of hygiene which were absolutely phenomenal. (Of course he is speaking of ISRAELITES, since there were no Jews at this time - AUTHOR.) They possessed a perfect system of justice and super-morals. They practiced soil conservation and rotation of crops. Their excellent dietary laws contributed to the nation's health. They produced inspired artisans, poets, and musicians, great statesmen and warriors, judges and kings. No matter how terribly they have been persecuted; how cruelly they have been driven from country to country, the Jews have NEVER SUFFERED DEFEAT OF THEIR CULTURAL OR SPIRITUAL STANDARDS." (UNQ.)

If you want to know the basis for their "cultural and spiritual standards," read their TALMUD and then see what unadulterated "hogwash" this brain is putting out. It's enough to make an honest man "sick to his stomach." In reality, it is a "blasphemy of the truth."

In the first place, Thieme is not speaking of Jews, although this is what he calls them. He is intelligent enough to know that he was speaking of Israelites, not Jews and that they are completely "different breed of cats." I challenge his statement about the "Jews never having suffered a cultural or spiritual defeat." Let this distinguished scholar explain, if he can, why every evil influence in America - the very things which are tearing down what he says he stands for, are being bankrolled by Jewish money. It is the Jews who operate the filth of Hollywood, that put out films degrading our Savior, like the filth of THE LAST TEMPTATIONS OF CHRIST. It is Jewish doctors, for the most part who own and operate the "abortion mills" of America, which yearly slaughter close to 2-million unborn babies. It is Jewish crime lords who own and operate the prostitution rackets, and get fat off the proceeds of dope; they are the ones who wallow in child pornography and own the filthy magazines which are a disgrace to our nation. They were the spiritual father and mother of "hard rock" music. Look at every evil which is destroying America, and somewhere in the background, funding it and promoting it, you will find a Jew. Is this what Thieme means by "cultural and spiritual standards?" It's no wonder our Master said to them: "Ye serpents (snakes), ye generation of vipers (poisonous snakes), how can ye escape the damnation of hell?" It's no wonder He told the Pharisees that each of their converts became "two-fold more a child of hell than themselves," (Matthew 23:15.)

One of the most difficult problems for most Bible students and readers, is that they cannot intelligently understand the Book, until they understand the difference between Israelites and Jews.

Before we try and even understand our Bibles, we better get our definitions straightened out.

It is impossible to transfer the promises made to Israel, to another people we call JEWS. We MUST not ascribe statements concerning the JEWS, to a people who are ISRAELITES. To break this rule is to result in mental chaos which will utterly blind the reader to the truth of the Scriptures or to God's purpose for men on this earth. Because men have constantly broken this rule, we see
hundreds of different denominations in this country alone, all claiming to have the truth and nothing but the truth. Anyone with any common sense can see the fallacy in this kind of thinking.

There are five classes of Israelites mentioned in the Bible:

1 - THE TEN TRIBED NATION OF ISRAEL - this was the Northern Kingdom of Israel.

2 - THE TWO TRIBED KINGDOM OF JUDAH, known as the Southern Kingdom, which included Benjamin and some of Levi.

3 - THE HOUSE OF DAVID, which was taken out of the Tribe of Judah and set up as a separate entity to rule over Israel forever.

4 - THE FEW JEWS WHO ARE ISRAELITES. (Remember a vast majority of Jews are not.)

5 - SPIRITUAL ISRAEL. That vast army of people, regardless of race, color or social position, who accept Jesus Christ as Savior and King and who have been called by the Spirit of God into Sonship. Paul said in Gal. 3:29 - "If ye be Christ's, then are ye Abraham's seed, and heirs according to the promise. (Some Identity preachers will violently disagree with this, but I believe this is what the Bible teaches.)

THE JEWS OF JUDAH

You may recall that Jacob-Israel has 12 sons and that one of them bore the name of Judah. If all the descendants of Judah had formed themselves into one tribe (which they did not), the Judahites would have had a one-twelfth portion in Israel, and never at any time, all of it, as most of our preachers proclaim when they say: "The Jews are ALL of Israel."

Some of the people we today know as JEWS are descended from Judah, the people we today know as JEWS do not represent "ALL OF JUDAH", only a very small part. Nor do they represent the HOUSE OF JUDAH.

The name JEW is a contraction of the Hebrew word YEIIUDIM, which literally means: "a remnant of Judah," and that is exactly what they represent - those who are actually from this tribe.

But the vast majority of JEWS are not Israelites. Millions of people have been adopted into the Jewish religion. In Esther 8:27, we read where "many people of the land became Jews; for fear of the Jews." The land which was spoken of here, was a vast tract which stretched over 127 provinces from India to Ethiopia, to Asia Minor. None of these people were Jews by blood and none could claim Abraham as kin. You see, just because a person becomes a Jew by religion, does not mean that they are an Israelite, a child of Abraham. Think of such examples as the black singer Sammy Davis, Jr. Would any preacher be so stupid as to say that Davis was an Israelite and thus the son of Abraham? While Jewish sources say there may be as many as 18- million Jews in the world today, only a tiny minority of them can be classified as Israelites. Many are heathen who have become Jewish proselytes and we have already seen what Jesus said of them, when He told the Pharisees that their converts became "two-fold more a child of hell than themselves," (Matt. 23:15.)

Many Edomites were forced into accepting Judaism, in order to remain in Palestine. This does not make them Israelites.

The Encyclopedia Britannica will tell you that an entire nation of people who lived in the vicinity of the Black Sea in the 8th Century became Jews by adopting this religion. These were Khazars, but this did not make them Israelites. These Jews, the Ashkenazim Jews of today, from which 95% of
modern Jewry sprang, had no connection with Israelites of the Land of Palestine. Every leader of the modern Israeli nation has been an ASHKENAZIM JEW, of Khazar ancestry. These people were Turco-Mongolian. Jesus recognized that these people were not genuine Israelites and the Apostle Paul in Titus 1:10-14 warns Christians about these imposters.

Nehemiah makes a careful distinction between the "people" and the "Jews" in Nehemiah 5 and a careful study of Jesus' Parable of the Wheat and the Tares, (Matt. 13:24-30, 36-43, together with His statements in Matthew 23, where He denounces the Pharisees and scribes, seven times calling them "hypocrites, children of hell, children of the devil," shows this. A genuine JEW, if there is such a creature, would racially be an ISRAELITE, because he would have to be descended from Judah. But the JEWS of today ARE NOT JUDAH and they most certainly are "not all of Israel," because most of them are not Israelites at all!

The Jewish convert to Christianity, Benjamin Freedman, who spent much of his adult life fighting Zionism, believed that he was a gentile baby who had been adopted by Jewish parents. He was very high in world of Jewish hierarchy and was the confidant of seven American presidents, and close friends with such Jewish leaders as Bernard Baruch. In his book FACTS ARE FACTS, which is a letter written to a Catholic priest, who had converted from Judaism to Catholicism, he said on p.69: "The Oxford dictionary brings out clearly that JUDAIST and JUDAIC are the correct forms for the improper and incorrectly misused and misleading JEW and JEWISH. JUDAIST, and JUDAIC ARE CORRECT, JEW AND JEWISH are incorrect. They do not belong in the English language if the use of correct words is of interest to English speaking people.

"The SO-CALLED or SELF-STYLED JEWS, cannot truthfully describe themselves as JEWS because they are in a sense JUDEANS. They may correctly identify themselves by their religious belief if they wish, by identifying themselves as JUDAIST. A JUDAIST is a person who professes so called JUDAISM as his religious belief. . . The origin of JEW does not have its roots in JUDAISM. The adjective form of JUDAIST is JUDAIC. JEWISH is an objective and is incorrect, since JEW is a noun.

"Well-planned, well-financed publicity by self-styled JEWS in English speaking countries in the 18th, 19th and 20th Centuries, has created a wide spread acceptance of JEWISH." (UNQ.) Freedman then goes on in a rather "tongue in cheek" manner to describe all the outlandish uses of the word JEWISH "Jewish rye bread, "a converted Jew bragging of his Jewish blood (I have seen this happen many times - AUTHOR.) "as if he believed JEWISH blood was biologically different from that of the Catholic which he claims to have become." He then asks this question: "Do you determine race by religious dogma or doctrine?"

He continues: "If a JEWESS is the female for the male JEW; I must admit I have been unable to find female or male designations for any other religion. It has become popular to refer to the Virgin Mary as a JEWESS. But it doesn't make very much sense to me.

"Another word which creates a lot of problems is JUDEOCHRISTIAN . . . it presents a strange combination. Does JUDEO refer to PHARISEEISM or to TALMUDISM? or so-called JUDAISM? This is as unrealistic as to say that something is 'hot-cold'; 'light-heavy'; or 'wet-dry'; 'happy-sad'. These terms are antonyms, not synonyms. Judeo-Christian in the light of incontestible facts is also an antonym (word of opposite meaning,) not a synonym, as self-styled Jews would have Christians believe. It's just more sand for Christian eyes." (UNQ.)

If preachers of the Gospel would spend more time telling their people the truth concerning "personal salvation" and telling them about their responsibility to the "kingdom of God on earth", as they are supposed to do, rather than waste their people's time trying to prove that Judaism and Christianity come from the same source, there would be far fewer confused Christians and we could make much faster headway 'against those who seek to destroy us.

Mr. Freedman goes on to say on p.72: "The word anti-Semitic is another word which should be
eliminated from the English language... it serves only one purpose today. When self-styled Jews feel that anyone opposes their objectives, they discredit their victims by applying the word 'anti-Semitic;' through all channels they have at their command and under their control. (Well over 90% of all the news media, plus TV, radio and Hollywood studios, are owned/and or controlled by Jews. For more information see my book SATAN'S KIDS - AUTHOR.)

"I can speak with authority on this subject, because self-styled Jews were unable to disprove my public statements made in 1946 with regards to the situation in Palestine, they have spent millions of dollars to smear me as an anti-Semite, hoping thereby to discredit me in the eyes of the public who are interested in what I am saying. Until 1944, I was a 'little saint' to these same self-styled Jews, but when I disagreed with them publicly on Palestine, suddenly I became the Number One Anti-Semite in the country.

"It is disgraceful to see Christian clergy take-up the use of the word 'anti-Semite!' (Thieme, in his book ANTI-SEMITISM!, p. 141 says: "One of the worst things that can happen to the believers in the Lord Jesus Christ is for him to become involved in anti-Semitism; it is generally a manifestation of his revisionism [one who andocates a change in doctrine."") - AUTHOR.

"They should know better. They should know that 'anti-Semitism' is a meaningless word in the sense in which it is used today. The correct word to use would be 'Judeo-phobe!' Anti-Semite is nothing but a smear word, because Semitic is associated with Jesus in the minds of most Christians. Christians have become accessories to the destruction of the Christian faith by tolerating the use of this smear word; which is used to silence those who would about.

THE DESCENDANTS OF JUDAH

Before going to Egypt, the TRIBE of Judah was split in two by the birth of twin sons, see Gen. 38:27-30.

In Egypt, Joseph married the daughter of Poti-Pherah, the priest of On (see Gen. 46:20.) Do not be deceived into believing she was an alien, as it was very possible that her father was an Israelite. The reason I say this is that the two sons which were produced by this marriage - Manasseh and Ephraim, were completely accepted by their grandfather, Jacob-Israel, who adopted them. It is highly improbable that Jacob would have given these two boys his blessing if they were sons of an alien. Later, these boys became the heads of two tribes, displacing Joseph (Gen. 48:5.) This made a total of thirteen tribes. Later, Levi was elevated to the position of Civil Service and was not numbered with the rest of Israel, so that once again there were twelve tribes (see Numbers 1 and 26.)

There is extra-Biblical (outside the Bible) evidence, that some of the descendants of Judah left Egypt when the persecution of Exodus 1:8-13 began. At this time, Israel probably numbered about 2-million people. Exodus 1:7 says that they had "increased abundantly and multiplied until the land was filled with them." This of course, was one of the reasons the Pharaoh was afraid of them. (See Ex. 1:8-12.)

It is important for us to understand that in the view of the majority of preachers who teach that "the Jews are ALL of Israel," they refer to the modern JEW as of JUDAH. We also should remember that for 3400 years of history which are recorded in the Bible, there were no people called JEWS anywhere in the world and that today's JEWS are not JUDAHITES.

Judah had five sons, three by a Canaanite woman named Shuah: they were Er, Onan and Shelah (Gen. 38:2-5). The rest of this chapter describes the death of Er and Onan. Shelah later had a son named Er.
Judah's two other sons were born to Tamar, his daughter-in-law, and were twins named Zarah and Pharez. This split the tribe (see Gen. 38:11-30.) The name "Pharez" in Hebrew means "breach or split." An intense rivalry sprang up between these two branches over the Royal Birthright blessings. Zarah had two sons named Calcol and Darder, (see 1 Chron. 2:6.)

From the Pharez branch of the family, there came the line of Jesse, the Father of David and grandfather of Solomon. This was the only branch of the JUDAH family which formed a tribe and remained in Palestine. The other descendants left Egypt and moved to various parts of the world, where they are identified by secular history.

Of the three, son of Judah, Shelah was the, first-born and according to Hebrew custom was entitled to the "birthright" blessings. But he was rejected, in part because of his mother havin g been a Canaanite, which would have contaminated the blood line of the Messiah (see Gen. 24:3, 37; Deut. 7:1-6; 20:16-18.) However, Shelah and his descendants were of JUDAHITE stock. Shelah bore a deep resentment towards his father Judah, because Judah had not kept his word by giving Tamar (a pure blooded Hebrew girl) to him for his wife. This gave Tamar the excuse to "play the prostitute," as told in Gen. 28. From that time on, there was an unfriendly relationship between the Shelah group and other JUDAHITES.

The majority of the descendants of Shelah and Er left Egypt when the persecution began about 1706 BC and retraced their journey across the Sinai Peninsula to the lands of the Canaanites and Phoenicians. Here they inter-married and strengthened the Canaanite strain, which had first entered Hebrew stock through Shuah's daughter. In these foreign lands, they picked up the habits, languages and religions of the Canaanites and Phoenicians. The theory has been advanced by some scholars, that from the word "Phonecian", came the word "Fenian," which was later changed to "Sinn-Fein," and was related to Ireland.

Later, somewhere around 1500 B.C. many of the descendants of Shelah-Judah left Palestine on Phonecian ships, migrating to what we today know as Ireland. They traveled through the Mediterranean Sea, through the Straits of Gibraltar (then known as the "Pillars of Hercules") into the Atlantic Ocean and then north along the western sea coast of Europe to the British Isles.

These people called their home "ERIN" or "ER's LAND" after their forefather "ER". Ireland was also known as IRENE or HIBERNIA, the latter word coming from the Hebrew word HEBER or EBER, who was the forefather of all the Hebrews. Thus the word IRELAND, actually means LAND OF THE HEBREWS.

The islands to the north were named HEBERIDES the ISLANDS OF THE HEBREWS. The ancient Irish language was BRSE from ER and was a combination of Hebrew and Phonecian. South Ireland today is called "EIRE."

In 1 Chron. 4:21-23, we find that the descendants of Shelah and ER were skilled workers in fine linen, pottery, plants and hedges. This is a pretty accurate description of modern Ireland which is known world-wide for Irish linen, Behlleh China, and a love for gardening.

The Canaanite infusion of blood may be one of the underlying reasons for the apparent "inborn" and often unexplainable and un-reasonable animosity between Ireland and Britain.

In Numbers 33:55, the Israelites were warned that the Canaanites were to be "pricks in the eyes, and thorns in the flesh of Israel." So while the descendants of Shelah-Judah are alive and well in Ireland today - and while they are of the stock of JUDAH - THEY MOST CERTAINLY ARE NOT JEWS!

It might be worthwhile if we digress a bit here and go into a further study of this branch of the Judah family. The following remarks, except for those so noted, come from the scholarly book THE PHONECIAN ORIGIN OF BRITONS, SCOTS AND ANGLO-SAXONS, written in 1924 by the eminent author L. A. Waddell, Fellow of the Royal Anthropological Institute of the University of London.
"The most suitable starting point to begin unravelling the tangled skein of history of the lost threads of origin of the Britons, Scots, and Anglo-Saxons, are the fresh clues gained on the grounds of deciphered Phonecian inscriptions found in Britain. (It might be of interest to know that Phonecian inscriptions, from before the time of Christ, have been discovered in various places in the New World - AUTHOR.)

"The chief of these inscriptions, and the first reported in Britain, is covered in a hoary old stone of about 400 B.C. dedicated to Bel, the Phonecian sun god. It was carved by a votary (worshiper) who identified himself by the three titles of Phonecia; Britain, and Scot. This stone preserves the name and titles of a prehistoric, literate Phonecian king who ruled in North Britain.

"This Brit-Phonecian inscription in Britain, records the unequivical (without doubt) Aryan character of the Phonecians.

"These "Khatti" or "CATTI", as they have been called, were pictured as living in this area 2,000 to 3,000 BC. They were tall in stature, wearing snow boots and looking much like the Goths of later times.

"The ruins of their towns and cities can be found scattered throughout the length and breadth of Asia Minor and into Central Europe. These ancient people of Asia Minor were the ruling class known as Hittites. They are referred to in the Old Testament. (See Gen. 5:20; Ex. 3:8; Num. 13:29; Deut. 20:17; Joshua 1:4, etc.)

Mr. Waddell then continues, after a long scientific discussion on archeological proofs, to say that an examination of Phonecian tombs proves that the Phonecians landed in Ireland. He says:

"They were a long-headed race like the Aryans, and totally different racially from the Jews.

"A mass of new historical facts, establishes that King Brut-the-Trojan, arrived in Britain by sea about 1103 BC. The arbitrary rejection of traditional ancient British Chronicles as a source of pre-Roman British history, by modern scholars, is based upon the kind of objection and dogmatic assertion which if applied to the Old Testament, or early Greek and Roman history, would entail their total rejection." (UNQ.)

This is the kind of religious dogmatism which we find in Olinger's statement: "The only support for the legend (that the prophet Jeremiah lived out his life in Britain) are the unreliable CHRONICLES OF IRELAND." (UNQ.) Using this kind of reasoning, there is little doubt, that if Olinger had lived in a much earlier day, he would have been among those who voted the death penalty for those "fools" who said the world was round. They were heretics, you know!

**PHAREZ-JUDAH AND ZARAH-JUDAH**

The story of the birth of these twins, should be studied carefully by every student of Israel Identity. It can be found in Genesis 38 and describes the second split in the solidarity of the descendants of Judah.

The Hebrew mid-wife, who was waiting for the birth of the twins, was prepared to mark the first-born, since it would be he who would normally received the "birthright blessings." (Read Gen. 38:27-30.)

The descendants of Zarah knew they were the "Scarlet Thread Line" (the cord by which the midwife marked the firstborn,) and naturally felt they were entitled to the "birthright blessing," and the privilege of carrying on the family blood-line of the Messiah. But the descendants of Pharez knew their father had been born first. This brought about a breach in the Judah tribe.

In Gen. 49:10, we read where God stated: "The sceptre shall not depart from Judah . . . until Shiloh come." Pharez-Judah thought they should be the rulers; Zarah-Judah were sure they were the ones. But God had His own way of working this mess out.
At about the time when Shelah's descendants were arriving in ancient Ireland, we find that Chacol of the Zarah-Judah line had founded the ancient Irish line of kings, which had been planted in Ulster, hundreds of years before the time of Christ.

Many of DARDA branch of the Zarah-Judahites, left Egypt to settle the DARDA-NELLES and the HEBRUS RIVER in ancient Thrace. This latter branch of Judah, founded the ancient city of Troy, which was destroyed by the DANAI of Greece about 1100 BC. These DANAI were from the Tribe of Dan, which had split into at least three sections, with about a third of them settling in Greece. They were "blood brothers" of those they fought and destroyed in Troy.

Following the destruction of Troy, the Trojan King Brut or "BRIT," migrated with many of his people to an island to the northwest which was named BRIT-AIN, meaning "Covenant man," or "men of the Covenant." In St. Peter's church in Cornhil, London, is a stone monument which commemorates the arrival of the Trojans about 1075 BC. Traces of these same people have been found in Scotland.

While the main body of DARDA-ZARAH-JUDAHITES went to Britain; some of them settled in what is now known as Spain, where they named their land "EBERIA", or "IBERIAM" after their father "EBER." This Hebrew word means "chosen" or "elect." It is also part of what we now call the Iberian Peninsula. They built the city of ZARA-GOSSA, naming it after their forefather "ZARA," on the Elbo River. This city still exists to-day.

It is interesting to note how the Identity critics seek to discount these Israel names which can be found all over Europe. Olinger scornfully says: "They (Identity) point to many European names (Danube, Danmark, London, etc.,) which seem to bear the names of Dan. It should be noted, however, that a "d" or "n" in a name do not necessarily prove that the Tribe of Dan settled this area." (UNQ.) He then uses as an example, the Vietnamese cities of Danang, Dieu Bien Phu and Nam Dinh, "which no one believes were settled by Danites," he concludes:

"Each of the supposed Danite names has a source which in no way is connected with the tribe of Dan. The Danube for instance, gets its name from the Celtic word for River. (Of course, he refuses to accept the Hebrew background' of the Celts -AUTHOR.) "it is a mistake to assume the geography of Europe gives evidence of the lost ten tribes." (UNQ.) You will notice he gives no suggestion as to why these names are found in only certain areas of the world, and these areas are where we say the Children of Israel traveled in their trek to the APPOINTED PLACE.

It is also interesting to note that so-called Bible scholars like Olinger, will accept historical records from Egypt, Assyria and Babylonia, which are thousands of years older than those from Great Britain and Ireland, but refuse to accept the historical records of their own people and call them fairy stories. How sad that so many of our Israel people are inflicted with this same strange malady.

Although many of the descendants of Judah settled in the British Isles, even the unbelieving Bible scholars do not make the mistake of calling them JEWS.

There seems to be a connection in the story of the "Scarlet Thread" of Zarah, and the fact that it is accepted in many customs of the British, even at governmental levels. The Red Thread is woven into every inch of the ropes which are used by the British navy, with the exception of one naval yard where the color is blue. All British official documents are tied with a "red ribbon." All British possessions on their maps are marked in "red." It is also the official color of the Royal Guard, and of the Royal Canadian Mounted Police. Could this possibly have some historical significance?

Chapter XX
TWELVE TRIBED ISRAEL

The following information is taken almost "verbatim" from MAN THINKING, by Mervyn T.
Judge, of Sydney, Australia, the man from whom we have received the inspiration for this book. It can be authenticated in many places and a little honest Bible study will reveal its truth.

Following the Exodus from Egypt under Moses and the forty years of testing in the wilderness of Sinai; during which all the people over the age of forty died, with the exception of Joshua and Caleb (see Numbers 14:22-34.) the tribes composed of a new generation settled down in a long military campaign to conquer the Promised Land and form the United Kingdom of ISRAEL AND JUDAH under King David. (2 Sam. 5:5-12.)

Immediately following the Exodus, the population of Israel was given in the first chapter of Numbers. The males of 20 years and upward, all who were able to go to war, were 603,550, plus 22,000 Levites. Therefore counting women and children, we can logically believe there were at least 3-million Israelites in this area.

The population at the end of 40 years of wandering in the desert had dropped a bit, for the new generation according to Numbers 26, was 601,730, plus 23,000 Levites. (There is no indication that this number was men only.)

This census took place about 1451 BC, but by the time of King David, some 400 years later, the total military force of Israel was listed as 1,100,000, while those of Judah were 500,000. If we were to multiply that by five, the size of the average family, we would have an Israelite population of close to eight million, not including the tribe of Benjamin and the Levites. It would be reasonable to say that there were close to 9-million Israelites alive at this time, in the land of Palestine. (KEEP IN MIND THAT THESE WERE NOT JEWS, SINCE THE NAME WAS NOT EVEN KNOWN UNTIL SEVERAL HUNDREDS OF YEARS LATER ABOUT 742 BC.) This does not take into account the large number of Israelites who had fled from Egypt and who lived on the shores of the Mediterranean Sea, in Asia Minor, and in the British Isles. Most Bible scholars never take this into account, although they know that all the peoples of the world, have at some time or other, moved outside the boundaries of their homeland.

A close study of your Bible and of secular history will reveal two Israel trees growing. One was in Palestine and the other in Europe and the British Isles. At this time, which was about 1,000 BC, we find this breakdown:

1 - IN PALESTINE - Jacob's family of Simeon, Napthali, Issachar, Asshur, Zebulon, Dan, Ephraim, Manasseh, Gad, Reuben, Judah, and Benjamin. There were also some Ishmaelite Arabs who were of Abraham's blood, but who were not Israelites.

2 - IN THE BRITISH ISLES - we find the descendants of Shelah, the Danaans and Trojans who settled in Hibernia and Britain about 1075 BC.

Both of these trees were rooted in Shem; each had a priestly order of Levites working among them; each had a king from the tribe of Judah reigning over them. About 975 B.C. Rehoboam, the son of Solomon became king on the death of his father and the nation was immediately split over the issue of the exorbitant taxation Solomon had imposed to build the temple and his ps bee in Jerusalem. God used this trouble to split the nation of Israel. When Rehoboam assembled an army of 180,000 men to fight against Northern Israel, a prophet warned JUDAH: "Ye shall not go up, nor fight against your brethren, the children of Israel; return every man to his house: FOR THIS THING IS FROM ME." (Emphasis mine. 1 Kings 12:21-24.)

At this time, the two kingdoms became known as the House of Israel and the House of Judah.

Owing to the gross disobedience and awful idolatry on the part of both kingdoms, the punishment clauses of Leviticus 26 became operative and both Israel and Judah were sent into punishment and correction for a period of 2520 years. Both kingdoms became completely broken and the people were deported into Assyria and Babylonia.
It was at this time, that the transplanting of the "Tender Twig" of the Royal House of David, took place between Palestine and Ireland, via Egypt. Ezekiel 17:22, 23, says: "Thus saith the Lord God, I will also take of the highest branch of the high cedar, and will set it; I will crop off from the top of his young twigs a tender one, and will plant it upon an high mountain and eminent. In the mountain of the height of Israel will I plant it." (It might be interesting to note here, that the word "mountain" as used in the Old Testament, often refers to "nation.")

Following the Assyrian invasion, the Israel olive tree was broken. The ten tribes in the North had been deported to Assyria, and all that remained were the tribes of Judah and Benjamin, with some of the Levites, with King Zedekiah of the House of David, ruling over them from Jerusalem.

Then in 2 Kings 18:13, we have the account of how Sennacherib of Assyria invaded the southern kingdom, capturing and deporting most of the Judah people to Assyria. At this time, they captured 46 fortified cities and deported 200,150 of the men of Judah. Thus we find that the main body of the Israelites went into Assyrian captivity, leaving only a relatively small number of the House of David in Jerusalem. By 713 BC only a small remnant of the once powerful nation of Israel remained in Palestine.

About 100 years, later, Nebuchadnezzar, came to Palestine and found the remnants of the two tribes, the YEHUDIM. He captured Jerusalem after a long siege in 604 BC and made it part of the Babylonian Empire. He deported all the important people to Babylon, leaving only the very poorest rest behind. The Israel olive tree had: almost ceased to exist in Palestine at this point.

Following the destruction and burning of the temple in 585 BC and the complete destruction of Jerusalem, Jeremiah escaped to Egypt with king Zedekiah's daughters (Jer. 43:5-17) and Israel ceased to exist in Palestine.

In the meantime, the main body of Judah and Israel, living in exile in Assyria, took advantage of the wars which were then raging between Assyria and Babylonia, which resulted in Nebuchadnezzar setting up his world empire. During this period Israel in Assyria regained their freedom and commenced their long trek to the north and west, through the Pass in the Caucasus Mountains, known then as "the Pass of Israel," and into Europe. This is recorded in the historical book of 2 Esdras 13:39-48, which is not accepted by the church crowd as authentic history. (I believe because it contradicts some of their pet theories.) While in Assyria, the Bible account comes to a strange and mysterious close.

But historians, and ethnologists (those who study the divisions of races) pick them up in history. There is no gap for the earnest searcher of truth, in spite of the deliberate road-blocks which have been thrown up by organized religion. There are many writers who confirm this, men like Turner, Huxley, Rawlinson, Hannay, Sir A. Keith, as well as ancient writers such as Diodorous, Herodotus, Homer, Josephus and Strabo. They link the Israelites of Assyria with those who were then known as "Sons of Sac," or "Sacae" and tie them in with the modern Anglo-Saxons.

More than a thousand monuments and gravestones have been discovered across Europe which show inscriptions telling of the migrations of the Israel people across Europe. Men like Olinger and Van Impe, refuse to accept these proofs, because they know they will be revealed as having been wrong in their theology. This they refuse to accept!

While there is some evidence that portions of the tribes of Reuben, Gad and Manasseh went as far east as China and possibly Japan, and main body traveled north and west, as the prophets had prophesied, moving from the shores of the Black and Caspian Seas; stopping and settling for a while, then moving on; leaving a colony here and there, but drawn ever westward by some irresistible force towards the APPOINTED PLACE of 2 Samuel 7:10. Pockets of Israelites can still be found in every European country.

As they moved, their name and language changed. They were known as Saka, Sajo, Sacae, Sakasuna, Kumri, all meaning "Sons of Isaac." They eventually reached the British Isles and
became known as Angles; Saxons; Jutes; Danes; Celts; Frisians and Normans. They located themselves among the descendants of the Israel people who had arrived in the British Isles, hundreds of years before. They grafted themselves into the Israel Olive Tree (read Romans 11, with this in mind and see if it doesn't give this marvelous chapter a great deal more sense than what we have been taught by our pastors.) These people were of all one common stock. Historians such as Sharon Turner and Gibbons say they are "all of one stock." Prof. Huxley, in his book RACIAL ORIGINS, says: "The invasion of the Saxons, Goths, Danes and the Normans changed the language of Britain, but added no new physical elements. Therefore we should talk no more of Celts and Saxons, for they are all one blood. I never lose an opportunity of rooting up the false idea that the Celts and Saxons are of different races." (UNQ.)

Prof. Freeman, in his ORIGIN OF THE ENGLISH NATION, says: "Tribe after tribe, Angles, Saxons, Jutes, Frisians, poured across the sea to make new homes in the British Isles. Thus grew the British nation. . . a nation formed of the union of various tribes of the same racial stock. The Dane hardly needed assimilation; he was another kindred tribe, coming later than the others. Even the Norsemen were kindred." (UNQ.)

Edwin Guest, L.L.D. said: "The Scots were descended from the Scythae and they came to Ireland from Spain." (UNQ.)

Alexander del Mar, in his book ANCIENT BRITAIN REVISITED says: "Picts was the name of a tribe of Gotha. Scythians, Scutes and Scots are one word and mean one people." (UNQ.)

The Saxons therefore derived their name from "SACAF", meaning "Sons of Sak," or "Isaac's sons," (Gen. 21:12.) Romans 9:7 tells us that the Israelites would not be named after Israel, but "In Isaac shall thy seed be called."

These eminent writers, and many more blow to "smithereens" the scoffings of the Israel-Identity critics who say: "not a single scholar . . . anywhere . . . absolutely no one . . . puts their name to it."

Chapter XXI
THE NATION OF THE JEWS

After seventy years of Babylonian captivity (Jer. 25:11, 12; 29:10), a remnant of the Southern kingdom of Judah returned to Jerusalem and established what became known later as the "Nation of the Jews." It is well for us to remember, that this nation of Jews was not the House of Judah or the House of David, even though they occupied the land of Judea. There had been a great intermingling in Babylon, not only of blood lines, for which Ezra and Nehemiah literally tore their hair out, but in intermingling of the Hebrew religion with that of the Babylonian occult religions. What emerged was JUDAISM, or more honestly TALMUDIC JUDAISM. This new religion was a "man made" religion, substituting the traditions of men, for the Law of God. (See Jesus condemnation of the Pharisees in Mark 7:7.) Many of the Pharisees were not Israelites by blood (see Esther 8:17.) Less than 49,000 returned (Ezra 2:64 and Nehemiah 7:66) and there was a distinction made between "the people" and "the Jews." While they were apparently JEWS by religion, most of them were not racial Israelites.

Many had inter-married with the descendants of Ham; Canaanites; Hittites; Amlekites, etc., (Ezra 9.) They claimed that the entire land belonged to them. Their fore-fathers had made the same claim in 594 B.C. when they said to the Israelites: "Get you from the land; unto us is this land given in possession," (Ezekiel 11:15). This is the same thing that their descendants are saying to the Arab people today. Only today they say: "We have an inalienable right to this land, from God." This is pure "hogwash!" But they have been so clever in their claims, that they have fooled the majority of our Christian ministers into backing them, even though they "hate our guts."
A short study of Jeremiah 24 will reveal the difference between the "good" and "bad" figs of Judah. The good figs were removed and many of them merged with the Israelites in their journey across Europe and many eventually accepted Christ as their Savior and Messiah. But they were not the Jews of today. The "bad Jews" were the one's who were in Jerusalem when our Lord was on earth and who taunted and ultimately killed Him. These became a curse to every nation where they ever stopped, on their never ending wanderings. They were the one's Christ spoke to in Matthew 21:43, when He said: "The kingdom of God shall be taken from you, and given to a nation (not a church) bringing forth the fruits thereof."

The misunderstanding and mis-application of the term JEW, as used today is responsible for much of the confusion that results from a national and personal application of Scripture and the understanding of Biblical prophecy.

In 2 Kings 16:6, where the Jews are mentioned for the first time in the Scriptures, we find them fighting against Israel.

As I have mentioned frequently before, the cry of "anti-Semite" is ridiculous since the Semitic people have often fought with themselves down through the ages. it is improper to call those who are Semites, "anti-Semitic," although in truth, the Jews of today are the greatest anti-Semites of all ages, since they are persecuting the Arabs who are the true children of Abraham, while they are imposters.

People are not anti-Jewish because the Jew is Semitic (which he is usually not; for the majority of the Jews are Asiatic by blood and background), but because of Jewish behavior brought about through the teachings of their religious book the BABYLONIAN TALMUD. We should never consider the word JEW in either a racial or a religious sense. There are all four races found among the Jews and there are great divisions found, as far as their religious tenets are concerned. You will find no Jews today who conform to the Old Testament. There is no blood shed for the remission of sins, as was taught in (Lev. 17:11; Heb. 9:22.) Some even teach that they do not sin; others state that they can atone for their sins by doing good and possibly 75% or more are either agnostic or outright atheists.

The vast majority of present day Jewry is made up of Jews from Eastern Europe, the ASHKENAZI JEWS who were known in the 8th Century AD as Khazars and who converted to Judaism, from heathen worship, en masse. They have no Abrahamic blood in their veins and their ancestors never lived in Palestine. All the major leaders of the Israeli from 1948 on, have been Ashkenazi Jews. The Khazars were Japhetic people and were neither Semites or Hebrews. The American taxpayers have been spending millions of dollars every year, to resettle these Russian Jews in the United States and to teach them Hebrew. (For an interesting and educational look at these people, read THE THIRTEENTH TRIBE, written by the Jewish writer, Arthur Koestler.)

On p.17 of this book he says: "The large majority of Jews after World War II in the world, were of Eastern origin - and thus perhaps mainly of Khazar origin. If so, this would mean that their ancestors came not from the Jordan, but from the Volga; not from Canaan but from the Caucasus, once believed to be the cradle of the Aryan race; Genetically, they are more closely related to the Hun, Uigur and Magyar tribes than to the seed of Abraham, Isaac, and Jacob. Should' this turn out to be the case, then the term anti-Semitic would be void of meaning, based on a misapprehension shared by both killers and victims. The story of the Khazar E'mpire, as it slowly emerges from the past, begins to look like the most cruel hoax which history has ever perpetrated." (UNQ.)

Prof. A. N. Poliak, Professor of Medieval Jewish History at Tel Aviv University, published his book KHAZARIA in 1944, he says: "The descendants of this settlement (Khazars in Eastern Europe) - those who stayed there and those who emigrated to the United States, or went to Israel - constitute the largest majority of world Jewry." (UNQ.)

Koestler closes his book with this statement: "It is perhaps symbolic that Abram Poliak, who was a Jewish patriot, made a major contribution to our knowledge of Jewry's Khazar ancestry,
It would be well for every Christian to remember that the word Jew has four distinct meanings in the Scriptures:

1 - A DESCENDANT OF JUDAH - an ethnic designation. These are a tiny minority among Jewry.

2 - A REMNANT - of those who went into Babylonian captivity and returned under Ezra and Nehemiah to rebuild Jerusalem.

3 - AN INHABITANT OF JUDEA - a geographical designation.

4 - A PERSON WHO FOLLOWS THE TALMUDIC RELIGION OF JUDAISM - These can be of any race. They developed a corrupt religion in Jerusalem, (see 2 Kings 17:32-34) - "So they feared the Lord, and made unto themselves of the lowest of them priests of the high places, which sacrificed for them in the houses of the high places. They feared the Lord (doesn't say they served Him) and served their own gods, AFTER THE MANNER OF THE NATIONS WHOM THEY CARRIED AWAY FROM THENCE. Unto this day they do after the former manner: they fear not the Lord, neither do they after their statutes, or after their ordinances, or after the law and commandment which the Lord commanded the children of Jacob, whom He named Israel." This is a perfect word description of TALMUDIC JUDAISM. For a New Testament description of them, read 1 John 2:22, 23. Isaiah 29:13 says of them: "... they have removed their heart far from me, and their fear towards me is taught by the precepts of men." Jesus said of them in Mark 7:13 - "Making the word of God of non-effect through your traditions ..."

The destiny of the two categories of Jews, the "good" and "bad" figs can be found in Jer. 24-29. The good Hebrews went into Chaldean captivity where God gave them a new heart to serve Him, while the "bad Jews", who were rotten, were never absorbed or assimilated with other nationalities or cultures, but were always able to maintain their "identity as an evil people." In Mal. 1:4, they are called "... the border of wickedness, and, the people against whom the Lord hath indignation forever." These people would be driven through all nations and would become a "taunt and a curse" wherever they went. Here is what Jeremiah 8:3 says about them: "And death shall be chosen rather than life by ALL THE RESIDUE OF THIS EVIL FAMILY, which remain in all the places whither I have driven them, saith the Lord of hosts."

In the 10th Chapter of John's Gospel, we find Jesus delivering a very important message concerning the "sheep of the house of Israel." (See also Matt. 15:24.) Then in John 10:26, He clarifies this by telling the Jewish religious leaders in very clear terms: "But ye believe not, BECAUSE YE ARE NOT OF MY SHEEP. " Those of Judah and Israel "the whole house of Israel," would follow Him. This is one reason most of His earthly ministry was not in Judea, but in Galilee to the north, where most of the Israel people, such as Lazarus, Mary and Martha lived. In the John 10 discussion, Jesus is using the example of a shepherd and his sheep. In verse 4 He explains how He goes before his sheep and they follow Him because they know His voice. He indicates by His words in vs. 16, I believe, that there will be members of His fold who will not be Israelites: "Other sheep I have, which are not of this fold; them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd." Then in vs. 19 we find there was a "division therefore again among the Jews (Judeans) for these sayings." The ones who believed Him, like Joseph of Arimathea, were evidently Israelites and those who did not were of Jewry, the Edomite crowd. These were the "fake JEWS (Judeans) who dragged Him to trial and were responsible for His death, the same crowd that tried to kill Him when He was a baby in Bethlehem. Remember, Herod was an Edomite. These people expelled believers from their synagogues John 9:22, and were the "fake chosen" who tried to
kill Him in John 10:31. These are the same one's who have retained their devil's religion (Talmudic Phariseeism) until this day. (See John 8:42-47; Acts 13:45.)

In Jesus time, these Jews had already nullified the word of God through their heathen traditions (Matt. 15:9) - "In vain do they (Jews) worship me (God), teaching for doctrines the commandments of men." The Jewish rabbis who wrote the Talmud said that God consulted them, when He had a decision to make. It was natural that they would reject the Son of God made flesh, (John 1:14.) They had to, in order to maintain their devil's religion.

When they were backed up against the wall in John 19:15 and had to make a decision, these "so-called Jews" asserted: "We have no king but Caesar." If they had been true Israelites, they would have accepted Him as Nathaniel did in John 1:47-49. (See also 43:15, 21; Isa. 44:8.)

In 21:41, where Jesus had just finished telling the Parable of the Nobleman, the Jewish leaders passed judgment on themselves, when they answered His question regarding what the nobleman should do to those rebels who refused to accept the king. They said: "He (Christ) will miserably destroy those wicked men, and will let out His vineyard (Kingdom) unto other husbandmen, which shall render him the fruits in their season." They knew who He was; they recognized Him as such and they knew they were the evil, deceitful husbandmen who were about to kill the King's Son and heir.

Titus 1:13; 14; 1 Timothy 1:4; 4:7; Acts 3:23 and 2 Peter 1:16, all substantiate my claim that JUDAISM was and still is, a false religion. According to Jewish authorities today, the JUDAISM of today, is the PHARISEEISM of the time of Jesus, unchanged. The Prophet Isaiah predicted that the name of the JEWS would be left as a curse to true Israel and that even their facial characteristics would be such that it would be a witness against them: "And ye (JUDAH) shall leave your name for a curse unto my chosen (Israel); for the Lord God shall slay thee (compare with Luke 19:27) and CALL HIS SERVANTS BY ANOTHER NAME (Christian.)" In 3:9, Isaiah said: "The show of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not . . ." The Jew is proud of his evil works, he brags about his control of the abortion clinics, the liquor and dope industry, his control of prostitution and pornography.

In 1 Thess. 2:14, 15 we find the Apostle Paul condemning the Jewish pattern of behavior and in verse 15 saying: "They please not God and are contrary to ALL men."

It is interesting to note, that God will use the heathen nations of the world, who are not really free agents, since they operate under his control, for the purpose of chastising His people Israel. These heathen will be sent against a hypocritical people whose motto is "In God we trust!" and who sing about Christ being their King, and who put huge signs which proclaim: "JESUS IS LORD OF THIS CITY!" while the city council votes for equal rights for Sodomites and the people tolerate abortion clinics in the city limits, and filthy, Jew produced films in their theatres. This chastisement will be used to cleanse our Israel people and it will be harsh. We have brought it on ourselves. The present troubles in America, are Christian-Israel made. We are responsible for them, not the Jews, not the aliens who have poured across our borders, but ISRAELITES. Read carefully Isaiah 10:5, 6 and see how Assyria was used to discipline Israel. Notice what will happen to Israel when they repent and turn to their God (Isaiah 54:14 - "In righteousness shalt thou be established; thou shalt be far from oppression; for thou shalt not fear: and from terror; for it shall not come nigh thee."") Then a furtherance of this promise is vs. 17 -"No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn (Hebrew - "rasha" meaning: "to declare wrong.") This is the heritage of the servants of the Lord (Israel), and their righteousness is in me saith the Lord." Isa. 60:3 predicts that ". . . the Gentiles (nations of the world) shall come to thy light, and kings to the brightness of thy rising." Isaiah 61:9 "And their (Israel's) seed shall be known among the Gentiles (nations or people), and their offspring among the people: all that see them (Israel) shall acknowledge them, that they are the seed which the Lord hath blessed." This was true of America, a few years ago, when Americans were welcomed around the world and when we were looked up to as an example for others. Now, because of Israel's
backsliding, we are the "laughing stock" of these same people and will become their "door mats," unless we return to our God in repentance.

These promises, and many others, were made to "true Israel," they were never made to the "bad figs" that are called JEWS. In fact Jesus said of the "bad fig tree" in Matthew 21:19 - "Let no fruit grow on thee henceforth FOREVER." (Emphasis added.)

In 2 Chron. 6:16, "true Israel" is called the "Temple of God," while in Rev. 2:9; 3:9, the "false JEW" is called "the synagogue of Satan."

Most of our evangelical and fundamentalist theologians assume that the modern Jews are JUDAH; they assume that one day they will all be saved when they accept Christ as their Messiah and that 144,000 of them will assume an evangelistic role and go out into a world, where the Holy Spirit has been withdrawn, and save multitudes. Yet these same preachers say that people cannot be saved without the wooing of the Holy Spirit. How contradictory they are! For the most part, these men have completely lost sight of true Israel; those who disappeared into Assyrian captivity and were finally brought to their APPOINTED PLACE IN THE NEW WORLD.

Let me digress for a few paragraphs, to show you how we know America is the APPOINTED PLACE of 2 Samuel 7:10. There are a few Scriptural clues that are never used by the Identity detractors. Isaiah 41:18-20 gives a description of this new land. "I will open rivers in high places, and fountains in the midst of valleys: I will make the wilderness a pool of water, and the dry land springs of water." This has been done in Palestine on a small scale. But our detractors never want to look at America and see what God hath wrought here. Go to southern California and Arizona, look at areas which a few years ago were nothing but desert and see how they are now producing the food which feeds the world. Vs. 19 - "I (God) will plant in the wilderness the cedar, the shittah tree, and the myrtle, and the oil tree; I will set in the desert the fir tree, and the pine, and the box tree together." Note the type of trees which will be found in this wilderness area. The "oil tree" which Strong's Concordance (8081) says is the "pine;" "the fir tree, with the cypress", (1265) and most interesting of all, the "box" tree (8391). Why is this of interest? Because there are only two places in the world where these trees grow. In Lebanon, where they are almost extinct, and on the west coast of the United States, where our "giant redwood - identical to the "Cedars of Lebanon" were planted by God, for His people, some over 5,000 years ago. It staggers the imagination.

Isaiah took great delight in describing this APPOINTED PLACE that God would give to His Israel people. In his short, but extremely interesting 18th chapter, he describes this country. This is a chapter that most of our preachers bypass, because they cannot explain it. It tells us about a land lying to the west of Palestine, beyond the "rivers of Ethiopia" (Nile River). It was a land which would be literally covered with "buzzing wings." There is hardly a moment, day or night, when the skies of America and Canada are not covered by crossing airplanes.

Secondly, note that this country would send their ambassadors abroad, not in "vessels of reeds" mentioned in your King James Version (whoever heard of any nation, let alone a mighty one, who would send her representatives across the seas in such flimsy vessels?) The correct translation of this should have been "water drinking vessels," where they came up with the idea of ships made of papyrus, is anyone's guess. It just doesn't make sense. Until this century, when the airplane became the major source of overseas travels, the steam ship was the means by which our officials traveled. The Ferrer-Fenton Bible, which is translated directly from Hebrew says. "Who on the face of the seas sends its letters by agents (ambassadors."

The location of the country Isaiah speaks about is somewhere west of Palestine. If you go due west from Jerusalem, you would cross the mouth of the Nile River in the vicinity of Alexandria, Egypt. Continue west and you would cross Libya, Tunisia and Morocco, then the Atlantic Ocean and finally, if you went far enough, you would arrive in the heartlands of America, somewhere in the vicinity of Atlanta, Georgia.

This nation of people, living in a land which had once been a wilderness, was to be a people who
had been "terrible from their beginning." Ferrer-Fenton says: "A terrible race in its Past and its Future." The word "terrible" as used in the King James Version is the Hebrew word "yare" which means: "to revere; put in fear of; frighten." Up until the last thirty years or so, the United States of America, from her official beginning in 1776, had been an undefeated nation, admired and feared, or revered by everyone, friend and foe alike. While we were still babies, we defeated the most powerful military machine on earth, the mighty British Empire. We defeated the Mediterranean pirates which had caused proud England to pay them tribute; we defeated mighty Spain and stopped her dream of becoming a world empire. Then we fought two world wars, where it was our military and industrial might, along with the help of our God, that caused us to be victorious. We have been a "terrible" awe inspiring people from our inception in every meaning of the word. This is why what we see happening in foreign policy today is so shocking, as we see the "statesmanship of America, being replaced by chicken-ship." Yet even today, if America were to assemble her military might for conflict, the whole world, even mighty Russia, would hesitate to attack us.

Isaiah went into a great deal of detail in describing this country. Since it did not exist at that time and would not for some 2500 years, he had to use words which he and his readers would understand. He said this land would be "meted out and trodden down."

The Hebrew word for "trodden down" literally means "to walk over." The United States is the only country in the world which has been completely surveyed north to south, east to west. This was done by the U.S. Metes and Bounds Act in the early 1800's. All of America's lands have been literally laid out by compass until we are a "nation measured out by lines underfoot."

There is no other great nation on earth that is divided by rivers such as ours. The mighty Mississippi divides us east from west; the eastern portion is further divided by such rivers as the Ohio, the Tennessee. To the west, our country is divided by the Columbia, the Missouri, the Arkansas, and the Colorado Rivers. So when you hear your pastor say "There is no such nation like the United States mentioned in Scripture," you know he is either lying to you or is a very poor Bible scholar.

The teaching by most of our pastors that Israel will return to Palestine, is a violation of 1 Chronicles 17:9, where it says that "Israel will never move from this APPOINTED PLACE." The Lord informed David that his people would, sometime in the future, be moved to a land of rivers and mountains (see Ezekiel 34:12-14.) and would be moved no more. Present day Palestine, and even all the lands which were promised to Abraham in the Middle East, could not possibly contain all the Israel people and cannot be considered as a land of rivers. In Acts 26:7, where the Apostle Paul says the twelve tribes were "serving God day and night," the Jews were teaching at this time that the ten so-called "lost tribes" had no part in Israel and they were the accusers of the Christians who were the "true Israelites."

According to the teaching of the Apostle John, in 1 John 2:22, 23, the Jews are "anti-Christ" and according to 2 John 7-11, if we help or assist them in any way, we then "become partakers in their evil deeds." Don't get angry with me, church folks, I didn't write that, it comes from the inspired apostle. In Rev. 2:9, our risen Savior speaks of these Jewish apostates as "those who say they are JEWS (Judeans) and are not, but are of the synagogue of satan," which ties in directly with His denunciation of them in John 8:44.

Time and time again, erroneous interpretations of the Scriptures, mostly brought about through Jewish pressure, has resulted in false assumptions. One of these is the "Rapture Doctrine" which is based on a few verses which are taken completely out of context and which contradict others. Whenever you find a doctrine that contradicts some portions of Scripture, you know you are looking at a false doctrine. To name a few: (Psalms 37:9, 10), which indicate that the wicked shall be taken away and the righteous shall inherit the earth - no rapture here. Vs. 29 says: "The righteous shall inherit the earth, and dwell therein forever." Nothing said about dwelling forever in a nebulous place called "heaven." In vs. 34, we are told that the righteous shall inherit the land and shall see the wicked as they are "cut off." I believe this. I believe that God will keep His people through the terrible days of the tribulation and as this verse and many others teach, we shall see the destruction
of God's enemies. Proverbs 2:22 tells us that the "wicked shall be cut off from the earth . . "If there is any kind of "rapture" (which means "catching away") it will be of the wicked, not the righteous. Proverbs 10:30 says: "The righteous shall never be removed: but the wicked shall not inherit the earth." Read also Christ's Parable of the Wheat and Tares and His explanation of it in Matthew 13:36-43. The wicked are the ones who are removed and the righteous remain to "shine forth as the sun in the (earthly) Kingdom of their Father . .

In 1 Thessalonians 4:17, where it states: "then we which are alive and remain, shall be caught up together with them (the righteous dead who have been raised) in the clouds, (the word "remain" means: "To be a part not taken or destroyed"). This indicates to me that the wicked will already have been removed at this time. The clouds mentioned here signify the multitude of the heavenly host which will accompany our Lord on His return. Jude 14 says He will return with ten thousands of His saints. If we take this literally, it means 10-million of them. The word "air" does not refer to the heavens, but the breathable atmosphere. Paul was merely telling Christians that the dead in Christ would be resurrected first. They will be called forth from the grave, wherever they may be and will be given glorified bodies, like unto Christ's. Then the Christians who are still alive at His return, will also go through this change, instantaneously and will join the vast host of heaven in the earth's atmosphere. We shall then forever be with the Lord on this earth. In Rev. 5:9, 10 we read: "... and redeemed us to God by thy blood, out of every kindred, and tongue, and people, and nation. And hast made us unto God, kings and priests: AND WE SHALL REIGN ON THE EARTH." How can this be any plainer?

Since every doctrine, principle and interpretation MUST be consistent with, and proven by two or more Scriptures, it must be established in the Old Testament and confirmed in the New (see Matthew 18:16; John 5:31, 32.) The Apostle Paul does not contradict Old Testament teachings, even though there are some in Identity who teach this; he confirmed them. Not one verse may contradict another, or all will fall.

The JUDAIZERS know this and so through their false teachings, they have neutralized potential "soldiers of the King," and changed them into "prostitutes of the devil."

The Apostle Paul was not a JEW by blood, although most preachers will tell you he was. He was a Semite, because he was descended from Shem. He was a Hebrew, because he was a descendant of Eber, through Benjamin. He was an Israeliite because Benjamin was of Israel. He was a Roman citizen (Acts 22:25-27.) He was a JEW, only through mistaken belief (Acts 21:39). He was a PHARISEE, by political affiliation (see Phil. 3:5) and he became a Christian by being born again. In spite of the mis-use of the word JEW in the King James version, Paul was NOT a JEW by blood.

God never made any covenant with a people called JEWS. I dare you to attempt to prove this! Please don't use the old discredited ploy of saying that the word JEW and ISRAELITE mean the same thing, since they do not not!

The New Covenant was dedicated by the blood of Jesus (Matt. 26:28; 1 Cor. 11:25; Heb. 9:12.) He was to be the "Mediator" of the New Testament (Covenant) and it was to become effective on His death (Heb. 9:15-17.) God promised that He would put His law and His Spirit in the minds of true Israelites (both of Israel and Judah.) He never mentioned doing this to anyone called JEWS. (See Isa. 59:21; 61:9; 62:12; Heb. 8:6-10.) At Pentecost, representatives of all the Israel tribes were present in Jerusalem, (James 1:1; 1 Peter 1:1) when God sealed the New Covenant with His presence through the Holy Spirit, (Acts 2:1-4.)

The House of Israel began to recognize their Messiah and the Jews, who were not of Israel have rejected Him to this day. They still remain in their apostate religion (Mark 7:7-13). They persecuted those Israelites who had undergone the "born from above" experience of John 3:3, and who were now called Christian (Acts 11:26.) They have hated them and plotted there destruction ever since. The teaching that the Jews are God's chosen people, is therefore "blasphemy."

The Jews are not going to be saved as a nation and return to the Holy Land in Palestine. They are
not going to accept Jesus Christ as their Messiah, en masse. They will increase their opposition to 
our Lord and His church and will persecute true Israelite Christians in their synagogues during these 
LATTER DAYS, (see Luke 22:12.) This will continue until the time of God's harvest, shown in 
Matthew 13:37-43 when the Son of God, will send His angels to remove the "children of the wicked 
one," (compare with John 8:44) and utterly destroy them (Luke 19:27).

Moses and the children of Israel were not JEWS, they were Old Testament Christians, even though 
that name was unknown at the time. 1 Cor. 10:1 says. "... our fathers were under the cloud, and all 
passed through the sea; and were all baptized unto Moses in the cloud and in the sea; and did all eat 
the same spiritual meat; and did all drink the same spiritual drink: for they drank of that spiritual 
Rock that followed them: and THAT ROCK WAS CHRIST." (Emphasis added.)

Hebrews 11:26 indicates that Moses was a Christian, for he "esteemed the reproach of Christ greater 
riches than the treasures of Egypt; for he had respect to the recompense of the reward."

1 Peter 1:11 indicates that the Old Testament prophets were Christians for they were "Searching 
what, or what manner of time the Spirit of Christ which was in them did signify, when it testified 
beforehand the sufferings of Christ, and the glory that should follow." They were saved in the same 
manner that Israelites and others are saved today, (see Acts 4:12.)

There should really be no such date as B.C. (Before Christ) or A.D. (after Christ), since He has 
always existed and was the creator of all things. (See John 1:3; Eph. 3:9; Col. 1:16; Heb. 1:2.)

Simply knowing that we are Israelites is not enough. Too often Identity Christians have become 
"puffed up," with self-importance when all they can see is their Abrahamic ancestry. In this respect, 
Olinger spoke some truth when he said: "Identity seems to act as a 'rabbit trail' to divert Christians 
from the main business at hand. It is not correct, really, to call Identity a cult, or a heresy, since they 
do not deny any of the major doctrines or fundamentals of the faith. But Identity Christians often 
spend more time trying to convert fellow Christians to Identity, rather than trying to save the lost. 
Many study the Bible only to prove their preconceived ideas about Identity. (I wonder how he 
characterizes fundamentalists who do the same thing to prove their doctrines? - AUTHOR), not to 
find principles by which they can become more Christ like . . . while a person may be saved and 
believe in Identity, the chances are he will not be a victorious Christian."

Now much of what Olinger says here is true. I personally have met Identity believers who I 
seriously doubt were "saved." "By their fruits shall ye know them." (A man who cannot talk without 
using filthy language; who is drunk a good share of the time and takes delight in telling shady 
stories, is not my idea of what a Christian should be.) These people have become so "puffed up" 
with self-importance in their knowledge that they are "seed of Abraham," that this is all that matters 
to them. They have become so legalistic in their interpretation of the Scriptures, like what is the 
proper name to use for Jesus and God; what day is the proper day to worship; should we still 
observe the Feast Days, etc., that this is all that matters to them. John the Baptist warned us against 
unseemly "ethnic pride" in Matthew 3:9, when he told the Jews: "And think not to say within 
yourselves, we have Abraham to our father: for I say unto you, that God is able of these stones to 
rise up children unto Abraham." The knowledge that we are Israelites, should be a mighty 
humbling experience, for with it, if we are honest, we will see just how far short we have fallen of 
God's desire for us.

It is rather interesting to note that orthodox Jews do not claim to be Israel. The Rev. Merton Smith, 
of London, wrote the Chief Rabbi in London in 1918, asking him the following questions: The 
answer came from the Rabbi's office under the date of Nov. 18, 1918.

Q - "Are the people known as Jews throughout the world, the descendants of Judah and Levi, or is 
there a known admixture of other tribes?

A - "The people known as Jews came from the Tribes of Judah and Benjamin, with some 
descendants of Levi." (We know this is only a very small minority, so this answer is evasive.)
Q - If so, what portion, and what authority is there for saying so?
A - "As far as is known, there is no further admixture of tribes." (To give the lie to this, look at Esther 8:17.)

Q - If not, what has become of the other tribes. Where according to your knowledge are they?
A - The ten tribes have been absorbed among the nations of the world.

Q - "If this is unknown, where were they when Judah lost knowledge of them? Does Orthodox Jewry still look for the recovery of these tribes at some later date?"
A - "We look forward to the gathering of all the tribes at some latter date."

But Jewish orthodoxy says: "The ten Tribes HAVE NO PART IN THE JEWISH KINGDOM," (from the Jewish Encyclopedia.)

**WAS JESUS A JEW?**

The following information is taken from a pamphlet written by S. A. and F. R. Ackley and printed by the CHURCH OF THE COVENANT, Pastor Curtis Claire Ewing.

"To intelligently answer the question of whether Jesus of Nazareth was a Jew, we must first undertake to define our terms, and strange as it may seem to some, it will even be necessary for us to define what we mean when we say "Jesus of Nazareth," for there are those who say that Jesus was the man, and Christ was the ideal for which He stood - that while in a way, He represented the ideal, yet it was somewhat apart from Him. There mg. In fact, it has several different legitimate meanings which have been assigned to it through ignorance or carelessness.

"First, let us review its origin. It is derived, by the way of French, Latin, Greek, and Aramic in turn, from the Hebrew word YEHOODEE or YEHUDIM (plural). It originally had many different forms, and although many writers claim a difference in meaning between JEW and JUDAHITE, we have been unable to find any ethnological or historical evidence for some of the modern acquired meanings applied to the term JEW.

"All things considered, however, it would seem that either JEW or JUDAHITE, is a proper translation of the Hebrew word YEHOODEE; first found in the King James Bible in 2 Kings 16:6. Please remember the Bible reference, for it has a very important bearing on what we shall say later.

"Now for a little history, Biblical and secular. In the book of Esther, we find the JEWS in captivity in Persia, where a plot is hatched to wipe them out. Some of them learn about this and Queen Esther, herself a JEWESS, succeeds in circumventing the plot and turns it around. As a result "... many of the people of the land became Jews; for FEAR OF THE JEWS fell upon them." (Esther 8:17.)

What kind of JEWS were these? We read in Esther 9:30, that there were 127 provinces in the kingdom of Ahasuerus at this time. It extended all the way from Greece to the western borders of India, and from the Caucasus Mountains on the north to the Persian Gulf and the Indian Ocean. It included Egypt, Mesopotamia, Assyria, Babylon, Afghanistan, and parts of Turkestan. It is hard to think of a race which was not included in this vast territory, unless you suggest the American Indians, and we might find some relatives of them.

"Of all these races, many became JEWS. Not from love of God and His law; not because of a sense of righteousness, but merely because of fear. Obviously this did not change their racial characteristics: the new religion did not enter their hearts, so it is no space here to go into the lengthy "pros" and "cons" of the question, but we can at least state our own conviction.

(REMEMBER NOW - THIS IS BEING WRITTEN BY AN IDENTITY CHRISTIAN - AUTHOR!)
"True it is that the name Jesus and the name Christ have different meanings and that they are used separately under certain specific conditions, but it is equally true that they are used together, and that, used together or separately, they refer to one individual and only one in the entire Bible. In the Old Testament, God reveals Himself by a number of different names. This does not mean that there are a number of different gods, or a number of conceptions, but each name represents some attribute of God, and when we take them all together, we have a fuller understanding of God than what we may have received through one name.

Similarly in the New Testament, all the various names applied to Jesus Christ of Nazareth, refer to ONE SINGLE INDIVIDUAL - God the Son, come in the flesh, born of a Virgin. These names are not the result of diverse or conflicting conceptions or ideals, but rather each name supplies its share of the whole truth, and it requires all of them together to give us an adequate understanding of this one unique individual. 'Jesus' means 'Savior,' and is generally used when His humanity and Saviorship are being emphasized. 'Christ' means; 'the Anointed One,' and is usually used when emphasizing His Divinity and Messiahship. Both names belong to and fit the same individual and only one. So we are told "Believe on the Lord Jesus Christ and thou shalt be saved." (Acts 16:31.)

"Christ was not by any means an ethereal ideal divorced from the human 'Jesus.' Both names were necessary to encompass - in a small degree - the one identity.

"Next, we must try and define, briefly, the term JEW. What is a JEW? This question deserves an entire article in itself. (I would suggest you read my booklet, WHO ARE THE JEWS, - AUTHOR.)

"The term has been used so loosely and carelessly for so many years that today there is the greatest confusion as to its real meaning. In fact, it has several different legitimate meanings which have been assigned to it through ignorance or carelessness.

"First, let us review its origin. It is derived, by the way of French, Latin, Greek, and Aramic in turn, from the Hebrew word YEHOODEE or YEHUDIM (plural). It originally had many different forms, and although many writers claim a difference in meaning between JEW and JUDAHITE, we have been unable to find any ethnological or historical evidence for some of the modern acquired meanings applied to the term JEW.

"Now for a little history, Biblical and secular. In the book of Esther, we find the JEWS in captivity in Persia, where a plot is hatched to wipe them out. Some of them learn about this and Queen Esther, herself a JEWESS, succeeds in circumventing the plot and turns it around. What kind of JEWS were these? We read in Esther 9:30, that there were 127 provinces in the kingdom of Ahasuerus at this time. "Of all these races, many became JEWS. Not from love of God and His law; not because of a sense of righteousness, but merely because of fear. Obviously this did not change their racial characteristics: the new religion did not enter their hearts, so it made very little difference in their ideals; and it had very little effect on their instincts. Yet they technologically became JEWS and entered the blood stream of the present JEWISH people.

Then when the remnant of the JEWS returned from captivity, one of the first things they did was violate God's injunction against inter-marriage. The principle people from which the JEWISH men
took wives were the Hittites. This is where the typical so-called JEWISH nose came. The profile of the Hittites carved by Egyptian sculptors on temple walls in Thebes, Egypt, over 3,000 years ago, is the same "typical JEWISH look" of today.

Dr. James H. Breasted, in his book ANATOLIAN HITTITE EXPEDITION, Vol. XII, Chap. 12, p.1266, says: "their nose was acquired by neighboring Semites, including Canaanites and Hebrews." (It is not found among the Khazar JEWS, who are Turco-Mongolian by blood - AUTHOR.)

"With reference to this question, see the Jewish Encyclopedia, Vol. VI, pps. 610-612, 1904 edition 'Interrmarriage;' see also 'PROSELYTES', vol.10, pps. 220-224."

"It is also stated by Anatole Leroy Bealiu, in ISRAEL AMONG THE NATIONS, that the Jews engaged in the slave traffic often circumcised the slaves. He further mentions 200,000 Black Jews of Abyssinia (Ethiopia.)

He goes on to state: 'Towards the eighth century, to the north of the Black Sea, in the Scythian steppes, a people of Finno-Turkish stock, the Khazars, went over in a body to the old law."

"The same author also states that a large number of emigrants from Persia adopted the JEWISH religion and later became Tartars. In the JEWISH cemetery of Tabreez, Fikkovitch has discovered Hebraic inscriptions bearing Turkish names in Hebrew characters. He says the JEWS in this area, bear Hittite features.

"So you can see, the JEW as we know him today, is vastly different from the JEW of several centuries ago and is entirely different from the 'pure-blooded' Hebrews. To put it into other words, the term JEW in a racial sense may have many different meanings.

"The word JEW as first appearing in the Bible in 2 Kings 16:6, is applied to the entire kingdom of Judah, including the House of David, which was part of that kingdom, but had been set apart from Judah many years before (see 2 Sam. 7:11, 12.)

"Much later, the term JEW was used in a religious sense and was applied to those who observed the religious forms described in the Old Testament. This was the corrupt outgrowth which can be observed at the time of Christ's first coming.

(Judaism at this time, had been corrupted by the Satanic influence from Babylon, which had already begun to produce the BABYLONIAN TALMUD. This religious book set aside Mosaic teachings and began to substitute the traditions of men for the commandments of God [Mark 7:7, 9, 13].)

"It is to be noted that Christ faithfully observed the Hebrew religion in its purity and repudiated many of the barnacle-like regulations which had been man-attached to the Old Testament ceremonies.

"Now for a few facts about Christ Himself and we will be ready to answer the question about whether Jesus was a JEW.

Of course, being the Son of God, Christ could have been only half-Jewish at most, unless you go to the extremes of saying that God was a Jew. But we are only discussing the questions which concern His earthly ancestry."

Father Arthur Klyber, C.S.&R. Chaplain and Founder of the Catholic REMNANT OF ISRAEL group made these statements in a September 1988 Newsletter, addressed to DEAR FELLOW APOSTLES IN REMNANT OF ISRAEL: (I am quoting only in part): "During our Lenten season each year we of the Catholic Church (the Universal Synagogue) come face to face with our Jewish people. We re4hink the farewell words of One whom we call the Divine Rabbi Jesus: the Messiah. There on the crossbeams hung this Rabbi of all Rabbis, Prophet of all Prophets, the Anointed Redeemer of His Beloved Jewish People and of all the nations in the world; and we can't help wondering how it was possible that this GOD CHOSEN JEWISH NATION (chosen to bring this very Messiah into the world - failed to recognize Him and still to this very day - does not know Him.)"
"We ask: Do our Jewish people need the Messiah? Yes, we answer. . . perhaps more than ever they need Him. It is said that a high proportion of Jews have above average intelligence: why not? Didn't the Almighty talk to them for thousands of years? Yet, it seems this intelligence did not help them to see in this groaning Rabbi-on-the-Cross, their long-expected Messiah. (Let me stop here long enough to point out that God never spoke to a Jewish people; He spoke to Israel - there were no Jews in existence for thousands of years, after God first began to speak to Abraham - AUTHOR.)

"The explanation could be that Faith in this Messiah means Divine Intelligence received without mere brainwork; that brain-work without faith, ends only in ignorance, or in atheism. (To this I will whole-heartedly agree - AUTHOR.)

"The ONE GOD finally sent His Only Son here, AS A JEWISH BABY. He grew up as a very devout JEW; died professing His JEWISH religion; but came to life again - STILL A JEW - for the salvation of His OWN people FIRST, and then for the gentiles. He was, and is the Glory of Israel, and a Light of Revelation to the Gentiles.

"This JEW of JEWS built the Universal Synagogue on Himself as the Cornerstone - with twelve JEWS as the superstructure. (Only one of them was a JEW, the traitor Judas; all the rest were Galileeans from the Tribe of Benjamin -AUTHOR.) This Divine 'skyscraper' could never crack or crumble because its Cornerstone was and IS the Adonai Echod (the Everlasting Rock of AGES), God Almighty in the Person of His Son, the Redeemer. (I want you to notice how clever this converted (?) Jew is in brainwashing the Catholic people to whom he is writing - AUTHOR.)

"Now, please hold on your hat while Rabbi Jesus informs us that gentile-believers in Jesus cannot be anything but JEWS IN RELIGION! (Notice carefully how Fr. Klyber has used a small "g" when he referred to "gentiles" - AUTHOR.)

"Believers in Jesus CANNOT BE ANYTHING BUT JEWS BY RELIGION! Note the words 'Jews in religion'; not 'born' as JEWS. A good number of JEWS today have a disturbing fear that the JEWS, as a people, are slowly disappearing as a VISIBLE PEOPLE OF GOD by absorption into the general population. This, they fear, will come about especially through Belief in Jesus as Messiah. I say sincerely - not ironically - that our JEWISH PEOPLE WILL be more visible than ever in the UNIVERSAL SYNAGOGUE OF THE MESSIAH (the Church). Here the words of Jesus are quite convincing. He then quotes from some portion of Scripture which I have been unable to find, these words: 'I have not come to destroy (I do not destroy - I am life eternal) but I come to complete the way of worship which I myself bestowed on them through Abraham, Isaac and Jacob.'

"Was there ever, in some 5,000 years of Jewish history, anyone like Jesus of Nazareth? (Jewish history only goes back to about 742 BC as far as the Christian Bible is concerned -AUTHOR) who dared to proclaim to His Jewish followers:

I am the LIGHT for Israel.

I am the WORD for Israel, I am the WAY for Israel.

I am the TRUTH for my JEWISH people.

I am the LIFE for Israel.

I am the VINE in which my JEWISH people can grow into eternal life.

I am the SHEPHERD for ISRAEL. I am the DOOR through which they can pass into everlasting life.

I am the BREAD of life.
Born a JEW - I'll die a JEW;

Born a Gentile - I will also die a JEW!

(It is extremely important at this point for my readers to note how this Jew convert, very possibly one of those the Apostle Jude warned of in Jude 4 - "For certain men are crept in awares ungodly men, turning the grace of God into lasciviousness, and denying the Lord God, and our Lord Jesus Christ." This is exactly what this Jew is doing, as he deliberately lies to his Catholic listeners - AUTHOR.)

Let's continue with this most unusual letter: "The above heading points forcibly to a letter written by Rabbi Saul of Tarsus to a community of gentiles (still a small "g" - AUTHOR) who had become believers in the Messiah Jesus. Paul is telling them about the JEWISHNESS of their new found religion, COMPLETED JUDAISM. (Again, I need to interrupt to ask this question. How can Christianity be COMPLETED JUDAISM, when Jesus said Judaism was from Satan and that it's converts became "twice the child of hell" as the Pharisees who taught it? Matt. 23:15 - AUTHOR.) An excerpt from Ephesians 2 makes clear the unity of Paul's COMPLETED RELIGION and the COMPLETED JEWISH RELIGION of the formerly pagan Ephesians. Just as a half-finished banquet is not the whole banquet, so too the former Testament of God is not the whole Message of God. The several Covenants were not NEW RELIGIONS JUST AS God, who spoke in those Covenants, was not a NEW GOD.

"St. Paul often proclaimed the oneness of CHRISTIANITY with JUDAISM; and today there is need to repeat basic Catholic Doctrine as Cardinal Ratzinger, did in his statement of October 1987. This was the subject of the editorial in the WANDERER, Feb.11, 1988, written by one of the REMNANT OF ISRAEL advisors. It centers around a quote from the New York Times:

"Cardinal (Ratzinger) said that the aim of dialogue was to arrive at truth rather than to exchange opinions. 'The Pope has offered respect, but also a theological line.' The Cardinal is quoted as saying, 'This always implies our union with the faith of Abraham, but also the reality of Jesus Christ, in which the faith of Abraham finds its fulfillment.'

Cardinal Ratzinger then cited the case of Edith Stein, a Jew converted to Catholicism, who became a Carmelite nun and was murdered by the Nazis.

"On finding faith in Christ, she entered into the FULL INHERITANCE OF ABRAHAM", Cardinal Ratzinger said: "She turned in her JEWISH heritage to have a new and diverse heritage. But in entering into unity with Christ she ENTERED INTO THE VERY HEART OF JUDAISM." (Again, how could this be, when Jesus said of the Jewish religious leaders: "Ye believe not, because YE ARE NOT OF MY SHEEP . . "(John 10:26) - AUTHOR.

Klyber continues: "The Divine Messanic Seed was planted by the Divine Sower Himself; where else could it come from? The Messiah replaced Adam, and His Virgin Mother, replaced Eve. (I have never read anything about the Virgin Mary replacing Eve, at least in the Scriptures - AUTHOR.)

". . . the glorious blossoming of the SEED which 'crushed satan's head', and pushed open the portals of what can be called EVERLASTING JUDAISM.

"Jesus the Redeemer did not Himself need Redemption: He was not in any sense a COMPLETED JEW, but He became completely JEWISH, when God implanted Him in the womb of His Virgin Mother. Jesus did not have to await the arrival of the Messiah since He was the Messiah. Jesus did not have to complete anything in Himself except His Redeeming Sacrifice on the Cross. He had created the Commandments, but did not have to obey them; yet He did obey them in His adopted humble position as one of us, for the Redemption of all of us.

"Thank God that Heaven is actually full of JEWS - COMPLETED JEWS - the best kind of JEWS. ("They please not God, and are contrary to all," 1 Thess. 2:15 - AUTHOR.)
"All completed JEWS are taken totally by surprise when they meet the Messiah. (He then gives examples of some famous Jews who have become Catholics - AUTHOR.) (UNQ.)

This rather lengthy portion has been written to give you some idea of how subtly Jews have infiltrated themselves into the church. I have had considerable experience with Jewish converts and have noticed one thing which seems to conform to all of them that I have met. They become exceedingly active in their Christianity, attending all the meetings in the church, often with a tape recorder, then they take voluminous notes. They always talk about their JEWISHNESS, not their CHRISTIANITY, and almost without fail, sometime after they have been accepted into the Christian church, they caused trouble in that church. We have been adequately warned by the so-called Rabbi Saul, to watch out for these people. Yet many Christians will believe the "hogwash" put out by Jews such as Fr. Klyber, because he claims to now be Christian. Could it be that many of these converted JEWS are like the Marranos of the 15th Century who infiltrated the church in Spain. By day they were Catholics, even priests and cardinals, by night, in their secret enclaves, they were JEWS, laughing about the manner in which theexisd fooled the "stupid goyim." In a meeting of Jewish leaders in Europe during the 13th Century, a set of PROTOCOLS was sent to Jewish leaders throughout that part of the world. One of these PROTOCOLS stated: "Make of your sons, clergymen, so they may infiltrate the Christian churches and destroy them from within." They have done a pretty good job of this in the Twentieth Century.

Dr. Benjamin Freedman, in his book FACTS ARE FACTS, which I have quoted from before, says on p.6 - "The worldwide network of diabolical conspirators who are implementing this plot against the Christian faith while Christians seem to be sound asleep, can be laid at the feet of the Christian clergy who appear to be more ignorant or more indifferent about this conspiracy than ordinary Christians. They seem to bury their heads in the sands of ignorance or indifference like the legendary ostrich. This ignorance or indifference on the part of the Christian clergy has dealt a blow to the Christian faith from which it may never completely recover.

Christians need to be blessed in this crisis with a spiritual Paul Revere to ride across this nation warning Christians that their enemies are moving in on them fast!

"Of equal importance of pin-pointing the enemies who are making war upon the Christian faith from outside (a perfect example is what is happening in the Christian church over the blasphemous movie THE LAST TEMPTATION OF CHRIST, where Christian leaders seem more concerned with Christian disturbance which may cause them to have anti-Semitic feelings, than with the fact that the disturbances is caused by JEWS -AUTHOR) is the necessity to discover the forces working inside the Christian faith which make it vulnerable to its enemies on the outside. (We can see this at work within Identity, unfortunately, as there are some leaders who are more interested in their position and prominence within the Movement, than they are in the unity of the Movement, these will use most any excuse to cause a disturbance between them and anyone who will not dot their "i's" and cross their "t's" like they do - AUTHOR.)

"The minds of countless thousands among the Christian clergy are troubled by the mysterious pressure from above which prevents them from exercising sound judgment in this situation. (I recently received a letter from a young Baptist preacher who stated: "What is this strange force within Baptist circles which will not allow me to point out what the Zionists are doing? - AUTHOR.)

If the forces being manipulated against the Christian faith from inside can be stopped, the Christian faith will be able to stand like the Rock of Gibraltar.

"The utterances of the Christian clergy which confuses Christians the most is the constant repeated utterance that ‘Jesus was a Jew.’ That appears to be their favorite theme. This misrepresentation and distortion of an incontestible historic fact is uttered by the Christian clergy on the slightest pretext. They utter it constantly, almost without provocation. They appear to be 'trigger happy' to utter it. They never miss an opportunity to do so. Informed, intelligent Christians cannot reconcile this truly
unwarranted misrepresentation and distortion with incontestible historic fact by the Christian clergy with information known by them now to the contrary, which comes to them from sources believed by them to be equally reliable.

"They (the Christian clergy) can extricate themselves from their present predicament now only by resorting to 'the truth, the whole truth, and nothing but the truth'. That is the only formula by which the Christian clergy can recapture the lost confidence of Christians. As effective spiritual leaders they cannot function with this loss of confidence. They should make this their first order of business." (UNQ.)

Dr. Freedman then goes on with page after page of evidence proving that Jesus could not have been a Jew. For copies of this book FACTS ARE FACTS, write to THE SONS OF LIBERTY, P.O. Box 214, Meatarie, LA 7004.

Now back to the Ackley's and their article on Jesus.

"Let us see what evidence His genealogy offers. Notice that the Old Testament places a very strong emphasis against the inter-marriage of Israelites with aliens. Regarding the line of Christ, with the exception of a few rare occasions, when for His own good reasons, God permitted especially selected aliens to enter the line, under specific circumstances. We say 'apparent' because the mere fact that they were citizens of another country did not necessarily mean they were not Israelites. When we read that Ruth was a Moabitess, it could very easily mean she was a Moabite -citizen, and her ancestry may have been pure Israelite. But with these few exceptions, the bloodlines had been kept substantially pure, at least until the time of David. (We know that David had a fair complexion and was not of the swarthy color that the true Jew shows for 1 Samuel 17:42 says: "... he (David) was but a youth, and ruddy (having a healthy reddish look) and of a fair countenance - AUTHOR.)

"It might be well to note here, that while Bathsheba, the mother of Nathan and Solomon was the wife of a Hittite, she was the daughter of the Israelite Ammiel (1 Chron. 3:5). So no alien blood entered here.

"It is significant to note that in both the Matthew and Luke genealogies, there is not a single name which is not of Hebrew origin. According to Young's Concordance, there are nine names in Luke and one in Matthew, which might be considered as 'probable' of Hebrew origin and one which is listed as Recertain.' This is 'Melas', the fourth generation from Nathan. All the others are definitely Hebrew and appear early in the Old Testament, before the captivity.

"While this is not positive proof, it is a strong evidence of the racial purity of our Lord.

"Can we find anything about the racial appearance of Christ, which might throw light on His racial background. The letter of Lentulus, to the Roman Senate, which some claim is spurious, but which has been known at least from the 11th Century, and was considered by some authorities to date back to the 3rd Century, describes Jesus as having fine features, long, wavy brown hair, with a reddish beard. A similar description is credited to Pontius Pilate and agrees with this. In the catacombs of Rome, there is a picture on one of the walls which experts say must have been painted by an artist who had seen Jesus in person. This picture harmonizes with the description given above.

"There is a similar picture on the walls of a baptistry on the island of Crete, said to have been painted by a Greek artist who had seen Jesus. Dr. F. M. Rayall, for 40 years a missionary in Palestine, states this also fits with other descriptions. While all these are very ancient, no one knows whether they are authentic.

"The Cyclopaedia of Biblical and Theological Literature, by McClintock and Strong, says the painting in the catacombs shows features which are neither Greek, Roman, or Jewish.

"So in summing this all-too brief discourse on the blood origin of our Lord, we can say that in the sense that the word was first used in the Bible to apply to those who came from the Southern Kingdom, He was a Jew. In the sense that He worshiped as Moses worshiped, He was a Hebrew. But in the racial sense of the "Jew of mixed blood," who was predominate in Jesus' time no - HE
WAS NOT A JEW! The purity of His blood explains His gentile-Aryan appearance, since He was a 'true Israelite.' " (UNQ.)

To a great extent, the same things which have been said about Jesus, would apply to all His disciples with the exception of Judas, who was a JEW. The others were all Benjamites, as was the Apostle Paul.

Chapter XXII
NATIONAL IDENTITY - WHAT DOES IT MEAN?

In the introduction to her interesting and helpful book, BASICS OF NATIONAL IDENTITY, Martha O. Andrews, of Decatur, Ga. says this: "There is a Bible within the Bible - the personal, salvation, spiritual message, and the national, identity, Kingdom Message.

"The spiritual message is of primary importance, THE MILK OF THE WORD, the way through which one becomes a citizen of the Kingdom, the foundation upon which Christian growth depends.

"The KINGDOM MESSAGE is STRONG MEAT. The National Message gives understanding of world events past, present and future, and the responsibility of God's people through precept and example in the furtherance of the Kingdom." (UNQ.)

I can verify this from personal experiences and from having "rubbed shoulders" with tens of thousands of people who have come out of denominational churches. Almost without fail, they will say: "The Bible has opened up to me as never before, since I came to the understanding of who I am." Of course it does: It was written for you! God wants you to understand it! But you will never fully understand the Word, no matter how well trained you may be in theological procedures, until you know who you are and what your responsibilities before God consist of.

That the Kingdom message will not be understood by all is a foregone conclusion since the Bible tells us in Daniel 12:9, 10, that certain words were "closed up and sealed till the end of time . . . none of the wicked shall understand: but THE WISE SHALL UNDERSTAND."

In Christ's Parable of the Sower, (Matthew 13), He says in vs. 23 - "But he that receiveth seed into good ground is he that heareth the word, and understandeth it: which also beareth fruit, and bringeth forth, some a hundred fold, some sixty, some thirty."

There is no question that Jesus said His mission was to the "lost sheep of the house of Israel," (Matt. 10:6.) In fact, He indicates in one place that He was sent ONLY to Israelites (see Matt. 15:24.) "He (Jesus) answered (the Canaanite woman) I am NOT sent but unto the LOST SHEEP OF THE HOUSE OF ISRAEL." (Emphasis mine.) This word "lost" does not refer to the "spiritual" condition of Israel, but comes from two root word in the Greek "apo" and "ollumi," which put together form the word "appolumi" and mean: "those who have been banished for punishment." This is what happened to Israel and the prophet Ezekiel 34:11 says: "Behold I (God), even I, will both search my sheep, and seek them out."

Jesus' primary mission was to the "lost sheep of the house of Israel," those who had been "divorced" from their God. They were "lost" in the eyes of the world, as well as in the memory of their identity, yet not for one moment were they lost to the One who shapes all human history.

The Gospel which Jesus proclaimed during His earthly ministry was the Good News, not only of personal salvation to all mankind who would believe, but the fact that He came to establish a perfect government on this earth. The disciples were charged with the responsibility of carrying this Kingdom message to these lost sheep.
Chief among the lost sheep was the tribe of Manasseh, our own wonderful, United States of America. Our destiny began that day when the patriarch Jacob/Israel lay dying, and inspired of God, said of Manasseh: ". . . he also shall become a people, and he also shall be great," (Gen. 48:19).

As we carry the message of the "one true God" to men everywhere, and of His Kingdom of peace on this earth, we are but fulfilling the basis on which the English speaking world has existed for centuries. In 1378 A.D. over 600 years ago, when John Wycliffe wrote his English translation of the Bible, he said: "This Bible is for the government of the people, by the people, and for the people." No form of government has ever been conceived by man which can succeed, unless it is based on the law of God. For this reason, America has existed as a free nation for over 200 years. But now, our people are tinkering with "democracy," which is the will of the people, supreme over everything, even the will of God. We can see the mess we have made of things. But "praise God," one of these days, soon I believe, we are going to pass into the Kingdom Age, where once again God will be in charge and things will be run His way. In Zech. 2:11 we read: "And many nations shall be joined to the Lord in that day, and shall be my people: and I will dwell in the midst of thee, and thou shalt know that the Lord of Hosts hath sent me unto thee." Then in Zeph. 3:13 - "The remnant of Israel (not the Jews) shall do no iniquity, nor speak lies; neither shall a deceitful tongue be found in their mouth: for they shall feed and lie down, and NONE SHALL MAKE THEM AFRAID." (Emphasis mine.)

When we realize that we are Israel, then the Bible will have an entirely new meaning to us, for it is the history of our people and contains God's promises to us!

In Numbers 23, when Balaam was called by King Balak of Moab to curse Israel (Numbers 22:6), we find in verse 8 his answer to the king: "How shall I curse, whom God hath not cursed? or how shall I defy, whom the Lord hath not defied?"

Then in a moment of divine inspiration, he looked into the distant future and saw Israel-America, I believe, when he said in vs. 9: "For from the top of the rocks I see him, and from the hills I behold him; lo, the people shall dwell alone, and shall not be reckoned among the nations." God has been good to us in America and we can once again have His blessing, if we will apply the Formula for our Survival to our problems. It is found in 2 Chronicles 7:14 - "If MY people, which are CALLED BY MY NAME, will HUMBLE themselves, and PRAY, and SEEK MY FACE, and TURN FROM THEIR WICKED WAYS; then will I (God) HEAR FROM HEAVEN, and will FORGIVE THEIR SIN, AND WILL HEAL THEIR LAND." (Emphasis mine.)

Aren't you as a Christian, about ready to give God's Formula a chance?

The Noahide Laws

A Read and Pressing Danger!

Very few people who go by the name of Christian, know very much about the Noahide Laws, which today govern America, in place of the Laws of Almighty God, which made and has preserved America as a great nation. Very few Christians know of the disastrous effect this heathen law will have on our Israel people.

The fact that the majority of White Christians, who are Israelites of the "seed of Abraham", and do riot know this is their heritage, because of false teachings in most Christian churches, which has given this position to the antichrist's of Judaism, as we have forgotten God's warning in 2 Chronicles 19:2 - "... Shouldest thou help the ungodly (and the Jewish people our churches claim are God's Chosen, are the one's described in 1 John 2:22 as antichrists), and love them that hate the Lord (they call Him a bastard)? Therefore is wrath upon thee from before the Lord." Is not part of this discussion, but merely mentioned to put this message into proper perspective. Our antichrist enemy, whom Jesus described as children of hell" (Matthew 23:25), and in other places, have cleverly lead our people, through Jewish fables the Apostle Paul warned us about in Titus 1:10, 11, & 14, to accept these heathen laws, which are hastening Zionist attempts to "destroy white Christian civilization."

Paul said of them, "For there are many unruly and vain talkers and deceivers, specially they of the circumcision: Whose mouths must be stopped, who subvert (Greek - anatrepo - meaning: "to overthrow or overturn the truth"), whole houses, teaching things they ought not, for filthy lucre's (money) sake . . . Not giving heed to Jewish fables, and commandments of men, that turn from the truth."

I realize that some of you may have been taught in your church, that Jesus did away with the Law, when He died on Calvary, and He did do away with the ceremonial laws and the laws of sacrifice, when he made His "once and for all time sacrifice for our sins. "Both lie and the Apostle Paul said that God's Law; the Law of the Ten Commandments was not abolished. Jesus said, "I am not come to destroy the Law, but to fulfill it." (Matthew 5:17) The Apostle Paul tells us in Romans 3:31, "Do we make void the Law through faith? God forbid: yea, we establish the law." In I John 3:4, sin is described as transgression of the Law.

So we must definitely deal with Law, either that of God, or of the enemy.

In the first Century church, a great disturbance was created in the Jerusalem church when men from Judea"(evidently Jews), began to teach that a man "must be circumcised before die I could be saved. "

This was brought to the attention of the Jerusalem Church Council, where the Apostle Peter addressed it in Acts 15:10 when he said, "Now therefore why tempt ye God, to put a yoke upon the neck of disciples, which neither our fathers or we were able to bear?" (Refer also to Matthew 23:4), where Jesus, speaking to the Jewish leaders accused them of "laying heavy burdens, and grievous to be borne, on men’s shoulders, but they themselves will not move them with one of their fingers."

The Apostle Paul warns us in Galatians 5:1, to "Stand fast therefore in the liberty wherewith Christ has made us free, and be riot entangled again with the yoke of bondage." In other words, don't allow yourself to believe keeping the Law can save you. Paul says that those who place their trust for salvation in merely keeping the Law have "fallen from grace.

Unfortunately many in the modern church have gone "overboard" on this truth and in their newfound freedom, have often "thrown the baby out with the bath water"; by believing the Law no longer applies to Christians. Yet Jesus said in John 14:15 - "If ye love me, keep my Commandments." Then in Matthew 5:19 He reinforced this by saying, "Whosoever therefore shall break one of these least commandments, and shall teach men so, shall be called the least in the Kingdom of heaven: but whosoever shall do and teach them, the same shall be called great in the Kingdom of heaven."

