A JEW SPEAKS OUT!

(A brief summary of Dr. Benjamin Freedman's book FACTS ARE FACTS. Must reading for every concerned Christian.)

"And ye shall know the truth, and the truth shall make you free." John 8:32

Many Christians are utterly confused by what is happening in the world today. Much of this confusion is coming from the pulpits, where many pastors have departed from preaching the "whole counsel of the Word of God," and have been led astray in their seminaries and Bible Schools, to depend on the teachings of men such as Dr. Schofield and others.

There is probably no area where this is more evident than in modern church teaching regarding a people we today call "Jews" and who have been held up to most Christians, as being the "Chosen People of God, the People of the Book."

An honest study of the teachings of Judaism, and especially their holy book The Babylonian Talmud will reveal that they are the most deadly enemies of God, His Christ, and the Christian church. They have advanced far in their plan to destroy Christian civilization and the freedom it has brought to the world, because of their aid from the Christian church.

If Christianity is to survive; if freedom is to be retained, it will only come about when God's true Israel people, the Anglo-Saxon and related people's of the world, the nations we sometimes refer to as Christendom, the true seed of Abraham, wake up to the truth of what is happening and do something to stop it.

This booklet was not written to make you hate the Jews. It was prayerfully prepared, under the direction of the Holy Spirit, to show you the truth. I will not attempt to change your mind about the Jews; that is not my task. I am a "watchman on the walls of Israel-America." My task is to warn you of dangers we face. What you do with this warning will be between you and God. Some day you will be required to answer for what you learn in this booklet. There will be no excuses then! So if you want the truth - READ ON! If you are afraid to know the truth, stop reading right now, for you are going to be tremendously disturbed!

The historical facts revealed in this booklet provide incontestible proofs that their continued suppression will be harmful to the security of America, the peace of the world, the welfare of humanity, the progress of Civilization and the cause of Jesus Christ and His Coming Kingdom.

Most of the information you read will not come from the author, but from an original source, a Jew, who during his lifetime, spent a personal fortune of over $2-million to bring these frightening facts to the attention of the American people. This man was not a Jewish American, whose loyalty was to the "bastard state of the Israeli" in Palestine. He was an American Jew, who had been converted to Christianity and who loved Jesus Christ and the United States of America. Laboring under almost unbelievable odds, hated by his own people, vilified by Christians who should have known better, Dr. Benjamin Freedman literally "burned himself out", materially and physically, to warn Christians and this nation of the danger posed by his own people, the Jews.

In October 1954, from his office on Park Avenue, New York City, Dr. Freedman wrote a long letter to Dr. David Goldstein, a Jew who had been converted to Catholicism, but who by his writings and speeches, was for all intents and purposes, still a Jew. This letter was printed in a small book titled FACTS ARE FACTS. Very few Christians have ever read it.

Because of its length, and much repetition, I have picked out the high-points of this unusual book. I
ask that as you read, pray that the Holy Spirit will enlighten you to the truth it contains. Then armed with these truths, go out in God's strength, to do battle with those who would destroy everything you say you love as a Christian.

As you read, keep in mind Galatians 4:16 - "Am I to become your enemy, because I tell you the truth?"

After a rather lengthy introduction, in which he explains the purpose of his letter to Dr. Goldstein, Dr. Freedman gets into the meat of his message.

You assuredly subscribe to that sound and sensible sentiment, that "it is better to light one candle, than to sit in the darkness." There have been many instances where I have failed over the past thirty years. I still live in hope that one day, one of these candles will burst into flame like a long smouldering spark and start a conflagration that will sweep across this nation like a prairie fire and illuminate vast new horizons for the first time.

It has been correctly contended for thousands of years, that in the end, truth will always prevail. We realize that truth in action can prove itself a dynamic force of unlimited power. But Truth has no self-starter. Truth cannot get off dead-center unless a worthy apostle of Truth gives it a little push to overcome inertia. Without that start, Truth will stand still or often "die aborning."

On the other hand, Truth has many times been "blacked out" by repeated contradictory and conflicting untruths, repeated over and over again. World's history supplies many sober testimonies to this truth. This form of Treason to Truth is treachery to mankind.

Many of history's most noted characters have misrepresented Truth to the world. As recently as 1492, the world was misrepresented as being flat, by all the best authorities. When Christopher Columbus demonstrated otherwise, he came in for all sorts of criticism. There have been countless other similar incidents.

Whether these authorities were guilty of ignorance, or indifference is beside the point. A duplication of this exists today with respect to the crisis which confronts Christianity. We are living in the "Zero Hour" for the Christian faith. No institution in modern society can long survive if its structure is not erected on the foundation of Truth. The Christian faith began on the solid foundation of its Founder. To survive, it must remain on that foundation. The deterioration, disintegration, and final destruction of Christian faith, will be accelerated in direct ratio to the distortion and misrepresentation which is allowed to become the substitute for Truth. Truth is absolute! It can never be relative! Truth either exists, or it does not! There can be no degrees of Truth! To be half-true, is as incredible as to be half-honest, or half-loyal!

In their attempts to do an "ounce" of good in one direction, many well-intentioned persons have done a "ton" of harm in the other. (He then goes on to mention how Dr. Goldstein had devoted his life to conversion of so-called Jews - ED.) He continues: For every ounce of good you accomplish through the conversion of a self-styled Jew' (Rev. 2:9) to the Christian faith, you do a ton of harm in another direction.

Regardless of what anyone, anywhere and anytime may say, events of recent years everywhere have established beyond the question of doubt that the Christian faith stands with one foot in the grave and the other on a banana peel, figuratively speaking. (Consider this. Christian polls place the number of "born again" Christians in America at over 45-million; this number grows every day due to the unceasing efforts of evangelical and fundamental groups. This is good. But where is this Christian influence in America? As the number of "born again" people has increased, Christian influence has decreased. Crime, corruption and evil of every type has taken a stranglehold on America. Could it be that these Christians have become "the salt which has lost its savor - its ability to act as salt?" The major property of salt is to hold back corruption. Why have Christians failed in their efforts. Why is the Moral Majority making such little headway against all types of evil? Could it be that they have refused to strike at the root of the problem, because it is a Jewish root? Could it
be that many of these Christians are fulfilling the words of Isaiah 29:13 - "...this people draw near me with their mouth, and with their lips do honour me, but they have removed their heart far from me, and their fear towards me is taught by the precept of men." - ED.)

The Christian faith stands at the crossroads of its destiny. The Divine and sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its 2,000 year history.

If the day ever arrives that Christians can no longer profess their Christian faith, (This time has already come in Communist countries - ED.) as they profess it in the Free World, then it will see the beginning of its last days.

It is useless to deny that today the Christian faith is on the defensive throughout the world. This realization staggers the imagination of those of us who understand the situation.

The history of the world for the past several centuries and current events at home and abroad, confirm the existence of a conspiracy to destroy Christian Civilization. The world-wide plot of these diabolical conspirators has been implemented while most Christians have been asleep. The Christian clergy seem to be more ignorant and indifferent to this plot than other Christians. They seem to bury their heads in the sands of indifference and ignorance like the legendary ostrich. This ignorance and indifference has dealt a severe blow to the Christian faith, from which it may never recover.

Christians need a spiritual Paul Revere to ride across this land, warning that their enemies are closing in on them. (This is what I have been attempting to do - ED.)

WHO ARE THESE ENEMIES?

It is important that we pin-point the enemies who are making war on the Christian faith. The souls of millions of Christians are uneasy about the state of the Christian faith today. The minds of thousands of Christian clergy are troubled about the mysterious pressures from above which often prevent them from exercising sound judgment in this situation. If these forces can be identified and stopped, Christianity will stand on its feet, facing its enemies like the Rock of Gibraltar. But unless something is done soon, the faith of many will begin to crumble. (We already see evidence of this - ED.)

The Christian clergy are primarily, if not solely responsible for the internal forces within the Christian faith, which are fighting against its best interests. We can no longer pussy-foot with the truth, because we find that it hurts someone we know or like.

At this late hour, there is very little time left to mend our fences. "Beating around the bush," will get us nowhere. The courageous alone will endure the present crisis. Both figuratively and literally, there will be live heroes and dead cowards when the dust of this secular conflict settles. The Christian faith is the only anchor to windward, against universal barbarism. The enemies of Christianity have already shown us the savage methods they will adopt if they are victorious.

The confusion of the average Christian comes from the action of the clergy. Confusion creates doubt! Doubt brings loss of confidence! Loss of confidence brings loss of interest!

There need be no confusion in the minds of Christians concerning the fundamentals of the faith. It would not exist if the clergy were not "aiding and abetting" their own worst enemies. Many clergymen are their allies, without realizing it, while others have become deliberate "male prostitutes" to their cause.

Countless Christians are today standing on the sidelines of this struggle, watching as their faith "withers on the vine," and their freedom is about to drop into the laps of their enemies like overripe fruit. Their cup becomes more bitter, when they realize that it is the ignorance and indifference of their leaders which is causing the problem. (When I first began to see what is happening, I spent several hundred hours of research on the problem. When I thought I had enough information to speak intelligently about it, I went to my pastor, expecting him to at least read the material I had so
painstakingly assembled But as he glanced at it and saw that it was not complimentary to the Jews, he threw it into the wastebasket and pronounced me an apostate. When I asked him to look with me in the Bible, his retort was an angry: "I already know what the Bible says." How can you do anything constructive with a man like that - ED.)

When Christians see their leaders in retreat, which can only bring defeat, they are confused and afraid. To stop this surrender, the clergy MUST make an about face immediately and take a stand against the invisible and intangible ideological war which is subversively being waged against the Christian faith.

The utterance by the clergy which confuses Christians the most, is constantly repeated from the pulpit and on the written page, this is that "Jesus was a Jew!" This is not only a misrepresentation, but a distortion of incontestible historic facts. Yet it is uttered by the clergy on the slightest pretext. They utter it without provocation. They appear to be "trigger happy" to utter it! They never miss an opportunity to proclaim it to their congregations.

But informed, intelligent Christians, who know the facts of Scripture and history, cannot reconcile this misinformation with incontestible facts.

The only way the clergy can get out of this mess they have brought on themselves, is to resort to "telling the truth, the whole truth, and nothing but the truth." This is the only formula which will allow them to regain the full confidence of their flocks.

Without fear of contradiction based on fact, the most competent, and best qualified authorities today, will have to admit that Jesus was not a self-styled Jew. During His lifetime, He was known as a JUDEAN, by His contemporaries, HE WAS NEVER CALLED A JEW!!!

When Jesus was crucified, the Roman Governor Pontius Pilate, had an inscription placed on the cross. It was written in Latin, IEUS NAZARENOUS REX IUDERUM. Since Latin was Pilate's mother tongue, he was able to express his ideas in this language. Authorities competent to translate from Latin to English agree that this inscription said: JESUS THE NAZARENE RULER OF THE JUDEANS! Then why have our Bible translators, almost to a man, translated this to read: JESUS THE NAZARENE, KING OF THE JEWS?

There is little doubt that Pilate was being sarcastic when he put this inscription on the cross. He was mocking the Pharisees, whom he hated, knowing that they had denounced Jesus, defamed Him; that He had been denied by the majority of the Judeans and that they had insisted on His crucifixion.

Except for a few of His followers, all Judeans detested His teachings. The Gospel of Matthew 27:25 says that when Pilate washed his hands of the blood of Jesus - "Then answered ALL the people, and said, His blood be on us, and on our children." (Let your pastor argue about that verse.) With the exception of the traitor Judas, none of His disciples were JUDEANS, they were all from Nazareth, in the Israel nation. Jesus said of Judas, that he was a "devil", (John 6:70 - compare with John 8:44 - ED.)

When Pontius Pilate was governor of Judea, there was no racial, religious, or political group, anywhere in the world which was known as "Jews."

(Then follows ten pages of evidence, proving to the most biased mind that Jesus was never called a Jew, since the word was not used in the English language until 1775.) Shakespeare, in his MERCHANT OF VENICE, did not use the word "Jew", instead he said: "what is reason? I am an IEWE; hath not an IEWE eyes?" This was the English word for JUDEAN. In the 4th Century Latin Vulgate translation of the New Testament, Jesus was referred to by the Genitive Plural IUIDEAUS. In the Rheims Douai Version, the word "Jew" does not appear. In the original King James 1611 Version the word JUDEAN, was used. (In John 4:22, where Jesus spoke with the woman at the well of Samaria, the words in the present King James Version make little or no sense: "for salvation is of the Jews." What intelligent Christian would believe that salvation came through any nation, or religion? We know this is untrue. But in the original 1611 Version of
the King James Bible this verse reads: "But salvation cometh out of Judea." This makes sense, for this is where Jesus came from and it was, foretold in prophecy - ED.)

When the word JEW was first introduced into the English language, its only meaning by implication, inference or innuendo was JUDEAN. But during the 19th and 20th Centuries, a well-organized, well-financed international pressure group of Jews created a "secondary meaning" for the word, among English speaking peoples. This secondary meaning has no more relationship to the word JEW as used in the 18th century, than the original meaning of the word CAMEL, an animal, has to CAMEL, a cigarette; or IVORY, a tusk of an animal, bears to IVORY a type of soap.

The generally accepted secondary meaning of JEW today is made up of four almost universal theories.

(1) JEW - a person who today believes in a form of religion known as Judaism;
(2) JEW - a person who claims to belong to a racial group associated with ancient Semites;
(3) JEW - a person who is directly descended from the patriarch Abraham; and,
(4) JEW - a person blessed by Divine intentional design with certain superior cultural characteristics denied to other racial, religious and national groups.

The acceptance of this "secondary" meaning is what has confused most Christians. More and more of them are beginning to realize that they have been "brainwashed" into believing such phrases that JESUS WAS A JEW! AND JUDEO-CHRISTIAN, to the point where it now approaches psychosis.

The time has come when our clergy better wake up and tell their people the truth. They may not yet feel the resentment of their people, because of their untruths, but that time will come and it will be a bitter pill for these so-called "men of God" to swallow.

More and more intelligent, informed Christians, who have been studying the Bible and history for themselves, are challenging the assertion that Jesus was a member of a religious group in Judea who practiced Pharisaism, or Judaism. They also know that the people who now call themselves JEWS, are not the people of the Book - not the descendants of Abraham.

The resentment of the people at the "lack of guts" in the clergy to tell the truth is deepening. (I predict a day soon, when the clergy will be held accountable by their people, for their treason against God, their race and their country - ED.) As this condition expands, the clergy will find to their sorrow, that "ignorance is not bliss," neither is "wisdom folly."

(As Christians learn how self-styled JEWS have spent millions of dollars to manufacture the "Jewish myth" for Christian consumption and that they have done this both for economic and political advantage, you will see a tremendous explosion against the Jews. Right thinking Jewish leaders are worried about this, since they see it coming. The unfortunate thing is that many of the "little Jews," the ones you and I rub shoulders with in everyday life, the man who owns the corner delicatessen store, most of who know little about what is happening at International level, these are the ones who are always hurt the worst - ED.)

(To say that Christianity and Judaism have the same roots is nothing but outright blasphemy - ED.) Jesus abhorred and denounced the form of religion practiced in Judea in His day. His pet peeve was with the Pharisees, who were the exponents of Judaism. Most Christian ministers learn this during their seminary days, but few ever tell this to their people.

The eminent Jew, Rabbi Louis Finklestein, head of the Jewish Theological Seminary of America, often referred to as "THE VATICAN OF JUDAISM", in the foreword to his First Edition of THE PHARISEES, THE SOCIAL BACKGROUND OF THEIR FAITH, page 21, says:
"...Judaism...Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes in name. the spirit of the ancient Pharisees survives, unaltered. From Palestine to Babylonia; from Babylonia to North..."
Africa, Italy, Spain, France and Germany; from these to Poland, Russia, and Eastern Europe generally, ancient Pharaism has wandered... this demonstrates the enduring importance which is attached to Pharaism as a religious movement.

(These were the same men to whom our Lord said: Matthew 23:15 - "...ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves." - ED.)

Rabbi Adolph Moses, states in his book YAHUISM, AND OTHER DISCOURSES, page 1 - "The term Judaism coined by Josephus (a eminent Jewish historian of the first century A.D. - ED), remained absolutely unknown to them (Jews).... it was only in comparatively recent times, after the Jews became familiar with modern Christian literature, that they began to name their religion Judaism." (It was also during this time, that the heresy of JudeoChristianity was coined - ED.)

The role the TALMUD plays in Judaism is officially stated by Rabbi Morris N. Keitzer, the Director of Interreligious Activities of North American Jewish Commission. In an article in LOOK magazine, June 17, 1952, he states: "The TALMUD consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis."

**WHAT IS THE TALMUD?**

In his book HISTORY OF THE TALMUD, Michael Redkinson states on page 70 - "Here is the source from whence Jesus of Nazareth drew the teachings which enabled him to revolutionize the world." (This of course is an old Jewish trick, to call Jesus a "revolutionary." It leads us to this question - "Do we as Christians know what the TALMUD teaches?" Could this be what Jesus alluded to in Matthew 15:6 when He said - "Thus have ye (the Pharisees) made the commandments of God of none effect by your traditions," and a second witness given in Mark 7:8 - "Howbeit in vain do they (the Pharisees) worship me (God), teaching for doctrines the commandments of men. For laying aside the commandments of God, ye hold to the traditions of men." - ED.)

Stimulated by this statement from an eminent Jewish rabbi, every Christian, especially every pastor, should take time to investigate whether this is true. Ask yourself: "What do I know about the TALMUD?"

From the birth of Jesus to the present, there has never been recorded a more vicious, vile and libelous blasphemy against Jesus and Christians, than you will find in the pages of these 63 volumes. The TALMUD reviles Christ and Christians in unbelievably foul, obscene, indecent, lewd and vile language. (Please excuse their use in this article. They are all direct quotes from the TALMUD.)

In 1935, the first International hierarchy of so-called Jews, for the first time in history published an official, unabridged English translation of the whole TALMUD. It was probably done because many of the younger Jews could not read Hebrew, the language in which it was written.

This translation was known as the SONCINO EDITION of the TALMUD and it immediately became a "two-edged sword". For while it taught millions of younger Jews, the teachings of Judaism, it also enabled Christians, for the first time, to learn what the TALMUD actually taught about their Founder and their religion.
(Here Dr. Freedman makes numerous quotes from the TALMUD. I will only give a few and I ask you to pardon the language used. It is not mine, but comes directly from this Jewish book. It is from this veritable "sewer of filth" that so-called Jews are taught and which their leaders have "brainwashed" Christians into believing that the teachings of Christianity come - ED.)

In the Volume SANHEDRIN, 55b - "A maiden three years and a day may be acquired in marriage by coitus (sexual intercourse) and if her deceased husband's brother cohabits with her, she becomes his. The penalty of adultery may be incurred through her; if she defiles him with whom she has connection, so that he in turn defiles that upon which he lies. As a garment which has been laid upon by a person afflicted with gonorrhea."

SANHEDRIN 69b - "If a woman sported lewdly with her young son (a minor), and he committed the first stage of cohabitation with her, would this render her unfit for the priesthood?" Rabbi Beth Hillel declares in answer: "the connection by a boy of nine years and a day is a real connection; while that of a boy of less than eight years is not." (While the Levitical law states that a woman who becomes a harlot may not marry into the priesthood, Rabbi Hillel says that if the son was eight or under, he is not yet a man and as a result it does not so disqualify her.)

YEBAMOUTH, 63a - "What is meant by the Scriptural text: 'This is now bone of my bone, and flesh of my flesh?'" (Genesis 2:23) Rabbi Eleazer says: "This teaches that Adam had intercourse with every beast and animal in the Garden of Eden, but found no satisfaction until he cohabited with Eve." (This I believe is enough of this filth, which can be found in thousands of TALMUDIC passages, to give you a general idea of its vileness - ED.)

To the average Christian, the word TALMUD has no meaning, or if it does, it is associated with the Bible of Judaism. (Very few Christians have ever seen the TALMUD, much less read it, because this foul book pronounces a death penalty on any "goyim" (non-Jew) who reads it and any Jew who helps him obtain access to it - ED.) Many Christians seem to think that the TALMUD is some sort of a Jewish spiritual manual.

How many Christians know the significance of the KOL NIDRE (All Vows) prayer, which is recited by so-called Jews on the Day of Atonement?

In Volume VIII of the Jewish Encyclopaedia, found in the Library of Congress, the New York Public Library and other large libraries, will be found the official translation into English of the KOL NIDRE. It is a prologue to the Day of Atonement services in all synagogues. It is recited three times by the standing congregation in concert with the chanting rabbis at the altar. Here is the official translation: "All vows, obligations, oaths, anathemas, whether called 'konan', 'konas', or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound, from this Day of Atonement unto the next...we do repent. May they be deemed absolved, forgiven, annulled, and void, and made of none effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not be obligations nor the oaths be oaths." (What is the meaning of all this? It simply means that the word, promises, or oath of any so-called Jew is not to be trusted. The Jew who never attends synagogue during the year, always makes it a point to be at this one service, where he is absolved from all promises he makes during the following year. How then can we trust a Jewish Judge or Legislator, to fulfill his oath of office, when we know he has taken this oath? - ED.)

In some parts of the world the stupid Christian churches actually "peal their church bells," to help celebrate this holy day of their worst enemies.

The present wording of the KOL NIDRE dates from the 11th Century.

There was an attempt made a few years ago to repeal this nefarious prayer, but it was voted down by Ashkenazi Jews.

How many Christians know that a large majority of so-called Jews have no connection with lineal descendants from the tribes of Israel or Judah? Not even many ministers know this. At least 90% or
more of the people we know as Jews are descendants of a Turco-Mongolian people known as Khazars and are not Semites at all.

What mysterious power has kept this from the Christian world for centuries? The origin of the Khazars and the Khazar Kingdom are historical facts, yet very few students of history know anything about their connections to modern Jewry.

The Khazar Kingdom in southern Russia in the 8th Century A.D. was the largest nation in Europe. It covered an area approximately 1-million miles square and was inhabited for the most part by the Khazar people who were an Asiatic-Mongoloid people. They are classified by modern anthropologists as Turco Finnish. They were a very war-like people who had been driven Westward out of Asia. They were pagans in their religion, which was a combination of phallic and idol worship. The vile forms of sexual excesses indulged in by the Khazars had produced a degree of moral degeneracy which even the Khazar, King, could not stomach. In the 7th Century, King Bulan decided to abolish this immoral religion and make one of the "monotheistic" religions the new State religion. After a historical session with representatives of Christianity, Islam and Judaism, he selected Talmudism as his State religion.

The King invited large numbers of rabbis to come to the kingdom and teach his people the new religion. After this, no one but a so-called Jew could be king. The ideologies of the TALMUD became the axis of political, cultural, economic and social attitudes. This change is graphically described in Volume IV, of the Jewish Encyclopaedia.

When King Bulan converted to Judaism, he decreed that the Hebrew alphabet would become the alphabet of the Khazar language. The adoption of the Hebrew alphabet had no racial, political or religious significance. While most of the nations of Western Europe adopted Latin as their alphabet, the Khazar language became known as YIDDISH. For at least six centuries the Jews of Russia, Poland, Lithuania, Rumania and Hungary referred to their common language as YIDDISH and it is used extensively today throughout the Jewish world. Yiddish is not a German dialect, as many believe, although it did borrow many German words.

The descendants of the Khazars, which make up at least 90% of modern day Judaism, are a product of Talmudism and it may come as a surprise to many Christians, that they have no connection with Abraham. (When I first began to air this information, an irate Christian woman from Dallas wrote to me and said: "Everyone knows that the Jews are blood descendants of Abraham; the Bible says this and that's that." But the Bible does not say this and when I wrote and asked her if Sammy Davis, Jr., the Black singer was a descendant of Abraham, she got very upset.)

In 1951, when President Truman was presented with a set of the TALMUD, he was quoted by Jewish sources as saying: "the book I read the most is the TALMUD which contains sound reasoning and good philosophy." Yet these were the teachings condemned by our Lord.

**WHAT DOES THE TALMUD TEACH REGARDING CHRISTIANITY?**

The Rev. I. B. Prantis, Professor of Hebrew at the Imperial Ecclesiastical Academy in old St. Petersburg, Russia, and probably the world's greatest "non-Jewish" authority on the TALMUD, wrote a devastating book titled THE TALMUD UNMASKED - The Secret Rabbinical Teachings Concerning Christians. The Jews used millions of dollars to suppress this book. Here are some of the references Dr. Prantis used, taken directly from the TALMUD:

SANHEDRIN, 67a - "Jesus is referred to as the son of Pandria, a Roman soldier."

KALLAH, lb (18b) - "Jesus was the illegitimate child of a Jewish prostitute and was conceived during menstruation."
SCHABBATH, 104b - "Jesus is called a fool."

SANHEDRIN, 103 - "This passage suggests that Jesus had corrupt morals."

SANHEDRIN, 107b - "This says that Jesus corrupted, deceived and destroyed Israel."

ZOHAR, 111(282) - "Jesus died like a beast and was buried in a dung heap."

ABODAH ZARAH (6a) - "Jesus promoted the false teaching of worshiping on the first day of the week."

**TALMUD TEACHINGS REGARDING CHRISTIANS:**

HILKOTH MAAKHALOTH - "Jews must not associate with Christians since they are idol worshipers.

ABHODAH ZARAH (22a) - "Do not associate with Christians since they shed blood."

ORACH CHAIIM (20, a) - "Christians disguise themselves to kill Jews."

ABHODAH ZARAH (15b, 22a) - "This passage suggests that Christians have sexual relations with animals."

KERITHUTH (6b, p.78) - "Jews are called men; Christians are not men."

MAKKOTH (7b) - "A Jew is innocent of murder if he intended to kill a Christian."

MIDRASCH TALPIOTH (225) - "Christians were created to minister to Jews."

SANHEDRIN (74b) - "The sexual intercourse of a Christian is like that of an animal."

ZOHAR (II, Mb) - "Christian birthrate must be diminished materially."
(Could this have anything to do with the fact that in America, most of the doctors running the Abortion Clinics are Jews? - ED.)

ROSCH HASCHANACH (I 7a) - "The souls of all non-Jews go to hell."

SCABBATH (I 16a) - "Talmudists agree that Christian books, such as the Bible should be burned."

SANHEDRIN 58b - "To strike a Jew is like slapping God in the face."

CHAGIGAH, 15b - "A Jew is to be considered good, no matter what sins he may commit."

ZOHAR (I, 25b) - "The Jew who does good to a Christian will never rise from the dead."

IORE DEA (148) - "Always hide your hatred of Christians."

BABHA BATHRA (54b) - "Christian property belongs to the first Jew claiming it."
BABHA KAMA (I 13b) - "It is permitted to deceive Christians."

BABHA KAMA (I 13a) - "A Jew may lie in court to condemn a Christian."

ZOHAR (I, 60a) - "Jews must always try and deceive Christians."

HILKKOTH AKUM (X, I) - "Do not save a Christian in danger of death."

SANHEDRIN (59a) - "Even the best of the goyim should be killed."

ZOHAR (II, 43a) - "Extermination of Christians is a necessary sacrifice."

These are but a few of thousands of like references.

When you hear the term "Judeo-Christian" used from the pulpit, what does the speaker mean? Is he referring to ancient Pharaism? to Talmudism? or to so-called "Judaism." In view of the facts which have been presented, how can there be a "Judeo-Christian" anything? It is as unrealistic as to say something is "hot-cold," "wet-dry", "healthy-sick," or "happy-sad." These words are "antonyms," not "synonyms." (A Christian can no more follow Judaism than he can Communism - ED.)

Yet this idea of ours being a "Judeo-Christian" culture has been carried to such extremes, that there are Institutes for the study of Judeo-Christianity in some of our leading Universities. It would make much better Christians out of congregations, if ministers would try and sell "Jesus Christ", rather than a monstrosity called "Judeo-Christianity."

Along with this term, we also find the horrible "trigger word," of "Anti-Semitic". It is nothing but a smear word which makes little sense, since by no stretch of the imagination are the Jews of today, Semites. Yet when any Jew feels that he has been opposed, offended, or exposed for any reason, he immediately trots out the word "anti-Semite." (In some churches, to be an anti-Semite, is worse than being an apostate - ED.) When the Jews in 1946, were unable to disprove Dr. Freedman's allegations regarding their illegal entry into Palestine, they literally spent millions of dollars smearing him as the world's Number One anti-Semite, thereby trying to discredit him in the eyes of the brainwashed public. Until the time when he began to expose Jewry for what it was, he was considered to be a "little saint", but when he disagreed, they did everything within their power to destroy him - ED.)

Christian clergy who use the term "anti-Semite" against those who are trying to expose the evils of International Jewry, should know better. They show their ignorance of the English language by using this word. Today, this Jewish phobia against criticism of any kind, has become one of the world's most intolerable forms of persecution.

It should give any Christian in particular, or any decent person for that matter, who sees our nation's morals crumbling, and our standards in the fields of politics, economics and religion crumble, something to think about. The moral standards of any nation are the crucible in which the nation's character is refined and molded. The end product can never be better than the ingredients used.

While America has much for which to be proud, she also has many sources of shame. A correct diagnosis of our nation's rapid disintegration in all walks of life will reveal the cause, which is primarily of an economic nature: (1) Make more money; and, (2) Have more fun. When we look at all the evils which have descended on America, they have an economic root and we can understand what the Apostle Paul meant when he said: "The love of MONEY is the root of ALL evil," (Emphasis added) (1st Timothy 6:10). How many Americans do you know who include in their daily duties, service, sacrifice and prayer in the defense of this nation against its enemies?

With very few exceptions, this generation seem to regard everything as secondary to their accountability to unborn generations. (Our thinking is wrapped up in the words of the beer ad: "You
only go around once in life; so live with gusto." - ED.)

The guidance and control of America has gravitated by default into the hands of those least worthy of trusteeship. One of their most notable achievements, has been in the making of "male prostitutes" who do their dirty work for them.

A "male prostitute" is a male who offers the facilities of his anatomy from the neck up, to anyone who is willing to pay the price, exactly as a female prostitute of the same species offers her body from the waist down for an asking price. Thousands of these "pseudo-Christian" "male prostitutes" are circulating in all walks of life, pandering evil propaganda for monetary profit and political power. (Nowhere are they more prevalent than in Christian work. Look at the electronic evangelists for instance, almost to a man, they back the Jewish enemies of Christ and the church, even though many know that the so-called Jews are not the people of the Bible. They know that if they tell the truth, they will be cut off the TV airways, so they prostitute themselves for a few million dollars. It reminds me of the story told of the English Bishop who was attending a dress party of English Lords and Ladies. He was approached by a haughty English beauty and in the course of their conversation he said: "Would you go to bed with a stranger for a million pounds?" When she replied in the affirmative he asked: "Would you go to bed with a man for five pounds?" To which she haughtily replied: "Of course not. Do you think that I'm a prostitute?" The prelate replied: "We've already established that, my dear. Now we are negotiating the price." - ED).

The corroding effect of this subtle intrigue is slowly but surely disintegrating the moral fiber of America. This danger to our Christian faith cannot be overestimated. This peril to our nation cannot and must not be underestimated.

The International "crime of all crimes" was committed in Palestine in 1948, almost totally as a result of American interference, at the behest of world Zionists in New York. Today, although we know we have been wrong, we still side with the aggressors. As a result, the Arab world, which once admired us and look to us for guidance, has come to hate us and the foundation has been laid for World War III. Our government has become a "male prostitute" for world Zionism and the blackest page of American history is now in the writing. (This crime has been aided and abetted by the ministers of America, who trumpet the falsehood that since the Jews are God's Chosen People, we must back them in all their endeavors. We have completely forgotten the warning of 2nd Chronicles 19:2, which clearly states: "Shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord?" - ED.)

So we thank Dr. Benjamin Freedman for his courage and wisdom in bringing us this truth. For those of you who have never read his book FACTS ARE FACTS, I would suggest you make every effort to get it.

The thoughts from here on are mine (ED).

Today, the blood of American boys is being mingled with that of innocent Lebanese women and children, as they are sacrificed on the altar of world Zionism. It was our clergy who urged this slaughter, as they hammered away day after day, sermon after sermon, ad nauseam, the false theme; "The Jews are God's chosen people and we must support them. The return of the Jews is the major sign of Christ's soon return." I hope and pray that He comes back soon. It will be necessary for the preservation of humanity. But the Jews are not the sign of that return, since they are not the Chosen People and never have been. Christian minister, if you have the courage to read this little book, you have "sowed the wind, now get ready to reap the whirlwind." The Bible tells us of the Law of Harvest, "Be not deceived, God is not mocked; for whatsoever a man sows, that shall he also reap," (Galatians 6:7). This law is for you, as well as for all mankind. You have spoken a lie to your flock, if you have supported Israel. You may not have realized this, since you too have been "brainwashed" at that prestigious seminary you attended. But ignorance of truth is not an excuse. Someday soon, you will be held accountable for your poor stewardship before God... now is the time to straighten out your life, before God holds you accountable for it.
Some of you good Christian mothers and fathers will pay too, for although some of you have known better, you would not cause ripples in the pond by telling your pastor that he was wrong. You too will pay, with the blood of that precious son of yours, as you see him sacrificed on the altar of Jewish greed. You will bear the guilt of his death. I hope and pray for your sakes and the sake of America that it never comes, but it is just ahead, we know that, for the Word of the everliving God has predicted this. "The Lord will cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: ...thy carcass shall be meat unto the fowls of the air, and unto the beasts of the field, and no man shall fray (Hebrew "charad", meaning to "shudder, fear, discomfit, quake, tremble") them away." (Deuteronomy 28:26). Vs 62 -"And it shall come to pass, that as the Lord rejoiced over you to do you good, and to multiply you; so the Lord will rejoice over you to destroy you, and bring you to nought..." You may say: "Those words were written for Israel!" You are right! But whether you want to accept it or not, you are Israel, if you belong to the Anglo-Saxon and related peoples and these promises are for you. Pray to God that America does not have to go to war, because if we do, we will be whipped again, just as we were in Korea and Vietnam. We cannot win, as long as we refuse to obey the Lord.

Soon, very soon, my Christian friends, you are going to see the hate of the anti-Christ's you have supported, as it is unleashed against Christian America. The signs are already there if you look for them. To whom will you flee for refuge then? There is not going to be a Rapture, as you have been told, which will spirit you out of the midst of this evil time. Where will you go for refuge?

If Christianity is but the "carbon copy" of Judaism as we have been told, then why would any intelligent person want to change from Judaism to Christianity? You pastors who tell your people that we are a Judeo-Christian culture, why would you have them turn from the Original?

This falsehood is a Jewish subterfuge and deep down inside you know this is true. Yet you still speak what you know is a lie, because you do not have the courage to "buck the popular tide." Shame on you! What will you tell the Almighty, when you stand before his Judgment throne and answer for what you have done to the American people? Some of you have spread the lie that the Christian Church is nothing but the Jewish Church glorified. What a travesty of the truth. The Jews who convert to Christianity do not regard Jesus as a Jew who converted to Christianity, why should you preach this rot? The Christian church was on earth centuries before there were any people called "Jews." Acts 7:38, speaks of the "church in the wilderness," that my friends, was a Christian church. The Apostle Paul in 1st Corinthians 10:1 speaks about Israel passing out of Egypt, into the wilderness, in vs 3, 4, he says: "And did ALL eat the same SPIRITUAL meat and did ALL drink the same SPIRITUAL drink, for they drank of that SPIRITUAL ROCK, that followed (was to come) them: and THAT ROCK WAS CHRIST JESUS." (Emphasis added.)

These people were not Jews. They were not followers of the religion called Judaism. They were Christians. I realize they were not called Christians until almost 1500 years later, when they were first called by that name at Antioch (Acts 11:26). But they were Christians nevertheless. They looked forward to the once-for-all sacrifice of the Lamb of God, Jesus the Christ. We today look back on this sacrifice. But we are all members of the same church and it is and has never been a Jewish church.

It will only be when we purge our churches from this false teaching and eject the Judaizers from our ranks and tell our people the truth, that we will be saved from our enemies. The true Judaizers are not those who teach the everlasting truth that the Law still remains, but those who tell you that since you have become a Christian, the Law no longer applies to you. The Judaizers would have you believe that Jesus did away with the Law when He died on Calvary, but our Lord Himself repudiated this falsehood when He said: "I am not come to destroy the law and the prophets; I am come to fulfill," (Matthew 5:17). While the writings of the Apostle Paul, if studied carelessly, may give the impression that the Law was done away, he says: (Romans 3:31) "Do we make void the law through faith? God forbid, yea we establish the law." Then in 1st John 3:4, the Apostle of Love tells us that "sin is transgression of the law," and then goes on in 2nd John 6 to say: "And this is
LOVE, that we WALK after His COMMANDMENTS...

You see, my brainwashed Christian friend, the same man who has fooled you concerning the Jews, has fooled you concerning the Law. The ordinances and sacrifices were done away at Calvary, Christ nailed these to His cross, as the Apostle Paul so ably tells us. When He shed His precious blood on that Roman cross, He did away with the necessity of ALL blood sacrifices for all time. But He may not destroy the Law. Our problems in America, EVERYONE OF THEM, have come about because Americans have refused to obey God's Law. No one has been more guilty of disobedience, than those of us who go by the name of Christian. It's no wonder the wrath of God is falling on our country.

Our problems will end, when we discover who we are and accept our responsibilities before God. When we discover that as God's Servant People, we were put on earth to do His will and bring about His Kingdom on this earth, not in some heaven. When we realize that we are not to be some kind of dictator, as the Jew envisions, but a people who will serve.

If we were to return to God and recognize our responsibilities before Him then we would be restored

1. To our status as the number one nation;
2. We would have blessings of many children, instead of an ever decreasing birth rate;
3. We would have blessings on our food production, which would benefit our people instead of some foreign nation, and,
4. We would be victorious in battle (See Deuteronomy 28:9).

Then in verse 10, God says: "The Lord shall establish thee, an holy people unto Himself, as he hath sworn unto thee, IF THOU SHALT KEEP THE COMMANDMENTS of the Lord thy God, and walk in His ways. And all people of the earth shall see that thou art called by the name of the Lord; and they shall be afraid of thee." This promise has never been fulfilled in the Jews. It has been fulfilled in the Anglo-Saxon and related peoples of the earth and will be fulfilled again, when we KEEP HIS COMMANDMENTS AND WALK IN HIS WAYS.

But as we have followed the "Judaizers" to brainwash us into accepting the "false Jew" of the "synagogue of Satan", (Rev. 2:9) as the Chosen People; as we have followed their teachings, while rejecting those of our God, then all the curses of Deuteronomy have fallen on us. They will remain and become worse until we wake up.

When will we wake up? Will we wait until God Almighty drives us to our knees and rubs our noses in the dirt? Will we have to see our great cities in ruins? our women raped? our sons murdered? before we wake up?

To those of you who believe that you will be raptured out of this mess before it gets that bad, let me ask you. Do you believe that teaching strong enough that you will dare tell it to some Christian brother who has been suffering behind the Iron Curtain? I rather doubt it! Do you really somehow or other feel that you are better than those Christians who have suffered down through the ages for our Lord? It seems to me that the Rapture Theory breeds a terrible pride in Christians. In Romans 8:17 we are told: so be that we suffer with Him, that we may be glorified together." (Philippians 1:29) - "For unto you is given in behalf of Christ, not only to believe on Him, but also TO SUFFER FOR HIS SAKE." (Emphasis added.) Then in Revelation 2:26 - "He that OVERCOMETH, and KEEPETH my works unto the end, to him will I give power over the nations." You don't OVERCOME, sitting in some comfortable, air-conditioned spiritual foxhole, waiting for the Lord to come back and rescue you. Overcoming is a front line battle thing. To "overcome" you must hate evil and yes, evil men. David said in Psalm 97:10 - "Ye that love the Lord, hate evil..." "Oh", but you say, "we hate sin, but love the sinner. And David shouts right back at you in Psalm 139:21 - "Do not I hate them, O Lord, that hate thee? am not I grieved with those that rise up against thee? I HATE THEM WITH A PERFECT HATRED, I COUNT THEM MINE ENEMIES." (Emphasis
It will only be when we learn the truth of these verses, that we will be able to make headway against our enemies. I know what some are going to say: "You are trying to encourage hate, when we are supposed to love." I am encouraging hate against evil and evil men who would destroy everything you say you believe in as a Christian. Which side are you on? You are either for Jesus Christ ALL THE WAY, or you are on the enemies side. You cannot have it both ways. One day you will stand before Him and answer for your choice. What will that answer be? Why not get in on the winning side now! Soon Jesus will come back, not as the "babe of Bethlehem," but as King of Kings and Lord of Lords, will you be happy or ashamed to face Him then? It's up to you!

The End
This message will take an objective look at America's problems in the Mid-East, which have escalated to the point where we may soon be in World War III. Seduced once again, as we were in 1918 and 1941 by those we have been told in the church world are God's Chosen. Supposedly these people can do no wrong, but who have by their works, and from Scripture proven to be God's and our worst enemies. They openly threaten to destroy White Christian civilization.

Jesus Christ, whom we claim as Savior, said they were "not of His sheep" (John 10:26), and called them poisonous snakes, on a number of occasions (See Matthew 12:34; 23:15 & 33). He also called them children of hell, and in John 8:44, "of your father the devil."

Still so-called Christian churchmen insist on calling them God's Chosen, and have twisted Scriptures around to place on a pedestal, those who call our Savior, a bastard, and have declared undying hatred for His church.

We have been like the cowboy who riding across the winter plains, came across a rattlesnake frozen in its coils. Feeling sorry for the snake, he picked it up and put it inside his sheepskin coat. When it thawed out it bit him, and as he died in agony, he said, "Mr. Snake, why did you bite me when I was trying to be your friend?" And the snake replied, "You dumb cowboy, you knew I was a rattlesnake all along."

No American likes to see our country criticized, and now with it in the throes of a white-hot patriotic fervor, it is almost considered to be treason to criticize either it or the church, even when they are wrong.

The time comes, when honest Christian citizens must demand that our government and the church do something to stop the evils that are destroying us.

One of the most persistent myths that has been perpetrated over the past fifty years, is that our government has been anti-Communist (at one time we even referred to them as the Evil Empire), yet the truth of the matter is that Zionist/Communism ("THE
AMERICAN HEBREW", the largest Jewish newspaper in America, in one of it's 1919 editions said, "The ideals of Bolshevisim are consonant [in agreement with], the finest ideals of Judaism." The article then went on to say, "What we did in Russia through Jewish brains and money power, we will accomplish in the United States."), is an enemy.

Looking back over the past sixty years, I can point to at least sixteen major occasions, when Zionist/Communism was on the brink of economic disaster, only to be bailed out by the tax dollars of American citizens.

The vast majority of our White American citizens have always been anti-Communist, while our government since at least 1913, whether Democrats or Republicans have been in power, have given a helping hand to our enemies. (Of course this is treason according to the Constitutional definition in Article III, Section 3, of our Constitution, but it did not deter them.)

Even the Reagan Administration which was loud in it's anti-Communist rhetoric, gave "aid and comfort " to our avowed enemies.

In fact during these sixty years we have built up our enemies, while destroying our friends. The list is long including Chaing Kai Shek in China; Sigmun Rhee in South Korea; Batista in Cuba; Somoza in Nicaragua; the Shah of Iran; Ian Smith in South Africa; and Marcos in the Philippines.

Now we are in the process of turning the Arab world from being admirers and friends, into implacable enemies who now look on us as the Great Satan. We have planted evil seeds in our Foreign Policy (we scorned Paul's warning in Galatians 6:7), which is now bearing rotten fruit that could well destroy our freedom, as we have backed 25 million antichrist Jews, and alienated over a billion in the Arab world. We have completely disregarded God's warning in 2 Chronicles 19:2, as we have "helped the ungodly (they are antichrists according to 1 John 2:22), and loved them that hate the Lord." Then we wonder why God's wrath has fallen on us.

We haven't heeded the warnings of God's Word or of great men like George Washington, and Benjamin Franklin, as we have made "entangling foreign alliances" with heathen nations who hate our God. Today we have over 500 military stations overseas, and our non-Israelite Secretary of State, Colin Powell has publicly stated that he wants them to remain there as U.N. policemen. As we have interfered in the internal affairs of other nations, we have made them our implacable enemies.

Africa is a good example of this failed policy, where we have made billionaires from the welfare we have sent to Black Republics, only to leave every one of them in far worse shape then they were under foreign Imperialism.
As we look at our present situation in Afghanistan, we might well ask, "What are we doing there?" The answer from our government is that we are stopping world terrorism, at a price tag of over a billion dollars per month, but it is this true? Or are we increasing our danger? We have never been shown any proof other than what Britain and our government says, that the Arab world was behind the 9-11 attacks. We have only their word, and they have lied to us before.

I might suggest that our first search for terrorists begin with a good housecleaning in Washington, DC, and the church. For the "barbarians are already inside our gates" by the millions.

As far as most Americans are concerned the Middle East is nothing but a big sand pile, underplayed with oil, where Jews and Arabs are at perpetual war. We seldom ask what right the Israelis have to this country, which was stolen, from the Arabs. I know the arguments presented by many in the church world about how this land was deeded to the Jews by God Himself, but it cannot be substantiated from God's Word. It was given to Abraham, a Hebrew, 1200 years before any Jews appeared on the world scene, and Abraham was never a Jew. The Israelis by their own admission state that they come from Turco-Mongolian, a heathen background, and their ancestors never set foot in Palestine.

Every Prime Minister of the Israeli mini-state has come from this heathen background and all of them have terrorist records.

Our Middle East foreign policy for years has revolved around the oil and drug interests, and the money and power that go with it. Very little interest has been shown in what is right or wrong, or what God's Word has to say about it. Then we wonder why we are in trouble. While we have passed ourselves off as being a Christian nation, we have been following heathen interests for the most part.

If our foreign policy were built on reason, common sense, and God's Law, and was controlled by Christian forces, instead of catering to antichrist pressure, we would have little to worry about on the international scene, and God's promise in Isaiah 54:17 would become a reality: "No weapon that that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord."

We have everything to gain, and nothing to lose by obeying God, yet stiff-necked men both heathen and Israelite refuse to stop "doing their own thing", in order to obey.

Many Americans, although by no means the majority, feel that we have some kind of moral or spiritual obligation, to look out for the best interests of the Israeli, even though from their actions they have proven they cannot be trusted. As a result of our naivete, we have been stabbed in the back by these supposed allies, on numerous occasions and they have gone so far as to attack our military, as they did our Liberty ship in the Lebanese
War, and try and blame it on the Arabs. Surely by now, our government *must know* they are not to be trusted. They have sold some of our most valuable military secrets to our enemies in Red China and Communist Russia. Or is there *treason* in Washington DC?

A nation that will support a Saddam Hussein, and an Osama Bin Laden, and have them working for the CIA then turn against them, must have something morally wrong with them.

The Arabs own most of the oil in the Middle East and because of these vast deposits, the Arabs have bought goods and services from America in the billions, and this could result in a good merchant/customer relationship, if we were logical in handling the situation.

The American government in the past 80 years can not be accused of being either logical or very honest, and this is borne out by remarks like those of our late Secretary of the Navy, James Forresthal, when speaking about our State Department, he said, "If they were on our side, surely they would make a mistake in our favor once in a while." Yet when he came too close to the truth, and was willing to speak up about it, something drastic happened to *shut his mouth*.

It is extremely unfortunate at this time, that we have men in our government who are doing things detrimental to the peace and safety of this nation. If they had done these same things 200 years ago, they would have been tried for treason, convicted, and hung as the traitors they are. Today they are among some of our most revered leaders. "For when treason prospers; none dare call it treason!" It has become a lucrative business in government.

This can be seen in our no questions aid to the Israeli and other antichrists of Judaism as a whole, when we know they are neither our friends, nor our allies, in spite of what the media says to the contrary.

Yet under our present corrupt system whether Republicans or Democrats are in the *driver's seat*, the traitors are often the *big shots*, in Washington and honored by our brainwashed people. (Ex President Bill Clinton is a good example of this.)

Our government has been hostile to the Arab world that has the oil we want and need, while we have befriended the Jews who have nothing to give us but further headaches. Samuel Roth, a well known Jewish author, in his book "*JEWS MUST LIVE*", says on page 63: "It is an honest belief, that nothing the Jew does in America is essential to it's welfare, while a great deal of what American Jews do is subversive to America's interest." (Take that statement for what it's worth, and remember it was not original with me.)

In every case where we have been hostile to the Arabs, it has been for a dubious reason, as the Arabs have always been traditionally anti-Communist and Pro-American. It is not
because they are our enemies, or pose a danger to us, but because they are enemies of the Zionists, whom we seem to believe we must protect at all costs, although they have on many occasions *stabbed us in the back*. Their controlled media who have been able to mesmerize the majority of our American people has accomplished this fatal idea.

If I had several hundred pages of print available, I could explain why America is so pro-Israeli. One major reason, of course, is that the Zionists have one of the strongest Lobbies in Washington, which is constantly attempting to milk Uncle Sam and the American taxpayer, out of a few more billion dollars in aid.

They are the largest recipients of our foreign aid, while being among one of the world's smallest countries, and it's most demanding people.

That's why it's Prime Minister, Sharon, when warned about American reaction to the 9-11 tragedy, screamed, "Don't worry about America. We have them under our control and they know it."

In reality it's our fault, for if Uncle Sam were not handing out free milk to the Israeli's, there would be no *drooling Israeli milkmaids* looking for further handouts.

How can we expect our government in Washington, DC to be resistant to the Zionist Lobby, when our people have been brainwashed by clever propaganda into believing we must help the Jewish antichrists, or face God's wrath?

This can be seen in a statement made by TV evangelist Jerry Falwell a few years ago, when he said, "God has blessed America, because we have been kind to His Jewish people." Yet any observant, intelligent person can see that this is false, for the worst years of our national debasement, have come since 1947, when we recognized that little *bastard state* in Palestine. Could we be seeing God's Law of 2 Chronicles 19:2 in operation? Yet the majority of our seduced pastors refuse to acknowledge this obvious truth, and then wonder why our government acts accordingly. Our lawmakers are getting too many *goodies* from their Israeli playmates, for as one Israeli high official said, "We have the best Congress money can buy!"

Today it is known that 70 out of 100 of our U.S. Senators regularly vote the straight Zionist ticket.

6,000 years of written history has proven that it is impossible to compromise with evil and come out in the *driver's seat*.

Compromise can be explained by a story I once heard about the two lady schoolteachers on their vacation that stopped at a large Mid-western Zoo. They were amazed to see a huge black mane African lion, in a cage with a little lamb. They seemed to be getting along peacefully. When they asked the zookeeper how he got the lion and the lamb to get
along so well, he smiled and said, "All I have to do is replace the lamb every few days." That's always the result of compromise with evil.

Those of you who have seen fifty years of American history can vouch for this truth, for we have gone downhill at home, and abroad, in direct ratio to our moral and spiritual collapse.

Many years ago, a renowned French political philosopher named Alexis de Tocqueville, after visiting in America, said, "America is great, because she is good, when she ceases to be good, she will cease to be great." We, who have been honest observers of this country we love, have seen this happen in our lifetime, as we have gone from national greatness to a moral Third World standing.

When we began compromising with the antichrists of Zionism we began our pathway to ruin, and this has been helped along by many leaders in the Christian world, who either through deception, or greed, have forgotten Psalm 1:1, 2 - "Blessed is the man (or nation), that walketh not in the counsel of the ungodly; nor standeth in the way of sinners; nor sitteth in the seat of the scornful. But his delight is in the Law of the Lord, and in His Law doth he meditate day and night." Yet this is the pathway American leaders have chosen to travel for over eighty years. First they walked with the evil rulers of Zionist/Communism, when they accepted Zionist control over our currency, then they stood around holding dialogue and drinking vodka with the antichrists (detente the media called it). Now we see them sitting in the seat of the scornful, dealing with them as friends, men who hate our God, who hate America, and brought our country under alien control, as God's Word promised if we allowed them to come in.

There is no other path we can take, when we turn our back on God's Word.

The Bible has running through it, denunciatory passages against the Israel people when they made treaties or alliances with the heathen. In Numbers 25:1, we find where Israel committed "whoredom with the daughters of Moab " and joined themselves to Moab's gods, and the anger of God was kindled against Israel, and 24,000 Israelites died of a plague God sent among them. God will never honor any treaty we make with God hating nations like Israel, Red China, or Communist Russia.

The reason is that God will never compromise with evil, and He will not allow His people to compromise and be blessed. Just because your pastor tells you that you are a heathen Gentile, saved by grace, doesn't change the fact that many of you are Israelite sons of Abraham and God holds you accountable for that. Just because you refuse to accept it, doesn't change a thing. God's Word in Amos 3:2 speaking to Israel says, "You only have I know of all the families on the earth; therefore (because of this) I will punish you for your iniquities."
We have confirmation of this in **Hebrews 12:6**, where the Word says, "Whom the Lord loveth, He chasteneth, and scourgeth every son whom, He receiveth." (This is one of the best evidences of our Israel sonship, when God disciplines us for disobedience).

The worst discipline America suffered has come since we recognized the illegal, antichrist government of the Israeli in Palestine in 1947, and called them God's Chosen. He does not look with favor on those who mock Him (See **Galatians 6:7**), by calling His worst enemies, His Chosen.

The Zionists in America have held the leadership in all the degenerating influences, which has been detrimental to the moral and spiritual welfare of this once Christian nation.

They control the media, the filth of Hollywood and television, the abortion clinics, the dope and alcohol trade, prostitution, and the rock music which along with dope, has been the degeneration of millions of White youth who have been literally turned into savages, as bad as any that come, out of heathen Africa. To prove this Jewish leadership, one has only to look at the names of these leaders, and remember that many Jews Anglicized their names to avoid detection. Yet at the same time, their authors and spiritual leaders, glory in the destruction they have wrought in America, while the Zionist goal still remains the same, the *destruction of White Christian civilization*.

While many gullible people in the Christian world, consider any criticism of Jews as being anti-Semitic, Jewish leaders admit that fully 90% of the people we know as Jews today, including most of their political and religious leaders, come from heathen background. They insist that Palestine belongs to them by divine mandate. They are upheld in this error, by a majority of the Christian world, which have been seduced by billions of dollars of Jewish propaganda into believing these antichrists are God's Chosen.

Zionist Jews in America have been the leaders in many things, which have been detrimental to this primarily Christian nation. The Jewish Lobby in Washington DC, one of the strongest and most vociferous of many, has maintained it's Jewish character, which has always been diametrically opposed to and an enemy of Christianity. How Christian pastors can back these antichrists is an enigma that I cannot comprehend.

This Jewish intractability comes in large part from, their Talmudic teachings that Jews are superior to the rest of mankind, and that we Gentiles in fact, are *goyim animals* fit only to be their slaves. Very few Christian pastors have the slightest idea of what the Jewish Talmud (their Holy book), teaches about Christ and Christians, and unfortunately it appears they do not want to know the truth. There is an old saying, "None is so blind, as he who refuses to see!"
If you don't believe in the Jewish hatred for Christ and Christians I challenge you to read some, of their Talmudic literature. Instead of trying to know the truth, most Christian pastors constantly seek ways to excuse the Jews for their excesses. (Check out evangelists like Pat Robertson, Jerry Falwell, and Jack Van Impe.)

From time immortal, in every country where they have lived, Jews have always been Jews first and citizens second. So it is not unnatural to see American Jews who hold *dual citizenship* with Israel, putting Israeli interests first, before the welfare of their adopted land. It may not be good or proper behavior, but it is typically Jewish.

I must honestly say that not all Jews have done this, for there have been some like Dr. Benjamin Freedman, Samuel Roth, Alfred Lilienthal, and Haviv Schrieber, who have exposed Jewish excesses and suffered for it.

According to the 1980 census, there were about 5,781,000 Jews in the United States, comprising about 2/2% of the population. This number has increased drastically since Congress opened the immigration floodgates to Russian Jews, almost all of who are of Turco-Mongolian backgrounds. (It is almost impossible to find a drop of Abrahamic blood in this heathen group.) These possess a power infinitely greater than their population size, due to their control of the media and the money markets. Most of this vast wealth has been illegally gained from usury charged to many nations, including our own.

At the last known count, 909 of the major newspapers in America, with a daily readership of well over 50 million people, were either Jewish owned and or controlled.

Over 48 major weekly magazines such as Reader's Digest; U.S. News and World Report; Time magazine, and Cosmopolitan are Jewish owned and or controlled. This means an almost absolute monopoly on the news Americans receive since the television and entertainment world is also almost exclusively under Jewish control.

Their major power comes from the bizarre relationship they have with the Judeo-Christian, Fundamental, and Evangelical Christian world. Where the majority who go by the name of Christian have been seduced by the Jewish myths, the Apostle Paul warns about in Titus 1:10, 11, & 14.

How can an avowed Christian give help to those who like Gus Hall (Hallberg), the perennial head of the American Communist Party, publicly stated, "I will live to see the day when the last Congressman is strangled with the guts of the last preacher. I will rejoice in the day when 60 million hopelessly diseased Christian animals are hauled off to liquidation centers by the Commissars." God had other plans for this Satanist, and he never lived to see that day, but Jewish plans for it are proceeding on schedule, while
stupid, duped, American Christians aid those who seek to destroy them. (To you who may fall in this category, I suggest you read 2 John 10, & 11.)

Many American Christians have developed a love relationship with their worst enemies, which is a destructive attitude I cannot understand.

The chaotic conditions now prevalent in Christendom have been brought about by a failure to understand some basics. (A basic ignorance of historical and spiritual facts.) Never was the Scriptural truth of Hosea 4:6 more apparent than now, "My people are destroyed for lack of knowledge", and it is infinitely sad to see the Christian pastors of the land, as they deliberately publish falsehoods that are obviously contrary to Scriptural meaning. They have glorified God's enemies, while causing Israelites to despise their birthrights, as Esau did. (See Hebrews 12:16,17)

Today we are in the midst of lack of knowledge in a generation that prides itself on its education. There is a vast deal of difference between knowledge and education. Today this nation is overrun with educated idiots, whose lack of knowledge can be seen in their actions, as they repeat error after error that has destroyed other great nations down through history. The Apostle Paul recognized these in our society when he said of them in 2 Timothy 3:7, they are "ever learning, but never able to come to an understanding of the truth." In verse five he indicates that this stupidity is brought about when men "Have a form of godliness, but deny the power thereof."

The people, who fall into this error, unfortunately comprise the majority of our political and religious leaders. These have never discovered the Divine plan for mankind, as shown in the Bible and which is progressively revealed to anyone who honestly seeks the truth.

The epoch making events of the past and present, have largely been ignored by people in places of responsibility, both in politics and the church.

Over 100 years ago, a German/Jewish philosopher named Ludwig Feurbach, stated, "Man will finally be truly free, when he realizes there is no God of man, but man himself" This heathen concept took root in the diseased mind of a young Jew named Karl Marx, and became the foundation stone on which Zionist/Communism was erected, which has murdered over 140 million people since. We can see vivid example of this plan in action, in the modern day Israel in Palestine.

Most American's have been fooled into believing the Israeli Government is a Democracy, and our ally when they have shown themselves to be as bad a dictatorship as anything the Nazis ever conceived, and have stabbed us in the back too many times to be considered reliable friends.
There is very little in the way of political or religious freedom in the Israeli State. Ask any Christian missionary who has tried to witness to Jews in Palestine. It just can't be done without much harassment.

Because the White Christian Israelite people of Christendom, the Anglo-Saxon, Celtic, Scandinavian, Germanic, and related people - "... for in Isaac shall thy seed be called." (Genesis 21:12), who are named after their father Isaac, have refused to accept their heritage, it has been handed by default to heathen people who hate our Lord and seek our destruction.

As we have neglected our heritage and insisted on doing our own thing rather than obeying God, we have become like a man who smokes a cigar while sitting on an open keg of gunpowder. It will only take one spark to ignite the powder into the worst disaster this old world has ever seen.

Our problems in dealing with foreign matters such as we are now facing in the Middle East, is that spoken of by the Prophet Isaiah, when he lamented in Isaiah 9:16 - "For the leaders of this people cause them, to err, and they that are led of them are destroyed." What Jeremiah observed in Jeremiah 5:31, when he said, "My people love to have it so, and what will ye do in the end thereof" confounds the problem?

It is extremely difficult to deal with a stubborn people who are willing to listen to enemy lies, rather than God's truth! Who love to listen to charlatans who tickle their ears with lies, instead of often-harsh truth.

It is almost impossible to save a people who do not want to be saved And by their actions, most Christians fit into this category.

I have found by long observation and rubbing shoulders with millions of our people, over the past 37 years, that the average Christian, if he is given a nice home to live in; three square meals a day; a nice car in the garage; a TV set and a six pack of beer or it's equivalent, will sit hour after hour before the enemy propaganda box, while the world goes to hell. (And most of my acquaintance has been conservative Christians)

Must we be driven to our knees, and have our noses rubbed in the dirt, over and over again, before we will listen to God, and obey, and be saved, both spiritually and physically? It seems very possible!

Have you ever wondered why a Christian nation would sell our military technology to nations who are our confirmed enemies? Yet we have done this on numerous occasions, when the internationalists of Judaism have benefited from it.
Does the ancient 'fear of the Jews', (Esther 8:17; John 19:38) still afflict us 2,000 years later?

Can you comprehend why our Congressmen in Washington, DC give aid and comfort to those who are dedicated to our destruction? These are traitors as much as any Benedict Arnold and must be brought to justice, if we are to live in peace.

As to those of us who know what is taking place, and have tried to warn our countrymen, we have often been vilified by the enemy, with derogatory terms such as fascist; Neo-Nazi; Klan, and even hate mongers. This is the only defense the enemy has against the truth, as they cannot refute our claims as to their evil deeds.

So they fill the airways and the media with their hateful talk, because they dare not allow the truth to go unanswered. The more they lie about us, the stronger we become, for we know our mission to Israel is to "Cry aloud; Spare not; Lift up our voice like a trumpet and shew my people their transgressions, and the house of Israel their sins."

It is not a message off compromise with evil me. It shouts the truth to sinful men and women. Except ye repent, ye shall perish. It does not fill the pews and offering baskets, like the Oral Robert's message does, but it gets unsaved men and women into a right relationship with the King, to where they can be in His Kingdom. Jesus once said, "What doth it profit a man if he shall gain the whole world, and lose his own soul."

As I have tried to warn my own countrymen of the very real dangers we face from, antichrist Zionism, I have been accused of being worst of all anti-Semite.

Most Judeo-Christian Americans are hazy as to the meaning of the word prejudice, although they have a tendency of being among most prejudiced people in the world. This English word comes from the Latin predicium, which means: "To form an opinion without having the facts." I can assure you that is not the case with what I tell you, for everything I give you are well-documented facts.

As I tell you the truth about Judaism and Zionism, it may be necessary, for me to repeat the words of the Apostle Paul in Galatians 4:16 - "Am I therefore to become, your enemy, because I tell you the truth?" The Jews of the First Century didn't want to be exposed as the mystery of iniquity so they persecuted Paul, and eventually murdered him.

My task is not to persuade you, that is the work of the Holy Spirit. I am, a God called watchman on the walls of America. My duty is clearly outlined in Ezekiel 33:7 - "Son of man, I (God) have set thee as a watchman unto the house of Israel; therefore thou shalt hear the word at my mouth, and warn them, from me." Then in verse five and six of the same chapter it already said, if the people hear the warning and pay no heed to it, if danger takes them away, their blood will be on their own heads. But take heed, Mr.
Watchman, if you see danger coming and do not warn them, and they are taken away I will hold you accountable. (Paraphrased)

This is why I preach a hardnosed, uncompromising Gospel. For I would much rather have you upset with the truth I preach than have God's disapproval on my life.

Here is something of importance you need to know. Once you hear a message of truth such as the one you are now reading, God will hold you accountable for it whether you want to accept it or not!

I can assure you that you will not get wealth, and have big churches by the truth. The television evangelists, who have been willing to compromise, have been the ones who reached the top of the heap. Of these Jesus has said, "they already have their reward, in the praises of men which will bitter in their stomachs." So we see the Falwell's, the Robertson's, the Oral Roberts, the Jack Van Impe's as they lead our people astray, so they can get in on the goodies now being handed out by the Zionists, while they seduce our White Christian civilization to destruction.

The Judeo-Christians who back these antichrists should be beneath our contempt, for they are not only open traitors to King Jesus, whom they calm to love, but are traitors to their Israel heritage. I get more pressure and harassment from the professing Christians of Judeo-Christianity then I do from the antichrists of Zionism. These have spent their billions in propaganda to seduce and destroy the Christian world, and they are succeeding. Listen to the closing paragraph in their textbook on "PSYCHOPOLITICS" (the art of controlling the thinking of the people so you can control their nation). Page 52 - "We have battled in America since the century's turn (1900), to bring to nothing all kinds of Christian influence and we are succeeding. While we today seem to be kind to Christians we have yet to influence the Christian world to our ends. When we have done this, we see an end to them everywhere.

"You must work until religion is synonymous with insanity. You must work until officials of county and state, look on Christian groups as enemies of the State." Already in the aftermath of 9-11, Zionist Congressmen favor cracking down, on the militias, and Christian Identity Patriots. Could this be fulfillment of Christ's prophecy in John 16:27.

As I have lectured across this country on Communism and Judaism I have had many people who came up to me as the service ended to say, "Brother Mohr, we agreed with what you said, but we are born again, you know we don't have to worry about things like that. For Jesus is coming back and Rapture us out of this mess, before it gets all bad." (This from men and women who have never suffered persecution under the antichrist.) Yet when I ask them about the millions of Christians who have suffered for the king, in places like Russia and China, they get angry. They are so securely wrapped up in their security blanket, which is more like a shroud, they may never make it into the kingdom.
Jesus said, "Not everyone that saith unto me Lord, Lord, shall enter into the Kingdom of heaven; but he that doeth the will of my Father, which is heaven." (Matthew 7:21)

When the time known as "The Great Tribulation" (See Luke 21:26) you are not going to be Raptured out of this terror, just because you claim to be a Christian. The Rapture is another false teaching in the Judeo-Christian church, that has neutralized millions of soldiers of the Cross, turning them into spiritual foxhole dwellers. You can't do His will while hiding in these spiritual foxholes asking Jesus to rescue you from the results of your Christian apathy.

What has happened to America in the last 100 years that has caused us to lose a virtue, which was once common in most of our people? I'm speaking of the virtue of righteous indignation, which is the ability to recognize evil in our government, the church, and even in individuals. Instead we have become the greatest compromisers in history.

Our government has taken prayer and Bible reading out of our schools and public places to appease a vociferous minority who are antichrists, in spite of its disastrous consequences. While many churches have turned from being places that worship God, into religious honky-tonks complete with flashing psychedelic lights and a religious rock band, who instead of worshipping God are now places who advertise: "Come and party with Jesus!" It's almost impossible to preach a message of repentance and reconciliation, when you are defending your 500 © 3 Income Tax status.

As result, we find many churches great and small alike, who are willing to preach about God's love for lost humanity while refusing to tell their people about God's anger against evil, and refuse to show their people that He is also a God of wrath against evil doers, and those who refuse to obey Him. To do so would cause many pew occupiers to seek another church home, and would empty the offering baskets.

They completely disregard the Apostle Paul's warnings in 1 Timothy 5:20 - "They that sin; rebuke before all; that others may fear." Instead they invite practicing homosexuals, into their church, along with men and women who are openly living in sin.

Our politicians for the most part have become so fearful of the antichrists in Washington DC, that they refuse to tell us the truth. Our media is under enemy control, so we can expect no help from them.

When the pastors of the land refuse to tell their people the whole truth, all hell breaks loose. They are often faithful in preaching the message of salvation, but are woefully ignorant of the message of National repentance and obedience to God, that occupies almost 75% of the Bible.

I have had concerned pastors tell me, "Get people saved, and they will change the nation", but it hasn't worked out that way. As churches have become larger and
wealthier, they have often lost the fire that once was standard operating procedure, and have become like the Laodician church of Revelation 3:14-17, that have become so interested in their building programs and foreign missions, that they have forgotten, or neglected teaching their own people what God expects of them as Christian citizens. So our people are in constant fear of hurting the feelings of the antichrists of Judaism.

Because a minority of churches in the land is spiritually faithful, the members tend to forget the general spirituality of the land and point to some, local revival, as a sign of what is happening nationally, in the churches of America. Yet even the most spiritual churches, tend to neglect teaching their people about their responsibility as Christian citizens.

As I have tried to do my Christian duty and warn Christians about dangers we face I find that they will not accept the truth that the self-proclaimed Chosen People of Jewry are their enemies, determined to destroy them. This in the face of many proclamations from Jewry that there goal is their destruction.

When a man has courage enough to buck the tide and tell our people the truth, Christians he is trying to help often attack him. Sometimes it seems, by their actions, that Christians have a death wish and want to be destroyed.

It is not easy for a concerned American Christian, to look at the country we love and admit that something completely foreign to the high Christian standards we once had has taken place while we were asleep.

An honest look at the America of 2002 will show that the charming giant we once loved and respected has become a sick and dying giant, inflicted with the symptoms of spiritual AIDS that has destroyed other great civilizations. A close look at the America today, will reveal a sick giant who sold his God given birthright for a mess of stinking Jewish Socialism. A giant who has lost his way in the maze of world politics, and in his confusion has purged his mind of morality both at home and abroad. He has become a rebel to the cause of freedom; with reasoning processes, which have become so devious and scrambled they are beyond comprehension.

Look with honesty a bit further and you will see a giant who when his government and people are confronted by terrorism, refuses to criticize the tyrannical Israeli government they have nurtured and armed, and whose government and most of the church world support.

I do not ask you to believe me, but I do ask that you as intelligent citizens put these facts under the most powerful magnifying glass of history, God's Word, and see that I have been telling you the truth.
Ask yourself what can we expect from 200 million Arabs who were once our staunch anti-Communist friends, and who now look on us as the "Great Satan"?

This sick giant we call the United States is handing our bread, bought with borrowed money to his worst enemies, while his own people are often in need. While our farmers and small businessmen, who have always been the backbone of this nation, are going bankrupt by the tens of thousands, we have increased our aid to nations which hate us, and have now given most favored nation status to Red China who is our most feared enemy. It's almost as though we think we can buy safety by compromising.

So the sick American giant with his twisted thinking has developed neuroses, which causes him to gulp down prodigious amounts of pills. Pills to cause him to sleep; pills to wake him up; pills to speed him up and pills to slow him down, plus other mind destroying drugs, which help him, drown out the ghastly predicament he finds himself in.

Other nations who have followed his example have left their bones to bleach on the sands of history. Yet America and Americans think we are immune.

Over 25 great civilizations since the beginning of written history some sixty centuries ago, have destroyed themselves through interracial marriage, which is now being pushed by both government and the church. It would seem to me that if God had wanted us to be one big chocolate mass, He would have created us that way.

The government and the church seem to think they know better how to run this world than God, so we continue one downward spiral to destruction. All these civilizations have been destroyed from within long before the barbarians battered down their gates or swarmed over their walls. We are more sophisticated today, so we welcome the barbarians to come in by our stupid immigration policy and often subsidize them.

Our Founding Fathers wisely made provisions for a separation of church and state, not to shackle Christianity as they are doing today, but to keep the government from interfering with religious freedom. They rightly feared a state church like the one they had in England.

In Western Europe alone, millions of people died in religious (not Christian but religious) wars. Our enemies, who were the only ones to gain from them, and once again the finger of truth, points to Jewish Zionism and their plot to govern the world through their New World Order, often instigated these.

Today there is a bloody struggle going on in Ireland between supposedly Christian Protestants and Christian Roman Catholics, yet there is very little of the struggle that is Christian other than it's use of Christian rhetoric. When wars are fought for other then National defenses and for political profit, they cannot be considered as Christian, and this applies to the Crusades.
We must not allow the enemy to drive a wedge between our people, no matter how much we may disagree on some issues of Christian Philosophy. The enemy is very adept at doing this and it is one if our outstanding weaknesses.

As the great Methodist evangelist Charles Wesley put it, "We may not see eye to eye on everything, but if your heart is with my heart, then here is my hand." (That this applies only to those who believe and preach God's Word goes without saying.)

There are some who criticize me because I do not blast the Roman Catholics for their non-Scriptural stance on some issues, but I would much rather have a Christian Catholic on my side, than an antichrist Jew, or their proselytes of Judeo-Christianity.

The so-called Christian pastors who backs the antichrists of Judaism, is as much a prostitute as a woman who sells her body for money or favor. They are traitors to Christ and Christianity for they are giving aid and comfort to the enemy.

The Founding Father's realized that the State should be concerned with the physical body/politics of America, but that the church's interest should be for the spiritual welfare of the individual and the morals of the nation as a whole.

The lack of Christian guidance has so changed America, that we can no longer honestly be called a Christian nation. We have quite literally sold our spiritual assets for Socialism/Communism/Zionism. This has changed this nation from a Christian Republic, into a Zionist Welfare State, hovering on the edge of becoming a part of the Zionist New World Order. This has been the major goal of our antichrist enemies for decades, and has been promoted by the traitors in Congress and the church.

As a one time predominately White Christian nation, we have allowed aliens to flock into this country in the past hundred years, in such vast numbers they have become thorns in our sides and pricks in our eyes, who have seduced us away from our Christian heritage, just as God's Word warned would happen. (See Exodus 34:12; Numbers 33:55,56; Judges 2:3.)

At one time America was a nation geared towards a kind of "White racialism " that protected our Israelite heritage, and towards a general, non-denominational Christianity. But our nation, has been asleep for so long that our people have become brainwashed in the clever "Liberal Minded Detergent" dispensed by our enemy, that is now strangling our nation. This "Mind Detergent", is a devilish mixture of an ounce of truth dissolved in a gallon of lies.

The apathy of the average Christian is pitiable and reminds me of the woman who had been mugged and raped in Central Park, New York. When a passerby found her bruised and bleeding he asked, "Lady, shall I call the police?" and she replied, "No, please don't I don't want to become involved."
Our nation, in the strictest sense of the word, has been replaced with a heterogamous country, which is an ugly mass of democracy, geared towards a kind of "anti-White Minority racism", and a kind of ecumenical atheism. If the post World War II course of events does not change, there will be no more place for Whites or Christians, in the nation their forefathers founded. This is the fondest desire of World Zionism, as expressed by their leaders.

While this Christian nation has spent untold billions of dollars to give the antichrists of Judaism a home in Palestine, they have done little or nothing to provide a safe haven for Christian Whites.

Whether we like them or not, facts are facts and they point to what has happened in Rhodesia, and South Africa, as being the future for White America, as we become the melting pot for liberalism and lose our freedom. They are turning America from a pot into a cesspool.

This has happened as Christianity, seduced by Judaism, and the pseudo-Christians of Judeo-Christianity, have exerted heavy pressure on our government to support those in the Middle East, who hate us and seek our destruction. They provide the lubricant for the atheistic elements of our bankrupt Foreign Policy that has made us disregard God's Law about becoming involved in entangling foreign alliances. Today we have American troops in over 100 places worldwide, and our non-Israelite Secretary of State Colin Powell indicates his desire for them to remain there as U.N. policemen.

All this happening while we refuse to protect our own home borders. The same thing that along with the immorality we have allowed to permeate our society caused the destruction of ancient Rome.

Most Jews, and many in the Christian world have been taught that they have an obligation from God to support and defend the antichrist Israeli, no matter how they treat their Arab neighbors, whose land they stole. Yet common sense would let us know that if the Jews were indeed God's Chosen, they would be invincible without the help of us goyim whom they despise. Yet Israeli leaders openly admit they could not exist without our backing. So they constantly pressure us for more help, even though it is leading into an unwinnable World War III that could very well destroy us.

If God is really on their side, as their rabbis and men like Jerry Falwell, and Jack Van Impe say, why do they need our help? 2 John 10 & 11 indicates that if we help these antichrists in any way we "become partaker in their evil deeds." (Is it necessary to enumerate them - abortion; dope; prostitution; general immorality pushed by their media television; rock music, etc. )

Some Judeo-Christian Zionphobes like Van Impe or Falwell may say, "Didn't God save the Jews in their two wars with the Arabs, when they were terribly outnumbered?" And
in all honesty we would have to say - No! It was America's superior equipment and training which won those wars, not some, spiritual miracle." Do you mean to tell me that you are so naive, or brainwashed by Jewish propaganda, that you believe God would protect those who murdered His Son, and who call Him a bastard and who consign him to standing in eternity in hell up to his neck in boiling escheatment, along with those of us who love Him? This is what their most Holy book the Babylonian Talmud says in *Volume Gittin*, paragraph, 56b, and 57a.

You who call yourselves *born again* Christians and believe and follow God's Word, are considered by the orthodox Jew, to be the lowest and most despised form of animal life and have the curses of the 7th and 12th of the eighteen benedictions called the *SHEMONEH ESREH*, recited against you three times daily and four times on the Jewish Sabbath. This is the Talmudic Brotherhood, your Judeo-Christian pastor espouses. Remember, this when he arranges an inter-faith meeting with these antichrists.

If you study the *Jewish Encyclopedia of 1905*, you will see that it notes that the Pharisees, who were Edomite Jews, took over the pure Hebrew religion while they were in Babylonian captivity and turned it into the monstrosity we today call Judaism.

Surely no sincere Christian could believe that God would protect His enemy, whom His Son condemned in *Matthew 23:15* of traveling worldwide to make converts (proselytes), only to turn them into "two fold more children of hell than themselves." If you are Jew follower keep 2 *John 10 & 11* in mind. You can see what the Word of God thinks of you.

The Judeo-Christian teacher will almost always revert to *Genesis 12:3,4* where God speaking to Abraham says, "I will bless thee and make thy name great: and thou shalt be a blessing: And I will bless them that bless thee, and curse him that curseth thee; and in thee shall all the families of the earth be blessed." Remember Abraham was a Hebrew, never a Jew, for the people we know as Jews in the Scriptures, and today, did not appear on the Scriptural scene until 1200 years after Abraham's time in 2 *Kings 16:6*.

Nowhere in the Bible, Old or New Testaments is Abraham referred to as a Jew. It is only in the convoluted thinking of the Judeo-Christian world that he becomes a Jew.

Any honest study of the Bible and history, will prove to you that the Jews of Jesus time, or today cannot possibly qualify as *God's Chosen*, for they bear none of the Scriptural fingerprints that identify them as such.

The majority of Jews living today (over 85% according to Jewish writers) have no physical relationship with the Israelite people who lived in Palestine at the time of Christ.

There are even some concerned Jews, who along with us so-called *religious radicals* (anyone who disagrees with Judeo-Christians majority), believe the Jews have no legal, moral or spiritual right to the land of Palestine, but that they are usurpers.
The Judeo-Christian supporting Zionism love to quote from the Bible in a vain attempt to prove this land was deeded to the Jews by Divine edict. Quoting from Genesis 13:14-17, where God made a covenant with Abraham, giving this land to him and his posterity in perpetuity. They never bother to tell the people that Abraham was not a Jew, but a Hebrew.

They are also very careful not to tell their people that the majority of Jews living in Palestine today, are Ashkenazi Jews, which means they come from a heathen Turco-Mongolian background, whose forefathers never set foot in Palestine. (Every Prime Minister of the Israeli State has come from this heathen background.)

This allegation can be rebutted by showing how the Bible in Matthew 21:43 has Christ telling the Jews, "The kingdom of God shall be taken from you (Jews) and given unto a nation (not the church, as some teach), bringing forth the fruits thereof." Some in Judeo-Christianity say the church took the place of Jewry, which cannot be proven from Scripture, since the Jews never had a part in the kingdom.

There are three ways one can come into possession of land:

1. You can buy it.
2. You can take it by force, which is theft.
3. You can obtain an honest title to it, from someone who owns it.

Consider this for a moment: A Palestinian Arab, very possibly a Christian, whose family has lived on the land for hundreds of years, is suddenly dispossessed by a Super-power (the Balfour Agreement - Britain and the United States), who gives it legal authority to an alien people. These flock into the land and destroy his home; place his family in a refugee camp where thousands of them are murdered by the intruders, who were armed with modern weapons by Christian America, and used with approval of our government and most of the church world. If the case was reversed, and you were on the receiving end, could this cause you to harbor hatred for the invaders?

If you were an American, would you accept this kind of unjust treatment without complaint? Hardly! It is this kind of unjust Foreign Policy on the part of America that has turned us from a friend to the Arab world, into a hated enemy.

As we learn the truth about Jews and Judaism, instead of the sanitized falsehood taught by most churches it becomes increasingly more difficult to understand how professing Christians could back those who seek their destruction.

If the Jews are indeed God's Chosen as the Judeo-Christians aver, we run into a strange spiritual problem, for the Jews in Palestine broke God's Law, concerning: "Thou shalt not steal!" (Even though their Talmud allows and encourages them to do this from non-
Jews), for we know that God will not approve the breaking of His Law for any reason, even to favoring His elect who are not the Jews. (See Isaiah 45:4.)

A little specific review of history will reveal the hand of Zionist and Goyim alike as they worked in Palestine to thwart God's purpose and it will reveal how this always leads to disaster.

No people are more to blame for this mess and the thousands who have died and been maimed by these antichrists, than the so-called Christians of America, especially those who refuse to see the truth in His Word, and back His enemies. Could it be these are the so-called Christians who will tell Him at Judgment: "Lord don't you remember all the good things we did in your name? We got people saved; we healed the sick; we cast out devils; we sang in the church choir; we taught Sunday school; we baked cookies for the church bake sale." And they will hear His fateful words, "Depart from me. I never knew you.

The Jews cannot fall back on the secular argument that because they once owned this land it still belongs to them, 2,000 years later. This argument is as ridiculous as to say that since our ancestors owned land in England 500 years ago, it still belongs to us today, because we are Englishmen.

The ancestors of Golda Meir and Menachim Begin, never set foot in Palestine, as they came from the steppes of Mongolia and are oriental heathens.

Whatever the truth may be, they are in Palestine today as intruders, and exist in America today as "thorns in our sides, and pricks in our eyes." Just as God said they would if we allowed them to come in. Our founding fathers like George Washington and Benjamin Franklin, had personal experience with these bandits, and warned us of the same thing. It was not politically expedient to keep them out, and today, while in the minority, they control America and are working for world control. If we want to find those responsible for terrorism, we should begin with a good housecleaning in Washington DC, and many of our churches.

Unless we can find a way to get some sense into our Congress, our alien controlled government (since 1913) will find more and more ways to entangle us in foreign affairs, which will bankrupt and eventually destroy us.

Many Americans have a sort of Big Brother Complex which believes that all countries in the world should be modeled after our form of government, yet in every country that has tried our way, things have gone from bad to worse. For the more we interfere, the worse conditions become. We began a war on terrorism and will get more of it. We began a war on drugs; and the drug traffic got worse; we began a war on poverty and more of our people are out of work and on relief, than in the Great Depression. Everything our government tries, turns to mud, because it is being done for ulterior purposes. When God
is left out of our national calculations, as it is today in America, *all hell breaks loose*, and the road leads to destruction. Yet those who are supposed to lead us on the *path of righteousness* are often in the forefront of leading us astray.

The Bible says that when our pastors and politicians teach sweet sounding falsehood, and our people "*love to have it so and what can we do in the end thereof.?*" *(Jeremiah 5:30, 31)*

It is impossible to teach truth to people who while saying they love Christ and believe His Word, will still accept the lies coming from their church or government, rather than the Word of God. A prime example is *John 10:26* when Jesus told them in no uncertain words, "*But ye believe me not; because ye are not of my sheep*" (emphasis mine). Yet many Christians who say they love Jesus and believe His Word, will get angry when you point out they are believing what some false shepherd teaches, rather than what the Son of God, their Savior says.

Some Christians are affected by what is sometimes called the "*Ostrich Complex". This is a perversity of mind, which says in effect, "I don't want to read anything that is contrary to what my church teaches; I don't want to know anything that does not conform to my doctrine; I don't want to discuss anything my pastor may disagree with. I have already made up my mind, so please don't confuse me with the truth from God's Word."

They completely dismiss *1 Corinthians 2:12, 13*, which says, "Now we have received not the spirit of the world, but the Spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual." If we refuse to compare the truth of God, with the lies of men, how can we know what is true? *Impossible!*

The Jews and their *fellow travelers* in the Judeo-Christian church are not the only reason we are in the Middle East. We are there because our leaders in both politics and much of the church world have forgotten God and want to do things their own way, regardless of the consequences.

The psalmist in *Psalm 2:2-4* says, "The kings of the earth set themselves, and the rulers take counsel together, against the Lord (a deliberate act of disobedience), and his anointed (Jesus Christ), saying, `Let us break their bands asunder, and cast away their cords (lawful restraint) from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision (contempt). Then shall he speak unto them in his wrath, and vex (punish) them in his sore displeasure." You may not like this characteristic of Almighty God; your church may not teach this truth, but it is still true and will come to pass against everyone who refuses to accept His kingship.
In Luke 19:27, Jesus says, speaking as the king, "But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me." This is an aspect of Jesus the J.C. detest and therefore does not teach. It is a truth vital for survival for everyone on earth, and which you cannot avoid.

Our alien controlled government and it has been under alien, antichrist control, since a treasonous Congress sold them our economy through the Federal Reserve Act in 1913. When you control the economy of a country, you control its people. One of their own, a Rockefeller once boasted, "Give me control of the economy of a people, and I care not who makes their laws." This has happened since we have been in disobedience to God's warning in 2 Chronicles 19:2, and will continue as long as we allow them to live among us.

Under their Zionist One World Agenda, they have dragged us deeper and deeper into the Zionist quicksand that will end in our destruction, unless we allow God to have His way in our lives. Then He will eliminate them in His way. If we try and do it ourselves, and run ahead of God's plans, as so many hot heads in Identity want to do, we will end up by destroying the Israel wheat instead of the tares (Matthew 13:29 & 30). One of our most prevalent sins is that we are an impatient people, who do not want to wait on God, to help us in the mess we have caused through our disobedience. Our most pressing problem at this time is not getting the heathen saved. It is getting saved Israelites to realize that in order to have victory, we must first learn to be obedient!

Many Israelites will not make it, because they are rebels, who refuse to obey the King, and God will purge them from His Kingdom before it can be successful. (See Ezekiel 20:38)

Many Americans have been led into believing that we must be world policemen who should force other nations to live as we feel they should, while coming far from perfection ourselves. God has said in many places, "Leave them alone and don't mingle with them, for they will lead you away from Me."

Even back in the hard old days, when God's people Israel were told to eliminate many extremely evil people, you can find no reference, which indicates that Israel was to try an convert them and all will be well. Instead over and over again God told His people, "Come out from among them and be ye separate, and I will bless you."

We tried to evangelize the African slaves who had been forced to come to the New World as slaves, and many responded to the Gospel message. Today we can see why God said not to mingle with them, as we have now begun to intermarry with them, and they are leading millions of our precious White youth astray, through their Africanized Satanic jungle music, dress, and savage actions, and Christians wonder why our moral state has degenerated into a truly heathen culture. If you do not believe this turn to a rock concert
on television and look at the unbelievably filthy sexual actions of the White participants, as they engage in acts which depict open sex on the dance floor, as they writhe in utter abandon to a heathen culture that is destroying them. This often leads to the grave, sin of miscegenation, which destroys nation and wins God's sternest condemnation.

Our Zionist enemies, who have given their full support to this *heathenizing* process, which is leading us, closer and closer to their One World Order, as planned, laugh at the stupidity of our White Israel people who have been so easily led astray. "*Stupid goyim, non-Jew animals*" they contemptuously call us.

One of their own, a high ranking Jew, in the New York political structure said of us, "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While naive Christians are waiting for Khrushchev to bury them, we have taught them to submit to, our every command." A high Israeli official publicly boasted, "We have the best Congress money can buy!"

The same Jewish official quoted above said, "We Jews have put issue upon issue to the American people. Then we promote both sides of the issue until confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public, as a cat toys with a mouse." (UNQ.)

The same man, Harold Wallace Rosenthal, secretary to the powerful Jewish Senator from New York, Jacob Javits, predicted, "There will be forced class warfare here in the United States and many will be liquidated. The Jews will not be harmed. I'm not boasting! I'm giving you the facts! It is too late for your Christian followers to put up a defense. That time is long past. Long ago, we became the aggressors! That is one of our great purposes in life. We are the aggressors. We know that money is more important than morality, for we can accomplish anything with money. Our people are proving this in Israel where we can win any encounter. This Mid-East country will eventually become the World Headquarters of our New World Order." (This prediction was made in 1975.)

The Jewish world, basking in their false belief that they are God's Chosen who can do no wrong, have a dream of arrogance that it is their right to meddle in the internal affairs of other nations, contrary to God's Word, because they know better what is good for them, than God Himself.

As the result of heavy Jewish indoctrination in politics and the church, the average White Christian American knows little about their cultural or religious heritage and no where is this more evident then among our church leaders.

Most of our diplomats, and preachers fail to remember that while our American culture is only a bit over 200 years old, that Korea and China goes back more than 54 centuries. Most of the members in the Foreign Affairs Section of our States Department, know next
to nothing about the history of the country they are assigned to, and many do not speak it's language. As one Chinese gentleman told me, "Your missionaries could do much more good in my country, but their cars are too big to get into our back streets." Often the image of the "Ugly American" is unfortunately true.

To many diplomats, foreign assignment means living in the lap of luxury. Yet we become infuriated, when people from one of these Third World nations, we have developed, look on us as uncultured barbarians.

Many of us who believe in Constitutional government, never give thought to the fact that our federal intrusion into the internal affairs of other countries is the thing we hate the most in our own government. We ignore the fact that while some nations may like our rifles, our planes, our tractors, and our air conditioners, they do not like us. Yet we continue to pour billions in aid into their coffers, in many instances most of it going into the pockets of unscrupulous leaders, instead of helping their people.

Today, because we have disregarded God's Law, we find our country overrun by heathen immigrants who have set up their heathen churches in violation of God's laws and are indoctrinating our sons and daughters into false faiths, as they did to ancient Israel, and as God said they would do to us.

During the great immigration of the 1800's and 1900's, when over 40 million immigrants came to America, over 90% came from the Christian countries of Europe. While they did not speak the same language or have the same customs, their hearts language was much the same. They came from Christian backgrounds; they had an innate love for freedom; they respected womanhood and family life, and loved God.

Today we are the majority of the millions of immigrants coming in from Third World countries, who have not only brought their diseases, but have undermined our Christian love for God, as He said would happen if we let them in. Today the Moslem faith is the fastest growing religion in America, and their mosques are springing up everywhere.

We forget, we ignore the truth, and have become arrogant, sinful people, because we have become spiritually immature, and stiff-necked, just as our Israel forefathers. Jeremiah 17:23 -y "But they obeyed not, neither inclined their ear, but made their neck stiff, that they might not hear, nor receive instruction." (See also Hosea 4:6 - "My people are destroyed for lack of knowledge.")

We have become an arrogant people, who sends missionaries and spend billions of dollars to save the heathen when we have invited them to come into our country and destroy it from within. Surely the "barbarians are already inside our gates", and our liberal politicians and churchmen are encouraging them to destroy Christian America,
and turn it into one "gigantic chocolate cesspool" of humanity, as they wipe out White Christian civilization, in cooperation with the desires of our Zionist enemy.

We believe that America has a magic wand that will change things in the Middle East, when it is only drawing us deeper and deeper into the quagmire of the Zionist New World Order.

For centuries the Arabs lived side by side, in relative peace, with a handful of Jews, until we interfered on the side of the antichrists. Yet no matter how many Americans die in an "unholy war" in the Middle East. It will not bring peace. It can be honestly said, that America's presence in that anguished area, has been the fuse that has set it aflame. What influence we have had, has only been bad, for it has been bad for both us and for the recipient, and has added to the hatred the Arab world now has for us, that a few years ago was our friends.

What our national leaders need to remember is that as long as man tries to run things his own way, wars will continue. The Apostle James understood this when he asked this question in his epistle. James 4:1 - "From whence come wars and fightings among you?" His answer comes in verse two - "Ye lust (not necessarily sex, but a longing for material things that comes before our love of God), and have not: ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not."

Wars will only cease when Almighty God rearranges men's chromosomes through the spiritual effect of being born from above. (John 3:3)

Peace will never come through the efforts of a "Cannibal Debating Society" like the United Nations, which during its existence has only escalated world hatreds, and it has rejected all connections with God.

When will we finally grow up, and realize that in our own strength, we will never end war?

Our Middle East foreign policy should be simple. While we should maintain diplomatic relations with the Arab world, we should not become involved in entangling foreign alliances, which has been the bane of our foreign policy for over eighty years, and we should avoid alliances of any kind with the antichrists of the Israelis, who have proven on many occasions, to be our enemies, rather than our trusted allies. (Again refer to 2 Chronicles 19:2)

We should be Christian America first, and avoid these entangling foreign alliances, as God has ordered us to do. It is only when we get too big for our britches, and go our own way, that God allows His discipline of war to harass us.
Aside from the posturing of a few religious whores, who do not represent the Christian church, most Christians do not like Jews very much because of their arrogant, underhanded methods of doing business. (This is in spite of the false teaching from their churches, that these antichrists are God's Chosen.) The Jews could have had the much more productive and lovely land of Kenya for a national home. It was offered to them and approved by some high-ranking Jewish leaders. But the Zionist with their dream of a One World Government centered in Jerusalem, rammed through their ideas against the best interests of their own people, for political motives, and insisted on Palestine, knowing it would bring war and much sorrow for there own people. "Such is the nature of the Jewish beast, which will sacrifice millions of their own people for political gain." Now unfortunately, they have inculcated many Americans with the same mercenary, un-American spirit.

The Jewish leaders knew the mess they were getting into when they choose Palestine as a homeland, so "let them sleep on their lumpy mattress." Why should we lose sleep over them, or waste American blood protecting them, when they are in the place of their own choosing, worshipping their own false god?

If some, so-called Christian leaders such as the Falwell's the Robertson's, or the Van Impe's feel they deserve financial aid, let them shell out from the money they have stolen from American Christians on false pretenses, but leave our tax moneys alone. If brainwashed Christians feel the Jews need military assistance, than let them shell out the dollars to buy tanks, planes, and rifles and let them send their sons to die for those who hate their God.

Why should those of us who know the truth, be expected to pay for their stupidity and cooperation with our own destruction?

Some of you may react to my harsh evaluation by saying, "Whoa now Colonel slow down! You're bordering on blasphemy when you say that Christians and Jews worship different Gods." Am I? It was our Savior, if you are a born again Christian, who said to the Jewish leaders, "I and my Father are One!" and "no man cometh to the Father but by me!" (John 14:6). There are many Scriptures, which prove that the Jews do not worship the Christian God.

**John 8:19** - "Ye neither know me, nor my Father: if ye had known me, ye should have known my Father also."

**John 8:42** - "If God were your Father; ye would love me: for I proceeded forth and came from God; neither came I of myself, but he sent me."

**John 10:30** - "I and my Father are one."

**John 14:6** - "I am the way, the truth, and the life: no man cometh unto the Father, but by me."
John 14:21 - "... he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, .."

How can the Jews worship Him an illegitimate bastard?

John 15:23 - "He that hateth me hateth my Father also." This proves that you can't hate Jesus, and believe in His Father also. The Jewish Holy book, the Talmud plainly indicates that the Jews worship Lucifer.

Finally, after telling Christians of the Jewish persecution they can expect, He said in John 16:3 - "And these things will they do unto you, because they have not known the Father, nor me. "

Already Jewish forces in Congress and the media, are laying the ground work for John 16:2 - "They shall put you out of the synagogues (meeting places): yea, the time cometh, that whosoever killeth you will think that he doeth God service."

When the time finally comes that the tin collection cup, no longer flows over with Jewish support, and our boys stay home and refuse to fight Jewish wars, then Americans will begin to see how true Americans have felt all along.

While Jerry Falwell says that God has been good to America, because we have been kind to the Jews, any observant person can see the falsehood of this statement, for we have been in more trouble at home and abroad since 1947 when we recognized the illegitimate State of the Israeli in Palestine. Could it be that we are now feeling the discipline chastisement of God for our disregard for warnings in the Scriptures? Hebrews 12:8 indicates that if we are disobedient to God's way of doing things and are not disciplined, "then are ye bastards (illegitimate children), and not sons."

Let's get our own people into a right relationship with God, and stop worrying so much about the rest of the world. Our overseas mission will take on a new meaning when our people learn to obey.

Christians, for God's sake, and ours, wake up! Quit playing church, and realize that our fight is against the forces of hell itself and that we are fighting for the survival of our race, and the Christian civilization it represents. The enemy has told us over and over that their goal is our destruction. When will we believe them?

A war was never won, when the citizens of a country, supported their worst enemies, as we have been doing for close to 100 years.
The forger of blame should be pointed at those who go by the name of Christian, who have refused to be the *salt* of *Matthew 5:13* that is supposed to hold back spiritual and moral corruption.

We are told in *1 John 3:8* that the "Son of God (Jesus) was manifested (made known), to destroy the works of the devil." This refers to *absolute annihilation* of evil. If we call ourselves His followers, we should be a vital part of this battle.

We desperately need Christian men and women of the caliber of Nathan Hale, who during the American Revolutionary War, when he stood with a British rope around his neck, shouted, "*I regret that I have but one life to give for my country!*"

From my experience of fifteen years as an evangelist and thirty-six years of fulltime Christian work, I am inclined to believe that one of our major problems is that there are many unsaved people who have membership in our churches, but who have never had a genuine *(John 3:3)* soul saving experience, that has changed their old Adamic nature, for the New Covenant relationship of *Hebrews 8:10* - "For this is the Covenant I (God) will make with the house of Israel, after these days, saith the Lord; I will put my laws into their mind and write them in their hearts: and I shall be to them a God, and they shall be to me a people."

This reminds me of an incident that took place in the early 1930's when I was a farm boy in central Michigan.

One spring our Poland-China sow gave birth to twenty-five piglets. There just were not enough feeding spigots to go around, and one little runt seldom got any nourishment. I felt so sorry for him I finally talked my mother into letting me keep him, in a towel lined box, behind the Monarch kitchen range, where I fed him from a bottle.

My how he took to this special treatment and began to grow into one of the most spoiled animals I had ever seen. When feeding time came, he would stand inside the barnyard gate and squeal until he was feed. He also grew like a weed.

By September he was as fine a looking pig as you would want to see and my father offered to take him to the Country Fair and enter him in the *pig judging* contest.

I brought him, into the woodshed, where I washed him in mother's old galvanized washtub, using some of her precious scented soap. I even painted his hoofs and put a ribbon around his neck and he was off to the fair where he won a Blue Ribbon, I was so proud!
Dad said, "Why don't we invite some of the neighbors in to see your Blue Ribbon pig. We can keep him in the kitchen" (which had a linoleum floor). So the neighbors came to ooh and ahoa over my pet pig. Then someone made a mistake and left the kitchen door open. Quick as a flash he was outside and headed for the barnyard where he jumped into the first manure filled mud hole and wallowed in it. It didn't matter that he had been washed and perfumed; he was still a pig by nature and acted like one.

I believe that the same thing happens to many so-called Christians. They go to a church service where they come under conviction by the Holy Spirit (this is not a personal decision they can make, as it must come from the Holy Spirit). This is a Scriptural truth very few churches preach, as they make this a personal decision. Their error is that they teach that men are born again as the result of what they do. This may be going forward at invitation of the evangelist; making a decision for Christ by signing a commitment card; praying a prayed handed to the seeker on a card that asks God for forgiveness and cleansing. (Strangely, none of these things used in modern evangelism can be found in the New Testament.)

In the great revival at Pentecost, the Apostles preached from the law and the prophets, men were pricked in their hearts, (Acts 2:37,38) and came asking, "Men and brethren, what must we do?" Today, whatever requirement is put before the sinner, the impression is given that sinful man himself is the one who brings about regeneration.

The sad results of this teaching can be seen in the Laodicean church of 2002. Evangelists and preachers who believe that sinful men and women will turn to God if the right kind of emotional and psychological inducement is present, push and pressure people into making decisions. Today's soul winners try anything necessary to get people to come forward, to raise hands, or sign a card. The use of highly emotional prolonged appeals, even the deceitful practice of having counselors strategically placed in the audience, who come forward when the altar call is made, inducing others to do the same - all these smack of crowd psychology.

Those who come forward and sign a commitment card are then coached into believing that God has come into their lives and saved them, when deep down they know nothing has really taken place. They may react with joy, and emotion, shouting, rolling on the floor with holy laughter, and speaking in some unknown tongue (all "tongues" in the New Testament were known languages), and the Christians in the congregation rejoice and say, "brother so-and-so just got saved and filled with the Holy Spirit, see he is speaking in tongues."

What really happened was what Jesus spoke about in Matthew 13:20, 21. "He that received the seed in stony places, the same is he that heareth the word, and anon
(immediately) with joy receiveth it; yet hath be no root in himself, but dureth (lasts) for awhile: for when tribulation or persecution ariseth because of the word, by and by (after awhile) he is offended." And slides back into the world. The church calls this backsliding, but is much more serious than that, for Hebrews 6:4-6 tells us that a man or woman have "tasted of the heavenly gift, and were made partakers of the Holy Ghost ... if they fall away, to be renewed again to repentance: seeing they crucify to themselves the Son of God afresh, and put Him to open shame."

I am not trying to mock or criticize those who make decisions in this way, except to say, this is one major reason the modem church is so anemic and refuses to accept the strong meat of the Gospel.

The evangelist has done something, the lost person has done something, but God has done nothing, and when things get tough, the sinner is still an unsaved sinner, back in the world, and the Apostle Peter in 2 Peter 2:20, 21 says, "... the latter end is worse than the beginning. For it had been better for them not to have known of righteousness, than after having known it, to turn from the holy commandment delivered unto them." (He uses the illustration in verse 22 of the "washed sow that returns to her wallowing in the mire." )

We have gone a long way down the drain, since 1913, when International Zionism took control of our economic system, and as a result our Foreign Policy has also (as one controls the other). The only thing that is keeping International Zionism from complete control of this country and the take over of America, is that the White Christian world has not yet been completely conditioned to their siren program of World Brotherhood. (I believe God is withholding His final judgment against Christendom because there is still a remnant in Israel, who has not yet bowed their knees to Baal. )

Most so-called Christians have been maneuvered by a very clever and Satanic enemy into a state of gradual decay, and anarchy, where terrorists and criminals perform their wicked acts, almost at will. Recent government reports admit there may be as many as 100,000 trained terrorists loose in the Free World, in spite of our all out war against Afghanistan.

This serious statement cannot be alleviated by military or political action, or by throwing billions of dollars at it. It must be met by a truthful look at history, and complete obedience to the will of God, as expressed in His Word.

Look back in world history and you will see that the Jewish people have never created a civilization of their own. They have always been a parasite, anti-God people, living off established civilizations before destroying them. They are very brazen in admitting this. In their Communist textbook on Psychopolitics, page 53, it clearly states their goal, "We must be like the vine upon the tree. We must use the tree to climb and then, strangling it, grow into power on the nourishment of its flesh."
"We must strike from our path any opposition. We must use for our tools any authority that comes to hand. And then at last, the decades sped, we will dispense with all authority but our own and triumph in the greater glory of the State."

What we desperately need in America today is not good times, not a return to prosperity, but a good dose of Christian humility, where men and women attempt to please God, and stop doing their own thing. For as the Book says, "There is a way that seemeth right unto man; but the end thereof are the ways of death,.." (Proverbs 16:25)

The systematic, deliberate ruin of Christendom, and America in particular did not happen by accident, and it is extremely sad to see Christians playing into enemy hands, and their own destruction, when many signs and warnings abound.

This battle can be won, if professing Christians are honest enough to say and mean it, "Jesus, you love me enough to die for me. I'm going to love you enough to live for you and do your will." When this time comes, we can say with the Apostle Paul in 2 Timothy 4:7,8 - "I have fought a good fight, I have finished the course, I have kept the faith." This is the victory that has overcome the world, and it will work for us today!

Can you say with me, "I shall no longer ask myself if this is expedient, only if it is right in the eyes of God? I will do this, not because it is noble and unselfish, but because I know that life slips away and because each of us needs a compass that will not play us false; a compass, which will not lie! So I will put my faith not in what man says, but in what has been declared by Almighty God in His Word. If we do this, we will be VICTORIOUS!
"Because he has set his love upon me, therefore will I deliver him; I will set him on high, because he hath known my name.” - Psalm 91:14

Several months ago, I wrote a short pamphlet titled THE CHRISTIAN SOLDIER'S PSALM, it contains the scriptural basis upon which you can base your physical safety. In reality it is a Divine Insurance Policy, if you will, for those who are willing to "pay the premiums"

This pamphlet, A PLACE OF SAFETY, is also written about the 91st Psalm and is the result of inspiration I received from Special Alert No. 112, published by DESTINY PUBLISHING CO., P.O. Box 177, Merrimac, MA 01860, titled THE DIVINE INSURANCE POLICY. Parts of this pamphlet I will quote "ver batim" from their publication. I suggest you write to them and ask for their publication. While this information is delivered in a somewhat different format in THE PLACE OF SAFETY, I am sure you will see the similarity. I wanted you to know that the original idea was not mine, but came from the Destiny article.

Every week, I receive letters and telephone calls from men and women who are gravely concerned over conditions in our country and the world. They often ask: "What can we do? Where can we go to insure the safety of our family?" Just a few days ago, I received a long distance telephone call from a young Baptist pastor in Oregon. He was deeply concerned by what he saw happening in his church. He told me: "I have been in contact with Pastor Earl Jones in New Mexico and through him with the tapes and writings of former Pastor Shelton Emry (deceased) of Phoenix, Arizona. What I have heard from these two men, makes more sense that what I ever heard in the Seminary. What can I do to prepare myself and family for the days which lie ahead? I know the Rapture teaching is false. I saw through that a long time ago. I know Christians are going to go through a time of testing such as has never been seen before, but what can I do to prepare myself and my loved ones for this ordeal?"

This is a sensible man's request and is the cry of literally tens of thousands of concerned Christians, who are able and willing to look beyond the saccharine sweetness of worldly entertainment; the pablum being fed to Christians in most churches, and realize that indeed we are facing perilous times and that our Lord expects us to prepare for them.

Some write asking: "What is the safest location in America?" Many are worried about their investments and want to know whether they should convert their holdings to silver and gold?

Almost without exception, thinking men and women are concerned about the future. But unfortunately, the great majority of Americans are "scatterbrains" who refuse to look beyond today and who are willing to live for what they can get out of the present moment. These often laugh at those of us who are concerned and who look beyond the end of our nose at what is happening in the world. They will be the one's who come to us for help, when disaster strikes.

But there are a few folks, comparatively few in number, who go about their daily duties with a serenity which can only come from one source. They have a "Formula for Survival", a "Divine Insurance Policy", if you will, written by Almighty God Himself, and they KNOW they can trust the future to Him.

In a day when "men's hearts are failing them from fear, and for looking after those things which are coming on the earth," as Jesus prophesied in Luke 21:26, and a day which is already here. Men need something on which to build their hopes for the future.

Today, one of the biggest killers in AMERICA is "suicide", often caused by fear. It is the number
one killer among the college crowd and the psychologists and psychiatrists, who have been trained to show us what is wrong, are killing themselves off by suicide, four times faster than the rest of us "nuts". Why? Because they to are afraid and do not have an answer for the problems which are "bugging" us.

But to those who carry the Divine Insurance Policy, Jesus said: "And when these things (the famines, pestilences, wars, fear) begin to come to pass, then look up, and lift up your heads; for your **REDEMPTION DRAWETH NIGH.**" Hallelu'yah! Instead of being depressed and "down in the mouth," God's people should be excited by these events, for it is a sign of the King's return.

God's **FORMULA FOR SURVIVAL** provides a safe dwelling place for those of us who are willing to trust Him and pay the premium. This is a conversion of our "earthly assets" into "eternal treasures." The price of doing this is high indeed, but if you are willing to meet God's requirements now, this Insurance Policy will pay dividends of a thousand fold. Someone has rightly said: "Being in God's service doesn't pay very much, (except for charlatans like Swaggart and Bakker) but the retirement benefits are 'out of this world.'" Or we could more accurately say: "The retirement benefits will be in another age." For we will spend eternity with Him, here on this earth. This renovated earth will be our home, not some fluffy cloud in the heavens. It will be in the Kingdom Age, which lies just ahead. It will be in the age Jesus asked us to pray for when He said: "Thy (God's) Kingdom come; Thy will be done, in **EARTH, as it is in heaven.**" (Matt. 6:10; Luke 11:2). I will not waste time at this point arguing about whether a Christian will spend eternity in the heavens, or on this earth. A study of the scriptures will reveal this truth to you. But you can be sure of one thing and that is that God's Insurance Policy will give you protection, not only now, but in the future ages of eternity.

It takes a great deal of "faith" to meet the conditions of this "eternal policy", and I'm speaking here about the scriptural definition of "faith". It is found in the great "faith" chapter of Hebrews 11:1 - "Now **FAITH** is the substance (ground for) things hoped for, the evidence of things not seen." Then in 2 Cor. 4:18, the Apostle Paul explains further - "... for the things which are seen are (carnal - fleshly, material things) temporary; but the things which are not seen are eternal".

When you are willing to take time from a busy life schedule to study God's Word, you begin to understand something about God's plan and purpose for your life. Then you can, if you will, come under the protection promised in God's Divine Policy and can walk in the midst of chaos and confusion, with a confident quietness and peace that others do not have.

But we **MUST** fulfill our part of the agreement, or there will be no participation in, or protection under God's Divine plan.

Think for a moment about the possibility of nuclear warfare. We know there is no earthly provision which can give us complete protection. Even if we had the money to build underground shelters, there would be no escaping the poison of contamination. Yet God says to those of us who are willing to follow His directions: "Thou shalt not be **AFRAID** for the terror by night; or for the arrow (missile) that flieth by day. . . nor for the pestilence (nuclear fallout; germ warfare) that walketh in darkness: nor for the destruction that wasteth at noonday". (Psalm 91:5, 6)

Suppose some earthly insurance company was able to write a policy like that. A policy that could guarantee you protection from evil men upon your person and that of your family, with added provisions that no disease caused by bacteriological warfare could ever touch you during a time of war and that during times of violence and destruction, you and your loved one's would remain unharmed! Just suppose for a moment! "Unheard of! Impossible!" you say. Yet this is the Formula for Survival our God offers to you if you will only pay the premiums. And, yes, my friend, there is a price you **MUST** pay. This mighty policy is not "free".

Your salvation is free. It is a "gift of God," to all who are "the called, according to His purpose;" (Rom. 8:28; Rom. 6:23).
But the promise of Divine protection found in Psalm 91 is given only to those who have "made the Lord their refuge, and the Most High, their habitation". (home). (vs.1).

To those who are willing to "pay the rent," if you will, for living in the "secret place of the most High," God has promised a special body guard to make sure that the terms of His contract are carried out at all times. In vs. 11 we are told: "For He (God) shall give His angels charge over thee (those who dwell in His secret place) to keep thee in ALL thy ways". If you are one of those who doesn't believe in angels, I don't know where this leaves you!

But notice something very important, that most Christians completely disregard. Many have a tendency to say: "I'm saved and that's all that really matters." But I want to remind you that there is much more to "salvation" than merely recognizing Jesus Christ as King. It goes far beyond going forward to some church altar and signing a "commitment card," that you have accepted Christ as Savior. When a man or woman recognizes themselves as a sinner, and under the guidance of the Holy Spirit, repents and turns from their wicked ways, and accepts the leadership of the King, that is just the beginning. From there on, their responsibility to God and their fellow men, increases a thousand fold.

In verse 13 we are told that those who have this Heavenly Policy will be active in their warfare against evil, for they will "tread upon the lion, and the adder (asp or cobra); the young lion, and the dragon (Hebrew - meaning: "land or sea monster", possibly the crocodile) shalt thou trample (Hebrew - trample under feet"; "tread upon; trample under foot").

All these animals and reptiles are figuratively representative of the enemies of God and the Christian. All are fierce. The roar of a mature lion and the bellow of a bull crocodile are meant to cause fear. The hiss of an aroused cobra is a fearsome sound. All are used to intimidate and frighten their intended victims. But the Christian, who "abides in the secret place of the Almighty," and who holds God's Insurance Policy, does not fear them because his policy says: "you will trample God's and your enemies underfoot!"

You don't hear this message of Christian hope preached in many church nowadays. Very few preachers use Hebrews 12:4, which admonishes the Christian: "Ye have not yet resisted unto blood; striving against sin". That English word "resisted" comes from a Greek word which literally means: "to send troops against". It is a martial term, the term of a Christian soldier. The word "striving" means to "struggle against". Paul said: "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." (Eph. 6:12) Far too many Christians take this to read: "For we WRESTLE NOT!" PERIOD!

Paul goes on to explain in Romans 8:17 that if we really are children of God "then heirs (Greek meaning: "an inheritor; a possessor; a heir") of God and joint-heirs (Greek - "a-participant in common; a fellow heir with) with Christ". But notice the condition laid down for this "common heirship". "If so be that we SUFFER with Him, that we may also be glorified together". That word SUFFER, goes much deeper than having someone laugh at you because you are a Christian, or because you bow your heads and pray before you eat in a restaurant. It goes, much deeper than knocking on some door and inviting a person to come to church; it goes even deeper than witnessing to someone about what the Lord has done for you and what He can do for them. The Greek word for "suffer" is "sumpascho" which means: "to experience pain jointly, or of the same kind; to be persecuted". Have you ever suffered physical pain in defense of your King? Have you ever been really persecuted for righteousness sake?

Remember what Jesus said in the Sermon on the Mount, Matthew 5:10, 11 - "Blessed are ye which are PERSECUTED for righteousness sake: for theirs is the Kingdom of heaven. Blessed are ye when men shall revile you, and persecute you, and say all manner of evil against you falsely, for my sake".

Have you ever had anyone deliberately lie about you because of the stand you have taken against
evil? Have you ever had a newspaper reporter tear your reputation apart with his lies, because of your stand for Jesus Christ? We are given to understand in Revelation that it is only the Christian "overcomer," who will "rule and reign" with Christ in His Kingdom. It will not come to those Christians who get into the Kingdom by the "skin of their teeth," so to speak. In 1 Cor. 3:13 we read: "For every man's work shall be made manifest (known): for the day shall declare it, because it shall be revealed by fire: the the fire shall try every man's work, of what sort it is. If any man's work abide which he hath built thereon, he shall receive a reward. If any man's work shall be burned, he shall suffer loss, but he himself shall be saved; yet so as by fire". There are going to be a lot of Christians who get into the Kingdom, but they will not live in the glory they thought they would have, because they never sent forward suitable building material. You can't expect to live in a "silver lined mansion," as the song says, unless you send "mansion building material" forward. This is the meaning of Rev. 2:26 - "He that OVERCOMETH, and keepeth my (Christ's) works (laws) unto the end, to him will I give power over the nations". AGAIN IN Rev. 3:21 - "To him that OVERCOMETH will I (Christ) grant to sit with me in my throne, even as I also overcame and am set down with my Father in His throne.

You don't OVERCOME by hiding in some comfortable, air-conditioned spiritual foxhole, folding your holy hands in prayer, as you ask God to handle the dirty work He gave you to do. You don't OVERCOME, waiting for the Lord to RAPTURE you out of the mess caused by your own apathy, and you will never "rule and reign with the King," until you are first willing to "Occupy for Him!" As I said before, this means much more than just telling folks that you are a Christian, or praying a nice prayer in church; or even heading up the Ladies Missionary Society. "OCCUPYING" is a soldier's task. It is military duty, done by the Christian soldier. There is no "sissy stuff" connected with it; no "panty-waisted; sissy-britches; good Lord; good devil" heresy.

The terms of the Divine Insurance Policy clearly states: "If you love me, keep my commandments (laws)",(John 14:15). In vs. 21 the King said: "He that hath my commandments (law) and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest (make known) myself to him".

Notice carefully, verse 24: "He that loveth me not, keepeth not my sayings. . ." (2 John 6) - "And this is love, that we walk after His commandments (law). In vs. 9, 10, 11, we are told very clearly who those are which abide not in the doctrine of Christ. These are the anti-Christ's which are clearly defined in 1 John 2:22, 23. In vs. 10, 11 of 2 John, we are told that we MUST not receive them in any manner; we MUST not aid them in any manner, for if we do "we become partakers in their evil deeds". Maybe we should think about this verse, before we give "aid and comfort" to Christ's enemies in Palestine, who are attempting to usurp His Kingdom there.

Do you and your church abide by this provision in God's Word? Or do--you advocate helping the false Jews in Palestine and elsewhere? "Those who say they are Jews, and are not; but are of the synagogue of Satan," (Rev. 2:9; 3:9).

If you support the King's enemies, there is no way you can come under His protection. You cannot support His enemies and be His friend!

Yet most of us know that it is suicidal to carry on an aggressive fight against this powerful entrenched enemy, which has taken over control of our government in America. So your God has made a provision to protect you, if you are willing to abide in His will. Vs. 14 says: "Because he (the Christian) has set his love on me (Jesus Christ), therefore (because of this), I will deliver him: I will set him on high, because he hath known my name". (The Hebrew word for "Known" literally means: "recognized; discovered; caused to be known; have respect for").

Does this mean that we must use the old Hebrew terms for God in the Old Testament and call Him YAHWEH? And use the Greek terms in the New Testament and call Him YASHUAH in order to receive His blessing? I think not!

The prophets told us that Israel was to have "a new name and a new language," see Isaiah 28:11.
(This does not refer to the charismatic "speaking in tongues, or glossalalia"). Mark 16:17, echoing this prophesy says: "They shall speak with new tongues," (languages). The "tongues" of Acts 2:4 and 1 Cor. 12:10, were not some strange "heavenly language," but actual languages which men understood. Acts 2:6, speaking of the day of Pentecost, says: "And they were all amazed and marveled, saying, Behold are not these which speak Galileans? And now hear we every man in our own tongue, wherein we were born". (See also Isa. 62:2; 65:15). If Israel was to be called by a "new name" (Christian) and have a "new language," which I believe is English, I see no reason why we should use the old Hebrew name for God, or the Greek word for Jesus. I am a Christian American, I speak English, therefore I use the English words for GOD and JESUS CHRIST. It is not my purpose to belittle or criticize those of you who want to use the old words, but they are not for me. I will have no argument with those of you who want to use the ancient terms.

To the man or woman who have consecrated their life and possessions to the King's service, and where the King and His business comes first in their lives, before all else, then the Divine Insurance Policy guarantees: "He shall call upon me (God) and I will answer him: I will be with him in trouble; I will deliver him, and honor him. With long life will I satisfy him, and show him my salvation". What a precious promise! What more could any man or woman want out of life?

This Insurance Policy does not guarantee you freedom from trouble or adversity, for no one can stand against evil and evil men without courting persecution and trouble. But it does guarantee you protection against them.

While no amount of money can purchase this policy, it can be had by all Christians who are willing to comply with the King's requirements and who are willing to enter into His service. (This does not conic automatically when you are "saved").

This is a desire, inherent in all men and women, for peace and security. Sometimes it becomes so strong that they are willing to give up their freedom for a "little temporary security." We see this in evidence all around us in this age.

Because of this desire, men and women have set up human methods by which they hope to cope with disaster when it comes. They are anxious to protect themselves against material losses of all kinds through fire insurance, flood, windstorm, earthquake, sickness and even death. These forms of so-called insurance have become recognized as necessities of life by modern civilization.

Government has tried to step in and give added security through old age pensions, Social Security, Medi-care, you name it! But all these government insurances are built on the shaky foundation, on the premise that our present system will continue.

What do you think would happen in America, if the banks closed, and the social security checks, and the welfare and pension checks came to a screeching halt? There would be utter pandemonium, followed by bloodshed in the streets. Why? Because a government of men and by men is always insecure. There are many things which can destroy it? Abraham Lincoln recognized this inherent danger when he said in a speech that if destruction ever came to America, it would come from within. He said: "We will live through all time as free men, or die of suicide!"

We have sixty centuries of history which prove that of the 23 great civilizations which existed, all have been destroyed from within by moral and spiritual subversion, long before the barbarians swarmed over their walls, or battered down their gates.

Today with economic collapse as a real possibility, with the advent of nuclear war, men's hearts are really failing them through fear! Men are apprehensive of the future and well they might be. So some, who are willing to plan for the future, are looking for places of safety for their family, usually some remote area where they can stockpile food, supplies, guns and ammunition, hoping upon hope, than when disaster comes, they will be able to cope with it.

I am not making fun of these by any means, for I have preached "survival" for our people for over ten years, since 1 learned that the RAPTURE theory taught in our churches, was a Jewish ploy to
neutralize Christian soldiers. The Apostle Paul tells Christians to prepare and says that a man who will not "provide for his own (family) and especially those of his own house (kinfolks), has denied the faith, and is worse than an infidel" (1 Tim. 5:8). You can be absolutely sure that Paul's use of the word provide, covers PROTECTION too.

But with today's means of warfare, with hydrogen bombs, bacteriological and chemical warfare, there is no place on earth which is absolutely safe. Now death dealing elements can blanket a continent.

A few years ago, people could survive within a few miles of a battle zone, but no longer. Perhaps this is what the prophet Ezekiel envisioned when he wrote (6:12) - "He that is far off shall die of the pestilence (disease); and he that is near shall fall by the sword (conventional warfare); and he that remaineth and is besieged shall die of famine: thus will I accomplish my fury upon them." Who is God speaking of? Those disobedient people who refuse His Kingship.

In Esdras 16:19-20 are these interesting words: "Behold, famine and plague, tribulation and anguish, are sent as scourges for amendment (correction of errors; improvement). But for all these things they shall not turn back from their wickedness, nor be always mindful of the scourges". This is the same meaning we find in Rev. 9:20 - "And the rest of the men who were not killed by these plagues yet repented not of the works of their hands . . . neither repented of their murders, nor their sorceries, nor their fornication, nor their thefts".

Further in 11 Esdras 1:28-32 we see how there will only be ten left alive in an entire city, "for the earth shall be laid waste."

But the man and woman who really loves God, and who is willing to place Him first in their lives, before everything else, need not be overly concerned for their safety, for God has promised them that He will give his angels charge over them, to keep them in all their ways (Psalm 91:11).

But in order to have this protection, the Christian must first "abide in the secret place of the most High". What is this secret place? How may we enter it? The Hebrew word for Most High, as used here is ELYON. It is one of God's Hebrew names. It does not designate "Creator," but shows God as "Possessor of heaven and earth". ELYON is associated with Jesus Christ who is declared to be the Son of ELYON, (Luke 1:32-35). The Apostle John speaks of Jesus Christ as dwelling in the "secret place" of ELYON (John 1:18). This place is associated with the glory Jesus Christ had before He came to earth, to be born in a human body. In John 17:5, we listen as Jesus prays to His Father: "And now, O Father, glorify me with thine own self with the glory I had with Thee, before the world was".

To the nominal Christian who is devoted to selfish, materialistic pursuits and desires, the full understanding of what salvation through Jesus Christ is all about, is a mystery. Even many pastors do not understand its true meaning. As a result, we see men and women with their names on some church roll; men and women who attend church regularly and give to the church, and who give it their time, yet are completely unmindful of the wonderful prize which can be theirs.

It is only those who have set their heart on the goal of placing Christ first in their lives, who can have the knowledge and understanding of what it means to "abide in the secret place of the most High."

Some Christians profess to believe in the "security of the believer." This teaching is that once a person is "saved," as they say, there is nothing you can do, or anyone else for that matter, which might cause you to lose your "salvation," and through this "eternal life." I am not here to argue this "pro" or "con". But many of the people who profess this, have never passed from "death unto life," (1 John 3:14).

Eternal life is not conferred when one comes forward to a church altar, and weeps and cries a bit, then gets baptized and joins the church. This is not what "saves" a person.

Salvation can come only as a person is called by the Holy Spirit. "For as many as are LED by the
Spirit of God, they are the sons of God." (Rom. 8:14) In verses 29, 30, we have an indication that God "predestinated" these people to become His sons. Even when one is called by the Spirit, they must respond. The first step in this response is "repentance for having broken God's law a man or woman, before they can come to God asking for forgiveness, MUST first recognize that they have been rebels against the King and that having deliberately disobeyed His law, they are guilty of death, since "the wages of sin is death. . ." (Rom. 6:23) Men and women are led to this knowledge through the Holy Spirit "For as many as are led by the Spirit of God, they are the sons of God," (Rom. 8:14).

Jesus told His followers in John 14:27 - "Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid". Then in Rom. 8:15 we are told: "For ye have not received the spirit of bondage again to fear..."

While we who love God and strive to serve Him with "all our soul, and strength, and mind," have not achieved perfection, (and the Bible tells us that any man who says he has reached perfection is a "liar", (1 John 1:10)) we have no words to describe what it will be like when we see the King in His Kingdom glory. The Apostle Paul attempting to describe this, quoted from Isa. 64:4 - "But as it is written, eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him." (1 Cor. 2:9)

This is not some "pie in the sky" promise. It is a promise of the wonderful things which will take place in the King's earthly kingdom.

Unfortunately, in our modern society, even among professing Christians, a higher priority is often placed on preserving our material possessions and our personal safety, than in pleasing God.

We see this principle in operation every day. Men and women will go to almost any lengths to protect their possessions, but few will take care of their personal health through watching the food they eat and the water they drink. On most any day, you can see the busy pedestrian as he crossed the street with little regard for the flow of traffic. It is almost as though we feel that it is the duty of the other fellow to protect us and be responsible for our safety. Aren't we following a rather warped concept when we continually endanger our lives by the stupid things we do and expect perfect strangers to be responsible for our safety?

It should come as no surprise, that as we see that day of calamity come, men and women are more concerned with their possessions, than with their personal relationship with God.

Do you recall the story Jesus told about the wealthy farmer who had a bumper crop. He tore down his barns arid built bigger ones to take care of the bountiful harvest. Then he relaxed and told himself: "Eat, drink and be merry. You have everything you need." The Bible tells us that God said to him; "Thou fool, this night thy soul will be required of thee. Who will your possessions belong to the?" (Luke 12:20)

The Rich Young Ruler who came to Jesus, asking how He might obtain eternal life, went away sad because the Master told him to sell his goods, give them to the poor and come and follow Him. Shortly thereafter, no doubt, this wealthy man lost his goods and was killed during the destruction of Jerusalem.

