would be subject to the same restrictions as any other] negative precept; if [one follows] him who holds that it is a positive precept, it would be subject to the same restrictions as any other] positive precept. Whence, however, [its force] in respect of the yevamot and the levir?—It is arrived at by the analogy between the two expressions of 'coming'.

Whence [its force] in respect of the kinyan, between husband and wife?—It is arrived at by comparison between the expressions of 'taking'.

Raba said: For what purpose did the All Merciful write ' carnally' in connection with the designated bondmaid, a married woman, and a sedah? That in connection with the designated bondmaid [v. supra note 3] the contract was to be consummated carnally; 'carnally' was added [here] to express clearly woman's subjection consequent upon the levirate, whereas 'carnally' in connection with a dead woman, when the latter was executed, the relatives with relaxed membrane he is executed, 'carnally' hidden from be said, according to him who maintains [that for however, can be] guilty. The exclusion is rather that of interest. Such an act on the part of a dead woman, even if ever consummated, would, as [a wife], even after her death, is described as his kin, one that should have dealings in the deceased man's benefaction, not his wife, but his kinswoman, hence we were taught to omit it when dealing with a dead woman.

---

1. And, as has been shown supra, the first stage is included in the rest.
2. The marriage with a stranger before halipah had been performed.
3. Deut. XXV, 5, it follows that the levir shall marry her (positive); hence as a negative) and a negative precept derived from a positive one has the for the positive.
4. Of the first stage.
5. To constitute levirate marriage as actual cohabitation had taken place.
6. Cf. supra p. 370, n. 10. The expression of 'coming' is also used in respect of the levir (v. Deut. XXV, 5).
7. supra note 5.
8. Used in the case of husband and wife (Deut. XXI: 10).
9. As well as in that of those whose penalty is kareth. Cf. supra p. 370, n. 55a.
11. Shebu. 18a, Sanb. 55a. (13) Since no person died as a married woman.
12. In Lev. XXI, 2, where...
If you want to know where "Seedline" teaching is derived, see this same exhibit which is nauseating. Again, let me apologize to my lady readers. But you must see these milder examples of *The Talmud* in order to understand what it is all about.

According to the teachings of *The Talmud*, a non-Jew who studies this book or even reads it, deserves death. According to Talmudic rabbis: *Moses commanded the law for our (Jew) inheritance; it is ours, not theirs.*

Of course the fact that there were no people called Jews at the time the Law was given, or for 750 years thereafter, means very little to them, or to the brainwashed Christians who have accepted their Jewish fables. Rabbi Johanna objected strenuously to any Gentile (non-Jew, and at that time this referred to the ten tribes of Northern Israel who were held in contempt) having knowledge of Jewish jurisprudence since this could be used against the Jews when they were taken into a Gentile court.

All Talmudic laws discriminate against the non-Jew, ranking them as human animals. This thinking, of course, can become dangerous to the Jew. *The Jewish Encyclopedia* mentions SANHEDRIN 59a which threatens death to any Jew who reveals the Talmudic Law to a goy. This order follows a discussion on cheating and getting the best of a Gentile in business dealings. (See following exhibit.)

*The Jewish law against overcharging one-sixth or more above the current price of marketable merchandise - a violation of which affected the validity of the sale - applied only to a Jew or domiciled alien, not to a Gentile. "If thou sell ought unto thy neighbor, or buyest ought of thy neighbor's hand, ye shall not oppress [overcharge] one another" (Hebr. = "his brother"; Lev. xxv. 14), was contrary to the Gentile legal maxim, "A bargain is a bargain." For this the Gentile was paid in his own coin, so to speak. Samuel declared legal a transaction in which an error has been made by miscalculation on the part of a Gentile. Following out his theory, Samuel was unscrupulous enough to purchase from a Gentile a gold bar for four zuz, which was the price of an iron bar; he even beat down the price one zuz. Such transactions while regarded as perfectly proper and legitimate among the Gentiles, were not tolerated among the Jews themselves.*
Inasmuch as the Jews had their own distinct jurisdiction, it would have been unwise to reveal their laws to the Gentiles, for such knowledge might have operated against the Jews in their opponents' courts. Hence the Talmud prohibited the teaching to a Gentile of the Torah, "the inheritance of the congregation of Jacob" (Deut. xxxii4 4) H. Johanan says of one so teaching: "Such a person deserves death" (an idiom used to express indignation). "It is like placing an obstacle before the blind" (Sand. 59a; hag. 13a). And yet if a Gentile study the Law for the purpose of observing the moral laws of Noah, H. Meir says he is as good as a high priest, and quotes: "Ye shall therefore keep my statutes, and my judgments, which if a man do, he shall live in them." (Lev. xviii. 5) The text does not specify an Israelite or a Levite or a priest, but simply "a man" - even a Gentile (Ab. Zarah 26a).

Resh Lakish (d. 278) said, "A Gentile observing the Sabbath deserves death." (Sanh. 58b). This refers to a Gentile who accepted the seven laws of the Noachidae, in as much as "the Sabbath is a sign between God and Israel alone" and it was probably directed against the Christian Jews, who disregarded the Mosaic laws and yet at that time kept up the observance of the Jewish Sabbath. Rabbina, who lived about 150 years after the Christians had changed the day of rest to Sunday, could not quite understand the principle underlying Resh Lakish's law, and, commenting upon it, added: "... not even on Mondays [is the Gentile allowed to rest]." : intimating that the mandate given to the Noachidae that "day and night shall not cease" should be taken in a literal sense (Gen. viii. 22) - probably to discourage general idleness (ib. Rashi), or for the more plausible reason advanced by Maimonides, who says; "The principle is, one is not permitted to make innovation in religion or to created new commandments. He has the privilege to become a true proselyte by accepting the whole Law" ("Yad," Melakim, x. 9). R. Emden, in a remarkable apology for Christianity contained in his appendix to "Seder 'Olam" (pp. 32b-34b, Hamburg, 1752), gives it as his opinion that the original intention of Jesus, and especially of Paul, was to convert only the Gentiles to the seven moral laws of Noah and to let the Jews follow the Mosaic law - which explains the apparent contradictions in the New Testament regarding the laws of Moses and the Sabbath.
One can better understand why Jesus called the Pharisees "fools and blind" in Matthew 23:17 and 19, when you read some of the remarks in *The Talmud* which is recorded as the "wisdom of the Jewish sages."

In the case of Adam, for instance, the Bible tells us in Genesis 2:23 that when Adam saw his helpmate Eve who had been taken from his own body, he said: *This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man.* Remember that Adam had been given the task, by God Himself, of naming all the living things in the Garden of Eden. (Genesis 2:19 - 20)

But the Talmud changes this beautiful account to say That: "... This is now bone of my bones and flesh of my flesh? This teaches that Adam had intercourse with every beast and animal but found no satisfaction until he cohabited with Eve." (See following exhibit.)
In Psalm 6:6, David asks God's forgiveness for his sin of adultery with Bathsheba. He cries: "I am weary with my groaning; all the night make I my bed to swim; I water my couch with my tears." This touching description of his sorrow is twisted around by the filthy minded rabbis to

R. Eleazar further stated: What is meant by the text, "This is now bone of my bones, and flesh of my flesh?" This teaches that Adam had intercourse with every beast and animal but found no satisfaction until he cohabited with Eve.

R. Eleazar further stated: What is meant by the text, "And in thee shall the families of the earth be blessed." The Holy One, blessed be He, said to Abraham, 'I have two goydlly shoots to engrast on you: Ruth the Moabitess and Naamah the Ammonitess.' All the families of the earth, even the other families who live on the earth are blessed only for Israel's sake. All the nations of the earth, even the ships that go from Gaul to Spain are blessed only for Israel's sake.

Adam Lived

R. Eleazar further stated: There will be a time when all craftsmen will take up agriculture; for it is said, 'And all that handle the oar, the mariners, and all the birds of the heaven shall come down from their wings, and they shall stand upon the land.' Agriculture and agricultural labour; for it is said, 'And they shall come down.'

Page 160 - Adam had Sex with All the Animals

In Psalm 6:6, David asks God's forgiveness for his sin of adultery with Bathsheba. He cries: "I am weary with my groaning; all the night make I my bed to swim; I water my couch with my tears." This touching description of his sorrow is twisted around by the filthy minded rabbis to
mean: Even during his illness, he fulfilled the conjugal rights of his eighteen wives, as it is written, "all night I make my bed to swim."

Somehow or other, these evil minded men have an unnatural obsession with sex.

Baby girls of three have savage punishments inflicted on their little bodies if they must share intercourse when they are in "niddah" (menstruation) according to the rabbis. But anyone acquainted with feminine physiology knows this is a physical impossibility in a three year old girl. (See following exhibits.)

SANEDRIN 3ab-33a

What is meant by this? — Rab said: Pederasty with a child below nine years of age is not deemed as pederasty with a child above that. Samuel said: Pederasty with a child below three years is not treated as with a child above that. 3

What is the basis of their dispute? — Rab maintains that only he who is able to engage in sexual intercourse, may, as the passive subject of pederasty throw guilt upon the active offender; whilst he who is unable to engage in sexual intercourse cannot be a passive subject of pederasty [in that respect]. 3 But Samuel maintains: Scripture writes, [And thou shalt not lie with mankind] as with the loving of a woman. 4

It has been taught in accordance with Rab: Pederasty at the age of nine years and a day; [35a] [he] who commits bestiality, whether naturally or unnaturally; or a woman who causes herself to be bestially abused, whether naturally or unnaturally, is liable to punishment. 5

Page 161 - Rules for Sex with Children
R. Nahman, son of R. Hisda stated in an exposition: In the case of a woman, there are two modes of intimacy, but in the case of a child — no guilt for adult.

(1) The reference is to the passive subject of sodomy. As stated supra 34a, guilt is incurred by the active participant even if the former is a minor, i.e., less than thirteen years old. Now, however, it is stated that within this age a distinction is drawn. I.e., Rab makes nine years the minimum; but if one committed sodomy with a child of lesser age, no guilt is incurred. Samuel makes this the minimum. (3) At nine years a male attains sexual maturity. (3) Lev. XXIII, 22. Thus the point of comparison is the sexual maturity or woman, which is reached at the age of three. (3) [Rashi reads א"ג instead of כ"ג in our printed text. A male, aged nine years and a day who commits etc.] There are thus three distinct clauses in this Baraita. The first—a male aged nine years and a day—refers to the passive subject of sodomy, the punishment being incurred by the adult offender. This must be its meaning: because firstly, the active offender is never explicitly designated as a male, it being understood, just as the Bible states, Thou shalt not lie with mankind, where only the sex of the passive participant is mentioned; and secondly, if the age reference is to the active party, the guilt being incurred by the passive adult party, why single out pederasty: in all crimes of incease, the passive adult does not incur guilt unless the other party is at least nine years and a day? Hence the Baraita supports Rab's contention that nine years (and a day) is the minimum age of the passive partner for the adult to be liable.

SANHEDRIN

Even as R. Hannuna propounded: What if a Jew committed bestiality in ignorance; must there have been both a stumbling block and degradation [for the animal to be stoned] and in this case there is only degradation, but no sin; or perhaps for degradation alone without there having been a stumbling block [the animal is stoned]?—R. Joseph said: Come and hear! A maiden aged three years and a day may be acquired in marriage by coition; and if her deceased husband's brother cohabits with her, she becomes his. The penalty of adultery may be incurred through her; [if a niddah] she defiles him who has connection with her, so that he in turn defiles that upon which he lies, as a garment which has lain upon a person afflicted with gonorrhoea. 1. If she married a priest, she may eat of terumah; if any other person has a connection with her, he disqualifies her from the priesthood. 3. If any of the forbidden degrees had intercourse with her, they are executed on her account, but she is exempt. Now, any of the forbidden degrees implies even a beast: in this case, there is degradation but no stumbling-block, yet it is taught that they [including a beast] are slain on her
An idea of the asinine language found in the Yebamoth volume can be seen by the following. A little girl is determined to be an adolescent (one who has not borne a child) if she has only two pubic hairs on her private parts. This is too stupid to credit to anything but a sewer mentality. Yet dealing in unnatural filth is at the core of Talmudic teaching. No wonder the Apostle Paul said that they changed the truth of God into a lie.

(Romans 1:25 - 28)

When Jesus called the Pharisees "blind and fools," He knew whereof He spoke since in The Talmud they argue over whether "dipping one or two fingers in salt makes one wise; whether passing under the bit of a camel, or the camel itself, interferes with one's mentality; and how many rows of students must stand up when the head of the Talmudic school, called the "nasi" enters the room." (See following exhibit.)
Ten things adversely affect one's study: passing under the bit of a camel, passing between two camels, passing between two women, the passing of a woman between two men, passing under the offensive odour of a carcass, passing under a bridge under which water has not flowed for forty days, eating bread that was insufficiently baked, eating meat out of a soup-ladle, drinking from a streamlet that runs through a graveyard, and looking into the face of a dead body. Others say: He who reads an inscription upon a grave is also [subject to the same disability].

Our Rabbis taught: When the Nasidqen, all the people rise and do not resume their seats until he requests them to sit. When the Ab-beth-din, one row rises on one side and another row on the other [and they remain standing] until he has sat down in his place. When the Hakan, every one [whom he passes] rises and sits down [as soon as he passed] until the Sage has sat down in his place. Sons of sages, and scholars may, if the public is in need of their services, tread upon the heads of the people. If one [of them] went out in his need to ease himself he may re-enter and sit down in his place. "Sons of a scholar" whose father holds

---

(1) An aid for remembering the numbers given by the two Tannaim. (2) Which, the thumb not being counted, has one finger on its right and two on its left. (3) Lit., "he who passes." (4) Lit., "and a woman who passes." (5) The Prince, the President of the Sanhedrin. (6) [Father of the Beth din, generally taken to denote as here the Vice-President. Büchler, Synodion, pp. 172ff., however, shows that the title "Ab-beth-din" was also of a more general character, designating the head of any important school.] (7) Lit., "they make for him one row from here." (8) [Lit., "the Sage." There is no certainty either in regard to the original function or rank of the Hakan. He here appears as third in rank to the Nasi; v. Büchler, op. cit. pp. 135, 161ff.] (9) [i.e., they may enter the house of study though the rest are already seated. (cf. n. 10); v. Sanh. (Sone ed.) p. 50, n. 1.] (10) Though he thereby disturbs the people whom he has to pass. (11) Lit., "scholars."
Page 164 - The Talmudic effects of Jedeo-Christainty!
more conclusive proof than the marks of puberty. What practical
difference is there between the two statements? — [It is this: That]
even he who follows R. Judah who stated, 'a girl may exercise
the right of refusal until the black predominates';* admits in
the case of children. [138] R. Zebid, however, stated: No
children are possible prior to the appearance of the marks of
puberty.† Then let an examination be held!‡ There is the possi-
bility that they might have fallen off.§ This reply is perfectly
satisfactory according to him who holds that such a possibility
is taken into consideration.¶ What, however, can be said according
to him who holds that no such contingency need be considered?
— Even according to him who holds that no such contingency.
Page 165 - The Talmudic effects of Judeo-Christainity!
YEBAMOTH

defect, and even the rival of one's own daughter who was incapable of procreation [is permitted]. What about the expression 'were'?

When Rabin came, he stated in the name of R. Johanan: The rival of a madam, the rival of a woman incapable of procreation, as well as the rival of a divorced woman who had been remarried to her former husband, are all permitted.

R. Babai recited before R. Nahman: Three categories of women may use an abortifacient in their marital intercourse. A minor, a pregnant woman, and a nursing woman. The minor, because otherwise she might become pregnant and as a result might die. A pregnant woman, because otherwise she might cause her fetus to degenerate into a sandal. A nursing woman, because otherwise she might have to wean her child prematurely and this would result in his death. And what is the age of such a minor? From the age of eleven years and one day until the age of twelve years and one day. One who is under or over this age must carry on her marital intercourse in the usual manner. This is the opinion of R. Meir. The Sages, however, say: The one as well as the other carries on her marital intercourse in the usual manner, and mercy will be vouchsafed from "Sages on birth control."

(1) And nevertheless consented to the marriage, which is consequently valid, and the woman is his lawful wife. (2) The rival of a forbidden relative is forbidden to have marital intercourse even if she is under the age of eleven years and one day. In the case of a rival even where she (the wife) is a forbidden relative, in relation to whom the precept of levirate marriage is not applicable, she is regarded as the rival of one in relation to whom the precept of levirate marriage is not applicable. For the Levirate marriage is not applicable to Babylon. (3) V. Glos. s.v. mina. In the case of a rival even where she (the wife) is a forbidden relative, in relation to whom the precept of levirate marriage is not applicable, she is regarded as the rival of one in relation to whom the precept of levirate marriage is not applicable. For the Levirate marriage is not applicable to Babylon. (4) V. p. 616, n. 14. (5) From Peshitta. (6) For the levirate (V. Rashi n. 1). (7) After she had been married by a second husband who divorced her or died. (8) [So the definition in the context of T. K. 8:2, where the definition is found in connection with divorce. (9) Me 3:25, 26 (Peshitta). (10) T. Ta'an. 3:1 (Peshitta). (11) T. Er. 2:5 (Peshitta). (12) T. Er. 2:5 (Peshitta). (13) T. Er. 2:5 (Peshitta). (14) T. Er. 2:5 (Peshitta). (15) When no conception is possible. (16) When pregnancy in
There are some very amusing things found in the stupidity of Talmudic remedies, such as found in the Gittin volume with its mixtures of dung, blood and filth. It is not so much the stupidity of the remedies themselves, but the commentary by a goy English doctor (which appears in the Soncino English translation) as he attempts to justify and praise the medical wisdom of the Pharisees.

Following are some interesting exhibits devoted to remedies made from "tearing a black hen lengthwise and crosswise; shaving the middle of the head, and putting the bird on it until it sticks fast. Then go to the river and stand in the water until becoming faint; then swim out and sit down." This is the cure for sunstroke.

Notice also the cures prescribed for swollen glands and catarrh. The one I like is where you take the excrement from a white dog and knead it in with balsam. Sounds like pure medical science, doesn't it? (Exhibits follow.)
put it on his thumb nail on the side where the tooth aches and put a rim of dough round it, taking care that it does not touch his flesh, as it may cause leprosy. For swollen glands, R. Johanan said that pellitory leaves are as good as maminu \(^1\) and the root of pellitory better than maminu, and he should put them in his mouth. This is to prevent it from spreading. To soften it he should take bran that came to the top of the sieve and lentils with the earth still on them and clover and hemlock flower and the bud of cuscus, and he should put about the size of a nut in his mouth. To make it burst, someone should blow into his throat seeds of unripe dates, through a wheat straw. To make the flesh close he should bring dust from the shadow of a privy and knead it with honey and eat. This is effective. For catarrh he should take about the size of a pistachio of gum-ammoniac and about the size of a nut of sweet galbanum and a spoonful of white honey and a Mahuzan such\(^4\) of clear wine and boil them up together; when the gum-ammoniac boils, it is all boiled enough. If he cannot manage this, let him take a revi\(^8\) of milk of a white goat \([69b]\) and let it drip on three stalks of carob and stir it with a piece of stem of marjoram; when the stem of marjoram is boiled it is all boiled enough. He can also take the excrement of a white dog and knead it with balsam, but if he can possibly avoid it he should not eat the dog’s excrement as it loosens the limbs. For gwa\(^6\) he should take an arrow of Lath\(^7\) and place it point upwards and pour water on it and drink it. Alternatively he can take water of which a dog has drunk at night, but he must take care that it has not been exposed. For [drinking] water which has been exposed let him take an apan\(^4\) of undiluted wine. For an abscess, an apan\(^4\) of wine with purple-coloured aloes. For palpitations of the heart he should take three barley-cakes and streak them with toh\(^9\) which has been made less than forty days before, and eat it and wash it down with wine well diluted. Said R. Aha from Difti to Rabina: This will make his heart palpitate.

\(^1\) So Rashi, Targ.: ‘jawa’. \(^2\) A kind of herb. \(^3\) [So Rashi, Pernos (op. cit. p. 198) Pleurisy.] \(^4\) About a revi\(^8\) (\(\frac{1}{4}\) lb). \(^5\) I.e., not dark. \(^6\) Perhaps a kind of fever. \(^7\) Probably a kind of meteoric stone. \(^8\) For fear a snake may have injected venom into it. \(^9\) A Persian sauce of milk.
should say is that he should take regularly a bite early in the morning, as this is good for the whole body. For anal worms he should take acaia and aloe juice and white lead and silver dross and an amulet full of phyllon and the excrement of doves and tie it all up in linen bags in the summer or in cotton bags in the winter. Alternatively, let him drink strong wine well diluted. For hip disease let him take a pot of fish brine and rub it sixty times round one hip and sixty times round the other. For stone in the bladder let him take three drops of tar and three drops of leek juice and three drops of clear wine and pour it on the membrum of a man or on the corresponding place in a woman. Alternatively, he can take the ear of a bottle and hang it on the membrum of a man or on the breasts of a woman. Or again he can take a string which has been spun by a woman of ill repute or the daughter of a woman of ill repute and hang it on the membrum of a man or from a man to the breasts of a woman. Alternatively, he can take a lemon and a woman and hang it on the membrum and the corresponding place in a woman; and when he do so on dry thorns near the socket of the stone that issues, as it is external fever he should take three sacks sacks of adra leaves and boil each separately then and put them in two basins and bring it and bend first over one and then over the other thoroughly warmed, and then he should drink thereof afterwards he should of the adra leaves but not of the date stones. For internal fever he should take seven beds and boil them with their earth adra leaves in beer or grapes from a

Preuss, op. cit. p. 4; i.e., many times. (5) Acaia, i.e., acaia, v. Preuss, loc. cit. n. 5. (6) A species of acaia, probably Spanish juniper. (7) Acaia, i.e., acaia, v. Preuss, loc. cit. n. 5. (8) As in Shab. 410.
MISHNAH. If a man is seized with a kordiakos and says, write a get for my wife, his words are of no effect. If he says, write a get for my wife, and is then seized with a kordiakos and then says, do not write it, his later words are of no effect. If he is stupend dumb, and when they say to him, shall we write a get for your wife, he nods his head, he is tested with three questions. If he signifies 'no' and 'yes' properly each time, then the get should be written and given for him.

Remedies of the "Sages"

GEMARA. What is kordiakos?—Samuel said: Being overcome by new wine from the vat. Then why does it not say, if one is overcome by new wine?—The mode of expression teaches us that this spirit [which causes the dizziness] is called kordiakos. Of what use is this [knowledge]?—For a charm. What is the remedy for it? Red meat broiled on the coals, and wine highly diluted.

Abaye said: My mother told me that for a sun-stroke [fever] the remedy is on the first day to take a jug of water, if it lasts two days to let blood, if three days to take red meat broiled on the coals, and highly diluted wine. For a chronic heat stroke, he should bring a black hen and tear it lengthwise and crosswise and shave the middle of his head and put the bird on it and leave it there till it sticks fast, and then he should go down [to the river] and stand in water up to his neck till he is quite faint, and then he should swim out and sit down. If he cannot do this, he should eat leeks.

(1) A kind of delirium in which he does not know exactly what he is saying. V. infra. Apparently = ἀνασσαίος, which, however, is not found in this sense. Goldschmidt derives it from ἀνασαίος. (2) Lit., 'three times'; i.e., if he is still asleep; namely. (1) Lit., 'bitten'. (4) I.e., without much fat. (5) V. Kidd. 111.
The supreme hatred of Talmudic Judaism is reserved for, and directed against, the believers of the Christian Bible. Yes, you brainwashed Judeo-Christians who want to elevate these worst enemies of Jesus Christ and His church to the position of God's Chosen People, you need to know what they think and teach about your religion and your Savior.

You who believe the Christian Bible is the Word of God are classified as the primary enemies of Judaism. You are called "heathen," "Idolators," and "goy-animals" by your Jewish friends. You rank lower than the ordinary goy non-Jew: in fact, in the Jewish mind, you are the lowest and most despised of all forms of life.

As a Christian, you receive the Jewish curses of the 7th and 12th of the Eighteen Benedictions called the SHEMONEH ESREH. The orthodox Jew recites this three times daily and four times on the Sabbath, or Jewish holidays. This means that Christians are cursed six times on ordinary days and eight times on special Jewish days. This is Talmudic brotherhood. Remember this, the next time your pastor arranges for an inter-faith meeting with the Jews.

According to volume Gittin 56b-57a, "All who mock the words of the sages (this means all Christians who believe the Christian Bible) will be punished for eternity in boiling hot excrement." (See exhibit)
As one studies The Talmud in detail, apart from the white-wash done by men such as Dr. Neusner, you will begin to understand that the bloody, the sadistic and the obscene are the darlings of the "synagogue of Satan mentality."
If you have ever wondered why Jewish comics the world over are noted for their obscenity, you need wonder no longer. It is as fundamental to them as the knowledge of God is to the average Caucasian. If you want to know why the movies and television are degenerating into a hog wallow of sexual filth, the advice of Talmudic Jews is the answer. This filthiness is literally bred into the Jewish mind, no matter how much they attempt to deny it. According to the book, Jews Must Live, authored by the Jewish businessman Samuel Rdth, one of the first things he was taught as an Eurdpean Jew was to spit when he passed a Christian church, or when the name of Jesus Christ was even mentioned. The second lesson was that it was accepted for a Jew to cheat the detested goyim as long as you weren't caught at it because that would bring shame upon Judaism.

The 1905 Jewish Encyclopedia clearly notes that it was the Pharisees who took over the pure Hebrew religion in Babylon and turned it into the monstrosity of Judaism. The rabbis removed obnoxious references to God, just as many of the modern Jewish influenced translators have gone about removing anti-Jewish passages from the Bible. This trend has now reached the point where there is a move underway to remove the Gospel of John and his Epistles because they tell the truth about the anti-Christs.

The sacrificing of white babies on the altars of abortion is supported by the Talmudists. Most of the large abortion clinics in America which regularly murder over two million unborn babies every year are Jewish owned and staffed by Jewish abortionists. It is also interesting to note that Jews head most of the sob-sister organizations that want to protect baby seals and whales. In their twisted thinking, it is better to protect other living creatures than it is to protect human life. This is a Talmudic monstrosity!

The ultimate target for infamy in The Talmud is our precious Lord, Savior and king, Jesus Christ. The Talmud targets Him as the object of its special, vitriolic hatred which is difficult for the average Christian to understand. Yet the Jewish masters look on Christians as "docile asses, bearers of burdens for the Jews" and hate you if you believe in Christ and follow Him as Savior and King. According to The Talmud, you are vermin to be eradicated like rats.

Jesus appears in The Talmud under the name of Balaam. Proof that this word refers to Christ can be found in the Jewish Encyclopedia, which states: Hence . . . the pseudonym 'Balaam' given to Jesus In SANHEDRIN 106b and GITTIN 51a. (See following exhibit.)

-In Rabbinical Literature: Balaam is represented as one of seven h&dttlen prophets; the other six being Balaam's father, Job and his four friends (B. B. 1 5b). He gradually acquired a position among the heathen as exalted as that of
Moses among the chosen people (Num. R. xx. 1). At first a mere interpreter of dreams, Balaam later became a magician, until finally the spirit of prophecy descended upon him (ib. 7). He possessed the special gift of being able to ascertain the exact moment during which God is wroth - a gift bestowed upon no other creature. Balaam's intention was to curse the Israelites at this moment of wrath; but God purposely restrained His anger in order to baffle the wicked prophet and to save the nation from extermination (Ber. 7a). When the law was given to Israel, a mighty voice shook the foundations of the earth; so that all kings trembled, and in their consternation gathered about Balaam, inquiring whether this upheaval of nature portended a second deluge; but the prophet assured them that what they heard was the voice of the Almighty giving the sacred Law to His children of Israel (Zeb. 1 16a).

Nevertheless, it is significant that in rabbinical literature the epithet "rasha" (the wicked one) is often attached to the name of Balaam (Ber. i. c.; Ta anit 20a; Num. R. xx. 14). He is pictured as blind of one eye and lame in one foot (San. 105a); and his disciples (followers) are distinguished by three morally corrupt qualities, viz., and evil eye, a haughty bearing, and a varicious spirit - qualities the very opposite of those characterizing the disciples of Abraham (Ab. v. 19; compare Tan., Balak, 6). Balaam received the divine communication at night only - a limitation that applies also to the other heathen prophets (Num. R. xx. 12). The Rabbis hold Balaam responsible for the unchastity which led to the apostasy in Shittim, and in chastisement of which 24,000 persons fell victims to a pestilence (Num. xxv. 1-9). When Balaam, the wicked," saw that he could not curse the children of Israel, he advised Balak (intimated in Num. xxiv. 14) as a last resort to tempt the Hebrew nation to immoral acts and, through these, to the worship of Baal-peor. "The God of the Hebrews," adds Balaam, "hates lewdness; and severe chastisement must follow" (San. 106a; Yer ib x. 28; Num. R. i. c.).

The Rabbis, playing on the name Balaam, call him "Belo Am" (without people; that is, without a share with the people in the world to come), or "Belo' Am" (one that ruined a people); and this hostility against his memory finds its climax if the dictum that whenever one discovers a feature of wickedness or disgrace in his life, one should preach about it (Sanh. 106b). In the process of killing
Balaam (Num. xxxi. 8), all four legal methods of execution - stoning, burning, decapitating, and strangling - were employed (Sanh. I. c.). He met his death at the age of thirty-three (lb.); and it is stated that he had no portion in the world to come (Sanh. x. 2; 90a). The bible devotes a special section to the remarkable history of the prophet, in order to answer the question, why God has taken away the power or prophecy from the Gentiles (Tan., Balak, 1). Moses is expressly mentioned as the author of this episode in the Pentateuch (8. B. 14b).

Henceforth he became the type of false prophets seducing men to lewdness and obscene idolatrous practises (Rev. 2:14; II Peter 2:15), Jude 11; Abot v. 19). The name "Nicolaítanés," given to the Christian heretics "holding the doctrine of Balaam" (Rev. 2:6, 15), is probably derived from the Grecized form of Balaam, and hence also the pseudonym, "Balaam" given to Jesus in Sanh 106b) and Git. 57a).

The life of this sorcerer was further detailed in the "Sefer ha- Yashar" legends and by the later caballsts (Yalk., Reuben to Balak). Balaam's ass formed an especial object of haggadic interpretation and embellishment. "The speaking mouth of the ass" was declared to be one of the ten miraculous things that God had created in the twilight of the sixth day (Abot v.6). Targ. Yer. to Num. xxii. 30 gives a long monition which the ass offers to her foolish master.

See also the following exhibit from the SANHEDRIN volume of The Talmud:
Mary a "har" SAN HEDRIN 206b-106b

his reward for the twenty-four thousand Israelites whose destruction he had encompassed. *Mar Zutra b. Tobiah remarked in Rab's name: This is what men say, 'When the camel went to demand horns, they cut off the ears he had.' (4 deaths for Jesus)

Balaam also the son of Beor, the soothsayer, [did the children of Israel slay with the sword]. 3 A soothsayer? But he was a prophet — R. Johanan said: At first he was a prophet, but subsequently a soothsayer. 4 R. Papa observed: This is what men say, 'She who was the descendant of princes and governors played the harlot with carpenters.' 5 (106b) Did the children of Israel slay with the sword among them that were slain by them. 6 Rab said: They subjected him to four deaths, stoning, burning, decapitation and strangulation. 7

A certain man 8 said to R. Hanina: Hast thou heard how old Balaam was — Aspokal λατίνα by conjecture 8 states, but since it is written, θλίψεως δέχθητε απόδοσιν τας ἀκουστάς, 5 it follows that he was thirty-three or thirty-four years old. 9 He rejoined: Thou hast said correctly: I personally have seen Balaam's Chronicle in which it is stated, 'Balaam the lame was thirty years old when Phinehas the Robber killed him.' 11 Refers to

1) V. ibid. XXV, 1-9: since Israel was thus seduced and punished through his advice, as stated above, he demanded payment. (2) So Balaam, demanding payment, said: I do not speak of 'the children of Israel' as in the text, but of 'the children of God.'
Jesus, according to *The Talmud*, deserved all four "legal methods of death; stoning, being hanged, burned and crucified."

In SANHEDRIN (52a) the manner of burning as an execution is explained and it is also found in YEBAMOTH (6b); this is verified in the *Jewish Encyclopedia* under the title of "Balaam."

The victim is lowered into a pit filled with dung up to his armpits. Then a hard cloth was placed within a soft one and wound around his neck, and the two loose ends were pulled in opposite directions forcing him to open his mouth. A wick was then lit and thrown into his mouth so that it descended into his body and burnt his bowels. Admitting the possibility that the victim might not be burned to death before he died of strangulation, they prescribed that his mouth was forced open with pincers against his wish, and then the wick was lit and thrown into his mouth.
MISHNAH. The manner in which burning is executed is as follows: he who had been thus condemned was lowered into dung up to his armpits; then a hard cloth was placed within a soft one, wound round his neck, and the two loose ends pulled in opposite directions, forcing him to open his mouth. A wick was then lit, and thrown into his mouth, so that it descended into his body and burnt his bowels. B. Judah said: Should he however have died at their hands [being strangled by the bandage before the wick was thrown into his mouth, or before it could act], he would not have been executed by fire as prescribed. Hence it was done thus: his mouth was forced open with pincers against his wish, the wick lit and thrown into his mouth, so that it descended into his body and

(6) The soft one alone could not exert sufficient pressure to open his mouth; whilst a hard one alone would bruise the skin and unnecessarily disfigure him (Rashi).
Jesus "Strangled"

MISHNAH. Strangulation was thus performed:
—The condemned man was lowered into dung up to his armpits. Then a hard cloth was placed within a soft one, wound round his neck, and the two ends pulled in opposite directions until he was dead.

GEMARA. Our Rabbis taught: [And the man that committh adultery with another man's wife, even he that commiteth adultery with his neighbour's wife, the adulterer and the adulteress shall surely be put to death]. "The man" excludes a minor; "that commiteth adultery with another man's wife" excludes the wife of a minor; "even he that commiteth adultery with his neighbour's wife" excludes the wife of a heathen; shall surely be put to death, by strangulation. You say, by strangulation; but perhaps one of the other deaths decreed by the Torah is meant here?—I will answer you: Whenever the Torah decrees an unspecified death penalty, you may not interpret it stringently but leniently: this is R. Josiah's view. R. Jonathan said: Not because strangulation is the most lenient death, but because by every unspecified death in the Torah strangulation is meant. Rabbi [proceeding to demonstrate this] said: Death by God is mentioned in Scripture; and death by man is also

(1) Deut. XXI, 9. (2) Lit., "the heifer, the neck of which is broken." (3) Lev. XIX, 18. (4) Ibid. XX, 10. (5) Lit., "attract it to stringency etc." Hence strangulation...the various...death...must be meant...Ex. 38. (6) Leg. 16.

That Jesus knew of the Talmudic translations is proven by the fact that the Jew Rodkinson, who made the first English translation of The Talmud, in the section on "History of The Talmud," asks, "Is the literature that Jesus
was familiar with in His early years yet in existence in the world? Is it possible for us to get at it?"

The answer to this question is given by the Jewish rabbis who point to the "traditions of the elders" which *The Talmud* was known by at the time of Jesus. This was the set of Jewish (not Hebrew) beliefs that Jesus often condemned. (See Matthew 15:3 and 6; Mark 7:3, 5, 8,9,13. The Apostle Paul referred to them in Colossians 2:8 and the Apostle Peter in I Peter 1:18.)

We could go on and on, covering many more pages with proof of the blasphemy and pornography of this Jewish religious work. Far from being a compendium of religious laws and wise sayings, the "music of a choir of voices, the give and take of intelligent arguments," as Dr. Neusner states in his book, we find it replete with filth, asininity, and a viral hatred of Christ and Christians which can be found in no other religious writing known to man. Dr. Neusner's *Invitation to The Talmud*, which we looked into at the beginning of this book, is based on the overall trickiness and subtlety of Talmudic teaching which can never be trusted to tell the whole truth and nothing but the truth.

Neusner's book is a means of laundering the filth and hatred of *The Talmud* knowing full well that very few Christians, including the majority of their pastors, will ever make the effort to see what *The Talmud* really says.

Like Karl Mordeca Marx, the father of modern socialism, the Jew Moses Hess (1812 - 1875) was born in Germany of Talmudic, rabbinic ancestry and was steeped in the traditions of orthodox Judaism by his grandfather who raised him. He worked actively with both Karl Marx and Frederich Engels (Marx's promoter) in bringing communism to birth. Hess believed that communism was the best way to achieve the Zionist dream of a One World State, governed by Jews. (This is the New World Order which is being promoted by our President, George Bush, and many other prominent men.)

Hess is still considered to be the pillar of modern-day Zionism. In actuality, he was a pagan philosopher who believed that the prayer and ritualism of Judaism was for the "little Jew, and for women and children."

In the higher echelons of Judaism, the atheist Einsteins and the Jewish seminary Finklesteins see eye to eye as can be seen from numerous articles in the *Jewish Encyclopedia*. All personality, intelligence, planning and supreme power were taken from Almighty God by the pagan Pharisees. They called this "ridding the Bible of anthropomorphisms."
Sneering at Christianity, which believes in a Jewish race, Hess advocated instead a breed of all races and nations, dedicated to the synagogue of Satan, which would extol *The Talmud* and delegate Moses to an inferior role while elevating the Jewish rabbi to the point where they were taught that when God had a problem in heaven, He called on earthly rabbis for advice. Hess looked to the black magic and occultism of CHASIDISM, (a sect of Jewish mystics) which, along with Zionism, would achieve a one-world, communist dictatorship under Jewish control.

The idea that Jews are citizens of the country in which they reside, or were born into, is a delusion. The structure of the inner world government, within which each Jew is a citizen, places their loyalties first to world Judaism, then to the country in which they reside. The United States of America is the only country I know of that recognizes this dual citizenship, and it has been an albatross around our necks since the formation of the Jewish State of Israel in 1948.

The American Jewish Committee is the most single powerful body in world Jewry. Its membership embraces world capitalists and many of the members of powerful semi-secret organizations such as the Bilderbergers, the Tri-Lateral Commission, the Council on Foreign Relations (which is part of a larger, much more powerful One World Government organization) and, of course, the Masonic order of B'nai B'rith. The American Jewish Committee is the world organizer for Jewy and operates in more than 65 different countries.

Jewish immigration to the United States has come mainly from Eastern Europe, Russia and Poland and has been made up almost totally of Ashkenazi Jews of Turko-Mongolian background. Their ancestors never set foot in ancient Palestine. Every national leader in the State of Israel has come from this non-Semitic background.

Volumes could be written about the international leaders of the Jewish kehillas who make the American Jewish Committee one of the most powerful political forces in the world today. There have been men such as Louis Marshall who brought the Christian industrialist Henry Ford, Sr. to his knees after Ford had written his masterpiece *The International Jew* which exposed Judaism for what it really was.

There was Bernard Baruch, who once publicly boasted that he was the "unelected President of the United States" because of the power he wielded over the American government.

There was Eugene Meyer, Jr. of the Federal Reserve and owner of the Washington Post; Herbert Lehman, Governor of New York State and a U.S. Senator; Felix Warburg, President of Kuhn, Loeb and Company; the
international banker Jacob Schiff, who supplied the money which made the Bolshevist Revolution of 1917 in Russia a success. He had been the American agent of the Rothschild interests, working for over fifty years to set up the Federal Reserve System which has systematically stolen billions of dollars from the American taxpayer and which now controls the economics of America. (See my book, The Great Conspiracy.)

Today, there are men such as Howard Metzenbaum, U.S. Senator from Ohio, who is one of the most dangerous men in modern America. He works consistently and incessantly to destroy the Second Amendment rights of Americans to keep and bear arms. Of course we can't forget the German Jewish enigma Henry Kissinger, the power behind the throne of numerous Republican and Democratic administrations, who, according to Army Intelligence sources, was an agent of the Soviet KGB during World War II.

A good example of how Jewish power works can be seen in the case of Max Warburg from the German branch of the Rothschild (powerful Jewish) banking firm. Warburg was a member of the American Jewish Committee prior to World War II. Felix (brother of Max), a member of the 1917-1918 Kehillah, married Freda Schiff, daughter of Jacob Schiff, head of the powerful Kuhn, Loeb and Company Bank of New York. Frederich Warburg, the son of Felix, was listed in the Who's Who of Jewry (1938 - 39) as a member of the American Jewish Committee. These men, along with other Jews such as Sidney Warburg, were the power which ran the administration of the Swedish Jew, Dwight David Eisenhower.

Many innocents in the Christian world have been taken in by the Jewish fairy tale that Judaism is a religion opposed to Zionism. The truth is that Judaism is the religion of Jewish Nationalism, which all intents and purposes is Internationalism directed and managed by Jewish leaders who delegate the rest of mankind to human asses under Jewish control. This, my Christian friend, is the Judaism that you and your pastor support when he declares the Jews to be the Chosen People of God, the "apple of His eye." What fools men can become when they refuse to listen to the truth or insist on proof.

If we look back to 1917-18, we can see Jews such as Rabbi Judah Magnes, a protege of banker Jacob Schiff, who was the maneuvering power behind the American Civil Liberties Union. This staunchly pro-Zionist, pro-Communist body has been a thorn in the sides of Christians with its effort to abolish prayer and Bible reading in public schools, its efforts to do away with Christian symbols during the Christian holidays and its defense of most anti-Christian drives in America. Periodically, they will defend what could be called a Christian patriotic cause in order to keep up appearances, and keep the Christians asleep. Magnes served in
communist-front organizations such as the Garland Fund and alongside anti-American, anti-Christians such as Earl Browder and William Z. Foster, both of whom were Talmudic stooges of Judaism and communism.

Socialism has always been the carrot held under the noses of the goyim to get them into the Jewish-communist barn. It is a mechanism whereby the "human" Jew can lead a whole herd of goyim "cattle" into the milking barn, first to be milked and then to be slaughtered for their beef.

As the Russian Jews began to arrive in this land, they immediately established socialist organizations similar to those of which they had been members in Russia. Take a close look at the socialist organizations headed by such renegades as Norman Thomas and Gus Hall (Hallberg), perennial President of the American Communist Party. The Jew Samuel Gompers was a product of the socialist, Jewish/English ghetto and worked to turn the American Federation of Labor into the socialist ranks under Jewish control.

During the Jewish Congress Movement in the late 1910's, the red Rabbi Stephen S. Wise was instrumental in uniting all national radical elements in America into the National Social Workmen's Committee. Rabbi Wise is the one who boasted that the Russian Revolution was the "crowning feat of the sons and daughters of Zion" (New York Times, 3/24/17), and who, when asked to define communism, said: "Some call it communism; I call it Judaism."

A chain of communist-socialist schools has been set up in America by world Jewry. In 1937, the Russian Textbook on Psychopolitics/Brainwashing (the communist blueprint for the takeover of America.) was brought to America. It had been introduced at the Lenin School of Psychopolitical Warfare at the University of Moscow i26 a36, where it was used as a textbook in a class of 47 American college students (45 of whom were Jews) who had been sent to Moscow by the American Jewish Committee for the express purpose of learning how to infiltrate American education. In 1937 it was the primary textbook at the communist Eugene Debs Labor School in Milwaukee, Wisconsin. The welcoming speech to these American students was made by Lavrenti Beria who was at that time head of the Russian KGB. Among other things he is quoted as having said:

"You must work until every teacher of psychology unknowingly or knowingly teaches only communist doctrine under the guise of "psychology." You must labor until every doctor and psychiatrist is either a psycho-politician or an unwitting assistant to our aims."
"You must labor until we have dominion over the minds and bodies of every important person in your nation. . ."

"You must dominate as respected men in the fields of psychiatry and psychology. You must dominate the hospitals and universities . . ."

"Psycho politics is a solemn charge, for with it you can erase our enemies as insects. You can cripple the efficiency of their leaders . . . You can change their loyalties. Given a short time with a psycho politician, you can alter forever the loyalty of a soldier, or a statesman, or you can destroy his mind."

"Use the courts, use the judges, use the Constitution of the country . . . and when you have succeeded you will discover that you can now effect your own legislation at will, and you can make the (Christian) himself finance, by his own appropriations, a large portion of the communist conquest of the nation."

This, my Christian friend, is Talmudic Judaism at its most effective and dangerous stage.

The purpose of these Jewish-run schools, such as the Highlander Folk School in Tennessee, was to build a firm foundation for the more than 40,000 Marxist professors who have infiltrated our educational system and who daily poison the minds of young Americans. If they can be successful in taking over America, they will be well on their way towards world control.

It is interesting to note that most of the political parties in the State of Israel are either controlled by socialists or communists. The MAPAI, a Zionist-Socialist party; the HEROT, formed by former Jewish terrorists; the MAPAM; the AHDUT or ACDUTH which is a Socialist Party dedicated to the subjugation of all "sub-humans" to Jewish control.

I have already mentioned the red Rabbi Stephen S. Wise who was probably one of the most influential Jewish leaders in the twentieth century. He was one of the original founders of the American Jewish Committee and served as its president in 1924. He was also a committeeman on the American Civil Liberties Union and the American League Against War and Fascism before it changed its name to the American League for Peace and Democracy. He worked hand-in-glove with such known communists as Earl Browder, the communist dynamiter Tom Mooney and, of course, the communist William Z. Foster. Wise was
an ardent backer of those who burned churches and massacred priests and nuns during the Spanish Revolution. To his dying day Rabbi Wise never stopped his enthusiastic and often maniacal support of the Soviet Slave State and waxed enthusiastically about the murder of countless thousands of Christians in Russia by his Jewish brethren. When the big shots of World Jewry decided to create a new bogeyman (new enemy of America), they selected Russia as this enemy, and Wise was instrumental in backing every effort to incite mutiny and sabotage within the Armed Forces of America. Congressional Investigating Committees of the time, such as the Un-American Activities Committee, recognized Wise as being behind these efforts.

Wise bragged that the Bolshevik Revolution established the Talmudic-Zionist base in Russia and was financed by the large Jewish banks headed by Jacob Schiff who personally donated $20-million to the Bolshevik cause.

It was well known throughout the administration of President Franklin Delano Roosevelt that Schiff had financed this revolution and openly bragged about it. (See *New York Times* report, 3/24/17, subtitled: "Rabbi Wise Ready for War!") This article relates how Jacob Schiff financed the propaganda campaign within the Czarist Army which led to the Bolshevik success in Russia. They haven't changed their course in 3,000 years.

At a Carnegie Hall celebration in March, 1917, it was said:

"... then the rabbi (Wise) praised the Russian Revolution..."  
"I cannot forget," he said, "that lam a member and a teacher of the race of which half has lived under the domination of the Czar, and as a Jew, I believe that of all our achievements none has been nobler than the part the sons and daughters of Zion have taken in the great movement which culminated in a free Russia."

(Interpreted correctly, that means "free to kill and enslave Christians.")

In 1950, Wise was praised by the American Jewish Congress who said of him:

"... more than any other American he was an outstanding symbol and advocate of Zionism, not only in the eyes of American Jews, but also the entire American people and to its leaders, including President Wilson and F. D. R."

It was Wise who funded the first English translation of *The Talmud* which was accomplished by Rabbi Rodkinson.
Elizabeth Dilling sued Wise for defamation of character and received an out-of-court settlement. He had made the following statement at a mass meeting:

(Yiddish for 'bastard') Dilling whose lies about The Talmud have set Judaism back a decade. She dragged our sacred Talmud in the sewer."

Dilling replied:

"If I had done so, it might have helped clean it up; for a sewer is a helpful and normal channel for cleaning; The Talmud is an abnormal, diabolical channel for funneling sub-sewage into the minds of those who follow it."

The whole Talmudic religion would have to be revamped to bring it up to the level of a sewer . . . Its doctrines are illegal in all civilized countries. It stands for mass-murder of non-Jews, mass-enslavement of mankind and the reversal of all laws based on Old and New Testament morality.

What a fighter that little woman was and, oh, how we need thousands more like her! I would like to have known her!

The Jews have always used threats to gain their will. In 1917-18, Louis Marshall, then President of the American Jewish Committee, served notice on Henry Ford, Sr., to cease telling the truth about the Talmudists. When Ford refused, Jewish threats were followed by Jewish actions. Several attempts were made against the great Christian industrialist and his family. His car was forced off the highway on several occasions, and these incidents became so frequent that Mrs. Ford pleaded with Henry to come to terms with the Zionists. Henry did make an apology of sorts, and all the scraping and bowing of the Ford family to Jewish interests from that time on can be traced to the fear which was engendered by Jewish threats.

It would take many pages to tell about the Jewish efforts to control America's economy. It began shortly after our nation became free and resulted in the assassination of President Lincoln. (For further details on this, see my book, The Great Conspiracy.)

SOME EXCERPTS FROM THE TALMUD:

Running true to form, The Talmud uses the most foul language when speaking about the Virgin Mary, mother of our King. In one place she is called "Miriam, the dresser of women's hair who committed adultery." In the SANHEDRIN (106a-106b) it says: She who was the descendant of princes and governors played the harlot with carpenters.
See following exhibit:
Balaam also the son of Beor, the soothsayer. [did the children of Israel slay with the sword].

A soothsayer? But he was a prophet — R. Johanan said: At first he was a prophet, but subsequently a soothsayer. R. Papa observed: This is what men say, 'She who was the descendant of princes and governors played the harlot with carpenters.'

Did the children of Israel slay with the sword among them that were slain by them.

Rab said: They subjected him to four deaths, stoning, burning, decapitation and strangulation.

A certain man said to R. Hanina: Hast thou heard how old Balaam was when he died? A soothsayer is one who accuses states, but since it is written, 'Blow up a trumpet in the city — I will ascend in the day of thy old age,' it follows that he was thirty-three or thirty-four years old.

He rejoined: Thou hast said correctly: I personally have seen Balaam's Chronicle in which it is stated, 'Balaam the lamed was thirty years old when Phinehas the Robber killed him.'

1. V. ibid. XXV. 1-9: since Israel was thus seduced and punished through his advice, as stated above, he demanded payment.

2. So Balaam, demanding payment that Jesus may be alluded to, which theory is strengthened by the statement that Balaam met with a carpenter. (The Munich MS. has 111 in the margin instead of 11, i.e., singular instead of plural.)

6. This is suggested by the fact that they were slain by them, indicating that the deaths inflicted upon others were also suffered by Balaam. Thus beating, strangulation, a fire was lit under him (burning), his head was struck (decapitation), and then he was allowed to fall to earth (stoning).

7. Herein v. Gloe. (9). Pa. X. 25. (10) cf. p. 471, n. 1. (11) According to the view that all the Balaam passages are anti-Christian in tendency, being used as an alias for Jesus, Phinehas the Robber is thus taken to be Pontius Pilatus, and the Chronicle of Balaam probably to denote a Gospel (Herford, op. cit. p. 60, 714). This view is however disputed by Buber, and cf. Ginzberg, Journal of Biblical Literature, XLI, 121.]
All Jewish rabbinical sources state that Jesus was of "illegitimate birth." The seducer of the Virgin Mary was said to have been a Roman soldier. Two accounts are recorded in the following exhibit. One indicates that He was 'the son of Pandera," and another indicates that He is called "Ben Stada." (son of Stada, Ed.)

The TOLEDOT JESU edition contains a story about a dispute carried on by Jesus with the scribes. Based on that dispute, they declared Him to be a bastard. (See following exhibit from the Jewish Encyclopedia under the title, "Jesus.")

- In Jewish Legend: The Jewish legends in regard to Jesus are found in three sources, each independent of the others - (1) in New Testament apocrypha and Christian polemical works, (2) in the Talmud and the Midrash, and (3) in the life of Jesus ("Toledot Yeshu") that originated in the Middle Ages. It is the tendency of all these sources to be little the person of Jesus by ascribing to him illegitimate birth, magic and a shameful death. In view of their general character they are called indiscriminately legends. Some of the statements, as that referring to magic, are found among pagan writers and Christian heretics; and as the Ebionites, or Judao-Christians, who for a long time lived together with the Jews, are also classed as heretics, conclusions may be drawn from this as to the origin of these legends.

It ought also to be added that many of the legends have a theological background. For polemical purposes, it was necessary for the Jews to insist on the illegitimacy of Jesus as against the Davidic descent claimed by the Christian Church. Magic may have been ascribed him over against the miracles recorded in the Gospels; and the degrading fate both on earth and hereafter of which the legends speak may be simply directed against the ideas of the assumption and resurrection of Jesus. The Jewish legends relating to Jesus appear less inimical in character when compared with the parallel passages which are found in pagan authors and Christian sources, more especially as such legends are fixed and frequently occurring themes of folklore; and imaginations must have been especially excited by the historical importance which the figure of Jesus came to have for the Jews.
The earliest authenticated passage ascribing illegitimate birth to Jesus is that in Yea. iv. 8. The mysterious phrase ("that man") cited in this passage as occurring in a family register which R. Simian ben Azza is said to have found seems to indicate that it refers to Jesus (see Derenbourgh in "R. E. J." i. 298), and here occur also the two expressions so often applied to Jesus in later literature (= "that anonymous one"; the name of Jesus being avoided) and ("bastard"; for which in later time . . . was used). Such a family register may have been preserved at Jerusalem in the Judao-Christian community.

The Jews, who are represented as inimical to Jesus in the canonical Gospels also, took him to be legitimate and born in an entirely natural manner. A contrary statement as to their attitude is expressed for the first time in the 'Acts of Pilate" ("Gospel of Nicodemus" ed. Thilo, in "Codex Apoc. Novi Testamenti," i. 526 Leipac, 1832; comp. Origem, "Contra Celsum," i. 38). Celsus makes the same statement in another passage where he refers even to a written source, adding that the seducer was a soldier by the name of Panthera. The name "Panthera" occurs here for the first time; two centuries later it occurs in Epiphanius ("Haeres. lxxviii. 7), who ascribes the surname "Panther" to Jacob, and ancestor of Jesus; and John of Damascus (Do Orthod. Fide." iv. -1) includes the names 'Panther" and "Barpanther" in the genealogy of Mary. It is certain, in any case, that the rabbinical sources also regard Jesus as the "son of Pandera, although it is noteworthy that he is called also "Ben Stada" (Shab. 104b; Sanh .67a).

It appears from this passage that, aside from Pandera and Stada, the couple Pappus b. Judah and Miriam the hairdresser were taken to the parents of Jesus. Pappus has nothing to do with the story of Jesus, and was only connected with it because his wife happened to be called "Miriam" (= "Mary"), and was known to be an adulteress.

The one statement in which all these confused legends agree is that relating to the birth of Jesus. Although this is ascribed only to the Jews, even in Celsus, the Jews need not necessarily be regarded as its authors, for it is possible that is originated among heretics inimical to Jesus, as the Ophites and Cainites, of whom Origen says "they uttered such hateful accusations against Jesus, as Celsus himself did" ("Contra Celsum," iii. 13). It is probable, furthermore,
that the accusation of illegitimacy was not originally considered so sedous; it was ascribed to the most prominent personages, and is a standing motive in folk-lore (Krauss, 'Leben Jesu, "p.214).

The incident of Jesus concerning the dispute with the Scribes was copied by the rabbinical sources (kallah 1 8b [ed. Venice, 1528, fol 41 c]: com p. N Coronel, "Comment Quinque, "p. 8b, Vienna, 1864, and "Bate Midrashot," ed. Wertheimer iiii. 23,Jerusalem,1895). All the "Toledot" editions contain a similar story of a dispute which Jesus carried on with the Scribes who, on the ground of that dispute, declared him to be a bastard. Analogous to this story are numerous tales of predictions by precocious boys.

The sojourn of Jesus in Egypt is an essential part of the story of his youth. According to the Gospels he was in that country in his early infancy, but Celsus says that he was in service there and learned magic; hence he was there in early manhood. This assumption may serve to throw more light on the obscure history of Jesus that the account found in the Gospels. The Talmud also says that Jesus was in Egypt in early manhood. H. Joshua b. Perahyah is said to have fled with his pupil Jesus to Alexandria in order to escape the persecutions of the Jewish king Yannai (103-76 BC); on their return Jesus made a remark on the not faultless beauty of their hostess, whereupon H. Joshua excommunicated him; and when Jesus approached him again and was not received he set up a brick for his god, and led all Israel into apostasy (Sanh. 107b; Sotah 47a; Yer. Hag. 77d). This account is supplemented by the statement, made on the assumption that Ben Stada is identical with Ben Pandera, that Ben Stada brought magic from Egypt.*

This conforms to the Scripture found in John 8:41 when Jesus told them that they did the deeds of their father (ref. vs 44). They replied with: "We be not born of fornication; we have one father even God." Compare this with I John 2:23 which clearly teaches that one cannot have the Father without first accepting the Son. This makes these Jewish leaders out to be liars.

It is interesting to note that The Talmud (see Universal Jewish Encyclopedia under "Nero") states that Nero, the hater and persecutor of
the early Christian church, was a convert of Judaism. Matthew 23:15 tells us quite plainly that those who convert from Christianity to Judaism become "two-fold more a child of hell" than those who have led them to this conversion. It is also interesting to note that the famous Jewish Rabbi Meir was a descendant of Nero.

The infamous butchery of Christians by Nero has been acknowledged for centuries, but this butchery was but a kindergarten measure of what has been carried out by modern Judaism in the slaughter of Christians in countries under Zionist-Communist-Talmudic control. The Babylonian whore of Judaism has become "drunk with the blood of the martyrs of Jesus." (Revelation 17:6)

According to The Talmud, SHABBATH (104b), Jesus was a magician who worked His miracles through magic. Remember where the Talmudist Pharisees accused Him of casting out devils through Beelzebub, the chief of devils? (Luke 11:15)

Notice in the following exhibit, the weird teaching of The Talmud concerning Christ's miracles as described in the Jewish Encyclopedia:

According to Celsus (in Origen, "Contra Celsum," i. 28) and to the Talmud (Shab. 104b), Jesus learned magic in Egypt and performed his miracles by means of it; the latter work, in addition, states that he cut the magic formulas into his skin. It does not mention, however, the nature of his magic performances (Tosef., Shab. xi. 4., Yer. Shab. 130); but as it states that the disciples of Jesus healed the sick "in the name of Jesus Pandera" (Yer. Shab. 14d; Ab. Zarah 27b; Eccl. R. i. 8) it may be assumed that its author held the miracles of Jesus also to have been miraculous cures. Different in nature is the witchcraft attributed to Jesus in the "Toledot." When Jesus was expelled from the circle of scholars, he is said to have returned secretly from Galilee to Jerusalem, where he inserted a parchment containing the "declared name of God" (Shem ha-Meforash), which was guarded in the Temple, into his skin, carried it away, and then, taking it out of his skin, he performed his miracles by its means. This magic formula then had to be recovered from him, and Judah the Gardener (a personage of the "Toledot" corresponding to Judas Iscariot) offered to do it; he and Jesus then engaged in an aerial battle (borrowed from the legend of Simon Magus), in which Judah remained victor and Jesus fled.
The accusation of magic is frequently brought against Jesus. Jerome mentions it, quoting the Jews: "Magum vocant et Judaei Dominum meum" ("Ep. lv., ad Ascellam, 'i. 196, ed. Vallarsi); Marcus, of the sect of the Valentinians, was, according to Jerome, a native of Egypt, and was accused of being, like Jesus, a magician (Hilgenfeld, Ketzergrsh. "p.370, Leipsic, 1884). There were even Christian heretics who looked upon the founder of their religion as a magician (Fabricius, in "Codex Apocr Novi Testamenti." iii 396), and public opinion at Home accused all Christians of magic (W.M. Hamsay, "The Church in the Roman Empire Before AD 170," pp.236, 392' London, 1897). The Apostles were regarded in the same light ("Acta Petri et Andraeas," ed. Bonnet, 8). Neither this accusation nor that concerning the birth of Jesus is found in the canonical Gospels, but it occurs in the apocryphal accounts, . . . Somewhat different is the accusation that Jesus imposed upon the people and led them astray . . . As Balaam the magic/an and, according to the derivation of his name, "destroyer of the people," was from both of these points of view a good prototype of Jesus, the latter was also called "Balaam." *

According to the TOLEDOT, Jesus was executed on the eve of the Passover feast, which was also the eve of the Sabbath. His executioners were unable to hang Him on a tree, as prophesied, because they said:

He conjured up all trees by the name of God not to receive Him. Therefore they all broke. He was finally received by a large cabbage stalk. He was buried that same day in conformity with the law.

Again, according to the TOLEDOT, when His disciples came looking for His body, it had been taken from the grove by a man named Judas the Gardener who had taken it and used it as a dam to keep the water out of his garden which had flooded the tomb. When Christ's body was finally displayed before the Queen of Jerusalem, the Christians were ashamed.

It might be of interest here to look at the Scriptural account in Matthew 27:62 - 66 which says that the chief priests and Pharisees went to Pilate asking for a guard on the tomb so that the disciples could not steal His body and claim that He had risen. The Roman Governor granted permission to them to post a guard of their own at the tomb, and they helped seal the tomb's entrance with the Roman seal. This meant that
anyone who broke it would be liable to the death penalty. Interestingly
enough, the story spread by the Pharisees, when they discovered He had
indeed risen from the dead, was that His disciples had come while the
guard was asleep and stolen the body. (See Matthew 28:12 - 15) It was
apparent that they bribed Pilate not to prosecute the guard who normally
would have been executed for sleeping while on duty.

Jewish legends all deny the resurrection of Jesus and state that Christ now
sojourns in hell. Matthew 28:15 states that this false report is still believed
by the Jews. It is authenticated in a newspaper report which appeared in
the Canadian Toronto Telegram News a few years ago which stated:

*Jesus of Nazareth arranged His own crucifixion and
planned His resurrection. He played on the weakness of
Judas Iscariot to betray Him.*

*He induced the Jewish establishment* (Talmudic Pharisees,
Ed.) *to deliver Him into the hands of Pontius Pilate where
they accused Him of sedition against Rome.*

*It was all a carefully engineered plot, executed at the
crucial season of the Passover, in which the plotter was
also the victim.*

*Its purpose was to bring to pass the events forecast in the
Old Testament texts, in order to make the plotter-victim
acceptable as the Messiah who would lead His people, and
through them, humanity, into an era of peace and good
will.*

"This is the real historic Jesus," says Dr. Hugh Schonfeld in his book, The
Passover Plot, which has sold over 800,000 copies in Britain alone. When
promoting his book and his thesis in Toronto, Schonfeld spoke fervently
about the "need to strip the theological encrustations from the character of
the Nazarene and make Him acceptable to both Christians and Jews."
Schonfeld went on to say:

*Many thousands are leaving the Christian church because
they have outgrown so much that traditional Christianity
has taught about the New Testament figure as God
Incarnate. Jews have ignored Jesus because they have been
alienated by Christian theologians who have clothed Him
with pagan ideas of Godhood.*
Only if we concentrate on working through historical channels will emerge a different image of Jesus, acceptable to Jews and non-Jews.

This is typical of Jewish religious thinking. Everything the Christian does must conform to their ideas in order to be acceptable. My answer is: Why do we need to make the Son of God acceptable to anyone, no matter who they are, especially if we MUST falsify the facts in order to do so?

All through Dr. Schonfeld's book we find Talmudic assumptions that Jesus was not the Messiah, He was not the Son of God, He was an impostor who had delusions of grandeur and wanted to become a "big shot," so to speak. This is a typical Jewish attitude towards our Lord and King. The Jews cannot logically, or historically, refute the evidence of hundreds of eyewitnesses who saw Him repeatedly in the 40 days following His Resurrection and before His Ascension, so they hate Him all the more, and with Him, His followers. The dirty work of Talmudic-Judaism is done under the Talmudic sign of the "Magen David," sometimes erroneously called the Shield of David. It is the six pointed star seen on the flag of the State of Israel. It becomes even more amusing when one realizes that there were no people in existence anywhere in the world who were known as Jews until almost 300 years after the death of King David when we find them in II kings 16:6 fighting against Israel.

Since the so-called "Shield of David" is not mentioned in rabbinical literature, it probably did not originate until much later. We know it dates back at least to the third century A. D. It was commonly used by European Jews and was prominent in Spain which was then the hotbed of Cabalistic superstition during the Middle Ages. (For a study of how Talmudic Cabalism is connected with the Masonic Lodge, I suggest you read my book, The Hidden Power Behind Freemasonry.)

The information we have covered so far is nothing but a rudimentary introduction to Talmudism and its effect on the Christian church. It has become so effective that Christianity in 1992 has, indeed, become Judeo-
Christianity.

Then come "the first Eve," and names of substitution each letter is represented by the thus $\pi = \pi = \pi$. Inside of the aleph, a well-known prayer by Nebunia b. ha-Kana, "Satan be torn asunder!" The innermost cup and permutations of $\pi\pi$, a mystical name of...
What is the Answer?

Chapter 8

In answering this question, we need to remember the admonition given in Hosea 4:6: "My people are destroyed for lack of knowledge . . ."

Notice it does not say, "lack of education," but "lack of knowledge." There is a great deal of difference between the two. Men and women can have strings of degrees behind their names, and in the words of the Apostle Paul (Romans 1:22) "professing themselves to be wise, they became fools." He elaborated on this in II Timothy 3:7, when he spoke of those who were "ever learning, and never able to come to the knowledge of the truth." In other words, they are educated idiots.

We must reach our Christian brethren and the relatively uneducated majority of Christians (those who depend on their pastor for Scriptural information rather than seeking it out for themselves) with sound evidence that proves that our media in America, both secular and religious, has played a tremendous role in delivering Christian America into the hands of the Talmudic One Worlders. The religious press, for the most part, plays the role of keeping Christians calm and anesthetized. They shape the news and answer complaints with the doctrine of their denominational cause, rather than what The Word says.

As for the regular news media, they have become, with the exception of a very few independently owned newspapers, "intellectual prostitutes of Zionism," who have sold themselves from the shoulders up as a whore sells herself from the waist down. This was clearly seen in a statement made by John Swinton, editor of a well-known daily newspaper, in 1914 at the Annual Dinner of the American Press Association. Swinton was giving his retirement speech to them and said:

*There is no such thing as an independent press in America if we except those of little country towns. You know this, I know it! Not a man among you dares to utter his honest opinion. Were you to utter it, you know that it would never appear in print . . . I am paid to keep my honest opinion out of the newspaper for which I write. You, too, are paid for similar services. Were I to permit an honest opinion, my occupation . . . would be gone in less than twenty-four hours. The man who is foolish enough to write an honest opinion would soon be walking the streets in search of another job. It is the duty of the New York journalist to lie, distort, to destroy, to revile, to toady at the feet of*
Mammon, and to sell his country, and his race, for his daily bread, or what amounts to the same, for his salary. We are tools and vessels of the rich (International Bankers) behind the scenes. We are marionettes. These men pull the strings and we dance. Our time, our talents, our lives, our capacities, are all property of these men - we are intellectual prostitutes.

Day by day these intellectual prostitutes mold public opinion according to establishment policy which, in this case, is overwhelmingly pro-Zionist. They are subservient to the Council on Foreign Relations, and the Tri-Lateralist cabal and answer to them for their daily bread. They are the highest paid prostitutes in the world's history and should be beneath our contempt.

As an example, a few years ago Bill Moyers of CBS, who is supposed to be a Southern Baptist Christian layman, spoke sarcastically on the CBS Monday Morning show, calling the Moral Majority "a religious group of some kind, trying to influence abortion, equal rights, military spending and other establishment programs." Of course Mr. Moyers was careful not to criticize the National Council of Churches which has taken a decidedly liberal, anti-Christian attitude towards political and secular issues in America.

The Federal Bureau of Investigation has known for many years that the Soviet KGB Department of Dis-information has been spending hundreds of millions of dollars annually on propaganda which is dispersed daily in all the large, Jewish owned and operated news outlets, (This comprises more than 90% of the media.) Men such as ABC reporter Geraldo Rivera boast publicly about their influence in slanting the news, and this attitude is reflected in men such as Eric Severeid, Sam Donaldson, the entire crew of Sixty Minutes, Peter Jennings and a host of others who daily show their smugness and pseudo-intellectual superiority. They should be beneath the contempt of decent people, just as decent people in a decent community shun a whore. These men, for the most part, look on the average citizens as being mentally deficient fools who must be led by the intellectual superiority of the media.

History has proven, over and over again, that when decent Americans know the truth, they will act upon it. Several arrogant Congressmen have learned this to their sorrow. This is one of the major reasons the truth is being kept from the American people, both in secular life and in the church. For if our people knew the truth, there would be the biggest explosion in the history of the world. Today, America in particular is likened to a man smoking a cigar as he sits on an open keg of gunpowder, knocking the ashes into the keg. It will only take one tiny spark, at the right time, to reach the powder, and the explosion will come which will
blow those who seek world power out of the driver's seat. This is the major reason they hide the truth.

When will Christians ever learned the truth regarding Jewry, of whom our risen Lord said in Revelation 2:9 and 3:9: "... I know the blasphemy of them which say they are Jews, and are not, but are of the synagogue of Satan."

If they learned that Abraham, Isaac, Jacob and the prophets were not Jews and that God's promise in Genesis 12:3 was never made to a Jew; if they learned that the Israeli Talmudists who annually soak up billions of their tax dollars are not the Covenant People of the Bible; if they learned that the impostors in Palestine are Edomite-Turko-Mongolians, the Christian world would rise in righteous indignation to throw the Talmudic money changers out of the national temple and return this nation to its Christian heritage and to its risen Christ. This is why the truth MUST be suppressed.

If the members of our churches knew that doctrines being taught in their church, such as the "rapture" and "the Jews are God's chosen people," were doctrines designed by Talmudic propagandists to lure Christians away from reality, and that these doctrines are not according to Scripture but are false, then millions of Christian who are now sitting in their comfortable religious foxholes waiting for Jesus to rapture them out of this mess, would rise up and become the "salt of the earth" as their Master intended them to be.

Oh, how sick I have become of those Christians who shrug their shoulders when they are warned of danger ahead, and say smugly: "Well, I don't have to worry, you know. I'm saved, and Jesus will come back and take me out of this mess before it gets that bad."

What a shock they are going to have when they learn the truth, and it doesn't happen the way their pastors have been telling them. Millions of Christians have become infected with this "holier-than-thou" attitude because of the Judaizing of the church seminaries that have produced shepherds who have neutralized Christians from being "soldiers of the cross," to becoming "prostitutes for those who hate their Lord." This sort of religious attitude is what the enemy wants.

A threatened and compromised America today stands at the point of no return because of her religious and political leaders. In Jeremiah 23:22, we read these words which were written to the pastors and political leaders of America: "But if they (the pastors) had stood in my (God's) counsel, and had caused my people to hear my words, then they should have turned them from their evil way, and from the evil of their doings."
In plain words, folks, the pastors of America have been traitors to their calling. Instead of preaching the whole truth, in the words of Timothy 4:3 - 4, they have brought about the time when the average Christian no longer wants to hear the truth, but would rather have their ears tickled by the pastors of their choosing who will talk of the rapture, immortality of the soul, brotherly love and how the Jews are blessed and protected by God. No wonder this country is headed for hell at a breakneck speed.

We need to get across to the controlled media of America, and to our religious leaders, that freedom of the press is not some immutable decree handed down by God on Mt. Sinai which allows them to slant the news as they will for their purposes. Freedom of the press is political license granted to the media by the American people, and what we have given to the media and their religious pundits, we can also take away.

The time has come when concerned Americans can no longer afford to take the path of least resistance. For Christians to remain in their spiritual foxholes while the battle for the survival of Christianity and Christian values rages outside, is cowardice. It is impossible to look at the debacle of America since the beginning of the New Deal in the 1930's, without realizing the responsibility of our leaders, both political and religious, and how they have fallen down in this responsibility. It is time that decent Americans called them to account for their poor stewardship. Our country and our American way of life have been placed in jeopardy by their irresponsibility.

Public opinion polls and common sense tell us that military superiority is the only thing which the internationalist enemy understands. But we MUST not be led into believing that we can cooperate with our enemy and come out in the driver's seat. The "glastnost" of the 1980's and 1990's is not the first time the International Zionist-Communists have tried to trick us. They have pulled this same stunt many times since the Russian Revolution began in 1917. We should be ashamed of ourselves as Christian citizens for allowing ourselves to be fooled so many times. There is an old Indian saying which I believe is appropriate here and which goes: *White man fool Indian once, shame on white man; white man fool Indian twice, shame on Indian.*

The same is true in our dealing with the Talmudic conspiracy.

We cannot afford to remain in this self-imposed ignorance, for our very existence as a free, Christian people is at stake. Abraham Lincoln recognized this when he stated: *"If disaster come upon us, it will come from within. We will either live forever as free men, or we will die by suicide."*
Today, as our nation rushes on a collision course with national suicide, any intelligent, honest and observing person should be able to see that drastic action is necessary to preserve the Republic. The danger signs are clearly visible on every side. America's retreats in Korea and Vietnam have been observed worldwide as has our recent smashing victory in Iraq. This all points to the fact that our government policies in Washington, DC are not for the betterment of America, but for the well-being of the Internationalists who control us. We did not lose in Korea and Vietnam because our fighting men were less willing to fight than they were in the Middle East. We did not lose because we had inferior military equipment. We had the best equipment, and in both wars we had overwhelming air superiority. We lost in Korea and Vietnam because it was expedient for our international masters, just as we won in the Middle East for the same reason. The program of the New World Order was always uppermost in the minds and designs of those men who (think they) control American destiny.

Remember the rallying cry of the American Revolution? "Put only Americans on guard tonight!" That must be our cry in the 1990's. We have had enough of foreign control from the Kissingers and the Brezizinskis. Now is the time when only dedicated Americans should be allowed in office. To compromise with the enemy, regardless of magnitude, should be grounds for TREASON in accordance with Article III, Section 3, of the Constitution of the United States.

The following are a few actions which I believe are necessary to save the America we once loved:

First and foremost we must get our white majority, especially those who call themselves Christians, into a right relationship with God so that He will hear their prayers. Isaiah 59:2 clearly indicates that God will not even listen to our prayers until we get into a proper relationship with Him. And, yes, I am speaking about church members!

We MUST return to obeying His Law. Christians MUST be re-educated to know that being "born-again" is only the first step to becoming a Christian, and that they have no option whatsoever to "do their own thing."

We MUST teach our brainwashed Christian people that Christ did not abolish The Law when He died for our sins. He "established" it. These are His words from Matthew 5:17: "Think not that lam come to destroy the law, or the prophets; I am not come to destroy, but to fulfill."

We must educate our Christian people to the truth of what is taking place on the national as well as the international scene today. They must be
taught to read between the lines of the controlled news. This means that our church leaders must tell their people the truth and **declare the whole counsel of the Lord**, not just those things which follow denominational lines or which the people want to hear in order to feel good. Jeremiah 23:22 indicates that if our spiritual leaders will do this, the people will "turn from their wicked ways, and from the evil of their doings."

When we accept this truth, we MUST re-educate the nominal Christian masses into accepting the consequences found in Deuteronomy 28. In this passage, God is specific with His blessings which accrue for obedience to His Law and just as specific with His curses which abound for disobedience to His Law. By reading this chapter in Deuteronomy and applying it to America's woes today, we can see God's hand in applying the curses He promised when we turn from Him and His Law. To read this chapter and not see the reason America is being destroyed is beyond my comprehension.

In verse two we are told: "**And all these blessings shall come on thee, and overtake thee IF THOU SHALT HEARKEN UNTO THE VOICE OF THE LORD THY GOD . . .**" (emphasis added)

And in Deuteronomy 28:6 - 11:

_Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out. The Lord shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways. The Lord shall command the blessing upon thee in thy storehouses, and in ALL (Emphasis added) that thou settest thy hand unto; and He shall bless thee in the land which the Lord giveth to thee. The Lord shall establish thee as a holy people unto himself, as he hath sworn unto thee, if thou shall keep the commandments of the Lord thy God, and walk in his ways. And all the people of the earth shall see that thou art called by the name of the Lord: and they shall be afraid of thee. (This was true of America up through World War II, but now, following the Iraq war, the people are afraid of the New World Order, which controls our military.) And the Lord shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, in the fruit of thy ground, in the land which the Lord sare unto thy fathers to give thee._

Notice that this promise hinges on obedience to His Law, and that this promise was made to Jacob-Israel, not to a people called Jews.
See II Samuel 7:10. He was most certainly not referring to Old Palestine in this passage.

Now notice what will happen if we refuse to obey God. Much of this has already come to pass, and we can see these curses in operation all about us in the Israel nations of Christendom. Notice particularly the calamities which will befall us if we refuse to obey our God and "do our own thing." Much of this has already happened, or is in the process of happening.

In Deuteronomy 28:15-24 we find a variety of afflictions and disasters which will come upon Israel for disobedience, and it takes no stretch of the imagination to recognize that this is taking place in Israel-America today. If we refuse to accept the truth that we are Israel, then we will be deceived into believing that this Scripture was not for us. Notice verse 25, which speaks about what happened to us in Korea and Vietnam where we were defeated by nations smaller than many of our states. Our military did not lose these wars; they were lost by the traitors in our government. "The Lord shall cause thee to be smitten before thine enemies: . . ." (Deuteronomy 28:25)

Verse 27 addresses the spread of diseases such as cancer, VD and AIDS which are decimating our people. Now, with unlimited immigration, strange and terrifying diseases which we have never heard of before, are destroying us. Verse 27: The Lord will smite thee with the botch of Egypt, and with the emerods, and with the scab, and with the itch, whereof thou canst not be healed. (Emphasis added) The New American Standard version translates that verse as: The Lord will smite you with the boils of Egypt and with hemorrhoids, and with the scab and with the itch, from which you cannot be healed.

Verse 28, speaks about mental diseases which lead many of our people into the hopelessness that ends in suicide. "The Lord shall smite thee with madness, and blindness, and astonishment of heart: . . ." Today, suicide is the third largest killer in America and number one among high school and college students.

Verse 33 tells how aliens will consume our food supply. "The fruit of thy land, and all thy labours, shall a nation which thou knowest not eat up; and thou shalt be only oppressed and crushed alway: . . ."

According to reports from the Department of Agriculture, America's "emergency food supply," dropped from 158 days in 1987, to 56 days in 1988, to 32 days in 1989, and yet we "sell" (do they ever repay us?) corn and wheat to communist and Third World nations faster now than ever before. While our traitorous president arranges for the Soviet Union to receive $1-Billion in emergency food supplies, hundreds of thousands of
Americans are going to bed hungry every night. While we give the Israelis extra billions to house their immigrants from Russia, thousands of Americans and American families are homeless. These are the curses for disobedience to His Law and from turning our faces to other gods.

It will take only one season of crop failures to place America on an emergency food basis and leave us ripe for a declared National Emergency which could very well usher in the control needed for Mr. Bush's New World Order.

Verse 43 prophesies of this very occurrence: "The stranger that is within thee shall get up above thee very high; and thou shalt come down very low."

We see the aliens ruling over us in America today. They eat our food which we give them through welfare, they take our jobs and leave us homeless, they set up their own communities where no English is spoken, they have gotten up "high" above the Israelite people while the white majority, who made this America great, have become the "tail." In our military, we have a Jew, "Stormin' Norman" Schwartzkopf (An article in an August 1954 issue of The New York Times, indicated that Norman's grandfather was a German Jew from Austria, who had been a metallurgist. His father was head of the New Jersey State Police at the time of the Lindberg kidnapping, and it has been established that he withheld vital information, which would have proven that Bruno Hauptman did not kill the Lindberg Child.) at the head of our military forces, and a black as Chairman of the Joint Chiefs of Staff, while the overall policy of America may very well be controlled by a German Jew named Henry Kissinger.

When you have thought about these things, go back and read Deuteronomy 28, in its entirety, and weep for Christian America.

We must bring our economic system under the control of Congress which was envisioned by our forefathers when they wrote the Constitution, and remove it completely from the international control of the Federal Reserve Board.

It should be pointed out here that when the Talmudists control our foreign policy and we seek detente with the enemy, we break a Biblical Law which will bring disaster to our country. The Bible clearly teaches in Proverbs 4:14: "Enter not into the path of the wicked, and go not in the way of evil men. Proverbs 25:5 says: Take away the wicked from before the king (president), and the throne (government) shall be established in righteousness."
Nowhere, at any time nor for any purpose, are Christians given the option to compromise with evil, or evil men, in any manner. It has never worked out to the advantage of individuals or nations in over 6,000 years of recorded history.

Probably one of the most debilitating diseases in America today is the manner in which professing Christians compromise with evil, and evil men, for a little temporary safety or comfort. Most Christians prefer to be "middle-of-the-roaders," without realizing that this is the most dangerous place on the road for they will be hit from both directions. Also, this is where you will find a "yellow streak" and where you can locate all the dead skunks in the morning.

In recent years, most Americans have lost the virtue of righteous indignation which is the ability to recognize right from wrong, and then do something to correct the wrong when recognized. Instead, the average Christian wants to be like everyone else, good and bad alike, and completely reject the words of James 4:4. "... know ye not that the friendship of the world (order) is enmity with God? whosoever therefore will be a friend of the world (order) is the enemy of God." That's pretty plain and uncompromising, isn't it? That's why very few Christians want to accept it! It's too narrow minded for them.

There are many church groups in America who have injected their Talmudic Judeo-Christian theology of "compromise with God's enemy" into our national life. This is why, over the last fifty years or so, we have aided our enemies, and stabbed our friends in the back. The U.S. Catholic Bishops have injected leftist ideology into the debate on national defense since 1983, although the majority of Catholic laymen reject it, I believe. Actually, 13 major religious groups in the United States have pressured Congress to seek detente with the communist world at any cost even though they know this enemy has promised to "bury us" and destroy Christianity.

These 13 religious groups are:

- The American Baptist Church
- Church of the Brethren
- Episcopal Church
- Jesuit Social Ministries
- Mennonite Central Committee
- The National Council of Churches
- The National Council of Religious Women
- Network (a Catholic Social Justice Lobby)
This is but the tip of the iceberg. Multiply those by millions of evangelical and fundamentalist Christians who have been brainwashed into supporting the anti-Christ, Zionist Jews at any cost, and you can understand why we see the huge peace rallies in Washington, DC. These rallies are not spontaneous at all, but are prompted by our enemies and their religious friends in the so-called Christian world.

Even many conservative Christians who believe in the principles of Constitutional Government and one government, under God, have been led astray by their religious leaders who are determined to stand behind international Judaism regardless of Judaism's terrorist, manipulatory and heinous acts.

Have you ever wondered what the Good Samaritan of Luke 10:33 would have done if he had come by when the victim was being beaten and robbed? I sincerely doubt that he would have stood by as a spectator as many of our Christians do today. "Oh, brother Mohr, Christ wouldn't want us to be violent."

Yet it seems to me He was rather violent when He made a whip of ropes and drove the unscrupulous money changers out of His Father's Temple. (John 2:1 - 16)

Jesus was discussing common sense theology when He stated in Luke 11:21-22: "When a strong man armed keepeth his palace (home), his goods are in peace (safe): But when a stronger than he (a criminal, whether of the regular stripe or a government criminal) shall come upon him, and overcome him, he taketh from him all his armour (gun control) . . . and divideth his spoils."

In other words, if you are not armed, you can be overtaken and robbed. There is little doubt in my mind that many sincere supporters of peace at any price are well-intentioned, no matter how naive or misinformed they may be. But the sad thing is that most of them are afraid of learning the truth and they become like the Christians at Galatia to whom the Apostle
Paul once said in Galatians 4:16: "Am I therefore become your enemy, because I tell you the truth?"

Unfortunately, many of our political and religious leaders know exactly what they are doing, and these are the subversive traitors who are willing to sell America down the river for a little temporary safety, public recognition and money. They are more interested in what they can get for the moment, than in fulfilling the oath they have taken to support our Constitution and our people from ALL enemies, both from within and from without. They want to feather their own nest even if it means abandoning you and I to a heartless enemy. If you look closely at every major foreign policy President Bush has been engaged in, you will find behind them the financial interests of his family. In Panama, in Bahrain, in the Golden Triangle of Southeast Asia, (Which has been proven thorough sworn testimony by Lt. Col. James "Bo" Gritz, who has been in contact with top dope producers in the Golden Triangle.) and now in Red China. In all of these areas the Bush family holds billions of dollars in business deals.

These men want to align themselves with the world Talmudists whom they believe have the money and the power to handle any problem that comes along.

About now, some fundamentalist may come along and say: "Slow down a bit, Colonel, our church teaches that Jesus is the answer!" I'll not argue with you about that, for He MUST be first. But the message of salvation goes much deeper than "ye MUST be born again." That is just the first step to becoming a Christian and walking the Christian experience. What good is your faith if it is not backed by your actions? The Apostle James realized this when he wrote in James 2:14 - 18:

> What doth it profit, my brethren, though a man (or woman) say he hath faith, and have not works? can faith save him? If a brother or sister be naked, and destitute of daily food, and one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit? Even so faith, if it hath not works, is dead, being alone. Yea, a man may say, Thou hast faith, and I have works; show me thy faith without thy works, and I will show thee my faith by my works. (emphasis added)

This is a lesson a lot of Christians need to learn.
The enemy within who has become contaminated by the Talmudic poison is a thousand times more dangerous to the cause of Christ than the Talmudic enemies themselves. Jesus said in Matthew 23:15:

"Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves."

Don't become angry with me, it was King Jesus who said that.

The great Roman Senator and statesman Marcus Tullius Cicero (106-43 BC) put it this way:

A nation can survive its fools, and even its ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banners openly. But a traitor moves among those within the gates freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears no traitor! He wears their face and garments and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of the nation; he works secretly and unknown in the night to undermine the pillars of the city; he infects the body politic so that it can no longer resist; a murderer is less to be feared.

Following the definition of "treason," we find in the U.S. Constitution, Article III, section 3, the following: "Treason shall consist only in levying war against them (the US.), adhering to their enemies, giving them AID AND COMFORT"

Any fifth grader can understand those words. If the actions of our President and Congress are not treason, then I fail to understand the meaning of the English language.

There are a multitude of men in Washington, DC, in our State Houses, and in the pulpits of our churches who are guilty of this heinous crime against our people. A hundred years ago, a justifiably angry population would have accused them openly, and they would have been tried in a court of law and executed as the traitors they are. But today, they are the big names in government and church.

The defense of Christianity and Christian freedom, my friend, will require sacrifice and the continuing actions of those Christians who love God and care for the future of America. Christians must be in the forefront of this
movement to bring America back to God, for they have the most to lose if the Talmudic enemy is successful.

Here are some suggestions I prayerfully and humbly make, by which you, as a Christian individual, can help save America. They are quoted from The Church and the Sword, by G. Russell Evans, and G. Greg Singer, 1983, page 126:

1. Refuse to accept the bias and misinformation of the controlled news, the analysis given by the Talk Show hosts and TV preachers. Get the truth from the Word of God, and from history as it actually is and deliver it courteously in a Christian manner to all who will listen. Never attempt to cram truth down the throats of a reluctant public. Remember that your task is not to persuade anyone of the truth, that is the task of the Holy Spirit, Who is the Conviner. Your job is to take the unbiased truth to men and women everywhere, do it to the best of your ability, and once they have heard it, it becomes a matter between them and God. (See Ezekiel 3:17 - 21; 33:7 - 9)

2. Find out if the church you attend belongs to the National Council of Churches and if it does, GET OUT! You have no business in a contaminated atmosphere like that, no matter how long your family may have been members. If your pastor insists that you MUST support the anti-Christ Jews, do the same thing. (Read and ponder II Chronicles 19:2)

3. Find out how your members in Congress vote and let them know in no uncertain manner how you stand on issues. Be courteous, but firm, and don't let them try to pull the wool over your eyes "Congratulate them when they take a stand for that which is right and good for the country, and get on their backs when they serve the enemy.

4. Join a church which teaches the truth regarding the Talmudist enemy If you can't find one in your neighborhood, that is no excuse to attend a compromising church. Start a study group in your own home) and if you would like to start a church, write: American Destiny, 1501 W Peoria, Phoenix, AZ 85012, telephone 602/944-3297 and ask how to start a church in your area. Learn for yourself what the Bible teaches, not the ideas of some Judaized seminary graduate.
5 Don't stop here. Write letters to church leaders and editors of both secular and religious publications and let them know that you know what is going on and how you feel about compromise with the enemy. This, of course, should be done in a Christian manner; abusive letters will gain nothing for either you or the Kingdom cause. It will do much damage!

6. Monitor radio and TV programs and request "fairness doctrine " time to answer the propagandists and promote Kingdom Movement truths.

7. If you see church bulletins which present an antichrist attitude in any way, and there are many of these today; or if your pastor preaches so as to glorify the anti-Christ, go to him in the spirit of Christian love and talk to him about it. While in most cases you will be rebuffed, it is possible that a few open minded men may be reached with the truth.

It never ceases to amaze me how denominational pastor are becoming increasingly disturbed over what is happening in their denominations, yet few seem to want to know the answer. Still, a month scarcely passes that I do not receive a letter, usually from a young pastor, which says: "What is happening in my denomination that I can no longer preach the whole counsel of God's Word?" There is hope for a man such as this. Cultivate him.

8. If your local school or service organization has a speaker who advocates an anti-Christian, anti-American attitude, politely ask for your side to be heard. You may be surprised at how many people will want to hear both sides of a controversy.

9. Be active in promoting pro-Christian, pro-Amercian candidates for public office; the two should go hand-in-hand. While I personally do not believe the problems of America are going to be solved through the political process, proper candidates can go a long way to alleviate some of the ills which are afflicting the country.

10. In all your dealings with the enemy, keep cool. Remember "He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city. "(Proverbs 16:32) Also, 'A soft answer turneth away wrath; but grievous words stir up anger. "(Proverbs 15:1) This is or of the sad mistakes made by many of our people.
I have seen this happen, time and time again. There is nothing that will get a Talmudist more upset on a TV Talk Show, than to have you remain cool when he has attacked you unmercifully.

In April, 1972, while speaking for the American Opinion Speaker's Bureau of the John Birch Society, I addressed a large student group at the University of Kansas, in Lawrence, Kansas. I was opposed by a group of about ten radicals (most of whom I learned later were not even students) who harassed and actually physically assaulted me. They were led by a young Jew whose father was a well-known criminal lawyer. They pelted me with marshmallows which had been made sticky by being held in the mouth until soft, and when they hit, they stuck like glue to my dark suit. With the help of God, I managed to remain cool, even though I was struck in the face with some hard object that caused lacerations.

Later, I received 72 letters from students who had attended the lecture. Some rejected my message which was against Sex Education in the schools, but all said they were impressed by the manner in which I remained "cool under fire," and all apologized for the "unbelievable rudeness" of a few of their classmates. Some of them asked for further information. So remember, it pays to keep cool under fire!

Many American Christians are coming under severe attack today because of pressure to destroy the Second Amendment. Under no circumstance must we allow this to happen. They are being led for the most part by Talmudists, (such as Senator Howard Metzenbaum of Ohio who is trying desperately to paint all gun owners as bad while they express sympathy for the criminal). A good deal of this pressure is coming from church groups who should know better.

A few years ago when I was lecturing in San Francisco, a full page ad which had been sponsored by 14 prominent Protestant churches, appeared in the very liberal San Francisco Examiner. It asked that church members turn in their firearms at a church service, on a certain day, where they were to be melted down to make a statue of a famous American compromiser. (It may have been Saint Martin Luther King, Jr., I don't remember.) It went into some detail regarding how decent Christians would certainly turn in their "death-dealing weapons" at the church service.

The Monday issue of The Examiner rather me fully stated that only eight guns had been turned in at 14 services the day before, which means that some of the Christians in that wicked city had at least some perspective of what was happening. Personally, I sort of like this idea for I believe that anyone who would be stupid enough to turn in their guns at the request of some pacifist Pastor is too dangerous to be allowed to own one.
There is nothing inherently bad about a sword. The quality of sharpened steel may depend on whether it is in the hands of a surgeon or a bandit. The same goes for a firearm. There is nothing inherently evil in a firearm, and I am convinced that you cannot trust a government who will not trust its citizens with a means of self-defense.

If guns are only in the hands of evil men, then the only peace the Lamb will have with the lion is when it ends up in the lion's belly. There are evil men who label disarmament as peace, but it is the peace of slavery and death. I Thessalonians 5:3 warns us about those who: "... when they say, Peace and safety; then sudden destruction cometh upon them . . . and they shall not escape." This is the peace of International Talmudism.

If Israel American does not remain free, there will be no one to carry out the "mission of the King," for one of the avowed aims of the Talmudists is to eliminate Christian civilization from the face of the earth.

In the controversial Protocols of the Learned Elders of Zion, we read:

"The goyim are a flock of sheep, and we are their wolves. And you know what happens when wolves get hold of the flock? . . ."

"There is another reason why they close their eyes: "for we shall keep promising them back all their liberties we have taken away as soon as we have quelled the enemies of peace . . ."

"God has granted to us, His Chosen People, the gift of dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world." (Protocol Number 11)

The outstanding characteristic of Talmudic Judaism is an active, increasing, powerful and virulent attack upon all forms of Christianity. Occasionally we hear of outbreaks of sectarian bigotry between Catholics and Protestants which is given heavy coverage in the press. Nine times out of ten this is brought about by Talmudic pressure, but at no time does it reach the virulence of the steady and relentless Jewish attacks against Christianity. Organized Judaism is not content with doctrinal disputation, but enlists its vast commercial and political power against everything it regards as "Christialogical manifestations" (in their own words).

It has reached the place in America where no President of the United States dares to take his inaugural oath on the open pages of the New
Testament. If he did, the Jews would denounce him as a religious bigot. No public official in America can give public evidence of his Christian faith without rebuke from the Jews, with the exception of those "pseudo-Christian" Zionist traitors who support them.

Not only does the Talmudist disagree with Christian teachings, but everything that would remind a child in our government school system that he/she is living under a Christian system, in the midst of a once-Christian civilization, must be expunged. Year after year, the Talmudist extorts apologies from Christian leaders because these leaders have inadvertently used the term "Christian" in their official language. The Talmudist glories in religious persecution as the true American does in patriotism. This is, of course, part of the Talmudic plan. It is time that our Christian people begin to realize that most of the cries of "bigot" are coming from the bigots themselves.

Yet strangely, in spite of all this obvious ill will towards Christians everywhere, there has been a concerted drive in the Christian world to exonerate the Jewish people from the responsibility of Christ's death and place it solely upon the shoulders of the Roman government. This, of course, is a complete refutation of both Scriptural and Roman records. I can understand, as I read the Gospel of John, why the Talmudists want it removed. It is the most devastating attack against this evil form of religion that has ever taken place in the history of the world and it was conducted by the Lord, Himself.

As one Rabbi Stephen Wise, known as the "Red Rabbi" was quoted as saying: "As long as the (true) records of the Gospels remain the New Testament, so long will there be anti-Semitism" (anti-Talmudism).

It has been proven over and over again during the past 2,000 years, that the Talmudists cannot stand up under the blazing illumination of truth as found in the New Testament. The true feelings of the Talmudists can be seen in the statement made by the Jew, Ben Hecht, a well-known Hollywood writer, when he said:

"One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture . . . But if I had been in charge, I'd have handled it differently. You see, I would have shipped Him off to Rome and fed Him to the lions. They (Christians) could never make a Savior out of mincemeat."

This from a man whom many pastors say comes from the Chosen Race.
If we allow the Talmudists to remain in control of our government, and we are not wrong in calling it a ZOG (Zionist Occupation Government) today, the first Christians who will be executed when the Talmudists have complete world control will be the milquetoast Christians such as the Falwells, Swaggerts, the Robertsons and the Van Impes who have helped them come to power. Haven't we watched as Pat Robertson was ridiculed and maligned when he ran for President? Haven't we watched as the tabloids and TV brazenly publicized the sexual escapades of Swaggart? Haven't we witnessed the destruction of PTL empire's leaders, Tammy Faye and Jimmy Bakker? These people were made glamorous and powerful by the media. The media has removed their power, just as it gave them their power.

Do these "leaders" know about this peril? If not, why not? The evidence is all around them, and the Talmudic leaders of International Communism have been warning us of their plans for over 70 years. The Talmud says: "Even the best of the goyim should be destroyed."

There is little doubt in my mind that many so-called Christians will become irritated, disturbed and angry when they read the truth of which I have written. But I like what Solzenitsyn tells his audiences: "My friends, I have not come to tell you comfortable things, but to tell you the truth."

In Jeremiah 22:21, we read of Israel (true Israel): "I spake unto thee in thy prosperity; but thou saidst, I will not hear . . ." This has been our overwhelming problem in dealing with American Christians. They don't want to know the truth, but would rather listen to the soothsayers, spoken of by the Apostle Paul in II Timothy 4:3-4:

> For the time will (has) come when they (white Christian Israel) will not endure sound doctrine; but after their own lusts (longing for material things) shall they heap (gather) to themselves teachers (pastors), having itching ears; And they (the pastors) shall turn away their (Israel's) ears from the truth, and shall be turned unto fables (Talmudic teachings).

**WHAT WILL YOU DO IN THE END THEREOF?**
The Undeclared War!
(The B'nai B'rith, Big Guns in the Zionist Plot to Destroy Christianity.)

By BRIG. GEN. JACK MOHR, C.P.D.L.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the
rulers of the darkness of this world, against spiritual wickedness in high places," (Ephesians 6:12)
WHEREFORE - "Though we walk in the flesh, we do not war after the flesh; For the weapons of
our warfare are not carnal, but mighty through God for the pulling down of strongholds," (2
Corinthians 10:3, 4).

INTRODUCTION

Although few Christians realize it, the entire Christian world, especially that connected with White
Christians is under attack from vicious anti-Christ forces who have declared their intention to
destroy us.

Over fifty years ago, writing in their own textbook, PSYCHOPOLITICS, they stated, p.52 "You
must recruit every agency of the nation marked for slaughter into a foaming hatred of religion. You
must suborn district attorneys and judges into an intense belief that Christian practice... is vicious,
bad, insanity-causing, publicly hated and intolerable.

"We have battled in America since the century's turn to bring to nothing any and all Christian
influences and we are succeeding. While we today may seem to be kind to the Christian remember
that we have yet to influence the "Christian world" to our ends. When that is done, we will have an
end to them everywhere."

Christian, you are involved in an UNDECLARED WAR against your faith and your freedom. It is
being directed by anti-Christ forces that hate everything you stand for and who have openly and
repetitiously declared their intention to destroy you.

To understand what is happening, it is necessary for us to know who this enemy is and how he
thinks and acts. The "big guns" of this undeclared war is a worldwide Zionist organization known as
the B'nai B'rith. It is the mother of Freemasonry. In this pamphlet we will try and discover how they
are going about their subversion of the Christian world.

For some of you this will be new ground and you may be enticed to throw this away as "anti-
Semitic" garbage. I appeal to you as an honest, intelligent person. Read this through in its entirety
before you make any judgment. Then check out what I say against the Bible, the Word of God. Don't go to some preacher or Bible scholar for your answer. As an intelligent American, check out
the facts and make up your own mind. Put what I have said under the "most powerful magnifying
glass of truth you can find," the Holy Bible and when you find that I have told the truth, let nothing
stand in your way of "contending for the faith once delivered unto the saints." (Jude 3)

UNDECLARED WAR

In the July 1937 issue of the B'nai B'rith Magazine, p. 352, appears an article which states that the
more than 450 lodges in the U.S. and Canada represent Jewry in those countries. If this is true, and
we have no reason to doubt their claim, we should be able to learn a great deal about modern Jewry
by taking a close look at this fraternal Jewish organization which has become the "big gun of
Judaism" in over 30 countries.

A study of B'nai B'rith Magazine shows a consistent praise of Socialism and Communism, with
very little criticism regarding the Communist Revolutionary Movement. At the same time it shows a
violent dislike of Christianity and a virulent display of anti-Christian activity. This is why I have
titled this article "UNDECLARED WAR!"
The hatred of B'nai B'rith for Christianity becomes understandable when one realizes that Communism was the "brainchild" of Talmudic Judaism. This fact has been verified, over and over again, from Jewish sources. In spite of what often seems like Satanic intelligence, Jews have a tendency to boast about their exploits over "gullible goyim" (a term of contempt used by Jews for non-Jews, especially Christians. It literally means a "non-Jew" animal.)

This tendency to brag, often "let's the cat out of the bag!"

When the Communist Revolution became successful in Russia in 1918, Jewish periodicals were full of praise for these murderers. THE LONDON JEWISH CHRONICLE of April 4, 1918 stated: "...there is much in the fact of Bolshevism itself; in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism..."

Marcus Eli Ravage, a Jewish author, writing in the January 1928 issue of CENTURY MAGAZINE, boasted: 'We Jews are at the bottom of nearly all your wars; not only of the Russian but of every other major revolution in your history. We did it solely with the irresistible might of our spirit, with ideas and propaganda." (It might be well to add: "With money they had first stolen from the non-Jew.")

The Jewish author Oscar Levy, in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, said: "There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews today are nothing else but it's worlds seducers; it's destroyers; it's incendiaries; it's executioners."

Count Mensdort, the Jewish Ambassador from Austria to London, stated in 1918: "Israel won that war (WW I), we made it, thrived on it; profited from it. It was our supreme revenge on Christianity." (This was true, for only world Judaism profited from this war. It was the Christian nations both sides who suffered.)

These are but a few of literally thousands of bragging statements, made by world Jewry about their manipulation of world affairs.

In this day of "the big lie," when more and more Americans are beginning to realize how we have been lied to by our leaders, both in politics and the church, it would be worth while to take a closer look at the "big gun" of World Jewry, known as the Lodge of B'nai B'rith, complete with its fearful KGB of the Anti-Defamation League and its strong arm, THE JEWISH DEFENSE LEAGUE. What problems do these antichrist organizations pose for American Christians? How does their power effect our lives and that of our children. (Much of the information I will give you here, was collected by John Merrick Church and placed in a pamphlet titled AN INTERNATIONAL ANTI-CHRISTIAN, PRO-COMMUNIST JEWISH POWER I am merely commenting on some of the facts he presents and adding others.)

With huge sums at its disposal, coming from the International Bankers who have stolen it from our people in the first place, plus billions which have been given to International Jewry through the "brainwashing" of gullible Christians, this Antichrist organization has literally purchased the services of Gentile religious fronts, such as Jerry Falwell's MORAL MAJORITY. These have sold out to Jewish pressure and wealth for a lot more than the proverbial "thirty pieces of silver," that the traitor Judas obtained for betraying Christ. They are involved with millions of dollars, which have come into Christian coffers through the electronic media. "Go along with the Jews and stay on the air. Tell the truth and you are cut off!" It's as simple as that!

In this article, we will look at some facets of this powerful organization and see how it is attempting to seduce Christians into doing its dirty work for them, while at the same time, laying the foundations for the One-World Government they have desired for millenniums.

To the gullible Christian, who fails to listen to the warning of the Apostle Paul given in Titus 1:10, 14, and who has been "brainwashed" by these deceivers into believing that International Jewry
represents God's Chosen People who can do no wrong, this information could well be the difference between life and death; between freedom and slavery.

Here is what Paul said about these seducers: "For there are many unruly and vain talkers and deceivers, SPECIALLY THEY OF THE CIRCUMCISION (Jews): Wherefore rebuke them sharply... Not giving heed to JEWISH FABLES, AND COMMANDMENTS OF MEN, that turn from the truth." (Emphasis added.)

One of the most clever strategies used by these followers of Satan. (And I am merely quoting here what Jesus said of them in John 8:44), is to change the truths of the Bible into the Satanic teachings of Judeo-Christianity. (Which by the way, is not Bible Christianity.) There is underway at this time, a heavily funded attempt to remove the Gospel of John from the Bible. Many Jewish authorities state that as long as this Gospel is allowed to remain in the New Testament, so long there will be animosity of Christians towards Jews. But if the Gospel of John goes, then surely they will want the writing of the Apostle Paul to be deleted, for he said of them: 1 Thessalonians 2:14, 15 - (speaking about the Jews): "For ye brethren, (he was speaking to Israelites in Asia Minor who were then called Gentiles), became followers of the churches of God which in Judea are in Christ Jesus; for ye have also suffered like things of your own countrymen, even as they have of the Jews: Who both KILLED the Lord Jesus and their own prophets, and have persecuted us; and THEY PLEASE NOT GOD, AND ARE CONTRARY TO ALL MEN." (Emphasis added.)

The Gospel of John reveals the Jews for what they are, clearer than any other documented truth in the world. How a Christian leader, or layman for that matter, can support the evils of world Zionist after reading the Gospel of John, is beyond my comprehension. Over and over the Apostle John quotes our Lord as Ile thunders in scathing denunciation against these God-haters whom He called the "children of the devil," (John 8:44). He derided them as "hypocrites, sepulchers full of decay and dead men's bones, poisonous snakes." Then in John 10:26, He puts His final seal of approval on His accusations by explaining the reason for Jewish evil and unbelief; (John 10:26) "Ye believe not; BECAUSE YE ARE NOT OF MY SHEEP." (Emphasis added.) Christian, in the name of all that's holy, why do you not accept the clear teachings of your Master? How much clearer does it have to be before you preachers accept Christ's words as they stand?

So we see the B'nai B'rith as it uses its power, gained through the ungodly wealth of its banditry, to in-filter the Christian seminaries and place Christ-hating Jewish scholars on the Bible translating boards and in charge of Hebrew teaching in the seminaries. This coupled with the statement made during a Congressional hearing that there were as many as 50,000 Communists who were introduced into the pulpits of America during the 1930's, mainly through the Union Theological Seminary in New York City, and you can see the depth to which our churches have sunk. No wonder we are allowing homosexuals in the ministry.

While Christians everywhere have knowledge of the fact that Christian brethren are being killed and persecuted in atheistic countries such as the Soviet Union, most seem to have completely forgotten that it was the Jews who placed these madmen in business in the first place, for the purpose of destroying everything Christians believe in.

To show you how B'nai B'rith uses its influence, let me quote from the following article which appeared in the B'NAI B'RITH MAGAZINE. "a portion of a newly published book containing an account of the life of Jesus, had a sentence which read: 'But when He began to be well known, certain leading men among the Jews grew jealous (see Mark 15:10 - "For he (Pontius Pilate, the Roman Governor) knew that the chief priests had delivered him for envy.") and persuaded the Roman Governor to let THEM crucify Him.' The League brought this to the attention of the publisher and pointed out that the great weight of scholastic opinion denies that Jesus was crucified by the Jews: (It is interesting to note, that Roman manuscripts from this time, now in the Vatican Library in Rome, confirm the Scriptural account.) After a friendly correspondence (and I wonder how much pressure was brought to bear on the publisher) the publisher agreed to change the offending sentence."
The B'nai B'rith has been an opponent of the Passion Plays in Austria, Oberammergau and the great American Passion Play at Eureka Springs, Arkansas. They print and distribute thousands of pamphlets and books and send speakers into Christian churches, to further propagandize the "dumb goyim sheeple." They have exerted so much pressure on the schools system of America, through the National Education Association, which is under their control, that they have removed THE MERCHANT OF VENICE, one of William Shakespeare's great play, from the curriculum of High School English classes.

When Christians travel to Russia or the Holy Land on tours sponsored by Christian groups, they must surely observe that most of their guides are Jews and Jewesses. This should in itself tell them to beware! Certainly the tours run by such organizations as Jerry Falwell and David Weber, brag that their major guides are prominent Jews in the Holy Land. What can a Christian expect from a Jewish guide, who hates their Lord, but misinformation piled on misinformation? Just as the Lord stated: "they are liars and the children of the father of liars," (John 8:44).

In Russia, contrary to what we have been told in the U.S. news media, an entire new breed of millionaires has risen within the past twenty years. They live in the rich resort areas of Kiev and Odessa and own their own factories. These are 100% Jews. In fact, in Russia, in the towns and cities where the Jewish population exceeds 25%, they have their own Yiddish law, Yiddish courts, Yiddish codes and Yiddish is their official language. This in an anti-religious country where we have been told that Jews as a group are under persecution.

Yet in 1983, when the Jew Andropov (real name Lieberman) was President of the ruling Politburo, 17 out of the 23 members of this ruling elite were Jews.

Virtually all the high ranking military commanders in the Soviet Union today are Jews and many of the most important party functionaries such as the Generals of Police, Director Generals of the K.G.B., Director of Foreign Operations, the Economic Planning Chief, and the Finance Officer are all Jews. ASK YOURSELF WHY this information has never appeared in the controlled media?

One Jew, speaking of his experiences as a Jew in Russia said: "I am more of a Jew than ever before. Under this regime (communist) it is possible to be a real Jew. My father is still imprisoned by the old traditions, but my sister and I are free to go the new way . . . 90% of the Jews in Russia are the heart and soul of the building of the new world order." (Pierre Van Passen.) In the May 1934 issue of the B'nai B'rith Magazine, p.270 you can read: "... Russia was the very fountainhead of Jewishness before the revolution... Accompanying the destruction of Judaism and Zionism has come a freedom Jews have never experienced anywhere else in the world... Russia is the only country in the world where Anti-Semitism is a crime... If I were to sum up what has happened to Jews in Russia under communism, I should say - new opportunities and intensified social idealism has accompanied the destruction of all specifically Jewish spiritual values."

It is from people such as these, that the leadership of the Israeli nation had its start. A great majority of their leadership had intensive backgrounds in Communism. Examples: Golda Meier, Menachem Begin, etc., to give you an idea of how B'nai B'rith feels about Socialism-Communism, it would be well to remember that they have defended any Jew who has been denounced as a Communist, and persecuted any American who has been anti-Communist. They say to the Jews: "Our safety comes through defending Democracy," when it is quite obvious that to these Jews, the word "Democracy," is simply a term which is synonymous with "communism."

Full page ads for the books of well-known communists have appeared consistently in the pages of B'nai B'rith Magazine. There is little left to the imagination as to where they stand. Albert Einstein, the well-known Socialist physicist, stood fully behind the B'nai B'rith and they reciprocated by giving him their full endorsement, even though it was common knowledge that he was an affiliate with communism. They have done the same with practically every "fellow traveler" who has "come down the pike."

One of the radical organizations which was a "spinoff" of the B'nai B'rith is the AMERICAN CIVIL
LIBERTIES UNION, which has been in the forefront of defending communists, socialists and criminals in general. Through this legal organization, Jews have been successful in banishing prayer and Bible reading from the Public Schools and have substituted thereof the religion of Secular Humanism, which is peculiar to communist and socialist societies everywhere. They have tried to banish Christ from the religious holidays of Christmas and Easter, substituting in His place, the heathen figure of Santa Claus and the Easter bunny. They do not want to do away with these holidays, for they bring too much money into the Jewish economy. They do want to remove all mention of Christ in their observance.

ALMOST WITHOUT FAIL, WHEN SOME CIVIL LAWSUIT IS BROUGHT AGAINST Christians for any purpose whatsoever, be it prayer in the schools, creationism, or the attempt to remove sex education from a school curriculum. The suit is brought by Jewish parents under the auspices of the A.C.L.U.

While many Christian parents and others, deplore the sexual filth which has in-filtered our public education system via the controlled National Education Association and the filth which prevades our homes via Jewish controlled television, the B'nai B'rith is outspoken in its approval of the same and in the defense of the pornographers to have "freedom of expression." (Possibly the fact that the top people in the filth rackets are Jews, may have something to do with this.) In an article titled: MADE IN HEAVEN, the B'nai B'rith said: "While the press of the country is currently studded with articles about the organized movement for changed attitudes towards marriage, little note has been made of the improved part Jews have been and are taking in this new development." (Read the Talmud and you will understand why!)

It goes on to tell how Marriage Institutes devoted to sex were introduced years ago by Rabbi Landrum, who was director of the Hillel Foundation at the University of Wisconsin during the years when this campus became known as LITTLE MOSCOW. The teachings of the Jewish professors in this institution of higher learning reflects on the early training they received in the filth of the Talmud, which devotes hundreds of pages to a discussion of deviate sex and even says that it is all right for a grown Jew to have intercourse with a baby girl, if she is under the age of three. It also approves of sexual intimacies between a Jewish mother and her son, if he is under the age of manhood (12 years old). It discusses in most intimate details the personal aspect of sex and goes into some abhorrent practices which are expected of the Rabbis, many times using foul terminology.

Two Jewish doctors who have come in for lavish praise by the B'nai B'rith for their sexual explicitness, are Drs. Abraham and Hannah Stone who were connected with the John Hayes Holmes Red Communist Church in New York City. They ran a "sex marriage consultation service" from this church. Hannah was a contributor to the communist press. Rabbi Sidney Goldstein, who was lavish in his praise of these two "mentally diseased" Jewish wierdos, was himself a member of the communist aiding A.C.L.U. and the National Religious and Labor Foundation, which distributes outright communist literature.

When Glen Frank, a Jew, was President of the University of Wisconsin in the 1930's it gained its reputation as the communist education center of America and B'nai B'rith was lavish in its praise of this "youth seducer." His liberal views of sex no doubt rubbed off on his students, since this was the only school of higher learning, where I saw students openly having sexual affairs on the steps of the library during the noon hour.

From the very beginning of the Communist Revolution in Russia the B'nai B'rith has been lavish in its praise of communism and communists. In the mid-thirties, they stood behind the AMERICAN COMMUNIST PARTY and in an account reported in the COMMUNIST DAILY WORKER, stated: "The Committee investigating minority parties heard Judge Rose, B'nai B'rith leader in Boston, testify that his organization (B'nai B'rith) believed that the Communist Party had the right to agitate peacefully for their principles." (The destruction of the United States. According to Article III, Section 3, of our Constitution, this constitutes an "act of treason.")
Some understanding of why Germany became so rabidly anti-Semitic in the 1930's can be gleaned from a B'nai B'rith report made in July 1937, which stated that before Hitler took over Germany, over 100,000 of the 600,000 Jews who lived there and were members of B'nai B'rith, were also Communists. The Germans rightfully detested communism and communists.

When the B'nai B'rith was finally banned in Germany in 1933, a strong protest came from Cordell Hull, our Secretary of State and from Samuel Cavert, General Secretary of the Federal Council of Churches (later to become the National Council of Churches.)

During the Spanish Civil War, which preceded World War II and was a communist attempt to take over Christian Catholic Spain, the B'nai B'rith used every opportunity possible to praise the communist forces in Spain and urged young Jews to join in the forces fighting Fascism. Some of America's most prominent Jews united in sponsoring a memorial meeting in New York City, to honor a 21 year-old New York Jew who had been killed fighting for the communists. Speakers included author of Anti-Defamation League literature.

This New York meeting was for the purpose of raising funds for the Spanish Communists who at that time were engaged in an orgy of rape, murder and destruction of Christian churches in Spain. Dr. Israel Goldstein, President of the Jewish National Fund donated $100,000 to the cause, while other prominent Jews who took part were Professor Morris Cohen, Felix. Frankfurter, Advisor to F.D.R., Max Lerner, editor of THE NATION, and Rabbi Louis Newman.

While the duty of Christians is to take the message of the good news of the Gospel to men everywhere (and this goes far beyond the limited message of personal salvation, it is not to condone Jewish anti-Christ activities as such, for these are under the curse of God. In 1 John 2:22, 23, we are given a very clear definition of who an anti-Christ is and then told that NO ONE, be he Jew, gentile, or heathen, can reach God unless they go through the Son, Jesus Christ.

Then a little further on in 2 John 7:11, we are again clearly told who these deceivers are. The B'nai B'rith crowd fits them perfectly. The name itself means "sons of the covenant," by this is meant the covenant of circumcision find verse 10 and 11 of 2 John, Christians are clearly told that if they "give aid and comfort to antichrists, in any way, they become partakers in their evil deeds." Christian, have you ever stopped to consider, that if you back the Jews in what they are doing in Palestine, then you too are responsible before God for the murder of innocent Lebanese women and children? THINK ABOUT IT VERY SERIOUSLY!!!

For centuries, there has been in Europe, Palestine, and Babylon before it - some sort of organized Kehillah (the organization which exerts control over local Jews.) Some idea of the political power and submission enforced by these Kehillahs can be gained from this report in the December 1937 B'nai B'rith Magazine: "Three Jewish owned firms from New York City, charged with violating the boycott against German goods, declared their readiness to abide by the decision of the Arbitration Committee. This committee was composed of representatives of the firms, and the Joint Boycott Council and an impartial Chairman. The Committee found the three firms guilty and fined them $75,000, to be paid to Jewish charity. They were accused of buying furs from Germany." (Remember, this was not a legal court, but a Jewish court.)

It has become difficult for Christians to put their faith in the word of converted Jews, since so many of them have betrayed Christianity. A good example was Roman Catholic Archbishop Franz Cohen, who lived near the end of the 19th Century. He was not a convert to Catholicism, since he was born into a Catholic family of Jewish descent. On his death bed, he left his considerable estate with its revenues to the Jewish people of Komeriz.

Incidents of racial fidelity superceding that of loyalty to Christ, once caused the reformer Martin Luther to say that if he baptized a Jew he would want to hold him under the water until he drowned, to be sure he would not recant. I have personally observed many converted Jews, in numerous churches. They attend all the business meetings, taking voluminous notes and often tape the proceedings. The church members have a tendency to say: "They make better Christians than us
non-Jews." Yet over and over again, I have seen these same people as their Jewishness came to the
surface and they caused trouble in the churches. Often then they become "thorns in the side of the
Christians" who have befriended them. Could these possibly be the Jews spoken of by our Lord in
Revelation 2:9; 3:9? "Those who say they are Jews, and are not, but are of the synagogue of Satan."
(Don't get angry with me, those are not my words.)

That Zionism has always been socialist-communist oriented is a fact which needs little clarification,
since it has been proudly admitted by many Jewish leaders. Yet we Christian Americans have been
fed the Jewish fable that the Israeli State in Palestine is a Democracy, when it is run strictly on
socialist principles, by men who have been trained in the methodology of communism. As all other
socialist states, it has proven beyond the shadow of reasonable doubt that it cannot survive on its
own, because it is a parasitic organism.

One reason for this strong socialist control can be found in the fact that the founders of the Jewish
State were all socialists or communists. They were the product of the turbulent restless
revolutionaries and socialists who uprooted the Christian government of Russia and made slaves out
of its people. Their contrary ideas were reported by Jewish author Oscar Levy when he said: "We
who have boasted and posed as the saviors of the world - we have been nothing else but its
seducers, its destroyers, its incendiaries, its executioners ... it Is our (Jewish) morality which has
prohibited all real progress, and what is worse - which even stands in the way of all future and
natural reconstruction in this ruined world of ours. I look at this world and I shudder at its
ghastliness; I shudder even more as I know THE SPIRITUAL AUTHORS OF THIS
GHASTLINESS!" (Emphasis mine.)

The Jew Samuel Roth wrote: "We come to the nations pretending to escape from persecution and
we are the most deadly persecutors in all the wretched annals of man."

Over and over again, it has been proven that B'nai B'rith, Zionism and Communism are bosom
companions, walking the same path towards world domination. Professor Goldwin Smith, Professor
of Modern History at Oxford University put it in these words. "We regard our race (Jews) as
superior to humanity, and look forward not to its ultimate union with other races, but to its triumph
over them." This is teaching straight from the pages of the TALMUD. In Volume MIDRASCH
TALPIOTH (22), WE READ: "Christians were created to minister to Jews." In volume ABODAH
ZARAH (26b) it states: "Even the best of the goyim (non-Jew animals) should be killed"; in
Volume ZOHAR (11, 43a): "Termination of Christians is a necessary sacrifice." So much for Jewish
claims of "brotherhood with Christians."

The Jewish Zionist leader, Chaim Weizmann once said: "Perhaps there is something in Marxism
which personifies the teachings of the Jewish prophets. In the Histadruth (General Federation of
Labor, in Israel, organized in 1920) I find only a harmonious synthesis of these teachings ... The
socialists will administer the cities of the future Palestine." One of the major Communist leaders in
France, Leon Blum, has been recognized and honored by B'nai B'rith. In one of their many book
reviews, covering LEON BLUM: MAN AND STATESMAN, they say: "As Leon Blum's life
unfolded, we see the Jewish strain in him that never faded. He grew up in a Jewish household; he
was nurtured by a Jewish mother: for years he ate Jewish cuisine in the Jewish way. He breathed a
Jewitage atmosphere." And, following his Jewish teachings, he became France's leading communist.

B'nai B'rith members who have been contributors to communism include, but are certainly not
limited to such prominent Jews as: Justice Louis Brandeis, Isaac Max Rubinov (National Secretary
of B'nai B'rith. (He was also a board member of the notorious communist Commonwealth College,
which was kicked out of Mena, Arkansas when a State Legislative investigating committee revealed
that they were engaged in teaching atheism, nude bathing, and engaging in "free love" activities,
plus being thoroughly "red".) Other Jews were Albert Einstein, Norman Thomas, Sidney Hook,
Thomas Mann, Sinclair Lewis and Sigmund Freud.

The main and continual refrain of B'nai B'rith is Jewish solidarity, which MUST be maintained at
even the risk to the safety of America; Israel comes first, no matter what. These are dual-loyalists whose first concern is the safety of the Israeli State. Under no circumstances can you expect them to be for AMERICA FIRST! Regardless of religion, politics and nationality, B'nai B'rith urges Jews to keep themselves separate and in a solid front against the world. If this includes America, that is "just too bad!"

While Christians have been enjoined in 2 Corinthians 6:14 to not be "unequally yoked together with unbelievers... vs. 17 - wherefore come ye out from among them and be ye separate . Apparently Jews believe this, while most Christians only give it "lip service."

While the B'nai B'rith has publicly announced: "in every country, there are very few Jews in the communist movement," the opposite is true. Over $2-million was raised by this organization's Anti-Defamation League and the Hillel Foundation, to cooperate with the National Conference of Christians and Jews. This was on the surface, a movement to create good will between Christians and Jews. But ask yourself a simple question. "Why was it necessary to spend so much money to create good will, if there was not some justifiable reason for ill will in the first place."

I recently ran into a rather shocking example of how the Jews create "ill will and trouble for themselves," by their being as the Apostle Paul said: "contrary to all men." I received two brochures from the Temple Aron Kodesh in Ft. Lauderdale, Florida, written by Rabbi Harvey Koelnner. Without a doubt, Rabbi Koelnner is a member of B'nai B'rith. One of these pamphlets was titled GOD DOES NOT HEAR THE PRAYERS OF CHRISTIANS and said in part: "It is only the Jewish people who God has picked as His chosen people whose prayers He hears and blesses them. The Christians committed the ultimate sin against God by making up a fictional story about some guy named Jesus being the Son of God, and being God Himself. This is a complete and utter blasphemous lie! It is an absolute insult to the Lord who created heaven and earth to believe that He ever had a Son .

"Our prisons are bursting at the seams with scumbag Christians who have committed the most atrocious crimes - murder, rape, incest, assaults, holdups and robberies. The most horrible crimes against mankind are those committed by Christians who believe in Jesus. (He does not explain MURDER INC., in the U.S. which was Jew led; why Jews head the dope, liquor, prostitution and pornography rackets, and why they murder innocent women and children in Lebanon.)

"There is no redeeming value in Christians who continue to wreak havoc on the world. (It has been adequately proven, that Jews were responsible for both World War I and II and they have publicly bragged about it.)

"Christians are animalistic. (This is what the TALMUD teaches.)

He then goes on to say that millions of Christians are turning to God by renouncing Christianity and becoming converted to Judaism.

But here is an interesting thing. In the second pamphlet, he contradicts himself when he states: The Jewish people do not seek converts, since Judaism places its emphasis on quality, not quantity.

The radical controlled National Council of Churches receives heavy support from B'nai B'rith and has been in the forefront of bringing about cooperation between Christians and the anti-Christs. The National Council of Christians and Jews, a brain child of this unlikely union, aims at transforming the attitudes of individuals and churches from a Scriptural hatred of evil and evil men, into absolute compromise with the forces of Satan. They are following Lenin's admonition that the best way to reach socialism and communism is through a democracy, which will bring about a "dictatorship of the proletariat." (a communist term for the lowest social economic classes in a country.) We can see how this has already taken place in most countries of Christendom via the new found power of the welfare vote.

Most of the newly formed Communist States have been called "democracies," which has thoroughly mis-led most naive Americans. Since its beginning, the B'nai B'rith has cooperated fully in this
program of mental subversion. They have also taken a leading part in the promotion of Brotherhood Day celebrations in many areas, working closely with their subsidiary the A.D.L. Their propaganda has been sent to over 50,000 pastors, 600 college campuses and has been seen in more than 200 leading newspapers and magazines, as well as over radio and TV.

With a "war chest" of over a million dollars each year, they pressure Christian propagandists such as Jerry Falwell and Jimmy Swaggert to do their dirty work within Christian ranks. Of course their brother Reds defend communism without payment, but many of the Christian electronic evangelists have lucrative TV programs because they "worship the golden calf of Zionism."

In Ezekiel 22, 25, 27, we are told of a "conspiracy" of the prophets in the midst of Israel (the nations of Christendom), where the priests (pastors) have violated God's law, and have destroyed souls, to get dishonest gain. Whenever you find a pastor or evangelist who is willing to twist the Word of God around to fit his own special brand of religion, so as to attract followers and make a lot of money, then you know they are in this category. Listen to men like Falwell and notice how he literally worships the ground the Jews walk on. At one time he called the Jewish terrorist and murderer, Menachem Begin, "the most Christian Jew I have ever met." Then notice how a lot of their TV time is always taken up with pleas for money and yet more money!

The Congressional Committee which investigated Communism back in 1931, before Congress became a sponsor of Communism, issued House Report #2290, which stated on page 14 - "A large portion of all communist district organizers are of Jewish origin. Composition of Communist membership of foreign origin in the U.S., as estimated by the foreign press, shows Jews in the forefront... The largest daily Communist newspaper is the MORNING FREIHEIT, published in YIDDISH, in New York City."

The power of B'nai B'rith reaches out with its slimy fingers to influence the U.S. Chamber of Commerce. It exerted enough pressure on this national organization of businessmen, that they changed their first edition of a booklet on communism, to omit mention of Jews in places of communist leadership.

The only difference between socialism and communism is in the matter of leadership. They both strive for the same goal as International Zionism, a One-World Government under World Zionist control. Both were founded by anti-Christ, class struggling Marxist Jews, who are following the basic tenets of the TALMUD in their struggle for world power As one goes into an honest study of the roots and background of Communism, you begin to understand Rabbi Stephen Wises' declaration in 1921: "Some call it Communism: I call it Judaism!"

While Jewish leaders in the U.S. scream that few Jews are Communists, the truth of the matter, judging from Scriptural methods "By their fruits shall ye know them," - prove otherwise!

According to Jewish sources, such as the periodical JEWISH LIFE, there are three federated Jewish groups in America who represent the vast majority of Jews in this country. They are (1) the AMERICAN JEWISH CONGRESS; which is completely controlled by world Zionists; (2) THE JEWISH LABOR UNION; and (3) THE JEWISH PEOPLES COMMITTEE.

AMERICAN JEWISH CONGRESS (ZIONIST)

The majority of Jews in Palestine are Zionist-Socialists. Practically all the major leadership in that country since its inception in 1948, have had extensive communist and/or socialist training. Golda Meier, for-instance, the first Premier, received her communist training at the Eugene Debs Labor School, a Communist training center located at 113 East Wells St., Milwaukee, Wisconsin. Begin was a member of the Communist Polish Army, well trained in Communist terrorist tactics, before he became leader of the Irgun gang in Palestine in 1948.
Rabbi Stephen Wise, who headed the American Jewish Congress and was probably the most powerful Jew in America, like most Jewish leaders, had a long string of communist affiliations. He served as Socialist Party campaign chairman and actively aided the communist movement in the Passaic textile strike, where he served on the Red-aiding Civil Liberty Bureau of what is now known as the A.C.L.U. He also served on the executive committee of the National Religion and Labor Foundation, which distributes communist literature and atheistic cartoons.

THE JEWISH LABOR COMMITTEE
This committee was headed by B. Charney Vladeck, a Russian-born Khazar Jew who was a "dyed-in-the-wool" socialist and a member of the A.C.L.U., the Red Rand School, the left-wing pro-Soviet AMALGAMATED CLOTHING WORKERS UNION, a Soviet newspaper printed in Yiddish and had left-wing activities. He was highly praised in B'nai B'rith periodicals.

THE JEWISH PEOPLE'S COMMITTEE
This was headed by the communist William Weiner, head of the Communist Party's Fraternal Insurance Society and the INTERNATIONAL WORKERS ORDER.

The following quote from JEWISH LIFE concerning a convention held by this organization in New York City may be of interest: "Close to 1,000 delegates representing half a million American Jews participated in this National Conference . . . practically every walk of Jewish life was represented." When a Jew named Dr. S. Margolis, who was a reactionary and VP of Rabbi Wise's AMERICAN JEWISH CONGRESS stated that most of these representatives were from "left-wing and communist controlled Jewish organizations," the B'nai B'rith article said: "These Jews represented a cross section of American Jews."

Comrade Weiner said that his purpose was to "speed up the unification of the Jewish people so they can take their rightful place in the army of democracy." (Liberal "godeegook" meaning "communism.")

THE JEWISH LABOR COMMITTEE
The B'nai B'rith Magazine hailed a conference of the Jewish Labor Committee as "very large and important to the Jewish Socialist Labor element."

Rabbi Wise reacted in typical Jewish fashion by saying: "To show the world that we have great armies of labor is a very good thing, but to have the same world note that these hosts are largely of a radical frame of mind is something over which we Jews have been a bit squeamish."

In other words: "It's well for the Jews to prepare for world revolution, but don't let the dumb goyim know what you are doing."

While the vast majority of American Christians, innocently for the most part, have called these anti-Christ's God's Chosen, they continue their antichrist policies right under the nose of our church leaders, helped in no small part by the traitors who stand behind the pulpits of many of our churches who have been responsible for elevating them to their lofty perch.

If the Jewish organizations, all of which are radical, represented American Jewry, thirty-five years ago, you can imagine their strength today, when they are being fed by the "stupid goyim sheeple in
our churches.” The main obstacle to American Christians learning the truth concerning World Judaism, has been set up by the Anti-Defamation League of B'nai B'rith. This alien organization viciously attacks anyone with the courage to expose International Jewry's connivance. The Jews, being largely radical, have always attacked anti-communism as anti-Semitism. (This is what drove me to the truth in the first place!)

At the beginning of World War II, THE FREE PRESS of London, wrote the following factual statement regarding B'nai B'rith: "One of the most powerful Jewish Societies in the world is the 'Independent Order of B'nai B'rith' In Hebrew, this literally means 'Sons of the Covenant,' being that of circumcision. Founded in New York in 1843, the order was not established in England until 1910, but since then it has succeeded in gaining control over all Jewish organizations. Among its members today are Chaim Weizmann (the Zionist leader). Dr. J. R. Hertz, (Chief Rabbi of England), Mrs. Neville Laski (President of the Jewish Board of Deputies), and Israel Moses Sietff (well known Zionist and communal worker.)

"A short history of the B'nai B'rith in England, written by Paul Goodman, a past president, for private circulation among its members, gives a clear insight into the way pressure was put upon governments throughout the world in Jewish interests... B'nai B'rith is Zionist, it laid the foundation of the Jewish home and in the United States it is the power behind the President." (Remember this was written by a high ranking Jew, for Jewish ears only.)

He went on to state: "In political cooperation with the ALLIANCE ISRAELITE UNIVERSELLE and other national and International Jewish bodies, B'nai B'rith has for many decades been recognized as the representative of American Jewry in the protection of Jewish interests." He then went on to say that Russian Jews had been armed by world Jewry for their fight against the Russian Monarchy.

This can be further corroborated from THE JEWISH COMMUNAL REGISTER, issued in the New York City Kehillah in 1918. Schiff, the New York banker was listed with these words of praise: "Mr. Schiff financed the enemies (Bolshevik) of autocratic Russia." In fact, he donated $20-million which was sent by the hands of Leon Trotsky and a band of 243 "cut-throat" Jews from New York's Lower East Side.

If you are confused by why a wealthy banker would finance communist revolution, supposed to be a "revolt of the lower class against the wealthy, you should read this statement again, and then do some clear thinking for a change.

The writing of many Jewish authors summarize the Jewish desire for world control. Lady Queensborough (Edith Star Miller) says in Vol.2, of her book OCCULT THEOCRACY, published in France: "Whereas in Gentile life, there is a unbridled abyss between Conservatism and Anarchy, there is no such chasm in the Jewish mentality. All currents, no matter in which direction they flow, are finally united and channeled in one unique direction towards world power."

Over a hundred years ago at a World Assembly of the ALLIANCE ISRAELITE UNIVERSELLE in France, its founder, Adolph Cremieux stated: "The Alliance is not limited to our cult, it voices the appeal of all cults, and wants to penetrate all religion. .. Let us boldly proceed to bring about a union of all religions under one flag - One cult! One flag! Are the Protocols of the Wise Men of Zion anything but an expression of this truth?"

So we can safely say, that the force of world Judaism has always been and is now towards destruction of Hated Christianity, upon whose ruins can be erected the world government of PAX JUDICA!

WHAT IS THE ANSWER?
To concerned white Christian Americans, there MUST be an answer. I believe it is contained in God's Word and can be found in 2 Chronicles 7:14. "If my people, which are called by My name (ask yourself which group in the world is called by God's name - it most certainly is not the Jews), will humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven and WILL FORGIVE THEIR SIN, AND WILL HEAL THEIR LAND." (Emphasis added.) The pathway to this healing can come only through Jesus Christ. It will not come through arming ourselves, or laying in a large supply of provision for the hard times that lie ahead. These are merely sensible precautions. Our salvation will not come through organizations such as the CHRISTIAN PATRIOT'S DEFENSE LEAGUE, or ARYAN NATIONS, or what have you? These will be useless unless we first take God into consideration.

Probably one of the finest statements I have ever read, was that made by Gerald L. K. Smith, over 25 years ago. He was probably one of the greatest Christian anti-communist fighters of this century. In the May 1959 issue of THE CROSS AND THE FLAG HE WROTE:

"There is nothing in the universe despised and hated by Satan and his invisible army more than the name of Jesus Christ. When a man or woman believes in the name of Jesus Christ, confesses the name of Jesus and is baptized in that name, and agrees within his own soul, and in the presence of God, that from that day forward everything he does, everything he says, everything he plans, everything he desires, and everything he hopes for should be done in the name of Jesus Christ - then it is that Satan blows the trumpets of hell and summons forth from the caverns and the pits, and the fires, every ally at his command in order to put down the man and the men, the church, and the community, the state and the nation, that would put the name of Jesus Christ first in every undertaking, every move, every program and every battle.

Satan in these days has employed every seductive and deceptive force at his command, whether his imps appears as theological professors, public officials, modernist preachers, Jewish apostates, or whatnot, to the end that the name of Jesus Christ shall be left out. The slogan of this chaotic hour, the style of the modernist, the trick of the politician, and the plot of the international conspirator is: "Omit! Omit! Omit! the name of Jesus Christ . . . deny Jesus by neglecting to pronounce His name."

Thus we see on every hand the manifestations of Satan's victory in this respect. We witness the gatherings of so-called Christians and Jews, where to please those who have always denied the name of Jesus Christ, it is mutually agreed that all speeches made; all sermons preached; all prayers offered shall omit, omit, omit the name of Jesus Christ!

No Congressman must ever seek office as' a Christian, emphasizing Christian principles and national redemption in the name of Jesus Christ, or he shall be accused of offending the unbeliever, the apostate and the traitor.

No President, no Senator, no Governor, no individual in a position of power and influence must ever discuss the affairs of state, or the affairs of the nation, or the affairs of the world in the light of, and in the name of Jesus Christ. To do this is to bring down upon the individual the wrath, the scorn, and the contempt of those who have betrayed Jesus Christ in these latter days and for 2,000 years have justified by their theology and their doctrines His crucifixion.

Any man, whether he be an evangelist in a little white church, or a preacher in a great temple, who learned to love his Lord so much that he refuses to be seduced by the omitters and the compromiser s will find developing around him scorn, revengeful attitudes, bad accounts of his work in the newspapers, ridicule and persecution.

The world, the nation, the White House, the Congress, the community, the church, the people, can only be saved in this dark hour by public officials, preachers, evangelists, teachers, businessmen and professional leaders who are unafraid to do what they do in the name of Jesus Christ. (Unq.)

Why are organizations such as the CHRISTIAN PATRIOT'S DEFENSE LEAGUE despised and scorned in certain quarters? Why have those who cry out in its defense, who have become
"watchmen on the walls of America," who have become prophets of its philosophy, been subjected to so much wrath and scorn, resulting in riots, picket lines and murderous attempts to break up our meetings by Communists and Jewish extremists? The answer is quite simple: We refuse to discuss any political issue or any national problem, any world issue, except in the light of and in the name of and with due appreciation, the power of Jesus Christ. The most dangerous and powerful thing in the world today, is not the H-bomb, it is the name of Jesus Christ!

"That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

This is what the heathen and the Judaizers refuse to do. They hate the Christ and are sworn by their creed to destroy everything which honors Him - that means you, may Christian friend.

To back up this contention, I want to quote from a pamphlet which has been sent to me from TEMPLE ARON KODESH, Lauderdale Lakes, Florida, pastored by a Jew named Harvey Koelner and bearing the imprint of THE ASSEMBLIES OF GOD CHURCH, 1445 Boonville Ave., Springfield, MO 65802. I HAVE WRITTEN THE ASSEMBLIES OF GOD and they assure me that Koelner is a minister in good standing with the ASSEMBLY and that this pamphlet has been distributed by "extremist" Jews who are incensed at Koelner's ability to reach Jews for Jesus Christ. I hope this is true But even the ASSEMBLIES, which are favorable towards Judeo-Christianity, admit that this pamphlet comes from Jewish sources. Here are a few quotations from it that you should carefully ponder:

"What do Santa Claus, the Easter Bunny, and Jesus have in common? They are all myths and fairy tales which the Christians have created..."

Then after speaking about how children are hoodwinked by the myth of Santa and the Easter Bunny, both of which are pushed more by Jews than Christians, because of the money it brings into their coffers, they say: "And now comes the hoax of all hoaxes, the story of Jesus. There is absolutely no piece of physical evidence on earth that can prove that Jesus ever existed. There is no historical evidence that Jesus ever existed." Then they admit that a so-called Jewish renegade, established as one of the foremost Jewish historians, wrote about Jesus.

But they say: "There is however, solid, proven documentation which proves that the story of Jesus was a fictional story created by Flavius Josephus and the Romans. "The inner circle of Christian clergymen know the story of Jesus is fictional." (Interesting, isn't it?)

Then they speak at length about how Christian missionaries are snake oil salesmen for Christianity who intimidate, cajole and coerce in order to sell an inferior and shoddy product (Christianity). They say: "The Jewish people, on the other hand, do not have missionaries and do not seek converts, since Judaism places its emphasis on QUALITY not QUANTITY? (This sort of contradicts the teaching of Matthew 23:15, where Jesus speaking to the Jewish religious leaders of His day said "Woe unto you Scribes and Pharisees, hypocrites! for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two-fold more a child of hell than yourselves." Matt. 23:15. Now who are you going to believe?

They continue: "Judaism is a religion reserved for people of quality and excellence, (you should read their TALMUD some time and see what this excellence consists of - ED) those of superior intelligence and intellect who operates on a higher plane than most people. (Does this fit in with the TALMUDIC teaching that says that all non-Jews are nothing but animals? ED).

"I'm sure you must realize that most Jewish people are more intelligent, better educated, and more successful than Christians."

Then they go on to explain why there are so many wealthy Jews, whom they admit do control the nation's banks, insurance companies, major corporations and businesses, as well as the newspapers, radio stations, TV networks and of course the movie industry. Here is there answer!
"IT IS THEIR RELIGION THAT MAKES THEM SUCCESSFUL!"

Then having fired this big gun, they say: "If by now you realize that the Jesus story was nothing more than a fictitious myth, and sincerely want to change your life around for the better, then here is an OFFER THAT YOU CANNOT REFUSE!" (Religion put on a business basis!)

"FOR A LIMITED TIME ONLY, WE ARE OFFERING SINCERE CHRISTIANS THE OPPORTUNITY TO BECOME JEWISH!" My, my, what a tremendous offer. I wonder how many Jerry Falwells and Jimmy Swaggerts will be taken in by that offer.

"Become one of us, a Jew, and reap all the benefits." (For all intents and purposes, those before mentioned have done just that)!

They conclude this piece of literal genius by saying: "If you decide to convert to Judaism and do not find that your income increases ... that you are able to get a better job ... are happier and more successful in life, you can always return TO THE FICTITIOUS FAIRY TALES OF CHRISTIANITY. YOU HAVE NOTHING TO LOSE!"

This is what the average Jew, thinks of you as a Christian. You say: "I still don't believe it!" Then listen to this letter which was sent to Pastor Ben Williams, Pastor of America's Promise, Phoenix, Arizona, on the death of Pastor Sheldon Emry. The letter dated July 16, 1985 says:

Dear Pastor Williams:

Congratulations on the death of Christian Nazi Sheldon Emry! We prayed to the God of Israel for a painful and agonizing death for this Nazi Scum, and God answered our prayers. We applaud and rejoice to God for snuffing out the life of Nazi Emry who was a cancer to the entire world!

"God has assured us that Nazi Emry will take his place in Hell along with Adolph Hitler and Satan, and that the same fate will befall all of his followers. (That's you, my dear Identity brethren - ED).

"Pastor Emry, like Hitler, led a sick, perverted life dedicated to Jew-hatred and anti-Semitism, and he was stamped out by the God of Israel like the cockroach he was. Excrement flowed from Sheldon Emry's mouth and every pore of his body, and God flushed him down the toilet to Hell!

"All of your prayers to the False Messiah Jesus, the Bastard Son of Satan, are for naught! You will all experience similar fates!

"You, the Christian Nazis of America are to be cursed by God and deserve all the punishment that He has planned for you. Your blaspheming Christianity is an abomination to God and man, and the only true road to Salvation is contained in the enclosed tracts.

May Sheldon Emry Burn in Hell!

SIGNED: THE MESSIANIC JEWS

You can imagine the amount of screaming and carrying on that would take place if some Christian group had written a letter like this to say Rabbi Mark Tannenbaum. It would immediately have been taken as an anti-Semitic act, filled with hatred for all Jews. But Christians are supposed to take these insults from the self "Chosen Ones" and give back blessings for cursing. This is not what the
Scripture meant.

The Jewish Anti-Defamation League of the B'nai B'rith is the undercover agency of international Jewry. It has spent literally millions of dollars in attempting to discourage Christian Patriots everywhere, to cut off our revenue, deny us the right of free speech and free press, and separate our followers from their leadership. They have been eminently successful in the nations of Christendom and are now working on the United States. They will fail, just as their ancestors failed 2,000 years ago.

There is little doubt that white Christians must expect some Gethsemane days, weeks, and months. I have faced death and imprisonment before, at the hands of "heathen anti-Christ," I am not afraid of the "self-chosen." Mobs may come against us and the experts of character assassination do their worst, yet we will continue, God willing. We will survive; we will grow; and God willing, according to His Word, WE WILL BE VICTORIOUS! HAIL HIS VICTORY!!!

A turning point has been reached in America. This is why the enemy is becoming so vicious. He sees his grip on Christian America and Canada faltering. Satan knows he is "on the losing team." Revelation 12:12 tells us of a coming time when woe shall come to the inhabitants of this earth because "the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time." These days are already here. His time is short. as is the time of those traitors who are doing his will.

Identity truth is beginning to move like a snowball rolling down a mountain side. It is gaining size and momentum and I predict the time will come soon, when nothing, either the Zionist enemy, or their Judeo-Christian "stooges" will be able to keep this truth from our people.

When our White Christian people finally wake up and realize who they are and why they are on this earth, then the days foretold by the prophets of Israel will take place and, "judgment will run down as waters, and righteousness like a mighty stream," (Amos 5:24). In that day "true Israel" will become a blessing to all people, not the curse of world dictatorship, planned by world Judaism. When this day comes God will plant His Israel people "upon their land (America) and they shall no more be pulled up out of the land which I have given them, saith the Lord God," (Amos 9:15).

MARANATHA! Nevertheless come quickly Lord Jesus!!!

The End
"And ye shall know the truth, and the truth shall make you free."-- (John 8:32)

In 1914, at the annual dinner of the American Press Association, John Swinton, the editor of a well-known newspaper, was about to retire. In his retirement speech he said: "There is no such thing as an independent press in America, if we except those of the little country towns. You know this, I know it! Not a man among you dares to utter his honest opinion. Were you to utter it, you know that it would never appear in print. . . I am paid to keep my honest opinion out of the newspaper for which I write. You too are paid for similar services. Were I to permit a single edition on the newspaper for which I write, to contain an honest opinion, my occupation . . . would be gone in less than twenty-four hours. The man who would be foolish enough to write his honest opinion would soon be walking the streets in search of another job. It is the duty of the New York journalist to lie, distort, to destroy, to revile, to toady at the feet of Mammon, and to sell his country, and his race, for his daily bread, or what amounts to the same, for his salary. We are tools and vessels of the rich (International Bankers and their affiliates such as the C.F.R.) behind the scenes. We are marionettes. These men pull the strings and we dance. Our time, our talents, our lives, our capacities, are all property of these men - we are intellectual prostitutes."

These words are more true today than when they were spoken over 75 years ago. We do not have a "free press, in America. It is completely "controlled," and we hear exactly what the "masters," want us to hear.

For instance, Americans were never told that our last four big wars, World War I, II, Korea and Vietnam in which we lost 426,629 battlefield dead; 209,792 service related deaths and suffered over 1,131,435 casualties, which today are taxing the Veteran's Hospitals to overflowing, were not fought to defend the security of the United States, since it was never in danger. These wars were all "created" by the Internationalists, not only to line their pockets with unimaginable wealth, but to increase their control over our people and prepare them for their dream of a One World Government. The people of America gained absolutely nothing from these four wars, except death, suffering and an unbelievable debt which we will never be able to pay.

Someone once said: "The duty of historians to society is to seek and disclose the truth, but even more important, to relentlessly pursue the truth."

In 1947, the Rockefeller Foundation made a grant of $139,000 to the Council on Foreign Relations to prevent a repetition of what was called a "journalistic effort following World War I, to bring the public the truth. "It is a known fact, that the "big boys", who pull the strings of our government, cannot afford to allow the American taxpayer to know the truth.

It is a fact, known to many, that the Council on Foreign Relations (CFR) has put the clamps of censorship on any organization who examines too closely, and criticizes too freely, statements relative to America's basic aims in our last four wars. These would become so explosive, if known, as to pose a real danger to our national leaders. (The behind the scene leaders), and would blow the CFR out of power.

People cannot judge wisely unless they are informed, and the controlled media of America for at least the last seventy years, has done a masterful job of "mis-information" to the public. A mis-informed, or un-informed public becomes a real danger to our freedom, but is so much easier for the "masters" to control.

As far back as May 29, 1950, the photos of Sen. H.. Lehman, International Banker; Justice Felix Frankfurter, U.S. Supreme Court, and Henry Morgenthau, former Secretary of the Treasury (all
Jews), who were connected with the Internationalists, appeared on the front page of the Chicago Tribune. They were identified as the "Secret Government of the United States."

It is recognized by those in power that the public does not know what goes on behind the scenes. They know only what they see, and what they hear from the controlled media. It is so much easier for the "masters," this way. Their thoughts are shaped by the printed word and the all-persuasive media of television. The media, which has the skill, talent and knowledge to reach our people with the truth and make a tremendous contribution to our welfare, have for the most part "sold their soul" for the almighty dollar, and in the words of John Swinton, have become "intellectual prostitutes," for the International gangsters who seek to control us.

It has always been the "liberal Democratic imperialist," who have been responsible for getting America involved in war. These men play with human lives, as pawns in a game of international chess. War has become the "bloody sport," of the super-rich, the International schemers who are the only ones who benefit from them. It has always been so!

As Americans are worn out by the daily struggle to make a living; this struggle brought on by the machinations of these same men, they are mesmerized and soothed into a comfortable lethargy by the sirupy sedatives put out by television, radio, the newspapers, and of course Zionist controlled Hollywood.

Because we Americans, for the most part have been seduced by the "opiate of religion," (And yes, Lenin was correct when he said: "Religion is the opiate of the people" - religion, not Christianity). Into the so-called nobility of "total tolerance", we have allowed ourselves to be educated into ignorance. In no areas of American life, is this more visible than among that group who call themselves JudeoChristians, and who go contrary to the very Word of God Himself, whom they profess to adore. ". . . shouldest thou help the ungodly? and love them that hate the Lord? Therefore is wrath upon thee from before the Lord." (2 Chron. 19:2). Not written for Twentieth Century Christians, surely? God must have had someone else in mind when He had those words penned!

It is almost as though the majority of our people accept the axiom: "What you don't know, won't be able to hurt you.

The Prophet Jeremiah prophesied of this over 2600 years ago, when he said in (Jer. 5:31) - "A wonderful and horrible thing is committed in the land; the prophets prophesy falsely, and the priests bear rule by their means, and my people love to have it so; and what will ye do in the end thereof?"

The Jerusalem translation puts it this way: "monstrous, horrible things are happening in the land. The prophets (pastors) prophesy (preach) falsely, and the priests (politicians) teach what they please. And my people love to have it so but what will they do in the end of it?" Yes, what will we do when the "chickens come home to roost?"

The intellectual stupidity of white Christian Americans has played into the hands of our enemies, until today we stand on the edge of slavery and annihilation as a race.

At one time America was protected by a Great Document which was popularly called the MONROE DOCTRINE. This doctrine reflected the sage advise of our first Christian president George Washington, when he warned the American people to "Avoid entangling foreign alliances."

The Monroe Doctrine did that for years. It was first enunciated on December 1, 1823 and served us well, until president Theodore Roosevelt first abandoned it in 1906 when he took sides with France and England against Germany at the request of the International bankers who had put him into office.

When Kaiser Wilhelm finally realized how he had been tricked, he demanded that Moroccan ports be kept open to German shipping and since France and Britain were not ready to go to war at that time, they capitulated.

Again, a second time, "Teddy" Roosevelt abandoned the Monroe Doctrine and supported France and England in their aim to encircle Germany. A few years prior to this, the Inter-national Zionists,
in a Conference in Switzerland, revealed the fact that they had accumulated a war chest of some $2-
billion for the purpose of destroying Christian Germany. This was a long time before a man named
Adolf Hitler came on the scene. The overall plan for world Zionism was to first destroy Christianity
in Russia. They accomplished this with their Jew controlled Bolshevik Revolution in 1918.
Germany's time was to come later, after further preparation and further Zionist seduction of the
Western Christian nations. The destruction of these two great Christian nations in Europe, were in
preparation for the Zionists final assault against Canada and the United States, and the setting up of
the Zionist One World Government.

The major propaganda attacks against Germany began with Jew controlled attacks in the English
press in 1907, when a German Jew named J. Ellis Barker-Ellsbacher, an author and journalist led
off the attack.

When Winston Churchill complained that Britain could not safely attack Germany, as long as food
and raw materials flowed into Germany, he appealed to Theodore Roosevelt, then President of the
United States, who brow beat Congress in 1907A)8 into agreeing to a reciprocal Trade Agreement
with every nation in Europe with the exception of Germany.

For the third time in four years, President Roosevelt, abandoned the Monroe Doctrine, to stick his
nose into European affairs and pull the "chestnuts out of the fire," for England. Probably no man in
American history, was more to blame for setting the foundations which led to a period of American
Imperialism, which eventually led us into WWII, Korea, and Vietnam, than "Teddy" Roosevelt.

In 1912, a Machiavellian character named Col. Edward House appeared on the political scene in
Washington. His father had emigrated from England and become a banker in America. No one
heard of Edward, until this time, when as a paid agent of the Rothschild International banking
interests in Europe, he set the machinery into operation for the electing of an American President
who would set the ground work for Zionist control over our economic system.

After a secret session with a scholar, but inexperienced politician named Woodrow Wilson, House
informed his banker employers that Wilson was safe and was the man to carry out their scheme to
control American economics. Then began the battle to nominate Wilson as the Democratic nominee
for President. It began with Charles Murphy, and the Democratic delegation from New York. After
45 ballots, the Convention was deadlocked, until Murphy capitulated and swung his support to
Wilson, who was nominated on the 46th ballot.

Wilson took advantage of the Jewish passport conflict with Russia. Russian Jews who had
emigrated to the United States and became American citizens flocked to his aid, with both money
and votes. Many of these Russian Jew immigrants, had returned to Russia, where in 1917-18, they
became the nucleus of the leadership in the Bolshevik Revolution which overthrew the Christian
government of Russia and issued in years of "terror."

When President Taft refused to accommodate the Jews, he was accosted by the Jewish leader and
International Banker Jacob Schiff (who had provided $20 million for the Russian Revolution) who
told Taft: "This means war!: and organized Jewry, such as the B'nai B'rith, swung their weight into
the fight to defeat Taft. Teddy Roosevelt helped, by organizing and running on a Third Party ticket,
which split the conservative Republican vote and allowed Wilson to become president. (For the
whole fascinating, but sordid story, write for my book THE GREAT CONSPIRACY).

While Taft was popular with a large majority of American voters. his American First policy had lost
him Jewish support and votes and when powerful Jewish leaders such as Bernard Baruch, and
Henry Morgenthau swung their support to Wilson, it was enough to get him elected.

It was at this point that International Zionist cunning became apparent. Wilson's first official act was
to sign the Federal Reserve Act in December 1913, which had been introduced to Congress by
another Jew flunkey. Senator Aldrich. who introduced the bill to the Senate. The Federal Reserve
System. is not Federal at all. but is made up of eight Jewish family banks. which gave the Zionists
complete control of America's economy. Remember, it was the head of the Rothschild banking family in Europe, Maurice Rothschild, who once said: "Give me control of the money of a country, and I care not who makes her laws!"

The American First Committee, which was active during World War II, and had such illustrious leaders as Col. Charles Lindberg, declared that never again would American boys be sent to die on foreign soil, or that American tax dollars would be used to bail out the International bankers.

But subsequent events proved that the Internationalists power in Washington was stronger than anyone suspected, and with the aid of TRAITORS in our Congress, both parties sold out to the control of the Council on Foreign Relations (CFR), the American branch of the One World conspiracy. It was under this control that we fought World War II, Korea and Vietnam; not to protect America; not to stop the spread of communism, but to increase the enormous wealth and power of the International gangsters who now control this country, and who are seeking to get us into a One World Government which they will control.

As far back as 1934, knowledgeable men knew that a war was in the planning stages for Europe and that it was to consist of aggression against Germany. Hitler had taken over dictatorial power in Germany in 1933, when he became Chancellor and although his enormous arms build-up was financed by International Jewish bankers (who financed both sides during the conflict), these same Jewish leaders were promoting their long range plans for world conquest, which included the destruction of Christian Germany. That they could make an enormous profit from this destruction, was an added bonus. While both the United States and Canada were objects in this attack, Germany was easier to reach and they already had control over England and France.

By December 1931, the Great Depression had "bottomed out" in America, with millions of Americans unemployed, and thousands of businesses going bankrupt. There was widespread frustration and even hunger among the American people. This created an ideal climate for communist and socialist elements who had been secretly infiltrating our country, who were by this time solidly embedded in our State and Agricultural Departments.

At the end of World War I, following the rather anemic administrations of Calvin Coolidge and Herbert Hoover, the Internationalists looked to a young lawyer they had boosted into the Governorship of New York State, Franklin Delano Roosevelt. He fit their image of a politician they could control, and they were enamored with this statement that the Constitution "belonged in the horse and buggy days." When FDR was elected President in 1932, he immediately ordered Congress to pass legislation which was unconstitutional, and when World War II began, he sent 50 American destroyers to England in complete violation of his Constitutional oath of office.

On August 17, 1941, the Machiavellian plot of the Twentieth Century went into effect, as Roosevelt began to apply planned pressure against the Japanese, which would lead them to an attack against America and lead us into the war. At this time, polls showed that at least 75% of the American people were against fighting a war on foreign soil. FDR in his famous "fireside" chats over the radio, said over and over again: "Oh," I hate wah and wil nevah send American boys to die on fowaan soil, nevah! nevah! nevah!" Yet while he made these promises, he was already planning to get us involved. The pressure against Japan, which drove this proud people into the attack on Pearl Harbor, began ten days before December 7, 1941 and cost over 3,000 American lives, initially. It was Roosevelt's order which held up information on this attack, until it was too late for the Army and Naval commanders at Pearl Harbor to plan their defense.

The plan which shoved Japan into war, was initiated by Secretary of War Stinson, who had earlier tried to push President Hoover into war with Japan. Stinson's plan was to assure the safety of the financial interests of the Internationalists of England, the United States, and of course, World Zionism, in the Far East.

Today, every November 11th, America celebrates Armed Forces Day, many still ask the question: "Did our sons and husbands really die to preserve American security." Unfortunately the answer is a
resounding "NO!" Of course it would be much easier to accept this idea, and this is the idea being promoted by the American Legion and the Veteran's of Foreign Wars. Unfortunately, it is not the truth! At no time since the War of 1812, has America's security been threatened by a foreign power. All our wars of this century have been fought for the benefit of the foreign elements who control our government. World War I and II were fought not only to enrich and add to the power of the Internationalists, but to provide a home base for world Jewry in Palestine.

During World War II, Hitler often showed a reluctance to attack England. At Dunkirk, Hitler's orders, contrary to the advice of his senior commanders, allowed 50,000 British troops to escape, when they could have been easily annihilated. There were other incidents as well.

While Germany has been touted in the Jew controlled media as a war mongering people, they have started far fewer wars than either the French or English. (Check your history books for the facts!)

Even Winston Churchill, who did everything possible to get us involved in World War II, admitted in 1936: "America should have minded her own business and stayed out of World War I. If you had not entered that war, the allies would have made peace with Germany in the spring of 1917. Had we made peace then, there would have been no collapse of Russia, followed by communism. There would have been no breakdown in Italy, followed by Fascism and Germany would not have signed the Versailles Treaty, which set the stage for Nazism. If America had stayed out of that war, all the 'isms' now sweeping Europe and breaking down parliamentary government would have ended, and if England had made peace early in 1917, it would have saved over a million British, French, American and other lives."

These were strange words indeed, from the man who in 1915, persuaded President Wilson to allow the steamship Lusitania, to be loaded with ammunition, leak the news to the German High Command, which immediately labeled it as a "ship of war." The German Embassy went to the trouble to take out a lull page ad in the New York Times, warning people from sailing on the Lusitania, since she was now considered a target for German submarines. But our State Department, criticized this news as German propaganda, and when the Lusitania was sunk on May 5, 1915, with the loss of 128 American lives, it was the impetus needed to get us involved in World War I. When the Balfour Declaration was signed in 1917, it gave Palestine into the hands of the International Zionists as a Jewish homeland, breaking Britain's pledged word to the Arabs and putting the Jews in a privileged position in Palestine.

In his book "The Zionist Connection," written by the eminent Jewish statesman and author, Alfred Lilienthal. on p. 737, he quotes the Jewish - American Ambassador to India, Edwin Montague:

"I would willingly disfranchise every Zionist. I would almost be tempted to prescribe the Zionist organizations as illegal and against the national interests . . . I have always recognized the unpopularity. much greater than some people think. of my community. We Jews. I have obtained a far greater share of this country's (England) goods and opportunities than "he are numerically entitled to. We reach, on the whole. maturity earlier. and therefore with people of our own age we compete unfairly. Many of us (Jews) have been exclusive in our friendships. and intolerable" in our attitude. and I can easily understand that many a non-Jew in England wants to get rid of us."

The Balfour Declaration was the beginning of our loss of friendship with the Arab people~ who had admired us for many years. It has cost the United States hundreds of billions of dollars in defense of the bandit state of the Israeli's.

It is interesting to note that International Jewish interests were in the forefront of the re-arming of Germany under Adolf Hitler and that the British concern of Vickers-Armstrong, Ltd., a large, Jewish owned English arms company, was a financial backer of the early Nazi Party and that its advertisements appeared in Pro-Nazi periodicals before the war began. In 1938-39, according to an article in FINANCIAL NEWS: "Most of the free exchange available to Germany came from the purchase of raw materials which were supplied directly by the British Government." In the 13 days before Britain declared war on Germany on September 1, 1939, they shipped to Germany, 17,000
tons of rubber, 8,000 tons of copper, and large quantities of nickel, tin, and lead.

It is also interesting to note, that in the years preceding World War II, Winston Churchill often spoke with admiration of Adolf Hitler. In one instance he said: "Having met Herr Hitler face to face, I found him to be highly competent, cool, well informed, a functionary with an agreeable manner." This is somewhat different from the picture painted by Hollywood, which always shows Hitler as a demented, "megalomaniac."

In an address at Chatham Hall, June 29, 1937, Churchill said: "I think it must be admitted that National Socialism has done a great deal for Germany. It has undoubtedly cleaned up Germany in the ordinary moral sense of the word . . . It has given discipline and order and a sense of purpose to a great majority of the young people who in earlier days did not know where to go or what they were living for." (This sounds almost like a description of the United States in 1990.)

In May 1935, Hitler sought to limit the use of poison gas, and incendiary and explosive bombs outside a combat zone. He received no response from England or France.

But it was impossible for International Zionism to allow a peaceful, but powerful Germany to exist, so they began their plans, which had first been laid down in 1902, to destroy her.

On June 12, 1939, the Polish Ambassador to the United States, Count Jerzy Potocki sent a dispatch to His Excellency, the Polish Minister of Foreign Affairs in Washington, about conditions in the United States, among things he noted were:

1 - An artificial war panic was being created by the Democrats.
2 - Roosevelt's expressed hatred of Fascism was nothing more than a "smoke screen" behind which he was seeking to divert American opinion from domestic problems, by creating a war panic and rumors of an European crisis.
3 - A particular group of people (Jews), Baruch, Governor Lehman, Felix Frankfurter, and Henry Morgenthau (all Jews), and other men highly placed in the American government, had allowed the Zionists to establish a dangerous center in New York City, from which they were disseminating hatred and enmity, attempting to divide the world into two warring camps.
4 - Roosevelt was given the power to create American Foreign policy and begin creating huge reserves of armaments for the future war the Zionists were planning.

While propaganda in America stated that one of the reasons for us going to war with Germany, was Hitler's persecution of the Jews, the Central union of German Citizen's of Jewish Faith stated on March 25, 1933: "All such reports are pure inventions. The Jews of Germany cannot be held responsible for these inexcusable distortions which deserve the severest condemnation. We must take an energetic stand against anyone attempting to criminally influence the shaping of Germany's future through foreign newspapers. If in the United States, and other countries, attempts are made by Jewish and non-Jewish circles to coerce the national government of Germany into a course of action, we, as German Jews, must oppose such blackmail attempts . . ."

It is also interesting to note that the extermination of tens of millions of Russian Christians by the Bolsheviks was never considered reason for the Free World to go to war against Russia. But when English author Douglas Reed, wrote his book DISGRACE ABOUNDING!, showing British guilt in World War I, it was turned down by his American publisher. He wrote:

"The real meaning of your decision is that you may slander and libel Germany as much as you like and be paid for it, but you must not discuss the Jewish problem, and must not even admit there is such a problem . . . One publisher, not a Jew, said that anyone who publishes it would court disaster, because 90% of the American media is Jewish, and Jewish influence extends in similar proportion throughout all the trades connected with publishing."

Yet in spite of evidence, piled on evidence, of Jewish control of the media in America, the "brainwashed" hordes of the Judeo-Christian churches still refuse to accept this established fact, and
still insist on supporting those who are dedicated to their destruction!

In the December 27, 1945 entry to his diary, Secretary of the Navy Forrestal wrote: "Played golf with Joe Kennedy, (U.S. Ambassador to Britain) He says that Chamberlain stated that America and world Jewry forced England into World War II."

Charles A. Lindberg, in his War Time Journals, stated that it was the Roosevelt Administration's Pro-British and the American Jews, who forced America into that war, a war which we lost, in spite of all historical accounts to the contrary.

As President Wilson, under extreme Zionist pressure, sought an incident to get us involved in World War I, so F.D.R. sought to involve us in World War II, under pressure from these same Internationalists.

Mr. Hamilton Fish, former Congressman from New York, said of the attack on Pearl Harbor:

"The shocking and amazing revelations of former Secretary Henry L. Stinson, prove conclusively that charges made by me, and other non-internationalists in Congress, that President Roosevelt and his especially selected cabinet of ardent military interventionists maneuvered us into war against the will of 80% of the American people."

It has always been interesting to me, to note that not one of these "ardent military interventionists," lost their lives in that war, nor were any of them crippled by it. Yet they sent thousands of innocent American youth to die in a politically motivated war which did absolutely nothing to help America. This is a crime for which these men should have to pay, for they are as bad war criminals. as any which were tried at Nuerenberg.

General George Patton, my Commanding Officer during World War II, once said of this war: "We fought the war of 1776 for independence. We fought the Civil War to free the slaves. We fought the war of 1918 to make the world safe for democracy (or so we were told) and we fought World War II, to lose everything we had gained from those other wars."

The important Jewish owned New York Times, con-firmed the fact that the United States fought World War II to destroy, with vast loss of non-Jewish life, immense property destruction and enormous expense, an ideology whose management had greatly improved the social and economic conditions in both Germany and Europe. But because they recognized International Jewry as the dedicated enemy of world Christianity, they had to be destroyed. This is the reason World War II was fought.

One of the major reasons this war was instigated was given by the powerful International Jew, Samuel Untermeyer, who joined with Bernard Baruch in promoting this war against Germany, long before Adolf Hitler came on the scene, or before there was any reported German atrocities against the Jews. He said: "I emphasized that the defeat of Germany and Japan and their elimination from world trade would give Britain (and the Zionist Jews who controlled her) a tremendous opportunity to swell her foreign commerce in both volume and profit." (THE PUBLIC YEARS, p.347).

Actually, World War II did more to harm Christianity than anything its most virulent enemies could have devised. People who were in the know, will never forget the unnecessary bombings of Dresden, Hiroshima, and Nagasaki, which came after both Japan and Germany were defeated and were suing for peace. These were "Jewish revenge" actions, reflecting the best Jewish traditions of their infamous religious book, the Babylonian Talmud. It will take a long time for the German people, and others who saw what happened, to forget the unreasonable hatred of the Swedish-American Jew, Dwight David Eisenhower, for the German people, which was responsible for the deaths of well over a million German soldiers and civilians after the war ended and they were deliberately starved to death on Eisenhower's orders. This is something that our Service Organizations such as the American Legion and the Veteran's of Foreign War. do not want to face. Eisenhower, the man who was made a hero by the controlled Jewish press, and then President of the United States, was as heinous a war criminal as any who were tried at Nuerenberg, and a lot more
liable than most. Yet such was the power of Jewish influence in the United States, that he returned from Europe as a popular hero.

Can there be such a thing as a righteous war, when Christians are taught in their churches, by church leaders, to hate Christian brethren on the enemy side? Can this be considered Christian, when these same church leaders support the anti-Christ enemy that caused the war and were responsible for the deaths of tens of thousands of American boys? I think not. These preachers need to take a long, sober look at the words of 2 Chron. 19:2 - "... shouldst thou help the ungodly? and love them that hate the Lord; therefore is wrath upon thee from before the Lord."

A few years ago Jerry Falwell, noted fundamentalist television preacher, and then head of the Moral Majority, said: "God has blessed America, because we have been good to the Jews."