So you can see that keeping God's Law the Ten Commandments is very important, although this does not save you.

If these things are true, and God's Word says they are, then how did Christian America become entangled in the heathen Noahide Laws that govern us? And what effect do they have on our Christian witness?

This information on the Noahide Laws, which were approved by U.S. Congress in 1991, comes from Pastor Cohen A. Rechart, who is pastor in an Apostolic Messianic Fellowship. (I'm not sure if this is a Jewish group or not.)

If it is Jewish, then it cannot be Christian, for there can be no such thing as a Jewish Christian or a Christian Jew. They are opposites, who do not even worship the same God. I doubt this will come as a shock to you in the Fundamental world, which has been taught that the Jews are God's Chosen people. A little study in the Jewish holy book, the Babylonian Talmud will convince you that they are heading in opposite directions. Unfortunately very few Christian's pastors have ever read, or studied from the Talmud, so know little about the Jewish religion, other than what the rabbis in their seminaries have taught them.

When anyone Jewish or non-Jewish is "born horn above" (John 3:3), they become a new creature, who is a Christian. It's impossible to be an antichrist of Judaism, and a believer in Jesus Christ at the same time, as a roan cannot have two masters."

If a Jew can be saved, when this happens they are no longer a Jew, but a Christian. Yet few of them are willing to drop the Jewish ness out of their life.

The present issue of the Noahide Law was the work of the Jewish Senator Joseph Lieberman. He was the man who instigated their approval and sped its way through Congress. Most Senators were against what Lieberman was attempting to do, but were duped by this Jew, as many have been before. Many pastors in the Christian world, who have been leading their sheep to destruction, aided him. President G. W. Bush Sr. signed these Noahide Laws into approved Law, on March 20, 1991, as P.L. 102-14.

Christian people in particular, must know what took place in our Law system that placed us under
heathen law. This is why I am putting out this SPECIAL REPORT

yours for Christ and Country, Jack Mohr.

Noahide Law and the New World Order
SEPARATION OF CHURCH AND STATE

By Charles A. Fuller, Jr. (July 1992)
REPRINTED WITH PERMISSION.

'We find few historians who have been diligent enough in their search for truth; it is their common method to take on trust what they help distribute to the public; by which means a falsehood once received from a famed writer becomes traditional to posterity."

John Dryden
English Poet, 1631-1700

Here's another issue that liberals and the media are so incredibly ignorant about, I can only shake my head. Regardless of how you feel about this issue, let's work with some facts so that we can all better understand the historical path that got America to its current state of sickening political correctness and how it relates to "separation of church and state." The following piece is as factual representation of this subject matter as I have found except for David Barton's superb film, America's Godly Heritage.

_Supreme Court Ignores Founding Fathers on Prayer Issue

The U.S. Supreme Court has issued another decision undermining the U.S. Constitution and moral foundations of America. The recent court decision banning prayer at school graduation ceremonies ignores the intent of the Founding Fathers who clearly believed that religion must not be separated from civil government In its latest decision, the high court ruled against prayer by a rabbi at Providence, R.I., junior high graduation. The 5-4 ruling continues the court's enforcement of an original doctrine created by the court in a 1947 decision when it falsified the intent of the First Amendment by only quoting part of Thomas Jefferson's views on the subject The phrase "separation of church and state" does not appear in the Constitution, but originated in an 1802 letter by Thomas Jefferson to the Danbury (Connecticut) Baptist Association regarding their fears that the Congregationalists would use the power of government to gain a favored position.

Jefferson Wanted Christian Government The part of Jefferson's statement quoted by the high court was that "The First Amendment has erected a wall of separation between church aqd state However, the court chose to ignore the remainder of Jefferson's comment which continues: "but that wall is a one-directional wall. It keeps the government from running the church but makes sure that Christian principles will always stay in government." [Editorial note: According to America's God and Country Encyclopedia of Quotations, "Jefferson borrowed phraseology from the famous Baptist minister Roger Williams who said,
'...the hedge or wall of separation between the garden of the church and the wilderness of the world, God hath broke down the wall'" Jefferson went on to say: 'Believing with you that religion is a matter which lies solely between man and his God, that he owes account to none other for faith or his worship, that the legislative powers of government reach actions only, and not opinions, I contemplate with solemn reverence that act of the whole American people which declared that their legislature should "make no law respecting an establishment of religion or prohibiting the free exercise thereof," thus building a wall of separation between Church and State.'

This personal letter reassured the Baptists that the government's hands were tied from interfering with, or in any way controlling, the affairs and decisions of the churches in America. Thomas Jefferson did not sign the Constitution, nor was he present at the Constitutional Convention of 1787. Neither was he present when the First Amendment and religious freedom were debated in the first session of Congress in 1789, as he was out of the country in France as a U.S. Minister. Due to his not being present to hear all the comments of the Founding Fathers regarding the First Amendment, Thomas Jefferson had to rely on second-hand information to learn what had transpired in that first session of Congress. This personal letter to the Danbury Baptists was written 13 years after the First Amendment.

Back to Mr. Fuller's article: The First Amendment simply reads: "Congress shall make no law respecting the establishment of religion or prohibiting the free exercise thereof." The amendment came about because Congress did not want one Christian denomination dictating to the country as had occurred in England and in Europe. It was never intended as a weapon for the Supreme Court to sweep religion out of government and education. The decision in 1947 embracing "separation of church and state" was made by court justices influenced by the doctrines of William James, the father of modern psychology. James strongly opposed religious principles in both government and education and sought a complete separation.

Repeating Lies

James, like Adolph Hitler, recognized the power of repetition in getting people to believe lies. He said, "There's nothing so absurd that if you repeat it often enough, people will believe it." Similarly, the Supreme Court and the mass media have used that technique so successfully that they have indoctrinated the bulk of the American people into believing the Constitution and the Founding Fathers favored removal of religion from both government and education. Nothing could be farther from the truth, and in fact, one dissenting Supreme Court justice wrote in 1958 that "if this court doesn't stop talking about separation of church and state, someone's going to think it's part of the Constitution."

[Editorial note: Again, let me quote Thomas Jefferson, six years after his letter to the Danbury Baptists. Letter to Samuel Miller, January 23, 1808: "I consider the government of the United States as interdicted by the Constitution from intermeddling with religious institutions, their doctrines, discipline, or exercises. This results not only from the provision of law that shall he made respecting the establishment or free exercise of religion, but from that also which reserves to the states the powers not delegated to the U S government [10th Amendment]. Certainly no power to prescribe any religious exercise, or to assume authority in religious discipline, has been delegated to the general government. It must then rest with the states as far as it can be in any human authority."

Remember, the first ten amendments to the Constitution of the United States were ratified on December 15, 1791. The above letter was written seventeen years after the ratification of the first amendment - which Jefferson was not a part of - a letter which only defines Jefferson's personal opinion. End of comment]

Back to Mr. Fuller's article: James Madison, the Founding Father most responsible for the Constitution, said the whole future of America's civilization is not taken on the power of government but rather "upon the capacity of each and every one of us to govern ourselves according to the 10 Commandments of
“God.” John Quincy Adams said, "The highest glory of the American Revolution was this: That it connected in one dissoluble bond the principles of Christianity with the principles of civil government."

John Jay, the First Chief Justice of the U. S. Supreme Court, and a major framer of the Constitution said, "Providence has given to our people the choice of their rulers, and it is the duty as well as the privilege and interest of our Christian nation to select and prefer

George Washington's farewell address, considered the most important political speech ever given in America, has been purged from most of today's school textbooks. Why? Probably because Washington advocated a course of action considered by today's liberals as "isolationism" in warning that America should stay out of Europe's intrigues. But there is undoubtedly another reason why Washington's speech has vanished from the textbooks. America's first President said, "Don't let anyone claim to be a true American. Don't let them claim the tribute of American patriotism if they ever attempt to remove religion from politics."

Benjamin Franklin wrote that "Whoever will introduce into public affairs the principles of Christianity will change the face of the world." Patrick Henry said, "It cannot be emphasized too strongly or too often that this great nation was founded not by religionists but by Christians. Not all religions, but on the gospel of Jesus Christ."

Founded on Christianity

America is the only nation in history that was founded upon Christianity, which the colonies established by Christian sects who used biblical principles to establish self-government. Indeed, if it hadn't been for the intellectual and spiritual leadership of the churches, the American Revolution never would have been fought. Cornwallis, during his surrender at Yorktown, acknowledged the overriding importance of America's churches in the Revolution, when he threatened that England would ultimately take back the colonies through subversion of the American churches. The authors of The Christian History of the Constitution of the United States of America, wrote that "In proportion as Americans let go of faith in the absolute power of God, they have accepted the belief in an all powerful State. This is true of peoples or nations, for their ideal of God determines the form of their civil, political, religious and social institutions. Communism and socialism are anti-God and anti-Christian; the battle against Communism and socialism never was, and is not now, just economic and political; it is religious. "Consequently, in order to destroy America and turn it into a socialist paradise, it is first necessary to destroy Christianity by eliminating the people's faith in God and replacing it with faith in government. What better way to do this than to banish all references to God and Christianity in the public schools as the Supreme Court has done repeatedly? In 1962, our anti-American Supreme Court banned school prayer; in 1963 it outlawed Bible reading, and in 1980, it outlawed the posting of the Ten Commandments in schools where children could see them. The extreme danger which the absence of moral and religious instruction poses to a nation was well recognized by John Adams who wrote: "We have no government armed in power capable of contending with human passions unbridled by morality and religion. Our Constitution was made only for a moral and religious people. It is wholly inadequate for the government of any other." [Editorial note: On June 21, 1776, Adams also said, "Statesmen, my dear Sir, may plan and speculate for liberty, but it is religion and morality alone, which can establish the principles upon which freedom can securely stand. Only foundation of a free Constitution is pure and virtue, and if this cannot be inspired into our People in a greater Measure than they have it now, they may change their rulers and the forms of government, but they will not obtain a lasting liberty."
Test Scores Crash

In fact, since the 1962 and 1963 decisions banning school prayer and Bible reading, SAT scores declined in schools nationwide for 18 consecutive years, an unprecedented catastrophe. The damage doesn't end with poor SAT scores. Since the early 1960's America soared to first pace in the western world in illiteracy, abortions, divorce, violent crime and drug use. What was the rabbi's prayer in Rhode Island that our illustrious Supreme Court felt compelled to strike down as a mortal threat to the nation? "We give thanks to you, Lord, for keeping us alive, sustaining us and allowing us to reach this happy occasion." What will the Supreme Court outlaw next? How about the Declaration of Independence? It mentions God four times." End of article.

Here's another issue that liberals and the media are so incredibly ignorant about, I can only shake my head. Regardless of how you feel about this issue, let's work with some facts so that we can all better understand the historical path that got America to its current state of sickening political correctness and how it relates to "separation of church and state." The following piece is as factual representation of this subject matter as I have found except for David Barton's superb film, America's Godly Heritage.

_Supreme Court Ignores Founding Fathers on Prayer Issue

The U.S. Supreme Court has issued another decision undermining the U.S. Constitution and moral foundations of America. The recent court decision banning prayer at school graduation ceremonies ignores the intent of the Founding Fathers who clearly believed that religion must not be separated from civil government. I did not bring this subject up to force anyone to embrace Christianity. But I believe that the architects of the New World Order have deliberately embarked upon a course of destroying the moral and religious fiber of this nation - and the attack upon Christianity will be rapidly stepped up in the immediate future. Why? As a famous Communist by the name of Lenin, said: "Destroy the family, you destroy the country" and religion from the earliest records of the history of this nation, has been the spiritual bond between families. Only a fool can't see that since the '60's, the moral fabric of this country has been torn asunder. What is the one common denominator behind many of our social ills? Lack of belief in God and the Ten Commandments - remember, Thou shall not kill? Over the past 30 years, life has become very cheap in America. Why not have an abortion, throw a newborn in a garbage dumpster, 12-year olds blow each other away in the inner-cities, why not, my sister had an abortion, what's the difference? Remember Thou shall not steal? Heck, why not, man, the government steals from us and besides. I want that stereo in my neighbor's house and I ain't got no money man, so what the hell? Remember Thou shall not covet thy neighbor's wife? Shoot, infidelity is a national pastime, I mean look at the President of the United States, while not inhaling his marijuana, he inhales another woman's perfume in the sack while Hillary is off on another feminist crusade. Remember thou shall not lie? Well, the President of the United States is the most prolific liar in history, my old man tells some good ones, what's the harm anyway? I mean, character doesn't matter, that's what the voters of America say. And people keep scratching their heads and wondering why America's moral foundation looks like the Murrah Building after the bombing in OKC?

America is a Christian nation and it was founded on Christian doctrine. To attempt to say otherwise is to deny the very existence of our Republic and history. Let me ask liberals and politicians a question: What if 100,000 Catholics went to Israel and demanded that Israel become a Christian country? What if 100,000 Baptists went to Iran and demanded that Iran become a Christian nation? What would happen if 100,000 Presbyterians or Methodists went to Communist China and demanded that China become a Christian nation? The answer to these questions is without a doubt, NO, NO, and NO. So, why then are the liberals, the Muslims, the Buddhists, the Jews and atheists demanding in the loudest of voices that America can no longer be a Christian nation, that we should be forced to deny our very history and heritage just to suit those who come to America to seek religious and personal freedom?

Does this mean that Americans who wish to worship as Muslims, Jews, Mormons or Buddhists can't do so? Of course not. This is one of the most important aspects of the First Amendment - that you can worship the religion of your choice. But I am sick and tired and fed up with all the special interest non-Christian religious organizations, Congress, the White House and the U.S. Supreme Court doing their absolute darnnest to wipe out Christianity in the United States and deny us our Christian heritage.

There can be no mistake if anyone takes the time to study the hard-core effect at eradication of Christianity and the Ten Commandments from America, you can see the moral rot and how its spread through all layers of our society. For those who would like to research this in more depth, I fully recommend David Barton's outstanding video titled, America's Godly Heritage, from Wall Builders, P.O. Box 397, Aledo, TX 76008 and the book, America's God and Country Encyclopedia of Quotations by William J. Federer, your local bookseller can order it, just give them the ISBN # 1-880563-09-6.

It is quite amazing how the U.S. Supreme Court has evolved over the years, legislating from the bench,
hallucinating their decisions based on a Constitution I've never seen. But then again, look at the people who make up the court, three of them today are CFR and that spells anti-American. A few words from the bench back when America as a whole still believed in morals, integrity and character: "Our laws and our institutions must necessarily be based upon and embody the teachings of the Redeemer of mankind. It is impossible that it should be otherwise; and in this sense and to this extent, our civilization and our institutions are emphatically Christian." The U.S. Supreme Court, 1892, Church of Holy Trinity v. United States. If there is this big separation of church and state and the liberals go ballistic over Christianity, why then did Congress make the Jewish religion the officially recognized religion of the United States? No, you say? Below is Public Law 102-14 [Hi Res. 104] March 20, 1991:

Education Day, U.S.A Proclamation, Joint Resolution designating March 26, 1991 as Education Day USA, and it states:

WHEREAS Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great nation was founded;

WHEREAS these ethical values and principles have been the bedrock of society from the dawn of civilization, when they are known as the Seven Noahide Laws;

WHEREAS without these ethical values and principle the edifice of civilization stands in serious peril of returning to chaos;

WHEREAS society is profoundly concerned with the recent weakening of these principles that have resulted in crises that beleaguer and threaten the fabric of civilized society;

WHEREAS the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished part to the generations of the future;

WHEREAS the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

WHEREAS Rabbi Menachem Schneerson, leader of the Lubavitch movement is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

WHEREAS in tribute to this great spiritual leader, "the rebbe," this, his ninetieth year, will be seen as one of "education and giving," the year in which we turn to education and charity. To return the world to the moral and ethical values contained in the Seven Noahide Laws; and

WHEREAS this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state. Now, therefore, be it resolved by the Senate and House of Representatives of the United States of America in Congress
assembled that March 26, 1991, the start of the ninetieth year of Rabbi Schneerson, leader of the worldwide Lubavitch movement, is designated as "Education Day, USA..." The President is requested to issue a proclamation calling upon the people of the U.S. to observe such day with appropriate ceremonies and activities. This resolution was adopted, ratified and signed into law by George Bush.

The following commentary on this resolution was written by Don Bell, Box 2223, Palm Beach, Fl 33480, March 1992:

"The Seven Noahide Laws are mentioned twice in Public Law 102-14, but are not spelled out. They seem difficult to find in English translation. We were not able to find them. A Christian pastor and subscriber informs us that they appear in a book written by one Rabbi Marvin Antelman, but we haven't been able to locate the book. However, they can be seen in the Institute of Judaic-Christian Researcher, January, 1990, in the following form:

(1) Thou shalt not engage in idol worship; (2) Thou shalt not blaspheme God; (3) Thou shalt not shed innocent blood of a human or fetus nor ailing person who has a limited time to live; (4) Thou shalt not engage in bestial, incestuous, adulterous or homosexual relations nor commit the act of rape; (5) Thou shalt not steal; (6) Thou shalt establish laws and courts of law to administer these laws, including the death penalty for those who kill, administered only if there is one testifying witness; (7) Thou shalt not be cruel to animals.

Further information concerning the Noahide Laws are found on Page 737 of Encyclopedia Americana: "A Jewish Talmudic designation for seven biblical laws_ given to Adam and to Noah before the revelation to Moses on Mt Sinai and consequently binding all mankind. Beginning with Genesis 2:16, the Babylonian Talmud listed the first six commandments ... After the flood a seventh commandment, given-to Noah, forbade the eating of flesh from living animals (Genesis 9:4). Throughout the ages scholars have viewed the Noahide Laws as a link between Judaism and Christianity, as universal norms of ethical conduct, as a basic concept of international law, or as a guarantee of fundamental human rights for all."

Now Facts With Comment. In the Bible there is a reference to the Noahic Covenant and the rainbow and its symbol and promise, but there is no mention of any Seven Noahide Laws. These come not from the Bible, but from the Babylonian Talmud. (The Torah is defined by Webster as "the whole body of Jewish religious literature including the Scriptures, the Talmud, etc.) Since these laws apply to all mankind, it is said in Noahide literature that "The Seven Noahide Laws may now receive recognition as a source of international law. By stating that the 'ethical principles' which have been 'the bedrock of society from the dawn of civilization' are the Seven Noahide Laws," Public Law 102-14, provides national recognition to both a theoretical foundation and the justification for general principles of law

This theoretical foundation anticipates further international recognition by its incorporation in an 'international scroll of honor signed by the President of the United States and other heads of state,' and essaying to 'return to the world' the Seven Noahide Laws for 'international law.' Here we see the real reason for passage of Public Law 102- 14. It is a step towards establishment of a law code for a one world government."

End of comment

Referring to the Seven Noahide Laws, Gordon Ginn, Phd., comments: "A superficial reading of these 'laws' may elicit a favorable response from those who have not done their homework. But the crux of the matter is how they are interpreted. For example, if Orthodox Jews interpret them, every Christian would be guilty
of violating number one (Thou shalt not engage in idol worship) because no cross, crucifix, image, photograph, or anything that could be construed as an icon would be allowed. Christians would be guilty of violating number two (Thou shalt not blaspheme God) because they believe that Jesus Christ was God in the flesh, and that is blasphemy to the Jews. The Jews believe that Jesus was not the son of God but only a prophet. Technically, every Christian on the face of the earth could be executed under these laws.

[Editorial note: How about number 7: That it is a violation of the Seven Noahide Laws to eat the flesh of animals? Shall all Christians then be executed because one witness saw them at Black Angus restaurant eating a steak? Think about it.]

"Whoever is behind the 'Seven Noahide Laws' is not wasting any time nailing down their dastardly plans. On the day (March 20th) that George Bush signed the resolution into law, the Wall Street Journal carried a front page story about the Noahides. And now that we are saddled with this "law," the Noahides are exploring the feasibility of taking it worldwide through the United Nations. It seems to me that this fits right in with Bush's New World Order." End of Ginn quote.

There is more material but due to space constraint, I'll have to leave it up to readers to research this for themselves. The bottom line is this: It's unconstitutional to display the 10 Commandments anywhere in public now. Crosses placed at the side of the road by people who have lost a loved one are now under attack because some people are offended by seeing a cross. But Congress can vote into law the requirement that Americans adopt the Jewish religion and that these Seven Noahide Laws will now somehow constitute international law? Isn't this unconstitutional?

Give me a break. Only a fool can't see what's going on here. And why would Congress even consider such action in favor of one religion over another, say a resolution to support Muslims? Perhaps this might shed some light on that question: In an essay reprinted in the May 27, 1996 issue of _The New York Times_, Ari Shavit, an Israeli columnist, reflected somewhat sorrowfully on the wanton Israeli killing of more than 100 Lebanese civilians in April. "We killed them out of a certain naive nubris. Believing with absolute certitude THAT NOW WITH THE WHITE HOUSE, THE SENATE AND MUCH OF THE AMERICAN MEDIA IN OUR HANDS, THE LIVES OF OTHERS DO NOT COUNT SO MUCH AS OUR OWN."

This is a shocking statement in more ways than one. First of all, what does Mr. Shavit means when he says the Jews have the White House, the Senate and much of the American media "in our hands?" And second, what does that have anything to do with the "wanton killing of more than 100 Lebanese civilians?" What does the wanton killing of more than 100 human beings have to do with Jews having the White House, the Senate and much of the American media "in our hands?" How does this equate to other people's lives not being as important as Jewish lives? These statements are very serious and should make all Americans, including those of the Jewish faith, ponder the implications of such words. If you are an American citizen, your first allegiance should be to America, not Israel or Germany or Canada.

Getting back to a Public Law passed by Congress that America should adopt Jewish laws as the bedrock of our society; our great nation was not founded on the Seven Noahide Laws or the Jewish religion. It was not founded on the Catholic Church or the Baptist faith or Buddhism. It was founded on Christianity and the teachings of Jesus Christ, not a specific religion or church. I am one of the most religiously tolerant people I know I have read the religious doctrines of more than 30 world religions. I disagree with many of the precepts of these religions, i.e. that I am the spawn of the Devil as preached in the Islamic religion because I was born "white." But, as long as someone doesn't try to force their religion on me, as I would not do unto them, let us live in peace and harmony together. And, let us hope that Public Law 102-14 gets challenged in court and is struck down because it is grossly unconstitutional to establish any religion as the religion of the United Stats, never mind the rest of the world.
Unfortunately, the media and some of these religious "leaders" don't want us to live in peace and harmony. If we don't agree with their religion, we automatically must be anti-Semitic or anti-something, just as long as it inflames the passions of the people. Just say no and refuse to be drawn into this race and religion baiting. If we refuse to play their game, they won't have a battleground and we will win. Divided we will fall.

"And he shall speak great words against the Most High and shall wear out the saints of the Most High . . . and they shall be given into his hand . . ." - Daniel 7:25

It is the proclaimed aim of world Communism and its traitors within the ranks of Christendom, to demoralize the Christian world, and thus destroy all opposition to communism.

The conspiracy against the Christian World comes direct from the Communist camp, but was initiated in the "Synagogue of Satan" (Rev. 2:9), we know as International Zionism.

This plan is to so cripple the fighting spirit of North-American Christian anti-communists in particular, that they can bring this nation of ours within the sphere of their Satanic influence. In other words, it is intended to cripple the defensive power of the Israel nations we call Christendom, so as to pave the way for the ultimate triumph of anti-God Talmudic Communism.

Of all the reactionary systems which have been developed during the 6,000 years of written history for the destruction of moral values, Talmudic communism ranks first. It is without doubt the most perfected, the most efficient and the most merciless system the world has ever seen and the most successful. Already, in a matter of some 70 years, it has subdued over 1/3 of the earth and subjected over 2-billion people to the most merciless dictatorship in the annals of history.

Whether American Christians want to accept this assessment or not, the fact remains, with ample documentation from enemy sources itself - that it was revolutionary Jewish effort that spawned this movement and bankrolled it. It is an effort to wipe Christianity from the earth and God from the skies. Thank God, we know that He has said of this effort, in Psalm 2:4: "He that sitteth in the heavens shall laugh; the Lord shall hold them in derision (contempt)." This we know will be the ultimate outcome. The question is however, will "brainwashed Christians" allow this Godless power to conquer and destroy millions of our people, before they wake up to the danger they face?

The destructive fervor of this satanic drive, brings us terrible pictures of destruction and human suffering, such as has never been visited upon the earth. We are told in Matthew 24:22, that the situation will become so bad, that unless the Lord Himself intervenes on behalf of His "elected ones," all flesh would perish.

Never before in the history of mankind, has such a "hate filled" campaign been carried on to wipe Christian values from the face of the earth and degrade everything which is connected with Jesus Christ and His church.

The purpose of International Communism is, and always has been, to enslave people in economic, political, social and spiritual bondage, so that a minority may rule completely. This is the underlaying desire of International Zionism, as clearly indicated by its leaders. In 1931, the Jewish Zionist leader Vladimir Jabotinski, speaking at the 5th Congress of Polish Zionist Revisionists in Warsaw, Poland was reported in the London Times of 12/30/31 to have said: "The Jews will become the dynamite which will blow up the British Empire." He might as well have said the Christian World, for this is what he meant.

In 1881, Goldwin Smith, a Jewish professor of Modern History at Oxford University, put the aims of Zionism into proper perspective when he said: "We regard our race as superior to humanity, and look forward not to its ultimate union with others, but to its triumph over them." In 1918, Count Mensdorf, the Austrian Ambassador to England, stated in London: "Israel (the Jews) won World War I; we made it, thrived on it; profited from it. It was our supreme revenge on Christianity."
In 1852, Benjamin Disraeli, the Jewish Prime Minister of Britain stated in *The Life of Lord George Bentinck*: "The influence of the Jews may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition, against religion and property . . . men of Jewish race are always found at the head of every one of them; this peculiar race . . . touches the hand of all the scum and low castes of Europe; and all this because they wish to destroy ungrateful Christianity."

The roots of Communist thinking can be found in their own textbook, *Psychopolitics*, which was published in 1933 and taught in the Lenin School of Psychopolitical Warfare, University of Moscow. It states: "The first thing to be degraded in any nation under conquest must be the state of man himself. Nations which have a high ethical tone are difficult to conquer. Their loyalties are hard to shake . . . It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of Psychopolitics to reduce this state of mind to the point where it can be ordered and then enslaved. Thus the first target must be man himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself, or his fellows, as capable of spiritual endurance or nobility . . . as a result, religion must become unfashionable, by demonstrating . . . that the soul is non-existent, and that man is an animal."

Have you ever wondered why your children are literally inundated in their Government schools, with the teaching of an unproven theory called "evolution?" Why they are taught that they came into existence through a "fortuitous concurrence of atoms." That somewhere in the dim, distant past, millions of years ago, an amoeba, floating around in some primeval muck, fell in love with another one, then developed over the centuries into a frog, then into a monkey that swung from a tree, and finally after millenniums had passed, this ape became your great, great, great, great grandfather. How simple and blessed is the teachings of the Holy Bible, that man was a creation from the hand of God Himself. Its no wonder our children have difficulty in life, when they are imbued with the feeling that they are not really much better than an animal. You see, if these boys and girls can be made to believe that they are animals, even graduate animals, then they aren't very important in the overall scheme of things and they can be treated and eliminated as animals for the good of the master. This is basic Communist-Talmudic theology.

The urge to murder and hideously torture, which is so characteristic of communist thinking throughout the world, is but one outward sign of this satanic conspiracy. It was spawned in the dusty corridors of ancient Babylon and has been carried down to our day in a set of religious books known as the Babylonian Talmud, which is the Bible of modern Jewry.

The red terror always begins by eliminating the intellectuals and the Christian leaders. I saw this first hand in South Korea in 1948, when I was caught in an abortive coup attempt against the South Korean government. In one ten day period, under the control of their People's Court, over 3800 people were brutally slaughtered in one small South Korean city. It was the Christian city of Sun'chon, in Chollo Nam Do Province, which bore the brunt of this savage attack. It was the Christian leaders and their families on whom the worst of the brutality fell. This has been the communist pattern world-wide.

Communist leader Lustis said to his followers: "Let us not carry on a war against individual persons, but let us exterminate the burgeoise (property owners) as a class. Do not investigate through the study of documents or proofs, what the accused has done in words and deeds against Soviet authority. The first question to be placed before this is to what class does he belong, what is his origin, his education, his training, his profession." This is something American intellectuals should think about, when they are tempted to promulgate the communist theory.

During the first communist regime under Lenin, an investigating Committee in 1919 reported this incident: "The entire floor of a large garage was used as an execution site in the provincial city of Kiev. It was swimming with blood. It did not flow, but formed a layer several inches thick and was a grisly mixture of brain and skull fragments, as well as strands of hair and other human remains.
"The entire walls were holed with thousands of bullets and were splattered with blood and fragments of brains as well as the skin that adhered to them. A ditch ran from the middle of the garage to a subterranean outlet pipe. This drainage ditch was 25cm wide and 25cm deep. It was filled to the top with blood.

"Immediately after the executions, the corpses were removed by lorries or horse drawn carts and were buried in a mass grave. In one corner of the garden we found an older grave which contained some 80 corpses, in which we discovered the most varied and unimaginative cruelties and mutilations. There were corpses with their entrails removed; others had their eyes poked out and there were deep wounds in their hands, face and neck. Further on we found a corpse with an axe buried in its breast, while others had no tongues. In one corner of this mass grave, we discovered many arms, legs and severed trunks."

You may be inclined at this point to say: "What a gross description.

Who would believe it?"

Well you better, if you want to stop it from coming here. I have seen worse in Korea. Have you ever seen a man impaled alive on a sharp bamboo pole, while his pregnant wife is stripped before him and then raped over and over, before being chopped into pieces before his dying eyes? Have you ever seen a young woman stripped of her clothing, while she is nailed to a tree with spikes driven through her breasts and a bundle of rice straw, soaked in oil is bound between her bare thighs and set on fire? Have you ever seen an elderly nun crucified against the walls of her church, with bayonets driven through her hands and rib cage and listened for agonizing hours as she screamed, and cried, and begged for mercy from men who knew no mercy. Have you ever seen a tiny baby snatched from his mothers arms and then tossed back and forth between two drunken soldiers, as they caught the little body on the points of their bayonets? Of course you haven't and many of you are going to say or think: "How can you be so gross?" You don't even understand the meaning of the word "gross." I do, because I saw these things and had them practice on me. I swore before my God, that if He ever got me out of that mess, and safely back to the country I love and the people I love, I would do everything in my power to see that these things never happened in America. I can tell you without equivocation, that I get angry when I see plans underway in America, to bring that same kind of terror here. But look at the record. This terror is not unusual for Talmudic-Communism, they have done it to well over 100-million people in the past seventy years, what makes you think America is immune?

In their textbook PSYCHOPOLITICS we read these words: "We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When that is done, we will have an end to them everywhere."

Gus Hall (Hallerg), the perennial head of the American Communist Party has predicted that 60-million Americans will be ruthlessly slaughtered when the communists take over. This is what the fight is all about! Wake Up!

There is little doubt in my mind, that many of you who read this message believe that the Lord will come back and "rapture" you out of this old world before this happens. I'm looking for His return too, not to take me out of the world, but to set things right as He has promised over and over again.

Many of you who are so sure you won't be here when these things happen, have refused to do anything to keep them from happening. You are the ones who are to blame for the mess this country is in. Your Master told you to be the "salt of the earth," and instead, you have hidden in your spiritual foxholes, folding your holy hands in prayer, while you asked Him to do the dirty work He gave you to do. Now you feel He will remove you from the mess your apathy has caused. I want you to ask yourself a simple question: "Do you believe the early Christians might have felt the same way during the terrible persecutions of the 2nd and 3rd centuries?" Do you think our Christian kinsmen in Russia might have felt that they too would be rescued before it happened to them? Yet
we know that over 60-million have been slaughtered behind the Iron and Bamboo curtains in the past seventy years. Do you believe that you are better Christians then those who have suffered for the cause of Christ? Do you believe that you deserve to be rescued when they paid for their love of the Savior with their lives? Shame on you complacent Christians who teach this Jewish fairy tale. Shame on your conceit! We know from the reports of missionaries, that the reason hundreds of thousands of Chinese Christians died, when the communists took over that unhappy country, was because they had been taught not to worry, Jesus will come back and rapture you before it gets all that bad. Is that what American Christians are going to do?

Now I know that some of you are going to be angry with me, because I have forced you to look at yourselves and you don't like what you see. But have patience and go with me a step farther and read Matthew 24. This was the chapter in which Christ was explaining to His disciples, the events which would take place before His return, at the end of this Age. Many pastors have tried to convince their people that Christ was speaking to and about Jews, in these passages. He was not! He was addressing His Christian followers.

In the first seven verses of this chapter, the Lord speaks about wars and rumors of war, famines, pestilences and earthquakes. Then note carefully the words of vs. 8 - "ALL THESE THINGS are the beginning of sorrows, THEN (in other words, after the preceding things happen) shall THEY (who is this THEY. It is the heathen Jews, of the Synagogue of Satan, those who say that they are Jews and are not, Rev. 2:9). DELIVER YOU up to be afflicted, and they shall kill you: and ye shall be hated of all nations for my name's sake." A more precise definition of the persecutors is given in Luke 21:12, where our Savior says "they will deliver you up to the Synagogues . . ." You should know without any problem, who He is referring to, since only one group of people worship in synagogues.

It is most unscholarly, in fact intellectually dishonest, to make this prediction of the Master refer to JEWS, since the Jews have never been "persecuted for Christ's sake." Without the shadow of a doubt, Jesus was speaking about Christians who would be alive on this earth, when this event takes place. Now be honest with yourself, can you find one word, or even a hint, that suggests a "rapture" of the church? Of course you can't, because it isn't there. Don't you think your Savior would have mentioned something as important as this, if it were true?

I know about Paul's message in 1 Thessalonians 4:13-17 and again in 2 Thessalonians 2:1-8. I know how many preachers predict that the Holy Spirit will be withdrawn from this earth and that an anti-Christ will take over after the church is removed. But it's not in the Bible anywhere and wasn't taught in the early church. In fact the "rapture" was not taught in the Christian church before the middle of the 19th century.

These same pastors who tell you that the Holy Spirit will be withdrawn from the earth, are the one's who now say that you can't be saved unless the Holy Spirit convicts you of sin. This is what the Scriptures teach, see (Romans 8:14; 16:8). There can be no salvation without Holy Spirit conviction of sin. The person who tells you that anyone can be saved, doesn't know his Bible. You must first be convicted by the convictor.

Now I'll be the first to admit that the message of the "rapture" is a mighty comforting message. But so is the preaching of some false teachers, who say that everyone on earth is going to eventually be saved. I'd like to believe that too! But it's not true! Millions will die because this message was preached. So don't be so positive in your belief that you are going to escape the tribulation which comes to this world, when it isn't taught in the Scriptures. No matter what your pastor, or the seminary professors say to the contrary, this fact is not going to change.

Now I do believe our God is mighty enough to keep His people safe during the tribulation and we have many examples to prove this. The Hebrew children in the fiery furnace of Nebuchadnezzar, Daniel 3, where in vs. 25 we have an indication that the Son of God walked in that furnace with them and they came out without even the smell of fire on their clothes (vs. 27). Then there was
Daniel in the lion's den, Daniel 6:22, 23. In Psalm 91:8 we read: "only with thine eyes shall thou behold and see the reward of the wicked." In Malachi 1:5, speaking of the destruction of "those who say they are Jews and are not," the writer says: "And your eyes shall see, and ye shall say, the Lord will be magnified from the border of Israel." There are many other verses which indicate that the just will be protected during this period.

In Matthew 24:22, we read of the days of the Great Tribulation: "And except those days should be shortened, there should no flesh be saved; but for the ELECTS sake, those days shall be shortened." Your pastor may try and tell you that these "elect" are Jews, but the word "elect" is never used for the Jews anywhere in Scripture, always refers either to Israel or the church.

Most fundamental Christians believe, or have been taught, that the Book of Revelation was written about 96 A.D. This date is based on very flimsy evidence and the preponderance of Bible scholars place the date during the reign of Nero and prior to the destruction of Jerusalem in 70 A.D. If this is true, then the book of Revelation could have been written in a code that the Christians of Rome understood and would have been a warning to the Christians in Jerusalem about the impending disaster. This book warns of the impending disaster to the city of Jerusalem and the Jewish State, and the impending persecution of the Christians by the Roman Empire.

The destruction of Jerusalem is portrayed in vivid terms in chapters 17 and 18, where the city is characterized as a harlot, for having rejected the teachings of the Son of God. The destruction of this city was indeed a Great Tribulation, since over a million Jews perished in the event and its inhabitants were reduced to cannibalism during the siege. It was a time of "Great Tribulation" such as bad never been seen up until this time. If you will carefully read the Matthew 24, Luke 21, and Mark 13 account of this event, you will see that Jesus was warning His Christian followers (not the heathen Jews), to flee from the city in haste, not even taking time to gather their belongings.

History shows that not a single Christian was caught in the city when it was destroyed by the Romans. They had believed their Lord, and had fled to the little city of Pella, near the Dead Sea. It makes sense that the Apostle John would give the Christians living in Jerusalem, a last second warning before that city fell. He did it in such a manner, that neither the Jews, nor the Romans understood it.

The Christian historian Eusebius, the Bishop of Cesarea in Palestine, wrote in 324 A.D. that the Christians in Jerusalem had fled to Pella prior to the city's fall. Any honest observer of Scripture, who will go beyond the few verses used by the "rapturists" to prove their theory, will come to the conclusion that Christ's, admonition to His followers to flee to the mountains was directed at Christians, not Jews and was for that day, not this.

Eusebius goes on in his history to explain how the siege that destroyed Jerusalem in 70 A.D. was a fulfillment of the prophecy of Daniel, referred to by Christ in both Matthew 24 and Mark 13, when the "abomination of desolation" stood in the temple of God in Jerusalem and desecrated it before destroying it.

There are many warnings concerning impending persecution of Christians in the book of Revelation, each one is accompanied by the assurance that those who suffer for the Lord will receive a special reward in His Kingdom on this earth. Read very carefully chapters six and twenty. The plain teaching of the Word of God, is directly contrary to what is taught by the dispensationalists such as Dr. C. I. Scofield.

When the word "elect" is used in the New Testament, it refers to those who are "called according to His purpose," (1 Peter 2:9 and 1 Thessalonians 1:4.) It does not and cannot refer to an anti-Christ people such as the Jews. It is not only bad scholarship, but downright dishonest to change the meanings of words in the Bible, to fit some theological concept you may have.

CHRISTIANS, get up out of the spiritual foxhole where you have been cowering in fear and take a stand for your Lord: "Quit ye like men, be strong!"
A lady said to me: "I don't have to worry about the communists, since I'm a Christian and will be raptured before they take over!" Talk about being "self-righteous." That old sister was so wrapped into her sheet of "self-righteousness," that its doubtful that even the power of Almighty God will get her unzipped in time, when the Lord does return. Don't you suppose there were Christians in Russia, who might have felt the same way, before they saw their families slaughtered before their eyes and they were hauled off to the gulags? The Bible tells us that just because people claim to be Christians and say "Lord! Lord!" does not mean the will enter His kingdom. The ones who get in will be those who do the "will of His Father which is in heaven." That folks, means obeying His law.

Nowhere in the New Testament are Christians given the option of taking shelter in a foxhole while the battle rages outside! Over and over again they are admonished to "Occupy until He comes!" You can't occupy when you're in a foxhole! Over and over again Christians are told to: "contend for the faith!" "Put on the whole armour of God." You don't put on armour to go to bed, or to eat dinner, armour goes on before a battle. Yet unfortunately, the great majority of Christians do not even realize we are engaged in a battle for our survival and that they are often taking the side of the enemy, working for their own destruction.

Today, there is a war going on for the extinction of "white Christian civilizations," and everything of value it has brought to this world. I use the term "white Christian civilization," because it has only been the countries of Christendom, who have openly responded to the Gospel of Jesus Christ; who have built their country's laws on the Ten Commandments; who have freed the slaves' who have sent the message of salvation to the four corners of the earth; and who send aid when there is a great catastrophe. Not one single colored country has ever been reached for Christ without a great deal of effort, money and often danger. This is one of the reasons we can be sure the nations of Christendom are the "true Israel." Read your Bible and find out for yourself!

Now whether you want to accept this truth or not, does not change it. It does not matter what your pastor may say to the contrary, the truth still exists. This is that International Talmudic Zionism - JUDAISM if you will, is behind this anti-God system. Many of you are going to balk at this statement and may throw this tract away, or stop reading. This does not change the truth of my statement. You have become so "brainwashed" by the teachings which have come to America's pulpits from such Christian Zionists as Jack Van Impe, David Webber of the Southwest Radio Church, or Jerry Falwell, that you are willing to defend the "synagogue of Satan" (Rev. 2:9; 3:9) against the plain teachings of God's Word. I suggest you ask your Judaized pastor the meaning of 2 Chronicles 19:2 and why he does not believe it. This verse says: "... shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from before the Lord:" Who do you think is responsible for the blasphemy of a movie such as THE LAST TEMPTATION OF JESUS, which is causing such a furor in fundamental circles? Look at the names of those who produce it and see for yourselves; yet have you heard one fundamentalist leader who has condemned the one's who are responsible for this blasphemy? Of course not! Look at the names behind the abortion mills of America, which yearly murder over 2-million unborn babies. Look at the names behind the dope trade, prostitution, pornography, in fact everything which is seeking to destroy Christian America. I dare you to look and see who took prayer from our public schools and who are trying to take Christ out of Christmas and Easter. Look and learn, if you dare Jack Van Impe, in one of his books says that the Jews have been blamed for every evil in the world and that we better back thee poor, down-trodden people or the wrath of God will fall on us. Then he quotes the favorite words of the JUDEOPHILES, Gen. 12:3, where God said to Abraham: "I will bless them that bless thee; and curse him that curses thee ..." The problem is, these words were written about Israelites, not Jews, since Abraham was never a Jew and neither were His descendants, until we find the wayward mixed race of the Edomites, whom our Lord condemned in John chapter 8 as being of "their father the devil."

A little honest Bible study, without some preacher looking over your shoulder to tell you what the Bible means, will tell you why the Jews have always been the bitterest enemies of Christ and why
they are now trying to eradicate His church.

I am going to prove to you, if you are willing to accept Biblical facts, rather than go by the emotions which have been built up from Jewish propaganda in your church, that the people we now know as JEWS, are the directors and inventors of world communism and that the methods, tactics and force of communism, comes straight from the pages of the Jew's religious book called the Babylonian Talmud.

But before we get into that, let's spend a few moments looking at some of the early leadership of the modern communist movement.

Over 150 years ago, a German Jewish philosopher named Ludwig Feurbach, stated: "Man will become truly free, when he realizes that there is no god of man, but man himself." This idea became so deeply rooted in the disease brain of a young Jewish radical named Karl Mordecai Marx, the son of a rabbi, whose real name was Kissell Morekay (Jews often change their names to hide their true identity). He was born in Thier, Rhineland, Germany. Before he wrote his infamous book DAS KAPITAL (which he wrote and published with the aid of another Jew named Frederick Engels.) He wrote a book called THE COMMUNIST MANIFESTO, which is the Bible of modern Communism. A close check of the MANIFESTO will show that it was taken almost verbatim from the pages of the BABYLONIAN TALMUD. Between 1843-47, Marx formulated in London, the first modern interpretation of the Hebrew Nationalist Articles and published them in the French German Yearbook under the title: CONCERNING JEWISH QUESTION! Marx was a ner-do-well alcoholic, who allowed his family to starve while he was kept by his millionaire benefactor Engles.

Frederick Engels was an English Khazar Jew who was the creator of the first Communist International and who was primarily known for the aid he gave to Marx. He was born in Bremen, Germany.

Karl Kautski, was a Khazar Jew from the Prague, Austria whose real name was KRAUS. He was the author of a book titled: THE BEGINNING OF CHRISTIANITY, in which he blasphemes Christ and pokes fun at Christian principles. He was the most important interpreter of Marx and in 1887 published a book titled THE ECONOMIC DOCTRINE OF KARL MARX MADE INTELLIGIBLE FOR ALL. He also wrote books such as THE CLASS STRUGGLE, which was the fundamental book of the Chinese Communists, prior to Mao's LITTLE RED BOOK.

Ferdinand Lassalle, a Khazar Jew born in Breslau in 1825, was active in the revolution of 1848 and was a noted communist publisher.

Jacob Lassalle, Max Hursch, Edgar Loening, Wisschauer, Babe, Schatz, David Racardo and many, many others, all Khazar Jews, were writers and leaders in the spread of Communism around the world.

In 1918 Germany became the "show place" for the Zionist-Communist directed revolution. The Red Council of the German Republic was completely Jewish, made up of people with names such as Liebernecht, Rosa Luxemburg, Kurt Eisner and other Khazar Jews. When the German monarchy fell during World War I, the Jews gained control of the government and laid the ground work for the bitter hatred they encountered under Hitler. Their ministers of state were men with names such as Hoose, Landsberg, Koutskey, Kohn and Hartzfeld, all Khazar Jews. Their Minister of Finance was a Khazar Jew named Eisner, who was directly responsible for the terrible inflation of the late twenties, which was caused by the International Jewish bankers and led to the rise of Adolf Hitler. The Minister of the Interior and the President of the Bavarian Council were also Khazar Jews. All were major instigators in the revolution which destroyed the German Republic.

The first Cabinet of Post-War Germany in 1918 was composed of seven Khazar Jews, there was not a Gentile among them. The second German Socialist Government in 1918 was also completely Jewish.
Of the 28 commissars who formed the Hungarian Socialist Republic in 1919, 18 were Jews. More than 90% of the government agents of Bela Kuhn (under whom Christians suffered terrible persecution), were Jews - 41 in all. They vented their terrible Talmudic hatred for Christ and Christians on the Hungarian Christians.

While it is easy to prove that Marxist Doctrine is Jewish doctrine, many Christians refuse to accept this because they have been "brainwashed" into accepting the teaching coming from their pulpits, that the people we today know as Jews are the Chosen People of the Bible who must be respected and aided, no matter what they do.

But putting aside all preconceived notions, let's look at the Communist Government of Russia in 1918. In the Council of the People's Commissars, sixteen of the nineteen governing persons were Khazar Jews.

In the Commissariat of the Interior, all ten were Khazar Jews. In the Commissariat of Foreign Affairs, fifteen of seventeen were Jews. In the Economic Commissariat, fourteen of fifteen were Khazar Jews. In the Commissariat of Law, all eight top members were Khazar Jews. In the Commissariat of Public Education, all seven members were Khazar Jews. In the Commissariat of the Army, all fourteen members were Khazar Jews. In the Commissariat of Health, all fourteen were Khazar Jews. Of the twenty-three members of the Soldier's and Worker's Council of Moscow, 23 were Khazar Jews.

Have you had enough? We're not finished yet!

Of the 59 members of the Central Committee of the 5th Communist Congress, 52 were Khazar Jews. In the Police Organization called CHEKA, later the K.G.B. of 34 members, 30 were Khazar Jews.

Remember now, these are not figures I have picked out of the air for the purpose of establishing my facts. They are taken directly from Communist records of those days. Top Jewish leaders have ceaselessly bragged about this control. In 1921, the top Jewish leader in America, Rabbi Stephen Wise of New York City, when asked about Communism said: "Some call it communism; I call it Judaism!" M. Hermalin, a Jewish writer, writing in THE MACCABEAN, a Zionist organ in New York City under the headline A JEWISH REVOLUTION, stated: "The Russian Revolution was made by Jews. We have created secret societies and planned the reign of terror. The revolution succeeded because of our convincing propaganda, and our mass assassinations in order to form a government truly ours." THE AMERICAN HEBREW, the leading Jewish newspaper in the United States, stated on October 10, 1920: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new world order. What happened in Russia, shall also, through the same Jewish mental and physical force, become a reality all over the world." Yet the dumb Judeo-Christian preachers still insist these are God's Chosen people, even though their Lord, Jesus the Christ said to them; "Ye believe not; because YE ARE NOT OF MY SHEEP," (Emphasis mine.) (John 10:26.)

Of a total of 520 top Communist leaders in the first Russian Communist Government, 110 less than 459 were Khazar Jews, most of them from the east side of New York City.

A little honest study on your part, or on the part of your pastor, should convince the most reluctant, to acknowledge that the massacre of Christians in Communist Russia, was carried out under Jewish control, orders and supervision.

Why is it that our media has never told us these facts? It is because all the major news outlets in the United States are Jewish owned and/or controlled. 909 of the major daily newspapers in the U.S. fall into this category, as do 49 of the leading weekly magazines.

Why do our pastors refuse to tell us these facts? Is it that they too have been brainwashed in the seminaries by insidious Jewish influences which have crept in? In Titus 1:10, the Apostle Paul warns the early church against "unruly. and vain talkers and deceivers, SPECIALLY THEY OF
THE CIRCUMCISION (Jews)." (Emphasis mine.) This is still true today, since these anti-Christ
have become very adept at infiltrating our seminaries. It is strange how Christian sources never hold
back when discussing alleged, mostly unproven Nazi atrocities in World War II, but refuse to
discuss the millions of Christians who have been ruthlessly slaughtered by Zionist Communism.

Why is it that decent, God-fearing ministers of the Gospel, refuse to face the facts and instead
uphold the very people who are set on destroying everything they stand for? I believe it is because
they do not have the "moral guts" to admit they have been taken in by slick Jewish propaganda and
that they do not have the courage to admit that they and their church leaders have been wrong for so
many years. This plus the fact that many of their church's teachings hinge on the supposition that
the modern day Jew is indeed the Israel of the Bible, causes them to take a stubborn stance which
cannot be changed until they have themselves experienced the personal hatred of these anti-Christ.
How sad, that Christians must see their loved ones slaughtered and tortured, and their own freedom
taken away; until they will believe the literal teachings of their Lord, when He accused the
Pharisees of His day (these are the same as the Jewish teachers of this age), of being guilty of "all
the righteous blood shed on earth since the time Cain slew his brother Abel." (Matthew 23:34, 35.)

When I took these facts to my fundamental Baptist pastor, after a summer of studying and agonizing
to learn the truth, for I too had been guilty of leading my people astray for eighteen years as a
Baptist evangelist - he turned me away, accused me of being an apostate and refused to face facts,
either Scriptural or historical. His answer to every fact I presented was: "You can't show me
anything! I already know what the Bible says. The Jews are the Chosen seed of Abraham,
everybody knows that." When I asked him if this was true of Sammye Davis, Jr., he got mad and
slammed the door in my face. Within two weeks, I was "persona non grata" in all the fundamental
Baptist churches in Mississippi and pastors I had known and loved for many years, refused to even
say hello to me, but when they would see me approach, would cross over to the other side of the
street. I honestly believe they were afraid of me. It's no wonder our Christian people are in such
spiritual darkness, when their shepherds refuse to tell them the truth. This is prophesied for Israel in
Jeremiah 5:30, 31 - "A wonderful and horrible thing is committed in the land. The prophet preaches
prophesy (preach) falsely, and the priests means; and my

PEOPLE LOVE TO HAVE IT SO AND
WHAT WILL YE DO IN THE END THEREOF?" How can you waken a people who delight in
being fooled?

Isaiah 56:10 also speaks of this present time when he says: "His (Israel's) watchmen are blind (a
blind sentry isn't worth very much); they are all ignorant, (of what is happening) they are all dumb
dogs, they cannot bark: (a watchdog that refuses to bark, or cannot bark is worse than useless, he is
a danger to his owner), sleeping, lying down, loving to slumber. They are greedy dogs (shades of
Falwell, Swaggart and Bakker) which can never have enough, and they are shepherds that cannot
( will not) understand; they all look to their own way, everyone for his gain. . ." What a terrible
indictment for our modern preachers, many of whom are in the evangelical and fundamental pulpits,
and some who are trying to lead Identity churches.

My pastors major argument was that if I persisted in the foolishness of warning our people of the
danger we faced, the "doors of every Baptist church in this land will be closed to you." This was the
first time I realized that God had to get the approval of pastors, before He could do anything. That
smacks of Talmudic teaching, which say that when there is a problem heaven, God asks the Jewish
rabbis for their opinion before He makes up His mind.

If you will take a little effort to investigate, you will find that the anti-semitism of Stalin and his
blood-bath against the Trotskyite Jews, was carried out by other Jews, just as were many of the
atrocities in Germany, and more correctly Soviet concentration camps. The struggle between the
Jew Trotsky and the Jew Stalin was over who would control Russia and the Communist Party. In
this struggle they slaughtered each other, as well as millions of Christians. This should tell you
something about the nature of this "Jewish beast." What did it matter to the International Zionists, if
a few thousand innocent Jews were slaughtered, when they were caught in the cross-fire?
They admit in their writings, that they are willing to sacrifice thousands of "their lesser brethren," if it brings about their final victory and they teach that their God smiles on this sacrifice.

When the Jew, Maxim Maximovich Litvinoff, Minister of Foreign Affairs in Moscow, was replaced by the Khazar Jew Moltov in 1939, the Jewish presses around the world screamed "anti-semitism." But they were careful to keep quiet the fact that Litvinoff lived a life of comparative luxury as a member of the Foreign Ministry, until his natural death a few years later. In his memoirs, published after his death, Litvinoff's opinion was that nothing would change after the death of Stalin, and this proved true.

What America and the Western World likes to call a "change in Russian policy," "glastnost" they call it now, in the Soviet Union, is nothing more than the skillful propaganda to further Zionist plans for a one world government, which they will control. The blueprint for this is drawn up in the Talmud.

The Zionist conspirators of the West want to paint Soviet Communism as "raven black," with the brilliant colors of "pascifism," "co-existence," "detente" and "peace at any price!" They want to introduce Zionist style communism to the world as harmless and for the benefit of mankind.

Why do you suppose, that over 240 members of our U.S. Congress joined an organization in 1966, called MEMBER'S OF CONGRESS FOR PEACE THROUGH LAW (MPCL), when they acknowledge that it calls for the total disarmament of America "under existing world law?"

Let me break this down into laymen terminology. First, I want to remind you that "unilateral" when used with "disarmament", means "one sided." We do while the communists "don't". The stupidity of this kind of thinking can be seen in a remark made by a leader of the National Council of Churches when he said: "We have the answer to the world's war problem. If the U.S. would take all their military equipment and dump it into the Pacific Ocean, the Communist world would see that we meant business and would do the same." We could have peace doing that, yes, but any Fifth Grader should understand that it would be the "peace of the grave!"

We can see the results of this "mushy" kind of thinking in our U.S. State Department, in Memorandum #7277, written during John Kennedy's Administration. This memorandum called for the complete disarmament of America in four steps - we are in phase four at the present time - and our country has reached the place where we are no longer immune from Communist assault.

This disarmament and the one proposed by the MPCL is to be carried out in two steps: (1) "Complete Disarmament," which will completely phase out all American military power and our national security would be taken over by a United Nations peacekeeping force; and, (2) "General Disarmament", in which our local police forces would be taken over by a National Police under which our citizens would become completely disarmed. The Federal Agency called FEMA, is working towards this end.

Now while you may not want to accept this, it is all part of the Talmudic plan for a Jewish controlled America, and through us, the world. You can scream until you are blue in the face that you do not believe this. You can call me "Nazi," or "Fascist," or "anti-Semitic," but you can't get away from the facts, which prove that world Judaism has been and is now, the guiding light behind world communism.

Let's spend a few profitable moments to see what they have done in other countries. In Hungary, out of the ten original top communist officials, 13 were Khazar Jews. The doctor who tortured Roman Catholic Cardinal Midzenty and who later became Ambassador to the U.S. was a Khazar Jew. The head of the Communist People's Court in Budapest, that ordered the execution of thousands of Christian Freedom Fighters, was a Khazar Jew. The Minister of Education, Prof. Lazlo Benedek, was a Khazar Jew, and in Czechoslovakia, out of nine top Communists leaders, all were Khazar Jews.

In Poland all top leaders were Khazar Jews. The only important non-Jew leader in Poland,
Gomulka, was removed from political leadership in 1949.

In Yugoslavia, Tito was a Khazar Jew whose name was Josef Walter Weiss; he came from Poland and was an agent of the Soviet Secret Service in Kabul, Teheran and Ankara, until 1935.

The Zionist-Communist aim of a one-world government is readily understood by any Jew who has received training in their religious book, the Babylonian Talmud. This means that "all" rabbis understand this, since it is the central theme of this book. It supercedes the law of Moses in the Torah. Communism is a Zionist aim, by which they intend to control the world and they do not hesitate to tell you so. They believe the "goyim" (which means non-Jew animal - you), are so incredibly stupid, that they can tell us what they intend to do and we will not believe them. Isn't that the way it has worked out with the Communists? They have told us for seventy years that they intend to destroy us, yet many of our political and religious leaders say: "They don't really mean that!" When Khruschev came to the United Nations a few years and pounded on the podium as he screamed: "We will bury you," the great American intellectual, Prof. John Kenneth Galbraith, said: "He didn't really mean that. He meant they would pass us industrially." No wonder Khruschev when he returned to Moscow, was reported in Pravda to have said: "I went to America and spit in their faces, and they thought it was dew!"

Jesus Christ fully understood these evil people when He called their leaders: "snakes, hypocrites, whitened sepulchers, murderers, seducers, sons of Satan, of the synagogue of Satan," too bad our Christian leaders can't see what He sought to teach us.

There were years when I believed the Jewish propaganda I had heard in my Baptist church. Then one day, I was forced by circumstances beyond my control, to take a close look at JUDAHISM, and the effect it was having on America and the Christian church. For years I vehemently defended these people against any "extremist" who dared to insinuate they were not the people of the Book. But I found to my horror, that the "Moral Majority" programs of American Christians, the stand of men like Van Impe and Swaggart and Webber will all go down the drain, unless Christians are willing to take off the spiritual blindfold they have placed on their eyes and look for the Scriptural and historical truth.

Any normally intelligent Christian, who is willing to take the time and effort to sit down with his Bible and a good history book, and who is willing to be guided by the Holy Spirit, rather than the teachings of some man, can see that these people we now call Jews, cannot be the people of Israel and are Christ's worst enemies.

Now it's a sad thing to realize, that even though I have no ulterior motives and am concerned only with the safety of the people I love, and of the Christ I adore, there will be those who will try and blacken my name, because I have dared to tell them the bitter truth. It is very possible that I may have to say what the Apostle Paul was forced to say to the Galatian Christians (4:16): "Am I therefore to become your enemy, because I tell you the truth?"

Let me say this with all the love and force I can summon. I have not departed from the faith. I love my Savior and the Old Book more than I ever did before. But my duty to my God, as a "watchman on the walls of Israel America," is to speak the truth, not win some popularity contest with Christians who do not want to be warned. So if my friends turn against me, because I speak the truth, it will make me sad, but it will be worth everything to me, if only a few recognize the truth, then have the spiritual "intestinal fortitude" to do something about it.

The attitude of the average Jew towards materialism is well known. One Jewish writer, Werner Sombart says: "The fundamental characteristic feature of the Jewish religion consists in the fact that it is a religion which has nothing to do with the other world, but is, as one might say, totally materialistic. Man can experience good and evil only in this world; if God wishes to punish or reward, He can only do this during the lifetime of a man. Therefore the righteous man must attain well being here on earth and the godless must suffer here."
He then gives this major difference between the Christian and the Jew. "The Christian is on his
death bed and is tortured by pangs of repentance because he has cheated his fellow men and has
unjustly acquired much goods. The devout Jew, on the other hand, when he approaches the end of
his life, looks with contentment on the trunks filled to bursting in which his profits have
accumulated and which during his lifetime he has cheated both Christian and heathen alike to
obtain. It is a spectacle on which his devout heart feasts, for in every roll of money, he can see the
approval of his God."

In 1888, Messianer Baruch Levy, sent a letter to Karl Marx, in which he said: "The Jewish people as
a whole are their own messiah. Its kingdom over the universe is obtained . . . through the
suppression of frontiers and monarchies, which were the bulwark for particularism and hinder the
erection of our World Republic, where citizenship is recognized everywhere, as belonging only to
the Jew . . . The government of people will all pass effortlessly into the hands of the Jews in favor
of the victory of the proletariat. Then the property of the world will become the rightful property of
the Jews and the prophecies of the Talmud will have been fulfilled. When the time of the Messiah is
come, the Jew will have all the goods of all peoples of the world in their possessions." This is their
goal!

What a contrast to what Isaiah taught about God's attitude towards the Jew. In Isaiah 65:2, he speaks
to the Jews, not Israel: "I have spread out my hands all day unto a rebellious people, which walked
in a way that was not good, after their own thoughts; a people that provoketh me to anger
continually to my face . . . (do you suppose THE LAST TEMPTATION OF CHRIST might be
one of these provocations?) Then vs. 12: "Because when I called, ye did not answer; when I spoke
ye did not hear, but did evil before mine eyes, and choose that wherein I was not delighted.
Therefore, (because of this) thus saith the Lord . . . ye shall leave your name for a curse unto my
chosen (Israel): for the Lord God shall slay thee, and call His servants by another name." To
confirm this, read our Lord's words in Luke 19:26 - "But those mine enemies, which would not that
I should reign over them, bring hither, and slay them before me."

What is the new name that Israel will be given? I believe it is "Christian". This ties in with the
promise of 2 Chronicles 7:14, where it states: "If my people, which are called by my name . . ." This
is why the Jews hate us so and are determined to destroy us. For further confirmation, read Malachi
1:2-4.

It was because of this inherited hatred that two of the wealthiest Jews of their time, Jacob Schiff and
Max Warburg, gave $20-million to Lenin to finance the Russian Revolution. It is why the
Rothschild family has dominated world finances for centuries. It is why Jewish lawyers have
insinuated themselves into the highest echelons of government and why Jewish judges control our
court system, perverting it for their own ends, which is to hasten the downfall of Christian America.

If that day ever comes, when America succumbs to Jewish control - and we are very close now - it
will mean the end of Christians everywhere. Christians will once again be driven into a "hole in the
ground existence." Is that what you are longing for? It's what you can expect, if you sit idly by and
allow the enemy to take control. If the example of other nations is true, and it has happened in every
case, the religious leaders like Billy Graham, Falwell, Swaggart, and many other, who have helped
the enemy into power, will be the first to face the communist execution squads. It will be too late
then, to realize that you have been wrong!

Our civilized world looks on "anti-semitism" and "racial discrimination" as the most heinous of all
sins, far outrunning murder and torture. They are sins which leave an eternal and ugly wound of
barbarity and animalism, presupposing, of course, that they are not committed by Jews. Yet it has
been the Jews, from time immemorial, who have used anti-semitism as an ugly weapon. In their
control of the press, radio, television, publishing, etc., they have always strived to camouflage the
real power behind communism, which is International Zionism. This is why the watchman who tries
to warn against this danger is always tarred with the dirty brush of anti-Semitism.
Yet the only way concerned Americans will ever be able to combat communism, is when they realize that it's foundation lies in International Talmudic Zionism. That it is a Jewish controlled monster and that it's destructive tactics come straight from the pages of its holy book the Talmud.

It was interesting to me, to note that during the recent Canadian trial of Ernst Zundel, under the Canadian Hat Law, a Marxist, German Jew testified in Zundel's defense. Among other things he made this interesting observation. He said in essence: "If every Jew who testified against Mr. Zundel in this trial were forced to take his oath before a rabbi, in a room which held no Christian artifacts. Every one of them would have had to repudiate his testimony."

Christians are taught not to discriminate and the Jews know this. They know that the Christian concept of loving one's neighbor and of following the Golden Rule is believed by the majority of those who go by the name of Christian. So they skillfully mold their devilish attacks against Christians on the assumption, that no matter what they do, the Christian will not retaliate in any way.

I believe it is essential that as Christians, we do not allow our disgust with this alien people to destroy our Christian virtues. God still says: "vengeance is mine, I will repay." He still speaks to us in the Parable of the Wheat and Tares, when the landowner (Jesus) told His servants (us): "Leave the tares alone, lest in uprooting them, you uproot the wheat." (Matthew 13). Some of our people, in their zeal to protect their own, have tried to uproot these evil people and have succeeded only in destroying their own people. We must not allow this to happen. We must proceed with caution and only then on the orders of the Commander in Chief Jesus Christ.

I will not go into detail of the hatred shown to our Lord in the Babylonian Talmud, it is heavy and blasphemous. In fact it will turn your stomach to believe that there is this kind of hatred in the world. Yet these teachings come from the people your pastor chooses to call the Chosen of God.

The Hebrew people, the descendants of Abraham, Isaac and Jacob, who were never called Jews, since there were no people by this name until 1200 years after the time of Abraham, were chosen by God to preserve a monotheistic religion and carry His law for happy and prosperous living to all mankind. When Jesus Christ, the Son of the living God, came to earth, he fulfilled every promise which had been given to the Hebrew prophets.

The promise of a kingdom of the true God, upon this earth - not a spiritual heavenly kingdom, but a kingdom of true religion on this earth, as requested in the Lord's Prayer, was seized on by the Jews as a kingdom for their race alone, with all other nations as their slaves.

The Jews, always lusting for material power, have given this messianic promise a materialistic twist and believe that God has offered only them, power over all the world.

Yet a close study of the prophetic scriptures will show that in no way do the Jews, prove themselves to be the seed of Abraham, except for a few who do so through Edom (Esau) were declared enemies of God as seen in Mal. 1:2-4.

A close study of the Scriptures will show that in no way can the Jews, or anyone else for that matter, prove themselves to be pure-blooded relatives of Abraham. The majority of people we know as Jews today do not possess a drop of Abrahamic blood in their veins and are not even Semitic. From Jewish sources themselves, we can see where the majority of Jews today come from Eastern Europe, where they descended from a Turco Mongolian people from Russia, known as Khazars, who were converted to Judaism in the 8th Century AD.

A little honest historical study might convince you, as it did me, that the purest blooded Israelites in the world today, will be found among the white Anglo races. There is much historical and anthropological evidence, that these people are the so-called "lost tribes" of the House of Israel who went into Assyrian captivity for their disobedience of God's law.

In no place does Jesus insinuate that He came as a Messiah for the Jewish people. He told His disciples: "I am not sent, but to the LOST SHEEP of the HOUSE OF ISRAEL." (Emphasis
According to Strong's Concordance, #575, the word "lost" as used here comes from the Greek word "appolumi". This is made up of two root words "apo", meaning: "separation or departure," and "ollumi", meaning: "as punishment." Put these two together and we get the meaning that Jesus came, not to the "unsaved" members of the House of Israel (remember these are not Jews), but to the sheep of the House of Israel who had been "scattered and put away as punishment for their disobedience." This can be seen in the Epistle of James which is addressed to the "twelve tribes which are scattered abroad," (James 1:1).

**JESUS DID NOT COME TO THE TALMUDIC PHARISEES OF HIS DAY. HE CALLED THEM "children of your father the devil." (John 8:44). HE DID NOT COME TO THE "synagogue of Satan," MENTIONED IN REV. 2:9, "They which say they are Jews, or Judeans, and are not." He came to his own sheep, those who would hear his voice and follow him. In John 10:2, he said to them: "He that entereth in by the door is the shepherd of the sheep . . . and the sheep hear His voice, and He called His own sheep by name, and leadeth them out . . . and a stranger will they not follow, but will flee from him . . ." Then in vs. 26, speaking directly to the Pharisees leaders of the Jews He said very plainly: "Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP . . ." (Emphasis mine). How much plainer can words be?

Who is it that has accepted Christ around the world? Who have founded their country's law on His law? Who have sent the Kingdom message around the world? Who has fed the hungry and set the captive free? Who takes care of the unfortunates in time of disaster? Certainly not the Jews! It has been the predominately white people of the nations of Christendom and this is a fingerprint of their Israel heritage.

These people, for the most part do not understand their heritage, although in recent years this understanding is spreading rapidly. The Bible predicts this and says that many will not understand who they are until our leader, Jesus Christ, comes back to take over the reins of government. This promise of "mistaken identity," could not apply to the Jews, since they have known for centuries who they were and have tried to hide it from Christian eyes. Why is it that our pastors keep their people in ignorance about their identity? Why do they refuse to accept the promises God has made to this special people? Imagine, if you can, what would happen in America and Canada, if our white Israel people knew who they were. We would see them rise up in righteous indignation to toss the "money changers out of the national temple." We could turn this nation of ours around in six months, if one-quarter of our white Christian people knew who they were.

Very few of our white people understand their tremendous heritage. Our founding fathers knew about it. They realized they were God's people, brought into this wilderness according to His promise for a special purpose. This is why they could write and sing a hymn such as:

"Ye chosen seed of Israel's race,
Ye ransomed from the fall.
Hail Him who saves you by His grace.
And Crown Him, Lord of All!"

When the Prophet Daniel spoke about these end times, he told how the "kingdom" would be given to the "people of the saints of the Most High whose kingdom is an ~ and all dominions shall serve and obey Him." Israelite Christians interpret this rightly as the eternal reign of Jesus Christ as King of Kings and Lord of Lords.

The Jews regard it as meaning they will rule this world in a dictatorship and that every Jew will have 2,000 "goyim" slaves. That refers to you, my Christian friend!

This false interpretation was so prevalent at the time of Christ's earthly ministry, that the people of Jerusalem wanted to force Him into becoming a warlord king, who would rescue them from the Roman rule. But when Jesus preached that all saved men and women were equal in the eyes of God, this Jewish teaching became "null and void." Their Talmudic teaching about a Jew dominated world
went down the drain. The Jewish leaders feared that if the Israelites in Judea were to accept Christ's teachings, it would threaten the glorious future they pictured for themselves. So in order to defend their position, they alluded to the suitability of Christ dying for the nation.

After the blackest, most God-defying crime in world history, the murder of the righteous Son of God, the Jewish leaders stood stiff-necked in contempt of the world and attempted to justify their crime in their religious book the Talmud, by making our Lord out to be an "illegitimate bastard," and a criminal of the worst sort. They twisted the words of Moses, to fit their Jewish demands. No wonder our Lord said to them: ye have made the commandments of God of non-effect, by your traditions," (Matt. 15:6). The Apostle Paul further warned Christians of these hypocrites in Titus 1:14, when he warned Christians about "giving heed to Jewish fables, and commandments of men that shall turn from the truth."

So you see, if the Jewish leaders in Jesus day did not have the truth, there is no possibility that they have it now, for they have not changed. Jewish authorities state that the Talmudism of Jesus' day was Phariseeism and that ancient Phariseeism became ancient rabbinism which became modern rabbinism. In all these years, it has not changed. It is still Talmudism.

The Talmud teaches (Baba Metzia, 114, Sec. 2) -"You Israelites (Jews) are called men, while the people of the world do not deserve the name of men, but that of beasts . . .

The Jews are taught in their synagogues that God has commanded them to lay on all other people their absolute tyranny and that this can only come about through an unrestrained socialist dictatorship. This is why you always find Jews in the forefront of all communist activity.

It is terribly important that all Christians, in fact, all non-Jews grasp this fact. The wickedness of this people goes to the point where they hold morally permissible, the dismissal of God, in order that Communist materialism may be victorious. This is one of the reasons there are so many Zionists in communist positions of leadership and why so many of them are atheists.

The deeper one goes into a study of this religion of Judaism, the more you will realize the deep abyss which has been opened between the Hebrew religion, taught by Moses, and the religion of the Jews, which is Phariseeism.

The Jews, with their prostitutes within Christianity, wish to secure in a comfortable manner, the victory of the Jewish hunger for absolute power. If the Christian church lays down and plays dead before this anti-Christ force, and hides in her spiritual foxhole while the battle rages, then the enemy will be triumphant and the antiChrists will rule unopposed and Christian freedom will die everywhere. Already the Anti-Defamation League of the Jewish B'nai B'rith, is drawing up plans for the implementation of the Genocide Treaty in the United States, where anyone who speaks about Jews or Judaism in a derogatory manner, can be taken to the Israeli nation for trial and where they will lose their rights as an American citizen. Along with this plan, goes another, which will delete all anti-Jewish references from the New Testament.

Today, the Jewish world is seeking the "ecumenical approach" to Christianity. They are saying: "Leave us alone and we will leave you alone." While at the same time they are doing everything within their power to weaken and destroy Christian freedom. The Christian world, for the most part, has been willing to cooperate in their own destruction.

It is part of the Talmudic tradition that lies and deception are permissible when dealing with the Christian enemy. Their policy is that of Communism: "When you tell a lie, make it a big one and shout it over and over, until people begin to believe it." This is exactly what the Jews have done with their "Chosen people story" and their cry of "anti-Semitism," against anyone who tries to expose them.

In the 16th Century, Martin Luther, the great reformer accused the Jews of: "squeezing from us our money and goods . . . of lying, blaspheming and cursing." He went on to say: "I will give you my true counsel. First, avoid their synagogues and schools and warn our people about them . . there is
more wisdom uttered in three of Aesop's fables, than in all the books of the Talmudist rabbis." Yet in spite of this warning, Luther's books are now banned in Lutheran schools.

It will do us little good to attack the arms of this world-wide octopus. The filthy arms of prostitution, drugs, pornography, immorality - you recognize most of them. It will do us little good to march before the abortion clinics and before the theaters which display a filthy, blasphemous movie such as THE LAST TEMPTATION OF CHRIST, as long as the head is allowed to remain healthy. Most of the well known Christian leaders who protested the movie, were more concerned that their people would become "anti-Semitic" because of the movie, than in its contents and what it would do to their people. flow many of them do you know that have even told their people that the producers of this movie were Jews and that the studio that produced it was Jew owned and run?

I dare you, as concerned Americans to look behind [he facade of Hollywood and see those who seek to destroy Christian values. I dare you to look at the names of those who are seeking to destroy the economic stability of America in order to further their control. I challenge you to look and then act, for you will find most of the top leaders in this "plot to destroy Christianity," are Jewish names. These must be exposed, if we are to remain free.

This will be a dangerous undertaking, for Jewish power is strong in this land and is growing all the time. It will not be the task for some "sunshine soldier." Jewish judges and lawyers now control our court system and you can expect no justice from them, for they have a mandate from their god to lie in order to convict you as a Christian.

The arm of the Anti-Defamation League is long, and their "bully boys" of the Jewish Defense League are vicious. We know that; that's why their colors are "red;" the red of communism and shed blood. But we must never falter in our fight, for it is for our survival!

We should have no quarrel against the Jewish people is they want to live in this country in peace and abide by our Christian laws. But let them show us this by their actions. This means they must stop trying to destroy every Christian value in America. They have already taken prayer and Bible reading from our schools; crosses from our hillsides, and nativity scenes from our courtyard squares. This is a Christian nation. If they want to live as Jews, then let them abide by our laws, not try and destroy them and set up their own filthy standards.

If they want peace, then let them dissolve the communist-socialist organizations they control and finance! Let them clean up the movie studios and the TV networks they own and control. Let them withdraw their attempt to control our government through their Jewish lobbies in Washington.

If they are sincere, then let them hold "free elections" in the countries that are under their Socialist control. Let them stop the false propaganda which pours daily from their propaganda mills and which has poisoned an entire generation of American youth.

Let them show by honest efforts that they want to live in peace with their Arab neighbors. If they are honestly and sincerely desirous of living at peace with the rest of us, then let them remain secure within their borders and within the United States.

But if they continue their deceit. If they continue to spread their lies about Christian Patriots. If they continue their aggression and hatred against Christ and Christianity, then it should be made clear to all the world, that their propaganda has been pumped into our churches and into this country for the purpose of destroying us.

When this is shown beyond a shadow of a doubt, then it lies within our rights, to defend our Christian way of life, our faith, our race, our country and our freedom, with any means that is at hand. If this means evicting the Jews from America, as has happened to them before, then that means will be taken. But through God's help, we will defend our faith, our race, and our freedom against this godless enemy and we will consider their Christian stooges in America as our enemy too.

WE WILL NEVER SURRENDER!
Our freedom was not "bought and paid for at Valley Forge," that was only the "down payment" on freedom. Every generation must be willing to make payment on this account, if they are to remain free. **BEFORE GOD, WE INTEND TO DO JUST THAT!**

The **FORMULA FOR OUR SURVIVAL** is readily available for us. It is found in 2 Chronicles 7:14, which states: "If my people, which are called by my name (Christian), will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sins, and **WILL HEAL THEIR LAND.**" (Emphasis mine). It is up to you, whether we remain free, or become slaves!

FOREWORD

It is an honor for me to write the foreword to this book. I first met Colonel Mohr in January of 1984 when I invited him to come and speak at my church, the LaPorte of Christ, in LaPorte, Colorado. He spoke on a Saturday and Sunday and on Monday, the media attack by the local newspaper began. Because Jack Mohr dared to tell the truth about such subjects such as Jews, Communism, and Treason (in both the government and church pulpits), the Jewish community and the local ministerial alliance and newspapers from Fort Collins, Colorado to Denver Colorado did their assigned jobs, i.e., to vilify a Christian man brave enough to speak the truth.

I have since witnessed how our Lord used it all for good (Romans 8:28) and how no one can frighten Colonel Mohr or stop him from speaking the truth. He is and has been a Jeremiah of our day.

Colonel Mohr is one of the bravest men I know. He has endured the torture chamber of Korean Communists, survived a Korean Communist firing squad, fought the Korean conflict where he emerged one of the most highly decorated soldiers of that war. Since that time, he has faithfully served as a prophet of sorts to America both as a well-known fundamental Baptist Evangelist and as a speaker for the American Opinion Speakers Bureau.

In his love and quests for truth, he discovered the truth concerning who God's Covenant people really were and who they were not. The imposters (Revelation 2:9; 3:9) and their allies (preachers) have persecuted him for it Colonel Mohr is a man who seems to get stronger rather than weaker under persecution.

Since I first met Colonel Mohr, my life has never been the same as it has been for the better. Life in America will be for the better when her citizens understand the nature and tactics of the antichrist forces residing in the land. This book does much in aiding that understanding. After reading it, give it to a preacher who is still trying to call America's antichrist Jews, God's chosen people and ask him to read it. Above all, follow the Formula for Survival Colonel Mohr writes about.

THE PSYCHOPOLITICAL INDOCTRINATION OF AMERICA

A number of years ago, I set out to para-phrase a Russian Communist text-book titled PSYCHOPOLITCS; (the art of controlling the mind of an entire nation, in order to subjugate
them). It was the Zionist "blueprint for the Communist con-quest of Christendom, which means primarily the White nations of the Free World and the United States in particular.

This book was introduced to a hand picked group of 48 American college students, who were attending the Lenin School of Psychopolitical Warfare, at the University of Moscow, as the first step in their training to become the cadre for the Communist conquest of America. 45 of these young people were Jews. The book was introduced in 1934, by Laventria Beria, who at that time was the Jewish head of the Russian Secret Police. Beria confidently predicted that Jewish Communism would eventually "have dominion over the minds and bodies of every important person in America", and would "bring about the quiet Communist conquest of the United States".

The purpose of this message is to review the contents of this book, while taking a close look at the progress that has been made in America, by Communism, over the past sixty plus years.

Many of you, reacting to the information put out by our controlled press will immediately say, "But Communism is dead! Even the Spotlight says so! Russia is a fragmented country which is no longer a danger to the Free World". But may I submit! Communism is not dead! It has merely changed it's name. It is now known as the New World Order! If you look closely, you will see that the leadership of every breakaway country on the continent, is a "hardnosed Communist Jew" who hates America and Christianity and who has the nuclear ability to destroy us with the push of a button. We are far from being "home free!"

The Holy Bible has many warnings concerning these days, which are sometimes referred to as "the end of this Age". In Psalm 37:12, 13 we read: "The wicked plotteth against the just, and gnasheth upon him with his teeth. The Lord shall laugh at him, for He seeth that His day is coming".

In 2 Timothy 3:122, 13 - "Yea, all that will live Godly in Christ Jesus shall suffer persecution. But evil men and seducers shall wax (become) worse and worse, deceiving and being deceived".

2 John 7 - "For many deceivers are entered into the world, who confess not that Jesus is come in the flesh. This is a deceiver and an anti-Christ".

In vs. 10, 11, he tells what the Christian attitude should be towards these "anti-Christ seducers" - "For he that biddeth him God speed ('1elps him in any way), is partaker in his evil deeds".

Of necessity, I will leave out parts of this Communist textbook which do not relate specifically to our American problems today, and concentrate on those which are being used against us.

This textbook was brought to America in 1936, where it became the central teaching tool of the Communist Indoctrination Center, located in the Eugene Debs Labor School, located at 113 East Wells St., Milwaukee, Wisconsin. The greater part of this book is concerned with the matter of "psychopolitics", which is the subtle art of capturing the minds of a nation which is being set up for conquest.

During the Korean War, I had a "front row" seat in the horrors which took place under the name of Communism. I did not Know about it's Jewish onnection, for my mind was still locked in the "hardened cement of fundamentalism", which taught that the Jews were God's Chosen, who must never be criticized, no matter what the cause. It was many years, before the "dynamite of God", through a traumatic experience, blew this road block away, to where I could read my Bible and see what it really said, not what my pastor said it said.

This is what I'm concerned about today, as I see most of the so-called Christian world, as they are under the bondage of anti-Christ Judaism's "mind control", headed for disaster! During the late stages of the Korean War and following it, I had the privilege of working with American servicemen, (POW'S) who had been subjected to what became known as "Brainwashing". The Chinese had a more appropriate term for it, calling it "mind control!".

From the hectic days of that war, I have followed with something akin to horror, the success of Zionist brainwashing in America, through their use of the controlled media, the Public Schools, and
in many cases the Christian church.

Because of my personal interest in this subject, and because I have been outspoken in warning our people against it, I have been the subject of harassment by the controlled government, the media, and the Christian people I love and for whose safety I am concerned. it is difficult for decent, Christian people, to understand that our government, Republican and Democrat alike, has been under alien, anti-Christ control, since at least 1913 and which accounts for most of the attacks against Christianity and the decadence of our society in general. This difficulty is exaggerated by church leadership which has often backed the enemy for political reasons, anything to protect their "tax exempt" status with the enemy government, even if it means twisting the Word of God to suit their purposes. This is more reprehensible that the TREASON of the government!

Many laws have been passed in America which can and have been used to imprison and torture Christian Patriots, who dare take a stand against evil in government. (These are the men and women who love God, their people, their country, and their families, who are armed and willing to take a stand to protect their "God given rights". Fifty years ago, they were considered to be the "cream of the crop" in America. Today, under the lying propaganda of the controlled media, they are painted as "hate mongers, Fascist, neo-Nazi, and worst of all "Anti-Semites", who are a menace of our country. They are setting the foundation for Christ's predication in John 16:2, when He said that a day would come when they (the "politically correct good guys") would believe they were doing God a favor, by kicking us out of the public places and killing us. We are close to that time now. Pastor Peters, and others, have had meetings canceled, because Christians were afraid to have them speak the TRUTH in their neighborhood. I had it happen to me in British Columbia a few years ago, when Canadian Custom officials, under severe Jewish pressure from Ottawa, confiscated over $5,000 worth of my literature at the border, and where we were harassed for a month, by Jewish agents who hounded us from meeting to meeting, with the full approval of the Church of Canada. Numerous meetings, which were contracted for, were canceled, because of Jewish and Church pressure against motel owners. This is indeed a strange combination, when you find professing Christians, cooperating and aiding their bitterest enemies, against another Christian group, in an attempt to hinder them from telling the TRUTH!

As we skip through this Communist textbook, we will only be able to hit the "high points", which actively effect us today. But there will be enough for you to see a diabolical plot, as it unfolds against God, the Christian church, and decency. It is promulgated principally by World Zionism, which seeks their control and ultimate annihilation. (This according to their own open declaration!)

My appeal to you as decent, God-fearing, God-loving, patriotic Christian Americans, is to open your heart to the TRUTH so that you may remain free of this Satanic control. Jesus once said (John 8:32) - "An'd ye shall know the TRUTH, and the TRUTH shall make you free". This is as true today, as when He spoke it almost 2,000 years ago.

When Christian Americans, of all races and colors, fall down on their God-given duty of being the "salt of the earth" and lose their ability to stop corruption, (which is the major quality of salt), they are good for nothing but the city dump! If this happens, we will take Free America to the graveyard, bury her, while over her grave we will erect a headstone with this epitaph: "America's freedom died, because White Christian people didn't want to be bothered!"

BERIA'S SPEECH TO AMERICAN UNIVERSITY STUDENTS!

Here are some important excerpts from the welcoming speech given to these Communist students by Laventria Beria in 1934:

"American students at Lenin University I welcome you!"

Psychopolitics is an important, if less'known division of geo-politics. It is less known, because it
must, of necessity deal with highly educated personnel, who are the top strata of society.

"By Psychopolitics our chief goals are effectively carried forward. This is to produce a maximum of chaos in the culture of the enemy. This is our first and most important step".

Why do you think that almost all racial riots in America can be traced back to Jewish agitation? Why was it that Israel Cohen, a Jewish British Communist leader was able to state in the early nineteen hundreds: "We will use the Negroes of America as 'cannon fodder' in a racial war which will sweep us into power?" Why did he write in his book A RACIAL PROGRAM FOR THE TWENTIETH CENTURY, written in 1921, with excerpts available in the Congressional Record of 1957, page 8559: "We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mold them to a program of the Communist Party. The terms Colonialism and Imperialism must be featured in our propaganda. In America, we will aim for a subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negroes.

"We will aid the Negros to rise in prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, Negros will be able to inter-marry with Whites and begin a process which will deliver America into our cause!" If you can't see' how this is happening, it is because you have deliberately closed your eyes to the truth.

Recently the Southern Baptist Church offered an apology to Americas Blacks, for having had a part in their slavery 200 years ago. But they were careful to leave out the fact that Black slaves were sold to Jewish slave buyers, by Black chieftains, who traded them for rum, distilled in Jewish distilleries in New England. That they were shipped in inhuman conditions on Jewish owned ships, and sold in Jew owned slave markets in America, by Jewish auctioneers. The slave business from start to finish, was Jewish controlled. The SBC was careful to leave this Jewish connection out of their statement. (This is typical of the "double-mindedness" of the modern Judeo-Christian church.)

The extent of Jewish leadership in pro-race mixing propaganda can be seen in a statement made by a prominent Canadian Rabbi in September 5, 1967. This statement was made by Rabbi Abraham L. Feinberg, to MacLean's Review: "Until we learn to fight our ingrown fears of sexual relations between races, the end of the race problem will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a White girl, will the West begin to tear itself away from the racial poison in its vitals. This means an inside-out remodeling of the White psyche, for our fear of mixed marriages is deeply rooted". (It should be, since it is forbidden by our God!).

Feinberg goes on to say: "Legislation cannot change the human heart. The only way we can accomplish this, and the only way we can achieve a Final Solution to racial prejudice is to create a melange (mixture) of races so universal that no one can preen himself on his racial purity or practice the barbarism to safeguard it.

"The deliberate encouragement of interracial marriages is the only way to hasten this process. And the time may be growing short. The dominance of the world is beginning to shift, like cargo on a listing ship... We will never completely eliminate racial prejudice, until we eliminate separate races". (It is rather interesting to note that while the Jews wish for inter-racial marriage for Whites, they abhor it for their own people.) It might be advisable here to ask ourselves this question: "If God wanted us to be all one big chocolate mass, why didn't He create us that way in the beginning?" Obviously He had a reason for creating different races, and the Jews want to change that to suit their own nefarious purposes.

But back to Beria, as he states: "Our fruits are gown in chaos, distrust, economic depression and scientific turmoil, until at last, a weary populace will seek the peace offered only by the (Talmudic) Communist State".

At this point we need to point out that "Communism is not dead!", no matter what you may have
heard from the controlled media, and even some conservative newspapers such as the
SPOTLIGHT. It has merely changed it's name to the Zionist NEW WORLD ORDER! Beria said:
"We MUST labor until we have dominion over the minds and bodies of every important person in
the nation under conquest". (This may account for The fact the President Clinton has appointed over
60 anti-Christ Jews to high positions in our government, even though he claims to be a "born-again"
Christian.

Our new Secretary of State, Madeline Albright, is a Jewess, as is the new head of our Intelligence
apparatus. (Both are New World Order adherents). All these Jews in the Clinton Administration, are
"dual citizens", whose first loyalty is not to the United States, but to the Israeli nation in Palestine.
This can be seen by their actions.

Beria continues: "You MUST dominate as respected men the fields of psychiatry and psychology.
You MUST dominate the hospitals and the universities.

Psychopolitics is a solemn charge, for with it, we can erase our enemies as insects". These
statements are not new in Jewry, for they have been made in Protocol after Protocol down through
the ages. (A PROTOCOL is a draft, or a record of a document or negotiation: an original draft of
an agreement).

In 1289, the head Rabbi in Europe, urged his Jewish people to:

1 - Make of your sons merchants, that little by little they may despoil
Christians of their possessions:

2 - Make of your sons doctors and apothecaries (druggists) so they can take
away Christian lives. (Notice that there is a predominance of Jews in the
pharmaceutical profession, and that they always fight any cheap means of
obtaining health products, other than what they sell.)

3 - Make of your sons canons and clerics, so that they may destroy the
Christian church from within." (They have been eminently successful in is
area).

4 - Arrange for your sons to become advocates and lawyers. . . in order that
by putting Christians under your yoke, we may dominate the world and be
avenged on them. (There have been several other Protocols since then, all
similar.) Beria stated that in a Capitalist nation, aided by the corruption and
philosophy of man, in time, "by the use of mental healing; we an be rid of
our enemies."