Today, Christians are being offered a Pearl of Great Price. The price we pay for this Pearl of Security during calamity, is the value we place on our lives and what we possess. In order to obtain security, and that magnificent Pearl, we must be willing to turn away from all our worldly wealth and power and from the Babylonian System which so many of us love so dearly. We need to turn our backs on the "delicacies of Egypt" and be content with the "spiritual manna" God gives to those who love Him. Your gold, and silver, and precious stones will not survive as assets in the Kingdom, for these are all products of the Babylonian system. In Ezek. 7:19, we read: "They shall cast their silver in the streets, and their gold shall be removed; their silver and their gold shall not be able to deliver them in the day of the wrath of the Lord . .
There is only one way we can convert wealth acquired under Mammon into treasures in the
Kingdom, and there are very few who have the faith and willingness to convert their possessions
into interest-bearing dividends in the Kingdom.

The only way we can be sure our possessions and our Ivies are safe, is as we are willing to convert
them into Kingdom treasure, always available for use by the King, as He sees fit. (This does not
mean that we need to be stupid and give to charlatans like the Jim Bakker's of this world).

Multitudes in the church world are striving to preserve their material possessions, not realizing that
they are losing their kingdom benefits and that they could very well be among those Jesus spoke to
in Matt. 7:22, 23 - "Many will say to me in that day, Lord! Lord! have we not prophesied in your
name? and in thy name have cast out devils? and in thy name done many wonderful things? And
then will I profess unto them, I never knew you, depart from me, ye who work iniquity." (That word
"iniquity," means "disobedience," or "sin," which according to 1 John 3:5, is violation of God's
law!)

Noah was not able to save many possessions when he took his family aboard the ark. Lot lost
everything he possessed, because he desired to live in wicked Sodom. Jeremiah prophesied to many
Israelites who lost their lives and their possessions when Jerusalem was destroyed in 70 A.D.

Today we live in such a time and happy is the man or woman, who recognizing the times and
seasons which are upon us, are willing to convert their material possession into Kingdom ut wsure,
trust Him in everything and thus find the HAVEN OF REFUGE, as part of His Divine Insurance
Plan.

The End
FROM THE WATCHMAN’S CORNER!

A SPECIAL WARNING TO THE ISRAELITE PEOPLE!

This is a special message sent out to a select group of people (see 1 Peter 2:9), who recognize the fact they are "born from above children of Abraham and thus true Israelites, with a special obligation to God and our people".

In (Hosea 4:6) we read, as God speaks: "My (Israelite) people are destroyed for lack of KNOWLEDGE." (Not EDUCATION, but KNOWLEDGE. They are not the same. Our nation is overrun by educated idiots in both politics and the church, who refuse to see that God's way is the only way that will lead to peace and safety.) So they blunder along, "doing their own thing", whatever that may be, leading our people deeper and deeper into the Zionist quicksand of the New World Order.

In his State of the Union Address, President George Bush deliberately mis-lead the American people, as it was meant to do. (This statement is going to make many of you angry, for you may say: "We should be backing our President in this present crisis and he must be right. Look at his high approval rating." Yet we see where Moses warned ancient Israel in (Exodus 23:2) - "Thou shalt not follow a multitude to do evil..." More often than not, in history, the majority has been wrong.

The President has fooled many gullible Christians by his pronouncement that he is a "born again" Christian, but those of us who understand FREEMASONRY, know that a 32° Mason cannot be a Christian, as their first loyalty must be to the Lodge, and Jesus said (Matthew 6:24) - "No man can serve two masters...Ye cannot serve God and mammon," (the world order). I am not judging Mr. Bush, but am going by what he does, not by what he says. "For by their fruits shall ye know them."

Ask yourself this question. "Is George Bush's 'just cause,' one you would be willing to die for?" His "cause", without a doubt is the defense of Zionism, which means defense of their often repeated threat to control the world through their New World Order.

If you feel this strongly about the defense of the President's actions, it may come as a shock to you to know that 60 Israeli officers and E.M. have refused to take military action against the Palestinians, recognizing that the Israeli State is in the wrong in it's persecution of these people. It is the first time in Israeli history there has been a mutiny in their ranks.

You don't hear much about this in the U.S. media or on TV news.
A SPECIAL LETTER TO ISRAELITES - 2

This incident was reported in the New York Times of 1/29/02. 
60 Israeli officers and E.M. assigned to duty in the Palestinian sector of the West Bank have resigned "en masse", objecting to the Israelis inhuman treatment of the Palestinians by destroying their homes, and killing their people, for no cause other than to further the Zionist cause. No doubt they will be severely punished for refusal to obey orders. It is good to know that some, even among the Jews have a sense or moral outrage.

George Bushs' "just cause" is not theirs, and should not be yours if you are an American, and especially if you are a professing Christian. God's warning in (2 Chronicles 19:2) is still in force: "Shouldest thou help the ungodly? (they are anti-Christ's according to (1 John 2:22), and love them that hate the LORD? (they call, Him a "bastard") therefore is wrath upon thee from before the LORD." You can't flaunt your refusal to OBEY. God and throw your DISOBEDIENCE in His face, no matter what church or political group you belong to or how much money you may have in the bank, and expect to "come home free". God's judgement against evil is sure, no matter whether you want to accept it or not, and "unless you repent, you shall all perish".

With all our self-caused troubles, we don't need God to be angry with us, or as a bumper sticker I saw said: "God is back; and is He mad!"

Those of you who insist on defending the immoral, and unjust policies of International Zionism, may soon be called on to die for them. Is it worth while?

There is much evidence that phony investigations into the 9-11 tragedy are being carried out by liberals in Congress, with presidential approval, designed to cover up TREASON and being defended by Bush in the name of maintaining "National unity."

Now we see an attempt to grossly under estimate the number of casualties at the World Trade Center. The New York Times, has long insisted that this figure is between 2,000 to 4,000, when evidence is mounting that as many as 10,000 to 15,000 may have died in this tragedy and the subsequent collapse of several large adjacent buildings.

Jewish real estate men bought the World Trade Center building weeks before 9-11 took place and are now attempting with typical Jewish CHUTZPAH, to receive double benefits from the insurance company, claiming two attacks and a total settlement of $7-billion.

No doubt this settlement will "grease the palms" of the American Civil Liberties Union (ACLU), Americans for Separation of Church and Statem and of course A.D.L.
A SPECIAL LETTER TO ISRAELITES - 3

All of these Jewish controlled groups are decidedly anti-Christian. They have gone so far as to buy up supplies of a conservative book - THE HOLOCAUST DOGMA OF JUDAISM, to keep the truth from the American people.

Be prepared for serious trouble if you live near major installations such as chemical, water works or nuclear facilities. These facts are not meant to frighten you but to prepare you for serious days which are still to come and which will be used by our enemies to destroy us if possible. Remember the days predicted by the prophet Ezekiel in chapters 38 and 39 of his prophetic book, are still in the future. This attack will not be against the anti-Christ's of Judaism, as our Fundamental and Judeo-Christian pastors predict, but against the land of "true Israel", as they dwell in relative safety in their new home predicted in (2 Samuel 7:10).

This event was forseen by George Washington in his remarkable Valley Forge Vision. The Ezekiel predictions cannot fit in any way with Old Palestine. (Read these chapters and see for yourself). You do not have to depend on false prophets like Jerry Falwell and Jack Van Impe. The Book gives you an accurate description of what will take place, and none of it fits Old Palestine.

Get the TRUTH out to our people, for our danger is REAL!

(The above information as taken from CRIMINAL POLITICS Magazine, January 31, 2002 issue, Editor Lawrence Patterson, P.O. Box 37818, Cincinnati, Ohio 45222. It is good to know in these perilous times that we still have men of courage who are not afraid to publish unpopular TRUTH, and who cannot be bought or intimidated. God give us many more of this character, for there are still many Christian men and women in America, who have not "bowed the knee to Baal or kissed him". "Horror of horrors" they are armed and intend, under God to remain FREE, no matter what the cost! These MUST be eliminated before the Zionist New World Order can take over and "you are their target!"

This same issue of CRIMINAL POLITICS released information you will not hear from the media or on the evening TV news.

Are you ready for some more TRUTH?

There is reason to believe that on September 11th, the day of the attack, a Chinese People's Liberation Army transport landed at Kabul, Afghanistan, with a delegation of high Chinese officials. They had come to sign a contract with Al Qeda, based on the success of their 9-11 attack. (Anything that weakens America is good for Communist China).
According to author Gordon Thomas, a Washington Insider, Red China promised to provide state-of-the-art military equipment to the Taliban if their 9-11 attack was a success.

Gordon Thomas is a prolific author of 38 books that have achieved a sale of over 45 million copies in 36 countries. Seven of his books have been made into major motion pictures, including the five time Academy Award winning VOYAGE OF THE DAMNED. His current book, being filmed for a 22-hour television series to be screened sometime this year, is SEEDS OF FIRE: CHINA & the STORY BEHIND THE ATTACK ON AMERICA.

This 500-page book includes 100 pages of never-before-published official documents as well as redacted documents concerning the INSLAW largest global software theft...and the details concerning the MK-Ultra program of the CIA and the link between newspaper magnate Robert Maxwell, (a confirmed Zionist) and the theft of the entire Universe of America's nuclear secrets from the Los Alamos laboratories.

The last chapter deals with the blockbusting story of Bin Laden's dealings with the Red Chinese government and his winning financial and military support from Red China. There is some evidence available that Bin Laden may have been rescued from Afghanistan within a few days after the attack, and is now in a safe haven inside China.

The Red Chinese have been converting massive U.S. dollar reserves, in a critical strategic shift, hinting at a new level of hostility against America.

Because of our foolish involvement with the Israelis, America is being driven into a world-wide military and religious conflict with our deadliest enemy - Red China.
Bin Laden's cooperation with Red China seems to hang on a promise that Muslim extremists would not stir up trouble in China's heavily Moslem We.

Several hours later according to Gordon Thomas, a coded "red alert" from the Israeli MOSSAD's Tel Aviv Headquarters presented a "worst scenario" that China would use its surrogate Bin Laden for further attacks against the United States which would be in China's interest.

President Bush was given an immediate briefing which predicted that Red China would not support any action against Bin Laden.

What was the President's response? On December 28, while Americans were celebrating the holidays, few took notice that President Bush had granted Red China "permanent normal trade status." He called it the "final step in normalizing relations" that were terminated when the Jackson-Vanik Law ended these relations in 1974.

Very little of this critical decision was mentioned in America's controlled news.

Today Red China, who we have already financed to the tune of over $200-billion - with our trade deficits - are apparently going to use these funds to finance endless aggression against the United States and the other primarily White Christian nations of the West. (Remember the prophecy of Ezekiel 38, 39 and George Washington's Valley Forge Vision have not yet taken place).

Could it be possible that once more the Satanicallly inspire Zionists, have subverted Americans, including countless numbers who call themselves Christian, to where we are being sucked deeper and deeper into the Zionist quicksand which will lead to their New World Order?

Now is the time, especially if you call yourselves Christian, for concerned Americans to question any government authority that will take away our freedoms. These men and women who govern
us MUST be held accountable for their "oath of office to protect and defend the Constitution and our people against all enemies, both foreign and domestic". There must be no excuse for them if they refuse.

I would suggest we start with a search for "terrorists" in the sacred halls of Congress, and among many of our so-called Christian churches.

We do not know what 2002 will bring, but of this we can be certain. If we are OBEDIENT to God, no matter what the odds against us may be, we will be VICTORIOUS. "For this is the victory that overcomes the world (ordere), even our FAITH," (1 John 5:4).

We who love God and our nation hold the KEY to the SURVIVAL of Christendom and "White Christian civilization". We MUST not fail for to do so will put this world back into a Dark Age, worse than anything it has ever seen! If we follow God's plan in (2 Chronicles 7:14), there is no force on earth or in hell Zionism - Communism - Red China or Moslem extremism that can destroy us!

Yours for Christ and a FREE CHRISTIAN REPUBLIC,

Jack Mohr

A Study In Anti-Gentilism!

'And I (God) will put enmity between thee (Satan) and the woman and between thy seed and her seed; ft shall bruise thy head, and thou shalt bruise his heel' - Genesis 3:15

'And the God of peace shall bruise Satan under your feet shortly . . .' - Romans 16:20

Introduction

'Whereas Edom saith, We are impoverished, but we will return and build the desolate places: thus saith the Lord of Hosts, They shall build but I will throw down: and they (true Israel) shall call them (the Edomite Jews), the border of wickedness and the people against whom the Lord hath indignation forever.' (Malachi 1:4).

We have read a lot in the media, and heard on the television in recent years about 'racial hatred.' It seems to be one of the most popular subjects with the political liberals. In some countries, such as Canada and England, it is against the law to make statements which might be construed as being against minority peoples, and religions, or which might be construed by a lengthy stretch of the imagination as being prejudicial to them. The strange thing is that in all these countries, you can bring the harshest accusations against the White race, or against Christians and little or nothing the White race, or against Christians and little or nothing is done about it.

What has happened, that in countries which were built on the Christian ethic, by White Christians in particular, we would see such hatred for our White heritage? What has gone wrong?

This is what we will discuss in this message which I have entitled A STUDY IN ANTI-GENTILISM. Much of the material used in this message, and the inspiration for this message to American and Canadian Christians in particular, has come from a little book titled THE LONGEST HATRED, published by the Inter-City Research Centre, 31 Eastvale, Acton Vale, London, England W37RV.

A Study in 'Anti-Gentilism'

We hear a great deal these days about 'Anti-Semitism.' It has become a watchword in the vocabulary of the Zionists and their 'stooges' in Judeo-Christianity. It has a terrible connotation in the eyes of most decent people who cringe before it, as though it was something horrible like a rapist, or a child molester.
But a few White Christians, even the best of the Judeo-Christian world see anything wrong in being a 'Gentile basher,' or 'Anti-Gentile.' (By the use of this word GENTILE, I refer to it in its proper scriptural use as meaning anyone who is not a Jew.)

The phenomenon of 'Anti-Gentilism,' and in the Bible the term refers to non-Jew nations, can be seen in the attitude of the Christian Zionist, Judeo-Christian world, which literally fawns at the feet of the Anti-Christ Jews, whom Jesus Christ described as His worst enemies. At the same time, these religious hypocrites castigate 'true Israel,' which are the legitimate Chosen People of God, spoken of in the Bible.

Strangely enough, this hatred between Christian groups will lead to disaster for some, since we are told in Galatians 5:19-21 what the 'fruits of the flesh,' really are, and which will result in 'they that do such things shall not inherit the kingdom of God.' Some of the things mentioned are found among the ZionistJudeoChristian group. They are 'adultery (not to worry in the modern church world, since even some pastors encourage it); fornication ('just doing what comes naturally); wrath; strife ('just disagree with them over some point of church doctrine and see how much love you receive); envying; murder (how about 2-million babies murdered each year by abortion with many Christians remaining silent about it or even encouraging it?); drunkenness and ravelings.' (Just try New Orleans on for size during Mardi Gras.) All of these are S.O.P. (Standard Operating Procedure) in many Judeo-Christian groups.

But all of the above are rooted and grounded in one Jewish characteristic which can be found in the Bible admonition, 'The love of money is the root of all evil,' (1 Timothy 6:10).

Where do evil men, anti-Christ's if you will, get the power to persecute good people? It comes through their control of the economy of a country, through the Babylonian system of usury which is condemned through the Bible.

In 1913, a banking system was introduced through fraud to the American people, which has been an albatross around our necks ever since. It was the product of International Zionist Jewry and was called the Federal Reserve System. Even the name itself was designed to defraud the people, since it is no part of the Government, but is made up of eight privately owned banks, most alien who control our economy and thus our nation. It might more properly be called the International Bank of Jewry.

This Reserve System, was given the power to coin our money, a task which the Constitution assigned to our Congress. This corrupt economic system creates money out of nothing, lends it to our people at high interest rates and ultimately takes over complete power in any country which comes under its control.

Because of this, the power of our Congress to control the nation is largely illusionary, since no matter whether Republicans or Democrats are in the driver's seat, the power of control remains in the hands of the bankers. This means that we have been under alien
control since at least 1913. We have not had an American government in Washington during all this time.

It should be noted that the foundations of the Federal Reserve System were set up by International Jewish bankers such as the Rockefellers, the Rothschilds, the House of Morgan, Goldman Sacks, Kuehn Loeb and Company and Lehman Brothers.

While the membership of the Federal Reserve has never been made public, the Chief Executive officers have always been Jews, with Alan Greenspan being the latest.

In spite of glossy TV advertisements which tell us about all the good being done by the generous bankers, and how necessary our banking system is to the success of the business world, every year these business vultures, enured by the Babylonian System of Jewish "gelt," deliberately ruin thousands of people's lives. Small businessmen and farmers by the hundreds of thousands have been ruined by these unscrupulous rapists and many have been driven to suicide, drink, and dope, as the result of the usurious interest rates which a subservient Congress always approves.

The banks in America have loaned hundreds of billions of dollars of our tax dollars to Third World nations, which they know will never be repaid. They have nothing to lose, since payment to the bankers is guaranteed by the International Monetary Fund, backed by you the taxpayer.

A few years ago, one of these loans for $8-million was made to the Black Republic (?) of Zimbabwe, to ease famine conditions in that country. It was used by the Black government to purchase 54 new Mercedes Benz limousines, so that the big shots of Zimbabwe could ride around in regal comfort while their people starved. Our State Department knows these things but does nothing to stop or regulate them.

While many elderly people in America, the "land of plenty," are unable to obtain adequate housing, food and medical attention, our corrupt Jew scared government, sends endless billions to Christ and American hating countries. The country of the Israeli alone, who perfectly fulfill the definition of "anti-Christ," as given in 1 John 2:22, 23, "sucks" over $5-billion per year from our taxpayers, over $5,200 for every Israeli family of four. What do we get from it? Not a democratic ally, as the liberal Isareli promoters love to tell us, but a "back stabbing, snobbish, insulting people who steal our military secrets and sell them to our enemies, "while the Israeli Lobby in Washington, D.C. virtually controls our Congress through "fear of the Jews." 74 of our Senators, and God alone knows how many Congressmen, are under their Zionist control. "It is the finest Congress Jewish money can buy!"

The only way we can ever get out of this economic morass, is not through auditing the IRS. If Congress had the "guts" to do it, they could do it the same they let them in 1913, by voting them out, and coining interest free money as the Constitution visualized. Don't expect this to happen yet, as too many Congressmen are "living high on the hog" from the bribes they accept from the Zionists.
Today the taxes collected by the Internal Revenue Service, which is the "gestapo" of the Federal Reserve, barely covers the interest payments on our National Debt, which grows by leaps and bounds every year. Honestly now, how long do you think this can continue?

If our cowardly and contemptible politicians in Washington who think they run this country, Republicans and Democrats alike, would have lived up to their oath of office, we would today have interest-free mortgages and very little if no Income Tax. Yet today, because of the treachery of our public servants, many of who think they are now our masters, the price of a one pound loaf of bread is over a $1.00, with over 216 different taxes accessed on it. The farmer gets about 3 cents per loaf for the wheat he raises. The middle man and the banker gets the rest.

The very name of the Internal Revenue Service, as "tax collectors," makes it clear that they are the "bully boys, the Gestapo" of the FED. They exact taxes over which the Government has little control, and set up their own regulations as law. In fact, our political leaders are so afraid of them that the number who will take a stand against their abuses and excesses are few indeed.

Japan has shown the world the route to national independence. The major reason for their amazing success in the business world, is that they control their own money and have legislators who put the welfare of their people first. Something which has not happened in this country in many years.

Taking advantage of 'World Free Trade,' Japan gets their goods into other countries, while erecting barriers to protect their own business interests. In a happy, and more prosperous age in America, our government did the same thing, before they became obsessed with the idea of the NEW WORLD ORDER, and open borders.

But when the Jewish Internationalists got their 'hooks' into our economy and began to push their age old idea of the NEW WORLD ORDER, we began our long and painful slide to economic destruction, while the only ones who benefit from it, are the International Jewish bankers who control our economy.

No study of the International Banking swindle is complete without some reference to the Jewish House of Rothschild, which was formed in the 18th Century in Germany by Mayer Amschel Rothschild. He sent his many sons to England, France, and Austria, where they established local branches of what was to become an International Banking conglomerate.

Early in the 19th Century, Nathan Rothschild, founder of the British branch and known as the 'Red Shield,' declared: 'Let me control the nation's economy and I care not who writes it's laws.'

Using the iron fist, enclosed in the velvet glove, Nathan brow beat the Bank of England into granting him special privileges, and in a short time he controlled English economy.
A Russian Major General Count Cherep-Spiridovich, who was a member of the old Russian aristocracy, wept as he saw his beloved Russia decimated and destroyed by Jewish Bolsheviks. Writing about this in a book entitled THE SECRET WORLD GOVERNMENT OR THE HIDDEN HAND, published in 1926, he said: 'Evil is now enthroned in Moscow. The promoters are not Russians but Jews... Soviet Jews have changed their name into Russian . . . the Czars were murdered by this Hidden Hand, Modern history must be looked at as a mortal implacable assault of the Judeo-Mongul (Khazar Jew) invisible government headed by a Rothschild since 1770, against Christ, Christendom, Christian ideals, and the monarchy.

'The founders of the dynasty of the Occult Supreme World Rulers and World Assassins, were Amschel Rothschild and his wife Gutten Schnappen, a Jewess, in Frankfort-on-Main in Southern Germany The Rothschilds are everywhere masters of the financial situation, there is but one power in Europe, and that is the Rothschilds . . . they can start or prevent wars. Their word can make or break empires . . . ' That was seventy years ago, and today their international banking establishment controls the world.

The Russian General went on to say, in scathing denunciation: The Rothschilds wish to whitewash themselves as much as possible. They fear that the so-called Christians might cease to be unheard of imbeciles, cowards and bootlickers. Therefore they claim as their motto 'CONCORDIA, INDUSTRIA, INTEGRITOS,' while no family had done more to cause bloody discords and murders.'

Today, we hear a great deal of talk about the value of DEMOCRACY. It seems to be a Utopian dream which most men seek, yet the Jewish leaders of all Democracies believe as did the Jew Benjamin Disraeli, when as Prime Minister of England under Queen Victoria, he said: 'The world is governed by very different personages from what is imagined by those not behind the scenes: governments do not govern; they merely control the machinery of government, being themselves controlled by the Hidden Hand.'

It is because of this, that America has been under alien control for over seventy years, no matter whether Republicans or Democrats have been in the driver's seat. All elections in America and Canada have become exercises in futility, a stupid choice between Tweedledee and Tweedledum; the pawns change, but the game remains the same.

In a Democracy, the will of the majority is supposed to be paramount. But even the dentist can see that on important issues such as alien immigration, the controlling of weights and measures, the coining of money; the wishes of the American and Canadian people have meant nothing, because the politicians for the most part have been obedient to their masters, the 'megabankers' not to the people who have elected them to office.

With the rare exception of a few honest and honorable men, our Congressmen for the most part have been obedient to the demands and pressures of International Jewish finance and it has paid well, up until now But what will happen to them when our people learn the truth is a different thing and I imagine many of them tremble in bed at night, when they think about facing the wrath of an aroused people.
Today we are living in the age of 'Think Tanks,' and 'experts.' They lead us in every field of national endeavor, where most of them are manipulated in one way or another by the Hidden Hand of International Jewry.

In America, the control of money power is in New York City, where the Rockefellers, Chase Manhattan Bank, the Federal Reserve Board, Kuehn Loeb and Company, all operate out of the United Nations building, under the guidance of David Rockefeller and the Council on Foreign Relations (CFR).

The Warburg Bank and others of the International 'money grubbers,' play 'second fiddle' to the Rockefellers in America.

It is quite obvious through educated observation, to see that the day will soon come, when the incomes of the American people will not be able to pay both for the essentials of a decent life and the interests payments to the Money Gangsters. This is what they are waiting for, for when that day comes, we, the working people of America, will be their slaves.

When this happens, we will see a financial collapse of such gigantic proportions, that the Great Depression of the 1920's will seem like a Sunday School picnic in comparison.

During this period, the 'Money Moguls,' will introduce their 'cashless, society, which is already in the planning stage, and has been tried out in numerous places.' This will make slaves of the entire world, with the exception of the financially elite. This will be the NEW WORLD ORDER our President visualizes; a One World Government, with a One World Police Force, a One World Dictator, and a One World Religion which will not be Christianity.

This is the One World Government the anti-Christ's have been attempting to set up since the time of Nimrod and the Tower of Babel, which God so effectively squelched in Genesis 11:1-9.

At that time they said they were building their tower to reach up unto heaven 'to make a name for ourselves.' There ideas have not changed in almost 4,000 years.

In due course, the Internationalists plan to have every individual indelibly marked at birth, possibly through laser technology, with their own bar code. This six bar code (666), which is frightenningly similar to the '666' system of the anti-Christ mentioned in Rev. 13:16-18, will encode the individual's name, address, family history and social security number. It will be possible to add to this information at any time with details about education, employment, business interests, associates, politics, court convictions, social contacts, friends, enemies, visits abroad, political views, hobbies, in fact every aspect of your private life which you can conceive of. Scanners in banks, government and municipal offices, personnel departments of potential employers, police stations, and even police officers on patrol will have this information available on seconds notice. Your individual privacy will be a thing of the past.
In effect, our people will become mobile credit cards, who cannot 'buy or sell (do business) unless they have the official mark,' (Rev. 13:17). In plain language, we will be absolute slaves of the Finance Moguls and the State they control. We are much closer to this than most people believe, and no one will have more to lose than the 'brainwashed' Christians who are now helping them into power.

While most Christians have been led to believe that Communism and Capitalism are enemies, the truth is very different. The New York Jew lawyer, Henry Klein, in his book **ZIONISM RULES THE WORLD**, wrote: 'In 1917, Schiff, Warburg and their associates (all super-rich Jewish capitalists), financed Trotsky (real name Bronstein) and Lenin (Ulynov) who overthrew the Russian Government. Their revolutionary followers murdered the Czar and his family and millions of Russians in the Ukraine . . . Communism is no enemy of money control - it is the instrument of money power.'

An official American Intelligence Report in Feb.1916 stated: 'We learned for the first time that a revolution was being fomented in Russia. We discovered that those engaged in the work of destruction were - Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, Jerome Hanover, Charles Guggenheimer and Max Breiting - Jewish directors of Kuehn Loeb and Company (a Jewish bank subsidiary of the Rothschilds in New York.) There is scarcely a doubt that this revolution was worked up and launched by distinctly Jewish influences.' (UNQ.) This report went on to list all the people of importance in the Soviet Government and noted that all were Jews. While the Jews made up only 5% of the Russian population at this time, between 80 to 90/0 of the estimated 50,000 Communists who started the revolution were Jews.

A one time British Naval Intelligence Officer, Admiral Sir Barry Danville, writing in his memoirs **FROM ADMIRAL TO CABIN BOY**, said that the British Parliament was controlled from behind the scenes by a 'Judeo-Masonic' combination.

The same thing has been true in the United States since at least 1913, when our Congress abrogated their responsibility to control our money supply, and thereby our economy, handing it over to the alien Federal Reserve System, which is made up of eight privately owned, Jewish controlled banks.

The Jewish writer, Blumenthal in his book **JUDISK TIDSCRIFT**, published in Sweden in 1929, said: 'Only recently our race (Jews) has given the world a new prophet, but he was two faces and bears two names; on one side his name is **ROTHSCHILD**, the leader of all Capitalists, and on the other Karl Marx, the apostle of those who want to destroy Capitalism.'

For over half a century now, the nations of Christendom, (the White nations which represent true Israel) have spent hundreds of billions of dollars, ostensibly to defend ourselves against an enemy, which would have destroyed itself without our help. On at least 12 major occasions since 1918, when our Communist enemies were on the verge of economic collapse, it was the infusion of Christian aid, which kept them from collapsing. We are doing the same thing in 1992. As the old Communist world teeters on the verge of
disaster, we are shoring up what we hope will be democratic countries, but which in reality are communism under a new name. International Judaism has controlled both camps from the beginning and have plundered the Free Christian World to build their system of One World Government, which our President calls the **NEW WORLD ORDER**.

A little research will reveal that the mighty Soviet military machine, has been almost completely the product of Western technology. We built it for them, or sold, or traded, or have given them outright, everything they needed from bread, to copper wire, to computers to run their missiles. In the late 1940's and early 1950's, tons of materials necessary to the building of Russia's atomic system were delivered to them by the traitors in our government.

Professor Anthony Sutton conducted a massive in-depth study of East-West trade during this period, and released his findings in his book **NATIONAL SUICIDE: MILITARY AID TO THE SOVIET UNION.** Our national political and military leaders have known about this treason and have no excuse for ignorance.

John Stockwell of the U.S.C.I.A. broke his oath of secrecy to reveal in his book **IN SEARCH OF ENEMIES**, that America and the U.S.S.R. have not been enemies, but were allies all during the Cold War, both working towards their goal of world domination by the internationalists.

Louis Marshalko, on page 227 of his book **WORLD CONQUERORS,** quoted Chaim Weisman (the Rothschild funded leader of Zionist Jewry in America), as saying: 'We are one people despite ostensible rifts, cracks and differences between the American and Soviet democracies. We are one people and it is not in our interest that the West should liberate the East, for in doing this and in the liberation of the enslaved nations, the West would inevitably deprive Jewry of the eastern half of it's world empire.'

It has been known for many years, from reliable, official sources, that Communism was imposed on Russia by International Judaism; the same unsavory tribe of Turco-Mongolians who have infiltrated the governments of America, Canada and the rest of the Christian world.

They control the media of all these nations, their economics, and have brainwashed, gullible Christians in particular, into supporting them as God's Chosen People, while they go about their centuries old scheme to destroy the White Christian world. This is their boasted aim!

Major Robert Williams an American Counter-Intelligence agent during World War II, revealed in his book **THE ULTIMATE WORLD ORDER,** that there was 'a Jewish world power movement, hidden inside the Communist Movement. It is the Anglo-Saxon who must be undermined, softened and brainwashed, made to breed with the dark races if the Zionists are to win.'
Roberts went on to say: 'Unless the American people recapture their government and smash the Zionist machine, the insane elements within that machine will wipe out mankind.'

World Jewry openly brags about the part they have played. In January 1928, the Jewish writer, Marcus Eli Ravage, writing in the CENTURY MAGAZINE, said: 'We Jews are at the bottom of nearly all your wars; not only of the Russian but of every other major revolution in your history . . . We did it solely with the irresponsible might of our spirit, with ideas and propaganda.'

The Jew Oscar Levy, in the preface to the book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, said: 'There is scarcely an event in modern Europe which cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers, it's destroyers; it's incendiaries; it's executioners.'

Samuel Roth, another Jewish author openly told his people: 'We come to the nations pretending to escape persecution, and we are the most deadly persecutors in all the wretched annals of mankind.'

The AMERICAN HEBREW, leading Jewish newspaper in the United States, on 9110120 said: "What happened in Russia, shall also, through the same Jewish mental power, become a reality over all the world."

The Red Rabbi Stephen Wise, when asked by a newspaperman to comment on Communism, said: 'Some call it Communism; I call it Judaism!' While another Jewish leader openly admitted that 'The ideals of Bolshevism are consonant (in agreement with) the finest ideals of Judaism.'

Another well-known Jewish writer, Maurice Samuels, in his book YOU GENTILES! page 155, said: 'We Jews, we the destroyers, will remain the destroyers. Nothing that you will do will ever meet our demands and needs.' In Rabbi Lewis Browne's book, HOW ODD OF GOD!, he said: 'We (Jews) intend to remake the Gentiles ('goyim' non-Jew animals) - what the Communists are now doing in Russia."

In 1978, a Mr. Harold Wallace Rosenthal, Administrative Assistant to the Jewish Senator from New York State, Jacob Javits, in a paid interview said: "Christ was only a man - a man who walked the earth like any other man and this myth that He rose from the dead and returned to this earth to visit with His disciples is a bunch of crap. The Jews who drove the Arabs out of Palestine did so to disprove Christ's mission for a spiritual kingdom. You see, instead of a leader who would make an empire for the Jews, your kind of people gave the Jews a peaceful preacher called Christ who instead of an eye-for-an-eye turns the other cheek. Rubbish! We are building and, in fact, have built an earthly empire without your kind and your disappointing Messiah."

When asked wh Jewish led Communism always destroyed the middle-class or educated and their entire families, Rosenthal said: "It is an established rule to destroy all members
of pre-existing government, their families and relatives, but never Jews. They (the Communists) destroy all members of the police, state police, military officers and their families, but never Jews. You see, we know when a government begins to search for Communists, they are really attempting to uncover Jews in their area. We are not fooled! The invisible rulers in the Communist countries have world control over the propaganda and governments in free countries. We Jews control every media of expression including newspapers, magazines, radio and television. Even your music! We censor the songs leased for publication long before they reach the publishers. Before long, we will have complete control of your thinking.

He went on to say: "There will be forced class warfare here in the United States and many will be liquidated ... They Jews will not be harmed! I am not boasting! I am giving you the facts! And it is too late for you Christians to set up a defense. That time is long past. (Remember this statement was made 14 years ago.) Long ago we had to become the aggressors! That is our great purpose in life. We are the aggressors! Because you stole our pretended religious beliefs from our Talmud." (Of course this last statement is false, since it is blasphemous to state that Christianity came from the cesspool of the Talmud.)

When asked his thoughts regarding religion, he stated among other things: "Through our propaganda the Christian church has become our most avid supporter and have even given us a special place in society, as they believe the lie that we are 'God's Chosen People,' and they are 'Gentiles.'

"These deluded children of the church defend us to the point of destroying their own culture. This is evident even to the dullard that views history. All our produced wars have been white fighting white. We controlled England during the Revolution, the North and South during the Civil War, and England and America during World Wars I and II. Through our influence on religion we were able to involve the ignorant white Christians in wars against themselves while we reaped a financial and political harvest. Anytime truth comes forth which exposes us, we simply rally our forces - the ignorant Christians. They attack the Crusaders even when they are members of their own families. (Oh how I know this to be true!)

"Through religion we have gained control of your society, your government and your economics. No law is passed except its merits have previously been taught from the pulpits. An example of this is racial equality which leads ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that Jews are a special, Chosen People, while in the next breath they proclaim that all races are the same. This inconsistency is never discovered. So we Jews enjoy a special place in your society while all other people are reduced to common equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level."

Much, much more could be added to this information, all coming from Jewish sources.
The present moves we see in the Soviet Union are nothing more than a propaganda exercise, to soften-up the brainwashed hordes of Christendom and prepare them for the "final kill."

Or as Dmitri Manualisky, a Soviet official stated in 1936: "We will overwhelm them with unheard of peace overtures, and the Christian nations, stupid and decadent, will leap at the chance to be our friends; they will willingly cooperate in their own destruction; then when their guard is down, and they have gone to sleep, we will SMASH them with our clenched fist."

It is significant to note that many of the leaders in the "new democratic parties" in Eastern Europe today, are Jews.

**WHY DO JEWS PUSH FOR OPEN IMMIGRATION?**

That America's Congress has turned into a "house of traitors," can be clearly seen in the overwhelming drive by Congressional liberals, urged on by Jewish interests, to open this country to both legal and illegal immigration. Already millions have arrived, with millions more on the way into an economy which cannot support our own people. They are fulfilling the desires of the Jewess Emma Lazarus, who penned the inscription which was placed in recent years on the base of the Statue of Liberty: "Give me your poor, your tired, your huddled masses, yearning to breathe free... "And they have come in recent years, the criminal elements, the freeloaders, the diseased, among those who were legitimately seeking freedom from oppression.

These late comers were not the "blood relatives," who arrived during the Nineteenth Century in the greatest mass immigration in the world's history. Those were mostly from a White Christian background; they believed in God and His Son Jesus Christ; their political background was similar to ours; they believed in the sanctity of the family, and the work ethic. Then the liberals had a "field day," as they lowered the requirements for entry, and instead of "blood relatives," we saw a flock of Third World aliens from Asia, Africa, and Central America, whose thought processes were completely foreign to ours and we wondered why problems occurred. In the meantime, the liberals reaped a rich harvest in votes, since the majority of the newcomers went almost immediately onto our welfare rolls.

There was a time when we had a Congress which considered what was best for America. Today the trend is to ask, "What's best for the world?" Now with "racial traitors" in control of our immigration policy we have become overrun with the scum and "riffraff" of all nations. Once their scientists and educated people came to America, now it is those who cannot even read or write. All these are an added burden on a nation already on the verge of bankruptcy.

Because we are a predominately Christian people, our hearts have bled for those who have been persecuted by Communism, and we have opened not only our hearts, but our pocket books to the oppressed. But today, the majority of those who arrive in America,
are not the persecuted, but the "freeloaders," and the criminal element who prey on our people. A pre-World government Jewish spokesman put it well when he said: "One world; one race; the deliberate encouragement of inter-racial marriage."

Our race and nation are being deliberately destroyed by the traitors in Washington, D.C. Do not try and excuse them by saying they are ignorant of what is happening, for they are not! They are not even traitors for a principle, but for profit, which makes them lower than the lowest scum!

Eustice Mullins, in his book HISTORY OF THE JEWS, quotes from a speech made by Rabbi Rabinovich in Budapest over 40 years ago. He said, "Mixing the dark with the white means the end of the White Man, thus the White Race will disappear and our worst enemy will become only a memory." And yes, Virginia, whether you like it or not, International Judaism is the worst enemy of White Christian civilization.

Our race and our nation are being deliberately destroyed by the traitors in Washington. Are we going to let them get by with it? If we do our children will curse us in our graves!

Wing Commander Leonard Young of Britain, in his book DEADLIER THAN THE H-BOMB! says there are only two reasons for colored immigration:

1) To pollute and destroy our race through mongrelization, and;

2) To provide degenerate urban mobs which will be used for revolutionary purposes.

This plan to use American Blacks as "cannon fodder," in a Jewish promoted race war has been in the making since at least 1900.

Young went on to prove that the Babylonian Banking System of Zionism, which had been first imposed on Britain in 1694, was the means used by International Jewry to bring misery and impoverishment everywhere. They have been able to suppress the truth and propagate lies through their almost absolute control of the press. This has enabled them to fool and bully the Christian world in particular, into following the most suicidal courses until the Jews are now in a position where they believe they can take over and form an irresistible police force which would control everyone. This was the major purpose behind George Bush's Operation Desert Storm, to prove it could be done.

A prominent Jew, Harold Wallace Rosenthal, wrote in his book CONFESSIONS: "The U.N. is nothing but a trap door to the Red World's immense concentration camp . . We (the Jews) pretty much control the U.S."

The United Nations has openly declared at numerous conventions, that it is in favor of in-breeding and a uniform world population. Yet anyone who has studied past history knows that this inbreeding has always destroyed the civilizations which practiced it.
Israel Cohen, a Jewish "bigshot" in the Communist Party U.S.A. in 1912, declared in his book *A RACIAL PROGRAM FOR THE TWENTIETH CENTURY*: "We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by Whites, we can mold them into our program. The terms 'colonization' and 'Imperialism,' must be featured in our propaganda. ~et it is interesting to note that there has been no Imperial power greater than Jewish/Communism.) While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilt complex for exploiting the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the Whites and bring about the process that will deliver them to our cause." If you can't see this happening, it is because you have deliberately shut your eyes to what is going on all about you.

By increasing numbers, Americans, especially those who call themselves Christian, are rushing to commit racial suicide, by breaking God's immutable law against co-habitating with the dark races and producing mongrels. This is what International Jewry wants, and they are being helped along by Christian "traitors" such as Dr. Billy Graham, who has pontificated, in the face of scriptural laws to the contrary, that inter-racial marriage is good in the sight of God, if both parties are Christian. You will not find this sick idea anywhere in the Bible, Old or New Testament.

Today, in Canada and Britain, as well as in other Israel nations in Christendom, "race laws," have been formulated, always under Jewish guidance. These have been made into law by "brainwashed" Christian legislators. When a few men of courage have stood up for Christian principles, they have been smeared by the Jew controlled press as being "racist." This denies these men the votes of the majority of "brainwashed" Christians. The same is true of the minorities.

Many targets of physical violence have been funded by Jewish so-called "anti-racialist" organizations, and the FBI has proven that many of the incidents of "anti-Semitic violence" in the Christian countries, have been committed by Jews, to keep pressure on their own people and on the Christian world.

What is true of Canada and Britain, is becoming increasingly true of the United States, where the ADL of the Jewish B'naï B'rith, an illegal, unregistered entity of a foreign country, is working illegally, yet with government approval, to influence legislaUon in America. Today it is said that 74 out of our 100 Senators are subservient to Zionist causes, as someone said: "It is the best Congress the Israeli can buy!" To these traitors, the interests of the Isareli come before that of the United States. Thanks to these craven traitors in Congress and the pulpits of America, Jews in recent years have made a farce out of our political issues, as they push for legislation which is against the desire of the majority of Americans, both White and Colored.
The Apostle Paul knew whereof he spoke, when he gave a description of Jews in his own
time and down through the ages: "They please not God, and are contrary to all men," (1
Thessalonians 2:15.)

Many of the speeches made in America by our Congressmen are written for them by the
propaganda arm of the ADL, and this illegal tool of a foreign government, now acts as an
official advisor to the U.S. Department of Justice. I would call your attention to any
article in the news, which pertains to Christian Patriots. There will always be a paragraph
by some official in the ADL, explaining how evil these patriots really are.

In October 1990, I was honored by the ADL when they printed a special bulletin titled
**COL. GORDON JACK MOHR - AN OFFICER AND A HATE MONGER!**

Among other things they said: "He exploits Christian terminology for his own extremist
purposes . . For many years he has stridently promoted anti-Semitism, and anti-Zionism
and white supremacy as a leader of the Identity church movement. (Identity is a pseudo-
theological movement which holds that White Anglo-Saxons, not the Jews, are the
Biblical Chosen People,) and that Blacks are mud people."

The truth is easy to find. Those of you who know me, and have read what I write, know
that I have never preached "racial supremacy," "Racial separation," oh yes! For that is
what the Bible teaches, but never "racial supremacy." I have often chided those in
Identity for calling Blacks "mud people." My argument comes from the Bible which tells
me that God *CREATED* the colored races for His own special purpose, and in Genesis
1:31, He looked on His *CREATION*, and, "behold it was very good." What God has
pronounced as "good," who is any man to call a "mud person?"

As you read this Bulletin, you will notice that the ADL is not upset with me because I lie
about them, but because I am telling the truth. They said that I said - and I did: "There is
a false Israel in the world today... those that say they are Jews and are not, but are of the
synagogue of Satan." Those words, by the way, were not original with me, but were
stated by our risen Lord, in Rev. 2:9; 3:9.

They go on to quote from the September 1989 issue of my Newsletter **THE
CHRISTIAN PATRIOT CRUSADER**, where I said: "The Khazar-Zionist State
includes the whole world, and every breathing soul on this globe is now subservient to
their god, Satan . . Identity Christians know that the Israeli State in Palestine is a fraud,
and that its occupants are not true Jews." The Orthodox Jews know this to be true and
have reiterated it.)

They also quote from a **KKK** periodical **THE KLANSMAN** for May/June 1988, which
published an Editorial I wrote, in which I truthfully stated: "Many nations have expelled
the Jews. Has the whole world been wrong about them? Why have the Jews been driven
out of nearly every country in the world? Once a people realize the Jew is a non-
productive 'money-changing parasite' he is expelled." (I stand by this statement!)
In spite of what men such as Fundamentalist Baptist evangelist Jack Van Impe says: "The Jews have been persecuted because they are God's People and Satan has a special hatred for them," the truth is, that Judaism worships Lucifer (Satan.) They have been expelled from county after country because of their filthy immorality and their crooked business practices.

The ADL ends their diatribe by stating truthfully that I have publicly stated that I am no longer available for speaking trips because of ill health, then says: "Whether this portends a permanent slowdown in Mohr's activities remains to be seen. However, his prolific propaganda output probably insures that Mohr's voice will continue to resonate within the organized hate movements." If you can accuse people who speak the truth, as "hate mongers," who warn of danger, then I should hope this is true, for before God, I have declared war to the death against His enemies. This booklet contains some of the so-called "propaganda" I put out and I challenge anyone to disprove any of it. Like David the Psalmist, I MUST say: "Do not I hate them, O Lord that hate Thee? and am not I grieved against those that rise up against Thee? I hate them with a perfect hatred: I count them mine enemies," (Ps. 139:21-22.) If this is the kind of "hatred" the ADL mentions, then I am proud to be part of it, even if it upsets the tender feelings of the "wissy-wissy" Christians who make up most of Christendom today! Oh for a return to the days when "men were men, and women were proud of it!"

The plans to promote racial chaos in the Gentile world (and I do not like that term, since it is a much mis-understood word; "non-Jew" is much better), were laid down decades ago. In 1850, Karl (Mordecai) Marx, the son and grandson of Jewish rabbis published his Communist Manifesto. In this, he advocated the abolishment of the family, the sovereignty of countries and nationalities, and the abolishment of all religion; with special emphasis against Christianity.

The massive assault on marriage in the Christian World, has reached epidemic proportions, where nearly one out of every two marriages now ends in divorce; one out of every three babies are born out of wedlock; pornography is publicly promoted on TV and in the movies, with sexually explicit videos available to the public; the jungle rhythm of music that assaults the ears and destroys hearing, and the "drab and drivel" which the gullible public now accepts as art.

In a letter to Karl Marx published in the French paper LA REVUE DE PARIS, the Jew Baruch Levy said: "The Jewish people as a whole will be their own Messiah. It will obtain world domination by the dissolution of other races, by the abolition of national frontiers, the annihilation of monarchy and the establishment of a World Republic." (George Bush's NEW WORLD ORDER.)

International Jewry has come close to the fulfillment of their dream through:

(1) Their control of money;

(2) Their control of the media; and,
Through their ruthless exercise of the powers which go with
money and media control. By the clever use of these powers, they
have stampeded the masses, and manipulated key individuals.

At the International Court of Justice, The Hague, on June 23, 1965, evidence was
presented relating to the impact of diverse groups with each other. Professor Van der
Hoag of New York University stated unequivocally before this court that: "it is a fact of
history that unregulated contact between ethnic groups resulted in social disorganization
and an increase in crime.

We have seen this happen in America, as our country has been overrun with immigrants,
both legal and illegal, from Third World nations. These crowd in larger and larger
numbers into our large metropolitan areas, and everywhere this happens, crime
skyrockets.

As a good example of what happens on a national level, take a close look at Portugal in
the 15th and 16th Centuries. They were a race of navigators, explorers and adventurers
who established successful colonies in Asia, Africa and South America. They became
one of the wealthiest and most powerful nations in the world. However, in 1441 Black
slaves were introduced into Portugal and within 100 years, 10% of the population has
become Black, as the liberal Portugese engaged in inter-racial marriage.

The 1991 edition of the Encyclopedia Britannica says: "The Portugese married free! with
their slaves and this infusion of alien blood profoundly modified the character and
physique of the nation. It may be said without exaggeration that the Portugese of the 17th
and later centuries, were two different people."

This same example can be seen in Brazil, which compared with Argentina which is 95%
European, shows a startling difference. The same thing has happened world wide, always
with the same effect. Colored blood always destroys the White race.!

**WHY HAS "RACISM" BECOME A DIRTY WORD?**

Our British ancestors fought to keep the French, Spanish and Germans out of their
islands. Was it because they were an alien people, as most of the modern invaders are
today? No! It was because ingrained in the very essence of the true Israelite, is the desire
to be free.

But today, we see a sad thing, as we realize that our present generation of Israelites, for
the most part, have been "cowed" or "brainwashed" into silence and inaction in the face
of danger to our race and religion. Today, the largest invasion in the history of the world
is taking place in the nations of Christendom, as alien forces, headed by International
Zionism, seek world control. If the men who fought at Concord Bridge and Trenton were to return today, they would consider their offspring as mad, stupid, or traitors!

Because of the strange attempt at national and racial suicide on the part of our people, we have not had a true American Government over this country for well over seventy years, no matter whether Republicans or Democrats were in the driver's seat. We have been ruled by aliens, just as God predicted in Deuteronomy 28:43, when He said that if we disobeyed Him -1 'The stranger that is within thee shall get up above thee very high and thou shalt be brought down very low . . . he shall be the head, and thou shalt be the tail.' If you cannot see how this has happened, it is because you have deliberately shut your eyes to the truth! This has happened in every Israel nation, but especially to Britain, Canada, and the United States, which are the recognized heads of this Commonwealth of Christian nations.

It is about time that the contemptible politicians we have put into office, begin to put America first! By using smear words such as "Fascist," "racist", "neo-Nazi", "KKK", "anti-Semitic," and others, the Banker controlled media has "brainwashed" our people, especially gullible Christians into remaining passive and impotent while danger engulfs us. While our White race is being wiped out, our country stolen from us, and our Christian religion destroyed, our people for the most part have "gone to sleep at the wheel."

As far back as 1922, the Bolshevik leader Selenkov stated in Moscow: "We must create a climate of anti-nationalism and anti-racialism among the Whites. We must reduce patriotism and pride of race to meaningless abstractions and make racialism a dirty word." And it is amazing how they have done this, to where it is considered proper for a Black to be proud of his race, while it is considered "racist for a White to feel the same." They have become so successful that a Black college professor can tell his students: "Only Whites can be racists," and they will accept it, while another at Penn State University recently wrote an editorial in the student newspaper, stating that Blacks should arm themselves to kill off the "White devils." He was not criticized by the College Administration, although I am sure if a White professor had done a similar thing, he would have been fired. The situation has gone so far in this country that a Black Alderman from Milwaukee could appear on TV waving a shotgun and shouting that he would burn the city down if he were not re-elected, and nothing was done. A White man would have been arrested, and they would have "thrown away the key." This is what "brainwashing" will do to a free people.

Our American people shrink before the epithet "racism," almost as much as they do before "anti-Semitism." Yet honest racism is nothing more than "patriotism" and love of one's country and race. It does not mean you have others who are different! This has always been one of the strongest assets of our Israel people.

I believe one of the greatest crimes one can commit, is to help the enemy destroy one's race and especially one's religion and the International Jewish element has always been the greatest enemy of "true Israel," and their King, Jesus Christ.
As a postscript to our analysis on how Jewry has encouraged race mixing among our White Israel people, while jealously asserting the right to protect their people from racial assimilation, we need to look at the Slave Trade which first brought the Blacks to America.

Let me call your attention to an interesting little, well-documented booklet, WHO BROUGHT THE SLAVES TO AMERICA? which is available from THE SONS OF LIBERTY, P.O. Box 214, Metarie, LA 70004.

This book is based on authentic records found in the library of the CARNEGIE INSTITUTE OF TECHNOLOGY, Pittsburg, PA. These records show that Jewish ship owners and slave buyers, were overwhelmingly in the majority of those who brought the first Blacks to America. Approximately 110-million Blacks were first captured by native leaders in the numerous wars on the Dark Continent, then sold to White slavers, who often bought their human property with rum which had been made in Jewish owned distilleries in New England. Because of inhuman conditions on these Jewish owned ships, where human suffering meant nothing, and "only the gelt" counted, only 11-million, or about one out of ten, made it to the New World.

If the Black people in America knew the truth about this slave trade, we would see a tremendous reaction against these obnoxious people, who will do anything to make money, and who are even willing to "trade in men's souls," (see Rev. 18:13). They are doing the same thing now in "prostitution, pornography and the dope trade.)

It is ironic to see the continual "brainwashing" campaign carried on by Jewish leaders, designed to promote race-mixing among non-Jews, while encouraging young Jews to remain racially pure. The TV, movie and media moguls of Judaism, work overtime to give the Blacks a sense of grievance, and the Whites a sense of guilt, while covering their own tracks which prove that most of the misery of Black people has come from the Jewish "get-rich-quick" artists.

This illustration of Jewish greed in yesteryear and how their controlled media constantly lies and distorts the historical records, should cause the most craven Judeo-Christian to ask his Jewish friends for a few direct and honest answers. I can almost guarantee that your questions will be met with verbal abuse and possibly even threats of prosecution under Jew proposed "hate laws." For a clue to Jewish strategy, turn to George Orwell's novel "1984" and read this prophetic statement: "Who controls the Present, controls the Past; who controls the Past controls the Future."

IS THERE REALLY A CONTROLLED MEDIA?
Obviously the people who have the power to create limitless amounts of money out of nothing, and then lend it to nations, control those nations, governments, education, the media, secret societies, the majority of churches, and of course the land itself.

Jewish control of the media in America today is almost total. The Jewish overlords view us common folks as "stupid pigs that grunt and squeal the chants they give us, whether they are true or lies." "We are "horses asses," (their terminology, not mine) whose opinions they shape and fashion. Taken from the CONFESSIONS of Harold Wallace Rosenthal.)

When you buy a newspaper, or install a TV in your home, you are paying for the privilege of being lied to by the world's experts, to be conned, brainwashed and deceived. This is the name of the Jewish information game.

Former foreign correspondent of the London Times, Douglas Reed, stated: "Opinion today is a manufactured product and can be produced in any form desired." A few years ago, when Walter Cronkite was in his prime, he was asked about "truth in TV news reporting." In his usual condescending manner he replied: "My job is not to tell the truth; I am an opinion molder!"

A few years ago, at a retirement banquet given in his honor, John Swinton, Managing Editor of the New York Times declared: "If any of you (newspaper reporters) dared to write the truth he would soon find himself on the street looking for a new job. The major function of a New York journalist is to destroy the truth, to lie openly, to crawl at the feet of Mammon and sell his face and his country for his daily bread. We are the tools and puppets of rich men who stay behind the scenes; we are jumping jacks. They pull the strings and we dance. Our talents, our resources, and our very lives, belong to other men. We are spiritual prostitutes!"

Professor Arthur Butz, who has come under tremendous Jewish assault for his part in exposing the Holocaust Myth, put it more concisely when he said: "The media is exposed as a consistent lie machine of vaster extent than many of the more independently minded have perceived."

**THE CAUSE OF ANTI-SEMITISM!**

While many of us know that the vast majority of modern day Jews are not Semites, but come from a Turco-Mongolian background, the term "anti-Semite" is one which must be faced, even though it is a misnomer. (It is much like the term GENTILE, which is completely mis-understood in the Judeo-Christian world.)

For the purpose of this section, I will use this term as it is commonly accepted and which really means "anti-Jewish" or probably more accurately "anti-Zionist."
The vast majority of modern day Jews are known as Ashkenazi and come from a Turco-Mongolian background. Their forefathers did not come from Palestine, but from an area in Southern Russia, next to eastern Turkey. The empire of the Khazars, which flourished after the Roman Empire crumbled, were trapped in the 800's A.D. between the Christian and Moslem religious "power blocks." The Khazar Emperor Bulan, wishing to remain independent in this squabble, decided that he and his entire people would adopt Judaism as their official religion.

There were few members of "true Israel" in this area, as the vast bulk of those who had been taken captive into Assyria, had moved into a new homeland, and had migrated there via the Caucasus Pass into Europe and Asia Minor. (Hence the name Caucasian.)

The minority strain of modern Judaism, known as Sephardim, or Spanish Jews, went westward along the northern shores of the Mediterranean Sea and from there entered Spain. These are the ~ of Judaism who might have some legitimate claim to being descendants of Abraham. The Askenazi Jews fulfill the description of the risen Christ in Rev. 2:9 and 3:9, when He warned about: "Those who say they are Jews and are not, but are of the synagogue of Satan."

The history of the Khazar conversion to Judaism is described in a book titled THE THIRTEENTH TRIBE, written by Jewish author Arthur Kosetler. The Zionists were much embarrassed by the truth revealed by this man, which shows that the Jews who are now in Palestine are a bogus crowd, who have no claim to the land. It is interesting to note that every leader of the Israeli nation, since its inception in 1948, has been an Ashkenazi (bogus) Jew.

The vast majority of Christians today are stullified (made to appear foolish) by claiming that Jesus was a Jew and that Christianity sprang from the religious "cesspool" known as Talmudic Judaism. Both of these beliefs, though accepted by the Christian majority, are Satanic lies and we are reminded of Moses' admonition in Exodus 23:2 - "Thou shalt not follow a multitude to do evil." History has proven that the majority opinion is seldom the right one.

Jesus Christ was a direct descendent of Judah, the son of Jacob, on his human (mother's) side. He was a Galilean, as were most of His disciples with the exceptions of Judas, who was the only Edomite Jew in the lot.

It was the Edomite Pharisees and Sadducees who were Christ's bitterest enemies and who drew His most scathing denunciations. It was to these "aliens from the commonwealth of Israel" that He plainly said: "Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP," (John 10:26). How much plainer could He get? In John 8:44, after they had admitted they were not Israelites in vs. 33, when they said: "We have never been in bondage to any man," He accused them in these scathing terms: "Ye are of your father the devil, and the lusts of your father ye will do..." He then lists these as being a "murderer and liar from the beginning." (Could this have been Anti-Semitism on the part of our Lord?)
Christ was not careful in the terms of denunciation He used, called the Jews of His daya "generation of vipers," in Matt. 12:34; 23:33, and Luke 3:7. (The word GENERATION, as used here, comes from the Greek "gennema" which means: "fruit; produce; offspring". So what the King was actually saying was that the Jews were the "offspring of that poisonous serpent, Satan.)

From a reading of Matt. 23:25, it appears that Christ held the Jews responsible for "all the innocent blood shed on earth from the time Cain slew his brother Able." It is a fact of history, that modern Jews use the snake as a symbol of their tribe and have stated that "as the serpent entwines the globe, so they will one day rule the world." This is their official stated objective.

The Jews hatred of Jesus Christ can be seen throughout their religious book the TALMUD, where they often refer to Him in unprintable terms and their hatred comes into the open in the form of blasphemous movies such as THE LAST TEMPTATION OF CHRIST, which describes Him as a "lunatic, a bungler, and a mental case who falls down with fits."

Fundamentally, in spite of what they or their supporters in Judeo-Christianity say, Judaism is anti-Christian in every aspect. The Jewish film producers Ben Hect, in his book A JEW IN LOVE, expresses this hatred very vividly in these words: "One of the finest things ever done by the mob was the crucifixion of Christ; intellectually it was a splendid gesture. But trust the mob to bungle it! If I'd have been in charge of the execution, I'd have handled it differently. You see what I'd have done was to have him shipped to Rome and fed him to the lions. They (Christians) could never have made a savior out of mince meat."

Can you imagine the outcry from Jewish sources, if some Christian had expressed similar feelings for one of their heroes? But apparently "anti-Gentilism" is in, while "anti-Semitism" is out! Not even the Christian world, especially that of Judeo-Christianity, makes more than a murmur over such blasphemy.

The Talmud, which is a compilation of the sayings of Jewish sages down through the years and which according to Jewish religious leaders is the "heart blood of modern Judaism,"? classifies the non-Jew, whom they call "goyim", as a "beast of burden created to serve the Jews; and is the property of Jews." So they conveniently appropriated the word GENTILE, when in the original Hebrew and Greek, it referred to NATIONS. To the Jew it means "cattle."

Martin Luther (1483-1546) one of the key figures in the Protestant Reformation and an accomplished scholar in both Hebrew and Aramaic, after an initial "love affair" with Jews that turned to ashes in his mouth, wrote a startling expose titled THE JEWS AND THEIR LIES! In this book he argued brilliantly that the root cause of GENTILE "anti-Semitism," was Jewish "anti-Gentilism." The Jews have done such a superb job of "cover up," in the Christian world, that this book can seldom be found in the libraries of the Luther church which took his name.
The Talmud encourages Jews in a variety of depraved acts, as long as they are committed against the goyim. While they are required to respect Jewish women, they look on a Gentile woman as a "piece of raw meat."

Dr. Benjamin Freedman, who was a Jew converted to Christianity, in his revealing book **FACTS ARE FACTS**, said: "From the birth of Jesus until this day, there never have been recorded more vicious and vile blasphemies, of Christ and of the Christian faith by anyone, anywhere or at any time than you will find between the covers of the 63 infamous books which are the legal code which forms the basis for Jewish religious law... You will have to excuse the foul, obscene, indecent, lewd and vile language you will see from the official unabridged translation of the Talmud into English." (This is sometimes referred to as the Soncino Edition of the Talmud.)

In spite of all the falsehood concerning the Jews which are taught in the Judeo-Christian churches of America, Henry Ford, Sr., the great Christian Industrialist of the 1920's documented the fact that Jews were behind much of the organized evil in America. Their stranglehold over this evil has vastly increased in the past seventy years, until America today is a **ZOG**. country. (Zionist Occupation Government.)

In order to increase their power world wide, International Jewry has taken over control of World Freemasonry. While many Freemasons will be upset with this statement, it is nevertheless true. "Am I become your enemy, because I tell you the truth?"

In the days before the Israel nations of Christendom had become penetrated by Jewish/Communism and the agents of the International Bankers, such as the Rothschilds, well known historian Nesta Webster traced the origins of Communism and Free masonic subversion to common Jewish sources. Well known Masonic leaders such as Albert Pike openly admitted this. Webster clearly showed that the Jewish-Communist-Masonic movement to destroy White Christian civilization came from what she identified as "Jewish power."

The Protocols of the Learned Elders of Zion, which both Jews and their Christian "stooges" contemptuously call a "forgery," but which International Judaism has been following like a "blueprint", state: "Masonry blindly serves as a screen for us and our world objective." They speak with scathing contempt for Masons who they call "goyim cattle; gullible dupes and pawns who have been enlisted in the service of International Jewry, to further our secret aims and objectives."

Many prominent men in politics, business and religion throughout the Christian world, have been "brainwashed" into becoming Freemasons, because they can see how it will help them in their business life. But very, very few of the Blue Lodge members, know anything about the subversion that lurks at the top. (For further information, I would suggest you send for my book **THE HIDDEN POWER BEHIND FREEMASONRY**.)

British Commander Guy Carr, a life-long student of secret societies, was convinced that Freemasonry was controlled at the top by a Masonic sect known as the Illuminati. These
men were Satan ists, as their name reveals. This elite society was formed in Bavaria in 1776, by the Jew Adam Weishaupt and devised a long range plan for the destruction of White Christian civilization which fit in like a glove with the Zionist plan for world conquest. The principles found in the Protocols, which were first published about 1906 are not new. The same morality of "limitless ambition, burning greediness, merciless vengeance, hatred and malice can be found in the teachings of the Babylonian Talmud."

We can see how this evil has been in operation for centuries, as we look at an earlier Jewish Protocol. (A Protocol is an official draft of a document). This was written by the Grand Sanhedrin of Europe in 1492, when Chemor, Grand Rabbi of Spain, wrote this governing body asking for orders regarding the impending Jewish expulsion from Spain. (This information was revealed a few years ago in a Rothschild memorandum which was released to the public.)

Here was the reply from the Sanhedrin:

1) As to what you say that the King of Spain obliged you to become Christians; do it since you cannot do otherwise.

2) As to what you say about the authorities despoiling you of your properties; make your sons merchants, that they may despoil, little by little, the Christians of theirs.

3) As to what you say about making attempts against your lives; make your sons doctors and apothecaries (druggists) so that they may take away Christian lives.

4) As to what you say of their destroying your synagogues; make of your sons canons and clerics in order that you may destroy their churches.

5) As for the many other vexations you complain of: arrange for your sons to become advocates and lawyers, and see that they always mix in the affairs of State, that by putting Christians under your yoke you may dominate the world and avenged on them.

6) Do not swerve in this order we give you, because you will find by experience that humiliated as you are, you will reach the actuality of power.

**SIGNED;**

**THE PRINCE OF THE JEWS IN CONSTANTINOPLE.**
Following the above advice, several Jews in Spain became Cardinals in the Catholic church, and several became Popes. They have also taken over control of most of the Protestant seminaries in America, and the Sunday School classes taught by most Christians using the International Sunday School lessons, do not know that they are written by a Jew. Today, for all intents and purposes, Jews, either in the flesh or "crypto-Jews" fill the Pulpits of many American churches.

One of the major powers of world Jewry has been their ability to start wars from which they alone benefit. In 1952, Rabbi Rabinovich, addressing a conference of European rabbis behind closed doors in Budapest, said: "...we must now work to precipitate World War II... this will surpass in destruction all previous contests. Israel (the Jews) of course will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all the wrecked countries. This war will end for all time our struggle against the Gentiles."

In the French newspaper, LE CONTEMPORAIR, July 1, 1860, Rabbi Reichorn, speaking from the Prague, was reported to have said: "We shall drive the Christians into wars by exploiting their material vanity and stupidity. They will massacre each other, thus giving place for our people... Wars are the Jews harvests, for by them we kill off Christians and gain control of their gold. We have already killed 100-million of them and the end is not yet." (This was before our Civil War, or the wars which followed, which have killed additional millions. Today the gold of the world is in Jewish hands.)

The JEWISH WORLD, Jan. 16, 1919, declared: "International Judaism forced Europe into war (World War I) not only to seize a large part of the gold, but to start a NEW JEWISH WORLD with that gold."

Henry Ford, Sr., writing in his book THE INTERNATIONAL JEW, said: "I studied the causes of wars and am convinced that nearly all wars are caused so someone can profit, and those who have profited now are the international financiers, the Jews.

Two very prominent Jews began to tell me about the power of the Jewish race, how they controlled the world through gold, and that no one but the Jews could stop the War (WWI). They went into details to tell me the means by which they controlled the war, how they had the money, how they cornered all the basic materials needed to fight the war and all that, and they talked so long and so well they finally convinced me... Gather together the fifty most wealthy Jew financiers, the men who create wars for their own profit, and control them, and you will put an end to all of it."

They did this during the Civil War, where they supported both sides and again in World War I and II~ where the German Krupp works were Jewish owned.

It was Jewish money that brought Adolf Hitler into power in Germany and they were behind America's latest military venture in the Near East, Desert Storm, which was fought for International Oil interests (meaning Jew interests,) and for the welfare of the
Israeli. They are behind the present plan which is developing to get America into another war, which will bring us into Mr. Bush's **NEW WORLD ORDER**, under Jewish control.

The war against Iraq was an excuse for Jewish power to mobilize the world to defend the "democracy," of the Kuwaiitis, one of the most demagogic countries in the Near East. The hypocrisy of the United Nations can be seen in that they did not rise up against the Israeli's when they invaded Lebanon. They did nothing when Russia invaded Afghanistan; they did nothing when Red China invaded Tibet, and massacred thousands of their own people. The so-called Christian West (America) still supports the terrorist murderers of the Khymer Rouge in Cambodia, in spite of their monstrous record of genocide. These are all Jewish traits, which they have sold to decent Christian Americans via the controlled media.

Surely, even Jew dominated Christian Zionists such as Jerry Falwell, and Pat Robertson, must be able to see through the "media smokescreen." Surely our Christian leaders **MUST** know that Iraq was crushed to protect against any threat to world Zionism, and as an object lesson of what will happen if anyone else stands against them.

Those who doubt the truth of this analysis should recall the words of French President Mitterand, when American Air Forces were deployed against Libya in 1985, for the same purpose. He said: "I assure you France will not go to war in an American car, driven by an Israeli." Those other countries know we have become pawns of the Zionists, it's only our own leaders who don't seem to care. Or they are making too much off their treason? There is an old saying: "TREASON prospers, what's the reason? For when TREASON prospers, NONE DARE CALL IT TREASON!" and I will tell you, whether you want to accept it or not. TREASON is prospering in "Le Cesspoole Grande on the Potomac."

It should be further noted that the United Nations actions in the Persian Gulf can now be used as a precedent for "Police Action," anywhere in the world, under the authority of the United Nations. Are we so sure of ourselves, that we can't see the possibility of it being used against us, if we step out of line from what the **NEW WORLD ORDER** desires?

**GEORGE BUSH'S NEW WORLD ORDER!**

Any nation which appears to threaten International Jewish interests anywhere, can expect to be bombed out of existence. The Jewish controlled press in the United States and Canada can be relied on to justify such a war as being in "our special interests," and whip ignorant goyim into another paradoxism of flag-waving patriotism, such as we saw during Desert Storm.

How the elders of Zion must laugh as they see goyim stupidity, especially that of the Christian fundamentalists who are willingly supporting their "own worst enemies!"

**REVERSE PSYCHOLOGY - TRUTH IN REVERSE!**
A little honest study into the past 75 years, will show that Jewish led and financed communism has murdered over 140-million human beings, including over 65-million Christians. Yet because of unremitting propaganda from Jewish sources, if you ask what was the worst tragedy of the 20th Century, you will be told the myth of the 6-million Jews who were murdered by the Nazis, when even Jewish sources, admit there were never more than 3.6-million Jews in territories controlled by the Nazis and that hundreds of thousands of these escaped to Russia and America. In fact, as little research will show you that thousands of Jews who have been drawing billions of dollars in reparations from West Germany, were those who were supposed to have died in German concentration camps.

Probably one of the most outstanding witnesses to this so-called Holocaust, is the Jew Elie Wiesel, who won the Nobel Peace Prize in 1986. He is generally accepted in the Christian world as having been an eye witness to supposedly homicidal gas chambers.

Yet it is interesting to note that in his autobiographical book which is supposed to contain his experiences at Auschwitz and Buchenwald, he never mentions gas chambers. He does say the Germans executed Jews, but by fire... by throwing them alive into flaming ditches, before the very eyes of the deportees.

But here Wiesel ran into what some would call "bad luck," which I believe was God exposing his lies, for when he had to choose between several Allied propaganda lies, he choose to defend the fire story, rather than the lies about boiling water, gassing, or electrocution. (The fire lie is of course the basis for the term HOLOCAUST. Yet there is not an expert alive today, who believes that Jews were burned alive. The myths of boiling water and electrocution have also disappeared, leaving only the story of the gas chambers.

The amazing thing is that Wiesel survived all this, for he was supposed to have, by his own admission, been in ten or twelve of the worst Nazi camps. In Time magazine for March 19,1985, p. 79 he states: "In Buchenwald they sent 10,000 persons to their deaths each day. I was always in the last hundred near the gate. They stopped. Why?" (Do you suppose it might have been because he was never there?)

I realize that many Jews must have gone through terrible experiences, just as did many other nationalities in the war, and no doubt the minds of some of them snapped from what they saw. But this does not give a man the right to lie, over and over again, as Wiesel has done, and been caught at it. Yet the "dumb goyim cattle" of the fundamentalist right, look on him as the "spokesman of the Holocaust." This is what news media propaganda can do to a people.

One thing Wiesel has done, he has set himself to champion the ethics of the Talmud, and shows this in his book APPOINTMENT WITH HATE, New York, Avon books, 1968, pp.177-8. Here he said: "Every Jew, somewhere in his being, should set apart a zone of hate - healthy virile hate - for what the German personifies, and for what persists in the German. To do otherwise would be a betrayal of the dead." How do you Judeo-Christians
justify this? Don't you think that possibly the White people of Europe, who lost close to a hundred million through a Jew instigated war, would have more reason to hate Jews than vise versa?

Why is it, do you suppose, that we never hear in the media, about the vast number of Christians murdered by Jewish led and financed Communism? Why is it that the Christian pulpits of America are silent about this crime against God and humanity? Why have we never seen a memorial in Washington, D.C. to the countless millions of White people who died under Communism?

Famine and disease are always part of war, and tens of millions of White Christians died during the same period, killed by Jewish led Communism.

While film strips of emancipated people in newly-liberated German concentration camps like Belsen and Dachau were horrible to see; this is no evidence of "systematic extermination," for we KNOW that many of those who were depicted as Jews, were not Jews at all. Propaganda during war time, can do terrible things to normally rational people. While many of our people swallowed "hook, line and sinker," the story of soap made from Jewish bodies, and lamp shades made from Jewish skin, even Jewish leaders have had to admit these were propaganda stories. For every Jew that died of disease and starvation in a German concentration camp, tens of thousands of German civilians died under Allied bombing. At Dresden alone, an open city with no war targets, close to 300,000 died in one Allied attack, more than died at Hiroshima and Nagasaki. Why do we have no historical markers in the West, telling of these facts? Or of the more than two million German prisoners of war, who under direct orders of General Dwight Eisenhower, a Jew, were deliberately starved to death after the war ended?

Today, the Jewish world is becoming frantic, as one of their biggest "money makers," the Holocaust story is slowly and methodically being picked to pieces, and shown up as another Jewish ploy to defraud Christians.

As the Christian world begins to assimilate the fact that their church leaders have deliberately lied to them and led them astray in accepting the Jews as God's Chosen People, there is going to be a day of terrible retribution, for those pastors and political leaders who have lied to their people and led to their destruction.

I don't have time in this little book to go into loads of evidence available, such as that found in THE LEUCHLIN REPORT; DID SIX MILLION REALLY DIE? by Richard Harwood and Professor Arthur Butz's masterpiece. These and many more can be purchased from the Institute of Historical Review, P.O. Box 1306, Torrence, CA 90505.

We can look back on the history of our Israel ancestors to see wise actions which have taken place since Bible times. On August 11, 1596, Queen Elizabeth I of England, in the Acts of the Privy Council stated: "Her Majesty understands that there are divers Blackmoors (Negros) brought into this realm, of which kinds of people there are already too manie, considering how God has blessed this land with great increase of people of our
own nation . . . those kind of people should be sent forth of the land." This thinking is considerable different from that of the liberals who are encouraging Third World people to come to England today, with all sorts of problems developing.

The wording of this monarch and others in Christendom demonstrates clearly that they were farsighted enough to see themselves as the protectors of future generations of their own kind, however lowly, and realized their obligation to protect them first, before foreigners who had been allowed into the country. Today the reverse is true, and the foreigner has first call on the protection of the State.

What a contrast between these sovereigns, and the "panty-waists" who govern our Christian nations today. The laws which once protected our White nations and culture, are now being swept aside by the heathen hordes, our liberal politicians have encouraged to come to America. Hoping to stay in office through their votes. They have come with an alien political philosophy which is completely anti-American, and a religious culture which is anti-Christ and based on Secular Humanism.

If White Christian Americans wish to survive as a free people, we will need to find the courage, the energy, and the leadership to unite and take action.

But before this can be successful, there is one thing even more IMPORTANT. We have a FORMULA FOR OUR SURVIVAL, that will work, if we are willing to put it into operation. It is found in 2 Chronicles 7:14. Many of you know it by heart: "If My people (God speaking), which are called by My Name (Christian), will humble themselves, and pray, and seek My face, and turn from their wicked ways; THEN will I HEAR from heaven, and will FORGIVE their sins and will HEAL THEIR LANDS." My how our church people love to mouth those words, but Christians, including their leaders, are few and far between, who are willing to "stop doing their own thing," whatever that may be, to obey God. Must the White Christian people of Canada and the United States be driven to their knees, and have their noses rubbed in the dirt, before they will "listen to our God, obey, and be saved, both spiritually and physically?"

SOME ADDED THOUGHTS FROM THE BIBLE REGARDING MULTI-RACIALISM!

The Bible, which forms the truth foundation of the Christian faith, in no place teaches the amalgamation of the races. Instead, it teaches, in clear language, that God was the author of racial separation, and that He originally (Gen. 11:1-9) scattered the races when they attempted to unite, and sent them across the face of the earth, each to an appointed place.

If God had wanted the earth to be one big "chocolate blob," don't you sort of believe He would have created them that way in the first place? He must have had a good reason for having different races, and knowing He had a reason, who are you and I to question it? It
is interesting to note that of all living creatures, man is the only one who seeks to break God's law of "kind after kind".

In promoting and defending the mixing of the races, ministers of the Gospel, including Dr. Billy Graham, put themselves firmly on the side of God's enemies.

It has been the Jewish-led forces of Secular Humanism, which have "brainwashed" our people into disobeying God's Natural Law, and which are determined to destroy the God-given and ordained entity of racial differences.

There should be little amazement on our part, when we see this happening in such apostate bodies as the World and National Council of Churches, for their religious leaders for the most part have rejected the authenticity of the Bible and have opted instead for two Humanist errors, "Evolution" and "Modernism." The so-called Higher Criticism of the Bible, which came out of Germany over a hundred years ago, emanated from Jewish circles and came from Jews who had confessed to be Christians, but who by their actions proved their loyalty to Judaism. Many of these men taught in the seminaries of Europe, in a day when aspiring American clerics went to European seminaries to gain added religious prestige. There were Jews such as Straus, Hetzig, Kachne, Wellhausen and Ervald, who began to question the Bible and attempt to destroy its authority.

As a consequence, millions of professing Christians in the denominational churches of England, Canada and the United States, have "stumbled over their faith," while their "brainwashed and subverted" clergy preach a poison theology based on Jewish inspiration, and according to Jewish plans formulated centuries ago.

We can expect this from liberal Christianity. But when we see Fundamentalists and Evangelicals alike, beginning to espouse this un-scriptural heresy, then there is "all hell to pay!"

The Fundamentalist world loves to maintain that God's love breaks down all barriers, and we are told that Christians MUST love their neighbors. True! God's love does break down barriers of worship, but not barriers prohibited by His law. In no place can we find even the slightest hint, that God's love allows the breaking of His law. And His law of "kind producing after kind," is as strong, as that of Gravity or the Law of Harvest. These Laws were not done away at Calvary, no matter what your pastor says to the contrary. He still preaches against "sin," doesn't he? If not he is an apostate! But the Bible tells us in 1 John 3:4, that "SIN is TRANSGRESSION (breaking) of the law." So if there is no more Law, as your pastor teaches you, then there can be no more sin. Yet we see the results of it about us every day.

It is not God's Gospel, but the "universal solvent of liberal mythology" that washes away all distinctions between men and says they are all alike. Any doctor, or scientist knows differently, even their blood corpuscles are not alike.
A Christian is to respect people outside his ethnic group and try and live at peace with them. But this respect and peace can only flourish as people are willing to acknowledge the differences between them and uphold these distinctions and develop their own unique talents. It is only as we try and become something we aren't that we run into trouble. It is natural for "kind to seek kind." I have lived or traveled in 34 different countries, and lived on three continents, everywhere I went, I saw men and women as they gravitated to their own kind.

I say that it is unnatural for Black people to want to attend White churches, unless they have been led to believe this is the right thing to do, by the same people who are destroying them.

Jesus told the Judeans not to despise the Samaritans, but nowhere can you find where He encouraged inter-marriage. One cannot truly love a person of another race by ignoring the differences between them and pretending they are the same. We destroy the very uniqueness of race when we do this, and of course this is exactly what the "destroyers" want us to do. To refuse to acknowledge racial differences is to live a lie, and genuine goodwill cannot be built on a foundation of falsehood.

The "long term" plans of Judaism can be found in the Protocols of the Learned Elders of Zion and in spite of the fact that both Jews and their Zionist Christian prostitutes scream that these Protocols are a "forgery," International Zionism has been following them as though they were a "blueprint." One of these says: "We have got our hands into... education and training as being the cornerstone of free existence." Think about that statement for a moment, then take a long hard look at the Education System of modern America. From the time of John Dewey the father of modern education, our education system has been deliberately mis-directed and we have witnessed the destruction of the Primary and Grammar schools, which were at one time the foundation of our education system. It was here that boys and girls learned the rudiments of the "three R's" which are basic to a good education. Here they were taught the difference between right and wrong; they were taught to love their country and its leaders. Today we see the education envisioned by John Dewey and his disciples, as they turn out millions of controlled robots, who would not think of questioning the State and when "told to jump", will ask: "How high?"

Teachers, like preachers in this modern world have been thoroughly brainwashed by the time they get their teaching certificate and are taught not to do anything which is "politically improper," which happens to be what the masters want. All of them pastors and teachers alike have been immersed in the cauldron of "Secular Humanism," and come out "well done One World candidates." Mis-named progressive education methods have resulted in college graduates who cannot read, and who are like the men described by the Apostle Paul in 2 Timothy 3:7, as those who are "Ever-learning, but never able to come to the understanding of the truth." We can see them by the thousands in such places as Washington, D.C. and our State capitolts, with strings of degrees behind their name, but unable to use "common sense," when dealing with national and state problems.
Instead of prayer and Bible reading in our schools, we see the teaching of vivid sex education, where teachers hand out condoms in the name of "safe sex," and where an American Rabbi proposed "sex rooms" in high schools, so the students could practice what they had learned in Sex Ed. And we wonder why America has "gone to hell!"

Could it be because America has begun to practice the perversions of Judaic Talmudism?

School leaders, Superintendents and Principals are chosen, as the PROTOCOLS SUGGEST: "with strict regard to their capacity for servile obedience." Most teachers and educators will resent this, yet it is true nevertheless. Those "gurus" at the top of the education heap know this to be true, and have been practicing this deception for many years. Today, education has become a corrupt system for mismanagement and misleading our youth, to prepare them for the servility necessary for their NEW WORLD ORDER.

The "blockheads" who show themselves most ready and willing to absorb the nonsense and filth fed them from above will be the ones who are promoted and advanced in the system. Success in education these days, is like that in politics and depends on subservience to all the destructive policies of "The Hidden Hand," of international Jewry, or as the PROTOCOLS state: "Above all let us get control of education, by this means we spread the ideas that are useful to us and shape the children's brains as suits us."

A few years ago, while lecturing in a high school in Texas, I came across a first grade teacher's handbook, written by a radical Jewish child psychologist named Paul Bradwein. In the introduction it said: "The children come to school insane, from what they have been taught in their homes and churches. Your task is to break down these erroneous ideas and once you have done this, you can begin to prepare their minds to become the International children of the future."

Thank God, this book was removed from the Texas school system by some parent's who appointed themselves as "watchdogs" over their children's welfare and were led in their efforts by two patriots named Mel and Norma Gabler.

One of the major tools which has been used is the "man from monkey myth - the Theory of Evolution." That is all it is, a theory!

The PROTOCOLS spell out this plan for the destruction of Christianity, stating: "Think carefully of the successes we arranged for Darwinism (evolution) . . To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had on the minds of the youth of the goyim by rearing them in principles and theories which are known by us to be false, although it is by us they have been inculcated... We also rob them of their faith in G-d . . . only years (written about 1900) separate us from the moment of complete wrecking of the Christian religion."

A copy of this document was placed in the British National Museum in 1906. Most of it has been prophetically fulfilled, although as I have said before, both the Jews and their Christian "stooges" claim it is a forgery. Always remember, in order to have a successful
forgery, you **MUST** first have an original, and the forger tries to immitate the original as closely as possible, in order to fool his victim.

The New York Jewish lawyer Henry Klein, writing in his book **ZIONISM RULES THE WORLD, and A JEW EXPOSES THE JEWISH WORLD CONSPIRACY**, wrote concerning the Protocols: "The world plan of the Jewish Sanhedrin - the heads of Zionism who desire to control the world - led by the Rothschilds and the Rockefellers... The Sanhedrin controls all sources of information. No large newspaper is free from Zionist control. Every large radio and TV chain is under their control... every system of education and religion is under control.

Intelligent, knowledgeable people have known for centuries that wars are not conducted just with martial weapons of death, and destruction, but with ideas, words, films, and even music. In fact through propaganda which is used in every medium which can reach the human mind.

World Zionism/Communism has refined propaganda to a fine and deeply cynical art, which can be described as "brainwashing," or better yet, "mind control."

Some of these techniques are revealed in a Communist textbook titled **BRAINWASHED: A Synthesis of the Russian Textbook on Psychopolitics.** (The English version with my comments is available.)

This book, which was the Communist "blueprint" for the takeover of America, spells out the methods which Communist agents use to "alter the loyalties of American citizens, especially the youth."

Needless to say the plotters do not want American Christians to know that "false sciences" are being taught in our controlled education system for the purpose of "controlling the minds of our people."

During the Korean War (1950-1953) the term "brainwashing" was coined. The Red Chinese had a more accurate term for it. They called it "thought control, or mind control." It was the method whereby the Communists had captured the minds of China, a nation with hundreds of millions of people. Edward Hunter, one of the experts in this field said that "Knowledge of brainwashing is the best vaccination against it."

As we have seen, a great and secret war is being waged in the nations of Christendom, against Christ, Christians and White Christian civilization.

A Communist author once wrote: "Books are weapons in this war of ideas." This is one reason the Zionists have made such a strong effort to control our education system.

In 1936, a group of 47 "hand picked" American college students (45 of them were Jews), were sent to Moscow to study at the Lenin School of Psychopolitical Warfare, a branch
of the University of Moscow. They were to be taught the techniques we saw put into effect on college campuses during the Vietnam War.

They were welcomed by Laventria Beria, at that time head of the Soviet K.G.B. In his opening address, he said, among other things: "Use the courts, use the judges, use the Constitution of your country . . . Do not stint in your labor in this direction, and when you have succeeded you will discover that you can now effect your own legislation at will . . . make the Capitalist himself, by his own appropriations, finance a large portion of the quiet conquest of the nation."

In 1937, this book was brought to America, where it was taught at the Eugene Debs Labour School, 113 East Wells St., Milwaukee, WI. Here communist leaders trained cadres of communists in all phases of psychological and physical warfare for the destruction of America and our Christian civilization.

This book reveals how through "the scientific approach (evolution) . . . man must be degraded from a spiritual being to an animalistic reaction pattern... Religion must become unfashionable by demonstrating that man is an animal. We have battled since the turn of the century to bring to nothing any and all Christian influences and we are succeeding... We must destroy all faiths in a nation marked for conquest (all but Judaism, naturally) . . . you must work until religion becomes synonymous with insanity." A little later they say: "Any man who cannot be persuaded into Communist rationale is, of course, to be regarded as somewhat less than sane... therefore a good and experienced psychopolitical operator working under favorable circumstances, can, by the use of our technologies, alter the loyalties of an individual so deftly his own companions will not suspect they have been changed . . . The end goals in such a procedure would be the alteration of the loyalties of an entire nation by mass neo-hypnotism." This is what they have attempted to do through our education system, and adroit manipulation of the media.

This book clearly shows that their main attack is against our youth. Here is what they say on page 26- "In rearranging loyalties we must have a command of their values. In the animal man, the first loyalty is to himself. This is destroyed by demonstrating errors to him, showing him that he cannot remember, cannot act, cannot trust himself. The second loyalty is to his family unit. This is destroyed by making a family unit economically non-dependent, by lessening the value of marriage, by making an easiness of divorce and by raising the children wherever possible by the State. The next loyalty is to his friends and local environment. This is destroyed by lowering his trust and bringing about reportings upon him allegedly by his fellows or the town authorities. The next is to the State, and this is for the purpose of Communism, is the only loyalty that should exist. To destroy this loyalty, all manner of forbiddings for youth must be put into effect, so as to disenfranchise them as members of the State . . . Under the saccharine guise of assistance to them, rigorous child labor laws always are the best means to deny the child any right in society. By refusing to let him earn, by forcing him into unwanted dependence upon a grudging parent, by making certain that parents are always in economic stress, the child can be driven in his teens into revolt, and delinquency will ensue. Then by making readily available drugs of various kinds, by giving the teenager alcohol, by praising his
wildness, by stimulating him with sex literature, by advertising to him or her practices taught in Sex Education (safe sex for instance), the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness into which can then be sent. . . the solution of Communism."

If you can't see this happening with this generation of youth, and the one which preceded it, it is because you have deliberately buried your heads in the sand of indifference and apathy.

Here is their policy, built on Talmudic standards, and practiced by world Zionism: "Obedience is the result of force... Concurrent with force is brutality. . . The most barbaric brutal, unrestrained use of force, if carried far enough invokes obedience. Savage force, sufficiently long displayed towards an individual, will bring about his concurrence with any principle or order.

"If you would have obedience you must have no compromise with humanity. If you would have obedience you must make it clearly understood that you will have no mercy. Man is an animal. He understands in the final analysis, only those things a brute understands." This is Talmudic-Communist philosophy, which can be seen in operation today, within the mini-state of the Israeli in Palestine, as they practice against their neighbors.

Although this book was written 57 years ago the Zionist world conspiracy has made tremendous strides since then, aided and abetted by the religious traitors in our churches, who have been promoting Christ's worst enemy.

It was by means of the teaching of the Theory of Evolution in our schools, that man has been reduced in the thinking of many to the status of a "higher animal," but an animal nevertheless.

It is not my purpose to go into this theory in this book, but to show you how it has been used as a tool of the enemy to destroy our people.

Sir Cecil G. Wakley, Past President of the Royal College of Surgeons in London, in the foreword of a book CREATION OR EVOLUTION by Prof. H. Enoch, sums it up very well: "There is no evidence scientific or otherwise to support the Theory of Evolution, yet it is taught in our universities, schools and colleges." Why? Because we as Christians have fallen down on our duty to the King and have "become the salt which has lost its savor," (it's ability to act as salt and hold back corruption.) (Matt. 5:13).

Instead of actively corn batting evil, the majority of Christendom have taken refuge in their comfortable, air-conditioned spiritual "foxholes", while they folded their holy hands in prayer, asking God to Rapture them out of the mess which was caused by their apathy. Shame on us! It's no wonder America is going to hell faster than at any time in our history, while our church rolls gain in number, our Christian influence becomes weaker, and God's enemies triumph!
Most of us have at one time or other seen the GOD IS DEAD! signs. But let there be no doubt in your mind - GOD IS VERY MUCH ALIVE! Right and truth will win in the end. The question is, how many of our Christian people will perish before they are willing to "listen to the truth, obey, and be saved both spiritually and physically?"

All the forces of evil, all the subterranean powers of International Zionism will fail, and the plans of evil men and their religious stooges will founder. Because our God is still on the throne, and as His enemies rage, and imagine vain things, and take counsel against the Lord and His anointed, "He that sitteth in the heavens sh all laugh. The Lord will hold them in derision (contempt). God says to such (Zephaniah 1:18) "I will bring distress upon men, that they shall walk as blind men, because they have sinned against the Lord; and their blood shall be poured out as dust, and their flesh as dung. Neither their silver nor their gold will be able to deliver them in the day of the Lord's wrath; but the whole land shall be devoured by the fire of His jealousy: for He shall make a speedy riddance of all them that dwell in the land." Think about that, you billionaire Zionists; think about that you "pastors for gain." Those of you who seek popularity with man, rather than obedience to God. Listen to Isaiah 34:5,8- "For My (God's) Sword shall appear in Heaven and shall come down on Edom (false Jews - 'those who say they are Jews and are not, but are of the synagogue of Satan.') dooming that accursed race . . . For it is the day of the Lord's vengeance, and the year of recompense for the controversy of Zion."

So as the storm clouds gather, the lightening flashes, and the thunder rolls, these should be days of rejoicing for those of us who love God and honor the King. For He has promised: "When these things (wars, famines, pestilence, earthquakes, etc.,) begin to come to pass, then LOOK UP, and LIFT UP YOUR HEADS: for your REDEMPTION draweth nigh." (Luke 21:28). Hallelu'Yah!
A Warning

A VERYIMPORTANT TIMELY MESSAGE FOR AMERICAN CHRISTIANS

Evangelist. Author, Lecturer

"He that hath ears to hear, let him hear," (Matt. 11:15)

Titus 1:16 - "They profess that they know God; but in works they deny Him, being abominable, and disobedient, and unto every good work reprobate."

Isaiah 65:15 - (Speaking to the Jews) - "And ye shall leave your name (JEW) for a curse unto my chosen: for the Lord God shall slay thee, and call His servants by another name. "

(CHRISTIAN).

On May 14, 1948, following years of Zionist pressure on both Britain and the United States; pressure which resulted in both World Wars, the bastard State of Israeli was born in Palestine. The cost of this Jewish State to America and other nations of the Western Christian world has been incalculable in both money and lost prestige.

Palestine was literally stolen from its rightful owners by a money hungry, greedy, amoral group of International gangsters, calling themselves Zionists.

The Palestinians who had owned this land, had occupied it for almost 1800 years. They were murdered, driven from their homes and the land was raped and pillaged by Jewish terrorists, of which not the least, was the man who now leads the Israeli, Manachem Begin.

This unhappy land was stolen with the full consent of the American Government, and of a "brainwashed" people, who have poured billions of dollars into this unholy project in direct loans, food, war supplies and other forms of aid.

It was the powerful Zionist Banking Cartels, using the power of the Jewish controlled media in the United States, that pushed America into both World Wars -wars in which white Christian fought against white Christian, while the Jewish bankers sat back and grew fat on the suffering of the whole world.

It has been well said, by Jews themselves: "Wars are the Jews harvests!" After World War I, Count Mensdorf, the Jewish Ambassador from Austria to London, publicly boasted that the Jews had caused that war, just as they had brought about the Communist Revolution in Russia. He topped his boasting by saying: "World War I was our supreme revenge on the Christian World."

In spite of the billions of dollars of American aid, this Jewish State is now in a shambles. They have the highest tax rate and inflation rate in the world, and have admitted officially, that without American aid, they would cease to exist.

They are world parasites, who cannot exist without outside aid, and more Jews are leaving this "miserable sandbox" than are coming in!

Why is it that for forty years, the fundamental and conservative churches of America have backed this enemy of God and Christian it's? Why have they unleashed an unending flood of messages from their pulpits, trying to convince their people that the Jewish State of Israeli is indeed the fulfillment of Bible Prophecy? It is almost as though they believe God needs their help in order to prove His prophecy true!

Today, every preacher of prominence, trumpets over the air waves, that the gathering of the Jews in Palestine is the fulfillment of prophecy, and that we are living in the Last Days, that this is the final generation proceeding Christ's return and that soon, very soon, Jesus Christ will return secretly, to Rapture His people out of this world, before the time of Jacob's Trouble descends on the Jews and
this old sin sick world.

So strong has this preaching become in fundamental circles, they will tell you, without batting an eye, that the "last generation" of Matthew 24:34, can be dated from the creation of the Israeli State on May 14, 1948.

According to their predictions, a generation is forty years, which means that Christ MUST come back before May 14, 1988. Then of course, we must take into consideration the Seven Years of World Tribulation which would mean that the secret Rapture of the Church should take place in May 1981.

Some radical fundamentalists even set dates, contrary to what Scripture teaches. I have before me, a letter written by Bill Maupin, President of the Lighthouse Tract Foundation of Tucson, Arizona, in which he says: "We originally thought that June 28th was the day of the Rapture, but the Lord showed us that we failed to see the 40 day's after the flood came for Noah in which the ark was lifted up. It was not until the end of these 40 day's that the ark reached its destination in the clouds; but we did not see this as applying to the Church in these days... The Bible makes it clear; however, that we can know the day of Jesus Second Coming..."

He then goes on with his explanation of Matthew 24:3-32 and says: "...The Fig Tree is Israel being restored the second time as a nation. All the people who have responded to the national coverage we have received concerning the Rapture, believe that the Fig Tree is the restoration of Israel, and that a generation is 40 years. So we will explain how we arrived at August 7th as the Rapture date..."

Matthew 24:36, Jesus Christ speaking, says: "But of that day and hour (Christ's return) knoweth no man, no, not the angels in heaven, BUT MY FATHER ONLY!" (Emphasis added.) Maupin then goes on to explain that this verse does not refer to the Second Coming, but to Israel's restoration as a nation, as it was fulfilled on May 14, 1948.

If his explanation on Israeli is as false as his explanation on the Rapture, then we know he is a false prophet. August 7th has come and gone and Bill Maupin and His "brainwashed" followers are still here!

Now I'm not telling you this to poke fun at these sad people, but to give you an up-to-date example of how 40 to 50 million Christians have been "propagandized," "brainwashed," and "mislaid," by the Jewish fables which Paul warns us about in Titus 1:14 - "Not giving heed to JEWISH FABLES, and commandments of men, THAT TURN FROM THE TRUTH." (Emphasis added.)

The United States Congress, for the most part, and several Presidents going back as far as Woodrow Wilson, pressured by millions of misled Christians, and a generation of "con artists," who have become "prostitutes" of Zionism, standing behind the protection of their pulpits, have assured the "synagogue of Satan. (Revelation 2:9), of the Jewish State in Palestine, of their unending support.

Recently I sent a letter to all 100 Senators, deploiring the Zionist pressure in Washington that has often led to practices which are not beneficial to this country. I received this answer from Sen. Gary Hart of Colorado, one of the Zionaplites: "It is vital for you to understand that American security is integrally linked to that of Israel. We have a vested interest in Israel's stability... Politically Israel is a true democracy."

(Isn't this strange, when you must be a Jew in order to be a citizen?) He goes on to say: "Strategically, we cannot afford to abandon our national commitment to Israel."

But what about our commitment to the Arab countries of the Middle East, who for many years, because of their religious belief, have been staunchly anticommunist and friends of this nation? Are we to abandon them?

Why is it that intelligent, Christian leaders, such as Dr. Jerry Falwell are committed to a "no questions asked" support of Israeli policy, when they will not listen to any facts or arguments which
may prove their stand to be wrong? Is it just intellectual dishonesty, or some thing even more disturbing?

Recently, Dr. Falwell refused to meet with a group of Arab Christian leaders who wanted to tell him their side of the story. This hardly seems like the actions of a "man of God.

This has been one of my "pet peeves," in dealing with fundamental preachers. (I was one for eighteen years, so I know whereof I speak): You will not find one out of a hundred who are intellectually honest enough to look at any facts which differ from what they teach. They will not even consider Scripture which proves they are "wrong. Recently one wrote to me: "The Bible is not hard to understand a Jew is a direct physical descendant of Abraham, and that is all there is to it. Nothing can change that, and any other interpretation is it not of God." The Bible says nothing of the kind! Does this individual actually believe that Sammy Davis, Jr. is a physical descendant of Abraham? Yet he's a Jew! The great majority of people we know as Jews today, have absolutely nothing whatsoever to do with Abraham. (Read Jack Mohr's article "Myth Information")

The purpose of this message is to tell you about "the other side." We have been so "brainwashed" by Pro-Zionist propaganda in this country, that very few Americans know, or even care about the Arab side of the story. It is my purpose to tell you that. (And by the way, I am not being subsidized with Arab money for doing this; I'm financing it myself, because I believe you deserve to know the truth.)

Most American Christians, unfortunately, are anti-Arab in their feelings. To them the Jews are God's Chosen People; Jerusalem is God's Holy City, and Palestine is God's Holy Land! It was a sign of God's favor, these preachers will tell you, when Gen. Allenby entered Jerusalem during World War I and liberated it from the Turks, without firing a shot.

Most Christians inherit these ideas from their Sunday School training and are often shocked when they visit Israel, to see Sabra girls in short shorts and bikinis, water skiing on the sacred waters of the Sea of Galilee. Very few Christians realize that we are closer to the Arab Moslems in their religious teachings, than we are to the Jews. At least the Moslems recognize and teach that Jesus Christ was a great prophet; the Jews spit when His name is mentioned and call Him an "illegitimate bastard."

When you visit Israel on the Israeli side, as most Christian tour groups do, expect to be inundated with pro-Zionist propaganda. Recently, Dr. David Webber of the Southwest Radio Church, in Oklahoma City, a leading Pro-Zionist preacher, advertised a trip to the Holy Land, in which the chief commentator was to be the Rabbi of the Jewish synagogue in Jerusalem. Come now, do you think he will tell the truth about Zionism, when he knows it would turn his Christian audience off?

When you go to the Arab side, you will find things vastly different from what your pastor, the Jewish controlled newspapers or TV have told you.

So I challenge you as honest, fair-minded people, before you make up your minds, be honest enough to find out that the vast majority of people we call Jews today, have no part with Abraham and their ancestors never set foot in Palestine. This has been confirmed by many Jewish sources. I would like to call your attention to a startling book, THE THIRTEENTH TRIBE, written by the pro-Zionist, Jewish author Arthur Koestler. Then go a step farther and check with those people who have been to the other side of the Jordan.

One thing you can be sure of. If you criticize a Jew about anything, you will immediately find yourself wearing an "Anti-Semite" label. You can speak out against most anything or anyone, but never a Jew. Horace Mann, the great American writer once said that truth never needs to hide itself. If an issue is right, it does not seek to hide what it is doing. Zionism, yes Judaism itself, seeks to cloak its evil intentions behind a facade of deception, unfortunately often sponsored by Christians.

I am going to try and show you some of the "other side." Then as an intelligent person, you should be able to draw your own conclusions, without having to be coached by a "brainwashed" preacher.
Dr. A. C. Forrest, author of the Canadian Best seller, THE UNHOLY LAND, looking at the Arab side of the story, came under intense Jewish pressure when the book was first published. He was picketed and even physically threatened by the Anti-Defamation League and the Jewish Defense League. But there were a few courageous book reviewers, who incensed by Jewish pressure against the truth, gave Dr. Forrest a good review. A Winnipeg book salesman asked Dr. Forrest: "Do you know who is buying your book in Montreal?"

To which Dr. Forrest correctly replied: "Your Jewish customers!

This excellent book, published by The Devon-Adair Company of Old Greenwich, Connecticut, should be read by every honest Christian, especially the pastors, before they give their "total approval" to the Zionist Israeli.

Dr. Forrest is well-known in Canada as a Christian gentleman who has been outspoken on controversial issues concerning the Church. For fifteen years he was Editor of the UNITED CHURCH OBSERVER and wrote a syndicated news column for over 20 years. He was strongly pro-Israeli, until he visited the Arab side and found out the truth for himself. He proved the truth of Horace Mann's statement: "Truth does not need to hide itself!" I wish to thank him for many of the ideas I have tried to incorporate in this brief message.

Strangely enough, there have been Jewish intellectuals who have gone to the Arab side to learn the truth. We Christians need to recognize the courage of these men who have been outspoken in their condemnation of the Israeli rape of Palestine. They are men like Berger, Menuhin, and Alfred Lilienthal. In Lilienthal's monumental book THE ZIONIST CONNECTION, he states: "I would not be surprised to find that some of my Christian readers have more claim to Palestine than Menachem Begin." This is certainly true, for Begin is not a Jew by race, but his ancestry centers in the heathen Turco-Mongolian Khazars who were converted to Judaism in the 8th Century.

When you cross over the Allenby Bridge from East Jordan into Israeli occupied Palestine, you immediately move into a world of terror and brutality. There are thousands of frightened refugees living in this area. Often, when Jewish authorities feel they have given aid or comfort to the feydeen, the "Freedom fighters" of the Arab cause, they will give the inhabitants ten minutes to pack up and get out, then dynamite all the houses in the area.

Today, the rotting carcasses of domestic animals, furniture and personal belongings lie buried beneath the rubble.

The Israeli police exhibit the same brutal, inhuman characteristics of the Soviet KGB. Well they might, since the KGB was organized by Russian Jewry and was staffed by them in its beginning, during their persecution of Russian Christians.

The shores of Galilee, a Gentile area during Jesus' days on earth are now occupied by Jews. The original Arab inhabitants were driven out in 1947 - 48. Many of these refugees lived on the Golan Heights, until they were driven eastward again during the 1967 war. These people are two-time losers to Jewish greed; no wonder they hate the Jews.

This is a strange land. The Jewish authorities call it a democracy, and Jews from anywhere in the world can come here and become instant citizens; but the Arabs, whose ancestors have lived here for thousands of years, are not permitted to return to their own homes. As I mentioned earlier, another strange phenomenon, is that a vast majority of the Jews living in Palestine, have no Jewish blood flowing in their veins.

Many American Christians have been misled by Jewish propaganda into believing that the refugee problem has been taken care of by the United Nations and that the Israeli authorities have allowed the Arab refugees to return to their homes. But North Americans, and Europeans to a lesser extent, have not been getting the facts from their news media and their pastors. This makes sense when you realize the strong Jewish control over all news media in the United States. In addition, many of our churches have become "propaganda belts" for Zionism. If you don't believe this, try and get an
ANTI-ZIONIST LETTER TO THE EDITOR, published in any of our major newspapers.

It is not that the truth is unavailable, for Arab Christian refugees have come to America with pitiful stories. But they are not accepted by our clergy, who will accept nothing but the Jewish side of the issue. Even when shown how un-Scriptural their stand is, they will not budge from their pro-Zionist stance.

The Zionists are extremely clever in presenting their side of the story. A documentary will appear on NBC or CBS (both Jewish owned), showing Arabs returning to their old homes under the benevolent protection of the Israeli police and Army. But the American audience is not told that the hundred or so Arabs seen moving into Israel, are paid performers, while at the same time 600 Arabs have been evacuated.

Whenever you become honest enough to face the facts, you must admit that the Israeli are thumbing their nose at the United States and the rest of the civilized world. They cannot be trusted as an ally, as Sen. Hart said, for you can always expect a Zionist, including their Congressional stooges, to put Zionist interests before the interests of the United States.

The Jews are the only people in America who can legally have "dual citizenship" in both Israeli and the United States. It has been proven, over and over again, that when the "chips are down," a Zionist will always put Israeli first. Many of these Jews have become wealthy in the United States. They have risen to places of importance; they have no intention of moving to Israeli. Yet their first loyalty is to the Israeli State. I say these people should be deported to Palestine. If they do not want to give support to the State which is providing for them, then they should be sent elsewhere.

In the NEW YORK REVIEW for July 1967, the Jewish intellectual, I. F. Stone wrote: "The path to safety and greatness lies in reconciliation. The other route ... leads to new perils. The Arab population no" in the conquered territories makes guerrilla war possible within Israel's own border's and externally, it deepens the enmity and tensions arise ... both sides, will by one means or another obtain nuclear weapons for the next round." Remember, this was written 14 years ago.

We know the Israelis have nuclear weapons and on the basis of past actions, we can be sure Mr. Begin will use them if he believes they will benefit Israeli. He would rather see the Israeli destroyed and the world devastated by nuclear war, than to give an inch to the Arabs he hates with a fanatical hatred. Yet in spite of this danger, our foolish Christian leaders continue to back him.

What will it take to wake America to the dangers we face? Especially, what "ill it take to wake Christians up? We know that plans have already been made to put American troops in the Sinai. This means, in case of war, we will be involved from the first.

If the little Hitler of the Israeli is the first to use nuclear weapons, we as her allies could expect to be hit in retaliation. What would hd fon then?

Can you visualize the scenario as millions of homeless, starving, half-mad hordes who have survived the holocaust will be roaming over America in search of food, loot and someone to blame for the pitiful state they are in. Who do you think they will blame? It will not be the politicians who are safe in their hideouts in Washington, of this you can be sure. It will be the American Jew and his Christian counterpart, who prostituted themselves for a foreign, anti-God country and who gave the Israeli their full support and cooperation. The wrath of the angry mob will fall on those who have backed our enemies and called them God's People. The sad thing, preacher, is your congregations, whom you have led astray by your false teachings, will suffer too.

As for the American Jews - if this should happen; then they will pray for some strong "anti-Semite" leader who can control the angry mobs! But alas! There will be none! For the Anti-Defamation League and the Jewish controlled American Civil Liberties Union, have been busy for forty years, destroying these men, as fast as they have hit the American scene. The Jews in America will be subject to things which will make Nazi Germany look like a picnic by comparison.

You see, the entire Fundamentalist "fairy tale" is built on the false foundation that the present
Zionist State in Palestine, born May 14, 1948, is the rebirth of Biblical Israel and that the anti-Christ Jews who are now gathering there, are the Israelis of the Bible.

But let me reiterate. The Jews are NOT God's Chosen People. They are NOT Israelites. They are NOT the seed of Abraham through Isaac and they have no legitimate claim on the land of Palestine. This Israeli State in Palestine, is NOT the Promised Land of the Bible. Once you understand this, then you will understand why the Jews act as they do.

If there was only one verse of Scripture available to prove this, it could be found in John 8:33. In verse 32, Christ has told the Jewish leaders: "If you would know the truth, the truth shall make you free." In verse 33, these Sanhedrin leaders boastingly say: "...We be Abraham's seed, and were never in bondage to any man..." In other words, they publicly admit they are not Israelites.

Any Sunday School teacher will tell you that the Israelites were in bondage in Egypt. Yet in this passage, the Jewish leaders are telling our Lord they have never been slaves. This should tell any honest Bible student that they could not have been Israelites. Our Lord went on to tell them in verse 39 of this same chapter: "If ye were Abraham's children ye would do the works of Abraham..." (vs. 41) "Ye do the deeds of your father..." (vs 44) "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar, and the father of it." Then in John 10:27, listen carefully now: "But ye BELIEVE NOT, because ye are NOT MY SHEEP." (Emphasis added.) Now who are you going to believe, your pastor who calls these "devil worshipers" God's Chosen People, or our Lord who plainly says they are "chilan. of Satan?" With this scathing denunciation of the Jewish leaders, it's no wonder that modern Jewish Rabbis have said: "There will be Anti-Semitism in the Christian world, as long as the Gospel of John remains in the New Testament. You can just bet your life on that!

Yes, the Israeli (not Israel) is the "fig tree" your pastor tells you about all right, but it is a barren tree with leaves, but no fruit (Matthew 21:19). This is confirmed in Luke 21:29-33. The bandit State of Zionist Israeli has never borne fruit and it never will. The "false Jews" who are gathered there will be destroyed in fulfillment of Luke 19:27, where our Lord said that in that day, the day of His wrath upon this earth, He will say: "But those mine enemies. which would not that I should reign over them hither and slay them before Me.

Many of the Russian Jews who went to Israeli, have left there for the "good life" in the United States, yet they have never embraced Christ and they hate Christianity. I had a Jewish man tell me: "Don't feel so smug about Jewish people being converted to your religion. Many of us become Christians in name only, so that we can spy on you. Your Christian churches are loaded with Jewish undercover agents. We know everything you do."

These Jews who have come to America from Russia via Israeli, have often proven themselves to be Communist agents. Look at the names of those who have proven traitors to this country in the past sixty years. They exhibit none of the characteristics of "true Israel." Their Bible is the Satanically inspired Babylonian Talmud, not the Laws of Moses; their God is their money and Satan. Their temple is the synagogue, which came into being while they were in Babylon. It was never given by God. Their self-admitted ambition is to rule the world and to destroy the Christian Church and State.

A well-known Jewish writer once admitted: "The Jewish plan for International Economic control is nothing less than the Sovietization of tire United States by stealth. Its whole trend is toward the dictatorship of Trusts and Combines: towards regimentation and standardization.

Godwin Smith, Jewish Professor of Modern History at Oxford University, stated a hundred years ago (1881) - "We regard our race as superior to humanity, and look forward. Not to the union with other races, but to our triumph over them." They would like to see white Christians destroyed by the mongrelization the" so ardently push everywhere, except in the State of Israeli.
The Jews as a race, have used their considerable influence to bring about divisions between kindred people. Today, on every front, International Jewry is pressing towards their goal of exterminating white Christian civilization. If you are a Christian, remember, you are their number one enemy, no matter how friendly they may appear.

Today, there are very few Christians who are walking with the "historic Christian church; "who have their faith anchored on the solid Rock, Christ Jesus. Why this terrible accusation? Because we have allowed our seminaries to become subverted by Jewish teachings; our translations of the Bible have been influenced by Jewish Bible scholars and the vast majority of our pastors have become "Zionist prostitutes," who have accepted the Jewish fables of Titus 1:14, which "turn from the truth!"

But let's get back to the Arabs and look at some of the popular misconceptions which have been planted in Christian minds by the Zionist propagandists.

1 - "Israeli is a poor little nation surrounded by hostile Arabs." This myth has been enlarged to where we have been told: "There are only 3-million Jews and 100-million Arabs; all of whom want to drive Israeli in to the sea." But do you remember "little Japan," in the 1930's and what she did to giant China? Do you remember your history of the Nineteenth Century, when a little Island Kingdom called the British Empire, controlled most of the world?

When the "Six Days War" began in 1967, the Israeli were in much better position to fight than their Arab neighbors. They had more trained soldiers and better equipment; furnished by the United States, at the expense of our own military structure. As in World War II, when Lend Lease aid went to Russia on a priority basis, while Americans died on the atolls of the Pacific for lack of equipment; so in 1967, military equipment went to Israeli which was needed for our own armed forces. It was not God who helped the Israeli win in 1967 against overwhelming odds. It was superior training, leadership and above all the all-out effort of the American people who were backing their own enemies. If the United States were to withdraw all our aid to Israeli, she would collapse within six months.

"Oh," but you say: "My pastor has told me that since the Jews are God's Chosen People, we must help them or receive the curse of God. He said the reason God has blessed America is because we have been kind to the Jews." That's the kind of "hogwash" I used to preach! But you don't have to be very brilliant to realize that God has not blessed America, since we have helped the Jews. Since we recognized the Zionist Israelis in 1948, we have seen the period of greatest decline, economically, militarily, politically, morally and spiritually. We have seen the truth of another curse, which can be found in 2 Chronicles 19:2b, it says: "...Shouldest thou help the ungodly, and love them that hate the Lord. Therefore is wrath upon thee from before the Lord." Christian, you better ponder on that verse for a while.

The crime and moral pollution which is literally swamping America in this decade, comes from Jewish sources. Don't bother to argue with me about it, just look at the names behind Secular Humanism; Sex Education in the Schools; prostitution; the dope trade; see who runs the abortion clinics, the alcohol trade. See who runs the immoral filth mills of Hollywood and the American stage; see who controls the propaganda mills of the media, radio and TV ... I dare you to look. If you do, you will find Jewish names in the preponderance.

2 - The second myth is that all the Arabs are Mohammedans and are therefore anti-Christian. Did you know that Christianity is closer to Mohammedanism than it is to Talmudic Judaism? The Mohammedans believe in one God, Creator of the Universe. They believe that Jesus Christ was a great prophet. The Jews, on the other hand say they believe in God. Jesus said they were liars. In John 8:19, our Lord said to the Jewish leaders, "...Ye neither know me, NOR MY FATHER; if ye had known me, ye should have known my Father also ... I shall go my way, and ye shall seek me, and shall die in your sins; whither I go, ye cannot come. "While most of the Arab world is Moslem, about half of Lebanon is Christian and there are over 6-million Coptic Christians in the United Arab
Republic. About one-tenth of the Arabs in Palestine were Christians, before the Jews took over that country, as were the Syrians. It has been the Arab Christians who have suffered most under Israeli brutality, just as their Christian brethren suffered under Jewish cruelty during the Communist takeover of Russia and China. The same ungodly crew were in charge in both places.

3 - The third myth is "The Israeli want peace and " the Arabs want war." This is one of the strongest arguments used by the Zionists. When Arab terrorists kill two or three Israeli school children in an attack on a bus, they scream about the dastardly terrorists; but when Israeli planes strafe and bomb Beirut and kill over 300 children and their mothers, this is an act of war. Never ever call any of Israeli's acts "terrorism," or you will be tarred with the label of "anti-Semitism." (There are no people in the world, who are more anti-Semite, than the Jews in their treatment of the Arabs.)

This same kind of falsehood is prevalent in the United States. A Christian organization, such as the Christian Patriot's Defense League, will be quickly investigated by the Bureau of Alcohol, Tobacco and Firearms, because some newspaper reporter, who has been given full access to the C.P.D.F. camp grounds and has been treated with courtesy, has written a slanted news article. The Jewish Defense League can train teenagers in the use of "fully automatic weapons," in direct violation of the law and the law enforcement agencies will do nothing about it.

Not long ago, the church of a militant, right-wing Christian group was bombed by the Jewish Defense League. A local law enforcement official had said shortly before this incident: "The JDL will take care of them all right!" "When the bombing took place, it was like pulling teeth to get the law to do anything. But let a Jewish synagogue be blown up and see what happens.

The chances are, someone from the "right wing" will be blamed; the case will be tried before a Jewish Judge, with a Jewish Prosecuting Attorney and we wonder why our system of Justice has "gone to hell."

With the exception of a few of the Arab extremist organizations, most of the Arab countries want peace with Israeli. All they ask for is a just settlement of the refugee problem. Under Menachem Begin, this will never happen. He has proven over and over, that he is not interested in a just settlement. Israeli leaders say loudly in the new's media that she wants peace, while all her actions are aimed at warlike aggression. in fact her actions speak so loud, you can't hear what she says.

There is no terrorism anywhere in the world worse than that which has been practiced by the Israeli against the Arabs. The Arabs want peace on just terms, while the Israeli want peace on the terms of a conqueror.

4 - The fourth myth is "The Arabs could have stayed in Israeli, but the Arab countries urged them to leave." This falsehood has been adequately proven over and over again by many reliable people. The Commissioner General of UNRWA, John Davis was quoted as saying: "The extent to which the refugees were savagely driver out by the Israeli was a deliberate master plan."

5 - The fifth myth is - "It would he national Suicide for the Israeli to allow these Arab refugees to remain within the country. No other authority than the Israeli General Mayan said: "Economically, we can let them return, but it is not in accord with our national aims. It would turn Israeli into a bi-national, rather than a Jewish State and we want a pure Jewish State."

Doesn't it seem strange to you, that while in the United States, it is the Jews who push for integration, inter-marriage, open immigration, and all its attendant evils, in Israeli they are probably the most segregated people in the world? Ask yourself why?

6 - The sixth myth is - "While the Arabs are terrorists, the Israeli are freedom fighters, trying to protect their people."

In the many letters to the Editor, which followed the Israeli bombing of the Iraqi nuclear plant, American Jews followed one set pattern: "We had to do it to protect ourselves from those nasty Arabs who want to kill all the Jews." Of course it is almost impossible to get a letter published which shows the other side of the story. But what is the truth about terrorism in Palestine? Without a
doubt, extremists on the Arab side have attacked Israeli villages (on land which once was theirs, don't forget) and innocent civilians have been killed. But the story doesn't stop here and most American Christians haven't been told the story of what the people they support have done. So let's look at some facts that the Zionists can't cover up.

Back at the beginning, in April 1948, two Jewish terrorist gangs attacked the Arab village of Deir Yassim, east of Jerusalem. According to International Red Cross accounts, 254 men, women and children were brutally murdered and many of their bodies were stuffed down a well. This was done by a band of disciplined Israeli soldiers, acting under orders. Begin later boasted that this act did more to frighten the Arabs than anything else they could have done. There are many more since then.

In the December 22, 1980 issue of SPOTLIGHT, the story is told of a young woman diplomat, Alexandra Johnson, who was fired from her post as an intelligence expert in the State Department, working in Israel. She was fired because she refused to doctor up reports about Israeli torture of Arabs.

In an interview with SPOTLIGHT, she revealed that she was stunned when she first arrived in Israeli, to find that MOSSAD, the dread Israeli secret service, had penetrated and subverted the American government in certain key areas of strategic concern - especially in the area of foreign relations and that Israeli and Zionist spokesmen wielded more power over United States foreign policy than American officialdom.

Miss Johnson's job was to review applications of Arabs who wanted visas to come to the U.S. She interviewed a number of them who had been in Israeli prisons, for what we would have called "misdemeanors" in this country. What emerged from her reports, was that Arabs in Israeli control, were often tortured by the Israeli, not merely to mete out extra punishment, or to elicit information, but as an instrument of official terror, to intimidate and frighten all Palestinians. She found that the Israeli used three levels of torture, from beatings, to assault on sexual organs, to the third level, where prisoners were stripped naked, hung up by the heels for long periods in refrigerated rooms, while they were subjected to sexual tortures too horrible to mention.

Alexandra analyzed and classified all this information with the meticulous precision of a trained intelligence analyst. On May 31, 1978, she sent to Washington a detailed analysis of 15 visa cases she had been investigating, in which "human rights" violations had occurred. Her dispatch was given the code name "Jerusalem 1500."

It proved to be a bombshell and immediately Miss Johnson was warned by her superior, Consul General Newlin, that this report had been leaked to Israeli intelligence sources and she could expect trouble. He told her that under Israeli law, such unfavorable information was considered to be a crime and that if the MOSSAD tried to grab her, there was very little the U.S. could do for her. She was urged to do no more "human rights" reporting. However, she followed up "Jerusalem 1500" with other cables, confirming her earlier report.

MOSSAD's reprisal was not long in coming. In February 1979, she was recalled to Washington, where under the pretext that she failed to get along with her colleagues, she was fired from a promising diplomatic career. "It is a shocking but inescapable conclusion," Miss Johnson said, "that Israeli intelligence has access to confidential and U.S. diplomatic files - including sensitive cable traffic between the State Department and its embassies abroad. It is equally evident that in matters affecting their interests, the Israelis have the behind the scenes influence to manipulate American foreign policy - even such internal affairs as the rating and firing of career foreign service officers."

In recent months, the Zionist propaganda machine has changed its stance, and instead of denying reports of torture and terror, it is brazenly acknowledging the vicious crimes which have been perpetrated by the Zionist "war machine" which will allow nothing to stand in its way of rise to world power.
Just a few more examples of Israeli terrorist tactics. June 14, 1980, Professor Yaha el Meshada, a prestigious Egyptian physicist, who had been appointed scientific director of Iraq's national nuclear research project, was bludgeoned to death in his Paris hotel suite. Zionist propagandists, writing in such American papers as the New York "Post" admit that the killing was done by a "special action" team from MOSSAD, to warn the world against helping any Arab country build a nuclear plant.

A week later, an attractive French model and party girl was lured into a limousine in Paris, only to be thrown out of the car at high speed, directly into the path of another car which swerved in order to hit her. Police called it a mystery slaying, but she was to have testified about the murder of Dr. Mershad two days later. Draw your own conclusions!

Two weeks later, in Toulon, a cab driver named Jean-Batiste Murad was found with his throat slashed. The police wrote it off as a crime of passion. But French intelligence services said that he had too much information about MOSSAD, having served with them and the Israeli terrorists were afraid he would give information to the French investigators. At that time, French President Giscard d'Estaing, called MOSSAD "a filthy criminal gang" and vowed to prosecute any Zionist agents arrested in terrorist acts in France.

But enough about Zionist terrorism!

7 - The seventh myth is that Arabs neglected the land the Israeli now have and that under Zionist care, the desert has blossomed like a rose. This of course is one of the major arguments used by fundamental preachers to prove that this is the Promised Land.

The Israeli have worked hard; they are efficient and industrious, there is no question about this. But many of the beautiful orchards now in Israeli hands, were planted and cared for by the Arabs and confiscated by the Israeli.

8 - Probably one of the most dastardly and false statements made concerning the Israeli is "Israeli is a bastion of western democracy in an undemocratic world." But let's see what an eminent Zionist leader has to say about this. I'm quoting from Golda Meir, as she appeared in an NBC radio program on June 1, 1969, over a Jewish program called THE ETERNAL LIGHT, she said: "The world will ultimately have to choose between Moscow's and Jerusalem's brand of socialism. By this I mean socialism of coercion as represented in Russia or the cooperative type as represented in Israeli.

You should understand that the Israeli are the only people in the world who have voluntarily joined Marxist communes. Millions of Russian Christians were murdered for resisting collective farming in the Ukraine. But the Israeli Kibbutz collective is a totally Jewish Marxist concept and the Jew's are the only people in the world who have voluntarily subjected themselves to this lifestyle. Mrs. Meir admitted that the Marxist Kibbutz was a uniquely Jewish concept.

To any objective foreigner who has ever traveled in Palestine and has observed the Israeli in an objective manner, they can only come to one conclusion. This is that Israeli is following the same imperialistic, expansionist, military blueprint which they used in their revolution in Russia. How many of you know that Menachem Begin was a Communist member of the Polish Army before coming to Israeli?

The Jewish writer, I. F. Stone, writing about the Zionist State said: "Israeli is creating a kind of moral schizophrenia in world Jewry. In the outside world (like the U.S.) the welfare of Jewry depends on the maintenance of secular, nonracial, pluralistic societies. In Israeli, Jewry defends a society in which mixed marriages cannot be legalized; in which non-Jews have a lesser status than Jews, and in which the ideal is racial and exclusionist." This hardly sounds "democratic," now does it?

It might interest the reader to know that Israeli Jews who are Arab or Oriental, find themselves discriminated against by Jews who have no claim to the blood of Abraham. I'm speaking of the 90%
or more of Jewry who are Russian Khazars.

While the Jew in America is behind most of the efforts towards race mixing and against discrimination of any sort, in Palestine, they practice the most rigid discrimination.

9 - Myth number nine: "The Arabs are against the Jews! But many Arabs will angrily reply to this by saying: "We are not against the Jews, but against the Zionists." Then they will point out how Arab and Jew lived together in peace for many centuries before the Zionist bandits came on the scene.

What has happened in the United States that has caused our political and Christian leaders to back an aggressive, anti-Christian government such as that of Zionist Israeli? A 38-page booklet, published in 1951 by the American Jewish Committee will give a partial answer, it states: "We supply Christian religious publications with prepared materials, articles, and stories depicting Jewish life. Through the newly created Division of Christian Education of the National Council of Churches, the American Jewish Committee and the Anti-Defamation League will jointly have an unprecedented opportunity to aid in the preparation of lesson materials, study guides, audio-visual aids, etc., for use in the educational activities sponsored by Protestant churches."

Often Jewish professors are invited to lecture in Christian seminaries and Jewish scholars have been on the consulting committees of every recent translation of the Bible. Recently, a young Jewish woman, who claims to have been a victim of the "holocaust," has been stirring American audiences with a heart wrenching account of life in a Nazi prison camp. Apparently no one has been smart enough to realize she isn't old enough to have been there.

Zionists for at least thirty years, have pressured American Christians into sharing a one-sided partner-ship responsibility with them in their imperialist adventures. They always play heavily on the fundamentalist reliance on Bible Prophecy. They have also been most successful in installing a "guilt complex" in most Christians, by heavy play on so-called Jewish persecution by Christians.

Israeli's Ambassador to the United Nations, Mr. Eban, speaking at Notre Dame University in 1955, was quoted as saying: "The homelessness, and martyrdom of the Jewish people was not only a source of international political tension; it was also a heavy burden on the Christian conscience."

Recently at a big gathering in Jerusalem, to celebrate the "holocaust," (this has practically become a Jewish holiday), Menachem Begin said: "All people of German descent share in the responsibility for the six million Jews who were murdered in Germany." I happen to be of German descent and I am angered by false statements such as this. In the first place, a little objective study will show you that it was impossible for 6-million Jews to have been killed in Germany, since there were never this many in all Europe, and millions escaped to the West. If you take Jewish eye witness accounts of the prison camps, you will find that 12-million were killed at Auschwitz alone. It seems as though at least five million of those gassed in Germany, are now in New York, drawing reparations from the German people.

Maybe we Christians should ask the Jews to pay reparations for the 34-million or more Christians, who were liquidated by the Jewish-Communist revolution in Russia. Can you imagine the hue and cry that would rise from Jewish sources, if our pastors had the guts to stand up and accuse the Jews of these murders?

Jesus Christ wasn't afraid of the Zionists of His day, the Talmudic Pharisees. He accused them in Matthew 23:35, of being guilty of ALL the righteous men who had been slain from the time of Abel's murder at the dawn of civilization.