This is an obvious, observable lie! An outright falsehood! The time of America's greatest derogation, in every phase of life: militarily; economically; educationally; morally, and spiritually, has come since we recognized that little "bandit" state of the Israelis in 1948. This country can never be blessed when it "helps the ungodly, and loves them that hate the Lord!" It will never be blessed as long as it makes agreements with anti-Christ nations, whether they be Red China, the Soviet Union, the Cannibal Debating Society of the United Nations, or the anti-Christ's in Israel. Think well on this truth, before you approve of another "hand out" to the Israeli.

Our pastors love to quote from 1 John 2:22, 23, which gives the definition of an anti-Christ: "Who is a liar but he that denieth that Jesus is the Christ? He is anti-Christ that denieth the Father and the Son. Whosoever denieth the Son, the same HATH NOT THE FATHER . . ." (Emphasis mine); You fundamentalists remember this, the next time your pastor urges you to help these "anti-Christs."

Then listen to the admonition given to Christians, as to how you MUST deal with anti-Christs of any kind: (2 John 10, 11) "If there come any unto you, and bring not this doctrine, (that Jesus is the Son of God), receive him not into your house, neither bid him God speed (give him no help in any way), for he that biddeth him God speed (gives help) is PARTAKER IN HIS EVIL DEEDS." This seems mighty plain to me! It means, Christian, that if you send financial aid to the Israeli, or even pray for their well being, God will hold you responsible for their murder of innocent Arabs in Palestine, and for their atrocities against a helpless people. Think well on these things and then try and get your pastor to give you a scriptural answer for the sin he commits, when he tells you to help the anti-Christs!

Any time a Christian gives aid to those who call their Savior "the illegitimate bastard of a Jewish whore, conceived during menstruation," as the Jews state in their Talmud, they commit treason against their God, against His Son, Jesus the King, and against everything they claim to hold dear and sacred! THINK ON THIS!!!

In all the many meetings that Jerry Falwell had with Menachem Begin, both in Israel and when he visited the United States, there is no evidence that Falwell ever talked to this butcher about his souls salvation, or showed any evidence of wanting to lead him to the truth. This is a hypocrisy of our modern churchdom!

Today, the media constantly drums into our ears the story of the "war mongering German Huns." Why do we never hear about the sins of Imperial Britain, or of America? We have plenty of them, believe me! I am of German heritage on my father's side, and English on my mother's. I am proud of both branches of my family, for they both come from Israel seed, the seed of Jacob-Israel. So I believe it is my duty to "expose" the evils of the British and American side. as much as that of the German's.

There have been no more war-like people in modern history, going back to 1600. than the British. They practically destroyed Irish culture and in one eleven year period. 1641-1652. over 500,000 Irish perished by the sword. famine and disease. In 1840. when Irish tenants could not pay rent on land they owned. the British overlords drove them into the streets to sta--e.
From 1841 to 1880, because of crop failures and deliberate starvation which had been forced on them by British policy which has killed tens of thousands, over 3-million Irish immigrants came to the United States.

In Scotland, British treatment under William Augustus Cumberland, son of King George II, was as brutal as that of Cromwell against the Irish. Cumberland became known as the "Butcher Duke" because of his ferocity and cruelty against a people who believed differently than he. Many of the finest and bravest soldiers in the American Revolution came from the Scottish emigrants who had fled the brutalities of England.

British treatment of India under the East Indian Company, owned almost exclusively by Jews, was not only unChristian but laid the foundation for the legacy of hatred towards all whites— which can still be seen in India.

In China, this same East Indian Company was responsible for the expansion of the opium trade and the Opium War was fought to prevent the Chinese from banning opium imports.

In South Africa, the British fought a totally unjust war for the benefit of international Jewry and powerful Jews such as Cecil Rhodes, who controlled the diamond mining. In 1795 and again in 1815, British troops invaded the Copeeland country and in 1899, British troops invaded the Transvaal, in a war which was cruel beyond description.

No, England's skirts are not clean; neither are those of France, Italy, or Spain, and certainly not those of the United States. Since we broke every treaty we ever made with the American Indian, all of us know the modern terror of communism, which in a little over seventy years, has murdered over 140-million people. Many of them Christian.

For over seventy years now, we Americans have been fed a "Jewish media fare" of hatred for Germany; we have been told that only America stands against the advance of Communism, and your own government has siphoned off hundreds of billions of dollars of America's wealth, to protect us, so they say, against this enemy. Yet on at least twelve major occasions since 1918, when this enemy of mankind and Christianity has been on the verge of economic collapse, it has been our government, using our tax dollars, who have put them back on their feet. We have fed them when they were hungry; we have shipped them our finest machinery and given them our finest technology. We have shipped them our emergency food, so that their men could stay in the arms factories, making weapons to destroy us, instead of working on the farms to feed their own people.

This, my friends, is the TREASON which has come from Washington, D.C. for the past seventy years, regardless of whether Republicans or Democrats have been in power. All are guilty! All should be made accountable to we the people." The U.S. Constitution defines treason in Article III, Sec. 3, in words which even a fifth grader can understand: "TREASON shall consist only of levying war against them (the U.S.); adhering to her enemies; giving them aid and comfort." If what the Bush Administration is doing now is not "giving aid and comfort" to the communists, then I fail to comprehend the meaning of the English language.

Now a little honest research into history and the Bible, will prove to the most stubborn fundamental religious mind, that the promoters and supporters of World Zionism, are not the descendants of Abraham. For the most part, 85% of those we know as Jews today, are of mixed stock, mostly Turco Mongolian by background, whose ancestors never set foot in Palestine.

These pagans were converted to a form of Judaism about 741 A.D. and are adherents, not to Mosaic Law, or the Codified Law God gave to Israel at Mt. Sinai, but of the occult, pornographic teachings of the Babylonian Talmud. Jesus constantly fought against these teachings which He called the "tradition of the elders," (see Matt. 15:6,9; Mark 7:7, 9, 13).

When the well known Jewish author, Oscar Levy was asked: "How much longer MUST we (white Christians) be inflicted by your people? How do you propose to get us out of the morass you have led us into?" His answer was:
"You are right! This reproach of yours, which I feel for certain is at the bottom of your anti-Semitism, is only too well justified; upon this common ground I am quite willing to shake hands with you and defend you against any accusation of promoting race hatred . . . We (Jews) have erred, my friend, we have most grievously erred. And if there is any truth in our error, 3,000, 2,000, maybe 100 years ago, there is nothing now but falseness and madness, a madness which will produce even greater misery and wider anarchy. I confess it to you openly and sincerely and with sorrow . . . We who have posed as the saviors of the world . . . We are nothing but the world's seducers, it's destroyers, it's incineraries, it's executioners. . . we who promised to lead you to heaven, have finally succeeded in leading you to a new hell . . . There has been no progress, least of all moral progress . . . and it is just our morality which prohibits all progress, and what is worse - which stands in the way of every future and natural reconstruction in this ruined world of ours. . . I look at this world, and shudder at its ghastliness: I shudder all the more, as I know the spiritual authors of all this ghastliness..." (From Levy's preface to THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, by George Lane-Fox Pitt-Rivers (July 1920).

I could literally quote hundreds of similar references from Jewish authors, concerning their own people and Zionist plans for a One World Government, with its headquarters in Jerusalem. (Our fundamentalist brethren say this is the fulfillment of prophecy, I say it is the fulfillment of the dream of the anti-Christ.)

To understand present Israeli feelings towards the Arabs whose lands they have mis-appropriated, we can quote the words of Menachem Begin, on October 28, 1956, at a Conference in Tel Aviv: "You Israelis (see Rev. 2:9; 3:9), you should never become lenient if you would kill your enemies. You shall have no pity on them until you shall have destroyed all their so-called Arab culture, on the ruins of which we shall build our own civilization."

The mentality behind this hatred can be seen in the statement by one of the Israeli's leading military men: "An Englishman will always be a filthy goy (a Yiddish word meaning: "non4ew animal") who can be killed for this reason alone.

Attempts to discuss Judaism or Zionism cause you to tread on dangerous ground. Have you ever wondered why Judaism and Jews are the only ideologies and people you cannot openly discuss, without running into accusations of anti-Semitism or racial hatred?

You can curse the Catholics, or the Protestants; you may make fun of the Moslems, or the Buddhists, but God help you if you so much as even inquire about the Jews. Truth always seeks the light. This is what Jesus meant when He said (John 3:19) ". . . men loved darkness rather than light, because their deeds are evil." Vs. 20 goes on to elaborate on this: "For every one that doeth evil hateth the light, neither cometh he to the light, lest his deeds should be reproved (exposed)."

One of the most dangerous of all Jewish organizations is the Anti-Defamation League, of the Jewish Masonic B'nai B'rith. They are for all practical purposes, a powerful secret police organization operating illegally in the United States as an unregistered agent of the Israeli government. They have become so powerful politically in this country, that for all intents and purposes, they have become an official part of the U.S. Justice Department. Congressmen who have had the "guts" to condemn their excesses have been purged from Congress and even powerful politicians, with "leftward leanings", such as former Senator William J. Fulbright of Arkansas, have not been spared. On April 15, 1979, Mr. Fulbright charged on national TV that "Israeli controls 80% of our Congress." That statement ended his political career, as powerful Jewish interests worked together for his defeat.

If you read your daily newspaper with care, you will notice that almost without fail, when there is a report of some anti-Semitic activity, you will find a paragraph where Mr. So and So, of the ADL states that this action came from a dangerous "right wing religious group." The recent rash of letter bombs is a good example. Before any police report was made, before any evidence was available, the ADL was trumpeting that these bombings were by a "racist, anti-Semitic hate group." And the
gullible public swallows this hogwash, "hook, line and sinker!"

A few months ago when there was a great furor over a proposed Nazi march through the "bedroom community," of Skokie, Illinois, which is largely Jewish, nothing was said about the fact that the "little Hitler" who was strutting around in his Nazi uniform, stirring up trouble, was a Jew. In fact a paid agent of the ADL. They are great at painting swastikas on the doors of synagogues, and blaming the opposition, and our gullible Christian population takes this abuse without flinching.

The ADL has been responsible for the passage of paramilitary bills in at least sixteen states. This prevents any group from meeting for the purpose of military type training. Yet such is the power of the Zionist lobby in Washington, that the Jewish Defense League, has training camps in many of these same states. and they are allowed to use illegal, fully automatic weapons in their training.

The ADL sends regular reports to the U.S. Justice Department. from their thousands of agents. listing people they consider dangerous to their philosophy. These usually include anyone of the Israel-Identity faith.

I have been honored by being on their 'black list" for years. A few years ago they published a pamphlet which was distributed nation wide. going into many of the churches affiliated with the National Council of Churches. This pamphlet was titled: What the Haters, Bigots. and Anti-Semites are Saying about the ADL. Here is what they said about me:

"Closely associated with the Identity Church Movement. retired Army Lt. Col. Jack Mohr now heads the CHRISTIAN PATRIOT'S DEFENSE LEAGUE'S Citizen's Emergency Defense System and lectures around the country on the need of armed citizen's groups for the defense of white Christian civilization. Thought to be involved in paramilitary training since 1979. Mohr conducted work shops on sabotage tactics at the 1984 ARYAN NATIONS NATIONAL CONGRESS, although he has more recently cautioned against violations of the law."

This is typical ADL 'twisting of the facts," to make them say what they want the public to believe. Ask anyone who knows me well, (and I will be happy to give you many references,) and they will tell you that I never traveled around the country organizing para-military groups. I did teach a class at the 1984 ARYAN NATIONS, showing how small groups could defend themselves against attacks by a superior force, but this was NOT A CLASS ON SABOTAGE!

They then went on to quote from my Quarterly Newsletter: THE CHRISTIAN PATRIOT CRUSADER, which by the way is a word for word accurate quote: "Today Washington is saturated with Jewish influence. Their Anti-Defamation League. which is an unregistered agency of the Israeli Government, operating illegally on American soil. has for all intents and purposes become a part of the Federal Justice Department. Their fingers can be found in every effort to downgrade and destroy Christian Patriots. They are the ones who have promoted para-military laws in at least sixteen states in America. . . Today in America, non-Jews, especially Christians, are being slowly but surely reduced to the status of slaves, just as predicted in the Jewish Talmud and their 'so-called fake Protocols.' "I reiterate every statement I made then!

At the present time, a young Republican State Representative in Louisiana, named David Duke, has taken on the present incumbent, Democrat Bennett Johnson, and is running for his Senate seat. The Jews and liberals hate Duke, because he has had the courage to speak up and "tell it like it is!" Something extremely rare in politicians nowadays. So the Jewish element is trying desperately to "head Duke off at the pass." Knowing this, it was of interest to me to note that the five most prolific supporters of Sen. Johnson, to date, have been Lou Wasserman and his cronies from Hollywood, the same unsavory crew that produced the abomination tided THE LAST TEMPTATION OF CHRIST. On the basis of this, one would think that the evangelical and fundamental Christians would flock to the Duke standard. But sadly, this is not the case. They have been so "brain-washed" by the pro4ew propaganda which is coming from their pulpits, that they would back Satan himself, if he was pro-Zionist. How very sad! It's sort of like committing "suicide!"
The Jews of today claim to be the "People of the Book," while at the same time they were the inventor of the "strip tease:" They claim to be pioneers of "plutocracy", while being the mainstay of communism. They originated the idea that they were God's Chosen, set aside by God to rule over everyone, while at the same time they are vociferously claiming to oppose all who are "Racist". They are supposed to love God, while they hate His Son, Jesus Christ (read John 14:6) - "No man cometh unto the Father, but by me (Jesus Christ)." Preachers trumpet this while supporting the God-man who said it. They claim to be the most cultivated people on earth, while they promote most of the filth we hear on the radio, or see on television and the movies. Their history is both comic and tragic; fascinating and repulsive. These, my Christian brethren, are the modern Jews, the one's our risen Lord spoke about in Rev. 2:9 and 3:9, when He said: "Those who say they are Jews and are not, but ARE OF THE SYNAGOGUE OF SATAN." (Emphasis mine.)

Must we meekly resign ourselves to a terrible slavery, because our political and religious leaders have meekly been brainwashed into accepting slavery and because they refuse to accept scriptural truth? I think not!

Already the tide of truth is beginning to turn. Men and women by the thousands are leaving the conventional churches because they know they are not being told the truth. These are now seeking Bible truth for themselves, without some "brainwashed" seminary trained preacher, telling them what the Bible means. They are learning the truth of Jesus' words in John 8:32 - "And ye shall know the truth, and the TRUTH SHALL SET YOU FREE."

Why is it, do you suppose that Jewish leaders are so upset with those who are bringing the truth to light? Why are men like Ernst Zundel in Canada, being persecuted by a "Jew scared" government, into an intense persecution of a man who is only trying to tell the Canadian people the truth? If the Jews are in the right, why do they so viciously oppose any attempt to reveal the truth? It would seem to me they would want to be in the forefront of this revelation - if they were telling the truth!

Our Congress has become the "paid prostitute." of the Zionists and I say this with certainty. It is not a "tongue in the cheek statement, but a reality! The liberal New York Times published a detailed press investigation on the methods used by the pro-Israeli lobbies to influence presidential elections in the United States. This study revealed that pro-Israeli organizations, called "Political Action committees," have allocated $4.2-million to buy the minds and votes of our Senators and Congressmen.

They spend this sum according to a very precise and calculated procedure, so that every dollar they spend is guaranteed to produce a maximum return.

The sum of $575,000 was handed to members of the Senate Foreign Relations Committee, which backs without reservation, every act of the Israeli government.

It is also paid to new candidates, those who are willing to oppose the few, who do not take orders from the Israeli embassy in Washington.

A total of 189 members of Congress have received contributions from the Israelis; 29 of the Senate and 154 in the House of Representatives. The largest sum, $147,870.00 was paid to Paul Simon of Illinois, when he ran against Sen. Percy. (Percy was one of the Senators who had roused Zionist ire by being critical of the Israeli government). Another sum of $140,063.00 was paid to Carl Levin, not because he was a good Jew, but because he was a member of the Congressional Military Committee and was able to siphon more aid to the Israeli.

When Sen. Jesse Helms of North Carolina, provoked the Zionists wrath as a member of the Foreign Affairs Committee, the pro-Israeli lobby paid $130,350.00 to his rival, James Hart, in an attempt to unseat him.

It is not at all unusual for the Zionist lobby to grant a member of Congress $100,000, as long as they are willing to back Zionists interests. Other goodies, include all-expense paid trips to Israeli for the Congressmen and their families.
These expenditures are good business for the Zionists, since for their payment of $4.2-million, they get back much more. As much as $3-billion per year, plus all the goodies that come from American Jewry and the "brainwashed" Christian world who have been "suckered into support of their enemies."

One thing is crystal clear. That is that while the Israeli are not our 51st state, as some declare. Rather, our Congress is under "occupational control" of the Israeli. In fact "they are the best Congress money can buy!"

As this manuscript goes to press, the U.S. Senate has passed the "Hate Crimes Statistic Act," by a 92-4 margin and is waiting for the House to pass it. This legislation was inspired by the A.D.L. and would require states to submit records to the Federal government, of any crimes motivated by "prejudice."

These would not only include serious crimes such as "assault," but minor misdemeanors such as "property damage," "vandalism," and the undefinable offenses of "intimidation," and "thought crimes."

The purpose of the ADL is to fill Federal data banks with information on all persons and organizations who are "prejudiced" against their drive for control, thus alerting law enforcement agencies nationwide on any of these activities. If the ADL had its way, anyone they accuse of "prejudice," would be accused, tried, convicted and imprisoned.

Is there need for such a law? In most cases the Justice Department has a hard time determining if a regular crime has been committed, not to mention putting a "prejudicial label" on it and they would wade into the murky bogs of "motivation," which is supposed to be the field of psychiatry. The psychiatrists can mess this up well enough, without having the law involved.

To further complicate the matter. Who is to decide what "prejudice" is? Will it be the "Gay Rights Groups?" The biased ADL? Will they call Christians prejudiced because we believe the scriptural injunction of Romans 1:28-32, which says that homosexuals are "worthy of death?" Jews accuse Christians of prejudice, because we believe the New Testament account of the Messiah. Blacks accuse us of prejudice is we state that "inter-racial" marriage is wrong. When Christians do something the enemy does not like, it is always "prejudice". But when they do things to destroy Christianity, it is "justice." Have you noticed in the media, how any Palestinian action against the Israeli is always called "terrorism"; but when the Israeli invade a man's home, kill his family and bulldoze his home, it is called "Jewish justice."

You see, my Christian friend, if you can be accused of "prejudice" because you disagree with what world Zionism is doing, then the "thought police" have the right to probe your inner motivation and you can be hauled off to a psychiatric center for mental evaluation. Shades of Orwell's 1984! It is already here!

In Sweden this idea has already taken such hold, that if you criticize a "queer" in public, you can be thrown in jail. Things have become almost as bad in Canada and are fast approaching this point in the United States.

When Dr. Paul Cameron went to Canada recently to hold a seminar on "homosexuality," his books were confiscated by the Canadian government.

In 1984, when I went to British Columbia to speak for the CANADIAN LEAGUE OF RIGHTS, on the subject THE BRAINWASHING OF CHRISTENDOM, $5,000 worth of my tapes and literature were confiscated as "hate literature," because some of it was "anti-Zionist." Now all my tapes, books, and printed literature is on their "verboten" list, although much of it does not mention Jews, Judaism or Zionism. Such is their power in our neighboring country.

What we see happening are laws being passed which expand freedom for the "fringe elements" to legalize their nefarious activities. while clamping down on the Christian elements who are concerned for the welfare of the country. We see the law leaning on the side of the "real racial
haters," while those who love God and their country are persecuted!

For the average Jew, all this boils down to: "Us against the hated goyim (non-Jew animal). How can we outwit the goy? How can we eventually control him, while making a profit off his misery. For we know that when our Messiah comes, according to our Talmud, the goy will be our slaves." That is Jewish mentality, taught in their synagogues, and to their youth. The Orthodox Jew still employs the curses of the Talmud against Christians. This includes the belief that "the best of the goy deserves to be killed," (Abodah Zarah 26b).

The "Bitter-sweet" curses of the Jewish Talmud provide a consolation to the Orthodox Jew, for they believe that ultimately they will be avenged on the hated "goy".

The TOLDOTH JESU, one of the vilest rabbinical rantings against our Savior, Jesus Christ, is as popular today as it was in medieval times. The TOLDOTH JESU claims that "Jesus was a bastard son, of a Jewish prostitute named Mary"; that he performed his miracles through sorcery. It tells the story of the struggle between Jesus and Judas, of how they tore leaves from a holy book, and by holding them under their arms, were able to fly. Judas used two leaves and was able to fly above Jesus, from where he urinated on him, causing him to crash to earth. (Their words, not mine).

It tells how Jesus was crucified on the stalk of a cabbage tree, and His body was thrown into a drainage ditch. I doubt that even the most rabid Nazi elements in this country could come up with a more bitter and hateful treatise.

Orthodox Jewish rabbis in Palestine, constantly exhort Jewish troops to kill Palestinian men, women and children. It has become so sickening, that many Jewish soldiers have deserted the armed forces in disgust.

According to the latest FBI Crime Report, while Jews make up less than 3% of the population in this country, Jewish terrorists are responsible for twice as many violent "hate crimes," as the White Supremists. Yet that is not what you see in the media, or hear on your "boob tube". The message from the media is loud and clear, "Christians hate!" "Jews suffer!" so we must protect them!

Congress is no more capable of defining a "hate crime," than they can define the meaning of "anti-Semitic." But you can bet, that unless concerned Christians take a stand on this "hate" issue, our "bought and paid for" Congress will saddle us with another Zionist program, and the Christian suckers of fundamentalism will swallow it "hook, line and sinker!"

Protest to your House members now, while there is still time to head it off. If it passes, you will give BIG BROTHER the authority to probe the minds of Christian Americans and prosecute them before a crime has even been committed. You can make "book," that the psychiatrist who check you out at the government clinic, will be a Jew.

The question really boils down to this. Who do you choose? Jesus the King and His truth, or the Jewish fables which will lead you into slavery.

Listen to Titus 1:10, 11 - "For there are many unruly and vain talkers and deceivers, SPECIALLY THOSE OF THE CIRCUMCISION (Jews): whose mouths MUST be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's (money's) sake."

Vs. 13, 14 tells what you as a Christian should do: ", Wherefore rebuke (expose) them sharply, that they may be sound in the faith: Not giving heed to Jewish fables, and commandments of men, that turn from the truth."

Therefore, brethren: "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16)
INTRODUCTION

For some time now I have agonized over writing this short book. In spite of what some may think, I do not like to belabor my listeners with harsh reality. It is much easier to tell them like some of our pastors do: "Something good is going to happen to you today!" rather than as Jesus did when He said, "I tell you Nay: but, except ye repent, ye shall all likewise perish." (Luke 13:3) Our American people, especially White Christians have become adverse to anything that is negative, it is looked on as a sort of sin.

This is nothing new, for at the time of Isaiah, about 713 B.C. the Israel people were telling their religious leaders: "Which say to the seers, see not; and to the prophets, prophesy not unto us right things, speak unto us smooth things, prophesy deceits." Our White Christian people like to be fooled by smooth words today, as much as when this was written 2700 years ago.

My fear of God, is much stronger than the words or actions of mere men, so I must abide by His command in Ezekiel 33:6 - "If the watchman see the sword (danger) come, and blow not the trumpet, and the people are not warned; if the sword come and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand." (Emphasis mine). Since God ordained me as a watchman, I don't know why, as there are many times I don't like the watchman's negative message either, I must abide by His Word.

Whenever I have written a treatise exposing Jewish hostility towards Christ and His church, the Judeo-Christian world has immediately answered with some type of diatribe: "Here Mohr goes again, with another of his asinine Jewish Conspiracy theories." There is a world-wide conspiracy to destroy White Christian Civilization, whether you want to accept it or not, and I hope to expose it before this book is finished, by quoting directly from the horses’ mouth or from Jewish sources.

Even religious experts like Jack Van Impe, Jerry Falwell, Pat Robertson, and David Webber who are avid Christian Zionists, if there can be such a misnomer, who consider me to be an apostate religious reprobate, because I accept Christ's evaluation of the Jews in John 10:26, when He told their religious leaders face to face: "But ye believe not, because ye are not of my sheep," (Emphasis mine). In Matthew 23:10, in another face to face confrontation, He accused them of going over sea and land to make converts, only to "turn them into two-fold more children of hell them themselves." feel that I stand on solid ground when I quote Him.

Some of you no doubt who read this book will get angry and like the Anti-Defamation League, of the Jewish B'nai B'rith, in their special bulletin of December 1990, titled Col. Gordon "Jack" Mohr, "An Officer and a Hatemonger!" will rather believe the outright lies of God's enemies than the truth I will present. I do not write this book to make money, for I
will pay for it's printing out of my own pocket, and do not expect to get enough to cover initial costs. I do not writ it because I hate you as a fellow Christian, no matter whether you are a Judeo-Christian or not. I write it because I am compelled to tell you the truth, which could mean the difference for you between freedom and slavery for you and your loved one’s on the Zionist World Plantation planned for the future.

The Jew Harold Rosenthal, who was the Assistant to the powerful Jewish Senator, from New York, Jacob Javits, in a paid interview with Walter White Jr., of "Western Front", in 1976, said: "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While naive Christians have waited for Kruschev to 'bury them' we taught you to be subservient to our every command.... We Jews have put issue upon issue to the American people. Then we promote both sides, and as confusion reigns, with your eyes fixed on the issue, you fail to see who is behind the scene. We Jews toy with Christians like a cat does with a mouse... Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is smear word we Jews use effectively against bigots like you - anyone who dares to criticize us, we label them as hatemongers, (UNQ).

This book is not written with hatred for Jews or Judaism, but as an answer to my Christian (?) critics who brand me as a neo-Nazi, a hatemonger, an anti-Semitic, or as one Jewish Talk Show host in Minneapolis called me: "A pornographer of paranoia!"

This book will take you behind the smoke screen, directly to Jewish sources, and show you what they have to say themselves about their plan for world conquest. One of their worst failings is their desire to boast about their accomplishments, especially if it makes a Christian goyim look bad. (The term goyim is a Yiddish word, taken from their religious book the Talmud, which says that "all non-Jews are animals, and only Jews are men.")

They especially hate Identity Christians, for we can prove from the Bible and history that we are the true Israelites of the Bible, while they are the impostors our risen Lord spoke about in Revelations 3:9, when He said, "Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I loved thee." Their religious leaders know this and are afraid and fear causes hate!

As this 20th Millennium came to a screeching close, the forces of the Anti-Christ of Zionism are redoubling their efforts against Christians, and Identity Christians in particular, as we are the only effective opposition against them and their plans for World Conquest. Their battle plan calls for world takeover in the year 2000. Already they have persuaded the Federal Government, and the F.B.I. recently declared Identity Christians, to be an enemy of the state, and danger to all Americans.

I am an old man now. I gave many years of the prime of life for the service of this country, serving in combat in World War II and Korea. This may be my last chance to give you warning against those who hate, and want to destroy you. My Army oath to serve this country against all enemies both foreign and domestic, means as much to me today, as when I entered the Army during World War II. I echo the words of a great American patriot when he said, "Is life so dear, or peace so sweet as to be purchased with the price of chains and slavery. Forbid it, Almighty God. I know not what course others may take, but
as for me, 'Give me Liberty, or give me death!'

**THIS TIME BOMB CALLED ZIONISM**

**THE ENEMY ANSWERS!**

Everywhere I go in the Christian world, and I have spoken in over 3800 communities in the United States and Canada and in five foreign countries, I have tried to expose ungodliness and the anti-Christ hatred of Judaism. Everywhere I have been met with skepticism on the part of good, by brainwashed Christians and often with hostility. In fact the preachers of America have been worse enemies of this truth, than the Jews themselves.

Listen to some of their statements regarding my ministry: "From a historical point of view, the Jewish world conspiracy is complete rubbish. A variety of charges historically have been leveled against Jews and have been used as a tool of exploitation of the ghettos: Unfortunately Christianity has often played a part in this persecution of the Jews." (This from a Unitarian pastor.)

It might be well to note that true Christianity has never persecuted anyone, (under the guise of Christianity, many horrible things have been done, such as the Crusades, and the Spanish Inquisition. A good modern example, is the so called Christian military forces in Lebanon, which have been armed and controlled by the anti-Christ Israeli).

Another statement: "The cause Mohr espouses is but another perversion of the 10 Lost Tribes theory. It's too bad it has come to this country. Today the Jews are all of Israel and Judaism of today is the Judaism Jesus followed." (a Baptist minister)

We will see later in this book, what the Jews have to say about themselves.

A Captain in the Salvation Army made this statement: "The movement Mohr represents is diametrically opposed to everything I have learned in my years as a Christian pastor."

"We Christians have not always acted with the wisdom we should in the past and have earned valid criticism. Perhaps in the Christian world had spoken out with a clearer voice against Hitler's rise to power, there would have been no Holocaust." (Presbyterian pastor)

"The John Birch Society believes that anyone who tries to blame the spread of Communism on one racial or religious group will be ineffective." (Local Chapter Leader of the JBS, expounding official JBS doctrine). This was in answer to my charge that Communism was and still is a Jewish World movement, sponsored and led primarily by Jews. We will see what Jewish leaders have to say about this.

"We disagree with the Jews on doctrine, but do not believe they are against Christianity," (Church of Christ pastor).

"We are united in rejecting all forms of racism and anti-Semitism and deplore the acceptance of these evils in the name of Christianity." (Area Inter-faith Council, naturally!)

"Mohr's message does a great disservice to the Gospel. His message is not the Word of God but that of man and is hideously wrong." (From a Presbyterian minister who had never heard me speak, or read one of my books. His information on what I believe was all second handed!)
"America has traditionally supported Israel (the Jews), not because of Jewish political power, but because they supported a people who are trying to maintain their freedom and a democratic way of life." (Leader of the Hebrew-Christian Fellowship of so called, born again Jews). Ask the minority Arabs in Israel, whose land was stolen from them by force, to answer this question.

"Truth twisting, poor Mohr seems to be plagued with this affliction. After majoring in history for three years, I can assure you that the Jews had little to do with the Bolshevik Revolution." (University graduate). The Apostle Paul said in 2 Timothy 3:7, that there were many people who were "Ever learning, but never able to come to the knowledge of the truth." Our Universities, politics, and church pulpits are filled with these educated idiots. The D.D., behind a preachers name doesn't always indicate Doctor of Divinity, according to Isaiah 56:10, it could stand for Dumb Dog!

"It's sad that Mohr is allowed to spout such evil thoughts (facts) as truth and have them accepted. If this represents Christianity, then there are not many Christians in this land. At the end of his speech did the audience jump to their feet, give him a Hitler salute and shout 'Seig Heil!'?" (Another Judeo-Christian preacher who has never heard me speak.)

For a little while lets lay all Scriptural and historical evidence aside and see what Jewish leaders down through the years have said about Judaism, it's aims and purposes.

I will give you a lot of documented information, so that if you wish, you can check out the facts for yourself! I do not ask you to believe anything I say. I do ask you to be honest enough to check it out, and when you find I am correct, then have the courage to speak out about it! I have found that most church leaders will condemn, before they know anything about a man 5 ministry. When I first went to my pastor, of a little Fundamentalist Baptist Church, in Bay Saint Louis, Mississippi, with information I had gained during an intense three months study on the part Judaism played in the Bolshevik Revolution, he turned on me in anger, and denounced me to the Baptist ministers in the state. Within two weeks, men I had known and loved, and in whose church I had held successful Revival Meetings, would not speak to me when we met on the streets. Not wanting to "sail under a false flag", I wrote a letter to 200 Fundamentalist pastors and lay leaders, explaining my new found position on Jewry. Within a month this resulted in the cancellation of fourteen week long Revival scheduled for 1981, not because of any change in my doctrinal stands on Christianity, but because I no longer accepted the anti-Christ of Jewry as God's Chosen. Although many harsh words were said against me by men I had considered my friends, in the 18 years since I left the Fundamentalist Camp, not one of these pastors has ever written me to say:

"Brother Mohr, let me show you from God's Word where you are wrong! Only one out of a hundreds I had known and loved, ever remained my friend. (So much for the term hatemonger, that they love to toss at me.)

I have found the sad truth that organized religion is not interested in and will not accept the truth, if it differs in any way from their church tradition. They fulfill the description Jesus gave of the Pharisees, when He said of them in Matthew 15:7-9 - "Ye hypocrites, well did Esaias prophesy of you, saying, 'This people draweth nigh unto Me with their mouth,
and honoureth Me with their lips; but their heart is far from Me. But in vain they do worship me, teaching for doctrines the commandments of men." (Many times these are the Jewish fables, the Apostle Paul warned about in Titus 1:10,14.)

Most churchmen will not accept the truth, because they would have to admit they were wrong, and they are too proud to do that. It's easy, I know from sad personal experience. As a result of this recalcitrant attitude I have had to say to many professing Christians I love, the words the Apostle Paul spoke to the church at Galatia in Galatians 4:16 when he said: "Am I therefore become your enemy, because I tell you the truth?"

I dare you to take the facts I present, put them under the powerful magnifying glass of the Scriptures and history, and when you find that I have told you the truth, let nothing stop you from proclaiming it, for only by knowing and proclaiming truth can Christians remain free.

WHAT JEWISH LEADERS SAY ABOUT JUDAISM!

1.) In the "Jewish Chronicle", April 4, 1918, you can read: there is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshehvism, are consonant (in agreement with) the finest ideals of Judaism.

2.) David Brown, National Chairman of the United Jewish Campaign in London, in 1934, said: "We Jews are going to bring war to Germany." (World Jewry had amassed a 2 Billion dollar War Chest for the destruction of Christian Germany, long before Hitler came into power in 1933.)

This was an essential step in the Zionist long range plan to control the world.

3.) In the "The London Jewish Chronicles", January 22, 1943, the Jew Berl Locker speaking undr Zionist Conference said: "We have the right to come to the world and say, 'Here is the Jewish problem, settle it to our satisfaction or there will be no rest in the world." This attitude in Yiddish is called chutzpah, which means "shameless audacity; impudence" which is the hallmark of the World Judaism recognized by the Apostle Paul when he wrote in 1 Thessalonians 2:15, and said: they please not God, and are contrary to all men."

4.) Dr. B. Messinsohn, a Jewish leader speaking in Cape Town, South Africa, was reported in the "South African Times", of July 2, 1930 to have threatened the world when he said: "I warn the world, that if it does not keep faith with us (Jews), there are 16 million Jews who will be filled again with the hatred which has released so many great destruction against the Christian world." (This is reminiscent of Christ's words to the Pharisees in Matthew 23:35, when He accused them of being guilty of all the righteous blood shed one earth since the time Cain killed his brother Abel. (The king's accusation, not mine!)

5.) Colonel M.P . Nathan, Chairman of the National Defense Commission, as reported in the "London Jewish Chronicle", January 27, 1939 - "If Zion falls, the British Empire will fall with it."

6.) Marcus Eli Ravage, writing in the "Century Magazine", January 1928 - "We Jews are at the bottom of nearly all your wars; not only of the Russian but every other major revolution in your history... We did it with the irresistible might of our spirit, with ideas,
and propaganda." (And I might say money that had been stolen from Christian sources. Here he admits to their being the fountainhead of BRAIN WASHING techniques, which are known as PSYCHOPOLITICS, "The art of controlling the thinking of a nation you are trying to conquer." They have been ultimately successful in using this technique within the Christian world, where they have persuaded millions that Christ's worst enemies, are really His Chosen.)

7.) Oscar Levy, in the preface of his book, "The World Significance of the Russian Revolution", says: "There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews are today nothing else but the world's seducers, it's destroyers, it's incendiaries, it's executioners."

8.) Professor Goldwin Smith, Professor of Modern History at Oxford University, October 1881 - "We Jews regard our race as superior to humanity and look forward not to it's union with other races, but to it's triumph over them." (Of course it is a known fact, that the Jews are no more a race, than are Christians, or any other religion.)

9.) Count Mensdorf, Austrian Ambassador to Great Britain in 1918 said: "Israel (Jews) won World War I; we made it; thrived on it; profited from it. It was our (Jews) supreme revenge against Christianity." (Another case of White Israelites fighting a fratricidal war against their kin, for Jewish benefit.)

10.) Benjamin Disraeli, Jewish Prime Minister for Great Britain in 1852, during the reign of Queen Victoria, in his book the "Life of Lord George Bentich", London, 1852, said: "The influence of the Jews may be traced in the last outbreak of destructive principles in Europe. An insurrection takes place against tradition; against religion, and against property ...men of the Jewish race are always found to be at the head of every one of them. They cooperate with atheists: the most skillful accumulators of property themselves, cooperate with Communists: this peculiar race (Jews) ...touches the hand of all the scum and outcasts of Europe; and all this because they wish to destroy ungrateful Christianity."

11.) Samuel Roth, "We (Jews) come to the nations pretending to escape persecution, and we are the most deadly persecutors in all the wretched annuals of mankind."

12.) THE MACCABEAN, Zionist Organization, N.Y., November 1905 headlines concerning Bolshevism in Russia: "IT IS A JEWISH REVOLUTION!"

13.) "THE AMERICAN HEBREW", leading Jewish newspaper in the United States, September 10, 1920: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a New World Order. What happened in Russia, shall also through the same Jewish mental and physical forces, become a reality all over the world." This plan was discussed in the PROTOCOLS OF THE LEARNED ELDERS OF ZION in 1900, which the Jewish world and it's Judeo-Christian stooges, have declared to be a counterfeit.)

14.) "THE JEWISH WORLD", London, January 16, 1918: "International Judaism forced Europe to War, not only to seize a large part of the world's gold, but to start a new Jewish War (World War II) , with the help of this gold."

15.) One time President of the World Zionist Organization of America: "The non-Jewish
world regards the Jews as a power to be reckoned with... Britain's need of Jewish support furnished Zionism diplomacy the element of strength and bargaining power which is required to back it's moral appeal." (From Alfred Lilienthal's book "THE ZIONIST CONNECTION", Page 21.)

16.) "YIDDISH BULLETIN", May 19, 1950, quoting from Rabbi Phillip Bernstein on the Zionist Movement: "By pressing for an exodus of Jews from Europe; by insisting that Jews do not want to go to any country outside of Israel they (Zionist) sacrificed the interests of living people to the politics of their own Movement."

17.) "THE ZIONIST CONNECTION", by Alfred Lilienthal, page 105 "From the outset of their drive to win a state for themselves, the Zionists had to hide their true nationalistic, political ambitions beneath the outer garment of philanthropy in order to win the support of wealthy, influential Jewish families, who were non-Zionist, if not anti-Zionist, at the time. A forthright exposition of true Zionist goals would have endangered the success of their movement."

18.) Theodore Herzl, father of modern Zionism in his "DIARIES", page 10, said, "We must expropriate gently the private property on the estates assigned to us. We should try to spirit the penniless Arab population across the borders by procuring employment for them in transit countries, while denying them any employment in our country." (If anyone other than a Jew had made this statement, the Christian world would have been up in arms over it and it would have been labeled as racist. By playing up such obvious hoaxes the Jewish world has been able to hoodwink millions of sheeple in the Judeo-Christian world, into accepting anything they say as Gospel truth!)

19.) While the Palestine State of the Israelis is held up to Americans as being a Democracy, the Israelis in 1948-49, adopted the following articles from the Emergency Defense Regulations of so called Christian Great Britain: ARTICLE 109/110) Government has the right to enter anyone's home at any hour, day or night.

ARTICLE 119) This Act empowers the Military Commander to destroy a home if it comes under his suspicion. (This has been used as an excuse to destroy thousands of Arab homes.)

ARTICLE 120) This gives the Military Commander the right to confiscate private property." (We find the Israeli government doing the same thing to the Arabs, that they accused Hitler of doing to Germany's Jews.)

ARTICLES 121) This gives the right of expulsion of anyone from the country who does not conform to Israeli ideas.

20.) Dr. Israel Shahak, Professor of Organic Chemistry at Hebrew Zionist University, citing laws and regulations in force in Israel, said, "The State of Israel (Israelis) is a racist state in the full meaning of the term, because people are discriminated against, in the most permanent and legal way in the most important areas of life, only because of their ethnic origin, one who is not a Jew." (This in a country we have been told is a Democracy.)

21.) Quoting again from Alfred Lilienthal's book "THE ZIONIST CONNECTION", page
139 "The Israeli economy is perpetually confronted by two unusual internal factors working against it: heavy dependence on outside gifts (largely from the United States and the Christian world) and total dependence on a slave-worker population composed of Arabs and Oriental Jews." (Billions of dollars of God’s tithe, has been filched from Christian pockets, through the clever machinations of Jewish propaganda.)

22.) Harry Levin, in the book "JERUSALEM EMBATTLED", page 57, stated of the Israeli terrorism against Arabs at the Village of Deir Yassin, (which was perpetrated by the Israeli Irgun Zumi Leumi, a Jewish terrorist gang led by Menachim Begin, who later became Prime Minister): 'Far worse than the more celebrated King David Hotel attack, which only killed 95 British and Arabs, and which led to the garroting of two British sergeants at Nathanya, was the attack on the small Arab village of Deir Yassin, in which 254 women, children, and old men were killed and their bodies thrown down a well on April 9, 1948. This particular village... west of Jerusalem, had managed to keep out of the fighting until that moment when the Haganah Commander David Shaltiti noted that Deir Yassin had been quiet since the beginning of the disturbances... not mentioned in any attacks on Jews, and one of the few places which had not given a foothold to terrorist bands.

"Deir Yassin had done nothing to provoke an Israeli attack and had lived in peace with it's Israeli neighbors. They had even cooperated with the Jewish Agency and was said by Jerusalem newspapers to have driven out some Arab militants.

"No warning was given of an impending attack, although Begin said, 'the villagers had been warned beforehand.' The initial resistance of Deir Yassin was easily overcome, and all the inhabitants were ordered into the village square. Here they were lined up against a wall and shot, one eye witness said her sister who was 9 months pregnant was shot in the back of the neck. Her assailants then cut open her stomach with a butcher knife and extracted the unborn baby. When an Arab woman tried to take the baby, she was shot. According to eye witnesses, female members of this Jewish gang, matched the savagery of their male counterparts. Women were raped before the eyes of their children, before being murdered and dumped down the well and even representatives of the International Red Cross who were inured to scenes of violence became nauseated by what they saw."

This information, so reminiscent of the savagery they accused the Nazis of was carefully kept from American Christians, and even after it became known, Judeo-Christian pastors still continued to refer to them as God’s Chosen.

Christians have been coerced into full hearted support of Zionism to the tune of billions of dollars each year, by their pastors and believer they are doing God’s will by supporting these people who have openly declared their intentions to "drive God from the skies, and destroy White Christian civilization." It is almost impossible to get them to listen to the facts, and when someone comes along who has taken the time and effort necessary to know the truth, especially that of contemporary Jewish history, and tries to warn them, they turn on him with a savagery which is most unChristian. As a result, American Christians have become the most easily subverted people in the world, as they are lead to disaster by their church leaders, many of whom know the truth. This refusal to even look for the truth, has caused the condition in the church world, predicted by the Apostle Paul in 2 Timothy 3:5, speaking about religious people. "Having a form of godliness, but
denying the power thereof: from such turn away." Again in verse 7 of the same Chapter
"Ever learning, and never able to come to the knowledge of the truth."

Recently, an advertisement was received from the Jack Van Impe Ministries International,
touting a full length video, of a new film, "TRIBULATION". It said, "discover how
powerful a force Hollywood (which we know is Jewish controlled) can be for the Gospel."
It goes on to say: "If you have ever longed for an exciting high quality Hollywood film that
was completely trustworthy to the Word of God ...your wait is over!" It goes on in detail to
tell you how you "now have a film that you can share with Christian friends with
confidence!" It is about to hit the nation’s theaters, but you can get a first glance at it and
aid the Van Impe Ministries with a gift of $50.00. It was produced by the Van Impe
Ministries, and Peter and Paul La Londe of 'This week in Bible Prophecy'. If you know
anything about these so called Christian leaders, you know they are completely sold out
to Zionist interests, and proudly proclaim themselves to be Zionist Christians. (This is
impossible, for the Jews do not worship the same God that Bible Christians worship), and
it is impossible to follow a false religion as they do and be true to Jesus Christ, no matter
what they, and other brainwashed preachers say to the contrary. Here are a few of the
things you will see in this film:

1.) The instantaneous vanishing of 187 million of the earth's citizens in the
RAPTURE.

2.) A world leader so charismatic and influential that he heads an apparently
inescapable, all destructive global holocaust, while proclaiming a new era of
peace.

3.) A world where the influence of the Church (Jesus Christ) has ended, and
ethics and morality on longer exists; a realm where there is no law; no rules
except those of an increasingly cruel and vicious dictator who shows no mercy
and had no compassion. (This my Christian friends, is a word description, of
the International Jewish Slave Plantation, Jack Van Impe, and the Zionists are
working for, where according to their religious book the "BABYLONIAN
TALMUD", when their Messiah, the victory of Judaism comes, every Jew will
have 2,000 goyim, non-Jew animals, you and I, as slaves.)

As far as I'm concerned, professing Christians like Van Impe, his wife Rexella, and the La
Londa Brothers, who have completely sold out to world Zionism, are beneath contempt of
decent people, for they are proven traitors to the King they claim to serve, and serve
instead His most vicious enemies.

On page 240 of Alfred Lilienthal's "THE ZIONIST CONNECTION", he says: "None of the
many powerful political lobbies in Washington is better entrenched then the meticulous
organized brokers of the Jewish vote. The individual Jew who might not go along with
Zionist ideology, is often too cowardly to speak up and take the usurpers of his choice to
task, and so the peddling of his vote goes forward. Hence the happy alliance dating back
to World War I between the supine American politician and the Zionists, who have
controlled the Congress in it's almost 100% Pro-Zionist stance." It is a known fact that 70
out of our 100 Senators, vote the straight Israeli ticket, causing one high ranking Israeli official to openly boast recently, "We have the best Congress money can buy!"

24.) In the "TALMUD TORCH" a Jewish periodical are the following comments on Jewish law. Compare them with the Ten Commandments of God, given to the Hebrew Moses:

a.) COMMANDMENT VI on (murder): God's Law says, "Thou shalt not commit murder!" In the SANHEDRIN volume of the TALMUD 57a, we read: "A Jew is allowed to suppress a non-Jew, for it is written, 'Thou shalt do no wrong to thy neighbor' -this is not written concerning the Gentile." In the volume ABODAH ZARA, 12b-26b: "Bloodshed is forbidden to a Gentile who may kill neither another Gentile or a Jew; but it is not forbidden to the Jew in regards to the Gentile."

b.) COMMANDMENT VII (adultery): God's Law says, "Thou shalt not commit adultery!" The SANHEDRIN 57a; ABODAH ZARA, 13b, 26b says: "Theft, robbery, and rape of a beautiful woman and similar deeds are forbidden to every Gentile towards another Gentile, and also towards a Jew: but they are allowed to a Jew against a Gentile." (This is the hypocritical double standard of Jewry, practiced by Jews in their dealings with non-Jews and which has been responsible for their being kicked out of every country in Europe at some time or other. The Jews, according to the TALMUD, looks on a Gentile woman as a piece of raw meat, to be used as he desires, and thousands of decent White girls, including many Christians, have been seduced by the Jews in Hollywood, when they sought for fame in the movies. It is also the major reason Jews head the prostitution and pornography business everywhere.

c.) COMMANDMENT VIII (stealing): God's law says: "Thou shalt not steal!" BABA MESIA, 61A says: "It is not allowed since Leviticus 19:13 says: 'Thou shalt not defraud thy neighbor, neither rob him.' But these words, says, Jeshua, 'do not apply to non-Jew, because he is not a brother.'" This gives Jews a religion basis for theft from goyim. It's no wonder Jesus told the Jewish leaders in Matthew 15:6 - "Ye have made the commandment of God of noneffect by your traditions.

d.) COMMANDMENT IX (bearing false witness): God's law says, "Thou shalt not bear false witness." THE KOL NIDRE PRAYER, which is recited by every Jew, religious or not, on the Day of Atonement, makes all "vows, obligations, oaths and promises void during the following year." How can we trust a Jewish Congressman, Judge, or other official, when they have the sanction of their god to lie?

25.) Asher Ginsberg, a modern Jewish scribe, on page 42 of "WATERS FLOWING EASTWARD" says: "Our (Jews) countersign is force and make believe. Only force conquers in political affairs, especially if it is concealed in the talents essential to statesmanship. Violence must be the Principle, and cunning and make believe the Rule of
governments which do not want to lay down their crowns at the feet of agents of some new power. Therefore, we (Jews) should not stop at bribery, deceit, and treachery, when they should serve towards the attainment of our ends. In politics one must know how to seize the property of others without hesitation, if by it we secure submission and sovereignty. Sentences of death are necessary to maintain the terror which tends to produce blind submission."

Compare this with the Zionist/Communist textbook on "PSYCHOPOLITICS", page 30 (available from Scriptures for America, P.O. Box 766 La Porte, CO. 80535) "Obedience is the result of force. Concurrent with force is brutality. The most barbarous, unrestrained, brutal use of force if carried far enough, invokes obedience. Any organization which has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity will be obeyed... If you would have obedience, you must have no compromise with humanity. If you would have obedience, you must make it clearly understood that you will have no mercy. Man is an animal, and in the final analysis understands only those things a brute understands." (Jews consider non-Jew goyim as animals.) The things the Jewish religion teachers, are the very things they condemn in Nazism.

26.) A few years ago I was verbally attacked by a Jewish Rabbi from Ft. Collins, Colorado, after I had spoken in Pastor Peters, Church of Christ, in La Porte, CO. on the dangers posed by Judaism. He claimed that the "TALMUD" did not contain anti-Christian statements. Yet a former Rabbi Drach, who converted to Catholicism said in "De l'Harmonie entre: Eglise et la Synagogue", (Paris, 1844, Vol 1, pages 163-164) "The "TALMUD" contains a great number of dreaming, ridiculous exaggerations, very revolting indecencies, and above all horrible blasphemies against everything the Christian religious stands for."

In 1923, when the Jew, Dr. Alfredhad enszky, translated the "TALMUD" into the Hungarian language, he was charged by order of the Public Ministry, with pornography and corruption of public morals. The Court finding, in part read: "The horrors contained in the translation of Alfred Luzsenzsky are without exception found in the "TALMUD". His translation is accurate, for it renders these passages which are the text of the "TALMUD" in their exact meaning." (German translation in "Der Talmud" in nichtgu dischehs Beleuchtung, 1932.)

27.) Another Jewish teaching concerning violence is found in the "TALMUD" volume ABODAH ZARAH, 4b: "Thou shalt surely kill him (the goyim). Thou shalt surely smite him with stones until he die. Thou shalt surely smite the inhabitants of that (Gentile) city with the edge of the sword, destroying it utterly and all that are therein, and the cattle thereof with the edge of the sword. Thou shalt gather all the spoils of it in the midst of the street thereof and shall burn with fire all the city, and all the spoil thereof .." (This of course, is a counterfeit of the orders Moses gave to Israel when they were ordered to wipe out the wicked inhabitants of Canaan.) With religious teaching such as this, one can understand why the Israelis do not hesitate to bomb an Arab town in Lebanon, killing men, women, and children who have never harmed them. They do not need the excuse of PLO terrorism, which our press loves to exaggerate. On the Arab side those who fight for
their homes and freedom are called terrorists, just as those of us who love God, our freedom, and are willing to fight for it, are now considered by our government to be enemies of the State. The Israelis, who do the legalized murdering are considered by our controlled press to be freedom fighters. This is the double speak of Orwell's "1984".

28.) In the "TALMUD", BABA KAMA, 113a, the Jewish Judge is admonished: "If a Jew has a suit against a non-Jew, you (Jewish Judge) will take the Jew's side as far as possible, and you will, say to the non-Jew, 'Thus it is according to our Law! If it is possible, according to the laws of the Gentiles, you will also take the Jew's side and say to the Gentiles, 'Thus it is according to your Laws!' If neither of these alternatives is possible, then you must cheat!"

29.) From the "TALMUD", CHOSCHEN ha-MISCHPAT, 348,1: "A Jew may rob a Gentile, that is he may cheat him, if unlikely to be detected."

30.) To show you how the "TALMUD" is used by orthodox Jews, it might be interesting to note that they have 613 special injunctions given for daily living. 248 are positive injunctions and 365 are prohibitions on what Jews may do. Whether he eats or drinks, dresses, washes, prays, or plays, sleeps or satisfies nature, every act is studied and discussed by the Rabbis in the "TALMUD". Jesus accused them in Matthew 23:25 - "Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion (robbery) and excess (self indulgence)."

The Jewish writer, W. Sambart, writing on the Rothschild family of Europe, head of the International Jewish banking power said: "The last Rothschild of Frankfort, who died in 1901, had a servant walk in front of him and wipe the door knobs before his master's hands touched the surface, as they might have been defiled by unworthy hands. This Rothschild would touch only bank notes which came straight from the Government printing press; he would never touch one that had been in circulation." (You can see what Jesus meant when He referred to them as hypocrites.)

31.) Some say that modern Jewry does not follow the "TALMUD", but Professor Cohen, as a sworn expert, testified before a court in Markburg, Germany in April 1888: "The whole organization of the Jewish community is founded on the Talmud, which one must regard as the source and as the basis of the Jewish religion. . Non-religious Jews, while not being bound by the Talmud, nevertheless remain within the pale of Jewry, because they accept entirely the Jewish moral law. In this respect, they cling to the Talmud which contains this Law." Jewish religious leaders today call the Talmud "the heart blood of modern Jewry."

32.) The Jewish race is caught in a terrible snare. They believe and teach that they are superior to other people, because their god has decreed that they shall rule over the goyim animals; In one place in the Talmud, I can't recall the exact location, it says that G-d created the goyim, so that Jews would not have to served by beasts. All their actions consciously or unconsciously are guided by this false image, those of us who know we are true Israel, must be careful that we are not carried away by this same terrible under current. We know we are on the earth for a special purpose, (See 1 Peter 2:9), and are a peculiar people, (set aside by God to be His Ambassadors for the Gospel, not dictators as Jewry teaches.)

The major difference between false Israel and true Israel, is that one teaches a religious
hate, against that which is good while true Israel is a religion of love for that which is good. We hate all right, but it is in the words of David in Psalm 139:21,22 when he said, "Do not I hate them, O lord, that hate thee? and am not I grieved with those that rise up against thee? I hate them with perfect hatred: I count them my enemies." There is a vast difference!

Careful study of contemporary Jewish authors will show you that Jewish writers glory in the common hatred which unites their people against all mankind, and which is consecrated in the pages of the Talmud.

One of the best examples of this hatred against an entire nation of people, can be found in the virulent book "GERMANY MUST PERISH!" Written by the Jew Theodore Kaufman in 1941. on page 6, he says, "This war (WWII) is being waged by the German people... she must be prepared to pay the total penalty, and there is only one such penalty - Germany must perish forever! Then on page 22, he goes on:... Germans are an execrable (detest)

"The German has decided that his race has been elected by G-d to order the modern world. Anyone who resists him is an arrogant usurper, who ought to be crushed." In the light of what the Talmud. teaches, this seems like the pot calling the kettle black!"

Any intelligent person who makes a study of European history, will see the falsehood of his statement, and understand that Kaufman is taking Jewish traits, and transferring them to a people he hates. History proves that Germany was at the bottom of the list of great nations who started wars in Europe, and that they gave the Jews many privileges to become national leaders, which they immediately misused, as they are doing in the United States and other White nations of Christendom today. The day will inevitably come, as it did in many places in Europe, when they will be expelled for their treachery, chicanery, and immorality.

In his chapter titled "DEATH TO GERMANY", Kaufman carried his Jewish hatred to the ultimate with a plan for the sterilization of all German males under the age of 60,. and all females under the age of 40. On page 88, he said, "In the span of two generations... the elimination of Germanium and its carriers, will have become an accomplished fact." In other words, Kaufman is supporting planned genocide of those he hates, the very thing the Jews accused Hitler of attempting. What about the 65 million people of German descent in America? (Of which I am a proud part.) Would the Jews eliminate us too? Very probably, if we as Christians opposed their plan for world conquest.

In 1921, a Rabbi Green, of the Hampstead Synagogue, near London, proposed to read passages from the New Testament to some of his advanced students over the age of twenty. He was attacked by Jews from all over the world. "THE JEWISH CHRONICLE", London, December 1, 1921, said, "...it is practically impossible to teach the New Testament from anything but a Christian standpoint as the Gospels are the message of Christianity. We should educate young Jews with Jewish literature, not profane literature which will be harmful and is literally designed for the propagation of a doctrine which is fundamentally subversive to Judaism." In other words, they are afraid for Jewish youth to hear the truth of the gospel message.

So you see, no matter what Jewish religious leaders say to the contrary, concerning their
desire to cooperate with Christians they still hate Christians, as much as when they killed our leader almost 2,000 years ago. There can be no such thing as Judeo-Christianity, no matter. how much our religious leaders love to use the term, for Judaism and Christianity are poles apart, headed in opposite directions, and do not even worship the same God. (Billy Graham to the contrary.) How can you believe Christianity came from a religion whose leaders were called children of Satan, by our Lord, Matthew 8:44, Who are you going to believe, some brainwashed, or sold out preacher who calls them God Chosen, our your Savior who said, "Ye (Jews) believe Me not, because ye are not of my sheep," John 10:26.

33.) The Jews claim to have suffered greater persecution than any other people in history, because of their religious belief, this is their claim. Contrary to the preaching of Judeophile preachers like Jack Van Impe, and Pat Robertson, they were not persecuted because they were God's people and Satan's hated. They were kicked out of every nation in Europe at some time or other, because of their rotten business practices, and their immoral filth. Referring again to 1 Thessalonians 2:15 "... they (Jews) please not God, and are contrary to all men."

Jews appear honored and take delight in proclaiming themselves to be objects of world insults, contempt, and detestation. Hatred of all who are not Jews is their principle of life; money making is their standard of morality, no matter what it takes to get it; the acquisition of wealth and the power that goes with it, this is their goal for existence; gold is their God and their compensation for social degradation, and a vulgar display, their reward for spiritual hardness. As Jesus said to the Pharisees who preened themselves on the street corners to be seen of men: "Ye have your reward!" Matthew 6:2,5,16

The only barrier that stands in their way of world control is their fear of detection. This is why they react so harshly against those of us who try and bring our people the truth. While many Christians wonder why German Christians in OneWorld War Germany detested the Jews, and while their minds are perverted by Jewish propaganda coming from their own pulpits regarding such things as the Holocaust, they refuse to look at the facts of Jewish actions in pre-war Germany, that brought them into such contempt. They will understand much better, if World Zionism is ever successful in bringing America, into their One World Government and the International Zionist Slave Plantation. Then it will be too late!

In November 1918, following World War I, the German Government came under control of socialists, organized and largely dominated by Jewish revolutionaries. When a Republic was proclaimed in July 1919, they proposed an orgy of fantastic schemes for social Improvements, and redistribution of the wealth (of German White Christians), under Jewish control. One of the most insane of these Jewish schemes was the debasement of the German currency, so that by September 1923, the exchange rate had soared to 160 million German marks for one U.S. dollar.

With this devaluation came a terrible depression, worse than anything ever seen in this country and which reduced many Christian Germans to the point of starvation, while most Jews lived high on the hog. During this time of trouble, many family heirlooms were
sold for a fraction of their value in order to buy a sack of potatoes, or a loaf of bread. It just happened there were Jews on hand who bought up these treasures. Germany’s civil life stood on the precipice of anarchy, fear, and lawlessness. It was into this state, brought about by Jewish actions in high government places, that Adolf Hitler stepped. (He was actually brought into power by Zionist money, and was sustained during the first two years of the war by this group, who pitted both sides against each other.) Hitler is hated by International Jewish leaders, not because he exterminated some of their lesser brethren, but because he was the only leader in Europe who opposed Jewish Communism.

34.) It is of further interest to note that the decadence of England began on the date when she bestowed her highest political office on the Jew Disraeli, making him Prime Minister during Queen Victoria’s reign. Although he was regarded as a renegade to the Jewish religion and people, he furthered Zionist ambitions.

In 1868, for all intents and purposes Britain ruled the waves; she stood at the zenith of her power, without a political or military rival in every department of human endeavor. These were the days when the sun never set on the British Empire. She had indeed risen to the pinnacle of prophesy, to become the great nation and a company of nations, promised to true Israel.

Where is her Empire and power today? Why do her people grovel at the feet of a financial dictatorship headed by International Jews? What a pathetic and degrading spectacle she has become from a mighty people who brought forth men such as Drake, Nelson, Marlborough, and Wellington.

35.) What about our own United States of America, and her sister country of Canada? Why is it that in a Christian nation, so called and designated by the Supreme Court, our advisors in every phase of government are faithfully represented by names such as: Baruch, Kahn, Strauss, Brezininski, Morgenthau, Goldenweiser, Margold, Bachnach, Frankfurter, Worlfsohn, Cohen, Lowenthal, Lehman, Rosenblatt, Warburgh, Rosenmann, and the ever present Henry Kissinger?

Many of these Jews are and have been open advocates of Communism, Socialism, and the Zionist New World Order. Many like Kissinger, would have been tried, convicted and hung for treason at an earlier time in our nation’s history. Now they are revered by the Democratic Party, and many Republicans.

The government officials of the United States have been reduced in many instances to servile degradation by these infamous, gold and power hunting aliens.

Like the ugly Lenin, Trotsky, and Beria of the Soviet Union, where 3% of the population (Jews), kept the other 97% in servitude to their desires, so in the United States, at least since 1913, their patriotism has been measured by the yardstick of money and power. They are cowards in war and traitors in peace! Our flag, once the proud emblem of a strong nation, means nothing to them, since they have no permanent loyalty for anything except gold and possibly the occult symbol on the flag of the Israelis. History has proven, over and over again, that Jews are every ready to sacrifice the blood of patriots to racial miscegenation, if it furthers their purpose. This is their tribal instinct at work! Their hatred of everything good and everything which stands in their way, is undying and merciless, as
shown by their silence economic war waged against Spain, a nation which had given them refuge; and again against Germany, where they had been treated with respect. Always in the annals of history, Jews have been known for biting the hand which fed and nourished them!

The Jew tolerates no opposition of any kind, whether in business or in politics. In accord with the unscrupulous methods taught in their Talmud, much of their religious life is taken up, not in preparing there people to meet God, or in helping their fellowman, but in acquiring a monopoly over everything which will give them power. From the smallest retail store, to the greatest department stores in the nation, the Jewish idea of the gelts the thing, is paramount.

They have taken charge of America’s Labor Unions, and once proud American laborers have had their ideals as makers, doing a task of which they were proud, changed into getters, who are interested in "getting by with the least amount of work possible," while putting out an often shoddy product.

The Jew dominates the legal profession where unlimited possibilities are available for graft, greed, and the exercise of their ungodly talents against unsuspecting Christians.

In medicine, they run the abortion clinics which yearly murder over 2 million unborn babies, while their propaganda mills, convince foolish Gentile women that it is all right to murder their unborn child, if it is unwanted or a burden. They control the drug industry which yearly filches billions of dollars from American pockets, often for drugs which do no good, or are actually harmful, while suppressing those which could help.

All these things, and more, are carefully set up in the "PROTOCOLS OF THE LEANED ELDERS OF ZION." While these may not be authentic, as the Jews and their Christian stooges aver, it is interesting to note how World Zionism has been following them like a blueprint for a 100 years. They are a perfect expression of an organized political, religious, and financial machine set up for Jewish World control!

It has been Jewish influence and control of the media, which has reduced this proud Republic into the shambles of a Democracy, which today stands on the verge of the anarchy of socialism.

In 332 B.C. the Greek philosopher Aristotle rightly defined a democracy, as "a depraved, combination of low birth, ignorance, mass supremacy, and arithmetical equality." Aristophenes, in 380 B.C. described the democratic leaders of Athens as, sausage dealers, unqualified demagogues, and unmitigated scoundrels. Could this be what Jewish influence in America has done to our Congress?

With few exceptions, our Congressional leaders care more about their position and prestige, than they do their duty to their country. It is proven by their actions.

Have you ever wondered why with a relatively low annual salary, a man of moderate means can be elected to Congress and after two or three terms they have a summer home at Martha's Vineyard, drive two Mercedes and have become multimillionaires? Is it because of their business acumen, which they never revealed before, or because they have become lackeys of the master of gold?
The arch enemies of true Americanism are socialism, which seeks to overthrow governments by deceptions; Zionist controlled Communism, which seeks to overthrow by force; Pacifism which seeks to overthrow by cowardice; Labor Unionism which seeks control of labor, and Judaism which seeks control by any means, including all of the above, as long as it benefits Judaism and their long range plans for world control.

In the United States, much of our population has bent over backwards to apply application of Christian principles to our problems, until Jewish interference in our education and religious systems began to change our outlook from one of absolutes concerning good and bad, to the Jewish idea of shades of gray, sometimes known as situation ethics, where the answer to a moral problem lies not in what is right or wrong, but in the situation that caused it. This has permeated even the Christian church world along with the teaching of the evolutionary theory, that man is after all nothing but a graduate animal, who under pressure will always act like a beast. In their textbook on "PSYCHOPOLITICS", page 41 - "In order to be conquered a nation must be degraded, either by acts of war, by being overrun, by forced into humiliating treaties of peace, or by the treatment of the populace under the armies of the conqueror... By attacking the character and morals of man himself and by bringing about through contamination of youth, a general degraded feeling in a nation, command of the population is facilitated to marked degree... Nations with a high ethical tone are difficult to conquer, their loyalties are hard to shake... what they call their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a frame of mind. So it is the basic purpose of Psychopolitic to reduce that state of mind to the point where it can be ordered and thus controlled. Thus the first target must be man himself. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself, or his fellows as capable of spiritual endurance, or nobility."

The Christian world has become cursed with too much faith, hope and charity; too much love, mercy, and kindness; to much mushy sentimentiality and toleration, to where Christian THIS America has dropped her spiritual standards and compromised with evil and evil men in order to gain, a measure of security. When the Oklahoma City tragedy took place a few years ago, President Clinton told the nation, "the time has come when we must be willing to give up some of our freedoms in the cause of security." Yet the pages of history are full of examples proving that compromise with evil, for any reason, always leads to disaster.

The three steps to compromise can be found in Psalm 1:1 "Blessed is the man that (1) walketh not in the counsel of the ungodly, nor (2) standeth in the way of sinners, nor (3) sitteth in the seat of the scornful." First one begins the downward road to destruction by sitting with evil men, from there it is an easy step to holding dialogue with them, and from there logically sitting down with them as they plan your destruction. Christians of all people should understand this, yet they seem the easiest at times to fool!

There has been no force more clever than Judaism, in using this formula for the compromise and subversion of the Christian faith, until today much of Christianity has become a study in compromise, in getting along with the enemy, rather than make waves.

Ben Freedman recognized this and on page 6 of his book "FACTS ARE FACTS", he said,
"When the day arrives that Christians can no longer profess their Christian faith as they profess it today in the Free World, the Christian faith will have seen the beginning of its last days. What already applies to over 50% of the world’s population can shortly equally apply to 100% of the world’s population. It is highly conceivable, judging from present trends. The malignant character of this malady (Judaism) is as progressive as cancer. It will surely prove fatal also unless steps are taken now to reverse its course. (This statement was made in October of 1954, and International Zionism has made tremendous progress since then.)

If you refuse to accept his evaluation, then ask yourself why many fine Christians will usually without question, support Judaism, when all they need to do is read their Bible to see how Jesus condemned it, and when from Jewish statements made openly, they know of Jewish desires to destroy White Christian civilization? It seems incredible to me! Yet it is standard teaching in a majority of denominational churches, that modern Jews are indeed the Chosen People of the Book, and they have milked billions of dollars from Christian coffers and into the pockets of those who hate their King.

36.) There is probably no better example of how Jewry works, than in the life of infamous Russian leader, L.D. Trotsky (whose real name was Leo Bronstein).

It seems incredible that the son of a greedy Jewish landlord, known for his exploitation of his neighbors and his hired help, should ever become the world’s foremost radical leader and trouble maker. It is even more incredible, when one considers that he was able to concentrate international attention on himself, after he had clearly demonstrated his disregard for all human rights and every principle of justice and decency. What is more, this Jewish devil in human form, succeeded in winning the sympathy of millions of Liberals, who today look on him as a martyred saint.

While this Jewish apostate of Communism lived in Mexico, according to his own claims, he lived in a luxurious villa, and had the use of a sumptuous railway car, furnished by the Mexican government, which took him wherever he wanted to travel.

It soon became apparent that the Jewish radicals who prattle about their love for the poor and downtrodden, see nothing wrong with spending huge sums of money for their own personal gratification.

B. Stalberg, an American Jewish writer, felt urged to tell the public. He said, "The reasons for his (Trotsky’s) career lie in his personality, in his many sided genius, as a historian, an indomitable revolutionary, and a man of action."

Some people, especially Trotsky’s fellow Jews, found these traits inspiring. Intellectuals who wanted to save the world, saw Trotsky as a latter day Messiah.

The average, decent person who takes the time to look at this Jew as he really was, and as he pictured himself in his writings, would have second thoughts.

He was probably one of the most brazen political criminals of all time. He epitomized all the traits of Talmudic Judaism.
One of his earliest exploits was to infiltrate Russian Protestant religious Circles which at the time were being persecuted by the Russian Orthodox Church, and spread seeds of discontent. He succeeded in perverting the meetings of sincere Russian Christians, who were mostly simple unlearned peasants and laborers, bringing them into the revolutionary movement.

When he was apprehended by the Czarist police and exiled to Siberia, he escaped with the help of his wife, who was a Jewess. Later he married another Jewess, Sedova Rosenfeld, a revolutionary he met in Paris.

In the later 1800’s, Trotsky was financed by a wealthy Jew, a Dr. Herzenstein. It was about this time that the infamous documents called "THE PROTOCOLS OF THE LEARNED ELDERS OF ZION" came to light, bringing consternation to the Jewish world. While every effort was made to suppress these as a forgery, and this is supported by most of the Fundamental Christian world, there are many other essays, books, and reports from this same period, many coming from Jewish sources, which pointed to a clique of Jewish megalomaniacs (those who have a feeling of omnipotence), who religiously believe they are destined to rule the world, and imposed their desires on all mankind. (Of course this is one of the central teachings of the Babylonian Talmud.) This Jewish clique, centered in the Zionist Movement possesses and controls the bulk of the world’s wealth, and through this they control democratic government everywhere.

This secret band of super-criminals, finance and start wars and commit innumerable atrocities on a vast scale against anyone, as long as it furthers their ambitions to control.

In all fairness, I believe it should be pointed out, that the little Jew, the one you and I are most apt to rub shoulders with, knows little if anything about these schemes, even though its principles are regularly taught in the Synagogue.

At this time (1905), London was the money center of the world, and as a result the center of world Jewry. (Today it has been moved to New York City.)

There was an inborn antagonism for the Jews among the Russian people, due to their exploitation of the peasants. Whether this dated back to the Khazar conquests of large portions of Russia in the 8th Century A.D. I do not know.

At this time, the Khazar Empire, which was a heathen people, converted to Judaism en masse, and it became their State religion. The deeply religious Russians, have always looked on the Jews as the murderer of Christ. So the forces of International Jewry had a double purpose in Russia - the destruction of the ruling classes and the complete elimination of Christianity.

Trotsky surrounded himself with a mob of boot lickers, criminals, and inculcated in them his Jewish hatred. By this he was able to maintain a constant slaughter of Christians and never ending epoch of terror.

By 1917, Trotsky had become editor of the Jewish Daily "NOVY MIR" in New York City, and when the Russian-Revolution broke out in 1917, there was ample evidence pointing to the fact that the ruin of Imperial Russia, had been the goal of Jewish groups such as the Zionists, B'nai B'rith, Alliance Israelit Universelle, and other Jewish movements.
A Jewish International banker, Jacob Schiff of Wall Street, who was closely allied with other powerful International Jews, such as the Warburgs of New York, and Hamburgh, Guggenheim, Kahn, and others. It was this same group, headed by Jacob Schiff who as head of Kuhn, Loeb, and Company, had floated Japanese war bonds in 1905-06, which brought about the Russian defeat in the Sino-Japanese War. This laid the foundation for the Jewish Bolshevik Revolution of 1917.

When Jewish efforts dethroned Czar Nicholas II in 1917, Jacob Schiff and those allied with him in the German Jewish Westphalia-Rhineland Syndicate; the Lazare Brothers of Paris; the Ginsbergs of Petrograd, Paris, and Tokyo; Spencer and Company of London, New York, and Frankfort, and the Nya Bankers of Stockholm were ready for the Revolution the Jews had worked so long to bring about.

It would take volumes of books to reprint the documentary evidence that it was International Jewry that wrecked Imperial Russia, in a deliberate attempt to bring about world rule by Communism, and ultimately Zionism. For decades their motto has been: "First we will conquer Europe, then Africa and Asia, and when the United States and Canada are surrounded, with no allies, they will fall into our hands without firing a shot." They are close to a successful accomplishment of their Age old plan now.

International Zionism chose the unscrupulous Trotsky, then in exile in Mexico, to carry out their wishes in regard to controlling Russia. At the turn of the Twentieth Century, Russia and Germany were the two strongest Christian nations on the European continent, and were earmarked for slaughter.

In April 1917, Jacob Schiff made a public statement to the effect that it was his financial help (a contribution of 20 million dollars in gold) which made the Russian Revolution a success. His claim was interesting enough to be supported by "THE JEWISH AMERICAN REGISTER", of 1917-18, pages 1018,1019, which stated: "Mr. Schiff has always used his wealth and influence in the best interests of his people (Jews). He financed the enemies of autocratic Russia and used his influence to keep Russia from the money market of the United States."

In March 1917, Trotsky arrived in Russia, coming from the United States with the Schiff gold and over 240 Jews which had been recruited from the riff-raft radical Jews of New York's east side who had joined the Bolshevist Party in the United States and were primed with revolutionary ideals. They stopped in Newfoundland by Canadian Custom Inspectors, and released on pressure from the American State Department, which even then was under Jewish control. On arriving in Germany, they were placed in a sealed boxcar, under Germany Government protection and sent on to Moscow.

The New Bolshevist Government which was established, according to Robert Wilton, a Russian correspondent of the "LONDON TIMES", was made up of 552 important functionaries. He wrote: "...there was 17 Russians, 2 Ukranians, 11 Armenians, 35 Lets, 15 Germans, 1 Hungarian, 10 Georgians, 3 Finns, 1 Karain and 457 Jews."

When World War II ended in 1945, the head of every Communist State behind the Iron Curtain was a Jew, and most important functionaries in these countries were Jews. They are responsible for the murder of at least 140 million people since 1917, many of them
Christians. (This substantiates Jesus' accusation against then in **Matthew 23:35.** These statements are history and are not open to question. They far outnumber the questionable figure of 6 million Jews who died in the so called Holocaust of WW II, yet it is the Jewish figure which keeps being forced down our throats by the media, who say very little if anything about the much larger number of Christians murdered by Jews.

The authoritative Jewish viewpoint towards the Soviet Union is explained in the "**THE UNIVERSAL JEWISH ENCYCLOPEDIA**" where it states in concluding remarks on Karl Marx: "the one country which professes official allegiance to Marxist teachings is the one where anti-Semitism had been outlawed." (Volume VIII, page 390) In his book "**THE JEWISH PEOPLE FACE THE POSTWAR WORLD**, by Alexander Bittleman, the affection of a large number of American Jews is expressed in these words: "If not for the Red Army, there would be no Jews in Europe today, nor in Palestine, nor in Africa, and in the United States, the length of our existence would be counted in days. **The Soviet Union saved the Jewish People!**"

Bittleman admitted indirectly, that he was not speaking for all Jews. It is interesting to note, that according to the "**AMERICAN ZIONIST HANDBOOK**", 68-70% of American Jews have relatives living in the Soviet Union. This very probably means they are of Khazar descent (Ashkenazi Jews), and therefore have no Abrahamic blood in their veins, and no official claim to Palestine. Every Israeli Prime Minister. has come from this heathen background.

In recent months, a great propaganda campaign has been underway in America, trying to convince American Christians, that Jews in Russia are today under intense persecution and danger. I recently received a letter from a Protestant TV pastor, Dr. James Kennedy, asking for funds to transport Jews from Russia, either to Palestine, or to the Promised Laud of America. Yet recent intelligence information (1985) indicated that of 23 Politburo members (ruling government in Russia), 17 were Jews. Today 90% of the Russian Ambassadors are Jews; nine out of ten of their highest military and police leaders are Jews, as are the top men in their intelligence apparatus, the K.G.B. Other top members such as the Director of Foreign Operations and the Finance Minister are Jews.

37.) The Jewish claim that: "Wars are the Jews Harvests," made by a Rabbi Reichorn, at the funeral of another Rabbi in Prague in 1868, can be substantiated by much documented evidence. As early as 1937, our government, in the face of violent opposition by the American people, had already determined to get us involved in the European war against Germany. While President Roosevelt was giving his famous **fireside chats**, in which he promised Americans: "I hate wahl and will nevah send American boys to fight on fawn soil. Nevah! Nevah! Nevah!" He was already working with Winston Churchill of Britain to bring us into the war. He was backed by his chief Jewish advisors. There is little doubt that F.D.R. got us involved to gratify his vanity over his third term election and to please his Zionist mentors. These facts are carefully documented in the book "**FIFTY BILLION DOLLARS**", written by Jesse H. Jones, former Secretary of Commerce and published by Macmillan Company in 1951.

Regardless of F.D.R.’s denials, and he was not the first or last American President to lie to
the American people, he was eager to get us involved in World War II and make him the first third term President in our history. Some of you may remember the Democrats' war cry of this period: "We can't change the horses in the middle of the stream!"

The powerful Zionist controlled elements in the Democratic Party, regarded with composure, and even some enthusiasm, the killing of as many Christians in Europe as possible, and the elimination of what they called the hated Aryan race. This hatred of all things German and White, did not come because of Adolf Hitler, but because Germany was the only Christian nation on the Continent at this time which stood up against International Jewry and attempted to stop it's march towards One World conquest.

In 1942, when American General George Patton, and British Field Marshal Montgomery, came up with a plan to attack Germany through the soft under belly of Europe, it was vetoed by F.D.R., Churchill, Eisenhower, and of course Stalin. Instead they held out for the Normandy invasion month's later, which gave Stalin the opportunity to consolidate his hold on Eastern Europe. It also cost millions more in lives, and countless billions of dollars, most of it coming from America.

When I mentioned Aryans, I am referring to the racial stock, that made up most of original America, I prefer Adamic - English, Irish, Scotch, Welsh, German, Dutch, Scandinavian, Latinos, Slavs, and those of like descent.

The Zionist power bloc in our Congress, demanded the Unconditional surrender of Germany as World War II came to a shuddering close, and the implementation of the infamous Morgenthau Plan, (drawn up and supported by Jews). This actually stiffened German resistance and lengthened the war, adding to the slaughter, to International Jewish delight.

The American soldier of World War II was taught to kill the enemy! rather than fight for a cause. This is a Talmudic teaching through and through. It also cost the blood of thousands of Americans, Englishmen, Frenchmen, Italians, Scandinavians, and Germans, in a fratricidal war against our kind, for alien benefit. Many times as I look back on the statement by my hero General George Patton, I remember how he said, "I have come to the conclusion that we fought on the wrong side in this war!" I am inclined to believe him, as it unleashed Zionist/Communism on the world and cost millions of lives and billions in national wealth. Only one people benefited from it. The International Jewish bankers who were responsible for it in the first place.

It is interesting to note how the Talmudic philosophy of killing the goyim, was practiced by the allies against the undefended Christian City of Dresden, Germany, and against Hiroshima and Nagasaki in Japan.

Jewish hostility towards the German people has been boiling up for centuries, and this racial strain today which makes up 25% of our population. The Jews still hate us with the special virulent hatred which can only be found in the Talmud.

If you refuse to believe this, take time to read some contemporary Jewish literature and see contemporary Jewish produced movies. The White Adamite, is always portrayed as the aggressor, while the poor Jew and colored, is the victim. Nothing is ever said about the overwhelming ratio of deaths on the White side. This falsehood is even carried over into
many Christian churches.

The German people in particular are always pictured as the Bad, goose stepping, booted Nazi bullies. Can you imagine the screams of Jewish anguish, which would come if a Christian source would produce a true movie, showing Jewish atrocities against Christians?

When Roosevelt took America into World War II, he set himself up, not against the enemy of our nation, for Nazi Germany posed no more a threat against the Christian West, than Saddam Hussein posed in the Desert Storm action. He set himself and America's might against a Christian nation of our kinfalcons, who next to the English had provided most of the bloodstream that made America great. He set us up as the allies of the anti-Christ's who hated our God, and who threatened to drive God from the skies, while they destroyed white Christian civilization, which had given us our freedom. So thorough was the enemy psychopolitical attack against us, that even our church leaders cooperated in this ungodly action. The sad thing is, that even now, when they know we were wrong, they insist on helping the ungodly. Our Christian leaders need to take a hard second look at 2 Chronicles 19:2 "...Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." Then to compound our sin, we recognized the anti-Christ State of Israel in Palestine in 1948, and we have been on the downward spiral ever since. Jerry Falwell one of the so called Christian leaders involved in this surrender to evil and a leading Judeophile, has stated that God has blessed America, because we showed kindness to the anti-Christ's of Judaism. (Quoting Genesis 12:3 loudly and long. Never telling his people that Abraham was not a Jew, and was never connected to the aliens who now pose as His Chosen people.) Any close and honest look at contemporary American history since 1948, will belie this false statement.

The reason World War II was fought was not only to fatten the purses of the International Jewish arms merchants, who supported both sides of the conflict, but was for the purpose of annihilating Germany, which was the historic bulwark of European Christianity. Germany had to go, to make way for the Zionist New World Order. To be successful, they knew that Germany must be destroyed in Europe, and Canada and the United States in the New World. They had already destroyed the great Russian Christian Empire and we are next on their agenda according to many public statements and books written on the subject. Already America is an occupied country, under Zionist control, and only the Christian Patriot, who is willing to fight for his God and his freedoms stand between them and success. Already these are being harassed by an evil government, and are represented to the nominal Christian world, as hatemongers, and a threat to their security.

Already the Judeo-Christian world is being brainwashed to fulfill Christ's prophecy in John 16:2 - "...the time cometh, that whosoever killeth you will think that he doeth God service."

It was the implementation of the Morgenthau Plan that implemented wide spread violence and looting, and brought Germany to the verge of starvation. There is much evidence to collaborate this. At the end of World War II, Germans were forced to furnish displaced persons with food at the rate of 2000 calories a day, while the German population scarcely subsisted on 900/1100 calories.
Why were our German kinsmen treated with such inhumanity, while the enemy in Japan, who had treated our prisoners with inhuman brutality, were accorded preferential treatment?

Was it because as President Roosevelt said one day in jest: "A little dove flew into the Presidential window and warned me against being too lenient with the Germans." That little dove, was no doubt the Jew Morgenthau's personal representative in the European theater of Operations, who was intent on bringing Talmudic justice against a Christian nation.

All the facts coming from World War II, show that it was not fought to make the world safe for democracy, as we were told, or to protect our nation from a Nazi invasion. It was fought to further Zionist/Communist plans for World Conquest, while weakening the power of the Christian world to stand against them. It is sad to see the large number of Christian leaders in America, who have become traitors and completely disregard the warning given in 2 John 10,11 - "If there come any unto you, who bring not this doctrine (that Jesus is the Son of God), receive him not into your house, neither bid him God speed (help him in anyway): For he that biddeth him God speed is partaker of his evil deeds." To me this means that if you help the anti-Christ of Judaism in any way, then God will hold you accountable for the millions of unborn babies murdered in Jew owned, Jew runned abortion clinics; He will hold you accountable for the youth who have been set on the road to hell by Jewish supplied drugs, pornography, prostitution, and the Satanic influence of Rock and Roll, all promoted by Jews. Think seriously about this. It will be too late when you face Him one day.

38.) Since World War II, Zionist power has kept the American people in the dark regarding their nefarious purposes. In 1950, a well known war correspondent publicly stated in Dallas; "Zionist propaganda is whitewashing the State Department... - the free American mind has been sacrificed we can't resist because we don't have the facts to go on." You won't get the truth, by listening to Peter Jennings, or "60 Minutes" on TV, for they are in the Zionists pockets. It would mean their job if they were to tell us the truth.

This censorship and propaganda has been carried over into the church, where most of our so called Christian people, have been brainwashed, into believing the lies of the enemy, that our worst enemies are God's people, when our Savior exposed this falsehood. Yet fallible men and women, prefer to believe their sold out pastor, rather than the Son of God. How can you deal with people in this frame of rebellion?

Today in America, the anti-Christ's have been elevated as heroes who must be protected at all costs, while the true Christian Patriot is spat upon and degraded!

A few years ago, when I attempted to expose the truth regarding Jewry in the Ft. Collins, Colorado area, I was attacked, not so much by local Jews, as by members of the Ministerial Alliance. When I invited them to attend a breakfast in which we would discuss our differences, not one of them responded. It became quite evident that they did not want to learn the truth, if it was contrary to what they had been taught in their church. This brings to mind Jesus’ words to the Pharisees in Matthew 15:3,9, when He said to them, "Why do ye also transgress the commandment of God by your tradition?... But in vain they do
worship me, (God) teaching for doctrines the commandments of men." Religionists haven't changed all that much in the last 2000 years.

A Unitarian pastor in Ft. Collins said, "From a historical point view, Mohr's ideas are rubbish. A variety of charges leveled against the Jews have been used as a tool to exploit the ghetto."

A Lutheran pastor said: "There is no question that there is a continuous line of descent from Old Testament times to the present in Jewish history," yet even the Jewish leaders admit the falsity of this teaching, as they acknowledge that at least 90% of those who call themselves Jews today, are of Ashkenazi background, which means no blood relationship to Abraham.

The President of the Evangelical Ministerial Fellowship stated: "Mohr's theory of the ten lost tribes being Israel is a perversion that has caused me grief."

The Ft. Collins area Interfaith Council, a coalition of 28 religious bodies, approved a formal response to my message which said: "We are united in rejecting all forms of racism and anti-Semitism, and deplore the acceptance of these in the name of religion."

Another formal statement by the Presbyterian Church said: "Mohr's message did a grave disservice to the Gospel." Yet these religious leaders apparently are not concerned that their false teaching, going against what their Savior said, is harming the church.

What was the message that I preached at La Porte? It was a statement of proven facts, without name calling or rancor, regardich destroy white Christian civilization, and a plea to our people to counteract this through obediance to God! These Christian leaders in their effort to protect the anti-Christ's of Judaism, were willing to go against the teachings of their Savior. Sadly, and frighteningly strange isn't it?

The pastor of the La Porte Church of Christ, Pastor Peter Peters, who sponsored me said, "If you read the New Testament Scriptures objectively, you will find that the Jews were outraged nearly 2000 years ago, when the truth of God's Word was proclaimed. Jesus outraged them and they murdered Him, because they refused to accept the truth. Stephen outraged them for the same reason and they stoned him to death; the Apostle Paul outraged them by saying that "they pleased not God, and were contrary to all men," and finally had him executed. He went on, with a bit of justifiable bitterness to say, "I wonder if Jesus doesn't think shamefully of Christians. who never heard Mohr speak, yet judge him so harshly and condemn him on hearsay evidence. Mohr fought and suffered for this country, and he loves his Savior and God's people. I wonder if my church and I would be getting this harassment, if the guest speaker had been for gun control, and had been espousing homosexuality as an alternate life style. Could it be that the Inter-Faith Ministerial Alliance would have covered the expenses for such a speaker?"

39.) Many American Jews believe that Zionism was created by Theodore Hertz, in the 19th Century. He was the father of modern Zionism. He brought to the surface, a Jewish Movement which had been underground and kept secret since at least the 1st Century A.D., but which goes back possibly as far as 590 B.C. when the Jewish people first formed in Babylon, under their false religion of Judaism. It was here that the "BABYLONIAN TALMUD" was begun, which was finished a thousand years later at the Jewish Seminary
in Alexandria, Egypt.

The dream of Zionism is based on a particular interpretation of the Old Testament. Most Jews, and many Christians believe that God gave the land of Palestine and much of the land now owned by the Arab nations to Abraham and his fleshly descendants. This is a religious belief. The Jews are careful not to point out that the vast majority of so called Jews today, possibly 90%, have no blood connection whatsoever with the seed of Abraham, and Jacob, Moses, etc., were not Jews. There was no people known as Israelites until the time of Abraham’s grandson Jacob, whose name was changed by God from Jacob to Israel.

There were no people anywhere on earth named Jews, until 1200 years after the time of Abraham, when they first showed up in Scripture in 2 Kings 16:6, fighting against Israel.

In all probability the word JEW was not used in the English language before 1700, as it did not appear in any of Shakespeare writings (1564-1616 AD.), or in the first English dictionary, or in the 1611 King James Version of the Bible. The word used there was JUDEAN, which means "an inhabitant of Judea", and does not have the religious meaning given to it today.

Most Judeo-Christian preachers will tell you that the modern Jew has a rightful inheritance to real estate in the land of Palestine, because God gave it to Abraham. This doesn’t hold water when one considers that very few of the modern Jews have any connection to Abraham.

It is this false belief which has been used to create Christian support for the anti-Christ’s of Zionism, and aid them in their plan of World Conquest. It has been responsible for most of the blood shed on earth in the 20th Century.

If the Middle East situation deteriorates into World War III, we can honestly say it was caused by Christians who carelessly handled God’s Word.

Wars are for the most part caused by two things. The real explanation and the phony one which sounds plausible and acceptable, even when it’s false. It was on this false pretext that we were suckered into World War I and II. We were told that these were wars to end all wars, and make the world safe for democracy, when in reality they were wars planned by the International shakers and movers, to gain the world’s wealth and with it the power to control nations and people. The end result being their One World Government.

These International conceived ideas appealed to Christian Americans in particular, who were sick of war, and received the support of many of them. Many of the cream of American manhood died, or were maimed, because we allowed ourselves to be tricked into war by the pressure from the internationalists.

This was not why these wars were fought. Neither World War I or II were fought for American interests or to protect our American sovereignty. They were used foremost to bring into being the counterfeit bastard state of Israel in Palestine. Our preachers and politicians say they are our only allies in this area, when we know they have stabbed us in the back many times, while siphoning off our national wealth, and selling our military secrets to our enemies. With friends such as the Israeli, who needs an enemy? The real
reasons for war are seldom given by our leaders, since the masses of the people who are
called upon to fight and support the war effort, would rebel if they knew the real reason. I
sincerely doubt that if I had known Roosevelt’s real reason for getting us involved in
World War II, that I would have gone to the Recruiting Office, soon after Pearl Harbor,
with my heart full of Patriotic fervor, thinking I would be fighting to save America, when
it was actually to further the aims of the Internationalists.

Few Americans realized that the war in Vietnam was not fought over Communism, but
over tin. South Vietnam was rich in tin, Red China wanted it, but so did a very powerful
clique of International Jewish businessmen. You can guess who won out. Many of our top
military leaders in Vietnam resigned in disgust when they found out that American troops
were there, not to stop the spread of Communism, but to guard the tin mines until such a
time as they had been stripped of their ore.

During those trying days, we heard much about the immorality of the war, and it was an
immoral war. Not because we fought Communism, not because we fought to defend an
ally, but because we allowed our boys to fight and die in a war our leaders never intended
to win while the International Jewish power men who pulled the strings of government,
got rich on the loot they were stripping from South Vietnamese mines, and the armament
they sold to our Communist enemies in Russia and China, that killed Americans in South
Vietnam.

We let South Vietnam go, because our government never had any intentions of winning in
the first place, and it was only a holding action, until the Internationalists got what they
wanted.

Likewise, the so called Korean Police Action fought 1950-53 was not to save South Korea
from a Communist invasion, but to protect some of the richest gold deposits in the world,
which Internationalists needed for their plans.

At this time the politicians in Washington publicized the Domino Theory, telling the
American people that we must fight the Communists to keep all Southeast Asia from
falling into their grasp. When that was not the real reason for fighting. We need to
remember, that the “Talmud” teaches these men to be absolutely amoral. There is no law
but their own; they answer to no god, but their greed for gold and power. To them, the end
justifies the means, even if it means millions must die as a result. It’s hard for the average
decent person, even the non-Christian to understand this. I believe we have such a man at
the helm of America now in the person of President Bill Clinton. In spite of his professions
of faith in God. I believe he was so well trained in Talmudic principles as a Rhodes scholar,
that he would deliberately destroy America if he doesn’t get what he wants. Not judging,
but by their fruits shall ye know them.

Go back in history for the last 100 years and you will find that every war we have fought
has been for the false principles of International Zionism. The Civil War was not to free the
slaves, or even over the issue of slavery, but over the matter of states rights. The
Spanish/American War, World War I and II, Korea, Vietnam - none of these were fought
for the well being or safety of America.

The present trouble in the Middle East, which could easily escalate into World War III is
being fought for the benefit of "those who say they are Jews, and are not, but do lie, and are of the Synagogue of Satan." (Revelations 3:9) We are not spending millions of American dollars each month to bomb Iraq because they pose a threat to us, but to the Israeli, who come first in our government calculations. The misery and deaths of millions of innocent Iraqi men, women, and especially children, means nothing to them, as long as their enemy is held in check.

When history books give you a reason for war, it is usually couched in terms favorable to the winner. Justice and truth is seldom given to the loser's cause. If you study modern college history books, you will know why. You would not recognize them when comparing them with those written 75 years ago. A good example is a high school history book I saw in a New Jersey High school following the Korean War. I was scheduled to speak to a large history class on the reasons we fought in Korea. While waiting for the teacher to escort me to the classroom, I picked up a copy of a High School history book, and being a Revolutionary War buff, I turned to that part. Imagine my surprise and disgust to read, "many things you have read about this war are not true. It has been proven for instance, that Paul Revere did not ride the night the British attacked Concord and Lexington, to warn the people, since he was drunk in bed with a prostitute in Boston that night." No proof, just this statement!

This is why I have written this book, and gone to such lengths to document it. First, I want you to think for yourself, second, I want you to find out what God’s Word says about the state of current affairs, thirdly, I want you to take a stand as Christian men and women to stop this evil which is engulfing us. Only by doing this, and obedience to God, will we remain free!

Today the Judaism known in the Old Testament is as dead as the proverbial dodo bird. It can never be revived. The religion known as Judaism, is as I have shown an alien, occult, heathen religion of violence, hatred and treachery against all mankind who are not of their clan, with special virulence towards Christians whom they hate above all others.

There may be some superficial similarities between modern Judaism and what Moses taught. Modern Jews do not follow the teachings of Moses, as we Christians have been led to believe. Jesus clearly showed this in John 5:46, "For had ye believed Moses, ye would have believed me: for he wrote of me." There is much similarity between modern Judaism and the ancientxprerisee of 2,000 years ago, and Jewish authorities say they are the same.

It seems strange and sad, to see intelligent Bible scholars and pastors, who claim Christ as Savior, who accept Old Testament Scriptures which were fulfilled in Jesus, yet they refuse these same Scriptures when applied to true Israel, and credit them to the anti-Christs of Judaism instead.

To further complicate matters, they insist that the pseudo Jews who fulfilled none of the prophetic fingerprints of Israel in this Age, and who have proven themselves to be Christianity’s bitterest enemies, yet they dignify and honor them by calling them God’s Chosen.

Recently I spoke to a Fundamentalist pastor of a great Midwest church who was prominent at that time in the Moral Majority. He was bewailing the fact that although he
had supported the Jews, they were his bitterest opponents. why? he cried in obvious confusion. Yet when I pointed out that this was the nature of the Talmudic beast, and that it fulfilled all the requirements of the anti-Christ, he refused to accept it and when I read 1 John 2:22,23 to him, "Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: [but] he that acknowledgeth the Son hath the Father also." When I asked him if the Jews filled this description, he got angry with me.

How in the world could the Word be any plainer? Referring back to 2 John 11, remember if you help these anti-Christ's in any way, you automatically become partaker in their evil deeds -

If anyone of you who read this book believe that present day Judaism is based on the books of Moses, what we call the Pentateuch, then you probably also believe in the tooth fairy.

It is a fact, which few Christians seem to understand, that most Jews know very little about the Old Testament. Someone once said, "A Fundamentalist Christian is one who believes the Bible from cover to cover, but knows very little about what's in between."

This may be somewhat of an exaggeration, for I know many Fundamentalists like Jack Van Impe, Jerry Falwell, Pat Robertson, and David Webber, who are educated men, who seem to be following the formula mentioned by the Apostle Paul in 2 Timothy 3:7 "Ever learning, and never able to come to the knowledge of the truth." I am of the opinion that most of these don't want to know the truth, for it might force them to change their minds. This isn't easy to do, as I can testify from sad personal experience.

I believed some of the fables concerning the Jews being God's Chosen for 45 years, and preached them, not because I could find them in the Book, but because I thought they were there. That's what my church leaders said and they were the experts in God's Word, so I believed them. So why should I worry over whether they were telling me the truth? It took the dynamite of God, through a traumatic experience in my life, to blow away the Jewish fables, to where I can now read my Bible and see what its really says, not what some preacher or Bible scholars says it says. I have had concerned friends ask me if I wasn't sorry for having accepted the Kingdom Identity Message? and I must honestly say, that after 18 years in Identity, you could not pay me to go back to the weak and beggardedly elements, of Judeo-Christianity.

The average Jews knows very little about the Mosaic teachings, although they may be well versed in the absurdities of the Talmud. According to their own figures between 70% to 80% of the Jewish people are either agnostics or outright atheists. They go to the synagogue on the Day of Atonement to say the Kol Nidre Prayer? which absolves them from keeping any promises they make in the coming year. This allows them to lie and cheat the stupid goyim, it is to their advantage. They say they follow the Old Testament, because that's what the Rabbis tell them, yet few of them know what it really teaches, and they are being fed the occult falsehoods of the Talmud.

It's the same with many Christians, they believe a certain way because they have a Scofield Bible and that's what Dr. Scofield says in his footnotes, and if he said it, it must be true!
Few of them are honest or concerned enough to check out this charlatan and see the kind of man he really was, if they knew the true about him, they would be shocked and disgusted, and would not be so anxious to propagate his often false teachings.

Since World War III may very well hinge on what the Bible foretells, it would behoove thinking, caring Christians and Jews alike, to find out what Scripture really says.

I dare you to take this book we call the Bible and sit down with a good concordance and without any preacher looking over your shoulder telling you what it means, and see for yourself. This is what the Apostle Paul meant when he told the young pastor Timothy, "Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing (handling) the word of truth." (2 Timothy 2:15) Many Christians read God's Word, but few are honest and concerned enough to really study it.

We Christians in 2000, are a lot like TV viewers. The President makes a speech, and immediately some high paid commentator comes on to tell us what the President meant. They evidently feel that us common folks can't understand plain English. The same is true of many church goers, they listen to a sermon and believe it because their pastor said it was so. Very few of them bother to check and see if he is teaching Scriptural truth. In this manner apostasy creeps into the church and ruins it's witness, as Christians are led astray by fables, instead of the truth!

During the Dark Ages, the Roman Catholic church believed that only a priest, trained in their seminaries, was capable of reading and interpreting the Bible. The Bible was chained to the pulpit, so that the average Christian could not read it. It was also written in Latin, which the average person didn't understand. In this way, the church could change Scriptures at it's whim, to follow the encyclicals that came down from Rome. Many of it's teachings such as the "Assumption of Mary", and the teachings regarding Purgatory, were not taught in the church until hundreds of years after it's formation. The protestant church, which broke away from Rome during the Reformation has done very little better! They still accept and believe Jewish fables.

Many Christian pastors, especially those in the lucrative field of TV evangelism, refuse to preach the whole counsel of God's Word, because it would cut them off from national TV which is controlled by the enemies of Christ.

In Jeremiah 23:22, we are told that if the pastors of Israel would, "if they had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil way, and from the evil of their doings." This hasn't happened and is a terrible indictment against the message being preached in our Christian churches today. It's the basis of the corruption we see in America as this millennium begins -

In all due honesty, many Christian pastors know little more about their Bible than their parishioners do, for they too are influenced by what mentors have taught them. Why bother to check out the Book for themselves when some seminary professor has done the work for them?

They are so busy with the demands of modern church life, weddings, funerals, visiting the sick, counseling, and all the important Rotary Club meetings, that Sunday rolls around and they have not prepared their Sunday sermon. NO WORRY! On their bookshelf is a
book by Doctor So and So's sermon outlines. It gives them the text, illustrations to use, and even a few funny stories that may tickle the congregations fancy. In thirty minutes the pastor can prepare a thirty minute sermon to use on Sunday. The problem is, what he gives his people is what the good Doctor believes, and this is not necessarily what is in God's Word.

I could go on and on about the general ignorance in God’s Word, displayed by a majority of church goers, Jew and Christian alike, but I want you to understand that Jews do not believe and follow the Old Testament.

40.) Since World War II, the power of International Jewry has expanded enormously until today, in the United States, we see a special virulent form of anti-Gentilism in operation. (By anti-Gentilism, I refer to anything which is not Jewish in origin.) While the Jews continue to do business with the goyim, they hate and despise us secretly, especially if we are Christians, and many times this hatred creeps into the open, especially when it concerns Christians who have the courage to expose their plans for World Conquest.

For far too long, through the power of their purse, and fear of the Jews syndrome, they have brainwashed normal patriotic and intelligent Christians into supporting those who hate and are trying to destroy them.

These sheep like Christian brethren are under pressure from anti-Christian forces which exerted this same pressure and terror against that little band of Christians who first made up the nucleus of the Christian church in the 1st Century A.D.

We see the fear they generated in John 20:19, which tells about the experience of these first Christians: ”Then the same day (the day of the resurrection) at evening, being the first day of the week, when the doors were shut where the disciples were assembled for fear of the Jews,...” It was into this fearful assembly that the resurrected Christ came, and oh how we need to hear His reassuring voice today as He said to them, ”Peace be unto you.” We need to listen to this voice in the fear filled days of 2000. How our average Christian people need to get their eyes off the alien Jews, and focus them on their King!

It seems almost as though Kosher Christians like Jerry Falwell, who brag about being a Christian Jew, are offering salvation to America through the Jews, rather than through Jesus Christ. Recently he has been making overtures towards the Sodomites, inviting them to his church for a meeting of reconciliation, when he knows, God’s Word says they are worthy of death! (Romans 1:32). Why does Falwell preach what he knows is a false gospel? Is it because he knows this will please the Jews, and wants to stay in their good graces?

Whit thes Billy Graham, preach a watered down Gospel he knows is false, in order to fill the football stadiums? He has publicly said that the Jews do not have to come to God through Jesus Christ, although for years he preached the truth, that, ”No man cometh unto the Father but by me (Jesus)”, (John 14:6). Why does he teach that interracial marriages are all right, if both parties are Christian, when he knows God looks on this as a cardinal sin and His Word teaches otherwise? Could it be that he is more interested in the praise of men, than the approval of God? Why do these men and others like them say that America will be saved if we are kind to the anti-Christ's of Jewry?
I have received many letters from the Billy Graham Crusades asking for money as it repeats over and over again, *ad nauseam* the lie that the Jews are God's Chosen. Yet you can find no place in Scripture where it says this.

If American Christians would only understand the truth, that Jewry has spent billions of dollars to put the *stupid goyim* asleep, while they are being destroyed, they would never have been able to hide their nefarious plans behind a *smoke screen* of religion.

The Jew Rosenthal in the shocking Rosenthal document said, "Money is more important to us than morality. We can accomplish anything with money. We are proving that in Israel where its strength against attack is a permanent state of war readiness. We can now win in any encounter and the kibbutz raised intellectual elements are going to build that small country into a Middle East wonderland. It will eventually be the base for World Government Headquarters." What does God's Word say about this? Study *Malachi 1:2-4*, especially verse 4 - "Whereas Edom (true Jews are Edomites, see *John 8:33*) saith, We are impoverished, but we will return and build the desolate places; thus saith the Lord of hosts, They shall build, and I will throw down; and they (true Israel) shall call them (Jews). The borders of wickedness, and, The people against whom the Lord hath indignation (anger) forever." So much for your Chosen People Theory!

I am not one of those equally *brainwashed* people who believe that the Jews and the aliens are the source of America's problems. I believe, with a great deal of Scriptural backing, they are the effect of White Christian *disobedience which* the cause of our problems. God is using them as a disciplinary tool to bring His people back into *obedience* to Him.

*If* our White Christian people ever understand who we are and our responsibilities to God and our fellowmen, then we will understand that the blessings and curses of *Deuteronomy 28* were meant for us, as well as for our ancient forebears, and we will be well on our way to putting our only *FORMULA FOR SURVIVAL* into operation. *2 Chronicles 7:14* - "If my people, which are called by name (Christians), will humble themselves, and pray, and *seek my face*, and *turn* from their wicked ways; then will I hear from heaven, and will *forgive* their sins, and will *heal* their land."(Emphasis mine)

I realize that many Christians who read these words, if you have had the courage to read this far, do not expect to be around when this trouble breaks like a tidal wave over America. It can come at any time, and you are not going to be rescued by some supernatural *Rapture*, which is taught nowhere in God's Word. How can you have the nerve to believe that you will be taken out of this trouble, when it has been your Christian apathy that has caused it? How can you look at the millions of Christians who have suffered for Him, and believe this? Have you ever "suffered unto blood, striving against sin?" (*Hebrews 12:4*)

In 1933, a much maligned man named Adolf Hitler began to see the truth in Germany. He made plans to *kick the money changing troublemakers* out of Germany. There is no documented evidence that he planned to eliminate the Jews, as we have been so religiously told, and if you are honest and willing to do some background study you can see this. If you look around America, you will find many of the Six million who were supposed to have died in the Holocaust, now making a living off their horror stories,
while nothing is ever said about the millions of German people who were murdered by the allies during the war and afterwards.

America has gone past the place reached by Germany in 1933. We are very close to the point of no return, if we have not passed it. There is only one hope left for us. It is not in the election of a new government, although this is very important. It is not in return to the Constitution, although this would alleviate many of problems. We are past the place where these things will bring us peace and safety. The International Jewish Talmudists have too much of a strangle hold on America. We stand on the same spot our founding Fathers stood in 1776. The only way we will have the country return to decent government and a decent country, is when White Christians in America, first learn the lesson of obedience to God, and then if necessary, under His command, take our nation back by force from the aliens who have invaded us. Our battle cry, needs to be that of our forbears: "Resistance to ungodly tyranny, is obedience to God."

I forgot, many of you good christians will have been Raptured away to the never, never land call heaven before this time comes. While the rest of us poor suckers, who have tried to oppose the enemy will suffer under the hellish persecution of the anti-Christ. (A clever twisting of the Scriptures can produce this belief.) It has turned millions of potential soldiers of the cross, from front line combatants who are occupying until He comes, into spiritual foxhole dwellers, who hide in a comfortable spiritual foxhole while the battle rages folding your holy hands in prayer, while you ask Jesus to rescue you from the results of your own selfish apathy. I hardly believe it will work this way. No matter what your pastor tells you. For as Jesus discussed these days with His disciples in Matthew 24:21,22, He said, "For there shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened." (No place in Scripture are the Jews ever referred to as the elect.) This is a term indicative of Sonship, which can only come from complete sell out to the King. I believe it goes far beyond being merely born again. It means turning our life over to the King, and to stop doing our own thing. Many Christians talk about wanting a mansion over the hilltop that is silver lined, when their Christian life has been a straw gathering one, and this is the shoddy material they have sent to build their heavenly home. Paul talks about this in 1 Corinthians 3:13 - "Ever man' S work shall be made manifest: for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is." Verse 15 - "If any man's work (hay, wood, stubble) shall be burned, he shall suffer loss: but he himself himself shall be saved; yet so as by fire."

2 Timothy 2:12 - "If we suffer (endure), we shall also reign with Him: if we deny Him, He also will deny use:" (We deny Him when we seek relief from occupying until He comes!)

Revelations 3:21 - "To him that overcometh will I grant to sit with Me in my throne, even as I also overcame, and am set down with my Father in His throne." You won't rule and reign with Him by being a foxhole dweller. No where are Christians granted relief from persecution. For He said, "As they persecuted me, so shall they persecute you, Rejoice and be exceeding glad: for great is your reward in heaven:"

Acts 5:41 - "And they departed from the presence of the council, rejoicing that they were
counted worthy to suffer shame for his name." This was after they had be beaten by the Jews religious leaders.

When the Apostle Paul asked God to relieve him of what he called a thorn in the flesh, he received this reply: "My grace is sufficient for thee: for my strength is made perfect in weakness."

We know people will be saved during the Tribulation for John in his revelation vision saw vast numbers of them (Revelations 7:14).

So before you are fooled by a false doctrine that says you will be saved from the tribulation, ask yourself: "Why should God save me, when I've done very little for Him? I've never really suffered for Him, while millions down through the years died for Him?"

Some are even today being persecuted by Jewish Communism."

Was Romans 8:17, written for some other Christians besides you? "... if so be that we suffer with him, that we may be also glorified together."

How about Philippians 1:29 - "For unto you (born again Christians) it is given in the behalf of Christ, not only to believe on him, but also to suffer for his sake;"

Listen to me, my Christian friends, very carefully. Do you "glory in tribulation for His sake?" as we are told to do in Romans 5:3 or are you hiding in your comfortable, air conditioned spiritual foxhole, praying for Him to rescue you? Christians who do this demand our pity, for they will never receive the Lord’s approval. It could be that they may be among those who will tell the Lord how much they have done for Him, only to have Him say: "And then I will profess unto them, I never knew you: depart from me, ye that work iniquity." (Those who have refused to obey Me.) (Matthew 7:23)

Ask yourself honestly. If my pastor lied to me about the Jews, could he also be lying about the Rapture? It's a great tool for an evangelist to use to get people to come forward to the altar, but it's a false promise. I'm ashamed to say that I used it effectively many times, before I learned the truth.

What do you actually think, Jesus meant in Luke 21:12, when He said, "But before these (remember He was talking about the tribulation, in which there would be wars, famines, earthquakes, pestilence, and fearful signs in the heavens), they (ask yourself who this they may be) shall lay their hands on you, and persecute you, delivering you up to the synagogues,..." There is only one people who worship in synagogues. Be honest now and realize that Jesus is speaking about intense, Jewish persecution of Christians, not only in the First Century A.D., but in these last days. Your pastor can't honestly get around this by any amount of religious waffling.

41.) Nothing will be accomplished if Christians continue to deceive themselves. It may frighten you to face the horrible truth, but the facts will not change because you don't like them.

Some Christians have read the remarks made by the wealthy Jewish writer Marcus Eli Ravage in the January issue of the "CENTURY MAGAZINE", 1928. Here he admitted that all our wars and revolutions have been caused by Jews.
The well known French author, L.F. Celine, in his book "THE SCHOOL OF CORPSES", writes: "All wars, all revolutions, are positively nothing but programs (organized massacres) of Gentiles, arranged by Jews."

Samuel Untermeyer, a very powerful and influential Jew, stated in the "NEW YORK TIMES", August 7, 1933, "The Jews are the aristocrats of the world." They love to brag about their superiority over the stupid goyim. Referring once again to the Harold Rosenthal Document, page 10, he says, "There will be forced class warfare here in the United States and many will be liquidated. You will unquestionably be among them. We Jews will not be harmed! I'm not boasting now! I'm giving facts! It's too late for you Christians to put up a defense. That time is long past. Long, long ago we Jews had to become the aggressors. That undoubtedly is one of our great purposes in life. We are aggressors!" He continues on page 16 - "We have castrated society through fear and intimidation. Its manhood exists only in combination with a femanized outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with concerns of the future and their posterity, but only with present toil and the next meal."

I thought about this the other day, as an underdog University of Arkansas football team, defeated #3 university of Tennessee in a thrilling football game 28-24. The crowd of some 55,000 went absolutely wild, and the Arkansas coach actually broke down in tears. Dignified men and women, noted for their composure, went wild, and acted like little children. Yet I sincerely doubt, that you could get 500 of that crowd, to attend a meeting, where present day problems were discussed from a Christian viewpoint. They just don't care about anything but that which brings them momentary pleasure, and have lost that important value in life called proper priority!

The RAPTURE DOCTRINE has supported Rosenthal’s report by appealing to this non-Biblical doctrine, which allows Christians to escape from the responsibility they have of obeying God’s Law here on earth. It is another of those Jewish Fables, (Titus 1:14) made especially for the gullible goyim to lead them astray.

The following letter, written by a wealthy Jew in the 1940's shows how a concerned Jew feels about his own people: "By our arrogance, we Jews are responsible for a rapidly growing wave of anti-Semitism, and, what is even more dangerous to us, Gentiles are discovering that anti-Semitism is a misnomer invented by us to cover up our own anti-Gentilism.

"Among educated Gentiles, are many who know that Syrians, Arabs, Ethiopians, Absynniians, and millions of Levanties are also Semites, and that the term anti-Semite, once a smoke screen, is rapidly turning into a fire. Further, millions of Gentiles have studied the "PROTOCOLS OF THE LEARNED ELDERS OF ZION", which we have endeavored in every possible way, by spending huge sums of money, to discredit as a forgery. We must admit, that in no instance have we been able to disprove this document.

"It is more than asinine for a group of professional Jews to admit, and even prove (in the Jewish magazine, "MEDICAL LEAVES", Volume IV, page 143, 1942) that the Protocols were actually written by a scholarly Jew, Dr. Eli de Cyan in Paris
"You recall that Protocol IX says that the term anti-Semitism is our creation. 'De facto' we have already wiped out every kind of rule except our own... Anti-Semitism is indispensable to us, for the management of our lesser brethren.

"Recall also Protocol V, in which we shall increase and intensified governments we can control; then take a close look at the New World Order.

"It is interesting to note that in 1920, Pope Benedict XV called attention to the need for a family of nations, to safeguard society. The later, the Pope warned against: 'The advent of a Universal Republic, which is longed for by all the worst elements of disorder, and confidentially expected of them.'

"Why then do we see in 1941, Pope Pius XII speak in favor of World Union?

"The explanation can be found in Louis Ferdinand Destrouche's book "THE SCHOOL OF CORPSES", page 198, where he says, "Nothing is more Jewish than the present Pope, whose real name is Isaac Ratisch. The Vatican is a ghetto. The Secretary of State of the Vatican, Pacelli, is also a Jew.

"Gentiles who know this are beginning to understand why Pope Pius XII is advocating a global Super Power directed by a handful of men for an unscrupulous dictatorship, although the Catholic Church has always been considered as a bulwark against the monstrosity of a World Government.

"A French priest told me that Jews were responsible for the starvation and torture of German prisoners in France, where he saw many who looked like skeletons. (Of course you never hear about this in the controlled media or in TV, where it is always the poor, persecuted Jews, who are shown and many of these are posed pictures.)

"Churchill was a Jew - blood through his Jewish grandmother, and President Roosevelt's Jewish ancestry in no longer secret, since this revelation was published in the Washington Star, February 29, 1936.

"General Dwight Eisenhower was known at West Point, as 'the terrible Swedish Jew', and his hatred for the German people was well known. In a letter to his wife Mamie, he wrote, "God, how I hate the Germans!" (UNQ)

"Eisenhower's actions after the war prove this Jewish hatred and desire for revenge against the German people, as he deliberately allowed over 2 million soldiers and civilians to starve to death, in a planned program of extinction." (See "OTHER LOSSES", by James Bacque, of Toronto, Canada, for confirming statistics.)

While we are told in 2 chronicles 7:14, that humbleness is one of the ingredients that brings healing to any nation or people, we have seen very little of humbleness on the part of White Christian Israelite Americans who still make up the spiritual strength of America. Instead, we often see an overwhelming pride, which must cause a stench in the nostrils of God Almighty. Men like Dr. Billy Graham may fill football stadiums, while men like Pat Robertson and Jerry Falwell speak to full, large church audiences, and charlatans like Paul Crouch of TBN and Jack Van Impe, may speak to millions over controlled TV, this is not the sign of spiritual success, or God's approval. It means they are conforming to the world, in order to be popular. That the approval of men, means more to them than the approval of God. "For by their fruits shall ye know them."

We pray, Yes we do! We hold National Days of Prayer, where millions gather and fizz for an hour or two beseeching God to save them from the horrible results of their own Christian apathy. We hear very little about truth, that obedience must accompany prayer to be successful!
Very few of our so-called Christian people consciously seek God's face, and will in their life. This is proven by the fact that they refuse to give up doing their own thing, whatever that may be, to follow Him in obedience!

You may believe that I am being prejudicial and judgmental, which to many in the Judeo-Christian church is a cardinal sin, although Christians are told in 1 John 4:1 - "Beloved, believe not every spirit (spoken word), but try (test) the spirits whether they be of God: because many false prophets are gone out into the world." Just because some preacher states something in the truth, doesn't necessarily mean it is true. It must confirm completely to what the Word of God says. How many of you who have read thus far have taken the time and effort to check out the veracity of your pastor's words. This doesn't mean that you don't trust and believe him, unless he's given you reason to, but that you are "shewing yourself approved unto God; a workman that needeth not to be ashamed, handling rightly the Word of Truth," (2 Timothy 2:15). If most Christians did this, their pastors would be inclined to check out what they were teaching.

So we gather at some Interfaith Pray Meeting, and listen as some national figure, it might well be a Jewish Rabbi, who speaks to us about the necessity of love and deeper understanding between religious bodies, when we fail to realize we are forgetting the warning of 2 John 11, that if we give them God speed, in any way, we become partakers in their evil deeds. They wonder why God does not hear and answer our prayers.

So we mix the heathen element of the country. We listen to their music and allow our children to play it in our homes, even buying it for them. We often use heathen terminology in our everyday conversation; we follow the same lustful pleasure the Babylonian system offers, and wonder why God does not hear and answer! Our nation has become Africanized in the last fifty years, in a so called Christian effort to show brotherly love, to many who hate Him, and wonder why our children have turned into savages. They follow the lusts that are brought forth from their Satanic African rock and roll music. How many of us even play it in our churches under the excuse, we need to get the young people into church and it's better to have them listen to it, when it has Christian words, than to listen to it at some honky tonk. The Apostle Paul condemns this in Romans 3:8, when he says that we must be against those who say, "Let us do evil, that good may come?" That those who do are under just condemnation.

As for American Christians turning from their wicked ways. Most of them have been having too much fun, under the Babylonian System. Ask the average teenager what they want most out of life, and they will probably tell you: "We want to have fun and live life to the fullest." This is what has prompted such popular ads, as "You only go around once in life, so live with gusto!" To you're come a long way baby!, Don't let those Christian fuddy dudettes spoil life for you! Their parents are just as bad, for when they have a sizable nest egg, laid away, they say: "I'm fixed for life, I take it easy now!" Jesus told about such a man in Luke 12:19,20 who said, "I have much goods (wealth) laid up for many years; I'll take my ease; eat, drink, and be merry." And God spoke to him in verse 20 - "...Thou fool, this night thy soul shall be required of thee: then whose shall those things be, which thou hast provided?" Verse 21 - So is he that layeth up treasures for himself, and is not rich toward God." In other words he puts himself and his family, before God. There are those in the Kingdom Movement, who do this. They preach about how necessary it is to preserve the Constitution, and this is important; they want to preserve freedom, and this is desirable, but they have an improper priority, and do not understand that in order to have these good things they so desire, they must put God first in their lives. If we can get our White people to understand and do this, the battle will be more than half won!

For over eighty years, Americans have danced to the music of the Babylonian symphony, and enjoyed it. Now it appears that we must pay the band, and the price is horrendous. It may mean loss of freedom, or for some of us loss of life. Has it been worth it? Of course not! But like our stiff necked Israelite forbearers, we still do evil in the sight of the Lord, and God must discipline us, because we are His children and He loves us, (Hebrews 12:6,8). (Also take time to read the ancient
history of our people in the book of Judges.) Notice how many times it says, "And Israel did evil in the sight of the Lord, and the Lord sold Israel into the hands of their enemies!" Must this be repeated before we learn our lesson? Must we be knocked to our knees, and have our nose rubbed in the dirt, before we will listen to God, obey, and be saved, both spiritually and physically?

There is a key verse to survival found in Galatians 6:7. It was written to, and for, and about White Israelites in the church at Galatia: "Be not deceived; God is not mocked: for whatsoever a man/woman soweth, that shall he/she also reap." It goes on to say that if we sow to our fleshly lusts, whether it may be sex, riches, worldly popularity, etc., we will sow corruption, but if we sow spiritual things, (put God first in our life), we will reap life everlasting. Then Paul encourages Christians by saying, "And let us not be weary in well doing: for in due season we shall reap, if we faint not." We have far too many weary willies in the church these days, who want Christ as Savior, all right, but they want Him as a sort of Celestial Fire Insurance Policy to keep them out of hell. They do not want Him as King, although they may sing about it in their church, for when He is King, He must take first place in our life, before everything else: before self; before wife or children; before our country. He must have first priority in our lives. When we give Him this proper devotion, then: "all these other things will be added unto us," Matthew 6:33.

If we refuse to obey, according to Deuteronomy 28:49,51 we can expect Him to, " bring a nation against thee (Israel) from far... as swift as the eagle flieth (possibly an airborne invasion?); a nation whose tongue (language) thou shalt not understand; A nation of fierce countenance, which shall not regard the person of the old, nor shew favor to the young: And he shall eat the fruit of thy cattle, and the fruit of thy land, until thou be destroyed:...." Is this what you want for America?

Stop here and take some time to study Ezekiel 38,39, this attack which will come against the Israel nations of White Christendom, not the anti-Christ's of the Israeli in Palestine, will come in the latter days. I believe history and Bible prophesy proves we are living in those times.

Anti-God Communism is not dead, even though conservative newspapers like the "Spotlight" say it is. It has merely changed it's name and now masquerades under the title of International Zionism. It has the same purpose as Communism. That is World Conquest.

"THE AMERICAN HEBREW", the leading Jewish newspaper in America, in it's September 10, 1920 edition stated: "The Bolshevik Revolution was the work of Jewish brains; of Jewish dissatisfaction, of Jewish planning, whose goal was to create a New World Order. What happened in Russia, shall also through this same Jewish mental and physical force, become reality in America, and all over the world."

Ask yourself why since 1987, when the Communist world was supposed to have come to pieces, the Communist breakaway nations of the old U.S.S.R. (all of whom are headed by hard nosed Communist Jews), have increased their aggressive military strength by 30%, while the United States has reduced ours to it's lowest level since World War II?

While we have not built a nuclear carrier in the last decade, these Communist nations are floating two per year. While our submarine force has been practically disarmed by Presidential order, and we built no nuclear subs in the last decade, they are turning out two a quarter, all offensive weapons.

Back in 1945, Dmitri Manualisky, a Russian Diplomat who was the head of the United Nations Security Committee, said, "We are not strong enough to attack now. So we will offer the Free World unheard of peace overtures, and the Christian Capitalist nations, stupid and decadent, will leap to become our friends. They will willingly cooperate in their own destruction. Then when their guard is down, and they have gone to sleep, we will smash them with our clenched fists!" The Bible says of people who are not on the alert, 1 Thessalonians 5:3 - "For when they shall say, Peace and safety; then sudden destruction cometh upon them . . . and they shall not escape."

Whether you want to accept it or not, the Zionist/Communist invasion has already begun. They are
here with their military and their heavy equipment, training on American bases for the day when they will be called on by their Zionist overlords, to take over this once Christian nation.

As I write this, there are already more than 80,000 Russian troops on American soil, using our railroads and highways, and training on our air bases; yet the traitors in the White House, and many in Congress refuse to admit this truth, and call those of us who sound the alarm to warn our people, of coming danger; extremist terrorist who are a danger to our country. This is the Orwellian method of double think, and double speak!

Are they preparing for that day when the enemy will think an evil thought and say, "let us go up against a land of unwalled villages, where the people are at rest: and take a spoil of cattle and goods." (Ezekiel 38:10,11) There is no way this Biblical description fits the land of Old Palestine, as our JC pastors teach. It fits North America to a "Tee".

We know that since World War II, thousands of enemy agents have infiltrated our nation and the government. Many of them are trained in the art of warfare. Over 50,000 Russian Jews have been given free access to this country, although our State Department knows many of them are practicing Communists. Are they preparing for the day when their overlords will sound the attack?

With the promises available to us from the Scriptures, which we know will work, because God cannot lie, why do our people, especially professing Christians continue on the path to National suicide? I know some say, "It won't happen to us, for there are too many born again Christians in America," while others take comfort in a FALSE RAPTURE and believe they will be gone when it happens. It seems like the height of stupidity, and in my opinion it is!

One of the sins that Israel committed when they worshiped the golden calf in the wilderness, was that of unashamed nakedness, Exodus 32:25 says, "and Moses saw that the people were naked; (for Aaron had made them naked unto the shame among their enemies:)" It was then that in great anger Moses broke the tablets of the Law that God had given to him. Have we learned anything since 1491 BC? Apparently not, for today we see so called Christian women and girls, on the summer beaches, and swimming pools of our land exposing themselves, many times for all intents and purposes naked, causing Christian men and heathens alike to lust after them. Then they wonder why their daughters become pregnant before wedlock, and why sexual sins run rampant in the land. The enemy glories in this, and you will find that most of the push towards immorality, is carried out from Jewish sources.

I can remember when Christian youth camps kept boys and girls apart during swimming sessions. Now the Christian counselors often appear as near naked as the law allows.

Because of the laxity in Christian morals, the enemy scoffs at our religious beliefs.

One thing I have always admired about SCRIPTURES FOR AMERICA’S SUMMER CAMPS, is that they always require both men and women to dress with modesty. You will see no bikinis on our beautiful Israelite women and girls, nor will you see men or boys parading around showing off their naked bellies and hairy chests. Yet our young people have as much fun as any group at secular camp, noted for it's liberalism. You will also find no more disciplined and gracious youth than you will see at these Identity camps. In my days as an evangelist, I was called on frequently to correct church youth, who were whispering and giggling while a meeting was in progress. I've never had to do this at any Identity meeting. Almost without fail, the Camp Director will comment on the graciousness of our youth during camp, and have remarked on several occasions that they were far better disciplined than most church groups who used the camp. They are a joy to work with. This doesn't happen automatically, but is a mark in favor of the parents who bring up their children to be Christian ladies and gentlemen.

These are the youth the enemy want to destroy, for they know that when they reach adulthood, they will not be taken in by the anti-Christ's elements which would destroyed everything we hold dear and sacred.
In their textbook "PSYCHOPOLITICS", page 28, they say, "In the case of strong leaders among youth groups, a Psychopolitical operator must work many ways to discredit their leadership. The character of the boy or girl must be altered carefully into criminal channels and controlled by blackmail or other means. When this leadership is not susceptible, where it resists our persuasions and might become dangerous to our cause, no pains must be spared to direct the attention of authorities to that person to harass them, until they come into the hands of juvenile authorities. When this happens, the child advisors, can in the security of the jail, and cloaked by the process of the law, destroy their morality. You will always find persons of low moral character with strange appetites whether they be judges, policemen, or women of juvenile authorities. By making available to them young boys and girls in the security of the jail they can direct the future decisions of these youth."

These my Christian friends, are the kind of immoral monsters, who using their Talmudic training will destroy your boys and girls if given the chance. No matter what the cost, we must not allow this to happen!

Today, after 3400 years of enlightenment, including the New Testament teachings of Jesus Christ and His Apostles, how much more will today's Christians be held accountable for the evil we have allowed to enter our land and flourish, often with church approval.

The Apostle Jude speaks about these in Jude 7 - "Even as Sodom and Gomorrha, and cities about them in like manner, giving themselves over to fornication, and going after strange flesh (Greek HETEROS, meaning: other or different flesh), are set forth for example, suffering the vengeance of eternal fire." Some one said, "possibly a bit blasphemously, "If God let's America get away with their wickedness and perversion, He will have to apologize to Sodom and Gomorrha."

You can count on it my friends, America will not get away with it's wickedness, nor will American Christians be held blameless for letting it happen! In Ecclesiastes 8:11 -"Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil." Remember: "...be sure your sin will find you out." (Numbers 32:23)

You Judeo-Christians who allow Sodomites to pastor your church, and provide aid and comfort to those who engage in this perversity, how will you answer before God, when He requires it of you? Jude says Christians who engage in such conduct are, "...spots in your (Christian) feasts of charity, when they feast (eat) with you, feeding themselves without over to fornication, and going after strange flesh (Greek HETEROS, meaning: other or different flesh), are set forth for example, suffering the vengeance of eternal fire." Some one said, "possibly a bit blasphemously, "If God let's America get away with their wickedness and perversion, He will have to apologize to Sodom and Gomorrha."

You can count on it my friends, America will not get away with it's wickedness, nor will American Christians be held blameless for letting it happen! mark of most of our youth today, including many who are supposed to be Christians. They despise anyone who says no! to them, or attempt to curb their rude and often savage behavior. What can we expect of them, when the rock idols they adore, and which they are often encouraged to listen to by their parents, present this same behavior on TV, that can be traced back to the influence of their savage African music. It's not natural for White boys and girls, to bite the heads off live chickens, when under the influence of savage music. This is Satanic African voodoo through and through, encouraged by Jewish influence that often leads to the use of drugs and illicit sex.

I saw this Satanic influence on the natives of Africa when I lived there for several years in the early 1960's. One year, several Americans received permission for a hunting trip into the center of southern Sudan. It was the first time foreigners had been allowed into this part of the country in over twelve years. We traveled over 2,000 miles by jeep and truck, to the headwaters of the Nile River, to an area where they had never seen White people before.

One night a native chief invited us to attend a big celebration at his village. We arrived after dark to find several hundred Blacks gathered around a huge bonfire. They were being entertained by native drummers, who beat on hollowed out logs of various sizes. We noticed that as these men drummed a certain rhythm, the natives would sway back and forth with their eyes closed in an almost hypnotic trance; then the drummers would change their beat, and the warriors would grab their spears and charge screaming into the crowd, in a frightening display of savagery; then the beat would change again, and the men would leap on the women, grabbing their hair, as they dragged them into the jungle where all sorts of sexual orgies took place. I thought: "My God, how can human beings act so much like savage animals!"

When I returned to the United States in 1964, I made a point of attending a Beatle's Rock Concert in Florida, where I saw a youth, as they listened to the same savage African drum beat, I had heard in the heart of darkest Africa, with the same effect. Screaming girls, some no doubt from Christian families, fought to get on stage with the musicians, and became so frenzied that they tore off their blouses and scratched their bare breasts until the blood flowed. My blood ran cold, at this display, although at that time I did not know about it's Jewish sponsorship.

In the intervening years, the rock scene has become much worse as degenerates such as Madonna, and the Prince have become popular to the point where they are actually worshipped by our brain dead youth. Yet these same youth become hostile if you point out how they are being used by the enemy, often with the sanction of their own church.

A careful study of hard rock in particular, will prove to an impartial, honest observer, that not only do the lyrics promote promiscuousness, but that the beat is harmful, producing drug use, chaos and rebellion against anything decent. This is it's purpose and the enemy has been very clever I wpromoting it, spending billions of dollars in their effort to destroy White American youth in particular.

To casual observer from another plant, it would be easily discernible to see the evil behind this Jewish controlled modern music system. All one needs to do is look at the names behind those who produce and promote it. Look at the names of Rock bands such as the "Grateful Dead" then look at the savage, sleazy appearances of the so called artists, in their dinky Afro's, their antics on stage, the utterly suggestive actions they perform. In another earlier generation, they would have been ridden out of town on a rail, before being tarred and feathered by an irate community. The utter degeneration and final destruction of White Christian civilization is their ultimate aim. A close look at those who produce this filth will reveal an usually high percentage of Jews, who run the musical companies who publish this filth and turn these savages into national youth heroes.

Sadly enough Christian clergy, are often found among those who encourage religious rock in their churches, even though the Satanic beat, is the same as in secular rock. Although you may not want to admit it, they have become intellectual prostitutes of Zionism, and have sold their bodies from the shoulders up, as much as any female prostitute sells her's from the waist down. These so called
servants of God, like some of the females species, are willing to sell out to anyone with the asking price and should any whisper, pamphlet, or book such as this, tell American Christian the truth, they are savagely attacked by these Christian leaders, who support the ungodly government by branding us as an inane threat to the safety of America. It has ever been thus.

These Christian Patriots stand between International Zionism, and their desire for a One World Slave Plantation, with them as overseers. As the Jew Samuel Roth said, "We (Jews) come to the nations pretending to escape persecution, when we are the most deadly persecutors in all the wretched annuals of man.

The Apostle Peter understood such, and said of them, 2 Peter 2:19 - "While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage." So by clever subterfuge, they have made intellectual slaves, of many who call themselves Christian.

Peter says these enemy of decency, "count it a pleasure to riot," (Greek TRUPHI, meaning: "to break up; enfeeble the mind and body through indulgences such as homosexuality, effeminacy, and lusting debauchery) and they have become so bold that they practice these debaucheries in broad daylight.

It is as much adultery to marry outside your own race, as it is to have sexual relations outside of marriage. I heard a discerning Black say, "Interracial marriage is like mixing coffee with cream, it destroys the essential elements of both." This fellow made a lot more sense than so called Christian leaders who say it is okay as long as both parties are Christian. James 1:8 says, "A double minded man is unstable in all his ways." Those who teach that interracial marriage is all right are certainly Scripturally unstable. Certainly many of our TV evangelists like Bakker, Swaggert, and many others, fit this description. They think all that is necessary when they are caught is to weep some big crocodile tears before their church as they ask for forgiveness, then go right back and continue their ungodly life style, holding the cause of Christ up to defamation!

Peter describes these wolves in sheep's clothing, who fill the pulpits of many of our Christian churches, as those who speak great swelling words of vanity listen to them on TV as they shamelessly toot their own horn. Telling their audiences what great things they have done for the Lord. I can't think of a more shameful example than that of the Jewish ev schlist Benny Hinn, and his healing ministry.

They are like the Pharisees who prayed on the street corners to be seen of men. I saw this take place in a restaurant one time, when a group of people came in, evidently after church service for dinner. They were headed by their pastor, a heavyweight, dressed in a funeral suit, who after his flock was seated, said in a loud voice that could be heard over all the restaurant: "Please be quiet now while I ask the Lord's blessing on this food." He then launched into a loud, long winded prayer, which was obviously intended to impress those who heard him, rather than to God.

Jesus spoke of this kind in Matthew 23:33 - "Ye serpents, ye generation (bloodline) of vipers (poisonous snakes), how can ye escape the damnation of hell?" Peter says, "...they allure through much wantonness, those that were clean escaped from them who live in error," (2 Peter 2:18)

They allure weak Christians and others by promising them liberty from God's law, verse 19. Those of you who love to sing the un-Scriptual song, "Free from the Law, oh happy condition," do not seem to understand that you are violating your trust in God, by doing it.

The Apostle Paul in his marvelous dissertation on the Law, in Romans 31 says in verse 31 - "Do we then make void (of none effect) the law through faith? God forbid: yea, we establish the law. In Romans 4:13, he explains how Abraham became the heir of the world, not through the law, but through the righteousness of faith. Then in verse 15 he explains this, the law worketh wrath: for where no law is, there is no transgression." This is confirmed by John in 1 John 3:4, where he defines sin, "Whosoever committeth sin transgresseth the law: for sin is the transgression of the
law." If there is no law, if it has done away as many teach, then there can be no sin, and we know how ridiculous this is.

It is of interest to me to note in 2 Peter 2:19, (and I believe this refers to apostate preachers who promise their parishioners),"While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage (slavery). " This is exactly what the Zionist World Order is attempting to do to Christians everywhere. He goes on to say in verse 20-23 - "For if after they have escaped the pollution's of the world through the knowledge of the Lord and Saviour Jesus Christ, they are again entangled therein, and overcome, the latter end worse with them than the beginning. For it had been better for them not to have known the way of righteousness, than, after they have known it, to turn from the holy commandment delivered unto them. But it is happened unto them according to the true proverb, The dog is turned to his own vomit again; and the sow that was washed to her wallowing in the mire."

To those of you who have been soft soaped in a Judeo-Christian church and may rest secure in your belief in the eternal security of the believer, no matter what you do, after you are saved, it might do you well to consider, the second witness of Hebrews 6:4-6. "For it is impossible for those who were once enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Ghost, And have tasted the good word of God, and the powers of the world to come, If they shall fall away, to renew them again unto repentance; seeing they crucify to themselves the Son of God afresh, and put Him to open shame." I will not comment on this truth, other than to say that backsliding, is much more serious than most churches teach.

I do not believe these verses say that these people have been truly saved, but that they have known the truth, and deliberately turned their backs on it. I have known of Christian pastors, who have apparently been faithful to God for years, who suddenly for no discernible reason, have turned their backs on Him, and have ended their lives as discarded drunken bums or dope addicts. Our salvation is not something to mess around with.

Could this apply to the many people in the church world, who know that the anti-Christ's of Judaism are not God's true Israel, yet they persist on honoring them as such?

Notice the clever play on words, in this Epistle, where in at lest 24 different occasions, the Apostle Peter refers to the enemies of Christ as they. In the New Testament, Christians are always referred to as we or us. This I believe, is one of the keys to correct study of the New Testament.

There is little doubt that the enemies of Christ, Peter refers to were either Talmudic Jews, who then as now are Christ's worst enemies, or it could refer to traitors in the ranks of the church, and unfortunately there have been many of these during our 2,000 years of history. These are dangerous, and some times more so, then the enemies themselves, for they look like us, and speak the same Christian language, while in the words of Jesus, they are actually wolves in sheep's clothing, who have infiltrated the flock to destroy it. In Matthew 7:15 the Master in His Sermon on the Mount warned: "Beware of false prophets (preachers), which come to you in sheep's clothing (disguised as Christians), but inwardly they are ravening wolves." Or as Brother Richard Hoskins might say: "Wolves eat sheep, you know! That is their nature."

The Prophet Micah spoke of these same wolves in Micah 3:2,3 as those, "Who hate the good, and love the evil; who pluck off their (Israel's) skin from off them, and their flesh from off their bones; Who also eat the flesh of my people (Israel)..." We can see this characteristic in the Ahab and Jezebel who now live in the White House, and rule the people.

The Prophet Jeremiah warned us of these false prophets in Jeremiah 23:16,17 - "...ith ken not unto the words of the prophets (preachers) that prophesy (preach) unto you: they make you vain (Hebrew HABAL, meaning: "to lead astray"): they speak a vision of their own heart, and not out of the mouth of the Lord. They say still unto them that despise Me, The Lord hath said, Ye shall have peace; and they say into every one that walketh after the imagination of his own heart, No evil shall
come upon you." I can still hear Oral Roberts as he pontificated on TV: "Something good is going to happen to you today!" (If you send me your tithes, of course.) How many times have you heard TV preachers calling America to repentance as Jesus did when He said, "Except ye repent, ye shall all likewise perish!" (Luke 13:3,5) The modern church does not like this message of repentance, any more now, than the Jews of Jesus' time did. They killed Him, because they could not stand up under the searchlight of God's truth, which He presented.

Isn't this what happened in the case of the nominal Christian woman, who responded to my message of warning by saying, "Colonel Mohr, I believe all that you have told us about Communism, and it's terrible, however I'm born again you know, and I don't have to worry about things like that, for Jesus is coming back to Rapture us Christians away before it gets all that bad!" You talk about being wrapped up in a sheet of self righteousness, that old girl was wrapped up in a shroud. The false prophet who had been teaching this woman in her church had led her into a state of false security, by telling her "No evil will come upon you. You are a Christian. Jesus won't let anything bad like that happen to you." Yet he never bothered to explain why millions of Christians down through the years, have suffered and died for their Lord, when they had done much more for Him that this foxhole dweller had ever thought of doing. Her pastor, by his false teaching had turned a potential soldier of Jesus Christ, from an asset in the Kingdom, to worthless salt that was worth nothing in the Kingdom!

Jesus explicitly warned His disciples to expect these false teachers. Mark 13:22,23 He said, "For false Christ's and false prophets shall rise, and shall shew signs and wonders (test those who like Benny Hinn claim the power to heal), to seduce, if it were possible, even the elect. But take heed: behold, I have foretold you all things."

The Apostle Paul in 2 Timothy 3:5, defines these false teachers as, "Having a form of godliness, but denying the power thereof: from such turn away." In verse 7 of the same chapter he further says that they are, "Ever learning, and never able to come to the knowledge of the truth." It appears that we have an over supply of these educated idiots, in our government, and our education system, and sadly enough, in the church. Someone has said that these individuals are "educated beyontongeir capacity to understand." Yet these are the men and women who govern America. They seem posed with a perverse spirit which will not allow them to seek the truth, and because they have a string of degrees behind their name, they consider themselves to be the elite, who know what is good for this country, even when it goes against God's Law. In Isaiah 56:10,11 God said of the leaders of ancient Israel, "His watchmen are blind: they are all ignorant, they are dumb (mute) dogs, they cannot bark (warn people of the danger we face); sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain,..."

So remember that just because a man has a D.D. behind his name, doesn't mean he is doing God's will, it just might mean DUMB DOG, rather than Doctor of Divinity.

If you will observe closely, you will find that most of the problems in this country come from over educated men who refuse to obey God, or even consider Him, and set themselves up as all knowing counselors. Instead of what's right their motives seems to be "What's in it for me?!" This is an idea that has been instilled by all consuming Jewish motive of "the gelts the thing!" (that the only important thing in life is what you can get for yourself!) This of course, is diametrically opposed to what our Savior taught, when He told His disciples, "...he that is greatest among you shall be your servant. And whosoever shall exalt himself shall be abased; and he that shall humble himself (before God) shall be exalted." (Matthew 23:11,12) This is God's way, but most certainly not that followed by the Babylonian System.

Referring once again to the Rosenthal Document, page 12, he said, "In regard to the moral value of the Jews' religious teaching there exist quite exhaustive studies that show the kind of religion that we have in a light that makes it look uncanny to the Aryan (White Adamic) mind. We are the best
example of the kind of product which religious training evolves. Our life is of this world only and our mentality is as foreign to the true spirit of Christianity as our character was to the Founder of this new creed 2,000 years ago. The founder of Christianity made no secret as to His estimation of the Jews and the fact that He was not one of us. When He found it necessary He drove us out of the temple of God, because then, as always, we used religion as a means of advancing our commercial interest.

"But at this time, we manage to nail Jesus to the cross for His attitude towards us; whereas, the modern Christian enter into party politics and in order to win elections, they debase themselves by begging for Jewish votes. (Hillary Clinton is a good modern example of this.) They even enter into political intrigues with us against the interests of their nation.

"We can live among other nations and states only as long as we succeed in persuading them that the Jews are not distinct people, but are representative of a religious faith who, therefore, constitute a religious community, though this be of a peculiar character. As a matter of fact, this is the greatest of our falsehoods.

"We are obliged to conceal our own peculiar character and mode of life so that we will be allowed to continue our existence as a parasite among the nations."

Rosenthal then went on in page 15 to say, "There is no such thing as the silent majority because we control them. The only thing that exists is an unthinking majority and unthinking they will remain, as long as the escape from our rigorous service is the opiate of our entertainment industry. By controlling industry we have become the task masters and the people the slaves. When the pressure of daily toil builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical mind. Because of this, the people are programmed to respond according to our dictates, not according to reason. Silent they never are; unthinking they will remain.

"We castrated society through fear and intimidation. It's manhood exists only with a feminine outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with the concerns of the future and their posterity, but only with the present toil and the next meal."

God says to these reprobate leaders, whether in politics or the church: "As many as I love, I rebuke and chasten: be zealous therefore, and repent."

God is calling our national leaders, both in politics and the church, to repent. Of their willful deceit, God says in Hosea 12:7,8 - "He is a merchant, the balances are in his hand: he loveth to oppress. And Ephraim (Israel) said, "Yet I am become rich, I have found me out substance: in all my labors they shall find none iniquity (wrong doing) in me that were sin.

This is the cry of the modern witch doctors, who control America. Yet we see scandal after scandal unfold, where high executives in our government, and well known religious leaders are involved in wicked practices. Although our God is longsuffering, there will come an end to His patience one of these days, as He will not continue to forgive wrong when it is done deliberately.

Today a discerning individual can see Isaiah's prophesy being fulfilled, in all the White nations of Christendom that make up true Israel. Isaiah 59:12-14 "For our transgressions are multiplied before thee, and our sins testify (cry) against us: for our transgressions are with us; and as for our iniquities (Hebrew AVON, meaning: "Moral faults; breaking of God's Law, see: 1 John 3:4), we know them; In transgressing and lying against the Lord, and departing (turning away) from our God, speaking oppression (Hebrew PASHA, meaning: "to break away from authority; to offend; to rebel") and revolt, conceiving and uttering from the heart words of falsehood. And judgment (Hebrew MISPAH meaning: "A verdict or formal decree; to be judged") is turned away backward, and justice standeth afar off: for truth is fallen in the street, and equity (Hebrew, NKACAH,
meaning: "integrity; unrightness") cannot enter."

Verse 15 - "Yea, truth faileth (Hebrew ADAR, meaning: "to be found wanting); and he that departeth from evil maketh himself a prey: and the Lord saw it, and it displeased him that there was no judgment (justice)."

When we paraphrase this passage, using the Hebrew meanings of the English words, it reads something like this: "For our (Israel's) sins are increased before God, and they shout against us; for our moral failures and our breaking of God's Law, we know about them. In revolt and breaking away from God's authority, and lying against our God, we have deceitfully gotten riches, and have revolted, thinking and uttering from our hearts, words of falsehood, and the Divine Decree of God, is turned backwards; and justice stands afar off, for truth has fallen in our streets, and uprightness is not to be found, and he that departs from it and commits himself, becomes the prey of evil men, and the Lord saw it, and was displeased that there was no justice."

What a terrible indictment this is, both for our Israel people then, and now. We look at government crimes such as robbing our people of their rightful property through unconstitutional law; the crime of government murders at Ruby Ridge, and Waco, where the government murderers were held up by the media as heroes. We see the deliberate destruction of our God given rights such as those contained in the Bill of Rights and as we see them we can understand Isaiah's words in Isaiah 59:16 - "And He (God) saw that there was no man, and wondered that there was no intercessor... (Hebrew PAGR, meaning: "to come between; to cause to entreat") : Where are those who plead the cause of the murdered aborted babies of America?

It was at this point that the prophet points forward to the time when a Redeemer would come. Listen to His words in the last part of verse 16 and 17 "...therefore His arm brought salvation unto him (Israel); and His (God's) righteousness, it sustained him (Israel). For He (Jesus) put on righteousness as a breastplate, and an helmet of salvation upon His head; and He put on the garments of vengeance for clothing, and was clad with zeal as a cloak." In verse 21 we see the outcome of this - "As for Me, this is My covenant with them (Israel), saith the Lord; My spirit that is upon thee (Israel), and My words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed (offspring), saith the Lord, from henceforth and forever."

This is God's promise to our Israelite people if, big IF, we will obey Him. He has already given us a workable Formula for Survival in 2 chronicles 7:14, if we are willing to give it more than the mere lip service it is receiving now.

The marvelous book of Isaiah is full of the promises for our people Israel if, we obey God, and dire warnings if we refuse and rebel. Isaiah is unique in this manner. He began his ministry in the year King Uzziah died about 740 B.C. and continued as a prophet in Jerusalem, the capital of the southern Kingdom during the reign of Jothan, Ahaz, and Hezekiah. According to tradition, he was martyred during the reign of the wicked King Manasseh, the son of King Hezekiah, about 680 B.C.

As Isaiah grew to manhood, the Kingdom of Judah (not known as Jews at this time) emerged and opposed the advance of Assyria. During this same period, the Kingdom of Israel, with it's capital in Samaria, declined in power due to intense internal struggles and revolution. After King Uzziah died, the Assyrians conquered Damascus in 732 B.C., and Samaria in 722 B.C. Both northern Israel and Syria became Assyrian provinces.

While the Kingdom of Israel was being subdued, Ahaz, king of Judah, ignored repeated warnings of Isaiah and introduced idol worship into the temple in Jerusalem. In the years that followed, Assyrian kings marched their armies southward and threatened to end the Davidic dynasty in Judea, about 701 B.C. (see Isaiah chapters 36-39).

Isaiah gave repeated warnings to Judah, that they and Jerusalem would be judged and destroyed because of their wickedness, but like many modern Christians, America in particular, these
messages for the most part were ignored by the Judean rulers and people alike.

You will find, all though Isaiah's messages of doom, God's offered assurance to those of His people who would put their trust in Him and remain obedient. His prophecy was that God would ultimately restore the Davidic Kingdom, and that His son, the Lord Jesus Christ would reign over it. (Isaiah 9:6,7)

Chapters 40-56 of Isaiah are regarded by many Christian scholars as having been written by several unknown authors during the period 550 B.C. and on. This premise is based on the fact that Cyrus King of Persia, mentioned in Chapters 44 and 45, was the king who allowed the Judaites to return from exile to rebuild the temple in Jerusalem.

At this time the Judaites were still not known as Jews, although they had acquired some heathen occult practices which they added to the Hebrew religion and began a mammoth religious book called the Babylonian Talmud in 550 B.C. which was not completed until a thousand years later in the Jewish seminary in Alexandria, Egypt about 550 A.D. It was complete perversion of the Hebrew religion and the teachings of Moses, and became known as the tradition of the elders, which Jesus fought against during most of His earthly ministry. It is still the religious life blood of modern Jewry.

The word JEW cannot be found in early editions of the Bible, and was not used in the original 1611 King James version, as the name JEW was unknown in the English language until late in the 18th Century.

The scholars who accept predictions as part of a prophets God given message to mankind find no reason to deny Isaiah's authorship of the entire book.

Looking at history from Isaiah's perspective, the destruction of Jerusalem was inevitable, as he predicted the Babylonian exile of Judah as early as chapter 39.

His message of hope in chapter 53, is that although Israel had failed as God's servant, a righteous servant was promised who through His suffering, would provide salvation for His people and for many others.

Isaiah's final prophesy is that there will be in the end times, a restoration of the Davidic Kingdom, peopled by God fearing, righteous people, who will participate in the everlasting blessings of the new heaven and the new earth. This kingdom will be on earth, as Christ taught us to pray for. (Matthew 6:10; Revelation 21:23)

It is exciting to see that this salvation is extended to all those who are called by God, and who accept Christ as King, and that God's house will be a House of prayer for all nations, not just Israel. (Isaiah 56:1-8) This will shoot down the RACIAL SUPREMACISTS in Identity, who falsely, teach that only Israelites can be saved, and join the Kingdom. It still does not give Israelites the authority to intermarry outside of the Adamic race.

Isaiah's prophesy is of an ultimately restored Davidic Kingdom, peopled by God fearing, righteous folk, who will participate in the everlasting blessings of the new heaven and new earth, and again let me remind you it will be on this earth, not some heavenly realm, as so many teach.

In the pages that follow, we will explore some of Isaiah's predictions for the future, and attempt to connect them with what is taking place on earth during this present Christian Era. We will concentrate mostly on the United States and Canada, which are essentially an Israelite people and which can both rightly be referred to as America.

It is significant, I believe, to note that the word JEW is not used once in this interesting book, with two exceptions in Isaiah 36:11, 13, where it speaks of the Jews' language as being that of the Jerusalem people of this period (712 B.C.)

Strong's Concordance indicates that this word should rightly have been JEHUDAITE; or a "descendant of Jehudah (Judah)." The term Jew was not used for these people until after they
returned from Babylonian captivity, with a profoundly different, contaminated religious doctrine.

Isaiah begins his book with picturesque language, when in chapter 1 verse 2, he describes Judah and Jerusalem, as "children God has nourished and brought up, who have rebelled against Him."

In verse 3, he compares them to an ox, who knows his owners crib (feed trough), "but Israel doth not know, my people doth not consider."

He calls Israel in verse 4: "Ah sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken the Lord, they have provoked the Holy One of Israel unto anger, they are gone away backwards."

Then he asks the question: "Why should ye be stricken any more? ye will revolt more and more: the whole head is sick, and the whole heart is faint. From the sole of the foot even unto the head there is no soundness (health) in it; but wounds, and bruises, and putrefying (stinking) sores: they have not closed (dressed), neither mollified (treated) with ointment."

This is a perfect word picture today of the so called Christian Israelite nations of the United States and Canada, where even so called Christians are known to spit in God's face, in blasphemy.

In Isaiah 29:13,14 the prophet gives the result of these actions: " . Forasmuch as this people draw near Me with their mouth (every Sunday in church), and with their lips do honour Me, but have removed their heart far from Me, and their fear (Hebrew YIR'AH meaning: "reverence") toward Me is taught by the precept (Hebrew TSAU, meaning: "injunctions; commandments of men) of men: Therefore (because of this), behold, I will proceed to do a marvelous (Hebrew PALA, meaning: "to shchnguish; to do marvelously") work among this people, even a marvelous work and a wonder: for the wisdom (Hebrew CHAKMAH, meaning: "wisdom in a good sense; skill") of their wise men (educated men) shall perish (Hebrew ABAD, meaning. wandering away; be destroyed; be lost; be void") and the understanding (Hebrew BIYNAH, meaning: "perfect understanding; wisdom;") of their prudent (Hebrew BIYB, meaning: "to be cunning; have intelligence; to instruct or teach") men shall hid." I don't believe we would be doing this verse a disservice by applying it to America and Canada: "Why will you Christian Israelites be punished anymore? Yet you continue in rebellion to your God, over and over again; your whole body is sick from your political leaders to your church teachers. There is no wholesomeness to be found in your countries. There are only wounds caused by enemy action and your disobedience There are black and blue bruises and freshly made, dripping wounds. These have not b,

For years now, our government has refused to defend our own borders, while acting as a policeman worldwide. As a result, our borders have been overrun by hordes of foreigners, some to be sure have sought freedom from oppression, but many more, according to their actions, look to Uncle Sam for a free handout without contributing anything to the well being of our nations, and do us much damage. These strangers are quite literally devouring our countries, many times with the approval of our church leaders.

We literally reached the point described in chapter 1:9 in Isaiah - "Except the Lord of hosts (of Israel) had left unto us a very small remnant (Hebrew SARIYD, meaning: "survivors; left alive"), we should have been as Sodom, and we should have been like unto Gomorrah."

In Lamentations 3:22, we read: "It is of the Lord's mercies that we are not consumed (eaten up), because his compassion's fail not."

As Paul said in Romans 9:29, quoting from Isaiah 1:9 - "Except the Lord of Sabaoth had left us a seed, we had been as Sodoma, and been made like unto Gomorrha." Utterly ruined and incapable of being rebuilt.

The White Adamic Israelite is fast becoming a thing of the past, as we have allowed ourselves to be overrun by aliens, who have intermarried with our sons and daughters, contrary to God's law. This has always been a promotion of Judaism, for it is one of the easiest ways to destroy White Christian civilization.
From a large majority who once controlled this Christian Republic, we have been degraded into a multicultural monstrosity, a hodge-podge of alien, anti-God cultures. In the past seventy-five years, we have seen this Christian Republic turned into a Socialist Welfare State with all its accompanying evils. Now we are ripe to be taken over by the Zionist New World Order, and become part of their International Slave Plantation. In this state, government will become an insatiable monster that destroys, rather than one that serves.

Why did this happen? It was because of White Israelite disobedience. We can look for scape goats, and find them in the Jews, and the anti-God aliens, but they are not the cause of our problems, they are the effect of our disobedience. (Study Deuteronomy 28 and see for yourself.) We will make little headway against this evil that has engulfed us, until we recognize our responsibility before God and learn the lesson of obedience!

In Isaiah 1:10, God speaks to the rulers of ancient Israel, speaking of them as Sodom and Gomorrah. We know that Isaiah was not referring to these ancient cities which had been super naturally destroyed by God some 1140 years earlier. He was using them as examples. These cities were destroyed primarily because of their wicked sin of Sodomy, which God hates, and which is now being condoned by some of our Christian churches. Recently Jerry Falwell, welcomed a Sodomite preacher, and several hundred of his followers to a meeting of reconciliation in his Liberty Baptist Church. (It is impossible for a Christian to be reconciled to any sin!)

In this section of chapter one, we see God's displeasure at the sacrifices Israel was offering to Him. He said in verse 11-14 "...I am full (Hebrew SABEA, meaning: "had enough of; satiated") of the burnt offerings of rams, and the fat of fed beasts; and I delight not in the blood of bullocks or of lambs, or of he goats. When ye come to appear before Me, who hath required at your hand, to tread (Hebrew RANORAC, meaning: "esalkj in (abusively); trample; thread down") my courts? Bring no more vain oblations (Hebrew MINCHAH, meaning: "bloodless sacrificial offerings"); incense is an abomination unto Me; the new moons and sabbaths, the calling of assemblies, I cannot away with; it is iniquity, even the solemn meeting. Your new moons and your appointed feasts (possibly our Christmas and Easter celebrations) my soul hateth: they are a trouble unto Me; I weary to bear them."

In other words God is saying to Israel, then and now: "I'm utterly disgusted with the feast days you set up, and at your pretense of worship; I will remove them, for they are sin, even your solemn meetings. My soul hateth these days you have set aside to pleasure yourselves. I am disgusted with them. I will take them away."

Everywhere we look in Christendom, we see convocations and meetings being called for many purposes. They are supposed to be worship of our God, and the edification of His people. Many of them have become mere religious vacations; in modern palaces, occasions in which we have fun. The Scriptures say that God looks with loathing on such events.

Chapter 1:15 of Isaiah, tells us that when our people pray from a sinful heart (with unforgiven sins in their life) God will not even listen to us. So vast prayer convocations mean nothing unless our people first get into an obedient relationship with the Master. Most Christians feel that when they get into trouble, all they need to do is pray and God will hear and handle their problems. This is not necessarily so, for there are certain conditions we must meet first.

I believe in prayer. My sainted grandfather used to say: "There is more wrought by prayer than this old world dreams of for the whole world is bound about the feet of God, with golden chains of prayer." I believe this! I also know that we must meet certain conditions, before God will hear and answer us.

Isaiah furthers this truth in Isaiah 59:2.

Many of us believe and have experienced James 5:16 -"The effectual fervent prayer of a
righteous man availeth much." It works, but we must remember to keep the contact points between God and us clean, so that the power of His Holy Spirit can flood in and control our lives. Unforgiven sin deadens this contact, and makes prayer useless.

In 1 Peter 3:12, we read: "For the eyes of the Lord are over the righteous, and His ears are open unto their prayers: but the face of the Lord is against them that do evil." If you have unforgiven sin in your life, you do evil. That's why we have been given the safety valve of 1 John 1:9 - "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."

This cleansing does not come automatically, because we are Christian, we must ask for it.

James 4:2,3 says that, "...ye have not, because ye ask not. Ye ask, and receive not, because ye ask amiss (wrongly), that ye may consume it upon your lusts (longing for material things)."

I remember hearing an illustration many years ago that explains the truth of Isaiah 1:15; 59:2. Many of you can remember back to the days of the electric street car. They ran on an overhead cable above the street, that supplied the electricity needed. The contact point was a long pole, with a copper wheel on the end, that contacted the power supply and led it into the motor. Sometimes when the maintenance man had done a poor job, the copper wheel became corroded. The power could not reach the motor, and the streetcar went by fits and starts, especially with a full load.

The same is true in the spiritual life of a Christian. If we allow sin of any kind to corrode our contact with God through the Holy Spirit (who is the POWER LINE for Christian living), our contact with God is cut off, and He will not even listen to us.

Is your spiritual life in a proper relationship with God, so that He will listen to your petitions? What is the answer to this personal, and thus national problem? Verses 16-20, Isaiah 1, gives us the answer. "Wash you, make you clean; put away evil (sin) of your doings from before mine eyes; cease to do evil;"

The Prophet Jeremiah in Jeremiah 23:22 says: "But if they (the pastors of the land) stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil way, and from the evil of their doings." This hasn't happened in the United States and Canada and is a terrible indictment on the quality of their preaching.

Continuing on Isaiah 1:17 - "Learn to do well (righteously); seek judgment, relieve the oppressed, judge the fatherless, plead with the widow. Verse 18 - Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. NOTICE CLOSELY NOW what verse 19, 20 says, "If ye be willing and obedient, ye shall eat the good of the land: But if ye refuse and rebel, ye shall be devoured with the sword (war): for the mouth of the Lord hath spoken it."

There's your answer!

We further read of this cleansing in Psalm 51:7, where the Psalmist says, "purge me with hyssop (a cleansing element like soap), and I shall be clean: wash me, and I shall be whiter than snow."

When the Pharisee Saul, had his miraculous meeting with the risen Christ on the road to Damascus, he was in the city praying in a blind state, when a Christian named Ananias was told by God to go to a certain house on a street called Straight, where Saul of Tarsus had seen in a vision, a man named Ananias, who had put his hand on him and recovered his sight. Quite naturally Ananias replied, "Lord don't you know who this Saul is? How much evil he has done to our people? He is here with authority from the High Priests to arrest all those which call on Thy name." God told him, "Go thy way: for he is a chosen vessel unto Me, to bear My name before the Gentiles, and Kings, and the children of Israel:" Then in verse 17,18
it says that when Ananias laid hands on Saul, that the scales fell from his eyes, and he arose and was baptized. No doubt for the remission of sins, as told in Acts 2:38.

In Revelations 7:14, the Apostle John saw a great multitude in white robes before the throne of God, and when he asked his guiding angel who these were he was told: "...Sir, thou knowest. And he said to me, These are they which came out of great tribulation (no Rapture here), and have washed their robes, and made them white in the blood of the Lamb."

Remember verse 19 of Isaiah 1, gives the condition for this cleansing and is most important - 

 obediance

My friends, we have a choice to make! obedience or destruction! This is why I continue to hammer away at the theme: Obedience to God and the discipline it brings must come before we can have victory!

Isaiah 1:23 explains the national condition of Israel as we can see today: "Thy princes (political leaders) are rebellious, companions of thieves: every one loveth gifts, and followeth after rewards (bribes): they judge not the fatherless, neither doth the cause of the widow come unto them."

Verse 24, speaks of a time of national cleansing, where God will get rid of His enemies (Luke 19:27). Could this be one reason the Edomites are flocking to Palestine?

In the next few verse, chapter 1: 25-27 tells how this purging will take place: "And I (God) will turn my hand upon thee, and purely purge away thy dross, and take away all thy tin (alloy): And I (God) will restore thy judges (political rulers) as at the first, and thy counselors as at the beginning: afterward (after this cleansing) thou shalt be called, The city of righteousness, the faithful city Zion shall be redeemed with judgment, and her converts with righteousness." (The ZION referred to here is the Zion of 2 Samuel 7:10, it is not the anti-Christ country of the Israelites now in Palestine.)

We know this could not refer to Jewish rulers, for Jesus told the leaders in Matthew 23:15 - "...for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make twofold more the child of hell than yourselves." The converts of New Zion will be righteous not children of the devil

Isaiah 1:28 gives a further warning to those who refuse to obey God: "And destruction of the transgressors and of the sinners shall be together, and they that forsake the Lord shall be consumed."

Intellectual men may mock and laugh these words to scorn, but they will take place, for the mouth of God has spoken it, His law of Harvest is still in effect, even for those of us who call ourselves Christian: "Be not deceived; God is not mocked: for whatsoever a man/woman soweth, that shall he also reap. For he/she that soweth to his/her flesh (material things) shall of the flesh reap corruption; but he/she that soweth to the Spirit shall of the Spirit reap life everlasting." (Galatians 6:7,8) We can't avoid this, no matter who we are, or what position we hold in life. It applies to the Pope, Billy Graham, the richest man in the world, President Clinton, or the drunken bum in the gutter.

In Isaiah 2 we see a prophesy that has been at least partially filled in the New Zion of North America. Verse 2 says, "And it shall come to pass in the last days (of this age), that the mountain (in the Bible the word mountain often refers to a nation or people) of the Lord's house shall be established (prepared) in the top (capital) of the mountains (nation), and shall be exalted above the hills; and all nations shall flow unto it."

No nation anywhere on earth, or in the world's history at anytime has fulfilled this prophesy like the United States and Canada. The Jews in Palestine have not come close to fulfilling this prophesy.
Verse 3 - "And many (millions of) people shall go and say, Come ye, and let us go to the mountain (nation) of the Lord, to the house of the God of Jacob; and He shall teach us His ways, and we will walk in His paths: for out of (New) Zion shall go forth the (His) law, and the word of the Lord from Jerusalem.

That day has already begun, my Christian Identity friends, and will finally arrive when His people learn to follow Him in obedience

In that day, which some of us may live to see, verse 4 says, "He shall judge among the nations, and shall rebuke (Hebrew YAKOCH, meaning: correct; convince; chasten; reprove") many people: and they (the people who accept correction) shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more." You want peace? This is how it will come, through obedience to God, not through the United Nations

This indicates to me, that many other nations will come under the control and leadership of our King. Verse 5 says, "O house of Jacob, come ye (true Israel), and let us walk in the light (truth) of the Lord!

AMEN!

Chapter 2 verse 6, has a serious meaning for true Israel, "Therefore (because of this) thou (God) hast forsaken thy people the house of Jacob (true Israel), because they replenished (Hebrew MALA, meaning: "To be filled with; gotten together") from the east, and are soothsayers (Hebrew 'ANON, meaning: "enchanters; sorcerers; followers of the occult") like the Philistines (Canaanites) and they please themselves in the children of strangers." (Practice miscegenation.)

Most of our so called Judeo-Christian churches have become Turco-Hindu churches, with many Roman Catholics following a smattering of Hinduism. (This is the heathen Hindu philosophy of Fatherhood of God for all men, regardless of what they do with His Son, and therefore the brotherhood of all men.) This is taught nowhere in Scripture.

In the "HOSKINS REPORT" of January 3, 1994, Richard Hoskins, P.O. Box 997, Lynchburg, VA 24505, a student of Hinduism says, "Many Christians are unaware that Buddha himself, Siddharta, the son of Suddodhoma, has found his way into Roman Catholic martyrdom as a saint of the Catholic Church it was Professor Max Mueller, who first pointed out the strange fact almost incredible if it were not for the completeness of the proof - that Gatama the Buddha under the name of St. Josaphat, is now officially recognized, honored, and worshiped throughout the whole of Catholicism, as a Christian saint.

He goes on to point out that the Papacy of the Roman Catholic church from it's very beginning has been accepted by strangers.

They have been Edomite (Jewish) Popes, and many Christianized Tartar Popes, who descended from the Tartar Invaders of southern Italy, and the present Pope who is a Christianized Jewish Slav. He states, with proof, that the Roman Catholic church does
many things prohibited to Christians, but permitted by Hinduism, including the operation of banks at usury, and forbidding priests to marry. The results can be seen in front page coverage of the pedophiles and lechers who have been exposed in the priesthood, and who bring disgrace to the name of Jesus Christ.

Of this practice, the Apostle Paul says in 1 Timothy 4:1-3 - "Now the Spirit speaketh expressly (clearly), that in the latter times (of this age) some shall depart from the faith, giving heed to seducing spirits and doctrines of devils (Hinduism?); Speaking lies in hypocrisy; having their conscience seared with a hot iron; Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth."

To see how Jesus was accepted as a Hindu deity and how it has effected the church, I suggest you write for this issue of Hoskins Report, you will be shocked by what you learn. (May I suggest you send something to at least cover the cost of printing and handling, since none of our writers are subsidized by the Jews or are wealth men.)