He goes on to encourage his people to: "Use the courts, use the Judges, use
the Constitution of the country, and it's law to further our ends. When you
have been successful, (and they are very close to it now), you will discover
that you can effect your own legislation at will and can be careful
organization . . . make the Capitalist (Christian) by his own appropriations,
finance the Communist (Zionist) conquest of his nation". (This is what they
have been doing in America since 1913, as a large portion of our National
Debt, has been brought about by Christian support for the anti-Christ's.)

In Chapter One, the history and definition of Psychopolitics is explained: "Psychopolitics poses no
ethical problems, since it is evident that man can be coerced (tricked; seduced against his will) for the greater good of the State.

"Basically he is an animal. An animal with a civilized veneer, who groups together for his own protection before the threats of the environment".

It is interesting to note how much the New World Environmentalists have achieved in America, in the past twenty years, to the point where our Vice President Gore, has become one of it's most prominent leaders. Under their pressure, Congress has usurped Constitutional authority and is illegally giving American sovereignty into the hands of The United Nations, which is the "whipping boy", for the New World Order. They expect everything to be in place by 2000, which is their "target date" for world takeover.

The following article appeared in the Nov/Dec 96 issue of THE JUBILEE, P.O. Box 310, Midpines, CA 95345:

"Many Americans do not realize that there are now 20 sties on American soil, that have been declared World Heritage Sites and 47 Biosphere Reserves by the United National Educational, Scientific and Cultural Organization (UNESC).

In September 1996, Rep. Dan Young, (R-AK) convened a hearing under the auspices of his House Research Committee, to air concerns and grievances about this creeping United Nations (meaning Zionist) control. Citizens and local officials from Montana, New Mexico, Wyoming and Colorado, testified at the hearing that the U.N. World Heritage Site designations have been declared near their communities, without their knowledge or consent. Such designations threaten private property rights and local sovereignty.

"In response to this threat, Young sponsored an emergency American Land Sovereignty Protection Act Bill to require congressional approval before Federal bureaucrats could seek U.N. status and control over American parks and public lands. Despite a 264 to 178 vote in favor, it failed to gain the necessary 2/3rd majority needed". What does this mean to you and me? It clearly shows that at least 178 of our Congressmen have forgotten or deliberately ignored their "oath of office", probably the latter, and have voted in favor of the New World Order over the rights of their constituents. Could Psychopoliticians have had a part in this? Listen to this definition of "Psychopolitics" "straight from the horse's mouth!" "Psychopolitics is the art and science of asserting and maintaining control over the thoughts and loyalty of individuals, officials, bureaus, and the masses, and the effecting of the conquest of enemy nations through the "mental processes of Psychopolitics".

There you have it! And that's what is being done to our elected officials, our press, our educators, and sadly to many preachers. A legitimate question to ask at this point would be, "what right does UNESCO have to operate on American soil?" and the answer is, "none, except that which our government gives them". It has been the TREASON among elected officials which has allowed this World monstrosity to control our nation and our people.

The strength and power of Psychopolitics cannot be over estimated, particularly when it is used on a nation which has become decayed from within by pseudo-intellectualism, such as is the case with America.

Under Jewish tutoring, Christian Capitalism", which should be used for the benefit of all it's citizens, has degenerated into the Jewish idea of "the gelts the thing". Not "what can I do for my country', but "what can I get for the least amount of effort!"

Many of you can remember back to the time when Americans put out the best products in the world, and were proud of it. They would often work for less, in order to maintain this high standard. But as Jewish thinking began to take hold, under the Satanic influence of Psychopolitics, the idea has become: "What can I get from life". No wonder we are in trouble, especially when this has infected the Christian body. Christians have been "sucked in" by this Satanic philosophy and from following
Christ's example as a "servant of God", we have developed a generation that cares very little about God, or their fellow men. Under this system, the general welfare of the world is placed above everything else, as long as it benefits the pocketbooks of those in charge.

They believe, so they say, that "The putrescent illness of Christian States, (an illness they never mention which was caused by Zionism), has spread it's pus and bacteria into healthy nations, (those already under Zionist control) and will bring about the death of Earth." They are not so much interested in the "death of earth," as they are anything that causes them to lose wealth and power.

The enemy knows that if we follow the Laws of God and are in OBEDIENCE to His will, the Zionist/Communist New World Order would collapse. This is why we have seen in American in particular, an overpowering program to seduce and mislead our youth. They have used every illegal, evil means to do this, whether it was dope, alcohol, pornography, rock and roll, prostitution, or race mixing, all of these evils, headed by Jewish interests. Don't argue with me, look at their names!

They go on to explain how "the tenets of rugged individualism, personal determination, imagination, and creativeness are antipathetic to the good of the New World Order State". They explain in detail how man's thinking can be easily and throughly changed to positive control by the State. In Romans 1:22, the Apostle Paul tells us about those who "professing themselves to be wise, have become fools". In vs 23, he explains how they tried to change the glory of the incorruptible God, into the image of corruptible men and beasts, which led to such heinous crimes against God and man, as Sodomy, about which Paul said in vs 32 - "Who knowing the judgment of God, that those who do such things are worthy of death, not only do the same, but have pleasure in them that do them". (Again, you will find the Jewish element in the forefront of pushing Sodomy as an "alternate way of life".)

The mission of Psychopolitics is to align the obedience of human beings, not to God and decency, but to the power of the State. They call Christian efforts to better mankind, a "spiritual Alice in Wonderland voyage" into my sub-conscious, under the guise of making the sick human mind well!

We who have a personal knowledge of Jesus Christ, KNOW that it is only as our people OBEE God and His Laws, that we can live in PEACE and FREEDOM!

Beria stated something in 1934, which is now an established fact in Washington, D.C. He predicted that the time would come when "we will best succeed if at the side of every rich and influential man, we can place a psychopolitical operator, who will control him through the medium of their family". Most of our top politicians have a personal psychologist and there are very few politicians in our Nation's Capitol, who do not fear for the safety of their families, when they buck the Jews.

We will skip Chapter IV in this discussion, as it has little to offer. In Chapter V we will examine the loyalty of individuals and show how under Psychopolitical control, an experienced operator can change the loyalty of an individual and do it so deftly that his closest companions will not know it is taking place.

By the use of drugs and hypnosis, the Psychopolitical operator can cause severe neurosis or actual insanity in a leader, or his wife and children. Then in the privacy of his laboratory, the operator, almost always an "amoral" man, can use any means, sexual or mental, to degrade them. They can cause a man's wife and children to act in such a manner as to bring discredit on him. We have seen it happen, without knowing the cause.

When they run into that rare individual who cannot be changed, and who stands firm against their evil plans, they are careful to dispose of them through what appears to be suicide. I am sure you have heard about the large numbers of people connected with President Clinton, who have had mysterious deaths.

The case of Admiral Michael Borda, U.S., Navy, is a good example. He was supposed to have committed suicide over the dishonor of wearing a few minor service ribbons to which he was not entitled. Now more and more evidence is cropping up that he was eliminated because he refused to
cooperate in high level plans the New World Order had for his beloved Navy. His closest friends say that he was not the type who would commit suicide over anything, much less such a minor problem. The same thing took place a few years ago when Secretary of the Navy Forrestal was supposed to have committed suicide by jumping from a hospital window. The evidence showed that he was overpowered, and thrown out by CIA operatives, because he was outspoken against the so-called "establishment".

One thing, you as a Christian need to know is this. We are dealing with individuals who are under Satanic control, they are "playing hardball". They do not care about your life or mine, or about what is right or wrong. To them "The end always justifies the means!" no matter how horrible or evil it may be, as long as it gains them what they want!

On page 27, we listen to their own advice about how to bring about this Satanic control of our children. "Under the saccharine guise of assistance to them, vigorous child labor laws are the best means to deprive the child of any rights in society. By refusing to let him work; by forcing him into unwanted dependence on a grudging parent; by making sure that in every channel the parent is never in any other than economic stress, the child can be driven in his teens, into revolt and delinquency ensue. Then by making readily available to him drugs of various kinds (and our government is the biggest drug dealer in the country), by giving the teenager alcohol, by stimulating his wildness, (note the direction of the TV shows) by stimulating him with sex literature and sex education (note that you can't read the Bible in school, but you can provide the students with condoms), the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness, into which can be cast the perfect solution of Talmudic Communism".

Some of you naive Christians who read this, no doubt will say: "This will never happen in Christian America!" It has already happened! Why do you suppose we have teenaged gangs, where boys and girls alike kill brutally, in cannibalistic, Satanic glee, without any remorse whatsoever? Explain if you can the following true facts, as presented by Pastor Austin Miles, in his newsletter THE CONNECTING LINK, P.O. Box 685, Oakley, CA 94561:

"Parents effectively lose their right to direct the upbringing of their children, when they drop them off at a Public School." You may say: "Impossible!" But this was the ruling of Texas Judge Melinda Harun, a political appointee of One World Architect, the former President George Bush. She ruled that the Katy Independent School District in Texas did not violate parental rights by allowing the Child Protective Services to interrogate students without first notifying their parents, and then instructed them to lie to their parents about it."

The move for total State ownership of our children becomes more blatant every day. A few years ago, when some Christian parents in Nebraska were jailed for refusing to send their children to Public Schools, where they would be taught the religion of Secular Humanism, the State religion of the Talmudic New World Order, a mother tearfully pleading for her rights to teach her children the truth was asked by the judge: "Lady, do you have a marriage license?" When she answered in the affirmative, he stood up, and pointing his finger at her literally screamed: "When you signed that license you have up all rights to your children. They are wards of the State and we will do any damn things with them that we want". In my opinion, that man should have been tarred and feathered; rode out of town on a rail, and then hung from the closest light post, as a warning to other TRAITORS, for he was a TRAITOR to his office as a supposed governmental instrument of Justice and right!

This is the "power of the State," as shown over and again in PSYCHOPOLITICS.

State workers in East Stroudsbury, Pennsylvania had a class of sixth grade girls strip naked, then lie spread eagled on a table, while a male doctor probed their genitals. (I'm afraid if I had been a father of one of those girls, Christian or not, I would have visited that doctor and seen that justice was down for his violation of my daughter.) The Christians in the town did very little about it! You say: "That's a hateful, un-Christian attitude!" In God's name, what are Christians to do? What do you
suppose the Apostle Paul meant in I Timothy 5:8, when he said: - "But if any provide (Greek - 
PRONEO, meaning: "look out for; protect") not for his own, specially those of his own house 
(family), he hath denied the faith, and is worse than an infidel"? In other words, if you refuse to 
stand against evil that is destroying your family, you should be "beneath the contempt of decent 
people."

The time is long past, my Christian friends, when we should stand up like men and tell the State: 
"No! You may not experiment with my children; you may not lead them away from our God!"

Social workers intruded into the home of the MacDonald's in New York, who were "home 
schooling" their children and demanded to strip search the children. When the parents refused, more 
officials, including local police, Emergency Medical Service workers and a SWAT team stormed 
their home. The father and mother were charged with "failure to cooperate" in the molesting of their 
children by government workers and were jailed.

Near Houston, Texas, which as an incredible 2,000 Child Protective Service Agents, police grabbed 
a 13 year old boy in a government school, forced him to strip naked before several women in the 
CPS office and then told him to lie to his parents about it. This is what would have happened, if he 
had been attacked by a pedophile.

In Clarksburg, West Virginia, middle school principal Pamela Carson-Legett ordered a strip search 
of 8th grade girls, because of one missing ring. These are some of the bizarre things which are 
taking place in Free America, where agents of the Public School System and the Social Services are 
free to molest our children under the guise of helping them.

The Communist textbook clearly states that in case a strong leader shows up in a youth group, the 
psychopolitician, in the guise of a school official, can work in many ways to destroy his leadership. 
When it appears that all threats and persuasions fail to change him to their desired ends, they are 
free to destroy him in any way possible, as long as it does not bring discredit on the Party. As a 
result, no pain must be spared to direct the attention of the authorities against such a one, and he 
MUST be brought into the hands of juvenile authorities. They state: "In Juvenile courts, can always 
be found people with strange appetites, whether they be judges, policemen and women, or 
attorneys. By making available to them young girls and boys, in the security of the jail or Detention 
Center and by appearing with flash cam-eras and witnesses armed with whips, they can direct all 
future decisions regarding that child". (If this doesn't make you angry, it's because you have lost all 
"sense of decency").

What about Government Foster Homes into which children, kidnaped by the State are placed? Here 
is an example of thousands which take place in the Untied States. This one was in Greenville, S.C., 
"No charges will be filed in the drowning of a disabled nine year old boy in a tub of scalding water 
at a Foster Home earlier this month. Prosecutors say there was no evidence of neglect". (U.S.A. 
Today, 8129196). This happened after the child had been strip searched and molested by social 
service officials. (What a place for a pedophile to work.)

The seizure of children from parents who are then place din foster homes, not only gives 
pediophiles unprecedented access' to our children, but generates considerable income. The Federal 
Government pays each local agency, for each child seized and the State profits from this seizure 
through government funds.

When Social Services officers refer to a child as "psychologically or psychiatrically firm", they 
actually pay a "referral fee" which is in all reality a "per head bounty" to the Social Services Office. 
The Psychiatrist or psychologist then bills the government heavily for their services, while often 
experimenting with them sexually, or by the use of drugs.

It has been proven that drug companies spend millions of dollars every year, to have hospitals and 
Social Services supply them with human guinea pigs. The parents are given no choice in this 
horrible practice.
Probably one of the most important chapters in this book, is Chapter VI which deals with OBEDIENCE. They believe that "Obedience is the result of force, an that concurrent with force is brutality. (This fits in well with the teachings of the Talmud, that looks on all non-Jews as lower grade animals. To the Jewish man, a Gentile (non-Jew) woman is nothing more or less than a "piece of raw meat", to be used in any way he sees fit). If you study the Talmud, you will easily see it's connection to the brutality behind Communism. In fact the leading Jewish newspaper in America, stated in 1919: "The ideals of Boshivism are consonant (in agreement) with the finest ideals of Judaism". (No wonder, then they came from the same Satanic source.) This Jewish religious book states; "When our Messiah (Jewish victory) comes, every Jew will have 2,000 goyim (Yiddish for "non Jew animal", you and I) slaves". Yet these are the people that some of you uphold as God's Chosen!

The Talmudist teach in this textbook, that: "Any organization which has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity will be obeyed." The continue on page 30 - "If you would have obedience, you must have no compromise with humanity. If you would have obedience, you must make it clearly understood that you will have no mercy. Man is an animal and in the final analysis, understands only the things that a brute beast understands".

I know something about PSYCHOPOLITICS, for I have seen it's "leering face", close up and have had it practiced on my screaming body. I sincerely doubt if any of you have any real comprehension of what I'm trying to say, unless possibly it is some of you who had combat duty in Vietnam. You too have seen this enemy "face to face" and may understand.

Because this is a family gathering of men and women, it is impossible for me to describe the awfulness of the enemy's actions. I doubt that any of you have seen a man impaled alive on a sharpened pole set in the ground, and while he writhes and screams his life away, have his nine months pregnant wife is stripped and raped before his eyes and that of the leering mob. Then see her as she is chopped to pieces with the bayonets of the soldiers and runs screaming through the streets, with her breasts chopped off.

I doubt that any of you has ever seen a baby snatched from it's mother's arms and swung against the trunk of a tree or a stone wall; or a beautiful young woman, stripped, and nailed to the branch of a tree with spikes driven through her breasts, while a bundle of rice straw, soaked in oil, is bound between her bare things and set on fire. This is the face of Talmudic/Communist PSYCHOPOLITICS in action, and is the reason why I, as a Christian can say with King David, in Psalm 139:21, 22 -"Do not I hate them, O Lord, that hate Thee? and am not I grieved with those that rise up against Thee? I hate them with a perfect hatred; I count them mine enemies!" I know some of you will quote Jesus' words to me: "Love your enemies!", but no where, at any time, or in any place did He say "Love God's enemies; or those who are trying to destroy your people". In fact it was He who spoke to King Jehosophat in 2 Chronicles 19:2, when He said: . . . Shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from before the Lord". He also told His disciples that the time had come, when if they did not have a means of self protection, they should sell their clothes, if necessary and buy one. (Luke 22:36) and He indicated in Matthew 10:34 that his purpose on earth was not to bring "peace, but a sword". For He knew, that when men or women take a stand against evil, it will bring conflict and his enemies will often be "those of his own family", (vs 36). In all my years in a Judeo-Christian church, I have never heard this verse of Scripture used as a text, although it is a "fact of life", more serious now than ever before.

A good Christian slogan for use to have in 1997, would be: "We must secure the existence of our people, and a future for our White children, by teaching that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY! IS THIS HATE?

Today, the White ADAMIC race makes up only about 8% of the world's population. We are the
minority people, although the Communist press would have us believe the other way around. The life of our race and our belief in God, lies in the wombs of white women. That is why under government pressure, White women, contrary to God's Eternal Law against "miscegenation", are being seduced into mating with non-Whites. These are demographic facts!

**IS IT HATE TO WARN OUR PEOPLE ABOUT THEM?**

If we do not take immediate steps to protect our White women, they will soon cease to exist, along with those who have been in the forefront of carrying God's message of salvation to all mankind. At no time in the world's history, has any country of color, openly accepted the Gospel message. They are only reached with a lot of hard work, immense expense, and often real danger on the part of God's White messengers! Because the White nations of Christendom have been the one's that accepted Christ and His Gospel, I KNOW they are "true Israel," for that is one of the strongest fingerprints" which identifies them in these "closing out days of this Age". Today our people are being "brainwashed" into stopping the extinction of Spotted Owls and baby seals in Newfoundland, but it is considered RACIST and HATEFUL to protect our own from extinction!

**CAN YOU SHOW ME IN SCRIPTURE WHERE LOVE OF ONE'S OWN IS HATRED? OF COURSE YOU CAN'T!** In fact the Apostle Paul taught us in 1 Timothy 5:8, that any Christian who refuses to take care of and protect his family, "has denied the faith, and is worse than an infidel!:

Is it HATRED to OBEY the First Law of God, found over and over in Genesis One, that "like MUST produce after it's own kind".

Those who now control America, The Talmudis/Zionis/New World Order, seek the amalgamation of all mankind into one big chocolate blob which can be more easily controlled on their New World Plantation. This heathen religion MUST be exposed and defeated. Am I a HATER BECAUSE I TELL YOU THE TRUTH? The last hope for our White people, lies in the TRUTH of the Scriptures, which is being deliberately suppressed in many of our churches. The enemy KNOWS, that WHEN our people begin to OBEY God, then His marvelous power will come into play on our side, and there is nothing that can stop His Kingdom from conquering and filling the earth. Their hope for complete power will be gone forever!

**MAN AND STIMULUS RESPONSE!**

The Talmudist believes, like the Communist, that since man is a "stimulus-response" animal, (Goyim" - non-Jew animal, they contemptuously call us) his entire reasoning process, even his ethics and morals depends on his stimulus response machinery.

One example they use is that if a man is beaten and told during the beating that he MUST obey certain officials or suffer, the installed pain becomes a policeman, so to speak, which hurts him if he disobeys in the future. This same process is being used today in the prison systems of this country which are erroneously called "rehabilitation centers". They are not "correctional" at all! They do seek to install fear of authority!

The Communist teacher points to the fact that parents who are lenient with recalcitrant children are seldom obeyed. They believe the Cossack method of breaking wild horses will work with men. When the horse of a Cossack refuses to obey it's rider, they obtain a bottle of vodka, and when the horse bucks, they smash it between the horse's ears, knocking him to his knees, while the bottle breaks and the stinging liquid gets into the animal's eyes. The horse, mistaking the dampness for it's own blood, instantly stops bucking and thereafter gives full attention to the commands of it's rider.

So the PSYCHOPOLITICIAN, through hypnosis, and brain surgery known as "lobotomy", which was developed in Russia by Jewish scientists and is being used today in American prisons, and hospitals, ensures absolute obedience of the one on whom it has been performed.

The Russian scientists also found that "sex" was a powerful motivation and these beasts became
adept at using sexual lusts and masochism to benefit the end results of the **psychopolitician**. Remember their slogan: "The end justifies the means," which results in actions which are evil beyond the scope of decent imagination.

These things are being used against our boys and girls in the Secular School System of America, which is controlled by our enemies.

On page 39 of their textbook we are told: "Sex in all animals is a powerful motivator and is no less so in the animal man". (Remember that to the Talmudic Jews, who are the motivators of Communism, you and I, are called "goyim", which in Yiddish means "non-Jew" animal.)

They go on: "The ocasioning of sexual liaison between females of a target family (very possibly yours), and indicated males (probably Blacks, since this is in their openly proposed plan), under the control of the psychopolitical operator, must be demonstrated to be possible with complete security for the agent, thus giving into his hands an excellent weapon for the breaking down of familial relations, and consequent public disgrace for the scientific target".

Think about this for a moment. These operatives, working under control of the sordid teachings of the Jewish Talmud, have no guilt feelings about degrading your wife or daughter, if it can be used to their advantage. If you are a politician, or an important person, this can and will be used against you as a weapon of "blackmail". I'm sure many of you have wondered at the actions of some youth, whose fathers have been in high positions, and who have committed actions which disgrace them.

Most of you who have been brought up under the false teachings of Judeo-Christianity, will probably refuse to believe that these evil things come directly from the Jewish holy Book, the Babylonian Talmud, which according to Jewish leaders is the "heartblood of Judaism". It is taught to Rabbis in the Jewish seminaries. To clear your mind of all doubts, here are a few quotes from these books, showing the moral sickness which is Judaism. I quote chapter and verse in case you want to investigate and see for yourself. These come from the book **The Effects of the Talmud on Judeo-Christianity**, and are available from Scriptures for America, P.O. Box 766, LaPorte, CO 80535.

One of the major parts of the Talmud can be found in what is called the **Caballa**. According to the Jewish Encyclopedia, the Caballa teaches: "exalted position of man, which is the true Jewish view of life and one appealed to over and over again in the Talmud. It was the Cabalists of Judaism who developed Jewish magic, the casting of lots; necromancy; exorcism and astrology. These were all legitimized by the Talmud, although God's Law demanded the death penalty for anyone who practiced them, (See Lev. 20:276; Deut. 18:10-12).

In scathing manner, our Savior, Jesus the Christ, linked the Jewish Pharisees of His time with the Babylonian Red World Power to come and which His Kingdom would ultimately destroy. (Read Matt. 23:13-15; 31-35). Christ went so far as to say that the converts of Judaism became "two-fold more a child of hell", than those who converted them, (see Matt. 23:15). You who are "hell bent" on defending Judaism at all costs, think about this, for some day you will be held accountable before God, for defending His enemies. In fact, 2 John 10,11, indicates that if you help them in any way, you become "partaker in their evil deeds". Think about this the next time an abortion is performed by a Jewish doctor, in a Jewish owned abortion clinic.

The Talmud is probably one of the most pornographic sets of books in existence and under American Law, may not be sent through the mail. One of its books the **Seder Tohoroth** (meaning cleanness), deals exclusively with the (mensturant woman) and devotes 509 pages discussing smell, color, and examination by the Rabbis of menstruation, without any apparent medical or spiritual reasons. It deals with such things as "urinating off the roof" and illustrates Christ's accusation to the Pharisees in Matt. 23:24, that they "make clean the outside of the cup and the platter; but your inward part is full of ravening and uncleanness".

Keep in mind, that the **Talmud** is supposed to be a religious book, and according to the
dictionary "religious in the sense of defining and setting moral and character values". As you glance through it, you will see why Jesus characterized the Pharisees as Hypocrites".

The KETHUBOTH volume, which makes up two books of 728 pages, is filled with typical Talmudic sex-filth, going so far as to instruct a grown Jewish man in his right to have sex with a baby girl under three, and a Jewish mother to have sex with her son, under the age of nine.

The NEADARIM is 282 pages of further silly dirt and immorality.

The GITTIN covers divorce proceedings, while taking time out to consign Jesus and all Christians to eternity, standing up to their necks in "boiling excrement".

The SEDER NEZIM, contains rabbinic ramblings on general Jewish law, which has as it's essence the legal permission for Jews to harm Gentile property while asserting that Gentile injury to a Jew, is a special insult to God.

The SANHEDRIN, made up of 781 pages, forms the chief repository, of the criminal law of Jewry, including the choicest slanders against Jesus Christ and strangled in Christians. Such as that He "deserved stoning to death"; "He should be dung"; not because of any sin against God, but because of His blasphemy against the Pharisees. This is why Jews hate Him!

In the volume ABODAH Zarah, the rabbis teach that while adultery between grown persons is punishable by death, this excludes the minor, or the wife of a minor and he may commit adultery with his neighbor's wife.

Young children in Judaism may be the legitimate target of the pedophile, for the Talmud teaches that until a child reaches sexual maturity, capable of sexual intercourse, they do not rank as a person. Hence Biblical laws against sodomy (pederasty) do not apply if the boy is below nine years and one day old. It likewise teaches that under this age, intercourse with the mother or any grown woman is harmless. In SANHEDRIN 69b, the age is lowered by Rabbi Shammai in some cases to eight years.

The foul mother is regarded as pure in Jewish eyes, depending on the age of the child. Such degrading of children was typical of paganism throughout the ancient world.

In KETHUBOTH 11b, we read: "When a grown up man has intercourse with a little girl it is nothing, for when the girl is less than three years old - it is as, if, one puts the finger in the eye - tears come to the eye again and again, so does virginity come back to me little girl under three years".

In SANHEDRIN 55b, we read: "A maiden aged three years and one day, may be acquired in marriage by coition..." (Sexual intercourse).

In YEHOBOTH 60b, in the case of a baby girl who is not Jewish born, she may be married to a grown priest; "one is fit for cohabitation who has attained the age of three years and one day" (YEHOBOTH 60b).

Although Moses was most specific in forbidding Israelite women to have intercourse with beasts, (see Lev. 20:16) and that priests may not marry women who have been prostitutes (Lev. 21:7). The Talmud puts it's seal of approval on this act by stating: "Unnatural intercourse does not cause a woman to be forbidden to marry a High Priest, since then, you would find no women eligible for marriage".

It teaches that intercourse with close family members is all right under certain circumstances, as is sex with a dead woman, which inmost civilized countries today is considered as a crime.

You may feel that no one in your family who has been brought up under Christian teachings, would have anything to do with this rottenness. This shows how naive you are, for as they truthfully write: "Just as a dog can be trained, so a man or woman can be trained... Sexual lust, masochism (the obtaining of sexual pleasure through the inflicting of pain on your partner), and other desirable perversions (such as Sodomy), can be induced by pain-drug hypnosis, to the benefit of the..."
Psychopolitical operator". Don't be so naive as to believe that you will be able to withstand the use of pain-drug-hypnosis, which could be used against you and your loved ones. It takes a special commitment to Jesus Christ as Lord and King to withstand the wiles of the "evil one", and the majority of Christians I have met during my travels would, I believe, take the "easy way out", and cooperate. That will happen, I'm sure, when the "Mark of the Beast", spoken about in Rev 13:16 is brought into effect.

As Christians we have this clear warning in Rom. 12:2- "Be not conformed I (shaped) to this world (order); but be ye transformed (changed) by the renewing of your mind, that ye may prove what is that good and acceptable, and perfect will of God". If you don't have the courage to stand up for Christ now, when you still have some protection from the law, don't expect to do it when you come under persecution.

I've trained young men in three big wars, and fought beside them in two of them. I have listened to the boasts of men in training, about the great feats they meant to perform in combat, and almost without fail, those who sounded off about their bravery, were the one's you could not find when the bullets began to fly. The same is true with many professing Christians. They sing loud and lustily the great hymns of the church: "Faith of our father's living still, in spite of dungeon, fire and sword. How sweet would be their children's fate; if they, like them, could die for Thee. Faith of our father's, living faith; we will be true to Thee 'til death!" Then I have seen them come into a restaurant after church, and very few even honor their King enough to bow their heads and ask His blessing on the food. I have seen the pastors of the largest, most successful Fundamentalist church in town, as they attend a Rotary, or Lion's Club meeting, and laugh at the shady jokes which are often told. They would not consider saying anything that might upset other members, even though they knew it's their Christian duty to do so.

I well remember an incident that took place in Hot Springs, Arkansas, a number of years ago. Casino interests were trying to legalize the trade, which at that time was being carried on illegally at the Vapours Night Club. At a city meeting, the pastor of the largest Southern Baptist Church in the city, made an impassioned plea against the evils of organized gambling. The manager of the night club silenced him, when he rose and said: "Pastor... if you want to close me down, keep your church members out of my club!" Wow! What an indictment!

How much persecution do you honestly believe church members such as this would withstand?

While speaking in Minneapolis a few years ago, on the dangers of Communism, an elderly lady came up to me after the meeting to say: "Brother Mohr, I believe everything you said tonight, but I'm born again, you know, and I don't have to worry about things like that. Jesus will come back and RAPTURE me away before things get all that bad!" Talk about being wrapped up in a sheet of "self-righteousness", that old sister was wrapped up in a "shroud". It was quite evident that she had never gone through any persecution because of her stand for Christ, and I doubt that she would have made that remark to a Russian Christian, who had seen his family brutally murdered by Jewish Communism.

Yet, this is one of the falsehoods being taught today in many Judeo-Christian churches, which has turned men and women from being soldiers of the King, into cowardly "foxhole dwellers", who hide in their spiritual foxholes, folding their holy hands in prayer, while they ask God to save them from the results of their Christian apathy!

When I think of the "milk sop, pabulum" being fed to many of our Christians congregations today, it makes me sick. Very few have gotten beyond the "pacifier stage" in their relations with the King. This is the reason Christianity is losing the war!

Today, the practices of the PSYCHOPOLITICIANS are openly practiced on the men and women in our "gulag" system. They are often decidedly inhumane, but they will excuse their excesses by saying: "It's for the good of all". Hogwash! They are all part of the Talmudic, United Nations, One Word Government plan of conquest!
How many of you know about the controlled experiments which are often carried out in the Public School, without your knowledge? The Bible speaks clearly about a "falling away from the faith, in these last days, and this happens when parents no longer show interest in the teaching of their children.

We are told in 2 Thessalonians 2:3, that Christ will not return until after this: "falling away" takes place, and warns Christians lest they be deceived by any means. He says: "... for that day (the day of Christ's Second Coming), shall not come, except there come a falling away first, and that man of sin (who we call the anti-Christ) be revealed, the son of perdition!

The meaning of the words "falling away", comes from a Greek word which has been transliterated into the English word "apostasy", which means: "rebellion or defection from the truth!"

Dr. Gordon Gin, in his SMYRNA Bulletin, of Dec.1996, (P.O. Box 451, (Fortuna, CA 95540) gives this illustration which is all too common in the so-called Christian world: "On Sunday morning last, this writer and his wife walked from our Adult Sunday School Class room and were confronted by a large and beautiful Christmas tree, decorated with the integrated colors of ornaments and flashing lights. Thirty years ago, we would have rejoiced at the sight, as one of the artifacts celebrating the birth of our Savior. But now we know better. Instead of delight, our hearts sank with the realization that Christian churches today, are oblivious to their participation in a pagan holiday, complete with all it's trappings. The one's who decorated our church tree, haven't a clue to the real meaning of this tree". Yet the Prophet Jeremiah referred to it as a heathen symbol, 2600 years ago. Listen to him describe it in Jer. 10:3 - "For the customs of the people are vain: for one cutteth a tree out of the forest, the work of the hands of the workman, with the axe. They deck it with silver and with gold; they fasten it with mails and with hammers, that it moveth not... but they speak not, and needs must be borne, because they cannot go. Be not afraid of them; for they cannot do evil, neither is it in them to DO GOOD". How sad to see our King's birthday turned into a heathen celebration presided over by a fat little Jewish imp in a red suit, who we call Santa Claus, who wears a $ sign as a belt buckle and has completely taken over this Christmas holiday so that it is no longer proper to say Merry CHRISTmas. It has become HAPPY HOLIDAYS! The same is true of Easter!

I do not believe it is wrong to celebrate the King's birthday, although I sincerely doubt that it was on December 25th. After all, the Wise Men rode for weeks to bring gifts to the new born King, and the Angels serenaded Him with heavenly song. But the manner in which we have allowed God's worst enemies to subvert our Christian Holidays is sad indeed!

What can you expect, when our pastors tell us these anti-Christ's are the "Apple of God's eye," who MUST be placed on a special pedestal in the church world, when they openly state that their plan is to destroy White Christian Civilization? How stupid and "brainwashed" can we become? No wonder the Jewish world openly refers to Christians as "stupid cattle".

What has happened to our Christmas and Easter celebrations, is a good example of PSYCHOPOLITICS in action.

The Psychopolitical operators in American have such mind control over American Christians that if you want people to get mad at you, preach on "lifestyles; haircuts; women wearing men's clothing; men who look like women; rock music and modesty". These are "no! no!" in the Christian world today. This idea has so permeated the church world, that millions of people want Jesus as Savior, all right, but they want Him as a sort of Celestial Fire Insurance Policy to keep them out of hell. Few want Him as King. For when you accept Him as King, it means he takes first place in your life, and most Christians and their pastors do not want to give up "doing their own thing". Not judging, just "By their fruits shall ye know them.

The new psychopolitical approach that has been accepted by many pastors uses essentially the same language as the old Gospel, while changing it's contents and misplacing it's emphasis!

We are not saved by keeping God's Law, but when we look at it, we immediately KNOW there is
nothing we can do to save our self. So we go scurrying to look for a place of safety, and are brought face to face with the only answer which is Jesus Christ.

The new psychopolitical religion does not oppose our sinful nature. It recognizes it as being universal an that it crops up in the best of families. So this new and false religion becomes a "friendly pal" which if understood properly can become the source of oceans of fun and enjoyment. The new teaching, allows sinful Adam to live without interference, which is exactly what he wants. It fits into the teachings of the Psychopolitician, because it makes him a "moral weakling".

Going along hand in hand with the teachings of Secular humanism (the New World Order religion), is the teaching so prevalent in many churches which elevates God's worst enemies to a status of being Chosen People, even though their Savior, Jesus Christ, clearly stated that they were "not of His sheep," (John 10:26).

The preachers of the "new gospel" venerate these anti-Christ's, placing them on a pedestal even though they are warned in 2 John 10,11, that if they accept and help any anti-Christ's, they "become partakers in their evil deeds".

Yet this teaching coming from supposedly Christian churches, is actually PSYCHOPOLITICS in action! It is designed to weaken the church and make it worthless as a force against the evil of the Talmudic One World Government. It has been cleverly and subtly introduced into the Christian church through Jewish influences in our seminaries.

Many of you can remember back to the old time evangelistic meetings, when SIN and sinners were named, and the preaching was hot! I can still hear the evangelist's scorching words, as he denounced the sins of smoking, drinking, skimpy bathing suits, and even Sodomy.

Today, in many churches, under the influence of the Psychopolitical operator, people are no longer SINNERS, today they are "mentally sick or disabled". You don't fill football stadiums preaching about SIN! and since much of the modern gospel is aimed at the finances necessary to keep a multi-million religious establishment operating, and allowing the preacher to live "high on the hog", it is natural, for them to "soft pedal" the things which natural man wants to do and make them appear acceptable in the eyes of God. Unfortunately, it doesn't work and our people are left spiritually weak and anemic lacking in Christian patriotism. This is what the enemy desires. For once men and women have lost the spiritual spark, they can easily be led into the "slave pen". The idea that out there somewhere, are armed men and women, who love God, their people their country and their family, and are willing to fight for what they KNOW is right, is too much for their narrow souls to comprehend, and it literally "scares the hell out of them!"

If by chance, a preacher has the "intestinal fortitude" to preach the Whole Counsel of God's Word to his people, and accosts the sinner and his sin, the church members, and other clergy, and of course the politicians and the controlled media, will accuse them of being "right-wing, anti-Semitic, hatemongers". This, whether they mention Jews and Judaism or not! I know, for I had it happen to me while I was still a Jew supporter!

In Jer. 23:22, we are told that if the pastors of the land will preach the "whole counsel" of God's Word, the people will turn from their wicked ways. This hasn't happened in America, indicating something terribly wrong with the preaching coming from pulpits. The psychopolitical operator rejoices when he can neutralize Christian leaders. That is part of his job.

When I was a boy, the fellow who loved God, his country, his people, and his family, and who was willing to fight for them, was the top man to be admired. Today, under Psychopolitical indoctrination, he is to be feared, as a "hate-mongering terrorist" who is a danger to all decent people.

As you read the Jewish/Communist textbook, you will see the influence of the Babylonian Talmud, which, according to Jewish authorities, is the "lifeblood of religious Jewry".

In this book, you find an absolute disregard for the rights of all men who are not Jews and only jews
are considered as being human. The Talmud decrees "When Messiah (the international Jewish One World Order) comes, ever Jew will have 2,000 goyim slaves." (The word GOYIM is a Yiddish word of contempt, meaning "non-Jew animal", you and I.)

This is the stated policy of Psychopolitics; to condition the country under Zionist/Communist assault, to the point where they collapse from within, through spiritual weakness.

For those of you Christians who refuse to believe that Psychopolitics is directly aimed at "true Israel" (the people we refer to today as Christendom), one needs only to study the prophecy of Gen. 49. This tells how each of the 12 tribes (nations) of Israel, will fare down through the ages. This prophecy could not possibly be true, if the tribes had become mixed up racially, as are the people of Jewry. Each was to be a separate nation in the "closing out days of this Age". It is because these nations have forgotten God and their family heritage, that the propaganda of the Jewish psychopoliticians has become so successful, and why today these Israel people are suffering as the result of their DISOBEEDIENCE to God. The purpose of Talmudic propaganda is to bring about this disobedience, and they have been eminently successful, especially among our Israel youth.

The enemy know full well, that as long as the Israel nations OBEY God, they will be untouchable. In the wonderful 28th chapter of Deuteronomy, which deals with OBEDIENCE and DISOBEEDIENCE of ISRAEL and it's results, we read in vs 8: "The Lord shall cause thine enemies that stand up against thee, to be smitten before thy face; they shall come out against thee one way, and flee seven ways." This has been true in the history of both Great Britain and the Untied States. When we were in relative obedience to God, we were successful in war, but under the influence of the Talmudic Communist psychopolitical pressure, we have lost every war since World War II. Vs 10 says that when we are OBEDIENT to God, "All the people of the earth shall see that you are called by the Lord: and they shall be afraid of thee". (The people we know as Jews have never qualified here). Vs 11 continues this promise: "And the Lord shall make thee plenteous in goods, in the fruit of thy body, and the fruit of thy cattle, and in the fruit of the ground, in the land which the Lord swear to give to your fathers". Some of you no doubt will say:

"That refers to the Jews in the land of Palestine". Think again, my Christian friend, and review 2 Samuel 7:10, where God told King David that Israel would move to a new land, to an Appointed Place in the wilderness, where the time would come when they were no longer afflicted by the "children of wickedness". (To find out who these wicked people are, read Malachi 1:2-4).

Could these be the same as the one's referred to in John 8:44; Matt 23:15; John 10:26; and 1 Thess. 2:15? In spite of what Jack Van Impe and the La Londe brothers say to the contrary, I believe they are!

Our enemy is diabolically clever, since their knowledge comes from that "evil one". (John 8:44). They KNOW that if our Israel people disobey their God, they will come under His anger and be defeated. So their "pimps" in the pulpits do not tell their people that this same chapter in Deut. 28 which tells about the rewards for OBEDIENCE, has this to say, Vs 15 - "But it shall come to pass, if thou (Israel) will not hearken unto the voice of the Lord thy God, to observe to do all His commandments and statutes... that all these curses shall come upon thee, and overtake thee". These curses are listed in vs 19-48 and are the same as those which are destroying "free" America in 1997.

How can they be avoided, when the pastors of most of our churches, preach the Jew tainted doctrine, that Jesus did away with God's Law on the cross, when both He and the Apostle Paul said in essence: "God forbid!" (Matthew 5:17-19; Romans 3:31).

The purpose of the enemy BRAINWASHING is to cause Israel to DISOBEY, so that she will be destroyed by God!

While Israel and most of Judah went into Assyrian captivity, those Judaïtes who lived in Jerusalem (they were not called JEWS, until their return from Babylon with a new-false occult religion), during their seventy years of captivity, became rich and powerful and became known as JEWS. It
was here that the Babylonian Banking system which is destroying American economically today, was spawned.

It was in Babylon, that the mammoth, Satanic, occult holy book of Judaism, known as the Babylon Talmud was begun about 500 B.C. and finished after 1,000 years, in the Jewish Seminary in Alexandria, Egypt, about 500 A.D. This was a complete repudiation of the writings of Moses and was what Christ called the TRADITION OF THE ELDERS. His harshest denunciations came against this false teaching, which is the basis for Judaism today. (See Matthew 15:3; 8, 9; Titus 1:10, 11; 14). While most Christians have been taught that the Jews follow the teachings of Moses, Christ exploded this in John 5:45, 46. When the Jewish religious leaders claimed that they followed Moses, He said: "Do not think that I will accuse you to the Father: there is one that accuseth you, even Moses, in whom ye (say ye) trust. For had ye believed Moses, ye would have believed Me; for he wrote of Me. But if ye believe not his writings, how shall ye believe My words?" That seems mighty clear to me! I don't have to have someone with a D.D. behind his name to explain its meaning! Do not confuse the TORAH, the writings of Moses with the TALMUD, they are dramatically different!

The next time some Judeo-Christian tells you that the Jews follow the teaching of Moses, remind them of this. Ask them who they are going to believe, their Savior, or some preacher who according to the Scriptural account, is giving them false information?

We know that Babylon was not destroyed at the time of Nebuchadnezzar or his Son Belshazzar, about 538 B.C. although it was captured by the Medes, (See Dan. 5:30, 31). It remained the center of Jewish conspiracy under the Medes and after the time of Christ, there was a Christian church in Babylon (see 1 Peter 5:3).

From historical records we know that Babylon was a thriving metropolis and continued to be for hundreds of years as the center of world occultic teachings, which can be clearly seen in the Talmud and surfaces again in the Secret Societies of the Illuminati and Free Masonry. Old Babylon finally faded and decayed, as power moved from that area.

But a new Babylon, spoken of in many places in the Bible came into power, and will be a world power when Christ returns.

The scriptures which speak of the New Babylon and its subsequent fall, indicate that the descendants of the ancient Jews will be living there alongside Christians.

We need to understand that modern "brainwashing" or Psychopolitics if you want to be professional about it, is the "brain child" of this evil Talmudic/Zionist system for world control. They have openly declared their intentions to "destroy White Christian Civilization, and wipe our God from the skies". Contrary to popular Christian belief, the Jews do not worship the same God we do! We know they cannot reach God, except through Jesus Christ, for He said: "No man cometh unto the Father but by Me," (John 14:6). But Billy Graham, Jerry Falwell, and Pope John Paul say they have a special dispensation from God and don't have to go through Jesus to reach Him!

The evil of this Jewish system can be seen in the means it uses to bring about obedience. In Russia, alone, it slaughtered over 64 million people. Millions of whom, were Christians. I could "gag" you if I told you about some of the means used by the Jewish commissars to murder our people. It makes their Holocaust of World War II pale by comparison.

Have you ever wondered why we continually have this atrocity crammed down our throats, while we never hear our Christian pastors speak about the millions of Christians who have been tortured to death by Judaism? Long before the War Between the States, (our most costly in man power), a powerful Jewish Rabbi in Europe named Reichorn, speaking at the funeral of another Rabbi, in the Prague, said: "Wars are the Jews harvests. With them we kill off the Christians and gain control of their gold. We have already killed over 100 million of them, and the end is not yet". Can you imagine the furor that would be raised in our media, if a Christian leader made such a bold
statement regarding Jews? All hell would erupt! But our Christian leaders say nothing.

What do you honestly believe would happen, if Christian leaders in America would demand that a CHRISTIAN HOLOCAUST MUSEUM were built in America, at taxpayers expense, to honestly show Jewish atrocities to Christians down through the ages. It seems mighty fair to me, but you know what would happen if it was even suggested! It wouldn't have the "chance of a snowball in hell", and the most vociferous voices raised against it, would come from so-called Christian sources! This is how far we have degraded under Jewish control!

Chapter VIII of PSYCHOPOLITICS deals with the measures used by the enemy to control our people: "Degradation and conquest must go hand in hand. In order for a country to be conquered, the nation MUST first be degraded, either by acts of war, by being overrun, or by being forced into humiliating peace treaties, or by the treatment of the populace under the armies of the conqueror.

Do you realize how near this country is to complete Jewish subjugation? We are being forced, bit by bit, through these stages of national degradation, and see our government, as they compromise now with anti-Christ, anti-American forces as never before in our history.

Bit by bit, the TRAITORS in our government are selling us out to the United Nations and it's Talmudic New World Order. Already our military has become subservient to it. I can no longer, in honesty, advise a young man to join the Armed Forces, for he will not be fighting for his country, but under U.N. command and conceivable against his own people. The plan of the enemy is to mentally "browbeat" the good people (Christians) in America into a state of abject submission. They state: "Continued and constant degradation of national leaders, institutions, practices, and national heroes must be systematically carried out". This is cleverly done by the Jew controlled media, in the Public School system, and sadly enough, often in the Christian church.

The enemy knew that by attacking the character and morals of Christian people in particular, and by bringing about a general contamination of our youth, they would bring about a universal feeling of defeat. In spite of the glowing accounts coming form the media, most people look at life in 1997 with a gloomy view. In spite of favorable "opinion polls", which are almost always conducted by Psychopoliticians, the general attitude of our people is decidedly negative.

It has been proven, over and over again, that during time of war, and I'm thinking primarily of the wars in Korea and Vietnam, when a man was taken prisoner, he could expect to be abused, degraded and reduced to a position where the slightest motion on the part of his captors would cause him to obey, even the most outlandish orders! I saw this often when dealing with Korean POW's. This enemy pressure also has a marked effect on his loyalty and beliefs. Only the very strong survived with honor.

We found that during these two extremely brutal wars, that our POW's were often physically and mentally tormented and that only those men who had strong moral, and usually Christian backgrounds, were able to withstand. The "mamma's boy type" didn't have a chance. I remember investigating the death of a young American POW, who had died after only a few days of captivity. He had not been tortured, or especially mistreated, but his cell mates said that when he looked at the terrible food served the prisoners, very possibly smelly fish heads, in a thin rice soup, he said: "My mamma never made me eat slop like that and I ain't starting now!" He curled up in a corner in his blanket and three days later he was dead. There was not a bruise on his body. He willed himself to die!

It was discovered by the enemy, that if they deprived our men of food, and what they served was not fit to eat, for weeks on end, by keeping him awake at nights with loud music and harsh lights, by making him live in his own body filth, by frequent beatings and worse, that the slightest gesture by his captors would turn some men into a state of shock and bring about complete compliance with their every demand, even to making treasonous statements against their own country.

The men who stood tall, and said: "Nothing you little S.O.B.'s do to me will get me to obey
unlawful commands," were usually those who came from Christian homes, and who had a strong moral background.

Conditions in the POW camps were not like those shown on the popular TV shows featuring a camp run by some Col. Kunk and a dumb, fat, good natured German sergeant. They were tough, mean, inhuman places.

It is interesting to note that during the Korean War, with which I am the most familiar, our men suffered terribly at the hands of the North Korean barbarians who were often viciously cruel. But under the Chinese, there were few evidences of physical brutality. Instead they used sophisticated methods of Psychopolitics, hypnosis, drugs, deprivation of sleep and food. The head Chinese Interrogator during these terrible days, was a Lieutenant Colonel, who had received a Ph.D. in Psychology from U.C.L.A.

They followed the Psychopolitical principle that: "The first thing to be degraded in any nation under conquest is the state of man himself". They knew that nations with a high ethical tone (especially Christian) would be difficult to conquer. They knew that the spiritual integrity of those men could not be violated by force. They knew it would not be efficient to attack a country such as America, when we had this Christian "frame of mind". So they set about attempting to degrade our people. Why is it, do you suppose, that the national thinking of America has plummeted from the high point of a Patrick Henry who would shout: "Give me liberty or give me death!: to the sniveling cries of the National Council of Churches, whose motto seems to be: "It's better to be Red than dead!"

We have seen the statesmanship of America's leaders degenerate from the high point of the Monroe Doctrine, which a few years ago protected the Western Hemisphere from outside aggression, to the low degree of "chickenship", shown by our National leaders when we relinquished control over the Panama Canal?

Already, during the Korean War, the Talmudic poison of world Zionism was doing it's evil work, as our American forces, for the first time in our proud history, came under foreign command. Every order that went to our field Commander, General Walton Walker, first had to go from the Joint Chiefs of Staff, to the Secretary of Military and Political Affairs of the United Nations, who at that time was a Russian General. I have sat in on many weekly briefings and heard General Walker say: "How can I fight this blankety blank war, when the enemy knows what I am going to do before I do?" That was TREASON, and only General MacArthur had the guts to buck it with the only winning effort at Ouijong'bu, where he instituted his attack without first notifying the Joint Chiefs of Staff. This got him fired by President Truman. (Warning to all Christian patriots, don't buck the New World Order!)

American actions in both Korea and Vietnam could not have been possible without TREASON in the highest levels of our government, brought about by Psychopolitical efforts since 1936 and greatly increased in 1997. Today, all evidence points to the fact that President Clinton has sold out to NWO/Zionist interests.

As the enemy intensifies their "long range plan" to degrade America and the other Israel nations of Christendom, in particular, lowering us form a high spiritual pattern, to an animalistic, Secular Humanist pattern which can be controlled, they will be following their concept which said: "They must no longer think of them-selves and their fellows as capable of spiritual endurance or nobility". The evolutionary theory was introduced into our Education System for this purpose, for if our youth can be taught that they are only "high level animals", with an animalistic reaction pattern, then they can be controlled like animals. When you couple this poison with the Secular Humanist teaching that man can better himself and achieve self-fulfillment without God, it flies in the face of such scriptural truth as that found in Psalm 14:1 which says: "The fool hath said in his heart, there is no God. They are all corrupt, they have all done abominable humanistic) works, there is none that doeth good... They are all gone aside, they are all altogether become (morally) filthy; there is none that doeth good, no not one!" (See also Romans 3:10-12). mis is the spiritual definition of men and
women who are under the control of the New World Order religion of Secular Humanism. Once you can demonstrate to people that they are only a mechanism of flesh and blood, without any individuality, who is at the mercy of their environment, without the power of make personal decisions, then you can control this person. I saw a personal example of this a few years ago, when I was lecturing at Ohio State University in Columbus, on the subject of Abortion. During the Question and Answer period, a strikingly beautiful girl, who was prominent in student politics, stood up and said: "If we can't have abortion or contraceptives, how are we going to stop the population explosion?" When I asked her if she had ever heard of a thing called "self-control" you would have thought from the crowd reaction that I had slapped her face. Here were several hundred young Americans, about to step into adulthood, who had been told that their reactions were due to their environment, and that they had no control over them. (Later I found that she was head of a student organization that was protecting baby seals in Newfoundland. Isn't it strange, the mental state they had placed her in, where she would protect baby seals, but see nothing wrong in murdering baby humans? This is Psychopolitics in action!

Secular Humanism, as taught by the media, the School System, and in many churches, purports to show that when men and women rebel against the State in any way, or for any reason, they are "neurotic or actually insane and need mental treatment". The Judeo-Christian churches love to harp on Romans 13:1 - "Let every soul be subject to the higher powers. For there is no power but of God; the powers that we are ordained of God". They love this, but seldom mention what the Apostle Peter told the Jewish authorities when in Acts 4:17 these authorities said: "but that it (the teaching of Christianity) spread no more among the people, let us straitly threaten them, that they speak henceforth to no man in this name (Jesus)".

In vs 1, we have Peter's answer: "... Whether it be right in the sight of God to hearken unto you more than unto God, judge ye. For we cannot but speak the things which we have seen and heard". So after threatening them, they let them go!

Enslavement of any people will fail, when those who dare to call themselves Christian learn that OBEDIENCE TO GOD MUST COME BEFORE OBEDIENCE TO MEN, and that this OBEDIENCE is necessary for VICTORY!

When man abides by God's laws instead of those of tyrants, it often sets the stage for rebellion such as we saw in 1775, when the watchword was: "RESISTANCE TO TYRANNY, IS OBEDIENCE TO GOD!" (Given a little leeway, this is true!)

The New World Order cannot allow this to happen, if it is to be successful in the subjugation of our people. Remember, their target date for world takeover is the year 2000, which is less than three short years away. Unless rebellious, God-fearing men and women are stamped out, the Global Plantation of World Zionism can never take over. We are their target!

It is the task of the Psychopolitical operator to degrade the moral status of our people, and with the cooperation of crooked politicians, educators, and often churchmen who are more interested in One World Unity, than in the freedom of our people, this has become a distinct possibility.

I can see this vividly in my Prison Ministry which operates in 106 prisons in 26 states, where there is an obvious move under way to drive a wedge between White and minority groups and cause friction which they believe will erupt into a "racial war" which will bring the New World Order into world control.

A few years ago a Supreme Court Judge, a Jew, and a political appointee of the liberal "left", decreed that prison cells must be "integrated", since this would "lessen racial tensions". Authorities and inmates alike know that it increases tensions. But few authorities have the courage to speak up about it. It has been a thorn in the side of our White Christian Identity men, who believe God's admonition to come out from among them and be separate", and they are often forced to cell with a heathen who hates them, their God, and is a homosexual, to boot! No wonder they complain to me!
The Psychopoliticians have been trying to "mongrelize" America through "miscegenation" for decades, for they know that history teaches, that mongrelize people are always easier to control. So they cater to the minorities with their "sons and dance", that we "Must take from the haves, and give to the have nots," whether they deserve it or not!

This tactic was exposed in 1957, when a book written by one of England's most prominent Jewish Communist leaders, Israel Cohen, was introduced to our Congress. It was titled **A RACIAL PROGRAM FOR THE 20TH CENTURY**. Excerpts from it can be found in the U.S., Congressional Record of 1957, page 8559. (It is available from the U.S. Printing Office in Washington, D.C.).

Cohen states: "We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mold them to the program of Communism. (Now the Zionist New World Order). The terms colonialism and imperialism must be featured in our propaganda. In America, we will aim for a subtle victory. While inflaming the Negro against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negro".

This took place recently when the Southern Baptist Convention made a public apology to the Black of America, because some of their forefathers, over 200 years ago, had slaves. It interested me to note that this statement carefully avoided the truth that Blacks in Africa, were sold to Jewish slave traders in Africa by Black chiefs, for rum distilled in Jewish owned distilleries in New England; were shipped to America under incredibly cruel conditions in Jewish owned slave ships; and were sold in Jewish owned slave markets in America, by mostly Jewish auctioneers. Was this truth kept out of the SBC apology for some reason? Evidently!

Cohen went on to say: "We (Jews) will aid the Negroes to rise in prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige and wealth, they will be able to inter-marry with the Whites and begin a process which will deliver America to our cause.

What better example of this than the sad tale of O. J. Simpson, who rose to prominence and wealth in the field of sports, to where he owned a lovely home in an exclusive White neighborhood, joined an exclusive White Country Club, married a beautiful, but stupid White woman and you know the results.

This sad situation is being repeated over and over, as decent White Christians are being seduced by the alluring Secular Humanist Gospel, of the "Fatherhood of God, and the brotherhood of all men", into breaking God's laws against "miscegenation". Psychopoliticians, in order to be successful, must seek on every hand, all levels of youth who have any leadership potential, and according to their own testimony, if these cannot be molded to their plans, they must be destroyed. These could be your children, especially if they are away from your influence in college.

It has been proven over the past 2,000 years, that the influence of "true Christians" (and by this I mean Scripturally based Christianity, not just those who believe in God), is the most ennobling influence which can effect any country. It began with old Israel, and strong efforts have been made ever since, to destroy it's influence, through the controlled media, in education and even in many churches. This can only be done when men and women are seduced into believing that they are not very important in God's plan.

When men and women believe in a life in the hereafter and believe they will be held accountable for their life here on earth, they become more patriotic and certainly braver, for they believe Jesus when He said in Matt. 10:28 - "And fear not them that can kill the body, but are not able to kill the soul . . ." This is the "Faith of our fathers", which in spite of "dungeon, fire, and sword," remained firm to
their God and defied death! You can't defeat men and women with this kind of faith!

So it becomes the responsibility of the Psychopolitician to question and bring to the attention of the authorities, any family, or person that is deeply religious, especially if it seems to effect their attitude towards government. This applies especially to the Christian Patriot. This is why "true Christians are ridiculed by the media, in our school system and often in the church. The Billy Graham type, who compromises with all so-called Christian beliefs, who is loved by everybody and who no speaks evil of, is mentioned by Jesus in Luke 6:26.

There has been a plan underway in the field of psychology, to make "old fashioned, genuine Christianity" synonymous with "neurosis and psychoses" and plays directly into the hands of the Psychopolitician.

The BRAINWASHING MANUAL, on p.44 says: "By perverting the institutions of a nation (school, church, and home) and bringing about a general degradation (meaning dishonor or contempt), by interfering with the economics of a nation, (which has certainly been done by the Jew controlled Federal Reserve System) to the point where privations come about, (and in spite of the glowing reports in the media, reliable sources say we have more really poor people in the U.S. now than at any time in our history), only a minor shock will be necessary to produce, in the populace as a whole, an obedient reaction or hysteria. Thus, the mere threat proves this by the phrase they coined: "It's better to be Red, than dead!"). Can you imagine what would happen if a small nuclear weapon was set off in one of our metropolitan areas, with a few thousand deaths? There would be immediate panic, and a call on the part of many so-called Christians, for our government to do anything necessary for their survival, even if it meant giving up their freedom. Benjamin Franklin knew whereof he spoke when he said: "He that loves security more than freedom, deserves neither."

These sad folks cannot understand why some of us would rather "die on our feet, than live on our knees!" But the mental mindset of surrender, is what the Psychopoliticians have sought in American, and they are willing to use any means, to bring about their desired end.

Here is their philosophy, taken from their own textbook: "Psychopolitics should avoid murder and violence, unless it can be done in the safety of an institution on persons who have proven to be insane". (Their definition, of course. To the Psychopolitician, you are automatically considered insane, if you believe in God).

Would this idea of murder, if it is safe, have anything to do with the large number of individuals connected with President Clinton's escapades who have had unexplainable deaths? Over forty now, I believe.

As the result of this kind of thinking, the Talmudic doctrine of "the end justifies the means", when anyone questions the actions of a "traitor in high office", or in the media, the schools system, or the church, they immediately become suspect themselves, and are often attacked as being "mental unstable". There is an old Communist cliche which says: "paranoia is the condition where an individual believes he is being attacked by communism". This was the powerful weapon used to discredit Senator Joseph McCarthy, when a few years ago, he attempted to rout out the Communists in our government. He was considered insane by many, although many of his predications have since been proven true.

As a result of this kind of controlled thinking, any whisper, any pamphlet, any book, any speech given in public, and sometimes in private conversation, which will alert the people to the harmful actions of our enemy, is immediately "laughed to scorn", by the media, and very possibly branded as insane. If he is taken into custody by the government, drugs will often be used on him to confirm his insanity.

This is a tough game we are engaged in, my "children", it is not some child's game! It's "hardball!"

In the field of public education, legislative practices have encouraged the teaching of Psychology as a MUST. This has been very subtly changed to bring about enemy desire in the minds of our youth.
One of the most horrible aspects of this Satanic, anti-Christ force, is the methods used to recruit people into the field of "mental health". By promising youth unlimited sexual opportunities, by promising them complete domination over the minds and bodies of their helpless victims without fear of detection, the worst perverts can and are often enticed into the field of Psychology.

That some of these unwilling victims will be insane, or will be driven into insanity by the Psychopolitician's efforts, will ensure that they will execute destructive projects without question, without fear of death, and with no trouble with their conscience. The "Manchurian Candidate syndrome", is not a far fetched fantasy, but reality!

This mental mind-set can be seen among many of the Middle East terrorists, who are taught that their deaths, will ensure their entrance into paradise. It's almost impossible to stop someone in this "frame of mind".

I believe the primary project of the Psychopolitician is to destroy any Christian group, that will not bow the knee to their new One World Religion. I can assure you that it will not be Christian, or a Biblical system, even though it will be under Talmudic control, it will not worship the Creator most of us worship and call God!

It will not be the Hebrewism of the Old Testament. Things now unfolding indicate that it will be the worship of Lucifer who Judaism considers to be the most honored of God's two sons. The "Black sheep" is Jesus.

It is known that in traditional civilized nations, and by this I refer to the nations of Christendom, that mental healing has always been the God given task of the clergy. A mind beclouded with sin cannot receive healing until the sin is removed, and only Christianity holds the key to this. This is another reason we are the Number One enemy of the New World Order. Sick minds are to their benefit!

The enemy says: "Today in Europe and America, scientific practices in the field of mind control would not last moments if not enforced entirely by officialdom".

Since they believe this, every effort is made on the part of the authorities to keep hidden form the general public, the fact that incidents of insanity increase dramatically under government scientific practice. This is as planned! As a result, we see in the media, among educators, and even in the church, the false assertion that it is the "pace of modern living" which causes neuroses, when in actuality, it is sin! This information must be kept from the general public, for the enemy knows that only "true Christianity" has the answer.

There are many Scriptures which attest to this. In Isaiah 57:20, 21 we read: "But the wicked (those who break God's Law) are like the troubled sea, when it cannot rest, whose waters cast up mire and dirt. There is no peace, saith the Lord, to the wicked". In Proverbs 4:19, we read again: "The way of the wicked is as dark-ness, they know not at what they stumble". The anti-Christ's do not want our people to know that "peace of mind", can only be obtained through OBEDIENCE to God!

In their manual, p.51, they state: "Given the slightest encouragement, public support will swing immediately to place 'mental healing' in the hands of the churches (Christians)". They know that Christ is the only one who can heal sick minds and keep men and women out of their evil clutches.

They do not want sick people made well, for mentally disturbed people fit better into their plans for the World Plantation. Therefore, all efforts by Christianity to help men and women mentally, MUST be swept aside, unless they are under State supervision.

They readily admit that when they took over control of Russia during the Bolshevik Revolution, that they destroyed all religious faiths, concentrating on wiping our Christianity as the most dangerous to their plans.

Let me call to your attention, that their plan to destroy Christ's church, which has resulted already in the deaths of tens of millions of Christians, was carried out for the most part under the conspiracy of
those you Judeo-Christians call God's Chosen people.

The enemy state in their textbook: "You must recruit every agency of the nation marked for conquest into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief . . . that Christian practices are vicious, bad, insanity causing, publicly hated and intolerable". This is their present agenda, being carried out by their controlled media.

Their final agenda has been laid down in these words:

"We have battled in America since the centuries turn against any and all Christian influences, and we are succeeding.

While we today seem to be kind to Christians, we have yet to influence the Christian world to our aims. when we have done this, we will have an end to them everywhere...

"You MUST work until Christianity is synonymous with insanity. You must work until the officials of city county and state governments will not think twice before they pounce on a Christian group as public enemies.

"We MUST be like a vine upon a tree. We must use the tree to climb, and then, strangling it4 grow to power on the nourishment of its flesh.

"We must strike from our path any opposition. We must use for our authority any tools which come to hand, and at last, the decades sped, we can dispense with any authority but our own".

Is this what you want for America? The New World Order target date is 2000, according to their open declaration. That's awfully close! Will you go supinely to an awful doom as slaves, without a fight, or will you as Christians, rise up in the power which can only come from God, to defeat this menace to God and mankind?

For those of you in the Christian church who have been taught that there will be a RAPTURE, before things get that bad, let me ask you: "Do you honestly believe that God will rescue you, who most of your life have been an easy going, self-satisfied Christian who has never suffered for Him, when millions have given their lives in His cause. How can you, a Christian who has never suffered for Him, expect to be saved from persecution? I wonder how many of you who believe this would be willing to share this information with a Christian brother from Russia, who had seen his family terribly tortured and murdered. You might expect a mighty unpleasant experience at his hands and rightly so! I'm completely "fed up" with "foxhole Christians", who retreat to their comfortable spiritual fox holes while the battle rates, fold their holy hands in prayer, as they ask God to rescue them from the results of their own Christian apathy.

Remember this, you complacent, self-satisfied Christians. The forces of the anti-Christ already control a major portion of the inhabited areas of the world. The White nations of Christendom are their only remaining enemies. Why do you support a church which teaches the falsehood that God's worst enemies are the "Apple of His eye?" When He said: "Ye are not of my sheep," (John 10:26)? Maybe you and your pastor need to meditate on 2 Chron. 19:2- "Shouldest thou help the ungodly? and Love them that hate the Lord? therefore is wrath upon thee from before the Lord".

The time has come when if we are to remain free, Christians, White Christians in particular, are going to have to return in OBEDIENCE to God's Word, whether we like it or not!

We already have a FORMULA FOR SURVIVAL which will work. It is found in 2 Chron 7:14 - "If My people, which are called by My name (Christian), will HUMBLE themselves and PRAY, and SEEK My face, and TURN from their wicked ways; then will I hear from heaven, and will FORGIVE their sins, and will HEAL their LAND. But we MUST be willing to abide by its provisions, before it will work!"

The End
The Rapture
Scriptural Fact or Man-Made Fiction

By
Lt. Col. Jack Mohr

"Not giving head to Jewish fables, and the commandments of men, that turn from the truth." Titus 1:14

For many years, I preached a doctrine that is popular with millions of present day Christians. It went something like this: "The Rapture has to do with Christ's coming in two stages. First, He comes silently and secretly as a thief in the night to snatch His bride. The Church, off this earth and take her to heaven. Then a man called the Anti-Christ will take over and rule this world for seven years. During his rule, there will be a time of great tribulation (trouble), but at the end of this period. Jesus Christ will return with His Saints, to destroy the Anti-Christ and set up His kingdom."

Literally tens of thousands of sermons have been preached using this format and based on four New Testament verses. These sermons state that the next advent of Jesus Christ will be "silent, as a thief in the night."

For eighteen years, I preached this doctrine with all the fervor I could muster. But one day as I studied in the 24th Chapter of Matthew's Gospel, I began to think for myself for the first time, as the Holy Spirit led me into the truth. So what I want to do in this article is to discuss with you, the possibility that the Rapture of the Church, instead of being Scriptural fact, is man made fiction - in fact that it is one of those "Jewish fables," Paul warned us against in Titus 1:14, when he said: "Not given to heed to Jewish fables, and commandments of men, that turn from the truth."

Now I realize that some of you who read these words are going to be deeply disturbed by them. Some of you will not be honest enough to read them and check them out against the Word of God. I realize that the Rapture Doctrine is a wonderful thing to believe in. It gives you a warm feeling. to believe that you will be rescued from a time of great trouble; and it is a powerful tool in the hands of a preacher or evangelist, to persuade men to accept Christ while there is still time. But there are other doctrines, which the Rapturists believe are false, which are pleasant too. One is that eventually, everyone will be saved. I'd like to believe that too! But it's poison out of the "pits of hell itself." So just because a doctrine is popular and pleasant to the ears, does not make it true.

Now I do not expect you to believe what I say. In fact, I'm not at all concerned about whether you do. All I ask you to do, is to be honest enough to look with me at what the Word of God says about the Rapture, and then honestly decide for yourself, without any advice from your pastor, or any pressure on his part. If you are honest, there is only one conclusion you can reach. Two different teachings concerning the Rapture cannot both be true.

I am indebted to much of the research on this article. to Dr. William Strittmaiter, President of Kingdom Bible Studies. in Lakemore, Ohio.

I also realize that some of your pastors are going to view this article with a great deal of un-Christian sarcasm. This does not bother me in the least. Again, all I ask, is that you take what I say, put it under the magnifying glass of God's Word, then as an intelligent, honest person, MAKE UP YOUR OWN MIND!

The four Scripture verses I mentioned earlier, as being the foundation of the "Rapture Theory," and I use this term for want of a better one, are:

I Thessalonians 5:2 - "You yourselves know perfectly that the day of the Lord cameth as
a thief in the night."

2 Peter 3:10 - "But the day of the Lord will come us a thief in the night..."

Revelation 3:3 - "...I will come on thee as a thief."

Revelation 16:15 - "Behold, I come as a thief, blessed is he that watcheth and keepeth his garments, lest he walk naked and they ... see his shame."

Let's examine these verses carefully as intelligent people and see what they really say.

I Thessalonians 5:2 says that the "day of the Lord," will come as a thief in the night. It does not intimate that the Lord will return. The next verse goes on to say: "For when they shall say, Peace and safety, then shall sudden destruction come upon them, as a travail upon a woman with child; and they shall not escape."

Is the silent return of Jesus Christ the subject of this verse? Of course not! The subject of this verse is "sudden destruction." Verse 4 is seldom ever quoted by the Rapture preachers. it says: "but ye, brethren, are not in darkness, that that day should overtake you as a thief." What does Paul have reference to? Did he say that Christ would come back silently and secretly to steal Christians away from the earth? Of course not! Read the verse again. He said that the "Day of the Lord" would come in silence.

I Thessalonians 5:2 is not about the Lord at all, but has to do with the "Day of the Lord." It is not about a secret removal of the church from this earth, but about sudden destruction. It clearly states that the "Day of the Lord," does not come on Christians, but on Un-believers. The word "THEY" in verse two has reference to unsaved people.

Now look at 2 Peter 3:10. Most Rapture preachers only quote part of this verse, the part which says "But the day of the Lord will come us a thief in the night." But even this part of the verse should show you that it is about the "Day of the Lord," not the Lord's return. The rest of this verse says: "But the Day of the Lord will come as a thief in the night, in which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up."

Will this event be silent and secret so that no one will know about it until it is over?

That's not what it says. It says: "but as the days of Noah were, so shall the coming of the Son of Man be, for as in the days that were before the flood, they were eating and drinking, marring and giving in marriage, until the day that Noah entered into the ark, and knew not until the flood came, AND TOOK THEM ALL AWAY; so shall also the coming of the Son of Man be. Then shall two be in the field, the one shall be taken and the other left. Two women shall be grinding at the mill, the one shall be taken and the other left."

With a little observation. you can see that these verses refer to the time just before Christ returns and what will happen when He does return. Thousands of sermons have these verses saying: "Christian believers shall be taken from this earth in the Rapture and the unbelievers will be left on this earth to go through the Tribulation." Let's see for ourselves what they say.

Now whether this teaching is wicked or not, or whether it is just plain unbelief, is not the purpose of this study. The people of Noah's time did not believe him and went about their business, doing "their own thing", until something drastic happened to them. Verse 39 says the flood "TOOK THEM ALL AWAY!" Notice it was not the righteous people - Noah and his family who were taken - but the wicked people, the careless who would not listen to Noah's warning.

Now notice what verse 39 continues to say: "so shall the coming of the Son of man be." Notice verse 40-41: "Then shall two be in the field, the one shall be taken and the other left. Two women
shall be grinding at the mill: the one shall be taken, and the other left." But notice carefully who those are that will be taken. Does it say, or even hint that, believers will be taken away to heaven, while the wicked are left behind to control this earth? Of course it doesn't! It clearly states, that as it was in the days of Noah, the wicked would be taken away, while the righteous will be saved.

But let's look for a bit more proof. Look at Matthew 13. the Parables of the Tares and the Wheat, and the Fish and the Net. To get the right answers, you will need to read Matthew 13:24-43. very carefully. In the parable of the wheat and the tares, it is the tares, which represent the wicked, that are gathered first. Verse 30, says: "Let them grow together (the wheat and tares) until the harvest: and in the time of harvest will I say to the reapers, (Notice very carefully now) Gather ye FIRST together the tares and bind them into bundles and burn them, but gather the wheat (Christians) into my barn." (Kingdom.) (Emphasis added.)

When Jesus explained this Parable in verse 38 He stated that the "good seed" are "the children of the Kingdom." In other words, "believers."In this same verse He clearly states that the field represents this present world and that the children of the "wicked one" (Satan). The one responsible for these, is their father Satan. (Could this possibly be tied in with Christ's. remark', in John 8:44?) Jesus then goes on to explain in verse 39, that the "harvest" represents the "end of this age"

So we see an interesting "word picture" painted by our Lord. On this earth (the field) we have two crops growing side by side until the time or the harvest, they are wheat, representative of "saved people" and "tares" which represent those who have given their allegiance to Satan (unsaved). Now notice closely who are gathered first. Does it say that Christians will be gathered first and be "saved from the first of tribulation? Of course it doesn't! It very clearly states that the "tares" (wicked ones) will be gathered first and will be burned in the fire. Who are you going to believe? The Word of God: or your pastor who has taken the Word and twisted it out of shape? Some day you will have to answer before God for what you do with His Word. He will not accept the excuse: "But my pastor told me it was this way!"

In verse 41, we see that the unbelievers, the wicked, the Anti-Christ and the children of the Devil will be removed from this world. while the "children of the Kingdom on this earth, represented by His barn. Notice closely once more, this Kingdom is on this earth. Isn't this what Christ told us to pray for in Matthew 6:10, when He said we should pray: "...Thy KINGDOM COME, Thy will be done, ON EARTH, AS IT IS IN HEAVEN." (Emphasis added.)

Now before we continue, read Matthew 13:47-52, the Parable of the Fish and the Net. It teaches very clearly that at the end of the age, the angels will come forth and "sever the wicked from among the just." The word "among" means: "living with". "Sever" means to: "separate: to part by violence." It comes from the Greek word "aphurizo," which has the same meaning.

Now be honest with me and with yourself. Does it say anything here about the "Church" being Raptured out of this world, while the wicked remain behind? Someone has got the "cart in front of the horse," in their teaching!

Now I would like to invite your attention to probably one of the most used, or possibly "misused" would be a better term, of the Rapture Scriptures, found in I Thessalonians 4:13-18. "Then we which are alive and remain will be caught up together with them in the clouds to meet the Lord in the air, and so shall we ever be' with the Lord." (Vs 17). You say: "See that proves it. That same verse alone proves the Rapture of the Church." But does it really? Let's examine this portion of God's Word, very carefully and see what it really says.

We need to go back to verse 13 where Paul said: "But I would not have you to be ignorant brethenn concering them which are asleep (dead), that ye sorrow not, even as others which have no hope." Which "have no hope" in what? That God will save them from tribulation on this earth through a Rapture? Does it say that? It is speaking here about the "hope of the resurrection," and has absolutely nothing to do with a Rapture.
You should be able to see, if you have normal intelligence, that the first half of verse 14 speaks about Jesus Christ being resurrected from the dead. The second part begins with these words: "Even so, (or we could say) "Likewise", them which also sleep (are dead) in Jesus will God bring with Him." This clearly states that God will resurrect the righteous dead at this time, in the same manner in which He brought Jesus out of the grave. Can you find the word "heaven" anywhere in this verse? It isn't there! The word "are asleep" which is found in the end of verse 15, clearly has reference to "all those who have died in the Lord and who have been sleeping in the grave."

Verse 16 says that Jesus will come "with a SHOUT, with the voice of an archangel, and with the TRUMP (trumpet) of God..." This certainly does not sound like a silent, secret coming to me. Now once again "do you find the word heaven anywhere in verse 17?"

This verse clearly states: "Then we which are alive (in other words after the dead in Christ are raised), and remain shall be caught up together with them in the clouds, to meet the Lord in the air, and we shall ever be with the LORD." Does it say we will then go up to Him to heaven? I can't find that anywhere here. But let me explain. When a king comes to a city, the representatives of that city go out to meet him. Then they accompany him into the city. When Queen Elizabeth visited America a few years ago, the President met her at the airport and escorted her into the city, so she could meet our people. He didn't go to the airport, get on the plane and fly back to England with her, now did he?

When you go to the local airport to meet relatives, do you get on the plane and go back home with them? You accompany them to your home. This is exactly what we will do when Jesus returns. We will not go back with Him to heaven. It doesn't even hint of this in verse 17. But quite clearly, we will meet Him in the air, and then accompany Him back to earth, where there will be a glorious coronation ceremony and He will rule on this earth, (Not in heaven, but on this earth) as King of Kings, and Lord of Lords. Verse 18 - "Wherefore comfort ye one another with these words."

So what we find in an honest study, is that I Thessalonians 4:13-18, is not about a Rapture, but about the real hope of Christians, the resurrection from the dead. As Jesus died and rose again. in the same manner will we be brought back to life when Jesus comes, not silently, but with a SHOUT and with the TRUMPET'S sound! We will go out into space to meet Him, "Praise God!" and then will come back to escort Him in honor into His Kingdom.

Now let's go to another Rapture Scripture, found in the 14th verse of the little Epistle of Jude. "... Behold, the Lord cometh with ten thousands of His saints..." to do what? Rapture them? read on: "To execute judgment upon ALL. and to convince all that are ungodly among them of their ungodly deeds."

Jude was quoting here from a prophecy of Enoch which we can read about in Deuteronomy 33:2. Moses wrote: "The Lord came from Sinai, and rose up from Seir unto them. He shined forth from Mt. Parin, HE CAME WITH TEN THOUSANDS OF SAINTS." Have you ever heard your Rapture preacher or evangelist explain how the Lord came to Mt. Sinai with ten thousands of His saints? I never did. In fact, most of them will tell you there were no believers in heaven at this time. Then how can you explain God coming to Sinai, 1490 years before the time of Christ?

You see my Christian friend, the big danger coming from the teaching of this "false doctrine," is that it takes Christians out of the battle against the wicked. They want to hide comfortably in their spiritual fox-holes, waiting for Christ to come back and rescue them before things get too hot. Instead of doing the work Christ told them to do; instead of being the "salt of the earth" which should be holding back corruption, they often become part of this corruption. Many years ago, a very wise man named Edmund Burke said: "All that is necessary for evil to succeed, is for good men to do nothing." This has been the sad story of millions of neutralized Christians who have believed that the Rapture was all important.

A few years ago, I ran into this in Kansas City, it was one of the most shocking examples I had ever seen. After speaking in a large church, a woman approached me and said: "I agreed with everything
you said, but it doesn't apply to me. You see. I don't belong in this world. I've been born again and this means that Jesus will rapture me out of this mess before the Communists take over." When I asked her to show me this promise in the Bible, she got mad, because it isn't there! You see, that old sister was so tightly wrapped up in her shroud of "self-righteousness" it is doubtful that even the power of Almighty God will get her unzipped in time to go with Him when he does return. She was completely neutralized and instead of "Occupying until He comes!" she was hiding in her air-conditioned foxhole, folding her holy hands and praying for Jesus to take her out of all this muck and filth that we call the world. No wonder we can't make very much headway against sin, when Christians feel like this.

In verse 45, we read further - "Who then is the faithful and wise servant whom his Lord hath made ruler over his household to give them meat in due season? Blessed is that servant whom his Lord shall find so doing?" The Lord comes as a thief, with punishment and destruction for the servant who is not watching. while the obedient and faithful servant, who is found doing his Lords will (verse 47) is made ruler over all His goods.

NOTE: - THIS IS IMPORTANT: When you study you Bible, always see what it says, and what it does not say. Now with reference to the place of rulership, come with me to Revelation 5:10 - "And hast made us (Christian believers) unto our God kings and priests: and we shall reign on earth."

Then note specifically Revelation 3:21, as to who will reign with Christ (not all Christians will reach this exalted position) - "TO HIM THAT OVERCOMETH will I grant to sit with me in my throne, even as I also overcame, and am sat down with My Father in His throne." Then notice again, Revelation 2:26 - "And he that OVERCOMETH, and KEEPETH MY WORKS unto the end, to him will I give power over the nations." So you see, there are some requirements if you want to "rule and reign" with Christ. It does not come automatically.

But let's get back to Matthew 24:45 - Nothing is said in this verse about the faithful servant being taken off to heaven. The promise is that he will be made ruler over his Master's goods.

Now look at verse 48 - "But if the evil (or Unfaithful) servant shall say in his heart. My Lord delayeth His coming and begin to smite his fellow servants, and eat and drink with the drunken, the Lord of that servant shall come in a day that he looketh not for Him, and in an hour that he is not aware of shall cut him asunder and appoint him his portion with the hypocrites, there shall be weeping and gnashing of teeth." What in the world does this teach?

Well first let me ask you a question: "Is the term thief used in relation to the Day of the Lord, or in relation to Jesus Himself? Is it used to describe a time when the righteous will be taken off to heaven, while the wicked control the earth. or does it tell of the punishment and destruction of the wicked?" It becomes quite obvious, when you study this verse, that it has reference to the Day of the Lord.

If you want to find out what a thief does, turn to John 10:10, where we are told that a thief comes "to steal, kill and destroy." Jeremiah 49:9, tells us that a thief comes to destroy and that this coming is silent. Have you ever heard of a thief who blows a whistle before he brel (Ginto a house?)

Jesus gives an answer to His disciples, as to when the Day of the Lord will come, in Matthew 24:37-41. He says it will take place with "Great noise." No where in this verse does it say anything about a secret removal of the church from this earth. What comes as a "thief in the night?" Not the "Lord," but the "Day of the Lord."

Now turn to Revelation 3:3 - "Remember therefore how thou hast received and heard, and hold fast and repent. If therefore thou shalt not watch, I will come upon thee like a thief, and thou shalt not know what hour I will come upon thee." Nowhere does this verse promise deliverance from tribulation. It is a clear warning to the Church and shows that Christ will come as a thief, not to those who watch - but to those who are not watching. Now once again, turn to Revelation 16:15 - This verse takes place at the time of the Battle of Armageddon, it says: "Behold, I come as a thief, blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame."
No where in this verse does Jesus say "I come as a thief to take Christians away from this earth. "It is a plain warning that those who do not watch will lose something and this will make them ashamed.

Now I'd like to take you to Matthew 24, the chapter that changed my mind about the Rapture Theory. First I want you to realize that this chapter was spoken to Christians. It was not given to the Jews, but to Christ's disciples. It may be beside the point, but with the exception of the traitor, Judas Iscariot, all these men were Benjamites from Galilee and were not Jews. They were Israelites, but not Jews. It is unfortunate, but most of our pastors are very careless in using these terms interchangeably. This is nothing but "intellectual dishonesty" of the worst sort.

In verse 3, we find that Jesus is sitting on the Mount of Olives, with His disciples, who are Christians (even though they were not known by this name until years later at Antioch, see Acts 11:26). This verse says that His disciples asked Him privately: "Tell us, when shall these thing be. and what shall be the sign of thy coming and of the end of the world? " (This should have been more properly translated "end of the age." since it comes from the Greek word "aion" which means "age.")

Now I want you to took specifically at verse 42, it states: "Watch therefore. for ye know not what hour your Lord doth come, but know this, if the good man of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. Therefore (because of this) be ye also ready, for in such an hour ye think not. the Son of Man cometh."

Notice carefully that this verse does not promise deliverance, but is a warning of possible destruction. (Compare with I Thess. 5:2-4, 2 Peter 3:10, Re. 3:3, and 16:15).

There has probably been no one who has done more to neutralize Christians, th/blo Bible scholar named Schofield. He was the one who put the footnotes in the King James Version of the Bible. which is known as the Schofield Edition. Why I know some Christians who almost believe that Schofield's footnotes have the same authority as the Holy Writ. He discourages Christians from working for righteousness in their community. State and Nation. because they are told that when the saints leave this world, the devil is going to take over anyway.

Josephus. the great Jewish historian states that when the Romans attacked Jerusalem in 70 A.D. not one Christian lost their life in the siege. They believed that Christ's account as given in Matthew 24, was meant for them, not the Jews. and they fled for their lives, just as Jesus had warned them to do. More than a million Jews. who did not believe. were killed in that siege.

Many missionaries who were working in China prior to the Communist takeover. will tell you that those who had been taught the Rapture doctrine, were the one's who stayed behind and were killed by the Communists. Those who had studied their Bibles, fled and are the nucleus of the Christian church there now.

What will happen to you when Christ returns? Will He find you "Occupying" ? You know you can't do that if you are hiding in a foxhole waiting His return. Occupation is a military activity. When Jude told us to "contend for the faith..." (Jude 3} he was giving us the picture of two men fighting to the death. He used the word from which our English word "epiagonize." from which our English word "agonize" developed. It is used only once more in the New Testament and appears in Hebrews 12:4, where it says: "Ye have not yet resisted (epiagonized) unto blood. striving against sin." In modern day language, he was saying: "Christian, you haven't reached the point in your Christian life, where you are wiling to shed your blood in the war against evil." This is what it is going to take. This is what it's all about!

For those pastors who say they aren't concerned with a Communist takeover of America, that their task is "to preach the Gospel and God will handle the Communists," I'd like to remind them that if the Communists ever take over in America, their right to preach the Gospel will be taken away, just
as it was for our brethren in Russia and China.

What are you doing? Are you so self-satisfied that you will sit back and be further lulled to sleep by the preaching of a false doctrine, when you should be preparing yourself for rulership in the Kingdom of God, under Jesus Christ the King?

I hate to say it, but I'm afraid that too many of our church members should be classified as "amateur Christians." They are not really very much interested in playing the game "all out." The founder of a very well known fundamental seminary once said: "To impose a need to surrender the life to God as an added condition of salvation is most unreasonable." Another well-known Christian leader went even farther and said: "Once you say 'yes' to Jesus, He is bound eternally by contract to save you: you can commit every sin in the Bible, plus all the others and there is NO HELL waiting for you." This is an absolute stupid statement for any preacher to make and some day God will hold him accountable for the Christians he has led astray.

Man was made in the image of God, in knowledge, righteousness, holiness and was to have dominion over the earth (See Gen. 1:26; Col. 3:10; Eph. 4:24) Our standard of conduct can not be man as he makes himself, but man as God made him. Man is a being that according to the Bible (Ps. 139:14) is "Fearfully and wonder-fully made." He was created to rule the earth, to have dominion over it and to rule according to God's eternal Law. To diminish this responsibility and calling, and to reduce God's Law to a few vague moral precepts that man wants to follow, is to set a minimum of faithfulness and this in itself is evil. The one thing we cannot afford to be as Christians, is amateurs. Our calling is a total one; we can give God nothing less than our all.

There is nothing that points up the weakness of our modern day church, more than the reduction of faith from God's supernatural act of saving us to an easy believeism and casual disobedience.

A famous man on his death bed said when asked to repent: "God will forgive me; that is His business." We Protestants have been quick to condemn the sorry medieval doctrine of indulgences, as practiced in the Roman Church, but we have fashioned our own doctrine of indulgences. So we tell people: "Accept Christ, and you will be safe; if you sin then, He will forgive you." We have turned our salvation into a sort of "fire insurance" policy to keep us out of hell. That's one reason it has become so easy for us to accept the equally "milquetoast" doctrine of the Rapture. I'm not so sure this is going to work. Christ Himself said, in Luke 6:46 - "why call ye me, Lord. Lord. and do not the things which I say?" Then in Matthew 7:21 - "Not every man that saith unto me. Lord, Lord. shall enter into the Kingdom of heaven; (Notice very carefully now the qualifying word "but") but he that doeth the will of My Father which is in heaven." I don't know many fundamental preachers who have the "spiritual guts" to preach this truth. Could it be that these who have turned their back on personal responsibility and who say and teach: "All that is necessary is to have faith, and believe and God will take care of everything else." Could these be the one's to whom our Lord was speaking in Luke 13:25, when He said: "...and ye shall begin to stand without, and to knock at the door, saying, Lord, Lord, open unto us, and he shall answer and sat, unto them I know not whence ye are."

Amateur Christianity, the kind that will rejoice in a Rapture, when millions of other Christians have suffered and died for Christ, is the modern form of the Phariseism which Paul describes in 2 Timothy 3:5, as "having a form of godliness, but denying the power thereof; from such turn away." The road to hell is lined with such as these. Take your Bibles and then lake a good, studied look at the Road Signs, which warn Christians who will not take a stand for Christ.

The Apostle John, in his First Epistle 3:8 tell us "...For this purpose (to combat Satan) the Son of God was manifested (that means "made known," that He might destroy the works of the devil. "Whomsoever is born of God doth not commit sin (there are many Scriptures which indicate this ha', reference to wilful sin); for his seed remaineth in him: and he cannot sin. Because he is of God." (Emphasis added.)

So my fundamental, Rapture minded friend. You can stand up in church and testify until you are
blue in the face; you can knock on doors and bring people to Christ, but if your life shows that you
do not follow His laws and believe that because you are saved you can lie like the devil. then
according to the Word of God, what you got was not salvation. Now don't get mad at me. I didn't
make this up. Its out of the Book you say you love and believe!

Read the Bible Road Signs, they say: DANGER! DETOUR! BRIDGE OUT! Listen to them. then
get out and take a stand for Christ, your family, your country, and the white, Christian civilization
that has given you everything worthwhile that you have.

DEDICATION

This book is dedicated to the memory of a good friend, a kinsman by blood and through the blood of Jesus Christ, Kenneth Goff. As a dedicated soldier of the Cross, he was without excellence in the roll call of modern day American heroes. Few men faced tremendous odds and danger, with the spirit of Christ, as he did. I predict that one day soon, when the battle for righteousness has been won, he will be recognized as the great American hero he was.

February, 1982

Sleepers awake! The bell has long since rung.
Your slumber is your death! The foe has sprung
Out of the sacred battlements that rang
With freedom, Now the deadly fang

Is bared to strike. Awake! Our cherished land
Once safe and fearless, innocent and grand
Is wrapped in evil chains they slyly forged
On hidden anvils. While you slept, they glutted

Their pockets with your wealth, and sucked your blood
And bound you in a snare called "brotherhood."
America! The free! the undismayed!
Where are your laughing sons? Betrayed! Betrayed!