If the Jew's want to blame all Christians for the persecutions they brought on themselves by their filthy, unrighteous actions, maybe they should be called to account and asked to explain the deaths of hundreds of thousands of First Century Christians who were killed in Jewish persecutions.

People like Dr. Jerry Falwell says that Satan hates the Jews and is trying to wipe them out. Jesus Christ called them "children of the devil," (John 8:44). Does it make sense to you that Satan would
want to wipe out his own people?

No one can accurately speculate how much support for Zionism has cost the United States in wealth, prestige, suffering and bloodshed. Yet they have shown their appreciation, by being foremost in their effort to destroy us, by destroying our youth. They have said: "We will destroy Christian youth through drugs, alcohol and sex. We will get them away from God, we will destroy their ruggedness. If we can do this to one generation, we will be able to control the country."

They have come a long way in the United States in these fields, for the Jews are the driving force behind alcohol, drugs, pornography, prostitution and their handmaiden, the "rock and roll" industry. I don't expect you to believe me, but I dare you to be honest enough to look at the names that head these industries. 90% or more will be Jewish names.

Probably the most damage to America has come from our pulpits, where tens of thousands of "brainwashed" "Zionist prostitutes" thunder in the ears of their parishioners the falsehood that the "Jews are God's Chosen People." During the Six Days War in 1967, they pointed to the Jewish victory and said: "Once again, God has protected His people, the Jews." I don't know of a one, in a major denomination, who was honest enough to say: "The Jews won because of the superior equipment America gave to them."

There was a tremendous silence from America's pulpits when the Israeli attacked our naval ship, the USS Liberty and killed 34 American sailors and wounded 76 more. The Israeli gave us a simple apology and our government bent over backwards trying to cover up this shameful incident. As intelligent people, ask yourself what would have happened, if it had been Egypt, or Syria, who had launched this attack? You know the answer to this as well as I do!

There is much conjecture as to why Israeli planes strafed and rocketed this plainly marked American ship on six strafing runs, then attacked with two torpedo boats. The Israeli version was that they mistook us for an Egyptian boat. But this is preposterous. There are many who believe the Israelis were afraid that the Liberty had recorded the fact that it was they who were the aggressors in the Six Days War and they did not want the world to know this.

But Israeli has always been protected by the Zionist prostitutes in our Congress. When Begin launched the recent unprovoked attack against Bagdad, using American equipment after he had promised never to use it for aggressive action, religious backers of the "Zionist bandits" like Jerry Falwell said: "You have the aid and cooperation of all our fundamental Christians, no matter what you do. Because we know you are God's People and can do no wrong." Let me tell you, I'm one fundamentalist who hasn't been taken in by these lying people. I neither back them, nor condone any of their actions, because they are enemies of God and everything I stand for as a Christian. Will America have to go through the terrible days of a Jewish anti-Christ persecution as our Christian brethren in Russia did, because our pastors don't have the guts to tell our people the truth? Very possibly!

Oh, I know that some of you who read this have been told by your pastors not to worry. You see, Jesus is coming back to rescue you before things get too tough. Would you like to discuss this with the martyrs who died in the first three centuries, or those who suffered behind the Iron and Bamboo Curtains?

No, my Christian friend. God is not going to protect you when you hide like a coward in your spiritual fox hole, folding your holy hands while you pray for God to do the job He has given you to do. He told you: "Ocupy until I come!" Not until you think he might be back; not until your pastor tells you he will be back, but until you see Him with your own eyes. Occupation is a "military duty," it can't be performed in a foxhole; you must be out on the "front lines."

Do you have the "spiritual guts" to confront your pastor and ask him why he has lied to you about the Rapture and the Jews? He will probably tell you that he is "ashamed by you anti-Semitism." But I want you to remember that he is speaking in defense of those who killed your Lord and who
according to their own teachings, are usurpers and not the Chosen People. He is defending those who hate your Lord, and you and who according to their own teachings, are against everything you stand for as a Christian. What are you going to do about it?

You can be like those Christians in Russia and China who believed the Lord would be back to rescue them. Millions have died martyr's deaths. Or you can be like the Christians who were in Jerusalem in 70 A.D. when the Roman General Titus attacked that city. They believed the words of our Lord in Matthew 24 were written for them and they fled to the city of Petra. Not one Christian was killed, but over a million unbelieving Jews perished.

I dare you to read John 8 and then still say the Jews are God's Chosen people, for if you do, you will be calling our Lord a liar. Somehow, I believe this might be dangerous!

Stop being a fool! Open your eyes to the truth! Help us spread the truth! This is not a message of hatred against "sorry race of people like the Jews," it is a message of warning, concerning the Satanic plot to destroy white Christian civilization and the freedom it has brought to the world.

The future of this country, of your children and grandchildren rests in the hands of God and you. Your freedom was not "Bought and paid for at Valley Forge," that was only the "down payment!"

You have been warned! I have been the watchman on the walls of Israel. You now know the truth. You will never be able to say: "I didn't know!"

Remember:

"Must I be carried to the skies,  
On flowry beds of ease;  
While others fought to win the prize.  
And sailed through bloody seas.  
No I must fight!  
If I would reign;  
Increase my courage, Lord,prea  
To bear the toil.  
Endure the pain,  
Supported by Thy Word!  
The End
In Ezekiel 33:2-5 we read these sobering words: "Son of man, speak to the children of thy people, and say unto them, When I bring the sword upon a land, if the people of the land take a man of their coasts, and set him for their watchman: If when he seeth the sword come upon the land, be blow the trumpet and warn the people; saith whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head."

Students of the Bible and history, realize that the end of this Age is drawing to a rapid and tumultuous close. As the earth goes into the convulsions of the Tribulation, prophesied in the Bible, we can expect to see the "birth pangs" of the End Age. NOW IS THE TIME FOR CHRISTIANS TO PREPARE!

This preparation must be of both a spiritual and a material nature. In the Spiritual realm, Christians need to memorize Scripture, for the day may soon come in this country, when you will not be allowed to own a Bible. We must prepare ourselves and our children, emotionally, as to what to expect under religious persecution. In the Communist textbook of PSYCHOPOLITICS, written in 1933, the "blueprint" for the takeover of America, they say: "You must work until the officials of city, county and state governments will not think twice before they pounce upon Christian groups as public enemies.

"You must recruit every agency of the nation marked for slaughter, into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief, that Christian practices are vicious, bad, insanity causing, publicly hated and intolerable." So NOW IS THE TIME WHEN YOU MUST PREPARE YOURSELF MENTALLY FOR THIS PERSECUTION! IT IS CLOSE AT HAND!!

Then we must prepare ourselves physically. We need to get our bodies in shape, to store food, clothing and means of protecting ourselves from the disaster which lies ahead.

Some Christians are going to dispute what I have said. They will say: "Where is your faith in God? He will take care of your needs!" Yet listen to what the Apostle Paul says in 1st Timothy 5:8: "But if any provide not for his own, and specially those of his own house, he hath denied the faith, and is worse than an infidel." This statement goes far beyond providing daily food and shelter for your family. It means planning for the future.

Why do you suppose Christ warned us about the days that lie ahead, when He spoke to His disciples in Matthew 24 and Luke 21? He wanted them to be prepared to face those days! In Luke 21:34, He said: "Take heed to yourselves, lest at any time your hearts be overcharged with surfeiting (over-indulgence) and drunkenness, and so that day come upon you unawares." He was merely saying: "Stay awake! Watch! Be alert! Be prepared!"

Many Christians have good intentions along this line. I speak with thousands of them every year. "We know trouble is coming," they say. But when you ask them what they are doing to prepare for it, they are apt to say: "How much time do we have?" One day as I was speaking at a Survival Seminar, a man came up to me and said: "I know it's dangerous where we live and we intend to move." But when I asked him, "When?" he had no idea. Will you try and move out of a dangerous urban area when you see a mushroom cloud spreading over the city? IT WILL BE TOO LATE THEN! Will you wait until a hungry mob batters down your door in search of food? IT WILL BE TOO LATE THEN!
Will you become concerned when alien troops march through the streets of your city and you see your wife and daughters raped before your eyes, and your sons slaughtered for their entertainment? IT WILL BE TOO LATE THEN!!

I doubt very much, that one Christian Patriot out of a 1,000, really understands how serious these times are. Even among "survivalists," with whom I rub elbows all the time, very few realize the seriousness of our situation or that we are engaged in a "life and death" struggle. Far too many Americans think this is a sort of "cowboys and Indians" game, and when things get really rough, God's cavalry will come charging over the hill to rescue them and they will live happily ever after. A nice sweet thought, but sheer stupidity!

In the Fundamentalist crowd, they call this the "Rapture of the Saints." But you can find no Rapture in Jesus' warning message in Matthew 24 and Luke 21. Doesn't it seem strange to you, that our Lord would overlook anything as important as the Rapture and leave it up to Paul to teach years later? I don't believe it! Neither did Paul! Because this is not what he taught!

But let's get back to the watchman! Now there is a very serious part in God's message to the watchman. In Ezekiel 33:6, we read: "But if the watchman see the sword coming and does not blow the trumpet, and the people are not warned, and a sword comes and takes a person from them, he is taken away in his iniquity: BUT HIS BLOOD WILL I REQUIRE AT THE WATCHMAN'S HAND." (Emphasis added.) That's why I'm mighty careful what I teach about the Rapture! I wasn't for eighteen years and someday, I may have to answer for someone who was destroyed because I wasn't honest enough to study the Word for myself and find out what it really said.

This principle of the watchman, holds today in the military. If a sentry goes to sleep in the presence of the enemy, he can be executed. Why? Because he endangers the entire command by his lack of attention to duty. This is happening all over the Christian world today.

In verse 7, we are told that the watchman's duty is to "the house of Israel." This is certainly appropriate, since the white Christian nations, made up of the Anglo-Saxon and related peoples, are the "true Israel" of God. You may not want to accept this now, but you better get used to it, because one day you will be forced to accept this truth. Many preachers say this refers to the Church and I believe that "non-Israel" believers, will be part of "true Israel." They will be "engrafted into this very special body of people." But the specific reference is to the nation/nations of Israel, of which the people we now know as Jews, are not a part.

Very few white Christians know they are of the lineage of Abraham, because for many years, their pastors have been preaching the Jewish fable, that the Jews are God's Chosen People, when according to the Scripture, and the teaching of our Lord Himself, they are the children of Satan. (See the entire 8th Chapter of John's Gospel, especially verse 44.)

Most preachers in the Evangelical and Fundamentalist ranks, who should be warning their people of the dangers which lie ahead from the forces of anti-Christ aliens, are telling their people not to worry, since Jesus will come back and "snatch them away" (Rapture) before the trouble really gets bad. What hypocrites these men are!

For while they say: "Jesus may return at any moment," they still renew their life insurance policies, and plan for their children's college education, years ahead. They have almost completely neutralized an entire generation of Christian soldiers, who instead of preparing for the battle which lies ahead, are hiding in their comfortable, air-conditioned, spiritual foxholes, waiting for Christ to come back and rescue them.

Our God is a just God and He never brings disaster and judgment on any individual, until they have been warned and given the chance to repent. In Genesis 15:16, God was speaking to Abraham about the people who were to be Israel's worst enemies. He said it would be four generations (about 160 years) before the Amorites would be destroyed. Then He explains this by saying: "for the iniquity of the Amorites is not yet full." God gave these exceedingly wicked folks, four generations in which to
repent and when they refused, time and time again, He ordered His Israel people to go in and "wipe
them out."

Most people prefer to ignore the warning of the watchmen. In Gal. 4:16, the Apostle Paul was
forced to tell the Galatian Christians: "Am I therefore become your enemy, because I tell you the
truth?" Too many of our Israel-Christian people are affected with "Ostrich-itis," which is the desire
to bury their heads in the sand when danger approaches, hoping that when they look up, it will be
gone. It just doesn't work that way!

We are a lot like the lady I heard about who had been mugged in Central Park of New York City. A
man found her laying on the ground, covered with blood. He asked her: "Shall I call the police?" to
which she replied: "No, don't! I don't want to become involved!"

There isn't a one of you, who if you were driving down a road and came to a sign which said
DANGER! -DETOUR! - BRIDGE OUT!!!! would stop your car, throw rocks at the sign and drive
ahead where the bridge was gone. That would be stupid! It would be fatal! Yet that's what Christians
have been doing in America for a long time. Pat Brooks, the extremely discerning writer, in her
book CHRISTIAN, WAKE UP! says: "Yet as this drama, this war is being fought on earth's stage, a
sideshow spotlights the soft underbelly of the West (Anglo-Christian nations). Here are Christians
who demand that God remove them from this planet before any trouble hits. Here are pampered,
over-fed, sleep-walkers, wandering blind-folded towards a precipice." What is God's response to
this sickening spectacle? In Revelation 3:16, He says: "So then (because of their trust in materials
things), because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth."

That's mighty serious folks. God telling "DS P-warm" Christians, that He will spit them out,
because of their apathy. It's not a very encouraging picture for the Alka-Seltzer type Christians who
crowd our churches every Sunday morning and come to "fizz" for an hour, while all the rest of the
week, you wouldn't even know they were Christians.

Then the Lord goes on in verse 19 to say: "As many as I love, I rebuke and chasten, be zealous
therefore, and repent." Do you have a guilty conscience when you refuse to take a stand against
evil? When you say: "Let George do it!" and you know God wants you to do the job? If you aren't
concerned, then there is something almighty wrong with what you profess to have. Hebrews 12:8
says that you are an illegitimate child; only it uses language a lot tougher than that. Now don't get
mad at me! Those words aren't original with me.

God tells His "smooth-talking, ease-loving, backslidden people", "Buy of me gold tried in the
fire..." Gold is purified under extreme heat and that is what will happen to the true Christian under
pressure.

You don't become a sports champion by sitting around with the crowd, sipping "ice cream sodas" and
getting fat. It takes strenuous exercise and pain, to become a good athlete. The Bible says that we
become purified by adversity. In Job 23:10, we read: "But He knoweth the way that I take: when Re
hath tried me, I shall come forth as gold." In 2 Timothy 3:12, Paul states: "Yea, and ALL that
will live godly in Christ Jesus will suffer persecution." Luke 21:12 says: "They shall lay hands on
you, delivering you up to the synagogues (this tells you who the persecutors are), and into prisons,
being brought before kings and rulers for my name's sake.

Have you ever heard a preacher say: "The Tribulation is not for the Church, it's for the ungodly,
unbelieving Jews." (Yet all the time they are supporting them.) If the Church is doing the task God
gave it to do, why is it that the world which was 25% Christian a hundred years ago, is only 3%
Christian now? If there are 45-million "born again" Christians in the United States, as religious
polls say, then why is America headed for hell, faster today than at any time in her existence?
Something is drastically wrong, somehow!

Someone has said that "tribulation brings patience." If this is true, why are you so dead set against
Christians getting a lot of much-needed patience, through tribulation. Are the soft, materialistic
American Christians, who wouldn't think of walking a half mile to church if their car broke down, are they more zealous for the Lord, than their persecuted brethren in China and Russia? I doubt this very seriously! In Acts 14:22, we are told that we MUST "through MUCH tribulation enter into the kingdom of God."

Some of you seem to think that because you raised your hand one day in a church service, or went forward to the altar and made a profession of faith, that this is all you need to do to "rule and reign" in the kingdom. Not so! Our Lord speaks quite plainly in Rev. 2:26, when He says: "HE THAT OVERCOMETH and keepeth my works UNTO THE END, to him will I give power over the nations." (Emphasis added.) Then in Rev. 3:21, He says again: "TO HIM THAT OVERCOMETH will I grant to sit with me in my throne..." Nothing here in either verse, about a "panty-waisted, sissy-britches, compromising Christian" reigning anywhere with anyone.

Most Pre-Trib preachers will try and tell you that the "elect" of Matthew 24, who go through the Tribulation, is a Jewish remnant. But before the "Rapture Apostasy" began, about 1830, the term "elect," was always applied to the church, or to "true Israel." By no stretch of the imagination, could it be used to indicate the present day, anti-Christ people we know as Jews.

It is interesting to note from history, that when the Roman legions under the command of Titus, destroyed Jerusalem in 70 A.D., there is no record of a single Christian perishing, while hundreds of thousands of Jews were killed. Could it be, that those First Century Christians knew that Matthew 24 was spoken to them and as a result, they took refuge in the mountains of Pella, beyond the Jordan?

If you waste your time reading Pre-Trib authors like Hal Lindsay, Jack Van Impe, or David Webber, you might get the idea that the Great Tribulation is just too awful to believe that Christians would go through it. Lindsay uses phrases such as: "Avalanche of judgments; ghastly pestilence; devastating judgments; man's darkest days and incredible horrors," in describing it. He says it is a judgment so terrible, God would never ask His Church to go through it. But on Page 143, of his book THE LATE GREAT PLANET EARTH, he calmly says: "there are people who will become believers and survive this terrible period of history." On page 111, he says that this period will see, "the greatest number of converts in history..."

What a difference we see between the First Century Christians who rejoiced that "they were counted worthy to suffer for His name's sake," (Acts 5:41) and the present day crop of Pre-Tribbers whose hope is in escaping the Tribulation. Doesn't make much sense when you come to think of it, does it?

In John 17:15, Jesus said: "I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from evil." This verse should shed some light on Revelation 3:10, which is one of the Rapturist's pet verses.

God is going to allow Satan to have "one last fling." This will be to test mankind, especially "true Israel," to see where their loyalty really lies. There will be no "middle ground, no fence sitters" in that day; you will either belong to the Army of God, or you will be on the side of the adversary. Elijah told Ancient Israel: "How long will ye halt between two opinions?" (1st Kings 18:21); Joshua said: (Joshua 24:15) "Choose ye this day whom ye will serve..." Today, He is asking modern Israel the same question; "Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision." (Joel 3:14).

We're marching to war in the Christian world. The day of "raising your hand" to make a decision, is over. The time is soon coming, when we may have to lay our lives on the line for the Lord. How ready are you for that day?

Pat Brooks, in her tremendous book, HEAR OF ISRAEL! says of this time: "The unity which is coming will not be a fawning over apostate Jewry. There will be no more talk of any 'Judeo-Christian ethic' in those days. Israel and Judah will only be united when they all say: 'Blessed is He
that cometh in the name of the Lord.'

"Pampered pew-sitters have many problems with this tribulation period. Having been taught to read Jeremiah 39:7 as if it said 'Judah's trouble; instead of Jacob's trouble,' and having no idea that they are descended from Jacob, they are lulled into apathy. Not only that. Most believe that Lord Jesus will lift them off earth just before war hits. Are we God's spoiled brats?" I believe a lot of us are!

But the Jews know Christian teaching is wrong! Most Rabbis will tell you with a great deal of glee, that there is no such thing as the Judeo-Christian ethic and they are right. The two ideas are incompatible; they are at opposite ends of the pole; they are like trying to say that something is "wet-dry," or "hot-cold."

In connection with this end time turmoil, many Pre-Trib preachers state that Russia is planning an attack on the little nation of Israel in Palestine. Do you honestly believe that giant Russia, has been spending countless billions of dollars on armament, preparing to attack a little nation of some 3-million people? You know this is not so.

A lot of evidence is now surfacing which shows that the Israeli are gradually drawing away from the United States and are moving towards the Soviet Camp, from whence they came in the first place.

Recently, Joseph Churba, a well-known Israeli Intelligence analyst who had in-filtered the Inner Circle of the Regan Administration, revealed that a military pact with the Soviet Union, will likely be Israeli's next step in their move towards world conquest. Can you imagine what this will do to the "Zionophiles" in our church pulpits, who have preached for years that the Soviet Union will invade Israeli?

Churba claims the Israeli no longer needs the United States and that they can "go it alone." My feeling is "let them." We should immediately withdraw all aid, since they are not now and never have been our friends.

Churba quit the Regan Administration on May 7, 1982, to become the President of the Center for International Security, an influential arm of the Israeli Lobby. He has denounced Secy. of Defense Casper Weinberger and Secy. of State George Schultz, as being "Anti-Israeli."

Bluntly admitting that the Israeli goal in the Middle East is complete control of that region and of the oil-rich Persian Gulf Area, Churba intimated that Begin would work towards that goal. Their first step he said, would be to break ties with the United States and move closer to the Soviet Union. If they join forces, Churba said: "Israeli and the Soviet Union could ultimately control the region in a condominium - that is, joint sovereignty."

A very careful perusal of Ezekiel 38 and 39, the chapters the Fundamentalist and Evangelical preachers have always said refer to a Russian attack on Palestine, will reveal that there are two nations who come under this attack. I believe the Russians will attack Palestine and wipe the Zionists off the map. Since they are God's bitterest enemies, rather than His Chosen People, as the Fundamentalists say, they are doomed.

If you will read Ezekiel 38:10, you will notice it says: "It shall come to pass, that AT THE SAME TIME shall things come into thy (Russia's) mind, and thou shalt think an evil thought. And thou shalt say, I WILL GO UP to the land of unwalled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars nor gates. To take a spoil, and to take a prey; to turn thine hand upon the people that are gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land."

This could not possibly refer to the same nation mentioned in verse eight. The words "ALSO" and "AT THE SAME TIME," in verse 10, are the clue. What this verse says is clear: "At the same time the attack is made against Palestine, there will be an attack against another, much greater people, who dwell in unwalled cities, and who have great national wealth." This description in no way fits the Israeli.
There is only one nation in the world with enough silver, gold, cattle and goods, to lure an aggressor such as Russia and that is not the "little Jew nation" in Palestine. It can only refer to the United States.

I believe another clue can be found in the words "CATTLE AND GOODS." The United States leads all other countries in the production of beef cattle. According to the 1976, United Nations figures, we had 127,980,000 head of beef cattle at that time. The Jews in Israeli, by a like token, had less than a quarter million head. Our Gross National Product in 1980 was $2,586,500,000,000 - twice the size of the Soviet Union's. In spite of all our problems, we are still by far, the wealthiest nation in the world. With less than 5% of the world population, we control over 50% of the world's wealth.

There is still another clue in the words of the aggressor, found in verse 11 - "I WILL GO UP." You don't go up from Russia to Palestine, you go South, or "down." But the planned military attack route for the U.S.S.R. in any invasion of the United States, is over the Polar region, into Canada, then down the Central Corridor of the Mississippi River, to split the country in two. We know the Soviets have this capability, since their planes overfly Canadian airspace all the time and they have had a huge invasion force on the Eastern Shores of Siberia, for a number of years.

If Mexico goes into the Communist camp - and this could easily happen before this pamphlet is printed - the United States would be surrounded, since Canada has been in the Socialist camp for a number of years. The way would be then open for a Russian invasion, as predicted in Ezekiel 38 and 39.

Many years ago, the Father of our Country, General George Washington had a vision of our times. Most Fundamental preachers will scoff at this, but the Bible tells us that the proof of the reliability of a prophecy, lies in whether it comes to pass. While there are various accounts of Washington's prophecy, all agree in content. The event evidently took place in Valley Forge, in the bitterly cold winter of 1777. Washington's troops had suffered several reverses and the situation was desperate. The Continental Congress was not sending supplies and money and some of the men did not even have shoes, but had to wrap rags around their feet to keep them from freezing. Many of them were sick and dying from disease and exposure. Morale was at an all-time low and there was great agitation in the Colonies against the war effort.

These are the words of a first-hand observer, Anthony Sherman, who describes the situation:
"Doubtless you have heard the story of Washington's going to a thicket to pray. Well, its not only true, but he used to pray often in secret for aid and comfort from God, the interposition of whose Divine Providence brought us safely through the darkest days of tribulation.

"One day, I remember it well, when the chilly winds whistled through leafless trees, though the sky was cloudless and the sun shown brightly, he remained in his quarters nearly all afternoon, alone. When he came out, I noticed that his face was a shade paler than usual. There seemed to be something on his mind of more than ordinary importance. Returning just after dusk, he dispatched an orderly to the quarters who was presently in attendance. After a preliminary conversation of about an hour, Washington gazing upon his companion with that strange look of dignity which he alone commanded, related the event that occurred that day."

These are Washington's own words concerning this most unusual event: "This afternoon, as I was sitting at this table engaged in preparing a dispatch, something seemed to disturb me. Looking up, I beheld opposite me a singularly beautiful female. So astonished was I, for I had given strict orders not to be disturbed, that it was some moments before I found language to inquire the cause of her presence. A second, and third and even a fourth time I repeated my question, but received no answer from my mysterious visitor except a slight raising of her eyes.

"By this time I felt a strange sensation spreading through me. I would have risen but the riveted gaze of the being before me rendered volition impossible. I assayed once more to address her, but my tongue had become useless, as though it had become paralyzed.
"A new influence, mysterious, potent, irresistible, took possession of me. All I could do was gaze steadily, vacantly at my unknown visitor. Gradually the surrounding atmosphere seemed as if it were filled with sensations, and luminous. Everything about me seemed to rarify, the mysterious stranger herself becoming more airy and yet more distinct to my sight than before. I now began to feel as one dying, or rather to experience the sensations which I have sometimes imagined accompany dissolution. I did not think, I did not reason, I did not move; all were alike impossible. I was only conscious of gazing fixedly, vacantly at my companion.

"Presently I heard a voice saying, 'Son of the Republic, look and learn' while at the same time my visitor extended her arm eastward. I now beheld a heavy white vapor at some distance rising fold upon fold. This gradually dissipated and I looked upon a strange scene. Before me lay spread out in one vast plain all the countries of the world - Europe, Asia, Africa and America. I saw rolling and tossing between Europe and America the billows of the Atlantic, and between Asia and America lay the Pacific.

'Son of the Republic,' said the mysterious voice as before, 'look and learn.' At that moment I beheld a dark, shadowy being, like an angel, standing or rather floating in mid-air, between Europe and America. Dipping water out of the ocean in the hollow of each hand, he sprinkled some upon America with his right hand, while with his left hand he cast some on Europe. Immediately a cloud raised from these countries and joined in mid-ocean. For a moment it remained stationary, and then moved slowly westward, until it enveloped America in its murky folds. Sharp flashes of lightning gleamed through it at intervals, and I heard the smothered groans and cries of the American people.

"A second time the angel dipped water from the ocean, and sprinkled it out as before. The dark cloud was then drawn back to the ocean, in whose heaving billows it sank from view. A third time, I heard the mysterious voice saying, 'Son of the Republic, look and learn,' I cast my eyes upon America and beheld villages and towns and cities springing up one after the other until the whole land from the Atlantic to the Pacific was dotted with them.

"Again, I heard the mysterious voice say, 'Son of the Republic, the end of the century cometh, look and learn.' At this the dark shadowy angel turned his face southward and from Africa I saw an ill-omened specter approach our land. It flitted slowly over every town and city of the latter. The inhabitants presently set themselves in battle array against each other. As I continued looking I saw a bright angel, on whose brow rested a crown of light, on which was traced the word UNION, bearing the American flag which he placed between the divided nation, and said, 'Remember ye are brethren.' Instantly, the inhabitants, casting from them their weapons, became friends once more, and united around the National Standard.

"Again, I heard the mysterious voice saying, 'Son of the Republic, look and learn.' At this the dark shadowy angel placed a trumpet to his mouth, and blew three distinct blasts; and taking water from the ocean, he sprinkled it upon Europe, Asia and Africa. Then my eyes beheld a fearful scene: from each of these countries arose thick, black clouds that were soon joined as one. Throughout their mass gleamed a dark red light by which I saw hordes of armed men, who, moving with the cloud, marched by land and sailed by sea to America. Our country was enveloped in this volume of cloud, and I saw these vast armies devastate the whole country and burn villages, towns, and cities that I beheld springing up. As my ears listened to the thundering of the cannon, clashing of swords, and the shouts and cries of millions in mortal combat, I heard again the mysterious voice saying, 'Son of the Republic, look and learn.' When the voice had ceased the dark shadowy angel placed his trumpet once more to his mouth and blew a long and fearful blast.

"Instantly a light as of a thousand suns shone down from above me, and pierced and broke into fragments the dark cloud which enveloped America. At the same moment the angel upon whose head still shown the word UNION, and who bore our national flag in one hand and a sword in the other, descended from the heavens attended by legions of white spirits. These immediately joined the inhabitants of America, who I perceived were well nigh overcome, but who immediately taking courage again, closed up their broken ranks and renewed the battle.
"Again, amid the fearful noise of the conflict, I heard the mysterious voice saying, 'Son of the Republic, look and learn.' As the voice ceased, the shadowy angel for the last time dipped water from the ocean and sprinkled it upon America. Instantly the dark cloud rolled back together with the armies it had brought, leaving the inhabitants of the land victorious.

"Then once more I beheld the villages, towns and cities springing up where I had seen them before, while the bright angel, planting the azure standard in the midst of them, cried with a loud voice: 'While the stars remain, and the heavens send down dew upon the earth, so long shall the Union last.' And taking from his brow the crown on which was emblazoned the word UNION he placed it upon the Standard while the people, kneeling down, said AMEN!

"The scene instantly began to fade and dissolve, and I saw at last nothing but the rising, curling vapor I at first beheld. This also disappearing, I found myself once more, gazing upon the mysterious visitor, who, in the same voice I had heard before, said: 'Son of the Republic, what you have seen is thus interpreted: Three great perils will come upon the Republic. The most fearful is the third, but in this greatest conflict the whole world united shall not prevail against her. Let every child of the Republic learn to live for His God, his land and the Union.' With these words the vision vanished, and I started from my seat and felt that I had seen a vision wherein had been shown to me the birth, the progress, and the destiny of the United States."

Today, the world and America is rapidly moving towards this third and greatest peril. No matter how you may feel about Washington's vision; nevertheless it has proven true and events are shaping up, which could well cause the latter part to become fact. Nations on every Continent, are arraying themselves against the Anglo-Saxon world; their target is not the apostate Jews in Palestine, but the Christian nations. This makes America their major target. Washington saw this nation attacked by forces which "gleamed with a deep red light" - this is the color and symbol of Jewish Communism. He saw our cities aflame, the result of nuclear attack, burned by the invading enemy forces, or perhaps set afire by the mobs of anarchy and revolution; he saw the nation devastated, with million dying in the process. Christian America - WAKE UP!! IT's later than you think!

As Dr. John Grady, head of the American Pistol and Rifle Association has stated in his booklet on Washington's Vision. "Sons and daughters of the Republic, you are living in the most crucial and momentous period in the history of mankind. It will be a time of great trial."

The events foretold by Washington, are also foretold in Holy Writ. There will be no escape, you will not be Raptured but before they come! The only question is, will you have the judgment, the courage, and the sense of destiny to stand with those who already stand and with the help of Almighty God, be victorious?

If our white, Christian people were only told the truth, then we would see the repentance and the revival which will be necessary for our salvation as a free people. Listen to what Joel 2:1-3, has to say about this coming invasion: "Blow ye the trumpet in Zion, and sound an alarm in my holy mountain (nation): let all the inhabitants of the land tremble; for the day of the Lord cometh, for it is nigh at hand; a day of darkness and of gloominess, a day of clouds, as the morning spread upon the mountains: a great people and a strong, there hath not been ever the like, neither shall be any more after it, even to the years of many generations. A fire devoureth before them; and behind them the flame burneth; the land is as the garden of Eden before them, and behind them a desolate wilderness..." (Could this refer to nuclear destruction?)

But notice the alternative God has laid down for His people in verse 12 - "...turn ye even to me with all your heart, and with fasting, and with weeping, and with mourning. And rend your heart and not your garments, and turn you unto the Lord your God; for He is gracious and merciful, slow to anger, and of great kindness, and repenteth Him of the evil. Who knoweth if He will return and repent, and leave a blessing behind Him...?"

Then verse 15 calls for a "solemn assembly" of the Israel people (who are not Jews.) Verse 17 says the preachers should weep before the Lord and say: "Spare Thy people, O Lord, and give not thine
Have you seen any preachers in our Evangelical or Fundamental churches weeping over America? I haven't! They weep for the lost! They cry aloud because of the agony of the anti-Christ Jews, but they are "few and far between," who weep over the wickedness of Christian-Israel, which has brought about the trouble we are now in! But only as this repentance comes, can we expect the miracle of Joel 2:20 to take place: "I will remove far off from them the northern army, and will drive him into a land barren and desolate, with his face towards the east sea, and his hinder part towards the uttermost sea..." This description cannot possibly fit any area near Palestine, but it is a perfect description of North America.

When the day of Israel's repentance comes - will we have to be driven to our knees, with our faces rubbed in the mud, before it comes? - then according to verse 27, our people will know who their God is and who they are: "And ye (Israel, not the Jews) shall know that I am in the midst of Israel, and that I am the Lord your God, and none else: and my people shall never be ashamed." THEN THE REVIVAL WILL COME! Verse 28 - "And it shall come to pass AFTERWARDS (after the invasion and the defeat of our enemies), that I will pour out my Spirit on ALL flesh: and your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions. And also upon the servants and the handmaidens in those days will I pour out my Spirit."

AMERICA! AMERICA! BELOVED LAND! Why must you go through hell before you will listen? God has promised forgiveness for all those who will seek His face? He will heal our land, if we will obey His Law, (2 Chronicles 7:14). Must we come under the last of Jewish-Communist persecution, before we will bow our stubborn will and accept God's way of doing things? Must you see your women raped and mistreated in the streets and your sons murdered in cold blood, before you will wake to your responsibilities as His people?

Are you afraid, as you see these "end time" events beginning to come to pass. If your heart is right with God, you need not fear. Jesus told us in Luke 21:28 -"When these things (tribulations, wars, earthquakes, pestilences) begin to come to pass, THEN LOOK UP, AND LIFT UP YOUR HEADS, FOR YOUR REDEMPTION DRAWETH NIGH." (Emphasis added). The judgments which fall on the world will not hurt God's People, for just as the blood of the Passover lamb, protected the ancient Hebrews from the touch of the Death Angel in Egypt (Exodus 12:23), 50 in the day of trial and tribulation, God will see the blood of His Son, Jesus the Christ, shed as a lamb from before the foundation of the earth, for our sins, and he will pass over us. Praise Him, for His greatness and mercy!

What does this mean to us who have the right to use the name CHRISTIAN? Does it mean that we are to hide in our spiritual foxholes, and fold our holy hands in prayer, asking God to take us out of the battle? No, it means we need to mobilize for the war! It means we must wake up to our responsibilities!

When should you prepare? NOW! You need to go to God's Word for counsel and then do what He wants you to do, not what you would like best. I believe we can use a "rule of thumb here." If we know God wants us to do something and has given us no sign that He wants us to delay, then we SHOULD DO IT NOW!!! I doubt very seriously that God will tell any Christians: "Don't prepare for what's coming. I'll handle everything myself!" This is contrary to the teaching of the Word.

After a nuclear attack, it will be too late to think about shelter! When a food shortage or famine occurs, it will be too late to look for food! When a crazy mob attacks your home and batters down your doors, it will be too late to look for the men, the guns, and the ammunition you will need to protect your family!

This is why I take such a great interest in the Citizen's Emergency Defense System. This is why I spend 30 - 40 hours a week, working without pay, on plans to protect our Israel People when the emergency comes.
Remember, there may be no time to "go out and buy oil, when the trouble comes," (Matt. 25:1-13). Preparation MUST begin now! and remember - JUST BECAUSE YOU DON'T WANT TO BE LEFT, DOESN'T MEAN YOU ARE RIGHT!

The warning is out! The watchman has blown the trumpet! From now on, what you do is between God and you. If you refuse to heed the warning and the sword takes you away, then "your blood will be upon your own head!" You can never say: I DIDN'T KNOW!!

The End
America's Destiny
Christ or Anti-Christ?

A frank discussion of the Jewish problem in America and the future of this country as the Zion of Bible prophecy!

DEDICATION

This book is dedicated to my good friend and Christian patriot-soldier, Sheldon Emry, former pastor of LORD'S COVENANT CHURCH, Phoenix, Arizona, now deceased. It was the inspirational and scriptural enlightenment I received from him that caused me to tape the messages contained in this book and then put them into print. I considered him to be one of the best Bible teachers America has produced and one of the very few who "handled aright the Word of truth."

My thanks go out to this brother, for his fearless stand for God and white Christian America.

PROLOGUE

'And ye shall know the truth, and the truth shall make you free," (St. John 8:32) - Jesus Christ.

In the spring of 1979, after fifteen years of intensive effort as a "Lay" evangelist and lecturer, which had taken me into more than 2800 communities in 49 States and five foreign countries, I learned the "truth" for the first time.

It was not that I was blind as far as spiritual truth is concerned, for I gave my heart to the Lord in a Communist prison in Korea in 1948 and I had been a diligent student of the scriptures ever since, obtaining my degrees in Doctor of Letters and Master of Theology by extensive correspondence work. I read the Bible through at least twice every year. I believed the Old Book from cover to cover; I was a "Hard-nosed" fundamentalist, who refused to compromise with liberalism of any
But there was something missing. There had been many times during these fifteen years, when I had been deeply concerned by American aid to the Zionist movement in Palestine, as I saw them rob and murder the people who had lived there in relative peace for centuries. "How could these be God's Chosen People and yet act contrary to everything Moses taught?" I asked myself. But I accepted the popular teaching in fundamental circles, that the Jews were indeed the Chosen people; that the Jews were "all of Israel," and that America must support them, regardless of what they do, or accept the curse of God on our land.

Then one day, during my daily devotional reading, I came across a story told in 2 Chronicles 18 and 19. It told of a good king from Judah named Jehosophat, as he traveled north to help a wicked fellow named Ahab, in his battle against the Assyrians. During this battle, Ahab was killed, in spite of the use of typical Jewish trickery. When Jehosophat returned to his capitol city of Jerusalem, he was met by a Prophet of the Lord named Jehu, who told him: - Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord," (2 Chronicles 19:2). I had always applied this principle to atheistic nations such as the Soviet Union and Red China, but never to the equally atheistic, God-hating Israeli.

Could it be that America's problems are being escalated because we are aiding the enemies of our God? I think they are!

But this idea was completely foreign to what I had been taught in my fundamental church and in the Seminary. They taught, almost without fail, that the people we now know as Jews were the Chosen People of God, and that God would "Bless them that bless the Jews, and curse them that refused to aid the Jews." I was told by my pastor, over and over again: "The reason God has blessed America is because we have loved and aided the Jews." A little intelligent reflection told me this was wrong. America has not been blessed since we aided the Zionists in their conquest of Palestine. Our greatest moral, spiritual and political recession has come since 1948, when we backed the Zionist grab of Palestine. They have been a thorn in our side ever since and we have poured billions of dollars down the "rat hole" of Zionism, while they have exerted untold control over our federal and local governments. Not only that, but a little honest, diligent study shows that they are the "driving force" behind One-World Government, which is designed to bring the United States into a great Socialist controlled dictatorship along with the Communist and Socialist countries. They are behind the movement to "wipe Christianity from the face of the earth." I believe I will be able to prove this to you before you have finished reading these messages.

The people we call Jews do not meet the spiritual criteria for God's People, as laid down in the scriptures; so I began to search the scriptures, always calling on the Holy Spirit for enlightenment and guidance. I came up with a series of messages, which are found in this book.

In the summer of 1979, at the Annual Festival of the Christian Patriots Defense League in Louisville, Illinois, I had the privilege of meeting a Christian-Patriot pastor, who I believe was one of the finest Bible teachers in the United States. He pastored the Lord's Covenant Church in Phoenix, Arizona and was known across America on the radio as Pastor Sheldon Emry. (now deceased) He was a tremendous help and encouragement to me, as I sought for the truth.

This book is divided into two parts. Part One - Identifying Ourselves will contain my findings concerning the spiritual heritage of White, Anglo-Saxon, Celtic, Germanic and Scandanavian people, who have become known as Christendom. There will be three chapters, each a separate message, dealing with the Lost Tribes of Israel and their relationship to White Christians.

In part two - "THE ENEMY," I will try and deal intelligently with those in the Bible "who say they are Jews, and are not, but are of the synagogue of Satan," (Revelation 2:9).

My deepest appreciation goes to the following people, from whom I have taken most of my documentation. The Holy Bible, was of course, my first and foremost source of information and I
will quote from it with frequency.

The following books by Pastor Sheldon Emry, plus dozens of hours of listening to his tapes, set the background for my research: "PAUL AND JOSEPH OF ARIMATHEA-" "THE OLD JERUSALEM IS NOT THE NEW JERUSALEM;" "RUSSIA WILL INVADE AMERICA."

Five of the above authors are Jewish. There are also numerous quotations from the Jewish Encyclopaedia and from the Jewish Talmud, the religious Bible of the modern Jew.

This intensive study convinced me that the people we today know as Jews are not the "people of the Bible," the descendents of Abraham.

This logically leads to the question: "Who then are God's Chosen People?" This led me to the study which produced Part One of this book - IDENTIFYING OURSELVES. If Christian Americans will come to an understanding of who they are and what God has planned for them, then Part Two - THE ENEMY, can be readily understood and accepted.

It is well known to military personnel, that in order to be victorious in battle, you must first know your enemy and understand how he will attempt to react to certain situations. Brethren, the time is getting short. The forces of evil are gathering for that final assault against the Lord's anointed. The assault against Zion is already underway, led by the forces of Hell itself. But we can be victorious through "Christ which strengtheneth us!" If we put our trust in the God of our Fathers and go forward in His name, to do battle with His foes, we will succeed.

You are going to be here for that battle my Christian friend. You are not going to be transported to heaven to live in bliss, while Satan is confronted and defeated. It is your glorious duty to be in the forefront of this army of God. The 18th Chapter of Revelation, clearly shows that Christians will be here on earth during the Great Tribulation. They are told to come out from the world system known as Mystery Babylon, which now controls the governments of the world. We, you and I, the one's who profess Christ as Lord, will be the one's who with God's help will destroy this ungodly world system and fulfill the prophecy of Jeremiah 51:20 - "Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy nations."

Now a word of caution is necessary. This book was not designed to be anti-Semitic, or to engender hatred for the Jews. It is designed to bring the hidden truth to "brainwashed, White Christian Americans." I hope and pray that it will open the eyes of at least some Christians who have been
"brainwashed" by equally blinded pastors, to the truth of what is now happening. Many of my friends will no doubt turn against me, for they will not be willing to accept the truth. I may have to say with the Apostle Paul: "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16). This is the price many have paid in order to tell the truth.

But take heart, my Christian-Patriot friends, those of you who know and have accepted the truth about who you are and of your glorious heritage. Though the days look dark indeed, remember: "When the enemy shall come in like a flood; the spirit of the Lord shall lift up a standard against him," (Isaiah 59:1 9b). When things look the darkest, remember our Lord's words in St. Luke 21:28 - "When these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."

NOTE: Since each chapter is a separate message, there will be some overlapping of illustrations and documentation.

Chapter One

WHO ARE WE?

In Joel 2:17, we read: "Let them say, Spare thy people, O Lord, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, 'Where is thy God?'"

Then in Ezekiel 33:11 - "Say unto them, As I live, saith the Lord God, I have no pleasure in the death of the wicked, - but that the wicked turn from his way and live; turn ye, turn ye from your evil ways: for why will ye die, O house of Israel?"

The biggest problem among young people in recent years has been one of identity. When you ask why they are doing some of the strange and crazy things they do, they will tell you: "I am trying to find myself; I want to know who I really am."

It has been my privilege, since retiring from the Army in 1964, to travel extensively in these United States. I have spoken in 49 of the 50 states, in over 2600 communities during this period. The more I see of the problems which are strangling this country, the more I realize the vital necessity of Americans rediscovering that sense of Divine guidance which led our forefathers to face dangers and hardships, with the assurance that God would prosper their undertakings.

Today, we find a spirit of fear in the United States. Within the past forty years, we have fought the only "no-win" wars of our proud history and have been defeated by countries which are smaller than most of our mid-western states.

Today, we see our Government cringing before the threats of little Banana Republics, who a few years ago were regarded as unfunny jokes. We are confused by

Our confusion, I believe is caused deliberately. A few years ago, as I traveled in the Ozark Mountain region of Northern Arkansas, I met an old hillbilly philosopher, I believed what he said: "It ain't so much from not knowin' that causes the trouble' as from knowin' so much that ain't so!" This state of fear has been brought about by a deliberately planned program of falsehood. It will continue to plague us and dominate our national thinking, until we waken to the realization that God has a
specific purpose for America.

I believe there is much evidence available, that God brought this nation into being for this specific purpose.

What is it that will change this condition of chaos and fear which now saps America's will? What will bring to the forefront, leaders of spiritual nature and righteousness, who will be joined by a people who are willing and ready to face every problem which confronts us, knowing that through God we will be victorious?

The answer to these questions may startle you, my Christian friends, especially if you belong to that group of Christians who are known as "fundamentalists." Few fundamentalists have ever been told the facts in their churches, concerning America's origin and her destiny. As a consequence, we have fallen down in fulfilling our responsibilities as God's people.

Before we go any farther, let me say that I too am a "fundamentalist," in the strictest definition of the term. I believe in all the cardinal doctrines of the Holy Bible. I believe that God is the Creator, over all; that Jesus Christ is His Virgin born Son, the Savior of the world, by virtue of His sacrificial death on the cross of Calvary; I believe that the Holy Spirit is God's Emissary on this earth and that He dwells in those who have accepted Christ as Savior. I believe that Jesus Christ is coming back to this earth, as He himself foretold and that He will rule this earth as King of Kings and Lord of Lords. I believe that the Bible in it's original manuscripts is the Holy and infallible Word of God. (This means that it is without error).

So what I say here will be startling to some of my readers. Not because it is a "science-fiction" type message; not because I will be trying to shock you, but because the Bible, plus secular history proves it to be true - yet few fundamental churches preach it! If you accept the facts that I give you in this message, you will have to give up some of the old "time-worn" ideas which have been preached in our churches for decades, but which are the "traditions of men, rather than the word of God." I do not believe that many of our pastors have preached false ideas deliberately to lead people astray, but that they have done it through ignorance, since they were taught the same ideas in their seminaries. Many fundamental Bible scholars will reject the ideas I will submit, because they are not honest enough to admit they have been wrong. So I do not ask you to believe me. I do encourage you to check out the facts ... they are available if you want them ... check them out against the plain teaching of the Word of God, check them against recorded world history and when you find that what I told you is true, then have the courage to act for the salvation of America as a free, Christian nation.

It could be, that by the time I finish this message, I might have to say with the Apostle Paul: "Am I become your enemy, because I tell you the truth?" I hope you will be honest enough with yourself, to accept the truth and act on it. All I can do is follow the admonition of Isaiah 58:1 - "Cry aloud, spare not! lift up thy voice as a trumpet, and shew my people their transgressions, and the house of Jacob their sins."

This is not some "spur of the moment" message, which was inspired by something I read somewhere, or some tape I heard. I have been studying and thinking on it for a long time. Hundreds of hours of Bible study and study of history have gone into its composition. If telling the truth makes me unwelcome in some fundamentalist pulpits because it contradicts their traditional stand, then I must say wian Peter: "We need to obey God rather than man." All I can do is show the truth of God's Words, as the Holy Spirit gives me enlightenment. You will have to answer for what you do with it.

As I said, I remain a fundamentalist. In fact, my fundamental stand has been vastly strengthened by my new enlightenment.

I believe that without a shadow of a doubt, America has been called by God for a very special purpose and we need to understand this. When we acknowledge this purpose; when we become
aware of it; then the revival which will bring America back to God will occur and not before. All the "Christian Moral Majorities" in the land will not bring about this revival; all the great planned evangelistic efforts, will not cause it to break out. It will not occur until God's people will acknowledge their sins, and will pray for forgiveness and get on with the task the Lord has given us. When this happens and only then, will the Almighty One of Israel "hear our prayer and heal our land." (2 Chronicles 7:14)

When we understand and acknowledge the purpose of God for America; when we become aware of our great destiny as witnesses for God, as His special chosen people Israel; only then will we regain the strength of our forefathers, who understood America's destiny. The revival will come. God's true Israel will be saved. But it could be because of our stubbornness; because of the blindness that has come on Christian minds, that we will first have to suffer under the terrible yoke of Communist, atheistic, Satan-inspired oppression.

The Bible gives us a clear alternative to this terror, if we are willing to accept our destiny and the responsibility which goes with it. Then and only then will we find our way out of the predicament which is today destroying us. When we realize this then: "In righteousness shalt thou be established; thou shalt be far from oppression; for thou shalt not fear: and from terror; for it shall not come nigh thee," (Isaiah 54:14).

Our fundamental churches have been oh so careful to preach individual salvation and this is as it should be, but we have woefully neglected to preach national repentance and national righteousness as a way of life. Only as this righteousness comes in obedience to the Laws of God will be have peace and security. Once you have heard this message concerning your Identity as one of God's Chosen People, then you will have no excuse for not becoming involved in this great crusade to bring America back to God. You will have no excuse, even: "But my pastor doesn't believe that way!"

I predict that if America refuses to hear God's message of warning, she will be driven to her knees in the very near future. Some of our military men are saying it may happen within the next few years. One said: "I believe we will see the surrender of the United States to the Soviet Union in the Rose Garden of the White House, unless something drastic happens." The sad thing, my friends, is that the righteous always suffer along with the unrighteous. Those of you who have had the special privilege of having accepted God's Messiah as the Lord of your life, will one day stand before Him and answer for your neglect. "For we must ALL appear before the Judgment Seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad," (2 Corinthians 5:10).

I do not ask you to believe me because I am some great Bible scholar, or educated intellect. Rather I challenge you to check out the facts I give you - dig deep into God's Word and the records of history, which always uphold the Bible. Then have the courage to believe the facts, no matter what you may have been taught otherwise. For centuries, the best scientific minds believed the world was flat and they were greatly disturbed when Columbus proved otherwise. Many men have been persecuted and even killed because they upset the "status quo," and went against popular tradition.

In the last book of the Old Testament, Malachi 4:5, 6, we read: "Behold, I will send you Elijah the Prophet before the coming of the great and terrible day of the Lord, and he shall turn the heart of the father's to the children, and the heart of the children to the father's, lest I come and smite the earth with a curse."

The significance of this association of the Elijah message with the Day of the Lord, is that God's people will be called on to repent and restore the administration of the Law of the Lord. (Not the Old Testament blood sacrifices - they were done away with forever, because of the sacrifice of Christ at Calvary; but the Laws of God, are still valid, although few Christians heed them.) This was to be accomplished, when the people finally realized who they were. (Isaiah 51:1, 2) - "Hearken to me, and follow after righteousness, ye that seek the Lord; look unto the rock whence ye
are hewn, and to the hole of the pit whence ye were digged. Look unto Abraham your father, and unto Sarah that bare you."

THEN LISTEN to this further message from Ezekiel 20:37 - "I will cause you to pass under the rod, and I will bring you into the land of the covenant: And I will purge out from among you the rebels, and them that transgress against me..." (vs. 44) - "and ye shall know that I am the Lord, when I have wrought with you for my name's sake."

Now I can already predict how many of your minds are working. You are saying to yourself: "God was speaking here about His Chosen People, the Jews."

So let's analyze this by asking another question: "Is there really a Chosen People?" The textbook we study will be the oldest racial document of the human race. It is a volume of 66 books, which we call the Holy Bible.

In presenting this Book, it is not required that you approach it with some theory concerning its inspiration. Inspiration is not some idea we bring to the Bible to give it a supernatural standing. Inspiration is an idea we fetch away from the Bible, when we somewhat sense its divine essence.

You cannot know that anything is inspired unless it inspires you. As a result, the Bible remains an uninspired Book to millions...who profess to believe in its inspiration. They are willing to take from it, only those ideas which coincide with their own. But if the Bible teaches something different than what they believe, they will go to almost any length to prove that they are right.

I believe the Bible labors under the disadvantage of being regarded primarily as a religious book. Yet you go far into the Bible before you find anything that smacks of religion, except for the "seed plot" of the Bible found in Genesis 3:15.

The Bible begins with geology, astronomy, meterology, biology, anthropology and psychology. All the materials of the physical and mental sciences - the concepts of time, space and motion, of creative method and purpose on its pages.

God is the central figure of the Bible, but God is not a religious figure, He is not an ecclesiastical character, as some would have us believe. The creating and sustaining God of the Bible and history, appears as the sole complete personality, the One completely normal Being, of eternal wisdom, power and purpose, who upholds all things by the power of His Spirit. Colossians 1:16,17 tells us: "By Him were all things created... whether they be thrones, or dominions, or powers: all things were created by Him, and for Him. And He is before all things, and by Him all things consist." In the original Greek, this means they are "held together" by Him.

Isn't it wonderful to know that in the midst of all the trouble and turmoil; in the midst of all of men's despair, that God still holds this old world together?

Religion does not appear in the Bible until man's unnatural, sinful departure from God's nature. Religion appears as an emergency element, a rescue force, if you will, brought in because of abnormal human breakdown. When it finally fulfills its part in God's work of restoration, religion will disappear.

The Apostle John, writing in Revelation 21:22, concerning the New Jerusalem and the New Heaven and earth said: "And I saw no temple there, for the Lord God Almighty and the Lamb are the temple of it." You see, there will be no need for a temple in the new world.

There is much careless talk when men begin to discuss race. The Gentile boasts of his superiority over the Jew; the Jew of his superiority over the Gentile; the Japanese over the Chinese; the German over the French; black over white, and white over black. We Americans are prone to think of America as a relatively new race on the world scene. I believe in reality, that the nucleus which made up America, and was responsible for her founding, is a very old race. I'm speaking now of the White Anglo-Saxon, Celtic, Germanic, Scandanavian and related races who were responsible for settling
this country.

The true effect of racial knowledge should not be to feed one's vanity, or rouse one's boastfulness; rather, it should arouse in us a great sense of responsibility.

These days, most folks are afraid to mention race, especially if you belong to the White, Anglo-Saxon peoples. We are afraid we will be called prejudicial and today, that is a cardinal sin. But it is not wrong for a black man to believe that "black is beautiful," that is considered his right.

So let me lay down a ground rule before we begin our discussion of race and racial origin. "When pride of race leads us to boastfulness and contempt for others - it is a false pride!"

We will not be discussing nationalities for they are largely artificial. But race is not artificial; it is a basic natural fact!

Take the white Anglo-Saxon people as an example. They are made up for the most part of people who call themselves German, French, English, and Scandinavian. While they may speak different languages, when you touch their basic, central sensitive nerve, you will find their response to liberty, reverence, orderly social life, and progress to be basically the same.

Consider the United States and Canada. Here we find two nations, divided by an unseen border, yet for all practical purposes they are "one and the same people."

Race is one of the most insistent Biblical facts. The Bible is not the history of many peoples, but of one distinct group among the family of races.

The Bible is not Ancient History, dealing with a dead race and a dead civilization. It is contemporary history, meaning that it deals with what happens in the world today.

The Bible deals with one race, which flows through history like a mighty stream; touching two continents and blessing many nations.

The Bible explains what God has done and why; it shows revelation in progress. God never wrote a book, He writes in life. When He wants to show us oakness, He does not present us with a botanical formula, He makes an oak tree.

Our Lord Jesus Christ followed this same formula. He left no books written by His hand. He left twelve living men, who became His manuscripts. The same is true of race. The Bible is largely devoted to one race, sometimes referred to as the Chosen Race.

It is at this point that most Bible scholars depart from reality. They shrug their shoulders and say: "So what! It's the Jews, everyone knows that. What difference does it make to us saved folks?"

Well, my Christian friend, it makes all the difference in the world.

I'm sure most of you are familiar with the story of Abram; how he was torn from his homeland by God's command. He was to become - God said it: "a great nation and many nations."

While Abram had many sons, his racial line was to descend only through Isaac (Genesis 21:12) - "...for in Isaac shall thy seed be called."

From Isaac, the "Seed Line" passed to Jacob and then to Jacob's sons. These people were called Hebrews - not Jews, as we are apt to carelessly call them today.

They expanded in numbers, power, and prestige, until by the time of King David, the Prophet Nathan predicted they would be planted in another land which they did not know - that God would give it to them and they would move from that place no more. This "Appointed Place," could not have been Palestine, for they were standing in David's palace in Jerusalem when this prediction was made in 2 Samuel 7:10 - "Moreover, I will appoint a place for my people Israel, and will plant them, that they may dwell in a place of their own and move no more; neither shall the children of wickedness afflict them any more, as before time."

The selection of a nation by Divine choice, for a special purpose, is a wonderful thing. It does not
call for boasting, as the Jews do, nor for the feelings of superiority, the Jews exhibit, but for great humility. It was a great event when God chose Israel, not because of her size, or influence, but because of the faithfulness of His servant Abram. (Read Deuteronomy 7:7-8).

It was indeed a mighty event when America was taken out of the midst of a great nation and became a separate and special constellation among the powers of the world. Do you honestly believe this happened by accident?

The Apostle Paul, in his Epistle to the Romans, gives and answers the question: "Why?" He said the chosen people still continued to be chosen because: "the gifts and calling of God are not subject to change..." (Romans 11:29). In other words, they are absolute and unconditional. Nowhere did God ever say: "If you obey me, then you will be my people." God said in effect: "You are my people and because of this you shall obey me." That little word "SHALL" is the key to what is happening in the United States today.

Were all God's promises made to Abraham illusions in his mind? Just for a moment, let us assume, just for the sake of argument, that these promises were delusions of grandeur; a vain desire on the part of Abraham for distinction for his posterity. If this were true, they would have died with Abraham, for delusions always die with deluded men!

If God's promises to Abraham had been hatched in human minds, they would have come to nothing. If God had not selected and predestined, a servant-ruler race, then that race would never have served or ruled! It is not a simple matter of faith, but something which can be tested by history. Things are always valid fact, or they are deluded dreams.

None of you who read this message ever knew George Washington; neither did your father, your grandfather, or your great-grandfather. Yet you know he was our first President. Why? Do you take this on faith? Of course you don't. You believe because it is a historically proven fact that he lived and served our country as its first President.

The same is true of Jesus Christ. We do not have to accept his historical existence on faith, for it is a provable fact that He lived and walked on the hills of Palestine, that He was tried and executed by a Roman court and that He rose again on the third day. We do not have to take this on faith alone, it is a provable fact.

In the same way, the Chosen Race did not die with Jacob. It outlived Abraham and his great, great, great grandchildren. It lasted over 400 years to the time of Moses; then 450 years later it was the dominant theme of King David's time; another 300 years and we find the same idea being promulgated by the Prophets Isaiah, Jeremiah and Ezekiel. Go forward another 300 years and you will find it again in the last book of the Old Testament, Malachi.

The truth concerning the Chosen People outlived the 400 years of darkness which separates the Old and New Testaments. It appears again in the Gospels, in the Epistles, and then in the Book of Revelation. It was the common language of the Pilgrim Fathers. It can be found in the prayer book of the early Episcopal church. It was believed by the early Baptists and Methodists. The idea that we are God's Chosen People appears in the early church hymns.

"Ye chosen seed of Israel's race;
Ye ransomed from the fall;
Hail Him who saves you by His grace,
And crown Him, Lord of all!"

Our forefathers were not singing about a race of people we call the Jews. Their songs of praise came from God's Chosen People, now settled in God's "Appointed Place." They believed this, they preached this. How sad that we have gotten away from this mighty manifestation of God's grace.

But there are Biblical marks by which we can identify the Chosen People in history. Let us look at a few marks of this identity and match them with the only people they can fit:
1 - The "Chosen Race," would believe in the living God of Israel. Take a good look at the globe, where this faith is predominate and you will find decisive boundary lines, defining the people of which you re a part. The Jews, on the other hand, are primarily an agnostic, atheistic race, who follow the heathen Babylonian Talmud, rather than the Laws which were handed down by Moses. Don't argue with me about this, be honest enough to check it out for yourself!

2 - The "Chosen Race" will have the scriptures. Among Anglo-Saxon and kindred people, the Bible is the people's Book. In other lands, where it exists at all, such as Italy and Spain, it is the Book of the Church. There is a great deal of difference. The Jews on the other hand follow a false book, which was never given by God and which follows the traditions of men rather than the Laws of God. Look at the condemnation of the Pharisees by Jesus in St. Mark 7:13 -"making the Word of God of none effect, through your traditions." (See also Matthew 15:3).

Nine-tenths of all the Bibles published come from British and American Bible Societies. In Anglo-Saxon and kindred lands, the Sabbath is a day of rest and worship, so established by law. Listen to Exodus 31:13 - "Speak thou also unto the children of Israel, saying, verily my sabbaths ye shall keep; for it is a sign between me and you and your generations."

There is a great deal of difference between the Anglo-Saxon Sunday and that of Latin countries, where elections are often held on Sunday.

3 - The "Chosen Race" will be a missionary race, giving the Scriptures to all people. At least 95% of all missionary activity comes from England and the United States. They do not preach a "church system," as do the missionaries of Roman Catholic countries, but the liberating Gospel of Christ's saving grace. The "Chosen Race," has the age old exhortation to spread the Word, Isaiah 40:3 - "Prepare ye the way of the Lord, make straight in the desert a highway for our God." The Jews have never been a missionary race for Jehovah But the true "Chosen Race," has formed a living highway along which Jesus has traveled across Europe, to England, to America, and to the uttermost parts of the earth.

We know about the grievous sins which are being committed in America; yet in spite of these, one-half of the world's Sunday School attendance is in seemingly careless United States and 45% is in the other Anglo-Saxon countries. On the other hand, the religion we know as Judaism, is not a missionary religion.

4 - The "Chosen Race" would be one that offered a haven of refuge to the world's oppressed. Have you ever seen that magnificent Statue of Liberty in New York Harbor? Millions have believed and have come from every land, to the only country which has ever offered refuge for those who were under religious or political tyranny. The nation known as the Jews, has never done this; even for it's own people.

5 - The "Chosen Race," was to abolish slavery. Listen to the glorious words of Isaiah 61:1 - "The Spirit of the Lord is upon me; because He has annointed me to preach good tidings unto the meek; He hath sent me to bind up the broken hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound." England abolished slavery in 1834 and the United States in 1863, while the people we know as Jews, were always in the forefront of the slave trade; they have never been known as "liberators."
6 - In its trek to a new land, the "Chosen Race" was to move north and west of Palestine. Listen to Isaiah 49:12 - "Behold and these (the Chosen People) shall come from afar; and, lo these from the north and from the west, and these from the land of Sinim." Isn't it strange that this migration went north and west, when all migrations of Semitic peoples down through history moved east and south? Yet the ancient scriptures said that God's people would move into the cold north and the unknown west.

7 - The "Chosen Race," was to be a separate people. They were to mingle with other people, but never be swallowed up by them. This has been true of the United States and the British Commonwealth nations. In spite of mass migration, they have maintained their Christian identity. Today this is under attack, as the social planners of the One-World government, are using every means at their command to integrate the white race with the colored races. They know if this ever happens, then we will lose our identity.

8 - The "Chosen Race" was to become a great people, and a company of nations (see Genesis 17:4). The people known as Jews have never numbered more than 16-million and almost half of these live in New York City. Less than three-million live in Palestine. They have always been a "nation within nations," and have never fulfilled the two governmental branches foretold in Genesis 48:19. It was Jacob's blessing to Ephraim and Manasseh, which have been fulfilled in America and the British Commonwealth nations, but never by the Jews.

9 - The "Chosen People" were to inherit, not Palestine, with its heavy population, but the desolate heritage of the earth - Isaiah 49:8 - "Thus saith the Lord, in an acceptable time I have heard thee, and in a day of salvation have I helped thee, and I will preserve thee, and give thee fora covenant of the people, to establish the earth; to cause to INHERIT THE DESOLATE HERITAGES." This could not possibly apply to Palestine, while America fits this description perfectly.

10 - The "Chosen Race" was to lose it's identity and the knowledge of their identity as the Chosen People, until the "latter days." This has never been true of the Jews; down through the ages, they have always laid claim to being God's Chosen.

For many years, Bible scholars and seminarians have sought the identity of the ten lost tribes of Israel. Today, the "Chosen Race," is a people struggling to find their identity. This has never been true of the Jews. Isaiah says of the Chosen People in 42:16 - "I will bring the blind by a way that they know not; I will lead them in paths they have not known: I will make darkness light before them, and crooked things straight. These things will I do unto them, and not forsake them."

God's sure promise is that in the "latter days", the veil of blindness will be removed and God's people will discover who they are. This happened to me and is happening to many thousands across America, who have remained blinded by the preaching in their own churches.

This is the underlaying purpose of this message, to prove to you, from God's Word, that we are the "Chosen People," the blood line of Abraham and that by continuing on in our spiritual blindness, we are missing out on a multitude of blessings God wants to give us now.

Forget for a while if you will, all the sermons you have heard preached in which the Jews have been called the Chosen People. Forget for a moment all the books you have read along this line. Forget the propaganda of the media and the so-called documentaries, which have been nothing but Jewish propaganda, by the Jewish controlled media. Look at what the Bible, God's Word says. Then if you see what it says and are willing to believe it, as you profess to do, you will be forced to accept the unassailable truth that the Anglo-Saxon and related peoples are the wayward long lost children of...
Isaac; the sons of Isaac, called "Issac-sons."

If America ever realizes this, if she is ever willing to accept her destiny, it would drive us to our knees in the dust, as we realize how that in our ignorance and sin, we have dishonored God's purpose in our lives.

Why do Godly men, standing behind our pulpits, refuse to accept the plain teaching of God's Word? Primarily I believe it is because they would have to admit they have been wrong and that they have been fooled by Jewish fables.

Back in the 1920's, the great American industrialist, Henry Ford, Sr., warned the American people that most of our seminaries had been sold the false idea that the Jews were God's Chosen People. Fundamental pulpits have preached this falsehood for so long, few preachers have the courage to admit they have been wrong.

With this as an introduction, let us look at some facts from the scriptures. The idea of a "Chosen People" is acknowledged by most of the Christian world and it is based on scriptural fact.

So we will begin our technical study by looking at the history of the nation of Israel, or more accurately the Hebrew race. (Notice that the word "Jewish" is not used, for a specific purpose, which you will understand as we continue.)

There is a secular record of history which always runs parallel to the sacred history of the Bible and never contradicts it. A good example is God's destruction of 185,000 Assyrian soldiers as recorded in 2 Kings 19:35. This is paralleled in the recorded history of Assyria for the year 700 B.C.

The Bible is only a small section of human history, seen in a special light and for a special purpose. This section comprises the origin, organization, and dispersion of Israel and the coming Millennial Kingdom. It is through the windows of the Bible, that we can see God at work in history.

Secular history is always written to glorify men. On the other hand, Bible history always glorifies God and as a result, it is merciless and true, showing Bible heroes as fallible men. It depicts Jacob as a cheat; Moses involved in manslaughter; David as guilty of adultery and murder; Peter as a liar and a coward. The Bible can do this, because human fact is not the history. The true history, is that of God working in the world through fallible men and women.

There are three major historical movements in the history of Israel and on each occasion, the cause was unjust taxation. The first was in Egypt, where the Hebrew rebellion was based on the labor levies of Pharaoh as recorded in Exodus 6.

The second was when Israel seceded from Judah because of the labor tax levied by King Solomon, which his son Rehoboam refused to relieve, see 1 Kings 12:14-16.

The third "breakaway", which you may not understand as yet and which will be explained later, came when Israel, in the "Isles of the West," partly settled in their "Appointed Place" in the American colonies, revolted against the unfair taxation of their mother country, Great Britain.

When Israel left Egypt and entered the land they had been promised 400 years before in Genesis 15:13,14, they made it their own by right of "spiritual eminent domain."

The reason for a 400 year lapse between the promise and its fullfulment is given in Genesis 15:16 -"But the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full."

God always gives people and nations a chance to repent and serve Him. He appointed a 400 year grace period for the original inhabitants of Palestine and when their immorality and sin continued, after 400 years, Israel marched in and blotted out this spiritual cancer on God's order.

In Palestine, Israel established a "Theocratic" form of Government. This means a government where God is its head. It was a representative form of government. Moses and Aaron stood for God and represented Him in His dealings with the people. Qualified men were chosen to speak on the behalf
of the people, as their representatives, see Exodus 18:21.

The only time on record, when Israel tried a democracy, was when Moses went up to Mt. Sinai to receive the Law, and Aaron erected a golden calf for them to worship as recorded in Exodus 32. You will remember what a disaster that was. History has always proven that a "one man, one vote" system always leads to disaster; for it is born of mob psychology.

As long as Israel followed the representative form of government, she prospered and had the highest degree of liberty and happiness in her history.

These same blessings, which were once so much a part of the American Way of life, can be restored to us, if our government returns to God and His Laws, which were given for the welfare of His people.

Strangely enough, one of these laws, which has been broken probably more than any other is: "He that will not work, shall not eat." God has never had any plans fora Welfare State, or for a lazy people. It is the Social Welfare program which is strangling America in these latter days of the Twentieth Century.

But the people of ancient Israel, like those of us who are living in the United States today, were not content; they wanted to experiment. The Bible says: "They went after strange gods" This does not mean that they did away with the worship of the Lord God Jehovah, but they followed the heathen practices of the nations which surrounded them, even to following their economic systems. Their idols were built on heathen principles, which produced riches and poverty side by side. While Jehovah was the center of their religious life, their economic life was ruled by "other gods."

This same principle is at work today in America. Our once great churches, have often become nothing more than "religious country clubs," where men and women belong, not because they love God and desire to worship Him, but because it adds to their prestige in the community.

While most Americans give "lip service," to the Golden Rule and would not want to see it abolished, we don't believe it should be applied to business. So it has been superceded by the "Rule of Gold." Many of us have become "Alka Seltzer" Christians, who come to church and "fizz" for an hour on Sunday morning, while the rest of the week we act just like the heathen who surround us.

Our Christian Capitalist system of "Free Enterprise," which has given us the highest standard of living in the world, is now being superceded by a Socialist welfare state which takes away individual freedom and forces the industrious individual to support the parasite who refuses to work.

When the nation of Israel became great, there was a split between the ten tribes in the north, and Judah and Benjamin, with part of the tribe of Levi in the south.

Many Christian people believe the terms "Jew" and "Israelite" are the same or interchangeable - THEY ARE NOT! All the people called Judah were Israelites, but the people of Israel were not Judaites, or Jews as they are now popularly called. The word Jew was not used in the English language until the beginning of the Eighteenth Century?

The Bible draws a very distinct line between Judah and Israel from the very beginning of this split and the distinction widens as the record proceeds.

The leaders of Israel came primarily from the Joseph tribes of Ephraim and Manasseh. Moses was not a Judaite, or Jew, but was of the tribe of Levi. Joshua was from the tribe of Ephraim; Deborah was an Ephramite; Saul, the first king of Israel came from the little tribe of Benjamin, the same which much later produced the Apostle Paul.

The line of division between Judah and Israel can be seen in the Bible censuses, where there were even different classifications, (see 1 Samuel 11:8; 2 Samuel 24:9).

A little careful Bible study of the Old Testament will show you the fallacy of using the term "Jew"
in place of "Israelite."

About 750 B.C. the split between these two groups became final. The Northern Kingdom, composed of ten tribes had Samaria for its Capitol. The Southern Kingdom, made up of Judah and two other tribes, had its Capitol in Jerusalem.

Many generations later, the Northern Kingdom, after traveling North and West from Assyria, where they had been taken captive, became the Anglo-Saxon, Celtic, Germanic and kindred peoples. The Southern Kingdom, with a very small nucleus returning from captivity in Babylon, with a new and heathen religion called the Babylonian Talmud, became the nation we now know as Jews, although this term was not used in the English language until the early part of the Eighteenth Century.

This was the group which crucified Jesus, breaking the Mosaic Law in their unlawful trial of the Son of God. This was the group to which Jesus addressed His scathing denunciation of John 8:44, when He said to them: "Ye are of your father the Devil." He also criticized them on several occasions for putting their traditions before the Law of God. This is exactly what the people known as Jews are doing today.

The books of Kings and Chronicles in the Old Testament are the historical records of the people of Israel and Judah. The book of Kings deals primarily with Israel, while Chronicles deals with Judah. The two nations were related, much as Canada and the United States. Now it is vitally necessary that we mention here a third house, called in scripture the "House of David."

When the Prophet Nathan prophesied to David in 1 Chronicles 17:9, telling him that Israel would be moved to a new place and there be established forever, the Hebrew nation had reached the zenith of it's power. It hardly seemed possible at this time, that it would ever be moved from that land. David had conquered all his enemies and the land had a time of peace and prosperity such as the Hebrew nation had never visualized. But God, through His Prophet, told David that the Hebrew people would be moved to a new "Appointed Place." Not ALL Hebrews, only the Israel branch.

It is interesting to note, that great pressure has been placed on the translators of the Bible to use these words: "I have appointed you a place." If this had been done, then the Appointed Place, would of necessity have been Palestine and the religious leaders of the world, the Christian leaders, would not have had to, in all honesty, change their teachings concerning the Jews and Palestine.

But the translators of the King James Version, Moffatt, and even Goodspeed translated the words correctly: "I will ordain, or I will appoint them a place." This could only place this event at some time in the future and in some place other than the land of Palestine. Yet today, all over Christendom, Christian pastors are insisting that the return of the Jews to Palestine is the fulfillment of this prophecy. This is careless handling of the Word of God, if not worse!

A second promise was made to King David, that his royal house would rule in Israel forever. This prophesy was made about 975 B.C. 390 years later, the last of David's descendants had disappeared from the scriptural scene. Does this mean that God's promise to David had been broken? Not at all!

The Christian church has often tried to "spiritualize" this dilemma by saying that Jesus Christ was of David's line and that the throne of David was perpetuated in Christ's spiritual line But this evasive tactic does not answer the problem

What happened when Judah was taken into captivity? Zedekiah, the last king of David's line in Palestine, saw all his sons killed before his eyes; then he was blinded and was dragged in chains to Babylon, see 2 Kings 25:7.

Evidently King Nebuchadnezzar of Babylon believed that he had killed all of the royal seed. But in the book of Jeremiah, we see where the prophet, with his secretary Baruch and the king's daughters safely fled to Egypt.

No more is told, of Jeremiah's Second Mission "to build and to plant," as recorded in Jeremiah 1:10. But Jeremiah, his secretary Baruch, and the king's daughters turn up later in Irish history, in the
British Isles. (Possibly this is one reason the name "Jeremiah," or "Jerry" is so popular among Irish families. It is seldom used in Jewish families.)

According to ancient Celtic history, which is as well recorded as anything the ancient Greeks or Romans did, the king's daughters married into Irish royalty which can be traced in modern times to the throne of Queen Elizabeth of England.

The word "Tara" is prevalent in Irish history. It means "Law" and comes from the ancient Hebrew word "Torah." The Irish poet wrote:

"The harp that once through Tara's halls, The soul of music shed." He was speaking of the same type of harp that was used by the "sweet singer" of Israel, the boy David, centuries before.

Literally volumes of evidence point to the fact that the throne of David, which became extinct in Jerusalem, was transplanted to the "Isles of the West."

The entire book of Isaiah, written in Judea, was addressed to "Israel in the Isles." Listen to Isaiah 41:1 - "Keep silence before me, O islands; and let the people renew their strength: let them come near; then let them speak: let us come near together for judgment." Verse 5 - "The isles saw it, and feared; the ends of the earth were afraid, drew near, and came." Go on to verses 8 and 9 - "But thou, Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend. Thou whom I have taken from the ends of the earth, and called thee from the chief men thereof, and said unto thee, Thou art my servant; I have chosen thee, and not cast thee way."

Here in this chapter, verses 18-20, are some of the most significant verses of all. Yet I have never heard a Christian minister preach on any of them - notice: "I will open rivers in high places, and fountains in the midst of the valleys: I will make thy wilderness a pool of water, and the dry land springs of water. I will plant in the wilderness the cedar, and the shittah tree, and the myrtle, and the oil tree: I will set in the desert the fir tree, and the pine, and the box tree together: That they may see, and know, and consider, and understand together, that the hand of the Lord hath done this, and the Holy One of Israel hath created it." All of these verses are directed at Israel, cast out of her land, and settled in the "Appointed Place." Did you know there is no place in the world where the famous Cedars of Lebanon still survive, except on the Western Coast lands of the United States? The trees we know as "redwood cedars", were planted by God, in the wilderness of America, over 5000 years ago, specifically for His people Israel.

The problem of modern Christianity goes much deeper than mere acknowledging that the ten tribes of Israel still exist. If White, Christian Americans would honestly study God's Word and secular history, they would recognize the fact that we are "God's Chosen People," set aside for a "special purpose." This would not glorify us as a superior people. It would give us a clearer understanding of the will of God for this nation and in our loves and would give us a purpose in this world to do as God wants us to do. This is clearly shown in the prayer Christ taught His disciples: "After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. THY KINGDOM COME. THY WILL BE DONE IN EARTH, AS IT IS IN HEAVEN." (St. Matthew 6:9, 10).

Christians are apt to glibly quote from 2 Chronicles 7:14 - "If my people, which are CALLED BY MY NAME, will humble themselves and pray, and seek my face, and turn from their wicked ways; THEN WILL I HEAR FROM HEAVEN AND WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND!" Yet very, very few Christians recognize themselves as God's children, not only because of salvation through Jesus Christ, but by RIGHT OF PHYSICAL INHERITANCE!

I wish it were possible in this message to go into detailed explanation concerning Israel's move North and West from their captivity in Assyria, on to England and ultimately to their "Appointed Place" in the New World, in a magnificent country called America. It is a fascinating story, full of miracles of God's protection of His people and ties in with many scriptures which have never been understood, because Christians have refused to accept them at "face value."
I assure you, that if you make an honest effort to study this question, as I have done in recent months, you too will come to the glorious conclusion that you are here on this earth for far more reasons than to be transported to some heaven in the sky, where you will spend eternity sitting on a fluffy white cloud, strumming on your heavenly harp. It will be a great blessing to you and will awaken you to the stupendous fact that you are of the blood of Abraham, the friend of God. You are an "Isaac-son." (Genesis 21:12, Romans 9:7)

When Judah went into captivity in Babylon, she was promised a return to her former homeland in the coming years. But Israel was never promised such a return; instead she was told of a tender royal twig, which would be cropped from the royal house and would be carried away by God's hand "Thus saith the Lord God; I will also take of the highest branch of the cedar tree; and will set it; I will crop off the top of his young twigs a tender one, and will plant it upon an high mountain and eminent: In the mountain of the height of Israel will I plant it: and it shall bring forth boughs, and bear fruit, and be a goodly cedar: and under it shall dwell all fowl of every wing; and in the shadows thereof shall they dwell," (Ezekiel 17:22, 23). Notice now the promise and the Divine signature affixed, verse 24 - "...I the Lord have spoken it and have done it."

Years later, the Prophet Hosea says of Israel, after she had gone into a foreign land: "Yet the number of the children of Israel shall be as the sands of the sea, which cannot be measured or numbered." (Certainly if you are an honest person, you would have to admit that the people we know as Jews cannot qualify here, at no time in their existence have they ever numbered more than 20-million, which is less than the population of many of our States. Go on: "and it shall come to pass, that in a place where it was said unto them, Ye are not my people (they were called Gentiles), there it shall be said unto them, Ye are the sons of the living God." (Hosea 1:10). In other words, they shall be known as a Christian people. (Compare these words with John 1:12 - "For to as many as receive Him (Christ), to them gave he the power, to become the sons of God; even to them which believe on His name."

There is at least one valuable fact of history which should not surprise us. When the Prophet said that Israel would lose its identity and be called by other name, we find the name "Kumri" cropping up. This was the name Israel was called in the land of Crimea.

If I had the time, I could go into the fascinating story of how King Solomon's navy went into the Atlantic Ocean, possibly as far north as Britain. There are many Biblical historians, who believe that Tarshish mentioned in the Bible, was the Western Islands. The maritime tribe of Israel - Dan, had a habit of leaving their name behind wherever they traveled and we see such names as Danube, the land of Danmark, and others, cropping up all over Europe.

All over Northern Europe, one can see the signs of traveling Israel. The Scots, or "Gaels" as they were formerly called, are a perfect derivative of the word "Galilu." You will find this city on the Southern Coast of the Black Sea, on the Northwest tip of Portugal, and again in the Gauls of Spain. Did all these Israelite names happen by chance, or are they trying to tell us something? They were so named, centuries before the Christian era began.

Many Christian scholars have speculated about the first thirty years of Christ's life. There is little scriptural record concerning it, after He appears before the Doctors in the temple at the age of twelve. Yet there is secular historical reference that he may have traveled to the British Isles as a boy, with his uncle, Joseph of Arimathea. Joseph was involved in tin trade and owned a tin mine in what is now known as Cornwall, England.

When persecution of the early Christian church became violent, it disappeared from Jerusalem and showed up in many other places, including Britain. The contention of the Roman Catholic church that Britain was evangelized in 598 A.D. does not hold up to historical scrutiny, since there are many historical records which show a Christian church in England within ten years after Christ's death and resurrection - As the Christian church began to evangelize the world, the Apostle Paul followed the coast line route of earlier Israelites and planted new churches among the Israel
colonies on the northern shores of the Mediterranean Sea. This can be proven by looking at the salutations in the Epistles. From Romans through Thessalonians, the greetings of Paul are to specific churches in this area. The Epistle to the Hebrews was written to Israelites, not Jews. James wrote specifically to the "twelve tribes scattered abroad throughout Asia Minor." Yet our ministers like to tell us that the Ten Tribes of Israel were lost hundreds of years before this. Peter wrote to the "strangers scattered throughout Asia Minor."

The New Testament clearly intimates that Spain was within the boundaries of Paul's missionary vision. In his Epistle to the Romans, he clearly indicates that while he had not at that time visited Rome, he had already been to Spain: "Whencesoever I take my journey into Spain, I will come to you..." (Romans 15:24). In verse 28, Paul explains that he had to go to Jerusalem first: "When therefore I have performed this, and have sealed to them this first, I will come by you into Spain."

If Paul went as far as Spain, there is no reason for us to doubt historical British records which say that he also visited Britain. After all, this is only around the corner from Spain. Check the "Lost Chapter of the Book of Acts"; shows Paul preaching in the Isles.

If Paul went to Britain, then why are Christian ministers upset with historical records which state that Joseph of Arimathea, the uncle of Jesus, did business there? and if Joseph went there, what's so strange about a teenage Jesus going with him? If this historical record had been of the Revolutionary War period, no one would question it, except possibly for the radical who wanted to destroy the truth about this period. Draw your own conclusions!

If we accept the historical records of ancient Babylon, Assyria and Egypt, which go back 35 centuries or so, why is it so hard for us to accept English history of the First Century A.D.?

One of the pre-eminent facts in world history today, is the basic unity of the Anglo-Saxon nations. We the people of the United States did not create this unity. In fact our foreign policy for years has been responsible for raising barriers to it. We have fought two wars with our "mother country," England. We have fought two great wars with Germany, although 25% of our people have a German background. We have spread anti-English propaganda through our school books for over 150 years. We have allowed the United States to be used as the base for anti-British propaganda. Yet in spite of all this, Anglo-Saxon unity still remains a force to be reckoned with. Why? Because Bible prophesy foretold this!

The unity of the Anglo-Saxon people did not come about because we spoke the same language. We do not! It did not come because we had a common political background. We do not! We think the same thoughts because they are our heart's language and we have been conditioned by our Israel-Christian heritage, not the Judeo-Christian culture our pastors like to speak about.

Nowhere else in the world is love of freedom and justice so deeply ingrained as among the Anglo-Saxon peoples. This love of justice and freedom stems from our belief in the Lord God Jehovah, the God of our forefather's, Israel!

We look at the historical records of England and the United States and we have much of which to be ashamed. We see the greedy drive of our industrialists for materialism and the corruption of our leadership, especially in recent years. Yet God's people of the Old Testament committed the same sins and the lash of God descended on them.

Today we see the same trend in England and America. Our problems have come because we have refused as a nation, to follow the Lord. We have broken the Covenant made by our forefathers at Plymouth Rock. If you don't want to accept this, I challenge you to read the words of the Mayflower Compact. "In the Name of God, Amen. We whose names are underwritten, having undertaken for the glory of God and the advancement of the Christian faith, a voyage to the plant the first colony... do by these Presents, solemnly and mutually, in the presence of God, combine ourselves into a civil body politic." That was the beginning of our politics.

A man of God drew up our Articles of Confederation: "Whereas, we all came into these parts of
America with one and the same end; namely, to advance the Kingdom of our Lord Jesus Christ and to enjoy the liberties of the Gospel in purity, we therefore conceive it our bounden duty... that, as an nation and religion, so in other respects, we be one and continue one." That declaration made us a People!

Those of us who have studied and believe the Bible know that the purpose of God will be fulfilled in His people, in His own good time, regardless of what people preach or believe to the contrary. The great English poet laureate, Rudyard Kipling knew this. When asked to write a special poem for the Diamond Jubilee of Queen Victoria, he came up with "Requiem," which is also applicable to the United States.

"Far flung our navies melt away;
One dune and headland sink the fire"
Low, all our pomp of yesterday.
Is one with Ninevah and Tyre:
Lord God of Hosts, be with us yet,

Lest we forget:

"For heathen host, which puts its trust;
In reeking tube and iron shard,
All valiant dust, which builds on dust;
And guarding calls not Thee to guard;
Lord God of Hosts, be with us yet;

Lest we forget!"

He goes on to close in these words: "For frantic boast and foolish word, have mercy on Thy people, Lord!"

Did he know something about the Anglo-Saxon people our present day ministers refuse to accept?

Let no one believe that the things I have spoken about in this message are for the purpose of glorifying America or the White Race. Pride is a sin; racial pride also. But the true Israel message glorifies the purpose of God, as it is fulfilled through men. The highest justification of man's existence is when he becomes the vehicle through which God's earthly purposes are accomplished. It has ever been thus!

Over a hundred years ago, a heathen Jewish philosopher from Germany named Ludwig Feurbach stated: "Man will finally be truly free, when he realizes there is no God of man, but man himself." This idea took root in the diseased mind of a young Jewish radical named Karl Marx and was the bedrock on which the philosophy of Communism was founded.

This same idea can be found today in the teaching of Secular Humanism, which was designed to destroy the spiritual strength of America by destroying her moral fiber. It is in direct conflict with the teaching of Christ, when He said: "If ye will know the truth, the truth will set you free."

The real beginnings of America were in a little believing church. Inspite of kings and popes, the Divine guiding hand of God, gathered these men from among His people, for a specific purpose! These were not rude, uneducated peasants. Many of them were graduates of the universities of Europe. They were men who knew their Bibles by heart and could read them in English, Hebrew and Greek. But they lacked one skill for their venture in the New World, that was the military skill to protect themselves. God supplied that in a man named Miles Standish. Standish had been a soldier in Holland, where he had been fighting against the Spanish, for religious freedom.

This little band of exiles, held a patent for lands in Virginia. They were driven north by fierce storms and landed on the hostile, rocky coasts of New England, at a place called Plymouth Rock.
You all know the story of that first, bleak, barren winter, in which over half of their number died. But God was working in His mysterious ways and saved them through a miracle; just as He had done with their forefathers in the Wilderness of Sinai, centuries before.

Who were these Pilgrim Fathers? Here is what they called themselves: "The seed of Abraham, God's servant, and the children of Jacob, His Chosen." They looked on themselves as "a vine out of Egypt in this wilderness." These were the words they used. They used the old Hebrew word "led," not "driven," when they explained why they had had to come to the New World. They braced themselves for the troublesome times they knew were ahead, by relying on God's promises to the children of Israel, because they knew they were part of this same Chosen People.

My friends, inspite of everything that people like Madelyn Murray O'Hara may say, the hereditary strain of America's Christian background, which made her the greatest, came from this spiritual planting. What a "powerhouse" for righteousness the Church would become, if she rediscovered this truth and acted on it!

If there was space, I could show you how time and time again, at a moment of crisis, God saved our new country by miracles as great as any recorded in the Old Testament. Our Founding Fathers knew who they were and they expected God to act in their behalf. When Fort Ticonderoga was captured from the British during the Revolutionary War, it was taken in the name of "the Lord God Jehovah, the God of Israel." I doubt very much if there was a single Jew in that Continental force. But those were the words our commander used. He knew who he was and why he was there!

I have already pointed out to you how the Mayflower Compact was the beginning of our politics; and the Articles of Confederation made us a People. Then in 1775, the Declaration of Independence made us a Nation. They said: "For the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes, and our sacred honor."

It becomes evident, that the Mayflower Compact, the Articles of Confederation, and the Declaration of Independence is a three-fold cord which binds us in a covenant relationship to the Law of God. Our patriotism and our religion grow from the same stem, and we will be judged on how we obey this Covenant. All three of these documents are based on the knowledge of the American people that they were "God's Israel in the wilderness."

Do you refuse to accept this? Then I challenge you to read again these documents in their entirety. See what our early leaders, men who were on the scene, men who took part in our nation's birth, said.

George Washington knew who we were. He called America "the Land of promise." When the people of this land made him their first President he said: "Every step by which we have advanced to the character of an independent nation, seems to have been distinguished by some token of Providential Agency."

Abraham Lincoln knew who we were. He said that he was but "an humble instrument in the hands of the Almighty, and of this, HIS MOST CHOSEN PEOPLE!"

The overwhelming mass of evidence proves that the United States represents one great body of Israel, bound by Israel's responsibility, fulfilling Israel's scriptural destiny. In no way, does this detract from the fundamentals of the Faith. I have been accused by some of departing from the "fundamentals of the faith," because I refuse to accept the Jews as the Chosen g hiod. I vehemently deny this, my fundamentals of the faith have been strengthened by this truth I have acknowledged. People who believe in the Israel Identity of the White Anglo-Saxon and allied people's of America, should be more fundamental than any others, for they should recognize their responsibility to act as God's People. This truth should add to the other truth's of God Word, not detract from it!

I wish there was time to go into the symbolism which our Founding Fathers wove into our National emblems. These all pointed to their knowledge that America is God's People. We will cover more of
this in subsequent messages.

Suffice it to say, that if Christian Americans ever get the vision of who they are; if their pastors will have the honesty and the courage to study the Word and the facts of history and pass it on to their people; this nation of ours will be turned around in a remarkably short time. It could come before we have first been driven to our knees in the dust. I believe it is up to those of us who say we love the Lord, to fall in love with Him enough to do what He has told us to do and thus save the Land we love.

Chapter Two

LET THERE BE LIGHT!

There are many historical discrepancies which exist concerning the early history of England, the Mother country of these United States. This is partly because of the confusion and misunderstanding which has been caused by the translation of names from one language to another. Historians when discussing the early history of our forefathers, seldom if ever, discuss the language spoken by the original Britons and Gauls.

If we are to understand the true significance of our roots as AngloSaxons, we need to go back to the original languages, rather than the piece-meal accounts which have come down to us through the Greek and Latin languages.

Today there is a strong drive afoot to discredit everything which is White and Christian; especially if it is Anglo-Saxon. So we need to take a long, hard, honest look at where our people came from, in order to understand where we are headed.

Historians have been among the worst offenders, for they have constantly put out the theory, that for centuries before the Roman invasion of Britian, our British forefathers were painted barbarians, devoid of all cultural and religious conscience. They have blithefully written off centuries of majestic British history as either folklore or myth.

When one looks at the present scholarly approach to ancient British history, you can easily come to the conclusion that the scholars involved have entered into a deliberate conspiracy to blacken the name of the early inhabitants of these Islands and thus put a "pall of shame" on those of us who claim them as ancestors.

But there is no need for shame on the part of white Americans, since the truth of our ancestors is available for anyone who is honest enough to seek it.

Any honest scholar who reads the classical history of Rome, Greece and Gaul, and who then compares this with early British records can see this truth. It may require a bit of effort on their part, but the records are available and are stored for the most part in the British Museum Library, with a few in the Vatican Library - all of them make for fascinating reading.

Literally thousands of Cymric historical documents and monastic documents are available for study. (The word "Cymric" refers to the early people of Britain). There are other historical versions from very early British historians.

Modern scholars for the most part, and unfortunately this includes the majority of Christian scholars, have either refused to believe these ancient documents, or have deliberately ignored them. Probably more so the latter. There is a good reason for this. If they were to accept these historical documents, they would be forced in all honesty, to accept the identity teaching, that the Anglo-Saxon, Celtic, Scandinavian, Germanic and related peoples, are indeed the "Israel of God," who were cast into the wilderness for their sins. They would have to admit that these were the "lost sheep of the house of Israel," who Christ mentioned in Matthew 10:6 and 15:24. In the latter verse He said: "I am not sent BUT unto the lost sheep of the house of Israel."

The word "lost" used here, comes from the Greek word "apollumi," which is made up of two base
words; "apo" which means: "to put away," and denotes separation, and "allumi," meaning: "punishment." What we find here literally is a word which has nothing whatsoever to do with being "spiritually lost," as most preachers would have us believe. Christ obviously sent His disciples out to preach the Kingdom message to those Israelites who had been "put away for punishment." In other words, the Tribes of Israel which were in the dispersion.

Many historians refuse to accept the ancient British manuscripts which prove the Israel Identity of these early British settlers, saying they cannot be trusted. Yet these same scholars (?) accept the historical records of Assyria, Babylonia, and Egypt, which are centuries older and which give us the early record of such men as Abram, Isaac, Jacob, and Moses.

It almost seems as though modern Bible scholars want to destroy the truth of history. It becomes obvious, with a little observation, that they are dedicated to the proposition that the people we now call "Jews" are the people of the Book. They will allow nothing to disuade them. It could be that they unconsciously realize that their own people would rise up in righteous indignation, if they realized how down through the years, they have been cheated out of one of their greatest blessings, while our worst enemies have been elevated to the top position among the families of the earth.

When I first approached my fundamentalist pastor with these truths, he rather sneeringly referred to them as "discredited British-Israel teachings." When I showed him, or tried to show him documented proofs that the Zionist Jews could not be God's Chosen People (and these proofs come not only from historical sources, but from the Word of God itself), he refused to even look at them. His reaction was: "If you preach this trash; not one Baptist church in the nation will open it's doors for your message."

I guess this touched a wrong nerve in me for I responded: "I did not realize that the criteria for being right in the eyes of God was to have Baptist approval." Just because a majority of Baptist preachers have had their eyes blinded, does not mean that I must close my eyes to the truth. I'm still a Baptist and I will put my fundamentalism up against any pastor who condemns me for my Israel-Identity beliefs. It almost seemed as though my pastor was echoing the condemnation that comes from many about the Baptists; many of you have heard it: "You Baptists believe that if someone is not a Baptist, they will never make it to heaven, for only you have the truth." This of course is absolutely religious "tommyrot."

It is not being scripturally honest for any pastor to disregard history which is in complete agreement with the Word of God. Maybe this type of thinking is why you have never heard a sermon preached on Revelation 2:9; 3:9 - the Son of God speaking: "... I know the blasphemy of them which say they are Jews (Judeans) and are not, but are of the synagogue of Satan." Don't get angry with me, please, I didn't write those words.

I've never yet met a fundamental, or conservative pastor for that matter, who was honestly willing to face up to the facts given in these two verses.

But let's get back to our early British ancestors. The enemies of ancient Britain wrote openly about the amazing culture of these people - they were not barbarians. The city of London, then called Llandon, was founded 270 years before Rome, about 1020 B.C. At the time of the Roman invasion, it had many of the finest universities in the Western World.

The famous British archeologist, Sir Flinders Petrie, discovered in old Gaza in Palestine, gold ornaments and beads of Celtic origin, which dated as far back as 1500 B.C. This indicates that there was probably sea commerce between the Islands and the Israelites centuries before the time of Christ. In 2 Chronicles we read how the ships of Tarshish brought much wealth to king Solomon, this was about 990 B.C. and there is much evidence that Tarshish was the British Isles. This could have been the same area to which Jonah was fleeing when he was tossed overboard in a storm and was swallowed by a great fish.

The art of enameling and the production of tin can be traced to the British Isles. The Britons were so
advanced in the art of enameling, that relics can still be seen in the British Museum, which are well over 2,000 years old and are as perfect as the day they were made. Roman history proves that the Britons taught this art to the Romans.

Herodotus, the father of secular history, writing about 450 B.C. talked about the high civilization of the British Isles. Julius Caesar, following his first campaign in the Islands in 55 B.C. wrote with a great deal of admiration about the advanced culture of the Britons, their excellent character, their ingenuity in commerce and their craftsmanship. He referred with amazement to their large cities, their architecture, their universities of learning and particularly to their religion. The Britons believed in one God, long before the first Christian missionaries arrived. They believed in a coming Messiah and in a life after death. This is what made them such fearless soldiers; because they were not afraid to die. Do these things seem to you to be the mark of the naked, barbarians our historians would have us believe inhabited these islands? Can't you see the earmarks of their Israel background?

There are many ancient historical records concerning a people called kimmerians - Kimmeri - Keloti - Kelts, or Celts as we now know them. These people seem to have immigrated through Europe from somewhere near the Caspian Sea. Archeological finds have proven that the British Isles were uninhabited before the Celts arrived. Long before they were known as "Celts," the Prophet Isaiah addressed himself to them as the inhabitants of the "Isles of the Sea."

Why have Bible historians in particular, mutilated historical facts concerning these people? It is a tragedy of the first magnitude, which baffles the mind of an honest person. Is it because they have been "brainwashed" in recent years by their seminary leaders, into a false concept of who God's Chosen People really are? Preaching the Gospel has been made into a profession.

Philologists, those who study human speech, especially as the vehicle of literature, that sheds light on the cultural history of a people, state that the ancient Phoenecian script is the ancestor of modern English. Preceding this was the "Keltic" or "Cymric" tongue, which is the worlds oldest living language. Its roots are closely related to ancient Hebrew.

We need to mention at this point, that ancient Hebrew, the language of the Old Testament, has very little association with modern Hebrew and absolutely nothing with "Yiddish," which is the world language of modern Jewry.

In the book of Nehemiah, in the Old Testament, we read how the scribe Ezra bewailed the fact that his people, returning from 70 years of captivity in Babylon, could not understand their native tongue. They had become a "mixed," or better yet, a "mongrelized" nation. Listen to Nehemiah 13:24 - "And the children spake half in the speech of Ashdod, and could not speak the Jews (Judaite) language, but according to the language of each people."

As I said, the modern Jew speaks "Yiddish," which is a conglomeration of several languages. This is because the modern Jew is a "mongrel" nation. We can see this by reading in Esther 8:7- "...and many of the people of the land became Jews: for the fear of the Jews fell on them." There were literally thousands of Jews in Babylon who were not of the seed of Abraham, just as about 90% of the people we now know as Jews, have not a drop of Abraham's blood flowing in their veins.

Abundant proof exists which proves that the ancient Celtic language of Britain is still alive. It is frequently spoken in Wales, Cornwall, Ireland, Scotland, Brittany, and Normandy.

During World War II, when the Allied High Command could find no way of preventing German Intelligence from deciphering their wire messages, Britain's Prime Minister, David Lloyd George, suggested using the Cymric tongue in their transmissions. This was done and it completely baffled the Germans.

Today's historians, for the most part, have completely distorted history and seem to gloat over the control they exert over historical facts. To illustrate this, let me tell you of an incident that happened to me a few years ago in a Florida school. I was waiting in the library to meet the school
superintendent, when I picked up a Fifth Grade History book. Being a Revolutionary War buff, I naturally turned to this era in our history. Here is what I read: "We cannot always believe the stories we have been told about early American leaders; George Washington and the cherry tree; Paul Revere and so on, for it has been proven that on the night that Paul Revere was supposed to have warned the people of the British attack, he was drunk in bed with a prostitute in Boston." It's no wonder our children have little pride in our country anymore. Well the religious historians are just as guilty of distorting facts.

News reporters revel in their ability to distort historical facts so as to fit their political and racial beliefs. I remember a few years ago watching a FACE THE NATION television show on which Walter Cronkite appeared. The moderator asked him: "Mr. Cronkite, how do you feel about truth in presenting the news?" to which the famous commentator replied, in his superior manner: "My job is not to tell the truth; I am an opinion molder!" The same is true of religious historians. Bible scholars often twist scripture to fit their own narrow way of thinking, without careful consideration of what the Word of God really says. If you don't want to believe this, consider the manner in which Bible scholars define God's Laws concerning Baptism. There are many modes, and each group insists theirs is right; yet they use the same textbook to prove their point. They have done this in their teaching concerning the Jews as God's Chosen People and immediately label as "ignorance" or "prejudice" anyone who disagrees with them.

Let me give you a striking example from one of our major Protestant denominations. Can you explain to me why the writings of Martin Luther, the founder of that denomination, why his writings concerning the Jews have been completely expunged from Lutheran seminar literature? Luther on many occasions pointed out the dangers posed by allowing Jews into positions of responsibility in government. He commented on their low moral character, their trickery in dealing with politics and their avarice for gold. Yet today you can't find one of these books in a Lutheran school.

Theological scholars today, as in ages past, often describe history so as to bolster their own political and religious beliefs, not for the advancement of truth. They turn viciously against anyone who contradicts them; even when they have been proven wrong. They fail to realize that language and geography is not the standard of judgment on which race is based. There is often a change in these basic elements; but while language and location often change, race never does.

In order to properly evaluate the history of any race, we must recognize the progressive changes which appear in its language, religion, social customs, and geographical residence.

We must constantly guard against the distorter, the irresponsible, the quack, and the atheist. The Apostle Paul warned of these in 2 Timothy 3:13, when he said: "But evil men and seducers shall wax worse and worse, deceiving and being deceived." That word "seduce", means "to lead astray; to persuade to disobedience or disloyalty." This is what we must constantly guard against in our churches, even the fundamental ones.

The warped minds of these seducers are motivated by bigotry, greed, power, prejudice, intolerance, religious and racial hatred. They even hate their own people. What they cannot easily understand, they scoffingly label as "myth", or "tradition," without actually understanding the meaning of the words.

According to Webster's Dictionary, the word "tradition" means: "the handing down of information, beliefs, and customs by word of mouth, from one generation to another without written instruction." To the bigoted professors in our seminaries, "tradition" is synonymous with "fairy tales." But this is not it's meaning at all. Disraeli, the British statesman once defined tradition when he said: "A tradition can neither be made nor destroyed."

A tradition is a truth, embellished no doubt by the passage of time, but a truth nevertheless. Tradition can easily be clarified by anyone who is honest enough to try and separate the "wheat from the chaff."
For instance, the Western world has come to generalize the meaning of the word "Christian," to cover all who believe that Jesus Christ existed as a historical figure. This is not the Bible definition by any stretch of the imagination. It is also often insinuated, that the followers of Christ, from the very beginning were Christian and many pastors refer to the Old Testament saints as being Christians.

I have heard Arab leaders refer to Christians as a "race."

Yet this word did not come into being until several years after the death of Christ, when in Acts 11:26, written about 37 A.D. we read: 

"...and the disciples were called Christians, first at Antioch."

The people who were baptized by the Holy Spirit on the Day of Pentecost were not called Christians. The 120 who waited in the Upper Room for this "infilling," were not called Christians. They were known as "Followers of the Way."

The title "Christian" came into being, because these people were known as "Little Christ's," hence Christian. The Greek word used here is "Kris-tee-an-os," which literally means: "Christ's followers." It is interesting to note that the word is used only three times in the New Testament.

Actually the word is a composite of the Greek word meaning "consecration," and the Hebrew word "Am" which means: "a consecrated person." Hence the true meaning of the word Christian is: "A person who is consecrated to Christ."

The early missionaries to Britain were not called Christian, but were named "Culdee." This is a Cyrmic word which means: "the servant of God." This title in itself indicates that these early missionaries were considered to be more than ordinary strangers in the islands. Their name set them apart as something special.

There is much documented proof in ancient British archives, that Joseph of Arimathea, the uncle of Jesus; the Apostles Paul and Peter, Lazarus and Simon Zelotes, were among those who brought the message of the living Christ to these islands, within ten years after His ascension.

When Christ walked on this earth, the popular language of the East was Greek, not Latin. The Aramaic and Hebrew languages were confined principally to the Judeans. There is little doubt that Jesus was conversant in Aramaic, Hebrew, Greek and Latin and if what old British historical records say is true, He could speak Celtic. These documents say that He visited these islands as a teenager, accompanying his uncle on one of his frequent visits to his tin mines near Cornwall, England.

Centuries before Christ walked the earth, the Greek language was known to the ancient Britons from their commercial association with Greek and Phonecian sailors. At this period of world history, Britain was known as "Cassiterides," after its chief industry, the mining of tin. Aristotle was one of the first historians to name Britain the "tin island," when he coined this term about 350 B.C.

At this stage of history, the Islanders were known as Kelts, derived from their racial name "Kimmerian." The letter "C" began to replace the "K" in spelling, but the pronunciation remained the same.

Then, as today, the descendants of this ancient people in England and Wales were referred to as Celts. The inhabitants of Hibernia - Ireland, were also called Celts. The Gaels in Scotland and the people of Gaul, now France, were called Gau Is. Ethnically, all these people came from the same race. The meaning of the word "Gaul," is "strangers," indicating they came from some other land.

We should remember that though these people were strangers in the Islands, they were it's first settlers. They were the colonizers of a virgin land, since not even savages lived on these islands before our forefathers arrived.
We can trace these strangers through their wanderings from their original homeland in the Euphrates River valley, some 3000 years B.C.

After the Kimmerians settled in the Islands, they became known as British. Why were they so named? What was so different about these people or their way of life that caused other nations to give them this strange name?

Ancient historians say that it was their religious belief which set them apart from others. They believed in one invisible God and in the coming of a Messiah, who was His Son. They hated idols; they worshiped in the open, facing to the East and believed passionately in the immorality of the soul.

The religious ritual which seemed to make the greatest impression on foreign historians, was their custom of carrying the Ark of the Covenant before them in all their religious observances. Only one other religion known to man had ever done this, the ancient Israelites.

It was this ritual which gave the British their surname. It is derived from the ancient Hebrew language and is formed from two words: "B'rith," which means: "covenant," and "ish," which means Join them together and you have "covenant man." The ancient word "am," attached to "B'rith" means "land." So in its entirety the word British or Britain means: "man of the covenant land."

The Covenant People of the Old Testament, living in the "Covenant Land," became the consecrated people of the Covenant Land. They were the advance guard of Christianity and were to evangelize the world for their Messiah, Jesus the Christ.

Did you know that 98% of all the Bibles printed in the world come from England and the United States? That 95% of all the Christian missionary effort comes from these countries? No nation, anywhere else in the world, has been as attracted to Christianity as have those of the United States and the British Commonwealth. Does this have the slightest meaning to you? It should have!

Could it be that these white Anglo-Saxon countries are fulfilling the covenant made with their God centuries before, in which they were told that they would be bearers of God's good news of salvation to the "uttermost parts of the earth?" This is something the people called "Jews" have never done. In fact they have no teaching concerning salvation of the soul in their religious teachings.

Bible scholars have good reason to believe that Paul's Letter to the church at Galatia was addressed to the Gaul's in Galatia. Peter's General Epistle was addressed to the "strangers scattered throughout Pontus, Galatia, Cappadocia, Asia and Bithynia." The Epistle of James was addressed to: "the twelve tribes scattered abroad." (not to the Jews in Palestine.)

The national name England was only used to designate the English and the Welsh. All the Islands were known as Britain, the "Land of the Covenant People."

A traditional custom of the Kelts was to build an altar of stone, in the open, whenever they rested on their journey from the East to the West. Their journeys can be traced from Assyria to their new home in Britain by the remains of these altars.

The first stone altar in historical record was erected by Jacob after his dream concerning the ladder which reached into heaven. He built it as a witness of the Covenant he made with his God that night. Ever after, the Israelites erected stone altars. Isn't it interesting to note that the Kymri did the same thing?

In the British Museum in London, one can see the famous black obelisk of Shalmaneser II. This relic bears reference to the captivity of the Israelites in Assyria and to all the kings subjected to the Assyrian king. Among these rulers was a man named Jehu, the son of Omri, the King of Israel. The obelisk has a series of twenty carved reliefs or pictures, showing the captives. One shows Jehu on his knees, offering tribute to the Assyrian King.
Many cemeteries have been unearthed throughout the Crimean area of Southeast Asia, in which Israeliite names are prominent - all of these are linked with the Keltic race.

You should remember that the tribe of Ephraim was the legal inheritor of the title Israel - not Judah, or the Jews. In the Bible, the Southern Kingdom at Jerusalem and the Northern Kingdom at Samaria are always addressed under different names. Even God refers to them as such, see Psalms 114:2.

As a result, the Ephraimites governed according to the patriarchal law. Originally Judah was a part of the priestly sect, along with the Levites. But the Levites were the true dispensers of religious jurisdiction and were divided between Judah and Israel in this service.

Among the ancient British, this same group represented the professional class - the scientists, doctors, lawyers, etc., the Ephraimites were the principle soldiers, the defenders of the faith. The Levites were not permitted to bear arms or serve in war. This same thing was true among the Druids of the Kymri.

When Isaac was born, God made a strange statement to Abraham, He said: "In all that Sarah hath said unto thee, hearken unto her voice; for in Isaac shall thy seed be called," (Genesis 21:12). Both Isaiah and Jeremiah gave positive clues to the identity of the British people. Jesus said that He was sent to the "lost sheep of the House of Israel." He told the Jews of His day that their inheritance had been taken away and given to another. Christ would only give this inheritance to God's own people, although preachers have tried to spiritualize this and say it was given to the Church. Yet from the very beginning, the Covenant People were bound by the Covenant Law to carry out God's purpose on this earth. God never made a covenant with any other people to do this task. Christ's strongest commission was given to the Apostle Paul, who was to go to the Gentiles with his message. Strong's Concordance, No.1484, says that the word "Gentile," comes from the Greek word "Ethnos," which means: "tribe; or specifically a foreigner, by implication, a non-Jew." When Paul went to the Gentiles, there is plenty of evidence available, that he preached in the British Isles and ordained the first Christian Bishop of England.

Jesus stated that the "Old Law" was finished at His death. He came to fulfill the Law and the Covenant between God and man. Until the British Druid church and its people were consecrated in the "way of the Lord," they were Gentiles. But of all the people on the earth, the Anglo-Saxons had the only existing faith which had been prepared beforehand to accept Christ. They were the only people who knew His name, and had spoken it before Christ was born. This should be significant!

Just as the excavation of monuments and graves in the Crimea and on to the British Isles have documented and identified the travels of the Kymri, so the same can be said of the name "Saxon."

The name "Semite," or "Shemite," comes from Shem, the son of Noah (Genesis 9:26). Until the exodus of Abram from Ur of the Chaldees, the Covenant People were called Semites. Under Abraham, they became known as Hebrews. (This term comes from the word "Eber," and was applied to the descendants of Shem.) Just as the word "Hebrew" has nothing to do with race, since it means "colonizer," it was applied to the Israelis in much the same manner it was once associated with the Americans and Canadians. They were called "colonists," or "colonizers."

The Covenant People were nationalized under the dying Jacob; grandson of Abraham and the son of Isaac. They became a nation at this time and were made up of twelve tribes, or "states." They were called "Israel," which in the Hebrew tongue means "ruling with God." Much later, the ten northern tribes revolted under Ephraim and the nation was divided at the time of Rehoboam into the Northern Kingdom with its headquarters in Samaria, and the Southern Kingdom, with its capitol city in Jerusalem.

During the long period from Shem to the vanishing of the Ephraimites, the word "Jew" was never applied to the Northern Kingdom.

Some of the Jews, or Judaities, as they are more accurately called, who sprang from the remnant of Judah and who returned to Jerusalem after the seventy years of captivity in Babylon, were Shemite,
and part of Israel. But the much greater number of those who returned to Jerusalem were so inter-
mingled and "mongrelized" by inter-marriage and proseliting, they had little claim to being the
descendants of Abraham. I have already mentioned the example from Esther, chapter eight, where
multitudes of Babylonians became Jews, because of fear.

Turn with me, if you will to Ezra 9:1, 2- "...The people of Israel, and the priests, and the Levites,
have not separated themselves from the peoples of the land... For they have taken of their daughters
for themselves and for their sons: so that the HOLY SEED has been mingled themselves with the
people of those lands." The descendants of this union, could not rightly be identified with Abraham,
although they were known as Jews.

Some Bible scholars believe this is why some people in Palestine during Christ's time on earth
accepted His ministry while others refused Him. They believe that it was the "true Israelites," who
accepted Him, while the Jewish Pharisees, were the one's who refused. Do you remember what
Jesus said when He first met Nathaniel in John 1:47 - "Behold an ISRAELITE indeed, in whom
there is no guile." Why didn't Jesus identify him as a Jew? Because he wasn't!

It is a very serious Biblical error when our pastors consider the modern day Jew to be "all of Israel,"
because this just isn't so! The major portion of Judah and Ephraim had long before, passed out of
their original homeland and the people we now know as Jews, who are of Abraham's seed, are far in
the minority!

Now let us return to God's promise to Sarah in Genesis 21:12 - "in Isaac shall thy seed be called."
The Prophets said this "seed" would dwell "far off" and be known by "another name." On being
questioned by the people through whose land they passed, the Israelites and those of Judah who had
joined them explained that they were "the sons of Isaac, or Sacs-sons, Issacscons, or Saxons." This
name can be found all across Europe, in the path of their migration to the British Isles.

The ethnological chart shows these Saxons were divided into two main groups. Each took a
different route to dwell in the Isles of the West. We have already established that the Kymri came
from the Caspian Sea area. But the warrior Ephramites, became known as the "Sons of Isaac." Ancient
documents call them "I-Saccasuns," "I-sak-Suna," "Saksens," and finally "Saxons." They were
known before this as Scythians. For about 700 years, they lived in the district known to the
Greeks as Scythia; to the Romans, they were Dacia, now Roumania and Thrace.

The Anglo-Saxons were chief among the associated tribes and became its leaders.

In all their wanderings, these Keltic and Saxon people refused to intermix, or inter-marry with the
peoples of other races. In fact, to do so was considered a grave offense which brought banishment
from the tribe. They were much more loyal to this Law of God than their brethren of Judah in the
Babylonian captivity.

Because the Judaïtes refused to remain separate in their captivity, they were branded by their facial
characteristics, which were not Hebrew at all. In Isaiah 3:9, we are told that of these people, those
who returned from Babylon, "the shew of their countenance doth testify against them." This can be
seen today. Those who intermingled with the Hittites, the enemies of God, carry their facial
characteristics of black hair, a swarthy countenance and hooked noses; today, we call these people
Jews. They are not the pure descendants of Abraham, but half-breeds and in many instances have
none of Abraham's blood.

Not only did the Saxons refuse to inter-marry, but they were true to the ancient command to "dwell
together." When they began to migrate to another place, they took their aged and infirm along with
them, by contrast to the actions of other nations who either abandoned or killed these people.

These tribes, who had been scattered abroad because of their repudiation of God's Covenant,
winnowed like corn in a sieve, were finally gathered together in a place appointed by God. This was
not in Palestine. In 2 Samuel 7:10, while David was standing beside his pillar in his palace in
Jerusalem, he was given this prophesy from God: "Moreover, I WILL APPOINT A PLACE FOR MY PEOPLE ISRAEL, and I WILL PLANT THEM, that they may dwell in a place of their own, and shall move no more; neither shall the children of wickedness afflict them anymore, as beforetime." This "Appointed Place" could not have been Palestine, since David was in Palestine when this promise was made.

Then God further promised that in this new land, they would rest secure (Isaiah 54:17) - "No weapon that is formed against thee shall prosper...

The Anglo-Saxon races are the only ones who have set aside a special day in which to honor God. Voltaire, the French intellectual atheist, once said: "Whether Englishmen know it or not, it is the English Sunday which makes England what England is." This is equally true concerning the United States.

England derived its name from the word "Angles," which literally means "God's-men." This name was not given to them because of any special righteousness on their part; but because instead of worshipping idols of stone and wood, they worshiped One God, long before Christianity arrived in England, therefore they were called English.

There are many "brain washed" pastors in America who insist the British-Israel story is a myth without foundation. They are mentally "fog bound" as the medieval scientists who refused to believe in the circulation of the blood, or the geographers who thought that the world was flat, and they are as reluctant to change their beliefs, no matter how much proof is presented in rebuttal. They are afraid to admit they have been wrong for so many years.

Yet even as many amazing discoveries of thousands of documents in the Dead Sea area have proven that the Bible is true, so thousands of other documents prove that we, the Anglo-Saxon, Celtic, Germanic, Scandinavian race, are God's Israel and His Chosen People. Yet the same men who accept the documentation that the Bible is true, are reluctant, or dogmatically opposed to anything which teaches that the people we now know as Jews, are not God's Chosen People.

The Devil is always ready and alert to use the infidel mind and careless writers and scholars, to divert men's minds from the truth. But rest assured, my reading friend, the truth will come out in the end and many of our pastor's are going to be terribly embarrassed by it! I am not interested in being popular with men, but in seeking the truth from God, as revealed in His Holy Word and confirmed by true history.

The words of Isaiah, as he addressed the people "afar in the Isles of the West," become fraught with meaning, as do the prophecies of Jeremiah. The Prophets proclaimed that the star of Jacob would spring forth from the line of David, the Shepherd King. Jesus the Messiah, came from this line. Jesus the "light of the world," directed His "Kingdom message," to the "lost sheep of the house of Israel," He proclaimed this Himself.

It is foretold that these "redeemed sheep" would keep the faith. They have proved it as no other people have. The Parliamentary platform of England is built on Christian concepts, as is the Constitution of these United States, which was founded as "one nation under God!" No other nations have ever been founded on these Christian principles. Certainly the people we now know as Jews, never followed this concept.

Our Pilgrim Father's knew who they were. They called themselves "the wandering seed of Israel in this wilderness." These were the men who wrote that great hymn of the Church:

"Ye chosen seed of Israel's race,
Ye ransomed from the fall;
Hail Him who saves you by His grace,
And crown Him, Lord of All!"

Yes, my Christian friend, we in America have a magnificent heritage. But along with this heritage
goes a tremendous responsibility to carry out the obligations of God's people - we have not done this! This is why we are in the mess we are now in! Our troubles will continue to grow; conditions in America will become worse and worse; until once again, we will recognize who we are and then in penitence, fall down on our knees; ask God's pardon and see Him "heal our land!"

This great privilege which has been given to us should not make us boast; it should not cause us to be exalted over others. It should raise in us a humble spirit, that will cause us to follow God and once again acknowledge Him as "King of Kings, and Lord of Lords!"

**Chapter Three**

**THE MAKING OF A GREAT NATION**

In 2 Chronicles 7:14, written some 25 centuries ago, we read these thrilling words: "If My people, which are called by My name, will humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and I will forgive their sins, and will HEAL THEIR LAND."

For years, like many other fundamental preachers and evangelists, I preached that the people we now know as Jews were God's Chosen People, the people of the Abrahamic Covenant. I chose to overlook, as a majority of the pastor's still do, the crookedness, brutality, and murder, which brought these people back into the Promised Land.

For years, I listened as our greatest preachers proclaimed that the re-gathering of the Jews into Palestine, was the "budding of the fig tree," and that it signaled the "rapture of the church," and Christ's soon return to this earth.

Time and again, when I sought to warn Christians against the very real dangers we face, from enemies such as International Communism, I was frustrated as they told me: "My job is to preach the Gospel; God will take care of the Communists in His own good time." or maybe they would say: "This world is not my home; I'm saved and I don't have to worry about the Communists, or any of those other bad guys, because Jesus is coming back soon to rapture me out of this mess, before it gets too bad!"

You talk about people being wrapped up in a sheet of self-righteousness, some of those folks are "wrapped up in a shroud." There are going to be some such, who will be so tightly zipped up in this shroud, that they won't get unzipped in time to go with Him when He does return. For He said Himself: "Not everyone that saith unto me, Lord! Lord! will enter into the Kingdom of Heaven, but he that doeth the will of My Father which is in heaven." It has always been for God's people to take a stand against evil, not hide in some spiritual foxhole, waiting for His return.

It disturbs me no end, when I see decent, God-fearing, well-meaning pastors, who have allowed themselves to be seduced by the very folks who have promised to make slaves of them. Yet many of these men are unwilling to study the scriptures for the truth; they are unwilling to compare scripture with history to learn what has happened, because then they would have to admit they have been wrong. So instead, they use vicious, un-Christian attacks against anyone who tries to warn their flock against the dangers they are facing. They remind me of the many college youth I used to encounter during the Vietnam War years, who would say in essence:

"Don't clutter up our minds with the truth; we have already made up our minds!"

One of the biggest problems American Christians have had to face in recent years is that, as a nation, we have lost that sense of Divine guidance which led our forefather's to face every conceivable hardship, with the courage and Divine assurance that God would prosper their undertakings, as He has promised!

Yet today, in the millions of words used by those who run for office - even among those who proclaim that they are Christian - it is seldom, if ever, that we see men, who are willing to implore
the American people to return to the "faith of our fathers."

As a result, the spirit of fear prevails in our land! It hangs like a pall across the length and breadth of our nation, it is present in every newspaper and appears on every news broadcast. It has reached the point, that when our enemies "rattle their missiles," or even make threatening gestures in our direction, we take off in the opposite direction like a whipped cur with our "tail between our legs."

This state of fear is going to increase until it will dominate our thinking and our national planning and we will become helpless in the face of our enemies. This will continue until American Israelites awaken to the realization that God has a national purpose for this country; that He brought it into existence for a special purpose; that He protected her during her infancy and is willing that His purpose be carried out!

How can we escape from this miasma of fear which now grips us? What will change the prevailing conditions which dominate our national planning? What will bring to the forefront in America, leaders of spiritual stature and righteousness, who will be joined by millions more, so that our people will be willing to face any emergency, strong in the faith that God will give us?

The answer, I believe, lies in the knowledge of our origin, destiny, and as a consequence, or responsibility as God's Chosen People. It does not call for a false pride, in which we look down upon others; it should fill us with a great humbleness of spirit, that God has given us this tremendous responsibility!

When enough Americans finally grasp the truth that God has chosen this country for a special purpose; that He has shown us this purpose in His Holy Word; when enough people who dare to go by the name of Christian realize this; then we will see a tremendous change in our national thinking, which will effect the moral and spiritual climate of the United States.

My honest opinion is, that if one-quarter of the people in America, who go by the name of Christian, would fall in love with their Lord, and strive to do His will, we could turn this nation around in six months and get her headed in the right direction.

If Americans ever become aware of the awe-inspiring fact that Divine Providence has overshadowed this country from its inception, for a special purpose, there would be no obstacle we encounter which would be too big for us to overcome.

God has given us a promise of what will happen if we are willing to accept His will in our lives; it is found in Isaiah 54:14 - "In righteousness shalt thou be established: thou shalt be far enough from oppression; for thou shalt not fear: and from terror; for it shall not come nigh thee... No weapon that is formed against thee shall prosper... This is the heritage of the servants of the Lord!"

Take special note of that word "Heritage." In Strong's Analytical Concordance, No.5159, we learn that this English word is a translation of the Hebrew word "nachalah." This literally means: "to take possession of; to inherit." Webster's New Collegiate Dictionary defines "heritage" as: "property that descends to an heir; it applies to things other than actual money or property; it is closely associated with 'birthright'; it also applies to property and rank, or privilege coming by right of birth."

When Christian Americans are willing to accept the proven fact of our origin, purpose, and responsibility which goes along with this, then once again we will be able to take our role in the world as a truly great people.

The Prophet Isaiah spoke to our Israel forefathers in 59:1-3, when he said to them: "Behold the Lord's hand is not shortened, that it cannot save; neither is His ear heavy, that it cannot hear. But your iniquities have separated between you and your God, and your sins have hid His face from you that He will not hear."

It has always been thus. The righteous suffer along with the wicked, when the wicked are allowed to prosper. When a nation goes into captivity because of their sins, or into a deep depression, or maybe famine, the good people go hungry along with those who caused the sad condition in the first place.
On most occasions, it has been the sad apathy of God's people, which has allowed evil to succeed. Edmund Burke, the great British philosopher once said: "All that is necessary for evil to succeed, is for good people to do nothing." America is being destroyed in this decade, because Christian people have refused to acknowledge their peculiar relationship to God and follow their responsibilities to Him.

We will not lose our freedoms on the day we answer an early morning knock on our door, to find a little man with a red star on his helmet and a Tommy gun in his arms, who says to us: "Come along with me to the concentration camp." We will lose it when we see things happening in our local schools, churches, and government, we know are wrong and we set back with a sigh and say: "I'm only one individual, you know! Everyone knows you can't buck City Hall." When enough of God's people feel like this, we will lose our freedom; we will hold a funeral service for America and bury her in the cemetery and over her grave we will erect a headstone with this epitaph: "America died, because God's people didn't want to become involved!"

There is no reason why the white, Anglo-Saxon people of America should not recognize their true identity as the Covenant People of the Old Testament. I know about the wickedness we have allowed to grow rampant in America; I know how our people and our leaders have flouted God's laws; I know about our rebellion against God. But I can also read the words from Ezekiel 20:37, 38, 44 - "I will cause you to pass under the rod, and I will bring you into the bondage of the covenant: and I will purge out from among you the rebels, and them that transgress against me... And ye shall know that I am the Lord, when I have wrought with you for my name's sake."

Now I can already anticipate the reactions of some of you who read this message. You will be thinking: "This fellow is one of those British-Israel nuts. The very idea that England, Canada, Australia and the United States are the Lost Tribes of Israel is too fantastic to even bother looking into." And it is, if you base your thinking on the dictionary definition of "fantastic." "exceedingly, or unbelievably great." That's what this message is all about: "an exceedingly great and unbelievable message." This is what the Bible is all about!

Let me ask you a question before we proceed any farther: "How many of you are disturbed by this message?" This includes any preachers who will be honest enough to read it. I'm speaking to you fellows who have preached for years that the "Jews are all of Israel." How many of you have made a definite study of scripture prophecies on this subject, comparing them to historical facts? I would be willing to predict, very few. For if you had done this and were then honest with yourself, you would have to concede that the facts I am presenting to you, cannot be refuted, either by scripture, or historical facts.

So I am not asking you to believe a fantasy. I do not ask you to believe me, or anyone else who makes the claims I do. But I do ask that you be honest enough to study the scriptures and compare them with historical facts, and then allow the Holy Spirit to enlighten your mind and destroy some of the pre-conceived ideas you have picked up by reading what men have said about it. Put aside the ideas with which you have been propagandized for years and listen to the scriptures. Then when you find that I am telling you the truth, have the "intestinal fortitude" to tell your people the truth.