Even their so called Star of David, which is on the Israeli flag, was never used by King David. It is an ancient Hindu symbol and many of the Talmudic teachings, such as Jewish reluctance to put murders, rapists, and Sodomites to death, parrot Hindu teachings.

According to "CHRISTIAN NEWS", Volume 30, Number 20, May 18, 1992 (RR 1, Box 30-9A, New Haven, MO 63068), "Surveys show that most Protestants... along with the Pope and liberal Roman Catholics... maintain that members of other religions, such as Islam and Judaism, all worship the same God Christians worship, but call Him different names."

Dr. Billy Graham has publicly stated this in regard to the Jews and Muslims, in the face of the clear declaration of Jesus Christ in John 14:6 - "No man cometh unto the Father, but by Me." (Billy preached this for years, before he became Hinduized.)

We have secret Hindu priests in our Christian churches, and in our government, according to Richard Hoskins, and I believe him on the basis of proof he has presented.

The integration is necessary for a peaceful society, when God has placed a curse on it and history proves that it won't work.

Jesus said in Matthew 7:16 "Ye shall know them by their fruits." The Word of God says NO! While the Hindu/Judeo/Christians says, "It's all right as long as it's done in brotherly love, since God is the Father of all, and all men are brothers."

The Bible clearly says, "But as many as receive Him (Jesus Christ), to them gave He (God) the power, to become the sons of God, even to them that believe on His name." These are my brothers and sisters, not some one who rejects Him and spits when His name is mentioned.

There is no way you can become my spiritual brother or sister, until you have had this soul changing experience, no matter what Billy Graham or the Pope says to the contrary. I place my faith in the Word of God, not in what man says.

In order to be free, Christians must: "Come ye out from among them, (heathen aliens) and be separate, saith the Lord and I (God) will receive you, and will be a Father unto you, and
ye shall be my (God's) sons and daughters, saith the Lord Almighty." (2 Corinthians 6:17,1B) I base my argument on this truth.

Isaiah 13, speaks of a time when people will be deported, whether they want it or not. Note verse 14 & 15 which speaks about the time when God's anger will descend on the wicked: they shall every man turn to his own people (no miscegenation then, no race mixing as has become so popular now), and flee every one into his own land. Every one that is found shall be thrust through; and every one that is joined unto them shall fall by the sword." The Word says this will take place and it may not set well with Christian liberals, but this is not Jack Mohr's idea but God's.

That day is coming, my skeptical friend, as surely as day follows night and there is nothing you, or I, or anyone on earth can do to stop it, since it is ordained by Almighty God Himself. The question is, as the old hymn says: "Are you ready for that day to come?"

In chapter 3:4,5 we see a situation which has already taken place in this country. God says that because of our disobedience, "I will give children to be your princes (rulers), and babes shall rule over them, and the people shall be oppressed, everyone by another, and everyone by his neighbor, and the child shall behave himself proudly against the ancient, and the base against the honorable." Verse 12 says, "As for my people (Israel), children are their oppressors (Hebrew - NAGAS, meaning: "to harass; tyrannize"), and women rule over them. Oh my people, they that lead thee cause thee to err (sin), and destroy the way of thy paths." If you can't see this happening, it is because you have deliberately closed your eyes to the truth.

As the Feminist Movement has grown, the offensiveness of our youth has increased, since they have little or no parental restraint. If a woman like Hillary Rodham Clinton ever becomes President of the United States, God have mercy on us! Look at the harridans President Clinton has appointed to rule in his Administration, such as Attorney General Janet Reno, who is anti Christian and is far out in support of sins such as Sodomy. "They that lead thee, cause thee to sin!"

Because the ancients of America men in my age group, let down our guard and allowed this deterioration to take place, God will enter into judgment against us. He goes on in verse 15 of chapter 3 to say, "What mean ye that ye beat my people to pieces, and grind the faces of the poor? saith the Lord God of hosts."

My Christian friend, we have much to answer for because of our Christian apathy. Many of us have remained hidden in our comfortable spiritual foxholes, waiting for Jesus to Rapture us out of the mess that was caused by our neglect and it just doesn't work that way!

In verse 16, God speaks specifically to the women of Israel, and it is surely a message for our Israel women of this century, most of who have been kept in the dark by their pastors as to their Israel heritage, and their responsibility to God: "...Because the daughters of Zion (Israel, not Jews) are haughty (Hebrew, GABAHH, meaning: "exalted; lifted up; proud"), and walk with stretched forth necks and wanton eyes (see how many of our women dress deliberately to expose themselves to lecherous men, and this goes for many who call
themselves Christian), walking and mincing as they go, and making a tinkling with their feet:” Ankle bracelets, and even earrings on their breasts, navels, and intimate parts.

In other words, when women use, their attire, and body language to entice men to sin (and many dress designers are Sodomites who glory in destroying our women), you have only to look at the abbreviated swim suits, worn even by professing Christian women, which leaves very little to the imagination. schy have gone so far as having painted suits, that cover the naked body, while leaving it completely exposed. Mothers, don’t expect your daughters to be modest, and morally decent, when you parade around the yard in a bikini, mowing the lawn.

Jesus said, that a man who looked on any woman to "lust after her, had already committed adultery with her in his heart." (Matthew 5:28) How many of you red blooded, (Christian men, can honestly say you have not been enticed by the near naked body of some pretty woman on a beach, or even on the street? This is how the enemy, almost 100% Jewish led, attempts to destroy our Christian women and the mother’s of the children of our future. Look at TV and see for yourself!

If God were to speak verbally to our Israel women now, as He did in 760 B.C., His message might be the same, or perhaps even stronger. He said, to ancient Israelite women in Isaiah 3:1T "Therefore the lord will smite with a scab the crown of the head of the daughters of Zion, and the Lord will discover their secret parts." The Hebrew word for discover is ARAH, meaning: "to make bare; to make naked; uncover." The word parts in Hebrew is GEZER, meaning: "an intimate part of the body." I believe this refers to the fact that morally loose women contribute in large part to the sexual diseases such as syphilis and AIDS which are devastating America. These have increased by leaps and bounds, since the modern Women's Movement have told them, You’ve come a long way baby! Live with gusto!

Inverse 18 of this same chapter it says, "In that day the Lord will take away the bravery (Hebrew, TIPH'ARAH, meaning: "beauty; glory; comeliness") of their tinkling ornaments about their feet,... The bonnets, and the ornaments of the legs, and the headbands,... the earrings, The rings, and nose jewels (now a days not only the nose but the other parts of the body). The changeable suits of apparel,... And it shall come to pass, that instead of sweet smell there shall be stink;... and instead of well set hair baldness; and burning (Hebrew KEIY, meaning: "brand or scar") instead of beauty. Thy men shall fall by the sword, and thy mighty in the war. And her gates shall lament and mourn; and she being desolate shall sit upon the ground." Look at the weeping faces of the woman in Kosovo and Russia on TV, and see your own faces.

Israelite women, especially those of you who may have been influenced by the godless Women's Liberation Movement, think about this. Is this what you want for yourselves and your loved ones?

Since the time of Eve, women have always been either a stabilizing influence on men, as they were designed by God to be their help mates, or they have aided in the destruction of men. They can, under enemy control, become a very dangerous tool in destroying Christian families.
Genesis 2:20-24 indicates that a women will be happy, and fulfilled, she serves God as He designed her to be. She becomes miserable when she tries to wear the pants in the family. These are not the ramblings of some chauvinist, but from the Word of God. When a man learns to love his wife as he does his own body (Ephesians 5:28-31), much of the competition between men and women will become a thing of the past.

In Jeremiah 13:22 we read, "And if thou say in thy heart, Wherefore come these things upon me? For the greatness of thine iniquity (sin) are thy skirts discovered, and thy heels made bare." In Hebrew the word for skirt is SHUWL, meaning: "to hang down; skirt." The word discovered is GALAH, meaning: "to denude; strip bare." In those days captives were usually stripped naked before they were led into captivity.

In Isaiah 47:1-3, we see the plight of captive women: "Come down, and sit in the dust, O virgin daughter... sit on the ground: (These verses refer specifically to those Israel women who are taken captive by the Babylonians and the Chaldeans, but are the plight of all captive women everywhere) Take the millstones, and grind meal: (be slaves to the conquerors)... make bare the leg, uncover the thigh... Thy nakedness shall be uncovered, yea, thy shame shall be seen.

Is this what you want for your wives and daughters? It is what will happen if we become a conquered people who have turned their back on their God.

Verse 10 of chapter 47 says of these women who have gone into captivity, "For thou hast trusted in thy wickedness (disobedience to God): thou hast said, None seeth me. Thy wisdom and knowledge, it hath perverted (Hebrew word for perverted is SHUWB, meaning: "turned back to do evil") thee; and thou hast said in thine heart, I am, and none else beside me." In other words, "Only I, and my desires are important! Isn't that the stand of the Feminist Movement?

This is perversion which will destroy our women and the vital part they play in the Christian family, if we are sucked in by the enemy propaganda.

Notice that these women were engaged in sorcery and enchantments. Much of the Women's Liberation Movement is built on occult principles. 47:12-14 - "Stand now with thine enchantments, and with the multitude of they sorceries, wherein thou hast laboured from thy youth; if so be thou shalt be able to profit, if so be thou mayest prevail. Thou art wearied in the multitude of thy counsels. Let now the astrologers, the stargazers, and the monthly prognosticators, stand up, and save thee from these things that shall come upon thee. Behold, they shall be as stubble; the fire shall burn them; they shall not deliver themselves from the power of the flame..." It appears that women are more susceptible to these wicked occult powers, than men and the truth for Israelite, men and women alike remain in obedience or destruction! You can't dabble in the occult in any way without incurring God's wrath! (Even simple things like a Ouija board, or the daily astrological readings.)

The entire book of Isaiah contains blessings from God for obedience, and dire curses and disaster for disobedience! This has not changed over the centuries. It is the same in true Israel today, as it was then, and is one of the major reasons many Christians refuse to accept the Identity message, they don't want the responsibility to God that goes with
knowing who they really are!

Isaiah parallels the message of Moses, given to Israel in Deuteronomy 28, some 700 years earlier. We are given a choice today: "Humbleness of heart (repentance), righteous prayers, seeking God’s face, and turning from our wicked ways, to obey Him." (2 Chronicles 7:14) This alone will bring “healing to our land.” There is on other plan that will work!

Our people today are headed into captivity, because we refuse to accept the knowledge that is given in God's Word. Hosea 4:6 puts it this way, "My people (Israel) are destroyed for a lack of knowledge." The word knowledge in Hebrew is DA’ATH meaning: "a lack of awareness." Israel is being destroyed today, because our people lack understanding of what's happening to them. This lack of understanding is being encouraged by our politicians, our educators, and in many instances our religious leaders.

Webster’s Dictionary defines awareness, as "to be vigilant; on one’s guard; being socially informed.” This truth spawned the saying: "Eternal vigilance is the price we pay for freedom." When we become uninformed on what’s taking place, we lose this freedom.

One is aware of something when they come to a certain knowledge of it through observation or information.

This is one of the reasons I have written this book. It is to give you knowledge about what the enemy has planned for us and what he is doing, to accomplish it.

Knowledge is not Education. Education is the process of training to develop knowledge, skill, mind, character, and the ability to apply what one has learned. One has not acquired knowledge until they are willing to accept the truth, and act on it, no matter how shattering it may be.

Too often educated men and women, without knowledge, become the educated fools spoken of in Romans 1:21 - "Because that, when they knew God..." We could say they had knowledge of God. When they became aware of God through observation of the things which He has made. Here we could refer to Psalm 19:1 "The heavens declare the glory of God, and the firmament showeth His handiwork..."

Paul said, even with all this knowledge, they did not retain God in their knowledge, and God gave them over to a reprobate mind, to do those things which are not convenient (proper)." In verse 22 of the same chapter Paul says, "Professing themselves to be wise, they became fools;"

Paul enlarges on these educated idiots in 2 Timothy 3:7 when he declared, "Ever learning, but never able to come to an understanding of the truth."

We have millions of these in America, in politics, education, and standing behind the pulpits of some of our largest most prestigious churches. They have had the opportunity to know God through observation of His handiwork and His Word, yet they were not thankful for this privilege, and became morally wicked as a result, when their hearts refused to accept God’s truth. They love to impress men with a string of degrees behind their name, while in the eyes of God they are fools. Someone has rightly said, "Education without God, turns men into clever devils."
Education itself, without God is extremely dangerous, as we can see to our dismay in the anti Christian education system of 1999 and into this new Century. Prayer and Bible reading have been taken out of our schools as improper, yet a teacher can hand out condoms, and show their students how to place them on bananas, as they encourage sexual freedom, and we wonder why the morals of our youth have gone to hell.

Isaiah 56:10,11 indicates that our shepherds (pastors), have for the most part become, "dumb dogs who cannot or will not bark." A watchdog that refuses to bark at the sign of danger is worse than useless. The same is true when pastors, politicians, and educators refuse to tell us the painful truth. Isaiah says, "these fellows are often more interested in gain, then they are in leading their people to the truth.

How anyone can look at the average TV evangelist in operation and not see this is beyond me. A few years ago, I watched a program on TRINITY BROADCASTING NETWORK (TBN) in what they called their nationwide PRAISE THE LORDATHON! While a Black preacher sweated and shouted his way through a message, across the bottom of the screen flashed these words - SEND YOUR CONTRIBUTIONS TO.... At one point the wife of the TBN president, a pretty blonde lady, made up to look like a street walker, danced her way across the stage, banging on a tambourine, while she screamed: PRAISE THE LORD, WE JUST PAST THE FOUR MILLION DOLLAR MARK!" It made me want to throw up! I thought of all the older men and women on Social Security who had a hard time making ends meet, who were sending in a few dollars, so Paul Crouch and his wife could live in luxury. This is not the Christian way! Isaiah said, "Doing everything for their own gain!"

Let's digress from this for a few moments, to look at this phenomenon which unannounced and mostly undetected, has crept into evangelical Christian circles in modern times.

It presents our church people with a New Cross. It looks like the Old Cross, but it's different! The likeness between the two are superficial; the differences are fundamental.

This part of my discussion centers on a pamphlet that crossed my desk a few days ago titled "THE OLD CROSS -VS- THE NEW CROSS.", written by Richard Ochs of Chapel Library, 2603 W. Wright St., Pensacola, Florida 32505, a ministry of Mt. Zion Bible Church. I have take some editorial license with it without changing it's meaning. The New Cross, which has become popular throughout Christendom, has spun a new philosophy, a new evangelical technique. This new evangelism, employs much of the same language as the old time religion", but it content has changed and it emphasis has become misleading and misplaced.

The Old Cross had no ties with the World Order. It carried into effect the sentence imposed on sinful mankind by God's Law at Sinai, that had been in effect since Adam's fall in the Garden of Eden. It said simply, "The soul that sinneth, it shall die!"

The New Cross on the other hand, is not too much opposed to the sinful condition of the human race; rather it becomes a friendly pal and if understood correctly, can provide access to oceans of good clean fun and innocent enjoyment. The New Cross lets sinful Adam live without interference from the church. His life motivation is unchanged, it is still pleasure, only now he takes delight in his sinful pleasure in the name of his Lord. His
accent is still enjoyment of life, "You only go around once, so live with gusto!" Now walking hand in hand with Jesus, his fun is on a higher plane, intellectually if not morally. So Let's everyone give a clap for Jesus!" While we celebrate His name rather than worship. When life is over, we will go to that celestial abode and have an everlasting party with Jesus. Disgusting!

The New Cross encourages a new and entirely different evangelistic approach. The evangelist no longer demands that the sinner give up his old sinful life to accept Christ. In fact, very little is said about repenting. He doesn't preach contrasts, rather similarities. He seeks to key the public interest by showing that Christianity makes no unpleasant demands on it's converts; rather it often offers many of the same pleasures the world does, only on a higher moral plane. Whatever the sin mad modern World Order happens to be clamoring for at the moment, is cleverly shown to be the very thing their Gospel offers. The religious version, of course, is more spiritually fulfilling than the worldly version. So if your youth are attracted to worldly dancing, by all means hold dances in the church rec hall. They even had integrated dances, for it's better to have them there, under supervision than at some honky tonk If your church youth are attracted by the African savagery of rock and roll, have a religious rock band in your church, even though they play the same soul destroying music the hard rock musicians play. It has the same emotional effect, even if the words have a religious meaning. "After all, it is praising the Lord, you know!" and that's all that really matters!

The New Cross does not slay the sinner, it redirects him. It gives him a jollier, cleaner way of living, and saves his self respect. To the self assertive it says, "Come and assert yourself in Jesus!" To the egotist, it says, "Come and do your boasting in the Lord!" To the thrill seeker, it says, "Come and enjoy the thrill only Jesus gives, as you lead men to the Lord!" Yet I can find no Scripture which says that self respect; boasting; or thrill seeking has any part with the fruits of the Spirit.

Any Christian message is slanted in the direction of the current vogue to make it acceptable to the world. This is not true Christianity, it is worldly compromise!

The philosophy behind this kind of deception may be sincere, but it's sincerity does not keep it from being false. It is false, because it is blind to the truth. It misses completely the message of the Old Cross, the true Cross. Maybe that's why with an estimated 50 million born again Christians in America, we are headed for hell faster than at any time in our history. Maybe this philosophy is what causes sinners to want Christ as Savior, all right, but they want Him as a sort of Celestial Fire Insurance Policy to keep them out of hell. They do not want Him as King, although sing about it in their church, for when He is King, He must have first place in their life, and neither preachers or parishioners in most instances, want to stop doing their own thing, to give Christ absolute control of their life. Not being judgmental, just "By their fruits shall ye know them!"

Was this the kind of evangelism Christ referred to in Matthew 5:13, when He said, "Ye (Christians) are the salt of the earth; but when the salt has lost his savor (it's ability to act like salt and hold back corruption), wherewith shall it be salted? it is henceforth good for nothing, but to be cast out, and trodden under the foot of man." Is your Christian experience a garbage heap experience? or do you act like salt, and fight corruption
wherever it may raise it's ugly head?

If not, the King says you are worthless in His kingdom, and fit in perfectly with the philosophy offered by the New Cross.

The Old Cross, the **Spiritual Cross**, is a symbol of death. It stands for an abrupt, violent end to a human being. A man in Roman times, who took up his cross, turned his back and said good-bye to his friends, and the life he had known. The Cross in those days made no compromise, it modified nothing, it spared nothing. It slew all of the man completely, leaving nothing behind but a skeleton that had been picked bare by birds of prey. It did nothing to keep on good terms with it’s victim. It struck with evil cruelty, and when it was finished with it’s work, the man was dead.

The race of Adam is under the death penalty for sin, today, just as it was 6,000 years ago. There is no commutation of this sentence and only one escape. God cannot and will not approve any of the fruits of sin, no matter how innocent they may appear to the world and in the eyes of unsaved men and women, or no matter how beautiful they may appear. God saves the individual by spiritually killing him on the cross, then raising him to a newness of life. This is why Jesus told us that we must "take up our cross and follow Him." In **Matthew 10:38,39** He said, "And he that taketh not his cross, and followeth after me is not worthy of me... he that loseth his life for my sake shall 'find it."

In **Matthew 16:24-26** Jesus told his disciples, "If any man will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it. For what is a man profited, if he shall gain the whole 'world, and lose his own soul? or what shall a man give in exchange for his soul?"

A second witness is given in **Luke 9:23**. Then in **Luke 14:27**, Jesus said, "And whosoever doth not bear his cross, and come after (follow) me, cannot be my disciple." In other words, The person who refuses to accept rebuffs and persecution for the sake of Christ, is not fit to be a Christian.

So you see, the Cross is of supreme importance in Christian life, not just as a religious symbol one wears around their neck on a chain; not something we sing about in church, but a reality in our lives, that shapes our every moment of life. We know from the context of these verses, that Christ is not saying that we must be literally crucified on a cross. in order to be His followers, but that He must be of supreme importance in our lives; He must come first in everything we do! There is no easy way to be a Christian, as so often offered by evangelists.

Evangelism which draws friendly parallels between the ways of God and the ways of man, is false Scripture, and cruel to the souls of men who should be told the truth.

Faith in Christ can never parallel that of the world, it intersects with it! In being called by the Holy Spirit to give our life to Christ, we do not bring our old life up to a **higher level**, we lead it to the Cross where it is extinguished! Jesus said that the "kernel of wheat must fall into the ground and die, in order to produce." (**John 12:24**)

We are not called on to physically die, in order to be saved, but we give up the world, as
though we had died to it and it’s ways! And He (God) raises us up from spiritual death, to be His sons and daughters.

We who are called to preach the Gospel must not think of ourselves as public relations agents sent into the world to establish good relations between Christ and the world. We are not commissioned to make Him acceptable to big business, the press, sports, modern education, or even the church. We are not so much diplomats, as we are prophets. Our message to sinful men and women is not that of compromise, but an ultimatum: "except ye repent, ye shall likewise perish!" (Luke 13:3) This is the major reason so many intelligent folks turn their backs on God. They do not like the truth!

Our God offers eternal life to all those who will listen to His Word and will be led by His Spirit to accept it. It is not an improved life. The life Christ offers is eternal life out of death! It stands on the far side of the Cross, and whoever wants to possess it, must be willing to pass under the rod. They must be willing to completely repudiate themselves, die to self and agree with God’s sentence against them.

What does this mean to the individual; to the man and woman who stands condemned before their God? How can this theology be translated into reality? Simply, they must repent, under the wooing of the Holy Spirit and believe! They cannot come to Christ, as the evangelists tells them, of their own volition, but only as the Spirit leads them. The Word clearly says, "For as many as are led by the Spirit of God, they are the sons of God." (Romans 8:14) Verse 16 in that same chapter says, "The Spirit itself beareth witness with our spirit, that we are the children of God." The 8th chapter of Romans gives us a thorough discussion of this salvation process of being led by God’s Spirit to salvation. It begins with this wonderful promise: There is therefore now no condemnation to them which are in Christ Jesus, (NOTE CAREFULLY NOW) who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death."

Do you understand this wonderful revelation? We are free from the law which says: "The soul that sinneth it shall die, when we come under the law of the Spirit.

Notice verse 5 - "For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. (Verse 6) For to be carnally (fleshly) minded (putting things of the world first in our life) is death; but to be spiritually minded (following the guidance of the Spirit) is life and peace."

This does not mean that we will not need earthly things in order to get along in this corrupt worldly atmosphere, but that we must place Him first, before all else!

Ask yourself how you stand on the basis of verse 7 - "Because the carnal mind is enmity against God: for it is not subject to the law of God, neither in deed can be."

Those of you who have been taught that Christ did away with the Law, need to take heed of this verse, for it clearly indicates that we cannot be God’s children and violate His law. Paul sums up his thoughts in verse 8 "So then they that are in the (live) flesh (those who insist on doiposieir own thing) cannot please God."

Have you ever heard a TV evangelist preach on this verse? Have you heard your pastor
preach it? I never have! When an evangelist or a preacher tells you that all you need to do to be saved, is to come to God, ask His forgiveness and ask Jesus to come into your heart, he is a liar! He is preaching a false Gospel, the Gospel of the New Cross, which is found nowhere in Scripture.

Paul indicates in verse 9, that if a person does not have the Spirit of God (the Holy Spirit), he cannot be saved. This indicates that the Holy Spirit enters a man or woman when they have been led by Him to see their sinful condition; not by the evangelist; when they are sorry for their rebellion against God, and accept Him as not only as Savior but as their Sovereign Lord! Meaning He is to have complete control over their lives from that point on!

Have you ever heard a preacher explain this to those at the altar who are seeking Christ? Watch Benny Hinn’s TV program some time and see for yourself.

We receive the Holy Spirit when we accept Christ as Savior, when we bend our will to do His will. It is not a second work of grace: that must be accompanied by speaking in tongues, as our Pentecostal brethren teach.

Verse 14 says, "For as many as are led by the Spirit of God, they are the sons of God." They did not come to God of their own free will, that would make it salvation by works. Do you have this Holy Spirit witness in your life? Because we are His children, He gives us this marvelous assurance: "And if children, then heirs; heirs of God, and joint (in conjunction with) heirs with Christ; (notice carefully now) if so be that we suffer with Him, that we may be also glorified together." This means if you are not willing to suffer persecution for His sake, you are not fit to be His follower. This sort of eliminates those who follow the New Cross.

In Matthew 10:22 our King told us, "And ye (Christians) shall be hated of all men (in the world) for my name sake: but he that endureth (stands fast) to the end shall be saved." For a second witness, see Luke 21:17,19.

I am not preaching a message on election, but merely showing you that the born again process, as explained by the Apostle Paul, goes much deeper, than reading the sinners prayer, printed on a card and handed to you at the altar by the evangelist or one of his helpers. I believe that Romans 8:28 is one of the greatest promises in the Bible: "And we know that all things work together for good to them that love God, to them who are the called according to His purpose." (Emphasis mine!)

From Paul’s words in Romans 8:29-31, it appears that the only people who will be saved, will be those who God in His Omnipotent wisdom has predestinated (called); justified and glorified. I know this will go counter to what some of you believe, but that’s what Paul taught.

Let's get back to our discussion of the Old Cross -vs- the New Cross! Some of you may wonder why I’m bringing this up in a book titled “This Time Bomb) Called Zionism”? It’s because the falsehood of the New Cross which is emasculating Christianity in 2000, has been brought to the Christian world courtesy of the infiltrators of Judaism in the JudeoChristian church, who are using it to nullify the power of Christianity, making it next to useless, and eventually leading to it’s destruction - so they say!
Many so called Christians will object to the assessment I have made and call it my narrow minded, private, hateful interpretation of Scripture. I invite you to check and see for yourself. God has set His hallmark of approval on this narrow minded message. From the days of the Apostle Paul to the present time, whether stated in these exact words or not. All preaching which has had an impact and brought life to dying mankind for the past 2,000 years, through the time of the Reformists, and the great revivals of the Nineteenth Century, have been preached on the truth of the Old Cross. If you notice I do not mention the Billy Graham Crusades of the Twentieth Century, for although they have resulted in tens of thousands of commitments, they have resulted in very little positive change in the Spiritual condition of America.

Remember Jeremiah 23:22 - "If the preachers of the land, would preach the whole counsel of God’s Word, the people would have turned them from their evil ways, and from the evil of their doings." Do you honestly believe this has happened in the United States and Canada?

Compare the campaigns of a Billy Sunday or Dwight L. Moody, to those preached by the adherents of the New Cross. Today the evangelist sweeps into town after weeks of publicity and fills the largest auditoriums or sports arenas in the city. He entertains those who attend with the finest in Gospel singing, possibly even a well known religious rock band. His advance men have everything perfectly planned. He is on nightly TV, and after his impassioned sermon, when he gives the altar call, hundreds, seduced by his directions to have fun in Jesus, line the altar, after they are led there by his strategically placed con men who make the first move to the altars and begin a psychological reaction as it was meant to do. Tens of thousands sign commitment cards.

The evangelist leaves town and everything in the city goes back to normal. Most of the people who signed commitment cards still go to the same old worldly places they attended before. The topless bars still operate; the red light above the houses of the prostitutes still burns; the dope pushers and pimps still operate on their favorite corners and many of those who signed commitment cards, fizz for a few weeks, until they are persecuted for their new found faith, and then go back to their old life style.

Jesus prophesied this in His parable of the Sower, in Matthew 13:20,21 - He said, "he that received the seed into stony places, the same is he that heareth the word, and anon (immediately) with joy receiveth it;" (He may dance at the altar, or down the aisles of the church; he may shout and sing; or erupt in holy laughter.) Yet hath he not root in himself, but dureth (remains faithful) for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended."

During my thirty five years in Christian work, I have known hundreds like this. Hebrews 6:4-6 indicates that it would have been better for them, if they had never made a commitment to Christ.

Dare we as heirs of God’s legacy of Spiritual power tamper with the truth? Dare we, with our stubby pencils, and our fair words, erase the lines of the blueprint, or alter the pattern shown us at Calvary? God forbid! Let us continue to preach the Old Cross, for it is the "power of God unto salvation, to every one who believes."
I have rambled at length through the Scriptures, to show you the truth regarding God’s blessings for obedience and curses which automatically come with disobedience! So allow me to end with a few observations from my favorite prophet Isaiah. In the beginning of his messages to Israel (1:18-20) He says, speaking for God: "Come now an let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white snow; though they be red like crimson, they shall be as wool. If ye be willing and obedient, ye shall eat the good of the land: But if ye refuse and rebel (disobey), ye shall be devoured with the sword (war): for the mouth of the Lord hath spoken it."

This message both delights and sobers me. It seems plain enough that it should need no explanation.

In Isaiah 10:1,2 he pronounces God’s curse against un-Godly rulers such as we now have in Washington, D.C. "...decree unrighteous decrees, and that write grievousness which they have prescribed; To turn aside the needy from judgment, and to take away the right from the poor people, that widows be their prey, and that they may rob the fatherless!"

Look into the truth behind the so called Welfare Programs we now have in America, and the billions of dollars which are siphoned off by graft each year. I do not believe those mentioned as being harmed in this verse apply to the dead beats, who glory in eating at the welfare trough, with no sign of willingness to help themselves, or have additional illegitimate children so as to draw additional welfare checks.

Thank God, there is a message of hope for Israel, in Isaiah’s message, if we will return to Him in repentance and obedience. We have this promise from God our Savior, chapter 11:1 - "And there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots:" Then in chapter 9:6,7 - "...and the government shall be upon his shoulder: and his name shall be called Wonderful. Counsellor. The Mighty God. The everlasting Father. The Prince of Peace-" Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this." The Lord has spoken and it shall be so!

So while the heathen of Zionism rage, and the people of the New World Order imagine vain things, and the kings of the earth, and the rulers of the World order take counsel together against the Lord, and His anointed, Jesus Christ, saying, "Let us break their bands asunder and cast away their cords from us. He that sitteth in the heavens shall laugh, the Lord God shall hold contempt. Then shall He speak unto them in His wrath, and vex them in His sore displeasure." (Psalm 2:1-4) So listen to the advise of Isaiah in Isaiah 26:20,21 - "Come, my people (Israel), enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. For, behold, the Lord cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain." In Isaiah 27:6 - "He (God) shall cause them that come from Jacob (Israel) to take root: Israel shall blossom and bud, and fill the face of the world with fruit."

A blessing for obedience is found in Isaiah 25:8 - "He (Christ) will swallow up death in victory; and the Lord God will wipe away tears from off all faces; and the rebuke (shame)
of his people (Israel) shall he take away from off all the earth: for the Lord hath spoken it."

To the true Israel of White Christendom, God speaks in Isaiah 43:10,11 - "Ye are my witnesses, saith the Lord, and my servant whom I have chosen: that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me. I, even I, am the Lord; and beside me there is no saviour.

This confirmed by a second witness in the New Testament, in Acts 4:12 - "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."

As to the people who we know as Jews, we have read God's pronouncement against them in Isaiah 65:15 - "And ye (Jews) shall leave your name for a curse unto my chosen (Israel): for the Lord God shall slay thee, and call his servants (Israel) by another name (Christian)."

The preaching of the Judeo-Christian tradition, that the anti Christ's of Judaism are God's chosen, has done more to bring about destruction to God's people, than any single cause, other than our disobedience.

If young Christian Americans could understand that the God of the Bible wrote the history of the Anglo/Saxon/Israel race, thousands of years before it came to pass, no socialist teacher, no atheist professor, no liberal Bible teacher, could keep them from believing that the Bible is indeed, the infallible Word of God and that it is the truth! Those who hide and oppose the truth; those who hide the truth of Israel's true Identity, will some day answer before God for the incredible damage they have done to His cause.

This book, our rambling through God's Word, exposes only a few of the promises God has given us. Blessing for obedience, and curses, for disobedience!

The most important educational effort among our Israel people if we are to survive, must be to educate our people in the necessity of obedience to God, which must come before we can even think in terms of victory over those who seek our destruction.

The End
To Deceive The Elect - The Rapture Fact or Fiction?

by
Col. Gordon (Jack) Mohr, AUS Ret.

DON'T WANT TO READ ANYTHING!
I DON'T WANT TO KNOW ANYTHING!
I DON'T WANT TO DISCUSS ANYTHING!

"I have made up my mind, please don't confuse me with the facts."

IT'S TOO LATE TO BE AN OSTRICH - LEARN THE TRUTH FROM GOD'S WORD!!! AND SAVE AMERICA!

Recently (May 1991) I received the following newsletter from a Christian patriot pastor, in which he made statements which are consistent, with moderate differences, with what is being taught in most fundamentalist churches in America. I am bringing this to your attention, for scripturally I believe this man is a "false prophet," not intentionally so, but false nevertheless, who is preaching a doctrine that has done more to harm Christian soldiers, than anything the enemy has thrown at us.

Here are his remarks regarding the RAPTURE:

"Like all true evangelists, fundamentalist pastors, teachers and missionaries, we believe that Jesus is returning soon, even before the final tribulation begins! Dr. Jack Van Impe (who is a Christian Zionist - Editor Mohr) believes we have less than five years to prepare for a coming World War III. We agree! That means that Jesus Christ will come back to take us off this planet (rapture) anytime.

"Then we shall return (all 50-million of the estimated American Christians), after about
seven years, with Jesus Christ, back to this earth, to rule over the earth for 1,000 years.

"Millions of post-tribulation Catholics, Lutherans, and other Protestants still DO NOT BELIEVE this truth! Nevertheless, like great Christians of the past, we still believe in the PRE-TRIBULATION-RAPTURE, even after sixty years.

"I personally think every true Christian shall be caught up into a huge angelic spacecraft in a split second of time, whether they individually believe this or not: WE SHALL ALL GO TOGETHER! AMEN! Perhaps before you read this letter we shall be caught up together! (See you then!)" (UNO.)

After a good deal of prayerful consideration, I was led by the Spirit, I believe, to answer this confused brother as follows:

Dear Brother _________________

I do not understand why I am wasting my time writing this letter, except to say that I am being strongly pushed by the Spirit into doing it. I sincerely doubt that it will cause you to change your mind, since it seems to be "set in cement", and only the power of God will blow away the years of false teaching you received in fundamentalist circles.

Of course, I am referring to your latest newsletter, in which you upheld one of the most Satanic and destructive doctrines which has ever plagued Christianity, that of a Pre-Trib RAPTURE. I know something regarding the fundamentalist teaching, since I was raised in a Southern Baptist church, and on reaching manhood, as a Fundamentalist Baptist. To augment this teaching, I have two degrees in religion from one of the most prestigious fundamentalist Baptist seminaries, which is noted for its PRE-TRIB stand. So I'm pretty sure I know what it's all about. I was also a fundamental Baptist evangelist for eighteen years, with speaking engagements in some of their largest churches, and in such places as Bob Jones University and Tennessee Temple.

In all my time rubbing shoulders with these men, I never heard a pastor or seminarian discuss why, when Jesus was telling His disciples about His return, in Matthew 24 and Luke 21, He never so much as hinted at a RAPTURE. It always seemed to me, even when I was in fundamentalist circles, that He would most certainly have mentioned such an important event. But when I asked the professors about this, all I received were rebukes about my faithlessness, or stony silence.

I do know what Jesus said about His return, for I can read it in the scriptures. He said there would be "wars and rumors of wars, famines, pestilence and earthquakes." These were to be a sign to us of His return (see Luke 21:28), for when we see them take place, we would KNOW that our REDEMPTION was drawing near. But there was no hint of a RAPTURE here! In Matt. 24:9, and again in Luke 21:12, He said that Christians would be persecuted, and some killed, and even strongly hinted who the persecutors would be, when He said this would happen in "synagogues". But there was not the slightest hint of a RAPTURE.

In verse 13, He did say: "He that endures to the end shall be saved." Of course, you must know that He was not speaking about "spiritual salvation," for we know this is of "grace through faith and not through works." He was speaking of physical salvation from the tribulation which would be afflicting the world.

Then in verse 22, He goes so far as to predict that unless the days of this Great
Tribulation were shortened, no flesh would be saved on the earth. But He goes on to say, "thank God," that "for the ELECT'S sake" these days would be shortened. There is no hint here that Christians would escape going through the Tribulation, for the word ELECT is never used, in either the Old or New Testament, to refer to the people we now call JEWS. In the OT it was used for Israel, and in the New for "the spiritual seed of Abraham," those we know as Christians.

The first hint of His return in Matt. 24, comes in vs. 29, which follows "immediately after the tribulation of those days." In Luke 21:25, 26, He tells us that men's hearts would be failing for fear, as they saw the signs of His return, but that for the "true Christian" this should be a time of rejoicing.

The RAPTURE Theory was never taught in the early Christian church until about 1850, when it was brought to this country by John Darby of the Brethren Church, and was popularized in fundamentalist circles by the profligate Baptist, C. I. Scofield, in his Scofield Reference Bible. This has become so popular in many Baptist circles, that to many, Scofield's footnotes have the weight of Holy Writ.

Where in the world did you ever come up with the strange idea that 50-million American Christians would return with Christ for this fictitious RAPTURE? I know they are out there all right, but how can you say that most of these folks are "saved," when this country has "gone to hell" faster during the period when there was the largest growth among the "born agains?" Could it be, do you suppose, that it is because these Christians have been listening to the "ear tickling" RAPTURE doctrine? I have had many good Christians come up to me after hearing me preach and say: "Brother Mohr, we agree with everything you said about the dangers to our country and our people. But I'm born again, you know, and I don't have to worry about those things, since Jesus will come back for me before things get all that bad!" Talk about being wrapped in a sheet of self righteousness, those folks are "wrapped in a shroud."

There have been more "soldiers of the cross," neutralized and turned into "panty-waisted, sissy-britches" religious cowards by the teaching of this heresy, than by any other weapon which the enemy has ever used against us in modern times. For instead of being on the "battle line" where they belong, most of these Christians are hiding in their comfortable, air-conditioned, "spiritual foxholes," folding their holy hands in prayer, while they ask God to handle the dirty work He gave them to do, and rescue them from the mess caused by their apathy.

Jesus was talking about religious folks like this when He said in Matt. 5:13 - "Ye are the salt of the earth, but when the salt has lost its savor (the ability to act like salt and hold back corruption) ...it is good for nothing, but to be cast out and trodden under the foot of men."

I say that the vast majority of your 50-million Christians will fall into this category, and will be the one's who will hear the Master say to them: "Depart from me! I never knew you!" (Matt. 25:41) How can I make such a shocking statement? "By their fruits shall ye know them," and very few of these 50-million, are bringing forth good fruit. If they were, things would be changing for the better.

You say that these 50-million will come back to "rule with Christ for a thousand years." Don't make me laugh! Are you so naive as to believe that people who don't have enough courage to say "grace" in a restaurant before they eat, will "rule with Christ?" Where's
your scripture for that? Mine, coming direct from the King James Version says in Revelation 2:7,17,26; 3:5,12, and 21, that only the OVERCOMERS will "reign with Him." In every case, the Word, not Jack Mohr, but the WORD says: "To him that OVERCOMETH will I grant to sit with me in my throne."

Then to be so bold as to say that we will be caught up in a huge angelic spacecraft, is to lead people astray, for I am sure you have no scripture to back this assumption.

You quote from Jack Van Impe, who is a Zionist Christian. In other words he is a man who evidently does not believe the Master's words, when He said "Ye cannot serve two masters. For Van Impe gives utmost loyalty to the anti-Christ's of Zionism-Judaism. There is no reason to argue about this. just read his writing and find out for yourself. How can you place trust and respect in a man who turns his back on God's Word, as found in 2 John 10,11, where it tells Christians that if they support the anti-Christ's (see 1 John 2:22, 23) for a definition of such, they "become partakers in their evil deeds."

Brother, God will hold you responsible for the doctrines you teach and preach. This is why I am taking time to write. Its because I believe you will listen to me, but because I never want you to be able to stand before the King and use the standard excuse: "No one ever told me differently!" If you read this letter in its entirety, you will never be able to use this excuse (Read Matt. 18:6 and Luke 17:1,2). God holds each of us preacher, evangelist, and layman alike, responsible for questioning doctrines and teachings, by exhorting us to "Search the scriptures daily to see if these things are true, (Acts 17:11)

Have you ever thought about what might happen if Christians who have been taught the RAPTURE theory, suddenly find themselves in the middle of the Great Tribulation? They will become prime candidates to take part in the great "falling away" of 2 Thess. 2:3. Not only that, but they will be seeking out the false prophets who taught them, to do them physical harm! This is a warning to you!

Jesus promises the OVERCOMERS, the right to "rule and reign" with Him in His Kingdom, and if there is a RAPTURE, then would be gain. But to blindly accept the RAPTURE, with no consideration that God may have other plans for His people, might be tempting God, and this is a dangerous thing to do.

Recently I came across this RECIPE FOR PERPETUAL IGNORANCE, which I have found prevalent among many professing Christians:

1 - Be sure in your mind that only you have the whole truth;

2 - Be content with what you have already been taught and believe and never seek further truth, for it may come as a shock to you to find out that you have been wrong.

I know something about this traumatic experience, for after having been taught the RAPTURE fallacy for years, when one day I was illuminated by the Holy Spirit into accepting the truth, I had to admit I had been wrong and this was exceedingly difficult for me to do. Strangely, for admitting this error, I lost most of my so-called fundamentalist friends.

If you ever accept the potentially disastrous consequences of accepting the RAPTURE theory, then and only then, will you see the importance of searching for and finding the
You say that most "true evangelists" and "fundamentalist pastors, teachers, and missionaries," have accepted the RAPTURE. This is an outright falsehood and you know it! I could name many of these, but do not have the time in this letter. I do know it was never accepted in fundamentalist circles prior to 1850.

There are many in your group who are not sure just what they want to accept regarding this theory, so they have come up with "pre-trib," "mid-trib," and "post-trib" theories. They can't all be right, and it is very possible that ALL of them are wrong.

Van Impe, and others of his stripe, have made a lot of money by writing books on when and how the RAPTURE will occur. Some have gone as far as setting dates, even though the scripture clearly states that "no man knows when the Lord will return." The book 88 REASONS THE RAPTURE WILL OCCUR IN 1988, was a good example of this kind of fraud, with the writer explaining that he had merely made a mistake in his calculations.

You may say, but Jesus told the church that it would be spared from the horrors of the Tribulation. Just how big is your God? If He is powerful enough to physically remove you from this earth by means of a physical rapture, then He most assuredly is capable of protecting you on this earth in the midst of "holocaust," no matter what it may be. Of course this is not nearly as exciting as the RAPTURE, and you can't get as many good sermons from it; or as many good collections. I know, for I have seen evangelists use this teaching for this purpose.

The Rapture Doctrine has been one of the most divisive of modern day doctrines, and how can the world believe Christians when they keep on preaching things which are obviously wrong? It is just like the Jews being the Chosen People Theory, which has been proven false.

Christ tried to give His disciples an understanding of who was to be taken from this earth at His return, and did this in two Parables "the wheat and tares," and the "good and bad fish," in Matt 13. In both cases, it was the "good that remained while the "evil was cast out or removed." Neither of these Parables needs any explanation.

Going back to the scripture I discussed earlier, when I mentioned that the days of tribulation would be shortened for the "elects" sake. In Luke 18:7, we read about: "His (God's) own elect." In Romans 8:13, "...God's elect," in Colossians 3:12, "the elect of God..." and in Titus 1:1, "...God's elect," again. If all Christians are removed from this earth via a RAPTURE, why would God shorten the duration of the "great tribulation for the elect's sake?"

To perpetuate a Bible doctrine, based on a single verse of scripture, as found in 1 Thess. 4:17, is inconsistency of the worst kind. It is a violation of the Bible principle which requires "two or three witnesses," and puts that one verse in direct conflict and contradiction with at least fifty other scriptures which refute it. There MUST be something wrong here, since Jesus said: "...the scripture cannot be broken," (John 10:35) and we KNOW that our God is not the "author of confusion," (1 Cor. 14:33). "God is not a man that He should lie (have contradictions in His Word)..."(Numbers 28:19)
So, perhaps your understanding of 1 Thess. 4:17 is wrong. Maybe it is in the translation from Greek to English. Or it could be in the fabrication of terms which theologians love to use. I will not argue with you about this belief, except to plead with you, to honestly sit down with your Bible and a Strong’s Concordance. Put aside all the preconceived ideas you have acquired over the sixty years you have been a fundamentalist, and let the Word of God speak to you on its own. I DARE YOU TO DO THIS, HONESTLY!

I will pray that God will open your eyes to the truth, for you are too valuable a man in the Kingdom work, to be led astray by false doctrine.

Your brother and servant in the King's service,

Jack Mohr

Spurred on by this letter, and as the Holy Spirit leads, I will attempt to answer this burning question. IS THE RAPTURE DOCTRINE, TRUE SCRIPTURE TEACHING, OR IS IT ONE OF THE GREATEST HOAXES OF THE MODERN CHURCH AGE? It appears to me, that it is a weapon, put out by the enemy, to sap the morale of Christian soldiers, and turn them into "foxhole" dwellers, even before the battle begins.

In this article, I am deeply indebted to Brother H. Speed Wilson, Col. USMC Ret., for his book RAPTURE: PROPHECY OR HERESY! For a detailed analysis of this doctrine, I would suggest you write for this book to:

H. SPEED WILSON,  
c/o Daring Books,  
913 Tuscarawas St., N.W.,  
Canton, OH 44702.

We know from a study of the scriptures that they cannot be broken. John 10:35, is a passage where Jesus Himself assures us that "...the scripture cannot be broken (will not disagree, nor contradict itself in any part) and will come to pass, (be fulfilled)." In 2 Timothy 3:16, we learn that "ALL scripture (Old and New Testament alike) is given by inspiration of God, and is profitable for doctrine, for reproof, for correction and for instruction in righteousness..." Jesus rebuked the Pharisees in Matt. 22:29 and Mark 12:24, because they "erred, not knowing the scriptures."

I find it difficult to understand how some Christian leaders seem to believe that the Old Testament is not meant for modern day Christians. The Lord and His Apostles, continually quoted from it. Romans 15:4, certainly indicates that everything which was written in the Old Testament was meant to "teach us," (Christians). It states that the stories in the Old Testament were meant to be examples, or types, and were written as warnings for us. In Acts 20:27, we are told that we should accept the "whole counsel of God." Not just a few verses we take out of context to prove our point.

Can we learn anything about a so-called RAPTURE from the Old Testament? While this word is not used in either the Old or New Testament, I believe we can. Here are a few examples:

1 - Ps. 125:1 - "They that trust in the Lord shall be as Mount Zion, which cannot be moved, but which abideth forever." This agrees with 2 Cor. 9:9, which says: "...His (God's) righteousness remains forever."

2 - Prov. 2:21, 22 - "For the upright shall dwell in the land, and the perfect shall REMAIN in it, but the wicked shall be CUT OFF (taken/destroyed) from the earth, and transgressors shall be ROOTED OUT of it."
3 - Ps. 145:20- "The Lord preserveth all that love Him; but ALL the wicked He will DESTROY." This agrees with 2 Peter 3:7.

4 - Prov. 10:30 - "The righteous shall NEVER BE REMOVED; and the WICKED SHALL NOT INHERIT the earth." (It is always the wicked who will be REMOVED, not the righteous.)

I do not believe these foregoing scriptures need any further explanation.

5 - Prov. 11:31 - "The righteous shall be recompensed (rewarded) in the (world) earth."

6 - Ps. 119:119- "All the wicked of the earth you (God) will DISCARD (throw away) like DROSS (garbage)."

Remember in the New Testament Parables of the "Wheat and Tares; and the Good and Bad Fish" in Matt. 13, that it was the "bad" which were always removed. The "good" remained behind.

When Jesus prayed in John 17:15: "Father, do not take them (Christians) out of the world, but keep them from evil." He was repeating the words of the Psalmist in 23:4, 5 - "Yea, though I walk through (no rapture here) the valley of the shadow of death, I will fear no evil, for Thou art with me."

Ps. 37:29 says that it is the "righteous who shall inherit the land (earth) and dwell there FOREVER." Vs. 9-11 states that "evildoers (those who transgress God's Law, see 1 John 3:4) shall be CUT OFF (destroyed); but those who wait upon the Lord shall INHERIT (remain) on the EARTH."

In no instance, in any scripture, will you find reference to the "righteous, the perfect, the upright, and those who trust God," being RAPTURED out of this world.

In my favorite Psalm 91, sometimes called THE SOLDIER'S PSALM, vs. 7 says: "A thousand shall fall at thy side, and ten thousand at thy right hand; but it will not come nigh thee, only with thine eyes shalt thou behold and see the reward (destruction) of the wicked."

In Colossians 3:6 we learn that "The wrath of God is coming on the sons of disobedience." In Isa. 43:2, we are told: "When thou passest THROUGH the waters I (God) will be with thee; and THROUGH the rivers, they shall not overflow thee: when thou WALKEST through the fire (atomic maybe?) thou shalt not be burned; neither shall the fire kindle upon thee." (See Daniel 3:27.) In other words, God's people shall be safe in this world, no matter what kind of a catastrophe may hit.

There are a multitude of scriptures which indicate that the righteous will remain in this world, while the evil will be removed. In no instance is it the other way around.

Some Rapturists will come back with the statement that the destruction of the wicked takes place after Christians have left this world via a RAPTURE. But nowhere does the scripture teach such a thing.

Read Ezekiel 9:4-6 and see how God has a mark placed on those who love and honor Him, so that they will be spared from destruction. This agrees with Rev. 9:3, 4, where we are told how during the grievous "plague of scorpions," in the last days, God's people will be spared. (He is not talking about Jews.)

The only scripture which even remotely suggests that Biblical believers may be removed (RAPTURED) is in 1 Thess. 4:17. But scripture itself, charges us not to establish any scriptural belief on the witness of a single passage. (See Gen. 41:32; Job 33:14; Deut. 17:6; 2 Cor. 13:1).

There are many Christians who do not follow Christ's example of washing one another's feet before partaking of Holy Communion (John 13:14,15), because this is the only time it is mentioned in the
scriptures. Yet some of these same people base their belief in the RAPTURE, on a verse which is much more vague than the passage in John 13.

We know that the word RAPTURE does not appear in any translation of the Bible. It has been my observation, that terms fabricated by theologians, instead of Bible terms, severely hampers one from honestly "searching the scriptures." Examples of this are RAPTURE: JEWS ARE THE CHOSEN PEOPLE; JESUS WAS A JEW; ANTI-SEMITISM, etc.

If you look into the two most popular Bible Concordances, Young's and Strong's, under the word CAUGHT, which is what the English word RAPTURE means (caught up), you will not find 1 Thess. 4:17 even listed. If you look for the word UP, you will not find it listed in 1 Thessalonians 4:17.

Strong's and Young's agree, and point out that the Greek word "harpazo", which is derived from the word "haireomai", when translated into English means: "to take for oneself; to prefer; to chose." This same Greek word, "harpazo," is used in - John 10:12, where it says: "...and the wolf catcheth (harpazo) them (the sheep)."

In Matt. 13:19 - "...then the wicked one comes and catcheth away (harpazo) that (the word) which was sown in his heart."

Acts 8:39, after Philip had baptized the Ethiopian eunuch: "...the Spirit of the Lord CAUGHTAWAY (harpazo) Philip."

In John 10:28, 29 this word is used in a verse which says: "...and they shall never perish, neither shall any man PLUCK (harpazo) them out of my hand."

In Jude 23, "harpazo" has been translated as "pulling," ...and others save with fear PULLING (harpazo) them out of the fire."

In Matt. 11:12, it is translated "take by force." "...until now the Kingdom of Heaven suffereth violence, and the violent TAKE IT BY FORCE," (harpazo).

Another "key" phrase in RAPTURE phraseology, found in 1 Thess. 4:17, is "to meet the Lord in the air." By this they intimate that this means we will ascend into the sky to meet the King.

But the Greek translation of the English word AIR, in both Strong's and Young's Concordances is "AER". It is used in Acts 22:23 "...and threw dust into the air (AER)." In 1 Cor. 9:26 - "...not as one that beateth the air (AER); 1 Cor. 14:9 "...for ye speak into the air (AER)."

There is another Greek word for AIR which is used in the New Testament. It is "ouranos", and appears in Matt. 6:28; 8:20; 13:32; Mark 4:4, 32; Luke 8:5; 9:58; 13:19, and Acts 10:12; 11:6. In each case it refers to the "fowls of the air" (OURANOS).

So according to what the scriptures teach, the RAPTURISTS are not going to suffer from nosebleed, because they rise into the stratosphere, since there is no honest way the Greek word AER, can be changed to mean "heaven." We are in the AER now while our feet are firmly planted on the GROUND.

The Rapturists try and use Noah as an Old Testament type of the Rapture, by saying that as he was lifted off the earth by the flood waters, so they will be lifted off earth by the Rapture. But please note that Noah did not go to heaven, he still remained in the air (AER).

Another phrase the Rapturists like to use in this passage is "with them (the resurrected saints) in the clouds." There are several scriptures in which "divine clouds" came down to earth. In Matt. 17:5; Mark 9:7; and Luke 9:35, we learn how Jesus was "transfigured on the mount and a cloud came down and overshadowed them and behold a voice out of the cloud..."

The Apostle Paul in 1 Cor. 10:12, spoke about Israel's passing through the Red Sea, by saying: "...and were all baptized unto Moses in the cloud (which must have come down) and in the sea."
In Hebrews 12:1, we are told that Christians today are "compassed (Greek "perikeimai" - meaning: "enclosed; encircled; hung about") about with so great a CLOUD of witnesses.

In 1 Thess. 4:17, this "great cloud of witnesses," are the same saints we find in Rev. 6:10, who are crying to God for vengeance against those who have killed and persecuted them.

In vs. 15, of 1 Thess. 4, we find these departed saints returning to earth with the King, to be united with their resurrected bodies and to be made perfect along with those who are alive and remain on earth at His coming.

But let's look back a bit and see what this passage really says, beginning with vs. 13. "But I would not have you ignorant (without understanding) brethren, concerning them which are asleep, (this verse deals with departed/dead Christians) that ye sorrow not, even as others which have no hope. (Those who die in an unsaved condition. For if we believe that Jesus died and rose again (I'm sure that those of you read this, believe this), even so (in like manner) them also which sleep (are dead) in Jesus will God bring with Him. For this we say unto you by word of the Lord, that we (Biblical believers) who are alive and remain (on earth) unto the coming of the Lord shall not prevent (precede; have an advantage over them) them which are asleep. (Notice that these Christians who have died are not in heaven with Christ, as most churches teach, but are ASLEEP). For the Lord Himself shall descend from heaven (compare this with Acts 1:11, where Jesus went directly from earth to heaven, and it was predicted that he would return in exactly the same manner, nothing is said, or even hinted, about a Rapture back to heaven, and a Third Coming.) with a shout, with the voice of the archangel, and the trump(et) of God: and the dead in Christ shall RISE (Greek "anestemei" - "to sit up; to be resurrected") first. Then we who are alive (see 1 Cor. 15:51) and remain (on the earth in the AER) shall be caught up (made one; "harpazo") together (at the same time) with them (the dead in Christ) in the clouds (the "great cloud of witnesses" who have been made perfect here on earth), and so shall we always be with the Lord. (In the AER, on earth forever.) Wherefore comfort (reassure) one another with these words."

(Notice that the "Lord descended from heaven," before we are made part with Him (harpazo); just as the New Jerusalem of Rev. 21:2, comes down to dwell with believers here on earth. We do not go to heaven to get into the New Jerusalem.

Wasn't this what Jesus meant when He taught us to pray in Matt. 6:10 - "Thy Kingdom come; Thy will be done, IN EARTH, as it is in heaven?"

If we choose the Greek meaning, and there are six of them, for the word "harpazo," which is "to be made one," then we will have removed the contradictions the Rapturists have brought to this wonderful and comforting scripture. This would make 1 Thess. 4:17, the answer to our King's prayer in John 17:21, when He prayed: "that they (Christians) all may be one (harpazo); as thou Father art in me, and I in Thee, that they may also be one in us: that the world (order) may believe that Thou hast sent me."

A translation of this Thessalonian passage by the great Reformer Martin Luther in German, reads: "the lesser was included in the greater." We Christians are the "lesser;" Jesus Christ, the King, is the "greater."

Jesus Christ was transfigured (changed; transformed) in the air (AER) right here on earth in the same manner that we will be changed. (Refer again to 1 Cor. 15:51-54.)

We are told again about this physical change in Cor. 3:4, where we read: "When Christ, who is our life shall appear (here on earth at His Second Coming, not in a Rapture), then shall ye (Christians) also appear with Him in glory." 1 John 3:2 elaborates on this by saying:"... now are we (Christians) the sons of God, and it doth not yet appear what we shall be; but we know that when He (Christ) doth appear (at His Second Coming), we shall be like Him; for we shall see Him as He is." (This will take place, here on this earth, in the "AER". It will not be in a Rapture in the sky.)

In John 14:23, Jesus states that if we love Him and keep His words (commandments, see 1 John
3:4), then the Father will love us and both He (Jesus) and the Father (God) will come unto him, (notice we do not go to Them, They come to us), and will make our abode with(in) him." (On this earth!) No mention of a RAPTURE! No mention of "going to heaven," but God and the Son will come and make their abode in us. HALLELU'YAH!

In 2 Thess. 2:7, we read another passage which is used by the Rapturists to prove that both Christians and the Holy Spirit are out of this world during the days of the Great Tribulation, when the anti-Christ takes over. It says: "For the mystery of iniquity doth already work, (remember this was written in the First Century A.D.): only he who now letteth will let, until he be taken out of the way."

The English word "letteth" comes from the Greek "katecho" which means: "to have, hold, to hold down fast, possess, retain, seize."

During my study on this subject, I came across these old "study notes," which were written, believe it or not, before I became aware of the Rapture hoax. In other words, I was still preaching it. But you can see that even then, the Holy Spirit was dealing with me about this subject. These were written prior to 1975.

**THE RESTRAINER**

There is wide-spread disagreement as to who this "restrainer" really is. Most pre-tribs believe this to be the Holy Spirit. (I first noticed this when I saw that the "he" was not capitalized, as it should have been if it referred to the Holy Spirit.) They assume that He was removed from this earth before the Tribulation, at least partially, as the one who indwells believers, and because He has left, so the believers MUST be gone also.

But if the Holy Spirit "indwelling" is missing during the Tribulation, then it seems to me as though the Tribulation saints would be retreating to the "weak and beggardly elements," the Apostle Paul condemns as "legalism," in Gal. 4:9. Does it seem possible that 144,000 Jewish evangelists could do a better job of evangelizing the world in seven years, without the aid of the Holy Spirit, than the ecclesia had been able to do in 2,000 years? Doesn't make much sense, now does it?

If the Tribulation Saints are indwelt with the Holy Spirit, as they must be in order to be saved, then why does He not act as a restrainer during the Tribulation Period? I believe this - disproves the Rapturist theory that the antichrist cannot appear while the "indwelt" church is here on earth. Ask your pastor to show you the Greek words in 2 Thess. 2:7, which are translated "Holy Spirit." He can't!

What we have in this teaching, is a deliberate separation of the Rapture from the Second Coming of Christ. While all passages in the Bible dealing with the Second Coming are in harmony with each other, they are not exactly the same. But they never cancel each other out.

In 1 Thess. 4:17, nothing is said about where Christians are supposed to go after they meet the Lord in the air. In Zech. 14:4, where Jesus stands on the Mount of Olives, you find nothing saying that the saints have been in heaven with Him. This argument of silence can be effectively used to prove that the Rapture does not take place at the Second Coming. There is no "battle and bloodshed," mentioned in 1 Thess. 4 and this passage also omits speaking about our bodies being changed, with mortal putting on immortality, as seen in 1 Cor. 15:51-53. Just because the wording of these two Scriptures is different, does not mean they are speaking about different events.

Rapturists will try and tell you that Christ in Matthew 24, was speaking of His Second Coming, while in 1 Thess., Paul was discussing the Rapture. But Christ and the Apostle Paul taught the same thing, a single, Post-Tribulational, Second Coming, which had none of the aspects taught by the Rapturists.
If Paul were living today, he might very well write his warning to the "ecclessia" at Corinth, to the present day Rapture preachers: "But I fear, lest by any means, as the serpent beguiled Eve through his subtlety (trickery), so your minds should be corrupted from the simplicity that is in Christ." If the Pre-Tribulation is such a big event in the lives of Christians, why did Jesus never mention it in the Gospels?

The Rapture people have developed an unusual ability to use both "inductive" and "deductive" reasoning to support their view.

"Deductive reasoning," is a logical thought process where by one comes to a conclusion based on a set of remises." Such as "Since all men are apes; this is a man; therefore, he must be an ape.

"Inductive reasoning" is a logical thought process in which a conclusion is proposed, that contains more information than that which can be obtained through observation and experience. An example: "Since every crow ever seen has been black; therefore all crows must be black."

Using these thought processes, the Rapturists say that because the word "church," cannot be found after Chapter Four in the Book of Revelation, they deduce, or conclude that the church must have left this world (hence a rapture). It is interesting to note, however, that nowhere in the New Testament is the Greek word for church used, instead it uses the Greek work "ecclessia," which literally means "an assembly of called out ones."

If you look closely at such scriptures as Eph. 4:11, 12; 5:27, you will find that in very clear terms, "saints, body of Christ, and the church," are one and the same people. These are synonymous terms. Saints are mentioned at least 13 times in Revelation, after Chapter 4 and are on this earth in all incidents. In Rev. 13:10, we read about "the patience and faith of the saints." In 17:6, we see where the "whore of the Babylonian world system," is "drunk with the blood of the saints and martyrs of Jesus." So they must have been on this earth in order to have been martyred. She could not have reached them if they had been in heaven.

In 20:9, we are told that Gog and Magog "went up on the breadth of the earth, and compassed (surrounded) the camp of the saints," under no conditions was this speaking about the antichrist Jews. These are Israelite Christians who are being besieged.

Now you may get some "kickback" from some Rapturists who will say that these saints mentioned, are the 144,000 Jewish evangelists. But if you want to be real technical about it, only the Tribe of Judah, could even remotely be called JEWS, since all the others are Israelites.

In addition, Rev. 7:13,14 clearly states that the saints are in great tribulation, and have come out of this tribulation with their garments "washed white in the blood of the lamb."

The Rapturists make much of the "mark of the Beast - 666." Yet they would have to be on earth at the same time as the anti-Christ, if they had to make a decision for or against him. Maybe this is one of the major reasons they want a Rapture, so that they will not have to make this hard and often fatal decision.

Brother Speed Wilson puts it mighty clear, when he said: "The tribulation saints are OVERCOMERS, NOT COPPER-OUTERS!" The word RAPTURE has the exact opposite meaning of OVERCOMING, for it is essentially the attitude of the "escapists," rather than the victorious attitude of a Christian soldier.

They also love 1 Thess. 5:9, which is a beautiful verse which tells us that "God did not appoint us (Christians) to wrath, but to obtain salvation through our Lord Jesus Christ." It is interesting to note that the definition of the word "obtain," means: "to get possession of; to prevail; to be victorious. When you are "victorious," it means you have won a victory over the enemy, and no soldier ever won a victory, by hiding in a foxhole, praying for his king to come and rescue him from the trouble which was caused by his apathy and neglect.

We have already discussed some of the promises God gave to His saints, which will see them
through this time of adversity, not by "escaping" (a rapture), but by OVERCOMING.

Some promote the Rapture belief by quoting Luke 21:36 "... pray always, that you may be accounted worthy to escape all these things that shall come to pass and stand before the Son of man." I believe the "key" word in this verse is WORTHY, which comes from the Greek word "Axios," and literally means: "deserving."

If you will carefully read the first few chapters of Revelation, you will see that it is only the OVERCOMERS who are worthy to be "clothed in white raiment." Only the OVER-COMERS who will "rule and reign" with the king

Somehow or other, I think the King James Version is "off the mark," a bit in its use of the English phrase "be accounted worthy of ESCAPE." I like what the New Jerusalem Bible says better. It puts it this way: "Stay awake! praying at all times for the strength to survive all that is going to happen and stand with confidence before the Son of Man." How in the world will a Christian be able to do this, if he spends most of his time looking for a means whereby he can escape the unpleasant things which are coming to this country, due mostly to Christian apathy.

The Rapturists often use Enoch and Elijah as examples of a Rapture. But Jesus didn't say: "As it was in the time of Enoch, or Elijah." He said: "As it was in the days of Noah, so will it be when I return."

While Scofield taught that the "restrainer" of 2 Thessalonians 2 was the Holy Spirit, a great Bible scholar named Oswald Smith once said: "There is no mention of the Holy Spirit in this verse. That is a Scofield Bible assumption. The Holy Spirit and the church remain in the world until the end of the age."

Jesus Himself predicted that the "wheat and the tares," would grow together to maturity and that one of His first acts on His return, would be to get rid of the tares.

Our Baptist friend from Washington, said in his letter that all the great church leaders believed in and taught the Rapture, but that just isn't so. I wonder where he studied his church history. Any honest study of church history, will show you that this doctrine did not show up in the modern church, until about 1830 Luther, and Calvin, and Wesley never taught it, and the early Baptist church in America did not teach it.

WHERE THEN DID IT BEGIN?

Two of the best books on this were written by my friend Dave MacPherson. THE INCREDIBLE COVERUP, and THE GREAT RAPTURE HOAX. Dave can be reached at P.O. Box 44, Monticello, UT 84535.

One of the greatest obstacles to acceptance of the truth revealed in this message, will be the tendency of some readers to become hostile at what they think are unfair criticisms of those they consider to be great Christian leaders, churchmen, of course, who have taught the Rapture theory. There is no doubt in my mind, as I look back on it, that some of the seminary professors I knew, were dedicated to the cause of Christ, yet they allowed denominational teaching to overshadow the truth of the Word.

Anyone would be foolish to hire a butcher to build a house, or a car mechanic to repair an expensive watch. Why then are Christians upset, when someone points out that men like Jerry Falwell, Jimmy Swaggart, Jack Van Impe, or Billy Graham, as examples, have proven themselves to be "theological duds," when it came to the prophetic department.

Jerry Falwell once told me: "Brother Jack, the reason God has been good to America, is because we have supported the Jews." But when I pointed out the truth, that America had gone "downhill" in every area - militarily, economically, politically, educationally, and spiritually, faster than any time.
in our history, since we recognized those "who say they are Jews, and are not, but are of the synagogue of Satan," (Rev. 2:9; 3:9), are recognized their right to the land of Palestine. When I pointed out these truths, Jerry got angry and walked off with his feelings hurt.

Instead of sitting in some church, or before a TV screen, with your mouth agape and your eyes popping, as some prophetic evangelist pontificates about when the Lord will return, or when the battle of Armageddon will be fought, or how the Lord will come in the Rapture before 1992, why don't you take your Bible, and a Strong's Concordance, and sit down at home and find out for yourself what the Word says. You don't need some pastor, who has been "brainwashed" in the seminary to tell you what it says. Think for yourself for a change. I know it means a bit more work, and it's easier to listen to the preacher, but you will get a lot more out of it if you discover it for yourself. I can tell you from long experience in the evangelistic field, that in nine cases out of ten, your pastor will tell you what the seminarian told him.

Certainly fundamentalists and rapturists are saved if they really believe and are "bringing forth the fruits of repentance." But when they drift into a life "at ease in Zion," because some preacher told them not to worry what the communists do since they are going to escape through a rapture, then there is a lot of repair work to be done.

While seeking the lost and leading them to Christ is of first importance, remember it is only the first step in the salvation process. For once you reach this plane, then you are in a position where your responsibility to God and your fellowman has increased 1000 fold. These same brethren you lead to Christ need nurturing and you can't expect them to gain spiritual maturity, on the "sour milk mush" put out by the raptured crowd, who tell them: "Don't worry, if you are saved, God will take care of everything." My youngest son, who has become involved with a charismatic church, tells me: "Dad, you have lost your faith. All that is necessary is to have faith and God will take care of everything." If this is true, then why does a Christian soldier need to put on the armour of Ephesians 6. You don't put on armor to eat, or to go to bed, or to sit in a foxhole. Armour is put on before a fight, and whether you realize it or not, Christians are in a fight to the death, against the very forces of hell.

The brand of Christianity that says: "Leave everything to God, is about as anemic as anything I can think of and is a long, long way from being an OVERCOMER."

I think this reasoning, is why the average Christian is not worth a hill of beans, as far as the Kingdom of Heaven is concerned We have become a "twinky-marshmallow" type of people, instead of the rugged Christians our forefathers were, and weak Christians are always reflected in a weak church that is headed towards the disaster of the church of Laodicea (see Rev. 3:15-17). God said to them, and He says the same thing to modern Christians: "...I know thy works, that thou are neither cold nor hot; I would that thou wert cold or hot. So then (because of this) because thou art neither cold nor hot, I will spew (spit out in disgust) thee out of my mouth."

Then He gives an explanation of why the church has reached this pitiful state (vs. 17) "Because thou sayest I am rich, (we had the most baptisms last year; we had the biggest church building program; we had the biggest attendance growth; we had the best givings per parishioner,) and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked." Many of our modern churches are like that. They literally clutter up the landscape of America, in town, city and the countryside. They often meet in impressive multi-million dollar edifices, with stained glass windows and organs that cost into the hundreds of thousands of dollars. Their choirs are clothed in the richest raiment, they sit in conditioned comfort, on comfortable plush seats, but spiritually, they are like the Laodicean church and are "wretched, poor, blind, and naked," in the sight of God, because they preach a "man pleasing Gospel," instead of the "whole counsel of God's Word."

In Jeremiah 23:22, God tells Israel, that if their pastors will preach God's truth, then His people would turn from their wicked ways. There has been no turning in America, which indicates to me that the pastors have not been preaching the truth. The Rapture Doctrine is one area in which they
have fallen astray.

Some of you may be inclined to say: "Brother Mohr, how can you make such a terrible statement?"
And I MUST refer you back again to Jeremiah 23:22.

Could it be possible that many of our pastors have become the shepherds spoken of in Isaiah 56:10,11? "His (Israel's America's) watchmen (pastors) are blind; they are all ignorant (mistaken in their teachings), they are all dumb dogs, they cannot bark: (a watchdog who refuses to bark, or who cannot bark when danger approaches, is worse than useless) lying down, loving to slumber, greedy (covetous) dogs which can never have enough, and they are shepherds that cannot understand ("ever learning, but never able to come to an understanding of the truth," is how the Apostle Paul puts it in 2 Tim. 3:7), they all look to their own way ("doing their own thing,") everyone for his gain.

What a terrible indictment against the pastors of Christendom, but evidently true, the facts speak for themselves, for the people of America have not turned from their evil ways, to seek the Lord, and even professing Christians are more interested in "doing their own thing," than they are obeying God.

Will it be necessary for white Christian Americans, who have always been the "backbone of this nation," to be "knocked to their knees, and have their noses rubbed in the dirt," before they will "listen to God, obey and be saved, both spiritually and physically?" It will not come through politics, nor through a spiritual abortion such as the Rapture.

If our preachers of prophecy were to preach the truth, rather than a message that will "tickle the ears and titillate" their congregations, then we would see some changes in the lives of Christians, and thereby America.

It may come as a shock to those of you who have been taught the Rapture theory, that this teaching did not come from the Bible, and was never taught in the early Christian church. It was initiated by God's enemies, for the purpose of neutralizing the church. If the Rapturists would approach the Bible with a mind open to the truth, they would not be led astray by this false teaching, which began with two Spanish Roman Catholic Jesuit priests named Alcazar and Ribera.

To listen to the expositions of the present day Rapturists, one would never realize that a Bible expositor who taught the Rapture theory, never existed earlier than J. N. Darby, and to tell them the truth about this, makes them your enemy.

It is a known fact, that prior to 1830, no Christian church or fellowship had ever proclaimed a Rapture Doctrine. Before 1830, 1 Thessalonians 4:13-18 was accepted as a scripture which concerned the resurrection.

In Dave MacPhearson's book, he quotes men such as St. Augustine (354-430 A.D.) - "But he who reads this passage (Daniel 12) even half asleep, cannot fail to see that the kingdom of the antichrist shall fiercely, though for a short time, assail the church. (THE CITY OF GOD, XX, p.23).

MARTIN LUTHER (1483-1546) said: "The Book of Revelation is intended as a revelation of things that are to happen, and especially of the tribulations and disasters for the church." (WORKS OF MARTIN LUTHER, VI, p.480).

GEORGE MUELLER (1805-1898) - "The scripture declares plainly that the Lord Jesus will not come until the apostasy shall have taken place." (MISSION TOURS AND LABORS, p.148).

Dwight L. Moody - "There is not a passage in the New Testament to support Scofield. The call of John to 'come up hither,' has reference to mystical ecstasy, not a pre-tribulation rapture." (SPIRIT OF THE LIVING GOD, p.203).

C. S. Lovette - "I no longer teach that Christians will not have to go through the tribulation."

Yet our Baptist friend from Washington State, declares unabashedly that "all past true evangelists and fundamentalist pastors, teachers, and missionaries believe that Jesus will return before the final
tribulation begins."

Where in the world did this man study his religious history, or is he making it up as he goes along?

As far as I have been able to determine, the Rapture Doctrine began in the mind of a Spanish Roman Catholic Jesuit priest named Lacunza, who began to write a book under the name of Rabbi Ben Ezra, who was supposed to have been a learned Jew who had converted to Christianity, and who was trying to convert his Jewish brethren.

It is interesting to note, that "Futurist" writers often quote from this "bogus" Jew, thinking he was a Christian. That is exactly what Lacunza had in mind and with typical Jesuit cleverness and deceit, he deliberately set out to lead Protestant Christians astray.

At this time, Protestants were teaching that the Pope of Rome was the antichrist and this priest set out to turn their minds from this idea, by stating that all of the Book of Revelation was to be fulfilled at some future date. Even the opening prayer in his book was for the purpose of deception. In this, Ben Ezra pleads with God to use his book for the enlightenment of his Jewish brethren. But a study of Lacunza's book will show you that it was written to lead Protestant clergy astray, by getting them to dabble in the unscriptural theory of a future antichrist. His book was printed in two small volumes, but at his mysterious death in 1801, it dropped from sight, with the exception of a small volume which was printed in 1812.

Using typical Jesuit cunning, this book was put on the "prohibited list" by the Spanish Inquisition and immediately became sought after in Protestant circles. I can see how this would have happened, since I have had a similar experience.

All of my writings are forbidden in Canada, as being "anti-Semitic, hate literature," and since they were placed on the forbidden list, my sales in Canada have increased.

In 1816, a complete edition of Lacunza's book was published in London in four volumes and this book ended up in the library of the Angelican church, which was the heart of British Protestantism. The enemy had drilled a hole in the foundation of the Reformation Movement in England, had laid the fuse, and was set for the blast that would blow Reformed Christianity to bits. It took a little over ten years before the explosion occurred.

In 1826, ten years after Lacunza's work was published, a Dr. Maitland, librarian to the Archbishop of Canterbury, startled the Protestant world with a series of articles on prophesy, in which he taught the philosophy that had been expounded and taught by the Jesuit. This was that the book of Revelation referred only to the future, and would be fulfilled in a short period of time at the return of Christ. He taught that this return would be in two phases, the first secret, when He would gather His saved people from the earth, both the living and the dead, and take them to heaven in an event Maitland called the RAPTURE. The second phase would be when Christ returned seven years later, after the Tribulation, with these same saints, to set up His millennial rule on earth.

This is the same type of teaching our Baptist brother in Washington State is promoting, and which he wrote in his letter, when he said: "This means that Jesus Christ will come to take us off this planet (rapture) any time now. Then we shall return (all 50-million of the estimated American Christians), after about seven years with Jesus Christ, back to earth, to rule the earth for a thousand years." (UNQ.)

I wonder whether this brother realizes that he is teaching the doctrine of the enemy?

Those of us who can remember the past fifty or sixty years of world history, will remember, I'm sure, that many men have been looked on as being the antichrist by prophetic preachers. FDR was one; Mussolini was another; then of course Adolf Hitler and Joe Stalin; then President Johnson, and Henry Kissinger, and of course always the Pope. Somewhere in the lives of all these men, were some incidents, which led the prophetic preachers to 666, and the "Mark of the Beast," of Rev. 13:18.
Could it be that Fundamental Christianity has been looking for a man, whom they say will be a Jew, to be the antichrist, when he has been in their religious house for many years? Could this idea, harnessed to that of the RAPTURE before the antichrist appears, be one of the causes of the general apathy which has afflicted the Christian church?

The task of translating the wonderful works of Rabbi Ben Ezra, was undertaken by a brilliant, but rather eccentric young Scottish Presbyterian minister named Edward Irving; he was the founder of a sect called the "Irvingites," who are now known as the CATHOLIC APOSTOLIC CHURCH. (Their beliefs are among the most peculiar in the Christian world.)

Irving knew about the Jesuit basis for the works of Ben Ezra, and knew enough about the morality of Jesuits, that he should have been aware he was committing spiritual suicide. But he went ahead with his work nevertheless, without warning his readers that the writing was "bogus."

Some church historians trace the origin of the modern Rapture Doctrine to a vision received by a Scottish lassie named Margaret MacDonald, of Port Glasgow, Scotland, early in 1830. (See Dave Mepherson's documentation in his book THE INCREDIBLE COVERUP).

Others say that Irving said he had heard a voice from heaven, commanding him to preach the Secret Rapture of the Saints. So, obeying this voice (?) he began to preach that Christ would come back twice, with absolutely no scriptural backing for this premise, only going by what the "voice" had told him.

While Irving is supposed to have been the first prophetic preacher to have promoted this theory, 250 years earlier, this idea was hatched in the counsels of Rome, and was promoted later by the Jesuit priests Lacunza, and Ribera.

When Irving began to obey the "voice," a veritable deluge of "spiritual manifestations," descended on his deluded congregation, as is often the case, when men are led by their feelings, rather than by the Word of God. His congregation went from one fanatical extreme to another, until what had once been a Scottish Presbyterian church, formally asked to be admitted into the Church of Rome.

It is very probable that this teaching would not have had much effect on America Protestantism, if it had not been promoted by the profligate C. I. Scofield, and included in the footnotes of his popular Scofield Reference Bible. These footnotes, too many Baptists, hold almost the same place of honor as that of Holy Writ.

Using Scofield's footnotes, the fundamentalists began teaching in their seminaries, then from the pulpit, and in their Bible schools, the Roman heresy of the Rapture. This was a teaching that was used to turn Christian soldiers, into "spiritual foxhole" dwellers.

Carrie Ten Boom, the Christian heroine of World War II, was correct, I believe, when she stated: "The rapture doctrine is a false teaching. Jesus warned us to expect this in the last days."

The teaching of this doctrine was responsible for the slaughter of countless millions of Chinese Christians, when the communists took over. Those Christians who had been taught this doctrine, did nothing to protect themselves from the "antichrist's" of Communism, since they had been told they would be Raptured before the persecution got too bad. Many of those who had not been contaminated by this doctrine, were able to escape and are the nucleus of the Christian church in China today.

In Rev. 2:20-22, Christ warned the church at Thyatira to beware of a false "prophetess" who was causing the church to commit "spiritual adultery."

The teaching of this doctrine was responsible for the slaughter of countless millions of Chinese Christians, when the communists took over. Those Christians who had been taught this doctrine, did nothing to protect themselves from the "antichrist's" of Communism, since they had been told they would be Raptured before the persecution got too bad. Many of those who had not been contaminated by this doctrine, were able to escape and are the nucleus of the Christian church in China today.

In Rev. 2:20-22, Christ warned the church at Thyatira to beware of a false "prophetess" who was causing the church to commit "spiritual adultery."

What is "spiritual adultery?" Read Rev. 22:18,19, where you will find that anyone who adds to the teaching of the Word (Rapture; Jews chosen people, etc.), will not have his name in the book of life. (I hope our Washington pastor will read this passage and ponder on it.) Some will think that I am saying that those who believe the RAPTURE are not saved. But I didn't say that! I am merely quoting what Christ said about "adding to His Word."
In Matt. 24, Jesus warns us that His people will have to face "deceivers," in these last days, and that many of them will be persecuted, and that many will not have the spiritual courage or stamina to "endure to the end."

Duncan McDougall, in his book THE RAPTURE OF THE SAINTS, from which some of this information is taken, rightly says: "IGNORANCE IS THE MOTHER OF DEVOTION! There is a king of 'self-righteousness' which thrives in the hotbed of ignorance, like a mushroom which grows only in the dark. It is of an emotional nature, akin to autosuggestion, easily captured by any wind of doctrine that appeals to the senses, or which gives one a feeling of exhilaration, and does not like to be hindered by the cold facts of history, experience, or the plain teaching of the World of God."

It is interesting to note that one of the facets of J. N. Darby's Church of the Brethren, who was a chief promoter of the Rapture Doctrine, was to discourage individual Bible study, a thing which had been prohibited by the Roman Catholic church during the Middle Ages, and against which much of the Reformation Movement had been aimed.

The same kind of "know-nothingism" can be seen in fundamentalist circles today, where Christians are encouraged to get answers on such things as prophecy, not from the Book, but from the pastor. Of course, when they do this, they usually get a rehash of what the pastor got from the professor in seminary.

Today's pastors are kept so busy with extra-curricular church activities, board meetings, civic responsibilities, visitation, weddings and funerals, counseling, etc., that it is easy for Saturday to slip up on them and they have no sermon prepared for the Lord's Day. They often fall into the temptation of using Dr. So-and-So's Book of Sermon Outlines, which every pastor's library has. There he can find the scripture, illustrations, and everything needed to put together a pretty good thirty minute sermon in less than an hour. The problem being that his congregation gets a rehash of what Dr. So-and-So believes, which may not necessarily be what the Word of God teaches.

God did not give us the Book of Revelation to confuse His people, for we know He is not the "author of confusion." Nor did He give us this marvelous book as some "happy hunting ground," for a sensation seeking prophetic preacher, who wants to titillate his audience.

As a result, we need to be extremely careful and not become dogmatic about unfulfilled prophecy. Today, with the United Nations victory in the Middle East, Christian Zionist preachers such as Pat Robertson, Jimmy Swaggart, and Jerry Falwell, are having a "field day," as they speculate (and this is all it is), on when Armageddon will take place, and whether the Lord will return before 1992.

Yet our prophetic preachers have trifled with prophesy in the past, to the point where they have often become the "laughing stock" of the world and rightly so. When a man can publish a book such as 88 REASONS THE RAPTURE WILL OCCUR IN 1988, which sold thousands of copies to gullible fundamentalists, and then get by with the lame excuse that he had made a miscalculation, we know something is desperately wrong.

In Col. Wilson's book RAPTURE, p.77, he says: "Many well-known evangelists and teachers of radio and TV had broadcast and written books that the Rapture would occur in 1981. When it did not come to pass, the date for the great Christian 'lift off' was changed to June 28, 1981, but no go! Then they issued a correction (Noah's forty days of rain), so the heavenly countdown was delayed until August 7, 1981. Still no launch! And today, ten years later, people still listen and finance these same false prophets.

I can recall no prophet, or Jesus Himself, who ever made a prediction, and when it failed, got by by saying: "Whoops! I made a mistake. What I really meant was. "1 John 4:1 tells us that we are not to "believe every spirit, but try (Greek "dokimazo" meaning: "examine; test; prove") the spirits whether they are of God: BECAUSE many FALSE PROPHETS are gone out into the world." We have droves of them in America!

2 Peter 2:1, says there will be "false prophets also among the people, even as there are false teachers
among you ..." The sign of a false prophet is given in Deut 18:22 - "When a prophet (preacher of prophecy) speaketh in the name of the Lord, if the thing follow not, nor come to pass, that is the thing that the Lord hath not spoken, but the prophet (preacher) hath spoken presumptuously (Hebrew - "zadown" meaning: arrogantly; with pride"), thou shalt not be afraid of him." In Jer. 28:9, Israel was warned of false prophets: "For they prophesy falsely: I have not sent them, saith the Lord."

Any prophet or preacher of prophesy who prophecies anything which will turn a man or woman away from the true meaning of God's Word, deserves the death penalty according to Deut. 13:5, and this includes those who turn Christians from being "soldiers of the cross," into "spiritual foxhole" dwellers, by telling them that they are going to be Raptured before the tribulation.

In closing, let me point out some of the consequences of believing and/or preaching the Rapture Doctrine, as taken from Speed Wilson's book:

1. - This doctrine says by implication "Accept Jesus as your Savior and your spirit will go to heaven when you die, or fly away to heaven while you are still alive." It makes heaven the "blessed hope" and creates a false sense of security that you will be removed from this earth before things get real bad. This makes for "lukewarm" Christians, who can never become the OVERCOMERS of Revelation 2 and 3.

2. - The Rapture will rob you of attaining the full salvation God has promised and prepared for you. When you are taught that when you are "saved you have it all; and will receive your reward in heaven," scripture does not teach this. Scripture does teach both a "spiritual" and a "physical" salvation, but not through a Rapture. Do not let the lie of the Rapture cause you to "stop short" of all God has promised and reserved for you through Jesus Christ.

3. - Do you want to go on to "spiritual completeness" with the Lord? Until "all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the fulness of Christ: That ye henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine (Rapture), by the sleight (meaning "pride") of men, and cunning craftiness, whereby they lie in wait to deceive," (Eph. 4:13,14.) Christ is in you "the hope of glory," not some false doctrine, whether it be the Rapture or any other unscriptural teaching.

4. - In Hebrews 11, we are told about men and women who were willing to "run the race that is marked out for us," and that we would "throw off everything that hinders our running." A long distance runner is not going to carry an eighty pound backpack. He will throw off any excess weight, so he can run more efficiently. We must do the same thing, if we love the Lord, and this means we must be willing to suffer with Him, if necessary, and even die, as millions of others have done. This idea is completely foreign to the teaching of the Rapture.

5. - The Rapture theory causes Christian men and women to "become so heavenly minded, they are no earthly good." Many Rapturists have completely detached themselves from national and world events, and will have nothing to do with the scriptural teaching of national salvation. Yet over 2/3rds of the Bible is taken up with this aspect of God's will for men.

These apathetic Christians are the major reason the Secular Humanists have been able to take over our public school system. It is impossible to "occupy until He comes," as He charged Christians to do, when you are cowering in a spiritual foxhole, waiting for Christ to rescue you from the mess caused by your apathy.
My challenge to you, like that of Brother Speed Wilson, especially to those of you who have become obsessed with the Rapture Doctrine, and who no doubt will be terribly upset with this article, is to prove me wrong. Not by what your denominational leaders say, not by what Doctor So-and-So D.D. has to say, but by the Word of God. I will take my stand on that!

Man was made in the image of God, in knowledge, righteousness, holiness, and was given dominion over the earth (See Gen. 1:26; Col. 3:10; Eph. 4:24). Our Standards of Christian conduct cannot be man as he makes himself, but man as God made him. According to Psalm 138:14, man was "fearfully and wonderfully made." We were created to rule the earth, to have dominion over it, to rule it according to God's eternal Law. To diminish this calling and responsibility in any way; to reduce God's Law to a few vague moral precepts that man wants to follow, is to set a minimum for faithfulness, and this in itself is evil. Christians cannot afford to be amateurs. There is too much at stake. Our calling MUST be a total one! We MUST give God., nothing less than our ALL. Even if this means our life!

There is nothing which points up the weakness of the modern church, more than the reduction of faith from God's super-natural act of saving us, to any easy believism and casual disobedience," when we want to "to do our own thing instead of obeying Him."

A famous man on his death bed was reported to have said: "God will forgive me; that is His business." Protestants have been quick to condemn the church of Rome for its doctrine of "indulgences"; but we have fashioned our own doctrine of indulgence, when we tell our people "Accept Christ, and you will be safe; if you sin, He will forgive you." We have been guilty of turning salvation into a sort of fire insurance policy," to keep men and women out of hell. That's why it has become so easy for our white Christians, who should be in the forefront of bringing this nation back to God, to accept an easy doctrine like the Rapture. I'm not sure it will work!

Jesus said in Luke 6:46 - "Why call ye me, Lord, Lord! and do not the things which I say?" I am fed up with the signs I see as I travel around the country, which have been erected by some church group at the entrance to their city. They say: JESUS IS LORD OF THIS CITY! Yet I can find open bars, shops that sell pornography, abortion clinics, and for all I know, houses of prostitution. Jesus is NOT Lord of that town. That is just a cliche to make church folks feel good. These church folks should study Matt. 7:21, where our Lord clearly stated: "Not everyone that saith unto me, Lord! Lord! shall enter into the kingdom of heaven (LISTEN CLOSELY NOW!) but he that doeth the will (Obeys the law, according to 1 John 3:4) of my Father which is in heaven."

I don't know many fundamental preachers who have the "spiritual guts" to preach this truth. They know they would lose members, and along with that, the "almighty dollar" which has become so precious to them.

We turn our back on personal Christian responsibility when we tell ourselves and others, "All that is necessary is to have faith, and believe in Jesus. He will take care of everything else." These folks are making a mockery of God's Word, for He has given us certain responsibilities too.

Could these apathetic, "twinkie-marshmallow" Christians be the ones the King had in mind, when He said in Luke 13:25 "...and ye shall begin to stand without (the Kingdom), and to knock at the door, saying: 'Lord! Lord!, open unto us:' and He shall answer and say unto them, I know not whence (who) you are!"

Amateur Christians, the kind who would rejoice at the idea of a Rapture which would whisk them away from all earthly responsibility, when millions of others have suffered and died for our Lord, show the modern form of Phariseeism which the Apostle Paul describes in 2 Timothy 3:5 - "... having a form of godliness, but denying the power thereof." The road to hell will be lined with people such as this.

Take your Bible and look at the road signs, which are placed there to warn Christians of hazards ahead!
The Apostle John in his first Epistle (3:8) tells us: "For this purpose (to combat evil) the Son of God was manifested (made known) that He might destroy (utterly annihilate) the works of the devil: Whosoever is born of God doth not commit sin, (this refers to wilful sin); for his seed remaineth in him: and he cannot sin, because he is of God. In this the children of God are manifested (made known) and the children of the devil; whosoever doeth not righteousness IS NOT OF GOD, neither is he that LOVETH not his brother." You see, Christian, there MUST be a difference between you and the world. If you act the same as they do, then you are NONE OF HIS!

So, my fundamentalist, Rapture minded friend, you can stand up in church and testify until you are "blue in the face," about what the Lord has done for you; you can knock on every door in town, inviting them to come to church; you can speak to your friends and witness of what Christ has done for you and what He can do for them. But if your life shows that you ignore His Law, and believe that because you are a Christian you can get away with it, then according to The WORD, "that man's religion is in vain!" For, "What you do, shouts so loud, I can't hear what you say!"

Don't get angry with me, for telling you these things. I am not making them up. They come direct from the Book. They were put there to warn you DANGER! DETOUR! BRIDGE IS OUT! Will you listen to these warnings and take a complete stand for the King, and the White Christian civilization which has given you every worthwhile thing you have, or are you going to listen to the "sweet talk," of the false teachers, and be destroyed?
To Seduce the Elect

An in depth look at some of the falsehoods which have invaded the Christian world and the danger they pose to Christ and His church, with apologies to none.

Introduction

This is a book about false teaching, especially those which are currently being taught in three branches of Christianity. We will look without bias, into error where it is to be found, that has crept into the Judeo-Christian churches of America, and into the Roman Catholic churches. These two branches of Christianity, make up the majority of those who go by the name of Christian. We will also look into an ever growing minority of White Christians in America, and throughout the Free World, who are known as Identity Christians.

These are people for the most part who have come out of the Judeo-Christian and Catholic world, as they came to the realization that they were physical descendants of Abraham, entitled to the blessings which go with this, and also the added responsibilities to God and man. Unfortunately, as often happens, falsehoods have crept in here too, as the enemy seeks to sow seed of dissension and doubt in the hearts of our people.

Immediately, when the subject of falsehoods and exposing those who teach them comes up, we are asked the question by zealous Christians: "Is it right to judge? Is it right to expose false teachers and doctrines and to name names in the process?"

As an introduction to this book, I want to try and answer this question, at least in part by using a very revealing article, written by Ralph C. Griffin, which appeared in the Summer Issue 1994, of his newsletter, THE SWORD AND THE TRUMPET, P.O. Box 870, Chandler, TX 75758.

While I do not agree 100% with the doctrinal beliefs of Brother Griffin, the purpose of this Introduction is not to criticize him, but to benefit from his wisdom.

In Hebrews 5:14, we read: "But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil".

Those who are unwilling or incapable of discerning or judging between good and evil are in this manner revealing either their disobedience or their spiritual immaturity.

Yes, it is biblically MANDATED TO JUDGE, TO EXPOSE FALSE TEACHERS AND DOCTRINES, AND TO NAME THE NAMES of those who teach error and thus perhaps irreparably harm the Body of Christ. A thorough and exhaustive proof of the above conclusion would fill an entire book, but I'll only briefly establish the scriptural basis for this truth.

"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. But shun profane and vain babblings: for they will increase unto more ungodliness". (2 Timothy 2:15,16)

Wolves in disguise have entered the flock and are deceiving many! False teachers are free to spread their poisonous doctrines today because there is a "conspiracy of silence among Bible believers!" For this reason, it is important for us to closely examine their teachings. While it goes beyond our ability and authority to ascertain the motives of their hearts, it is well within our ability and authority to evaluate their doctrines. (This is the purpose of this book - Author Mohr).

This examination is not for the purpose of tearing down or simply to be negative, but only to help those who wish to be biblical.

Discerning Bible readers are aware of Jesus' many warnings about the false messiahs and false
teachers that would abound in the "last of these last days". Christ said that these deceivers and their deception would be one of the first and clearest signs of the closing day of this Age. He warned His disciples 13 times in the Gospels to be alert to such deceivers. Jesus called them "hypocrites"; "blind guides"; "whited sepulchers"; "serpents"; and "ye generation of vipers". (Matthew 23:23-34)

When dealing with false teachers, false prophets and those involved in God's house for the purpose of dishonest gain; i.e., money changers", Christ's words were sharp and His actions plain. In John 2:16, we listen as He said to them: "Take these things hence; make not my Father's house an house of merchandise". Then He drove the money changers out of the temple with a whip He had made out of rope.

Yet today, Christians are told that we are to fellowship with men whose doctrines are as un-scriptural as those of the Pharisees.

We are not supposed to rebuke anyone for their compromise, yet it is true that the anti-Christ himself and his false prophet, will be worshiped by all the world as Christ. This means that his followers will be so-called Christians. Should true Christians not be warned of this?

In exposing un-scriptural teaching by noted Christian teachers, authors and other leaders in the church, it is important to remember that we are not questioning their commitment to the Lord. However, what must consistently be scrutinized and confronted is teaching or living is that which is scripturally in error, no matter who may be presenting it.

The Apostle Paul corrected the Apostle Peter publicly and named those who were leading others astray, and continually combated errors in his epistles. Paul had to oppose Peter's actions as being without scriptural support on one occasion (see Galatians 2:11-17). Suppose Paul had refused to enter into controversy with his friend Peter. With leaders piloting the Christian boat in the wrong direction, the infant church might have been shipwrecked on the rocks of Jewish legalism. (There is some of this same danger inherent in Identity -Author Mohr). Peter's ministry was not nullified as a result of being corrected. It did serve as a reminder that everything taught must be in accordance with sound doctrine as stated in God's Word.

Peter rebuked Ananias and Sapphira by name, in Acts 5 and as a result, the early church was in fused with a wholesome fear of God and His holiness. (This is something most churches lack in this age - Author Mohr).

Examples found throughout the scriptures demonstrate the value of reproof for the conviction of sin and erroneous teaching which might have otherwise gone unheeded, leading to destruction of some. Paul's naming of Peter and Barnabas, Alexander the coppersmith, Hymeneus and Philetus, and John's exposure of Diotrephes are just a few biblical examples of public correction.

There are some who assert that such matters should be dealt with privately in accordance with Matthew 18:15-20. But this passage deals with matters of personal offense - issues between individuals, not false teaching, and doctrinal problems which subvert the gospel and are promoted publicly.

Dave Hunt, in his THE BEREAN CALL of Jan. 1994, writes: "All scripture is profitable for correction. Designed for the benefit of believers, this teaching of God's Word, is very much out of favor among today's church leaders. It's astounding that page after page of the Bible involves some form of correction, yet any such application among Christians is generally avoided or received as emotionally harmful, 'negative or un-loving' is the Word. On the contrary, correction is biblical and necessary".

The Apostle Paul, writing in Colossians 2:8 says: "Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments (GK - stoickeron -4747 meaning: fundamentals) of the world (order) and not after Christ".

In 1 Timothy 6:20-22, speaking to the young evangelist, he said: "O Timothy, keep that which is committed to thy trust, avoid profane (GK - bibelos - 952 meaning: "heathenism; by implication
Jewish notions) and vain babblings (GK - henophonia - 2757 meaning: "empty sounding, fruitless discussions), and opposition of science falsely so called (Note that true science is never in conflict with the Word - Author Mohr) which some professing have erred concerning the faith".

When I have previously addressed this issue, there is usually an immediate suspicion that I am attacking a person rather than questioning ideas and practices from a biblical standpoint.

Romans 16:17-18, is often quoted to condemn anyone who might question a brother's teaching. They quote: "Now I beseech you brethren, mark them that cause divisions and offenses... and avoid them". They ignore the middle part of this passage which says "contrary to the doctrines which ye have learned". This passage is speaking about those who are teaching un-biblical doctrines, or as Paul says, "another gospel".

Divisions in the church are created by teachings that are contrary to sound doctrine. False teachers serve only themselves, not Christ, and deceive the naive with smooth talk. Romans 16:18 says: "For they (false teachers) that are such serve not our Lord Jesus Christ, but their own belly (GK -koilea - 2836 meaning: "heart") and by good words, and fair speeches, deceive the hearts of the simple". (GK - akakos - 172 meaning: "innocent; unsuspecting").

The Bible tells us not to fellowship with them, but also tells us not to ignore their destructive heresies - because that would be compromise. The Word teaches that "sound doctrine" cannot be perpetuated through compromise, in 1st Corinthians 15:33, Paul says: "Be not deceived, evil communications corrupt good manners". Compromise cannot be avoided without separation (see 2 John 10,11) - "If there come any unto you, and bring not this doctrine, (see vs. 7) receive him not into your house, neither bid him God speed: For he that biddeth him God speed, (helps him in any way), becomes partaker in his evil deeds".

A biblical fundamentalist had been described as one who "adheres with strong convictions to the fundamentals of the Christian faith, and who insists on separation from worldliness, apostasy, and disobedient brethren". While separation is not one of the essentials of the Christian faith, it is a necessary pre-requisite for being a fundamentalist and must be seen as a defining element in fundamentalism. (This word has been terribly overworked, and incorrect meanings have been given to it in recent years. I am a fundamentalist in its true meaning, and am proud of it - Author Mohr).

In the foreword of the book PSYCHOHERESY by Martin and Deidre Bobgan, Dave Hunter commented: "...many church leaders, though well intentioned are feeding... deadly poisons to the Body of Christ... Christian leaders should be held accountable for what they say in books, magazines and in the pulpit, or on radio or TV. Certainly no one can object if what he has stated publicly is quoted or questioned publicly. If a church leader is granted immunity from challenge or correction, then the Reformation was in vain and we are back under the un-scriptural authoritarianism of a Protestant popery...

"If (a particular teaching is) valid and biblical, then its proponents have nothing to fear from a factual and scriptural analysis of its tenets; and if it precedents are in fact false and dangerous, then lovers of God and truth will be grateful when error is exposed".

(I have often been questioned about writings of leaders in some church group, and am compelled to say: "Much of what they say is true, but like rat poison, which is made up of 97% cornmeal, it is the 3% [poison; untruth] that kills - Author Mohr).

If we then, as well as others who, by the Word, expose doctrinal error and false teaching are criticized by the mass of professing Christians they and their ministers compromise the truth to gain acceptance, then we should rest in the knowledge that we are looking for the approval of God, not men. To do otherwise is to befriend the enemy and cause additional harm to the Body of Christ.

(For this reason, I do not expect many in the Judeo-Christian and Catholic churches to accept the truths found in this book. It would be well for you to remember Moses' words to Israel in Exodus 23:2- "Thou shalt not follow a multitude to do evil". Just because the majority say something is
right, does not make it so. I do believe it is reasonable to ask, not that you agree with what I write, but to check out the facts against the Word and when you find that I have been telling you the truth, have the courage to accept it. - (Challenge made by author Mohr).

We are commanded to test every teaching on the basis of the scripture 2 Timothy 3:16,17 tells us: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God may be perfect, thoroughly furnished (GK - exartizo - 1822 meaning: "to equip fully as a teacher") unto all good works". Remember how Paul commended the Bereans in Acts 17:11 - "These were more noble than those in Thessalonica, in that they received the Word with all readiness of mind, and searched the scriptures (the Old Testament was all they had) daily, whether these things (which Paul and Silas were teaching) were so".

(Not many of our so-called Christian people do this. When they read their Bibles, which is seldom, and come to a part they do not understand, instead of searching the Bible for the answer, nine times out of ten, they go to their pastors for the answer. And nine times out of ten, he will tell them what he was taught in the seminary, which does not necessarily mean it is what the Word teaches. By this means, heresies creep into church teachings - Author Mohr).

We are enjoined to reject any teaching from any teacher (No matter how many religious degrees he may have behind his name - Author Mohr), that is not based squarely on specific passages from God's Word.

In 2 Timothy 4:2,3 we read: "I (Paul) charge thee (Timothy) therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at His appearing and His kingdom. Preach the Word; be instant (GK - ephistemi - 2186 meaning: "to stand upon; to be at hand") in season, out of season. (The first SEASON comes from the (GK word eukarios -2121 and means: "well timed; opportune; in time of need". The second SEASON comes from akarios - 171 and means: "inopportunistly; to fail of a proper occasion") REPROVE, REBUKE, EXHORT with all long suffering and doctrine. For the time will come when men will not endure sound doctrine; but after their own lusts (longing for material, fleshly things) shall they heap (GK - episoreuo - meaning: "to accumulate further; seek additions; heap") to themselves teachers having itching (GK - knetho - 2833 meaning by implication "to tickle") ears. And they shall turn away their ears from the truth, and shall be turned unto fables. But watch thou in all things, endure affliction, do the work of an evangelist, make full proof (GK - pleurophoneo - 4135 meaning: "to be completely if assured or convinced") of thy ministry".

Religious tolerance - or being "open minded" is sermonized a lot in the church today. Larry Thomas, in his THE INK Horn, Dec. 1992, wrote: "To the world, religious tolerance means granting another person, faith or persuasion the same rights and privileges we demand for ourselves. But in the church world, tolerance has become compromise. To be non controversial and to demonstrate 'Christian love', many in the church have thrown out all doctrinal standards. "The church has grown soft. It has relaxed its position on a number of social and spiritual issues, opening the door for un-scriptural practices and teachings. The easing of standards has enabled the church to broaden its appeal to the world and show forth a spirit of unity within the body. The problem is that many included in this ecumenical hodge-podge are not actually part of the Body. They may have a Christian sounding philosophy, but they are a far cry from being Bible-based, 'born again' (born from above) believers. "One of the most visible efforts to increase appeal and put on a display of unity, is the total avoidance of debate, disagreement, or division - no matter how wrong or heretical the teaching. To avoid these things we compromise with wrong teaching is to sacrifice our biblical convictions. "(This puts us in the unenviable position of being" par takers in their evil deeds", 2 John 11 - Author Mohr).
"As a result, factions in the church have become fat and fattening. They have gorged themselves on the meat of man's wisdom, while swilling the new wine of heresy. To point out these wrongs is to be controversial and run the risk of being "called 'un-loving' or 'unchristian'".

The book of Jude is certainly controversial. The entire book sounds an alarm to believers about false teachers and errors in the church. It is a rebuke to false teachers, a warning to believers, and a battle-cry against error. Jude is much too "negative" for today's church. But remember, the Holy Spirit authored this book, not Jude! Jude calls on the church to "earnestly contend for the faith". The Greek word for CONTEND, "implies to put forth an effort equal or greater than the opposition". To compromise with wrong in the name of tolerance is to dishonor God and make light of His Word.

We are also commanded to SEPARATE ourselves from them. In 2 Corinthians 6:17, we read: "Wherefore, come ye out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you, saith the Lord". This makes it plain that God's people are to come out of apostasy and religious error! False teachers have broken down the barrier between God's people and falsehood. There is too little preaching and teaching on the doctrine of "separation". Until we get back to teaching the truth about personal and ecclesiastical separation, we can expect the widespread havoc and judgment of God, that we are experiencing today. (See Deut. 28).

How can we contend for the faith in a climate that will not tolerate controversy, but instead promotes compromise with evil and evil men, in order to avoid conflict or division?

Notice in John 3 how Jesus challenged Nicodemus, a Pharisee who approached Jesus with his heart open to spiritual truth. Yet this same Jesus harshly condemned other Pharisees to their faces. He was patient with those who were willing to listen. He did not give in to the temptation to tell them what they wanted to hear, but taught them the very Word of God.

Even in His superior wisdom, Jesus met much opposition, not only from His enemies, the Pharisees, but from His own followers. In John 6:66, we find that when Jesus began to teach the hard facts of the Kingdom: "From that time many of His disciples (followers) went back, and walked no more with Him".

(For all intents and purposes, many who go by the name of Christian today, are not walking in His doctrine - Author Mohr).

But the Master was gentle with those who had been deceived, while He sternly rebuked the rabbis who perverted God's word through false teaching, and He did so publicly!

The most loving thing a Christian leader can do for the church, is to warn believers against those who propagate false teachings and the most loving thing they can do for the perpetrators of scriptural error, is to speak forth in rebuke and hope and pray that they will repent.

In an article entitled WHATEVER HAPPENED TO THE CHURCH? in WITNESS, INC., NEWS, March 1993, Rick Varlinsky writes: "We must stand for truth no matter what the cost, personal or professional" (Oh how many of our TV evangelists need to listen to this advice and take it to heart - Author Mohr). "This is not an option. The stand for truth is not to be relegated to those engaged in ministry on a full-time basis. It is the task of all believers, and we are all accountable... That is why we are given the armor of God. That armor is meant for battle!"

(But the average Christian doesn't want to fight. He is like the hippies of the 1960's whose motto was: "Make love, not war!" We need to remember that a soldier does not put on armor to eat, or to sleep, or to hide in some spiritual foxhole while the battle rages outside. Armor goes on before the battle - Author Mohr).

The problem of doctrinal "wishy-washiness" is a cancer that is spreading through the church. The alarm MUST be sounded: the troops MUST be rallied! We MUST "fight the good fight of faith", with the same fervor that was characteristic of the early church. Every believer is to be a "watchman" warning lest we as the scriptures state (see Ezekiel 3:18; 33:6), find that "their blood
will I require at thy hand."

(We sing: "Faith of our fathers, living still. In spite of dungeon fire and sword. How sweet would be their children's fate, if they like them, could die for thee. Faith of our fathers, holy faith, we will be true to Thee 'till death!" Yet I wonder how many Christians who sing this, really mean it? - Author Mohr).

In 2 Chronicles 19:2, we find a scripture which is overlooked by our modern day preachers. It says: "...shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord". (God does not put up with disobedience on the part of His spiritual leaders, for the LAW OF HARVEST is as much in operation for them, if not more so, than the laity. This LAW which is as sure and abiding as the LAW OF GRAVITY, says: "Be not deceived; God is not mocked"; for whatsoever a man (woman) soweth, that shall they also reap". Galatians 6:7 - (Author Mohr).

Our thanks to Tricia Tillin of the Mainstream Publication of BANNER MINISTRIES, of England for the following eight comprehensive reasons about how believers should respond to heresy:

1 - HOW CAN WE KNOW ERROR AND FALSE TEACHING?

(See 2 John 9-11; Isaiah 8:20; Galatians 1:8 and 1 Timothy 6:3).

2 - ARE CHRISTIANS SUPPOSED TO JUDGE?

(See Acts 17:11; 1 Corinthians 10:15; 1 Thessalonians 5:21; 2 Thessalonians 2:15 and Jude 3).

3 - SHOULD CHRISTIANS OPENLY CHALLENGE FALSE TEACHERS?

(See 1 John 4:1; Titus 1:10-13; 2 Timothy 1:3; 2 Timothy 4:2; and Revelation 2:2).

4 - ARE THEIR SCRIPTURAL PRECEDENTS FOR NAMING FALSE TEACHERS BY NAME?

(See Galatians 2:11; 2 Timothy 2:17,18; 1 Timothy 1:20; and 3 John 9,10).

5 - WHAT TOOLS SHOULD A CHRISTIAN USE TO JUDGE FALSE TEACHERS AMD THEIR TEACHINGS?

(See Matthew 22:29; 1 Timothy 4:13,16; 2 Timothy 3:17 and Titus 1:9).

6 - IS IT RIGHT FOR A CHRISTIAN TO JUDGE?

(See 1 Corinthians 5:12). While Jesus tells us in John 7:24, "Judge not, that ye be not judged," we see in 1 Corinthians 2:15; 1 Corinthians 6:2,3,5, where Christians are to judge. (Was Paul contradicting what Jesus said in His Sermon on the Mount in Matthew 7:1,2? Not at all! (Most Christians quote only this first verse, when what Christ was actually saying, as can be seen from the context, is "Be careful of how you judge; for if God will judge you in the same manner in which you judge others" - Author Mohr. See also 2 Thessalonians 3:6, of course these teachings go contrary to modern church thinking, which allows adulterers and sodomites to not only become church members, but to take positions of responsibility in the church - Author
7 - HOW SHOULD CHRISTIANS RESPOND TO FALSE TEACHERS AND FALSE TEACHING?

(See Ephesians 5:11; Romans 6:17; 2 Thessalonians 3:6; 2 Thessalonians 3:14; 2 Timothy 3:5,7 and Titus 3:10).

8 - HOW SHOULD A CHRISTIAN WHO IS REBUKED FOR FALSE TEACHING RESPOND?

(See Proverbs 27:5; Lamentations 3:40; Hebrews 12:5; 1 Corinthians 10:12; James 3:2; and 1 Peter 3:15).

Christians are to genuinely love one another and seek unity. However it should be remembered that it is "unity of faith", we are to maintain, not "unity of the Body" and it is the truth we are to speak in love. The most loving thing we can do for the Body of Christ, is to warn believers of those who espouse false teachings, and the most loving thing to do for those who perpetuate error, is to continue to speak forth in hopes they will repent. If this brings division, then so be it.

(Please note that some of the contents of this article were paraphrased from a tract by Pastor E. L. Bynum of the Tabernacle Baptist Church, 1911 34th St., Lubbock, TX 79452, and from other sources, including NEOEVANGELISM TODAY, by Robert Lightner; "and from BIBLICAL PERSPECTIVES, "The Myth of the Third Wave", by Robert Dean). (End of article by Brother Griffith.)

I agree fully with what brother Griffith has written and it is in this spirit that this book TO SEDUCE THE ELECT has been written. That it will "step on some toes" and anger some in the Body of Christ, goes without saying. But it is because I love you, that I show you what the scriptures say about your errors. Note these are scriptural corrections, not personal.

One of the major problems in the modern church, Catholic, Protestant and Identity alike, is that we have substituted a new cross for the old one. In Amos 8:11, this heresy was prophesied: "Behold, the days come, saith the Lord God, that I will send a famine in the land (to the Israel nations). Not a famine of bread, nor a thirst for water, but of hearing the words of the Lord. And they (Israel) shall wander from sea to sea, and from the north even to the east, and they shall run to and fro to seek the word of the Lord, and shall not find it". This has happened in many of our modern day churches.

In Philippians 3:18, the Apostle Paul warns us: "For many walk, of whom I have told you often, and now tell you even weeping, that they are enemies of the cross of Christ."

Unannounced and almost undetected, there has crept into modern church circles in modern times, a new cross. It looks like the old cross, but it's different.

From this new cross a philosophy of Christian life has risen, which makes this book necessary. From this new philosophy has risen a new technique of reaching men and women with the Gospel of Salvation. It employs pretty much the same old language of evangelism, but its emphasis has been misplaced.

The old cross had no ties with the world and carried with it the sentence imposed by the Law at Mt. Sinai. The modern church does not like this Law, so they have done away with it and have invented a new cross which is not opposed to the sinful condition of the human race; rather it has become a friendly pal and, if understood correctly, the source of oceans of good, clean fun and innocent enjoyment. The new cross lets Adam live without interference. His life's motivation is unchanged; he lives for his own pleasure, only now he takes delight in living like the world. His accent is on enjoyment, though his fun is now on a higher plane morally, if not intellectually.
The new cross does not demand a renouncement of the old life before the new life can be received. The evangelist seeks to key into Christianity, by showing that Christianity makes no unpleasant demands; rather, it offers the same thing as the world, only on a higher level. Whatever the sin-mad world happens to be clamoring for at the moment is cleverly shown to be the very thing the Gospel offers, the religious version, promising to be more spiritual fulfilling than the worldly version.

The new cross does not slay the sinner; it merely redirects him. It gears him up to a cleaner, jollier way of living and saves his self-respect. To the self-assertive it says "Come and assert yourself in Christ." To the egotist it says, "Come and do your boasting in the Lord!" To the thrill seeker it says, "Come and enjoy the thrill of Christian fellowship!" To the fun seeker it says; "It's fun to be a Christian!"

Any Christian message can be slanted in the direction the current vogue is moving, in order to make it acceptable to the public. (After all larger church attendance, means more money in the "kitty"). The philosophy behind this kind of spiritual deception may be sincere, but it's sincerity does not keep it from being false and fatal. It misses completely the meaning of the cross.

The old cross is a symbol of death. It stands for an abrupt, violent end of the human being. In Roman times, when a man was forced to carry his cross, he said good-bye to his friends, for he knew he was never coming back alive. The cross in those days never compromised, it modified nothing, it spared nothing. Maybe this is why it is so detested by modern day Christians. The old cross did not try and keep on good terms with its victim. It struck cruelly and hard, and when it had finished its work, the man was no more to be found.

The race of Adam is under the death sentence, no matter how some evangelists try and prove differently. It does not carry the popular message of Oral Roberts: "Something good is going to happen to you today! if In spite of what the evangelists say, there is no commutation or escape from the death penalty. God cannot approve of any of the fruits of sin, no matter how sincere the sinner may be, or how beautiful they appear in the eyes of men. God saves the individual by killing him on the cross, then raising him in a newness of life.

Any evangelist, preacher or priest who draws friendly parallels between the ways of God and the ways of man is false to Scriptural teaching and cruel to the souls of his hearers. Faith in Christ does not parallel the world, it intersects it! In coming to Christ we do not bring our old life up to a higher plane; we leave it at the cross! The kernel of wheat must first fall into the ground and die, before it can produce, so Jesus said (John 12:24).

We who preach God's Word must not think of ourselves as public relations agents sent to establish good will between Christ and the world. We must not allow ourselves to become commissioners to make Christ acceptable to big business, the press, sports, modern education, etc. We are not diplomats but prophets. Our message is not that of compromise but of ultimatum.

God offers life, but not an improvement on the old life. The life God offers is eternal life out of death. It stands on the far side of the cross. Whoever wants to possess it must pass under the rod. He must repudiate himself completely and agree with God's just sentence against him. "The soul that sinneth; it shall die!"

What does this mean to the condemned man? The man seeking to find life in Christ Jesus? It simply means that he must repent, and believe. He must forsake his sins and then go on to forsake himself. He must cover nothing, defend nothing, excuse nothing in his life. He must not seek to make terms with God, but he must bow his head before the stroke of God's stem displeasure and acknowledge himself worthy of death.

It is only by doing this that he can gaze with simple trust on the risen Savior, and from Him receive life and rebirth and cleansing and power. The same cross that ended the life of the Savior, now puts an end to the repentant sinner. The same power that raised Christ from the grave, now raises the sinner to a new life in Christ.
To those who object to this assessment as being narrow and a private view of the truth, God has set His hallmark of approval on this message from Paul's day to the present. Whether stated in these exact words or not, this has been the content of any and all preaching that has ever had impact and brought life and power to the Christian world for almost 2,000 years. The Reformers and the Revivalists put their emphasis on the old cross and the mighty operations of the Holy Spirit gave witness to God's approval.

Today we hear about massive world wide revivals, but there is very little evidence of Christian power, as Christ's enemy continue to gain in strength and our nation moves towards hell faster than at any time in our history. Something must be drastically wrong with the church, no matter what branch it may be.

Dare we, heirs of such a legacy of power, tamper with God's truth? Dare we, with our stubby pencils, erase the lines of the blueprint of God, or alter the pattern shown us at Calvary? God forbid! Me must preach the old cross, in order to have the old time power! Which cross are you preaching? The old, or the new?

(The foregoing summation is a paraphrase of an anonymous article which was sent to me recently. It pretty well answers the question as to why I am writing TO SEDUCE THE ELECT. I pray that all who read this book, will take this into consideration when I tread on their religious toes. As my father used to say to me when giving me a licking: "Son, this is for your own good!")

In St. Matthew 24:24, we are told by Christ Himself that in the "closing out days of this age": "there shall arise false Christs, and false prophets, and shall show great signs and wonders, inasmuch that if it were possible (the word "IF" used here means: "maybe it is and maybe it isn't") they shall deceive the very elect.

The word ELECT as used in the New Testament has only one meaning. It comes from the Greek word El and means: "thou art, or be". It is used in both Old and New Testaments in reference to "true Israel". In no place does it refer to a people we now know as Jews, or to the "church". It is used thirteen times in the New Testament, and two of these concerns the "elect" being deceived. Twice it refers to the "re-gathering of true Israel, and nine times is a general reference to the "elect of Israel", of whom the Lord said in Amos 3:2 - "You only have I know" of all the families of the earth...

In 1 Peter 1:1, we notice that Peter is speaking not to the Anti-Christ Edomite Jews who have just crucified our Lord, but to the "strangers" (Greek - PAREPIDEMOS [3927] who are "resident foreigners" in Pontus, Galatia, Cappadocia, Asia and Bithynia, and who are (vs. 2) "elect according to the foreknowledge of God the Father". They were not elect because of their "bloodline" from Adam, which some today call ARYAN, but because they could trace their ancestry back to Abraham, the "friend of God", whose family had been called out from all others, to bring blessings to all the earth, and who had accepted His Kingship (see Gen. 12:1-3). These "elect" spoken to by Peter, who scattered strangers from the ten Israelite tribes who had gone into Assyrian captivity for their disobedience to God, and who were at that time known as "Gentiles". But because they had been "sanctified by the Spirit unto obedience and sprinkling of the blood of Jesus Christ," (in other words they had become "blood bought" members of Abraham's family, who had been "born from above" ["born again"] as some say and who had been "elected" ("set aside by God for a special purpose") We find this purpose explained in 1 Peter 2:9 - "But ye (saved Israelites) are a chosen generation (Greek - GENOS meaning: offspring; stock"), a royal priesthood (Rev. 5:10), an holy nation (Isaiah 61:12), a peculiar people; (GK - PERIOUSIOS, meaning: "set aside for a special purpose") that ye should show forth the praises of Him (Jesus) who hath called you out of darkness into His marvelous light". He goes on in vs. 10 to state "who in time past were not a people," (since they had been divorced by God and were known as GENTILES, heathen) "but are now the children of God; which had not obtained mercy, but now have obtained mercy". (Most pastors in the Judeo-Christian churches, will say this has reference to ALL "born from above" Christians, but it does not! The context of these verses shows that it was speaking to Christian Israelites.)
Notice carefully that these "peculiar people", these "elect", were a "holy nation, not the "church", and were different from all other people on the face of the earth.

The purpose of these "called out one's" was not one of RACIAL SUPREMACY, as some of our brethren in Christian Identity falsely assume, but of "racial purity". These were to be special Ambassadors, if you will, from God to a "lost and dying world", showing them how God wanted them to live and fit into His purpose.

It is a known fact, that in these "last days" many "deceivers" have crept into the Christian flock, destroying many Christian "sheepfolds".

It is my purpose in this book to discuss a few of the major deceptions which have destroyed many fine Christian "flocks" and which is poisoning Christianity both among Protestants and Roman Catholics.

I do not have time to go into such cults as Mormonism, Seventh Day Adventism, and the Jehovah Witnesses, but will concentrate on the two major branches of Christianity, the Roman Catholic faith and the Reformed Christian faith which broke away from Rome during the Reformation, and is now generally known as Protestantism. (Some branches of the Baptist church do not consider themselves as Protestants, although they really are).

Since this message is directed primarily at those of you who are Christian Israelites, (and many of you are physical children of Abraham's seedline and do not know it) and who understand the importance of this, I must bring to your attention, that there are some Protestant Christians who do not believe that Roman Catholics are "saved", since they ask for forgiveness of sins through the Virgin Mary, or a priest, rather than going direct to Christ. While I am sure that some Roman Catholics who read this book will not believe in the salvation of Protestants outside of the Church of Rome. I will go into this in detail in Part III of this book.

I have never put a great deal of emphasis on Catholicism or Protestantism within the Identity Movement, because I believe the Bible teaches that if one accepts the "blood sacrifice" for sin, which was offered by our Lord Jesus Christ, understand that He paid the penalty for our sins by His death on the cross, and have repented of our sins and asked God for forgiveness, then we are "saved", scripturally. I can repeat, regardless of which church you belong to, the words of Charles Wesley: "I may not see eye to eye with you on every thing; but if your heart is with my heart, then here is my hand", and I am proud to say that I have many "saved" Catholics among my friends.

In PARTS I and II, I will discuss some of the perversions which have crept into the Protestant churches, which depart from the Scriptural teachings of the Apostolic church. In Part III, I will discuss the Roman Catholic faith.

This book is not going to be popular with many, for the simple reason that it will expose false teachings, and tear down many idols which have been erected in Christendom during the 2000 years it has been in existence. Men never like when their "pet theories" are shown to be falsehoods. We never like to believe we may have been fooled. I remember a simple story told by my grandfather which illustrates this. Back in his time, almost every county in America had a fair, where the farmers gathered to show off their produce and livestock. Entertainment was provided by sideshows, such as the "bearded lady" and the "calf with two heads". It seems at this particular fair, one of the sideshows advertised: COME IN AND SEE THE HORSE WITH HIS HEAD WHERE HIS TAIL OUGHT TO BE! Many a farmer plunked down his hard earned dollar to see this freak, only to find an ordinary horse tied by his tail to the manger. Some thought this was funny and some got mad, but no one said a thing about it, for fear that people would think them stupid for having been taken in by it. As a result, the fake show made money all week long. This has happened over and over again in the Christian religion.
Part I
The Chosen People Myth!

That there is a "chosen people" in the Bible is undeniable. That is if you believe the Bible! In the early pages of the Book, we see where God exercised His Omnipotent (all powerful) will, when He chose a man named Abraham, from all the families "on earth, to be His "special, set-aside people". We read about this in Amos 3:2, where God, speaking to "true Israel" said: "You only have I known of all the families of the earth."

Abraham was an Adamite (White man) of direct lineage from Adam. God appeared to Abraham, when he was part of a heathen culture in the heathen land of Chaldea and said to him in essence: "Abraham, I want you to leave your home land, and your kin folks, including your father's house, and go to a distant country that I will show you. In that country I will make of you a great nation and a company of nations which will bless all mankind. And I will bless those who bless you and curse those who curse you and your offspring will be a blessing to all the world," (Gen. 12:1-3).

The writer of the book of Hebrews speaks of this in Hebrews 11:8-12. How it was by faith that Abraham obeyed God, not knowing where he went and that he believed God when at the age of 99, God told him he would have a son, whose offspring would be like the stars in number. By faith, Abraham was willing to offer up Isaac, the son of God's promise, Who had told him: "In Isaac shall thy seed be called". And that his FAITH was counted unto him as RIGHTEOUSNESS.

The chosen status of Abraham and his offspring, (and by the way none of the patriarchs were Jews, for there were no people known as Jews until 1200 years after the time of Abraham, when we first find them in 2 Kings 16:6, as they fight against Israel).

This "chosen status" is recognized and mentioned by God in many places in the Scriptures. When God said to Israel: "You only have I known..." He used the Hebrew word YADA which has many meanings, but in this case means: "to recognize; to acknowledge; to appoint". God appointed Abraham and his descendants to be a "special people."

As Americans, we have a tendency to take pride in the fact that we are an "enlightened people", who in spite of all our problems in recent years, still have more freedom and the good things of life than any other place. In our "free" society, supposedly any subject may be freely discussed under our system of "free speech".

But any honest person knows, that in recent years we have seen a phenomenon develop in this free nation, in which things which are not considered "politically correct", may not be discussed with impunity. Two of the strongest of these has become "race" and "Judaism". To hint that there is any difference in races, even when they are easily discernible, is to be labeled with the terrible label of "racist". (That is, if you are white). A Black, or colored person can do this, and it is not considered to be incorrect.

But even more touchy than race, especially in the branch of Christianity called Judeo-Christianity which embraces most of the major Protestant denominations, any intelligent discussion on Jews, Judaism, Talmudism or Zionism, or even any attempt to look into truth in these areas, is met with the epithet of "anti-Semitic", which in the eyes of some Christians is worse than blasphemy against God Himself. Immediately they raise a howl and quote Genesis 12:3 - "I will curse them that curse thee," never realizing that Abraham was not a Jew.

You can go into most any good bookstore and purchase books on the world's religions. The Koran, the Bible of the Muslim is available, as are the writings of Buddhism, Confusianism, Mormonism, Catholicism and Protestantism. But there is one religion in the world which you must not study and that is Judaism.

As soon as you mention Judaism, there is a sudden curtain drawn around these people and their
religion and even the Christian pastor, who elevates them to God's Chosen status, knows very little about them or their religion. More, he doesn't want you to try and gain information regarding them either.

In Romans 9:6-7, the Apostle Paul states clearly: "...For they are not all Israel, which are of Israel, neither because they are of Abraham are they all children: But (because of this) in ISAAC SHALL THY SEED BE CALLED!" What does he mean by these seemingly contradictory words?

When Jesus spoke to the Jewish leaders in John 8:32, stating: "If ye will know the truth, the truth will set you free," they haughtily replied in verse 33: "We be Abraham's seed and were never in bondage to any man". What did they mean by this? If they were to be believed, and we have no reason not to believe their statement, they were plainly saying: "We are Abraham's seed through Esau/Edom". For anyone who has studied Scripture, knows that Israel was in bondage in Egypt. If they or their father's had never been in bondage, then they could not possibly have been Israelites.

There is only one people in the world who have been named after Isaac, Abraham's son of the covenant, and they are the Anglo-Saxon and related peoples of the world, white people, if you will, who have been known down through thousands of years as SACEA; SAC-SONS; ISAAC'S SONS and are know called SAXONS. God said to Abraham: "In ISAAC shall thy seed be called (or named)". Who do you believe, God or your "brainwashed" pastor?

Yet, such is the power of the "brainwashing" which has been carried out against our people by the enemy, that many Christian pastors immediately cry "prejudice; un-Christian pride," when it is even hinted at, that maybe the White nations of the world, the ANGLO-SAXONS, are the true Israelites, not the anti-Christ people we call Jews.

It seems extremely sad to me, that our religious leaders have been willing to accept as God's elect, those who hate our Lord and His church worse than any heathen and who have openly declared, over the centuries, their intention to destroy "White Christian civilization". Not only have they declared this in books written by their own people, and in public speeches, but have shown it by their actions against Christianity.

Take a few minutes to examine those who have been instrumental in having prayer and Bible reading removed from our public schools; who have had the sacred symbols of Christianity removed during our Christian holidays, (In fact they have heathenized these holidays for gain). Look at those who own and operate the abortion clinics which yearly murder over 2 million unborn babies; those who own the liquor and dope industries; those who run the prostitution rackets; those who push the immorality of the theater, Hollywood and TV; those who promote the Satanic world of rock music, and I'll guarantee you that the bulk of these will be Jews, far exceeding their percentage of the population.

Yet an honest examination of Scripture and history will prove to any honestly searching soul, that only the White nations of Christendom bear the Scriptural "fingerprints" which "true Israel" was to exhibit in these "last days".

Jesus Himself gave us some definite teachings regarding the Jews which most of our pastors have chosen to ignore. In John 10:26, speaking very plainly to the Jewish leaders He stated: "But ye (Jews) believe not, because ye are NOT OF MY SHEEP (emphasis added)". This seems mighty plain to me! How can you mistake it?

In John 8:44, speaking to the Jewish leaders, He states: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar, and the father of it". (There are some in identity who teach that this is a literal, physical heritage between the Jews and Satan, going back to the Garden of Eden, where they say that Mother Eve's sin was sexual union with Satan, and that as a result, she gave birth to Cain, who was a son of Satan, and the father of the Jewish race. For several obvious scriptural reasons I do not believe this,
but I certainly do believe that Satan is their spiritual father, for they do his deeds.) Satan's first lie was to Mother Eve in the Garden (Gen 3:4) when he assured her that if she disobeyed God, she would not die, but that she would become as smart as God. This touched on her womanly vanity and she sinned. I'm sure it wasn't eating an apple! But it most assuredly wasn't sex with Satan, since Gen. 4:1, clearly states that after their expulsion from the Garden, Adam had sexual relations with Eve, she got pregnant and gave birth to a son they named Cain. There is not even a hint of any third person involvement here.

In Matthew 23:2, Jesus warned the Judean people, many of whom were Israelites, that the Pharisees had usurped Moses' seat of authority, and when they told Him that they followed Moses' teaching, He exploded this lie by stating: "If ye had believed Moses, ye would have believed Me; for he wrote of Me." (John 5:46).

Then our Master went on to accuse these religious hypocrites of turning their converts into "twofold more a child of hell then themselves", (Matt. 23:15).

Finally, in Rev. 2:9, 3:9, our risen Lord warned His people about those who "say they are Jews Judeans) and are not; but are of the synagogue of Satan". This was never more true than today, where at least 90% of the Jews, according to their own leaders, are not Semitic, but come from a Turco-Mongolian background and are known as ASHKENAZIM.

In 1 Thess. 2:15, the apostle Paul accused the Jews of killing the Lord Jesus and their own prophets, and then clearly said "of them: and they please not God, and are contrary to all men

In Titus 1:10, he further warns that there are "many unruly and vain talkers, and deceivers, SPECIALLY THEY OF THE CIRCUMCISION (Jews), whose mouths must be stopped, who subvert whole houses (families), teaching things which they ought not, for filthy lucre's (money's) sake". (Emphasis added).

Yet with all these, and many more admonitions concerning the Jews, our religious leaders still insist that the Jews are God's Chosen. It all boils down to whom you will believe. The Bible, as the Word of God, or some deceived preacher or priest.

Dr. Benjamin Freedman, a well-known Jew, who was advisor to seven different presidents and a personal friend to the powerful Jew, Bernard Baruch, was converted to Christianity at a late age. In his enlightening book FACTS ARE FACTS, he states: "For every ounce of good you accomplish through the conversion of a self-styled Jew (Rev. 2:9; 3:9) to the Christian "faith, you do a ton of harm in another direction

He goes on to say: "The Christian faith today stands on the cross roads of it's destiny. The Divine and Sacred mission of the church (ecclessia) is in jeopardy today to a degree never witnessed in it's 2,000 years of history.

"If the day ever arrives, when Christians can no longer profess their Christian faith (and this is the major goal of International Zionism today), then we will see the 'beginning of the end'".

The world-wide plot of the Satanic conspirators, has been implemented as most Christians have been asleep. Most of our clergy seem either ignorant or indifferent concerning the plot to destroy Christianity, while other eagerly with the enemy. It makes me cringe and shudder, when I see so-called Christian ministers like Jack Van Impe, Peter LeLonde and others, as they openly back the anti-Christ's of Zionism, the one's Jesus told; "You believe not, because ye are not of my sheep," (John 10:26). The very one's our Lord accused of turning their converts into "twice the child of hell as themselves," (Matt. 23:15).

These men and thousands of more who stand behind the pulpits of our Christian churches, seem to bury their heads in the sands of indifference or ignorance. This indifference has dealt such a blow to the Christian faith in America, that we can see 50-million "born again" Christians in a country, which is headed for hell, faster than at any time in its existence. Something has to be tragically wrong with the church which has lost its power to hold back corruption.
In Jeremiah 23:22, we are told that if the pastors of Israel "would preach the whole counsel of God's Word, the people would turn from their wicked ways". This has not happened, in spite of all the glowing reports we hear from the charismatic crowd, about the great revivals which are sweeping America. It could very well be possible that thousands are flocking to the altar and are being baptized and join the church, but the power of God to stop corruption is not one of the things they exhibit in their new found Christian life, and as a result of "Christian salt which has lost it's savor " (it's ability to act as salt and hold back corruption), America wallows in the mire of her sin.

Christians need a spiritual Paul Revere to ride across this land, warning our people, White Christians in particular, that the enemy is closing in on us.

Who are these enemies of Christ and Christianity? They are the same force the Apostle Paul warned against in 1 Thess. 2:15 - "who killed their own prophets, and the Lord Jesus", and now are persecuting and attempting to destroy His church.

The confusion in the minds of the average American Christian stems from the confusion in the minds of their church leaders. Confusion always creates doubt! Doubt creates loss of confidence! Loss of confidence causes ultimate defeat!

The present confusion in the minds of Christians would not exist if the clergy were not "aiding and abetting" the enemies of Christ, who have openly declared their intention to destroy everything the clergy say they stand for. It seems amazingly stupid to me, to see an intelligent man or woman, support someone who has openly declared their intention of destroying them. Yet this is happening in the church, in more instances than not.

I believe that Christian clergy in America, Catholic and Protestant alike, are solely responsible for the internal forces within the Christian faith, which are fighting against the best interests of Christ. If Christians had stood for Cod, and obeyed Him fifty years ago, America would not be in the mess it is in today. We can no longer afford to allow our clergy to "pussy-foot" around with the truth, because they are afraid of hurting someone's feelings, or because it is "politically incorrect" to speak the truth!

Countless Christians today, are standing on the sidelines of this gigantic struggle for survival, watching as their faith "withers on the vine", and their freedom is being destroyed by the anti-Christ's. Many clergymen are allies of the enemies without knowing it, while others have become willing "prostitutes" of the enemy, because of the monetary values, and the popularity they gain.

Today we see Church leaders of gigantic stature, such as Dr. Billy Graham, who refuse to take a stand on issues such as abortion, homosexuality, and immorality in our government leaders, and has actually stated that the prolifigate we now have as President Bill Clinton, is a great Christian leader.

Yet I remember a few years ago, when the president of a prominent Christian college told me that when he asked Dr. Graham why he had softened his stand on communism, he refused to answer. But Billy's wife Ruth stated: "Dr..., we intend to do anything necessary to fill the football stadiums There's 99% of your answer for apostate preaching. Or as we read in Titus 1:11- they do it "for filthy lucre's sake". (Love of money).

The cup of the Christian church has been made more bitter, when we realize that we are being betrayed by our church leaders. When Christians see their spiritual leaders in retreat, which can bring only defeat, they too become confused and afraid! To stop this surrender, parishioners MUST demand that their religious leaders take a stand against the intangible and often invisible enemies of Christ and His church.

Part II
The Rapture Hoax!
For twenty years, as a Baptist evangelist, I preached a message which went something like this: The Rapture of the saint's has to do with Christ's Second Coming. It will occur in two stages. The first time He will come silently and secretly, as a thief in the night, to snatch His bride, the church, off this earth and take her to heaven. Then a super-wicked individual called the anti-Christ, will take over and rule this world for seven years. During his rule there will be great tribulation (trouble) on the earth. But at the end of this seven years, Christ will return with His church, to destroy the anti-Christ and set up His millennial (1,000 year) kingdom”.

Literally tens of thousands of sermons have been preached using this same format, which is based on four scripture verses found in the New Testament (nothing closely resembling this is mentioned in the Old Testament). These sermons contend that the next appearance of Christ will be "secret and silent, coming as a thief in the night".

It should be of interest to concerned Christians, that this theory was never taught in the Apostolic church, and it was not taught in America until the middle of the 1800's, when a theory which had been expounded by a Jesuit priest in the early 1500's was revived. It was further promoted by a so-called vision by a Scottish lassie of charismatic persuasion, named Margaret McDonald. This vision caught the attention of John Darby, founder of the Brethren church, and took off like wildfire in England and America. It received a "shot in the arm" from the footnotes of the Scofield Reference Bible, which have literally become "sacred writ" to millions of fundamental and evangelical Christians.

Some of you who read this will be deeply disturbed and resentful, because what I have to say will go against what you have been taught in your church. I pray that you will be honest enough to take what I say, and check it out with what the Bible teaches, rather than by what your pastor says it says!

The Rapture theory is a wonderful thing to believe in and I can tell you that it is a powerful tool in the hands of an evangelist. I know from personal experience, for I often used it myself. But it is a false doctrine, which gives Christians a false sense of security, and turns potential "soldiers of the cross," into "spiritual babies, who hide in their spiritual foxholes, folding their holy hands in prayer, as they ask Jesus to come back and rescue them from the results of their apathy."

There are many false doctrines which make men and women feel good, but which are fatal:

(1) The doctrine that all men and women will eventually be saved, regardless of what they do with Jesus Christ.

(2) That Christians will spend eternity in heaven, when the Word teaches that Christ's Kingdom will be here on this earth. In Rev. 21:2, we read that the "New Jerusalem" will come down to men on this earth. We will not go to heaven to reside in it.

(3) The teaching that Christ did away with God's Law at Calvary and that now that we are under "grace", we no longer need to obey His law. Yet He said Himself, that He did not come to do away with the law and the prophets, but to "fulfill them". The Apostle Paul says: "Do we make void the law, by faith? God forbid!

There are many others which are brewed with "poison from the kitchen of hell". But probably none has done as much damage as that of the Rapture.

I recently received the following letter from a Baptist preacher in the State of Washington, who I have known and respected for many years, for his staunch stand against sin. Yet here is what he had to say about the Rapture:

"Like all true evangelists, fundamental pastors, teachers and missionaries, my church believes that Jesus is returning soon, even before the tribulation begins! Dr. Jack Van Impe (a Christian Zionist preacher - Editor) believes we have less than five years to prepare for WW III, which will come
during the tribulation. (I received this letter three years ago). We agree! This means that Jesus will come back and take us off (Rapture) this planet at any time.

"Then we will return, all fifty million of us, after seven years, with Jesus back to earth where we will rule and reign with Him for a thousand years.

"Millions of post-tribulation (those who believe Christ will return after the Tribulation), Catholics, Lutherans, and other Protestants still do not believe this truth. Nevertheless, like great Christians of the past, we still believe in the Pre-Trib Rapture, even after sixty years.

"I personally believe every true, "born again" Christian will be caught up into a huge angelic spacecraft in a split second of time, whether they believe this or not! We shall all go together! AMEN! Perhaps before you read this letter, we shall be caught up together. See you then!". (UNQ)

I wrote a long letter to this brother, quoting from Scripture, which refutes his theory. I sincerely doubt that it did much good, since like most Judeo-Christians, his mind is so "encased in denominational cement", it will take the "dynamite of God" to blow it loose to where he will even look at the truth of the Word. I know from sad personal experience of fifty years in the fundamental church. This includes two earned degrees in religion. It took a traumatic experience to gain my attention, so that I would study and see what the Scriptures really say about this.

In all my years of "rubbing shoulders" with fundamentalist church leaders, I never heard a pastor or seminarian discuss the fact that when Jesus was discussing His Second Coming with His disciples in Matthew 24 and Luke 21. He never hinted at anything like a Rapture. It would seem to me that any-thing as important as this, would have had a prominent part in His discussion. Instead, He said that world conditions in the closing out days of this age, would become so bad, that all life on planet earth would be endangered. But that for the sake of His "elect", (which have never been the Jews, by the way, but which are Israelite believers), He would return and put a stop to the destruction. (See Matt. 24:22).

Any intelligent Christian should be able to reason, that if Christ did not mention a RAPTURE, it was probably because there was no such thing. He did say that before His return, Judaism would lay hands on Christians, persecuting them in their synagogues, imprisoning and killing them for His name's sake. A little honest study will show you that we are under Zionist control in this country now, and that the Waco incident was a Mossad planned operation.

In vs 36, Jesus admonishes His people to "Watch ye therefore, and pray always, that ye may be accounted worthy (GK - KATAXIOO [2661] meaning: "entirely worthy" (to escape all these things that shall come to pass, and stand before the Son of man"). No Rapture envisioned here! (Possibly an escape such as that experienced by the Hebrew children in Daniel 3:13-18.) Do you have so little faith in our Cod, that you don't believe He has the power to save His people during the Great Tribulation?

Isn't it rather presumptuous for American Christians who have never suffered persecution for Christ, to expect to be exempt from suffering, when tens of millions of our Christian brethren have died for their faith in such places as Russia and China?

It might be of interest to mention here, that the under-ground Christian church in China, which survived the communist persecution, were the ones who did not believe in the Rapture. They escaped to the hills when the warning signs became strong, while those who accepted the Rapture theory stayed behind to be murdered, because they had been told that Christ would rescue them.

These unfortunate Christians in China, are like those Christians in America, who say today: "We don't have to worry about what our government does, for we are saved you know, and Jesus is coming back to rapture us out of this mess, before it gets all that bad!"

In His Matthew discourse, the first hint of His Second Coming is found in vs 30 which is "immediately following the tribulation." Not "before", but "after".
In Luke 21:26, our Lord tells us that men's hearts would fail them through fear, as they see the things which are coming to pass on the earth. It will be "after" this terrible period, not "before" that they will see the sign of His return (Vs 27).

We are already living in this prophesied period of "great fear," where suicide, caused by fear is now one of the major causes of death in this country. The psychologists and psychiatrists, who are supposed to be able to tell us what's wrong, are killing themselves off four times faster than the rest of us "nuts".

I do not hesitate to state that more potential "soldiers of the cross have been neutralized by the Rapture teaching, and turned into "panty-waisted, sissy-britches, religious cowards", who cower in their spiritual foxholes in fear, as they fold their holy hands and pray for Jesus to rapture them out of the mess which was caused by their own apathy, than any other weapon the enemy has been able to throw at us. How they must laugh, as they hear our pastors pontificate on a rapture, they know they have invented.

Jesus discussing Christians in Matthew 5:13, indicated that they were to be the "salt of the earth." The major property of salt is to hold back corruption. Then He said: "But if the salt has lost it's SAVOR, (it's ability to act as salt) it is good for nothing but the garbage heap".

There is no doubt in my mind, that the large majority of the 50-million "born agains" in America fall into this category, for by their fruits shall ye know them. Many are so spineless, they will not even bow their heads in a public restaurant and say "grace" for fear that someone will laugh at them. Do you expect such a one to stand up to real tribulation?

These folks want Jesus as Savior all right; sort of a "celestial fire insurance policy" to keep them out of hell, but they do not want to accept Him as King. For when they do, then they MUST acknowledge His right to control their lives, and neither they or their pastors, want to give up "doing their own thing!" You may say that I'm judging. But I'm not! I'm merely following the Bible admonition: "By their fruits shall ye know them," or as one other wiseman once said; "What you do shouts so loud I can't hear what you say!"

In an area along the Gulf Coast of Mississippi, which has become known as the "Gambling Center of the Deep South", as dozens of casinos have sprung up in the last few years. The Catholic church has held Saturday night masses to accommodate their people for some time, so they can take off all day Sunday and enjoy themselves, you know. In the city of Gulfport, one of the large Baptist churches now holds weeknight services for those of it's members who work in the casinos on the Lord's Day. Apparently these good folks have never been told that Christians must never compromise and should "avoid even the very appearance of evil".

Do you mean to tell me that 50-million "born again" Christians who can't or won't effect American politics towards a Christian government, will come back with Jesus on His return to "rule and reign with Him". My Bible, which by the way is the King James Version, tells me in Rev. 2 and 3, that only the OVERCOMERS will "rule and reign" with Him. You can't do much OVERCOMING when you are hiding in a spiritual foxhole.

You preachers who have been "seduced" into preaching this theory better start thinking what will happen, when your parishioners wake up in the middle of the Tribulation and find out that you have lied to them. People have been lynched for much less than this and I would not want to be in your shoes! Not only will many so-called Christians become prime candidates for the "great falling away" of 2 Thess. 2:3, but they will be looking, with "blood in their eyes", for the religious leaders who lied to them and led them astray!

Christ taught His disciples and gave them a clear understanding of who would be taken from the earth on His return and who would be left, in His Parables of the Wheat and the Tares, and of the Good and Bad Fish in Matthew 13. In both these parables, it was the "good that remained and were gathered into His barn", while the evil were cast out of the kingdom and destroyed. Neither of these
Parables needs any explanation, they are that clear in their meaning. It is only fallible preachers, who have clouded their meaning through false teaching.

The Rapturists base their theory primarily on one scripture, 1 Thess. 4:17. To do this is inconsistency of the worst kind and "slipshod" theological thinking. It is a violation of the Biblical principle which requires at least two witnesses to establish a fact, and puts one verse of Scripture in conflict with at least fifty which refute it.

There must be something drastically wrong with this thinking, when we see where Jesus said that scripture cannot be broken (John 10:35) and we KNOW that God is not the "author of confusion", (1 Cor. 14:33); neither is He "... a man, that He should lie (have contradictions in His Word)", (Num. 28:19).

I dare you to put aside all the pre-conceived notions and teachings you may have received on the Rapture, and honestly sit down and see for yourself what the Bible has to say about it. Any normally intelligent person can do this, and you don't have to have a seminary trained preacher, looking over your shoulder to tell you what the Word says. I guarantee that if you do this honestly, you will not be able to accept the Rapture teaching.

The word RAPTURE cannot be found anywhere in the Bible, Old or New Testament. The two most accurate Bible Concordances, Strong's and Young's do not even list the word.

A key phrase used by Rapture teachers is 1 Thess 2:17, which states that we will "meet the Lord in the air". They explain this to mean, that we will ascend into the sky to meet the Lord on His return, and then go back to heaven with Him for 3-1/2 years while the Tribulation rages on earth.

But a little study into the English word AIR, in both the Young's and Strong's Concordances, will show that it comes from the Greek word AER, and it has nothing to do with the stratosphere.

Other places where this Greek word is used are in Acts 22:23 - "...and threw dust into the AIR (AER)." In 2 Cor. 9:26 - as one that beateth the AIR (AER)"; 1 Cor. 14:9 - ye shall speak into the AIR (AER)." None of these have to do with the clouds, or the upper regions of the air, for that is not the meaning of the word, as most preachers say. This can be easily understood by anyone, with a little study using a good Concordance.

According to what the Scriptures teach, you Christians are not going to suffer nosebleed because of the high altitude you will be in when Christ returns. You are in the AER right now and yet your feet are firmly planted on "terra firma", you will be in the same AER when He returns.

But what about that scripture which says "caught up together with them (the dead in Christ who have been raised first) in the clouds?" How do you explain this?

The Rapturists like to use Noah as an Old Testament type of the Rapture, by saying that as Noah was lifted off the earth by the flood water in his ark, so we will be lifted off the earth in the Rapture. But please note, Noah did not go into the heavens, he was still in the AER. He was breathing the same oxygen he had breathed for over 120 years.

There are several Scriptures in which "divine clouds" come down to earth. One is in Matt. 17:5 at Christ's transfiguration (see also Mark 9:7 and Luke 9:35).

In 1 Cor. 10:12, the apostle Paul speaks of Israel's passing through the Red Sea in these words: "and they (Israel) were all baptized unto Moses in the cloud (this cloud MUST have come down to earth, since Israel was in the sea) and in the sea".

In Hebrews 12:1, we are told that Christians are "compassed (encircled or enclosed) about with so great a CLOUD of witnesses". A little study will show you that this "great cloud of witnesses" are the same ones we find in Rev. 6:10, who are crying out to God for vengeance against those who have persecuted them.

It is these departed saints who return with Christ in 1 Thess 4:14, to be reunited with their
resurrected bodies, along with those Christians who are still alive on the earth, and whose bodies will be changed in the twinkling of an eye”.

There is nothing here about a Rapture, unless you use the most vivid imagination. There is nothing here about a "space flight' to heaven.

In Acts 1:11, we see where Jesus went directly from earth into a cloud that received Him out of their sight". The angelic beings in verse 10, 11, predicted that He would come back in exactly the same manner. There is no hint of His returning to earth, taking His people with Him to heaven, and then returning a third time as many Rapturists teach. Once a person begins to "suppose, it becomes extremely difficult for them to stop "supposing”.

"And the dead in Christ shall rise (Greek - ANESTEMEI; meaning, to sit up; be resurrected") first. Then we (Christians) who are alive (see 1 Cor. 15:51) and remain (on earth in the AER) shall be caught up (Greek - HARPAZO - meaning: "made one", not "caught up") together (at the same time) in the CLOUDS, (a part of that "great cloud of witnesses who shall be made perfect on this earth, in the AER) and so shall we always be with the Lord". (In the AER, on this earth, not in heaven, forever.) If God's Kingdom was to be in heaven, why do you think Jesus taught His disciples and us to pray: "Thy Kingdom come, Thy will be done IN EARTH, as it is in heaven". Heaven is God's abode, but we who have been over-comers will "rule and reign with Him here on earth", not in heaven. And our eternal home throughout the years of eternity will be on the new earth, with a new heaven. That is what John saw in Rev. 21:1-2, when he saw the Holy City, the New Jerusalem, coming DOWN TO EARTH, out of heaven.

Thank God, I will not spend eternity sitting on some fluffy cloud, strumming on a guitar. I intend to be very busy in the King's business, during the cons of eternity.

Notice how in the Thessalonian passage, the Lord descends from heaven before we are HARPAZO, (made one with Him). Just as the New Jerusalem comes down to earth, so we who are still alive will remain here. There is no hint of us going to heaven via spacecraft or any other way. We will forever be with the Lord, in His new heavens and earth, right here.

If we look closely at the meaning of the Greek word HARPAZO, (and there are six of them), we will see that in this instance it means "to be made one". When we understand that we will become one with the Lord on His return to earth, then much of the mystery generated by the Rapture theory will be removed from this wonderful and comforting scripture.

This would make 1 Thess 4:17, become an answer to the King's prayer in John 17:21, when He prayed: " that they (Christians) all may be one; as Thou Father art in Me, and I in Thee, that they also be one in us; that the world (order) may believe that Thou hast sent Me".

Another passage in 2 Thess. 2:7, is used by the Rapturists in a feeble attempt to prove that both Christians, and the Holy Spirit will be absent from this earth during the Tribulation period. This verse says, and remember it was written in the First Century A.D. before the destruction of Jerusalem by the Romans: "For the mystery of iniquity doth already work (is operating at this time); only he who now letteth (Greek '(ATECHO, meaning: 'to hold down; to possess; to keep, etc.,') will let until he be taken out of the way".

There is a wide-spread disagreement among Bible, scholars as to who this "restrainer" really is. Most seem to believe it is the Holy Spirit. But I do not believe this makes scriptural sense, since the word "he" is not capitalized, as it would be if it referred to the Holy Spirit.

These brethren "assume" (here we have this word again) that the Holy Spirit will be removed from earth before the Tribulation begins and that because He indwells believers, they MUST of necessity be gone too. But if the Holy Spirit is indeed missing during the Tribulation, what force keeps the Tribulation saints faithful unto death? (I realize that many Rapturists, and I was one of them, teach that if you don't get saved before the rapture, there is no hope for you). Yet scripture indicates that there will be a huge number of persons "saved" during the Tribulation. (See Rev. 20:4). Many are
going to be executed during the Tribulation because of their witness for the Lord Jesus Christ. How did these get saved if the Holy Spirit is gone? Since scripture teaches that only as a man or woman is led by the Spirit, can they be saved. Does it make sense that 144,000 Jewish evangelists (at least this is what the Judeo-Christian church says they are) can do a better job of evangelizing the world in seven years, than the Holy Spirit and His preachers have done in 2,000? It doesn't make sense, especially when one realizes that nothing is said here about 144,000 Jewish evangelists. They are all Israelites, and there is a vast difference between Jew and Israelite.

The Bible indicates clearly that in order for a man or woman to be "saved", they MUST be "called" or "led" by the Holy Spirit into repentance. If this is true, then how can the vast multitude saved during the Trib period become Christians, if the Holy Spirit is gone? (Rev. 6:9, 11). (Vs 11 indicates that there will be many more killed, than those found under the altar.)

I believe this disproves the Rapturist claim that the anti-Christ can't appear while the Holy Spirit is still here. Ask your pastor to show you the words in 2 Thess. 2:7, which can be translated Holy Spirit, and he can't do it, because they are not there.

While all passages in the Bible dealing with Christ's Second Coming (and I do oh so much believe in it!) are not exactly alike, they are all in harmony and never contradict each other.

In 1 Thess. 4:17, nothing is said about where Christians are supposed to go after they "meet the Lord in the air". Raptunsts, assume again, that they go to heaven. But we are not told that!

Zechariah 14:14, which describes Christ's Second Coming, says that Jesus will stand on the Mt. of Olives, outside Jerusalem, but it does not even hint that He will have His saints with Him. The argument of "silence" can be effectively used to prove that there is no Rapture at Christ's Second Coming. There is no "bloodshed and battle" mentioned in 1 Thess 4:17, and this passage omits the part about our bodies being changed, as mentioned in 1 Cor. 15:51-53. But because the wordings are different, does not mean they are speaking of separate events.

If the Pre-Trib Rapture of the saints was supposed to be such a big event in the lives of Christians, why did Jesus never mention it? Again the argument of "silence" can effectively be used. He didn't mention it, because it wasn't going to happen!

The Rapturists have developed an unusual ability to use both "inductive" and "deductive" reasoning to prove their arguments.

"Deductive reasoning" is a logical though process where one comes to a conclusion based on a set of "premises." Example: "Since all men are apes; this particular man we are speaking about MUST be an ape".

"Inductive Reasoning" is a logical though process in which a conclusion is proposed, which contains more information than that which can be obtained through observation. Example: "Since every crow ever seen has been black; therefore ALL crows MUST be black".

Using these thought processes, the Rapturists say that since the church cannot be found in the book of Revelation after chapter four, therefore it is logical to assume that it MUST have been Raptured out of the world.

It might be of interest to know that nowhere in the New Testament is the Greek word for CHURCH ever used. In every case, the English word CHURCH, comes from the Greek word ECCLESIA, which literally means: "an assembly of called out ones". No where does it refer to a place of worship.

There are a number of indications after Rev. 4, that the "ecclesia" are still here. In 6:3, the angels are told: "Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads". Who are these servants of God, if they aren't the saved ecclesia? They are not 144,000 Jews, of this you can be sure.

In Rev. 12:17, we are told "And the dragon was wroth with the woman (Israel), and went to make
war with the remnant (those left alive) of her seed, which keep the commandments of God, and have the testimony of Jesus Christ". This could only refer to the "ecclesia". In Rev. 13:7, we see where the beast, which most Bible scholars equate with the anti-Christ", was given unto him to make war with the saints, and to overcome them; and power was given unto him (the anti-Christ) over all kindreds, and tongues, and nations". Folks, this is the "ecclesia", the "born again" one's He is speaking about. They are here on earth, not Raptured off to heaven. These are but a few of the instances where the "ecclesia" is mentioned after Chapter four of Revelation.

If you check closely in the New Testament, you will find that "saints"; "body of Christ"; and CHURCH (ecclesia) are synonymous terms. They all refer to the same people.

Since saints are mentioned 13 times in the book of Revelation after Chapter four, and are on earth during all the incidents which take place during this time, therefore the CHURCH-ECCLESIA, the "called out one's" MUST of necessity be on earth during the Great Tribulation, they have not been Raptured!

In Rev. 13:10, we read about the "patience and faith of the saints". In 17:6, we see where the "whore system" of Babylon is "drunk with the blood of the saints and the martyrs of Jesus".

So the CHURCH MUST of necessity be on earth during the Tribulation, if they are being martyred. You can't throw these scriptures out just because they don't agree with what you have been taught!

In Rev. 20:9, we are told that Gog and Magog "went up and surrounded the camp of the saints". The Rapturists would have you believe that these are Jews the Word is speaking about. Some say it refers to the 144,000 of chapter 7. But if you want to be real technical about it, only one of these twelve tribes can even remotely be considered as Jewish, and that is the tribe of Judah. No my Christian friend, the Jews are not "all of Israel," in fact the people we call Jews today have no part with Israel in any way. The majority of them are TurcoMongolian by background, and their forefathers never set foot in Palestine. The Jewish leaders today who scream that God gave them the land of Palestine, are all heathen to the family of Abraham.

The TRIBULATION SAINTS ARE OVERCOMERS - the RAPTURISTS ARE COPPER-OUTERS! One overcomes, while the other hides in a spiritual foxhole, expecting His Lord to handle the dirty work for him.

Some Rapturists use Luke 21:36 "...pray always that you may be accounted worthy to escape all these things that shall come to pass and stand before the Son of man." Do you consider yourself WORTHY, my Rapturist friend, when you don't have the intestinal fortitude to stand up for Jesus when things get tough? How many of you can honestly say you have been "persecuted for righteousness sake?" Very few, I'm certain.

I have the uncomfortable feeling that the translators of the King James Bible, may have bitten off too much when they used the word ESCAPE. The Greek word used here was EKPHEUCO,which literally means: "to flee out", or "to run away". Listen to how the New Jerusalem Bible has translated this. It makes much more sense: "Stay awake! praying at all times for the strength to survive all that is going to happen, and stand with confidence before the Son of man". Instead of praying for an escape through a Rapture, you should be praying that God will give you the strength to survive!

How can a Christian do this, when he spends most of his time looking for a means to escape the result of his own stupidity and apathy?

When C. I. Scofield taught that the RESTRAINER of 2 Thess 2:17 was the Holy Spirit, a much greater Bible scholar, and a much more dedicated Christian ("By their fruits shall ye know them") named Oswald Smith said: "There is no mention of the Holy Spirit in this verse. That is Scofield's Bible assumption (my how that word keeps cropping up). The Holy Spirit and the church (Ecclesia) remain in the world until the end of the age."

Jesus predicted that the "wheat" and "tares" were to grow together and come to maturity, and that
one of His acts on His return, would be to "gather His wheat" into the barn, while He destroys the "tares". That "barn" is not the Rapture!

Any honest student of Christian history should recognize that the Rapture Theory was never taught in the Apostolic Church, nor was it taught in the Reformation church, by men such as Luther, Calvin, and Wesley. The early American Baptists, Methodists, Presbyterians, etc., did not teach it!

So instead of sitting in an easy chair, or in a comfortable cushioned seat in an air-conditioned "church, with your mouth agape and your eyes popping" as some prophetic preacher pontificates on the Rapture, or the battle of Armageddon, why don't you spend some time on your knees, with your Bible, seeing what it really says, and preparing yourself for survival when these times come. It's going to be mighty difficult if you wait until they transpire, especially when you don't believe it will happen to you.

You don't need a "brainwashed" pastor from some seminary, to tell you what the Word teaches. Think for yourself for a change and let the Word explain the Word!

**Part III**

**Some Other Fallacies Taught In The Judeo-Christian Churches!**

**A - MISCEGENATION.**

Dr. Billy Graham, the inter-nationally known Baptist evangelist, often tells young people that it is God's will for them to marry inter-racially, as long as both of them are "saved". This is the same Billy Graham who recently defended our prolifigate President, Bill Clinton, by calling him a fine Christian who would have made a great evangelist. (No doubt one of the TV kind.) But what does the Book teach?

Beginning in the first chapter of the Bible, Gen. 1:21, 24-25, we see where God created "every living thing AFTER IT'S OWN KIND". He set in force an eternal law, as sure as the "law of gravity", or the "law of harvest", which has never been and never will be changed! This unalterable Law states that everything must propagate "after it's own kind".

Every living creature was CREATED to reproduce after it's own kind, and in the realm of nature, we never see this law broken. Dumb animals like cattle, horses, dogs, etc., do not mate with other kinds. It is only man who breaks this law of God, with tragic results observable down through the ages of history.

It is a clearly observable fact that down through the 6,000 years of written history, every great civilization which has ever existed, began it's down hill slide to oblivion, or Third World status, through "race mixing". I realize that this is not a "politically acceptable" idea in this age, but it is as true as the "law of gravity", and applies to everyone. For example, a billionaire and a tramp, can go to the sixtieth floor of one of our big city skyscrapers, and stand on a window ledge. The tramp can "bail out" and will splatter on the pavement below. The fabulously rich man can shout: "I'm different than that poor tramp! I've got a billion dollars in the bank; I'm a renowned business man; I have worldly power". He "bails out" too. What happens? When he lands, he splatters over the pavement just like the poor tramp, and when you look at the two grease blobs on the pavement, you can't tell which is the poor tramp and which the rich man. Why? Because that is what the law of gravity says will happen, if you jump out a sixtieth story window.

So when one race mates with another, and breaks this law, this law takes effect and in time will destroy them and their progeny. If you don't want to accept this, look at the country of Portugal, which in the Seventeenth Century was a world power. Then her people began to interracially marry,
and she went to pot, until today she is a Third World power. It has happened innumerable times.

God placed this law into effect as a safeguard for all the living things, and when this law is broken disaster results. This is one of the major reasons we see "miscegenation" being pushed by the boys of the New World Order. They know that history proves that a mongrelized people are easier to control, than those whose blood has remained relatively pure. Because Adolf Hitler pushed for "racial purity" does not mean that this is bad. In fact, it's God's will, especially for His Israel people. (And I'm not referring to Jews, who are not of Israel).

The story of creation as given in the Bible is not very definite. God says He created the world from nothing in six days and rested the seventh day. We have no way of checking this except by faith. But have you ever wondered, why if God didn't care about race mixing, He didn't make us all one chocolate blob in the beginning. Why did He CREATE different races, and MAKE another?

Read them from your Bible. Here is what my King James Bible says, Gen. 1:27 - "So God CREATED man in His own image, in the image of God CREATED He him; MALE AND Female CREATED He them". This took place on the sixth day of CREATION.

Now carefully read Gen. 2:4-5, where it rehearses the CREATION story and specifically note verse 5 :..."and there was not a man (Adam) to till the ground". (Interestingly enough the male and female being created in Gen 1:27, were nomads and hunters. There was no organized agriculture of any kind that came into being until thousands of years later, when ADAM kind showed up on earth. This has been proven by anthropology).

Notice also in Vs 26, that God speaking to someone, we probably will never know who, said: "Let US (plural) MAKE (CREATE) man in our own image...". The word for GOD, as used here, comes from the HEBREW word ELOHIYM, which is the plural of God, and can be applied to angels. There are some Bible scholars who believe that God delegated the CREATION of the Genesis 1 man, to His angels, and that each race was fashioned after the image of a different angel. (This might be something for us to consider).

The Hebrew word ELOHIYM, actually means "gods" (small "g") in the ordinary sense, according to Strong's Concordance, #430.

If this definition is true, could it be possible that this delegation of authority took place and resulted in different races? We do know that the Black race did not come from Ham's curse by Noah, as was taught for many years by many.

I realize that in the light of current Judeo-Christian teaching, this idea of angels CREATING pre-Adamic may seem mighty "far fetched". But Dr. John H. Deuges, a renowned scholar of ancient Hebrew says that the word ELOHIYM as translated in our King James Bible, refers to "oath bound servants of God-angels, since the EL is the name of God as found elsewhere in the Bible".

According to Dr. Deuges, EL (JEHOVAH-YAHWEH) gave these angels (Elohiym) the power to create human beings in their own image. Bible scholars have puzzled for years over the meaning of ELOHIYM, which refer to God, yet is plural in meaning.

If all races came from Adam, as the Judeo-Christian world teaches, God would have had to break His own Law of "kind after kind", for it is a biological impossibility for a Black couple to give birth to a White child, or vise versa. We know that God will never break one of His own laws.

This brings us to the Biblical account of the FORMATION, not CREATION of Adam in Gen. 2:7. We just finished reading in Gen 1:27, that ELOHIYM had CREATED man in his own image, now we read in 2:5 that there was not a "man (Adamite) to till the ground." Do we have a contradiction
here? Not at all. Gen. 2:7 is speaking of a completely different act on the part of God, that what He did in Genesis 1:27. Any pastor who knows his Hebrew, or who can use a concordance, knows that the act of CREATION spoken about in Gen. 1:27, and was of male and female, cannot be the same as the FORMATION of Adam, male only in 2:7. There is no way where an honest student can confuse these two. The CREATION was out of nothing, male and female. The FORMATION, which evidently came later, possibly much later, was from the "dust of the earth", male only.

Notice something else that is different in these two acts. In Gen. 2:7 we are told that God breathed into Adam's nostrils "the breath of life and that man (Adam) became a living soul". This is not mentioned of the CREATED beings, and may be a major reason the Judeo-Christians will not accept this difference. They are so set on their teaching of the absolute equality of all men, that anything that may detract from this teaching immediately becomes heresy, even if it comes from God's Word.

The man Adam, according to Luke 3:38 was a complete man. He was a "son of God" and was "hermaphroditic" in that he was made male and female combined. None of these attributes are found in the CREATED beings of Gen. 1:27.

It is very possible, that the beings CREATED, in Gen. 1:27, male and female, lived thousands of years before the time of Adam, for the White Race is relatively new to world history, appearing about 6,000 years ago. This would account for the human skeletons found in Asia and Africa which are hundreds of thousands of years old. There is no contradiction between the Bible and "true science".

Adam, according to Biblical account was placed in the (Garden of Eden as a caretaker, (Gen. 2:8, 15). But Adam was lonely and could not find a "help mate" for himself. So God, according to the Scripture account, FORMED Eve from a rib taken out of Adam's side, and she became in Adam's words: "bone of my bone, and flesh of my flesh".

The Jewish Talmud, dwelling on filth as it does throughout most of it's 63 volumes, takes this beautiful story and terribly mutilates it. The Talmud says that Adam had intercourse with all the animals in the Garden, but could find satisfaction with none of them, so God brought forth Eve. (Somehow, as a Christian, I prefer the Biblical account!)

At this time in world history, Adam and Eve lived in the Garden of Eden in daily communion with God. (See Gen. 3:8).

My mother burst into tears and could say nothing. After a long pause, the priest said: "Madame, there is something due the church for the prayers which have been sung, and the services which have been requested to be offered for the repose of your husband's soul. I would be obliged if you paid me this debt now!"

"Fr. Courteois," my mother said, "my husband left me nothing but debts. I have only my own hands to procure a living for my family. For these orphans sake, not mine, do not take away what little we have"

"But madam," the priest said, "your husband died suddenly with no preparation; he is therefore now in the flames of purgatory". (This is an un-scriptural teaching of the Catholic church, brought into the church in the Middle Ages, when the church got into financial difficulty. This was hundreds of years after it's inception and was never taught in the Apostolic church, or the early Catholic church). "To deliver him you must unite your personal sacrifices to the prayers of the church. The masses offered for the rest of your husband's soul, must be paid for!"

My feelings as a younger son at this time, were not so much of grief, as of anger and unspeakable horror. My eyes were fixed on the rich representative of God, who was mentally torturing my mother in this her time of grief. I saw no pity in his face and was tempted to say: "Are you not ashamed as a representative of the church, who is so rich, to take the last morsel of bread from our
minds?" But my moral strength was not enough to cope with it.

Finally my mother lifted her tear stained face to that of the priest and said: "See that cow in the meadow? Her milk and butter form the principle part of our food. Please do not take her from us. But if sacrifice is necessary to deliver my poor husband's soul in purgatory, then take her to pay for the masses and the prayers."

Without another word, the priest went to the meadow, got our cow, and went his way.

When I asked my mother why she had given away our only means of sustenance, she said; "I did not believe the priest would be so cruel as to take away our last resort".