Bleeding and torn upon some alien hill,
Bleak with despair, remote from home; to fill
An empty bargain with a scheming friend,
Who knows the senseless slaughter will not end

Until your youth is spent, your strength undone,
Your hand made captive and no victory won!
Awake my country! Listen to your dead!
They cry, and reach hands agonized and red

With martyr's blood, to snatch you from the fate
Of slaves! They cry, "Awake! The hour is late!"
And yet you sleep. . . you sleep. . . O foolish men,
Too blind, too careless, who will fly again

The flag you lose? Who will set you free?
Who will rebuild your broken liberty?
the bell is silent now... The guns are loud.
There is no answer from the sleeping crowd.

The masked deceivers smile and spin their web,
Teaching their captives that they must forget
The ancient ways of freedom and deny
Their flag, their country, and supinely lie

Under the shelter of an alien rope,
Secure... unquestioning... and stripped of hope.
O land of light! O refuge of the brave,
Who crossed the mighty ocean here to save,

Their treasured freedom, how your star has dimmed!
How cheap has grown the liberty that hymned
Your name across the world! How dark the sky
Where once your proud old glory once did fly

Unchallenged and unmatched, with eagle keen
Guarding her folds! How sad the darkened scene -
AS FREEDOM DIES!...

World War III has already begun, although few in the Christian world recognize this. The present battle is to capture the minds of men and nations, especially those of White Christian nations. At this moment, two mighty powers are opposing each other, drawing from their " arsenals of propaganda."

While the eyes of most Christian Americans will never be "allowed to look upon the agreements, documents, covenants and promises stored away in the vaults of Washington, D.C., the truth still leaks out from time to time, in spite of every effort by our enemy to keep us from the truth.

Although much of the information stored in Washington is marked SECRET or TOP SECRET, nevertheless, what I am about to share with you is one of the most explosive issues to ever face our nation. One thing in our favor, is that the enemy does not realize that we have at our disposal, the most powerful secret weapon mankind has ever seen. There is no way the enemy of the Politburo and the traitors in Washington can ever devise a defense against this weapon, once it is brought into play.

While I am not a scientist, a physicist, or a great military genius, I believe the promises made by our God, since He is still the Sovereign of this Universe. I believe He has a purpose, revealed in Scripture for His Chosen People, the Israel People of God. These are not the people we call Jews, but are the White Anglo. Saxon and related peoples of the Christian world.

If Christian America were to open her eyes to the truth and believe the Word of God, as revealed in the Bible; if they would be willing to follow God's Laws implicitly, then will come to pass the prophecy found in Isaiah 54:17 - "No weapon that is formed against thee shall prosper; and every tongue that shall rise up against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord . . ." This was God's promise to His People. But today, "our ancient foe," is seeking to usurp our Israel birthright and ultimately destroy us. They hate our God and His Son, the Lord Jesus Christ, with a Satanic hatred. They are determined to destroy every vestige of our faith and rule those of us who survive, as slaves in their satanic one-world system.

Who are they? We must be able to recognize them and know their methods of operation in order to successfully defend ourselves against their onslaught. This is the purpose of this book. To alert White Christian Americans, in particular, against the terrible dangers we face in the closing-out days of this "last Age." I say White Christian Americans, because you are their major target for destruction.

To further our study, we will discuss a document which has caused a tremendous amount of controversy. It is called THE PROTOCOLS OF THE LEARNED ELDERS OF ZION. The world Jewish community indignantly calls this a forgery. They were originally deposited in the British Museum, August 10, 1906. An attempt was made in a Swiss Court, to declare them fakes, but this was squashed by the Swiss Court of Criminal Appeals.
If the PROTOCOLS are forgeries, as Jewish apologists claim, the forgers would probably have taken pains to make Jewish authorship so clear that anti-semite purposes would have been easily detected. But only rarely is the term "Jew" found in the document. After one has read further than the average reader will care to go, you come upon the plans for the establishment of the World Autocrat, and only then is it made clear from what lineage the PROTOCOLS come.

However, one thing is made clear in the document, there is never a doubt, as to whom the plan is aimed against. It is not against the aristocrat as such. It is not against Capital as such... but it is aimed against a people the world terms "Gentiles," and especially those who are known as Christian. Over and over again, the term "goy" and "govim" is applied to them. In Yiddish, this literally means "cattle."

Pastor Gordon Winrod, Editor of THE DEFENDER, writes in his booklet THE JEWISH ASSAULT ON CHRISTIANITY: "Christianity is passing through a crisis the like of which it has never faced before. Whether or not it possesses sufficient moral and spiritual resistance to survive, remains to be seen . . .

"The strength of the church is in its ability to influence the hearts and lives of men by demonstrating and proclaiming divine truth . . . Will the Church be able to demonstrate sufficient power to triumph over its foes in this present crisis? Or has it become weakened by apostasy and pernicious teachings, that it will have to be drenched in its own blood before it can be brought to its senses?

"Persecution has always had a purifying effect upon the Church. Like individual saints of which it is composed, its "strength is made perfect in weakness."

"Unless Christian forces of the Western (white) nations come under a new baptism of old-time spiritual power, the Church will go down, and Soviet atheism will come up." (UNQ.)

During the latter part of the Eighteenth Century, France was destroyed by insidious Jewish influence, which came under the leadership of a human devil named Adam Weishaupt. His Jewish-Communist underground in France, then known as the Illuminati, produced the French Revolution and was the forerunner of the modern Jewish-led International Communist Revolution. During this traumatic period, the streets of France ran red with Christian blood, for then, as now, Christianity was their foremost enemy.

Honest historians will admit that the only thing which saved England, just across the English Channel, from the same fate, was a vast spiritual revival, under the spiritual leadership of the Wesley brothers and George Whitfield. This began as "prayer I meetings" held in haystacks, then overflowed into the market places and finally into the cold, dead, formal churches of England and brought her back to God. It produced concrete results. The slave trade was stopped, four out of five taverns in England were closed, and it brought reforms in Child Labor Laws, and integrity into English Government.

If America continues to erode, if our spiritual foundations continue to rot, it does not take a prophet to tell us what our fate will be. To know the answer to any question, one must first know its cause. To be able to successfully combat any enemy bent bent on your destruction, you must first be able to recognize him, then know something about his methods of operation. You can never subsidize him and give him an exalted position in your society, this is always fatal! I will attempt to root out our enemy and expose his methods of operation in this little book.

Jesus knew more about the evil capability of a people we now call Jews than any other. He knew their record for evil, because it was one of the major themes in the Old Testament Scriptures. The prophets from Moses on, constantly shouted out their condemnation for the evil committed by this people. As Jesus addressed their Talmudic leaders, about 30 AD, He said: "Woe unto you, scribes and Pharisees, hypocrites . . . And say, If we had been in the days of our fathers, we would not have been par-takers with them of the blood of the prophets. Wherefore, ye be witnesses unto yourselves, that ye are the children of them which killed the prophets; fill ye up the measure of your fathers.
Ye serpents, ye generation of vipers, how can ye escape the damnation of hell. Wherefore behold I send unto you prophets, and wise men, and scribes, and some of them ye shall kill and crucify: and some of them ye shall scourge in your synagogues, and persecute them from city to city. That upon you may come all the righteous blood shed upon the earth . . .”(Matthew 23: 29-35).

True to His promise, Christ sent His followers into the world with His message of the Kingdom and that of Personal Salvation. True to His prediction, the worst persecutors of the Christian faith, the ones dedicated to its destruction, are the same people He condemned in Matthew 12:34; 23:13-16, 23, 25, 27, 29; Luke 11:44; 11:47. These were the same people the martyr Stephen condemned in Acts 7:51, 52 and the Apostle Paul in I Thessalonians 2:15.

Pastor Winrod says, and history and the Bible bear him out: "When Jesus accused them (the Jews) of killing Abel (Matthew 23:35), He was seeing beyond their particular nationality. He was seeing beyond the garb of flesh they wore. He was looking deeply into their souls. He was seeing the demonic poison which was stored up in their life stream. He knew that the same Satanic hatred for the program of God, which took the life of Abel, was to reach its climax in the murder of the Messiah and His apostles. Hence the judgment he pronounced upon them: "How shall ye escape the damnation of hell?" (Matthew 23:33) (UNQ)

It is interesting to note that Jesus Christ accused the Jews of the murder of Abel, who was the son of Adam and Eve. Yet the Jews dated their origin from Abraham, who did not come on the historical scene for some 2,000 years.

We will attempt to look into this enormous problem posed by Jewish hatred for Christianity and everything it stands for. We will look for the impact it is having on our society.

"Most of the destructive types of liberal plans for World Control aim at the enlistment of common people as helpers. Their plan aims at the generation of the people in order that they may be reduced to confusion of mind and thus manipulated. Popular movements of a liberal kind are encouraged, all the disruptive philosophies in religion, economics, politics, and domestic life are to be sown and watered, all for the purpose of disintegrating social solidarity. A definite plan is set forth into which the people are to be molded, following their subversive philosophies." (The foregoing, came from THE INTERNATIONAL JEW, written by the great industrialist Henry Ford, Sr. in 1922.)

Whenever the Jewish Question is raised in the United States-and it has become almost an act of suicide to do so-a strange document comes into focus, as concerned White American Christians search for reasons behind Jewish hatred of Christianity. It is this PROTOCOLS, we have mentioned. They were first published by a man named Sergyel Nilus, in Russia in 1905. All existing copies, were destroyed during the Jewish-led Communist Revolution and possession of a copy in Russia during this period was punishable by death. This fact in itself should tell you something about its origin.

The PROTOCOLS were translated into English by a Mr. Victor Marsden. He had been a victim of the Russian Revolution and had lived in Russia for a number of years as foreign correspondent for the London Morning Post. When the Revolution began, it was quite natural that he be singled out by the Communist leaders, since he had been rather outspoken in uncovering their Jewish connections. He was thrown into prison, where he was brutally mistreated. He managed to escape and returned to England a physical wreck. As soon as he recovered, he translated the PROTOCOLS into English, thus earning for himself the hatred of International Jewry.

Jewish leaders claim the PROTOCOLS are forgeries. But by their very vehement claims against them, they prove their genuineness. In order to have a forgery, you must first have an -original. For a forgery, you know, is a clever copy of the original, made as nearly like the original as possible, so as to fool everyone but an expert.

But whether the PROTOCOLS is a forgery or not is beside the point. It really doesn't matter. I
make no claims to their genuineness and will make no attempt to prove them so. But I believe Henry Ford, Sr. was correct when he said about them, when interviewed by the NEW YORK WORLD, February 17, 1921: "The only statement I care to make about the PROTOCOLS is that they fit what is going on. They are sixteen years old (remember this statement was made in 1921) and they have fitted the world situation up to this time. THEY FIT IT NOW!" Sixty years later, we can say with assurance "The PROTOCOLS are more relevant now, than at any time in our history. THEY CERTAINLY FIT THE WORLD SITUATION NOW!"

A protocol is nothing more than a summary of essential points, statements or facts, which is often attached to the front of a document, or minutes of a meeting. The fact that world Jewry claims them to be forgeries, without attempting to answer any of the accusations they make, and which correspond to current Jewish threats as revealed to their own people through Jewish writings, should give rise to alarm among those of us who are concerned by the direction our country is heading.

While there is no actual proof to back up this assumption, there is strong reason to believe that the PROTOCOLS were a secret document Issued only to the officials in the hierarchy of International Judaism, at the First Zionist Congress, held in 1897, under the leadership of Theodore Herzl, the father of modern Zionism.

In THE JEWISH CHRONICLE, London, July 14, 1922, a volume of Herzl's diaries was printed. In this diary is an account of his first visit to England in 1895 and a conversation he had with a Colonel Goldsmid, a Jew, who had been raised as a Christian, an officer in the British Army, who was at heart a Jewish Nationalist. In this account, Goldsmid suggested to Herzl, that the best way for the Jews to gain control of English property and so destroy the aristocracy of England, which was against Jewish attempts to control their government, was to bring about exorbitant taxation of their property. Herzl thought this was an excellent idea and began to push for its operation in England. Strangely enough, this same idea can be found in PROTOCOL VI.

It is very probable, that not one Christian in a thousand has ever heard anything concerning the PROTOCOLS, to say anything about studying them. Many steer shy of them, because they have heard they were anti-Jewish. How can they be anti-Jewish, when they are official Jewish policy? Very few, including the majority of Pastors, are even willing to make an effort to study this subversive document.

Because it embodies direct threats against Christianity and the freedom we enjoy in America, it is of utmost importance that we know what it contains. The same issues discussed in the PROTOCOLS are being used by the International Jewish gangsters, who are seeking world control.

Because of their complexity, I will not try and enumerate or explain them in full, but will attempt to cover what I believe are their most important points. They can be obtained from a number of different sources, including LIBERTY BELL PUBLICATIONS, Reedy, W. Va. 25270.

My purpose is not to prove their authenticity, but to show you how they have been put into operation and their destructive results. I feel that when you see this, as intelligent men and women, you will want to take some steps to stop them.

This needs to be said in the very beginning. The principles found in the PROTOCOLS are as old as Jewry itself. They go back to the muddled religious thinking of a group of mongrelized Judahites, who came out of seventy years of captivity in Babylon, returning to Jerusalem with an exceedingly dangerous new religious philosophy, which has been incorporated in a religious book known as the Babylonian Talmud. This is the religious book on which all Jews base their belief and a book which supercedes the teachings of Moses.

According to Bible history, about 700,000 people from the Southern Kingdom of Judah, went into captivity in Babylon in 604 BC. This was about 100 years after the Ten Northern tribes had been taken into captivity in Assyria. These Judahites grew into a multitude of about 2-million people
during the seventy years of their captivity - this number was augmented by a large number of non-Jews, who has been assimilated into the religion because of fear. (See Esther 8:17).

These Judahites, mingled and inter-married with the dark-skinned Babylonians. When they returned to Palestine, under Ezra and Nehemiah, only about 50,000 out of this 2-million were willing to return. Most of them were happy to remain in Babylon, where they had become wealthy in the banking business, more specifically the of usury which was directly contrary to the laws of their God. (This is why the world-wide money system, now in use by the Jews, is referred to in the book of Revelation as "Babylon the Great.") This mixed multitude could not even speak the Hebrew language and brought with them, a new religion which has incorporated into the Hebrew religion, the occult practices of Babylon. (More about this later.)

Another PROTOCOL, which preceded the PROTOCOLS OF THE LEARNED ELDERS OF ZION, and one which the Jews can hardly call a forgery, since it came directly from a Rothschild Journal published in 1889, contained two unusual documents. One of these dated back to January 13, 1489, when Chemar, Jewish Rabbi of Arles, in Provence, France, wrote to the Grand Sanhedrin (the governing body of world Jewry Constantinople, for advice, as to what to do about the threatening posture of the people of Arles against the Jews. Here was the answer, as shown in the Rothschild Journal:

"The advice of the Grand Satraps and Rabbis is as follows:

1 - As to what you say that the King of France obliges you to become Christians . . . do it! . . . but let the law of Moses be kept in your hearts." (UNQ)

Now let me digress here for a moment, to say that many Jews, who have become converts of Christianity! all in this category. Who they are, I am not to judge. But I would imagine they can be exposed by following Christ's admonition: "By their fruits shall ye know them." I do know that many of them are "fakes." Benjamin Freedman, a Jew converted to Catholicism, in his pamphlet FACTS ARE FACTS, says: "For every ounce of so-called good you accomplish by the conversion of a self-styled Jew, at the same time you do a ton of harm in another direction, by diluting the devotion of countless thousands of Christians from their faith. It is well-known, that many counterfeit conversions reveal these conversions have proved to be but the infiltrations of latent traitors with treasonable intentions . . . The souls of millions of Christians who are totally unknown to you, are quite uneasy about the status of the Christian faith today. The minds of countless millions of Christian clergy are troubled by mysterious pressures from above which prevents them from exercising sound judgment in this situation. If the forces being manipulated from inside against the Christian faith can be stopped, then the Christian faith will stand on its feet against all enemies, as firm as the rock of Gibraltar." (UNQ)

2 - "... make your sons merchants that little by little they may despoil the Christians of their possessions."

3 - "... make your sons doctors and apothecaries, that they may take away Christian lives. (Have you ever bothered to check the names of those who head the Abortion Clinics in America? You might be surprised to find that most of them are Jewish, and that most of the 2-million babies they murder each year are white. Have you ever bothered to look at the names of those engaged in medical scandals, or unsafe medical practices, if you do, I'll guarantee that a vast majority of them will be Jewish. Do you suppose this may have some tie-in with this Protocol?)
4 - "... make your sons canons and clerics' in order that they may destroy their churches. (I challenge you to look at what has happened within the Christian church in the past fifty years. I will mention more about this later.)

5 - "... arrange that your sons become advocates and lawyers, and see that the mix themselves in the affairs of the State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them." (Do you know the number of Jewish advisors who have operated within the past eight Administrations? Why is their number so high compared to their population? Why do we find such a large number of Jewish judges and lawyers? Why do so many Jewish lawyers; like William Kuenstler, major in defending the enemies of America? Why do so many Jewish judges rule against Christians in a court of law? Why do so many Jewish judges turn violent criminals loose on some absurd technicality, knowing they will prey on society? Do you suppose there may be some connection here?)

Ask yourself: "Why is it that the Jewish founded and led, American Civil Liberties Union, universally defends radicals and takes a stand against Christian principles?

Listen to this Communist explanation, as It Is taken direct from their textbook PSYCHOPOLITICS, published in 1933 and taught at the Lenin School of Political Warfare, University of Moscow. Page 52- "We have battled in America since the century's turn, to bring to nothing, and any all-Christian influence and we are succeeding. While we today seem to be kind to Christians, remember that we have yet to influence the Christian world to our ends. When that is done, we will have an end to them everywhere.

"You must work until religion is synonymous with insanity. You must work until the officials of city, county and state governments will not think twice before they pounce on religious groups as enemies.

"You must recruit every agency of the nation marked for conquest, into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief, that Christianity is vicious, bad, insanity-causing, hated and intolerable." (UNQ) It almost sounds as though PSYCHOPOLITICS AND THE PROTOCOLS were written by the same person. Why do you suppose? Because they both reflect the unbending hatred of Judaism for Christianity.

-6 - Do not swerve from this order we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power." SIGNED: V.S.S.V.F.F. Prince of the Jews, 21st Caslue (November) 1489.

Why is it especially necessary for White Christians in particular, to protect themselves against Jewish attack? Look at the facts. Ask yourself who really controls America? Certainly it is not our people.

Make a list of all the big business under Jewish control and you will see they include theaters, newspapers, and television—all the media which are used to control America's thinking. This is why it is almost impossible to educate the American public against Jewish policies. The sugar industry; the tobacco industry; over 50% of the meat packing industry. (Have you noticed that the majority of the packaged meats you use have the Jewish kosher mark of approval on them? Who do you suppose pays the several million dollars paid to Jewish Rabbis for this service? You the "goyim"
food purchaser.) Most of the shoe and clothing industry is Jewish controlled, as is the music world, with its destructive "rock and roll music," (the "tempo of revolution and sexuality," whose very concept is anti-Christian and anti-American.) The loan Industry is almost 100% under Jewish control as is dope, prostitution, the abortion clinics and most Industry which is international in scope. All these are controlled by International Jews. Don't argue about this, just look at the facts! So whether you and I, or your pastor for that matter, want to believe it or not, Jews do have control over every major facet of American life. Remember, they are taught from childhood to hate you and your religion. It is one of the central teachings of their synagogues and their holy book the Talmud.

How Christian leaders can support and uphold Christ's worst enemies and dignify them by calling them God's Chosen People, is beyond my wildest comprehension. They certainly do not find this teaching in the Bible. (But then again, it's not so hard to understand. You see, I preached this for eighteen years and believed it for another forty. I never was honest enough to check the Bible and see if my pastor told me the truth; I believed them all and everyone of them lied to me for sixty years. These were not bad men; many of them were Godly men, but they had never been honest enough to look for the truth.)

So with this as an introduction, I want to spend some time analyzing the PROTOCOLS, and comparing their important parts with the Communist textbook on PSYCHOPOLITICS. We will consider these PROTOCOLS as they apply to you as a White Christian American. We will go about it prayerfully, asking that God's Holy Spirit will enlighten our minds and show us the truth.

**PROTOCOL NUMBER I**

"Every man aims at power, everyone would like to be a dictator if only he could, and rare indeed are the men who would not be willing to sacrifice the welfare of all for the sake of securing their own welfare. What has restrained the beasts of prey who call themselves men? (Remember that Jews refer to you as "goyim," literally "cattle.")"

"in the beginnings of the structure of society they were subjected to brutal blind forces; afterwards - to law, which is the same force, only disguised. I draw the conclusion that by the law, right lies in force." (UNQ)

**EXPLANATION:** This idea, put out near the end of the Nineteenth Century, coincides with one put out in 1933 by Jewish Communism. In the book PSYCHOPOLITICS, PAGE 30: "Obedience is the result of force... concurrent with force is brutality . . . - The most barbaric, unrestrained, brutal use of force, if carried far enough, invokes obedience. Savage force, sufficiently long displayed, will bring about concurrence with any principle or order . . . Any organization which has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity, will be obeyed.

"If you would have obedience you must have no compromise with humanity. If you would have obedience, you must make it clearly understood that you will have no mercy. Man is an animal. He understands in the final analysis, only those things that a brute understands." (UNQ)

Let me show you how these Communists' ideas are consistent with the Jewish teachings in the Talmud. In this book of 63 volumes, Christians are classified as the primary enemy of Judaism. They are called "idolaters," and their idol is Jesus Christ. As a Christian, you rank as the lowest and most despised form of life, even below that of heathen animals.

The Pharisees, from which came the modern Rabbinate, taught that only Jews were men ...

"Gentiles were classified not as men, but as barbarians," so says the Jewish Encyclopedia. On the subject of Gentiles, the Talmud NANA MEZIA, 108b gives as reference Ezekiel 34:31, where the Lord God says: "And ye my flock, the flock of my pasture, are men, and I your God, saith the Lord God." The Talmudic Rabbis have interpreted these words to mean: "Only ye (Jews) are designated as men."
When this Jewish belief is clearly understood, then Christians can also understand another Jewish warning from the Talmud, which states: "a heathen (goy) who studies the Talmud deserves death and any Jew who discloses the contents of the Talmud to a goyim deserves death."

If Christians ever reached the point where they were willing to look at Judaism in an objective manner, instead of being taken in by the Jewish myth that appoints them as the Chosen People, then they would understand the anti-human criminality of the Talmud and would be able to erect a defense against it.

In studying this problem, it is not necessary to limit our reading to the PROTOCOLS, PSYCHOPOLITICS, and the TALMUD. We can go to contemporary Jewish sources, which will reveal the same story. But let's look at what an eminent "goyim" has to say about this.

After several years of intense research and the expenditure of $8-million, the great American industrialist, Henry Ford, Sr. published a monumental book called THE INTERNATIONAL JEW. It drew all kinds of "flak" from Jewish sources, because it presented them as they really are, the enemies of Christianity. He states: "If the libraries of our theological seminaries were equipped with complete files of Jewish literary effort during recent decades, and if theological students were required to read these Jewish utterances, there would be less silly talk and fewer marks for Jewish propaganda in the American pulpits." (UNQ) To this I would have to give a hearty "Amen!" It is not necessary, however, to go to anti-Jewish writers to learn this truth and to understand their nefarious plans for their one-world government. There are many examples from Jewish sources.

In Maurice Samuels' book, YOU GENTILES!, page 155, he says: "We Jews, we the destroyers, will remain the destroyers. Nothing that you can do will meet our demands and needs." (UNQ)

THE LONDON JEWISH CHRONICLE, January 22, 1943, quoted the Jew, Bert Locker, speaking at the Zionist Conference as saying: "We have the right to come to the world today and say, 'Here is the Jewish problem. Settle it to our satisfaction or there will be no rest in the world.'" (UNQ)

Benjamin Disraeli, the Jewish Prime Minister of Britain, during the reign of Queen Victoria, said in 1852: "An insurrection takes place against tradition, against religion and property . . . men of Jewish race are always found at the head of every one of them... they cooperate with atheists; the most skilful accumulators of property ally themselves with Communists; this peculiar race (Jews) . . . touches the hand of all the scum and low castes of Europe; and all this because they wish to destroy ungrateful Christendom." (From THE LIFE OF LORD GEORGE BENTINCH, London, 1952).

In THE JEWISH WORLD, London, February 9, 1883: "The great ideal of Judaism is not that the Jews be allowed to flock together one day . . . but that the whole world shall be imbrued with Jewish teachings, and that a universal brotherhood of Nations - a greater Judaism, in fact all the separate races and religions shall disappear." (UNQ)

The PROTOCOLS go on to say: "Political freedom is an Idea but not a fact. There is no such thin as freedom and the power of rulers who are benevolent will one day be replaced with the power of Gold. There was a time when faith ruled, but that time is past . . . Our right rules in force. That means, give me what I want in order that I may thereby have proof that I am stronger than you." (UNQ) (This of course is the essence of Israeli policy in Palestine today.)

They go on to state that the people cannot know what is best for them for "when they seize power, it quickly turns to anarchy, which is in itself the highest degree of savagery." They explain further how they have enticed the "goyim" into a state where they can be controlled: "The people of the goyim are bemused with alcoholic liquors (we could now add dope to this list), their youth have grown stupid on classicism (adherence to traditional standards) and from early immorality, into which they have been inducted by our special agents . . ." (UNQ)

This is again paralleled in PSYCHOPOLITICS, page 27, where they say: "By making available drugs of various kinds, by giving the teenager alcohol, by stimulating him with sex literature and
advertising to him or her, Sex Education - . the psychopolitical operator can create the necessary
attitude of chaos, idleness and worthlessness, into which can then be cast the perfect solution of
Communism.

"If we can effective kill the pride and patriotism of but one generation, we will have won that
country . . ." (UNQ)

They go on to speak of their watch word **LIBERTY-EQUALITY- FRATERNITY**. This was the
same motto used in the French Revolution and that of the Jewish-Communist Revolution in Russia.
It is their social motto in America today.

Which people are determined to make all but them, equal at any cost, even if it means using force to
accomplish it? The Jews of course. Their idea of equality in Russia can be seen in the contrast
between the struggling working man and the hordes of Jewish millionaires, who frequent the resort
areas around Odessa. There is equality for the human animals in Russia, all right, only "some
animals are more equal than others." The Jewish idea of fraternity can be seen in their efforts to
mongrelize our white people through racial inter-marriage. Many poor simpletons in our pulpits,
back this effort without ever realizing that it is against God's Laws. But while their efforts towards
integration are going on, Jews are the most segregated people in the world.

**PROTOCOL NUMBER II**

"It is indispensable for our purpose that wars, as far as possible will be brought on the economic
ground, where nations will not fail to perceive in the assistance we give the strength of our
predominance, and this state of things will put both sides at our mercy." (UNQ)

Very few Americans have studied American history deeply enough to realize that slavery in
America was a Jewish institution. Over 90% of the slave traders in America were Northern Jews.
Few Americans know that International Jewish interests kept the Civil War alive, two years longer
than necessary and that both sides were funded by the International Bankers. Few know that the
International Jewish Bankers funded both sides in World War I and II, or that the war factories of
Hitler, were owned and funded by Jews.

Few Americans have ever bothered to ask why General Patton was held up on the West border of
Germany during World War II, when he could have ended the war on the Eastern border of Poland,
or why Patton and Montgomery's plan to invade Europe through the "soft underbelly" of Europe,
was cast aside in favor of Eisenhower's and Churchill's plan to invade through Normandy. This not
only prolonged the war for two years, but allowed all of Eastern Europe to come under Communist
control, the "puppet masters" who pulled the strings of the war, wanted a Communist East Europe
and they got it, along with billions upon extra billions of our gold, for fighting two years longer. (It
is interesting to note that the leader of every Communist satellite behind the Iron Curtain, plus 90% of
their henchmen, were all Jews.)

Now with this in mind, let's use a little "hind sight" and go back to 1868, when a prominent Jewish
Rabbi named Reichorn, speaking at the funeral of Grand Rabbi Simon Ben-Ihuda, 75 years before
the Great Wars said: "Thanks to the terrible power of our International banks, we have forced the
Christians into wars without number. Wars have a special value for Jews, since Christians massacre
each other and this, good for the Jews. WARS ARE THE JEWS HARVESTS! The Jew banks
grow fat on Christian wars. Nearly a 100-million Christians have been swept off the face of the
earth through wars and the end is not yet." (This was before the holocausts of World War I and II.
Yet they scream about a mythological 6-million Jews who were killed in World War II, while
boasting of 100-million Christians they killed before 1914.)

This **PROTOCOL** goes on to explain how rulers of the goyim are conditioned to do what the
master strategists (International Jews) want, without realizing they have been brainwashed into
doing it. They say: "The intellectuals of the goyim will puff themselves up with their knowledge and without logical verification of them will put into effect all the information available from science, which our agents have cunningly pieced together for the purpose of educating their minds in the direction we want.

"Do not for a moment suppose these statements are empty words: think carefully of the successes we have arranged for Dawnisism and Marxism." (UNQ)

This plan of action can easily be seen in our Public Education System. The teaching of the religion of Secular Humanism has become Standard Operating Procedure in our schools, despite the Constitutional ban on "religious control of education." With it has come the teaching of Sex Education, which in every instance I have known, has greatly increased the incidence of teenaged pregnancies and VD. The teaching of Darwinian evolution, fits hand in glove with the teaching of Jewish-Communism, as seen in PSYCHOPOLITICS, page 42:

"The first thing to be degraded in any nation under conquest is the state of man himself. Nations with a high ethical tone are difficult to conquer. Their Loyalties are hard to break...what they call their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a frame of mind...thus, the first thing which must by degraded in any nation under conquest, is man himself. He must be degraded from a spiritual being, to an animalistic reaction pattern. He must no longer think of himself or his fellows as capable of spiritual nobility or endurance." (UNQ)

Have you ever asked yourself why prayer and Bible reading has been taken out of our Public Schools? Our schools were much better schools, before they were removed. Why has there been a marked deterioration in our schools since this has happened? Do you honestly believe it was just something that happened by accident?

Who has been the foremost in pushing Sex Education in the schools, with its resulting immorality? Look at the names of those who head the Sex Information and Education Organizations in the United States; see who pushes for the radical literature with its four letter words, in our English classes. if you are honest in your evaluation, almost without fail, it is the Jewish organized, Jewish led, ACLU.

Ask yourself: "Who brings suits against the American School Boards, to force them to drop Christmas carols from the school, or take the nativity scenes from in front of the County Courthouse? Who forces a community to take a lighted cross off a hillside outside town? The answer is always the same. It is the Jewish element. It is all part of their big, overall scheme to destroy Christianity. They know that in order to be successful, they must start by destroying our Christian foundation.

The PROTOCOLS say:: "The Press we have gained power to influence, while remaining ourselves in the shade (background). Thanks to the press, we have the Gold in our hands, notwithstanding that we have had to gather it out of oceans of blood and tears. But it has paid us, though we have had to sacrifice thousands of our own people. Each victim on our side is worth in the sight of God, a thousand goyim." (UNO) Yes, they admit to killing many of their own people and it doesn't bother them a bit, as long as they can get wealth and power by doing it!

How many Christians realize that nine out of ten of the major Hollywood studios are Jewish owned and that all the major TV networks are Jewish controlled? How many pastors do you know who warn their people about believing everything they read in their Jewish oriented newspapers? How many of you readers know that over 900 major newspapers, with a daily distribution of over 57-million, are Jewish owned and/or controlled? Did you know that 48 of the major weekly magazines, with a weekly distribution of over 78-million, fit the same category?

In his startling book JEWS MUST LIVE!, published in 1934 by the Golden Hind Press, Jewish author Samuel Roth says: "Jewish history has been tragic to the Jews and no less tragic to neighboring nations. Our major vice is parasitism. We are a people of vultures, living on the labor
and the good nature of the rest of the world . . . "The first of all Jewish creeds is that Jews must live. It does not matter how, by what, or to what end. Jews must live. So a return was made to the ancient policy of conquest by the more peaceful and deliberate means of cheating, lying, and pimping . . . "Anti-Semitism is not, as Jews have tried to make the world believe, an active prejudice. It is deeply hidden instinct with which every man is born...that instinct is self-preservation . . . "Wherever Jews have been admitted . . . one by one the industries of the country close to them because of their unfair practices . . . There is not a single instance where the Jews have not fully deserved the bitter fruit of the fury of their persecutors. We come to the nations pretending to escape persecution, yet we are the most deadly persecutors in all the wretched annals of man . . . "My earliest knowledge of the Jewish attitude towards their Gentile neighbors came from listening at our in to the stories of the Jewish travelers . . . had done to the goy in their business dealings, the deeper appeared to be their delight.

"We despised the goy and we hated his religion...they were called 'yoisel' and a dozen other names too foul to mention. The 'yoisel' had one time been a human being and a Jew, but one day he went out of his mind and in that pitiful state told people he was God Himself. This extraordinary caricature of the founder of the opposing religion made for me one of the queerest adventures of my life . . . "The young Jew learns that before anything else, he is a Jew, and that before anything comes his allegiance to the Jewish people. He may be a good American, if it is good for business to be a good American . . . but no obligation is considered valid if it violates the interests of his most important obligation . . . "What becomes of the young Jew who cannot attain to one of the professions, or does not have the money to create a selling line? Most of them remain on the street corners of their neighborhood and become petty thieves, hold-up-men, strikebreakers, back store crape shooters and the petty racketeers of every peaceful community in America . . ."

"It is my honest belief that nothing the Jew does in America is essential for its welfare. On the contrary, a great deal of what the American Jew does is subversive of America's best interests." (UNQ)

Now if the foregoing statement was my words, I would immediately be labeled as an anti-Semite and a vicious one at that. But I doubt if one Christian in a thousand, will see any significance in this confession. Instead we go along our blind, stupid way to self-destruction. We are inflicted with "Ostracism," which has been defined as: "An ability of the human brain to pass into the subconscious that knowledge which present in the conscious mind would be unpleasant; basically, the belief in the human mind that, knowledge ignored does not exist, and cannot harm anyone."

Do you wonder then why the goyim cattle do not realize that they are being prepared for the slaughter, and the Judas goats who will lead them to the; "killing pen," are their own religious leaders? It appears that none of them have ever read or meditated on 2 Chronicles 19:2 - "... shouldest thou help the ungodly, or love them that hate the Lord? therefore is wrath upon thee from before the Lord."

The Jews of today are a perfect picture of the anti-Christ, as painted by 2 John 7-"For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. THIS IS A DECEIVER AND AN ANTICHRIST." (Emphasis added.)

Study Zionist history and you will see that they have been responsible for the deaths of thousands of their own people, just as the PROTOCOL says. During the "rebellion stage" of the Jewish war for Palestine in 1948, they were guilty of at least two sinking of ships, loaded with Jewish refugees headed for Palestine. On each occasion, the British were blamed. It was not until later, that Zionist terrorist organizations admitted to planting bombs on their own ships.
I have in my possession the September 1977 issue of THE JEWISH GUARDIAN, printed by orthodox Jews in Brooklyn, New York. On page 5, it says: "We American Jews (orthodox) divorce ourselves entirely from the Israeli government policies, so as not to make possible the hopes and aspirations espoused by Begin's Director General, Dr. Eliyahu ben Elisser, who stated: 'If the United States turns against Israel, and the American Jews are made to feel unwelcome there because of their support for Israel; if they are driven out of the United States, then we will have achieved the real goal of the revolutionary stage of Zionism. The American Jews and their money will come to Israel, and an Israel which is 8-million strong, will be self-sufficient." (UNQ)

Today, all over the world, Jews are being terrorized by the strong-arm tactics of organizations such as the Jewish Defense League, the ADL and MOSSAD. This is to frighten them into moving to Palestine. When you read about a Jewish synagogue which has been bombed by hoodlums of the KKK, ask yourself, "Was it really the KKK, or did the JDL do it for some ulterior purpose of their own?" the list of such occurrences is long and frightening.)

PROTOCOL NUMBER III

This Protocol speaks, among other things, about the instability of the Constitution; terror in high places; economic slavery; people's rights; the mob. We will only cover a few of these: "The Constitution scales of these days will shortly break down, for we have established them with a certain lack of accurate balance in order that they may oscillate incessantly until they wear through the pivot under which they turn. The goyim are under the impression that they have welded them sufficiently strong and they have all along expected to remain in equilibrium." (UNQ)

EXPLANATION: How many people have you heard say: "all we need do is return to the Constitution"? But whenever any attempt is made by some brave soul in Congress, all hell breaks loose. Why is this?

PROTOCOL: "But the pivots - the kings presidents on their thrones-are hemmed in b their representatives, who play the fool, distraught by their own uncontrolled and irresponsible power. We have made a gulf between the far-seeing Sovereign Power and the blind face of the people so that both have lost their meaning, for like the blind man and his stick, they are powerless apart." (UNQ)

EXPLANATION: While the average American has been blinded to the truth through Jewish propaganda and the controlled media, the government-one administration after another, at least from Woodrow Wilson to the present, has surrounded itself with Zionist advisors. These work for the welfare of International Zionism, rather than the welfare of the American State. This can be clearly seen in the Reagan Administration, where over 35 top advisors are either members of, or have been members of either the Council on Foreign Relations, the Tri-Lateral Commission, or both. (Both of these are Zionist controlled, one-world government organizations.) The International Jews, who have insinuated themselves into our government, and there are many of them, are "dual-loyalists," with their first loyalty to the Israeli State in Palestine.

In the March 8,1982 issue of SPOTLIGHT, is this article by Henry Thompson: "A newly launched political coalition, committed to the public support of Israel's illegal ventures into terrorism and military aggression, has taken the lead in New York's gubernatorial campaign."

"The unprecedented move was initiated by publishing magnate Rupert Murdock, a lifelong partisan of Israeli supremacy. The goal is to elect New York Mayor Ed Koch, a strident dual loyalist, to the office vacated by Gov. Hugh Carey's recent withdrawal.

"It comes at a time when Israel is reported to be preparing a new wave of terrorism, sabotage, covert action and all-out military invasion from the Middle East all the way to the oil-rich Persian Gulf, and the North African region known as the Maghreb (from Libya, on the Mediterranean Sea, to Morocco, on the Atlantic Ocean)."
"The war hawk Israeli government of Prime Minister Menachem Begin has reportedly deployed its military and covert-action forces for attack on a broad front . . .

"The UN repudiation (of Israeli) sets the stage for Israel's long-awaited expulsion from the community of essentially-or at least self-profferedly-law-abiding nations. It also threatens to isolate the U.S. in the world forum for its blind support of Begin Cabinet's criminal forays into terrorism and aggression.

"To counter-attack, the dual-loyalist forces of Israel, who have until now dominated New York politics surreptitiously and by covert means, have launched a public assault on the UN . . .

"A dramatic revelation of the stunning power of the Israeli lobby, the most powerful alien pressure group in American history, is now unfolding. So-called liberal and internationalist spokesmen in politics and the media, who have long been the most ardent supporters of the international assembly on the East River, now scream vulgar imprecations at the UN, demanding its expulsion from Manhattan and from the U.S. . . .

"The push to elect a known dual-loyalist on an unabashed Israeli-first ticket to the governorship of a major state, represents a dangerous gamble of the Israeli Lobby...The new movement now fronted by Ed Koch will be something new in U.S. politics: a force which will exert public pressure to destroy Israel's adversaries and boost its partisans without pretending to consider how its actions will affect U.S. strategy." (UNO)

It is this kind of manipulation, so often used by the Jews, which leads to wars, a heavy outpouring of national wealth into Jewish pockets, and the hatred and persecution of Jews which always follows.

PROTOCOL: "In order to incite seekers after power to misuse of power, we have set all forces in opposition one to another...of the States, we have made gladitorial arenas, where a host of confused issues contend . . . a little more, and disorders and bankruptcy will become universal." (UNQ)

EXPLANATION: It is not difficult to see this happening across the country. Most of the large states are on the verge of bankruptcy, and instead of a mutual cooperation between states, we see them fighting "tooth and nail" to get their share of the Government goodies, which came from their people in the first place.

As the states vie for Federal Aid, they become more interested in their own immediate problems than the welfare of the nation. This results in a bankruptcy, not only of economic means, but of moral and spiritual stamina. Most of our major cities are in a shambles, with only a spark necessary to turn them into a blazing inferno. We are like a man who smokes a cigar while sitting on an open keg of gunpowder then carelessly knocks the ashes into the keg. All it will take is one spark, to ignite our cities into bloody revolution. Of course, this is what the enemy wants. So they add to the problems, by encouraging hordes of alien minorities to move to the city, while crime and violence increases and the best citizens leave by the thousands. In this manner, they can impress their will on the people, through the chaos they deliberately bring about.

PROTOCOL: "We appear on the scene as the alleged saviors of the workers from the oppression (This has always been the Jewish-Marxist approach). The aristocracy, which enjoyed by law, the labors of workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite in the KILLING OUT OF THE GOYIM! Our power is in the chronic shortages of food and the physical weakness of the workers because by this he will be made slave to our will . . . By want, envy, and the hatred which it engenders, we shall move the mobs and with their hands, we will wipe out all those who hinder us in any way." (UNQ)

EXPLANATION: This was the exact approach used by the Jewish Communists in Russia. Now before someone complains about this statement, let me say that documentation shows that over 90% of the Communist top leadership was made up of Khazar Jews. They brag about it themselves.

In the JEWISH CHRONICLE, April 4,1918, is this statement: ". . . there is much to the fact of
Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant with the finest ideals of Judaism . . ." (UNO)

THE MACCABEAN, a Zionist news organ in New York City, carried this headline in 1905- A JEWISH REVOLUTION! THE AMERICAN HEBREW, a leading Jewish newspaper in the U.S. said, September 10, 1920-"The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new world order. What happened in Russia, through the same Jewish mental and physical forces, will become a reality over all the world."

No, my Christian friends, no matter how much you want to dismiss it, the Communist Revolution was a Jewish Revolution.

This has been the same approach used in every country that as ever been taken over by the Communists. Compare these PROTOCOL thoughts with those in PSYCHOPOLITICS, page 7 -

This was part of a welcoming speech made by Laventria Beria, then head of the KGB, as he welcomed 47 American students to the University of Moscow. He said: "Our fruits are grown in chaos, distrust, economic depression and scientific turmoil (deliberately caused). At last a weary populace can seek peace only in our offered Communist State." (UNQ)

EXPLANATION: This has happened in every country where Communism has been successful. We saw it in operation in Vietnam a few years ago and we can see it now in El Salvador. After years of fighting, terror, and want, the weary people throw up their hands and say: "Anything would be better than this!" and in every case, their status under Communism has been worse than what they had under their flawed "right wing" governments. The finished product can be seen in the pathetic boat people of Cambodia, who will face the dangers of "shark infested" waters, rather than spend any more time under Communism. The sad thing is, where are the strident voices of those who called for Civil Rights In Vietnam a few years ago? Where were the voices of the Jane Fonda's and the Ramsey Clarks' which were raised in Vietnam? Where were they when the Russians invaded Afghanistan? You see, all this is tied in with the prediction of the PROTOCOLS, even if they are fakes.

Going once again to PSYCHOPOLITICS, page 16 - "In any nation under conquest, such as America, our slow and stealthy approaches need take advantage only of cycles of booms and depressions inherent in the Capitalist system, in order to exert more and more strong control over individual wills . . ."

"The masses will come at last to believe that only an excessive taxation of the rich, will relieve them from the burdensome leisure class and thus can be brought to accept such a Marxist principle as the graduated income tax." (UNQ)

If you remember your history, this Marxist system of taxation was smoothly slid into our system in 1913, even though the law of the land forbade it.

Look at every damaging strike which has taken place on American soil in the past five decades. The power behind them all has been the International Jew, not to "make money," but to "get money." This distinction between these two ideals is fundamental.

This is best explained by Henry Ford, Sr., possibly the greatest of all American industrialists. He said: "The creative constructive type of mind has an affection for the thing it is doing. The non-Jewish worker formerly chose the work he liked best. He seldom changed employment, because there was a bond between him and the kind of work he had chosen. Nothing else was so attractive to him. He would rather draw a little less money and do what he liked to do, than get a little more and do what irked him. The maker is always thus influenced by his liking. Not so the 'getter', it does not matter what he does, as long as the income is satisfactory.

"He has no illusions, sentiments, or affections on the side of work. It is the 'gold' that counts. He has no attachments for the things he makes, for he does not make any: he deals in things other men
make and regards them solely on the side of their money making value. The joy of creative labor is nothing to him.

"Previous to Jewish-socialistic, subversive ideas, the predominate thought in the labor world was to make things, and thus make money. Men who make things are a sturdy, honest race, because they deal with the ideas of skill and quality. Men make shoes as exhibitions of their skill. Farmers raise crops for the inherent love of crops and the land, not with reference to the money market.

"The only way to break down this strong safeguard of society-a creative laboring class of sturdy character-was to sow other ideas among it; and the most dangerous of all ideas sown was that which substituted 'get' for 'make'.

"The idea of 'get' is a vicious, anti-social and destructive idea. When held in company with 'make,' and of second importance, it is legitimate and constructive. As soon as a man or class is inoculated with the strict Jewish idea of 'getting,' ('getting mine;' 'getting while the getting is good;' 'honestly if you can, dishonestly if you must, but get') then the very cement of human society loses its adhesiveness and begins to crumble . . .

"Jewish influence on the thought of the working men of America, has been bad, thoroughly bad . . . The real division is not between 'capital' and 'labor', but between the idea of 'get' and 'make'.

"Until the Jews show that the infiltration of foreign Jews and the Jewish idea into the American Labor movements has made for a betterment in the character and estate, in citizenship and economic statesmanship, the charges of being alien, destructive and treasonous influence will have to stand." (UNQ)

Remember, the above statement was made more than sixty years ago. As it was true then, it is doubly true now. The Jewish idea of 'get' has such a stranglehold on America today, that it has become a form of idolatry to us, just as sure as if we were bowing down to idols made of wood and stone. In Colossians 3:5, the Apostle Paul puts "covetousness" on the same plane as idolatry, he says: ". . . covetousness, which is idolatry." The word "covetousness," is derived from the Greek word "pleonexia," which means "avarice; fraudulency; extortion; greediness." This has certainly become the "modus operendi" (method of operation) of present day American business, as it has followed the Jewish lead. Our normally honest Anglo-Saxon people have been taught to lie, cheat, steal and defraud, and to do it with a clear conscience. It has reached the point where it is difficult for us to know who we can trust, whether it is in business, government, or the church. Where we used to be able to seal a bargain with a handshake, and a "man's word was his bond," now even contracts are often deliberately broken. This brings about the necessary chaos, that Jewish-Communism needs to be successful.

PROTOCOLS: "The goyim have lost the habit of thinking unless prompted by the suggestions of our specialists. Therefore they do not see the necessity of what we, when our kingdom comes, shall adopt at once, namely this-it is essential to teach in the national schools (public) one simple, true piece of knowledge, the basis of all knowledge-the knowledge of the structure of human life, of social existence, and consequently of the division of labor, and men into classes and conditions...after a thorough study of this knowledge, the people will voluntarily submit to our authority and accept such positions as is appointed them in the state." (UNQ)

EXPLANATION: In the Jewish-Communist system, men and women live and work where the State desires them to be. There is no consideration of personal desires. Listen to what PSYCHOPOLITICS says on page 9: "Any ruler from time immemorial, needed the obedience of his subjects in order to accomplish his ends; so he resorted to punishment. This is true of every tribe and state in the history of man. Today Russian culture has evolved more certain and definite methods of aligning and securing the loyalties of persons and populaces, and of enforcing obedience upon them. This modern out-growth of old practices is call Psychopolitics.

"Basically man is an animal (goyim). He is an animal which has been given a civilized veneer. Man
is a collective animal, grouped together for his own protection before the threat of his environment. Those who so group and control him, must have in their possession specialized techniques to direct the vagaries and energies of animal man, **TOWARDS GREATER EFFICIENCY IN THE ACCOMPLISHMENT OF THE GOALS OF THE STATE.**" (UNQ)

We see this technique in operation in our present Public Education system. School busing and integration has taken priority over good education. This is socialized planning, not for the sake of the "quality education," the liberals always scream for; not to bring about the "brotherly love" they so ardently advocate; but for the purpose of control.

In 1964, upon my discharge from the Army, I was driving down beautiful Coastal Highway 1, in the State of California. In the Big Sur area, south of Monterey, I passed a sign which read **ESELEN INSTITUTE**. Being a rather nosy individual, I stopped to see what it was. When I rang the bell on the gate, I was met by a rather scruffy looking individual who asked me what I wanted. "I'm rather curious," I said. "What is this Eselen Institute." "Oh," he replied, "we are behavioral scientists here." When I asked him what a "behavioral scientist" was, he said: "It's exactly what the word indicates. We are learning to control people's behavior and when we have completed our efforts, we will live in heaven."

Think about that for a moment. He was talking about "People Control," the very thing advocated by the **PROTOCOLS**. Then check and see the guiding force behind the Eselen Institute. Then take a close look at what is happening to your child, if they are unfortunate enough to be attending a Public School.

**PROTOCOL:** "We shall create . . . a universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe (and in the U.S. you can be sure). These mobs will rush delightedly to shed the blood of those whom in their simplicity of ignorance, they have envied from the cradle, and whose property they will be able to loot.

"Ours (the Jews) they will not touch, because the moment of attack will be known to us, and we will take measure to go protect our own." (UNQ)

**EXPLANATION:** This is why multitudes of White Americans are buying arms and ammunition. They have sense enough to know that this is exactly what will happen, if we have an internal collapse in this country and people begin to go hungry. We know this is true, because we have already seen these mobs of dissidents, burning and looting in our major cities. What do you think would happen if the Jewish controlled Federal Reserve System were to clamp down on our money supply and the banks were to close as they did in 1929? Government would come to a grinding halt. It is quite possible, that along with this collapse, we would find ourselves engaged in a foreign war, where our National Guard would be called out of the country. Our local law enforcement officials would be unable to handle the trouble and they know and admit it. Within a week there would be food shortages in the big cities and hungry mobs would be roaming the streets, looting and robbing. Government would come to a shuddering stop; others would panic as welfare, retirement and Social Security checks would stop and we would see exactly what the Protocols predicted.

Yet people who can see beyond the "end of their nose," and are preparing for just such an eventuality, are called "right wing extremists," and "kooks", by the kept press. I say they are Americans with a vision.

**PROTOCOL NUMBER IV**

"Every republic passes through several stages. The first of these is comprised of the early days of mad raging by a blind mob, tossed hither and thither . . . the second is demagoguery (one who makes use of popular prejudices and false claims to gain power), from which is born anarchy that leads invariably to despotism . . ."

"Since society might be governed under the dispositions of God on earth. It is indispensable for us
to undermine all faith, to tear out of the minds of the goyim the very principle of the Godhead, and the spirit, and to put in its place arithmetical calculations and material needs." (UNQ)

EXPLANATION: On page 19, PSYCHOPOLITICS, we read: "There are those who in less enlightened times, gave man to believe that goals should be personally sought and held, and that, indeed, man's entire impulse towards higher things stemmed from freedom. We must remember that the same people who embraced this philosophy also continued in man the myth of spiritual existence." (UNQ)

In the Communist "Rules for Bringing About Revolution," discovered in Dusseldorf, Germany at the end of World War I, Rule II says "Get the youth away from God, get them interested in sex and liquor; destroy their ruggedness." This can only be accomplished as the Christian foundation of this nation is destroyed.

This is the major reason the Jewish controlled media constantly is engaged in a campaign to downgrade Christianity. Again going to PSYCHOPOLITICS, page 43: "As it seems in foreign nations that the church is the most ennobling influence, each and every branch and activity of each and every church MUST one way or the other be discredited. Religion must become unfashionable, by demonstrating broadly, through psychopolitical indoctrination, that the soul of man is non-existent and that man is an animal. The lying mechanisms of Christianity lead men to foolishly brave deeds. By teaching them that there is life in hereafter, the liability of courageous acts, while living is thus lessened . . .

Thus there must be no standing belief in the church, and the power of the church must be denied on every hand. The psychopolitical operator, in his program of degradation, should at all times bring into question any family which is deeply religious." (UNQ)

This is done of course, by the Secular Humanist, Jewish-run Public Education System, as especially at university level. A young person in the average college, who exhibits a high moral character, will more often than not be persecuted and harassed, not only by his fellow students, but by the teachers.

Henry Ford, Sr. in THE INTERNATIONAL JEW, page 25, puts it this way: "There is a mission for the pulpit to liberate the church from the error that Judah and Israel are one. The reading of the Scriptures which confuse the tribe of Judah with Israel and which interpret every mention of Israel, as signifying the Jews, is at the root of more than one-half of the confusion and division traceable to Christian doctrinal statements.

"The Jews are not the Chosen People, though practically all the church has succumbed to the propaganda which declares them so. The Jewish tinge of thought has of late years overspread many Christian statements and the uninstructed clergy have proved more and more amenable to Jewish suggestions." (UNQ)

(For further Scriptural references, which will prove beyond the shadow of a doubt, that the people we now call Jews are not the People of the Book, read - WHO IS ISRAEL? PARSEEISM OR ANGLO-SAXON IDENTITY? and PROOFS OF IDENTITY."

One of the major problems in the modern church, which has led to its present anemic state, where it supports its own worst enemy (International Judaism), was brought about by Jewish-German Higher Criticism. This Satanic attack against the authenticity of the Bible, against the divinity of Jesus Christ and the doctrines of the New Testament church, were all brought about by Jewish scholars and have measurably weakened Christian defenses. Even the Fundamentalists, who have fought the hardest against Higher Criticism, refuse to see that it was Jewish thought. Remember, it was not German; it was not Christian, it was Jewish Talmudism from start to finish and it fits in perfectly with what is taught in the PROTOCOLS OF THE LEARNED ELDER'S OF ZION, forgery or not!

In keeping with their program of world conquest, which has been openly predicted by Jewish leaders from time immemorial-their attack has now been launched against the very foundation of
the Christian church. Any pastor, who knowingly back these "sons of Satan," (those were Jesus' words, John 8:44) is a traitor not only to his Lord, but to his country.

It is a well-known fact that the Jews have infiltrated hundreds of American churches with their program of subversion. They sit on the faculties of many Evangelical and Fundamental Seminaries, breathing their Talmudic poison into the minds of those who study under them.

Henry Ford, Sr. once said: "Clergymen should know that seven-eights of the economic mush they speak from their pulpits is prepared by Jewish professors of political economics and revolutionary leaders." We also know they help prepare the Sunday School literature used in the National Council of Churches and the Southern Baptist Convention.

If there is any place where the Jewish Question should be religiously studied, it should be in Christian Seminaries. But unfortunately, most of these have given blind allegiance to mass Jewish propaganda. A good example of this is in the Lutheran Church. While their leader and founder, Martin Luther had some very sharp remarks to make concerning the deviltry of world Jewry, most of them have been expunged from the Lutheran church libraries and the Libraries of Lutheran Seminaries.

Martin Luther wrote a treatise, THE JEWS AND THEIR LIES, which can be found in the Congressional Library in Washington, D.C. and in the libraries of a few Lutheran clergymen. The answer as to why they have been taken out of Lutheran church libraries becomes evident when you see what he has to say. This was among his last writings, being published about 1545. Among many other things he says: "I have permitted this booklet to go forth that I might be found among those who have resisted such poisonous undertakings of the Jews, and have warned Christians to be on their guard against them. I would not have thought that a Christian would permit himself to be fooled by the Jews so as to share their exile and misery." (UNQ)

Then after a letter of introduction which states that it is a waste of time to try and convert a Jew, he gives his reasons for taking a stand against them. On page 11, he states: "The Jews have been rejected by God and are not His people anymore. Do not dispute with the Jews about the articles of your faith: From childhood they have been brought up with poison and hatred against our Lord . . ."

"We goyim heathen, are not even human beings their sight, but hardly to be regarded as worms . . . That they are the real liars and bloodhounds, who have not only perverted and falsified the entire Scriptures from beginning to end and without ceasing with their interpretations . . ."

"Their breath stinks for the gold and silver of the heathen, since no people under the sun always have been , still are, and always will remain more avaricious than they as can be noted in their cursed usury. They also find comfort in the saying: 'When the Messiah comes, He shall take all the silver and gold in the world and distribute it among them . . .'

"My dear Christian, next to the Devil you have no more bitter, no more poisonous, more vehement enemy than the real Jew who earnestly desires to be a Jew . . ."

"Should they at times do something good, however, know full well that it was not out of love for you, nor for your good." (UNQ)

This has always been one of the major arguments used by the Jewish apologists. Evangelist Jack Van Impe, in his book, ISRAEL'S FINAL HOLOCAUST, at the beginning of Chapter 7, which he titles "Hitler's Holocaust-The Travail of Israel," begins by saying: "The Jews have enriched all the nations in which they have settled-an inevitable fact because of the promise given to Abraham when he left his home to go to a land of God's choosing (Gen. 12:3)...Although it has not often been recognized, the Jews have been a treasure to all the nations of the world." (UNQ)

Then he goes on to tell how Jews have contributed to the list of great names in literature, science, art, music, finance, medicine, etc. "He has made a marvelous fight in the world in all ages and he has done it with his hands tied behind him...The blessings which come to us through the Jews are many." (UNQ) Now this is just typical of the Scripture twisting which is done by Jewish apologists
in our churches. For the ones who have blessed mankind have been Israelites, not Jews. There is a vast distinction between the two. Van Impe goes on to ask: "Why are the Jews so maligned and hated all over the world when they are so productive and helpful?" Well, the answer is obvious, it is because of the deviltry they have brought to every nation where they have ever moved. Let Paul answer Van Impe when he says of Jews in 1 Thessalonians 2:15-"Who both killed the Lord Jesus, and their own prophets, and they please not God, and ARE CONTRARY TO ALL MEN." (Emphasis added.) Now whose word are you going to take, that of a Jewish apologist, who has turned against his own people, or the Apostle Paul who had first hand experience with their wickedness?

So let's sidetrack here for a few paragraphs and see what really happened.

In Chapter two of Adolph Hitler's MEIN KAMPF, entitled "Race and People," he rightly points out that the Jews never had a civilization of their own creation. They always expropriated or copied the achievements of others. He further points out that the Jews never contributed an iota to either science or culture and that Jewish "intellect" has always been destructive rather than constructive and beneficial to mankind.

Now I know that many of my Christian readers are going to "flare up" and get mad with this assertion. "Didn't the Jew Karl Marx make a significant contribution to economics, sociology and political science?" This was a question one college professor asked me. "How about the theories of the Jew Sigmund Freud, which significantly advanced the science of human psychology? Didn't the Jew Albert Einstein bring about a revolution in the field of physics?" Well, I had a field day with this one. Let's look at these three Jews and the contributions they made to mankind.

These have long been trumpeted as the "standard bearers" of the Twentieth Century science and culture. So let's take a closer look at their work, theories, and discoveries, and concentrate on the actual results of their teachings.

The concrete results of the doctrine of Karl Marx are immediately apparent to all nearly a century after his death; indeed, the stark reality of Communism today constitutes the most tragic historical lesson of our time. Whatever value there may have been in Marx's original observations and axioms regarding social classes and political economy, the simple unvarnished truth is that Marx's work has resulted in the enslavement of nearly half of all mankind. While the Jewish controlled propaganda and cultural media continue to barrage the public with fictional horror stories about "Nazi death camps," the simple fact is that Jewish-Communism has turned whole nations into death camps. Yet this fact is almost totally ignored, or underplayed by the media-czars, under the control of their Jewish masters. Today the entire Eastern half of Europe, as well as dozens of other countries in Asia, Africa and Latin America, are under the control of the Jewish-Communist butchers.

Marx claimed that his doctrines would lead to abolition of social classes and end forever the distinction between the rich and poor, but the Marxian countries today, without exception, exhibit far greater differences between rich and poor than the so-called "Capitalist countries." While the Jew-Communist Party bureaucrats and other officials live in their palatial estates with swimming pools, electric appliances imported from the West, and usually two or three chaffered limousines, the masses of people are forced to live and work under the most extreme conditions imaginable, often lacking even the most basic items such as food, clothing and medicines. It is perhaps fitting that the Berlin Wall, the most monstrous creation in all human history, should stand as an appropriate monument to the Jewish genius of Karl Marx.

Now let us examine the legacy of another Jew alleged to have been a genius, Sigmund Freud. Freud is well-known as the father of today's "psycho-analysis" and "psycho-therapy" rackets. These drain billions of dollars from the pockets of their victims, while giving very little worthwhile in return. His theories have been absorbed into modern culture to such an extent that they are nearly all-pervasive. After observing a few hundred middle-class Jews in Austria in the early 1900's, Freud noted that the majority of them, unsurprisingly, were unbalanced, neurotic individuals with a
number of fixations, obsessions and sexual hang-ups. Of course, it never occurred to this Jewish genius that such unhealthy tendencies might only be characteristics of Jews, and come from the filthy teachings of their religious book, the Talmud. Instead, Freud concluded immediately that the majority of the human race was similarly affected. At any rate, he contended that the masses of people suffered from such emotional disturbances, and that this was mainly due to the repression of one's "normal" sexual instincts. Freud believed that people are obsessed with sex and sexual symbols, and that the only way to cure this obsession was to "let it all hang out," so that they could confront it openly. In other words, people should attempt to realize and act out their most degenerate and bizarre fantasies. Furthermore, people who did not admit to having such degenerate and vile fantasies were considered to be sexually repressed or outright liars.

Thus, by advocating such destructive nonsense in the guise of sexual freedom, Freud bears more responsibility than anyone else, (even Benjamin Spock, another Jew,) for today's explosion of vice, adultery, divorce, promiscuity, pornography, prostitution and perversion. Freud divorced sex completely from any procreative or racial function, ascribing it solely to the realm of sensation and physical pleasure. Isolated from emotion and procreation, human sexuality loses its human spirit and dignity. It is a sad fact that the sexual behavior of many people today cannot be distinguished today in any way from the sexual behavior of lower organisms. In fact sometimes men act worse than animals. Such are the pathetic results of the Jewish-Freudian "sexual revolution."

The third member of this "unholy trinity" is none other than the eminent Albert Einstein, the man alleged to have been the "greatest genius of all time." Again let us examine the results of his theories. In formulating the principles of atomic energy, Einstein is uniquely responsible for the fact that the world today stands on the abyss of thermonuclear obliteration. The Soviet Union and the United States together, possess enough nuclear armaments to destroy the world today several times over. Yet the insane arms race continues, lead by the same race which produced the nuclear genius. This is the monstrous legacy of the Jewish genius EINSTEIN. Is it a mere coincidence that the symbol used for atomic energy (three electrons in orbit around a nucleus) bears a startling resemblance to the Star of David, traditional symbol of world Jewry? Maybe we should call them "Jew-bombs" instead of A- or H- bombs, for such a diabolically destructive weapon could only have been the invention of one of Satan's Chosen People (See John 8:44)

So here we see the work and the results of Jewry's three most prominent sons; the three men who have had more influence on today's world than anyone else. Marx enslaved half the world; Freud poisoned the human spirit, and Einstein blazed the path for the destruction of all mankind. Do we really need any more Jewish geniuses? Dr. Jack Van Impe take note!

Today, the sons and daughters of the Anglo-Saxon builders of America, are being attacked in their very heredity by a false alien philosophy, which seeks to palm itself off on the world as the Chosen People of God, when in reality they are God's worst enemies. These are the one's the risen Lord warned about, when He spoke to the church of Smyrna in Revelation 2:9 and warned them to beware of "those who say they are Jews and are not, but are of the synagogue of Satan."

Today, our White youth, in their first exhilarating months of intellectual freedom, are being attacked by alien doctrines, the consequences of which they cannot see. They are being deliberately weaned away from the moral and spiritual foundation doctrine of their fathers, upon which America was built and upon which she became great, and upon which she must depend for any future greatness. It is during the college years, that the vast majority of our youth is led astray by false teachings. True, in latter years, some of them return to their senses. We can see evidence of this in our own generation, but usually when they do, it only to the extent of becoming "fence-sitters," members of the "great silent yellow majority," those cowardly "middle-of-the-roaders" who will never do anything to disturb anyone, not even their enemies. They are the Christians who are content to sit in their comfortable "air-conditioned" spiritual foxholes, while they pray for the Lord to come back and Rapture them out of the mess they are partially responsible for. They have no apparent cares, as their own country "goes to hell" before their eyes.
Whether the PROTOCOLS are fakes, as the Jewish apologists claim, is beside the point, for we see their principles in operation all about us.

First, there is the Jewish-German Higher Criticism which has destroyed men's respect for the Word of God and the ancient foundations; then the Jewish-social-revolutionary doctrines which have brought economic collapse. The two go hand-in-hand. They cannot live apart. They are the ultimate fulfillment of the predictions of the PROTOCOLS.

If we were only able to discuss the Jewish Question as we are all others, many of these problems would not arise and many of the problems the Jewish people now face, could be taken care of without drastic measures. If this were possible, our Anglo-Saxon youth would immediately be able to make a choice between their own heritage and an alien philosophy which can lead only to their destruction. Then the students would be forced to make a decision, either to align themselves with the "builders," or the "destroyers."

But under the present "brainwashing," any attempt to explain Jewish ideas, is immediately met with the very real weapon of "anti-Semitism," which has grown to become almost a malignancy. It is interesting to note, that you can criticize most any individual, or group of people, within the limits of decency, and there is little outcry. But criticize a Jew, even when it is true, and you are slapped with the ugly epithet of anti-Semitic! and you are choked off from telling the truth.

Occasionally you will find a Jew who will put truth before profit and who is compelled to tell the truth about his own people. I greatly admire such a man. Apparently Dr. Oscar Levy was such a person, for he wrote in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION and said: "We Jews have erred...we have most grievously erred. And if there was truth in our error 3,000, nay 100 years ago, there is now nothing but falseness and madness, a madness which will produce an even greater misery and an even wider anarchy. I confess to you openly, and with sincerity, and with sorrow...We who boasted and posed as the saviors of the world-we have been nothing else but it's seducers, it's executioners, it's incendiaries and it's destroyers. We who promised to lead the world into heaven, have only succeeded in leading you into a new hell. There has been no progress, least of all moral progress. And it is our Jewish morality which has prohibited all real progress, and which is worse-which even stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world and I shudder at its ghastliness: I shudder all the more as I know the SPIRITUAL AUTHORS OF THIS GHASTLINESS."

(Read my booklet FROM THE HORSE'S MOUTH, containing evidence direct from Jewish sources.)

Here is a very important aspect of our problem. Most Americans, including millions who go by the name of Christian, do not care enough about our wonderful land to be interested in our background and heritage. When we speak of our Founding Fathers, we have a tendency to think of those who affixed their signature to the Declaration of Independence. But they go back thousands of years before that. They go to the men and women of Anglo-Saxon, Celtic, and related peoples-the peoples of Israel, who came from Europe to set up a Christian Republic in the wilderness of North America. It was to be a Republic founded on the Laws of Almighty God and in conjunction with His purpose.

These were the "builders,"; the one's who drove West to California and North to Alaska. These were the men and women who opened up the tropics and subdued the Arctics. They mastered the hostile world of South Africa, long before the natives-with the exception of a few wandering bushmen-ever arrived. They tamed the bleak wilderness of Australia and from their efforts a great Israel nation rose. They seized the gates of the world at Gibraltar, Suez, and the Panama Canal, as the prophets had said they would (Gen. 22:17). Nowhere, at any time, have the people we know as Jews ever fulfilled the great marks of Israel Identity as found in the Bible. It has only been with the Anglo-Saxon and related peoples, that this has happened. Yet we have allowed our enemies to take this heritage away from us.
The religion of these Israel people came from the God of the universe. It was not the religion of Judaism, which had become contaminated by the heathenism of Babylon. There is no such thing as Judeo-Christianity, since Judaism stands for everything our [God condemned. If you refuse to believe this, I would suggest you study John Chapter Eight. The speech and creative genius of our Anglo-Saxon people was a gift from God, for a special purpose. You could take a group of Anglo-Saxons and put them down on a desert island, with only the crudest of tools, and within twenty years, they would have begun to build a civilization. The Black races, are living in their homelands as they have for thousands of years. There has never been anything such as a "Black civilization," no matter how loud the "race mixers" scream to the contrary.

If you were to take a group of Jews and isolate them from the rest of the world, they would perish, for they are a "parasitic people," who cannot survive, unless they feed off the efforts of others. The present nation of Israeli, with all its so-called "Jewish brains," and money, could not last for six months without the billions of dollars in help and military umbrella we have created over them.

If our sons and daughters follow the pathway of dark rebellion and destruction advocated and taught by International Jewry, it will be because they do not know who they are and the glorious future which waits for those who with faith in our God, are willing to do His will. If the sad state which has been developed in our American youth in the past fifty years is allowed to continue; if they become thoroughly infected with the poison of the Jewish system, so that they lose their Anglo-Saxon identity, then we will become one of the "mongrelized systems" which have risen and been destroyed, over and over again in the world's history.

If we sell our Israel birthright for a stinking mess of Jewish-Socialist pottage," the blame will rest on the shoulders of our Christian leaders who have refused to tell their co le the truth and indeed, :their blood will be upon their heads" Ezekiel 3;18). Jesus has said of those who would subvert our youth: "But whoso shall offend (Greek "skandalizo," meaning "trip up; cause to stumble; entice") one of these little ones (children and youth) who believe in me, it were better that a millstone were hanged about his neck, and that he were drowned in the depth of the sea." Oh how you pastors should meditate on this verse, before you lie about how God's bitterest enemies are His Chosen.

Remember the teaching of PSYCHOPOLITICS: "If we can effectively kill the pride and patriotism of just one generation, we will have won that country."

I will never forget a story told me by Major General William Dean (deceased), the highest ranking military man to be captured in the Korean conflict. When he returned from the POW camps of North Korea in 1953, he was accompanied to Pan'mun jón, by a Chinese Colonel who had a PHD in psychology from UCLA. He said: "General, don't feel too badly about leaving us. We are going to be in America in a few years." When Gen. Dean asked him how they proposed to do this, he replied: "We will subvert one generation of your youth, and when that happens, you will have nothing with which to defend yourself." May God have mercy on us, but we have allowed them to do just that!

If we are ever unfortunate enough to get into another big war like World War II, one of our major problems will be to convince young Americans that we have something worth defending. They have been taught in the public schools and through many other sources, by the subtle teachings of the PROTOCOLS, that our democratic form of government is bad and repressive and that we must look for our salvation to some form of Socialism.

PROTOCOL NUMBER V

"We shall create an intensified centralization of government in order to grip in our hands all the forces of the community." (UNQ)

EXPLANATION: This is what has been happening in America since the days of the New Deal under Franklin Delano Roosevelt. The New Deal itself, was the "brainchild" of FDR's Jewish advisors. The record is too clear to even argue about it! We have many records of Jewish brags
concerning their part in bringing about World War II. As early as 1934, David Brown, National Chairman of the United Jewish Campaign in London stated: "We Jews are going to bring Germany to war." (UNQ)

In THE AMERICAN HEBREW, June 3, 1938, we read: "The forces of reaction are being mobilized. A combination of England, France and Russia will sooner or later bar the triumphal march of the crazed fuhrer. Either by accident, or design, a Jew has come to a position of foremost importance in each of these nations. In the hands of non-Aryans, lie the lives of millions." (UNQ)

The American Ambassador to Poland, a Jew named William Bullitt, told the famous American journalist Karl Von Wiegand, in April 1939, four months before Hitler invaded Poland, that war had been decided on. He did not say that the Jews were responsible for this decision, but he inferred it. When Von Wiegand said: "If this happens Germany will be driven into the arms of the Soviet Union and Communism," Bullitt contemptuously said: "So what! When we (Jews) get done with them, there will not be enough Germans left when this war is over, to be worth Bolshevizing." (UNQ)

PROTOCOL: "For a time we might successfully deal with a coalition of the goyim of all the world; but from this danger we are secured by the discord that exists among them...We have set one against the other, the personal and national reckonings of the goyim, religion and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries." (UNQ)

EXPLANATION: The truth of this part of the PROTOCOLS can be seen in any careful perusal of World War II. Even going back to 1914 and the First World War, hatred for the German people, from whose stock 25% of all White America has sprung, was being deliberately fostered by Jewish elements in the United States. This was long before Hitler came into power.

These two fratricidal conflicts (murder of brother and sister), were the worst in the world's history. The vast percentage of casualties suffered in both, were among White Christian peoples. These two wars cost the American people over half-a-million dead, countless thousands maimed for life, and hundreds of billions of dollars of our national wealth; most of which went into the coffers of the International Jews.

We were Involved In both of these through the "double-dealing" of our national leaders, who had come under Jewish control. Let me remind you again of Rabbi Reichorn's warning in 1868: "The Jew banks grow fat on Christian wars. Wars have a special value for us Jews. WARS ARE THE JEWS HARVESTS!" You better believe It, for all evidence points In that direction.

If we ever become involved in a nuclear war in the Middle East, you can rest assured it will not be fought for the protection of NATO or for the welfare of the United States. It will be a war instigated by International Jewry for their own nefarious ends and you can bet your bottom dollar on it, they will benefit from it!

There are literally hundreds of volumes of evidence which shows that it was Zionist interests, both at home and abroad, which was willing to see millions of White Christians die, so that the aims of the PROTOCOLS could be furthered. All the evidence coming from World War II, shows that it was not fought to "make the world safe for democracy," as we were told. It was fought to make the world safe for International Jewry.

They and their Communist stooges, were the only ones to benefit from the war, the Allies got absolutely nothing but the bills and the suffering it caused.

The same can be said of World War I, though to a lesser extent. Count Mensdorf, the Jewish Ambassador from Austria to England, said of that war: "Israel won that war! We made it! We thrived on it! We profited from it! It was our supreme revenge on Christianity!" (UNQ)

In 1941, a Senate Committee, investigating propaganda films coming out of Jewish controlled Hollywood, heard Senator B.C. Clark say: "The movie industry is turning out dozens of pictures to infect the minds of their audiences with hatred and arouse their basest emotions against Germany." (UNQ)
These Jewish propaganda pictures have remained with us until this day. Which one of us has not seen pictures like THE DIARY OF ANNE FRANK; MASADA; THE BUNKER; THE BOYS FROM BRAZIL, all made with typical Jewish unconcern for the truth and all designed to further Jewish aims in America. In these, the Jews are always depicted as wonderfully brave, compassionate, persecuted people. The dumb goyim respond by giving them billions in aid, so they can further their program of world conquest.

Have you ever wondered why the Jewish media never breathed a word to the American people, concerning the Jewish "hate filled" Morgenthau Plan for Post-War Germany following World War I? It was what drove Germany into the arms of Hitler. For over seventy years now, Jewish controlled Hollywood has fed us a dose of Jewish lies, picturing the German people as monocled, burrheaded, heel-clicking military robots. It may be hard for many Americans to realize, but in the 18th and 19th Century Europe, France was the "bully boy" on the Continent, not Germany.

The Jewish lies, laid out in the alleged PROTOCOL forgeries, were and are for the purpose of setting Anglo-Saxon against Anglo-Saxon, Christian against Christian, brother against brother. Probably no conflict, confined to such a small area, has brought more suffering and bloodshed than that between England and the Irish Republican Army. The media constantly bills it as a conflict between Catholics and Protestants, when in reality it is a war against Christian England. If the same thing could be agitated in America, the enemy would be a long way towards their goal.

You see, my Christian friends, the Zionist vision of world conquest and ultimate world control is all set forth in the PROTOCOLS. They could never succeed if Christians were to cooperate in this battle for survival against their worst enemies, the Jewish-Communist bloc. Instead of this, we see fundamental Christians who would rather fight their Catholic Christian brethren than to take a stand against the Jews. One of their pet Scriptures seems to be 2 John 10, 11-"If any come unto you and bring not this doctrine (see the answer for this in verse 7), receive him not into your house, neither bid him God speed; for he that biddeth him God speed, is partaker in his evil deeds." So they refuse to cooperate with anyone who doesn't agree exactly with what they believe. Until it comes to the unbelieving Jew, which is different. So we see Baptist fighting against Baptist; Methodist against Pentecostal; Protestant against Catholic, while the real enemy, the Jews, is glorified and supported as the Chosen People of God. and his Satanic plan to destroy all Christians, goes unchallenged. How utterly stupid!

Now make no mistake about it. The Jews are very intelligent people. You would be making a fatal mistake not to realize this. They are smart in the ways of the world. But one of their weaknesses is that they like to brag about what they are doing and what they intend to do. Granted, most of this boasting is done in Jewish circles, and is for Jewish eyes only, the dumb goyim must be kept in the dark until it is too late for them to do anything about it. But quite often, their braggadocio leaks out to the Gentile world. When it is exposed, it is always labeled as "anti-Semitism."

One of the most interesting incidents of this type that I have been able to unearth, took place a few years ago, when a well known "anti-Semite" interviewed the Jewish administrative assistant of the well-known Jewish Senator from New York, Jacob Javits. This assistant, named Harold Wallace Rosenthal, made this statement, recorded on tape: "We Jews continue to be amazed at the ease with which Christian Americans have fallen into our hands. While naive Americans wait for Khruschev to bury them, we have taught them to submit to our every demand." (UNQ) of course this is almost word for word, What is taught in the PROTOCOLS.

Asked how this nation could be captured without our knowing anything about it, Rosenthal attributed this victory to the absolute power the Jews have over the media. He boasted that Jews control all the news and that any newspaper which refused to acquiesce to Jewish control, could be brought to their knees in a very short time. "It's a very simple matter," he said.

When United States Foreign Policy was mentioned, Rosenthal said that no one in the past three decades had achieved political power without Jewish approval: "Americans have not had a
presidential choice since 1932," he said. "Roosevelt was our man; every president since then has been our man. American foreign policy is Zionist-Communist policy from beginning to end. Yet the citizens believe this Jewish policy will benefit the United States." (UNQ)

When asked why Jews treat Christ as a mere man, and a bad one at that, he replied: "That's all He was—a man who walked the earth like any other man and this myth about Christ rising from the dead and returning to the earth to visit with His disciples, is nothing but a bunch of crape. The Jews drove the Arabs out of Palestine to disprove Christ's mission for a spiritual kingdom. You see, instead of a leader who would make an empire for us Jews, your kind of people gave the Jews a peaceful preacher called Christ, who instead of an eye-for-an-eye, turns the other cheek. Rubbish! We are building, and in fact have built an earthly empire without your kind and your disappointing Messiah." (UNQ)

Assassination has always been a means of starting wars, and it is interesting to note that the Jews have always been experts in this nasty venture. Isn't it peculiar that it was a Jew who shot Stolypin, the Russian Minister who was about to bring Constitutional government to Russia? It was a Jewish agent of the International Jewish Bankers, a man named John Wilkes Booth, who murdered Abraham Lincoln, just as he was about to bring America out from under the thumb of the International Bankers. (You have always been taught that Booth was a disgruntled southern sympathizer. Right? Lincoln's death was the worst thing that could have happened to the South.) It was a Zionist terrorist who murdered Count Bernadotte of the United Nations in Palestine. It was a gang of Zionist Jews, many of them from the East Side of New York City, who murdered Czar Nicolai II and his entire family in Russia on July 16,1918. (They always ask mercy of other people, but give none themselves.) It was a Jew who murdered Senator Huey Long of Louisiana, before he could run against F.D.R. in the Democratic Convention. It was a murdering Zionist terrorist, named Menachem Begin, who cold bloodily murdered hundreds of Arab women and children and still brags about it.

We Christians are required to deplore the wickedness of Adolph Hitler. We must criticize the excesses of the PLO and the flawed "right wing" governments around the world, but we must never ever say anything which is critical of the Jews. That is "anti-Semitic," and a crime against God, so they say.

If you are anti-Communist, you automatically are considered to be anti-Semitic. Why? Because the two are so closely tied together. Henry Ford, Sr. put it very clearly when he said: "The Jews say, 'You must not identify us! You must never use the term Jew!'" (UNQ)

Why is it that the Jews who claim to be against Zionism will never publicly criticize Begin and his excesses. If they are for America and against wickedness, why do they not criticize their people who head this wickedness? Why do we not see letters to the editor, written by Jews, decrying this wickedness? By their silence, they give their approval to what their brethren are doing. Why is it that the Jew does not want to be identified, when he does wrong? Why is it that decent Jews do not want him identified? It's all right to identify a Baptist when he becomes involved in fraud, or a Catholic, or a Methodist. Why not the Jew?

I believe the answer lies in the fact that unless the Jewish idea can creep into our society under the assumption that it is not Jewish, it is doomed! Anglo-Saxon ideas can declare themselves openly and their origin, because we are not ashamed of them. Why shouldn't the Jew be required to do likewise? We should demand this openness of every alien who moves to our shores. Every alien should be required to "sail under his own flag."

PROTOCOL: "It is said by the prophets that we (Jews) were the chosen of God Himself to rule over the whole world. God has endowed us with genius that we may be equal to the task." (UNQ)

EXPLANATION: This is what the Jews believe about themselves; it is what they are taught in their schools and synagogues. They say: "The first and most fundamental lie we use is for the purpose to make people believe that we are not a nation, but a religion, other lies are subsequently
based on this. Our greatest fear is that this falsehood will be discovered, for we would be stamped out the moment the general public comes into the possession of this truth and acts upon it. It is becoming apparent that an awakening is taking place in America. We had hoped that through our devastation of Christian Germany, any subject dealing with us would have been taboo. However, there seems to be a resurgence in this country we so strongly control. We are presently making plans for a rapid exodus. We know that when the final light dawns, there will be no stopping it... if the American public ever finds out that we are in control, that will be a fatal mistake on our part."

(UNQ)

The Jews believe that they are mentally supreme. They are taught this from childhood. This is what they have brainwashed many Christian leaders into believing. It is true that Jews have a genius for making money, that is because "Mammon" (love of money) is their god. They have a genius for subverting people into believing them, but this does not come from God. Jesus Christ put His finger on the source of this wisdom in John 8:44, when He said to them: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is not truth in Him. when he speaketh a lie, he speaketh of his own, FOR HE IS A LIAR AND THE FATHER OF IT." It's no wonder the Jews crucified Him, when He turned the spotlight of God's Word, full on them and exposed them for what they were. James 3:15 says: "This wisdom descendeth not from above, but is earthly, sensual, devilish."

Nowhere in the Scriptures were the Jews ever given any mandate from God to control anyone. Nowhere is it prophesied that they would rule the world. That there will eventually be one great world leader is taught in the Bible. But when this day comes, it will not be a Jewish leader, but will be Jesus Christ, the Son of God, who will rule as King of Kings and Lord of Lords, in a kingdom of absolute justice, love, peace, and righteousness. The very nature of the Jew, makes it impossible for them to control such a kingdom.

Christ in His eschatology (teaching concerning the last days), is completely silent about a corporeal reign in a world power kingdom of Jewish supremacy for a thousand years, with its headquarters in Jerusalem after His second advent. Neither the Gospels, the Epistles, nor the book of Acts, speaks of this thousand year Jewish kingdom. The New Testament gives no hint of a Jewish world power. In fact many of the passages of the New Testament were written to counter these Judaizing influences.

There is no prediction in the book of Revelation of the return of Jews to Palestine, to rule over the world after the Messiah comes. There is nothing about a rule of mortal Jews and Gentiles who are living in some kind of probation period. There is not one scripture which indicates that Christ will reign with the Jews in Palestine, now or in the future. The people we now know as Jews are completely alien to the concept of God. They do not worship the God of the Old Testament, nor yet He of the New Covenant. The God of the Jews is not the God of the Bible, no matter how hard your pastor tries to prove otherwise.

Forget this Judea-Christian foolishness. It is a lie out of the pits of hell. We are not the same "breed of cats."

In the interview with Rosenthal, he said: "Since we do not believe in life after death, all our efforts are directed to now. We are not as foolish as you and will never adopt an ideology that is rooted in self-sacrifice. Whereas you live and die for the benefit of the community, we will live and die only for our own individual self. The idea of self-sacrifice is abhorrent to the Jews. It is abhorrent to me. No cause is worth dying for since death is the end. The only time we unite is to preserve our individual selves. As a group of wolves unite to attack a prey, but then disperse after each is filled, so we Jews unite when peril is pending, not to preserve our continuity, but to preserve our skins."

(UNQ)

PROTOCOLS: "In order to put public opinion in our hands, we must bring it into a state of bewilderment by giving expression from all sides to as many contradictory opinions... as will
suffice to make the goyim lose their heads in the labyrinth and come to see that the best way is to have no opinion of any kind in the matter of politics."

EXPLANATION: This is what has happened in many of our churches. It is difficult to find a more complacent group anywhere, than those who attend our fundamental and evangelical churches. This is especially true if they have been taught the Jewish conceived idea of "pre-tribulation rapture of the church." (I taught this lie for years, before I became honest enough to do some studying on my own and found it to be a "man-made" doctrine.)

What can you do with a Christian, like the lady in Kansas City who came to me after a morning service in a large Baptist Church, in which I had spoken about the dangers of Communism in the Christian community. She said: "Colonel, I agree with everything you said, but it really doesn't apply to me. You see, I'm a born again Christian and Christ is coming back to Rapture me out of this mess before it gets too bad." Talk about being zipped into a shroud of "self-righteousness;" that old sister was. When I asked her how she thought the Christians behind the Iron Curtain might feel about that kind of complacency, she got mad. It's very possible Christians like that won't get unzipped in time to even welcome Christ when He comes back. He one time said: "Not everyone that saith unto me Lord! Lord! shall enter into the kingdom of heaven but he that doeth the will of my Father which is in heaven." Yet most churches teach the dangerous doctrine that Christ has done away with the Law and that all we need these days is "faith" and "love." As a result, from a militant Christianity which turned the world upside down for Jesus Christ, we have become a bunch of "milksop" Christians who couldn't fight our way out of a paper bag.

In Philadelphia I had a similar experience. I had been speaking about the dangers posed by the United Nations and a lady said to me: "I wish you wouldn't give us those horrible examples of Communist brutality." When I asked her: "Why not?" she replied: "Because if I find out you are telling the truth, I'll have to do something about it, and I don't want to get involved."

That's why my good friend John Harrell, head of the Christian Patriot's Defense League calls it a "twinkie-marshmallow" Christianity. There aren't many overcomers in that group I can assure you. No wonder we're headed "down the drain."

The major reason we are in the mess we are in today, is that our Anglo-Saxon, Christian Americans have become so weak and apathetic, they would rather be brainwashed by their Jewish enemies, than become the "salt of the earth," Christ told us to become. Those of you who are old enough, can remember the days before we had deep freezers. We used salt to keep our meat from spoiling. Salt is a preservative. But "when the salt has lost its savor (its ability to act like salt), then it's good for nothing but the garbage heap." (See Luke 14:34).

WE WILL NEVER BE able to conquer any forces of world darkness, as long as we are willing to believe the enemy and refuse to put God's Word into action.

Many times we spend so much time belaboring the Jews, or the non-whites, that we fail to realize that most of our problems came because of our failure as Israel people to do what God commands us to do. If we had been faithful in following our Covenant with Him, neither the Jewish problem, nor the minority problem would have ever existed.

I'm sick to the point of nausea, with Identity preachers who spend most of their time attacking each other over some minor difference, when they should be on the firing line doing what God wants to do. (This certainly is not attacking each other.) God has given us the task of being watchmen on the walls of Israel. He doesn't ask us to be successful. He doesn't tell us to build the biggest and richest church in America. In fact, our task isn't even to persuade people of the truth. Our task is to warn the people and when we have done that the Holy Spirit will take over and do the persuading. In Isaiah 58:1 we read: "Cry aloud! Spare not! Lift up thy voice like a trumpet and show my people their transgressions, and the house of Jacob (Israel) their sins." That's not a very popular task and you can't get very much of this world's goods doing it, but before God, this is what I mean to do, with all my heart, and soul, and strength.
PROTOCOL: "There is nothing more dangerous than personal initiative if such initiative have genius behind it, it can do more than can be done by millions among whom we have sowed discord." (UNQ)

EXPLANATION: In this passage the enemy recognizes that their toughest enemy are among those, not only who have faith in God, but who put that faith in action. These are the ones who always stand behind freedom. So in order; for freedom to be destroyed, the people with faith must go first.

We need to realize that there are two Jewish programs in operation in the world today. One is intended for the goyim to see - often it has a rather pleasant aspect, as we rub shoulders with them in the business world; especially if it is to their benefit.

But the other, the one which is exclusively for the Jews is something else. This is the one which presents danger. It is the same program that is found in the PROTOCOLS. That is why the Jewish apologists must do everything in their power to make us believe they are a "fake." It is the program which is sponsored by Zionism on an International scale and which calls for racial separation of the Jews from the goyim. Regardless of what a Jew says about a Christian, there is no question that he always thinks of himself as a Jew. Not as an Englishman, not as an American, or a German, but as a Jew. He will always refer to himself as a Jew. He will never say: "I am an American. But I am a Jew!" the Jew, no matter what his nationality; no matter where he was born, is always a Jew first and you know that he naturally seeks the welfare of the Jewish State first; he cannot be trusted as an American, for if he has to choose between them, he will always choose Judaism, right or wrong. There are very few exceptions. Probably one of the most outstanding is the Jewish writer Alfred Lilienthal. A few years ago in a Reader's Digest article he wrote: "I am not a Jewish American, I am an American Jew. America's flag is my flag. Israel's flag has never and never will be my flag." He received a tremendous amount of "flak" from his own people for this courageous stand. But the ones who will do this, are "few and far between."