I am not preaching this Kingdom message because it is popular; or because I expect to influence a lot of fundamental Christians. Sad to say, I will lose a lot of support from fundamental Christians with whom I have worked in the past, because they are not honest enough to search for the truth. Most of you will look for isolated scripture references with which to destroy my arguments; very few of you will search for the truth. Very possibly I will have to say as the Apostle Paul did, "Am I to become your enemy, because I tell you the truth?"

But before God, in the light I have received from an intense study of the Word, I can do no less than give you the truth. Someday I will stand before the Lord and answer for this message; but let me remind you, you will have to answer for having read the truth, and having turned your back on it!

Let me begin my argument by saying that the truth of the Israel Identity does no damage to
fundamental, doctrinal Christian truth. In fact it strengthens it! I will put my brand of fundamentalism up against any of the great Bible scholars of our land without fear of embarrassment. I am a better fundamentalist today, from having learned the truth of who I really am. I now understand, as never before, the "high calling" I have as a Christian, in Jesus Christ. It makes me more determined than ever, to do my very best to work with God, to save America. Why? Because I now realize, that God's Israel promises were made for us, who are the Lost Tribes of the House of Israel. The "lost sheep" Jesus talked about.

This change in my thinking did not come as a "spur of the moment" thing. It came after a great deal of prayer and "soul searching." It came after hundreds of hours of study in the scriptures and in study of the history of our white race.

I first began to question the teaching that the Jew's of today were God's Chosen people, when I began to wonder, how a Communist, atheist, God-hating, God-rejecting nation such as Zionist Israel, could possibly pass the test marks of God's Chosen People. It just didn't make sense! So I began to study on my own; not based on something some Bible scholar had written; not based on what some theological seminary has said for years, but on what the Word of God says. (Let me hasten to say here, that I do not believe the "tommyrot" Herbert W. Armstrong puts out; although some of his teachings are true.)

But you say: "All the great Bible scholars of modern times believe the Jews are the ones!" I'm not interested in what these men teach; I go for my criteria to the Word of God and there are just too many unanswered questions. I have never met a fundamental preacher or scholar yet, who could honestly answer these questions. Oh they have tried, give them credit for that - they have torn scripture out of its proper setting to promulgate their ideas. They have used the same argument that Dr. Scofield and others like him have used for fifty years or more, but they do not come up with honest answers to the questions.

Why, for instance, if Palestine is the Land of Promise, and the returning Jews are a sign of Christ's soon return. Why is it that since 1975, more Jews are leaving Palestine than are coming in? If the Jews are to return to Palestine in great numbers, as most prophetic preachers claim they will, why is it that less than 17% of world Jewry resides in Palestine today? (There are more than twice as many Jews living in New York City, as there are in Palestine.)

Why, when God prophesied in Ezekiel 36:24, that He would gather His people from "among the heathen," have most of the Zionist settlers come from the Anglo-Saxon nations, which are regarded as Christian nations?

When God says that he will "give a new heart to His people," this parallels the New Birth experience. This signifies that Israel will become Christian in their Promised Land. If this is true, then why are most of the Zionists in Palestine, atheists? Why do they hate Jesus Christ and constantly persecute His followers? Why do they show their hatred in a special manner towards Arab Christians? Why do they refuse religious freedom in Israel?

If the Jews are "all of Israel," as most of you believe and there are about twenty million by the latest Jewish census, what became of the millions of descendants of the Israelites who never returned from foreign captivity. They outnumbered those who returned from Babylon by the millions? Every Bible scholar who has an ounce of honesty in his system must recognize this!

Why, if God promised the Patriarchs, their seed would be as numerous as the "sands of the sea" and Sarah would be the mother of "thousands of millions," have the Jews never numbered more than twenty million people?

Why were Abraham, Isaac, and Jacob never called Jews in the Old Testament; yet your preacher calls them Jews all the time?

Why, when you study history, is there such a prevalence of Jewish names among the leaders of International Communism, which has stated that they intend to destroy Christianity? Why do so
many of them in America, control the media, banking? Why do they without fail head the combines which promote pronography, sex education in the schools, prostitution and dope, which is literally destroying our youth? Don't argue with me about this! Just look at their names! Why does their religious book, the Talmud, teach them how to carry on this un-Godly subversion? Have you ever read it? It would further your education a great deal!

Why is it that the vast majority of people who have been convicted of treason against this country in the past fifty years have been Jews? Why have they sold "America down the river?" Don't try and pull the wool over my eyes and say that God would choose a wicked people like this!

I believe what we are seeing in the world today, is a fulfillment of the prophecy given in Revelation 2:9 and 3:9, to the Church of Smyrna: "...I know the blasphemy of them which say they are Jews and are not, but ARE OF THE SYNAGOGUE OF SATAN." Why do our fundamentalist preachers never discuss these verses? Because they can't come up with an honest answer for them!

As I saw these things, and many, many more, taking shape in the world, I began an intense study of scripture and history, looking for the truth. It is of great interest to me, to see how history always confirms scriptural truth. The more I studied, the more I became convinced, that by no stretch of the imagination could the people we call Jews, be the People of the Book.

I will not spend any more time trying to convince you that the Jews are not the people spoken of in the scriptures, because I want to take time to speak about your ancestry, if you belong to the white, Anglo-Saxon, Celtic, Germanic, Scandinavian, or related races.

People should be proud of their racial background. There is nothing wrong with blacks believing that "black is beautiful." But by the same token, we should not be ashamed of being white - although there has been a terrific propaganda campaign underway for a number of years to give us white folks a "guilt complex." But none of us, who go by the name Christian, must allow ourselves to have a presumptive pride, which would set us above everyone else. In fact, the knowledge of our ancestry, should prove a humbling experience.

I want you to look for a little while, into the background of our white people - Aryans, they have been called for centuries. I want to use historical facts, backed by scripture, to prove that the background of the people of England, Canada, Australia, the United States, and most of Europe, came directly from the "seed of Abraham."

Historians, archeologists, and anthropologists admit there is a link between the early inhabitants of the British Isles and what we now call the "mid-East."

One of the first rays of light, revealing the people who inhabited Britain, is that they were called "Abiri," which was the name the inhabitants of Canaan, gave to the Israelites in 1451 B.C., when they made their exodus from Egypt.

At Stonehedge, England, glazed beads, made only by the 18th Dynasty in Egypt, about 1700 B.C., during the years of the Israelite slavery, have been found in ancient British tombs.

Oriental scholars claim that the Semites originated in Central Asia and migrated to Mesopotamia about 3,000 B.C., where they overcame the Turanian population and absorbed them into their society. These were the people who founded the Babylonian Empire. This migration of a superior race from Central Asia has been proven correct by many archeological finds. But since Shem did not come into existence until about 2400 B.C., this race of immigrants could not have been Semites. They were their ancestor race, the parent white race called Aryans. The word "Aryan," comes from the ancient Sanscrit language and means "noble race."

In Genesis Chapter Two, we have a brief description of the location of the Garden of Eden. It mentions that four rivers came out of Eden and since the Euphrates River is mentioned, most Bible scholars assumed that it was the Euphrates River in Mesopotamia. They never bothered to check this out for geographical accuracy and this error has been taught in most of our churches. A little study, would have shown that the Tigris and Euphrates Rivers merge into one river, which in no
way resembles the description given in Genesis 2. If the Bible statement is true; and we know it is, then we must look somewhere else for these four rivers.

There is such a location and the only one is in the "cradle of the world." Starting from one source on the Pamir Plateau of Central Asia, between the Tian'shan Mountains on the North, and the Hindu Kush on the South, are the four great rivers called the Indus, the Jaxartes, the Oxus, and the Tarim. The Oxus is still called by its ancient name of Gihon, which is the same name as that used in Genesis 2. The Chitral branch of the Indus, answers the Biblical description of the Pison; the Jaxartes is the original Euphrates and the Tarim, going East, is in all probability the Biblical River Hiddekel.

The people of Central Asia still consider this plateau as the original location of the Garden of Eden. It, and it alone, answers the geographical description of Genesis 2:10 - "And a river went out of Eden to water the garden; and from thence it parted, and became four heads."

There is a strong probability that the Aryan race came from this locality. One of the best proofs lies in the studies of the ancient languages. The Chambers Encyclopaedia says: "Between Sanscrit (the mother of modern Hindustani); Zend (the language of the ancient Persians); Greek (the language of Asia Minor); Latin (the romance language of Italy, France, Portugal, Spain and Rou mania); Celtic (once the language of all Northwest Europe and now confined to Wales and parts of France, Ireland, and Scotland); Gothic (the mother tongue of the Teutonic people, including the English); and Slavonic (spoken in various dialects by the people of Central Europe); the researchers have established such similarities, they must have come from a common origin."

In the old Hindu paintings of India, their gods were always portrayed as having white skins, fair hair and blue eyes.

In Genesis 10:6-20, we see that Nimrod was a son of Ham, as well as was Canaan, after whom the land of Canaan was named. From Genesis 12:2-5, we see how the sons of Japheth spread themselves over the seacoasts of the Mediterranean. Three of these names are of special interest in our study. Gomer, which means "darkness;" Javan, named on Ptolemy's map of the world as present England, and Tarshish, the son of Javan, after whom Spain was named.

The Maritime possessions of ancient Israel are named in 1 Kings 10:22; 22:48; 2 Chronicles 9:21, and Jonah 1:3, the name Tarshish is prominent in all these passages.

Shem was the father of the children of Heber, from which the name "Ibiri," "A bin," and "Hebrew" finally came. We often think of the Hebrews as Jews and even learned Doctors of Divinity speak of the Jews and Hebrews as one and the same people, but the scriptures make a sharp distinction between the houses of Judah and Israel. The people we now know as Jews, make up only an infinitesimal portion of the Hebrew race, and many who go by this name have not one drop of Abraham's blood flowing in their veins.

The word "Eber," or "Hebrew" means "colonizer," in the Hebrew-Phonecian language and the descendants of Heber were the greatest colonizers and mariners in the world's history. Since the 22nd Century B.C. they have dominated every nation with which they have come in contact.

The early Chaldean priests were genuine astronomers. They understood the solar year. They divided the day into twenty-four hours; they recognized the constellations and named them. Isn't it interesting that all the human faces on the signs of the Zodiac depict pure Aryans who look like the Anglo-Saxons of today?

We don't have time in this message to go into the archeological, historical and anthropological proofs that the Anglo-Saxon races are direct descendants of the Biblical Abraham. If you are honestly interested in studying this further, I would suggest you get Frederick Haberman's book: "Tracing Our White Ancestors;" this tremendously documented book is published by the Covenant Publ. Co., of London.

The first recorded arrival of any known group of people in Britain, took place in 1103 B.C. when a
man named Brutus the Trojan arrived with a colonizing group. His name is another form of the Phonecian Barat, or Brith-ish, which literally means "the Covenant Man."

In Genesis 38, we have the rather sordid story of Judah's ignoble union with his daughter-in-law Tamar. But God often works in mysterious ways to perform His will and it was from this union that the line of Judah-Parez came. This was the line which was to bring forth the Messiah from the House of David.

In Genesis 38:27-30, we see the record of the birth of twin sons to Judah and Tamar. As Judah was the royal family of Israel, the midwife who was attending the birth, was extremely careful to mark the first-born since he would be the rightful heir of the throne. She bound around the hand of the first baby to be born, a scarlet cord. But if you remember the story, the baby's hand was withdrawn and the other child was born first. He was called Pharez, which in the Hebrew language means "a breach." The child who had been marked as the heir was Judah-Zarah, who became known for his great wisdom, second only to that of Solomon (see 1 Kings 4:31).

Darda was one of the sons of Zarah. According to the Jewish historian Josephus, who wrote about the year 1 A.D. Zarah founded the ancient city of Troy 34 years before Israel left Egypt. An exhaustive study of the royal houses of Europe will show that the lines which have branched out of the house of Judah-Zarah over 3,000 years ago, are of the tribe of Judah and are the blood lines of Western European royalty. None of these, by the way, were Jews.

The dying Jacob prophesied: "Judah is like a lion's whelp," (Genesis 49:9). Did you know that every noble house in Europe has a lion on it's "coat of arms?" It was to Judah that the sceptre belonged. (The true Jews, not those converted to Judaism in Russia, who are of Khazar descent, but those who are of the blood of Abraham, are descended from Judah-Pharez.) After the division of Solomon's Kingdom, the House of David ended its temporal rule in Palestine with Jehochin and Zedekiah in 585 B.C. Brutus was of the line of Judah-Zarah.

Many historical critics reject the old British chronicles as mythology - the Story of King Arthur and the Knights of the Round Table, being a good example. But there are authentic records showing that King Arthur did reign in Britain and that he could trace his ancestry back to Judah-Zarah, through his ancestor Brutus.

For many years, historians taught that the British were uneducated savages and that they were civilized by the Roman invasion of the Isles. They say that the religion of the Druids was one of fear and human sacrifice. But these premises, just as evolutionary theories, have been proven false. The Druid religion was very similar to that of the Hebrews; they worshiped one God, whom they believed was the Creator; they looked for His Virgin born Son to be the Savior of the world; they had blood sacrifices for sin, much as the early Hebrews, but they were animal sacrifices.

Does any really intelligent person believe that a mob of untrained savages could have defeated Caesar's Legions? Yet they did, time and time again, until Rome was finally forced into making a peace treaty with them. Yet our modern history books 90 to great lengths to discredit the Britains. Why do you suppose? Could it be that someone wants to keep the truth from the Anglo-Saxon people concerning their birthright? Who do you suppose would benefit most by this? Could it be the people who now go by the name of Jew and who control most of the world's printing houses? Think about this!

It is unfortunate, that along with higher criticism of the scriptures which developed in Europe, there came a downgrading of their historical backgrounds. We see a similar phenomenon today, where our youth are being taught to have "guilt feelings" about anything which is "white." They have been told how repressive we Americans have been to other people, when the truth is that no country in the history of the world has done so much for the needy and oppressed, as the white, Anglo-Saxon people of America. (This help is not coming from the Jews - they help only their own people.)
Today, instead of using our great American heroes as examples for our youth, they are held up to ridicule, even from our pulpits. A few years ago in Florida, I came across a vivid example of this. Visiting in one of the local schools, I picked up a history book being used in the Fifth Grade and read this statement: "The stories we have heard about many of our American heroes are not true. Take Paul Revere for instance; it has been proven that he did not make that ride, to warn the people that the British were coming, since he was drunk in bed with a prostitute, the night this happened."

But while the Bible critics have weighed each brick of the Old Testament and tested its every timber, they have been unable to replace the one thing they sought to destroy. They have been like hammers which wore out on the anvil of a black smith shop. But isn't it strange and rather sad, to see modern intellectuals who would rather believe they were "sons of apes," than "sons of God;" even though scientific evidence proves this theory to be false? The reason is, their chief aim is to raise man above God.

Over a hundred and fifty years ago, a German philospher named Ludwig Feurbach stated: "Man will finally be truly free, when he realizes there is no God of man, but man himself." This idea became so deeply rooted in the diseased brain of a young Jewish intellectual named Karl Marx, that it became the bedrock on which modern Communist philosophy is built.

These intellectuals have come up with findings, which prove, so they say, that the Genesis account of the Creation, the fall of man and the deluge, are nothing more than Hebrew fairy stories. A few years ago, a Southern Baptist theologian wrote a book called "The Genesis Story," in which he discounted the first ten chapters of Genesis as being merely myths. He was backed in his stand by Dr. James Sullivan, who was the Sunday School Secretary of that great denomination for many years. Now Southern Baptists wonder why they are being plagued by skepticism in their church.

But it is even stranger to see how most of the Bible critics have labored under the delusion that the Old Testament belongs to the Jews. Despite all their knowledge of Hebrew and their textual criticism of the Bible, they have never discovered that the old Covenants were never made with Jews and that there were no people known by this name until 2 Kings 16:6, about 742 B.C., some 1172 years after Abram left Ur of the Chaldees. The Covenants were made with Israel, the same race which still bears the ancient Phonecian name of "Brith-ish", the "Covenant man."

It would be both interesting and beneficial if we could go more into detail concerning the throne of David in the British Isles and on the symbolism which can be traced back to ancient Israel. But right now, I want to spend some time speaking about our own land of America, as I believe it is mentioned in Bible prophecy.

Unfortunately in the past 150 years, Fundamentalists have done practically nothing to fight the destructive criticism of the Bible. I realize that Godly men like Dr. David Otis Fuller of the GAR BC have written books in defense of the King James Version, but unfortunately, most of the time, instead of trying to prove the truth of this Book of all Books, they have betrayed the Bible by saying: "The Bible says so and therefore we believe it!" With the exception of evolutionary arguments, these men have done little to defend the Book.

Too often, when Fundamental writers came up against portions of the Bible they did not understand, instead of searching for the truth, they took refuge in "spiritualizing it." There is no greater admission on the part of Fundamental scholars of their inability to understand portions of the Old Testament than that which is found in many of the Sunday School lessons which are used in most of their churches. In these lessons, they blithely skip over vast amounts of important material and hit only the popular stories.

The Old Testament is a book of Jewish legends, if we accept the assumption that the people of Israel are Jews. Many Bible critics such as Thomas Paine and Robert Ingersoll have challenged Fundamentalists to prove when, where, and how, the glorious promises of Jehovah for His Chosen People have been fulfilled in those who are now called Jews - they have been unable to do so!
If you will look at the detailed blessings given to Joseph through Moses in Deuteronomy 33:13-16, you will note they consist of material blessings; the wealth of the seas; abundant harvests; mineral wealth; oil, gas, coal; plus other blessings and protection. The Jews, have never in their history, since the time of Solomon, had any of these promises. There has been only one group of nations in the world who has had abundant harvests, year after year, decade after decade. There has been only one group of nations which have consistently mined the ores, drilled the oil wells, and digged the coal - all harvests of the precious things of the earth. Only one group of nations has consistently converted these things into the goods and services of modern civilization. This is not the Israeli of Palestine by any stretch of the most fertile imagination, but the Anglo-Saxon, Celtic, Germanic, Scandinavian peoples of America and their related nations in the British Commonwealth.

In Deuteronomy 15:6. God told His Israel that they would lend to many nations. Who has given so much of their national wealth for the aid of many nations? Certainly not the Jew! With billions of dollars worth of wealth in the Dead Sea, Jewish authorities publicly admit that the only thing which keeps Israel alive, is their aid from Christian America. This doesn't sound much like the fulfillment of Bible Promises to me!

None of the disciples, with the exception of Judas Iscariot, were Jews. They were Israelites. Why do our preachers keep on insisting that the people we now call Jews are "all of Israel?" The true Jews, of the blood of Abraham, make up only an infinitesimal part of true Israel, yet it is this small majority that our preachers always talk about.

The Gentile Church, never existed in the land and the Epistles of the New Testament were addressed for the most part, not to Jews or Gentiles, but to the "twelve tribes scattered abroad."

There is no equivalent term in the Greek language for the English word Gentile. It is essentially an English word, found in no other language. It is derived from the Latin word "Gens," meaning "Nations," or "tribes." When the Apostle Paul said: "I am an Apostle to the ethos," (the equivalent Greek word for "gens"), is Ethos, this literally meant the "tribes of Israel," and has nothing to do with the heathen.

Over and over, Jesus said that He had come into the world primarily for the "lost sheep of the House of Israel." lie told His disciples in Matthew 10:6, that they were not to go to the "gentiles," or "heathen," but to the "lost sheep of the House of Israel." The word "lost" as used here is not the theological meaning of "being unsaved." In Matthew 15:24, where He said: "I am not sent but unto the lost sheep of the House of Israel," the Greek word for "Lost," is, "Appolumi," which literally means: "those who are separated for punishment." In other words, Christ said: "I am sent unto the tribes of Israel which have been set aside from their brethren for punishment." This puts a completely different light on the subject than what we have been taught in most of our Fundamental churches.

If you will make a close study of Isaiah 40 - 66, you will discover these messages are about Israel's rebirth, not in Palestine, but in the Isles of the Sea, somewhere to the West of Palestine. I believe he was speaking about the Reformation Period in Western Europe, when men and women by the tens of thousands came to know the Lord as Savior. There is no way the Jews can be fit into any of these passages.

Some Bible scholars say these chapters were fulfilled when the Jewish remnant returned to Jerusalem from Babylon, after the Seventy Years of captivity. But I challenge you to show me any Jews mentioned in these passages. There were no Jews located in the Isles of the West, when Isaiah penned these words, but there were Israelites, by the thousands and it was to these that these passages were penned.

When our Pilgrim Fathers landed at Plymouth Rock, on the rocky shores of New England, over 300 years ago, they brought the Bible with them; this was the basis of the new country they founded. They recognized themselves as the "seed of Abraham in this wilderness," yet you cannot find one Jewish name in this group.
Because of the blindness to the true identity of God's People, Jacob-Israel, most of the Christian ministers are taught erroneously, that the Church's members form Christ's Kingdom. This is only half true, when compared with the glorious reality. The Book of Revelation states that those worthy to be chosen (the true body of resurrected overcomers) by God to reign with Him do not constitute the Kingdom, they are "co-heirs" of the Kingdom. They will be the "kings and priests" who will rule and reign with Christ for a thousand years.

There will be many "born again" people who will not be in this select group, because they have never "suffered with Christ, so that they might reign with Him," (Romans 8:16).

There is something in this verse that most preachers miss. You are not going to float to heaven on flowery beds of ease, and still rule and reign with Christ, for His Word clearly says: "if so be that we may suffer with Him, that we may also be glorified together."

Why are our pastors and churches so blind to the truth of a literal coming kingdom, when we pray: "Thy kingdom come, Thy will be done, on earth as it is in heaven?" Why have Christian people been taught to look to heaven as their future home when we are told that we will "rule and reign with Him," if we are faithful? Is it because our people have not been taught the glorious truth that they are indeed God's Chosen People, His Stone Kingdom of Daniel 2?

If we dare to use the words "a Chosen People," it will preclude boasting, if we remember that in the language of true religion, the word "chosen" means "for service," or perhaps even "for suffering," but never for favoritism, as the Jews teach.

Some of you may be thinking: "What good is it to know that we are Anglo-Israel?" It is sad to hear fine Christians say: "I have Jesus and that's enough for me; being an Israelite won't save me!" If I was to go to these same folks and say: "I have a will which proves that you are the inheritor of a large fortune and privilege," would they say to me, "Well, what if I am; that won't save my soul; what's the good of that anyway?" You know as well as I do, that they would do everything possible to take earthly possession of their inheritance.

If these same people really believe that their future is in heaven, then why do they go on piling up earthly possessions whenever they can? It doesn't appear that by doing this, they are proving their contention that "Jesus is coming back in the near future to rapture them out of this world." I am convinced that many of these fine people fit the words of Isaiah, when he said: "These people do honor me with their lips, but their hearts are far from me."

This is the true value of knowing we are Israel. It establishes our claim to the greater blessings God said would be Israel's in the "latter days." In that time, as they accept their responsibilities, they would make known God's wonderful love to all men. It is no wonder so many professing Christians are so anemic in their stand for God and against evil, when they refuse to accept their inheritance. They are as bad as Esau, when he sold his birthright for a mess of soup.

If Americans were to recognize the truth of their identity, it would give us a revival of our spiritual life and bring about the cleansing of the evils which are now destroying us.

Things which now divide us - the splits, sects, divisions, bickering, whispering and jealousies would all perish and we would stand united before the world, as the witnesses of God's wonderful power and grace. We would put away nationally, the greed, hatred, oppression, drunkenness and Sabbath breaking and we would see the day dawn when the world really will "beat their swords into plow shares and their spears into pruning hooks."

I thank God that those of us who have tested these truths can stand upon the impregnable truth of His Word in the scriptures and that we are ready, to gladly give to any man, an answer for the hope that is in us.

What a power and what an incentive for better service of the Lord we love, can come about as we recognize our identity with Him.
There is serious trouble abroad in this land and you all know this. It is something that no politician can control. It has come about because our Christian people have literally lost their way. They have lost the knowledge of their true identity. They are paying today in tears for their waywardness. The "money changers" have invaded our nation and those of us who claim to love the Lord have left them in power.

During the Diamond Jubilee of Queen Victoria in 1897, the poet "laureate" of England, Rudyard Kipling, was asked to write a poem for the occasion. He came up with the sobering words of the "Requiem."

"God of our fathers, known of old;  
Lord of our far-flung battle lines,  
Beneath whose awful hand we hold,  
Dominion over palm and pine;  
Lord God of Hosts, be with us yet,  

Lest we forget!"

"The tumult and the shouting dies;  
The captains and the kings depart;  
Still stands Thine ancient sacrifice;  
An humble and a contrite heart;  
Lord God of Hosts, he with us yet,  

Lest we forget!"

"Far flung our navies melt away;  
On dune and headline sinks the fire.  
Lo, all our pomp of yesterday,  
Is one with Ninevah and Tyre.  
God of the nations, spare us yet;  

Lest we forget!"

"If drunk with sight of power we loose  
Wild tongues which have not Thee in awe;  
Such boastings as the Gentiles use,  
And lesser breeds without the law.  
Lord God of hosts, be with us yet,  

Lest we forget!"

"For heathen heart that puts its trust,  
In reeking tube and iron shard;  
All valiant dust that builds on dust,  
And guarding calls not Thee to guard,  
For frantic boast and foolish word,  
Have mercy on Thy people, Lord!"

In Psalm 33:12, we read: "Blessed is the nation whose God is the Lord; and the people whom He hath chosen for His own inheritance." In verse 18 - "Behold the eye of the Lord is upon them that fear Him, upon them that hope in His mercy; To deliver their soul from death, and keep them alive in famine. Our soul waiteth for the Lord. He is our help and our shield. For our heart shall rejoice in Him, because we have trusted in His Holy Name...
That's the answer to America's problem. Acceptance of His Son, Jesus Christ, as our promised Savior. Then along with personal acceptance must come the recognition of Christ as King of Kings and Lord of Lords, so that He may reign supreme. It must begin in the individual heart and then spread over this nation. This is the formula for America's survival. This is the hope of our nation!

Preface

Part Two

In Part One, we looked at the evidence that White, Anglo-Saxon, Celtic, Germanic, Scandinavian and related peoples are the Lost Tribes of Israel. I pointed out that the remnant among those who call themselves Jews, who are the seed of Abraham, is very small, just an infinitesimal part of those who are God's Chosen People. I showed that the vast majority of God's People do not know who they are and how once this information becomes available to them, once it is again preached from the pulpits of Christendom, then and only then, will we see the great revival which will bring Christendom back to God.

If what I told you in Part One is true, and I have given you the historical and scriptural facts to the best of my ability, the question naturally arises: "Who are the people who call themselves Jews. Why are they trying to deceive the world into believing that they, and only they are the people of the Book?"

I will attempt to answer this question in Part Two under the following subjects:

Chapter One - The Great Betrayal

Chapter Two - The True Enemy Exposed

Chapter Three - Christianity's Greatest Hoax

Chapter Four - Exploding the Chosen People Myth

Epilogue

Chapter One

BACKGROUND TO BETRAYAL

In Isaiah 58:1, God's messengers are admonished to: "Cry aloud; spare not; lift up thy voice like a trumpet, and show my people their transgressions."

For the most part, our pastors have refused to do this and as a result the patient is very sick and is in extreme danger. Unless something is done soon, he will die. But the strange and alarming fact is that the doctors we have placed in charge of the case have betrayed their patient. In fact, they are doing everything in their power to weaken him and hasten his demise. They have allowed quacks to dictate his treatment, which has turned out to be detrimental to his recovery.

This patient is very dear to us, for it is our own United States of America. The men we have put into office for the past fifty years or so, have allowed Fifth Columnists to infiltrate our Government and dictate the course of our nation. Their ultimate purpose is the destruction of this Constitutional Republic.

We are hopelessly in debt. We have been sold a moral code which stinks of death and corruption and which is often promoted by the "frocked devils" who stand behind the pulpits of many of our prestigious churches, masquerading as Christian shepherds.

In order to finance the death of this patient, measures are being constantly passed in Congress to hasten his death. Citizen is being turned against citizen by a heathen philosophy which has invaded our country from Eastern Europe. It is designed to ultimately enslave us.

The "loud mouthed liberals", with their high sounding talk about "love for everyone," have very
little love for the black, the Indian, or the Chicano, but are willing to use them as "cannon fodder" in the revolution they are striving to start. Listen to Article II, par. 5, in their plan for world conquest: "Through the press we have gained the power to influence while remaining ourselves in the shade: we have the GOLD of the world in our hands, not-withstanding that we had to gather it out of oceans of blood and tears. But it has paid us, though we have sacrificed thousands of our own people. Each victim on our side is worth in the sight of God, a thousand of the heathen."

Maybe you are one of those "brainwashed" people who do not believe such a thing could happen in America. But it is happening, right now, right before your eyes. If you will open your eyes and mind to what is happening in this country, you will see the disintegration process going on all about you. When you realize this, possibly you will understand the significance of the words which Khruschev screamed at the United Nations a few years ago, when he pounded on it's podium and screamed: "We will bury you!"

Most American diplomats and the gurus of the news media, put those words down to the rantings of a little peasant, as he insulted the greatest nation on the face of the earth. When he returned home, Khruschev sneeringly stated: "I went to America and spit in their faces and they thought it was dew!"

But Khruschev was speaking as the official representative of a very powerful nation which has been our enemy since 1917; an enemy which has promised, over and over again, to destroy us and the freedom we possess. In fact, hardly a year passes, in which this enemy does not reiterate this same threat!

In 1949, Dmitri Manualisky, head of the United Nations Security Force, from his position as Under Secretary of Military and Political Affairs, was recorded by Pravda as having stated: "Communism and Capitalism cannot long exist side by side. We are not strong enough to destroy them (the U.S.) now, so we will begin by producing the greatest peace offensive ever seen. There will be unheard of concessions from our side and the Capitalist nations, stupid and decadent, will leap at the chance to be our friends; they will rejoice in their own self-destruction. Then when their guard is down, and they have gone to sleep, we will smash them with our clenched fist."

That threat was made over forty years ago, yet our Government has continued to build them up and support them, to the point where now they are strong enough to carry out their threat. Communism is not dead!

Why have we allowed this to happen? Have all these things taken place due to some strange evolutionary process, or have they been deliberately caused for a Satanic purpose, the destruction of Christianity and all decency. We will see!!

For over fifty years we have watched in frustration the painful and rapid disintegration of the greatest nation the world has ever known. During this period, we have lost our International prestige. We have gone down-hill in economics, politics, morality and military strength.

Many decent people have stood by in frustrated silence, as our Constitutional processes have been eroded, our competitive free enterprise systems have been replaced with socialism, our national resources have been depleted and given to our enemies in the name of "détente."

We have stood helplessly on the sidewalks of this country, as our sons have been sacrificed in two no-win wars and two world wars, all of which have been avoidable and all of which were planned by evil men, in devious ways, so they could line their pockets with our wealth and further their control over a free people.

America is in a rapid retreat on every front. Our moral and spiritual strength has declined to the point, where once great churches, which few years ago were "lighthouses" for the Gospel, have been turned into "glorified religious country clubs," where men and women join because it adds to their social prestige and where the Gospel preached, is the treason of the Social Gospel.

Today, America is faced with a blackout of truth. How can we understand the dangers we face and
guard against them, when the media is under the control of our enemies?

Our leaders seem incapable of understanding the threat to our country, which comes largely from within. While many Americans are alarmed by what is happening, most of them are confused. Why are we in retreat? Why have we lost our prestige abroad? Why are we unable to cope with problems at home?

My purpose in this chapter is not to discuss the defeats of the past five decades, although there have been many of them. It is not to point out our lowering morals standards and the crime which is literally crippling us. It is to show you our loss of freedoms - most of you recognize these things.

What I want to do is show you how these problems have been deliberately created and how America has been deliberately manipulated into our present crisis by leaders who are openly contemptuous of our Constitutional process and who often come from a background which is hostile to the very concept of a Constitutional Republic.

It is not that our leaders do not understand the problems which are strangling us; it is not that they are incapable of understanding them. Our main problem is that many of them are traitors to our American concept of freedom.

The facts I am about to present to you are not popular. Some of you will find them repugnant, because they will be diametrically opposed to what you have been taught in your schools and churches. Some of you will be inclined to scoff at them and very possibly stop reading the first time you come in conflict with what you believe.

These facts disturbed me tremendously and I began to search for the truth concerning them. One day, during my daily Bible study, I read in 2 Chronicles 19:2, the story of a good king named Jehosophat, as he went north to help the wicked king of Israel, a man named Ahab, in a battle against the Assyrians. When Jehosophat returned to Jerusalem, he was met by a prophet of the Lord who chastised him by saying: "Shouldest thou help the un-Godly and love them that hate the Lord? therefore is wrath upon thee from before the Lord."

If God never changes, as the Bible clearly teaches us, then He hates atheist nations as much today, as when He had them destroyed centuries ago. He hates them, whether they are Russia, China, or atheist-Zionist Israeli, which is a nation that hates God, Jesus Christ and persecuted Christians. How can Christian America spend the largest portion of our foreign aid on a nation that constantly repudiates God? How can we support the very people who are today engaged in destroying everything we as Christians stand for? I cannot understand this position on the part of any Christian pastor.

I do not ask you to believe what I write in this Chapter, but I do challenge you to be honest enough to check these facts out; I dare you to put them under the most powerful magnifying glass available, the Word of God, and when you find that I have told you the truth, then have courage enough to act on the truth you will then have.

Some of the best documented information you can obtain on this thorny question can be obtained from the book THE IRON CURTAIN OVER AMERICA, written in 1951 by Col. John Beatty, U.S. Army Retired. Col. Beatty was a former officer with the Army Intelligence and was Chief of the Army Historical Section. Some of the information I will give you comes from this book. I suggest you get a copy and study it thoroughly. Because of it's contents, it has been under constant attack since it's publication, by both the Zionists, the Communists, and the Judeo-Christian church.

Let me say here that it is essential for us to differentiate between Zionism and Judaism, since they are not always one and the same thing. Yehudi Menuhin, the famous Jewish violinist once said: "I am an integrated citizen of the United States. I am a Jew by religion and by nothing else." This man waged a relentless and courageous campaign against the Zionists whom he considers: "only use and abuse their religion to promote Jewish nationalism, the new religion of so many subverted and brainwashed Jewish people." Remember that ours should not be a vendetta against the Jewish
people. Here I depart radically from some of my Identity brethren, who do not believe that a Jew can be saved. I do not consider this to be Biblical. I am not against the Jews as a people, but against the philosophy that some of them propagate, which would destroy America and Christianity.

There are many patriotic Jews, such as Alfred Lilienthal, author of the revealing book THE ZIONIST CONNECTION. This is another book which every concerned Christian should read, especially preachers who are giving their fullest backing to Zionism. He says: "I believe I articulate the voice of many Jews who wish to think American, but who will not volunteer an expression of their innermost feelings, even though they cheer from the sidelines. I cannot tolerate Israel turning me and others, who regard ourselves as Americans of Jewish faith, into second-class citizens in our own country...yet today, if I wish to retain my religious affiliation, I am bound, whether I like it or not, to help, assist, give to, lend to the foreign state of Israel, in a manner in which non-Jewish Americans do not have to do. I refuse to be a hyphenated American. I am neither an American-Jew, nor a Jewish-American. I am an American of Jewish faith, and Israelis' flag is not, has not, and never will be mine."

This statement was written in the Reader's Digest in 1950.

So do not let any prejudice against the Jews and their connections with Communism, color your thinking concerning all Americans of Jewish faith. To do so would be fatal to our very understanding of Americanism. We need to be alert to the dangers posed by Zionism and let our people know about them, without creating a climate of hatred which will destroy us all.

There is not a one of you who hears this message, who would shoot a watchdog that barked at night to warn you of an approaching intruder; this in essence is what Christian Americans have done for the past fifty years. Only an informed America, with the help of God Almighty, can save this nation. The ancient prophet said: "My people are destroyed for lack of knowledge," not lack of education, but lack of knowledge, or the truth about what is happening to them!

The great Roman Senator Cicero once said: "It is impossible to know the truth and not be held accountable for it!" So I warn you, once you have heard the truths in this message, whether you accept them or not, you will be held accountable before God. There can be no excuse for you to remain in your spiritual foxhole, while our battle for survival rages all about us.

Probably our greatest task is to get good people involved. Edmund Burke, the British Philosopher was once quoted as saying: "All that is necessary for evil to succeed, is for good men to do nothing!"

This is certainly true! You see, we will not lose our freedom on that day when we answer a knock on our door at 3 a.m. and open it to a little man with a star on his helmet and a Tommy gun in his arms, who says: "Come with me to the concentration camp!" We will lose it, when decent Christians, like you and I, see things happening in our local schools, churches, and government we know are wrong and we sit back and say: "I'm only one individual you know and everyone knows you can't buck City Hall!" When enough decent Americans feel this way, we will lose America; freedom will die; we will bury it in the cemetery and over her grave we will erect a headstone with this epitaph; "America died, because the Christian people of America didn't want to be bothered!"

For us to have a full understanding of the problems we face today, we must go back more than 1,000 years in history to the fundamental problem of Europe, the source, seat, and historic guardian of Western Christian civilization. This problem has been to save itself from the inroads of a heathen philosophy which had and still has its seat and source in Asia.

From the fall of the Roman Empire in the West in 476 A.D. to the present time, one of the principle weaknesses of Western Europe has been its lack of unity. Wars have been fought, brother against brother, which were instigated by this heathen philosophy, for the purpose of destroying all vestiges of Christianity. In the principa timocument of this enemy, Article 7, Par. 1, we read: "The intensification of armaments. the increases of police forces are all essential for the completion of our plans... Throughout the world, we must create ferments, disorders and hostility. Here we gain a double advantage. In the first place we keep check in all countries, for they will know that we have
the power to create disorders or restore order. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all the States. We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares oppose us and if they should venture to stand collectively against us, we must offer resistance by universal war. We must compel the governments of the Gentiles to take action in the direction favored by our plan. If our terrorist attempts against them fail, if we allow a general uprising against our control, we shall respond with the guns of America, or China, or Japan."

These breeches were healed in Europe to a certain extent during the Crusades, when men were aroused to go to the Holy Land and release Jerusalem from the hands of the Moslem hordes. For nearly a hundred years (1099-1187), the Latin Kingdom of Jerusalem ruled in Palestine, until they were finally driven out by the Saracens under the brilliant leadership of Saladin.

During this same period, there was a great deal of unrest in men's hearts concerning spiritual matters. This culminated in Martin Luther nailing his ninety-five theses on the church door at Wittenberg, Germany, on Halloween 1517.

The new form of Christianity he began was known as Protestantism and it made remarkable progress among the German people; many of the Teutonic knights embracing this new faith. These people developed a strong sense of duty and loyalty to Christian principles and from them came the statesmen which made Prussia great.

From the very beginning, the relationship between Germany and America was friendly. Not only was the basic blood-stream of English descent - almost identical with that of the Germans - in addition, over 25% of the early American settlers were of German descent.

In the early 1900's, Germany was admired by this country. She was a strong, Christian nation, part Protestant and part Roman Catholic, exhibiting many of the same characteristics as seen in America.

Then came World War I in 1914, in which Britain, France, and their allies were opposed by Germany and her allies. Since the people of America admired both these groups, they were reluctant to take sides. Finally in 1917, due to extreme Zionist pressure on our government, this country was literally seduced into World War I.

Chaim Weismann, the well-known Zionist leader, states in Paul Goodman's book WEISMANN, A TRIBUTE written in 1945 - "We Jews are the greatest war profiteers."

The great majority of American Jews were trapped into support of the Zionists on the basis of not being told the facts. In that they were no different from most Christians in 1993. But the Jews at the top of the International Bankers clique, made enormous profits out of the suffering and death of others.

It was during this period, while Woodrow Wilson was campaigning for re-election under the slogan: "I kept America out of war!" that his right-hand man, the mysterious Col. Edward Mandel House, was in London, working with Winston Churchill to bring the United States into the war on the side of Britain. This was accomplished by loading the passenger ship Lusitania with explosives and then having her sunk by a German "U" boat off the coast of Scotland colay 15, 1915. This incident was contrived, not by Germany, but by the Jewish Internationalists who wanted us into the war on the side of Britain.

If you can remember your history, this was to have been a "war to end all wars!" Yet this greatest "blood-spilling" of all times between men of kindred race did not bring world peace.

Here let me digress for a moment to bring you a statement made by the eminent Jewish Rabbi Reichorn in the Prague in 1868 at the funeral of Grand Rabbi Simeon-Ben-Ihuda: "Thanks to the terrible power of the International banks, we have forced the Christians into wars without number. Wars have a special value for the Jews, since Christians massacre each other and make more room for Jews. Wars are Jewish harvests! The Jew banks grow fat on Christian wars! Nearly 100-million Christians have been swept from the earth by war and the end is not yet!" Remember now, this
At the end of WWI, a secret agreement was made between President Wilson, Prime Minister David Lloyd George of England, and Prime Minister Clemenceau of France. The leaders of the Allies, in their peace terms, set the groundwork for the takeover of the German government by Adolph Hitler a few years later.

The financial crash came in Germany in 1923, as German money was devaluated by the International bankers and the German people began to suffer terribly, especially those in the industrial areas. In their hunger and desperation, they began to blame the Jews for their troubles, since many of them were identified with the International bankers, while others were leaders in the Communist movement.

This German attitude was intensified as the German Zionists began to acquire power during the terrible year of 1923, using funds from race-conscious Jews in other countries. Thousands of Jews from Old Austria, Hungary and Russia, rushed to get in on the "gravy train." As they gained further political power, they tightened the economic screws on the German people, so that when Hitler came along, they were ready for someone to save them from the Jews. This fateful German-Jewish tension was destined to play a major role in the later history of the United States.

At the end of World War I, anti-German propaganda in the United States was being fanned by fanatical Zionists, with very little respect for decency or honesty. The "Huns," or "Boche," as they were slightly called, were made out to be uncivilized barbarians. Most of the vociferous anti-German propagandists of this period were Zionist Jews, as can be seen by looking at the names of the popular writers of that period.

When the war ended, tensions did not end, as would have been strategically advisable and these tensions were continued in the Jewish controlled press and in the new opinion-molding medium of the radio. Americans were literally taught to hate and despise the German people, from which so many of them had sprung.

In 1936, while Britain sought to establish workable arrangements with Germany, President Franklin Delano Roosevelt, in his first term of office (1933), recognized Communist Russia, while remaining neutral towards Germany. Then in October 1937, in a speech made in Chicago, the President did a complete "about-face" and came out with a strong tirade against Germany. The task of the anti-German propagandists was made easier about this same time, by the appearance of Adolf Hitler on the German stage.

Now we need to go back on the stage of history for a few centuries, to the First Millennium of the Christian Era. Several tribes occupied an area between the Don and Volga Rivers, north of the Caucasian Mountains. They were known as the Khazars. By slow stages, they had extended their boundaries to the Sea of Azar and the Black Sea. They were a people of mixed Turkish and Mongolian stock.

In the 8th Century A.D., the Khazan, or tribal chief, wanted a State religion for his pagan people. He adopted a form of Judaism, which had been strongly influenced by the heathen Babylonian Talmud, and which was in complete opposition to the Mosaic Laws of the Hebrews. All one needs to do to understand this, is do some reading from the Talmud, used in modern Jewish synagogues. It was this form of Judaism, intermingled with Babylonian occultism, which was accepted by the Khazars in 741 A.D.

The Slavic people in the area now known as the Ukraine, were engaged in constant warfare with the Khazars and by 1016 had driven them out of the area. These "bogus" Jews went north and became widely distributed in Western Russia. (It is very important for you to note that these people had no blood relationship in any manner, with the descendants of Abraham; their ancestors had never set foot in Palestine.)
The religion of the khazars, was the religion of the Pharisees who crucified Christ and whom Jesus accused of being "children of the devil." Now don't get upset with me for making this statement, for it can be found in John 8:44, read it carefully in it's entire context and you will see what He was saying: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there was no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar, and the father of it."

In Revelation 2:9 and 3:9, the Apostle John writing to the church at Smyrna, years later said: "...I know the blasphemy of them which say they are Jews and are not, but are of the synagogue of Satan."

Now there is little doubt in my mind, that by now, some of you are convinced that I am anti-Jew. This is not true. All I am doing is giving you the facts your pastor has neglected to bring to your attention, for obvious reasons. The facts are available to you, if you are honest enough to look for them. We have been propagandized from our pulpits for so long, with the idea that the Jews are God's Chosen People, that few Christians are honest enough to face up to the truth that we have been lied to. Then when someone is honest enough to come along and tell you the truth, you immediately accuse him of being anti-Semitic. This is an old Communist trick which they learned from the Zionists.

Have you ever heard Walter Cronkite, David Brinkley, or other popular newsmen describe the Zionist pressure which literally runs our Government in Washington? Have you ever wondered why a man like Gen. Brown, Chairman of the Joint Chiefs of Staff, was forced into an apology when he warned Americans that they better check Zionist pressure in our Government? Have you ever wondered why John Connolly was driven out of the Presidential race, because he had the courage to speak up about this pressure? It's because the American people are afraid to face the truth. That's why we are losing the war for our freedom!

Have you ever wondered why Israel can do no wrong as far as our Government is concerned? Did you ever hear a word of condemnation for the terrorist acts of the Begin Government against Christian Arabs? Of course you didn't! Don't you know that the Israeli were the first country to vote against us in the United Nations, when it came to approving China's entrance a few years ago? This is not being anti-Semitic, it's just telling the truth and letting the "chips fall where they may." The Zionists cannot stand this! Their only defense is - use the "trigger word" - anti-Semitic!

The relationship between the Slavs and the Jewish Khazars was never a happy one and it had nothing whatsoever to do with religion or racial origin, since the Slavs were noted for having absorbed many minorities into their culture with few problems.

The reason for this friction was ideological. As time passed, these Khazar people of mixed and non-Russian stock, hated the Russian people, and became known to the world as Russian Jews, although they had no claim on the blood of Abraham and their religion was at complete odds with that of Moses.

Jesus interestingly enough mentioned this to the Pharisees in Matthew 15:3 - "...Why do ye also transgress the commandments of God by your traditions?" In Mark 7:13 - "Making the word of God of none effect through your tradition, which ye have delivered... So you see, what went on in Eastern Europe and Russia, had been going on in Judaism for at least seven centuries.

Since the Babylonian Talmud is distinguished by magic incantations, the practice of the occult and other heathen practices, these people became known wherever they went for their fanaticism and corrupt morals.

We hear so much these days from Protestant pulpits about the persecution of the Jews. I have never heard a preacher with "guts" enough to tell the truth: the Jews were kicked out of every Christian country in Europe, not because they were Jews; not because of their religion; but because of their corrupt morals and their under-handed, deceitful way of doing business and their habit of robbing
their Gentile neighbors.

The Judaized Khazars became not only an indigestible mass in the body politic, but they became characterized as a "State within a State." Their first allegiance was to the Babylonian Talmud. This same situation exists today; wherever you find Jews who follow the Babylonian Talmud, you find Jews who hold a dual citizenship in Israel and the country where they reside. The Jews are the only people who can legally hold this dual citizenship in the United States.

In the fertile grounds of Khazar-Judaism, the seeds of Communism sprouted and grew with surprising rapidity. The Khazar Jews were attracted to the writings of another Khazar Jew named Karl Marx, during the period 1818-1883;

The Marxist program of State control over everything, which was so repugnant to the mind of the Western World, was no obstacle to the Khazar Jew, since the Talmud taught acceptance of dictatorial control and the Talmud contains over 12,000 of these controls.

While Russia was staggering under the defeat by Germany in 1917, the Communists, whose hard-core was made up of Khazar Jews, struck against the Government and with the financial help of Zionist bankers in the United States, they took over control of that unhappy land. The first Communist Commissars were largely Jews. According to data furnished by the Soviet Press, out of 556 important functionaries of the Bolshevik State in 1918-19, 457 were Khazar Jews. In more recent years, the Communist rulers of Rumania, Hungary, Poland, and the Ukraine, have been Khazar Jews.

It was from this same ethnic group that political Zionism sprang up in 1884, under a Khazar Jew named Thedor Herzl. Mr. Herzl presided over the first Zionist Congress which met in Basil, Switzerland in August 1897.

Dr. Chaim Weismann, the head of political Zionism when it first reverted to violence, was born in Poland of Khazar stock.

Political Zionism entered its violent phase, when discovery was made of the incredible wealth of the Dead Sea, in southern Palestine. An independent Jewish State was the only method of Zionists had, to gain control of this land in their drive for world domination.

Now again, I am sure that many of you have read thus far, are still unwilling to admit what I am saying, although all of it is carefully documented. You have been taught in your churches for so many years, that the Jews are God's Chosen People that you will refuse to believe the truth. It was the Hebrews who were given the promise of God as found in Genesis 15:18; the people of this area were not known as Jews until many centuries later. The first mention of people called "Jews" does not occur in the Old Testament until 2 Kings 16:6, a thousand years after the time of Abraham. So to use the term to describe Abraham, Isaac, or Jacob, is very bad scholarship, if not outright deception. In fact the word "Jew" was not even known in the English language until the beginning of the 18th Century.

There are many documents which prove without the shadow of a doubt, that the Khazar Jews were and still are in the forefront of the Communist efforts to control the world. There were Jews such as Sam Carr (Cohen), organizer from Canada; Fred Rose (Rosenthal), organizer for French Canada; the German Jew Rabinovich, in charge of liaison with American Communists; John Gates (Israel Regenstrief), Editor of the Communist Daily Worker; Gus Hall (Hallberg), Head of the Communist Party. U.S.A. (this was the man who predicted the slaughter of 60-million Americans when Communism took over the U.S.A.) Then there were Jews like Lenin, Trotsky, Stalin - all principle founders of Communism.

Others apprehended in stealing the secrets of America's atom bomb and handing therri to the Soviets, were Harry Gold (Abraham Brothmann); Miriam Moskowitz; M. Sobell; David Greenglass; Julius and Ethel Rosenberg, (the only traitors executed for their treason. Today the Zionists are trying to make martyrs out of these two).
In 1951, Dr. William Perl of Columbia University was arrested as part of a Soviet Atomic spy ring, he had changed his name from (Utterperl); while at this time the true head of Communism in America, was the Khazar Jew, Gerhardt Eisler.

It is interesting to note that almost 100% of the Jews involved in Communist activities in the United States were of Khazar origin.

This simply means they were not Jews at all.

According to the American Zionist Handbook, 68 to 70% of all the Jews in the United States have their background in Poland or the Soviet Union and it is significant that the Canadian Royal Commission, in its findings on Communism in Canada stated: "It is significant that the number of documents from the Russian Embassy, specifically note 'Jew', or 'Jewess,' in the entries on Canadian agents, showing that the Russian Fifth Column attached particular significance to this Jewish influence in the Party."

You see, my Christian friends, I am not making accusations off the "top of my head." Nor am I showing you these facts to cause you to hate the Jews. I am simply trying to show you where most of our national security problems are coming from.

It would be well to make a few remarks at this point concerning American Immigration policies. On December 2, 1823, President Monroe proclaimed, in the famous document which bears his name, that the American Government would not allow Continental European powers to extend their political systems into the New World. Up to 1900, most of the immigrants to the United States had come from Western Europe, where their ideals were those of Western Christian civilization. These were the people who subdued the Western frontiers and helped build the moral and spiritual foundations upon which this nation became great.

But about 1880, our immigration policy began a significant shift to include millions of people from Southern and Eastern Europe. Most of these people, with the exception of the Spaniards and Italians, had little regard for the principles of Republican Government. A large portion of them were non-Christian in culture and had no intention of accepting American ideals. Instead they tried to move this country towards a collectivist ideology.

In 1908, the President of Columbia University, Dr. Nicholas Murray Butler, called attention to the fact that Christianity was a dominant part of the American nature. He went on to express his fears that "our capacity to subdue and assimilate the alien elements brought about through immigration may soon be exhausted." He concluded, as Abraham Lincoln had seventy years earlier that "the dangers which confront America will come from within."

Statistics for this period of our national growth will show that the new immigrants were mainly Italians, Slavs, and Khazar Jews from Russia and Eastern Europe. The Italians and Slavs posed few problems, since their ideals were essentially Christian.

But the Khazar Jew was strikingly different. These newcomers arrived on our shores in vast hordes. The total number of Jews who arrived prior to 1920 reached over three million. They were referred to as Polish Jews and comprised the largest percentage of the Jewish population of New York City.

The older Jewish immigrants, who were for the most part people of true Hebrew blood and who followed the Old Palestine Talmud and the Laws of Moses, had been assimilated into the American way of life and most of them had become good citizens. But they were overwhelmed by the flood of "pseudo-Jews" who arrived from Russia. The older Jews had very little racial connection with the heathen Khazars who came from Russia.

But as the Khazars began to dominate the Jewish population in the United States, the position of the Americanized Jew became a precarious one. Many of this group were branded as "Quislings," "betrayers of Judaism," our outright traitors. This emphasis came from the Khazar synagogues, which tried to silence the orthodox Jews who were sympathetic to our American way of life.
This is still true today, where orthodox Jews, who refuse to back political Zionism, are actually persecuted by those who "say they are Jews and are not."

So it is very necessary that we use care in not lumping the true Hebrew with the Judaized Khazar, who is not of Hebrew blood and is a fake. The orthodox Jews should receive our sympathy and cooperation, for they are concerned about saving freedom in America too!

The Khazars consider themselves to be superior - a separate nationality, a "nation-within-a-nation," and one which is certainly hostile to American ideals. They are absolutely ruthless and often exercise violence against their own people if it will help their cause. On November 25, 1940, for example the SS Patria was blown up in Haifa Harbor, killing 276 Jewish immigrants. At the time, this incident was attributed in our Jewish controlled newspapers to the British. It was not until 1950 that the truth came out and the disaster was placed at the door of the Zionists, where it belonged. As David Flinker, an Israeli correspondent for the Jewish Morning Star wrote: "The Hananah General Staff took a decision not to permit the Patria to leave Haifa The English must be made to understand that they could not drive the Jews away from their land. So the Patria must be blown up. The ship got ready to go to sea and none of the passengers were warned."

Fifteen months later, the SS Straum exploded in the Black Sea, killing 769 illegal Jewish immigrants; once again the British were blamed and once again it was proven that this time the Irgun, the Zionist terrorist organization, did the job in order to raise hatred against the British and open Palestine for Jewish immigration. Over and over again, Zionists, following the Satanic teachings of their Talmud, have murdered and terrorized anyone who stood in their way, friend and foe alike.

So great was the immigration of the Jewish Khazars to the United States, that in 1947, immigration officials stated that "over 50% of the world Jewish population now resides in the U.S." (This meant about eight million of them.)

The problem created in the United States by such a powerful minority, possessed of an aggressive foreign ideology, and fired by ambitions to rule the world, is something each concerned American needs to understand, if we are to survive as a free, Christian nation.

The burning hatred of the Khazars for Christianity and decency has been inherent through the centuries. This was apparent when Jesus accused the psuedo-Jews of His time of being "guilty of all the righteous blood of men from the time of Cain until His time." (Luke 11:45-51).

Go back in history and you can see this same virulent hatred, as it has been behind most of the major "bloodbaths" in world history. See their offspring as they continue these wicked practices in the Communist countries and now in Palestine, where they have killed and persecuted Arab Christians and have closed down Christian work in Israel. These and other facts are things that I cannot get away from, no matter how loud our pastors trumpet that they are God's Chosen People!

As the Khazars took over in Russia, they instituted a succession of purges which liquidated millions of people, principally those who were Christian. We are not interested in these purges in this message, except to state that the Khazar-Communist plans call for a liquidation of most men and women in America, over the age of 30, because they "can not be re-educated into the Communist philosophy."

In the Communist Textbook on "Psychopolitics, written in 1933 and taught in the Lenin School for Political Warfare at the University of Moscow, can be found in the Communist plan for the takeover of the United States. In Chapter Twelve, page 52, they say: "Just as in Russia we have destroyed after many years of most arduous work, the Church, so we must destroy all faiths in nations marked for conquest. You must recruit every agency of that nation into a foaming hatred of religion"

"We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christian, remember we have yet to influence the Christian world to our ends. When we have done that, we will have an end
to them everywhere."

Even as the heathen Khazars subjected Russia and China to a rule of terror which killed over 140-million people, so they have begun their infiltration of America for the same purpose.

Before the outbreak of World War II, in March 1939, Josef Stalin addressed the 18th Congress of the Communist Party in Moscow and laid down the plans for world domination which have never been changed. Our State Department has known about these plans all along, but because of Zionist influence in the "upper echelons" of our Government and through the years of detente with our sworn enemy, they have sought to strengthen our enemy. This comes under the act of TREASON, as defined in Article III, Section 3, of our Constitution.

It is interesting to note that the Democrat Party as early as 1912, began to woo the votes of these Eastern immigrants. In the early part of this Century, the Eastern Europeans, who were mostly "liberals and radicals," flocked into the Democrat Party. They can best be exemplified by the distinguished Harvard Khazar Jew, Louis Brandeis, whom President Wilson named to the Supreme Court. Brandeis envisioned a "new cooperative one-world order." (According to the Universal Jewish Encyclopaedia, Vol.11, pp. 495-499, he was an active Zionist.)

Brandeis was also an active factor in influencing Wilson to get America involved in World War I, even as he campaigned on the slogan: "I kept America out of war!"

Although England had promised self-rule to the Arabs in Palestine because of their help in defeating the Turks, Wilson was readily won over to Brandeis' scheme for a Jewish homeland in Palestine, which had already received favorable attention from British Prime Minister David Lloyd George.

An article appearing in the Jewish Chronicle, February 2, 1936, titled: "The Origin of the Balfour Declaration," said that certain representatives of the French and British Governments had been convinced that the best and perhaps the only way to persuade America to enter the war, was to secure the cooperation of Zionist Jewry in the United States, by promising them Palestine. Since Wilson attached the greatest importance to the advice of Judge Brandeis, the Zionists worked through him to get us involved.

It was the flood of liberal votes from these Eastern Europeans which raised the Democrat Party to a majority status and under which we have seen the most drastic decline in our history and under which we have fought our last four wars. America has been under the control of this basically anti-American group since at least 1932.

The first spectacular victory of the non-Christian Eastern European Democrats, came when Roosevelt, within nine months after his inauguration, recognized the Soviet Government of Russia.

This has been followed down through the years by the debacles of Yalta, Potsdam, Teheran, Hungary, Cuba, China, our betrayal of Taiwan, the sell-out of the Panama Canal, the destruction of Rhodesia, and the debacle in Iran, Afghanistan, and Iraq. All of these events, and many more, were brought about by the manipulation of the heathen element in our Government.

The present Administration of Bill Clinton, a man who professes to be a Christian, shows further sad example of this heathen control. There is not one man the President has appointed in this Administration, that by any stretch of the imagination can be called a Christian. But many who hate God, decency, and freedom, have been elevated to places of top responsibility and many are Khazar Jews.

There was no more shocking example than that of foreign born former National Security Advisor, Zignibew Brezinski, a Marxist who has publicly stated: "Though Stalinism may have been a tragedy for the Russian people, there is the possibility that for the world at large, it may have been a blessing in disguise." (I'd like to see him tell that to a refugee from behind the Iron Curtain, whose family has been slaughtered by the Communists). Again he said: "America is undergoing a new revolution which unmask the obsolescence of our Constitutional form of Government." He then goes on in no uncertain words to declare that he believes that our form of government is "out of step
with the times," and that he believes in and advocates "one-world government" for the best of the people. (He is a Khazar Jew.)

Look at the list of men, down through the years, who have betrayed the best interests of our country - Litvinoff, Morgenthau, Dean Acheson, all protegees of the Khazar Jew, Felix Frankfurter and all of foreign, non-Christian stock; Henry Kissinger.

Acheson had served in the law firm of Brandeis and his record of disservice to this country, which began in 1939, when he was a paid lawyer for Josef Stalin in the United States, reads as a eulogy for treason.

Many patriotic, well-informed Americans in the old State Department and the American Federation of Labor, pleaded with President Roosevelt not to recognize the Soviet Union. But F.D.R., puffed up with his own importance and egged on by the clique of Marxist Fabian-Socialist-Zionists in his government, who posed as liberal intellectuals, signed his name to the franchise which recognized this enemy of all mankind. Without Congressional approval, he made a treaty with the Soviet Union, giving them the right to establish an embassy in the United States, with full diplomatic immunity and this has been a "hot-bed" of Soviet espionage ever since.

It was Soviet Foreign Commissar Maxim Litvinov, the plunderer of Estonia and the Kremlin's first agent for socializing England, who received "red carpet" treatment in Washington, then sat down with Roosevelt, after Acheson and the Khazar Jew Morgenthau had done the spadework for treason. This was the deal which has led America to the brink of disaster in this era.

After this nefarious deal was consummated, large numbers of naturalized citizens and ideological associates, were infiltrated by appointment or by Civil Service, into the State Department. Among those who "feathered their nests" during this shameful period were "leftists," Eastern European converts to Communism and a few native Americans who sold out their birthright for a "mess of stinking socialist pottage!"

By the beginning of World War II, the Communist infiltration into our State and Agriculture Departments had reached the point, that when Martin Dies, head of the House Committee on Un-American Activities, warned Roosevelt, he was shouted down by an irate President who screamed; "I am no more a Communist than you are; but there is no danger from Communists in this country, some of them are my best friends." When the unyielding Dies reiterated his warning, F.D.R.'s climatic argument was: "We need their votes!"

Time and time again, Dies was called to the White House, where he was alternately threatened and cajoled to stop annoying the Communists in our Government.

Probably the greatest enemy infiltration took place in the new Atomic Project, where there was a heavy level of Eastern Europeans employed. The Khazar Jews were conspicuous in this agency during the 40's and 50's. (Don't get upset with me - I am only quoting facts!)

The influence of this heathen ideology reached its peak in mid 1951, when Milton Katz was at the helm of U.S. Foreign policy in Europe; Anna Rosenberg was in charge of the manpower of our Armed Forces; Manly Fleischman was Administrator of Defense Production and Nathan Feisinger was the Chairman of the Wage Stabilization Board. These were all Khazar Jews and it was under their control that we saw American principles "slip down the drain."

The man appointed by President Truman to head the "Committee on Religious and Moral Welfare and Character Guidance in the Armed Forces," was a Khazar Jew named Frank Weil, a New York lawyer and President of the National Jewish Welfare Board. Is there any wonder, under leadership such as this, that orders came down to the Chaplain's that they could not use the name of Jesus Christ in their weekly Character Guidance classes?

Probably the top Khazar in our Government during this period was Vienna born Felix Frankfurter, who headed a nefarious group of anti-American Khazars composed of Alger Hiss, Lee Pressman, Benjamin Cohen (Truman's Senior Assistant) David Lilienthal (Chairman of the Atomic Energy
Commission), Nathan Margold, Donald Hiss, Milton Katz, and former Secretary of State Robert Patterson. All of these men worked directly under the influence of Felix Frankfurter and were violently anti-American in their concepts.

Another powerful Khazar Jew who was frequently summoned to aid the President, was Isador Rubin, later appointed by the President to a position in the United Nations.

There was Leo Pasvolsky, a Russian-born Khazar who rose to power in the State Department; there was Samuel Rosenberg who wrote many of F.D.R.'s speeches; there was Henry Morgenthau, Secretary of the Treasury and sponsor of the vicious Morgenthau Plan to destroy Germany after the war; there was Hubert Lehman, Director of UNRRA and who diverted many of it's funds to Soviet satellites.

Doesn't it seem strange to you, the large number of Khazar Jewish names which crop up in the area of treason? Yet many people, including a majority of our Christian pastors who ought to know better, will accuse me of being anti-Semitic and hostile to God's Chosen People. Well, I'm really sorry about that, but I can't change the facts. Do you suppose you might be wrong?

In his personal diary, Secretary of Defense James Forrestal, recorded that he told Joseph Kennedy, our Ambassador to Great Britain, that Prime Minister Chamberlain had told him: "It was America, under the leadership of world Jewry, which forced Britain into war with Germany."

In 1950, Forrestal argued with Democratic Party leaders saying: "No group in this country should be permitted to influence our Foreign Policy to the point where it interferes with our national security." Immediately, Forrestal came under vicious attacks from the Zionists; Bernard Baruch, the Advisor of President Roosevelt warned Forrestal of possible personal retaliation if he continued in his America-first course. There is much evidence that Forrestal was murdered. Before his death, Congressman F. D.i-Sesevelt, Jr., expressed fear that the Democratic Party might lose votes because of Forrestal's strong anti-Zionist stand. The Secretary angrily retorted: "I think it is about time that somebody should give some consideration as to whether we might lose America."

When Germany attempted to improve her relations with the United States in 1937 and again in 1938, she was rebuffed by the Roosevelt Administration. The official reason given was: "Fear of domestic h: ttical reactions in this country which would be unfavorable to the Administration." Yet this same Administration had thought nothing of public reaction when F.D.R. unofficially recognized the Soviet Union in 1933.

Finally in desperation, feeling that he was being surrounded by a British-French-Soviet encirclement, Hitler went to desperate measures and declared a policy of "guns instead of butter." It was his reaction to Jewish treason within his country and the Zionist pressure against Germany, that caused Hitler's bitter hatred of the Jews. Any honest study of this period will show that World War II was caused primarily by our President's policies, which were governed for the most part by his Khazar advisors.

In Proverbs 25:5, we read these interesting words: "Take away the wicked from before the king, and his throne will be established in righteousness." This has been true of every Administration which has served this country in the past fifty years. Most of our trouble has come from anti-Christian, wicked advisors in our Government.

One of the men who understood this problem and I believe was murdered because of it, was Gen. George Patton. He had recognized the dangers from Communism as far back as 1943 and hated it with every fiber of his magnificent character.

Many Americans still look on Harry Truman as one of the best of our recent Presidents, because of the stand he took on Korea. Yet if you are honest in your evaluation, you will have to admit that he did more to strengthen the Communist position at Potsdam, than any man we have ever had in the oval office.

A honest study of World War II, will reveal that we did not fight that war to stop the advance of
Naziism; it was not fought to "make the world safe for democracy." We received absolutely nothing of value for our victory in that war. The entire benefit from that conflict went to the Communists, who took over most of Europe and enslaved over a billion people in Asia, all under Khazar leadership. It is no wonder that Jesus said to their fathers: "Ye are of your father the devil. He was a murderer from the beginning..." It's no wonder that his Khazar children follow in the path of international murder.

Most of the facts I have given you have been deliberately witheld from the American people. Why? Because if we knew what was happening, we would kick the money changers out of the temple; they cannot afford to have us do that, until they have consolidated their strangle hold on the world.

Even worse than the deliberate withholding of the truth from our people, is the deliberate slanting of the news. A good case of point was the slaughter of the Israeli athletes at the Olympic games in Munich in 1972, by eight Palestinian guerillas. The New York Times used terms such as: "Murder in Munich; Arab Fanatics; Homicidal hatred; Indiscriminate murder." Yet when the Israeli air force shot down a Libyan plane that had strayed over Israeli occupied territory in a blinding sand storm, killing 74 people, the same New York Times ignored the story for over a day and finally came out with a story which called it "a tragic, horrifying blunder."

I could fill this book with the same deliberate slanting of American news, both in the news media and on television. It is always slanted to favor the Zionists and has reached the point where very few Americans know the truth of what is going on in the Middle East.

Even those Christians who travel to Palestine are given the full propaganda treatment. They are met by Israeli guides who give them the benefit of Zionist propaganda free of charge. They usually have preacher guides, who are so sold out to Zionist interests it is pitiful. They are never told about the deliberate persecution of Christians in Israel; the closing of Christian missions, the Zionist hatred for our Lord Jesus Christ. A few years ago, when a Moravian orphanage was closed by the Israeli Government, the name of Jesus Christ, over the entrance way, was immediately cemented over by Government order.

We have been led to believe by our preachers that the Israeli are a deeply religious people, with a deep sense of the prophetic elements of the Old Testament. This is false. From their own sources, they admit to being over 60% agnostic or outright atheistic. I do not advocate hatred or persecution of these people, I am just asking that the American people be allowed to know the truth and not be forced to swallow the unmitigated "swill" that we have received from the media and from our pulpits. I have noticed that few of the preachers who are always taking guided tours to the Holy Land, ever bother to take their Christian "sheep" over to hear the Arab side of the story.

A few years ago, Walter Cronkite, the guru of CBS stated: "My job is not to tell the American people the truth; I am an opinion molder."

This same false Zionist propaganda can be seen in the theatre and on television, and most certainly in the movies. Movies such as "The Diary of Anne Frank," and "Holocaust," which are called documentaries, are held up to the American public as being true, but have been disclosed as planned frauds. I will not take the time to go into this, except to say that it is a proven historical fact, that Hitler never killed six million Jews in Germany during his regime, for the simple fact that there were not that many Jews in all of Europe during that period. A reward of $50,000 has been available for a number of years, for anyone who can give documentary proof of this "annihilation" of Jews in Germany; no one has attempted to claim it, because they know it is false. Yet these untruths have been one of the greatest sources of Zionists funds from the stupid Americans who fall for them "hook, line and sinker."

This same kind of propaganda has been inserted into our school books, where few books of the pre-war (1940) era are available to our high school and college students.
Why have the many anti-Jewish statements of Martin Luther been expunged from the textbooks of Lutheran Seminaries? Have you ever wondered why the many warnings given to Americans in earlier days, concerning the Jews, have been taken from our textbooks? Benjamin Franklin and George Washington were strong in the denunciation of Jewish influence in their day. Why is it that there has been one goal of the left-wing, anti-American, atheist forces from which they have never deviated? This is to place our government in the hands of atheist aliens and non-whites.

Secretly and publicly, in the press, in the school, in government, and in the church, white Christian Americans have been downgraded at every opportunity and are being replaced in positions of responsibility, by alien non-Christians. There must be a reason!

Why has America been propagandized for over fifty years, mostly by Jewish writers and commentators, through the newspapers, in books and magazines, on the radio and TV, through the movies and now in our textbooks, to accept the heathen philosophy of Zionism, which is diametrically opposed to everything Christianity stands for. It is blasphemy to say that the religion of Jesus Christ is founded on a Judeo-Christian basis, for the Judeo basis is opposed to everything our Master stands for.

Why for the past few decades, have non-whites, aliens and foreign born Jews, been promoted in governmental positions, over better qualified white Americans? Why has "inter-marriage" been encouraged by this same Satanic crowd, in direct conflict with God's Word (see Exodus 19:51 and Deuteronomy 7). Why are aliens, who can't even speak our language clearly, put into sensitive positions of government, often over American born whites?

I'm thinking now of un-Godly men like Henry Kissinger a German born Khazar Jew, and the foreign born Khazar Brzezinski. In Deuteronomy 17:15 we read: "tho-Jayest not set a stranger over thee, which is not thy brother." "Don't try and tell me that law was only for the Jews - it makes a great deal of sense. In Joel 2:17, a prayer for God's Divine assistance says: "...Spare thy people, O Lord, and give not Thine inheritance to reproach, that the heathen should reign over them: wherefore should they say among the people, where is their God?" This is what we have done in America, for these Khazars are heathen, atheistic, God haters of the worst type.

Why has our government subsidized the birth rate among the nonwhites in America, while the white population is constantly being lectured about the dangers of population increases? Why is most of the welfare money, which is strangling the American economy, going to people who often refuse to help themselves and who look on it as their right, rather than as a short term aid measure? It is these people, who constantly put the heathen into office in America and this practice is destroying us. Why are most white Christians unaware of the dangers from a non-white controlled central government? Can you give me a logical answer for this? Of course you can't!

Many of you readers who come from Fundamental churches will immediately puta label on me. If you don't, your pastor will. My pastor firmly believes that I have departed from the faith, because I refuse to accept the propaganda he puts out that the Jews are God's Chosen People. Yet my beliefs have not changed concerning the Gospel. I am a Fundamentalist in the strictest meaning of the term, and the truth I have learned, has strengthened my belief in the Book.

You may possibly remind me of God's Covenant with Abraham in which He said: "I will bless them that bless thee; and curse them that curse thee." But God wasn't speaking to a Jew... Abraham never was a Jew! My pastor reminded me that unless America helped the Jews, we would be cursed, then he said: "God has blessed us, because we loved the Jews!" But this is a patently false statement. God has not blessed this country since we accepted Zionist control over Palestine; the worst period in our nation's history has come on us since we turned our backs on God and helped His enemies.

We need to remember that the Bible is very careful to differentiate between Israelites and Jews - this is something most Fundamentalisanyeoeachers need to learn to do! There are some Jews who are Israelites, a very few - but there are very few Israeliites who are Jews! The terms are not interchangeable, as our pastors have indicated. I dare you to try and discuss this with your pastor.
Nine times out of ten, he will become angry and instead of sitting down with you and trying to give you proof from the Word of God, he will try and discredit the person who has opened your eyes to the truth. Why? Because he has also been propagandized for years. In both Protestant and Catholic Seminaries pastors have been taught that the Jews are the People of the Book. You don't think after all this time there are many men honest enough to admit they have been wrong, now do you? My pastor even refused to look at documented facts I had available for him.

Nowhere in Genesis 12 does the Bible speak of Jews. God was speaking to Abraham who was a Hebrew and very few of the Zionists have any of Abraham's blood flowing in their veins. This is one reason, many orthodox Jews, refuse to support the Zionists, they recognize them as fakes. Must we allow this heathen philosophy to destroy everything we as Christians stand for, merely because our pastors refuse to accept the truth?

Why do you never hear a Fundamental pastor speak a word of warning concerning the words of Revelation 2:9; 3:9? Why is it that you can make unkind remarks about Germans, Italians, British, Poles, Canadians, Catholics, Pentecostals, Fundamentalists and Mormons, and no one gets too upset. But merely breathe a word about "those who say they are Jews and are not, but are of the synagogue of Satan," and the roof falls in on you?

Why is a person who is anti-communist, almost without fail labeled as anti-Semitic? Is it because so many of them "who say they are Jews," are on the same side as the Communists? Are they afraid that Americans will learn the truth about who they really are and that they will lose their stranglehold over us?

If the Zionists are God's People, why do they deliberately murder, as they did in the case of Count Bernadotte of Sweden in 1948. One of the Stern Gang leaders, a personal friend of Ben-Gurion said: "We killed him because of his declared intention of turning Jerusalem into an International city. He was our enemy." Suppose we did that with the Jews and said: "We must get rid of tur J because they want to turn America into a Communist nation." Would we be justified in doing that? Can you imagine the reaction in the Zionist controlled press?

There have been many incidents of Zionist terrorists bombing Jewish synagogues in order to put pressure on reluctant Jews to join political Zionism. Yet these facts are suppressed in the news media and from our pulpits. Even our pastors seek to find excuses to justify Zionist atrocities. It seems at faough these people can do no wrong.

Alfred Lilienthal, a well-known orthodox Jewish writer put it quite aptly in his book: "The Zionist Connection:" "It is possible that Adolf Hitler had more of the blood of Abraham flowing in his veins, then the men who are trying to take Palestine by force, from it's rightful owners. It is possible that some of my Christian readers, have more of this blood in their veins, than Menachim Begin or Golda Meier." Yet Godly men, like my once good friend Dr. David Webber, from the Southwest Radio Church of the Air, state publicly that the Jews have a right from God, to take the land of Palestine by force, from it's rightful owners.

While the blood of Abraham the Old Testament patriarch, flows in the veins of many Palestinian Arabs and others who live on the shores of the Mediterranean, the true descendants of the "friend of God," are not the heathen race, which now rapes and ravages the Holy Land.

Why are our Fundamental churches seeking to befriend those who say they want to destroy everything we as Christians believe in? Why do people like Dr. Jerry Falwell of the "Moral Majority," and evangelist Jack Van Impe, back the enemies of God the Father, God the Son, and God the Holy Ghost? Why do they back the very people who are behind the immorality they say they want to stop in America?

Must God Himself put His curse on this nation, because His Christian people are supporting His enemies; because our spiritual shepherds refuse to open their eyes to the truth and lead their flock astray? I suggest you read 2 Chronicles 18, 19 and see how the wrath of God fell on a stupid king,
who backed the enemy of God. (And that enemy, by the way, was a King of Israel.)

The American public, especially those of us who go by the name of Christian, are entitled to know the truth. Our pastors should be the first to give us this truth and they have not done so. If we are to remain free, we must demand that the truth comes to us from our government, our schools, and most of all from the pulpits of our land. We must do away with the unofficial censorship which perverts our school books, and perverts our history and denies the truth concerning the white Christian people of this land.

In 1951, the infant State of Israel showed it's true colors, when they voted to allow Communist China into the United Nations, voting against America, who was supposed to be their friend.

During the early days of the modern Israeli, terrorism was the "mod us operendi" of their leadership. Israel are the only nation in the world, which have as it's leader, a man who was an acknowledged bank robber, murderer, and terrorist. All of these terms aptly applied to Menachim Begin, who bragged publicly of kill Pan more than 300 people with his own hands; he has been instrumental in driving over 880,000 Arabs - Moslems and Christians alike, from lands they owned. Even many Jews have protested his disobedience to the Laws of God. They also apply to the present Israeli Premier.

The United States, under President Harry Truman, swung full force behind this gang of murderers. In 1948, Truman was quoted as saying: "We need to help the people of Israel, since they have proved themselves in the best traditions of hardy pioneers and the highest standards of Western civilization." Mr. Truman, never had the "guts" to define what he meant by the "best traditions and highest standards of Western civilization," unless he had reference to our earliest American gangsters who murdered and robbed the Indians, or the cut-throats of Quantrell's gang who murdered and raped in Harry Truman's backyard during the Civil War. That's the same class the Zionists have placed themselves in!

The liberal politicians greed to obtain Zionist votes and money for the socialism of the Democratic Party, has cost us the loyalty of twelve Arab nations which were our former friends and which are a lot closer to us in their religious beliefs, than the atheist Khazar Jews. The Moslems at least believe in One God; they honor the Lord Jesus Christ as a great prophet and do not look on him as the "illigetimate son of a Jewish harlot," as most Zionists do.

A good idea of the way in which Americans have prostituted their honor to these heathen can be seen in a statement which was made in 1974, during the gubernatorial campaign of Hugh Carey in New York. He told Zionist Premier Rabib: "Don't pay any attention to the polls; we are behind what Israel does, no matter what they do!" If he had said this about any State but Israel, he would have been tried for treason. But in New York, they made him their governor.

Probably our greatest mistake in foreign policy came at the end of World War II at Yalta, when F.D.R., a dying President, with the traitor Alger Hiss at his elbow and George Marshal in attendance, consented to the brutality of allowing Stalin to use millions of prisoners as slave laborers, in direct contravention of all rules in the Geneva Convention. At least a million of these unfortunates died in Stalin's camps. Form that time to this, our government has been riddled by the Khazar element which took over in Russia. They are more interested in money and power than in what is best for this country. One of the prime examples of this is foreign born Henry kissinger, a Khazarin the best tradition, a known agent of the Russian KGB and the man who sold us out in Vietnam.

Since Christianity is closely allied with the founding and growth of America, it has been this factor which made national unity out of the many ethnic groups which make up America. The acceptance of the basic tenets of Christianity, were the basis for our Constitution and the Bill of Rights. Our concept of national honor and integrity, in national as well as individual rights, came from and was founded in Christianity.
But when our churches began to tire of their proclaimed duty to be the "salt of the earth," when they transferred their loyalty from the risen Christ to a heathen cult they proclaimed as God's People, then public and moral decline set in and we now find ourselves on the precipice of destruction.

Today, the greatest threat to America is not from the Communist guided missiles. It comes from within, from the insidious forces which are gnawing away at the foundations of America; from the church leaders who have prostituted their task of recognizing the truth and passing it on to their people; from refusing to warn against the enemies which are determined to destroy their right to preach the Gospel they claim to love.

We in America who care about the future of our country and the future of our children must never lose hope. We must proceed with boldness and joy, knowing that God has promised us the victory, if we will put our faith in Him. Many people believe that America has passed the point of no return! I cannot accept this.

In the Old Testament, in 2 Chronicles 7:14, is a verse which I have engraved on the bottom of my stationery, many of you know it by memory: 'If my people, which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will FORGIVE THEIR SINS, and WILL HEAL THEIR LAND!'

I firmly believe, that if one-fourth of the people in America, who go by the name of Christian, would fall in love with their Lord enough to obey His commands, we could kick the "Money Changers" out of the temple, clean up the mess in Washington and have us headed on the proper course in six months.

If Christians would get out of their spiritual foxholes and take a stand for God and decency, it would give a new life to patriotic officials in the military and in the Congress, those who have been struggling so long against almost insurmountable odds. It would free Americans from the haunting fear which now rests on this land like a poisonous pall.

In Alan Paton's book: "Cry, Beloved Country," he has written these words:

"I shall no longer ask myself if this or that is expedient, but only if it is right. I shall do this, not because I am noble or unselfish, but because life slips away, and because I need for the rest of my journey a star which will not play me false... a compass that will not lie! I do it because I am no longer able to aspire to the highest with one part of me and deny it with another."

This star is our faith in God; this compass is the Word of God, which was "made flesh and dwelt among us," and who can once again bring us back into the paths of righteousness. Then and only then will we realize: the truth of Isaiah 54:17 - "No weapon that is formed against thee shall prosper, and every tongue that shall rise against thee in judgment thou shalt condemn."

**Chapter Two**

**THE TRUE ENEMY EXPOSED!**

In our time, more than at any time in history, the chief strength of the wicked, those who would destroy Christianity and the freedom it brings to mankind, lies in the cowardice and apathy of men and women who call themselves Christian.

Christ's answer to the apathy of Christian America could well be found in the words of Zechariah 13:6 - "What are these wounds in Thy hands? Then shall He answer, Those with which I was wounded in the house of my friends." Why? Because they did nothing to defend Him against His worst enemies - the one's who crucified Him. Instead, they have joined them, praised them, and called them God's Chosen People.

Instead of crying about anti-Semitism; Instead of constantly harping about their persecutions;
concerned Jews would do well to remember that their reputation will not be improved by their continual deception, no matter what their Talmud says to the contrary. When they deliberately set out to deceive the leaders of the Christian world, and this is their acknowledged plan - they are not helping their people. Jewish reputation, world-wide, can only improve as Jews set their hearts and attitudes towards God and their fellowmen in the proper perspective. They have tried too hard and too long, to fool people into believing they should be blessed and have special favors because they are special in the eyes of God. They have fooled many, but in every instance, it has brought about the persecution of which they so bitterly complain.

There has been a Fifth Column at work within the Christian churches of America for a long time. Its purpose is to destroy Christianity; it has fooled many sincere Christians, even good Bible preachers. But it must be exposed, no matter how traumatic the results, or the Synagogue of Satan will triumph over the cause of Christ and send this old world into another Dark Age, worse than anything this world has ever seen.

While this lecture will undoubtedly be labeled as anti-Semitic, by the enemies of Christ, and a lot who claim to be His friends, it has not been designed to hurt the Jews. This is not my intention. Most of my abuse will come from the Fundamental church which I have served for so long. But it is this group, in particular, which needs to know the truth about the un-Godly force which is seeking to destroy them and which they in their ignorance have been feeding and protecting. So I begin this lecture with the prayer that God's Holy Spirit may lead our thinking and give us the wisdom to choose between truth and falsehood; then the courage to take a stand for the truth.

In recent years we have heard a great deal about this thing called "anti-Semitism." It has become a "triggerword" for the liberals. It has reached the ridiculous point to where a person who is anti-Communist, is often accused of being anti-Semitic. What does this all mean? Why have the churches of America been flooded with false information concerning the Jews? Who are these people which exert such a strange and powerful influence on the politicians and preachers of America? Are they really the Chosen People of God, as our Fundamental preachers claim, or are they members of the "Synagogues of Satan," as the writer of Revelation indicates?

Now I realize this is a very controversial subject and that I will come in for a lot of criticism from those who have been my friends, for I will be going against the established concept and this is always dangerous. But what does the Bible really say concerning these people? Are the Jews, and those known in the Bible as Israel one and the same, or have our preachers been deliberately misled, for a specific purpose?

Does the promise and curse of Genesis 12:3 apply to the Jews of today, or have we been led into a situation where the enemies of God, are being exalted by our religious leaders as God's Chosen? "I will bless them that bless thee, and curse him that curseth thee..." this was God's promise to Abraham; does it apply to the people we now know as Jews?

Most of our Protestant and Catholic churches teach the obvious falsehood that Abraham was a Jew. Was he really? What does the Word of God say about this? What does history teach us concerning the Jew and his relationship to God?

So our most effective tool in studying this thorny question will be the Bible, which I believe is the infallible Word of the Living God. In addition, we will look at history, which always collaborates the Bible. This must be the final test of the authenticity of the Jewish claim of God's favoritism.

In 485 B.C. the troubled association between the Hebrew Tribes of Judah and the Children of Israel came to an end. Israel had rejected the "Chosen People" creed which was beginning to take shape in Judah and went their own separate way. As a result of this act, which took place about 29 centuries ago, they set themselves aside from the people we now call Jews. When the Zionists adopted the name "Israel," in 1948, as they took over the land of Palestine, they did it on a patently false pretense.
While many of my religious contemporaries will vehemently deny this - and I will be flying in the face of most of the prominent evangelists and preachers of fundamentalism - they have been oriented towards the Jews since childhood. Their Sunday School literature has pronounced the Jews as God's Chosen; they have been taught this in their seminaries. Yet the people who now occupy Palestine do not fulfill the Bible prophecies concerning God's Chosen People who come under the Covenant of Genesis chapter 12.

Probably the greatest obstacle I must overcome in your mind, is to convince you of the truth that the "Jews" and "Israel" are not one and the same people. They are not!

The tribe of Judah, from which the true Jew comes, was a tribe of ill repute. It was Judah who sold his brother Joseph, the beloved of Jacob, called Israel, to the Ishmaelites for twenty pieces of silver. It was another Judean, a man by the name of Judas, who centuries later sold his Lord for thirty pieces of silver. He was the only Jew among the disciples of Christ. The tribe of Judah was founded in incest, read Genesis 37 and 38.

Since the priestly scribes who wrote the scripture account of this incident centuries later were the masters of Judah, just as they were at Jesus' time, they often altered the oral traditions to suit themselves, much as the liberal preachers of today, try and alter the Bible. Yet in spite of this, they preserved the story of their incestuous beginning and the treacherous nature of their people. Why they did this is a mystery, known only to the peculiar mind of the Talmudists who govern Jewry.

But regardless of what Bible scholars say regarding the unity or separateness of Judah and Israel, the Bible says they were separate. In the Old Testament, Israel is often referred to as the House of Joseph; this is in direct contrast to those who are called the House of Judah. The Jewish Encyclopaedia says: "Joseph and Judah typify two distinct lines of descent. Judah was in all likelihood a non-Israelite tribe." Remember now, this information is coming from an official Jewish source, it's not something I made up!

The Encyclopaedia Britannica says: "Judaism developed long after the Israelites had merged themselves with mankind. The true relationship of the two peoples is best expressed in the phrase: 'The Israelites are not Jews!' "This of course is in direct contradiction to what we have been taught in our Fundamental churches.

Historically, Judah survived Israel as a nation for about a hundred years and it was during this period that Judaism was brought forth - this was the thing which spawned the scourge of Zionism. It was during this time, that Israel disappeared from the world scene as a national entity.

From the very beginning, after their exodus from Egypt, the children of Israel distrusted Judah, as they had every right to do. The hereditary priests of the Hebrews, the Levites, had attached themselves to the Southern tribe of Judah. Their aim from the beginning was power and they realized they could have no power as long as the ten tribes of Israel remained separate. The Israelites distrusted the priesthood and demanded a king, such as the other nations had.

The Levites recognized this as an opportunity to set up a puppet monarchy, with the stipulation that the king would reign for life and that he could not set up a dynasty. When Saul was chosen king, the unified Kingdom of Israel began its brief existence.

While some Bible scholars believe that the account of the Books of Samuel are allegorical, rather than actual happenings, since they could not have been written by Samuel, as his death is recorded in 1 Samuel 25 - whoever wrote these books, at a much later date, may have used the Book of Jasher, which is mentioned in this record (2 Samuel 1:18), as well as the random writings of Samuel, Nathan, which are noted in 1 Chronicles 29:29, as sources for an account of the "acts of David."

The real end of the united kingdom of Israel began about 3,000 years ago, when Israel refused to accept David, a Judaite, as their king. A Jewish historian named Dr. Kastein says: "Israel ignored him." They declared Saul's son Ishbosheth as king. According to Samuel's account, this son was
murdered and his head was presented to David, who then restored a nominal union between the two kingdoms, with Jerusalem as its capitol. This lasted through the reign of David and Solomon.

Formal Judaism holds that the Messaianic consummation of prophecy will come under a worldly king of the House of David. This racial exclusion of all who are not Judaites, is one of the formal tenets of Zionism and is the Law of the Land in the present State of Israel. If you are not a Jew - notice I did not say Israelite - if you are not a Jew, there is no way for you to become a citizen of Israel.

Racial discrimination and segregation were unknown to the tribesmen of that day as can be seen by the incident between David and the Hittite woman Bathsheba. David married her and made her queen, after he had murdered her husband.

Solomon therefore, was only half Hebrew and could not properly be called a Jew, since the Jews did not come into existence until years later, when the kingdom was divided during the reign of his son Rehoboam.

Solomon began his reign with three murders, including that of his brother and vainly sought to save his kingdom through intermarriage on a grand scale. He married princesses from Egypt and the surrounding tribes and had hundreds of lesser wives. So racial segregation must have been virtually unknown at this time among the Israelites.

When the kingdoms of Judah and Israel split up in 937 B.C. Dr. Kastein says: "They had no more in common for good or evil, than any other two countries with a common border. From time to time they fought each other: while at other times they were allies. The Israelites rejected the Chosen People theory and believed their destiny was apart from that of Judah. King Jeroboam made the separation from Judah as complete as possible, in both religious and political sense."

Of the Judaites, Dr. Kastein writes: "They decided they were destined to develop as a race apart... they demanded an order of existence fundamentally different from the people about them. These differences allowed no process of assimilation with others." It was from this group, that the people known as Jews came.

Dr. Kastein goes on to say that the word "Judaite," actually refers to the Levites and it was this corrupt, ruling class, which the Israelites repudiated.

The two hundred years in which Israel and Judah existed side by side, were filled with the voices of the Hebrew - not Jewish prophets, as they harangued the Levites for their wickedness. This included the creed they were even then constructing, which eventually, during the Babylonian captivity, became the corrupt and often obscene Jewish Babylonian Talmudic Law, which is the basis of modern Jewish religious teaching today.

It is interesting and also important for us to note how the Hebrew prophets, just prior to the captivity of both nations, decried the teachings of the Levites. They rebuffed the blood sacrifices of the priests. Listen to Isaiah 1:11 - "To what purpose is the multitude of your sacrifices unto me? saith the Lord: I am full of the burnt offerings of rams, and the fat of fed beasts; and I delight not in the blood of bullocks, or of lambs, or of he goats."

These prophets for the most part were Israelites and most of them came from the tribes of Joseph, Ephraim and Manasseh. These men were already on the way to the New Testament understanding of God, which was preached by Christ and His followers and which is completely contrary to the teaching of the Jewish Chosen People Theory. These prophets constantly rebuked the priests for their slaughter and enslaving of the heathen, which is today openly taught in the Talmudic law of the Jews.

They taught that God desired moral behavior, neighborly conduct and justice towards the poor and oppressed, the fatherless and widow. They did not teach hatred and slaughter of those with whom you disagree.
Israel disappeared from the historical scene about 721 B.C. when they were carried captive into Assyria and disappeared to the North and West.

If the Bible promises of their redemption are to come to pass, they will come out of the ranks of mankind in which they became involved and merged and the Bible tells us that very few of them will know who they are, or what their destiny is, until their Messiah, Jesus Christ returns. This is certainly true of our white Christian people.

These are the only people who can possibly meet the scriptural criteria of being the Israel of God, certainly the Jews do not measure up to this standard.

Given the prevalent Westward trend of movement among the migrations of the world's people since the beginning of history, and especially in the last 2700 years since Israel disappeared from the historical scene, it makes sense that Israelite blood flows in the veins of White Americans and Europeans. There is much historical and archeological proof to back up this assumption.

Yet in the face of overwhelming proof to the contrary, the Judaists in our churches, claim that Israel was completely and deservedly lost and that the modern Jew is all that is left of Israel and that they and they alone, are the Chosen People of God. How blind can intelligent men become? The Apostle Paul tells us in Romans 1:22 - "Professing themselves to be wise; they became fools."

Most of our Fundamental preachers - men who believe the Bible and preach it fearlessly - still continue the myth that the heathen Jew is God's Chosen. So they subsidize, protect and aid the very people who according to their own religious doctrine, are dedicated to the destruction of our religion. Great evangelists like Jack Van Impe, for example, who have been instrumental in leading thousands to a saving knowledge of Jesus Christ, as the Son of God, nevertheless give their full cooperation to a nation of savages who would destroy everything we as a Christian stands for.

According to Jewish authorities, the Zionists of today cannot agree with the Fundamentalist theology which believes that the Israelites vanished without leaving a trace. Instead, they have been pronounced dead, by the Jews, in the same manner as a Jew who marries out of the fold of Judaism is excommunicated. In this sense Israel has vanished! Why do our preachers never tell their people about this Jewish belief? Does it make Israel any less Israel, because Jewish authorities have turned their backs on them?

The true Jewish feelings concerning Israel can be seen in this assertion from the Talmud: "The ten tribes have no share in the Jewish world to come." In this manner, the Israelites have been banned from heaven by the ruling sect of Judah, who for the most part are heathen imposters themselves.

This should make it clear to any honest observer, that the use of the word "Israel," by the Zionists is rank forgery. Yet I find Dr. Van Impe and others, using the terms "Jew" and "Israel," interchangeably. This is not only bad scholarship, it is a deliberate falsehood.

Ample proof exists that the Zionist State was set up by help from Christendom. Our Christian nations seem to be comforted by the idea that we are fulfilling God's prophecy to Israel, even when we help a people who are not of Israel and who are dedicated to our destruction Any honest study of Talmudic Law, as taught in today's Jewish synagogues throughout the world, should show the deepest skeptic, the bitter hatred of the Jews for the Christian world. Listen to this Talmudic summary by Rabbi Orach: "The precepts of justice, of equity, of charity towards one's neighbors are not applicable with regard to the Christian, but constitute a crime in anyone who would act differently ... the Talmud expressly forbids one to save a non-Jew from death ... to restore lost goods to him, or have pity on him."

The Talmud is the most hostile force in the world today against Christianity, more virulent in its hatred than the Communism which sprang from it. The lay encyclopedias disguise this fact from the non-Jew. One popular encyclopedia states: "The Talmud has been attacked - quite unfairly - as being anti-Christian."

But how do they explain this explanation from the Jewish Encyclopedia? "Christ is alluded to in the
Talmud as 'the anonymous one;' 'a liar;' 'an impostor;' 'a bastard.' The Law states in Deuteronomy 23:2, 'a bastard shall not enter into the congregation of the Lord.' This is what your Jewish friends are taught concerning our Lord. In fact they are taught to spit when His name is mentioned in anything except a cursing situation. These are the people your pastor wants you to believe are the Chosen People of God, whom we must help if we are to expect God's blessing.

Any honest student of history will recognize the fact that the Spanish Jews supported the Moorish invasion of Spain. They gave aid with both money and manpower to the invaders, even though Spain had given them a haven of refuge and had treated them with respect. It's no wonder that Queen Isabella kicked them out of the country for their treason. Even the Koran of the Moslems, which is normally quite lenient towards other religions, including Christianity, says of the Jews; "Their aim is to bring disorder on the earth." This statement is backed by numerous quotations from Jewish leaders down through the centuries.

The story of the Zionists falls into five distinctive phases: that of the Levites; the Pharisees; the Talmudists; the emancipation interlude, and now Zionism. The Levitical period was that of an isolated Judah. This was followed by the Babylonian captivity, the return to Jerusalem and the production and enforcement of Talmudic Law. The Pharasaic period which followed coincided roughly with the Roman occupation of Palestine and ended with the destruction of Jerusalem by the Roman General Titus in 70 A.D. This ended the supremacy of the Pharasaic Government.

The third phase was much the longest, lasting some seventeen centuries from 70 A.D. to about 1800. During this period, the Jews entered the West and International Jewry worked endlessly to keep it's people under the control of the Talmudic Law, while remaining separate from others. It was during this period that the "ghettos" of Europe were born. They were Jewish designed in the beginning, in order to further control their own people. Since this was the same period in which the world saw the rise of Christian civilization, it was inevitable that there would be conflict, since Christianity is the chief target of the Talmudic Laws destructive commands. (Again I suggest, that rather than arguing this point, you spend some time in reading the Talmudic books.)

To a literal Zionist like Dr. Kastein, this period of some 1700 years remains a blank in world history, except for the Jewish persecution which was the aftermath of the Jewish drive to dominate every country which gave them refuge. It was during this critical period, that the seat of Talmudic Law was transferred from Babylon to Spain, and thence to Poland. When the Spanish completed their re-conquest of their country from the Moslem invaders, they began to persecute the Jews for their treason and eventually kicked them out of the country. Most of them took refuge in Poland.

One thing Christians need to realize, is that Jewish hatred for Christ and Christianity, is as virulent today as it was when, fanned by the Pharisees, the Jewish mob screamed: "We will not have this man to rule over us! Crucify Him! Crucify Him! His blood be on our heads and those of our children!"

The Jewish Encyclopedia insists that Jesus was a Nazarene and not a Judean, no matter what town He was born in. All available records show that He grew up in Galilee and spent most of His adult life there. Before the time of His birth, all Judeans living in Galilee, had been forced by Simon Tharsi, one of the Maccabean princes, to migrate to Judah. Thus the Galileans were racially and politically different from the Judeans. This can be seen in the fact that the Jews religiously deny that Jesus was ever one of their race.

During this period, there was no Jewish religion as such. There was Jehovaism and various sects of Pharisees, Saducees, and Essenes, who violently disputed among themselves; but there was nothing known about a "Jewish religion."

If the Zionists of today are Jews, as most of my contemporary Protestant brethren insist, then the party in Judea in the time of Christ which corresponds to the Zionists of today, was the Pharisees. The heaviest attacks launched by Christ against the religionists of His day, were directed against the Pharisees. He called them "hypocrites, serpents, whitened sepulchres, a generation of vipers, children
of the devil and murderers." It's no wonder they feared and hated Him, since it was very rare for anyone to criticize their control over the people.

The very things Christ singled out in the Pharisees and which He attacked 1900 years ago, are the things which today's Zionists claim are the identifying features of the Jews, Jewishness and Judaism. Why is it, that in the face of this strong denunciation by our Lord, our pastors still give these enemies every aid possible? It seems to me that this stupidity amounts to sheer suicide.

Religiously, what Christ taught when He walked this earth, was the exact opposite of what the modern Jews teaches today. What the Old Testament taught in about three hundred pages, and which the Talmud teaches in 63 volumes of thousands of pages, Jesus refuted in a few words in His Sermon on the Mount. He proposed love to hate; mercy to vengeance; charity to malice; neighborliness to segregation; justice to discrimination; affirmation to denial, and life to death! His message began with blessings, as did the Law in Deuteronomy, but there all resemblance ends.

Where Deuteronomy and the Law and the modern Talmud offered material blessings in the form of territory, loot and slaughter, as a of the hundreds of laws, the Sermon on the Mount, offers no material rewards. It simply taught that moral behavior, humility, the effort to do right, mercy, purity, peaceable-ness and fortitude would be blessed for their own sake and would receive spiritual rewards.

White Deuteronomy followed its blessings with cursings, the Sermon on the Mount made no threats. It did not require that the transgressor of the Law be stoned to death.. It did not offer absolution for non-observance of the Sabbath laws by a washing of the hands, the sacrifice of a heifer. The young Galilean never taught servility; but He did teach inner humility and He was consistent in His scornful attacks against the continual hypocrisy of the Pharisees.

Yet it is this same group, who hope to be saved by the observance of the Law; those who break every one of God's laws when it comes to treatment of their fellowmen; it is those that our pastor teaches are the Chosen Ones, who will bring about a Kingdom of absolute justice, mercy and peace, by following their doctrines of hatred against everyone who is not a Jew.

How intellectually stupid, or brainwashed can our religious leaders become?

When the Jews moved to Poland, according to Dr. Kastein, within a very short period "a Jewish population of millions came into being." Yet there is no historical record of any large number of Spanish Jews migrating to Poland, nor was there ever any record of a mass migration of Jews to Poland at any time, from any other area.

When a Zionist historian slurs over anything as important as this sudden appearance of millions of Jews in the 1500's, any seeker of truth can be reasonably assured that something is drastically wrong.

This is in line with the Talmudic claim that at the time of Emperor Hadrian, 100-million Jews were slaughtered and their blood ran into the sea in such a mighty stream, that it moved giant boulders. What intelligent historian would believe a story like that?

It's akin to the testimony of Jews who said they were in Hitler concentration camps, where so many Jews were buried, that when you walked on the ground, months later, blood spurted from the ground.

Or, the story told by another so-called refugee, who stated that he could determine the nationality of the body being cremated, by the color of smoke that rose from the furnace chimney. Authorities, without exception, say that crematoriums give off no smoke.

The center of the Jewish world, during this period, was planted among a large community of people who were unknown to the world as Jews. In fact, they were not Jews in the literal sense, since they had no blood ties with Judah. They had no Judaite blood flowing in their veins. According to the Old Testament accounts of both Ezra and Nehemiah, most of the Jewish blood of those who
returned from captivity in Babylon, had been dissipated through intense intermarriage during the
time of the captivity.

The forefathers of the Polish Jews had never seen Judea; in fact, they were Tartars. They were a
people known as Khazars, of Turco-Mongolian race, a people who had been converted "en masse"
to Judaism, during the Eighth Century A.D. It was here, among these "non-Jew" Jews, that the
greatest threat to Christianity and democracy was spawned.

The natural instinct of Europeans for centuries, has been to distrust Asiatics. This was natural, since
most of their threats had come from this area. So now, with the center of Judaism in Poland,
thousands of Asiatics in the guise of Jews, began to move into the West. When these later became
known as Polish Jews, or Ashkenazim, they profited by the confusion caused, as the people of the
Christian world began to accept them as the "People of the Book," the descendants of Abraham,
Issac, and Jacob and therefore partakers in the Abrahamic Covenant.

In the Nineteenth Century, from this Eastern European Area, a Jewish International Order began to
take shape, which culminated in the Bolshevik Revolution in Russia in 1917. This revolution was
financed by two American Khazar Jews named Schiff and Warburg, who donated $20-million
which made the revolution a success.

You may not want to accept this twist of history', especially if you believe Dr. Van Impe, when he
writes in his book ISRAEL'S FINAL HOLOCAUST, page 52: "Everywhere the Jews were blamed
for the ills of their day. Some still foolishly follow this practice. In the 20th Century the Jews were
accused of controlling the money, causing depressions, influencing spiraling inflation and plotting
the conquest of the world . . . People who do not want to be responsible for the wrongs of society
must have a scapegoat and the Jews have become a universal scapegoat." Strange, isn't it? Van
Impe's scapegoat for sin is "Satan"!

Apparently Dr. Van Impe has never read the Talmud, for if he has, then he is condemned by his own
words, of being a liar. Either he is an agent of the Zionists, or he has never made an honest study of
the Communist Revolution and its aftermath, for any honest man would have to admit that the
revolution in Russia, was almost 100% a Jewish revolution. All one has to do to prove this, is look
at the Jewish names behind the revolution.

Today, in spite of the rantings of Christian Zionists such as Van Impe, it is a known fact that the
International banks which make up the Federal Reserve System, and which control the economics
of the United States, all of them, are Jewish owned. It is a fact which can easily be ascertained, that
most of the hard liquor industry is owned and/or controlled by Jews, as in the drug traffic,
worldwide. It is a known fact that most of the prostitution, pornography, and assorted immoral ills is
owned and controlled by Jews, and it is most certainly known, that the vast majority of abortion
clinics which are murdering more than 4,200 unborn babies every day - most of them white - are
owned by Jews and operated by Jewish doctors. Yet Van Impe says with a "straight face," we are
unjustly accusing them of evil doing. What does it take to convince the man?

This same pattern of Jewish control can be seen in all the Communist countries, with the exception
of those in the Far East and even here Internal Jewish leadership is cropping up. The leadership of
Communism in Hungary, Poland, Romania, and Yugoslavia, has been consistently Jewish and the
worst persecution of Christians behind the Iron Curtain, not from native peoples, but from the
Zionists.

If we had time, I could spend hours pointing out documented evidence of Jewish treason in
America. The vast majority of those implicated as spying against America in the past fifty years
have been Jews - most of them of Khazar origin. Those implicated in the selling of our atomic
secrets to Russia were Jews; Philip Jaffe, Andrew Roth, Mark Goyin; all implicated in the Amerasia
spy case of 1945, all Jews. There was the Alger Hiss spy case involving a Jewess named Judith
Coplin; Gerhart Eisler. There was the Hollywood Ten (all Jewish with the exception of one); there
was the Fuchs-Gold spy ring in England, where five out of six were Zionists; there was the case of
Julius and Ethel Rosenberg, who were executed for treason against this country for selling atomic secrets to the enemy and who are now being held up by the Bnai'Brith, and the Anti-Defamation League, as heroes and martyrs. These were the Copelands and Pollards.

The first Atomic Energy Commission under Harry Truman was dominated by Pro-Communist Zionists such as Strauss, David Lilienthal and R. F. Bocher. The records of Congress are full of documented evidence against Zionist involvement with the enemies of America. I suggest you read Frank Britton's book, BEHIND THE IRON CURTAIN!, for documented evidence of this Jewish treason), yet Dr. Van Impe, who is supposed to be a Christian evangelist, has the unmitigated gall to publicly state: "Some still foolishly blame the Jews." Again I say, he is either a liar or a brainwashed fool.

As of March 15, 1979, out of a total membership of 78 Americans in the Trilateral Commission, 23 were Jews. (Isn't this (23%) a high percentage?) Many of these Zionists, most of them like Henry Kissinger, of Khazar background, have dual membership in the Council on Foreign Relations. Both of these organizations, as most of you know, are dedicated to bringing America into a One-World Government.

In the communication media of America, two out of three top officials of Time, Inc., are Jews; 13 out of 21 on the New York Times; 7 out of 16 on Newsweek; 3 out of 6 in CBS; 1 out of 2 in NBC. In addition, at least ten of the top news reporters in the United States are Jews. There were four in the U.S. Senate, who have dual memberships in the Trilateral/CFR organizations and four in the House of Representatives.

At least 70 out of 100 Senators in our Congress vote the "straight Zionist ticket," as do more than half of the House of Representatives. To all intents and purposes, our government has been under Zionist control since at least 1913. We have not had an American government in Washington for over fifty years, no matter whether Republicans or Democrats were in the White House. This is why you see such a small change in policy, when we change administrations. They are all controlled, from behind the scenes, by the same Internationalists. Today, America is in the hands of the COUNCIL ON FOREIGN RELATIONS AND THE TRI-LATERAL COMMISSION, who are "errand boys" for the International Zionist cabal. Almost 100% of President Clinton's appointees in 1993 are Jews, with close to 100% of top government officials being members of the CFR.

Three of the top union officials in the United States are Jews; there are four of them on the National Security Council; four of our top State Department officials belong to this group; six are on National Planning; Arms Control and Defense has five, and at least six others have top legal positions with our Government. This means that this ethnic group, with less than 4% of our population, exerts a tremendous amount of control on our government. Then remember that these same men have dual citizenship in Zionist Israel, which is dedicated in principle against everything Christian America stands for.

What more evidence is necessary? Must decent Americans stand helplessly by, while these aliens sell us into slavery? Must we submit to destruction, because foolish preachers of the Gospel have been "hoodwinked" into preaching that these traitors are God's Chosen People?

The control of world Jewry comes under the heading of Talmudic Law, which the rabbinical leaders regard as the supreme authority for all Jews: "Even the Bible is relegated to a secondary place," states the Jewish Encyclopedia. "The absolute authority of the Talmud over the Books of Moses, must be recognized by all Jews." In the treatise "Beracorth" of the Talmud, it states: "The words of the elders are more important than the words of the prophets." This means absolute and complete adherence to the Rabbinical Law.

The Talmud is definitely anti-Christian. If our fundamental preachers would take time to read at least part of it, before they "sound off" about the Jews, they would have to "sing a different tune," or be labeled as liars.
The Talmud is the "Jewish order of battle," against all non-Jews; with a special brand of hatred reserved for our Lord and everyone who serves Him. Ever since our Lord had the audacity to call their religious leaders: "Vipers and hypocrites!" they have reserved this virulent hatred just for Him!

The narrow-mindedness of Jewish teaching, comes through their acceptance of themselves as God's Chosen People, who can do no wrong. As a result, they have become the most egotistical people in the world. No wonder they are disliked!

The Law of the Synagogue teaches them that it is right for them to steal from, or cheat a "goyim" (non-Jew), since these are animals with no soul.

This can easily be seen in their treatment of Christians in Communist countries. Some of the most inhuman guards in Hitler's concentration camps have been documented as to have been Jews. No crime is too heinous; no torture too terrible, to be perceived as sin, when it is committed against a non-Jew. The Talmudic teaching, is diametrically opposed to everything Christianity teaches.

It is no wonder that Christ chastised the Pharisees of His day with scathing words which said: "Ye are of your father the devil, and the lusts of your father ye will do; he was a murderer from the beginning, and abode not in the truth, because there is no truth in him," (John 8:44).

In Revelation 2:9 and again in 3:9, our risen Lord, speaking through the lips of the Apostle John says: - I know the blasphemy of them which say they are Jews, and are not, but are of the synagogue of Satan." Yet most of our fundamental preachers trumpet the falsehood that these enemies of Christ and Christianity, are the people chosen by God, as His people. What utter blasphemy!

The Jewish rabbinical leaders admit that the Talmud was manmade, yet they exalt it above the Laws given to Moses by God Himself. Dr. Kastein stated: "It was not God who willed these people (the Jews) and their meaning; it was this people who willed this God and their meaning." He would have been more accurate if he had said: "These Pharisees, or these rabbis."

Using subterfuge, terror, political blackmail, economic power and pressure almost beyond belief, the Zionists have gained political control over most Christian governments of the world. Everywhere they have inserted this control, the stench and decay of the Talmud follows them, as they seek to tear down everything that is "lovely and of a good report."

The Talmud has been most effective in building a fence between the Jews and the forces of righteousness released through Christian teachings. In 1953, a young Moravian missionary, described how the Israeli government had seized a Moravian Leper Home in Israel called the "Jesus Mission." Their first act, after ousting the lepers and the missionaries, was to cement over the hated name of Jesus, which was inscribed above the door.

Incidents such as this, which are in the thousands, are part of the specific anti-Christ teaching of the Talmud. The Pharisee, Saul of Tarsus, who on his conversion became Apostle to the Gentiles, (Israel in captivity) told the Jews: "It was necessary that the Word of God should first have been spoken to you; but seeing that ye put it from you and judge yourselves worthy of eternal life; we turn to the Gentiles." Dr. Kastein says of Paul: "He made all those he persuaded to believe in his prophecy, renegades in the widest sense, whether they were Jews or Gentiles."

The Moslems, through the teachings of Mohammed and their sacred book the Koran, believe that Christ was the successor to Moses, and while they do not accept Him as the Son of God, they have the greatest of respect for both Him and His mother, the Virgin Mary. In direct contrast, the Talmudists place all sorts of derision on both of these, claiming that Christ was a "bastard," and that the Virgin Mary was a harlot.

Mohammed, from direct observation of the Jews of his time, held that they were a destructive force. The Koran says of them: "Oft as they kindle a beacon fire for war, shall God quench it. Their aim is to abet disorder on the earth; but God loves not the abettor of disorder." This is certainly in concurrence with Christian teaching.
In 1611, a Portugese by the name of Uriel Da Costawas converted to Judaism. But when he began to study the Talmud, he was so appalled by its teachings he published a thesis "Against the Traditions," in which he attacked the Pharisees, charging they had created the Talmud and that it was not of Divine origin. The Jewish rabbis pronounced the dreaded "ban" against Da Costa. Yet at his death, the head Rabbi Modena, left among his personal effects, a paper stating the same view held by Da Costa. He had been afraid to publish them because of the danger of excommunication.

Now whether you want to accept this or not, the true meaning of Zionism-Judaism is summed up in one short sentence written by an early Zionist writer named Maurice Samuels, he said: "We Jews, the destroyers, will remain the destroyers forever... nothing the Gentile can do will ever meet our demands or our needs."

One of the greatest exposes of the Talmud was written in 1632, by the Jew, Baruch Spinoza, who had been born in Amsterdam. He showed, quite clearly, that the reason for the Talmudic teachings was to gain world control and that it's entire intent was to destroy existing governments and force a Jewish State on the world and make the Jews supreme. The Amsterdam Rabbinate pronounced this ban on him: "By the sentence of the angels. by the decree of the saints, we anathematize, cut off, curse and execute Baruch Spinoza, in the presence of these sacred books with the six hundred and thirteen precepts which are written therein, with the anathema wherewith Joshua anathematized Jericho; with the cursing wherewith Elisha cursed the children; and with all the cursings which are written in the Torah. Cursed be he by day and cursed by night; cursed be he when he goeth out and cursed be he when he cometh in; the Lord pardon him never; the wrath and fury of the Lord burn on this man; and bring him all the curses which are written in the Torah. The Lord blot out his name under heaven; the Lord set him apart from all the tribes of Israel, with all the curses of the firmament which are written in the Torah. There shall no man (Jew) speak to him; no man write to him; no man come nigh him." Spinoza was banished from Amsterdam and exposed to such bitter persecution that it threatened his life. What a contrast to Christ's encounter with the woman taken in adultery, when He said to her: "Go, and sin no more!"

Two hundred years later, Moses Mendelssohn proclaimed the heresy that the Jews should associate with other people, and when he wrote a German translation of the Bible for his children to read, the same ban was placed on him and his book was publicly burned in the streets of Berlin by a Jewish mob. Thus the Jew is kept under strict control by his own religious leaders.

To the Jew, the world is still flat, with Judah as it's center. All else must be ultimately destroyed, in any way possible. It was this kind of perversion Christ attacked when he accused the Pharisees: "Thus have ye made the commandments of God of none effect by your tradition," (Matthew 15:9). Then in Mark 7:7, He said again: "Howbeit in vain do ye worship me (God), teaching for doctrines the commandments of men."

Today the Jewish doctrine of fear and destruction has become as much a fact as in the day of Esther (8:17), where it states: "and many people of the land became Jews; for the fear of the Jews fell on them." Notice it was not "fear of God," but "fear of the Jews" which caused them to join their own destroyers.

This is exactly what we see happening in the Christian world today, where good, Godly men, preachers of the Gospel, have been intimidated into lying to their people because of "fear of the Jews." You don't have to admit this, but you know it is true!

Go back into world history. Look at every nation where the people our pastors call Jews have lived. Some like the Egyptians of Joseph's time, welcomed them with open arms. Look at Genesis 47:6, Pharaoh speaking to Joseph: "The land of Egypt is before thee; in the best of the land make thy father and brethren to dwell . . .

Now notice one of the reasons the Egyptians turned against them in Exodus 1:10:"... Come and let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us." Whether you, or Dr. Van Impe, or
anyone else for that matter, wants to accept this. This is what has happened to every nation which has tried to help the Jews. They have not been blessed, as our preachers say they will, but they have seen the Jews turn against them in the hour of their greatest need and help their enemies. This is the main reason they have been hated and persecuted. Look at the record - Egypt, Babylonia, Assyria, Persia, all fell through Jewish intrigue. At one time, Alexanderia, Egypt had the largest Jewish population in the world; today they are universally hated by the Egyptians, for they learned that they could not be trusted.

Since the beginning of the Christian era, this same destructive trend has continued in one country after another. It's little wonder that the Jews have been expelled from every Christian country, where they first found refuge.

Why should America accept a people who are behind the dope trade; who profit in prostitution; who lead in the campaign to lower American morals; who run the gambling tables, the liquor industry; the indecency of Hollywood; who control the filthiness of the stage? Why should we be kind to the men who control the slanted news and who are bleeding America to death economically? Look at the names of the International Bankers who have led America into our last four wars and who have profited with the sacrifice, suffering and blood of the American people. Look at them and then have the gall to say with Van Impe: "The Jews are blamed for everything bad which happens!"

Do these religious prostitutes of world Jewry expect us to sit complacently by while the Zionists take over control in America? They did that in Russia! What will Van Impe say when they close down our churches, burn our Bibles and persecute our Christian people, as they are doing today in many places? Will they still be God's Chosen People in that terrible day? It will be too late to take a stand against them then!

These people our pastor's want to aid are in the process of destroying America and their freedom to preach the Gospel. Who do you think is behind the drive to take Christ out of Christmas? Who was behind the efforts to take prayer and Bible reading out of the schools? Who is behind the drive for unlimited Sex Education in our schools? Look at the names of the men who write the sex-smut they want your children to study, I dare you to and then tell me we must help them!

If you are an honest person, you will have to admit that a preponderance of these people are Khazar Jews, who are dedicated and pledged to destroy Christianity. In the Communist textbook on "Psychopolitics," a Khazar Jew said: "We have battled in America since the century's turn to bring to nothing any and all Christian influence, and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When we have done that, we will have an end to them everywhere ... so you must recruit every agency of the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief ... that Christianity is vicious, bad, insanity causing and publicly hated. We must be like the vine upon the tree. We use the tree to climb and then, strangling it, we grow to power on the nourishment of it's flesh." This my Christian friend, is the doctrine of the Jewish Talmud.

Queen Victoria once asked her Prime Minister, a Christian Jew named Disraeli: "Can you give me one verse in the Bible which will prove it's truth?" To which he replied: "Your majesty, I will give you one word - JEW!" Then he warned the Christian world against world revolution. Like Alexander Hamilton and Edmund Burke, he saw the design behind it all. But unlike the others who saw the design, Disraeli identified the Jews as the moving force behind world revolution. Over a hundred years have passed since he uttered his warnings, but they are as true today, as when he first uttered them.

Disraeli's two most significant warnings preceded and followed revolutionary outbreaks which occurred in Europe in 1848. They failed in France at that time, since the memory of the French Revolution was still a horrible nightmare in the memory of the French people. In 1852, Disraeli told the British House of Commons: "The influence of the Jews can be traced in the last outbreak of
destructive principles in Europe. When insurrection takes place against tradition, religion and property .. men of Jewish race have been at the head of every such outbreak against organized government."

Van Impe states: "Why are the Jews so maligned and hated when they have been so productive and helpful?" Then he goes on to name the prophecy of Deuteronomy 28:37 as the reason. This scripture reads: "And thou shalt become an astonishment, a proverb, and a by-word, among all nations whither the Lord shall lead thee." That prophecy was made to Israelites, not Jews, since there were no people called Jews until more than 700 years after this prophecy was made. They were not and are not the same people. The reason the Jews have been hated, is that for every productive thing they do, they demand their "pound of flesh" in repayment, and because of their crookedness, deceit, and outright stealing from the nations where they have resided, this is why they are hated. It has nothing to do with their religion, per se, as Van Impe implies.

During the 19th Century, Jewish persecution could not be used as a "scare tactic," so the term "anti-Semite" was coined to intimidate both Jews and non-Jews. It has become a trigger word, which sets off all sorts of unpleasant emotions. This term is patently a foolish one, since it is used in relation to a people who are not demonstrably Semites and whose laws commands the extinction of Semites. If there is any real anti-Semitism in the world, it is Zionist action against the Arabs of Palestine, not against the Jews.

When the Balfour Agreement was first signed, giving the Jews a National home in Palestine, it was foisted off on the British people as being a "Jewish National Home," under British protection. It was to have been sort of a "Jewish National Cultural Center," harmless to the Arabs, a Judaist Mecca, so to speak. The Arabs were never fooled by this typical Jewish trickery, since they saw that they were objects of an attempt to re-enforce in the Twentieth Century, the Law of Violent Dispossession, which had been set up by the Levites in the 17th Century B.C. They responded with some violence of their own and it has never ceased.

It soon became apparent to any honest observer, that the Zionists had become inserted like a blasting charge into the lives of the Jordanians, who had just recently been liberated from the Turks. The "time fuse" for a future world conflict was thus planted.

During the period prior to World War II, the Zionist adventure into Palestine almost collapsed, since the majority of Jews in Europe and the United States refused to back this venture. But Jewish strangle-holds on the politics of both Britain and the United States were greatly strengthened, thus laying the groundwork, with typical Jewish cleverness, for the aggression of the post-war period.

In the days of Hitler's rise to power in Germany and on into World War II, the Zionists used every opportunity to hammer home to the people of the Free World, the need for a National Home for the Jews in Palestine.

It was during this same period, that the "bugaboo" of Jewish persecution in Germany was blown completely out of proportion by the Zionist propagandists who had control of America's news media. Horrendous stories were spread about the extermination camps and the gas ovens, the torture chambers and the extermination of six-million Jews by the Nazis.

There is no doubt that there was a great deal of persecution of the Jews in Germany, most of it brought about by their reprehensible actions at the end of World War I, which ended in the collapse of the German Republic and which was responsible for bringing Hitler into power.

But the Holocaust story, which has been swallowed "hook, line, and sinker," by thousands of American Christians, has been proven to be a hoax, over and over again. For the past thirty years, a reward of $50,000 has been available to anyone who could come forward with an eyewitness account of the gassing of Jews in Germany; this reward has never been claimed by anybody. Books such as the DIARY OF ANNE FRANK, which was made into a pathetic movie, has been proven to be fabrications of the fertile minds of the Zionist propagandists and without any grounds of truth.
They have proven worthwhile in the large amount of sympathy and financial aid they have garnered for the Zionists.

A little common sense, and some time spent in the library would soon tell you that the story of the six-million murdered Jews was a lie. According to Jewish figures, there were never more than 550,000 Jews in Germany at any one time before or during the war. But the result of this Jewish propaganda could be seen during the Nuremberg trials, where persecution of the Jews was the basis for formal indictments. While over half of Europe, with all its people, were abandoned to a heathen ideology, governed by Jews and crueler than anything Hitler ever thought of, the emphasis was always on the alleged atrocities of the Germans. Little was ever said about the millions of Christians who died behind the Iron Curtain.

This propaganda continues today in our media. How many movies, or TV shows have you seen in the past five years, dealing with Jew lead Communist atrocities? The answer is "none!" But you see constant rehashes of the so-called war crimes of the Germans.

Eye witness reports from many reliable sources, who were able to travel in Germany during the war years and who viewed the concentration camps, reported that the victims of these camps were over 90% German, with only a relative handful of Jews.

But the news reports of these times, as is often the case during time of war, blocked out the suffering of the large majority, to concentrate on the plight of the handful of Jews involved. (I say "handful," for they were, in relation to others who were in the same camps.)

In 1949, Rabbi Wise, sometimes known as the "Red Rabbi" of American Jewry, because of his Communist affiliations, wrote his version of a news story that had been written sixteen years before by a young reporter from the London Times, named Douglas Reed. Wise said: "The concentration camps were established for and filled with Jews." But according to Reed's report and later statements, this was an outright lie. Terror against the Jews was not any greater than that practiced against any other group in Germany, according to many eye witness accounts. The German camps were not filled with Jews, Reed reported; they were there in proportion to the population.

But these false pictures have permeated the minds of Americans since that day, to the place where a well-known evangelist will quote them as facts, without ever bothering to check out their authenticity. This bothers me, for it is dishonest.

The shadow of "dual allegiance," fell on America in a peculiar way. When the cabinet of Franklin Delano Roosevelt was sworn in, it was done by Justice Cordazo, a dedicated Khazar Zionist.

From this point on, Zionist influence has grown to the point that when our Chairman of the Joint Chief's of Staff, decries this influence in Government, he is forced to apologize.

Between 1881 and 1920, over 3-million legally recorded immigrants entered the United States from Russia. The vast majority of these were Khazar Jews, with not one drop of Abraham's blood flowing in their veins. For the most part, they knew nothing of our Western ideals of democracy and were imbued with their own heathen ideas concerning Socialism.

During F.D.R.'s long term in office, his most trusted advisors, came from this Eastern European background. There were Zionists such as Bernard Baruch, Rabbi Stephen Wise, Justice Brandeis, Viennesian born Prof. Felix Frankfurter, Henry Morgenthau, Jr., Herbert Lehman, Judge Samuel Rosenmann, David Niles, Benjamin Cohen, Sidney Hall, Isador Lubin, Leo Pasvolsky, and many, many more, most of them heavily painted with the red brush of Communist affiliations.

We can see them today in men like Henry Kissinger, Stuart Eisenstat, Anne Wexier, Alfred Kahn, Eugene Eidenberg, David Rubenstein, Ronna Freiberg, Bruce Kirschenbaum, Marvin Beaman, Harley Frankel, Hendrik Hertzberger, and I could go on and on.

When the smoke of battle from World War II had cleared, three major Zionist aims had been accomplished:
(1) The world revolution, supported by Western arms had been saved in Russia;

(2) The Zionists, were armed and established in Palestine; and,

(3) The "world-government" envisioned by the Zionists had been established on the banks of East River in New York, in the organization of the United Nations.

While the military invasions and counter-invasions of World War I were underway, there was another, more successful invasion going on. This was the invasion of the United States Government, by the forces of World Zionism.

This began when F.D.R. began the process of breaking down the barriers against uncontrolled immigration, which had stood as a barrier against the immigration of undesirables into this country. Under F.D.R.'s policies, immigration officials were forbidden to question immigrants about their Communist affiliations and the separate classification of Jewish immigrants was discontinued. By 1952, Sen. Patrick McCarran, Chairman of the Senate Judiciary Committee, estimated that over 5-million illegal aliens had entered this country, including large numbers of militant communists, many of whom were Khazar Zionist Jews.

These immigrants were wooed by the Democratic Party and swelled their vote and has been the thing which kept the Democrats in office. This large-scale, uncontrolled immigration, plus the millions who have come in from Mexico, Cuba, and the Central American countries, has formed the backbone of the political invasion of America.

The "B'nai B'rith" organization of International Zionism, which was once compared to a Jewish Y.M.C.A., put out an offshoot in 1913 called the Anti-Defamation League. By 1947, this organization had grown into a secret police force of formidable power. This body lives by using such terms as "anti-Semitic," "Fascist," "rabble rouser," "Jew-baiter," "Red Baiter," "paranoid," "Lunatic fringe," "reactionary," "bigot," "red neck," and the like. You see the terms used in the news, any time anyone tries in anyway to expose the dirty work being done in this country by the Zionists.