This story has been repeated over and over again, millions of times, and reminds me of what Christ said to the Pharisees in Matt. 23:14 - "Woe unto you, scribes and Pharisees, hypocrites! for you devour widow's houses, and for a pretense make long prayers, therefore shall ye receive a greater damnation". (See also Mark 12:40; Luke 20:47).

Any intelligent Catholic should be able to see that this dogma of the church is wrong, no matter what the Pope says to the contrary. How long will the clergy of the church of Rome fatten themselves on the cruel and pagan invention of Purgatory? Go to Mexico and see for yourself. See how the peons live in abject poverty, while the dome of the local Catholic church is gilded in gold flake, and the images are gold plated, all this taken by the priesthood, from the farmer living on starvation wages who gives to the church out of fear.

Protestantism is no less guilty, for every night you can see religious charlatans on TV as they milk millions of dollars from the elderly, who are struggling to survive on Social Security, and send their "life blood" to support those who live in luxury, in the name of the Lord!

Recently I watched in horror, a TV showing on TBS (Trinity Broadcasting System), as they showered the nation with their PRAISE THE LORD ATHON! While they praised God, from their lavish studio, with dancing, banging on cymbals, and long haired creepy looking singers, a constant message flashed on the screen, CALL IN YOUR DONATIONS TO 1-800. The wife of the president of TBS, looking like a high priced prostitute with her dress, piled up hair and over-make up (ala Tammy Bakker), exhausted: GOD HAS BLESSED US BY ALLOWING US TO PASS THE $4-MILLION MARK!

I wondered how much of this money was really going for the Lord's work, and how much was for the glory of the entertainers? No wonder Christianity is on the wane, when they see this hypocrisy in operation among those who say they love the Lord!

Mary Worship

Probably one of the touchiest subjects among Roman Catholics is the allegation that they worship the Virgin Mary. The church of Rome says "No!", but their teaching proves otherwise. Listen to this conversation that actually took place between a priest and a ten year old boy.

"My child," the priest began, "when you were guilty of wrong doing, who punished you the most severely?" And the answer, without hesitation was: "My father!"

The priest continued: "The superior goodriess of a kind mother is perceived, for even when she punishes you, her blows are lighter and there are times when she steps between you and your father, to pacify him. When your father came to you to whip you, were there not times when you went to your mother for escape?"

The answer in any normal home would be "yes"! Then the priest continued with another falsehood that was never taught in the early Catholic church, he said:

"You have a Father and Mother in heaven. Your Father is Jesus and your Mother is the Blessed Virgin Mary. Never forget that a mother's heart is always more merciful that of a father."
"After your sins make your Heavenly Father angry, your Father takes a rod to punish you. He threatens to crush you with His roaring thunder. He opens the gates of hell to cast you in. (Please show me this anywhere in scriptures. I do read in Psalm 103:10 - "He (God) hath not dealt with us after our sins; or rewarded us according to our iniquities. For as the heaven is high above the earth, so great is His mercy towards them that fear Him... Like as a father pitieth his children, so the Lord pitieth them that fear Him". This hardly paints the same picture that this priest painted for a little boy. Over and over, and over again in Scripture, we read about the "mercy of God the Father" towards them that seek His face. (Not once do we read of His mother intervening in any way.) You would have been damned long ago, if it had not been for your Heavenly Mother Mary, who disarmed the angry Father. (Nowhere in Scripture can you find this teaching and it was not taught in the Church until in the Nineteenth Century. Nowhere in scripture or early Catholic teaching is Mary referred to as our Heavenly Mother).

"When Jesus would punish you, the good Virgin Mary places herself between Him and you, and she obtains your pardon" (This is an absolute falsehood, contrary to what the Apostle Peter, the so-called founder of your church, taught. The Apostle Peter clearly teaches; "...whosoever shall call on the name of the Lord shall be saved". (Acts 2:21), Nothing is said here about the Virgin taking part in this salvation process. In Acts 4:12, the Apostle Peter, filled with the Holy Ghost said: "Neither is there salvation in any other; for their is none other name under heaven, given among men; where-by we must be saved". (Nothing about the Virgin intervening here, she is not even mentioned.) In Romans 10:9, the Apostle Paul gives us the formula for salvation in these words; "For if thou shalt confess with thy mouth, the Lord Jesus, and shalt believe in thy heart, that God raised Him from the dead, thou shalt be saved". (Again no mention of the Virgin!) In Titus 3:5 - "Not by works of righteousness which we have done, but according to His mercy He saved us, by the washing of regeneration, and the renewing of the Holy Ghost". (Nothing here about Mary acting as an intermediary. In fact this act cannot be found anywhere in Scripture or early Catholic teaching).

The good priest went on: "Thus, when we sin, and Jesus is angry, we must hasten to Mary! Throwing ourselves into the arms of the good mother; have recourse to her sovereign power over Jesus (this is refuted by Christ Himself, in Matthew 12:48, when on one occasion someone came to Him and said: "Your mother and brethren are outside and want to speak with you". And our Lord said, Vs 48 - "Who is my mother? and who are my brethren? And He stretched forth His hand towards His disciples and said: "Behold my mother and my brethren!". He was not showing disrespect towards His mother, but was merely showing us that she had no control over Him. Stop allowing your church leaders to falsify scripture. Read it for yourself! (Nowhere do you find the Virgin Mary having sovereign power over the King Himself!) "Be assured that we will be saved through her:

It is not Jesus. but Mary. who saves the sinner". (This is a lie out of the pits of hell itself? For Mary has no power to save, or even intervene!)

This "Johnny-come lately" teaching of the Roman church is contrary to all Scripture, notice a few: John 20:31 -"But these are written that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through His name". (Through believing in Jesus, not Mary!)

John 1:12 - "But to as many as received Him (Jesus) to them gave He the power, to become the sons of God; even to them that believed on His name". (Again belief in Jesus, not Mary. She is not even mentioned).

John 3:18 - "He that believeth on Him (Jesus), is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the Son of God." (Again this belief is based in Jesus, not His mother Mary).

And lastly, in 1 John 2:1, as part of many scriptures which refute Mary's partaking in the salvation process. we read: "My little children, these things write unto you, that ye sin not. And if any man sin, we have an ADVOCATE with the Father, Jesus Christ the Righteous". (This ADVOCATE is the
Son of God, not his earthly mother Mary).

Under the teaching that honors the Virgin by giving her the position of pre-eminence in the salvation process, Catholics insult the Virgin by mis-representing her Son, and we see the pagan idolatry of Cain, as it comes under the blessing of the church.

**First Communion**

Catholic priests devote several months each year preparing ten to twelve year old children for their first communion. Unlike most Protestant churches, children under this age, cannot partake of communion, and I believe this is a good idea, for most children under the age of ten do not know the significance of this sacrament, (neither do many adults for that matter).

The Catholic children are obligated to attend these special classes, where they are thoroughly indoctrinated in the beliefs of Catholicism. It is there that the foundations are laid for the later idolatries and superstitions which have crept into the church, which were never present in the First Century church, but which crept in as evil men unawares, took advantage of an uneducated laity. We are not free from this seduction today, as the Apostle Paul pointed out in 1 Timothy 4:1 - "Now the Spirit speaketh expressly, that in the latter days, some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils". (What can you call any doctrine that goes contrary to the Word of God, but a "doctrine of the devil"? Paul further warned against this in 2 Timothy 3:5, when he said that these people would "Have a form of godliness, but denying the power thereof", and warned true Christians to "turn away" from such, lest they be led astray.

Besides changing the sacred truths of the Bible to conform to church traditions, most of them which are relatively new in her history, it is during this vital memory period that the Pope and his representatives are held up as being "all powerful," who must under threat of eternal damnation, be adored, and never questioned. This is the secret power the Catholic church holds over the countless millions she considers as followers.

It is during this critical period that the Virgin Mary replaces Jesus in their young hearts, even though it was He who paid the price for their redemption. The Virgin had absolutely nothing to do with this, other than being the human receptacle God chose to bring His Son into the world as a human being. I have already given an example of this.

It is unfortunate, but true, that the Church of Rome, constantly invites sinners to turn their thoughts, hopes, and love, not to His Son, Jesus the Savior, but to His mother Mary.

Under the pretext of honoring the Virgin, the church actually insults her Son, our Savior. Old pagan idolatry has been brought into the Church under a new name and we could quite honestly call it "Mariolatry" or "Mary worship!" Holy Scripture is very clear, that only under the name of Jesus, can a man or woman be saved.

There are many Scriptures which verify this, yet in not a single one, even in the Douai (Catholic) version of the Bible, can you find a single verse which elevates the Virgin Mary to a position equal to His Holy Name.

I have quoted a few already. Here are some more: (John 15:16), Jesus speaking: "Ye have not chosen Me, but I have chosen you. and ordained you, that ye should go and bring forth fruit. and that your fruit should remain: that whatsoever ye should ask of the Father in My Name, He may give it to you". (Notice closely that nothing is said here about petitioning the Father in Mary's name. This is a church tradition, not a scriptural truth!).

John 20:31 - "But these are written, that ye might believe that Jesus is the Christ, the Son of God: (notice Mary is not mentioned here) and that believing, ye might have life through His name".
Acts 4:10, the Apostle Peter speaking, as he answered the Jewish Sanhedrin: "Be it known unto you, and to all the people of Israel, that by the Name of Jesus of Nazareth, whom ye (Jews) crucified, whom God raised from the dead, even by Him doth this man stand before you whole". (He was healed in the name of JESUS, not MARY, and if Mary is co-redemptrix with Christ, why didn't Peter say so here?) It was because nowhere in scripture is she so named!

Listen as the Apostle Peter speaks again in Vs 12 - "Neither is there salvation in any other, (and this "any other" most certainly includes the Virgin); for there is NONE OTHER NAME (than Jesus) under heaven, given among men, whereby we MUST be saved". (Emphasis mine). No mention is made of the Virgin's part in salvation in this verse!

In Romans 10:13, the Apostle Paul speaking, we read: "For whosoever shall call on the name of the Lord (Jesus) shall be saved". (No evidence of any other involvement here!)

In 1 Corinthians 6:11 - "...but ye (Christians) are justified (made right in the eyes of God) in the name of the Lord Jesus, and by the Spirit of God". (No other involvement here!)

My dear Catholic friend, nowhere in Scripture, even in your Catholic Douai Version of the Bible, are Christians told to honor God, and our Savior, Jesus Christ, by honoring His mother, the Virgin Mary. In fact very little is even mentioned concerning the Virgin in Holy Writ. Much has been added by the church, most of it centuries after the church was formed.

I have spoken with many Catholics and have seen the joy on the faces of young Catholics who have received their first communion. No doubt it is a highlight of Catholic religious experience in their young lives. Yet as they prepare for this first communion, they are told by the priest that they are actually eating the flesh of our Lord, and drinking His blood and that if they did not believe this, they would suffer in hell. Yet if you make a thorough search of Scripture, you will find no authority anywhere, for a priest. or even the Pope for that matter, to change a wafer (Bread) into the physical body of Christ, or the wine of communion into His actual blood! This is a travesty brought about by church teaching and does not come from either Scripture or from the early church fathers. Common sense, and a thorough study of the Word, shows that during communion, "bread remains bread, and wine remains wine, and that it is only changed into the body and blood of Christ in a symbolic, but not literal way!

Yet the Catholic church seeks to quell this truth by shouting at folks like me: "Stop, you liar! The church teaches that the communion elements are actually the body and blood of our Lord, and so they become. Who are you to contradict her?"

It's no wonder that millions of intelligent, unsaved men and women have turned away from this abhorrent, heathen teaching of the church, which is used to control the thinking of her people, and thereby control them.

Loyola, the noted Catholic leader once said: "If children make a good first communion, they will be submissive to the Pope. (To many Catholics, this is more important than submission to God Himself). Like the stick in the hands of the traveler, they will have no will, no thought of their own". We call this "mind control", or "brainwashing". So Catholics are taught that the Pope is always right, no matter how wicked he may be. As a result, the church has become one of the most skillful manipulators of human thinking in the world (they could give the communists lessons in "brainwashing"), and they control their people, through their thinking. This will be hard for many mature and devoted Catholics to accept. But it is true nevertheless! It is no wonder that skeptical enemies of Christ, call Christianity a "bloody religion," when such a aberration is taught as truth!

If a man studying for the priesthood, were to express doubts concerning church traditions, and were to ask his superior: "When my Superior abuses his authority over me, to deceive me with false doctrines, or commands me to do things I know are wrong, will I be damned if I disobey".

And the answer, without a doubt would be: "You will never have to give account to God for what you were ordered to do by your legitimate Superiors. If they deceive you, it is because they
themselves have been deceived and they alone are responsible. You do not sin when you follow the basic Golden Rule of Catholic philosophy and perfection, which is humility and obedience to your Superiors at all times and for all reasons”.

By following this rule, millions of heretics were slaughtered by the church during the Middle Ages, and the terrible days of the Spanish Inquisition.

An actual answer by an inquiring priest to his Superior, received this answer: "Adam and Eve brought about this deluge of evil because they tried to raise their reason above that of God. (This is true - Ed.) They had the promise of eternal life, if they submitted their will and reason to the Supreme Master. They were lost when they rebelled against Him.

"The same is true today, where all the evils, errors, and crimes in the world come from the revolt of the will and reason of man against God. (True again! 1 John 3:4 says that "Sin is transgression [breaking] of the Law") - ED.

"Yet God reigns over part of the world, the world of God's Elect, through the Pope, who controls the teachings of the infallible (without error) holy church. It is in submitting ourselves to God, who speaks to us through the Pope, that we are saved. We would err and perish, if we put our reason above that of our Superiors, and the Pope, speaking to us in person, or through our Superiors, has received his authority from God to guide us". Yet nowhere do you find this teaching in the Bible, or even in the early teachings of the church!

We might well ask, "What about those Popes which history have proven were evil men? What about those who have placed their authority above that of the Bible and command the church to do things which the Bible says are wrong?"

The reply most likely would be: "It is impossible for the Pope and his Bishops to lead you into error, or command you to do things contrary to the law of God and God will not hold you accountable if you obey your Superiors, no matter what they tell you to do

Yet the Bible itself, intelligence, and reason should show you that this church dogma is wrong. For Popes and Bishops, do, and have done things which were evil, and priests have obeyed them, knowing that what they did was evil. These will be held accountable before God for their actions, according to Holy Writ.

The prophet Jeremiah foresaw this problem in our Israelite people, when he wrote in Jeremiah 5:30, 31 - "A wonderful and horrible thing is committed in the land. The prophets prophesy falsely, and the priests bear rule (take control of people) by their means; and My people love to have it so; and what will ye do in the end thereof?" This is true in both Protestant and Catholic churches. And regardless of what you may have been taught, God's Word says that you, and you alone, will be held accountable before Him, for what you do and believe! In the Epistle of James 4:17, we read: "Therefore to him that knoweth to do good, and doeth it not; to him it is sin (disobedience to God)."

---

**Moral Education**

**In Roman Catholic Colleges**

I do not have time to touch on only a few of the things now being taught in Roman Catholic schools, but must say that students at these schools are surrounded by an air of paganism.

For instance, Catholics are taught that medals, holy water, rosaries, etc., are of great value in battling dangers and temptations. These are held in great respect by devotees who often kiss them with affection, believing them to be powerful instruments of the mercy of God. Yet a study of Catholic church history shows them up to be nothing but a remnant of the paganism, from which
the church first rose in the early Roman Empire. They are never mentioned in the Bible, or by the church Fathers.

The modern Pontius Maximus (Pope of Rome), the supposed successor of the Apostle Peter, who claims to be the vicar (the earthly representative of Jesus Christ) has a distinct resemblance to the Pontius Maximus of the heathen Roman Empire. (Yet nowhere in Holy Writ, do we learn of any personal representative of Jesus Christ on earth, other than the Holy Spirit).

Yet today's Popery has preserved the name, attributes, pageantry, and pride, and even the dress of that pagan high priest. Why would a representative of Christ, preserve pagan practices?

Today's worship of the saints, in the Catholic church, closely resembles in every likeness the ancient worship of the demigods in ancient Rome.

The Purgatory, now taught by the Catholic church was described by the Roman Virgil, who lived in the century before the church was established. The prayers to the Virgin Mary and the church saints, were repeated almost word for word, before the heathen idols of Greece and Rome. The holy water used in church ceremonies was never used in the New Testament church, because it was a heathen practice and came from idol worship.

From history we know about the magnificent temple consecrated to all gods, called the Pantheon in Rome. Yet today in St. Peter's cathedral, we see a magnificent temple dedicated to Christ worship, where the Pope and his Bishops still prostrate themselves before the same idols, in a similar temple, asking the same favors. Do you honestly believe this is pleasing to our God?

If we were to ask church officials: "What is the difference between the religion of heathen Rome and that of the Roman church today?" The answer would have to be: "The only difference is in the name. Instead of calling the statue Jupiter, we call it Peter; instead of worshiping Minerva or Venus, we worship Mary. It is the same old idol worship, coming to us through a new name". This truth should be shocking to those of you Catholics who really care about the truth! Like most Protestants, you will probably be angry with the truth bearer, and with the Apostle Paul I will have to plead with you: "Am I to become your enemy. because I tell you the truth?" I have no "axe to grind" with the Catholic church, I merely have been chosen by God, (why I don't know, for it was not my choice) to expose known evils in our church systems. (I don't much like the task, but I am compelled to do it!)

It was the Roman Catholic church which changed the day of worship for Christians from Saturday to Sunday, under the so-called Christian Emperor Constantine (307-377 A.D.)

It was the Roman church which instituted heathen holidays such as Christmas, Easter, Halloween, etc., to attract heathen into it's ranks. The day we celebrate Christ's birth, was called Christ (Mass). Easter, supposedly the day we remember Christ's resurrection, came for the ancient holiday honoring a heathen goddess. Halloween, the day honored most by Satanists and those into witchcraft, was called All Saints Eve, by the church, and was set aside as a day to honor our dead. But why were all these holidays set up by the church, on heathen holidays?

Why for instance, does the Catholic church honor a heathen holiday such as Mardi Gras, where Catholics are allowed to "let their hair down and live like the devil", before the forty days of Lent? Something smells here, and it isn't in Denmark!

By now, no doubt, some of my Catholic readers, if you have gone this far without throwing this book in the trash can, may be thinking that this book was planned as an attack against your church. But this is not the case! I am merely pointing out to you, some things you should know about your church, just as I have done with the Judeo-Christians. I am not seeking to stir up controversy, but a search for truth! If you find anywhere, that I have gone against Bible teaching, I humbly apologize, and would certainly like to know about it. I base all my statements, not on what Jack Mohr believes; not on what someone has told me, but on what God's Word says!

In the history of paganism, parents often sacrificed their children on the altars of the gods, to appease them, or gain their favors. But when Protestant parents send their children to Catholic
schools to be educated, they need to know that these children will receive religious teachings which could destroy their souls for eternity. It is even stranger, when we see parents from Protestant churches, who send their children to Catholic schools, without knowing what they are taught, and believing they will receive a Christian education.

It spite of what these parents are told by Catholic regents, that their school will not impose Catholicism on their children, this is not the case, for it is the duty of these good Catholics to try and convert your child to Catholicism. Priests openly boast that many of their Protestant students have become their best disciples, and true followers of Popery in America.

The word EDUCATION has become a sacred word to most Americans. In recent years the idea has been implanted in our minds that a college education is a MUST, in order for our children to succeed in life. This is repudiated by the Apostle Paul in 2 Timothy 3:7, where he speaks about those who are "Ever learning, but are never able to come to an understanding of the truth!" He gives us another witness in Romans 1:22, where he speaks about those who "professing themselves to be wise (educated), became fools".

In Hosea 4:6, we are told "My people (true Israel, not the Jews), are destroyed for lack of KNOWLEDGE". Notice he does not say "Lack of EDUCATION, but lack of KNOWLEDGE." There is a vast difference between the two. America in recent years has become overrun with "educated idiots" with strings of degrees behind their names, who have very little KNOWLEDGE. (I suspect most of these "overeducated fools" are in Washington, D.C. or standing behind the pulpits of our land). The D.D. behind a pastors name doesn't always mean Doctor of Divinity. According to Isaiah 56:10, 11, it could well mean Dumb Dog!

A well-known educator once said: "Education without God, turns men into clever devils", and we could paraphrase this to read: "Education without the Biblical concept of God, turns men and women into clever devils".

We can see these "clever devils" in education, politics, entertainment, and often the church. Many of them have been educated in church run schools.

In recent months, we have seen a rash of scandals concerning Catholic priests who have proven traitors to their tender scholars, and who have seduced them with homosexual advances. This is the effect of Catholic church training, which, contrary to the scriptures, requires religious leaders to abstain from marriage. The Apostle Paul approached this problem in 1 Timothy 4:1-3, when he said: "Now the Spirit speaketh expressly, (outspokenly) that in the latter times (today), some shall depart from the faith (New Testament Christianity), giving heed to seducing spirits, and doctrines of devils." He explains who these "seducers" are in Vs. 2, by what they teach: "Forbidding to marry, and commanding to abstain from meats which God hath created to be received with thanksgiving of them which believe and know the truth". The celibacy of church leaders was never practiced in the early Catholic church, where their admitted leaders such as Peter, and most of the Apostles, were married men. Celibacy was another heathen doctrine that crept into the Catholic church, and has been an albatross around their necks.

We should send our children to school to receive "light" and "truth" not to chain them to heathen darkness. It is a proven historical fact, that all the truly great, powerful and free nations of the world, have been those who were not under the yoke of Rome. These were the White nations of Christendom, which I believe are "true Israel", whose religious doctrine was that taught by the Bible, not by the Pope.

Everywhere in the advance of freedom, science and progress, we find the Bible believing nations, while those in mostly Catholic countries such as Spain, Portugal, Mexico, Brazil, etc., have had their hands chained by the teachings of popery.

The Roman church, from it's beginning, has placed the word of the Pope before the authority of God's Word; before the truths of science and all else.
One example will suffice: On June 22, 1663, Galileo was forced to his knees before a Catholic tribunal, to escape burning at the stake, as had been ordered by the Pope. His sin was that he taught a scientific fact, that the earth was not the center of the universe, but that it circled the sun. This was contrary to church teaching. He was forced to say: "I abjure (give up), curse, and detest my error and heresy on the motion of the earth, etc., (This of course did not change the fact that his theory was correct!)

The wings of this intellectual eagle were effectively clipped by the church, but this did not stop this brave man from rising up to say: "All this will not prevent the earth from moving".

Yet the infallible (incapable of error in the setting forth of decisions of faith and morals), decree of Pope Urban VIII, against the "motion of the earth", was signed by his "yes" men. Cardinals Felia, Guido, Desideno, Antonius, Bellingero, and Fabruccio, said: "In the name and by the authority of Jesus Christ, the plenitude (fullness) of which resides in His Vicar, the Pope, that the proposition that the earth is not the center of the world, and that it moves with a diurnal (daily) motion is absurd, philosophically false, and erroneous in faith".

So the "infallible" Pope, backed a theory which has proven to be wrong. Yet how could this be if he is "infallible" as the church teaches?

If Newton, Franklin, Fulton, Morse and many others had been Romanists, their names would have been lost in obscurity, which is the natural heritage of those who follow a supposedly infallible leader, who often proves himself to be extremely fallible. Show me one Scripture, if you can, which supports this horrendous idea which has enslaved countless millions of people.

Yet the Pope bends to the times too, and today we see Catholic churches in this area, which hold Mass on Saturday night, so their people have the Lord's Day free to do whatever they want. This is not just a Catholic fallacy, for in the Gulf Coast, which has become the casino center of the South, the big First Baptist Church, in Gulf Port, holds special weekday services for those of its members who work for the casinos, a job which Christians should not be filling. Yet such is the falling away of the Christian church, Catholic and Protestant alike, that we now see the Laodicean church of Revelation 3:15-17 which Christ says He will "spit out of His mouth", for being "lukewarm".

The great inventors of our age, were those who went to schools in non-Catholic countries, where God and the Bible were supreme. They were not under the bondage of any religious-political leader. They were taught that they were formed in God's image; that He breathed into their nostrils the breath of life so that they became "living souls"; that God sent His Son, Jesus the Christ to save their souls and set them free from the bondage of sin and the church. They studied their Bibles, for the most part and learned that man not only had a conscience, but also the intelligence to use a guide book like the Bible for himself, without having someone like the Pope, a bishop, a priest, or even a pastor, tell him what it meant. That under the guidance of the Holy Spirit, he could "know the truth, and the truth would set him free!"

Listen to what the Apostle John said about "truth", in John 1:17 - "For the law was given by (to) Moses, but grace and TRUTH, cometh by Jesus Christ". (Not from the Pope, a bishop, or a priest).

John 8:32, "If ye shall know the TRUTH, the TRUTH shall make you free".

John 16:13, "Howbeit, when He (the Holy Spirit) is come, He will guide you into ALL TRUTH; for He shall not speak of Himself; but whatsoever He shall hear (from God), that shall He speak; and He (the Holy Spirit) will show you things to come". (This kind of knowledge does not come from any man, Pope or otherwise, but from the Holy Spirit who indwells the "born again" "believer").

If you want to know why Catholic countries always fall into decay, go to their schools and see what they are being taught. (The same fate is now being forced on this country by our anti-Christ educators, and they are not especially Catholic).

One of the greatest religious crimes a Catholic can commit, is that of following his own conscience. This means that an intelligent Catholic may not make use of his eyes, his ears, and his innate
intelligence, for fear that it will be contrary to what his church superior's teach. The Pope and his
religious superiors, MUST do his religious thinking for him, and those of you who are in the Roman
church know this to be true, even though your priest will deny it!

St. Ignatus Loyola, the founder of the Jesuit Society of Jesus put it this way: "As for holy
obedience, this virtue must be perfect in every point, in execution, in will, in intellect...suppression
of every repugnant thought and judgment of one's own must come in absolute obedience...he who
lives under obedience should be moved and directed under Divine Providence, by his Superior,
JUST AS IF HE WAS A CORPSE (Loyola said: "perinde acsi cadaver esset") which allows itself to
be moved and led in every direction". Having no mind of it's own!

(Please note that spiritual leadership for Catholics does not come from the Bible, or through Holy
Spirit guidance, but from church Superiors).

Why would intelligent men and women want to remain under such Satanic bondage?

The leadership of the Catholic church have raised themselves high above the "common herd" that
makes up the church membership, and you parishioners "pay the bill", to have others Lord
themselves over you. Church leaders place themselves above kings, and emperors and according to
2 Thessalonians 2:3,4, the Apostle Paul says: "Let no man deceive you by any means; for that day
(the end of the age in which we are now living) shall not come, except there be a falling away, and
that man of sin be revealed, the son of perdition: Who opposeth and exhalteth himself above all that
is called God, or that is worshiped: so that he, as God, sitteth in the temple of God, showing himself
that he is God". If this is not the present position of the Pontiff of Rome, please show me where
they differ!

We need to look at another of Loyola's quotations, where he said: "We ought ever to hold a fixed
principle that what I see white, I believe to be black, if my Superior authority of the church defines
it as so".

Listen to the words of the "infallible" Pope Gregory XVI, who in his Encyclical of Aug. 15, 1832,
said: "If the holy church so requires, let us sacrifice our own opinions, our knowledge, our
intelligence, the splendid dreams of our imagination, and the most sublime attainments of human
understanding". This is the teaching of Secular Humanism, which lowers men and women to the
levels of the "brute beast" who cannot think for himself. The Catholic church does the same thing
by teaching men to fetter their intelligence, and obedience, not to God, but to the church and it's
Pope.

Theology

Theology is the study of the laws of God. What could be more noble? I have two high degrees in
theology taught from a Judeo-Christian context. This had so effected my thinking, that by the age of
sixty, my mind was literally encased in the "hardened theological cement" of Judeo-Christian
fundamental denominationalism. I did not have a Pope I was forced to bow down to, or kiss his
ring, but my mind was still bound with the force of the same kind of traditionalism, our Lord
condemned in the Pharisees, when He said to them, Matthew 15:9 - "In vain do they worship Me
(God); teaching for doctrines the commandments of men". My mind was still bound as if in cement,
and it took the "dynamite" of God, through a traumatic experience, to blow this cement away to
where I would look at the Bible and see what it actually said, not what the seminary professors or
my pastor said it said.

There is really not that much difference in many ways, between the Roman Catholic and Protestant
churches. Both are so bound up in respect to church tradition, that like the Pharisees of old, they
"teach for doctrines, the traditions of men
The Apostle Paul in Titus 1:14, warns us against the failure on the part of the church, which was "Not to give heed to Jewish fables, and COMMANDMENTS of men, who turn from the truth".

Let me say to my Catholic readers, in all Christian love and sincerity, when you listen to and obey the Pope, or your priest, and it is contrary to the Word of God, the Holy Bible, you "make the Word of God of non-effect by your traditions, and thus incur the wrath of God on your life.

Linguori, a Catholic scholar who has been canonized by the church, stated that a Catholic may lie under oath. (This is similar to what the Jews are taught in their Kol Nidre Oath). In his study on "Oaths", he said: "It is a certain and common opinion amongst all divines (priests) that for a just cause it is lawful to use equivocation (deception; lying)... and to confirm it with an oath... Now a just cause is any honest end in order to preserve the good things of the spirit or useful to the body". (This comes very close to echoing the Communist teaching that "the end justifies the means!")

This Catholic scholar says that a woman guilty of adultery may deny it, as long as she has confessed it to a priest. He said: "If sacramentally she confessed adultery, she can answer: 'I am innocent of this crime', because by her confession it was taken away".

He justifies a servant who helps his master commit adultery by bringing him a ladder so he can climb up to a woman's bedroom. He speaks of degrees of sin, stating they if you steal a moderate sum, it is not a mortal sin (one which places you under the condemnation of the church). When a greater amount is stolen, it will still not be accounted as a mortal sin, if there is an intention to restore it. Sounds very similar to the "goobeldegook" that comes from the Jewish Talmud.

The Catholic church teaches that the Pope can release a church member from all oaths, if it is for the good of the public, which is a matter determined by the Pope, who of course, has sole power over the church and it's members.

While few Catholics will want to believe this and very few priests admit it, the church teaches that heretics should be exterminated St. Thomas, in Vol. IV, page 91 says: "Though heretics are not to be tolerated (and a 'heretic' is any Christian who holds beliefs contrary to Roman dogma)... we must bear with them till, by a second admonition, they may be brought back to the church. But those who, after a second admonition, remain obstinate in their errors, must be delivered to the secular powers to be exterminated".

This teaching is very similar to that found in the Jewish Talmud regarding Christians, or non-Jews who read their Book. They state: "Moses commanded the law for the our (Jewish) inheritance; it is ours, not theirs". So if they even read the Talmud, they must be killed, and any Jew who helps them must also suffer death. Of course the historical fact that there were no people known as Jews until 750 years after the time of Moses, means very little to them. And Jesus refuted their claim of following the Mosaic teachings, when He said to them in John 5:46: "If ye had believed Moses ye would have believed Me; for he wrote of Me".

The Catholic church at the Council of Latern in AD 1215, went a step further when it stated: "We decree, further, that all (Catholics) who may have dealings with heretics, and especially such as receive, defend or encourage them, shall be excommunicated. He shall not be eligible for any public office. He shall not be admitted as a witness. He shall neither have power to bequeath his property by will, nor to succeed any such inheritance". This, my friends, is absolute dictatorship!

When officials of the church are given Papal approval to lie, and break their oath for the good of the church, there should be little wonder why Catholic nations, without exception, decline into Third World nations.

Since a nation cannot be great and strong unless it adheres to the truth, any deviation from the truth, for any reason, will ultimately destroy her. A well known philosopher once said; "The more the priests, the more the crimes", and any of you devout Catholics should be aware of the rash of sex crimes, committed by priests, which have hit the front page of our newspapers in recent months, and of the prevalency of homosexuality among priests, even though according to the Bible, this sin
Yet when a priest, who is supposed to be God's representative, defiles a young person under his influence, the church allows him to lie in court, as long as he has confessed his sin to another priest. Surely, any decent Christian, and you devout Catholic mothers and fathers in particular, should see the hypocrisy of delivering your children into the hands of a sex pervert, no matter what title he may bear. (This certainly does not exclude Protestants, who often have the same problem).

What good is it for Catholic parents to teach the principles of honor, decency, holiness, and patriotism to your young daughters, when she is required to go many times a year to a bachelor priest, who is bound by conscience to give her lessons in depravity, under the pretext that he is helping her confess her sins. Many a virtuous Catholic maiden has been led into sexual sin by this practice.

When a Catholic theological student questions Catholic theology; as I sometimes did when I was studying for my degrees in religion, the answer he is apt to receive from His Superior is: "You speak of scriptures like a Protestant would. You appeal to them as the only source of Christian truth and knowledge, when we know that the holy traditions and the word of the Pope, equals or supercedes the authority of the scriptures."

"You are not bound to understand all that I, your religious Superior teach you, but you are ordered to obey it!"

Catholic clerics are taught that they MUST interpret scriptures on the "unanimous consent" of the Holy Fathers. Yet very few of the Holy Fathers ever agreed on anything. This is a historically proven fact! Many defended the teachings on Purgatory; while others violently disagreed. St. Jerome and St. Augustine agreed on only one thing, which was to disagree on everything. St. Augustine at the end of his life, agreed with the Protestants, that when Christ said: "On this rock I will build my church, and the gates of hell will not prevail if against it", this did not refer to Peter, the "little stone but to Christ the Eternal Rock of Ages!

If you Catholics cannot rely on your own intelligence under the guidance of the Holy Spirit to interpret scripture, how can you rely on a priest who is a pervert?

Many Protestants criticize the Catholic church for it's use of sacred statues. But that is not her real idolatry. The real idolatry in the Roman church comes when a priest takes a piece of bread, and repeating a few Latin words over it, declares that it has now become the actual body and blood of Christ. Nowhere in scripture is this taught. It comes strictly from Catholic tradition!

Contrary to the teaching of St. Matthew in 24:23, where Christ told His disciples; "Then if any man shall say to you, lo here is Christ; or there, believe it not!" Yet the priest would have you believe that Christ is actually present in the bread and wine that rests in the sacred chamber of the tabernacle. The reason that Catholics will brave storms, and floods, to go to mass before day break is the natural consequence of this teaching, that the priest of Rome, creates Christ and God by the consecration of the wafer and the wine.

I am not poking fun at your belief, my friends. It is much to serious for that! I am weeping over the way in which you as intelligent men and women have been "brainwashed" by your church into worshiping something which does not exist. The Egyptians worshiped god in the form of a crocodile or a calf. The Greeks made their gods of gold and marble. The Persians made the sun their god. The nomadic tribes of Africa worship the hyena, while the church of Rome, has made her god out of a piece of bread. Tell me honestly, is this not idolatry?

Nowhere in the Bible is authority given to any man, be he Pope, Bishop, or priest, to turn a piece of bread into the body of our Lord, or turn wine into His blood. No wonder that agnostics call this a
"bloody religion, a cannibalistic religion".

This is church "tradition" that makes a mockery of the Word of God, and makes it of "non-effect", just as the Pharisees did. (See Matt. 15:6,9).

You good Catholics who honestly love God, and I know there are millions of you. Who are you going to believe, the Son of God Himself, or some man who has been set up by men as God's representative on earth?

Remember well, that in the Day of Judgment, you will be required to answer to God, not the Pope, and God will hold you accountable for this spiritual truth I am now giving to you.

So please do not make me say to you dear Catholic Israel brothers and sisters, what the Apostle Paul had to say to the Christians at Galatia: "Am I therefore become your enemy, because I tell you the truth?" (Gal. 4:16). Criticize me if you must, but don't endanger your immortal soul by placing the Catholic church before God.

In one of the most sacred books of the laws and regulations of the Church of Rome, the MISSALE ROMANUM, page 58, you can read what is done with the eucharist if it becomes contaminated: "If the priest vomit the eucharist, if the species appears entire, let them be reverently swallowed, unless sickness arise; for then let the consecrated species be cautiously separated and laid up in some sacred place till they are corrupted; and afterwards let them be cast into the sacramium". (For you non-Catholics who are not familiar with this term, it is the drain in a sacristy [a room in a church, usually adjoining the sanctuary, where sacred vessels and garments are kept], leading directly to the earth and used for the disposal of water used for the altar linens and chalice). But if the species do not appear, let the vomit be burned, and the ashes cast into the sacramium).

Can't you see the heathenism in this act? The priest is required to believe that on the night of the Last Supper, Christ took His own body, with His own hands, to His mouth, and ate of Himself. After eating of Himself, He gave it to His disciples who ate of Him also. Then they did the same with His blood. This is an act which could easily be associated with the heathenism of darkest, savage Africa, certainly it has no place in Christianity.

With the light of the Gospel available to all men, how can anyone go into the horrible dark recesses of folly and superstition to take part is such a debasing system of idolatry and blasphemy?

But you may say: "You were fooled for over sixty years, by an equally superstitious teaching of your church, called the Rapture". And I will readily admit this is true! It took the "dynamite" of God, through a very painful experience, to "blow my mind loose from the denominational cement" which had hardened about it. But when I finally saw the truth, I did change! There is an old saying: "Fool me once; shame on you. Fool me twice, shame on me!" It is easy to become fooled in our modern day of apostasy, even in the church. But our sin is not so much in being deceived, as it is in remaining deceived when we finally receive the truth!

What we see happening throughout Christendom, Catholic, Protestant, Fundamentalist, Evangelical, is the fulfillment of the prophecy of 2 Thessalonians 2:10,11 - "And with all deceivableness of unrighteousness in them that perish: BECAUSE THEY RECEIVE NOT THE TRUTH, that they might be SAVED! And for this cause because they refuse to accept the truth of God's Word) God shall send them a STRONG DELUSION, that they should BELIEVE A LIE; that they all might be DAMNED, who believe (receive) not the truth..." (The emphasis has been added!)

When priests in the Catholic church have succumbed to the human weaknesses of the flesh, as you must admit many have done, and have been exposed in recent months; the anti-Christ media has rejoiced over these scandals which have done irreparable damage to the cause of Christ. (The same can be said for the Bakker's and the Swaggart's in Protestantism).

What has been the answer given by the Roman church, for the sins of their clergy? "The Holy Church is infallible. The gates of hell cannot prevail against her. But the assurance of her perpetuity, and her infallibility, does not rest of any human foundation, such as a priest; it rests of the promises
of Jesus Christ! Her infallibility and perpetuity are a perpetual miracle! It requires the constant working of Jesus Christ to keep her pure and holy, in spite of the sins and scandals of her priests. The clearest proof of her infallibility can be drawn from the sins and scandals (admitted by the church hierarchy) which would have destroyed her long ago, if Christ had not been in her midst to save and sustain her!

But it might be well for all Catholics and Protestants everywhere, to take into consideration the words of Hebrews 10:26-29 - "For if we sin willfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins (even the Pope can't disannul these). But a certain fearful looking forward to of judgment and indignation that will devour the adversaries. He that despised Moses' law died without mercy under two or three witnesses: Of how much sorer punishment, suppose ye, shall be he thought worthy, who hath trodden under foot the Son of God, and hath counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace?"

Vs 31 - "It is a fearful thing to fall into the hands of the living God". Be warned! You will not be saved by your church affiliation, or by the pleas of the Pope, if you turn your back on the TRUTH!

The Catholic church uses the same essential excuse as that used by the Protestant world. Both have failed to realize that Christianity is like a row boat with two oars, one is called FAITH, and other WORKS. In order for the boat to make a straight line to it's destination against the current, both oars MUST be used. To use only one, either FAITH or WORKS, without the other, causes the boat to move in circles, never reaching it's destination.

Over and over again during the history of the Roman church, you can find at least twelve Popes who were raised up to take this head position, each of these Popes came into power through the riches and influences of Roman prostitutes. One, Pope John XI, the son of Pope Sergius, was consecrated as Pope at the age of twelve, through the influence of his mother Marosia, who was a well-known prostitute in Rome. He was so horribly profligate, that he was deposed by the Catholic laity and the clergymen of Rome. (Yet he had been chosen by the Church hierarchy to be "God's representative on earth").

As you take time to look at the crimes perpetrated by the Roman church, and you must be willing to do this if you are honest, you will find that a priest is not holy because he became a priest, or a bishop, or a Cardinal, or even Pope, but because of what he has done with Jesus Christ in his life. The Pope won't get into the Kingdom because he was chosen Pope, but by what he does with Jesus Christ.

Jesus tells us about this in (Matthew 7:17-20) - "Even so every good tree bringeth forth good fruit: but an evil tree bringeth forth evil fruit. A good tree CANNOT bring forth evil fruit, neither can CORRUPT tree bring forth GOOD fruit. Every tree that bringeth forth not good fruit is hewn down and cast into the fire; (this will be true, no matter what church you attend, or whether you are Pope, Priest, Pastor or layman) wherefore, by their fruits (not what they say) shall ye know them". If he does not bring forth righteous fruit, no matter what vestments or crown he may wear; no matter whether he and others call him God's representative on earth, by his "works shall ye know" if he is from God or not!

Many priests, as you probably know, are given to strong drink, even though the Bible cautions the religious against this. The Apostle Paul, writing in 1 Timothy 3:2 warns us that a Bishop (church leader) must be "vigilant, SOBER, of good behavior (The English word for BISHOP, comes from the Greek word EPISKOPOS, which means: "An official in general charge of the church [eclessness]; a spiritual overseer"). In Titus 1:7, Paul says: "For a bishop MUST be blameless, (Greek ANEGKLETUS, meaning: "unaccused; by implication irreproachable"), as a steward of God; not self-willed, nor soon to anger; not given to wine, nor given to filthy lucre (love of material things").

Yet I have seen priests and high church officials who have become "fallen down drunk" and yet it was laughed off by the church hierarchy as of little consequence.
If church officials are questioned, they are apt to answer as they did to the priest Chiniquy, when he protested against the drunkenness of the Catholic clergy. (Page 90 of his book): The church officials said; "Are we not children of God? Is not the loving Father pleased when He sees His beloved children eat and drink of the good things He has provided for them?"

"The more we, the beloved children of God eat of these delicate viands, and drink of the precious wines our Heavenly Father puts into our hands, the more He is pleased with us. The more we, the most beloved one's of God, are merry and cheerful, the more He Himself is pleased and rejoiced in His Heavenly Kingdom".

Be honest now. Is this not making the Word of God of "non-effect", through church traditions? (Matthew 15:6,9).

With blasphemous words, the Catholic clergy encourages drunkenness and gluttony among its priests, who often go to church within the hour, to confess their sins, and offer communion, while still "under the influence". I don't know about you, but common Christian sense tells me this is wrong!

A priest who was confronted by one of his parishioners, who did not receive a clear conscience even after confession was asked by him: "Our Savior, Jesus Christ, paid for my sin debt on Calvary. He has saved and redeemed us by His death on the cross. Why then must you or I put again to the justice of God, that which His Son has already absolutely paid?"

The priest replied: "That is the doctrine of Protestantism which was condemned by the Holy Council of Trent. Christ has most certainly paid for our sin debts; but not in such an -absolute manner that nothing is paid by us. It is only through the mercy of God, and the penances imposed by the church, that communicants can be purified." (My Catholic friend, this is making the Word of God of non-effect through church traditions," as our Savior criticized the Pharisees of doing in Matthew 15:6. The Apostle Paul, in Ephesians 2:8 said "For by grace (the unmerited favor of God) are ye saved through faith; and that not of yourselves; it is the gift of God: NOT OF WORKS, lest any man should boast". (Emphasis mine). That -seems mighty clear to me, regardless of what the Pope, some priest, or preacher may say to the contrary. There is nothing you can do to ensure your salvation. other than trust in the shed blood of Christ. The good works come after you are saved; they do not ensure salvation!

This is further substantiated in Colossians 2:4, where the -Apostle speaking about Christ, says: "Blotting out the handwritings of ordinances that are against us, which was contrary to us, and took it out of the way, nailing it to His cross Christ did not do away with the Law, He confirmed it, but He did pay the penalty of the law, which was death, for those who accept Him as Savior.

The Colossian Christians understood what Paul was talking about, for in those days, when a man was convicted of committing a crime, and was sentenced to prison, the presiding judge had a parchment called a "libellus" written, on which was listed the man's crime and punishment. This was nailed to his cell door. When he had completed his sentence, or had been pardoned the judge wrote across the face of this libellus the words PAID IN FULL! He could never be held accountable for that crime again. This did not make him blameless for additional crimes he might commit.

This of course, in essence, is what Christ does for us, when we accept Him as Savior. He writes across the record of our disobedience to God, in His own blood PAID IN FULL! When a just God looks at the record of our lives, He does not see the record of our disobedience and rebellion, but the fact that His Son paid the penalty for our sins. There is absolutely nothing else that you, or I, or the priesthood can do to pay for our sins. Of course, when we sin, as all humans do, it is necessary to seek God's forgiveness. The Apostle John, writing in 1 John 1:9, says: "If we confess our sins (to Him, not to some priest or preacher), He is faithful and just to forgive us our sins (no priest has the scriptural authority to do this, and the church has no authority to give them this power), and cleanse us from all unrighteous-ness . The Psalmist tells us in Psalm 32:5- "I acknowledged my sin unto Thee (God), and mine iniquity have I not hid. I said, I will confess my transgressions unto the Lord
(not to some priest); and Thou forgavest the iniquity of my sin". No, my Catholic friend, your priest does not have the scriptural authority from God, to forgive your sins, no matter how many times you may go to the confessional.

While Catholic priests often profess a profound love and respect for the Holy Scriptures, many of them, like many Protestant prelates, do little to study them. In the Protestant church, the pastor's life is filled with weddings, funerals, visiting the sick, Rotary meetings, church business, etc. He has little time for study of the Word, which is supposed to be the foundation of his ministry.

So Saturday comes around and he has not yet prepared his Sunday sermon. But no big problem, for he can go to his library, and take down a book written by Dr. So-and-So, D.D. of sermon outlines. The entire message is lined out for him, from the scripture he is supposed to read, to the illustrations he will give, and in thirty minutes he can prepare a passable Sunday morning sermon. The problem is that the message given is the thoughts of Dr. So-and-So, D.D., and are not necessarily Bible truths, for the good Doctor got his ideas from the seminary he attended, not necessarily from the Word of God. Thus apostasy rears its ugly head and good people are often led astray. (I'm sure the same thing happens in the Catholic church).

Many priests, without a doubt, have a great love for their Savior, Jesus Christ, but as the Apostle Paul states in Galatians 1:8 - "But though we, or an angel from heaven, preach any other gospel unto you, than that which we have preached unto you, (the gospel message "By grace are ye saved, through faith... not of works") let him be accursed". The Jesus Christ the priests love, respect, and adore, is unfortunately not the Christ of Scripture, but the Christ of the Church of Rome who cannot save anyone.

As Aaron led the children of Israel in the wilderness to worship a golden calf he had set up as their god, so these priests, who are often good men, unknowingly are leading their people to worship a god baked between two heated, well polished irons, in the form of a crucified man. This is blasphemy, some of you Catholics will say, but it is not nearly as blasphemous as what the priest tells you when he lifts the communion elements and says: "Ecce agnus Dei qui tollit peccata mundi". ("Behold the Lamb of God, which taketh away the sins of the world"). When in reality he is only elevating a piece of bread which has no saving properties.

So Christian people are led into idolatry!

In Jeremiah 23:22, we hear God as He speaks to His Israel people:

"But if they (the priests and preachers) had stood in My counsel, and had caused My people to hear My word (not the words of the Pope, or a priest, or a minister, but the words of God as given in the Scriptures) then they (the people) should have turned them from their evil ways, and from the evil of their doings".

This has not happened in either the Protestant or Catholic church world, and indicates that something is terribly wrong with the preaching that is coming from our church leaders.

**Purgatory**

For centuries, theologians have debated the parameters and even the existence of purgatory, a place where, the Catholic church teaches, human beings who died in God's grace are sent to be purified before entering heaven.

Enter many Catholic churches and you will quickly find that the practice of praying for the dead is alive and well among the people in the pew.

Such popular devotions as having a daily Mass said for the repose of the soul of a loved one or lighting a candle for someone who has died are part of the living tradition of the church. (Note that it is not part of "living Scripture", but of "tradition").
When liberal Catholics would shove such teachings aside as outdated, the Vatican, in recent days, has made it clear it has no such plans. The new Catechism of the Catholic Church reaffirms the traditional teachings about heaven and purgatory and makes it clear that "a perennial link of charity exists between the faithful who have already reached their heavenly home, those who are expiating their sins in purgatory and those who are still pilgrims on earth". Between them there is, too, an abundant exchange of all good things.

"Hell is still an option for the unrepentant who sin gravely against God, the catechism says, but purgatory is a place where individuals who are forgiven of their sins but die imperfectly purified; may achieve the holiness necessary to enter the joy of heaven".

Since all Catholics are linked together in what the catechism calls "the Mystical Body of Christ", Masses, prayers, and acts of charity are offered up by the living for the dead and are viewed as helping purify individuals in purgatory of their sins so "they may attain the beatific vision of God". So says an Associated Press article in the Religious Section of the July 2, 1994, Modesto, (Calif.) Bee.

As a result, it is not at all unusual for Catholic priests to hand hundreds of dollars to their Bishop, which have been given to them by their parishioners, for the celebrating of masses for the souls of their loved ones who they have been told are in purgatory. No where in scripture can you find authority for this heathen practice. But it is a "money maker" for the church.

You can search the scriptures from one end to the other, without finding even a hint of a place called purgatory, where the souls of those who were in Christ, have gone to be purified. It is almost as though the Catholic church is saying "the blood of Christ is not enough; for by your suffering in purgatory, you will be made pure and saved!"

It is also interesting to note that Purgatory was not taught in the Catholic church, until hundreds of years after its beginning. It began when the church treasury began to "run dry" during the Middle Ages and there was a need to raise funds for the operation of the church.

A little arithmetic will show that there are not enough priests, world-wide in the Catholic church, necessary to say masses which are paid for by the people. Could it be possible, do you suppose, that priests actually take money from their parishioners in pretext that their masses will save souls from Purgatory? A Purgatory which exists only in the imagination of the church, and which was invented to raise money for the church?

In the late 1800's a scandal developed in the church in Canada, when it was found that the Catholic Bishops were pocketing most of the money paid for by these masses and were sending it to Paris, where masses were repeated for $0.05 each by French priests who were actually living sinful lives with their concubines. You say: "Prove this!" and I say, "Look at the revealed history of your church!"

As one good Catholic priest said when remonstrating with his Bishop over this nefarious practice: "Woe to our Holy Church, the day that our people learn that our holy religion, the blood of Christ, is turned into merchandise to fill the treasury of the Bishops and Popes". Woe indeed, from man as well as God!

In Paris in 1874, it was discovered that the Catholic church was doing an immense business in the matter of masses for the dead. The government, which was not particularly friendly towards the church at that point, became suspicious and began examining the church's books. It found that an incredible number of masses paid for by the people, were never said, while the money went into the pocket of the Parisian Mass merchants. The Catholic bishops.

But these things are not known by the rank and file members of the Catholic church, and like their brethren in the Protestant churches, they often get angry when someone exposes the hypocrisy in their church.

The problem of alcoholism in the priesthood is acknowledged by many, so why is it that, knowing
the dangers posed by the overuse of alcohol, that so many priests become alcoholics? Why, if a man is ordained by God, should he abuse his body by pouring poison into it?

The Apostle Paul approaches this problem in 1 Corinthians 3:16, when he clearly states: "Know ye not that ye (Christians) are the temple of God, and that the temple of God dwelleth in you?" (This happens when you knowingly accept Christ as Savior, not when you are baptized as an unknowing infant).

Baptism is necessary, don't get me wrong, but it should be as St. Peter taught in Acts 2:39 when he told the people in Jerusalem on that first Day of Pentecost: "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost." The Holy Spirit does not indwell you when you "speak in tongues" but when you are "baptized into Christ for the remission of sins". In order for this to happen, you MUST know what you are doing!

But after the Holy Spirit indwells you, 1 Corinthians 3:17 goes on to say: "If any man (woman) defile the temple of God (their body) him (her) shall God destroy: for the temple of God (the believer's body) is holy, which temple are ye".

So if you pour poison into your body in the form of alcoholic beverages, tobacco, drugs, or in any other manner, expect God to ultimately destroy you. He may not do this instantaneously with a stroke of lightning, but "Be not deceived, God is not mocked," He will do it, one way or the other.

If you were to go into a hospital and study the anatomy of those who have died as the result of alcoholism, drugs, or tobacco, you would understand better what this curse is all about. So why would a man of God deliberately destroy him-self, unless he wants to "do his own thing", regardless of what the consequences may be?

The New Catechism of the Catholic Church

I believe it might be well, at this point, to discuss briefly the New Catechism which has been approved and released by Pope Paul II.

Some of the revised rules include some surprises. For instance: "The plan of salvation also includes those who acknowledge the Creator, in the first place amongst who are the Muslims". Yet the words of the Christ, as clearly stated in the Scriptures says: "No man (woman) cometh unto the Father but by Me (Jesus)". (John 14:6). The catechism goes on to state that God's plan for salvation includes Jews and Muslims and repudiates centuries of Catholic teaching which heaped blame for the death of Christ on the Jews. Even though the Scriptures clearly state that it was they who cried "crucify Him! His blood be on our heads", (Matt. 27:22,25).

This action so pleased the anti-Christ's of Judaism, that Rabbi A. James Rudin, spokesman for the American Jewish Committee praised the catechism for opening paths of contact between the two faiths. (Those who love Him, Christians, and those who hate Him, the anti-Christ's of Judaism). Rudin then went onto further "brainwash" Catholics by stating that "Judaism is strictly a preparation for Christianity". This in the face of all proof that they are opposites and that "never the twin shall meet!"

Although this volume is seasoned with Latin words and legalistic jargon, there are many intriguing passages: For example. There is the sin of "luke warmness" which is "hesitation or negligence in response to Divine love". This is one many Protestants would be well to copy, (see Rev. 3:16). "Irony" is sinful when "aimed at disparaging someone by maliciously caricaturing some aspect of his behavior".
The catechism spends nearly two pages discussing "the common good," which is a term that religious and political leaders have used for centuries to justify actions which often trample on the rights of individuals.

The church states regarding children that have died without benefit of baptism, that "the liturgy of the church invites us to trust in God's mercy and pray for their salvation."

Another "dilly", which has been proven wrong over and over again, is that "A human being must always obey the certain judgment of his conscience". This is like saying, "That fellow must be right; he is so sincere", when "sincerity" is a matter of intent not fact. You can be very sincere and be sincerely wrong. The same goes for your conscience!

This catechism moves beyond the tightly knit fraternity of the bishops who first requested it and into the more reactive world of rank-and-file Catholics. It is drawing much fire from the "feminists" and "women's libbers" in the Catholic church over it's male-centered language and it's defense of the barriers erected against women in the priesthood. But especially against homosexual behavior.

Rev. Joseph Mannion, pastor of the St. Mary of the Annunciation Church in Oakdale, CA., says: We believe there should be no overt discrimination against homosexuals, that should not be denied their rights. But we also believe that there are some fundamental things which they do not have a right. When you believe that something is fundamentally wrong, and that something is sin, then the question of discrimination applies". (God says that it deserves the death penalty in both the old and New Testament; what is to be argued over?)

For nearly a decade, an international team of Catholic scholars has been working on this catechism which is the first to be released since the Council of Trent in 1566. The basic heathenism of the church remains intact. That the church has precedence over the Word of God.

**Bible Study By Catholics**

For as long as you can trace Catholic church history, study of the Bible has been discouraged. Even when priests and nuns spend much time in this study, they are apt to be criticized by their Superiors, who may say to them, as one Superior said to a priest who was engaged in in-depth Bible study: "You spend so much time studying the Bible and not enough in studying the doctrines and holy traditions of the Church. You are becoming inclined to interpret the Word, through your fallible intelligence, instead of going to the church for your interpretation. This was the rock on which Luther and Calvin were destroyed. Do not try and be wiser than the church!"

This in essence is the same thing which happens in the Judeo-Christian church, as I have mentioned before. When men come to a passage which is hard to understand, instead of searching the scriptures for the true answer, they take the lazy way out and go to their pastor for the answer. In all probability, he will give them the answer he was given in the seminary, which is not necessarily what the Word of God says. In this way, error enters the church.

The problem in both Catholic and Judeo-Christian churches is that the answer the pastor gives, is probably what his church teaches, ("making the Word of God of non-effect through their traditions").

**Maryolatry**

*(The Worship of the Virgin Mary)*

Here in essence is a sermon preached in the Cathedral of Montreal on August 15, 1850. It gives the Catholic idea concerning the Virgin. Listen carefully, before you make any mental decisions:
"Who among you will refuse any reasonable demands of a beloved mother? Who would sadden her loving heart by refusing a petition which you had the power to grant?"

"This respect and obedience to our mothers, Christ Jesus, the Son of God, practiced to perfection. Although He was God and man, He was still in perfect submission to the will of His mother. The Gospel says, in reference to His parents, Joseph and Mary, that He was subject to them (Luke 2:51.) What a grand and shining revelation we have in these few words: Jesus was subject to Mary: Is it not written in Hebrews 13:8 that He is the same, yesterday, today and forever? He has not changed: He is still the Son of Mary, as He was when He was twelve years old.

"This is why our holy Church invites you to put your unbounded confidence in her intercession. Remembering that Jesus has always granted her petitions, let us put our petitions in her hands, if we want to receive the favors we need."

"The second reason we must all go to Mary is that we are sinners - rebels in the sight of God. Jesus Christ is our Savior. Yes! but He is also God, infinitely just, infinitely holy; He hates our sins with an intense hatred!"

"Had we loved and served Him faithfully, we might be able to go to Him with hope and assurance of being welcomed, (I guess this priest had never read the Parable of the Prodigal Son in Luke 15:18-24). But we have forgotten and offended Him; we have trampled His blood under our feet; we have joined with those who nailed Him to the cross, pierced His heart with a lance, and shed His blood to the last drop. How can we dare to look at Him and meet His eyes? This is why our holy Church, speaking through her infallible pontiff, the Vicar of Christ, Gregory XVI, has told us, in the most solemn manner, 'Mary is the only hope of sinners!'"

"Jesus has a thousand good reasons to refuse our petitions, if we are impudent enough to speak to Him ourselves. But look to the right hand of our offended King and behold His dear and divine Mother. She is your mother also! For it is to every one of us, as well as to John, that Jesus said on the cross, speaking of Mary: 'Behold thy mother!' (John 19:27). Jesus has never refused any favor asked by that mother! Let us go to her; let us ask her to be our advocate and plead our cause, and she will do it. Let us request her to ask for our pardon and we will get it!"

This advice sounds impressive and reasonable, if it were true.

The problem being that none of this message can be backed by scripture. It is all Church dogma! If what this priest said were true, why is it that John the Divine, writing in 1 John 2:1, said: "And if any man (woman) sin, we have an ADVOCATE with the Father, (not the Virgin Mary) but Jesus Christ the Righteous!" Christ is our ADVOCATE, our Defense Attorney, if you will, when we face an angry God.

Speaking in Hebrews 7:25, specifically of Christ, the author says: Wherefore He (Jesus Christ) is able to save them to the uttermost, that come to God by Him (not through Mary or the church), seeing that He liveth to make INTERCESSION for our sins!" Over and over again in the New Testament, we are told that Jesus Christ is the ONLY ADVOCATE, between God and man. Mary is not mentioned once as such. The word ADVOCATE, as used in 1 John 2:7, comes from the Greek word "parakletos" which means: "an intercessor". Webster's New World Dictionary defines ADVOCATE, as "A person who pleads another's case". The only One who pleads our case before God is Jesus Christ. Nowhere in scripture is the Virgin Mary assigned this exalted position.

In Matthew 12:47, we are told of an incident where as Jesus spoke to the people, He was told "Thy mother and thy brethren stand without, seeking to speak with Thee". His answer was: "Who is my mother? and who are my brethren?" Then stretching out His hand and pointing to His disciples. He said, (vs 49, 50) "...Behold my mother and my brethren. For whosoever will do the will of My Father which is in heaven, the same is my brother, and my sister, and my mother".

You see that beautiful message that priest preached in the Cathedral of Montreal, was a sacrilegious lie. He told a deluded people that Jesus always granted the petition of His mother, when nowhere in
Holy Writ can you find an example of this.

There were times recorded when Jesus rebuked His mother for asking petitions of Him in public. Was it out of disrespect? Oh no! No Son respected or honored His mother more than He did her. But nowhere will you find that He ever implied, that we were to worship her, or go to God through her intercession.

This is probably one of the most blasphemous and dangerous teachings in the Catholic church today, and it comes solely from tradition, not the Word of God. (See Mark 3:31-35).

The story of our Savior's first recorded miracle at the wedding of Cana of Galilee, is I believe, an indication that our obedience is not to Mary, but to her Son, our Lord Jesus Christ.

This incident, recorded in John 2:1-5, if you remember, has to do with a wedding which was being attended by Jesus and His mother. The host ran out of wine while the wedding was still in progress and Mary came to her Son, stating: "They have no wine!" (Notice there was no intercession on her part). He said to her, not in disrespect, I'm sure: "Woman, what have I to do with thee? Mine hour is not yet come!" Yet He went ahead and turned the water into wine.

The Catholic church says this is proof, and a seal of Mary's irrestable superhuman power over her Divine Son and proof that Jesus cannot deny anything she asks of Him.

Yet the witness of St. Matthew, St. Mark, St. Luke, and St. John, says to all Christians: "How can you be so blind as to not see that instead of a favor granted to Mary, this first miracle was the opportunity chosen by Jesus to protest against her INTERCESSION? It is a solemn warning, I believe to His mother, that she was not to interfere with His work, and that we must not put our confidence in what she asks Him to do".

This will come as a shock to good Catholics, who will believe what I have said borders on blasphemy. Yet what I have said bears the seal of scriptural approval. My dear Catholic friend, you will not be "saved" and enter God's Kingdom through obedience and petition to Mary, but only as you come to God through His Son, our Lord! In John 6:40, we read: "...Everyone which seeth the Son (not His mother), and believeth on Him, (not Mary) may have everlasting life: and I (Jesus) will raise him up on the last day". Our salvation MUST be in Christ alone, for there is no other name given among men, whereby we MUST be saved.

In the Cana of Galilee incident, we see where Mary full of compassion for the governor of the feast, who no doubt was terribly embarrassed by running out of wine, wanted her son to help him.

But Christ answered her request with a mild rebuke. Instead of saying: "Yes, mother, I'll do what you tell me to do," He said in essence, "Woman, what have you to do with this matter. I don't want you to put yourself between the wants of lost men and me. I don't want the world to believe that you have the power to influence me, or control my compassion for lost men and women. It is to Me, and Me alone, that the lost children of Adam must come for salvation. Woman what part do you have in my work of saving a lost world? Nothing! I must fulfill my Father's will, not yours".

Christ was trying to banish for all time, any idea that His mother or anyone else, could ever influence Him as an intercessor, and Mary understood this when she told the wedding servants: "Whatsoever He saith unto you, do it! Don't come to me, go to Him!"

In Acts 4:12, where St. Peter preached his first, powerful sermon he said: "For there is none other name under heaven (other than Jesus Christ) given among men, whereby we MUST be saved". Mary can't do it! Only Jesus has the power to save, and He alone!

Many a Catholic priest has struggled with this scripture and the knowledge that what he had been teaching concerning the Virgin Mary as intercessor was false; and many a priest has succumbed to pressure from his peers and church authorities and refused to speak what he knows is true! In this they are little different from the apostates among the JudeoChristian churches, who are governed by peer pressure.
You might like to ask yourself these questions:

"When Jesus and His mother Mary were on earth, who loved sinners with the most effective and saving love? Who died for them?" We have no evidence of Mary's love for lost men and women in the scriptures.

As an honest Christian man and woman your answer would have to be: "It was Jesus, the Son of God, whose love is the only effective means of my salvation."

To whom did Jesus invite sinners to go for salvation, Himself or Mary?" and the honest answer MUST be that Jesus said: "Come unto Me, and I will give you rest!" He never made this claim regarding His mother.

I know of no example in the New Testament, where sinners fearing a rebuke at the hands of Jesus, ever went to His mother, hoping she would intercede for them.

The penitent thief on the cross did not address his plea for mercy to the Virgin as she stood at the foot of His cross, we are told very clearly in Luke 23:42 that he turned to Jesus and said:

"Lord, remember me when Thou comest into Thy kingdom".

If Christ is sitting at the right hand of the Father, as scripture says, then it is He we MUST go to. There is no scriptural evidence that His mother ever sat in this place.

In Isaiah 53:12, we read: "...He (Jesus) was numbered with the transgressors; and He (not Mary) bare the sins of many, and made intercession for the transgressors". Mary had no part in this salvation process either then, or now.

We read again in Hebrews 7:25 - "Wherefore He (Jesus) is able also to save them to the uttermost that come unto God by Him, seeing that He (Jesus) liveth to make intercession for them" My Catholic friend, can you see any part that Mary has in this scripture? You are saved by the intercession Jesus makes for you before the Father. You are not saved through any good work of His mother, no matter how wonderful a woman she might have been, and I honor her as His mother. She must have been the best. But she is not our salvation or our advocate!

If Jesus is the only advocate we have with the Father, why should we attempt to reach Him through some other source?

1 John 2:1, which I have quoted before states clearly: "...and if (when) any man (woman) sin, we have an ADVOCATE (intercessor) with the Father, Jesus Christ the Righteous" Only Jesus Christ qualifies as this INTERCESSOR!

An in-depth study of your church, the Roman Catholic church will show that for at least the first six centuries of it's existence this doctrine of Mary worship was never taught in the Catholic church.

The church teaching about the power that Mary has with Cod in heaven, and her love for sinners, were concoctions of Catholic theologians that came about, hundreds of years after the founding of the church. Much like aberrations found in the Judeo-Christian church such as the teachings on the "rapture", and the "Jews Chosen people theory".

One of the things which has proven difficult for many studying for the priesthood, is that he is bound by a solemn oath, to never interpret the scriptures, except through the unanimous consent of the Holy Fathers. Yet the fact remains, that a little historical study will confirm that there is a decided lack of agreement on the part of the Church Fathers over most important subjects. The "immaculate conception of Mary" was one of them that caused deep church divisions and much deadly conflict!
In fact, a study of church documents will prove that a great deal of Catholic literature was written and used by those in power, to prove that some other Holy Father was wrong or a heretic. Very few have been in agreement on important issues. Often they confess to having been mistaken on some issue or other, while now holding to what they consider "saving faith," that which they originally condemned. I can see the appropriateness of this, when it is proven to them by the scriptures that they are wrong. This is what I did, when I discovered the fallacies in the Judeo-Christian teachings which were leading men and women astray. Believe me, it's not easy to do! But it must always be on a scriptural basis, not on what some church leader, be he Pope or otherwise says it is.

There are apostolic liturgies of Saint Peter, Saint Mark and Saint James to prove that the sacrifice of the mass, purgatory, prayers to the dead, the changing of the consecrated elements of the communion into the body and blood of our Lord, were taught in the time of the Apostles. But a little study into church history, will prove that these liturgies are nothing but audacious forgeries which have been presented to the world by different Popes as gospel truths.

Most Roman Catholics are taught from a very early age, that Mary is the "mother of God", and many times when praying they say: "Holy Mary, mother of God, pray for us sinners, now, and in the hour of our death. Amen"

But read these words, written by the Catholic St. Augustine, in his TREATISE ON THE FAITH AND CREED: "When the Lord saith, 'Woman what have I to do with thee? My hour is not yet come?' (John 2:24), He rather admonishes us to understand that, in respect to his being God, there is no mother for Him.

During the first six centuries of the existence of the Catholic church, nothing can be found in church writings, about the dogma of the supreme power and infallibility of the Pope, or of the power of the Bishops over the Christian world.

A look into church history will prove that Origen, a prominent theologian of the Second Century A.D. never believed in the eternal punishment of the damned; St. Cypria denied the supreme authority of the Pope; St. Augustine said that no Catholic was obliged to believe in purgatory; St. John Chrysostom, theologian of the 3rd and 4th Century A.D. publicly denied the obligation of "auricular" (spoken) confession and the real presence of the body and blood of Christ in the eucharist.

One of the most learned of the Popes, Gregory the Great, called by the name of "Anti-Christ", all his successors who took the name of Supreme Pontiff, while teaching that they had Divine authority and supreme jurisdiction over the church.

So to whom does the good Catholic go, if there is this disagreement among church leaders? They must do the same as the Protestant, who sees thousands of disagreements among his church leaders, all of whom profess to be Christian, while differing in doctrine. Any normally intelligent person knows this is wrong. So to whom must the Christian world go for the truth?

Christianity has only one source of truth and that is found in the Holy Scriptures, and even that has been tampered with by the enemy, in recent years, to where much of the modern translations are aberrations of the Word. This base in under vicious attack in both the Catholic and Protestant church world.

No institution in society can long survive if its structure is not built on a solid foundation of truth. The reason the Christian faith has survived 2,000 years of battering by a vicious enemy, is because it was based, not on what some Pope or Bishop taught, but on the solid foundation taught by it's founder, Jesus the Christ.

If Christianity is to survive, and the open testimony of the anti-Christ enemy of Talmudic Judaism, is that they mean to destroy White Christian civilization, it must return to this un-movable foundation.

This is why I have written this controversial book. It was not to agitate so-called Christians, but to
wake them up to efforts of the enemy to destroy everything they say they believe.

You are not going to be saved through membership in any church, Roman Catholic or otherwise. But through belief in and acceptance of Christ as Savior. Jesus said, John 14:6- "I am the way, the truth, and the life; no man cometh unto the Father but by Me". There is no other way, no matter what church leaders may tell us to the contrary.

The deterioration, disintegration and final destruction of Christianity has been in the enemy's battle plans since the very beginning. It has been accelerated today, in direct ratio to the distortion and misrepresentation which has been allowed in the church, which is a distortion of Scriptural truth. Truth is absolute!

It either exists or it does not! There are no degrees of truth. To be "half-true" is as incredible as to be "half-loyal", or for a woman to be "half-pregnant". It's impossible!

Dr. Benjamin Freedman, a noted advisor to seven U.S. presidents, and a convert from Judaism to Christianity, in his latter years said: "Whether authorities (political or religious) are guilty of ignorance or indifference is beside the point. A duplication of this exists today with respect to the crisis which confronts Christianity. We are living in the 'Zero Hour' of the Christian faith. No institution in modern society can long survive if its structure is not created on the foundation of truth. The Christian faith began on the solid foundation of its Founder, Jesus Christ. To survive, it must remain on that solid foundation. The deterioration, disintegration and final destruction of the Christian faith will be accelerated in direct ratio to the distortion and misrepresentation which is allowed to become the substitute for truth".

"In their attempts to do an ounce of good in one direction, many well-intentioned persons have done a ton of harm in the other direction".

"Regardless of what anyone, anywhere and any time may say, events of recent years everywhere, have established beyond the question of reasonable doubt, that the Christian faith stands with one foot in the grave, and the other on a banana peel, figuratively speaking. (Consider this. As the number of "born again" people have increased in America, this nation has moved faster into oblivion. Something is terribly wrong here! What has become of their Christian influence? Crime, corruption and evil of every kind is running rampant, and taken a stranglehold on American life. Could it be that Christians have become the "salt that has lost it's savor; its ability to act as salt and hold back corruption"? [Matt. 7:15] -Why have Christians for the most part failed in their mission? Could it be that they have failed at the root of the problem, possibly because it is a Jewish root? Could it be that our Christian people fulfill the words of Isaiah 29:13 - "This people draw near Me with their mouth, and with their lips do honour Me, but they have removed their heart far from me, and their fear towards Me is taught by the precept (traditions) of men" - (Author Mohr).

"The Christian faith stands at the crossroads of its destiny. The Divine and sacred mission of the Christian faith is in jeopardy today, to a degree never before witnessed in its 2,000 year history.

"If the day ever arrives that Christians can no longer profess their faith, as they are allowed to do in the Free World, then we will see the beginning of the last days". (UNQ).

Dr. Freedman did not live to see these days when our own government, has become the enemy of "true Christianity". It is useless to attempt to deny that Christianity is on the defensive throughout the world. This realization should stagger the imagination of those of us who know what is going on and understand the situation.

The history of the world for the past several centuries and current events at home and abroad, confirm the existence of a conspiracy (and yes, Virginia, there is a conspiracy; which comes into being when two or more persons gather in an attempt to destroy something worthwhile; government or religion). The world-wide plot of these diabolical conspirators has been implemented while the Christian church, of all branches, has been asleep. The Christian clergy, Catholic and Protestant alike, for the most part have been indifferent to this plot. They have buried their collective heads in
the sands of indifference, like the proverbial ostrich. Their ignorance and indifference has dealt a severe blow to the Christian faith. We need a spiritual Paul Revere, to ride throughout Christendom, warning that our enemies are closing in on us, and rallying them to the defense. This is another reason this book was written.

But I have wandered a bit afield from our subject, so let's get back to our discussion of Catholicism and take a FURTHER LOOK AT THE SUBJECT OF PURGATORY

The following incident is true and was recorded by Mr. Chiniquy in his personal memoirs as a Catholic priest in Canada

"I was coming from the church with the curate, when we were met by a poor man, covered with rags. His pale and trembling lips indicated the last degree of human misery. Taking off his hat, he addressed Rev. Primeau: 'You know sir, that my poor wife was buried ten days ago. I fear she is now in Purgatory, for every night in my dreams, I see her wrapped in flames, she cries to me for help and asks me to have a high mass sung for the rest of her soul. Will you help me?"

The curate said: "Of course your wife is suffering the unspeakable tortures of Purgatory, which can only be relieved by the offering of the holy sacrifice of the Mass. Give me five dollars and I'll say the mass tomorrow morning!"

The man replied: "You know, Mr. Le Cure, that my wife has been sick a long time and I don't have five dollars to my name

The curate replied, rather harshly I thought: "If you cannot pay, you cannot have the mass sung. That is the rule and I can't change it!"

I knew this priest. He was well-off, the head of one of the richest parishes in Canada, with money in the bank. I had hoped that he would sing the mass without pay, but he refused.

My first thought was to give the poor man five dollars, but I did not want to insult the priest who was older than I.

While I was feeling ashamed of his actions he said to the man: "That woman was your wife, not mine. It is your business, not mine, to get her out of Purgatory".

The priest then suggested that he would say five low masses for a dollar, but the man replied: "I can no more give you one dollar than five, as I don't have anything."

The priest said: "What about those two beautiful suckling pigs I saw at your house? Give me one of them and I'll say the high mass

The man replied: "A neighbor gave them to me so I could raise them to feed my three children. They will surely starve if I give them to you

"I left that 'greedy merchant of souls', in shame and disgust, and locked myself in my room. I wept most of the night. I said: 'My God! My God! Is it possible that in my dear church of Rome, there can be such an abomination as I saw today? How cruel and merciless are thy priests. Is it not blasphemous to call ourselves priests, when we will not sacrifice anything to save a poor lost soul, her husband and their starving children? What right has the church to extort money from Thy children to help them out of Purgatory? Did not the apostles say that Thy blood alone can purify men's souls?'"

Several of the early Catholic Fathers considered Purgatory to be of heathen origin. (Remember that this teaching was not accepted in the church until the late Middle Ages.)

Tertullian spoke of it only after he had joined the sect of the Montanists, and he confessed that he could find no teaching regarding Purgatory in the Holy Scriptures.

St. Augustine, possibly the most pious and learned of the Holy Fathers, could not find Purgatory mentioned in the Bible and positively said that its existence was dubious; that every-one may
believe what he thinks proper about it.

Isn't it sad, that if Purgatory is a reality, and priests can help people out of its torture, by prayer and masses, that they rush to the bereaved family and offer to do it for money?

"Later at that curates table", Chiniquay said, "I sat down to a delicious meal, of roast pork, which is my favorite food.

But before I ate the first bite I said: "Is this the suckling pig of that poor man of yesterday?"

The priest laughed and said: "Yes, it is. If we can't take the soul of that poor soul out of purgatory, we will at least eat her pig".

The other priests at the table laughed, but I stood up in a fit of anger and said: "I would rather starve than eat of that execrable (cursed) dish, for I see in it the tears of that poor man and the blood of his starving children".

The curate, stunned by my words, could only lisp an excuse and the suckling pig remained untouched. The dinner had turned into a funeral service.

The Immaculate Conception of Mary!

I have already briefly mentioned the meeting in St. Peter's Cathedral in Rome, on Dec. 9, 1884, where Pope Pius IX declared that: "We must believe that the blessed Virgin Mary was immaculate (without sin) in her conception? There is no salvation to them who do not believe this dogma!"

As an intelligent Christian, no matter what church you attend, doesn't it seem strange to you that 1854 years of Roman church history passed, before this doctrine was accepted by the church?

Incredibly, some of the large cities in Europe, particularly in Spain, were drenched with blood by supporters and opponents of this un-scriptural doctrine of the Church. In an attempt to resolve this conflict, deputation after deputation was sent to various Popes, asking for their infallible beliefs on the subject. Philip III and Philip IV, Kings of Spain, made efforts to force Popes Paul V, Gregory XV and Alexander III into stopping the shedding of blood within the church, by giving a Papal opinion on the immaculate conception. But they failed, as these popes refused to make such a decision.

The infallible heads of the Church of Rome, by their own admission) have stated time and time again: "that the dogma of the Immaculate Conception of Mary was not revealed in the Holy Scriptures, had never been taught by the Apostles, nor by the church Fathers, and had never been believed or preached by the church of Rome as Catholic faith".

The only thing these popes did to stop the bloodshed, was to forbid parties from calling each other heretics: and to forbid them from declaring this dogma to be an article of faith which must be believed in order to be saved. Which is what Pius IX did! It was reserved for Pope Pius IX, to drag the church into an un-scriptural folly which is today preached as infallible doctrine.

A monk called Father Leonard, was supposed to have had a vision, in which the Virgin Mary came to him, stating that there would be an end to wars in the world, heresies and division in the church, if all the faithful were to believe that she had been immaculately conceived without sin.

Many Catholics, including Pope Pius IX, believed this was a genuine revelation from heaven and vowed to promulgate this new dogma, which had never been preached before. Doesn't it seem strange to you, that if this was truth, why God had not revealed it to the church hundreds of years before?

But Pius IX, instead of securing the peace of the church and destroying heresies, did more to shake the faith of Catholics than all her enemies in Protestantism could accomplish. For by forcing this
new article of faith on the consciences of the Catholic people, he pulled down one of the strongest sup-porting pillars of the church.

With supreme contempt, the priests of Rome have been castigated by men like Martin Luther (who had himself been a priest), Knox and Calvin, for stating: "In the Holy Catholic Church, there is no change, no innovations, no novelties, no new dogma. We believe today as the Apostles believed and taught".

Yet it immediately becomes obvious that this is not true, for suddenly in 1884, the church proved that new dogmas and articles of faith were being accepted by it's head, the supposedly infallible pope.

Mr. Chiniquay tells of his dismay in receiving a letter from his Bishop, decreeing that he must preach this new dogma as an article of faith. Being a brave man, he read the decree to his congregation, along with the Pope's statement damning anyone who refused to accept it.

A few days later, a rich and respectable farmer visited the rectory and asked the priest: "Father, does the pope tell us in his letter that we can find the' new dogma of the Immaculate Conception of the Virgin in Scripture? Has it been taught and believed by the Holy Fathers, since the day of the Apostles?"

The priest had to reply: "That's what the Pope's letter said".

The farmer said: "Father, would you be so kind as to read the Scriptures that teach this dogma?"

Of course the priest couldn't do this, since they don't exist. He had to honestly tell his inquirer: "I'm sorry to say, I have never found this teaching in the Holy Scriptures, but I have found many words which indicate the contrary."

"I hope you will excuse my next question" said the farmer. "There has been a great deal of talk about this new article of faith among us since last Sabbath; I want to know a little more about it. The Pope said we had to believe, didn't he?"

And the priest replied: "Yes, the Pope said this in his Encyclical (papal document), but these last nine hundred years, many popes have declared that the church never believed it. Several even forbade Catholics to say this was an article of faith."

"If this is true", the farmer stated, "how do we know that the other dogmas of the church, such as confession, purgatory, etc., are true?"

How do you answer an honest inquiry such as this. And today, millions of Catholics are asking them.

---

**The Confession Box**

There are two types of women in the world we should feel sorry for. The Brahmin women of India, who have been so deceived by their priests, that they will throw themselves on the funeral pyre of their husband, as an offering to her gods; and the Roman Catholic woman, who has been no less deceived by her priests, as she is required to undergo the mental tortures of the confession box.

Does an honest and godly priest not have a twinge of conscience, when he, as an unmarried man, is required to draw out the most intimate thoughts of a young girl, or a wife? Is he not promoting sin in that immature girl, by suggesting things to her which she may never have thought of even in her fantasies?

If a young husband or father heard some of the intimate questions asked by the priest in the confessional of his wife or daughter, would he inclined to blow that priest's brains out? He would if any other man had done the same!
Here is an true example: A beautiful young woman approached her priest with these words: "Father, I am a desperate sinner and I fear that I am lost. But before I begin my confession, let me ask that you do not pollute my mind by questions which confessors are in the habit of asking female penitents. I have already been destroyed by these questions. Before I was seventeen, God knows, I was as pure as one of His angels; but the chaplain at the nunnery where my parents sent me for an education, although a much older man, asked me questions that I did not understand. Later it was explained to me by one of my classmates."

"This was the first unchaste conversation of my life and plunged my mind into a sea of iniquity I had never known before. For the first time in my life, I was assailed by sensual temptations, they overwhelmed me day and night and I was struck with terror over the dangers they posed to my immortal soul."

"Covered with shame" I went to the old confessor, whom I respected as a saint, and confessed my innermost thoughts. Only one, which was so base I could not bring myself to confess, was kept from him."

"He spoke kindly to me and encouraged me to fight against my bad inclinations. But when he finished, before I left the confessional, he posed two new questions of such a polluted nature, that I fear not even the blood of Christ, or my fear of hell, will ever blot it from my mind. Those questions invited me into new realms of darkness and were deadly arrows which filled my veins with new sexual poison."

"At first, his suggestions filled me with the utmost disgust, but as I became accustomed to them; they filled me with an unholy longing and have been the source of criminal thoughts and desires ever since."

"A month later, I was so lost in sinful thoughts, that I had a tete-a-tete with my confessor, and found that he was as depraved in his actions, as I was in my thoughts". God alone known how many times this has been repeated in Catholic circles.

I don't know how this story effects you, but it brings to my mind the words of our Savior in Matthew 18:6 - "But whoso shall offend one of these little ones which believe in Me, it were better for him that a millstone was hanged about his neck, and that he were drowned in the depth of the sea". I would not want to stand in the place of that depraved priest, when he stands before the Judge. God will not hold any man; preacher, priest or pope, guiltless, who pollutes the innocent.

When the priest who heard the above confession went to his Superior about this, he was told: "Such cases of the destruction of female virtue by the questions of the confessors are unavoidable evils. It cannot be helped: for such questions are absolutely necessary... since the greater part of girls and women make false confessions regarding their impurity. It requires the greatest zeal and prudence on the part of the confessor when dealing with these matters." Evidently, there are attempts to cover up these incidents when they happen in the church, rather than prevent them.

All this seems to be begging the question: since no where in the Scripture, or in early church history do we find evidence of the confessional box, which has often been the breeder of sins in women. How can the church venerate something which destroys the souls of many? It was never endorsed by Christ, or His Apostles, or the early Church Fathers.

There is much documented evidence available that the Roman Catholic Church has had plans for world-wide conquest, that often runs parallel to that of International Zionism in it's quest for power. Like Zionism and Freemasonry, the plans of the Vatican are not just spiritual, but are for the takeover of physical assets everywhere, for the church leaders know that with money goes world power.

While I sincerely doubt that few Catholics in America would approve of this, or even have an inkling of what is happening in high places, it needs to be brought to your attention. One of the attributes of Christian Identity, is liberty for the individual, under God's law.
A rather remarkable article appeared in THE FREEMAN'S JOURNAL, in 1851. This was the official Journal of the Catholic Bishop of New York. The editor of this paper, a Catholic Irishman named D'Arcy McGee, was determined to head a colonization project aided by fellow Irishmen, as the living conditions of Irishmen arriving in our large cities was often appalling.

A large assembly, mostly of priests, met in Buffalo, N.Y. in the spring of 1852. D'Arcy was disappointed in that most of them were sent by a Bishop in the U.S. to oppose his plans. They answered his plans with this statement:

"We are also determined to take possession of the United States; but we must proceed with the utmost secrecy and wisdom. What does a skillful general do when he wants to conquer a country? Does he scatter his soldiers over the farm lands, and spend their energies plowing fields? No! He keeps them close to his flanks and marching towards the enemy strongholds; the rich and powerful cities. The farming countries then submit and become the price of this victory without moving a finger to subdue them!

"So it is with us (the hierarchy of the Roman Catholic Church), we must mass our Roman Catholics in the great cities of the U.S., remembering that the vote of a poor journeyman, though he be covered with rags, has as much power as the millionaire Astor and that if we have two votes against his one, he will become as powerless as an oyster." (This shows their naivete regarding how Jewish political power operates). "Let us multiply our votes; let us call one poor but faithful Irish Catholic from every corner of the world, and gather them into the hearts of the cities of Washington, New York, Boston, Chicago, Buffalo, Albany, Troy and Cincinnati.

"Under the shadow of these great cities, the Americans consider themselves to be an unconquerable race. They look upon poor Irish Catholics with supreme contempt, as only fit to dig their canals, sweep their streets, and work in their kitchens. Let no one awake these sleeping giants today. Let us pray that they continue to sleep a few years longer, waking only to find their votes outnumbered as we will turn them forever, out of every position of honor, profit and power! When not a single judge, or policeman will be elected if he is not a devout Irish Catholic. What will the so-called giants think then? What will they think when not a single senator or member of Congress will be chosen, unless he first submits to our Father the Pope?"

"We will not openly elect the President, but fill and command the armies, man the navies, and hold the keys of the public treasury. It will then be the time for our faithful Irish people to give up their grog shops, in order to become the judges, and governors of the land".

"Then we will rule the United States, and lay them at the feet of the Vicar of Rome, that he may put an end to the god-less system of education, and the impious laws of liberty of conscience, which are an insult to both God and man".

Empty word, you may say! Rhetoric spoken with religious fervor! Not so! For this has been the Roman road of conquest in every country they now control and as I have mentioned before, under the hierarchy of the church, who is not so much interested in the souls of men, as it is in money and power, these countries have all lost their God-given natural freedoms, and have developed into Third World poverty cases.

This may seem as a needless worry to many, but when one takes time to study the absolute abject submission on not only the Roman Catholic Irish, but of all Catholics of all countries, to one man in the Vatican, one can see how their mind, soul and will is tied to the feet of their priests and the church.

One needs only to visit a strong Catholic country such as Mexico, to see this story re-enacted. The priest in most cases rules the country town, dictating to its mayor, and police chief. The wealth of the church, often is more than the combined value of the town. But this wealth is not used for the welfare of the people who supply it. Hardly! While the local priest often lives well indeed, his people are often on the verge of starvation, while the church continues to fatten off them through
their payment for masses and other church trivia.

Most priests, if they were honest, would have to admit that the Roman Church is the implacable enemy of our Republic. (By this I am not referring to a Democracy, or the Welfare State we have become, but to the Constitutional Republic this country was meant to be). The professors in the Catholic Seminaries are almost unanimous in teaching that the Constitutional government of this one-time Republic is contrary to the principles and law of the Roman church.

**What are the principles the church denies?**

1 - The equality of our citizens under law; the fundamental principles. That all citizens are created with an equal opportunity in life, not that they are created physically equal.

2 - That the liberty of conscience, as proclaimed by our Republic, (Or at least its Founding Fathers who formed this Republic) is the most sacred principle which each American MUST uphold if we are to remain free!

Liberty of conscience, has been declared by all popes of the Roman church as a godless, diabolical thing, which they seek to destroy. To control people, you must first have full control of their wills, and this is what the church seeks through the teaching of it's priests.

Today, the issue of "separation of church and state" has reached the absurd level, where some people want no Christian influence in government at any cost. This is not what the First Amendment seeks, nor is it its meaning, contrary to what critics may tell you.

America was born as a Christian nation, a nation "under God's Law". It was not under the Pope, for many Christians fled to America, to escape his influence. It was not under the command of a State church, as had been the case in England.

It was set up to be run by the Natural Laws of God, as revealed in His recorded Law, the Ten Commandments!

It might be of value to mention here, that America was not set up to be a "multi-cultural" state, as it is now becoming. She was born out of religious persecution, and was formed as a refuge where men and women might come and worship God according to the dictates of their conscience. It was not set up for freedom of worship for the Jews, or the Moslems, or the Brahmins, or all the other religions who have flocked to this country, to take advantage of our freedoms. It was strictly a Christian nation. You can readily see this by reading the Constitutions of every one of the Thirteen original states. Many state that their colony was set up "for the glory of God, and the propagation of the Christian faith." Nothing said about freedom for heathen religions.

In no way was this country set up as a "religious haven" for any religion other than Christianity!

4 - While our Constitution allows every man, woman and child to serve God according to the dictates of their conscience, the church of Rome declares that no man or woman has this right to worship God, other than under the control of the Pope.

5 - Our American Constitution denies the right of anyone to punish another who disagrees with him over a religious issue. The Roman church, through the Pope, declares that the church has the ultimate right to confiscate goods, and even take the life of those who refuse to bow to the authority of the Pope. Millions of people, including many who went by the name of Christian, have been so eliminated under Roman authority.

6 - The Constitution of the United States is based on the principle that the people are the source of all civil power, while the church of Rome, over and over again, during the last 20 centuries of history, has proven that "All civil government must be based on the
foundations of the Roman Catholic Church, and be subject to it Vicar”.

There have been many well known and respected men in American history, who have known of this Roman conspiracy to rule the world, and whether you want to accept it or not, it is as real and dangerous as that of International Zionism. (Sometimes it appears that the big three which suppress freedom, Freemasonry, the Roman Church and International Zionism, are all working "hand in hand" towards the New World Order, with it's one world religion, which most certainly will not be Christianity, either of the Roman Catholic or Protestant variety. The present Pope has become notorious for his cooperation with International Zionist interests).

Former Secretary of the Navy, Richard Thompson, in his book titled THE PAPACY AND THE CIVIL POWER, said: "Nothing is plainer than that, if the principle of the Church of Rome prevails here, our Constitution will necessarily fall. The two cannot exist together. They are in open and direct antagonism with the fundamental theory of our government and of all popular governments".

A highly respected Spanish Catholic leader stated in 1869: "There is not a single progressive principle which has not been cursed by the Catholic church. This is true in England and Germany, as well as all Catholic countries... Not a single constitution has been born, not a single step towards progress has been made, not a solitary reform effected, that has not come under terrific anathemas of the church".

You may not want to accept these harsh but true facts about the church you have been taught to revere. But you need to know about them. What have your own church leaders said about them?

Here is one statement written during the middle of the 19th Century, which is as true now as when it was written: "The church is of necessity intolerant. Heresy she endures when and where she must, but she hates it, and directs all her energies to destroy it.

"If Catholics gain a sufficient numerical majority in this country, religious freedom will end. So our enemies say and so we believe". (Official Journal of the Bishop of St. Louis, in 1851).

"No man has the right to choose his religion," (Official Journal of Bishop Hughes, New York, 1870).

"The church... does not, and can not accept, or in any degree favor, liberty in the Protestant sense, (freedom of conscience)" (The Catholic World, 1870).

"Religious liberty is merely endured until the opposite can be carried into effect without peril to the Roman Church," (Bishop of Pittsburgh).

"It was proposed that all religious persuasions should be free and their worship publicly exercised. But we have rejected this article as contrary to the canons and councils of the first Catholic Church", (Encyclical in 1808, by Pope Pius VII).

Cardinal Manning, speaking in the name of the Pope, declared that the pope was "the supreme judge over the peasants in the field, over the prince on his throne, over the legislator who makes the laws."

"We declare and affirm, define and pronounce it to be necessary to salvation to every human creature, to be subject to the Roman Pontiff. (Note carefully that this obedience is to the Pope, not to God)

"It is the intention of the Pope to possess this country (America). In this intention he is aided by the Jesuits, all prelates, and priests". There you have it my Catholic friend, straight from the "horse's mouth".

I could go into detail about some of the bloody massacres decreed by the Catholic church against those they declared to be heretics. But it is not my intention to inflame anti-Catholic feelings in those who read this book, for there have been crimes committed against Catholics, by so-called Protestants. (Our atheistic critics love to point to these so-called religious wars, and show how
Christians have been responsible for much bloodletting. May I say, that regardless of who they were, or what they claimed to be, those who perpetrated these atrocities showed by their fruits that they were not Christian!

You may ask why I have written this criticism about the church that many of you adore?

I can assure you it was not for the sake of sensationalism. I do not covet your disfavor, or even your hatred. I love all Christians, whether they are "brainwashed" Judeo-Christians, Romans Catholics, Protestants, or some of the poorly taught brethren of my Identity faith. Jesus Christ died for all of you. He gave His body to be broken and defiled to save you from the result of your sins and disobedience.

He loved you enough to die in your place, the "just for the unjust", that He might bring us to God. We come to Him under no man's authority, other than of His Word.

Beloved, of whatever Christian religious profession you may be, this land of ours is in dire danger! Worse than anything most of you can possibly imagine, or which we have ever encountered in the past. I have seen the results of this Satanic hatred, for God's people, and I am not referring to those we call Jews. This personal knowledge is why I do not want Satan to seduce you in any way.

We cannot place our liberty in the hands of any man, Pope, International Jewish Banker, or head of a New World Order. Our King MUST be only Jesus the Christ. Our American watchword MUST be: "WE HAVE NO KING BUT JESUS!" and we MUST do more than give mere "lip service" to Him. It is to Him, and Him alone that we owe full allegiance.

The Kingdom Movement - Christian Identity!

I have spoken about some of the errors which have crept into the Roman Catholic and Judeo-Christian beliefs. It is only proper, that I take a close look at the Identity Movement, I adopted in 1980.

At this time I was a member of a Fundamentalist Baptist church. For twelve years I had worked as a well known "lay evangelist", speaking in some of the largest churches in the country, and welcome in schools such as Tennessee Temple, Bob Jones University and Pensacola Christian Academy. As a member of the American Opinion Speakers Bureau of the John Birch Society, and an evangelist, I had toured the country, speaking in all the states but Maine, five foreign countries, and over 3500 American communities, with the message that we MUST return in OBEDIENCE to God, before He could or would heal our land.

In 1980 I was a member of a Fundamentalist Baptist church on the Gulf Coast of Mississippi. I believed the doctrines of the Judeo-Christian church, that the Jews were God's Chosen people and must not be criticized in any way; the error that Christ did away with the Law when He died on Calvary; the error of the Rapture of the church, and that "inter-racial marriage" was approved by God, as long as both members were Christians, ala Dr. Billy Graham.

My mind was so encased in "hardened Baptist denominational cement", that it took a traumatic experience, which I call the "dynamite of God", to shatter this cement and cause me to look at the truth in God's Word. I learned the personal lesson of John 8:32 - "And ye shall know the truth, and the truth shall make you free." If any man would have told me that I was a slave to the "brainwashing" of Judeo-Christianity, I would have laughed in his face.

I thought I knew the TRUTH, but in reality I knew what my Bible School educated pastor said was TRUTH. He was sincere all right, but taught what he had been told was TRUTH in Bible School,
sometimes by Jewish professors, who were not even saved. I didn't realize it, but I was completely "brainwashed", as millions of Christians have been by the Jewish propaganda taught in our schools, the church, and by the media. Instead of listening to what our Savior taught in John 10:26, when He told the Jewish religious leaders: "But ye believe (Me) not, because ye are NOT OF MY SHEEP", which seems mighty plain to me now that I KNOW the truth, I accepted what my "brainwashed" pastor said, even though it contradicted my Savior.

During the Vietnam War I worked the College Lecture Circuit and came into sometimes violent contact with men such as Abbey Hoffman and Jerry Rubin, and their Communist Students for a Democratic Society (S.D.S.) which was tearing up our colleges, according to a blueprint which had been brought to the United States from Russia in 1937 and was taught at the Eugene Debs Labor School in Milwaukee. I was amazed to find that in 100% of the cases, the leaders of these radical groups were young Jews from wealthy families, usually their fathers were lawyers.

I became so intrigued with the Jewish attraction to Communism, that in the summer of 1980, I took off three months from a very busy schedule to try and find the reason. I went to Jewish sources for my answers, and was amazed that instead of denying this connection they reveled in it.

In the ASIAN MAGAZINE, March 1920, I read the following statement made by a Jewish leader: "In all Bolshevik institutions, the heads are Jewish. We look on Bolshevism as a Jewish affair. There is a great national fervor among Jews in the behalf of Communism; we believe that the promised time of victory for God's Elect (Jews) is now".

When Rabbi Stephen Wise, the top Jew in America was asked to comment on Communism, he said: "Some call it Communism; I say it's Judaism!"

The LONDON JEWISH CHRONICLE, Apr. 4, 1919 stated: "...there is much in the fact of Bolshevism, in the fact that the ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism".

The AMERICAN HEBREW, the largest Jewish newspaper in the United States, in the summer of 1919 had a front page edition which declared: "What we (Jews) did in Russia through Jewish brains and money power, we will accomplish in the United States". This was at the time when Stalin was in the process of murdering millions of Russian Christians, most often under the supervision of Jewish Commissars. (For confirmation read history of this period written before 1950 when Jewish censorship of the truth began to go into effect.)

The Jewish author Marcus Eli Ravage, writing in the Jan 1928 issue of CENTURY MAGAZINE, stated: "We Jews are at the bottom of nearly all your wars and revolutions; not only of the Russian revolution, but every major revolution in history. (Compare with Jesus' words in Matt.23:34,35) We did it solely with the irresistible might of our Jewish spirit; with ideas and propaganda" -

This statement reflects one made many years earlier in 1856, by a Rabbi Reichorn, top Rabbi in France, when at the funeral of another Rabbi he was quoted as saying: "Wars are the Jews harvests. With them we kill off Christians and gain control of their gold. We have already killed 100-million of them, and the end is not yet".

During this study period I was able to obtain eight books of the 63 volume Babylonian Talmud, which Jewish sources say is the "heart blood of Judaism". I was amazed and horrified at the hatred expressed there for Jesus Christ and all Christians and where we are consigned to spend eternity in hell, standing up to our necks in boiling excrement. These books constantly refer to our Savior an "illegitimate bastard born to a Jewish whore named Mary and conceived during menstruation".

By the end of the summer, studying from Jewish sources, history and the Scriptures, I was convinced that the people we call Jews cannot possibly be the Chosen People of the Bible, in spite of what my pastor said. I began to contrast what he said, with what my Savior said, as recorded in the Bible. In John 10:26, speaking to the Jewish leaders, He said: "But ye believe (Me) not; because ye are NOT OF MY SHEEP". This seemed mighty plain to me. Then as confirmation He went
further to say: "Ye (Jews) believe Me not, because ye are NOT OF MY SHEEP. My sheep hear My voice and follow Me..." In Matt 23:15 He accused the Pharisees of crossing sea and land to make converts, only to turn them into "two fold more children of hell than yourself", hardly Chosen People material. And the Apostle Paul, an Israelite; raised as a Jew, and before his conversion a Pharisee, said of them in 1 Thess. 2:15 - "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (the Christian church), and they please not God, and are contrary to all men".

In Matthew 24:33 and elsewhere, our Lord called the Jews a "generation bloodline) of serpents and vipers (poisonous snakes)", and asked the rhetorical question: "How can ye escape the damnation of hell?"

Yet when I went to my pastor with all this proof, he became furious, and when I finally told him that I MUST accept the testimony of my Savior, over what he taught, that was the end. Within two weeks he had spread the word across the State of Mississippi, that Jack Mohr was an apostate, to the this evaluation in vs 2 when he says: "much every way, for unto them were committed the oracles. (Utterances) of God". There is no scriptural record that these oracles were ever given to a people called Jews. There just aren't any, in spite of what Jewish apologists like Jack Van Impe, and Peter La Londe say to the contrary.

As I studied deeper I found over and over again where God had ordained "true Israel" to be a servant people, before they could "rule and reign with Him," (see Is. 41:8; 43:10; 48:20; Matt. 10:24; 12:18; 20-26, 27; Rev. 2:26, and 3:21). The Jews on the other hand teach that "When Messiah comes, every Jew will have 2,000 goyim (non-Jew animal) slaves." (Brother, sister, they are speaking of you and I). This is their present, oft repeated plan for their New World Order.

We have somewhat of a similar problem within the Identity Movement, where some misled folks have become RACIAL SUPREMISTS, teaching the false message that the ARYAN Race is superior to all and was ordained by God to rule the world. They are not taught the fact that it was only one small family of the ARYAN/ADAMIC race that was chosen by God. He did not pick them because of their mental superiority, or their goodness, but because of the OBEDIENCE and FAITHFULNESS of their Father Abraham. They were to rule, only as they first learned to serve. Most RACIAL SUPREMISTS, don't want to go through the "serving stage". Our King said very clearly in Matt. 23:11, 12 - "But he that is greatest among you shall be your servant, and whosoever shall exalt himself shall be abased; and he that humbleth him-self shall be exalted".

I'm not surprised by the action of the Jews, for they are angry at me, not for lying about them, but for telling the truth. This they cannot afford for our people to know. I am surprised by the reaction of Christian leaders, from whom I receive much more "flack". They are upset because I expose the hypocrisy of their "Jews chosen people" theory. I just can't understand supporting those enemies who are trying to destroy everything we stand for, although I did it in blindness for fifty years.

As early as 1289, the principle Rabbi of France, issued a Protocol to the Jews under his control. It said:

1 - Make of your sons merchants, that little by little we may despoil the Christians of their possessions;

2- Make of your sons doctors and apothecaries. So we may take away Christian lives;

3- Make of your sons clerics and canons, so we may destroy the Christian church from within;

4 - Arrange for your sons to become lawyers and judges, and see that they mix themselves in the affairs of state, in order that by putting Christians under our yoke, you may dominate the world, and be avenged on them. (This has been the Zionist Plan from
The naivete of the Christian world is reflected in the contemptuous statement made recently by a high ranking Israeli official, when he said: "We Jews have the best Congress money can buy!" and he is not far from wrong, for there are 70 out of 100 Senators, who continually vote the "straight Israeli ticket". In all honesty, the United States has been under Zionist control since 1913, when a Traitorous President and Congress handed the economic policy of this nation into the hands of the Federal Reservists. Many of you know that this organization is not Federal and is made up of eight privately owned banks, all owned and controlled by International Jewish bankers. These have rightfully said: "Give us control of the economics of a country, and we care not who makes her laws". We have become a ZOG (ZIONIST OCCUPIED GOVERNMENT), which is taking us at a gallop into the slavery of the One World Plantation.

In 1981, I joined a group of dedicated Christians, most of whom had come out from the Judeo-Christian churches and were looking for a God ordained means of saving America. 75 years ago, we would have been looked on as Patriotic heroes, to day under the urging of the Jewish controlled media, we are scorned as "right-wing-patriot-extremists; neo-Nazis; anti-Semitic hate mongers". Yet in spite of this, we are the only branch of Christianity who is willing to preach the "whole counsel of God's Word. We are clearly told in Jer. 23:22 that "If the preachers of Israel, had stood in God's counsel, and had caused His people to hear His words; then they should have turned from their wicked ways, and from the evil of their doing." Yet in America today, with 50-million "born again" Christians, we are headed for hell faster than at any time in our history. Could it be that the church has become the "salt" Jesus mentioned in Matt. 7:13, that has lost. it's "savor" (it's ability to act as salt and hold back corruption). The King says when this happens, it is good for nothing but the garbage heap.

My purpose in this book is to feed Christians with some "strong meat" to counter the "spiritual pablum" they receive. in their church.

My purpose in the remainder of this book is to discuss some of the aspects of Christianity which I believe are harming her overall message. Many of you will disagree with me, and some will even get angry with my analysis. I stand on what the Word teaches.

In this section of the book I am going to analyze some of the unusual aspects of Christian Identity which set us apart from Judeo-Christianity and Roman Catholicism.

**Judaizing the Faith!**

It appears to me that we are beginning to see a deliberate effort on the part of some who want to destroy the effectiveness of Identity by Judaizing it. They are doing the same thing the Jews did in Acts 15, when they infiltrated the Christian church in Antioch, teaching that a man had to be circumcised before he could be saved. This caused such a furor, that a Church Council meeting was called in Jerusalem in which the Apostle Peter told them: "Now why tempt ye God to put a yoke upon the neck of the believers which neither our fathers nor we were able to bear. But we believe that through the grace of the Lord Jesus Christ (not the act of circumcision) we shall be saved..."

This same idea is being carried to extremes in several areas of Christian Identity. I surmise that most of it has it's origin with the ASSEMBLY OF YAHWEH CHURCH, pastored by the Jew Jacob Myers from Pennsylvania. These people insist that folks in Christian Identity MUST use the old Hebrew names of YAHWEH and YASHUAH, when speaking of the Creator and His Son our Savior. Some of my best friends teach this, although for the life of me, I can't see where they get their Scriptural authority for it. I have no argument with the use of the old Hebrew words as long as they are not carried to excess, but when a man tells me: "The Almighty will not listen to your
prayers unless you address Him as Yahweh!" I have a tendency to laugh in his face. God has been hearing and answering my prayers for many years, and I have always addressed Him as God. I was saved in the name of His precious Son Jesus Christ, not by some Hebrew deity named Yashuah. Millions of Israelites have addressed Him as God, not "GAWD", as some Yahwites like to pronounce it, and have been blessed by His Son. If He was displeased with the use of these English names, I sincerely doubt He would have so blessed. I use them myself at times when I am with people who understand them, but I sincerely doubt that one Israelite in a thousand knows what you mean when you use these Hebrew words. I am in full agreement with the Apostle Paul when he says, 1 Cor. 14:9 -"So likewise ye, except ye utter by the tongue words easy to understand, how shall it be known what is spoken? for ye shall speak into the air... Therefore if I know not the meaning of the voice, I shall be unto him that speaketh a barbarian, and he that speaketh shall be a barbarian to me.

I understand that under God's New Covenant with Israel, she would have a new land, not in old Palestine, and a new language. I happen to believe this is English, universally understood by all the Israel nations of Christendom. I have no objection to you using the old Hebrew words, but please don't attempt to cram them down my throat, and break fellowship with me as some have, because I will not do as they desire.

I agree with the following from all article written by I. Preston Eby, titled HALLOWED BE THY NAME! I'm pretty much in agreement with what he writes about this subject:

Let's shine the light of God's truth on this matter, so that confusion and error may be dispelled. We speak of the Lord God; we speak of Jesus, our Savior and Lord - all are wonderful words that spring out of the depths of our hearts and speak volumes of the intimate love and reverence we have for our Heavenly Father and His most precious Son.

God's name is important! But must we, as some claim, use only the old Hebrew names when speaking of the Father and the Son? Is salvation, or true reverence based on a correct pronunciation of God's name in a certain language, or a certain set of sounds? (If so, the YAHWEHITES would rim into problems, for there is much discussion among them as to how these Hebrew words are to be written and pronounced -Mohr).

The notion that we must use the Hebrew spelling and pronunciation of God's name was not used in the early church, or by the great men of God down through Church history. Every great revival preached in modern times has been preached using the names of God and Jesus Christ. It was not until the late 1930's that proponents of this idea began to claim that it was a gross sin to say the name of Jesus Christ or God, in English, or any language other than Hebrew.

They said the correct use of these words is a pre-requisite for entry into God's Kingdom, although for the life of me, I can see no Scriptural backing for this premise. They claimed that the proper name for God was YAHWEH, and for His Son, our Savior, YASHUAH! They also say the word ELOHIM, must be used in the place of our English equivalent for God.

They say it is wrong to translate the names of Deity into English or any other language. In other words, we are free to read and discuss Scripture as translated into English, in all aspects except the names of God and His Son. This seems like childish thinking to me.

It's all right to say "Mary", when you talk about Christ's mother, although there are some in Identity who have gone so deep into this Hebrewization of Scripture that they use Hebrew names for all proper names. Ysrael instead of Israel; Yousef instead of Joseph; Yerusalem instead of Jerusalem. But then they say if we use the Anglicized word for God and His Son, it will deny us salvation, with no Scriptural backing. (One extremist group in the Mid-West, and I hesitate to call them Identity, have gone so far as to print the Ten Commandments in the frames of their eyeglasses, in an imitation of the phylacteries worn by the ancient Pharisees. Jesus mentions this in His condemnation of them in Matt. 23:5 "...they make broad their phylacteries, and enlarge the borders of their garments". This particular group insists that their men folks have blue fringes on their
shorts, as this was the color worn by the Levites in the tabernacle worship -Mohr)

Are Hebrew names the only one's acceptable to God? Is He insulted when we Anglicize them? He has shown no disapproval for almost 2,000 years. Why the sudden rush to return to the old names?

The word YAHWEH does not convey to us the same meaning that it did to the ancient Hebrews. We can be sure of that! When I heard it for the first time I was not impressed.

The word GOD has a much deeper meaning to me, as do the words ETERNAL and FATHER, and when I hear the word GOD, or when I even think the word, it brings to mind the Great Creator of the Universe. It means THE ALMIGHTY ONE! The Father of my Savior!

I can kneel in the presence of my Heavenly Father and say: "My Father, my God!" for as the Apostle Paul said in Romans 8:14 - "For as many as are led by the Spirit of God, they are the sons of God. For we have not received the spirit of fear; but ye have received the Spirit of adoption, whereby we can cry ABBA FATHER! (My Father!)". I just don't get this feeling of exaltation when I say YAHWEH! - MOHR

When I pray "My Father and my God, I pray with a depth of emotion that would be missing if I prayed "Yahweh, my Elohim!". Something deep and personal would be missing!

I do not find fault with those who prefer to use the old Hebrew words, but if your mind works like mine, the English terms express more deeply my feeling than some long dead language. What was appropriate for Moses, as far as language is concerned may not be appropriate now, thousands of years later.

There are actually three basic assumptions behind the use of the Sacred Name idea. The first is that Hebrew is God's language; that it is especially special and holy. The second is that the New Testament was written in Hebrew and Aramic and that the originals were not contaminated by Greecian paganism. The final assumption (the act of taking something for granted), is that the correct pronunciation of YHWH has not been lost in the mists of time, although as I mentioned there is much argument about the correct spelling and pronunciation.

Most Yahwites believe that Hebrew is a special language, the language of God, although as I mentioned Israel was promised a new language. These people believe it is a sin to translate God's name into other languages, for they say "This paganizes it!"

Yet Isaiah called Hebrew the language of Canaan and in Isaiah 19:18 said: "In that day shall five nations in the land of Egypt speak the language of Canaan and swear to YAHWEH of hosts".

(What is the meaning of the phrase, "in that day?" It is speaking of the day when "there shall be an altar to the Lord in the midst of the land of Egypt and a pillar at the border thereof". Some Bible scholars believe this refers to the Great Pyramid at Giza, Egypt, which they believe was built by Enoch before the flood - MOHR).

Hebrew was called the language of Canaan, because with only minor dialectical changes, it was spoken in Phonecia, Tyre, Sidon, Gegal, and by the Canaanites in the land of Canaan itself, as well as by other nations living in this area. The Moabites living east of the Dead Sea understood it without the need of interpreters.

You can see by reading your Bible that from the beginning of Israel's conquest of Canaan, there was never a problem of communications with the "cursed inhabitants of the land".

One of the common Hebrew words in the Old Testament, representing God, was FL. This name was in use by the pagan Canaanites long before Moses penned the words in his Penteteuch. (The first five books of the Old Testament -Mohr).

In cuneiform tablets found at Ras Shamra, an ancient Canaanite city north of Israel, "EL the bull", was described as the "head of the pantheon of gods worshiped by these pagan people".

If it is a sin for Christian Israelites to use the name of GOD and JESUS, because these names had
been used by heathen. Then in like manner it would be a sin to use the word ELOHIM, since this word is used 240 times in the Old Testament referring to pagan, heathen idols.

This usage by the Holy Spirit Himself shows us that it is just as permissible to use the English words GOD and JESUS for both our Heavenly Father and His Son, even though they may have been used for heathen purposes. It is the meaning that is important, not the language, spelling, or pronunciation.

The Holy Name avoidance of the word LORD is very curious, since the Old Testament, which Yahwites use in preference to the New, calls YAHWEH LORD on several occasions. In Ezekiel 2:4 the words YAHWEH and ADONAI (LORD) are used together to form one name, the title LORD YAHWEH! Since the Old Testament uses the word EL for GOD, and ADONAI for LORD, and these words are of human origin and ancient, and were used by pagans, how can it be wrong to use the English equivalent today? The words GOD and LORD are full of meaning to English speaking people whereas the Hebrew words are not.

Sacred Name believers cite Hosea 2:16,17, as proof that it is an abomination to use the word LORD: "And it shall be at that day, saith the LORD, that thou shalt call me ISHI; and shall no more call me BAALI (my LORD). For I will take away the name of Baalim out of her (Israel's) mouth, and they shall no more be remembered by their name". This passage clearly states that in that day the Lord's people no longer call Him "Baal", they call Him "Ishi". Yet I have never heard a Yawhite call God ISHI. Those who insist we use the words YAHWEH and YASHUA do not use the word ISHI. They do not pray to ISHI, or heal the sick in the name of ISHI. This is an intimate Hebrew word which could have been translated HUSBAND. BAAL in English is not LORD, it is BAAL. In Hebrew, this name has many compound meanings and the fact that none of 3 these compound forms of BAAL, used by Israel in their heathen worship are used by us today, is proof that God did exactly what He said He would do. "He has taken the names of BAALIM out of our mouths."

Though the past majority of the Old Testament was inspired in the Hebrew language, Daniel and Ezra wrote portions of their books in Aramic or Syriac, which was the prevalent language of the Persian Empire at that time. It had replaced Hebrew as the common language of the Jews. When these men referred to the Creator in the Aramic passages, did they use the old Hebrew words, or translate them into Aramic? Nowhere in the Aramic passages can you find the Hebrew word YAHWEH used. Those who have examined the old passages say that in dozens of places the name GOD was translated from YAHWEH into ELAH, which is proof, I believe, that the Holy Spirit approves translation of the Hebrew words into languages being presently spoken by the Israelite people.

The original inspired language of the New Testament was Greek. It was the universal language at the time of Christ, much as English is today in the countries of Christendom. It was understood both by Jews, and those they called Gentiles.

When Paul wrote to those Christians who spoke Greek, he did not pause in mid-sentence to switch from Greek to Hebrew and write YAHWEH or YASHUAH. He invariably used the Greek word for GOD, THEOS, and the word for LORD, KURIOS. He used the Greek name for Jesus IESOUS. And so did the other writers of the New Testament. In 665 places in the New Testament, the apostles translated the Hebrew word YHWH into the Greek KURIOS. You cannot find one New Testament Greek manuscript with the names of God written in Hebrew.

In the face of these FACTS, the Sacred Name proponents have no choice but to deny that the New Testament was originally written in Greek. They assert - wrongly - that the whole of the New Testament was originally written in Aramic; some even say in Hebrew, and that it was later translated into Greek. At the time of this alleged translation, they claim, the Hebrew words for God and Jesus were translated into Greek. The only copies of the New Testament available today are all in Greek.

Furthermore, there is no doubt that the Greek of the New Testament is inspired of God, for it is
perfect in every way, including numerically. Therefore when the Greek word KURIOS is used in the New Testament, quoting from the Old, it demonstrates that without a doubt it is perfectly right and proper to translate the names and titles of God from one language to another. (I do not have room to go into detail regarding numerical inspiration, which is most interesting Mohr).

I contend that the name of the Heavenly Father and His Son, our Savior is far more important in it's meaning to us, than in how it is spelled or pronounced.

It is difficult for me to understand Sacred Name people who insist we MUST use the old Hebrew names, or they will break fellowship with us, yet I have seen it happen. Some go to the extremes of saying that if you don't agree with them and "practice what they preach", you will be left out of the Kingdom. They have no Scripture to fall back on for this teaching, but it has unfortunately become a divisive weapon used by the enemy against Christian Identity.

**Which Day Shall We Worship!**

Another issue has entered Identity that is causing much more "heat" than "light". This is the issue of "Which day is the Sabbath?" Does it really matter whether we worship God on the Jewish Sabbath of Saturday or on the Lord's Day of Sunday? Some in Identity even make this an issue of salvation, although I can find nothing in the Book that backs this up. We are not saved by what day we worship on, or the name we use when speaking of or to God.

My personal opinion which unfortunately may step on some Identity toes, is that this issue is another subtle attempt by the enemy to "drive a wedge" into our ranks and thus weaken us for the fight that lies ahead. These Judaizers have been extremely successful in their efforts to Judaize the JudeoChristian church, and other branches of Christianity.

Much of the reasoning I will use was taken from Dr. Howard Rand, of Destiny Publishing Company, who in my opinion was the "prince of Identity preachers".

If you are honest in your evaluation of his reasoning, you will see the "bankruptcy" of those who hold to the Sabbatarian contention that Sunday worship violates the 4th Commandment: "Remember the Sabbath day, and keep it holy!"

In a pamphlet titled THE LORD'S DAY - THE CHRISTIAN SABBATH!, Dr. Rand states: "It is confirmed that the week of Joshua's long day was a period of 168 hours. That is seven days times 24 hours, therefore a complete week according to hourly reckonings. The first day of the week following would then have become the seventh, computed by sunsets, in an even order of weeks unbroken from Eden.

"It is also evident that if Eden's geographical site could be located, with succeeding days of the week whole, moving east or west from that site would place the traveler out of step with the order of days at the point of departure.

"The entire concept of the Sabbatarians collapses when the Fourth Commandment is analyzed and its required observance fully recognized. They imply, or actually add three words to this verse to sustain their position; words which would abrogate correctly the observing requirements of the Fourth Commandment. These words are OF THE WEEK, which cannot be found in any translation of the Bible, and were never given as instructions for complying with the terms of this Commandment.

"The mutilation of the Word of the Lord is a very serious offense as well as contributing to factors in today's increasing Sabbath desecration. It would be well for these folks to follow Solomon's advice in Proverbs 30:6- "Add thou not unto God's words, lest He reprove thee, and thou be found a liar".
We have every reason to believe, that from the beginning of time, before the world's were formed, God in His omniscience, knew what would happen down through the ages. He timed His historical clock so that it would be in synchronization with important historical events. Which is something our finite minds cannot comprehend.

The idea is so vast and complicated that we turn away from the thought that before Jesus rose from the tomb of Joseph of Arimathea in that Jerusalem garden, God had moved to memorialize that day, which the Christian world now calls Easter. (Because the Jewish influence in America has turned it into a day of "money making", where instead of honoring the risen Savior they give homage to a rabbit that lays colored eggs, and because at one time this was a heathen holiday some in Identity say Christians should not observe it, even though it is the most important day in world's history. I find this a bit difficult to accept).

Without the resurrection, Christ's death on the cross would have no meaning, and as the Apostle Paul said in 1 Corinthians 15:19,20 - "If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead and become the first fruits of them that sleep". God brought that Resurrection Day into harmony and synchronization with the Sabbatical count and order of sevens, and by His Holy Spirit, sanctified this day as the Sabbath of the Christian world.

It is difficult for the most brilliant mind to comprehend that all of the countless heavenly bodies move according to the Divine Plan and purpose of God, and that there is a definite life span, set up by God, for both heaven and earth.

Isaiah tells us that the hosts of heaven, the countless planets, shall one day be dissolved, and the heavens will be "rolled back like a scroll", (Is. 34:4). This will occur when God in His righteous anger, rises up to defeat and destroy the Anti-Christ and his armies, (see Is. 34:2,3). The Apostle Peter mentions this in 2 Peter 3:10, and John emphasizes it in Rev. 6:14.

The schedule of these events were set in motion before this world was created.

One historical date that casts the lie on Sabbath worship was the incident recorded in Joshua 10:11, which has become known as "Joshua's long day". This was the day God cast down great stones from heaven on Israel's enemies, so that more died from the stones, than from the swords of the Israelites. This incident took place when a mighty confederation of the Ammonites came against Israel at Gibea, and Joshua called on God for help.

God's answer was to send an astronomical storm against the enemy. (This is predicted to happen again, in God's end time battle against the anti-Christ in Rev. 16:21). Consider this for a moment, in connection with the movement of the planets. Thousands of years before this event took place, God's plans were put into operation for this act to succor His people. The very thought takes your breath away.

These were no ordinary hailstones, and I have seen them in the Dakotas as large as baseballs, which would knock a steer or a man senseless if they were not under cover. This was no doubt a shower of meteorites, which indicated that the earth's path had been crossed by a celestial visitor, from which fragments of these stones came. It is even more phenomenal when we realize that these meteorites fell only on the Ammonites, they did not hit Israel who was on the same battlefield.

It evidently exerted such a tremendous influence on the earth, that this planet actually "turned over" and produced an unnaturally long day. The Bible says in Joshua 10:14 -"And there was not a day like that before or since".

Joshua did not want the enemy to escape under cover of darkness so he prayed to God and ordered the sun to stand still until the battle was over. In vs 13 we read: "And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. Is it not written in the
book of Jasher, 'So the sun stood still in the midst of heaven, and hasted not to go down for ABOUT a whole day'"

The word ABOUT is very important in this verse as we shall see. There are no doubt some skeptics who read this book who will sneeringly say: "That story is nothing but a Jewish fable". But it couldn't be Jewish, for there were no people anywhere on earth at this time known as Jews, and this event has been proven by modern science.

Our modern Space Program has proven that this so-called "long day" actually took place, somewhere in the dim past. Harold Hill, President of the Curtis Engine Company of Baltimore and a consultant for the Space Program relates the following incident that took place a few years ago: "I think one of the most interesting things God has for us today happened to our astronauts and scientists at Greenbelt, Maryland", he said. "They were checking the position of the sun, moon and planets in outer space, where they would be 100,000 years from now. They must know this so that we don't send a satellite up and in terms of the life of the satellite and where the planets will be so the whole thing doesn't come down."

"They ran the computer measurement back and forth, over the centuries and it came to a halt. The computer stopped and sent up a "red signal" which meant something was wrong, either with the information being fed into it, or the machine itself. They called the Service Department who checked the computer and said: 'Everything's okay. It's running as it should'. The I.B.M. Head of Operations said: 'What's wrong?' and they said: 'Well we have found a whole day missing in space in lapsed time.' They could not come up with an answer. Then a man on the crew who was a Christian said: 'I remember a Bible story about a man named Joshua, who commanded the sun to stand still for a day, and God allowed it to happen'. They said: 'We don't believe that'. So he opened his Bible to the book of Joshua and showed them where it said so. The technicians said: 'There's our missing and fed the info into the computer. The "red light" still remained on, and they said the computer says it's close but not close enough. We are still missing 40 minutes, so they read Joshua 10:12, 13 again and Lo and behold it said: "The sun stood still for ABOUT one day."

They were confused as to what happened to the other forty minutes. Then this Christian fellow remembered another Bible story in 2 Kings 20, about a King named Hezekiah who thought he was dying. God's prophet told him he would live and he asked for a sign from God. The prophet said should the shadow on your sun dial advance ten degrees and the king said, that would not be unusual, have it back up. So this is what happened. Ten degrees is 40 minutes in our time. So there in God's Word, you have an account of this lost day; 23 hours and 20 minutes in Joshua 10, and forty minutes in 2 Kings 20. Our Lord really rubbed the nose of the skeptics in this chapter.

An even mightier plan that began before the worlds were formed, was God's plan for the redemption of His people. Do you really believe that at the beginning of time, that an omniscient (all knowing) God would neglect to provide the physical details for this mighty event to take place on a specific day? Did God fail in His plan to have His Son's resurrection take place on a certain day of the week, and make sure His followers who were called Christians, would worship on that day, and would not be violating His 4th Commandment? Our God does not make mistakes like that!

Before we go any further, and to avoid misunderstanding, I believe the 4th Commandment MUST be obeyed by Christians, as MUST all the Laws contained in the Commandments and Statutes. Our salvation does not depend on this, but most surely our spiritual welfare does. But I believe that over zealous men, operating under their own self-will, and for their own interests, will "twist God's Word", to try and make it conform to what they teach, which may very well be not what is taught in the Bible.

As I write this, I have before me a pamphlet written by a so-called Identity preacher, in which he rather boastingly states: "We (his special following) observe all the 759 Biblical Common Laws as our way of life. (According to the Apostle Peter, in Acts 15:10, this is impossible). If the priests and ministers were practicing the Law themselves, they would be teaching the Law and it's penalties
and benefits. Instead they teach GRACE, (since this is the only means of salvation; it does not come by trying to keep an un-keepable Law Mohr)

RELIGION, PHILOSOPHY, and CRIME, all in the name of Jesus, as He foretold in Matt. 24:4,5." Only Christ never spoke about the Law in this scripture. He did warn His followers "...take heed that no man deceive you. For many shall come in my name, saying I am Christ; and shall deceive many". Any man or woman who teaches outside the saving GRACE of Jesus Christ, is an anti-Christ deceiver. If I was a betting man, which I'm not, I'd wager that this Identity leader and his followers do not keep all the 759 Mosaic Laws, for it is impossible for the natural man or woman to keep them. They were a "schoolmaster to bring us to Christ", as Paul points out in Gal 3:24,25. When we look at these 759 laws, we KNOW it is impossible for us to keep them, and knowing that disobedience brings death. ("The soul that sinneth it shall die", and "sin is the transgression of the Law", 1 John 3:4), we scurry to find a way out of our fatal predicament. This bring us face to face with the only way to salvation, which is through GRACE of Jesus Christ, as Peter stated in Acts 4:12 - "Neither is there salvation in any other (or through any other); for there is none other name under heaven given among men, whereby we MUST (or can be) saved!"

You don't have a choice. It's either God's way through Jesus Christ, or eternal disaster. In Acts fifteen we find the Apostles rebuffing those who were trying to Judaize the early church. Jesus had criticized the Pharisees for this same kind of religious narrowness in Matt. 23:4, when He said - "For they (the Pharisees) bind heavy burdens, and grievances to be borne, and lay them on men's shoulders; but they themselves will not move them with one of their fingers".

The Apostle James, who evidently headed this church council, went on to state that they were not to trouble the "Gentiles", (the "gentilized" Israelite Christians, in Asia.

I have noticed that almost without fail, when a religious leader attempts to twist the Word around, and lay unnecessary burdens on the shoulders of his people, it is done as a means of controlling them. A good example was the tragedy of Jim Jones in Gayana.

These "gentiles" in Asia Minor were Israelites who had been called out of the obscurity of Assyrian captivity where they had lost their Identity and were now known by the Jews as Gentiles. Today, the Jews call us "goyim", which is a Yiddish word of contempt meaning: "Non-Jew animal".

A delegation headed by Judas (not Iscariot) and Silas, men who had put their life on the line for Jesus Christ, were sent to Asia Minor with a message which said: "For it seemed good to the Holy Spirit and to us, to lay upon you no greater burden than these necessary things," and he outlined some things the Council believed were necessary. Read about them in Acts 15.

There is no doubt that many of the laws followed by the people in Judea at the time of Christ, had not come from Moses or God, but had been imposed on them by the Edomite Pharisees, again for the purpose of controlling them. In Rev. 2:6 and 15, we read "Thou hast hated the doctrine of the Nicolaitans, which also I hate." The word in Greek means "to control the people", and I believe was a warning of the Catholic priesthood which was to come shortly thereafter. Dr. Rand maintained, and I most certainly agree that contrary to the Sabbatarian opposition, Christian worship on Sunday was programmed by God from the very beginning, as the "Lord's Special Day", and worship of God on that day is not a violation of His 4th Commandment.

The Sabbatariaris love to argue that it was the Roman Catholic church who decreed that Sunday was to be the Christian Sabbath, and that prior to the time of Emperor Constantine (306-377 A.D.) the church worshiped on Saturday. Yet an early church father, Justin the Martyr, who lived 150 years before the time of Constantine and who was well known as a Christian apologist, wrote his famous APOLOGY FOR THE CHRISTIANS in A.D. 140. In this work, this learned church leader sets for the fact that Sunday was the Christian Sabbath, He said: "On Sunday we held our joint meeting, for the first day is that on which having removed darkness and made the world, Jesus Christ rose from the dead".
It is false to say that Sunday worship was first instituted by the Roman Catholic church. The Apostle John died about A.D. 100, 50 it was within 40 years of his death, that we find Christians worshiping on Sunday and believe it was practiced while John was still alive. Remember his account in Rev. 1:10, when he received his revelation from God. He said: "I was in the spirit on the Lord's Day!"

The Sabbatarians say that Sunday was the day the heathen worshiped the Son, but are careful not to tell us that Saturday was the day when the heathen worshiped SATURN, the Hebrew STUR, the Babylonian SATUR, and the Roman SAT-URN.

Why should Christians relinquish the Christian Sabbath, the Lord's Day on which our Savior rose from the dead, in favor of the Jewish Saturday Sabbath which occurs on the day honoring the god Saturn?

While it is true that the Roman Catholic church confirmed the Christian Sabbath as being on Sunday, it merely confirmed what had been practiced for over a hundred years.

God gave Isaiah a guide to follow in Sabbath worship in Isaiah 58:13, 14, which I have seen followed by few Sabbatarians, other Identity people, or by Judeo Christians for that matter. While most Judeo Christians boast about being New Testament Christians, who aren't required to obey God's Law, these words of Isaiah were written to both Old and New Testament believers: "If thou turn thy foot from the Sabbath, from doing thy pleasure on My holy day; and call the Sabbath a delight, the holy of the Lord, honorable: and shall honor Him, not doing thine own pleasure, nor speaking thine own words; Then shall thou delight thyself in the Lord, and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob (Israel) thy father; for the mouth of the Lord hath spoken it".

My foster parents came the closest to keeping this verse of any Christians I have ever known. I guess you would have called them Judeo-Christians. They belonged to the old Evangelical Church, before it joined with the Methodists. My father was a farmer, and many a time I have seen him allow new mown hay lay in the field over Sunday, and get rained oh, rather than hauling it into the barn as most local church members were doing. On Sunday we did only the minimum of chores necessary on the farm, such as feeding the stock and milking the cows. Mother did her baking and most of the Sunday cooking on Saturday, and only a few chores on Sunday. We went to church twice on Sunday, often driving four miles in a buggy, or during the winter on a horse drawn sleigh. I was not allowed to play baseball or go swimming with the other church children, and fishing was out of the question. Of course I resented it, but looking back can see where it was a great lesson in proper Sabbath worship. The majority of Christians today, go to church and "fizz for an hour or so" on Sunday morning, then go home to a big meal, and an afternoon of "doing there own thing". It might be sleeping, mowing the lawn, washing the car, going fishing, or watching a ball game on TV. Everything but honoring God! And we wonder why we are not being blessed!

With the exception of the Greek Christians, who were mostly Israelites although they, as many today did not know it, were hindered in the beginning by their Judaic background. Not that Christianity was Jewish by any stretch of the imagination, for it did not come from this sordid source, and Jesus repudiated the very idea. But they were taught erroneously then, as they are now, that Jesus was a Jew and they often failed to detach Christ completely from the Cabalist religion of Talmudic Judaism. The early church, like the Judeo-Christian church of 1999, was endangered by Jews who deliberately infiltrated the church with the idea of destroying it from within. This caused the Apostle Paul to warn Christians in Asia Minor, in Titus 1:10 - about "many unruly, and vain talkers, especially they of the circumcision (Jews), whose mouths must be stopped, because they subvert whole families, for the sake of making money. (Tel-evangelists please take note!)

When the Pilgrim Fathers landed in America, Sunday was strictly considered the Lord's Day, and was strictly observed until the middle of the nineteenth century. Most businesses and stores closed
on this day, and events such as elections were never held.

God blessed the observance of the Sunday Sabbath among His Israel people for almost 2,000 years now. Why should we suddenly go back to the "weak and beggardly elements" of the Jewish Sabbath? Why should we allow God's enemies to dictate to His people the day oh which we MUST worship?

The Seed of Satan
The Doctrine of Two Seedlines!

Probably the most divisive teaching in Identity, and the one which has distanced us the most from other Christians, is that of the TWO SEEDLINES. What makes this subject particularly difficult to deal with is that there are TWO LITERAL SEED-LINES in the world, which MUST be dealt with from a strictly Scriptural context if we are to know the TRUTH.

This controversy revolved around an understanding of Genesis 3:15, which follows the account of the "serpent (adversary) after he has seduced Mother Eve into disobeying God's Law, and is confronted by God Himself with these words: "I will put enmity between thee and the woman, and between thy seed (offspring) and her seed; it shall bruise thy head, and thou shall bruise his heel".

Those in Identity circles who are known as SEEDLINERS, adhere to the heathen philosophy, actually taught in the Jewish Talmud, that the "original sin of mankind", began when Mother Eve was sexually seduced by the arch-demon Satan himself, and that her son from this unholy union was Cain, who was actually a physical "son of Satan" and that Cain became the physical father, of the anti-Christ's we today know as Jews. Their pet Scripture is John 8:44, where in speaking to the Jewish authorities Jesus told them: "Ye are of your father the devil, and the lust of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no in him. When he speaketh a lie, he speaketh of his own; for he is a liar and the father of it".

This teaching has its beginning in Jewish mythology that states that while Mother Eve was being seduced by Satan, whom she thought was God; Adam was having a sexual affair with Satan's beautiful demon mistress Lilith. Of course you will find no account of this anywhere in the Bible. That Adam and Eve were guilty of the same act of disobedience is a given", as Gen. 3:6 says that "...when the woman (Eve) saw that the tree was good for food, and that it was pleasant to the eyes, and a tree desired to make one wise, she took of the fruit and did eat, and gave also unto her husband and he did eat." They partook of the same sin, whatever it may have been. If Eve's sin was sexual, so was Adam's for he partook of the same fruit.

The question we MUST resolve is: "What was Eve's sin other than disobedience of God?"

It is not my purpose here to poke fun at or belittle those who teach this theory. I do not wish to show disrespect towards those who believe this. My purpose is to show you what God's Word really teaches, and then let your God given intelligence, with the help of His Holy Spirit, lead you to the truth. The purpose of this part of the book is not to prove my contention, but to clarify your mind as to what the Book teaches. Some brilliant minds have written long and sometime mind confusing books to prove this theory, but I'm not interested in what man believes, or wants to believe, but in "What saith the Scripture?"

The main argument of the SEEDLINERS is that God is speaking to Satan in Gen 3:15, although no where is he identified as such. Gen. 3 calls him a "serpent", (small "S") It refers to him as a "beast of the field". Nowhere is he called Satan or the devil. Those who follow this doctrine are inclined to be the most divisive in the Identity ranks, and many will break fellowship with you, if you do not believe as they do. I have lost many friends and supporters over this issue alone.
If you will read God's condemnation of the "serpent", whoever he may have been, in Gen. 3:14, you will notice that he said: "...because thou hast done this thing, (caused Adam and Eve to disobey God), thou art cursed above all cattle, and beasts of the field: (Notice how once again God classifies this adversary as being of the "beast order"), upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life". There is absolutely no indication that God is speaking to some super-natural being, for he speaks and addresses him as a common animal.

I know of no place in Scripture, where the arch-angel Satan is ever indicated as going about on his belly, eating dust. In many places he is pictured as a powerful being, not a humbled one. (See Job 1:6,7; 1 Peter 5:8).

The word SERPENT, as used here, comes from the Greek NACHASH, which simply means "a snake from it's hiss". If the word had referred to Satan, it would have been capitalized.

The word SEED, as used in Gen. 3:15 is the Hebrew ZERA, which has many meanings: "fruit; plant; seed time; posterity; carnally; sowing time". So it can easily refer to "children" or "posterity", and I believe that it is it's meaning here. The same word is used for the "seed of the serpent", as is used for the "seed of the woman", so evidently has the same meaning.

There is absolutely no indication here that the Scripture is speaking racially.

Just as today, no one can say with absolute certainty: "I am of the seed of Abraham," for all old records have been destroyed. So no one can say "The seed of the serpent refers to the Jews, the Cannanites, the Khazars, or the Edomites".

When SEEDLINERS indicate that Gen 3:15 means that Satan would have literal physical children like those of Eve, they are assuming, since there is no Scripture which so indicates.

To say that Eve was to have "literal seed", culminating in Jesus Christ who would ultimately crush Satan's head, does not infer that Satan would also have "literal children who would be the Jewish people", who would fight against the children of Eve. There is no justification for this theory other than by twisting Scriptures and taking them out of context to say something they do not mean.

Already some of my readers will be mad at me for telling the truth!

SEEDLINERS say that a careful study of the first six verses in Gen 3 will identify the act committed by our original White parents, which has caused the world to turn from the perfection of Gen 1:31, to the corruption of Gen. 6:5, 12.

But the fact stands out clearly, that the alienation between God and His FORMED beings, came through DISOBEDIENCE, not some sexual act with a super-angel.

While Adam had been told by God in Gen. 2:17, that he could eat freely from all the trees in the Garden; God placed a restriction oh Adam and Eve, which said: "Hands off the Tree of the Knowledge of Good and Evil, for in the day ye eat of it, ye shall surely die!"

We can be sure that Adam had passed this warning on to Eve, since she told the "tempter" of this in verse 3. It was Eve who added the bit about "touching it".

SEEDLINERS surmise that the trees in the Garden of Eden, were not really trees, since trees cannot discern between good and evil. Yet nothing in this scripture indicates that these trees were supposed to do any discerning. The word TREE, as used here is the Hebrew word ETS, which means "TREE". There is no indication of any kind that it might refer to a "person", or a being of any kind such as a "serpent", or Satan. They also believe that these trees could speak, although I find no Scripture indicating such action.

I freely admit that Eve's adversary, whoever he may have been, and I'm inclined to believe he might have been one of the Pre-Adamite men who helped Adam care for the Garden. It is very doubtful that it was a snake as we know it today.

James E. Wise, in his book THE SEED OF THE SERPENT, mentions that the Apostle Paul uses
"race", and trees, when he speaks about the Gentiles (non-Jewish races) in Romans 11:27. Here he refers to the Gentiles as a wild olive tree. Then in Gal. 3:13, he quotes from the Old Testament:

"Curseth is everyone who hangeth on a tree", (quoting from Deut. 21:23). Here the word for TREE is XULON meaning: "timber; by implication a stick; club; a tree". But in James 3:12, where the Apostle asks the question: Can a fig tree bear olive berries?" The word for TREE is SUKE, which simply means a fig tree". The word TREE has three different meanings in the Old Testament and five in the New, but none of them refers to "races or people."

In Ezekiel 31:3, where the Assyrians were described as a "cedar in Lebanon", it did not have a racial or a national meaning, but was merely a means of comparing greatness.

In Jeremiah 11:19, these words were not written about Jesus, as Wise contends, but are about Jeremiah himself, see vs. 21 for an explanation. The word TREE as used here was merely a "figure of speech".

In Matt. 3:10 and Luke 3:9, where reference is made to the axe being "laid to the root", of the tree, the word used was the Greek DEDRON, which means; "an oak; a tree", once again a "figure of speech".

Wise makes some positive statements in his book which cannot be backed by Scripture, and which therefore have no merit. He says: "Therefore, because of the explanation he has given) that which was called the 'Tree of the Knowledge of Good and Evil' was the devil; in other places called Belial."

But the idea that Satan sexually seduced Eve in the Garden, while it may fit a warped theological concept, does not conform to what Scripture says.

Wise mentions other TREES in the Garden and says: "In Gen 2:9, God mentions the stationary trees, pecan, peach, apricot, etc.," (I don't for the life of me know what translation he uses, for the King James Version, and all I know of, say nothing about these kind of trees Even the proverbial apple tree, is not mentioned.) If Wise assumes that these trees were in the Garden, when they aren't mentioned, could it be that he also assumes, when he says Satan was there too? Once a man begins to "assume", he can never stop, and he can't be believed! He is actually being "intellectually dishonest"; a malady many Judeo-Christian pastors suffer from.

There may be some basis for his belief in Ezekiel 28: 13, here the Prophet speaks to a man who is identified as the "Prince of Tyrus", (vs 2). Many Bible scholars believe he is also speaking of Satan, when he says in vs. 13- "Thou hast been in, Eden the garden of the Lord... Thou art the anointed cherub". But nowhere is he identified as being Satan.

When Wise arrives at the "Tree of Life, and the Tree of the Knowledge of God and Evil" he indicates that instead of being TREES, as the Word states, they were actual personalities of some sort.

He keeps supposing as he develops his Jewish "fairy tale". "Eve looked from one tree to the other," he said, "and was captivated by the beauty of the Tree of the Knowledge of Good and Evil and repulsed by the Tree of Life..." The Bible says "when the woman (Eve), saw that the TREE was good for FOOD, and that it was PLEASANT to the eyes, and a TREE desired to make one WISE; she took of the FRUIT, and did EAT, and gave to her husband with her, and he did EAT," (Emphasis mine - Mohr).

Wise attempts to explain that when Eve looked at the Tree of Life, which represents the Messiah, she saw Him, as spoken of in Isaiah 53:2 - "He had no form or comeliness, and when we see Him, there is no beauty that we should desire Him". So she chose the beauty of Satan, over the marred form of the Savior.

He furthers his "pipe dream" by stating that the "Tree of the Knowledge of Good and Evil" had been in the Garden from the beginning, quoting Ezekiel 12:12-15 to prove this.
Although these verses are addressed to the King of Tyre, see vs 2, there are some things about it which make it appear that the "man" or "being", who is addressed is a "super-natural" being of some sort, although he is not identified as Satan, nor is it hinted that he might be Satan. One must allow their imagination to "run amok", to come up with this idea.

It appears that this "being" had been in heaven, God's abode, and that he had been a powerful being until he revolted against God and got "booted out". Jesus said in Luke 10:18 - "I beheld Satan as lightning fall from heaven". But he is still not identified as Satan in the Ezekiel passage.

So Wise, as many other SEEDLINERS do, takes a verse here and there, and assumes that since Scripture doesn't say other-wise, that when Eve looked at the two TREES in the Garden, she picked the SATAN TREE because of the characteristics the serpent said it had. FOOD, GOOD LOOKS, and WISDOM.

I have no argument with Wise, when he refers to Jesus as being the Tree of Life, since He is the only One who can bring spiritually dead people back to life. But to say that Eve turned away from the Savior who had been so marred by torture, that He could not be recognized, millenniums before this event took place, is really stretching the imagination.

Wise indicates that up to this point Eve alone had partook of the Forbidden Fruit, which he has not Scripturally defined. He says that shortly thereafter, no indication of how long, she gave of the FRUIT to Adam, and he did eat. The Scriptural account indicates that they both committed the same sin of disobedience at the same time: (Gen 3:6) - "she took of the FRUIT and did EAT, and gave also to her husband with her, and he did EAT". This indicates to me that Adam was with Eve when she disobeyed God and then talked him into sinning also. 1 Timothy 2:14 indicates that "Adam was not deceived, but the woman being deceived was in the transgression". In other words, Adam knew exactly what he was doing when he sinned, while Eve had sinned through deception by the adversary. Wise implies here that Eve's disobedience was through a sinful sexual act, that changed Adam and Eve from "sinless purity" to where they were "ashamed of their nakedness".

He makes this very positive statement which cannot be found in the Scriptures: "A careful study of Scripture will definitely prove that the sin (original sin) of our first parents was a sexual sin, and that Eve became a 'fallen woman' after she partook of the Forbidden Fruit". I refuse to believe that our Savior came from a BLOODLINE that had been contaminated by adultery. It could not be and I will defend His pure bloodline against all comers. Identity or not!

When God told His people to be "fruitful and multiply and replenish the earth", babies were riot found under "cabbage leaves". I'm convinced that if the sexual act had been sinful in itself, as Wise infers, that God would have warned Adam and Eve against it. There is no indication that He did. This is not the manner in which the God of the Bible operates. It may fit the Talmudic concept of God, but not the Holy GOD of Scriptures.

Wise compounds his error by saying that the sorrows Eve would face in childbearing, was a sign of the "sexual nature of her sin". If this is true, why wasn't Adam punished in like manner, as he committed the same sin and partook of the same FRUIT. Does Wise want us to believe that Adam had a homosexual relation with Satan?

Both of them partook of the death penalty. That began the moment they disobeyed. But Adam was condemned to "live by the sweat of his brow".

When the Apostle Paul admonished the church at Corinth not to become partaker in Eve's sin, he was not warning them about lawful cohabitation between a man and his wife. He said: "For I fear, lest by any means, as the serpent (if it was Satan, why didn't he say so, as he was usually outspoken in such matters), beguiled (enticed; entrapped) Eve, (no hint of a sexual act here), through his subtlety (trickiness), so your minds would be corrupted from the simplicity that is in Christ". He was not warning about "sex", but about those who would come "preaching another false Gospel".

In no way does Gen 3:16 indicate that God was telling Eve that she was carrying TWO SEEDS in
her womb, one Satan's child and the other Adam's. He was telling her in essence; "Woman, you sinned by disobeying me and this is the penalty you WILL pay".

The simple statement of Gen 4:1 should lay at rest the contention of the SEEDLINERS. It says very clearly that Adam had sexual relations with Eve, she got pregnant as a result, and gave birth to a son they named Cain. There is not the slightest hint of any third party involvement. Sometimes the SEEDLINERS use the statement by Eve in vs. 1 - "I have got-a man from the Lord," to claim that she though she had a sexual relation with God, when it was actually Satan in disguise. I do not believe this, for it is a statement that has been made by millions of Christian women when they gave birth to their first son: "See, God gave me a boy!" Not one of them believed that God was involved other than to bless them with a son.

In Gen 4:25, when Eve gave birth to a son after the death of Able and called him Seth, (which in Hebrew means APPOINTED), when she said: "God hath appointed another seed instead of Able, who Cain slew", she was merely making a statement that God had given her another son, to replace the one that had been killed.

The SEEDLINERS love to quote from 1 John 3:12 - "Not as Cain who was of that wicked one and slew his brother. And wherefore slew he him? Because his works were evil, and his brother's righteous". The words "OF", as used here, does not necessarily refer to progeny. The Bible dictionary says that the name CAIN means ACQUISITION, which is the "act of having one's own; to get or gain things for one's self". The son who was given to Adam and Eve to replace Able, SETH, means TO COMPENSATE, it has nothing to do with being a "substitute for Able".

Wise tries to convey the idea that Able was the "promised seed" of Gen. 3:15, but this "promised seed" was Seth.

The fact that Cain was a rebellious son who refused to obey God's Law against miscegenation, in no way conveys the idea that he was Satan's son. It seems logical to me to believe that if this were true, somewhere in the Scriptures it would have plainly said so.

Cain was the "son of Satan", in the same manner as many Israelites are today, when they refuse to accept the Kingship of Jesus Christ, their Kinsman Redeemer. John 3:18 says that they are condemned already when this unbelieving condition exists.

The Apostle John tell us very clearly in 1 John 3:8 - "He that committeth sin is of the devil (not progeny of, but of a devilish kind under his control)". He goes on to say that the "manifest purpose" of Jesus Christ, (the reason He was made known was to) destroy the works of the devil." He goes on in vs. 9 to say that the evidence of salvation is that you no longer sin, because you are "born of God", and that everyone who "doeth not righteousness is not of God..." That doesn't leave much leeway for those the Christian world so glibly calls "backsliders", (see Heb. 6:4-6).

John was not speaking of the Talmudic Doctrine of the "Brotherhood of all men under the Fatherhood of God," which is false teaching. He is speaking of the "brotherhood men and women have when they have accepted the Kingship of Jesus Christ, and can honestly call God, ABBA FATHER! We are to love and protect these at all costs!

Sometimes the argument is used that Cain's name is not found in the lineage of Adam. By like token neither is that of Able. This is not due to the fact that they were not Adam's sons. Able was left out because he had no seed; while Cain was purposely eliminated when he not only murdered his brother, but broke God's Law against inter-racial marriage, and married Pre-Adamic women. Cain became the first Adamite to break this Law, (see Gen. 4:16,17). This automatically cut off his heritage and as a result, the first son we find in the Adamic seedline, is Seth, THE APPOINTED.

The SEEDLINERS would have us believe that Satan, a spiritual being, had human sex relations that made Eve pregnant, even though Jesus indicated that angels, (and Satan is the fallen-angel) do not have sexual relations, (see Mark 12:24,25).

Yet every Christian I have ever known, would revolt at the insane idea that the Holy Spirit had
sexual relations with the Virgin Mary in order to produce Jesus. This would be blasphemy. To say that the Mother of our race, and therefore our Lord, was an adulteress is in this same category of blasphemy I believe.

Wise then jumps to the Parable of the Tares to prove his theory. He says this Parable shows God sowing good seed in the field of the world, which is correct, and Satan sowing the Tares, which are a poisonous plant that looks like wheat. This is also true, since Christ said so. But here he departs from reality when he assumes again, that the "nasty serpent Satan" did his sowing in the body of mother Eve, and that this produced Cain. But you can find no Scripture that indicates that the "body of Eve" was the world Jesus spoke about. A honest, prayerful study of this Parable, will show you no such ridiculous idea!

The Bible clearly states that Cain's offering to God was refused, not because he was the son of Satan, but "because sin lieth at the door", (Gen 4:6,7). God even indicates in chapter four that Cain could have been forgiven, which would have been impossible if he was the actual son of Satan.

Some preachers speculate and say the reason Cain's offering was not accepted was because it was not a "blood offering", but we have no indication at this point in history,, that the "blood offering" had yet been instituted, and nothing is said about Able offering a sacrifice for his sins, he merely brought an offering from his flock. Wise states that the only way we can understand Christ's Parable of the Wheat and Tares, is to accept his theory and go back to the Garden of Eden.

Apparently Christ's disciples were disturbed at the meaning of this parable too, so Jesus explained it to them in clear language, in terms any farmer could understand. The Tares, called ZIZANION are a false grain called "darnel", whose seed is poisonous. During the growing period, it looks like wheat and is difficult to pick out from the real thing. When harvest comes, the wheat heads droop over with the weight of their grain, while the darnel heads stand high. Thus it is easy to separate them at this point. When Jesus explained this Parable, he said the "wheat, the good seed, represented His sheep". The "tares", which were planted by Satan, are his evil followers. When His disciples recognized the danger posed by the "tares", they asked permission to pluck the weeds out of the wheat. Jesus refused saying: "If you try and pull them up now, you will harm the roots of the wheat. Wait until the harvest time, and I will have my angels (not some Phineas Priesthood, as some in Identity try and tell us) gather them into bundles and burn them

When Jesus speaks about "children" here, he refers to kinship, either remote or figurative. The SEEDLINERS claim that it is a "literal kinship".

Wise says this Parable agrees in every way with 1 John 3:8 which says: "He that committeth sin is of the devil". I agree with this verse also. But in this case the "tares" represent those evil people who show by their actions that Satan is their spiritual father. They are his spiritual children, whether Jew, Gentile, or Israelite, when they obey him rather than God.

Many Bible students will tell you that Cain's progeny was destroyed in the flood. But this Parable has nothing to do with Cain's progeny, but with those who willingly follow Satan and reject Christ. The "harvest" will take place at the "end of this Age", and will be conducted under Christ's supervision, and will not be done by human hands. This is I believe at the core of the SEEDLINE THEORY, these people want to handle the job Christ has given to His angels, and destroy the enemy in their own way, and at a time of their own choosing. It won't happen that way!

It is apparent that these people are more concerned with "pulling up the tares", which they say are the Jewish people, then they are in setting their own house in order, so that Christ will return and do the "rooting out". It was God who said: "If MY people, which are called by My name (Christian), will HUMBLE themselves, and PRAY, and SEEK My face, and TURN from their wicked ways; THEN will I HEAR from heaven and will FORGIVE their sin, and will HEAL their land". (2 Chron. 7:14). Nothing is said here about destroying the enemy, it is God's people who MUST first get into a right relationship with Him, before He will act on our behalf.
Because these people refuse to follow Christ's advice, we see them often hurt God's Israel people, in their futile attempt to "root out the tares". The battle MUST be run His way, and under His supervision, not according to the weak wisdom of men. Don't get me wrong! I believe in fighting if it is necessary, and it very well may become necessary, (I believe I have proved this without having to "toot my own horn"), but I also know that without His approval, we will be defeated.

Wise gets to the "nitty gritty" of SEEDLINE fallacy when he states: "We see an abundance of evidence which proves that Satan has literal, physical seed who are in constant friction with the Adamic race." (He would have been more accurate if he had said "Israel") as the greater part of the ADAMIC/ARYAN people have been and are now a heathen people. It was only the tiny family of Abraham, that was picked out for a "special purpose". They were chosen, not because of their "super-intelligence or goodness", but because of the "Obedience and FAITHFULNESS" of their Father Abraham when it came to OBEDIENCE and FAITHFULNESS TO GOD. For this reason the prophet Amos could write (3:2) - "You only have I known of all the families of the earth; therefore will I punish you for your iniquities". Because of this OBEDIENCE, Abraham's family that became known as ISRAEL under his grandson Jacob / Israel, were picked to become God's "servant people", first learning to serve", before they "rule and reign" with Him. Many in Identity believe this becomes automatic if you are an Israelite. Not so! Study Revelation chapters two and three and see for yourself. There are going to be many Israelites who only make it into the kingdom by the "skin of their teeth," (see 1 Cor. 3:13-15).

While it is true that the Apostle Paul accused the Jewish people of "killing the Lord Jesus, their own prophets, and persecuting Christians; and they please not God, but are contrary to all men", at no place does he refer to them as physical children of Satan.

It should be obvious to anyone with common intelligence that the Jewish people cannot be traced back to pre-historic times and the Garden of Eden. That Cain was the first Adamite to break God's law against inter-racial marriage is obvious, but how can you equate folks like Sammy Davis, Jr., and Marilyn Monroe who converted to Judaism, plus the vast host of Persians in Esther 8:17 about A.D. 510 B.C. and say with certainty they were physical seed of Cain and Satan. It can't honestly be done!

In the 8th Century A.D. the pagan Knazar people of Southeastern Russia converted to Judaism enmasse at the order of their king Bulan and today, modern Jewry according to their own leaders, is made up of at least 90% Ashkenazi, Turco-Mongolian Russians. All the Prime Ministers of the Israeli State have come from this heathen background. They have nothing in common with ancient Palestine, including the bloodline of Abraham. The well-known Jewish author, Alfred Lilienthal, in his book THE ZIONIST CONNECTION says: "I would not be surprised if many Gentiles do not have more of the blood of Abraham flowing in their veins than their Jewish neighbors".

While 1 John 2:22,23 gives us a clear definition of the anti-Christ which fits the Jewish people more nearly than any other group on earth, it still doesn't mean they are physical descendants of Satan and Mother Eve.

I know some Identity people, even among the SEEDLINERS who fit John's description of the anti-Christ. That doesn't mean they are literal "sons of Satan", although they may act like it. I know many in the Judeo Christian world and those who are atheists or agnostics who fit this definition. None of them can honestly claim Satan as their physical father, even those who worship him outright.

1 John 3:10 does not confirm the existence of physical "seed"; when it says: "In this the children of God are manifest (made known), and the children of the devil". The children of God, did not become His children through a physical union between God and a human woman, any more than the Jews became "son's of Satan", because of the sexual sin of Mother Eve.

When Jesus said: "Every plant which my Heavenly Father hath not planted shall be rooted up", common sense tells us he was not speaking about actual plants, but that it was a "figure of speech".
Unless God instills TRUTH in a person through the Holy Spirit, that life will be useless, no matter what his ancestral line may be and in the end, he will be destroyed.

Jesus told the Pharisees that they worshiped God in vain, because they taught a man-made doctrine in place of God's Word. (See Matt. 15:3,6,9). God will eventually "root out" these false doctrines. It's as simple as that!

Wise states that when Jesus told the Pharisees: "Ye are from BENEATH; I am from above," He was confirming their physical origin. He claims the word BENEATH is synonymous with HELL. It actually has three different meanings. In Gen. 35:8, we read where Deborah, Rebecca's nurse, was buried BENEATH an oak tree. Here the word is TSCHATH which means "underneath, or below". In Deut. 28:18, we read: thou (Israel) shall be ABOVE only; thou shalt not be BENEATH". Here the Hebrew word is MATTACH which means "downward; below; underneath", and refers to Israel's world position if she is obedient.

The word BENEATH is only used three times in the New Testament and in every place comes from the Greek word KATATERO, which means: "downward; beneath; bottom". In John 8:23, it says: "...and Peter was BENEATH in the palace." In Acts 2:19, it says: "And I will show wonders in the heavens above, and signs in the earth BENEATH". At no place, in either Old or New Testament, does the English word BENEATH have anything to do with HELL.

When Jesus rebuked Peter in Matt. 16:23 and said: "Get thee behind me Satan," He was using a "figure of speech", as He did in Luke 13:32, when he called Herod a "fox". Any intelligent person can see what He meant by these words.

In John 8:31, Wise said that the Jews who believed in Jesus, claimed to be descendants of Abraham, and Jesus admitted they were in vs 37. But in vs 33, you will see that these Jews were related to Abraham, not through their Israel blood, but because their father was Esau/Edom. Anyone who knows anything about Israel history, knows Israel was in captivity in Egypt. A question to ponder: "If the Jews in this chapter were the seed of Abraham, as Jesus said they were how could they have come from the SEEDLINE of Satan?" When Jesus accused the Pharisees in Matt. 23:32 and referred to them as "serpents," and a generation (BLOODLINE) of "vipers," He was again obviously using a "figure of speech".

Jesus' "figures of speech" were like us calling a wicked man a "dirty rat", or a "skunk". They really aren't a rodent, but have the characteristics of one.

If Jesus were to speak to some of the religious charlatans on TV today. He could accurately use the same terms He did to describe the Pharisees.

Wicked men and women, whether they are Jew, Israelite, or heathen are "children of the wicked one", figuratively speaking, when they do the will of their Spiritual Father. Even the SEEDLINERS know this to be true!

Wise assumes again when he states that the word GENERATION should be translated as RACE. At no place in the Bible, Old or New Testament is it so used. It actually has several meanings:

1 - DAUR - Meaning "An age; dwelling; posterity", and is used in this manner in Gen 7:1, where God speaking to Noah said: "...for thee have I seen righteous (without fault), before Me, in this Generation". It had nothing to do with race, but with BLOODLINE.

2 - DAR - meaning GENERATION, in Dan 4:3- "...His dominion is from GENERATION to GENERATION".

In the New Testament three Greek words are used:

1 - GENESIS - used in Matt 1:1 - The Book of "the GENERATION of Jesus Christ..." Here the word means "nativity; or a specific Age".
2 - GENNEMA, meaning: "offspring; produce; fruit". John the Baptist told the Pharisees: "Ye generation (OFFSPRING) of vipers; who hath warned you to flee from the wrath to come?"

3 - GENEA - meaning: "a generation; an age; nation; time." "The men of Ninevah shall rise up in judgment with this GENERATION (nation) and condemn it", (Matt 12:41).

This last word is the only possible one which might mean RACE, but from it's context we can see it does not.

In one place Wise says: "In many instances the children of Israel married and had children by Cannanitish women... Simeon, a son of Jacob/Israel had a son named SHOUL by a woman from this "devil race".

Yet while there are numerous incidents of Israelites breaking God's Law on inter-racial marriage, there are no records anywhere which trace the Canaanites back to some sexual-union between Satan and Eve.

You see, once a man begins to "suppose" in his study of God's Word, it becomes exceedingly difficult to stop. To ASSUME, means: "to imagine; think; guess; presume; accept as true that which lacks proof".

This is true of most SEEDLINE arguments. When a man makes his mind about something assuming it's true without Scriptural proof, he is "skating on mighty thin ice," and almost without fail, will fall in and drown in his own ignorance.

Wise says that Solomon took wives of, and the Judahites committed fornication on their return from Babylon with these "devil sired people". He is correct until he tries to prove the devil sired allegation.

There is no Scriptural reference to the Canaanites being "devil sired". Wicked beyond belief, without a doubt according to Scriptural description, but never referred to by any Israelite prophet or leader as "devil sired".

The term Canaanite is used twelve times in the Old Testament and twice in the New, but on no occasion are they even hinted at as being "devil sired".

The word Canannites is used 54 times in the Old Testament, and Cannanitish twice. Nowhere does it say "devil sired".

To strengthen their argument the SEEDLINERS state that all the early Israel Identity leaders taught this doctrine. This simply is not true, for it was not taught in Identity circles until in the 1930's.

Wise says that in Deut. 7:1, God mentions seven Cannanitish nations and "knowing them to be the seed and progeny of the devil" commanded Moses to destroy them. But this is not what Deut. 7:1 says at all, read it and see for yourself. It merely states: "When the Lord thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee..." Then he names the "Hittites, and the Girgasites, and the Amorites, and the Canaanites, and the Perrizzites, and the Hivites, and the Jebusites; seven nations greater and mightier than thou". He then gives the reason in verse 2 - "And when the Lord thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor show mercy unto them: Neither shall thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou give unto thy son." Further reasons in verse 4 - "For they shall turn away thy son from following me, that they may serve other gods: so will the anger of the Lord be kindled against you, and destroy thee suddenly".

Read all this chapter and I challenge you to find one statement which says that these seven wicked nations should be destroyed because they were "Satan's kids!" It just isn't there!
We can assume that from the way they enticed the Israelite men with their daughters, that the Cannanite women were exceedingly beautiful, as is often true of a dangerous snake.

There are many instances in the Old Testament which tell about Israel men who were seduced by Canaanite temptresses. (Read the story of Samson and Delilah in the book of Judges). But none were ever called "devil sired". There is much evidence that the Canaanites were White Aryans/Adamites and their women were often fatally attractive to the Israelites.

Wise insists that the Jews were known as Canannites before they first appear in the Bible in 2 Kings 16:6, fighting against Israel about 742 B.C. This is possibly true, but as far as I have been able to ascertain, it cannot be proven from Scriptural history.

The people we know as Jews, were from their beginning a nation of "usurpers; vampires, if you will" who lived off the hard work of others. This can be seen in Malachi 1:2-4 where we have a clear picture of what is happening in Palestine today, and what God intends to do about it. Some Jewish leaders know this Scripture and are concerned about it. A number of years ago, I saw a full page ad in the Toronto Daily News, where over forty Canadian Rabbis were warning the Jewish people not to migrate to Palestine for as they said: "The Zionist Movement is a false Movement which G-d will destroy". There is little doubt, that the Jewish people today, are the ones our risen Savior was speaking about in Rev 2:9; 3:9, when He referred to "Them that say they are Jews, and are not; but are of the synagogue (meeting place) of Satan".

Jesus referred to them again in Matthew 11:12, when He stated that the Kingdom of heaven, His Kingdom on this earth, suffered violence at their hands. When Jesus walked the shores of Galilee, the Edomite Jews sat in Moses seat (see John 8:33), and controlled Jewry. But nowhere are they referred to as a "devil sired people!"

God's true purpose for Israel is seen in 1 Peter 2:9 - where Peter said they were a "chosen generation (bloodline from Adam), a royal priesthood, (so ordained by God), a holy nation (not a church), a peculiar (set aside for a special purpose) people; that ye (true Israel) should show forth the praises of Him who hath called you out of darkness, (Greek SKOTOS, meaning: "obscureity. It does not refer to spiritual dark-ness") into His marvelous light".

This darkness was what was referred to by the Prophet Hosea in 1:10 - "....and in the place where it was said unto them (Israel), Ye are not My people, (they lost their identity as Israelites in Assyrian captivity), there it shall be said unto them, Ye are the sons of the living God", (Christians). Both the Jewish and Judeo-Christian world call us Gentiles, the Word of God says we are His sons.

It is our willingness to show forth His praises, that identifies us as "true Israel". No other people in modern history bears this "fingerprint" of Israel Identity, most certainly the Jews do not.

"True Israel" was to be a nation of Ambassadors, carrying the "Good News" of the Gospel to all men everywhere. God knew that Israel would not remain true to Him and would inter-marry with the heathen Canaanites, so He set up strict guidelines dealing with inter-racial marriage. Today, the enemy is striving by every means to discourage this, and thus bring God's wrath against His people. But nowhere are these subverters called "literal children of Satan".

Wise makes a statement that destroys his entire SEEDLINE argument, when he says: "Anyone can read a pedigree, or a bill of sale, and unmistakably know what it means!"

He uses the illustration of a BILL OF SALE for a "thoroughbred horse". But he doesn't go far enough, for anyone who knows anything about these matters, knows that once a "thoroughbred mare" is bred to a common stallion, she can never bear "thoroughbred offspring." Yet he would have us believe that our pure Savior and King, the Lord Jesus, came from a bloodline that had been contaminated by adultery with Satan.

While Wise states that Cain was a "murderer from the beginning", his other teachings show that he doesn't believe this, for he believes the CREATED beings of Gen. 1:27, were on earth for thousands of years before Adam was FORMED in Gen 2:7 There is no Scriptural proof that Cain's murder of
Able was the first murder committed on earth. It was the first in the Adamic line. It is not logical to believe that men and women were not killed in the Pre-Adamic era, as anthropologists and archeologists show that this was an extremely dangerous age to live in.

Scripture give us no indication that there was a Garden of Eden atmosphere in the world outside of the Garden itself. In fact, Cain was banished from his family area, not for killing his brother, but for inter-racially marrying with pre-Adamites. Have you ever wondered why Cain was afraid to go out into the world as a murderer, if there were only three Adamites on earth? In Gen. 4:11-16, Cain complains to God: "My punishment is too great, for everywhere I go, men will try and kill me." What men, if only Adam and Eve were alive at the time? So God placed a special mark on Cain, to protect him from the vengeance of Pre-Adamite men. Do you honestly believe He would have done this if Cain were Satan's son?

In Gen. 6:5 we read that the people who had "increased and populated the earth" were exceedingly wicked. Yet even here, there is no hint of a Satanic ancestry.

Jesus did not accuse Cain of being a "murderer from the beginning", He made this accusation against Satan, who had been on earth a long time before Cain was born.

Wise, like some other SEEDLINERS, makes a flat false statement when he says: "It is now confirmed that those who have usurped the title of Israel, and God's Chosen People, are in reality, the "seed of the serpent, or children of perdition". This statement is false and therefore a presumption rather than a Scriptural fact.

Knowing how Jewry acts; knowing something about their outspoken hatred of Christ and Christianity, and their openly declared intention to destroy "White Christian civilization", it would be easy for me to accept SEEDLINE teaching. I have read parts of their Talmud that literally sickened me, but this does not prove that they are Satan's literal seed. That they are controlled by him, oh my yes! But they are not his literal seed. This teaching has been used against "true Identity", by both the Jewish world and that of their Judeo-Christian stooges. This is one reason it must be met "head on" and discredited! If it helps the enemy, it cannot be of God!

Abraham had many seeds through Ishmael and other sons. These produced the millions of Arab people. Isaac had many sons, but the "promised seed" of Gen 3:15, that would crush Satan's head, came only from Jacob/Israel. This was the seed from which our Savior came on His human side. He had to be of pure lineage, to be God's Son.