Henry Ford, Sr. in his THE INTERNATIONAL JEW, says: "If the Jews were fully understood by the Gentiles, if the Christian churches for example, were freed of their delusions that the Jews are Old Testament people, and if the churches really knew the Talmudic religion, the misrepresentation would be even stronger." (UNQ)

The downfall of Russia, Poland and Germany was prepared by a long and deliberate Jewish program of misrepresentation. Germany and Poland were both vilified in the Jewish press, for no other reason than that they wanted to free themselves from Jewish domination. But whenever any people, and this includes America, take measures to prevent Jewish control of their government and economy, the Jews will begin their mournful cry of "persecution" and "anti-Semitism."

The Jewish complaint of intolerance and prejudice is only a superficial symptom of their real problem. Only the Jew himself, holds the key to the solution and this of necessity MUST call for a complete "about face" from their present attitude towards Jesus Christ and Christianity in general.

Dr. Howard B. Rand, in Vol. 2 of his DOCUMENTARY STUDIES, asks this legitimate question: "Why for instance, have Anglo-Saxon people been especially blessed with prosperity and abundance, acquiring freedom and rulership denied to that branch of Judah which we today recognize as Jews?" (Here it is well to remind you that only a very small percentage of today's Jews, have anything at all to do with Abraham). He continues: "The answer is found in the Second Psalm and the attitude of the Anglo-Saxon people as a race and the Jewish people as a class, towards Jesus Christ. The Psalmist says: 'Serve the Lord with fear, and rejoice with trembling Kiss the Son, lest He be angry, and ye perish from the way, when His wrath is kindled but a little . . . '(Psalm 2:11, 12).

Instead of placating the Son, the Jews murdered Him and then took on their heads, and that of their children, the guilt for killing the Son of God. In Matthew 27:25, we read where the Jewish mob, not just its leaders, as some apologists try to say, but all of them said: "His blood be on us and on our children."
"Here is set forth the crux of centuries of suffering, self-inflicted by the Jews . . . Even today, they try and justify, rather than condemn, the acts of the High Priests and the people who condemned Christ . . . " (UNQ)

Many of you no doubt will recall Christ's Parable of the Fig Tree, as found in Matthew 21. Just as the fig tree which bore no fruit was cursed, so the Jews as a whole, while putting forth leaves and showing a desire for national life, have shown no evidence of bringing forth the fruits of righteousness, so they are still under the curse.

In this respect, we see a striking difference between the Jews and the Anglo-Saxon-Israel people. When the house of Judah finally began to show signs of budding, they bore no fruit; their acts of terrorism and lawlessness in present day Palestine are an indication of a people who have no desire for righteousness.

But when the House of Israel, as seen in the Anglo-Saxon and related peoples, came out of their seven times (2,520 years) of chastisement, they as nations accepted the Messiahship of Jesus Christ and began to expand into a company of nations and one great nation promised to Abraham in Genesis 28:14.

If you are willing to spend some time looking at both Scriptural and historical facts, instead of listening to some preacher who has probably done neither, you will see that most of the people we now call Jews have no physical connection with Abraham. In the Jewish Encyclopedia, under the word "anthropology", can be found this definition: "a great portion of the people called Jews are of other than the Jewish race." This being the case, then most of those now in Palestine have no claim that Palestine is the land of their forefathers. In fact, there is ample evidence that a majority of the people we now call Jews are Russian Khazars, whose ancestors never set foot in Palestine. (See Jewish author Arthur Koestler's book THE THIRTEENTH TRIBE.)

If this were known to our Christian people; if this truth were mentioned in the pulpits of our land, then the Christian world would recognize that the vast number of Jews were atheistic, Christ-haters and the would be free from what the Bible calls "the fear of the Jews" (John 7:13; 12:42; 19:38; 20:19). This is exactly what is stifling the Christian world today. The unfortunate thing is, when you go to most preachers with the information about the Khazars, they will laugh in your face and refuse to look at the evidence. The Zionists have no right to use the term "Israel" for their illegal country, for it is a counterfeit State, begun under false pretense.

Have you ever asked yourself if the move of the Jews into Palestine might not be a fulfillment of Daniel 11:40, 41? "And he (the Communist anti-Christ) shall enter into the countries, and shall overflow and pass over." This is exactly what the Communists have done in Czechoslovakia, Romania, Poland, Yugoslavia, East Germany and many other areas. Now look at verse 41: "he shall enter also into the glorious land (Palestine.)" Could the anti-Christ already be in Jerusalem? Could it be Begin? Who knows except God?

Today we are told that Israel is a democracy and our best friend in the Middle East and we have poured billions of dollars down the "rat hole" of Israeli aggression, hoping to bring stability to that area. Yet we have been in ,not God's people, but those who "say they are Jews and are not, but are of the synagogue of Satan," (Revelation 2:9) We are helping those who are dedicated to the destruction of our White Christian civilization.

Here in America, our preachers still continue to trumpet the lie, glorifying their enemies. While Christians have been "conned" by their church leaders into accepting these "counterfeits" as the real thing and are willing--o support them, no matter what the cost, including the loss of our freedom, they seem unaware that the Zionist's move into Palestine does fulfill prophesy, but not the one they hope for. It will bring anything but peace into this troubled old world. Surely God has sent our people "a strong delusion, that would believe a lie. That they all might be damned, who believe not the truth, but have pleasure in unrighteousness." My Christian friends, you can be saved and have the "joy of the Lord" in your hearts, but someday you are going to stand and answer before the
Lord, if you support His enemies.

Have you ever tried to ask a Jew a question about his people and why they do the things they do? He will never answer you "head on." If you accuse them of trying to control our government, they will come up with all sorts of false denials; they will make heart rending pleas for sympathy for their poor, persecuted people; then if this doesn't work, they will cry "prejudice;" "anti-Semite;" "Nazi;" "hate campaign." This is their only defense, for they cannot defend what they do. It is rare indeed, when a Jew will accuse another Jew, no matter how evil his acts.

**PROTOCOL:** "By all these means we shall so wear down the goyim that they will be compelled to offer us international power of a nature that by its position will enable us without violence to gradually absorb all the State forces in the world and to form a Super-Government." (UNQ)

**EXPLANATION:** Wasn't this what Lenin had in mind, when he stated in 1921: "We will never have to fight against America, for they will become so corrupt from within, they will drop into our laps like overripe fruit." (UNQ)

The International Banking gangsters have worn America down to the point of economic collapse. They hold the economic fate of millions of goyim slaves in their hands. They know they can bankrupt the Israel nations any time they want to and become enormously rich in the process. So we of the Anglo-Saxon nations live in fear from day to day, because we don't know what the next day will bring. We are afraid for our jobs; we fear for our freedom; we are afraid of nuclear war; we fear our minority people and what they will do, and when men fear enough, they can be controlled.

**PROTOCOL NUMBER VI**

"We shall soon be in to establish huge monopolies (remember now, this was written at the beginning of the 20th Century), reservoirs of colossal riches, upon which the large fortunes of the goyim will depend to such an extent that they will go to the bottom together with the credit of the staves on the day of the political smash." (UNQ)

**EXPLANATION:** Our entire economy is run by monopolies today. We see them controlling oil, natural gas, steel, food, the automobile industry, technology, and the media. They raise prices on their products, even when they are making enormous profits and the country is going into bankruptcy. (The earnings of TEXACO, during the last quarter of 1981 was over $2.5-billion, even though the country was in the clutches of a deepening recession.) Yet prices continue to soar, millions are unemployed and the stage is being set to "bring America to heel."

**PROTOCOL:** "It is essential for us at whatever cost to deprive them of their Land. This object will be best attained by increasing the burdens upon landed property - in loading the land with debts." (UNQ)

**EXPLANATION:** Today, we see the unfortunate sight of thousands upon thousands of small business and small farmers, as they are driven into deliberate bankruptcy. Their property is being taken over, "for a song" by the very people who caused the collapse. Their national policy can be seen in the Land Control Policies they have foisted off on the Federal Government, which has been in operation for at least eight Administrations. Under the direction of Jewish advisors, Land Control Laws have gone into effect, which have not only bankrupted Americans, but which have turned millions of acres of American land under the bureaucratic control of the central government. Under our present system, Americans are not free to use their own land as they see fit. They cannot sell to whom they wish; they are governed in how they can rent it; they are told what they can plant on it, and in many areas, you cannot make an addition to your house, without first obtaining government approval. All this acclimates Americans for final control.

We have been "brainwashed" into accepting control through a process of "creeping gradualism." You have all heard the story about the frog. You can throw him into a pot of boiling water and he...
will react so fast, that he will jump out before he is hurt. But you can put the same frog into a pot of cold water, and set the pot over the flame of a candle, and he will sit in there and cook to death, because the change is so gradual he doesn't even notice it. This is what has happened to us in America.

**PROTOCOL:** "We shall raise the rate of wages which, however, will not bring any advantage to the workers, for, at the same time, we shall produce a rise in the prices of the first deeply sources of production: by accustoming the workers to anarchy and drunkenness and side by side therewith, taking all measures to extirpate (wipe out) from the face of the earth, ah the educated forces of the goyim." (UNQ)

**EXPLANATION:** Now this PROTOCOL, may be a forgery, but it certainly has been put into effect and works very well. If you can't see this happening in the field of labor, it's because you are deliberately shutting your eyes to what is happening. It follows the exact pattern laid down in the

**PROTOCOLS.** In the automobile industry, in particular, the labor unions have literally "priced themselves" out of a job. Of course they blame foreign competition for their woes. But it is an internal thing, which has been brought about by deliberate sabotage of the industry. Today, they are frantically trying to undo the evil which has crept in-to their ranks, while they refuse to face up to the real cause of their trouble. It may be too late to save the industry. The Union leadership has become ingrained with the "get" syndrome, they have forgotten the old American virtue of "make."

**PROTOCOL:** "In order that the true meaning of things may not strike the goyim before the proper time, we shall mask it under an alleged desire to serve the working class." (UNQ)

**EXPLANATION:** Jewish-communism has always appealed to the working man, without ever doing anything to really help him. Their ultimate desire is not to help, but to control. The Jew, Karl Marx's Communist Manifesto was written especially to influence workers. But always in every communist economy, the worker gets less and less, while the governing authorities, the commissars, get more and more. As I have mentioned before, "some are equaler than others."

**PROTOCOL NUMBER VII**

"The intensifications of armaments and the increase of police forces - are all essential for the completion of our plans." (UNO)

**EXPLANATION:** Little needs to be said about the huge outlays of money for military expenditure in both East and West, which have taken place since World War II. For over forty years we have seen a world economy choked by a "guns instead of butter" mentality. As we accept this concept, we hasten the day when Zionist dreams will be fulfilled and we sign our own death warrant.

**PROTOCOL:** "...we must create ferment, discords, and hostilities, therein we gain double advantage. First we keep in check all these countries, for they will know that we have the power whenever we like to create disorders or to restore order." (UNQ)

**EXPLANATION:** Check out all the major disorders which have swept Christendom since World War II; the racial disturbances; the disasters in our schools; the drug problems among our youth; the continual "brush fire" wars. In every case, you will find the International Jew.

Conrad Sittenfeld, a leading Jewish novelist from the 19th Century, Germany wrote: "No one can dispute that Jewdom takes a leading part in the pollutions and corruptions of international relations. A characteristic of the Jew is a stubborn endeavor to produce values without work, and this, being an impossibility, it simply means that these values are artificially produced by swindling and corruption." (UNQ)

Rabbi Lewis Browne, in his book **HOW ODD OF GOD**, says: "We Jews intend to remake the Gentiles - what the Communists are now doing in Russia." (UNQ)

Jeremiah, an Old Testament prophet said of the Jews: "they will deceive every one his neighbor, and
will not speak the truth; they have taught their tongue to speak lies, and weary themselves to commit iniquity." (Jeremiah 9:5).

The Jew Waiter Rathenau, writing in NEVE FREIE PRESSE, December 1909 said: "Three hundred men, all acquainted with each other, control the economic destiny of the Continent." (UNQ) Strangely enough, all of those were Jews.

On September 21, 1923, Henry Ford, Sr., in a statement made in THE DEARBORN INDEPENDENT, said: "If you want to stop war, get hold of fifty of the wealthiest Jewish financiers, the men who are interested in making wars for their own profit. Control them, and you can stop wars." (UNQ) The same could be said about world chaos, as it is spoken of in the PROTOCOLS.

For further verification, let's go to an International Jew of an earlier generation, Benjamin Disraeli, Earl of Beaconsfield, Prime Minister of Britain, during Queen Victoria's reign. Although he was professing Christian, he gloried in being a Jew and wrote many books in which he discussed Jewdom quite frankly. He presented the International Jew in full battle dress, as the Proletariat, who pulls the strings and manipulates the world through the power of old. (If a non-Jew had written the things Disraeli did, he would have been castigated by the Jews as a violent anti-Semite.)

One time he said: "You never observe a great intellectual movement in Europe in which Jews do not greatly participate. The first Jesuits were Jews." (UNQ) (Maybe you Catholics didn't realize this. Maybe this explains many of the recent problems the Catholic Church is experiencing with the Jesuits.)

While the Jews claim the PROTOCOLS are the invention of anti-Semites, let me ask: "Was Disraeli an invention? Did he misrepresent his own people?"

Listen to what Henry Ford, Sr., says in THE INTERNATIONAL JEW: "He (Disraeli) showed that Russia, the very country where the Jews of his time claimed they were least free, they were in control. He showed that the Jews knew the techniques of revolution, and foretold in his book, the revolution which was shortly to break out in Germany. How did he foreknow it? Because that revolution, even then, was developing under the auspices of the Jews . . . Disraeli, the Jew knew it and knew it to be Jewish in origin, in development, and in purpose." (UNQ)

You and I can go today to Jewish sources and find confirmation for what the PROTOCOLS teach. On July 7, 1930, Dr. B. Messinsohn, lecturing in Capetown, South Africa, was reported by the CAPETOWN TIMES, as having said: "I warn the world, that if it does not keep faith with the Jews, there are 16-million Jews who will be filled again with the hatred which has released so many great destructions against the Christian world." (UNQ)

Marcus Eli Ravage, a Jew, writing in CENTURY MAGAZINE, January 1928, said: "We Jews are at the bottom of all your wars; not only of the Russian but every other major revolution in history." (UNQ)

The MACCABEAN, Zionist organ in New York City, carried a headline concerning the Russian Revolution which said: A JEWISH REVOLUTION!

The AMERICAN HEBREW, a leading Jewish newspaper in the United States, on September 10, 1920 said: "The Bolshevik Revolution in Russia was the work of Jewish brains . . . What happened in Russia, shall also through the same Jewish mental and physical sources, became, a reality over all the world." (UNQ)

You see, my Christian friends, this PROTOCOL is Jewish teaching through and through. The JEWISH WORLD, a Zionist publication in London, on January 16, 1914, stated: "International Judaism forced Europe into the war, not only to seize a large part of the world's gold, but to start a new Jewish War by the help of that gold." (UNQ)

Again, and again, and yet again, we see that what the PROTOCOL teaches is Judaism "verse, line
PROTOCOL NUMBER VIII

"In order to annihilate the instructions of the goyim before it is time, we have touched them with craft and have taken hold of the ends of the springs which move their mechanisms. These springs lay in a strict, but just sense of order: we have replaced them with the chaotic license of liberalism. We got our hands into the administration of the law; into the conduct of elections; into the press; into the liberty of the person, but principally into education and training, as being the corner-stones of a free existence." (UNQ)

EXPLANATION: You see, in dealing with the International Jews, we are not dealing with a bunch of idiots. They are Satanically clever. They know that the Anglo-Saxon peoples are noted for their sense of order and justice. So they have attacked this. We can see the damage liberalism has done to our society in recent years and the chaos it has created. It can be seen in the destruction of the sanctity of marriage, which is the foundation of the Christian home. We have watched, often in frustrated silence, as Jewish sponsored permissiveness has resulted in teen-aged pregnancies, the use of alcohol and dope and a venereal disease problem which has reached epidemic proportions.

If you are honest in your evaluation and check the sources of this pollution, you will always arrive at a Jewish source, Do a little checking on your own. See who it is that advocates "gay rights," and pushes the evil of homosexuality as a respectable "alternate life style." See who it is that promotes "integration of the races," and "inter-racial marriage," while abhorring it for their own people. Without fail, on 95% of the cases, you will arrive at a Jewish source.

Check and see who mans the Abortion Clinics, which annually murder over 2-million unborn babies, most of them white. See who runs the gambling halls; the liquor and dope industry; see who controls prostitution and the crime syndicate, and each time, if you are really honest, you will come up with a Jewish name. Why is this? It is because they are carrying out the teachings of the PROTOCOLS, which are merely an extension of Talmudic Judaism.

Some who read these facts may react violently to them. I am sorry if I have shaken you up, I'm merely giving you the facts. I'm not trying to gloss them over, or make them any more shocking than they really are. How many of you knew that 1981 marked the Fiftieth Anniversary of the Jewish takeover of the National Crime Syndicate, which we know as the "Mafia?" It was on September 11, 1931, that Meyer Lansky (Sucholjinsky), a Jew, created "Murder, Inc." with the help of his associates Charles "Lucky" Luciano, and the Jews "Bugsy" Siegel, Arnold Rothstein, Aaron Sapiro, Ollie "Tic Tock" Tannenbam, "Tootsie" Feinstein and Israel "Ice Pick Willie" Alderman.

Lansky is now the head of a multi-billion dollar narcotics, gambling, prostitution and rackets empire. Occasionally when a Grand Jury gets too nosy, Lansky hides out in Israel for a year or two, until the "heat cools off." Have you ever wondered why the Federal Government makes little or no headway against the narcotics trade. They can't, because they are afraid of Jewish control, which brings billions each year into their coffers, at the cost of millions of ruined lives.

There is evidence that Lansky teamed up with Cuba's Fidel Castro and had President John Kennedy murdered. They hated Kennedy, because he was the first President who "leaned on them." Jack "Ruby" Rubenstein, (you guessed it, another Jew,) was the middle-man in arranging the assassination.

While Jewish Hollywood movie moguls have been churning out Italo-Sicilian "Mafia" movies for decades, few Americans realize that it is Jewish gangsters and Jewish movie producers who have a common interest in hiding the truth.

Meyer Lansky is today a billionaire, who has never spent a day in jail, thanks to the Jewish power in America. But unknown to him, he will answer to Almighty God, and if he lives long enough, he will answer to some angry Americans, when they wake up and find out what he has done.
Elizabeth Dilling is a most unusual woman. Her life has been dedicated to telling the truth about the Jewish Conspiracy. I don't know what got her started on this, but she has been a thorn in the side of the Talmudists for a long time. After a great deal of research which took her to Russia, Mrs. Dilling, wrote a tremendous book, documented with photostatic copies of pages from the Babylonian Talmud, which she titled THE PLOT AGAINST CHRISTIANITY. The Jewish reaction was instantaneous.

After pushing a reluctant United States into World War II, the Talmudic Zionists began a campaign to crush all anti-Communists, and this of course included all those who spoke out against the Jewish Conspiracy and showed that they were one and the same. A series of indictments were brought by the American Jewish Committee, through its secret police, the Anti-Defamation League of B'nei B'rith. Thirty anti-Communists, including Mrs. Dilling, were brought into court in 1942, 43, and 44. The 1943 indictment was dismissed in Washington by Judge Adkins. Only the 1944 indictment went to trial under the Jewish Judge Eicher. An unbelievable farce was staged without any legality or fact. After the death of Judge Eicher, the case was dismissed by Judge Bolitha Laws, who made a scathing denunciation against the court for "holding those people on trial for all that time without a single piece of evidence in accordance with the charge which had been brought against them."

Now let me stray away from Mrs. Dilling for a moment, to say that laws have been passed in several European countries which make it a crime to speak against Jews, even if you tell the truth about them. I have in my possession a letter from a French citizen, dated February 25,1982. He lives about twenty-five miles southeast of Paris. He contacted me earlier, about doing a French translation of my booklet MYTH-INFORMATION, and EXPLODING THE CHOSEN PEOPLE MYTH. He says: "In my unfortunate country, a powerful league is at work. It is called the L.I.C.R.A., which stands for "Ligue Internationale Contre le Racisme et l'Antisemitism". This means the "INTERNATIONAL LEAGUE AGAINST RACISM AND ANTISEMITISM!" Many influential people - politicians, writers, actors, belong as members or leaders.

"This very fact makes rather perilous the translation of any work written about or against the so-called Chosen People. This is why I would have to adopt a "non de plume" (pen name) to conceal my real identity - not that I am worried about my person, but rather to protect my wife and family . . . I really admire your courage; in France, such a work would not be allowed, with all these Jews and their accomplices, the Communists are always on the lookout for such things." (UNQ)

This man had been with the French Underground during World War II and was a patriot who loved God and his country. Did you know that legislation to do the same thing to American patriots has already been brought before Congress?

But to get back to Elizabeth Dilling and her PLOT TO DESTROY CHRISTIANITY. She says: "With a dash of French or Latin, to create a facade of supposedly higher learning, or gnosia, the Communist Pharisee Sigmund Freud was able to sell his degenerate Talmudic sex ideas as 'scientific.' That every baby girl was supposedly suffering for sexual relations with her father, and every little boy with his mother. This violates every rule of nature, reality, and reason. It simply matched the depraved incessant teaching of the Talmud about it being morally correct for grown men to violate baby girls under three and commit sodomy with baby boys." (UNQ) Then to prove her point, she gives several photostatic pages from the Talmud, which proves her contention.

Now whether you want to accept it or not, these things are taught in the Talmud and they are part of the PROTOCOLS. In the Sanhedrin volume of the Talmud, (54a) you can read: In the case of the women, there are two modes of intimacy, but in the case of sodomy with children, there is no guilt for the adult. The reference here is to the passive subject of sodomy. As stated supra; i.e., less than 13 years old. However, it is stated that within this age a distinction is drawn. Rab makes nine years the minimum: but if one commits sodomy with a child of lesser age, no guilt is incurred. Samuel makes three the minimum. Thus the point of comparison is the sexual maturity of the woman, which is reached at the age of three." (UNQ) This is only one example of hundreds of perversions which occurs within this Devil's book.
PROTOCOL: "We have fooled, bemused and corrupted the youth of the goyim by rearing them in the principles and theories which are known to us to be false, although it is by us they have been inoculated." (UNO)

EXPLANATION: The subversion of our youth can be seen on every hand and no more so than in the field of Public Education. This is caused to a great extent by the teachings of Secular Humanism, which are Jewish principles in disguise. This cult, which has been defined in the Supreme Court as a religion, nevertheless has been allowed to pollute the school system, while Christian principles are slowly being eradicated. Of course the teaching of Sex Education is part of this course and again it is the Talmudists who head it.

A few years ago a First Grade teachers' handbook was introduced into one of our states, by a Jewish radical named Paul Brandwein. The first paragraph read something like this: "Your first and most important task as a teacher, is to tear down the erroneous ideas the child has learned in his home and church. When this is done, you can begin to form the foundation for the international child of the future." (UNO)

American educators have admitted they are interested in "people control," through behavioral manipulation. You can see this by reading their publications. The head of the American Society of Psychiatrists, on returning from a visit to Russia a few years ago, admitted that the psychologists and psychiatrists of the Soviet Union, had perverted their profession and had become instruments of the slave state. The same thing is happening in America, as the teachings of the PROTOCOLS are put into effect.

Sidney Harris, the liberal news commentator wrote recently: "The biggest con artists in America are the behavioral scientists on our university campuses, who are devising all these innovative programs for the schools. They honestly believe that only they, know what ideal behavior is." (UNQ) Most of them are Jews . . . check this out for yourself. They are carrying out the ideals of the PROTOCOLS.

The Humanist Manifesto is another manifestation of the PROTOCOLS in operation. Here we come across a veiled threat when they say: "alienating forces must be eradicated or modified." Does this mean that when Christianity comes into conflict with the desires of the PROTOCOLS, Christianity must go? I believe the facts point to this.

We haven't taken the time to go into popular music, both Western and Rock and Roll, which has been instrumental in causing a great deal of trouble in this subversion of our youth. The danger is very real!

PROTOCOL: "You may say that the goyim will rise upon us, arms in hand, if they guess what is going on before the time comes: but in the West, we have against this a maneuver of such ghastly terror that the stoutest hearts quail - the underground . . . from whence their Capitols will be blown into the air." (UNQ)

EXPLANATION: Here we find the threat of terror methods, which are already being used. It has been proven beyond the shadow of reasonable doubt, that the Zionist MOSSAD, has subsidized terrorist organizations around the world. Often this terror begins with student organizations, such as the Weathermen and the Simbionese Liberation Army. Most of the known underground operations in the U.S. have had strong Jewish connections. This of course is part of the PROTOCOL story.

**PROTOCOL NUMBER IX**

"The words of the liberal, which are in effect the words of our watchword, are - LIBERTY!

EQUALITY! FRATERNITY! - When we come into our kingdom, we will change into words no longer of a watchword, but an expression of idealism, 'the right of liberty; the duty of equality; the idea of brotherhood.' That is how we shall put it! De facto (actually) we have already wiped out every rule but our own, although de jure (by right) there remain a good many of them." (UNQ)
EXPLANATION: This is merely a statement concerning the "double-standards" which can be seen in any Jewish dealings with the goyim. The Communists sometimes refer to this as "double-speak," or "double-think." It is a condition which has been brought into being in America, in which a person can believe two opposing ideas at the same time. A good example was our government's action in Iran. Many citizens believed that our government should have taken strong action to protect our citizens in the embassy, while at the same time they were afraid of what this strong action might bring.

This is a process wherein the goyim have become victims of Jewish propaganda. First they create the idea of "broad-mindedness." Be broad-minded about everything! "Homosexuality isn't evil, it's just an alternate life style." "Unfaithfulness in marriage isn't adultery, it's merely affinity (a strong attraction) for the opposite sex." "A criminal isn't really an evil person, he is just unfortunate and has become a criminal because society has been mean to him and he has been brought up in a poor environment. Change his environment and he will become good." (This is like believing that giving a pig a bath will change his pig nature.)

So using this "mind changing process," whenever anyone speaks out against Zionist ideas of world imperialism, or criticizes a Jew for doing something wrong, immediately we hear: "We thought you were too broad-minded to express such prejudicial ideas." The term "broad-minded" has become a "trigger word," just as "anti-Semite." They are words which have kept the Christian world in a state of "flabby tolerance" of evil. It is a state of mind, where we mouth meaningless phrases about liberty, which act as a drug on our mind and conscience while allowing all sorts of evil to flourish under their cover.

So using the idea of "broad-mindedness," we hear a lot today about "Jewish rights." (There is not much said in the media about "Christian rights," the emphasis is on "Jewish rights!" ) Using the idea promulgated in the "Jewish rights" can be interpreted as "their right to do anything they want to do and still be praised for it." This idea can be seen in the actions of Dr. Jerry Falwell, head of the Moral Majority. When Menachem Begin visited America he met with Falwell, who told him words to the effect that "the Fundamentalists of America are behind you, no matter what you do, because we recognize your right to do it as God's Chosen people."

What utter stupidity! Under the Jewish idea of liberality, we have given the Jews "carte blanche" (discretionary power), to attack liberty. What Christian America has been doing is tolerating intolerance itself, for there are no more intolerant people in the world than the Zionist Jews. Just one example of the intolerance. In the JEWISH CHRONICLE for October 30, 1981, this article appeared: "Zubin Metha, the conductor of the Israel Philharmonic Orchestra, has been rebuked by a senior Israeli politician in the wake of the row stirred up by the IPO's playing music by Wagner. Asked why it was all right to use German-made goods but not listen to Wagner, Mr. Dov Shilansky, a Herut Member of the Knesset and a Deputy Minister attached to the Prime Minister's Office replied: "The country has been flooded with German goods, but just because we are already sunk deep in the mire, there is no reason to sink further." Stupid, isn't it?

Recently when five Arab Christian leaders visited the United States, they requested to speak with Dr. Falwell and were turned down . . . hold your hat now . . . on the advice of his Israeli advisors. That's being "broad-minded", Jewish style!

PROTOCOL: "I am in a position to tell you with a clear conscience, that at the proper time, we, the lawgivers, shall execute judgement and sentence, we shall slay and we shall spare . . . We will rule by force . . . the weapons in our hands will be limitless ambitions, burning greediness, merciless vengeance, hatreds and malice."

EXPLANATION: All of these ideas fit together like the parts of a gigantic jig-saw puzzle and tie in perfectly with the Jewish enigma we call Communism. Listen to what they say in PSYCHOPOLITICS, page 53: "We must be like a vine upon the tree. We must use the tree to climb, then strangling it, grow into power on the nourishment of its flesh. We must strike from our
path any opposition. We must use for our tools any authority which comes to hand. And then at last, the decades sped, we can dispose with all authority save our own." This is Jewish world power, as seen in the PROTOCOLS.

It is extremely difficult for the average Christian to understand the Jewish problem, for as Henry Ford, Sr., said: "The chief difficulty in writing about the Jewish Question is the super-sensitiveness of the Jews and the non-Jews concerning the entire matter. There is probably not a newspaper in America, and certainly none of the advertising mediums, which are called magazines, which would have the temerity even to breathe seriously the fact that such a problem exists. The Press in general is open to fulsome editorials in favor of everything Jewish, while the Jewish Press, which is numerous in the United States, takes care of the vituperative (abusive) censorship." (UNQ) (He should know, since they really "put the heat" on him, when he published his controversial book.)

The idea has been so deeply instilled into Christian minds, that unless you write about the Jews in terms of "sirupy sweetness," you are prejudiced and intolerant. I came up against this when I first approached my pastor with facts, showing Jewish involvement in the Russian Revolution. He said: "You better watch what you do in criticizing the Jews. God has pronounced a curse on everyone who curses the Jew. The reason God has been so good to America, is because we have been kind to His Chosen People." When I pointed out the fact that since we recognized Jewish rights to Palestine in 1948, this country has gone through the most traumatic experiences in its existence, he got angry. Christian people somehow or other can't understand that what I'm doing is not trying to hurt the Jews, but to get to the bottom of the trouble they are causing. "Am I to become your enemy, because I tell you the truth?"

Horace Mann, a noted American educator and legislator of the early 18th Century once said: 'On the face of it; it must be a bad cause which will not bear discussion. Truth always seeks the light. instead of shunning it." (UNQ) On this basis, Judaism must be exceedingly evil, for they certainly do everything in their power to shield its dark side from Christian view.

Doesn't it seem strange to you, that you can criticize most any race within reason, and you will only draw normal criticism? But even hint that a Jew has done wrong - even if he has and they fly into a foaming rage and call down all sorts of malediction (curses) upon you. This is an extremely unhealthy attitude.

When any people cannot stand up to normal criticism; when they refuse to let the "spotlight" of truth shine on what they are doing, they logically become suspect. Recently there was a "flap" over Bob Jones University's policy of not letting black and white students date (which is a Scriptural position).

The powerful, Jewish owned NEW YORK TIMES, almost went berserk over the issue in two wild editorials. On January 12, 1982. the TIMES headlined: TAX-EXEMPT HATE! and said: "Every American taxpayer is now subsidizing racism." (Which was a ridiculous statement in the first place.) It praised Jewish Federal Judge Harold Leventhal for having the wisdom, back in 1970, ruling that "segregated academies should have their tax exempt status removed."

On January 14, 1982, their headlines screamed: A LITTLE MORE TAXPAYER EXEMPT HATE! They claimed that it was the duty of the IRS to revoke this tax exemption and that all private schools should be required to prove that "they have a racially non-discriminatory policy." The TIMES charged these Christian schools with "contempt for morality and the law."

Now this kind of rashness seems strange, when one considers that Jewish Day Schools, which forbid Gentile enrollment, have a-been tax exempt. No one in the IRS has ever raised the issue of tax-exemption when it came to a Jewish group. This double-standard is not only immoral, it is extremely dangerous.

The term "anti-Semite" has become a "trigger word", which sends the average liberal into orbit. It scares the daylights out of a lot of preachers, politicians, and average, every-day Christians all who
should know better. So since it is used so frequently, let's look at it for a bit.

Let me quote, if I may, from an article written by Greda Koch, of CHRISTIAN RESEARCH. "The sad thing is that this enemy is not only recognized by our churches and government, but it is accepted and actually coddled by them as friends! These bomb words 'anti-semite' and 'holocaust' hold preachers and politicians captive and make otherwise courageous men and women cower in submission to do the enemy's bidding. But these weapon words, principally the word "Anti-Semitic", are weapon words against God and His government. God is sovereign, we can and MUST go to Him "from whence cometh our help," (Psalm 121:1). None of us are so strong as never to "fear the smear." So we need to go to God for a much needed 'anti-biotic', for the needed strength and wisdom, for discernment between truth and un-truth, between right and wrong, before we go into the subject proper . . .

"We either trust and fear God above all - or, we succumb to fear of man . . . The fear of man is idolatry . . . God Himself gives us the counter-weapons in the battle for the 'pulling down of strongholds' and the word 'anti-Semitic', though a coin word, is the stronghold of the enemy. Without the use of the word 'anti-Semitic' and 'Holocaust' propaganda, now so needed to feed World War Ill. it would fall flat on its face.

"Benjamin Freedman, a Jew by race, not religion, the greatest authority on 'anti-Semitism,' shows how this word crucified men who dared to investigate and expose Communism, as Hamilton Fish. a patriotic Congressman, was stunted in his investigation of Communism in the U.S. This was the poisoned arrow that silenced Father Coughlm when he exposed Communism at its roots. Space permits naming only a few victims: Martin Dies, author of the famous Dies Committee Report; Col. Charles Lindberg; Senator Joseph McCarthy, and many others. Later casualties were Gen. George Brown; Attorney-General Saxbe, and the Hon. John Connolly, because he took an America First stand regarding the State of Israeli. Said Rabbi Rachman, warning his fellow-Zionists: "American Jewry...(must) act speedily and with devastating effectiveness." He urged Jews to "use violence to demolish the dire threat to Israel." (UNO)

Then she goes on to point out that "anti-Semitism" was invented in 1880. The Jewish Encyclopedia, 1904 edition states: "So far as can be ascertained, the word was first printed in 1880."

This was the year which saw the rise of Zionism, a twin movement with Communism. The word "Zion", like that of "Israel" was stolen from the true Israelite people, the White Anglo-Saxon and related people, just as they have stolen our money, our land, our media. our schools and many of our churches. We in America, are standing about where Germany stood in 1933.

Recently Dr. Jerry Falwell, a leader in the "good government movement." said: "To stand against Israel (the Jews) is to stand against God . . . My life is committed to . . . priorities and one of them is to promote, protect . . . the Jewish people." The trouble with Brother Falwell is that he does not know who God's People are, and he has no desire to learn.

To be absolutely honest about it, the term, "anti-Semitic" is a misnomer (wrong name) for it, since the large percentage of the people we call Jews are not Semites at all, but are Turco-Finnish-Mongolian in background. (This according to the Jewish Encyclopedia and Jewish author Arthur Koestler, in his book THE THIRTEENTH TRIBE!)

But the Jewish Question is here in America and it has become a $64,000 question which must be answered. It must be faced honestly and fearlessly! We may be honestly blind about it. We may be dishonest in our denial of it (this is the path many Christians have taken)-we may be timidly silent for "fear of the Jews," and what our fellows may say. But the problem is still here and it hangs over the head of America like the sword of Damocoles. We will either face it squarely and bravely, or we will perish in our ignorance. There is no other alternative!

Mr. Ford put it very succinctly when he said: "To recognize this Question does not mean that we have gone to a national campaign of hatred and enmity against all Jews. (Some Identity people have
and they do not have my sympathy). It means that a stream of tendency which has been flowing through our civilization, has at last accumulated bulk and power enough to challenge attention, and call for some decision with regard to it.' (UNQ)

Since Mr. Ford died, the problem has increased to such an extent, that there must be a quick and decisive solution. It has become a choice between "us" and "them." Since this is a Christian nation; so designated by it's founders and built on the courage, resourcefulness of White Christians, I believe it should remain so, no matter how difficult the path we follow. If the Jews living in America do not want to live in this Christian atmosphere, I would suggest they move to Israel, where they can run things the way they want.

Personally, I am "fed up" with Jewish allegations that any discussion of the Jewish Question is Gentile unfairness, or Christian prejudice. They do not hesitate to criticize Christians any time they feel like it, which is quite frequent, but seem to feel they should be free from the same thing themselves. If more Christians were to read Jewish books, and see what has been written "for Jewish eyes only", they would understand a little more about Jewish prejudice. The only repercussions which would take place if this were to be done, is that many of their so-called friends, would then be the first to drive them from our midst. They know this and so instead of changing their way of doing things, they continue with their evil ways and attack us for exposing them.

What can compare with the arrogance of men such as the Jewish writer Maurice Samuels who in his book YOU GENTILES says on page 9: ". . . from the first dawning of Jewish consciousness, there has been an unbridgeable gulf between Gentiles and us Jews." On page 23: ". . . primal fundamental differences between Gentiles and Jews is not reconcilable."

On page 130: "From our point of view, you are guilty. On our side at least, the fighting has been clean. (Have you ever been unfortunate to be the recipient of Jewish bile?) On your side, the fighting has always been dirty. From the dawn of civilization you have lied about us . . . you accuse us today of fermenting wars. (Yet their own writers brag about this). You accuse us of fermenting world-wide conspiracies. (Their leaders brag about this also). You accuse us of conspiracies to seize the governments of the world." (UNQ)

Listen to the Jew, Goldwin Smith, Professor of Modern History at Oxford University, October 1881: We regard our race as superior to humanity and look forward not to its ultimate union with other races, but to its triumph over them." (UNQ) Page 155: "We Jews, we the destroyers, will remain the destroyers. Nothing that you will do will meet our demands and needs." (UNQ)

I am not being "anti-Semitic" when I tell you the truth about a Jewish conspiracy to control the world, any more than I was anti-German, when I fought against Hitler in World War 11. I am merely telling you the truth. The evidence of this conspiracy is so strong, that you must deliberately shut your eyes to the truth, not to see it. The only defense the Jews have, is to go into the dirty field of name calling and they are experts at this.

Today, in the Capitol cities of every civilized nation in the world, you will find extremely wealthy, influential men, who are active in the World Federalist Movement, the majority, whether you want to believe it or not, are Jews. Is it anti-Semitic to tell you this truth?

Their plan is to control the world not by force, not by economic control in the scientific sense, but by controlling the machinery of commerce and exchange. They are of the same "breed and lineage" as the super-man of Revelation 13. It says he will "deceive them that dwell on the earth," (Vs 14). In verse 16, it says: "he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their foreheads, or their right hand. And no man might buy or sell, save he that had the mark of the beast, or the number of his name." This is what the Jews are working towards.

In Revelation 18:6, we read where Christians are to attack this corrupt Banking System, represented by the beast: "Reward her even as she rewarded you and double unto her double according to her works: in the cup which she hath filled fill to her double."
There are a lot of Christians who are so "wishy-washy" they are afraid of their shadow. They don't believe Christians should be militant for their faith. They can't or won't understand the meaning of Hebrews 12:4, where it says: "Ye have not resisted unto death, striving against sin." (That word "sin" means unrighteousness.) They turn their backs on the fact that God has told His Israel people, not the Jews, "You are my battle axe!" (Jeremiah 51:20). It is the Christians duty to take a stand against evil, not to support and coddle it!

The Jewish Question has been in America for a long time. Our Founding Fathers recognized it and there was heavy debate about whether they would allow Jews to come to this country. Benjamin Franklin, speaking before the Continental Congress in Philadelphia, 1778 said: "There is a great menace in the United States today and that great menace, gentlemen, is the Jew. In whatever country Jews have settled in great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at the Christian religion upon which this nation was founded. They have built up a state within a State and have, when opposed, tried to strangle that country to death financially.

"If you do no exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in such numbers that they will dominate and devour the land and change our form of government.

"If you do not exclude them, in less than 200 years, our descendants will be working in the fields to furnish substance, while they will be in the counting houses, rubbing their hands. I warn you, gentlemen, if you do not exclude the Jew for all time, your children will curse you in your graves. Jews, gentlemen, are Asiatics; they will never be otherwise." (UNO)

He was mighty accurate in this prediction. In 1987, the 200 years will be up. They have already changed our government and are well on their way to controlling it.

For many years, the original of this statement was found in the Pinckney Papers at the Franklin Institute in Philadelphia. (Scores of affidavits attest to this.) But just as in any other document, which shows them as they really are, the Jews have cried: "Fake!" When the heat got too much, so great was Jewish power, that these papers were removed, just as Martin Luther's statement were taken out of the Lutheran Church. There is evidence that the Pinckney Papers were removed from the Franklin Institute under instructions from the Jewish Secretary of the Treasury, Henry Morgenthau, Jr., who served under both Franklin Delano Roosevelt and Harry Truman.

This Jewish problem must be discussed openly and frankly by both Christians and Jews, if there is to be an answer other than violence. Since it touches the lives of millions of people in this country, they have the right to know the truth.

Possibly some of you are thinking: "Why get involved with such a controversial subject?"

My answer to this must be to go back to history and say that the Jewish question has been raised in every country where Jews have settled in any number. All that is necessary to confirm this is to look at history. Jews have been persecuted, not because they are God's people and Satan hates them, as some fundamental preachers would have you believe, but because they are as the Apostle Paul said in I Thessalonians 2:15 - "... they please not God, and are CONTRARY TO ALL MEN." (Emphasis added.)

Mr. Ford said: "We meet the Jew everywhere in the upper circles, literally everywhere there is power. That is where the Jewish question begins - in very simple terms - how does the Jew so habitually and so resistlessly gravitate to the highest places? Who puts him there? Why is he put there? What does he do there? What does the fact of his being there mean to the world? That is the Jewish Question!

"The Jew has been too long accustomed to think of himself exclusively the claimant on the humanitarianism of society; society has a large claim against him... that he cease exploiting the world; that he cease making Jewish groups the end and all of his gains, and that he begins to fulfill..."
the ancient prophecies, he boasts of fulfilling; that in the Jews, all nations will be blessed."

Of course we must realize this prediction has been taken completely out of context by our Christian churches. This promise was made to Abraham, not the Jews. In fact, it says absolutely nothing about his seed (see for yourself in Gen. 12:3. The idea that the Jews were to be blessed through Abraham, has always been taken for granted, but it was never so stated.) Abraham quite obviously was not a Jew, since there were no people called Jews, in Bible record, until 2 Kings 16:6, about 1200 years after the time of Abraham. Yet preachers like Howard C. Estep of World Prophetic Ministry, Inc., Colton, California, insist that Abraham was a Jew. As you read his pamphlet THE DISPERSED PEOPLE, it becomes obvious that he does not understand the difference between Israel and Judah and uses the term "Israel" and "Jew" interchangeably. This is intellectual dishonesty of the worst sort, for it confuses people into believing that the Jews are God's Chosen people, when really it is the Israelites.

He says: "Look at the marvelous preservation of Israel out there among the nations (and I'm sure he is referring to "Jews", as you read his statement), with no king, no law, no country, no flag, no leaders; yet the countries in which they abide have not consumed them. Their identity remains just as true and sure as when they were first driven from the Promised Land in the year 70 AD - nearly 2,000 years ago." Now folks, this is just a lot of old fashioned "baloney." In fact, it is an out and out lie. For God promised His people they would always have a king, that they would go to an Appointed place, where they would be safe, and that His Law would abide with them forever. This never happened to the Jews, but it did to the Israelites.

He goes on to say: "They have not settled in any particular country or place, but rather, have wandered among the nations, keeping themselves separate and distinct until this day." (UNO) This again is a blatant lie. Israel went to their Appointed Place, as prophesied in 2 Samuel 7:10, and it could not have been Old Palestine, since King David and the prophet Nathan were there when this prophecy was made. If you will do a little study in history, you will find that the Israelites and a large number of people from Judah (in fact all of them with the exception of the population of Jerusalem) were taken captive into Assyria. There the Bible account ends. But historical records show that these people made their way north and west, passing through a gap in the Caucasian Mountains (here is where we get our name Caucasian), and west and north into Europe, the British Isles and finally on to America, Australia, South Africa, New Zealand and so on. These people have always had a king, just as God promised.

The Jews on the other hand, the people Pastor Estep is talking about, were intermingled so much with the inhabitants of the land, that when they came back from Babylon, about 50,000 out of a total of 2-million, they could not even speak their native tongue. (See Ezra and Nehemiah for the facts.) Now it's rather easy for an intelligent man to take a few random Bible verses and make them say exactly what he wants and a lot of pastors have done this with the Jews, without realizing that the Jews do not fill one single Scripture mark of identification, which is carried by the Israel of God. On the other hand, the Anglo-Saxon and related people do.

**PROTOCOL NUMBER X**

"... We must have everybody vote without distinction of classes and qualifications, in order to establish an absolute majority ... in this way, we will destroy the goyim." (UNQ)

**EXPLANATION:** This of course is the "one man, one vote" policy advocated by socialism, but not practiced by them. It is the thing which inundated this country with hordes of aliens, who were inoculated with policies completely contrary to the Constitutional ideas of Americans. These people were wooed by the liberal Democratic Party, usually joined the party and voted the straight Democratic ticket. In this way elections were won and the socialist ideas of world Jewry were foisted off on an unsuspecting American people. This is why the liberals in the Democratic Party will fight to the death to maintain high levels of welfare, since this policy swings millions of votes from the "drones of society," against the "producers." This is **PROTOCOL** strategy through and
PROTOCOL NUMBER XI

"The goyim are a pack of sheep, and we are their wolves. You know what happens when wolves get hold of the flock... There is another reason they will close their eyes: for we shall keep promising to give back their liberties we have taken away as soon as we have quelled the enemies of peace... God has granted to us, His Chosen People, the gift of dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world." (UNQ)

EXPLANATION: The Christian churches for the most part have acted like sheep; in fact like sheep who have lost their shepherds, since so many of their shepherds have become "wolves in sheep's clothing." When the vast majority of their leaders tell them that their worst enemies are the "blessed of the Lord," what can you expect but confusion? Jesus Himself rejected this thinking. In John 8:39, speaking to the Pharisees, (and the Jewish Encyclopedia says the Pharisees were in direct line with the modern Rabbinate,) Christ said: "If ye were Abraham's children, ye would do the work of Abraham." Then to make sure He was absolutely understood, He went on in verse 41 to say: "Ye do the deeds of your father..." Then to clarify who their father was, he said in verse 44: "Ye are of your father the devil..." Then in verse 47, He puts the finishing touches on His condemnation of the Jews by saying: "He that is of God heareth God's words: ye therefore hear them not, BECAUSE YE ARE NOT OF GOD." (Emphasis added.) I really don't see how He could have made this any clearer!

Again in John 10:26, speaking once more to the Jewish leaders, Christ said: "But ye believe not (notice carefully now), BECAUSE YE ARE NOT MY SHEEP!" (Emphasis added.) Then after He had arisen from the dead and had ascended into heaven, He appeared to the Apostle John and said, Rev. 2:9, to beware of "those who say they are Jews, and are not; but are of the SYNAGOGUE OF SATAN." (Emphasis added.) (Get your "Jew loving" pastor to try and explain this verse. He's apt to have apoplexy.)

This, my dear Christian friend, is where the Jewish Question "comes to a head." We are dealing with a Satanically inspired group of people who hate our God and who are determined at all costs to further their aims. They are operating under an assumed name, which they have falsely taken for themselves and they are fooling Christians Who are too lazy to see what the Word of God say about them. This is the primary purpose of the PROTOCOLS.

PROTOCOL NUMBER XII

"The word freedom is defined as follows: Freedom is the right to do that which the law allows. This interpretation of the word at the proper time will be of service to us, because all freedom will thus be in our hands, since the laws will abolish or create only that which is desirable for us, according to our program." (UNQ)

EXPLANATION: This principle has been in operation in this country for quite a few years. Today, we are being governed, not so much by law, as by government regulations. We find that our judges, instead of operating within the framework of the law, feel it is their task to interpret the meaning of the law; often to our detriment. As a result, every year, we see more and more of our freedoms "going down the drain." Our right to control our own property is about gone; the right to send our children to a neighborhood school, has been abdicated in favor of "busing for racial desegregation." The right of the farmer to grow what he wants on his own property is gone; the right to hire whom we will; the right to rent or sell to whom we wish. In many areas, the 2nd Amendment right to "keep and bear arms" is already gone, and there are constant efforts at the National level, to take away this most basic of all our rights.

PROTOCOL: "What is the part played Press today? It serves to excite and inflame those passions through.
which are needed for our purpose... It is often vapid (uninteresting); unjust; mendacious (given to falsehood); and the majority of the public have not the slightest idea what ends the Press really serves. We shall saddle and bridle it with a tight curb; we shall do the same with the productions of the printing press... I beg you to note that among those making attack upon us, will also be organs established by us, but they will attack exclusively points which we have pre-determined to alter. Not one single announcement will reach the public without our control." (UNQ)

EXPLANATION: Most readers simply cannot comprehend the extent of this Jewish control. It is not accidental or haphazard, or due to the natural growth of business. As indicated in the PROTOCOLS, it is calculated and designed as part of a much greater plan, for the control of the Free World and their ultimate attitudes towards Palestine and the Israeli.

This conspiracy, as has been shown, was in the planning stage at the turn of this century. It actually came to fruition during and immediately following World War II, when the Zionist headquarters was moved from Europe to New York City. The Zionist cabal (a secret group united to usurp power) realized that gland and France, which had supported Zionist plans in 1916-1947, had become "second class" powers. World influence and power had passed to the United States and where there is power and a chance to use it, there you will always find the Jews.

Although both David Ben-Gurion and Golda Meir wanted an alliance between Israel and the Soviet Union (Golda was a member of the Communist Party, U.S.A. for many years), American Zionists stopped the completion of this alliance, realizing that it would jeopardize American support and cut down on financial contributions from the States. They argued that in view of the democratic, open way of life in the U.S. the Zionists would be able to dominate political parties, as they could not do in the Soviet Union.

This first step was to gain control of the media and brainwash the bulk of the American people, control the politicians, the U.S. Congress, the Administrations and even State Governments. Their objective was to guarantee U.S. support for the Israeli, politically, militarily and financially. This of course, would greatly benefit their "long-range" plans for the Zionist controlled "One-World" government they envisioned.

If American Christians in particular, can be convinced over the bitter protests of their "brainwashed" leaders, that the Zionist control of the media is necessary for this one-world objective, it would serve to bring our so-called "free press" back to the place where they would be free indeed.

To give you some idea of the extent of Jewish control of the Media, I am going to take some time and show you a few facts, which most of you may not know. It is interesting to note that all of the major Hollywood film companies, with the exception of Republic studios, are under Jewish ownership and/or control. This explains the flood of pro-Jewish movies which continues to come out of Hollywood. All the TV networks are Jewish controlled. (All the names I give from here on are Jewish); ABC-American Broadcasting Companies, Inc., Chairman-Leonard H. Goldenson; CBS-Columbia Broadcasting System, Inc.,Chairman-William S. Paley; NBC-National Broadcasting Co., Inc. (Subsidiary of RCA Corp.)-Chairman-Robert W. Sarnoff; Metromedia Television-Metromedia, Inc.,-Vice President and Director, Herbert G. Klein.

In the magazine field, at least 47 major magazines, with a weekly distribution of over 78-Million are Jewish owned, and/or controlled. Such well-known periodicals as TV Guide; McCall's; Good Housekeeping; Time; Newsweek; Sports Illustrated; Cosmopolitan; U.S. News and World Report; Popular Mechanics; Esquire; Sports Afield; Vogue; Fortune; The New Yorker; Harper's; and National Review.

909 major daily newspapers with a daily distribution exceeding 60.5-million are Jewish owned and/or controlled, including the following: The Birmingham News; The Arkansas Democrat; The Los Angeles Times; The Oakland Tribune; The San Francisco Examiner; The Denver Rocky Mountain News; The Washington Post; The Washington Star; The Miami Herald; The Tampa Times; The Atlanta Constitution; The Atlanta Journal; The Chicago News; The Chicago Sun-Times;
The need for daily food forces the goyim to keep silent and be our humble servants." (UNQ)

EXPLANATION: You can bet your life on this one. It ties in with the prophetic predictions of the Bible as found in Revelation 13. When you control food, you control people.

We have come a long way towards a contrived food shortage and this could be one of the major weapons used to force us into a Zionist controlled One-World Government. I personally believe the contrived gasoline shortage a few years ago was a "test case" to see how far they could entice the American people towards rationing. In the face of all the dire predictions and the screams about a "gasoline shortage" we now find there is actually a glut on the market. (Can you imagine the billions of dollars which were made on this farce?)

PROTOCOL: "In order to distract people who may be too troublesome from discussions of questions of the political ... In order that the masses themselves may not guess what we are about. We will further distract them with past-times, passions, people's palaces ... Soon we will begin through the Press to propose competition in art, in sports of all kinds ... these interests will distract their minds from questions in which we would find ourselves compelled to oppose them." (UNO)

EXPLANATION: Think about this for a moment. Why has it been that in the years since World War II, America has become obsessed with sports. (Now they are talking about a summer football league, so the game can be played all year long.)

When we see Americans pay two men over $15-million to beat each other up in a boxing ring, don't you think we have gone too far in this direction? When 50,000 howling football fans will sit in a stadium in sub-zero weather to see their team play in a championship, haven't we gone far down the road towards "sports obsession?" (Most of these folks you couldn't get to church with a six-horse team.) When we reach the ridiculous point where we pay a young Black a million dollars to play basketball, when many of his people claim to be hungry, isn't there something wrong? When a city like New Orleans, which seems to be on the judge of bankruptcy can spend a $100-million dollars on some idiotic celebration such as Mardi Gras, something is wrong with our priorities.

While it is almost impossible to get a hundred people to attend a seminar designed to educate them to the dangers we face; you have no trouble getting 80,000 howling teenagers, to pay $10 each, to attend a Rock Concert which is not designed to make them better Americans or better people.

Something is wrong somewhere!

Who is behind this corruption? Henry Ford analyzed it like this back in 1922, and it is truer today than then: "To begin with, the Jews are not sportsmen. This is not set down as a complaint against
them, but merely an analysis . . . "And yet the bane of American sports is the presence of a certain
type of Jew, not as a participant, but as an exploiter and corrupter . . . The entire story of wrestling is
not only the demoralization of the sport, but the wholesale defrauding of the public. The same is
true of horse racing. The whole atmosphere of the sport is dishonest. The horses are the only well-
bred creatures connected with it.

"The Jews saw in sports, money, while the sports man saw fun and skill. The Jew set out to
capitalize rivalry and to commercialize contestant zeal. If the Jews of America are ashamed of this,
they should repudiate those Jews who have been instrumental in corrupting and almost destroying
our cleanest and most manly sports." (UNQ)

Why this emphasis on sports? First because they can make a great deal of money with very little
effort, and what Jew have you ever known who could pass this up? But the more important reason,
is the reason listed in the PROTOCOLS, to take the minds of Americans off the pressing problems
which have been brought about by Jewish control. Along with our perspectives, we have lost our
sense of priorities. As a result, trivialities have become more important than survival.

PROTOCOL NUMBER XIV

"When we come into our kingdom, it will be undesirable for us that there should exist any other
religion than ours of the one God, with whom our destiny is bound by our position as His Chosen
People, and through whom our same destiny is united with the destinies of the world. if this gives
birth to the atheists we see today (and the Jews admit that more than 75% of their people are
atheists or agnostics), it will not, being a transitional stage, interfere with our views . . ." (UNQ)

EXPLANATION: This is why Christianity must be destroyed in the Jewish world to come. The
two cannot exist side-by-side, any more than a nation can exist "half slave and half free." (UNO)

They cannot exist in the same world, no matter how strong the efforts of the Council on Christians
and Jews, because they are diametrically opposed to each other. The destruction of Christianity is
taught in the Jewish holy book, the Talmud and this teaching goes hand-in-hand with what is taught
in the PROTOCOLS, forgeries or not!

There is little reason to doubt that Jews hate Christians when you see the intense denunciation made
by our Lord against their leaders in John, Chapter 8. Then in Matthew 23:15, He tells the Talmudic
leaders: "Ye compass sea and land to make one proselyte and when ye have made him, ye make him
a two-fold more the child of hell than yourselves." (Does that sound like Christ they were Chosen
People?) Yet today, in public affairs, the "stooges" and "proselytes", the "pseudo-Jews": many of
whom stand behind the pulpits of our churches - those who "kow-tow" to the Zionists and the
International Pharisee Bankers -those who are willing to compromise the truth so they can stay on
national TV and fill football stadiums with their admirers, they are better "fronts" and often more
zealous for Zionism, than their Jewish masters. These are the ones we should look on with con-
tempt, for they are not only traitors to their Lord, but to their race and their country. They are
preparing the way for the one-world utopia, the Jews say they will control. Unfortunately, more and
more Christians are being conned into the brotherhood movements between Christians and Jews,
between the "crucifers", and the "Crucified."

Recently I received in the mail, some information from an organization on the West Coast. It is
called the TAV Ministries. (I haven't been able to find out what the TAV means.) They sent out this
notice in early 1982:

"TAV Ministries wishes to thank the Sacramento Evangelical Christian community for its support of
the November 27th Christian-Jewish worship service held at the B'naI Israel - a Jewish synagogue
in Sacramento. The event was a FIRST for the entire country - Bible believers, fundamental
Christians joining together with Jews to thank the God of Abraham, Isaac and Jacob. Over one
thousand Evangelical Christians attended, along with 200 Jews. The excitement was electric. The
worship was amazing.
"We here at TAV are convinced that the prophecies and promises of Romans Chapter 11 are being fulfilled now; that by extending mercy to the Jews and supporting Israel in its struggle, we are participating in a divine plan and are securing a blessing for ourselves and our churches." (UNQ)

It becomes quite apparent these Christians have never read 2 Chronicle 19:2, or if they have, they have paid no attention to it. It says: "... shouldst thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from before the Lord." Listen my friends, you are never going to procure God's blessings by helping His worst enemies. This is an irrefutable fact! It is frightening to me, to see Christians, who will not support an "anti-abortion" movement because they are afraid of contaminating themselves by association with Roman Catholics, yet they are willing to give their full support to those who hate their Lord and spit on His holy name. Evidently they do not understand or appreciate the true meaning of 2 John 10:11: "If there come unto you, and bring not this doctrine (explained in verse 7), receive him not into your house, neither bid him God speed: For he that biddeth him God speed is PARTAKER IN HIS EVIL DEEDS."

(Emphasis added.) (Usually in the Fundamentalist camp, this verse is reserved for Christian brethren who depart in some minor detail from the shibboleths of the church. Shibboleth - to use language regarded as distinctive of a particular group; such as "born again;" "rapture, "pre-trib," etc..) What a travesty of the Word of God!

The TAV message goes on: "ONE FINAL NOTE! TAV is seriously considering the possibility of forming a Christian Alarm Circuit - a network of Christians dedicated to protesting the growth in this country of anti-Semitism and anti-Zionism. The circuit would stand ready to react quickly and appropriately to (1) evidence of bigotry against the Jews, and (2) adverse changes in American Foreign Policy with respect to Israel. The exact nature of our response might assume several different forms: i.e., letters of protest to newspapers and Congressmen; full page newspaper ads; protest rallies, etc., The circuit would be activated by the TAV headquarters . . . we Christians need to positively, assertively, and blatantly let our society know that Christian love surrounds God's ancient people." (UNQ)

(It should be especially noted, that these "brainwashed" Christians are willing to show the "love of God" towards their own worst enemies, while doing everything possible to vent their hatred on those of us who not only love God, but also love our country and want to protect it against those which TAV supports. What utter hypocrisy! However, it is an excellent example of how Jewish propaganda has permeated the Christian world, making them forget what God says about His enemies. (See Luke 19:27).

PROTOCOL NUMBER XV

"When we have definitely come into our kingdom by the aid of coups d'etat (a violent overthrow of existing government) prepared for one and the same day . . . we shall make it our ask to see that against us, such things as plots shall no longer exist. With this purpose we shall slay without mercy all those who take arms in hand to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society (Masonic perhaps?), will also be punished with death: those of them which are now in existence are known to us and have served us shall disband and send into exile to continents far removed from Europe . . . In this way we shall proceed with the goy merchants who know too much . . ."

"Under our influence, the executions of the laws of the goyim has been reduced to the minimum. The prestige of the Law has been exploded by liberal interpretations." (UNQ)

EXPLANATION: Those preachers, bankers, politicians and others, who have cooperated with the Talmudists, are in for a severe shock, for they will be the first to be eliminated if the Jewish Conspiracy is successful. Regardless of how friendly or helpful they may have been to our enemies, they will be the first to be destroyed. This has been the pattern followed in every country where the
Jewish-Communist plot has been successful.

I have been asked quite often: "Aren't you afraid to print these startling facts? Won't the Jewish community retaliate?"

Well the danger is there all right and the Jews are a mighty vindictive, unforgiving people. But my answer would have to be a resounding "NO!" for two reasons. First and most important, my God still sits on the throne of the universe. He is still in control of things. I have the assurance that as long as I am doing His will and am in His purpose, nothing can touch me unless He in His infallibility allows it. It this were to happen, then I have the assurance of Romans 8:28 to comfort me: "For we (His elect) know that ALL things work together for good to them that love the Lord; to them that are called according to His purpose."

If it ever becomes my lot to suffer physically for my Lord, I will be able to lean on Romans 8:16,17- "The Spirit itself beareth witness with our spirit, that we are the children of God. And if children, then heirs with Christ: (NOTICE VERY CAREFULLY NOW) if so be that we SUFFER with Him, that we may also be GLORIFIED together." 2 Timothy 2:12 - "If we suffer, we shall also reign with Him . . ." Revelation 3:21- "To him that OVERCOMETH will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in His throne."

We used to sing a song in our churches which said:

"Must I be carried to the skies,
On flowry beds of ease;
While others fought to win the prize,
And sailed through bloody seas?

"No I must FIGHT,
If I would reign.
Increase my courage, Lord.
To bear the toil, endure the pain,
Supported by Thy Word."

So the threat of Jewish reprisals doesn't bother me for this So the reason.

The second reason is common sense. If the Jewish Defense League were to kill me, or beat up on me, a lot of people would immediately wake up. They would think: "Hey, Jack Mohr must have been right. Look what those Jews did to him!" So it would not be to their advantage to alert a lot of Christians and wake them out of their apathy. But when they take over, and kill the people who helped them get into power, that literally "scares the devil" out of people and makes them that much easier to control.

Now don't get me wrong. I'm not trying to minimize the danger. I know it exists and that it is real. Our enemies have an unreasoning hatred against all who take a stand against their nefarious plans. But listen to me, my skeptical Christian friend, they hate you too, even while you are helping them in their plans to destroy Christianity. Why? Because you are a Christian and this automatically puts you on the execution list, even if you are a member of TAV.

Recently, Rabbi Meir Kahane, founder of the violence-prone Jewish Defense League, announced the launching of a nation-wide terrorist campaign against "Klansmen," and "Nazis." (This is because these folks are outspoken in their stand against the Jewish evil.)

Kahane's call to Zionist "armed action" was endorsed by Erving Rubin, national chairman of the JDL, who Jews to arm themselves against the "millions of Archie Bunkers out there" and launch pre-emptive strikes to neutralize those, who would make "scapegoats of Jews" and the forces of "anti-Semitism." His targets include any American who represents a threat to the government of Israel. (I guess this puts me on their "hit list." But I've been on hit lists before. In Korea, the Communists had a $250,000 reward in gold on my head, dead or alive-and they didn't collect!)
While today it is against the law to own and fire automatic weapons, the Jewish Defense League regularly practices with these weapons at several locations, with no interference from the U.S. government. But if an organization such as the Christian Patriot's/Defense League, hold an annual meeting, immediately a flock of Federal agents descend on them, looking for any incident which might cause them trouble.

In the attempt of the JDL to intimidate their opponents, the victims cease to be important. They have been increasing their violent political protests and have claimed credit for a growing number of bombings. Still the government does nothing about it. You can imagine Government reaction if the same thing was done by the Klan. They not only claim credit for their violence, they loudly gloat over it. While the Jew controlled Press would have us believe that JDL influence is on the wane, it is expanding its lethal and political influence.

Following the bombing of a Paris synagogue in Paris, when "right-wing" groups were framed as the culprits, the JDL in this country enjoyed a marked increase in membership. (The bombing however, was perpetuated by the MOSSAD, Israel's dreaded secret terrorist organization, as a ploy to win Jewish sympathy to dupe guilt-ridden Americans to support Israel, and to recruit members for the JDL).

Irv Rubin explains the bombings by saying: "We want to psych the Jews a little." He says the JDL is working against a Holocaust in the United States. "We are going to eliminate white Supremest activities in the United States," he says. This was the same man that one time offered $500 to anyone who would "maim or kill a Nazi, and if they bring us his ears, we will make it $1,000.' A Los Angeles judge, Jewish of course, ruled that this murder offer was protected by the First Amendment guarantee of free speech. The District Attorney who prosecuted the case, in which Rubin was turned loose said: "The framers of the constitution would turn over in their graves to hear the First Amendment being used to protect people offering blood money for the killing of human beings." But such is Jewish power in America, they can get by with crimes which would put you and I in jail.

The national director of the JDL has issued a call for those Jews who are willing to "quietly and professionally eliminate those Jew-haters that are both a threat and danger to our existence-to do what must be done, yet say nothing." Yet our government refuses to do anything about this danger to decent, patriotic Americans.

You may not know it, or possibly you don't want to admit it, but we are already at war. We are fighting against the forces of hell itself. The Apostle Paul said: "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places," (Ephesians 6:12). (The Greek word for "principalities" as used here is "arche" which refers to "a magistrate or ruler." The word "power" comes from the word "exousia," which means "mastery or influence." ) What Paul is saying in essence is: "Our fight is not against human beings as such, but is against the rulers who exercise mastery and influence in this world." Our battle is against the very essence of Satanism as practiced in Judaism through their occult book the Talmud.

The Jewish historian Josephus, writing in his book THE ANTIQUITIES OF THE JEWS, reveals a great deal concerning the wickedness found in Judaism at the time of Christ. It was a complete repudiation of the Laws of Moses. Do you remember the time in Matthew 23:2, where Jesus said: "The scribes and Pharisees sit in Moses' seat: All therefore whatsoever they bid you observe, that observe and do; BUT DO NOT YE AFTER THEIR WORKS: FOR THEY SAY AND DO NOT." (Emphasis added.)

The Talmud is a complete repudiation of the Law and the Prophets. At the time of Christ, the Pharisees wielded a Satanic influence over the Jewish people: today they do the same thing through the Rabbinate. According to official Jewish sources, the modern Rabbinate is in direct descendency from the Pharisees of Christ's time. They represent a system of occultism, mixed with Jewish
doctrines and beliefs, which has poured such a constant stream of poison into Jewish life and culture for 2500 years that it has perverted the thinking of the rank and file of Jews. There is no way that the demoralization of the Jewish people can be calculated and laid to the account of these Pharisaic imposters.

During the Babylonian Captivity, the acquired Chaldean science and this gave birth to the sect of the Pharisees, who were unknown before this time. In the writings of Jewish historians, they do not appear until after 606 B.C. Beginning with that time, the Cabala (traditions of the Elders) began and these were combined with Babylonian practices, and a perverted form of the Mosaic Law, to form the 63 volumes of the Talmud. This was completed finally in the 4th Century AD. There final form was in a book called **SEPHER HAZOHAR**.

During the Babylonian Captivity, the Jewish leaders accepted the occultism of the Chaldeans, which brought a Satanic element into their worship. At the same time they were introduced to the Babylonian Money System of "usury which is mentioned in Revelation as the "Great Harlot." This is the money system which controls the world's economics through International Jewish bankers. It was these false traditions which caused some of Christ's harshest criticism. In Matthew 15:6, He says: "Ye (Pharisees) have made the commandment of God of non-effect by your traditions." In verse 9, He further clarifies this by saying: "But in vain do they (Pharisees) worship me (God), teaching for doctrines the commandments of men."

It is interesting to note that Josephus admits that these Pharisees were able to exert control over the Gentile rulers, to the point of gaining control of entire nations. So what we see happening in Christendom today is nothing new. Working behind the scenes, they pull the strings which cause strife in the white Christian nations. Remember, this is natural for a Jew, since he is taught hatred of Christ and Christianity from childhood. When they gain control of a Christian country, such as they did in Russia in 1918, they vent their hatred in terrible ways.

Here are some of their teachings regarding the Talmud:

"It is more wicked to protest the word of the Rabbis than of the Torah." (Laws of Moses:)

"The decisions of the Talmud are the words of the living God. Jehovah Himself asks the opinions of earthly rabbis when there are difficult affairs in heaven."

"The Talmud teaches that only the Jewish nation has been accepted by God, while the remaining ones are contemptible and hateful. That all property of the non-Jew (goyim) belongs to the Jews and that a Jew is not bound by any law in his dealings the goyim; he can lie, cheat, steal and kill with impunity."

"It is permitted for a Jew to kill a Jewish denunciator anywhere," the Talmud teaches . . . 
"It is permitted to kill him before he is denounced...though it is necessary to warn him and say, 'Do not denounce!' But should he say: 'I will denounce!' then he must be killed, and he who accomplishes this will have greater merit." (UNQ)

Is it any wonder, with this as a religious teaching, that the Jewish Defense League acts as it does? The Jews have had this Satanic teaching drummed into their heads from childhood.

While the Christian is taught: "Love your enemies," the Jew is taught: "Do them in!" No wonder they are winning! Walter White, Jr., the outspoken head of **WESTERN FRONT** in Hollywood, has been the recipient of this type of Jewish justice. When he produced a startling document, based on a taped interview with Harold Rosenthal, Administrative Assistant of Jewish Senator Jacob Javits, New York State, he was warned by the JDL to "lay off." When he refused to be silenced, he was kidnapped, taken into the desert and beaten to the point of death. He goes in fear of the Jewish goons, with very little protection from the law enforcement people.
After the Civil War, the Jews invaded the Southern States in the form of the hated "carpetbaggers." They looted the South and encouraged the Blacks in all sorts of excesses against the defeated people. Many a Jewish fortune was made on what they stole from the South. Is it any wonder that the Ku Klux Klan hates the Jews? It was founded to safeguard the women and children of the South from the terror brought on by Jewish excesses. While I have never been a great admirer of the Klan, because I believe in doing things in the open and not behind face masks, I can understand why they did what they did, and what they are trying to do today. For a better understanding of what the Jews did to the South, I would suggest every Christian read Tom as Dixon's great masterpiece, THE KLANSMEN. The Jews made every effort possible to drive this book off the bookshelves of America. It can be obtained from the SONS OF LIBERTY, Box 214, Metarie, LA 70004

Large sums of Jewish money were used to pass legislation prohibiting Confederate veterans and their families from voting and taking away their citizenship rights. The Blacks and their Jewish mentors grew to tremendous power and literally "bled the South dry." Southern patriots, who loved America, were treated as dirt, while their women folks were defiled and their families murdered in the name of justice, with the Jewish carpetbaggers backed by the might of the Union Army. Regardless of how you feel about the KKK, they were patriots who saved the white South, and don't you ever forget it. (I suppose that now I will be accused of being a Klansman. This is the way the Jewish mind works.) If the present racial situation continues to deteriorate—and it is being pushed in this direction by Jewish agitation—it may be necessary to go back to an organization such as the Ku Klux Klan to protect White rights in America. As long as the Jews control our government, White Christians can expect very little in the way of justice.

You may not like to think along these lines and your pastor may condemn it, but the time is far too late for us to continue to walk around in circles", as far as truth is concerned. The time has come, when concerned Americans of all faiths and colors—not just whites, but of all colors—need to realize that we are being taken over by a Satanic power, which has already destroyed many nations and which today controls almost half the people on this earth; they have slaughtered millions and now wallow in the wealth of their victims!

These enemies of God and America, aided and abetted by the traitors who stand in our pulpits, have perverted and reversed the meanings of countless words in the Scriptures, to fit their own purpose. It would take a large volume to name them. They have taken the word "Gentile" and applied it to all "non-Jews" when it is not found in any original manuscript of Scripture. It was substituted for the original word "nations," which refers to "non-Jew" nations, but not to "non-Israel." Later, it was used as a term of contempt, meaning "heathen."

Used in its proper meaning, the nation of Israeli in Palestine is "Gentile." Since it has been in existence since 1948, Jerusalem has really been "trodden down by the Gentiles." (see Luke 21:24). . The Gentile United Nations was born in 1945, under Jewish supervision and it has been carrying out the plan of God's enemies ever since. If the plans of this one-world government group is carried out, the world could become a one-world Zionist state by 1984. Don't ever let the present seeming animosity of the U.N. towards the Jews, "pull the wool over your eyes."

If this happens, everyone in the world will be required to plead allegiance to the Jew dictator-call it the mark of the beast if you want—or suffer the consequences. Ah yes, my skeptical Christian friend, if you are still alive, you will be there. Don't ever let your pastor "con" you into believing that you are going to be "raptured out of the mess before it gets too bad!" I preached that false doctrine for eighteen years, before I had sense enough to study what the Bible taught, instead of believing everything my pastor said. I discovered to my surprise and consternation, that there was not one Scripture, in either the Old or New Testament, which teaches a "Rapture." The doctrine is less than 200 years old and was not taught in Baptist churches in the 1700's. (Read my booklet THE RAPTURE-SCRIPTURAL FACT OR MANMADE FICTION.)

The Rapture Theory is a nice, sweet message. I'd like to believe it. It makes one feel good to believe they won't be here when the going gets tough. But that's not what the Word teaches and you better
believe it!

Walter White, Jr., writing in the FACT SHEET-PRODUCED COMMUNISM! says: "The second-largest celebration by the Communists on May Day 1980, was in Tel Aviv. You didn't read about it in any established American newspapers, but a quarter-million Jews turned out in Tel Aviv on May Day to glorify Marxism and International Communism. These communists are part of the thousands of so-called Jews who emigrate from the Soviet Union every year...some go to Israel, more to the United States. Is it any wonder that the USSR allows these Jews to leave? (They won't let any Christians out.) Far from being the 'only bastion of democracy in the Middle East,' (that's what Sen. Hart of Colorado called them in answer to my letter) Israel has become a base for the USSR. The United States has accepted more than 300,000 Communist Jews from Israel, most of them formerly from the USSR. The Soviet Union, with the help of Israel and the United States is creating a sphere of influence in the Middle East which will result in Communist domination of the Western World's major suppliers of oil...all without a war or the death of a single Soviet soldier." (UNQ)

We know that countless thousands of trained Communist agents are in the United States at this time. A few years ago, when Nelson Rockefeller was Vice President, he headed an investigating committee, checking into Communist influence in Congress. He came up with a list of over 800 known Communists, who were working in Congressional offices, drawing large salaries, paid for by the American taxpayer. When Senator Barry Goldwater, of Arizona asked him to release their names, "Rocky" was reported to have said: "I can't do that; it would ruin detente."

It is a fact known by our intelligence personnel, that large numbers of Cuban refugees, refugees from Southeast Asia, and illegal immigrants from Mexico, are trained Soviet agents, yet very little has been done by our government to counteract this. We also know that large caches of Soviet weapons have been found in the mountain areas of Mexico, within easy striking distance of the Mexican-U.S. Border. Why do you suppose they are there? Could it tie in with the boasts made by radical Chicano leaders who say they are going to take over the Southwest and set up a Spanish speaking nation there? If an invasion was to take place, would there be any reaction other than words from our government, or would they be tied up in constant arguments, like they are now on El Salvador? It seems like the liberals in Congress will do anything to keep us from taking a strong anti-Communist stance.

Will Americans wake up some day when the enemy mounts an armored drive across the Border, or will we have become so weakened by Jewish propaganda, that we will give up without a fight? This is the plan of the PROTOCOL.

We can see the results of this Jewish propaganda in our large cities, where throngs of unemployed, caused by the Jewish manipulation of our money supplies, congregate to carry banners and repeat slogans which have been put into their mouths by the Jewish troublemakers. Very few of them realize that behind their misery, nine times out of ten, are the Jewish capitalists who have deliberately planned these economic conditions and produced this suffering, so that they can herd the goyim Christian cattle into the slaughter pen where they have been led by the "Judas goats" in our churches.

While the PROTOCOLS may be a fake, they nevertheless tell the truth about what the World Jewry is doing today, through their Communist conspiracy to take over the world. If this is ever allowed to happen in America, Christians will suffer far worse than they did in Russia.

You may say: "How can you make such a positive statement? Maybe it won't happen like that here!" Listen to what they say in PSYCHOPOLITICS: "Remember, we have not yet influenced the Christian world to our ends. When we have done that, we WILL HAVE AN END TO THEM EVERYWHERE!" (UNQ)

Today, Communism has mellowed to the extent that it is sometimes affected by world opinion. But when America goes, the last bastion of freedom, then Christians will learn what is meant by the GREAT TRIBULATION, and you my Christian friend, will be right in the middle of it. Don't
count on a RAPTURE to rescue you.

Have you ever seen the Jewish-Communist devils in operation? I did in pre-war Korea. Americans don't know the meaning of savageness and brutality. I doubt if any of you have ever seen a baby tossed into the air to be caught on the point of a bayonet, and when the mother begins to scream, have the same soldier hit her in the mouth with his rifle butt and then beat her to death as she lies screaming on the ground. I doubt if any of you knows what it is like for a man to be impaled alive on a sharpened bamboo pole, while his pregnant wife is stripped, raped repeatedly and then hacked into pieces. I doubt that any of you have seen a young girl, stripped and fastened to a tree, with spikes driven through her breasts, while a bundle of oil soaked rice straw is bound between her bare thighs and set on fire. But when I saw these things and many more happen, over 34 years ago, I said: "My God, if you get me out of this mess alive, and get me back to the people I love and the country I love, I'll do everything within my power to see it doesn't happen here." You can bet your last dollar, that I get angry when I see us being led down the same Zionist road to destruction and brutality. It's on the way, and when it comes, it's going to be Jewish led.

Most of you who read this book and the controlled news, know what the Judaizers have done to our laws. You don't have to be very intelligent, or look very far to see the tragic results. When a Christian couple in Nebraska, can be jailed for taking their children out of a public school and teaching them at home; and when they are brought to trial, have the Jewish judge, lean down from his bench, shake his finger in the Defense Attorney's face and scream: "If you ever mention the Constitution in my court room again, I'll hold you in contempt of court," then you know we have gone a long ways towards losing our freedom. You also should be able to realize, that fake or not, the PROTOCOLS are in operation.

When a liberal judge turns a rapist-murderer loose on a technicality, knowing that the odds are he will go out and rape and murder again, then you know the PROTOCOLS are well and healthy!

When a law-abiding man uses a firearm to defend his family against an armed intruder and goes to jail, with a stiffer sentence than the criminal receives, then you know the PROTOCOLS are in operation!

For God's sake, open your eyes to what is happening all around you. Do you honestly believe all these evil things happen by accident? You know they don't! Stop being a "patsy" for the Jewish Press! Stop believing the lies you are told by that "Jewish stooge" who stands behind your pulpit. Wake up and be intelligent, concerned Christians, instead of "driven sheep."

The Reagan Administration recently gave approval to the United Nations Global Operation 2000. This calls for reducing the world population by two billion people, by the year 2000. It doesn't take a lot of intelligence to realize what this means. Are you going to be among the 2-billion which will have to be eliminated? Will you go, because you are a Christian and disagree with the Jewish "bossman?" Think about it! Pray about it! Then do something about it! Your survival as a White Christian, hangs precariously in the balance!

**PROTOCOL NUMBER XVI**

"In order to effect the destruction of all collective forces except our own, we will emasculate the first stage of collectivism-the universities . . . We will introduce into their education all those principles which have so brilliantly broken up their order. But when we are in power, we shall remove every kind of disturbing subject from the course of education and we shall make of the youth obedient children of authority, who loves him who rules, as the support and hope of peace and quiet.

"We shall erase from the memory of men, all facts of previous centuries which are undesirable to us and leave only those which depict all the errors of the governments of the goyim.

"We will abolish every kind of freedom of instruction . . ." (UNQ)
EXPLANATION: This phase of the PROTOCOLS went into effect in America, when John Dewey, the father of the modern education movement, began to inculcate American education with the Jewish-led, Secular Humanist Movement.

This Satanic teaching abandons 2,000 years of Western Christian civilization and launches a vicious attack against everything have been taught that was dear and sacred. If you want to understand Secular Humanism read the Jewish Talmud then think of every evil which is opposed to Christianity and you will come close to the correct answer.

The philosophy of Secular Humanism is relatively simple. There are no absolutes. Everything you do depends on the situation. (This has come to be known as "Situation Ethics.") and your environment. In the end, you are not responsible to any "higher power," such as God, for you are not to blame for your evil actions, they are caused by blind forces over which you have no control.

Well over a century ago, Thomas Lord McCauley, a well-known English philosopher predicted concerning America, when he said: "Your civilization will be destroyed in the 20th Century as Rome's was in the 5th. But the Huns and Vandals which destroy you will come from within; rising out of your own institutions." How very right he was!

Recently an article appeared in the U.S. News and World Report, which told about the huge inroads that have been made in-to American college level education by Marxist professors. There were few cries of outrage for this invasion of our thinking, most of those who bothered to write, seemed to think it was a good idea for our young people to have these free exchange of ideas, even if they are destroying us. This will give you some idea of how far the PROTOCOLS have been successful.

But in reality, the Jewish led Secular Humanists in our schools, combat the free exchange of ideas. They believe it is all right to teach your child that he came into being "through a fortuitous concurrence of atoms," as the evolutionist Huxley taught. But God help the teacher who tries to teach: "In the beginning, God!" The recruiters for revolution-the Talmudic-Protocaulists are recruiting your boys and girls for revolution, on the basis of self-indulgence. They are promising them heaven and freedom by turning loose their carnal desires. They tell them they are free to do as they wish, but never tell them that a man or woman, who refuse to control their desires, is more of a slave than he who is locked up behind concrete and steel bars.

A few years ago, while lecturing at the University of Wisconsin on Sex Education, a stunning coed asked: "If we can't have prophylactics and birth control pills, how will we be able to keep the world from becoming overpopulated?" Her question was received with enthusiastic applause. But when I answered with a question: "Have you ever heard of something called self-control?" from the audience reaction, you would have thought I had slapped her face.

You see civilization cannot exist without rules of conduct. That is why God gave the Ten Commandments to mankind. The people who wrote the PROTOCOLS and who want to control you, know this, so they say: "First we must destroy the rules!" When they have you under their control, then the undesirables are eliminated.

This is Jewish Humanist thinking, pure and simple. It has its roots in according to this Jewish Bible the Jewish God is not the ideal of love justice and mercy like the God we and is to His Chosen People, who quite naturally, A prayer in the Talmud, which is said on Passover Eve, runs:

"We beseech Thee O Lord, inflict Thy wrath on the nations not believing in Thee, and not calling on Thy name! Let down Thy wrath upon them, and inflict Thy wrath on them. Drive them away in Thy wrath and crush them in pieces. Take away, O Lord, all hope from them. In a moment overwhelm all disbelievers. Destroy in a moment all foes of Thy nation." (From the SYNAGOGUE JUDAICA, p.212, MINHAGEN.)

Compare this Jewish vindictiveness with the teachings of Christianity as found in 2 Peter 3:9-"The Lord...is long-suffering to us-ward, not willing that ANY should perish, but that ALL should come to repentance." (Emphasis added.)
Or Isaiah 1:18-"Come now and let us reason together, saith the Lord . . ." or Deuteronomy 10:19 -"Love ye therefore the stranger; for ye were strangers in the land of Egypt."

Where the Talmud says: "The Jewish nation is the only nation selected by God: all others are contemptible and hateful." The New Testament says: "There is neither Jew (Judean) nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus."

Where the Jewish Talmud says: "Hate your enemy" Christianity says: "Love your enemy." (Not "Support him and make him strong," but "Love him!") When you study the Talmud you be in to realize that Jews and Christians worship a different God. My God is not Jewish!

Today, while conservatism seems to be growing across America, a fervent group of radical, "left-wing", mostly Jewish professors, are enlarging their foothold on America's University curricula. Their courses are on Marxist radical history, labor unions, and radical methods of subversion. What do these men stand for? What do they seek to accomplish? Read the PROTOCOLS and you will have your answer.

The vast majority share the ideas of the Jew Karl Marx, who turned Europe upside-down with his radical philosophy. It was Marx who tilled the ground and prepared the way for Jewish-Communism in Russia. These professors, openly declare their intention of destroying our Constitutional Government and our Free Enterprise system. Most of them are dedicated Humanists and atheists.

Even the symbols of their new order are Jewish and Communist ordered. When the Jews celebrate the terrible day of "Purim," so-named for the murder of 70,000 Persians In the book of Esther, they make the salute of the clenched fist. This has become the salute of communist radicals. It is ritual as well as racial and is a counterpart of the Christian "sign of the Cross," and the salute of friendship of the old Latin and Saxon tradition. The right hand raised, with an open hand, meaning: "I salute you in loyal friendship, with no weapon hidden in my hand."

To the Jews and Communists alike, the clenched fist Is the salute of vengeance and the enemy is White Christian civilization. Among our youth are many simpletons, who go by the name of Christian, they play with this salute and with its counterpart, the "broken cross," which during the Vietnamese War, was sometimes referred to as "the footprint of the American chicken." They are helping in the "de-Christianizing" of America.

Spend a few minutes with me, as we look at a younger generation where respect for parents, authority, and decency has been deliberately destroyed-where love for race and country have become a sign of mockery. Do you think all these things happened by accident?

Our Public Schools will continue to churn our human robots, until enough concerned White Christian parents will say to their Talmudic enemy: "No more! You have done enough damage already!" When this day comes, and I assure you it will, blood will flow in America's streets. The parasites will not give up their stranglehold on America without a fight. They have too much Invested in us.

While our colleges have been churning out graduates like "Carter's Little Liver Pills;" many who cannot read; many whom are unprepared to meet life "head on," and very few who have been taught the moral and spiritual values, necessary to keep them free; the radicals in our system have taken mentally healthy, Christian boys and girls, and turned them into guilt ridden, psychopathic, neurotic adults, they can now control

Progressive Education-PROTOCOL style, appeals to man's animal nature: "You are nothing but an animal, so think and act like one. Man is basically good, so if you put him in the proper environment, he will turn out all right. The child can decide for himself what is right and wrong, he does not need the influence of church or home to decide for him." (UNQ)

If you can't see the problems this kind of thinking has produced, then I feel sorry for your mental capacity.
Most of today's textbooks are written by Talmudic Humanists. They have turned loose on American children, an animal philosophy of evolution, which is rammed down their throats by every conceivable means. They are told that since they are animals, they will naturally act as animals. God and morality has no place in such teachings; in fact they **MUST** be left out. Not only is the philosophy "force-fed" to children, it is also crammed into their parents by all the means available through the Jewish controlled media. It all ties in with what the **PROTOCOLS** taught eighty years ago: "We must introduce into their education, those principles which will break down their order."

When they stated: "We will erase all memory of past centuries as undesirable," they meant exactly that. Every effort has been made in recent years in our education system to inculcate in White Christian youth, a guilt complex. While it has become "the in thing," **TO PRONOUNCE THAT "Black is beautiful,"** it is considered "racist" to be proud of your white heritage.

Now be completely honest for a moment as you look at history. From what race has come world progress? It did not come from Africa and Black races! They never had anything resembling "black civilization," in spite of all efforts to prove otherwise. It did not come from the yellow race of Asia, although the Chinese have a civilization thousands of years old.

It did not come from the brown races in India.

A careful perusal of history will show you that the vast majority of what we call progress, came through the Anglo-Saxon and related races. This is not boasting, it is a mere statement of irrefutable facts. Who was it that set the slaves free around the world? First White England, then White America...Who has printed more Bibles and sent more missionaries into the world than any other people? Certainly not the Jews or the Blacks! It has been the White people of Christendom who have fed the world's hungry and who have based their governments on the Ten Commandments. It is because of this, that our hereditary enemies, the Canaanite Jews...who by their own admission intend to control the world...would use their **PROTOCOLS** as a means of destruction.

In the Talmud, **KETH. 111a**, "goyim" non-Jews, and especially Christians are listed as "the people who are like an ass-slaves who are considered the property of their master." These "docile asses," willing to be saddled, it seems, will be used as burden bearers for the Talmudists.

But for the recalcitrant (obstinate; defiant) asses, Christians like you and me, who are loathed because we teach the tenets of hated Christianity-these must be destroyed. The Jews exhaust their language, looking for filthy foul names to call Christ and His followers. Yet these are the people your pastor wants you to believe are God's Chosen People. What a travesty of intelligence!

Elizabeth Dilling, in her book **THE PLOT TO DESTROY CHRISTIANITY**, page 53, says: "Isn't it amazing that the people who really believe the Book of Books, the Bible, and who accept the Holy One of Israel, Christ and the Israel prophets who foretold Him, meekly accept the designation of 'gentiles,' which in the Bible refers to pagan sex-worshippers, demon-invokers (1 Thessalonians 4:5; 1 Corinthians 10:20), and let the baby-raping, demon-evoking Talmudists who revile every teaching, every respected character in the Old Testament: yet we give these Jews the name of Israel..." (UNQ)

No, my White Christian friend, you are playing right into the hands of the enemy...the one's who wrote the **PROTOCOLS**, when you allow them to destroy our Christina heritage.