In 1933, a B'nai B'rith official was quoted as saying: "Through the intervention of the Anti-Defamation League, we have succeeded in muzzling the non-Jewish press to the extent that the newspapers of America keep from pointing out that any person unfavorably referred to is a Jew."

In 1948, the Jewish "Menorah Journal," of New York said: "Should one phrase in a reprinted literary classic reflect unjustly upon Jews, the Anti-Defamation League will promptly belabor the publisher until he bowdlerizes that offensive passage." (That word "bowdlerize" means "to take out the parts which are offensive.") One of the books which suffered, was Shakespeare's classic, THE MERCHANT OF VENICE.

But here is something interesting to note. When Jews have been propagandized into accepting Communist doctrine, the Anti-Defamation League always remains silent. The Menorah Journal spoke of Jews who were concerned that the Anti-Defamation League was attacking anti-Communists and they were called anti-Semitic. Do you wonder why?

Rep. Martin Dies, head of the Un-American Activities Committees of Congress, once described the Anti-Defamation League as a: "Jewish terrorist organization, using its resources, not to defend the good name of the Jews, but to force compliance with the objectives of their organization." This has been their policy from the beginning. It is actually an illegal arm of a foreign country, operating in this country without the authority of our Government. Yet such is Zionist power in Washington, nothing is ever done about it. While organizations like the Klu Klux Klan, or the American Nazi Party, are constantly hounded by the F.B.I. the A.D.L. is left strictly alone.

As to the Zionists backing of Communist aims, all one has to do to prove this is go to the records. The 1920 records of the Bolsheviks show that of 545 members of the ruling body in Russia, 447
were Jews. In 1933, the American Journal "Opinion," stated that Jews occupied most of the important ambassadorial posts in Russia. (The Zionists have never tried to refute this.) The Jewish Chronicle of that same year, stated that one-third of the Jews in Russia had become Communist officials of some type or other.

At this time, a statement made by the Soviet Commissar of Public Instruction, the Khazar Jew Lunatscharsky, sounded as though it came straight from the pages of the Talmud, he said: "We hate Christianity and Christians: even the best of them must be looked on as our worst neighbors. They preach love of neighbor and mercy, which is contrary to our principles. Down with love of our neighbor; what we want is hatred. We must learn to hate and it is only then that we will be able to conquer the world."

Gus Hall, the perennial head of the American Communist Party and their perennial candidate for President, was quoted as saying: "I will live to see the day when sixty million hopelessly capitalistic animals, are hauled away to the elimination centers by the commissars. I will live to see the day when the last Congressman is strangled with the guts of the last preacher. If American Christians love blood so much, we will give them all they can stand, as we slit the throats of their children, then drag their bodies over the altar rails of their churches; may the parents drown in the blood of their own children." Let me remind you that this is not a Chinaman, or a Russian making this threat, it comes straight from the lips of a Khazar Jew, an American.

This is Talmud philosophy through and through, yet we allow this atheistic heathen to live in peace in this country and to continue his threats against those who love God and their country. Where have our brains gone?

I challenge you to read the Talmud, if you can get copies of it. (I have only read parts of it, but those were enough.) They were all universally rotten. It misconstrues Biblical laws forbidding sodomy, murder, theft, the offering of children to idols and changes them into laws which permit these heinous acts. The religious teaching of modern Jews is the teaching of Gnosticism, which Christ condemned in Revelation 2:6,15.

Christ was not fooled by these slick religious teachings and condemned the Pharisees who taught them saying: "Why do ye transgress the commandments of God by your tradition?" These words can be found both in Matthew 13 and again in Mark 7.

Although the old Mosaic Law condemned a man to death for cursing his parents, the Talmud says he may curse them as long as he does not use the four letter word for Jehovah, Y-H-W-H-, which is called the "Tetragrammaton." The Talmud also allows a man to beat up on his parents as long as he stops short of drawing blood while they are alive.

The more you study the Talmud, the more you come to realize why these people we call Jews, have ingrained in their fiber, from youth, a hatred of everything which is non-Jewish. This sort of pornography is crammed down their throats in the Synagogue on a weekly basis.

One of Christ's strongest denunciations of the Pharisees came in Matthew 23:15, where He said: "Ye compass land and sea to make a proselyte, and when he is made, ye make him twofold more a child of hell than yourselves." What did He mean by these strange words? Today, in public affairs, the stooges, or proselytes of the great Pharisee Banking and Industrial czars are better fronts for the building of the red, anti-Christ world government, than the principals themselves. More and more Gentile proselytes enter the movement for brotherhood between the crucifiers of their Christ and themselves. There is only one purpose for this and this is to overcome the Christians. The Epistle of John the Beloved, the Second Book, verses 10 and 11, shows what the Christian attitude should be towards this seditious operation: "If there come any unto you and bring not this doctrine (that Jesus is the Christ of God); receive him not into your house, neither bid him Godspeed; for he that biddeth him Godspeed, is partaker of his evil deeds."

Yet the very Fundamentalists who use this scripture to say that Christians must not have liaison with
liberal Christians who deny the Virgin Birth, or the inerrancy of the scriptures, proclaim loud and long that the modern Pharisees, who hate their Lord, and spit on His name, and who are dedicated to the destruction of everything they say they stand for - they cry loud and long - "THESE ARE GOD'S CHOSEN PEOPLE!" Don't practice your ungodly blasphemy on me, brother!

Talmudic justice was wrecked on the Christian world across Europe after World War II, as the Zionist savages, practiced their Talmudic teachings on the helpless bodies of their Christian victims. Yet many Jews recognize the dangers in Zionism.

Henry Morgenthau, Sr., one of the best known Jews in this country said: "Zionism is the most stupendous fallacy in Jewish history. It is wrong in principle and sterile in its spiritual ideas. Zionism is a betrayal ... an Eastern European proposal, fathered by American Jews... which if it were to succeed, would cost the Jews of America most of what they have gained of liberty and equality. I refuse to allow myself to be called a Zionist. I AM AN AMERICAN!"

Thank God for Jews like this, but they are few and far between. Today, his son Henry, Jr., is one of the powers behind Zionism and is bringing about the world problems his father feared and warned about.

To give you another look into the sick mind of the Talmudist, let us look at a book written by the Jewish author Theodore Kaufman, published in 1941 and titled: GERMANY MUST PERISH! He proposed in this book, the extermination of the German people by sterilizing all the males under the age of sixty and all the females under forty; that Germany be sealed off from the rest of the world during this period, so that in forty or fifty years, the German people would disappear from the face of the earth. Two of the main Jewish owned newspapers in the United States commented on this proposal. The New York Times said: "A plan for permanent peace among civilized people." The Washington Post said: "A provoking theory, interestingly presented." What do you think would happen in these two newspapers, if someone came up with a similar plan for the elimination of the Jews? I think you know what would happen.

Even Jews themselves are bewildered by Talmudic teachings. Jewish author Arthur Koestler, says: "Most bewildering of all is the saga of the Chosen Race which is taken most literally by traditionalist Jews. They protest against racial discrimination, while affirming with the same breath, their racial superiority based on Jacob's Covenant with God." The strange thing is, he then goes on to prove that most of the people we now know as Jews are not of Jacob's seed.

What did Jesus mean when He spoke to John in Revelation 2:9 and 3:9, saying in both instances: "I know the blasphemy of them which say they are Jews and are not, but are of the synagogue of Satan." These words were probably written about 95 A.D., or possibly a bit sooner. At that time, the followers of Christ were being called Christian. The Saducees had disappeared from the Jewish religious scene and the Pharisees were in complete control of Judaism.

Now whether these people were lineal descendants of the Patriarch Judah, who had begun his tribe through the sin of incest, is not the issue. The Pharisees had access to the true Word of God, but instead of following it and teaching it to the people, they adopted a heathen philosophy which nullified the Word of God. Christ said to them in Matthew 15:3-9; Mark 7:5-9 - "Full well ye reject the commandments of God, that ye may keep your own traditions." How could He be any clearer in His denunciation?

Faith in God and His Word, was the test. The Apostle Paul said: "He is not a Jew which is one outwardly ... But he is a Jew, (Judean) which is one inwardly... in the spirit whose praise is not of men, but of God," (Romans 2:28, 29).

Then in Galatians 3:16, 28, 29, Paul makes it quite clear that the promise of blessing through Abraham was in Jesus Christ: "Now to Abraham and his seed were the promises made, He saith not.. seeds, as of many, but as one ... which is Christ... There is neither Jew (Judean) nor Greek, their is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus. And
if ye be Christ's, then are ye of Abraham's seed, and heirs according to the promise." This clearly shows there can be no compromise between the Christian and the unbelieving Jew, since the unbelieving Jew, even those of the blood of Abraham, are not children of the promise. The seal of God's Chosen People, rests in belief in the "Promised One," the Lord Jesus Christ, whom the Jews reject and hate.

The Prophet Isaiah was a prophet indeed when recounting the abominable practice of the Judah tribe. he foretold: "Ye shall leave your name for a worse unto my chosen; for the Lord God shall slay thee (Judah people), and CALL HIS SERVANTS BY ANOTHER NAME," (Isaiah 65:15).

It is blasphemous and anti-Biblical to enthrone the abomination-serving Pharisees of today, as the Chosen People of God as much so as it is to deny that Christ was born, as foretold, through Judah. Paul said in Hebrews 7:14 - "It is evident that our Lord sprang out of Judah." Notice Paul does not say that He came from the Jews, but that He sprang from Judah. This however, did not furnish Him with His Divinity. The Patriarch Jacob, about 1700 B.C., on his death bed, likened the coming of Christ to Shiloh, where the Tabernacle of God rested. He said: "The sceptre shall not depart from Judah, nor a lawyer from between His feet, until SHILOH come; and unto HIM shall the gathering of the people be," (Genesis 49:10). The semblance of the Judah Kingdom did not disappear until after Christ was born.

Now the question should naturally arise among honest Bible students: "Are the so-called Jews of today the descendants of the Patriarch Judah?" The Bible answer to this is a resounding "NO!"

There were barely enough records available at the time of Christ, to identify Him and a few of His disciples, as having descended from certain tribes. So let's go to Jewish sources for our information.

According to the 1964 Jewish-American Press, about half of the Jews living in Israel today, are Negroes, or dark skinned orientals. There is a constant "tug of war" going on among the Israeli, with charges and counter-charges being tossed about concerning discrimination.

Ask most any Jew, how far back he can trace his ancestry to the Patriarch Judah, and he will become baffled, or more likely angry.

Shem, Ham and Japeth were the three race-founding sons of Noah. To be a Semite, one must be descended from the line of Shem. Just as to be a Jew, genealogically speaking, one must be a descendant of Judah. Ham was the father of Canaan, who mistreated his father sexually in Genesis 9:25 and the Canaanite descendants who peopled the Land of Canaan, at the time of the Israel conquest, had the same proclivities as their ancestral father. This was what led to the destruction of Sodom and Gomorrah. This was also one of the major reasons that when Moses led the Children of Israel back from Egypt in 1491 B.C. he gave them stern warnings against inter-marriage with the Canaanites. He was afraid that they would lose their faith and decency. But what does the Biblical record say about this? Moses died about 1451 B.C. and Joshua actually led the Israelites into Palestine, then called Canaan. They were told again, in no uncertain terms, that they would have to choose between life and death; between blessings or cursings, (Deuteronomy 11:26-28; 30:19, 20).

The Israelites were given strict orders to drive out the Canaanite abominators and make no marriages, or other deals with them. Yet it was the sons of Canaan who fathered the Jebusites, the Amorites, Girgasites, Hivites, Arkites, Sinites, Arvadites, Zemarites and Hamathites, according to Genesis 10 and 1 Chronicles 1.

If you read carefully the Books of Joshua and Judges, which is the historical account of Israel's move into Canaan, you will soon find, that instead of driving these people out of the land, they began to inter-mingle with them and adopt their abominable practices. This accounted for the thunderous warnings of the prophets who followed and who threatened the Northern Tribes with deportation, unless they ceased their evil.

When Israel was taken captive into Assyria, the prophets continued to warn the Judah-Benjamin Kingdom, until they were finally deported to Babylon in 606-586 B.C. According to the Books of
Ezra and Nehemiah, a very small remnant of these Judaites returned to Jerusalem in 536 B.C.

Jacob had twelve tribe founding sons; three started tribes by marrying non-Semites. Judah married a Canaanite (descendant of Ham, see Genesis 38). (The offspring of this tribe, from which the "true Jew" comes, were as Hamatic as they were Semitic.) Simeon married a Canaanite woman, see Genesis 46:10, and Israel's son Joseph, married the daughter of the Hamitic priest Potipher of Egypt.

A careful study of this period will show that the major denunciation of the prophets was against "race mixing." (It might be of interest to say here, that no group of people in the world today, push integration of the races, as much as the Jews. They believe in integration for others, while remaining segregated themselves.)

Hosea7:8; 8:9,11, tells us how Ephraim, the dominant Israel tribe: "hath mixed himself among the people." Isaiah called them "the drunkards of Ephraim," (Isaiah 28:1, 3). The charges leveled by the Prophets was "mixing with abominators, whoring under every green tree," (Isaiah 57:5; Deuteronomy 12:2). This would hardly lead to the building up of genealogical purity as the Jews now profess. The miracle of how the rabbis of Talmudism, have convinced the Christian world that they stem from pure Judah-Israel stock, in the face of all evidence to the contrary, is difficult to understand, since Christian scholars have the same Biblical record to refer to as do the Jews.

In the time of Christ, the Pharisees boasted that they came from the seed of Abraham, and both John and Christ threw this boast back in their faces. In Matthew 3:9, John the Baptist told these religious hypocrites: "Think not to say within yourselves, we have Abraham to our father: for I say unto you, that God is able of these stones to raise up children unto Abraham." You can see the Christ's reactions to these Talmudic liars in John 8:33-34.

When a Jew boasts that he is a child of Abraham, you could honestly say to him: "Lots of people are. In fact most of the Arab people have a better claim to this than do those who go by the name of Jew. God changed Abram's name to Abraham, because it means: 'Father of many nations.' "(See Genesis 17:5).

Abraham did not just father the tribe of Judah, from which the "true Jew" comes. Through his grandson, Jacob, came twelve, mixed-blood tribes of Israel. He had 16 offspring by his wife Keturah, who was the mother of a horde of eastern peoples - Midianites and Arab alike. Through his son Ishmael, born of his concubine Hagar, Abraham fathered twelve separate nations. But the great blessing, promised through Abraham, was to come through Jesus Christ.

Moses was not a Jew, he was a Levite on both sides of his family (Exodus 2:1). Abraham, his son Isaac, his son Jacob -called "Israel", were not Jews. Only one of Jacob's sons turned out Jews, and that was the sinning son Judah. Grabbing the whole of the Old Testament, as the modern Pharisees do is false and it is likewise false for Christian ministers to deny the identifying genealogy of Christ through Judah, or to say that those people we now call Jews, are "all of Israel," because it just isn't so!

In the Jewish Encyclopedia of 1905, there is a long article, with pictures and charts, trying to explain why there is such a thing as the "Jewish look." But they didn't go to the Prophet Isaiah for the Biblical explanation. Listen to the Prophet in Isaiah 3:8: "For Jerusalem is ruined, and Judah is fallen: because their tongue and doings is against the Lord, to provoke the eyes of His glory." Then a very special curse is pronounced against the Judaites: "The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul, for they have rewarded evil unto themselves." If you were to look up the Hebrew word for "shew" in Strong's Concordance, you would find it listed in #5234, as the Hebrew word "Nakar." This means "recognize by."

In the Jewish Encyclopedia, under the heading TYPES, ANTHROPOLOGICAL, is this statement: "What is popularly known as the Jewish type, is not a correlation of definite anthropological measures or characteristics, but consists principally of a peculiar expression of face, which is
immediately and unmistakably recognized as Jewish... It has been noted that Jews who do not have this Jewish expression in their youth, acquire it more and more as they grow from middle to old age... It is seemingly some social quality which stamps their features as distinctly Jewish." Well, you have already read why.

Pharasaic brotherhood can be found in atheistic Communism, since both are built on Satan's plan, not that of God. With the outside of the "whited sepulchre" of Pharasaism represented as "God's Chosen People" and the inside of the sepulchre denying every teaching of the Word of God, it is no wonder that Jewish summer institutes, operating in almost every major university in this land under the title of the Hillel Summer Institute, have a program called ASK THE RABBI! The problems of the college youth and the questions they ask, can not be found in the Bible, according to the rabbis, so the answers must come from them.

Who then are the Covenant People? We believe, with much proof, that they are the white, Anglo-Saxon, Celtic, Germanic, Scandanavian and related peoples of Western Europe.

America is in desperate danger today. We face the most perilous times of our existence as a free people. We will only find our way out of this impasse, as we wake up to the knowledge of our origin. Then we will become aware of our destiny as a nation and will begin to be the witness God expects us to be. When our pastors begin to preach this truth, along with the glorious message of personal salvation, then we will be able to gain the spiritual strength which will enable us to overcome every obstacle which stands in our way. Then and only then, will we be aroused to accept all the responsibilities which God has placed on His people, and then and only then will we be able to defeat those Satanic forces which are trying to destroy our Christian civilization.

**Chapter Three**

**CHRISTIANITY'S GREATEST HOAX**

In the Book of Hosea, in the Old Testament, we read these significant words: "My people are destroyed for lack of knowledge." Notice it does not say, "for lack of education." But "for lack of knowledge." There is a great deal of difference between these two things.

Today, the Christian world - and this takes in most of what we refer to as the Free World" - is under a vicious attack by anti-God forces which would force us into a Comministic one-world government, where our traditional freedoms would be destroyed and our Christian morality would be done away with. No one would suffer more in this communist utopia, than the Christians who are known as Fundamentalists.

It is recognized that this attack has been underway for centuries. The vicious disease of "secular humanism," which has almost destroyed our public education system and has ruined many of our "main line" Protestant and a lot of Catholic churches, and has effected this nation at all levels. It has left behind, desolation, ruin and decay. Today, America stands at the "cross-roads of history," we can either go on to further greatness, or we can allow this moral cancer to destroy us and leave our bones to bleach on the sands of history, alongside other civilizations which have been destroyed by the same disease.

We are like a man living in the finest mansion God has ever allowed mankind to dwell in. Nowhere, at any time in the world's history, have men been able to live as well as we do in the United States. But in our material prosperity we have forgotten God. In the words of the Prophet Jeremiah 22:21, God says to America: "I spoke to thee in thy prosperity: but thou saidst, 'I will not hear.'"

In our plenty, we have allowed the "concrete termites" to get into the foundations of our house and for years, they have been eating away at its foundations. Today, our glorious mansion has been undermined to the point where it is sliding down the hill towards the precipice of destruction. The
whole world is standing by with bated breath, watching to see what we will do. Will we "ride her down" to destruction? Will we jump off before it is too late? or will we go down to the basement, assess the damage, call in the termite exterminator and patch up the damage that has been done? Our future as a free nation and a free people will depend on our actions in the very near future.

The greatest dangers to this structure of freedom have come from within. Many times in the past few years, our churches, which should have been the "salt of the earth," designed to hold back corruption, have been the source of corruption. Many of our moral and a good deal of our spiritual problems have been caused by our religious leaders, who have either been ill-informed, or even worse, have refused to accept the truth, because it conflicted with some preconceived notion they have taken.

What I am going to tell you in this message will stun some of you, especially if you belong to those who are known as fundamentalists. Many of you will be angry with me for telling you the truth, for it will "tear down the house of cards you have built in your mind." It could well be that I would have to say with the great Apostle Paul: "Am I to become your enemy, because I tell you the truth?" (Galatians 4:16).

One of the greatest hoaxes that has ever been perpetuated, is that which is being foisted off on the Christian church in this century. According to Webster's Dictionary, a "hoax is to trick someone into believing or accepting as genuine something which is false and often preposterous." This is exactly what is happening in the Christian world. The vast majority of Christians have been "tricked" or maybe "brainwashed" is a better word, into believing that the people we now know as Jews, are the descendents of Abraham, Isaac, and Jacob and therefore inheritors of the Covenant God made with Abraham in Genesis 12.

It is possible, that no crueler hoax has ever been perpetuated on an unsuspecting people, with more disastrous results.

Let me start my argument by stating that Judaism and Zionism are totally unrelated. Judaism is a religious belief founded more than 3,000 years ago. It is not practiced today by any known religious group. Zionism, on the other hand, is a political campaign for the conquest of Palestine, which dates back less than a hundred years.

Judaism play a dishonored role in the Zionist campaign, since the Zionists use it to disguise their aggression. This political plot, is the financial grab of world Jewry, for the control of the world.

Christians in facing this problem, need to take into consideration the fact that the Zionists are made up for the most part (at least 90%) of Eastern Europeans, Yiddish speaking Jews of Khazar descent, or immigrants who have lived off the largesse of other countries; their loyalty is totally towards Israel, even though they may be citizens of these United States.

The Zionists claim there is a "Jewish race," or a "Jewish nation," which is seeking to reconquer it's former homeland - that which was promised to their ancestors by God and which the prophets foretold would eventually become the homeland of Israel. Literally millions of dollars have been spent by the Zionists to perpetuate this myth, and nowhere have they done a better job, than on those people who call themselves fundamental Christians. The Zionists could not have become involved in a greater "fraud." (The dictionary defines fraud as: "intentional perversion of truth in order to induce another to part with something of value, orto surrender a legal right."). This is exactly what the Zionists have attempted.

There has never in the history of the world been a "Jewish race," or a "Jewish nation." I know this statement will come as a shock to some of my readers, because you have been taught differently in your church. But there has never been a race, which can in anyway - historically or racially - be associated with present day Zionism.

The claim of Eastern European, Yiddish speaking Jews, to a historic or ethnic association, either with Palestine, or the Judeans who once lived there, is one of the world's greatest frauds.
If it were not for the wealth in the Dead Sea, the Zionists would have been content to settle anywhere. When Theodore Herzl, the father of modern Zionism first approached the British Government concerning a homeland for the Jews, Colonial Secretary Joseph Chamberlain made him an offer of the area which is now known as Kenya. The Kenya proposal and another plan for a world Jewish colony in Argentina, brought into the open, for the first time, a conflict between those Jews who were interested in a haven home for their beleaguered brethren, where they could live in peace and the political Zionists who wanted Palestine - not because it was their Biblical heritage, as they have so loudly screamed to the world - but because they had found out about the untold wealth in the Dead Sea. (Have you ever known a Jew who could turn down the chance to "make a buck")

Although the story of Herzl's life has been told over and over again, always emphasizing his sacrifice and devotion to the cause of Zionism, there were little corners in his life the Zionists are willing to forget. One is that Herzl had been willing to accept Kenya as a Jewish homeland, but had been overruled by world Zionist leaders. He was influenced by Britain, to help them in their vast plans for the colonization of Africa, but the political Zionists won out.

Herzl knew very little about Palestine, its geography and its demographic composition. He had never been there. He had been told that it was inhabited by nomad Arabs. He was at a disadvantage, because he had been bold enough to say publicly: "The Jew must get rid of certain nasty social habits and remake himself in the image of the Gentiles - then and only then, will the curse of anti-Semitism die." (These remarks were taken from his biography, written by the Jewish writer Alex Bein, published in 1941 by the Jewish Publication Society of America.)

The words "Hebrew", "Israelite", "Judean", and "Jewish" have been used by the Zionist "myth makers" to suggest a historic continuity. Yet these were different people at different times in history, with varying ways of life. The earliest of the pre-Christian era's bearers of those who today call themselves Jews (about 10% by Jewish estimates), have an infinitesimal amount of Abraham's blood flowing in their veins. There is absolutely nothing to the myth of the racial purity of the Jews and this can be proven over and over in scripture. (Read especially in Old Testament books of Ezra and Nehemiah.) The ancient Judeans had inter-married with the Amorites, the Canaanites the Midianites, the Phoenicians and other Semitic races, who were the ancient ancestors of the present day Arabs.

Neither the ancient Jews, or their forebears ever constituted a "race," or even a distinctive ethnically pure grouping. The very word "Hebrew", does not indicate a derivation from a land or section. It comes from the Canaanite word "Ibri," which means; "one who crosses over." It was first used to describe Abram, when he crossed over the Jordan, from his ancestral lands in Ur of the Chaldees.

The Jews of today, not only have a mixed ancestry, but Judaism was a tremendous proselyting force before the Christian era. Because of this, we see black Jews, Jews from China and India, the Khazar Jew of Eastern Europe, who have never had a drop of Abraham's blood in their veins. They have no claim whatsoever, to the promises made by God to Abraham.

Even the Jewish concept of their being the Chosen People of God, which is taught so fervently in most of our fundamental churches today, has been distorted by the Zionists. God chose Abraham and his descendants to be special messengers of "monotheism," the belief in one God. They were chosen, so the Bible says, not because of their superior characteristics, as the modern Jew is taught in his synagogue, but because of the faithfulness of Abram. The Jews have never spread the "one God" concept of Abraham to the world, only white Christians from Western Europe have done this.

As to the Jewish right of ownership in Palestine, let's go to a Jewish source and see what they have to say about this. I am quoting now from Alfred Lilienthal's book THE ZIONIST CONNECTION, which every Protestant preacher and a lot of Catholic priests should read; it might just keep them from making fools of themselves, as they speak about a subject they seemingly don't understand. Lilienthal, a well-known and respected Jewish journalist says: "Nothing can be proven in any absolute sense about the Jewish right to Palestine. Both sides can quote scripture, from any number...
of holy books to prove their position. Palestine Arabs of today certainly have at the very least, as valid a claim to what is now Israel, as do the Israel's Jew. But sharing this land is not part of the Zionist's dreams; it is their ambitions which have triggered a world crisis.

The people we now know as Jews, are those who have accepted Judaism as their religion. The only thing they have in common with other Jews is their religious belief. They are not members of a "race" and have no more in common with an ethnic origin, than do Baptists, Methodists, Moslems, or Hindus. If I were to try and prove to you that because of their beliefs, Baptists were a race set apart, you would laugh me to scorn, yet that is what is being taught in many of our churches about the Jews.

The Zionists realized from the very first, that if the Christian world could be influenced to their aims - and this was necessary for it's success, since Zionist leaders readily admit that it is only American aid, which has kept Zionism alive - they would have to have the moral and economic support of the great Christian Democracies.

There is abundant proof available, to support the statement, that there is a sinister, secret, Zionist high-command, in charge of the Israeli Government. They desired a State in Palestine, not because they desired to help their people, but because of the power and wealth they wanted, to further their plot for final world control, with world government centered in Jerusalem.

Benjamin Freedman, a Jewish author of considerable note, made a detailed report on Zionist activities for the United Nations as far back as 1946. It was referred to as "The Palestine Situation." This report, sets down in the frankest terms, the underlaying and deceitful reasons under which the State of Israel was formed. He describes how millions of dollars were spent by the Zionists in the United States, to cause Christian church leaders of all denominations, to exhort their parishioners to support the Zionist plan. It worked beautifully!

Sunday after Sunday, Christian clergy, in thousands of American churches, urged their flocks to contact their Congressmen to support the Zionist plan. They were told that it was their Christian duty to support God's Chosen People to return to their ancestral lands, since this was the fulfilling of Bible prophecy. They were told that if they did not do this, the curse of God, as foretold in Genesis 12, would fall on America.

Freedman then goes on to prove that few, if any Jews in the world today, possess any ancestors who ever set foot in Palestine. He proves beyond the shadow of a doubt, that most people who are named Jews, come from a pagan background in Eastern Europe.

By the use of underhanded pressure, the Zionists have wheedled and blackmailed the United States Government into guaranteeing the independence of the State of Israel, even if it means that this is detrimental to the welfare of our own country.

Not all American churchmen were taken in by this propaganda. Dr. James Gray, the godly president of Moody Bible Institute in Chicago, was not only a great Bible scholar, he was also an ardent student of history. He realized the Zionists were fakes and he opposed them with every fiber of his magnificent character.

He resisted all sorts of Zionist pressures, including threats of bodily harm and threats to his family. But when he died, his successors at Moodys, took the "path of least resistance," and have been among the loudest of the Protestant voices singing the praises of the "gangsters of Zion." Today, strangely enough, Moodys is seldom in financial trouble. The same thing could be said about many of our great religious institutions, where millions of dollars of Jewish funds have gone to those who were willing to prostitute themselves to the Zionist cause.

As a result of this intense Zionist drive, Congressmen were swamped by requests from earnest, but mis-informed Christians, who gave their support to this illegal and anti-Christian cause.

Without Christian support, it is doubtful that Zionism would have ever made it off the ground.
Looking back on the Zionist situation in Palestine, reflects no credit on Christian leadership in America, or on the credibility of the British or American Governments. They were instrumental in putting into power in Palestine, a gang of International crooks. These men are atheistic, God-hating, murderers. There is probably no modern nation that can boast as it's leader, a man who is an acknowledged ex-bank robber, extortionist, terrorist and murderer. This was the case with Menachim Begin, and the present Prime Minister of Israel, a man who has been received with open arms, by our great Fundamental church leaders.

In a 1924 book, entitled YOU GENTILES, written by Jewish author Maurice Samuel, on pages 153, 154 appear the following revealing words: "The Jewish radical will discover that nothing can bridge the gulf between you and us. We Jews, we the destroyers, will remain the destroyers forever... nothing that you will do will ever meet our demands. We will forever destroy because we need a world of our own."

Quoting from yet another Jewish source: "By our arrogance, we Jews are responsible for a rapidly growing wave of anti-Semitism and what is even more dangerous to us, the Gentiles are discovering that this anti-Semitism is a misnomer, invented by us to cover up our own definite anti-Gentilism."

A few years ago, Mr. Walter White, Jr., founder of the Western Front, a pro-white organization dedicated to the survival of white Christian civilization, taped an interview with the Jewish administrative assistant of New York Senator Jacob Javits. Here are some excerpts from this interview with Harold Wallace Rosenthal. These are Rosenthal's words: "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While the naive Americans wait for Khruschev to bury them, we have taught them to submit to our every demand.

Asked how America could be captured without our knowing it, Mr. Rosenthal attributed this victory to the absolute Jewish control of the media. He boasted of Jewish control of all news. He stated that any newspaper which refused to acquiesce to this control of the news, was brought to its knees by the withdrawing of advertising; failing this, Jewish suppliers would stop the news print and ink. "It's a very simple matter," he boasted.

Asked about Zionist control of our Government, he said: "Americans have not had a choice since 1932. Roosevelt was our man and every President since that time has been our man." (May I suggest that you now go to the Council on Foreign Relations and the Trilateral Commission and see who controls them.)

Then Rosenthal made this ominous statement: "We Jews have put issue upon issue to the American people. We promote both sides of the issue, as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind the scenes. We Jews toy with the American public as a cat toys with a mouse."

When the name of Jesus Christ was brought up, Rosenthal said: "During Christ's time, the Jews were seeking a material and earthly kingdom, but Christ offered the Jews a spiritual kingdom. This they couldn't buy, so they rejected Jesus Christ and had him crucified. He was only a man - a man who walked the earth like any other and this myth about Christ rising from the dead and returning to earth to visit his disciples is a bunch of crap. The Jews who drove the Arabs out of Palestine did so to disprove Christ's mission for a spiritual kingdom. You see, instead of a leader who would make an empire for the Jews, your kind of people gave the Jews a peaceful preacher called Christ, who instead of an eye-for-an-eye, turns the other cheek. Rubbish! We are building, in fact, have built an earthly empire without your kind and your disappointing Messiah." This is the typical Jewish attitude towards Jesus Christ.

When asked why so many non-Jewish members in the Communist Government of Russia were liquidated, he said: "They understood too much the Jewish secret of government. Russian Communists have a Secret Group Ord1, thich consists of Jews only. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the center of Communism to Tel Aviv, from which all its instructions now come."
When asked why the Communists always kill off the Middle Class, or the educated, Rosenthal said: "It is an established rule to destroy all members of pre-existing government, their families, their relatives but never Jews."

When asked to comment on the future of Christianity in America, Mr. Rosenthal said: "There is going to be forced warfare here in the United States and many will be liquidated... The Jews will not be harmed. I'm not boasting! I'm giving you the facts! And it is too late for your Christian followers to put up a defense. That is a long time past! Long, long ago we had to become the aggressors! That is one of the great purposes in our life! We are the aggressors! Because you stole your pretended religious beliefs from our Talmud."

(This of course is false, for Christianity did not come from a Judeo culture, as we have been told. It came from Hebrew teachings.)

Now this kind of conversation would be frightening at best, but Christians could always say: "That's only the mouthings of one man at best." But it comes from many Jewish sources.

Here is a letter which was sent recently to Jim Townsend, Editor of the NATIONAL EDUCATOR: "Dear Mr. Townsend: Of course what your anti-socialist writers say is true. However, there isn't a thing you can do about it. Your group woke up too late and you are simply not smart enough to make your peace with the powers that be (the Jews) before we start lopping off your heads. I do enjoy reading your paper at the local library, as it gives me the only horse laugh I get for that week. You are weird, a throw-back to the 19th Century." SIGNED: William Golden, Miami, Florida.

I wish it were possible for the fundamental preachers who are backing these Satanists, to realize what will happen to them, their families and their churches, if the Zionists ever take over in America. I can assure them that it will be beyond their wildest, and most awful expectations. Those of you who read this, will have no excuse, if you and your family suffers this fate, since you have been warned! You now have the truth! It will be up to you what you do about it! Will you criticize me, or do something to stop it from taking place?

Always remember that Judaism is a smoke screen for Zionism, which is nothing more than International paganism. It is seeking to conquer the world and setup a one-world government, governed by God-hating Zionists. You will be their target and don't you ever forget this!

In October 1954, Benjamin Freedman, wrote a long letter to Dr. David Goldstein of Boston, a Jew who had been converted to Christianity. Dr. Goldstein wanted to maintain his Jewishness. This letter has been published under the title FACTS ARE FACTS! It should be read by every preacher who preaches the nonsense that the Jews are the Chosen People.

Mr. Freedman states in this letter: "From the birth of Jesus until this day there have never been recorded a more vicious and vile libelous blasphemies of Jesus, or Christians and the Christian faith by anyone, anywhere or any time than you will find between the covers of the infamous books which are called the Talmud and which are the legal code which forms the basis of the Jewish religion, as well as the textbook for the training of the rabbis." He then goes on to quote, passage after passage from the Talmud, after first apologizing for the "foul, obscene, indecent, lewd and vile language you will see here as verbatim quotations from the official unabridged translation of the Talmud into English".

He then goes on with this significant quotation from page 22: "Countless Christians have been brainwashed by the clergy on the subject 'Jesus was a Jew.' The resentment these people feel is not yet apparent to the clergy. Christians need to demand that the clergy tell them the truth, the whole truth, and nothing but the truth. It is now time for the Christian clergy to tell their people what they should have told them long ago.

"Many Christians will no longer accept unchallenged the assertions by the clergy that Jesus in His lifetime was a member of a group in Judea which practiced a religious form of worship then which is called Judaism today, or that Jesus in His lifetime here on earth was a member of a racial group.
which today includes the predominate majority of all so-called or self-styled Jews in the world, or that self-styled Jews throughout the world today are the lineal descendants of the nation in Judea of which Jesus was a national in His lifetime here on earth, or that the cultural characteristics of so-called or self-styled Jews throughout the world today correspond with the cultural characteristics of Jesus during His lifetime here on earth. Christians no longer believe that the race, religion, nationality and culture of so-called or self-styled Jews today or their ancestors have a common origin or character." (UNQ).

I can tell you one thing, when Christians finally realize how they have been fooled by their clergy, how they have been lied to about the Jews, there is going to come one of the greatest explosions Christendom has ever seen and it will blow these "Jewish prostitutes," out of their place of authority in the Christian church. Pray to God that it happens before they destroy us!

The day came when I became increasingly concerned about events which were taking place in the Mid-East. In spite of the media efforts to cover up the treacherous dealings of the Zionists, enough leaked out to make me realize we were not getting the whole truth from the press and certainly not from our government or our pastors. Then one day, as I read the story of Jehosaphat, in 2 Chronicles 18 and 19, and especially the words of 19:2, "Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." I began to wonder if America might not be in the same boat. The more I studied the situation, both from scripture and from history, the more I became convinced that we had not been told the truth about the Jews. The more I studied, the more I became appalled at the obvious propaganda lies, which had been palmed off on unsuspecting Christians as the truth.

For the most part, the Zionist Jews are an atheistic, communistic, God-hating crowd. They hate Jesus Christ and all Christians with a special virulent hatred. This is taught to them by their religious instructors and comes straight from the pages of their Talmud. Three times every day and four times on the Sabbath and religious holidays, the orthodox Jew pronounces a curse on Jesus Christ and all Christians. (So much for Jewish world brotherhood.)

In the Sanhedrin, 67a, Jesus is referred to as "the son of Pandira, a soldier."
In "Kallah," lb, (18b), He is called "the illegitimate and conceived during menstruation."
In the "Schababth," 104b, He is referred to as "a fool and no one pays any attention to fools."
In "Sanhedrin," 107b, He is called "the seducer and corrupter that destroyed Israel."
In "Hilkhoth Maakholoth," Christians are called "idolaters" for worshiping Christ.
In "Abhodah Zarah," 15b, it is suggested that Christians have sex relations with animals;
In Makkoth," 7b, "Jews are innocent of murder if the intent was to kill a Christian."
In "Orach Chaum," 225,10, Christians are more to be pitied than sick pigs.
In "Zohar," II, 64b, the birthrate of Christians must be diminished materially.
In "Zohar," I, 46b, 47a, the souls of Gentiles are said to have come from an unclean origin.
In "Sanhedrin", 58b, Striking a Jew is like hitting God in the face.
In "Hilkoth Akum", IX, 2, a Jew may only give gifts to a Christian if he is irreligious.
In "Babha Bathra," 54b, Christian property belongs to the first Jew claiming it. In "Babha Kama,"
113a, Jews may lie and perjury to condemn a Christian.
In "Zohar," I, 160a, Jews must always try and deceive Christians.
And so on, and so on, and so on, ad nauseam!

The Jew is behind every immoral, anti-Christ, secular humanist, effort in the United States. They promote the E.R.A., the Women's Lib Movements, the pro-homosexual movements, the pro-abortion movements. They push for Sex Ed in the schools; for the removal of anything having to do with Christianity. I dare you to look carefully at the names behind these things which are destroying America, and then dare to tell me they are not Jewish.

Why do people like Dr. Jerry Falwell, president of the Moral Majority, back the very people who are causing the problems his organization deplores? Doesn't he know that you can't fight evil, when
you back its promoters? Why do Godly men like Dr. David Webber, of the Southwest Radio Church of the Air, insist on backing the murders of Zionism? Why do they take trip after trip to the Holy Land, to brainwash more Christian suckers with this Zionist propaganda I have never heard of any of them being honest enough to visit the Arab side once in a while and try and find out what is really happening.

Many of these men are fine, Bible-believing, Bible-preaching men. But they have been "in filtered," "softened up," and had their arms twisted by anti-God forces and they refuse to see this Is it because they are afraid they might have to admit they have been taken in by these clever rascals?

The frequent use of smear words, such as "anti-Semite," are completely false when applied to 90% of the Jews, for they are not now, and never have been Semites.

One of the biggest problems Christians face in trying to understand these things, is the changes which have taken place in the Bible, even the King James Version. Certain statements in the original 1611 Version, were considered offensive to the Judaists, so they were deleted in later printings. Yet none of the blasphemous, blood-thirsty references concerning Christ and Christians, have ever been eliminated from the Talmud. (So much for your brotherhood between Christians and Jews.)

Today the Christian faith stands in an extremely perilous position. The history of the world, during the last century in particular, confirms a vast, Satanic plot against Christianity. There is a worldwide network of conspirators, who are implementing this plot against Christianity, while most Christians seem to be sound asleep, as far as facing up to the truth is concerned. They are unaware of what is happening, and are being lulled into an ever deeper and more fatal sleep by their shepherds.

The ignorance, or more accurately indifference of the Christian world, to what is happening, has dealt a terrible blow to the Christian faith. During this crisis, when Christian Paul Revere's ride across this land with messages of warning, they are met with indifference, contempt, and abuse, by those they are trying to save.

In order to defeat any enemy, you must first know who they are and then how they operate. This means that of dire necessity, we must discover how they are attempting to bore from within. We must do this before they become too strong to combat.

Many Christians are troubled by the mysterious pressures they encounter, especially from so-called Christian organizations such as the National Council of Churches, which often seem to be on the enemy's side. (There are many good Christians who still belong to and support this organization.) But if we can recognize these forces, they can be stopped, and our Christian faith will stand like the Rock of Gibraltar, against all Satanic influence.

I believe our pastors are mainly responsible for this "Fifth Column," which is rotting us out from within. For fifteen years, while I preached the dangers to America, and the need of a spiritual revival, I backed the enemies of Christ and the Church. I refuse to do this any more, regardless what the consequences may be.

I believe many pastors are afraid of the pressure they will receive, if they take the stand they know they should. Others like Dr. Billy Graham, seem more interested in the big crowds, and the TV coverage they get, than in taking a stand. This was not always so with Dr. Billy. Some will actually fawn on our enemy, as some of our outstanding fundamental leaders did, when the chief murderer of the Zionists, Begin visited America.

Today, as the world is slipping back into barbarism, the Church of Jesus Christ remains the only bulwark against this enemy. The time has come, when Christians must stop "pussy footing" around in this conflict for survival.

The dedicated enemy of Christ has shown world wide savagery in dealing with our Christian brethren and in suppressing their faith. What makes you think they will treat you differently?
Our Christian clergy may get upset when I tell them that they are aiding Gods and their own worst enemies. They may refuse to accept this, but this is the same thing that happened in Russia.

I have already mentioned one of the pet phrases that is consistently used: "Jesus was a Jew!" Nonsense! That statement is a historical and scriptural distortion and can easily be proven false by anyone who will take a little time and honest effort to look into it. There is no foundation other than Judaist propaganda in this statement. Historians and knowledgeable, honest theologians, will confirm that during Christ's lifetime, Jesus called Himself a Judean, not a Jew. He never referred to Himself as a Jew.

When He was crucified, a Roman governor had inscribed on His cross the Latin words: "Jesu Nazarenous Rex Iudeorum." Anyone with a working knowledge of Latin knows that should be translated: "Jesus of Nazareth, Ruler of the Judeans." At the time of the crucifixion, as far as Rome was officially concerned - and this is proven by written records of the Romans at this date - there were no people in the known world who were called Jews. They were "Judeans." The word "Jew" has only been used in the English language since the beginning of the 18th Century.

At the time when Jesus lived, there were no religious, racial, or national group known as "Jews." Our pastor's should be intelligent enough to realize this.

Jesus was first referred to as a Jew, when the original King James Version was changed for the first time. Already, pressure from this ungodly group was being exerted on Christians to control their thinking.

You may be inclined to say: "What difference does it make; Jew and Judean mean the same thing, don't they?" It makes all the difference in the world! If this word conveyed the proper implication, there would be no argument in it's use. But the Jews have been very careful to see that it does not. The word "Jew", as used today, is not synonymous with Judean. When it was first introduced into the King James Version, this was it's meaning: "an inhabitant of Judea." It had no religious meaning whatsoever. But when the change was made in the 18th Century, a well-organized, well-financed world pressure group created the secondary meaning of the word, which is used today: Let me illustrate with this simple example: "If you were speaking with an Egyptian and said to him: 'Give me a camel.' He would immediately think of a hump backed dromedary. But if you made the same statement to an American, he would give you a cigarette. It is the same word, but it has a completely different meaning in different languages.

How many Christians do you know, who think of a Judean, an inhabitant of Judea, when the word "Jew" is used? Probably none! Because today, the secondary meaning of the word is used and it has at least four universally believed theories: A self-styled Jew, with probably not a drop of Abrahamic blood flowing in his veins is:

1. a person who professes the form of worship known as Judaism;
2. a person who claims to belong to a racial group associated with the ancient Israelite;
3. a person who is a direct descendant of an ancient nation that thrived in Old Testament times; and
4. a person blessed by God's special design, with certain alleged superior religious and cultural characteristics denied other racial, religious, or national groups.

Here is where the secondary meaning of the word confuses Christians. The implications and innuendoes of the word "Jew" to many intelligent Christians -- is in direct conflict with incontestable historic facts. It has nothing whatsoever to do with whether they believe the Bible or not, since history never contradicts the Bible.

Many Christians are beginning to realize that Jesus was not a member of a group, or a sect in Judea,
which practiced a form of worship known as Judaism; or that Jesus was a member of a group whom we now call "Jews;" or that those who today call themselves "Jews," are not lineal descendants of the folks who lived in Judea during Jesus' stay on earth. In fact, many Christians are becoming slightly nauseated with the clergy's repeated references to an ungodly crew, such as today's Jews, who they refer to as God's Chosen People. Do the clergy not realize what will happen when their people finally understand how their preachers have lied to them? I wouldn't want to be in their shoes.

Concerned Christians today are asking: "If Jesus really was a Jew, why have the Jews for the past 300 years spent such huge sums of money to manufacture the fiction that the Judeans of Christ's time were also Jews?" It just doesn't make sense to intelligent, spiritually discerning Christians, nor should it.

A little study will show you the economic, political and social advantages which have accrued to the Jews as the result of this propaganda. To make Christians believe that their Lord was a Jew and that their religion was an off-shoot of Judaism, has brought them huge sums of money.

While this fiction is still being preached in a majority of fundamental and evangelical pulpits, many Christians are beginning to realize just how blasphemous this really is - I am one of them!

Now last you get the wrong idea and accuse me of attacking fundamentalism, let me say that I am a fundamentalist of the "hard-nosed" variety and my thinking about the cardinal issues of the Bible have been strengthened, rather than weakened, by what I have learned.

The religion practiced in Judea during Christ's stay on earth, like that of today's Judaism, was Pharisaism; Christian preachers should know this. If they would do a bit of honest study, they would realize that the teachings of modern Judaism have very little in common with the teachings of Moses.

If you want proof, let's go to the head of the Jewish Theological Seminary in America, Rabbi Louis Finkelstein, in the foreword of his book THE PHARISEES, page 21, he says: "Judaism became Pharisaism; Pharisaism became Talmudism; Talmudism became mediaeval Rabbinism, and this became modern Rabbinism. But through all these changes in name, the spirit of the ancient Pharisees survives unaltered."

These were the religious leaders of Christ's day, whom he constantly upbraided and who harassed Him and finally killed Him. Listen again to what Christ had to say to them, (Matthew 23:2) "The scribes and Pharisees sit in Moses' seat: All therefore whatsoever they bid you observe, that observe and do: but do not ye after their works: for they say, and do not." In other words, they were religious hypocrites.

In Matthew 23:29-33, He says: "Woe unto you, scribes and Pharisees, hypocrites: because ye build the tombs of the prophets and garnish the sepulchres of the righteous, and say, 'If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets.' Wherefore ye be witnesses, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

John the Baptist knew who these were when he said Matthew 3:7: "O generation of vipers, who hath warned you to flee from the wrath to come?"

Again in John 8:19, Jesus spoke to the Pharisees and said: "Ye neither know me, nor my Father." Then in verse 38 - "If ye were Abraham's children, ye would do the works of Abraham." Then in verse 44, He gives His most scathing denunciation: "Ye are of your father the Devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth." Jewish authorities of today, say that this same group which Christ denounced, are the one's who lead Jewish worship in the modern synagogues. Jesus speaking about this same crowd in Revelation 2:9, warns the church at Smyrna about the "blasphemy of them which say they are Jews and are not, but
are of the synagogue of Satan." Apparently both Jesus and John the Baptist knew these men were fakes, yet our fundamental preachers tell you they are God's Chosen People. Are they calling Christ a liar by their actions?

The form of religion taught in Christ's time and that taught to the Jews of today, was and is a religious practice based on the Babylonian Talmud. This is a set of 63 books, which had been brought back from Babylon and was inter-mingled with the heathen superstitions of the Babylonians. They gave lip service to the Laws of Moses, but twisted them out of shape and in many instances, made the Laws of God, of "non-effect."

The Zionist leaders of modern Jewry have constantly told the leaders of Britain and America: "The Bible is our mandate!" While what they really mean is that the Levitical Laws have been twisted completely out of shape, so that they can destroy anyone who disagrees with them.

That part of the Levitical Law, found in the book of Deuteronomy, calling for the utter destruction of all other religions, may not seem important to Christians of the Twentieth Century, but it is. For as Jews moved into area of the West where Christianity flourished, they carried with them these same Levitical orders to destroy and Christianity became their primary target. The ideas of the inquisition of heretics; the use of informers, the same ideas we see being used in modern communist countries, came from Jewish Talmudic laws. The denunciation of family members who had incurred suspicion was demanded. This is the same terrorist device the Zionists introduced into Russia in 1917 and which they have used in every country taken over by Communism. While the Christian world has often gasped at the terrible brutality of Communism, few Christians realize that the seeds for this action came from Jewish teachings as found in the Talmud.

Under Zionist law, the heathen have no rights and the thinking of the "bandits: who now control Zionist Israel", is the same as that of a heathen philosophy they brought back from Babylon 25 centuries ago.

Listen to the words of warning that fell from the lips of our Savior in Matthew 16:12, he warned His disciples: "Beware of the doctrine of the Pharisees." Then in 15:7, speaking to the Pharisees, He said: "Ye hypocrites, well did Esaias prophesy of you, saying, 'This people draw nigh me with their mouth and have honored me with their lips, but their heart is far from me. But in vain do ye worship me, teaching for doctrines the commandments of men." In other words, the words of the Pharisees, the Rabbis, have precedence over the commandments of God, as found in the Ten Commandments God gave to Moses at Mount Sinai.

The Book of Deuteronomy, in the Old Testament, is a curious work. It's name means "Second Law." It was very probably written by the Levites, rather than Moses, since it was completely different from what Moses had taught. Dr. Funk, a noted Jewish scholar says: "God foresaw that one day a time would come, when the heathen would possess themselves of the Torah (the body of Divine teaching found in the scriptures) and would say to the Jews, 'We too, are the sons of God.' Then will the Lord say: 'Only he who knows my secrets is my son.' and what are these secrets? they are the oral teachings."

In this manner, the Levites were within their self-granted right to make changes in the Mosaic Law as they saw fit. They felt that they were authorized to change the Law, as times changed; just as modernists feel they can change the Bible to fit in with modern thinking.

It is interesting to note however, that the Book of Deuteronomy, in effect, cancels the Laws of the Ten Commandments as given to Moses on Mt. Sinai. These commandments had something definite to say concerning murder, stealing, adultery, coveting, bad neighborliness and were perverted into a mass of statutes which enjoined murder, massacre of the heathen, the murder of apostates, the taking of concubines from among captive women, the exclusion of strangers from debt-remission and so on. By the end of this strange book, the Ten Commandments had been nullified with the purpose of setting up, in the guise of religion, the political idea of a people sent into the world to destroy, possess all others, and rule the world. The ideas of Deuteronomy are diametrically opposed
to those taught much later by the great Hebrew Prophets such as Isaiah and Jeremiah.

The ideas of Deuteronomy, later enlarged in the Talmud are inherent in the Jewish Communist Manifesto of Karl Marx. It is a political program for world domination, commanding the destruction of all others. The rewards for obedience are earthly rewards -slaughter of the enemy, slaves, women, booty, territory and empire. The punishments are also of this world and of the flesh. Moral behavior, is required only towards those who believe as you do, all others are your enemy. These ideas, as exemplified in the Jewish Talmud, were totally destroyed by Christ's Sermon on the Mount.

The present day Jews like to tell Christians that Jesus of Nazareth drew His teachings, which revolutionized world thinking, from the Talmud. This is a lie out of the pits of hell itself. If you have ever read the Talmud, you will recognize this blasphemy. There has never been recorded as vicious a blasphemy against Christ and Christianity, as that found within the pages of the Talmud. If you will take the time to honestly check out any part of these 63 books, you will be shocked at the irreligious implications found there.

In 1935, the International hierarchy of the self-styled Jews, published the first English translation of the Talmud. It became known as the "Soncino Edition." Some day, Christians are going to wake up to the fact that they have been fooled by Jewish propaganda and they will realize how the word "Judeo-Christian" culture is a completely false statement. There was no possibility of the doctrine of Jesus Christ being built on the false base of the anti-God Talmud. There can be no grounds on which Judaism and Christianity can meet. Let me give you a few quotations from the Talmud and let you make up your own mind:

1 - "ZOHAR," 160a - "Jews must always try and deceive Christians."

2 - "BABHA KAMA," 133a - "Jews may lie and perjure themselves in order to condemn a Christian."

3 - "ABHODAH ZORAH," 15b - This suggest that: "Christians have sex relations with animals."

4 - "MIDRASCH TALPIOTH," 225 - "Christians were created to minister to the Jews."

5 - "SEPHER OR ISRAEL," 177 - "If a Jew kills a Christian, he commits no sin."

6 - "ORACH CHAIM," 225 - "Christians and animals are grouped for comparison."

7 - "SEPHEROR ISRAEL," 177 - "Take the life of a Christian and kill them and you will please God, the same as when you offer Him incense."

These are but a few of literally hundreds of references, which are used by the modern day Jew in his synagogues throughout the world. Many of these Talmudic teachings are so coarse, vulgar, and obscene, I could not mention them in a message such as this. To say that these are the basis of Christ's teaching, is the worst kind of blasphemy.

If you have ever wondered why the Jews are noted for their cheating in business deals, you will not have to go further than their religious training. In a prayer, which is prayed on the Day of Atonement, called the "Kol Nidre," (they recite this three times standing, in concert with the Rabbi who chants at the altar.) According to Vol. VIII, p.539, of the Jewish Encyclopedia, this prayer makes "null and void," all oaths, vows, and promises a Jew will make with a Gentile during the following twelve months. This means, that he can lie and cheat with the blessings of the Rabbi.

This prayer is explained in the Talmud book of "NEDARIM," 23a, 23b - "He who desires that none of his vows made during the year shall be valid," may pray the "Kol Nidre." In other words, this is a
device, whereby Jews may lie, cheat, and steal with impunity.

This prayer dates back to the days of the Khazar Jews. They believed it suited their purpose to keep secret from their Christian conquerors the fact that they were Jews and their attitude towards Christians. So the Talmud was revised so they could pledge loyalty to their leaders, while secretly repudiating them. This same idea is prevalent today. While they may be citizens of the United States and pledge an oath of loyalty to her, they are protected from God's judgment by the "Kol Nidre" prayer, which allows them to become traitors if it is to the good of world Jewry.

The Zionists have gone to tremendous pains and expense, to "black out" the origin and history of the Khazar Kingdom from which most of them have descended. Many historians will agree, that the purpose of the Kol Nidre prayer was to keep Christians in the dark from knowing who the Jews really were.

Probably the greatest historian on the origin and history of the Jews in Eastern Europe, was the Jewish Professor, Dr. H. Graetz. In his famous book, titled THE HISTORY OF THE JEWS, he points out that when other Jews heard about the Khazars for the first time, they assumed they must be the "ten lost tribes." Then on page 141, he says: "But the Khazars professed a coarse religion which was combined with sensuality and lewdness."

When the Khazars were conquered by the Russians in the 13th Century, their language became known as "Yiddish" and for over six centuries, since then, Jews the world over have identified themselves as being "Yiddish." You never hear of an Eastern Jew identifying himself as being a Pole, a Russian, a Lithuanian, a Roumanian, or a Hungarian. They will tell you: "I am Yiddish!"

Interestingly enough, before this language became known as Yiddish, it was the mother-tongue of the Khazars. Yiddish must not be confused with Hebrew, even though they use the same alphabet. There is not one word of Yiddish to be found in ancient Hebrew, and vice versa. Why? Because they come from separate sources.

Countless millions of dollars have been expended by the National Conference of Christians and Jews, to expunge from the New Testament all passages the Jew consider offensive. Most of this money has come from Zionist sources. Within recent years, they have mounted a massive campaign within the Roman Catholic church, to take the blame for the murder of Jesus, off the backs of the Jews. But listen to what the Bible says of this, as found in Matthew 27:24, 25 - "When Pilate saw that he could prevail nothing (remember that he had tried to set Jesus free), but that rather a tumult was made, he took water, and washed his hands before the multitude, saying, 'I am innocent of the blood of this just person; see ye to it.' "Notice this next verse very carefully: "Then answered all the people (Jews), and said, 'His blood be on us, and on our children.' " How could this be any plainer? Yet the Jew is saying they were not to blame!

Most of the Jewish "white-washing" is done in the name of "interfaith brotherhood!" What a lovely, innocent appearing word! But have you ever wondered, why this unsavory crew has never done anything to remove obscene references to Christ and Christianity from their Talmud? With the Jew, it must always be a "one-way street," in their favor!

The next time you hear someone boast of their Jewish blood, you might ask them: "What becomes of this Jewish blood, when a Jew is converted to Christianity?" How is Jewish blood biologically different from that of a Christian or a Moslem? It isn't, of course!

So in view, of what I have shown you, how can you as a Christian, accept the term Judeo-Christian? They are "antonyms," "words having opposite meanings." The term Judeo-Christian is unrealistic and would have the same meaning as "hot-cold," or "poor-rich."

On the basis of Jewish teaching, the term anti-Semite or Semitic, should be eliminated from the English language. It serves one purpose and one purpose only, to be used as a "smear word" against anyone who criticizes the Zionists.

I am grieved, as are most decent people, by the new lows to which our national morality has sunk. I
realize this is an indication of a decline in the "faith of our fathers," which was a Christian, not a Jewish faith. The Jews had absolutely nothing to do with the greatness of America. In fact, our founding fathers gave us frequent warning concerning them.

Listen to this copy of the original, from the written records of Charles Pickney of South Carolina, of the proceedings during the drafting of the United States Constitution in 1789. This was a statement made by Benjamin Franklin, concerning Jewish immigration.

"There is a great danger for the United States of America. That great danger is the Jew. Gentlemen, in which ever land the Jews have settled, they have depressed the moral level and lowered the degree of commercial honesty. They have created a State within a State, and when they are opposed, they attempted to strangle the nation financially as in the case of Portugal and Spain.

"For more than 1700 years they have lamented their sorrowful fate, namely, that they were driven out of the motherland; but gentlemen, if the civilized world today should give them back Palestine as their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires and cannot live on other vampires. They cannot live among themselves. They must live among Christians and others who do not belong to their race.

"If they are not excluded from the United States by the Constitution, within a hundred years they will stream into the country in such numbers that they will rule and destroy us, and change our form of government for which Americans have shed their blood and sacrificed life, property, and personal freedom. If the Jews are not excluded, within 200 years our children will be working in the fields to feed the Jews, while they will remain in the Counting House gleefully rubbing their hands.

"I warn you, gentlemen, if you do not exclude the Jew forever, your children and your children's children will curse you in your grave.

"Their ideas are not those of Americans. The leopard cannot change his spots. The Jews are a danger to this land, and if they are allowed to enter, they will imperil it's institutions.

"They should be excluded by the Constitution."

But this warning was not heeded and Jewish influence has caused great psychological and moral damage to America. It has inculcated in our people the philosophy of "How do you make more money; you only go around once in life, so live with gusto!" This has been the philosophy which has drained our youth of their moral courage, to the point where many of them can see nothing worthwhile to protect any more.

The sabotage of our nation's moral and spiritual standards has been one of the most important objectives of this unfriendly, parasitic conspiracy which masquerades under the banner of International Zionism. It is heading America, at a breakneck pace, towards a materialistic, totalitarian, one-world government, with the Zionist in the seat of authority. Frankly, this scares the wits out of me!

This plan has been most effective, because the cooperation of the "male prostitutes" who stand behind the pulpits of this land, trumpeting the falsehood, that these heathen are God's Chosen People.

In Alfred Lilienthal's book THE ZIONIST CONNECTION he says: "To the Zionist leaders of world Jewry, their concept of 'world rule' is that of extreme racism. To them, what makes a person a Jew is not the practice of the Jewish faith, since many are unabashed agnostics or atheists: suffice it that he was born a Jew, so he remains always a Jew. Such is the philosophy of Zionism

"The historic connection upon which the Zionists have stated their claim to Palestine turns out to be nothing but a racial myth. Ten tribes started out in Canaan 35 centuries ago; then disappeared and more than half of the other two never returned from exile in Babylon. How can anyone claim descendency from that small community that inhabited the Holy Land at the time of Moses' Covenant with God? Who can say for sure, that many Christian readers of this book, might have a
far better claim to Palestine than Menachim Begin, or Golda Meier? Queen Elizabeth belongs to an Israelite society which traces its members back to the Lost Tribes of Israel."

The catastrophic decline of Christianity, in spite of all the vivid stories concerning a "nation-wide" revival, disturbs all of us who are concerned Christians. Christendom is no longer Christendom; Christian America is no longer Christian America, for we have allowed our country to be taken over by a heathen philosophy which is opposed to the "faith of the fathers." The Christian church is literally committing suicide today, by the reckless manner in which we are promoting a heathen philosophy and calling it of God.

If you are one of those "brainwashed" Christians who have swallowed the Zionist propaganda "hook, line, and sinker," let me ask you a few simple questions in closing. As far as I have been able to ascertain, none of them have ever been intelligently answered by any fundamentalist preacher or scholar:

1 - Most of the preachers say Abraham, Isaac, and Jacob were Jews - why, when the word was not used until a thousand years later in 2 Kings 16:6?

2 - When preachers speak of the Exodus from Egypt, they almost without fail call it the "deliverance of the Jews from bondage." There were no people called Jews at this time. The Bible calls them "Israelites;" the "House of Jacob;" "He brews," but never Jews. Why should our preachers use that term?

3 - Abraham's seed were to be as "the sands of the sea," (Genesis 22:17). In Genesis 24:60, Isaac's wife Rebecca was promised to be "the mother of thousands of millions." At the time of the Exodus, Moses prophesied in Deuteronomy 1:11, that God would make the Israelites "a thousand times so many as ye are." At this time there were about two million Israelites in Egypt. Yet the Jews have never numbered more than 17-million; if you are going to call them Jews. How do you explain this?

4 - The New Covenant as recorded in Jeremiah 31, was made with the "house of Israel and the house of Judah," nothing is said here about Jews. Hebrews chapter eight verifies this. Yet most preachers say this Covenant, which was to make Israel a Christian people, just didn't work out for the Jews. They have never been able to explain, why the white race has been the only people to really accept this Covenant and has printed and carried the Word of God to all the world, as God's people were supposed to do.

5 - Most preachers teach that Jesus came to the Jews, but the Master Himself, in John 10:26, very plainly tells the Jewish leaders: "Ye believe not, because ye are not of my sheep." Who then are His sheep? Could it be those people who have built their nations on His laws, the Christian nations? Certainly it cannot be the Jews!

6 - Israel was the only people who God ever promised that He would watch over them and answer their prayers. What people have prayed to the God of Abraham for the past centuries? If the white, Nordic races are the same as the colored races, then why did God choose the white race in which to establish His worship? Why have only white nations been known as Christian nations, following God's laws. Why when Paul wanted to go into Asia and preach, did the Holy Spirit send him into Asia Minor, and then on into Europe instead?

7 - When God told Israel in Jeremiah 3:14, "I will take you one of a city, and two of a family and will bring you to Zion: and I will give you pastors according to mine heart; which shall feed you with knowledge and understanding." Why did God bring over 40-million Caucasians to America during one fifty year period?
These people had "born again" preachers as their shepherds. They led America to become a Christian nation.

Yet our preachers have the audacity to say that 3-million atheistic Jews, returning to Old Palestine with their Rabbis, and a false religious book - people who curse the name of God and His Son, they have the gall to call these God's Chosen People!

8 - Finally, how can you equate God's Chosen People with the fact that most of the Communist functionaries are Jews.

   a - That it was Jewish money that financed the Communist revolution in Russia.

   b - That Jews run the filthy propaganda mills of Hollywood, where God's name is made a laughing stock and Christ is blasphemed daily.

   c - That most of the people accused of treason against this country have been Jews;

   d - That most of the pornography, the homosexuality, the pro-abortion, pro-Sex Ed, the moral degradation of America has Jewish influence behind it.

Can you still look me in the eye and say these are God's Chosen People?

I do not advocate hatred of the Jews. I differ from some, in that I believe there are patriotic Jews in this country. There are many who deny Zionism. I do not believe in persecuting any people. But by a like token, I do not believe in allowing the Zionists to control our government, our banking institutions, and our media.

If America's pastors would become imbued with a passion for the truth, they would realize that their mission is far more than "preaching the Gospel." They must be willing to "Occupy until He comes!"

Chapter Four

EXPLODING THE CHOSEN PEOPLE MYTH

Have you ever wondered why in this so-called 'enlightened age", when all subjects can be intelligently examined, there is one subject that remains "taboo?" You can openly discuss sex, communism, Protestantism, Catholicism, Mohammedism, Metaphysics, and most anything else. But it is considered bad manners and downright sinful to discuss Judaism, especially if what you say can be construed as being critical of them.

If you want information on the Mormon religion, you can go to most any good book store and purchase THE BOOK OF MORMON, THE DOCTRINE OF THE COVENANTS, or THE PEARL OF GREAT PRICE. If you wish to learn about Christian Science, the books of Mary Baker Eddy, its founder are readily available. If you wish to learn something about the Moslem religion, the Koran, translated into English is available.

There is not one single existing faith which you cannot study, with the exception of JUDAISM. But if you try and find out what Jews really believe, and what they are taught in their synagogues, especially concerning Christians, an immediate veil of secrecy is drawn and if you try and penetrate it, you can find yourself in serious difficulty.
If you don't want to believe this, go to any good bookstore and attempt to purchase the 63 volumes which make up the Jewish Bible, called the BABYLONIAN TALMUD. If you receive any response at all, it will be to sell you a limited edition, which has been especially edited for "goyim" consumption, or you will be told that it is a forbidden book, available for Jewish eyes only.

The TALMUD is quite explicit about this secrecy, since it states that any Gentile who reads this forbidden book is worthy of death and in the SANHEDRIN Volume (59a), page 400, you can read: "Moses commanded us a law for an inheritance, it is our inheritance, not their's (Gentile)."

The second tumult arises when you attempt to discuss the Jewish problem. It comes from the majority of our churches, often referred to as Judeo-Christian, who will tell you that you must always praise the Jews, no matter what they do, since they are the "Apple of God's Eye" and that to criticize them, no matter what they do, will bring the "wrath of God" on your head.

In other words, you may criticize a Catholic with impunity, or a Baptist, or a Mormon, for what they believe. You can state that Jehovah Witnesses are wrong and that the Hare Krishna's are a cult, but to criticize the Jews and JUDAISM, is not only unhealthy, it is sinful!

This superstitions nonsense has become so deeply ingrained in fundamental and evangelical religious teaching, that their people fear to raise any objection to Jewish excesses, even though they are contrary to what they believe as a Christian.

Leaders of great nation-wide Christian movements such as Moral Majority, who stand behind their pulpits Sunday after Sunday and appear on TV to thunder against the moral and "spiritual evils which are destroying America - the murder of unborn babies; open pornography on our newsstands, in the movies and on TV - these men become timid rabbits when it comes to exposing the evils of JUDAISM, which is attempting to destroy everything they say they believe in as a Christian.

Having been a nation-wide fundamentalist Baptist evangelist for eighteen years, speaking in some of the largest churches in our land, I know whereof I speak. Yet in recent years, as God has given me the privilege of seeing through the "smokescreen" of Zionism, I have been amazed to find fine, dedicated, Christian clergy, who propound the un-scriptural idea that Christians must bless those who curse their Lord, and who are the bitterest enemies of Christianity, according to their own testimony.

This kind of thinking comes under the definition of treason, as defined by our Constitution, Article III, section 3. Here in words which any Fifth Grader can understand, we find the definition for "treason," "TREASON, shall consist only in levying war against them (the U.S.), adhering to their enemies; giving them aid and comfort." It seems strange and very sad to me, that Christian leaders would demand that their followers bless those who curse their Lord; who seek to destroy the Bible; who have been responsible for taking prayer and Bible reading from the public schools; who seek to take Christian meanings from our great National holidays. Ask yourself who is behind the effort to take the phrase: "In God we trust!" from our money. In most every case, you will find it is the Jewish run, Jewish led, American Civil Liberties Union, at the instigation of a Jew. Wake up Christians and see what these enemies of your King are trying to do to you.

I have had fundamental Christian leaders admit to me in private, that they know about Jewish control of the news media; they know the Jews are behind the anti-God filth of Hollywood; they know they are behind the liquor and drug industries; that they own and operate most of the abortion clinics which murder over 4200 unborn babies every day; that they operate the prostitution rackets and support the homosexual movements. Yet I have yet to see one of these "men of God," who have had the "infinitesimal fortitude" to tell their people the truth, about those who are behind these evils. For, you see, if they did this, that old scriptural bugaboo would rise up to haunt them: "I will bless them that bless thee, and curse him that curseth thee -..." (Gen. 12:3). They have become so "brainwashed" by Jewish propaganda, that they do not even recognize the truth that the men to whom this promise was made, Abraham the "friend of God," was not even a Jew. There were no people called Jews on this earth until almost 1200 years after the time of Abraham.
Recently an article appeared in the Jerusalem Post in which Rabbi Alexander Schindler, head of the Jewish Reform Movement in the United States, condemned the award of the Jewish Jabotinsky Medal to the Rev. Jerry Falwell. He said: "It is madness and suicide if Jews honor for their support of Israel, right-wing evangelists who constitute a danger to the Jews in the United States." He condemned what he called a flirtation between Jews and fundamentalists saying: "It is a pact with the devil!"

He went on to put his finger on what is happening:

"The deep reasons for the support given Israel by the evangelical fundamentalists are theologically self-serving. As they read scripture, Jesus cannot return for His Second Coming until all the Jews have been regrouped in the whole area of their Biblical land and have been converted to Christianity. Only true believers can enter the gates of heaven. Jews if they do not accept Jesus, will not be permitted beyond those pearly gates... This is their apocalyptic vision in all its fullness. They seek our extinction as a particular people."

It almost seems at times, as though the Fundamentalists believe God cannot carry out His prophetic process without their help. They are determined that Jesus must come back soon, whether that is God's plan or not. I believe in Christ's return. I believe it will come soon and pray for it, but I do not believe that the people we now call Jews have anything to do with God's timetable. All His promises were made to Israelites, not Jews. They are two completely different breeds.

Is it common sense to believe that God's blessings rest on those people who are attempting to destroy the teachings of His Son, and His church? Does it make sense to believe that God will bless those who are dedicated to the enslavement of mankind, as they destroy all freedom and decency? Yet this is the misconception, which is taught to millions of unsuspecting Christians throughout Christendom and it is the thinking which is flung in the face of anyone who has courage to expose these enemies of Christ and His church. Could it be that we are experiencing the prophesy of 2 Thess. 2:11 - "For this cause (because they will not accept the truth), God shall send them a strong delusion, that they should believe a lie."

What was the Apostle Paul speaking about? Go back to verse 9 where he speaks about one who is coming "whose coming is after the working of Satan ...

When I first began to understand this vital, but controversial subject, it became necessary for me to leave the Fundamental Baptist Church which I deeply loved. My pastor, who had been a close friend, and whom I had heavily supported, accused me of "apostasy." (Which means "defection from the faith.") But my ideas concerning the fundamentals of the faith had not changed, te tiwere stronger than ever. My eyes had merely been opened to a Satanic Doctrine, which has in filtered most Christian churches, that the people we now call Jews, are God's Chosen of the Bible. Our ministers constantly harp on the idea that only those nations who bless and help the Jews will prosper. But you don't have to be very intelligent to see the fallacy in this type of thinking. The nations of this world which have been destroyed, have been destroyed in Go within, because of moral and spiritual corruption, often aided and abetted by these same Jews. Every nation which has befriended the Jews, have been betrayed and ultimately destroyed by them. Don't argue with me about this, look at your history. A few years ago Jerry Falwell said: "America has been blessed of God, because we have been kind to the Jews." This is an observable falsehood. Ask yourself. What has been the time of America's greatest debacle. In what era have we regressed faster morally and spiritually than any other? In what period have we lost our strength in economics and foreign prestige? If you are honest with yourself, you will have to answer that it has been since 1948, when we recognized that "little bastard state of the Israeli." Everything has been "down-hill" since then God has cursed America, rather than blessed her. Could it be that the prophesy of 2 Chronicles 19:2 is taking effect? ". . . shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon thee from before the Lord!"

In Psalm 33:12, we read: "Blessed is the nation whose God is the Lord; and the people He hath
chosen for His own inheritance." Who is this GOD, the Psalmist calls "Lord?" It is none other than our Lord Jesus Christ, the King of Kings, and the Lord of Lords, who is spoken of in John 14:5:"I am the way, the truth, and the light; no man cometh unto the Father, but by me."

Yet a few years ago, when Dr. Bailey Smith, President of the Southern Baptist Convention said: "God does not hear the prayer of a Jew," all hell broke loose, even though he was scripturally correct. How can the Word be any plainer? No person, Jew, Israelite, Gentile, Mohammedan, Heathen, no one can reach God the Father, unless they come to Him through the Son. There is no other way!

The nations which have been infected with the disease of JUDAISM, have fallen because these teachings have rotted out their moral fiber. It is a fact proven over and over again in world history, that when the Jewish money-changers get control of a nation's finances, that country is on the "downhill slide to oblivion." Check this out in your history books!

England declined from a great worldwide empire when she began to allow a great influx of Jewish immigrants to come to her shores during the Nineteenth Century. As they get into places of power in a country, they destroy that country. The time of the greatest Jewish power in Europe, was rightly known as THE DARK AGES and Christendom began to emerge from this, when they kicked the 'money-changers' out of the national temple during the Reformation. It was during this period, that the Jews were kicked out of most every nation in Europe, not because they were Jews, but because they were undesirables. Why is it that our young people are not taught this truth in their history books? It's because the companies who publish these books are Jewish owned and controlled!

If the blessing of Genesis 12:3 referred to all Jews of all times, as our clergy would have us believe, then Napoleon should have never been forced to leave France, for he forced people in many areas under his command, to participate in Jewish holidays and he erected many synagogues at taxpayer expense. Yet when he and his armies were destroyed, it was Jews within his military structure that betrayed him.

According to the warped thinking of the majority of our pastors, the Soviet Union should be blessed above every nation on the face of the earth, for they are the only nation which forbade "anti-Semitism" by law. A quotation from the Communist DAILY WORKER in 1939 said: 'In the USSR, anti-Semitism is strictly prosecuted as a phenomenon profoundly hostile to the Soviet system. According to the laws of the USSR, active anti-Semites are punished with death.' (UNQ.)

Is this law so strange when you consider that more than 90% of the top communist leadership following the revolution were Jews? Out of 550 top communist leaders, 450 were Jews, 247 of them coming from the East Side slums of New York City, the type of people the Jews called "kikes."

If you think the USSR is anti-Jewish today, as our media would like to have you believe, ask yourself why only Jews, of all religions, are allowed to leave the USSR; 50,000 of them according to recent Congressional approval. Why is it that you see no Baptist or Pentecostal Christians among those coming to America?

But Russia has not been blessed. I know about their tough military machine, built on the blood and suffering of the Russian people. Yet it is a fact which has been proven over and over again, the USSR cannot even feed its own people and on at least 14 major occasions since 1918, when the Soviet Union has been on the verge of economic collapse, it has been old Uncle Sucker, the U.S.A. who has stepped in and rescued them.

The second lie which throws fear into the hearts of anyone who seeks enlightenment concerning the Jewish question, is the use of the term "anti-Semitic." Have you ever done any research into what this term anti-Semite means? History proves that the Semites were the descendants of Noah's son Shem. This takes in all the people who belong to the ARYAN WHITE RACE: Anglo-Saxons, Germanic, Scandinavian and related peoples. However, it does not include the people we know as
JEWS. The Jews are the greatest "anti-Semites" of all times, for while most of them (probably 90% or more) are of Turco-Mongolian background, they persecute the true Semites who are Arabs. Yet what religious leader calls a Jew an "anti-Semite" because they harass an Arab? They are more apt to praise him!

The third lie which has been sold to Christians is that our Christian heritage is "Judeo-Christian." In other words, that the foundations of Christianity lie in JUDAISM. But the New Testament is not now, nor ever has been a product of Judaism and while some of the teachings of JUDAISM revolve around the Mosaic Laws and the teachings of the Israelite prophets, they are superceded by a heathen book called the BABYLONIAN TALMUD which Jesus called the "traditions of men." (See Matt. 15:9; Mark 7:13). This same idea was carried over into the teaching of the Apostle Paul, when he warned the church at Colossae (Col. 2:20, 22). "Wherefore if ye be dead with Christ from the rudiments (elements) of the world, why as living in the world, are ye subject to ordinances... which all perish with the using; after the commandments and doctrines of men."

Again in 1 Timothy 4:1 we are warned of a time when Christians would depart from sound doctrines to give heed "to seducing spirits and doctrines of devils." Then in Titus 1:10 he warns against unruly and vain talkers, specially those of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses, teaching things they ought not, for filthy lucre's (money's) sake."

Then in vs. 14 he warns against giving heed to "Jewish fables, and commandments of men, that turn from the truth." So you see, this Jewish Question is nothing new, it has been with the Christian church since the very beginning.

Jewish Talmudic teachings are heavily laced with the occult, which is directly contradictory to the teachings of Moses and the Law. The Old Testament of the Bible was compiled by holy men of God who were Israelites. They believed in one God, as shown in Isaiah 45:6 - "...I am the Lord, and there is none beside me." They looked forward to the coming of a Savior-Messiah... the same Savior the Christians worship, today. They wrote the sacred books under the guidance of the Holy Spirit in their original form. The Old Testament was a product of God, working through His servants the prophets. The TALMUD is the work of Jewish Rabbis, mere men

Christianity pre-dates JUDAISM, for JUDAISM came into being during the Babylonian captivity, when the people from JUDEA began to intermingle the teachings of Moses with the heathen, occult worship of Babylon. This resulted in the monstrosity called the BABYLONIAN TALMUD.

Moses was a Christian. I know he didn't go by that name, but he was a Christian. In Hebrews 11:24 you read: "By faith (the same faith that saves you and I today) Moses, when he was come of years, refused to be called the son of Pharaoh's daughter; choosing rather to suffer affliction with the people of God (Israelites, not Jews. There were no people called Jews at this time in history), then to enjoy the pleasure of sin for a season." Notice very carefully this next part: "Esteeming the reproach of CHRIST greater riches than the treasures of Egypt; for he had respect unto the recompense of the reward." Yes, Moses was a Christian!

You may say: "But Abraham, Isaac, and Jacob were all Jews. Our pastors teach that all the time." Well, my Christian friend he is wrong. They were not Jews, since this term was not used in scriptures until almost 1200 or more years after Abraham's time, when we find them in 2 Kings 16:2 fighting against the Israelites. To call the Bible patriarchs JEWS, is to engage in "intellectual dishonesty."

The Jewish author, Dr. Benjamin Freedman a convert to Christianity, wrote a long letter to a Dr. David Goldstein, another Jew who had converted to Catholicism, it was published in a booklet titled FACTS ARE FACTS. Goldstein still believed in the Chosen People theory and this is what Freedman wrote to him in 1954: "It is a well-known fact that many counterfeit recent conversions of Jews to Christianity, have often been proved but in filtrations of latent traitors with reasonable intentions. (One place in the TALMUD, Jews are admonished to "become Christians for the sake of
Dr. Freedman goes on to say: "The Divine and Sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its long history of almost 2000 years... When the day arrives that Christians can no longer profess their Christian faith as they profess it today in the Free World, then the Christian faith will have seen the beginning of the end."

From this point, he goes on to show how the Christian faith has been put on the defensive throughout the world and mentioned a gigantic conspiracy which is underway, world-wide to destroy Christianity. He goes on to prove to any honest mind, that this is a Jewish conspiracy.

It is unfortunate - tragic is a better word to use - to see Christian clergy so ignorant, apathetic, or frightened by the truth, that they will back the very force which is trying to destroy them and then salve their conscience by saying: "We are merely backing God's Chosen." What utter "hogwash!"

There is little doubt in my mind, based on my experience with these men for eight years, that many of these men are deeply disturbed by mysterious pressure which is coming from above, which often prevents them from exercising sound judgment in their own churches. I know this to be true, for many have expressed their feeling to me. One outstanding Fundamental Baptist preacher I know, who is pastor of one of the largest Baptist churches in America, told me:"I am deeply disturbed by the Jewish influences which lie behind efforts to destroy organizations such as Moral Majority. But all the great Bible scholars and preachers of the Twentieth Century have said the Jews are God's Chosen People and I must go along with them."

This pastor is a man of courage, who has taken many unpopular stands against evil in his city. Yet he is literally "afraid of the Jews." When I pinned him down on his reluctance to tell his people the truth in this area, he admitted that he owed a $750,000 debt on his church building and that Jewish bankers held the notes, and that if he took a stand on the issue, they would "close him down." How sad, "For fear of the Jews," the very thing that happened in the early church. (See John 21:19).

The greatest spiritual leader of all time, our own precious Lord Jesus Christ, spoke to the Jewish leaders of His day, the Pharisees, whom the modern Jews recognize as forerunners of their faith. In no uncertain terms He addresses them in John 8:44 - "Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar and the father of it." He goes on to clarify this in vs. 47, when He said: "He that is of God heareth God's words: ye therefore hear them not, BECAUSE YE ARE NOT OF GOD." (Emphasis mine). Mighty plain I'd say.

These same Jewish leaders had just admitted in vs. 33 that they were not Israelites, when they stated: "We be Abraham's seed and were never in bondage to any man." If they had been true Israelites, they could not have made this statement, since any Bible scholar knows the Israelites had been in captivity in Egypt, Assyria and Babylon.

In John 10:26 we listen again, as Jesus speaks to their Jewish religious leaders: "Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP!" Again mighty plain!

Then the final capstone on our King's denunciation of His personal enemies comes in Rev. 2:9; 3:9, when the Risen King speaks about "them who say they are Jews (Judeans) and are not, but are of the synagogue of Satan." That is who we are dealing with today, when we deal with modern Jews.

How many warnings must be given before our pastors will listen to scriptural truth? I know it's not pleasant to face the truth, when you have been wrong for years. I know how traumatic it is to admit you have been wrong. But how shocking it may be; no matter how much it goes against the teaching of modern Christianity, the Word of God must have priority over the teachings of man. If that causes me to be hated by erstwhile friends, so be it and I should possibly say with the Apostle Paul, "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16).

Christ prophesied that His teachings would dndd.e households (Matt. 10:34). That has happened.
Yet I have found many good Christians, who will take the word of the pastor, over what the Bible clearly teaches and when I warn them about this, they get angry and call me names.

I can remember back to the days when I was speaking on communism for the AMERICAN OPINION SPEAKERS BUREAU of the John Birch Society. This was before I recognized the danger in Judaism. I was constantly amazed how intelligent men could turn down the idea that a conspiracy existed against their freedom, when history is full of documented proofs of such a conspiracy. They would admit to conspiracies in the past, but refused to admit one existed now. When I would give them documented proofs of this conspiracy, mild mannered men would turn into people who would literally rant and rave and call me a "member of the lunatic fringe." One TV moderator, a Jew to be sure, called me a "pornographer of paranoia," when I proved that Jews were behind most of our spiritual and economic problems. He had no recourse but to attack me, for I had truth on my side.

My Christian friend, are you more interested in taking a popular stand, than you are in the safety of your family?

I am not particularly interested in whether you believe me or not, since my job is not to persuade you. I am a watchman with a warning concerning enemy action against you. What you do with that warning will then become a matter between you and God. But I believe as Henry Ford, Sr. believed in 1922, when he defended his book THE INTERNATIONAL JEW, against Zionist attacks: "Our statements must be judged by candid readers who are intelligent enough to lay words alongside life as they are able to observe it. If our word and their observations agree, my case is made! It is perfectly silly to damn us before it is shown that our statements are baseless or reckless. The first item to be considered is the truth of what we have set forth; it is precisely this item, which the Jews wish to evade." Yes indeed, my Christian friend, the Jews do not want you to know what they are doing to you!

Before you condemn me for my stand on JUDAISM and ZIONISM, I dare you to take the fate which I present and place them under the most powerful magnifying glass of truth which you can find - the Holy Bible and the record of history - when you find that I have told you the truth, let nothing, including your pastor or church, stand in your way of proclaiming it, for God will hold you responsible for what you know.

If you are afraid of the truth, then read no farther for the more you know, the more you will be held accountable for.

Most of the confusion in the world today is unwarranted and unjustified. It would not exist if the clergy and our political leaders were willing to tell us the truth. It is no wonder that we see millions of potential "front-line Christian soldiers," who hide in their spiritual foxholes, folding their holy hands in prayer, as they ask God to handle the dirty work He gave them to do. No wonder this country is in a mess, when the "salt of the earth" the Christian has become the means by which corruption has grown and flourished. In 1 Peter 4:17, the Apostle Peter said; "For the time has come, when judgment MUST begin at the house of God." That word JUDGMENT in the Greek means CONDEMNATION. It's time the Twentieth Century church is CONDEMNED for its luke warmness and apathy and it's refusal to listen to the truth.

I'm convinced that many Christians who are sitting idly by, waiting for the RAPTURE to take them out of the mess their apathy has caused, will be in for the shock of their lives, since they are so tightly sewed into their "shroud of self-righteousness," even the power of Almighty God will not get them unzipped in time, when the Lord does return. Remember what Jesus once said: "Not everyone that saith unto me, Lord! Lord! shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." You can't do God's will, when you are still tied down trying to "do your own thing!" The work of God goes a lot farther than knocking on doors and inviting someone to church. It goes far beyond telling people about God's love. It means "front line" combat duty in our war against evil.
Too many Christians are like the woman I heard of who was mugged and raped in Central Park New York. A man found her lying on the ground, bleeding from her wounds. He asked her: "Shall I call the police?" To which she responded: "No, don't! I don't want to become involved!"

But my dear Christian brother and sister, you are involved in what is happening whether you want to be or not and in order to stop this spiritual surrender, we must insist on an "about face," on the part of our clergy. Christian organizations such as the Moral Majority will never reach their full potential, until their leaders are completely honest with the people which make up their membership.

Dr. Freedman put his finger squarely on the problem, when he said: "The utterances by the Christian clergy which confuses Christians the most, is the constant repeated utterance that Jesus was a Jew." This is one of their favorite themes! Yet it is a gross misrepresentation and distortion of both historical and scriptural facts.

Most competent teachers and Bible historians will admit that at no time in the New Testament was Jesus ever called a Jew. During His lifetime He was known as a JUDEAN, but never a JEW. The great Hebrew historian, Josephus, wrote some stirring words about Christ, but he never made the mistake of calling Him a Jew. The great church historian Theopolycart, writing about 1080 A.D. said: "The city of the Judeans was taken, and the wrath of God was kindled against them: as also Joseph us witnesses, that this came upon them on account of the death of Jesus."

When Pontius Pilate, the Roman Governor who ordered Christ's execution had an inscription placed over the head of Jesus, it was made up of the Latin words: IESUS NAZARENOUS REX IUDEORUM. Pilate was expressing his sarcasm and contempt for the Jewish leaders who had condemned an innocent man to death. By no stretch of the imagination can this inscription be made to read JESUS OF NAZARETH, KING OF THE JEWS. Anyone who understands Latin known it reads: JESUS OF NAZARETH, RULER OF THE JUDEANS.

During His lifetime, at no place in scripture was Jesus ever called the "king of the Jews." Christ was crucified, not because He was guilty of any crime, either religious or civil, but because it became politically expedient for Pilate to remain on friendly terms with the Pharisee leaders and because it was in God's plan that His Son die for the sins of His people, Israel.

The fact that Jesus was never called a Jew, or was ever known by that name, cannot be erased by the wishful thinking of Christian Zionist preachers in an attempt to justify their support of these Christ haters.

There was no factual foundation in history or the scriptures for Pilate to use the word JEW to describe Jesus and there is no way you can come up with a religious connotation for this word, for at the time of Christ, in no place in the known world, were there a people called JEWS.

The intellectual dishonesty of our Bible scholars can be seen in that they use the "secondary" meaning of the word JEW in order to confuse their people. They give it a religious connotation, when almost universally it refers to the place in Palestine known as JUDEA. It has much the same relationship to the original, as the word "camel" has to the cigarette which bears that name.

When the woman at the well of Samaria in John 4:22 was told by Jesus: "Ye (Samaritans) worship ye know not what; we know what we worship, for salvation is of the Jews." Anyone with any common sense can tell that this is a mis-translation, for we know that salvation does not come through any people, but through one person, the Son of God. The correct, original translation read: "For salvation cometh out of Judea," and this makes sense, for this was whence Jesus came.

We must demand that our clergy be absolutely honest in the pulpit and when the pulpits of Christian AMERICAN BECOME PROPAGANDA PLATFORMS FOR AN ATHEIST, anti-Christ heathen culture called JUDAISM, then the church is in deep trouble indeed.
It is a fact, proven by scripture and history, that the religion, nationality and culture of Jesus was not the race, nationality and culture of those who were known as Pharisees. Jesus once said: "By their fruits shall ye know them." Are you willing to commit the blasphemy of saying that the fruits of modern Judaism are the fruits which Jesus and the Apostle Paul spoke about in the New Testament? Jesus never practiced the religion of the Jews. He abhorred it and -it is clearly shown in His teachings. The religious beliefs taught in the synagogues of Jesus' time, are the same which are taught to modern Jewry and were those things which Jesus called the "traditions of men, which turn men away from the commandments of God."

The Rabbinate of 1989, is the same "den of vipers, the same whited sepulchre" it was in Jesus time. Rabbi Michael Rodkinson, a Rabbi who translated the TALMUD, in his book THE HISTORY OF THE TALMUD, makes this obvious false statement: "The source from which Jesus of Nazareth drew the teachings which enabled Him to revolutionize the world ... is the Talmud ... the written tradition of the elders." Do you believe this, when thion of God said to these hypocrites: "Ye have made the word of God of non-effect through your traditions?" (Mark 7:13)

Have you so far departed from the faith that you would believe a religious book which encourages incest, rape of non-Jews, and beastiality, would be the basis of Christ's teachings?

Are you willing to accept these teachings found in the TALMUD, and I quote Volume and verse:

- KALLAH, lb (18b) - "Jesus was illegitimate and was conceived during menstruation."
- SCABBATH XIV - "Jesus is referred to as the son of a Roman soldier and a Jewish prostitute."
- SANHEDRIN, 103a - This passage suggests that Christ seduced and destroyed Israel.
- SANHEDRIN, 107b - "This passage suggests that Christ corrupted His morals and dishonored Himself.
- HILKOTH MELAKHIM - "Suggests that Christians sin by worshipping Christ.
- HILKOTH MAKKHALOTH - States that Christians are idolaters.
- ORACH CHAIM (20, 2) - Says that Christians often disguise themselves in order to kill Jews.
- ABHODAH ZORAH (15b) - Suggests that Christians have sexual relations with animals.
- CHAGIGAH, (15b) - States that a Jew is considered to be good in the eyes of God in spite of any sins he commits.

On and on we could go, ad nauseam, for 63 volumes and thousands of pages. Much of it is too filthy to even quote in public. Yet this is what the Jews are taught in their synagogues. Do you honestly believe Christianity got its start from this filth?

Most Americans, especially those who are dedicated Christians, are deeply disturbed by the present conditions we see in America and they should be but have you ever been honest enough to look for the names of those who are behind this collapse? Have you ever studied the fact, that at least since the Civil War, the economy of America has been under the control of International Jewish bankers and that they have siphoned off most of the real wealth of America, until today we are a broke and bankrupt people?
When our country was very new, the venerable old statesman Benjamin Franklin warned the First Continental Congress in 1789 about the influence of Jewry on American life. He said: "I fully agree with General Washington, that we must protect this young nation from an insidious influence and penetration. That menace, gentlemen, is the Jew.

"In whatever country Jews have settled in any number, they have lowered its moral tone, depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which this nation was founded by objecting to its restrictions; have built a state within a state and when opposed have tried to strangle that country to death financially as in the case of Spain and Portugal.

"For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But, gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? They cannot live among themselves. They must subsist on Christians and other people not of their race.

"If you do not exclude them from these United States, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed blood, given our lives, our substance, and jeopardized our liberty.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they are away from Asia. Their ideas do not conform to any American's, and they will not even though they live among us for ten generations. A leopard cannot change his spots. Jews are Asiatics, are a menace to this country if permitted entrance and should be excluded by this Constitutional Convention." (UNQ.)

This letter was originally in the PINCKNEY DIARY, which was in the Franklin Museum in Philadelphia, but mysteriously disappeared. Ben Franklin was a true prophet, for his dire predictions have come true in 1993.

I do not advocate hatred of the Jewish people. I believe there are many Jews in the "rank and file" of Jewry who would oppose the plan of World Zionism, if they knew what it was. They are as "brainwashed" as the average Christian.

But I do say this. We must not allow International Jewry to control our government and our finances, our media, our educational system and our churches. So our first priority, I believe, must be to rid our churches of the Zionist prostitutes.

Now, during the most critical period in American history, our watchword must be: TONIGHT, PUT ONLY CHRISTIAN AMERICANS ON GUARD! Let's get the aliens out of our government; out of our school system; out of the media; out of the church. We can no longer afford to allow them in our midst. Let us once again raise the "banner of the cross" over America and let it truly be "one nation, under God".

Let us remember the stirring words of the BATTLE HYMN OF THE REPUBLIC, which have been removed from our modern version:

"I have read a fiery Gospel,  
Writ in burnished rows of steel;  
As ye deal with my contemners,  
So with you my grace will deal.  
Let the Hero born of woman,  
Crush the serpent with His heel,
Since our God is marching on."

Then let you and I; those of us who truly love our God, be watchmen on the walls of Israel America, to spread the warning wherever our people meet. Let us be the men and women who will "make up the hedge, and stand in the gap," before our God. With Him we will be triumphant for He has told us: "This is the victory that overcomes the world; even your faith."

WHITE, CHRISTIAN AMERICA! ARISE AND GO FORWARD TO YOUR DESTINY!

- THE END -

EPILOGUE

It will do Christians no good to attack the arms of the octopus - the filthy arms of prostitution, drugs, pornography, immorality, sex education, alcohol - you know them all! It will do us no good to attack them, when the head is allowed to remain healthy. Who is behind these things? Look at their names. They must be exposed if we are to survive as a free Christian nation!

This will be a dangerous undertaking, for Zionist power is strong in this country. It will not be a task for "sunshine patriots." Jewish judges and lawyers control our court system. I challenge you to look at most of the liberal decisions which have been made in our courts in the past thirty years and see if there is not a Jewish name behind it. The arm of the Anti-Defamation League is long and vicious. Their true colors have been "red" since their inception. But we must never falter in this battle.

We have no quarrel with Jewry if they want to live in peace with the rest of the world. Let them show this by their actions, not in the multitude of their words. Let them dissolve the Communist-Socialist Parties they control. Let them give up their efforts to destroy Christianity. Let them clean up the cesspool of Hollywood and tell the truth in their controlled press.

Let them turn loose the captive people's they control through Communism. Let them free the world from the materialistic propaganda with which they have poisoned a whole generation of our youth. Let them show an honest effort in negotiation with their Arab neighbors.

If they show us that they are honest and sincere, then let them live in peace within the borders of their own land.

But if they continue their deceit for the purpose of controlling the world. If they say they have nothing to do with the ills of the world, which has been brought about by their design. If they refuse to stop the propaganda which is making liars out of honest preachers. Then it lies in us to defend ourselves, our faith, our race, our country and our freedom with any means that is at hand. If this means once again banishing the Jews from our country this may have to be our answer. With God's help, we intend to do whatever is necessary to defend our families, our churches, and our blessed land.

We will then go a step farther and clean out the Jewish "stooges" who have betrayed us from behind our pulpits; we will clean them out of our government, if this means treason trials for some, then so be it. This cancer MUST be excised, once and for all if we are to survive. We will never surrender, for we can stand on our Lord's promise that the "gates of hell shall not prevail against His church."

Our freedom, my friends, was not "bought and paid for at Valley Forge," this was only a down-payment. Each generation must make a payment on account," if we desire to remain free. We will either face the truth and act on it, or we will be destroyed as a free people.

But I would leave you with this final message of warning. The JEW and ALIENS in America are not the CAUSE of our problem. They are the EFFECT of White Christian disobedience (see
Deuteronomy 28). The biggest and most important lesson our people MUST learn, if we are to survive, is that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY! We already have A FORMULA FOR SURVIVAL which will work, if we are willing to give it more than "lip service". It is found in 2 Chron. 7:14. There are two options available for it to work: (1) the "easy way - God's way; or, (2) continue "doing our own thing", and learning the hard way that "The way of the transgressor (they who buck God) is indeed very hard, and always leads to disaster".

Must our White Christian Americans be "driven to their knees and have their nose rubbed in the dirt, before they will listen to God, obey, and be saved, both physically and spiritually?" MAY GOD HAVE MERCY ON AMERICA! and "mend her every flaw."

An Objective Look at
Black America!

(Synthesis of the book
WHOLE NIGGER OR NONE,
by Black businessman Albert Lee Burton)

"Can the Ethiopian change his skin, or the leopard his spots?..." (Jer. 13:23)

AN OBJECTIVE LOOK AT BLACK AMERICA!

Whether you or I want to admit it or not, there is a pressing racial problem present in America. This is a problem which has been exaggerated and used by the enemies of our white Christian civilization, to destroy this wonderful country of ours, and the freedom and progress it has brought to this world. In 1912, a Jewish Communist by the name of Israel Cohen, wrote a book explaining this plan, it was titled A RACIAL PROGRAMME FOR THE TWENTIETH CENTURY. You can find this quotation, taken from this book, in the US. Congressional Record for June 7, 1957. It is self-explanatory:

"We must realize that our party's (Communist) most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mold them to the program of the Communist Party.

"In America, we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the White's a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negroes will be able to intermarry with the Whites and will begin a process which will deliver America to our cause." (UNO.)

That's what this pamphlet is all about. It is the synthesis of a book, which was reviewed on page 9 of the March, 1990 issue of the THE CHRISTIAN PATRIOT CRUSADER, under the title WHOLE NIGGER OR NONE!

This book review evoked so much response, that I attempted to obtain a copy of the original book by black businessman Albert Lee Burton, written under the above title in 1966. After a good deal of undercover detective work on the part of myself and others, we discovered a copy of this book. (It is out of print). The owner graciously allowed me to use it for the purpose of writing this article.

The information given herein is that of Mr. Albert Lee Burton, a black businessman who at that time lived in Los Angeles. This review is not always "word for word," with what Mr. Burton said, I have taken some editorial license with it for the sake of brevity. I will assure you that his meaning has not been changed in any way. I will be using the word BLACK, where he uses the term NEGRO, since that is the present day usage of the word.

I am taking the time, effort and expense of bringing you this information, coming "from the horse's mouth," so to speak, so that White Christian Americans in particular will better understand this sensitive issue of RACE.

Unscrupulous men, who are not interested in the welfare of either the Black or White races, or the welfare of America, desire to use the race issue as a means of taking away our hard earned freedom and substituting the dictatorship of a One World Government; our President now refers to as the New World Order. They have openly bragged how they will do this, using race as one of their major
tools. It behooves concerned Americans of both races, to see that these evil conspirators are stopped. This can only come about, as the White majority understand the basic problems confronting the Blacks of America. (In the few places where I have inserted Editorial comments, I will mention it.)

The problems we have with the Blacks of America will never be solved, as long as White Christians of the kingdom Movement, insist that only they are loved by God and that all others come under the derisive term of "mud people." My Bible tells me in Gen. 1:26, that when God created the first man, male and female (and I believe these were non-white people), He looked on His creation and in vs. 31 pronounced it "very good." If God declared this creation to be "good," then who are you, or I, or any "racial extremist," to call them "mud people." I think this borders on blasphemy.

Those of you who know me will not mis-understand this statement, for you know how I stand firmly on the scriptural admonition against the mixing of races through inter-racial marriage. This is another matter completely. What I am trying to do in this little book is to give you a better understanding of another branch of the human race, who YAHWEH GOD created for His own special purpose.

There has been a "colored curtain" drawn across the United States, according to author Burton, and this curtain can be withdrawn and both sides live in harmony, if they understand each other. This by no means implies that they are to intermingle and adulterate their own bloodlines.

I will give you Burton's ideas and let you make up your own mind. Take what Mr. Burton says and compare it with what the Word of God says about race. All the quotations will be his, unless otherwise so noted.

The individual black does not represent a problem. It is the "wolf leaders" of the race, who call them together and lead these easily led people. They seem to idolize a leader and will follow him for good, or bad, appearing always to say: "Lead me! Lead me!" It is the black leadership in America that is leading the blacks into progressive discontent.

The black is being led with a complete philosophy of progressive goals which means perpetual dissatisfaction, no matter what the White's do to satisfy him. This is a "wolf leader's" paradise! There are only two classes in the American Black class system. There are first just "blacks". This includes all blacks with the exception of the clergy who are a definite and distinct class. The Blacks have no control over their clergy who are their undisputed leaders. The Black of today is a free slave, slaving for his leaders, who, unlike the southern plantation owners, who at least fed and clothed them, do nothing but keep them discontented and looking for a "free ride."

The Black leaders seldom encourage industrialization, since they refuse to encourage cooperation with and respect for white leadership; they will not encourage hard work or privacy as a way of life; they will not encourage "equalness," which is quite different from "equal rights."

The Black "wolf leaders" employ politically loaded programs to lead the easily led and easily discouraged Black. Their favorite subjects are EDUCATION, EMPLOYMENT and POLITICAL UNREST!

**EDUCATION:** This subject is loaded with emotional and sympathetic subjects involving children and public money. In the field of education, Blacks are completely ignorant. To them, the word EDUCATION is used specifically to mean UNDERSTANDING. They ask special educational privileges for Black children and some time or other, the "wolf leaders" demand that this education stick closely to Black Culture. It is sort of like demanding an unsegregated airplane ride and then telling the black flock, Let's walk!"

**EMPLOYMENT:** Economic unrest is the main weakness of our American form of industrial democracy, because it pushes the aggressive to do something, while it permits the lazy to organize and demand more... Technological advances add tools which make the unskilled black laborer obsolete.
POLITICAL INTEREST: The demagogic interpretation of these two words in Black life means ONE MAN ONE VOTE. VOTE FOR THE FREE HANDOUT!

The Black was, and still is, good for slave stock, because he forever seeks the easy way to solve problems, and that is let someone else do it! This refers to his thinking as well as his doing, and the way he is so easily led.

Permitting the Black to vote, created our greatest political problem. (Let me remind you, that these are the words of a Black businessman, they do not come from Jack Mohr - Editor).

The educated Black gives prestige to the "wolf leaders" because he feels the pain of variety and constraint, more than the others. His problem is he is attempting to use a White man's education in a black world. He seeks a White man's reward in a black world and they aren't there!

The Black "wolf leaders" are highly deceptive about the public evidence of his equality. He tells his people that he is getting them "equal rights," not "equality." This decoys both the Blacks and the Whites and calls for more political action to get the Black more rights along the Black pattern. They have little respect for the American pattern and set goals impossible for the average Black to reach.

When a Black shows interest in doing things the White man's way, the "wolf leaders" call him "money hungry," "brainwashed," a "white man's nigger," an "Uncle Tom."

The Black "wolf leader" does what most Blacks want and that is to make a living without working. (This is a noticeable trait of the Jew, from whom the blacks learned this aberration - Editor Mohr). The leader sells "hot air" and is idolized by Blacks for his ability to do so. (This was the "stock in trade," of men such as Martin Luther king, Jr., Ralph Abernathy, and now Jesse Jackson - Editor Mohr).

The easy going, non-competitive stock of average blacks are so easy to lead, that less than 10% of their leaders are educated. Yet he can hold them in their churches or other places of gathering, hollering and singing, and they will flock to him like ants to a honey pot.

In some cities these places of gathering can be found two and three to a block, and many are nothing less than STORE FRONT CHURCHES. Operated by totally uneducated blacks who have the "gift of gab."

Each one supports its leader. Due to lack of ventilation, the air often becomes heavy with human aroma, yet few leave their seats to go out for a breath of fresh air. They sit complacently, until they are stirred up by their leader's rhetoric.

Blacks MUST be led and taught by White leaders and teachers of quality, if they are to ever reach the goal of equality with Whites.

The Black leader will tell his people that White's only want to use him. This is true to a certain extent. But it is also true that the Black "wolf leaders" want to do the same thing, only for ulterior purposes. The White man has what the Black wants and can use, but the Black "wolf leader" has what he culturally wants, and this is control over the mob.

A store front church in my area was so successful, that the Black leader not only owned an expensive car, but was able to support at least two wives. He was a heavy drinker of gin. He would not go to the liquor store, but would send one of his parishioners to purchase it for him.

Somewhere he had heard the word THEOLOGY and knew that some referred to him as a THEOLOGIAN, although he wasn't exactly sure what that meant, since that was the extent of his theological experience. His religious EXPERIENCE, did not cover RELIGIOUS ETHICS, and while his vocabulary was extremely limited, he could speak well. As his church grew, he bought an old abandoned theater that held hundreds of people, and people stood in line by the hundreds to get in and hear him. As the church grew, so did his consumption of gin and he would preach so hard and with such sincerity that he would have to change shirts in the middle of his sermon. He was a great showman and devoted his life to his three great influences, PREACHING, his TWO WIVES,
It has become common knowledge that the only time he could preach was when he was drunk and this knowledge actually increased his congregation. Once they heard him, they were "hooked" and joined his flock.

This preacher once told me that his whole life was his two wives, and God, in that order, and that the gin put him in contact with God.

His lack of leadership ability cost him both his church and his prestige in the black community and he never could understand why, because THE PERFECT SLAVE STOCK OF HUMAN BEINGS HAVE NOT CHANGED IN THEIR WEAKNESS TOWARDS LEADERSHIP.

Gangs of black youth are seen on the streets of every American city, usually following a leader. Racial Organizations appeal to the same type of thinking.

Almost all of these easily led human beings are Democrats, because this political persuasion offers more leadership and less individualism, more social and economic relaxation and heaven on earth for the slave stock. That they cannot bring this about, means nothing to the "wolf leaders."

The individual educated Southerner understands these slave traits and he sets up social and civic programs which are positive to the "slave mentality." This is what the trouble making Northern White disagrees with. So using "negative" leadership, he leads the slave stock to riot, destroy, and even kill for the emotional entertainment of the leader. Every species of human being is happy when in an environment native to him and his kind. (I have lived on three continents and have rubbed shoulders with many different kinds and races of people. I have never had trouble getting along with them whether they were white, yellow, or black. I had friends among all these different types, but as a fellow of average intelligence, I desired the company of my own people as much as possible, and always sought them out. Like most decent white folks, I had an ingrained more which told me that it was wrong to mingle my blood with that of another race. I didn't even have to have the Bible to tell me this. It came naturally, as it does to all decent White people - Editor Mohr).

In his dealing with the American Negro, the White man has devoted his tax money to social and emotional problems, to solve these problems. But the conditions he has brought about are not native to the blacks, so they appear as selfish and against them. They are led in this thinking by the "wolf leaders", who demand conditions that are familiar to the Black, but not to the White. Stop the Black leadership from their selfish demands on their own people, and you will stop Black trouble. Any intelligent White man should be able to see this!

In the scientific world, that Black has been inflicted by a mental disorder we might call "neurasthenia," (an emotional neurosis, usually the result of emotional conflicts, characterized by irritability, fatigue and anxiety without any apparent physical cause.) The Black has become inflicted by this nervous disorder due to the fact that since the Civil War, the White man has made industrial progress by doing, while the Black, for the most part has been in industrial retreat.

This means that the whole race must be re-educated. The Southern form, understood by some, liked by some, and disliked by others, works for the good of the average Black and Southern Blacks have only rebelled against this when led by their "wolf leaders," whether Black or Northern liberal.

The moral logic of the Black race must be changed and it is a job which needs skill and delicacy. Many people with dark skins cannot be included here, because for many reasons, especially environmental, they are culturally Caucasian rather than Negro.

Our American political trend not only has contributed to the juvenile delinquency, but to black failure to live a productive life. In his home, the black youth hears admiring stories about this morally degrading trend in terms of his own view of life and as a result his actions are delinquent. When lying, stealing, violence becomes the answer to get what you want out of the political system, then it not only contributes to juvenile delinquency, but more forcibly contributes to the blacks failure to be productive. The White politician, especially among the liberal element, has been a
terrible example to the Black youth, for when he sees men high in government, as they dabble in the
dope trade, in crime, in perversion, and get rich doing it, there is little deterrent there for them to
live a decent life - Editor Mohr).

The black has been told by the liberal, that he is equal; that he has the right to vote; that he has no
need to worry, for the government wants to be his father, so just go and vote as we tell you to! As a
result, the national pride of blacks as a whole has sunk to such a low ebb that the "black, dirty mud
of Niggerism, stinks with an aroma that decent Americans want to escape. That's why you see
White, and decent Black folks, leaving urban areas by the droves.

This political trend of "buying votes, is in line with black thinking, and he supports it with his vote.
He votes for any tax raise, since this puts more money in the pot, making for more government jobs
and handouts and usually, it comes out of the pockets of the hated Whites.

Most Blacks who left the South to go North, did so because they believed the government would
"father" them and give them every break they needed to get what they wanted.

Many Blacks love to see the Caucasian embarrassed and will vote for anything which will saddle
the White with more "big government, from which they get their handouts". (This is the reason we
see the blacks vote primarily as Democrats, since the Democrat liberals have opened all stops to
benefit the blacks, so they could garner their votes - Editor Mohr). It gives the black a sense of
pleasure to believe that the White man is being pulled down to his level.

The goal of equality for all men is impossible to reach, for now, as in the past, men have been and
are perpetually unlike and unequal.

Here we see a basic cultural difference between the Black and the Caucasian and no form of
government, autocratic or democratic, has ever been able to provide equally for both races. There
has always been formidable destitution and poverty due to the natural evils which inflict the human
race - misfortune, vice, diseases, floods, droughts, storms, earthquakes, and disasters brought on by
ignorance. There is nothing "democratic" about a government forcing the fortunate, working man,
through taxation, to support and protect those who will do nothing to help themselves. It is
impossible to abolish poverty. Even Jesus Christ once said: (Matthew 26:11 - "For ye have the poor
always with you. . .

While much progress has been made in the last 150 years to contribute to the comfort and happiness
of mankind, the black takes a negative part in it, in that he desires to sit and claim a birthright share
in our progress, while doing very little to promote it.

The lack of the blacks ability to think for himself is shown in his demands for more leadership
under socialist goals, such as those which have been provided by the Kennedy family.

The Black is different from the Caucasian in that he has little need for privacy. The black men of the
world have become victims of a feeling of helplessness, because they are by nature, the son's of
Africa, whose sons have incapacitated them for centuries.

The black man sees and realizes that he should act as the Caucasian in order to be accepted and
successful, but he cannot. It is not in his nature. It is not part of his system of thinking and acting.
The more the white man attempts to help him, the more disturbed he becomes, due to the changes
that have been forced on him.

(When I was in Kenya, East Africa in 1958, I met an Englishman at the Norfolk Hotel in Nairobi.
During a lengthy and very interesting and informative conversation I asked him about the rather
childish way in which the British government handled the native blacks. I will never forget his
answer: "How can you take a man who was swinging in the trees fifty years ago and turn him into a
jet pilot overnight?" How indeed! It can't be done! At this time, in Ethiopia, where I was stationed,
Emperor Haile Selassie was trying to answer the demands from young Ethiopians who wanted a
college education. He built three modern, beautiful universities. One of them was in Asmara,
Eritrea, where I was stationed. Three years after it had been built, it was still not being used, because the young Ethiopian blacks did not want to be taught to be electrical, mining, and agricultural engineers, the thing their country desperately needed, they wanted to become "ministers of finance," and other high government jobs. When I left Eritrea in 1962, the Ethiopian government was hiring foreigners to handle the task, native blacks should have been doing, but couldn't. - Editor Mohr).

The black has often been forced into the position of accepting "pride destroying help," and the more disturbing this condition becomes, the more help he needs.

This has resulted in the shameful spectacle of millions of grown people, who without apparent shame, beg for sympathy in the name of Civil Rights. Being by nature, easily led, his emotional level is that of love, pleasure and grouping together with his own kind.

There is such a need for privacy in the Caucasian life, that it is impossible for the black with his African background and the liberalism of modern black life to escape the non-morally obligating liberalism of the black home and compare themselves to the Caucasians.

The hot suns of Africa for centuries did more than darken the skin of these people and put a kink in their hair, it effected their minds too. For centuries the non-productiveness of the native black has been natural.

The Black "wolf leader" preys on this situation. He attempts to identify all blacks, not as a "minority group," or a "lower class," but as "we the Black!" In his church and politics, the black leader blames adverse conditions on the opposition in order to protect themselves. He pictures his people as a helpless baby and all sorts of blames are hurled at the White man who is actually feeding him and keeping him alive.

The lowest type of black, the criminal element, is sympathized with by the decent black, who seldom condemns his moral violations as long as they are not against his people.

The Black leader will seldom condemn another Black leader in public, no matter how wrong he may be. (In this they are like the Jews. Many American Jews detest Zionism, but seldom will you find them condemning the excesses of the Zionists, especially among the Israeli - Editor Mohr).

A Black violates a law and is punished because he violates the White man's law, but the Black policeman or prosecutor who has him convicted, is accused by the Black community of being a "white man's nigger." (This same attitude can be seen in South Africa, where most of the violence by Blacks has been directed against the Black policeman, judges, and their families, because they carry out the law of the land, which is White man's law - Editor Mohr).

The Black's excessive interest in sex is one of the conditions which prohibits his social ventures with other races. (But more important than this, it is against the Natural Law of God, which was old when the Ten Commandments were written -Editor Mohr).

(This same attitude can be seen in South Africa, where most of the violence by Blacks has been directed against the Black policeman, judges, and their families, because they carry out the law of the land, which is White man's law - Editor Mohr).

The Black's excessive interest in sex is one of the conditions which prohibits his social ventures with other races. (But more important than this, it is against the Natural Law of God, which was old when the Ten Commandments were written -Editor Mohr).

The Black's excessive interest in sex is based on a inbred natural biological need, but even more than this, it is used to escape from the modern world's realities which he finds are too difficult and mentally demanding for him to accept.

Sex provides the black man in particular, with a glorious moment of satisfaction, a feeling of
equality. If his partner happens to be a White woman, so much the better, since at that moment, all inequalities disappear. Sex is used by many blacks, in the same way that they use drugs and alcohol.

The Welfare and Aid to the Needy Family Programs of the Government have added free money to the "sex ego prop" which frees the black man from the fear of having to support the child he sires. The government picks up the tab for his pleasure. All the man has to do is have as much fun as the opposite sex will provide. This government financed "sex insurance," is adding millions of illegitimate children to an already overburdened welfare cost.

When a black man becomes "Caucasianized," he has no interests in "fair housing," for he will build or buy his own house and support it. Fair Housing Programs spread slums across a decent city. Once a "slumster" moves into a decent housing area, no matter what his color (and unfortunately there are many "white trash" who fall into this same category - Editor Mohr), you can't get him out. He will run the decent folks out first. His children live in the streets, slumming their lives away in filth and dirt of many kinds. This child influence becomes like an epidemic in a decent neighborhood. It brings a high standard of living down into the dumps. To live around it, means an automatic slide down.

Standards of living can only be set by the individual, not the government. One man buys some property and takes pride in painting, repairing and beautifying it. This is his standard of living and he desires neighbors who think as he does.

But the slumsters standards are different and are associated with a bottle of wine. He doesn't care about garbage, because 'he is used to living with it.

He wouldn't bother with a garbage can if he owned one for he would rather dispose of it on his neighbor's lawn, or hear it smash in the gutter. He achieves nine things by doing this and associates his freedom with his right to discard his wine bottle where he wants:

1 - Throwing away the bottle gives him needed exercise.
2 - Throwing it on a neighbor's lawn shows your dislike for him.
3 - It saves a long, tiring walk to the garbage can.
4 - He can sit it on the curb to give the neighborhood kids something to play with.
5 - He can use it as a weapon if it becomes necessary.
6 - He can break it on the curb to show his dislike for the fellow who usually parks in that spot.
7 - He can break it in his neighbor's driveway for the same reason.
8 - It is a pressure release for him to break something, and;
9 - Buying a garbage can would use up his wine money.

So he subconsciously associates his other standards of life with his wine bottle. No police force is great enough to keep him from littering, or to force him to change his atrocious living standards, because he does not want to change. His emotions are fed on the lowest level and crave entertainment, not achievement.

The slumster always expresses his feelings of gratification through destructiveness. The government can put him in a new house, or apartment and he will destroy it in a month. (This is true, whether the "slumster" is "white" or "black," and unfortunately we have many "White" slumsters in America
The world has an image of success and this is a "White" image. The Black wants to have a part in this image, but he does not want to fit himself into this image. He wants the White man to do it for him. Neither the American Black, or the Black African have employed history, work, or production to better themselves. They desire an equal spot in the modern world without achieving it for themselves.

In our present day culture, the blacks are attempting to culturally rape the White Race, because the Constitution and its original Amendments, did not provide the necessary protection against this black attack. Organized labor has set the "rape pattern" by bowing before the "equal opportunity" laws which have been enacted by White liberals and which actually discriminate against Whites. The White man as a biological being is not the difference. He himself is the image of this difference and he rightly uses it as a measuring stick for success. The honors of wealth usually goes to those who produce. In this respect, the black has no one to blame but himself, for poverty and shame has always been the lot of those who refuse to produce.

Collections are taken from blacks at every Civil Rights meeting. This money for the most part goes into the pockets of the "wolf leaders," White and Black alike, who are attempting to cause racial conflict.

Blacks need black leadership, not that of Liberal White, but it needs leadership which seeks to elevate the black, rather than pull the white down.

The slave who has been turned free is confused and follows his religious leaders who have led him all his life. At one time, these leaders attempted to prepare him for heaven, but now, the preacher often has changed his route and is leading his people into what he hopes will be control of politics. (This can be easily seen when you study the life of men such as Jesse Jackson, Ralph Abernathy, etc., Editor Mohr).

This sounds practical to most Blacks, for if the preacher can lead them to a far off place called "heaven," then surely he can lead them to control over an earthly government. (This of course, was the purpose of Martin Luther king, Jr. - Editor Mohr).

Equal Rights, Equality, Civil Rights, and Education have become "buzz" words that the average black uses without really understanding their meaning. He does not understand what is good for the country, and for the most part is not interested in it. In many instances, he is not interested in the overall good of his own people, but concentrates instead of what he as an individual can get out of the system. (Also a failing of many Whites - Editor Mohr).

You might ask black leaders: "Why don't you teach your people?" and you would find that most of them do not want their people to know the truth. (This seems to be a failing among most liberal leaders, black or white - Editor Mohr).

The black leader, like his white counterpart, wants money and prestige, so he sells his people, unconditionally EQUAL RIGHTS: EQUALITY; CIVIC RIGHTS; and, EDUCATION! as the panacea for all his problems.

This brings us up against the problem of EDUCATION. What is EDUCATION? The dictionary will tell us that "education" is the imparting of knowledge." The teacher should be the active agent who stores in the pupils minds, the things they will need to know to be successful in life.

There is no place in this process for excuses, or blames. We MUST seek results. We cannot fit the civilized world into an uncivilized culture. To attempt to do this means we lose all perspective.

Every community, no matter how rude, MUST develop certain habits of decency and discipline to make it a safe place to live, both internally and externally. It must afford protection for the weak against the depredations of the strong. These requirements of decency, also require standards of cleanliness of both the body and the mind. If unsanitary conditions exist, you can expect disease to
flourish. If low morals exist, you can expect crime to flourish.

But to the uneducated, both black and white who want these privileges on a political and social scale, they often seek them for personal reasons, and not to better their knowledge. (Hosea was right when he said (4:61 "My people are destroyed for lack of KNOWLEDGE." Notice he did not say "lack of education," but "lack of knowledge". There is a great deal of difference between the two. Our world is full of educated idiots, so that education in itself, cannot be a "means to the end." - Editor Mohr)

The uneducated in society want the things which come from a mind which has been disciplined by education, without having to go through the agony of becoming educated.

Today in America, "prudence" has been destroyed. This is the ability, or capability of exercising sound judgment in matters pertaining to living. "Prudence" is needed so that the labors of the present can serve the needs of the future.

It is lack of "prudence" on the part of our politicians, which has caused them to give our enemies the tools of war which may be used against us in the future, for immediate profit.

The American politician is today using the power developed by hard work and investment, and is taking it through the black vote. The "land of the free, and the home of the brave," has become the "home of the confused," as our citizens, black and white alike, have become "political prisoners. This has been caused by the lack of "political prudence," so that our American Foreign Policy and diplomacy has become one without wisdom.

Order, cleanliness, and prudence are the fundamental things which distinguish civilization from barbarianism. If a people is to enjoy civil liberty, they must first develop habits of self-control among the great body of its members and habits of leadership among a considerable number of them.

The only security a neighborhood has against the misuse of self-control or leadership, lies in the vision and intelligence of its people.

The English people, and the American Southern White were experienced in using the cultural sanction which was necessary among a diverse people. The Northern Whites were ignorant in this field of collective social psychology. Their first great mistake was the Civil War, which was not fought out of a great love for the Black race. After this war, the freed black, through ignorance, inertia, and the freedom he had obtained, was set back for a century in his search for productivity. Today, we find many of him on welfare as free men, rather then the producer he could have become and which he was as a slave. This has made him unhappy and restless.

A people MUST have a vision of what the country needs. This does not include migrants and "free loaders", who are interested only in what they can get for their own well being. To the habit of VISION, I give the word IMAGINATION. To the habit of INTELLIGENCE, the name THINKING.

These were habits the white race learned gradually and painfully over the years in order to be successful. These are habits the blacks MUST learn, if they are to be successful in the modern world.

White culture tolerated a limited number of FREELOADERS, because they were culturally peaceful and confined their socioeconomic interests within the bounds of their respective classes. But the black represents a special and severe problem in that he recognizes no socioeconomic or class system, by which his problem can be understood by the Caucasian.

The lower black yearns for a social position enjoyed by the upper class blacks and whites who have to struggle for it. Often you will find that blacks who have risen to this "upper class" status, will support the lower class, ignorant blacks in his public demands for equality without working for it.
To teach habits of prudence we must have "private property; private interest;" and SEGREGATION as a guard to this privacy, and the rights of privacy through law.

All Americans MUST have equal protection under the law. But the black does not seek privacy; he seeks "equality - NOW!" The ignorant mind screams WHOLE NIGGER OR NONE!

The easily lead, "lower class" black understands only what his "wolf leaders" want him to understand. If you want to change his understanding, you must first change his leadership.

For teaching habits of VISION, we have the home, school and church; then the press. In most schools, the teachers teach Caucasian thinking. The black teacher teaches Caucasian technical thinking, while often promoting black regulatory thinking. This is because the white way of thinking is foreign to them.

A little investigation will prove that good schools are predominately attended by students from the same culture.

It is very difficult for a black teacher to teach a white child, Caucasian principles. It throws the entire education system out of gear, whether this occurs in the school or church, and when it fails to inspire the students to think for themselves.

Nine people out of ten believe the way to train a child is to impart as much knowledge to him as possible. They often fail to distinguish between possession of information and the ability to use it. No sensible man believes you can train a boy to ride a horse by giving him as many horses as he wants; or that if he had a horse, he would automatically gain the ability to ride. This does not come naturally. He must be willing to take his spills and bumps, in order to learn how to ride.

During the early days of our country, schools taught only a few subjects: the three "R's" - 'Readin, writin', and arithmetic." Some teachers who were capable, added a little grammar, geography and history. But to the modern critic, this curriculum seems poor and bare. Yet with all its poverty and barreness, our grandfathers had two great advantages. In the first place, the child was taught the habit of "hard work." (The Biblical principle of: "He that will not work, shall not eat," - Editor Mohr).

Whether they were writing English, or translating Greek; or solving problems in mathematics, students worked hard with little help from the teacher, and certainly no such modern conveniences as calculators. (In this school of "hardship," sometimes called the "University of Hard knocks," our forefathers formed the habits which enabled them to perform difficult tasks - Editor Mohr).

The white men who formed the nucleus of our early American education, regarded high school and college as the beginning of their education, not the end of it.

For a child who wanted to read, working under a teacher who knew how to read as well as punish, the old education system was the one which made America great. (This was the system which produced STATESMEN, rather than POLITICIANS - Editor Mohr).

A similar system MUST be followed by the black, if he ever expects to reach "equality status."

One of the most pressing problems with blacks is that they want more out of life than they are willing to put into it. You will often find them demanding shorter hours, with less work.

The type of education we had in the eighteenth and nineteenth century taught boys and girls what intelligent work was all about. The type of education which has been developed in the last part of the Nineteenth and the Twentieth Century furnished subjects of human interest in great abundance, but gave its pupils little ideas concerning the hard effort and self-control which was necessary to be a success. Society is not interested in what you know, be you black or white, but in what you do with this knowledge. Society wants verification of information; it wants to see what bearing it will have on the conduct of the individual.

This thinking may cause criticism from the Northern White, who wants to force his Caucasian
education on the black, while the black is interested only in what place he can obtain in the economy.

Higher education at public expense should be regarded as a privilege to be earned, not as a right to be abused!

**WHAT IS A NEGRO?**

What are his cultural identifications? When in Africa, the black was a savage, the ideal species for slavery. There are many tribes in Africa, just as there are many tribes of Indians. The American Black slave came from certain tribes. Many of whom would not bow to slavery. As a slave he was easy to lead. He had little or no confidence in his ability to think or act for himself. He did what he was told, whether by his black leaders, or the slave owner. His abilities were as they are today, not towards leadership, but in the ability to talk entertainingly.

During the period of American slavery, African natives, who were chosen by the slave marketers for their docile nature, were lifted culturally out of savagery into slavery. They developed a two class slave system. The domestic slave and the field slave.

It was during this period that "racial integration" had its start in America, and it was here, that overly sympathetic Northerners became America's number one trouble makers in the field of racial relations.