Wise explains that the reason we don't see many Jewish farmers is because God cursed the soil of Cain and his descendants, and that the "mark of Cain" still rests on the Jewish people. He doesn't explain what this mark is, for it is described nowhere in Scripture. He is in error on several points. If you read your Bible carefully you will see in Gen 3:17-19, that God "cursed the ground for Adam and his seed". Cain is not even mentioned. I've known a few Jewish farmers, and they didn't seem to have any more farming problems than their Christian neighbors. Their soil still had to be worked by the "sweat of their brow", and had a tendency to bring forth "thorns and thistles", just like Christian ground. He also errs when he speaks of a "Jewish race". There isn't any such thing as a Jewish race, any more than there is a Christian or Moslem race. There are only four races on earth Black, White, Yellow and Brown. Judaism is a false religion, not a race.

If I was a gambling man, I'd be willing to wager that most SEEDLINERS could not identify a Jew if they saw him on a crowded street. Many of the older ones bear that distinctive thing called the "Jewish look," many do not.

There is little doubt that the Esau/Edomite/Pharisees who harassed Jesus and His followers were forerunners of the modern rabbis. In fact they readily admit this. There is also ample proof that they have been guilty of the deaths of millions of righteous men and women world-wide, (see Matt. 23:35). They also brag about this! We KNOW that they were the "moving force" behind International Communism, which has killed over 140-million people in the last seventy years and
we KNOW from reports from organizations such as AMNESTY, INT., that they are still killing an estimated 350,000 people per year, which is not counting the more than- 2-million unborn babies who are slaughtered annually in mostly Jew run, Jew owned Abortion Clinics. This evil is ingrained in the Jewish people through the religious teachings of their Talmud. But this does not prove they were "sired by Satan".

The SEEDLINE DOCTRINE is a direct insult to "true Israel Identity" people, since it infers that our Savior and King, comes from an impure source.

I agree with Wise when he says: "Any idea, thought, or concept that is adverse to the Bible, or the teachings of God is a dangerous thing, so this study MUST bear the image of TRUTH. A further study of the Bible should reveal it as a new and meaningful book". I agree 100%. But we MUST understand what Wise means when he speaks about "image". The dictionary says that this is "a copy; an imitation; a mental picture of an idea or impression". The image of truth is not Scriptural truth.

I do not ask that you believe what Jack Mohr, or James Wise teaches, for being "fallible" men we can be wrong. I do ask that you be honest enough to find out for yourself if we are right, and this can only be done as we conform to Scriptural correctness. Sincerity means little in a case like this, for there are many false teachers who are "sincerely wrong", and hell will be filled with sincere people who thought they were right.

Don't be impressed by the teachings of men like Jack Mohr, James Wise, George Udvary, or Dan Gayman because they may have written books, or may even have degrees behind their names. They are still fallible men and all of them can be wrong. The only basis we MUST have for truth is "Thus saith the Scriptures", and if any man fails to conform with these, he is a "false teacher".

To some of you who may be somewhat biased, it may appear on the surface that I am defending the Jews. I am not! I have reason to distrust them and have found little good in them as a national group. In 1 Thessalonians, the Apostle Paul, an Israelite (Romans 11:1), who was raised in the Jewish religion, studied under the most renowned Jewish teacher of his time, Gamaliel and who had earnestly persecuted the young Christian church, until God knocked him off his horse on the Road to Damascus and changed his life, said of these people he was intimately acquainted with: "Who both killed the Lord Jesus, and their own prophets, and persecuted us (Christians); and they please not God, but are contrary to all men". This is a good word picture of International Jewry.

I know about the International Jewish plans for a One World Government controlled by them. Their leaders have warned us of their plans over and over again. Figuratively speaking, I would have no problem in believing that such power mad people" were devil sired, but that doesn't make it so. I knew a Jack Mohr one time that if you had seen him in action you might have accused him of being "devil sired", for he sure acted like the devil. That is why now, in my Prison Ministry, I can look at the "toughest, meanest, wickedest, most ornery man behind bars", and honestly say: "Thank God! There but for the grace of God is Jack Mohr!"

Many of us know from sad personal experience that a Jewish trait is the sly characteristic of a snake as it charms it's victim into it's coils and to it's death! We know from a study of history and their own words, that they make and revel in war.

Oscar Levy, a well-known Jewish author in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, says: "There is scarcely an event in modern European history that cannot be traced back to the Jews. We Jews are today nothing else but the world's seducers, it's executioners, it's incendiaries, it's destroyers!"

While Goldwyn Smith a Jewish Professor in Modern History at Oxford University said: "We Jews regard our race as superior to humanity; and look forward, not to its ultimate union with others, but to it's triumph over them". I could go on and on.

Satanic, yes indeed! They have imposed themselves in every government in the Christian world,
through their clever control of finance, the media, and today even the church. But all these things do not make them "literal children of Satan!"

Some Christians in the Judeo-Christian church call Christian Identity a "cult". But it is not! A "cult is a system of religious worship built around the teachings of a charismatic leader which does not conform to Scripture".

True Israel Identity, on the other hand is more fundamental than most Fundamental and Evangelical churches in the church world, for we accept both the Old and New Testament as God's inspired Word and believe we should live by it, while many in the "church world" today boast about being "New Testament Christians". True Israel Identists are "Bible Christians"! We agree with the Apostle Paul when he wrote in 2 Tim. 3:16 - "ALL scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness".

I would like to point out to you New Testament Christians, that every great revival in the early Christian world was preached under Old Testament scripture. When men like the Apostles Peter and Paul preached, they preached from the "Law and the prophets". There were no altar calls; "Just As I AM" was not sung over and over again for forty minutes while the evangelist exhorted men to get saved; there were no Sinner's Prayer handed to the seeker; there were no Commitment Cards to be signed. The evangelist preached from the Word; men came under conviction and came to the evangelist and asked what they must do.

In Acts 2:37,38 we read that as Peter preached from the Law and the Prophets, "...when they heard this, they were pricked in their heart, and said unto Peter and the rest of the apostles, Men and brethren, what MUST we do? Then Peter said unto them, 'Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost". Vs. 41 tells us that 3,000 were baptized that day. No religious rock bands; no high powered evangelist; no altar call; no gimmicks; just plain preaching of the Word of Truth.

It is useless for us to deny that our Christian faith is now on the defensive, worldwide! We can see the evidence in the edition of every daily newspaper, and on the twisted news we receive on our TV screens. Yet it is difficult for us to imagine what is behind it all, for it would stagger our imagination to know the truth. Yet the truth is the only thing which will keep us free! Truth and the application of truth!

Our enemy is anyone who seeks to thwart the righteous plans of God as revealed in His Word. We need no other guide! We can no longer afford to allow our Christian leaders to remain indifferent to the diabolical plot which seeks to engulf and destroy us! It has been implemented while Christians for the most part have been asleep! We can no longer afford to bury our heads in the sand, hoping it will go away!

In Isaiah 30:9,10 we see an indication that so-called Christians in America have become "rebellious, lying children, who will not (even) hear the Law of God". So we now say to our preachers and priests: "Prophesy (preach) not unto us right things; speak unto us smooth things, prophesy (preach) unto us deceits (falsehoods)".

Then in Jeremiah 5:31, we see the results of this stupidity and can see how it is taking place in America today: "A wonderful and horrible thing is committed in the land: The prophets (pastors) prophesy falsely, and the priests (political leaders) bear rule by their means; and my people love to have it so: and what will ye do in the end thereof?"

Yes indeed, what will we do when this evil comes to fruition?

For years now, the White Christian people of America have been dancing, all unknowingly to the music of the Babylonian Symphony. They have received little if any warning from their church leaders, many of whom knew what was happening. As a result the time has come when we must "pay the band" and the price is horrendous. It could well be the loss of our hard won freedom, and to some it may mean loss of life.
Today, as never before, we need a spiritual Paul Revere, who will ride across America with a message of warning. This is what I have attempted to do in this book.

My idea was not to make Judeo-Christian or Roman Catholic Christians angry. It was not to attack your beliefs. It was to show you the truth from God's Word, without any outside varnishing, hoping that as intelligent persons, you will accept God's Word as the authority in your life. I don't ask you, or even expect you to accept what I have written. But I do expect you, as intelligent, professing Christians, to check me out against God's Word, and when you find I have been telling you the truth, take a firm stand on it!

I did not write this book to win a popularity contest, for I knew it would make many people angry, both Judeo-Christians, Catholic and some in Identity. It was written with concern, as a warning to my people whom I love, that the hatred of the anti-Christ against us who love God, is about to be unleashed in all his Satanic fury. The signs are all about us. The question is: "Will we accept what God says. Believe His Word, and turn to Him in OBEDIENCE," for our salvation, or will we suffer the fate of those who insist on "doing their own thing", and get "shot down in flames". For as the Christian goes, so goes America; so goes our freedom; so goes decency, justice and safety. Our faith in the One God, is the cornerstone of our safety as a country and as a race.

Our problems will end in America, when we discover who we are, why we are here, and what our responsibilities are before God and to our fellowmen. When it finally dawns on us, (and I'm speaking primarily to the White Christian majority now) that we are God's special servant people, put on earth for a very special purpose - not to be RACIAL SUPREMISTS, not to rule as dictators over others, but to be God's Ambassadors to mankind, showing them what is God's will for their lives. (See 1 Peter 2:9) When we realize that His Kingdom will take place on this earth, not in some nebulous heaven, then we will see the change we so longingly desire.

If White Christian Americans, will return to their God and fulfill the requirements of His FORMULA FOR SURVIVAL, as given in 2 Chronicles 7:14, and recognize our responsibilities before Him, then we will see the results. This FORMULA is God's promise to His Israel people if they will obey: "If My people, which are called by my name (Israel-Christian), will HUMBLE themselves, and PRAY, and SEEK My face, and TURN from their wicked ways; then will I HEAR from heaven, and will FORGIVE their sins, and will HEAL THEIR LAND". (Emphasis added!)

If we are willing to follow this God given FORMULA, we will see America's status restored as:

1. as the world's leading nation, not in military, but in moral and spiritual power;
2. we will see the blessings of White increase in our population which is now destroying itself;
3. we will have the blessings of plenteous food for ourselves and the world's hungry;
4. we will not have to worry about military might, for we will be beyond the touch of wars, and moral defeats such as Korea, Vietnam, Panama, Desert Storm, Somalia and Bosnia. Above and beyond all this, we would see God perform His promise: "The Lord shall establish thee, an holy people unto Himself, as He hath sworn unto thee, IF THOU SHALT KEEP THE COMMANDMENTS of the Lord thy God, and walk in His ways. And all the people of the earth shall see that thou art called by the name of the Lord; and they shall be afraid of thee", (Deuteronomy 28:9).

This promise has most surely never been fulfilled by those we call Jews and never will be. But it has been fulfilled by "true Israel" made up of the White nations of Christendom, and will be fulfilled again, when we have sense enough to KEEP HIS LAW AND WALK IN HIS WAY!

When will the Christian people of America, Catholic and Protestant alike, wake up? Must we wait
until God has driven us to our knees and rubbed our nose in the dirt? Must we wait until we see our wives and daughters raped in our streets by the enemy? When we see our youth once more die in a Jew planned war? Will we wait until our great cities lie in smoking ruins?

You are not going to be RAPTURED out of this mess which has been caused by Christian apathy and disobedience. For we are plainly told in the Scriptures, that we will be glorified with Christ, only as we suffer with Him, (Philippians 1:29; Romans 8:17).

In Revelation 2:26, we read that it those who "OVERCOME, who will rule and reign with Him". You don't rule and reign by cowering in a spiritual foxhole, folding your holy hands in prayer, as you ask God to Rapture you out of the mess you are responsible for. No indeed!

OVERCOMING is a front line military duty. It means hating "evil and evil men," (see Psalm 139:21, 22). It means turning away from falsehood of all kinds, even if they are taught in the church.

This is why this book has been written. It is a reminder that the only thing we can trust and rely on in this world is God's Holy and Eternal Word.

There is no "half-way" point in this war for Christian survival, for you are either for Jesus Christ, or you are on the enemies side. You cannot sit on the sideline and remain neutral!

The day is coming, very soon I believe, when all of us, regardless of our status in life, will stand before Almighty God and answer for the choice we have freely made. Then we will have no pope, or bishop, or priest, or preacher who can answer for us. What will your answer be?

Soon this war will be ending. Soon our God will rule triumphant over all! Why not get in on the winning side now? Will you be happy, or ashamed, when you meet Him face to face?

**The End**
Treason in High Places!

(Published By: Col. Jack Mohr)

INTRODUCTION
By: Col. Jack Mohr

As a retired Army officer with combat duty in World War II and Korea, I give my complete endorsement to this letter from Lt. Col. "Bud" Farrell. It needs to be placed in the hands of every military Service Organization in the United States, and into the hands of every military veteran who has ever served in our Armed Forces.

The information which is contained in this letter is so vital to the welfare and freedom of our Christian Republic, that I would strongly urge every concerned Christian to do everything in their power to distribute this everywhere. I am going to make the cost of this letter as close to "price cost" as possible, in order to facilitate wide distribution. Feel free to copy it for yourself. It is not copyrighted.

May the God of our Fathers, Abraham, Isaac, and Jacob, open the eyes of our "brainwashed" Christian Israel brethren, so that they will recognize the truth and will take a stand against the enemy who are seeking our destruction, rather than glorifying them as the Chosen people of God.

The future of your children and grand children lies in your hands. If you fail them now, at this vital hour, they will rise up to curse you in your graves.

Yours for the truth which will set our people free,

Gordon "Jack" Mohr, Brig. Gen. C.P.D.L.
National Director of CITIZEN'S EMERGENCY DEFENSE SYSTEM

TREASON IN HIGH PLACES!

This is a true story of TREASON in the highest levels of the United States Government against every American soldier who served in the Korean conflict or in the Viet Nam war.

The idealistic United Nations idea and goal is WORLD PEACE, through world membership in a one world organization. That "idea and goal" has proved to be nothing more THAN A SATANIC ATTEMPT TO DESTROY THE UNITED STATES AND PLACE EACH AND EVERY CITIZEN UNDER COMMUNIST CONTROL. Perhaps it is better described as I"A SATANIC ILLUSION" of hypnotic inducement used not only on the masses in the United States, but the world over. It is but one part OF A HIDDEN CONSPIRACY TO RULE THE WORLD and enslave all people. Proof of all this information is found in the research of Col. Arch E. Roberts and the writings of Mr. Trygve Lie, the first Secretary-General of the United Nations.

TREASON EVERYWHERE

As early as 1945, Major General Hurly identified Dean Acheson as one of a group in the State Department WANTING TO ARM THE CHINESE COMMUNISTS to help defeat the anti-communist, Chiang Kai Shek.

From its birth of June 26, 1945, the United Nations has been riddled with treason by persons within the United States Government. On August 30, 1948, "The House Committee on Un-American
Activities" was told that Dean Acheson WAS HEAD OF THE PRO-SOVIET GROUP IN THE STATE DEPARTMENT OF THE UNITED STATES.

Acheson has made many contributions to the plans for the United Nations, together with his principle assistant, Alger Hiss. When Hiss WAS CHARGED WITH ESPIONAGE, Acheson vigorously defended him. The case histories of Acheson, Hiss, Harry Dexter White, Harold Glasser, N. G. Silvermaster, Elizabeth Bentley, Virginious Frank Coe, Victor Perlo, William L. Ullmn, Irving Kaplan, Noel Field, Henry Julian Wadleigh, John Carter Vincent, David Weintraub, Leo Pavsolvesky... reads like "a who's who of organized treason.

IMPORTANT FACTS WITHHELD FROM "WE THE PEOPLE"

At the time of their exposure for espionage and COMMUNIST AFFILIATIONS, little if anything was ever said concerning their beliefs. Similarly, during the Joe McCarthy era, little if anything was ever said CONCERNING THE PERSONAL ZIONIST-JEW CONNECTION OF THE PEOPLE PROSECUTED. Hindsight is always 20/20. TODAY WE KNOW "THAT COMMUNISM IS A ZIONIST-JEW PHENOMENA", the evidence being overwhelming. Long before the end of World War II, THESE JEWISH ZIONIST COMMUNISTS were in our State Department and other government agencies planning the "grand illusion" of all time upon the world, "THE UNITED NATIONS CHARTER", much of it copied from THE SOVIET UNION CONSTITUTION.

Where were the cries and objections of all the Public Servants WHO TOOK AN OATH, "SO HELP ME GOD" to uphold The Constitution of the United States? Where were these same individuals, and where are they now, who vowed to protect everyone in these United States from all our enemies, both foreign and domestic? OUR PEOPLE HAVE BEEN BETRAYED, ROBBED, AND MURDERED "FOR LACK OF KNOWLEDGE", and were also blinded by the propaganda of World War II - "PITY THE POOR ZIONIST-COMMUNIST JEW". This still goes on today!

NOW COMES THE WORST OF THE STORY

Shortly after the inception of the United Nations, Mr. Trygve Lie was told by the Soviets themselves "THAT ONLY A SOVIET COULD SIT AS UNDERSECRETARY GENERAL OF THE SECURITY COUNCIL OF THE UNITED NATIONS." This is the war waging arm and peace keeping sector (forces) of the United Nations. Trygve Lie was astounded, for this was not in the United Nations Charter. However, the Soviets quoted the authority given to them in "The London Accord", where a meeting of "The Big Five" (United States, Great Britain, France, China, and the Soviet Union) was held in London, England, and all agreed with this procedure. President Harry 'Solomon' Truman was the representative from the United States at that meeting in London, England. PRESIDENT HARRY SOLOMON TRUMAN WAS ALSO A "GRAND-MASTER" FREEMASON. President Harry Solomon Truman the Zionist ... President Harry S. Truman ... ONE OF THE MANY TRAITORS IN WASHINGTON, D.C.

The magnitude of THIS INSIDIOUS TREASON is further realized when you understand that the "Under-Secretary" of the Security Council of the United Nations was, and still is, THE COMMANDER OF THE WORLD POLICE FORCE. All United States military forces SERVED UNDER A COMMUNIST COMMANDER who totally controlled the war waging arm of the United Nations during the wars in Korea and Viet Nam (and after Viet Nam, up to the date you read this, including the Mideast and elsewhere). The problem was further compounded when you realize that the military staff idea of the United Nations Charter never materialized. It consisted only of a lone representative from each of the original "Big Five" countries.
PRESIDENT HARRY 'SOLOMON' TRUMAN ALONG WITH THE APPROVAL OF THE CONGRESS OF THE UNITED STATES HAD PLACED THE ENTIRE UNITED STATES MILITARY UNDER THE COMMAND OF THE ENEMY FOREVER. TREASON AT THE HIGHEST LEVEL!

LT. COLONEL "BUD" FARRELL, (USAF RET.) EXPLAINS THE TRUTH

When I was a young Officer and jet fighter pilot flying missions in the Koren Conflict (unknowingly under the command of a Soviet General of the United Nations Security Council), I could never understand HOW THE ENEMY KNEW SO MUCH ABOUT US, as broadcast almost daily over the communist Pyongyang radio station in North Korea.

Our wives' names, childrens' names, Squadron Commander names, flight numbers, etc.! The North Koreans knew when we were coming, how many of us there were, what type of aircraft we were flying, and even the targets we were to hit. Later I realized that the naval and ground forces suffered the same fate that we did, especially our Army and Marine infantry troops.

ALL OF OUR MILITARY OPERATIONS HAD TO BE FORWARDED BY RADIO TO THE SOVIET COMMANDER OF THE UNITED NATIONS SECURITY COUNCIL AT THE UNITED NATIONS BUILDING IN NEW YORK CITY FOR APPROVAL BEFORE OUR FORCES WENT INTO ACTION AGAINST THE NORTH KOREANS AND RED CHINESE. THE SOVIET COMMANDER OF THE UNITED NATIONS SECURITY COUNCIL DELAYED THE BATTLE PLANS UNTIL HE USED THE RADIOS IN THE UNITED NATIONS BUILDING IN NEW YORK TO RELAY ALL OUR "BATTLE PLANNING INFORMATION" TO MOSCOW, NORTH KOREA, AND RED CHINA.

THE ENEMY THEN CONTACTED AND RELAYED THESE SAME BATTLE PLANS TO THEIR COMMUNIST FORCES IN THE FIELD. THE ENEMY KNEW WHEN TO MOVE FROM AN AREA AND WHEN TO ATTACK OUR SMALLER FIGHTING FORCES. THEY KNEW BEFOREHAND WHEN WE WERE COMING AND HOW MANY OF US THERE WERE. THEY KNEW EVERYTHING ABOUT US ALL THE TIME ... 24 HOURS A DAY!!

I LATER FOUND THIS SAME FORM OF "TREASON" WAS USED AGAINST OUR FORCES IN THE VIET NAM WAR. ALL INFORMATION REGARDING "EVERY BATTLE PLAN IN VIET NAM" WAS GIVEN TO THE NORTH VIETNAMESE, SOVIETS (Advisors), RED CHINESE (Red Chinese fought our Marines near the Da Nang Air Force Base for many years), AND VIET CONG TROOPS IN THE FIELD DURING THE ENTIRE WAR. THE ENEMY KNEW OUR EVERY MOVE AT ALL TIMES. OUR TROOPS WERE LED LIKE SHEEP TO THE SLAUGHTER IN BOTH KOREA AND VIET NAM.

"Agent Orange" was also approved for use by the Soviet General in charge of the Security Council of the United Nations during the Viet Nam war. IT WAS TO BE USED AGAINST OUR FIGHTING FORCES, to inflict our soldiers with chemical warfare that would later kill them slowly, and also affect the children that they would bear when returning to the United States or wherever. THIS HAS ALSO COME TO PASS!!

EVERY PRESIDENT AND EVERY CONGRESSMAN SINCE TRUMAN HAS BEEN AWARE OF THIS TREASON BY THE UNITED NATIONS SECURITY COUNCIL AGAINST OUR MILITARY FORCES. THE DEATHS, SUFFERING AND WOUNDED, AND PRISONERS OF WAR OF BOTH KOREA AND VIET NAM IS TO BE LAID AT THE FEET OF EVERY PRESIDENT OF THE UNITED STATES SINCE HARRY S. TRUMAN AND EVERY CONGRESSMAN IN WASHINGTON D.C. AGAIN, "TREASON" AT THE HIGHEST LEVEL!!

THE SAME IS TRUE FOR ALL OTHER SOLDIERS OF OTHER COUNTRIES WHO SERVED UNDER THE "UNITED NATIONS PEACE KEEPING FORCES", WHETHER THEY WERE FROM AUSTRALIA, TURKEY, SOUTH KOREA, CANADA, NEW ZEALAND, OR WHEREVER. IT WAS THESE SAME CONDITIONS OF TREASON THAT GOT THEM
SLAUGHTERED, WOUNDED, AND TAKEN PRISONER. THEY TOO FOUGHT UNDER THE "UNITED NATIONS SOVIET COMMANDER" OF THE SECURITY COUNCIL IN NEW YORK CITY.

Like blind fools we sent our combat plans to the enemy for approval. There was a standing joke among us fighter pilots, "THAT MOSCOW HAD A FILE ON EACH AND EVERY ONE OF US." How little did we really know.

Every mission, every movement was compromised!! General Walt, former Commander of the United States Marine Corps, reflected upon this information in his book that was written in the early 1980's. This book was never allowed to appear in any bookstore in the United States. During the Korean and Viet Nam conflicts, thousands of our fighting men were mentally and physically incapacitated BECAUSE OF THIS TREASON!! To this day, the Soviets (or someone from one of their satellite countries) ARE THE ONLY ONES WHO CAN COMMAND THE UNITED NATIONS "WORLD POLICE FORCES."

The blood of over 57,000 U.S. troops killed in Korea and the 56,000 U.S. troops killed in Viet Nam IS CRYING OUT FOR REVENGE AND RETRIBUTION against the treason and crimiaces=behavior of our politicians. These troops were from all races and sectors in the United States ... murdered and betrayed BY COMMUNIST-ZIONIST JEWS IN HIGH LEVELS OF GOVERNMENT OF THE UNITED STATES ALONG WITH THEIR POLITICAL LACKEYS.

The 'Veterans Hospitals' are still filled with our soldiers because of this treason in Korea and Viet Nam. AS MANY AS WERE MURDERED IN COMBAT IN VIET NAM, THE SAME AMOUNT OF VETERANS HAVE COMMITTED SUICIDE AFTER RETURNING HOME FROM THAT PLANNED "HELL-HOLE" IN SOUTHEAST ASIA. If only they would have had a chance to know that the same politicians who sent them to Viet Nam were also the same politicians who committed TREASON AGAINST THEM, COMPLYING WITH THE UNITED NATIONS CHARTER AND THE SOVIET GENERAL THAT CONTROLLED THEIR EVERY ACTION IN COMBAT.

EACH ONE OF US THAT SERVED IN KOREA OR VIET NAM, SERVED UNDER THE TOTAL COMMAND OF A SOVIET GENERAL!! Here are the names of the Soviets and the dates they served as "Under-Secretary" of the Security Council of the United Nations, thus, the highest military commander of all United Nations fighting forces anywhere in the world ... including all military forces of the United States. These names and information were obtained from the United Nations yearbooks up through 1983. Later yearbooks are not yet available:

NOTE * The names from 1984 through 1988 are not available at this time because printing is behind. The complete United Nations title for all these Soviet General's is: "UNDER-
SECRETARY FOR SECURITY AND POLITICAL AFFAIRS."

A FEW CONFIRMING QUOTES

Here is a quote from the New York Times, dated May 22, 1963:
"The post for 'Political and Security Affairs' traditionally has been held BY A SOVIET NATIONAL, ...is a Senior Adviser to the Secretary-General."

And another quote from CONGRESSMAN JOHN E.RANKIN.
"The United Nations is the greatest fraud in all History. ITS PURPOSE IS TO DESTROY THE UNITED STATES."

KOREA, ... PRESIDENT TRUMAN, ...AND GENERAL MacARTHUR

The Soviet Lt./General Alexandre P. Vasiliev, the Soviet representative on the United Nations (Mini) Military Staff Committee from 1947 to January, 1950, is the same General Vasiliev who took "a leave of absence from his United Nations job" AND WAS PLACED BY THE SOVIET UNION AND RED CHINA IN COMMAND OF ALL CHINESE COMMUNIST TROOP MOVEMENTS ACROSS THE 38th PARALLEL DURING THE KOREAN "POLICE ACTION."

Lt./General Vasiliev received all his military information and troop movements of all United Nations forces in Korea directly from his superior, Soviet General Constantine E. Zinchenko, who was serving as "Under Secretary" of the Security Council of the United Nations in New York. All battle plans had to be approved by him ahead of time.

It was the traitor, President Harry S. Truman himself who refused to allow General Douglas MacArthur, the Supreme Commander of the United Nations fighting forces in Korea, to bomb the bridges at the Yalu River over which the Chinese Communist troops came by the hundreds of thousands to kill and wound our soldiers. Truman and the Soviet General in charge at the United Nations TOTALLY HANDCUFFED MacArthur in all instances.

General MacArthur was only in command of the fighting forces in Korea, not in command of the United Nations position as "Under-Secretary of the Security Council." A Soviet General held this position of power and authority over MacArthur and all the United Nations fighting forces in Korea. The same was true for Viet Nam.

When General MacArthur WOKE UP TO THE TREASON OF PRESIDENT TRUMAN and the Soviets in the United Nations, he made one of the greatest military performances ever ventured in modern warfare. His dangerous but magnificent military engagement and sea landing at "Inchon" on September 15, 1950, enabled his military forces to slaughter the communist forces, put the Red Chinese, North Koreans, and their Soviet advisors on the run.

MacArthur never asked for permission from the United Nations Security Council (Soviet General Zinchenko) to perform this secret military operation. MacArthur hand picked close and loyal military officers in doing so, and they kept a lid on the entire operation. Originally, our forces were to never win any battles as planned by the Soviet Generals at the United Nations.

But General MacArthur realized THE TREASON AND TOOK POSITIVE ACTION NOT ONLY TO SAVE THE LIVES OF HIS FIGHTING FORCES AND DESTROYING THE ENEMY AND THEIR SUPPLY DUMPS, BUT ALSO CREATING THE "TURNING POINT" OF THE KOREAN WAR WITH HIS SUCCESS AT INCHON.
For this "positive action", General Douglas MacArthur was relieved of his command of the United Nations fighting forces in Korea by the traitor President Harry S. Truman, who met with MacArthur on the Island of Guam. MacArthur had figured out the whole picture of treason and had to be relieved of his job.

Truman feared MacArthur so much that just prior to General Douglas MacArthur returning to the United States from Korea, the traitor Truman, hidesus at Camp David for over three weeks in fear of being arrested by General MacArthur who was a Five Star General and in command of all military forces in the United States.

This allowed the Zionist-Jew controlled press in the United States time to attack MacArthur on all fronts. Even before he returned home from Korea. Big headlines in the Zionist-Jew owned monthly magazines of the United States ... described MacArthur "As like unto Hitler returning home to the Chancellory."

With cunning control of their national news outlets over the minds of the masses in the United States, these same communist Jews turned the minds of the people in the United States against MacArthur, THE SAME MAN WHO HAD JUST SAVED THE LIVES OF THOUSANDS OF THEIR SONS WITH DARING MILITARY MOVES AGAINST THE WISHES OF THE UNITED NATIONS COMMAND, IN ROUTING THE RED CHINESE AND NORTH KOREANS AT INCHON, SOUTH KOREA. Now you know the real truth as to what really happened "behind the scenes" during the Korean Conflict between the "traitor" Truman and General Douglas MacArthur, THE REAL HERO!

Robert W. Lee, in his book entitled "THE UNITED NATIONS TODAY", available from American Opinion, 395 Concord Avenue, Belmont, Massachusetts 02178; or 2627 Mission Street, San Marino, California 91108; states on pages 20 and 21;.

"I (General MacArthur) was ... worried by a series of directives from Washington (Truman) which were greatly decreasing the potential of my air force. First I was forbidden "hot" pursuit of enemy planes that attacked our own. Manchuria and Siberia were sanctuaries of inviolate protection for all enemy forces and for all enemy purposes, no matter what depredations or assaults might come from there. Then I was denied the right (by Soviet General in United Nations) to bomb the hydroelectric plants along the Yalu River. The order was broadened to include every plant in North Korea which was capable of furnishing electric power to Manchuria and Siberia.

Most incomprehensible of all was the refusal to let me bomb the important supply center at Racin, which was not in Manchuria or Siberia, but many miles from the border, in northeast Korea. Racin was a depot to which the Soviet Union forwarded supplies from Vladivostok for the North Korean Army. I felt that step-by-step my weapons were being taken away from me."

This is exactly the same type of "treason" that occurred against our military forces in Viet Nam. But Viet Nam was far more vile and dirty in the length of time that our soldiers were betrayed. MacArthur continues on page 21;

"That there was some leak in intelligence was evident to everyone. [Brigadier General Walton] Walker continually complained to me that his operations were known to the enemy in advance through sources in Washington ... information must have been relayed to them, assuring that the Yalu River bridges would continue to enjoy sanctuary and that their bases would be left intact. They knew they could swarm down across the Yalu River without having to worry about bombers hitting their Manchurian supply lines."

General MacArthur then referred on page 21 to an official leaflet published in Red China by Chinese General Lin Piao. It read:
"I would never have made the attack and risked my men and military reputation if I had not been assured that Washington (Truman and U.S. Congress) would restrain General MacArthur from taking adequate retaliatory measures against my lines of supply and communication.

J. Ruben Clark, Jr., former Undersecretary of State and Ambassador to Mexico, who was widely recognized as one of our nation's foremost international lawyers, stated on page 27 of the book entitled; "The United Nations Today";

"Not only does the Charter Organization not prevent future wars, but it makes it practically certain that we shall have future wars, and as to such wars it takes from us (the United States) the power to declare them, to choose the side on which we shall fight, to determine what forces and military equipment we shall use in the war, and to control and command our sons who do the fighting."

(In fact, a Soviet General in the United Nations still writes the plans for employment of United States troops all over the world, even in the Persian Gulf today. Former President John F. Kennedy also felt the wrath of the United Nations Charter (that Truman and the U.S. Congress signed) during the "Bay of Pigs" invasion of Cuba against the communist Castro. The Soviets in the United Nations would not allow Kennedy to directly use the United States military forces available in destroying Castro. The Soviets stated that in using United States military forces at the Bay of Pigs WITHOUT THE APPROVAL OF THE SOVIETS in the United Nations, would be a violation of the United Nations Charter THAT THE UNITED STATES HAD SIGNED AND HAD TO ABIDE WITH. IT WAS THE SOVIETS THEMSELVES THAT REFUSED TO ALLOW PRESIDENT KENNEDY THE USE OF OUR OWN MILITARY FORCES.)

THE ENTIRE U.S. MILITARY COMPLEX IS UNDER THE SOVIETS

The President of the United States and the U.S. Congress has placed our entire military complex under the command of the enemy. They have also given our once sound money system, once backed by gold and silver coin to the international Zionist-Jew bankers to financially bleed us to death. They have also allowed us to fail in our Military and Public Schools in teaching the truth "THAT COMMUNISM IS JEWISH". The evidence of this is very overwhelming (Lt./Col. Farrell's booklet entitled; "An Open Letter To The Gentiles" proves this)!!

Planned wars by the communist-Jew money barons within the United States and throughout the world brings great profit to the majority of the Jew owned banks and war manufacturing plants that they control and own all across the United States. These same financial communist Jews got filthy rich on "the 30 pieces of silver" for the lives lost and wounded of our soldiers in the Korean and Viet Nam conflicts, AND THEY ALSO COLLECTED BILLIONS OF DOLLARS IN PROFIT FOR SUPPLYING "WAR MATERIALS" IN KOREA AND VIET NAM.

By now you should have come to realize "why" there were so many restrictions on our soldiers during combat in Korea and Viet Nam and "why" WE WERE NOT ALLOWED TO WIN ... NOT ALLOWED TO BOMB CERTAIN TARGETS, NOT ALLOWED TO REALLY DO ANYTHING IN A POSITIVE MANNER TO DESTROY THE ENEMY. Korea and Viet Nam were never planned to be won, but instead they were planned so big money could be made by the Jew bankers and all their political lackeys who sit in public office all over the United States and in other governments of the world.

The Viet Nam war was also allowed to continue to weaken the resistance of the people in the United States against any type of war or fighting against communism. To accept anything would be better in the minds of the masses ... than war and having their sons killed. Even if it meant the "merging" of our entire government with that of the Soviet Union (as we presently are witnessing).
While our soldiers were being betrayed in the jungles, on the water, and in the air in Viet Nam, the Jew controlled national news media were having a field day with the minds of the masses in the United States. Lies about our soldiers committing "terrible war crimes against women and children" in Viet Nam came every day to the public in the United States. Meanwhile, in Viet Nam our military forces were told by these same communist Zionist-Jews who controlled the media "that the American people were not behind our fighting forces in Viet Nam."

And we must not forget the one and only... "Hanoi Jane", alias Jane Fonda, the same Jane Fonda of Hollywood fame who willingly ventured into North Viet Nam during the Viet Nam war and had more "pictures" of herself made (as the one below) by the communists in which SHE MADE FUN OF OUR PRISONERS OF WAR IN PUBLIC AND IN PRIVATE. She also made recorded messages urging our troops to desert their units and surrender. She openly laughed and mocked our soldiers who were prisoners of war when they pleaded to her asking her to take a message home to their parents or loved ones. Yet, she was allowed to return to the United States without any punishment. And "why" was she not punished? Because we are under the communist United Nations Charter, and they protect their own. The closest tree at "high noon" should have been enforced immediately. But then again, who owns and controls Hollywood and almost all the movie companies? None other than liberal communist Jews who get their "gay kicks" out of doing anything possible to defame Jesus the Christ and this Christian Nation with their filth and lies. It is this same race of Jews that teach from their "holy book" (Babylon Talmud) in their synagogue, THAT JESUS CHRIST IS A BASTARDIZED SON OF A ROMAN SOLDIER AND THAT HIS MOTHER MARY WAS A WHORE!!

"Hanoi Jane"

Massive college and university unrest was planned by communist groups in the United States. These communist groups were supported by the majority of the Jew liberal professors in these teaching institutions who were, and still are, teaching their Marxist-communist line of garbage today to the students of these same colleges and universities. A great majority of the present college and university "professors" teaching our youth in the United States are LIBERAL-ZIONIST COMMUNIST JEWS!! And you wonder "why" we adults have a communication problem with our youth. It has just been reported in a major national newspaper (USA Today) that one out of every seven of our teenagers has at one time or the other considered COMMITTING SUICIDE. Over 45,000 of our Viet Nam soldiers who returned from Viet Nam has committed suicide compliments of the treason!!

WHO FINANCED THE KOREAN AND THE VIET NAM WARS?

North Viet Nam was, and still is, a 4th class military power in the world, the same as North Korea. Haven't you ever asked yourself WHERE NORTH VIET NAM GET THEIR MONEY TO FIGHT A WAR FOR 14 YEARS? This same question must be asked for North Korea. It takes billions of dollars to fight an extended war as took place in Southeast Asia. The Rockefeller family owned the massive oil refinery in North Viet Nam for quite some time. This is also "why" permission was never granted for this oil refinery to be bombed and destroyed. This same refinery also supplied fuel that was carried on international sea tankers to South Viet Nam during the war via the South China Sea. Again, the Jew getting the money from both sides. North Viet Nam RECEIVED ALL THEIR MONEY TO FIGHT THE WAR FROM THE SAME COMMUNIST ZIONIST-JEW BANKERS THAT YOU GET YOUR MONEY (loans) FROM TODAY . . . THE "FEDERAL RESERVE CORPORATION" and their member F.D.I.C. banks located all over the United States. Other "foreign banking loans" to North Viet Nam were secured from the same "foreign branch banks" throughout the world that Rockefeller controlled.

The U.S. taxpayer PAID FOR ALL THE WAR DEBT ON BOTH SIDES DURING THE VIET
NAM WAR AND DIDN'T EVEN KNOW IT (the same thing happened during Korea). Collecting money through the progressive federal income taxes to pay for our military expense, and then using the banking "deposits" of our citizens in their banks in the U.S. (unknown by the U.S. citizen) which were then loaned to North Viet (this same financing took place during the Korean Conflict) Nam on the other side. In other words, the citizens of the United States actually paid for both sides of the war, and in doing so, actually financed the murder of their own sons, cousins, brothers, uncles, nephews, friends, or whomever as North Viet Nam used their money (obtained from foreign banks) to obtain military supplies from all over the world. To add to the treason, in 1968 the United States Congress increased "foreign aid" of war materials to communist bloc countries by over 80'/o from the year before. This "aid" was then redirected by railroad to North Viet Nam who used it to manufacture military supplies to kill our soldiers. This is also "why" our bombers were 'not allowed to bomb major manufacturing plants in North Viet Nam ... the same as had happened during the Korean Conflict.

While all the killing and suffering was taking place in Korea and Viet Nam, these vile Jews laughed themselves silly all the way to "their banks" with the profits from both sides, and the death toll continued to grow. Getting Christians to kill each other is one thing, but how the Jews love it when they can get these same Christians to finance the death of their own without even knowing it. And Jesus said to the Jews in John 8:44; "You are of your father, the devil." Such disgust and treason against Christ, our people, our Republic, and all other people of other countries who fought, died, and suffered as members of the United Nations fighting forces in Korea and Viet Nam.

ROCKEFELLER, NORTH KOREA, AND NORTH VIET NAM

Rockefeller had made a "deal" with the communist North Viet Nam government prior to the war, that if Rockefeller financed North Viet Nam (using his banking empire of the world) during the war, Rockefeller in return would have total control of all natural resources in both North and South Viet Nam after the war was over. This has been accomplished to date. (This same type of agreement also took place prior to the Korean Conflict, but General MacArthur spoiled the plans). Bear in mind who purchased the 17 acres of land that the United Nations building was built upon!!

Yes, the same family of Zionist-Jews ... THE ROCKEFELLERS. Yes, the 17 acres of land where the United Nations building was built WAS PURCHASED FOR $8,500,000 by the Zionist banking Jew, John D. Rockefeller, Jr. In other words, the Rockefellers were right on the ground floor in all this treason.

The United Nations presently has 159 member nations in its General Assembly. The annual budget to sustain the United Nations Assembly is 800 MILLION DOLLARS, of which, the United States taxpayer pays $200 MILLION!! Again, the taxpayers of the United States pay a minimum of 25% of the annual budget of the United Nations, a COMMUNIST ALIEN CHARTER that has, and is continuing to destroy the United States of America from within ... totally controlled by Zionist-communist Jew bankers and their communist military commanders.

SOURCES FOR CONFIRMATION TO THIS TRUTH

Col. Arch E. Roberts in his book entitled; "VICTORY DENIED", available from; Committee To Restore The Constitution, Howes At Oak, Fort Collins, Colorado 80521 - (303) 484-2575, outlines the complete treason that took place against every individual in the United States by the signing of the United Nations Charter by Truman and the U.S. Congress. This book is a must reading for each and every one of our Korean and Viet Nam veterans not to mention every other citizen in the United States.

Mr. Trygve Lie of Norway authored his book entitled; "IN THE CAUSE OF PEACE", (New York: The MacMillan Company, 1954). Mr. Lie was elected in February of 1946 as the first Secretary-General of the United Nations. Much of the information you have read in this booklet can be verified from his book. His book is no longer available for purchase but may yet be found in some public or college library.

Pastor James P. Wickstrom, 261 Church Street, Homer City, PA 15748 has a two tape cassette set entitled; "TRUE HISTORY OF AMERICA", and a one tape lecture proving that "COMMUNISM IS JEWISH". The information on these three tapes will put all the pieces together for you from the beginning of this nation as a Republic. Pastor Wickstrom is a veteran of Southeast Asia and has been hounded by the communist Jews for over 15 years. His name appears high on the "most hated" list of the communist Jews all over the world. Listen to his tapes and you will know "why."

Robert W. Lee's book entitled; "THE UNITED NATIONS TODAY", American Opinion, 395 Concord Avenue, Belmont, MA 02178; or 2627 Mission Street, San Marino, CA 91108.

"AN OPEN LETTER TO THE GENTILES" by Lt. Col. F. P. Farrell, United States Air Force retired. Proving by "their" own quotes that COMMUNISM IS JEWISH. Liberty Bell Publications, Box 21, Reedy, West Virginia 25270.

WELCOME TO THE REAL WORLD OF TRUTH

Now you realize "why" all our nations assets has been used and is continuing to be used by the Zionist-Jew communist bankers to finance world communism and the Third World countries. The de-industrialization of the United States plays a very big part relating to the internal destruction of the United States by these same communist Jews who have planned for so long to destroy our industrial might and rebuild the Soviet Union, Red China, and any other country that "they" control with the power of "their" purse.

Every election that has taken place in the United States since the signing of the United Nations Treaty by President Harry S. Truman, the U.S. Congress, and U.S. Senate HAS BEEN A TOTAL SHAM AGAINST THE PEOPLE OF THE UNITED STATES. Each and every individual in the United States is subject to the United Nations Charter only!! The elections in the United States ARE HELD TO MAKE YOU "THINK" YOU ARE FREE AND THAT YOUR VOTE COUNTS.

Every level of government in the United States from town government, county government, city government, state government, to federal government IS SUBJECT TO THE UNITED NATIONS CHARTER. The "elections" in the United States are nothing but a "big show" TO KEEP YOU IN THE DARK AND SPEND YOUR TAX MONEY IN DOING SO, and to make you believe that you are free and have some rights. Again, another "false illusion" of betrayal and treason. Everyone ... every police force, military force, corporation, small business, learning institution, financial institution, ...EVERYTHING... IS UNDER THE TOTAL COMMAND OF THE UNITED NATIONS ASSEMBLY IN THE UNITED NATIONS BUILDING IN NEW YORK, NEW YORK!!
TO ALL MY FELLOW VETERANS WHO SERVED "OUR" STARS & STRIPES

I ASK THAT THIS MESSAGE BE DELIVERED TO ANY AND ALL VETERANS, V.F.W. POSTS, AND AMERICAN LEGION POSTS IN THE UNITED STATES. I ASK THAT YOU ALLOW ANY VETERAN WHO SERVED IN KOREA OR VIET NAM TO HAVE THE OPPORTUNITY TO READ THE "ANSWERS" TO THE QUESTIONS THAT THE VETERANS HAVE HAD FOR SO MANY YEARS, BUT YET NEVER HAVING AN OPPORTUNITY TO HAVE THEIR QUESTIONS ANSWERED.

All of us took an Oath: "SO HELP ME GOD" to protect this Christian Republic, the United States of America from all enemies . . ." foreign and domestic." I have never rescinded this vital "Oath" before Almighty God, Jesus the Christ, and I pray that you haven't. Our enemy has been and still is, in our own Nation. They have lined their pockets at taxpayers expense, the same taxpayers who sent their sons and loved ones to Korea and Viet Nam to die, suffer, to be taken prisoner, and then deserted by these same vile and godless politicians.

Yes, the true enemy of all the Korean and Viet Nam veterans, and even our present military forces has been sitting in "high places" of the United States government all the time. This is "why" the war was allowed to go on, and on, and on . . . SO THEY COULD CONTINUE TO FILL THEIR POCKETS WITH THE BLOOD MONEY OF OUR DEAD, WOUNDED, AND MISSING IN ACTION.

We see the President and the Congress CONTINUE TO COMMIT TREASON EACH AND EVERY DAY by allowing the United Nations to control our very lives. And we have been allowed to "think" that we live in a land of the Free and the home of the Brave. We continue to see our economy being slowly destroyed, with American jobs being sent overseas to foreign Jew owned companies under the guise of "cheap labor." We see our Christian moral standards decimated . . . and our Common Law heritage denied us in "their courts." We see organized religions being converted to "Humanism i.e.no God", Christian Prayer and The Pledge of Allegiance taken from our children in school removing any loyalty what-so-ever by these children towards Jesus the Christ and this, His Christian Nation.

The individuals that screamed the loudest about Prayer in school and The Pledge of Allegiance in our Christian public schools WERE COMMUNIST JEWS of the "Anti-Defamation League of B’nai B’rith with their offices located at 823 UNITED NATIONS PLAZA, New York, NY 10017. This same group OF COMMUNIST JEWS supplies information to the F.B.I. concerning any true Christian or Christian group that stands up for the Truth. Needless to say, since the murder of J. Edgar Hoover, the F.B.I. has been sleeping in bed with the communist A.D.L.

The Jews hate anyone who has anything to do with Jesus the Christ!! The United States is a Christian Nation and it always shall be, even if it means HAVING OUR VETERANS CLEAN HOUSE AND PUT THINGS BACK IN ORDER AS OUR FOUNDING FATHERS HAD THEM. May Almighty God, Jesus the Christ bring forth His wrath upon all of us for allowing these things to happen to "our" America. We veterans and present day military personnel are either going to clean up this mess together ... or you can kiss your children, grandchildren, wives, and sweethearts goodbye as far as true Freedom is concerned.

WE STAND AT AN IMPASSE OF TIME where we are either going to come together under a "Common Cause" or be totally destroyed by the communist Jews who have destroyed so much of this Republic already. A well armed America IS A SAFE AMERICA. A well informed America IS A FREE AMERICA.
AGAIN, JOIN WITH ME IN GETTING THIS TRUTH OUT ACROSS AMERICA TO ALL VETERANS who served in Korea and Viet Nam, or anyone else who "has ears to hear and eyes to see." A new cry shall be heard soon across this Nation ... "LOCK AND LOAD."

Francis P. Farrell
(Lt./Colonel USAF Ret.)

The End
TRUTH EQUALS FREEDOM!

From

Crusade for Christ

COL. GORDON "Jack" MOHR, AUS RET.

"And ye shall know the TRUTH, and the TRUTH shall make you FREE."

The above words from St. John 8:32 are more true now than at any time in history, for the church world is wallowing in the darkness of spiritual apostasy, as predicted by the Apostle Paul in 2 Timothy 4:3,4 - "For the time will come when they (so called Christians) will not endure sound doctrine; but after their own lusts (longing for material things) shall they heap to themselves teachers having itching ears; verse 4 - And they shall turn away their ears (hearing) from the truth, and shall be turned to fables." (See Titus 1:14) "Not giving heed to Jewish fables, and commandments of men, that turn from the truth."

Isaiah 29:13 explains our present situation in these words. "... Forasmuch as this people (Israel, not the Jews) draw near Me with their lips do honor Me, but have removed their hearts far from Me, and their fear toward Me is taught by the precept of men; verse 14 - Therefore, behold, I will proceed to do a marvelous work among this people, even a marvelous work and a wonder: for the wisdom of their wise men (statesmen) shall perish, and understanding of their prudent (referring to politicians with their eloquent speech) shall be hid."

We are living in a day in America, where with 50-million so called born again Christians, we are headed for hell faster then any time in our existence. Could it be that many of these "born agains", have become the savorless salt of Matthew 5:13? For when salt loses it's ability to act as salt and stop corruption, it is good for nothing.

There are many folks who want Jesus as Savior, but they want Him as a sort of Celestial Fire Insurance Policy to keep them out of hell. They do not want to accept Him as King, although they may sing about in their church. For when He accepted as King, it means He has priority in the Christian's life and comes before everything else. I have found few professing Christians and their Pastors, who are willing to stop doing their own thing, to accept Him in this manner. Not judging! "By their fruits shall ye know them." I'm not sure this Fire Insurance Policy Christianity will work, in view of Christ's message in Matthew 7:21-23.

It was because of this apathetic kind of Christianity, that Christ told His "Parable of the Sower" in Matthew 13:20,21. He told about those who accept Christianity with joy, and great emotion. They no doubt shout a lot, dance in the aisles, and possibly even speak in some unknown tongue, but when things get tough in their Christian life, because of tribulation and persecution, suffered for Christ's sake, they become offended and leave the FAITH. Were they saved in the first place? I don't know. I do know they bring disgrace to the King.

What is the cause of this indecision and lack of courage on the part of professing Christians. Could it be because of what Jeremiah prophesied in 23:22? "But if they (the false prophets of Israel) had stood in my counsel, and had caused my people (Israel) to hear My words, then they should have turned them from their evil way, and from the evil of their doing." This indicates that there is something terribly wrong, coming from America's pulpits. I know that baptisms and church membership has increased in recent years, and many of the big churches are filled to overflowing, and the TV evangelists preach to full houses, but where is the evidence of a change of heart when we find it is the church folks who are supporting our profligate, President, and casts scorn on
dedicated Christians who call for his resignation on the grounds of TREASON and IMMORALITY?

Where does this apostasy start? It does not spring up full blown overnight. It begins gradually in the Christian church, as Christians let their guards down, and begin to accept the worldly way of doing things. When Christian churches begin to compromise with the world, and feels that it must espouse worldly values and worldly candidates who are interested in what they can get from the office, than in protecting Christian values. When they feel they must use entertainers to attract crowds, especially young people to their church services, when they must seek the approval of professional athletes who proclaim Christ while carrying on their money making business on the Lord's Day, when they must attract big business in order to make money to build bigger edifices, then the country is in trouble. Today the press, radio, and TV have found it fashionable, and even profitable, to occasionally slip the little words, born again into their speech and print, not to glorify God, but for the purpose of expanding their church program, and make it more sensational and world pleasing, then it begins to lose it's power and becomes the Laodiceans church of Revelations 3:14-19.

For many years, after I was saved, I wandered around in confusion. My mind was so encased in hardened fundamental Baptist cement, that I could not read my Bible and see what it really said, without having my pastor interpreting it for me. It took the dynamite of God, through a traumatic incident, to blow this away, until now, I can read my Bible and see what it says, not what some pastor or church scholar says it says. One example will suffice. For many years I wondered about Christ's words in John 10:26, when He told the Jewish religious leaders, "But ye believe (Me) not, because ye are NOT OF MY SHEEP, . . ."This seemed mighty plain to me, but when I went to Baptist pastors, or church scholars and asked them to explain it, invariably I was told often in rather unpleasant terms to sit down, shut up, and quit rocking the boat. In the over thirty years since I left the Baptist church, not one of the pastors who refer to me as an apostate, have ever come to me and said, "Brother Mohr, would you sit down with me and let me show you from the Word where you are wrong. They constantly brag about being New Testament Christians while forgetting the admonition Jesus Himself gave to His followers, when he told them how to handle difference brought about by a brother who had offended them. (Matthew 18:15-17) That the Brother was to go to him first in private and try to work it out, then if he wouldn't listen go with two or three witnesses, then he refused to hear to listen, he was brought before the church and expelled. These things never happened to me, yet I was labeled as an apostate among the brethren, by my pastor, who in less than a month had turned the Baptist preachers of Mississippi against me to the point where men who had been good friends, and in whose churches I had held successful revival meetings, would not even speak with me. I have forgiven them, but the memory still hurts.

In spite of it's beginnings, this article is going to be about race and bloodlines, subjects which are politically and religiously incorrect -taboo. It will no doubt elicit cries of racist, hate monger, and that most epithet of all in the modern Christian world, anti-Semitic. I spent a most uncomfortable night before I sat down to write this article, as God dealt with me about the subject. I did not want to tackle it, as at the age of 83, I have already been under severe attack by the IRS. They have just completed a year of levies against my Military Retirement Pay, which has cost this ministry over $24,000. This was the seventh audit they have made in ten years, and have stolen over $108,000 from this non-profit Christian ministry.

For over twenty years, after retiring from the Army in 1964, I have been a severe critic of our government's bankrupt foreign and domestic policies, with no repercussions, but when I began to speak out about the dangers posed by Jewish influence in Washington, DC and in our churches, all hell broke loose, and with in four months after my first public lecture on Judaism, I was audited for the first time. There have been six audits since then.

I am not anxious to add further opponents. The Jews now hate me for telling the truth about them which they cannot afford for White Christians in particular to know, and the Judeo-Christians, the
great lovers of everybody, including God's enemies, hate me for exposing their hypocrisy in supporting their worst enemy. I don't need any more enemies at my age, but God said, WRITE so I am writing this in obedience to His command. I will do my best to tell you the TRUTH, and let the chips fall where they may.

One of the major problems in the Christian church is that its leaders often give only lip service to God's Word, preferring to interpret it to fit their own purposes. In Matthew 15:8,9 our Savior quoting from Isaiah 29:13 said, "This people (Israel) draweth nigh unto Me with their mouth, and honoureth Me with their lips; but their heart is far from Me. verse 9 - But in vain they do worship Me, teaching for doctrines the commandments of men. When Jesus spoke to the Jews in John 8:42 He said, "If God were your Father, ye would love Me: for I proceed forth and came from God..." verse 43 - Why do ye not understand my speech? even because ye CANNOT hear my word. He elaborated on this in John 10:26,27 when He told the Jewish leaders, "But ye (Jews) believe not, because ye are NOT OF MY SHEEP, (emphasis is mine) as I said unto you. verse 27 - My sheep HEAR my voice, and I know them, and they follow Me." Be honest and ask yourself, Of all the nations in the world, which one's have openly accepted the Christian religion? Which ones have adopted His Word and made it a part of their national Constitutions? If you are honest, you will have to admit that only the White Anglo-Saxon, Scandinavian, Celtic, Germanic, and related people, who we call Christendom, have so responded. Not one colored country has ever become Christian and the Jews are still His greatest enemy.

Judeo-Christians claim to believe and follow God's Word, yet they are often willing to accept the teachings of a seminary brainwashed pastor who teaches contrary to what their Savior said.

When did this apostasy in the church begin? A hundred years ago, the Jews were not exalted in the Christian church as they are today. Great church leaders such as Martin Luther, recognized them as being Satan's kids. Yet today, his book, "THE JEWS AND THEIR LIES," has been expunged from the church which bears His name, as being anti-Semitic.

Could this error have begun in Genesis Chapter One and Two? Most Judeo-Christian pastors refuse to accept the clear teachings of these two chapters, going away from what the Word clearly says, to place interpretations on it that will fit and be popular with modern thinking.

In Genesis 1:27, we are told that on the sixth day of Creation God CREATED man, male and female (to create means to make out of nothing). These beings, CREATED in God's image, were to have dominion over ever other living thing. So far, so good, no controversy.

Then in Genesis 2:1-5, we have a resume of God's week of CREATION, with a strange statement, "... and there was not a man to till the ground." Wasn't Adam CREATED in Genesis 1:27? So says the Judeo-Christian world. This is not what the Word says. It is quite explicit in saying (Genesis 2:7) that God FORMED Adam from "the dust of the ground," male only. Then He did something that is not recorded with the CREATED one's of chapter one. He "breathed into his nostrils the breath of life, and Adam became a living soul." This did not make him superior to the CREATED one's, but it most certainly made him different. Anthropologists tell us that there was no organized agriculture on earth until the White race turned up late in creation history. Early men were nomads and hunters, but in Genesis 2:15 we are told that God placed Adam in the Garden of Eden to dress and keep it. In other words, he was a gardener, or farmer. Eve didn't come along until some time later. The Jewish holy book, the TALMUD, says that Adam had sex with all the animals in the garden without finding satisfaction, so God made Eve especially for him. The Bible says, "... the Lord God said, It is not good that the man should be alone;" and He formed Eve from a part of Adam's body, and made him a helpmate.

There is no way an intelligent person can mix the CREATION of Chapter One, with the FORMATION of Chapter Two, unless it is done intentionally. I realize there are some seemingly contradictory statements in the Bible about this, such as Paul speaking in 1 Corinthians 15:45, when he said, "... The first man Adam, was made a living soul..." We must remember he was
speaking to Israelites. He would have been correct in saying, "The first White man Adam, was made a living soul."

Those of you who have lived in close proximity to other races, I'm sure have sensed the difference. I spent five years in the Orient in Korea and Japan, and four years in Ethiopia, East Africa. I had many friends among these people, some of them fine Christians, but they did not think the same as I did about spiritual things, because they were different. This is why in Africa, for example, many a missionary has spent years building a strong Christian church, even building seminaries to teach native pastors. Then because of some political upheaval they are forced to leave the country, when they come back years later to find the church still in existence, the people still sing the same Christian hymns, but the pastor is now a local witch doctor, and the Christian teachings have been mixed with occult heathen beliefs. Sometimes they have even reverted back to cannibalism.

A few years ago, when I lived on the Gulf Coast, I listened to the Jewish evangelist Benny Hinn, as he bragged on TBN (Trinity Broadcasting Network), about the twelve African nations he had converted to Christianity through his missionary efforts, yet it wasn't a month later that his Pentecostal Christians in Rwanda, were hacking each other to pieces with their pangas. THEY ARE NOT THE SAME!!!

It is not politically or religiously correct these days to tell the truth about races and religions. Recently in New Brunswick, Canada, a memorial service was held for the people who were killed in an airplane crash. There was a Catholic priest and a Methodist minister who were asked to speak briefly at the Memorial services, they were told by the government that they could not read from the Bible, or mention the name of Jesus. Yet the, Rabbis were allowed to read from the Talmud and espouse their views, as were the Muslims and the native Americans. We are close to this official mind set in the United States.

Many of our Christian pastors have been brainwashed in Jewish contaminated seminaries and are leading their people into social disaster, As early as 1256 AD. the head Rabbi in France put out a PROTOCOL to the Jewish people in Europe which urged them to make of your sons clerics and priests, so that they can infiltrate the Christian church and destroy it from within. They were so successful in Spain, that several Jews became Cardinals in the Roman Catholic Church, and a few were even Popes. They were Christians by day and Jews at night, and brought about the Spanish Inquisition which killed millions in that unhappy land. The head of the inquisitors was a Jew named Torquemada.

One of the major areas of concern in the church is with interracial marriages, which has the approval of church leaders such as Dr. Billy Graham. He says that as long as both parties are Christian, that is all that matters, since we are all one in Jesus Christ. Being saved does not free one from God's Natural Law, that like kind MUST produce like kind, and every civilization that has practiced miscegenation has destroyed itsle toom within, long before the barbarians swarmed over their walls or battered down their gates. Even without this law, we can see the dangers from miscegenation, as the sands of history are covered with the dried bones of civilizations who have destroyed themselves through this aberration, always accompanied by Sodomy.

When the Apostle Paul said, God "... hath made of one blood all nations of men (Adam) for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation;" (Acts 17:26) he was speaking to Israelites and about Israelites nations.

The modern church world is sold on the idea of making all men a like in every respect. They have been sold by Jewish propaganda put out by men like Rabbi Abraham Feinstein, a leading Canadian Rabbi, who in a September 5, 1967 issue of MacLean's Review said, "We support the civil rights movement in the United States and until we learn to fight our ingrown fears of sexual relations between the races, the end of the race problems will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a white girl, will the west have begun to tear the racial poison form their vitals."
Allied to this notion, is the fear seldom expressed, but never the less real, that mongrelization of the races will some how result in an inferior human product.

"The deliberate encouragement of interracial marriage is the only way to hasten racial progress. We MUST acknowledge that we will never completely eliminate racial prejudice, until we eliminate separate races." (UNQ) This is interesting, coming from a Jewish religious leader who complains that many Jews are marrying outside their religion. It shows the hypocrisy of this teaching.

When you hear a pastor say that all men came from Adam and Eve, you immediately know that he is either ignorant of Scriptural teaching and biological facts, or is a deliberate liar.

Why should the Christians world strive for a racial mixing that God obviously never intended. If He had wanted us to all be one big chocolate blob, all alike He would have made us that way. Only ungodly men want to change God's handiwork into something it was not meant to be.

God's Natural Law of Like kind producing like kind is similar to the Law of Gravity and the Law of Harvest. It was in existence centuries before the Ten Commandments were given to Israel at Mount Sinai.

If you wish to know where the pressure for integration is coming from, refer back to Rabbi Fernstein's article. International Zionism KNOWS that an integrated people are easier to control than one which has maintained it's racial integrity.

The thinking of this Rabbi ties in with the ideas expressed in 1920 by a leading Jewish Communist in England, who wrote a book entitled "A RACIAL PROGRAM FOR THE TWENTIETH CENTURY!"

The following quotation can be found in the U.S. Congressional Record of 1957, page 8559. The author, Israel Cohen said, "We must realize that our Party's (Communist) most powerful weapon is racial tension. By pounding into the consciousness of the dark races how they have been exploited for centuries by the Whites, we can mold them to our program."

"In America, we will aim for a subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negroes. This has been done both in education and in the church."

"We will aid the Negroes to rise in prominence in every walk of life, in the professions, in the world of sports, in entertainment. With this prestige, and the money they make, they will be able to intermarry with the Whites, and begin the process that will deliver them into our hands."

For just a moment, let's look into the fallacy of White harassment of the Negro race and the damage it has done to them. Go with me to the Continent of Africa, and see a vast, rich area, that never had a civilization of any kind until White Colonials arrived on the scene. One of the richest lands in the world, as far as natural resources were concerned, which had never been developed by native effort. In fact, in many areas of the interior of Africa, the natives are living as they did 5,000 years ago. It has been a proven fact that Blacks cannot govern Blacks and in every instance in Africa, the Black Republic under the control of their own people are much worse off in every respect that they were under the sometimes harsh control of Colonialism. Their education was better then, their health was better, and their safety.

The underlying cause for our enemy to push integration, is for the destruction of White Christian civilization, which Jewish authorities are quite open about, and Jewish authors write about. So they educate Black men to choose White women as a status symbol, since it will bring elimination of the White race, which is the only force that has stood in the way of Zionist world control.

Israelites are clearly told in Deuteronomy 28:43, that if they disobey God, "The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. verse 44 - "... he shall be the head, and thou shalt be the tail." If you can't see this happening in America, it is because you have deliberately closed your eyes to the truth.
It is vital for Christian youth to **KNOW** that it is extremely dangerous for them to date outside of their own race. A famous political figure once said, "If our buildings, our highways, and our railroads should be wrecked, we could rebuild them. If our cities are destroyed, out of every ruin we will build greater ones. Even if our armies are crushed, we could rear sops who would redeem our greatness. But if the blood of our White race is ever destroyed, and becomes corrupted by intermingling with other races, especially the African, then the present greatness of America will be destroyed and all hope for the future of civilization will be impossible."

"Miscegenation is good for those who plan a World Slave Plantation, but it will be the death to White Christian civilization." Only Christians can stop the in roads already made by the enemy. The fate of future generations yet unborn rests on our ability to stop this Satanic, fatal, heathen trend. Racial purity is a gift from God, to be protected at all costs, for it determines the fate of mankind for all time to come.

Your brother and servant in His service,

[signed]

**The End**
Two Saviors!
(Which will you choose - Christ or Judaism?)

Which Will It Be?

by
Lt. Col. Gordon "Jack" Mohr (AUS. Ret.)

"A man cannot serve two masters." (Matt. 6:24)

In the September 1983 issue of AMERICA'S PROMISE NEWSLETTER, put out by Pastor Sheldon Emry, Phoenix, Arizona, appears this vital statement. "TWO SAVIORS ARE BEING PREACHED IN AMERICA TODAY!" I was so impressed with the truth of this statement, that I would like to enlarge on it and give some vital information aimed at the Christians who have become victims of this blasphemous teaching.

In 2 Corinthians 16:21, the Apostle Paul writes: "If any man love not the Lord Jesus Christ, let him be Anathema Maranatha!" (The word "anathema" is a Greek word which means "accursed." "Maranatha" is an exclamation of approaching divine judgment.) In Galatians 1:8, the same writer says: "But though we or an angel from heaven, preach any other gospel unto you than that which we have preached, let him be accursed."

But another gospel is being preached today in our fundamental and evangelical churches and another Savior is being held up as the salvation of America. Side by side with the preaching of "salvation only through the blood of Jesus Christ," is the false message: "God will only bless and protect America, as we bless and help the Jews.

This message is being pounded into the heads of Christian America by the pulpits of this land and especially through the "electronic evangelists" - the Falwell's, the Swaggart's, the Humbard's, the Robert's, the Robertson's, the Baker's, the Lindsay's and others of this ilk.

In a recent one hour TV propaganda show, titled ISRAEL, AMERICA'S KEY TO SURVIVAL! shown over hundreds of TV stations and produced by a Mike Evans, who claims to be a "born again" Jew, the theme was: "America's survival depends on our helping the Jews, no matter what they do!"

There were many well-known people who appeared on this show, or were named as supporters of Israel - Columnist Jack Anderson, Pat Boone, Brig. Gen. George Kennan, Maj. Gen. Albion Knight, Gov. James of Alabama, Bill Bright, Ben Armstrong (chairman of the National Religious Broadcasters) and the President of the Southern Baptist Convention. Famous evangelists appeared for a few minutes, all parroting the Jewish propaganda line: "All Christians must back the Jews, because they are God's Chosen People and if we don't, God will destroy America!" They have pounded this message into the heads of American Christians to the point where many are afraid not to aid this anti-Christ people.

Ben Haden was shown sobbing from his pulpit as thousands watched him state "It was not the Germans, not the Nazis, but cultural Christians who killed six million Jews during World War II."

Old movie shots of dead or starving people, supposedly Jews, were shown for the shock effect and specific charges were made that it was "Christians" who were guilty of "persecuting the Jews."

Pastor Emry then asked this searching question: "Are the Jews, America's 'God' and 'Savior' "? There was no mention of God or Jesus Christ in this TV presentation, in relation to America's welfare or survival. Instead the electronic evangelists and Mike Evans, hammered away on their phony theme: "America's welfare and future depend totally on how much we help the Jews!" They held up the "Jews" as "America's Savior" and deliverer. I say this is blasphemy of the worst sort!
Jesus gave us fair warning in Matthew 24:24, that "false Christs and deceivers would appear in these last days, and that if it were possible, they would deceive even the very elect."

America's false evangelists and preachers, who say they love the Lord and preach the salvation message that "only through Jesus Christ, can we reach God," then turn right around and raise up a "false deliverer," the Jew's. If you are one of those who believes this heresy, then the Jews have become your Savior, rather than Jesus Christ. But if you have the courage to do so - read on!

These same men warn you about a "future anti-Christ," while they are tricking you into worshiping a "present anti-Christ" in Palestine.

There is no question, that the one's who are being held up as the savior of America are anti-Christs, for a very clear definition is given in 1 John 4:2, 3 and the Jews fit it perfectly: "...Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh, is not of God..."

Further on in 2 John 7, we read: "For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an anti-Christ." This can be illustrated by a bit of correspondence I had with the Jewish Abelard-Reuchlm Foundation, Kent, Washington, April 1982. They sent me a book which alleged that Jesus Christ had never existed as the Bible states and that Christianity was invented by a Roman family named Calpurnius Pisos for the purpose of embarrassing Judaism. Here was my answer in part: "Your attitude towards White Christians was proven in the book you sent me in December, where you attempted to prove that the Christian New Testament was a fake, written by the Pisos family. Your blasphemy towards Jesus Christ, the Son of God, is equaled only by that of Jews, such as the author of the PASSOVER PLOT. It is complete fiction. If you do not hate us Christians as you so vehemently claim, then why do you condone and aid in the destruction of our religious beliefs? This is what your foundation was founded for. Didn't you Jews do enough damage to Christianity by your Jewish-Higher Criticism of the Bible, which has allowed Modernism to destroy the faith of many?

"As to the pamphlet you sent concerning famous Jews in America, lets look at two of the more prominent you mentioned. According to most intellectuals, Sigmund Freud was the top man in the field of Psychology. Yet he based his findings on experiments he made in Europe, with 250 middle-class, neurotic Jews. He assumed that all mankind would react as they did and formed his idea of "sex psychology" on this basis. This has done more to destroy the morality of one generation of young Americans, than with the possible exception of the teachings of the Jewish baby doctor, Benjamin Spock.

"Then you mention Einstein, who some men say was the 'smartest man who ever lived.' He gave us the atom bomb, which today is threatening the extinction of all mankind.

"From time immemorial, you Jews have had a genius for subverting people. No wonder your people hated Jesus Christ, when he exposed your Talmudic leaders as hypocrites and murderers. It's no wonder your leaders murdered Him to keep Him silent. But thank God, you could not shut Him up! Even when you brought Him to trial, you did it in a trial which was illegal under both Jewish and Roman law and in spite of all your Piso's claims, there is irrefutable proof, which thank God, neither you or anyone else can destroy, that He rose from the dead and that one day He will come back to this earth to judge people like you who have rejected His Lordship. When that day comes, your Jewish gold power and prestige, will not save you." (UNQ.)

In 2 John 10, II is found a verse of Scripture which fundamental and evangelical preachers love to use against another Christian brother who disagrees with them on some point of doctrine. But they NEVER use it against the Jewish anti-Christs, it says: "If there come any unto you and bring not this doctrine (that Christ is the only means of salvation), receive him not into your house, neither bid him God speed, for he that biddeth him God speed IS PARTAKER OF HIS EVIL DEEDS."

(Emphasis added.) In heavens name, what more proof do you need?
The Jews are anti-Christ's by a clear definition of the Scripture, yet millions of professing Christians are being deceived by their pastors into accepting them as the only way for America's salvation. This is a "heathen" belief!

When Paul talks in 2 Thessalonians 2 about the "man of sin," who "opposeth and exalteth himself above all that is called God, or that is worshiped," he is echoing the Jewish claim that they and they alone are the key to our survival. By doing this they are exalting themselves above God and His Son our Lord.

This man of sin, according to Paul, will sit in the temple of God, showing himself to be God. According to Paul's own explanation in 1 Corinthians 3:16, our (Christian) bodies are "the temple of God," in which the Holy Spirit dwells. But if you believe the Twentieth Century heresy concerning the Jews, then you have made them your God, no matter how loud and long you shout to the contrary.

Jesus once said (Matthew 6:24) - "No man can serve two masters: for either he will hate the one and love the other; or else he will hold to the one and despise the other. YE CANNOT SERVE GOD AND MAMMON." (Materialism' - Emphasis added.) Materialism is the Jewish God, by their own admission. The XXII protocol of the PROTOCOLS OF ZION indicate this worship of gold. It says: "In our hands is the greatest power of our day - gold - Surely there is no need to seek further proof that our rule is predestined of God. Surely we shall not fail with such wealth to prove that all the evil; which for so many centuries we have had to commit, has served as the end of ends, the cause of true well-being; the bringing of everything into order.

"Our authority will be glorious, because it will be all-powerful and will rule and guide - Our authority will be the crown of order. True force makes no terms with any right, not even that of God: none dare come near it so as to take so much as a span away from it. (UNQ.) How's that for Jewish arrogance? This same idea is found in the Jewish-Communist textbook on PSYCHOPOLITICS, which states: "To be obeyed one must be believed. If one is sufficiently believed, one will be unquestioningly obeyed. As Communism (Judaism) is a matter of belief.. its study is a study of force. One must exhibit only enough force, enough inhumanity, enough brutality and savageness to create implicit belief and therefore implicit obedience." (UNQ)

MATERIALISM is the Jewish God, they reiterate this over and over again in their writings. So if you place them first, then you are worshiping the MAMMON Christ warned about.

To make it a bit clearer to those of you who have been "brainwashed" by the Jewish propaganda emanating from the Kosher pulpits of America, I would like to spend a few minutes of your time, looking at the Jewish Question as discussed by Rev. Sam H. Campbell. He says: "Every mass-movement of humanity, regardless of race, creates an economic problem that must be correctly solved, or it will grow into a menace. This is true, whether it is the going of Jacob and his sons into Egypt; the importation of Negroes from the jungles of Africa to America, to sell them into slavery; or the pouring in of Jewish immigrants into the congested city areas of America. These great economic problems cannot be solved upon sentimental grounds, I care not how lofty the sentiment.

"Some years ago, at a great convention, a Negro, richly endowed with oratorical gifts, was speaking on the problem to be worked out in the interest of his own race, and he swept the convention off its feet by an appeal to the sentiment. He said, in substance: 'God has two ways of converting the heathen. One is to send the missionary to the heathen, and the other is to send the heathen to the missionary, as he did when he sent the black African slave to the feet of his white mistress of the South, where he was taught to know Jesus as his redeemer and Lord.'

"This is a beautiful sentiment, but it is a great fallacy and does nothing to solve the Negro problem. God did not send the Negro to America. Designing, avaricious, wicked men brought him here for material gain (history proves that over 90% of the slave traders and owners of slave ships, were Jews), and God overruled the wrong to the Black's spiritual good. But the problem is still unsolved! It is growing more and more into an appalling menace with each passing decade. (The Jews have
been setting the Black up as "cannon fodder," in a race war which will be used to control all people.) I have prophesied that if this question is not solved along lines different from those we have tried in the past, there will be more upheavals in our social conditions in the future.

"Now just as truly as the coming of the Black created a problem, so the coming of the Jew created one. Even in 1880, when there were only about 200,000 Jews in America, no one dreamed that in a few generations, the Jews would grow into the menace they have become today, when there are more than 8-million in America. Today there are a few statesmen, and seers, standing like watchmen on the walls of America, calling to our people to wake up to the realization of this threatening menace. I wish to point out a few reasons why this influx of Jews has created a national danger.

"First, because of his age-old religious convictions and his hostility to Christ. From Apostolic days, when Judaism followed in the wake of the apostles to destroy their work, to the present hour, the Jew has never changed his attitude towards Christ. He came to America, the land of freedom; the land of golden opportunity; the land which offers to him a haven of rest from persecution and hate; the land which has been decreed by the Supreme Court of the United States as a Christian nation, and no sooner does he begin to feel at home here, than he begins an organized effort to overthrow our Christian institutions and destroy our blood-bought freedom.

"I call your attention to his activity in our public schools. Many years ago, when I was a young man in the ministry, a Jewish rabbi came before the Protestant Ministers Conference and made an appeal to us to join him in a united effort to put a stop to Bible reading and the offering of prayer in the public schools of the city. He stated that at that time the Jewish Rabbis were joining with the Catholic priests throughout America in this effort, because prayer and Bible reading in public schools was unfair to Jewish and Catholic children in these schools. When he was finished, I was shocked to hear a Presbyterian minister say: "No, We will never do what you ask. This is a Christian nation and if you don't like this country then leave it!" I thought that statement was harsh. I now see that it was honest and best.

"Take Christ out of our public schools, remove the Bible from this great bulwark of our American civilization, and in two decades we destroy the family altar, and the daily reading of the Bible in our American homes. Secularize our public schools as the Jews have largely accomplished, because of his hostility towards Christ and it becomes easy for Judaism to strike a 'death blow' at Christianity by injecting Higher Criticism into our colleges, universities and seminaries. (This is exactly what they have done.)

"The Jews next employ every effort for the breaking down of the Christian Sabbath. Every amusement feature he can control, every political string he can pull, every power he can exert he uses to destroy our Christian Sabbath. He will keep his place of business open in defiance of the law, many times under the pretext that it is his home, he will build up sentiment in favor of an open Sabbath, he will open his play houses, his picture shows, and invite people to come, oftentimes without money and without price, all for the purpose of destroying our God-given institution of the Holy Sabbath. Destroy the Christian Sabbath and you soon destroy the Christian church. The Jew knows this, and that is why he is so persistent in his efforts to turn the Sabbath Day into a gala day. The very freedom that this Christian nation guarantees to him, he abuses in trying to destroy Christianity.

"I have attended Masonic Lodge meetings, where if some minister closed his prayer by using Jesus' name, there would be a storm of protest raised by Jewish members present. I have been in meetings, where if the name of Jesus was mentioned, the Jewish Rabbi would get up and leave the room. Why all this hostility to Christ in a Christian land? God has blessed this nation above every nation beneath the shining sun, because it was founded upon the bed-rock principles of Christianity (not because we have been good to the Jews.) Yet the Jew would kill the goose that laid the golden egg. If the Jew would only break away from the power of his Rabbi - and refuse to follow him blindly in matters of religion, he might become an asset rather than a liability to America. (The same can
certainly be said to be true regarding Christians) But as it is now, he is a menace. The Rabbis hold
them away from Christ, and they always have. During Christ's time, the great masses of the
common people, the laymen, heard him gladly. They followed Him, and went before Him,
scattering palm branches and spreading their garments in His path. They hailed Him with gladness,
proclaiming 'Hosannah!' Blessed is He that cometh in the name of the Lord!' Then the Rabbis, the
Pharisees got to them and they changed their cry to 'Crucify Him! Crucify Him!' That is the attitude
of the Jewish Rabbis today. If the Jew cannot be Christianized (and many say, with a lot of proof,
that this is impossible) then he is a menace to Christianity.

"Another reason the Jew is a menace to America is that he always seeks to defend his own people.
He is imbrued with the conviction that his people can do no wrong. It matters not whether the
accusation against him is true or not, wherever some member of the Jewish family is involved, all
will rush to his side and to his defense, raising the cry of 'persecution,' because he is a Jew.

"There is no denying the fact that most organized prostitution in America is under Jewish control. It
is organized and controlled by Jews. There is no denying the fact that large groups of men, mostly
of the Jewish race, are engaged in gigantic criminal schemes, such as the distribution of dope to our
youth. But when the citizen calls for drastic measures to stop this great evil, every Jew, instead of
joining in the effort to clean up the moral mess, resents the Crusade as one being carried out by 'race
hated.' (I have never been able to understand how leaders of an organization such as the MORAL
MAJORITY, cannot or will not see that the leaders in every branch of evil they resist, is the same
Jew they back and promote as God's Chosen. - EDITOR.)

"True American spirit knows no hatred. We hold as brothers, all men, but we MUST protect
American institutions and uphold America's laws. If the Jews seek to tear them down (and they do),
then we MUST fight to preserve them, even at the expense of offending him by calling attention to
the activities of his people.

"Does the Jew stand for the highest ideals of Americanism? Does he stand for an open Bible? The
Holy Sabbath? The Christian religion? Freedom of speech and press for all men, not just the Jew?
The Christian church and the Christian school? If he believes in 'soul liberty' why does he try and
suppress Bible reading and prayer in the public school, and the preaching of Christ anywhere? Why
does he take offense at everything printed which makes reference to the Jew, in other than praise, or
to say that our religion and everything we have worth while came from the Jews; that our only hope
of climbing to loftier heights, is to let the Jew dictate the program?

"The Jew' is a menace because of his ages old plot for world control. The existence of that plot is so
apparent today, that only the naive, or those deliberately seeking to promote falsehood would deny
it!

"This world plot and Jewish control has reached the point where many 'right thinking' Americans
are saying that we no longer have a 'government of the people, by the people, and for the people.'
That our government in Washington is a captive government, enslaved to International interests and
the International Jewish bankers. We know they control the economic destiny of America and the
rest of the world, and that they are 'milking' the American 'taxpaying sucker' in order to carry out
their nefarious schemes." (UNQ.)

The International Bankers are the ones who seek to give away American property, as they did in the
Panama Canal. They are the ones who have caused and supported both sides of every war America
has fought since 1860. They are the ones who today are calling for $8-billion dollars in loans to the
International Monetary Fund, so that the Jewish bankers will get their pro-fit at the expense of the
American taxpayer.

Yes, all this activity is un-American. Yet if some group like the Knights of the Ku Klux Klan calls
attention to it and makes an appeal to all patriotic Americans to stand firm for American institutions
and ideals, and seek to build a greater America on the Biblical foundations laid by our fore-fathers,
then the B'nai B'rith, and the Anti-Defamation League, and other Jewish societies pass resolutions
and pressure American legislators for the purpose of destroying the Klan.

They will destroy anything that has Christ as "the criterion of character," and the cross as the divine magnet to draw men to the heart of God. That is the Jewish attitude, and that is what makes him an international menace.

For years now, there has been a concerted drive in America's churches, to promote International brotherhood. The term used is "the brotherhood of man, under the Fatherhood of God." This is a Jewish concept, which is being used to confuse and control Christians. Listen to the words of PROTOCOL IX - "The words of the liberal, which are in effect the words of our watchword, are - "LIBERTY! EQUALITY! FRATERNITY! When we come into our kingdom, we will change these into words no longer of a watchword but of an expression of idealism; De Facto (actually) we have already wiped out every rule but our own, although de jure (by right) there remains a good many of them." (UNQ) A little honest study into Judaism will show you that it in no way promotes equality with others. Harold Wallace Rosenthal, the late personal secretary of the Jewish Senator from New York, Jacob Javits, stated in a taped interview: "We Jews are continually amazed at the ease with which Christian Americans have fallen into our hands. While naive Americans sit and wait for Khruschev to bury them, we have taught them to submit to our every demand." (UNQ) This statement is almost "word for word" what is taught in the BABYLONIAN TALMUD and in THE PROTOCOLS OF ZION

Asked how America could be captured by the international Jewish interests without them knowing what was happening, Rosenthal sneeringly suggested that this victory came because of absolute Jewish control of the media. He boasted: "The Jews control all the news and any newspaper which refuses to acquiesce to Jewish control, can be brought to its knees in a short time. It's a very simple matter!" (UNQ.) In most cases this has been true. A shining example of an independent newspaper which has not succumbed, is THE SPOTLIGHT, from Washington, D.C. It is under Jewish attack at the present time.

When America's Foreign Policy was mentioned, Rosenthal said that no one since the time of FDR had achieved political power without Jewish approval. "Americans have not had a Presidential choice since 1932," he said. "Roosevelt was our man, and every president since has been our man. American foreign policy is Zionist-Communist foreign policy from the beginning to the end. Yet Americans believe this International Jewish policy will benefit America in the end." (UNQ) Could this be why President Reagan, who claims to be a Christian and an anti-Communist, did absolutely nothing to show our revulsion when Russia shot down Korean flight 007 and killed over 60 Americans including an anti-Communist Congressman? Why if we are anti-Communist do we still continue to supply these enemy nations with the technology which could cause them to defeat us? Why are we now contemplating building up the military strength of Communist China? Why do we continue to feed them, when we know that American grain, releases Soviet citizens from the farms, to work in the war factories? Under Jewish control by men such as Henry Kissinger, we are being prepared by the "Judas goats" for the slaughtering pen; especially if you are a Christian. You better wake up to the fact that because you were a friend to the Jew, will make no difference if they ever take over.

Why is it that few Jews who claim to be against Zionism ever speak out against it? A shining example to the contrary is Alfred Lilienthal and the late Benjamin Freedman. Why do we never see Letters to the Editor, written by Jews who decry Jewish involvement in crime and immorality? Why do Jews head every anti American activity in this country? Don't argue with me about it, check the facts! Why do Jews everywhere, do everything in their power to protect evil Jews from justice and criticism? It is because they are taught to do that in their religious book the TALMUD.

I believe the answer to these questions lies in the fact, that unless Jewish ideas are allowed to creep into our society under the assumption they are not Jewish - they are doomed! Anglo-Saxon ideas for the most part can be discussed openly, without fear or shame. Why shouldn't the Jews be required to do so likewise? We should demand "openness" from every alien allowed in the United States. Every
foreigner should be required to "sail under his own flag."

The Jews believe, since they have been taught from childhood, that they are mentally superior to all other peoples and they have brainwashed a lot of Christians into believing likewise. Evangelist Jack Van Impe, in his apology for Judaism, ISRAEL'S FINAL HOLOCAUST! says on page 52 - "Everywhere the Jews are blamed for the ills of their day. Some foolishly follow this practice in the 20th Century. Jews are accused of controlling all money, causing inflation and depressions, and plotting the conquest of the world." By their own admission, this is true. The Jew, Berl Locker, speaking at a Zionist Conference in London in 1943, was reported by THE LONDON JEWISH CHRONICLE as having said: "We Jews have the right to come to the world and say, 'Here is the Jewish problem. Settle it to our satisfaction or there will be no rest in the world.' " (UNQ)

The Jewish writer Oscar Levy, in the foreword to the book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, said: "There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners." (UNQ.)

THE JEWISH WORLD of February 9, 1883 said: "The great ideal of Judaism is that the whole world shall be imbrued with Jewish teachings, and that a Universal Brotherhood of nations - a greater Judaism in fact - all the separate races and religions shall disappear." (UNQ.)

Rabbi Reichhorn, about the time of the American Civil War, said: "With gold we can buy the most rebellious consciences, can subsidize all state loans, and thereafter hold the states at our mercy. Already the principle banks, the exchanges of the entire world, the credits of all the governments, are in our hands." (UNQ.)

Harry Waton, in his book A PROGRAM FOR THE JEWS AND AN ANSWER TO ALL ANTI-SEMITES, 1939, said on page 148: "It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism. All that is in perfect accord e si the progress of Judaism and the Jews." (UNQ.)

Bernard Lazare in L'ANT[SEMITISME, page 350 -"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys Catholic or Protestant faith, he provokes indifference, but he imposes his idea of the world, or morals, and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ." (UNQ.)

These are only a few of tens of thousands of quotations from Jewish sources, about their plan to take over the world and destroy our White Christian civilization. Yet a seemingly intelligent Baptist evangelist like Van Impe, deliberately closes his eyes to what they are doing to his people, because he has made up his mind that they are the "people of the Book" and therefore can do no wrong. How very, very sad and tragic!

Van Impe even goes so far as to blame Christians for the plight of the Jews, he says: "Jew accusers today are simply following the lead of anti-Semites from before them. People who do not want to accept responsibilities for the wrongs of society must have a scapegoat, and the Jews have been the universal scapegoat. They TAKE THE BLAME OF IGNORANT PEOPLE from problems ranging from politics to the plague." (UNQ.)

My impression is that the "ignorant ones" are the Kosher Christians like Van Impe, who disregard everything our Lord said about the Jews and still tries to protect them. Listen to Jesus as he speaks to the Jewish religious and political leaders of His day. John 8:41 -"Ye do the deeds of your father;" Vs 44 - "Ye are of your father the devil;" Vs 47 - "He that is of God heareth God's words; ye therefore hear them not BECAUSE YE ARE NOT OF GOD;" (Emphasis added.) John 10:26 - "But ye (Jews) believe not, BECAUSE YE ARE NOT MY SHEEP." (Emphasis added.) There are many more that the Kosher Evangelists conveniently overlook. Then in Matthew 23:31-36, Christ
accuses, yes, ALL the Jews, of being responsible for "all the righteous blood shed upon the earth," from the time of Abel.

On page 75, Van Impe states: "The Jews have enriched all the nations in which they have settled - an inevitable fact because of the promise made to Abraham (Gen. 12:2)" (UNQ.) But he overlooks the fact that Abraham was not a Jew, and that a majority, a large majority of those who call themselves Jews today, have no right to trace themselves back to Abraham. The risen Christ in Revelations 2:9 and 3:9 says of them: "They who say they are Jews and are not; but ARE OF THE SYNAGOGUE OF SATAN." (Emphasis added.) Then Van Impe tops off the garbage he gives to Christians on page 77 when he asks: "Why are the Jews so maligned and hated when they are so productive and helpful?" (UNQ.) Could it be that he is deliberately ignoring the answer given by the Apostle Paul in I Thessalonians 2:15. Here Paul speaks of Christian persecution by the Jews and says: "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (the Christian church) and THEY PLEASE NOT GOD, and are CONTRARY TO ALL MEN." (Emphasis added.) Why does Van Impe leave out this explanation?

For every benefit the Jews have given humanity, they have exacted their "pound of flesh," and when the scales are finally balanced, the world will see that they came out "hanging on the short end of the stick."

Van Impe even goes so far as to criticize Adolph Hitler, because he was the only one of Europe's rulers who recognized the danger of Jewish-Communism and did anything about it. It was for this and this alone, that Hitler and Germany was destroyed and we Christians of America, were sucked in by Jewish wiles, into destroying another Christian nation.

In the PROTOCOLS OF ZION, we read this paragraph: "It is becoming apparent that an awakening is taking place in America. (Remember, this was written about 1900.) We had hoped that through the devastation of Christian Germany, any subject dealing with us would become taboo. However, there seems to be a resurgence in this country (Germany) we so strongly control. We are presently making plans for a rapid exodus. We know that when the final light dawns, there will be no stopping it... if the American public ever finds out that we are in control, that will be a fatal mistake on our part." (UNQ.)

So Judaism has spent countless millions of dollars in keeping the "stupid goyim" asleep. They have drawn a near perfect "smoke screen" around their activities. This is why it is so very important for Christians in America to learn the truth before it is too late.

Now I realize that some of you who read this don't expect to be around when the world falls into the hands of "anti-Christ." You have been told that Christ will come back and "Rapture" you out of this mess before it gets too bad. This is not Scriptural and is part of the overall plot to put you to sleep and keep you sleeping, while they take over. When the German people, under the leadership of Adolph Hitler, began to see the truth in 1933, they made plans to "kick the money changers out of Germany's national temple." There was no plan to eliminate Jews, but to move them out of the country. Most of the six million Jews who were supposed to have died at the hands of the Nazis, have since been drawing reparations from the West German government, while they "suck up on the goodies," that Christian America has been "brainwashed" into giving them.

Christians should have no place for brotherhood with unbelievers, according to 2 Corinthians 6:14 - "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord (Greek - "sumphoneo", meaning "Harmony or agreement") - hath Christ with Belial? (Satan) or what part hath he that believeth with an infidel? (In-fidel - Greek "apistos", meaning "unbeliever.") This of course is the perfect description of any Jew!

An even more urgent warning is found in 2 John 9, where the Apostle states: "Whosoever transgresseth and abideth not in the doctrine of Christ, HATH NOT GOD. He that abideth in the doctrine of Christ, he hath both the Father and the Son." (Emphasis added.)
This means that preachers such as Van Impe, are breaking one of the "cardinal" doctrines of the New Testament, when they make friends with the unbelieving Jews.

We have been led so far astray in the world of Christianity by the Judaizing influence that as Dr. Edward R. Fields says: 'It is vital that a studious comparison be made between the two religions because more and more preachers and politicians are using the term "JudeoChristian" in claiming the two religions come from the same source. This plays into the hands of the Jews who are effectively using the fundamentalist Christians to support the political aims of Zionism. But the Jews cleverly instruct their own people, not to connect the two religions in any way at all. In fact, Judaism is exactly opposite of Christianity in all major points of theology.'" (UNQ.)

Then Dr. Fields gives this outline of the major points of theological difference:

<table>
<thead>
<tr>
<th>JUDAISM</th>
<th>CHRISTIANITY</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jews do not believe in a heaven or hell. They believe there is a middle life here on earth in which their spirit lives in the Jew race.</td>
<td>Christians believe that those who accept Jesus Christ as their Savior and lead a righteous life will be rewarded with eternal life.</td>
</tr>
<tr>
<td>Jews do not believe in a physical afterlife and want their rewards here and now. Thus they worship the &quot;calf of gold.&quot; They have an ancient saying: &quot;Always take, never give!&quot;</td>
<td>Christians believe that they should be charitable, lead a virtuous life and lead others to Christ.</td>
</tr>
<tr>
<td>Judaism is the only religion which does not seek converts. They believe that one can be a Jew only through being born of a Jewish mother. Those who are accepted as converts are not accepted as Jews. Christ told the Jewish religious leaders: &quot;Ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more a child of hell than yourselves.&quot; (Matthew 23:15)</td>
<td>Christians believe that others should be converted to Christianity. They give millions of dollars yearly for missionary activities.</td>
</tr>
<tr>
<td>The Jews do not believe in sin, or repentance, as they do not believe in punishment for sin in an afterlife.</td>
<td>Christians believe that all people &quot;sin and come short of the glory of God,&quot; and that they can be redeemed only through Jesus Christ.</td>
</tr>
</tbody>
</table>

Here is what the Jews say about their religion: "Judaism is bound up with the Jewish people... The entire calendar of Judaism, with its feasts and fasts, is based not as in Christianity, on the events in the life of its founder, but on significant occurrences in the history of the Jews... Striking differences between Judaism and Christianity. Christianity centers its attention primarily on the individual and upon his salvation. God likeness is revealed for all times in the character of Jesus, who looms as the model for goodness and godliness for all Christians. In Judaism, the center of gravity is found in the Jewish people."

Jews believe they are "like gods," and worship themselves. This is why the Jewish-German philosopher of a 100 years ago Ludwig Feurbach, could write: "Man will be truly free, when he realizes there is no God of man but man himself." (UNQ.) The Jewish Encyclopaedia states: "Judaism may be defined as the consciousness of God, expressed in the Torah, and embodied in the life of the Jewish people. In this indissoluble unity, Israel serves as the community, within which Judaism has developed in and through which it functions. Whereas in Christianity the community of faith constitutes a church, that is, an organized association of men drawn from many nations and
races. In Judaism the community consists of the Jewish people.

"Jewish history records a continuous struggle against (other) nations and their religions ... Judaism has grown out of the soul of the Jewish people and has been nourished by their life-blood ... Hence it is not called Mosaism, prophetism, rabbinism, but JUDAISM, after the Jewish people themselves."

There is another important difference between Judaism and Christianity that all Christians need to understand. The Jewish Encyclopaedia says that while Christians believe in "grace," (the unmerited approval of God), Jews believe in "justice."

"Grace" is the divine influence which acts within human beings to make them pure and morally acceptable to a righteous God. This is rejected by Jews who say they believe in JUSTICE. This is "reward or penalty as deserved. The punishment of a wrong doer." (They believe this when it has to do with a non-Jew, but not for themselves.) They believe in vengeance rather than forgiveness and are probably the most vindictive people in existence today.

While Christianity is a religion of love, humility, giving, sharing, and loving God. Judaism is pointed inward; it is based on selfishness, rewards in this life, the lording of their own race over all others, a superiority complex and claiming that they are the chosen people, above all others. Where the Bible says that Israel was to be a "servant race," to bring blessings to all mankind, the Jews believe that all the good things are reserved for them alone. The emphasis in Judaism is on luxury, wealth, pleasure and materialism.

How can Christians and Jews hold joint religious services, when they are opposite in their beliefs. Yet more and more, especially in the evangelical world, we hear of joint meetings between Christians and Jews and the wonderful time of communion they have together.

Could this be because they are worshiping the same Savior and he is not Jesus the Christ? When they worship together, they are worshiping two different Gods, for the beliefs of Judaism are not merely un-Christian, they are anti-Christian. There is no such thing as a Judeo-Christian heritage, except to those who have succumbed to Jewish propaganda.

All you who believe the BIG LIE, that the Jews are God's Chosen People, have been terribly misled. You are being misled to your own destruction. The ministers who preach this "rot" should convert to Judaism and stop seeking to undermine Christianity by enticing Christians to believe in Judaism. Just because the Jews have declared themselves to be the source of their own and the world's salvation does not mean that we should abandon the only hope for humanity.

Which Savior do you follow? A Jewish fable, or the One who said: "No man cometh unto the Father, but by me!" (John 14:6).

**WAKE UP CHRISTIAN - LEARN WHO YOU ARE AND WHAT YOUR RESPONSIBILITIES ARE BEFORE GOD.**

**HAVE NO COMMUNICATIONS OR DEALINGS WITH ANTI-CHRIST, LEST YOU BE FOUND GUILTY OF FOLLOWING THE WRONG SAVIOR!!!**

The End
Ultimate Terrorism!
Soviet Threat to the Free World!

By BRIG. GEN. GORDON "JACK" MOHR

"No weapon that is formed against you (Israel) shall prosper" - Isaiah 54:17

I While the nations of the Free World, the White Israel nations of Christendom have been lulled into a false sense of security by the "glastnost" of Soviet Premier Gorbachev and his attractive wife, one of the most deadly and sinister organizations of super-warriors and state terrorists, is being trained in the Soviet Union and is being deployed in the Free West for the purpose of "smashing us with their clenched fist," when we have succumbed to their peace overtures.

The mission of these special warriors is to spread havoc and terror throughout the non-communist world, especially in the NATO nations and the United States - in case of war.

They also operate during the time of "cold war" or low-intensity conflicts throughout the world, during the time most of us consider as "peace."

The task of this special group, known as SPETSNAZ, is to in-filter "sleeper agents" and have them in place in America and Western Europe, ready to strike on command.

Competent sources within the United States believe there may be as many as 200 of these teams already in place in this country, armed with, among other things, "nuclear backpack" weapons. These are "low-intensity" nuclear bombs of about 2 kt strength. They could not destroy a large city such as New York or Los Angeles, but might cause 45 or 50 casualties. In addition, the F.B.I. acknowledged in 1983, that they knew of the presence of more than 100,000 enemy agents in the U.S. But, as one F.B.I. official stated: "We cannot touch them under American law, until they make an overt move against our government or people." (We know this is a lie, since we have seen the American government in recent months, take militant action against Christian Patriots, they say are dangerous to their totalitarian plans.)

These enemy SPETSNAZ go by different names. In the slave state of Czechoslovakia, they were called "Reydoviki", which means "raiders." They were the ones who seized the Prague Airport and other key facilities in the capitol city, paving the way for the communist invasion of that country in 1968.

In Afghanistan these terrorists were a joint operation of KGB/SPETSNAZ units, which stormed the national palace in Kabul and gunned down President Amin and his family, prior to the Soviet takeover in 1979.

In Sweden, they were the mysterious, under-water combat swimmers who prowled around the Swedish naval bases and strategic harbors and who even entered the main channel of Stockholm with their mini subs, equipped with tractor treads and crawled up to within a mile of the royal palace. These mini subs were launched from Soviet subs well inside the International water boundaries.

In Norway, a similar operation took place near Norway's major naval base at Bergen, far up the Hardanger Fjord.

In Britain, these Soviet terrorists are well-known to the Anti-terrorist investigators of Scotland Yard, who know them as a secret detachment of potential saboteurs and assassins who are located somewhere near the Royal Air Force Base called Greenham Common. This is the base where U.S. military personnel man the silos containing ground-launched cruise missiles.

This sinister Soviet force has remained virtually unknown to the West, until a high-ranking Soviet
defector, known as Victor Suvorov (not his real name), exposed it in his book INSIDE SOVIET MILITARY INTELLIGENCE.

Suvorov revealed that this terrorist "strike force" is made up of approximately 30,000 men and women who are controlled by the GRU (Soviet Military Intelligence.)

The mission of these special troops is to burrow into an unsuspecting nation during peacetime and prepare to launch "Pearl-Harbor" like attacks just prior to a Soviet "blitzkreig."

Their ultimate objective is to neutralize the nuclear potential of an enemy by striking at personnel who control a country's nuclear force. Since only a few nations have this capability, this means that their major objective outside Europe, is the United States.

In this country, they would strike at command, control, and communication networks, starting with the president, vice-president, Secretary of State, Secretary of Defense, as well as major military leaders and key congressional leaders. The idea is to neutralize the leadership of the target nation; especially those who could authorize a retaliatory nuclear attack.

Their secondary objective would be against this country's military and civilian communication networks. Our technology has become so centralized that the assault on and destruction of a few computer centers would effectively neutralize much of our radio, TV, and microwave communications.

As any military man knows, when your communications are "knocked out," you are in bad trouble. This would greatly reduce the ability of our air, naval and ground forces to meet a Soviet attack.

The official name of this specialized Soviet task force is SPETSALNAYA NAZNACHENUYA, or "Special Purpose Forces." The nickname is SPETSNAZ!

According to U.S. Deputy Asst. Secretary of Defense Noel Koch: "Their job is to destroy a nation's infrastructure and kill key people. They are an important part of the Soviet Union's peacetime operations and during war, would pose a grave danger to strategic disruption of NATO and the United States itself." (UNQ.)

The Soviet authorities who control SPETSNAZ have the "pick of the crop" from among the young Soviet men and women who make up the Soviet military. In addition, the Soviet athletes who compete for the Soviet Union in the Olympic games are considered as a pool for SPETSNAZ recruits. Suvorov stated that some of the best Soviet Olympic athletes are SPETSNAZ commandos.

While participating in international sporting events, they have the opportunity to hone their deadly skills in marksmanship, martial arts, boxing and other lethal sports, while they become acquainted with a variety of cultures and nations in which they compete, and in which they may later operate.

The recruit is given a strict test of loyalty and must sign an oath swearing him to absolute secrecy about his unit and the very existence of SPETSNAZ. If this oath is broken, it means the death penalty!

The new recruit has usually had at least two years of military training. Initial training is carried out at the Special Forces Faculty of the Ryazan Airborne School and the Reconnaissance Faculty of the Higher Combined Arms School in Kiev. Officers receive special training from the Military Diplomatic Academy of the Soviet Army in Moscow.

SPETSNAZ training is brutal and effective. It must be, in order to produce brutal terrorists who will not hesitate to carry out any order given by their superiors. One of their training bases is at Zheltyye Vady, in the Ukraine. This is adjacent to a concentration camp for political prisoners. The camp inmates provide "living training aids" for the martial arts. The SPETSNAZ commandos can punch, gouge, and maim to their "heart's content." It gives the trainees a "taste for blood," and is much more realistic than punching a sandbag which cannot bleed.

These special force troops enjoy better food, better housing, better pay, quicker promotions, longer
leaves, foreign travel and earlier retirement than regular troops so there is always a steady stream of eager volunteers.

Typical training may involve being dropped in a wilderness area for days or weeks, without any survival gear, including a bed roll.

When assigned to a mission, they are issued the best equipment available, usually a Kalashnikov light automatic rifle (AK-74) with 300 rounds of .545 caliber ammunition; a bayonet which doubled as a wire cutter and a saw; a P-6 silenced pistol; six grenades with grenade launcher; and a bizarre knife which can propel its lethal blade a full 30 feet.

The things which distinguished the SPETSNAZ from other Special Purpose forces in the Free World, is that to them "Peacetime is wartime." As he/she in-filters the West, they become a "sleeper agent". One of their missions is to contact and maintain liaison with domestic terrorists in the nation where they operate.

These domestic terrorists are supplied, trained, and even included in the SPETSNAZ operations. Any intelligent person should see the danger posed by the vast number of illegal aliens who are now flooding America's border. In one six month period in 1987, along the Texas border, over 34 different nations were apprehended, most of them white, most of them coming from Eastern European WARSAW PACT nations. Many of these young men spoke excellent English, earned U.S. Social Security cards, and many had documents showing that they had served in the U.S. Armed Forces. Many were armed and carried large sums of money. Could it be possible, do you suppose, that these might have been SPETSNAZ infiltrators?

Evidence of linkage between SPETSNAZ units and domestic terrorists has been evident in such terrorist organizations as the COMMUNIST COMBAT CELLS of Belgium; THE RED ARMY FACTION of West Germany; DIRECT ACTION of France; and RED BRIGADES of Italy; the REVOLUTIONARY CELLS of West Germany; and the SPANISH BASQUE-ETA.

It appears at present as though NATO is their major target and there has been a rash of assaults within the last few years. NATO facilities such as petroleum and gas pipelines, oil storage tanks, computer centers and key military and civilian personnel have been targeted. These are the same targets SPETSNAZ would attack prior to a Soviet attack in Europe. If domestic terrorists whittle down the assets of the Free World prior to a Soviet attack, so much the better.

You can be certain, that if there is a rash of SPETSNAZ activity, here or in Europe, it will signal a Soviet offensive. Key civilian and military leaders will be assassinated thus paralyzing the already cumbersome decision making process of the Free World.

Nuclear facilities will be assaulted and neutralized by sabotage and demolition teams, probably in conjunction with domestic terrorists. Could it be possible, do you think, that SPETSNAZ units in the U.S. will provide the equipment and know how to blow the bridges across the Mississippi River? We know this is part of the attack plan and that hundreds of thousands of aliens have been positioning themselves along the river from New Orleans to Chicago, very possibly for this purpose. They would also attack waterworks, sewage systems, power sources, pipelines, transformers, key transportation facilities and key communication centers - the vital nerve centers of the nation.

SPETSNAZ units are the only units in the Soviet military who are encouraged to operate with a high degree of independence and innovation.

Each Soviet military district has its own SPETSNAZ brigade. These are usually composed of 100 teams of between 5 to 12 members each.

A typical SPETSNAZ unit would be from 18 to 20 years old, led by slightly older officers, with a warrant officer or senior sergeant as second in command. They are considered so highly reliable that they are the only Soviet military units who do not have a political officer. Surovov says: "Each SPETSNAZ soldier is his own commissar."
Because the soldiers are young, the training is extremely strenuous, and include underwater combat swimming, high altitude-low opening parachute jumps and high altitude-high opening jumps, as well as infiltrations, sabotage, clandestine communications and martial arts. He is trained to be a killer in every way imaginable. The most important part of his training is in the language, culture and folkways of the country where he will be assigned. This is something that even American diplomats do not receive and can be seen in the low standard of our foreign policy statesmanship. 

SPETSNAZ training is capped by live exercises - probably a realistic tour of duty in one of the world's combat areas.

In spite of their decided threat to the Free World, only Britain and the United States have taken this threat seriously enough to include anti-SPETSNAZ training in their 'war plans. A British operation named BRAVE DEFENDER has demonstrated that an alert defense, good intelligence and rapid reaction can keep SPETSNAZ danger to a minimum.

The following happenings may indicate SPETSNAZ in infiltration of a country:

1. An usual increase in the number of Soviet embassy personnel.

2. Unusually athletic young men and women replacing balding paunchy diplomats.

3. A marked increase in the number of trade delegates, athletes and cultural exchanges with the Soviet Union.

4. A resurgence of tourism from the Soviet Union.

5. A marked increase in the number of Soviet fishing boats off our shores and an increase in the time they stay near sensitive areas.

6. Strangers buying or renting real estate, homes and apartments near strategic military locations.

7. Outside agitators in-filtering local peace groups and anti-nuclear protest movements.

8. We know that female SPETSNAZ agents have in-filtered women's protest groups near the U.S. Air-force bases in Britain.

Now to add to this problem, the GRU has created and trained "little brother" organizations which duplicate the SPETSNAZ mission during a time of war. They can be found in Poland, Bulgaria, East Germany, Hungary, Czechoslovakia, Romania, as well as Vietnam and North Korea.

The Soviets use these nationals to blend in with ethnic groups in a country such as the United States. A Polish SPETSNAZ agent, for instance, would have little difficulty in blending in with a Polish community. The same could be said of Cuban, Hispanic, Vietnamese, Korean and others.

Probably one of our most worrisome and officially neglected areas of potential terrorism concerns SOUTHCOM - the Southern Military Command, which encompasses the vast areas south of our borders with Mexico. Here Cuba's version of the SPETSNAZ, the TROPAS ESPECIALES (Special Troops), are active.

They operate under the direct command of the Cuban DGI (the General Intelligence Directorate), which is in turn controlled by the Soviet KGB. The TROPAS have had extensive and impressive combat experience in wars on the African continent, where they have been used as mercenaries by the Soviets.

The mission of the TROPAS is similar to their Soviet counterpart, to train and equip terrorists groups all over the Western Hemisphere, including the United States. To date, these terrorists in the
U.S. have remained mostly underground.

While the U.S. government has concentrated their attacks against Christian Patriots who are anxious to see this country return to Constitutional standards, including the re-establishment of the Monroe Doctrine, they have been negligent of the much larger danger from the south. Instead of stopping, or at least slowing down this enemy activity, a liberal Congress has added to this danger by unbelievably stupid immigration policies which has allowed foreign agents almost complete freedom to operate within our shores. These have teamed up with drug operators from Columbia, Peru, Bolivia, and Cambodia. There is much evidence available that involvement in this drug business, is protected by high government officials, who are becoming rich in the process.

Mexico is the BIG ENCHILADA as far as the TROPAS ESPECiales is concerned and we have good reason to believe that they have been imminently successful in their infiltration of this troubled country.

One frightening scenario has been envisioned in the MONIMBO PLAN, which is a joint Cuban-Sandanista plot revealed to American Intelligence agents by Cuban and Sandanista defectors. It is for the takeover of Mexico by native terrorists and left wing forces. Panic would result in some 20-million Mexicans pushing across U.S. Border. What better way to in-filter a few thousand TROPAS agents into the U.S.?

Today, in August of 1988, the possibilities of this kind of action in the near future are very real.

The F.B.I. knows that Cuba trained DGI agents in-filtered the U.S. during the Mariel boatlift in 1979. They also know that hundreds, if not thousands of enemy agents have crossed the U.S. border since that time. But in spite of this, there has been very little public or official discussion of this most serious problem and it is seldom mentioned by the media. Although we know there are thousands of Soviet and North Korean advisors in Mexico and have been for several years. Our State Department refuses to admit this. Quoting from a letter of October 16, 1986, signed by J. Edward Fox, Asst. Secretary of Legislative and Intergovernmental Affairs, of the U.S. State Department. This letter was forwarded to me by Representative Trent Lott of Mississippi.

Dear Mr. Lott:

Secretary Shultz has asked me to thank you for your letter of September 25 on behalf of Mr. Jack Mohr concerning terrorist training camps in Mexico. We appreciate your constituent's concern.

In recent years, the Department of State has received numerous reports, rumors, and allegations that terrorist training camps exist in Mexico. Each of these allegations has been thoroughly investigated. To date, we have no evidence to substantiate any of these reports.

We will continue to be alert to possible terrorist threats to the United States originating in Mexico, and any other foreign nation, as well. I am taking the liberty of enclosing material concerning U.S. policy towards int ernational terrorism that I believe will be of interest to Mr. Mohr.

Sincerely, J. EDWARD FOX.

Now this answer is a "bald faced lie," and Mr. Fox knows it. For the State Department has been given ample evidence, including photographs, substantiating a Soviet and North Korean presence in Mexico and the locations of at least twelve terrorist camps.

It is this kind of treasonous activity on the part of our State Department which has brought America to defeat in at least two wars, and which is deliberately undermining the safety of this country.
The U.S. Government has been willing to disclose very little of what is taking place along the border with Mexico. We do know it is not being defended. We do know that while this threat to our safety is going on, our armed forces are interfering in an area where we have no business, the Persian Gulf. Could this all be part of a well-rehearsed plan to get America involved in another war? This time one where the enemy know they will be successful?

I believe it is time we wrote to our Congressmen in Washington and DEMANDED that they do something concrete about this extremely serious situation along the Mexican Border, before it is too late.

(Most of the above article was taken from information written by Carl II. Yaeger's article titled THE ULTIMATE TERRORISTS, from the June 1988 issue of AMERICAN SURVIVAL GUIDE.)

The End
Up-Date for Survival!
by Brig. Gen. Gordon "Jack" Mohr, CPDL

August Intelligence Report 1987
"There shall no evil befall thee, neither shall any plague come nigh thy dwelling." (Psalm 91:10)

Many of you have read my RED DAWN pamphlet, published in 1985. Much of the material I used came from an Intelligence report called the RED DAWN INTELLIGENCE REPORT, written by Russel G. Thatcher. Mr. Thatcher has been compiling data which shows that our enemy, International Zionist Communism, has been planning an attack on the United States and Canada. Many years ago, Lenin laid down the format for this attack when he stated in words to this effect:

"First we will take the masses of Asia, then Europe, then Africa, finally we will surround the last bastion of freedom, the United States and when we have done this, they will fall into our laps like overripe fruit." We are very close to this point in 1987.

Now Mr. Thatcher has come out with a sequel to his RED DAWN report. It is an amazing compilation of facts, charts and pictures, titled COMMUNISM'S TROJAN HORSE. Both of these lengthy and well-documented reports are available from A.C.C. SERVICES, 2553 Texas Avenue, South, Suite C, College Station, TX 77840.

Mr. Thatcher has graciously given me permission to quote in detail from this new report. He lives in fear for his life, for the "left-wing" elements of Zionist-Communism plan to silence him in any way necessary. They have never been able to stand the "searchlight of truth," on their nefarious plans.

In the TROJAN HORSE REPORT, Mr. Thatcher presents evidence that the Soviets, aided by their allies from Cuba, North Korea, and Vietnam, have been hauling military equipment, as heavy as T-54 and T-72 tanks, plus attack helicopter gun ships, armored personnel carriers and infantry combat vehicles into the United States and Canada, for eventual use in their planned invasion of our countries.

While Congress fumbles it way through the morass of the Iranian fiasco, America has been quietly invaded by small contingents of Mexican, Cuban, Vietnamese, North Korean and Russian troops. These aliens are even today, hauling, hiding and guarding this equipment, not in Mexico and Central America alone, but on American soil.

While our Congress continues to focus our attention on the Mid-East, a much more dangerous situation is developing at our back door. As I have said before, "the evidence shows that Congress will still be arguing about Communist danger in Mexico and Central America, when Communist troops goosestep into San Diego."

Is this statement the figment of an overworked imagination? Indeed not! For evidence shows that the invasion of America and Canada is ahead of schedule in its planning stage and that it is the next logical step in the plan for Zionist-Communist One-World control.

While the enemy moves his military equipment into our countries, close to their assigned military targets, very few Americans seem to be concerned. The few Congressmen who are concerned - and there are a few - are snowed under by the liberal avalanche which now controls Congress and by like token, our beloved country. Our government, for all intents and purposes, is now under the control of the same alien power which controls most of the white nations of Christendom and the preponderance of the Third World nations. We have not had an American government in Washington, D.C. for well over fifty years. This does not mean that we have not had Republican and Democrat Administrations in our nation's capitol. For we have had. But, the strings of
government have not been pulled by these men, but by the same mysterious alien forces, which have controlled our economy since 1913, when the Federal Reserve Act was passed by Congress. This is why, in spite of all the pre-election rhetoric, we see very little change in our nation's government, when Republicans are replaced with Democrats. Americans are not at the helm of their own government.

As America is being invaded in "slow motion," the Christian people, who should be first in defense of our country, do not seem to mind. This has been predicted. In the New Testament of the Bible, 2 Thessalonians 2:11, we are told that because of the wickedness and unrighteousness of our people in these "latter days," God would send a strong delusion (Greek - Plane - 4106 meaning: "fraudulent; straying from orthodoxy; deceit.") that they might believe a lie . . . " Why? "because they believe not the truth, but have pleasure in unrighteousness." In other words, they want to be deceived or fooled. They want teachers, preachers, and national leaders who will "tickle their ears" with Jewish fables, rather than listening to the truth.

This destructive trend can be seen more clearly among the Christian groups of America than any other place. One large fundamental group supports our worst enemies under the illusion they are God's Chosen People and must not be criticized, no matter what they do. Another tells people that we have been wrong all the time about salvation and that men and women do not necessarily have to come to God through Jesus Christ, as the Scriptures teach. (John 14:6). Another tells their people not to worry about the things which are happening in these last days, for "Jesus will come back and Rapture them out of this mess before it gets all that bad!" Another group centers their teaching on the "love everything, love everybody" theory, even if it means compromising with evil men. While others, of a more liberal stripe, are interested in "doing their own thing," whatever that may be, for "you only go around once in life, so live every day with gusto! Eat, drink, and be merry, for tomorrow you will die!"

Yet today, while Americans eat, sleep, work, play and make love, the forces of International Zionism-Communism are working tirelessly and stealthily to move into place for their final blow against our white Christian civilization.

January 1, 1986 could have been the day they launched their attack; or April 16, 1986 was another projected date for the attack, but for some reason, known only to God and them, they changed their mind. This has happened so many times, that when you try and warn people of the present danger, they are apt to say: "You've been telling us that stuff for twenty-five years and nothin' has happened yet. Don't bother us with your fairy tales!" The Bible says: "When they shall say, Peace and safety, then sudden destruction shall come upon them," (1 Thessalonians 5:3).

This is what Dmitri Manualisky, the Soviet Undersecretary of Military and Political Affairs, of the United Nations, meant in 1947 when he said: "We are not strong enough to attack yet. So we will begin with the biggest peace offensive the world has ever seen; and the capitalist nations, stupid and decadent, will leap at the chance to be our friends; they will willingly cooperate in their own destruction. Then when their guard is down, and they have gone to sleep, we will smash them with our clenched fist!"

Yet today, many intelligent Americans are heard to say: "Isn't it wonderful the headway we have made towards world peace? Just think about the cultural exchanges we are now having with the Soviet Union." Yet not one in a hundred, realize that the only Soviets who are allowed to come to this country, are those who have been cleared by the KGB and who are working for them.

We Americans want things done in a hurry. But the enemy is patient. They have been working on this plan for world control for hundreds of years. In fact, it was first started in the dusky halls of Babylon, over 500 years before the time of Christ.

One phase of their plan has been to put their agents into our educational establishments, into our hospitals, our churches, our government, our justice system. Laventria Beria, head of the Soviet KGB during the early days of Stalin once said: "Through psychopolitics you can change the loyalty
of a solider, or a leader, or you can destroy his mind." (Russian textbook, PSYCHOPOLITICS, p.7).

He said further: "Use the courts, use the judges, use the constitution of the country, use its medical societies and its laws to further our end. And when you have succeeded, you will discover that you can now effect your own legislation at will. You can make the capitalist, by his own appropriations (tax money), finance a large portion of the quiet Communist conquest of his nation."

So today, because there are a few of us who know the truth, and care enough to warn our brethren, we are labeled as "extremists;" "paranoid;" "neo-Nazi;" "anti-Semitic," by the prostitutes of Zionism-Communism. We are told not to worry so much," the Communists will never attack us, they have too many problems of their own."

Very few of our legislators are willing to listen to the truth. On September 22, 1986, I wrote a lengthy letter to my Conservative Congressman, Trent Lott of Mississippi. He is a good man, who votes pro-American most of the time. I went into detail regarding conditions on the Mexican-U.S. Border. On September 26, 1986, I received this reply:

Dear Jack: I wanted to write to acknowledge and thank you for your recent letter regarding the U.S. Department of State and the Mexican border situation.

Please be assured that I am looking into the matter and that I will be back in touch with you as soon as I receive additional information in which you will be interested.

Thank you for giving me this opportunity to be of assistance. With kind regards.

SIGNED: Trent Lott

On October 16, 1986, I received this letter, which had been sent to Rep. Lott, by J. Edward Fox, Asst. Secy. Legislative and Inter-governmental Affairs, U.S. Department of State. He said in part:

"In recent years, the Department of State has received numerous reports, rumors, and allegations that terrorist training camps exist in Mexico. Each of these allegations has been thoroughly investigated. To date, we have no evidence to substantiate any of these reports.

"We will continue to be alert to possible terrorist threats to the U.S. originating in Mexico and any other foreign nation."

SIGNED: J. Edward Fox

Now, ladies and gentlemen, regardless of what, or who you want to believe, we know that Mr. Fox is deliberately lying, both to the Congressman and the American people, for the Department of State has been given irrefutable evidence of these terrorist activities and on every occasion, they have threatened the individuals who gave them this information.

On October 23, 1986, I again wrote to Rep. Lott. In part I said: "I have just returned home from speaking to about 1,000 pastors and laymen in Indianapolis, Indiana. These men, are greatly disturbed by what is happening in Congress and along our southern border. In fact they are angry. I wrote to Senator Thad Cochran, (D.-Miss.) regarding this and he did not even have the courtesy of answering my letter. I would hate to think that you have joined the ranks of those politicians who are attempting to hoodwink the American public and who have become more interested in staying in office, than in telling us the truth.

"Please send me an intelligent answer."
On November 4, 1986, I received a letter from Senator Jesse Helms, who indicated that Congressman Lott had been in touch with him and that he wanted to arrange for a Senate Foreign Relations Committee to investigate the situation. He wanted to know if I would send him the names of knowledgeable people who would be willing to testify under oath, regarding this situation. I sent him fifteen names, after getting their approval. These included Earl Jones, and Sheriff Gary Painter of Midland Texas and myself.

Later correspondence from Senator Helms indicated that Congress was so "bogged-down" with the Iran fiasco, he did not know when they would get to the much more dangerous situation at our back door.

For you as a reader, to intelligently understand this INTELLIGENCE UP-DATE, it would be of great help if you had Mr. Thatcher's original RED DAWN INTELLIGENCE REPORT. What I will tell you in this pamphlet, is a further unfolding of events as shown in the first report.

Many of us who have followed the situation south of the border, have seen and read considerable about the U.S. Military using Soviet equipment and uniforms in their training.

But when you realize, that we have at least 124 traitors in Congress, who were willing to break their oath of office and sign the Declaration of Interdependence, which nullifies the American Constitution, and when over 260 more belong to an organization known as MEMBERS OF CONGRESS FOR PEACE THROUGH LAW (MCPL), who have vowed to disarm us and bring the United States under the protection of a United Nations peacekeeping force (shades of the movie AMERIKA), not to mention the members of our government who are members of the One-World trilateral Commission and the Rockefeller controlled COUNCIL ON FOREIGN RELATIONS (CFR), what might make you believe that this Sovietufac equipment is in this country for purposes other than American military training? When Americans get used to seeing something, they have a tendency to become incredibly naive about it.

I remember an incident which took place during WW II. I was stationed at Ft. Chaffee, Arkansas. One summer, in the middle of the war, we staged a problem in intelligence. About 25 officers, dressed in German uniforms, went off post to travel around the country and note the reaction of the American public. Some got as far away as San Francisco before they were questioned. One was picked up in southern Georgia by an old "red-neck" farmer, who recognized him as an enemy and held him at gun point for the sheriff. But the majority of these pseudo-enemy were not even noticed. What makes you think that things are different now?

If you saw a group of men in Russian uniforms, moving down a country road in Soviet military vehicles, would you recognize them for what they are? If you did, what would you do about it? The majority of Americans would do nothing, because they wouldn't want people to think they were stupid, after all, seeing enemy on our roads.

In recent years, National Guardsmen have been sent on special summer maneuvers, so they could learn to identify enemy equipment and be prepared to defend against it. Yet on at least one occasion that I know of, when a Soviet AT-62 tank was observed at Ft. Polk, Louisiana, the troops were given no occasion to inspect it at close quarters. Why? Was this just stupidity on the part of some training officer, or Was it planned this way, higher up?

In the 1970's the U.S. Army actually published a comic book entitled KOMRAD IVAN. It was used at Ft. Benning, Georgia, the major Infantry training center in the United States. There was an instructor in Russian uniform, with a Russian dialect, who taught classes on Russian small arms. When he was approached by Mr. Thatcher, who was in training in the area and asked where he came from, he said: "My family emigrated to Mexico from Russia. I'm a Mexican national."

Now if you had been doing intelligence work on a Soviet presence in Mexico, wouldn't this have
made you a bit suspicious? Or what about the Red Chinese officers who are receiving training at Fort Benning?

In his new Trojan Horse Report, Mr. Thatcher shows many photos of new Soviet equipment. Lots of it is in the United States.

Did you ever stop to think that possibly - our State Department's proven treason being what it is - that this Soviet equipment might some day be taken over by real Soviet troops - possibly English speaking elite "Spetsnaz?" No one would know the difference, except the traitors who were in on the deception.

You may be one of those brainwashed fools who say: "That could never happen here!" But do you trust our officials in the State Department, after their record of pro-Communist sympathy for over 40 years? We have been told over and over again, that America was the only country which has taken a strong stand against the advance of Communism. Even Mr. Reagan has told us this. Yet can you explain why, if this is true, that on at least eighteen major occasions since the Communist Revolution in 1918, when the Soviet Union has been on the edge of economic collapse, it has been the American government, headed by our State Department, using your tax dollars, that has bailed them out and kept them alive? If our Congress and our government leaders would put up with this treason, what makes you feel they have changed?

I saw State Department treason in pre-war Korea, when the U.S. Ambassador, a Mr. William C. Muccio, deliberately withheld vital information on the North Korean military buildup, from General MacArthur's Eighth Army Headquarters in Tokyo. Yet when I found documentary evidence of this treason, in the Ambassador's own office in Seoul, the day after the Korean War began, and sent it to Senator William Knowland of California, who took it before the Senate Foreign Relations Committee, both of us were harassed for our daring to expose the treason of the State Department. It finally drove me out of the service, 14 years later.

A few years ago, when Nelson Rockefeller was Vice President, he chaired a committee which was investigating Communist influence in Congress. His committee came up with a list of over 800 known Communists who were holding jobs in the government, mostly in the State Department. When Senator Barry Goldwater of Arizona challenged him to release this information to the American public, Rockefeller was alleged to have said: "I can't do that. It would ruin our detent with Russia."

Most military officers, especially those who have received their military indoctrination at West Point or Annapolis, will seldom question orders which come from a higher authority. Their slogan is: "Ours is not to reason why; ours is but to do and die!" They do not want to cause ripples in the military pond, because that is bad for promotion, you know.

Yet our military should fear subversion in the machinations of the bureaucracy, as much or more than they fear it on the battlefield, since they both lead to defeat and death.

I thank God, that there are still men of integrity in our military forces. These are the men who look on their job as something other than a good living. These will do their duty to God and country, no matter what the consequences. How many of these men would stand with the people, if the government turned into some monstrous bureaucracy which was destroying the people's freedom? Your guess is as good as mine.

Then we must take into consideration the large number of aliens who have been taken into our armed forces. Where would their loyalties be? We already know, that extremists like Louis Farrakkan, have called on Black soldiers to come out of the military, into the revolution, and bring their weapons with them.

When the RED DAWN movie was made a few years ago, it was an excuse to bring Soviet equipment into the United States. They even flew late Soviet equipment across the border from Mexico. The movie itself, was shot a few hundred miles north of the middle of our southern border,
in Las Vegas, New Mexico. On the surface this seemed like a patriotic movie, but it had the clever purpose of further fooling gullible Americans, who believe it will never happen here.

A military person with combat experience, would immediately recognize that this movie project was highly developed as a cover, with meticulous attention to detail. Elaborate, fake Russian equipment, or even the real thing, was not necessary to fool the American public. They will accept most anything put out by Hollywood. Look at the movies the Jewish overlords of the screen have sold the American people as documentaries in recent years, ROOTS, HOLOCAUST, SHOAH, etc., not one of them have been accurate in a historical sense, yet most Americans accept them as historical fact.

Much expense could have been spared by the use of older American equipment with Russian insignia. Why then did they go to such lengths to use authentic equipment? Was it so that it could be brought into position, and also that Americans would get used to seeing it on their city street? Today, the sounds of heavy diesel engines, or a truck loaded with camouflaged heavy equipment which could well be a Soviet tank, is not even questioned by gullible Americans, including the police. What was to go wrong? "After all officers, we are filming a war movie about the Soviet Union. What's so strange about us using Soviet equipment?"

And so it goes, a little at a time, as the Trojan Horse is built and left inside America's defenses for the gullible public to gawk at and when warnings such as this come out, many, including some who read this, will say. "What you are saying is absolutely unbelievable. It couldn't happen here!"

Then came RAMBO FIRST BLOOD, Part II, filmed in Mexico in 1985. Again, the arch villains were Soviet Spetsnaz troops.

Then in 1986, because RED DAWN had been so successful at the box office, the Jew boys in Hollywood came up with the $35-million AMERIKA. Or was this the reason? AMERIKA was about the first ten years of America's occupation by United Nations and Soviet troops. "Good movie, buddy. Nothing wrong there. Except it will never happen here!" Entertainment - of course - and you know how the American public likes to be entertained, its about number one on their agenda - but it was cleverly designed entertainment, designed to further acquaint Americans with the sight of Russian planes in our skies and Soviet equipment on the ground.

According to the movie magazine, ENTERTAINMENT TONIGHT, this mini-series was shot on location, in Tesumah, Nebraska, close to the geographical center of the United States.

The movie, according to an article in Newsweek was supposed to depict a Soviet attack against the United States. If so, why was a good deal of it filmed in Canada, when they had a location in the good old U.S.A.? Could the simple explanation be that the same cover-up was in operation in Canada?

Many of you will remember see this movie. According to this mini-series. the communists come in and take over without firing a shot. (Shades of Nicolai Lenin who predicted this.) We just woke up one morning and here they were. But it couldn't happen here. remember?

The Bible tells us in I Thessalonians 5:3, "For when they (the people) shall say. Peace and safety; then sudden destruction cometh upon them . . . and they shall not escape!"

Whenever you see a film which is a Hollywood fantasy about a Communist invasion. You can bet your bottom dollar, that if it was produced by Jews and which movies aren't? - then it is a portrayal of the real thing. You must remember that this deception, just as their vision of HOLOCAUST, was very carefully staged and orchestrated. So was it really entertainment, or prophecy in disguise?

The same thing is being done to the American people through Jew controlled newspapers, magazines, and books. All you need to do to understand this, is learn to "read between the lines." These instruments are not for the purpose of giving Americans the truth about what is happening, but as Walter Cronkite once put it: "My task isn't to tell the truth; I'm an opinion molder."
The actors on the written pages of your daily newspaper and weekly magazines, are often subversive journalists and photographers who have sold themselves as prostitutes to the enemy. They are "prostitutes from the waist up, just as a woman who sells her body, is a prostitute from the waist down." Many of these whores and their pimps can be found among the nations educators and church pastors. A man like Falwell, who sells out to the Israeli for the privilege of staying on TV and making a pile of money, is as much a prostitute as any other, regardless of how much good he is doing in other efforts. Not only is he a prostitute, he is also a traitor. This goes for a majority of the TV evangelists and we have seen how clean their skirts were in the recent PTL scandal. Isaiah 56:10 and 11 says they are "blind watchdogs who always sleep; greedy dogs who can never have enough; shepherds who cannot understand, doing everything for their own gain." They keep their people in a constant fog of disinformation concerning the nature of their enemy. "God's Chosen People, you know!"

There have been many instances in the news, of elaborate hoaxes to fool the public regarding things such as "flying saucers, and so-called religious experiences." According to some of those who have been on the inside, of some of the faith healings which we have seen take place on TV, were elaborately planned by the evangelist, to fool the brainwashed viewers and keep the collection baskets full. At the present time, a retired minister is making the rounds of many charismatic churches, telling how God took him bodily to heaven, where he spoke with Jesus, Abraham, Moses, David and the apostle John, and others. How he actually saw the apartment God has reserved for him in heaven, 700 miles up in one of the upper floors of the Holy City. He is being acclaimed by such well-known charismatic preachers as Jimmy Swaggart. You can make up your mind, that the collection boxes are filled to the brim, at all his meetings.

An article from the HOUSTON CHRONICLE, December 28, 1986, headlined DRUGS SHIPPED INTO THE U.S. THROUGH THE BIG BEND PARK, says in part: "Planes loaded with military supplies, etc., fly from secret landing sites in northern Mexico through the mountains and canyons of the huge park to avoid radar. The planes fly at low altitudes at night, without lights, heading for prearranged landing sites in West Texas and New Mexico . . . from there (Big Bend area) they fan out to the lowlands ... to transfer their drugs and military equipment, ammunition, etc., to waiting cars, trucks and vans ... there are areas around here where you could land an air force (how about communist troops?) and nobody would see."

There is little doubt, in the minds of those of us who have made a study of this border situation, that the time has come, when Communist agents, some of them of high military rank in the U.S. military, and many of high rank in the Department of State, are busy with another deception. This will very probably call for a planned military maneuver, which will place Soviet equipment even closer to their estimated targets. These would include Fort Hood, Texas, the largest tank base in the world, near Austin; the U.S. Air Force base at Bergstrom; the National Guard Headquarters at Camp Mabry, near San Antoryjo and the numerous Army and Air Force installations, such as the Corpus Christi Naval Air Station. This one in particular will probably come under attack from the Northwest.

Civilians will notice little amiss at first, for they have become used to the "clack, clack" of helicopters overhead. I doubt if one American civilian in a thousand, could identify a Soviet ship flying above 1000 feet. In our area along the Gulf Coast, it is a daily occurrence to see and hear ships overhead, and seldom does anyone pay any attention to them. I know, that on my part, as an old military man who knows what possibly is taking place, I seldom if ever attempt to identify these aircraft.

The Soviet move towards total deception of the American public, both military and civilian, is sophisticated only in the sense that years of subversion were necessary to plant their agents on the inside of every important American function.

The latest incident concerning an Iraqi air attack against an American battleship, which now appears to have been a case of mistaken identity by a green pilot, since Iraq had nothing to gain and
everything to lose from it, is a good example of this.

While Congress was buzzing around in their usual confused manner, the media for days, devoted most of their news space to what they called a "dastardly attack." The liberals in Congress, who are normally labeled as "doves," screamed louder than most. Yet by comparison, a few years earlier, when the Israelis deliberately attacked an American naval vessel in the Eastern Mediterranean, with the avowed purpose of sinking it, (an attack that lasted over two hours and was carried out by planes and surface craft), very little information was leaked to the American public and Congress, for the most part, has done everything possible to thwart an honest investigation of this act which was "dastardly." This could only happen with strong, inside control by the Zionists.

The May 6, 1985 issue of TIME MAGAZINE gives a good example of a "cover up" story. It tells about a T-54 (Soviet) tank, complete with guns, which was found on a flat bed trailer in a parking lot of a farm supply company, near Pier 10 in the Baltimore port area. According to this story, it had been transported to Baltimore via barge and was on its way to the Teledyne Continental Motors shop in Muskegon, Michigan for repairs and rebuilding. Now could it be possible that other Soviet military equipment is being shipped to the U.S. for this same purpose? What a cover this would be! There were no references in this article to any Egyptian markings on the tank. Yet for every tank which is shipped to the Michigan plant, five or ten could easily be hauled by truck to their designated hiding places in the U.S. It would be so easy to camouflage them, that even the police would not know that they were foreign military equipment.

The Russian T-62 battle tank has now been up-dated, so that it can fire Western projectiles. According to the February, 1985 issue of Air Force Magazine, Egypt has 900 T-54/55's and 600 T-62's. These could be shipped to the U.S. by Atlantic, Pacific and Gulf ports and I seriously doubt that the American public and military would see anything amiss. The Egyptian tank in the Time's story, apparently got into the Baltimore port, without the authorities knowing anything about it, or so we are made to believe.

Large camouflaged armored personnel carriers have been seen on American roads. To the casual observers they give the appearance of being M-113 Armored personnel carriers. But one with an analytical mind, who has worked with these vehicles, as was the case with Mr. Thatcher, noticed that these vehicles were wider than the American type. His question was: "Could these be disguised Soviet SAV-122 units with a width of 10 feet, about one foot, eight inches wider than its American counterpart?" How many other Americans would be this observing? The answer is, very few! How many would say anything to the proper authorities if they noticed it? Probably even less, for we Americans have been nurtured on a "don't cause ripples in the pond," philosophy. Besides, we wouldn't want to be laughed at if we are wrong.

During World War II, both sides became adept at camouflaging their vehicles. The British used what they called the "sunscreen." During the Korean War, the North Koreans often disguised their T-54's as haystacks. When they sat quietly in a field or beside the road, you would never recognize them from the air or ground as the real thing. The Soviets have become magicians at this art and I'm sure any Russian equipment, traveling on American roads for an unlawful purpose, would be camouflaged to the point where it would pass the close inspection of a motorist who might get stuck behind it or along side of it in heavy traffic. The truck driver, with proper papers, and very probably a carefully trained Russian Spetsnaz trooper who spoke perfect English, could easily get the cooperation of local authorities and pass without trouble through highway "weigh stations."

Using the disguise of a heavy logging truck, it would be possible for the Soviets to drop off their heavy tanks via the St. Lawrence waterway, on both sides, where they would then be hauled to their final destination, three at a time.

Simple deductive reasoning would make us come to the conclusion that the Soviets would need 10 or 20 tank divisions to secure the northern flank of the New England states and for their advance south towards Boston and New York. There are millions of acres available in Maine, where this
equipment could be stored. If you took at a good road map of the state, you will find very few public roads in the Northeast one-third of the state. There are many private logging roads. You will see them marked on your road map, with gates to hamper traffic.

As part of the ever increasing Drug War, police are now using Commando Armored Vehicles to batter into houses and buildings which may contain drug distribution points. These vehicles are strikingly similar to the Russian BRDM-2. They are being used in Miami, New York and Los Angeles. Could it be that our people are being conditioned into seeing these armored personnel carrier on their streets? if a group of these vehicles, bearing no distinctive markings were to move into the main street of your town, would you be disturbed? or would you think it was just another police unit, or possibly a military unit on maneuvers? What would be your reaction, if these vehicles suddenly disgorged Soviet occupants? Chaos? Terror? Complete disorganization? Most likely!

As the Drug War reaches shooting proportions along both our borders, what is to keep Soviet forces from using this deception to get into the country undetected? We must remember that these Soviet special forces are given rigorous training in the speaking of English, and the customs of the people they are going to conquer. They will appear as normal American soldiers, until it is too late. There are thousands of places, where these troops could enter this country undetected, both from Canada and Mexico.

As our enemy begins to position himself closer and closer to his final objective, he continues to put out disinformation data and pictures. True as well as false information will appear in your daily newspapers and via television.

Unfortunately, whether we want to admit it or not, our government and the military are riddled by enemy subversion. Who would have thought that American Marines, noted throughout the years for their integrity and loyalty, would turn out to be Soviet agents in our Moscow embassy? We have known for years that these subversives were in the State Department. Franklin Delano Roosevelt welcomed them in his administration and they have been there ever since, with little effort on the part of Congress to investigate and root them out. When Senator McCarthy tried to do something about it a few years ago, they ruined and finally murdered him.

There is little doubt in my mind that one of the major reasons Congress has been so anemic in this important area, is due to their Zionist connections. When you talk Zionism, you mean Communism, they are one and the same.

Reading "misinformation reports" in our daily newspapers and seeing it on TV, makes it appear as though Soviet aircraft appearing in the U.S. are for the purpose of improving our ability to fight them. It also goes far to "cool off" any suspicion that something "phony" is going on, like maybe a TROJAN HORSE being prepared for our people.

You can accept this intelligence so painstakingly gathered by a concerned American, or you can laugh it off as the "ravings of a demented mind." That's your privilege. But be certain of this. The Communists plan to win the coming war. The World Zionists who are behind them plan to win. They have planned long, carefully and hard. Their prior planning has been done in great depth Some of it has been visible for those of us who have cared to take the time to look. But they have used every psychological weapon at their disposal to dull the perception of their presence and intentions, they are War Magicians! They are aided and abetted by traitors within our people.

In a DEFENSE DEPARTMENT INTELLIGENCE REPORT on SOVIET/WARSZAW PACT GROUND FORCE CAMOUFLAGE AND CONCEALMENT TECHNIQUES, (DD 1-1100-161-78), dated January 1978 by the Defense International Agency, can be found this statement

"The Soviets believe that deception promotes surprise, minimizes losses, and improves their prospects for success in combat. For these reasons, deception is an integral part of virtually every Soviet military operational plan."
You can "Bet your bottom dollar," they will do everything possible to fool decent Americans into believing they have no ulterior purposes as far as America is concerned. They want you to doubt Intelligence Reports such as the one you have just read, for this aids their effort. They will do everything possible to destroy and nullify the patriots who attempt to warn our people. You can already see them working through our U.S. Department of Justice, aided and abetted by the Jewish A.D.L., as they bring "sedition" charges against men and women who love America.

The "right-wing" extremists who are being jailed by the government, under Jewish pressure, are not the enemy of the American people, our real enemy is found in a government which has become the tool of the Internationalists and a compromising Congress.

The enemy knows they cannot fool all of us. But they believe that the vast majority of Americans are gullible to their deception and to date this has proved so! The name of the game we are in is WAR! War to the hilt for the survival of this last bastion of freedom.

As Mr. Thatcher so well put it: "We Americans have enemies. Enemies that want to destroy our way of life. Part of this process is to destroy our ability to figure out what they are up to. Therefore they can gain a military advantage over us. They realize that a deceived person does not know that he is deceived. This is the very essence of deception."

These enemies of the Zionist-Communist One World Conspiracy have openly declared their intention of "destroying white Christian civilization." Most of our people have not believed them. So as they see their own government "declare war," against those who stand for America, most of the brainwashed ones will say: "They had it coming. They stood up against our government." What actually happened, was that a few, a very few, had the courage to write and speak up' about subversion in our government and how it has come under alien control. This the enemy cannot allow to happen.

Recently an A.D.L. leader bragged that President Reagan has done more to "stamp out anti-Semitism," than any president before him. What does this mean? It means that the present Republican Administration, is completely under the control of the same people who headed up the Communist plans to destroy us.

If this subversive government is successful in their jailing and charging of the more radical leaders of the "right", such as Richard Butler of Aryan Nations and Bob Miles of The Mountain Church, then it will only be a matter of time before they come for Pete Peters, Earl Jones, Mike Watson, Ben Williams and Jack Mohr. If they are successful against us, then you will be next, if you love America and stand up for her freedom. For they are determined to crush the only people who have the courage to stand up for American principles.

This is why it has become so essential that we hang together in this crisis. We may disagree with some aspects of the more radical right, but in the immortal words of Benjamin Franklin: "Gentlemen, if we do not hang together, we will most assuredly hang separately." This means that we must put our money where our mouth is. It means that we MUST help, our beleaguered brethren fight the system.

More than anything else, the enemy in order to be successful must maintain their plans through their deception. They must fool enough "good Christians" who reside among the "brainwashed" millions of Judeo-Christianity, into believing that we who love God and country are the real enemies Noont>

Many of us realize that America has been penetrated by the enemy. Our government knows this and in a matter of weeks, or maybe a few months, we will be delivered an ultimatum (there is evidence that this may have already happened). The enemy has played his hand well. How will we play ours?

The enemy is already here. They are already in the halls of government. The question is, will we who love this country set supinely by, gazing at our TV sets, while they place the chains of slavery around our necks? Will we sit quietly while they prepare our elderly and sickly for the elimination centers? will we be patient while they place our young and middle aged as slaves on their farms and
factors? will we be willing to see our children become pawns of the anti-Christ?

The chains have already been forged! They have said PSYCHOPOLITICS, page 52 - "You must recruit every agency in the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief that Christian practice is vicious, bad, publicly hated and intolerable.

"We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christians, remember we have yet to influence the Christian world to our ends. When that is done we shall have an end to them everywhere."

This, my Christian friend, is what the Zionist-Communist enemy has in store for you. We MUST not allow this to happen. Reason tells us that it is better to die on our feet as free men and women, than to live on our knees as Zionist-Communist slaves.

The answer to our dilemma is found, as always in God's Word, 2 Chronicles 7:14: "If my people, called by my name (Christian), will humble themselves, and pray, and seek my face, and turn from their wicked ways: THEN will I hear from heaven and WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND."

The repentance must come before overt action to reclaim our heritage. Only by placing "first things first," and getting our people in a right relationship with God, will we be victorious over the anti-Christ. There are many of our people who do not want to do it this way. They want to go out and fight the battle with their own strength. This will not work and they will be defeated every time. May the many "brainwashed" Christians in the Judeo-Christian churches of America, wake up to this truth before it is too late.

The End
WANTED! - A FEW GOOD MEN!
(A call for volunteers in the army of the Lord!)

"Be strong, and quit yourselves like men. Quit yourselves like men, and fight," (1 Samuel 4:9).

"Watch ye, stand fast in the faith: Quit ye like men, be strong!" (1 Corinthians 16:13).

There is a theme today which seems to be growing in popularity among all classes of people. It can be seen in the movies, on TV, in children's toys, in sports and on the media in general. This theme is: "the world belongs to the strong!" It is a new variation of the old theme which said: "might makes right!" Under this theme, the United States Government has made itself the policeman of the world and by interfering in the affairs of other states, we have earned the enmity of most of the world. Where we were once loved, or at least admired, we are now hated!

We folks in the Christian Identity Movement have been infected with this "macho" thinking too. If we only have enough firearms and ammunition; if we could only control the media, then we would be in the driver's seat and things would be run right in our Government.

We "ooh" and "aah" over the brilliant achievements of mankind; at the brilliance of high-powered executives, at mighty muscles. "If only we were stronger, we could win this war," we say.

But unfortunately, God isn't impressed by the things which impress mankind and a surprising number of professing Christians, including a large number in the Christian Identity Movement are being misled by the enemy into trying to prove to the world that we aren't a bunch of "feeble-minded sissies. 'We're tough! y'know!"

Some of our Identity people have gone to the extremes of trying to prove this by parading around in camouflage suits, carrying their pretty guns, as though these things were the mark of "warriors for Jesus Christ." In doing this, we have set ourselves up as "extremists, a danger to all others who do not believe as we do." This is stupid! Wars are not won by parades, and loud words of braggadocio. They are not won by telling others how brave we are. That is why I am a firm believer in "Walk softly; but carry a big stick!" In other words: "Don't go around bragging how you are going to beat up on the minorities, and the Jews; don't shout your hatred of others from the housetop and tell how you are going to eliminate them." Instead be prepared! Be ready for the battle, but don't brag about it.

There is an old saying that is true here: "Let not he brag who puts on his armor, as he that taketh it off." In other words, do your bragging after the fight, not before. Nine times out of ten, if you wait until then, you will have to admit that it was not your own strength or brilliance that won the day, but the leadership of our Supreme Commander,
Jesus the Christ!

Today, everywhere, men and women are urged to affirm their strengths and ignore their weaknesses and failures. But as Christians try and prove to the world how brilliant and successful we are, we affirm the world's erroneous idea that "big and strong" is good, no matter what goes with it.

Why is it that Christians want to be impressive in the eyes of the world, when Jesus said that if the world loved us, we were not one of His? The Bible teaches us that: "God hath chosen the foolish things of the world to confound the wise: and God hath chosen the weak things of the world to confound the mighty." (I Cor. 1:27).

Most of us have seen paintings of the Bible hero, Samson. They depict him as a giant of a man with bulging muscles - a power house of strength. But there is something wrong with this concept, since it isn't Scriptural. The Bible tells us that the Philistines could not figure out where Samson's strength came from. This indicates to me that he was a man of normal physique. Judges 14:19 tells us the source of his strength when "the Spirit of the Lord came upon him." He was an ordinary man until he allowed God to use him.

There are many areas of strength that Christians should desire. Being confident that our decisions are correct and are being made in accordance with God's will is one of them! Being able to resist temptations; courage to do God's will, even when it earns the contempt of men. These are all worthwhile areas of strength we should yearn for and desire.

But we make a grave mistake in our thinking, when we ignore our weaknesses. You see, the big difference comes in whether we rely on our earthly resources, or on the "Spirit of the Lord." Now don't get me wrong. I believe God wants Christian to prepare for the days of trial which lie ahead. He wants us to take care of our own people. His own teachings indicate this. In Luke 22, we find Him discussing the Kingdom efforts with His disciples. He reminds them of the days when He sent them out without any resources to preach the Kingdom message and when He asked: "Did you need anything?" They were able to reply: "No, Lord! we needed nothing." But then in verse 36 he makes a very significant remark which most Christian preachers have completely ignored. He said "But now!" What does that statement indicate? It indicates a change. It is saying: "Once I told you to go out without any preparation, but a change has taken place and now if you don't have a means of protection, get one, even if it means selling your garments to obtain it!"

Then in 1 Timothy 5:8, the Apostle Paul gives a further Christian precept when he states: "Take care of your own; especially your own family. Give them food, clothing, shelter, protect them. For he who will not do these things is worse than an infidel." (This is a paraphrase of this verse - ED.)

Just as God spoke to Paul in 2 Corinthians 12:9 and said: "My grace is sufficient for thee: for my strength is made perfect in weakness," so He speaks to His people today.

When Jesus ate the Last Passover meal with His followers in that upper room, He told them about His coming trial and execution. He knew their hearts, so He told how they would abandon Him in His hour of greatest need. Peter, the strong one of the group; the one who always had an answer for anything said: "Not me Lord! No matter what all the others do, I am ready to die with you!" Then Jesus said: "Tonight you will deny me
three times," (Matthew 26:35). It's interesting to note that all the disciples said the same thing.

Did they fail the test? They failed even before the test! They could not even stay awake while Jesus prayed in the garden and when the enemy arrived, they were already a whipped crew. I know how Peter whipped out his sword and took a swipe at one of the enemy, but this was his last show of braggadocio; from this point on, he went to pieces!

I knew a man recently who was obsessed with his own strength. His name was Randall Rader. He was in charge of the military training of the C.S.A. (the Cross, the Sword, and the Arm of the Lord). He told me: "I'll never surrender! If the government messes with us, we will give them a chance to surrender before we wipe them out!" He loved to strut around in his camouflage uniform, with a pistol strapped on his waist and a Mini-14 slung over his shoulder. He was the very picture of a brave man! Then he became involved with the ORDER in Washington and when that group "blew up," he was the first man to fold under government pressure. He cooperated so thoroughly with those he had once called his enemy, that he is now out on parole, while his comrades are serving long prison sentences. Right or wrong. His physical strength meant nothing when the "chips were down."

The Lord has told us in Jeremiah 17:5: "Cursed is the man who trusts in mankind and makes flesh his strength." This is one of the biggest weaknesses of the Identity Movement. Too many of us believe that our strength is in our armament and in our physical courage. We put our trust in man.

Recently when I saw a trend within the Movement to deify and glorify Adolf Hitler, I wrote a small tract titled THE HITLER CULT! It was a warning to our people not to put their trust in man, but in God. It has drawn all sorts of incredible flack and insults. I have even been accused of being an agent for the Jewish Anti-Defamation League. But whether you want to accept it or not. Our strength will not come through our own right arm.

Psalm 33:16-17 tells us that "The king is not saved by a mighty army; a warrior is not delivered by great strength." In Habbakuk 1:11 we read: "But they will be held guilty, they whose strength is their god." Some men in the Identity Movement have defied themselves by believing they can be successful in their own strength.

The simple fact is that all men in themselves are weaklings. I had one member of the Nazi Party, who disagreed with my tract on Hitler, who bragged about the street battles he had been in and how he had beaten up on Jews. He thought this made him a man! He even challenged me to meet him in the boxing ring, to prove that he was right and I was wrong. (He's about 40 years my junior - ED). We may not want to admit our weaknesses, but we have them nevertheless. Jesus told His followers - His people in John 15:5 - "Without me, ye can do nothing." We better remember this! Without Christ as our Commander-in-Chief we are a whipped people, a defeated nation.

It doesn't matter how pure your Israelite blood may be. It will be worthless to you in the day of testing, if you are not on the side of the King. This means you MUST have a personal relationship with Him. The Bible refers to this as being "born again." I know that many of us don't like that term, because it has been so terribly misused in the Fundamental Christian world; but it's a good Scriptural term. Jesus used it one day when
he spoke to a pure blooded Israelite named Nicodemus, who asked Him how he could get into the Kingdom of God. Jesus said: "Nicodemus, if you ever want to see the Kingdom of God, ye must be born again," (John 3:3).

Is this some mystical formula? Some churches have made it so! There is no magic in it at all. It is simplicity itself. First you cannot obtain it unless you are called by the Spirit of God. The Bible clearly teaches this. Then when this call comes, you must first recognize yourself as a rebel against God, one who has deliberately broken His laws. So your first step must be to seek His forgiveness. When He graciously forgives you, you then pledge "fealty" to Him as your liege Lord. In essence you pledge: "You are my Lord from this day forward; your laws are my laws; I will be true to you unto death!"

When you have done this, then the Holy Spirit changes your nature and you become a "child of God" and an Israelite ready for the Kingdom.

There are many times when it seems as though the odds are stacked against us. The enemy has the power, the money, the media, even the support of most of the so-called Christian churches, the Judeo-Christian churches. What do we have left?

So we turn in our Bibles to Judges 6 and 7 and read the inspiring story about a man named Gideon. Gideon was a modest man, he described himself as "the youngest member of the least family in the land." Yet it was this modest farmer, that God called to lead His people Israel out of bondage to the Midianites.

As the Midianites gathered their army of 135,000 men against this upstart, he was able to raise only 35,000 ill-armed men, they were outnumbered four to one. But God told him: "Gideon, your force is too large. If you defeat the enemy, the men will say, look what we did! Get rid of all those who are afraid." So when Gideon announced that all the fearful could leave, 22,000 left, leaving him with an army outnumbered 13 to one. Again God said: "They are too many!" You remember how he tested the men and how he set aside 300 disciplined men to handle a task that 32,000 could not handle. With these 300 disciplined men, God won a great victory without ever using a e coon.

What a lesson for modern Israel as we stand with our backs to the wall, surrounded by an enemy who means to destroy us, with limited means. We can't see how we can win and many of us are determined to die if necessary, rather than live as slaves. But God says: "A few dedicated men is all I need. Be prepared, then put your trust in me and I will give you the victory." Some of us will undoubtedly die in the coming conflict, but we can die with this knowledge, we are going to win, because our God has promised this. If we are willing to do things His way. And when the smoke of the battle clears away, our Israel people, and the enemy too, will know without the shadow of a doubt, that we did not win the victory because of our superior might; we did not win because of our superior bravery or military strategy; we won it in the "strength of the Lord."

This is why God often has to "whittle us down" to the point where we depend on Him rather than on ourselves. He wants us to put our trust in Him alone. There is no reason for us to brag about our strength, since our "power is perfected in our weakness."

This doesn't mean that God's people should not prepare for the coming conflict, as some teach. Some say that if you prepare it's a sign you have lost your faith in God. Not so! Noah did not labor for 120 years, building a boat and listening to the jeers of the world, because he wanted to take his family on a vacation cruise. He built the ark because he had faith in God and God used it for the salvation of His people. Joseph didn't Store up
grain in Egypt for seven years, so that he could sell it to Egypt's enemies, as our country
does; he did it for the protection of God's people. Folks, we are headed for the "show
down battle of the world." Our people are not going to be Raptured out of the mess they
are at least partially responsible for, to some big "party in the sky," while the world goes
through hell on earth. But never ever allow yourself to be deluded into believing that
you are strong enough in your own strength to handle anything that comes along.
Brother, sister, if you do, you are riding for a shocking fall!

It is when we admit to ourselves and our fellow men and most of all to God, that we are
unable to conquer the enemy in our own strength, that God will step in with the
miraculous. "Trust in God with all your heart, and do not lean on your own
understanding." (Proverbs 3:5).

True humility doesn't mean going around telling how dumb we are and how we can't do
anything right! This is stupidity! Yet I've seen some Christians, Identity Christians who
do this and believe it's humility. To me it's nauseating! True humility consists in
knowing our own weaknesses, in admitting them and then standing before Almighty
God YAHWEH, while we put on His strength instead of our own. It's then, that His
awesome power can go into effect for His people.

When we admit our weaknesses we don't have to put on a show for the world. This is a
family matter. We don't have to go out and show how tough we are. I have found this is
almost always a facade for cowardice. When we admit our weaknesses to Him and are
willing to put on His strength and lean on Him for our guidance and understanding, then
we will see evidence of His wisdom and power, and the truth of Isaiah 54:17 will
become evident: "No weapon that is formed against thee shall prosper, and every tongue
that shall rise against thee in judgment thou shalt condemn. THIS IS THE HERITAGE
OF THE SERVANTS OF THE LORD." (Emphasis added.)

God has given His people this direct order, as found in Jeremiah 9:23, 24 - "Let not the
wise man glory in his wisdom, neither let the mighty man glory in his might; let not the
rich man glory in his riches; But let him that glorieth, glory in this, that he
understandeth and knoweth me (God), that I am the Lord which exerciseth
lovingkindness, judgment, and righteousness, in the earth; for in these things I delight,
saith the Lord."

In the 11th Chapter of the Book of Hebrews in the New Testament, we find the exciting
account of men and women who were Christian heroes. They did extraordinary things,
because they put their trust in YAHWEH God. Verses 33 and 34 tell us that because of
their "faith," they "subdued kingdoms, wrought righteousness, obtained promises,
stopped the mouths of lions; quenched the violence of fire, escaped the edge of the
sword, Out of weakness were made strong, waxed valiant in fight, turned to flight the
armies of the aliens."

Remember, our Master, Jesus the Christ was not some "muscle bound" giant. He was
depicted as a "lamb," pierced for our sins.

But do not underestimate this "meekness." For one day soon, He will return and the
world will see Him and His wrath, the "anger of the Lamb," (Revelation 6:16). In that
day He will return as the Lion of the Tribe of Judah, the King of Kings, and the Lord of
Lords, to take His rightful place as the ruler of this universe.
So as a final admonition for those of you who look for His return: "Be strong in the Lord, and in the power of His might. Put on the WHOLE ARMOR of God..." You see, my Christian friend, your task is to be a "soldier" in the front lines of the battle. You are not to be a FOXHOLE DWELLER!

The End
A Book Review on OTHER LOSSES

". . . there is nothing covered, that shall not be revealed: and hid that shall not be made known."
- Matthew 10:26

The Final Truth About World War II

Is America finally about to be thrown a scrap or two of historical truth? If so, have the Soviet relations of recent months, which has caused its leaders to admit to the murder of millions of their own people, allowed a few rays of truth to filter down and penetrate the Iron Curtain which has been erected over World War II, and which has kept vital facts from our people?

Something out of the ordinary seems to be going on within America's ruling circles. Are we finally to be told the truth about World War II?

Recently a book was written by an eminent Canadian author, James Bacque, of Toronto. It is titled OTHER LOSSES and deserves the widest possible distribution in the United States, especially among our veterans who fought World War II. Although Mr. Bacque's book does not picture America and her allies in a favorable light, it has had an amazing reception in Canada, although the people of the United States, for the most part have been kept in the dark about one of the most heinous episodes of World War II, which revolves around the Supreme Commander of the Allies in Europe, Gen. Dwight David Eisenhower, who was known during his days at West Point as that "terrible Swedish Jew."

I have my own opinions of Dwight David Eisenhower, opinions formed during the early days of World War II, from information I received from officers who knew "Ike" before he became Supreme Commander.

During the days before World War II, "Ike," as he was affectionately called, was noted as a "ladies man, and the best damned bridge player on the Post." (Quotation not mine.) When anyone would mention Ike as a troop commander, it was met with hilarious, profane skepticism. Then too, my opinions of Ike were formed by the attitude of my Commanding General, Gen. George Patton, who looked on Eisenhower as a "whimp," not worthy of his rank.

As many of you will remember, Ike was promoted to Supreme Commander in Europe. From Lieutenant Colonel, in early 1941, Eisenhower was promoted to full Colonel in March 1941, to Brigadier General (temporary) in September. In February 1942, after he became a favorite of Gen. George Marshall during the Louisiana Maneuvers, he was appointed Assistant Chief of the War Plans Division. About this time, Ike became acquainted with the daughter of President Franklin Delano Roosevelt, and she introduced her boy friend to "pappa." Evidently F.D.R. recognized in this young officer, a man who would agree with his plans and who would do anything to get promoted. This began a rapid spiral of promotions which by-passed many officers who outranked him and who were much more qualified for the posts he occupied. He became Chief of Operations Division, War Department General Staff (March, 1942), to Commanding General of the European Theater of Operations in June 1942, to Allied Commander in Chief, for the invasion of North Africa (November, 1942), Sicily, (May 1943), Italy (September, 1943) and finally to his ultimate designation by President F.D.R. as Supreme Commander, Allied Expeditionary Force for the invasion of Europe.

It was Eisenhower's advise to F.D.R. and Churchill, which caused the war to drag on for two extra years, resulting in millions of deaths on both sides, and hundreds of billions of dollars of profit for
Eisenhower's racial brethren, the International bankers, who financed both sides.

In early 1943, General Patton and the British Commander, Gen. Montgomery, presented a plan to Churchill and F.D.R. which called for the invasion of Europe through the "soft underbelly of Europe." This would have liberated all the eastern European countries from Communist control and would have ended the war in 1943.

But Eisenhower's hatred of the Germans, which was openly shown many times during those terrible days of the war, demanded that as many Germans as possible be made to suffer for their part in the war.

It might be well to state here, that as early as 1902, International Jewry had a plan for the destruction of Christianity in Europe.

This called for the destruction, first of Czarist Russia, which took place in 1917, and then for the destruction of Germany. A war chest of some $2-billion was set aside for this purpose, long before a man named Adolf Hitler came on the scene. When Churchill and F.D.R. listened to the advice of Stalin, instead of their two best military leaders, it gave Stalin two years to establish control over all of Eastern Europe, which is now known as the Warsaw Pact Nations.

We can see the further treason in Eisenhower's actions, when in 1945, as Patton's armored forces swept into Germany, they were held back from entering Berlin, and were even ordered to withdraw to the Western borders of Germany, until Soviet troops could enter Germany.

Any military commander "worth their salt," knows that Patton could have ended the war on the Eastern border of Germany and that country would have never been divided. Patton by this time was beginning to realize that a conspiracy existed among the top war leaders, which were keeping him from the victory he so richly deserved. It was a traumatic lesson which was to be later repeated with General Douglas MacArthur in Korea, when he was not allowed to attack enemy positions north of the Yalu River.

The One Worlder's in Washington, D.C., and London had other plans and aided Stalin in his rape of Eastern Europe and Germany.

It was the "terrible Swedish Jew" Eisenhower, whose open hatred of everything German, caused him to promote Operation Keelhaul, at the end of the war, where thousands of anti-Communist fighters, who had surrendered to American forces, were forced at bayonet point, back to the tender mercies of the Communists. Thousands of them were murdered outright, or disappeared into the Gulags of Russia.

Eisenhower returned to the States, made a hero by the controlled prostitute press of America, and his popularity from a populace he had betrayed, was such that he became the 34th President of the United States in 1953.

Eisenhower was quoted at the war's end as saying: "I hate war as only a soldier who has lived through it can only as one who has seen it's brutality, it's futility, it's Stupidity" But he did not hate it as much as he hated Germans, and he took a terrible Jewish revenge on over a million surrendered German soldiers and civilians when the war ended. Praised by the media and the "kept" historians, this man was directly responsible for one of the most reprehensible acts in the history of civilized warfare. One which should put him in the same class with Atilla the Hun and other barbarians.

The peace which was inflicted on a completely defeated Germany in 1945, was called the Morgenthau Plan. It was promoted by Secretary of the Treasury, Henry Morgenthau, a Jew, who later stated that most of the ideas for this plan had come from Eisenhower.

Now, after a tremendous research of over twenty years, the truth about this Jew Commander of America's forces, who became the 34th President of the United States, can be known.

In 1945, during the post-World War II period, American foreign policy was largely in the hands of a small group of very powerful Zionists based in Washington, D.C. This secret, invisible government,
which has controlled America for over fifty years, was headed then by Sen. Herbert Lehman; Supreme Court Justice Felix Frankfurter, and Secretary of the Treasury, Henry Morgenthau. They drew up the "blueprint" for a plan, which the enthusiastic Eisenhower carried out in Europe, which was the most monstrous policy of hate and vengeance known in the annals of civilized history.

This policy is still in operation today, fifty years later, where media pundits, twisting, exaggerating, and even manufacturing historical claims, have hounded, harassed, and had arrested 70 and 80-year old European war veterans for alleged "war crimes," which were supposed to have taken place over fifty years ago.

The following article, entitled THE EISENHOWER DEATH CAMPS, was taken from the January 1990 issue of INSTAURATION, a scholarly American monthly. Every American veteran who served in World War II should know these facts. They are entitled to know how we were lied to and inveigled into a war for the benefits of the Internationalists. Every American Legion and Veteran's of foreign War Post in this country, should have this article read to its them bets, for you see, the same treason was carried out in Korea and then later in Vietnam. It is we, the veteran's of America, who have the right to know the truth, about the traitors who were responsible for the murder of our buddies, and the crippling of hundreds of thousands more, and who are even now laying the groundwork to get your sons and daughters involved in World War III.

The National Archives in Washington, (D.C.) contains an official document called the Weekly Prisoner of War and Disarmed Enemy Forces Report for the week ending Sept. 8, 1945. It shows that 1,056,482 German prisoners were then being held by the U.S. Army in the European theater, of whom 692,895 were still classified as POWs (Prisoners of War) and the other 363,587 as DEFs (Disarmed Enemy Forces.)

This latter designation was illegal under international law and completely contrary to the Geneva Convention, to which both the United States and Germany were signatories. A German soldier designated DEF had no right to any food, shelter, or water in fact, to anything. Quite often he did not receive even the basic necessities of life and died within days.

In the first week of September 1945, 13,051 of the 363,587 Germans died and were listed cryptically as "other losses." This was the equivalent of a death rate of 3.6% per week. At such a rate, all the remaining 350,536 DEFs would have been dead within 28 weeks before the end of the approaching winter.

The civilian death rate immediately outside the American camps in Germany was about 2% per year, or nearly 100 times lower, despite the greater proportion of older people. Since adequate supplies were readily available to the American troops at all times, this killing seems to have been deliberate.

As for the 692,895 German soldiers still falsely listed as POWs, the last of them had actually been transferred from POW to DEF status a month earlier on August 4, by order of General Eisenhower. Their death rate quickly quadrupled within weeks, from .2% to .8% per week. Assuming the latter rate for the week ending September 8, about 5,543 of the so-called POWs listed in the report as being alive and in American hands had died that week - all would have died within just over two years. (The reason this death rate was lower than 3.6% weekly for the longer-term DEFs was simply that the barbaric treatment of the DEFs was cumulative, and that some of the American troops refused to go along with this barbaric treatment.) I recall the winter of 1945, when I was on occupation duty in Japan. A similar order came from our local U.S. military commander who was known for his hatred of all Japanese. It did not come from MacArthur's headquarters in Tokyo. We were not allowed to give food of any kind to Japanese civilians, although many of them were on the verge of starvation. I was commanding a detachment of 28 men, which were guarding a Japanese Quarter Master dump at the little town of Niski'yahama, about eighty miles south of Osaka. Food in this storehouse was literally spoiling, yet we were not allowed to share it with the Japanese people. For Christmas rations that year, my detachment received eight sheep carcasses and 28 turkeys, with
no refrigeration for storage. Rather than see this food go to waste, I shared it with the starving population, and when word leaked out, I came very close to being court marshaled. It was only the intervention of a high ranking officer from MacArthur's Headquarters which saved me.

The same thing happened over and over again in Germany, and American officers and servicemen were court marshaled, on Eisenhower's orders, for sharing their rations with the starving Germans. If you were a young man, with several small children at home, you know how these enemy children played on the minds of decent Americans who knew what their government was doing was wrong. Enemy children have never been enemies, to big hearted Americans.

But with a man of unbounded hatred for the Germans, his order of August 4th, made it impossible for there to be such a thing as a bona fide German POW in American hands on European soil.

Instead, there were vast concentrations of men (including some women and children) starving to death in open, muddy, disease-ridden fields.

In November 1945, Eisenhower returned to Washington. A month later, a slight relaxation went into effect. Men of conscience such as General George Patton, had no qualms about killing German soldiers in combat, but he drew a line at the deliberate policy of murder which was advocated by Eisenhower. I firmly believe this was one of the reasons he met his untimely death. The truth which is now coming out of old records, show that "war crimes" was by no means a German monopoly, and the "good war," the Jewish media and historians called it in the United States, was as evil as any conflict in world history.