**PROTOCOL NUMBER XVII**

"We have long past taken care to discredit the priesthood of the goyim, and thereby ruin their mission on earth which in these days might be a great hindrance to us." (UNQ)

**EXPLANATION:** There is little need to comment in detail on this **PROTOCOL**, since we have seen it in operation for sixty years. Many years ago, Jewish-Communist leaders told their young followers: "If you really want to do something worthwhile for the cause, become ministers and priests and infiltrated the Church; get Into the pulpits." They did this. There was probably no area In
which they were more successful, than in the National Council of Churches. This organization fell "hook, line and sinker," for Jewish-Higher Criticism. To them the Bible became a Great Book, but not The Book. They lost their belief in its inspiration and in many of its basic tenets, such as the Virgin Birth of our Lord.

There was no man who did more to wreck Protestantism, than Dr. Harry F. Ward, a distinguished member of the old Federal Council of Churches, before it was forced to change its name to the National Council. He was a man with membership in many Communist "front" organizations. As President of the prestigious Union Theological Seminary of New York City, he probably sent more young Communists into Protestant pulpits than any other man. Today the NCC is riddled with these "fellow travelers;" they preach the Social Gospel, to the exclusion of the Gospel of Salvation and of the Kingdom. As a result many of these churches have lost their spiritual power and have turned into "glorified religious country clubs" where men and women belong, because it helps their prestige in the community. You can see these dead mausoleums in every town and city in the United States.

The effect on the Catholic church was slower in coming, but it was devastating when it hit. In order to be a priest, the young Communist had to dedicate himself to at least seven years of rigorous training, plus taking the vow of celibacy. So only the most dedicated young Communists went this route. But when the degeneration hit, it was fast and deadly. It was as destructive as the PROTOCOLS predicted, when it said of the Christian Church: "Day by day its influence on the people of the world is falling lower and lower." If you Catholics don't want to believe this, look at the number of radical priests and nuns in some of the orders.

Recently I received a copy of the Catholic traditionalist newsnote SANGRE DE CRISTO, December 1981. In an article written by Fr. Oswald Baker, he said: "It is plain from its record and its aftermath that Vatican II was a Satanic maneuver to destroy Catholicism and the same is true of the policies of Paul VI...The aim of Vatican II and Paul VI, was the subversion of the Catholic faith. The majority of Catholics failed to realize or refuse to believe this, that Paul VI attempted to do away with the Mass, by prohibiting it...Some Catholics, otherwise of traditionalist mind, still think the new Mass is morally lawful, and imagine that it can be allowed together with the true Mass. This of course is absurd. The New Mass is an integral part of a new false religion." (UNQ) Here we see an attempt by the highest church authorities to undermine the "backbone" of Catholicism. It is another means of destroying Christianity.

In answer to a Letter to the Editor, Fr. Daniel Jones said: "As I understand it, all practicing Jews adhere to the Talmud which is a sort of Satanic Bible. I'm still searching and learning here. I'm convinced the Jews are not Israelites. I wouldn't be surprised to learn that a fair portion of the White Race are. I think Vatican II and the new Conciliar Church are Antichrist..." (UNQ)

Henry Ford, Sr., hit the nail squarely on its head when he stated in THE INTERNATIONAL JEW: "The fact that while there is no religious persecution of the Jew in the United States, there is very much real religious persecution by the Jews.

That is one of the outstanding characteristics of organized Jewish life in the United States today, its active, unceasing, powerful and virulent attacks upon any and all forms of Christianity which may chance to come to public notice. Now and again we hear of outbreaks of sectarian bigotry between Catholics and Protestants (this of course is always given heavy coverage in the Press), but these are not to be compared with the steady, relentless, anti-Christian activities of the Jewish organizations. There are doctrinal disputes within the Christian churches, but they do not challenge the basis of Christianity itself." (I disagree with him here to some extent, for in the case of the NCC they seek to destroy the very basis of Christianity, the Godhead of Jesus Christ. This again is "part and parcel" of the final plan.) Organized Judaism however, is not content with doctrinal disputations, but enlists its vast commercial and political power against everything it regards as, in their own words, "Christalogical manifestations."

"No President of the United States has yet dared to take his inaugural oath on the open pages of the
New Testament - the Jews would denounce him. Various governors of American States who have used the word 'Christian' in Thanksgiving Day Proclamations, have been attacked.

"No public man in America has ever given public evidence of his Christian faith, without rebuke from the Jews. Not only do Jews disagree with Christian teachings-which it is their right to do and no one questions it-but they exercise it on demands of the Jews. Everything that would remind a child in school that he is living in the midst of a Christian civilization, in a nation declared by the Supreme Court to be founded on Christian principles has been ordered out of the public schools on Jewish demand. In a nation and at a time when a majority of Jews can print every year a record of the apologies they have extorted from Christian officials, for having inadvertently used the term 'Christian,' it is desirable that this charge of 'religious persecution' should be placed where it belongs. The Jew glories in religious persecution, as the true American glories in patriotism."

This of course is all part of the plan. There is no Christian practice that the Jews have not persecuted in the United States and it is time that our people began to realize that "cry of bigot " is usually used by the bigot himself.

It does not take much searching in a daily paper to see where Christian practice comes under Jewish attack. The Jewish founded, Jewish run American Civil Liberties Union (ACLU) have been successful in removing prayer and Bible reading from public schools. They are now trying to take Christ out of Christmas and Easter. They do not want to stop these holidays-the Jews make too much money from them-but they do seek to destroy the Christian significance behind them.

The PASSION PLAY OF OBERAMMERGAU, Germany, is a good example of Jewish resistance to Christianity. It has won approval over all the world, for its wonderful portrayal of our Lord's Passion. The Jews have attacked it as "reeking with falsehood and anti-Semitic wickedness." (See Rabbi Joseph Krauskopf's book, A RABBI'S IMPRESSIONS OF THE OBERAMMERGAU PASSION PLAY.) In the Rabbi's eyes the Christian story of Christ's passion is a poisonous lie, while the entire fabric of Christianity, according to him is "the hallucinations of emotional men and hysterical women. Thus was invented that cruel story, that has caused more misery, more innocent suffering, than any other work of fiction in the range of the whole world's literature." (UNO)

It is interesting to note, that in 1947, nearly thirty years after Rabbi Krauskopf's criticism was written, the Jewish controlled Allied War Tribunal, in 1947, tried and punished the "war criminals of Oberammergau," the Passion Players. Their crime? They had taken part in an "anti-Jewish" play! Therefore they were criminals!

There has been a concerted drive underway in the National Council of Churches, the Catholic Church and some Fundamental circles, to exonerate the Jews from the responsibility of Christ's death and place it on the shoulders of the Romans and all mankind. This is a complete refutation of Scripture, and Roman Court records. I can understand, when reading the Gospels, especially the Gospel of John, why Jewish Rabbis have said: "As long as the record of the Gospels remain in the New Testament, so long there will be anti-Semitism." Once again it has been proven that Talmudic Judaism cannot stand up under the blazing "searchlight" of truth, as seen in God's Word.

Jewish intolerance for Christianity has been seen in every century since the crucifixion of Christ. Wherever Jews have been able to exert influence and power, they have been intolerable in their treatment of Christians. It is of interest to note, that you never see any Jewish Rabbi, or writer, who criticizes the Jewish Sanhedrin for their illegal trial of Jesus. Here is a good example of how they feel. The Jew, Ben Hect, a well-known Hollywood writer said: "One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture...But if I had been in charge, I'd have handled it differently. You see, I would have shipped Him off to Rome and fed Him to the lions. They never could make a Savior out of mincemeat." (UNQ) Most Jews find this very funny! It is their official attitude towards the murder of an innocent man, on trumped up charges. It ties in perfectly with what the PROTOCOLS teach.
"A tax increasing in a percentage ratio to capital will give a much larger revenue than the present individual or property tax... Economic crises has been produced by us for the goyim by no other means than the withdrawal of money from circulation.

"Loans hang like a sword of Damocles over the heads of rulers, who instead of taking from their subjects by temporary tax, come begging to us with outstretched hands. Foreign loans are leeches which there is no possibility of taking from the body of the State...until it flings them off. But the goy states do not tear them off: they go on persisting in putting themselves so that they must invariably perish, drained by their voluntary blood-letting.

"What in substance is a loan? It is an issue of government bills of exchange, containing a percentage of obligation. If the loan bears a charge of 50%, in twenty years the State vainly pays away in interest a sum equal to the loan borrowed: in forty years, it is paying double the sum-in sixty, triple and all the while the debt remains.

"How clear is the undeveloped power of thought of the purely brute brains of the goy, is expressed in the fact that they have borrowed from us (The International Jewish Bankers) with payment of Interest without ever thinking that this money must come from their pockets..It Is proof of the genius of our Chosen mind that we have presented the matter of loans to them In such a light that they seem to them an advantage." (UNQ)

EXPLANATION: Try 15% or 20% interest and see where you come out as far as repayment is concerned. It all boils down to a simple illustration. If there were only ten dollars available and you borrowed it with the promise that you pay back $11, you have entered Into an impossible agreement. For on the due date, you must go to the lender and borrow enough to pay him that eleventh dollar. It doesn't exist, so he has to make a fake dollar. When the interest is paid back, you then owe twelve dollars and on and on it goes, working the same in billions, as it did in tens. It becomes a vicious circle, wherein you remain in debt forever.

This of course is the message of the PROTOCOLS. This is what they mean when they speak about "interest money." This is why God's Laws are very specific about the charging of interest, since it is a vicious practice which drains the economic blood from a nation, (See Exodus 22:25).

The dictionary defines "usury" as "The lending of money with an interest charge for it's use," in Psalm 15, the question is asked: "Lord, whom shall abide in they tabernacle? who shall dwell in they holy hill?" In other words: "Lord, who will be able to enter into your kingdom?" and part of the answer can be found in verse 5-an answer a lot of Christians better take into consideration: "HE THAT PUTTETH NOT OUT HIS MONEY TO USURY." (Emphasis added.)

So regardless of what you think personally about the charging of interest, or regardless of what your church may teach as to it being all right, the Bible definitely says "NO! Don't do it!"

There was a time in our Christian nations when usury was against the law. At one time in England, there was a death penalty for usury, for they recognized it as being on the same plane as murder. (This of course was before the Jews gained influence in England.) There was a time, not so far in the past in America, where church membership was denied anyone who engaged in usury. How times change, and how our problems escalate as men neglect to obey God's Laws.
A 1929 type of national bankruptcy seems to occur about every fifty years. Could this be because Americans have refused to follow the Biblical laws concerning the Year of Jubilee? This was a time when the Israelites forgave all debts and a man's property was returned to him. National bankruptcy is feared by both the borrower and the lender. The borrower because he does not want to give up the goods he has purchased on margin; the lender, because he does not want to relinquish the income he gets from the borrower. Often the borrower becomes disgruntled to the extent where he becomes dangerous. This is when he becomes liable for control, by those who caused the bankruptcy.

The principle of the PROTOCOLS, is the "first rule of interest," which is agreed to by both the borrower and the lender. Simply put it is: "The money supply must be expanded to allow the debtors to off the interest on their debts."

Three times in recent American history we have seen this idea of the PROTOCOLS in operation; all have brought the nation close to disaster. It has meant pain and loss for the borrower, while the lender has gained untold wealth by his actions. We all know what happened when the "economic bubble broke" in 1929. While millions suffered complete loss, many others became multi-millionaires off their suffering.

The second came in 1938, when F.D.R. tried to balance the budget and found there was no place to get that "eleventh dollar." The country came very close to going into a depression and at the last moment, dollars were borrowed into existence to bail the debtors out. This only increased the problem!

Then in 1945, when the country once again hovered on the brink of depression, it was saved by borrowers who returned from the war and used their savings to borrow enough new money to tide the country over for a few more years.

This confirmed the Second Rule of Interest: "It does no good to have unlimited funds in the banks-the money must be in circulation, where the debtors can get it to pay interest." Once interest is paid to the bank, it disappears from circulation and must be taxed and borrowed again to get it into circulation. By this vicious circle, men and governments come under control of the International Bankers, of which more than 90% are Jewish.

Henry Ford, Sr., described it in these words: "The genius of the Jew is to live off the people, not the land. Let other people toil, they will live off the toiler. Let other people work at trades: the Jew will exploit the fruits of their work. That is his particular genius . . ."

"Jewish high finance first touched the United States through the Rothschilds. It could be truthfully said that the United States founded the Rothschild's fortune. And as so often occurs in the tale of Jewish riches, the fortune was founded on war. The first $20 million the Rothschild's ever speculated with, went to pay the Hessian troops which fought against the American colonies . . ."

"Rothschild power has been so broadened by the entry of other banking families (Rockefeller's have now taken control) into government finance, that it must now be known, not by the name of one family of Jews, but by the name of the race. Thus it is spoken of as the International Jewish Finance, and their principle figures are described as the International Jewish Bankers." (UNQ)

Once again, we see the unfolding of the PROTOCOL plot to control the wealth of the world. Whether this is a forgery or not, it sure is operating successfully.

A system of usury always demands expansion. It must expand in order to survive, regardless of the cost. So we see our government borrowing billions of dollars, at high interest rates, from the International Bankers, so that we can give it away at low interest rates to foreign countries, often those who are our enemies. In this the International Jews benefit doubly. Not only do they get aid for their criminal venture in Palestine, but they get rich while doing it. Have you ever wondered why our nation will give a large loan at low interest to a Communist country such as Poland, which has a terrible record of payment, while at the same time charging our own industries huge interest rates which are driving them into bankruptcy? One reason is that if the Communist debt is not paid
off, the International Bankers do not suffer. By agreement, the long-suffering American taxpayer picks up the tab. We have done this hundreds of times in the past thirty years. When an American business goes broke...it can be "purchased for a song" by the Internationalist conglomerate, put back into business, and the International leeches make billions of profit, while strengthening their control over the American people.

The reason most Christians have never been told the truth concerning God's Laws concerning money and how they would benefit us, is that God's Satanic enemies fear the day when Christians understand the simple beauty of God's Laws and apply them to our National problems. When that day comes, and it will, the power of the Talmudists will be broken and the prophecies of the PROTOCOLS will come to nought.

If White Christian Americans were to insist that our government follow the Constitution, which is based on God's laws, instead of telling their people that Jesus Christ did away with the Law our government would automatically search out and find the best ideas for running this country, in accordance with God's plan, and we would slip out from under the bondage of the PROTOCOLS and their Satanic instigators.

PROTOCOL NUMBER XXII

"In our hands is there is the greatest power of our day - gold - Surely there is no need to seek further proof that our rule is predestined of God. Surely we shall not fail with such wealth to prove that all the evil; which for so many centuries we have had to commit, has served as the end of ends, the cause of true well-being; the bringing of everything into order.

"Our authority will be glorious, because it will be all-powerful and will rule and guide...Our authority will be the crown of order...True force makes no terms with any right, not even that of God: none dare come near it so as to take so much as a span away from it." (UNQ)

EXPLANATION: How is this for arrogance? This PROTOCOL idea ties in with the Jewish-Communist ideas found in PSYCHOPOLITICS, page 33 - "To be obeyed one must be believed. If one is sufficiently believed, one will be unquestioningly obeyed exhibit enough force, enough inhumanity, enough brutality and savageness to create implicit belief and therefore implicit obedience." (UNQ)

Here the Talmudist fa down on their vaunted intelligence. For the Bible describes them as "Professing themselves to be wise, they become fools," (Romans 1:22). Again in 1 Corinthians 3:19 -"For the wisdom of this world is foolishness with God. For it is written (Job 5:13) 'He taketh the wise in their own craftiness.'"

When the Talmudists put their trust in gold, they are completely disregarding the admonition of Job 31:23-25, which says: "For destruction from God was a terror to me . . . If I made gold my hope, or have said of fine gold. Thou art my confidence: If I rejoiced because my wealth was great, and because my hand had gotten much."

In James 5:3, in the New Testament, we read: "Go to now, ye rich men, weep and howl for your miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered and the rest of them will be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasures together for the last days. Behold, the hire of the laborers who have reaped down your fields, which is of you kept back by fraud, crieth: an the cries of them which have reaped are entered into the ears of the Lord of saaboth. Ye have lived in pleasure, and been wanton; ye hearts as in the day of slaughter. Ye have condemned and killed the just and he doth not resist." Oh yes indeed, my friends, these enemies of God, who have scorned Him, will pay one day. In Luke 19:27, we read the words of the King: "'But those mine enemies,
which would not that I should rein over them, bring hither, and slay them before me." (Come to think of it I never heard a fundamental preacher deliver a sermon on that text. I wonder why?)

In Ezekiel 7:19, this theme is also given: "They shall cast their silver in the streets (speaking of the Jews) and their gold shall be removed: their silver and their gold shall not be able to deliver them in the day of wrath of the Lord." No, in that day, the International Jews will not be able to pay their way clear; God cannot be bribed!

Zephaniah 1:18, speaking also about the people we now call Jews, said: "Neither their silver nor their gold shall be able to deliver them in the day of the Lord's wrath; but the whole land shall be devoured by the fire of His jealousy, for He shall make a speedy riddance of them that dwell in the land."

Today, the amount of our National Debt is a measure of our enslavement to the Jewish Money Lenders. We live in a Republic (so-called) yet loans are contracted that cost more than the amount of the loan and none of us have a word to say about how our money is used. Our "forefathers" fought against "taxation without representation," and today their sons and daughters are facing taxation worse than they ever envisioned. Few Americans know how much interest we really pay to these International blood suckers. If we knew the truth, we would kick the "money lenders" out of the national temple for good.

**CONCLUSION:** I have only scratched the surface of the **PROTOCOLS AND HAVE ONLY** touched on those items which would have the most significance in analyzing our national illness. I have attempted to tie them in with what was taught in the Communist Textbook **PSYCHOPOLITICS.**

We have been rather frank in our discussion of this "forbidden subject" of Judaism. Some of you who read this, no doubt have become angry . . . many will not bother to read this far. Some of my Christian brethren will be unhappy with me because I have gored their sacred ox the Jews. Those who refuse to read, will be those who do not want to know the truth. I do not ask you to believe me. All I ask Is that you be honest enough to read what I have presented, then put it under the most powerful magnifying glass of truth you can find, the Holy Bible When you find that I told you the truth, then have "guts" enough to do something about it There is only one stand which will keep us free.

Section Eight of the First Article of the Constitution was writ ten to keep American economics out of the hands of the alien money changers." It says: "The Congress shall have power to coin money, regulate the value thereof, and of foreign coin, and fix standards of weights and measures." (UNO) Our national leaders have betrayed us and have sold us into the hands of our enemies. What will we do about it? They must be replaced by honest men, who care about the welfare of Christian America. The time has come, when we need to say with the Revolutionary War commander: "Tonight gentlemen, put only Americans on guard!"

You have examined the evidence. You need to make a stand concerning it. What will you do? If you have read this book, you have no excuse for not getting involved. God will hold you accountable for your actions.

Only you, and you, and I - those of us who care and are concerned, can turn the tide. But to do this, we need God on our side and this will only happen as Christian America gets right with God. In 2 Chronicles 7:14, we find the answer to our national dilemma - it is the Formula for our Survival: "If
My people, which are called by My name (we are the only people in the world who are called Christian), will humble themselves and pray and seek My face and turn from their wicked ways: then will I hear from heaven and will forgive their ~ Will HFAI THEIR LAND!" (Emphasis added.)

There is the promise! Are you willing to get your life right with God?

"I am only one,

But I am still one.

I cannot do everything,

But I can still do something.

And because I cannot do everything,

I will not refuse to do the something I can do."

"Pray as though everything depended on God; then work as though everything depended on you."  
(Saint Augustine.)

EPILOGUE

While the ancient prophets of Israel predicted the future of the Israelites (and remember, we are not talking about the people who now call themselves Jews, but the ten Northern Tribes, who went into Assyrian captivity), there have been men in more modern times, who have been given a vision into the future.

I realize that my Fundamental and Evangelical brethren, at least SOME of them, will take exception to this, since they teach that all prophecy ceased. They will tell you this was what the Apostle Paul meant when he said: ", . . . whether there be prophecies, they shall fail . . . for we know in part, and we prophesy in part. But when that which is perfect is come, then that which is in part will be done away." They explain this "perfect thing" to be the Bible, which the early Christians did not have. But most of them cannot agree on which Bible is the best. There is a savage feud going on in Fundamental circles at the present time, with a lot of nasty "name calling," between people like Dr. Peter Ruckmann and the Bob Jones boys over which is the perfect Bible.

But these same men cannot explain some remarkable predictions, which have come from the lips of some of our great Americans, concerning the future. Were these prophetic visions, such as were given to the ancient prophets? I do not know! All I know is they occurred and that they accurately predicted the future of our nation. We know from the Old Testament, (Amos 3:7) that God does nothing, without first revealing it to His servants the prophets." Then in John 15:15, Jesus told His disciples: ", . . . all things I have heard of My Father I have made known unto you." Can we not expect that God will still reveal His will through Godly men who love Him?

Herbert Spencer once said: ", There is a principle which is a bar against all information, which is proof against all arguments, and which cannot fail to keep a man in everlasting ignorance." This is sometimes called "prejudice," which comes from the Latin word "praecipitium," and means: "preconceived judgment or opinion; an opinion or learning adverse to anything without just grounds or before sufficient knowledge." This is what is wrong with a lot of Fundamentalists. I should know; I had the disease for 45 years.

When I first went to my pastor with facts which proved that the present Jews could not be the People of the Book, since they did not fulfill any of the "Proofs of Identity of Israel." I said to him: "Brother Bob, I doubt that you will accept any of these facts, but I think you should know about them." When he said they were unfavorable to the Jews, he threw them in his wastebasket and said, rather angrily: "This is a lot of hogwash." Then without ever looking at them he said: "If you insist on speaking about these things, the door of every Baptist church in America will be closed to you." (He was right about this, they have been!) But you see, he, like a majority of Fundamentalists, was
prejudiced, because he formed an opinion without having any of the facts.

Very few Baptists know that it was a Baptist preacher, J.H. Allen, who wrote the tremendous book titled JUDAH’S SCEPTR AND JOSEPH’S BIRTHRIGHT. On page 317, he says: "Since there are 13 tribes in Israel, and since Ephraim and Manasseh were adopted, numerically speaking that makes Manasseh separated from Ephraim the thirteenth tribe. When Manasseh separated from Ephraim and began their becoming the Great Nation, they began with thirteen states. This was Manasseh or America." (UNQ) Many of the early Baptist preachers believed and preached this. Today, most Baptists scorn this marvelous truth!

In his book THE TWO STICKS, Rev. M.M. Eshelmen, minister, author and teacher in the Church of the Brethren, says on page 61: "The interest in –e lost tribes of Israel is increasing, and many have come to recognize that America and England are the major portion of them." (UNQ)

In the CHRISTIAN HERALD, April 25, 1928, a remarkable article appeared, written by renowned evangelist G. Campbell Morgan, titled DAWN OF A GOLDEN AGE. He wrote: "May I warn you against spiritualizing this truth. Christ will indeed be King of Kings upon this earth . . . For His coming, not only the Church, but all creation waits...Following the great battle of Armageddon, come the restoration of God’s ancient people of Israel, to their true position among the nations. I DO NOT SAY THE RESTORATION OF THE JEWS . . . that is not comprehensive enough: but of the whole of the Israel of God. The ten tribes, lost for centuries, shall be found and restored to their own lands . . . I know some doubt this, and say Israel was cast off. Can God desert those to whom He gave His oath? Never!"

But recall that Jesus did say to the "pseudo-Jews" in Jerusalem (Matthew 21:43)-"The kingdom shall be taken from you (Jews) and given to a nation (Israel) bringing forth the fruits thereof." Israel and Judah will be brought together as one Nation in the very near future, and I am not speaking of the psuedoAshkenazim Jews, who "say they are Jews, but are not," (Revelation 2:9).

At one time, during the writing of the Declaration of Independence there were so many different opinions and ideas they had come to an impasse—tempers were short—they could progress no farther. It was then that Benjamin Franklin arose and addressing General Washington, Chairman of the Convention, said: "Sir, I have lived a long time, and the longer I live the more convincing the proof I see of this, that God governs in the affairs of men, and if a sparrow cannot fall to the ground without His knowledge, is it probable that an Empire can rise without His aid? Except the Lord build the house, they labor in vain that build it." He went on to propose that they start each session with prayer for Divine guidance. They did and things began to go well.

Then a most unusual thing took place, which has never been explained. The Declaration was finished, yet all were hesitant to sign it, they were somewhat fearful for their lives. No one seemed to want to take the lead. Then, as told from several sources, a strange thing happened; a stranger stood up in the balcony and spoke stirring words, among which were these: "The words of this declaration will live in the world long after our bones are dust. Sign that parchment! Sign, if the next moment the gibbet's rope is draped about your neck! Sign, if the next minute this hall rings with the sound of clashing axes! Sign, by all your hopes in life or death! As men! As husbands! As fathers! Brothers! Sign your names to the parchment, or be accursed forever! Sign, and not only for yourselves, but for all ages, for that parchment will be the textbook of freedom, the Bible of the rights of men forever.

"Nay, do not start and whisper with surprise! It is truth, your heart witnesses it! God proclaims it! Look at this strange band of exiles and outcasts, suddenly transformed into a people: a handful of men, weak in arms, but mighty in God-like faith: nay, look at your recent achievements, your Bunker Hill, your Lexington, and then tell me, if you can, that God has not given America to be free."

When he finished speaking, they rushed to the table and signed! After it was over, they looked for the stranger to thank him for his inspired words, but he could not be found. He had vanished,
though all the doors were locked; he was never identified.

But the Declaration of Independence, and the Constitution which followed it, became two of the greatest documents which man had ever made. Carlyle said of the Constitution: "The Mayflower carried the most precious cargo that ever sailed the seas." For it was in the stuffy little cabin of a tiny ship called the Mayflower, anchored off what is now Provincetown, Massachusetts, on November 21, 1620, that these words were "written: "In the name of God. Amen! We whose names are under-having undertaken for the glory of God and the advancement of the Christian faith, a voyage to plant the first colony - do by these presents, solemnly and mutually, in the presence of God, combine ourselves in a civil body politic."

Daniel Webster called this "Compact", "the seed corn of the Constitution." Gladstone, England's Prime Minister many years later said: "The Constitution of the United States was the greatest instrument ever struck off by the unaided genius of man." (We know differently. We know it came only through the and guidance of Almighty God.) That was how our nation founded! That was how she grew and became great! That is the Satanic forces behind the PROTOCOLS mean to destroy! Only you and I, with the aid of God, can stop it.

I realize that on the surface, this seems impossible. I have been in this battle for a long time and sometimes I become infected with "battle fatigue." I'd like to stop fighting and do some of the things I enjoy. I'd like to get on with my gardening and go fishing when I felt like it. Men tell me: "We've gone downhill for too long; the enemy is too strong; there is no hope. Maybe we should give up and make the best deal possible." But I do not believe this! I have hope, founded on the promises God made to His Israel people; I believe He will give us the victory, if we are faithful to Him.

Back in history, there was a man named Hannibal. He wanted to get a herd of fighting elephants into Italy, by crossing the Alps in the middle of winter. His advisors said: "Hannibal, you can't do it!" But he did it anyway!

In the terrible winter of 1776, the Continental Army lay huddled in misery at a place called Valley Forge. They were short of everything, food, clothing, arms, powder and ball. I can imagine there were advisors who told General Washington: "General, you can't take this little army of rag-tag farmers and clerks, with your inadequate gear and fight those professionals across the river in Trenton." But Washington got up off his knees, where he had been praying in the snow of Valley Forge, and on December 26, 1776, he led his men to victory at Trenton-it was a "turning point" in the war.

Then in 1950-51, the American Marines were trapped in a place called the Chosen Reservoir in North Korea. They were there because of treachery in our own government. They were surrounded by Chinese, outnumbered 30 to 1, there was not a chance of their survival. But General "Chesty" Puller called his men together and told them: "Men, we have the enemy where we want them now, we can shoot in any direction." They did! and they came out with their flags flying, bringing with them their dead and wounded.

It is that kind of fighting spirit which has kept America alive in the past and which can keep us alive in the future. It is the kind of Anglo-Saxon spirit which can bring us out from under the clutches of the PROTOCOLS.

As more and more shocking evidence points to world control coming from the Zionist Headquarters in New York, Moscow, and Tel Aviv-possibly Jerusalem now, what can we do?

Some say: "Nothing! Armageddon is just around the corner!" A Christian lady recently accused me of fighting against God. She said: "God has said that America will be destroyed and you are trying to save her!" When I asked her to show me in the Bible, she couldn't and this made her mad and she stormed out. In spite of the efforts of the "defeatists," who would like to have you believe America is Babylon. It isn't true! There is a message of hope for us, if we love God and are willing to trust Him and follow His direction -. In Luke 21:28, we read these words, written to Christian Israel, not
the Jews: "When these things begin to come to pass (the world turmoil we have spoken about in this book), then look up, lift up your heads; for your redemption draweth nigh." Praise God for this promise!

Redemption is available for America if we want it badly enough. It is up to us. God has made provision for our victory, if we will follow and obey Him.

"For still our ancient foe,
Doth seek to do us woe.
His power on earth is great,
And armed with cruel hate,
On earth is not his equal."

2 Chronicles 7:14 - "If My people, which are called by My name, will humble themselves, and pray, and seek My Face; and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and WILL HEAL THEIR LAND."
A New Look at the Sermon on the Mount
by Col. Gordon "Jack" Mohr

"And ye shall know the truth, and the truth shall make you free." (John 8:44)

Matthew 5-7
The Sermon on the Mount, which is surely the greatest sermon in scriptures, has nevertheless been a stumbling block to many who go by the name of Christian. While a close look at this marvelous sermon will show you that it is a message for the Kingdom Age, many in trying to apply it to this present World Age, have missed its meaning.

In an attempt to clear up some of the misunderstanding that exists about this message, I have put together a translation, in modern English, using as a basis, 26 different translations of the Bible. This is not an attempt to change the original meaning in any way, simply to help clarify it. I pray that God will use it for that purpose, as this work has been prayerfully done.

Matthew 5:1, 2 - On seeing the great crowds of people who had gathered to hear Him, Jesus went up into the mountains with His disciples, where He began to instruct them, saying:
3 - Blessed, happy, to be envied and spiritually prosperous, with life-joy and satisfaction in God's favor, regardless of their outward physical condition, are the humble. (Those who look on themselves as being insignificant). For the Kingdom of Heaven will be theirs.
4 - Happy are those who know what sorrow means; for they shall be given courage and comfort.
5 - Blessed and spiritual prosperous are the mild, patient, and long-suffering, for they shall eventually inherit the earth.
6 - Blessed and spiritually prosperous are those who hunger and thirst for a right standing with God. For these shall be filled.
7 - Blessed, happy and to envied, are those who are merciful; for God will show them mercy.
8 - Happy are those who are sincere and pure in heart, for they shall see God.
9 - Blessed and happy are those who make peace, for God shall call them His sons;
10 - Blessed are those who endure persecutions for their uprightness, for to them belongs the Kingdom of God.
11 - Blessed are you when men shall denounce you, and persecute you, and say all manner of slanderous things against you on my account;
12 - Be very glad, yes be tremendously happy, for you will be richly rewarded in heaven; for they (Israelites) persecuted the prophets before your time in the same manner.
13 - It is you (Christians) who are the salt of the earth, but if you become insipid and lose your strength; what is there left to give taste to it? It is good for nothing anymore, but to be thrown away, and stamped underfoot.
14 - It is you (Christians) who are supposed to be the light of the world, a city built on a hill that cannot be hid.
15 - Men do not light a lamp to hide it under a bucket. They put it on a lamp stand where it gives light to all which are in the house.
16 - Therefore, let your light (the testimony of your life) shine like that lamp in the sight of all men, that they may see the beauty in your life, and praise your Father which is in heaven. ("Let the beauty of Jesus be seen in me. All his wonderful goodness and purity. Oh, thou Spirit Divine, all my
nature refine, until the beauty of Jesus be seen in me." This should be our prayer.)

17 - Do not for a moment suppose that I (Jesus the Christ) have come to do away with the law, or
the prophets. I have not come to do away with them, but to enforce them and bring them to
completeness.

18 - For in solemn truth, I say unto you, indeed I assure you, that as long as heaven and earth
endure, not one dotting of an "i", or crossing of a "t" shall be dropped from the Law, until all that
must happen, has happened.

19 - Because of this, whoever attempts to weaken one of the smallest of my commandments, and
shall teach men so, he will be regarded as small and will have the lowest part in my kingdom. But
those who keep my Law and teach others to do so, will be acknowledged before me, and will be
great in the sight of God.

20 - For I assure you, that unless your goodness and uprightness is far superior to that of the scribes
and Pharisees (religious leaders); you will most certainly not find entrance into the Kingdom.

21 - You have heard it said by our ancestors: "Thou shalt not commit murder, and whosoever
commits murder shall be liable so that it will be impossible for him to escape the punishment
imposed by the court;"

22 - But I will go further and say to you: "That whosoever is angry with, and shows malice towards
his brother, without a just cause; shall be liable to stand trial before the Judge. And whosoever shall
call his brother a fool, or worthless one, and who pours contempt on his brother shall answer to the
courts. But if you look down on your brother and curse him, you will find yourself heading straight
towards the fire of destruction."

23 - Because of this, when you are in the act of presenting your gift and tithe to God, and you
suddenly remember that your brother has a grievance against you;

24 - Leave your gift or tithe at the altar and go and come to an understanding with your brother.
Then, when you have done this, come back and offer your gift, and God will receive it.

25 - If any man has a legal claim against you try and come to terms with him then and there; even as
you meet with him. This will prevent your adversary from going to court against you.

26 - Believe me, you will not escape a just claim, until you have paid the last fraction of what you
owe.

27 - You have heard how it used to be said: "You may not have sexual relations with another man's
wife:"

28 - However, I say to you, that if you look at a woman, and cherish lustful thoughts towards her;
you have already broken your marriage vow and committed adultery with her in your heart.

29 - If your right eye causes you to sin; it would be better to tear it away; for it would be better for
one member of your body to suffer, than for the whole body to be thrown on God's rubbish heap.

30 - And, if your right hand entices you to sin, cut it off and fling it away, rather than to have your
entire body end in ruin.
(Notice: Christ is not advocating "self-mutilation" for any reasons, but is using this as an example
of how we should allow no part of our body to cause us to sin.)

31 - It has also been said: "If any man wants to divorce his wife, he shall give her a written notice
of divorcement." (This was the Mosaic Law.)

32 - HOWEVER, I say unto you: "That if you divorce your wife, for any reason other than that she
has been unfaithful to you, you lead her to commit adultery. For any man who marries a wife, so
divorced, he will be living in adultery."

33 - Once again, it has been said by our ancestors: "Thou shalt not perjure yourself, but shall fulfill
all the promises that you have sworn to in the sight of God."

34 - But I say to you: "Do not bind yourself by any oath of any kind; neither by the heaven's for they are God's throne;
35 - Nor by the earth, which is His footstool."
36 - Do not make an oath on your head, for you cannot make a single hair turn black or white.
37 - But let your words be simply "yes", or "no", for what goes beyond this, has a taint of evil.
38 - You have heard of the principle: "An eye for an eye, and a tooth for a tooth."
39 - But I tell you that you are not to resist an injury, but if someone slaps you on one cheek, turn to him the other also;
40 - And if any may wants to go to law with you and take away your shirt, let him have your coat also.
41 - And if someone forces you to carry a burden for one mile, go two miles with him of your own accord."
(Does this mean that Christians are not to resist evil, as some claim? Absolutely not! Today, we are living in the Age, where Jesus told His disciples: "If you don't have a sword for protection, and don't have money, sell your coat and buy one," [Luke 22:36]. Christians must resist evil, with the weapons which are given to us in Ephesians chapter 6).
42 - Give to the man that asks of you, and don't turn your back on him.
43 - You have heard how it used to be said "Thou shalt love thy friend and hate him who is against you."
44 - But I tell you this: "Love your personal enemies (not God's, see 2 Chron. 19:2) and pray for them that persecute you.
45 - So that you may show yourselves to be true sons of your Father which is in heaven. For He causes His sun to shine upon sinners as well as saints, and send His rain on the honest and dishonest men alike.
46 - For if you only love them that love you in return, what reward can you expect? Even those most hated of men, the tax-collectors, do the same.
47 - And if you are only polite to your friends, and only exchange greetings with your own crowd, have you done anything remarkable? Even the people in the world order do that.
48 - You should strive to become spiritually mature; even as your Father which is in heaven is perfect.

Matthew 6 -

1 - Be careful that you do not make a show of your religion before men, to attract their attention. If you do, your Father which is in heaven will have no reward for you.
2 - Therefore when you do an act of charity, never blow your horn in public to attract attention. This the hypocrites love to do, so that men will admire them. Believe me, that is all the reward they are going to get.
3 - But whenever you as my followers, do an act of charity, you should not as much as let your left hand know what your right hand is doing.
(Be careful not to be TOO LITERAL on this one. Look closely for the King's real meaning.)
4 - Give your charity in secret, and your Father who sees in secret, will give it back to you in public.
(In other words, seek the praise of God, rather than men.)
5 - When you pray, you are not to behave as the hypocrites do, for they take pleasure in standing up
to pray in church, and on the street corners, where men can see their piety. They already have their reward.

6 - But when you pray, go into a room by yourself, and fasten the door, and there pray to your Father when you are alone. And your Father who sees in secret, will repay you openly. (This sort of refutes those who love to stand up in church and pray lengthy prayers. Jesus says they do this to be seen and admired by men.)

7 - When you pray, don't repeat the same words over and over again, as is done by the heathen. They think they will be heard by the length of their prayers, and by their eloquence. (I wonder if this wouldn't apply also to the Roman Catholic practice of saying the rosary, where certain phrases such as repeating the Apostle's Creed over and over again, is part of their ritual.)

8 - Don't copy this practice. After all, God your Father knows all your needs, even before you ask Him.

9 - This then is how I desire you to pray. (We call this the model prayer, or the Lord's Prayer): "Our Father who is in heaven, may your name be honored.

10 - May your reign begin and your will be accomplished on earth, as it is in heaven.

11 - Take care of our needs by giving us our daily bread;

12 - Forgive us for the wrong we have done, as we forgive those who have wronged us.

13 - And do not subject us to temptation, but rescue us from evil and error. (Here the Doxology - "For Thine is the kingdom, and the power, and the glory, forever, Amen," is not found in the original manuscripts, but was evidently added later.)

14 - For if you forgive those which have wronged you, your Father which is in heaven will forgive you.

15 - But, if you refuse to forgive those who have offended you. Not even your Father will forgive your offenses. (REMEMBER THIS, when you pray!)

16 - When you fast, don't put on gloomy looks. For that is what the hypocrites (play-actors) do. They neglect their personal appearance, trying to make a show of their fasting. Believe me, they have received their reward in full.

17 - But when you fast, brush your hair;

18 - That it may not appear to men as though you fast, but unto your Father which is in heaven alone, and your Father who knows what you do in secret, will reward you openly. (It is for this reason, that I am somewhat skeptical about the individual who tells me about the long fast they have just completed. It's none of my business, and should be strictly between them and God.)

19 - Stop storing riches on earth, for here moth, wear and tear will destroy them, and thieves will come by force to take them away from you.

20 - But rather, store your treasure in heavenly places, where there is neither moth, rust, or thieves.

21 - For wherever your treasure is, there you can be certain will be your heart.

22 - The light of the body comes from the eye. If therefore your eye is not clouded, your whole body will have light.

23 - But if your eye becomes diseased, so that you cannot see well, then your entire body will be in darkness. If then, the very source or light in your body is darkness, that darkness will be doubly dark.

24 - No man (or woman) can serve two masters. For either he will be loyal to one, and hate the
other, or he will love the one and despise the other. You cannot both love God and money. You cannot serve them both.

25 - That is the reason I tell you not to be so anxious about your life, what you can get to eat, or what you can wear. Surely your life should mean more to you than just food, and your body more than the clothes you put on.

26 - Observe intently the birds which fly in the sky. They do not sow or reap, yet the Father feeds them. Are you not of much greater value in His sight then they?

27 - Which of you by worrying can add a single hour to your life? And can you by worrying make yourself an inch taller? Of course not!

28 - Then why are you so anxious about the clothes you wear and the food you eat. See how the wild flowers grow. They neither work, nor weave.

29 - Yet King Solomon in all his glory, didn't dress as beautifully as these.

30 - But if your God, who so beautifully dresses the wild flowers and grass, which is green today, and is dry and burned up tomorrow. Is He not more likely to clothe and feed you, even though you are slow to trust Him?

(Again, a word of caution. This certainly does not mean that God will feed and clothe us if we do not work for it. A close examination will show that this is an example of having the proper priorities and putting "first things first.")

31 - So don't worry so much and keep saying: "What shall we eat, and what shall we wear.

32 - For these are the things which are sought after by the World Order. Surely, your Heavenly Father knows what you need.

(Here is the answer) -

33 - But seek ye FIRST the Kingdom of God, and the righteousness He requires, then all these things will be given to you in addition.

34 - Therefore don't be troubled about tomorrow. For tomorrow will bring it's own problems. Every day has enough troubles of its own.

**Matthew Chapter 7 -**

1 - Pass no judgments on others, so that you will not be judged yourself.

2 - For you will be judged by the same standard you use on others and the measures you give, will be the measure you get.

3 - Why do you search for a tiny speck of dust in your brother's eye, while you pay no attention to the splinter which is in your own?

4 - How can you say to your brother: "Let me take the speck out of your eye; when there is a splinter in your own?"

5 - You are a fraud! First take the speck of dust out of your own eye, so that you can see clearly enough to remove the splinter from your brother's eye.

6 - You must never give sacred things to dogs, or cast your jewels before pigs, for they will trample them in the mud and turn on you and tear you apart.

7 - Ask and the gift will be yours, keep on knocking and the door will be opened.

8 - For it is the one who asks God, who receives, and the one who searches, is the one who finds, and the one who is persistent in knocking, is the one who has the door opened to him.

9 - Do you know of any human father, who if his son were to ask him for food, would give him a stone?
10 - Or if he were to ask for a fish, would he offer his son a snake?

11 - If you being imperfect know enough to give good things to your children, how much more will your Heavenly Father give you good things.

12 - Whatever you would have men do to you, so do to them: this is the meaning of both the Law and the prophets.

13 - Enter the kingdom through the narrow gate. For wide and easy is the gate which leads to destruction, and many enter it.

14 - Because small is the gate, and narrow the road, which leads to eternal life, and only a few will find it.

15 - Be watchful of false prophets who come to you disguised as sheep, but beneath that disguise they are really greedy wolves.

16 - You will recognize these wolves by the fruit of their lives. Men do not gather grapes from thorns, nor of figs from thistles.

17 - In the same way, a sound tree will produce good fruit, while a worthless tree will produce withered fruit.

18 - It is impossible for a healthy tree to produce bad fruit, just as it is impossible for a diseased tree to bear anything but rotten fruit.

19 - When you have a tree that produces rotten fruit, you cut it down and throw its wood into the fire.

20 - It is by the fruit of their lives that you will recognize such men.

21 - Remember, that not everyone that says to me: "Master! Master! will enter into the kingdom of heaven. But only those who are obedient to my Father which is in heaven."

22 - When that Day comes, many will say to me: "Didn't we teach and preach in your name? Didn't we cast out devils, using your name? Didn't we perform miracles in your name?"

23 - And I will tell them to their face.

24 - Whoever listens to my teachings and acts accordingly, I will liken to a wise man who had the sense to build his house on a rock foundation.

25 - When the rain poured down, the storm came, and the winds howled, it did not collapse, since it was built upon the rock.

26 - But those who listen to me, and do not act accordingly, are like the fool who builds his house on sand.

27 - When the rain pours down, the winds howl, and the hurricane comes, and batters that house, it will collapse, and great will be its fall.

28 - By the time Jesus had finished speaking, the crowd which had gathered to hear Him were astonished at His doctrines, for His words had the ring of authority, and were not like those of their Bible scholars.

I encourage each reader to re-read this "paraphrased" selection of scripture, we call the SERMON ON THE MOUNT. Note it's application to today, and its peculiar application to the Kingdom Period, when it will be the Law of the Land.

Don't try and read anything into this sermon which is not there; neither add anything for the purpose of bolstering your own peculiar viewpoint. Let the Holy Spirit guide you into an understanding of this marvelous scripture, which comes to us directly from the lips of the King Himself.

Then remember, if the scripture is preached in all it's fullness. ALL OF IT, not just certain sections,
like those who brag, "we are New Testament Christians." (You can't be a New Testament Christian, without understanding and obeying the Old Testament, which was written for our edification and education.)

Possibly one of the reasons we are in as much trouble as we are in America, is because the majority of our pastors are not preaching the WHOLE COUNSEL of God's Word. Listen to these words from Jeremiah 23:22 - "But if they (the pastors) had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil ways, and from the evil of their doing." This indicates to me, that somewhere along the line, the Christian pastors of America have fallen down on the task God gave them to perform.

May God give us the wisdom to understand and follow ALL His Word!

**The End of This Study**
The Shadow of the Bear

Evangelist, Author, Lecturer

One of the most serious questions facing American Christians in this decade is: "Why are the Jews taking such a disproportionate part in fomenting social unrest around the world and why have they been in the forefront of the Communist drive to take over America?"

Now I realize that when I make a statement like this, I immediately leave myself open to a charge of "anti-semitism." In this decade, in the minds of many Christians, this is much worse than being a traitor.

But as we look at various world-wide Communist achievements over the past 65 years and listen to Jewish leaders as they point with pride to their part in these Communist achievements, it behooves concerned Christians in particular, to investigate the true reason behind this. Why is the average Jew such a passionate admirer of Communism, when he accuses the Soviet Union of persecuting his fellow Jew? Why are such a high percentage of American Jews classified as "left wing"? The answer, whether we like it or not, lies in the very nature of 20th Century Judaism.

Someone once said that if the Jews in America were forced to work on farm collectives, factories, mines and quarries - like the mass of Christians in Russia, they would not call that procedure Communism, but the most horrible form of Fascism.

Communism, as has been proven over and over again by uncontroversial documentation, serves its Jewish propagators as a means to achieve their mastery and administration of the affairs of the world, so that the non-Jew will automatically and unavoidably become subordinate to them and to all conditions imposed on him by the Chosen Race.

You may say: "This is unfair. Many Jews do not advocate this!" Maybe you have a Jewish neighbor who has been a good friend; you will not believe that he would wish to control you. Yet, if he attends a local Jewish synagogue, where his major religious teaching will come from a book called the Babylonian Talmud, he is taught that all "non-Jews" are "animals," put on this earth to serve Jews and that one day, under a supreme Jewish ruler, all mankind will bow before them. They are taught from this book that they can treat Gentile women "like a piece of meat," and they are given approval, from their God, to cheat, lie, and steal from the "goyim."

If he does not believe these things, why does he continue to attend and support such an organization? While he raves about the ugly sin of "discrimination," he sends his money to support the worst "racist" government in the world today - that of the Israeli in Palestine.

But what would happen to your Jewish friend, and you, if Communism ever took over in America. We can only go by what has happened in every other country where they have come into control.

First we know they would abolish all the rights and privileges which are now yours under our Constitutional Bill of Rights.

Since Communism has proven to be a "front" for a world-wide zionist conspiracy, we know that Jewish teaching about world supremacy is not just idle talk.

In a book titled "The Jewish Utopia", published in 1932 by the Jewish author, Prof. Michael Higger, he speaks of the "righteous and just who will inherit the earth." He quotes from the Prophets and the Books of Moses. Who would suspect ulterior motives from anyone quoting the Bible? Who would believe he has political revolution and total conquest in mind? But as you read on, you realize that the "righteous" are the Zionists and such non-Jews as they may accept. Re makes this statement in face of the fact that 60% of all Jews are either atheists or agnostics.

"All others will perish!" This is his message on page after page, as he echoes the Zionist plan for
world control and the destruction of white Christian civilization. In other words, Christians, you are their chief enemy! Since the time of the Jewish captivity in Babylon, about 610 B.C. the oral laws and the Laws of Moses have been re-interpreted by the Babylonian Talmud so as to set up a double standard for Jews, when dealing with non-Jews.

Professor Higger leaves no doubt as he states: "Those Jews who fail to enter into the program of the Utopia, (which he reveals to be the international brotherhood of Socialism and Communism) those Jews will be denied entrance into the world kingdom and will perish along with the goyim." (A Jewish term for "non-Jews", meaning "cattle"). This book, written in plain English, gives the Zionist plan for aggression and ultimate Jewish world control.

The Zionist machine, over the years, has infiltrated its men into the most powerful positions in the world, aided by the powerful weapon of their money; our government is riddled by them and their Gentile stooges, such as Robert Packwood, Republican Senator from Oregon and Alan Cranston, Democrat from California.

These men, are protected by the cowardice of our religious and political leaders, who fear the label "anti-Semitic," more than any other thing. Many church leaders would rather have Jewish approval, than the approval of God, or so it seems. We, the American people have become neutralized by this "atomic-powered" Jewish scare word and are like little children who are afraid of the dark and the "boogey men" who hide in the shadows.

Apparently many American Jews are fearful of impending bloodshed, which they realize will be the ultimate outcome of present Zionist actions. I have known and been associated with many Jewish people and while Jewish temperament runs incredibly true to pattern, there are many who realize their Promised Land is in America, not Palestine. Yet these people, many of whom are patriotic Americans, are under incredible pressure to support a cause many of them detest. Professor Higgers says these Jews will die along with the goyim cattle, when the day of final Jewish triumph occurs.

Today, we find Jews of foreign birth, notably from Russia, (which means they have no blood relation to Abraham) financed by American Jews, who have flocked into this country like devouring locusts, a literal fulfillment of Ezekiel 38:9, which states: "Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land . . ." Verse 12, "To take a spoil, and to take a prey . . . to turn thine hand upon the desolate places which are now inhabited, and upon the people that are gathered out of many nations, which have gotten cattle, and goods, that dwell in the midst of the land."

Their first step will be control of our military forces; then would come confiscation of all industry and the property of non-Jews. In this Connection, it might be of interest to note that the Code Authorities, established under the National Industrial Recovery Act of 1933, would make Christian property, duly confiscated under government edict, available to Jews.

Those who offered any opposition would be murdered by the bands of thugs, bribed and controlled by Jewish bankers, and camouflaged in army uniforms. If you believe this is far fetched, I would call to your attention the Zionist raid on the Arab village of Deir Yassim, east of Jerusalem in April 1948. Two Jewish terrorist gangs descended on this peaceful village and when they were finished, according to reports from the International Red Cross investigation team, 254 men, women and children had been brutally murdered and many of their bodies stuffed down a well. This was done by a disciplined band of Israeli soldiers, acting under orders. Menachem Begin later boasted that this act of terror did more to frighten the Arabs than anything else they could have done. There have been many more committed since, many under the direct command of Begin. Most of the top Israeli officers today, have been terrorists at one time or other and still adhere to terrorist methods and thinking.

If this were to happen in America and you questioned their actions, you would be dragged before their People's Court, charged and tried by the State, and with no defense and no jury, you would be summarily executed.
This has been Zionist-Communist action in every nation which has been taken over by this Satanic amalgamation of evil.

I saw it happen in Korea, when during an abortive Communist coup attempt, the 28th of October 1948, in the city of Sun'chon, this same crew slaughtered over 3,800 men, women and children in a ten day period, just to control the city.

At this time I was Advisor to the 14th Infantry Regiment of the South Korean Army. Most of the rebel soldiers came from my regiment. They had been fooled into revolting against their own people by the promises of Communist agents who had infiltrated their forces. Aided by about 1700 Communist civilians, they overpowered the guards, seized the arms in the armory and attacked the city.

Sun'chon at this time was known as the Christian capital of South Korea. The Southern Presbyterians had been in this area for 47 years and the Roman Catholics for 43. Many of the people were Christians. So running true to form, the Communists vented their Talmudic hatred, first against the Christians. These were dragged before the People's Court, accused of crimes against the people and brutally slaughtered.

Until you have seen babies taken from a mother's arms to be swung by their heels against a tree trunk or a stone wall, you cannot understand brutality. Until you have seen a man impaled alive on a sharpened bamboo stake driven into the ground and while he screams away his life, see his young wife, possibly nine months pregnant, stripped and raped over and over before a screaming crowd, you know nothing of brutality. Until you have seen a young girl stripped and nailed to the branch of a tree, with large spikes driven through her breasts, while a bundle of rice straw, which has been soaked in oil is bound between her bare thighs and set on fire, don't talk to me about brutality. It did something to me. I said: "My God, if I ever get out of this mess and get back to the people I love and the country I love, I will do everything within my power to see that it doesn't happen here." You can be assured that I get angry when I see the same Zionist crew, preparing us for this same treatment, and when they are aided by traitors in our government and those who stand in their righteous hypocrisy behind the pulpits of our churches, telling white Christian Americans that this fiendish crew are God's Chosen People. My anger knows no end!

In line with the "new liberty" the nationalization of women would become the "new thrill." No ERA now. But Christian Americans would be forced to stand by and become personal witnesses to the violation of their women folks - this would be given legal sanction, for the satisfaction of the Jews and their black dupes. The Communists have promised the black radical this freedom to rape, for a long time. Only then, my Christian friend, it will be your wife and daughter who will be on the receiving end. You can expect girls' boarding schools to have self-appointed Jewish male teachers, sleeping in the dorms - where the honor of your sister would be as safe as the life of a little lamb in a pack of hungry wolves. Is this what you want? It's what you are asking for, when you refuse to accept the truth!

The American clergy, even those who helped to bring this about, would be starved to death - those who were not initially murdered. The Jewish Commissars, responsible for the adopting of Talmudic Law, would brand all clergy as madmen and a menace to the peace and safety of the community.

Listen to this statement made from their textbook on PSYCHOPOLITICS, page 52: "You must recruit every agency in the nation marked for conquest, into a foaming hatred of religion. You must suborn district attorneys and judges into an intense belief that Christian practice is vicious, bad, insanity causing, publicly hated and intolerable."

Christians would be refused the "food cards", the "mark of the evil Zionist beast," which will be necessary to buy food and millions will starve, die of disease, or be killed in the riots which will sweep this country.

Under Jewish-Communism there will be no Christians in public office. Even the "lesser Jews;"
those who refuse to cooperate in the rape of America, would suffer this same fate, just as they did during the Communist takeover of Russia in 1917.

The Stars and Stripes would then be replaced with the bloody banner of the hammer and sickle, superimposed on the six pointed Star of David. It would adorn our public buildings, as it already does in some of government departments.

Americans who love to travel would find this pleasure was reserved only for the Commissars and the loyal folks of their own race. The borders of our regional areas would be closed, so that special permits would be necessary to travel from one part of the U.S. to another.

The privilege of owning an automobile, would be reserved for the Chosen Race and the political Commissars.

One of the first acts of the new government would be to establish a nationalist terrorist police force. This has been in the training phase in this country for at least six years, under the guise of the L.E.A.A. An immense government spy network would be set up and the prophecy of Luke 21:12 would literally take place: "But before these, they shall lay hands on you, and persecute you, delivering you up to the SYNAGOGUES (a clear indication of whom the aggressors will be), and into prisons, being brought before kings, and rulers, for my name's sake." The "they" Christ speaks about is clearly identified in this passage. In verse 16, He goes on to explain: "And ye shall be betrayed both by parents, and brethren, and kinsfolks, and friends, and some of ye shall be put to death, and ye shall be hated of all men for my name's sake." Are you really stupid enough to believe Jesus is talking here about persecution of the Jews? You know they have never been persecuted "for His name's sake." This passage was written for Christians and about Christians.

"Oh," but you may say, "I'm not going to be here during those terrible times. For my pastor has told me that Jesus will come back and rapture all us Christians away, to go to be with Him in heaven, before those days come." If you are really naive enough to believe this then you have really been taken in by the "religious brain washers." I'd like to have you tell this to the Christians who are in the Communist labor camps and to those who have suffered and died under Communism. Somehow or other, I don't believe the Rapture preachers would get a sympathetic audience.

Show me if you can, one place in Scripture, where Christ promised to take His followers out of this world to avoid trials and hardship. There isn't one!

The procedure in Russia and other Communist countries, which will without a doubt be followed here, was that the parents were taken away by night and the home closed by order of the government. The parents were either "liquidated" or sentenced to the living death of the slave labor camps. The homeless children were forced to exist like stray cats and dogs. How would you like to see this happen to your boys and girls?

I remember the first awful winter of the war in Korea, 1950, when the war orphans lived under bridges and in discarded culverts. While the weather went down to 25 below zero, these pitiful tikes, huddled together like wild animals to keep warm and survive, and disease was an always present possibility. In Communist countries, the machine gun is an always present remedy to take care of those who survive.

Picture, if you can, your starving boys and girls, as they are taken out of the city on the pretense of having a picnic, then being "mowed down," by hidden machine guns. You see, the people in charge are merely following the Talmudic Law, which states in Baba Mecia, 114, 6: "Jews are human beings, but the nations of the world are not human, but beasts."

Going once again to the Communist textbook on Psychopolitics, we read on page 42: "The first thing to be degraded in any nation under conquest, is the state of man himself. Nations with a high ethical tone are difficult to conquer . . . It is not efficient to attack a nation in such a state of mind. Thus, the first target must be man himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must no longer think of himself, or his fellows as capable of
spiritual endurance of nobility. He must be taught that he is an animal, capable only of animal reactions."

Why do you think the religion of Secular Humanism has been included in the teaching of all our Public Schools, even while all teaching of Christian moral concepts is excluded? Why is it pushed foremost by the Jewish ACLU. Why is it that nine times out of ten, when a suit is brought by the ACLU for a violation of what they call "inter-mingling of church and State," that it is a Jewish parent who brings the suit? Have you ever bothered to ask yourself, why? You already know the answer. It is because they are taught that you Christian "goyim", are nothing but cattle.

Now it should be quite obvious, that you will seldom ever get a Jew to admit this, for one of the sternest laws of the Talmud is to the effect that any Jew who releases this information to a "goyim" is worthy of death.

But fortunate for us, Jews sometimes like to brag and the Talmud teaches them, that when Moses said, "Love thy neighbor as thyself," he was referring only to Jews. When he said: "Thou shalt not steal!" he was saying that a Jew should not steal from a Jew, but it was OK for them to lie to cheat a Gentile. When a Zionist speaks of "redemption," he is not referring to the "born again experience" of John, chapter three, but it refers to Jewish political, military and geographical accomplishments.

A well known Jewish historian, Simon Dubnow, in his book, HISTORY OF THE JEWS IN RUSSIA AND POLAND, says: "All the treasures and natural resources of the world will eventually come into the possession of the righteous," (and he wasn't speaking about Christians when he made this boastful statement.)

The new government will be dependent on modern scientific invention. Say they wanted to construct a great dam. As in the days of King Solomon, there would be millions of white Christian Americans, who would be available, to be whipped and worked to death, with a minimum of cost for food. They would go the way of the slave labor in Siberia, who died to make Russia great. There were over 30 million there, but the Jewish controlled newspapers seldom mention them, do they? Have you ever heard them mention the holocaust, which in Russia alone, destroyed the lives of over 34-million white Christians? Have you ever seen a program on TV which spoke about that? Of course you haven't, but the "myth" of six million Jews murdered in Nazi Germany, is constantly crammed down our throats.

If a few million white Christians died in American slave camps, "So what, they are only animals." Many years ago, a well known Communist, Gus Hall, the perennial leader of the Communist Party U.S.A., speaking at the funeral of another Communist, said: "I will live to see the day when 60-million hopelessly diseased, capitalist animals are hauled away to the concentration camps by the commissars. I will live to see the day when the last Congressman is strangled with the guts of the last preacher." The man who said that was not a Russian, or a Chinaman, or even a Cuban. He was an American Jew, whose real name was Hallberg, as he bragged about what would happen when the Zionist Satanists take over control of this country. These are the people your pastor wants you to believe are God's Chosen.

Of course your church would be closed. Even if you belonged to a church affiliated with the National Council of Churches, which has been pro-Communist for over fifty years. It just might be turned into a dance hall, or a house of prostitution, worked by your daughters for the pleasure of the Chosen Race. If you wanted to worship, it would have to be underground as it is in Russia.

Your pastor who has been an "errand boy" for the Zionists, would be the first to go, because they know that these fellows who will sell out their white race now, couldn't be trusted by their new masters.

Your children, those who survive those first terrible months, would be trained along the Judeo-Marxist lines. All inclinations towards Christianity would be systematically erased from their minds and they would be taught to hate you, if you are still alive, and hate your God. Your women would
be subjected to an assault by any "beast man" who happens to be in the mood. In fact, the beasts would be encouraged to rape and humiliate all white women.

You see my Christian friend, I am not making these things up from a "hate filled mind towards Jews," as your pastor will no doubt tell you. These things have already happened in Russia, under Talmudic-Communism. Documentary evidence, which cannot be refuted, plus Jewish brags which admit it, prove beyond the shadow of a doubt, that the Russian revolution, and the executioners of Russia's bloody agony, were of the race of Juda. I don't have time or space to go into this in detail, so a few examples will have to suffice.

In the British White Book No. 1 on Russia, (April 1919) is a report by the Dutch Minister at St. Petersburg, M. Oudendyke, who was acting for British interests in Moscow, during the Revolution. His report, dated September 6, 1918 emphasized that "Bolshevism is organized and lead by Jews who have no nationality and whose aim is to gain power by the destruction of the existing world order."

In the American Hebrew, the Nation's most prestigious Jewish weekly, September 10, 1920, you can read this statement: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and by Jewish planning, shall also, and by Jewish planning, through the same Jewish mental and physical forces, become a reality all over the world."

In 1929, the Jewish writer, Joseph Halman, who had returned from a visit to Russia, wrote in the New York HEBREW TRIBUNE: "In Soviet Russia we have not a dictatorship of the proletariat but the Jewish dictatorship of the proletariat."

In the JEWISH WORLD, of London, February 9, 1883, you could read the following: "The great ideal of Judaism is that the whole world shall be imbued with Jewish teachings, and in that Universal Brotherhood of Nations - a greater Judaism, in fact - ALL THE SEPARATE NATIONS AND RELIGIONS SHALL DISAPPEAR."

And lastly, an excerpt taken from a letter written to Karl Marx, by his fellow Jew, Baruch Levy, as quoted in LA REVIE DE PARIS, June 1, 1928, page 574: "The Jewish people as a whole will be its own Messiah. It will attain world domination by the dissolution of other races, by the abolition of frontiers . . . and by the establishment of a world republic in which Jews will everywhere exercise the privilege of citizenship. In this new world order, the Children of Israel, who are scattered over the world, will furnish all the leaders without encountering opposition . . . It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state.

THUS WILL THE PROMISE OF THE TALMUD BE FULFILLED, IN WHICH IT IS SAID, THAT WHEN THE MESSIANIC TIME HAS COME, THE JEWS WILL HAVE THE PROPERTY OF THE WHOLE WORLD IN THEIR HANDS." This my Christian friend, is what your Chosen People have planned for you and your children.

The International Jews are interested only in Zionist world supremacy and that is what Communism is all about. This is the major reason Jews have been so effective in Communist ranks, because Communism is Talmudic Zionism.

They openly and frequently announce their plans for the violent overthrow of our Constitutional Government, they are not the least bit reticent about admitting this. You will find Jews, prominent in any revolutionary movement. Spend a little time looking at the anti-war efforts of the 60's and 70's, which tore this nation apart, worse than anything which has happened since the Civil War. Jewish names were in the prominence - names like Abbie Hoffman, Ginsberg, Hertzger, to name a few, all men whose families had grown prosperous on the American economy and whose sons were devoted to its overthrow.
Probably one of the most startling features of this conspiracy, has been the manner in which Jewish conspirators have been able to infiltrate every Administration in Washington - starting especially with the New Deal of F.D.R.

Interestingly enough, most of these Jews were of Eastern Khazar extraction, which means that they did not sport one drop of Abraham's blood in their veins. There were men like Henry Kissinger, Zbigniew Brzezinski, So Linowitz, Bernard Baruch, and many, many others.

When one sees the disproportionate numbers of Jews who are officially or unofficially connected with our government agencies: the Judaized Press; the International News Agencies; who control the propaganda apparatus of television, radio and the movies, then you can understand the large amount of "myth-information" which is crammed down the throats of the American people. Then you will begin to understand something about the stranglehold Judaism has over this country.

Boil all this information down to its basic components and what do we have? In short, it is the unsavory picture of psychopathic Judah, making a last desperate stand in the United States - planning to use our nation as the final stage for their world power grab. This was the dream of the German Yiddisher, Karl Heinrich Mordecai Marx. It was a dream of absolute Jewish control over a predominantly Christian world.

I would not be so stupid to presume that all Jews assent to this monstrous objective, because they do not. But the terrible fact faces us, that while the individual Jew often professes ignorance of the Zionist objectives bad may do so quite honestly; as a race, they have made no efforts to combat Communism. Invariably, when Jews join Gentile anti-Communist organizations, frustration and disaster follows. We must therefore go back to a statement made by Jesus Christ, when He told His disciples: "He that is not for me, is against me!"

Jews as a race - the Jewish press and Jewish leadership in America has always balked at any effort to save the white Christian world from Communism. In fact, to be anti-Communist, is almost invariably to be anti-Semitic in the eyes of the Judaized Press. So we must always come back to the ideological clash between Jewish Communism and Christian Constitutionalism. This is bigger by far, than individual Jewishness or individual Christianity.

As long as the Jews as a people show no signs of disapproving of Communism, then the sad truth remains, that we must consider them to be in favor of Communism.

There are Christian Americans, most well-meaning folks, who cling to the cliche: "We cannot indict a whole people for the acts of a few." But when the "few", are the admitted leaders of the Jewish people; when they are the spokesmen for all Jews; when they can act with impunity against the welfare and safety of America without rebuke - then their utterances and behavior must be accepted as having the approval of the majority of those who call themselves Jews.

It is unavoidably necessary for all Christians, in fact all non-Jews to grasp this gigantic tragedy, that the wickedness of International Jewry goes to the point where they hold morally permissible, the dismissal of God, in order that materialistic Communism may triumph.

We must therefore expose Zionist intrigue and treason if we are to survive as a free people. White Christian Americans in particular must unite and be willing to recognize and expose this enemy, instead of sheltering and pampering them as God's Chosen People. This will be a dangerous undertaking, for Zionist power is strong in America. It will not be a task for sunshine patriots. Jewish judges and lawyers control our court systems; the arm of the Anti-Defamation League is long; the hatred of the Jewish Defense League is satanic. But we must never falter in this our battle for survival.

We should have no quarrel with Jewry if they want to live in peace in their own land. But they must show this by their actions, rather than in the multitude of their words. Let them dissolve the Socialist Parties they control. Let them give up on their efforts to destroy Christianity. Let them clean up their Jewish owned Hollywood; let them tell the truth about all things, on their Jewish
owned TV and in their Jewish owned newspapers.

Let them hold free elections in the Communist bloc nations they control. Let them free the world from the materialistic propaganda which has strangled our economics and which has poisoned the minds of an entire generation of young Christian Americans.

Let them show by an honest effort to negotiate with their Arab neighbors, that they really want peace and when they do, then let them live in peace, within the borders of their own land, and let them stop trying to influence our Government for their nefarious purposes.

But if they continue their deceit. If they continue to lie and say that Communism is not a Jewish cause. If they say there is nothing they can do to help the plight of our Christian brethren behind the Iron and Bamboo Curtains, then it should be made clear to all the world, and to Christians in particular, that here is a people dedicated to our destruction.

Then it lies within our power and right to defend ourselves, our faith, our race, our country and our precious freedom with any means that is at hand. If this means deporting them to Palestine, then so be it! Through God's help, we must do whatever is necessary to defend ourselves. Then we must go further and clean out the Jewish stooges who have stood behind the pulpits of our churches, urging their people to aid and honor our enemy. We must purge our government of the traitors, who have put the Israeli first. We will never surrender, for we can stand on our Lord's promise that the "gates of hell shall not prevail against His church."

We must remember that our freedom was not "bought and paid for at Valley Forge;" that was only the down-payment. Every generation must be willing to "make payment" on the account, if they would remain free. This is true of our generation . . . We will either face the truth and act on it, or we will cease to exist as a free people.

The End
THE TALMUDIC EFFECT
ON
JUDEO-CHRISTIANITY!
Part 1 of 11

By Colonel Gordon "Jack" Mohr AUS Ret.
INTRODUCTION

From the time He was a mere infant until His death, our Redeemer and Savior, Jesus the Christ, was hated by the Jews. Herod, the Edomite king of Judea, attempted to kill Him by ordering all children to be killed who were up to two years of age who lived in Bethlehem and the surrounding country. (Matthew 2:16) On different occasions the Jews attempted to trap Him by their questioning, hoping He would violate some point of Law. They demanded His execution before Pilate. The New Testament bears witness to their undeniable hatred.

Once the Christ began preaching of the Kingdom of God, most of the people who heard Him were indifferent. A mere handful believed Him. In Acts 1:15, we find only 120 people were gathered together when Peter addressed them. Even today, while millions gather in His name, most are indifferent. Few there are who are willing to meet the requirements He set forth in order to qualify as being His brothers and sisters. (Matthew 12:50; John 15:14)

Yet in spite of their indifference and lukewarm condition, these people don't hate Jesus enough to want Him killed; they just don't love Him enough to follow His instructions. (John 14:15)
During the Christ's ministry, His most ardent and vehement opposition came from the Pharisees and their companions, the lawyers (scribes)! These people were known as JEWS, or more correctly JUDEANS. It was these JUDEAN Pharisees and scribes who sought to kill the Christ (Luke 22:2; John 5:18). It is recorded that the conspiracy became so intense that Jesus would not walk in JEWRY (JUDEA) because the Jews sought to kill Him (John 7:1).

The people we know today as JEWS are descendants of those ancient enemies of Christ, the JUDEANS. Whether or not they are racial descendants of those Pharisees is irrelevant, just as whether they are racial descendants of Abraham is irrelevant. The point is, these modern-day lawyers and Pharisees, who say they are JEWS, are the SPIRITUAL descendants of the ancient Jews who sought to kill Jesus.

The evidence presented by Brother Mohr is this book establishes this hatred by quoting from their own "holy book," The Babylonian Talmud. Brother Mohr lays out the facts for all to see. I believe it is inevitable that indifferent Christians will do all they can to distort the evidence brother Mohr presents and attempt to discredit him. Additionally, those who call themselves Jews today will be angered by it and will increase their assaults upon him and against the King he serves. Brother Mohr and I expect this, so let it come! We are ready.

This book deserves and requires more than a mere reading by Christians. It should be thoroughly studied, and where possible, shared with brainwashed brothers in the Christian churches.

Before you turn to page one, let me give you a starting point from THE WORD of our King. Turn to John 15 and read very carefully, beginning with verse 18 through verse 21. Then continue on through verse four of Chapter 16.

**LIGHTING A CANDLE**  
Chapter One

This book is about the Jewish Talmud which is to the Jewish world what the Bible is to the Christian world. In the words of Jewish author Herman Wouk, it is the "heart's blood of the Jewish religion."
The purpose of this book is not to downgrade the Jewish people, or stir up resentment against them. Its purpose is to explain, often in their own words, how they feel about you, the "goyim" (a Yiddish word meaning "non-Jew animal"), and about your religion, Christianity. It is written as a means of protecting ourselves from the greatest threat to ever face Christianity in our two thousand years of history. We cannot, we dare not, over look this threat if we are to survive as a free people.

Someone has said, "It is better to light one candle than to sit in darkness." For over twenty-five years I have attempted to light many candles. Where I may have failed during this period of time, I hope to see the day when one of these candles of truth will burst into flame and, like a long smoldering spark, start a conflagration which will sweep across America like a prairie fire and illuminate vast areas with truth for the first time.

It has been contended for centuries that in the end, truth will always prevail. We know that "truth in action can prove itself a dynamic force of unlimited power." But, truth has never been a self-starter. Truth has never been able to get off dead-center, and unless its apostle is willing to give it the necessary push to overcome inertia, "truth will die a-borning!"

On the other hand, truth has often been blacked-out by repeated, contradictory and conflicting misinformation. The world's history provides many examples of this sobering fact. Treason toward truth is treachery to mankind.

There are no degrees of truth. Truth is absolute! It can never be relative! Truth either exists, or it does not. There is no such thing as a halt-truth, any more than there can be a person who is half-honest, or half-loyal. In their attempts to do an ounce of good in one direction, many well-intentioned people have done a ton of harm in another direction.

Regardless of what anyone says to the contrary, Christian faith stands today with one foot in the grave and the other on a banana peel. It is distasteful to admit it, but it is true. While Christian churches have been increasing their membership rolls, Americans have been on a downhill, degenerate slide to ruin. Morally, we are in the sewer, and the churches have been unable to stop the destruction. In fact, they seem bent on greasing the slide. They offer "Christian rock," a contradiction in terms if there ever was one. They offer Bingo in the basement and live lavishly on other peoples' money. The exposure (pun intended) of the TV pulpiteers indicates the moral climate of this country. And what is the reason behind this degeneracy? There is a reason, and this book will reveal that reason. What is the hidden power which has such a powerful effect on the Christian world in 1991? What is the anti-Christ force which has turned the twentieth-century church into the Laodicean church of Revelation 3:14
- 18; a church which knows it is rich and influential and yet which cannot, or will not, see that it is "wretched, miserable, poor, blind, and naked?"
What can bring this wretched church back to its place of greatness where it can carry out Christ's plan of salvation?

Today, the Christian church stands at the crossroads of destiny. The divine and sacred mission of the Christian faith faces a danger at this juncture in history which is greater than any it has faced in 2,000 years. If the day ever comes when Christians cannot profess their faith as they do today in America, then we will see the beginning of the end.

The history of the world for the past several centuries, and current events at home and abroad confirm to the intelligent person that there is indeed a conspiracy afoot to destroy Christian civilization. The world-wide plot of these diabolical conspirators has been instituted while most Christians have been asleep in front of their pulpits and their TV's. For the most part, the Christian clergy, who should have been in the forefront of exposing this danger, have been indifferent or ignorant and have been the ones who assisted the enemies of Christ in their efforts to destroy us. This ignorance and indifference have dealt a blow to the Christian faith from which many will never recover.

Today, more than ever before, Christians need a "spiritual Paul Revere" who will ride across this land, warning that the enemy is closing in on them. This book is such an effort.

RECOGNIZING THE ENEMY
Chapter Two

It is important for a soldier in time of war to be able to identify his enemy. He cannot be successful in his efforts to conquer his opponent unless he readily recognizes him. Today, the souls of millions of Christians are uneasy about the state of the Christian faith. The minds of thousands of Christian clergy are troubled about the mysterious pressures from those above them which often prevent them from exercising sound judgment. If these forces can be identified, then Christianity will stand on its feet, face its enemies as firmly as the Rock of Gibraltar and stop them in their tracks. But unless this is done soon, the faith of many will "wax cold and begin to crumble away."

In Jeremiah 23:22, we read these words:
"But if they (the pastors of Israel) had stood in My (God's) counsel, and had caused my people (Israel) to hear my words, then they (the pastors of Israel) should have turned them (Israel) away from their evil way and from the evil of their doings."

This indicates to me that the message coming from the majority of Christian pulpits in America is not the unadulterated Word of God. For if the truth were being preached according to God's own Word, our people would have turned to Him. This is one of the major reasons we have undertaken this study of one of the major textbooks of the anti-Christ enemy, *The Babylonian Talmud.*

The Christian clergy are primarily, if not solely, responsible for the internal forces within the Christian faith which are fighting against its best interests. If we are to survive, we can no longer pussyfoot around with the truth because it offends someone or makes them uncomfortable. At this late hour there is very little time left for us to begin to mend the fence. Only the courageous will endure the present crisis, and both figuratively and literally, we will see live heroes and dead cowards when the dust of this battle settles. The Christian faith is the only anchor to windward which will stand against the universal savagery of the enemies of Christianity. They have willingly shown us the depths to which they will descend to gain their end of world control.

There need be no confusion in the minds of Christians when it comes to the fundamentals of the faith. This confusion would not exist if it were not for those of the clergy who are allies with the enemy who seeks to destroy them. There are countless Christians who are standing on the sidelines watching as their faith withers on the vine, and their freedom is about to drop into the laps of their enemies like overripe fruit. This cup will become more bitter when they realize that it is the ignorance and indifference of their spiritual leaders which has caused the deplorable condition of Christianity today. When Christians see their leaders in defeat on every front, they too will become confused and afraid. To stop this surrender, the clergy MUST make an about-face, no matter how painful it may be. They must take a stand against the invisible and intangible ideological war which is being waged against the Christian faith.

The utterance from the clergy which confuses Christians most and which is repeated from the pulpit and the printed page without ceasing is: "Jesus was a Jew. We must protect and help the Jews, no matter what they do because they are God's chosen people and if we do not help them, God will curse us." This is the teaching from the majority of Christian pulpits in 1992. They completely ignore the definition of an "anti-Christ" as given in I John 2:22-23:
"Who is a liar but he that denieth that Jesus is the Christ? He is anti-christ, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: but he that acknowledgeth the Son hath the Father also."

This couldn't be more clear, and it is certainly an accurate portrayal of Jewish thought today. In II John 1:10 - 11, Christians are given a stern admonition as to their attitude toward these anti-Christs:

"If there come any unto you, and bring not this doctrine, (that Jesus is the Christ.) receive him not into your house, neither bid him Gods speed: For he that biddeth him God speed is partaker of his evil deeds."

This leaves no room for argument!

Christians who know the Scriptures and history cannot reconcile the pulpit claim that Abraham was a Jew. They know this was impossible because Abraham lived more than 1200 years prior to those who became known as Jews. The Christian clergy of America is in bad repute today, and the only way they can redeem themselves is by telling the truth, the whole truth and nothing but the truth no matter how painful it may be to themselves or to their denominational leaders. They can begin by refuting the claims that Abraham was a Jew, Christ was a Jew, and that God's chosen people are the Jews.

With this as an introduction, let's take a closer look at those whom I identify as the enemies of Christ and Christianity: the International Talmudic Jews.

Before you become angry and throw this book away, I dare you to read on and, as an honest man or woman, compare what I have written with the Word of God.

Following is a comparison of the Jewish holy book, The Babylonian Talmud, with the Christian Bible. Most Christians believe that the Jews follow the TORAH or the Old Testament. Not so! According to Theodore Hertzl, father of modern Zionism, The Babylonian Talmud supersedes every other instruction. It is the center and foundation of Jewish belief and directs their behavior toward non-Jews whom they call "goyim."

THE EVIDENCE:
We will begin our study by reviewing the book, *Invitation to the Talmud*, (a teaching book) written by Jacob Neusner (a Jew) and published by Harper and Row in 1973. Neusner was a university professor and Ungerleider Distinguished Scholar of Judaic Studies at Brown University. He is author of *Invitation to Midrash* and has written or edited over 250 books on Judaism. He is known as one of the world's preeminent Judaic scholars and can be considered an expert on the Jewish religion. Excerpts from the Introduction to *Invitation to the Talmud* follow:

p. XVI *It (The Talmud) is the revealed word of God.*

p. XVII *It (The Talmud) is the revealed teaching -from heaven down to earth and conversely, to make the profane sacred.* (Profane: not sacred; common, not connected with religion; not initiated into the inner mysteries for esoteric knowledge of something. Ed.)

p. XVI II They (the Jews) rightly see The TALMUD as TORAH, God's revelation to Israel, the Jewish people, and they study it because it is TORAH.

What is the TORAH? The New World Dictionary of the American Language states that it is:

*The whole body of Jewish religious literature, including the Scripture and The TALMUD. In some instances it refers to the Pentateuch which are the five books of Moses; Genesis, Exodus, Leviticus, Numbers and Deuteronomy.*

p. XXII *Jewish intellectualism without Jewish faith proves wanting. For divorced from the soul of TALMUDIC being, secular reason among Jewish intellectuals remains formless and formal, producing on the one side the grotesque and absurd and, on the other side, an empty formalism.*

p. XXIV *Why does the Judaic tradition find God in the thrust and parry of argument as it does when it claims that God Himself studies the TORAH?*

The basic text on which *The TALMUD is* constructed, is the MISHNAH, a philosophical law code brought to closure at about 200 AD *The TALMUD* then draws together the MISHNAH and yet another argumentative text which is called the TOSTEFA, meaning supplements.
p. XXV The TALMUD is really two TALMUDS, for there was one systematic commentary for the MISHNAH, composed by Rabbis in the land of Israel (Palestine - hence called The PALESTINIAN TALMUD) or the TALMUD OF THE LORD OF ISRAEL, Or the YERUSHOLOMI or the TALMUD OF JERUSALEM. The other was composed by the Rabbis of Babylonia. The YERUSHOLOMI reached its conclusion at about 4000 AD and the BOOLI or BABYLONIAN TALMUD, a century or two later.

p. XXVII From it (The TALMUD) flows whatever truth Jews have to offer the world of Judaism.

(The BABYLONIAN TALMUD is the work most often used by Orthodox Judaism, therefore it is the point of our interest.)

p. XXX When The TALMUD raises an ethical question it speaks of "the good way in which a person should walk, not necessarily in which a Jew should walk." (Emphasis added. Ed.) When it treats dilemmas of social conflict, all parties to the conflict are assumed to be plain men and women - Jewish men and women to be sure . . . the discipline of the TORAH is the revealed will of God given to the people of Israel (Jews), and while the Rabbis are well aware that some people are Jews and many are not, The TALMUD is essentially interested in Jews.

(As we go along, we will be able to determine whether this statement is true or not.)

At this point, we look into the main body of the book.

p.1 The TALMUD IS THE SINGLE MOST INFLUENTIAL DOCUMENT In the history of Judaism.

It might be well for us to realize at this point that Judaism did not exist as a religion until the Babylonian captivity, about 590 BC. The Judahites went into captivity in Babylon as Hebrews, but returned seventy years later as Jews with a heathen occult religion which became known as JUDAISM. Theodore Hertzl, the father of the modern Zionist Movement once said: "It was during the Babylonian captivity that Israel (The majority of the tribes of Judah and Benjamin, along with the ten tribes of Israel, had been taken into captivity by the Assyrians some 150 years earlier and no longer lived in that area. Those who remained of the tribes of Judah and Benjamin were subsequently captured by the Babylonians and moved to Babylon to live and became known as Jews. Ed.) found
itself: It not only rediscovered the TORAH, and made it their rule of life, but under its influence new religious instructions, such as the synagogues . . came into existence.”

Christians need to remember, as we look closely at The TALMUD, that the JUDAISM which today follows TALMUDIC teachings is the PHARISAISM of Jesus’ day. You will recall that Jesus said to the Pharisees in Matthew 15:6 - “Thus have ye made the commandment of God of none effect by your tradition.” And, in verse nine, He accused them of: “. . . teaching for doctrines the commandments of men.”

The famous Jewish Rabbi, Louis Finklestein, in the foreword to his book The Pharisees. The Social Background of Their Faith, said: ”. . . Judaism . . . Pharisaism became Talmudism, Talmudism became Medieval Rabbinism and Medieval Rabbinism became Modern Rabbinism. But Through all these changes in name . . . the spirit of the ancient Pharisees survived unaltered . . . From Palestine, to Babylonia; from Babylonia to North Africa, Italy, Spain, France and Germany; from there to Poland, Russia, and Eastern Europe generally, ancient Pharisaism has wandered . . .” (Demonstrating the enduring importance which is attached to Pharisaism as a religious movement Ed.)

In order for us to better understand The Talmud, we must first look at the men who were responsible for compiling and writing this reference work over a span of some 1,000 years. The Talmud is the product of a small group of Jewish sages (“profoundly wise counselors” - The Reader's Digest Great Encyclopedic Dictionary) who lived in the land of Israel, which is called the Holy Land, and in the land of Babylonia.

Four facts emerge regarding the "wise men" who contributed to The Talmud and about the social environment at the time:

1. They saw themselves as men of wisdom. This view of themselves led to the emphasis of two instructions:

   A. Learning what was already known.

   B. Understanding the new in terms of the old.

2. These wise men perceived that the land they dwelt in, Palestine, was holy.

3. They lived in a time of religious ferment in which religions were coming into being and fading away. The first century marked the beginning of Christianity.
4. They were comprised exclusively of men. This should come as no surprise since men of antiquity had a low opinion of women. The Christian Apostle Paul taught that they should be silent in the church. Philo, a Jewish philosopher, taught that sexual relations were permissible only to produce children. Hyrcanus, a first century Rabbi said that a Jew should not teach his daughter the TORAH.

The rabbis were not the ones who held power in the Jewish community. In the first century AD, Judea, and those who lived there who had become known as Jews, were under Roman control, and Babylonia was a province in the Persian (Iranian) Empire. But the day-to-day governing of the Jewish people was left in the hands of a Jewish authority who, when holding the title, was called the EXILARCH. This meant he was the ruler of the Jewish community while they were in exile from the Holy Land. He was recognized by the Romans because he served the purposes of Rome. When these Judahites lived in their own land, the leaders were called "PATRIARCHS" and they ran the country to maintain the peace and well-being of the people.

Both the EXILARCH and the PATRIARCH had one thing in common; they both claimed Davidic descent. This did not mean they could trace their genealogy back to David, but each supposed his family was one of those who might produce the coming King-Messiah.

The Macabees claimed this as did King Herod, who was an Edomite. The rabbis formed the religious and political movements of the land. There were two major political parties, the Saducees and the Pharisees. They served in the government of the EXILARCH or PATRIARCH. The rabbi taught that when all Jews did as he did, then the Messiah would come. One of them was quoted as saying: If all the Jews will keep the Sabbath for one time only, the Messiah will come.

The rabbis stood apart from the regular Jewish populace and encompassed the myths revealed in The BABYLONIAN TALMUD which centered on Moses and the story of his piety. They teach that due to the piety of Moses, God gave him the Law twice; once orally and the other in God's own handwriting. And, they hold that just as God had given Moses the Law, or the TORAH, they would teach it to their disciples in the same manner.

The rabbis taught that Moses was a rabbi, and for the rabbis, God dons ecclesiastical garb and wears the phylactery which is two small leather cases holding slips inscribed with Scripture passages. One is fastened to the forehead and one to the left arm. The rabbis teach that they study the TORAH on earth as God and the angels study it in heaven. These
heavenly school teachers are aware of the Babylonian discussions and enjoy the exceptional grace of heaven. They want to transform the entire Jewish community into an academy where the TORAH is studied and kept because they believe Jews will be redeemed by keeping the TORAH (Law). This is one of the major dividing points between Judaism and Christianity for Christians are taught: "For by grace are ye saved; through faith. . ." (Ephesians 2:8)

The Jew is taught that he merits God's favor by obeying the Torah. Thus each Jew becomes a rabbi as he practices the commandments and does good deeds. When all Jews become rabbis, then the Messiah will come.

The rabbinical religion consists of two elements. One is the esoteric, secret doctrines pertaining to the very essence of God, and the second is an often self-centered view of man's relationship to God. If a Jew sins by omission (by not doing something), he will be held responsible and punishment will follow here and now through physical suffering. If people who are wicked prosper, or if they do not sin and suffer, the rabbi always has an easy explanation for it.

Other elements of rabbinical theory center on demons, witchcraft and incantations; revelations through omens, dreams and astrology; the value of prayer and magic formulas; rabbinical blessings and curses and the merit gained through study of the TORAH.

The rabbis believe in invisible beings which populate space and carry out Divine orders. The prayers of the rabbis center on four major themes:

1. The temple and its cult.
2. The wrath of God.
3. The humility and helplessness of men.
4. The ideas and sacred symbols found in the TALMUD.

A world of difference separates the ordinary Jew from the rabbi. The rabbi is separated because his social life is completely alien to that of outsiders, and because of his study. The Jewish people listen to the Scriptures and to the TORAH as it is read in the synagogue. They observe the Sabbath and most of the ritualistic laws, but they understand the TORAH and The Talmud about as much as the average Christian understands the Bible. When a question arises, just as in the Christian realm, instead of searching for the answer themselves, they go to the rabbi just as the Christian goes to his pastor. The rabbis teach that what the average Jew does not understand
about God, they, the rabbis, do understand. This is really not so much different from the dogmas of some preachers.

The Hebrew word MISHNAH is from a root word which means "to repeat." The TALMUD teaches that Moses received the TORAH on Mt. Sinai; once in written form on stone by God Himself and the other by oral instructions which were to be passed on by repetition, or through memory. These have been handed down for many generations.

The MISHNAH is divided into six major sections entitled, "Orders," or, in Hebrew, SEDER. The first deals with agricultural law and is the ZERAIM, meaning "seeds." The second is the Sabbath and festival law, called MOED, meaning "season." The third deals with the family, various vows, oaths, marriage, divorce and inheritance and it is called NASHIM, meaning "women." The fourth concerns civil law, torts, damages, criminal law and punishments and is called NEZIKIN meaning "damages." The fifth deals with sacrifices and things pertaining to the temple in Jerusalem, such as the order and cult of animal sacrifices. It is called KODASHIM, meaning "holy things."