It was when the black found that he could turn the Northern White against the Southern White, that racial trouble began, which culminated in the Civil War.

Today, the modern black is the product of this system, and is a modern slave who is often less equal today than he was during the years of actual slavery.

This should be clarified by stating that during this period, the black slave was a producer. His white owner or overseer was not a producer. When the end of the Civil War brought an end to slavery, it brought freedom for the black without production. The white man in the south, became the producer and the black found himself falling farther and farther behind.

During the slave period there was no need for government welfare; no aid to needy children; no public housing, since it was to the benefit of the slave owner to provide these services for his slaves. He often became a sort of "father figure" to them and many Black families took the owner's name as their own.

Today, social laws are the black's way of life. If you don't believe this read the political platform of every aspirant to public office.

Today the modern black is a modern slave, looking to the white man to give him a job; support him with tax money; give him a place to live; and "food stamps" to live on. He would be satisfied in being a slave if it were not for the greed of his own wolf leaders," who have manipulated him for their own benefit.

The American black now demands "equality," while at the same time he demands the right to be different. A people cannot be equal and different at the same time. The black wants his difference with the white man excused. This includes the lack of effort on his part and the black leaders capitalize on this. He wants security, without risk; he is confused and is in need of a strong and powerful father whom he can trust and who will shield him from the pressures generated by the American way of life. He cannot find this father in his own leaders, nor in the liberal white who wants to control him for his vote.

I must make this clear here. I am speaking about the majority of blacks, who have never given up their NIGGERISM! These have little respect for their neighbors; spies on them; speaks loudly when
in public so as to call attention to himself; overuses the public sidewalks and public conveyances; dresses differently; allows his children to trespass and has little respect for the moral principles of others. This is why he is so often at odds with his white neighbors, and why white's dislike living near a black neighborhood.

Like it or not, nature set the pattern for black thinking and action in the heat of Africa over thousands of years, until he was suddenly brought to America and thrust into a white man's civilization. He has never completely adapted to it.

The black leaders finds himself in an enviable position, since he is in one of the most lucrative businesses in the world, with little or no investment. He has nothing to lose and 100% profit. This leadership has invaded every black home, church and fraternal organization and has caused the black people untold suffering.

The black leader sets about developing a set of wants in his followers and develops an emotional display which causes the white man to feel a sense of guilt and a desire to help the black. As long as the blacks can organize as a voting bloc and vote, black leaders will be influenced by black desires. This leadership plays up to the white liberals telling them: "Give the black what he wants and there will be no trouble; beside that, you will have our votes."

One of the basic causes of the present cultural conflict has come about as the black was given political freedom, which he interprets and uses to direct his social and economic life. It is like bringing a big "outside dog" into the living room. He will tear up the divan cushions to make himself comfortable. You paid for the furniture, but by letting him in, you made him feel equal and he will act like a dog and nothing else. The fault is not his, but yours! The black is a black and will always be a black, but when he tries to act like a white man, he tears down the very thing he desires most, equality with the white, and his "wolf leaders" whether black or white, lead him in his destruction.

In America, in order to properly adjust to society, one must know and understand the English language. Words transmit thoughts and emotional feelings; language is a method of behavior; language is a response to external situations, controlled by inner thought. (This is what Solomon meant when He said: "As a man thinketh in his heart, so is he," [Prov. 23:7] - Editor Mohr.)

Black thinking will remain immature until he learns to properly use the English language. The black leader uses language to control his people. He tells them "You have invested your lives in the AMERICAN Economic System, now it owes you a living!" "You have more invested in the system than you are getting out of it." He fails to tell them that SEGREGATION PRIVACY and PRODUCTION are good! Instead, he tells his constituents to vote, protest, parade and organize for equal and civil rights.

The Black leader stresses Black Rights, not Black obligations, to be producers, instead of drones! Instead of making some effort to establish a program to guide him in his personal and racial achievements, he directs his energies into religious and political channels which demand that the white man accept him as he is and assures him of his equalness.

These efforts are confusing to the black, since he insists on conducting himself according to his Negroism. The white man is then asked to do the impossible, which is to accept someone who is culturally different from him as an equal, when they insist on remaining culturally different.

This is the type of logic our American bureaucrats have developed. There are many good Americans with white skin who have moved in the direction of false emotional winds, due to their lack of factual anchorage. These are controlled by their emotions rather than facts. (This is especially apparent when looking at crime and prison statistics, which show that American blacks, with less than 25% of the population, make up 75% of the prison population. Immediately the white, uninformed liberal and the "wolf leaders" of the blacks begin to scream: "Racial discrimination and environment is to blame." No facts will change their emotional fervor, even when it is proven that
blacks prey on their own people more than on whites - Editor Mohr.)

The Civil Rights Movement in America is like a circus or zoo, which tries to put horses, lions, snakes, monkeys and tigers into one cage and then wonders when there is trouble. It just won't work, because they are different.

The American blacks, collectively, make little effort to fit themselves into a predominately white society, which has been relatively successful. Instead, they want to be accepted as they are. When they are encouraged by white leaders to try and better themselves, they answer with hate, insults and excuses.

A good example took place in Oakland, California in October 1963, when the Oakland mayor asked the blacks in West Oakland to join in a "Clean the City Project," in order to better their living conditions and that of their children. The local N.A.A.C.P. rejected this suggestion as insulting and today, West Oakland is the slum district of that city, where neither blacks or whites are safe on the streets after dark.

Under the old pre-Civil War standards of the South, blacks lived in black districts, as they wanted to live. If they wanted to live as animals, that was their prerogative. If they didn't want to use garbage cans, they threw the garbage out the back door, or on the streets.

White people lived in white districts and their mores caused them to keep their areas clean. If a sloppy white lived in the area and would not take care of his property, "peer pressure" would often force him to do so.

Chinese lived in Chinese areas and kept their areas clean. Cultural democracy has always been protected by cultural segregation. America is a land where all may segregate if they will and if the blacks are ever to become equal, he must learn to segregate.

Today, West Oakland, California is the "cesspool" of the West Coast and slumsters are encouraged to vote to force non-slum people into accepting them as they are.

They do not seek the privacy white's desire and they hate segregation because it prohibits them from invading the privacy of the white's. The slumsters want a better life, they say, but they want the white man to make it for them!

The black dislikes those who seek privacy, since it hinders him from employing his psychological weapon of privacy invasion. When a black develops methods to protect his personal privacy, he gets "out of step" with the black community and is labeled an "Uncle Tom," or a "White man's nigger." He has become an "oddball" in the black community.

The black views productiveness as a part of raw nature that he can exploit like picking coconuts off the ground. All he had to do was pick them up, and wait for the monkeys to throw more down. The coconut tree must not be fenced in, even though it was on private property, and someone was paying taxes on it, since all were allowed to partake of its fruit. Parking places and non-parking places alike, should be used whenever you take a liking to it. (Note the parking lot of some big supermarket on a busy day and see how many of the illegally parked cars belong to blacks. Notice how many will park in places reserved for crippled persons, and they will get terribly upset if you call their attention to this, for they honestly believe there are no parking rules that apply to them - Editor Mohr).

The blacks yearns for material things and like a baby he cries aloud when he can't get what he wants. His urge for ego gratification has been freed from all repression by the white liberal who tells him that he is free and equal and that all he needs to do to prove this, is to vote the straight Democratic ticket.

You can see this ego at work in a black who put his entire family in hock, so that he can buy a Cadillac and make payments on it. He will buy enough gasoline to drive fifteen or twenty miles and while his children live on the streets, he will park his Cadillac where people can see it, and will sit
in it while he drinks cheap wine and then throws the empty where it shatters in the gutter.

(When I was stationed in the Army at Fort Richardson, Alaska in 1964, I roomed next door to a
black sergeant. He owned a beautiful new Chrysler Imperial, along with four other blacks. They got
to drive it a week at a time, every five weeks. My neighbor spent so much on his share on the
payment, he could not afford to drive very much and would spend his weekends, polishing his
beautiful car until it shown like a jewel. That seemed to satisfy his ego - Editor Mohr).

Civil rights do not make a man equal, and unequal people can't enjoy "equal rights." It's like giving
a man an airplane, when he has no idea how to fly it. The black asks for rights he already has, but
doesn't know how to use. So he continues to ask for more rights and throws more money in the
collection plate, of the "wolf leader" who promises to get these rights for him.

The poor black wants legal protection in exercising his rights. He does not care what form of
government he lives under, as long as he achieves his perceived equality. It can be socialism, a
democracy, a Republic, communism, or liberalism. It is all one to him. He has no investment of any
kind in his government and has nothing to lose when a government changes its form. He wants
things; privileges and above all the feeling of "social equality."

Due to the black's non-productive cultural trend, he cannot make long range competitive economic
plans, for he realizes that he will never become equal to the white man on an economic basis.

The social equality the black demands is extremely favorable to the liberal politician in that it gives
him supreme power, and a lever to fit the black into his socialistic system.

Segregation against any people are politically, economically, and socially offensive, it is consistent
with moral law and is in accord with the God-given, fundamental right of self-defense.

This is a right which has been developed and survived through centuries and was a "natural God
given law," old when the Ten Commandments were given at Sinai. But the black completely and
belligerently ignores the right of the Caucasian to this self-defense. With excuses, blames and
demands for rights, he leads over-sympathetic white liberals into a state of permanent socialism.
The word "brotherhood," is used to "sugar coat" this offensive trend.

American politics has conditioned people of the lower classes (we sometimes call them the
disadvantaged - Editor Mohr) with the idea that every American, regardless of his status in life, his
ability, or his willingness to produce, has an equal right with those who produce. This simply is not
true!

The black feels that it is his inherent right to eyeball White women; live on welfare, which comes
out of someone else's pocket; have an excess number of children, that someone else will take care
of; go to places where he is not welcome; live permanently in housing that is paid for by the
taxpayer; be on permanent charity; ask for special privileges; and be different from the norm;
demand privileges without obligations; vote to "share the wealth" with those who work to produce
it; destroy residential beauty through his slumster tactics; park wherever he pleases; permit his
children to run wild on the streets and trespass on private property and discard garbage wherever it
is convenient; he fails to reveal to himself his misconceptions, his doubts, his limitations and his
fears.

Black leaders are fearful of the "peaceful dream-minded-ness" that is the inherited characteristic of
the Black. Should Black leaders advise their flocks in peaceful ways, would mean that the
aggressive leader had outlived his usefulness as a political leader.

The causes and processes which cause black hysteria are not understood by most Whites who have
never observed the "neurological" black that exists under that dark skin and kinky hair.

Very few blacks themselves are aware of the causative processes which cause the maladies from
which he suffers.

The symptoms first appeared on the American scene, when word went out: "You are free! Now you
can do as you wish!"

Today the Black is technically "free", yet millions of them, into the third and fourth generation are living on "Aid to Needy Children," welfare, and other types of social programs. Today, the average Black says: "Work is for fools!" and as lazy as many are, they are still allowed the privilege to vote and have equal rights with productive members of society.

White men would never have remained slaves to either blacks or whites, since most of them would rather die than be slaves! But not the Negro. Today, if slavery were instituted again, the black man would make an excellent and faithful slave, faithful until the death of his master. There would be few exceptions.

What causes this difference?

For centuries, the heritage of the black man in Africa did not allow him to asset himself. Centuries of extreme heat cooked his brain to the point where it retarded his progressive energies.

The constant expansion of black wants and desires beyond the range of the rewards he earns, is the basic cause of the hysteria he shows and this is constantly being preyed on by his ruthless leadership.

A good doctor would not try and cure a case of small pox by applying salve to the sores caused by the disease. The sores are signs of the real problem which is buried deep beneath the visible skin.

When the internal problem is cured, the external sores disappear. (Jesus Christ, speaking in Matt. 12:35 said: "A good man out of the good treasure of the heart bringeth forth good things: and an evil man, out of the evil treasure bringeth forth evil things." In another place it says: "As a man thinketh in his heart, so is he." Editor Mohr).

There is a cause why the black as a unified group of people lacks uniformity of behavior when compared with the white. But the white man did not cause this difference.

The black wants the white man to take the medicine which is supposed to cure the black's illness. The white is immune to this black disease, so the blacks become sicker and sicker.

The more the white man helps the black, without allowing him to help himself, the more unequal and hysterical the black will become.

The slogans: "March in the name of Civil Rights and God's Justice," are a hangover from African primitiveness.

The hysteria I am speaking of has its roots in mental diseases and not in organic breakdowns. The black is an easily led stock of human being and is a ready victim of HYPER-SUGGESTIBILITY!

All conflicts and rebellions have a cause, but the welfare of the black people is not the correct answer here. That is a "black political answer." A surprisingly large number of black people have not developed themselves mentally to the degree where they can escape the primitive influence of black or white leadership mental disorders which show hysterical features.

Hysterical people are not interested in the welfare of the country at large, but only in their own personal demands and dreams. One of the greatest sins I can think of is to become so involved in what someone else is saying, that you can't think for yourself.

While we have laws which prohibit a leader from striking someone in the head with an axe, or an ice pick, we have no laws which keep them from injecting harmful ideas into people's brains.

Blacks must learn to think for themselves if they are ever to escape the influence of unscrupulous leaders. As a result, the black often lives in a self imposed hell.

As a individual matures, he becomes equipped with a number of patterns of thought and action which are judged normal, proper and good, by his peers, and others in his social classification.

One's mood, temperament and disposition, is part of his fundamental pattern of emotional response.
These accepted patterns are related first to the community as a whole, then to sub-groups, and finally to those of his own personal group.

Due to individual variations, society does not demand absolute conformity to the norms, but overt conformation to the general pattern of decency.

When a large number of differences appear, especially when they are pronounced or violent in nature and are considered to be detrimental to society at large, then this can be considered as being abnormal.

It is difficult for the black to escape these cultural obligations and fit himself into the strange culture of the white man which often seems severe to him. Some have done it but very few blacks qualify to fit into the white man's world.

At this point, the "class crowd," or "gang" appears in an effort to protect and further their social aims.

This "class crowd," or "gang," is usually a threat to law and order, since it is an infringement on the rights of others and attempts to set itself up as the ruling authority.

The exact conditions in which the black man finds himself in these closing days of the Twentieth Century, the social changes, having his "equality" drummed into his consciousness and his right to equal vote - has produced sudden changes in blacks as individuals. The "gang" promises them satisfaction of their repressed desires.

The black says he wants "fair housing." This usually means he wants the white man to provide housing for him. During the days of slavery, this is what the white man did for his slaves.

Then came the Civil War, and suddenly the black found that the white man was building houses on one side of the railroad tracks for whites only. They sold their old, dilapidated, worn out houses to their ex-slaves, on the "other side of the tracks." These freed slaves never thought to build houses for themselves, so they went north, where a company, or the government provided them with houses which usually had been abandoned by the whites.

But since the black is now free and equal, he demands the houses he wants, in the area he wants, under the conditions he wants. In other words, he wants everything to accommodate his desires without doing anything to bring it about.

When he doesn't get what he wants, he always has words to excuse his position, he can always blame the white man and is usually backed in his stand by his "gang."

The leader who forms these gangs understands the attitude of those he intends to lead. He gets them seated and listening, in the same manner their preachers do in church, then begins to work them into a frenzy.

The success of this "crowd action," will depend on the eloquence of the leader and his ability to control their actions. In the case of mobs, polarization is simple for a religious leader, because the people who listen to him, are usually already under his influence. This was the power exerted by Martin Luther King, Jr. a man whose life left much to be desired. But he was a preacher, and an eloquent speaker, who could move crowds emotionally to do anything he desired - (Editor Mohr).

A good speaker will use outside disturbances, such as a police or fire siren, or someone in the audience who may be coughing and will weave it into his speech as added stimuli. A good speaker has a store of these devices on hand. When he does not desire a high degree of attention, say when the collection is being taken up, he becomes a "master begger" who is in charge of the service and will divert the audience with marching music performed by the choir or organist. These devices can be used to bring about conflict and suspense. Human interest, action, humor and novelty can all be used successfully, as the "crowd" loves them. Thus "gangs" are lead in a pattern chosen by the leader, so as to solve his problems.
Organized labor does essentially the same thing, as does Civil Rights, and Equal Opportunity adherents.

Welfare solves the problems of those who do not want to work. It sets the economic standards for those who would rather be idle, than be productive, while working for a "minimum wage."

Aid to Needy Children and Food Stamps leads in terms of solving these problems which are often caused by sexual activity and which compensate the woman who is sexually reckless. These are paid more for the birth of each child and child bearing, most often outside marriage, becomes a business in the black community.

Many of the girls who were reared on Aid to Needy Children funds, start having children of their own, some at a very early age, so that the free money never stops coming in. Many of these people have never worked and know little or anything about work principles. They will lie, cheat, steal, rob and spend their time in idleness, but they will not work. The welfare worker tells them what goodies are available, and how they can get extra money from the "honkeys" that pay the bills.

Strangely enough, these welfare workers are usually white liberals, often blacks now, and these become legal advisors to the "drones" who seek to squeeze very penny possible from the long suffering tax-paying worker. They get paid for supervising the distribution of "free money.

The door to the liberal politician is always open to the black gang leader, for this is where the votes lie, which keep these "blood sucking" politicians in office. Because they have always been the "liberal" party, you will find most blacks are Democrats.

The free handling of money always leads to corruption. It can be no other way, as long a human nature remains as it is. (It has been said that the reason "democracies" fail, is that the citizen realizes he can vote largess to himself from the general funds - Editor Mohr).

"Share the economy," is part of the black way of life, since he has lived for centuries in Africa on these same principles and it is taught in most Negro homes. He sees welfare handouts as a sort of "foreign aid," to which he is entitled. It becomes not a privilege, but a "right" to him.

The shocking privilege of the right to vote gives strength to the black "gang" crowd and they spend endless hours on political schemes to get more from the white man's society, while refusing to produce anything themselves.

The more overcrowded a field of endeavor becomes, the more corrupt it usually gets. It is like a mechanic who charges $200 for a repair job when the only trouble is a loose bolt. The mechanic excuses his overcharge, by telling himself that if the bolt had not been tightened, it might have caused damage worth $500. Thus he justifies himself in a criminal activity.

Why is it that so few black contractors build houses for blacks? It's because this business will never bring him in a lot of money. The politician refuses to push it, because it won't bring him votes. So the politician takes the easy way out and goes along with the desire of the black "gang". This is what we find in the Welfare Program of America, where those on welfare are actually stealing from the productive tax payer and are sheltered by labor as a whole. We have people who live off "tax free money," while they protest against those they rob.

The same is true of the Civil Rights Groups. With the upsurge of immigration to the United States, has come a confusing set of strange and confusing political and social conditions. As the southern black has migrated north and west, they have added to the already insurmountable problem of welfare caused by the hordes who have come from Mexico and South East Asia, often illegally.

Now we have the problem of racial integration on a class basis, and residential integration on a class basis. We find the school system unbalanced on a socioeconomic basis and every citizen segregated on a defacto basis.
When the black arrives in large numbers, he does not build houses for his people, he wants the white man to wear out houses and then moves in where the white's refuse to live.

As the blacks arrive faster than the white's move out, problems erupt. So both the liberal white real estate agents and the black agents seek black housing in white neighborhoods, knowing this will cause trouble between the races, but not caring as long as they can make money and be protected by the government.

The houses that the upper class whites sell, often house three or four black families. While the black complains that he cannot understand this kind of segregation, the words "segregation," and "discrimination," are actually white northern liberal terms.

The black respects no way of life other than his own. He has few cultural exchanges to make with other ways of life. To seek rewards for trying, is foreign to him. In order for him to reach total equality with the white, his whole philosophy of life must be totally un-learned, and he must go back to cultural zero and be given a completely new start under Caucasian control and guidance. He must be willing to develop Caucasian thoughts and his obsessions in life must be productive, rather than to be a drone.

The real causes of frustrations in the black youth come from eight major sources, I believe:

1) A home environment which actually teaches him not to work.

2) Wanting things and privileges which can only come through work.

3) Not knowing, or being told how others MUST work to obtain things.

4) Being constantly told that they are disadvantaged because of their education.

5) Having to divide the rewards of their work, with family members who refuse to work.

6) Threats of expulsion from the black society they refuse to adapt to.

7) Knowing the white system is different from his, and;

8) Being told "You can't do it because you're black," when he should be told: "You can if you are willing to apply yourself."

The word WELFARE must be eliminated from black society because it is killing all black desire for productive action.

The long legs of experience, intelligence, and productivity has made the white man the "king of the forest." It has given him speed and power. Yet the average black still clings to his Negroism, and remains a low-brow, unlearned being, hid by the tall grass of his nature.

He wants to be left alone to live as he wishes; he has little desire to raise his standards, in fact, he sets his own standards and loves them. He refuses to be caught up by the vigor of those around him who are producers.

He has lived for centuries in an awesome surrounding, without being effected by the grandeur of it. The more he learns about life, the more dissatisfied he becomes. In his case, "ignorance is indeed bliss," and the ignorant can relax and rest in poverty and slums, while the intelligent refuse to do this.
The delinquent youth of the black race have been aided in their delinquency, as they have discovered a weak spot in the nature of those who produce and who call themselves "intellectuals." This is SYMPATHY and FEELINGS OF GUILT for having more than the "poor disadvantaged blacks."

These are heady tools for the delinquents, whether at home, in school, or in the world at large. In the home it is usually the mother who is the "share-in-the-wealth" personality the teenagers can influence. In the nation, it is the church and underdog organizations such as the NAACP, Labor Unions and racial organizations. These all appeal to delinquent youth as means to get what they want, without much effort.

On a world-wide basis, they see the United Nations and the liberal politicians who are willing to share America's wealth with the under privileged Third World nations, who more often than not, refuse to help themselves. The delinquent has a tendency to "plead like a child," while he wants to be treated as a grown man, and once he gets what he wants, he takes what he believes is a manly attitude and uses "demands and legal threats" to get what he wants.

The Black teenager has found that by making a great deal of noise, he can influence others to his way of thinking. He is always trying to attract attention, both by what he says, the way he dresses and through his actions. It is as though he was thinking: "See, they are looking at me!" Often a doting father or mother will give in to their desires rather than cause trouble in the family. These immature parents have not yet learned the important lesson, that giving in to delinquents is dangerous both to them and to the family and is a means of resigning responsibility.

One should realize that the delinquent has nothing to lose, since he had nothing to invest. Only his life is at stake and few Black parents are severe in disciplining their children.

In Germany, the Jews made the same mistake being made by black delinquents today when they demanded rights from Germany society at a time when family unity was a necessity. Many paid for this with their lives, in the holocaust that followed. Germany lost that war and has been declared wrong by the world at large. If she had won, she would have been recognized as "right." This double standard can be seen, in that Germany was condemned for her bombing of London, while in the eyes of most of the world, the elimination of Dresden by Allied bombers was considered proper, although thousands more civilians lost their lives at Dresden, than in London.

One of the collective demands of blacks for jobs can be seen when a better qualified white man is forced by black pressure on the government, to give up his job for a black who is unqualified to fill it. The black does not want to start at the bottom and work his way up. He wants to start with a top salary in government, a job that pays the most, with the least effort involved.

(When I was in Ethiopia in 1960, Emperor Haile Sellassie, in answer to demands of Ethiopian youth for good education, built several modern universities. One was in Asmara, Eritrea, where I was stationed. When I left Eritrea two years later, these modern schools were still unused. The Ethiopian youth did not want to study to become electrical and agricultural engineers, or mining experts, something the country desperately needed. Instead, they wanted some high paying job such as Minister of Finance in the government, where they could make a killing on the "pay-offs." As a result, Ethiopia had to hire white foreigners to run the machinery of the government - Editor Mohr).

If you tell a black youth that the rights he demands are harmful to this country, he will label you as a "Nigger hater!"

At the beginning of World War II, F.D.R. told the American people that by fighting Hitler, we were fighting such things as "rent control," "price control," in fact the controls which Hitler had instituted in Germany which was bringing that country back to greatness. What F.D.R. did not tell us was that the system of government controls he was instituting under the New Deal, was worse than anything
Hitler ever tried in Germany.
While the "great white fathers" of liberalism desire the black youth to be a success in the operation of businesses and will often offer money to help him establish one, the black delinquent completely ignores this, since he is not interested in helping himself, but wants someone else to do the work for him.

When the liberal politicians want the black boy to be interested in the industrial life of the nation, the black delinquent ignores them. He's just not interested! When the "great white liberal fathers" want the black youth to show interest in his economic welfare, he is ignored, or scoffed at. The average black youth is interested in one thing and one thing only and that is for his rights, without any obligations to society.

There is no place in an industrial nation for youth whose only interest is in personal rights without personal obligation. The lack of black progress in the last century, around the world, not just in America, is seen in every area where one sees this lack of intellectual ability and interest. One of the major sins involved, I believe, is that the liberal whites insists that the black people develop wants, for which they will not work.

A few blacks have been intelligent enough to make adjustments with the white man's way of life and have become successful. But the majority just do not want to adjust.

When a war ends, our enemies become our friends, because they have something worthwhile to offer our society and it will only be when the black realizes this and reaches this standard, that he will be accepted.

When the Irish first arrived in New York, they were contemptuously called "white niggers." But this stopped when they showed their intelligence by taking over a few banks and industries. The black will only be accepted on the world scene, when he becomes capable of doing the same thing.

**SEGREGATION**

What is it? It is a psychological system of evading others. Is it good? Whether you like it or not, it is essential to privacy, and privacy is a guard of completion. Is it bad? It is disliked by those who like to invade the privacy of others, because privacy is of no value to a socialistic minded person.

Privacy is of no value to those who experience no economic competition; to people with weak wills; to the lazy, who are dependent on others; to politicians who profit from the destruction of personal privacy.

The Democrats have seen the political power which enabled them to stay in office for a long time, by encouraging the uneducated and ignorant, and lazy, to vote for them.

Without segregation, and privacy, competitive America will become a handicapped nation. Our industrial legs will be weakened until we can no longer walk straight and proud as we used to walk. We will become an industrial invalid, pushing ourselves around in a socialism wheelchair.

Segregation is the foundation of a successful industrial economy and the "whole nigger or none" philosophy being seen in the modern black man will destroy it all.

As students from Africa migrate to the West, they find themselves misfits in this productive culture, and their attitudes are insulting to the people of the industrial lands in which they expect to live. (A good example of this took place in the early 1970's when I was lecturing on colonization at the University of Wisconsin, I mentioned the fact that in 1960, when I visited Angola, many black leaders did not want the Portuguese to leave. They knew that when this happened, inter-tribal warfare would break out, as it had in other liberated black countries, with the larger, stronger tribes, destroying the weaker. In the back of the classroom, a black woman student was frantically waving...
her hand for attention. When I recognized her she said: "We have a black student here from Africa, who can counter your argument."

A young black man rose, and in fairly good English went into a bitter tirade against America; how we mistreated blacks and how we must change to accommodate them. He said: "the thinking of black Africans has changed since you were in Angola, now they want 'uhuru', which is the Swhili word for 'FREEDOM.'" When I asked where he was from, he said: "West Sierra Leon," which is a little country on the Gold Coast of West Africa, several thousand miles north and west of Angola. I asked him if he had ever been in Angola and he said: "NO!" "Had he ever spoken to an Angolese?" and again his answer was "NO!" "Then how do you know what the Angolese people want?" He became highly indignant and said: "Well I read the newspapers and watch television." This would be like a man who lives in Florida, who considers himself an expert on Alaska, although he has never been there and knows no one from that place. When I asked this black student why he had come to such a repressive country as the United States, he replied: "to get the best possible education!" When I said: "Do you mean a country as bad as you say the United States is, would allow a young man from Africa to come here and be educated? It must be costing you a fortune?" To which he replied: "The Lutheran church is paying my bill." Get the connection? Here was a young man from a minority group, who was "sucking up" on the goodies of our white culture while he was running us down. Seems to me the Lutherans got a bad bargain in this fellow - Editor Mohr).

There is a reason why blacks act this way:

1) They have been led to believe that things, such as the privilege of an education, is a "right" which they receive "free of charge."

2) Coming from a heathen culture they often act strangely, much different from the Caucasian culture they have entered.

3) They look and dress differently, often with the idea of calling attention to themselves. (Observe the difference between black and white players in a football game, when they make a touchdown - Editor Mohr).

4) These same blacks who come to America for an education belong to the African culture which wants white influence out of Africa.

5) They want to be accepted everywhere in this country, regardless of their skin color, or their boorish actions, without any form of segregation. If they want to throw garbage on your lawn, or defecate on it, that is their right, or so they seem to believe.

6) They bring twisted attitudes in morals, religion and economics, which cripples decent race relations.

(The illustration I gave of the African student at the University of Wisconsin, is a good example of Black Africa at work. They come to America, seeking the "goodies" we offer. They want to go where they please; act as they please and to "hell" with the host country. This is "niggerism" at its worst - Editor Mohr).

So now we see blacks trying to change the while culture pattern. We see this in African music, which has about taken over the world of youth music; in hair-dos, in clothing style. Rather than adopt the white man's patterns which have been successful, they still cling to the things which have held them down for centuries.

People always work harder when they enjoy their work, yet black leaders have handicapped their people by teaching them that work is onerous and degrading. This is the sermon text around which black leaders wind their way into the hearts of their flock, because it is what the flock wants to hear.
(In this, they are not much different from whites.) Segregation, these leaders say, is the hell to which white men condemn all blacks.

**WHOSE RIGHTS ARE RIGHT?**

In attempting to solve this problem in my own mind, as a black, I had to overcome my own prejudices and use a system, employed by all great executives in solving difficult problems. Get as many facts as possible on the subject, and put them to work. If the problem is not solved in a reasonable length of time, try another approach.

The black has come to the crossroads in America. He can continue to live in the slum, like the slumsters live, or he can make changes so that he can live a better life. But it will be up to him, no one else can do it for him.

Black leadership has confused him to the point where he experiences awful feelings of not knowing which route he prefers.

The question rises. Can the average black be taught what is best for him? His leaders tell him that he should have equal rights to those of the white man in whose culture he desires to live. Yet he has the right to better himself, if he is willing to try, but in most cases he does not want to go to the bother of doing this. This results in the loss of intelligent blacks who refuse to be followers of the black "wolf leaders."

Civil Rights activities, such as acting as pickets, marching, demonstrating, and protest, both non-violent and violent, appeals to the lowest class of blacks and is sanctioned by black social and religious leaders, and white liberals. These "low class" blacks draw the violent class who make trouble with the law. This was one of the means by which Martin Luther King, Jr., who called himself a "non-violent Protester," was able to stir up trouble everywhere he went. He told his people: "We will hold non-violent demonstrations in areas we know there' will be opponents such as the KKK. They will attempt to stop us and this will cause violence and will bring the police in on our side." He was very clever in doing this - Editor Mohr).

A high-class black will walk away from most of the these demonstrations, for he knows why they are being held. He knows that it is bad publicity for his people and for him, to become involved in violence with the law.

The police is a force that can become brutal. It's like a fighter's punch, if you move with it, it doesn't hurt as much, but if you resist it, it will beat you into a pulp!

Most blacks jump into a Civil Rights action on the order of their leaders. They seldom think things out for themselves before becoming involved.

The liberal white has taken a "baby rattlesnake" into his bed, when he backs illegal Civil Rights demonstrations of any kind, since they can easily turn on him and rend him.

Usually the black leader is intelligent enough that he has his followers demonstrate in some area where there will be no organized resistance to violence and looting. (There have been many examples of this in recent years in such cities as Washington, DC., Detroit, and Watts, CA. - Editor Mohr)

The "prosperity policy" of most blacks is:

"Give it to us - we have it coming!

If you have it, you should divide with us!
It's not right for you to have more than me!

Brotherhood means equal division of everything!

My share is part of what you have, and,

All that is produced should be equally divided!" This is communism, pure and simple: "From each according to his ability, to each according to his need." Editor Mohr)

Every black feels that he has the right to what the whites have. This is the reason a white woman, married to a black, can expect sexual harassment at every turn as other blacks make passes at her. The "black code" is: "She has had one black, so she should have me too."

In India, the laws were changed to give the "untouchables," more equal rights, but they still remained "untouchables," to the rest of Indian society. The KUBA of SUMATRA taught that illnesses arose from relations outside the tribal group. (The Bible teaches much the same thing - Editor Mohr). The white man's ways of life has always been an experience in creativeness. One's experience is the developing tool of his knowledge and one's knowledge is the result of having the proper tools to do the job.

But people other than the white man, face a psychological struggle for self-respect, for they want things, yet have little desire to produce them. The American black is the world's greatest sufferer from this mental disease of wants, since by nature, he is not a producer.

The individual white man cannot stop to pick up and carry the overload of others, because his competitive job demands his full attention.

Yet this is the price the black wants the white man to pay. Since the liberal leaders in America have catered to the wants of the black, America has been losing out in the competitive field.

This is what sent the paper manufacturing industry of the NW. into Canada, and the oil industry into Saudi Arabia. Today America goes to other countries for essentials she once produced at home, before she became a "socialized welfare state."

If you are honest with yourself, you will have to admit that the progress made by the American white man in the 500 years since Columbus landed in 1492, as compared with the progress of black civilizations in Africa over 6,000 years, bears no comparison.

You be the honest judge. Liberals will say that I am downgrading my own race and that I am anti-black. I am just telling you the facts!

So as I remind you of these facts, let me say that the black was "down," long before the white man brought him to America, otherwise he would never have been a slave, sold by his own people.

The degree to which individual blacks seek and receive help from the white man will mark the degree of success to which he will rise in the modern world. Excusing one's self about change; blaming others for your own shortcomings, will never solve the problem.

Like a baby learning to walk, the black must take the falls, stumbles and discouraging setbacks. The black is down today, because his mental legs are weak from their thousands of years of misuse in Africa. His troubles began, long before he became a slave.

Asking, protecting, and parading is like a baby in its crib crying. It only tells all who hear that it can't take care of itself.

The black is a baby in relation to the white man's culture, and the black should be doing, if he wants, rather than crying for what he can't have!

The kind white hand can lift the black up, but being a cultural baby, he still can't walk, because his intellectual legs are too weak to hold him up. He must develop his intellectual legs, before he begins
Today, the black problem has enlarged on a world order, as the United Nations allows the African blacks to insist that the white man get out of Africa, and allow the black to keep the white man's investment. (This can be seen in South Africa, where there were no native blacks, until the white man became prosperous and the blacks came to him for work - Editor Mohr).

In Africa, the white man found riches that the black man had walked over for centuries without recognizing. They were not at all interested in them until they found that they were of value in the white world; then suddenly they claimed what they had never bothered to develop. Yet these same blacks, who came to America as slaves, when they are allowed to buy property and develop as they wish, become violent when they are not accepted as a social equal. But this cultural lack of acceptance is due in large part to his cultural strangeness and the fact that very often he refuses to live a productive life.

It is impossible for a normal person to have a strong sentimental feeling for a person who refuses to help themselves, whether they are Negroes, Mexicans, American Indians, the untouchables of India or what are sometimes called "white trash."

History, and the conduct of different people around the world point out that babies of different races are not born biologically equal. We know from observation that they do not develop psychologically equal, even within a distinct race.

The statement by Abraham Lincoln, the "Great Emancipator" that "all men are created equal," was patently false and misleading for while it displayed his emotional sympathy for the Black, it did not reflect the truth.

Today, the descendants of these black slaves, show their respect for the Emancipator by parading in front of his memorial while encouraging their black brethren to vote against every principle for which Lincoln stood.

When an individual black betters himself through his intelligence and work, he gains the means to immunize himself from the problems of the slumsters. Yet this man who has bettered himself, is looked on by his brethren as a racial traitor. The other blacks look on him with envy. They want what he has, but are unwilling to put forth the effort to get it.

The frustration of the black begins as a child, as he listens to his adults telling him that he has a birthright and privileges to much more than he will ever get. By the same system of communications they are often taught to do as little as possible, while demanding as much as possible for what they do. Often their work is done shoddily.

As a person who is forced to work hard to keep alive, you will be paid by your white boss, but not enough, because you will be required to support other members of your black family who refuse to work.

Being an inquisitive child in an environment of "do nothing" can be a degrading thing, as it creates a mental conflict in the child, as he sees things and privileges which others have, but is not allowed to see that they have had to work hard to obtain them.

This is one major reason why so many blacks dodge hard work. He will often seek an easy job, because he has been taught that all whites obtained theirs the easy way, because they were white.

By the time he becomes an adult, it is too late for him to change, for his ideas have become set in "mental cement". He becomes frustrated, and when he becomes frustrated, he reverts to his savage African self and becomes "one man against a hostile white world."

This inborn hostility awaits blacks all over the world.

In the southern part of the United States, the blacks tell their children: "The whites don't want you on his side of town." While the whites say, and truly so: "We don't want you because you refuse to
keep up your property, you won't pick up your garbage, you won't mow your lawn; you won't respect the privacy of your neighbors, so stay in your own area."

Both ways are true to life, but they are hostile to the black youngster who would like to see a better life for himself. As he seeks answers to his problems from his own people, he finds them hostile to the whites, who are always blamed for his problems. When he sees what is happening in the black community, he often comes to the conclusion: "Do as the rest are doing. Don't work! Go on welfare. The white man owes it to you!"

As black boys and girls grow up and fail to reach set goals, they experience strong emotional states which are often used by the "wolf leaders," for their own ends.

Happiness to these young men and women is found in the company of the "gang, to whom lying, stealing, roaming the streets, drinking, smoking pot, doing drugs, and womanizing, becomes an everyday occurrence. The "gang" is their big hold in life and to threaten the "gang" is to threaten them.

Not to be a member of the "gang," means you are a "square," out in the world by yourself, a "loner."

When these black youth get money, often through the sale and distribution of drugs, it develops more problems than it solves. The difficulty comes in trying to satisfy oneself. They cannot understand how to handle finance with the necessary authority. (A good example of this is the way in which black athletes, who have made much money from their careers, have had it stolen from them by the unscrupulous managers, both white and black, who prey on their lack of understanding of finance. We see them end their lives in poverty - Editor Mohr).

The "non-working" black, has unlimited time to plan, scheme, cry and make any kind of emotional plea, use any kind of persuasion, even physical violence, to get what they want. As long as they get money from any source, they are expected to share it with family members, or members of the "gang," who will not work.

The average black boy gets very little family guidance along the line of "sex education." His primary source of sex knowledge coming from others in his social gang. It is popular for him to become promiscuous and the more affairs he can brag about the higher he stands in "gang esteem."

By the time the black boy or girl leaves home, they have often become "well seasoned members of the brotherhood of the jungle."

Often whites add to this problem by overlooking his objectionable manners. In the south the white man under-stood this trend so he gave his black servants gifts of clothing, food and money. He allowed his cook to take food from his pantry without trying to catch her in the act of stealing. As a result "free loading" became a part of the black culture of the south.

While freeloading in white society is looked on with scorn, in the black community it is accepted as Standard Operating Procedure. They do not feel they are doing anything wrong when they live off the efforts of others.

The black is told by his leaders, both white and black, that these are "rights," not "privileges." The are encouraged by the white liberal politician who tells them what the black "wolf leader" does: "Get everything you can from society." Of course on the part of the politician, he is interested only in the black vote, not in the welfare of the black people.

This social and economic system is not publicly disturbing as long as it stays on its "own side of the tracks" but when it invades white society, there are immediate problems. The unproductive black, like his counterpart in the "poor white trash" in some areas, is free to vote and the liberal politicians, both black and white, keep their seats in the political system as they get the votes of the minorities.

American political and religious leaders have been given so much freedom and they have often lost respect for the people who employ them. Now they are attempting to organize votes into "voting blocs," in order to perpetuate their liberal socialist plans. In fact the Hispanic citizens of Los
Angeles have been criticized by liberal politicians, because they have not developed a national leader such as Martin Luther King, Jr., who can get what they desire.

Some blacks have told me: "Whites are not as great as you picture them." My answer has always been: "Then why do you want to be like them?" Why do you want equality with them and equal rights by the laws he has made, in the nation he has developed?" They cannot answer this!

Hopefully this summary of WHOLE NIGGER - OR NONE! will make it a bit easier for White Christians to understand the problems which exist between whites and blacks. They will not be bettered by "integration". Editor Mohr
Are You a Brainwashed Christian?
(Read this tract and find out.)

By Brig. Gen. Jack Mohr

Throughout the history of this world, there have been many great discoveries. When Columbus discovered the New World in 1492, it was one of the greatest discoveries of his age. He was not the first white man to set foot on this continent but the word of his discovery got out, it caught on and the greatest migration in the world's hislong took place. Over 40 million Caucasians came to America in a hundred year period. (Could this have anything to do with the Biblical prophesy of Jeremiah 3:14-15?)

The North American Continent was too big, too obvious and too rich to keep it hidden from the crowded, needy masses of Europe forever.

Today, one of the greatest discoveries, if not the greatest of our age is in the process of being revealed. It is a Bible discovery which is too big, too important, too obvious to be kept hidden from confused, White Christian people forever. It has been revealed by great Bible scholars before, men like Alexander Cruden (Cruden's Concordance) and great layman such as Sir Isaac Newton. But it never caught on, because most of our churches didn't want you to know about it. It would have meant revising much of their theology and they couldn't have that happen. But it is catching on, and soon there will be no stopping it.

What is this tremendous discovery, you ask? It is simply that the white Anglo-Saxon, Celtic, Germanic, Scandinavian and kindred people are the Covenant people of the Scriptures (Gen. 17:1-7).

You say: "But my pastor has always told me that the Jews were the Chosen People." Why don't you study the Bible for yourself and see what it says? See what your Lord Jesus Christ says about it. Never take any preacher at his word, without first checking it out against the Word of God. Today, my Christian friend, this discovery is getting out. It is crossing denominational boundaries. This time there will be no stopping it, no matter what tactics are used. Some of the "brain-washed Christians," will cry "racism." But they do not seem to mind when the anti-Christ Jews claim this promise for themselves. Some of the holy, pious will say this message detracts from Jesus Christ. The people we now know as Jews are cunningly and falsely accusing its believers of hatred. Ministers like the electronic evangelists and Bob Jones University are fearfully shouting "cultists" and are frantically trying to refute it by throwing out one or two of their favorite Scriptures. Then there are those who will always resist the truth, who see what is taking place and smugly say: "So what, we're saved. What difference does it make?"

You see, we are somewhat like Columbus' age. It didn't matter that his critics said the world was flat, or how loudly they cried about what he had proved, nor the status of education of his critics. The time had come for that great truth to get out and no one could stop it. BUT PRAISE BE TO GOD, IN SPITE OF EVERY TACTIC, THIS TRUTH IS GETTING OUT and thousands upon thousands are seeing for the first time WHO THEY ARE, and what their obligations are before God.

But to whet your appetite a bit, let me say a few things about this marvelous discovery. First, it is not new. Our Founding Fathers knew who they were. The Pilgrim Fathers called themselves: "The seed of Abraham, God's servant, and the children of Jacob, His chosen." This can be found in their records; these were their words. They used the Old Israelite word "LED"; they were not "DRIVEN." They believed that God had brought them to America for a special purpose. Their passage to the New World was speeded by the great Israelite texts and they braced themselves for trouble from the unknown, with the great Israelite promises. They kept their colony free from crime and blood, by following the counsel of Moses, the "law giver" of Israel. They allotted their land as Israel had done.
The same acts of God which occurred when He took Israel out of Egypt, occurred in different ways when the American nation was taken out of England.

You must remember, that in spite of what all critics say, the "Planting of America," was a spiritual planting. The hereditary strain which determined our country's characteristics, was direct from the Law of God as given to Israel.

They came to this land with the specific idea of planting a Christian nation. The Charter of each of the thirteen original colonies proves this. There are so many parallels between the history of ancient Israel and the United States, that they cannot be explained away by coincidence.

Listen, if you will, to a conversation which went on in the stuffy cabin of a little ship called the Mayflower, as she lay anchored off what is now Provincetown, Massachusetts. It was November 21, 1620: "In the name of God, Amen! We whose names are underwritten, having undertaken for the glory of God and the advancement of the Christian faith, a voyage to plant the first colony - do by these presents, solemnly and mutually, in the presence of God, combine ourselves into a civil body politic." This was the act which began America.

There was a time when one of the requirements for holding office in America was that a man must be a Christian. Then America was a God-fearing nation on her way to greatness. I could take you into the field of capitalism, taxes, monopolies, farming, criminal law, military planning, health, foreign policy, and many other areas and show you how it is disregard for the Law which God gave to Israel, which is now strangling us and destroying our freedom. When we break these God given laws, either as an individual or a nation, the ''rod of God's discipline'' falls on us. (Hebrews 12:6)

This shows us that God still sits on His throne and still rules in the affairs of men.

There are more than 200 Scriptural "fingerprints" which prove who ''true Israel'' really is. The people we call Jews do not fit a single one. Look at just a few:

1 - Israel was to become a great and mighty nation and a multitude of nations. Gen. 12:2; 18:18;

2 - She was to have a new home. 2 Sam. 7:10; 1 Chron. 17:9.

3 - Israel's home was to be north-west of Palestine. Isa. 49:12; Jer 3:18.

4 - Israel was to become a ''company of nations." Gen. 17.4-6, 15, 16, 35.11, 48.19, Eph .2.12.

5 - Israel was to colonize and spread abroad. Gen. 28:14; 49:22; Deut. 32:8; 33:17; Psa. 2:81; Isa. 26:15; 27:6; 43;19, 20.

6 - Israel was to colonize the desolate places of the earth. Isa. 35:1; 43:19, 20; 49:8; 54:3.

7 - Israel was to lose one of her colonies and then expand, demanding room. Isa. 49:19, 20.

8 - Israel was to be the number one nation of the world. Gen. 27:29; 28:13; Jer. 31:7.

9 - Israel's home was to be invincible to invasion. 2 Sam 7:10; Isa. 41:11-14.
10 - Israel was to be defended by God. Num. 24:8, 9; Isa. 15-17; Micah 5:8, 9

11 - Israel was to be an instrument in God's hand to destroy evil. Jer. 51:20; 51:19-24; Dan. 2:34, 35.

12 - Israel was to have great agricultural wealth. (Ask yourself who feeds most of the world, it's not the Israeli.) Gen. 27:28; Deut. 8:7; 33:13, 14, 28.

13 - Israel was to be envied and feared by all nations. Deut. 2:25; 28:10; Isa. 43:4; 60:10, 12; Micah 7:16; Jer. 33:9.

14 - Israel was to lend to all nations. Deut. 15:6; 28:12.

15 - Israel was to be called by a NEW name. Isa. 62:2; 65:15; Hos 2:17.

16 - Israel was to have a new religion (New Covenant). Heb. 8:10-13; 9:17; Matt. 10:5-7; Luke 1:77; 2:32; John 11:49-52; Gal. 3:15.

17 - Israel was to lose all trace of her lineage. Isa. 42:16-19; Hos. 1:9; 2:6; Rom. 11:25.

18 - Israelites were to be called the "sons of God, (Christians)" Hot. 1:10-11.

19 - Israel was to be saved by the Lord. Deut. 33:27-29; Isa. 41:8; Ezek. 34:10-16; Hosea 2:23; Matt. 15:24; John 10:26, 27.

20 - Israel was to carry the Gospel to all the world.

(Who prints 98% of all the Bibles; who sends out 98% of all the missionaries?) Gen. 28:14; Isa. 43:10-12, 21; Micah 5:7.

There are many, many more, and not one fits these people we now call Jews.

But remember. You were not called to be a dictator, as the Jews are taught. You are not to have 2,000 slaves, as the Talmud tells the Jews they will have. You are called to be a "servant-ruler" people, a "witness-example" to the rest of the nations. You are to bring blessings to all nations and all peoples.

When Peter spoke in 1 Peter 2:9 and said: "ye are a chosen generation, a royal priesthood, an holy nation (notice not church, but nation), a peculiar people; that ye should show forth the praises of Him who hath called you out of darkness into His marvelous light." He was not speaking to the church, as our preachers have told us. Peter tells us who this message was addressed to in 1 Peter 1:1 - "...to the strangers scattered throughout (Asia Minor)." These were the Israel people, your ancestors.

Why not check into this truth? It won't hurt to find out if I am telling the truth. I challenge you to read my tracts and compare them - not with what your pastor teaches, but with the Word of God. I dare you to do this. You could be making one of the most marvelous discoveries of your life; something which could very well change it and prepare you for Christ's Kingdom on this earth. That
was what Jesus told us to pray for, didn't He? "Thy kingdom come, Thy will be done, IN EARTH AS IT IS IN HEAVEN." (Emphasis added.) Romans 13:11 tells us: "... knowing the time, that it is now high time to awake out of sleep: for now is your salvation nearer than when we believed."

Genesis 48:19 - "He shall be a grate people."

The inspiration for this article came from the Summer Issue, 1985, Newsletter of THE SOUTHERN NATIONAL PARTY. I thank them for the use of their ideas, plus some of mine.

Some of you may find these ideas repugnant, but I think if you will try and digest what I have written and pray about it, and do a little study in your Bible, if you are an honest person, you will have to admit they are true.

Too long, White Christian America has lingered in the apathy which has been brought about by our servile attitude towards Judeo-Christianity. We must tear ourselves loose from this alien teaching and return to Biblical morality and the courage to put it into operation in our government.

I do not ask that you accept what I write, but that you put it under the most powerful magnifying glass of truth you can find (I would strongly suggest the Holy Bible) and when you find that I have told you the truth, allow nothing to stand in your way of proclaiming it! America will only be saved as we recognize God's way of doing things and do things His way, instead of insisting that "doing our own thing," is preeminent.

Most of you have heard preachers or church people say: "Oh, but I can't hate them, even if they are enemies of Jesus Christ. You must love them too." If you believe that, then you have fallen into a clever trap which has been set for unwary Christians by God's enemies. For nowhere in the Bible does it say that Christians should love the enemies of God. The Bible does tell us in Malachi 1:2 - "I have loved you (Israel), saith the Lord. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the Lord: yet I loved Jacob, and I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness?" Then the next verse is very important, for it explains what is happening in Palestine today: "Whereas Esau saith, We are impoverished, but we will return and build the desolate places: saith the Lord of hosts. They (the Jews) shall build, but I (God) will throw down: and they shall call them (the Jewish nation) the border of wickedness. The people against whom the Lord hath indignation forever." (This same passage, by the way, is quoted in Romans 9:13.) King David in Psalm 139:21 said: "Do not I hate them, O Lord, that hate thee? and am not I grieved with those that rise up against thee? (vs 22) I hate them with a perfect hatred: I count them mine enemies." And the Lord Jesus Christ in Luke 19:27 told of the day when He would say: "But those mine enemies, which would not that I should reign over them, bring hither and slay them before me."

There are enemies which are enemies of God and His people. God's enemies are Satan's followers and these must not be loved by Christians. The choice is yours. You either follow Christ and love Him and His people, or you follow Satan and love his people. There can be no "wishy-washy" half-way ground on which to stand. There can be no fence-straddling on this issue.

When Jesus said in Matthew 5:44, "But I say unto you, Love YOUR enemies, bless them that bless you, do good to them that despitefully use you and persecute you," he was talking to His disciples
who were Christians. Again in Luke 6:27, 28, Jesus repeats the same warning to His followers. "Love your enemies, not God's enemies."

Who are the enemies we are to love? Certainly not the enemies of God. They are the Christian brother at whom we are angry. Many of you have seen a church split over one thing or another, sometime the most trivial thing will bring this about. Christian people are human too and they get angry with each other over some real or imagined slight. They won't speak with each other, their feelings are hurt. They say mean things, which sometimes are untrue behind each other's backs. Neighbors get mad at each other often over trivial things. Friends and relatives get mad at each other. So what has happened? You have made a personal enemy. This does not change the fact that you are still a Christian and that the enemy you have made may also be a Christian. As brothers and sisters in Christ, these are the enemies you are to forgive. In I Corinthians 6:6, 7, the Apostle Paul speaks of this: "But brother goeth to law with brother, and that before unbelievers. Now therefore there is utterly a fault among you, because ye go to law one with the other. Why do you not rather take wrong? Why do ye not rather suffer yourselves to be defrauded?" These are the enemies you MUST love. Any preacher who says that Christians are to love the enemies of Jesus Christ is a liar of the first water.

Any Christian should know that it is impossible to mix good and evil. Neither can you compromise with evil, even to save your own neck. You need desperately to know the difference between God's enemies and your personal enemies. When you realize who God's enemies are, then it is time for you to go out and "sell your cloak and buy a sword," (Luke 22:36) and become Christ's "battle axe." Christians have no right to sit around waiting to be Raptured, or seeking an "easy way out." There is no easy way out! There is no one else to do God's work, except those of us who love Him. If we sit quietly by in our comfortable, air-conditioned spiritual foxholes, folding our holy hands in prayer, and asking God to do the dirty work He has given us to do, it will never get done! We MUST face reality. If America is to be saved, we MUST do the job. Of course, it goes without saying, that we cannot do this in our own strength. Without God on our side, it will be impossible for us to be successful. So everything we plan and do, MUST be done in the context of God's Word. This MUST be our guide.

As White people we are losing our freedom and our way of life. White people are being disenfranchised across this nation in favor of the "mixed multitudes" which have invaded this land. What will you answer your grandchildren if they ever ask what you did to stop the chaotic mess which is now enveloping our land? What will your answer be? To be honest with ourselves, we would have to admit that it was apathy on the part of Christians, which has caused all these problems. It is not the Jewish problem which is killing us; it is not the inroads of colored immigration. It has been the flagrant disobedience of God's people, who have been more interested in doing their own thing, than in obeying God's law. It has been in our Christian leadership that has caused us to "love God's enemies and hate His people." It has been in the Christian leadership of America that allowed compromise with evil men, under the banner of "Christian love." It has been in Christian leadership which preached the false Gospel that the Law of God was done away at Calvary. But we, you and I, my Christian friend, are equally guilty, for we sat by, often silently, while our leaders did this to us. We MUST share the guilt!

Has it ever occurred to you, that someday we all MUST stand before Almighty God and answer for what we have done and what we have neglected? 2 Corinthians 5:10 tells us: "For we MUST ALL appear before the judgment seat of Christ; that everyone may receive the things done in his body, according to that he hath done, whether it be good or evil."

What kind of an excuse will we make? In I Timothy 5:8 we are told: "But if any provide not for his own, and especially for those of his own house, he hath denied the faith, and is worse than an infidel." You can bet your bottom dollar that this includes protecting them from the designs of evil men. Providing food, clothing and shelter for your family is only the beginning. You need to
provide love, compassion, understanding, a listening ear, prayer and a Christian home.

We parents are responsible for the well being and the future of our children and grandchildren. Unless we as White Christians join together in this fight for right, or progeny will have no decent future.

Those of you who are from the South, or who have lived in the South and love it, can be proud of the fact that Southern patriots who fought in the Confederate Army did not fight for slavery; most of them did not even own slaves. They fought for the way of life which they believed in; government non-interference in every day life. They fought for the right of the State over that of the Federal Government and on most of the statues erected to honor Confederate dead, can be found these words: "Lest we forget!" Have we forgotten our heritage? I'm afraid most of us have.

It will take courage and determination to win, for the enemy is strong and ruthless. The reason they have been winning up until now, is that most of our White Christian folk have refused to do anything to prevent this takeover.

Billions of our dollars have been sent overseas in recent years to help the little countries of the Third World, yet one by one, these countries have been taken over by Jewish-Communism. We here at home who are fighting the battle for Christian survival, often do it on a meager budget, while billions go to help "those who hate the Lord." We need to read 2 Chronicles 19:2 - "... Shouldest thou help the ungodly, and love them that hate the Lord; therefore is wrath upon thee from before the Lord." We cannot expect God's blessing to be on America, when we make treaties with and help evil men - enemies of God. God will never bless any treaty America makes with God hating nations such as Russia, China, the Israeli, or the Cannibal Debating Society of the United Nations. Evil never fights evil and most wars which have been fought in the past 500 years have been Christians against Christians. Look and see whom these wars have benefitted and you will find the cause for these wars. For nearly two thousand years, since the inception of Christianity, there has been a Satanic plan for the destruction of Christianity. Ask yourself who has been in the forefront of this battle against Christ and His Church? Look at the names behind the efforts to ban Bible reading in the schools, prayer in the Legislatures, the singing of Christmas carols in public, the display of the nativity scene at Christmas. It is easy to locate the enemy, if you are willing to look beyond the rhetoric of the controlled media and go by the Biblical admonition: "By their fruits shall ye know them."

Today our cities are being killed off by those who wish to control us. You enter what was once a blue collar neighborhood of any major metropolis and you see few people. There are no teenagers whistling at pretty girls. No bone-weary construction workers tinkering on their cars after work. The pleasant looking one-family houses look strange. Bars cover the windows. The doors. Some have metal jalousies at every point of entrance. Houses look like mini-forts.

While you wonder how anyone could possibly escape a fire in such an edifice, you notice the super-bright halogen lights stabbing the darkness at points of vantage. To shield the residence from these stabbing rays, heavy curtains blanket the doors and windows. Fences, walls, barbed wire make one feel as though they are in a combat zone. You literally are! "Forced Housing Laws" have injected a steadily increasing stream of non-whites into American urban neighborhoods, into the mainstream of the nation's life. It has become a virus which has withered urban America. In Chicago, it's Blacks; in Houston, Mexicans; in San Francisco, Orientals. But the toll of American liberalism is death.

The playgrounds, once the happy abode of the children of working people who live all around; the center of the neighborhood, have now become 95% non-white. The song now being sung is: "We Shall Overcome!" The only art: the filthy scribbling on the walls of primates. The only laughter: the maniacal howling of wild beasts.

The liberal press acknowledges these problems, but it raucously assigns the blame to "white
prejudice." "Prejudice" of the whites is blamed for the ills of all mixed neighborhoods. "It's not uncommon at night to hear gunshots like firecrackers," cites the Houston Chronicle. But an elderly white woman - programmed by the media and probably in her mixed-race church-intones: "I feel comfortable here!" They make her a heroine, even though they know she is lying. Most of the whites who love their race and the country this once was, have moved away from these neighborhoods. The press calls them "villains" and "bigots."

The press never mentioned the homosexuals, the Jews, the perverts who profit from this decay. "For sale" signs are everywhere and Jewish Realty Companies have become the major developers of these blighted communities. These are the ones who vote "yes" to laws to legalize homosexuality. Those freedom loving "whites" who will not "toe the liberal line" and who stay in these neighborhoods, see their homes go up in smoke and the police seldom even bother to investigate. To receive the highest marks from the liberal news, a white must smile as the knife is slipped between their ribs, and must reach out and help their attacker plunge it deeper. Then they wonder why violence flares in this one time land of freedom.

Who is the culprit? Who is the hero?

On one side there are the rioters in South Africa. The muggers in the subways. The thieves, the rapists and their apologists. Their liberal propagandists. The profiteers (look at their names and see who they are). The opportunists. The liberals.

On the other is the police, who are often kept from doing their job by the liberal politicians or the Jew lawyers of the A.C.L.U. There are the homeowners. The working people of all colors. The households. The families. The Christian Patriots who are called "extremists" by the Zionist controlled press. There are the children who pray for a decent future, and there are those who desire only the best for their country and their families. They do not look for a government handout, but only to have a fair shake from a government which has turned from being the "servant of the people" into a Frankenstein monster which is seeking to devour them.

Most Americans realize that the function of good government is to protect the life and property of its citizens. It has no further function. History has proven without disclaimer, that inter-racial marriage leads to the destruction of races. Every great civilization which has existed in the sixty Centuries of written world history, has been destroyed when it tried mongrelization of the races. Racial mixing destroys the life of the races by destroying the unique racial characteristics of the races involved. The late Malcolm "X", leader of the Black Muslims in America spoke a great truth when he said: "Race mixing is like putting cream in coffee. It destroys elements of both Black and White." Would to God that some of our "brainwashed" preachers could understand this and then go to the Bible and see what God has to say about it.

Marriage for the most part is a religious ceremony and the government has no business licensing it. It should not become the government's business, until it threatens others as interracial marriage does, by causing an inferior gene pool for future generations. No government can protect traditions, races, cultures, heritages, and communities, unless the people want to be protected. But a government can destroy them against the will of the people, especially against a small community of people as the American Indians can attest. The best way for the government to serve its people is to avoid actions which are detrimental to them.

I believe that the United States could handle a higher quality of immigration without being a welfare state. After all, the Europeans came to North America to find freedom, not to take advantage of an Indian Welfare State. Unfortunately, most of the immigrants who have come to America in the past fifty years, have come, not to make America a better place to live, but to take advantage of her generosity.

I have heard the phrase used: "He is a resident of the United States, therefore he is an American." This statement is the product of the 20th Century American-Melting-Pot theory. It is the product of the murky and emphatically erroneous notion that being a "resident," being a "citizen," being a
"member of a nation," are one and the same thing.

The loyal Southerner knew that the residents of the South who were called "carpetbaggers" and "scallawags" were not Southerners, even though they may have been born in the South. Countless aliens live in the United States, but this does not make them Americans. To be a true American, a person must think, act, live and believe in a way characteristic of true Americanism.

It is interesting to note that a whole bevy of social scientists have shown from a variety of studies, that the people of the South, think, act, and live, for the most part in a way distinctively different from the liberal North-East, for example.

All residents of the South are not Southerners and all native born Southerners are not Southerners. To be a true Southerner, one must live by the Christian concepts of the South. All alien races presently swamping the south are not Southerners, they are aliens, and many new Southerners, such as Jimmy Carter, while native born, are enemies of the South. The same is true of the United States.

The South is a NATION, not a country and to be a member of a NATION, one must belong to that specific race which constitutes that NATION. Other races may live in the geographical boundaries of that NATION, but they can never become part of that NATION.

Some people in the South call themselves Rebels. But this is a slur which has been imposed on them by the Northern liberal. To call a Southerner a "Rebel" is like calling a Negro a "Nigger," a White man a "Hooky;" an Italian a "Wop;" or a Chinaman a "Chink." Some even call themselves "Crackers," which is even worse.

The word "Rebel" as a term for Southerners is a slur which was invented by the Northern liberal. The South did not "rebel" against the Federal Government, they withdrew from it, which was their constitutional right. It was not a rebellion or an insurrection and there was no intent or attempt to "overthrow" the U.S. Government. The Confederates cannot be called "rebels" by any stretch of the imagination. The war was not a Civil War, or a "war between the states," The South sought to build their own country and the North went to war over this, not over freeing the slaves.

We hear people speak about a multiracial population in which there is no "forced integration." This is the pipe dream of a fool. This is racial death for the White population. This is the same garbage George Wallace fed to millions in the early 1970's. A host of historians have documented beyond the shadow of a doubt, that ALL multiracial societies ALWAYS result in a MONGRELIZED society. The only difference between "forced association" and "un-forced association" is the time schedule of mongrelization. "Forced association" produces faster mongrelization than "un-forced association;" that's the only difference. There is no third alternative, no third choice. The separation the bible had in mind was not "segregation", but Alien resettlement, whether in Africa or Asia. Many Black leaders with vision, have seen this truth and advocated it. It is what will eventually come about, one way or the other, according to Bible prophesy.

Some say that we cannot afford to get bogged down in nostalgia. But I believe a true American should glory in our past. Nostalgia is of great importance to any people. It is part of our glorious Israel inheritance. Without it a people cannot be a People. A people without a past can never have a future. Our enemies know this and this is why they have gone to such extremes in recent years to rewrite American history. This is why they have come up with such abortions as "ROOTS." They have attempted to invent a proud and glorious Black History when there was none! Why? It's quite simple when you think about it. By destroying our past. By making white Americans hate our past, our ancestors, and ourselves, they are effectively destroying our future. A People, like a tree, must have roots. To kill a tree, destroy its roots. To kill a people, destroy their heritage.

Even our religious leaders have been first in this effort to destroy our white roots. They are more anxious to assign a Chosen People honor to Christ's worst enemies, than to give it to the true Israelite. Why? Because they have come up with a preconceived notion of prophesy, which was never taught by the early church, but which must be upheld at all costs, or make them and their...
Bible scholars out to be liars and unfit to lead the church. This they refuse to do.

The culture of the United States has been a White culture from the very beginning, because it has been an Israelite culture. The "Negroisms" which we have adopted in this country can be lumped under the heading of "anti-culture." Up until the false success and false contributions of Blacks via welfare, affirmative action, racial quotas and history revision, Blacks had contributed nothing to the welfare of America, other than a source of cheap, low-grade labor and buffoonery. Also, it would be honest to say that they contributed a considerable element of "fear." When all is taken into consideration, when all is said and done, America would be a far better place without the Blacks. The Jewish merchants who brought the slaves to America and profited from this nasty trade, did nothing for the welfare of this country.

Today, many decent Americans seek independence from a bureaucratic government which has come almost completely under alien control. But we should remember that "Independence" in itself is nothing more or less than a TOOL. The virtue or vice of Independence comes from how one uses it. We cannot develop a multi-racial society and expect success, since this goes directly against God's basic laws and is the abortion we have now. Some say that we can enter into a glorious future in which "integration" and miscegenation" is acceptable, as long as it is "not forced." These people obviously want Independence so that we can do to ourselves, what the enemy is already doing. What unfathomable insanity!

America is a nation; AMERICA IS A People! America is a culture and America should remain White. You may call this "racist" if you will, but anyone who loves his "White race" will be so labeled and I do love it! Blacks are unfortunately members of our country, but they can never become members of our "racial nation" since that is and always should be White. It was meant to be so. Until the liberals, under the prodding of International Jewish enemies began to reeducate them, it remained mostly white. But a mongrelized America-culturally, traditionally, racially and politically - will no longer be American, nor will it be White.

Unfortunately our flag, the Stars and Stripes, has become a flag which every color salutes. It has been established as the world's foremost flag of a melting pot-cesspool. It was not meant to be that!

In the words of Thomas Dixon, Jr., in his book THE TRAITOR: "Were I the master of every language of earth, past master of all the dead tongues of the ages, a genius in the use of every epithet the rage of man ever spoke, still words would have no power to express my contempt for one who would betray his own race." This many "so-called American Patriots" have done. You cannot be an American Patriot, without loving your race and seeking her survival. You cannot be an American and be a "dual-loyalist." If you support the bandit state of the Israeli, you cannot remain loyal to America, for as the Master said: "No man can serve two masters."

Maybe this evaluation of a Patriot seems harsh to you. We have become so softened in the present "pressure cooker" of public opinion, that most of us have lost the ability to be good Americans. We MUST regain this, if we are to remain FREE. But first you MUST know who you are; you MUST know why you are on this earth; you MUST realize your responsibility before Almighty God, which is unique among all peoples; and, you MUST act on this responsibility.

This brings us to a study of the clever term EQUALITY. Equality is the daughter of Satan's child ENVY and is the destroyer of liberty and the enslaver of man. God has made every man and woman different, and therefore unique. Each has a different mix of skills, talents, aptitudes, and intelligence. Equalitarians try and undo God's creation by making all men politically, economically and socially, equal. It cannot be done!

Social equality comes from political and economic equality and always results in miscegenation, which any Bible scholar knows is contrary to the very basic, natural law of God, given long before the Ten Commandments were given to Israel.

Today Democracy is envisioned and preached as the highest and most desirable form of government
One of the key principles of democracy is that every citizen should have a vote and that each vote should be equal. This means that the vote of the working, productive citizen, must be on the equal with that of the welfare parasite who does nothing but live off the work of others.

True Democracy demands the elimination of class distinctions. It demands socialism to eliminate distinctions based on wealth. Socialism was designed to make people socially equal. Because true democracy demands true social equality, it demands miscegenation. In order to eliminate any social equality, all races MUST be amalgamated into one great mongrel race.

While equality may be the desirable goal of the democrat, socialist, Zionist-Communist and other worshipers of envy, it should never be the desired goal of true Americans and lovers of liberty.

Now don't get me wrong. Opposition to equality does not mean that I am advocating a "superior race" or "class" or some other "elite group." It does mean that I oppose democracy, socialism and "race mixing." It means that we MUST recognize that people and, therefore, races differ and, in many respects, are unique. To treat them all alike is to treat them unfairly.

To argue that one person or race is superior to another race or class, is to argue that Herefords are superior to Jerseys. They are not. But they are different! The Jersey is a better milk producer, while the Hereford produces superior meat. The egalitarian (a person who believes in the equality of all men), is placed in the difficult Position of having to argue that Herefords are as good a producer of milk as Jerseys and that Jerseys produce as good a meat as Herefords. To claim otherwise is to recognize a fundamental racial difference and therefore a racial inequality. Yet anyone who knows anything about cattle, realizes there is a fundamental difference between the two breeds. They are different! One excels in the production of milk: The other in the production of Beef!

The first step in stopping equality from destroying FREEDOM is to move away from the foolishness of "political equality." This will be most difficult, since democracy has become so deeply rooted in the United States and has literally turned this country from a Republic, into a Democracy. In a Democracy absolute political power rests with the majority and the minority has only those rights granted to it by the majority. This differs from a Republic, where absolute political power rests not with a single body of men, nor with the largest majority, but in a document such as the United States Constitution, which was designed to protect ALL Americans.

Democracy rests on the foundation that ALL men are equally qualified to participate in governing. But history has adequately proved that many men and women are not qualified to participate in government. They are no more able to participate, than all men can become doctors, mechanics, musicians, engineers or parents.

In a Republic, stringent qualifications should be imposed on those who run for office and they MUST be held responsible for their actions while in office. Voting should be limited to those who have certain educational, residential, and age requirements. I do not believe that a person on welfare, should be able to vote on any issue which has to do with the spending of money, since they help to produce nothing.

My personal opinion is that Social equality must be eliminated if we are to remain free. This will mean that miscegenation MUST be replaced by racial integrity and this can only be done through racial separation. Although some may argue vehemently regarding this, I believe we may see the time, prior to the Biblical time when every man shall return to his own land and his own people, when we may have geographical separation within the United States.

Until such a time as God takes a hand in the affairs of men - and He will, make no mistake about this! - until such time, our greatest apathy is that brought about by our White leaders, mostly within the church. Those who tell their people that "since we are now under grace," we can do away with the laws of God. What nonsense! Both Jesus and the Apostle Paul refuted this heresy. The answer to our survival is found in 2 Chronicles 7:14, if we really want it: "If my people, which are called by my name, (ask yourself who these are, they most certainly are not the anti-Christ of Judaism) will
humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND!"

When White Christian Americans realize they are to blame for the mess which now exists and get their hearts right with God, then we will have the national revival which will save America. It will not be done through force of arms itself, although I certainly believe that we MUST be prepared to defend our Christian principles at all costs. I am a great believer in "Walk softly, but carry a big stick." In other words, "Don't shoot off your mouth about what you are going to do, but be prepared for any eventuality."

Then, as the enemy becomes more determined and more active, and they will as they see AMERICAN Christians waking up to the truth, remember the promise of Luke 21:28 is still valid: "When these things (wars, famines, pestilence, earthquakes, persecutions, etc.,) begin to come to pass; then look up, and lift up your heads; for YOUR REDEMPTION DRAWETH NIGH!"

MARANATHA!

For Christ, the truth, and a free America,

Are You Following a New False Religion?
by

THE WICKED SHALL BE TURNED INTO HELL AND ALL NATIONS THAT FORGET GOD!

"But though we, or an angel from heaven preach unto you any other Gospel that that which we have preached unto you, (the OLD CROSS), let him he accursed", - (Gal. 1:8).

Within recent months, I have distributed many one page flyers titled THE OLD CROSS VS. THE NEW CROSS. It came from an anonymous source, but was of such a vital nature, and I have received so many favorable comments on it, that I have decided to enlarge on its contents. It is a MUST message for these "closing out days of this Age". This article titled ARE YOU FOLLOWING A FALSE RELIGION? needs to be read in humbleness, asking God's Holy Spirit to lead us into His truth.

Three distinct scriptures are given as a basic reference. Hosea 4:6, which says: "My people are destroyed for lack of KNOWLEDGE; became thou has rejected knowledge I (God) will also reject thee, that thou shouldst be no more a priest to Me! seeing thou hast forgotten the law of thy God, I also will forget thy children."

We need to realize here, that there is a great deal of difference between KNOWLEDGE and the EDUCATION which is being pushed so vigorously by the advocates of Secular Humanism.

The English word KNOWLEDGE, as used here in the KJV, comes from the Hebrew word "da'ath" which literally means: "to be aware of; to know". EDUCATION, on the other hand, according to
Webster's New World Dictionary, means: "to train; to develop skill of mind by formal schooling, or study".

One can easily see the importance of teaching TRUTH. If TRUTH is not taught to the developing mind, all sorts of problems arise.

The Apostle Paul recognized the difference between a KNOWLEDGEABLE man, and one who had EDUCATED God out of his life. In Romans 1:21, 23, Paul used these rather harsh words: "Because that when they knew (about) God, they glorified Him not as God, neither were they thankful; but became vain (Greek: "mataioo: meaning: "to become foolish; to become wicked, or idolatrous; vain") in their imaginations, and their foolish heart was darkened, professing themselves to be wise, they became fools". Paul goes on to enlarge on this in 2 Timothy 3:7 -when he speaks about those who are "Ever learning, and never able to come to a knowledge of the truth."

Today, America is overrun with "educated idiots", with strings of degrees behind their name, yet who refuse to accept the truth as laid down by God in His Holy Word. The prophet Isaiah, writing hundreds of years before the time of Paul further labels them in Isaiah 56:10, 11, when he says: "His (Israel's) watchmen are blind; they are all ignorant (of the truth), they are all dumb dogs; they cannot (or will not) bark; sleeping, lying down, loving to slumber: Yea, they are greedy dogs (Heb. "keleb" literally meaning: "a male prostitute") which can never have enough, and they are shepherds that cannot understand, they all look to their own way, everyone to his gain..."

What a terrible indictment of our nation's political and religious leaders. Instead of acting as WATCHMEN to warn our people of danger, they have "gone to sleep on duty," or worse yet, joined the enemy. They will lie, and compromise to stay in office, or to gain a larger church, or stay on national television.

This truth was vitally illustrated to me a number of years ago, (before I learned the truth about Judaism, and began to speak out about it), when I spoke at a large Christian University in the East. Conversing with it's Chancellor, I asked him why Dr. Billy Graham had gone soft on communism and liberalism, when at one time he took a strong stand against it. (Today he will not hold a city revival unless the ultra-liberal National Council of Churches is one of its sponsors).

Yet this organization publicly advocates things which Dr. Graham knows are wrong.

After a few seconds of reflection, this godly educator answered; "A few weeks ago, Dr. Graham and his wife Ruth were in this office, and I asked Billy this same question. He refused to answer or look me in the eye. But ins wife Ruth, looked me straight in the eye, as she said: 'We intend to do anything necessary to fill the football stadium.' "Doing everything for their own gain," the Apostle said.

Then we have another strong witness in Amos 8:11-12 - "Behold the days come, saith the Lord God, that I will seed a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord, And they (the people) shall wander from sea to sea, and from the north, even to the east, they shall run too and fro to seek the Word of the Lord and shall not find it". During times of spiritual famine such as this, charlatans have an easy prey among people seeking the truth, unless they have a firm foundation in God's Word.

This is a terrible indictment against our preachers and seminary professors. It too has second and third scriptural witnesses. In Jeremiah 23:22, we are told: "But if they (the pastors and priests) had stood in My (God's) counsel, and had caused My people to hear My words, then they should have turned from their wicked way, and from the evil of their doing".

As we look around us, we can see that there has been very little "turning from wicked ways," among our people. Even the great charismatic revivals of recent years, which were supposed to have saved thousands, have made little inroads on sin. A few years ago, the charismatics boasted about how their revivals in Rwanda had saved 86% of the people. Yet it was these "saved" Pentecostals who chopped up other Christians, merely because they were from an-other tribe.
The same thing on a lesser scale has taken place within the White Israel nations of Christendom, as preachers have done a fair job in preaching the "salvation" message, but have sadly neglected the message of "Christian responsibility after salvation". Today, the average church has become one that follows the NEW CROSS path of compromising with the world in order to receive it's approval.

Paul admonished the young preacher Timothy, in 2 Timothy 4:2-4 to: "Preach the WORD! (not the doctrine of some church, but the WORD); be instant in season, out of season (in other words, make your preaching coincide with what the Word teaches); REPROVE! REBUKE! EXHORT! with all longsuffering (patience and forbearance) and doctrine. For the time will come (it is here now), when they (church lay men and women) will not endure sound doctrine; but after their own lusts (yearning for material things) shall they heap to themselves teachers having itching (Gk: "knethos" meaning by implication to "tickle.") ears; and shall turn their ears from hearing the truth, and shall be turned to fables."

This is what happens to Christians who follow the NEW CROSS teaching of men like evangelist Benny Hinn, or Paul Crouch of Trinity Broadcasting System (TBS).

What are these "fables" they teach? The Apostle identifies them in Titus 1:10, 11 - "For there are many unruly and vain talkers and deceivers, specially they of the circumcision (Jews - Benny is one, you know), Whose mouths must be stopped, who subvert (lead astray) whole houses (families), teaching things winch they ought not, for filthy lucre's (money's) sake". Watch the actions of these Judeo-Christians TV charlatans as they "PRAISE THE LORD" loudly on one hand, while raising money for their cause on the other.

I recall a recent event on television, where the Trinity Broadcasting System, headed by Paul and Jan Crouch were holding their nationwide PRAISE THE LORDATHON!! Over and over again, so-called Christians, including Jan, were shown dancing in most un-Christian attitudes, as they whirled to the beat of the same jungle music used by the Satanists in darkest Africa. (I know for I have seen them on the scene in Africa). Jan was dressed to look more like a high priced prostitute, than the wife of a dignified president of a Christian Broadcasting System, with her blonde hair piled high on her head, and makeup "ala Tammy Bakker". She danced and whirled with the best of them, banging her noise maker and shouting: "Praise the Lord!" We have just passed the $4-million mark!" All during the preaching that followed, often by Black preachers who steamed up the audience with their shouting rendition of what they called the WORD, a message flashed across the bottom of the screen which said: SEND YOUR CONTRIBUTIONS TO ...

I thought of the verse in Tints 2:11 where Paul said: "...who subvert whole houses, teaching things they ought not, for filthy lucre's (love of money's) sake". The Apostle Paul goes on to further explain this in vs. 14, where he says: "Not giving heed to Jewish fables and commandments of men that turn from the truth," and I recalled how these anti-Christ enemy of God (Jews) are praised on this so-called Christian Broadcasting System.

Have you ever heard this verse used as the text for a sermon? In sixty years in a fundamental Baptist church, I never heard it even read! This is another indication that these folks are following the NEW CROSS!

A final scriptural reference I'd like to use is found in Phil. 3:18, 19 - "For many (so-called Christians) walk, of whom I have told you often, and now tell you, even weeping, that they are enemies of the cross of Christ; Whose end is their destruction: whose God is their belly (love of material things), and whose glory is in their shame, who mind earthly things."

Here is the crux of the problem. Our churches are crammed with "saved" folks. They want Jesus as Savior, all right, so they take Him as a sort of Celestial Fire Insurance Policy to keep them out of hell. But they do not want Him as King, no matter how often they call Him "Lord". For when they accept Him as "King", they MUST acknowledge His right to control their lives, and neither they or their pastor's want to stop "doing their own thing!"
As the result of this kind of religious thinking, we have seen a strange and very sad phenomenon take place in America where with 50-million "born again" Christians, the nation is headed for hell faster than at any time in our existence. Is it because the vast majority of these folks want to follow the easy way of the NEW CROSS, rather than the path of dedication required by the OLD?

Could it be that most professing Christians are in the category spoken of by Jesus in Matthew 5:13, when He said: "Ye (Christians) are the salt of the earth: but when the salt has lost its savor, (it's ability to act as salt and hold back corruption), wherewith shall it be salted? (How can it be rejuvenated?) it is therefore good for nothing but to be trodden under the foot of man". In other words: "Thrown into the garbage!" "Harsh words," you say, but from the lips of the Master Himself!

How many professing Christians do you know who are Alka Seltzer Christians? They come to church on Sunday and "fizz" for an hour or two, then the rest of the week you can't tell them from the worldly crowd. They go to the same places (casinos; bars, etc.) They run around with the same worldly crowd; they use the same worldly language, many won't even say "grace" before they eat in a public place. For all intents and purposes, they are not only in the world, they are of the world. Then we wonder why the country regresses into sin and corruption.

Paul, looking at the NEW CROSS Christians of His day said (Gal. 1:6, 7) - "I marvel that ye are so soon removed from Him that called you into the grace of Christ, unto another Gospel: which is not another: but there are some that trouble you, and would pervert (Greek - METASTREPHO, meaning: "corrupt; turn from the truth") the Gospel of Christ."

Once again the ugly head of the NEW CROSS raises itself as a tool of the enemy, to turn Christians away from the truth. Unfortunately, many are "sucked in" by their sorcery.

So let's spend a few moments seeing how almost unannounced and undetected, this Gospel of the NEW CROSS has crept into our Christian churches and polluted them! (This is especially true of those churches who pride themselves with being Judeo-Christian).

While the NEW CROSS gives every outward appearance of being the real thing, it's relation to the OLD CROSS is superficial, while the differences are fundamental.

Let me examine the NEW CROSS, point by point and show you how it differs from the CROSS taught in God's Word!

1 - This new evangelical approach employs essentially the same language as the old-time evangelism, while changing its contents and misplacing its emphasis.

As you examine the CROSS taught in the Bible, you find that it has no ties with the world system. It carries out the harsh sentence imposed by the Garden of Eden and given re-emphasis at Sinai: "The soul that sinneth, it shall die!" It is not a message sinful man likes to hear, for it is opposed to the sinful nature of "unsaved" men and women. The Apostle Paul explained it this way: "Wherefore the law (of Mt. Sinai) was our schoolmaster to bring us to Christ, that we might be justified by faith." (Gal. 3:24)

When we look at the Law of Sinia, we know immediately that we can't keep it! And knowing it's sentence, we go scurrying to find a way to safety. Our search reveals only one way out of our predicament, and this is through the shed blood of Christ, when we accept Him as Savior and King. This is the OLD CROSS!

But the NEW CROSS does not oppose the sinful nature of mankind. It recognizes it as being universal and that it crops up in the best of families. So this false religion becomes a friendly pal, and if it is understood properly, can become a source of oceans of fun and good innocent enjoyment. (Ask most any teenager what they want most out of life and they will tell you: "We want to have fun! We want to live life to its fullest!"

You see, the teaching of the NEW CROSS, allows sinful Adam to live without interference, which
is exactly what he wants. He wants to be free to "do his own thing", whatever that may be. He
doesn't have to change Ins life very much to become a church member under this "new order". His
accent is on self enjoyment, rather than on service. He is now having "fun" on a higher level,
morally, if not intellectually.

You see, the NEW CROSS teaching gives an entirely new approach to evangelism. The evangelist
does not demand that the seeker give up his or her old life before becoming a Christian. He doesn't
preach contrasts between the old life of sin and the new one of Christian dedication. He preaches
similarities. He seeks to key into public interests, especially among young people, by showing that
Christianity makes no unpleasant demands on your life. It negates completely Christ's orders in
Matt. 16:24, where He said: "If any man (woman) will come after Me, let Him deny himself, and
take up his CROSS and follow Me. For whosoever will save his (her) life will lose it; but
whosoever will love his (her) life for My sake, will find it".

The OLD CROSS demands OBEDIENCE and DISCIPLINE, while the NEW CROSS makes no
unpleasant demands on the seeker. The crux of the matter is in DENIAL. The WORD says you
MUST deny yourself, but the NEW CROSS, says, "NO!" you can continue doing worldly things,
we will merely raise them to a higher plane. (So we will have dances in the church from now on, for
that will keep our young people in a Christian atmosphere).

Whatever the sin-mad world happens to be clamoring for at the moment, the NEW CROSS will
find skillful and clever ways of accommodating. It will show the world that the church offers the
same thrills, on a higher spiritual plane of course, which will be more spiritually uplifting than the
worldly version, while giving you the same sensations.

So although the WORD of God says very clearly in Lev. 20:13 - "If a man also lie with mankind, as
he lieth with a woman, both of them have committed an abomination: they shall surely be put to
death". The NEW CROSS crowd immediately says: "But that was in the Old Testament, where God
was a God of hate; we live under the New Covenant of LOVE, and while we may hate the sin, we
MUST always love the sinner, so let them join the church. In fact, we don't even object too much if
a homosexual becomes pastor of our church. We Christians must be broad-minded, you know."

But the OLD CROSS, as found in the NEW COVENANT, has the same message: Romans 1:21)
"Because that when they knew God, they glorified Him not as God, and their foolish heart was
darkened. (Vs. 22) -"Professing themselves to be wise, they became fools". (vs. 23) "And changed
the glory of the incorruptible God into the image made like corruptible man... Vs. 24 -"Wherefore
God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own
bodies between themselves"

He goes on in Vs. 26 and 27, to explain the homosexual lifestyle, which is now approved by the
NEW CROSS, and in Vs. 32 shows that the same penalty, DEATH, that as found in Leviticus, is in
operation in the New Covenant.

While the OLD CROSS demanded the DEATH penalty for the sinner, the NEW CROSS merely
redirects him into a better way. It gives him a cleaner, jollier way of living, and saves his self-
respect. He no longer has to look on himself as a rebel against God. To the person who is "self-
assertive", it says: "Come and assert yourself in Christ!" To the "egotist" it says: "Come and do your
boasting in the Lord!" To those who seek "thrills", it says: "Come and enjoy the thrill that only
Christ can give!"

Any Christian message which is slanted in the direction of the current vogue in order to make it
acceptable to the public, while the philosophy behind this deception may be sincere, its sincerity
does not save it from being false. It is FALSE, because it is BLIND! It misses completely the true
meaning of the CROSS.

The message preached by the NEW CROSS preachers may be 97% good, but it is like rat poison
that is 97% cornmeal. It is the 3% arsenic that kills. So it is with the protégés of the NEW CROSS.
Their spurious teaching of a "pre-tribulation" RAPTURE, causes potential soldiers of Christ, to hide in their comfortable spiritual foxholes, while the battle rages, as they pray for Christ to rescue them from the results of their own apathy.

They teach that Christ did away with the Law on Calvary, and that Christians are no longer "under the law". Even though Jesus rebutted this falsehood Himself, and the Apostle Paul said in Rom. 3:31 - "God forbid!"

They seldom speak about SIN, which the Bible defines as "transgression of the law", in 1 John 3:4. So according to their way of reasoning, if there is no LAW, there can be no SIN, yet we see the results of it all around us every day.

The teaching of the NEW CROSS causes its followers to accept church doctrine, which elevates God's worst enemies, to a Chosen People status, even though the King told the Jewish leaders: "Ye believe not, because ye are NOT OF MY SHEEP" (emphasis mine), (John 10:26). In Matt. 23:14, Jesus accused the Jewish leaders of going to great length to gain converts, only to change them into "two-fold more a child of hell than yourselves", which should give you a clear picture of where Christian Zionists stand in Christ's opinion.

Yet the NEW CROSS pastors venerate them and place them on a pedestal, even though we are warned in 2 John 11 that to do so makes us "partaker in their evil deeds". How many of you who read these words will be willing to stand before God some day and answer for the millions of unborn babies who have been murdered in mostly Jew run, Jew owned abortion clinics? The Bible says you will be held accountable, if you help them! This will apply to everyone, even the Hal Lindsey's the Jack Van Impe's and the Peter LaLonde's.

I believe it would be worth our time to look specifically at the OLD CROSS. It is a bleak, stark, symbol of death! It stands for an abrupt and violent end of human life.

In Roman times when a man took up his cross and started down the road with it, he had already said "good-bye" to his family and friends. He knew he was never coming back, for the cross he bore never made any compromises. It modified nothing! It spared nothing! It slew all of the man, completely and for eternity. It made no attempt to remain on good terms with its victim. It struck cruelly and hard, and when it had finished its gruesome work, the man was dead!

Whether we like it or not, the race of Adam is under the death penalty. God told our father and mother, Adam and Eve (Gen. 2:17) "Of the tree of the Knowledge of Good and Evil, thou shalt not eat of it; for in the day that thou eatest of it, thou shalt surely die".

Our maternal grandmother Eve, preferred to believe the "tempter" rather than God, when he told her: "...Ye shall not surely die! For God doth know that in the day ye eat thereof, your eyes will be opened, and ye shall be as gods, knowing good and evil". (Gen. 3:4, 5).

The Bible tells us that when Even "saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise; she took of the fruit thereof and did eat, and gave unto her husband also with her; and he did eat". Thus death came to the Adamic race, for they began to die the moment they ate of the forbidden fruit.

Today, there is no commutation and no escape from the death penalty, whether you follow the OLD CROSS or the NEW one.

God cannot approve of the "fruits of sin", no matter how innocent they may appear to our earthly eyes. So God saves men and women by slaying them on the cross and then raising them to life through the death of His Son, our Kinsman Redeemer.

Any evangelist or pastor who attempts to draw friendly parallels between the ways of God and man, is false to the truth of God, and cruel to the souls of those entrusted to him. He will be held accountable before God for his falsehood. In Luke 17:1, Jesus told us: "...It is impossible but that offenses will come: but woe unto him through whom they come. It were better that a millstone were
hanged about his neck, and he cast into the sea, than that he offend one of these little ones".

Faith in Christ does not parallel the world, it intersects it! In coming to Christ we do not bring our old life up to a higher plane, we leave it at the CROSS. For we KNOW that the "corn of wheat, must fall into the ground and die before it can reproduce", (John 12:24).

Those of us who preach and teach the Gospel, have a tremendous responsibility on our shoulders, for we must not think of ourselves as Public Relations agents, sent out by God to establish good will between Christ and the World. We must never imagine ourselves as being commissioned by Christ, to make Him acceptable to big business, sports, the press, or modern education. We are prophets, not diplomats! Our message MUST never be one of comparison. It MUST BE - :"Repent, or ye shall all likewise perish," (Luke 13:3).

This is why I am somewhat skeptical of the professional athletes who claim to be Christian. They say they "love the Lord", yet continue to play ball on Sunday, when they know they are keeping many people away from church. What they profess, is not consistent with what they do!

The Christian compromise with sports and the world has gone so far that the Catholic church holds a Saturday night mass, so that its people are free on Sunday to do what they want while a huge Southern Baptist church in this area, has a special meeting during the week, for its members who work in the local casinos. No wonder our nation is in trouble when we put ourselves first before God. Isaiah 58:13 we read: "If thou turn away thy foot from the sabbath, from doing thy pleasure on My holy day; and call it the sabbath of delight, the holy of the Lord; honorable, and shall honour Him, not doing thine own ways, nor finding thine own pleasure, nor speaking thine own words: Then shalt thou delight thyself in the Lord, and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father; for the mouth of the Lord hath spoken it". How many so-called Christians do you know who follow this admonition?

God offers eternal life to all those who will come to Him through His Son, Jesus the Christ. He does not offer an improved life, as the NEW CROSS teaches, but a NEW LIFE, out of death! Whoever wants to possess it, must be willing to "pass under the rod". They must be willing to completely repudiate themselves and agree with God's just sentence against them.

What does this mean to the individual? to the condemned man or woman who is seeking life through Jesus Christ? There is only one way this theology can be transmitted into life! It is quite simple. It comes as one is brought under conviction by the Holy Spirit and who is willing to repent! They MUST be willing to completely forsake their sins, the worf96and themselves! They must cover nothing, defend nothing in the old life, excuse nothing! They MUST come not seeking terms at the hands of God, not to "plea bargain" with Him, but with a willingness to bow their head before the stroke of God's displeasure, acknowledge that they are worthy of it. Hebrews 10:31 tells us: "It is a fearful thing to fall into the hands of the living God." It is not the easy, "speak a little prepared prayer and ask Jesus into your' heart," that the modem evangelist loves to speak about.

This is not something one can safely "fool with", for "Be not deceived, God is not mocked, whatsoever a man (woman) sows, that shall they also reap." (Gal. 6:7)

Once you come to the realization that you are helpless to save yourself, that no amount of wealth, prestige, or good works can give you eternal life, then you are ready for Holy Spirit conviction of sin, which will cause you to repent and gaze upon the face of the risen Savior, accepting His sacrifice made for you. When you do this, then power, and life, and rebirth, and cleansing will come into your life.

The same CROSS that ended the earthly life of the Son of God, now puts an cod to you, the rebel and sinner, with your earthly desires. Then the same power that raised Christ from the dead, will raise you up to a new life in Christ Jesus. It is not an elevation and bettering of the old life, it is something completely new, a new beginning!

Many will object to this assessment. They will say it is too "narrow," or is my private view of
salvation. Yet God has set His "hallmark" of approval on this message from the day of the Apostle Paul to the present, whether it has been stated in these exact words or not. This has been the context of all the preaching that has ever impacted and brought true power to the world in the last Twenty Centuries.

If you don't have this power and witness in your life, I suggest you take a close, personal inventory of your Christian experience, to make sure that you received the truth of the OLD CROSS, rather than the falsehood embodied in the New.

The Reformers and Revivalists of Christendom put their emphasis on the OLD CROSS, and men, women, and children; whole communities and countries were saved through the mighty operations of the Holy Spirit. Point out to me, if you can, one mighty revival in the last fifty years that has changed the spiritual face of America. The "high powered" evangelist sweeps into town with his entourage and fills the football stadium night after night. Service after service people flock forward at his persuasion to kneel at the altar and sign a Commitment Card. The media headlines "forty thousand saved in this Holy Ghost revival." Then the evangelist leaves, and the city returns to pretty much as it was before. The bars remain open, the prostitutes and pimps still prowl the streets, the dope peddler can still be found at his favorite corner, and the places that peddle flesh and pornography still continue at full speed.

compare this to the old revivals, preached under the OLD CROSS, that took place in the Nineteenth and the beginning of the Twentieth Century; preached by men like D. L. Moody, Billy Sunday and other Spirit filled men. The bars were closed, pimps and prostitutes were saved, the halls of pornography were closed, WHY? Because the power of the OLD CROSS causes men and women to change, while the preaching of the NEW, may bring church members, hat in many instances they are the "salt which has lost it's saltiness

Today, with time running out, this country, and all of Christendom for that matter, needs a real dose of the OLD CROSS, in order to survive. It is the only medicine that will put the FORMULA FOR SURVIVAL into operation. "If my people, which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will HEAL THEIR LAND," (2 Chron. 7:14, emphasis 'nine). How we love to quote this verse in the churches of America. But have you ever heard your pastor preach a sermon on Isaiah 59:1, 2?

n this passage we are told that God has not lost His power. He is the same God that opened the Red Sea, shook down the walls of Jericho, and stood beside the Shepherd boy David as he faced the Philistine giant Goliath. But verse 2 says: "But your iniquities have separated between you and your God, and your sins have hid His face from you that HE WILL NOT HEAR" (Emphasis mine!) Why don't we hear this message preached from our pulpits? Is it because it is not a pleasant message and does not fit in with the gospel of the NEW CROSS? Instead we have God pictured as some grey bearded grandfather character, sitting on a fluffy cloud, as He looks over the earth and says: "I know they are a bunch of ornery little devils, hat I love them so much that I will make certain they all get into my kingdom." No way! No matter what the apostates preach differently!

Today as the clouds darken, the thunder rolls, the lightning flashes and the storms of the New Age Movement move in, we need to KNOW that we have a FORMULA FOR OUR SURVIVAL that will work. It will work because God said it would! (2 Chron. 7:14)

Must our people be driven to their knees and have their nose rubbed in the dirt, before they will "listen to God, OBEY, and be saved both spiritually and physically?" In the "olden days" our forefathers were called "stiff necked", and looking back over the last 35 centuries, it doesn't seem that we have learned very much. We certainly haven't learned the lesson that: "He who does not learn from the mistakes of history is bound to repeat them."

In I Cor. 10:11, we are told that the warnings of scripture were for our example and "written for our admonition." That's why Deut. 28 was written. It clearly outlines the blessing that come through
OBEDIENCE, and the curses that come when we disobey.

It is the story in brief of modern Christendom and what is happening to us. Notice vs. 25 - "The Lord shall cause thee to be smitten before your enemies. Why do you think that great, powerful Uncle Sam was defeated in Korea and Vietnam by nations smaller than most of our states? We did not win a victory with honor in either war. We lost them! Not because of the lack of bravery on the part of our men in uniform, but because of the lack of moral courage on the part of the men who were running our government. Then to add "salt to our wounds," these same men abandoned our "prisoners of war," often to a horrible death and are now "licking the boots" of our one time enemy, in order to get material gain. How much more immoral can leaders become?

In vs. 33 we are told that "The fruit of thy land, and all thy labours, shall a nation thou knowest not eat up ..." If you can't see this happening in our Foreign Aid Program, it is because you have deliberately closed your eyes and mind to the truth.

Vs. 43 says - "The stranger that is within thee shalt get up above thee very high; and thou shalt come down very low. He shall lend to thee, and thou shalt not lend to him; he will become the head, and thou shalt be the tail." Under the NEW CROSS theology this is what has happened, until today, we see once Christian America, being run by heathen aliens who hate our God. (Look at President Clinton's appointees to high government positions. The vast majority are Black, Hispanic, or Jews, and very few qualify as Christian. Many are oriented towards the immorality of sodomy).

In verses 58-61, we are told the diseases that will come because of our disobedience. Could AIDS be one of them? The health of America is in jeopardy today in spite of the billions we spend on Health Care Programs. And we haven't seen anything yet, unless we repent and turn to God. The NEW CROSS will not save us! Under the OLD CROSS, we have two options: (1) "God's way - the easy way"; (2) or, we can continue "doing our own thing", and learn that "The way of the transgressor (they who buck God), is not only very hard, but that it ALWAYS leads to DISASTER"? Why is it that the adherents of the NEW CROSS never teach this eternal truth?

Dare we, as heirs to God's legacy of power, tamper with the truth? Dare we, with our stubby little pencils, erase the lines of God's blueprint or alter the pattern God showed us at Calvary! God forbid!

Let us return to preaching the "whole counsel of God's Word; the OLD CROSS", and know once again, the firsthand power and victory which can be ours through Christ Jesus.

I dare you to look closely at yourself. Stand before the mirror in your comfortable home and look yourself straight in the eye, if you dare. Search your heart! What CROSS do you preach? The OLD or the NEW? Which King do you follow, the King who died for you on the OLD CROSS, or the anti-Christ Lucifer of the NEW?

The End
Background To Betrayal! New Edition!

(A Message of Warning to Sleeping Christian Americans!)

'A wonderful and horrible thing is committed in the land; the prophets (preachers) prophesy (preach) falsely and the priests (political leaders) bear rule by their means; and my people love to have it so; and what will ye do in the end thereof?' - Jeremiah 5:30, 31

Background To Betrayal!

The word BETRAYAL, going "hand in hand" with TREASON, is no longer a popular word in the English language. Once looked on as a heinous sin, it has become so common place in the nations of Christendom, that it seldom raises eyebrows anymore.

In Isaiah 58:1, God's messengers are admonished to: "Cry aloud! Spare not! Lift up thy voice like a trumpet, and show my people (Israel) their transgressions".

This is no longer popular, and for the most part, our pastors have refused to do this. As a result, the patient is very sick, and is in extreme danger. Unless something is done soon, he will die a horrible, painful death!

But the strange and alarming fact is that the doctors we have put in charge of the patient's welfare, (and of course we are speaking about the United States and Canada in particular) have betrayed his trust. In fact, they are doing everything in their power to weaken him and hasten his demise. They have allowed quacks to dictate his treatment, which has become detrimental to his recovery.

"A serious charge", you say, and indeed it is! Especially since it is true!

This patient is very dear to most of us, for it is our land. The men we have put into office for the past eighty years, for the most part, whether Republican or Democrat, have allowed the enemy to infiltrate our government and dictate the course of our nation. Their ultimate purpose is to destroy this Christian Constitutional Republic. They openly brag about their nefarious plans!

We all know that America is hopelessly in debt! In spite of all the words we hear from Washington, about "balancing the budget", our government leaders know this is impossible as long as the Federal Reserve is in charge of our economy. We have been sold a "moral code" which stinks of death and corruption, often promoted by "frocked devils", who stand behind the pulpits of some of our most prestigious churches, masquerading as Christian shepherds, when in reality they are henchmen of the devil.

In order to hasten the demise of the patient, measures are being constantly passed by a "captive" Congress, (recently a high ranking Israeli official boasted: "We have the best Congress money can buy!") which are turning citizen against citizen through a heathen philosophy which has invaded this once Christian nation from Eastern Europe, which was designed to enslave us under their New World Order.

The "loud mouthed" liberals with their high sounding talk about "loving everyone", and "all men are created equal", have very little love for the Blacks, the Indians or the Chicanos, and by their own actions are preparing these people as "cannon fodder" in a coming racial war, which will make Bosnia and Rwanda look like Sunday School picnics in comparison. Listen to Article II, par. 5, in their "Plan for World Conquest!" 'Through the press we have gained the power to influence while remaining ourselves in the shade; we have the gold of the world in our hands, not withstanding that we had to gather it out of oceans of blood and tears. But it has paid us! Although we have sacrificed
thousands of our own people, each victim on our side, is worth in the sight of G-d, a thousand of the
goyim" (Non-Jew animals). In 1858, a Rabbi Reichhorn, head Rabbi of France, at the funeral of
another rabbi, said: "Wars are the Jews harvests! With them we kill off the Christians and gain
control of their gold. We have already killed 100-million of them, and the end is not yet".

Maybe you are one of those "brainwashed" people who can look at the terror of Bosnia or Rwanda,
and say: "It will never happen here!" But it is happening, right before your eyes, if you would only
be willing to open them and see the truth! It does not take an extremely intelligent person to see the
disintegration of America taking place before our eyes, and when you see this, you may be able to
understand the significance of Khruschev's words years ago, when he stood behind the podium of
the U.N. in New York City, pounding on it with his shoe, as he screamed: "We will bury you!" Or
maybe you are one of those "brainwashed sheeple", who believe that "Communism is dead!"

Most American politicians, and of course the gurus of the media, put down words such as those of
Khruschev, as the ranting of a little peasant. Yet when he returned home, according to Pravda, he
stated: "I went to America and spit in their face, and they thought it was dew!" So much for our
political brilliance! As a result, in spite of all you hear to the contrary, the previous Communists
countries, are all controlled today by "hardnosed Communist Jews" who hate our guts, and wish for
our destruction! They say so openly!

As far back as 1949, Dmitri Manualisky, head of the United Nations Security Force, from his
position as Under Secretary of Military and Political Affairs of the U.N. said: "Communism and
capitalism cannot long exist side by side. We are not strong enough now to destroy them (the U.S.)
so we will begin by producing the greatest peace offensive the world has ever seen. There will be
unheard of concessions on our side, and the Capitalist nations, stupid and decadent, will leap at the
chance to be our friends; they will rejoice in their self-destruction. Then, when their guard is down,
and they have gone to sleep, we will SMASH them with our clenched fist!"

While that boast was made over 45 years ago, our government, while spending hundreds of billions
of dollars on defense, has actually saved them from economic disaster on at least fourteen major
occasions, using your tax dollars and today we are in the process of building them up again to the
point where they can destroy us. If they pose no danger, then ask yourself why they are producing
two nuclear submarines each quarter, when we have not built one in the last five years. Why are
they building two nuclear Supercarriers per year, when we have stopped all construction on ours?
Could it be that we have really "gone to sleep", or is TREASON rife in Washington, DC.?

Have all these strange things taken place through some strange evolutionary process, or have they
been deliberately caused for a Satanic purpose, the long range destruction of Christian America?

For over fifty years, decent, God-fearing Americans have watched in frustration, the painful and
rapid disintegration of the greatest nation the world has ever known. During this period we have lost
our International prestige, and have gone downhill in economics, politics, and moral and military
strength.

Most Christians have stood by in frustrated silence, as our Constitutional processes have been
eroded, our competitive free enterprise system has been replaced with a socialist welfare State, our
national resources depleted and given to our enemy in the name of "detente".

We have stood helplessly on the side walks of this nation, as our sons and daughters have been
sacrificed in two major "nowin" wars, neither of which was fought for American interests, and both
of which were fought under the spider flag of the United Nations, for the benefit of the International
Banking Bandits.

Today, this country is in retreat on every front. Our moral and spiritual decline has reached the point
that where once great churches, which were "light houses for the Gospel" a few years ago, are now
"religious country clubs" where men and women attend because of the prestige it gives. Others,
with their "flashing psychedelic lights and religious rock music", have turned into "glorified
religious honky tons." All one would need to do is put a flashing red light over the entrance and they would fit comfortably into any whore house district in the city, complete with a Sodomite as pastor. Today the gospel of most churches and of the TV evangelists, is the Social Gospel, courtesy of the Talmudic influence on Christianity.

Today, America is faced with a "black out" of TRUTH. How can our people understand the dangers we face, when the media is controlled by our enemies, and our churches are often under this same control? Why are we in retreat everywhere?

This message is not for the purpose of discussing our defeats of the past, although there have been many unnecessary ones.

It is not to point out the lowering of America's morals, for I'm sure you are intelligent enough to see that for yourself. This message is an attempt to show you how we have lost, and are losing our freedom, and to map a remedy which will stop this!

I want to show you how these problems have been deliberately manipulated to bring about the present crisis, where we see men like President Clinton who are openly contemptuous of our Constitutional laws, and promotes those who are hostile to the concept of a Christian Republic, while hypocritically attempting to pass themselves off as Christians.

It is not so much that men like Bill Clinton do not understand the problems which are confronting us, as it is that they are determined to "do their own thing", regardless of how many laws of God and man they break in the process. It has become like the early days of world history, when there was chaos, as "every man did that which was right in his own sight!"

The facts I present in this message are not popular with the majority of Americans, even those who go by the name of Christian. To some of you they will seem repugnant and diametrically opposed to what you are being taught in your own church and by the media. Some of you will be inclined to scoff before you read very far, and many may stop reading when you read facts which conflict with what you believe.

I am not concerned with that, for my task is to give you the TRUTH. What you do with it, immediately becomes a personal matter between God and you, and He will hold you accountable for what you do with this truth!

A time came in my life, (after I began my CRUSADE FOR CHRIST AND COUNTRY MINISTRY, in fulfillment of a promise I made to God when I was a prisoner of the communists in Korea), when I was tremendously disturbed by what I saw taking place. One day, during my daily Bible Study, I read 2 Chron. 19:2. It is the story of a Godly king named Jehosophat, who was seduced into helping an evil king named Ahab in a war that was going on. He told Ahab: "My people will be as your people in this

In the battle which followed, Ahab was killed, and Jehosophat escaped by the "skin of his teeth". When he returned to Jerusalem, he was met by a prophet of the Lord who told him . . . Shouldest thou help the ungodly? and love them, that hate the Lord? Therefore is wrath upon thee from before the Lord". Maybe the Judeo-Christian preachers who praise the anti-Christ of Judaism, calling them God's Chosen, should meditate on these words before they bring His Wrath on them and their people.

If God never changes, as the Bible clearly teaches, then He hates atheist nations as much today, as when He had them destroyed centuries ago. In Psalms 9:10 we read: "The wicked shall be turned into hell, and all the nations that forget God". I don't see how it can be any clearer!

God hates atheist nations, whether they be Communist China, or atheist Zionist-Israeli. How can Christian Americans spend a large portion of our Foreign Aid, giving "aid and comfort" to a people who hate our God, and hate everything we stand for as Christians, and have declared their intention of ultimately destroying us? I cannot understand any Christian pastor who would back the enemy!
I do not ask you to believe what I write in this message, but I do expect you to be honest enough to check out the facts I mention. I dare you to put them under the most powerful magnifying glass of truth you can find; in this case the Holy Bible, and when you find that what I say, is backed by God's Word, then have courage enough to act on this truth, whether your pastor is willing to accept it or not. If he refuses to teach the truth, maybe it's time for you to get a new pastor or change churches. Thousands are doing just this!

Some of the last documented information you can obtain on what I write about, will come from a book IRON CURTAIN OVER AMERICA, written by Col. John Beatty, in 1951. He is a retired former Intelligence Officer with Army Intelligence and was Chief of the Army Historical Section. Some of the information I will give you in this message is taken from his book. I suggest you get a copy for your library. Because of it's contents, both the book and it's author have come under constant attack from Zionists, Communists, and the "brainwashed" Judeo-Christian church.

The facts I learned through diligent study, convinced me that Christians MUST learn to differentiate between Zionism and Judaism, as they are not always the same. Yehudi Menuhin, the famous Jewish violinist once said: "I am an integrated citizen of the United States. I am a Jew by religion and by nothing else". This man waged a relentless and courageous campaign against Zionism, which is the militant, political arm of Judaism. He stated: "they only use and abuse their religion to promote Jewish nationalism, the new religion of so many subverted and brainwashed Jewish people". Remember, ours is not a vendetta against the Jewish people, and here I depart radically from some of my Identity brethren who do not believe a Jew can be saved. I do not consider this to be scriptural. This is where I differ radically with those who promote the SEEDLINE DOCTRINE.

I am not against the Jewish people, but against the philosophy most of them propagate, which is their desire to destroy America and White Christian civilization. This is their threat!

There are patriotic Jews such as Alfred Lilienthal, author of the revealing book THE ZIONIST CONNECTION. (This is another book every concerned Christian should read and have in their library. Especially you pastors who back Zionism). He says: "I believe I articulate the voice of many Jews who wish to think American, but who will not volunteer any expression of their innermost feelings, even though they may cheer from the sidelines. I cannot tolerate Israeli turning me and others, who regard themselves as Americans of Jewish faith, into second-class citizens in our own country . . . yet today, if I wish to maintain my religious affiliation, I am bound, whether I like it or not, to help, assist, give to, lend to the foreign state of Israeli, in a manner in which non-Jewish Americans do not have to do. I refuse to be a hyphenated American. I am neither an American-Jew, nor a Jewish-American. I am an American of Jewish faith, and the Israeli flag is not, has not, and never will be mine". (Taken from THE READERS DIGEST in 1950).

So be careful that your prejudice against Jews and their connection with Communism does not color your thinking concerning all Americans of Jewish faith. To do so will be fatal to our very understanding of the meaning of Americanism. We MUST be alert to the dangers posed by Zionism and let our people know about them, but we MUST not create a climate of hatred which can destroy us all!

I seriously doubt that any of you who read this message, would shoot your watchdog if he barked at night, warning you of an intruder. Yet this in essence is what has happened in the church world in particular in recent years. Only informed Christians, with the help of Almighty God, can save America! The ancient prophet said: "My people are destroyed for lack of KNOWLEDGE". Not "lack of education", as so many seem to believe, but lack of KNOWLEDGE. There is a great deal of difference between the two.

The great Roman Senator Cicero once said: "It is impossible to know the truth and not be held accountable for it! So I warn you, once you read the truths I will reveal in this message, God will hold you accountable for them, whether you wish to believe them or not! Once you know the truth,
you will have no excuse to remain in your "spiritual foxhole" while the battle for survival rages all about us.

Probably our most difficult task will be to get good, "born again" Christians involved. For as Edmund Burke said: "All that is necessary for evil to succeed, is for good men to do nothing".

We will not lose our freedoms at 3 am. when we answer a knock on the door and are confronted by a man with a red star on his helmet and an automatic rifle in his hands, who says: "Come with me! I'm taking you to a concentration camp!" We will lose it when decent Christians, like you and I, see what is happening, and sit back saying: "I'm only an individual you know. Everyone knows you can't buck city hall!" and when enough Christians feel and act this way, we will lose America. Freedom will die, and we will bury her with this epitaph engraved on her tombstone: "Americans died, because the Christian people of America didn't want to be bothered". Then we will answer before God for our refusal to act!

For us to fully understand what is happening today, we need to go back more than a thousand years in history to look at the fundamental problem of Europe, which was the source, seat, and historic guardian of Western Christian civilization. The problem has always been to save Christendom from the inroads of a heathen philosophy which had and still has its source in Asia.

From the fall of the Roman Empire in the West in 476 A.D. to the present time, one of the principle weaknesses of the Christian world has been in its lack of unity. Wars have been fought, brother against brother, which were instigated by a heathen philosophy for the purpose of destroying White Christian civilization. In one of the principal documents of this enemy, Article 7, Par. 1, says: "The intensification of armaments, the increases of police forces are all essential for the completion of our plans ..." Throughout the world, we must create ferments, disorders and hostility. Here we gain a double advantage. In the first place we keep check on all countries, for they will know that we have the power to create disorders or restore order. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all the States. We must be in a position to respond to every act of opposition by war with the neighbors of that country that dares to oppose us, and if they should venture to stand collectively against us, we must offer resistance by universal war (World War). We must compel the governments of the Gentiles (non-Jews) to take action in the direction favored by our plan. If our terrorist attempts against them fail, (and the Israeli Mossad is today the foremost terrorist organization in the world) if we allow a general uprising against our control, we shall respond with the guns of America, or China, or Japan". (We see this clearly today in America Foreign policy, where the United States is playing "world policeman" for the United Nations, under Zionist control).

These breeches were healed in Europe to a certain extent during the Crusades, when men were roused to go to the Holy Land and release Jerusalem from the hands of the infidel Moslem hordes. For nearly a hundred years (1099-1187), the Latin Kingdom of Jerusalem ruled in Palestine, until it was finally driven out by the Saracens under their brilliant leader Saladin.

During this same period a great spiritual unrest rose in men's hearts. This culminated when Martin Luther nailed his ninety-five thesis on the church door at Wittenberg, German in 1517.

The new form of Christianity he began was known as Protestantism, for this was what it was. It protested many of the heathen practices of the Roman Catholic church, and the authority the Pope held over the church. It made remarkable progress among the German people and many of the Teutonic knights embraced this new faith. These men had a strong sense of duty and loyalty to Christian principles and from them, came the brilliant statesmen that made Prussia great.

From the very beginning, the relationship between Germany and the United States was friendly. Not only was the basic blood stream of English descent almost identical to that of the Germans, but in addition over 25% of the early American settlers were of German descent.

In the early 1900's, Germany was admired by this country. She was a strong, Christian nation, part
Protestant, and part Roman Catholic, which exhibited many of the same characteristics which had made America into a world power in a remarkably short period of time.

Then World War came in 1914, in which Britain, France and their allies opposed Germany and her allies. Since the people of America admired both these groups, they were reluctant to join sides. Here was where the foreign, Asiatic influence began to take effect, as under extreme Zionist pressure, this country was literally seduced into fighting against our racial brethren in Germany. It might be well here to recall the words spoken by Rabbi Reich horn in 1856, when he stated: "Wars are the Jews harvests; with them we kill off Christians (in this case, both in Europe and America) and gain control of their gold. We have already killed 100-million of them, and the end is not yet".

In this war, we suffered 116,708 casualties, plus the hundreds of thousands who died in other countries. This war cost the American taxpayer an estimated 32.7-billion dollars, most of which went into the pockets of the Zionist International banker bandits.

Chaim Weismann, a well-known Zionist leader stated in Paul Goodman's book WEISMANN, A TRIBUTE, written in 1945- "We Jews are the greatest war profiteers".

The great majority of American Jews were trapped into support of the Zionists, by not being told the facts. It is the same problem encountered among the Judeo-Christians of America. It is a known fact, often bragged about by wealthy Jews, that they made a killing off World War 1,11, and our subsequent wars.

During the buildup when America faced World War I, Woodrow Wilson campaigned under the slogan: "I kept America out of war!" Yet while he was spouting this cliche, his mysterious, Zionist, right-hand man, Col. Edward Mandel House, was in London, working side by side with Winston Churchill, another Zionist sympathizer, to bring America into a war she did not want, on the side of Britain.

So strong was American anti-war feeling, that it took an incident like the sinking of the passenger ship Lusitania on May 15, 1915, by a German U-boat off the coast of Scotland, to bring America into a war she did not want. It has been proven that the Lusitania was loaded with explosives and that Germany had openly warned, in such well read newspapers as the NEW YORK TIMES, that if she sailed, Germany would seek to sink her. In spite of this, gullible America was suckered into the war by this atheistic, Asiatic influence we have been speaking about.

Those of you who remember your history, will recall that World War I was touted in the controlled media as a "war to end all wars", when in reality it was just the beginning of our International problems. This greatest spilling of blood between kinsmen of all times, did not bring peace, although it put much wealth into the hands of those who caused it!

At the end of WWI, a secret agreement was made between President Wilson, Prime Minister David Lloyd George of England and Prime Minister Clemenceau of France. These leaders dictated peace terms to conquered Germany, which laid the groundwork for the takeover of control by Hitler a few years later.

The financial crash came in Germany in 1923, when German money, devalued by the International Jewish bankers, caused the people to suffer terribly, especially those in the industrial areas. In their hunger and desperation, as they saw wealthy Jews buying up their mortgaged property for a few cents on the dollar, they began to blame the Jews for their financial problems. They were also influenced strongly by the fact that a great percentage of German Jews were Communists, or communist oriented. Many were leaders in the communist movement.

This attitude was intensified as the German Zionists gained power, and using funds accumulated from race-conscious Jews in other countries, they began buying up German property. Thousands of Jews rushed into Germany to get in on the "gravy train". As they gained power, they further tightened the "economic screws" on the German people, so that when Hitler arrived on the scene, they were looking for someone to save them from the Jewish vampire which was sucking their
national lifeblood!

At the end of World War I and continuing into World War II, the American people were seduced by clever Jewish propaganda, disseminated through the Jewish controlled media, and Hollywood, into a fanatical hatred of Germany and all things German. Terms such as "boche", and "hun", became common, as well as stories of atrocities committed by German troops, when historical records shows that they were among the most disciplined forces in these wars. Stories were told of Jews being skinned, with lamp shades being made from their skin; of Jews being melted down to make soap, and many other stories, such as the prevalent myth that 6-million Jews died in German Concentration camps. All have been proven false, yet the majority of Judeo-Christians still believe them.

I have in my files a copy of the 1930-31 JEWISH YEARBOOK, which shows the total Jewish population of Europe in 1930 to be under 3-million, and we know that hundreds of thousands of Jews fled to Palestine and the "Promised Land" of America during this period. Yet today, Jewish propaganda against the "bad old Germans" still continues unabated. Hollywood still cranks out "goose stepping" anti-German films, while saying nothing about the over 100-million murdered by Zionist controlled Communism. (Maybe the fact that many millions of these murdered people were Christians, make the difference? After all, their Talmud says that "one Jews is worth more in the eyes of G-d, than 1,000 goyim (non-Jew animals)".

In 1936, Britain sought to come to some workable agreement with Hitler, and President Franklin Roosevelt, in his first term of office (1933), recognized Communist Russia, while remaining neutral towards Germany. Then in October 1937, in a speech made in Chicago, FDR did a complete "about face" and came out with a strong tirade against Germany. The task of the anti-Germany propagandists in the U.S., was made easier when Adolf Hitler showed up on the German scene.

In order to better understand what has taken place. It will be necessary for us to go back on the stage of history to the First Millennia of the Christian Era. At this time, several tribes occupied the area between the Don and Volga Rivers, north of the Caucasian Mountains. They were known as Khazars. By slow stages, they extended their boundaries by conquest to the Sea of Azar and the Black Sea. They were a people of mixed Turkish and Mongolian stock.

In the 8th Century AD., the Khazar, tribal chief, wanted a State religion for his pagan people. He adopted a form of Judaism, which was strongly influenced by the Babylonian Talmud and which was in complete opposition to Mosaic Laws. All one needs to do to understand this is to compare the Talmud, with the Old Testament of the Bible, especially the books written by Moses.

It was the Babylonian form of Judaism, which had become mixed with Babylonian occultism, that became the religion of these nomads.

The Slavic people in the areas we now know as the Ukraine, were engaged in constant warfare with the Khazars, and by 1016 AD. had driven them out of this area. These "bogus" Jews, went north and became widely distributed across Western Russia. (It is important to note that they are neither Semitic, nor do they have any of Abraham's blood in their veins).

Their religion was that of the Pharisees of Jesus' time, when He accused them in John 8:44, of "being of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there was no truth in him. When he speaketh a lie, he speaketh of his own, for he is a liar, and the father of it". (Don't get angry with me, these words are not original with me, they come from the lips of your Savior. He told these same Pharisees in Matt. 23:35, that they were guilty of "all the righteous blood shed upon the earth from the time of Abel . . .". (Could He have been foretelling Jewish caused wars?)

In Rev. 2:9; 3:9, the Apostle John writing to the church in Smyrna, stated that the risen Christ had said: " . . . I know the blasphemy of them which say they are Jews and are not, but are of the synagogue of Satan." These are the one's your pastors are touting as being God's Chosen. Who are
By now, many who have read this far will be convinced that I am anti-Jew. But this is not true! All I'm doing is giving you some facts, which your pastor has carefully left out. These same facts are available to you if you will take the time and effort to look for them. We have been propagandized from our pulpits for so long, that the Jews are God's Chosen, that most Christians are afraid to face up to the truth. When someone comes along with the truth, he is immediately labeled as "anti-Semitic". This is an old Communist trick!

Have you ever heard of national newsmen like Walter Cronkite, David Brinkley, or Peter Jennings, say anything about the Jewish pressure which literally runs our government? Have you ever wondered why a respected Army officer like Gen. Brown, who was Chairman of the Joint Chiefs of Staff, was forced into an apology, after he warned Americans that we had better check into Zionist pressure in our government? Have you wondered why in the past, good men have been driven out of Presidential races, because they have had the courage to mention this Jewish menace?

Have you ever wondered why the Israeli can do not wrong, as far as the media is concerned? Try and think logically, as you realize who owns and controls the media. Have you ever heard a word of complaint against the Israeli government for their acts of terrorism against Arab Christians? Of course you haven't, and you never will as long as Jews control the means of news dissemination. While the media tells us how important the Israeli are for us, and how it is necessary for us to support the holy "democracy in the Mid East", you never hear that the Israeli were the first country to vote against us in the United Nations, when it came to approving Nationalist China's entrance into the United Nations. This is not being anti-Semitic, it's merely telling the truth. The Zionists cannot stand the truth, and this is why their only defense is "name calling", and use of smear words such as "Anti-Semite!" Most so-called Christians are more afraid of being called "Anti-Semite", than of being labeled as anti-Christ!

The relationship between the Slavs and the Jewish Khazars was never a very happy one and it had nothing to do with religion, or racial origin, since the Slavs had absorbed many minorities into their culture with new problems.

The reason for this friction was purely ideological. As time passed, these Khazar people of mixed and non-Russian stock, came to hate the pure Russian, and became known to the world as Russian Jews. Although they bore the Jewish label, they could lay no claim to the bloodline of Abraham, nor to the Hebrew religion as taught by Moses.

It is interesting to see how Jesus mentioned this to the Pharisees in Matt. 15:3, when He asked: "Why do you transgress the commandments of God by your traditions?" In Mark 7:13, He accused them of: "Making the Word of God of none effect through your tradition ... Since the Babylonian Talmud, which according to Jewish religious leaders is the "heart blood of Judaism", is distinguished by magic incantations, and practices of heathen occultism, these strange people have become known worldwide for their fanaticism and their corrupt morals.

We hear a great deal from American pulpits, and from TV evangelists like Jack Van Impe, about the persecution of the Jews. Van Impe says they were kicked out of every nation in Europe because they are God's Chosen, ci jid Satan hates them for this. But a little investigation will show you that they were evicted, not because they were religious Jews; not because of their religion; but because of their corrupt morals and their under-handed deceitful way of doing business, and their habit of robbing their Gentile neighbors, when they could get away with it! But what can you expect, when this is taught and encouraged in their Talmud?

The Judaized Khazars became not only an indigestible mass in the body politic, but were classified as a "State within a state". Always, their first loyalty is not to the country in which they reside, but to world Jewry. In the United States, they are the only people who have been granted "dual citizenship", and when the "chips are down", you can always depend on them to back Judaism. In
every instance, they have turned against the countries which have given them refuge, to stab them in
the back. Check the names of those who have been tried and found guilty of treason in the U.S. over
the last hundred years, and you will find them to be preponderantly Jewish. They have proven they
cannot be trusted, for even their oaths of office are nullified by a promise they extract from God
every year on the Day of Atonement, known as the Kol Nidre oath. According to their teaching, this
allows them to make promises and break them without gaining God's disapproval.

It was in the fertile grounds of Khazar-Judaism that the seeds of Communism grew with astonishing
rapidity. The Khazar Jews were attracted to the writings of another Khazar Jew named Karl Marx,
during the period 1881-1883, when Communism was becoming a "way of life" among the Jewish
people in Russia. Shortly after the Russian Revolution in 1918, the leading Jewish newspaper in
America, carried a front page article which said: "The concepts of Bolshevism are consonant with
(in agreement with) the finest ideals of Judaism."

The Marxist program of State control over everything, which was so repugnant to the mind of
Christendom, was no obstacle to the Khazar Jew, since the Talmud taught acceptance of control and
actually contains over 12,000 of these controls.

While Russia was staggering under it's defeat by Germany in 1917, the Communists, whose "hard
core" was made up almost exclusively of Khazar Jews, struck against the government and with the
financial help of Zionist bankers in the United States, took over control of this vast but unhappy
land, Jacob Schiff, a Jewish banker from New York, sent $20-million in gold for this purpose.

The first Communist commissars were almost exclusively Jewish. According to data furnished by
the Soviet press of this time. Out of 556 important functionaries of that first Bolshevik State in
1918-19, 457 were Khazar Jews, many of them from the East Side of New York.

It was from, this same ethnic group that political Zionism took root in 1884, under a Khazar Jew
named Thedor Hertzl, Mr. Hertzl resided over the first Zionist Congress which met in Basil,
Switzerland in August 1897.

Dr. Chaim Weismann, the head of political Zionism when it first reverted to violence, was born in
Poland of Khazar stock.

Political Zionism entered its violent phase, when discovery was made of the incredible mineral
wealth in the Dead Sea, in southern Palestine. Before this there was very little Jewish effort to
return to this area. But a Jewish State was seen, by World Zionism, as the only method to gain
control of this land, and it's wealth, which was necessary for the Zionists in their drive for world
domination.

I am sure that many of you who have read this far, are still unwilling to admit what I am saying,
although all of it is carefully documented. You have been taught in your churches for years, under
clever Jewish "brainwashing", that these Christ haters are God's Chosen people. It was to the
Hebrews, not the Jews, that God's promises were given. When His promise of Gen. 15:18 was made
with Abram, it was made to a Hebrew. There were no people called Jews, anywhere on earth until
centuries later, when they first show up on the Bible scene in 2 Kings 16:6, fighting against Israel.
When a preacher uses the term "Jew" to describe Abraham, he is either an example of extremely
bad scholarship, or is being "intellectually dishonest". In fact, the word Jew was unknown in the
English language until the beginning of the 18th Century. Before this the word IOUDEAN (Judean)
was used, which referred to the inhabitants of Judea, and had no religious meaning as the word
"Jew" has today.