Bacque's careful calculations forced him to conclude:

Eisenhower had deplored the German's useless defense of the Reich in the last months of the war because of the waste of life. At least ten times as many Germans - undoubtedly 800,000, almost certainly 900,000, and quite possibly a million died in the French and American camps as were killed in all the combat on the Western front in northwest Europe from America's entry into the war in December 1941, through April 1945."

Bacque was ably assisted in his research by Col. Ernest F. Fisher, a senior historian for the U.S. Army, as well as by other highly placed members of the American military. One of them, Col. Philip S. Lauben, Chief of the German Affairs branch of SHAEF (Supreme Headquarters, Allied Expeditionary Force), stated that, in late 1945, "the Vosges (northeast France) was just one big death camp (for Germans)."

In spite of everything which has been written about Eisenhower which makes him out to be a hero, there seems little question that Dwight Eisenhower meets all the qualifications of a certified war criminal, even if Bacque's figures are off a bit. (If Germany had been the winner, there is little doubt he would have been tried and found guilty of the most heinous crimes against mankind.)

Many veterans will get upset with this appraisal of a man they looked on as a "bona fide" American hero. But the proof for these accusations can be found in what happened to those Germans who were fortunate enough to surrender to the British and the Canadians some two million of them. The evidence shows that "almost all continued in fair health and many were quickly released and sent home or transferred to the French, to help in the post-war work of reconstruction.

Bacque specifically commends General Patton for behavior towards his POWs it a civilized manner. His Third Army freed vast numbers of German captives during May 1945, to the dismay, no doubt, of the Zionists who controlled Washington.

Both General Omar Bradley and J. C. H. Lee, Communications Zone (ComZ) Europe, ordered the release of prisoners within a week of the war's end. This SHAEF order was countermanded by Eisenhower on May 15, 1945.

While German soldiers from the British and Canadian zones were quickly regaining man strength and were helping rebuild Europe, Germans taken by the Americans were dying by the hundreds of
thousands - emaciated figures in diarrhea smeared clothing, huddling pitifully in watery holes with perhaps a scrap of cardboard over their heads and a rotten potato for supper. At times many of them were reduced to drinking urine and eating grass.

Did all this happen because of one supremely unprincipled and influential man named Eisenhower? Or was Ike in turn influenced by a small circle around him or by his superiors in Washington? Historians will be probing this question for decades to come.

Here are the principle dates by which this infamy will live:

1944: Eisenhower told the British ambassador to Washington that the 3,500 officers of the German General staff should be "exterminated." He also favored the liquidation of perhaps 100,000 prominent Germans. Soon after, he wrote to his wife, Mamie: "God, I hate Germans! Why? Because the German is a beast!" Eisenhower said he was ashamed to bear a German name.

August 1944: The North American wheat surplus was created greater than at any time in history, nearly one billion bushels. The U.S. corn surplus and potato crop also reached a new high.

March 10, 1944: A message sent from Eisenhower to the Combined Chiefs of Staff (CCS) of Britain and the U.S. recommended the creation of an entirely new class of prisoners, Disarmed Enemy Forces or DEFs. At a press conference in Paris, this same day, Ike said: "If the Germans were reasoning like normal beings, they would realize the whole history of the United States and Great Britain is to be generous towards a defeated enemy. We observe all the laws of the Geneva Convention."

March 19, 1945: Eisenhower's special assistant, General Everett Hughes, visited the American supply depots at Naples and Marseille. In both places, he writes, there are "more stocks than we can ever use. (They) stretch as far as eye can see."

Spring 1945: The International Red Cross had over 100,000 tons of food stockpiled in Switzerland. At one point, it sent two trainloads into the American Zone of Germany, but the food was sent back. The Morgenthau Plan for a "Carthaginian Peace" in Germany, to use the words of Military Governor Lucius Clay, is implemented through the directive JCS (Joint Chiefs of Staff) 1067, which specifies to Eisenhower the policy he must adopt towards every institution in Germany. The directive is largely the work of three of Henry Morgenthau's underlings in the Treasury Department Harry Dexter White, Frank Coe, and Harry Glasser. White and Glasser were both Jews and all three were Communist "fellow travelers."

April 11, 1945: On the eve of his death, FDR told Morgenthau in Warm Springs, GA: "Henry, I am with you 100%" When Truman took over, he continued Morgenthau's "Carthaginian Policy" towards conquered Germany.

April 17, 1945: The Americans opened their enormous Rheinberg Camp, six miles in circumference, with no food or shelter whatsoever. As in the other big "Rhine meadow" camps, opened in mid-April, there was initially no latrines and no water. In some camps, the men were so crowded they could not lie down. Meanwhile, at Camp Kripp, near Remagen, the half-American Charles von Luttichau determines that his German comrades are receiving about 5% as much food as their captors." Complaining to the camp commander, HE SAID: "Forget the Geneva Convention. You don't have any rights."

Late April 1945: Heinz Janssen, a survivor of the Rheinberg camp, described conditions as they were at the time. "Amputees slithered like amphibians through the mud, soaking and freezing. Naked to the skies day after day and night after flight, they lay desperate in the sand of Rheinberg or sleep exhaustedly into eternity ill their collapsing holes."

April 26, 1945: The Combined Chiefs of Staff sent a message to Eisenhower, urging him not to take any more German prisoners after VE Day. He ignored it. The CCS approved of Ike's proposed DEF status, but only for certain types of German prisoners. The British refused to go against the Geneva Convention. The CCS orders the illegal DEF status to be kept strictly secret. By this date,
Eisenhower's Quartermaster General of ASHAEF, Gen. Robert Littlejohn, has already twice reduced the rations to German prisoners. A message to Gen. George C. Marshall, signed by Ike, mandated: "No shelter" for German prisoners, despite an unusually cold and wet March and April.

**May 4, 1945:** The first German POWs were transfer-red to DEF status. Mail to and from all German prisoners was banned for more than a year.

**May 8, 1945:** Germany surrendered unconditionally. The U.S. State Department wasted no time dismissing Switzerland as the official Protecting Power for German prisoners, contravening the Geneva Convention. State also informed the International Red Cross that, with no Protecting Power to report to, there is no point in sending delegates to the camps. From this day forward, prisoners held by the U.S. Army had no access to any impartial observer. The British and Canadians also removed the Swiss protectors, but continued treating their POWs decently.

**May, 1945:** The American Red Cross reported that more than 98% of Americans captured by the Germans will be coming home safely, thanks in part to the food parcels sent to them during the war, which were promptly delivered by the Germans.

**May 15, 1945:** Eisenhower and Churchill talked about further reducing the rations for the German POWs. Churchill was informed that the POWs have been getting 2,000 calories per day (compared to 4,000 for American troops) and that 2,150 was regarded as an absolute minimum required for sedentary adults living under shelter. Eisenhower failed to tell Churchill that the U.S. Army was not even feeding many DEFs, and that they were feeding others, much less than 2,000 calories per day.

**Mid-May 1945:** The Bingen camp, near Bad Kreuznach in the Rhineland, was now holding between 200,000 and 400,000 German POWs, with no shelter, food, water, or medicine. The death rate for prisoners in these U.S. camps were now about 30% per year, according to a U.S. medical survey.

**June 2, 1945:** The European Theater Provost Marshal issued two reports. One, the last in a series of daily reports, logged 2,870,400 POWs on hand. The other, the first report in a weekly series, dated the same day, logged only 1,836,000. At one point in mid-June, the prisoner strength on the ration list is given as 1,421,559, despite the evidence of Gen. J.C.H. Lee and others that there were about 4 million. This bizarre bookkeeping persisted throughout 1945 in all branches of the occupying army. The apparent purpose was to obscure the death toll by means of an indecipherable mass of conflicting Statistics. (One of Bacque's greatest coups has been to decipher them.)

**Mid-June, 1945:** British "Tommies" took over the huge Rheinberg camp from the Americans, saving many thousands of German lives. The final act of the "Yanks" before the British took charge, was to bulldoze one section flat while the men were still living in their holes in the ground. Meanwhile, a team of doctors from the U.S. Army Medical Corps completed a survey of some of the smaller Rhineland camps, holding some 80,000 POWs (not DEFs). They found a death rate 80 times higher than anything they have known in their professional career.

**July, 1945:** Eisenhower becomes military governor of the U.S. Zone in Germany. He continued to turn back all relief teams from Switzerland, the U.S. and elsewhere.

**July 10, 1945:** A French Army unit under Gen. Rousseau, took over the Dietersheim camp (near Mainz) from the Americans. He found 32,000 men and women of all ages in a moribund (dying) State. Another French officer Capt. Julien, was taking command 17 days later and found a vast mire "peopled with living skeletons, male and female, huddling under scraps of wet card board ." Horrified, Julien wrote: 'This is just like the photographs of Buchenwald and Dachau.

**July 20, 1945:** Gen. Littlejohn received a memo stating, "These men, German POWs are authorized a maximum of 1,150 calories for the non-workers and 1,850 for workers." (Remember, it takes 2,000 calories of keep a sedentary adult alive.

**July 26, 1945:** The International Red Cross proposed restoring mail service to German POWs. Fearing that the reality of the death camps might come to light, the U. S. War Department rejected
the idea.

**August 4, 1945:** Eisenhower ordered that all remaining German POWs be stripped of their rights, thus reducing them to DEF status.

**August 27, 1945:** In a long memorandum, Gen. Littlejohn informed Eisenhower that 1,550,000 Germans who supposedly were getting U.S. ARMY RATIONS, WERE RECEIVING NOTHING. Ike turned a deaf ear to his report and the death rate continued to climb.

**August 30, 1945:** Max Huber, head of the International Red Cross, wrote a stinging letter to the U.S. State Department about American interference in efforts to save starving Germans. Some months later, an evasive response, signed "Eisenhower," arrived in Washington, falsely claiming that giving Red Cross food to enemy personnel was forbidden. Thousands of train cars loaded with decaying food were sent back to Geneva and to sources in Paris and Brussels. Huber apologized for tying up the French rail system because of the food which was being returned by the Americans.

By this time, more than 2-million German men had been discharged into American custody, including thousands of priests, ministers, doctors, and professors. Not one single camp commander or guard was questioned by the Allied press corps and the controlled media of the U.S. concerning conditions in these hell holes.

It might be well, to stop right here and ask this question: "Is anyone who reads this horrifying account, so naive as to believe that the American people would have put up with these barbaric actions by its chief military men if they had known about it? Do you think that the politicians who were in the forefront of those who kept these facts from Americans would have lasted very long in office, if the truth had been known? Do you think that millions of Americans would show such concern for the Holocaust of the Jews, if they knew that it was Jewish hatred for their fellow kinsmen, that were killing over a million Germans? I sincerely doubt it! That's why these facts have been kept from the American people for almost fifty years.

**Late Summer, 1945:** Jean-Pierre Pradervand, head of the International Red Cross delegations in France, told Henry W. Dunning, an American Red Cross official, that conditions in the French camps are worse, in many instances, than anything seen in the former Nazi camps. Pradervand showed Dunning pictures of the living skeletons. Dunning explained all this to the American Red Cross in Washington, which informed key government officials. Nevertheless, the cover-up continued. Pradervand also informed Charles De Gaulle that one-third of the prisoners handed over to France by the Americans will die soon without a radical change in treatment. De Gaulle showed no interest and the prisoners continued to die.

**September 27, 1945:** Pradervand's pictures of German living skeletons were shown to Eisenhower in his office.

**September 30, 1945 - October 1:** The French newspaper, Le Monde, ran a story which began: "As one speaks today of Dachau, in ten years people throughout the world will speak about camps such as Saint Paul d'Egiaux."

**October 11, 13, 14, 15, 20:** The New York Times ran a cover-up report of the death camps by star newsmen Drew Middleton. Interviewed by Bacque in 1988, Middleton admitted that he never actually visited any of the 50 U.S. camps located within 40 miles of his Frankfurt desk, but was only 'driven by,' as he was being debriefed by the military.

**December 1945:** Eisenhower returned to the States and the U.S. Army allowed the first relief shipment to enter the American sector.

**1947 - 1950's:** Nearly all the surviving records of the Rhineland death camps were destroyed. The West German government concluded that 1.7-million German soldiers were alive at the wars' end, and who were known to have been in fair health, and disappeared. The Western Allies pinned virtually all the blame on the Soviets.
1950: The first German edition of ALLHERERTE KRIEGSVERBRECHEN is published. Never translated into English, the book gives eye-witness descriptions of the conditions which prevailed in the American camps.

1960s - 1972: The West German Foreign Office, under Willy Brandt subsidized books denying the atrocities in American POW camps and the high death rate.

1980: The International Committee of the Red Cross refuses to open its archives to James Bacque and other investigators into Allied atrocities. To this day, the ICRC has remained silent on the subject, despite the visits of Pradervand and other Red Cross delegates to many methhe camps.

September 1989: James Bacque's book on the American death camps, "Other Losses," published by Stoddard, a Canadian Publishing House, was released, after being refused by more than 30 American publishers. Saturday night, one of Canada's most respected magazines. simultaneously published a summary of this book as its lead story and within days Canada was buzzing about Gen. Eisenhower's war crimes. Why is it that we have heard little or nothing of this in the United States?

As American citizens, many of us who served in the American Armed Forces during World War II, and a great many of us who are of German heritage, should demand of our leaders in Washington, D.C. that the truth about this War be made known.

With accurate information of what really happened, instead of Zionist propaganda, just possibly we might be able to avert World War III, which is now being planned by these same One Worlders.

It is interesting to note, that it has been proven in recent years, that many of the pictures taken in Germany during WW II, purporting to be Jewish victims of "racial extermination," were actually pictures of German civilians who had died under American war criminals.

(Most of the information in this article came from the March 1990, CANADIAN INTELLIGENCE SERVICE. Their mut Wly intelligence newsletter is available from the above address)

The End
WHAT DOES EZEKIEL 38 and 39 REALLY SAY?
A new look at Ezekiel 38 and 39!

"Study to shew thyself approved unto God; a workman that needeth not to be ashamed, rightly dividing the word of truth." - 2 Timothy 2:15

The 38th and 39th Chapters of the Book of Ezekiel are a "natural" for prophetic preachers; they literally love these chapters for they allow their minds to run wild with all sorts of "spiritual" fantasies. But too often when they attempt to "teach" or "preach" from these fascinating chapters, they are so strongly influenced by the men who taught them in seminary, or by the "so-called" Bible scholars of their particular church, they fail to see what the Bible teaches.

Often they fail to take into account, that in recent years, say the last 75 or so, many of these Bible scholars are unregenerate Jewish scholars who have infiltrated the religious institutions of Christendom with devious motives in mind and who often attempt to deceive gullible "Goyim" Christians with the scholarly (?) books they write. A thought provoking study into the 38th and 39th Chapters of the Book of Ezekiel

This has been particularly true in the Jewish fable which has been "palmed off" on unsuspecting Christians, that Jesus, their Lord, Master and Savior came from that race which He called "children of their father the devil," (John 8:44), and that the Pharisees of His day, and this Twentieth Century, are "all of Israel" and represent the "people of the Book," or as Baptist Evangelist Jack Van Impe says, are "THE APPLE OF God's eye."

How they ever come to this dubious conclusion is beyond my comprehension, when as they read the Gospels of the New Testament, they surely must see how Jesus blasted these religious hypocrites, calling them "whited sepulchres, poisonous snakes," and clearly said in John 10:26, that they could not hear His message or understand Him, because "Ye are not of my sheep," (John 10:26). In Matthew 23:15, He clearly tells them that their proselytes (converts), under their guidance, become "two fold more a child of hell than themselves." This seems mighty plain to me.

In the Epistles, we find the Apostle Paul, who is wrongfully called a Jew, since he was of the tribe of Benjamin, saying that the Jews of His day: "Please not God and are contrary to all men," (1 Thess. 2:15). Later on, the Apostle John in I John 2:22, 23, gives a clear definition of an anti-Christ, which clearly fits the Jews of His day and those of the Twentieth Century, when he states in no uncertain terms, that "Who is a LIAR but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father..." (This seems to me to lay to rest all the arguments about whether a Jew can come to contact with God, without going through the Son. ANY Christian, worthy of that name, knows and teaches this. Then in 2 John 10, 11, the Apostle tells Christians how to act towards these anti-Christ's and it is not by associating with them and holding Jewish-Christian joint meetings on Hannakuh. In clear wording, that even a child can understand, John says: "If there come any unto you, and bring not this doctrine (that Jesus is the Christ), RECEIVE him not into your house, NEITHER bid him God speed: (don't help him in any way) for he that biddeth him God speed, is partaker of his EVIL DEEDS." (Emphasis mine.)

How can any pastor read these words of truth and still continue in the darkness which allows them to consort with these enemies of Jesus Christ?
Could their reason be "Fear of the Jews", which has so thoroughly permeated the Christian world? Fear of losing their fine church and congregation by preaching the truth? Fear of losing funds to run their elaborate religious establishment? Fear of losing that lucrative TV contract? Fear of being called "anti-Semitic?" Have these "religious shepherds" become the "salt of the earth which has lost its savor?" (ability to act like salt) Have the modern preachers, for the most part, become the watchmen on the walls of America, spoken of in Isaiah 56:10, 11, who are deliberately blind and dumb, so that they cannot, or will not warn their people of this Talmudic danger? Are they watchmen who have been lulled to sleep by the sweet teachings of the Judeo-Christianizers in our seminaries? Are they the greedy dogs who do everything for their own gain? Watch most any TV evangelist in action and see where he puts his emphasis. I dare you to do this with a honest, open mind.

Probably no portion of Scripture has even been twisted out of shape as much as these two chapters, which are sometimes referred to as the "Russian Chapters" of the Bible. That they deal with a future conflict which will be worse than anything this world has ever seen and which will be unleashed against the Israelite people in the "end times", becomes quite obvious. This attack will come from a monstrous military alliance which will sweep out of the North country, headed by the atheistic communists of the Soviet Union. There is very little argument here among Bible scholars.

But most of the "fundamental" and "evangelical" preachers, base their ideas on these chapters, not from a study of God's Word, but from the footnotes of a reprobate preacher named C. I. Schofield. His twisted theological concepts have so permeated the thinking of the fundamental Christian world, that it is almost considered "heresy" when anyone deviates from them. Often in Baptist churches, in particular, (and I can speak from experience, since I was a Baptist evangelist for eighteen years) the footnotes of the Schofield Reference Bible are held in as much respect as the text itself.

We could argue for many pages as to who is "right" and who is "wrong," and we would accomplish absolutely nothing, except to raise tempers. What I propose to do, is make a verse by verse study of these two chapters to see what they really say, not what men want them to say.

The "futurists" say the unregenerate Jew must be back in old Palestine before Jesus can return the Second Time and that this massive Russian military machine will sweep down from the North against the Jewish entity in Palestine, which we know today as the "Israeli."

But at this point, an interesting thing takes place, which surely should make any intelligent person question this. If you have watched the unfolding of history during this Twentieth Century, (I have seen over 70 years of it,) do you honestly believe that Russia has spent hundreds of billions of dollars of its national wealth, building the most massive military machine in the world's history, for the purpose of attacking a little nation of less than 4-million? Surely you must be kidding? Look where the ICBM's are pointed. They are not aimed at Tel Aviv and Jerusalem. They are aimed at the capitol cities of the nations of Christendom, the primarily white-Christian nations of Europe and North America. There must be a reason for this. The major enemy of the Soviet Union is not that little patch of real estate in Palestine, which we call Israel. They are aimed against the Israel nations (tribes) who are resting safely in their God-given lands (2 Samuel 7:10).

But my purpose in writing this article is not to prove that the modern Jews are a "fraud" and have no blood connection with Abraham. Jesus pretty well took care of this exposure in John 8:32, when He told them how they could be free, and they (the Jewish leaders) braggingly and openly admitted that they were not Israelites when they said: "We be Abraham's seed, and were never in bondage to any man." Any Sunday School student knows that true Israel was in long and cruel bondage in Egypt.

But let's get on with Ezekiel 38 and 39 and see what the prophet really says. We will use the old, tried and true Authorized King James Version of the Bible for our study and Strong's incomparable, exhaustive Concordance. Since most of my readers do not read or understand Hebrew, we will use Strong's Hebrew definitions of English words, since he is considered to be a top authority in this
field by most Bible scholars.

Some of my readers may question as to why we will use a Hebrew-English Concordance: "Isn't the Bible good enough in itself?" they may ask. But unfortunately, even the marvelous King James Version cannot convey in English, the true meaning of many Hebrew words. So we will check out the "key" words in every verse and see what they mean in the Hebrew language. If this seems tedious to some, then you are really not interested in learning the truth. You are not really a Bible scholar.

**EZEKIEL 38**

Vs. 1 - "The word of the Lord came unto me (Ezekiel) saying." No explanation needed here.

Vs 2 - "Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him." Here the Bible concordance will do us little good, so we must go to history to discover who MAGOG, MESHECH and TUBAL are.

Very few Bible scholars will argue that the enemy of Israel, mentioned here, is not Russia. This is why these two chapters are called the "Russian Chapters." As far back as 1857, a Rev. F. E. Pitts spoke twice before joint sessions of the U.S. Congress, predicting sometime in the future, a vast and terrible war between Russia and the United States. About 130 years ago, Commodore Perry of the U.S. Navy, read a paper before the American Geographical and Statistical Society in which he predicted that Russia would become our deadly enemy.

The word "Gog" in Russian means: "Chief"; MAGOG refers to Russia and MESHECH is the ancient name for the Russian Capitol in Moscow.

TUBAL was the grandson of Noah; his father was named Japheth. Japheth settled in the Central Area of Siberia. If you were to place your outspread right hand over Siberia, with your little finger on the "A" in Siberia, you would find your thumb to be close to the city of TUBLOSK, which was named for Noah's grandson.

Vs 3 - "And say, Thus saith the Lord God; behold, I am against thee, 0 Gog, the chief prince of Meshech and Tubal." Why would this be? Because this vast land is completely anti-God in its religious philosophy. While there are still Christians in this land, the majority of its people are atheists.

Vs 4 - "And I will turn thee back and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers, and shields, all of them handling swords:" The phrase: "I will turn thee back and put hooks into thy jaws," has been a point of controversy with many preachers. They say: "See, Russia has plans for world conquest, but God is going to put hooks into their jaws, and draw them away from world conquest, into the land of Palestine, so He can destroy them." But is this what this verse means? Let us see.

We will look at each key word, then I will give the numerical place where it is found in the Concordance, the Hebrew word and its English meaning.

**TURN** - (7725) - Heb. "shuwb", meaning: "to turn away or back, not necessarily with the idea of returning to the starting point;" "retreat;" "do evil;" "draw back;" "come again, "cause to turn."

**HOOKS** - (2397) - "chachiy", meaning: "put a ring in the nose" (like to lead a bull.)

**BRING** - (3318) - "yatsa" - meaning: "draw forth;" "fetch out;" "lead out;" "pull out."

**FORTH** - (3318) - the same Hebrew word and meaning as BRING.

**CLOTHED** - (3847) - "labesh", meaning: "to put on or clothe onesself."

**SORTS** - (4358) - "miklowl"; meaning: "all sorts of splendid armour."

**ARMOUR** - (3627) - "kliy", meaning: "armored dress." (Notice that even the horses are armored.)
We must realize here that Ezekiel was speaking of war terms of what he knew and understood; He did not know about tanks, planes and airborne attacks; when he visualized heavily armored horses, he was thinking in terms of what we would today call "armored forces."

COMPANY - (6951) - "qahal", meaning: "multitude".

BUCKLERS - (6793) - "tsinnoh" - meaning: "a large shield which covered the body." (Again think in terms of armored personnel carriers.)

HANDLING - (8610) - "tophas", meaning: "wielding" or "manipulating."

So if we take these English words at their Hebrew meaning, we could say this verse says: "I (God) will turn thee (Magog~Russia) away from where you were going, and will put a ring in your nose and draw you forth, with all your military might (this is to be an "all-out" military effort), your armored forces with all their weapons."

In no place in this verse does God intimate that He is drawing this Russian army into Palestine, as most preachers teach. (Never read anything into a verse which isn't there.)

Vs 5 - "Persia, Ethiopia, and Libya with them; all of them with spear and helmet." The Russian allies are clearly mentioned here. Persia, which is now Iran, Ethiopia which is a Communist country and Libya, which is an ally of the Soviet Union.

Vs 6 - "Gomer with all his bands; the house of Togarmah of the north quarters, and all his bands; and many people with thee."

GOME - (1586) - "Gomer" - meaning: "Son of Japheth", who was believed to have settled in what we now know as Siberia.

BANDS - (102) - "'aggaph" - meaning. a cover, "wings or flank forces of an army;" "crowds of troops."

HOUSE - (1004) "bavith" - meaning: "family of."

TOGARMAH - (8425) - "Togarmah", meaning: "a son of Gomer and his posterity." (Believed to be the non-Israelite people of Eastern Germany.)

NORTH - (6828) - "tsaphown," meaning: "a dark and gloomy place;" "northern."

QUARTERS - (3411) "yrekah" - meaning: "rear;" "border;" "coast."

This verse could very well read: "Gomer, the Son of Japheth from Siberia with crowds of troops; the family of Togarmah from Eastern Germany from the gloomy north with crowds of troops."

Vs 7 - "Be thou prepared, and prepare for thyself, thou, and all thy company that are assembled unto thee, and be thou a guard unto them."

PREPARED - (3559) - "kuwn", meaning: "establish;" "prepare yourself."

COMPANY - (6951) - "quahl", meaning: "multitude."

ASSEMBLED - (6950) - "misjmar", meaning: "prison;" "ward."

So this verse could read: "Be thou (MAGOG-RUSSIA) prepared (or prepare thyself), thou, and all thy multitude which are gathered together unto thee, and keep them under guard."

(Why?) Because we know that many of the nations which are part of the Soviet Union would revolt if given the chance, so the Communists must keep them under constant guard, to see that they do not revolt.) Do you see how the English translation does not do this justice?

Vs 8 - "After many days thou shalt be visited: in the latter years thou shalt come into the land that is brought back from the sword, and is gathered out of many people, against the mountains of Israel, which have always been waste: but it is brought forth out of the nations, and they shall dwell safely all of them."
This is a "key" verse which we MUST understand, if we are to properly understand the rest of this chapter.

VISITED - (6485) - "paquod" meaning: "to visit with hostile intent."
LATTER YEARS - (319) - "acharivth" meaning: "the last days; in the future; end time."
MOUNTAINS - (2022) - "har" meaning: "hill country." (It is also interesting to note that in Bible symbolism, especially in the Old Testament, the word "mountains" often means "people".)
WASTE - (2723) - "charbah" meaning: "by implication a desolate place."
BROUGHT FORTH - (3318) - "yatsu" meaning: "to bring out."
NATIONS - "goy-gowry" (1471) meaning: "gentiles; tribes; non-Jewish people."
DWELL - (3427) - "yashab" meaning: "to remain; continue."
SAFELY - (983) - "betach" meaning: "boldly; without care; with confidence."

So this verse could very well read: "After many DAYS (3177) - "Yowm", meaning: "a space of time; age; days; seasons." After many seasons thou (Russia) shall move with hostile intent, into the land that is brought back from war, and is gathered from many nations, against the people or nations of Israel and the mountains which have always been a desolate uninhabited place: but which is brought out of the nations or gentile non-Jewish nations, and they shall continue in safety, living boldly without care and with confidence." (Can you see why the Bible scholars want us to use the literal Bible translation without going to the original? It changes the meaning doesn't it?

Vs 9 -
ASCEND - (5927) - "aloh" meaning: "to come up; get up; go."
STORM - (7722) - "shoah" meaning: "tempest."
CLOUD - (6051) - '~anan" meaning: "like a cloud covers the sky."
COVER - (3680) - "youm" meaning: "overwhelm."

So when we put verse 9 together we get something like this: "Thou (Russia) shall come up like a tempest, like a cloud you shall cover the sky and the land, thou, and all thy bands with thee." (Could this mean an airborne invasion? I believe it could since it is a perfect description of such an event. Of course Ezekiel did not know about parachute troops, so he used words people would understand to show them that something would take place which would literally cloud the sky with enemy soldiers."

Vs 10 -
PASS - (5674) - "abar" meaning: "to cross over; overrun; meddle; over- run; enter."
TIME - (3177) - "youm" meaning: "day."
THINGS - (1697) - "dabar" meaning: "a matter; harmful; evil favored; a cause."
MIND - (3824) - "lebab" meaning: heart."
THINK - (2803) - "chashab" meaning: "plot; conceive; consider; imagine."
EVIL - (7451) - "ra" meaning: "bad; harmful; mischevious; wicked."
THOUGHT - (4284) - "machashebeth" meaning: "contrivance; machine; curious device."

This verse has some interesting possibilities in the original Hebrew and might read something like this: "Thus saith the Lord God, It shall come about, that on that day, a certain matter shall come into thy (Russia's) heart, and thou (Russia) shall consider a harmful thought concerning a military device you have in your possession." (What this device is we do not know. It might be a new military machine such as a lazer beam that would give them military superiority over us. It might be a
defense against our ICBM's which would make them invulnerable to attack. Whatever it is, the translators made a complete mess here, since the word (thought) in Hebrew, obviously has to do with some sort of device and not something in the mind as the King James Version would have us believe.)

Vs 11 -

UP - (4605) - "ma'al" meaning: "above; upward."
LAND - (776) - erets meaning: "land; country; nations."
UNWALLED - (6519) - "prazah" meaning: "town without walls; open country."
VILLAGES - (6519) - "prazah" meaning: "town."
REST - (8252) - "shaquat" meaning. 'repose; living in apathy."
DWELL - (3427) - "yashab" meaning: "abide."
SAFELY - (983) - "betach" meaning: "with security."
BARS - (1280) - "briyach" meaning. 'bolts."

TAKE - (962) - "bazaz" meaning: "to spoil; destroy utterly; to plunder."
SPOIL - (7998) - "shalal" meaning. "to strip or plunder."

DESOLATE - (2723) - "charbah" meaning: "a destroyed place; waste place; uninhabited place."
PLACES - (4725) - "mgomah" meaning: "locality; country."
INHABITED - (3427) - "yashab" meaning: "to dwell; to remain, as permanently."
PEOPLE - (5971) - "am" meaning: "tribe or nation."
GATHERED - (622) - "acaph" meaning: "to assemble; bring together (such as the United States.)
NATIONS - (1471) - "gowyr or goy" meaning. a (non-Jewish) tribe or nation.)" (The Jewish Encyclopaedia says that the Jews are a non-Israelite tribe.)

DWELL - (3427) - "yashab" meaning: same as "inhabited" above.

So we put these meanings together and come out with a verse which would read something like: "And thou (Russia) shall say, I will go upward to a country of towns without walls; I will go to them that live safely in apathy, that abide with security all of them living without bolts or bars on their doors."

Vs 12 - This verse has 20 KEY words. Each MUST be looked up separately, as they may have different meanings in the Hebrew language.

TAKE - (962) - "bazaz" meaning: "to plunder; spoil utterly; rob." Can also be (7997) - "shalal", meaning: "to strip; plunder; for the purpose of spoiling."
SPOIL - (7998) - "shalal" meaning: "to strip or plunder."

TURN - (7725) - "shuwb" meaning: "to do evil; carry away."

HAND - (3027) - "yad" meaning: "power; force."
UPON - (5921) - "al" meaning: "against."

DESOLATE - (2737) - "waste places; uninhabited."

(May I remind you again to look up each KEY word separately, the English word DESOLATE, for instance as used in one verse, may have a completely different meaning in another place.)

PLACES - (4725) - "maqowm" - meaning: "a locality; country." NOW - (6258) - "'attah" meaning: "at this time."
INHABITED - (3427) - "yashab" meaning: "established; dwelling." UPON - (5921) - "al" meaning "against."

PEOPLE - (5971) - "am" meaning: people; tribes, as those of Israel; nation.

GATHERED - (622) - "'acaph" meaning: "gathered for a purpose; assemble." (Here is a good example of what I mentioned earlier. The English word GATHERED is used seven times in the book of Ezekiel, yet it has four different meanings. Therefore each KEY word MUST be looked up to come up with a correct translation.)

OUT - (4480) - "mm" meaning: "from out of."

NATIONS - (1471) - "gouri or goyim" - meaning: "non-Jewish nations; people; nations."

GOTTEN - (6213)-"'asah" meaning: "brought forth; have charge of; gathered; procured."

CATTLE - (4735) - "Migneh" meaning: "property; acquisition of cattle; flocks; herds; possessions; substance." (Note that this word does not necessarily refer to animals, but to great possession.)

GOODS - (7075) - "gimyan" meaning: "creatures; wealth; riches; substance."

DWELL - (3427) - "yashab" meaning: "remain, abide; inhaait; settle."

MIDST - (2872) - "tabbuwr" meaning: "piled up; accumulated; middle."

LAND - (776) - "'erets" meaning: "the earth; a country; nations; wilderness." (Here is another good example of a multiple use of the English word LAND. This word is used 151 times in the book of Ezekiel; it has two major meanings, yet the same word was used in each instance.)

So we put this interesting verse together and come out with: "To come for the purpose of plundering the land and to strip it; to do evil with thy forces against the uninhabited country which is at this time established; and upon the tribes of Israel who have been gathered for a purpose, out of many non-Jewish nations, which have procured much property, flocks, herds and possessions and who have settled down in the midst of the wilderness." (Notice how this verse could not possibly apply to the little Israeli nation presently in Palestine; nor could it apply to Palestine itself. In the first place, the Israeli have very few cattle. The 1983 Israeli Agricultural report said they had about 56,000 head, which is not as much as most American counties contain. Then, too, this land against which Russia comes, is to be one that has great wealth in possessions; this could only refer to the United States and Canada, both Israel nations and the wealthiest nations in the world. Secondly, this nation which will be invaded will be a nation that was once uninhabited. To all intents and purposes this could not refer to Old Palestine which has been inhabited since earliest historical times. Yet when the first white men came to North America, for all intents and purposes, they found what is now Canada and the United States, a gigantic wilderness, peopled only by a few wandering Indian tribes.

You may ask: "How did Israel get from Palestine to North America. I thought Palestine was the Israel land of promise?" This is natural for this is what you have been taught in your churches. Yet if you will study Scripture, you will find that at the time of King David, when he had conquered Palestine and was finally settled in Jerusalem, at peace for the first time in forty years, God sent a prophet to him that made this promise: Remember now, the King is standing in his palace in Jerusalem when this promise was made: "Moreover I (God) will APPOINT (future tense) a PLACE for my people ISRAEL, and will PLANT them, that they may dwell in a PLACE of their own, and MOVE no more; neither shall the children of wickedness afflict them any more, as beforetime." (2 Sam. 7:10).

This clearly shows, that the "Promised Land" sometimes called ZION, was to be at a future time and in a different place. Other Scriptures give an accurate description of this marvelous country. Isaiah 18 tells us of a country that will be beyond (to the west of) the rivers of Ethiopia (referring of course to the mighty Nile River). It was to be a land under cover of "buzzing wings". There is hardly a moment, day or night, that the U.S. and Canada is not being crossed by an airplane.
Second, note that this country was to send its ambassadors abroad not in the "vessels of reeds" mentioned in your King James Version, (who ever heard of a mighty country sending her ambassadors in such flimsy vessels.) This should have been translated "water drinking vessels." Until this century, all our ambassadors traveled to other countries by steam ships.

This country was to be somewhere to the west of Ethiopia, or the rivers of Ethiopia. If you were to go due west from Jerusalem, you would cross the mouth of the Nile River in the vicinity of Alexandria, Egypt, then going further west would cross Libya, Tunisia and Morocco, then the Atlantic Ocean, and finally you would arrive in the heartlands of America, somewhere in the vicinity of Atlanta, Georgia.

This nation of people, living in a land which had once been a wilderness, was to be a people who had been "terrible" from their beginning. The word **TERrible** as used here is the Hebrew word ~ which means "to revere; be afraid of." Up until this last fifty years or so, the United States, from its beginning in 1776, has been an undefeated nation, admired, or feared by everyone. When we were still babies we defeated the greatest military power on earth, the British, on two occasions. We defeated the Mediterranean pirates who had caused proud England to pay them tribute; we defeated mighty Spain and stopped her dream of becoming a world power. Then we fought in two great world wars, where it was our might that caused victory. We did not know at the time that we had been tricked by our enemy to fight these wars for their benefit, but we were a "terrible people" in every meaning of the word and even today, when America's foreign statesmanship has for the most part been replaced by "chickenship," when our military might begins to assemble; when America sends out the "call to arms" to her sons and daughters, the entire world, even mighty Russia, hesitates to attack us.

Isaiah went into great detail describing this country. He could not put a name on it, since it did not exist at this time and was still some 2500 years in the future. He said it was to be a land that was "meted out and trodden down." The United States, is the only country in the world that has been completely surveyed north to south, east to west. This was done by the U.S. Metes and Bounds Act of the early 1800's. All of America's lands have been laid out by compass, literally a "Nation measured out by lines underfoot."

There is no great nation on earth that is divided by rivers such as ours. The Mississippi dividing us east from west; and the east being further divided by such rivers as the Ohio and the Tennessee, while the west is divided by the Columbia, the Missouri, Arkansas, and the Colorado.

So when you hear your pastor say, "There is no such nation like the United States mentioned in Scripture," you know he is either lying to you, or is a poor Bible scholar.

Vs 13 -

**SHEBA** - (7614) - meaning: "the name of three early ancestors of the Ethiopians, sometimes called Sabeans."

**DEDAN** - (1719) - "ded-awn" meaning: the name of two Cushites and their territory mentioned in Ezekiel 25:13 as part of Edom, the natural enemies of the Israel people.

**LIONS** - (3715) - "kphyr", meaning: "young lions; also villages."

**SPOIL** - (7998) - "shalan" meaning: "booty, prey."

**PREY** - (957) - "baz" meaning: 'plunder or booty."

**GATHERED** - (622) - "acaph" meaning: "to assemble; restored; gathered." Notice that the English word GATHERED is also used in verse 9 where it means: "collected; gather themselves together."

**COMPANY** - (6951) - "qahal" meaning: "multitude; assemblage."

**CARRY** - (5375) - "nacah" meaning: "bring forth; burn; carry away; fetch; take away utterly." Here we have another good example of one word having many meanings. The English word CARRY is
used five times in the book of Ezekiel but has three different meanings.

**GREAT** - (1419) - "godawl" meaning: "great in any sense; exceedingly; much."

So we could translate this verse to say: "The Ethiopians and Edomites, and the merchants of Tarshish (a great seaport on the Mediterranean Sea), with all the villages, or towns thereof shall say unto thee (Russia), Art thou come to take booty? hast thou (Russia) assembled thy multitudes to take a

**PREY** (957) "baz" meaning "booty". To carry away silver, and gold (representative of great wealth), to take a booty of cattle and goods, to take exceedingly much booty?"

Vs 14 - **PROPHESY** - (5012) "naba" meaning: "to foretell the future through inspiration."

**DWELLEST** - (3427) - "yashab" meaning: "abide; inhabit; remain.

**SAFELY** - (983) - "betach", the same as in vs. 8 meaning: "both the fact and feel of security; assurance; without care; confidence; securely." That phrase "without care" surely describes most of the American people. Give them a roof over their head, three square meals a day, a six pack of beer and a television to watch and you can do almost anything you like with them. Truly, our people for the most part dwell "without care," or in simplistic apathy.

**KNOW** - (3045) - "yadah" the same word as is used in vss 16 and 23 meaning: "recognize; feel; have knowledge of; understand."

So this verse would translate to read: "Therefore, (because of this) son of man, prophesy by my (God's) inspiration, and say unto Russia, Thus saith the Lord God; In that day when my people Israel live in security, without care, surely thou (Russia) shalt have knowledge of it."

Vs 15 -

**COME**- (935) the same word as is used in vss 8, 9, 13, and 15 - "bow" meaning: "beseige; invade." It is interesting to note that the English word **COME** is used ten times in this 38th Chapter. Five times it is the Hebrew word "bow"; twice it is (1961) "hayah", and three times (5927) "alah". Again a reminder to look up EACH key word.

**PLACE** - (4725) - "maqowm" meaning: "locality; country."

**OUT** - (4480) - "mm" meaning: "out of."

**NORTH** - (6828) - "tsaphan" meaning: "used only of the far north; a gloomy, unknown place to the north."

**PARTS** - (3411) - "yrekah" meaning: "borders; coasts."

**MANY** - (7277) same as in 6, 8, 9, 15, 22, 23 meaning "abundance of; multiple."

**PEOPLE** - (5971) "am" the same word used eight times in this chapter meaning "a specific tribe or nation; troops; nations."

**RIDING** - (7392) - "rakab" meaning: "riding on an animal or vehicle; on horseback; in a vehicle."

**COMPANY** - (6951) - "quahal" meaning: "a multitude."

**MIGHTY** (7227) same as in vs 15 "rab" meaning: "exceedingly great."

**ARMY** - (2428) - "chaquil" meaning: "band of soldiers; great forces of armed men; a huge force indicating war."

When we put this together we get a verse which reads somewhat like this:

"Arid thou (Russia) shall come from thy country, out of the gloomy places to the north, thou (Russia) and nations with thee, a multitude, exceedingly great, a huge force prepared for war."
Vs 16 -

COME - (5927) - "'alh" meaning: "ascend un; cause to come up."

PLACE - (4725) - "maqomm" meaning: "locality; country."

AGAINST - (5921) - "'al" meaning: "upon; against."

CLOUD - (6051)-"'aan" meaning: "as a cloud covering the sky; a dark thunder cloud darkening the sky."

COVER - (3680) - "kacah" meaning: "to conceal; hide; overwhelm."

LAND - (776) - "'erets" meaning: "country; nation."

BRING - (935) - "bow" meaning: "bring forth; call; to come against; invade."

HEATHEN - (1471) - "gowry or goy" meaning: "gentile, non-Jewish nations; nations."

KNOW - (3045) - "yada" meaning: "recognize; observe; acknowledge."

SANCTIFY - (6942) - "Quadash" meaning: "consecrate; dedicate; proclaim; purify ones-self."

EYES - (5869) - "'ayin" meaning: "face; presence; sight."

So this verse could very well read: "And thou (Russia-Gog), shall come upon my (God's) people of Israel as a dark thunder cloud to cover the nation; it shall come about in the LATTER (319 - 'achanyth' meaning "future") future., and I (God) will bring thee (Russia) upon my nation, that the gentiles (nations) may recognize me (God), when I (God) shall be consecrated in thee, O Gog, before their eyes." (EYES) - ("'ayin" meaning "presence."

Vs 17 -

OLD - (693 1) - "quadmowniy" meaning: "ancient; of old."

TIME - (3117) "youm" meaning: "days past; at other times."

SPOKEN - (1692) - "dabar" meaning. "declared; pronounced; promised; talked of."

SERVANTS - (5650)-"'ebed" meaning: "servant; bond man."

PROPHETS - (5030) - "nabia" meaning: "predicted by inspiration."

PROPHESIED - (5012) - "naba" meaning: "predicted by inspiration."

THOSE - (1992) - "bemmah" meaning: "used only when emphatic; specific." 

DAYS - (3117) - "youm" meaning: "days gone by; other days."

MANY - (7227) - "rab" meaning: "long time; process of time."

YEARS - (8141) - "shanah" meaning: "whole age."

BRING - (935) - "bow" meaning: "bring forth; call; to come against; go to war; invade."

AGAINST - (5921) - "'al" meaning: "upon; against."

So this verse translates to read: "Thus saith the Lord God (the God of Israel); Are thou (Russia) he of whom I (God) have talked of in ancient days past? by my (God's) bond servants, those who predict the future by my (God's) inspiration? which predicted in those days, many years ago that I (God) would cause thee (Russia) to go to war against them?"

Notice something of greatest importance: This war is something God has planned and predicted by His prophets. It is to be a war which will bring His Israel people to their senses and it will be perpetuated by their ancient enemy Edom.

In Psalm 2:1-3 we read of this time: "Why do the heathen rage, and the people imagine a vain thing? The kinds of the earth set themselves, and the rulers take counsel together against the Lord,
and against His anointed (Israel) saying, Let us break their bands asunder, and cast away their cords from us." Here we have an excellent description of what is happening in the world today. The atheistic nations, led by the Zionist internationalists are saying in essence, "we will destroy God and His people, the nations of Christendom, true Israel." Their rage is not against the tiny country of the Israeli, as our preachers have so boldly told us, but against the white Christian nations of the world, the Anglo-Saxon, Celtic, Scandinavian, Germanic and related peoples. Don't take my word for this, check it out for yourself. See where the Communist missiles are aimed; they were not set up to destroy Jerusalem and Tel Aviv, they were set up to destroy the capitol cities of the Christian nations. Gog (Russia) has not spent billions of dollars in the past 45 years to arm against the tiny nation of the Israeli, but against the white Christian nations who make up true Israel.

Then look at Psalm 83:2-6, 15, 17, 18 to see why these enemies are: "For, lo, thine (God's) enemies make a tumult (great confusion); and they that hate thee (God) have lifted their head. They have taken crafty counsel against thy people (Israel, not the Jews) and have consulted against thy hid-den ("tsaphan" meaning "favored" ones). They (Russia and her alliance) have said, Come and let us cut them (Israel) off from being a nation; that the name of Israel may be no more in remembrance. For they (the Russian Confederation) have consulted together with one consent (unanimous approval): they are confederate against thee (God)."

Notice now who these enemies are: Vs 6 - "The tabernacles of Edom, the Ishmaelites; of Moab, and the Hagarenes..." You may say, "How do the Jews fit in here?" Well it's quite easy to see, if you want to. Go back to John 8:32, where Jesus told the Jewish leaders that if they would listen to His "truth" they could be truly free. Quite boldly and openly the Jewish leaders bragged: Vs 33 - "We be the children of Abraham, and have NEVER been in bondage to any man."

Can't you see this truth? They were children of Abraham, through their father Esau. They were not Israelites. So go to the Jewish Encyclopedia, where you will read: "Edom is a part of Jewry," and again: "Judah was a non-Israelite tribe."

But let's get back to the prophesy of Ps. 83:15 and David's curse upon these enemies of God and true Israel: "So persecute them with thy (God's) tempest, and make them afraid with thy (God's) storm." If you haven't seen the truth yet, then go to Ezekiel 38:22 and see how God destroys these enemies of Israel and it will not be in Old Palestine that this takes place. Vs 17 says: "Let them (God's) enemies be confounded and troubled forever; yea, let them be put to shame, and perish." Compare this to Luke 19:27, where Jesus predicts the end for His enemies.

Vs 18 -
COME - (1961) "hayah" meaning: "be accomplished; happen."
PASS - (5674) - " 'abar" meaning. "cause to; make."
SAME - (1931) - "hiy" meaning: "that."
TIME - (3177) - "yom" meaning: "day; space of time; space of days; season."
COME - (935) - "bow" meaning: "enter into; make war." (Notice that this English word has a different meaning than in the first of this same verse.)
AGAINST - (5921) - " 'al" meaning. against."
LAND - (127) - " 'adamah" meaning. country."
FURY - (2534) - "chema" meaning. anger; rage; wrath." Compare this usage with that of Daniel 11:44 where the same word is used and which speaks about the same historical occurrence: "But tidings out of the east and out of the north shall trouble him (the leader of the Gog forces): therefore he shall go out with great fury (rage; anger) to destroy and utterly make away many."
COME - (5927) -"'alah" meaning. rise up; cause to burn; increase; stir up."
FACE - (639) - " 'aph" meaning. rapid breathing of great passion; anger; countenance."
So we put these Hebrew words together and this verse translates: "And it shall be accomplished at that day (or season), when Gog (Russia) shall enter into the country of Israel to make war against them, saith the Lord God, that my (God's) fierce, burning anger, shall rise up in my countenance as a fiery, burning passion."

Vs 19 -

JEALOUSY - (7068) - "gin'ah" meaning: "zealous; jealous."
FIRE - (784) " 'esh" meaning: "burning fire; hot."
WRATH - (5678) - " 'ebra'h" meaning: "outburst of passion; anger; rage."
SPOKEN - (1696) - "dabar" meaning: "command; destroy; pronounced."
SURELY - (3808) - "loh" meaning: "truly; verily."
DAY - (3117) - "youm" meaning: "space of time."
GREAT - (1419) - "gadal" meaning: exceeding; mighty."
SHAKING - (7494) - "ra'ash" meaning "earthquake; confusion; confused noise;." (This word is only used eight times in the entire Bible.)
LAND - (127)" 'adamah" meaning: "country."

So as we put this verse together we would get: "For in my (God's) jealousy, and in the hot fire of my (God's) anger have I (God) commanded. Truly in that space of time there shall be a mighty earthquake in the country of Israel." (To go back to the word "jealous," it's interesting to note that God is defined many times as a "jealous" God. This means "zealous for His people.")

Vs 20 -

FISHES - (1709) - "d ag" meaning things which swim in the water."
FOWLS - (5775)-" 'owph" meaning: "birds which fly."
HEAVEN - (8064) - "shameh" meaning: "sky."
BEASTS - (2416) - "chay" meaning: "living thing; wild beasts."
FIELD - (7704) - "shaday" meaning: "soil; field."
CREEPING - (7431) - "remes" meaning: "reptiles."
THING S - (1697) - "dabar" meaning: "harmful or evil."
CREEP - (7430) - "ramas" meaning: "glide swiftly; crawl."
EARTH - (127) - " 'damah" meaning: "ground; land."
MEN - (120) - " 'adam" meaning: "ruddy complexion; human beings; mankind."
UPON - (5921) - " 'al" meaning. "reside on."
FACE - (6440) - "paneh" meaning: "that portion of the earth which turns, hence face."
EARTH - (127) - same as above.
SHAKE - (7493) - "ra'ash" meaning: "tremble; shake through fear; move."
PRESENCE - (6440) - "paneh" meaning. countenance; face."
MOUNTAINS - (2022) - "har" meaning: "hills; mountain ranges."
THROWN - (2040) - "harac" meaning: "pulled down; broken; destroyed; overthrown; utterly destroyed."
DOWN - (2040) - "harac" same as before.
STEEP - (4095) - "madreqah" meaning: "steep and inaccessible."

PLACES - (4725) - "mqomah" meaning: "locality."

FALL - (5037) - "naphal" meaning: "cast down; cease; fall down; be overthrown; thrown down."

EVERY - (3605) - "kowl" meaning: "every one."

WALL - (2346) - "chowmah" meaning: "wall of protection as in a walled city."

FALL - (5307) - "same as above."

GROUND - (776) - "'erets" meaning: "earth."

This rather long verse would translate to read: "So that the things which swim in the water, and the birds which fly in the sky, and the wild beasts of the field, and all reptiles, that reside on the land, and all human beings that are on the crust of the earth, shall shake through fear at my countenance (go back to vs 18 and see where God says His "fury" will come up in His face - countenance) and the mountain ranges shall be utterly thrown down, and the inaccessible places will fall down, and every walled city shall fall to the earth." 

Do you begin to see how much more emphatic Scripture becomes when we go to the original? It would be difficult for a translator to put the full meaning of these verses into English words.

Vs 21 -

CALL - (7121) - "gara" meaning: "to call out; make a proclamation; cry unto."

SWORD - (2719) - "chereh" meaning: "a cutting instrument; a sharp weapon of war, noted for its destructive effect. Can sometimes mean other weapons as well."

MOUNTAINS - (2022) - "har" meaning: "hill country. (The idea of tearing down as in making a quarry.)"

MAN'S - (376) - "'iyph" referring to a man as an individual.

SWORD - (2719) same as above - "weapon of war, not necessarily a cutting weapon.

AGAINST - (5921) - "'al" meaning: "relations."

BROTHER - (251) - "ach" meaning: "kindred."

So when these verses are put together they could read: "and I (God) will cry out for destructive weapons of war to be used against him (Gog-Russia); throughout all the land, saith the Lord God; every individual's weapon of war shall he turn against his relatives and kindred."

Can you imagine the confusion that would begin at the commencement of a big over-all attack, if suddenly the attacking forces began to turn their weapons around and use them against the communist masters they have hated so long. There would be utter pandemonium and utter destruction of such an army. But wait, more is to come.

Vs 22-

PLEAD - (8199) - "shaphat" meaning: "to pronounce sentence; punish; avenge; execute judgement."

AGAINST - (5921) - "'al" meaning: "against; on; over."

PESTILENCE - (1698) - "deber" "a destroying plague."

BLOOD - (1919) - "dam" meaning: "blood."

RAIN - (4305) - "matar" meaning: "cause to rain upon."

BANDS - (102) - "aggaph" meaning: "crowds of troops."

MANY - (7277) - "rab" meaning: "exceedingly great numbers."
People - (5971) - "'am" meaning: "congregation; tribes; nations."

Overflowing: - (7857) - "shataph" meaning: "to gallop over; conquer; thoroughly wash away."

Rain - (4305) - same as above.

Great - (1378) - "gabjyph" meaning: "no clear definition is given here but it comes from an unused root word which means 'to freeze' or freezing crystals."

Hailstones - (68) - "'eben" meaning: "stone."

Fire - (784) - "'esh" meaning: "burning; flaming; hot."

Brimstone - (1614) - "gopunyth" meaning: "resinous burning sulphur."

So we come up with a rather interesting translation of this verse: "And I (God) will execute judgment upon him (Gog-Russia), with a destroying plague and with flowing blood, and I (God) shall cause to rain upon Russia, and upon the exceedingly great numbers with him, the tribes and nations, a rain of giant ice crystals, and burning, fiery hot, resinous sulphur."

Vs 23 -

Magnify - (1413) - "gadad" meaning: "a root word taken from (1464) which means to crowd upon; attack; overcome."

Know - (3045) - "yada" meaning: "recognized; acknowledged; have the respect."

Eyes - (5869) - "'ayin" meaning: "sights."

Nations - (1471) - "gow" meaning: "heathen people."

This brings us to the end of chapter thirty eight. So let's spend a few moments and recap some of the startling changes we have seen between the English and Hebrew translations.

We can be pretty sure that the major nation named in this chapter in verse 2 and called MAGOG, is Russia. We also learn that the word GOG means CHIEF or Leader. So we immediately realize that this prophesy is directed AGAINST Russia, or what we now call the Soviet Union and that it will come in the END TIMES. This prophesy is directed at RUSSIA'S leaders.

In verse 3, we learn that Almighty God YAHWEH, Creator of heaven and earth has a controversy with Communism. Could it be because her leaders have said: "We will banish God from the heavens?" Could it be because of the oceans of blood, much of it Christian blood, that has been shed by this atheistic, anti-Christ monster? Could it be because it was from this area of the earth that the Khazar, Ashkenazi Jews have come, with the most hideous plot ever conceived in the "sin diseased mind of mankind,". for total subjugation of the world under the anti-Christ?

The people who stand behind this plot, the International Zionists, have already become so powerful in the United States, that when the leader of the Jewish Defense League issued a call for Jews who were willing to begin an underground organization to "deal quietly and professionally to eliminate all Jew haters that are a threat to their existence;" they offered a $1,000 reward to any Jew who would kill a Nazi and "bring us his ears," he was taken into court by the Los Angeles District Attorney. (You can image what would have happened if an Identity preacher had made such a threat.)

The framers of our Constitution would have turned over in their graves, if they had seen a Los Angeles Jewish judge, turn this man, Irv Rubin, loose, stating that Rubin's "murder offer" was protected by his "First Amendment guarantee of free speech."

But Almighty God has had a controversy with Esau-Edom from the very beginning. In Romans 9:13 we read where God said: "...Jacob have I loved, Esau have I hated." Then in Malachi 1:24, we read of Esau's attempt to regain his lost birthright: "I have loved you (Israel), saith the Lord, Yet ye
(Israel) say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the Lord: yet I loved Jacob, And I HATED Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. Whereas Edom saith, We are impoverished, but we will return and build the desolate places: (this is what the Israeli are attempting to do in Palestine today) thus saith the Lord of hosts, They (the Edomite Jews) shall build up, and I (God) will throw down; and they (Israel) shall call them, (the Edomite Jews). The border of wickedness, and, the people against whom the Lord hath indignation forever." Don't get upset with me, those are God's words against the Jews. In that day the prophesy of Zechariah 14:21 will come true: ". . . and in that day there shall be no more the Canaanite (Edomite) in the house of the Lord of Hosts."

So we can see, as God puts a ring into the nose of the Communists in verse three of Ezekiel 38, to draw them with all their military power and alliances, into the land of "true Israel," in order to destroy them forever.

It seems very improbable that the Soviet Union would use ALL of its massive military power in an attempt to crush the tiny nation of the Israeli, with less than 4-million people. But in no place in this interesting chapter, do we have any implication that Russia's attack will be against Palestine. The description made just does not fit what the preachers have been saying.

We are given a clear picture of the Communist allies in verses 5 and 6. I believe, without any stretch of the imagination, that when Ethiopia and Libya are mentioned, this refers to the bulk of Black Africa, which already lies under Communist domination.

There is little doubt in the mind of most military analysts, that the Soviet 3ear can expect trouble from the vast array of people which will be found in he Soviet forces, since many of them are even now on the verge of revolt. See the example of Poland.) Many military experts believe one of the reasons the Communists have not already attacked the West, is that they are insure of what might happen, if they got into a big war with the nations of Christendom.

In verse eight we see how the Hebrew meaning changes the English version of this verse to the point where it does not point towards an invasion of JId Palestine, but of a land which has "been brought back from the sword (war)". The last great war fought on American soil ended in 1865. For the most part our country has recovered from the effects of that war. We are also a people living in an area which 500 years ago was totally desolate and For all intents and purposes, uninhabited. This has not been true of Palestine since the beginning of written history, some 6,000 years ago.

Those of us who live in Canada and the United States are for all intents and purposes "living boldly without care." Most of our people seem to feel that we will never be attacked. Our people for the most part are not much concerned with what is happening in the rest of the world. They steadfastly refuse to believe that the Zionist-Communist conspiracy poses a threat against them and their freedom. Yet this is the land which will be invaded by the anti-Christ.

It is quite apparent that this vast invasion will be preceded by a tremendous airborne attack, using literally millions of airborne troops and machines. There will be so many that when they drop, they will literally "blacken the sky." We know the Soviet Union has more than 2-million of such trained men, more than the total of all our military forces. We also know from Intelligence Reports, that the Soviets have five specially trained airborne battalions (of about 850 men each), standing by in Siberia. Their major objective when the war starts will be to destroy the Alaska pipeline.

A little study of this chapter indicates that the Communist decision to launch this massive attack, will be some new military device which they believe will make them invincible and against which we will have no defense. There is already much speculation that they have and are perfecting this weapon now. More and more, experts are beginning to believe that the explosion which destroyed the space craft Challenger in 1986, was due to a deliberate attack against the ship. It's interesting to note that the U.S. had 127 successful space launches, without any problems to speak of and then suddenly, one after another, seven failures. Some believe, with reason, that these launches were deliberately destroyed by a Soviet secret weapon.
Frightening as this may seem, we know that God has plans for this anti-Christ alliance and that in His own good time, He will destroy it.

We also know, from His numerous promises, that He wants to bless His Israel people and through them the rest of the world. But first we **MUST** live up to the requirements of this promise as found in 2 Chronicles 7:14 - "If my (God's) people, which are called by My (God's name - Christian), will humble themselves, and pray and seek My (God's face), and turn from their wicked ways: **THEN** will I (God) hear from heaven, and **WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND.**" (Emphasis added.)

Victory and peace are being held back from our people, because we have refused to follow these dictates. My firm conviction is that it may take this invasion, and possibly even temporary Communist occupation of this country, to drive our Israel people back to a realization of who they are and what their responsibilities are before Almighty God. We have a choice of doing it the easy way (God's way), or learning through bitter experience as our forefathers did.

We do know, that in God's own time, He will say: "I have had enough," and will destroy His enemies. Jeremiah 50:25 speaks about God opening His armory, to "bring forth the weapons of His indignation (anger)." I can tell you this, the world has never seen what these can do. They will make the nuclear weapons look like firecrackers by comparison and God will use them against His perpetual enemies. This He has promised.

Our task, as those who love Him, is to be prepared for His return. We were given the task of "occupying until He comes," and this cannot be done, hiding in a spiritual foxhole, asking Him to do the dirty work we are supposed to do. We **MUST** be ready, spiritually, physically, mentally and militarily, for whatever task He gives to us in the battle which is soon to come.

Of this you can be sure. When the final dust of the battle clears away; when the last gun has sounded and the last bomb has been dropped: when He comes back as King of Kings and Lord of Lords, to take His rightful place as ruler of the universe, everyone on earth, both His own people and their enemies, will know it was not through our power, or wisdom, that the battle was won. We need to be a humble people, for without Him, we are as nothing. We need to pray, not that God will shorten the time of our tribulation, but that He will bring honor and glory to the name of His Son, our Lord Jesus Christ, "And He (Jesus) shall reign for ever, and ever. **AMEN!**"

As we go into our study of Chapter 39, it is important that we realize that Christianity is not just something which we practice on Sunday, within the confines of the church. To be effective servants of the Lord - to fulfill His command to: "Occupy until I come!" it must permeate our thinking in every day events from political to economic.

Too many church members, in these trying days, are "Alka Seltzer" Christians who come to church once a week and "fizz" for an hour or so. The rest of the week they are indistinguishable from the worldly crowd with whom they associate. These anemic Christians have a favorite saying, put into the words of a song: "This world is not my home, I'm just a passing through." They think of themselves as pilgrims and strangers on this earth, who are waiting for the Lord to come back and rapture them out of the mess which was caused by their apathy in the first place. They forget the words of the Lord's Prayer which they pray by rote: "Thy kingdom come, Thy will be done, on earth, as it is in heaven."

Anyone who has made a careful study of American history knows that we are a Christian nation. Our country was intended as a Christian nation from the very beginning. The charters of every one of the original States, says in essence: "This colony was founded for the glory of Almighty God and the propagation of the CHRISTIAN FAITH." The Founding Fathers did not have a "pluralistic" nation in mind. When they talked about "freedom of religion" in the Constitution, they were referring to the Christian religion, not all the heathen abominations which have taken root and flourished, as hordes of aliens have invaded Zion.
While the U.S. Supreme Court has twice declared the United States to be a Christian nation, a majority of brainwashed white Christians have been conned into a tolerance for the pagan "isms" which have invaded and are destroying the moral fiber of America.

As we go on with our study of Ezekiel 39, we will be reading the exciting story of why Christians have suffered more in their own country from persecution and bigotry than any others and how God will finally bring to account those who have tried to destroy His Israel people. (Not the Jews.)

Believe me, my friends, when I say: "We are in a battle for the survival of Christianity and the white race itself. Our fight is against the very forces of hell itself."

It seems almost inconceivable to me, that in a country like America, we would find fake groups such as the "Greenpeace" people, who spend millions of dollars each year to protect baby seals, but say' 'nary a word" about the murder of 2-million unborn children through abortion. They chase over the seas after whale hunters, while thousands of innocent men and women are being slaughtered by the Zionist-Communist conspiracy in a place like Afghanistan. Why? Because these humanitarian groups are based on heathen principles and for the most part have been founded and funded by International Jewry. Ezekiel 39 shows how these and others like them, have been "weighed in God's balances and have come up wanting."

While Almighty God does not balance His books at the end of every year, He has a way of "balancing the scales" and we see His final plan in operation in Ezekiel 39.

Let's get on with our study:

**Ezekiel 39**

Vs 1 - In this verse we see where the prophet Ezekiel is ordered by god to prophecy against the leaders of the Communist world. God's message to them is: "I (God) am against thee, 0 Gog, the chief prince of Mesech (Moscow) and Tubal (Tubolosk.)"

Vs 2 - TURN - (7725) - "shuwb" meaning: "cause to retreat; send back; cause to turn."

BACK - (7725) - The same word as TURN.

LEAVE - (8338) - "showshow" meaning: "annihilate."

SIXTH - The same word as LEAVE, meaning 1/6th.

PART - (2677) - "chetsiy" meaning: "the half or middle; two parts."

CAUSE - (4941) - "mishpat" meaning: "a sentence or formal decree."

COME - (5927) - "'alah" meaning: "ascend up; come up; rise un."

(Notice once again that the direction of this Communist attack is away from Old Palestine, to the North.)

NORTH - (6828) - "tsaphan" meaning: "north quarter, a gloomy, unknown place."

PARTS - (3411) - "yrekah" meaning: "rear; border; coast."

BRING - (935) - "bow" meaning: "to go or come; to come against; to go to war; to invade."

MOUNTAINS - (2022) - "har" meaning: "hill country; sometimes used figuratively to mean people, tribes, or nations."

So we find verse 2 saying in essence: "And I (God) will cause thee (the Communist alliance) to retreat. And I will annihilate you and leave only one-sixth of your forces alive and will cause thee (Russia) to ascend up from your northern parts, and will bring thee (Russia) upon the tribes (nations) of Israel." (Notice once again that this attack is not towards Old Palestine, but is to the north, over the North Pole into the heartlands of Israel nations, Canada and the United States.)
Vs 3 -

SMITH - (5221) - "nakah" meaning: "to strike severely."

BOW - (7198) - "quesheth" meaning: "a bow for shooting; an archer."

LEFT - (8040) "smo'1" meaning: "the left hand." (Here again we see the absolute necessity of looking up every key word. The English word LEFT is used 17 times in the Book of Ezekiel, but it has 8 different meanings.)

CAUSE - (5414) - "nathan" meaning: "make, strike."

ARROWS - (2671) - "chets" meaning. a piercer; spear; dart; arrow; weapon of war."

FALL - (5307) - "naphal" meaning: "cast; fall away; smite out."

RIGHT - (3225) - "yamiyn" meaning: "the right hand."

(The wording of this verse is interesting, since it speaks of holding the bow in the left hand and the arrows in the right. This was normal for most archers and is the method most soldiers use to hold their weapons, since most men are right handed.)

Verse three could be translated to read: "And I (God) will severely strike your weapons of war from your left hand and will make your missiles fall from your right hand." (Missiles, bullets, grenades, etc.) In clear terminology, God will cause His enemies to become absolutely impotent."

Vs 4 -

FALL - (5307) - "naphal" meaning: "die; perish."

MOUNTAINS - (2022) - "har" meaning. hills; or nations.

RAVENOUS - (5861)-" 'ayit" meaning: "birds of prey."

BIRDS - (6833) - "tsippor" meaning: "fowl."

SORT - (3671) - "kanaph" meaning: "referring to the outer edges of a birds wings: or to the wings of an army."

BEASTS - (2416) - "chay" meaning: "wild beasts."

FIELD - (7704) - "saday" meaning: "country; field."

DEVOURED - (402)-" 'oklah" meaning: "consumed; eaten for food."

So we could translate this verse to read "Thou (Russia) shall fall on the hills of Israel (not necessarily in Old Palestine) thou (Russia) and all thy troops (armies) with thee, and all the nations with thee I (God) will give thee (Russian alliance) unto the fowls of prey unto the wings of my army and to the wild beasts of the field who will devour you for food

Vs 5 -

FALL - (5307) "naphal" meaning: "die; perish."

UPON - (5921) - " 'al" meaning: "upon; among."

OPEN - (6440) - "paneh" meaning. open.

FIELD - (7704) - "saday" meaning: "country."

TRANSLATION: "Thou (Russia) shall perish in the open country: for I (God) have spoken it, saith the Lord."

Vs 6 -

SEND - (7971) - "shalach" meaning: "bring; spread."

FIRE - (784) - " 'esh" meaning: "a burning; fiery; flaming; hot."
MAGOG - (4031) - "Magowg" meaning: "the barbarous northern region" hence Russia.

AMONG - (996) - "beyn" meaning: "within."

Dwell - (3427) - "yashab" meaning: "remain; abide; inhabit."

CARELESSLY - (983) - "betach" meaning: "feeling of security; assurance; confidence."

ISLES - (339) - "'iy" meaning: "coastlands; islands."

KNOW - (3045) - "yada" meaning: "to recognize; acknowledge; be aware of."

TRANSLATION OF VS 6: "And I (God) will bring a burning on Magog (the barbarous northern people known as Russia), and within those people who live in apathy, without care, in the coastlands, and the islands; and these people shall acknowledge that I (God) am the Lord."

The devastation of God, when it comes, will not only be against the anti-Christ of the Zionist-Communist alliance, but against those people in the world who dwell in apathy, without a care. (I personally believe that many of these will be Israelites. They have heard and rejected the Kingdom message. God says He will "purge out from among Israel the rebels, and them that transgress against Him" (Ezekiel 20:38). That word PURGE (1305) means: "to purify; to cleanse; to purge out." So it could mean that God will whip these apathetic Israelites into shape and purify them. I have felt for many years, that the average American Christian will refuse to listen to God until he has been driven to his knees and had his nose rubbed in the dirt. Or this verse could have an even more solemn meaning and say: "when I (God) come back, I will say to the rebels, 'I never knew you', depart from me!" (Matthew 25:41). These will be forced to acknowledge Jesus as King, before they are banished from the Kingdom forever.

Vs 7 -

HOLY - (6944) - "quadesh" meaning: "hallowed; sacred."

NAME - (8034) - "shem" meaning: "character; honor; authority."

KNOWN - (3045) - "yada" meaning: "recognize; acknowledge; declare; respect."

MIDST - (8432) - "taveh" meaning: "among."

PEOPLE - (5971) - "'am" meaning: "tribes; nations; troops."

LET - (7503) - "raphah" meaning: "leave; let alone."

POLLUTE - (2490) - "chalal" meaning: "to profane; break one's word; defile; prostitute."

HOLY - (6944) - same as above.

NAME - (8034) - same as above.

MORE - (5750) - "'od" meaning: "again; at all; any longer."

HEATHEN - (1471) - "goy" meaning: "a foreign nation."

KNOW - (3045) - same as KNOWN above.

LORD - (3068) - "YHovaH" meaning: "the Self-Existent One; the Creator."

HOLY - (6918) - meaning. sacred."

ONE - (259) - "echod" meaning. "alone; only."

TRANSLATION VS 7: "So I (God) will make my sacred character acknowledged among my (God's) Israel nations; and I (God) will not leave them alone to defile my (God's) sacred name any longer; and the foreign (non-Israel) nations shall recognize me as the Creator, the sacred One alone among Israel."

Notice this verse does not speak about a single nation, such as the Jewish nation now in Palestine. It
speaks of the "nations of Israel," those which were promised to Father Abraham, Isaac and Jacob, centuries ago: In Genesis 17:4-6, Abraham, the father of the Israelite people was given a promise by Almighty God, when He said: vs 4: "As for Me (God), behold My covenant is with thee, and thou shalt be a father of MANY nations." You might say, "This has reference to the Arab people who are also Abraham's descendants." But God clarifies this, just as He does any other Scripture if you are diligent to search for the truth, when He narrows down these nations in vs 16 and says to Abraham's wife Sarah: "she shall be a mother of nations." Remember, these promises were made to Abraham, 1200 years before there were any people on earth, who were known as Jews. Then to be doubly sure the truth would be known, God gives the same promise to Abraham's grandson Jacob, in Genesis 35:11, when He says: "...a nation, and a company of nations, shall be of thee, and kings shall come out of thy loins." This promise has only been fulfilled in the nations of Christendom. It has certainly not been fulfilled in the people we know as Jews. Then in Genesis 48:19 we see Jacob-Israel, as he passes on this promise to the youngest of Joseph's sons, Ephraim: "his younger (Manasseh's) brother shall be greater than he, and his seed shall become a MULTITUDE OF NATIONS."

Vs 8 -

BEHOLD - (2009) - "hinneh" meaning: "lo, see."
COME - (935) - "bow" meaning. "befall; cause to; invade; go to war."
DONE - (6213) - "'asah" meaning: "accomplished; executed; come to pass."
DAY - (3117) - "youwm" meaning: "age."
SPOKEN - (1696) - "dabar" meaning. "arranged; to speak; talk."
TRANSLATION: "See, I (God) have caused it to come to pass, saith the Lord: this is the age of which I have spoken."

Vs 9 -

THEY - (1992) - "hemmah" meaning: "many; those."
DWELL - (3427) - "yashab" meaning. remain; dwelling; habitation.
CITIES - (5892) - "a'ayar" meaning: "a city; town."
FORTH - (3318) - "yatsa" meaning: "break out; go out; issue out."
SET - (1197) - "boor" meaning: "consume with fire; burn; set on fire."
FIRE - (784) "'esh" meaning: "burning; fiery; flaming; hot."
BURN - (5400) - "nasag" meaning: "catch on fire; burn; kindle."
WEAPONS - (5402) - "nesheg" meaning: "offensive arms; arsenal; weapons."
BOTH - (8147) - "shtayin" meaning: "both."
SHIELDS - (4043) - "mginnah" meaning: "small shields; defensive weapons."
BUCKLERS - (6793) - "tsinnah" meaning. "large shields."
BOWS - (7198) - "gesheth" meaning: "bow as an offensive weapon."
HANDSTAVES - (4731) - "magglah" meaning: "rod for offensive striking
SPEARS - (7420) - "ramath" meaning: "lance; javelin, spear."
BURN - (1197) - "boor" meaning: "to consume with fire."
FIRE - (784) - same as above.
SEVEN - (7651) - "shib'ah" meaning. "an indefinite number; by implication a week."
YEARS - (8141) - "shanah" meaning. a whole year."
TRANSLATION: "And many which remain in the cities and towns of Israel shall issue out of those cities and will consume with fire and burn the defensive weapons and the offensive weapons, and they will burn them for seven whole years."

At about this point, the skeptic, or the doubter, may say: "See, the prophet was not talking about some war in the distant future, for we no longer use spears and bow. Our weapons are made of metal which will not burn."

There are several interesting assumptions we can make at this point. One is that the prophet, looking far into the future, could not know about tanks, guns, and artillery, so he described the terrible war which would take place, in terms his readers could understand.

But there is an even more intriguing possibility. This is that he had a vision of that future war and the strange weapons which would be used. He knew these metal weapons would burn.

For a number of years, the Soviets have been experimenting with a new plastic called "ligonite." This is much harder than steel, is almost impenetrable by armor piercing shells and much lighter than steel. This makes it an ideal armor for tank and personnel carriers. The one drawback is that when it catches on fire, it burns with an intensity that is hotter than that of anthracite coal. Could it be possible that our Israel people, issuing forth on the battle field after the enemy has been destroyed, will actually be able to burn these metal weapons? Or could it be that the prophet was referring to them burning the fuel that these war engines contained? You be the judge. Verse 10 will give a further explanation.

Vs 10 -

WOOD - (6086) - "'ets" meaning: "trees; timber; sticks."
OUT - (4480) - "minney" meaning: "from among; out of."
FIELD - (7704) - "saday" meaning: "countryside; field; ground."
NEITHER - (3808) - "loh" meaning: "never; much less; out of."
FORESTS - (3293) - "Ya'ar" meaning: "thickets; forests; woods."
BURN - (1197) - "a'ar" meaning: "to kindle; consume; cause to burn; set on fire."
WEAPONS - (5402) - "nesheg" meaning: "offensive weapons; arsenal."
FIRE - (784) - "'esh" meaning. 'fiery flame; burning; hot."
SPOIL - (7997) - "shalal" meaning: "booty; prey."
THOSE - (1992) - "hemmah" meaning: "whomsoever; the same; such as; those."
SPOILED - (7997) - "shalal" meaning: "plundered; make a prey; spoil."
ROB - (962) - "bazez" meaning: "take a prey; spoiled."
ROBBED - (962) - same as above.

TRANSLATION: "So Israel shall take no firewood out of the open fields, nor cut down any wood out of the forests; for Israel shall burn the offensive weapons with a fierce flame; and Israel shall take a prey of those who sought to spoil them, and spoil those that robbed them."

It becomes apparent in this verse that the enemy will retreat in great panic, leaving their weapons of war and supplies behind. Whether Israel will actually be able to burn these weapons we do not know. Very possibly they will burn the fuel from the mechanized vehicles and use it to warm their homes and cook their food. Anyone who has ever traveled with an armored division in combat or in maneuvers, knows the vast amount of fuel it will consume. Much of this is transported by oil trucks. In this specific war, the enemy will leave enough fuel behind to last the Israel people for seven years. (See verse 9).
Vs 11 -

COME - (1961) - "hayah" meaning: "come to pass; be accomplished; happen."

DAY - (3117) - "yowm" meaning: "space of time."

GOG - (1463) - "Gowg" meaning: "northern nation, in this case Russia."

PLACE - (4725) - "magomah" meaning: "country; place; space."

GRAVES - (6913) - "qibrah" meaning: "burying place."

VALLEY - (1516) - "gay" meaning: "a gorge with steep sides."

PASSENGERS - (5674) - "'abar" meaning: "make way; overrun; passage; take away."

EAST - (6926) - "qidmah" meaning: "in front of; eastward; forward part."

SEA - (3220) - "yom" meaning: "a sea; large body of water (a big sea); sometimes a large river; western."

STOP - (2629) - "chacam" meaning: "to stop the nose; muzzle."

PASSSENGERS - (5674) - "'abar" meaning: "enter; go through."

BURY - (6912) - "gabar" meaning: "to bury."

GOG - (1463) - same as above.

MULTITUDE - (1995) - "hamon" meaning: "crowd; company."

CALL - (7121) - "gara" meaning: "address by name."

VALLEY - (1516) - "gay" meaning: "gorge."

HAMON-GOG - (1996) - "Hamon-Gowg" meaning: "the multitude of the northern country (Russia)."

TRANSLATION: "And it shall happen in that space of time, that I (God) will give unto that northern country (Russia) a space there for a burying place in Israel, the gorge of the passage, eastward of the great sea; and it (the smell of decaying bodies) shall muzzle (stop) the noses of those who pass through; and there Israel shall bury Russia and all his company: and Israel shall call it the gorge of the army of the north."

There is no place in Old Palestine that can match this description of the place where Russia shall fall and be buried, (5/6ths of her army vs 2). But east from the Pacific Ocean, in the wilderness of Utah, Nevada, and Idaho, are many deep gorges, where millions of bodies could be buried. I believe this is the "valley of the passengers" which is mentioned here.

Vs 12 -

SEVEN - (7651) - "shi'bah" meaning: "literal number seven."

CLEANSE - (2891) - "taher" meaning: "to purify; decontaminate."

MONTHS - (2320) - "codesh" meaning: "by implication a month of 30 days."

TRANSLATION: "And the house of Israel will take seven months to bury the Communist soldiers that they may decontaminate the land."

Vs 13 -

PEOPLE - (5971) - "am" meaning: congregation, tribes; nations; men."

LAND - (776) - "'erets" meaning: "country; nations."

BURY - (6912) - "gabar" meaning: "bury."

RENOwN - (8034) - "shen" meaning: "a memorial; an honor."
DAY - (3117) - "yowm" meaning: "time; day; age.

GLORIFIED - (3513) - "kabed" meaning: "receive glory; honored."

LORD - (136) - "Adonay" meaning: "the proper name of God only when capitalized."

TRANSLATION: "yea, every person in the land shall bury the Communists, and it shall be to Israel a time of honor, the day when I (God) shall be honored, saith Adonay, the Lord God."

(I have specifically used the word LORD here, since there are those who teach that this word represents the heathen deity Ba'al and should never be used. In this instance, since it is capitalized, it refers to ADONAY, the Creator, the Self-Existent One. This is true of the word LORD whenever you find it capitalized. It has absolutely nothing to do with Ba'al.)

Vs 14 -

SEVER - (914) - "bodal" meaning: "separate."

CONTINUAL - (8548) - "tamiyd" meaning: "constant; regular; daily."

EMPLOYMENT - (5975) - "amad" meaning: "to be employed; serve."

PASSING - (5674) - "'abar" meaning: "covering."

BURY - (6912) - "gabar" meaning: "to inter or bury."

PASSENGERS - (5674) - "'abar" meaning: "those that cover; wayfaring men."

BURIED - (6912) - meaning: same as above.

THOSE - (1992) - "hemmah" meaning: "those."

REMAIN - (3498) - "yathar" meaning: "are left; preserved; left behind."

FACE - (6440) - "paneh" meaning: "surface; upon."

CLEANSE - (2891) - "taber" meaning: "to purify; decontaminate."

END - (7097) - "getseh" meaning: "end."

SEARCH - (2713) - "chaqar" meaning: "to penetrate; search out; seek."

TRANSLATION: "And they (Israel) shall separate out men for regular employment, whose task will be to cover the land and bury those bodies that were left behind on the surface of the land; for seven months shall these men seek out the dead."

Vs 15 -

PASSENGERS - (5674) - "'abar" meaning: "pass through; wayfaring man."

PASS - (5674) - same as above.

THROUGH - same as above.

(Notice these three key English words all have the same meaning. Why then did the translators confuse the issue by using different words? These could have been condensed into one phrase which said: "when the wayfaring man passes through the land.")

SEEST - (7200) - "ra'ah" meaning: "lean on; mark; spy; view."

BONE - (6106) - "estem" meaning: "extension of the body; a body; a bone."

SET - (1129) - "banah" meaning: "set up."

(Here is another good example of the necessity of looking up each key word. In Chapter 39 alone, the English word SET has three different Hebrew meanings (1197, 1129 and 5414).

SIGN - (6725) - "tsituwm" meaning: "a guiding pillar or post."
BURIERS - (6912) - "gabar" meaning: "burying party."

VALLEY - (1516) - "gay" meaning: "gorge."

HAMON-GOG - (1996) - "Hamown-Gowg" meaning: "the multitude of Gog."

TRANSLATION: "Any wayfaring man (traveler) who passes through the land and sees a body or bone of a man, he shall set up a guiding post by it, until the burying party shall bury it in the gorge where the multitude of Gog (Russia) are buried."
(Note, there were to be no individual graves, but a mass burying in a deep and huge gorge.)

Vs 16 -

NAME - (8034) - "shem" meaning: name.

HAMMONAH - (1997) - "Hamownah" meaning: "the multitude of Gowg."
(Russia)

CLEANSE - (2891) - "taher" meaning: "purify; decontaminate."

LAND - (776) - " 'erets" meaning. nation."

TRANSLATION: "And also the name of that city shall be Hamonah, the multitude of (Russia). In this way shall Israel purify the land (nation)."

Vs 17 -

LORD - (136) - "Adonay" meaning: "the self-existent One."

SPEAK - (559) - amar meaning: say, command; demand of; speak."

EVERY - (3605) - "kal" meaning: "everyone; all."

FEATHERED - (3671) - "kanaph" meaning: "feathered; flying."

FOWL - (6833) - "tsippor" meaning: "bird."

BEAST - (2416) - "chay" meaning. wild beast."

FIELD - (7704) - "saday" meaning. country."

ASSEMBLE - (6908) - "gabats" meaning: "gather; assemble; come together."

YOURSELVES - (5315) - "nephesh" meaning: "any breathing creature or animal; yourselves."

COME - (935) - "bow" meaning: "to gather."

GATHER - (622) - "acaph" meaning: "to gather for any purpose; gather together."

EVERY - (5437) - "cabab" meaning: "be about on every side; beset; round about."

SACRIFICE - (2077) - "zebach" meaning: "slaughter; offering."

GREAT - (1419) - "gadol" meaning: "high; mighty."

SACRIFICE - (2076) - same as above.

MOUNTAINS - (2022) - "har" meaning: "hills; hill country."

EAT - (398) - "'akol" meaning: "to eat; consume; feed."

FLESH - (1320) - "basar" meaning: "flesh."

DRINK - (8354) - "shathah" meaning: "drink."

BLOOD - (1818) - "dam" meaning: "blood which when shed causes death, hence life blood."

TRANSLATION: (This verse paints a terrifying picture, completely opposite of that one painted by most of our churches. Here we see God, the Son, in Jesus Christ, rather than the "meek and lowly babe of Bethlehem." Here we see Christ as the Avenger, the Destroyer:) "And Thou (Ezekiel), son of man, thus saith Adonay, the Self-Existent One, command all the feathered birds, and all the
wild beasts of the country, to come together, for my slaughter, that I (God) will kill for you, even a mighty slaying on the hills of Israel, that you (the birds and wild beasts) may feed upon flesh and drink life blood of my enemies.

Vs 18 -

EAT - (398) - "'ahol" - same as above.

FLESH - (1320) - same as above.

MIGHTY - (1368) - "gibbor" meaning: "above; chief; strong."

DRINK - (8354) - same as above.

BLOOD - (1818) - same as above.

PRINCES - (5387) - "nasi" meaning: "exalted ones." (It is interesting to note that the word Nazi comes from this Hebrew word); also rulers; governors.

EARTH - (776) - "'erets" meaning: "land; country; nations."

RAMS - (352) - "'ayil" meaning: "mighty men." (Note that this word does not refer to a male sheep or goat.)

GOATS - (6260) - "attud" meaning: "leaders of the people." (AGAIN it would be well to notice that these "he goats" are not animals, but military leaders.)

BULLOCKS - (6499) - "par" meaning: "young; with wild strength."

FATLINGS - (4806) - "mring" meaning. gross; domineering. (Again, not a reference to animals as the King James Version seems to indicate, but to powerful leaders.)

BASHAN - (1316) - "Bashan" meaning. an area east of Palestine and the Jordan River.

It appears as though the KJV translators have completely garbled this verse for some reason or other, as the Hebrew shows it to read something like this: "Ye (birds of prey and wild beasts) shall consume the flesh of the chief men and drink the blood of the exalted ones, of mighty men (military leaders) and of the leaders of the people, of the young and domineering men from that area east of Palestine."

(Once again, it is extremely important for us to remember that the rams, he-goats, fatlings, and bullocks mentioned in this verse have absolutely nothing to do with animals, but are a description of the people who will fall in this slaughter.)

Vs 19 -

EAT - (398)-"'akal" meaning. consume; devour; feed on."

FLESH - (1320) - "basar" meaning: "body flesh of man."

FULL - (7654) - "sob'ah" meaning: "satisfied; satiated; had enough of."

DRINK - (8354) - "shathah" meaning: "drunk; to drink as at a banquet."

BLOOD - (1818) - "dam" meaning: "life's blood."

TILL - (5704) - "'ad" meaning. until; for as long as."

DRUNKEN - (7943) - "shikkarown', meaning. "to be drunken or intoxicated."

SACRIFICE - (2076) - "zabach" meaning: "killed; slaughtered."

TRANSLATION: "And ye (birds and beasts of prey) shall devour the flesh of men until you have had enough, and will be drunk with their life's blood until you become intoxicated with the slaughter that I (God) have killed for you." (Notice that the destruction of the enemy is accomplished by God, not the Israel people.)
Vs 20 -
FILLED - (7646) - "sabea" meaning: "filled to satisfaction; satiated." - - 
TABLE - (7979) - "shulchan" meaning: "by implication a meal."
HORSES - (5483) - "cuc", meaning: "a horse."
CHARIOTS - (7393) - "rekeb" meaning: "cavalry; a multitude of riders."
MIGHTY - (1368) - "gibbor" meaning: "warriors; champions; powerful."
MEN - (582) - "'enoush" meaning: "mortal, hence a man."
MEN - (376) - "'iysh" meaning: "a male person; champion; mighty man."
WAR - (4421) - "milchamah" meaning: "those who fight a war; warriors."
LORD - (136) - "Adonay" meaning: "the proper name of God."
GOD - (3069) - "YHOVAH" meaning: "God."
TRANSLATION: "Thus you (birds and beasts of prey) shall be filled to satisfaction at my (God's) meal, with horses and a multitude of riders (cavalry - could either be horse mounted or mechanized) with the powerful champions of the battle, saith Adonay, YAHWEH, the Self-Existent, Eternal One."

Vs 21 -
SET - (5414) - "nathan" meaning: "bring; direct; perform; show."
GLORY - (3519) - "kabad" meaning: "splendor; honor."
AMONG - (996) - "beyn" meaning: "in; within; among."
HEATHEN - (1471) - "goy" meaning: a foreign nation; nations; people."
HEATHEN - (1471) - same as above.
SEE - (7200) - "ra'ah" meaning: "approve; consider; look on."
JUDGMENT - (4941) - "mishpat" meaning: "verdict; sentence; judicial pronouncement; justice."
EXECUTED - (6213) - "'asah" meaning: "accomplished; committed; fulfilled; brought to pass."
HAND - (3027) - "yod" meaning: "power; strength; terror."
LAID - (7760) - "siym" meaning: "brought; committed."
TRANSLATION: "And I (God) will show my splendor within all nations, and all nations shall consider my (God's) sentence that I have brought to pass and my (God's) power that I have committed upon them." (The communist nations of Magog-Russia.)

Vs 22 -
SO - (3651) - "ken" meaning: "rightly; for asmuch; in like manner; surely."
HOUSE - (1004) - "bavith" meaning: "family."
KNOW - (3045) - "yada" meaning: "ascertain by seeing; acknowledge; declare; discover; have knowledge of."
LORD - (3068) - "YHOVAH" meaning: "the Self-Existent, Eternal One."
GOD - (3069) - "YHOVIIH" meaning: same as above.
DAY - (3117) "youm" meaning: "age; time."
FORWARD - (1973) - "halah" meaning: "forward."
TRANSLATION: "In like manner shall the family of Israel know by seeing that I (God) am the Self-Existent, Eternal One, their God, from that time forward."

(There will be no question as to who is King of Kings and Lord of Lord's in that day. There is little doubt in my mind, that when that terrible day omes, and victory comes to God's people, both Israel and her enemies will know without a shadow of a doubt, that the victory is God's and that it was not accomplished by the might or wisdom of the Israel people.)

Vs 23 -
HEATHEN - (1471) - "gowy" meaning: "nations; foreign nations; Gentiles."
KNOW - (3045) - "yada" meaning: "observe; acknowledge; be aware of; comprehend."
HOUSE - (1004) - "bayith" meaning: "family; house."
WENT - (935) - "bow" meaning: "carry; departed; caused to enter into; invaded."
CAPTIVITY - (1540) - "galah" meaning: "to exile; to denude (the custom was to strip captives.)."
INIQUITY - (5771) - "avown" meaning: "sin; fault; moral evil."
BECAUSE - (5921) - "'al" meaning: "accordingly; because of."
INIQUITY - (5770) - "'avown" meaning: same as above.
TRESPASSED - (4063) - "sideras" meaning: (Here is an example of a word in which the original Hebrew does not fit any meaning. The word itself simply means "made of iron" which does not fit into this context.)
GAINST - (413) - "'el" meaning: "denoting motion; against; towards; upon.
THEREFORE - (3651) - "ken" meaning: "for which cause; howbeit; straightaway; therefore."
HID - (5641) - "cathar" meaning: "conceal; hid; kept secret."
FACE - (6440) - "paneh" meaning: "face; favor; presence."
GAVE - (5414) - "nathan" meaning: "delivered up; recompensed."
HAND - (3027) - "yod" meaning: "power; terror; under."
ENEMIES - (6862) - "tsar" meaning: "adversary; enemy; foe."
FELL - (5307) - "naphal" meaning: "cast down; die; cause to fall; overthrow; overwhelmed; perished; slained."
ALL - (3650) - "kimnyr" meaning: (Here is another word which makes no sense.)
SWORD - (2719) - "chereb" meaning: "cutting instrument; axe; dagger; sword."

TRANSLATION: "And the nations (both those of Israel and the heathen), shall observe that the family of Israel (not the Jews - see John 8:33), were carried into exile because of their moral evil; accordingly (or because) they trespassed (or went against Me - here the translators used the word they felt would best express the idea of God's disapproval. It cannot be found in the original Hebrew), for which cause I concealed my presence from them, and delivered them into the power of their adversaries: so were they all (this does not mean ALL in the sense of complete extinction - but all those who perish by the sword) killed with a weapon of war."

Vs 24 - (This verse explains why God used such harsh measures against His Israel people. Remember, these are not the Jews.)
ACCORDINGLY - (5921)-"'al" meaning: "because of; by reason of."
UNCLEANNESS - (2932) - "tum'ah" meaning: "religious impurity; filthiness; uncleanness."
ACCORDING - (5921) - same as above.

TRANSGRESSIONS - (6588) - "peshat" meaning: "national moral or religious rebellion, sin.

DONE - (6213) - "'asal" meaning: "accomplished; bruised. See Hebrews 12:6 which says: "For whom the Lord loveth (Israel) He chasteneth, and scourgeth every son whom He receives." (See also Deuteronomy 8:5 - "Thou (Israel) shalt also consider in thine heart that, as a man chasteneth (corrects) his son, so the Lord thy God chasteneth thee (Israel)."

HID - (5641) - "cathar" meaning: "concealed."

FACE - (6440) - "paneh" same as above.

TRANSLATION: "Because of their (Israel's religious impurities and filthiness, and by reason of their national moral rebellion, have I (God) bruised them and concealed my presence from them."

(Notice how this has a modern application. Today, we see God's displeasure falling on the Israel nations - the nations of Christendom - with the same ultimate results; enemy invasion, destruction and very possibly a time of slavery and occupation.)

Vs 25 -

THEREFORE - (3651) - "holoteles" meaning: "complete to the end; wholly; absolutely perfect."

LORD - (136) - "Adonay" meaning: (the proper name for God only.)

NOW - (6258) - "'attah" meaning: "at this time; straightway."

BRING - (7725) - "showb" meaning: "make; bring home again; come again; deliver again, rescue. AGAIN - (7725) - same word as bring.

CAPTIVITY - (7622) - "show'ah" meaning: "destruction; desolation."

HAVE - (1961) - "epimeno" meaning: "to remain; abide in."

MERCY - (7355) - "rachan" meaning: "compassion; love; show mercy."

WHOLE - (3605) - "kowl" meaning: "whole of; all."

HOUSE - (1005) - "bayith" meaning: "family."

WILL - (5314) - "naphash" meaning: (Here is another Hebrew word which does not fit the context as it means "to breathe upon.")

JEALOUS - (7065) - "gona" meaning, zealous; in a bad sense; envious."

HOLY - (6944) - "gona" meaning: "sacred; hallowed."

NAME - (8034) - "shem" meaning: "character; authority."

TRANSLATION: "Being absolutely perfect, thus saith Adonay (God), at this time I will deliver again the destruction of Jacob (Israel), and will show mercy on all of the family of Israel, and will be very zealous for my sacred character."

Vs 26 -

AFTER - (310) - "'achor" meaning: "after; seeing."

HAVE - (1961) - "hayah" meaning: "come to pass; accomplished; follow."

BORNE - (5375) - "nacah" meaning: "suffered; received' accepted."

SHAME - (3639) - "klimmah" meaning: "disgrace; reproach; shame."

TRESPASSES - (4604) - "ma'tal" meaning: "transgressions; sins."

WHEREBY - (834) - "'asher" meaning: "which; where."

TRESPASSED - (4603) - "ma'al" meaning: "acted treacherously; transgressed."
AGAINST - (413) - "'el" meaning: "against; towards."
WHEN - (3117) - "yowm" meaning: "in the day; age."
DWELT - (3427) - "yashab" meaning: "dwelled; remained; lived."
SAFELY - (983) - "betach" meaning: "securely; carelessly; safely."
LAND - (127) - "'adamah" meaning: "country; land."
NONE - (369) - "'ayin" meaning: "nothing."
AFRAID - (2729) - "charad" meaning: "terror; fear; tremble."

TRANSLATION: "After they (the Israel nations) have suffered their disgrace, and all their transgressions which they have acted treacherously towards Me (God), in the day when they (Israel) lived carelessly and securely in their land, and nothing made them afraid."

This is a perfect application to what has happened in both Canada and the United States. It cannot be applied to Old Palestine and there is no way in which the Jewish people fit into this description. We, the Israel people have lived carelessly, apathetically and safely in the land which God gave to us, the new Zion. We have allowed moral evil to take over in our countries and we are now feeling the disciplining hand of God, as it falls on our countries. This is one of the surest signs that we are His people. We know from the Scripture that "the way of the transgressor is hard." (Proverbs 13:15b). We know that the admonition of Galatians 6:7 was written to Israelites, for Israelites, about Israelites: "Be not deceived, God is not mocked, for whatsoever a man soweth, that shall he also reap." (This is known as the law of Harvest, and is as sure as the Law of Gravity.) Today, we people in Christendom are reaping what we have sown, and the "time of Jacob's trouble," is just beginning.

Vs 27 -

WHEN - (834) - "'asher" meaning: "because."
AGAIN - (7725) - "shuwb" meaning: "to turn; to return to the starting point; again; bring back home; deliver."
PEOPLE - (5971) - "am" meaning: "tribes of Israel; nations; people."
GATHERED - (6908) - "qabats" meaning: "to assemble; bring together."
ENEMIES - (341) - "'oyeb" meaning. adversary; foe, enemy.
LANDS - (776) - "'erets" meaning. country land."
SANCTIFIED - (6942) - "qadash" meaning: "pronounced ceremonially or morally clean; purified; holy."
SIGHT - (5869) - "'ayin" meaning: "sight; knowledge; presence."
MANY - (7277) - "rab" meaning: "exceedingly much; multitude."
NATIONS - (1471) - "goy" meaning: "tribes; people; heathen nations.
TRANSLATION: "Because I (God) brought them (Israel) back to their starting place from among the nations, and have assembled them out of their enemies countries, and am pronounced holy in them in the presence of a multitude of people."

Vs 28 -

THEN - (227) - az meaning: "at that time; therefore; now."
KNOW - (3045) - "yada" meaning: "observe; recognize; be certain; have knowledge."
CAUSED - (5414) - "nathan" meaning: "caused; ordained; recompensed; suffered."
LED - (935) - "bow" meaning: "to come; enter into; invade."
CAPTIVITY - (1473) - "galal" meaning: "carry away captive; remove." (Note that this Hebrew word is used three times in Chapter 39, each time with a different meaning.)

AMONG - (413) - " 'el" meaning: "among."

HEATHEN - (1471) - "goy" meaning: "nations; heathen; tribes."

GATHERED - (3664) - "kanac" meaning: "gathered together."

OWN - (5315) - "nephesh" meaning: "breathing creature; life; lust; pleasure; soul." (This is another word which does not fit into the context.)

LAND - (127) - "adamah" meaning: "country; land" (See 2 Samuel 7:10).

HAVE - (1961) - "hayah" meaning: "have."

LEFT - (3498) - "yathar" meaning: "to leave; to remain; left behind; let remain.

THERE - (8033) - "sham" meaning: "there."

TRANSLATION: "At that time shall Israel have knowledge that I am Adonay, their God, who suffered them to be invaded and led into captivity among the anti-God (heathen): but I (God) have gathered together the Israelites into their own country (not Old Palestine - see 2 Samuel 7:10) and have left none remain behind in these places."

Vs 29 -

NEITHER - (3808) - "lah" meaning: "much less; neither; never."

HIDE - (5641) - "cathar" meaning: "conceal; hide; be absent from; keep."

FACE - (6440) - "paneh" meaning. "countenance; face; favor; presence."

ANY - (3605) - "kowl" meaning: "in any manner."

MORE - (5750) - " 'od" meaning: "further; any longer; hence forth."

POURED - (8210) - "shaphak" meaning: 'spilled; to expend; pour out; shed."

SPIRIT - (7307) - "ruwach" meaning: "breath; spirit."

HOUSE - (1004) - "bavith" meaning: "family."

TRANSLATION: "Much less will I (God) keep fav9r in any manner from Israel; for I (God) have poured out my Holy Spirit upon the family of Jacob-Israel, saith Adonay, the Self-Existent One."

CONCLUSION:

Before we put these chapters together, let me make one thing very clear. This work is in no way an attempt to downgrade the King James or American Standard Versions of the Holy Bible. I am no Hebrew scholar. I am merely attempting to show you how important it is for you as a concerned Christian to: "Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth." (2 Tim.2:15).

The word "laborer" comes from the Greek "ergates" (2040) which means: "laborer; teacher." The word dividing, Greek "orthotomeo" (3718) means: "to correctly expound the Divine message."

It is extremely important for Identity teachers to correctly explain (expound) the Divine message of Scripture. Too many pastors simply explain it the way they were taught in Seminary, without ever checking out the meaning for themselves; too many Christian laymen, accept what the pastor says, merely because he is supposed to be the "expert", the one who studied in the seminary. But a correct explanation of Scripture can only come, when the student honestly takes the time and effort to check out the meaning of the English words used in the text and compare them to the original language. This anyone who can read, can do. I have shown in these two chapters, that this sometimes changes the meaning of the text.
There is little doubt in my mind, that if you make an honest study of these two chapters, you will come to the conclusion that God does not battle with and destroy His enemies on the hills and valleys of Old Palestine, as we have been taught, but that His triumph will take place on the hills and in the valleys of Zion, the country promised to King David in 2 Samuel 7:10, the new Jerusalem.

Here is the translation we have worked out:

**EZEKIEL 38**

1 - The word of the Lord came unto me (Ezekiel) saying:
2 - Son of man, set thy face against the land of Russia, and the chief prince of Moscow and Tublosk, and prophesy against them.
3 - Thus saith the Lord God (Adonay, the Self-Existent One); Behold I am against thee, O Gog, the chief leaders of Moscow and Tublosk.
4 - And I (God) will cause thee (Russia) to turn, and will put a ring into your nose, to pull you out, with all thine army, horses and horsemen, all of them clothed in splendid armor, even a great multitude with armored vehicles, handling weapons of war.
5 - Persia (Iran), Ethiopia, (the Communist nations of Africa), and Libya with them; all of them with their weapons of war.
6 - Gomer, the son of Japheth from Siberia with crowds of troops; the family of Togormah from Eastern Germany and from the gloomy north, with crowds of troops.
7 - Prepare yourself, thou, and the multitude with thee, all those which are gathered together unto thee, and be thou watchful of them.
8 - After a space of time, thou Russia, shall move with hostile intent, into a land that is brought back from war, and is gathered out of many nations, against the people of Israel and the mountains which have been desolate, an uninhabited place: but which is brought out of the nations, and who live in safety, living boldly without care and with confidence.
9 - Thou (Russia) shall come up like a tempest, and like a cloud shall cover the sky with thy troops. Thou shalt come in overwhelming force.
10 - But thus saith the Lord (Adonay), it shall come about, that on that day, a certain matter shall come into thy heart, and thou shalt conceive an evil thought concerning a military device in your possession.
11 - AND YOU (Russia) shall say, "I will go upward to a country of towns and cities that is without walls; I will go to those who believe they live in safety and in apathy, who live securely in homes without bolts or bars on their doors.
12 - You (Russia) will come for the purpose of plundering the land and stripping it; to do evil with your forces against the uninhabited country which is now established; and upon the tribes of Israel who have gathered for a purpose, out of many heathen nations, who have procured much property and flocks and herds of animals, and many possessions and who settled in the midst of this wilderness.
13 - The Ethiopians and Edomites, and the merchants of the world shall say to thee (Russia), Have you come to take a spoil? To carry away their great wealth and to take a booty of cattle and goods, to take much spoil?"
14 - Because of this, son of man, prophesy by God's inspiration and say unto Russia, Thus saith Adonay, the Lord God; In that day when My people Israel live in security, without care, surely you Russians shall have knowledge of it.
15 - And you (Russia) will come from your country, from the gloomy places in the north, Russia
and many nations with thee, a multitude, an exceedingly great multitude prepared for war.

16 - You (Russia) shall come upon my (God's) people Israel as a dark cloud which will cover the nation; it shall happen in the future, and I (God) will bring thee (Russia) upon my nation, that the heathen may recognize God, and I will be consecrated in thee, O Russia, in their presence.

17 - Thus saith, Adonay, the Lord God of Israel: Art thou (Russia) he of whom I spoke in the ancient days past? by my bond servants the prophets, those who predicted these days by my inspiration? which predicted many years ago that I (God) would cause thee (Russia) to go to war against my people Israel?

18 - And it shall happen in that day, when Russia shall enter into the country of Israel to make war against them, saith the Lord God, that my fierce, burning anger, shall rise up as a fiery burning passion.

19 - For in my (God's) jealousy, an in the hottness of my anger have I (God) commanded. Truly in that space of time, there shall be a mighty earthquake in the country of Israel.

20 - So that the fishes which swim in the water, and the birds which fly in the sky, and the wild animals of the field, and all reptiles that reside on the crust of the earth, shall shake with fear at my fury. And the mountain ranges shall be utterly thrown down, and the inaccessible places will fall down, and every walled city on earth shall fall to the ground.

21 - "And I (God) will cry out for destructive weapons of war to be used against Russia; throughout all the land, saith the Lord God; every individuals weapon of war shall be turned against his comrades and his kindred.

22 - And I (God) will execute judgment upon Russia with a destroying plague and with flowing blood, and I shall cause to rain upon Russia and the great army with him, the tribes and nations, a rain of giant ice crystals, and of burning, fiery hot, resinous sulphur.

23 - Thus will I (God) overcome, and will sanctify myself in the sight of many heathen nations.

**EZEKIEL 39:**

1 - Therefore, thou son of man (Ezekiel), prophesy against Russia, the chief prince of Moscow and Tublosk and say: "Behold, I (God) am against thee, O Russia."

2 - "And I (God) will cause the Communist alliance to retreat. And I will annihilate you and leave only one-sixth of your forces alive, and will cause you (Russia) to come from your northern parts, and will bring thee (Russia) upon the tribes of Israel.

3 - And I (God) will severely strike out of your right hand the weapons of war and will make your missiles fall from your left hand. You will become completely impotent.

4 - And thou (Russia) shall fall on the hills of Israel, thou Russia and all thy armies with thee: I God will give your alliance unto the fowls of prey, and to the wild beasts of the field, who will devour your forces for food.

5 - You (Russia) shall perish in the open country: for I God, have spoken it, saith the Lord.

6 - And I (God) will bring a burning on Russia, and within those people who live in apathy, without care, in the coastlands and the islands, and these people shall acknowledge that I am the Lord.

7 - So I (God) will make my holy character acknowledged among the Israel nations; and I will not leave them alone to defile my sacred name any longer; and the foreign nations shall recognize me as the Creator, the sacred One of Israel.

8 - See, I God have caused it to come to pass, saith the Lord; this is the time of which I have spoken.

9 - And many which remain in the cities and towns of Israel shall issue out of those cities and will burn with fire the defensive weapons and the offensive weapons of the enemy, and will burn them...
for seven whole years.

10 - So Israel will need no firewood out of the open fields, nor will they cut down any of the forests; for Israel shall burn the offensive weapons with a fierce flame; and Israel shall take a spoil of thee who sought to spoil them, and spoil those which robbed them.

11 - And it shall come about in that space of time, that I (God) will give unto that northern country (Russia) a space there for a burying place in Israel, the gorge of the passage, eastward of the great sea (Pacific Ocean); and it shall smell of decaying bodies, and shall offend the nose of those who pass through; and there Israel shall bury Russia and his company: and Israel shall call it the gorge of the armies of the north.

12 - And the house of Israel shall take seven months to bury the Russian dead, that they might decontaminate the land."

13 - Yes, every person in Israel shall help bury the community and it shall be to Israel a time of honor, the day when God is honored, saith Adonay, the Lord God.

14 - And Israel shall appoint men for regular employment, whose task will be to go about the land and bury those bodies which were left behind on the surface of the land; for seven months shall these men seek out the dead.

15 - And any traveler, who passes through the land, and sees a body, or a bone of a man, shall set up a marker by it, until the burying party shall bury it in the gorge where the multitude of Russia is buried.

16 - And the name of that city shall be called Hamonah; the multitude of Russia. In this way shall Israel purify the nation.

17 - Ezekiel, thus saith the Lord God, command all the feathered birds, and the wild beasts of the country to come together, for my slaughter that I God will kill for you, even a mighty slaying on the hills of Israel, that the birds and beasts may feed upon the flesh and drink the blood of my enemies.

18 - Ye birds of prey and wild beasts, shall consume the flesh of the chief men and drink the blood of the exalted ones - of mighty men, the military leaders of the people, of the young domineering men who come from that area east of Palestine.

19 - You birds and beasts of prey shall devour the flesh of men until you have had enough, and will drink of their life blood until you are intoxicated with the slaughter that I God have killed for you.

20 - So you birds and beasts of prey shall be filled to satisfaction at God's meal, with horses, and a multitude of riders, the powerful champions of the battle, saith Adonay, YAHWEH, the Lord God, the Self-Existent One.

21 - And I God will show my splendor among all nations, and all nations shall consider my sentence that I have brought to pass, and my power which I have committed against them.

22 - In like manner, shall all the house of Israel know, by seeing, that I God am the Self-Existent One, their God, from that time forward.

23 - And the nations, both those of Israel and the heathen, shall observe that the family of Israel were carried into exile because they trespassed my law, for which cause I hid my presence from them, and delivered them into the power of their enemies; so they who were killed, were all killed with a weapon of war.

24 - Because of Israel's immorality and filthiness, and by reason of their moral and spiritual rebellion, have I God bruised them and hid my presence from them.

25 - Being absolutely perfect, saith Adonay, the Lord God, at this time I will deliver again the destruction of Jacob-Israel, and will show mercy on all the family of Israel, and will be very zealous for my sacred character.
26 - After the Israel nations have suffered their disgrace and all their transgressions in which they have acted treacherously towards Me, in the day in which Israel lived carelessly and securely in their land, and nothing made them afraid.

27 - Because I God brought Israel back to their starting place among the nations, and have assembled them out of the enemy countries, and am called holy in them in the presence of a multitude of people.

28 - At this time shall Israel have knowledge that I Adonay, the Self Existent One, am their God, who allowed them to be invaded and led into captivity among the anti-God heathen: but I God have gathered together the Israelites into their own country and have left none of them behind in those places.

29 - Much less will I God keep my favor from Israel; for I have poured out my Holy Spirit upon the family of Jacob-Israel, saith Adonay, the Lord God, the Self-Existent One.

This is confirmed in Joel 2:28 - "And it shall come to pass afterward, that I (God) will pour out my Spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions. And also upon the servants and upon the handmaidens in those days shall I pour out my Spirit. Then note verse 32- And it shall come to pass, that whosoever shall call on the name of the Lord (Adonay, the Self-Existent One) shall be delivered: for in mount Zion and in Jerusalem, (the new Jerusalem) shall be deliverance, as the Lord hath said, and in the remnant whom the Lord shall call.

I hope and pray this study has been a blessing to you. It is not necessary that you accept my translation. I merely want to whet your appetite for a deeper study of God's Word. For here is the only key to America's and Christendom's survival!

C.E.D.S.
What Happened To Our Children?

"As for my people (Israel), children are their oppressors, and women rule over them. O my people, they which lead thee cause thee to err, and destroy the way of thy paths." - Isaiah 3:12

In 2 Timothy 4:1-5, we read these words: "But evil men, and seducers shall wax (Greek - PKOKOPTO meaning: 'grow; increase'), worse and worse, deceiving and being deceived."

Today, with front page news stories screaming about schoolroom shootouts, where students, some of them in pre-teens (the Jonesboro, Ark. massacre was done by boys 13 and 11), and everyone from the President on down coming out with ideas on how to stop what seems to be becoming a Satanic epidemic, it might be well for us to go further than "Gun Control," as the answer to this frightening problem.

"Jack be nimble, Jack be quick; snap the blade and give it a flick. Grab the purse, it's easily done; plunge the knife and cut and run." Does this obscene verse come from some sick comic book? Not at all! It is found in a Fifth Graders book, used in some "Inner City" schools, titled THE INNER CITY MOTHER GOOSE! This is but one of many recent textbooks that decent parents are complaining about.

Our discussion will center around traditional American Christian values of decency and morality, and a heathen concept called Secular Humanism, that has crept into American education within the last fifty years.

Today, this concept is being pushed by the enemy of Christian values in every facet of American life. This "new idea" which is actually centuries old, going back to the Garden of Eden, revolves around the teaching that all things are "relative." The dictionary defines this as "related to each other." This teaching says there are no such things as "right" or "wrong," only "shades of grey," that life is controlled by things such as our environment, which are beyond our control and that we really don't have any say about what we do. This has become known as "Situation Ethics!" "Right" or "Wrong" is determined by the situation you find yourself in.

In Hosea 4:6, we find these interesting words: "My people (Israel) are destroyed for lack of KNOWLEDGE." Notice it does not say "lack of EDUCATION," but "lack of KNOWLEDGE." A great English statesman once said: "Education without God, turns men into clever devils," and this is exactly what is happening with many of our children.

Children without EDUCATION in Christian values, are egged on by the vile and violent things they see on TV, and read in their books, to do unspeakable acts against their peers. They are literally turned into "jungle savages" by the music they listen to, which their parents often purchase for them. One such young savage, looking down at a victim who lay bleeding to death at his feet, chuckled as he said: "This is done different than Algebra, ain't it?"

Today in America, we have literal droves of "educated idiots" who are trying to run this country, while at the same time, they are knowingly laying the ground work for our absorption into the New World Order of International Zionism!

God's Word warns us about this in Isaiah 5:20, where we read: "Woe unto them that call evil good, and good evil; that put darkness for light and light for darkness; that put bitter for sweet, and sweet for bitter. Woe (deep sorrow) to them that are wise in their own eyes, and prudent (cunning) in their own sight."
Before we go deeper into this discussion, I'm sure that most of you know that my thinking will be colored by my personal Christian beliefs. These in turn are centered on an unshakeable belief in the authenticity of God's Word. I am what some sarcastically call a "funnymentalist," if by that you mean that I believe God's Word, and that it contains the "blueprint" we need for a happy life.

I accept God's Word, as found in the Holy Bible, as final above anything than man can come up with! That it supercedes the ideas of man, no matter how intelligent they may be.

This is one of the major reason my teaching comes under bitter attacks by the liberals of Secular Humanism. Paul understood these fellows in the First century when he wrote in Romans 1:21, 22.

"Because that when they knew (about) God, they glorified Him not as God, neither were they thankful; but they became vain in their imaginations, and their foolish hearts were darkened. Professing themselves wise, they became fools." Later in 2 Timothy 3:7, he elaborated on this when he said these "Were ever learning, but never able to come to an understanding of the truth." The Greek word for WISE is FRON-EE-MOS which means: "intellectual achievement which leads to conceit." We have thousands of these in America, in our school system, and often standing behind the pulpits of our most prestigious churches.

I heard a rather crude story that illustrates what I mean. It seems that a country boy who had become successful as a preacher, with little or no education, had worked himself up to become pastor of a large city church. Wanting to impress his parishioners, he went to a printer and had him make us some name cards. He said, "Put on them, THE RIGHT REVEREND GEORGE BROWN, and then add some of them alphabets." When the cards arrived he passed them out after the church service. Two men were heard discussing the cards. One said: "I know what the Right Reverend George Brown means, but what does that BS, MS, PhD mean?" His friend looked at him and replied, "Man, you sure are dumb. Everybody knows what BS stands for. The MS means more of the same, and the PHD 'piled higher and deeper.' Very possibly true!

Since I will using the term "liberal" frequently, let me define what I mean by it. I will not be using it in its classic sense which means "one who is willing to make a change for the better". I will be speaking about the "pseudo-liberal" or the "fake liberal." Men like Vice President Gore, who are always willing to give away your money for some cause or the other, but who only gave $385.00 to charity last year according to IRS reports.

The modern liberal believes that he is "the master of his fate, he is the captain of his soul". That he is smart enough to handle life's problems without having God interfere in what he wants to do. You can see the result by looking at today's America.

Under the guise of this religion, for this is what it is, the religion of the New World Order, men have set out to destroy the moral and spiritual foundations on which this country was built and on which she grew to greatness.

When Alexis de Tocqueville, the Great French philosopher came to America in the Nineteenth Century, he was looking for a clue as to what had made her great in such a short time. He said: "I searched in your magnificent harbors, and it was not there. I looked in your mighty steel mills and it was not there. I looked in the wheat and corn producing fields of the midwest and could not find it. It was not until I went within the walls of your churches, and listened as the pulpits flamed against unrighteousness, that I realized America was great, because she was good, and that when she ceases to be good, she will cease to be great!"

This is what is taking place today, as the enemies of God and decency seek to "destroy White Christian Civilization."

Today, churches that at one time were the "salt" Jesus mentioned in Matt. 5:13, have now become the "salt which has lost it's savor,"it's ability to "hold back corruption." Today, many of these openly support those who have declared their intention of destroying Christ's church, and have elevated them to the pedestal of being God's Elect! I don't have to elaborate on this.
Our churches, often aiding a corrupt government with false teachings about the Christian's duty to obey government, no matter what, have weakened us to the point where it will be easy for us to be assimilated into the Zionist New World Order.

Some reply that the Bible prophesies that this will happen, and we are fighting against God if we try and stop it. My what a weak excuse to avoid "front line duty!" Some say: "God never changes his mind!" These haven't studied the Book very well, or they would read in Jonah 3:1, how when the people of this wicked city, heard Jonah's message of doom, and repented from the king on down. Verse 9 says: "And God saw their works, (notice not what they said, but what they did," that they turned from their evil way; and God REPENTED of the evil He said He would do unto them, and He did it not!"

We have a FORMULA FOR OUR SURVIVAL, that is available to America now, if we really want it. It is found in 2 Chronicles 7:14. Most Christians know it by heart, and it is a favorite verse in many Judeo Christian churches: "If My people, which are called My name (Christian), will HUMBLE themselves, and PRAY, and SEEK My face, and TURN from their wicked ways; THEN will I HEAR from heaven, and will FORGIVE their sin, and will HEAL their land." The problem is that most Christians only give this Formula "lip service" and neither they or their pastors are willing to stop "doing their own thing," whatever that may be, to OBEY God.

The First Century Christians believed that Jesus would return during their time but that didn't stop them from "Occupying until He will return!" If they had acted like many modern day Christians, Christianity would never have survived the persecutions of the First Century, and we would have been heathen today.

Public education, has never before in it's history, been under such vicious attack as it is today. Many of us who criticize "liberal education" are called "nearsighted, for we often tend to concentrate on one phase of the battle, without understanding the source of the evil that is overwhelming us. So we concentrate on sex education, abortion, lack of morality, etc., without ever recognizing what is causing the trouble.

Some conservatives get upset if you don't concentrate on "sex education"; or the drug problem; or abortion. They spend all their time, money, and energy on trying to chop off one tentacle of the octopus, not realizing that for every arm they chop off, the beast grows two more. To deal with it successfully, we MUST strike at it's heart!

The main issue in the modern education system is the philosophy of John Dewey it's founder, which seeks to do away with God and all issues of right and wrong. This is superceded by the teaching, that since man is an animal, he will naturally think and act like one.

This Zionist/Communist concept surfaces in their textbook on PSYCHOPOLITICS (the art of controlling an entire nation by controlling their thinking). On page 30 it says: "Man is an animal. He understands in the final analysis, only those things that an animal understands." On page 42 - "Man must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic acts. He must no longer be allowed to think of himself and his fellows as capable of spiritual nobility or greatness." It is interesting to note that in Yiddish, the "non-Jew", especially the Christian, is contemptuously referred to as a GOYIM. In their religious book, the BABYLONIAN TALMUD, this word means: "non Jew animal", and they are taught that when Zionism is triumphant, every Jew will have "two thousand goyim slaves". (They are talking about you and me, my Christian brother and sister. Is it a "hate crime" for me to warn you about what they claim as fact)?

Many parents seem to feel that because a teacher is sincere, that they are a good teacher. Nothing could be farther from the truth. I remember an old Peanuts cartoon. Charlie Brown was ,standing on the pitchers mound, around world series time, a vision of despair and saying: "Here we are behind 184-0, how can any team that is so sincere, lose so bad?" Sincerity is a "matter of intent," and has
nothing to do with "truth." Hell will be full of sincere people, some of them professing Christians who thought they were right and were sincere about it. When you hear someone say: "It doesn't matter what you believe, as long as you are sincere", you know you are probably listening to a "wolf in sheep's clothing."

The Indian mother who tosses her baby to the crocodiles to appease her heathen god, may be very sincere, but she is still a murderess.

The Apostle Paul, before his Damascus Road Conversion believed he was right and persecuted and killed Christians with pleasure. He had to be "knocked off his horse, and blinded" to learn the truth! You and I will be judged both in this life and the life to come, not only by what we believe, but by what we do. We will not be SAVED by GOOD WORKS, but if GOOD WORKS do not follow SALVATION, we should know that something is drastically wrong. This is what the Apostle meant in Phil. 2:12, when he said: "... work out your own salvation with fear and trembling."

The moral of this teaching is that "What you do, shorts so loud we can't hear what you say!" If you believe wrongly, no amount of sincerity or enthusiasm will make it right!

As you can see, this message was not meant to entertain you and possibly some of you may have your feelings hurt by what I say. I may have to say as Paul did to the church at Galatia (Gal. 4:16), "Am I therefore become your enemy, because I tell you the truth?"

God never appointed me to be a PERSUADER. That is the task of the Holy Spirit. For some reason Unknown to me, and which I don't always like, He made me a WATCHMAN on the walls of America, Ezekiel 3 and 33. When I see danger to our people, I MUST warn them, for if I don't and they are hurt by the enemy, God will hold me accountable. But when I warn you, and give you the TRUTH, it immediately becomes a personal matter between God and you, and He will hold you accountable for what you have heard, whether you want to accept it or not.

This message will contain frightening facts which are today in the process of destroying the Christian family, as they were meant to do!

I hope that I stir some of you up to come out of your "spiritual foxholes" and get involved in the fight before it's too late.

We will, not lose our FREEDOM at 3 a.m. when we answer a knock at our door, and find a man with a red star on his hat and a Tommy gun in his arms, who says: "Come with me to the Concentration Camp!" We will lose it, when good people, Christian folks like you and me, see evil taking over, and sit back saying: "I'm only an individual you know. Everyone knows you can't buck City Hall." When enough good folks feel this way, Christian FREEDOM will die. We will take her to the cemetery, bury her and over her grave erect a headstone with this epitaph: "FREEDOM DIED IN AMERICA, BECAUSE CHRISTIAN PEOPLE DIDN'T WANT TO BE BOTHERED!

You might be amazed at the source of criticism that comes my way when I try and warn people of the dangers we face. The Jews are not angry with me because I lie about them, but because I tell the truth, which they can't afford for Christians to know. The Judeo-Christians are angry with me, because I prove from God's Word and history, that those they have elevated to the pedestal of God's Elect, can't possibly qualify as such. They are also upset, because I refuse to compromise and go along with the "status quo" that wants to turn humanity into one big "chocolate blob" that can be more easily controlled by the World Zionists.

The Ministerial Alliances of America are the source of most criticism of truth when it regards the Jews. I had this happen in Canada a few years ago, when it was the Ministerial Alliances, who threatened motels where we held our services, and tried to force them into breaking contracts. At one meeting in British Columbia, four pastors from the State church were in attendance. During the question and answer period, one of them said: "We did everything possible to keep your hate group from speaking in our city." I had spoken that night on the subject: THE BIBLE HAS THE ANSWER TO CANADA'S PROBLEMS. I asked him: "What disagreement did you have with my
message?" and he replied: "None whatsoever. I believe the same as you do except for your stand on the Jews." When I asked him why Christians would become so upset that they would deliberately lie about our meetings, he became highly agitated and shouted: "We resist you because you are speaking for the Canadian League of Rights, and they refuse to accept the Jews as God's Chosen, and say that miscegenation is a sin, when Billy Graham says it's okay." The "cat was out of the bag!" They really had no Christian reason for their actions against us.

These hypocrites are more afraid of Gospel TRUTH BEARERS, than they are of the enemy who have openly said they will destroy everything Christians say they believe in! I cannot understand this kind of warped thinking.

Who are you going to believe, your pastor who may have been trained in a Jew contaminated seminary, who says they are His Chosen, or your Savior who in John 10:26, told their leaders; "But ye believe (Me) not; because ye are NOT OF MY SHEEP!" (emphasis mine). Or Matt. 23:15, where He told them that they go over sea and land to make converts, only to turn them into 'twofold more children of hell than yourself". That hardly sounds like Chosen People material to me, no matter how Jack Van Impe likes to twist Scripture around to suit himself.

Let me make this clear. The purpose of this message is not to attack your local education system. There are still a few good one's in existence and if you are fortunate enough to have one, Thank God!

I will be speaking about a national trend in education which is being promoted by the National Education System; SIECUS (Sex Information and Education Council United States); and the National Parent Teacher's Assn. It is for the purpose of forewarning you of dangers your child faces, "so you can be "fore-armed!" If you know the truth, it is very possible you can ward off incidents such as what happened at Jonesboro, Arkansas.

I will not go into a lengthy discussion on Sex Education; Sensitivity Training; the New Morality; Situation Ethics; filthy language, and anti-Christian, anti-American rhetoric that can be found in the school books of America. Although I will give some examples.

Some of you who wish to avoid controversy may say: "Why bring up this controversial issue at all. It will just cause waves in the Community pond?" The answer should be obvious to any concerned parent, whether they are Christian or not.

Unless concerned Americans take immediate steps to uphold the integrity, honor and stability of the American family, this country will lose the foundation on which it was originally built, and with this it's FREEDOM! Make no mistake about it, there is an "all out effort," call it a conspiracy" if you wish, to destroy the family and the nation. This has been one of the major points in the enemies "blueprint"for conquest for Centuries.

Most of the top educators in America, and by this I refer to those who are the ositions of power and authority in the educational field, are connected with the National Educational Association. Their universal aim is to promote the goals of their anti-G1od, humanist idol, John Dewey.

This can easily be checked out, as they repeat it constantly. In the HUMANIST MANIFESTO II, published in the HUMANIST MAGAZINE in the Sept. - Oct.1973 issue, Point One says: "We believe that traditional religion that places God above human needs and experiences, does a disservice to the human species. Any account of nature must pass the tests of scientific evidence."

"In our judgement, the dogmas and myths of traditional religions (meaning Christianity of course) do not do so. We find insufficient evidence for beliefs in the existence of the supernatural. . . we begin with humans, not with God."

This echoes the thinking of the German Jewish philosopher Ludwig Feurach, who over 150 years ago wrote: "Man will finally be truly free, when he realizes there is no god of man, but man himself." This idea took such deep root in the diseased brain of a young Jewish radical named Karl
Mordecai Marx, that it became the bedrock of his Communist Manifesto, which resulted in the deaths of millions of people worldwide, with special emphasis on slaughtering Christians.

The Humanists begin by violating one of their basic premises. One of their major educational tools is the teaching of the Evolutionary Theory as proven scientific fact. But this "theory," in spite of the efforts of prestigious organizations such as the National Geographic Society, do not meet the scientific criteria. Even atheist scientists admit, that science is increasingly proving that it is pure "double-talk" to believe as fact, a theory based on the blind action of natural forces, acting over millions or billions of years.

A few years ago, a prestigious scientist, Dr. James Moore from Michigan State University, delivering the keynote speech to the American Society of Scientists, said: "To teach evolution as fact in a public school, is the teaching of a criminal mind." So we find that the major hypothesis of Humanism does not meet their own criteria.

What Humanism boils down to is "People Control." By their own admission, they do not believe we common folks, who do not have a string of degrees behind our name, are intelligent enough to know what is good for us or our families.

An oft stated goal of Sex Education for instance, is to "eliminate harmful myths and mental hangups that according to humanist terminology 'foster intolerable attitudes of religion and puritanical culture.'"

The International Congress of Mental Health, sponsored by the United Nations, in it's initial meeting in London, said: "People who vocally uphold their Constitution are emotionally dangerous "right Wingers." Every child coming to school at the age of five, is insane, because he comes to school with certain allegiances towards his Founding Fathers, towards his elected officials, towards his parents, towards belief in the supernatural, and so forth. It is up to you teachers, to make these sick children well, by creating the International children of tomorrow."

Carefully notice the word INTERNATIONAL. It is the "key" to what we are discussing. A few years ago, while lecturing in a high school in Texas, I came across a First Grade Teacher's Handbook, written by a radical leftist Jew named Paul Brandwein. In it's introduction it said; "The most important task you have as a teacher, is to tear down the erroneous ideas implanted in the child's mind in his home and church. Once you have done this, then you can lay the foundation of education we desire for the International child."

If our educators look on our children as insane because they have been taught the difference between "right and wrong," then we need a different definition of insanity. To the Humanist, this represents anyone who disagrees with their obnoxious, sick philosophy, the Humanist Manifesto, and Progressive Education, as they love to call it.

The philosophy of Humanism is simple. It means that everything in life is "relative - depending on something else in order to function. You are not to blame for your actions, for they are caused by blind forces beyond your control." The two boys who gunned down their teacher, and schoolmates in Jonesboro, were not bad boys, they were driven to commit their evil deed by some outside influence, possibly their environment. Possibly by the actions of their classmates. But no matter what, they are not accountable for their actions.

There was a time in world history, when the entire world was in a crisis and the Bible says: "Every man did that which was right in his own eyes. In Gen. 6:5 we read that "God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually." Things got so bad that God stepped in with the flood and destroyed most of His creation.

The Satanic teaching of Humanism, abandons 2,000 years of Western civilization and launches an all-out attack against everything we as Christians have been taught is good and sacred.

If you want to understand Humanism, look at everything that opposes Christianity and you will find
it staring in your face. Yet today, this heathen religion is being taught in our schools, and unfortunately in many of our Christian churches, while parents who go by the name of Christian are so apathetic, they don't even seem to care that their children and their families are being deliberately destroyed.

It might be good to consider here why we never hear about children from Christian schools, or "home taught children," murdering their parents or their siblings? We know the liberal media would "froth" at the mouth over the opportunity to glorify such acts." Children in Christian schools and "home schooled children," are still taught love for God, parents and country, and are still taught that it is good to be a Patriot." This is not the "breeding ground" for savagery and murder that we find in the public school system. I have never known of a Christian School, and by Christian I mean one that is Christian in more than mere name, that has had trouble with it's students over extortion, rape, and robbery. But I have been in public schools, where the teachers were afraid to use the restrooms when students were present, and where the smell of marijuana hung heavy in the air. In one such school in the East, a young woman High School Sex Ed teacher, was "gang raped" by over twenty boys in the Senior class. They told the judge at their trial, "For over a year now, she has told us how much fun sex can be, and how to get the most out of it, so we decided to find out for ourselves."

The well-known liberal syndicated columnist Sidney Harris wrote: "The biggest con artists in America today are the behavioral scientists in our schools. These men, on our university campuses, who are devising all these innovative programs for our schools. They honestly believe they know what is ideal behavior for the rest of us."

The HUMANIST MANIFESTO states: - "Ethics is autonomous and situational, it needs no theological or ideological sanctions. Ethics stems from human interests and needs. To deny this, disturbs the entire basis of life. We must strive for the good life." Therefore: "If it makes you feel good; do it!" Don't be held back by some antiquated idea of what might be "right" or "wrong."

This is the PLAYBOY PHILOSOPHY of "You only go around once in life, so live with gusto; for tomorrow you die and that's the end of it! God called a man Who felt this way, a "fool!"

In Luke 12:20, He tells the story of a man who thought he had everything he needed to live a happy life. He had taken his retirement, under the Playboy philosophy of "take thine ease, eat, drink, and be merry". God said to Him: "Thou fool, this night thy soul shall be required of thee; then whose shall all these things be which thou hast provided?" In another place He asked: "What will a man give in exchange for his soul?"

You don't have to be a mental genius, to see where this sort of humanist thinking has led us. A great historian once said; "History proves you cannot have sexual freedom without destroying yourself. Either you choose sexual discipline, or sexual freedom (free love) and destruction."

The pathway of history is strewn with the dry bones of dead civilizations and empires, which have rotted out from within, long before the barbarians poured over their walls, or battered down their gates.

From the end of the Roman Empire to the beginning of the Renaissance, there was a period of 1,000 years known as the Dark Ages. During this period, every institution of man was in regression, including the Christian Church. The question we MUST ask ourselves today is this: "Are we about to enter a new Dark Ages as the 21st Century begins?"

Over 100 years ago, British historian Thomas Lord MacCauley made this dire prediction for America: "Your civilization will be destroyed in the 20th Century, as Rome was in the Fifth. But the Huns and Vandals which destroy you, will come from within, from your own institutions."

Those of us who are honest observers of contemporary history have seen this take place and the rioting and destruction that took place on our college campuses during the Vietnam War, was carried on under the guise of "academic freedom." I was working the college circuit at this time as a lecturer for the John Birch Society, and came into at least 25 often violent confrontations with folks
such as the STUDENTS FOR A DEMOCRATIC SOCIETY (SDS) always, 100% of the time under the leadership of young Jews, such as Abbie Hoffman and Jerry Rubin. Most of these young Jews were from wealthy families, and their fathers were lawyers.

They were the results of a liberal school system, and a deliberate attempt to "destroy White Christian civilization," or so they said.

We have seen the moral subversion of our youth, as it has dropped to the animal level of African savagery, aided by the jungle beat of "rock music," so loved by our White youth, but which is the very essence of Satanism. Even "religious rock," used in some churches to entice youth, is in this Satanic category.

Today we see little children in the lower grades, who have been so adversely effected that they can kill their parents, teachers, and classmates without shedding a tear and with no sign of remorse. Folks, something is drastically wrong!

Could it be that this disintegration of morals has gone hand in hand with the disintegration of our churches? Once great churches which were "light houses" in the community, have become "Religious Country Clubs", where men and women belong because of the respectability it gives them. Some have degenerated so far, with their "religious rock" and "flashing psychedelic lights," that they would comfortably fit into any whore house district in town. In many of these you do not even need to be "saved" to be a member, and they welcome homosexual couples, and very possibly even gay pastors, which we know is contrary to God's Word.

Today our youth are being taught in their schools, and sometimes in their churches, that the most important thing in life is "doing their own thing. Expressing themselves!" We know that the Bible tells us that "self-expression, without God," always ends in disaster! Yet our children are being "brainwashed" with the idea that "personal freedom," the right to "do what they want to do," is the most important thing in life.

In their search for freedom, an eminent educator Dr. Robert Fitch has said: "...they are losing control of their own lives. They are losing what they say they want the most, personal freedom." No man or woman is more of a slave than those who become slaves to their own wicked desires.

When a man or woman, boy or girl become a slave to self, they are more of a slave than someone incarcerated behind stone walls and iron bars.

I can think of one outstanding example of this. While lecturing at Ohio State University, Columbus, Ohio in the early seventies, I was discussing sex education with a large group of college students. During the Question and Answer Period, a striking blonde Co-Ed asked: "If we can't have contraceptives and abortion, how will we control the population explosion?" I replied: "Have you ever heard of something called self-control?" From her reactions and that of the audience you would have though I had slapped her face. Here was a group of several hundred young Americans about to step into life, and who did not know that they had control over their own life. They had been taught that they were the "prisoners of their environment, and other factors they could not control."

Later I found that this young woman, who was so in favor of abortion, was head of a Collegiate Committee to Save Baby Seals in Newfoundland. Any intelligent person should see the utter hypocrisy in this kindasontinking. Yet it is standard among college youth.

Humanist ideology teaches these youth, that they have no control over their lives. No wonder they often run amok.

What I will attempt to do in this message is analyze this loss of freedom and pinpoint areas which are a definite threat to you and your family. I will show you some warning signs beside the "road of life" which shout DANGER: DETOUR! BRIDGE OUT! You have the option of believing the signs, or blundering ahead to destruction. It's as simple as that!

The Bible tells us in Proverbs 12:15 - "The way of the fool is right in his own sight; but he that
hearkeneth unto counsel is wise."

The recruiters for "revolution," and there are many of them, are seeking to enslave American youth on the basis of "self-indulgence." They are promising freedom, while leading them to destruction. "Freedom does not necessarily give a man or woman the right to do what they want. It gives them the right to do what is right!" Right can only be determined by the Creator, and that is why we have a book such as the Holy Bible as a guidebook for life.

When men and women do what they want, you have anarchy. Proverbs 14:12 says: "There is a way that seemeth right unto man, but the end thereof is the way of death."

Civilizations cannot exist without rules to live by. In fact they cannot happily exist outside the rules laid down by their Creator. We call them The Ten Commandments. Humanism seeks to destroy all such restraint.

In Point Five, of the HUMANIST MANIFESTO we see a clear call for "maximum individual autonomy." This means with no control by others, no restraint. Boiled down to laymen terms it means: "Anything goes that makes you feel good!"

In Point Seven they say: "Alienating forces should be eradicated or modified." In other words, Christianity MUST go, because it opposes us! This is the policy we have seen in action in all countries which have come under Zionist Communist control. Christianity has always suffered first and most. In some of these countries, you can play church, as long as you do it by their rules. We are beginning to see this in action in America, where the IRS 301(c) 3, tax exempt policies, places restrictions on what can and cannot be discussed from the pulpit and still retain bureaucratic blessing.

Parents, what do you really want for your children?

Mothers can you visualize that little boy who crawls cooing around the room, is it possible for you to visualize him as a dirty, smelly, long-haired, hippie type, high on drugs, with the sex life of an animal? These typos have been seen having open sex, in broad daylight on some college campuses. Supposing this were your son? They have been seduced into believing this is the "smart thing" to do!"

Can you look at your baby girl, as she comes fresh from her bath, sparkling like a rose in the morning dew, and visualize her as stringy-haired, obscenity spouting female in lumpy pants, having sex with any male animal that happens to be handy? This is what modern education is accomplishing. Those two boys who gunned down their teacher and classmates in Jonesboro, just didn't happen by accident.

They did not become monsters through some strange process of evolution. It was planned somewhere, by evil men, who wanted to spiritually destroy them. I sincerely doubt that these two boys were specifically picked to perform this evil deed, it could have been yours.

Referring again to the Communist textbook PSYCHOPOLITICS, page 43, we read: "The educational programs of Psychopoliticians, on every hand, seek out levels of youth who will become leaders in the future, and educate them into the animalistic nature of man. This must be made fashionable. They MUST be taught to frown upon ideas, upon individual endeavor. They must be taught above all things, that the salvation of Man is to a found only by his adjusting thoroughly to his environment."

At the end of the Korean War, our highest ranking POW, Maj. Gen. William Dean, a fine Christian who had withstood terrible torture and pressure in the North Korean prisons, and still maintained his Christian integrity, crossed the border at Pan'Mun'Jon. He was accompanied by a Chinese Lt. Col. who was the head Interrogator for the Communists, a Ph.D. graduate of UCLA. When they parted, the Chinese told Gen. Dean: "Don't feel downhearted about leaving us General, we will soon take over your country and you will be with us again." When Dean asked him how they would do it,
he said: "We will morally destroy one generation of your youth, and you will have no one willing to defend you!" This is the enemy speaking from a different angle, but for the same purpose. Their main emphasis is against American youth. This is why they are so very important. We either reach the high school and college group with the TRUTH, or we might save some time by having the funeral service for Christian America now!

As we look at the peculiar problems that are facing our youth, remember we are looking at a generation where respect for parents, for authority, for decency - where love for Country and God, has been deliberately destroyed wherever possible.

I will then show you it's end product. A generation of American youth which has been deliberately oriented to be confused, skeptical, aimless, suicidal, often savage, and plain unhappy.

The Humanist taught child rejects his Christian heritage, his parents, his church and the Christian ethic, which by the way is not found in Judeo-Christianity. He rejects the very things which made America great.

A letter received from a Manhattan mother, sums up what many American parents rightly feel about their public school system.

"Dear Friend: I've about given up! Several years ago, I sent a happy, well-adjusted son off to his first grade in public school. Today, because of his exposure to so-called Humanist values, the same boy is downright unhappy. I am ashamed to say so, but there are nights when I hate to spend the evening with him. He questions everything I say!

I don't know about the rest of you parents, but I've heard and read a lot of similar pathetic complaints from public school parents the past few years.

The gist of these complaints is that both the teacher and the textbooks are encouraging our children to belittle and disown the principles instilled in their homes and churches. They are being taught to go their own way at an age when some of them must still be helped to cross the street.

It's not to be supposed that the educational establishment has ignored this parental outrage. 'No siree, Bob!' The NEA has published a 28 page book, instructing teachers and administrators how to handle dissident parents and groups, which the NEA calls 'Far Right extremists.'

"Don't kid yourself! These tactics are effective! Every ultra-liberal outfit in America seeks to work it's will on the American people with scare pronouncements against the 'Far Right,' and the 'Religious Right.' Hearing these shrill cries one wonders why no concern is voiced by them over what the Communist 'Far Left' has done in this country and around the world.

The dissident parents around the country have been dismissed by the educational experts, as either religious funnymentalists,' meaning they accept and believe the Bible, or 'ignorant red neck hillbilly kooks'!

People are constantly being warned by the controlled media, that those who object to pornographic textbooks, must be put down before they impose a 'dictatorship of the unlettered' on the rest of us!

I was not at all surprised to discover that one of the school textbooks, used in the Charleston, West Virginia Public Schools required studies to: 'Recount some incidents you have seen happen in your home, which illustrates how parents have influenced children's lives which led to misunderstanding that ended in family tragedy!

At the risk of over-simplifying, I would suggest that such a textbook must bring smiles to the faces of our enemies. They become dictators by first destroying the families of the people. Hitler did it, as did Stalin. This indicates to me, that 'extremists' no matter whether 'right,' 'left' are dangerous.

Thanks to our Constitution, Americans have more rights than any other people. One of these rights is the right to teach our children the truth! But political organizations such as the NEA have repealed the right of parents - their right to have a voice in what is being taught in their school
system, which is supported by their tax dollars. Talk about a dictatorship! It's time for parents to stand up and be heard, and see that a drastic housecleaning takes place in our public school system."

Public Schools will continue to "churn out" Humanist youth, until such time as informed and concerned parents, and yes, decent teachers, can be made to understand the danger that is taking place.

Parents must somehow or other be motivated to seek their inherent prerogative of having religious and moral rights restored to our school systems. Can any of you who were parents of school age children during WWII, recall any school massacres? They have become a recent phenomenon, and guns were more readily available then, than now.

We are just beginning to see the first stages of a "great awakening" as Americans are becoming "fed up" with the permissive children of Dr. Spock. As one disgusted parent said: "If you want to get any good out of Spock's books, use them to spank your children when they misbehave!"

Now be careful that you don't twist what I'm saying. Leave that up to the Jews and the liberals. They are good at it! Do not make me out to be "anti-education" for such is not the case. But I do realize that America is being destroyed, not from "lack of education," as the NEA says, but from "lack of knowledge" (Hosea 4:6). There is a great deal of difference between "education" and "knowledge." Many dedicated, honest, Christian school teachers have been "weeded out" of the education system, by the liberals, because they are trying to impart "knowledge" to their students, rather than the "mental brainwashing solution" of modern education. You may ask what this is. Someone has labeled it truthfully as "an ounce of fact, dissolved in a gallon of hogwash!"

Unfortunately, we better be willing to see and admit that the vast majority of our young teachers, the one's graduating from State run schools in particular, have been "brainwashed" by this Liberal detergent.

The education in the schools, is much like some teaching in the church, which has become what I term "rat poison religion."

Just as 97% of rat poison is cornmeal, and 3% arsenic, so we find 97% truth, and 3% falsehood in many churches. It is the 3% that does the "dirty work."

As a result of this teacher education, many of these young teachers are "starry-eyed socialists." President Clinton is a perfect example. A man whom ran away from his country to avoid the draft, became a partaker in anti-American demonstrations, overseas, then became a Rhodes Scholar, the epitome of Socialism, with an ingrained hatred of patriotism and a burning desire for One World Government. This is so evident, that he is willing to commit TREASON to make it succeed! If "sincerity is a thing to be applauded, even when you are wrong, then give Bill and Hillary credit for being sincere about socialism."

But this kind of education always results in little or no determination when it comes to morality. There is no stability for they are "double-minded" and the Apostle James reminds us in James 1:8 -"A double-minded man is unstable in all his ways!"

America cannot afford the luxury of catering to crime. Ask yourself why our government will make an "all-out" effort to weed out those they perceive as rebels, such as the Branch Davidians at Waco, who were bothering no one. Yet they refuse to tackle the savage, drug related gangs which roam and control the inner cities of America. In fact, there is much evidence that our government subsidizes these gangs.

Why does our Congress allow the President to send our Armed Forces overseas to protect foreign interests, when they have no business being there, and when they can't or are not allowed to protect our borders at home? Why has he allowed a half-million foreign troops, with their heavy equipment to train and remain on American soil. Does he intend to use them against our people if we rise up against his excesses?
We cannot afford unlimited free education for everyone, where there is no responsibility shown on the part of those being educated. What has happened to our "gutless" Congress, that will allow the President to run the country without restraint?

Many of these young teachers teach the observable falsehood that Secular Humanism is the "trend of the future." That it will lead us to an era of sweetness and light, when in the past, it has always led to slavery! The very nature of the Humanist beast, makes it anti-God, anti-gbook.

The most liberal, progressive government in the world, using the "time honored" meaning of the word, can be found in our Constitutional Republic, a "government, of, by and for the people." This is not a Democracy, as we have been led to believe by the media and the bureaucracy, but a REPUBLIC!

This Constitutional Republic was set up by our Founding Fathers, and is what the liberals are now so desperately trying to destroy. It is a government of free people, under the direction of Almighty God, determining the basis of their government for the good of all citizens.

The Education System of America has sought to paint a gloomy picture of our American Form of Government and today, all over the world, America that a few years ago was looked up to as the world Savior, is now looked on as the "Great Satan," the "world bully."

I can remember thirty years ago when if you were an American you could travel safely in most any part of the world, even in those areas where they considered us to be an enemy. Today, Americans are spit on and blasphemed, and sometimes killed in countries we have aided the most.

In a book titled GOOD THINGS ABOUT THE UNITED STATES TODAY, the U.S. News and World Report, a Jewish owned, Jewish controlled magazine was honest enough to admit: "The cumulative effect of these (bad) reports, picture the U.S. as a repressive country unfit for human habitation . . . Yet foreigners continue to arrive from the four corners of the earth . . . from Russia and Eastern Europe, when they can escape the grip of Communism . . . from the undeveloped countries of Africa, the middle East and Asia, overwhelmed by poverty and disease; from Latin America where military regimes, and economic adversity have installed themselves. They come from the advanced countries as well . . . some of the' best minds of Europe come, because the grass is greener here." If a Socialist leaning magazine such as this can see and admit the truth, why does our Education System, and many in the church, refuse to see it? There can be only one answer. They are part of the plot to destroy free America!

The smoke of unrest and discontent, which has been deliberately stirred up, has blinded the eyes of many of our people to the fact that what you see on TV, and read in the newspapers, is not necessarily true. This brings to mind the statement by an old hillbilly who said "It ain't so much from not knowin' that causes the trouble; as it is from knowin' so much that ain't so!"

There must still be something right about America, to merit the attention of endless queues of people who wait outside most American Consulate Embassies, world wide, hoping they can get permission to migrate here.

Yet you will find most high schools and Colleges, who shy away from having a knowledgeable speaker who will discuss the good points offered by our form of government. I know, for I have been turned down as a speaker, by those who paid radicals such as Angela Davis, and Eldridge Cleaver, in the thousands to speak and denigrate our country. I have also been heckled and shouted down by these same radicals, who are so impressed with what they call "freedom of speech," and socialism. I recall one instance at the University of Wisconsin, where I was discussing the United Nations. I mentioned in passing, that most of the Black countries in Africa, had been better off under White colonialism, in every area, than they were under Black dictators. This drew a storm of abuse from the Black students, only one of who had ever been to Africa. (I spent five years in Ethiopia, 1958-1963 and traveled extensively.)
I recognized a Black student who had been frantically waving her arms for attention. "We have a student here" she said "who can answer your lies. He is from Africa." I let pass the snide remarks about my lies and recognized a young Black, who in broken English began a tirade against Whites, and America in particular. I mentioned that I had spoken with Black leaders in Angola, who did not want to come out from under Portuguese control, for they knew the bloodshed that would follow under black leadership. He began to scream at me: "Maybe that was then, but now they want UHURU," (which in a Swahili word in the universal language of South Africa), meaning "freedom!" I asked where he was from, and he replied: "West Sierre Leone," which is a little country on the Gold Coast of West Africa, about 1,000 miles from Angola. He admitted that he had never been to Angola and knew no Angolese. When I asked him how he could be so sure of what the Angolese people wanted he screamed. "I read the newspapers and watch TV." As an aside to the audience I said: "That's sort of like a man from Florida, who has never been to Alaska, and knew no one from there, setting himself up as an expert on the basis of watching TV and reading the newspaper."

I told this young fellow, "If America is as bad as you say it is, what are you doing here?" He looked sort of surprised and said:

"I came to get the best education possible." I asked him "Do you mean to tell me, that a country as bad as you say America is to Black people, would let a foreigner like you come and study here. It must cost you a fortune." He replied: "No, the Lutheran Church is paying my bills!" I really laid it on him then and expressed contempt for anyone who came to American, "sucked up on the benefits," then had the "gall" to criticize us. Some of the students booed and said: "You should treat him with respect, he's our guest." I reminded them how when I was growing up, if you visited someone's home, you treated them with respect, even if you didn't like what they did, or the food they served. I said: "This ingrate deserves nothing but your contempt!" Yet this is the attitude which has been fostered in our college youth by the Humanists.

During my lecture days I spoke at a large high school in Atlantic City, NJ. I was asked to speak on a Panel Discussion conducted by the Social Studies Class, a Student Panel, and a panel of five experts, of which I was the only conservative. The Moderator, was the very vociferous, liberal Social Studies teacher, who was quite hostile to me and often interrupted while I was making a point. I was pleasantly surprised to receive some support from an intelligent Black student on the Student Panel. I had just mentioned the fact that the 2nd Amendment was not included in the Bill of Rights to protect hunting rights, or even give us protection against a criminal element. Our Founding Fathers, being statesmen, knew that often government when it became too big, tried to take away the rights of it's citizens. The 2nd Amendment was a safeguard against this. As I finished my remark, this Black student turned to the Social Studies teacher and asked: "How come you never told us about this?" It was quite evident that these young people had been fed only what the Humanist teachers wanted them to know.

During the Vietnam War years, I worked the college circuit as a speaker on the American Opinion Speaker's Bureau of the John Birch Society, and came into more than 25 sometimes violent confrontations with radicals from the S.D.S. (Students for a Democratic Society), and other radical groups. These were 100% of the time led by young Jews like Abbie Hoffman and Jerry Rubin, and their fathers were always lawyers. Their favorite speakers were radical socialists such as Angela Davis and Eldridge Cleaver, whose specialty, according to his own testimony was raping White women. Very educational!

There were as few instances where patriotic students took my side. At Texas A & M, when loud mouthed dissidents tried to break up the meeting, Patriot students, bodily threw them out of the auditorium. Of course these incidents were never reported by the media, although they were hot to cover any incidents where the radicals caused trouble. I remember one incident in the West, I believe it was at UCLA, where a popular member of the football team, stood at the base of the flagpole and dared socialist students to take down his flag and burn it. It received one short shot on
TV and little more in the newspapers. When Martin Luther King Jr., was murdered, there was much trouble in the South. But in many small cities along the Gulf Coast, when bands of Northern Blacks and their White Communist mentors came to make trouble, local Blacks loaded them on their busses and said: "We don't want you and your kind in our area." This was seldom reported, and is how the Humanists keep our people in the dark about what's happening.

There were times when I spoke in schools where conservative speakers had been shouted down and run out of the auditorium. I would begin by saying: "Many of you aren't going to agree with what I say. But I have a message you need to hear, which your teachers are afraid to convey to you. Give me 45 minutes to tell you what I believe, and I will willingly submit to 15 minutes of harassment if you think I deserve it. I believe you are intelligent enough to sort out truth from the GARBAGE you have been receiving." Even at Berkeley, the "death row" for conservative speakers, they gave me respectful attention. I have had many occasions when dissidents got noisy, that other students would shout: "Let him talk. We want to hear what he has to say. We are tired of adults who are afraid to tell us the truth!"

I believe our young people are tired of being lied to by my generation and want to "Hear it like it is!"

The repression in Socialism-Communism-Zionism, which all come from the same Satanic source, which has never represented the people. It has always been the rule of the elite, privileged few; the elite Commissars. The Jewish Talmud, which according to Jewish religious leaders is the heart's blood of Judaism," expresses this thought very clearly when it states: "When our Messiah comes, every Jew will have 2,000 goyim (Yiddish for "non-Jew animal") slaves".

The social benefits given by this totalitarian system have always come at the terrible cost of lost Freedom. Freedom to move at your own will; Freedom to criticize; Freedom to worship God; Freedom to work at the job of your choice. It is either plain stupidity on the part of our American people, or ignorance by design, that has caused Americans to shut their eyes to this truth.

The next time you see someone who tells you there is nothing wrong with Socialism or Communism, whether it is a student, or a "brainwashed" minister of the Gospel, you can be absolutely sure of one of two things. They are either "missing some intellectual marbles," or they have been "brainwashed into accepting a Satanic lie."

If the people in America who are trying to destroy our way of life, honestly believe they have a better system, let them feel free to go where it is practiced and find out for themselves. I'm sure the TRAITORS in education, politics and the church should not be allowed to remain here and make a living from the system they profess to hate.

I can think of no form of "lower life" than a minister of the gospel, or a teacher, who uses the freedom of our system in an attempt to destroy it. These are our bitterest enemies.

The liberal professor, the politician, the minister who backs a One World Anti-Christ government, will not hesitate to use every underhanded method possible to discredit and destroy any American who has the courage to expose and oppose them.

The Communist Manifesto, the Protocols of the Elders of Zion, the Communist textbook on Psychopolitics, and many other enemy organs, calls for the abolition of the Christian family. This in itself should prove they are our enemies. What better place for them to start than with your children in the school system?

Yet in spite of this obvious move against our Christian standards, we see many good Christian parents across our land who wring their hands in frustration when they see the end result of American Secular Education. These are folks who fly their flags on National holidays; they are often the pillar of the local church and community. Yet very few of them will take time off from their bridge tournaments, or golf games, to teach their children some healthy respect for America and what it really stands for.
While we are told on TV, in many books, and certainly in the controlled newspapers, that our present generation is more mature, more earnest, more committed than ever before, we can see the falsehood of these statements by looking at the end product.

Certainly they are the best and most expensively educated generation in history. In my father's time, a boy was fortunate if he could go to High School. He was a farm boy who went to a one room country school, walking four miles, just as I did, after doing the necessary farm chores. He graduated "sum cum laude" from the eighth grade four times, and was one of the most knowledgeable men I have ever known. Standing "head and shoulders" over many college professors I met later on in life.

The question: "Is an expensive education the criteria for a good education?" and the answer is a resounding, "NO!" We are of that generation that seems to feel we can answer any problem, by "throwing money at it!" This idea is also enemy planned!

Our youngsters today know more about electronic marvels than their parents did at the same age. I sometimes have problems with my word processor, yet I have seen eight-year-olds, who for all intents and purposes have mastered the computer. Yet these same "brilliant children" know next to nothing about our Constitutional form of government or spiritual faith and are often rebellious, discourteous "brats!"

A dedicated teacher, in a one-room school, will often turn out a better end product, that a "brainwashed" graduate from our best teacher's college, using the finest, most expensive modern equipment.

Our colleges turn out graduates like "Carter's Little Liver Pills." Many are misfits who can't survive in the harsh reality of every day living. Many graduate because of our penchant for "catering to racial minorities."

The ignorance of our college youth when it comes to subjects of real importance is appalling. This is especially true in the fields of morality and spirituality! If you do not believe this, try and carry on an intelligent conversation with most any college group who spout Humanist and Socialist cliches. I have found that these students, who can spout anti-American sentiments forwards and backwards, can often not spell simple words, or do simple arithmetic. If you don't believe this, arrange to be in some super-market when the electricity goes off and the electronic marvels which add and subtract for the clerk ceases to work. I have had them struggle to add simple figures, which I worked out in my head, because I was taught that way.

Many of these college graduates have been so appallingly "brainwashed" by their socialist teachers that they understand very little of spiritual and moral value. Their philosophy is wrapped up in the statement: "Don't confuse us with the facts; we have already made up our mind!"

Who is to blame? It would be unfair to pile this blame on our children. They have my deepest sympathy!

The problems with modern children is not so much one of "juvenile delinquency" as it is of "adult delinquency!" Many American parents never teach their children the basics of decency and then wonder why they grow up to be "slobs." We have a terrible need in America today for parents who are responsible FOR their children, rather than TO them!

The records of public schools clearly show that *e have raised a generation of moral and spiritual robots, whose thinking is often done for them by some Humanist teacher or textbook. Instead of Education in the closing out days of this Age, we see a phenom called "freedom of expression," which is not actually freedom, as much as it is "license to destroy."

When callous, cursing, disgusting mobs of young people gather in a babble of obscenity, to burn, and wreck things, and mouth threats about destroying the America, many of their fathers and grandfathers died to defend, then the words "responsible dissident becomes a mockery. Yet in our colleges, it is called "sophistic," a Greek word which means; "clever, plausible, but fallacious
argument or form of reasoning, whether or not it is intended to deceive."

The radicals in our education system consider themselves to be super-intellectuals, the "elite of the land." They believe themselves to be above the "common herd," who pay their salaries.

You can prove this by reading their magazines, such as the HUMANIST MAGAZINE and TODAY'S EDUCATION from the NEA

The Humanists in education have taken children who have become "guilt ridden" by their teaching, changing them from normal children to neurotic psychopaths. Dr. Medford Evans said: "Cliche liberals, including liberal pastors, are anxious to appear sophisticated, or even clever; but do not confuse the two, for in some educational circles, it is considered smart to be stupid!"

Traditional Christian oriented religion recognizes children as children, not as miniature adults. Yet progressive educators look on them as adults. The Bible tells us in 1 Corinthians 13:11-"When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things!" This is normal sequence.

Our enemy has jumped on the liberal education "bandwagon." In 1921, one of the leading Zionist/Communists in England, the Jew Israel Cohen wrote a book titled A RACIAL PROGRAM FOR THE 20TH CENTURY Portions of this book can be found quoted in the 1957, U.S., Congressional Record, page 8559: "We (Communist Jews), must realize that our most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by Whites, we can mold them to the program of the Communist Party." NOTICE CAREFULLY NOW! "In America, we will aim for a subtler victory. While inflaming the Black minority against the Whites, we will endeavor to INSTILL IN THE WHITES A GUILT COMPLEX, for their exploitation of the Negroes."

This of course flies in the face of known facts, for evidence from contemporary history proves that all the Black controlled Republics in Africa today, are far worse off in every respect, than when they were under White colonial control.

Children think differently than adults, any parent recognizes this. If this were not true, God would have made human children like baby rabbits, who can go out on the clover patch at an early age and survive. But you have never seen a child of six months, six years, and very few at sixteen, who are ready to face the perils of life and survive. This is where parents come in.

Anyone with the slightest degree of common sense knows that children need to learn and any student of human nature, recognizes the need to develop good character in children. They need to be taught the difference between "good" and "bad." Left to themselves they will normally gravitate towards evil, for that is the nature of unregenerated mankind. Learning to be decent citizens does not come naturally, it MUST be taught by word and example in the home.

Progressive education appealing to the animal nature of mankind says: "You are nothing but an animal, so act like one. Children don't need authority. Man is basically good. So let's be democratic and allow the little devils to make their own choice. They can do this without any outside influence." Many parents have believed this "hogwash" and we can see the disastrous results.

The HUMANIST MANIFESTO II, point 4 says: "Ethics is autonomous (having the right of self-determination), and situational, needing neither theological or ideological sanction. Ethics stems from human needs and interests. To deny this, is to deny the entire basis for life. We must strive for the good life, here and now!" This is the PLAYBOY PHILOSOPHY, which says: "You only go around once in life; so live with gusto!"

You can easily see the result of this teaching which is literally destroying the lives of tens of thousands of our youth, often turning them into uncaring, unfeeling brutes, who will murder their own parents without a second thought and brutalize their peers.
To turn children loose in the world without moral and spiritual guidance is as criminal as it would be for you to turn your three-year old loose in the kitchen, when you know that on the table, within easy reach, are apples, chocolate candy and potassium cyanide.

This teaching has raised a generation of American parents, who have often been fooled by the permissive teaching of the Spock theory. Spock always was a phony and made millions off it. At least he was man enough to admit he was in error. He knew no more about the proper way to raise children, then he did about the real meaning of Americanism, since he was Socialist in his thinking through and through.

I have spoken to thousands of high school and college youth, who universally say: "We want to know everything there is to know about sex!" Of course they do! This is natural! Children, like pigs, thrive on filth, unless they have a "regenerated" heart and the filth that is crammed down their throats in the public classroom and sometimes in church pushes them in a horrendous direction.

But because youth want something, doesn't mean it is good for them. Let's face a "fact of life," you can't turn an eight-year old into an "amateur gynecologist" without running into complications. They aren't ready in the pre-teens, and many times in their teens to handle what is normally taught in a college anatomy class. They particularly aren't ready for these facts, when they are taught in the filth of Humanism, complete with all the four letter words. This goes for Sex Ed teaching, and often the books they are assigned for reading in English classes.

While our boys and girls often graduate from high school deficient in things necessary to get along in a complicated world, they can still mouth the cliches of the "far left radicals," and spout the four letter words of filth taught by some pseudo-intellectual; those who "go thundering down through history, like an extra quart of water going over Niagara Faont>" Isn't it amazing to you, that parents will spend as much as $20,000.00 a year for a college education for their children and have them come home at the end of the first semester hating God, their country, and despising their parents. This seems like a terrible bargain to me!

How do you answer a college girl, like one who approached me in an Ohio meeting. She had just come home from her first semester in a well known Liberal Arts School. She was on the verge of suicide. Through her tears she told me: "I'm a good example of our modern school system. I was brought up in a home that revered God. I was taught to pray and read my Bible. I loved America and my family. Then in high school they began to chip away at my faith. Now after a semester in college, I can't intellectually believe in God anymore, I know deep down inside my heart that He exists: I know He loves me, but I'll end in hell before I admit it!" How terribly sad!

I challenge you, American mothers and dads, Christian and non-Christian alike, who love your children. Find out what they are being taught. Get a copy of the teacher's handbook if possible, and see what they are told to teach your child. You have a right to see these books, so don't let any school official "brow-beat" you into not looking at them. You will find in most instances that your child is being taught that God is nothing but a myth. This is common fare for Secular Humanism. They will probably be taught that "Man came into existence through a "fortuitous concurrence of atoms." You may find they are taught that they are "graduate animals," superior to dogs and cats, but still animals with an animal nature, and that there is no such thing as a spiritual natural. That all that really matters in life is having material things, food and sex. For when you die, that is the end of it!

In the Communist textbook PSYCHOPOLITICS, page 42 it says: "The first thing to be degraded in any nation under conquest must be the state of Man himself. Nations with a high ethical tone are difficult to conquer. Their loyalties are hard to shake. What they call their spiritual integrity cannot be violated by duress (force) . . . Man must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself or his fellows as being capable of spiritual endurance or nobility."
Today's textbooks are for the most part written by atheistic, Humanist authors. Everywhere you turn in the education system, young minds are being violated by the "rot of evolution." They are told that since they evolved from animals, if they are placed in the proper environment, with the proper governmental help, one day they will overcome all their problems and live in Utopia. They will gain the promise made by the Tempter to Mother Eve in the Garden of Eden, Gen.3:5 - "For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods. .

Another area which should be checked in the "drivel," in textbooks downgrading "patriotism." There was a time, less than fifty years ago, when the title of "Patriotic American" was one of the highest accolades in the land. Today it is a term of contempt. Today being a patriot means you are a "~hate monger; an anti-Semite, a neo-Nazi, a Fascist; a Right Wing Extremist Terrorist." I am proud to consider myself a "~patriot."

You can see this drivel in the liberal efforts to downgrade such patriots as J. Edgar Hoover, and Senator Joseph McCarthy, while glorifying a known Communist, lying teacher like Martin Luther King, Jr.

On a trip to speak at a high school in Austin, Texas a number of years ago, while waiting for a teacher to escort me to the auditorium, I picked up a 10th grade book on American History. Being a Revolutionary War "buff," I naturally turned to that era and was surprised and shocked to read: "We have been led to believe that Paul Revere rode to warn the Colonists of the British attack. This is not true, for it has been proven that he was drunk in bed with a prostitute in Boston, the night this occurred.

If your school system uses the M:ACOS (MAN: A COURSE OF STUDY), textbooks, here is an example of what they teach. In the fifth grade, which is considered the "key" grade by educators everywhere, instead of studying the great world civilizations such as Greece, Rome, Assyria, Babylon and Egypt, they study a remote Eskimo tribe called the NESTNIKS. They choose this tribe because of it's unique "life style," which is diametrically opposed to everything we believe in America. They are cannibalistic; polygamous; coone al, and incestuous.

One story in particular caught my attention. It was a gory scene that described cannibalism in the most vivid terms. A wife tries to escape the unwanted attentions of her husband, and runs naked into a blizzard. He follows and catchea her, chopping her into pieces with his skinning knife, then takes the pieces home and later cooks and eats her. It is hard to believe some of the utter "trash" this course offers your children until you read it for yourself. There are almost 30 textbooks in this series, each worse than the other. It's no wonder children indoctrinated by this filth go insane and kill their parents, and massacre their schoolmates. We react with shock when they do these savage things and wonder what caused a to happen. Yet this is being "pawned off" on tax payers, as quality education."

Don't get me wrong! All teachers do not subscribe or promote this liberal filth. In fact, many are violently opposed to it. But many more, who are decent people, are afraid, for one reason or another to speak up about it. They know they will very possibly be ostracized by their peers, and very possibly lose their jobs.

Some are made of sterner stuff and are like a young couple I met from Kansas. They gave up their teaching positions in the public school, where he was Principal of the primary school, and she was a teacher and went into Christian education, where their combined salaries were less than the husband previously made in the public sector. He told me: "Our Christian conscience would not allow us to go along with the filth that was being taught in our public school system. We had to quit! We have fought this for five years and it's getting worse every year. My Christian witness and that of my wife, won't allow us to slay with this apostate movement." Thank God for men and women such as these. More power to them! This was the kind of courage that built America! They may be short on finances here, but are "building up treasures for themselves in heaven." The liberal Humanist may scoff at this now, but a day will come when he will know differently and it very well may be too
late then for him to change sides.

Many teachers are so naive, and have been so "brainwashed" in their liberal teacher's colleges, that they don't realize the terrible subversion and immorality they are teaching. This of course is no excuse and won't stand them for any good when they answer one day before the Supreme Judge, who was concerned enough with the welfare of children, He said: "But whoso shall offend (harm in any way) one of these little ones which believe in Me, it were better if a millstone had been hanged about his neck, and that he had been drowned in the depth of the sea . . ." (Matthew 18:6).

What can parents expect from a public school system, when the President of the school board writes a letter such as the following, written to a concerned mother who was upset with the sex education program in the Palo Alto, California school. He wrote:

Dear Mrs. . . I apologize for not answering your letter of October 14, but frankly, I could see little reason to do so. It is evident to me, that the ideological gap that exists between us - indeed between you and the modern world - is farscous great to be bridged by a mere exchange of letters.

"You look on man as being created in God's image, and believe his sex life should be guided by Christian principles. I on the other hand, believe man to be the most communicative and in some ways, the most intelligent of the many species of animal life on this particular planet, and one that needs to be rid of the neuroses that result from religious frustration of his natural desires. How could we ever agree?" Signed: M. Oliver, President, Palo Alto, CA, Board of Education

How could a Christian agree with this heathen? No way! How could any decent parent agree with him? How could you trust your precious children in the hands of a man who looks on them as animals, and treats them as animals? We MUST rid our school boards of men and women who think like this. For it is false teachings such as he promotes, the teaching of a criminal mind, that destroys the moral and spiritual fiber our children need to get safely and happily through life. Does anyone of intelligence believe for a moment that this animalistic teaching is doing our children any good. No wonder they act like savage animals when they have been taught that this is their biological background. Take time some night, to watch a late night TV show, and see the animal savagery displayed on the faces, and through the actions of the "hard rock" musicians your children so love to listen to. Watch the reaction on their youthful audience. I doubt you would want your virgin daughter to be caught in their net. Then take time to listen to the filthy lyrics, which often deal with murder, rape and bloody beast like violence. All this ties together as part of the plot to destroy your children, your family, and your country.