The MISHNAH orders are sub-divided into sections called TRACATES of which there are 63. The six major sections of the Orders, are divided as follows:

- ZERAIM, 11 tracates, with 74 chapters;
- MOED has 12 tracates with 88 chapters;
- NASHIM, seven tracates with 71 chapters;
- NEZIKIN, ten tracates with 73 chapters;
- KODASHIM, 11 tracates with 91 chapters, and
- TOHAROT, with 12 tracates and 126 chapters.

It is obvious we are dealing with a book a good deal larger than our Holy Bible.

The MISHNAH is comprised principally of the sayings of the rabbis who lived in the first and second centuries. There is very little written before the destruction of the Temple in Jerusalem in 70 AD (That can be explained by the fact that prior to the Babylonian captivity, the Judahites were under a patriarchal system and worshiped God as prescribed by their forefathers and the Scriptures. During the captivity, those Judahites who were taken captive by Babylonia adopted much of the mysticism and
occultism of their captors and mixed it with the belief structure they had at the time. That is when The Talmud came into existence, and following the destruction of the Temple, the opinions of the rabbis began to be written down as "law." These opinions were largely the "traditions" they had gleaned from their captors by mixing God's Law with man's mysticism and occultism.) It is a document of imagination and fantasy, describing how things are using but shreds and remnants of reality. It tells how things were or how the rabbis wanted them to be. It is an orderly document, narrow-minded, dull and very routine.

No wonder Judaism has so little comfort to offer its adherents. It lacks hope of sins forgiven, no hope for the future; their god is money, and their holy city is not old Jerusalem, but New York City. More Jews are leaving old Palestine to come to America than there are migrating to it.

The aftermath of the Jewish rebellion against Rome in 132 - 135 AD was that the temple site was permanently prohibited to Jews, and Jerusalem became a closed city to them.

A REVIEW OF DR. NEUSNER'S BOOK - INVITATION TO THE TALMUD:

This is a capsule introduction to The Talmud. Only the surface has been scratched, but you now have a working knowledge of its origin. In the coming chapters, we will examine the book itself. First, we will discuss Dr. Jacob Neusner's comments from his book, Invitation to the Talmud, which can be purchased at many Christian book stores. Then we will allow The Talmud to reveal itself. From an in-depth study done by Elizabeth Dilling entitled, The Plot to Destroy Christianity, you will see some reproduced pages from The Babylonian Talmud.

Dr. Neusner admits that The Babylonian Talmud is a vast compilation of Jewish law and fairy tales. At this point it is appropriate to read what our Holy Scriptures have to say about fables.

"As I urged you upon my departure for Macedonia, remain on at Ephesus, in order that you may instruct certain men not to teach strange doctrines, nor to pay attention to myths and endless genealogies, which give rise to mere speculation rather than furthering God's provision which is by faith." (I Timothy 1:3-4)
"But have nothing to do with worldly fables fit only for old women. On the other hand, discipline yourself for the purpose of godliness; . . " (I Timothy 4:7)

"For the time will come when they will not endure sound doctrine; but wanting to have their ears tickled, they will accumulate for themselves teachers in accordance to their own desires;" (II Timothy 4:3-4)

"This testimony is true. For this cause reprove them severely that they may be sound in the faith, not paying attention to Jewish myths and commandments of men who turn away from the truth." (Titus 1:13-14)

"For we did not follow cleverly devised tales when we made known to you the power and coming of our Lord Jesus Christ, but we were eyewitnesses of His majesty." (II Peter 1:16)

This latter verse indicates that Christians are not to follow "cunningly devised fables (tales)." Unfortunately, many Christians have overlooked this admonition in their eagerness to accept Jewish teachings as the truth.

The vast work of The Babylonian Talmud was put together by Jewish rabbis from Palestine and Babylonia between the first and seventh centuries A.D. The Talmud attempts to compel interest by approaching all problems from a "rational," rather than a "spiritual" perspective. Neusner states that a study of The Talmud allows a disciplined intellect to exercise itself through clean, sustained, and vigorous argument. How clean this argument is will be clearly seen when we delve into The Talmud itself.

The Talmud is not an ordinary document of antiquity. It is the "heart's blood of the Jewish religion." To understand the Jewish mind, you must know something about his Talmud. The ability to enter a discussion on the issues and arguments of these learned rabbis is, to the Jews, a measure of intellect, piety and the virtue of holiness.

My Christian friends, wake up and realize that we are engaged in a struggle for the souls of men and women and for their freedom. It is a struggle between those who, as Dr. Neusner says, put their faith in the "traditions of men" and those of us who believe in 'faith" which, according to Hebrews 11:1, is: "... the substance of things hoped for, the evidence of things not seen."

Neusner claims that while Gentile (who, according to Jews, are non-Jews) skepticism yields corrosive and negative results, that of the Talmudic
skeptic produces "measured, restrained, limited insight." (Such as the restraint that is being shown to thousands of Palestinian Christians by the Israeli.)

For *The Talmud*, the alternative is not faith, as the Christian knows it, but a blind reliance on the arguments of rabbis, thousands of years dead, few of whom can agree on anything.

*The Talmud*, unlike the *Holy Bible*, conforms to the social pressures of the community. When the *Bible* says in Exodus 23:2: *Thou shalt not follow a multitude to do evil; . . .*

*The Talmud says:*

Let's see what the ancient rabbis have to say about it then we will decide.

Where the Christian *Bible* says:

Thus saith the Lord!

*The Talmud says:*

Thus saith rabbi so-and-so.

The Talmudic rabbis, like their liberal counterparts today, believed that "environment, or society, forms the individual." So they teach that in order for man to be righteous in the eyes of God, he must give strict observance to the rabbinical laws not as laid down by God, but as interpreted by the ancient rabbis. So the Jew concentrates on such things as racial issues and uses the other races whom he despises and calls "goyim" (non-Jew animals) for his ulterior purposes in changing society to conform to his ideas and his one-world objectives. He is willing to use the black man as cannon fodder in a racial conflict if it will further his desired changes in the world. You will come to understand this more fully as *The Talmud* itself reveals beliefs and practices toward the goyim. In his review, Dr. Neusner adheres closely to the positive aspects of Talmudic teaching and makes no references whatsoever to the unnatural teachings toward the non-Jew.

*The Talmud* teaches that among the Talmudic sages there were literal miracle workers, sort of Jewish Oral Roberts, I guess. But while the so-called miracle workers of Christianity are usually found in the realm of physical healing and the casting out of demons, in the world of *The Talmud* they are the lawyer-magicians of Babylonia, skilled in the occult
practices of the CABALA. This is the occult philosophy of the Talmudists based on mystical interpretation of Scripture.

While the Talmudists make much of their appeal to reason and human deduction, the religion of Judaism is actually rooted and grounded in the mystic occult superstitions of ancient Babylonia. This approach to life is that of the secular humanists which is directly opposed to everything which is taught in the Bible. We read in Jeremiah of the Christian concept of man. "The heart is deceitful above all things, and desperately wicked: who can know it?" (Jeremiah 17:9)

The Talmudists say that man's actions are governed by his environment and his obedience to the rabbinical laws. James 4:1 says that, wars and fightings of mankind come because of their lusts and goes on to warn in James 1:14 - 15: "But every man (or woman, Ed.) is tempted when he is drawn away of his own lust, and enticed. Then when lust has conceived, it bringest forth sin: and sin, (which Scripture defines as "transgression of God's Law" - I John 3:4, Ed.) when it is finished, bringeth forth death."

Can you see the difference between the two avenues of thinking? One excuses man for anything he does, while Christianity holds him accountable since he is capable of knowing the difference between right and wrong and has the power to choose which path he will take.

The Talmudists say:

Put men and women in the proper environment and they will become as God.

Christians say:

There must be a change of heart. Ye MUST be born again! (John 3:3)

Dr. Neusner makes a remark on page 287 which cannot be substantiated in Jewish life. He states that the teaching of The Talmud brings about a: "renunciation of brute power, affirmation of the force of ideas and reason . . . these represent the Jewish discovery."

Tell this to the Palestinians who have been driven from their homes by the Israeli and who are now being subject to as much brutality as Hitler ever exhibited against the Jews. This idea is prevalent in Jewry. Not so long ago I listened to a radio talk show broadcast from Atlanta, Georgia. A caller was decrying the suffering of the Palestinians when a woman called in to the show. She identified herself as a Jewess. With supreme arrogance
she said: Why are you so concerned about the Arabs? After all, they are only animals!

On page 291 of Neusner's book he represents the Jewish attempts to neutralize and eventually destroy Christianity, by saying:

The Talmud raised abiding skepticism about what people offered as salvation as the final solution to the problems of the human condition. The Talmudists did not expect final solutions and were trained to ask devastating questions about their finality. The Talmud readied the Jews for the modern situation of doubt, of provisional truths, and hypotheses subject to testing and revision.

It is for this reason that Judaism is built upon the foundation of shifting sand. It can be revised in any age, to fit the whims of the people. It fits Paul's admonition in II Timothy 4:3 - 4: For the time will come when they (the people) will not endure (put up with) sound doctrine,' but after their own lusts (desires for material things) shall they heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned into fables.

Have you ever wondered why Santa Claus and the Easter bunny have become more important to many so-called Christians than Jesus Christ? Think about it.

Dr. Neusner's comments on page 292 show why the Apostle Paul said these strange alien people are "contrary to all men" (I Thessalonians 2:15). Dr. Neusner states:

The best proof of the duty to make reasonable decisions among unreasonable alternative was the Jews themselves, who, because of their international character and their memories of many lands and empires, saw the world in all its complex plurality (this is the Jewish one-world mentality, Ed.) but they chose to form the most vivid and intense of all groups, to sustain what is after all the most particular (and peculiar, Ed.) of all literary traditions, the Talmud itself. Yet they did so in full knowledge that their group (Jews, Ed.) was not co-extensive (having extent with time and place, Ed.) with society . . ."

This is one of the reasons Jews were expelled from every country in Europe at one time or other. It was not because they were "God's chosen people whom Satan hated," as Baptist evangelist Jack Van Impe implies, but because of their anti-social, treasonous efforts against every people
Many people have remarked about the propensity of the Jew, both men and women, to use filthy language. They have an inborn love of dirty jokes, the filthier the better. The Jewish comedian earns his living from the brainwashed goyim by telling filthy stories. My wife and I took a recent cruise from Argentina to the Barbados and this fact became increasingly obvious. About a third of the approximately thousand passengers were Jews. During the passenger’s Talent Night, two Jews, an elderly man and woman, took part. They told dirty jokes, the man telling some which were so dirty that I would have been embarrassed to have heard them in an all-men audience. Where do the Jews get this bent toward mental filthiness? It comes straight from this literary work, the *Babylonian Talmud*, which Dr. Neusner praises as "clean, brilliant, complete, elegant . . . a thing of splendor." You can make this determination for yourself as we progress further into this study.

Neusner claims that the writers of *The Talmud* were not only forerunners of the German "rational professors," but they were holy men. It was "rational German-Jewish professors" who took the Christian world down the road from faith to doubt as they attempted to rationalize the spiritual truths in our Christian Bible with their higher criticism. Neusner claims

A completely reliable English translation of *The Babylonian Talmud* was published in England by the Soncino Press between 1935 and 1948 in thirty-five volumes. These translations were accompanied by brief notes which explained the passages. A close perusal of Neusner’s book will reveal that he deliberately avoided mentioning any part of it which might be repulsive to the Christian. There are many examples of these passages, and we will look at a few as we progress in our study. These are often morally reprehensible and full of outright hatred of Jesus Christ and anything pertaining to His church.

**TALMUDIC INFLUENCE CHAPTER THREE**

who tried to help them. This is one of the major reasons that American Jews, citizens of this country who have pledged their loyalty to America, will nevertheless give their first loyalty to world Judaism and its international government. This is why we have seen so many Jews tried for treason in America since World War II. Their first loyalty is to World Zionism and any program, or political persuasion, which will further its purpose.

Neusner claims that the writers of *The Talmud* were not only forerunners of the German "rational professors," but they were holy men. It was "rational German-Jewish professors" who took the Christian world down the road from faith to doubt as they attempted to rationalize the spiritual truths in our Christian Bible with their higher criticism. Neusner claims
that the Jewish rabbis lead men to reason, where our finite mind becomes a counterpart with the infinite, omniscient mind of God Himself.

This type of thinking was reflected in the teaching of the German-Jew, Ludwig Fuerbach, over one hundred years ago when he stated: *Man will finally be truly free when he realizes there is no god of man but man himself.*

This idea became so deeply ingrained in the mind of a young Jewish radical named Karl Mordecai Marx that it became the foundation of modern Communism.

The Jewish faith is reflected in the Talmudic myth which teaches that God Himself studies the Torah, with Moses and the heavenly academy, and that He reads it standing up so great is His respect for it. This myth goes on to state that when a problem arises in heaven, God asks the earthly rabbis for advice on how to handle it. This transcends some of the arrogance even seen in the Christian pulpits.

*The Babylonian Talmud* begins with page two, since the rabbis teach there is "no beginning." A page from *The Talmud* is called a FOLIO which in Hebrew means "tablet." The obverse is called "a" side, while the reverse is "b." Therefore, when you see the designation BERAKHOTH, 51 b and 52a, you know what section of *The Talmud* to look in and the portion of each page that is referenced. The comments in these sections are usually made by some well-known rabbi of the past. In the case of BERAKHOTH, the commentary is by Rabbi Solomon bar Isaac, known as Roshi Abbi Clomo Benishag, who lived in Troyes, France, from about 1040 to 1105 AD. Roshi is one of the major figures in the history of Judaism because of his commentaries on *The Talmud*.

The GEMERA section of *The Talmud* serves as a commentary on the MISHNAH and is the product of about three centuries of Jewish teaching. It comes from an Aramaic word which means "the learning," or "commentary" on the MISHNAH.

*The Babylonian Talmud* covers a "tracate" of some 63 volumes which will till a 12 foot bookcase. It is huge. It takes for granted that its students have a full knowledge of Jewish "cultic purity."

Cultic impurity is acquired by coming into contact with what is called a "Father, child or offspring of uncleanness." For instance, contact with a dead body, contact with a person having a transmittable disease, objects made of metal, wood, bone or cloth are also believed to be "fathers of uncleanness," if they have been touched by a dead body.
Food and liquids also can be considered unclean. But unclean food does not render dishes or eating utensils unclean. A liquid that has been made unclean by coming into contact with a 'father of uncleanliness" will make a vessel unclean if it touches the inside of the vessel. If food touches a person or vessel which is unclean, it automatically becomes unclean. It is not always necessary to wash your hands before eating to prevent uncleanness, but do as Rav taught and cover them with a napkin.

It is this Pharisaical nit-picking over uncleanness which Neusner calls "literary greatness," but which caused Jesus to address the Pharisees in Matthew 23:25 - 27 in the following manner:

"Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion and excess. Thou blind Pharisee, cleanse first that which is within the cup and platter, that the outside of them may be clean also. Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whitened sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness."

In Mark 7:3 - 9 the Christ said:

For the Pharisees, and all the Jews, except they wash their hands oft, eat pot, holding the tradition of the elders. And when they come from the market, except they wash, they eat not. And many other things there be, which they have received to hold, as the washing of cups, and pots, brasen vessels, and of tables. Then the Pharisees and scribes asked him, Why walk not thy disciples according to the tradition of the elders, but eat bread with unwashen hands? He answered and said unto them, Well hath Esaias prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their heart is far from me. Howbeit in vain do they (the Jews) worship me, teaching for doctrines the commandments of men. For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do. And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition.

This is the stupidity of Judaism as it is taught by The Babylonian Talmud.
The rabbis reveled in nit-picking. For example, they wrote that any common food which they deemed unclean would be unfit for the Temple heave offering. They even went as far as to declare "four removes," which were stages of uncleanness.

The rabbis who wrote these purity rules ("commandments of men" as Jesus called them) were common folks in Babylon who pretended they were priests. They were the remainder of the Judahites from the House of Judah who were in exile for their sins. They pretended that they were eating a meal in the Temple in Jerusalem at the table of God. At this time, the Temple had been destroyed and there was no such thing as a Jewish nation in existence anywhere. The bulk of the House of Judah had been carried away by the Assyrians who scattered them among the House of Israel so that they, too, (just as the northern tribes of Israel) lost their identity as a kingdom. The rabbis taught that by adhering to the rules they laid down, one could change the commonplace into the holy. This captured the puzzling notion that if one preserved the purity of a slice of bread, for instance, you somehow changed it into "holy shew bread." As a result of these nit-picking rules of men, which became the "traditions of men" Jesus spoke about, the Jews were taught to eat their meals in an atmosphere of "cultic purity." Uppermost in their minds was that every aspect of ritualistic eating must be fulfilled. To their way of thinking, that began with the traditional grace before meals which said: Blessed art thou, Lord our God, king of the world, who brings forth bread from the earth.

Therefore the food they ate had to be prepared with special ritualistic procedures. We are not speaking here of the foods forbidden by the Scriptures such as pork or shell fish, but of Kosher food which had to be approved by the rabbi to be clean.

The following example will illustrate the ridiculous trivia they mandate and require of their congregations. The rabbi of the House of Shamma will say, "He wipes his hands with the napkin and lays it on the table, tor if you say 'non the cushion' it is a precautionary decree lest the liquids which are on the napkin become unclean because of the cushion and when the napkin is used, it makes the hands unclean."

Another interesting observation is that a Jew may eat "unconsecrated" food without washing his hands, but it becomes a sin if "consecrated food" is eaten with unwashed hands. Talk about splitting hairs!

The Babylonian Talmud was originally written in both Hebrew and Aramaic, and most of The Palestinian Talmud was written in Hebrew. The use of these languages is not accidental. Therefore, we find that part of The Babylonian Talmud known as the TANNAIM, which is comprised of "statements of standard law" are in Hebrew, while the comments and
analysis of the AMORAIN, are in Aramaic. The editor's remarks are
normally in Aramaic. Those parts written in Hebrew will appear in normal
type, while the Aramaic bits will be in Italics. Boldfaced type is used for
portions of the MISHNAH and the TOSEFTA.

The idea that the "canon" (body of law) was completed at Mt. Sinai is not
accepted by the rabbis. They say that later teachings of the rabbis,
including that which was taught by themselves, are revelations from God.
This means that the basis for Judaistic belief is constantly open to new
canonical authoritative doctrines on both the law and Jewish theology.
One group of rabbis holds the position that: "You must first clean your
house and then wash your hands," while the other adamantly states: "If
you say wash the hands first, it turns out that you spoil the food." On the
Sabbath, an orthodox Jew is not supposed to move something from the
private to the domestic domain. The arguments between the rabbis surge
back and forth as the various houses vie for supremacy until the ordinary
Jew is uncertain of what course he should take.

The religious Jew takes for granted that he may make decisions regarding
the Gentiles, or more accurately, the "goyim." Now most of the goyim
could care less whether or not the Jews say a blessing over their candles;
or the manner in which they sniff the incense, or sip their wine.

What difference does it make to us how the Jews do these things?
However, the orthodox Jew believes it makes a great deal of difference.
Since the Jews in most ages had very little control over the outside world,
the world of the Gentiles, the rabbis made a grand issue of enormous
consequences the simplest actions on the part of the Jew. When a man sat
at the table to eat, his napkin had to be placed in the correct position or it
would become unclean. In this, he thought he was the priest in the holy
Temple.

The rabbis managed to take the common things of life and turn them into
things of great importance. So the Jews were taught that if they obeyed
God, no one would ever rule over them, but if they disobeyed, the heathen
would get the upper hand. This, by the way, is the belief of most Kingdom
Movement people, and for once, the Jewish rabbis were right.

Another Talmudic rule has to do with spices and incense. One rabbi says
that if a Jew is walking outside a village in which most of the inhabitants
are non-Jews and he smells a scent, he does not bless the smell. However,
if most of the people who live in the village are Jews, he blesses it.
Another rabbi says that even if most of the villagers are Jews, the Jew may
not bless the smell because Jewish women use incense for witchcraft.
Another rabbi says: "If a Jew is walking in a Gentile market and is pleased
with the scent of their spices, he is a sinner." And on and on it goes'.
These teachings are utterly inconsistent with the teachings of Moses, and they are constantly arguing over non-essentials just as Christian monks once did during the Middle Ages when a great argument raged over how many angels could dance on the head of a pin.

Arguments over whether to say "Amen!" over a blessing when you have only heard part of it; whether to say "Amen." after the blessing given by children in a schoolhouse; whether to say a blessing when there is no oil available; whether a physically dirty person is unfit to say grace; these are all part of the nit-picking that goes on between the rabbis.

An interesting, yet completely nauseating aspect of *The Babylonian Talmud* is the robust sexuality of its laws concerning sex and women in particular. For instance, the rabbis love to refer to a couple who have intercourse all night long and they promise blessings to those who have sex two or more times in a night. In fact, the more often the better as far as the rabbis are concerned. But the sex act must be done properly according to their ritualistic law.

In their theory, if an unmarried man is legally engaged and has sexual relations with an unmarried woman, the couple are considered to have consummated a legitimate marriage union and are recorded as being legally married. This is somewhat contrary to any law Moses ever recorded from God!

The Torah prevents a woman from having sex during her menstrual cycle. Then the discussion arose among the rabbis over whether it was better to have sex in the light, or in the dark. Was it all right to have sex in any other than a private condition? The pious could have sex in the dark, while the ultra-pious cleared the bedroom of flies and mosquitoes before they engaged in the act. Nothing was said about whether this was for religious purposes, or for the comfort of the couple so engaged.

The rabbis seemed to believe that a shy, modest person could not learn, so they minced no words when it came to graphic description of the sex act. Much of it was so filthy that it would not do to include it in this book. If you want to know why the average Jewish person seems obsessed with sex, just read *The Talmud*.

Dr. Nuesnerfreely admits on page 279 in his *Invitation to the Talmud*, that *The Talmud* is "peculiarly modern in its systematic skepticism, its testing of each proposition . . . The Talmudist's first question is 'What is the reason?'" He goes onto say that the Talmudic approach is to reason things out, rather than accept them on faith. It was this Jewish thinking that came close to destroying 20th century Christianity through the "higher criticism" of German-Jewish scholars.
Dr. Benjamin Freedman, a converted Jew, in his extraordinary book, Facts are Facts! said:

For every ounce of good you accomplish through the conversion of a self-styled Jew to the Christian faith, you do a ton of harm in another direction. Regardless of what anyone, anywhere and anytime may say, events of recent years, everywhere, have established beyond the question of doubt, that the Christian faith stands with its foot in the grave and the other on a banana peel, speaking figuratively.

The Christian faith stands at the crossroads of its destiny. The Divine and Sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its 2,000 years of history.

If the day ever arrives when Christians can no longer profess their faith, as they profess it now in the Free World, then it will see the beginning of its last days.

The history of the world for the past several centuries and in current events at home and abroad, confirms the existence of a conspiracy to destroy Christian civilization. The world-wide plot of these diabolical conspirators has been implemented while most Christians have been asleep. The Christian clergy seem to be more ignorant, or indifferent to this plot than other Christians. They seem to bury their heads in the sands of indifference and ignorance. This has dealt a severe blow to the Christian faith . . . Christians need a spiritual Paul Revere to ride across the land, warning that their enemies are closing in on them.

HISTORY OF JUDAISM IN THE NEW WORLD
Chapter Four

The history of Judaism in the New World actually began with Columbus' trip to the West Indies. On August 2, 1492, over 300,000 Jews were expelled from Spain under royal edict because of their treacherous dealings with the invading Moors from North Africa and for their unscrupulous business practices. In many instances during the height of
the Moorish invasion, cities which were under attack by the Moslem hordes had their gates opened from within by Jews who had been befriended by the city's inhabitants. On August 3, 1492, Christopher Columbus set sail to the west in an attempt to find a short-cut passage to China. He took a group of five Jews with him. These were not refugees by any definition, but were wealthy, prominent businessmen who hoped to make a financial killing on the gold they expected to find.

The old wives' tale that Queen Isabella sold her jewels to finance this trip will not stand up under historical research. These Jews, who were known as "maranos," had converted to Catholicism because it was to their advantage to do so. At this time they wielded great influence in the Spanish court. Luis de Santagel, who was an important Valencian merchant and the royal tax collector, was one of these men who went with Columbus. Another was Gabriel Sanchez, a relative of Santagel who was the royal treasurer of Spain. Their mutual friend, the Jew Juan Cabero, the royal chamberlain in charge of the royal house accompanied them also.

There were four other Jews associated with this epic journey: Columbus' interpreter, Luis de Torres; his surgeon, Marco; Benal, a physician; and Alonzo de la Calle. Luis de Torres was the first European to set foot ashore in the New World and the first to discover the use of tobacco.

These Jews worked on Queen Isabella's imagination by telling her that Columbus would discover unheard of riches, and that they would be able to convert thousands to Catholicism. Isabella, being a very devout Catholic, was moved by this to give her consent to the voyage. Santagel himself advanced 17,000 ducats, equal to about 50,000 pounds in modern money.

All of the Jews who accompanied Columbus were richly rewarded for the part they played in this work, and they repaid Columbus by betraying him through a conspiracy engineered by the ship's doctor, Benal. Columbus landed in a Spanish prison.

From the very beginning, Jews gravitated to the New World, many settling in what is now Brazil. But due to expected Jewish conduct, they were forced to emigrate and headed north where they ended up in the Dutch colony under Peter Stuyvesant, in what is now New York state. Stuyvesant had experience dealing with the Jews in Holland and was reluctant to allow them into the colony, but allowed them to remain because of the large sums of money they invested in the Dutch East Indies Company. It is the same old story of greed on the part of so-called Christians.

From their base in New York, they became the backbone of the African slave trade, owning most of the slave ships which plied the waters
between Africa and the New World with their pitiful passengers. Records in the public library in Boston, Massachusetts, show the names of the Jewish owners of these slave ships. They also owned most of the distilleries in the area which distilled the rum that became a media of exchange for slaves in Africa.

Jews were at first forbidden to enter public service, or open retail stores in the thirteen colonies so they went into foreign trade. They made New York City the principle port in the New World and this city has been their paradise of gain ever since. To the International Jews, it is their capital city. Some Jewish leaders in recent years have boldly declared that the United States is their "Promised Land," and that New York City is their "New Jerusalem."

By the time of the American Revolution, there were about 4,000 Jews in the colonies, most of them well-to-do traders. They helped the revolutionary cause by lending large sums of money at exorbitant interest rates to the revolutionists.

By 1850, the Jewish population had increased to over 3,300,000. It would be impossible today to list all the businesses controlled by American and International Jews in this country, or to intelligently estimate the enormous power they have over our government.

From the height of their economic pinnacle, they control the entire Babylonian money system of finance and industry. There is not a citizen among us, man or woman, rich or poor, who does not in some way pay tribute to Jewish money power. You can count on your fingers the preachers, politicians, industrialists and educators who are not debtors to the Jews and therefore not under their power.

Jewish financial power resembles an "imp" which one cannot see, yet he has his fingers in every pocket. He is especiaaly experienced in the art of seduction, having received his training from the "master seducer" of all. (See John 8:44) He speaks to the captive Christian world and sneeringly says: "Worship me, and I will give you all of this; I will lead you to happiness." This is the same tempting promise his spiritual father made to Christ in Matthew 4:8 and 9. While he promises happiness, his promises lead to slavery and horrible death.

At the end of the Napoleonic Wars, a Jew from Frankfort, Germany, by the name of Rothschild, borne on the wave of the power of gold, rose to phenomenal prominence in Europe. He became the visible head of this Jewish world power. All other Jews bowed to him. He was the king of world finances and commanded the masses of world Jewry, as sure as Adolf Hitler ever commanded the army of the Third Reich. It is
impossible to calculate the influence of this family for they had countless billions of dollars in wealth and, at their beck and call, presidents and kings cringed at their spoken word. They were as much the ruler of the world as any crowned head of state, and their subjects were the countless millions who toiled in every country to add to their power and wealth.

In the twentieth century this European Jewish family was challenged in the New World by another Jewish dynasty, that of the Rockefeller clan. These people hid their Jewishness under the facade of Protestantism and engaged in a life and death financial struggle for world supremacy.

The profits acquired by these international Talmudist bankers were used to improve their social standings. They mingled with and intermarried into some of the most prominent families of Europe and America, even into the royal family of Britain. Their longing for supremacy in the Arts and Sciences was part of their longing to be recognized by the cream of society. This meant that they had to acquire power in literature, medicine, and public education while controlling the professions of Law and Journalism. This they set out to do.

Today, Jewish journalists form a closely connected, powerful combine composed of the most clever and industrious minds of Jewry who are dedicated to the furtherance of International Talmudic Judaism. They have appropriated the right to intervene in foreign affairs to the point where their Anti-Defamation League of the B'nai B'rith (an unregistered agent of the Israeli government, operating illegally yet with impunity in American affairs) controls the American Congress. Powerful politicians, such as Senator J. William Fulbright of Arkansas and Senator Percy of Illinois have learned to their sorrow the price of bucking Zionist interests in Washington, DC.

As Jews attained social status, they invaded the Christian world and brainwashed Christians of various religious hues into accepting a false theology that placed the Christ-haters in the position of being God's Chosen who can do no wrong. Blinded by Jewish cries of "world brotherhood," and from the cries of the National Council of Churches who epitomize apostate Christianity, the clergy of America are befuddled by the humane appearances of Jewish theories and seem incapable of perceiving the danger which threatens the Christian world with extinction. Samuel Untermeyer, who arranged for the International Boycott Conference in Amsterdam, Holland, in July 1933, stated:

"... the holy war... in which we (Jews) are embarked, is a war which must be waged unremittingly... the Jews are the aristocrats of the world... this boycott must be against..."
This was long before there was any sign of pressure against the Jews in Germany.

During World War II, the Administration of President Franklin Delano Roosevelt was literally overrun by Zionist Jews. There is mounting evidence which has been surfacing over the years which proves that America was deliberately led into World War II by the Zionist interests in Roosevelt's Administration.

The Hon. Henry L. Stimson, Secretary of Defense during world War II, wrote in his daily diary for November 21, 1941, two weeks prior to Pearl Harbor:

*The President called a cabinet meeting this morning and told us that he wanted us to be at war with Japan, but that he did not want it to appear to the public that the United States had fired the first shot.*

Roosevelt then went ahead to knowingly provoke the Japanese into an overt attack on Pearl Harbor. This intrigue, better known as treason, came at a time when Roosevelt was mesmerizing the American public with his "Fireside Chats," in which his theme was, "Ah hate wah! And we'll nevah send American boys to fight on fawen soil. Nevah! Nevah! Nevahl" All this while he was actively engaged in plans to do just that!

When Harry Truman succeeded F.D.R. in the seat of power in Washington, he carried on in Roosevelt's footsteps and on May 15, 1948, gave official recognition to the terrorist government of the bandit State of Israel in Palestine. Truman called these terrorists a "peace loving nation," which had come into being through terrorist methods. Since that day, we have poured countless billions of tax dollars into shoring up this little bandit state, and by doing do have completely alienated the Moslem world which was at one time our staunch ally.

The pathway to Talmudic subservience has continued ever since, through the Administrations of: Harry Truman; Dwight David Eisenhower, who was of Swedish Jewish extraction; Lyndon Baines Johnson; Richard Milhouse Nixon; Gerald Rudolph Ford; James Earl Carter; Ronald Wilson Reagan, and now George Herbert Walker Bush. In actuality, President Bush has been the only president since WW II who has ever said "No!" to the Zionists.
Rather than endure the smears which they knew would come their way if they bucked Zionist interests in Washington, the vast majority of Congress have been willing to sell future generations of Americans into virtual slavery to the Talmudic internationalists. They have become, for the most part, spineless, egotistical people so taken up with the importance of their political positions, that they believe they can do no wrong. They have become guilty of the grossest hypocrisy of all times, as they deliberately evade the one and all-important issue of who is controlling America. They are willing to cooperate in the destruction of their own white race for a little momentary security, popularity and power.

There is no need in this book for me to provide the details of Communism's Jewish origin, both of its brains and its financing. Suffice to say that leading Jews have boasted for years of the part they played in its establishment and success. It can be summed up in two statements; one made in The London Jewish Chronicle, April 4,1918:

' . . . there is much in the fact of Bolshevism itself; in the fact that so many Jews are Bolshevists; in the fact that the ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism. . .”

and a statement made by the Red Rabbi, Stephen S. Wise some years later. When asked his opinion of Communism, he said: "Some call it Communism; I call it Judaism."

We will see the finest teaching of Judaism as they come into agreement with the teachings of International Communism in The Talmud. The Jewish plan for world conquest is not new. It was begun in the dusty halls of ancient Babylon and has been carried on, secretly for the most part, until today it stands on the verge of success. In 1902, the Grand Sanhedrin of Constantinople laid down their Vengence Protocol which called for them to corner the control of the world's wealth. The Jewish Council which met at Baste, Switzerland in 1879, drew up a far-reaching plan for world conquest which has become known as the Protocols of Elders of Zion which contains the "blueprint" for a world conquest. World Jewry, and their stooges in the Christian world, call this work a counterfeit. But we must remember that before there can be a counterfeit there must first be an original, and one accomplished at forgery makes his copy as close to the original as possible. So the question is not whether the Protocols are a forgery, but whether world-Jewry is following their plan. "By their fruits ye shall know them" and since the turn of the twentieth century, World Zionism has marched to the plan of the Protocols.

I will not go into the long and fascinating account of how World Jewry gained control of American economics. This account is fully documented
in my book, The Great Conspiracy, which details how the Talmudists
gained control over the economy of America.

The Jewish writer, Maurice Samuels, in his book, You Gentiles, on page
23 states:

"I do not believe the primal difference between Gentiles
and Jews is reconcilable. You and we may come to an
understanding, but ne vera reconciliation. There will be
irritation between us as long as we are in intimate
contact."

The Apostle Paul termed it: "Contrary to all men . . .” (I Thessalonians
2:15)

On page 155 of this same book, Samuels says: "We Jews, we the
destroyers, will remain the destroyers. Nothing you can do will ever meet
our demands."

Jeremiah, the Old Testament prophet, said in Jeremiah 9:5 and 6:

"And they will deceive every one his neighbor, and will not
speak the truth: they have taught their tongue to speak lies,
and weary themselves to commit iniquity. Thine habitation
is in the midst of deceit; through deceit they refuse to know
me, saith the Lord."

While the brainwashed preachers of America have told their people that
the Jews are the Chosen People, the risen Son of God, Jesus our Lord and
King said to them in Revelation 2:9 and 3:9: " . . . I know the blasphemy of
them which say they are Jews, and are not, but are of the synagogue of
Satan."

Our Fundamentalist and Evangelical Christian churches are inspiring the
enemy of Christianity by putting a cloak of respectability around the
Talmudic enemy. If the truth were known among Christians at large, the
Talmudists would come tumbling down from their lofty perch. How the
Talmudists must laugh in secret as they see national religious leaders such
as Jerry Falwell and Pat Robertson glorify God's worst enemies.

The plan of the Talmudists to control the world press, and with it the
thinking (and I use the term loosely) of Christians everywhere was broken
down into three phases:

1. Journals which are under Jewish control, either by
outright ownership or through their control;
2. Journals bearing the banner of a specific nationality, such as German, Irish, Spanish, Greek, Italian, etc.;

3. Journals printed specifically under the Talmudist banner.

The first class is made up, for all intents and purposes, by those important newspapers and magazines which are controlled or owned outright by Jews, but often under the editorship of Gentiles. Today, over 47 weekly magazines, with a circulation of well over 79 million, are owned or controlled by the Talmudists.

There is much more, but this will suffice for now.

This same control can be traced in the media, Hollywood, the stage, the sugar industry, the tobacco industry, the liquor industry, professional sports, banking, the American Bar Association, the National Education Association, pornography, prostitution, music, drugs and more. In other words, by following the procedures laid down in *The Babylonian Talmud*, this alien people, who make up less than 3% of our population, exert almost complete control over once Christian America.

Today, it is said that America is to blame for most of the ills which afflict the world. It could much more accurately be said that the International Talmudic financiers are the effect of our troubles. The cause, as anyone who has read Deuteronomy 28 knows, is the disobedience of God's people which always brings oppression from their enemies.

So today, we see the confusing and frightening sight of a nation of 235 million people being controlled largely by a minority of less than 3%. Deuteronomy 28:43 and 44 says:

"The stranger (alien) that is within thee (Israel) shall get up above thee very high; and thou shalt come down very low . . . he shall be the head, and thou shalt be the tail."

This has happened because our white Christian people have allowed it to happen.

While Christians in America have been willing to open our doors and share our freedoms with the Jewish people, they in turn do not want to share America with Christians. They want it all! Whenever they are thus accused, and their international plot exposed, they dredge up the plaintive cry of "anti-Semitism," and publish another dreary account of what they call the "holocaust." Anyone who commits crimes against our people should be tried and punished; no matter who they are, minority or majority, Israeli or Gentile, Jew or Christian.

There will always be apologists for the Jews, especially among the brainwashed forces of fundamentalism and evangelicalism. They will say: "Why accuse all Jews for the crimes of the few?" It is because the Jewish communities of America collectively cooperate with the Internationalists in their crimes, and there are very few Jewish voices who speak out
against this. One who did a few years ago was Oscar Levy, who in the foreword of his book, *The Historical Significance of the Russian Revolution*, stated that while the Jews came to the world as our saviors, they were in essence its "seducers and destroyers."

The Talmudists for centuries have practiced the art of deception until it has become a second nature to them. They have waged war on this earth for over 25 centuries and are taught the art of deception from birth. This means that every Jew, potentially, is a combat-ready intelligence expert.

International Talmudic Jewry has always had a four-pronged strategy:

1. Manipulate the members of the host nation into helping the Jews, no matter how dangerous this assistance is to their own country.

2. If individuals refuse to cooperate, bypass them and take care of them in the "mopping up" operation.

3. If they actively resist, mark them for destruction and then destroy them through defamation of character which can be achieved through controlled press, or even by using a nation's due process of law.

Listen to their own words from their text book *Psychopolitics*, page 52:

"Recruit every agency of the nation marked for slaughter into a foaming hatred of Christianity . . . You must suborn district attorneys, and judges into an intense belief . . . that Christian practice is vicious, bad, insanity-causing, and publicly hated—and intolerable. Just as in Russia, we destroyed, after many years, the Church, so we must destroy all faiths in nations marked for conquest."

(Emphasis added.)

The only faith which is inviolate, is the Talmudic faith of Judaism, and:

4. Never let any individual or organization in the host nation use the media or the courts to counterattack Talmudism.

This has become so successful in America that when a Jew attacks a Christian, or some Christian practice, it is considered "freedom of speech and the press," but it the Christian does the same thing, it immediately becomes a "hate crime," with the horrible label of "anti-Semitic" attached.
If I, as an Anglo-Saxon writer, were to charge openly that my writings were not accepted, not because they were untrue, but because they exposed Talmudism and could not pass Jewish censorship, there would be an immediate hue and cry spearheaded by fundamental Christian leaders who would label me an "apostate." Not because I had departed from Biblical truths, but because I turned the spotlight of God's Word on His enemies. They would immediately classify me as being prejudiced, although most of them do not even understand the meaning of the term. The word "prejudice" comes from the Latin word, "praecjudicium" which means: "to form an opinion without knowing the facts." But even when truths are painstakingly documented, both from Scriptures and history, the prostitutes of Talmudism scream "apostate."

Talmudism has one major flaw. It must work in secret in order to be successful. So when people know the truth about this foe of mankind, they will successfully defend themselves against it. The victims must not know what is happening! They must either be lied to, or become so confused that they refuse to accept the truth. This truth is self-evident: If Talmudism can be exposed, it can be defeated! Jesus said, "Ye shall know the truth and the truth shall make you free." Truer words were never spoken. This is why all attempts at exposure are greeted with howls of anguish from the Jewish leaders who try to label the truth seekers as "kooks," "dangerous extremists," "haters," "fascists," "neo-Nazis," and "anti-Semites." They cannot allow our white Christian citizens to know their plans. This is the reason that books such as this are printed and why they are hated by the Talmudists.

When Jesus spoke to the Talmudist leaders in John 8:32-33, they revealed the fact that they were not Israelites when they boastingly said: "We be Abraham's seed, and were never in bondage to any man . . ."

What more proof do you need that these Talmudist Pharisees were not of Israel? Here they openly admit it. They are openly boasting of the fact that they were never in bondage to anyone, which means they could not be Israel since anyone who has ever studied the Bible knows that Israel had been in bondage in Egypt for hundreds of years. (Try this one on your minister and see how he will wiggle around this fact.)

Since we are assured that "the truth shall set you free," we see the Jewish world go to any lengths to keep the truth from our brainwashed people. No matter what the rabbi at an ecumenical meeting may say to the goyim who listen to him, rest assured that he is not seeking the kingdom of God on this earth, but a material Jewish kingdom where he will be the master in control. The desire of the Talmudists, according to their own writers, will be fulfilled when the wealth of the word lays at their feet and all mankind bows down before them.
I believe that Henry Ford, Sr. understood this truth when he stated in his book, *The International Jew:

*If the Jews were fully understood by the Gentiles (non-Jews), if the Christian churches, for example, were freed from their delusions that the Jews are Old Testament people, and if the churches really knew what the Talmudic religion was all about, this policy of misrepresentation would die. This policy succeeds because there is a feeling strongly entrenched in Christians by their religious leaders to the point where their people believe it is dangerous to oppose the Jews in anything; for whoever opposes a Jew, damns himself! The "fear of the Jews" is a very real element in our life. It is as real among Jews as among "non-Jews " since the Jew is bound by fear of his own leaders, and he exercises the fear of the curse throughout all the sphere of his religion.

If Jews were really Old Testament people, if they were really conscious of a "mission for the blessing of all mankind," *(which is our Israel heritage, Ed.) the very things in which they offend the Christian world would disappear. If the Jew is being attacked, it is not because he is a Jew, but because he is the source and life of certain tendencies and influences which, if they are not checked, will mean the destruction of moral society.*

In his book, *The Writings of Benjamin Franklin*, New York, 1905-1907, author Albert H. Smythe writes:

*As the American colonies rose in revolt against political oppression occasioned by the attempt of Jewish banking houses in Europe to consolidate their economic foothold in the New World, no man among the Founding Fathers was more alert to their designs than that shrewd elder statesman of the American Revolution, Benjamin Franklin. Writing to John Adams from Passy, France, November 26, 1781, Franklin declared: "I think that keeping us out of possession of fifty thousand pounds sterling worth of good for securing the payment of a demand for damages is not only dishonorable treatment but a monstrous injustice. It seems to me that it is principally with John Neufville of Amsterdam, Holland, we have to do; and although I believe him to be as much a Jew as any in Jerusalem, I did not expect that, with so many and such constant professions of friendship for the United States with which he heads his*
letters, he would attempt to enforce his demands by a procedure so abominable. His proposition of terms on which he would borrow money for us stamped his character on my mind with an impression so deep that it is not yet effaced."

De Neufville was a Dutch-Jewish international banking house that wanted to make a loan to the Continental Congress on the modest security of the entire Thirteen States, with the stipulation that all American trade and exchange would go through them. This is exactly what the International Talmudists are attempting to do today with the Third World countries.

Many of Franklin's letters revealed his utter loathing for these alien, anti-Christ people who were attempting to get rich off the suffering of Americans. His most damning indictment of Jewry was contained in his famous prophecy before the Constitutional Convention of 1787 in Philadelphia. He declared:

_I fully agree with General Washington, that we must protect this young nation from an insidious influence and penetration. That menace, gentlemen, is the Jews!_  

_In whatever country the Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which this country was founded by objecting to its restrictions; have built a state within a state; and when opposed have tried to strangle that country to death, as in the case of Spain and Portugal._

_For over 1700 years, the Jews have bewailed their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires and vampires do not live on vampires. They cannot live among themselves. They must subsist off Christians and other peoples not of their race._

If we do not exclude them from these United States in the Constitution, in less than 200 years they will have swarmed here in such numbers that they will dominate and devour the land, and change our form of government for which we
Americans have shed our blood, given our lives, our substance and jeopardized our liberty!

Jews, gentlemen, are Asiatics, let them be born where they will, no matter how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American's and will not, even though they live among us for ten generations. A leopard cannot change his spots Jews are Asiatics and are a menace if permitted entrance, and should be excluded by this Constitutional Convention.

For many years, this speech was found among the diaries of Charles Cotesworth Pickney, of South Carolina, who attended the Constitutional Convention as a delegate. Then mysteriously, it disappeared from the Philadelphia City Museum in the 1930's and all references to it were withdrawn. Immediately, the Jewish leaders in America gleefully pounced on this as proof that the "Franklin prophecy" was a forgery, just as they said the same for The Protocols of the Learned Elders of Zion, The Communist Rules for Bringing About a Revolution, and The Communist Textbook on Psychopolitics.

But whether Franklin's prophecy was fake or not, regardless of whether it was an elaborate hoax, what he foresaw has come to pass. It is a painful fact!

If Benjamin Franklin was alive today, you can be assured that he would be in the forefront of those who are trying to save this Christian nation from Talmudic control. White Christian Americans must remember this fact, for it is all important to our survival! The Talmudists are not the cause of our overwhelming problems. They and the aliens in our midst, are merely the effects of Israel's disobedience. (Deuteronomy 28 will graphically explain it to you.) When Israelites become more concerned with "doing their own things," than in obeying their God, we can expect these things to happen. In Jeremiah 22:21 we read: I spake unto thee in thy prosperity; but thou saidst, I will not hear. This hath been thy manner from thy youth, that thou obeyedst not my voice.

In Deuteronomy 28, we get a clear picture of what will happen to Israel if they obey their God. But, beginning with verse 15, we read dire warnings of the price we will pay for disobedience. Think about Korea and Vietnam, as you read verse 25: "The Lord shall cause thee to be smitten before thine enemies: . . ."
In both of these wars, we were whipped by nations smaller than most of our states. We did not have a "peace with honor" in either of them, no matter what charlatans like Henry Kissinger said to the contrary.

Verse 33 continues: *The fruit of thy land, and all thy labours shalt a nation which thou knowest not eat up; . . .* (Emphasis added)

Think about this as you ask what has happened to our strategic food supply since 1985. We have none now. In case of a national emergency this nation would be hungry in less than thirty days.

In verses 43-44 we read: *The stranger that is within thee shall get up above thee very high and thou shalt come down very low . . . he shall be the head, and thou shalt be the tail.*

Ask yourself what has happened to Anglo-Saxon leadership in American the last fifty years? Who controls our economy? It is not our own people. America's economy is at the mercy of International Jewish Banking families, eight of them in this order:

1. ROTHSCILD BANK of London and Berlin
2. LAZARD BROTHER BANK of Paris
3. ISRAEL MOSES SELF BANK of Italy
4. WARBURG BROTHERS BANK of Amsterdam and Hamburg
5. LEHMAN BROTHERS BANK of New York City
6. KUEHN-LOEB BANK of New York City
7. CHASE MANHATTAN BANK of New York City (As you know, Chase Manhattan is controlled by the international Rockefeller interests.)
8. GOLDMAN-SACHS BANK of New York City

Each of these banks is Jewish controlled and today approximately 300 Jewish businessmen who are closely associated, often by intermarriage, control the money system of the world. They control an interlocking, international banking cartel of unimaginable wealth and power which has stolen billions of dollars from the American taxpayer since the Federal Reserve Act became law in 1913. All by the application of Talmudic banking practices.
According to Theodore Hertzl, father of modern Zionism, the Talmudic question arises whenever Jews appear because they bring it with them. It is not their large numbers which causes the problem, but their Talmudic business principles and practices of which they love to boast. We will see when we get into *The Talmud* itself how these Jews are allowed by their own laws to cheat any goyim with a clear conscience.

Jewish power has become so strong in America that we see a turning away from the Christian principles of our founding fathers to the heathen philosophies of Babylonia. This is being accomplished by Jewish propaganda. The Jews have always been known as "propagandists." They initiated the idea of brainwashing, or thought control as it is more accurately titled. This was the technique used against our fighting men in Korea and Vietnam, it is being used to seduce millions of youth in our government schools, and it is used in the Judeo-Christian churches of this nation. These are not Christian ideas, or American ideas, but the ideas of a heathen, alien philosophy which is contrary to everything we say we believe in as Christians.

The Talmudists insist over and over again that they "gave us our Scripture," "gave us our God," "gave us our religion," and "gave us our Savior!" None of the claims are valid since none of these things have a Jewish origin.

Few Jewish leaders claim any spiritual mission for Jewdom. Theirs is a mission to control a one-world government under the wise men of Jewdom. As far back as 1881 a Jewish spokesman, Goldwin Smith, professor of Modern History at Oxford University, boastingly said: *We Jews regard our race as superior to humanity, and look forward, not to its ultimate union with other races, but our triumph over them.*

In 1858, the head rabbi of Europe stated: *Wars are the Jews harvests, for by them we kill off the Christians and harvest their gold. We have already killed a hundred million of them, and the end is not yet!*

This was before the inter-family American Civil War and the fratricidal WWI and WWII. Samuel Roth, a noted Jewish author, stated to a fellow Jew: *We came to the world pretending to escape persecution, and we are the most deadly persecutors in all the wretched annals of man.*

In *The Protocols of the Learned Elders of Zion* which I have mentioned before and which the Jewish world calls a forgery, we read in Article II, Par. 5:

"... Through the press we gained power to influence while remaining ourselves in the shade; thanks to the press, we
have the gold of the world in our hands, notwithstanding that we have had to gather it out of oceans of blood and tears. But has paid us, though we have sacrificed many of our own people. Each victim on our side is worth, in the sight of God, a thousand goyim."

If an intelligent being from another planet were to visit this world, they would react with shock if they were told that the greatest source of strength of our enemies rested in, and emanated from, the Christian church. Thinking Christians should read I John 2:22-23 which provides a perfect word description of an anti-Christ. This description fits the Talmudists more closely than any other group on the surface of this planet. Then in II John 10 and 11, we are told that anyone who gives these anti-Christ aid and comfort in any way, even by word of mouth, "becomes partakers of their evil deeds." The Babylonian Talmud calls our Savior and King, Jesus the Christ, an "illegitimate bastard," (SANHEDRIN, 67a). In another place it says that Christ is the "illegitimate son of a Roman soldier and a Jewish prostitute named Mary, and that he was conceived during menstruation."

How in God's name can those who go by the name of Christian support those who by their own admission are anti-Christs, who hate everything Christians are supposed to stand for and who openly advocate the destruction of the same? If the libraries in our seminaries were required to identify the books which were written by anti-Christ Jews, there would be a drastic reduction in those pastors who have been brainwashed by the equally brainwashed seminarians. The fiction that Abraham, Isaac and Jacob were Jews will not stand up to even the scantest Biblical research any more than the words of Genesis 12:3 pronounce a curse against anyone who takes a stand against these evil people.

One of the pressing issues in the Christian world today should be an effort to liberate our white Christian people from what the Scriptures call, "Fear of the Jews." The pastors of our churches should be required to tell our people the truth that the Jews today are not Israelites, and that most certainly they are not all of Israel. This is readily proven by the obvious conclusion that they do not carry any of the fingerprints necessary to establish their claim. Following are but a few of the Scriptural fingerprints of Israel:

1. Israel was to glorify Jesus the Christ, the Messiah, who was prophesied by the Hebrew prophets. Do the Jews demonstrate this glorification?

2. Israel was commissioned by Jesus the Christ to carry the message of God's salvation to all men, everywhere (Matthew 28:18-20). For
centuries, who has carried out this commission? The Anglo-Saxon, Celtic and Scandinavian peoples. At any time since the birth of Christ, have the Jews witnessed to anyone of God's salvation through Jesus?

3. Israel was to lose her identity as a people after God divorced them. They were to be scattered among the nations and forget who they were. (Hosea 1:9-10) Have the Jews ever lost their "identity?" Even though most Jews today are of Turko-Mongol racial extraction and have no racial heritage to the tribes of Israel, they never stop shouting from the housetops that they are the "Chosen Ones."

4. Israel was designated by God to be a Holy People because they were His servants. They were to spread the word of God, His kingdom and His salvation. The Jews certainly boast of being a "holy people," and a "superior people," they never admit to being servants.

5. Israel was to bring forth Kingdom fruits. The Anglo-Saxon peoples have, in varying degrees, been exhibiting these fruits. Can we point to a time in the centuries since the Christ where the Jews have done so?

6. Israel was to become known as "Sons of the Living God" following their captivities and dispersion among the nations. Born-from-above Anglo-Saxons have this distinction. The Jews have never been known by this description.

7. Israel was to become a "company of nations," and a "great nation."
   The United Kingdom and America certainly fulfill this prophecy. While the Israelis can today claim to be a powerful military force in the Middle East, it is only because America has pumped in billions of dollars and resources to keep it afloat. Even their leaders admit that if we withdrew our support, they would collapse. Reaching back into history from the time of Christ, where have the Jews ever been a "great nation," or a "company of nations?" History is silent.

8. Who are known as Isaac's Sons, or Saxsons? Certainly not the Jews.

9. Israelites were to be great colonizers, taming the vast wildernesses and establishing colonies which became nations wherever they went. The Jews have been a scourge to all nations wherever they went and, in many cases, those nations expelled them. They were not hated for "His namesake," but for their Talmudic practices.

Does your pastor teach that the Jews comprise all of Israel? The truth is, they are not even a part of it! If you would like Scriptural and historical facts to support this statement, read my books, The Mystery of True Israel, and Who Are the Jews? I challenge you to read these two books, compare
them with Scripture and history, and discover for yourself what the Bible really says about the Jews as it contrasts with the teachings of your pastor.

As mentioned earlier, the flaccid, milquetoast condition of most American Christian churches was not brought about by science, or by scholarship, but can be traced to German Jewish Higher Criticism. This trend in thinking became popular during the nineteenth century when it was believed that to have a full-rounded theological education, one must attend a seminary in Europe. The defenders of our Bible and the Christian faith have been sadly handicapped in the defense of their faith because they have not been shown the origin and purpose of the Talmudic Jewish attack against Christianity. It was not a Christian attack, nor a German attack, but a Talmudic Jewish attack perfectly tuned to Talmudic teachings which were not discussed by Dr. Neusner in his book about The Talmud. In fact, he was very careful to avoid reference to them. The majority of economic and social mush which comes from our pulpits today was prepared by Jewish professors who have infiltrated most Christian seminaries, even those of the evangelicals and fundamentalists. It is no wonder that concerned Christians refer to these apostate schools as "religious cemeteries." Very little comes out of them except Talmudic corruption. If there is any place where the Jewish question should be honestly approached it should be in the Christian church. Instead, in their "approved blindness," they are often champions of the very enemies who have taken an oath to destroy them.

I am not now, nor have I ever, counseled radical reaction against Jews. But, we do need an objective examination of what has happened in the modern church which has caused her to lose her power. Ask yourself. Where do the harmful influences come from which are destroying Christian America? Who are the people who protest the use of Christian symbols in public places (and now they are objecting to these symbols in privately funded areas) where, as a Christian nation, we have displayed them for hundreds of years? Who protests the use of a city park for an Easter sunrise program? Or protests the performance of a high school presenting the Messiah each year at Christmas? Who would deny your child the right to read his, or her, Bible in school during their free time? They can read some pretty violent comic books, or books from the school library depicting sex scenes, but God forbid if they read their Bibles. The Bible has been made forbidden by one group only.

I dare you to read objectively the controlled news. If you decide to be objective, you will readily see that 90% of the complaints made against anything Christian, many of which are downright stupid, come from Jewish sources. When-ever you see an article in the news pertaining to some right-wing Christian action, nine times out of ten you will see a statement from some big-shot, Anti-Defamation League spokesman trying
to explain that action. Yet this agency is anti-Christian, anti-American and an unregistered agent of a foreign country, operating illegally on American soil. Why is this allowed? Why does our government allow the ADL to act as an unlicensed office of the Justice Department? They are the ones who are pushing for hate legislation while operating as America's foremost haters and persecutors.

The attempt to take Christ out of Christmas and replace Him with Santa Claus is Jewish backed. The attempt to replace Christ with the Easter bunny during the Lenten season is another attack against what we have held sacred. It is not prejudice or bigotry when I state these facts. It is truth and you must recognize it as such. Ask yourself why is it allowable for a Christian to criticize most anyone else; Catholic, Mormon, Moslem, Buddhist, etc., but under no circumstances may you tell the truth about the Jews? Please don't offer up that phony God's Chosen People bit, or misapply Genesis 12:3 as the basis for your answer.

We have seen the sad spectacle in our colleges and universities of the radicals who have sought to disrupt our educational process. It does little good to attack these radicals when they are mostly immature youths. But, is it wrong to show that most of this social radicalism comes from Jewish sources, and that almost 100% of these radical college groups are run by young Jews from wealthy Jewish families? This acknowledgment comes from sad experience with them during the Vietnam War. See who it is that burns the American flag, or uses it to wipe their feet. Who is it that immerses an image of Christ on the cross in a bottle of his own urine? Why are a vast majority of the more than 40,000 Marxist college professors also Jews?

During the Vietnam War, I worked the college circuit as I lectured for the John Birch Society. I had 25 confrontations during that period with radical groups, some serious physical confrontations which included an attack against me at Kansas State University in Lawrence, Kansas, in April 1972. In 100% of these cases, these radicals were led by young Jews from wealthy Jewish families. Was there a reason behind this? I believed there was, and in the summer of 1979, I set aside all my scheduled activity to try and find out what that reason was. I went to Jewish sources to gather information and found that it was Jewish Higher Criticism, in both the church and school, which had been responsible for the destruction in our youth of a sense of respect for their Christian heritage of freedom. Additionally, I learned it was the Jewish revolutionary social doctrine which went hand-in-glove with Higher Criticism which was bringing about the long planned Jewish social revolution. These two ideas cannot exist apart from each other as they are mutually dependent, and they are the fulfillment of Talmudic teachings which seek to split the goyim society by means of ideas.
Verification of this plan can be seen in the writings of the Jewish author, Marcus Eli Ravage, in the January 1928 issue of Century Magazine. I quote:

"We Jews are at the bottom of nearly all your wars; not only of the Russian Revolution, but of every other major revolution in your history . . . We did it solely with the irresistible might of our spirit, with ideas and propaganda."

Oscar Levy, another Jewish writer, in the preface to the book, The World Significance of the Russian Revolution, said:

There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; its destroyers; its incendiaries; its revolutionaries..

The Jewish Chronicle, a leading Jewish newspaper in the United States, in its April 4, 1918, issue stated:

". . . there is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism (the forerunner of Communism, Ed.) are consonant (in agreement with, Ed.) the finest ideals of Judaism" (Talmudism, Ed.)

The American Hebrew, the leading Jewish newspaper in the United States in 1920 said: What happened in Russia shall also, through the same Jewish mental (Talmudic, Ed.) and physical forces, become a reality over all the world.

The Christian world has known of these threats ever since Jewish radicals in Thessalonica (see Acts 17:6) hauled Jason and other Christian leaders before the civil authorities, accusing them of "turning the world upside down."

The Jewish system of procedures, or Talmudic System, is known by educators and seminarians, yet such is the power of the Talmudists, that few are willing to put forth a warning of the destruction which awaits a sleeping Christianity.

The Talmudic principle is simplicity itself. First, secularize and humanize the public schools. Prepare the mind of the goyim children to accept one-world propaganda. This can be vividly illustrated by a teacher's handbook,
published by a radical Jewish child psychologist by the name of Paul Brandwein. In its opening statement, Brandwein said:

*Remember every child comes to school insane because of what they have learned at home and in their church. It is your task as teacher to heal this insanity and prepare the child to become one of the international children of the future.*

This book was in the Texas school system for a short time, but due to the efforts of the Mel Gabler family it was removed.

Ask yourself why it is that in our public (government) schools much is made of "Black Studies Week," while much of the history that points to the white Christian heritage of America has been withdrawn? Could it be that one principle being used is to discourage our culture of patriotism, love of country and its connection to the Christian faith? This is the liberalism which is applauded by Jewry, the Jewish-controlled labor unions, the National Education Association and many of our clergy and politicians. One of these boldly declared: *If the Jews can get away with it, more power to them. If the Jewish idea is stronger than that of the Christian, let it win!*

This is how Christian nations are destroyed! And, the fight is not being waged fairly. How can children, or their parents, make proper judgments regarding the best course of action for their families, or their nation, when the media which is filling their living rooms daily with trash and lies, is under the control of the very enemy they have need to fear. The great ideals of Christian Anglo-Saxonism are kept from white people under the guise that these ideals constitute "racism." It is not a fair fight when our white Christian youth are offered Jewish-Talmudic ideas and ideals in place of Christian American ideas and ideals. Let the Anglo-Saxon heritage of our people have free course among their Anglo-Saxon sons and daughters and we will see Christian ideas and ideals triumph 100% of the time. This is why there is such an intensive drive on the part of world Jewry to keep the truth from our white Christian people.

It was Judaism that began this struggle. They invaded this fair country, not in order to make it a better place to live, but for their own gain. Let no man or woman of the white race fear them. But let this fight be fought on a fair basis. That is all that will be necessary for the truth to triumph! We need not fear world Jewry, or the evils of Talmudism, as long as our people are allowed to know the truth.

Today, our white society is confronted over and over again with the horrid term, "anti-Semitism." Yet there can be no such thing unless "Semitism"
first exists. The Jews love to complain how they were forced by Christians to live in the ghettos of Europe, yet the ghettos were a Jewish invention! The Jews have always desired to separate themselves because they have always despised Christians. They are taught by the Talmud, that "contact with the goyim contaminates them."

Yet strangely enough, it is not the Gentile who says that Jewish Talmudism is incompatible with white Christianity. This separatism is practiced by the Jews themselves! The Jew looks upon the Christian as a "Johnny-Come-Lately," and since Americanism is of Christian origin and invention, they are taught to despise it. The idea that America was founded as a Republic is repugnant to the Jewish mind so they have set about to change us into a socialist, democratic welfare state with them in control, of course.

The Jew from the earliest times had gloried in religious persecution. It is the thing which has kept their hatred alive, and brainwashed minions of Christianity have aided them in their deception. In his book, Israel's Final Holocaust, Baptist Evangelist Jack Van Impe says that the Jews have been persecuted throughout history because they were "God's chosen people and Satan hated them." But this is not true! Scripture and history prove otherwise. Jews have been run out of every country in Europe, not because of their religion in itself, but because of their unscrupulous use of usury and their immoral practices. There is no religious persecution of Jews in America. There is religious prejudice brought about by the intolerable Talmudic resentment for everything non-Jewish and practiced by Jews against Christians. If the truth concerning Talmudic teachings were made known to the majority of Christians, the Jews would be forced to leave America.

Religious prejudice is totally contrary to Anglo-Saxon genes. We have always regarded a man's religion as a matter of conscience and allowed others to believe as they will as long as they do not infringe on the rights of others. This has always been an integral part of the American dream. But it is interesting to note that the cry of "bigot," in America is raised by the very people who are the world's worst bigots, the Jews.

One of the world-wide undertakings of the Roman Catholic church which has received world-wide acclaim from Catholics, Protestants and even non-Christians, has been the magnificent Passion Play of Obberramagau. Hundreds of thousands flock to view the depiction of Christ's passion. Yet the Jews see this as a vicious, anti-Semitic plot against them and have forced the directors to change portions to conform, not to the truth, but to Jewish demands.
Yet recently when a blasphemous movie was filmed in Hollywood under the direction of the Jew, Lou Wasserman, entitled *The Last Temptation of Christ*, and Christian anger rose to a new height against this blasphemy, Wasserman went to Jerry Falwell, then head of the Moral Majority, asking him to temper Christian protests. When Falwell suggested to this Jew that they remove the movie from the market, Wasserman reacted with anger. Many of the liberal pulpits of America praised this anti-Christ Jewish movie which made our Lord out to be a whoremonger. This is the Talmudic mentality.

There is no politician in recent years who has been able to give evidence of his Christian faith without coming under Jewish attack. As early as June, 1921, the Jewish press in America raised a clamor when it stated that Christian churches were not competent to teach Americanism because the churches held that Christian teachings and good citizenship were synonymous.

The parallel between the Protocols and Talmudism is so pronounced that world-wide Jewry believes in the common Jewish prophecy that "Christianity is doomed to perish." Or, as one communist leader said, "We will banish God from the skies." If Christianity should perish, it will be because it becomes Judaized as is happening in a majority of our churches.

Have you ever wondered why with 45-million born-again Christian Americans, according to their own estimates, our beloved country has been sliding into hell at a faster rate in the past fifty years than at any time in our history? Could it be that these professing Christians are the "salt which has lost its savor" which the King talks about in Luke 14:34-35? He said:

"Salt is good: but if the salt has lost his savour (its bility to act as salt) wherewith shall it be seasoned? It is neither fit for the land, nor yet for the dunghill (garbage dump); but men cast it out . . ."

The main characteristic of salt is to stop corruption. Too much salt when making bread stops the action of the yeast. Remember back before the days of the deep freeze, when we salted our meat to preserve it? When salt loses this property, it is good for nothing. How many Christians do we see these days who fit this characteristic? When you find Christians who have lost their salt, you will find he or she has probably come under the influence of Judaism.

Throughout all of this, remember one thing: It is the "Jewish idea," the Talmudic teaching which is the question at issue. It is not the Jewish people themselves.
I have briefly mentioned The Protocols which were a draft, or copy, of the original manuscript. Many Jews, and their Christian Zionist cohorts, contumaciously attempt to shrug the Protocols aside as being counterfeit. But, as we pointed out earlier, in order to have a counterfeit, there must have been an original. The more valuable the original, the more care the counterfeiter uses to make the copy as exact as possible.

There is no proof I can offer which will settle the question. Much greater minds than mine have argued the pros and cons. However, if "the proof is in the pudding," and "by their fruits ye shall know them," I take the position that for over 90 years we have been witnessing their fulfillment. They have used it as a blueprint for their world conquest and have followed its every instruction. If these documents were an anti-Jewish forgery as the Talmudists claim, there is no doubt they would have made supposed Jewish authorship as clear as possible. Instead, they have taken great pains to cover up any Jewish connections. Only once or twice, in the entire lengthy document, does the word Jew appear. However, there is little doubt that the document was directed against those people the Jews call Gentiles, or in the more picturesque Yiddish, "goy" (in the singular) and "goyim" in the plural. With the exception of a few instances, the only distinctive racial term used is "Gentiles".

If a forger had written this during the last decade, there might have been reason to believe it was anti-Semitic malice (even though very few of the people we now call Jews can qualify as Semites). But take note that this document was written over 90 years ago, before the term anti-Semitic was coined by the Talmudists.

The Sixth Protocol states:

That the true situation shall not be noticed by the Gentiles prematurely, we will mask it by a pretended effort to serve the working classes and promote great economic features for which an active propaganda will be carried out by our economic theories.
The Protocols were very probably never written in manuscript form, but were notes taken from the minutes of the World Zionist Conference held somewhere in France or Switzerland near the end of the nineteenth century. The secret power of the Talmudists has developed as they have manipulated world governments into placing the secret government of a country in the hands of a few men of Jewish faith. No nations in the world are so completely under Zionist power as those of England, Canada and America; the three leading true Israelite nations.

The Protocols, in agreement with international Zionist leaders look on the dispersion of the Jews as a blessing in disguise. In The Protocols they say:

- *This has brought us to the threshold of universal rule.*

**In the Ninth Protocol,** they explain in detail how they have taken over the control of one Israel nation after another. I quote:

> In order not to destroy prematurely the Gentile institutions, we have laid our efficient hands on them and grasped the springs of the mechanisms they formed in a strict and just order, but we have replaced them with a liberal disorganized and arbitrary administration. We have tampered with jurisprudence (their justice system), the franchise (right to vote), their press, freedom of the person and most important of all, education and culture which is the cornerstone of their free existence.

> We have misled, stupefied, and demoralized their youth by means of education in the principles and theories patently false, but which we have inspired above existing laws, without actually changing them, but by distorting them through contradictory interpretations. We have created something stupendous in the way of results.

Let's take a moment to analyze this Protocol. As an intelligent person, answer if you can the question of how this document, if it were a forgery as the Jews and their allies claim, could so accurately describe what is happening now, over 90 years after it was written?

The laws of Anglo-Saxondom, the foundation of the modern Israel nations known as Christendom, have always been laid on the strict and just order of God's Ten Commandments. These have indeed been replaced by a teaching in both education and religion which says there are no absolutes. There is no such thing as "black" or "white," only shades of gray. In other words, situation ethics which makes a thing right or wrong according to the circumstances. This teaching has released a Pandora's box of evils upon our society, not the least of which is our modern acceptance of
homosexuality as an alternate life style when we know that the Word of God says all those who practice this aberration are worthy of death.

A close look at the Anti-Defamation League of the B'nai B'rith, which acts as an unlicensed agent of a foreign government (the State of Israel) and is allowed to operate unhindered in the United States, has for all intents and purposes become unofficially an arm of the U.S. Justice Department. If you do not want to accept this fact, then ask yourself why every time you read about government action against a Christian patriot, you will find the thoughts of some official from the ADL. This Talmudic organization has been responsible for most of the para-military laws enacted in many of our states which are aimed at Christian patriot groups. The Jewish Defense League, the armed branch of the ADL, is allowed to operate unhindered in most of these states.

A close look at the courts of our land will show a preponderance of Jewish judges, although Jews make up less than 3% of our population. They also have almost complete control of the American Bar Association, and lawyers who do not operate under their control are regularly blackballed in America's courts. Under Talmudic jurisdiction, America's courts have become noted for their protection of criminal rights, while the law-abiding citizen is often persecuted on the slightest pretext.

We have already discussed Jewish control of the media. Analyze education and see the stranglehold the Talmudists have on the National Education Association and on our culture. Ask yourself why Christian Americans have been forced to subsidize pornography in the arts through the National Endowment for the Arts. This is a Jewish controlled organization which seems to specialize in downgrading Jesus Christ and Christianity at our expense.

We witness this same downgrading of morals in the music industry which is almost 100% Talmudic controlled. And, it has produced stupendous results. If you don't want to believe this, look at the screaming hordes of teenagers and college youth who are completely mesmerized by these so-called musical Pied Pipers.

By changing the meaning of the Constitution, we now find it acceptable for protestors to burn the American flag. But we must never say anything derogatory about the State of Israel and its ambitious reign of terror in the Mid-East regardless of their threat to the Moslems or our Christian way of life. By the time this book is in print, we may even have "hate laws" which will hinder you from telling the truth about those who seek to destroy America.
The method of the Protocols can be summed up in one word: DIS-INTEGRATION; the undoing of everything worthwhile in order to create chaos and thereby gain control of the people. So The Protocol) teach that in order to gain control of public opinion it is first necessary to confuse it. This is successfully done through control of the media.

Truth is not confusing, but the liberalism which has been sown in this country by the Talmudists is confusing because it is based upon a foundation of man's shifting values. There are no absolutes: there is no truth. Take a nation, a church, or a family in which liberalism has been sown and you can split it into fractions which will ultimately destroy it. There was a time in America when the family unit was strong and America was strong. But the enemy cleverly led both parents and children into believing that Humanism was the way to go. As a result, in both children and parents, Christian and non-Christian, we have developed the idea of "doing our own thing," "if it feels good, do it," and "there is no tomorrow, so live for today," no matter the consequences. This has led our Israel people into the almost unsolvable mess we find ourselves in today. Regardless of whether we like it or not, there is only one answer and that is returning to doing things God's way. (Again, I call your attention to Deuteronomy 28.) White Christian Americans need to learn quickly that "secularization" is preparation for "Judaization." That is the Talmudic Way!

The Talmudic program almost always starts off with flabby tolerance of anything and everything. The phraseology used is a dependable Talmudic weapon.

**Protocol V** states:

*In all times people have accepted words for acts.*

This is the basis on which they operate. Men and women like to be believers in something, and if you can convince them that being broad-minded is good, you can control their thinking in other liberal channels. As a result of this thinking, we have seen in the business world the prostitution of service into profit. There was a time when the American businessman was interested in putting out a top quality product, and he would often work long hours and put forth great effort to reach this goal. Then the Talmudic rationale of "the gelt is, the thing!" (Gelt is Yiddish for profit or money.) "Get what you can with the least amount of effort and time." Since American business has assumed this thinking, quality and pride of workmanship have taken a back seat and we are witnessing a decline in the profit picture. This is one of the major reasons the American automobile industry has had difficulty coping with that of Japan's where the worker is still taught pride in workmanship. The Talmudic principle is,
"How much profit can we squeeze out of this product," not, "How can we make it better?"

This thinking causes the enviable art of good management to degenerate into the exploitation of those whom they employ in order to gain more profits. It means reckless confusion among managers and dangerous unrest among workers. It results in the breakdown of our Anglo-Saxon work ethic and the substitution of a foreign ideology. And the genealogy of this foreign ideology is rooted in _The Babylonian Talmud_ as we shall see.

**Protocol X** states:

> We will wear everyone out by dissensions, animosities, feuds, famine, inoculations of diseases and want, until the Gentiles have no way of escape except by an appeal to our power and money.

The Kehillah is the most potent power in the American Jewish community. It is an organization which wields worldwide power and intimidates Jews into doing its bidding. The Kehillah in New York City constitutes the essential part of the Jewish government in the United States, which in recent years has often been referred to as ZOG (Zionist Occupational Government) and is the center of American Jewry. It is the whispering gallery of American Jews where whispering drives are set in motion to break and destroy those Christian goyim who do not bow to their will.

Under the Babylonian governmental system, the Kehillah was the power and protectorate of the Jewish community. It operates under the laws of _The Talmud_. With the conversion of the Turko-Mongolian Khazars to Judaism in the 8th century AD, they immigrated heavily into Eastern Europe. The Kehillah moved with them to that area and eventually on to the United States centering in New York City in the 19th century. Today, New York is to world Jewry what Mecca is to the Moslem.

The kehillah has its representatives in all Jewish organizations such as the Central Conference of American Rabbis; Eastern Council of Reformed Rabbis; Independent Order of B'nai B'rith, with its harlot daughter the Anti-Defamation League; the Independent Order of the Free Sons of Israel; the Federation of American Zionists, and many others. It encompasses all Jews orthodox, liberal, reformed, and atheistic - apostate Jews, poor Jews, rich Jews, law-abiding Jews, communist revolutionaries, criminal Jews, all come under its control. They are banded together, so they claim, to protect Jewish rights! But what rights are the Jews deprived of in America? There are none! This expression is nothing but a substitute
for a campaign which seeks to deny Christian rights, in Christian America. Again, this is a central teaching of *The Talmud*.

The American Jewish Committee has divided the United States into twelve regions, and every state belongs to a district, which has as its head the most powerful Jewish representative in that region. The capital of the world, and that of the United States as far as Jewish affairs are concerned, is New York City which just happens to also be the seat of the United Nations government. It is the home of most of the anti-American, anti-Christian propaganda and pro-Jewish hysteria that sweeps this nation periodically.

The Jews have a free reign to handle their own affairs in the United States. They have their own calendar, they keep their own holidays, observe their own form of worship, exist on their own dietary laws (which are now in the process of being forced on an unwilling Gentile population), and they do all of the above, and much more, without molestation from our government and without the slightest question of whether they are right or wrong.

But the non-Jew, especially the Christian, must act according to Jewish dictates or he is immediately accused of infringing on Jewish rights. This is borne out by Christ being removed from Christmas and Easter, the cross being removed from our public buildings, prayers taken out of our schools and morality out of our government. Examine the upcoming hate laws which are being foisted on our Congress by Jewish organizations. Canada already has hate laws, and you must not say or do anything which will hurt the feelings of a Jew or other alien. But it is not considered a crime for a black man to degrade a white, or for a Jew to blaspheme our Savior Jesus Christ. That is their right under this one-sided law.

There is no such thing as anti-Semitism in America, except as it applies to the Jew against the Arab. But, there is a tremendous amount of anti-Gentilism and anti-Christianity which is deliberately being employed by the Talmudists in their drive for world power. Most American Christians fail to realize that most public disturbances, strikes and political confusion do not just happen out of a clear blue sky. They are planned that way. A few years ago the Jewish community of Skokie, Illinois, was thrown into a total frenzy by a Nazi group who applied for a permit to parade through town. Nothing was ever said on national TV, or in the news, when it was discovered that the "thug" who paraded in Nazi uniform as the leader of the Nazi group was a young Jew from the Jewish Defense League. It has been proven that many incidents described as vicious anti-Semitism, such as desecration of synagogues and Jewish cemeteries, have been committed by Jewish thugs. This is a means they use to keep the little Jew in line with
orders from the Kehillah, and to keep the general public softened up over the ugliness being perpetrated against the noble, innocent Jew.

A close check of the FBI's annual crime report will show that acts of violence by the Jewish Defense League and other militant Jewish groups outnumber those of the far right fringe by eight-to-one. In most cases where Jews are involved, the authorities have strange lapses of memory when it comes to justice. Most of the violence on college campuses during the Vietnam War were communist planned and were carried out under Jewish leadership. Most of the anti-nuclear demonstrations and the violence of certain environmentalist groups is planned violence under Jewish leadership. I saw this from personal experience as I worked the lecture circuit of the colleges during the 1970's.

The vast amount of communist propaganda literature being produced and distributed in the United States amounts to hundreds of millions of dollars annually. It is the work of Jewish authors who describe in glowing terms the throngs of liberty-loving aliens who want to come to the United States. The problem is, once they are here they do not want to abide by our laws, but desire to set up their own systems within our system. In Southern California we see little Mexico, little Hong Kongs, Vietnamese villages, Iranian communities and East Indian communities. The billboards, advertisements and signs are in their native languages, and just try to understand their employees if you are found in need of gas or other services in their ghettos.

It was the Jewess Emma Lazarus who penned the propaganda we find engraved on the base of the Statue of Liberty in New York harbor: "Give me your poor, your tired, your huddled masses yearning to breathe free." And American idiots, especially those of the Christian faith, opened the doors to the refuse of the world and today we are paying for it in the degeneration of our youth and the degrading of our educational system. We are paying for it through diseases which have been hitherto unknown in this country and through rampant crime and poverty among our people. We are paying for it through the nose with our tax dollars which provide welfare to these people who either cannot, or will not, work. The financial burden is breaking our backs.

An honest look at America's problems will show that it is the Talmudic element which offers the most violent resistance to the Christian American way of life. The term "melting pot" was given to us by the Jew Zangwill and was something our founding fathers never envisioned for this country which had been founded as a refuge for white Christians seeking freedom to worship God. Other religions were allowed to come here and receive protection, but they were never given the lawful right to change our way of life to conform to their heathen ideas. It is very possible that there are
more Jewish communists in America today than there are in the USSR since they are all controlled from their one-world Kehilla center in New York.

Most of our modern-day church leaders have succumbed to the Scriptural confusion of mistaking Judah and the Jews for Israel. They completely reject the words of our risen Lord in Revelation 2:9 and 3:9 where He warned: ". . .them which say they are Jews, and are not, but are the synagogue of Satan."

These church leaders, often acting from motives of self-interest, have misinterpreted the ancient writings that relate to Israel and Judah, and have made Judah, the hub around which their prophetic teachings rotate. They have, for all intents and purposes, forgotten or discarded their own roots and prefer to idolize those who are imposters. These churchmen fail to consider the fact that Judah has been in constant warfare with Israel for at least 2500 years. When they first came on the Scriptural scene in 2 Kings 16:6, about 742 BC lo and behold they were fighting against Israel.

To confuse the matter even more, most religionists fail to take the fact into account that at least 80% of the modern-day Jews are not of Judah at all, but are of Turko-Mongolian racial background from Eastern Europe. According to their own historians they were converted to Judaism in the 8th century AD. Every leader of the modern State of Israel has come from this heathen background and is known as an Ashkenazi Jew.

People often ask why Jewry, which on the economic front is international capitalism in disguise, should favor Bolshevism, which is the announced enemy of capitalism. Why would a New York City Jew such as Jacob Schiff pour millions of dollars into the coffers of the Bolsheviks during the Russian Revolution?

With every fact of history against them, there are still hordes of political and religious leaders in America who insist that Communism was not Jewish in origin and that the Jews have been persecuted in the Soviet Union. The USSR is the only nation in the world where anti-Semitism is punishable by death! Today we find these intellectual idiots attempting to make hay for their warped ideas by stating Premier Gorbachev is violently anti-Semitic. Yet the facts prove that under Gorbachev, international Jews have become the only millionaires in Russia and that international communism in Russia, as well as the remainder of the world, is nothing but a facsimile of international Jewish Talmudism. If you are one of those who refuses to accept this truth, then explain why the only openly wealthy class in Russia, who have elaborate dachas on the shores of the Black Sea at Odessa, are Jews.
As late as 1983, under the guidance of Premier Andropov, a Jew, 23 out of 25 members of the Politboro (the Soviet ruling clique) were Jews. Every top member of the military and of the Soviet police, were Jews. What the present composition is, I do not know, but I do know that in spite of all the propaganda to the contrary in the American media, Russian Jews have received favored treatment over Baptists and Pentecostal Christians.

Why is it that we have been kept in darkness in America?

Could it be because all our information comes to us through the Jewish telegraph service which is the Associated Press of worldwide Zionism. It might be worthwhile to think about this for a bit.

The illegal method by which the Zionists in Palestine forcibly confiscated Arab land has been approved by our Zionist Occupational Government and by the wolves in sheep’s clothing who stand behind America’s pulpits declaring these bandits to be God’s Chosen People. Instead of giving honor to the men who fill these pulpits, patriotic Christians should hold them in the utmost contempt because they are traitors not only to their country, but of more importance, to their God. They have become paid prostitutes of Zionism who, according to Isaiah 56:11 “. . . all look to their own way, everyone for his gain . . .” These include national TV favorites such as Pat Robertson, Jerry Falwell, Jimmy Swaggart, Jack Van Impe, etc.

Palestine has often been called the “center of the earth” because the power which has controlled Palestine in the past has been the one which controlled the world. Palestine has been the key to world military strategy and trade. It is located strategically between three continents, and it lends itself to dreams of future glory, as the almost unlimited mineral and oil reserves of this area are astronomical.

The native Arabs of Palestine were promised protection from Jewish expansion first by British General Allenby when he liberated Jerusalem from the Turks in 1918, and then by the Balfour Declaration, the San Remo Conference and by President Wilson in his Fourteen Points. But the Talmudists said: "Let the Arabs go. Let them give up their land to us. We want it!" Oh, what a delightful Jewishness there is in this declaration. But today, the world is becoming alarmed at the seeds of Jewish aggression in Palestine and are beginning to realize that this could well be the catalyst which would set up Armageddon. In the meantime, the fundamentalists and evangelicals say they would welcome this catastrophe, not even comprehending the consequences of their words. Not one fundamentalist leader in a thousand understands the vastness and terror of Armageddon. Of course they don’t worry about this because they teach that they will not be here, but will be transported by Jesus to some place in the sky where,
from the battlements of heaven, they will watch as the rest of us are
destroyed. They teach this without the slightest Scriptural authority, and
woe be to them when their church members discover they have been lied
to!

I could fill more pages speaking about Talmudic control of the media, TV
and Hollywood. As was pointed out in detail in a previous chapter, all
major newspapers, TV networks, nine out of ten studios in Hollywood, the
major magazines - all are Jewish owned and/or controlled. What it boils
down to is almost complete control over the news which is spoon-fed daily
to the American people.

Add to this the control of the publishing houses and the National
Education Association and you have the makings of a confused America,
just as the Talmudists said it would be. The Talmudic idea of education
can be seen in the following remark made by Terry Herndon, former
Executive Director of the National Education Association:

> The ultimate goal of the NEA is to tap the legal, political
> and economic powers of the U.S. Congress. We want
> leaders and staff with sufficient clout that they may roam
> the halls of Congress and collect votes to re-order the
> priorities of the USA.

The propagandists of Hollywood are free to make Christian clergymen
anything from seducers, to safe crackers, to village idiots and get away
with it. But a Jew must never be depicted in a critical light, no matter how
dastardly his acts. Their viciousness towards Jesus Christ and Christianity
can be seen in the recent blasphemous movie, The Last Temptation of
Christ, which depicted our Lord and Savior as an immoral man. This
movie was made successful by the hordes of so-called Christians who have
made Talmudism successful in America. It has been Christianity that has
supported the movie industry, the Jew liquor monopoly, the Jew tobacco
industry, Jewish pornography and prostitution - everything which has
been used to tear down our Christian heritage.

*In Protocol IV,* we read:

*This is the reason why it is indispensable for us to
undermine all faith, to tear out of the minds of the goyim
the very principle of Godhead, and the spirit, and to put in
its place arithmetical calculations and material needs.*

*Protocol XVII:*
We have long past taken care to discredit the priesthood of the go yim and thereby to ruin their mission on earth which in these days might still be a great hinderance to us. Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion . . . 

"(Emphasis added)

In the communist textbook Psychopolitics, which was written in the USSR in 1933 and was the blueprint for the takeover of America, we read on page 52:

We have battled in America since the century's turn to bring to nothing any and all Christian influences, and we are succeeding. While we today seem to be kind to the Christian, remember we have yet to influence the Christian world to our ends. When this is done, we will have an end to them everywhere.

You must work until religion is synonymous with insanity. You must work until the officials of city, county and state governments will not think twice before they pounce upon religious groups as public enemies.

You wonder why hate laws which discriminate against Christians are being passed by a Zionist-dominated Congress? Here is your answer. It is the Talmudic principle in operation.

I could go into the jungle music of modern rock and roll which is controlled by Jews. We often wonder why our modern youth have degenerated into savagery, yet Christian leaders have refused to attack the Jewish source of this savagery. They are hamstrung by the teaching of their church that these imposters are God's Chosen and must be protected at all cost and that to confront a Jew is to bring God's curse upon them. Maybe these clergy and their parishioners should read II Chronicles 19:2 which says: "Shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon these from before the Lord."

Sixty years ago, Werner Sombart, a pro-Jewish author in his book, Jews and Modern Capitalism, predicted:

If conditions in America continue to develop along the same lines as in the last generation, if the immigration statistics and the same proportion of births among the nationalities in the US remain the same, our imagination can picture the United States in 50 or 100 years hence, as a
land inhabited only by the Slavs vs, Negroes, and Jews, wherein the Jew will naturally occupy the position of leadership.

How accurate his predictions have become. Whites are about to become a minority in the country they founded and brought to greatness. Why? Because they have been led to compromise with, and bow down to, the heathen attributes of Talmudism.

Professional sports in America have come completely under Jewish control to the point where they are pricing themselves out of existence. At the same time they fulfill the Talmudic ambition to get the goy occupied by sports so that he has little time or energy in which to do the important things. This is a Talmudic principle.

In Protocol XIII we read:

In order to distract the people who may be too troublesome from discussions of questions of the political . . . In order that the masses themselves may not guess what they are about we further distract them with amusements, games, pastimes, passions, people's palaces . . . Soon we shall begin through the press to propose competitions in art, in sport of all kinds: these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them.

Why this mad emphasis on sports? It is to take our minds oft essential issues and prepare us for Talmudic takeover!

The Jewish element has completely controlled boxing for years, and has taken the sport of clean wrestling, which was a test of skill and strength, and turned it into a disgusting orgy. We now see mud wrestling spectacles between near nude members of the female sex and the orgy of painted heathens groping and grunting their way in and out of the ropes.

When anyone exposes the Talmudic control over any segment of our existence, the Jew becomes an inflamed zealot because the Jew cannot tolerate anything he considers to be criticism. You may criticize a Christian of any denomination with impunity, and until recently, most nationalities, but the Jew is sacrosanct (sacred and above criticism). There is not a major newspaper in America, or a major politician, who dares admit that there is a Jewish problem. Any discussion, or the laying out of facts, immediately draws the label of "anti-Semitism," or "hate monger." The Jew can call your Lord and Savior a bastard and few will complain, but show the Jew in his true colors and your expose' will be
labeled as "full of lies, insinuation, prejudice and hatred to instigate suicide."

As I wrote earlier, the term "anti-Semitic" is a misnomer when applied to Jews today since the people we now know as Jews have very little, if any, connection to the forefathers of true Israel. Very few of the people we know as Jews, with the possible exception of a few Sephardim Jews, can qualify as being Semites. The vast majority, according to their own historians, are Ashkenazi Jews of Turko-Mongolian background. Their forebears never set foot in Palestine, they have not one drop of Semitic blood in their veins, and they have no legal or moral title or right to the land they claim is theirs by right of birth.

When one recognizes the problems caused in our society by Talmudic Judaism, it does not mean they have joined a campaign of hatred and enmity against all Jews. It is not hatred or prejudice to tell the truth about someone. Very few of our people even understand the meaning of the word prejudice, and as we said before, it comes from the word "praejudicium," which means "to form an opinion without knowing the facts," or pre-judging. There is no prejudice involved when one speaks the truth about anyone or any subject.

It is probably fortunate that Jewish periodicals do not circulate freely among the non-Jew since they are composed of two dominant themes - Gentile unfairness towards the Jew and Christian prejudice! If Gentiles read Jewish writers, there would be a concerted effort to rid tholorountry of Talmudism of all kinds.

It is not anti-Semitism to proclaim the truth known to many that there is an international Jewish conspiracy to rule the world. For in spite of Jewish efforts to deny this, which is supported by their Christian Zionist sympathizers, Jewish literature abounds with their plans and designs. The Protocols boast about it, The Talmud teaches it, and Jewish authors have gloried in the power which will be theirs when they have taken over world control. The Protocols are the operating instructions to carry out the programs of The Talmud.