There are many documents which prove without the shadow of a doubt, that the Khazar Jews were
and still are in the forefront of communist efforts to control the world. In spite of propaganda from
the Jew controlled media, to the contrary, communism is not dead, it has just retreated and is
surfacing under another name.

Gus Hall (Hallberg), perennial head of the American Communist Party, was the Jew who predicted
many years ago, that he would supervise the slaughter of 60-million "hopelessly diseased Capitalist Christian animals" (goyim), and that he would live to see the "last Congressman strangled with the guts of the last Christian preacher".

There were Jews like Lenin, Trotsky, and Stalin, who were principle movers and murderers of millions of Christians in Russia.

There were Jews like Harry Gold (Abraham Brothmann); Miriam Moskowitz; M. Sobell; David Greenglass; Julius and Ethel Rosenberg and others, who were proven traitors to the U.S. as they sold our atomic secrets to the Soviet Union. Only the Rosenberg's were executed as traitors, and the Zionist press in America, is now trying to make martyrs out of them.

In 1951, when Dr. William Perl, of Columbia University was arrested as part of a Soviet Atomic spy ring, it was discovered that he had changed his name from Uttererl to Perl, to hide it's Jewish identity. At this time the head of the Communist Party in America was another Khazar Jew named Gerhardt Eisler.

It is also interesting to note that almost 100% of the Jews involved in Communist activities in the U.S. have been of Khazar origin, which simply means that they are not Jews at all. They fit the description given them by the risen Christ in Rev. 2:9; 3:9, when He speaks of "Those who say they are Jews, and are not; but are of the synagogue of Satan". These are the one's your pastor wants you to honor by calling them God's Chosen!

According to the American Zionist Handbook, 68 to 70% of all the Jews in America can trace their background to Poland or the Soviet Union. It is also significant, that the Canadian Royal Commission, in it's findings on Communism in Canada, stated: "It is significant that the number of documents from the Russian Embassy, specially note 'Jew, or Jewess' in the entries of their Canadian agents, showing that the Russian Fifth Column attaches special significance to this Jewish influence in the Party".

You see, my Christian friends, I am not making these accusations off the "top of my head". Nor am I showing you these facts to cause you to hate Jews. I am simply showing you the source of most of our national security problems in America. What you do with this information will be up to you!

It might be well at this point to show you how America's immigration policies have aided in the Jewish invasion of America. On Dec. 2, 1823, President Monroe, issued the famous document called the Monroe Document, in which he stated that the American government would not allow Continental European powers to extend their political systems into the New World. Up to 1900, the vast majority of immigrants had come from Western Christian nations. These were the people who subdued the Western frontiers and laid the moral and spiritual foundations upon which the greatest nation the world had ever seen, the United States of America, was built.

About 1880, we began to see a shift in our immigration policy to include millions of people from Southern and Eastern Europe. Most of these, with the exception of the Spanish and Italians, had little understanding or regard for the principles of a Republican government. A large portion of these were non-Christian in culture and had no intention of accepting American ideals. Instead they tried to move America towards their collectivist ideology.

In 1908, the President of Columbia University, Dr. Nicholas Murray Butler, called attention to the fact that Christianity was a dominant part of the American culture. He went on to express his fears that: "our capacity to subdue and assimilate the alien elements being brought into this country through immigration will soon be exhausted". He concluded, as Abraham Lincoln had, seventy years earlier, that "the dangers America will face in the future, will come from within".

Statistics for this period of our national growth show that the immigrants were mainly Italians, Slavs, and Khazar Jews from Russia and Eastern Europe. The Italians and Slavs posed little problem, since their ideology was essentially Christian.

But the Khazar Jews were strikingly different. These newcomers had arrived in vast hordes, so that
by 1920, over three million had arrived. They were often referred to as Polish Jews, and comprised
the largest percentage of the Jewish population of New York City.

The older Jewish immigrants, many of who were Sephardim with some Hebrew blood, followed the
Laws of Moses, and had been assimilated into the American way of life, many becoming good
citizens. But they were overwhelmed by the flood of "pseudo Jews" who arrived from Russia. The
older Jews often had little rapport with the heathen Khazars arriving from Russia and Poland.

As the Khazars began to dominate the Jewish population of the United States, the position of the
Americanized Jew became precarious. Many of the older Jews were branded as "Quislings" and
"betrayers of Judaisms". This emphasis came from the Khazar element in Jewry, which tried to
silence Jews who were sympathetic to the American way of life. This is still true today, where
orthodox Jews often refuse to back political Zionism and are persecuted by "those who say they are
Jews and are not".

This anti-Jewish effort came mostly from the Khazar synagogues, and radical Jewish political
organizations such as the Anti-Defamation League.

We should use care that we do not lump all Jews under the Khazar banner! Some Jews such as
the well-known author Alfred Lilienthal, are interested in saving freedom in America! He has
openly stated, much to the disgust of Zionists, that his loyalty is to the U.S. not the Israeli!

The Khazar Jew considers himself to be superior, a separate nationality, a "nation-within a
nation".

They are almost without exception, hostile to Christian American ideals, and openly seek to destroy
them. These are the people you honor in the Judeo-Christian church, by elevating these Christ
haters to Chosen People status!

These Khazar Jews are absolutely ruthless, and have been known to exercise violence against
their own people, if it will further their political agenda. On Nov. 25,1960, for example, the SS
Patria, loaded with Jewish refugees, was blown up in the harbor of Haifa, killing 276 Jewish
immigrants. This incident was trumpeted in the Jewish media as the work of Britain, and it was not
until ten years later, that the truth came out, and placed the blame where it belonged, on Zionist
shoulders. David Flinke, an Israeli correspondent for the JEWISH MORNING STAR wrote: "The
Hananah General Staff took the decision not to permit the Patria to leave Haifa. The English must
be made to understand that they cannot drive the Jews away from our land. So the Patria must be
blown up and the British blamed. The ship got ready for sea, without any of the passengers being
warned!"

Fifteen months later, the SS Straum exploded in the Black Sea, killing 769 illegal Jewish
immigrants. Once again the British were blamed, and world sympathy was turned against them in
favor of the Zionists who had done the deed. Once again, it was proved that the Irgun, the Zionist
terrorist organization in Palestine, gave the order, to place blame on the British. Over and over
again, Zionists have followed the Satanic teachings of the Talmud, and terrorized people, Jew and
Gentile alike, who have stood in their way to world conquest.

So great was the immigration of the Khazarine Jews to the United States, that in 1947, immigration
officials stated that "over 50% of the world Jewish population now resides in the United States".
(Most of them in New York City and about 8-million nationwide).

The problem created in the U.S. by this powerful minority, was due to their aggressive foreign
ideology, and was fired by their ambition to eventually control the world. This is something every
concerned American, especially if you are a White Christian, should be conscious of. According to
their own open statements, we are their target for destruction! How a Christian man or woman can
support a heathen ideology which hates their Savior and openly declares their intention of
destroying their faith, is beyond my comprehension!

The burning hatred of "those who call themselves Jews, and are not", has been seen for centuries. It
was apparent when Jesus accused the "pseudo-Jews" of His time, of being "guilty of all the righteous blood shed on the earth from the time of Able . . ." (Luke 11:45-51)

If you go back in history, you will see this hatred exhibited on the historical scene, as most of the major "blood baths" in world history have been Jew instigated. They revel in the truth! They echo the boast made by Rabbi Reichhorn, head rabbi of France, in 1858, when he said: "Wars are the Jews harvests! With them we kill off Christians and gain control of their gold. We have already killed 100-million of them, and the end is not yet!" This was before the debacle of the War Between the States, World War I and II, which have all been essentially wars in which white brothers have fought against their own kind and the Jewish warlords have reaped the benefits. You can't get away from these TRUTHS, no matter how loudly Christian Zionists such as Jack Van Impe, sing their praises! "Shouldest thou help the ungodly; and love them that hate the Lord? therefore is wrath upon thee from before the Lord . . ." (2 Chron. 19:2). Better take heed!

As the Khazars took over in Russia, they instituted a succession of bloody purges which have liquidated millions of Russians, including hundreds of thousands of those who thought they would be rescued by a Rapture which never came and was never predicted in scripture!

We are not primarily concerned with these purges in this message, other then to state the Khazar-Talmudic-Communist plans call for the liquidation of most men, women, and children in America, who go by the name of Christian, whether you have elevated them to "Chosen People" status or not. This will have no influence on their final decision!

Those over the age of thirty, who cannot be "re-educated", will be destroyed. The facilities have already been built!

In the Talmudic-Communist textbook on PSYCHOPOLITICS, written in 1933 as the "blueprint" for the Talmudic takeover of Christian America, we read in Chapter 12, page 52: "Just as in Russia we destroyed the Church, so we must destroy all faiths in nations marked for conquest. You must recruit every agency of that nation into a foaming hatred of Christianity.

"We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to Christians, remember we have not yet influenced the Christian world to our ends. When we have done this, we will have an end to them everywhere".

Even as the heathen Khazarian Jews have destroyed over 140-million people world-wide, so they are now busily at work towards the destruction of Christian America, often supported by the "brainwashed hordes of sheeple", in the Judeo-Christian church, who seemingly are beset with a "suicide complex!"

Even as the heathen Talmudic-Khazarian Jews have subjected Russia, China, and much of the rest of the world to their "rule of terror", which has murdered over 140-million, they are now working towards this same scenario in America. Any intelligent person can see this in operation, as the Jew controlled media spreads hatred in America towards the Christian Patriot. This is the man or woman who loves God, their people, their family and their country; who are armed and willing to die to defend their freedom. These people, the "cream of America", are described by the press, as "hate mongers", "anti-Semitic", "Neo-Nazis". While those who seek to destroy White Christian civilization, are held up as those who seek to preserve our country. The controlled press is laying the foundation for Jesus' prediction in John 16:2, where He said the day would come when those who killed "true Christians", would believe they were doing God service! We are close to that time now! Are you being "seduced" into joining this crowd?

It is interesting to note the Democratic Party, as early as 1912, began to woo the votes of these Eastern immigrants. In the early part of this century, these Eastern immigrants were for the most part "liberals and radicals". They flocked to the Democrat Party for this was the group which gave them monetary aid. They can be described by the distinguished Khazar Jew, Louis Brandeis, who
was named to the Supreme Court by President Wilson, he envisioned "a new cooperative one-world order!" (Jewish Encyclopedia, Vol.11, pp.495-499. He was an active Zionist!) He was also an active factor in influencing Wilson into getting America involved in World War I."

Although Britain, had promised the Palestinian Arabs self-rule, because of their help in defeating the Turks, Wilson was readily won over to Brandeis' scheme for a Jewish homeland in Palestine, which had already received favorable attention in Britain, although neither country had the moral or legal authority to give Arab owned territory to the Jews.

An article appearing in THE JEWISH CHRONICLE, Feb. 2,1936 titled THE ORIGIN OF THE BALFOUR DECLARATION, said that certain representatives of the French and British governments had been convinced that the best and possibly only way America could be persuaded to enter the war was by promising the Jews a homeland in Palestine.

It was the flood of liberal votes from these Eastern Europeans that raised the Democrat Party to a majority status and under which this nation has gone through the most drastic decline in our history. Under this Democratic control we have fought our last four wars, none of them were for the interests or protection of the American people, but put our national wealth in the hands of the International Jewish bankers.

The first spectacular victory of these non-Christian European influenced Democrats came within nine months after Roosevelt had been elected, when he recognized the Communist Government of Russia.

This was followed, down through the years by the "sellout" of American interests at Yalta, Potsdam, Teheran; in Hungary, Cuba, China, and our betrayal of Taiwan; then the "sellout" "no-win" wars in Korea and Viet Nam; the "sellout" of Rhodesia and South Africa, the debacle in Iran, Afghanistan and Iraq. All of these under United Nations control, which means International Zionist control.

Dean Acheson, who had served in the Jewish law firm of Brandeis, and then became a "big wheel" in forming America's Foreign Policy, capped his treason to America in 1939, when he became a paid lawyer for Soviet Dictator Josef Stalin in America. His service to Communist causes reads like a eulogy for treason, which has probably been unmatched since, with the exception of the "double-agent" Henry Kissinger who is still doing his "dirty work" for the One World crowd!

Many Patriotic, well-informed Americans in the State Department and the American Federation of Labor, pleaded with FDR not to recognize the Soviet Union. But puffed up by his own importance, and egged on by the powerful clique of Marxist-Fabian Socialist-Zionist Jews in his Administration, most of whom posed as "liberal intellectuals", he signed his name to the franchise which gave official America recognition to this "enemy of mankind". Without Congressional approval, he made a treaty with the Soviet Union which allowed them to establish an embassy in the United States, with full diplomatic immunity, which immediately became the "hotbed" of Soviet espionage, under Jewish supervision, and has remained so ever since.

It was Soviet Foreign Commissar Maxim Litvinov, the plunderer of Estonia, and the Kremlin's first agent for socializing England, who received "red carpet" treatment in Washington, D.C., from Roosevelt. Then they sat down with Roosevelt, after Atcheson and the Khazar Jew Morgenthau had done the "spadework for treason". This was the deal which led America to the brink of disaster in World War II, and contributed to the deaths of hundreds of thousands of young Americans.

After this nefarious deal was consummated, large numbers of naturalized Jews and their associates were infiltrated into the State Department by appointment or through Civil Service. It is interesting to note that a large percent of those who "feathered their nests" through treason, were Americans, of Eastern European background, who sold their "American birthright", for a "stinking mess of socialist red beans and rice!"

By the time World War II began, the communist infiltration of our State and Agriculture Departments had reached the point, that when Martin Dies, head of the House Committee on Un-
American Activities warned Roosevelt about this. He was shouted down as Roosevelt screamed at him: "I am no more a Communist than you are; but there is no danger from communism in this country. Some of my best friends are communists"

When the unyielding Dies reiterated his warning, F.D.R.'s climatic argument was: "We need Jewish votes!"

Time and time again, Dies was called to the White House, being alternately threatened and cajoled to "stop annoying the communists in our government".

Probably the greatest infiltration of American interests took place during the days of the Atomic Project, where a heavy level of Eastern European Jews were employed. The Khazarians were conspicuous in this agency during the 1940's and 50's. (Please don't get upset with me, I'm just telling you the facts!)

At this time the Soviet Union was in a furor over our development of the bomb and were doing everything humanly possible to get their hands on the secret.

The influence of this heathen Talmudic ideology reached it's peak in-mid 1951, when Khazar Milton Katz was placed at the helm of U.S. Foreign Policy in Europe; the Jewess Anna Rosenberg was placed in charge of the manpower requirements of the Armed Forces; Manly Fleischman was made Administrator of Defense Production, and Nathan Feisinger, was named as Chairman of the Wage Stabilizing Board. These were all Khazar Jews, and it was under their control, that we saw American "principles begin to "slide down the drain".

The man appointed by President Harry Truman to head the "Committee on Religious and Moral Welfare and Character Guidance in the Armed Forces", was a Jewish rabbi named Frank Weil, a New York lawyer and President of the National Jewish Welfare Board. Is it any wonder that under chaplains, that they could not use the name of Jesus Christ in their Weekly Character Guidance classes? I saw this with my own eyes, as I was a Company Commander of a Replacement Company in Tokyo during this period.

It is very possible that the top Khazarian in our Government in this post-war period was Vienna born Felix Frankfurter, who headed a nefarious group of anti-American, anti-Christian Khazars composed of Alger Hiss, Lee Pressman, Benjamin Cohen (Truman's Senior Assistant), David Lilienthal (Chairman of the Atomic Energy Commission), Nathan Margold, Donald Hiss, Milton Katz, and former Secretary of State Robert Patterson. All these men worked directly under Felix Frankfurter and showed themselves to be violently anti-American in their actions.

Another powerful Khazar who was frequently called to the White House to counsel the President, was Isador Rubin, later appointed by the President to a position in the United Nations.

Then there was Leo Pasvolsky, the Russian-born Khazar who rose to power in the State Department; there was Samuel Rosenberg who wrote many of F.D.R.'s speeches; there was Henry Morgenthau, Secretary of the Treasury and sponsor of the vicious Morgenthau Plan for Germany's destruction after the war; there was Hubert Lehman, Director on UNRRA, who diverted many of it's funds to Soviet satellites.

Doesn't it seem strange to you, in spite of the praises sung by men like Jack Van Impe, that so many Jewish names can be found in the top echelons of America's traitors? Yet many of our good Christian people, including the majority of our Christian pastors who should know better, will accuse me of being anti-Semitic, because I tell you the truth about these enemies of Christ and America. Unfortunately I can't change the facts to please them or you. "Am I therefore become your enemy, because I tell you the truth?"

In his personal diary, Secretary of Defense James Forrestal, recorded that he told our Ambassador to Britain, Joseph Kennedy, that Prime Minister Chamberlain had told him: "It was America under the leadership of world Jewry, which forced England into war with Germany". Of course you didn't
read about this in the controlled press.

In 1950, Forrestal argued with Democratic Party leaders saying: "No group in this country should be permitted to influence our Foreign Policy to the point where it interferes with our national security". Immediately he came under vicious attack from the Zionists. Bernard Baruch, then advisor to the President, warned Forrestal of the possibility of personal retaliation if he continued in his America First course!

There is much evidence, most of which was suppressed, that Forrestal was murdered to shut him up!

Before Forrestal died, Congressman F. D. Roosevelt, Jr., expressed fear that the Democratic Party would lose votes because of Forrestal's strong "anti-Semitic" stand. The Secretary angrily retorted: "I think it's about time that somebody should give some consideration as to whether we might lose America!"

About this time in Europe, Hitler, feeling that he was surrounded by British-French-Soviet encirclement decided on desperate measures and declared a policy of "guns instead of buffer!" This was his reaction to Jewish treachery within Germany, that caused her bitter hatred from world Jewry. Any honest study of this period will show that World War II was caused by American foreign policies, in support of the U.S.S.R., which were guided by Khazarian advisors.

In Proverbs 25:5, we read these interesting words: "Take away the wicked from before the king (presidents) and his throne (the government) will be established in righteousness". This has proven true in every Administration since Jewish interests took over control of our economy in 1913.

One of our top military leaders, who understood this problem, I believe, was my favorite commander, Gen. George Patton. He recognized the dangers from Zionist Communism as far back as 1943, and hated it with every fiber of his magnificent being. He made an astute statement which got him into "hot water", when he said: "We are fighting on the wrong side in this war". He realized that Communism was much more of a world threat to our freedom, than that posed by the Third Reich. But the truth was "politically incorrect!"

Many Americans look on Harry Truman as one of our best Presidents because of the stand he took against the communists in Korea. Yet an honest evaluation of his Administration will show that he did more to strengthen the Communist position at the Potsdam Conference than any man we have ever had in the Oval Office.

An objective study of World War II will show that we did not fight this war to stop the advance of Nazism. It was not fought to "make the world safe for democracy". America received absolutely nothing of value from a war that cost us 407,316 deaths, according to the 1996 World Almanac, and 670,846 other casualties, and cost the American taxpayer an estimated $466-billion. Everything of benefit went to the Zionist-Communist forces who took over most of Europe and enslaved over a billion people in Asia, all under Khazar leadership. Is it any wonder Jesus told their forefathers: "Ye are of your father the devil. He was a murderer from the beginning", (John 8:44). Is it any wonder when their children follow in the footsteps of their fathers?

Most of the facts I have given you have been deliberately withheld from the American people, especially Christian Americans. Why? Could it possibly be that if decent American knew what was happening, history would repeat itself and we would "kick the Khazar money changers out or our national temple?" They cannot afford for our people to know the truth, so they smother it under cries of "anti-Semitism," and "hate monger", while they continue their nefarious plans for world conquest.

Even worse than deliberately withholding the truth, is their deliberately slanting of the news. A good case in point was the slaughter of the Israeli athletes at the Olympic games in Munich in 1972, by eight Palestinian guerillas. The New York Times used terms such as MURDER IN MUNICH; ARAB FANATICS; HOMICIDAL HATRED; INDISCRIMINATE MURDER. Yet when the
Israeli air force shot down a Libyan civilian plane that strayed over Israeli territory in a blinding sandstorm, killing all 74 people aboard, the same New York Times termed it as a TRAGIC, HORRIFYING BLUNDER!

I, could fill a book with examples of how by deliberately slanting news in the media and on television, the Zionists always manage to have it slanted in their favor.

Even Americans traveling to Palestine, in Christian groups, are given the full propaganda treatment. They are met by Israeli guides who hate their King, and who give them the benefit of Zionist propaganda free of charge. They also in many instances have "preacher guides", who have sold out to Zionist interests! Many of the popular TV evangelists who are openly Pro-Zionist, promote these trips on a regular basis. These naive Christians are not told about the bitter Israeli persecution of Arab Christians in their own land, or of the Zionist hatred for our Savior.

Most Christians have been led by their pastors to believe that the Israeli are a deeply religious people, with a deep sense of the prophetic elements of the Old Testament. This is false! From their own sources we learn that over 60% of them are agnostic or outright atheists!

I have never advocated hatred of the Jewish people, but I do demand that our Christian people be given the full truth about them, and that we are not required to "swallow the unmitigated swill that is coming from the media and our sold-out pulpits".

I have never heard of any preacher guide, who has taken his flock to Palestine to hear the Arab side of the story.

A few years ago, Walter Cronkite, the CBS news guru stated: "My job is not to tell the truth. I am an opinion molder! This is the main function of the Jewish controlled media in 1996.

This same false Jewish propaganda can be seen on TV and in the movies, both of which are Jewish controlled. Movies such as the DAIRY OF ANNE FRANK and HOLOCAUST, which are called documentaries and advertised to the American people as being true, have been disclosed as planned frauds. I will not go into this, except that Jewish statistical figures clearly show that Hitler could not have killed 6-million Jews in Germany. I have a copy of the AMERICAN JEWISH YEARBOOK OF 1930-31, which shows on pps. 226-227 that the Jewish population of Europe, excluding Russia and Scandinavia, was under 3-million. We know that many Jews escaped from Germany and settled either in Palestine, or the Promised Land of America. Yet the figure of 6-million Jews murdered by the Nazis, is regularly quoted by Christian pastors who should know better. This 6-million "hoax" has been one of the greatest Zionist "fund raisers" in America, as naive Christians have accepted it "hook, line and sinker", and you are labeled an "Anti-Semitic or a hate monger" if you show people the truth! This same propaganda is now being inserted in our school books, where few books written before 1940 are available for their study, and everything must be "politically correct!"

Ask yourself why the anti-Jewish statements of Martin Luther, the great Protestant Reformer, have been expunged from Lutheran Seminaries, and why the warnings of great Americans like Benjamin Franklin and George Washington regarding Jews and their interests, have been removed from public perusal?

Secretly and publicly, in the press, in the school system, in government, and sadly enough in the Christian church, White Christians in particular are downgraded at every opportunity and are being replaced in positions of responsibility by alien non-Christians. There must be a reason!

A good example is the recent pitiable effort by the Southern Baptists, America's largest Protestant Christian group, as they apologized to the Blacks for the part their forefathers of 200 years ago, played in bringing the Blacks to America as slaves. They were very careful not to explain how these first slaves were purchased from Black Chieftains in Africa, with rum distilled in Jewish distilleries in New England; how they were shipped to America on Jewish owned ships, and sold in Jewish owned and operated Slave Markets. Nothing was said about the fact that many of these sad people would have been eaten by their own kind, if they had remained on their mother soil, and that every
Black Republic on the African Continent today, is far worse off than it ever was when it was under White Colonial control. These truths are never given to our people. Why? Could it be that they do not want our people to know the truth, for today, as in the time of Christ to know the "truth will set men and women free!"

Why, knowing what the Bible teaches to the contrary, has once Christian America appointed non-whites, aliens and foreign born Jews to high positions of responsibility in our government? I'm sure that many of our pastors know how this is in direct conflict with God's Word, as found in Deut. 17:15 - "Thou shalt in any wise set him king (President) over thee, whom the Lord thy God shall choose: one from among thy brethren shalt thou set as king (President) over thee: thou mayest not set a stranger over thee, which is not thy brother (kinsman)".

Could this be one reason why the Christian Identity message is so bitterly fought by Christian churches in America? They do not want their White Christian people to know they are Israelites who still operate under God's Law?

Why do we find inter-racial marriage encouraged by Christian groups, and by men like Dr. Billy Graham, when God's Word teaches that it is wrong? Why has Christian American put foreigners who can hardly speak the language, such as the atheist Jew Henry Kissinger, into high positions in our government? Don't try and tell me that those Old Testament writings were only for the Jews. There were no people called Jews anywhere on earth when they were written about 1450 BC.

In Joel 2:17, we find a prayer for our White Israel people: "Spare Thy people 0 Lord, and give not Thine inheritance to reproach, that the heathen shall reign over them; wherefore should they say among the people, where is their God?" This is what has happened in America, as we have allowed the heathen, Christ haters to take control.

Have you ever wondered why the government deliberately subsidizes the birth rate among non-whites in America, while the White, mostly Christian population is constantly lectured about the dangers of over population? Why is most of the Welfare money, which is strangling our economy going into the pockets of people who often refuse to help themselves, and look on it as their right, rather than as a short term aid measure? It is the alien interests in America, headed by the Jewish lobby, that is destroying us and why most American Christians are unaware of the dangers posed by these aliens. Can you give me a logical answer to why this is happening? I sincerely doubt it!

Many of my readers from Fundamental churches will immediately place the horrible label of "anti-Semite or hate monger!" on me for speaking these truths! If you don't your pastors are bound to do so!

When I learned the truth about the Jews, over fifteen years ago, I went with it to my pastor of a Fundamental Baptist church. We had been close friends and I had supported him financially on a number of occasions when he had got into trouble. But when I showed him the truth about the Jews, out of the Bible, he immediately labeled me as an "apostate", although he could not argue any points from the Word. He did manage, within a two week period to turn every Baptist preacher in the State of Mississippi against me, and many of these were men I had called friend, and who I had held successful revivals for. In the over fifteen years I have been in the Kingdom Movement, and taught the Identity truth, not one of these Christian (?) leaders, who have been so loud in condemning me, has ever come to me and said: "Brother Mohr, would you sit down with me and let me show you out of God's Word where you are wrong!" Not a one! In fact they are scared to death of even meeting me and avoid me wherever possible.

You may try and remind me, as many others have done of God's Covenant with Abram in Gen. 12:3, in which He said: "I will bless them that bless thee, and curse him who curseth thee . . ." But God wasn't speaking to a Jew. Abraham never was a Jew in spite of everything your pastor may have told you. There were no people anywhere on earth called Jews until 1200 years after the time of Abraham, when they first show up in 2 Kings 16:6, fighting against Israel.
My pastor reminded me that "God has been good to America because we have been kind to the Jews," until I pointed out that the days of America's greatest decline in every area have come since we recognized that little "bastard state of the Israeli" in 1947. Then he "lost his cool and kicked me out of his office"!

We need to realize that the Bible is very careful to differentiate between Israelites and Jews, they are not one and the same. The Jewish Encyclopedia recognizes this. But it is something most fundamental that evangelical preachers have not learned. There are a very few Jews from the Sephardim group, sometimes called Mediterranean Jews, who have some of Abraham's blood flowing in their veins. These were the Jews Jesus confronted in John 8. Their connection with Abraham was through Esau/Edom. (To find what God thinks of them and their final end, read Malachi 1:2-4).

The reason most pastors will not accept the truth, and become angry with anyone who tries to show it to them, is because they have been propagandized for years in their seminaries, where Jewish professors taught them that Jews and Israelites are one and the same, and that the people we now call Jews, are indeed the Chosen People of the Old Testament.

A well known Jewish author, Alfred Lilienthal once said that this was something of a phenomenon, that most Jewish people had less of Abraham's bloods in their veins, than their Gentile neighbors.

Have you ever heard a fundamental or evangelical pastor preach on Rev. 2:9, 3:9, where the risen Lord spoke about "those who say they are Jews, and are not; but are of the synagogue of Satan?" I sincerely doubt it! I never heard such a message in over fifty years in a Judeo-Christian church. Have you ever been honest enough to wonder why you can criticize a Catholic, or a Protestant, or a Mormon, or a Seventh Day Adventist, and little will be said about it. But criticize a Jew, even when you are right in your criticism and "all hell breaks loose".

Have you ever wondered why any person who is anti-communist, will invariably be labeled by the media as "anti-Semite?" This was what drove me into an in-depth study of Judaism. For twelve years I was a speaker on the American Opinion Speaker's Bureau of the John Birch Society. The principle theme in the 70's was the danger from communism. Yet when I lectured on topics such as "Gun Control;" "Abortion;" "Sex Education in the Schools"; the "United Nations", etc., invariably the Jewish owned and controlled media labeled me as a "neo-Nazi, Fascist, anti-Semitic, hatemonger". Yet I had never mentioned Jews, Judaism, or Zionism and in those days was still infected with the Judeo-Christian poison that these enemy of mankind were God's Chosen. During the Vietnam War years, I worked the college lecture circuit, where I came into 25 confrontations, some violent, with the radicals who were tearing our colleges apart; men like Jerry Rubin and Abbie Hoffman. On every occasion, these radicals were led by young Jews from wealthy families. It "bugged" me enough that I spent the summer of 1979 studying this seeming Jewish love for communism and found that their leaders reveled in it! The leading American Rabbi at that time, Rabbi Stephen Wise, when asked what he thought about communism replied: "Some call it Communism, I call it Judaism!" My study revealed, to my satisfaction at least, that the Jewish anti-Christ's revered by the Judeo-Christian church, could not possibly be "true Israel," but were instead those our Savior spoke about in Rev. 2:9; 3:9, when He condemned "Those who say they are Jews, and are not; but are of the synagogue of Satan". What kind of a catastrophe it will take to show Judeo Christians the fallacy of their position is beyond me, but it will come if they persist in "helping the ungodly, and loving them that hate the Lord"! (2 Chron. 19:2)

When the Zionists in Palestine murdered Count Bernadotte of Sweden in Palestine in 1948. One of the leaders of the Jewish Stern gang of Jewish terrorists said: "We killed him because of his declared intention of turning Jerusalem into an International city. He was our enemy!" Can you imagine what would happen if a Gentile did this to a Jewish leader who expressed his hatred of our Savior? Suppose Christian Americans said: "We must eliminate all the Jews, because they want to destroy Christianity and turn America into a Socialist nation". Would we be justified in the eyes of God if we did this? Can you imagine the reaction of the Zionist controlled press if this happened?
FBI records are filled with incidents where Zionist terrorists have bombed or desecrated Jewish synagogues in order to put pressure on Jews who were reluctant to support their plans. Yet these facts are suppressed in the controlled media, and are often reported as terrorist "anti-Jewish" incidents.

Why are so-called fundamental and evangelical Christian churches so adamant in seeking to befriend those who hate their Lord? Why do people like Dr. Jerry Falwell and Baptist evangelist Jack Van Impe, back the people they know hate their Lord and are dedicated to the destruction of everything they say they believe in? Must God put a curse on this nation, because His Christian people are supporting His enemies. That's what 2 Chronicles 19:2 says.

The American public, Christians in particular are entitled to know the truth. Our pastors should be in the forefront of giving their people the truth, instead they are guilty of concealing it. We MUST demand truth from them, from our government, from our schools, but most of all from our pulpits. In Jer. 23:22, we are told: "but if they (the pastors) had stood in My counsel, and had caused My people to hear My words, then they should have turned from their evil ways, and from the evil of their doings". This has not happened in America, and with 50-million "born again" Christians, this nations is headed for hell faster today than at any time in our existence. Why? It is because we have not received the full truth from our churches.

During the 46 years the Israeli State has been in existence, terrorism against the Palestinians, especially Arab Christians has been the Jewish "modus operandi". They are the only nation who have reveiled in having as their leaders known terrorists such as Begin and Rabin, who have been played up by our government and church leaders as "men of peace!" Yet Begin bragged publicly about killing more than 300 Arabs with his own hands. Many Jews were disgusted by his actions, yet few had the courage to speak up about them for fear of A.D.L. retaliation.

The United States, under President Truman swung full force behind this gang of murderers in 1948, and Truman was quoted as saying: "We need to help the people of Israel, since they have proved themselves in the best traditions of our hardy pioneers and the highest standards of Western civilization". He never had the "guts" to define what he meant by "the best traditions and highest standards of Western civilization", unless he was referring to the earliest American gangsters who murdered and robbed the Indians, or of "cut-throats" like Quantrell's gang, from Truman's backyard, who murdered, robbed, and raped during the War Between the States. That's the same class the Zionists are in today!

The liberal politicians greed to obtain Zionist votes and money for their Democratic Party, has cost us the loyalty of at least twelve Arab nations which were our former friends and which are much closer to Christianity in their religious beliefs then the atheist Khazar Jews! The Moslems at least look on Jesus Christ as a great prophet and revere Him as such, while the one's our Judeo-Christian churches back, call Him an "illegitimate bastard!"

A good example of how Americans have prostituted themselves to Jewish interests can be seen in a statement made in 1974, during the gubernatorial campaign of Hugh Carey in New York. He told Zionist Premier Rabin: "Don't pay any attention to the polls; we are behind what Israel does, no matter what they do!"

There would have been a time in our history when he would have been "tried for treason" for such a remark, but in New York they made him their governor.

Probably the greatest mistake ever committed by an American President took place at the end of World War II, when at Yalta, F.D.R. a dying President, with the Jewish traitor Alger Hiss at his side, and equally traitorous Gen. George Marshall in attendance, consented to the brutality of allowing Stalin to use millions of war prisoners as slave laborers, in direct contravention of all rules of the Geneva Convention. At least a million of these unfortunates died in Stalin's slave labor camps. From that time until this, when we are in an unheard of period of Jewish power in Washington, the same Khazar element which took over Russia, has controlled American politics.
Since it is a known fact that Christianity has been closely allied with the founding and growth of America, it has also become a factor in the national unity of America. The acceptance of the basic tenets of Christianity, were the basis of our Constitution and the Bill of Rights. Our concepts of national honor and integrity, in national as well as individual action, came from and were established on Christian principles.

When America's churches began to tire of their proclaimed duty to be the "salt of the earth" (Matt. 5:13) and transferred their loyalty from the risen Christ to a heathen cult they proclaim as God's Chosen, then public moral decline set in, until today, we are tottering on the brink of destruction.

Most of our churches and their followers come under the accusation of Is. 29:13 and Matt. 15:8, 9 - "This people draweth nigh unto Me with their mouth, and honoreth Me with their lips; but their heart is far from Me, but in vain do they worship Me, teaching for doctrines the commandments of men".

Today the greatest threat to America is not from Communist missiles, but comes from the insidious forces, always Jewish controlled, which are working from within, gnawing away at the foundations of America. It comes from church leaders who have prostituted their duty of recognizing Biblical truth and passing it on to their people, refusing to warn them against the enemies who are determined to destroy them, and instead, "cozy up" to these enemies.

Today America is living in the most beautiful house God has ever given to mankind. But those of us who call ourselves Christian have become careless. We have "gone to sleep at the wheel", and in our prosperity, we have allowed the concrete termites to get into the foundation and weaken it. Today our beautiful house is sliding towards the precipice of destruction and the whole world is waiting with bated breath, to see what we will do. Will we head for the basement like intelligent people, get rid of the termites, and shore up the damage they have caused? Will we jump off? or will we ride her down to destruction?

Before I close this message, it is necessary that I bring it "up-to-date" on present Jewish control in America. Most of the following information is taken from Issue No.388, of the weekly newspaper THE TRUTH AT LAST, which is considered by the establishment as being "politically incorrect", but which is remarkable in it's expression of the truth.

Under the headline CLINTON'S CIA HEADS ARE ALL JEWISH! we read: "The FORWARD is a Jewish Marxist newspaper published in New York City. It is one of the most important Jewish newspapers in the country and is a prime indicator of what Jewish leadership is thinking at any given time.

"It's Sept. 29,1995 issue points out that Clinton's new CIA head, John Deutch, is a Jew. "As soon as he was confirmed, Deutch promptly dismissed all the high-ranking experienced gentile CIA officials and replaced them with a new, all-Jewish staff." (Do you honestly believe this is in the best interests of so-called Christian America?)

"Deutch named the Jew George Tenet, as CIA Deputy Director, the Jew David Cohen as Director of CIA Operations, and the Jewess Nora Slatkin as Executive Director of CIA".

This shocking news has been totally suppressed by the daily newspapers and TV networks. Clinton has actually turned the CIA into a branch of the Israeli MOSSAD."

The loyalty of these Zionist Jews is to the Israeli, not to the United States. Why do Jews, who compose 3% of the U.S. population, constitute 100% of the ruling clique of our Intelligence apparatus? Does this sound healthy to you?

During this same period, called by some "Clinton's Jewish Week", Christian Americans for the most part are unaware of the racial identity of those the President has appointed to lead this country, and this information has largely been concealed by the media.

Those who regularly read Jewish newspapers have been astounded by the high number of Jews who
are now in positions of responsibility in Washington, D.C. There is little doubt, that Clinton believes that the Jews with their vast money power and disciplined organizations can re-elect him. It is evident, in spite of his pose as a Southern Baptist Christian, that he hates those who oppose him and will stoop to the lowest level to remain in power, even to elimination of his opponents if necessary.

Here are some of his latest Jewish appointments:

**Evelyn Liberman**, White House Deputy Press Secretary.

**David Tatel**, Federal Appeals Court Judge for the District of Columbia Court of Appeals. He is a Washington lawyer, and an officer in the Anti-Defamation League.

**Dick Morris**, Clinton's private political advisor, possibly the most powerful Jew in Clinton's entourage.

**Todd Stern**, Chief White House Aide.

**Richard Holbrooke**, Asst. Secretary of State. If Clinton is reelected this man will very possibly become Secretary of State.

**Robert Rubin**, Secretary of the Treasurer, a former corporate officer for the powerful Jewish International Bank, Goldman, Sachs, and Co.

**Martin Indyk**, an Australian born Jew, was picked as Ambassador to the Israeli.

**Adm. Jeremy Boorda**, the Navy officer who just committed suicide, who was appointed to take over as Chief of Naval Operations.

**Stephen Breyer**, a radical Zionist who is Clinton's second Jewish appointee to the Supreme Court.

**Madeline Kunin**, Deputy Secretary of Education.

**Dan Glickman**, Secretary of Agriculture.

**Charlene Barshefsky**, Deputy U.S. Trade Representative.

**Ira Magaziner**, National Health Care Advisor.

**Mickey Cantor**, National Trade Representative.

**Ellen Hass**, Assistant Secretary of Education.

**Peter Tarnoff**, Under Secretary of State.

**Robert Reich**, Clinton's Chief Economic Advisor.

**Alice Rivlm**, Deputy Budget Director.

Of the seven advisors on whom the President relies for advise, five are Jewish; Robert Reich, Ira Magaziner, Robert Shapiro, Samuel Berger, and Michael Mandelbaum.

Many orthodox Jews back the actions of the Jewish assassin of Rabin, Yigal Amir. The U.S. News and World Report stated that the assassin "saw his world of unshakable precepts and unalterable truths coming apart, a feeling shared by many ardently religious Jews who believe that the peace process is nothing less than a demonic challenge to Divine plan. "The West Bank and Gaza belong to the Jews by Biblical commitment", they aver.

An article in the LCM's official **LUTHERANER**, stated: "Luther judges very correctly about the Jews", and states that 'The Jews have been drawn away from the Word of God and the simplicity of the scriptures by the nonsense in their Talmud". (The same is essentially true of those Judeo-Christians who back the anti-Christ Jews as God's Chosen).

It goes on to state: "fifty or more years ago some of the orthodox theologians in the Lutheran Church-Missouri Synod, such as Lutheran Hour speaker, Dr. Walter Maier, did not hesitate to point
out the lies, racism, and immorality promoted by the TALMUD. The standard of morality promoted in the Talmud gives the Jews the right to take land away from the Arabs who have owned it for centuries. Today it seems that even many conservative theologians hesitate to expose the Talmud 'for fear of the Jews.' (I would have to say a hearty AMEN to this truthful statement!)

In December 1987, the CHRISTIAN NEWS, a "rebel Lutheran newspaper" in St. Louis stated; THE TALMUD IS STILL THE HIGHEST AUTHORITY FOR JEWS, and included excerpts from THE TALMUD UNMASKED, THE SECRET RABBINICAL TEACHINGS CONCERNING CHRISTIANS by the Rev. I. B. Prantaitia.

A few years ago, a book appeared in Christian bookstores written by Theodore Winston Pike, and even though it promoted some anti-scriptural Israel-First millennialists nothings, there were many good things in it which Christians need to know. He said: "The Talmud, like the Toldoth, enjoys portraying Jesus as a fool in the most humiliating of circumstances. The unedited editions of (Sanhedrin 107b, One of the volumes of the Talmud) says that Jesus was excommunicated from the temple for seducing a woman, and in His ensuing grief and confusion fell down and started worshiping a brick". Christianity is vividly described in the Talmud as being worse than the "most wicked behavior of any Jew".

In Abodah Zarah, 17a (another volume of the Talmud) it says "Rabbi Eleazer Doria did not leave out any harlot in the world without coming to her... yet attained forgiveness because he had not committed the unforgivable sin of accepting Christianity". Likewise on p.84: "Incest is a light sin compared to becoming a Christian".

Almost three decades ago, Elizabeth Dillings, who was accused of being anti-Semitic, published her book THE PLOT AGAINST CHRISTIANITY.

She had visited the Soviet Union in 1931 and was shocked by the virulent anti-Christianity of the atheist, Jewish Communist regime.

She begins her book "Bible scholars are aware that Jesus Christ denounced the Pharisees. He said they nullified all the Commandments of God by their traditions. His invective in truth cannot be equalled. All of Matthew 23 is like a whiplash. He likened the Pharisees to a white sepulchre, indeed beautiful outwardly, but "inside full of dead men's bones and of all corruption". He climaxed one after another of His denunciations by calling them "Hypocrites"! He called their religious leaders, the Pharisees: "Children of them who killed the Prophets!"

Dillings noted: "The Talmud's basic law is that only the Pharisee Jew ranks as a man, or human being. All others rank as animals. (This is the meaning of the Yiddish term of contempt, "goyim - a non-Jew animal). Always with Judaism, the Talmud ranks above the Bible in every way."

When Martin Luther, the great preacher of the Reformation read the Talmud, he afterwards wrote THE JEWS AND THEIR LIES with denunciations that make utterances by the Popes against the Jews, pale by comparison. Today, this book cannot be found in Lutheran Seminaries which bear his name, and the church he founded, for the most part, under Jewish influence, denounces him as an Anti-Semitic hate-monger.

Without any modern day Jewish encyclopedias, or the English Soncino translation of the Talmud, Luther understood perfectly how the Talmud blasphemes and hangs obscene charge on Christ and His followers, often through "double talk". (The Baalam passages of the Talmud are a good example of this). Luther recognized the fact that any Messiah expected by the Jews in the future was to Lead them to power through slaughter of non-Jews. He wrote: "I maintain that in the three Fables of Aesop there is more wisdom to be found than in all the books of Talmudists and Rabbis and more than can ever come from the heart of a Jew. I am not saying too much, but too little! For I see in their writings how they curse the 'goyim' and wish us all evil in their prayers. Thus they call Him (Jesus) the child of a whore, and His mother Mary, a whore.

Reluctantly I must speak so coarsely in opposing this Devil... These are the people you folks in the
Judeo-Christian churches, have out on a pedestal by calling them God's Chosen, and contrary to Bible warnings are now supporting with your offerings. (Shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from before the Lord". (2 Chron. 19:2)

Shortly before Rabin's assassination, THE JERUSALEM REPORT, an Orthodox Jewish newspaper, carried an article written by Rabbi Peter Hirchberg which said: "Yitzhak Rabin does not have long to live. The angels have their orders. Suffering and death await the Prime Minister, or so say the Kabbalists who have cursed him with the 'pulsa denura', (Arabic for "lashes of fire!") He's inciting against Judaism says the Jerusalem rabbi who, clad in tefillin read out the most terrifying of curses in the tradition of Jewish mysticism - opposite Rabin n's residence on Yom Kippur.

"The rabbi, who won't have his name published, but identifies himself as a member of the Kach movement (founded by the radical Rabbi Meir Kahane who was assassinated in New York City), says the curse generally works within thirty days. That put the expiring date for Rabin in early November". (Rabin was assassinated on Nov. 4).

This is proof that the ultra-Orthodox of Judaism adhere not only to the literal instructions of Talmudic homicidal hatred, but also to weird cabalistic "black magic!"

Brooklyn Rabbi Abraham Hect, of the ultra-orthodox Lubavicter sect, sanctioned Rabin's elimination prior to his death. In a speech last June, he warned that it was illegal for Rabin to turn land in the West Bank over to Palestinian control and cited the teachings of Rabbi Maimonides who said that killing those who endangered the Jews was justified. His words were given wide circulation in Jerusalem by government leaders.

It now appears that Orthodox Jewry, long a threat to Christians, now poses a danger to Jews who will not walk the "narrow path of hatred they have marked out!"

The greed and hatred of Jews for true Christianity can be seen in their efforts to control all means of dispensing the truth.

The recent Jewish purchase and change in Walt Disney Enterprises is a good example. Walt Disney was aggressively anti-communist and was aware of the Jewishness of communism. Today, he would "turn over in his grave", if he learned that left-wing billionaire Jew Michael Eisner, was the current owner of Disney Films, and that he is already churning out Anti-Christian pro-homosexual propaganda such as the move PRIEST (about a homosexual Catholic priest). This smirking Jew is today making a mockery of the Disney name and everything he stood for.

Eisner recently hired Luren Loyed, a producer of X-rated lesbian films, to produce "dykeish" films for Disney. Recently he promoted "homo day", at Disney World in Orlando, Florida, where Christian families were treated to a spectacle of open homosexual behavior, the likes of which could not be seen outside of New York City or San Francisco.

Eisner hired Victor Salva, of the independent Disney Affiliate, Caravan Pictures, a "convicted child molester", to direct the movie, POWDER!

When complaints began to flood in, Jew spokesman Roger Bimbaum whined: "The man (Salva) is trying to do good now . . . if he has something to contribute to society, and it happens to be in film, let him do that... He paid for his crime, he paid his debt to society". Salva had video-taped himself having oral sex with a 12-year-old girl and three of six previous charges he had pled guilty to. Prosecutors noted that Salva, like many other pedophiles, "sought out positions through which they could contact young children". He claimed to be a writer of children's books, and had worked at a day care center. As a long time producer of wholesome family films, Disney would have been horrified to know that his good name was being used by deviates to infect America with their agenda. If you were to study the filth in the Babylonian Talmud, you would understand why Jews gravitate to it and it is very possible that the Jew controlled NATIONAL EDUCATION ASSOCIATION, will soon require your children to view these films as part of their "sex education" classes.
Several New York City public school officials have been found to be members of NAMBLA (North American Man-Boy Love Association), which encourages homosexual love between grown men and under aged boys - strangely enough, both of the men convicted have been Jews.

It is also interesting to note, that THE JEWISH WEEKLY for Oct. 28, 1993 stated: "A greater percentage of immigrants from the former Soviet Union received some form of government financial assistance in the last ten years than did immigrants from other countries.

"The study found that 15,068 Soviet refugees. 38.6% of all Soviet immigrants received assistance. Most of these are believed to be Jewish.

"By contrast, the Korean community, considered to be a model immigrant group, had a 5.9% who received government assistance, while only 0.9% of the recent Irish immigrants received help.

"For the sake of this study, public assistance included such entitlements as refugee aid, Medicaid, Social Security and food stamps. Immigrants from Russia are the only ones of 22 immigrant groups studied who have refugee status. Refugees are entitled to food stamps and Medicaid". This is the brazen position taken by the Jewish vampires who prey on our good will. I am not writing this to cause you to hate Jewish immigrants, but to show you how you are being used by International Zionists, while at the same time they hate you as a Christian.

How many American know about this "ripoff", that according to Diana Aviv, Director of the Jewish Community Federation's Washington office has admitted that while other racial groups non-profit agencies received 35% of their funds from the government, the Jews received 41%. In New York City, this skyrockets to 62% or $1.24-billion. It should be noted that the Jews who run these "nonprofit" agencies are paid salaries ranging in the six figure rate!

Jews from Russia are flooding into this country at the rate of 40,000 per year. It appears the Jews in America, running their "non-profit" welfare agencies, know exactly how many Jews will be persecuted. A law boosted through Congress by Jewish Senator Frank Lautenberg, (D-NJ) requires that our immigration agents accept the claims of Russian Jews without verification.

Many of these Jewish immigrants have been in America for five or more years. They often have relatives holding down good jobs who could help them, but they demand government assistance. They are the only immigrant group who can immediately draw a considerable sum when they arrive and go on immediate welfare. As a result America has become the "Land of Promise" for world Jewry, rather than the little country of the Israeli in Palestine.

Adding to a general dislike of Judaism, we must look at what appears to be the unconstitutionality of various state laws which recognize and give enforcement powers to various Jewish community organizations over Kosher food. A Federal Appeals Court in Maryland has struck down one such law as "violation of the First Amendment separation of church and state".

Very few non-Jews understand what it means to have a product verified as Kosher.

There is no law among Jews requiring that they eat only food certified by a Rabbi. Until the 1920's only meat could be defined as "kosher". For meat to be "kosher", a rabbi, called a "shoothim" would cut the beast's throat and allow it to flop around the slaughter house until it bled to death.

"Shechita", or Kosher slaughter, has been condemned as being inhumane and is banned in Sweden. Such practices were rare outside of heavy Jewish communities such as New York City, Los Angeles and Miami.

The practice of putting a kosher seal (usually a U or K) on foodstuffs originated as a marketing ploy in New York by Jews advertising to Orthodox Jews. Food labeled as "kosher" would be advertised over a Yiddish language radio station. None of the products were actually inspected by a rabbi, but received a K or U to certify that they were "kosher".

This business prospered and its founder, Joseph Jacobs, saw bigger profits in linking his company with the Jewish religion. Employing a group of Jewish rabbis, he formed a group called THE
COMMITTEE FOR THE FURTHERANCE OF TORAN OBSERVANCE. The success of this group spawned several competitive Jewish groups, including one who uses the U as it's "hechser" (kosher seal of approval).

Today, there are more than a dozen major "kosher certification groups' in the country who for a fee, from a food company, will allow their seal to be placed on it's product. Of course the gullible "'goyim", is the one who "picks up the tab for this "Jewish rakeoff". The Jew, operating under Talmudic law, will take everything he can get from the Gentile, either by illegal practices such as this kosher business, Foreign Aid in the billions to the Israeli, or money you gullible Christians give to them through your Judeo-Christian church. All the time, their leaders are doing everything possible to destroy what you say you believe in. Makes sense, doesn't it? Sort of like planned religious suicide!

I have hit on only a few Jewish practices which are common in this country, and which eventually will lead to another Jewish expulsion, when you "brainwashed" Christians learn how you have been deceived! There are going to be some TRAITORS in the pulpits who will also have some frightening moments when the truth gets out!

It is also interesting to note how the Anti-Defamation League wrote to the governors of 28 states DEMANDING, that new legislation be implemented outlawing participation in a para-military organization. (Of course this will not effect militant Jewish organizations such as the Jewish Defense League, which according to the FBI, carry out more terrorist activity in America than any other group). It is interesting to note that many of these para-military groups have been investigated by Congress and have not been found in violation of any Federal Statute. In fact they are protected under our Constitution.

Much of the effort to ban guns is being carried out under Jewish pressure, The One Worlders, headed by the International Jewish Banking bandits, KNOW that before they can institute their New World Order in North America, our people MUST first be disarmed. Become active in the battle to secure your rights as an American under the Second Amendment. Make sure your family understands the necessity of having weapons for their protection, not only against common criminals, but more important against the criminals in the World Government who seek to take away our means of defense. REMEMBER, the Second Amendment was not written to protect your rights to go hunting, or fire your weapon on a gun range. It was written as a last ditch stand against any repressive government, which turned from being a "servant of the people", into an "insatiable monster who seeks to control us!" As proven by the present Administration!

There is a move underway now in the Jew controlled Clinton Administration and his Zionist One World bankers, to terminate the National Guard. They want to eliminate all National Guard combat troops in a series of steps which will begin with dropping 110,000 sometime near the end of this year. The excuse of course, is to "save money". But while a few million might be saved by doing this, this same Administration is wasting billions in their support of the One World United Nation Forces, who are to become the "bully boys", of the New World Order.

During past years, the military has had a huge reserve in the National Guard, as a hedge against any enemy attack. Now the Pentagon, again under Zionist pressure, is planning to eliminate $1-billion a year in pay, training and equipment costs, and to decertify the 386,000 Army National Guard. We have a beautiful example in Switzerland, which scares the Internationalists.

In this little country, which has often been surrounded by enemy in the past, every adult is required by law to have a military type weapon, one with automatic fire capability, stored in their residence with a supply of ammunition and available at a moment's notice. Each adult male through the age of 55, is required to take part in annual military training, and the Swiss women are required to support and take part in civil defense activities. With this sort of intelligent outlook, the Swiss people have never been conquered in modern times.

Today, we have no Civil Defense capable of any substance and we will be left to take care of
ourselves in case of a "worst case scenario". While some plans have been made to protect government and business "big shots", in case of an attack, you as an American citizen are not included in their plans.

Significant elements of eight National Guard Divisions are located in 25 states which control 363 electoral votes, so the battle is not yet over, if concerned Americans will wake up and take a stand! Contact Rev. G. V. Montgomery (D-MS) at (202) 225-2403 or the Federal Building at PO Box 5618, Meridian, MS 39301, and Edward Philbin, Executive Director of the National Guard Association, 1 Massachusetts Ave., N.W. Washington, DC. 20001, (202) 789-0031, to see how you can help!

The conspirators want to shut down all live ammunition training and transfer the few men remaining from combat units to "supply and support" operations.

The National Guard has served in many emergency operations throughout the years and is a vital part of our National Defense. We MUST not allow the enemy to succeed in disbanding it.

While I have spent many pages spelling out the International Zionist threat to Christian America, I want you to understand that the Jews and aliens are not the CAUSE of our problems. They are the EFFECT of White Israel disobedience, (read Deut. 28 for confirmation). We who care about America's future and that of our children must never lose hope. We must proceed with boldness and joy, knowing that God has promised us victory, if we will put our faith in Him, and OBSEY! Many Christians believe that America has "passed the point of no return". I cannot accept this. To do so would make God out to be a liar!

In the Old Testament, 2 Chron. 7:14, is a verse which many of you know by heart. It is quoted in many churches. Unfortunately very few Christians who quote it are willing to put feet under it and watch it work. It says: "If MY people (true Israel) which are called by My name (Christian), shall HUMBLE themselves, and PRAY, and SEEK My face, and TURN from their wicked ways, then will I HEAR from heaven, and will FORGIVE their sin, and will HEAL their land". No "ifs", "and's", or "buts", about it! (The emphasis is mine!)

I firmly believe that if as little as one-fourth of the people in American, who go by the name of Christian, would "fall in love with their king to the point where they would obey Him", then we would see God work in miracles, as He did with our forefathers in Egypt.

But Christians MUST get out of their "spiritual foxholes", where they have been passively hiding, waiting for Christ to come back and Rapture them out of the mess caused by their apathy, it would give new life to the few patriotic men and women we still have left in government. It would free Americans from the haunting fear which now hangs like a poisonous pall over this land.

In Alan Paton's book, CRY BELOVED COUNTRY, he has written these words which should be an inspiration to every American who cares:

I shall no longer ask myself is this or that expedient, but only if it is right. I shall do this, not because I am noble or unselfish, but because life slips away, and because I need for the rest of my journey a star which will not play me false ... a compass that will not lie! I do it because I am no longer able to aspire to the highest with one part of me and deny it with another.

This star is our faith in YAHWEH God; this compass is His WORD, YASHUA, the CHRIST, which was "made flesh and dwelt among us", and who can once again bring us back into the paths of righteousness and with this to the true greatness God has in store for those who love and obey Him. Then and only then can we realize His promise in Isaiah 54:17 - "No weapon that is formed against thee shall prosper, and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord!"
Battle For The Truth!  
(Christianity vs. Judeo-Christianity)  

A number of months ago, I received a booklet in the mail from Canada, it was titled CHRISTIANITY VS. JUDEO-CHRISTIANITY. There was no author's name or address on it. But it contained such vital information for the well being of white Christian Americans and Canadians, that I decided to use it as the basis for this book titled THE BATTLE FOR TRUTH. If anyone knows the name of the author and his address, I would appreciate it, as I'd like to contact him.

It has only been in recent times, that after the people we today know as Jews, became familiar with Christian literature, they began to name their religion JUDAISM. Rabbi Stephen Wise, one of the main Jewish leaders in the United States a few years ago, stated that when the Jews (Judeans) returned to Jerusalem from Babylon about 536 BC., they brought with them the teachings which became known as the BABYLONIAN TALMUD. "This was the end of Hebrewism, and the beginning of Judaism," the learned Rabbi stated.

As Christians it has become of vital interest that we know what kind of a religion Judaism is. We know it has been accepted by most of the evangelical and fundamental Christians as the religion of Ancient Israel and the Bible. But is it really the religion of the Biblical prophets who over and over again foretold the coming of the Messiah-Savior Jesus Christ? Is it the religion that Jesus and His disciples practiced when He was in His earthly body on this earth? Is it the religion we read about in the pages of the Old Testament? Or is it a cleverly conceived, satanic religion which is so clever, that in the words of Jesus: "...if it were possible, they would deceive the very elect." (These "elect" are not Jews, since the Jews are never referred to in the pages of its Holy Writ as "the elect." This term is used only in connection with "true Israel.")

It would be difficult to get a better answer for this thorny question, than by going direct to Jewish sources. Rabbi Bakker writes: "This is not an uncommon impression and one finds it sometimes among Jews as well as Christians - that Judaism is the religion of the Hebrew Bible. It is of course a fallacious impression."

We need to note here, that the BABYLONIAN TALMUD is the textbook of modern Rabbinism and is the "heart blood" of the Jewish religion. According to their own leaders, it supercedes the TORAH (Books of Moses), or any other religious writing.

Rabbi Louis Finkelstein, one of the leading authorities on Judaism asserts: "Phariseism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name... the spirit of the ancient Pharisee survives unaltered."

May I remind you that it was to these Pharisees Jesus Christ, the Son of God, directed His sternest denunciations. In John 10:26, speaking directly to these religious frauds of His day, He said: "But ye (Pharisees) believe not, BECAUSE YE ARE NOT OF MY SHEEP..." (Emphasis mine!) That seems mighty plain to me!

In a serially produced installment of a best-seller by Jewish author Herman Wouk, we find the heading THE TALMUDIC HEART'S BLOOD OF THE JEWISH FAITH. He says: "The TALMUD is to this day the circulating heart's blood of the Jewish religion.

Whatever laws, customs, or ceremonies we observe - whether we are Orthodox, Conservative, Reformed or merely spasmodic sentimentalists - we follow the TALMUD. IT IS OUR COMMON LAW!" (Unq.)

The beginning of Talmudic literature dates back to the time of the Babylonian exile in the 6th
Century B.C. . . . a thousand years later, in Alexandria, Egypt, these traditions of men were finally set down in codified form.

When all the frills and mystery is removed from the TALMUD, it boils down to the "traditions of the elders," which Jesus frequently mentioned in His earthly ministry. (Matthew 15: 3, 6, 9; Mark 7:6-9 13).

In Matthew 15:2, we listen as Christ asks the scribes (lawyers) and the Pharisees: "Why do ye also transgress the commandment of God by your tradition?" In verse 9 He enlarged on this evil; by saying: "But in vain to they (scribes and Pharisees) worship me (God), teaching for doctrines the commandments of men." (This quotation was taken from Isaiah 29:13).

In Mark 7:7 we find this same accusation followed by another in vs. 9 Full well ye reject the commandment of God, that ye may keep your own tradition." And in vs. 13, He said that these religious and political leaders "Made the word of God of none effect through their tradition."

The TALMUD, did not appear in written form until centuries after the Christian world came into existence. The word TALMUD comes from Mishaic Hebrew and means "learning, teaching, instruction." It was at first passed on by word of mouth. By the time it appeared in written form about 500 A.D. it contained much which was viciously anti-Christ and anti-Christian. This has resulted in what today is known erroneously as "anti-Semitism." (I say "erroneous," since the vast majority of those people who today call themselves Jews, are of Turco-Mongolian, rather than Semitic origin).

Nothing is more thrilling to a genuine Christian than to hear the name of Jesus Christ uplifted and exalted and to listen to the marvelous promises made by their King to those who will remain faithful to Him. So, when they hear His wonderful name blasphemed, degraded and associated with filth, their reaction is anger against those who promote such beliefs. Doesn't it seem strange that only one religion in the world attacks the teachings and person of Jesus Christ? The Mohammedans honour Him as a great prophet and other religions recognize Him as a great spiritual leader, only in Judaism is Jesus, the Son of God, degraded and called the "son of a whore."

While the Talmud does not mention Jesus by name, the footnotes and context clearly show that He is the one they refer to. The Jewish Encyclopaedia states that Jewish legends regarding Jesus are found in three sources and all these sources tend to belittle Him by ascribing to Him illegitimate birth, the use of magic and the shameful death of a common criminal. It goes on to say that His mother, the Virgin Mary, was seduced by a Roman soldier from the garrison at Nazareth, named Panthera; Jesus was the result!

After referring to a Talmudic source regarding a dispute between Jesus and the scribes (lawyers), the Jewish Encyclopaedia states: "All the Toledot editions contain a similar story of a dispute which Jesus carried on with the scribes on the grounds that they declared Him to be a bastard." (John 8:41) They said, "We be not born of fornication; we have one Father, even God." And Jesus rebutted them in vs. 42, 43 by saying: "If God were your Father, ye would love me; for I proceeded forth and came from God: neither came I of myself but He sent me. Why do ye not understand my speech? even because ye cannot hear my word."

Again, according to the TALMUD, Jesus was supposed to have learned magic while He was in Egypt and the Jewish leaders accused Him of performing His miracles by these means and through the power of Satan. It goes on to say that His disciples healed the sick in the "name of Jesus Pandera." In Matthew 12:24 we read where the Pharisees on seeing His miracles said: ". . . This fellow doth not cast out devils, but by Beelzebub, the prince of devils." Jesus refuted their claim, by saying, vs. 26 - "If Satan cast out Satan, he is divided against himself; how then shall his kingdom stand?" And they could not answer Him.

The Talmudic story of the trial, crucifixion and resurrection of Jesus is completely at odds with the Biblical account. The Jewish account denies His resurrection, just as Matthew 28:11-15 explains.
How when the Jewish authorities heard about His resurrection, they paid large amounts of bribe money to the Roman soldiers who had been guarding the grave, and told them to tell the governor, Pontius Pilate, that while they slept, the disciples came and stole His body. It is interesting to note that vs. 15 says: "... and this saying is commonly reported among the Jews until this day."

The Jewish report stinks to high heaven for the simple reason that the Romans were very strict about a soldier going to sleep while on guard duty. The penalty was death. Yet the Jewish leaders were said to have bribed Pilate to overlook the dereliction of his soldiers. This was extremely unlikely.

According to Talmudic teachings, Jesus is now in hell. It says: "A SON of Titus' sister desired to embrace Judaism and called up from hell by magic, first Titus (a Roman General), then Baalam, and finally Jesus, who were taken together to be the worst enemies of Judaism." (Titus was the Roman general who completely destroyed Jerusalem in 70 AD.)

When Jesus was asked "Who is esteemed in the world?" According to the Talmud He was supposed to have replied: 'The Jews. Further, their well-being; do nothing to their detriment; whoever touches them, touches the apple of God's eye.' "This is the same story the televangelists like the Baptist Jack Van Impe, Jerry Falwell, and Pentecostalist Jimmy Swaggart preach.

Why do the well-known televangelists of the fundamental and charismatic crowds support the State of Israel, no matter what they do? The answer is that they have swallowed Jewish propaganda "hook, line, and sinker," and do look on the Jews as the "apple of God's eye." Jerry Falwell has said: "The reason God has been good to America and blessed her, is because she has been good to the Jews." This is an observable lie, for the facts prove differently. The time of America's greatest debacle in every way, economic, political, moral, militarily and spiritually, has been since 1948, when we recognized that "little bastard state in Palestine called the Israeli." It has been "down-hill" for us ever since. I wonder if these Judeo-Christian preachers have ever bothered to read 2 Chron. 19:2, which reads . . . shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee before the Lord."

The Bible does speak about the "apple of God's eye," in Deut. 32:10 and Psalm 17:8, but neither of these Scriptures refer to the Jews, but to Israel, who is a completely different breed.

The Talmudic Jew who is dragged out of hell to parrot the Talmudic line that the Jews are the "apple of God's eye," may be the false Christ, worshipped by the Judeo-Christian, but he is not the Christ of the Bible. In 1 John 2:18 we read: "Little children, it is the last time: and ye have heard that anti-Christ shall come, even now there are many anti-Christ's: whereby ye shall know it is the last time." (Many of these anti-Christs, false prophets, are standing behind the pulpits of Judeo-Christian churches, leading their Israel people away from the truth of God's Word.)

The time has indeed come, when professing Christians have departed from the faith and are giving heed to "seducing spirits and doctrines of devils," (1 Tim. 4:1).

The same Talmudic passage which refers to Jesus being raised from hell states that His punishment is to be "with boiling hot excretement, since a master of the Jews has said: 'whoever mocks at the words of the Sages, (Jewish religious leaders) is punished with boiling hot excretement.'"

The Jewish Encyclopaedia, under the title of BALAAM (referring to Jesus) says: "He became the type of false prophet seducing men to lewdness and obscene idolatrous practices . . . and hence also the pseudonym BAALAM given to Jesus."

Of Jesus mother, Mary, the TALMUD says: "She who was the descendant of princes and governors, played the harlot with carpenters."

Anyone with the slightest degree of perception can see how our moral values have degenerated in the past fifty years. Over a hundred years ago, a French political philosopher named Alexis de Tocqueville, visited the United States. He came to find out how we had had such a phenomenal rise to power in such a short time. On returning to France, he wrote a letter to an American friend in
which he said, among other things: "America is great because she is good; when she ceases to be good, she will cease to be great." We have seen this debacle take place in the past fifty years as moral and spiritual standards have been destroyed by enemy action; in fact by many of these churchmen who call God's enemies, His Chosen People. In this period, we have degenerated from the greatest Republic the world has ever seen, into a Socialist Democracy which is now tottering on the verge of totalitarian dictatorship.

The "thought police" of the Jewish Anti-Defamation League (ADL) have conditioned most of our people to accept the "immoral" as "moral, and "bad" for "good." They have "called evil good, and good evil; have put darkness for light, and light for darkness; have put bitter for sweet, and sweet for bitter," just as the prophet Isaiah predicted in (5:20). He further clarifies these evil men in vs. 23 when he says, "Which justify the wicked for rewards (bribes), and take away the righteousness of the righteous from him."

This is a perfect example of our present, Jewish controlled justice system.

Our morals have been changed as religious leaders, hiding behind the sanctuary of their pulpits, and in God's name, have cooperated with, and supported an ancient religion whose corruption came from the occult practices of ancient Babylon - this was the same religion Jesus Christ fought so vigorously when He was on this earth and which mysteriously and evilly, has become united with the Christian faith under the name Judeo-Christianity.

Historically, the Christian faith has had a high regard for women and little children and has sought to protect them. Jesus warned that anyone who did anything to harm little children who believed on Him, was in danger of "extreme, eternal punishment." In Matthew 18:6, we read where He said: "But those who offend (Greek - "skandalizo" meaning: entrap; entice to sin; offend) one of these little one's which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea." Apparently, according to our Lord, a terrible punishment is reserved for those who deliberately harm little children.

Yet in our society today, "kiddie pornography" is on the upswing and "men-boy" clubs have been formed where grown men have sex with under-aged boys. In almost every case, these programs are sponsored and led by Jews - those people the Judeo-Christian crowd supports. Why?

A look at the Jewish religious book the TALMUD, will give you an answer as to the Jewish proclivity towards "illegal, or unnatural sex." If you have a weak stomach, it might be well if you stopped reading right now, for you are sure to be offended by what the TALMUD teaches.

Listen to the sages of Judaism, as they state in the TALMUD: "When a grown man has had intercourse with a little girl, it is nothing, for when the girl is less than three years old, it is as if one puts the finger into the eye. Tears come to the eye, again and again, so does virginity come back to the little girl under three years." Ask yourself why any decent man would want to have sex with a little girl under the age of three. Yet this is instruction to Jewish men, from their holy book. It's nothing short of sickness!

No other major religion in the world teaches that women outside of their faith are "like a piece of raw meat," to be treated as the Jewish man desires. The TALMUD abounds with such sickening references.

In Canada, our Israelite neighbor to the north, they are having big problems with the Judeo-Christian concept. A Kitchner, Ontario welfare worker was reinstated recently, after being fired for having lunch-hour sex with a mentally retarded boy who was his client. This government worker had twice been convicted of gross indecency under Canadian Criminal law. His punishment was a one year suspension, but the Grievance Board, ordered that he be paid retro-active pay for the time he had missed. This sort of betrayal of justice and decency is an insult to the people of Canada, who for the most part are a decent, God fearing people. Yet the same scenario is played over and over again in the United States, with the same results.
Here is what the TRADITION OF THE ELDERS says about sex between grown men and under-aged boys: "Pederasty (sex between men and boys) with a child below age of nine years is not deemed as pederasty if it is committed with a child of lesser age, no guilt is incurred."

Here is another gem of moral turpitude: "It is necessary to teach concerning one who commits pederasty with a 'terefah,' (a person suffering from an incurable disease which will end in their death). I think that he is as one who abuses a dead person, hence exempt from guilt."

Regarding non-Jews, whom the Christian world often erroneously calls Gentiles, the TALMUD teaches: "Only Jews are men . . . Gentiles are not classified as men, but as barbarians. The Gentile nations have few rights since He (God) withdrew His shining, legal protection from them, and transferred their property rights to the Jews."

Non-Jews find themselves in a legal no-win situation when they come before a Jewish judge, who is probably backed by a Jewish Prosecuting Attorney, and very possibly defended by a Jewish court appointed Defense Counsel. The TALMUD says: "If a Gentile sue a Jew, the verdict is for the defendant; if a Jew is the plaintiff, he must obtain full damages."

With a high percentage of judges and lawyers being Jews, the non-Jew, particularly if he is a Christian, has little protection from the law since the TALMUD, which is the legal law for the Jewish judge, states that he has no property rights and that his possessions are "like unclaimed land in the desert."

The TALMUD teaches that "the TORAH (laws of Moses) outlaw the issue of Gentiles as that of a beast." Maybe this explains why the majority of abortion mills in Canada and the United States are owned and operated by Jewish doctors. In fact a Jewish Rabbi in the TALMUD is quoted as saying: "The best among the Gentiles deserves to be killed." (ABHODAH ZORAH, 26b). When an orthodox Jew prays, he says: "Blessed be Thou (God) . . . who has not made me a goi" (non-Jew animal).

The TALMUD iners that Jews are their own Messiah, to be treated like God and that "He who smites a Jew on the jaw is worthy of death it is as though he had assaulted the Divine Presence." You wonder why Jews are arrogant people? Read their holy book and you need not wonder why!

The TALMUD admits that Judaism will only come into power by inflicting much suffering on the Gentiles and they glory in it. They are perfectly willing to use the hordes of "brainwashed" Christians to accomplish their purpose of world control.

One of the ultra-religious sects of Judaism is the HASIDIM, who are devotees of mysticism and the occult. They are followers of the CABALLA (an esoteric secret doctrine known only to an elite few. It is very similar to the teaching of the higher degrees of FREEMASONRY, in fact the FREEMASONS get much of their symbolism from Judaism.

The Jewish Encyclopedia goes into detail in its explanation of Cabalism, sometimes called KABBALISM. It includes magic, sorcery, astrology, the conjuring of demons, transmigration of souls (reincarnation), a non-personal God, and the use of amulets to ward off evil.

Many of the Jewish superstitions have found their way into our Judeo-Christian society, including much of our teachings on heaven, hell, Satan, demons, etc. According to the Cabalistic doctrine "evil is non-existent". The cross of Jesus Christ, which is a symbol of His sacrificial death to Christians (see Gal.. 6:14) is an insult to the god of the TALMUD.

During the 500th Anniversary celebration of the birth of Martin Luther, the Great Reformer in 1983, many Judeo-Christian theologians, including many from his own Lutheran church, criticized him for his anti-Jewish stance. Today, in Canada, for instance, Luther would be hauled before a court for writing his THE JEWS AND THEIR LIES. It would be considered as "hate literature." The same thing will take place in the United States in the near future, unless Christians wake up to what the Zionists are trying to accomplish.
Martin Luther understood the Jews. He began by supporting them, just as I did before I had my eyes opened by their anti-God acts. Then from sad personal experience he was constrained to write: "... I see in their writings how they curse us goyim and wish us all evil in their schools and prayers. They rob us of our money through usury... they play us all manner of tricks; what is worst of all they... teach that such things should be done. No heathen has done such thing and none would do so, except the devil himself, and those he possesses, like he does the Jews. They openly blaspheme God the Father, when they blaspheme and curse Jesus... If God would say to us now, or on the day of judgment: Do you hear, you are a Christian, and know that the Jews openly blaspheme and curse Me and my Son, and you gave them a place to do so, also protected and guarded them so they could do so unhindered and unpunished in your country, city, or houses. Tell me! What shall be your answer?"

A lot of Judeo-Christians will probably say: "But we thought they were your people. That's what preachers like Falwell and Swaggart told us. They said we must support them no matter what they do, because they are your Chosen People, and if we don't you will curse us!" And the King will turn to them and say, in His own words: "... I profess unto them, I NEVER KNEW YOU; depart from me, ye that work iniquity." I would not want to stand in the shoes of preachers such as Falwell and a host of others, no matter how popular they may now be on television.

Maybe God will say to these foolish preachers who have benefitted from their "love affair" with Judaism: "You had my Word. You knew what my Son said about these anti-Christ's. 'He that despiseth me, hateth my Father also... For the Father hath committed all judgment unto the Son: at a man should honor the Son, even as they honour the Father. He that honoureth not the Son, honoureth not the Father which sent Him...'. This seems pretty clear to me! (See Luke 10:16; Matt. 10:40; Mark 9:37; John 13:20; 1 Thess. 4:8).

Maybe God will say to these men honoring, popularity seeking preachers: "The prophets warned you... 'shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord.' " (2 Chron. 19:2).

The Psalmist said: "Do not I hate them, O Lord, that hate Thee? and am not I grieved with those who rise up against Thee? I hate them with a perfect hatred: I count them mine enemies." (Ps. 139:21, 22)

Jesus said: "Why call ye me Lord, Lord and do not the things which I say?" (Luke 6:46)

When our King spoke to the Pharisees, the forerunners of Modern Judaism, He said: "You generation of vipers (poisonous snakes)! how can ye being evil, speak good things? for out of the abundance of the heart the mouth speaketh," (Matt. 12:34). "But ye (Jews) believe not because ye are NOT OF MY SHEEP..." (Emphasis added - John 10:26).

"If ye were Abraham's children, ye would do the works of Abraham. But now ye (Jews) seek to kill me, a man that told you the truth: this did not Abraham," (John 8:39, 40). This was followed by Christ's most scathing denunciation of the Jews when He said: "Ye are of your father the devil, and the deeds of your father ye will do..." (John 8:44). "If God were your Father ye would love me: for I proceeded forth, and come from God," (Vs. 47).

Then speaking to the churches in the End of the Age, the risen and ascended Son said: "I know the blasphemy of them which say they are Jws (Judeans), and are not, but are of the synagogue of Satan," (Rev: 9; 3:9). These are the people the Judeo-Christian churches defend as God's Chosen, in spite of all Jesus said about them.

The Apostle Paul knew who they were when he said in 1 Thess. 2:15 - "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (Christians); and they please not God, but are contrary to all men."

In Titus 1:10, Paul warns us against them again: "... many unruly and vain talkers and deceivers, specially they of the circumcision (Jews). Whose mouths must be stopped, who subvert whole
houses, teaching things which they ought not, for filthy lucre's (money's) sake."

The Jews are not a race, since they are made up of many races, black, Japanese, Indian, Italian, etc., and have many Gentile converts such as Marilyn Monroe and Sammy Davis, Jr. The majority of them are not Semites, but come from a Turco-Mongolian background, as is admitted by many of their own leaders.

Does a person become a member of these so-called "chosen people" by denying Jesus Christ and accepting the filthy teachings of their TALMUD? How much real Jewish blood is necessary to qualify as a Jew, in the minds of the "brainwashed" Judeo-Christian?

There are two main branches of modern Jewry. In Western Europe we find the Sephardic Jews, some of whose ancestors probably fled from Jerusalem when it was destroyed in 70 AD. These spread across North Africa and Spain. They inter-married with the peoples of the Mediterranean area, and would include the Edomite Jews sometimes called Idumeans.

The Ashkenazi Jews, on the other hand, which make up at least 85% of Jewry, come from the steppes of Russia where their ancestors were known as Khazars. These people were converted to Judaism in the 8th Century A.D. Alfred Lilienthal, the renowned Jewish writer says:"Perhaps the most significant mass conversion to the Jewish faith occured in Europe in the 8th Century A.D. and that the story of the Khazars (Turco-Finnish people) is quite pertinent to the establishment of the modern state of the Israeli." Again he writes: "That the Khazars are the real ancestors of Eastern European Jewry is a historical FACT. Jewish historians and religious textbooks acknowledge this, though the propagandists of Jewish nationalism (Zionism) belittle it as pro-Arab propaganda." (I would suggest that everyone concerned read Lilenthal's book: THE ZIONIST CONNECTION II.

THE THIRTEENTH TRIBE, a book written by the Jewish author Arthur Koestler, blows the lid from this well-kept secret. He states: "In the 1960's the number of Sepharidim were about 500,000, while the Ashkenazim of the same period numbered about 11-million. Thus, in common parlance, Jew is synonymous with Ashkenazi Jew." Hence the majority of those we know as Jews, never had ancestors who set foot in Palestine.

It is interesting to note that the same "Ashkenaz" is found in Genesis 10:3 and 1 Chronicles 1:6, and in both instances is connected with the sons of Gomer, a nephew of Magog. They mentioned as adversaries the "true Israel" in Ezekiel 38, 39.

A Westphalian monk named Christian Druthmar of Acquitanta, wrote somewhere about 864 A.D. that there "existed in a region where no Christians dwelt, the name of whose people is Gog and Magog, and who are Huns; among them is one called GAZARI (Khazar) who are circumcised and observe Judaism in its entirety."

When one reads in Revelation about BABYLON THE GREAT "drunk with the blood of the saints," (Rev. 17:5, 6), it might be well for us to remember the 140-million people, including millions of Christians, who have been slaughtered by Jewish-led and financed communism in the past seventy years, and who today are persecuting Christians in communist lands. Amnesty International, recently estimated that as many as 350,000 Christians each year die under communist persecution. For all intents and purposes, this means Jewish persecution.

If there is indeed an International Conspiracy between Communism and Talmudic Judaism, and much evidence points in this direction, then men like James Keegstra, Malcolm Ross, and Ernst Zundel of Canada, who have been persecuted by government edict, should be commended as heroes of Christianity. Instead, on many occasions, they have been reprimed by Canadian Christian prelates.

We can go to Jewish sources to hear what they say about communism. Rabbi Stephen Wise an American Jewish leader of a few years ago, when asked to comment on communism, was reported by Jewish periodicals to have said: "Some call it communism; I call it Judaism." Oscar Levy, a well-known Jewish author, in the introduction to his book the WORLD SIGNIFICANCE OF
THE COMMUNIST REVOLUTION, said: "We Jews have erred . . . we have most grievously erred: and if there was truth in our error 3,000, nay 100 years ago, there is nothing now but falseness and madness, a madness that will produce an even greater misery and an even wider anarchy. I confess it to you openly and sincerely, and with a sorrow whose depth and pain, as the ancient Psalmist and only he could moan into this burning universe of ours. We who have boasted and posed as the saviors of this world - we have been nothing else but it's seducers, it's destroyers, it's incendiaries, it's executioners. We who have promised to lead the world into heaven have only succeeded in leading you into a new hell. There has been no progress, least of all moral progress. And it is just our (Jewish) morality which has prohibited all real progress, and - what is worse - which even stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world, and I shudder at its ghastliness; I shudder all the more as I know the SPIRITUAL AUTHORS OF THIS GHASTLINESS." (Yet these are the people the Judeo-Christians support.)

The Jewish author Samuel Roth, in his book JEWS MUST LIVE, page 12, says: "The scroll of my life spread before me, and reading it in the glare of a new, savage light, it became a terrible testimony against my people (Jews). The hostility of my parents. . . my father's fraudulent piety and his impatience with my mother which virtually killed her. The ease with which my Jewish friends sold me out to my detractors. The Jewish machinations which three times sent me to prison. The conscienceless lying of that clique of Jewish journalists who built up libel about my name. The thousand incidents, too minor to be even mentioned. I had never stretched out a hand to a Jew or Jewess without having had it bitten. I had never entrusted a Jew with a secret which he did not instantly sell cheap to my enemies. What was wrong with these people who accepted help from me? Was it only an accident, that they were Jews?

"Please believe me, I tried to put aside this terrible vision of mine. But the Jews themselves would not let me. Day by day, with cruel, merciless claws, they dug into my flesh and tore aside the last veils of allusion. With subtle scheming and heartless seizing which is the whole of the Jews fearful leverage of trade, they drove me from law office to law office, and from court to court, until I found myself in the court of bankruptcy. It became so that I could not see a Jew approaching me without my heart rising up within me to mutter. 'There goes another Jew, stalking his prey!' Disraeli set the Jewish fashion of saying that every country has the sort of Jews it deserves. It may also be that the Jews have only the sort of enemies they deserve too."

On page 20 he continues his observation of his own people: "It is true, as the Jews claim, that the Gentiles lay violent hands on them purely out of prejudice against their religion, out of envy for their superior commercial genius, how would they ever have gotten into that country in the first place.

"Read for yourself the story of the progress of Jewry throughout Europe and America. Wherever they come, they are welcomed, permitted to settle down, and join in the general business of the community. But one by one, the industries of the country close to them because of their unfair business practices, it being impossible to longer hold in check the wrath of a betrayed people, there is violence, and inevitably, an ignominious rejection of the whole race from the land! There is not a single instance where the Jews have not fully deserved the bitter fruit of the fury of their persecutors "Even in America, the most patient of the Western nations, things are coming to a head... The civil population is chafing under the abuses of Jewish doctors and lawyers."

Continue on page 54 - "Many articles and books have been written on the subject of how much the Jews have enriched America culturally. Needless to add, Jews have authored them. (Or Jewish goyim prostitutes like Jack Van Impe in his book ISRAEL'S FINAL HOLOCAUST, excerpts following - ED.) And while it is undoubtedly true that Jews have given themselves over infinitely to the vain show and inglorious barter which everywhere accompanies the development of the arts and sciences, I cannot find anything of value they have themselves created in their over two hundred and fifty years in residence on the American continent. This is true in science, as well as art. .. If
being in America meant anything to Jews like Jacques Loeb and Albert Einstein, it certainly did not crop up in their work."

Roth sums up what I have been trying to say on page 63 - "It is my honest belief that nothing the Jew does in AMERICA IS ESSENTIAL TO ITS WELFARE. On the contrary, a great deal of what American Jewry does is subversive of America's best interests . . . the Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing - his modest opinion of the Gentile world about him . . . We come to the nations pretending to escape persecution, and we are the most deadly persecutors in the wretched annals of man." (UNQ.)

Contrast this with what the Judeo-Christian Zionist, Baptist evangelist Jack Van Impe says on page 50 of his ISRAEL'S FINAL HOLOCAUST: "We who live within the memory of the Nazi nightmare, when six million Jews died in Europe, (according to Jewish sources both before and after the war, there were never anywhere near six million Jews living in all the territory occupied by the Nazis and many of these escaped. The six-million myth is being steadily exploded by truth seeking historians - ED.) might conclude that Hitler's hatred of this people was a phenomenon of the twentieth century. Not so, for Jewish blood had been spilled across Europe and in other parts of the world for centuries. In taking the long look at history, one sees that the Jews had been steadily marching towards Hitler's ovens ever since the fall of their beloved city in AD. 70."

He then goes on to tell how Jews were accepted in Spain where they worked, studied, and engaged in commerce alongside their neighbors . . . This era was relatively calm and is known as "The Golden Age of Spanish Jewry."

He then blames the waves of fanatical Muslims, and Berbers from North Africa, who disturbed the Jewish lifestyle. Indeed they did, for it was the Jews, who had been befriended by the Spanish, that turned traitor against their benefactors and opened the city gates to the Moslem hordes. This was what caused the intense Spanish persecution of Jews.

In every country where the Jews settled, they were evicted, not because they were "God's Chosen People whom Satan hated," as Van Impe states, but because of their immoral lifestyle and their crooked business practices.

He then disclosed either his stupidity or his pro-Jewish prejudice, when on page 52 he states: "Everywhere the Jews were blamed for the ills of their day. Some still foolishly follow that practice. The Jews are accused of controlling all the money, causing depressions, influencing spiraling inflation, and plotting the conquest of the world."

But isn't it interesting to note that all ten banks that make up the Federal Reserve System are Jew owned and that the Federal Reserve controls America's economy? Isn't it interesting to note that at least 70 out of 100 U.S. Senators are in the Zionist camp and that at least half of the House of Representatives votes as Christian Zionists? Isn't it interesting that Jewish authors for centuries have bragged their plans for world control. They have even been bold enough to lay down the "blueprint for this control," yet men like Van Impe, who are either "brainwashed fools," or out and out traitors, say that the Jews are wrongfully accused of their anti-Christian stance. Yet Van Impe will tell you he believes the Bible. I could go on and on with more quotations from this Jew apologist and many others of his ilk, but I believe this will suffice to show you the control that Judaism exerts over those who claim Christ as their King.

A recent report from the American Jewish Committee will show you how deeply Jews have infiltrated the Christian Publishing Houses of America. 85% of all Protestant textbooks are now free of any true, but disparaging references to Jews. Arrangements have been completed between the National Council of Churches N.C.C. , the American Jewish Congress and the Anti-Defamation League of the Jewish B'nai B'rith, whereby Jews will aid in the preparation of all religious lesson materials used in Protestant churches. There is hardly a Christian seminary in any denomination, that is today free of Jewish influence.
What we are actually seeing, is the infiltration of Talmudism into the Christian church, the very thing the Apostle Paul warned about in Titus 1:10, when he told about "Vain talkers and deceivers, specially those of the circumcision (Jews) . . . who subvert whole houses (and church congregations) teaching things which they ought not, for filthy lucre's (money's) sake."

Could it be possible that the Babylonian inspired Judeo-Christian religious system might turn out to be the counterfeit "Bride of Christ," and instead be **BABYLON THE GREAT, THE MOTHER OF HARLOTS**?

I believe that religious persecution is just around the corner in all of Christendom, and especially in the United States and Canada. When it comes, the worst of it will be conducted by the Judeo-Christian churches, who will believe the are doing God a favor by killing and persecuting those of us who believe and follow His Word. It has been my experience, that when I go into a community to speak out against Talmudic Communism, I get more "flack" from the Ministerial Alliances, who are "pimps" for Judaism, than from the enemy themselves.

When I spoke in Canada in 1984, for the **CANADIAN LEAGUE OF RIGHTS**, $5,000 worth of tapes and literature were seized by Canadian Customs, under the urging of Canadian Jewry. This was not "hate literature" per se, but merely told the truth regarding International Jewry. The Judeo-Christians of the Church of Canada, even went so far as to have their pastors read a letter from church officials condemning the "Fascist Colonel from the States," even though none of them had ever heard me speak.

At a meeting in Kelowna, British Columbia, four ministers from this church attended a meeting and told how they had tried to pressure the motel into canceling the meeting. When I asked what part of my speech they objected to, the spokesman said: "None of it. We agreed with everything you said." When I asked why the church was so set against me speaking, he wrathfully said: "Because you are sponsored by the Canadian League of Rights and they will not accept political Zionism." The cat was "finally out of the bag." How's that for a brainwashing job?

In America, prayer and Bible reading has been removed from our public schools, through pressure brought by less than 3% of our population and a strong drive is underway to saddle us with the "hate laws" which have become unbearable in Canada. These laws do not stop Jews from downgrading Christianity and Jesus Christ, but work only against Christians.

Now we see a determined drive by Jews in the United States, led by men such as the Jewish Senator from Ohio, Metzenbaum, as they are determined to disarm the American people and set the stage for a Talmudic-Communist One World Government. If the Christian people of America, including the "brainwashed" stooges of Judeo-Christianity, allow the 2nd Amendment to be destroyed, you will see first hand what International Judaism is all about and what they have in store for you "goyim animals."

In the Communist textbook on **PSYCHOPOLITICS**, taught at the Lenin School of Psychological Warfare, University of Moscow, and the "blueprint" for the takeover of the United States, we read on page 52:

"We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christian world, we have yet to influence them to our ends. When that is done, we will have an end to them everywhere.

So, you work until religion is synonymous with insanity. You must work until officials of city, country and state governments will not think twice before they pounce on Christian groups as public enemies. We must strike from our path any opposition . . . and then, at last, the decades sped, we can dispense with all authority save our own and triumph in the greater glory of the State." That my friends, is Talmudic Judaism in its very essence!

Their complete philosophy of control can be found on page 30 of **PSYCHOPOLITICS**: "The most barbaric, unrestrained, brutal use of force, if carried far enough invokes obedience. Savage force,
sufficiently long displayed will bring about concurrence with any principle or order.

"If you would have obedience, you must have no compromise with humanity. If you would have
obedience you must make it clearly understood that you will show no mercy. Man is an animal. He
understands, in the first analysis. Only those things which a brute understands."

These sentiments, my Judeo-Christian friend, come to you from the people you honor as God's
Chosen, yet whom according to His own Son, are your worst enemies. What will it take to wake
you up?

HERE IS SOME INFORMATION YOU NEED TO CHECK

Read Alfred Lilienthal's THE ZIONIST CONNECTION II. In this book you will find a 1970
report by the Chairman of the Department of Education of the American Zionist Council, in which
he reports the monitoring of printed materials in the United States. It says in part: "The office staff
monitors the daily press, the Negro press, the academic press, magazines of all kinds and books.
When hostile attacks against Jews, Israelis of Zionism appear anywhere, materials are prepared and
sent directly to the editor's office, to friends and groups throughout the country, who might have
access to the publication involved . . . The routine of preparing replies to hostile press releases goes
on all the time."

Lilenthal note on page 218 - "The most effective component of the Jewish connection is probably
that of media control. Papers such as the New York Times, Washington Post', and Jewish owned and
others not Jewish owned, have top editors, directors, and advertising chiefs who are Jewish."

Martin Luther, the great Reformer in THE JEWS AND THEIR LIES, which may be found printed
in German in the Congressional Library in Washington, D.C., writes in the foreword: "I have
permitted this booklet to go forth that I might be found among those who have resisted such
poisonous undertakings of the Jews, and have warned Christians to be on their guard against them. I
would not have thought that a Christian would permit himself to be fooled by the Jews, so as to
share their evils and misery. But the devil is god of this world and where God's Word is not, he has
easy sailing not only among the weak, but among the strong. God help us! Amen!"

The pressure to remove prayer and Bible reading from our public schools has certainly had m any
sailing." As Jews have been in the forefront of the efforts to cause it.

Luther continues his discussion of Jewry by saying: "Whoever has a desire to lodge, nurse, and
honor such poisonous serpents and young devils; that is the worst enemies of Christ our Lord and of
all of us; and permit himself to be abused, plundered, robbed, spit upon, cursed and suffer all evil,
let the Jew be commended to him . . . Let him boast that he had been merciful, had strengthened the
devil and his young devils to blaspheme our dear Lord and the precious blood with which He
bought us. In that way he will be a perfect Christian filled with deeds of mercy, for which Christ
will reward him on the Judgment Day, along with the Jews, with eternal hell fire."

Can you imagine the kind of letter Martin Luther would have written to our modern televangelists?
His remarks are scriptural, for we are told in 2 John 10, 11, that if we aid the anti-Christ's in anyway,
we "become partaker of their evil deeds." A lot of Judeo-Christians need to heed this and tremble at
its implication.

Why is it, that in a country where we are supposed to have 45-million "born again" Christians, plus
God alone knows how many "professing Christians," we still allow the anti-Christ's to blaspheme
and curse the name of our King, openly on television and in the movies. Even though many of these
actors do not have a religious background, why do we see them cursing the Christian God? They do
not curse the Jewish god! They do not curse Allah of the Moslems! They curse the Christ of
Christianity and we sit idly by and allow them to do it. Is it because most of us are ashamed to be
Christians? Our Lord was mighty plain about this in Matt. 10:33, when He said: "But whosoever shall deny me before men, him will I deny before my Father which is in heaven." Do we not deny Him, when we refuse to defend Him from evil men? What will your answer be on the day of Judgment, my Christian friend?

Benjamin Freedman, a Christian convert from Judaism, in his book FACTS ARE FACTS, said: "The 150 million (professing) Christians in the United States are high pressured by the Christian clergy to give unqualified support to the Zionists . . . Christians are exhorted by the Christian clergy to regard the self-styled Jews (see Rev. 2:9, 3:9) of Eastern Europe, as God's Chosen people; with Palestine as their Promised Land." (page 75)

Why is it that Christians such as those of the Moral Majority, make such little headway against evil men? Could it be because for the most part the root of the problem is a Jewish root and they will not attack it? Could many of these Christians be fulfilling the words of Isaiah 29:13 -this people draw near me with their mouth, and with their lips do honor me, but they have removed their hearts far from me and their fear towards me is taught by the precepts of men." Men like Falwell and Swaggart, who tell their people: "America must support the Jews in order to obtain God's blessing."

The Christian faith is standing at the cross roads of history. The divine, sacred message of Christianity is in jeopardy today, as never before in its 2,000 years of turbulent history. Christianity is on the defensive world-wide.

We used to sing a stirring song when I was a boy in church:

```
Hold the fort for I am coming,
Jesus signals still.
Send the answer back to heaven,
By Thy grace, we will!
```

But nowhere in scripture, are Christians given the option to "hide in a fort," or in a comfortable "spiritual foxhole." We are not to be on the "defensive" against the forces of evil, but on the "offensive," and the King has promised that the "gates of hell will not prevail (hold out) against us."

Today, as never before, we need a Paul Revere to ride across Canada and the United States, in fact all the nations of Christendom, with a warning message that our enemies are attempting to destroy us. The confusion in Christianity today, especially among the clergy, would not exist if the clergy were doing their duty to "preach the word; be instant in season out of season; reprove, rebuke, exhort with all longsuffering and doctrine," (2 Timothy 4:2).

Countless Christians are standing on the side lines of this struggle, watching in despair, as their faith withers on the vine, and freedom dies, because their spiritual leaders refuse to take a stand for the King.

Their bitterness grows, as they come to realize that it is the ignorance and indifference of their church leaders, which is causing the problem.

When Christians see their spiritual leaders in retreat on every front', they become confused and afraid and this breeds defeat. To stop this surrender, our spiritual leaders must take a stand in this ideological war, which is being waged against everything they say they hold dear.

As more and more intelligent Christians begin to study the Bible for themselves, we will see a spirit of deep resentment over the indifference shown by most of the clergy. I predict a day will come, in the not too distant future, when the clergy will be held accountable by their people, for their treason to God, their race, and this country. As this condition expands, the clergy will learn to their sorrow that "ignorance is not bliss,' neither is folly wisdom."

I remember a song which used to be quite popular a few years ago. The words went something like this:
"Give me some men,  
Who are stout-hearted men,  
Who will fight for the right they adore.  
Start me with ten, who are stout-hearted men,  
And I'll soon give you ten thousand more."

If we could find ten men in every community in America, who would be willing to take a stand for God and right, we could turn this nation of ours around in six months, kick the "money changers" out of the National temple and get America headed on the path to greatness where she belongs.

I also predict a coming explosion of resentment against the Jewish people in America, which will harm many innocent "little Jews." This is bound to come when Christians learn how "self-styled Jews" have spent millions of dollars to manufacture "Jewish myths" for Christian consumption. Many Jewish leaders already recognize this and are trying, without much success, to warn their people. But Jewish "power organizations," such as the Anti-Defamation League, continue their rush towards destruction.

How any right thinking person can claim that Judaism and Christianity spring from the same roots is beyond my comprehension. They are miles apart. It is like saying that something can be "hot-cold," or "wet-dry." Jesus denounced the religion of the Pharisees which is the Judaism of today. This is what earned their hatred and He had to die for His presumption.

Rabbi Adolph Moses, in his book YAHVISISM, AND OTHER DISCOURSES, page 1, says: "The term Judaism coined by Josephus remained absolutely unknown to the Jews... it was only in comparatively recent times, after the Jews became familiar with modern Christian literature, that they began to name their religion Judaism." (It was during this same period, that Judeo-Christianity, the "bastard religion" was born.).

How could the religion taught by Jesus Christ come from a religion that teaches: "If a woman sport lewdly with her son (a minor), and he committed the first stage of cohabitation with her, would this render her unfit for the priesthood?" and the eminent Jewish Rabbi Beth Hillel declared: "the connection would make no difference if the boy was under the age of nine." Don't be so presumptuous as to tell me Christianity comes from a source which would teach such filth.

We have been led to believe by both religious and political leaders, that the Jews have been persecuted in the Soviet Union in recent years, although they are the only religious group which has been allowed to leave the USSR. The Baptist and Pentecostal Christians have been given no such privilege, nor has our government attempted to help them, only the Soviet Jews. In the June 1983 issue of BEHIND THE NEWS, printed in the New York Times, August 1983, the respected South African author and political analyst, Ivor Benson said: "The fact of Jewish predominance for some years after the Bolshevik Revolution can now be accepted as an indisputable fact of history... the deputy-premier Dymshits, was and still is the Kremlin Economic Czar who, with Lazar Kaganovich, has helped maintain an unbroken line of Jewish control over the Soviet Union's economic existence ever since the revolution. He is the big boss with whom the western businessmen must deal... It is possible to be reasonably sure of an opinion that cannot be proved because it is possible to accumulate in the computer of the memory and analyze and symbolize particles of knowledge of quantity and kind, that language cannot communicate... Just about everything that has happened since the revolution, both inside and outside the Soviet Union, has some light to throw on a question of the greatest imaginable importance: Who now is the power we know as the Soviet Union of Soviet Socialist Republics?

"Western investigators... have a right to rest on the assumption that THERE HAS BEEN NO CHANGE inside the USSR, leaving it where it belongs the whole onus of proving to the contrary. Solzhenitsyn has avoided direct reference to the role of the Jews in the Soviet Union, but in THE GULAG ARCHIPELAGO TWO, he has printed photographs of six of the great concentration..."
camps bosses, all Jews, including one Naftaly Fremnkel, one-time Black Sea timber millionaire who is said to be the architect of the entire slave labor system, designed to destroy all those prisoners from whom no more labor can be squeezed. The Germans who fought on the Eastern front and were unfortunate enough to become prisoners of the Russians, can testify that the political commissars of these camps are invariably Jews."

For those of you who may still be skeptical regarding Jewish influence and control of the USSR, ask yourself again, why only Jews, of all religious groups, are allowed to leave the USSR? What better way to infiltrate the United States with trained agents, than to send 50,000 Christ-haters to our shores. There is little doubt that many of these will be trained KGB agents. What absolute fools our government leaders have become, or possibly even worse, are they doing this for a specific purpose?

The Jewish people from time immemorial have been a vindictive, arrogant people. We have scriptural warning of this in several places which we have already discussed. Have you ever wondered why so many Jews are involved in the U.S. Justice Department? Why so many have become Judges and Lawyers?

Let's go to Samuel Roth and his book JEWs MUST LIVE, page 93, for the answer: "Nothing seems to me more natural than that Jews should be attracted to the study of law. But, in view of what they have done with the laws of mankind, no other people would seem to me to be less fit to administer them - for the world, or even themselves. And nothing seems to me so monstrously ironical as the easy liberalness with which the major peoples of the earth continue to admit Jews to the practice of the two cardinal professions - law and medicine: the one governing the affairs of men, the other guarding against the evils of their mortal origin.

"If you consult your average businessman in England, France, Germany, or even in liberal America and ask him why he refuses to employ a Jew, he will invariably, out of old habit, defend himself against an implication of bigotry. 'It's not race prejudice,' he will tell you, 'I simply feel that the Jew's habit is to mind his own business, which is not always, unfortunately, the business of his employer' ". (UNQ.)

The Jews proclivity towards law and medicine could possibly be traced back to a Protocol which was published by Chemor, head Rabbi of France in 1289, when he wrote to the Grand Sanhedrin of that country and said:

"The advice of the Grand Satraps and Rabbis is as follows:

1 - Make your sons merchants, that little by little they may despoil the Christians of their possessions.

2 - Make your sons doctors and apothecaries, that they may take away Christian lives.

3 - Make your sons canons and clerics that the ma destroy their churches, and,

4 - Arrange for your sons to become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them.

SIGNED: V.S.S.V.F.F., Prince of the Jews."
Doesn't it seem strange to you, that while we will often not trust a Jew in business, we seem to have no objection to allowing him to become an officer of the court, even though we know that he yearly, on the Day of Atonement, takes an oath, known as the Kol Nidre Oath, which absolves him from guilt for any promise, or oath he takes during the following year. We don't like Jews as business partners, because we are afraid they will cheat us out of our business, yet we foolishly see no harm in trusting them with our life, or the lives of our family. What fools we "goyim" are. No wonder the Jews look on us with contempt and call us "cattle." No one knows more about our gullibility than the Jews himself, so he takes full advantage of it.

The Jewish desire to destroy Christianity can be seen in an article which appeared in THE AMERICAN HEBREW newspaper, March 1, 1946, which was referring to the Feast of Purim, a celebration of the Jews deliverance from Haman and their slaughter of their Persian enemies, as told in Esther 9:27, 28. The sub-heading of this article was EXTERMINATE ANTI-SEMITIC TERMITES AS OUR ANCESTORS DID 2,500 YEARS AGO. A Rabbi Spitz, the author said: "We must fill our jails with anti-Semitic gangsters, we must fill our insane asylums with anti-Semitic lunatics... we must harass and prosecute Jew baiters to the extreme limit of the law." (UNQ.) (And they call patriotic Christians, haters!)

"Hate Laws", which are invariably sponsored by Jewish organizations, have been tightened throughout Christendom to such an extent, that it is no longer safe to even debate the Jewish Question. In our sister nation of Canada, men have been jailed for telling the truth about those people who are openly seeking to destroy white Christian civilization.

Now these same "hate laws" are being proposed for the United States, by the same crowd. These laws allow a Jew to blaspheme Christ and Christianity, but do not allow a Christian to "reply in kind." Preposterous stupidity to allow this to happen!

In his classic work ANTI-SEMITISM, Bernard Lazare notes: "The Jew seeks to subject everything to himself. He is not content to merely destroy Christianity, but he preaches the gospel of Judaism, he not only assails the Catholic and Protestant faith, but he incites to unbelief, and then imposes on those whose faith he has undermined, his own concepts of the world, or morality, and of life. He is engaged in his historic mission, the annihilation of the religion of Christ. Are Christian anti-semites wrong or right in this respect? Has the Jew retained his ancient notions. is he still anti-Christian? I say, in his actions, because he is necessarily anti-Christian, by definition, in being a Jew, just as he is anti-Mohammedan, just as he is opposed to every opinion which is not his own. (UNQ.) "Contrary to all men," the Apostle Paul said. (1 Thess. 2:15)

Samuel Roth continues his discussion of the Jews influence on our law by saying: "There is the law and its administrator the lawyer. We understand, fairly enough, that the law is a code by which civilized people conduct their individual affairs in a community, with a maximum gain for the community and a minimum of loss to the individual. But what is our concept of the lawyer, the man whom we entrust with the work of administering this code for us?

"The American idea of a lawyer goes something like this. If you have a contract to make or break, a man to sue or a suit to defend, or if someone close to you gets in a legal tangle involving possible loss of property or liberty, you go to a lawyer, a man reputed to have a working knowledge of the laws of your community and country, and bargain out with him the conditions on which he will defend you, or serve in your interests. Whether you win or lose, you feel, will depend not on whether you are right or wrong, but on what kind of a lawyer you have... From our point of view, its more important to have a good lawyer than to be right." (UNQ.)

Roth then goes on to observe that if a Christian in New York City pauses to meditate on the fact that more than half of the several thousand lawyers in that city are Jews, he thinks only that the Jews...
were smart enough to arrange this. It never occurs to him that this overpopulation of Jewish lawyers could have a serious effect on the practice of law. Many times a Christian will hire a Jew to defend him, rather than a Christian, because just as in many other things concerning Jews, he has been brainwashed into believing that Jews are better lawyers than Gentiles. He seldom thinks as far as wondering why the law system is predominately Jewish.

The callousness in our system of justice has been brought about largely by the swarms of Jews who have made the average lawyers office about as safe for the poor layman as a nest of rattlesnakes.

Have Christians, especially those who delight in calling themselves Judeo-Christians, ever taken the time or effort to see the financial and physical havoc which is caused yearly in American society by these unscrupulous men called lawyers? I sincerely doubt it! In Luke 11:46, we see what our Lord thought about the lawyers of His day, when He scathingly said: "Woe unto you also, ye lawyers! for ye laden men with burdens grievous to bear, and ye yourselves touch not the burdens with one of your fingers." Yet stupid Christians, still use these anti-Christ and then compound their stupidity by calling them God's Chosen!

It is interesting to note what Isaiah said about these people we call Jews in (65:15): "And ye (Jews) shall leave your name for a curse unto my chosen (Israel): for the Lord God will slay thee (Jews, see Luke 19:27) and call His servants (Israel) by another name." (See also Malachi 1:24).

Israel was to become a blessing to mankind, not a "curse and contrary to all men." This is why 95% of all the Christian missionary efforts come from the white nations of Christendom. They are true Israel! This is why they are the only nations in the world which openly accepted the Gospel of Jesus Christ. This is why they are the only nations who have based their laws on the Ten Commandments. This is why they are the nations who feed the world's hungry and send 95% of the aid when a nation is stricken with disaster. These are but a few of the scriptural "fingerprints," which prove that these white nations are the Israel of God. The Jews have never fitted one of these scriptural fingerprints.

The Jews will allow the preaching of the Gospel, as long as the church will hold them up as the Chosen People. But they fear a spiritual revival among white Christians in particular, more than any other single thing. For a spiritual revival, coupled with racial common sense, would never allow them to control Christianity as they have in the past 100 years. This is one of the major reasons hate the teachings of the Identity truth. They realize that if enough Americans and Canadians know the truth about who they are, and their responsibility before God, Jewish power over us will be broken.

Once the Christian world wakes up to their IDENTITY. Once they understand and recognize scriptural truth, we will rid ourselves of Jewish bondage and the sorrow it has brought to our people and we can rightfully take our place in the world as "a chosen generation, a royal priesthood, an holy nation (not church); that ye should show forth the praises of him who hath called you out of darkness into His marvelous light." (1 Peter 2:9) Halleluyah!

My personal feeling is that the Lord will not return to save His people until we are willing to acknowledge who we are, realize our responsibilities to both God and our fellow men and live as He wants us to live. That is the message of SURVIVAL we find in 2 Chron. 7:14. "If my people, which are call by my name (this could not possibly mean the Jews, it can only refer to Christians) will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will HEAL THEIR LAND." (Emphasis added).

Unfortunately, we have seen very little of people humbling themselves before God. Oh, they pray all right, but they want God to handle the "dirty work" He has given them to do. God will never carry out the Christians garbage, that is our task. He will not help us until we are ready to humble ourselves and turn from our wilful, "I'm only doing my own thing," ways. Maybe this means that
the majority of us will have to be driven to our knees and have our noses rubbed in the dirt before we will listen to Him? Maybe it means that many of our people will die before we are willing to "humble ourselves and seek His face." He has set before us an easy way, if we want to obey Him, and a tough, bitter path if we rebel. It will be up to us what path we choose!

The End
Be Proud to be a White Christian American!!!

One Nation Under GOD!

"Proclaim liberty' throughout the land, unto the inhabitants thereof;"(Leviticus 25:10)

2 Chronicles 7:14 "If my people, which are called by my name, will humble themselves and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will heal their land."

"Our Father's God to Thee,
Author of liberty,
To Thee we sing.
Long may our land be bright,
With freedom's holy light;
Protect us by Thy might,
GREAT GOD, OUR KING."

With the ending of our first 200 years of national history, America needs to look back over these years to realize that their beginning was in a little believing church. We should marvel, as we see the guiding defending hand of our God, which despite kings, Popes, and wicked men, allowed this little church to be gathered in America for a special purpose.

First, our forefathers sought religious freedom in Holland. These were not the rude, unlettered peasants, our history books would have us believe. Many of them were graduates of the top Universities of England and Europe. Many could read their Bibles in Hebrew and Greek. But being men of peace, they lacked the one element which was necessary for their survival on the hostile shores of the New World-military expertise.

So we behold another wonder of God's love and guidance. There was a man in England whose home was in Lancashire - the same area George Washington's forebearers came from - his name was Miles Standish. He had been disinherited by the authorities and left without property. Not because of criminal activities, but because he showed sympathy for the Puritans. When his wealth was confiscated, Standish fled to Holland, where he offered his services in their flight to remain free from the tyranny of the Roman Church and Spain. There he rose to the rank of captain.

When the war ended, Standish wandered from city to city, wherever Puritans settled. Finally he stopped in Leyden. When the Puritans found after ten years of frustration, that religious freedom can not exist side by side with appalling religious indifference; when they saw how the very religious Dutch people disregarded the Lord's Day and were lax on moral issues, they decided to move on again.

These Puritans were Christian men and women. They were not the "narrow minded" religious bigots our modern history has painted, but men and women who were concerned with the effect Continental life was having on the morals of their boys and girls. For these reasons and many more, which are written down in their records, they decided to move to the New World. There they would strive to raise their families in a way which would be pleasing to God. Miles Standish went with them.

The marks of God's providence on that little band of exiles is known by everyone familiar with America's history. They were as clear as those which marked their forefathers of Israel, when they
fled from Egyptian captivity.

As they sailed west, they carried patents for lands in Virginia. They would not have been happy in Virginia, for already that colony was beset by the same problems which plagued Holland. Most of those who first went to Virginia, were adventurers, interested only in furs and gold. They are what we now refer to as "soldiers of fortune."

But once again, God's intervening hand can be seen, as a winter storm drove their little ship, far to the North, where they finally made land in the Cape Cod Area. The Master Mariner did not take them to Dutch New York, or to the English in Virginia. Instead, they settled on the bleak shores of New England. They were ill-equipped for strife and found the new land denuded of all inhabitants, since the local Indians had been decimated by a plague, a few years earlier.

Not long after they landed, ignorant of the ways necessary for preservation of life in this new and terrible land - after having lost almost half of their number during that first awful winter - the hand of God was seen again.

Who should appear at the little settlement, but the Indian Squanto. It was his old home grounds. It was his people who had died from the plague. He remembered the kindness of the English who had rescued him from Spanish slavery and he repaid his debt, by teaching the new immigrants how to plant corn and fertilize it with fish. He showed them a score of things which were necessary for their survival, and then became their ambassador to powerful Indian tribes to the West.

Who were these Pilgrim fathers? They called themselves: "the seed of Abraham, God's servant, and the children of Jacob, His chosen." This can be found in their records. These were their words. They used the old Israelite word "led;" they were not "driven." They believed that God had brought them to these shores for a special purpose.

Their passage to the New World was speeded by the great Israelite texts and they braced themselves for trouble from the unknown, with the great Israelite promises. They kept their new colony free from blood and crime, by following the counsel of Moses, the "law giver" of Israel. They allotted their land as Israel had done.

The same mighty acts of God which occurred when He took Israel out of Egypt, occurred in different ways, when the American nation was taken out of England.

We need to remember, in spite of all the critics say, that the "planting of America", the hereditary strain which determined our country's characteristics, was a spiritual planting.

Unfortunately, instead of maintaining a Christian land, we, their offspring, have allowed evil aliens to lead us into a society, where God is forced to live side by side with Baal. No wonder we are in such deep trouble. Today, we insist that all of our people must have equal part in our government, even evil men. It was not so at first!

The forefathers who planted this nation were predominately Christian and they came to this land with the specific purpose of making it a Christian nation.

Get it straight in your mind, beyond the power of any false history to erase. The planting of America was by the Church. It was not for political reasons, not for trading, but for the propagation of the Gospel of Jesus Christ.

If the drama behind the making of America tells us anything it is that a minority of dedicated Christians can make a tremendous impact on society.

There were so many close parallels between the history of ancient Israel and the United States; too many to explain away as mere coincidence. When old Israel came out of Egypt, they moved from the Continent of Africa to Asia. In a free Parliament of their rulers and a free convention of their people, held at Mt. Sinai, they elected Jehovah God, to be their head of State. It was a distinct, solemn, national act. Exodus 24:3 tells us: "And Moses came and told the people all the words of the Lord, and all the judgements, and ALL the people answered with one voice (it was a unanimous
decision) and said: ALL THE WORDS WHICH THE LORD SAITH, WE WILL DO!" (Emphasis added.)

When our ancestors came out of the continent of Europe, they moved to the new continent of North America. They came from the slavery of religious persecution. They too made a covenant with God, as surely as ancient Israel did, and we, you and I, and every citizen of this great nation is bound by that agreement, as surely as if we signed it ourselves.

Listen in if you will, to the convocation held in the stuffy cabin of a little ship called the Mayflower, anchored off what is now Provincetown, Massachusetts. It was November 21, 1620. "In the name of God, Amen! We whose names are underwritten, having undertaken for the glory of God and the advancement of the Christian faith, a voyage to plant the first colony - do by these presents, solemnly and mutually, in the presence of God, combine ourselves into a civil body politic." This was the act which began America.

When the Colonies had grown to four and a Federation became desirable, a man of God drew up the Articles of Confederation. These began: "Whereas we all came to these parts of America with one and the same end: namely the advancement of the Kingdom of our Lord Jesus Christ, and to enjoy the liberties of the Gospel in purity, we therefore conceive it our bounden duty, that, as in nation, and religion, so in other respects, we be and continue one." This Declaration made us a People.

The Declaration of Independence, signed on July 4, 1776, made us a Nation. How many of you have ever recognized the three great acknowledgments of God, which are clearly stated in this Declaration?

First - "The separate and equal station to which the laws of nature, and of nature's God entitle them."

Second - "We, therefore, the representatives of the United States in General Congress assembled, appeal to the Supreme Judge of the world for the rectitude of our intentions." (That word "rectitude," means. "moral integrity or righteousness.") In this passage, our founding fathers acknowledged God as the Moral Governor of the Universe, beneath whose awful hand, we hold dominion over the land.

Three - "For the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge our lives, our fortunes, and our sacred honor."

Like ancient Israel, some of our people refused to revolt against the Mother Land and fled to Canada, where they built that Great Christian Dominion. Today, we have two great Christian nations, made up essentially of the same type of people, living side by side in the best and most peaceful arrangement to be found anywhere in the world. In spite of every effort to split us asunder, our heritage always comes shining through.

Did George Washington know something about this nation our pastor's refuse to accept when he called it "the second land of Promise?"

When the American People made him their first President, he said in his inaugural address: "No people can be bound to acknowledge and adore the invisible hand, which conducts the affairs of men, more than the people of the United States. Every step by which we have advanced to the character of an independent nation, seems to have been distinguished by some token of providential agency."

During Colonial times, ministers preached from their pulpits that the Bible was written for Presidents, Advisors, and Legislators; for Magistrates, Mayors, and Ambassadors. They thundered the source from which came the establishment of righteous government. This kind of preaching,
made the Bible not only the Book of the individual, and of the family, but also the Book on which America was founded.

It is interesting to note, that in the Old Testament, every incidence of National revival was begun by civil leaders. There were three major revivals in Israel. The first was in 941 B.C. (2 Chronicles 15:1-16) under the leadership of King Asa. Verse 5 of that chapter pretty well sums up America's condition now: "And in those times, there was no peace to him that went out, nor to him that came in; but great vexation were upon all the inhabitants of the countries. And nation was destroyed of nation, and city of city: for God did vex them with adversity."

Then in 726 B.C. under a King named Hezekiah, we read in 2 Kings 18:1-6 about another great revival. He didn't call the priests and tell them to "clean up the church," he called the nation to repentance.

The final revival came in 634 B.C. under King Josiah and it is interesting to note in 2 Chronicles 15:13 that the people entered into a Covenant with the King: "That those who do not seek the Lord should be put to death." Can you imagine the furor in the present church, if such a thing were even to be mentioned? I'll tell you one thing which would happen, there would be a mass exodus of the criminal element from America, and the heathen who are trying to destroy our Constitutional system, would leave for other parts. I believe we are going to have to return to a Biblical concept, if America is to remain free.

Today, in many of our fundamental and evangelical churches, we have been taught that Christ fulfilled and therefore abolished all the Old Testament Law. This inconsistent and un-Scriptural teaching is at the root of most of our economic, military, financial, social, moral and spiritual problems.

A "strong statement," you say. Yes, but the Law of God, as given to Israel through Moses, in the Ten Commandments, is the revelation of God's will for the conduct of men and nations. It is the only thing which will bring peace and healthy relationships between people-nothing else will ever do the job. The Apostle Paul recognized this when he stated in 2 Timothy 2:2, that it was God's will "That we may lead a quiet and peaceable life in all godliness and honesty." This law will finally be obeyed, when Christ returns to set up His rule on earth and some of the Christians who are so afraid of the Law today, will be forced to abide by it then. This will be the peaceable fulfillment of the Lord's Prayer, Matthew 6:10 - "Thy kingdom come. Thy will be done in earth, as it is in heaven."

The law of God is the full body of national law as found in the commandments, statutes and ordinances. The Laws of Sacrifice, were the ones which were done away at Calvary, when Christ became the "once for all time sacrifice," for our sins. This was what Paul referred to in Colossians 2:14, when he spoke about: "Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to His cross." The Christians of Colossae knew what he meant. In Roman jurisprudence, when a man was sentenced for a crime, a parchment called a "libellus" was nailed to the door of his cell. It listed the crimes for which he was incarcerated. But when he had served his sentence, the presiding judge wrote across the face of this parchment PAID IN FULL! and he could never be charged again for that crime.

This is what happened when Christ died for us. He took the penalty for our sins on his shoulders and when we accept Him, He becomes our Advocate (defense lawyer) and writes across our life, in His precious blood, the words PAID IN FULL! and God will remember these sins against us no more. Thank God for His grace!

But the Laws for the Nation. The Laws for righteous living have never been changed or abolished. Some of you may question this and say that I have become "legalistic." But any honest, analytical study of the New Testament will show that while "justification" for sins (forgiveness) in the Old Testament Covenant came through animal sacrifices, these were merely a "type" of the sacrifice Christ would make for us on Calvary. The saved people of the Old Testament looked forward to the final sacrifice of Christ, while we today look back on it. They were saved in the Old Testament by
"faith," the same as we are today. The entire eleventh Chapter of Hebrews testifies to this. Now that Jesus Christ has fulfilled the "ritual sacrifices," there is no more need for them.

The word used for "law" in the King James Version of the Bible should have been more clearly translated "ritual," since it comes from the Hebrew word "towrah" which means "precept." In the New Testament Greek, the word is "nomos," which means "regulation." It deals with the "ritual," rather than the "law" itself.

The Law, commandments, the statutes and judgements of God remain firmly established even in the New Testament dispensation of "grace." These are all Divinely established "guide lines," for a happy, God-pleasing Christian life and a righteous, prosperous, peaceful nation. Paul said: (Galatians 3:24) "The law was our schoolmaster, to bring us to Christ." When you read the requirements of the Law, you immediately are brought face to face with the fact that in your own strength you cannot keep it. Then knowing that "The wages of sin is death," and that "sin is the transgression of the law," man must look for some force which can deliver him from the death penalty. This brings us face to face with Christ as the only Savior. Jesus Himself inferred that the Law was still in effect, when He clearly stated in Matthew 5:17 - "Think not that I am come to destroy the Law and the Prophets: I am not come to destroy, but to fulfill."

Now who do you intend to believe. The Son of God who says the Law is still in effect, or some preacher man who says: "Christ did away with the Law." In effect any man who so states, is making a liar out of our Lord

Unless you are one of those who say you have no sin and the Word of God indicates that if you do this you are untruthful. Then since anyone who sins, transgresses the Law, 1 John 3:4 and "sin is a transgression of the Law." It only makes sense if the Law is still in effect. Paul went on to clarify this by telling us in Romans 3:31 - "Do we make void the Law through faith? God forbid! yea, we establish the Law." Is that what you have been taught in your church? When you hear any preacher say: "We are no longer under the Law, but now we live in grace: all you need to do is love God and your fellow man," then you know he is contradicting both John and Paul and you are either listening to a "wolf in sheep's clothing," who is deliberately trying to destroy the flock; or you are unfortunate enough to be listening to someone who is "intellectually dishonest" in his handling of the Word of God.

Love as wonderful as it is needs direction and guidance, that it becomes debased and misdirected. This has been one of the major problems in our modern church. We hear so much about the love of God for sinning mankind, that we sort of develop the picture of some smiling, grey bearded grandfather figure, sitting on a fluffy white cloud, watching with indulgence as His children keep right on sinning. Then according to them, He says: "I know they are a bunch of naughty little devils, but I love them so much, that in the end, I'm going to let all of them into my kingdom." This of course is contrary to everything the Word of God teaches.

It is this kind of muddled religious thinking which has confused the minds of our youth concerning sexual promiscuity, fornication, prostitution, and yes, shocking enough to some of you, inter-racial sex. The "New Morality," which is nothing less than "Talmudic Humanitarianism" in disguise, is a heathen religion which teaches that all evils must be tolerated under the guise of "love."

The Apostle John, who was known as the Apostle of Love, clarified this in I John 5:2, 3, when he said: "By this we know that we love God, and KEEP HIS COMMANDMENTS. For this is the love of God, THAT WE KEEP HIS COMMANDMENTS." So when you see some preacher saying: "We must be tolerant of homosexuality," you automatically know he is on the enemy side.

Too many professing Christians in this Age fill the description of Isaiah 29:13-"...this people draw near me with their mouth, and with their lips do honor me, but have removed their heart far from me, and their fear towards me is taught by the precepts of men." (Traditions).

The keeping of Divine Law is a reasonable exercise in human conduct. In Romans 12:1, we read;
THAT we should "present our bodies unto Christ, which is our reasonable service." The word "reasonable" comes from the Greek word "logikos;" we get our English word "logical" from it. In the same manner, it is "logical," or "reasonable" for a Christian to want to live by the law, rather than try and see how much of it they can forget.

There is a cumulative result of keeping God's Law. It is found in 1 Corinthians 2:9 - "Eye hath not seen, neither ear heard, neither hath it entered into the heart of man, the things which God has prepared for those who love Him." Since we show our love for Him by keeping His law, 1 John 2:4, then these things are not waiting for us in some far-off distant heaven. They are prepared for His people right now and are reiterated over and over in the Old Testament promises. Wermonw our love for God, not by the wonderful testimonies we give in church; not by our beautiful prayers, but as John clearly states by the "keeping of His commandments."

Our country began as a small nation of thirteen colonies. They joined together in the task of furthering the Kingdom of God in freedom and liberty. Five years after the ratification of our Constitution, order had come out of chaos; confidence returned to our disillusioned people; our new nation had credit around the world and our growth was assured. Why? Because that is what God promised to us if we would follow Him.

Today, our government gives "lip service" to the supremacy of God; but we have degenerated from a Republic into a Democracy and are well on our way into Socialism and Dictatorship. We started off well; on the basis of following God's Laws. Even though we often did it imperfectly, God blessed this nation above any other on the face of the earth. Our founding fathers came close to meeting the requirements of God, since our Constitution in many respects parallels the Divine system.

I believe if we had followed God's Law "in toto," the penalties for disobedience we are now experiencing, would have been taken away. But since we partially obeyed and partially disobeyed, we have experienced mixed blessings and mixed cursings.

There were three major things the founding fathers left out of the Constitution, which accounted for the major share of our social problems in the Twentieth Century.

First-the failure to prohibit slavery;

Second-the failure to prohibit the use of usury (putting out money for interest); and,

Third-the failure to set a tax base and rate.

Most of you who have studied the Civil War, are familiar with the loss of life and property which accompanied that war. Many of us know that hatreds still linger from that "fratricidal conflict". (Killing of brothers and sisters). But I am going to say something which is exceedingly controversial, but which is clearly stated in the Word of God. Many of our present social problems, hatred between black and white; has come about because we refused to maintain God's Laws against race mixing.

Now regardless of how you feel about this, you will have to admit that it is unnatural and violates the commandments of God in Genesis, that everything must produce "after its own kind." This is as much a natural law as the law of Gravity. Both "black" and "white" people know race mixing is unnatural and the offspring of mongrel families is seldom accepted by either group. It has always led to crime and violence, during the Sixty Centuries of written history which confirm this.

Have you ever been honest enough to ask yourself this question: "Why is it that the Anglo-Saxon and related peoples have kept a progressive culture for over 2,000 years, while other countries, such as Rome, Greece, India, Portugal and Spain; after a glorious history, filled with great achievements, have decayed and fallen from their high places in history?"
Don't try and argue about this, because history proves it. But why? When a nation which produces original thought, breeds with a race that produces little or no original thought, the resulting offspring is always a failure. This is a Law of Nature. Let me give you an interesting example:

The Nordic Lombards conquered and ruled Northern Italy. They gave the world such men as Dante, Michaelangelo, Leonardo Da Vinci, and a host of others. PracticaUy all the major lights of the Renaissance, were Nordics.