When I was in Ethiopia in 1960, I had the privilege of making a trip into the interior of Sudan. We were the first White men who had been allowed in this area in over twenty years. The natives were living as they did 5,000 years ago. They did not even know how to start a fire. One night a local chief invited us to a big celebration held in his village. The natives were gathered around a huge bonfire, drinking "pombe" a potent native beer made out of corn. The musicians were naked savages beating on hollow logs of different sizes. As they played a certain drum beat, the audience would sway back and forth as though in a hypnotic trance. Then the drum beat would quicken, and the warriors would leap screaming to their feet, rushing through the crowd stabbing all directions with their spears as though they intended to massacre everyone. Then the beat would change again, and with loud yells, the men would grab the women by the hair and drag them screaming into the jungle. I thought; "My God, how Satanic this all is!"

Two years later, after I returned to the States, I attended a Beatles concert in Miami, and listened as the drummer played the same drum beat I had heard in darkest Africa with the same effect. Lovely young girls, I'm sure many of them from fine families, literally fought screaming to get on the stage with the musicians. Some of the girls tore off their blouses and scratched themselves across their bare breasts until the blood flowed, while the musicians encouraged them. Then we wonder why, when they get angry, or get under tension, they act like animals. How many good Christian parents supply the money necessary to buy the expensive tickets for their children to get into these
"anterooms of hell," or how many shell out hard earned money for sound equipment and the VCR tapes, their children listen to by the hour, which are from the "pits of hell itself?" Don't blame the children, pity them!

Today in America, because of the Humanist teaching of both parents and children, we excuse murder, rape, knifings, beatings and extortion by saying: "Pity the poor criminal! He's sick! He isn't responsible for what he did! He was probably a victim of sexual abuse when he was a child, or maybe his mother loved him too much, or his parents were too strict. Society is to blame; blame his environment!" Then we send him off to a poorly supervised youth detention center, where instead of being rehabilitated, he comes out a worse criminal than when he went in. I know whereof I speak, for I have been running an extensive prison ministry for over fifteen years, that reaches men in 126 State and Federal prisons in 26 states. I can tell you truthfully, there is very little of rehabilitation taught in these prisons. In most of them drugs are brought in by prison personnel and rape, beatings, and murder are the "order of the day," in order to control men. They are treated like the animals the Humanists say they are and often responds like animals. It is only through the "grace of God," that a man goes back into civilian life as a better man, this is another by-product of the Humanist system! When it comes time for parole, the Humanist Parole Boards have a tendency to turn the White Christians down, and turn the dangerous ones loose.

The liberal may say that this is a isolated example, but it is not. It is standard operating procedure throughout our nations penal system. Some of the men they parole, have been in and out of prison a number of times, usually becoming more violent each time. If we had time, I could go into the economic reason for some of this. The prison industry has become one of the major businesses in America. Why shouldn't it be successful, when it is putting out products in competition with American businesses, using "slave labor" that pays $0.25 or less per hour, and often nothing at all? It is interesting that in the midst of the "school terrorism," of the 1998's, you can point to no incident in a Christian school, or among "home schooled" children, which indicates anyone murdering their parents or their peers.

It is a proven fact, not open to argument, that the worst trouble makers in society come from permissive homes, not necessarily those on the other side of the tracks!"

Some will remark about the fact that all these school massacres have been committed by White children, who according to the liberals, are the privileged ones. Could this be because violence among Blacks is seldom reported by the media? When a Black commits a crime against a White, media usually label it as being caused by repression or under-privilege. If a White commits the same crime against a Black, nine times out of ten it is labeled as a "hate crime" or "racially motivated!" This type of labeling puts a big burden on the media, who are not known for their honesty.

Progressive education, praised by the shallow thinkers in liberal education tells your children that they don't need discipline? In fact, that it is immoral! They say it stifles personal creativity and self expression. Yet a little honest research in history, shows this to be an outright lie! There has never been a great artist; a great musician; a great poet; sculptor; or writer, who did not realize the necessity of self-discipline!

This "new thinking" is responsible for the rash of trashy, filthy books and art which are now coming from so-called American professionals. There is more "rotten, stinking garbage hidden under the umbrella of creativity" than under any other subterfuge. It is greater now than at any time in world history. Most of it is sheer "pornography!" The "static" against truly "enlightening educatio~ comes from the "liberated professionals," who have "prostituted the ideals of education" for a theory which says: "Let the kids do what they want! We don't need discipline! We don't need higher authority! There is no such thing as character. There is no God. There is no such thing as an u~timate accounting to any higher being, so let yourself go, enjoy lie to the fullest." These will learn one day, to their eternal sorrow, the truth of the old hymn:
"And oh what a weeping and wailing, As the lost one's were told of their fate. They cried for the
hills and the mountains; They prayed, but their prayers were too late!"

Laugh if you want to now, but never forget, "You were warned!"

One of the last public statements made by Dr. Karl Menninger, Dean of American Psychiatrists was:
"One of our biggest problems is that we have lost the concept of sin." (The Bible says in 1 John 3:4,
that "sin is the transgression [breaking] of God's Law)." This means personal responsibility. Until
Americans are willing once again to accept the idea of personal responsibility, we will not rise
much above the animal level."

So, as we close, let's take an inventory and look at the results that have come from our "broad-
mined" Humanist education.

We relaxed censorship under the banner of "freedom of speech," and our newspapers have become
cesspools of filth, often reveling in the most vivid sexual escapades and wordy descriptions of them.
We encouraged "freedom of expression," and our theaters reek with perversion of every kind, the
rottener the better.

Our youth have been told that moral standards are "passe," that they change with circumstances,
and the rates of illegitimate births have soared "sky high." In some areas, sexual diseases such as
AIDS, and VD have soared as much as 50%.

The American Health Association estimates that millions of Americans have died of syphilis since
1900, and though we mount a billion dollar campaign against tobacco, little is said about this youth
killer.

But instead of telling our youth the necessity of "self-control," our highest health officials urge them
to use prophylactics, even handing them out and demonstrating their use in high school.

In one sex ed textbook called FACTS ABOUT VD FOR TODAY'S YOUTH, on p.11, there is an
explicit drawing of a male sex organ and a precise description of how it is used when intercourse
takes place, using common street terms and four letter words. It goes on in vivid terms to impress
the youth with the pleasure that may be derived from sex. This for grades seven to nine. In another
book titled FICTIONAL DIARIES, used in the tenth grade, is a story titled ME AND MRS.
MANDIBLE. This is a fictional day to day diary of a high school boy's seduction by his teacher.
The story beginning on Sept.13 and ends on page 77, when they are caught in the school cloakroom
during recess, having intercourse. Would you care to explain how this education adds to your child's
needs for the future?

Another book which drew the "fire" of West Virginia parents was INFORMATIVE ARTICLES,
which deals with the use of marijuana. On page 28, the student is given explicit instructions on how
to get the "biggest kick" out of smoking the weed. If you are one of those who have been
"brainwashed" into believing that marijuana smoking is harmless, I'd suggest you go back 24 years
and read an article on this in the Dec., 1974, Reader's Digest.

The late evening TV's have become seething plots of filthy sex, while the late night radio talk shows
are unbelievably filthy, as smart young male moderators discuss intimate sex with young giggly
females.

Our children are being subverted by the "liberal child molesters" in public education, the media and
entertainment, into destroying themselves and America along with it. They preach: "Never mind the
rules!" only to find that the "whirlpools of sex" are too strong for them to resist, and they are carried
down to destruction.

During the latter days of the Korean War, I had the privilege of doing an in-depth study into what
happened to our Prisoners of War, in the North Korean and Chinese Communist Prison Camps from
1950-1953. These studies were the basis of the Military Code of Conduct which is now supposedly
used by our Armed Forces.
The men who came out of that terrible experience unmarred by Communist "brainwashing" techniques, were men like Major Gen. William Dean, the highest ranking man to be captured. Few men without a strong Christian character were able to resist the pressure brought against them by the enemy. The same type of pressure being used against your children.

This grim state of affairs, among our youth, is not a fantasy, my friends. The evidence is all about us. You can read about it daily in the vivid headlines of our daily news, as another "brainwashed" youngster runs amok, or our President becomes involved in another sexual scandal to the embarrassment of the entire country.

It has been because of the apathy of good people, Christian fathers and mothers, that the social planners, the Behavioral Scientists, the Enlightened Educators, the Liberal pastors, and the One World adherents have stepped into the hallowed ground of the family and are usurping parental authority.

Referring one more time to PSYCHOPOLITICS, page 27, we read: "Under the saccharine guise of assistance to them. . we will force the teenager into unwanted dependence on a grudging parent.

"By making sure in other channels that the parents are never in other than economic stress, the child can be driven in his teens into revolt and delinquency will ensue.

"By making readily available drugs of various kinds, by giving the teenager alcohol, by praising his wildness, by stimulating him with sex education and advertising sex practices in sex education, the psychopolitical operator can create the necessary attitudes of chaos, idleness, and worthlessness, which will give him the complete freedom of Communism."

Educational authorities will tell you: "Don't worry! TRUSS-S-T US-S-S (like a gigantic snake); We KNOW what's best for your child. We are the ones with training, let us handle these problems!"
And many parents have taken this bait, "hook, line and sinker," and then agonized when their children were destroyed.

Maybe this hasn't happened in your school, and thank God if this is so. There are few public schools in America today, who are not being afflicted by the disease of Humanism. In fact, if they don't teach this "garbage," in some cases they don't get public funds. The few schools which held to the old fashioned, proven, teaching methods and ideas, mostly went out of existence when HEW began to subsidize public education. Today, it is controlled for the most part by the bureaucrats of the NEA and HEW Today, the Presidents of at least 39 major colleges and universities in America, are members of the Council on Foreign Relations, which in the American branch, of a society organized in England, that believes that national boundaries should be eliminated and a New World Order be established. This same New World Order is violently anti-Christian. No wonder our children have these precepts crammed down their throats.

Many college professors are members of the Tn-Lateral Commission, which is the intended vehicle for multi-national consolidation of commercial and banking interests, through seizing control of the political Government of the United States, and bringing it under One World control, with it's loss of National Sovereignty.

Some well known names in this Humanitarian scheme are Zbigniew Brzezinski, Professor John Hopkins University; Robert Putnam, Harvard; Henry Rosovsky, Harvard; George Shultz, Stanford, and Paul Volcker.

These men who universally back the ideas of Secular Humanism, follow the ideals of One of their idols, George S. Counts, who in 1932 said: "Through the schools of the world, we will disseminate a new concept of government."

This was the identical line used in Chile before their takeover by the Communists.

In 1933, 47 hand-picked American students were sent to the University of Moscow, where they attended the Lenin School of Psychopolitical Warfare. 45 of them were Jews. They were sent to
learn the techniques of PSYCHOPOLITICS, which is the art of controlling an entire people, by first controlling their thinking. They brought the Communist Textbook PSYCHOPOLITICS to America, where it was taught to Communist cadres, at the Eugene Debs Labor School in Milwaukee, Wisconsin. It was taught there as the "blueprint for the Communist takeover of America."

In his welcoming address, Laventria Beria, then head of the KGB said: "You must work until every teacher of psychology in America, is wittingly or unwittingly a teacher of Communist doctrine. You must labor until every doctor and psychiatrist teaches only communist doctrine under the guise of psychology. You must labor until every doctor and psychiatrist is either a psychopolitician or an unwitting assistant of our aims. You must dominate as respected men the fields of psychology and psychiatry. You must labor until psychology is a required course of study in every school."

I'm sure you will realize that it is almost impossible to teach young people decency, when their teachers are being oriented in State run schools that the "in thing is to be immoral, anti-God, anti-American, and pro-Socialist."

We have heard a lot of talk over the past few years from our government about "quality education." But your tax dollars have brought you a "shoddy education system," which is not preparing our children to adequately meet the problems they will face in an oft-times hostile world.

The illusive ideal of "quality education," is not attained through "throwing tax dollars" at it. It is not attained through multi-million dollar education complexes, which clutter up the landscape of a town of any size. Quality education comes only from quality teaching, not through multi-million dollar equipment. A good teacher can do a better job of educating young people, with a minimum of modern educational help.

You don't create good teaching through wall-to-wall carpeting; air-conditioning, padded seats, and computers. In the old days, of a few decades ago, a good, dedicated teacher would put out "quality education" in a one room country schoolhouse, heated with a wood stove and with an outdoor toilet. Our modern education concept stifles "creative teaching" and good teachers, because it does not want them to teach. It expects them to "indoctrinate!"

Teachers today have been turned into Behavioral Scientists, as can be seen by reading The NEA's Monthly Journal TODAY'S EDUCATION. In a July 1969 issue, Dr. David Mace, speaking before the AMERICAN COUNCIL OF SEX EDUCATORS in Washington, DC put his finger squarely on the problem when he said: "Young people want t wil their own thing...before duty to country, or family, this is most important...youth has the inalienable right to develop fully, including their sex life, without any outside influence."

The Bible teaches differently. In Proverbs 29:15 we read: "The rod and reproof give wisdom; but a child left to himself bringeth his mother to shame." Today, it's considered a "bad word," to talk about using corporal punishment on a disobedient child. Today's educators for the most part want the child under their care and control, without any outside interference from their parents.

One of the greatest mistakes we have made in America since World War II, has not been in Korea and Vietnam. It has not been in the field of ecology. It has been in the "chicken manner" in which Christian parents have abdicated their God given rights and duty to "train their children properly," The Word of God, in Proverbs 22:6 says clearly: "Train up a child in the way he should go: and when he is old, he will not depart from it." Our problems with disobedient, destructive children today, comes because of parents who have become responsible TO their children, rather than FOR them! The results are "uncontrollable brats," who are a danger to everyone they come in contact with.

We hear a great deal about pollution today, it is one of the main points of Vice President Albert Gore's pontification. But the moral pollution that is coming from our education system, and
sometimes, God forbid, the Christian church, will destroy us long before filthy air and polluted water does the job.

One thing these "mental child molesters" should learn fast, is that decent Americans, of all colors and beliefs, are getting tired of "window smashing," classroom wrecking, marijuana smoking, obscenity shouting, undisciplined brats," who are the offspring of the moral sewage being spewed in our schools. Let this be a warning to those of you who engage in this ungodly filth. A "day of reckoning" is coming, soon I believe, when a wave of righteous decency will sweep you off the streets of America. It will not be pleasant!

REMEMBER: "Without moral and spiritual discipline, this nation is fat for the kill! There will be no protection for us from 'flower children!' There will be no security in the wacky dreams of chemical hallucination! Nothing decent will ever be accomplished by youth high on pot. There can never be any social uplift in the philosophy, 'If you don't like it; burn it down!'"

We can no more afford to lose America to our progressive educators, than we can the Communists, as the end result will be the same. One World tyranny. If we lose the freedom to be decent in America, then the light of freedom will go out around the world. If we lose the right to pray and read the Bible in our public schools, it will only be a matter of time before it is forbidden in our churches, and our homes. If we lose the right to witness for Jesus Christ, then the darkness of the TALMUDIC night will fall on this country, as we become slaves of those who hate us and our God. If we allow this country to go down before the demonic forces of darkness the inscription on the Statue of Liberty will have to be changed to read: "Abandon hope; all ye who enter herein!" Is this what you want?

You may say: "But what can I do. I am only an individual, and everyone knows you can't buck City Hall." But we MUST if we are to survive as a free people! Very few parents bother to check what their children are studying in school. Have you?

You can speak out about the evils you see taking shape before your eyes. Of course you will be laughed at. You will be called every name in the book by those who would destroy you and your family. Jesus told His followers in Matthew 5:11 - "Blessed are ye when men shall revile you, and persecute you, and say all manner of evil against you falsely, for my name's sake." Have you ever been persecuted because you took a stand for God and decency? If not, it means you have been "asleep at the wheel." Maybe you are one of those Christians who wants Jesus as Savior all right, but you want Him as a sort of Celestial Fire Insurance Policy to keep you out of hell. You don't want Him as King, even thought you may sing about it in church. For when He becomes King, He must have first place in your life before everything else and I have seen very few Christians or their pastors who are willing to "give up doing their own thing," and place him first in their lives, before all else. "For by their fruits shall ye know them;" not by "what they say!"

You can elect decent, Christian legislators who will insist that our children are properly taught in the schools. Let "liberal legislators" know in no uncertain terms, that you will not put up with the destruction of your children and insist that they follow their oath of office, which calls for loyalty to the USA not some One World Government. Let them know that they will be held accountable for their actions while in office.

Talk to the newspapers, write letters to the editors expressing your feelings, some of them will bescuslished. Call in to radio talk shows and express your opinions in polite, Christian language. Never fall into the "gutter" with the often obscene moderators. You will be surprised and elated to find how many decent folks still reside in America who will back your stand.

"So what!" If someone calls you a "kook; or a Right Wing Extremist, or a nut." Jesus warned us that if we took a stand for Him, this is what would happen. Is your love for Him so weak that you are not willing to "suffer for Him?" The Apostle Paul tells us in 2 Timothy 2:9 - "If we suffer (for Him), we shall also reign with Him; if we deny Him, He also will deny us." In Romans 8:17 -if so be we suffer with Him, that we may be also glorified together." Christian, don't expect to "rule and reign
with Christ," if you are unwilling to suffer for Him now. You must be an OVER-COMER, see Rev. 3:21. You don't become an OVERCOMER by hiding in a spiritual foxhole, waiting for God to save you from the results of your own apathy. OVERCOMING, is "front line" Christian soldier business! The reason we are in the mess we are in now with our children is because instead of being "good soldiers" for Jesus Christ, we have become "cowardly foxhole dwellers."

We furnish the children and the money for education and have the God given responsibility to see that it is used well. I believe we will be held accountable before God for what they are taught. Because the "mill of God grinds exceedingly slow" at times, men have a tendency to forget that He does not "balance His books at the end of every year." But a Day of Reckoning is coming for those who lead our children astray from the truth, as surely as "day follows night." I believe parents are going to be held accountable too!

We MUST never falter in this fight, for "decency and survival," for we know that we do not fight in vain. We believe in our hearts, and proclaim with our lips and our lives, what we believe, and we KNOW He has promised victory IF we are OBEDIENT and FAITHFUL!

There is a motto on the walls of the Marine Base at Quantico, which says: "Let no man's ghost ever return to say; if I had only been properly trained!" Christian parent, pastor, concerned teacher, let it never be said of you: "If only they had told me the TRUTH; if only they had taken time to tell me what life was really all about!"

In Matthew 18:6,7 we read these very serious words spoken by God's Son, our King: "But whoso shall offend (hurt in any way), one of these little ones which believes in Me, it were better for him if a millstone had been hanged about his neck, and that he had been drowned in the depth of the sea. Woe (deep sorrow) unto the world because of offenses for it must needs be that offenses come: but woe to the man by whom the offense cometh."

Many Americans, including some Christians, unfortunately, are unwilling to face what is happening in America due to our apathy. They belong to the "great, silent, yellow majority," who have never done much that was worthwhile for mankind. This is why we are admonished in Exodus 23:2 "Thou shalt not follow a multitude to do evil." Because the majority desires something, does not make it "right," in fact, history proves that the majority has usually been wrong.

We greatly need to return to an Old Fashioned American virtue, called "Righteous Indignation!" This was the ability to see when something was wrong, and the courage to get upset enough to do something to change it.

I believe the time is here now, when decent folks, Christians and non-Christians alike, MUST take off the "Velvet gloves of apathy," and put on the "brass knuckles of truth." As Christians we should remember: "The hand of the Lord is not shortened that He cannot save; neither is His ear heavy, that He cannot hear; but your iniquities have separated between you and your God, and your sins have hid His face from you, that He will not hear." (Isaiah 59:1,2).

Must we be driven to our knees, and have our nose rubbed in the dirt, before we will "Listen to God, OBEY, and be saved both spiritually and physically?"

WE HAVE A FORMULA FOR SURVIVAL available if we want it, 2 Chronicles 7:14: "If My people (He was speaking to Christian Israelites, not anti-Christ Jews), which are called by My name (Christian), will HUMBLE themselves, and PRAY, and seek my face, and turn from their wicked ways; then will I HEAR from heaven, and will FORGIVE their sins, and HEAL their land."
Where Are We Going?

by

Crusade for Christ

"And the work of righteousness shall be peace; and the effect of righteousness, quietness and assurance forever: And thy people (Israel) shall dwell; in a peaceable habitation, and in sure dwellings, and in quiet resting places." - (Isa. 32:17, 18)

This message is not for the weak of heart, or those whose feelings are easily up set, for I am going to speak about things which are "politically incorrect", and which most Americans shy away from.

Probably one of our biggest problems in America is that we have completely lost our sense of "perspective". Any people who will pay big money, and sit freezing in some football stadium to see eleven overgrown boys pound each other, yet who will not go to a meeting in a comfortable room, to discuss problems that are destroying them, and come up with a solution, have lost their perspective.

The dictionary defines "perspective" as: "A specific point of view in understanding or judging things or events, especially one that shows them in their true relationship to each other".

I would explain it through this simple story which many of you have heard before. In the early days of World War 11, I was stationed at Camp Polk, Louisiana. Just outside the main gate was the little city of Deridder, the parish seat, complete with a little gingerbread courthouse, with giant trees outside, and benches where the old timers would gather for daily confabs. One of the regulars holding forth here was an ex-alligator hunter who loved to regale his listeners with tall tales about gators. "Gators 'taint hard to catch," he would say, "all you need is to know where they he, and have the right equipment to catch 'em". He would explain it in this manner: "You needs a dull book, a loaf of bread, a match box, a pair of tweezers and a telescope." This always seemed like peculiar equipment to catch an alligator, but he explained it in this way:

"Take all your stuff out to a place where gators hang out. Find a big tree near the bank, where you can sit in the shade; lay your stuff close at hand and start reading your book. It will be so dull that
soon your eyes will close, and your head will nod as you go to sleep. This is the important time, for
that old gator laying off in the swamp watching you, will try and sneak on the bank and steal that
loaf of bread. Wait until he's out of the water, then quickly pick up your telescope and look at him
through the wrong end. Then using your tweezers, pick up the little gator you see, put him in the
box, and you got 'em'. Of course anyone who knows anything about alligators, knows if you did
this, and tried to pick up a twelve footer with a pair of tweezers, you would lose your arm. But that
is "loss of perspective". Looking at a problem and refusing to see what causes it.

Many of you who read this pamphlet can remember back to the "good old days" when you could
walk down your city streets after dark, or sit on your front porch in the summer evening, without
being harassed by hoodlums. Often we wonder what caused the change. I will attempt to analyze
this.

It does seem strange, when we realize that America has probably the best law system that was ever
devised by man. Yet we have seen a year by year erosion of this system, as powerful, and often
nameless men, have attempted to destroy it and bring us under the subjugation of their New World
Order.

No matter whether Republicans or Democrats have been in power, we have seen this erosion take
place. It has gone on for at least 75 years, as the values that made America great have been
systematically destroyed.

We would not be far amiss in stating that America has not been governed by Americans during this
time, for the strings of government have been pulled by aliens for the most part, that few of us have
ever heard about. Yet they have been manipulating us, especially our economy, for their own power
and benefit.

Few of our people seem to understand that this country is not governed by the Congressmen we
have elected. They are just "puppets" who dance to the bidding of the Master Puppeteer, as he
moves their strings. I know we don't like to admit it, and no doubt there would be howls of outrage
from any Congressman who read this accusation. It is nevertheless true.

Ever since the Federal Reserve System (which is not Federal at all, but is made up and controlled by
eight privately owned banks, which are owned and controlled by International bankers), ever since
they took un-Constitutional control of our economy in 1913, we have been under their thumb and
we have learned a fact of history, the hard way, that "he who controls the economy of a nation,
controls that nation". It has cost us trillions of dollars, and we do not yet understand this problem.
Today we stand on the verge of national bankruptcy, and still our puppet government continues to
spend more then they take in, to the glee of the International leeches who control our economy.

Many years ago, Benjamin Disraeli, the Prime Minister of Great Britain, during the reign of Queen
Victoria, stated words to the effect: "The world is governed by entirely different men than most men
suspect". He knew, because he was on the inside of those who were slowly strangling and
controlling Great Britain.

If these "shadow men", aided and abetted by traitors in government, education, our churches and the
media, who have contributed in large part to the downfall of America, today we are standing on the
verge of "third world status."

When I use the word TREASON in this message, I am referring to the Constitutional definition of
the term as found in Article III, Sec. 3 of our Constitution. In words that any fifth grader can
understand it says: "TREASON shall consist only in levying war against them (the U.S.); adhering
to their enemies; giving them aid or comfort". When those in Congress vote to spend billions in
foreign aid, often going to nations who "hate our guts," that is TREASON. When a pastor or a
politician supports an anti-Christ, therefore anti-American "gang" like the Israelis government in
Palestine, (and we have handed them over $500-billion since 1948) knowing they have "stabbed us
in the back, over and over again," and that the proclaimed Zionist aim is the "destruction of White
Christian civilization," that my friends is TREASON.

Many pastors in the Judeo-Christian churches of America will try and by-pass this by stating: "But they are God's chosen. We must support them!" Yet Jesus Christ refuted this argument in John 10:26, when He told the Jewish leaders: "But ye believe not, because ye are NOT OF MY SHEEP"! That seems mighty plain to me! A few years ago, Jerry Falwell made the statement on TV that God has been good to America, because we had been kind to the Jews. This is an obvious falsehood, for the time of America's greatest debacle, spiritually, morally, militarily, politically and economically, has come since 1948, when we recognized that "little bastard state" in Palestine. There have been NO blessings from this union.

But this message is not about Jews, they are just incidental to our problems. It is about Christian Americans, who have reneged on their responsibility to God and country and who should bear the major blame for our anemic condition.

Hundreds of billions of our tax dollars have gone down the rat hole of foreign aid, without our State Department exerting any control over them. As a result, we made several billionaires out of African rulers.

A few years ago, during a famine in Zamiba, we sent their government $52-million. They used $4-million to purchase 48 Mercedes Benz sedans, so that their leaders could ride in state. While our Congress knew about this misuse of funds, they still sent foreign aid to Zamiba.

$492-million was recently expended on Somalia, not counting military expenditures. Would any intelligent person reading this pamphlet say the Somalia's are better off now than before we got "sucked in" to this United Nations venture? Yet obviously someone benefited from this venture or it would not have taken place. Things such as this don't just "up and happen by chance". Old F.D.R. knew that when he said: "Everything that happens in politics is planned somewhere; in some smoke filled room". (Obviously this statement was made before the "smoking" ban took effect in Washington).

In November 1994, the American voter sent an electrifying message to Congress. The American voter was mad, and he made his decisions known by booting out many liberal leeches who had been getting fat at the "government feeding trough".

As a result, who do we have in power now? The Republican hierarchy seems to be under the control of Newt Gingrich and Senator Bob Dole, both of whom are dedicated New World Order men. Both voted with President Clinton for the NAFTA and GATT treaties, which are anti-American. Yet in my state, Mississippi, "good old boy Senator Trent Lott," told me: "It's going to do a lot of good for the Gulf Coast." Nothing about whether it was good for the country.

The men in Congress, in spite of all their vociferous proclamations to the contrary, have no intention of balancing the budget, for they know this is impossible as long as the Federal Reserve System is in charge of our currency. Even though they know this monstrosity is strangling us economically, very few have the "guts" to stand up to these International Jews.

Have the dreaded "hours of twilight" arrived for our beloved nation'? We hate to even contemplate this possibility, and thereby lies one of the dangers. It is why many Americans refuse to even contemplate this possibility.

History has proven, over and over again, that when a nation ceases to become a "single people", and becomes a "mixed people," that nation ceases to exist as a great nation. We have over 6,000 years of written history to prove this. Probably one of the most dramatic examples is in the nation of Portugal. In the 17th Century they were a World power, then they began to intermarry with Black slaves, and within a few decades they had reached "third world status". Our enemy knows this, and this is why they have pushed "intermarriage" to the extreme.

A "twilight population", is a population which has been shattered from within by efforts which violate God's "natural law" of "like begetting and seeking like". Each fragment of this shattered
population is soon polarized into a bloc, as "like seeks like". This "twilight population" is always characterized by friction, criminality, animosity and violence between the various blocs. Population diversity, not population size, is the culprit at work in America.

It is difficult for the average decent American to realize that this "destruction process" is a deliberate, planned thing. Yet almost a Century ago, the well-known Jewish author, Israel Cohen, stated: "We will use the Negroses as cannon fodder to bring us into power". In another place, which is recorded in the Congressional Record, he said words to the effect: "We will encourage the Negroes in sports, entertainment and politics, until they are earning large salaries; with this incentive, they can then marry White women and this will bring about the destruction of our most hated enemies.

If you can't see this taking place, with the many Black athlete millionaires, many of who can hardly speak the English language, it's because you have deliberately closed your eyes to the truth.

When one deals with magnets, you soon learn that "opposites attract". But when dealing with "flesh and blood", history proves that "opposites repel." Put any large group of racially mixed people together and stand back and see what happens. They will automatically seek the company of their own kind. It is a "law of nature," therefore a "law of God."

After many years of living overseas in Africa, Korea and Japan, I saw this happen. While I had many friends among the natives of these countries, I automatically sought out my own kind without ever knowing the reason behind it My wife and I lived "on the economy in Asmara, Eritrea. We were surrounded by Black families, yet our non-American friends were found among the Swedes, Norwegians and Italians in the city. The same thing can be seen in any racially integrated school. During recess, or lunch break, Whites will seek the company of Whites, and Blacks will seek Black. It's an ingrained hereditary thing.

When a government gets into a "twilight situation", it always responds with neuroses. Long-range planning is replaced with a nervousness which causes the government to stagger from one social crisis to another. This response causes further jealously and resentment which furthers the speed of disintegration.

Then a curious situation develops, which can be seen in America. The government loses all sense of the productive, until often the least productive attract more attention and aid, than those who "pay the bills." Strangely enough the media and entertainment world, fauns over the aberrant and destructive groups. A good example is the nauseating publicity being given O. J. Simpson, and the Black basketball player Michael Jordan. Neither of these men have ever done anything worthwhile for their country or their people, yet the media treats them like demi-gods.

It has been interesting to me to see the difference in treatment between O. J. being tried for murder and Randy Weaver, of Idaho, who was tried for missing a court date. O.J. appears in a business suit, with no restraints. Weaver always appeared in an orange prison uniform, with handcuffs and leg irons in place. Was it because of the color of their skin?

The politicians and pastors in such a country often become involved in an epidemic of cynicism, as they see a quick and easy route to larger churches, more time on TV, more favorable exposure by the media, which fills the football stadiums. No Christian Patriotic leaders gets such a boost. In stead the media downgrades them by calling them "anti-Semitic, cultists, extremists". Take one of the "scared cows" of the Judeo-Christian world, Dr. Billy Graham. I can remember back to the days when he was strongly anti-Communist, and against religious liberalism of any kind. Today he will not hold a city-wide revival unless the ultra-liberal NCC is involved.

A few years ago, before I became "persona non grata" with the Baptists for speaking the truth about world Zionism, I was speaking at Bob Jones University, Greenville, N.C. I asked Dr. Bob about Billy's change and he said: "Billy and his wife Ruth were here a few weeks ago and I asked them this same question, Billy refused to answer, but Ruth looked me straight in the eye and said: 'Dr.
Bob, we intend to do anything necessary to fill the football stadiums.' There you have it! These people who support the Israeli, have become to all intents and purposes "male prostitutes." Have you noticed how Dr. Graham, constantly supports and defends our profligate president? Calling him, a great Christian! This should tell you something!

No one is to be despised more, I believe, than those who call themselves Christians, yet by their "actions" or "inaction" show themselves to be on the enemy's side. Most of them have completely forgotten God's warning in 2 Chron. 19:2. "...Shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from before the Lord".

Personally, I believe our religious leaders are more responsible for America's present debacle than any other group. In Jer. 23:22, we read words to the effect that "if the pastors of the land would preach the whole counsel of God's Word, the people would turn from their wicked ways." This has not happened in America, which makes me realize that something is terribly wrong with most of the preaching coming from American pulpits.

Recently a man in my Prison Ministry confronted the chaplain after he had given this description of Genesis 1 and 2 in his Sunday School class. He said: "God took a little bit of black clay, and a little bit of red clay, and a little bit of brown clay, and a little dab of white clay, and mixed it together to form Adam. Since we all came from the same source we are all brothers" When the inmate pointed out that God did not use clay to form Adam, but "dust," and that the word ADAM in Hebrew means: "showing blood in the face; capable of blushing," something only the White race can do. The chaplain erupted in anger and said: "Get out of this meeting, we don't need your racist crap here!" I have found very few pastors who will accept the truth of the Word, if it contradicts their church teachings. They are doing the same thing Jesus accused the Pharisees of doing in Mark 7:13 - "Making the Word of God of none effect through your traditions; which ye have delivered, and many such things do ye."

Isaiah 56:10, 11 confronts this same prevalent problem with pastors when it says: "His watchmen are blind; they are all ignorant (of God's Word, even though they may have several seminary degrees); they are all dumb dogs, they cannot (will not bark and a watchdog that refuses to bark when danger is coming is worthless), sleeping, lying down, loving to slumber; yea they are greedy dogs who can never have enough, and they are shepherds that cannot understand: (the Apostle Paul says in 2 Tim. 3:7 that they are "Ever learning but never able to come to an understanding of the truth"); they all look to their own way (doing their own thing), every one for his gain...

What a terrible indictment! You can see this greed for money on the part of tel-evangelists by watching their programs. Around Christmas time I was watching TRINITY BROADCASTING SYSTEM (TBS) as they were having one of their nation-wide fund raising PRAISE THE LORDATHONS! They were broadcasting from the old Conrad Twitty ranch in Tennessee, which had been purchased by TBS, and their president, Paul Crouch, who was bragging about the million light Christmas display they had there. Then he introduced his wife Jan, who was dressed and made up to look like a high class prostitute "ala Tammy Bakker." She was gyrating in the studio to the beat of African religious rock, while she screamed: "Praise the Lord, we've just reached the $4-million mark!" It made me sick, when I thought of the old men and women on Social Security, who sent them a few bucks every month, when they didn't have enough to pay for their utilities and food, and I thought of this scripture: "Doing everything for their gain!" I don't believe God looks with approval on things like this!

Where does much of this money go, other than so that the evangelist can live a lavish life? The Jewish evangelist Benny Hinn, who often appears on the TBS show, bragged that his crusade efforts had evangelized eleven African nations, and that Rwanda was 85% Christian. (This was shortly before they began hacking each other to pieces with their pangas.)

Yet the Christians who will send millions of dollars overseas to save the heathen, will do very little to help Christian brothers and sisters in need, even though the Apostle Paul has told them that: "He
who will not care for his own kin, is worse than an infidel." (1 Tim. 5:8)

Have you ever wondered why with 50-million "born again" Christians in America, we are heading for hell faster now than at any time in our existence? Could it be that the majority of these "saved" folks are the Christians Jesus spoke about in Matthew 5:13 when He called them "salt". But notice all He says: "When the (Christian) salt has lost it's savor (it's ability to act as salt and hold back corruption); it is good for nothing but to be cast out and trod under the foot of man". What kind of salt are you?

The strength of our heathen enemies in the halls of Congress has become so great that few politicians or preachers will stand against them for fear of being called "anti-Semite" or worse. The politicians know that to resist them is the "kiss of death"!

A rather crude joke was making it's way around Washington, D.C. recently. It seems that the president was sitting at his desk in the Oval Office, when one of his flunkies came in and said: "Mr. President, the Pope and the Israeli Prime Minister are waiting to see you. Who should I send in first!" And President Clinton said:

"You better send in the Pope! All I have to do is kiss his ring!"

But let's get back to politics!

The reason our British forefathers put such rigid controls on King John at Rynnymeade, 780 years ago in 1215 A.D. was that they were statesmen, not politicians, and they were also historians who knew that history proves, over and over again, that government left to itself, always seeks control over its people, especially if unscrupulous men are put in office.

So they confronted the king, sword in hand and came away with the Magna Charta, which was the foundation of our marvelous Bill of Rights. A close look at this document, will show you that it could more accurately be called a BILL OF LIMITATIONS, for that is what it does to government. Nine times it says to government: "Thou shalt not! Thou shalt not! Thou shalt not! Then in the Tenth Amendment, it says in essence: "Government, if we forgot anything in the first nine, you can't do that either, unless we the people give you the right!" By adhering to these principles we have remained free for over 200 years.

But these RIGHTS, not privileges, are now under attack by members of our own government, and those who seek to control us!

Have you ever wondered why the Second Amendment, the "right of the people to keep and bear arms", is under perennial attack? It's because it was written, not to give us hunting rights, or the right to belong to a gun club, but as a "last ditch stand" against big government if it turns from being the servant of the people, into a monster that seeks to devour our rights. The Second Amendment is the foundation stone upon which all our other rights are built.

Frederick Bastiat, the world renowned International Lawyer of the 19th Century, wrote in his book THE LAW: "Each of us has the right - from God - to defend his person, his family, and his property against anyone. When this right is taken away, he becomes a slave".

Civilization for the past 6,000 years has been based on this premise and one thing the Free World should have learned a long time ago is that "you can't play patty-cake with a rattlesnake without getting bit".

There are some mighty naive people in America, especially among those who call themselves Christian. They have been so brainwashed in the "liberal detergent" of the media, (this is a "mind washing solution", made up of an "ounce of fact, dissolved in a gallon of hogwash"), that they actually believe if all tiger hunters were to hang up their guns, tigers would turn into vegetarians. But the facts of life prove, that no matter whether you look on a tiger as a "big pussycaat", he is still a tiger, and his appetite for flesh and blood is as much a part of his tiger nature as his stripes. When
man-eating tigers are loose in the community, as they are in America, sensible people go armed.

Another problem, which has added to the deterioration of our moral climate, has been the almost unlimited horde of heathen aliens, called immigrants, who have inundated America in the last fifty years.

There was a period during the 19th Century, when 45-million immigrants flocked to America's shores. 90% of them came from White Christian countries. While they did not speak the same language, their heart's language was similar. Their ideas concerning freedom, religion, morality, integrity, family life and the work ethic were the same and they easily assimilated into our society.

But the hordes of legal and illegal immigrants who have flocked to these shores since the immigration barriers have been lowered, come mostly from heathen countries. They are often violently anti-Christ in their religious beliefs, many have Communist backgrounds, as can be seen in the thousands of Ashkenazi Jews who have flocked in from Russia. (It is interesting to note that their "Promised Land" is not Palestine," but New York City or Los Angeles.

Formerly, it was necessary that each incoming immigrant have an American sponsor who would stand surety for them until they could get established, so they would not become a public burden. Today, the American taxpayer is paying billions to support these incoming people; many coming for the handout they receive.

These Jewish immigrants, for the most part, are from an Ashkenazi background (which makes up 90% of modern Jewry according to their own figures). This means they are Turco-Mongolian, and that their ancestors never set foot in Palestine. Every Israel Prime Minister since 1948, when the Jewish "mini-state" was established in Palestine, has come from this Asiatic background.

Through their money power and cunning connivance, they have gained almost total control of the Media in America, of TV, our Bar Associations, Hollywood, the Medical Societies, Education, crime syndicates, and are now exerting a tremendous influence on Christianity through their infiltration of the Christian church. Today, the International Sunday School lessons used in many Protestant churches, are written by Jews.

Although both Jewish sources, and their Christian "prostitutes" will deny this, they are there, plainly in view in many cases, if you desire to seek the truth. They have fulfilled the prophesies of our "elder statesman" Benjamin Franklin, when he warned the First Congress, that if Jews were allowed to settle in America, within 200 years they would be controlling us.

Today, numbering less than 3% of our population, we can honestly say that we are controlled by ZOG (the Zionist Occupation Government). The majority of "brainwashed" Judeo-Christians, mesmerized by their pastors, will deny this, but the facts are there, which would cause an Israeli official to recently say: "We have the best Congress money can buy". Others have rightly noted that 70 out of our 100 Senators, regularly vote the "straight Israeli ticket". How much more evidence do you want, before you will accept the truth?

Today, these Asiatic aliens dictate to us whether we can pray or read the Bible in our schools; whether we can use Christian symbols in public on our Christian holidays; and it has become almost Standard Operating Procedure in our Legislatures, that the name of Christ may not be mentioned for fear of hurting Jewish feelings.

At the same time, they own or control the Abortion Clinics which each year murder millions of unborn children; they control the liquor, dope, prostitution, pornography and rock music rackets, which are responsible for millions of youth taking the "short cut" to hell; while their Media, TV, and Hollywood, continues to blare out Jewish lies and propaganda, and the Christian church aids them by calling them God's Chosen People. How much further will they have to go in controlling America, before our sleeping people wake up and do something to save Christian America?
I do not advocate the annihilation of these heathen we have allowed in our midst, as some do.

I do believe we have the sovereign right as Americans to say to these aliens: "If you want to live in peace within our borders, as productive citizens, obeying our laws, enjoying the freedoms you can only have here; then dwell in peace. But when you begin to interfere with our Christian principles; when you attack our Christian way of life; when you attempt to tell us what we can and can't teach our children in our public schools; when you seek by your own admission to control us; then you have overstayed your welcome, and we have the right to demand that you depart. If not peacefully, then by force!"

The so-called Christian hoards will scream "un-Christian", willingly forgetting how their Master, Jesus Christ, threw the Jewish leaders out of the Temple, declaring that they had contaminated it. This is what they have done to America by their arrogant, anti-Christ presence. It is not un-Christian, to resist evil, or evil men, for the Word tells Christians to "resist the very appearance of evil", (1 Thess. 5:22).

The economic and political problems we face in America in the "closing out days of this age", are but the shadow of a much greater problem, the moral and spiritual debacle that has hit America. Unless we solve it through OBEDIENCE to God, we will be destroyed. The Word of God has so declared. (See Deut. 28:22,33, 44, 48, 63).

The major effort in the protection of our God-given freedoms should come from Christians, for we have by far, the most to lose if the enemy is successful. But it is difficult to expect this from the "twinky-marshmallow" Christians who attend most of our churches, since they have been inculcated with un-scriptural teaching that as Christians they must "turn the other cheek to evil and evil men." That it is un-Christian to "cause ripples in the community pond". So never be controversial.

What can we expect from a Christian man or woman who has been taught the un-scriptural message that "You really don't have to worry you know, if you're saved. Jesus is coming back to rapture you out of this mess before it gets too bad". (Nothing of course is said about the fact that the mess we are in was caused by Christian apathy). Talk about being "wrapped up in a sheet of self-righteousness", it's more like being "wrapped up in a shroud". Yet this un-scriptural teaching has neutralized millions of men and women who would have been potential "soldiers for the King".

Why do most Christian ministers shy away from preaching the whole truth? I believe it's because this truth "scares hell out of them"! It doesn't encourage large crowds at Sunday service, or much money in the collection plate.

In the sixteen years that I have been in Christian Identity, exposing the enemy who seeks to destroy us, not one of the Baptist ministers in Mississippi who used to be my friends, but now consider me to be a "reprobate", have ever had the courage to try and show me where I was wrong. This should tell you something about the message they preach!

If you were driving down a hack road on a dark night and saw a sign which said DANGER - DETOUR - BRIDGE OUT! would you stop and throw rocks at the sign and drive ahead to your destruction? Not if you were an intelligent man. Or if you had a watch dog who barked when a burglar tried to break into your house, would you take your gun, shoot the dog, and go back to sleep? Millions of good people in America are doing just that? God did not put me here to be a PERSUADER. That is the task of the Holy Spirit. But for some reason that I can't understand, and that many times I have questioned, He made me a WATCHMAN, a most unpleasant task. I don't like it! But my job is to warn my people when I see danger approaching, and when I have done this to the best of my ability, it then immediately becomes a personal matter between God and the person who has been warned, and they will have to answer to God for what they have done with the truth. I believe this is one reason they don't like to listen to it!

Where can we expect to go as Americans if this present trend continues unopposed? Will we
supinely allow the imposition of a National Police State as part of the New World Order, and allow ourselves to come under the draconian rule of the Talmudists? Has this New World Order already been established while American Christians have been asleep? Is this order directing the present Clinton Administration and most of our government. Is it true what the "extremists" of the right say, that we are an Occupied Nation?

If not, can you explain the meaning of the thousands of unmarked military vehicles which have suddenly appeared on America's roads and which our government refuses to explain? How do you explain hundreds of white painted military vehicles, with UN markings, stored in a compound thirty miles north of here. The compound is marked NO ADMITTANCE, U.S. CUSTOMS PROPERTY!

Why were American marines, and more recently American policeman asked whether they would be willing to "fire on Americans" if they resisted gun confiscation? Why have closed military bases in the United States been turned over to the United Nations, and are now housing foreign troops? (One of the largest is at Ft. Polk, Louisiana, where they fly the spider flag of the U.N. over an American military base).

Why have American troops and foreign military been training together in "house to house, search and seizure" tactics. This is a most un-military activity.

Why have numerous detention centers been established throughout the country? Who will occupy them?

Why does the government and the media try and create the impression that Christian Patriots, those who "home school their children; who are pro-life; who own guns and defend the Second Amendment; who read and study the Bible; who are suspicious of the motives of big government", are "terrorists or extremists" who are a threat to the safety of the nation? Ask your U.S. Senator and see what kind of an answer, if any that you get.

Are the present "gun control" laws pending in Congress the beginning of a move to totally disarm the American people. This will have to take place, you know, before the enemy can totally control us and establish his New World Order.

Ask yourselves these further questions:

1. - Why is the U.S. military being trained for police enforcement and civilian control, in direct violation of the Constitution and U.S. law?

2. - Why has illegal and unconstitutional search and seizure been made lawful by the Congress and the courts?

3. - Why are local law enforcement personnel being "federalized"?

4. - Why are SWAT teams needed by the Post Office, Park Service, Forest Service, Fish and Game Commission, and nearly every state and federal agency? Is it not for control?

5. - What is the MJTF (Multi-Jurisdictional Task Force) if it is not for the control and enslavement of the American people?

6. - Are Americans willing to consider the facts and accept the truth, or will they shrug them off as "paranoid delusions of the Patriotic Right?"

7. - Why, for the past fifty years, have all our presidents, whether Democratic or Republican, worked to strengthen the United Nations and numerous international agencies, while they have deliberately weakened our national sovereignty by giving away our natural resources?
8. - What will the New World Order mean for Americans, especially those who call themselves Christian?

Are Americans too stupid, lazy, or pre-occupied with nonsense to observe what is happening and recognize the danger. It has never ceased to amaze me, how 85,000 screaming Americans, will jam a sports arena in the fall, and pay high ticket prices, to sit in sub-freezing weather and watch twenty-two overgrown boys hammer themselves into the turf. It is problematical, that you could get 500 out of that crowd, to attend a meeting in a comfort-able hall, at no cost, to discuss ways to save this country. Most of our people have completely lost their sense of priority. Of course this is exactly what the enemy predicted would happen.

In Protocol VIII of the PROTOCOLS OF THE LEARNED ELDERS OF ZION, which the Jews and their Judeo-Christian supporters claim is a "counterfeit", it says: "We have fooled, bemused, and corrupted the youth of the goyim (Yiddish for "non-Jew animal") by rearing them in the principles and theories which we know are false, although it is by us that they have been inoculated". Fake they may be, but the enemy are following them like a blueprint. The subversion of our youth can be seen on every hand, and no more so than in the field of Public Education. This has been caused to a great extent by the teaching of Secular Humanism, which are Jewish principles in disguise. This "cult" has been defined by the Supreme Court as a religion. Yet it has been allowed to pollute the school system, while Christian principles have slowly been eradicated. Of course the teaching of Sex Education has become an integral part of this education and teen age pregnancies, and teen aged venereal diseases have skyrocketed as a result.

A few years ago, I remember seeing a First Graders handbook authored by the Jewish child psychologist Paul Braudwein. The first paragraph read something like this: "Your first and most important task as a teacher, is to tear down the erroneous ideas the child has learned in his home and church. When this is done, you can begin to form the foundation for the International child of the future". An entire generation has been inculcated with these heathen ideas, and we wonder why our youth act as they do?

American educators have publicly admitted that they are more interested in "people control," through behavioral manipulation, than in educating them. This can be seen by reading most any of the professional education magazines. Sidney Harris, a liberal news commentator recently wrote: "The biggest con artists in America are the behavioral scientists on our university campuses, who are devising all these innovative programs for the schools. They honestly believe that only they know what ideal behavior is". (By the way, most of them are Jews, carrying out the ideals of the PROTOCOLS).

Another interesting Protocol is number XIII - "In order to distract people who may be too troublesome from discussions of questions of the political... In order that the masses themselves may not guess what we are about. We will further distract them with amusements, games, past-times, passions, people's palaces (whore houses)... Soon we will begin to propose competition in art, in sports of all kinds ... these interests will distract their minds from questions in which we would find ourselves compelled to oppose them."

Think about this a moment. Put aside the idea that this may be a "fake document" and see what is actually happening.

Today, it is not unusual to see the American public pay $25-million to see two men beat each other up in the boxing ring. Have you ever watched the obsession of Americans, especially the women, at a professional wrestling match? It becomes nauseating!

When we reach the ridiculous point where we pay a young Black, or White, (the skin color doesn't really matter here), millions a year to play basketball, football, or baseball sphen thousands of his own people in this country go to bed hungry, can't you see something wrong?

How can you look at a crime corrupt bankrupt city like New Orleans, which will spend $100-
million on a heathen holiday called Mardi Gras and not know that our system of morals is sadly lacking.

Henry Ford, the great industrialist, who was one of the few business men who ever had the courage to speak out against Zionist influence in America, said back in 1922: "To begin with, the Jews are not sports men. This is not set down as a complaint against them, merely an analysis... And yet the bane of American sports is a certain type of Jew. not as a participant, but as an exploiter and corrupter... The entire story of wrestling is not in the demoralization of the sport, but the wholesale defrauding of the public. (How any intelligent person can watch professional wrestling and not see this fraud is beyond me. With the advent of TV, it has expanded beyond anything Henry Ford ever dreamed of). The same is true of horse racing. The whole atmosphere of the sport is dishonest. The horses are the only well-bred creatures connected with it.

"The Jews saw in sports, money, while the sportsman saw fun and skill. The Jew set out to capitalize rivalry and to commercialize contestant zeal. If the Jews of America are ashamed of this, they should repudiate those Jews who have been instrumental in corrupting and destroying our cleanest and most manly sports".

Why this emphasis on sports? First, they can make a great deal of money with very little personal effort. But more important, it occupies the minds of Americans, and keeps it off the problems which are destroying the country. Along with "loss of perspective, we have lost our sense of priorities".

But this message wasn't about the Protocols, although they do fit into the plan. Has the average decent American become so "brainwashed" by the media to even care what happens?

Will the uninformed and unconcerned care when they are done away as part of the Global 2000 Program of the United Nations, to reduce the world population by 6-billion people by the year 2000? That's only five years away. The only way this can be done is by war, disease, systematic starvation, and deliberate execution of undesirables. Will you and your family be considered as an undesirable because of what you believe?

Do you "liberals" and "wimps" who may read this pamphlet realize that you will be liquidated along with the Christian Patriots? Only you will be easier for them to handle.

When millions of decent Americans are taken away by the commissars to be liquidated, or placed in detention centers, it will be too late to wake up and listen to these warnings. You may not like to hear them, and may think they are the ranting of an "extremist," but supposing I am right. What will you do then? Don't expect God to step in and help you, when you refuse to take a stand for Him now. By this I mean do more than go to church and "fizz" for an hour on Sunday. Don't be an Alka Seltzer Christian!

In Matt. 24:39, Jesus Christ was speaking about the time of Noah, before the Great Flood. Noah had preached to those folks for 120 years, warning them to "get right with God". People laughed at him and called him an "old Bible thumping fogy." Jesus said, "And they did not understand, until the flood came, and swept them all away".

Is this going to happen to you, because you wouldn't listen to what God's Word says? You will have no excuse because your pastor didn't preach the whole truth," for you have the Word and can find our for yourself, if you are willing to do a bit of study. How many times have you gone home after listening to sermon, and checked to see if your pastor was telling the truth? Or do you accept everything he says, just because he is your pastor?

In the midst of all this chaos and confusion, with "men's hearts failing them from fear, as they see what is happening," (Luke 21:26). We do have a FORMULA FOR SURVIVAL which will work. We can be certain of this because God said it would! It is found in 2 Chronicles 7:14, and is a favorite verse of many Christians. The problem is, they only give it "lip service". It says: "If My people, which are called by My Name (Christian), will humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I HEAR from heaven and will FORGIVE their sin,
and will HEAL their land". (Emphasis mine).

This is God's plan, which will work, if we are willing to put it into operation. But we cannot become like the persons spoken of in Isaiah 29:13, 14 - "Forasmuch as this people draw near Me with their mouth, and with their lips do honour Me, but have removed their hearts far from Me, and their fear (respect) towards Me is taught by the precept (doctrine) of men: Therefore, behold, I will proceed to do a marvelous work among this people, even a marvelous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid".

This is what has happened in America, as it did in ancient Israel. Our wise men are those Paul spoke about in 2 Tim. 3:7, "Ever learning, but never able to come to an understanding of the truth". While the D. D. behind many pastor's name, should stand for "dumb dog", rather than Doctor of Divinity. (See Isa. 56:10, 11).

For this formula to work, we must give up "doing our own thing", to OBEY God. He MUST BE FIRST IN OUR LIVES, for OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY!

The time is very late! What will you do about it?

The End
In recent months a great deal of "heat with very little light" has been generated by two issues which are splitting Christian Identity.

At one time the major controversy seemed to be over the TWO SEED DOCTRINE. But today, the major dissension is being spread by those who debate two issues:

(1) What are the proper names to use when discussing GOD and JESUS CHRIST. Some insist we MUST use the old Hebrew names of YAHWEH and YASHUAH, with their many different spellings. My contention has been that since we speak and write in English, and Israel was to have a new language in the closing out days of this age, therefore we should use terms that the majority of our White Israelite people understand. Little is accomplished when we speak to people about YAHWEH and YASHUAH, if they do not know who we are speaking about.

I have noticed that all of Israel's great spiritual revivals, at least in modern times, have come under the teaching that uses the Angelcized names of God and Jesus. It does not seem logical to me, that the Almighty Creator of the universe, whatever term you want to use when addressing Him, would bless the use of names which were abhorrent (according to the Holy Name folks) to Him.

I will not make further comments on these names in this pamphlet, as my purpose is not to discuss God's names, but rather the recent pressure placed on Christian Identity people, to worship on the Jewish Sabbath, rather than the Christian Sunday. My personal opinion is that we are seeing another attempt to Judaize the Christian faith, much as was attempted by the Judaizers in the First Century AD. They have already gone far in this direction in the Judeo-Christian churches of the land.

Much of what I am about to use in this article, comes from my Israel mentor, Dr. Howard Rand, of Destiny Publishers (now deceased) who as far as I am concerned was without peer as an Israel Identity scholar and teacher. If you are honest in your evaluation of the scriptural arguments given by Dr. Rand, I believe you will see the "bankruptcy of the Sabbatarian" contention that observance of the Sunday Sabbath violates the 4th Commandant (Exodus 20:8-11). "Remember the sabbath day and keep it holy. Six days shalt thou labor and do all thy work; But the seventh day is the sabbath (Hebrew word meaning: "intermission") of the Lord thy God; in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy man-servant, or thy maidservant, nor thy stranger (Hebrew "sojourner") that is in thy gates: For in six days the Lord made the heaven and the earth, the sea, and all that is them in, and rested the seventh day: wherefore the Lord blessed the Sabbath day, and hallowed it'. (Heb. "quaddash" meaning: "to consecrate; dedicate sanctify").

In the introduction to his pamphlet THE LORD'S DAY - THE CHRISTIAN SABBATH, Dr. Rand says: "It is confirmed that the week of Joshua's long day was a period of 168 hours, that is seven days x 24 hours, therefore completing a week according to hourly reckonings. The first day of the week following would therefore become the seventh computed by sunsets in an even order of weeks unbroken from Eden.

"It is also evident that if Eden's geographical site could be located, with the succeeding days of the week unbroken, moving east or west from that site would place the traveler out of step with the order of days at the point of departure.

"The entire concept of the Sabbatarians collapses when the Fourth Commandment is correctly analyzed and its meaning and required observance fully recognized. They either imply, or actually add three words to this verse to sustain their position, words which would abrogate correctly the
observing requirements of the Fourth Commandment. The words were "OF THE WEEK", which are not found in any translation of the Bible, and were never given as instructions for complying with the terms of this Commandment.

"This mutilation of the Law of the Lord, is a serious offense, as well as a contributing factor in today's increasing Sabbath desecration. It would be well for these folks to heed Solomon's advice in Proverbs 30:6 - "Add thou not unto His (God's) words, lest He reprove thee, and thou be found a liar." (UNQ.)

It will be my purpose, with Dr. Rand's help, to substantiate evidence that Sunday, now known as the Lord's Day, should be nationally designated and kept as the Israelite Sabbath and be so observed. It will only be by obedience to this commandment that our true Israel people, who are not Jews, will receive God's promised blessings.

There is every reason for us to believe that from the very beginning of time, before the worlds were formed, our God in His omniscience, knew what would happen throughout all ages. (This is the meaning of the word "omniscience: which comes from a Latin word meaning: "having infinite (all) knowledge; knowing all things").

Before the worlds were formed, God had sent the times and seasons in which ordained events in history would take place. He numbered the souls of all mankind born since Adam and until that number is fulfilled, fire dead will not live again. God timed His historical clock, so that the universe would be in synchronization with important historical events. This is something our finite minds cannot comprehend.

The very idea is so vast and complicated that we turn away from the thought that before Jesus rose from the garden tomb of Joseph of Airmathea, God had moved to memorialize that day in what the Christian world now calls Easter.

But because it coincides with a pagan holiday, and the anti-Christ's of Judaism have turned it into a commercial rather than a Christian day, it does not change the fact that the resurrection of our King was the most important day in all history. For without the resurrection, Christ's death on the cross would be meaningless and as the Apostle Paul said in 1 Cor. 15:19-20 - "If in this life only we have hope in Christ, we are of all men most miserable. But now (thank God!) is Christ risen from the dead and become the first fruits of them that sleep". (Vs. 22) "For as in Adam (the fleshly man) all die, even so in Christ (the spiritual man) shall all be made alive".

God brought that resurrection day into harmony and synchronization with the sabbatical count and the order of sevens, and by His Holy Spirit, sanctified this day as the Sabbath of the Christian world.

Let me give you a few examples taken from Dr. Rand's pamphlet to demonstrate the perfectness of God's foreknowledge.

(Isa. 40:12) - "Who hath measured the waters in the hollow of His hand, and meted (measured) out the heaven with the span (spread of his fingers), and comprehended the dust of the earth in a measure, and weighed the mountains in scales, and the hills in balances". In other words, everything God did in creation according to the scientific laws of nature, what we often refer to as "natural law".

The Psalmist David, as he marveled at the glories of God's creation was moved to pen the words: "The heavens declare the glory of God, and the firmament sheweth His handiwork. Day unto day uttereth speech; and night unto night sheweth knowledge". (Psalm 19:1-2)

There is no excuse for a man or woman to be an "atheist". The Apostle Paul in Romans 1:21, 22 says that the reason they do is "... when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened, professing themselves to be wise, they became fools".
It is difficult for the most brilliant mind to comprehend that all the heavenly bodies move according to fire Divine plan and purpose of God and that there is a definite life span which has been set up by the Creator for both the heavens and the earth.

Isaiah tells us that the hosts of the heavens (the heavenly bodies) shall be dissolved, and the heavens be rolled back as a scroll ( Isa. 34:4). This will occur when God vents His wrath upon the armies of the anti-Christ and it will result in a great slaughter, ( Isa. 34:2-3). The Apostle Peter speaks about this in 2 Peter 3:10, and the Apostle John confirms it in Rev. 6:14.

The schedule for these events were set in motion before the world was created or Adam was formed, and are known only to God.

God's wrath, according to His prophets was reserved against the wicked and designated as the "day of the Lord". We have now reached the "times and seasons" in which this will shortly come to pass.

Let us look in detail into the recorded event in Israel's history in which events occurred that were set in motion thousands of years before they happened. I am referring to the incident recorded in Joshua 10:11 which has become known in the Christian world as "Joshua's long day". This was the day when God cast great stones down from heaven on Israel's enemies, so that more of them died from the hailstones, than from the swords of Israel's armies.

You may say: "What has this to do with Sabbath worship?" Wait and see! This incident took place when a mighty confederation of the Ammorites came against Israel at Gibeon, and Joshua called on God's help to defeat them.

God's answer was to send a mighty astronomical storm against the enemy. Think about this. Think about the exact timing that was necessary, in connection with the movement of the planets, thousands of years before the event took place. When we look at the exactitude of God's plans, it dwarfs anything the human mind has ever conceived. The movement of the stars and planets which allowed this astronomical shower, were planned ages before the event.

This was no ordinary hail, but a shower of meteorite matter, which indicated that the earth's path had been crossed by a celestial visitor, from whom these stories came.

It is even more phenomenal, when we realize that this shower of meteorites fell only on the Ammorites, while the armies of Israel, on the same field, were untouched. It not only killed the enemy, it left Israel untouched.

It also exerted such a tremendous influence on the earth, that this planet "turned over" and produced an unnaturally long day. The Bible records this in Joshua 10:14 - "And there was not a day like that before it or after it".

It is interesting to note that our "space program" is proving that what has been called "myth" in the Bible by many skeptics is true. Harold Hill, President of the Curtis Engine Company in Baltimore, Maryland, and a consultant in the space program relates the following development:

"I think one of the most interesting things God has for us today happened to our astronauts and space scientists at Greenbelt, Maryland. They were checking the position of the sun, moon, and planets in outer space, where they would be 100 years or a thousand years from now. We must know this so we don't send a satellite up and in terms of the life of the satellite and where the planets will be so the whole thing does not bog down.

"They ran the computer measurements back and forth over the centuries and it came to a halt, The computer stopped and picked up a red signal which meant there was something wrong, either with the information fed into it, or with the results as compared to the standards. They called in the service department to check it out and they said: "Everything's perfect!" The IBM head of operations said: 'What's wrong?' "Well," they said, "we found a whole day missing in space in elapsed time." They scratched their heads and could not come up with an answer.

One Christian on the team said: "You know, I remember one time in Sunday School, when the
teacher talked about a day when the sun stood still".

They didn't believe him and said: "Show us!" So he got his Bible and went back into the book of Joshua where they found a pretty ridiculous statement for anyone who had 'common sense' There they found God saying to Joshua 'Fear them not, I have delivered them into your hand; there shall not a man of them stand against thee". (Joshua was concerned at this point for fear that the enemy he had surrounded would be saved if darkness fell.)

"So Joshua asked God to make the sun stand still! That's right! 'The sun stood still and the moon stayed . . . and hasted not to go down about a whole day'. The technicians said: There's our missing day,' and when they checked it out in the computers they found they were close, but not close enough. The elapsed time that was missing in Joshua's day was 23 hours and 20 minutes . . . not a whole day. They read the Bible account again and it said 'about (approximately) a day'. (Joshua 10:12, 13).

"These little words were important, but they were still in trouble because if you cannot account for forty minutes you will be in trouble a thousand years from now. Forty minutes had to be found because it can be multiplied many times over in orbit.

"Well this Christian fellow remembered another place in the Bible where the sun was said to have moved backwards. The space men told him he was out of his mind, but he turned to 2 Kings 20 and read where King Hezekiah on his death bed, was visited by the prophet Isaiah who told him lie was not going to die. Hezekiah didn't believe him and asked for a sign as proof. Isaiah said: "Do you want the sun to go ahead ten degrees on your sun dial? and Hezekiah said: "It's nothing for the sun to go ahead ten degrees, but let the shadow return backward ten degrees", Isaiah spoke to the Lord about it, and God brought the shadow tell degrees backwards. Read about it in 2 Kings 20:10-15.

"Ten degrees is exactly 40 minutes! Twenty-three hours and twenty minutes in Joshua, plus the forty minutes in 2 Kings make the missing twenty-four hours the space travelers had to log in the log book as the missing day in the universe! Isn't it amazing? Our Lord rubbed their nose in the truth!

Another mighty historical event which began before the earth was formed, was God's redemptive plan for mankind. Do you really believe that God, at the beginning of time, neglected to provide the physical details necessary for this mighty event to take place on the specific day it did? I think not! Did God fail in His plans to have His Son's day of resurrection fall on a certain day of the week, and then make sure that His Son's followers, known as Christians, would worship on the day which would violate the Sabbatical timing? Of course not! We know this could not be true and I will prove it in this message.

Before we proceed farther, let me state that I believe the 4th Commandment MUST be observed and kept, but so MUST all the laws of God contained in the Commandments, Statutes and Judgments. But not as some in Identity and the Sabbatical Movement teach. As I am writing, I have before me a pamphlet put out by a well known figure in Identity circles, who boastingly says: "We (his special group) observe all the 759 Biblical Common Laws as our way of life. If the priests and ministers were practicing the Law themselves, they would be teaching the Law and its penalties and benefits. Instead they teach grace, religious philosophy and crime, all in the name of Jesus, as He foretold in Matt. 24:4, 5.

But this is not what Jesus was teaching in Matthew 24:4, 5. This passage has to do with Christians being deceived by those who claim to be Christ. It has absolutely nothing to do with keeping the Law. If I was a betting man, I'd wager a large sum, that this man and his followers cannot possibly keep the 759 Biblical Common Laws. They were an albatross around the necks of our forefathers in Israel. The Apostle Peter knew this, when he declared to the Jerusalem Council in Acts 15:10 - "Now therefore why tempt ye God, to put a yoke (Gk "zugos" meaning: "servitude; a law or obligation") upon the neck of the disciples, which neither our fathers nor we were able to bear?"

Peter was rebuffing the Judaizers in the early church because they said a man had to be converted to
Judaism and he physically circumcised before he could be saved. Jesus had referred to this same thing when He criticized the Pharisees in Matt. 23:4, saying: "For they bind heavy burdens and grievances to be borne, and lay them on men's shoulders: but they themselves will not move them with one of their fingers".

The Apostle James, who evidently was the Presiding Officer at this Conference went on to state that they were not to trouble the Gentiles (the thistilized Israel tribes who had lost their identity and resided in this area") which had been called out of the nations and been called to God.

He sent a delegation made up of Judas (not Iscariot) and Silas, men who had put their life on the line for Jesus, with a message to the Gentilized Israelite Christians, in which he said: "For it seemed good to the Holy Spirit, and to us, to lay upon you no greater burden than these necessary things", and he went on to enumerate them. They certainly were not 759 Laws.

I believe that Christians have been relieved of many of these 759 "nit-picking" laws, which had been used by the Pharisees to control our forefathers. (Remember, that the Pharisees at this time were mostly Edomites. John 8:33).

These were the ceremonial laws on how pots and pans must be washed, or how far a man could walk on the Sabbath If we followed these laws today, very few of us could travel far enough to get to church, and I'm sure no one today carries a shovel around with them, to cover their body waste. (This was one of the Israelite requirements).

Jesus showed His disregard for these "man-made" laws when He ate food without first ceremoniously washing his hands, (Matt. 15:2, 3, 8, 9), or when he allowed His disciples to shell grain with their hands and eat it on the Sabbath Day. The Pharisees looked on this as a sin. But as Jesus told them regarding tithing, in Matt. 23:23 "... for ye pay tithes . . . and have omitted the weightier matters of the law, judgment, mercy, faith: these ought ye to have done, and not leave the other undone". In Mark 2:27, he reminded the Pharisees that the "Sabbath was made for man, and not man for the Sabbath'. (Unfortunately this verse is much misused.)

Dr. Rand maintained, and I agree, that contrary to the Sabbatarian opposition, Christian worship on Sunday, has been programmed by God, from the very beginning, as the "Lord's special day". Worshipping on that day is NOT a violation of the 4th commandment no matter what men say to the contrary.

The following historical facts destroy the basis for the Sabbatarian argument that it was the Catholic church who turned Sunday into the Christian sabbath. They tell us that prior to the time of Constantine, (306-377 AD.) the first day of the week was not kept as a day of worship by the Christian "eclesia".

Justin, surnamed the Martyr, was born at Flavius Neapolis in Sarnaria. His father was a heathen. Justine's martyrdom is supposed to have taken place between 145 and 165 AD.,which was at least a 150 years prior to the time of Constantine. He was the first known Christian Apologist which according to Webster's Dictionary is "a person who writes and speaks in defense or justification of a doctrine, faith, action, etc."

Justin wrote his famous APOLOGY FOR THE CHRISTIANS in AD. 140. This was 164 years prior to the rule of Constantine. In this work, the learned Christian leader plainly sets forth the fact that Sunday was the Christian Sabbath. He wrote: "On Sunday we held our joint meeting, for the first day is that on which having removed darkness and made the world, Jesus Christ rose from the dead". (This statement can be found on p.98, of Justin's second volume of APOLOGY).

This testimony proves that the early Christian church held their Sabbath observance on Sunday, in remembrance of Christ's resurrection from the dead. It is therefore false to say that Constantine instituted it.

The Apostle John, died in AD. 100, so it was within forty years of his death, that Christians
worshiped on Sunday, for Justin speaks of Sunday worship as being an established custom at that time. If this were true, then Sunday worship could very possibly have been held while John was still alive, and may account for his reference in Rev. 1:10, when he says: "I was in the Spirit on the Lord's Day (Sunday).

Did Jesus Himself institute Sunday as the Christian day of worship? The Sabbatarians say that Sunday was the day when the heathen worshiped the sun. But as a matter of fact, Saturday was the day the heathen worshiped SATUR; Hebrew STUR, Babylonian Satur, Roman Saturn and Saxon Swithin, all these were local variations of the name SATAN.

Why should Christians relinquish the Christian Sabbath on Sunday, the "Lord's Day", the day on which our Savior rose from the grave, in favor of the Jewish Sabbath on Saturday, which is the "day of Satan".

When Jesus stated that the Jewish leaders were "of their father the devil", (John 8:44), their refusal to change their day of worship to conform to the day of His resurrection makes them worship on Satan's day. (Using their own argument against them).

It is true, flint much later, the Roman-Catholic church confirmed the Christian sabbath as being on Sunday, but they were merely sanctioning an already firmly established day.

Of course, the Adversary has cleverly used the endorsement of Sunday by the Catholic church, to generate confusion and dissension among Christian people, who are constantly under bombardment from Jewish myths. This is why Paul warned Titus against"... giving heed to Jewish fables. (Gk - "fiction; myths") and commandments of men, which turn from the truth". In verse 10, the Apostle says that there are many unruly and vain talkers, and SEDUCERS, SPECIALLY THEY OF THE CIRCUMCISION (Jews) . . . teaching things they ought not, for filthy lucre's (money) sake". Yet in spite of repeated warnings against these Jewish seducers, our Israelite people allow them to "subvert whole houses" (vs. 11) and "love to have it so". Or as Jeremiah 5:30-31 says: "A wonderful and horrible thing is committed in the land. The prophets (preachers) prophesy (preach) falsely, and the priests (political leaders) bear rule by their means, and my people love to have it so: and what will ye do in the end thereof?" How can you warn people who want to be fooled by false preaching? It's impossible!

But strange events took place, unknown to Sunday worshipers and Sabbatarians alike, over 1900 years before Jesus was born in Bethlehem of Judea, God caused an astronomical event to occur, so as to remember the days of the week, so that our Saturday actually became the first day, according to a 24 hour day, while Sunday would then become the seventh day according to sunrises and sunsets.

When Jesus fulfilled His earthly mission and was crucified and rose from the dead, the old order, with it's animal sacrifices came to an end. God had provided that when the day of resurrection dawned, it would become the sabbath of His Chosen People, "true Israel" (not the people we now know as Jews).

Sunday was to become the sabbath to all those whose sins came under Christ's blood, through the "new birth" of Jolla 3:3. This in no way violated the 4th Commandment.

Throughout all the world's history there has been no day like the resurrection day. When the angel of God rolled away the stone from the sepulchre of Joseph of Armiathea, and Christ rose triumphal over death, and the Adversary, he became the "first fruit" of all who died in Christ, both before His coming, and after His return to the Father. (One day, those who have "died in Christ," shall hear His voice again, and rise to live with Him).

Do we really need to wonder why God would be moved, thousands of years prior to this glorious event, and so change the order of sunsets and sunrises, that the Day of Resurrection would become seventh day sabbath.
Read again Joshua 10:13, "The sun stood still (remained in place) in the midst of heaven, and hasted not to go down ABOUT A WHOLE DAY". Then 800 years later, God added the extra 40 minutes when he caused the sun to turn back tell degrees on Hezekiah's sun dial (Isaiah 38:8). This added a complete 24-hour day to the existing calendar.

That week became a very special week, for it had only six sunrises and six sunsets, and the "long day" was recognized in the Hebrew calendar as two days. That week therefore had seven 24 hour periods, with only six sunrises and sunsets.

As a result, the first day of the following week would be the seventh day, when reckoned by sunsets which was the scriptural method, as the new day always began at sunset.

On the day of the crucifixion, according to Jewish law (John 19:31) the bodies had to be removed from their crosses before sunset, for the setting sun marked the beginning of the Pascal week and was a sabbath. It was on Friday, not Saturday and it was after the sabbaths (plural in the Greek), that Mary came to the empty tomb (see Matt. 28:1; Mark 15:42; 16:1; John 19:31; 20:1).

God in His wisdom so restricted the circumference of this earth, that it is impossible to divide it into seven weekday periods. Thus if two men from any given point on earth, began to circle it in opposite directions, both worshiping on Saturday, they would discover on meeting that their sabbaths no longer synchronized. Which one of them would be worshiping on the correct day? But our God, being a God of order, not confusion, took the guesswork out of the process.

Did God so program the size of this earth (and we know He planned it) to make it difficult for people like the Sabbatarians to criticize Christians from worshiping on Sunday?

Two Sabbatarians, standing on opposite sides of the International Date Line, would be observing different days. One to his horror, would be worshiping on the Christian Sunday. This emphasizes the absurdity of those Saturday worshipers who charge Christian Sunday worshipers with violation of the Law.

There is little doubt in my mind that many of the problems we now have in Christendom, and in America and Canada in particular, are caused because we have failed to keep God's sabbath. Many who claim Christ as Savior, use this day (whether it is Saturday or Sunday) to pleasure themselves, or do chores around the house such as washing the car, or mowing the lawn. This is breaking the 4th Commandment. Others go to a ball game rather than church, while others go to the beach or fishing. It reminds me of a story my grandfather used to tell, about these two Sunday worshipers who went fishing on Sunday morning. They were out on the lake when a bad storm came up, forcing them to row to land. As they moved through the rain and mounting waves, they heard a church bell in the distance and one of them said: "I might as well have gone to church with my wife". To which the other self-righteously replied: "Well, I couldn't have gone anyway, because my wife is sick!" That's the kind of stupid excuses men use!

God gave Christians a guide to follow in Isaiah 58:13-14. (Now I realize that many so-called Christians boast about being New Testament Christians, who don't have to obey the old laws), but these words from Isaiah were written for both Old and New Covenant believers: "If thou turn away thy foot from the sabbath, from doing they pleasure on my holy day; and call the sabbath a delight, the holy of the Lord, honorable: and shall honor Him, not doing thine own pleasure, nor speaking thine own words: Then shall thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob (Israel) thy fat her: for the mouth of the Lord bath spoken it".

I remember as a boy on the farm in Central Michigan, how mother would not bake on Sunday. She always made preparation for Sunday dinner ahead of time, so there would be the minimum of work on the Lord's Day. While other so-called Christian farmers in the neighborhood would often harvest their hay on Sunday to keep it from getting rained on, dad never would, and he rotated his crops in accordance with scriptural laws. Sunday in our home was a day dedicated to the Lord. We went to
Sunday school and church traveling 4 miles in the worst of weather, even when it took a team and a sleigh to make it through the hip deep snowdrifts. Then it was back again at night for church, and Wednesday for Prayer Meeting. It took some startling event, such as a death in the immediate family, before this routine was broken. We children were not allowed to play ball, go hunting, fishing or swimming on Sunday. It was a day dedicated to God. It was a day of meditation and rest.

Today, few Christians, Sunday worshipers or Sabbatarians, keep the sabbath holy. Instead of it being a day dedicated to God, it has become a day to please one's self. This, believe, is where the sin conies in. Anytime we place anything before God, that thing becomes an idol to us and we have broken the First Commandment. I don't believe for a moment that God expects Christians to adhere to the old Levitical ordinances which restricted a man from traveling more than 5/8th of a mile on the sabbath. (If this were true, few of us would ever make it to church). But God does expect us to put Him first in our lives, and the "rest part" is an absolute necessity in the hurry and pressure of modern living.

The Christian sabbath is a weekly reminder of what our Savior did for us, and that all who put their trust in Him, will one day live again. This should be a sustaining element in our lives during these days of increasing tribulation against Christian Patriots.

It might be well to caution those who belittle the observance of the Christian sabbath, to take heed lest they come under condemnation for opposing that which the Father programmed thousands of years ago. You will have to make the decision on which day to worship, I can't do it for you.

It appears to me as though this move to "downgrade" Sunday worship is an attempt to Judaize the Christian church, by the same people who attempted to do this to the First Century church and force the early Christians into following Jewish practices. It is interesting to note that within Israel Identity circles, much of this Sabbatarian teaching comes from such groups as the ASSEMBLY OF YAHWEH, in Pennsylvania, whose leader, Jacob Meyer, is a Jew. They have even promoted a translation of the Bible, to serve their own purposes.

As Christendom entered the Eighteenth Century, the seeds of this "great apostasy" began to sprout, as Higher Criticism took root, coining for the most part from German-Jewish infiltration of German seminaries, which overflowed into Canada and the United States.

So-called Bible scholars began to question die historical accuracy of the Bible, and this increased over the years, until today, iii 1993, there is a group of eminent scholars (?) who agree that the words of Jesus, as written in the Gospels never occurred, but are the figment of the writers imagination. Thus in many modern Bible translations, the Virgin Mary, spoken of in Isaiah 7:14, has become merely a "young woman" effectively discrediting Christ's miraculous birth. Thus the "Virgin shall conceive" of the King James Version has been changed in the ABPS (American Baptist Publication Society) to read; "behold a young woman shall conceive and bear a son . . ."

What's so miraculous about that, it's an every day occurrence? Or the NEW (New English Bible) which says: "A young woman is with child . . ." or the J. B. Phillips translation which says: "See, a maiden shall conceive . . .:" or the Jerusalem Bible which says: "It is this: the maiden is with child and will soon give birth . . ." All of these can easily be seen as methods to downgrade Christ's miraculous conception by the Holy Spirit.

The Adversary is not satisfied with bringing into question the correctness of the scriptures, he also wants to cause dissension in the church. This unfortunately has been allowed in Identity circles and is one of the reasons this tract is being written.

It is evident from Christ's own words, that he did not accept the religion of Judaism as His own. In John 5:16, when the Pharisees bragged to Him about how they followed the teachings of Moses, Christ refuted them by saying: "If ye had believed Moses, ye would have believed Me; for he wrote of Me". Again, plain and to the point!

The Ebionites, whom Paul denounced, taught that Gentiles, (the word is never found in the singular;
and here they were referring to the Gentilized Israelites who had lost their identity in captivity, see Hosea 1:10 - "... and it shall come to pass, that in the place where it is said unto them [true Israel] ye are not my people [they were called Gentiles], there it shall be said unto them, ye are the sons of the living God". [Christians], in order to become Christians, had to first convert to Judaism and be circumcised. We have already discussed the early church's reaction to this.

The present trend towards Jewish assertiveness can be seen in the Judeo-Christian church, and even among some in Christian Identity and is aggravated by the timidity of the Christian pulpit to speak the whole counsel of God, and to the Jewish boast that Christianity came from Jewish sources. (For a complete scriptural refutation of this argument, read my new book THANK GOD MY SAVIOR WAS NOT A JEW!)

With the exception of the Greek Christians, who were mostly Israelites to begin with, the early church was hindered by its Judaistic background. Not that it was Jewish by religion, but because people taught them, as now that Jesus was a Jew. They often failed to detach Christ completely from the Cabalist religion of Judaism. The early church, like that of today, was in very real danger of being smothered or absorbed by the Judaizers who had very cleverly infiltrated the church. The Apostle Paul was very well aware of this when he warned Titus in (1:10) about the "many unruly and vain talkers, especially among those of the CIRCUMCISION (Jews) whose mouths had to be stopped, because they were subverting whole families for the money they could make out of it." Little has changed in the Judeo-Christian churches of today. Look at your TV evangelists like Jinirny Swaggart, Pat Robertson, Jerry Falwell, Billy Graham, Jack Van Impe, etc., all of whom are Christian Zionists (if there can be such a creature) who subvert the truth "for filthy lucre's (money's) sake". They back the anti-Christ's, because it keeps them on the airwaves.

When the Pilgrim Fathers landed in America, Sunday, as the "Lord's Day" was strictly observed and throughout our American history, until the middle of the Nineteenth Century, by consent of legislative enactment, Sunday was universally acknowledged as the Christian sabbath. Business transactions were not valid on that day, and secular work, was not allowed by both Christians and non-Christians.

But when the Second Coming of Christ failed to materialize in 1844, as had been prophesied by Ella G. White, a new organization called the SEVENTH DAY ADVENT was formed. It began in 1855, and became an official church in 1860, with Mrs. White as the head. (This in itself was against scriptural law).

Ella White was considered to be a prophet and special messenger from God by her group, and her writings became their textbook, often superceding the Bible, as is the case with Mormonism.

In June 1894, C. A. L. Totten, a well known Christian scholar stated: "Saturday, not Sunday, must be observed as the sabbath. This is the present phase of an old piece of Pharisaism".

Mrs. White added her official voice in the destruction of Sunday as the Christian day of worship and her denomination has carried on iii her footsteps ever since, adding immeasurably to the dissension that Satan has caused in Christian ranks, and causing friction which is no doubt greatly pleasing to the Adversary.

We must remember that Satan, the Adversary, will often use good Christians, who fail to be strictly on their guard to further his nefarious programs.

Dr. Rand says: "In order to be correctly in step with the sabbatical order of the days of the week with that of Eden, it would be necessary for us to pinpoint the longitude where Eden was located". Of course, no one has ever come up with this precise information, although many have guessed at it.

We know that the topography of the antediluvian world was drastically changed by the Deluge of Noah's day, and that the site of Eden is still unknown. When one moves towards the east or west from any point on the globe, each step puts the traveler out of step with the order of days at the point of his departure.
Early travelers and explorers did not have these Time Zones and were unaware of them as they spread over the face of the earth. These were often God fearing men and women who confined their labor to six days, resting on the seventh. They did this regardless of whether it tallied with any special order of days at their point of departure. Nevertheless, they were keeping the 4th Commandment in accordance with God's Word.

Satan, by beguiling the Sabbatarians into trying to reconcile the irreconcilable, are causing "true Israel", the Anglo-Saxon and related peoples, to violate the 4th Commandment, as they depart from observance of the Christian sabbath.

An interesting problem confronts the Sabbatarian who asserts that day begins and ends with sunset. What about the Antarctic regions of this earth? From sunset to sunset at certain times of the year is much more, or much less than 24 hours. But by no means are these days much more or less than 24 hours long.

By no means can days in this region be synchronized with any date from Old Testament history.

The spirit of the law can be kept in these areas by devoting 144 hours, six - 24 hour days to labor, and the following 24 hour period to rest as the sabbath, for this would complete a 168 hour week.

The Anglo-Saxon and kindred people are the House of Israel in the world today and their keeping of the sabbath is a sign between God and His people, (who are not the Jews) through all generations (Ex. 31:13). God's blessings will return to America when we once again elect to enforce the Lord's Day as our Christian sabbath, and obey His commandments.

Before Israel left captivity in Egypt, God instructed Moses and Aaron that the spring month of Nissan should be the first month of their New Year. By doing this, He made provision that the Lamb of God, His Son, would 2,000 years later, die as the sacrificial lamb for the sins of His people Israel. The lamb in the old Hebrew sacrifice (there were no people known as Jews at this time), was to be a male animal without spot or blemish, which was chosen out of the flock on the 10th day of the month and held until the 14th day, when it was sacrificed between the two evenings, between 3 pm. and 6 pm.

Jesus was thirty years old and when He began His earthly ministry. When He reached His 31st year, He became the Lamb of the first year. "He all gel Gabriel had informed the prophet Daniel regarding this hundreds of years previously when he stated in Dan. 9:26 - "After three score and two weeks shall Messiah be cut off, but not for Himself". From the day Jesus was baptized to His crucifixion was 62 weeks or 434 days. He was 31 years old when He was crucified, not 33 as most of us have been taught.

When He began His ministry and went into the synagogue on the sabbath, as noted in Luke 4:17-19, Ne quoted from Isa. 61:1 - which ends with: "To preach the acceptable year of the Lord". This "acceptable year" would be the year devoted to His earthly ministry. Almost without exception, the early church fathers recognized our Lord's ministry as confined to a period of a little over a year.

When Jesus entered Jerusalem on Palm Sunday, it was on the 10th day of the month of Nissan, 011 a Sunday. It was on tills day, that the Jewish high Priest selected Him to be put to death. While the High Priest may not have been all Israelite he was all Edomite), he knew prophesy and in John 18:14 it says: "Now Caiphas was he, which gave counsel to the Jews, that it was expedient for one man to die for the people".

Four days later Jesus was crucified on Thursday, the 14th day of the month. His body had to be off the cross before sunset, for Friday was a High Holy Day of the Jews. He came forth from the tomb, early on Sunday morning, the first day of the week (Mark 16:9).

It was not until after his resurrection that we herd the term "Lord's Day" used among His followers. Always before that, during His ministry, both Jesus and His followers referred to the sabbath.
Adam Clark, recognized as a great Bible scholar, in his commentary states that the Apostle John received his prophesy in Revelation on the "Lord's Day" (Sunday). He said: "The first day of the week, is observed as the Christian sabbath, because on it Jesus Christ rose from the dead: therefore it was called the Lord's Day, and has taken the place of the Jewish sabbath throughout the Christian world". Christian worship on this day has nothing to do with either Constantine or the Roman church.

But in an endeavor to discredit John's designation of Sunday as the Lord's Day, when Jesus rose from the dead, a Sabbatarian wrote: "The expression 'The Lord's Day', in Rev. 1:10 means the same as the 'Day of the Lord' found in many other passages of scripture".

But the falsity of this teaching can be seen in that the context in which this phrase is used is much different. The phrase "Day of the Lord" in most cases in the Bible means the "day of vengeance, of wrath, a time of affliction and war", while the Lord's Day as expressed by John, is the day of Christ's resurrection.

Read carefully Exodus 20:8-11. Notice that the seventh day is not tied to any day of the week, even Saturday, as the Sabbatarians try and make it appear. As worded in this Commandment, it is a 24-hour period, following six days of labor. The words OF THE WEEK, have been added by the Sabbatarians to promote their own belief. As a result, the Christian Sunday sabbath is as much in conformity with the 4th Commandment, as the Jewish sabbath on Saturday.

It is unfortunate indeed, that people who go by the name of Christian, will deliberately twist scripture out of context and out of concurrence with historical facts, in order to make them conform to what they teach.

An example of this can be seen in the book NATIONAL SUNDAY LAW, written in 1983 by Sabbatarian author A. Jan Narcussen and published by AMAZING TRUTH PUBLICATIONS, Homossasa Springs, Florida. On page 35 of this book Marsussen quotes from Catholic Cardinal Gibbons, from a book titled FAITH OF THE FATHERS page 111, he is supposed to have written: "You read the Bible from Genesis to Revelation and you will not find a single line authorizing the sanctification of Sunday. The scriptures enforce the religious observance of Saturday, a day which we (Catholics) never sanctify". This seems like a very strange statement for a Catholic Cardinal to make, in that it discredits his own church.

Then in the following paragraph, Marcussen uses a common argument with the Sabbatarians, that it was the Council of Trent (Roman Catholic) in 1545 AD. which ruled that "tradition is of greater authority than the Bible". This is probably true, but Marcussen makes it appear that this Council and the Roman church set up Sunday as the "day of worship," when in reality the Lord's Day Sunday had been kept for nearly 1500 years at this point, going back to the very earnest Christian ecclesia.

As you read more, you can readily see that this author, as most Sabbatarians, is a Judeo-Christian (a misnomer if there ever was one), and maybe even worse, a Christian Zionist, for on page 36 he states that the Jews who were hated by the Romans, had worshiped on Saturday from the beginning. This is pure, unadulterated falsehood.

He indicates that because Jesus taught in the Jewish synagogue (Luke 4:16), He also worshiped the god of Judaism. Marcussen was very careful not to mention the fact that the synagogues were not only places of Jewish worship, but were community "town halls" where all sorts of subjects, religious and non-religious were discussed. It was the logical place for an itinerant preacher to promote his beliefs.

But anyone who has made a careful study of Jesus and compared His teachings with the filth of Talmudic Judaism, knows that they are "light years" apart. Christianity could not possibly have come from the same roots as anti-Christ Judaism, because they worshiped a different god. (See my new book THANK GOD MY SAVIOR WAS NOT A JEW)

Marcussen claims, without any scriptural or historical proof, that when dedicated Christians in
Rome protested the change from Saturday worship to the Lord's Day, the church (Roman Catholic) leaders sold them the lie that the Emperor Constantine wanted them to worship on Sunday, because it was the day in which Christ had risen from the dead.

In 321 AD. Constantine had passed a law, stating that all work should cease on Sunday, and that it should be a day of worship. This was so the pagan "sun worshipers" and Christians could worship on the same day. But our Sabbatarian apologist did not bother to state that Saturday was also a day of heathen worship, which had been going on for centuries, when men worshiped Satan under different names

On page 37 this author states that Satan pulled off the "hoax of the ages" and fulfilled the prophecy of Daniel concerning the "man of sin" who would "think to change times and laws." The problem is, this "man of sin" commonly called the anti-Christ, has not yet appeared on the historical scene. But Marcussen, in his all knowing wisdom says it must be the Roman Pope.

Marcussen states: 'Satan hates the 4th Commandment which is obviously true!, for it is possible to worship false gods and keep most of the commandments. Many so called Christians are doing that today . They accept Christ as a sort of Fire Insurance Policy to keep them out of hell, and worship Him, not so much because they love Him, as for what they can get from Him. Few of these want to accept Him as Lord and King, for when they do, they must conform to His will and obey Him, yet they refuse to stop "doing their own thing". This accounts for the major weakness in the modern church

Marcussen on page 25 states that the Roman Catholic church was officially established in 538 AD, this was approximately 500 years after the first church was begun on the Day of Pentecost. He says: 
"After Jesus went back to heaven, the early church grew rapidly under the blessing of the Holy Spirit. Jesus predicted the treatment His people were to receive". Then he quoted from Matt.. 24:9, where Jesus told his disciples: They shall deliver you up to be afflicted and shall kill you; and ye shall be hated of all nations for My name's sake", This was literally fulfilled! But the author is careful not to tell us who the THEY of Matthew 24:9 really were. If you study this in its context, you will find it is the same one's Jesus accused of being guilty of "all the righteous blood which had been shed from time of time of Abel", (Luke 11:51). It was the Jews who were behind most of the vicious persecutions of Christians in the first three centuries AD, probably some of the worst was under Nero, who was directed in viciousness against Christians by his Jewish wife. When Rome was set on fire by Jewish radicals during the reign of Nero, it was Christians who were blamed at the urging of this Jewess. He then seals his argument by stating that the early church began to compromise for the sake of popularity and gain, and that one of Satan's devices was to go to Sunday worship. (Which, as I have pointed out, had been going on for many years). It is true, that the Roman church carried on a popularity contest to get the heathen and their wealth into the church, but Sunday worship was not part of it. On page 37 he states: "From time to time great church councils were held and in nearly every one the Sabbath which God had given as a memorial of creation of the world was pressed down while Sunday was exalted. The pagan festival (remember Saturday was also a pagan holiday) finally came to be regarded as the Lord's Day (by Pope Sylvester 31-337 AD.) and the church leaders pronounced the Bible Sabbath a relic of the Jews, and those who honored it, in obedience to the 4th Commandment of God were pronounced "accursed." To rip this commandment right in the center, put in a counterfeit, take away the Bibles, and command the world to accept it this was the king of swindles." Nothing is said about his people who add to God's word by inserting FIRST DAY OF THE WEEK in this verse, to strengthen their false teaching.

I have found over the years, that if a man or woman will "lie by omitting essential facts", they will deliberately lie to strengthen their own position.

He then makes a typical Judeo-Christian statement on page 39: "Keep in mind that our God is kind and fair. Those who are keeping Sunday and breaking God's 4th Commandment ignorantly are not
under condemnation. It's those who know what God commands and wilfully disobey who are committing sin. Satan laid his plot so deep that even some ministers are not aware of this great hoax and Satan and many religious leaders of today are putting forth desperate efforts to keep the facts of this subject hidden".

In all my studies of the Bible, I have never come across a verse which states that "ignorance of the facts, makes a man free from sin".

In his appendix on page 94, under the title: TIME NOT LOST, Marcussen states that the days of the week were named after heathen gods. True! Sunday for the sun god, Saturday for Saturn (Satan). Which has exactly nothing to do with Sunday or Saturday worship.

He then makes a statement which is either through ignorance, or deliberate deception: "Though the calendar is constantly being updated to compensate for the 365 days, 5 hours, 48 min. Then to crown his argument, he quotes from Dr. J. B. Dimbleby, premier chronologist to the British Chronological and Astronomical Association who says: "If men refuse to observe weeks, and the line of time was forgotten the day of the week could be recovered by observing when the transits of the planets, or eclipses of the sun and moon occurred. These great sentinels of the sky keep the seven days inscribed on the inspired page". Well and good! But it seems to me that the good doctor and others like Marcussen, have completely forgotten Joshua's "long day", and Hezekiah's miracle of the "sun dial" which took place centuries before the time of Christ. Is this through ignorance? I sincerely doubt it! If it is deliberate, this makes their sin greater!

When God gave us the illustration of His six days of labor and resting on the seventh day, ne gave no information relative to the weekly order of those days. Were they 24 hour days, or were they in accord with what the Apostle Peter said in 2 Peter 3:8 - "Be not ignorant of this one thing, that one day (presumably a 24 hour one) is with the Lord as a thousand years, and a thousand years as one day".

If this is true and we know it is, God established a principle to be served, not a pattern to be performed. This principle was for man to labor for six days, and rest on the seventh, keeping it holy unto the Lord.

If we as a nation are to escape the evil which is engulfing us, we MUST return once again to Sunday Sabbath worship, along with OBEDIENCE to God's other Laws. FOR OBEDIENCE TO GOD MUST COME BEFORE VICTORY! Marcussen is against the establishment of a National Sunday Law, but I state unequivocally, that in a Christian nation we MUST have a uniform day of worship. It is the responsibility of a Christian government to so establish such a day by law. Until the birth of the present day Sabbatarian apostasy, the Christian nations of this world handled the issue of Sabbath violation quite adequately.

In Jeremiah 17:27, we read where he told the inhabitants of Jerusalem that unless they listened to God and hallowed His sabbath, he would: "kindle a fire in the gates of the cities, and it would devour their palaces" (government buildings), and will not be quenched".

Had God intended His sabbath to be synchronized with the days of the week, He would have written the 4th Commandment to read something like this: "Six days shalt thou labor and do all thy work; But the seventh DAY OF THE WEEK is the sabbath of the Lord thy God". These words, DAY OF THE WEEK have been deliberately placed in this verse to change it's meaning, and let those who change God's Word beware!

God has blessed the observance of the Sunday Lord's Day worship in His Israelite nations of Christendom for hundreds of years. I do not believe this would have been so, if the Christian church had been breaking the 4th Commandment. Why should we go back to the "weak and beggardedly elements" of anti-Christ Judaism, and be led in our observation of the day of worship by the anti-Christ's?
Who Are The Gentiles?
(A Scriptural study into the meaning of the terms "Gentile" and "Israelite")

"A light to lighten the Gentiles, and the glory of Thy people Israel" - (Luke 2:32)

It is generally taught in the Christian churches of America, that the world is divided into three main religious groups - Jews, Gentiles and Christians.

These religious groups teach that anyone who is not a Jew, must belong to one or the other of these remaining groups, and is either a Gentile or a Christian. The modern definition of a "gentile" as given in Webster's New Collegiate Dictionary is: "relating to the nations at large, as distinguished from the Jews."

But here is something important you MUST know, if you are to understand the Bible. The word GENTILE is not used in any of the ancient manuscripts, simply because there was no such word in the Hebrew or Greek languages. The word GENTILE as used in our modern Bible versions, including the "much loved" King James Version, in the Old Testament, always comes from the Hebrew word "goy," (singular) and "goyim", (plural). It is translated five different ways in the Old Testament, according to Strong's Exhaustive Concordance of the Bible; "goy or goyim (singular or plural)", a foreign NATION hence GENTILE; (2) HEATHEN; (3) NATION, and (4) PEOPLE, or ANOTHER."

Notice that the Hebrew word "goy, or goyim," is NEVER translated to mean "non-Jew."

The word "goy" is found in the Old Testament some 557 times. Thirty times it has been translated GENTILE; eleven times as people; 142 times as heathen; 373 times as NATION, and one time as ANOTHR. But not once as "non-Jew."

Let's examine a few specific verses of Scripture in the Old Testament, using the word GENTILE in place of the word NATION, as used by the translators. It should be remembered that the word "goy" or "goyim" was used in every instance in the original Hebrew.

1) - (Genesis 12:2) - "I will make of thee (Abraham) a great GENTILE (nation.) Doesn't make much sense, does it?

2) - (Genesis 17:4, 5) - ". . . and thou (Abraham) shall be a father of many GENTILES (nations), neither shall thy name any more be called Abram; for a father of many GENTILES (nations) have I made thee."

3) - (Genesis 25:23) - "And the Lord said to her (Rebekah the wife of Isaac, the son of Abraham) two GENTILES (nations) are in your womb, and two manner of people shall be separated from your bowels; the one people shall be stronger than the other people; and the elder shall serve the younger."

4) - (Genesis 48:19) - ". . . And his seed (Abraham's descendants) shall become a multitude of GENTILES (nations)."

This kind of translation does not make much sense. But if you will look closely at your King James Version, you will find the translators used the Hebrew word "goy" as NATIONS in one place and as GENTILE in another. Could it be that they were influenced by the Church doctrine of their time, since the word GENTILE never appeared in earlier manuscripts? The King James Version, for instance was written because King James, disliked the footnotes of
the Geneva Bible, which was the Bible of the Reformation fathers.

Now for comparison let us use these same verses as the modern translations would have us use them, with "non-Jew" in the place of "tribe or nation." This should be a clear indication of how the modern translators, beginning with the King James Version, changed the meaning of these verses:

1) - (Genesis 12:2) - "I will make of thee (Abraham a great non-Jew (nation)."

2) - (Genesis 17:4, 5) - ". . . And thou (Abraham) shall be father of many non-Jews . . . for a father of many non-Jews have I made thee." Let me remind you again, that the Hebrew word "goy or goyim", meaning "tribe or nation," is used every time in the original Hebrew.

3) - (Genesis 35:11) - "Two non-Jews are in thy (Rebekah's) womb."

4) - (Genesis 48:19) - "Thy seed (Abraham's) shall become a great multitude of non-Jews." (Of course this prediction is accurate.)

You can see, with a little effort, that the modern translators, using "goy" to mean GENTILE, with it's connotation of meaning "non-Jew" doesn't make very much sense. Yet this is the way most of our preachers translate it.

It is also interesting to a student of grammar, that the Hebrew word "goy" and the five words which are used to translate it into English are all "collective nouns, in Hebrew and as such cannot be used to refer to an individual. These words are HEATHEN; NATION; TRIBE; PEOPLE; or simply, ANOTHER. This means there can be no such individual as a GENTLE, yet I have heard Judeo-Christian preachers brag about how they are a "Gentile saved by grace. This is either intellectual stupidity or dishonesty, take your pick.

Now it is very possible that some who read this pamphlet may be one of those "brainwashed" Christians who will say: "But what you have told us is all from the Old Testament. We are New Testament Christians living in the age of grace and love, and in this age, the word GENTILE does refer to anyone who is not a Jew. My pastor said so!" So let's go to our Bible authority, Strong's Concordance and see how the word GENTILE is defined in New Testament Greek.

If you understand even a little concerning New Testament history, you know that it was written in Greek, not in Latin or English. As a result, we find the English word GENTILE, comes from the Greek word "ethnos," or on a very few occasions "Hellen." The word ETHNOS, which is the most frequent word used means: "race, i.e., tribe, specifically a non-Judean (notice not non-Jew, but non-Judean) tribe, by implication a heathen. Also translated GENTILE, HEATHEN, NATION, OR PEOPLE. No place does it mean "non-Jew."

In a few places where this word has been translated "Hellen", it means "A Hellen (Greek) or inhabitant of Hellas (Greece). A Greek speaking person, especially a non-Jew."

In the New Testament the word ETHNOS occurs 164 times, while the word HELLEN is used but 27 times. Yet in spite of its original meaning, the translators of the King James Version, 1611, used ETHNOS, as GREEK 93 times; as HEATHEN 5 times; as NATIONS 64 times and as PEOPLE, two times. The word HELLEN, as translated from the Greek is GREEK 20 times, and GENTILE 7 times.

Now take a close look at the word ETHNOS and see how it has been translated. Notice two things in particular: (1) The definition in Strong's contains the words: "a race, i.e., a tribe." (2) The words "non-Jew" are italicized which indicates that this is an improper use.
So once again, as we did in the Old Testament, let us look at a few verses and see how the word ETHNOS was used:

(1) - Luke 7:5 - "He (the Roman centurion) loveth our NATION (Ethnos) and hath built us a synagogue." Here the verse has been translated correctly to mean NATION, since the verse and its context refers to the Judean nation which was living in Galilee at this time. There should be no argument about how it is used here.

(2) - John 11:48, the Chief Priests and Pharisees are speaking: "... the Romans shall come and take away our place and our NATION" (Ethnos), again the word ETHNOS has been given its correct meaning. (But notice carefully now, it says absolutely nothing about "Jews, or non-Jews.") It also shows that the word ETHNOS can refer to both JEWISH and NON-JEWISH nations and peoples. It is never specifically used to mean a "non-Jew" and since it is again a "collective noun," it cannot be used to refer to an individual.

(3) - (Acts 24:17), Paul speaking: "I come to bring alms to my NATION (Ethnos)." He was speaking correctly of his Judean nation. (Note that he was a Roman by birth, see Acts 22:25-28). There is only one conclusion we can make and this is that the word ETHNOS, should never be translated to mean "non-Jew."

Let's look at an example of how the word HELLEN was translated to GENTILE in John 7:35. "... will He (Jesus) go to the dispersed among the GENTILES (the word HELLEN was used here), and teach the GENTILE (again HELLEN?)

Since the word HELLEN always refers to Greeks, why did the translators not say: "Will He go to the Greeks and teach the Greeks?" Can you see how translators by changing the original meaning of the word, bring confusion to Bible truths?

Many of our fundamental preachers teach only three classes of people on this earth: (1) Jews, (2) Gentiles, (3) Christians. This understanding comes from their interpretation of 1 Cor. 10:32, which says: "Give none offense, neither to the Jews, nor to the Gentiles, (here the word was HELLEN) nor to the church of God."

Who was Paul writing to? It was obviously the church at Corinth. Corinth was in Greece and three major classes of people lived there - Jews, Greeks, and Christians. If he had been writing to the church at Rome, he would have said: "Give no offense, either to the Judeans, or to the Romans, or to the Christians." To translate HELLEN here as GENTILE, is not only sloppy scholarship, it is downright mis-leading.

Pastor's love to use Paul's phrase: "to the Jews first and also to the Gentiles," and this has created a lot of theological confusion. In the first two chapters of Romans we find this phrase used three times. The Greek word HELLEN is translated GREEK in Romans 1:16 - "... to the Jew (Judean) first and also to the HELLEN (Greek)." But in Romans 2:9 and 10, where the same identical word is used, it has been translated GENTILE, which is incorrect and mis-leading.

If you will take time to do a bit of honest Bible study, and will read this verse in its context, you will see that Paul is simply stating: "The gospel of Christ is the power of God to salvation, coming first to the Judeans (Jews), then to the Greeks." It has no implication, as many preachers attempt to make it say, that the "Jews were first in the heart of God." It does not even imply that!

This verse is simply giving the sequence in which the Gospel was preached. First to the inhabitants of Judea, and we know that many of these were not Israelites since Jesus told the
Pharisees in John 10:26 - "Ye believe not, because ye are NOT OF MY SHEEP." Then the gospel went to the Greeks in Asia Minor, who were members of the Israelite tribes in captivity, and lastly to the rest of the world.

To whom did Jesus send His disciples in Matt. 10:6. He told them "But go rather, (or go only) to the lost sheep of the house of Israel." He never said anything about going to the Jews, or even the Judeans. Although many pastors says this meant "lost Jews," this is not what it says, since the Greek word "lost," as used here is APPOLUMI. It comes from two root words, APO which means "to separate or put away," and OLLUMI, which means to "banish for punishment," exactly what had happened to the Israel nations when they went into Assyrian captivity.

At this time, the ten tribes had completely lost their identity as Israelites. They had been joined by the majority of the House of Judah, since only the inhabitants of Jerusalem had stood against the Assyrians, and they were later taken into captivity in Babylon. After Christ's ascension, when He had given His disciples the Great Commission found in Acts 1:6, they went West and North to areas populated by white people who were members of the "lost tribes of Israel." These had settled in Greece, Italy, Europe and Western Asia.

You may remember how when Paul wanted to take his missionary efforts into the mainland of Asia, (Acts 16:6) he was constrained by the Holy Spirit who sent him North and West. Why? Because it was here, in these areas, that the "lost sheep of the house of Israel" were to be found.

All the Epistles of the New Testament were written to these "lost sheep". Notice specifically the greeting of James n 1:1 - "James, a servant of our Lord Jesus Christ, to the twelve tribes which are scattered abroad, greetings." The Book of Hebrews was written specifically to these "lost sheep." It was not written to those who were known as GENTILES, or to those who called themselves JEWS, but whom our risen Lord referred to as "those who say they are Jews, and are not; but are of the synagogue (meeting house) of Satan." (Rev. 2:9; 3:9). These people were Hebrews, Israelites to be more precise, to whom the promises of God had been given.

Very possibly the introduction to the Book of Hebrews in your King James Bible will say something like this: "Very likely this epistle was addressed to Jewish Christians in Palestine, or in Rome." Very probably not; for there were very few Jews who accepted Christ as Savior. Most of those who accepted Him were Israelites from Galilee. This is why most of His ministry was in Galilee, and very little in Judea.

Where do you find the Epistles of Paul and John today? They are not in the homes of those who are Jews. They are not found in the hotel rooms of occupied Palestine. Where are they? For the most part, you will find them in the homes of White Christians, and in the hotels and motels in Christian lands. (Where Jewish influence, has not had them removed.)

Who has been the foremost in spreading the Kingdom message of the Messiah? Not the Jewish people, but the White Christian people of Christendom, especially of Britain and America. 90% of the Christian literature and 98% of all Christian missionary efforts has gone out from these two countries. Why? Because they are fulfilling the fingerprints which were to be those of "true Israel," in the closing out days of this age.

If God inspired the writing of the Book of Hebrews, and I am sure He did. It is possible that He had the ability to deliver this message, age after age, into the hands of His Israel people, where it would be revered and spread? The Jews don't have it! In fact they hate Christ's Word with a bitter undying hatred!

We need to remember, that after the death of King Solomon, 12 tribed Israel was divided into the ten-tribed House of Israel, and two tribes Judah and Benjamin, with the tribe of Levi
divided between the two factions. The Northern Kingdom of Israel was conquered by and taken into Assyrian captivity, along with most of Judah. Jerusalem and the remaining Judahites, were later conquered by Babylon and taken into Babylonian captivity. 50,000 of this group, returned after seventy years, to rebuild the Temple. They returned with a new religion, which was not that of their Hebrew forefathers, but was a corruption of Hebrew, into what became known as Judaism, thoroughly saturated by the corrupt and occult practices they had picked up in Babylon. Along with this, they brought back the corrupt economic system of usury, which God had warned against.

Bible historians vary greatly in their estimates of how many of these people were taken into captivity. Estimates run from five to thirty million. In Ezra 2:64, we find that less than fifty thousand ever returned from Babylon, and these were a mixed multitude who had intermarried, contrary to Hebrew law, with the heathen Babylonians. A conscientious study of the books of Ezra and Nehemiah will reveal this.

But since most of the arguments re: Jews and Israel are now centered on the New Testament, by those who call themselves New Testament Christians, (these apparently do not realize that without the Old Covenant, there could be no New) let us go to three of the most important chapters in the New Testament, written by the Apostle Paul in Romans 9 to 11. Most King James Bibles carry headings such as "Salvation is Come to the Gentiles"; THE OPEN BIBLE heads these chapters: "The Jew and the Gospel." The New Scofield Reference Bible says: "The Problem of Jewish Unbelief." My Thompson Chain Reference Bible says "Paul's Sorrow for the Jews." The American Standard Version, "Gentiles vs. Israel," and probably the most liberal of all, the paraphrased LIVING BIBLE of Ken Taylor, says "Are the Jews Rejected?"

Yet not once in the original Greek manuscripts, is the word Jew used, not once! As you read in the King James 1611 Edition, remember that the English word GENTILE, is ETHNOS, and means "race; tribe; specifically a non-Judean tribe." The Jewish Encyclopedia clearly states that the tribes of Israel are not considered to be Jews.

But before we go into this, let me show you how THE LIVING BIBLE further confuses words, which were mistranslated in the King James Version.

THE LIVING BIBLE, begins this chapter by saying: "Oh Israel, My people! Oh my Jewish brothers!" These words cannot be found in the King James Version, or any other version I know of. They have been added to further the confusion our Christian people have in differentiating between Jews and Israel, by making it appear that they mean one and the same thing. THEY DO NOT!

In verse 5, Mr. Taylor states: "Great men of God were your fathers, and Christ Himself was one of you, a Jew so far as His human nature is concerned." The King James says: "Whose are the fathers and whom as concerning the flesh Christ came." Nothing is said in any of the original manuscripts about Christ BEING A Jew.

In verse 6, Mr. Taylor writes: "Has God failed to fulfill His promises to the Jews? No!" But we find the King James Version saying something different: "Not as though the word of God hath taken non effect. For they are not all Israel, which are of Israel." Over and over again, Taylor uses the word Jew, where the word ISRAEL appears in the original. This is intellectual dishonesty of the worst sort. It is a deliberate attempt to give the anti-Christ Jews further Chosen People status in direct conflict with what the Lord had to say about them.

Thirty-one times in these three chapters, Dr. Taylor deliberately nus-translated the word ISRAEL, to read JEWS. He either changed the word, or added it where it is not found in other versions.

Let me give you an illustration: Romans 11:11 reads correctly in the King James, when it
states: "I say then, have they (Israel) stumbled that they should fall? God forbid!" But Taylor has this verse to say: "Does this mean that God has rejected His Jewish people forever? Of course not!" It is this sort of dishonesty, practiced to some extent by the translators of the King James Version, which has caused our preachers to preach the nonsense that "the Jews are all of Israel and are God's Chosen People."

In Romans 9:3, Paul speaks about "My kinsmen according to the flesh." Here he was speaking about his race. Remember, he was a Benjaminite by blood, not a Judean. He was a Roman by nationality, and a Jew by religion. That is until his conversion.

In verse 6, he indicates that not all who are born descendants of Abraham and Jacob/Israel are Israelites.

Then in verse 7, he makes a significant statement. He quotes from Genesis 21:12: "In Isaac shall thy seed be called." Not from a man named Judah, who our theologians say was the father of the Jews, but in Isaac. The word "Saxons" comes from "Sacs-sons" or "Isaac's sons." It was Isaac's son Jacob, whose name was changed to Israel, not Judah.

In verse 14, Paul asks the question: "Is God unrighteous because He shows favoritism or discriminates?" (A horrible sin for modern Christians, we are told.) He goes onto explain this by quoting from Exodus 33:19; Exodus 9:15; Isaiah 45:5-12, and Jeremiah 18:1-10. (You New Testament Christians would be out of luck if we didn't have the Old Testament to refer to.)

In this verse we can pick up two mis-translations in the KJV. The word JEW, as used here should read JUDEANS, since there was no word such as JEW in the Greek language. In the 1611 KJV, it was IOUDEAN. The word GETILE as used here had to do with tribes or nations, in other words, the "lost sheep of the house of Israel, who had become Gentilized and lost their identity as Israelites."

Verse 25, is often used by pastors to bolster their Jews Chosen People myth. But here Paul indicates that it is Christian-Israel, the people who lost their identity, and who are now called by their new name, CHRISTIAN. The Jews have never lost their identity, and have never been called by a new name, especially the "sons of the living God."

Verse 26- The world calls those of us who follow Christ, Christians (Christ's sons). When we pray, Jesus told us to say: "Our Father..

In chapter 10, verse 12, we read: "For there is no difference between JEW(JUDEAN) and the GREEK." Here the word HELLEN was used and is correctly translated as GREEK. Many Greeks were Israelites. But why was this same word translated seven times as GENTILES?

Verses. 14-17. These are in the form of someone asking Paul a question which he answers by referring to Isaiah 52:7 and 53:1. Both of these verses are grossly misquoted and misunderstood.

In Chapter 11, verse 1 we find another mis-translation. Paul was not a Jew, he tells us so himself, he was a Benjaminite, not from the tribe of Judah. God's people, which He foreknew, were the true Israelites who had disappeared into Assyrian captivity.

In verse 7, Paul raises the question: "What then" and answers it by saying: "Israel hath . . ." Notice, he did not say: "The Jews hath . . . but Israel hath." Paul was very careful of his terminology, something it would be well for our preachers to emulate. Then he quotes in verse 8, from Isaiah 29:10, about the inability of Israel to understand that they were God's Chosen. (The Jews have no such problem, they are constantly bragging about it.)

He then follows with further proofs from Psalm 69:22, 23.

True Israel, for the most part - White, Anglo-Saxon and related peoples, certainly do not know that they are the people of the Book. Why? "Because God has given them the spirit of slumber; eyes that they should not see, and ears that they should not hear." This verse in no
way describes Jews, for they have boasted for centuries about their special status with God, while repudiating His Son. These are the liars of Rev. 2:9; 3:9.

Verse 11 indicates that salvation has come not to some "non-Jew" men called GENTILES, but to the "Gentilized lost sheep of the house of Israel." This was necessary to provoke those of the house of Judah to jealously, so that they too would seek the God of their fathers.

Verse 13 indicates that Paul was the Apostle, not to the "heathen," as the word GENTILES seems to connotes, but to the "lost sheep of true Israel."

Verses 17-24 speak about the "olive tree," which in Bible terminology has always meant Israel. (The fig tree has always been the symbol of Judah.) This is why we find on the inverse side of the Great Seal of the United States, an eagle holding an olive branch in his beak. This branch has thirteen leaves, representing the thirteen colonies and Israel's thirteen tribes. The wording on the seal is the Latin inscription "E Pluribus Unum," "out of many (tribes) one (nation.)" The name America comes from the word "Ameri" meaning "heavenly," and "rica," meaning "kingdom," hence "the heavenly kingdom." Our enemies, and even some within Identity, have been trying to brainwash us with the notion that this seal is of Masonic order, and refers to the New World Order. There will be a New World Order, but it will not be under the command of men such as George Bush, thank God, but will be commanded by Jesus Christ, as King of Kings, and Lord of Lords.

The vast majority of White, Israel people have been deliberately blinded to this glorious identity. The phrase "fullness of the GENTILES," in verse 25, which should be correctly translated as "nations," means a "multitude of nations." The Jews have never by any stretch of the imagination been a "multitude of nations," but just recently (1948), became a struggling little nation of less than 4-million people, who could not keep going if it were not for the support of Israel America.

So we can see in these three great chapters, that Paul quotes 35 times from the Old Testament in 90 verses. 39% of the content of these chapters are right out of the Old Testament. Does this mean that you New Testament Christians will refuse to consider them? In fact, we find Paul explaining the meaning of the Old Testament in these chapters. So if you hear your pastor tell you: "We don't need the Old Testament, because we are New Testament Christians," you KNOW the rascal is lying to you. You can be sure of it!

All through these three chapters, the people who are spoken of as GENTILES, are in reality the "lost sheep of the house of Israel." The nations we today know as Christendom.

The word JEW, as used in these chapters should have been translated as JUDEAN, since it has absolutely nothing to do with the Jewish religion, and as I mentioned before, at the time of Christ, there were no people anywhere in the world, who were known as JEWS.

Many JUDEANS believed on our Lord and were converted. There was a man named Nathaniel, spoken of in John 1:47. When Jesus said to him, he said: "Behold an ISRAELITE indeed, in whom there is no guile." This is somewhat different from His condemnation of the JEW Pharisees in John 8:44, when He said: "Ye are of your father the devil."

There was a man named Zaccheus, and Nicodemus, and Joseph of Arimathea, all Israelites. Not one of these was a Jew! Some Judahites were influenced by the Edomite Pharisees, who hated Him and ultimately murdered Him. It was to this bogus crowd that lie said: "Ye are not of my fold."

To clarify this apparent contradiction, let me use a modern example. America is made up of Caucasians, Negroes, and many mixed races. Therefore not all Americans are Caucasians. And not all Caucasians are American.

So it was with the Judeans of Christ's time. Some were Israelites, primarily of the tribe of Judah, Benjamin and Levi. They were not known as Jews, but as the House of Judah. The
majority of the Judeans, like King Herod, were Edomites. So were the Pharisees, as can be seen in John 8:33 when they told Jesus: "We be Abraham's children, but have never been in bondage to any man." This clearly indicates that they could not possibly have been Israelites.

Many of the people of Judea were of mixed blood as far as racial purity was concerned, and had come back from Babylon in this "mixed up" condition. This is one of the reasons why Luke took such care in describing the ancestry of our Lord. It just wasn't standard for the average Jew (Judean) of that day to be able to trace his ancestry back to Abraham.

There are a number of scriptures which reveal the different types of Judeans. There were those who followed Christ and became known as Christians. For almost 2,000 years they have gone by this descriptive name. They were never called Jews, although sometimes today, our "brainwashed" Judeo-Christian element call them Christian Jews. This is a misnomer, as false as to say that something could be "hot-cold, or wet-dry."

When Jesus said in John 10:27 - "My sheep hear my voice, and I know them and they follow me," He was not speaking about the Edomite Jews but about Christian Israelites. In John 10:26. He did not say: "Believe in Me and ye shall be my sheep," He said: "Ye believe not because ye are NOT OF MY SHEEP!" This would seem to imply that a "sheep becomes a sheep at birth, rather than being converted to sheep status." I know this shoots down a lot of fundamentalist doctrines, but how else can you explain this? Those who heard Christ and accepted Him, did not do so because they became "converted," but because of their status, His "sheep" will hear His voice and follow Him.

We know that Abraham was the father of many nations, so what we see in John 8, is Christ arguing with Edomites, who had some of the blood of Abraham in their veins through Esau, but who were not the chosen through Jacob/Israel. The Bible says: "In Isaac, (the father of Jacob) shall thy (Abraham's) seed be called."

In verse 41 of John 8, we see the "age old doctrine," of Secular Humanism, the "universal brotherhood of man, under the universal fatherhood of God," as it rears its ugly head. The modern Jews give lip service to this doctrine, while declaring to all who will listen and be "brainwashed" by their lies, that they are special in the eyes of God, while at the same time they repudiate Him and His Son.

These religious hypocrites, and I call them that, because this is the label our Lord attached to them, falsely claimed to be Abraham's children of promise, while Jesus accused them of their rightful title, as "children of Satan." (Verse 44)

Who were these imposters? They were neither Israelites, or of the House of Judah, but were the mixed race people our risen Lord spoke about in Rev. 2:9; 3:9, when He referred to those "who say they are Jews (Judeans) and are not; but are of the synagogue of Satan." These are the modern day people we know as Jews. Those the Judeo-Christians worship!

In Jeremiah 24, you will find a prophesy concerning the Judeans (Jews) who were living in Palestine. Remember that the fig tree has always been the symbol of Judah, not Israel. Christ's sheep, are the "good Judean figs," of this parable. The "evil figs," are the Judeans who came from the mixed multitude, and the Edomite background and who refuse to accept Him. Knowing this, the symbolism of this chapter should be easy to understand. Where would we expect to find the "evil figs of Judah" today? They are found in Jewry, while the good figs are to be found in Christendom.

The descendants of Esau can be found today in Jewry, existing alongside the Ashkenazi Khazar Jews, who are of Turco-Mongolian background, and who converted to Judaism in 740 A.D. They were a savage, barbarian people from Russia, whose ancestors had never set foot in Palestine. Yet today, in the nation of the Israeli, every one of their leaders has come from this Khazar background. Over 90% of the people we know as Jews today, are Ashkenazi.
If you are curious as to what God has predicted for these people, read Malachi 1:2-4.

The Israelites and Judahites who went into Assyrian captivity migrated west and north through the Caucass Pass into Europe. This is why we are called Caucasians. There is much historical proof available which will prove this, in spite of the frantic efforts of so-called Christians historians to disprove the true history of our Israel people. They do this, of course, to protect the anti-Christ's of Judaism.

If the people we now know as Jews are indeed "God's Chosen people," as our pastor's insist, doesn't seem strange to you that God Bestowed His greatest blessings on the people of Europe and America? Almost every invention which has brought improvement to mankind has come from the white race. It is only the White race, the so-called GENTILES, who have accepted Christ as their God in significant numbers. Our missionaries know that many times they must work for years, to convert a person of color to Christianity, and often when the missionary is forced to leave, the native reverts to their original condition of savagery in a few years. Why do you suppose this is so?

Ask yourself what nations have taken the Bible as the foundation for their governments and their Constitutions? Not the Jews! It has been the White nations of Christendom.

The people we know as Jews today follow the pagan Babylonian worship as found in their Talmud. They do not follow Moses, as we have been told, for Jesus told them: "If ye had believed Moses, ye would have believed Me, for he wrote of Me." (John 5: 46). While modern Judaism gives lip service to the Torah, the words of Moses, it is diametrically opposed to what Moses taught the Children of Israel. Take usury as an example. Moses taught that usury was wrong, see Ex. 22:25; Ps. 15:5; Lev. 25:37 and many more, yet for centuries the Jews have been the greatest usurers on the face of the earth.

A great truth which has been avoided by the majority of our preachers is that it is the White race of the seed of Abraham, Isaac and Jacob, who is the true Israel of God. They are the Covenant people of the Old and New Testament.

You may think this is arrogant. But why does it disturb you? Do you accuse the Jews of arrogance when they lie about and claim God's blessings on their heathen, anti-Christ teachings? Of course you don't! You would be an Anti-Semite in the eyes of the modern world, and this in the thinking of most Christians is worse than blasphemy against God. Yet my answer to anti-Semites is this. If it means "anti-Jew" then I am "anti-Semite," for not to be would make me "anti-Christ." He denounced them more and better than I can ever hope to do.

You may say: "What difference does it make if I ani a Christian? Being saved is all that really matters. I could care less whether I am an Israelite or not." But would you turn down a great inheritance that was offered to you, because you were a Christian? Of course not! Yet you seem willing to allow your pastors to rob you of the wonderful knowledge, that because you are an Israelite, you have a special responsibility to God and your fellow man. You have been chosen by Him, to be His ambassador to unsaved mankind.

When the Apostle Peter wrote the wonderful words of 1Peter 2:9, he was speaking to the "strangers (Israelites) scattered abroad through Asia Minor and Europe. He was not writing to Christian Jews, but to Israelites. The word "foreigners," as used here by Peter comes from a Greek word which means "resident foreigner." He was speaking to then Israelite people who were living in this area by the thousands. He told them, vs. 9, that they were "A chosen generation (stock, offspring), a royal priesthood, a holy nation (not referring to the church), a peculiar (chosen for a special purpose) people." Then in the remainder of the verse he tells why they have been thus chosen: "That ye should shew forth the raises of Him who hath called you out of darkness, into His marvelous light." These were Israelites from whom the veil of darkness had been lifted and who, like you and I have had been called into special
service for the King.

Who were the people who had been in darkness for hundreds of years? Surely not the Jews. They knew who they were. It was "true" Israel," whose eyes have been blinded.

I realize that many of you who ask: "What difference does it make," are sincere Christians. You love the Lord. But my friend, to remain in darkness and confusion concerning the nations and peoples in the scriptures, leaves you an easy prey for those who would deceive and confuse you in a national sense and bring ruin to our beloved land. To remain ignorant of your true identity, is to commit the sin of Esau, when he gave up his birthright for a bowl of bean soup. It is something most must be well pleasing to the forces of Satan and darkness.

It is because Christians have lacked the truth of whom they are, that the forces of evil have been able to take control of America, and most Christians have "become the salt which has lost its savor (it's ability to act as salt and hold back corruption,") (Matt. 5:13).

When Paul wrote in Gal. 3:26-29 that we are "all sons by faith in Christ," he was not wiping out the role of either sex when a person is baptized into Christ. But simply stating that all believers, through faith in Him, are of the family of God. In a spiritual sense, they have "become Abraham's seed." Thus every one of Anglo heritage, MUST have faith in Christ in order to be part of His spiritual body, the true church.

But does it make a difference? If you elevate the enemies of Christ to a "God chosen" position, you automatically place yourself on the side of the enemies That's the meaning of 2 John 10, 11. If you give "aid and comfort" to the enemies of Christ, those who curse Him, and spit when His name is mentioned, then you become one with them, and "become partaker in their evil deeds." Are you willing to partake of the condemnation that will come to the Jew abortionist, the Jew prostitutionist, the Jew dope peddler, the Jew who curses your Savior, on that day when they stand before the Judge?

Fundamentalist pastors love these verses in 2nd John, but all too often they use them to blast a Christian brother who does not see "eye to eye," with them on doctrinal matters. But I have had some of them tell me, we cannot apply these verses to the Jew.

The number of Christian pastors who will correctly use these verses are mighty small in number and when one of their number has the courage to tell the truth, such as Dr. Bailey Smith, President of Southern Baptist convention a few years ago, when he correctly said: "God does not hear the prayers of a Jew." And isn't that what the Master said: "No man cometh unto the Father but by me," in Rwhen Dr. Sm~ said that, pastors in his own denomination turned against him in righteous hypocrisy and called him "anti-Semitic." What hypocrites they are! Jesus clearly taught, that no one, Jew, Gentile, Mohammedan, Buddhist, etc., can reach God unless they come through the Son. Study the scriptures and the Jewish Talmud, and you will i:ecognize, if you are an honest person, that they are anti-Christ.

Some of you may have been upset because I pointed to errors in your beloved King James Version. If it makes you feel any better, that is the Version I use for my study. You may say: "We can't believe you, since you don't believe our Bible." But I do!! I believe all of it! But I also have enough intelligence to know that the men who translated the King James Version, were picked by the King of England for this purpose. I also know they were human, and just as translators since, many of whom have been devout men who loved the Lord, made mistakes I believe the original scriptures were the very word of God, but I also know there are demonstrable errors in translating since then. As sincere students of God's Word, we MUST be able to see errors which were made, in order to have the Bible conform to some church doctrine.

All my readers should be intelligent enough to know that the original Bible was not written in English. The Old Testament originals were written in ancient Hebrew, and the New Testament
in Greek and Amharic. The word JEW and GENTILE were unknown when these manuscripts were written. The word GENTILE is unknown in the Hebrew language and when it is used in the Old Testament, it comes from the Hebrew "goy" which means "tribes or nation." Why was this word mis-translated over and over again, using seven different meanings, when there is really only one?

Was it because the King James translators were trying to fit their Bible to the church doctrines of that time? Just as the liberals are trying to change modern translations to please the Jews and the feminists? Men were burned for heresy at the time of King James, merely for disagreeing with the established doctrines of the church. If you were dealing with the Roman Catholic church, you were a heretic if you refused to believe her doctrine. If you were dealing with a Reformation church, you were considered a heretic if you did not believe as they taught. Usually the result of this disbelief was fatal, no matter who was in power.

So be very careful in your handling of the Bible. I firmly believe the King James Version to be the closest and most accurate of all translations. (You Ferrer-Fenton people please don't get mad at me!) There are no important departures from the original. But there are mistakes, which have caused confusion, such as in the use of words like JEW and GENTILE, and equating ISRAEL and JEW, as one and the same, which they are not!

I most certainly don't intend to "throw the baby out with the bath water," because I don't like the way the KJV translators handled the word JEW or GENTILE. I have enough sense to place JUDEAN where I read JEW, and NATION, where I read GENTILE.

But you cannot correctly understand the meaning of the King James, or any other Bible, unless you are willing to check out the KEY words and see what they mean in the original. That's why voluminous works such as Strong's Concordance were printed. I tried this on Ezekiel 38, 39, and came out with a completely different idea, from any which had ever been presented to me by some prophetic pastor. Often the English language does not have words adequate to express the meaning of the original. But unfortunately, few pastors or laymen will take the time and effort to "Study to show themselves approved unto God," and look these words up. Too often, the lazy layman will ask the pastor what they mean, and he will give them the definition given by the seminary professor, while the true Word goes begging.

Never accept anything from the pulpit, or from writings such as this, for example, without first checking them against the Word of God. If they don't comply with what the Bible teaches, they are not fit to consider.

We need to remind ourselves that it is one thing to believe every word in the Bible, but it is quite another to know what the Bible teaches. Believing the Bible is true will be of no practical help to you, if you refuse to study the Bible, and "search the scriptures."

Cornelius Vander Breggen, Jr., in his booklet THE PRIVILEGED PEOPLE, said:

1) Be sure you are in the status of John 3:18, 3:36.

2) Lay aside all preconceived ideas you may have concerning Israel, the Jews, Gentiles, or any other subject you want to understand.

3) Make known to the Holy Spirit, who indwells you if you are a Christian (and this doesn't mean you have to speak in tongues), that you are trusting Him to lead you into an understanding of the truth.

4) Then search the scriptures diligently. Use a good concordance, so you will understand the meaning of key words as they were translated from the original languages.
5) When you have done this, believe what the Words says. Don't let ANYTHING human prejudices, church teachings, or (he ideas of men, stand in your way acting on God's Word. Jesus said to the Pharisees, those false Jews in Matthew 22:29 - "Ye do err, not knowing the scriptures or the power of God." So seek the truth. Then act on it. We MUST if we are to exist as a free people, "chosen of God for His special purpose!"

The End
WHO ARE THE JEWS?

(With excerpts from Nord Davis, Jr., STAR WARS)

"But ye (Jews) believe not, because ye are not of My (Christ's) sheep - . . ." -
Matthew 10:26

INTRODUCTION

One of the most baffling questions facing Christendom in the 20th Century revolves around the people we know as Jews. Who are they? Are they the Chosen People of the Bible, the seed of Abraham, to whom God gave the promise of Genesis 12-3 "I will bless them that bless thee, and curse him that curseth thee?" Or are they a heathen, satanic people who have been a "thorn in the flesh" of true Israel for centuries and who have a world plan for the destruction of Christianity?

Much of importance revolves around the proper answer to this question. The fundamentalist and evangelical Christian world, for the most part teach that the present day people who call themselves Jews are indeed the offspring of Abraham, "the friend of God," and that to receive the blessings of God, Christians must help them in every way possible, even when they appear as the Apostle Paul stated in 1 Thessalonians 2:15, to be the murderers of their own prophets, persecutors of Christians, who "please not God and are contrary to all men."

Hand in hand with this problem, comes an even more complex one. "Was Jesus of Nazareth, the Virgin born Son of God, the Savior of the world - a Jew?" Most Christian pastors and Bible scholars say "Yes". But this does not make it so! The Jews themselves have a variety of opinions. Their religious book, the BABYLONIAN TALMUD, recognizes Jesus and calls Him, "the son of Pandria, a Roman solider," (SANHEDRIN, 67a). The book KALLAH, lb, 18b) states: "Jesus was the illegitimate child of a Jewish prostitute and was conceived during menstruation."

Another passage in the SANHEDRIN (103) suggests that Jesus corrupted the morals of the Judahite people and in par. 107, of this same book, it states: "Jesus corrupted and deceived and destroyed Israel."

Yet Michael Rodkinson, a Jew, in his book HISTORY OF THE TALMUD, states on page 70 - "The TALMUD is the source from whence Jesus of Nazareth drew the teachings which enabled him to revolutionize the world".

Stimulated by this Jewish statement, every Christian, especially every pastor and Bible scholar, should take time to investigate whether this statement is true. Did Jesus Christ derive his teachings from the heathen, occult book known as the TALMUD?

In his recent book, JESUS WAS A JEW!, Arthur Fruchenbaum attempts to answer these questions: "Who was Jesus of Nazareth? Was he a good teacher? Was he a well-meaning but confused religionist? Was he the disciple of another teacher? Regardless of how you answer these questions, JESUS WAS A JEW!" (UNQ.)

In the introduction to his book, Fruchtenbaum says: "The personality of Jesus of Nazareth stands as an enigma in Jewish history. Hailed by millions as a Savior and giver of life, his name has been used to condemn the Jews and an excuse to take Jewish lives."

Another Jewish group stated in a pamphlet titled SANTA CLAUS, THE EASTER BUNNY, and JESUS! written by a Jewish Rabbi from Florida: After mentioning the Christian myths of Santa Claus and the Easter Bunny, he states: "Then comes the hoax of all Christian hoaxes. The story of Jesus.
"The truth of the matter is that there is no historical proof that Jesus ever existed. There is no piece of physical evidence on earth today that can prove that he existed.

"No man knows where he was born; how he looked; when he died; or even where he was buried.

"Just like the story of Santa Claus and the Easter Bunny, the story of Jesus is another foolish Christian myth." (UNQ.)

In another article, written by a one-time Christian woman who had converted to Judaism, she says:

"To be a completed Jew one must first rid himself of all the pagan and idolatrous teachings of Christianity and rise to a higher level of holiness to believe in the one true God.

"The turning point in my life came when my husband and I were invited to celebrate the Jewish Sabbath with an orthodox rabbi. We were startled, because we felt God's presence there.

"After studying under this Rabbi and others and learning the true way of the Lord, I had no trouble abandoning the life of deception I had led until now.

"The day of my conversion to Judaism, I learned the true meaning of being 'born again.' Yes, I have been 'born again' as a Jew.

"Since that day, my husband and I have turned our ministry to exposing the myths of Christianity... the lies, the hatred, and the hypocrisy of its preachers." (UNO.)

Another Jewish Rabbi, from his headquarters in Ft. Lauderdale, Florida writes:

"Christian scholars are coming close to discovering the truth that the New Testament was the greatest book of fiction ever written. Already they have found definite proof that there was no such thing as a 'Virgin Birth', and a 'resurrection.' They are catching up with the proven facts of history, that Jesus never existed.

"Furthermore, Christian Bible scholars have definite proof, that if Jesus Christ had actually existed, he would have been a homosexual, since the traditional Jewish custom was for men to be married by the time they were eighteen. In addition, according to the Christian fairy tale of the New Testament, he never dated, he never had any girl friends, and he ran around with a group of known homosexual friends." (This so-called evidence comes from the pen of a Jewish writer named Phineas Lapide. I wonder what Bible he read.) - ED.

After writing some scurrilous tracts about Christians, this Florida Rabbi wrote:

"Let me assure you that I did write them and am quite proud of them ... I have been able to get some good local newspaper publicity by calling local newspapers and telling them that some Jews have left these at my church and that they were written by a local Rabbi. They fell for this hook, line and sinker, and I became a local martyr.

"In my tract about Communism I showed how the leading Communist agitators today are Christians, and how the New Testament is even more RED than the Communist Manifesto! I also pointed out, as a matter of history, that the first Bolshevik, and Communist revolutionaries described Jesus as their teacher and named him the GREAT COMMUNIST." (UNQ.)

These statements are indeed interesting when one compares them with other statements made by eminent Jewish authorities concerning the Communist Revolution.

In the January 1928 issue of CENTURY MAGAZINE, the eminent Jewish author Marcus Eli Ravage said: "We Jews are at the bottom of nearly all your wars; not only of the Russians but of all the other major revolutions in your history... We did it with the irresistible might of our spirit, with ideas and propaganda."

When Rabbi Stephen Wise, the top Rabbi in the U.S. in 1918 was asked about the Russian Revolution, he was asked his opinion of the Communist Revolution, he was reported to have said: "Some may call it Communism; but I call it Judaism!"
When I have tried to uncover the truth regarding the Jews and who Jesus really was, I have been met with "scorn and derision" on the part of Christian leaders and Bible scholars, and outright hatred on the part of the Jews. Here is a typical letter I received in April 1985, after I had published a tract titled: "EXPLODING THE CHOSEN PEOPLE MYTH!" It was hand-printed on a restaurant paper napkin. It will give you a faint idea of how the Jews hate anyone with "guts" enough to expose them.

"You dog, snake, wolf, dragon - you antichrist. Cursed be your soul and that of your followers. An ass has more understanding than you. May the spirit of disease be upon you as you read these words - MECHNASES - the spirit of death enter into you. May your eyes be blind, and your flesh melt in the flames of hell's fire. May your wife turn into a frog; your daughter into a dog, and your son into a hog. DIE, YOU DEVIL!" The signature was in Yiddish.

So as we seek the truth about the true ancestry of Jesus Christ, our Savior and King, we must of necessity first determine who the Jews really are and where they came from. We will use both the Bible and history in our search for the truth.

THE ORIGINS OF THE JEWS

Was Abraham a Jew?

It has often been stated from the pulpits of Christian churches, that Abraham was the first Jew. The Bible, however, never calls Abraham by that term and for a good reason. The word JEW is merely the modern English contraction for the word JUDAHITE or JUDEAN. Thus the question is not really whether Abraham was a Jew or not; but rather WAS ABRAHAM A JUDAHITE! That is, was Abraham of the tribe of Judah? Obviously he could not be, since he preceded the tribe of Judah by three generations.

Abraham was a Semite (that is a descendant of Shem), and he was also a Hebrew (a descendant of Eber or Heber). But to say that he was a JUDAHITE is to say that he descended from his own great-grandson! Which is impossible!

The descendants of Judah (Hebrew YEHUHAD) were known as YEHUDIM, which merely means JUDAHITE. The New Testament, which was written in Greek, uses the term IOUDAII, which again translated out to mean JUDEAN.

It becomes somewhat confusing, when almost all the modern Bible translations use the term JEW instead of JUDAHITE. But once you learn to place the word JUDAHITE OR JUDEAN, where the word JEW is found, then the clear distinctions between Hebrews, Israelites and Jews will become clarified.

The Bible uses the term JUDAHITE in three distinct ways:

1) One who is of the tribe of Judah in a racial sense;

2) One who is a citizen of the southern nation of Judah, including the Tribes of Benjamin and most of the Tribe of Levi; it will even include Canaanites and Edomites who are citizens of Judah; and,

3) One who is a follower of the religion of JUDAH as given by Moses and the prophets. (This usage is found in Esther 8:17 and Romans 2:28, 29).

THE EDOMITE CONNECTION

(Genesis 36:19)

The nation of Judah, comprising the tribes of Judah, Benjamin, and Levi, were conquered and deported to Babylon about 600 years before the birth of Christ. After a 70-year captivity, less than 50,000 returned to rebuild Jerusalem under Ezra and Nehemiah. Both of these JUDAHITE leaders
had a difficult time keeping the **JUDAHITES** from inter-marrying with the heathen who had settled in Palestine after their deportation. These godly men had tried to institute reforms to cleanse both the people and the priests from these unlawful marriage relationships. (Ezra 2:62; 9:1, 2; Nehemiah 7:64; 12:23-30.)

About 150 years later, when Alexander the Great conquered the known world and set up his Greek Empire, the Greek language became dominant in the world and it was not long before the Hebrew word **YEHUDAH** (Judahite) was replaced by the Greek word **IOUDAIOI**, which also meant **JUDEAN**. This is why the New Testament, which was written in Greek speaks of **JUDAHITES**, instead of Jews, since both words have the same meaning.

Between the time of Nehemiah and Christ, the problem with inter-marriage increased. The climax of the problem came about 150 B.C., when the **JUDEAN**, John Hyrcanus, conquered the heathen cities of Palestine and forced the Canaan ites to become **JUDEANS** (Jews). Josephus, the Judean historian, writing about 95 A.D. said:

"Hyrcanus took also Dora and Marissa, cities of Idume (Edom) and subdued all the Idumeans (Edomites); and permitted them to stay in that country, if they would be circumcised and make use of the laws of the Judeans; they were so desirous of living in the country of their forefathers, that they submitted to the use of circumcision, and the rest of the Judean ways of living; at which time -. -. they were hereafter no other than Judeans." (ANTIQUITY OF THE JEWS, Book 13, Ch. 9, Par. 1).

A footnote in Josephus' book quotes from Ammonius, an ancient grammarian who said: "The Judeans were such by nature from the beginning, whilst the Idumeans were not Judeans from the beginning, but Phonecians and Syrians; by being subdued by the Judeans and compelled to be circumcised, and to unite into one nation, they were subject to the same laws and became known as Judeans."

This all took place before the time of Christ. It becomes obvious, then that by the time of Christ, there were a great host of people living in Palestine who were Canaanites and Edomites by race, although Judeans (Jews) by religion. Even the ruling dynasty of the Herod's were Edomites and Herod the Great, was an Idumean, that is a "half-Jew," (mongrel).

The JEWISH ENCYCLOPEDIA, 1925 edition, Vol.5, p.41, states: "Edom is in modern Jewry."

The Esau-Edomite nation of Idumea ceased to exist as a separate nation at this point in history. Yet the Bible is clear that Edom will be the enemy of Israel in the latter days. (See Malachi 1:2-4). How could these prophesies be fulfilled, if there were no Edomites left in the world? There is only one nation in the world today which can prove ancestral ties with Edom and the so-called Jews themselves claim this dubious distinction.

The Jews have adopted the materialistic anti-God attitude that characterized the father of the Edomites, Esau. As a judgment for their sins, including the murder of God's Son, Jesus Christ, God cast them out of Palestine in 70 A.D. when the Roman General Titus destroyed Jerusalem. The **JUDEANS** (Jews) fled to North Africa and Spain. We find this account in THE AMERICAN PEOPLE'S ENCYCLOPEDIA, 1954, p.15-492, under the heading THE JEWS.

"Following their dispersal many spread across North Africa to Spain and during this movement converted many Berber tribes to Judaism. (It might be well here, to recall the word of Jesus to the Pharisees in Matthew 23:15, when He said to the scribes and Pharisees: "... ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two-fold a child of hell than yourselves."

(Maybe this is why the North Africans had such a hatred for the Christian Spaniards) That portion which moved into Spain and later northward became quite wealthy and gained considerable prestige. (Yes, indeed, several Cardinals of the Catholic Church and several Popes were Jews.) These became known as SEPHARDIM JEWS.
Today, there are two main branches of these people we call Jews. The Sephardim Jews of Western Europe and the Ashkenazi Jews of Eastern Europe. In all honesty, we can say that modern **SEPHARDIM** Jewry is a mixture of Judean blood with that of Edom, Syria, Canaan, Phonecia and North Africa.

**THE ASHKENAZIM**

If one studies the origins of this branch of European world Jewry, we must allow historians to tell us the story. The history of this branch of Jewry is almost unknown in the Christian world, although there are more than 320 books in the New York library alone, which deal with this history - in addition to the **JEWISH ENCYCLOPEDIA**.

In the year 740 A.D. the Khazar kingdom in Eastern Europe officially converted to **JUDAISM**. A century later, they were crushed by the incoming Slavic people and were scattered over Central Europe where they became known as Jews. It is from this group that most of the German and Polish Jews came and they make up the predominance of Jewish people found in America. The term Ashkenazim is applied to this round-headed, dark-complexioned division of Jewry. (From **THE AMERICAN PEOPLE'S ENCYCLOPEDIA**, p.15-492).

In the early 1960's the Sephardim numbered about 500,000, while the Ashkenazim totaled over 12-million. Thus, the word Jew, is practically synonymous with Ashkenazim, according to Arthur Koestler in his book **THE THIRTEENTH TRIBE**, p.181.

That the Khazars are lineal ancestors of Eastern European Jewry is a historical fact, even though many Christian ministers and Bible scholars refuse to accept this fact.

The Kazars or "Chazars" as they are sometimes called, were of Turkish origin and their history from the very beginning is woven into the history of the Jews of Russia. (**JEWISH ENCYCLOPEDIA**, 3rd Edition, 1925.)

Who were the Khazars and from whence did they come? Again we will let Jewish historians from the **NEW JEWISH ENCYCLOPEDIA**, 1962, answer this.

They were a Mongolian people who embraced Judaism and flourished from the 8th through the 10th century A.D. in the territory extending between the Don and Volga Rivers, and along the shores of the Black, Caspian, and Azov Seas. The Jewish statesman Hasdai ibn Shaprut of Cordoba, in the 10th century, wrote a letter to King Joseph of the Khazars, in which he gave a detailed account of this conversion.

For the sake of interest, it should be mentioned that the Ashkenaz of the Bible refers to a people living somewhere in the vicinity of Mt. Ararat and Armenia. The name occurs in Genesis 10:3 and 1 Chronicles 1:6, as one of the sons of Gomer, who was the son of Japheth. Ashkenaz was also the brother of Togarmah and a nephew of Magog, whom the Khazars claimed as their ancestor.

Strictly speaking, these Ashkenaz Jews are misnamed, since their ancestor was not Ashkenaz, but his brother. This makes little difference, as long as we recognize that at least 90% of world Jewry comes from this background and is of Togarmah rather than Israel.

**GOG AND MAGOG IN MODERN JEWRY**

As Arthur Koestler pointed out, Togarmah was a nephew of Magog and here is where the plot begins to thicken, since students of Bible prophecy will recognize this name as an enemy of Israel in Ezekiel 38 and 39. The identification of Gog and Magog with the Jewish Khazars is found on page 135 of Koestler's book, he states:

"The legend which circulated among Western Jews in the Middle Ages provided a curious parallel to the Russian 'bylinda'. To quote Poliaj again: 'The popular Jewish legend does not remember a Khazar kingdom but a kingdom of RED Jews.'
When the Khazar kingdom was finally destroyed by the Russians from the north, the Ashkenazim Jews began to disperse into what is now called Germany and Poland, as well as other Eastern lands. They continued to multiply until today they are the most populous branch of world Jewry by far.

The destruction of the Khazar empire and the dispersion of these Eastern Jews, brought them into contact with their fellow Judists from the West, the Sephardim. Together, they continued their anti-Christian activity, mainly through their practice of usury, until finally the Christian nations of Europe (who were the true Israelite people) began to banish them.

As they left these countries, they took their usurious practices with them and the European Renaissance began. Koestler quotes Cecil Roth, a Jewish historian, as writing: "In a sense, the Jewish Dark Ages may be said to be the beginning of the Renaissance," (p.178). Thus, we see the blessing of God fall on these Christian nations, as they expelled His enemies of Edom, Gog and Magog. These nations were blessed, not cursed, as our pastors said they would be.

However, the tide began to turn when these Khazar-Jews of Gog and Magog finally succeeded in overthrowing the Russians in what became known as the Communist Revolution. This was carried out with the help of the great Jewish banking houses in Western Europe and America. The Jewish banker, Jacob Schiff, from New York, gave over $20-million dollars to make this revolution a success and many of the communist leaders came from a group of Jews from the lower East side in New York City, who were exported to Russia with Leon Trotsky for that very purpose.

Thus, we see the rise of Togarmah, Ashkenaz, Gog, Magog, Meshech (the ancient name of Moscow), Gomer, and Tubal (the ancient name of Tublosk) as prophesied in Ezekiel 38 and 39. Today prophecy is unfolding before our eyes, yet most Christians fail to understand it, because they fail to see who the Jews really are and what their place is in God's final plans for this age. As long as the racial origin of the Jews remain hidden from the Christian world, so long will we fail to understand Bible prophesy.

The Soviet Khazar-Jews of Gog, Magog, and Togarmah have already invaded Palestine and stolen it from the Arabs, just as Ezekiel promised. Every one of the Israeli leaders from the start have been Ashkenazim Jews. The Arabs for the most part, understand that the vast majority of Jews entering Palestine are from this heathen source and have absolutely no claim to this land. They have difficulty understanding why American Christians are supporting these anti-Christs. The Khazars have been the traditional enemies of the Arab people since the Middle Ages, and they recognize the true nature of this Ashkenazim invasion.

The Jews who now control the Soviet government have tried to cover their historic tracks in order to prevent Christians in the West from stopping support for Jewish Zionism. They know, that without the support of Christians, their entire bandit venture would soon collapse. So they have taken great pains to convince the Christian West that the Soviet Union is no longer controlled by Jews, after they ruled for a few years. This is not the case however. In spite of the Jewish demonstrations we see in Moscow, emphasizing the plight of the "downtrodden Jews", so that the government would be "forced" into allowing Jews to leave Russia, is it not strange that similar demonstrations by Christians have never been mentioned in the Jew controlled press of America? Does it not seem strange to you that Christians are very seldom allowed to leave? Is it not strange that Jews are the only class in Russia who are privileged enough to leave at all? Does it not seem strange that the only class of millionaires in the Soviet Union, is found among the Jewish community who live in luxury in the Black Sea resort areas? As of 1983 twenty out of the top twenty-three members of the ruling Politburo were Jews, with Jews holding down every top position in the Soviet military and National Police Force. But this persecution of the "lesser brethren", as they are called in the PROTOCOLS, their plans are clearly spelled out in the Zionist blueprint for world control. This can be seen in historical action, when in 1948, two ships loaded with Jewish refugees were sunk with the loss of all lives. The British government was blamed by the Zionists, until years later it was discovered the ships had been sunk by MOSSAD action. Today,
all over the world, and in the United States in particular, Jews are terrorized by the strong arm boys of the Jewish MOSSAD and the JEWISH DEFENSE LEAGUE, which was formed, not to protect Jews from anti-Semitism, but to keep Jews in line with Zionist aims.

For documentation with names, places, dates, and pictures of Communist Jews who took over in Russia, see the book BEHIND COMMUNISM, by Frank Britton. This is one of the books which has been banned by the Canadian Government as "hate literature."

Yet, in spite of all the Jewish cries to the contrary, top Jewish leaders, from the beginning, have bragged about the Jewish influence that made the Communist Revolution a success. On September 10, 1920, the following excerpt appeared in THE AMERICAN HEBREW, the most influential Jewish newspaper in America:

"The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new world order. What happened in Russia, shall also, through the same Jewish mental and physical forces, become a reality over all the world." (UNQ.)

The Maccabean, the leading Jewish organ in New York, as far back as 1905 stated that the Russian Jews were planning a "Jewish revolution" in Russia and in 1917, a M. Hermalin, from New York City said: "The Russian Revolution was made by Jews. We have created secret societies and planned the Reign of Terror. The Revolution succeeded because of our convincing propaganda, and our mass assassinations in order to form a government which is truly ours." (UNQ.)

When a Christian wonders why Jewish leaders would be willing to sacrifice thousands of their own people to accomplish their goal of world domination, they should read Article II, par. 5, of their PROTOCOL, written prior to 1900, it says:

"Through the Press we have gained the power to influence, while remaining ourselves in the shade; thanks to the Press, we have the gold of the world in our hands and notwithstanding that we have had to gather it out of oceans of tears and blood. But it has paid us, though we have sacrificed many of our own people. Every victim on our side is worth, in the sight of God, a thousand goyim (non-Jew animal)."

THE STRUGGLE FOR THE BIRTHRIGHT!

What is it today, that the Jews seek to hide from Christians? This question goes much deeper than the Jewish identification with Edom. The implication goes back to the history of the feud between Jacob and Esau over the birthright, and who the Chosen People of God really are.

As most of you will remember, Jacob and Esau were the twin sons of Isaac, who had been named Israel by God. In Genesis 25, we are told that the two boys struggled in their mother's womb, even before they were born. (Gen. 25:22). Esau, being the firstborn, was supposed to have received the "birthright" blessings. However, God rejected Esau even before he was born. Romans 9:11 tells us: "(For the children being not yet born, neither having done any good or evil, that the purpose of God according to election might stand, not of works, but of Him that calleth;) It was said of her, (Rebecca) the elder shall serve the younger. As it is written, Jacob have I (God) loved, but Esau have I hated."

Because of his love for material things, Esau sold his birthright to his brother Jacob for a mess of "red beans and rice," as we would say down south. (Gen. 25:29-34.)

Esau became angry over this turn of events - angry at his father Isaac and Jacob's God (Jesus Christ) and from that point in history to the present, Esau has struggled to regain this lost birthright. The "children of Esau" want more than anything else to be regarded as the "Chosen People", and if God will not choose them and bless them, then they will choose themselves. They have done a good job of selling this fictitious position to most of the Christian world. (Read Malachi 1:2-4).

Revelation 16-18 tells us about a "great whore that sitteth upon many waters". This is a picture of the False Bride of Jesus Christ, who even now is trying to usurp the rulership of this world - the
inheritance that Jacob received that day when his brother sold his birthright for a bowl of soup. If you notice, this woman rides on the RED beast of RED communism. She is said to be drunken with the blood of saints. This beast has been said to have seven heads, which are said to be seven mountains. It is interesting to note, that though many Christian Bible scholars try and make this whore out to be the Roman Catholic church, and use as their argument that Rome sits on seven hills, Moscow is also built on seven hills. This woman is that great city that ruleth over the kings of the earth. While the Catholic church has a lot of power in this world, she does not rule over all the world, as International Zionism now does. They control every important country in the world, Communist and non-Communist, through their International Banking system of Babylonian usury.

This city spoken of in Revelation is the counterfeit, "New Jerusalem", which God was to set up at the end of time to rule all nations. The Edomite Jews have set up this false city in order to fool Christians into thinking that they (the Jews) are God's chosen people, the holders of the birthright of Abraham. They have done this through careful planning, by calling themselves Judeans, and their plans of world Zionism. They are the Jews our risen Savior spoke about in Revelation 2:9; 3:9 when He said: "Those which call themselves Jews (JUDEANS) and are not, but are of the Synagogue of Satan." (When was the last time you heard your pastor preach on this text? Probably never.)

They have succeeded in gaining a great deal of support from "brainwashed" Christians, who have been deceived as to their true history.

Thus, we can see the tremendous importance of discovering the true origin of these people we call JEWS. If Christians had known that modern day JEWS were of Edom, Gog, Magog and Togarmah, they would never have been tricked into supporting the antichrist and beasts described in the book of Revelation. But as the Apostle so clearly showed in 2 Thessalonians 2:10 and 11, because they refuse to accept the truth, "for this cause, God did send them a strong delusion, that they might all be damned (judged) who believe not the truth, and have pleasure in unrighteousness." My how that describes modern, pleasure loving church members.

**JEWISH ZIONISM PROPHESIED IN THE BIBLE**

Jesus told a parable in Luke 10 of "a certain nobleman" who was to leave and return. (Of course we know he was referring to His going to heaven and later returning). He gave his SERVANTS money with instructions to increase it in His absence. Verse 14, however, tells of another class of people who were not His servants: "But His CITIZENS hated Him and sent a message after Him, saying, we will not have this man to reign over us." These CITIZENS, were the JEWS of Christ's day. They were citizens of the remains of Christ's Kingdom on earth. At the return of the nobleman (Christ), He gave each servant what he deserved. However, verse 27 says: "But those mine enemies, which would not that I reign over them, BRING HITHER, and slay them before me." In other words, bring them back to Jerusalem and execute them! It was necessary that they be brought back to the place where they had committed their crime, in order that they could be judged legally and properly. We have similar laws on our law books, where the criminal must be tried in the county were the crime was committed. So we can see that Jesus was actually prophesying the Jews return to Palestine - NOT to inherit the kingdom, as they desire, but to be judged for their refusal to let Christ rule over them. Remember what Jesus said to the Pharisees in Matthew 21:42 and 43 - "Jesus saith unto them (Pharisees), did ye never read in the scriptures, the stone which the builders rejected, the same is become the head of the corner, this is the Lord's doing, and it is marvelous in our eyes? Therefore, I say unto you, the kingdom of God shall be taken from you (because they would allow Him to rule over them), and given to a nation (notice, not a "church" but a nation) bringing forth the fruits thereof."

In Malachi chapter one, the prophet reveals the activities of the Edomites in the latter days in reference to their false Zionism:
1) The burden of the word of the Lord to ISRAEL by Malachi.
2) I have loved you, saith the Lord. Yet ye (Israel) say, wherein hast thou loved us? Was not Esau (Edom) Jacob's brother? saith the Lord; yet I loved Jacob.
3) And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness.
4) Whereas Edom saith, we are impoverished, but we will return and rebuild the desolate places: thus saith the Lord of hosts, they (Edom) shall build, but I will throw down; and they (Israel) shall call them (Edom) the border of wickedness, and the people against whom the Lord hath indignation forever."

We can see from this passage, that God had laid Esau's mountain (nation) and heritage waste and had given the birthright to Jacob (Israel). But Esau rebelled against God and vowed to return to Palestine and rebuild. God's verdict is that He will allow the Edomites to rebuild for a season, but eventually He would "throw down" that which they have built.

A year or so ago, when I was in Canada, I saw a most interesting full page advertisement in a Canadian newspaper. It was signed by 27 orthodox Jewish rabbis from Canada and the United States. It was a warning in essence, to the Jewish people, that the Israelis now in Palestine, were not the true return to the Holy Land and that because they were trying to return through military force, God would destroy them. It was a warning to Jews, not to support false Israel in Palestine.

God has said that at the time when this destruction takes place, the Edomites (JEWS) would be known as "the border of wickedness," and would be called "the people against whom the Lord hath indignation (anger) forever." They would no longer be known as God's Chosen people, but as the accursed people of Edom, those who absolutely refuse to have the God of Jacob rule over them, those who hate the God who took the birthright from their father Esau, thousands of years ago. They will never forgive Jesus Christ for doing this to them, and they would rather die than acknowledge Him as their King. This is why Jesus told their leaders in Matthew 21:43, that the kingdom would be taken from them and given to another.

For a further understanding regarding the identity of that nation who was to inherit God's Kingdom, I would suggest reading HEIRS OF THE PROMISE, ABRAHAM'S CHILDREN, available from LORD'S COVENANT CHURCH, America's Promise Ministries, P.O. Box 157, Sandpoint, Idaho 83864

Another Old Testament prophet who speaks of Edom in the latter days is Ezekiel. Chapters 35 and 36 speak about the bloody characteristics of the Edomites (35:5, 6), their envy and hatred of Jacob for being chosen of God (35:5,11) and their burning desire to possess Palestine.

"Because thou (Edom) hast said, these two nations (Israel and Judah) and these two countries shall be mine, and we will possess it; whereas the Lord was there (35:10).

"Thus, saith the Lord: Because the enemy (Edom) hath said against you (Israel), Aha, even the ancient high places (centers of Baal worship) are ours in possession (36:2):

"Therefore thus saith the Lord God; surely in the fire of My jealousy have I spoken against the residue of the heathen, and against all Idumea (Edom), which have appointed My land into their possession with the joy of all their heart, with despiteful minds, to cast it out for a prey (36:5)."

Notice that Edom's motivation (36:2) in possessing Palestine, is not so that they may worship God, but that they may "possess the ancient high places," which were the hills on which the groves of Baal worship were located. These were the holy places of the Edomites and Canaanites, whose national religion was the worship of Baal. The Edomite Jews covet Palestine in order to repossess the ancient sites of their Baal worship. Do you remember how a few years ago, how Dr. Bailey Smith, President of the Southern Baptists said: "God does not hear the prayers of the Jew?" He was absolutely correct. It would be blasphemy for God to hear the unrepentant worshipers of Baal or any other false religion.
The book of Obediah deals entirely with this conflict between Jacob and Esau. Verses 18, 19 and 21 conclude this book with the following proclamation by God Almighty YAHWEH Himself:

18) And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau (Edom) for stubble; and they (Israel) shall kindle in them, and devour them (Edom); and there shall not be any remaining of the house of Esau; for the Lord hath spoken it.

19) And they of the south (Judah) shall possess the amount of Esau, and they of the plain (Israel) the Philistines; and they shall possess the fields of Ephraim, and the fields of Samaria: and Benjamin shall possess Gilead.

21) And saviors shall come up on mount Zion to judge the mount (nation) of Esau, and the kingdom shall be YAHWEH's (the Lord's)."

Thank God for this great promise, ye Israelites. For the evil designs of the Edomite Jews and their confederates of Gog, Magog and Togarmah, shall not succeed. Their bloody scheme for a world wide RED kingdom of Communism shall not prevail. The Messianic Age shall not be ruled by Esau's (Edom's) Messiah, but by that of Jacob, the Lord Jesus Christ, YASHUAH is His name. The great whore shall be exposed as the imposter and all the world shall recognize the true Bride of Christ, which shall be given her rightful place in the kingdom, for God has chosen her.

MARANATHA!

NOTICE: The first part of this article was sent to me years ago by an anonymous author. I rather suspect it may have been written originally by Pastor Sheldon Emry, since it is certainly written in his style. I do not take credit for writing it.

The second part WAS JESUS A JEW? will be from the works of Nord Davis, Jr., with some ideas of my own added, as taken from his STAR WARS 3.

If you are interested in receiving the full set of the STAR WARS pamphlets, write to Nord Davis, Jr., P.O. Box 129, Topton, N.C. 27781. Much of this part of the article will be Nord's ideas, possibly paraphrased at times by my own. I have tried in every way possible, not to change his original ideas.

There is a common and false assumption going the rounds in Christian circles these days, that Jesus Christ, our Savior, was or is a Jew. Yet there are no scriptural references in either the Old or New Testament where He is called a Jew or identified as one. It is rather interesting to note, that while world Jewry on one hand calls Jesus Christ an illegitimate bastard, born to a Jewish prostitute named Mary and conceived during menstruation; on the other hand they want to recognize Him as one of them and use every method possible, to "brainwash" gullible Christians into accepting a bastard religion named Judeo-Christianity, which is supposed to be based on His and Jewish teachings. Yet, anyone who teaches that Jesus Christ, the Son of the ever living God, was a Jew, is either ignorant of the truth or an outright liar.

In many pictures of the crucifixion of Jesus, we find the four letter Latin word INRI inscribed on the cross, over Christ's head. To those who know Latin, this inscription spells out: "Jesus the Nazarene, Leader of the Judeans". To those who have been "brainwashed" by Jewish teachings, it is translated to mean "This is Jesus, the King of the Jews." Since Latin was the mother tongue of Pontius Pilate, the Roman governor who gave the order for Christ's crucifixion, he was certainly able to express himself in that language. Since the word IUDEORUM meant then as it does now JUDEAN, not JEW and the Latin word REX meant "to rule or lead", not KING. (It was not until the time of the Anglo-Saxon invasion of England, that the Latin word REX came to mean KING.)

There is absolutely no foundation, either in history of that time or in the Bible for the implication or innuendo, that the Latin word IOUDAIOUS, or the English word JUDEAN (properly translated)
had any religious connotation. Any honest Bible scholar should immediately recognize that this word has only a geographical, not a religious meaning. It would be like someone asking you: "What are you?" The chances are 100 to 1, that you would say: "I am an American." Probably the only person who would come up with a religious answer to this question would be a Jew.

What are the far-reaching consequences of the proper understanding of this word? Can you not see, for instance, that the Apostle Paul was a Benjamite by tribe, a Roman by birth, and a Judean by residence? He was not a Jew by religion, even though the King James Version say he was. It was utterly impossible, since there was no religion anywhere in the world at that time by the name of Judaism. Paul states that he had been a Pharisee in Philippians. But he was converted from that false Babylonian religion called Judaism, when he met Jesus on the road to Damascus, Acts 9.

One thing Christians need to understand, is that there is no difference between the Pharisee of Jesus time and the religion of the TALMUDIC JEW today. To insinuate that Jesus, the Son of God, was a Jew who practiced the occult religion of Judaism, would be to make Christ out as a sinner. Judaism was the false religion Christ denounced over and over again, and it was for the religious leaders of this religion, the Pharisees, that He had His harshest words.

On one occasion in John 5:46, where the Pharisees had been bragging how they followed the religion of Moses, our Lord dynamited their claims by stating: "If ye had believed Moses, you would have believed me, for he wrote of me."

There are subtle and underhand reasons why these TALMUDIC ENEMIES of Christianity would like Christians to believe that their Savior was a Pharisee Jew.

The famous Jewish Rabbi Louis Finkelstein, writing in his book, THE PHARISEES, THE SOCIOLOGICAL BACKGROUND OF THE FAITH, states in the foreword: "...Judaism....Parseeism became Talmudism. Talmudism became Medieval Rabbinism, and Medieval Rabbinism became modern Rabbinism. But throughout all these changes in name... the spirit of the ancient Pharisees survived unaltered... From Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain, France and Germany; from these to Poland, Russia and Eastern Europe generally, ancient Pharisaism has wandered... demonstrating the enduring importance which is attached to Pharaism as a religious movement."

So Christian, as you read your Bible, remember, wherever the English word JEW is used, it should rightly read JUDEAN, which refers to people from a certain geographical area, not a religion.

At the time of Christ, no religion known as Judaism existed anywhere in the world. The major religion of the JUDEANS, at this time was Phariseism. It was based on a set of religious books known as the BABYLONIAN TALMUD, not the teachings of Moses and the Prophets as we have been led to believe.

Christ's primary mission on this earth at His first Advent is clearly stated over and over again. He came as a Kinsman Redeemer for His Kin, the "lost sheep of the house of Israel." (Matthew 15:24) Why do you not accept His words, rather than the false words written by a Christ-hating Jew?

Nowhere in the New Testament, is there any implication that Jesus came in a futile attempt to reform the heathen BABYLONIAN religion of Phariseeism. We should note, that by the time of Paul, most of the Israelite people living in Judea had been seduced by this false religion, which gave lip service to Moses and Moses' God, while following heathen teachings. They were seduced in the same manner that many Christians have been seduced in the Twentieth Century by Judeo-Christianity. Have you ever stopped to wonder why so many of the Sunday School lessons used in Protestant churches are written by Jews who hate Jesus Christ? Why would major denominations which goes by the name of Christian, allow this, unless they had been seduced by these Christ-haters. The Apostle Paul did battle with these Judaisers at every opportunity, just as Jesus had done before him.

While Christ came to seek and save the "lost sheep of the house of Israel," (the Greek word for
LOST is **APPOLUMI**, which literally means: "those who were put away for punishment.") It has nothing whatsoever to do with unsaved Jews, as our preachers like to aver. Scripture is absolutely silent about any attempt on the part of Jesus to persuade any of the Pharisee stock to repent. When speaking to them and about them, He used the most denunciatory language possible.

An honest review of John, chapter eight, is in order at this point and with the use of a little common sense, you will readily understand why Judaism today, is doing everything possible, to get Christians to eliminate this Gospel from the New Testament.