The idea of a One-World government has been a Jewish dream from its inception and many Jewish authors boast about it in their writings. (My book, Behold the International Jew, has many examples of this.) One example of this assertion is a recently received letter from a Jew. It was written to a patriotic Christian American leader and reads as follows:

Sir: Your people are so paranoid it is obvious we can no longer permit you to exist. We cannot allow you to spread your filthy, immoral Christian beliefs to the rest of the
world. Naturally, you are opposed to the World Government . . . unless it is under the grip of American fascism. You who proclaim the Christian-American Way of Life is best it is obvious you have never been exposed to the superiority of the communist culture. World Government will bring world peace and this will not become a reality until American nationalism and imperialism is (sic) smashed!

When your nationalism is smashed, I will personally be there to firebomb your church, burn your Bibles and confiscate your firearms, and take away your children. We will send them to Eastern Bloc schools for redemption, as future leaders of the newly formed Soviet Socialist Republic of Amerika. We are taking over your world and there are not enough of you to stop us. I am prepared to fight you and all other enemies of the communist state.

Sincerely your enemy,
Signed: Gregory Paul Brookbank
Seattle, Washington

This is the Talmudic mind at work.

**Protocol XIV** states:

*When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours . . . with whom our destiny is bound up by our position as the Chosen People and through whom our same destiny is united with the destinies of the world.*

Samuel Roth, a Jewish author in his revealing book, *Jews Must Live!,* said:

A goyim neighbor of mine, a Mrs. Harlan, asked me one day: "Do you actually think that a whole nation such as Germany, would stand aside while Hitler eliminated all the Jews, unless there were some real abuses on the part of the Jews which might justify it?"

In trying to answer this perplexing question, he wrote:

Suddenly it dawned on me, blindingly, about all the evils for a long time that have been perpetrated by the Jews . . . The scroll of my life spread before me, and reading it, in
the glare of a new, savage light, it became a terrible testimony against my people.

He remembered how as a Jew he had been cheated by other Jews; how he had been libeled by Jewish journalists and sent to prison because they didn't like what he wrote. He said:

I have never stretched out my hand to help a Jew, or Jewess, without having had it bitten! I have never entrusted a Jew with a secret, which he did not instantly sell cheap to my enemies. with subtle scheming and heartless seizure which is the whole of the Jew's fearful leverage in trade; they drove me from law office to law office, from court to court, until I found myself bankrupt. It became so that I could not see a Jew approaching me without my heart rising up to mutter, "There goes another Jew robber; stalking his prey."

On page 81 of his book he says:

Every synagogue we Jews build in a Christian country is a finger of scorn we point at our hosts; a sore finger we stick into their eyes, like the leering of a senile old woman who does all sorts of foul mischief before you, and feels safe in the knowledge that you will not lay hands on her for fear of contamination.

This, my Christian friends, is Jewish Talmudism!

The Jew, Bernard Lazare, in his book, Antisemitism, page 350, said:

The Jew is not satisfied with de-Christianizing, he Judaizes and destroys the Christian faith; he provokes indifference, but he imposes his ideals on the world, of morals and of life, upon those whose faith he wins; he works tirelessly at his age-old task; the annihilation of the religion of Christ. (Em ph added)

This is Jewish Talmudism!

I began this book by discussing the story of The Babylonian Talmud as told by the Jew, Jacob Neusner. Then we looked briefly at the problems which have existed between the Jews and the Christian world, using as a background the book, The International Jew, by Henry Ford, Sr. Now we will take a closer look at The Talmud itself under the magnifying glass of truth and see what it tells us about itself. Many of the comments in this
In 1931, Elizabeth Dilling, then a girl in her teens, was taken by her parent Ge a visit to Russia. She saw for herself the appalling scenes of forced labor and squalid living conditions which had been brought about by the socialist system. She heard the public tirades over loud speakers in the city squares which vilified Jesus Christ and made the sacrament of Holy Communion into a cannibalistic orgy.

In the Museum of the Revolution she was shown a huge world map and as the guide switched on the lights all over the world where communism was then in control, he said: Our world revolution will start with China and end with the United States.

At her hotel, Elizabeth talked with a representative of a foreign country who told her about the police terror which had descended on the Russian people and how people were dragged from their homes never to be seen again. Behind the backs of careless guides, Miss Dilling took movies, and on her return to the United States, began to show them to concerned, patriotic Americans everywhere. Articles were written in small, local newspapers, and the story spread until she was lecturing full time, from coast to coast.

She managed to get a copy of her full report on communism, written in 1938 under the sponsorship of Henry Ford, Sr., into the hands of Senator Royal Copeland, who then passed it on to Vice President Garner. As a result, Congressman Martin Dies of Texas, directed the Dies Committee on Un-American Activities to look into this matter.

Mrs. Dilling discovered the hub of Jewish power in America was in the American Jewish Committee with its Masonic brotherhood of the B'nai B'rith, and its secret police force. Its "smear and ruin arm," the Anti-Defamation League, as we have stated before, is operating illegally on American soil but with full approval of the United States government.
After pushing a reluctant American people into World War II, international Judaism had to crush all opposition by labeling it as "fascist," "Nazi," or "anti-Semitic." By the stigma of these labels, innocent but informed patriots were ruined by the wrath of well-intentioned but brainwashed Christians. By using these brainwashed people to destroy the patriots, it has furthered their goals of world conquest.

A series of indictments were brought by the government of Franklin Delano Roosevelt against thirty out-spoken anti-communists. One of these anti-communists was Elizabeth Dilling. The indictments began in 1942 and ran through 1944 under the direction of the American Jewish Committee. The 1943 indictment was dismissed, but the one in 1944 had Christian patriots being tried before Jewish Judge Eicher. It was staged without any legal basis whatsoever. Judge Eicher died during the trial, and the case was dismissed by Judge Dolitha Laws with the scathing denunciation that it was a crime to dold people on trial for such a lengthy time without one single bit of evidence against them. Of course, the pro-communist press which is owned or controlled by Jews, gloated over this staged trial.

Goaded on by International Zionist pressure, this brave lady from Chicago went on to write _The Plot To Destroy Christianity_ from which most of the following information was taken. She also wrote: _Red Network_, a who's who and handbook on radicalism for patriots; _The Roosevelt Red Record and It's Background_; and _The Octopus_ which is an in-depth look into international Jewish power. As you read her powerful and well-documented expose's, you will understand why International Zionism hated her.

There is a missing link in Christian understanding regarding this entire subject. The average Christian is totally unaware of a Zionist problem, or of Zionist influence in their daily church, political and social activities. That is proof that the American Jewish Committee has been largely successful in their smear tactics and labeling of those who would dare expose them. This missing link is best expressed when looking into the subject of the Pharisees as found in the _Universal Jewish Encyclopedia_ of 1943. It states:

> The Jewish religion, as it is today, traces its descent, without a break, through all the centuries from the Pharisees. Their leading ideas and methods found expression in a literature of enormous extent of which a great deal is still in existence. _The Talmud_ (Babylonian, _Ed._) is the largest and most important single piece of that literature . . . and the study of it is essential for any real understanding of Pharisaism.
It would be reasonable for the Christian Bible scholar to recall here that it was against the Pharisees that Jesus Christ leveled His most devastating criticism, calling them "hypocrites," "poisonous snakes," and even "children of the devil." In John 8:44, He indicated that they were spiritual children of Satan, ever willing to do the dirty work of their father. He said that they went to extreme measures to gain a convert, then proceeded to turn them into "twofold more of a child of hell than themselves." (Matt. 23:15) He said they deliberately nullified the commandments of God by teaching the doctrines of men. (Mark 7:13 and Matt. 15:6 - 9) It is no wonder they wanted to kill Him.

Everywhere He went during His years on earth, we find the Son of God in conflict with the Pharisees, who The Word says: And consulted that they might take Jesus by subtlety (trickery, deceit), and kill Him. (Matt. 26:4) Although Jesus admitted that the Pharisees were the children of Abraham (at least some of them were through Esau/Edom - John 8:37), He told them that spiritually they were of their father the devil (John 8:44).

The Scriptural believers of Jesus' time were mostly from Galilee, as can be seen from Bible accounts. These people were called "gentiles" by the Jews, which equates to "non-Jews." (The most misunderstood word in Scripture is "Jew," with "Gentile" running a close second.) The Galileans were hounded and persecuted by the Talmudic Pharisees from the very beginning. In Acts 12:3, we read that King Herod, who was an Edomite/Jew,". . . because he saw it pleased the Jews, he proceeded further to take Peter also . . ." (He had already incarcerated and beheaded James, the brother of John.). In I Thessalonians 2:15, the Apostle Paul, speaking of these Talmudists said: Who both killed the Lord Jesus, and their own prophets, and have persecuted us; (Christians) and they please not God, and are contrary to all men: . . ." So you see how the people of that day felt about them.

The Babylonian Talmud, according to the top Jewish authorities, is the sole authority of Judaism. Rabbi Louis Finklestein was chosen in 1937 by the Jewish Committees (Kehillas) of the world as one of the top 120 Jews living at the time. In a two-volume literary work entitled, The Pharisees. Finklestein says:

Pharisaism became Talmudism. But the spirit of the ancient Pharisees survived unaltered. When the Jew . . . studies the Talmud, he is actually repeating the arguments used by the Palestinian academies. From Palestine to Babylonia, from Babylonia to North Africa, Italy, Spain, France, and Germany; from these to Poland, Russia, and Eastern Europe, generally ancient Pharisaism had wandered.
Finklestein says in his book, *The Jews - Their History, Culture and Religion*, Vol.4, p.1332: Any decision regarding the Jewish religion MUST be based on The Talmud, as the final resume of those authorities when they existed.

In the November 17, 1950, installment of a best selling book by the Jewish author Herman Wouk, we read: The Talmud is to this day the circulating heart's blood of the Jewish religion.

As far as I have been able to determine, there was no English translation of The Talmud prior to the Soncino Edition of 1934-48. Why was it that in Europe, when the contents of The Talmud became commonly known, it was burned by the orders of both the Pope and Protestant clergy? It was not because of hatred for the Jews, but because of its contents.

Some Jewish apologists, such as David Webber of the Southwest Radio Church, Oklahoma City, OK, and Jack Van Impe, a popular Baptist evangelist and writer, say it is because the Jews are God's Chosen People and therefore Satan has a special hatred for them. If this is true, then why did our Savior tell their leaders that they were of "their father the devil"? (John 8:44)

No, my Christian friend, you who have been brainwashed by Jewish propaganda in your so-called Judeo-Christian churches of America. The Jews have not been persecuted down through the centuries because they are God's special people; but because of their Talmudic teachings which they have put into operation everywhere they go. They have been hated because The Talmud teaches that only the Pharisees rank as men - all others are animals. The Talmud says "the people who are like an ass - slaves who are considered the property of their Jewish masters." It has been because of teachings such as this that the asses in every country have raised up in rebellion and expelled them.

Moses, in contrast to Talmudic teaching, was insistent upon one law for the stranger and the home born and taught that the stranger must not be oppressed. (Exodus 12:49) The Talmud on the other hand, teaches the Jew that the stranger in his midst is fair game for the Jews. (The word "stranger," as used in this Exodus passage comes from the Hebrew word "gehr," and means by implication a foreigner, or alien.)

Was Jesus being fair when He denounced the Pharisees in such scathing terms? It is impossible to know unless you know what The Talmud teaches. Irrefutable exhibits from Jewish authorities show beyond the shadow of a doubt that The Talmud reverses every one of the Ten Commandments of God, the teachings of Moses and the prophets and enshrines their own obscene opposites as the "whited sepulchres" Jesus spoke about in Matt.
23:27 which were beautiful on the outside, but full of stench and corruption within.

Murder of non-Pharisees is permitted by Talmudic law, as is theft, sodomy, incest and rape. The righteousness of grown men violating a little girl under the age of three is one of the favorite topics of discussion in book after book of The Talmud (Dr Neusner fails to mention this in his defense of The Talmud.)

The word "Babylon" in the Bible refers to everything that is foul and pagan. The word means "confusion." Most commentaries on the curses pronounced on Babylon in Isaiah chapters 13 and 14 and Jeremiah 50 and 51 refer not only to ancient Babylon, but to the spiritual Babylon which exists today. In the Book of Revelation, this mystery power is called BABYLON THE GREAT, MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. She is pictured as being "drunk with the blood of the saints and martyrs of Jesus Christ." It is the vast, powerful, one-world government (called the New World Order by the conspirators) that is being pushed by our political leaders today which will eventually make war with the Lamb and be destroyed. While Talmudic literature goes overboard in its praise of Babylon, it is a term of reproach in both the Old and New Testaments.

It was during the Babylonian captivity of the southern Kingdom of Judah that the priests discovered how the Torah (the Mosaic Law) could be used as "whited sepulchres," to cover up the degeneracy of Babylon. Many of those Judahites became racially mixed with their captors and became a bastardized people. Both these racially mixed Jews and those who were racially still pure, returned to Jerusalem. They deserted their temple worship for synagogues; they deserted their Levitical priesthood for that of the Pharisees; they left the true worship of their Hebrew forefathers and substituted the heathen ideology of Judaism.

While in Babylonia, the seeds of world conquest were sown among the Judeans in Babylon. They intermingled with the heathen culture of Babylonia and became successful in the use of usury which was forbidden under God's Law. They changed the worship of the true God and adopted the heathen, occult practices of the Babylonians.

Some Christian leaders will be quick to point out that there was also a Palestinian Talmud which is not nearly as violent in its relationship to Christianity as The Babylonian Talmud. But the noted Jewish Rabbi Hertz said: "... The Palestinian Talmud... was for many centuries almost forgotten by Jewry. Its legal decisions were at no time deemed to posses the validity of The Babylonian Talmud."
Hertz lauds the ancient Rabbi Akiba for being able to find a "Biblical basis for all the oral laws." Think about this What an achievement They took Biblical laws such as those forbidding sodomy, theft, passing children through the fire of Molech and twisted them into oral laws which permitted these degenerate un-Godly acts. This is what brought destruction to the Judahites. This is Gnosticism (a system of belief which stresses salvation through an intuitive knowledge or recognition of right and wrong) at its best. It has been defined as, "a system of merging the opposites and contradictory tenets of a system into accord." Yet Christ Himself once said, "... Ye cannot serve God and mammon." (Matt. 6:24)

The modern Pharisees are masters of Gnosticism and are attempting to blend Christians, Jews and heathen into one great brotherhood of man under their control, of course Christ was not fooled by the Gnosticism of the Pharisees of His day. He knew The Talmud allowed them to curse their parents as long as they did not use the Jewish four letter word for Jehovah. He knew the Pharisees taught that they could beat their parents as long as they did not draw blood. Both of these acts drew the death penalty under Mosaic Law.

God commanded Moses to instruct the priests not to marry a woman who had been a prostitute. But The Talmud contradicts this by saying that if a woman has had sex with her own son, if he is under the age of eight years and one day, she may marry a priest. And, the noted Rabbi Hillel, who many Jews consider the sage of all Jewish sages, said her son could be nine years old and it would still be OK.

The Babylonian born Hillel has been honored by having a Jewish College Foundation named after him and by the Jewish Masonic Lodge of B'nai B'rith. Yet, Hillel was one of the most putrid-minded of all the ancient sages according to his own writings. Maybe this is why the Jews honor him so. They seem to revere filthy minded individuals as can be seen in Jewish comics.

It is interesting to note that the Babylonian influence was so strong on Judaism that they adopted the Babylonian calendar. Many of the Jewish feasts and festivals are not from a Mosaic origin, but have come straight from the heathen observance of Babylonia. Isaiah, 760 - 698 B.C., the Israelite prophet (who was not Jewish) begins his book with accusations against Judah and Jerusalem:

"Ah sinful nation, a people laden with iniquity . . . children that are corrupters: . . ." (Isaiah 1:4) Bring no more vain oblations (sacrificial offerings) . . . the new moons and sabbaths . . . and it is iniquity . . . (Isaiah 1:13) . . . your
new moons and your appointed feasts my soul hateth: . . . I am weary to bear them." (Isaiah 1:14)

There are two new moon days celebrated monthly in the Jewish synagogue, and Rabbi Joshua Trachtenberg, who is listed in the Jewish Who's Who in America, states in his book, Jewish Magic and Superstition, page 256:

The pagan veneration of the new moon, which had by no means disappeared in Biblical times, has no direct connection with the ceremony blessing the new moon which is outlined in The Talmud and is observed until this day.

But certain superstitious practices are still associated with this rite, pointing to its continued occult importance in human affairs.

In the first group are the practices of skipping three times at the close of the Semissing and addressing the moon three times . . . The ceremony, as well as the three fold repetitions are typical of magical acts. In the latter group are the practices of shaking one's clothes to cast out evil spirits, and the belief that one who performs the full rite need not fear death during the ensuing months.

The Feast of Tammuz, celebrated by Jews from the 17th of Tammuz until the 9th of Ab, is a feast in honor of the Babylonian heathen goddess of prostitution. The worship of this heathen goddess was practiced during the Babylonian captivity and returned to Judea with them as another regular festival of this "Babylonian synagogue of Satan."

Another regular Babylonian festival is the "New Year for trees." Tree worship is one of the oldest forms of paganism and is based on the belief that trees are inhabited by the spirit of fertility. In the Jewish Encyclopedia (1905) is an article about this festival. It quotes from The Talmud, Gittin 57a, on the Jewish custom of planting a cedar tree for every newborn male and a cypress tree for each female. When a marriage is about to take place, the trees were cut down and used as bedposts for the nuptial canopy. This same article relates how the Cabalists, when they settled in Palestine in the 16th century, instituted the practice of eating fruits on that day instead of planting trees.

The Christian reader may be perplexed by the Biblical denunciation against trees until you realize that the Babylonians fertility rites, and the mass prostitution of Judean women were carried out under these trees which were planted in groves for this purpose. Two Judaic kings,
Hezekiah and Josiah, were commended in the Bible because they cut down these groves (see II Kings 18:4 and 23:14). God promised His people in Egypt that He would bless them only as they drove the pagan abominators, the Canaanites, out of the land. Instead, the Israelites often intermarried with them in direct opposition to God's commands. Intermarriages of this type were taking place in Babylon among the captive Judahites and their captors. It became so obvious that God stated that their very looks would be a testimony against them.

In Exodus we see where God tells Israel: “But ye shall destroy their altars, break their images, and cut down their groves: . . ." (Exodus 34:13)

And in Deuteronomy 12:2-3: "Ye shall utterly destroy all the places, wherein the nations which ye shall possess served their gods, upon the high mountains, and upon the hills, and under every green tree: And ye shall overthrow their altars, and break their pillars, and burn their groves with fire; . . .”

The Judahites did not do this in Babylon. Instead, they joined in this heathen practice and then brought it back into modern Judaism.

Can you understand why the Apostle Paul said of the Jews in I Thessalonians 2:15: " . . . They please not God, and are contrary to all men:"

Since the Babylonian Talmudists acquired Old Palestine in 1948, formal tree planting has taken place at a feverish rate with Holiday Tree Planting Events to honor various State of Israel personages. Thousands of these trees have been planted by brainwashed Christians who do not know the religious significance behind it. In view of the billions of dollars we have given the State of Israel, they even designated a forest which was to be planted in honor of the U.S. Government. We will see more groves planted than Joshua and the prophets ever cut down.

Following are two pages taken from an article in the Jewish Encyclopedia about Babylonia which illustrates the devoted attitude modern day Pharisees have towards Babylon, the source of their Talmud.

Following the quotes from the Jewish Encyclopedia is an article taken from the Jewish newspaper, The American Hebrew, March 1, 1946, in which Rabbi Leon Spitz urges Jews to eliminate anti-Semites as their ancestors did. (Keep in mind that 80% of the Jews today are not Semitic.)

After an interval of a few years, a nephew of the deposed Ukba, David b. Zakkal (920 - 940), was made exilarch, and Cohen Zedek II. was forced to recognize him. Foiled as this
ambitious Pumbeditan thus was in regard to the exilarchate, he was in addition compelled to witness the rise and development of the Academy of Sura, also strongly opposed by him, but which under Saadia reached a point of unprecedented splendor. Saadia, who had been called to Sura from Egypt because there was no scholar of sufficient Talmudic authority there, had already made himself famous by his translation of the Bible into Arabic, and by his commentary upon it. His activity as gaon of Sura (928 - 942) was even more meritorious than this accomplishment. His battles with the Karaites form but one side of the general polemic activity which ruled at this time in Irak among the professors of the various religions. There was a Parsee controversy ("shikandgumanik Vijar") against Jews and Christians in the ninth century (Darmesfeter, "Rev. Et. Juives," xxvill 4). Sabaryeshu, a Jacobite presbyter of Mosul in the tenth century, waged a discussion with a Jewish sage (Assemani, Ac. iii. 1, 541; compare Steinschneider, "Polemische Literatur," p.85); and Mohammedan writers like Al-Kindi were continuous in their attacks, from the ninth century on, against Jews and Christians alike (Steinschneider, l.c. p. 112). Two califs, Al-Muktadir and Kahir, interfered in the disputes between the exilarchate and the gaonate, with the result that both institutions suffered in influence. David had successfully maintained himself against his brother Joshua, whom Saadia had declared exilarch, and had thereafter made friends with the gaon, who had in the interval been banished to Bagdad. He left a son, Judah, to succeed him; but he ruled only seven months. Saadia then took affectionate charge of Judah's infant son, until the latter was slain in a Moslem riot. The exilarchate had to be suspended (about 940) until quieter times permitted its artificial revival. There are some faint traces that a certain Hezekiah, a grandson of David's son Judah, was exilarch for a time; but, according to other authorities, he was only gaon of Pumbedita - a post which, with his violent death in 1040, also passed away after an existence of 800 years.

The Academy of Pumbedita flourished for a century longer. Aaron ibn Sargado, a wealthy merchant of Bagdad and and opponent of Saadia, acted as gaon of Pumbedita (943 - 960) and very effectively.

Of less importance was Nehemiah, son of Cohen Zedek; but in Sherira (968 - 1000) and his son Hai or Hala, the Jews
of Babylonia possessed two incumbents of the gaonate who shed unrivaled brilliancy upon their office. Yet both these respected dignitaries found themselves the victims of calumnious representations made to the calif Al-Kadir, probably through the instrumentality of scholars who felt themselves slighted. The two geonim were for a time imprisoned, but ultimately were set at liberty, and the now aged Sherira resigned his office in favor of Hai, who discharged the duties of the gaonate until 1038. Upon his death the above mentioned Hezekiah ruled for two years longer and with his murder the gaonate of Pumbedita came to an end.

The gaonate of Sura was extinguished less suddenly. About 970 a certain R. Jacob b. Mordecai is said to have written to the Jewish communities on the Rhine on the matter of a false Messiah (Mannheimer "Die Juden in Worms," p.27); this is however, considered to be a fabrication. The last gaon of Sura was Samuel b. Hophni, the father-in-law of Hai; he was distinguished for his literary activities. When he died in 1034, the gaonate of Sura retrograded more and more, until at last it expired quietly and unnoticed.

A special intervention of Providence, according to Ibn Daud, was arranged in order that Babylonian learning should be transplanted to Europe. Four scholars, sent to the West to gather funds for the academies, were captured on the Mediterranean by an admiral of the calif of Cordova; and after many experiences these four became the founders of rabbinical academies in Alexandria, Kairwan, Cordova, and perhaps Narbonne. Babylonia thus lost its central importance for Judaism; it was, however, replaced by the rising communities of Spain, whither the two sons of the unfortunate Hezekiah above mentioned had also migrated.

This forms an appropriate point at which to consider the general influence of Babylonia upon European Judaism. Luzzatto ("Hebraische Brie fe," p.865) thus in substance, describes it: The West received both the written and the oral Law from Babylonia. Punctuation and accentuation were begun in Babylonia; so also the plyyut, rime, and meter. Even philosophy had its origin here: for the frequently mentioned by little-known David ha-Babli or Al-Mukammez, who lived before Saadia, is the oldest known Jewish philosopher. The greatest if not also the earliest
payyetan, Eleazar Kalir, of the eighth century, was apparently a Babylonian. It is true indeed, adds Luzzatto, that heresy is also a Babylonian product; for, in addition to the Karaites, Hiwi al-Balki, Saadia's opponent, was a Persian - in a broader sense a Babylonian. [The Talmudic usage survived for a long time of calling all Western Jews (ma 'arbaye') "Palestinians" and all Eastern Jews ("Thadinhaye") "Babylonians." ] One peculiarity of the Babylonians, however, made no headway among the Jews of other lands: this was the system of supralinical punctuation (see Pinsker, "Einleitung in das Babylonisch-Hebraische Punctuationssystem"), called the Babylonian or Assyrian, and said to have been in vened by the Karaite, R. Aha of Irak (see Margoliouth, in 'Proc. Soc. Bibl. Archaeology." 1893, p.190). To Babylonian literary activity, in addition to the Babylonian Talmud, must be ascribed possibly the Targum Onkelos, together with some Midrashic works ("Rab'bot"). "Halakot Gedolot," and the well-known works bearing the names of the geonim Aha of Shabha, Amram, Saadia, Sherira, Hai, Hophni, and others. Babylonian learning, always great from Rab's time, expressed itself in independent works only toward the close of the period, and then disappeared all together.* {Note:- * the Jewish Encyclopedia, Funk and Wagnall Co., NY and London, 1905. pg.413.}

GLAMOROUS PURIM FORMULA

Exterminate Anti-Semitic Termites As Our Ancestors Did 2,500 Years Ago

The Purim festival offers a formula to combat anti-Semitism. And no wonder, since it was during those Purim days, just about twenty-five hundred years ago that Jews lived for the first time in their history in Galuth. And it was then that Jews met the anti-Semite face to face - and triumphed over him.

To the question, how did he do it? a rereading of the Book of Esther will afford the answer. No, there was no miracle about it at all. Fact is, the Purim festival is unique in this respect that nothing supernatural is mentioned in its connection. It is also unique in that the name of God does not occur in the entire story. It presents just this one
problem, the problem of anti-Semitism and affords a realistic solution, which seems to have a substantial amount of merit.

And yet it is this holiday about which poets have composed songs and ditties beginning with the Mediæval Shoshanat Yakob to "Haman was a Wicked Man" and "In Shu Shu shu shu" so popular in our American Sunday schools. It is this festival which has evoked not a few of the great masterpieces by the master-painters of Christendom which are exhibited in the finest National Museums and Galleries in many a European Capital. These Purim paintings are to be found even among the priceless objects d'art which Goering and his hoodlums have looted and hidden away, now to be rediscovered one by one by American art experts. Purim launched the Yiddish Theater with Esther as the charming heroine, Mordecai the popular hero, and Haman the villain par excellence. In the sunny climates of Italy and Southern France Purim carnivals were in vogue while in German and Hollandish Synagogues Haman was burnt in effigy and with unrestrained glee. To this very day in a thousand Synagogues his name is hissed and mimicked on Megillah night to the accompaniment of Haman klappers and every other variety of festive noisemaker.

Dealing as it does with the most serious problem of Jewish life, the perennial curse of anti-Semitism, the festival has yet become the merriest and the gayest in the Jewish calendar. The Order of the Day includes wine drinking, the Purim Seuda or Banquet to top off the holiday which has been launched on Megillah night by the public reading of the Story of Esther. It by no means neglects the giving of charity to the poor and it stresses the practice of Shalach Mones or the Exchange of Presents among relatives and friends. Every ear mark of festivity lends its bit of gaiety to make this the most glamorous of Jewish holidays. And so it goes.

But why all this?

For the very simple reason that the Purim festival spelled to Every Jew of Every Generation the call to: fight the good fight with a pretty definite assurance that victory and triumph were just right around the comer. The Purim story mirrored the precariousness and the uniqueness of Jewish Life in Exile. Withal it reemphasizes the story-book formula
that all's well that ends well, and every Jew lived happily ever after.

In every way Jewish life as lived in the Purim story mirrors Jewish life outside of Palestine in every age and epoch of Jewish history. Mordecai and Esther had Persian names, they spoke the language of the country of their adoption, they participated in the life about them, they attained posts of honor and of prestige. And simultaneously they had their own organized Jewish life and they adhered to their faith and to their traditions. And then anti-Semitism struck.

The causes were the perennial causes: jealousy, race hatred, the Jews were aliens, they were - that greatest of unforgivable crimes - they were DIFFERENT In the words of the Megillat Esther, "Their laws are diverse from those of every people; neither keep they the king's laws." Haman too alludes to the loot which would be poured into the Royal Treasury by confiscating Jewish property, "I will pay ten thousand talents of silver to bring it into the king's treasuries." There is too the genuine Hitlerian touch. Hitler resentful of certain individual Jews, determined to revenge himself upon the entire Jewish nation. Likewise Haman in his day, resented Mordecai and sought to massacre all the Jews.

The Purim formula demands the following elements: Self-respect, Unity, Faith, Courage and Sacrifice.

Self-respect - The Megillah is crystal clear on this point. Mordecai the Jew did not kneel nor did he prostrate. No matter what the price, his Jewish self-respect permitted no compromises.

Unity! Esther's counsel to Mordecai was, Go forth and assemble all the Jews of Shushan. American Jewry must present a united front in combating its enemies. This is a first essential prerequisite before the ranks can be closed. It is a Must technique which every battle in human experience prescribes. Jews of every religious denomination and of every sort and manner of theoretical grouping, the maximum and the minimum Jews are duty bound to keep well in mind Ben Franklin's revolutionary bon mot, If we don't hang together we shall hang separately. Jews must learn to get along together and to embark on common action, to achieve their goals and to protect their rights.
Faith! A people must have faith both in its destiny and in its own power to achieve that destiny. Enlargement and Deliverance will arise unto the Jews from another source."

Sacrifice! Yes, there must be those who, more alive to the problems of Jewry and placed strategically where they can help their people, must be willing to render the needful service even to the point of personal sacrifice. Noblesse oblige. They who are endowed with health, or prestige or influence, or talent - with the ammunition that plays a determining role in a Democracy - must be induced to make use of their ammunition in the protection of their fellow Jews. For in the security of the entire Family of Israel is assured the peace and the security of every individual Member of that Family.

And lastly, Courage.

The kind of courage that Mordecai and the Jews of Shushan displayed was to meet the enemy in physical combat. It was the kind of courage which the Allied soldier displayed when he met Nazi and Jap in battle. It was the kind of courage the flower of the Jewish Youth of Palestine exhibits in its battle for free entry to Palestine. For too many thousand of years The Voice has been The voice of Jacob and the Hand was the Hand of Esau forever raised against his brother. Perhaps the time has come when roles should be changed. Let Esau whine and wail and protest to the civilized world, and let Jacob raise his hand to fight the good fight.

For the anti-Semite has no morality, and he has no conscience. He understands but one language, and he must be dealt with on his own level. The Purim Jews stood up for their lives. American Jews too must come to grips with our contemporary anti-Semites. We must fill our jails with anti-Semitic gangsters, we must fill our insane asylums with anti-Semitic lunatics, we must combat every alien Jew-hater, we must harass and prosecute our Jewbaiters to the extreme limits of the laws, we must humble and shame our anti-Semitic hoodlums to such an extent that none will wish to dare to become "fellow-travelers."

When you read this article, remember that it is the story of a Jew by the name of Mordecai who deliberately prostituted his niece to the king in
order to gain the king's favor. It is not a story about God's protection of these anti-Christs as our pastors would have us believe.

Some of my Christian readers may ask: "What was Babylonia's influence on Judaism in Europe? How did it affect European Jews?"

The answer is that the Jews in the east and west received both the written and oral law of Babylonia. It is still looked upon with deep reverence by religious Jews everywhere. It might be worthwhile to point out here that the vast majority of modern-day Jews are not religious at all, and many of them are declared atheists or agnostics. This is especially true in the State of Israel.

While the Christian world, for the most part, abhors the concept of Babylon, world Jewry adores it. In some parts of the world, in Ethiopia for example, the Falasha Jews (black Jews), place the rabbis of Babylon first in their daily prayers.

The existence of a spirit world inhabited with evil spirits is mentioned throughout the New Testament and we find numerous incidents where Christ and His disciples drove out the possessing spirits. There is one hard, fast rule observed throughout the entire Bible when dealing with evil spirits and that is to leave them alone. Do not try and invoke them (call on them for help), or even attempt to communicate with them. The gangster elements of the spirit world will deceive the finite reasoning of human beings, if given a chance, so leave them alone. No horoscopes! No ouija boards! No fortune telling!

Where the Bible represents God as the Supreme Intelligence, Creator and Ruler, the pagan and atheistic concept is that of "pantheism." Pantheism is the belief that there is a great natural essence (something that exists), about which the individual can know nothing. In pantheism, man is the big shot. The Bible prophesies that the anti-Christ will be a personification of this nature (see Isaiah 14:12-19; Daniel 11:36-38; Matthew 24:15 and Mark 13:14).

This idea was expressed by the German Jewish philosopher Ludwig Feurbach, over 100 years ago when he said: Man will finally be truly free when he realizes there is no god of man, but man himself.

This idea took root in the diseased brain of a young Jewish radical named Karl Mordecai Marx and became the foundation of modern communism.

THE CABALA
No book on Zionism would be complete without mention of the Cabala. The Universal Jewish Encyclopedia (1943) says of it: *Although Palestine was the birthplace of Jewish mysticism, the land where the Cabala was conceived and in which it attained its greatest importance was Babylon.*

The Cabala is a library of Jewish literature based on magic, spiritism, and sheer pantheism. Rabbi Aaron ben Samuel is credited with bringing these mysterious doctrines from Babylon to Italy about the middle of the 9th century AD. From there, it spread to most of the Christian countries of Europe. The word CABAL, sometimes spelled KABBALAH, is Yiddish and means, "tradition." It is a compilation of the traditions of paganism brought back by the Jews on their return from Babylon.

The ZOHAR, which complements The Talmud and is called the "book of splendor," has been translated into several large volumes and is more degenerate, if possible, than The Talmud itself.

The world is explained by a chart which represents three copulating triads (a group of three persons); male, female and offspring. The EN SOF surrounding these is the god-essence which percolates through these three, back into itself.

The Jewish Encyclopedia, p.472, under the heading of "Cabala," explains it like this: *God is the infinite, unlimited being, to whom one can neither make or ascribe any attributes* (human, Ed.) *whatsoever; who can be merely described as EN SOF* (without end, Ed.)

While the Talmud-Cabala explains life as a series of blind emanations, the stooge of the Talmudists, the evolutionist Darwin, explains life as "self development from matter, equally blind and without a Chief Engineer or Designer." Karl Marx, in his Talmud formula for world power, calls this same Cabalistic process "dialectical materialism," the very essence of Talmudic communism.

According to The Jewish Encyclopedia, the Cabala taught the exalted position of man, "the true Jewish view of life, and one that appealed to Talmudic Judaism." The Jew is recognized in the Cabala . . . and it was the Cabalists who developed Jewish magic, **the casting of lots;** (does that ring a bell at the crucifixion?) **necromancy** (foretelling the future through communications with the dead.); **exorcism** (the formula used for the casting out of evil spirits) and **astrology.** These were all legitimized in Jewry, although the Law of Moses demanded the death penalty for anyone who practiced them. (Leviticus 20:27, Deuteronomy 18:10-12)

The prophet Jeremiah foretold the destruction of this mighty Babylonian system which now controls the world (Jeremiah 51:63-64), and our Lord
Jesus Christ added His own words in Revelation 18. Here we find that this world system is held accountable before God for the blood of the prophets, the saints and all that were slain upon the earth.

In Matthew 23:31-35, as Christ faced the Pharisees eye to eye, He said to them:

"... Ye are the children of them which killed the prophets. 
Fill ye up then the measure of your fathers. Ye serpents, ... how can ye escape the damnation of hell? Wherefore, 
behold, I send unto you prophets, and wise men, and 
scribes; and some of them ye shall kill and crucify ... and 
persecute them from city to city: that upon you (the 
Pharisees, Ed.) may come ALL the righteous blood shed 
upon t

In this scathing manner, Christ linked the Pharisees of His time with the Babylonian Red World Power to come and which He will ultimately destroy. A reading of the foolishness and utter blasphemy of The Talmud will throw new light on Christ's bitter denunciation of the Jewish leaders of whom He said in Matthew 23:13-15: "... for ye shut up the kingdom of Heaven against men: for ye neither go in yourselves ...

But Christ's bitter denunciation of the Pharisees reached even deeper than the Pharisees themselves. In Matthew 23:15, Christ clearly states that their converts become "twofold more the child of hell" than their convertors. This can be clearly seen in the attitude of the so-called Christian Zionists who are hell-bent on defending Zionism, no matter how evil it may be. Men such as Jerry Falwell, Pat Robertson, Jimmy Swaggart, Jack Van Impe, to name a few.

It can also be seen today in world affairs where the prostituted converts of the great Pharisee banking and industrial czars are key men who are often better fronts and more zealous than their masters in building up the Red anti-Christ world. More and more we see so-called Christian leaders enter the Zionist movement of World Brotherhood which is designed to destroy the Christian world.

Jesus clearly warned us in Matthew 6:24: "No man can serve two masters . . ."

Yet well-known Christian leaders such as those just mentioned give credence and honor to the enemies of Christ who are clearly defined in I John 2:22-23. Then they turn their backs on the admonition given in II John 10-11 and encourage their people to do the same. Here, the Apostle
John states that anyone who gives aid and comfort in any way to the anti-
Christs, becomes a partaker in their evil deeds.

At the time (approximately 96 AD) when the Spirit of Christ prompted the
Apostle John to write the book of Revelation, He had him mention the "... . blasphemy of them which say they are Jews, (Judeans) and are not, but are of the synagogue of Satan" (Revelation 2:9 and 3:9).

According to The Jewish Encyclopedia, the Jewish political party of the
Sadducees disappeared and the Pharisees were in complete control of
Judaism. In fact, the word Judaism is synonymous with Pharisaism.

Whether these Jewish leaders were lineal descendants of Judah, was not
the issue. They had access to the Word of God, but instead of adhering to
it, they readily and eagerly adopted the pagan traditions of Babylon which
nullified the Commandments of God (See Matthew 15:3-9 and Mark 7:5-9).

The Apostle Paul made it clear over and over again that the promise of
blessing to Abraham and his seed was to come, not through his "blood
line," but through Christ. (This is a lesson many Identity Christians need
to learn.)

"Now to Abraham and his seed were the promises made. He saith not, . . . seeds, as of many; but as of ONE . . . which is Christ . . . And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise." (Galatians 3:16,29)

You may be of pure Abrahamic lineage, (I sincerely doubt that any such
man or woman exists) but you cannot enter the kingdom or obtain to the
promises made to Abraham except through Jesus Christ. Maybe this truth
is one of the reasons that some people in Identity hate the Apostle Paul. In
his own words he said: "Am I therefore become your enemy, because I tell
you the truth?" (Galatians 4:16)

The question should rise in the mind of any discerning Christian whether
the Jewish boasts that they are the "seed of Abraham" has any
genealogical substance. Jesus repudiated this idea when He said,

"If ye were Abraham's children, ye would do the works of Abraham. But now ye seek to kill me, a man that hath told you the truth, which I have heard of God: this did not Abraham." (John 8:39-0)
Are the present-day Jews the lineal descendants of the patriarch Judah? The Zionist apologists such as Falwell and Robertson would say, "Yes, of course!" But, the Holy Word of God gives us a different answer - a resounding "NO!"

According to the 1964 Jewish-American Press, over half of the Jews in Palestine at that time were either Negroes or Orientals and, ever since, there has been a constant war of discrimination against these ethnic groups and against Western or Sephardim Jews.

Mrs. Dilling tells of attending a conference and sitting next to a blue-eyed lady with a German accent. This lady boastingly said: "I am Jewish." When Mrs. Dilling asked her, "How do you know you are Jewish? How far back can you trace your ancestry," the woman had no answer. She stated that she had been trained in The Talmud in her synagogue before she had been converted (?) to Christianity. When Mrs. Dilling told her, "I have spent twenty years studying The Talmud," a terrible silence fell, and the woman left during the singing of the next hymn. Apparently the Jewess had never met a goy who knew what her Jewishness meant and was unable to cope with the situation. She had posed as a "star" among Christians who assumed that she was a "cousin of their Savior," when in reality she was an alien to the Commonwealth of Israel.

Most of the Christian people in America and Canada are similarly misinformed. Their pastors do not give them facts, but constantly propagandize them with the oft-repeated, "Jesus was a Jew," the "Jews are God's Chosen People," and "either bless and help the Jews or you will come under a curse from God." This latter is the one Falwell loves to quote.

Shem, Ham and Japheth were the three sons of Noah. To be a Semite, one must be a descendant of Shem. Just because a man or woman claims to be Jewish does not mean they descended from Shem. The Negro comedian, Sammy Davis, Jr., claimed he was a Jew, yet I know of no Christian Zionist who is stupid enough to claim that he descended from Shem. The same goes for Liz Taylor and many other white people who have been seduced into Judaism.

In Esther 8:17, approximately 510 BC, we learn that many people of the Persian Empire, which covered 127 provinces stretching from the Indian to the Atlantic Ocean, became Jews for fear of the Jews." This did not mean that these thousands, or possibly millions, of people were descendants of the Tribe of Judah.

When Moses died, approximately 1451 BC, Joshua led the Israelites into Canaan, or Palestine as we know it today. God warned him to drive out
ALL the inhabitants of the land lest the sexual abominations of the Canaanites, who were descendants of the son of Ham, would cause Israel to sin (Genesis 10:1-18 and I Chronicles 1:13-16). A study of the books Joshua and Judges will reveal that instead of driving out these heathen abominators, the Israelites intermarried with them and adopted many of their abominable ways. This is why we find the prophets thundering their denunciations against both the House of Israel and the House of Judah. Finally in 721 BC, God, in His wrath against the northern ten tribed House of Israel, purposed that they be taken into captivity east of the Euphrates River by the Assyrians. For all intents and purposes, these people became lost to human history, but not to God.

The consequences of the prophets' dire warnings against the southern Kingdom of Judah finally took place between 600-586 BC. These people, following in the footsteps of their brethren from the north, became even more evil in their works. They were taken captive into Babylon, all except the very poorest and basest of the people. Remember, most of this kingdom had been carried away by the Assyrians at the time of the northern invasion. Among those that were left, the cream of the crop was taken into Babylon There were only approximately 49,000 who eventually made their way back to Palestine.

Jacob, later called Israel, had twelve sons who fathered twelve tribes who became known as the Children of Israel, or Israelites. Three of these started their tribal history by marrying non-Israelite women. Judah married a Canaanite woman, a descendant of Ham (Genesis 38). His offspring were Hamatic as well as Semitic. Four hundred years later, around 1300 BC, his descendants through his half-Hamatic son, Shelah, were weavers and potters (I Chronicles 2:3 and 4:21-23). Simeon, another of Israel's founding fathers, married a Canaanite woman (Genesis 46:10).

Egypt had been settled and peopled by the Mizrain, the descendants of Ham. It was known as "the land of Ham" (Numbers 12:1; Psalm 78:51; Psalm 105:23; Psalm 106:22) Contrary to public belief, these people were white, not black!

Over and over again, in monotonous repetition, we read in the books of Joshua and Judges how Israel triumphed over the Canaanites. Yet many Israelites disobeyed God by allowing the Canaanite gods to remain in the land, and eventually these Israelites intermarried with these captured peoples. In Numbers 33:55, we read Moses' warning to Israel:

But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns
in your sides, and shall vex you in the land wherein ye dwell.

Israel did not believe God then and they paid the price for their disobedience. Modern Israel today, the white nations of Christendom, refuse to obey God and are suffering the same penalties for their disobedience.

The sins of the Northern Kingdom of Israel were those of inter-marriage with the Canaanites and the making of altars of sin. They began to follow after the abomination of those heathen people which God knew they would do if they allowed them to remain in the land. One of those sins was the offering of their children to the god Molech, just as we, their offspring, are offering our unborn on the altars of "legalized abortion." Ephraim, the dominant tribe of the Northern Kingdom, "hath mixed himself among the people," (Hosea 7:8; 8:9-11). Isaiah called them the "drunkards of Ephraim" (Isaiah 28:1-3). The charges against them were mixing with abominators and whoring under every green tree (Isaiah 57:5 and Deuteronomy 12:2). This hardly makes for a generation of purity.

It is exceedingly difficult to understand how the modern-day Pharisees have convinced the Christian world that the Jews stem from a pure Judah-Israel stock, since Christians have access to Scriptural records which prove otherwise. In Christ's time, when the Pharisees boasted of being Abraham's children, He threw their boast back in their faces (Matthew 3:7-10; John 8:33-44).

When the Jews of today say: "We are the children of Abraham and are therefore entitled to the land of Palestine," our answer should be, "So what! Millions are!" After all, God told Abraham that he would someday be the father of many nations (Genesis 17:5) and that his descendants would be as the sand of the sea (many in number). Abraham did not father only the Tribe of Judah from whom the Jews claim they come. He had sixteen offspring by his wife Keturah from whom came the Midianites and hordes of mid-eastern peoples. Through his son Ishmael, born of Hagar, he fathered twelve separate nations. However, the great promise to Abraham was Jesus the Christ, not the Jews.

Furthermore, Moses was not a Jew. He was a Levite on both sides of his family (Exodus 2:1). Abraham, Isaac and Jacob were not Jews. There were no people called Jews anywhere in the world until almost 1200 years after the time of Abraham when they first appeared in II Kings 16:6, fighting with the king of Syria and the king of Israel against Ahaz, the king of Judah. To call Moses, Abraham, Isaac and Jacob Jews is a sign of ignorance at best, and intellectual dishonesty at worst.
Only one tribe, the tribe of Judah, has provided any possible ancestry to the people known as Jews. This would comprise only a tiny minority today since most modern-day Jews are Ashkenazim, who, according to *The Jewish Encyclopedia*, are Turko-Mongolian by racial and family background and whose ancestors never set foot in Palestine. Grabbing the entire Old Testament and claiming it to be their own, as the Pharisees do today, is false and misleading since the religious book they follow is *The Babylonian Talmud* (according to their own leaders). It is also false and degrading for Christians, whether in the denominational world, among evangelicals or fundamentalists, or among the Kingdom Identity people, to deny Christ's descent through Judah as was prophetically foretold.

**WHY DO THE JEWS OFTEN LOOK JEWISH?**

The *Jewish Encyclopedia* (1905), has a long article, with charts and pictures, which seeks to answer the question: "Why is there a special look in so many self-styled Jews?" Some of these Jews are blonde and blue-eyed. The Encyclopedia says:

> What is popularly known as the Jewish type . . . consists primarily in a peculiar expression of face, which is immediately and unmistakably recognized as Jewish in large numbers of cases . . . It has also been remarked that Jewish persons who do not have this expression in their youth, acquire it more and more as they grow from middle to old age . . . There is seemingly some social quality, not connected with race, which stamps the features of Jews as distinctly Jewish.

The Anti-Defamation League of the Jewish Masonic Lodge B'nai B'rith, published a series of leaflets for Jewish discussion groups. Leaflet #7 was entitled: *Three Questions Jews Must Answer!*

1. Are the Jews a race?
   Answer: Jews are part of a general admixture of races.

2. Are Jews a nation?
   Answer: Jews are parts of all nations.

3. Are Jews a religion?
   Answer: There are hundreds of thousands of Jews who are unbelievers, yet they consider themselves to be Jews. They
need not fear to be represented by Judaism. On this they may be sure, Judaism will not misrepresent them.

Pharisaism-Judaism-Talmudism teaches that only Jews are human beings. This is their basic law. We will see this later in one of the Exhibits from The Talmud. Pharisaic-Talmudic brotherhood is actually atheistic communism, a world which has no nationalism, except Talmudism. It is built on a Satanic plan for world conquest known as PAXJUDICA.

The final world of the Pharisees is bound for destruction (Malachi 1:2-4 and Micah 4:4) where we read the final results when Jesus Christ, King of Kings, returns to this earth to rule over that which rightfully belongs to Him, but which has been usurped by Satan through the disobedience of God's creation, man. When Christ returns, there will be no more prison collectives for the world tormentors, no more concentration camps, no more government political prisoners, no torture of Christians.

When we observe the beautiful exterior of the whitened sepulchres of Talmudic-Pharisaic-Judaism, and then look at their stinking interior which denies every teaching of the Bible, it is no wonder that Jewish institutes such as the Hillel Summer Institute seek to classify the twisted thinking of Jewish leaders. They ask the question: "Is God necessary for morality?" Their answer is peculiarly twisted Jewish logic: "Since according to philosophy, God's existence cannot be proven, how then can a Jewish student, after being exposed to philosophical thought, get the necessary faith to believe in God?"

The Bible tells us in Proverbs 23:7: "For as he thinketh in his heart, so is he: . . ." So the gangster on the street, the prostitute, the pornographer, all acquire a certain look which was not evident when they were born. A glance at the photos of the Who's Who in Judaism will reveal a predominance of that special Talmudic look which comes with long association with its filth and blasphemy. Isaiah 3:9 states it this way:

"The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not Woe unto their soul! for they have rewarded evil unto
themselves.

1. The Pharisees, interpreting the spirit of the Law, and acting under the elastic rule that "there is a time to serve the Lord by relaxing his law" (Ps. cxix. 128, Hebr.; Yoma 69a), permitted the desecration of the Sabbath in besieging a Gentile city "until it be subdued" (Deut. xx. 20), in accordance with Shammai's interpretation (Shab. 19a). This definition was not new, as already the Maccabees had taken advantage of it in fighting the enemy unceasingly, putting aside the observance of the Sabbath for the sake of God and of their national existence (I Macc. ii. 43, 44). Probably for the same reason (to facilitate war with the Gentile enemy), the Rabbis modified the laws of purification so as not to apply when one comes in contact with a corpse or human bones, or when one enters an enclosure containing a dead body. With regard to the text "This is the law when a man dieth in a tent" (Num. xix. 14), they held that only Israelites are men, quoting the prophet, "Ye my flock, the flock of my pasture, are men" (Ezek. xxxiv. 81); Gentiles they classed not as men but as barbarians (B. M. 108b). The Talmudic maxim is, "Whoever has no purification laws can not contaminate" (Naz. 61b). Another reason assigned is that it would have been utterly impossible otherwise to communicate with Gentiles especially in the post-exilic times (Rabinovitz, "Mebo ha-Talmud," p. 8, Wilna, 1894). Patriotism and a desire to regain a settlement in the Holy Land induced the Rabbis, in order not to delay the consummation of a transfer of property in Palestine from a Gentile to a Jew, to

One of the greatest difficulties of the Talmudic Pharisees has been that of bringing communism into power while trying to conceal its Talmudic origin. This may seem contradictory to my readers since I have already mentioned how Jewish authors have openly boasted about their influence in bringing communism into the world. However, it is an observable fact that when this connection is pointed out by a goy, especially if they happen to be a white Christian patriot, Jewish leaders immediately bring up their pet propaganda terms and scream "hate crime," "anti-Semitic," and "Fascist." The prostitutes standing behind the pulpits of the Judeo-Christian churches will do everything in their power to keep this truth from their parishioners and keep their people from knowing that Judaism fathered communism. This was one of the first things that caused me to take a close look at Judaism. I had been brought up in the Baptist church to consider them as God's Chosen. Yet when I was lecturing for the John Birch Society, and spoke against communism, the Jew-owned media immediately labeled me as anti-Semitic although I had not mentioned Jews, Judaism or Zionism.

These brainwashed Christian stooges who stand behind the pulpits of most of our churches will defend the very force which is attempting to destroy everything they say they believe in as a Christian. Not only is that very stupid, but very sad and very fatal!

In Washington, DC today, it is a known fact that world-wide Talmudic Judaism has a strangle hold on our American government. They control Canada as well and have been in control of England and most of Europe for decades. The following copies of U.S. State Department papers relating to the Russian Revolution in 1918 prove that International Zionist Jews were prominent in the communist leadership that took over Russia at that time and slaughtered millions of Russian Christians.
Schiff, Jacob Henry, was born in 1847, at Frankfort-on-the-Main, Germany. He received his education in the schools of Frankfort. In 1865 he came to America, where he made connections with some of the chief banking houses. Upon returning to the United States of America, he entered the banking and mercantile business, and in 1869, when the American Civil War was in progress, he became the head of the firm of Kuhn, Loeb & Company, the second largest banking house. In 1873 he returned to Europe, but in 1885 he came back to America and took a prominent part in the Reconstruction of the United States. He was one of the principal promoters of the Northern Securities Company, the first of which he later became the head. His financial work in America and in Europe since then is strongly interested in America, Europe, and Asia, and in the chief railway combinations led to the formation of the American Railways Association, of which he was the first president. He is also a director of the Union Pacific Railroad and the Midland Railways of Great Britain. He is a director of numerous financial companies, among them the Central Trust Company, the Western Union Telegraph Company, the Wells Fargo Express Company, the Bank of New York, and the New York Chamber of Commerce. He is the author of several books on financial and economic subjects.

Of his numerous philanthropic activities, Mr. Schiff is widely known for his many donations to institutions of learning in America and Europe, for his aid to American and European universities, and for his interest in education.
Mr. Schiff is the Jewish philanthropist par excellence. His philanthropies embrace every phase of Jewish life. He is intensely interested in hospital work and is the president of the Montefiore Home, and a contributor to Mount Sinai Hospital and all other important Jewish hospitals of the city. He is profoundly interested in Jewish education and took a leading part in the reorganization of the Jewish Theological Seminary of America; he is also the founder of the Bureau of Education. In addition Mr. Schiff is trustee of the Baron de Hirsch Fund and the Woodbine Agricultural School. He has provided the building and funds for the Young Men's Hebrew Association of New York City.

Mr. Schiff has always used his wealth and his influence in the best interests of his people. He financed the enemies of autocratic Russia and used his financial influence to keep Russia from the money market of the United States.

When last year, Mr. Schiff celebrated his seventy-eighth birthday, all the factions of Jewry in the United States and elsewhere united in paying tribute to him.

sa, and, later, J. Ben-Gorion, who is now in America.

The Poale-Zion began their career in Palestine with a Yiddish paper, "Der Anfang." Later, in 1909, at
their sixth conference, they adopted Hebrew as their official language, and as soon as the Turkish constitution
was adopted, they began to publish their Hebrew paper "Ha-achduth" ("Unity"). This paper appeared until
Tammuz 1914, when it was suppressed by the Turkish Government, and its editor, Zerubabel, condemned to
life imprisonment. In Palestine, the Poale-Zion have
had a severe struggle with another workmen's party, the
Ha-poel Ha-zeir (The Young Workmen), which is not
Socialistic, and is opposed to strikes. The Poale-Zion
were, however, recognized as a part of the Socialist party
in Turkey, which gave the party the possibility of in-
fluencing the international Socialist movement in favor
of Zionism and the Jewish national aims.

The most important achievement of the Poale-Zion in
Palestine was the organization of Ha-Shomer (The Watchman), an organization of terror young guards who
protect the property of the colonists with their lives
against thieving Arabs. They have aroused the respect
of the Arabs for the Jewish name, and have awakened
the spirit of heroism in the Jewish youth of Palestine.

In 1907, during the Zionist congress at The Hague,
delegates of the Poale-Zion parties of various countries
assembled at a conference and organized the Poale-Zion
"organization," which watchs "Weltverband" ("World
of the international interests of the Poale-Zion in the ove-
and the Socialist worlds. It organizes con-
tinental work in Palestine. A "Palestine Workers" stra

Fund," which is collected from Jews all over the world, is administered by the "World Organization." This "Palestine Workers' Fund" is used for the support of cooperative undertakings, educational and other workmen's enterprises in Palestine. During the war the "World Organization," which is at the present time directed by J. Kaplansky, L. Chazanowitz and B. Locker, at The Hague, has done much in the interest of the Palestinian workmen. Through its propaganda in the Socialist International and the English Labor Party, the "World Organization" has succeeded in securing a favorable attitude towards Zionist aims on the part of Socialists and labor leaders. As a result, a Jewish home in Palestine is one of the points in the peace program of the "International" and of the English Labor Party.

The Poale-Zion in America

In the far-reaching work of the international Poale-Zionist movement, the "Jewish Socialist Labor Party Poale Zion" of America plays the most important role after the Palestine party. USA supplies money.

The Russian reaction of 1906-1917 caused the real centre of the movement to shift to America, and since the war the American party has been joined by all of the important founders and spokesmen of the party from Russia, America, and Palestine. The American party has collected larger sums of money than any of the others for Palestine and for the work of the Poale-Zionist Bureau at The Hague. With the help of the American party the "Poale-Zionist" presented a Manifesto ("The Red Book") to the Socialist International.
This appeared in a number of languages. It is a declaration of the Jewish nationalist working classes to the workmen of all nations concerning Jewish misery and Jewish aspirations in all lands, as also in Palestine.

Gompers was a socialist Jew.

Thanks to the American Poale-Zion, the Federation of Labor at its convention in Buffalo, and the meeting of workers in Minneapolis, adopted resolutions favoring the creation of a Jewish home in Palestine as a point of their peace program.

U.S. network of red schools

But even more important has been the recent role of the Poale-Zion in American Jewish life itself, and particularly among the American Jewish working classes.

This was 30 years ago—1900.

The number of members in the party is small, in all from three to four thousand, but its strength lies, first, in its broad international relations, which give the party the possibility of thoroughly informing itself on all Jewish questions; and, second, in the parallel movements which the party has created. The party brought into life a new insurance order for workers, the National Workers' Alliance, which has become well known among the workers because of its idealism and power of self-sacrifice. Its president is Prof. I. A. Hourwich. The movement for national radical schools has been created by the initiative of the Poale-Zion, and is growing from day to day. The chief strength of the party in the Zionist camp, is that it has a better understanding than general Zionist circles of the conditions needed for immediate work, and no, the party is strong because it is very loyal to the Jewish interests of the workers. For that reason, when th
a movement here, they carry along with them a large number of the Zionists on the one hand and of the workmen on the other, because the masses do not find answers to all their questions either in Zionism, which lives almost exclusively with the thought of Palestine, nor in the labor movement, which is absorbed exclusively with economic interests. N.Y. East Side rules.

The strength of Poale-Zionism lies in this: that it builds the future upon the present, and for that reason its relation to Yiddish, to Jewish life in Golus, to the "Golus values," is more respectful and more tender than that of either Zionists or workmen. It is a party not for Palestine alone, but also for the Golus and its interests. For this reason, Poale-Zionism is the centre of the East Side from which spring forth almost all Jewish American movements, or without which no movement can prosper. The Poale-Zion moved the East Side Jewish; they started the Congress movement, and they have always had about them much larger masses than the number of their members would indicate.

In the New York Kehillah, the Poale-Zion were the first of the Jewish working classes to recognize the necessity of the Kehillah and to participate in it. Unfortunately, due to numerous causes, the relations between the Kehillah and the Poale-Zion were broken off too soon.

The Poale-Zion have made their best record in the Congress movement, where they forced the whole Jewish laboring class on the one hand, and the Zionists on the other hand, as well as the better-to-do elements, to participate. During the Congress movement, they united

Page 130 - The Jewish Congress Movement

all of the national radical elements in the National Socialist Workmen's Committee, which published a weekly, "The Jewish Congress." They found a capable co-worker in P. Rutenberg, the well known Socialist Revolutionary, who later became the right hand of Premier A. F. Kerensky in the position of Vice-Commandant of the Petrograd Military District. Rutenberg, together with Dr. H. Schitlowsky, and a large number of other intellectuals, later officially joined the party as members.

The Poale-Zion are carrying on a bitter struggle with the Provisional Zionist Committee, whose undemocratic conduct they refuse to sanction. They withdrew from the Provisional Committee because of the autocracy of the Committee, and they refused to take part in the conference of the Committee recently held in Baltimore.

On the other hand, the Poale-Zion are carrying on a life-and-death struggle with the official labor leadership which is centered in the Jewish Daily Forward, because of its indifference to the Jewish interests of the workmen, the sympathetic intelligent Jewish workers. It is known that they are not fighting for their own benefit, nor for prestige, but that they are rather a party of idealists, of self-sacrificing champions of a better Jewish future here, in every other land, and in Palestine.

The party publishes a weekly, "Der Yiddisher Kämpfer," which is edited by the gifted Jewish author, David Sfnikn. In addition, the Palestine Committee of the Poaleon issued this year an important book, "Yishor," in memory of the fallen guards (Shomerim) in Palestine, also a book "Erez Israel," containing comprehensive data on...
the economic, political and social life of Palestine. They have also issued a number of smaller publications. There are about one hundred Poale-Zionist societies in America and there are also more than one hundred societies in the National Workers' Alliance, which cooperates with the Poale-Zion. The National Socialist Labor Committee has also a number of societies, as does the Alliance of the National Radical Schools. All of this constitutes a strong national-Socialist movement in America under the spiritual leadership of Poale-Zionism.

Marshall, Louis, was born in Syracuse, New York, on December 14, 1858. He attended the public school and the high school of his native city, and later he entered the Law School of Columbia University. He began practicing law at Syracuse in 1878, removing to N. Y. City in 1894, where he became a member of the law firm Guggenheim, Untermyer & Marshall. As a member of the bar, he has attained a distinguished position. He has argued in many important cases in higher courts, and earned a reputation as an authority on constitutional and corporation law. A public-spirited
citizen, Mr. Marshall served his city and State in many capacities. He is the first citizen in the State to have served in three constitutional conventions—those of 1890, 1894, 1915—in 1894, serving as chairman of the Committee on Future Amendments. He was active in the Convention of 1915, and was the chairman of the Committee on Bill of Rights and on the Judiciary Conservation Committee. In 1906, Mr. Marshall was appointed by Mayor Low of New York City as one of a commission to investigate East Side conditions. In 1908, he served as Chairman of the New York State Immigration Commission appointed by Governor Hughes. He has been for many years chairman of the Committee on the Amendment of the Law of the Bar Association. His protocol of the Cloakmakers' Strike of 1910 served as a basis for numerous strike adjustments since enacted. Mr. Marshall was instrumental in procuring reform legislation in many directions, such as the regulation of foreign and private bankers. As a legal authority, Mr. Marshall was called upon to deliver a series of lectures on constitutional law at the Law School of the University of Syracuse, and at the New York Law School. Besides law, Mr. Marshall is interested in many scientific pursuits. He is a member of the Historical Society of New York, Museum of Natural History, Metropolitan Museum of Art, Botanical Society, Zoological Society and of the Academy of Science. He has since its organization been President of the New York State College of Forestry. He is also one of the trustees of Syracuse University, which bestowed upon him the honorary degree of Doctor of Laws. He is Vice-President of the Jewish Agricultural Experiment Station in Palestine. He is now serving as a member of the District Board under the Conscription Act.

In addition to his manifold activities for the general welfare, Mr. Marshall has devoted a great part of his life to the interests of the Jewish people. He is interested in every phase of Jewish life. He is the acknowledged champion of Jewish rights. As the president of the American Jewish Committee, he has watched over Jewish interests the world over, and was particularly prominent as the leader in the movement for the abrogation of the treaty with Russia. He is a ranking member of the Executive Committee of the Jewish Community (Kehillah) of New York City. He is the president of Temple Emanu-El and founder and a director of the Jewish Protective and Aid Society. He is profoundly interested in Jewish education and has endowed the Florence Marshall Memorial Fund for the pur-

You are hereby advised that in the country to which you [are] now accredited special offices are established for the organization of propaganda in the countries of the coalition of powers which is in a state of belligerency with Germany. The propaganda will be connected with the stirring up of social unrest and strikes; of revolutionary outbreaks resulting from it; of separation among the component parts of the state; practically civil war; and will also comprise agitation for disarmament and the discontinuation of the war butchery. You are requested to cooperate and to favor in every way the managers of said offices. These persons will present to you proper certificate.

Note: Here is the exact German formula for the incitement to war "from the rear": strikes, efforts towards revolution, the use of humanitarian appeals to weaken arm of its forces.

A CLOSER LOOK AT THE BABYLONIAN TALMUD AND ITS INSIDIOUS PLOT AGAINST WHITE CHRISTIAN CIVILIZATION.

We have discussed *The Talmud* from the Jewish perspective of Dr. Neusner. We have spoken briefly concerning Jews and Judaism. Now it is time for us to look at *The Babylonian Talmud* itself. We can study it in depth from the photostatic copies of its pages and keep in mind that what you see here is only a tiny portion of an enormous work whose 63 volumes fill a twelve-foot book-shelf.

The following pages are taken from Elizabeth Dilling's book, *The Plot Against Christianity*, as are the photostatic copies from *The Talmud* and *The Jewish Encyclopedia*.

*The Babylonian Talmud is composed of "Mishnah" (or "Halacha’), or laws formulated by the Pharisees whose teachings comprise the Talmud, and "Gemara," or argumentative teachings about these laws. There are 63 books in the Babylonian Talmud, largely divided without topical organization.*

*All Talmud books have "Mishnah" (plural "Mishnaim"). Some lack a "Gemara."

*The Talmud is divided into six main divisions called "Sedarim" (orders), but each volume is a hodgepodge of every subject imaginable. The main and overall characteristics of the Talmud are: pomp, silliness, obscenity and more obscenity, a setting up of laws seemingly for the purpose of inventing circumventions, and evasions; delight in sadistic cruelty; reversal of all Biblical moral teachings on theft, murder, sodomy, perjury, treatment of children and parents; insane hatred of Christ, Christians and every phase of Christianity.*

*The six Divisions of the Babylonian Talmud, called "Seder" (plural Sedarim), are:*

1. ZERAIM (seeds), composed of the following books:

   a. Berakoth. The name of this book supposedly means benedictions, but is as
foul a collection of obscenity as one could find, with 405 pages of what is nothing but 'privy talk”

The following 10 books occupy one 406-page volume in the Soncino edition:

b. Pe’ah (corner)

c. Demai (doubtful)

d. Kil’ayim (mixtures)

e. Shebi’ith (seventh)

f. Termuah (heave offerings)

g. Ma’aserot (tithes)

h. Ma’aser Sheni (second tithe)

j. Hallah (dough)

i. ‘Orlah

k. Bikkurim (first fruits)

There are 11 books in Zeraim.

2. SEDER MOED (festivals):

a. Sabbath (laws of; endless silly regulations and their evasions)

b. Erubin (mingling)

c. Pesahim (Passover)

d. Shekalim (shekels)

e. Yoma (Yom Kippur)

f. Sukkah (booths)

g. Yom Tob (feast day)
h. Rosh Hashona (New Year)

i. Ta'anit (fasting)

j. Megillah (Scroll of Esther, read on Purim)

k MoedKatan (half feasts)

l. Hagigah (feasting)

The Megillah is a sadistic celebration of drunkenness and bloodlust, the Talmudic admonition being that it is the duty of the Jew to be so drunk on Purim he doesn't know the difference between "Blessed be Mordechai" and "Cursed be Haman."

There are 12 books in Moed.

3. SEDER NA SHIM (women). This section includes a 13 page introduction to the Soncino edition by Rabbi J H. Hertz. These books are principally distinguished by their sub-sewer filth and obscenity:

a. Yebamoth (the dead brother's widow)
   occupies 2 volumes, 871 pages in the Soncino edition.

b. Kethuboth (on the sum due a wife who is divorced) occupies 2 volumes and 728 pages of Talmudic sex filth (e.g. a baby girl being fair prey for adult men).

c. Nedarim (vows); 282 pages of filth and immorality, illustrative of what Christ denounced when attacking the Pharisees.

d. Nazir (more vows); 253 pages in the Soncino edition, hairsplitting, immoral twaddle, and including the Kol Nidre.

e. Sotah (the suspected woman), 271 pages in the Soncino edition.

f. kiddushin (betrothal)
g. Gittin (on getting the "Get" or divorce) with space allotted for such things as placing Christ and all Christians in Hell, 439 pages in the Soncino edition.

There are 7 books in the Nashim.

SEDER NEZIKIN (damages):

a. Baba kamma (the first gate): 719 pages of Talmudic ramblings, a general law of damages being that hurting Gentile property is permissible; injuring Jewish property is like assaulting the Divine, for only "Jews are men" and non-Jews rank as animals. This is "brotherhood" as advocated in the Talmud.

b. Baba Mezia (Middle gate): 676 pages in Soncino edition and of similar import.

c. Baba Bathra (last gate): 779 pages in two volumes, and replete with anti-Gentile preachings.

d. Sanhedrin (781 pages): States the introduction in the Soncino edition of the Talmud: "It forms, along with Makkoth, the chief repository of the criminal law of the Talmud." This section includes the most virulent calumnies of Jesus, including His imaginary stoning, burning in dung, His decapitation, His strangling in dung, His hanging, or crucifixion for "blaspheming" the Pharisee "sages."

f. Shebuoth (oaths - more vows), 309 pages.

g. Eduyyoth (testimonies)

i. Aboth (sayings of the fathers of Talmudism).

j. Horayoth (rulings)

There are 10 books in Seder Nezikin.

5. SEDER KODA SHIM (sacrifices):

   a. Zebahim (bloody sacrifices)

   b. Menahot (meal offering)

   c. Hullin (killing)

   d. Bekorot (first born)

   e. Arakin (estimation)

   f. Temurah (exchange)

   g. Keritot (extermination)

   h. Me’ilah (trespass)

   i. Tamid (daily offering)

   l Middot (measures)

   k. Minnim (birds’ nests)

There are 11 books in Kodashim.

6. SEDER TOHOROTH (cleanness)

   a. Niddah (the menstruant woman) is the prize part in this alleged religious section, devoting 509 pages to discussing smell, color, and examination by the rabbis of menstruation, without apparent medical or any other purpose except wallowing in the repulsive; pomp and asininity also abound; urinating off of roofs, etc., occupy the Pharisee "sages" in this only book of uncleanness in the section on clea-ness which has a Gemara, of
argumentative passages. The other 11 books occupy one 589-page volume in the Soncino edition.

b. Kelim (vessel, utensil cleanness) illustrates through "nit-picking" rules the "straining at a gnat" cited by Christ (Matthew 23:24); also; "Pharisees make clean the outside of the cup and the platter; but your inward part is full of ravening and wickedness. (Luke 11:39)

c. Oholoth (tents)

d. Nega'irn (plagues)

e. Parah (young cow)

f. Tohoroth (purification)

g. Mikawaath (ritual bath - such as the menstrual woman should take before having intercourse with her husband, thus ridding her of the evil eye).

h. Makshirin (kosher, proper)

i. Zabim (flux)

j. Tebul Yom

k. Yadayim (hands) The drizzling of water alternately on the hands, to carry off demons, who presumably live in water, a Pharisee custom in Christ's time, is still in force. The "Code of Jewish Law" (Schulchan Aruch), or boiled down Mishna of the Talmud, holds that an evil spirit takes over a sleeping person: "When he rises from his sleep the evil spirit departs from his entire body excepting from his fingers. From there the unclean spirit does not depart unless he spms water on them three times alternately. One is not permitted to walk four cubits without having his hands washed, This . . .
rite . . . formed one of the chief breaches between Jesus and the Pharisees

l. The last book of Tohoroth is Ukzin (stems). There are 12 books in Tohoroth. The last 71 of these (excepting Niddah) occupy one 589-page volume in the Soncino edition. The 1,098 pages on "cleaness," filled with the foulest obscenities of thought, once again justify Christ's disdain for this hypocrisy and serve to illustrate the justification for his attitude toward the Talmudic Pharisees.

Keep in mind that this is a religious book - religious in the sense as "defining and setting moral and character values." It covers articles in the MEGILLAH which is the sadistic celebration of the drunkenness and blood lust of the Purim Celebration when Jews worldwide are admonished by The Talmud to become so drunk on the Day of Purim that they will relish the destruction of the goyim. (See Esther 9, especially verses 26 and 27.) This subject has been covered previously.

The KETHUBOTH volume of The Talmud, which occupies two volumes and 728 pages of typical Talmudic sex-filth, instructs the reader asto how a baby girl becomes a sex toy of grown men.

The NEDARIM fills 282 pages with silly dirt and immorality.

The NAZIR contains vows of hairsplitting and the immoral KOL NIDRE oath. The KOL NIDRE oath is made on the Day of Atonement and allows the Jew who is making that oath to break any promise or oath he may make during the coming year.

The GITTIN covers divorce procedures with time out for placing Christ and all Christians in hell.

The SEDER NEZIKIN, which begins with the BABA KAMMA volume of 719 pages and contains rabbinic ramblings on general Jewish law, has as its essence the legal permission for Jews to harm Gentile property while asserting that Gentile injury to Jewish property is like an assault on God, since only Jews are human beings.

The BABA MEZIA contains 676 pages of the SOS (Same Old Stuff)

The BABA BATH RA contains 779 pages, in two volumes, and is typically anti-Gentile diatribes.
The **SANHEDRIN** has 781 pages which forms the chief repository of the criminal law of *The Talmud*, including the choicest slanders against Jesus Christ. In this volume they assert that He deserves "stoning to death," "burning in dung," "decapitation," "strangling in dung," and "crucifixion" because of His blasphemy against the Pharisees. Notice it is not for blasphemy against God, but blasphemy against the Pharisees that they hate Him.

These are the major books of *The Talmud which* deal with Christians and non-Jews, whom they call Gentiles.

The **SEDER TOHOROTH** section of *The Talmud*, has 12 volumes and we will briefly touch on only three. The **NIDDAH** has 509 pages and devotes itself to discussing the smell, color and examination by the rabbis of a woman's menstruation cloth. There is absolutely no medical purpose for this examination but they are intent on dabbling in the repulsive. They even discuss urinating off the roof. (I apologize to my lady readers for speaking of these subjects, but they must be mentioned in order for you to understand what *The Talmud* is all about.)

The **MIKAWAOTH** deals with the ritual bath the menstruant Jewish woman must take before having sexual intercourse with her husband in order to protect her from the "evil eye, etc."

The **YADAYIM** consists of instructions on how to drizzle water alternately on the hands to carry off demons who presumably might live in the water. This was a Pharisee custom at the time of Christ and is probably what Jesus referred to in Mark 7:3-4:

>"For the Pharisees, and all the Jews (Judeans), except they wash their hands oft, eat not, holding the TRADITION (Talmudic) of the elders. And when they come from the market, except they wash, they eat not. And many other things there be, which they have received to hold, as the washing of cups, and pots, brasen vessels, and of tables."

They must rid themselves of those demons, you know!

The **SCHULCHAM ARUCH**, which is a condensed **MISHNAH** of *The Talmud holds* that an evil spirit takes over when a person goes to sleep. **SCHULCHAN ARUCH**, Volume I, Chapter II says:

>"When he rises from his sleep the evil spirit departs from his entire body excepting his fingers. >From there, the evil spirit will not depart, unless he spills water on them three
times alternately. A Jew is not permitted to walk four cubits on rising, without washing his hands."

The last book of this section is the UKZIN. There are a total of twelve books in the TOHOROTH and all with the exception of the NIDDAH are found in one volume of 598 pages.

Following are some of the Talmudic gems, with exhibits from the Jewish books.

ABQDAH ZARAH: Adultery is permitted with the wife of a minor, and the wife of a non-Jew.

**Gemara.** Our Rabbis taught: *And the man that committeth adultery with another man's wife, even he that committeth adultery with his neighbour's wife, the adulterer and the adulteress shall surely be put to death*. (1) *The man* excludes a minor; *that committeth adultery with another man's wife* excludes the wife of a minor; *even he that committeth adultery with his neighbour's wife* excludes the wife of a heathen; *shall surely be put to death*, by strangulation. You say, by strangulation; but perhaps one of the other deaths decreed by the Torah is meant here?—I will answer you: Whenever the Torah decrees an unspecified death penalty, you may not interpret it stringently but leniently; (2) this is R. Josiah's view. R. Jonathan said: Not because strangulation is the most lenient death, but because by every unspecified death in the Torah strangulation is meant. Rabbi [proceeding to demonstrate this] said: Death by God is mentioned in Scripture; (3) and death by man is also

(1) Deut. XXI, 9. (2) Lit., 'the beifer, the neck of which is broken.' (3) Lev. XIX, 18. (4) Ibid. XX, 10. (5) Lit., 'attract it to stringency etc'. Hence strangulation, the easiest of deaths, must be meant. (6) E.g., God's slaying of Onan. Gen. XXXVIII, 10.

Baby boys may always be subjected to
sodomy by grown men.

Exh. 54.

The Pharisaic subterfuge here is that until a child reaches sexual maturity, capable of sexual intercourse, he or she does not rank as a person, hence Biblical laws against sodomy (pederasty) do not apply. Throughout the Talmud “nine years and one day” is the fictitious age of male maturity.

Likewise, under “nine years and one day,” the “first stage of intercourse” with the mother, or any grown woman, is harmless, Biblically. Shammai (see Hillel) to seem more “strict” lowers the age to eight years in some cases (Sanh. 69b).

Exh. 82

A long harangue about the amount of the Kethubah (payment if divorced) a woman gets if her virginity was removed by a young boy, fills Kethuboth IIb.

Exh. 136-7

And the foul mother is reckoned pure, depending on the age of the child. Such degrading use of children was typical of paganism throughout the ancient world.

BABY GIRLS: “When a grown up man has intercourse with a little girl it is nothing, for when the girl is less than this, she is not considered as a person—she is, as it were, turned into a girl—so does virginity come to the eye again and again, so does virginity come back to the little girl under three years old.”

Exh. 144

Such babies is in contrast to the treatment of baby girls. Sodomy and intercourse with the prerogative of the adult Talmudic man, to Christ’s beautiful words on little child

The fictitious age of sexual maturity of set by the Pharisee “sages,” is “three year day.” This is typical: “A maiden aged three one day may be acquired in marriage by a 57b-58a; 55b; Sanh. 69a-69b; Yebamoth

Yeb 60b . . . . . . . Exhs. 55, 81, 156, 159, etc., in the case of a minor girl who is not Jewish, a proselyte who is under the age of three years, who has attained the age of three years, a priest, and one day. The reason is: Marriage, as it is for cohabitation, as stated on the same page, is "one who has attained the age of three years," (Yeb. 60b), Exh.159. There is nothing worse in de-moth passage continues with the ruling on baby under three married to a grown man declared eligible to continue as his wife—This baby girl was a "proselyte," of course, not matter. But "under eleven years and the girl "carries on her marital intercourse manner" (Yeb. 12b). Exh. 152

The Jew values Babylon above all other places, even Jerusalem, and states that it will be free from suffering in spite of the many Israelite prophecies concerning its destruction. The KETHUBOTH states: We have a tradition that Babel will not witness the sufferings that will precede the coming of the Messiah. This is followed by this note:

". . . usually rendered 'Babylon, " . . . travail, . . . but the more correct reading is . . . frequent in modern Christian books is fictitious . . . These are the throes of Mother Zion which is in labor to bring forth the Messiah - without metaphor, the Jewish people."
The dead outside the Land will not be res""rected; for it is said in Scripture, *And I will set glory in the land* "[implying] the dead of the land in which I have my desire will not be res""rected, but the dead [of the land] in which I will not be res""rected.

b. Memel objected: *Thy dead shall live, my dead bodies* does not [the expression] "Thy dead shall live" refer to the Land of Israel, and "My dead bodies shall arise" to the dead of the land outside the Land; while the text, *And I will give glory in the land of the living* was written of Nebuchadnezzar concerning whom the All-Merciful said, "I will bring against them a king who is swift as a whirlwind*.

The other replied: Master, I am making an ex""ample in the Bible, fictitious.

b. (Moore, G.F., Judaism II, p. 161, n. 4). **nirnavy** "the correct reading is nirnav
tion books in fictitious" (loc. cit.). The "sufferings" or "travail" are scribed in Sanh. 37b, Sonc. ed. p. 65a. These are the "thrones of more fully de""scribed in the Talmud (P. 25a). **Nabucodonosor** (Nabucodonosor) and he is not called in a masculine (v. note).

There was a Haral in Babylonia between Nebdada and Sura. Cf. Sanh. 121b. 18b, 21b, and Berliner, Barth, u. Geogr. p. 31. (5) **nirnav**, lit.: would call it. The previous according to Rashi refers to the 'days of the Messiah', but this is difficult. (9) The noun "nirnav" is regarded here as the Hof. of the Messiah. (10) **Israel**, (14) **nirnav**, Cf. infra notes 13 and 18.

XVI, 19. (11) **nirnav** containing the three letters of "nir" (cf. supra d's care for Palestine is taken for granted. Cf. v. e.g., A land which is not called for; the eyes of the Lord thy God are always upon it (Deut. XI, XXVI, 19). (15) **Israel**. (16) Lit., 'and what'. (17) V. supra also means 'tag' (cf. supra note 11).
Although Moses was most specific regarding Israelite womer having intercourse with beasts (Leviticus 20:16), and that priests may not marry women who had been prostitutes (Leviticus 21:7), *The Talmud* contradicts this by stating that:

"... unnatural intercourse does not cause a woman to be forbidden to marry a High Priest, since then, you would find no women eligible for marriage."

The ancient rabbis stated:

"A woman who had intercourse with a beast is eligible to marry a priest - even a High Priest, unless specifically warned in advance, and the act had been seen by two witnesses." (What is meant by "beast" we are not quite sure since this may not have referred to four-footed beasts, but to those humans who were known as "goy" and were considered to be human beasts.)

This can be explained by the incident we mentioned earlier in which a woman posing as a Jewess during a talk show answered a horrorstricken woman who had protested against the indiscriminate slaughter in Iraq. The Jewish woman said: *What difference does it make; they are nothing but animals anyway.*

If the woman had intercourse with a dog while sweeping the floor, she was likewise accepted as pure. (What sweeping the floor has to do with sexual purity is anybody's guess!) But the rabbis reasoned:

"*The result of such intercourse being regarded as a mere wound, and the opinion that does not regard an accidentally injured hymen as a disqualification does not so regard such an intercourse either.*"
wounded by a splinter! No, said R. Zera, in respect of a minor who made a declaration of refusal.

R. Shimi b. Hiyya stated: A woman who had intercourse with a beast is eligible to marry a priest. Likewise it was taught: a woman who had intercourse with that which is no human being, though she is in consequence subject to the penalty of stoning, is nevertheless permitted to marry a priest.

When R. Dimi came, he related: It once happened at Hatale that while a young woman was sweeping the floor, a village dog covered her from the rear, and Rabbi permitted her to marry a priest. Samuel said: Even a High Priest. But was there a High Priest in the days of Rabbi? Rather, [Samuel meant]: Fit for a High Priest.
When Woman has Sex with a Beast

Raba of Parzakaia is said to R. Ashi: Whence is derived the following statement which the Rabbis made: Harlotry is not applicable to bestial intercourse?—It is written, Thou shalt not bring the hire of a harlot, or the price of a dog, and yet we learned that the hire of a dog and the price of a harlot are permitted because it is said, Even both these, two only but not four.

(1) Cf. supra p. 194. n. 8. (2) Rab's reason of previous carnal intercourse was necessary. (3) Me'math, v. Glos. Unnatural intercourse with her by her husband places the minor in the status of ba'al (v. Glos.) but not in that of harlot, while her refusal to live with him does not give her the status of divorcee or widow but that of memath. Hence the necessity for Rab's statement that such a minor also is forbidden to marry a High Priest. (4) Even a High Priest. The result of such intercourse being regarded as a mere wound, and the opinion that does not regard an accidentally injured hymen as a disqualification does not regard such an intercourse either. (5) A beast. (6) If the offence was committed in the presence of witnesses after the warning. (7) The absence of witnesses and warning. (8) From Palestine to Babylon. Page 151 - When Woman has Sex with a Beast

These examples, directly from pages of The Talmud, will give you some faint idea why the Lord called the Pharisees "whited sepulchers, beautiful on the outside,
but filled with stench and decay within." (Matthew 23:27)

To the Talmudic rabbi, the Bible is considered to be a mere collection of simple folk tales, fit only for women and children. They find alternate meanings to almost everything found in the Old Testament, using letter and number tricks which often reverse the plain meaning and create permission for the Jew to commit otherwise forbidden acts.

Stealing for themselves the title of "Israelites," they leach that God made a covenant with Israel which was transmitted only orally. The Bible basis for this is Exodus 34:27 which says: And the Lord said unto Moses, write thou these words: for after the tenor of (according to) these words I have made a covenant with thee and with Israel. But in The Talmud, GITTIN 60b, we find the Pharisee rabbis reversing. Moses' term "written words," and have translated them to have been oral
mouth of these words?—That implies that they are difficult to master.¹

R. Judah b. Nahmani the public orator² of R. Simeon b. Lakish discoursed as follows: It is written, Write thou these words,¹ and it is written, For according to the mouth of these words,⁴ What are we to make of this?—It means: The words which are written thou art not at liberty to say by heart, and the words transmitted orally thou art not at liberty to recite from writing. A Tanna of the school of R. Ishmael taught: [It is written] These;⁵ these thou mayest write, but thou mayest not write halachoth.⁶ R. Johanan said: God made a covenant with Israel only for the sake of that which was transmitted orally, as it says, For by the mouth of these words I have made a covenant with thee and with Israel.²

A person should be placed in the room where it has always been placed, in the interests of peace. What is the precise reason?⁸ Shall we say it is out of respect for the owner of the room? Then what of the shofar⁹ which at first was in the house of Rab Judah and later in that of Rabbah and then in the house of R. Joseph and then in the house of Abaye and finally in the house of Raba?—The real reason is, so as not to excite suspicion.¹⁰

The pit which is nearest the head of the water-course. It has been stated: [Where fields] adjoin a river, Rab says that the owners lower down have the right to draw off water first,
above can draw off water first, for they can say 'We are nearer to
the source', while Rab holds that those below can draw off first,

Remember that the Pharisees were the teachers of the
Laws of Moses. Jesus said of them: "... the Pharisees
sit in Moses' seat: All therefore whatsoever they bid you
observe, that observe and do; but do not ye after their
works: for they say, and do not." (Matthew 23:2,3)

When a Jewish rabbi speaks of the Torah
in its narrow sense, they refer to the
Pentateuch, the first five books of the
Christian Bible which we know as the
Books of Moses. But we must remember,
that The Babylonian Talmud ranks above
this Torah in every way. See exhibit
below:
MISHNAH. There is greater stringency in respect to the teachings of the scribes than in respect to the Torah. Thus, if one [a rebellious elder] says, there is no precept of tefillin, so that a biblical law may be transgressed, he is exempt. But if he rules that the tefillin must contain five compartments, this according to the words of the scribes, he is liable.

GEMARA. R. Eleazar said in R. Oshaia's name: He is liable only for a matter of which the fundamental law is biblical, whilst its interpretation is of the scribes, and in which there is room for doubt.

addition, which addition, however, is the equivalent of subtraction.

Now, the only precept [fulfilling these conditions] is that of tefillin. Now, this statement was made according to R. Judah. But is there not the Iulab, the fundamental law of which is biblical?

That was Jesus' crime.

(1) Cf. supra p. p. 494-5. (2) Since he is punished not for actually committing the offence, but for shouting Beth din. (3) If he acted as an inciter to idolatry, he maintained that his words did not purport thus, and the Great Beth din ruled that they did, it is shown that he was liable to death even before, and without a warning, which is unnecessary for a mitnah. (4) Since all know that the Bible commands the wearing of tefillin, the words of the elder will be ineffective. (5) Who required only four in the head-tesillin. (6) The fundamental law of wearing tefillin is Biblical. By Rabbinic interpretation, the head-tesillin must.
Typical of the misuse of the Old Testament for the purpose of inventing obscenity and giving it a Biblical coating, is the story of Sisera, the commanding general of the Canaanite army as told in Judges 4. At the end of the day's fighting, the Canaanite army had been defeated and only Sisera remained alive; He fled to the tent of Heber, the Kenite, who was supposed to have been his friend. Heber's wife, Jael, welcomed him into the tent and gave him some milk to drink, but when he fell asleep, she drove a tent nail through his temple and then boasted of this to his Israelite pursuers.

Deborah, the prophetess of Israel, made up a song in Jael's honor in which she said: "...when she had pierced and stricken through his temples. At her feet he bowed, he fell, he lay down: . . there he fell down dead. (Judges 5:26 and 27)

The verbs "bowed," and "fell" are used three times in this verse and "lay" is used only once. This makes seven verbs used in this one verse. But according to the Talmudic rabbis, here is what it really meant as taken from the YEBAMOTH volume 1 03a -103b: The profligate Sisera had seven sexual encounters with Jael that day. The footnote explained that on each of these occasions, he sunk and tell, this occurring three times each, and he lay once. See following exhibit.

Page 155, Bottom of page: - The Story of Jael and Sisera
R. Johanan said: That profligate \(\text{had seven sexual connections on that day;}^3\) for it is said: Between her feet he sunk, he fell, he lay; at her feet he sunk, he fell; where he sunk, there he fell down dead. \(^3\) But surely, she derived gratification from the transgression! R. Johanan replied in the name of R. Simeon b. Yohai: All the favours of the wicked \(\{101b\}\) are evil for the righteous. \(^6\) For it is said: Take heed to thyself, that thou speak not to Jacob either good or evil. \(^7\) Now, as regards evil, one can perfectly well understand [the meaning], \(^8\) but why not good? From here then it may be inferred that the favour of the wicked \(^3\) is evil for the righteous.

There \(\text{one can see the reason;}^9\) since he \(\text{might possibly mention to him the name of his idol;}^1\) what evil, however, could be involved here? \(\text{That of infusing her with sensual lust;}\) For \(\text{R. Johanan stated: When the serpent copulated with Eve,}^14\) he infused her \(\text{with lust. The lust of the Israelites who stood at Mount Sinai,}^1,\) \(\text{came to an end, the lust of the idolaters who did not stand at Mount Sinai did not come to an end. Ex.}^4\ 17/5\)