Among Jesus words to the **EDOMITE TALMUDIC PHARISEES** are these - why not believe them, rather than the contradictions your pastor may use to excuse the Jews.

In John 8:44, He said: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie he speaketh of his own: for he is a liar and the father of it."

John 8:47 - "...he that is of God heareth God's words; ye therefore hear them not, **BECAUSE YE ARE NOT OF GOD.**" (Emphasis added.)

John 10:26 - "But ye (Pharisees) believe not **BECAUSE YE ARE NOT OF MY SHEEP . . ."** (Emphasis added.)

Matthew 3:7 (John the Baptist speaking to the Pharisees and Saducees at the River Jordan): "...O generation of vipers (poisonous snakes), who hath warned you to flee from the wrath to come?"

Matthew 10:17 - Jesus speaking to His disciples: "But beware of men; for they will deliver you up to the councils, and they will scourge you in their synagogues." (Christian, ask yourself this question: "Who is it that worships in synagogues?" There is only one people and they are Jews. Part of this prophecy is taking place in America at the present time, as the Judaizers are hauling Christians into court, delivering them up to the councils (grand Juries.)

Matthew 12:34 - (Jesus speaking to the Pharisees.) "O generation of vipers, how can ye being evil, speak good things? for out of the abundance of the heart the mouth speaketh."

Matthew 15:9 - (Jesus speaking to the Pharisees and quoting Isaiah 29:13) - "But in vain do they worship me (God), teaching for doctrines the commandments of men." (That, my friends, is what the **BABYLONIAN TALMUD** is; the teachings of the Rabbis, which conflict with the teachings of Moses and the Prophets.)

Matthew 23:-

Vs. 13 - (Jesus speaking to the Pharisees): "Woe unto you scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men."

Vs. 14 - "Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows houses, and for pretense make long prayers."

Vs. 15 - "Woe unto you, scribes and Pharisees, hypocrites! for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him **TWO-FOLD MORE A CHILD OF HELL THAN YOURSELVES.**" (Emphasis added.)

Vs. 33 - "Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

Then in verses 34 and 35, Jesus accuses these religionists, these **TALMUDIC PHARISEES**, of being guilty of ALL the righteous blood shed on earth, from the time Cain slew his brother Abel. Listen, Christian friend. That is your Savior who is making these accusations. Listen to Him!

Are you willing to risk the charge of being blasphemous, by telling me or anyone else, that you believe your Savior came from this devil's brood and this Satanic background?

If you believe that Jesus was a Jew, then you **MUST** accept what he said about them, and that would make your Savior out to be a murderer.
As we follow the trail of the TALMUDIC PHARISEES through Jesus' expose of them in Matthew 23 and 24, we come to this interesting observation in Matthew 27:24, 25. This tells of the actions of the Roman governor, Pontius Pilate, who was not a Jew, or a member of the Sanhedrin. This Roman knew Jesus was an innocent man, he said so. He knew Jesus was innocent of wrongdoing, and in his anemic weak-kneed politicians way, he tried to save Him. But when he saw that the Jewish officials would not change their mind, and being "afraid of the Jews," he symbolically washed his hands of the affair, declaring: "I am innocent of the blood of this just person; see ye to it."

Note carefully how in verse 25 . . . Then answered ALL the people (Jews), and said, His blood be on us and on our children." (Today, the Jews are desperately trying to get this portion of scripture taken out of the New Testament. They are even getting some Christian traitors to say these words were never spoken, as indicated.)

Jesus had already said that these people were guilty, or responsible for all the innocent blood which had been shed on earth, now they were adding to the blood of the Son of God, to their list of crimes. Yet you still attempt to defend them!

Do you suppose, that Jesus Christ, who became a King at the moment of His resurrection, may one day grant the Jews their wish? Let me quote once more from Jesus' parable of the Nobleman, which we know referred to Himself: (Luke 19:27) -"But those mine enemies, which would not that I should reign over them, bring forth and SLAY THEM BEFORE ME." (Emphasis added.) Do you suppose that possibly this is one reason God is allowing the Jews to once more gather in the land of Palestine? I believe it is very possible.

Anyone with any knowledge of history knows that the curse of Matthew 27:25 has followed the Jewish people wherever they have gone. It will follow them until He returns to make His final judgment on this wicked people.

The followers of this wretched religion we call JUDAISM, which Rabbi Finklestein insists is the religion of modern Jewry, is still responsible, not only for the righteous blood shed before Christ's time, and for His blood, but also for the blood of the millions of Christians who have been murdered by Jewish-Communism. While the so-called Jewish Holocaust is constantly being forced down our throats by the Jewish controlled media, and Christian money is pouring into Jewish coffers, why is it that we seldom if ever hear about this Christian holocaust which is a thousand times worse than anything the Jews have ever suffered?

Whenever you find wickedness in the Christian church, look for the influence of the TALMUDIC PHARISEES. When you see wickedness in national, moral, social, and economic affairs, look again for the influence and guiding hand of the TALMUDISTS. Don't label me with the tag of anti-Semitism for telling you the truth. LOOK FOR YOURSELF! You don't need a seminarian, or a preacher to stand by your shoulder and tell you what the Word of God says, or what the daily news means.

The average Christian, and the majority of Christian pastors, for that matter, have not the faintest idea of the contents of the Jewish religious book known as the TALMUD. They believe it is a book similar to our Bible, or possibly a Jewish Prayer Book. It is not! It is a set of 63 thick volumes, which cover twelve feet of bookshelf. The TALMUD, of which both Nord Davis and myself have read many portions, is so degrading that sample pages cannot be shown in a pamphlet such as this. (Here I am referring to the BABYLONIAN TALMUD, translated into English by Rabbi I. Epstein in 1935 and printed in London by the Soncino Press.)

Both the SANHEDRIN AND KETHUBOTH volumes of this satanic work have a preoccupation with sex which is sickening. It gives, for instance, the authorization to commit sodomy; sexual intercourse with a baby girl as long as she is under the age of three years and one day. The right of a Jewish mother to have sexual intercourse with her under-age son. The statement that when a man has intercourse with a baby girl: "Tears come to the eyes again and again, so does virginity come back to a little girl under the age of three years." (KETHUBOTH, 11a-11b.)
In an official statement made by Rabbi Morris N. Kertzner in LOOK MAGAZINE, June 17, 1952, we read:

"The TALMUD is the legal code which forms the basis of the Jewish religious law and it is the textbook used in the training of Rabbis."

Have you ever wondered why Jewish comedians on stage and TV have such filthy mouths? READ THE TALMUD! Yet these are the same people that TV evangelists like Jerry Falwell and Jimmy Swaggart, call the Chosen People of God, the "Apple of His eye!" It is these Christ-haters they refer to when they claim to be CHRISTIAN ZIONISTS. Utter blasphemy!

In many of the larger city libraries you can find copies of THE JEWISH ENCYCLOPAEDIA. Look at Volume VIII, page 539 for instance. It is speaking about the JEWISH DAY OF ATONEMENT. (My how excited some Christians become when the Jews celebrate this day, some churches even toll their church bells to sound the KOL NIDRE. This is a traditional Jewish melody used at the start of YOM KIPPUR.)

While many preachers know the meaning of KOL NIDRE, I have known very few who had the courage to tell their people what it means. Jewish authorities states that it was added to the TALMUD around the 11th Century.

In English, it is known as the ALL VOWS PRAYER and is recited three times by the standing congregation in concert with the chanting Rabbis at the altar. Immediately following the recital of the KOL NIDRE, the religious ceremonies of the DAY OF ATONEMENT begin. This is the "Highest holy day" of the TALMUDIC JEWS, worldwide.

Here is an official translation of the KOL NIDRE OATH:

"All vows, obligations, oaths, anathemas', whether called 'konam' or 'konas', or any other name which we may vow, or swear, or pledge, or whereby we may be bound from this DAY of ATONEMENT until the next, whose happy coming we await, we do repent. May they be deemed absolved, forgiven, annulled, and void, and made of none effect; they shall not bind us nor have power over us. The Vows shall not be reckoned vows; the Obligations shall not be obligations' nor the oaths be oaths." (END OF KOL NIDRE OATH OR PRAYER.)

This oath makes it possible for a JEW to make agreements, sign statements under oath, swear in court, and if he has been to the KOL NIDRE ceremony, at the beginning of the Jewish New Year, he is not obliged by his god (Not the God YAHWEH of Abraham) to keep his word or tell the truth. None of his vows or promises are valid, as long as he remembers KOL NIDRE when he gives them. This is fully explained in the TALMUD, the book of NEDARIM, 23a-23b.

Today, as we look at our American Government and judicial system, we will see an amazing number of Pharisee advisors in government, as lawyers, and judges. Was King David predicting the advent of this KOL NIDRE OATH, when he stated in Psalm 1:1 - "Blessed is the man who walketh not in the counsel of the ungodly?"

Those of you Christian readers who may one day soon undergo the honor of being investigated by an Edomite Pharisee, acting on behalf of the American government, might do well to ask in court, "on the record", if these persons have taken the KOL NIDRE OATH. If they admit to this, then their testimony should be stricken, all evidence they give and all allegations they make, dismissed on the basis of this oath. Christ has told us that they are liars! (John 8:44)

It becomes quite obvious then, that any Christian who makes the foolish statement that "Jesus was a Jew", has never read the TALMUD, or even parts of it.
The Apostle John, on three different occasions, recorded a particular phrase which this generation of modern Christians has almost totally ignored. When you find anything repeated three times in the Bible, it is probably of special significance.

John 7:13 - "...no man spoke openly FOR FEAR OF THE JEWS."

John 19:38 - "...after this (the crucifixion) Joseph of Arimathea, being a disciple of Jesus, but secretly FOR FEAR OF THE JEWS (Judeans), besought Pilate that he might take away the body of Jesus."

John 20:19 - "...Then the same day at evening, being the first day of the week, when the doors were shut where the disciples were assembled FOR FEAR OF THE JEWS (Judeans)."

First, when Christ began to preach; second after His crucifixion, and third after His resurrection, we find Christians acting out of instinctive fear of the JEWS (Judeans?) Why? Because both Christ and His disciples knew the intrinsic character of the Edmonite Pharisees Just a few short years before this, their King, Herod the Edomite, had murdered thousands of Israelite baby boys in a vain attempt to kill the baby Jesus. They knew the danger they were in from this religious band of Judean hoodlums, who said they were of JUDAH, but who according to our risen Lord, were "of the synagogue of Satan," (Rev. 2:9; 3:9). They knew they were up against the most accomplished murderers and assassins in the world's history, those who had murdered their own prophets and who down through history were to kill millions of Christians. These are the same people who today, through their ANTI DEFAMATION LEAGUE, are trying to do away with Christians and Christianity in America. They have openly bragged of this.

Jesus Christ, the Son of God, the Word from the beginning, the Creator of the universe was murdered by these Edomites on false testimony, (see Matthew 26:59-62; Mark 14:56, 57).

When Jesus died on Mt. Calvary, the second prophesy of Genesis 3:15 came to pass, as the Seed of the Serpent (see John 8:44), bruised the Christ's heel. The "bruising of the serpent's head" is still in the future, but it will come to pass, and I pray that I will still be here to see and take part in that great event. God willing!

It is interesting to note how in the Matthew 27:54 account of the crucifixion, the Roman centurion who was in charge of the execution, a grizzled old veteran of many of Rome's wars, when he saw the events unfolding around the execution of this just man, was afraid and publicly admitted: "Truly, this man was the Son of God."

On the other hand, the Talmudic Pharisees, who were responsible for His murder mocked Him as they said: "Thou that destroyest the temple, and buildest it in three days, save thyself, if thou be the Son of God, come down from the cross." Likewise, the JUDEAN officials, the scribes and the Chief Priests said: "He saved others; Himself He cannot save. If He be the King of Israel, let Him come down from the cross, and we will believe Him."

A heathen Roman had more sense at this time than all the Judaic leaders. He knew Jesus was the Christ and I truly believe at this moment he was saved.

Valuable lessons may be learned once Christians grasp the concept that ALL the righteous blood shed since the time of Cain, can be laid at the door of the Pharisees and their children.

Directly, or indirectly, the Holocausts which have taken place in the Christian world, and their have been many, far exceeding anything done to the Jews during WWI. By studying from Jewish sources, one can see that the so-called Jewish Holocaust of WWII was generated by one class of Jews against another, which resulted in the killing off of millions of the "seed of the woman." (For further confirmation on this, I suggest you read Mr. Davis', STAR WARS #2.)

Today, many Bible scholars lay the blame for the inhuman cruelties of the Spanish Inquisition at the door of the Spanish Catholic Church. It is true, that Protestantism was almost wiped out in Spain during this terrible period. But the Inquisition was not begun against Protestant Christians, but
against a class of Jews called MARRANOS. These were Jews who had infiltrated the Catholic church under the guise of conversion. Men like Jack Chick, insist that the Great Whore of Babylon took over control of the Catholic Church and from that time on, Christianity in that church took on the trappings of the heathen among whom they lived. He is very careful however, as are other Bible scholars, never to mention the fact that the Main Inquisitor during this period, a man named TORQUEMADA, was a leading Spanish Jew who supposedly converted to Catholicism. The peribd prior to the Inquitision, was a Golden Age of Jewry in Spain, as they took over Church and State, financially, educationally and ecclesiastically. The Inquisition was begun as a means of cleansing the Catholic church from this Jewish influence. (For confirmation of this from a Jewish source, read Cecil Roth's book MARRANOS, Jewish Publishing Society of America.)

It is no coincidence, that of all the ancient enemies of Israel, the name Babylon is reserved for the "end time." There are many heads and horns to Babylon, but its connection in these days comes through its TALMUDIC-PHARISEEISM. Those Christians who love to parrot the phrase, JESUS WAS A JEW! have one thing in common, they have never read the TALMUD!

In his two volume book, HOUSE OF NASI, the Jewish author Cecil Roth makes an interesting comparison between the activities of his Talmudic forefathers and what happened with the Orthodox Jews in Hitler Germany. His historic account matches that of Edwin Black, another Jew in his book THE TRANSFER AGREEMENT, The Untold Story of the Secret Pact between the Third Reich and Jewish Palestine, (Macmillian Publishing Co., N.Y. 1984). Mr. Black who is the son of a Jewish survivor from Germany, tells about the two classes of Jews who existed in prewar Germany. The German Jews who called themselves HOFJUDEN, "courty Jews," while the Polish and Russian Jews were referred to as "those miserable darkened Hebrews." Black claims that the American Jews considered themselves to be HOFJUDEN and this was the reason they had little concern for the Polish and Russian Jews (Is it possible that anti-Semitism can be found among the Jewish people?)

Hitler had little love for "those miserable darkened Hebrews," from Poland and Russia, but he could never have come into power without the aid of the HOFJUDEN.

The Jewish persecution of Christians is clearly pictured in the New Testament and in early Christian history. In Acts 12:1-3, we read how King Herod, "Vexed certain of the church. And killed James the brother of John with the sword (notice carefully now). And because he saw IT PLEASED THE JEWS, he proceeded further to take Peter also."

This Jewish persecution spread wherever the church went. The terrible persecution by the Roman Emperor Nero was encouraged by his Jewish wife, according to historians of that time.

Peter, in 1 Peter 4:12,13 addressed a message of comfort to the suffering Christian of his time when he said: "Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as you are partakers of Christ's sufferings: that, when His glory shall be revealed, ye may be glad with exceeding joy." Paul echoes this in Romans 8:17 - "... if so be we suffer with Him, that we may be glorified together."

Following the Jewish persecution of the First Century, which has actually never ended, the fury of pagan persecution fell on the church as they refused to give "licit" to Caesar. This means they refused to put Caesar first. Like in Russia today, men and women were free in Rome to worship any God they choose, as long as they were willing to put Caesar first. The Christian church refused to do this and became known as "religio illiciti", or an "illegal religion."

But the record of torture and persecution, down through the ages, always had an undertone of Jewish connection.

While millions of Christians died, often at the hands of other Christians (?) during the Dark Ages, many millions more have died in modern times through the Jewish persecution of ZIONIST COMMUNISM. Yet, strangely enough, it is only the Jewish Holocaust which is mentioned by our
Christian people, especially Patriotic Christians can expect another wave of final, bitter persecution before Jesus returns, at the hands of the Jews. I believe it has already started in America. This will be the persecution spoken of in Rev. 6:11 - "They (the dead Christian martyrs) should rest for a little season, until their brethren, that should be killed as they were, should be fulfilled." Yet, how can this happen, if the Church is raptured out of the midst of this trouble, as men such as Falwell and Swaggart preach.

The period of intense evangelism we saw at the end of World War I, also brought a Zionist conspiracy to the war weary world called Communism. It rose in Russia, a brainchild of worldwide Zionism, supported by their money, with Jewish leaders in the prominence. It engulfed a third of the world in less than seventy years and killed and tortured more Christians in that period, than had been killed in all the 1900 years that preceded it.

Now the "little season" of Revelation 6:11 is almost at an end. The Age of the Martyrs, which began with the Jewish stoning to death of Stephen in Acts 7, is coming to its final, gory termination.

After many years of trial and persecution, the church, made up for the most part of saved Israelites (not Jews), entered a period of world-wide evangelistic effort that carried the Gospel of personal salvation to the ends of the earth.

The days of persecution and evangelism were closely interwoven and an early church father, Terrulian spoke prophetic words when he said: "The blood of the martyrs is the seed of the church."

Today, as never before in history, the descendants of Esau are determined to have their way. They will fight against God, in their effort to prove to the world that they are the Chosen people, who own the lands of old Palestine. At the present time they seem to be prospering beyond all reason; this is why some believe their story, for they say God is blessing them. But God does not balance His books at the end of every year, and we know, from the scriptures, that this time of Jewish rule will be brief, if bloody and that our God, Jesus the Christ, YASHUAH, will be triumphant and will take His place on the throne of David, as King of Kings and Lord of Lords. Nevertheless come quickly, Lord Jesus! MARANATHA!!!
Who Are You
And Why Are You Here?

By

In Psalm 8:4-6 we read: "What is man (or who is man) that Thou (God) art mindful (Heb. "zakar" - 6485 meaning: "to remember; to make mention of; to think well of") of him? and the son of man that Thou visiteth him? (Heb. - "paquad" - 6485 meaning: "visit with a friendly intent; to oversee; to remember"). For Thou hast made him a little lower than the angels, and hast crowned him with glory and honour. Thou hast made him to have dominion over the works of Thy hands; Thou hast put all things under his feet." (Control).

The inspiration for this message came from my third reading of PRIMOGENESIS, an inspirational book written by Dr. Howard B. Rand, Merrimac, Mass. I appreciate his permission to use parts of his book in this message.

Have you ever wondered why God chose this earth, one of the smallest planets in the vastness of heaven, as the home for His creation, and special people?

The Psalmist evidently was concerned with this when he wrote in vs. 3 - "When I consider Thy (God's) heavens, and the work of Thy fingers, the moon, and the stars, that Thou hast ordained ("set up; fashioned").

If God planned to crown His creation with "glory and honour". They why did He choose this little planet earth for His purpose?

As we study this question "Who or What is Man?" we must come to the logical conclusion that God chose this planet for a definite purpose, which was the development of the human race.

Knowing that the Law of God is "immutable" (not subject to change), we can know for a certainty that all mankind did not come from the original parentage of Adam and Eve. To have had black, white, yellow, red and brown people come from a common heritage, would have broken the law of the Creator, when He ordained "in the beginning," that everything should "produce after its own kind!" (See Gen. 1:12, 24, 25).

There is some theological question over whether the "male and female" creation of Gen. 1:26, and 27 was the "formation" of ADAM (male-singular) in Gen. 2:7. I am inclined to believe there were two distinct acts involved here. The "creation" of man (male and female) out of nothing in Gen. 1:27, comes from the Hebrew word "bara" - 1254, which means: "to make; create out of nothing."

Notice that this "creation" was viewed by God as being "very good." Vs. 31.

But in Gen. 2:5, we read a strange statement: "...and there was not a man to till the ground." Following, in verse 7 we see where God "formed" AU-DAUM, out of the dust of the earth (male only) and did something which is not reported in Chapter 1. He "breathed into his (AU-DAUM'S) nostrils the breath of life, and AU-DAUM became a living soul."

Let's look closely at a few key words in this Genesis 2 account. Here the word for "man" is "Adam" - 120. It can have several meanings: "to show blood in the face - in other words, be capable of blushing. Only the white race can do this; to be of a ruddy complexion; a human being; a common sort; a man of mean or low degree." It is essentially the same word which is used in Genesis 1.

But we notice a distinct difference in the Genesis 2 account. Here God "forms" AU-DAUM, (not male and female,) as in the first account, but male only, out of the "dust of the earth." (Here the
Hebrew word for "formed" is "yatsar" - 3335 which means: "to squeeze into shape; to mould into a form; to fashion with a purpose.") Notice that the Genesis 1 account is a "creation out of nothing," while the Genesis 2 account is a "formation" out of the "dust of the earth."

Then notice another difference in Genesis 2:7, where it says that God "breathed into AU-DAUM'S nostrils the breath of life, and AU-DAUM became a living soul." The Hebrew word for "breathed" is "naphach" 5301 meaning: "to inflate; to blow; to cause to live." The "breath" comes from the Hebrew "nsamah" - 5397 meaning: "divine inspiration; vital breath; intellect; soul; spirit."

The word for "life" is "chay" - 2416 meaning: "alive; living thing; living creature."

Notice that it was the "formed" man AU-DAUM, who was placed iii the Garden (Gen. 2:8) to "dress it." The word dress means "to work; to serve; to be a husbandman."

The "creation" of Genesis 1:28 was given "dominion over every living thing." The "formation" of Genesis 2, was ordered to be a "husbandman;" caretaker of the Garden.

Now I am not going to be presumptuous enough to say that the "Creation" of Genesis 1 did not have a soul. There is no Scriptural evidence of this. I do not have to make an assumption, since Scripture tells us the truth about these two, distinct groups of mankind, no matter what theologians say to the contrary. (Read Genesis 1 and 2 very carefully and see for yourself.)

We do know, from the biological laws of God, which are as "immutable" as the Law of Gravity, that God ordained that "like should produce like." Therefore we know, that the various races of mankind, with their many differences, could not have come from a common parentage. To have done this, would have required the Creator to break His own law and this He never does!

In order for us to more fully understand the differences between races, we must be honest enough to admit that there are differences in bone structure, hair, color of skin and according to biologists, a difference in the structure of the blood. We know from reading the Bible that iii the beginning, God set the boundaries of their habitation. (See Acts 17:26). Here the Greek word for "bounds" is "horosheia" - 3734 meaning: "limit placing; boundary lines." The word "habitation" comes from the word "katoikia" - 2733 meaning: "Place of abode; residence." The word "blood" is "haima" - 129 meaning: "kindred." The word "nation" as referred to here is "ethnos," 1484, which means: "a race; nation; people."

Deut. 32:8 indicates that God Himself divided the "inheritance of the nations" when He separated the "sons of Adam (white race) and "set the place (bounds) of abode of the people."

The Bible, from the 2nd chapter of Genesis to the end of Revelation is written primarily to and about one people. This is the seedline of AUDAM, the white man who shows blood in the face. It begins with Adam and Eve, then continues through Noah who was "perfect in his generations," (of pure white blood,) or until a special family from this race is called through Abraham in Genesis 12:2, 3 (the blessing and cursing in this chapter, by the way, had absolutely nothing to do with a people we now call Jews, although this is what is generally taught in our Judeo-Christian churches. These people called "Jews" did not exist until almost 1200 years after the time of Abraham, when they first appear in 2 Kings 16:6 and are fighting against Israel. To call Abraham a Jew is the height of intellectual dishonesty.)

From Abraham, through Isaac and on to Jacob, the "usurper", who after being cleansed of his avarice and trickery, became known as Israel, a "prince with God," (Gen. 32:28).

From this point on, about 1739 B.C., both the Old and New Testaments were written for and about this special family, which had been chosen by God from all the families of the earth for a "special purpose." In Amos 3:2, we find God speaking to Israel and saying: "You only have I known of all the families of the earth; therefore (because of this) I will punish you for your iniquities." He then asks a very searching question in vs. 3 - "Can two walk together, except they be agreed?" Other races and nations are mentioned throughout the Bible, but only as they come in contact with the Israel people.
The New Testament begins by stating that it is the "Book of the generation of Jesus Christ, the son of David, the son of Abraham.

These were a special people, set apart for a special purpose, to be His ambassadors to the rest of mankind. It was to these people, specifically that Jesus came as a Savior. He said so Himself, "But He (Jesus) answered and said, I am not sent but unto the lost (banished for punishment for disobedience) sheep of the house of Israel." When Jesus sent His disciples out by twos to preach the Gospel of the Kingdom in Matt. 10:6, He specifically told them not to go into any city of the Samaritans, or into the way of the Gentiles (non-Jew nations), but "Go rather to the lost sheep of the house of Israel."

The Apostle John reiterates this in John 10:26, when Jesus speaking to the rulers of the Jews, tells them: "Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP." (Emphasis mine.) This seems mighty plain and to the point to me. Why is there an argument among His followers over whether Jews are the Chosen people, when Christ says here they are not?

Again, let me make it plain that Christ was not speaking about people who were spiritually lost, when He spoke about the "lost sheep of the house of Israel." The English word "lost," comes from the Greek word "appolumi" which means to "destroy; or perish." It is made up of two root words, "apo" which means to "separate; depart; cessation" and "ollumi" which means to "destroy; ruin; punishment." In other words, these "lost sheep" were the Israelites who had been banished from their homeland as punishment. All of the New Testament is addressed to these people as can be seen in Gal. 1:1; Eph. 1:1; Phil. 1:1; Col. 1:2; 1 Thess. 1:1; 2 Thess. 1:1; Titus 1:1; James 1:1; 1 Peter 1:1; Jude 1 and Rev. 1:4.

Have you ever wondered why men were the size they are. When you see the extremes of nature, from the invisible atom, to the immensity of the planets floating in space, why are men universally about 5 ft. 8 inches to six feet in height? No doubt, God had something specifically in mind when he made man and women the size they are.

The Bible indicates that God has specific plans and purposes for His creation. That's one reason I don't like to hear Identity preachers, or any others, refer to "dark skinned people" as "mud people." Regardless of what you think of them, the Bible says that God looked on them after their creation and "Behold, it was very good!" Who are you or I to downgrade God's handiwork?

The Bible tells us of a time, when this world will be free of sickness and deaths caused by war. Yet today, multitudes are disturbed by what has been called a "population explosion," especially among the Third World nations. But what will be done with that tremendous population that will result from a world free of the deaths caused by sickness and war? Does God have a solution for all these problems, or is He leaving it up to humankind to find a way out of the maze it is now in?

We can be sure God has a plan, if men are willing to listen to Him and do things It is way. If God is the center of ALL creation, as we believe, then His plans and purposes encompass the entire universe, not just this tiny planet earth. Even with modern inventions, mankind has not yet been able to explore the infinity of smallness, nor the infinity of greatness.

We don't know very much in reality about outer space. Our most powerful telescopes will reach out only a few thousand light years into outer space. (This is the speed of light, traveling at approximately 187,000 miles per second, multiplied by 60 seconds in a minute, 24 hours in a day, 365 days in a year. A stupendous distance which our finite minds cannot grasp.) Yet scientists know this universe goes far beyond mere "light years."

Could it be possible, do you suppose, that God will provide for men and women who graduate with honors in His Kingdom, to go on and explore and possibly populate these remote regions? Is this what Jesus meant when He told His disciples in John 14:2: "In my Father's house (Greek - "oikia" - 3614, meaning: "residence; abode; a family household.") are many mansions (Greek - "mane" - 3438 meaning: "residences; places of abode.") ... I go to prepare (Greek -"hetoimazo" - 2090
meaning: "to prepare; provide; make ready.") a place (Greek - "topos" - 5177 meaning: "a larger particular locality; location; home; quarters") for you."

We could translate this to say:

"In my Father's place of abode are many residences. I go to make ready a home for you."

Then He went on to say: "I will come again, and receive you unto Myself; that where I am, there ye may be also."

Is this the heaven we have been told about in our churches, where we have somehow or other been given the idea of people dressed in white, with angel's wings, sitting around on a fluffy cloud for eternity, strumming on a harp and singing praises to God and the Lamb. I think not! Solomon recognized God's "home" as all the universe, when he wrote in 2 Chron. 6:18 - "behold, heaven, and the heaven of heavens cannot contain Thee..." The Father's House includes His entire creation. It is not some compartment on the 1200th floor of the New Jerusalem, as some seem to think it is. One man recently, who has been praised and promoted by Jimmy Swaggart, is supposed to have visited heaven, spoke with Peter and others, and was shown the apartment where he will dwell through eternity. If you believe "fairy stories" such as this, you are a candidate for the "funny farm." You will find nothing about these kind of experiences in the Bible.

There are many places possible for residence in the vastness of the universe. Could men and women be in training here for responsibilities which may lie ahead? Could it be that when Jesus said: "Other sheep I have which are not of this fold, them also I must bring," (John 10:16), that He may have been referring to human life on another planet? I don't know and neither does anyone else! I do know that the Apostle Paul was given a glimpse into the hereafter and it was so stupendous he wasn't even sure of what he had seen. It did cause him to say in the words of the Prophet Isaiah (64:4) - "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him," (1 Cor. 2:9).

The Bible indicates that not all of the Israel people will be able to attend the Marriage Supper of the Lamb, when the Son of God is reunited with His bride, Israel. (Not the "church" which is the "body" of Christ, but His "Bride.") (For further information on this, carefully study the Parable of the Ten Virgins, Matt. 25:1-13). There will be Israelite men and women who will be qualified to "rule and reign" with Him, only because they have been "overcomers." (You don't become an "overcomer" by hiding in an air conditioned spiritual foxhole, asking God to come back and rapture you out of the mess, your apathy has caused.) We -read in Rev. 2:7 that those who "overcome" will "eat of the tree of life, which is in the midst of the paradise of God." In vs. 11 we are told: "he that overcometh shall not be hurt by the second death." vs. 17 - "he that overcometh will I give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written..." Vs. 26, "to him that overcometh and keepeth my works unto the end, to him will I give power over the nations". In Rev. 3 this same theme continues in vs. 5 - "He that overcometh shall be clothed in white raiment, and I will not blot out his name out of the book of life, but will confess his name before my Father and His angels." Vs. 12 - "He that overcometh will I make a pillar in the temple of God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God; and I will write upon him my new name."

Remember now, this is our Risen Lord, speaking to the Apostle John. Vs. 21 - "To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in His throne." In Romans 8:17 we are told: "...if so be that we suffer with Him (Jesus), that we may also be glorified together." 2 Timothy 2:12 - "If we suffer, we shall also reign with Him; if we deny Him, He also will deny us." You see, my friends, "ruling and reigning with Christ" does not come automatically. Just because you are a saved Christian, does not mean you will reign with Him. Only those who have "overcome" will be given this privilege. I believe that our present life may well be a "postgraduate course" in greater responsibility for what is to come.
This "postgraduate course" which some men call the "Kingdom Age," will be that period when Jesus Christ YASHUAH, will sit on the throne of David and reign over all the universe as King of Kings, and Lord of Lords, as He administers the perfect Law of God.

This period will come about in God's own good time, in spite of every opposition from the enemy. In Psalm 2:1-3, we read about the reaction which can be expected from the world's leaders to Christ's Kingship: "Why do the heathen (nations) rage, and the people imagine (ponder over) vain things (worthless). The kings of the earth set themselves (in rebellion against God) and the rulers take counsel (sit down together to consult) together against the Lord and His Anointed (Jesus), saying: 'Let us break their bonds (no longer obey God's Law) asunder, and cast away their cords (chains of the Law) from us."

And God's reaction is given in verse 4: "He that sitteth in the heavens -. shall laugh; the Lord shall have them in derision." (Hold them in contempt.)

Unfortunately, there will be some Israelites among this rebellious group, who will not qualify for the kingdom. These will be those who rebel against the King and His Law, who are more interested in "doing their own thing," than in obeying Him. They will show by their actions, their unfitness for continued existence in God's perfect creation. In Ezekiel 20:37 we read of these. Remember now, that God is speaking to Israel in these "latter days." "And I (God) will cause you (Israel) to pass under the rod (meaning a stick used for punishment or correction), and I will bring you into the bond (compact; agreement) of the covenant: and I will purge out (clean) out from among you the rebels (those who refuse to follow God's Law), and them that transgress (see I John 3:4) against me; and I will bring them (the Israelite rebels) forth out of the country where they sojourn; and they shall not enter into the land of Israel: and ye shall know that I am the Lord."

While scientists cannot understand or come to a conclusion about how the universe was born, we through the power of faith can understand. We know the truth that: "In the beginning was the WORD, and the WORD was with God, and the WORD was God. The same was in the beginning with God. All things were made by Him, and without Him was not anything made, which was made." (John 1:1-3)

We have seen the evidence of His power in the lives of millions of men and women who have been changed through His Divine power.

Let me say here, that it is impossible for you to believe the theory of "biological evolution" and believe the Bible. They are incompatible! I know many scholars, including some who claim to be Christian, who will argue about this, but I base my arguments on the Word of God, not what Dr. Ph.D. says is so.

In the Garden of Eden, our mother Eve was tempted. Not by a beautiful apple on a tree, nor by some seductive sexual force, but by the suggestion of an evolutionary theory. This theory is that man can reach the status of God. This idea was promulgated about 150 years ago by a German Jew named Ludwig Feurbach, who stated: "Man will finally be truly free, when lie realizes that there is no god of man, but man himself." This idea became so firmly rooted in the diseased brain of a young Jewish radical named Karl Mordecai Marx, that it became the bedrock on which modern communism was built.

The adversary in the Garden tempted the woman by saying in essence: "The reason God does not want you to eat of the fruit of the the tree of knowledge of good and evil, is not because you will die. You will not surely die! But God does not want you to become wise like He is and that is what will happen if you eat of this fruit."

In a like manner, if the enemy can convince our Israel people that they evolved from some lower form of life, then they can be convinced that they can raise themselves by their own "bootstraps" to the level of God.

in the Communist textbook, PSYCHOPOLITICS, first used at the Lenin School of Psychopolitical
Warfare, University of Moscow in 1933, we read on p. 35: "Man is an animal and his entire reasoning capabilities, even his ethics and morals depend on his stimulus response mechanisms.

On page 9 - "Basically, man is an animal who has been given a civilized veneer." On page 30 "Man is an animal. He understands in the final analysis, only those things with a brute understands." On page 39 "Just as a dog can be trained, so can man be trained," and on page 42 - "In any nation under conquest, the first things which must be degraded is the state of man himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reaction patterns. He must no longer think of himself, or his fellows, as capable of spiritual endurance or nobility."

How is this degrading done? Through the teaching of the evolutionary theory. In this theory, men are children of apes, instead of children of God.

There have always been intellectual folks, down through the ages, who say they can't believe anything which can't be explained. But if this was true, they would have to do away with many modern conveniences. For instance, I have never heard a television technician who could explain how television works, yet people continue to use it.

Can you explain to me why in the spring a cow, a sheep, a pig and a chicken eat the same grass, yet the cow grows hair, the sheep grows wool, the pig grows bristles and the chicken grows feathers? Of course you can't and neither can any biologist no matter how smart he may be. But that doesn't keep you from using these food products.

The greatest biological minds of all ages are stumped by the simple fact that if you plant a pole bean, it will always grow around the pole from right to left. If you plant a hops plant next to it, that plant will grow in the reverse direction and if you try and reverse directions of growth, the plant will die.

I look at my watch and as an ordinarily intelligent fellow, I know that somewhere behind that watch was a watchmaker. No one is going to get me to believe that it came about by a "fortuitous concurrence of atoms," as the brilliant Huxley explained life.

I look about me and see the evidence of a Creator everywhere. I look in my backyard, for instance and see a banana tree, an oak, a pecan, a fig tree and a pine. All growing in the same soil, all warmed by the same sunshine, all using the same air. Yet each one is different. They have different barks, different leaves, and different fruit. Explain that, if you can! Why? No one can explain it, but that doesn't keep us from using their products.

It is only when it comes to God, that men and women want to rebel and say: "You don't want to face the facts." My answer is: "We are not disputing facts!" Let me illustrate with a simple example. We know that a cow gives milk, that is the nature of the beast. But a milkweed also has milk and so does a coconut. So suppose brilliant mind comes along and tries to tell you that because the cow gives milk, and the milkweed has milk, and the coconut contains milk, they are related and come from the same source. You would laugh them out of existence!

So just because rebellious men and women resemble animals in some ways and there have been times when I have dealt with men, when I begin to realize why I like dogs. Yet, there is still a vast difference, an unbridgeable gap between man and animal, put there by the Creator Himself. If scientists can't get cats and dogs to inter-breed, they don't have much chance of hoodwinking me by saying my ancestors were apes. Because I know better!

A few years ago, I was lecturing at the University of Nebraska in Lincoln. After my speech, on the United Nations, a history professor took exception to some remark I had made concerning God. He was a shaggy dog type, with long hair and a shaggy beard. As he rose to his feet he intoned: "A'hm Dr. Brown from the History Department and everyone with any intelligence knows that God is dead, if He ever existed in the first place." Now how do you answer an intellectual idiot like that? Then a light bulb went off in my brain and I remembered a verse of Scripture, Ps. 14:1, which says:
"The fool has said in his heart, there is no God!" It doesn't say he believes that, but this is what he says. So I told Dr. Brown: "Sir, the point you have just brought up was answered over 3500 years ago by one of the smartest men who ever lived. He said: 'The fool has said in his heart, there is no God. But sir, you are worse than that Old Testament fool, because he kept it to himself while you are blabbing it all over the university.' For some reason or other, he "lost his cool."

I strenuously object to this kind of stupid reasoning, because if man believes he came from some lower animal, he is going to look back down to the beast, rather than up to God. If he believes he was made in the image of God, he will want to look to his Creator for his inspiration.

I detest the "evolutionary theory", because when it is carried out to its logical conclusion, whether "theistic" or "atheistic," it robs Jesus Christ, the "second Adam," of His Divinity and this is exactly what it is designed to do. The "evolutionary Christ" has never saved anyone and never will, for He is incapable of doing it.

Ask yourself one simple question: "Could mindless atoms, coming together by chance, cause this marvelous body of ours to develop?" It's a scientific impossibility and you know it! It's as natural for a small child to believe in God, as it is for them to breathe. They know there is a superior Being. You have to educate men and women into becoming fools.

How can you or I guess as to why we were put here on earth? No way! But when you learn, through the Bible that men and women can become the "children of the King of Kings," through Jesus Christ and that this earth is your royal inheritance, then you begin to realize for the first time that the most important thing you can ever learn, is God's will for your life.

We used to sing a wonderful old song that went something like this:

"I once was an outcast stranger on earth,
A sinner by choice and an alien by birth;
But I've been adopted, My name's written down,
AN HEIR TO A MANSION, A ROBE AND A CROWN, I'm a child of the King!"

God comes to man and woman and says: "All this is yours and I, even I, with all my sovereign power, will not restrain you. Do things as you like, but remember this. For every ounce of your strength; for every atom of your influence, for every moment of your life. I will hold you accountable. All I ask is that you obey my Law, which I in my infinite love and wisdom, have given for your happiness and protection."

So we find three key verses in Scripture which cover man's existence. First, the statement of creation itself; second, the laws governing the continuation of life, and the explanation of man's presence on this earth.

The Bible begins with a final, uncompromising statement; "In the beginning, God created the heavens and the earth." Take it or leave it! God offers no explanation as to why He undertook the task. He wastes no time on details. He stakes His reputation on that one statement. He gives no apologies as to the methods He used. He says He did it! He asks you and I to believe Him! To accept His word in faith and here is where the bone of contention comes in. The educated "fool" wants a detailed explanation. None of this "simplistic stuff," if you please!

If you don't like the Bible account of creation, then let me ask you to provide a more logical one and I'm not talking about this "monkey business," I'm talking scientific evidence. If you ask why I accept God's explanation, I'd have to say: "Who is more qualified to make this statement, the One who did the job, or some atheistic doubter who comes along thousands of years later and who is merely guessing at what happened?"
For the most part, our Bible was written by uneducated men, in the modern concept of education. Few of them had college degrees. Yet the Bible grapples with the problems of modern America, as though it were written specifically for our time. It confronts the human race, from the dawn of creation, to our world today and beyond tomorrow, putting up sign posts warning of dangers ahead if we refuse to heed them and blessings if we obey.

Let the atheists and agnostics produce a better book if they can. The Jews tried and came up with the Babylonian TALMUD, which contains the wisdom of their religious leaders for a thousands years, and it comes out as a "mist-mash of filthy trash!"

Let the greatest minds of men go to the storehouses of knowledge and I challenge them to come up with anything as pure, good, noble and inspiring as the Bible. Let them glean from the fields of geology, botany, astronomy, and science... let them go to the museums of the world and to its great libraries and embody their findings in one book. My friend, I would stake my life on it, they could not come up with a book which was even able to "touch the hem of the garment," of this book we call the HOLY BIBLE.

There is no doubt that men are growing in knowledge. The Bible predicted a time like this before the "end of the age." Man has gained mastery over the forces of nature which have been hid to him for ages. He has computed as units of power, the electricity that lights our streets, our homes and powers our factories; the secrets which have been wrapped up for ages. The lighting that flashed in the skies for ages and was regarded with awe by our forefathers, has become man's "errand boy," to carry his thoughts on the wings of light through the telephone, radio and television.

In every line except character building and decency, man has excelled. The world has literally been made over in my lifetime. I realize there are brilliant men such as Arthur Schlesinger, Jr., who believe that men can become better and better until they reach the heights of God. Listen as he puts his thoughts in words: "Modern man has done away with absurd myths about heaven and hell and believes that heaven on earth is a better goal than heaven in the heavens. The idea of sin has become outmoded and modern man believes that lie can produce a heaven on earth through a combination of technology and his innate goodness; through this, we can produce a heaven on this earth."

But where is the evidence of this thinking? Where is the evidence that this kind of thinking has produced a better world. It just doesn't exist. Those of you who can look back over the past fifty years of American history must agree with me, if you are honest people, that we have been on a downgrade in America in every effort, moral, spiritual, political, militarily, economically. You can see this "downgrading" process by reading your controlled news and watching controlled television. Sure there have been many strange and wonderful changes in the world, some of them good, many of them bad. While we have about eliminated small pox and diphtheria from the list of diseases which have decimated mankind, we now have cancer that kills more every year, in spite of the billions of dollars we spend on research. Now we have the terrifying killer, AIDS. Over 50,000 people die yearly on our highways, more than 30,000 of these deaths due to drunken driving. Yet we subsidize and advertise the use of alcohol as being socially acceptable.

We can now kill more people, more efficiently than at any time in history - hundreds of thousands can be wiped out with one bomb. Yes, we have made a lot of progress in the past fifty years, but we have made absolutely no progress on bringing heaven to earth, because left to his own designs, man is incapable of bettering himself. The Bible tells us rather clearly in (Jer. 17:9) that the heart of mankind is "deceitful above all things, and desperately wicked: who can know (or understand) it."

Romans 3:12 says that "They (mankind) are all gone out of the way, they are together become unprofitable: there is none that doeth good (naturally), no, not one!"

I have been severely criticized by some Identity pastors because I tell our people that our major problem is not with the Jews, or the aliens in our midst, but is with our own Israel people. The curses of God, which are now falling on the Israel people worldwide, are not caused by any enemy, such as International Jewry, they come about because of the willful disobedience of rebellious
Israelites who "want to do their own thing," rather than obey their God.

We have gone so far afield from the truth, that most of our Judeo-Christian churches are preaching a false Gospel which says that Jesus did away with God's Law on Calvary, although He Himself said: "I came not to destroy the law but to fulfill it."

Man's failure to better himself should indicate the desperate need we have for a Savior. This is the only truth a man or woman needs to know to become a child of God. You don't have to be a college graduate, thank God, to understand the simplicity of salvation. The essential truth is found in John 3:16 and that is all you need to know, to pass the first phase of being a Christian. You don't have to understand the miracles of God. You don't have to comprehend His miracles of science. All you need to know is that you are a sinner and that Christ died for you and then you need to be "called by the Holy Spirit," for you will never be saved on your own volition, without the intercession of the Holy Spirit. The Word says: "For as many as are led by the Spirit of God, they are the sons of God," (Rom. 8:14).

This is especially true, in a most wonderful way, if you are an Israelite. For Christ came first to you, because you are His blood relative. He became "kinsman redeemer." If you have been led by the Holy Spirit to see your need for forgiveness, and come seeking His forgiveness, then He is willing to meet you more than half way, like in the story of the Prodigal Son (Luke 15:11-32).

Sadly enough, intellectual minds down through the ages have always been disturbed that they are sinners and they don't like the idea that they can't save themselves. They seem to feel that they are on a plane above other humans like you and I and their disturbance always begins with the creation story. Why?

I believe it because if they accept the idea of a Creator, then they will be forced to acknowledge God as supreme and this their intellectual minds will not allow. So as the Apostle Paul said: "Professing themselves to be wise, they became fools," (Rom. 1:22).

For this reason they come up with all sorts of implausible theories about how the world came into existence. Few of them can agree on any of the details, other than that there is no God. So why worry about Him? These people are called atheists. They have been around for centuries.

One of the reasons I would not want to be an atheist, is that God looks on them as being "fools." (Ps. 14:1). It doesn't say they believe there is no God, but they force themselves to believe something they know is not true. In Eph. 4:18, we read that "Having their understanding darkened, being alienated from the life of God through the ignorance that is in them, because of the BLINDNESS OF THEIR HEARTS." In other words, their ignorance is a deliberate thing. They don't want to know the truth! These are the idiots who say in essence: "Don't bother to give us the facts; we have already made up our minds!"

These are the Judeo-Christian crowd who says: "Don't tell me that the Jews aren't the children of Abraham; the Bible says they are and that makes it so." Only the Bible does not say that. When I asked a dear Christian lady in Dallas, if that included Sammy Davis, Jr., she got mad and walked off on me.

When I first went to my pastor, the minister of a little Fundamentalist Baptist Church and tried to show him what I had learned during a summer of study from the Bible and history, he literally screamed at me: "I already know what the Bible says about the Jews; you can't show me anything!" Of course, with this kind of a mind set, he will never learn the truth. "Professing themselves to be wise, they became fools."

Let us suppose for a moment that you were having trouble with your eye sight. You went to a doctor to find out what was wrong. He said to you: "Of course you can't see, you poor fool. You're eyes are closed.

Open your eyes and maybe you will be able to see." This is what has happened to millions of our Israelite people. They don't want to see, so they keep their eyes closed to the truth. If they opened
them, and learned the truth, they might have to get involved and do something and they don't want to upset the "status quo."

One of the greatest victories our enemy has won over the minds of our people, was when he was able to get intelligent men to accept the evolutionary theory over the teaching of God's Word.

If by evolution, you mean "progress", then I have no argument with you. But if you come up with that devilish term which describes development from one species to another, you and I are going to have a fuss right now. I don't believe or accept the "bastard theory" called "Darwinian evolution." That life came into being through some lucky chance. This is a satanically inspired Jewish fable which has no reasoning behind it whatsoever. If you want to believe that some relative of yours, centuries removed was an ape with his tail wrapped around a coconut tree, be my guest. But my ancestors were "formed" by Almighty God, who breathed into their nostrils the "breath of life," and my ancestor, AUDAUM, "became a living soul," (Gen. 2:7).

If you want to believe your ancestors were apes, then take them and go to hell together. I came from a different species: I came across this poem the other day which sort of explains how I feel:

Two monkeys sat in a coconut tree,
Looking down on people like you and me.

Said one to the other, "now listen you,
There's a certain rumor that can't be true.
That man descended from our noble race.
Why the very idea is a sad disgrace.

No monkey ever deserted his wife,
Left her babies and ruined their lives.
And you'll never see a mother monk,
Leave her babies with another to bunk.

he Sanother thing you'll never see,
Is a monk build a fence round his coconut tree,
And let the coconuts go to waste,
Rather than let someone else have a taste.

Why if I built a fence round my coconut tree,
I'd only invite you to steal from me.
Here's another thing a monk won't do,
Go out at night and come home in a stew.

Or use a gun, or a club, or a knife,
To take another monkey's life.
Yes man descended, the ornery cuss,
But thank God, he never came from us."

Our apologies to all the monkeys in the world, for the fools who say they are our ancestors.

A few years ago, a brilliant acquaintance of mine, whom some of you know, had an unpleasant experience in his life. He became so bitter that he turned against his God and now blasphemously calls Him "that old spook in the sky." Why did this change take place? I believe it may have been because somewhere along the line, he had to face up to the truth that "Jesus is King," and that he would have to knuckle under to His rule and in his super-intelligence, he would allow no one to have authority over his life.
It is a strange paradox of life, for it often seems that the more man learns intellectually, the more stupid he often becomes. A man can be the most brilliant doctor, scientist, anatomist, chemist, or preacher in the world, yet such is the perversity of human nature, that often the most brilliant minds are those who cannot see the simple truth. Maybe this was what the Apostle Paul, an intellectual in his own right, meant when he said in I Cor. 1:26, 27 - "For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called: But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty." The English word "confound" comes from the Greek kataischuno" - 2617 meaning. to disgrace; to shame; to put down."

A few years ago, when man first walked on the moon, the "guru" of CBS, Walter Cronkite intoned: "Today we have seen a gigantic stride forwards, as man the ape, took his first steps on the planet moon."

My ancestors were placed on this earth for a very special purpose. The Apostle Peter described this purpose in 1 Peter 2:9, where he was speaking to Israelites (not Jews) who were then scattered throughout Asia Minor. He said to them: "But ye (Israel) are a chosen generation (stock), a royal priesthood, a peculiar people (set aside for a special purpose)." Not to be dictators and rule like dictators, as the Jewish TALMUD teaches, but "that ye should show forth the praises of him who hath called you out of darkness (loss of identity) into His marvelous light. I ne Israel people, white Adamites, were indeed a special people who were to become God's ambassadors to all mankind.

Ask yourself. What people have been instrumental in spreading the Gospel world-wide? Who has printed and distributed the Bibles? Who have built their governments on God's Law? Who have set the slaves free? Who are feeding the world's hungry and who sends help when there is some great catastrophe? Only the white nations of Christendom qualify here, because these are the attributes of "true Israel," in these "last days."

There is considerable evidence that the earth may have been inhabited before the Adamic era. Jeremiah refers briefly to this in (4:23-24): "I beheld the earth, and lo it was without form and void; and the heavens, and they had no light. I beheld the mountains, and lo, they trembled, and all the hills moved lightly (evidenced of a gigantic earthquake). I beheld, and lo, there was no man, and all the birds of the heaven were fled. I beheld, and lo, the fruitful place was a wilderness, and ALL THE CITIES thereof were broken down at the presence of the Lord, and by His fierce anger."

When the atom bomb first came into existence, men scoffed at the idea that an atomic explosion might take place which would destroy the earth. When the first atom bomb was exploded in the desert of New Mexico, the sand turned into fused green glass. Archeologists, digging in the ancient Euphrates Valley of the Near East, have discovered a culture at least 8,000 years old, under this was another older culture, and under this, in a third layer, was a layer of "fused green glass," similar to that found in New Mexico.

Do you suppose there might have been an atomic explosion sometime in the past which destroyed civilization?

We are not told when God "formed" AU-DAUM, where the dust came from that He used. Was it "star dust," or some other substance? We don't know why God did not give us this information, but we do know that man's body contains all the elements which are found in the "dust of the earth." But the mystery concerning the "spirit which animates man," and which came from God, has never been solved.

Man's downfall began in Eden, when a malignant personality, possessing great power, who was not part of the human creation, gained a foothold in the new creation. It tempted Eve into sinning by disobeying God. What this temptation was, we will not discuss here. Some teach that Eve was sexually seduced by a malignant personality called Satan.

Whatever the woman gave in to the temptation was to "become as gods," and disobeyed and led her
husband Adam into transgressing God's Law. This caused death to come into the human race, since the "wages of sin is death."

When Adam and Eve sinned, they gained knowledge and understand lug at the price of disobedience. When the tempter told Eve; "Thou shalt not surely die!" He sat the base of all false religions. Solomon tells us in Ecel. 1:9-11 - "There is no new thing under the sun... It hath been already of old time which was before us..."

There is some evidence available that the art of flying was known before the time of the Flood and that the civilization founded by Cain (Gen. 4:16-18) equaled, if not surpassed the scientific achievements of our day. But they proved, as others have since, that knowledge gained without spiritual understanding, leads only to chaos and disaster. A great philosopher once said: "Education without God, turns men into clever devils." How true!

The godless civilization of the sons of Cain bred wars of conquest and God raised up a righteous line, beginning with Seth, to oppose the aggressive principles of the Canaanitish civilization, which taught that "might makes right." It was during this period of world chaos, that men first began to worship God.

After the flood, Abram was called to carry on the battle. The aggressors were against "right" - and the defenders were "God's people." The aggressor who lives by the sword, will always find himself opposed by God's people. From Adam to Jesus Christ and from Christ to the present, this has been the order of world warfare between evil and the righteous.

But the question still remains unanswered. "What is man and who are you?"

Throughout recent years objections have been raised over facts which are Scriptural, historical and traditional, which indicate that the Anglo-Saxon, Celtic, Scandinavian, Germanic and related peoples are "true Israel." Although Scripture gives over 200 "fingerprints" of Israel's identity in these "last days," which are fulfilled only in the people of Christendom, still, for the most part, the "brainwashed" hordes of Judeo-Christendom believe that God's worst enemies, the Jews, are His chosen people. Others believe that "Israel" has been supplanted by the Christian church even though God's promises to Israel were from "everlasting to everlasting," there are still theologians who insist that physical Israel has ceased to exist and that the church has taken her place in God's scheme of things.

But God said that Israel was to become a mighty nation, and a "company of nations," who would be His ambassadors to all mankind everywhere. No other people than those of Christendom have fulfilled these Israel requirements.

Many of the objectors come from orthodox, evangelical and fundamental branches of Christianity. Their objections against "true Israel Identity," are given on Scriptural proof, which completely disregards the context of the message used.

Little regard is given to whether the Scriptural message is to the house of Judah, or the house of Israel and this makes for a tangle of complete confusion. The distinction the Scriptures make over and over again between the house of Israel, cannot be brushed aside as being of no consequence. But as the opponents of Identity have done this, they have failed to recognize the marvelous prophecies which were made specifically for Israel in these "end times," and that they have nothing to do with a renegade anti-Christ people we know as Jews.

The evidence which sets modern Israel aside as being distinct and different from the Jews in these last days, is too strong for honest men to disregard. They do so at their own peril. Yet, so strong is the enemies control of the Christian church in America, and other Israel lands, that decent, honest men refuse to accept the verdict of Scripture and opt to follow the teachings of rebellious men. As a result, we have seen the prophecy of 1 Timothy 4:2, come to pass:

"For the Spirit speaketh expressly, that in the latter days, some shall depart from the faith, giving heed to seducing spirits and doctrines of devils." Who are these seducers of Christianity? (Find out
In 2 Timothy 3:1-5, we are told how in these "last days," perilous times will come because men will "have a form of Godliness, but denying the power thereof ..." Paul then goes on to state that these "religious reprobates," are those who are "ever learning, and never able to come to the knowledge of the truth." Why? Because they do not want the truth!

Many of the contradictory statements made by these so-called Christian leaders, show a gross ignorance regarding the subject matter under discussion, a fact which in itself should disqualify them to sit in judgment on the Israel Identity Movement.

The English word "prejudice" comes from the Latin "praebecedendum" and means: "to judge beforehand and before the facts of the case are known; preconceived ideas."

"Prejudice" implies a preconceived or unreasonable judgment or opinion, usually of an unfavorable character and usually marked by suspicion, fear, intolerance, or hatred.

The Jews claim that Identity Christians are prejudiced against them, because we tell the truth about what they are attempting to do. While if you listen to the Christian diatribes against identity beliefs, you wonder why fundamental and evangelical Christians hate brother and sister Christians, while admiring and supporting their worst enemies, the Jews. This is a very strange, very sad paradox.

There should be cause for concern in Identity circles, for there have been unscrupulous individuals who have used the name Christian Identity for un-Christian causes. These are false leaders who tell their people that all that is necessary to get into the Kingdom of God, is for them to be white. This is a lie which is refuted by Scripture and by the Master Himself. No one comes into the salvation experience, being "born again;" "born from above," whatever you may choose to call it - you do not come into this experience because you are "white" or because you are of Israelite blood. The salvation experience is completely separated from family, race, wealth, or prestige. Citizenship in the Kingdom of God, comes when an individual is wooed by the Holy Spirit to the point where they recognize themselves as a rebel against God; seek His forgiveness and then pledge to Him their eternal loyalty this is the BORN AGAIN EXPERIENCE, Jesus was speaking about in John 3:3. It comes only as one seeks the king's pardon for the breaking of His law and then accepts Him as King.

Others have used the Identity Movement as a base for violent actions against a corrupt government they rightfully hate. By their violent actions, they have caused an already hostile media to label all Identity Christians as "radical members of the right wing extremists; neo-Nazis; Fascists; KKK, haters.

We of Identity for the most part, recognize the right of other Christians to differ from us in doctrine and to present their case against us when it is done in a Scriptural manner. But we resent it when our avowed enemies, the anti-Christ, are used as a source of libel against us and when Christians believe the "fables" of the anti-Christ, rather than the assertions of their Christian brethren.

Today, just as they did at the time of Jesus' trial and again at the trial of the martyr Stephen, the Pharisees are seeking out "false witnesses" to testify against the Christians of the Identity Movement (see Matt. 26:59, 60; Acts 6:11-13). These minions of evil will stop at nothing, including murder, to keep Christian Israelites from knowing the truth. Many of you who read this booklet will belong in this class, though you may have been kept from this precious truth by your own religious leaders.

Today, the welfare, safety and very existence of White Israelites are at stake. It is the responsibility of those of us who know the truth, to act as "watchmen on the walls of Israel America," and to warn our brethren of the dangers they face, even when they do not want to hear about it. If those of us
who know the truth, refuse to warn our brethren, we face the wrath of our God (see Ezek. 3:18; 33:6).

If our opponents are correct, then we have no responsibilities towards them; but if we are right, then may God have mercy on those of you who refuse to fulfill your responsibilities towards Him.

The people of America, especially its white majority, constitute the "court of appeal" and they MUST render a decision. It might be well for us to consider the truth, that God Himself passes judgment in accordance to the verdict they will render. It would be well for us to listen to the words of Joshua (24:15) as he spoke to ancient Israel: "AND IF IT SEEM EVIL UNTO YOU TO SERVE THE LORD, choose you this day whom you will serve;... but as for me and my house, WE WILL SERVE THE LORD."

Today America is faced with two choices: one leads to prosperity, safety and peace; the other to war, chaos and slavery. "Choose you this day, which way you will serve."

It is our "white, Christian, Israel people," no matter what our opponents call us, God's people, who must make this decision. It is not just a simple matter of national belief or unbelief, but rather an answer to this question which was once given to ancient Israel. "What doth God require of thee?" (Deut. 10:12) The answer is given in vs. 12 and 13 - "And now Israel, what doth the Lord thy God require of thee, but to fear (respect; honour) the Lord thy God, to walk in ALL HIS WAYS, and to LOVE HIM, and SERVE the Lord thy God with all thy HEART, and with all thy SOUL, to KEEP the COMMANDMENTS of the Lord, which I have commanded thee this day, for thy good?" (Emphasis added).

Let those who oppose the Identity truth ponder well the fact that they have a tremendous responsibility before God. If they are wrong, they will have led millions to disaster, but more serious than this, if our Israel nations refuse to wake up to their Identity, and the responsibility which goes with it, these teachers and preachers will be held accountable before God, for the tribulations, chaos and bloodshed which follows.

When the remnant of Judah (only a tiny minority), returned to Jerusalem after seventy years in Babylonian captivity, the "nation of the Jews" came into being and began to function as the Kingdom. We know this to be true, for Jesus told their leaders in Matt. 21:43 - "The Kingdom of God shall be taken from you (Jews), and given to a nation (not a church, but a nation) bringing forth the fruits thereof." Obviously the Jews must have been in possession of the Kingdom at this time, or the words of Jesus would have had no meaning, and it could not be taken from them.

Jewish leaders recognize this today and Rabbi Stephen Wise, one of the leading Jews in the world a few decades ago once said: "The return of the Jews from Babylon, marked the end of Hebrewism and the beginning of Judaism."

The fact that the Kingdom was in Jewish possession at the time of Jesus was also confirmed in Matt. 23:2, when Jesus said that the Pharisees sat in Moses' seat. This refutes the argument of those who say that the Kingdom can only be in the hearts of Christians.

The argument used for a "spiritual kingdom," is usually found in John 18:36, where Jesus told Pilate: "My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I might not be delivered to the Jews: but now is my kingdom not from hence."

If you will analyze this verse closely, you will find that the Greek word for "world" is translated "cosmos." This literally means "arrangement; or world order." Jesus was telling Pilate that His Kingdom was not after the order of the world. It was not founded on military power that believes that "might makes right." His kingdom was not set up like that of the world. It had been organized at Mt. Sinai, hundreds of years before, when God laid down the administration for His righteous kingdom, in the commandments, statutes and judgments He had given to Israel.

When the Jews lost this Kingdom, they rejected and murdered the King, just as Jesus had predicted in Luke 19:11-27. So God took the Kingdom from them and transferred it to a nation which would
bring forth the proper fruits. The apostate Jews, those of Rev. 2:9; 3:9, knew then and now, that "True Israel" is still in dispersion.

When Jesus told the Jewish leaders that they would seek Him and not be able to find Him, they wondered if He would go to the "dispersed among the Gentiles, and teach the Gentile?" (John 7:35) Ezekiel's vision of the dry bones in chapter 37 was directed to the house of Israel, not Judah. Notice in vs. 11 God tells the Prophet: "...Son of man, these bones are the WHOLE house of ISRAEL."

When God gave a "bill of divorcement" to His Israel people, they said in Ezek. 37:11 -- "...Son of man, all these bones are of the children of Israel, who said, our bones are dead and our hope is lost; we are completely gone." (Lamsa trans.)

In Isa. 49:1, 3 and 8 we learn that the Israel people will inherit the "desolate hermitages," of this earth. Our opponents say this refers to the Jews, but the Jews have never lived in the "desolate hermitages."

But look at the Anglo-Saxon and related peoples. First they moved to the "desolate hermitages" of America; then to South Africa and Australia. There were no humans in these areas when the first white settlers arrived, with the exception of scattered bands of natives. Truly, the nations of Christendom have settled the "desolate hermitages" of this earth. We have caused these desolate places to "blossom like the rose." This is one reason the native populations want to take them away from us as in South Africa and Australia.

Jesus commissioned His followers to go to "...the lost (put away for punishment) sheep of the house of ISRAEL, and as ye go, preach, the Kingdom of Heaven is at hand," (Matt. 10:5-7).

This commission was not confined to a few months while Jesus was in His earthly ministry, but for the times to come. This was made clear in His statement "Ye shall not have gone over the cities of Israel, till the son of Man be come," (Matt. 10:23).

We know the Gospel of Personal Salvation has been preached by our white Israelite missionaries over the length and breadth of the world. But today, for the very first time, many Israelite people are hearing the Gospel of the Kingdom, which was never preached before.

Our people have always been forgetful of their origin and heritage. So when we read that Israel will lose their identity, we know the writer cannot be speaking about the Jews, for they have always proclaimed they were the Chosen people. Neither have the Jewish people "followed righteousness," for it was because of their ungodliness the Kingdom was taken from them.

The Prophet Hosea confirms that the House of Israel would lose all knowledge of their past, even to the point when they would deny being God's People. Notice Hosea 1:10 - "...and it shall come to pass that in the place where it was said to them (Israel) 'You are not my people!' there it shall be said to them 'Ye are the children of the living God.'"

This is a good word description of Israel in these "latter days," after they have become Christian nations in the "company of Israel nations." Jeremiah pointedly stated that the Israel people who left Palestine, were to become a Christian people while they were away.

When Jesus died for the "lost sheep of the house of Israel," (Matt. 15:24) the Lamsa translation says: "...I (Jesus) am not sent except to the sheep which went astray from the house of Israel."

Some of our opponents say we cannot be Israelites because we have never been circumcised. But when Moses spoke to Israel in Deut. 30:6, he envisioned a time when "the Lord thy God will circumcise thy heart, and the heart of thy seed, to love the Lord thy God with all thy heart, and with all thy soul, that thou mayest live."

Paul called the "born again experience," "circumcision of the heart" in Romans 2:29 and confirmed it again in Philippians 3:3.

The kindness of God and His Father love for His people never departed from Israel, even when they
were under severe chastisement for disobedience, as we are today. But in the final day of "restoration", the "pastors"; the "shepherds of the Israel flocks" will be condemned for their blindness (read Isa. 56:10, 11 for a word picture of these modern shepherds).

What a clear picture this gives of the many modern church leaders who are interested only in their own welfare, "doing everything for their own good."

These men are asleep to what is happening about them, or else they have deliberately drugged themselves from reality and have become "blind leaders of the blind." These are those who will accept church doctrine over what the Bible teaches. These are those who oppose those of us who are trying to bring truth to our people. No wonder God has condemnation for such false teachings.

As the evil hosts of Gog and Magog gather their forces for a world conflict, not against the little land of the Israeli in Palestine, not against the forces of these anti-Christ, but against the true Israelite people of Christendom, it behooves us to wake out of our fatal sleep and prepare for the Bridegrooms return.

In that day, our opponents will be confounded because in spite of all their efforts "the house of Israel (not the Jews) shall know that I am the Lord their God from that day forward," (Ezek. 39:22). Ezekiel states that the heathen nations will also recognize our God and will flock to true Israel to learn of Him.

That my Israel friend is your heritage. That is why you were brought forth on this earth. "That ye should show the praises of Him who hath called you out of darkness, into His marvelous light. Which in times past were not a people, but are now the people of God; which had not obtained mercy (but were under condemnation), but now have obtained mercy."

Israel men and women. This is who you are! This is why you are here! These are your responsibilities before Almighty God and Him alone.
From the Watchman’s Comer
Who is the Scarlet Woman of Revelations 17 & 18?

Most of the information in this message was taken from a book written by an American patriot named Kenneth Goff, who gave his life in the battle against Godless Communism/Zionism (which for all intents and purposes is the same beast, operating under different heads).

For many years Kenneth worked as a member of the Communist Party, U.S.A., until his conversion to Jesus Christ, when like the Apostle Paul, he made a complete about face, and began to speak out against the evil’s of Zionist/Communism, and their long range plans to destroy “White Christian civilization “.

He earned the hatred of Zionists and Communists alike for his bravery, and was in constant danger for his life, actually being forcibly thrown under a train, where he lost a leg.

This message is dedicated to him, his bravery under fire, and his love for God, country and God’s Israel people.

***************

The Roman Catholic Church was not in existence when Christ charged the Pharisees with being guilty of all the righteous blood shed on this earth from the time of Abel to the Christian era (See Matthew 23:35 & Luke 11:51).

The Babylon System that now controls the world, is three fold: Political, Economic, and Religious.

Behind these three, you will find the leaders to be Jewish Talmudists, who pull the strings that, control their earthly puppets.
The Scarlet Woman

While this message will not give you a complete answer to the identity of the Scarlet Woman in Revelation 17 & 18 it is my prayer that it will open the eyes of concerned Christians, and further serious Bible study will be the result.

Today many so-called Christians go by a motto, which by their actions says:

"I Don't Want to Read Anything that Might Change My Mind!"
"I Don't Want to Know Anything that Might Change My Mind!"
"I Don't Want to Discuss Anything that Might Prove I'm Wrong!"
"I've Already Made Up My Mind, So Don't Confuse Me With the Facts!"

These poor soul's are the one's who go to their pastors when a question arises and take his answer without ever checking into what God's Word says. This is how men and women are led astray, as the Apostle Paul says in 2 Timothy 3:7 they are "Ever learning (from the teachings of their church), and never able to come to a knowledge of the truth." One of the most important things Christians need to do today, is learn how to study God's Word, and "Study to shew themselves approved unto God, a workman that needeth not to be ashamed, rightly dividing (explaining) the word of truth (2 Timothy 2:15)." Jesus further admonished His people saying, "If you will know the truth (what God's Word teaches), the truth will make you free (John 8:32)."

Man's problems begin when they accept the teachings of man rather than the Word of God. In these days when "Men will not endure sound doctrine - but after the own lusts (longing for fleshly material things), they shall heap to themselves teachers, having itching ears: and they shall turn away their ears from the truth, and shall be turned to fables." (See Titus 1:10, 11, & 14).

Without a doubt many of you who read these words, are genuine born from above Christians. You claim to love your Savior and believe His Word. Yet many who fall in this category, will believe their pastor when he claims: "The Jews are all of Israel, and are God's Chosen", when your Savior in John 10:26 told them, "But ye (Jews) believe me not, because ye are not of my sheep."

Christians must be especially cautious these days, as there are already many antichrists in the world that have seduced vast numbers of Christians, away from the truth, into following Jewish and heathen fables.

With this as an introduction, lets spend a few pages together in God's Word, as we seek to unravel the fascinating mystery of the Scarlet Woman of Revelation 17 & 18.
The Scarlet Woman

Ucho15 this $cartet Woman ano What Fart Does $he Play in fnb-mime Prophesy?

Down through the centuries of Christian history, and through the Reformation era, most Protestant preachers have taught that this woman, gorgeously arrayed in purple and scarlet, was representative of the Roman Catholic Papacy.

The greatest interpreter, the Lord Jesus Christ, destroys this teaching, once and for all time, if you are willing to accept what the Word says. Let me explain, before you write me off as a kook.

When the Apostle John, in exile on the isle of Patmos, had his vision of the scarlet woman, riding on a strange scarlet beast, in Revelation 17:6, he says that she was "drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration (Greek tharaus, meaning: "akin to boldness or daring.")." He then went on in Revelation 18:24 to state, "In her was found the blood of the prophets, and all the saints that were slain upon the earth." This is a bold far-reaching statement. Can we back this blunt statement with Scripture from the New Testament? Yes indeed!

When Jesus addressed the Talmudic scribes and Pharisees in Matthew 23:15-17; 34-36 He made a prophetic statement, almost word for word like that of John's prophesy in Revelation.

In this passage, after reminding the scribes and Pharisees how they had shut up the kingdom of heaven against men: "for ye neither go in yourselves, neither suffer ye them that are entering to go in." He then accused them of "destroying widow's houses, and for pretense make long prayer: therefore ye shall receive the greater damnation."

Then in verse 15 He says, "Woe unto you, scribes and Pharisees, hypocrites, for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him twofold more a child of hell than yourselves." (Hardly sounds like the Chosen people many of our pastors claim them to be.)

Then in verses 34 & 35 He puts the capstone on His prophesy, when He said, "Wherefore (because of all these things), behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city (the reason): that upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar."

In verse 36 He said, "Verily I say unto you (Jews), all these things shall come upon this generation." (They did when the Roman General Titus destroyed Jerusalem in 70A.D., killing over a million Jews.) Then in Matthew 23:38, He tells the Jews,
2

The Scarlet Woman

"Behold, your house is left unto you desolate." Why do our prophetic preachers avoid the Scriptures such as this, as if they were poison? In these two verses in Matthew Jesus identifies the scarlet woman of Revelation 17 & 18. Here Jesus accused the Jews of being guilty of all the righteous blood shed on earth, from the time of Abel in Genesis 4:8 to the time when he walked on the earth Matthew 23.

History today confirms the bloody record of the Jewish people, and many of their leaders openly admit it. In 1857, at the funeral of another distinguished Rabbi, in the Prague, Rabbi Reichorn the leading rabbi in Europe at this time said, "Wars are the Jews harvests. With them we kill off Christians and gain control of their gold. We have already killed 100 million of them, and the end is not yet." This was before the blood shed of the American Civil War, our mostly costly, and the slaughter of the innocents by Zionist/Communist since 1918.

The Apostle Paul confirms this bloody record in 1 Thessalonians 2:14 & 15 in these words, "For ye brethren (speaking to Israelite Christians), became followers of the churches of God which in Judea are in Christ Jesus: for ye also have suffered like things of your own countrymen, even as they have of the Jews: who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men:" This is a perfect word picture of the Jews, down through the centuries.

Following Christ's resurrection, a hasty action was taken by the Sanhedrin (the ruling body of rabbis worldwide), to eliminate Christians. It began with their denial of the resurrection (See Matthew 28:11-15). "Now when they were going, behold, some of the watch (guarding Jesus' tomb) came into the city, and shewed unto the chief priests all the things that were done. And when they were assembled with the elders, and had taken counsel, they gave large money unto the soldiers, Saying, say ye, his disciples came by night, and stole him away while we slept. And if this come to the governor's ears, we will persuade him, and secure you. So they took the money, and did as they were taught: and this saying is commonly reported among the Jews until this day." (Normally the watch would have been put to death for sleeping on guard. Another instance of how money talks.)

These statements by Jewish leaders can be found in many books written by Jews, and their Holy Book, the Babylonian Talmud, which with a little effort are available to Christians. One of their national weaknesses is the desire to brag about their conquests against the hated "goyim " (a Yiddish word of contempt meaning "non-Jew animal").

Typical of these words of braggadocio, are these statements made by Harold Wallace Rosenthal, when he was Chief Secretary for the powerful Jewish Senator from New York, Jacob Javits. They were made during a paid interview with Walter White of Los Angeles when Walter was head of 'Western Front'. I have listened to them, and know their contents are true. Rosenthal began the interview in a rather contemptuous manner by saying, "We Jews continue to be amazed with the ease by which Christian
The Scarlet Woman

Americans have fallen into our hands. While Americans have waited for Khrushchev to 'bury them', we have taught you to submit to our every command."

When asked about men in high political power, Rosenthal stated, "For the last three decades we have achieved this through political power, which comes from our control of the press." He said, "Americans have not had a Presidential choice since 1932, when Roosevelt was our man. Every President since then has been in our pocket."

He went on to state, "We Jews toy with the American public like a cat toys with a mouse. He stated that the Jewish mind pits every ethnic group against the other, until the blood of the masses will flow as we wait for our day of victory."

Rosenthal said further, "During Christ's time we Jews were seeking a material kingdom, but Christ offered the Jews a spiritual kingdom, which we could not buy, so we rejected Him, and had Him crucified."

When asked about the Zionist/Communist plan to destroy Christians and all members of the preexisting government and their families he said, "We destroy all members of the police, army officers and their families, but never Jews. We will bring about forced class warfare in the United States and many will be liquidated, but we Jews will not be touched. It is too late for you Christians to put up a defense. That time is long past. Long ago, we became the aggressors. That is one of our great purposes in life, to be aggressors."

The Scarlet Woman was an aggressor.

It was while performing one of these liquidation tasks for Jewry, that the Apostle Paul was converted on the road to Damascus. He did a complete turn-about, and became one of Jewries most hated enemies, as he understood them from inside and how they worked. In this he was much like Kenneth Goff.

The New Testament tells us over and over again, how the Apostles fled from city to city, to avoid persecution by the Jews. Stephen was stoned to death. Matthew was killed with a halberd. James, the author of the Epistle of James, at the age of 94, was beaten, stoned and had his brains beaten out. Matthias was stoned and then beheaded. Andrew, Peter's brother, was crucified. Mark was dragged to his death by a Jewish mob. The Apostle Peter was crucified upside down. Jude was crucified. Bartholomew was beaten, and then crucified. Thomas was killed with a spear. Luke was hanged on an olive tree in Greece. Simon was crucified. So goes the bloody history of Christ's Apostles and followers, all except John the Revelator, were murdered by Jewish hatred.

In Volume I, of the Anti-Nicean Fathers, Justin Martin, one of the early fathers in the Christian church, sets forth in no uncertain terms, the death of the Apostle Paul, and other Christians, killed by the Romans under pressure from the Jews.
The Scarlet Woman

He explained how the leaders of the Jewish Sanhedrin were constantly going to Roman authorities with false testimony concerning alleged criminal activity by Christians, so that blame was laid on them for every catastrophe, which took place in the Empire. The most noteworthy was the burning of Rome, which gave the mad Emperor Nero, an excuse for brutally murdering thousands of Christians. Nero was urged into these evil deeds by his demonic wife Poppaea, a Jewish woman with an inordinate hatred for Christians.

When these inhuman spectacles became too much for decent Romans to stomach, Poppaea convinced Nero to commit suicide, thus covering her part in the bloody crimes.

The hatred of Jews for Jesus can be seen in a public remark made by the Jew Ben Heck, a Hollywood celebrity. He was quoted as saying, "The Jews in Rome did a noble thing when they beheaded Paul and crucified Christ. I would have done it differently. I would have had Christ sent to Rome and fed to the lions. It would have been a difficult thing for Christians to make a Savior out of mincemeat."

Through the constant prodding of the Jewess Poppaea, thousands of Christian men, women and children were slaughtered in the Roman Coliseum, as they were torn to pieces by starving wild animals, torn in two between two wild horses, and dipped in oil, before impaling them and using them to light up the arena, where other Christians were being tortured to death.

This persecution was the worst the world had ever seen, until the massacres of Christians under bloody Communism/Zionism beginning in 1918 with the Bolshevik Revolution in Russia.

A marginal note, from the great French historian Guizot, found in Gibbon's book, "THE DECLINE AND FALL OF THE ROMAN EMPIRE", states: "In Cyprus alone, Jews slaughtered 220,000 Greeks and in Egypt another 240,000. Most of whom were Christians. Christians were often sawed in two from the head to foot." (See Hebrews 11:37).

The Jewish book, "SEPHER JUCHAIN", states that at the time of Pope Clementius, 91-100 A.D., the Jews "killed innumerable crowds of Christians."

In another passage on page 108 it states: "Upon the desire of the Jews, Dilencion killed a great number of Christians, among which were Pope Caicus and Marcellus, as well as the brother of Caicus and his sister Rosa."

Another historian, Dion Cassus, in his book "ROMAN HISTORY", translated by Antoine de Bandale in 1660, states: "The Jews who lived along Cyrena, having for their captain a certain Andreas, killed many Christians in this area by sawing them from the top of the head to the middle of their body."
At the fall of the Roman Empire, the Jews became scattered over all of Europe, with the majority settling down in the Turco-Mongolian (Khazars) area of Russia, where they intermarried with the heathen Khazars who had converted en masse to Judaism. They are called Ashkenazi, and make up at least 90% of modern Jewry. Every Israeli Prime Minister has come from this heathen background. Which means their ancestors never walked the hills of Palestine. The only Jews with Abrahamic blood flowing in their veins come from the Sephardim Jews, whose lineage can be traced back to Esau/Edom.

These Ashkenazi Jews have always been in control of Communism, which now controls over 1/6th of the world under the iron heel of International Zionist/Communism, killing over 140 million people, including countless millions of Christian Israelis.

To show you that this hatred is no fluke, we have many statements by Jewish leaders who love to brag of their supremacy.

The Jewish Chronicle, a major London newspaper, on April 4, 1919, stated, "There is much in the fact of Bolshevism itself, in the fact so many Jews are Bolshevists. The ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism."

Here we have Judaism in the raw, exposed for the entire world to see.

The Jewish author, Oscar Levy, in his book "JEWS MUST LIVE", stated, "We Jews, who have posed as the savior of the world, are today nothing less then the world's seducer's; it's destroyers; it's incendiaries; it's executioners."

Nahum Goldman, President of the World Jewish Congress states, "The Jews might have had Uganda, Madagascar, and other places for the establishment of a Jewish homeland, but they wanted nothing except Palestine ... they wanted it because it is the crossroads of Europe, Asia, and Africa, because it is the veritable center for world control." (Always in dealing with Jews, it comes back to their ages old dream of a New World Order, under their absolute control.)

How does this tie in with the Apostle John's vision of the scarlet women?

With Jesus' identification of this woman as a prostitute, let's go into further study of God's Word, to prove this without a shadow of a doubt.

In the Bible, four figurative women are discussed:

The "church", (Ephesians 5:25).

Since the woman spoken of in Revelation 17 & 18 was not a pure woman, but is revealed as a prostitute, we know she could not symbolically represent "True Israel", or the "True Church" (No where in the Bible is the church referred to as the "Bride of God"). The Holy Spirit shows who this is in Revelation 21:9-27.

There are many references in the Bible which show that God married True Israel; then divorced her for her infidelity (Hosea 2:1); but after the death of her husband, she was free to marry again, and when in repentance she turned to God (Hosea 2:19-23), she is reinstated as His bride.

The Apostle Paul, in his marvelous seventh chapter of Romans, explains this and in verse 4 states, "Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another (Christ), even to Him, who was raised from the dead, that we should bring forth fruit unto God."

Does this mean that the law has been abolished, as many teach? Not at all, for in Romans 3:31, Paul says, "Do we them make void the law, through faith? God forbid we establish the law." Now instead of being saved through animal sacrifices, we have salvation through believing in and obeying Christ and through His once and for all time sacrifice on Calvary.

Today the Law still remains as a schoolmaster to bring us to Christ (Galatians 3:24). We look at the old law and see that it is impossible to keep (Acts 15:10), so we frantically look for a solution and find it, through faith in a personal relationship with Jesus. There is no other way!

To understand the rise to power of the Scarlet Woman, and the part she plays in these "end times", we must study the Word.

We first see her, clad in splendid raiment, riding with obvious great power on the back of a scarlet colored beast, which had seven heads, and ten horns. She is guilty of the worst kind of blasphemy against God, and even has these sins engraved on her forehead: Mystery, Babylon the Great, Mother of Harlots, and Abominations of the Earth. Verse 6 of chapter 17, says she "was drunken with the blood of the saints, and of the blood of the martyrs for Jesus:...."

Where in Scripture do we have a similar scenario (See Matthew 23:34 & 35)? Isn't it logical that these Scriptures refer to the same event? Or do you believe these two Scriptures were put in the Bible at random?
The Scarlet Woman

This atheistic, hell bound, scarlet beast which we call Communism and which was birthed by atheistic, hell bound Zionism, has been rampant on the earth since 1918, flaunting it's bloody banner, while murdering over 140 million people, over 20 million of them Christians. It is still a grave danger to Christians everywhere. More so now than ever before, because it has seduced vast numbers of Christians into accepting it as God's Chosen and supporting it with billions of dollars of tax money. It still has as its creed, the "destruction of White Christianity" and the imposition of its New World Order on the entire world. Communism is not dead, as many wish to believe, and which the media want us to believe. It has just changed its name and today, masquerades under the Blue and White banner of the Star of David.

In each of the Communist countries following the Revolution, the majority of its top leadership was in the hands of Zionist Jews.

For instance in Poland the Dictator was a bloodthirsty man named Amsterdomski, with five other Zionists holding top ranking positions.

In Bulgaria, there was Favanov, with four other top ranking Zionists.

In Rumania we find a bloody demoness named Anna Paulka (Robinshon), and two other Zionists in top echelons.

In Yugoslavia, there was Pijada, the Vice President and Dictator and eight top Zionist Jews, including the Director of the Yugoslavakian Communist Party, and eight other top Zionists.

In China Gregori Stem was a Soviet general, and went by the name Kisler. Baradin (Gusenberg) was the organizer of the Communist Party in China, with two other high-ranking Zionists serving with him.

In Russia out of 565 top Party members, 467 were Jews from New York City's Lower East Side, and with $20 million in gold provided by one of the Jewish Rockefeller family in New York City. These were the Jews most prominent in bringing in the era of terror in Russia, after they had murdered Czar Nicholas and his family. Many history books written before 1932 record these horrors which are almost unbelievable and unless you have witnessed them first hand, as I and others have, they are hard to accept as fact.

Many of the Jewish leaders in Russia, Anglicized their names to hide Jewish ancestry. The same thing has taken place in Hollywood, where a majority of the actors and actresses are Jewish. In recent years as Jews have become politically powerful, they seldom make an effort to hide their Jewishness.

Yet the actual acts of brutality are far worse than you can imagine. I still get occasional nightmares from what I saw take place in Korea 54 years ago, and is one of the major reasons I have been in the fight to preserve America as a Free Christian Republic.
History indicates that Communism came from the fertile minds of Zionist One World advocates. Over 150 years ago, a German Jewish philosopher named Ludwig Feurbach, wrote, "Man will finally be truly free, when he realizes there is no god of man, but man himself." This sick idea took root in the diseased brain of a radical young Jew named Karl Mordecai Marx, and became the foundation for his Communist Manifesto, which has drenched the world in blood and suffering, and is the by product of International Jewish Zionism.

The International anarchist organization called the *ILLUMINATTI* (the enlightened ones) was launched on May 1, 1776, in Munich, Germany under the satanic leadership of a Jew named Adam Weishaupt. (This is why May 1st is celebrated worldwide by Communism.) Weishaupt fulfilled the first stage of the Zionist dream of world conquest, which was laid down in ancient Babylon during the Jewish seventy years of captivity.

To accomplish this satanic task, Weishaupt set forth the following program: 1.)

All existing governments *must* be abolished. 2.) Existing inheritance laws *must*

be abolished. 3.) All private property *must* be under State control. 4.) The

family *must* be abolished and children raised by the State.

5.) All religions *must* be abolished (Especially the Christian religion which is our
greatest enemy).

These five plans, if carried out, were to destroy all orderly society, and replace it with International Socialist/Zionism. They are being systematically being carries out today under the banner of International Zionism and is the very core of their plan for World Control.

These plans come in the written form of the Babylonian Talmud, which their own religious leaders brag is the *life blood*, of modern Jewry. This mammoth work of 63 large volumes was written over a thousand years and is the interpretation of many Rabbis. It was during this period, starting about 500 B.C. That Jewish leaders began to put together the religious book, known as the Babylonian Talmud which was finally completed about 500 A.D. Apparently the Jewish religious leaders were intrigued with the Babylonian lifestyle, which was vastly more lenient morally and spiritually, than the sometimes-harsh teachings of the Hebrewism of Abraham, Isaac and Moses. They began to mix Hebrewism with the occultism and heathenism of Babylon. They left behind the
teachings of Moses, and the temple worship, and came home seventy years later with synagogue worship and Rabbis instead of priests.

That the majority of Jews in Babylon approved of the Babylonian life style, and their new religion can be seen when only about 50,000 out of the millions of Jews in Babylon, returned to Palestine to rebuild the temple. It was on these Jews that Jesus heaped His harshest condemnation.

In **Matthew 12:34**, He said, "0 generation of vipers, how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh."

**Matthew 15:9** - "But in vain they do worship me, teaching for doctrines the commandments of men."

It is difficult for a "*goyim* " to read, as it pronounces the death penalty against any non-Jew who attempts to read it, or any Jew who helps him obtain a copy.

This is one reason so few pastors in the Judeo-Christian and Fundamentalist churches, know very little about the antichrist people they support. They have no excuse because the Bible very clearly defines an antichrist in **1 John 2:22**, and gives a command regarding them in **2 John 10 & 11**.

When the people of Germany, became aware that the Zionists in the Illuminati were carrying out this horrendous plot, they immediately passed laws outlawing this organization, and many of them were arrested. Weishaupt and some of his followers escaped and found refuge in France. Here they immediately formed another anarchist party called the Jacobins. This party was responsible for the bloody Russian Revolution that killed many Russians including untold numbers of Christians who were the main target of the Communist/Zionist Alliance. These were murdered in the most brutal ways possible, to further their plans for the ultimate subjugation of America.

In their Communist textbook, "**PSYCHOPOLITICS**", which was introduced to 47 American college students attending the University of Moscow, prior to their becoming cadre in the Communist Party, U.S.A. On page 30, it says, "Obedience is the result of force."

"Concurrent with force is brutality ... the most barbaric, unrestrained brutal use of force, if carried far enough, invokes obedience.

"If you would have obedience you *must* have no compromise with humanity. If you would have obedience you *must* make it known that you will have no mercy. Since man is an animal. He understands in the final analysis, only those things which a brute understands."
The Scarlet Woman

This is the basis of Talmudic Judaism, and was what Christ spoke about in Matthew 23:35, when He accused them of being guilty of all the righteous blood shed on earth from, the time, of Abel's murder, until His time. Please remember this is not my accusation. It is the accusation of Him you call LORD and Savior, made against those antichrists some of you insist are God's Chosen. Can't you see the utter stupidity of such reasoning?

Communism/Zionism is nothing but the modern version of the Zionist plan for control of the world, which many of our Congressmen, and our President Bush favor. They have so stated publicly.

When this takes place, according to the Jewish Talmud, "Every Jew will have 2,000 goyim slaves." Brother! Sister! That's you and your children they are talking about!

Some of you will be terribly upset with the truth I'm giving you, which you may never of heard before. Some may label me as an "anti-Semite " (which cannot be true, since very few of the modern Jews are Semites, but come from an Oriental, heathen background). Their own leaders admit this. They will tell you that the term, anti-Semite is used by their leaders to "blackball" anyone who has the courage to stand up against Judaism and expose it's evil.

Some of you will go so far as to call me a "hatemonger ", but like King David, in Psalm 139:21 & 22 - "Do not I hate them, 0 LORD, that hate thee? and am not I grieved with those that rise up against thee? I hate them with perfect (complete) hatred: I count them mine enemies." (Tie this statement with 2 Chronicles 19:2.)

As a Watchman on the walls of Israel America, it is my God given duty to warn you when I see danger approach, for if I fail to do so, and you are harmed, God will hold me accountable for your blood (Ezekiel 3:9 & 3:18). I never want to be in a position before God, where I was accountable for your harm. This is why I preach sometimes harsh, uncompromising message. I would rather have you angry with me than to face an angry God. In spite of all the messages preached about God's love, and He is a loving God, there are times when He gets angry (See Hebrews 10:31).

It has been through the vehicle of Communism, that Talmudic Judaism has been able to conquer one third of the world, while enslaving over a billion people.

Through Zionist/Communism, and its sisters Fabianism and Socialism, they have honeycombed every nation on earth with their rotten, deadly virus. It has destroyed freedom everywhere it has taken root. It is a disease of oppression and spiritual rot, which always ends in spiritual death, and very often-physical death of the most horrible sort.
The Scarlet Woman

The Scarlet Woman was beginning to drench the world in innocent blood, millions of which were Christians.

It should be noticed, that the vast amount of anti-Christian propaganda appearing in the media and on radio and television, comes from Zionist sources. They spend billions of dollars each year to keep the stupid Goyim sheep stupid. This is one major means they have in keeping the goyim sheep, Israelite people, destroyed by lack of knowledge (See Hosea 4:6). Not education, for the Jews control that, but the lack of knowledge. We have multitudes of educated idiots, trained in Jewish run schools, that make the Apostle Paul's warning in Romans 1:22 make sense. He said, "Professing themselves to be wise, they became fools."

If you follow, with interest, the political maneuvering, which goes on between Russia and the Israeli, you will notice this cooperation. They are both dedicated to the same principle, the destruction of White Christian civilization.

In the many years Kenneth Goff was a member of the Communist Party, he found that Zionist Jews were at all times in complete control of the Communist apparatus.

In the Congressional Record, of May 1, 1947, a Congressman by the name of Rankin, made the following remarks: "In my intelligence research, I have found documents and authentic excerpts gathered from numerous sources, that Russian Communism, is still under pressure from powerful Jewish influence; also that Jewish soldiers from Russia, and Poland, enlisted in the American army."

In an article in the 1936 issue of "RUSSIA TODAY", Levine said, "Special concern for the Jewish people has characterized the Soviet Union; since it's birth in 1917, the infant Socialist government, headed by Lenin, legally abolished anti-Semitism, making it the first country in the world to declare anti-Semitism as a crime ... Every manifestation of anti-Semitism was fought openly by the Soviet government."

Isn't it interesting to note how at this time, the Zionist controlled media in America, was raising a big stink, about how the poor Jews were being mistreated in Russia. (There appears to have been political represssion among the poor Jews, the Zionists were trying to get to migrate to Palestine, while the wealthy Jews who made up the majority of millionaires in the beach resorts on the Black Sea, were living the "life of Riley". Most of them, who did leave Russia, migrated to the Promised Land, of America, preferring the good life they received from our government that included an immediate cash payment for each member of the family, plus the privilege of immediately going on welfare and Medicare if they needed it. Many preferred the relatively easy life they would live in America, and being a parasite people by nature, preferred America to Palestine.

This nature can be seen in an incident that happened to Doris and I in the 1970's. We were returning on a cruise ship and the Miami sky was ablaze with the city lights.
The Scarlet Woman

Doris said, "Isn't it beautiful?" A Jewish couple were leaning on the ship's rail next to us, and a teenaged boy said, "Look, momma! The promised land!"

Major Williams, who served in the U.S. Intelligence Service for many years, said in a document on the Jewish Anti-Defamation League: "In 1946, Levine a well known Russian Jewish Communist Leader, wrote of a meeting with many Jewish surgeons and a Russian Jewish General, said, 'We keep the Russian people in the dark by using Anglicized names, yet most of them who spoke to me used Yiddish.'

Major Williams went on to say, "This is undoubtedly the power behind the merciless, ruthless Russian Jewry. Even the Russian people do not know they are dealing with Jews."

This is more prevalent in the U.S., where many so-called Christian pastors are masquerading their Jewishness.

Alexander Bittleman of the Central Committee of the Communist Party in America, said, "If it were not for the Red Army, there would have been no Jews in Europe, there would be none in Africa, in Palestine, and most certainly not in America. If not for their protection by Communism their existence would be numbered in days. The Soviet Union saved the Jewish people, therefore let the American Jewish community never forget their historic debt to the savior of our people." He conveniently left out the reason why the Jewish people have been disliked everywhere. They were kicked out of every country in Europe, at some time or other, not because they were Jews, but due to their filthy moral habits, and their crooked business dealings. For a Scriptural reason why they were evicted see 1 Thessalonians 2:14 & 15.

They fit in well with the business of the "Mother of Harlots", the Scarlet Woman of Revelation 17:14. They will be the foremost in wailing for her destruction, for they are the one's who have benefited most from her prostitution, and have committed fornication with her to preserve their high places in the world (See Revelation 18:9 & 10).

As we study deeper into Revelation 17 & 18, we can see how this woman, is described in the lowest moral terms possible, as one who sells her body for monetary gain, or for worldly recognition. Her "bed buddies" mourn for her, because she can no longer provide the world things their soul's lust after.

There is only one philosophy of religious teachings that has come down in an unbroken line from Ancient Babylon, and that is know as the Babylonian Talmud. Jewish religious leaders call it, as "the heart blood of Judaism". It contains all the elements of the false religion found in the worship of the Great Whore of Babylon.

Chief Rabbi J.H. Hertz makes the following statement regarding the Babylonian Talmud, "The Talmud is the product of Palestine; the land of the Bible, and of
The Scarlet Woman
Mesopotamia, the cradle of civilization. It goes back before the Babylonian exile and predates the Christian century, before the Roman Republic had yet been born.

"A thousand years later, in 500 A.D., it was completed in its codified form in the Jewish seminary, in Alexandria, Egypt."

It is not a single book form, like the Christian Bible, but is an enormous set of 63 large volumes. It contains the sayings and teachings of the top Jewish rabbis over a thousand-year period. It was the principle thing Jesus fought against when He accused the Pharisees of worshipping God in vain: "Teaching for doctrines, the commandments of men" (Matthew 15:8 & 9).

The Talmud did not follow the teachings of Moses but substituted the ideas of the Pharisees who had gone to Babylon and had become infected with its occultism.

Hertz continues, "The Babylonian exile was a momentous period in the history of the Jews, for the Jews discovered themselves. Not only that, but they rediscovered the Torah (the laws and teachings of Moses), and these became a real force in Jewish life. Under this new religion and religious institutions such as the temple, were done away in favor of local congregations called synagogues, and the Levitical priesthood was supplanted by Rabbis."

This Rabbinical explanation is difficult to swallow, when we remember Christ's scathing denunciation of these men in John 8:37-47.

Rabbi Hertz not only revealed the facts concerning the Talmud, but also said that the Jews who wrote it were called, THE MEN OF THE GREAT ASSEMBLY. On page 4 of the foreword he said, "The men who were their successors were know as scribes. They continued the teachings of the law and ordinances, and received the sanction of popular practice and were known as HALACHA, which is a Jewish word literally meaning, "a guide to the Trodden Path", the last word for the Jew, as to the path he must take."

Very possibly Christ had this in mind, when He said of them in Matthew 15:14, "Leave them alone: they be blind leaders of the blind. And if the blind shall lead the blind, both shall fall into the ditch."

This is the same book that condemns Christ and all His followers, to "spend eternity in hell, standing up to their necks in boiling excrement." These are the Chosen People some of you have elevated to this position, when the Bible says they are children of hell (John 8:44). Don't come back an accuse me of being anti-Semitic. The originator of that statement of fact is the one you call, Lord and Savior!

These open statements by Jewish religious leaders should clarify in your mind, beyond the shadow of a doubt, who the Scarlet Whore of Revelation 17 & 18 really is.
The Scarlet Woman

The statements by Jewish religious leaders should be enough to establish the identity of this woman, as the "prostitute of all prostitutes - the MOTHER OF HARLOTS." The degree of her spiritual filth is unbelievable, as the Word says she was "filled up with abominations and filthiness." Both these words indicate the very depths of moral and sexual wickedness.

All you need to do is browse through the pages of most any of the Talmudic books, to see the moral filthiness that comes from this cesspool, and it is taught to young Jews in their catechism. I was allowed to study eight volumes and believe me, when I finished, I felt the need of a spiritual cleansing. I did not believe that human beings could become under satanic control, far worse than those under this same occultist control in darkest Africa, which I had personally observed during my four-year tour in Eritrea in 1958-1962.

No normal decent human being would believe this sewer of religious thinking that takes up so much space, where the rabbis discuss the moral right of a grown man to have sexual intercourse with a baby girl, if she is under the age of three, laughingly stating, "the breaking of the hymen is nothing, as it will grow back again and she will be pure."

In another place it discusses the right of a Jewish mother to have intercourse with her underage son. Is it too much a stretch of the imagination, to believe this may be when the Jewish boy is taught some of the unnatural filthiness that crops up in later life when he deals with a non-Jew girl? (The Talmud likens her to a "piece of raw meat", put on this earth for the enjoyment of the Jewish man.) Is it any wonder that few of the beautiful Christian girls who break onto Hollywood scene, don't remain virgins very long? They pay for their popularity by selling their virtue to some Jewish pimp.

No other religion on earth endorses cursing one's parents, or burning of their children before a heathen god.

No other book outside of the Talmud, places it's seal of approval on lying, cheating and even murder, as means of promoting its faith.

No other religion has become so racialist, that it teaches that only Jews are human. The rest of humanity, are goyim - non-Jew animals placed on earth to become the servants of the Jews.

No wonder Jesus calls this Scarlet Woman, who is drunk with the blood of the righteous, the Mother of all Harlots.

History records that while the Jews were in Babylonian captivity, a complete reversal took place in their religious thinking, as they were introduced to the occult heathen worship of the Babylonians and evidently reveled in it. I say this because when
they were given the opportunity to return to Jerusalem, only a handful were willing to return while millions remained to enjoy the easy life of Babylon.

There is no possibility that Christianity could have come from this filthy religious background, and our Savior, Jesus Christ was constantly at odds with it's religious leaders. Do you honestly believe Christianity could have had its foundation in Judaism, a religion our Savior criticized in the harshest terms?

It takes a tremendous stretch of the imagination, to turn these antichrists into a Chosen People. It boils down to whom are you going to believe? Your pastor who says they are God's Chosen, or to your Savior who told them, "But ye (Jews) believe not, because ye are not of my sheep." (John 10:26, Emphasis added) You must be a stiffnecked, blinded Christian, if you accept the teachings of man, no matter who he may be, rather than the sayings of your Savior.

Surely any intelligent person who knows anything about Judaism can see how incompatible it is with Christian teachings. Christianity and Judaism are two different trains, on tracks, headed in opposite directions. We serve and pray to different Gods.

The Christian world is under psycho political stress from Judaism, in their effort to get Christians to accept them as God's Chosen. Jesus refers to them in Revelation 2:9 & 3:9, as those who "say they are Jews, but are not and are of the synagogue of Satan." We know from Jewish sources, that the vast majority of Jews are not of Abrahamic blood, but come from a heathen Turco-Mongolian background. The teaching that the Jews are God's Chosen comes from strictly Jewish fables (See Titus 1:14). They are a vital part of the Scarlet woman's harlotry.

For generations the Jewish people have looked forward to a Messiah, who would restore their power. The Jewish leaders in Babylon came, to the conclusion that they were the Messianic people and that only through them and their coming Messiah, would the world be blessed. With this theory, they also claimed that they were the rightful rulers of this world, and that this right, to rule the world, was given to them by God, since all other people were merely animals in His sight.

By a clever manipulation of Old Testament Scriptures such as Genesis 12:3, they were able to sell this idea to gullible Christians, who would not take the time or effort to study God's Word, relying instead on the teachings of their church leaders. So by clever exegesis, they teach that Genesis 12:3 was a promise made to a Jew and progeny, never telling their flock that Abraham was not a Jew, but a Hebrew, and that the people we now call Jews, did not turn up on the Scriptural scene until 1200 years after Abraham's time, when we find them fighting against Israel in 2 Kings 16:6. Through this false manipulation of the Scriptures, they make all of Abraham's descendants out to be Jews, when only those who came from Esau/Edom could be so-called. (To see what God thinks of this family line, study Malachi 1:2-4 and Obadiah.)
The Scarlet Woman

Jewish leaders came to the conclusion that only through complete control could the world become theirs, so they set up what we presently call Zionism, which is the political arm of world Jewry.

To accomplish this end, they established an organization known as **Kehillah**, sometimes called the **Kabal**, which means "assembly or government."

These men were obsessed with their dream of conquering the world, and establishing a New World Order, where they would be the leaders with the rest of us working for them as slaves. They decided to conquer the world by using the slyness of the serpent, which became their symbol.

It is interesting to note how Jesus Christ dealt with these men, as He referred to them numerous times as a "generation of vipers" (Matthew 3:7; 12:34; 23:33; & Luke 3:7). How well He understood their propensity for evil (See Matthew 23:15).

It is an interesting observation that when professing Christians turn from the faith, and convert to Judaism, they become a worse menace to Christianity, then a backsliding Christian.

I'm sure that Jerry Falwell and most of his followers, consider him to be a *born again Christian*, yet time and time again he has proudly referred to himself as a *Christian Jew*. This is an impossibility, just as it is to profess to being a "Judeo-Christian", for this is an oxymoron, as they are complete opposites, and a "man cannot serve two masters (Matthew 23:24; Luke 16:13). A man like Falwell does much damage to true Christianity when he supports the enemies of Christ Jesus and it's not because he does not know the truth. I suspect this is true of a number of television Evangelists, who *know* the truth about Judaism, but also know that if they spoke the truth about Jewry they would soon be cut off from their lucrative TV time.

This is also true of other TV Evangelists who while not openly supporting Judaism, know the truth about their plans for One World Government, but refuse to warn their people about it for "fear of the Jews". It is a well-founded fear, as some of us know from bitter experience, for even our government caters to them.

As the Zionist snake penetrated into the very hearts of government, it undermined and devoured all non-Jewish powers of these states, until eventually they could be called "Zionist Occupied Governments" (ZOG). (We are very close to that point in the United States, as over 70 out of our 1.00 Senates, regularly voting the "straight Israeli ticket" and the Israeli Prime Minister can honestly brag about the power he exerts over our government.)

At the head of the **Kehillah**, you find a high-ranking Jew who is referred to as the "Prince of Captivity, or the Prince of the West."
The Scarlet Woman

Under him are seven men known as *Grand Satraps*. This organization is pyramided in form, with seven other men under these seven men so on and so on.

These men for security reasons do not know the Jews who are over them. They know only the Jews in their particular segment. In this manner they maintain control over the Jewish people.

When a minority of Jews (less than 50,000 out of the millions who must have been in Babylon), after the seventy years of captivity, made the High Priest of the Sanhedrin, their ruling head, they returned to Jerusalem to rebuild the temple. This policy was continued until the Sanhedrin was completely destroyed in the Roman invasion that devastated Jerusalem in 70 A.D.

After the destruction of the Sanhedrin, the *Kehillah* continued its secret work, always looking forward to its world control and the complete destruction of White Christian civilization, which they recognized as its worst enemy. They did not seem concerned with the colored or mixed races, as they had found them much easier to control. But the White Adamic race had an ingrained love of freedom, which was not easy to control. Therefore that race had to be eliminated or intermingled with the colored races, which has always caused a people to lose the moral strength, which made them great. World history proves this; for every great White civilization that has practiced miscegenation has left its bones to *"rot on the sands of history"*. They rotted out from within, long before the barbarians battered down their gates or came swarming over their walls.

The Zionists knowing this have been in the forefront of pushing miscegenation in America, while supporting the dark races.

One of the strongest arguments used by Fundamentalist and Judeo-Christian Bible scholars is found in *Revelation 17:9*, "And here is the mind that hath wisdom. The seven heads are the seven mountains (on which the Scarlet woman set up her kingdom), on which the woman sitteth." They say, "See this makes Rome the culprit, for Rome sits on seven hills." And scholars of geography know there are other major cities that sit on seven hills or mountains, Moscow is one of these.

In an article from Colliers Magazine, April 28, 1951, page 23, we read: "Moscow the show case of the Union of Soviet Socialist Republics, sits on a large plain, on the banks of two large rivers, which are frozen five months of the year. Out on the plains are seven low hills, on the highest of which sets the Kremlin, the walled fortress of ancient Moscow, and now the guard city of the politboro, overlooking it's five million people and challenging the world."

For those of you naive people who believe Communism is dead, the greatest con artists have taken you again. It is not dead; it has merely changed its name to Zionism.
So now we see that Moscow the Capitol of World Communism, which is under Jewish control, also sits on seven hills.

Last, but not least, there is a significant event that takes place when the Babylon System and the Scarlet woman are destroyed in one hour (Revelation 18:10). Jesus said that she made the merchants of the world rich, and He names nearly every type of merchandise they sell, even human slaves.

Any person knowledgeable of international affairs can understand what the Bible means, when it say in Revelation 18:9 - "And the kings (leaders) of the earth, who have committed fornication (Greek - porneuo, meaning: "to act the harlot; indulge in unlawful lust; practice idolatry") and lived deliciously (Greek - streniao, meaning: "loving luxury; sensuous; occupied with sex; alluring' shapely; self-indulgent, alluring, ravishing, shapely") with her, shall bewail her, and lament for her, when they shall see the smoke of her burning." In verse 11 of this chapter He says, "And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more."

Who immediately comes to mind when we mention the great merchants of the earth? We don't think of the Vatican, or the Pope, but of the Jews who now control trading worldwide.

If the Rome Catholic Church were destroyed, it would effect only a small percentage of the world's population, but if the Jews go under, it will effect trading worldwide, even among the many professing Christians who support them.

Therefore trying to make the Great Whore fit Catholicism is pointless, and draws our attention away from our real enemy, which is Zionism.

There is only one group of people whose overthrow would affect every merchant on earth and that is the International banking system of International Jewry.

The Jewish drive to capture the world's finance system began centuries ago, long before the time of Christ, or the Roman Catholic Church. They began it through "god forbidden usury", which was considered a grave sin by most Christian churches. There is little question that if the Jewish System of usury were destroyed (and it will be), it would affect every nation on earth.

Thousands of documented pages of evidence show that the Scarlet Woman was not attached to the Papacy, and that in spite of all the evils perpetrated by the Super Church, and they are many, including the evils of the "Jesuits Assassins", Christendom must not use them as a "straw man" in their ungodly effort to prove the false claim that the antichrists of Judaism are God's Chosen.

God will bring about the destruction of the Scarlet Woman one day (Revelation 18:17). And Jesus has warned His Israel people: "Come out from among them (the
antichrists) my people, that ye be not partaker of her sins, and that ye receive not of her plagues."

He was not warning us about the Catholic Church, but about: "Those who say they are Jews, and are not; but are of the synagogue of Satan" (Revelation 2:9). He said of them in prophesy in Malachi 1:2-4 - "... Was not Esau Jacob's brother? Saith the LORD: yet I loved Jacob, and hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, they shall build, but I will throw down; and they shall call them, the border of wickedness, and, the people against whom the LORD hath indignation for ever."

For a second witness see Obadiah 10 - "For thy violence against thy brother Jacob shall shame cover thee, and thou shalt be cut off forever." (See verses 17 & 18)

Why do we need any more proof? God has spoken!

Jack Mohr
WHO IS TRUE ISRAEL?

Whenever it is declared that the United States, Britain and other Nordic countries are Israelites, and that they are the Chosen People of God, most Christians call this false and without foundation. However, it is interesting to note, that they refuse to give any Scriptures to prove this reasoning is wrong. They always put us on the defensive by demanding proof for our claims and in response, we give them evidence from Scripture, history, etymology and heraldry. As a reaction to the usual tactics of our opponents, the order has been reversed in what you are about to read.

In I Peter 3:15, the Apostle admonished Christians to "be ready always to give an answer to every man that asketh you a reason of the hope that is in you, with meekness and fear." I'm afraid, that sometimes, we who know the Identity truth, have a tendency to get "mean" and "sarcastic," instead of remaining meek in our answers. The true meaning of our Identity, should not engender a spirit of superiority in us. Instead, it should bring a great deal of humbleness, as we realize the tremendous responsibility God has placed on us to spread this marvelous truth.

So let me ask - not with sarcasm, but with humility. Can those who disagree with our belief that white Anglo-Saxon, Celtic, Germanic and related peoples are the "true Israel" of God, can they PROVE from the Scriptures that WE are not Israel and that the people we now know as Jews are? Man's answer to be true, MUST come from God Himself. It must not be something he learned in a seminary, or from some man with a D.D. behind his name. The only, criteria we have MUST be, doe', God's Word teach it.

That this issue may be clear at the start: most Christians state that the Jew's and Israel are one and the same; that the United States, the British Commonwealth nation, and the Nordic nations are Gentile (in the sense of heathen) nation, If their claim is true and the Jews, are the "Israel of God," then they MUST FULFILL EVERY SCRIPTURE WHICH GOD SAID ISRAEL WOULD FULFILL. So let me ask you the following question. I do not ask vou to believe what I say, but be honest enough to read and believe what the Word of God says:

1 - Have the Jews blessed all the nations, of the earth. Genesis, 12:3; 22:18?

2 - Have the Jews ever been circumcised in heart? Deut. 10:16: 30:6; Rom. 2:28, 29; Phil. 3:3; Co. 2:9, 11.

3 - Have the Jews ever glorified Jesus Christ? Has Christ been recognized by the Jewish nation? Isaiah 41:16; Luke 1:32; 7:16.

5 - Do the Jews show forth the praise of Jesus Christ? Isaiah 43:21.

6 - Have the Jews carried the gospel to all the world? Have they witnessed for Jesus Christ? Have they opened the Bible for the world? Gen. 28:14; Isa. 43:10; 44:21; 49:3, 6; Acts 1:8. Who has carried the Word of God into all the world? Who has published the Bible, or portions of it in over 1,000 language's, and dialects? Who has been responsible for over 95% of all the world missionary activity? Which nations of the earth have based their laws on God's laws? There is only one answer and you know it. It has been the United States of America and the British Commonwealth.

7 - Do the Jews have God's Spirit and the Word of God in their mouth and their
uttermost being? Isaiah 59:21. Oh no, my Christian friend, their religion is based on a heathen book called the Babylonian Talmud, which repudiates everything the Bible teaches. It is the work of Satan himself.

8 - Was the New Covenant written only to the Jews? The Bible states that it was made with the House of Israel and the House of Judah. Jer. 31:33; Hebrews 8:8-10; Matt. 26:28.

9 - Are the Jews the SHEEP of the House of Israel? Ezek. 34:11, 12; Ps. 78:52; 95:1,6,7; Isa. 53:6; John. 10:26, 27; Matt. 15:24. In the passage from John 10, our Lord clearly states to the Jewish rulers: "Ye believe not, because ye are not my sheep." How much plainer must the Word of God be for you to believe?

10 - Are the Jews the "children of God scattered abroad?" John 11:52; 10:16; 7:35. Certainly the Israelites "scattered abroad among the Gentiles," were not Jews. When Jesus said in Matt. 10:6 and 15:24, that He was sent only to the "Lost sheep of the House of Israel," He was not speaking of being spiritually lost. The word for lost, as used here, is the Greek word: "appoloumi," it comes from two root words: "apo", meaning "separation," and "ollumi" meaning "death or punishment." Put the two together and you have: "those who are banished or put away for punishment." This could only have had reference to the ten tribes of Israel who had been taken captive into Assyria, as punishment for their idolatry.

11 - Is Jesus being glorified in the Jews? Isa. 49:3; Rom 8:28, 29; 11:1, 2; 9:4. Always remember, there is a vast difference made in Scripture between Israelites and Jews. They are not one and the same, as your preachers have told you. To say they are is "intellectual dishonesty" of the worst sort!

12 - Are (he Jews the SERVANTS of God? Isa.41:8; 43:10; 49:3. The Jewish leaders them-selves say that their God is "materialism." They do not believe in the God of the Bible and their Talmud repudiates the God of Abraham. Isaac and Jacob.

13 - Are the Jews a Holy Nation, a Chosen generation, a royal priesthood, a peculiar people? (The word peculiar means: "set aside for a special purpose.") Ex. 19:5, 6; 1 Peter 2:9, 10; 1:1, 2. Notice especially, how Peter addresses his Epistle "To the strangers scattered throughout Pontus, Galatia, Asia, and Bithnia," in others words Asia Minor. These were not Jews, but Israelites.

14- Are the Jews the great characters mentioned in the "faith chapter" of the Bible, Hebrews) 11? Abel was not a Jew, neither Enoch, Noah, Abraham, Jacob, Sarah, Isaac, Joseph, Moses, Gideon, Barak, Samson, David, Samuel. None of these were Jews. There were no people known by the name of Jews, until 2 Kings 16:6, where the name is used for the first time. This was in 742 B.C. at least 1,100 years after the death of Abraham. Oh I know that your pastor has called Moses a Jew, but this is not what the Bible says.

15 - Are the Jews a "righteous nation?" Isa. 26:2. If you will honestly check the record of history, you will find that the Jews have always been a wicked, unrighteous people. They have not been persecuted because Satan hates them, as Jerry Falwell will tell you, for John 8:44 tells us that they are of "their father the devil." Satan will not persecute his own children. The Jews have been kicked out of every nation in Europe at some time or other and always for the same reason. Their wickedness, their avarice, and their
greed. I challenge you to look at every evil which is destroying America, which is strangling our freedom and at the top you will find Jewish names in charge. This has been the indictment of all history against these evil people they never have been a "righteous nation."

16 - Are the Jews bringing forth the "fruits of the Kingdom of God?" Hosea 14:8; Matt. 21:43. In the Matthew passage, Jesus speaking to the Jews clearly states that the "kingdom of God (this refers to God's earthly Kingdom) shall be taken from you (JEWS) and given to a nation bringing forth the fruits thereof." Certainly the ungodly crew which is now in Palestine, is not bringing forth "the fruits of the Kingdom.

17- Are the Jews kind to strangers? Lev. 19:33, 34; Matt. 25:31-46. Today in Palestine, if are not a Jew, you have no rights in the nation of Israeli. A Christian has no rights and a foreigner, unless he is one of the gullible Christians who is being brainwashed by a visit to the Holy Land, is treated as dirt under the feet of the Israeli.

18 - Are the Jews called the "sons of the living God?" Hosea 1:10. They have absolutely no right to this title.

19 - Do the Jews tell us that they are "not God's People?" Hosea 1:10. No, they boast that they are God's Chosen and that is why they have the right to the Land of Palestine. But the Bible says: "in the place where it was said unto them, Ye are not my people, there it shall be said unto them, Ye are the sons of the living God."

20 - Do the Jews have all of God's Word? Romans 9:3-5; Ps. 147:19, 20; Deut. 33:4. The Jews do not have the Laws of Moses, for they have been superceded by the heathen Babylonian Talmud, which is the Jew's Bible.

21 - Are the Jews a great and mighty nation? Gen. 18:18. They number less than 3-million in Palestine and more Jew's are leaving than are coming in.

22 - Are the Jews today as innumerable as the stars of the heaven and the sands of the sea? Of course not. They number about 16-million, the same number as were alive in the time of Solomon.

23 - Do the Jew's "possess the gates of their enemies?" Gen. 22:17; 24:60. Of course they don't. They do not control the Suez Canal, or the Straits of Gibraltar. They control only a tiny bit of real estate in Palestine. They would collapse within six months if the United States did not underwrite them. Their own leaders admit that it is our aid that keeps them alive.

24 - Are the Jews a nation and a company of nations? Gen. 35:11; 48:19. The Zionist State in Palestine does not represent all Jews world-wide and it is certainly not a "company of nations." The only group that qualifies here is the Anglo-Saxon and related peoples.

25 - Are the Jew's above all people on the face of the earth? Deut. 7:6; 12:2; Ps. 135:4; Amos 3:2. There is no question that they would like to be. Their leaders for centuries have preached Jewish superiority. But today they are struggling to stay alive.

26 - Are the Jews now or have they ever been "God's battle axe?" Num. 24:8, 9; Isa. 41:15, 16; Jer. 51:20-23. The "true Israel" of God was to be a group of nations which
would always war against evil. This has never been true of the Jews, they have always been the source of world evil. If you don't want to accept this, I challenge you to look at the names of those who were behind the Communist Revolution; over 90% were Russian Jews. (Interestingly enough - Jew's who had not one drop of Abraham's blood flowing in their veins, as is the case of the vast majority of those who are now in Palestine.)

27 - Have the Jews had an earthly king down through the centuries, who has been of the lineage of David? If they are Israel, the Bible says there must be a Davidic king among them somewhere. Ps. 89:27-29, 35-37; Jer. 33.17. They have not had a king since Jerusalem was destroyed in 70 A.D. But there is a people who have had royalty dating back to David. Whether you are willing to accept it or not; they can be found in the British royal family. You or your pastor may not want to accept this, but the proof is in the archives in London.

28 - Are the Jews called today through Isaac? (The word Saxons, is a derivative of the Hebrew words which means "sons of Isaac.") Gen. 21:12; Amos 7:16; Rom. 9:7; Heb. 11:18.

29 - Do today's Jews claim to have lost their identity? Hosea 1:9, 10; 2:6; Isa. 1:3; 42:19; Deut. 32:26; Jer. 50:6, 7; Hosea 8:8; 9:17. The Jews brag that they are God's Chosen People but the Bible says that very few of "true Israel" will realize who they are.

30 - Do the Jew's have a new' name today? Isa. 62:2; 65:15; Hosea 1:10; Rom. 9:25, 26; 1 Peter 2:10; Acts 11:26. The people we now know as Jews, have been called by that name since 742 B.C. But God's "true Israel," will not only have a new name, but a new language, Isa. 28:11. (And by the way, this is not speaking here of "glossolalia" -"speaking in tongues.")

31 - Are the heathen nations aligned against the Jew's alone? Joel 3:9; Ps. 83. If you will take time to do some honest studying, you will find that the Communist nations of the world have not built up their tremendous armaments to fight against tiny Israeli. They are aligned against the white Christian world. This you know!

32 - Are the Jews described nationally as a "great lion?" Gen. 49:9; Num. 23:24, 24:9. No, this designation is made of only one group of nations, the British Commonwealth.

33 - Did the Jews deliver Jerusalem from the Turks in 1917? Luke 21:24. This occurred on the date predicted in Haggai 2:18, 19, 22 -December 9, 1917, which was predicted 604 years before the birth of Christ. It was numbered from the first assault against Jerusalem made by Nebuchadnezzar, plus 2500 years, see Lev. 26:18, 21, 24, 28; Ezek. 4:6; Rev. 2:3; 12:6, 14. It was the "lions of Great Britain" who rescued Jerusalem, another plus for the Israel Identity people, but not recognized by a majority of our preachers.

34 - Have the Jew's ever been called "Great?" Gen. 12:2. Only one nation has, "Great Britain."

35 - Have the Jews released those who have been in slavery? Isa. 42:7; 58:6. No, they have always been "slave traders." It was the Jews who brought the blacks to America in the first place and it was Jewish money, that fought a phony war in 1860, over the
slavery issue. It was Great Britain who first abolished slavery, followed by her younger brother America in 1865.

36 - Have the Jew's ever been a colonizing people? Isa. 35:1; 49:8; Gen. 28:14. Only the Anglo-Saxon and related peoples have been known as colonizers, as they spread out to the east and west, north and south as promised in Gen. 28:14. The Jew's have never been great for going to desolate places and building them up; they were always content to move in on established places and cling to them like some bloodsucking leech.

37 - Lastly, do the Jew's recognize Jesus Christ as God? The Bible says the "True Israelites" would. Isa. 43:10, 12; Luke 1:68; 1 Tim 3:16; Acts 3:14. There are many more proofs I could give. But if you are not willing to accept these, no amount of proof would get you to change your mind and it is under the control of a Satanic power which will keep you from ever knowing the truth.

The separation of the twelve tribes of Israel into the two kingdoms of Israel and Judah, seems to be the major stumblingblock for our preachers and teachers. Few seem to understand that these were distinct and very different peoples. For about 400 years, all thirteen tribes (counting Ephraim and Manasseh) were under one head, but after the death of Solomon, when he had turned from God by marrying heathen wives, God told him that the kingdom would be taken from him and given to Jeroboam.

The Kingdom was split over excessive taxation, with Judah, Benjamin and half of Levi, forming the Southern Kingdom of Judah and the Northern Kingdom of Israel, called Ephraim or Samaria. This Northern Kingdom was taken into captivity into Assyria and was scattered beyond the Euphrates River (2 Kings 17:6). The major part of Judah went with them (2 Kings 18:13). The remainder, except for a small portion known as the "bad figs" of Jer. 24:8-10; were taken to Babylon. Of the total number, only 42,660 at one time (Ezra 2:64; Neh. 7:66) and about 5,000 at another time (Ezra 8:3-20) ever returned. Of this group, many were not Judaites.

Those of Judah taken with Israel trekked westward after Ephraim (Hos. 12:1; Micah 2:12, 13.) (The "good fig" portion of Jer. 24:5-7 are probably Germany, as an incident taking place in 1914 at the Battle of Mons, when 10,000 German cavalry, charging British lines, saw the "White Cavalry" and stopped, quivering. The riders were frightened, the horses blinded and destroyed as predicted in Zech. 12:4.) The German people have always been noted for their industrial and scientific achievements and military poweress (See Gen. 49:8). World War I and 11, was a fulfillment of Isa. 9:19-21 and Zech. 12:6.

All of the royal houses of Europe except one, are of Germanic origin (Gen. 49:10; 35:11). The breach I between these two branches of Israel will be healed as promised in Isa. 11:13; Jer. 3:18. German safety will come before that of England and the United States to show us that we are not the only object of God's favor. (See Zech. 12:7. (And this Judah, is not the people we now call Jews.) In this connection, it might be well for you readers to know, that according to Jewish sources, more than 90% of the people in Palestine who go by the name of Jew, have not one drop of Abraham's blood in their veins. They are Khazar Jews from Russia and are Turco-Mongolians who were converted to Talmudic Judaism in the Eighth Century.

If you are honest, there is only one conclusion you can draw after researching the Scriptures and history; this is that the people we now call Jews cannot be the House of Israel, or the House of Judah and that they are not now, nor ever have been Israelites. The modern day Jews are frauds and imposters, who would like to steal back the "birthright" their father Esau lost to his brother Jacob many centuries ago. They are the "false Jews" of Rev. 2:9; 3:9, who "say they are Jews and are not, but are of the synagogue of Satan."

Who are you going to believe? Your pastor, who has lied to you all these years, (very possibly not
knowingly, but he has lied nevertheless) or Jesus Christ the Son of God, as revealed in the Bible? Choose today, who you are going to follow!.

The End
Woe Unto Ye Fundamentalists!

A scathing denunciation of those Christians who praise and support anti-Christ Zionism - by a fundamental Baptist evangelist.

A CONCERNED CHRISTIAN'S ANSWER TO DR. JERRY FALWELL!

"My people have been lost sheep; their shepherds (pastors) have caused them to go astray..." - (Jeremiah 50:6)

by COL. JACK MOHR

"Woe unto you scribes and Pharisees, hypocrites." We could well paraphrase this to say today: "Woe unto you Fundamentalists, for while ye save men's souls, you prepare them for the slaughter."

Many of you who read this will have received a letter from me, written in September 1980. Here for the first time, I stated publicly my new position regarding the Jews as God's Chosen People. If you recall, I was a Baptist of forty-five years standing and had been a Fundamental Baptist Lay Evangelist for eighteen years, holding my Christ and Country Crusades coast to coast, and being well-respected in many fundamental churches. Many of you expressed the opinion that God had His hand on me in a special way and that because of my unique experiences in Korea, as a prisoner of the Communists, He had called me in a special way to warn American Christians against this anti-God philosophy. At that time, I was welcome in most of your churches.

Then in the fall of 1980, the impossible happened! Jack Mohr, turned his back on Baptist teaching regarding the Jews. He began to preach, with strong Scriptural proof, that Christians had been seduced, often in their own churches, and that the people we now know as Jews, could not possibly be the "people of the Book." As their sacred cow was attacked and shown up for the bloodthirsty beast it really is, suddenly, almost as if by magic, the doors of America's fundamental churches were slammed in the face of a man, whose only sin was that he was telling the truth. He was pronounced "apostate," by the churches he had faithfully served.

His teachings concerning the Word of God had not changed; his fundamental beliefs were the same, with the exception that he began to see the teaching of a "pre-tribulation Rapture of the church," as a Jewish fable, which Paul had warned about in Titus 1:14. But as to his preaching, he was as fundamental as the most fundamental. In spite of this, within two months of his announcement, the doors of every fundamental Baptist church in his own state of Mississippi, had been slammed in his face and 14 Crusades already scheduled for 1981 were canceled. Why? There can only be one answer! It is a Scriptural answer, found over and over in the Bible and summed up in five little words: FOR FEAR OF THE JEWS!

We find the first reference to this in the Old Testament, in Esther 8:17, where it states: "...and many people of the land became Jews; FOR THE FEAR OF THE JEWS FELL ON THEM." (Emphasis added.) They were not converted because they believed in the God of Abraham, Isaac and Jacob, but because they were afraid of a people called Jews. In Esther 9:2, we see where the fear of an individual Jew fell on the people, as Mordecai, the Jew, became a prominent man in the kingdom: "And all the rulers of the provinces, and the lieutenants, and the deputies and officers of the king, HELPED THE JEWS; BECAUSE THE FEAR OF MORDECAI FELL UPON THEM." (Emphasis added.) Notice, they did not fear God, they feared a Jew!

We turn to the New Testament and find this same phrase used in John 7:13 - "Howbeit no man spoke openly of him (Jesus) FOR FEAR OF THE JEWS." (Emphasis added.) In John 9:22, we see where the parents of the blind man were afraid and would not speak up "BECAUSE THEY FEARED THE JEWS!" In 12:42, we find where many who believed on Jesus would not confess
Him openly - FOR FEAR OF THE JEWS. In 19:38, Joseph of Arimathea, a wealthy, powerful political figure in Palestine, went to Pilate in secret, to ask for the body of Jesus. Why? Again the answer is FOR FEAR OF THE JEWS!

Finally in John 20:19, we read where the little band of Christian believers, after the crucifixion, were gathered behind closed doors - FOR FEAR OF THE JEWS!

This is the primary reason good men in the fundamental camp; men like Jerry Falwell, Jack Van Impe, David Webber, and others, refuse to tell their people, the truth about the Jews. THEY FEAR THE JEWS! So because of this fear and what it is doing to American Christians, and because of the danger we face in this country from this fear, I am going to be very harsh and outspoken in my criticism of the fundamentalist leaders, who have helped to breed this fear.

Recently, the pastor of a great mid-west fundamentalist church, admitted to me, that what I said about the Jews was right. But when I asked him why he didn't tell his people about this, he replied: "I don't dare! My church owes $1.6-million and the church bonds are held by Jews." FOR FEAR OF THE JEWS! How very, very sad!

How many of you pastors who read this, or Christian business men, are AFRAID OF THE JEWS? Pastors, are you afraid you might be cut off that radio or TV program if you revealed the truth? How many of you shudder when you hear the term "anti-Semite" being used against a man who has had the "guts" to tell the whole truth? You may scream to high heaven that this is not so with you; only you and God really know. For the rest of us, it will have to be a case of "By their fruits shall ye know them." But brother fundamentalist, "Your actions shout so loud, I can't hear what you say!"

We hear you speak so often regarding Genesis 12:3, where you twist the word of God to say something it was never meant to say. You tell your people that this verse says God will curse anyone who does not love and cooperate with the Jews. But this is not what it says!

Read it carefully, in its context. You will find no promise made here to any of Abraham's descendants. The words simply say: "I will bless them that bless THEE; and curse him who curses THEE." (Emphasis added.) To say that this promise was made to the Jews, is intellectual dishonesty of the worst order, since there were no such people as Jews, until more than 1200 years after Abraham's time. Then you compound your falsehood by telling your people "God has blessed America because we have been good to the Jews." This is what Falwell, Van Impe, Thieme, Webber, Swigert and a host of others teach. But any American with any intelligence at all, can see through the falsehood of this statement. What has been the era of America's worst problems? In what era have we lost two wars, to nations smaller than many of our states? In what period has America's spiritual apathy become a national problem? In what era has crime and immorality swamped America? You know the answer. It has been since 1948, the year we recognized "Satan's Kids," as the rightful owners of Palestine. Could it be that God is punishing us for our presumptuousness?

Have you ever bothered to tell your congregation about 2 Chronicles 19:2b? This verse says: "...shouldest thou help the ungodly, and love them that hate the Lord?" This question was asked of a godly king, by the Lord's own prophet Jehu.

In 2nd Chronicles 17:12, we learn that King Jehosaphat was a godly man. His main desire was to see his people turn to the Lord. But read further in 2 Chronicles 18:1-3, where you find that the Lord had blessed this good king with "riches and honor." Then, when he was riding the pinnacle of success, the Bible says "he joined affinity with Ahab." (If you remember, Ahab was the very wicked king of the Northern Kingdom of Israel.) To "join affinity with," means "to become one with, as a man and woman in marriage." Here we see the sad picture of a godly man, joining with a wicked fellow and encouraging him in his wicked aggression. Jehosaphat told old Ahab: "I am as thou art: my people are as thy people." In other words: "Ahab, I'm behind you 100%, no matter what you do." That's exactly what Jerry Falwell has done with Menachem Begin, the "little Hitler" of the Israeli. When Begin came to America on a recent visit, Falwell told Him: "I am with you, and my
people, the fundamentalists of America will back you, no matter what you do! Because you are God's Chosen People." Shame on you fundamentalists. Who did we hear protest, very, very few!

Could it be possible, that God is shouting to America through fellows like Jack Mohr: "Listen America! Shouldest thou help the ungodly, and love them that hate the Lord? Now I'm going to warn you, because you have done this, the wrath of the Lord is upon you."

And it is. The trouble we see in America today is not caused by the devil, or by the Jews, or the blacks. It's caused because God's true people, white Christians, have turned their backs on Him and refuse to listen to His admonitions. This generation in which we are living, has spent more money to prevent crime, than any generation in the history of the world, yet in spite of this, crime grows worse, every year! We have spent more on Civil Rights than any generation in the world's sordid history, and our problems with the minority people grow worse and worse.

We have spent more to alleviate sickness than any generation on record, yet many horrible diseases resist even a cure. Could it possibly be that we are facing the lash of God's wrath, as foretold in Deuteronomy 28:15? "But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do ALL HIS COMMANDMENTS this day: that ALL THESE CURSES shall come upon thee and overtake thee." (Emphasis added.)

Then Moses proceeds to enumerate the curses which will come if we violate the Word of God. Vs 21 - "Pestilence, consumption, fever, inflammation, with extreme burning." Vs 25 - "The Lord shall cause thee to be smitten before thy enemies." Vs 33 - "The fruit of thy land, and all thy labors, shall a nation which thou knowest not eat up..." (Foreign aid, billions upon billions of it; food to heathen, anti-God nations, while Americans go hungry.) Vs 43 - "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low." (Government controlled by the vote of the aliens, who have flocked into America in recent years.) Vs 44 - "He shall lend to thee, and thou shalt not lend to him; he shall be the head and thou shalt be the tail." (This refers to the control of American economics by the International Jewish Banking Cartel, which owns and runs the Federal Reserve System.) And on, and on, and on! Not blessings, as you tell your people, but cursings!

But, oh yes, I forgot. You do not believe in the Law. You tell your people that the Law was done away by Christ on His cross. Even though our Lord said: "Think not I am come to destroy the law and the prophets; I came not to destroy, but to fulfill," (Matthew 5:17). You teach this heresy, and yes, it is a heresy, even though the Apostle John tells us in I John 3:24 - "And he that keepeth his (Christ's) commandments (law) dwelleth in him and he in him. And hereby we KNOW that he abideth in us, by the Spirit he hath given us." Then in I John 5:3 - "For this is the love of God, that we KEEP HIS COMMANDMENTS (law)..." 2 John 6 - "And this is love, that we WALK AFTER HIS COMMANDMENTS (laws) (Emphasis added.)

We know that the ordinances; the ceremonial and sacrificial laws were done away with at Calvary. Jesus became a "once for all sacrifice for sin." There is no need for these sacrificial ordinances any more. But the "law of God" still remains in force. So you fundamentalists encourage Christians to sin, by your unscriptural teaching. You say: "But Paul taught that we are now under grace and not under the law." Did he really? It sounds like it in Galatians 2:16 doesn't it? - "Knowing that a man is not justified (saved) by the works of the law, but by the faith of Jesus Christ..." But go on to Vs 17 - "But if, while we seek to be justified by Christ: we ourselves are also found sinners (disobedient to the law, according to 1st John 3:4), is Christ become a minister of sin? God forbid!" Any time a Christian feels that because he is saved, he's above the law and he goes out and sins, then in the eyes of the world, Christ becomes the "minister of sin."

So you see, we have at least two areas where you fundamentalists have led your people astray. But let's get back to the first and to the curse of 2nd Chronicles 19:2, which is completely neglected by most fundamentalist preachers: "Shouldest thou help the ungodly, and love them that hate the Lord: THEREFORE (because of this) IS WRATH UPON THEE FROM BEFORE THE LORD." (Emphasis added.)
The good King Jehosophat ignored the warning of God's messenger and came close to losing both his life and his kingdom, because of his "affinity" for an ungodly ruler that hated God.

In spite of all the good things Jehosophat had done, the wrath of God fell on him for having helped a wicked king.

Today the Christian church is in a very similar situation, as we see you fundamentalists in affinity with a wicked man named Menachem Begin and the Jews. (The question we are facing here, has absolutely nothing to do with race or religion; for both Ahab and Jehosophat were Israelites.) The question I want to ask you is this: "What does Mr. Begin think of Jesus Christ?" If he's a Jew, then he hates our Lord; he has to in order to be a Jew. That's what he's taught in the synagogue, from his holy book the TALMUD. No matter how nice he may be to Jerry Falwell and the Christian ministers who visit him in Israel, he hates our Lord.

Let me show you a very few things from this heathen book of 63 volumes, called the BABYLONIAN TALMUD and what it says about our Lord and His church:

- In the volume SANHEDRIN, (67) - "Jesus is referred to as the illegitimate son of a Roman soldier and a Jewish prostitute."

- In volume SCHABBOTH (104b) - "Jesus is referred to as a fool."

- In volume HILKOTH MAKKOLOTH - "Christ's followers are called idolaters."

I could go on and on, hundreds of similar references. The TALMUD, from which Mr. Begin gets his religious teaching, deliberately sets out to teach Jewish hatred of everything you as a fundamentalist say you believe in. It teaches that you, as a "non-Jew" are nothing but an animal, created to serve the Jews. (In fact, as a Christian, you are rated lower than an animal.)

The TALMUD teaches ultimate Jewish control of the world, not under the benevolent dictatorship of Jesus Christ the Son of God; but of a Jewish dictatorship in which all others become slaves and which will make communism look like a Sunday School picnic.

In spite of the fact that your fundamentalist hero, the Apostle Paul, inspired by the Holy Spirit, wrote in 1 Corinthians 16:22 - "If any man love not the Lord Jesus Christ, let him be ANATHEMA MARANATHA!" The Greek word "Maranatha" means an "exclamation of approaching divine judgment," while "Anathema" means to be "banned, or accursed."

Notice this verse says, "ANY MAN." It does not say "except the Jews," It does not eliminate Mr. Begin, it clearly says, "ANY MAN." Yet you fundamentalists somehow or other believe that a man who hates your Lord and rejects Jesus Christ and His church, does not fit in here. Brother, who in the world do you think you are, that you can so twist the Scripture with impunity?

The Apostle John, who wrote more about love than any other in the New Testament, said in 2nd John Vs. 9 - "Whosoever transgresseth, and abideth not in the doctrine of Christ, HATH NOT GOD. He that abideth in the doctrine of Christ, hath both the Father and the Son. If any (this means Jew or Gentile, there is no discrimination made here) come unto you and BRING NOT THIS DOCTRINE, receive him not into your house, NEITHER BID HIM GOD SPEED: For he that biddeth him God speed, is PARTAKER OF HIS EVIL DEEDS." (Emphasis added.) How in the world can you get around this Scripture when you deal with a Jew?

Brother Falwell won't even answer his mail, when I write to him about this. For one thing he can't answer it within the context of the Word. But how can he get around this admonition, when he throws his arms around the murderer Begin and welcomes him to the United States." The Word clearly says that Jerry "HAS BECOME PARTAKER OF BEGIN'S EVIL DEEDS!"

Don't get mad at me - that's what the Word says!
Somehow or other, for what reason I can't understand, you fundamentalist preachers have given your people the idea that the Jews worship the same God we Christians do, even when they deny His Son. This is not only deception, it is heresy! Any preacher who bids God speed to one who denies Jesus Christ, becomes one with him. Boy, I wouldn't want to stand in your shoes, when you answer to God for that one! Brother, there's no way for you to get around this, you can't tunnel under it and you can't fly over it! It's ae?

Have you ever heard that Mr. Begin believes in and loves Jesus Christ? You can be sure that if he had ever said this, Jerry would have published it all over the country. I did hear one very foolish preacher say, after returning from a trip to Israeli: "Mr. Begin was the most Christian Jew I have ever met." Now there's a real enigma for you to solve.

The following report comes from Bob Jones' University in Greenville, S.C. It was written by Dr. Bob Jones, a fundamentalist in his own right and one of the very few I have ever heard criticize Begin and his government. I got this from Pastor Stadsklev's AMERICA'S HOPE. He said: "If this report had been written by a hate monger who made merchandise of hate and fear, I would have ignored it, but it came from a Christian (fundamentalist) University. It is entitled PALESTINE IN PERSPECTIVE. The following statement appears on page three:

"The Irgun's (Jewish terrorist organization) leader (Begin) was one of the two most-wanted men by the British government prior to the establishment of the state of Israeli and could very well give Arab terrorist organizations lessons in cruelty and violence. Under his (Begin's) leadership, Deir Yassin, an Arab settlement of about 250 people was entirely wiped out. No mercy was shown to infants, children or women. Even the unborn were slaughtered, when their mother's abdomens were ripped open. There has never been a more cruel, bloody, or useless slaughter. Under the same leadership, Irgun on one occasion captured four British soldiers and hanged them. They were cut open and the bodies of the hanged men were filled with explosives. When the bodies were found and cut down by their fellow British, the explosives blew up both the hanged bodies, and the live men who sought to bury them. The master terrorist and bloody-handed monster responsible for these attacks is Menachem Begin, today the Prime Minister of Israel." (UNQ)

Jerry Falwell, Jack Van Impe, David Webber, Oral Roberts, R. J. Thieme, all those of you who say this man is one of God's Chosen People, what Scripture will you use, what moral or natural justification can you give for your affinity with this monster in human form?

I've never heard of any of you who have tried to convert Mr. Begin. He'd "spit in your face," if you did. Why haven't you tried to get your friend to stop killing innocent Arabs, many of whom are Christian? If its right for your Jewish friend to be an aggressor, then its right for the Russians to be in Afghanistan.

"Oh," but you say, "there's a difference. These are Jews; they have a right to be in Palestine. God gave the land to them." Show me, if you can, any Scripture which says God gave Palestine to the Jews. Even Falwell can't do that! God gave the land to Abraham. Of this you can be certain. But Abraham was not a Jew and Mr. Begin and his crowd are not of the seed of Abraham -no, not by any stretch of the most vivid fundamentalist imagination. Neither are 99% of that "devil's brood," which now occupy Palestine. Most of the Jews there are Ashkenazi Jews. This means they come from Eastern Europe and have not one tiny drop of Abraham's blood flowing in their veins. They are Turco-Mongolian by background and their forefathers never set foot on Palestinian soil. Even the Pharisees of Jesus time were not Israelites, according to their own witness. Read carefully the eighth chapter of John's Gospel, especially verses 32, 33. I know that most fundamentalists don't like to go into this chapter, but you can't get away from the truth of it.

Look at verse 32, where our Lord said: "And ye shall know the truth and the truth shall make you free." Then listen to the answer given by the Pharisees, the rulers of these people called "Jews." Vs 33 - "We be Abraham's seed, and were NEVER IN BONDAGE to any man," (Emphasis added.) Now we have no reason to disbelieve this answer. They are merely making a frank admission, that
while they are of Abraham's seed (offspring), they are not Israelites.

"How come?" you ask. Well my brainwashed Christian friend, use your head for a moment. As a Sunday School student, you should know that true Israelites had been in bondage. They were in bondage in Egypt for some 400 years; they had gone into bondage in Assyria, and a few had been taken into bondage in Babylon. So this verse should tell you a very important truth. The Pharisees, who were the Jewish leaders COULD NOT BE ISRAELITES. Jesus goes on to confirm this in verse 47 when He tells them: "He that is of God heareth God's words: ye therefore hear them not, BECAUSE YE ARE NOT OF GOD!" (Emphasis added.) How much plainer can you get. Don't try and spiritualize these words away, it won't work! Pastor Stadsklev abely pointed out: "Your efforts to use the Abrahamic Covenant to justify your affinity for Mr. Begin would be laughable, if it were not such a deadly and destructive error."

Could it be possible, that some of you - no names mentioned - fit the words of Matthew 28:15? "So they took the money, and DID AS THEY WERE TAUGHT (by the Jews)." (Emphasis added.) How long do you think Jerry Falwell would remain on national TV , if he had the courage to tell people the truth about the Jews and expose Begin for the monster he really is? You should know that answer as well as I.

The affinity you fundamentalists have with Jewish evil has reached the point, where even the Jewish owned and controlled press comments about it. They aren't critical, mind you, but it's rather strange that they comment on it. Do remember what Paul

the Corinthian Christians in 2nd Corinthians 6:14? "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?" If you are "unequally yoked together" with Menachem Begin and his unbelieving crowd, who are trying to destroy Christianity, then you are disobeying this verse.

One well-known leader of Moral Majority in a Midwest state recently told me that his greatest opponents were Jews. "I can't understand," he complained, "why the Jews would do this to us, when we have always tried to aid them." Well I told him some facts which he couldn't refute. He admitted that Jews were in control of abortion, ERA, prostitution, drugs, immorality on TV and the movies; that they controlled the alcohol business, which each year is guilty of the deaths of more than 25,000 Americans on our nation's highways. Anywhere money is to be made, no matter what it takes to make it, you will find the Jew. These people were not thrown out of every country in Europe because they were God's Chosen People, as Jack Van Impe would have you believe, but because of their immorality, their greed and their unethical business practices. This is why they are disliked in America. It has nothing to do with their religion, except inasmuch as the TALMUD teaches that it is all right to cheat the Gentile animal.

In the volume ABODAH ZARAH (1 13a) you can read these words: "Usury may be practiced on Christians."

In volume BABBA KAMA (113a) - "Jews must ALWAYS try and deceive Christians."

In volume ZOHAR 91, (106a) - "A Jew may lie and perjure himself to condemn a Christian."

In ABHODAH ZORAH (26b) - "Even the best of goyim should be killed".

In volume ZOHAR (11, 43a) - "Extermination of Christians is a necessary sacrifice."

And on, and on we could go, through page after nauseating page of this most holy book of Judaism. Christ was not fooled by the Pharisees assumption that they alone knew the mind of God. In Matthew 13 and Mark 7, He asked them: "Why do ye also transgress the commandments of God by
your tradition?" The TALMUD allows a man to curse his parents, as long as he does not use the Jewish holy word Y-H-W-H, called the "Tetragrammaton." It is perfectly all right for him to say: "May the Almighty, or Divine One curse you to hell."

This is the kind of hypocrisy you fundamentalists are backing, when you support the Jews.

Although fundamental pastors know that the Jews are their foremost enemies - this can be seen from any intelligent observation - yet they still insist on telling their "brainwashed" followers: "So what! They are God's Chosen People and therefore can do no wrong!" How utterly sad and fatal!

Jesus knew the capability for evil of the people we now call Jews, much better than we do today. He knew their record for evil and double-dealing, which was one of the major themes of the Old Testament. The prophets from Moses to Malachi shouted out their condemnation. Then the Apostle Paul admits it, when he tells the Christians at Thessalonica, (1st Thessalonians 2:14, 15): "For ye brethren, became followers of the churches of God which in Judea are in Christ Jesus: for ye also have suffered like things of your own countrymen as they (the Christians in Judea) have of the JEWS: Who not only killed the Lord Jesus, and their own prophets, and have persecuted us (Christians) AND THEY PLEASE NOT GOD, AND ARE CONTRARY TO ALL MEN."

(Emphasis added.)

When Jesus addressed the Talmudic leaders of Judaism in 30 A.D., He said: "Woe unto you, scribes and Pharisees, hypocrites.. ye be witness unto yourselves, that ye are the children of those which killed the prophets: FILL YE UP THE MEASURE OF YOUR FATHERS. Ye serpents (snakes), ye generation of vipers poisonous snakes), how can ye ESCAPE THE DAMNATION OF HELL?..." (Emphasis added.) Then in verse 35 of Matthew 23, we find the specific reason: "That upon you (Jews) may come ALL THE RIGHTEOUS BLOOD SHED UPON THE EARTH, from the blood of righteous Abel..." What a terrible indictment to make against any people, but made, nevertheless, by our LORD. Dear fundamentalist, WHERE ARE YOUR EYES THAT YE SEE NOT? WHERE ARE YOUR EARS, THAT YE REFUSE TO LISTEN TO THE TRUTH. It has been well said: "None is so blind, as he who refuses to hear."

On November 21, 1489, the following document was sent from the World Jewish leader, to Chemor, the main Rabbi in France. It was published in the Rothschild Journal in 1889: Note this part only: "...arrange that your sons become advocates and lawyers, and see that you mix yourselves in the affairs of State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them."

Have you ever wondered at the disposition of Jewish lawyers in the last eight Administrations which have governed this country from Washington D.C.? Why do we find Jewish lawyers, such as William Kuenstler, in the forefront of defending the enemies of America? Is it the lure of "big money" alone? (Lawyers are among the highest paid professions.) Or does it go deeper than this? Why do Jewish judges in particular, consistently rule against Christians in courts of law? Why do so many Jewish judges turn violent criminals loose on some stupid technicality, knowing they will "prey on society?" Do these things all happen by accident? Don't argue with me about this - just check out the record!

Ask yourself why it is that the Jewish founded and led American Civil Liberties Union (A.C.L.U.) is always in the forefront of efforts to de-Christianize the great religious holidays of Christmas and Easter? They do not want to do away with them - too much money is made by Jewish merchants on those days - but they do attempt to take Christ out of Christmas and Easter and substitute a jolly heathen called Santa Claus, and an equally ridiculous Easter bunny.

Listen to the following paragraphs, taken from the Jewish-Communist textbook on PSYCHOPOLITICS, WRITTEN in 1933: "We have battled in America since the century's turn, to bring to nothing, any and all Christian influences and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When that is done, we will have an end to them everywhere.
"So you must work until Christianity is synonymous with insanity. You must work until the officials of city, state and county governments will not think twice before they pounce on Christians as enemies.

"You must recruit every agency of the nation marked for conquest into a foaming hatred of Christianity. You must suborne district attorneys (no difficulty when they are Jews) and judges, into an intense belief that Christianity is bad, insanity causing, hated and intolerable." (For further information on this, read my new book THE SATANIC COUNTERFEIT)

Jesus once said: "Abraham rejoiced to see my day," (John 8:56). Does Mr. Begin and his cohorts rejoice in the birth, life, death and resurrection of the Lord Jesus? YOU KNOW THEY DO NOT! Instead, they consider those of us who believe the Scriptures, including you, my fundamentalist brethren, as "idolaters and heathen, goy." You are not ranked on an equal with animals, you are the "lowest form of animal," in the eyes of those you help and who desire to destroy you. To them, a Christian is the most despised form of life.

Christians top the "hate list" of those you call God's Chosen. In the curses of the 7th and 12th of the "18 benedictions" called SHEMONEHESREH, which the orthodox Jew recites three times on weekdays, and four times on Sabbaths and Holidays, the Christian is planted forever in hell, under a deluge of hot "excretement," while our Lord is drowned in "hot semen." (Vulgar and crass, I realize, but true nevertheless. I could give you many more references from the TALMUD, which would "literally turn your stomach.") It is one of the most vile books imaginable, but is the one from which the young religious Jew gets his earliest training.

While Jewish influence screams loud and long, about the destruction of immoral and vulgar books in our public schools; they teach in the Jewish Encyclopaedia, under the heading of GENTILES, that "Christian books such as the Bible should be burned."

While the Christian world speaks about "brotherhood between Christian and Jew," the Jewish Encyclopaedia and the TALMUD, both say that a "non-Jew" is not only not a brother, he is "less than human and should have no human rights under the law." (Now I realize the Jews will scream about this statement, for they are always in the forefront of Civil Rights for aliens and minorities, as long as it does not effect them. But regardless of what they say, this is what their holy book teaches.)

The term most fundamentalist preachers love to use is "Judeo-Christian." This should in itself be a "dead giveaway." The term "Judeo-Christian" was coined by those who would destroy "true Christianity," by merging it with the anti-Christ faith of Judaism. Yes indeed, O ye fundamentalists, read and absorb 1st Timothy 4:1 - "...in the latter days, some shall depart from the faith, giving heed to SEDUCING SPIRITS AND DOCTRINES OF DEVILS." This is a perfect "word picture" of Judaism, which is built on an occult, Satanic base.

All Christians, fundamentalist and otherwise, should appreciate the good things which have been done by fundamentalism - and they are many. We appreciate the vast host of people who have been "led to the Lord," by the aggressiveness of the fundamentalists. Yet sometimes I wonder. If there are 45-million "born again" Christians in America, as recent polls indicate, why is it that they have such a little effect on the country. Why is immorality on the constant increase, along with crime and sin of every kind? Why is it that the "average" Christian, fundamentalist and otherwise, is not "the salt of the earth," which Jesus told us to be in Matthew 5:13? (The main property of salt, you know, is to hold back corruption.) What has gone wrong? Could it be that our witness has been weakened, because we have had "affinity" with evil men? I'm not accusing; I'm merely asking a rhetorical question. It would seem to me that the fundamentalists love for the modern Ahab named Begin, which causes you to put pressure on our government and on your own people, to raise money to help "those that hate the Lord," would bring your belief in Him into question.

You have often become so zealous in your efforts to win souls, that you have completely forgotten about the Kingdom of God on this earth. You do believe in this, don't you? At least you say you do,
every time you repeat the Lord's Prayer. So often fundamentalists have "become so heavenly minded," they are "no earthly good."

This can become fatal! You have been so insistent that your people will escape the suffering of the Great Tribulation, that you have not prepared them spiritually to face any suffering or pressure from the enemy. You have helped raise the present "marshmallow Christian," who couldn't "fight his way out of a paper bag," if the need ever arose. Many of them have become so anemic, they are afraid to bow their heads and pray before they eat, in a public place, for fear that someone will think they are odd.

I know how easy and exhilarating it is to pray or testify in the warm atmosphere of a friendly church; especially when you are among people who admire your eloquence. But how many of your people carry their Christianity out into the everyday world? Far too many; I'd say the overwhelming majority of them, are Alka Seltzer Christians, they come to church and "fizz" for an hour or so on Sunday, but the rest of the week you would never know they were children of God. "By their fruits (not their words) shall ye know them."

Twice in John 8:39, 40, our Lord tells the Jewish leaders that they are not Abraham's children. Have you had some special revelation from the Lord which contradicts our Lord's own words? Has some angel given you a vision, in which Begin the Pharisee, suddenly becomes a righteous man, accepted in the eyes of the Lord and through the Abrahamic Covenant? Or maybe some of you fundamentalist preachers don't really know what the Abrahamic Covenant is?

Brother, I know this, you are treading on mighty dangerous ground, close to the point of sacrilege, when you teach that Judaism came from God via Abraham, Isaac, Jacob and Moses. Jesus said of the Jews: "If ye had believed Moses, ye would have believed me: for he wrote of me. But if ye believe not his writings, how shall ye believe my words?"

There is so much condemnation in the Gospel of John, by our Lord, against the religion of the Pharisees - which is and was Judaism, that modern Jewish Rabbis want this Gospel taken out of the New Testament.

What we are looking at on the world scene today in the form of men such as Menachem Begin, are "pseudo-Jews." They are the one's our risen Christ spoke of in Revelation 2:9, when He said: "I know the blasphemy of them which say they are Jews, and are not; BUT ARE OF THE SYNAGOGUE OF SATAN." (Emphasis added.) These are the "Christ-haters" you fundamentalist support and honor.

The people you are praising and elevating to the highest possible post of humanity, are guided by the heathen book, the BABYLONIAN TALMUD. Rabbi Finklestein, in his book HISTORY OF THE JEWS, says: "The TALMUD derives its authority from the position held by the ancient academies (schools of the Pharisees). . .at present, the Jewish people have no living authority comparable to the status of the ancient Sanhedrin or the later academies. Therefore, any decision regarding the Jewish religion, MUST BE BASED ON the TALMUD. (Notice, not the laws of God, as given to Moses, but the TALMUD.) This is the final resume of the teaching of those authorities when they existed." (UNQ.) (From THE JEWS - Their History Culture, and Religion, Vol.4, p.1332, Jewish Publication Society of America, 1949.)

In the November 17, 1959 issue of a best selling book by Herman Wouk, we read: "The TALMUD is to this day the circulating heart's blood of the Jewish religion." This is the book which is the very heart of the people we now know as Jews and it is a book which calls your Savior, a "bastard!"

Why do you suppose the TALMUD is kept secret from "non-Jews?" Why do you suppose the death penalty is decreed against any "goyim" who dares to read this book? Or any Jew who assists him in reading it? Why can't you find it in the public library? Why isn't it made available to the public like the books of other religions? Why all the secrecy over the TALMUD? Why was it burned in medieval Europe, on orders of the Pope? Why was it condemned by the leaders of the Protestant
Reformation?

It is because of it's contents. If Christians were to know what modern Jews were taught; what they believed; they would be driven from the land. Not because they were Jews, but because as Paul said, they are still "contrary to all men," in their religious teachings. The basic law of the TALMUD is - "only the Pharisee is a human being," all others are "asses" belonging to the Jew master. The attitude which has resulted from this teaching to the Jewish masses, is resentment by the asses" in every country where the Jew has resided - as well it might be. Only the "brainwashed fundamentalists and evangelicals" have called these so-called "superior beings," friends, which is like making friends with a rattle snake, sooner or later, you are going to get bit. This has been the sad lesson learned by every Jew who has tried to befriend the Jews. But the "non-Jews" resentment of being thought of and treated as animals, has always been called "persecution" by the Jews.

From the time of the Babylonian captivity, about 590 B.C., when the abomination called the TALMUD was begun; through the rise and fall of the Roman Empire, the TALMUD has always been the basis of world Jew belief. Now that the Seventh Anti-God World government has been set up by the Babylonian Talmudists, in the name of the United Nations, backed by the power and gold of the Rothschild's, Lazard, Freres, Lehman, Kuhn-Loeb; the Warburg's, the Schiff's and others of the International Banking bandits, in short today by the American Jewish Committee, every step of the Jews rise to world power, has been chronicled; culminating in the Communist drive for world power in 1918, which was financed by Jewish money and brains. It is documented fact, that at least 95"o of the conspirators in Russia were Ashkenazi Jews.

Since the end of World War II in particular, the word "hate" has been "dinned" into the ears of the Christians of America. Ostensibly, this cry is directed against people like me, who are supposed to be spreading "hate poison" - against groups who believe that "races should remain pure and not mix." The operation of these Jewish propaganda artists, has been spectacularly successful. But one thing the vast majority of American Christians do not know, is that the very ones who scream "hate and prejudice" are the same one's who are spreading throughout the nation, the slogans of "anti-Semitism"; these are the one's who have done more to inflame blacks against whites; Protestant against Catholic; minorities against the majority - than any other. Only they spew out their hatred under the canopy of their "TALMUDIC religion." Shouting hate slogans from one side of their mouth, while piously preaching "brotherhood" from the other side.

Their crusade against "hate" is but part of their larger conspiracy to control the world. Yes, Virginia, there is a conspiracy, whether you want to accept it or not. They are trying to destroy the unity of the American people, especially Christians. For once the unity is destroyed, then control becomes easy. The two-facedness of this technique is so obvious, that even you "brainwashed" goyim should be able to see it.

The NAACP, for instance, is an outfit in name only: it was created by Jews, financed and officered by Jews for the most part and is one with the racial strife which is constantly being masterminded by the "Anti-Defamation League" (ADL) of the Jewish Masonic lodge, the B'nai B'rith. These "Jewish haters" (and don't forget they do hate you if you are a Christian) piously claim that their entire interests are motivated by "humanitarianism," and insolently denounce anyone who disagrees with them as being "bigots" and "hate mongers." (See the new ADL book, EXTREMIST GROUPS IN THE UNITED STATES, which is being supplied to Public Schools, so that children can receive the Jewish view of the prejudice picture.) With a little research, you can easily discover that it has been Jewish influences which have been behind vicious Supreme Court decisions, which have hurt white Christians. Yet when they are caught in their "crimes," they merely scream "brotherhood."

Nowhere are the American people more vulnerable, than in Jewish attacks on the minds of our youth. These facts are available to you, if you want them I did not make them up. They can be found in the Year Books and Confidential Bulletins issued by the ADL and the American Jewish Congress (AJC) over the past decade. But when these reports were published by "right wing"
magazines, they had barely hit the press, when Jewish sources began to scream that they were "hate sheets." In the New York Times, January 25, 1959, this article appeared under the caption: MORE HATE LITERATURE DISTRIBUTED; It said: "The distribution of hate and racist literature reached a new post-war high late last year, it was reported Saturday by Ralph E. Samuel, Chairman of the National Executive Board of the American Jewish Committee."

Yet the information Samuel's was screaming about, came "verbatim" from Jewish sources. So much pressure was placed on Congress, that a joint statement was issued by spokesmen of both the Justice and Post Office Departments of the United States, which stated: "A joint study will be made into the possibility of new legislation to prevent these publications (the one's who had been telling the truth, previously published in Jewish periodicals), from being sent through the mails." This would bring the same sort of censorship in America, which can now be observed in West Germany and Canada, where people can be jailed for making "anti-Jewish" statements, no matter how true they may be. You can "defame, libel and tear down" someone like the author of this article, because he has dared to tell the truth, but you must not expose the enemy which seeks to destroy you. "What fools we mortals be."

While the "Pied Pipers" of Hollywood, TV and the news media can scream "prejudice, hate, Naziism, and Fascism", today, to be "anti-Communist" immediately labels you as being "anti-Semitic" I wonder why?

How do they get away with it, in a nation which is better educated than most? Well one big reason, is because of the propaganda which is coming from your fundamentalists pulpits. You are cooperating in the destruction of your own country. From a strict stand-point, you are according to the Constitutional viewpoint, a TRAITOR to America, for you are "giving aid and comfort to the enemy," (See U.S. Constitution, Article III, Sec.3.)

In addition to the "fundamentalist dupes," in most every community, we have a collection of organizations such as the Chamber of Commerce, the Lions, Kiwanis, Rotary, American Legion, PTA's, Women's Clubs, etc., all devoted on the surface to keeping their members abreast of events and conditions in the country through speakers they engage for luncheons and/or dinner meetings. In combination, they could go far to offset the "brainwashing effect" of the controlled media.

In a News-bulletin, put out in 1958 by a well known, respected public speaker, he pinpoints why these organizations have been "less than effective" in bringing the truth to the attention of the American people. He said: "The reason for this brainwashing by the enemy-controlled press and TV is one reason - but there is a far deeper reason - that is the suppressing and muzzling of those who could at least partially offset the brainwashing of the media. Those most guilty for this muzzling of the truth are men and women who proclaim 'Americanism' the loudest. I refer to the officials of our Service Clubs and to the ministers in our churches. In recent years, speakers who have had the courage to expose the real enemy of America, have been labeled by these people as "rabid rightists," and 'controversial' and have been banned from telling the truth." (UNQ.) I can vouch for this from personal experience. I have lost count of the times when I have been told by ministers and Service Club officials: "We believe in what you are doing. But you are too controversial; you would cause too many ripples in the pond." In effect: "We don't want anyone to rock the boat."

Occasionally there are pleasant surprises. A few years ago, after several unpleasant experiences with the American Legion, of which I was a working member, (while with the Birch Society, very few Legion Posts would let us use the Legion Halls for meetings: "too controversial.") I was invited to hold a series of lectures, sponsored by the Legion. My subject: THE COUNCIL ON FOREIGN RELATIONS. This tour was set up by a fine patriotic Christian Legioinaire, who wash State Americanism Chairman for the Legion. The tour was so successful, that at the next State Legion Convention, a Committee was appointed to look further into the CFR and they came out with a report which branded them as being anti-American. It can happen! But here is how Jewish pressure is used against these organizations. This is an actual incident, being explained by the president of a Service Club: "Several months ago, I scheduled Mr _______ to speak in our club. He had just
returned from a visit to the Middle East and was considered as an authority on that area. The subject of his speech, quite naturally, was the Middle East question. Unfortunately, on his arrival, at a news conference, before his lecture, he stressed the plight of the Arabs and the seizure of their homes by the Israeli. Immediately I began to receive calls from the ADL and other Jewish organizations; I even got a call from the 'Christian-Jewish brotherhood;' they descended on me screaming bloody murder - the newspapers made snide comments on our choice of a speaker - some of our members protested - and I was forced to cancel a speaker our people should have heard." FOR FEAR OF THE JEWS.

This is not a unique case. Many a fundamental church, has allowed an anti-Christ Jew to speak in their church, telling them about the terrible persecution of Jews under Hitler and begging for funds; but how many fundamental or evangelical churches do you know that have allowed their people to listen to the story from a Christian Arab? Very, very few! Certainly Jerry Falwell would not be in that group.

Now according to Myron Fagan, "there is more than one way to skin a rabbit." He tells the story of what happened in an all-white community in Westchester County New York a few years ago.

"Early in 1958, one of the residents in this community, an employee of one of the largest oil companies, was transferred to another State. Having no time to seek a buyer for his home, he transferred it to the local bank, which carried the mortgage on the property."

"About a month later, to the horror of a woman who lived next door - let's call her Mrs. X - a black family moved into the house. Actually it was more than a family; there was a young couple with three children; an elderly couple, plus a younger sister and her two children. Judging from the garb worn, the younger negro man was a 'Reverend.'

"As she beheld the brood of Negro teenagers, Mrs. X realized that this was the beginning of integration in their community - she thought about what integration had done to other communities, how racial unrest had been increased, how the school systems had almost been destroyed by integration. She was a mild mannered woman, she did not hate blacks, but she did want to preserve her neighborhood from the fate which had descended on Washington, D.C. and other all-white communities. She decided to do something about it.

"Her first step was to find out how the house had been financed. The black family obviously was not wealthy and the house was in the $50,000 category, mighty expensive in those days. To her amazement, she found that the bank had allowed them to move in for a small down-payment of $2,000 and a very small monthly payment. No white family in the community had ever received such an offer.

The next morning Mrs. X stormed into the bank and informed the bank's president that they were unhappy with Negroes in the neighborhood and the reasons for it. Immediately Mr. Banker stopped her and informed her that this Negro was different. He was not only a minister, but he was a member of the NAACP, the URBAN LEAGUE and was a highly regarded member of the national Board of the CHRISTIAN AND JEWISH BROTHERHOOD. Then he burned her to a crisp with the smug assurance that this particular Negro family was needed in their neighborhood. Mrs. X informed him that if he didn't do something about it, she would withdraw her account from the bank. He said: "Go ahead; the loss of your business won't break this bank!" That remark was his undoing, for it planted an idea in Mrs. X's brain.

That afternoon she telephoned twenty of her friends in the community. They held a meeting at her house that night and on the following morning, with five of these women, Mrs. X again confronted Mr. Banker. This time the banker was not quite so arrogant, not so smug. Mrs. X wasted little time in getting down to business. She bluntly informed him that her committee represented thirty additional families, all of who had authorized her to close out their accounts, unless he, Mr. Banker, would agree to get the Negro family out of the community within five days. "Furthermore", Mrs. X grimly informed him, "If the loss of thirty-five accounts will not break this bank, all of us will go
door to door in this community, until we get enough accounts withdrawn that you will cease to operate in our community."

The Banker attempted to "reason" with the angry women and pointed out that the house was now the legal property of the black family and there was nothing he could do about it. He was grimly informed that he had deliberately caused the problem in the first place and that he would either take care of it or his bank would go out of business. When he shifted to the "humanitarianism" phase of his argument, he was told to keep that for the Board of Directors, when they asked him to explain the loss of all those accounts.

To make a long story short, three days later, the black family moved out without an incident. Some of you may think this was "racist," I say it was decent people, working for the welfare of their community. It was later discovered that this black family had been brought in for the purpose of integrating the community, by who? The NAACP and the CHRISTIAN AND JEWISH BROTHERHOOD. It was not to help the blacks, but to force integration.

The moral of this story is to point out how one woman saved a community from the fate which has overtaken Washington, D.C., New York, Philadelphia and a host of other places, where deliberate attempts have been made by Jewish led organizations, not to help bring understanding between blacks and whites, but to stir up trouble. You will find without fail, that most Jewish and yes, Christian "humanitarians and bleeding hearts," whether they be bankers, judges, or preachers, will forget their "humanitarianism" the minute their own skins and their pocketbooks are in danger.

It is one thing for you fundamentalists to reject "hate propaganda," but it is another, when you reject completely, whole chapters and many passages of Scripture in the Word of God, merely to please "them that hate the Lord."

There is bitter poison in your "Judeo-Christian" beliefs, my fundamentalist friend and every genuine fundamentalist should know this. John tells us to "try the spirits," and then goes on in 1st John 4:3 to say: - "Every spirit that confesseth not that Jesus Christ is come in the flesh IS NOT OF GOD: and this is the spnsan of ANTI-CHRIST." Use this criteria when dealing with the Jews.

Could it be, that in your zeal to hasten Christ's return, you are aiding and abetting the anti-Christ?

I too shout MARANATHA! But when He returns, it will not be as a Jewish Dictator, but as King of Kings, and Lord of Lords. "Nevertheless, Come quickly, Lord Jesus!"

**The End**

CRUSADE FOR CHRIST AND COUNTRY

By Col. Jack Mohr