But today's Italy is a "multi-racial" nation. While most of that nation's scientists, politicians and high ranking military officers are from the Northern part of Italy and are of Nordic descent, the large part of the south and Sicily are mixed-breeds. They are a combination of part-Nordics, Asiatics, Africans and people of ancient Mediterranean ancestry. In other words, they are a "mongrelized stock." The criminal tendencies of these people are recognized by anyone who has visited Italy and spent some time in the two sections.

Now don't get me wrong, I'm not trying to tell you that one group is superior over another. What I'm trying to convey, is a Biblical truth, this nation better learn fast and that is that racial mixing is a sin in the eyes of God and will always cause trouble. A majority of the troubles of ancient Israel came from this source.

You may remember the story of King Solomon, as told in 1 Kings 11, how he married heathen wives. Verse 1 tells us: "But Solomon loved many strange women, together with the daughter of Pharaoh; women of the Moabites, Ammonites, Edomites, Zidonites and Hittites." In verse 4 we see the results of this race mixing:

"For it came to pass, when Solomon was old, that his wives turned his heart after other Gods: and his heart was not perfect with the Lord his God..."

The word "strange", as used in verse 1 comes from the Hebrew word "nakray" which means: "foreign; alien; non-relative." In Proverbs 2:16 and 7:5, where we read: "to deliver thee from the strange woman..." it does not refer to a harlot, as we have usually been taught, but from the "alien woman." In Deuteronomy 23:2, we read again: "A bastard shall not enter into the congregation of the Lord; even unto his tenth generation." I have had many people tell me: "What a horrible restriction that is to put on a child, who through no fault of his own is illegitimate." But this is not what it means. This common word "bastard," does not refer to an illegitimate child, but comes from the Hebrew word "mamser," which means: "of mongrel or mixed blood."

So please don't get angry with me when I tell you what the Bible says about race mixing; it's not something I made up!

God's Law requires that all men and women receive equal consideration before the law and that all conform to the Law. But here's an interesting thing about this Law, it does not allow foreigners to hold office in the land. My, oh my, how we have broken this one to our sorrow. I could go on and on, and on, concerning the foreign leaders and advisors who have harmed America; men like Henry Kissinger, Sol Linowitz; Zgnibew Brzezinski and others. Then read Jeremiah 30:21-"and their nobles (leaders) shall be of themselves; and their governor shall proceed from the midst of them."

Our leaders should be Americans, of our own race, and religion. This Christian nation should not allow "non-Christians" to be our leaders. Some of you may say: "Isn't that being awful narrow minded?" I'm sorry about that! But it's the Word of the Lord and makes common sense.

Either America is a Christian nation, or we are not. Do you honestly believe that an atheist, or even an agnostic is going to make and keep laws and regulations which will be beneficial to Christians? Do you believe a Moslem, Hindu, or even Jewish President would do things which were pro-Christian? You know the answer to this! The end result of our stupid actions in allowing un-Christian aliens to govern us can be seen in Lamentations 5:2 - "Our inheritance is turned to strangers, our houses to aliens." Isaiah 1:7 - "Your country is desolate, your cities are burned with fire: your land, strangers devour it iti your presence, and it is desolate, as overthrown by strangers."
Many of America's problems increased when we lowered our immigration standards and today we are literally being smothered under an avalanche of legal and illegal aliens, who have brought in heathen philosophies which are completely at odds with our Christian heritage.

There was a time, in our original colonies, when one of the main requirements for holding public offices was that a man be a Christian. Then we were a "Godfearing" nation, on the road to greatness.

I could take you into the fields of capitalism, taxes, those who belong to True Israel, who refuse to accept their identity and the responsibility which goes with it. monopolies, farming, criminal law, military planning, health, foreign policy and many others. In every area of our nation, the problems which are slowly strangling us and our freedom, have come because of our disregard of God's Laws. When we break these Laws, either as an individual or a nation, then the "rod of God's discipline" falls on us. It brings us to the realization that God still sits on the throne of the universe and His Word is still Law.

Today in America, there are over 2,000 groups which have been organized to save us. The motives of most of them are commendable, although occasionally charlatans creep in who have ulterior motives. But most of these groups have never discovered the source of our problems. They have been "picking fleas off the back of the dog" for fifty years, and today, the poor dog has more than at any time before. Most of these organizations have forgotten Christ's admonition: "Without me, ye can do nothing!"

They have fought Communism and liberalism. They have taken stands against Supreme Court decisions. They have lambasted the Tn-Lateral Commission and the Council on Foreign Relations. Many have fought the good fight against abortion and the E.R.A. They have stood for decent textbooks in our schools. All these things are good, but they have not done the job. There must be a reason for this.

Only one thing will work! We must return to God's way of doing things. The remedy is found in 2 Chronicles 7:14, it says: "If my people, which are called by My name (and He was not speaking to the Jews, but to His Israel people), shall humble themselves, and pray, and seek My face, and turn from their wicked ways; THEN WILL I HEAR FROM HEAVEN, AND WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND! (Emphasis added.) The answer to America's problems is as plain as the nose on your face. The answer is so simple, that our intellectuals ever refuse to look at it.

I've heard preachers say: "If all the Christians in America would bombard God in a season of intense prayer, we could have the revival which would save America." But God's Word contradicts this. In Isaiah 59:1 we read: "The arm of the Lord is not shortened, that He cannot save: neither is His ear heavy, that He cannot hear: (but notice closely now) BUT YOUR SINS HAVE SEPARATED BETWEEN YOU AND YOUR GOD, THAT HE WILL NOT HEAR!" (Emphasis added.)

Listen to me my Christian friend, God will not hear your prayer, even if you pray until you are "blue in the face," unless your life is in harmony with His Laws. Remember: "Sin is transgression of the Law." It is not the Communists. or the Jews, or the atheists who are destroying America, it is the sin of God's people. It is the apathy of those who call themselves Christians and We are like Pogo of the comic strip: "We have met the enemy and they is us!"

How much more of the wrath of God must be poured out on America before we "turn from our wicked ways and seek His face?" Will it be necessary for us to be driven to our knees before the terror of Jewish-Communism, as happened to our Christian brethren in Russia and China? Will we need to see our cities destroyed and American blood running in our streets, before we wake up?

Now there is no doubt that some of you who read this will be saying to yourself: "This will never happen to me, because I'm saved, and Jesus is coming back to Rapture me out of this mess before it
gets that bad." How do you know this? Is it something your pastor has told you? Jesus never said anything about coming back to Rapture His people out of tribulation. Speaking to Christians in Matthew 24, He said: Speaking about wars, rumors of wars, famines, pestilences and earthquakes: "All these are the beginnings of sorrows. Then shall THEY deliver you up, to be afflicted, and shall kill you: and ye shall be hated of all men for my name sake." Who do you think the "THEY" is? The answer can be found in Luke 21: 12 - "But before all these, THEY (there's that word again) shall lay hands on you, and persecute you, delivering you up to the SYNAGOGUES, and into prisons, being brought before kings and rulers for my name's sake."

You thought those words were about Jews, now didn't you? But there is only one group of people in the entire world who worship in SYNAGOGUES, you know who they are. These are the one's who murdered our Christian brethren in the Communist countries. Tell a Russian Christian about the Rapture and see what he says. Shame on you, if you are leaning on the Rapture to dampen your witness and ruin your stand as a Christian soldier.

Your Lord told you "Occupy until I come!" Nowhere did He say: "Occupy until you think I'm coming back next week, or next month." You can't occupy, hiding in a foxhole, waiting for Him to rescue you. Having been in the Rapture Movement for 45 years, I believe I can speak with authority about them. By their actions, the majority who preach this "false doctrine," show that they really don't believe in it. I have known many pastors who are "big on" the Rapture preaching; they say: "I believe the Lord will come back within the next year." If this is true, then why are they saving up for their children's education fund? Why do they increase their life insurance? Why do they go on vacation if the return of their Lord is just around the corner? It doesn't make very much sense, now does it? I believe the Rapture teaching has been used by the enemies of the Church, to keep Christians from becoming involved in the battle against evil.

Then just maybe, some of you who read this message may be thinking: "I don't need God in my plans. I'm strong enough to handle anything which comes along. I've got enough food stored to last two years; I've got plenty of guns and ammunition to protect it; I can handle anything that comes my way." Oh you poor fool! You haven't learned very much from the lessons of history!

What then is the answer? What will keep the blight away from our cities? What will stop the erosion of our land? What will halt the birth defects, and the disease? What will cause violence, crime and fear to disappear from our city streets? What will end our military stalemate and allow our armies to be victorious on the field of battle? What will cure our broken homes? What will turn our mis-directed government around and head them back to greatness? What will end the immorality, and the blasphemy which has become so much a part of our everyday life? What will stop the hatred, and the war which accompanies it?

The Apostle Peter said in 1 Peter 4:17 - "The time has come when judgment MUST begin in the house of God." What did he mean? The word "judgment," comes from the Greek word "krina," and means: "a decision for or against crime or evil." When Christians make the proper decision, then America will be saved. When we love the Lord enough to follow His way of doing things, instead of hiding behind the milquetoast preaching which says: "You are free from God's Laws." We become more concerned with pleasing Him, than "doing our own thing;" then and only then will we see the revival that will save America.

It will come when men and women, boys and girls, see Jesus Christ as the answer to their problems. It will come when we finally open our eyes and see who we are and then become willing to fulfill our obligations to God and our fellow men. THERE IS NO OTHER ANSWER!

So I challenge you, those of you who really care. I dare you tonight, to go into the room where your children lay asleep. Don't turn on a light or disturb them. You say you love them and I hope you really do. Remind yourself that all the good things you have and the things they have, did not come automatically. Your freedoms were not "bought and paid for at Valley Forge." That was only the "down payment" on your freedom. Every generation must make "payment on the account," if they
are to remain free.

Think about this for a little while. Then if you dare, I challenge you to go to a room with a mirror; turn on the brightest light in that room and stand and look yourself in the face and ask yourself this question: "Before God, what have I done in the past year to make this a better country for my children? What have I sacrificed? Have I tried to live as God would have me live?" If you can answer in the affirmative, God bless you! But if you are like Jack Mohr, if you are like most Christians I know, you should fall on your knees, and before God make a vow, that in the year that lies ahead, you will do everything within your power to see that God's will is done "on earth as it is in heaven."

The path to national recovery MUST BEGIN WITH YOU!!!

Introduction

In dealing with any controversial subject such as International Judaism and its Satanic offspring Zionism and Communism, it is often difficult to get a message of warning across to those who are in the most immediate danger. This is due to the fact that the Christian world has become so "brainwashed" in the "Liberal mind detergent" of Zionist propaganda, that immediately, when one speaks of a Jew in any but the most complimentary of terms, he is saddled with the horrible accusation of being an "anti-Semite." This has stifled honest discussion of this tremendous problem.

This book has been written specifically to Christians who have been mis-led by their church leaders, into believing that the Jews of today are the Chosen People of the Old Testament and that they must be afforded only the most courteous treatment, no matter what evil they may do; to do less, will cause the curse of God to descend on this country, or so their religious leaders aver. The Scripture used to back this contention is found in Genesis 12:3 and contains God's blessing to Abraham: "I will bless them that bless thee; and curse him that curseth thee." They are very careful not to tell their parishioners that Abraham was a Hebrew, not a Jew and that there were no people known as Jews on the Bible scene, until 2 Kings 16:6, about 1200 years after the time of Abraham, and here we find them fighting against Israel.
The contention that God has blessed America because we have been kind to the Jews, is a falsehood, easily proven so. There has been no time in America's history, when this country has gone down hill faster, in every facet of our national life - economically, politically, militarily and spiritually - than in the years since 1948, when we first recognized the right of International Zionism to steal the land of Palestine from it's rightful owners, and establish a Jewish State on this stolen ground.

It is quite possible that we are seeing the culmination of a curse men mentioned in 2 Chronicles 19:2, which is never quoted by our ministers. It says: "Shouldest thou help the un-Godly? and love them that hate the Lord; therefore is wrath upon thee from before the Lord."

Today we see good Christians, as they deny the truth spoken by the Apostle Paul in Ephesians 5:11, when he said: "... have no fellowship with the unfruitful works of darkness, but rather reprove them (expose)."

1 John 2:23, 23 tells Christians who the anti-Christ is. It is anyone who denies Jesus Christ. This person cannot have the Father. Then in 2 John 10, 11, John specifically warns Christians to have nothing whatsoever to do with these anti-Christ, for if they do they become "par-takers in their evil deeds." This argument from the Scriptures should pretty well cover the attitude of any honest Christian who believes the Bible, yet who wants to fellowship with Jews.

Jesus was much more specific and vehement in His accusations against the Pharisees than I have ever dared to be. He said of them in John 8:44 - "Ye are of your father the devil, and the lusts of your father ye will do. Re was a murderer from the beginning, and abode not in the truth, because there is no truth in him..." Then to put a finishing touch on His condemnation, He said as recorded in John 10:26 - "But ye (Jews) believe not, BECAUSE YE ARE NOT OF MY SHEEP . . ." (Emphasis mine.) How much more specific can anyone be? I realize that theologians will try and explain away this denunciation, yet there it stands for any intelligent person to read.

Many times in approaching this International problem, we make the mistake of going to the opponents of the Jews for our quotations; men like Adolf Hitler and his MEIN KAMPF and Martin Luther and his JEWS AND THEIR LIES. So what I have attempted to do in this little book is let the avowed enemy of Christianity speak for themselves.

The first part of this book titled THE OPPOSITION - will give you some thoughts of famous people who have worked with the Jews, saw the danger in International Zionism and tried to warn their people about it. But the greater part of this book will be taken up with quotations from famous Jewish leaders - Rabbis, politicians, authors - as they tell the gentile world, in their own words, what they intend to do.

The inspiration for this book comes from a mimeographed manuscript which I received in the mail several months ago titled THE PATTERN OF THE PLAN. There was no author given and apparently no copyright. The original manuscript was completed in June 1967. I was so intrigued with the documentation and presentation of this vital material, that I contacted the author - who wishes to remain anonymous and received his permission to quote from this manuscript.

A great deal of this book will be taken, at least in part, from this material.

Part 1
The Opposition!

From the time when Judaism sought to impose on the world a new religion - not that of Abraham, Isaac and Jacob, - commonly known as the Hebrew religion of the Old Testament - but the religion of the Edomite Pharisees of Jesus' time, which had been begotten in the dusty halls of Babylon circa 500 BC. It has sought an inter-mingling of the true worship of Jehovah, as practiced by "true Israel" and the heathen worship of occult Baalism, which became known as the "religion of the Pharisees," and which caused Jesus, the Son of God to say to them: "In vain do ye worship me (God), teaching
for doctrines the commandments of men," (Matthew 15:9; see also vs 3.)

From the beginning of the Pharasaic religion world leaders began to realize there was a Satanic
conspiracy underway to enslave all mankind, under the rule of Lucifer and to destroy every trace of
God worship.

This conspiracy can be traced back to ancient Spartanism, Illuminism, some phases of Freemasonry
and in this century such one-world organizations as the Club of Rome, the Bilderbergers, the
Council on Foreign Relations, and the Tri-Lateral Commission, all heavily under the control of the
Pharisees.

The purpose of all these organizations has been to bring about a vast, one-world government, which
would control the world's wealth and thus their economy and people. It's major plot was one of
economic domination based on the Babylonian Usury System which is so vividly condemned in the
Bible.

In Deuteronomy 23:19, Israelites were warned: "Thou shalt not lend upon usury to thy brother..."
Exodus 22:25 said: "If thou lend to any of my people that is poor.. thou shalt not be to him as an
usurer, neither shalt thou lay upon him usury." In Psalm 15:5 we learn that those who will abide in
the tabernacle of the Most High will include those who "putteth not out his money to usury, nor
taketh reward (bribes) against these things, will never make it into the Kingdom. Bankers take
warning!

The true meanings of this Satanic, occult religion, were written down over a period of some 1,000
years (from about 500 BC to 500 AD.) in a book which became known as the BABYLONIAN
TALMUD. (According to Jewish authorities today, it is the "heart's blood" of modern Judaism.)

A well-known Christian leader once said: "To recoil before an enemy, or to keep silence when from
all sides such clamors are raised against truth, is the part of a man either devoid of character or who
entertains doubts as to the truth of what he professes to believe."

Unfortunately, in this Century at least, it has become common practice among those who call
themselves Christian, to refrain from anything that might be considered controversial.

The same man who made the above remark, said: "Christians moreover, are BORN FOR
COMBAT, whereof the greater the vehemence, the more assured, God-abiding, the triumph: Have
confidence, Jesus said, 'I have overcome the world.'

In the Gospel's story of Christ's brief stay on this earth as a prophet-teacher, an observant reader will
note that the Jewish Pharisees did little to confront Him, until He turned His wrath on the "money
changers" and drove them out of the Temple. From this moment, the Jewish leaders began a vicious
attack against Him which culminated in His being executed as a common criminal.

When the Pharasaic leaders of Judaism began their conquest of America, they followed the same
procedure, by seizing control of the currency. The earliest colonists had established in this country,
a working financial system. It was a sound one, based on valid, logical monetary principles - on
economic common sense - on real wealth. Using this system, the Colonies flourished and prospered,
as they were free from the vicious grasping hands of the Jewish usurers.

As he observed the booming economy of the colonies, the International Jewish banker, Meier
Rothschild inquired of Benjamin Franklin the reason. Franklin replied: "It is simple. In the Colonies
we issue our own money. It is called Colonial Script. We issue it in proper proportions to the
demands of trade and industry." (From Senate Doc. #23, p.23.)

Realizing how an interest-free currency would shake the Jewish control of world finance,
Rothschild and his colleagues began to work so that the colonies would use "Jewish bank monies,"
instead of their own currency. They did this through the use of their enormous money power and
"bought agents" such as Mexander Hamilton. In 1781, Hamilton started the Bank of North America,
modeling it after the Jewish controlled Bank of England.
Within a year after "bank money" went into use, the colonial prosperity had disappeared, replaced with economic chaos. On observing this, Franklin said: "Conditions were so reversed that the era of prosperity ended and a depression set in to such an extent that the streets of the colonies were filled with the unemployed." (From MONEY CHANGERS by Coogan.)

Benjamin Franklin was probably one of the greatest intellects America has ever produced. Not only this, unlike many modern intellectuals, he loved America and freedom and was one of our foremost patriots. He knew the Jews from first hand experience with them and understood them very well. He knew if these Pharisees ever fastened their economic tentacles on America, it would bring only disaster, so he tried to warn his fellow Americans: Listen: "The inability of the colonists to get the power to issue their own money out of the hands of George III and the International Bankers, was the prime reason for the Revolutionary War." (MONEY CREATORS - Coogan, p.1, 2.)

In a statement made before Congress in 1789, concerning Jewish immigration to the United States, he spoke words of wisdom which many of you have read before and which would have kept us from all sorts of trouble if we had only listened to him. He said:

"Gentlemen: There is a great danger for the United States of America, this great danger is the Jew. Gentlemen, in every land which the Jews have settled, they have depressed the moral level and lowered the degree of commercial honesty. They have remained apart and unassimilated. . .They have created a state within a state, and when they are opposed they attempt to strangle the nation financially as in the case of Portugal and Spain. For more than 1700 years, they have lamented their sorrowful fate.. namely, that they were driven out of their motherland, but gentlemen, if the civilized world today should give them back Palestine and their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires...they cannot live among themselves; they must live among Christians and others who do not belong to their race.

"If they are not excluded from the United States by the Constitution, within less than 100 years, they will stream into this country in such numbers they will rule and destroy us and change our form of government for which Americans shed our blood and sacrificed our life, property and personal safety. If the Jews are not excluded, within 200 years our children will be working in the fields to feed the Jews while they remain in the Counting House gleefully rubbing their hands.

"I warn you, gentlemen, if you do not exclude the Jews forever, your children's children will curse you in your graves. Their ideals are not those of Americans even though they have lived among us for ten generations. The leopard cannot change his spots. The Jews are a danger to this land and if they are allowed to enter they will imperil our institutions... they should be excluded by the Constitution." (Found in the Pinckney Papers, Library of Congress.)

Some 180 years after Franklin issued this warning, Rabbi Asher, speaking at a meeting of the Jewish Kehilla in New York, stated: "American interests are one; Jewish interests are another thing." (COMMON SENSE, #495, 5/15/67).

George Washington, our first President, also foresaw these perils. He said that the Jews should be "hunted down as pests of society, and the greatest enemies we have to the happiness of the United States." (MAXIMS OF GEORGE WASHINGTON, P.125-126.)

He said again: "They (the Jews) work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each State, log ago has not hunted them down as pests to society and the greatest enemies we have to the happiness of America... the Jews."
In spite of the keen insight Franklin and Washington had concerning the Jews, Congress refused to listen to them and five things happened between 1801 and 1816, which helped the International Jews gain control of the finances of America.

1. In 1781, the Bank of America was founded by the traitor Alexander Hamilton and his Jewish associates.

2. In 1790, the U.S. Public Debt of $75-million was converted by Hamilton, then Secretary of the Treasury, into interest bearing bonds! This interest was paid to the Pharisee "money lenders."

3. In 1791, due to Franklin's death, Hamilton was able to put over his proposition for a privately owned central bank. The result was that the Jewish bankers collected interest on U.S. Bonds for twenty years.

4. In 1811, Hamilton's charter expired and the result was the War of 1812, which put the country's finances under control of the International Jewish financiers.

5. In 1816, a privately owned U.S. bank was started, with a charter that lasted 20 years. It's capital was $35-million of which the government owned $7-million. This bank was given the authority to issue paper money. By 1830, this had expanded to 27 private branches - all Jewish owned/and or controlled.

In 1832, some 40 years after Jewish manipulated Alexander Hamilton had inflicted the charter of privately owned banks on America, President Andrew Jackson, (One of the few truly great American Presidents to sit in Washington), vetoed renewal of the 1832 charter of the Second Bank of America. It was at this time he made his two most famous statements concerning finance:

"If the American people only understood the rank injustice of our money and banking system, there would be a revolution before morning," and, "You (Jewish bankers) are aden of vipers. I intend to run you out, and by the Eternal God - I will rout you out!"

That this great man was not able to chase these thieves from the National Temple is an indication of the strength they had accrued in a few short years. (The events listed above and the statements of Jackson were taken from Coogan's book - MONEY CREATORS.)

Some 25 to 30 years after Jackson's administration, the Jews were again trying to set Christians against Christians and were able to get the Civil War started. To do so they used their money and the services of such Jews as Benjamin Disraeli, Prime Minister of Britain in Europe and Judah P. Benjamin, August Belmont, and John Slidel in America.

The Christian Czar of Russia perceiving that such things as the Maximilian Empire and the "Mason-Dixon Line" were Jewish "divide and conquer" techniques, sent troops to San Francisco and New York in a fruitless attempt to thwart the Civil War plan. But once again, as in other Jewish planned wars; the Pharisees manipulated Christians into fighting against Christian. They financed both sides and made a profit of over $4-billion which went into the coffers of the International Pharisees.

In 1863, President Lincoln was coerced by his Secretary of Treasury, Salmon P. Chase and others into signing the National Bank Act, which delegated, once again, to a private corporation, the all-powerful right to issue our money. This removed from the Jews the panic they had felt when Lincoln shook their control by issuing free money.

The fact that Lincoln was aware of the Jewish "money lenders" and their danger to this country was well known after he publicly stated: "As a result of the war, corporations have been enthroned and the era of corruption in high places will follow. The money power of the country will endeavor to prolong the reign by working on the prejudices of the people until wealth is aggregated in the hands
of a few and the Republic is destroyed. I feel at this moment more anxiety for the safety of my country than ever before, even in the midst of the war." (MONEY CREATORS - Coogan.)

When President Lincoln began to issue $200-millions of interest free money and statements like that above, the "money changers" realized he was too dangerous to be allowed to live and he was assassinated by John Wilkes Booth. Those who have studied this period state that John Wilkes Booth's real name was Buthman, and that he was an agent of the Rothschilds. What is of even more--importance is that Booth's deed greatly aided the Jewish conquest of America by removing Lincoln - one of their stumbling blocks.

In the earlier days, before the establishment of the American colonies, the Jewish Pharisees gained control of world finance through the activities of Jewish goldsmiths; through control of the Bank of England, etc., But when the colonies were established, they gradually shifted their seat of power to the United States, until today, the seat of world Jewish power is not in Jerusalem, but in New York City. Under the capitalistic system, a fertile ground was offered to the Jew bankers and the usurious money lender, on which to build a tax-riddled, debt-laden economic structure which is strangling America today. Capitalism grants practically infinite power to those who own money - meaning in the long run, that International Jewry controls Capitalism!

Free Enterprise is different from Capitalism, for it means healthy, beneficial economic activities based on sound, proven, honest economic procedures. Under true Free Enterprise, individual initiative and enterprise is encouraged. Business flourishes and is able to lay away something for improvement and expansion, as well as "something for a rainy day." The sky can be the limit! Indeed it would have been the limit, if we had been free from the stranglehold of the International Banking bandits. These evil men knew that true Free Enterprise based on free money, owned and issued by the people, as our Constitution requires -would not only wrest their "vise like" control over American economics, but would thwart their plans for world conquest, so they stole from the American people, through various bank acts, culminated by the criminal Federal Reserve Act of 1913, the Constitutional rights of Americans to coin their own money and saddled us with a debt that will never be paid in our lifetime.

When they had done this, the Internationalists could sit back knowing that American Free Enterprise could never be truly "free enterprise" as long as they controlled the money supply.

In this manner, Capitalism has become a clever Jewish system, which while it helped America into a position of world pre-eminence, contained the seeds of our destruction, since it would eventually collapse under the weight of its own excesses, whenever the enemy decided it should collapse.

There have been many financial manipulations which have been used to bring about this collapse, such as inflationary "fiat money", the "National Debt", the socialist-communist practices begun with the New Deal, "deficit spending," Social Security, "suicidal foreign aid," tax-free foundations into which the Jews pour their wealth and which they use for socializing influences, and of course the un-American, Marxist "Income tax."

Listen to what the Communist textbook on PSYCHOPOLITICS, printed in 1933, says on p. 17 - "The masses must at last come to believe that only excessive taxation of the rich can relieve them of the burdensome leisure class and can thus be brought to accept such a thing as an income - tax, a Marxist principle smoothly slid into Capitalistic framework... in the United States. This even though the basic law of the United States forbade it and even though Communism at that time had been active only a few years in the United States."

The Federal Government of the United States now belongs to the Zionist Pharisees. The term ZOG (Zionist Occupational Government) is a truism in every respect, no matter whether there are Republicans or Democrats in charge of the country.

The Jew has been very clever in his handling of the United States, for while he has been placing America in financial fetters, he has used the young giant for his own devious purposes. He has
bridled it, guided it and fashioned it along lines of his own choosing. He has used its immense strength for his own ulterior purposes. Under capitalism, and under the influence of the rugged Christian American spirit, the U.S.A. developed tremendous muscles. These muscles, which are now becoming weaker, have been used to great advantage by the Jew, to cause this country to do anything they wanted it to do. This has included fighting wars which were used to spread "democracy," "socialism," and "communism" everywhere, while it combated truly Christian governments in places such as Spain, Viet Nam, and elsewhere. They have used it as a tool to advance their program towards a one-world Zionist controlled government.

Under the financial and political machinations of such International Jews as Paul Warberg, Henry Morgenthau, Bernard Baruch, Felix Frankfurter, Herbert Lehman, Louis Brandeis, Harry Dexter White, Franklin D. Roosevelt and other Jewish schemers, America has engaged in two major wars and several lesser wars which have caused grief and misery for countless millions of people, both at home and abroad.

An international figure who understood and opposed the International Jew-Bolshevik takeover of Russia, was a Dutchman by the name of M. Guednyke. He was Netherlands Minister to Russia in 1918 and issued this famous statement which the Jews have tried to hide effectively for many years. This statement read:

"Unless Bolshevism is nipped in the bud immediately it is bound to spread in one form or another over Europe and the rest of the world - it is organized and worked Jews who have no nationality and whose one object is to destroy for their own ends the existing order of things." (House Document #868, 65th Congress - 3rd Session - P.674.)

Some of the strongest and most useful control International Jewry has fastened on the U.S. have been fashioned by the "mental prostitutes" who do the dirty work for the Internationalists. In the words of the Christianized Jew, Dr. Benjamin Freedman, in his book FACTS ARE FACTS! these "sell for money the facilities they have from the shoulders up, just as the female of the species sells for money, her body from the waist down." These men are probably to me at least, more detested than any others in America at this time.

Wasn't it the Apostle Paul who remarked that "the love of money is the root of ALL evil?" (1 Timothy 6:10) and how true it is. Look at every evil which is destroying America, whether it be dope, prostitution, abortion, crime, dirty politics, you name it and at the bottom you will find a big $ sign. Wherever you find the $ sign, you will find the "buzzards of International finance," as they gather to feed on the carcass of the nation they have destroyed. They always want their share of the "gelt."

In the patriotic paper THE CROSS AND THE FLAG, for May 1965, was the following article:

"A startling summary - We are indebted to the Defenders of the American Constitution, headed by General P.A. del'Valle, for an arresting summary concerning financial manipulations which involve the U.S. and the world."

"FACTS: The following "package deal" measures, effected in 1913, have reduced the U.S. to a debt-ridden, confused, universally disliked and distrusted slave state. (International conditions regarding the U.S. are much worse today than when this was written in 1965.) Initiated by the International Bankers, (which means Jews) they were introduced through their front men, such as Edward Mandel House, Paul Warburg, Nelson Aldrich, and Carter Glass.

1. The Federal Reserve Act which was an un-constitutional surrender by Congress of our sovereign power to control our currency. We gave that to the International Jew.

2. 16th Amendment: The graduated Income Tax recommended by Karl Marx.

3. 17th Amendment: The popular election of Senators, thus making Congress a
unicameral legislature instead of a bicameral one as was intended by the founders of the Constitution.

4. Tax Free Foundations: which serve as tax shelters for the Jewish Bankers and are used to finance pro-socialist subversion.

5. Foreign Policy Associations: which control our foreign policy and always lean towards internationalism and socialism.

7. The National Council of Churches which has been used to subvert Christianity.

8. Universal Military Service through a draft, which supplies the Internationalists with cannon fodder for their wars.

Since 1913, we have fought two major wars and two "no win wars which have resulted in the formation and strengthening of the Communist Slave State of the USSR and the Israeli dictatorship in Palestine. Only the International money masters have gained from these wars. Unless we gain control of our currency and very soon, we shall lose our freedom forever.

How could we do this? We could buy back the Federal Reserve Corporation, if Congress had the guts to do it. They are stymied in this because of a real "fear of the Jews," which permeates Congress. We could institute law suits in every State to outlaw the Federal Reserve Banks; we could put pressure on our State legislatures to pass laws declaring the Federal Reserve Act null and void. We could return to the Constitutional method of coining our own money, if our leaders only had the courage to face up to the bandits who are destroying us.

Since the end of World War II, our Zionist controlled government has followed the 1944 Bretton Woods Conference. The objectives of this Conference were to:

1. Strip the U.S. of its gold reserve, which had made the dollar the dominant currency in the world - by giving away American gold to other nations in a variety of ways.

2. To build the financial and industrial capacity of other nations at our expense, thus eliminating American productive superiority. (We can see the result of this in our depressed steel and automotive industries.)

3. To take the world markets away from American producers until America would cease to dominate world trade. (This has been done.)

4. To involve and implicate American affairs - economic, political, cultural, educational, social, and even religious with those of other nations until the U.S.A. could no longer have an independent AMERICAN POLICY, EITHER DOMESTIC OR FOREIGN, BUT WOULD BECOME INTERDEPENDENT IN A WORLD-WIDE SOCIALIST - Communist-Zionist run One World Chain!

The Jew has instigated in the average "goyim" the same pursuit for money and material things that one sees when attending a greyhound racetrack. The dog takes off after the elusive rabbit, hoping to catch it. If by some chance he does catch it, he discovers to his horror that it is unappetizing, sterile,
unfruitful and meaningless.. .and his master takes it away from him.
The Jew bankers do the same with the world money. They use their money to entice, ensnare, and enslave their "goyim" victims and then make fools out of them.
Here are a few areas which they control:

1. They control the great news agencies of the world, newspapers, radio, TV.

   They own or control 909 of the major newspapers in the United States with a daily readership of 47-million. These include such papers as the NEW YORK TIMES; THE WASHINGTON POST; THE ST. LOUIS POST DISPATCH; THE ATLANTA JOURNAL, AND THE LOS ANGELES TIMES.

   They own or control 47 of the major weekly magazines with a readership of over 79-million, such magazines as TV guide with a circulation of over 19-million; controlled by Walter Annenberg. McCalls, circulation over 6.8-million, controlled by Robert Stein.

   TIME, readership over 4.3-million, controlled by Harrison Aaron Mitnick.

   NEWSWEEK - readership over 2.9-million, controlled by Katherine Meyer Graham and on and on and on, ad nauseam!

   Add to this, nine of the ten top movie studios are Jew owned, and you have a complete monopoly over what Americans read, hear and see. No wonder they are so successful with their propaganda.

   The major Jewish influence in the fields of non-Jewish owned papers is in the field of advertising. There the power of the Jewish controlled National Newspaper Representatives is ominous. They can make or break a newspaper or magazine in a remarkably short period.

   This control of the media did not come about by accident, but has been planned from the beginning as a means of controlling and brainwashing our people.

2 It is well known how the Jews control Hollywood and how the movies are used to brainwash our youth. I do not need to waste time discussing this.

3. Jews control fashions and clothing, maneuvering them so as to drain to dryness the family budget and undermine the home's saving plan.

4. Jews control the world's gold. Men like the Rothschild's, Bleichroeder, Mendelssohn, Japeth, Seligman, Lazard, Straus, Morgenthau, Schiff, etc., The Sassoon family controls the world opium trade; the Jew Lord Melchett controls nickel; the Jew Louis Dreyfus controls wheat.

   In the EDMONTON ECONOMIC SERVICE BULLETIN of New York,
it was shown that the 440 richest American families (non-Jewish) controlled about $25-billion. A handful of International Jews control over $500-billion, with one family, the Rothschild's estimated to control over $300-billion. (This was twenty years ago and the Jewish control has increased vastly since then.)

A few years ago, out of some 1800 executives employed at the United Nations headquarters in New York City, over 1200 were Jews; this has increased since then.

For over 2000 years, the Jewish nation has toiled to destroy the Kingship of Jesus Christ and seal the destruction of the Christian church. When they come into power, so they boast, they will destroy all concepts of Christianity from the earth.

They are urged to do this in their religious book the TALMUD. They have been our enemies ever since the Apostle Paul warned of them in 1 Thessalonians Chapter Two.

The American Constitution contains the provision that any treaty which is ratified by the U.S. Senate becomes a part of the internal law of the land. Indeed, in effect, it becomes superior to the Constitution itself, so that rights guaranteed to Americans by the Constitution can be taken away from them by properly ratified treaties.

For a treaty to be ratified and become the law of the land, not even a quorum of voting Senators is necessary. All that is required is that two-thirds of the Senators present in the Senate Chamber, at any given time, vote in its favor. On July 13, 1952, for example, three treaties were ratified with only two Senators present in the Senate.

Thus if the conspirators introduced a U.N. Covenant Treaty on a quiet summer afternoon, when only three members were seated in the Senate, it would require the assenting vote of only two Senators to impose upon the American people some major portion of the Jews unholy revolution. There is little doubt that this procedure would be followed to pass the Genocide Treaty, if its opponents were not alert.

If this particular treaty were to be passed, (and it now has) the Bill of Rights of our American Constitution would be supplanted by the U.N. Covenant of Human Rights. This means that our present unqualified guarantee of free speech, press, and assembly would be, according to the terms of the treaty, "subject to penalties, liabilities, and restrictions."

Another fearful aspect of this treaty would be that judges in our courts
would be forced to make decisions in conformity with U.N.-dictated policies. This has already been used as the basis for one court decision, where in the Fujii Case in a California court, a state law was overruled on the grounds that it seemed to conflict with the United Nations Charter.

Thirdly, American citizens would be obliged to obey laws imposed upon them by the U.N. and they could be taken out of the U.S. to be tried in a court of the U.N. 's choosing.

Attempts have been made in Congress to pass U.N. legislation where all American gold resources would be taken over by a central monetary control. We already know how generous the U.S. can be with American taxpayer money. Under the auspices of the U.N. Relief and Rehabilitation Association, U.S. currency plates, plus supplies of Treasury Department ink and paper, have already been handed over to the Soviets, with no control over the amount of American backed money they could print. This project was the brain child of Treasury Department Jews, Harry Dexter White and Harold Glasser. It received the official blessing of the Jewish UNRRA head, Herbert Lehman.

Fourth, American soldiers would be made part of an international military pool and would be obliged to fight under U.N. leadership, against whatever enemy the U.N. were to designate. This was the case in Korea and to a lesser degree in Vietnam, under our SEATO treaty.

In the Korean War (1950-53) Major General Walden Walker, Eighth Army Commander, often complained that the enemy knew his battle plans before he did. This was because we fought this war under the spider flag of the U.N. Every order that went to Gen. Walker was first sent to the Under Secretary of Military and Security Affairs, who at this time was a Russian General. Of course the plans were immediately sent to the Communist commander in North Korea. The only successful operation of that war, the Inchon landing, so brilliantly executed by Gen. McArthur, and for which he was fired, came because he made the move without first notifying the Joint Chiefs of Staff.

If the planned directives of International Zionists were to pass the U.S. Senate, the U.N. would reserve the right, under its "full employment" program to tell American workers what jobs they could work at, the wages they were to receive, and what countries they must work in.

Under the U.N. World Health program, there would be mandatory standardized Government care for everyone suffering from "any morbid condition, whatever its cause, from birth to death." This program of socialized medicine would provide for mass inoculations, the killing of incurables, and a system for "Planned populations," which means birth control in some area, and baby-bonuses in others.

There would also be a U.N. established universal and compulsory system of education designed to safeguard and perpetuate the United Nations control.

If America were to adopt these treaties, and don't think it could never happen, since the Pharisees in our Government would love to see it happen, American citizens would become world citizens and the Jews would have triumphed in a bloodless revolution.

Recently this letter was received by a Patriotic leader in the U.S. dated January 23, 1986.

Dear

You people are so paranoid, it is obvious we can no longer permit you to exist. We cannot allow the spread of your filthy, immoral Christian beliefs to the rest of the world. Naturally, you are opposed to World Government. . unless its under your fascist grip of American Imperialism. Who are you to proclaim that the Christian-American way of life is best. It is obvious you have never been exposed to the superiority of communist culture, World government, and subsequently world peace. This cannot come to reality until American Nationalism and Imperialism is smashed.
When nationalism is smashed, I will personally be there to fire-bomb your church, burn your Bibles, confiscate your firearms, and take away your children and send them to Eastern Bloc schools for "reeducation" as future leaders of the newly formed Soviet Socialist Republic of America. We're taking over the world and you're not man enough to stop us. I am prepared to fight you and all other enemies of the State.

Sincerely, your enemy,

SIGNED: Gregory Paul Brookbank, Spokane, Washington

These people are not kidding! While our ministers shout "Peace and brotherhood with all" While they hold their joint meetings with the Jewish enemy, the International gangsters smile as they see another milestone passed in their journey towards world control.

Many years ago, Pope Pius XI, in his Encyclical Quadragesimo An-no, said: "It (Communism) is a universal satanic conspiracy, supported by powerful financial interests, skillfully prepared, directed by clever men and efficiently operated. The leaders of this universal conspiracy are the successors of the ancient Pharisees. They promote the idea of a temporary messianic kingdom."

When Calvin Coolidge was President, he was said to have written a letter to his friend, Dr. Billy Sunday, in which he said: "I can hardly pursue an honest policy in government for Jewish pressure!" (Taken from COMMON SENSE, 12/1/66, page 2).

There has probably been no branch of the American government which has fallen under Jewish control, as much as the U.S. State Department. The DILLING BULLETIN of May-June 1965 wrote:

"Our State Department Emblem - One conversant with the Talmudic creation, the U.N., by the American Jewish Committee lords of earth, must be struck, as our national policy sets up one Communist nation after another, at the sight of the six-pointed star of Pharisaism... reproduced herein from TIME magazine 6/4/65, adorning our State Department emblem!"

It's cabalistic significance can be seen, as reproduced from the Jewish Encyclopedia of 1905, in THE PLOT AGAINST CHRISTIANITY, by Elizabeth Dillings, Exhibit 282.

It is interesting to note that the State Department has done more to aid the advance of Communism than the Communists themselves, while trying to "hoodwink" patriotic Americans into believing they were stopping the spread of Communism. It was the American State Department which made it possible for Castro to take over Cuba virtually unopposed. It was an American President who gave his stamp of approval to Ben Bella; it was the State Department which destroyed anti-Communist Katanga and Rhodesia; it has subsidized Communist regimes around the world, using our tax dollars while proclaiming loud and long that it was anti-communist. It gave our Panama Canal to a communist dictator; it betrayed China, the Hungarian Freedom fighters, and the Nationalist government in Taiwan. The list of its treason is virtually endless. Our aid to Russia of both technology and food; our back door aid to Castro via the United Nations; our aid to the Communist nations of Africa, backed by our great conservative, President Reagan, and on and on it goes, with no one in government with the guts to go against the Jews who control it. Where will it all end?

Over twenty years ago, there were men who recognized the danger posed by the State Department to American security. An article appearing in COMMON SENSE, 1/1/1964 stated:

"The Character of the State Department - This Department is the giant which keeps growing. From a two roomed apartment, with a secretary and four aids and an operating budget of $6500.00 in 1781, the State Department had become a major operation by 1949 with 6,000 employees in the U.S. and 11,000 in foreign lands. By 1952 it had grown to 42,000 employees, 31,000 in foreign lands. It boasted 1200 buildings in 200 cities, with an annual budget of near $250-million. By 1985,
it had grown to an immense giant which employed 25,642 people in the U.S."

In 1985, the American people spent an estimated $18,962,000,000 on International Affairs according to the **READER'S DIGEST ALMANAC** for 1986.

As early as 1946, it was estimated there were between 2,000 and 4,000 Communists or communist sympathizers working in the State Department. In April 1946, 79 members of the State Department were fired for having Communist affiliations.

In 1947, the State Department was virtually run by the Jew Felix Frankfurter, who although he was a Supreme Court Justice, was the one who gave directions to Secretary of State Dean Acheson. These were often carried by the Jew Benjamin Cohen.

At this time, the State Department was further infiltrated by the Jewish traitors Alger Hiss, Harry Dexter White, and others.

Another Jewish traitor who dealt devastating blows to the U.S. was Walter Rostow. In 1960, Rostow and Jerome Wiesner were sent to Moscow to talk with Khruschev. It seemed unusual for President Kennedy to allow these two Jews to represent him two months before he actually took the oath of office as President. It became apparent that the Marxist Jews who maneuvered Kennedy into the Presidency were already pushing him into allowing them to take over control of the government; they could not even wait until he got into office.

Rostow was a member of the Council on Foreign Relations. He went into the White House with Kennedy and immediately began to give orders for foreign activity. While General Maxwell Taylor was with Rostow in South Vietnam, Taylor once told him to "shut your big mouth." Two months later, Rostow was promoted to Chairman of the State Department's Policy Planning Council. He produced lengthy documents on foreign policy which so shook Congress, that a number of Senators and Congressmen demanded that he resign; but Rostow, knowing he was backed by the Jew machine defied such Senators as Dirksen of Illinois and refused to allow Senators to even look at his foreign policy plan. He even defied the Senate Foreign Relations Committee. Why these "gutless" politicians allowed him to remain in office, is anyone's guess. He was backed in his refusal to cooperate with the Senate, by Secretary of State Dean Rusk, who was also a member of the Council on Foreign Relations. In a 568 page book he wrote, titled **UNITED STATES IN THE WORLD ARENA**, Rostow virtually advocated surrender of the U.S. to the Soviet Union.

We could go into many pages of details concerning the CIA. (Central Intelligence Agency) which is the "whipping boy" of the State Department and which is used to keep recalcitrant governments, especially those who are anti-Communist under the control of the One Worlders in Washington.

The major reason Hitler was opposed by International Jewry was because he opposed Communism in Germany and over 90% of the German Jews were reported to have been Communists. When Senator McCarthy found 42 spies operating at Ft. Monmouth, New Jersey and exposed them, he found that 38 were Jews. For exposing them, he was harassed and driven out of office.

The State Department sent General George Marshall to China to force Chiang Kai-Shek into taking communists into his cabinet and when he refused, ordered shipments of American arms, on their way to the Nationalists, to be dumped in the ocean.

In Korea, the State Department pressured President Syngman Rhee, who had been America's friend for years, into leaving Korea. We could go on and on with the friends of America who have been dropped, because they were anti-Communist. Today we are doing the same thing. It is our State Department who is attempting to drive South Africa into the Communist camp, just as they did in the "sell out" of Rhodesia.

We could go into detail concerning the ADA (American's for Democratic Action), which has been radically leftist from its inception and which has been working towards its one major goal of creating a world community under Zionist control. Some of our top men such as Hubert Humphrey, James Patton and Hans Morgenthau have been members of this anti-American organization.
THE TERRIBLE RACE. Wickham Steed, writing in THE HAPSBURG MONARCHY, 1913, said on p.169: "There is a Jewish question, and this terrible race means not only to master one of the grandest warrior nations in the world, but it means, and is certainly striving to enter the lists against the other great race of the North, (the Russians) the only one which had hitherto stood between it and its goal of world power. England and France, if not actually dominated by Jews, are very nearly so, while the Common Market of Europe was another scheme of the International Jews, to help establish the One-World Jewish dictatorship."

To explain the place of the Common Market in these plans for world conquest, I call your attention to an article in the 1965 issue of the LONDON PLAIN SPEAKER:

"The constant talk of a Common Market of European Union, or a "Strasburg Parliment," "the Treaty of Rome," the little known "College of Europe" in Belgium for the training of future administrators, and much else, leaves one with a sense of confusion...

"Then again there is vagueness as to what Europe is geographically, and De Gaulle speaks of a Europe up to the Urals. This is rather like "America up to the Mississippi," since the Ural Mountains are in the middle of Russia.

"Furthermore, how is union to be achieved when the continent is divided between the Communists and "democratic capitalism"? Who is to give it cohesion when there are so many histories, cultures, races, and languages, so many political differences?

"Finally, what concrete and clear steps are proposed in order to achieve reality of union? To sign, as, a Treaty of Rome, is not to achieve in fact a European union. The Iron Curtain will not thereby be abolished, or all the other divisive factors.

"But we would be wrong in assuming that these policies, so insistently propagated, are the result of mere confusion and wishful thinking. They are part of a definite plan. And that plan is old and has long been a part of the overall scheme of global conquest. The plan is to complete unification in the West just as soon as the wider plan of the co-ordination of Communism and Capitalism, and their bringing together as the super-democracy of World Government, is ready for execution. Then, suddenly, all the apparent obstacles will fade away and the world will be invited to applaud the generous initiative of the two partners, the U.S.A. and the U.S.S.R., to the establishment of true peace. It will be the peace of the global concentration camp of the universal lunatic asylum, in which all will be declared insane who oppose the Godless dispensation of total socialism.

"The question is: Will the ancient Christian nations of Europe tamely submit, will even those under Communism fail to use their opportunities when the changes are introduced, and will the American people allow themselves to be deceived by flattery and promises of power and profit in order to play the role of the second of the two major enslavers of mankind under the tutelage of the forces of subversion?

"A unified Europe, indeed a council of the world, is desirable. But not at the cost of the annihilation of values without which we would all become morons and slaves, any more than the union of people as a nation should be achieved by reducing every individual to the status of an ant. Only the overthrow of the tyranny of Usury-Capitalism and its (Communist-Jewish) progeny can clear the way for the establishment of a Christian peace of brotherhood and love. Power politics will seem completely inappropriate when the world is free again, after the terrible experiences of the past fifty years. Thus our great sacrifices will not be betrayed, but will be justified."

The following is from THE INTERNATIONAL JEW, by Henry Ford, Sr., Vol.1, p.193:

"The Twelfth Protocol contains the entire plan of Concord of the Press, reaching from the present time (the 1920's) and on into the future when the Pharisee World Government will be established.

"Keep in mind the boast that has been for generations that no publication that has
THE PLAN OF PRESS CONTROL IS AS FOLLOWS:

"We shall saddle it and keep tight rein upon it. We shall do the same also with other printed matter. pamphlets and books.

"Not one announcement will reach the people save under our supervision. We have attained this at the present time (1898) to the extent that all news is received through several agencies in which it is centralized from all parts of the world.

"We shall overcome our opponents without fail because they will have no organs of the press at their disposal.

FROM P.75 of the INTERNATIONAL JEW:

"... the Jews were growing more powerful in New York, and were obsessed by the idea that to control journalism in New York meant to control thought in the whole of the country.

"The number of newspapers gradually diminished through combination of publications. Adophy Ochs, a Philadelphia Jew, acquired the NEW YORK TIMES. He soon made it into a great newspaper, but one whose bias is to serve the Jews. It is the quality of the TIMES as a newspaper that makes it so weighty as a Jewish organ.

"In this paper the Jews are persistently lauded, eulogized and defended; no such tenderness is granted to others.

"Then Hearst came into the field - a dangerous agitator because he not only agitates for the wrong things, but because he agitates the wrong class of people. He surrounded himself with a coterie of Jews, pandered to them, worked hand in glove with them, but never told the truth about them; never 'gave them away.'

"The trend towards Jewish control of the press set in strongly, and has continued that way ever since. The old names made great by great editors and American policies, slowly dimmed."

From THE CROSS AND THE FLAG, came this article on Jewish control of the Press:

"The diabolical plot to get control of the channels of public information was revealed in a highly confidential letter from Pharisee Moses Montefiore, Member of the British house of Lords, and written to James Rothschild, banker, Frankfurt, Germany, before the turn of this Century, copy of which leaked the crime with these words:

"Until we (Jews) own the newspapers of the whole world, everything we do will be in vain. We must own or influence the newspapers of the entire world to blind and deceive the people . . ."

This dastardly, Pharisaic crime to capture and use newspapers, magazines, and other media of public information to deliberately lie and deceive the people of the U.S. and the world, to put up with high treason and to accept economic and political slavery, was rudely exposed in a speech by John Swinton, former Editor of the NEW YORK TRIBUNE, made before the NEW YORK
"There is not an independent newspaper in America. I know it, and you know it. There is not one of you that would dare express an honest opinion. I am paid to keep honest opinions out of the paper I am with. You are paid to do the same thing. Our business is to destroy the truth; to lie outright, to discredit, to vilify. We get our bread by selling our country. We are tools and vassals of rich men behind the scenes. We are intellectual prostitutes."

The wide latitude which ancient wisdom and free legal principles is allotted to the range of free discussion, has never been a license to tell lies; not to aid criminal conspirators who seek to use the right to destroy all liberty and free discussion. Every writer that publishes that which he knows to be false and untrue is an infamous traitor and criminal to every principle of law and justice.

When Christ spoke to the Pharisees of His day, He said: "Ye are of your father the devil." (John 8:44). The fact that He spoke the awful truth is abundantly clear to anyone who has ever studied International Judaism.

In few places is this Pharasaic satanism more apparent than in this thing which is known as Mental Health. All who are interested in the safety and freedom of America, need to read and study materials on this subject.

In the Communist textbook on PSYCHOPOLITICS, 1933, page 22: "A good and experienced psychopolitical operator, working under the most favorable circumstances, can, by the use of Psychopolitical techniques, alter the loyalties of an individual so deftly that his own companions will not suspect they have been changed.. the end goal of such a procedure would be the alteration of the loyalties of an entire nation in a short period of time..."

Page 23 - "Any man who cannot be persuaded into Communist rationale is, of course, to be regarded as somewhat less than sane, and it is, therefore completely justified to use the techniques of insanity upon the non-Communist."

Page 24 - "When the loyalty of an individual cannot be swerved, and where the opinion, weight, or effectiveness of the individual stands firmly in the road of Communist goals, it is usually best to occasion a mild neurosis in the person by any available means, and then, having carefully given him a history of mental imbalance, see to it that he disposes of himself by suicide, or by bringing about his demise in such a way as to resemble suicide."

Page 25: "Since in Capitalistic countries an insane person has no rights under law...we have an excellent road along which we can travel toward our certain goal and destiny."

Page 26: "In rearranging loyalties we must have command of their values. In the animal the first loyalty is to himself. This is destroyed by demonstrating errors to him, showing him that he does not remember, cannot or does not trust himself. The second loyalty is to his family unit, his parents and brothers and sisters. This is destroyed by making a family unit economically non-dependent, by lessening the value of marriage, by making an easiness of divorce, and by raising the children wherever possible by the State...

"Denying a Capitalist country easy access to courts, bringing about and supporting propaganda to destroy the home, creating juvenile delinquency, forcing upon the state all manners of practices to destroy the child will in the end create the chaos necessary to Communism.

"... deny the child any right in society. Refuse to let him earn, by forcing him into unwanted dependence upon a grudging parent, by making certain in other channels that the parent is never in other than economic stress, the child can be driven in his teens
into revolt. Delinquency will ensue.

"By making readily available drugs of various kinds, by stimulating him with sex literature and advertising to him or her practices as taught at the Sexpol (sex education in the school)... the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness in-to which can be cast the solution which will give the teenager complete freedom everywhere - Communism...

"By these means the patriotism of the youth can be dulled to the point where they are no longer dangerous as soldiers. If we can effectively kill the national pride and patriotism of just one generation, we will have won that country. Therefore there must be continual propaganda to undermine the loyalty of the teenager in particular.

"In case of strong leaders of the youth, a psychopolitical operator can work in many ways to use or discard this leadership. If it is to be used, the character of the boy or girl must be altered carefully into criminal channels and a control by blackmail or other means must be maintained. Where leadership is not susceptible... no pains must be spared to direct attention of the authorities to that person and harass him in one way or the other until he comes into the hands of our psychopolitical operator. By reason of his child advisory status, he can destroy the sanity of that person. Particularly brilliant scholars, athletes and youth group leaders must be handled in either of these ways . . ."

"The handling of youth cases by courts should be led further and further away from law and further and further into 'mental problems,' until the entire nation thinks of 'mental problems' instead of criminals."

This horribly, satanic control over the youth of a nation, is brought about through this thing called Mental Health.

If you were to believe the figures given out in the Pharisee controlled Press, you would have to believe that the greatest percentage of Americans are "nuts". The Jewish child psychologist, Paul Brandwein, in the preface to a handbook for teachers, stated: "Every child comes to school insane from the ideas which have been taught by his home and church. It is your task as a teacher, to change these ideas, so that the child can become one of the international children of the future."

Perhaps the Jew psychiatrists are partially correct, for it would seem that Americans are mentally impaired if they cannot see the danger that is posed by the conspirators Mental Health Program. if it was good for us, it would be kept under the cloak of conspiratorial silence.

If you are honest enough to check out who the directors of local mental health programs really are, you will find to your surprise, that a vast majority are Jewish psychologists and psychiatrists. Then check out the names of the "psychiatrists" in your local telephone directory. These practitioners are almost exclusively Jews, many of them so-called European refugees.

There are a few so-called Christians psychiatrists who are given high marks by the press. Watch out when this is so, for you will find that the Jew cleverly uses the phrase: "A Christian psychiatrist of eminence" to give prestige to "mental health."

We could go on with many pages more, but I believe this is enough.

I believe it would be worthwhile here to mention briefly, the Jewish control over both major parties. We have not had an American government in Washington since the early 1930's when FDR sold out to the Internationalists.

The strings since that time, no matter whether Democrats or Republicans were in power, have been pulled by International aliens. Example of this control are legion, but let's look at a couple as
examples.
In the Presidential election of 1960 and 1964, the platforms of both parties reflected "pure socialism". The candidates were members of the Council on Foreign Relations (one-worlders) or worse.

In 1960, we had a pathetic socialist named John Kennedy running against a CFR opportunist named Richard Nixon, who had been touted to the American people as a great conservative. The Internationalists wanted JFK in, so the election was stolen for Kennedy in Chicago, among other places. This was a key electoral state which the Jews wanted tipped in favor of JFK. Imaginary men, residents of vacant lots, and voters who had long been residents of local cemeteries, all voted for JFK.

Another tip as to Jewish control of this election was the strong support and guidance of Pharisee Abie Ribicoff who went on to become head of the Jew controlled Department of Health, Education and Welfare, after he helped maneuver JFK into the White House.

In 1964 we had the choice between a slick Jewish politician named Barry Goldwater, who had been also touted as a conservative and the grand larcenist Lyndon Johnson. The Jewish overlords opted for Lyndon and won this election by using their most effective weapon, the controlled press.

The last real live American we had running for president was Senator Robert Taft of Ohio and he was given the full elimination treatment by the Zionists lobby. Taft would have set the timetable of the conspirators back many years, so he was disposed of by the dirty tactics so customary of the Zionists.

Through slander, by backbiting, by innuendo, by false rumors, by slogans, such as TAFT CAN'T WIN! this grand man was defeated for the Republican nomination. As he was pushed aside, the Jews trotted out their new boy . . . Ikey Eisenhower, who was a complete Pharisee tool, a total fraud and one of the stupidest men who ever acted as Commander of America's armies and later the Presidency. He was the total friend of the Communists Jews in World War II and he continued that into the Presidency.

While 'William Randolph Hearst left a lot to be desired for as an American, he put his finger on the pulse of America when he stated in 1920: "The Democrats go down into the cellar and bring up a rotten potato. The Republicans bring up a rotten apple. There you are folks! Take your pick. They are both CFR men. No person can get elected to that high office (President) without first agreeing to do everything that the powers that be tell him to do."

For those poor disillusioned souls who may think it makes a difference whether you vote Republican or Democrat, please note that Hearst's shocking statement was made 65 years ago. The control of the press and finance by the Internationalists is infinitely greater now than it was then.

In 1964, when JFK was President, it was conservatively estimated that 3% of the population (Jews) controlled the other 97% (non-Jew). This is about the same ratio they had when they took over Russia by a bloody revolution in 1918. I believe that with so many Americans being alarmed over what is taking place in Washington, we should be told the truth about who is behind the scenes, pulling the ropes. Our present President, again a man who has been touted as a great Christian and a great conservative, Ronald Reagan, is totally, 100% controlled by the Zionist Lobby. "By their fruits shall ye know them." No matter what lovely speeches he makes; no matter how "pro-American" "anti-communist" he may appear. Look at what he does. He pulls the wool over the eyes of many Christians by saying he is against abortion and for the family, while he supports those who are the total enemy of the Christ he claims to serve, and who are the backbone of International Communism.

On the local level, the Jew reveals his presence in many ways, both open and in the shadows. He uses all of the old tricks which have been in his repertoire for centuries - all the gimmicks, such as "brotherhood," the "persecution complex," the "philanthropic trick," etc., The Jew makes himself
acceptable on the local level . . . and then with his control of money and his prostituted press, he
takes over the nation and the world.

Here are some of the ways the Pharisee operates in the local community:

1. He keeps Jews in positions of trust and influence in both political parties. The top
spots are not needed, all they need is men and women in positions to influence the top.

2 He makes himself acceptable by many means. Look at your local activities and see
what I mean. Look at how he ingratiates himself with the 'community and the Christian
people he is taught to hate.

3. He loves to give "brotherhood" awards to those who are useful to his cause. If you
find any gentile who is receiving high Jewish awards, like from the B'nai B'rith and you
will find a Gentile prostitute to Judaism. A good example, Dr. Jerry Falwell.

4. He creates the image of the Jew as being the champion of restraint, patriotism,
middle-of-the-road pacifism. Yet he heads all the "far left" organizations and is
involved in every anti-American activity imaginable. Check the leadership of the "far-
left" organizations and see for yourself.

5. He has pushed to get as many "city managers" as possible into the small cities of
America, making local elections meaningless.

6. He loves to talk about the Civil Defense Program and does this for three reasons:
(a) To keep Americans in constant fear;
(b) To promote the "brinkmanship" policies of world Zionism;
(c) To create a working force that he can twist to his own needs when
desired.

Take a hard look at the leaders of your Civil Defense programs across America. You
will find the Pharisees, or their "prostituted hacks" in most of these jobs.

They are ever alert into trapping the goyim into doing the dirty work for them. Look at how they
use Christian children for the objective of UNICEF Halloween drive. Notice how they are in the
forefront of pushing the diabolical Mental Health Program. Notice the number of "kind-hearted"
Roman Catholics who work to put over the Catholic Interracial Council - a group which helps in the
mongrelization program of international Jewry.

In every community across the land, the "do-gooders," the "keep up with the Joneses," the "pseudo-
intellectuals," the "social climbers," the "hypocrites," the "fairies," the "crooks," the "ward-heelers,"
the "opportunists," all do the dirty work for the International Jew. How they love this!

One area which has been completely subverted by the Pharisees is in that of books, especially
reference books. If you don't believe this, look at a copy of the **DICTIONARY OF AMERICAN
SLANG.** It is one of the slimiest books which has ever been written and that's saying a great deal
when you have books of the caliber of the **TALMUD** in competition. In this modern book on
"slang", the Jewish writer Flexner, follows the long established Jewish practice of associating the
name of the Virgin Mary with all kinds of filth and female degeneracy and depravity.

Or consider the wonderful world of the Encyclopedia Britannica. Benton has long loaded his
encyclopedias with One World Socialism. If you don't think so, compare a 1986 edition with one
written in say 1900. Or look at a series called **GREAT BOOKS OF THE WESTERN WORLD**
which was published in 1965. The advertising for this series say they "run from Homer and the
Bible through to William James and Sigmund Freud." If you want to look at a malevolent devil, try
the Jewish psychiatrist Sigmund Freud on for size. He's against everything you should stand for as a
Christian.

The Editor in Chief of the GREAT BOOK SERIES, was Robert Maynard Hutchins, former
president of the RED UNIVERSITY OF CHICAGO. He was a Zionist puppet for many years.
Others on the advisory staff were the Jew Mortimer Adler, the Jew Stringfellow Barr who wrote for
many Communist papers, the Jew Joseph Schwab, and extreme left "pinko" Mark Van Doren. Quite
a series, it is, and it does the dirty work of International Jewry in brainwashing the minds of our
people.

John Dewey, the "father of progressive education," was the darling of the entire liberal Jewish
community. He was an atheist and should be classed near the top of the list of those who have done
the most to ruin American education and in the brainwashing of millions upon millions of American
school children, who are now the voting public of 1986. Dewey did more for the cause of
International One-World Judaism, than all the armies the Jews might have controlled.

If you want to see the objective of World Judaism spelled out in letters, just take time to read some
UNESCO sponsored publications. These can be received by writing to the national headquarters for
B'nai B'rith.

MANPOWER: For a moment, let's look at the countless millions of laborers who work mightily
for Jewish objectives, without ever knowing they are even involved. Ask yourself how many
American boys died in the Jewish war to "make the world safe for democracy," or the Jewish "war
to end all wars?" Both were instigated for Jewish world objectives.

The Jew, while manipulating large manpower groups, does not need to be strong in manpower
himself. With his total control of finances and the press, he can use only one or two men in key
positions to bring about the desired reaction.

A good example is the incalculable harm done to America by a Jewish "she-wolf" named Anne
Rosenburg, when she was appointed as Under Secretary of Defense during World War II. This very
anti-Christian person had the white crosses removed from the graves of our men buried in Arlington
Cemetery. She assisted in turning Gen. George Marshall into the arch4raitor who sold Nationalist
China into the hands of Mao Tse Tung's Communists. She was at least partially responsible, along
with Dean Rusk, in having one of our most patriotic generals of all time, Douglas McArthur,
removed from Command in Korea, when he insisted on winning that war. She did more damage to
the prestige of America when she was in office, than any enemy army could have done. When she
left her job in Washington, she was welcomed into the Jew movie industry of Hollywood, where she
continued to manipulate brainwashed Americans. Somewhere along the line, Anne married the Jew
Paul Hoffman, another top government official, a modern Republican, by the way, and one of the
top world conspirators.

When the "Jew puppet" Lyndon Johnson became President, he appointed Anne to the Labor Central
Investigating Committee, where she came under praise from another Zionist puppet, Hubert H.
Humphrey.

Lenin one time said: "When Communism comes to a land it will be brought by non-communist
hands!" How true!

Another man who did yeoman work for the Internationalists was an excuse of a President called
Harry Truman. He was the one who removed McArthur from his post in Korea at Anna Rosenberg's
bidding. The papers of dismissal were written by Rosenberg and other Jew agents and Truman
obligingly signed them and fired the best military strategist America has had in modern times.

Another one of Truman's achievements was his manipulation of the "Immigration Laws," so that
millions of Jews were allowed into the United States; many of them of communist affiliation. Many
of them were part of the "six million" who had died in German concentration camps. Truman also
favored Israel on every occasion.

Then for a moment, let's look at one of the most inept individuals that ever darkened the doors of the White House, the World War II hero, General Dwight D. Eisenhower. (If you will remember, he was awarded three of his five stars overnight, jumping over many much better qualified officers, because he had ingratiated himself with FDR.)

Ike danced to the "Zionist tune" to such an extent that some semi-knowledgeable persons considered him to be a Communist, never realizing that he was dancing to the Jewish tune.

One of the most dastardly criminal acts in American military history, an act that far outshone any treacherous acts we perpetrated against the American Indian, was Ike's OPERATION KEELHAUL, in which millions of anti-Communists were turned over to the Soviets at the end of the war, where they were summarily executed or sent to slave labor camps to die from their treatment there.

Eisenhower, along with the puppet in the White House, FDR were largely responsible for stopping America's armies at the border of Germany, so the Soviet troops could come in and occupy Berlin. Ike hated the Germans, not because they had been his enemy, but because they were opposed to the Communist Jews who wanted to take over all of Europe. Our brave and valiant American soldiers were allowed to win World War II, up to a point, but when they arrived at the German borders, the Pharisees, issued orders through the mouth of the five star general and General George Patton and his armored forces were stopped from going on to the Polish Border. If this had been allowed, all of Germany would have been free today.

Patton knew that something was drastically wrong in Washington and planned to return home to tell our people about it. Unfortunately he told of his plans, and the "Puppet masters" had him assassinated.

Ike, the "mouthpiece" of the International Jewish traitors, was rewarded after the war with the Presidency of Columbia University and eventually the White House.

To those American who lost loved one's at the Battle of the Bulge, it might be of interest for you to know that the Supreme Commander was dead drunk on the night of the most intense fighting. This according to some of his own associates.

THE JEW AND THE MEDICAL PROFESSION: In a Rothschild Journal, Jan.13, 1889, is an interesting directive that was sent from the top Jewish authority in France, to local rabbis, back several hundred years ago. It is appropriate, because it became the basis of Jewish control of the medical profession. It said: "... Make your sons doctors and apothecaries that they may take away Christian lives."

Have they done this? Far beyond their fondest expectations! By the end of the 1960's they had full control of the medical profession. It goes without saying there were many good Christian doctors, dentists and druggists, but these were used as a shield for the Jewish takeover of medicine. The majority of these Christian medical men were in chains to the Pharisees, one way or the other.

Not only were they in full control but they furthered their control by filling all the medical schools and centers with Jewish "Medicine men." This was especially true in the field of Mental Health, as we briefly mentioned.

The AMERICAN MEDICAL ASSOCIATION, which was once a proud organization of some of the finest doctors in the world is now thoroughly controlled by a clique of Jewish doctors at the top, in the Central AMA office in Chicago. It was a real coup for the Internationalists, since it was moderately exclusive, moderately self-policing and generally covered the vast majority of doctors in America. All that was necessary was for the Jewish doctors to worm their way into control by using their time-tested methods.

They used the same techniques they have used in other areas such as the Parent Teacher's
Association in education. Read the journals of the A.M.A. and you will see the Jewish hand everywhere.

MEDICARE was one of the areas in which the Jewish doctors showed their control. While there was some opposition to Medicare when this socialist scheme was first introduced, it was quickly and efficiently squelched by the Zionist controlled Lyndon Johnson and his "rubber stamp" Congress.

One of the major shocking victories of this conglomerate was in the FLUORIDATION OF WATER. When the Pharisees were instructed by their Grand Sanhedrin to "kill the Christians," this is exactly what was meant. So they have chosen ways which were not obvious and which would not bring discredit to them. One of these has been in the fluoridation of drinking water.

Sodium Fluoride, is a dangerous, cumulative poison, the basic ingredient of rat poison. Any chemist worthy of the name knows this. Any biologist knows that living protoplasm put into fluoridated water will die. Yet hundreds of American cities, have had their clean drinking water contaminated with "sodium fluoride," many times over the expressed disapproval of their people.

It is a huge and terrible story that you need to read about.

Often when I talk about the part the Jew has played in the destruction of Christian America, someone reminds me of all the good the Jew has done for America, and names such as Einstein, Oppenheimer, and Salk are often mentioned, along with the renegade Psychiatrist Sigmund Freud. I have observed that for every ounce of good the Jew has done for America, he has always demanded and received "his pound of flesh."

1. **EINSTEIN.** A Communist Jew who was run out of Europe because of his Communist political activities. He was an ardent pacifist until the Soviet-German clash; it is generally agreed that he stole his theory of "Relativity" from Max Planck. He was acclaimed by Pravda in 1948, as being one of the top ten best friends the USSR had in America. He urged witnesses before the House Committee on Un-American Activities, not to answer questions regarding their Communist affiliations. He was honorary chairman of the **JEWISH BLACK BOOK COMMITTEE;** a select list of non-Jews who were marked for liquidation; he made up the formula for the atomic bomb. He was an atheist.

2. **OPPENHEIMER:** A Jewish left-winger; married to a Communist; his brother was a Communist; according to a Congressional Committee, he deliberately stalled development of the H-bomb so the Soviets could catch up; was suspected of giving classified documents to the Soviets. Was put out to pasture at Princeton University, the egg-head incubator for Communist teachers.

3. **SALK:** A Jewish protegee of the Red dominated U.S. Public Health Service. He was the chief proponent in the Polio Hysteria Campaign. The USPHS with its hordes of Jewish doctors is the same agency that has pushed for the fluoridation of water. The entire polio vaccination program from its beginning has been a fraud. The initial results of his tests were kept in a secret diary and were never made known. Many of the first batches of the vaccine turned out to be polio producing.

There was a time when America was young and virile - before patriotism had been maligned by the propaganda of the one worlders - it was a matter of pride, dignity and accomplishment to be connected with the military establishment. But as America has been weakened and aged rapidly under the planned attack of our enemies, they have imposed communism on the world, by the use of the very American military men who went into service to protect their country.

Accordingly, our military has been deliberately weakened in many ways. The enemy has caused us
to fight "no-win" wars which have killed the cream of our youth and crippled thousands more. They have used the services of the Pharisee puppets such as Secretary of Defense Robert "Strange" McNamara to dissipate our military might.

Today, while our President pontificates about the building up of America's forces, and while we spend countless billions of dollars on American defense. In spite of all the fine sounding phrases we hear from the media, America's Armed Forces, are a hollow-force, not ready for any direct conflict with world Zionist-Communism.

Are We a Democracy or a Republic?

A democracy cannot exist as a permanent form of government. America is supposed to be a Republic, not a democracy, yet in all the thousands of words President Reagan has expounded, I have never heard him call this country anything except a democracy. Over two centuries ago, when our nation was still thirteen colonies, a Professor Alexander Fraser Tyler, writing about the decline and fall of the Athenian Republic over two thousand year before, said:

"A democracy cannot exist as a permanent form of Government. It can only exist until the voters discover they can vote themselves largess out of the public treasury. From that moment on the majority will always vote for the candidate promising the most benefits from the public treasury with the result that Democracy always collapses over a loose fiscal policy. Always to be followed by a dictatorship." We are in that phase right now in America!

In another article he wrote: "Democracy is a fraudulent term used, often by ignorant persons but no less often by intellectual fakers, to describe an infamous mixture of socialism, miscegenation, graft, confiscation of property and denial of personal rights to individuals whose virtuous principles make them offensive."

The Jewish Pharisees who rejected Jesus Christ - the Cornerstone -in 33 AD - can build their "ideal Jerusalem" only on the total ruins of Christianity. This is why our people need to know that the Christian world is in total war with Judaism, no matter what the Judeo-Christians may say to the contrary. Jesus will either reign over this world as King of Kings and Lord of Lords, or it will be the anti-Christ of the Jewish Pharisees. There can be no other course! There is much evidence which points to the fact that Christianity has been brought into a catastrophic decline by this Jewish conspiracy, no matter what the Falwell's and Swaggart's say to the contrary.

We have covered only a few phases of this International Conspiracy in this part of the book. There are many more which we do not have time to cover now.

In Part II, we will let the enemy speak freely for himself and let him tell you in his own words what he intends to do and how he will go about doing it. A WORD TO THE WISE IS SUFFICIENT!

Part 2

Let the Enemy Speak!

"Woe unto you scribes, and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more a child of hell than yourselves," - Matthew 23:15

One instrument I will use to a great extent in this section of the book, is a document written about the turn of the century, which is considered extremely controversial. This is the nefarious
PROTOCOLS OF THE LEARNED ELDERS OF ZION. This is alleged to be the secret minutes of a top-secret meeting of Jewish world leaders about the turn of the century, which laid down their blueprint for world conquest.

The Jewish world community and their apologists in the Christian world, indignantly call this a "forgery." The document was originally deposited in the British Museum, August 10, 1906. There was an attempt made in a Swiss court to declare it a forgery, but this was squashed by the Swiss Court of Criminal Appeals. To date, they have never proved to be fakes.

As I have mentioned in my book THE SATANIC COUNTERFEIT, which is about these PROTOCOLS, if these were forgeries, the forgers would probably have taken great pains to make the Jewish authorship so clear that any anti-Semite purpose would immediately be detected. But the term "Jew" is seldom found in the document and after you have read, further than the normal reader will care to go, since they are very dry and uninteresting, you will come upon the plans for the establishment of the World Autocrat. It is only then, that the lineage of the PROTOCOLS becomes clear.

However, whatever the purpose of this unusual document, there is never any doubt against whom it is aimed. It is not against the aristocrat as such. It is not against Capitalism, as such. It is aimed against one group of people and these are contemptuously called "goyim," which happens to be a Yiddish term "non-Jewish animal."

These PROTOCOLS were translated into English, from Russian, I believe, by a Mr. Victor Marsden. He had been a victim of the Russian Revolution and had lived in Russia for a number of years as a foreign correspondent for the LONDON MORNING POST. When the revolution began, he was singled out by the Communist leaders, since he had been rather outspoken in revealing their Jewish background. He was thrown into prison where he was brutally mistreated. He managed to escape and translated the PROTOCOLS, thus earning the undying hatred of International Jewry.

If they are forgeries, as the Jews claim, they prove their genuineness to a certain extent by the vehemency with which Jews attack them. For a forgery you must have an original, and the more valuable the article, the more careful the forger is to make it like the original.

But the important point is not whether they are a forgery. I will make no attempt to prove this one way or the other, and could care less if they were. The point of the matter is this, "they fit what is going on." And they follow an exact schedule that has been followed by International Jewry since 1900.

This section of the book may appear a bit disjointed, since I have made no attempt to follow any format or plot. It will consist mainly of statements made by Jews, (a few will be from their apologists.) These will be Rabbis, politicians, teachers and world Jewish leaders concerning their plans for world conquest.

As you read these, please remember what Jesus Christ taught concerning these people, when he said to their leaders: "Ye are of your father the devil," (John 8:44) and what the Apostle Paul said of them in I Thessalonians 2:15 - "...they please not God, and are contrary to all men."

We will begin this section by looking at some Jewish writers and see what they have to say. Of course, it will only be possible to look at a very few and then only to skim the surface of what they write.

GENTILE REACTIONS TO JEWISH IDEALS by Jacob S. Raisin, philosophical Library, New York, 1953.

P.184 - "It was neither James, the brother of Jesus, nor Peter...nor Phillip...nor the others who knew Jesus in the flesh, who broke away from Jews and Judaism. They and most of their followers were all, like Jesus himself, orthodox Pharisees. They would have been the last to deny the validity of the Torah, or to disregard any of the ceremonials of Judaism." (This statement is discredited by the very teachings of Jesus
against the Pharisees; and his disregard for the Pharisaical laws, when His disciples went through the fields on the Sabbath and ate wheat. Mark 2:23-28 - ED.)

Raisin says: "Had it rested with the disciples of Jesus, Christianity would have very likely have remained a Jewish sect."

He goes on to say that the split between Christianity and Judaism was brought about by Saul of Tarsus, a Jewish Pharisee Zealot. This man who became known as Paul, gave preference to the Jew, Raisin says. (Yet it was this same Paul who warned the early Christians regarding "the unruly and vain talkers and DECEIVERS, especially they of the circumcision (Jews)." Titus 1:10. Then he goes on to further warn Christians in vs 14: "Not giving heed to Jewish fables and commandments of men that turn from the truth." - ED.)

The Editor of this book, Herman Halperin, in the preface states: "Rabbi Raisin set out to show that Judaism in its own nature and enthusiasm, was almost from its beginning a missionary religion...there has never been a time when some non-Jews did not knock for admission." (Could this be because it is expedient for some gentiles to become Jews?) Recently, Rabbi Harvey Koelner of the Temple Aron Kodesh, Lauderdale Lakes, Florida, wrote a pamphlet titled: SANTA CLAUS, THE EASTER BUNNY AND JESUS, in which he stated:

"If you want to sincerely change your life around for the better, then here is an offer you can't refuse.

"For a limited time only, we are offering sincere Christians the opportunity to become Jewish.

"Here is what you can do. You can read books about your belief (Christian) and explore Judaism and discuss it with your Jewish friends and well educated Rabbis.

"If you decide to convert to Judaism and do not find that your income increases.. that you are able to get a better job.. are happier and more successful in life, you can always return to the fictitious fairy tales of Christianity."

(Talk about commercialization of religion and you have it here. There is no doubt in my mind, that a lot of Alkaseltzer type Christians will be taken in by this Jewish hoax and convert to Judaism - ED.)

Also in the Preface, Rabbi Raisin points out the interest which Christian scholars had in establishing the correct text of the Latin Bible with the help of Jews, which was great enough to make them ignore the ban against associating with Jews. (Do you suppose this could have anything to do with the reason there were so many mis-translations in the text, even that of the beloved King James Version? Who would be stupid enough to believe that a Jewish scholar who hates Jesus Christ, would make a translation that would glorify Him as Savior? - ED.)

The inconsistency of Jewish thought can be clearly seen on P.7, where Rabbi Raisin states: "The much maligned utterances of Rabbi Simeon ben Yohai in the Talmud, 'The best of the Christians kill,' could be understood when we understand the fiendish persecutions he had endured at the hands of the Romans. How prejudiced he was against gentiles in general can be seen in his statement that 'pagan proselytes are dearer
to God than the Jewish saints.'

On page 18, Rabbi Raisin states: "The spirit of Judaism is revealed in the books which are excluded from the Christian Canon, but have remained popular among the Jews. They form the link between what is now called the Old and New Testaments... All are pervaded with the spirit of universalism, all teach that to obtain the favor of God one must love his fellow man and stress sanctity of life and hold out hope of salvation to the whole human race."

(The utter falsehood of this statement, could very easily be swallowed "hook, line and sinker" by an unsuspecting Christian who had never read the Talmud. But how can we rationalize Rabbi Raisin's statements concerning Judaism, when the Jewish Talmud teaches that gentiles are "people that are like an ass - slaves who are considered the property of the master (Jews)." [KETHUBOTH, 11 la] That any non-Jew w~o studies the Talmud should be put to death, [SANHEDRIN 59a]. Could this harsh penalty against Gentiles be prescribed because Jews do not want Gentiles to know what their religious book says? - ED.)

Raisin goes into detail about how the slaves of the Jews were treated with respect, yet SOTHAR 26b, indicates that a Jewish master could allow his female slave to have public intercourse with a dog and charge admission for it. Was this what Jesus had in mind when He stated in Matthew 15:6 - ". . . thus have ye made the commandments of God of non-effect by your traditions?"

Raisin says that the Rabbis stressed the virtue of justice and honesty, yet the Talmud abounds in rabbinical dissertations about how a Jew may cheat a "goyim", (see the SANHEDRIN.) In spite of all the smooth words of this highly educated Rabbi, the Christian is nevertheless the "top hate" of Talmudic Judaism, as can be clearly seen by a little study in this religious work. The Christian is subjected to the curses of the 7th and 12th Benedictions [SHEMOUR ESREH] which the orthodox Jew recites three times each weekday and four times on the Sabbath and religious holidays. This is Talmudic brotherhood in operation.

While Raisin states that Judaism teaches that all men will be saved, the Talmud is very specific in its teaching that Christians will spend eternity under a deluge of "boiling excrement." (See SANHEDRIN 43a-45b; 67a; GIOTTIN 57a.)

Raisin quotes from Rabbi Shnerzahman, a Polish sage of the 18th Century, who said: "It is a sin to rob or steal the merest trifle from a Jew or Gentile, an adult or a minor; even when the Gentile maltreated the Jew." Yet the Talmudic teaching is: "Milk the gentiles whenever possi ble, as long as you don't get caught at it." (BABA MEZIA.)

The Talmudic volume ABODAH ZORAH, concentrates on Jewish treatment of the goyim.

On page 341, Raisin attempts to prove that the Gospel of Mark shows a different Jesus from that of Luke, who according to this Jewish authority "Begrudged the Jews the honor of having produced Jesus." (What honor? When the Talmud refers to our Savior as an "illegitimate bastard." - ED.)

We could fill this book with more of the Rabbi's absurd statements, but this should suffice.
Probably one of the most vitriolic books written in the Twentieth Century, was authored in 1941 by the Jewish writer Theodore Kaufman and published by the Argyle Press, Newark, N.J. It was titled **GERMANY MUST PERISH!** It shows Jewish hatred for everything German. Page 1 - "Today's war is not a war against Adolf Hitler or against the Nazis. It is a war of peoples against peoples; of civilized peoples envisioning light against uncivilized barbarians who cherish darkness.

"It is a struggle between the German nation and humanity. Hitler is no more to blame for this war than the Kaiser was for the last one. They were merely mirrors reflecting centuries old inbred lust of the German nation for conquest and mass murder. This war is being waged by the German people. It is they who are responsible."

Yet responsible historians point out that both France and England were responsible for many more wars on the European continent than Germany. Professor Quincy Wright in his book **A STUDY OF WAR**, [1942], offers these statistics: "Evidence from history shows that during the period 1480-1940, of 278 wars involving European states, the participants were: England 28; France 26; Spain 23; Russia 22; Austria 10; Turkey 15; Poland 11 and Sweden and Germany 9 each." (With historical figures such as these, it seems strange indeed that Christian scholars should be taken in by Jewish claims against the German people. - ED.)

**KAUFMAN** continues: "Since Germany forced total war upon the world. She must be prepared to pay a total penalty. GERMANy MUST PERISH!"

(He carefully makes no mention of the Jews perpetual war against Christianity, which has resulted in the deaths of hundreds of millions of Christians, who have perished because of Jewish bloodlust - ED.)

Page 13 - "This analogous linking of the people of Germany with savage beasts is no vulgar comparison. I feel no more personal hatred for these people than I might for a herd of wild animals or a cluster of poisonous reptiles. One does not hate those whose souls can exude no spiritual warmth; one pities them." (His statement could certainly be applied to the Jewish people They have deliberately set out to destroy White Christian civilization in particular and love to brag about it, as you will see in this book. No one has ever proven that Germany set out to exterminate all Jews, as this man demanded happen to all Germans. - ED.)

Page 21 - "Germans are an execrable people. They think and dream of nothing but chicanery. Their great joy consists in finding fault, shrieking and threats. They brandish arms which are like barbed clubs; from their mouths instead of human speech, issue the rumblings of artillery, and the clash of steel." (Again, a perfect description of his own people. How would Mr. Kaufman go about describing the murder of innocent Arab women and children in Palestine? Of course, the Palestinians are always to blame for the atrocities committed - ED.)

Page 23 - "The German has decided that his race has been elected by God to order the modern world. Anyone who resists him is an arrogant usurper who ought to be crushed." (But hold on now, Mr. Kaufman, that is what your Jewish Talmud teaches. It claims that us "non-Jews" are nothing but animals. Isn't it your people who claim the favored status of the Chosen People of God? Isn't it your leaders who have brainwashed the Christian ministers of our Judeo-Christian churches into believing that we must help you, no matter how evil you may be, or the curse of God will descend on us? That's the theology of the Falwell's, the Swaggart's and the Van Impe's. - ED.)

It is interesting to note, that most of the Germanic philosophers Kaufman quotes as rattling the saber against other peoples were German Jews, most of them of Communist leanings. Over 100 years ago, one of these, the Jew Ludwig Feurbach stated: "Man will be finally truly free, when he realizes there is no god of man, but man himself." This idea took root in the diseased mind of a young German Jew named Karl Mordecai Marx and became the foundational belief of modern communism. But as always, the clever Pharisees of modern Judaism, cover their nefarious plans for world conquest, by blaming others for the same thing. This is a clever plot which has taken the heat
off them and placed it on the shoulders of the simpletons of Christendom.

Let's say that you are engaged in an evil enterprise and someone finds out about it and tries to expose you. You defend yourself by blaming your adversary for the very crime you have committed. That puts the heat on his shoulders, while you continue with your evil ways. This is an ancient Jewish trick.

The German Jewish philosopher Nietzsche accused the German people who had given him a home and great popularity. He said of them: "Wherever Germany spreads she corrupts culture." This is another Jewish trait. But be honest and look at the names behind the efforts to destroy the beauty in art and music; most of them are Jews.

Kaufman said: "Every great crime against culture committed during the last 400 years lies on the German conscience . . . German intellect is bad air, a psychological uncleanness . . . the German soul is small and base." (This came from a German Jew who was noted for his intellectually filthy mouth - ED.)

Page 83 - "Because she made no effort thousands of years ago, to become civilized, as did her neighbors, Germany is an outsider among civilized nations." (This is an obvious outright falsehood. Germany was the first and greatest of the civilized nations in Northern Europe. She was civilized long before Kaufman's heathen ancestors left the steppes of Khazaria.)

Page 92 - "There remains now but to determine the best way in which the ultimate penalty can be levied on the German nation... it is to prevent the people of Germany from producing their kind. This modern method is known to science as Eugenic sterilization. It has become a byword of science, as the best means of ridding the human race of its misfits . . ."

(Here we might stop to realize that International Judaism, as early as 1900, had declared war on Germany. Although the Jews had been given preferential treatment there and had become powerful and wealthy, yet they sought its destruction. The question we might ask is "Why?" It was because in order for their International conspiracy to rule the world to become successful, they had to destroy two great Christian nations, on the European continent it was Germany, in the New World it was Canada and the United States. These have been their goals ever since - ED.)

THE JEWISH UTOPIA, by Professor H. Higger, 1932, Lord Baltimore Press, Baltimore, MD.

He said: "A Jewish utopia starts with the world as the basis of a new social order. Having laid the foundation of this new, ideal order (communism), the Jewish idealists proceed with the rest of their plan, and complete the super-structure of their utopia."

To show you what this Utopia really is let me quote from an article that appeared in THE JEWISH CHRONICLE, April 4, 1918 -"... there is much in the fact of bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of bolshevism are consonant (in agreement) with the finest ideals of Judaism." This ties in with what Rabbi Stephen Wise, one of the top Jews in the U.S. said in 1921. When he was asked to give his impression of communism, he said: "Some call it communism; I call it Judaism."

The principles of Communism and those of Judaism are the same. Their goals are totalitarian, one-world dictatorship.

Goldwin Smith, a Jewish professor of Modern History at Oxford University, England, stated in October 1881: "We Jews) regard our race as superior to humanity and look forward not to its union with other races, but to its triumph over them."

Page 29 - "How will this ideal civilization take root?.. the answer is one nation (Israel) will have to establish its life on a utopian foundation, thereby leading the way for the rest of the world to follow. It will be a model state, comprised of righteous individuals..."

(How the nation of the Israeli would fit into this definition is beyond me. They are unable to survive without the benevolent hand of America; they have had for their leaders, known murderers and
terrorists; they are the most intolerant nation in the Middle East, they certainly are no utopia. - ED.)

"Israel is the only nation fitted for that purpose," he said. (I wonder if he would change his statement now, after seeing what has happened in Palestine. Now if he had made this statement regarding "true Israel," I would have agreed with him, since this is what the Old Testament prophets taught. But if he meant the bastard state of the Israelis, the illegitimate child of world Zionism, then he is terribly wrong! When "true Israel," takes her rightful place in the world and Israelites learn who they are and their responsibility before God, then and only then will the "lion lay down with the lamb," and men beat their "swords into plowshares."

When this happens, and it will, the prophecy of Isaiah 60 will come to pass, Vs 11 - "Thy gates shall be open continually; they shall not be shut day or night; that men may bring thee the forces (wealth) of the gentiles (nations)." VS 18 - "Violence shall no more be heard in thy land, wasting nor destruction within they borders; but thou shalt call thy walls Salvation, and thy gates Praise." VS 21 - "Thy people also shall be all righteous, they shall inherit the land forever.;" - ED.)

Page 41 "Israel (Jews), the ideal, righteous people will thus become spiritually the masters of the world, and will spread their moral and spiritual influence from one end of the earth to the other." (This is a completely different teaching from that shown in the Talmud, where every Jew will have 2,000 "~oyim" slaves - ED.)

These are the thoughts of an orthodox Jew; one who is steeped in the Talmudic teachings of Judaism.

THE JEWISH QUESTION, by Abram Leon, 1950, Pathfinder Press, New York City, N.Y.

Abrams was a Zionist Jew, born in Warsaw, Poland, 1918. He was said to have died in the German Prison camp at Auschwitz in 1944. He was a dedicated Marxist.

Page 66 - "Karl Marx said: 'We will not look for the secret of the Jew in his religion, but in the real Jew." (From ON THE JEWISH QUESTION, Select Essays by Karl Marx, 1926, p.88.)

"Judaism has survived not in spite of history, but by virtue of history."

(This of course is in direct contradiction to the teachings of fundamental and evangelical Christianity, which insist that the Jews have survived because they were the "apple of God's eye," and He has protected them - ED.)

Leon says, page 67 - "The struggles between Judaism and Christianity, under their respective religious guises, were in reality social struggles..." (The materialistic idea of Judaism can be found in statements by their leaders. In the Talmud, BABA MEZIA 42a, Rabbi Eleazar said: "The righteous Jews love their money more than they do their bodies." - ED.)

Aristotle, in his POLITICS, Vol 1, page 19 said: "The most hated sort of money making, and with the greatest reason, is usury, which makes a gain out of money itself, and not from the natural use of it. Money was intended to be used in exchange, but not to increase at interest. ...of all modes of making money, usury is the most unnatural."

Page 83 - "In certain cities, principally in Germany and Italy, the Jews became primarily loan makers to the popular masses, the peasants and the artisans. In this role as usurers, exploiting the people, they were often the victims of bloody uprisings." (This was not at all surprising, when you realize that they charged as much as 180% interest - ED.)

Page 112 - "The Jews enjoyed a privileged position in the Roman Empire."

Page 166 - "It was the Jews who first permitted kings to maintain costly armies of mercenaries which began to take the place of the undisciplined hordes of the nobility. In Spain, it was in large the part of Jewish finance that allowed the king to defeat the Arabs." (Jews from the very early time,
used their money for others to make war and they became enormously wealthy doing it, often, as was in the case of the Civil War, World Wars I and II, supporting both sides. In 1918, Count Mensdorf, the Jewish Austrian Ambassador to London said: "Israel won the war (WWI), we made it, thrived on it, profited from it. It was our supreme revenge on Christianity."

In 1923, the great Christian industrialist, Henry Ford, Sr., said: "If you want to stop wars, get hold of fifty of the wealthiest Jewish financiers who are interested in making wars for profits. Control them, and you could stop all wars."

From Jewish author, Schipper, **JEWISH HISTORY**, Vol II, P. 77-81, we learn that in 1085 the interest rates of the Jewish usurers in Prague were from 108% to 180%. All Polish trade was in the hands of the Jews and a huge amount of land in Central Europe had gone into Jewish hands when the debtors were unable to pay the exorbitant interest rates. (This is what is happening in 1986, with our farms and small businesses. Check and see who is buying them up at a few cents on the dollar - ED.)

A soldier, the Frenchman Puybusque, in his **LETTERS SUR LA GUERRE IN RUSSIA**, (Paris 1818) wrote: "The Jews sell to all the peasants on credit and exact heavy interest. They intervene in all business.

**THE JEWISH CONTRIBUTION TO CIVILIZATION**, by Cecil Roth, Harper and Bros., New York, 1940.

Jewish arrogance sprouts forth in the Foreword of this book: "To anyone capable of harboring anti-Semitism - a group prejudice of human beings - this book is probably **TOO INTELLIGENT** to make an effective appeal. Such vulgar and barbaric race prejudice is not only without rootage in anthropology (study of racial characteristics), without support in the social sciences, and incredible to normal men and women; it is, from the standpoint of morals, one of the debasing of human attitudes." (So according to this Jewish expert, if you don't like Jews for any reason, you are a dumb, immoral individual who should not associate with decent people - ED.)

(But what actually is prejudice? According to the dictionary it is "an unfavorable opinion or feeling formed before and without knowledge, thought, or reason." This is one reason we are studying the Jewish Question, so you will understand why White Christians have an instinctive dislike of the Jews and distrust their motives.)

I have heard Identity people say: "Well, I dislike them because they are Jews and that's enough for me!" But it shouldn't be, because when you do that you are showing "prejudice." If, however, you study the situation and see what Jews and Judaism stand for and what they are attempting to do to you as a Christian, then you have adequate reason for mistrusting them. Let's do it on an intelligent basis.

(Before we dislike and take a stand against anyone, we as Christians **MUST** have adequate Scriptural reasons, backed by history and contemporary Jewish actions. In this book, I am allowing the Jews to tell you in their own words what they are up to. Then make up your own minds - ED.)

This Jewish book was introduced to the Christian world by the renowned Protestant pastor Dr. Harry Emerson Fosdick, a prominent member of the "left wing" National Council of Churches. He says: "Here is a story told by a Jew without malice, which lays on the Christian conscience a burden of guilt and responsibility." (We shall see - ED.)

In the Preface, xi, we read: "It is impossible to escape the conclusion that the much discussed racial differentiation between Jews and their neighbors, especially in those countries such as Germany, is largely artificial. The amount of Jewish blood traceable among non-Jews is surprisingly great, even if we go back only one century. Vise versa, few Jews do not have a tincture of non-Jewish blood in their veins. My use of the term 'Jew' denotes a person whose immediate ancestors professed the
Jewish religion.

Page 5 - "Through Jesus and Paul, the Hebraic teaching, in a modified form, yet basically identical, passed to Europe and is now cherished by 650-million Christians. In Arabia it is now the creed of 200-million Moslems."

(Let's analyze this basically false statement. It is aimed at confusing an already confused Christian. The Judaism practiced by the Pharisees of Jesus time, and so strongly condemned by Him, was not the religion of the Old Testament Israelites. This can be seen in Jesus' own words, when He confronted the Pharisee leaders in John 5:46, after they had bragged about being followers of Moses. He said: "for had ye believed Moses, ye would have believed me; for he wrote of me."

Judaism as we know it today, was not the religion of the Old Testament patriarchs and prophets, any more than the Judeo-Christianity being practiced in most of our churches today, was the religion of the apostolic church. Judaism does not follow the teachings of Moses, no matter how much the Rabbis try and prove this fact. Judaism follows the teachings of a corrupted book called the Babylonian Talmud, in which the Rabbis seek ways to get around the basic teachings of Moses. This is why Jesus accused the Pharisees of "transgressing the commandments of God with their traditions," Matthew 15:3.

According to modern Jewish religious authorities, the Talmud is the "heartblood of Judaism." Remember this, when you see a Jewish authority try and "tie in" their religion with that of the Old Testament Israelites.

Page 7 - "Out of the same seed which gave birth to the conception of the Chosen People, there developed ultimately in the Hebrew prophets and in the Talmud, the idea of the brotherhood of all peoples." (The Talmud itself gives the lie to this statement as we have seen. To the Christian who has never made an effort to read the Talmud, and very few, even including Christian scholars ever have, Roth's words sound wonderful, but a little prayerful study will show how satanic they are, even when endorsed by a Christian leader - ED.)

Page 9 - "The Lord's Prayer and the Sermon on the Mount are paralleled in the Talmud, verse for verse and phrase for phrase... The Golden Rule was a paraphrase of the recommendation of Rabbi Hillel, who died when Christ was about nine years old. Hillel taught: 'What is distasteful to thee, do not do to thy neighbor.' "(The hypocrisy of this statement can be seen easily enough, when one realizes that the Talmud teaches that a "non-Jew" is not considered to be a neighbor to a Jew. -ED)

Page 23 - "The aliens today are not the Jews, the only representative perhaps in the Rhineland of its inhabitants of sixteen centuries ago. The Jews had settled in Western Europe before many of its typical inhabitants had emerged from Asia." this statement would have been true, if he had used the term "Israelite" instead of "Jew." For the Israelites were on their Westward trek, before the time of Christ - ED.)

Page 29 - "As the Middle Ages advanced, the church (Roman Catholic) had begun to set its face sternly against lending money at interest, on the grounds that it was prohibited by the Old Testament (Deut. 23:19)... This prohibition was impractical (from the Jewish standpoint), for in a money-economy, any man may be reduced to monetary necessity, and thus have urgent need of a loan to carry on his business... (There is no argument here. There is no Biblical restriction against loaning money, as long as it does not collect "interest," (usury), this is forbidden. Roth indicates that the Jews were forced into what he calls "the most un-honored" profession, because they were excluded from other methods of gainful employment. Here he gets the "cart before the horse." All Reformation history proves that it was the Jewish use of "usury", sometimes charging as much as 180%, that drove the Jews out of other professions. If you will take the time to study all Jewish expulsions from European countries, you will find that all of them followed Jewish use of crooked business practices and the immorality taught in the Talmud - ED.)

Page 181 - "The theology of Christian theism was built up, after the completion of both the Old and
New Testaments, with the help of Jewish thinkers." (This is one of the major reasons Christianity has been degraded into Judeo-Christianity. Today the Jew brags about how he teaches in most church seminaries and how they write or aid in writing, most of the Sunday School literature used in our Christian churches. Jesus once said: "If therefore the light that be in thee be darkness (untruth); how great is that darkness," [Matthew 6:23] - ED.)

Page 270- "It is true that Jewish bankers operated for their own advantage. Yet their services for the economic development of Europe and the world were incontestable: It was not so much that they provided capital, as they made it mobile."

(You will notice that Roth is very careful not to mention that in doing this, International Jewry took political and economic control over every major country in Europe and since the end of World War II, they have done the same with the United States and Canada - ED.)

Page 275 - "It is generally stated that the Letter of Credit was a Jewish invention. This theory is not unlikely." (Towards the close of the 1600's, a Jew named Jacob Henriques was instrumental in establishing the Bank of England. In 1816 a Jew established the Austrian National Bank, and in 1870, Ludwig Bamberger established the German Reichsbank.

Then in 1913, the Jew Paul Warberg, successfully carried through the reorganization of the American Banking System. Together with Senator Aldrich, they consolidated the currency and finances of the United States under the complete control of the Federal Reserve System, a system made up of ten Jew controlled banks, which was in direct conflict with the United States Constitution. Our economy has been on the "downhill grade" ever since - ED.)

Page 283 - "There is no instance of the House of Rothschild ever encouraging or financing a war, but there are several instances of the reverse." (This is about as blatant a lie, as could be uttered. The International Bankers have been at the bottom of every war fought by the United States, beginning with the Civil War. They have gotten rich by selling war materials to both sides, and the only one who has won any of these wars, has been International Zionism - ED.)

Page 321 - "The persons responsible for the translation of Marx's theories into the amalgam which is associated with the term Bolshevism, were mainly Russians. In 1918, the Lenin government issued a manifesto violently attacking the Jewish workers for their anti-Bolshevik attitudes." (If this statement is true, then why did such famous AMERICAN Jews as Rabbi Stephen Wise of New York say: "Some call it communism; I call it Judaism." Why did the JEWISH CHRONICLE of April 4, 1919 openly boast: "...there is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism are consonant (In agreement) with the ideals of Judaism..." No, Mr. Roth, you may be trying to "Pull the wool over the eyes" of stupid goyim cattle, but we are not all going to be fooled.

There is no question that the Jew has given much to Western civilization, while under the cloak of their philanthropy they have worked for the destruction of our White Christian civilization. We are indebted to them for the "bomb,"; for the immorality of a Sigmund Freud which has taken over in the field of psychiatry and psychology; in the "jungle beat" of modern music, which has destroyed the beauty in music; in the fields of modern art; in the immorality of the movies and TV, in prostitution, drugs, liquor, abortion and many, many other destructive practices. Yes, the Christian world has much to hold the Jews responsible for and much of it is destructive - ED.)

YOU GENTILES
by Maurice Samuels

Page 9 - "If I have long pondered this question of Jew and gentile it is because I suspected from the first dawning of Jewish self-consciousness, that Jew and gentile are two worlds, that between you gentiles and us Jews there lies an unbridgeable gulf."
"Wherever the Jew is found he is a problem, a source of unhappiness to himself and those around him."

"We Jews stand apart from you gentiles."

"I do not believe the primal difference between gentile and Jew is reconcilable. You and we may come to an understanding, never a reconciliation. There will be irritation between us as long as we are in intimate contact."

(There are some unthinking Christians who make the stupid statement that the only difference between Jews and Christians is that Christians believe that the Messiah (Jesus) has already come, while the Jews are still looking for Him. The Jews know this is a false belief! - ED.)

"It is absurd to assert that the sole difference between you and us is that you believe the Messiah is already come; or that you believe (even in theory) in the doctrine of forgiveness, while we believe in retaliation . . . The difference between us is abysmal: it is not disagreement about a historic fact or about a commandment which neither of us observes . . . The primal difference is . . . Life is one thing to you and another to us."

"In your system of life we are essentially without 'honor.' In our system of life, you are essentially without 'morality.' In our system you appear Godless." (I'd suggest you read the Talmud and see what Jewish morality is all about - ED.)

"You have just slain over 100,000 men.. yet when it is over do you run to your churches, terrified lest the murder you have committed might have been avoided? . . . You hate war? Nonsense! You enjoy it!" (Now this seems like a mighty hypocritical remark for a Jew to make, when he knows that these wars have all been the work of the International Jewish bankers, who have gotten fat off the blood of slain Christians. How can anyone, Jew or Gentile alike, look at the Jewish atrocities in Lebanon and make a statement such as this? - ED.)

"A Jew is a Jew in everything, not merely in prayers and in synagogue . . . A Jew who does not follow rules and regulations of the synagogue, who even denies all dogma, is not a non-Jew; he is a bad Jew.. Our Jewishness is not a creed - it is ourselves, out totality.

"A Jew is a Jew in everything, not merely in prayers and in synagogue . . . A Jew who does not follow rules and regulations of the synagogue, who even denies all dogma, is not a non-Jew; he is a bad Jew.. Our Jewishness is not a creed - it is ourselves, out totality."

"In the heart of any pious Jew, God is a Jew. Is your God an Englishman or an American?"

"Freedom at large was not and is not a Jewish ideal. Service, love, consecration, these are ideals with us. Freedom means nothing to us..." (Do you really wonder why so many Jews are Communists with this kind of an ideology? - ED.)

"No single attribute or virtue shows our mutual enmity more clearly than that of loyalty. Among all attributes contributing to your morality, loyalty is one of the most vehemently cherished . . . To a Jew, naked loyalty is an incomprehensible, bewildering thing."

"In our Jewish life loyalty is unknown. There is no equivalent of it among our attributes. We understand love, but we do not understand loyalty." (Maybe this is why so many Jews who have pledged their allegiance to the United States and who have taken an oath of loyalty to this country, have betrayed America to the enemy - ED.)

"You gentiles are disciplined; we Jews are not . . . We lack social grace . . . In college, in the streets, in clubs, in the army, we betray ourselves." (I can say this statement is true from personal observation, both in the army and in the colleges of America. During the Vietnam War years, I was working the college circuit as a lecturer. I was verbally assaulted many times, and was physically assaulted once. Every time, the leaders were young Jews from wealthy families. These young people did not know the meaning of common
courtesy and the young Jewesses were especially filthy in their talk. Read novels by Jewish writers and you will see that many of them cannot tell a story without using many "four letter" words. They are the rudest people in the world. No wonder the Apostle Paul said of them (I Thess. 2:15) "...they please not God and are CONTRARY to all men." - ED.)

P. 119 - "In our religious ideology the selfish salvation of the individual soul is a very minor theme." (Jesus said: "For what shall it profit a man, if he shall gain the whole world, and lose his own soul.")

P.129 - "We are a disturbing influence in your life not through our fault. First: We are not in your midst by our own will, but through your action." (Any intelligent person can see the falsehood of this statement. For decades, there has been intense pressure brought to bear on the American government to allow Jews to migrate to the U.S. The Khazar Jews (Ashkenazi) have come by the millions as the immigration bars have been lowered through Jewish lobby action. They did not go to Palestine, but to the U.S. This is their Promised Land - ED.)

"We do not attack you deliberately. We are unwelcome to you because of what we are.. Our attack on you is only incidental to the expression of our way of life." (Again, this is an observable lie. The Jewish leadership in America; the Talmud; the Anti-Defamation League and many other Jewish sources has been engaged in a deliberate campaign to destroy White Christian civilization - the evidence is all about you, if you are willing to open your eyes and look for it - ED.)

P. 130 - "From the dawn of civilization you (gentiles) have lied about us.. you accuse us of precipitating wars; and you accuse us today of fermenting a world-wide conspiracy to seize the government of the world." (Check the facts! See who it was that benefitted from World Wars I and II. It was not the Christian nations which fought them. See who made the profit. Then listen as International Jewry brags: "We are at the bottom of nearly all your wars: not just the Russian but of every major revolution in your history... We did it solely with the irresistible might of our spirit, with ideas and propaganda." (From the Jewish writer, Marcus Eli Ravage, writing in CENTURY MAGAZINE, Jan. 1928 - ED).

P. 137 - "Repudiation of the Jewish religion or even of Jewish racial affiliations does not alter the Jew." (Does this explain perhaps why they are never to be trusted? - ED.)

**THE PROTOCOLS OF THE LEARNED ELDERS OF ZION**
(translated into English about 1898 and deposited in the British Museum, August 10, 1906.)

This fascinating book, which claims to be the minutes of a top secret Jewish meeting held in 1898 to discuss plans for world takeover, is one of the most controversial that has ever been printed. When it first came on the market, about 1906, world Jewry began an intense effort to have it declared a forgery. An original court test in a Swiss Court found in the Zionists favor, but this was overturned by a Swiss Court of Criminal Appeals.

In spite of this, world Jewry and their Christian stooges, claim that this document was written by a Czarist for the expressed purpose of embarrassing world Jewry. I will not attempt to counter this claim in any way. However, I would ask you as an intelligent person to do two things. First read them (I will only cover a few of the more important ones in this book); second, ask yourself this question: Are the things predicted over 90 years ago taking place in the world today?" This is the criteria of whether this book is true or not. Christians will find it shocking. The word Jew is seldom used, but the implications are quite clear as to whom the conspirators are. If it does not refer to World Zionism, why has World Zionism spent millions of dollars to suppress it?

The plan discussed in the PROTOCOLS is not against the Capitalist, or the aristocrat, as such. It is aimed at a people the Jews call "Gentiles," and especially at those who are known as Christian. The term "goy" or "goyim" is applied to them. In the Talmud, the "goy" is rated on the same level as "cattle."
In order to successfully combat an enemy bent on our destruction, we must understand how he thinks and what he thinks. You must be able to recognize him as an enemy and know something about the methods he uses. The methods described in the PROTOCOLS, are the methods of World Jewry, no matter how many denials are spouted by Christian leaders. Jesus knew more about the evil capability of these people than any other. He knew their record for evil because it was one of the major themes of the Old Testament. Jesus said to their leaders, about 33 A.D. "Woe unto you, scribes and Pharisees, hypocrites... Ye say, If we had been in the days of our fathers, we would not have been partakers with them of the blood of the prophets. Wherefore, ye be witnesses unto yourselves, that ye are the children of them which killed the prophets; fill ye up the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell. Wherefore behold I send unto you prophets, and wise men, and scribes, and some of them ye shall kill and crucify, and some of them ye shall scourge in your synagogues, and persecute them from city to city. THAT UPON YOU MAY COME ALL THE RIGHTEOUS BLOOD SHED UPON THE EARTH . . . " (Matt. 23:29-35 - Emphasis mine.)

PROTOCOL II - "It is indispensable for our purposes that wars, as far as possible will be fought on the economic ground, where nations will not fail to perceive in the assistance we give, the strength of our predominance, and this state of things will put both sides at our mercy."

Very few Americans realize that slavery in America was a Jewish institution and that 90% of the slave traders were Northern Jews. Few Americans know that the International Jewish Bankers kept the Civil War alive, two years longer than was necessary and that they funded both the North and the South.

There are a few Americans who know that World War I was fought at the instigation of International Zionism, who reaped all the rewards, besides becoming enormously rich off the proceeds of the war by supplying both sides. The same was true of WWII, where the war factories of Hitler were owned and funded by International Jewry.

With this as "hindsight", let's use a little investigation and go back to 1868, when a prominent European Jewish Rabbi named Reichorn, speak-- mg at the funeral of Grand Rabbi Simeon Ben-Ihuda, 75 years before the Great Wars, said: "Thanks to the terrible power of our International Banks, we have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and this is good for the Jews. WARS ARE THE JEWS HARVESTS! The Jews grow fat on Christian wars! Nearly 100-million Christians have been swept off the face of the earth through wars, and the end is not yet!"

Going deeper into this protocol, you can learn how world rulers condition the "goyim cattle" to accept what the "master strategists" do, without realizing how they are being used.

PROTOCOL III - "The Constitutional scales of these days will shortly break down, for we have established them with a certain lack of accurate balance in order that they may oscillate incessantly until they wear through the pivot on which they turn. The goyim are under the impression that they have welded them sufficiently strong and they have all along expected them to remain in equilibrium."

How many times have you heard someone say: "All we need to do is return to following the Constitution; then everything will be alright." But whenever some of the few brave souls in Congress makes a move in that direction, all hell breaks loose. Why? This Protocol goes on to say: "But the pivots - (the kings and presidents) - are hemmed in by their representatives, who play the fool, distraught by their own uncontrolled and irresponsible power. We have made a gulf between the far-seeing Sovereign Power and the blind face of the people, so that both have lost their meaning, for like a blind man with his stick, they are powerless apart."

Yet when someone tries to pass on a warning to Americans, especially Christians, about the evil designs of International Judaism, they immediately being to scream "Chosen People," and hide behind their favorite Bible verse: "I will bless them that bless thee, and curse him that curseth thee,"
never realizing that this promise was not made to a Jew.

But the Jewish leaders know, so let another Jew tell you in his own words. This is the noted author Dr. Oscar Levy, writing in the Preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, he says: "... we Jews have been nothing else but its (the worlds) seducers, its destroyers, its incendiaries, its executioners. We who promised to lead the world into heaven, have only succeeded in leading you into a new hell ... It is our (Jewish) immorality which has prohibited us from all real progress and even worse, which stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world and I shudder at its ghastliness: I shudder even more as I know the spiritual authors of this ghastliness."

He goes on to say: "We Jews, we the destroyers will remain the destroyers forever. Nothing that you can do will ever meet our needs and demands. We will forever destroy because we need a world of our own."

Samuel Roth, a Jew we have discussed earlier, says on P.190 of his book JEWS MUST LIVE: "One thing is quite certain: a Jew is never baptized for the purpose of becoming a Christian; his purpose is to become a gentile. Yet obviously you cannot make a gentile out of a Jew by baptizing him, any more than you would make an Aryan of a Negro by painting him with ocher."

But back to the PROTOCOLS.

The average American has become so blinded to the truth through the Jewish propaganda that has been put out through the government, the media, and the church, that they cannot, or will not look at the truth.

These men, traitors all to the American concept, work for the welfare of International Zionism, rather than of the American State. They are known as "dual loyalists," with their first loyalty to the State of the Israeli. The International Jews have so insinuated themselves into our government by way of the Council on Foreign Relations and the Tri-Lateral Commission, that we have an alien government ruling our country.

This same Protocol goes on to say: "In order to incite seekers after power to misuse of power, we have set all forces in opposition one to another. ... of the States, we have made gladiatorial arenas, where a host of confused issues contend ... a little more and disorders and bankruptcies will be universal." Pick up most any daily newspaper and it is filled with accounts of crooked dealing by some politician. Then note how politicians will spend $2 or $3-million to get elected to a job that pays maybe $80,000 per year and ask yourself. WHY?

PROTOCOL IV - "Since society might be governed under the disposition of God on earth, it is indispensable for us to undermine All faith, to tear out of the minds of the goyim the very principle of the Godhead, and the Spirit, and to put in its place arithmetical calculations and material needs."

For an explanation of this, let us go to page 19 of the Communist textbook on Psychopolitics. It says: "There are those who in less enlightened times, gave man to believe that goals should be personally sought and held, and that, indeed, man's entire impulse towards higher things stemmed from freedom. We must remember that the same people who embraced this philosophy also continued in man the myth of spiritual existence."

Germany, after World War I had ended, a curious document was discovered in a Communist cell in Dusseldorf, Germany. It was titled RULES FOR BRINGING ABOUT A REVOLUTION. Rule 2 said: "Get the youth away from God, get them interested in sex and liquor, destroy their ruggedness." This has been accomplished to a great extent under the Jewish guidance of American education. This is why American education for a number of years, has been the bitter foe of true Christianity. Again, going to PSYCHOPOLITICS, Page 43: "As it seems in foreign nations that the church is the most ennobling influence, each and every branch and activity of each and every church MUST one way or the other, be discredited. Religion MUST become unfashionable by demonstrating broadly, through psychopolitical indoctrination, that the soul of man is non-existent
and that man is an animal." If you can not see how this has been done in modern education, it is because you have deliberately closed your mind to what is being taught in our modern schools.

You see, my Christian friend, what most of us have never been told, is that the worst enemies of God, masquerading as His Chosen People, have "palmed themselves off on us," when in reality they are our bitter enemies.

**PROTOCOL V** - "We shall create an intensified centralization of government in order to grip in our hands all the forces of the community." This has been going on since the days of Franklin Delano Roosevelt and his New Deal, which was a Jewish Brainchild. The record is too clear, if you want too look at it, to waste time in argument. The Federal Government in the past fifty years, always under alien control, no matter whether Republicans or Democrats were in the driver's seat, has become a Frankensteinian monster, which has gradually taken away

**PROTOCOL V** - "We shall create an intensified centralization of government in order to grip in our hands all the forces of the community." This has been going on since the days of Franklin Delano Roosevelt and his New Deal, which was a Jewish Brainchild. The record is too clear, if you want too look at it, to waste time in argument. The Federal Government in the past fifty years, always under alien control, no matter whether Republicans or Democrats were in the driver's seat, has become a Frankensteinian monster, which has gradually taken away the power of the State and given it to the Federal Government, often in direct contradiction to the Constitution. There is no better example than in the 13th Amendment, which has given the power to coin money into the hands of the Internationalist gangsters.

**PROTOCOLS VI** - "We shall soon begin to establish huge monopolies, reservoirs of colossal riches, upon which the large fortunes of the goyim will depend to such an extent that they will go to the bottom together with the credit of the States on the day of the political smash." You can see how this has taken place when it has been to the benefit of the conspirators. This same Protocol says: "It is essential for us at whatever cost to deprive them (goyim) of their land. This object will be best attained by increasing the burdens upon landed property - in loading the land with debts." Look at the bankruptcy rate among our farmers and small businessmen; then see who is picking up this property at a few cents on the dollar. As always, the Jewish vultures are there to get fat on the carcass of their gentile victims. They caused the problem in the first place, to drive our people into bankruptcy, now they are feeding off us. Still our Government, sends $3 or $4-billion in aid to the "bastard State of the Israeli," while our farmers and small businessmen go "down the tube." Don't you think it's time to call a halt to this treason?

**PROTOCOL VII** - "The intensification of armaments and the increase of police forces - are essential for the completion of our plans." Take a few minutes and see what has been spent on American armaments since the end of WWII. Ask yourself what this could have done if it had gone for the betterment of mankind? Then see who got most of this money? The very ones who are trying to destroy us.

**PROTOCOL VIII** - It is amazing to me, to see how these Protocols, fake or not, written over 90 years ago, fit into the structure of American society in 1986. This Protocol says: "In order to annihilate the instructions of the goyim before its time, we have touched them with craft and have taken hold of the ends of the springs which move their mechanisms. These springs lay in a strict, but just sense of order; we have replaced them with the chaotic license of liberalism. We got our hands into the administration of the law; into the conduct of elections; into the press; into the liberty of the person, but principally into education and training, as being the cornerstones of free existence."

Anglo-Saxon people have always been noted for their sense of order and justice. But the sense of this justice has been dampened, and in many places destroyed, by the Jewish influence in law. look at the preponderance of Jewish judges and lawyers; look at the control exerted on the U.S. Justice Department by the Jewish Anti-Defamation League. You can scarcely read an article in the
newspapers, which deals with the "Right Wing Movement," where there is not some quotation from a "guru" of the ADL.

We know elections are controlled by Jewish money and influence. There have been politicians who have stood up against them and they have been "run out of office" by Jewish pressure, often coming through the brainwashed members of the Christian church. We have seen brilliant and courageous Senators like Senator Jesse Helms of North Carolina, as he stood firm against Zionists pressures. Then suddenly one day, it became too intense, and he too joined the Zionist club." What a pity! "And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land: but I found none," (Ezekiel 22:30.)

Fifty-five years ago, on February 11, 1931, Meyer Lansky (real name Suchoijinsky) a Jew, created "Murder, Inc.," with the help of his Jewish associates such as "Bugsy" Siegal, Arnold Rothstein, Aaron Israel, "Ice Pick" Willie Alderman, "Tic Toe" Tannenbaum, and "Tootsie" Feinstein. Now Lansky heads the multi-billion dollar narcotics, gambling and prostitution rackets game. Occasionally when a Grand Jury gets a bit too nosy, Lansky will hide out in Israeli for a few months until the heat dies down. Why is it that the Federal Government makes so little headway in stopping the drug traffic? Oh, I know about the drug hauls they make time to time, but how often have you heard of someone really high up, who has been brought to justice? It just don't happen, because the Feds are afraid of the power of the International Jews who control America's crime.

It might be well to stop here for a few words and do some "sermonizing." "We either trust God above all - or we succumb to the 'fear of man.' " This fear of man is idolatry. God Himself gives us the counter-weapons in the battle of "pulling down the strongholds of the enemy." 2 Corinthians 10:3, 4, tells us that: "Though we walk in the flesh, we do not war after the flesh; for the weapons of our warfare are not carnal (Physical), but mighty through God, for the pulling down of strongholds." Until such a time as we learn this lesson, all our attempts at physical warfare will go for nothing and will end in ignominious defeat and disaster.

PROTOCOL X - Is the famous "one man, one vote" preachment of the liberals. They got it from the Zionists, it says: "... we must have everybody vote without distinction of classes and qualifications, in order to establish an absolute majority ... in this way, we will destroy the goyim." This is why we see Jewish legislators, in the forefront of liberalized immigration laws. In the early 1900's, when hordes of liberal Khazar Jews flocked into this country from Russia in particular, they voted for the liberal Democratic ticket. In this way, socialist ideas, which they promulgated, were foisted off on the unsuspecting American people.

Remember now, I am only giving you parts of each Protocol. There are many others. (For a more in-depth discussion of the PROTOCOLS, see my book THE SATANIC COUNTERFEIT.)

PROTOCOL XII - "What is the part played by the Press today? It serves to excite and inflame passions which are needed for our purpose it is often vapid (uninteresting); unjust; mendacious (given to lying); and the majority of the public have not the slightest idea what ends the Press really serves. We shall saddle it and bridle it with a tight curb; we shall do the same with the productions of the printing press... I beg you to note that among those making attacks upon us, will be organs established by us, but they will attack exclusive points which we have predetermined to alter. Not one single announcement will reach the public without our control."

It is difficult for most Americans, especially Christian Americans to understand the depth of this Jewish control over our news. Today, they own or control 909 of the major newspapers of the nation with a daily readership of some 47-million; they own or control 47 of the major weekly magazines with a weekly readership of over 79-million; they own all of the major TV networks, and nine out of ten major Hollywood studios.

Their use of the news to excite and incite, can easily be seen in the present handling of the South African situation. The passions of Americans has been raised to "fever pitch" by about as phony a campaign of humanitarianism as is possible. Now they are doing the same thing regarding the
recent Presidential election in the Philippines. Most Americans believe Marcos stole the election; I believe it too. They would like to strip him of power, never considering that his opponent has stated that if she is elected she would "kick the Americans out of the Philippines." This lady leans towards Communism and it is very possible that since the tyrant Marcos has gone - a worse tyrant will come in. This has been standard operating procedure wherever this has happened, brought on, for the most part by the Jew controlled press.

PROTOCOL XIII - "The need for daily food forces the goyim to keep silent and be our humble servants."

This is true and is one of the reasons the Jews want to control the food production in this country. When they get that, and their huge consolidated farms, they will have the stupid Christians where they want them. Then it will be: "Either accept our mark and do things our way, or you cannot buy or sell in the market place," (Rev. 13:16-18).

PROTOCOL XIV - "When we come into our kingdom, it will be undesirable for us that there should exist any other religion than ours of the one God, with whom our destiny is bound by our position as His Chosen People, and through whom our destiny is bound the destinies of the world. If this gives birth to atheists we see today (and the Jews admit -that as many as 75% of their people are atheists), it will not, being a transitional stage, interfere with our views." This is why Judaism is completely anti-Christian, no matter what your pastor may say to the contrary. They are the anti-Christ spoken about in I John 2 and as Christians we must have nothing to do with them, and certainly not aid them in any way. (2 John 10, 11).

PROTOCOL XV - "...we shall make it our task to see that against us, such things as plots shall no longer exist. With this purpose we shall slay without mercy all those who take arms in hand to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society (Masonic, perhaps) will also be punished with death; those of them which are now in existence, are known to us and have served us, we shall disband and send into exile to continents far removed from Europe... in this way we shall proceed with the goy merchants who know

Here is a statement that should send a cold chill down the back of every preacher and politician who has cooperated with the Zionists. It has happened before, in Russia. The people who helped the Bolsheviks into power, were the first ones purged by the new State. Now I don't want any of you to develop a paranoia about this. But if you are a Christian, you are already on their elimination list. No doubt some of us will be persecuted and die at Jewish hands. Jesus certainly indicated this in Matthew 24:9, when He told his followers: "They shall (the Jews) deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake." Then in Luke 21:12 - "But before all these (wars, earthquakes, famines,) they shall lay hands on you, and persecute you, delivering you up to the synagogues (here He definitely defines the persecutors), and into prisons, being brought before kings and rulers for my name's sake." Not one hint of a "Rapture" in either of these passages. But persecution of Christians, by the one's their pastor tell them are the Chosen of God. How utterly pathetic and suicidal.

PROTOCOL XVI - "In order to effect the destruction of all collective forces except our own, we will first emasculate the stage of collectivism - the universities - we will introduce into their educational -system all those principles which have so brilliantly broken up their order. But when we are in power, we shall remove every kind of disturbing subject from the course of education and we shall make our youth obedient children of authority. . .

PROTOCOL XVII - "We have long past taken care to discredit the priesthood of the goyim and thereby ruin their mission on earth which in these might be a great hindrance to us.

There is little need to comment here, since anyone with intelligence can see how the nations' clergy has been used by the enemy. In their textbook PSYCHOPOLITICS, page 52 - "Just as in Russia we had to work to destroy, after many years of arduous work, the church, so we must destroy all
faiths in nations marked for conquest.

"When nationalism is finally smashed, I will personally be there to fire-bomb your church, burn your Bibles, confiscate your firearms and take away your children and send them to Eastern Bloc schools for reeducation as future leaders of the newly formed Soviet Socialist Republic of Amerika. We are taking over the world and you Americans are too gutless to stop us. I am prepared to fight you and any other enemies of the State."

"You must recruit every agency of the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief that Christian practice is vicious, had, insanity-causing, publicly hated and intolerable.

"We have battled in America since the turn of the century to bring to nothing any and all Christian influence and we are succeeding. While we today Seem to be kind to Christians remember that we have yet to influence the Christian world to our ends. When that is done, you will see an end to them everywhere.

"You must work until religion is synonymous with insanity. You must work until officials of city, county and state governments will not think twice before they pounce upon religious groups as public enemies.

This is what your little Jewish friends have planned for you, "brainwashed Christian." Are you going to cooperate in your own destruction? They are counting on it!

"A tax increasing the percentage ratio of capital will give a much larger revenue than the present individual or property tax. Economic crisis has been produced by us for the goyim no other means than the withdrawal of money from circulation."

Here is where the "brute power" of International Jewry can be seen.- They make and break nations with their money maneuvering. It was meant to be that way. This was their plan.

PROTOCOL XXII - "In our hands is the greatest power of our day - gold. Surely there is no need to seek further proof that our rule is predestined of God. Surely we shall not fail with such wealth to prove that all the evil, which for so many centuries we have had to commit, has served as the end of ends, the true cause of bringing everything into order." Here we see the Jewish idea: "The end justifies the means."

The Talmudists have yet to realize that as Paul said in Romans 1:22 - "Professing themselves to be wise, they became fools." They have forgotten that the "Wisdom of this world is foolishness with God. For it is written (Job 5:13) 'He taketh the wise in their own craftiness.' " (Read James 5:3, for the final judgment upon these evil men.)

This is only a tiny look at the PROTOCOLS, but I believe you can see the danger they pose for Christian America and how, fake or not, these principals are being used against us.

** JEWS MUST LIVE! **

by Samuel Roth

JEWS MUST LIVE! by Samuel Roth. For our final look into what Jewry says about itself, I have chosen to review a most unusual book, written by a very brave Jew, who became disgusted with the crookedness of his own people. In the introduction of this book he says: speaking about his childhood days in Poland: "We Jews lived in those days in what Jews mockingly called 'Olem Hator'; (the world of illusion), as distinguished from the 'olem Hazai' (the real world.) We looked upon ourselves as free Jews . . . For assurance were we not an active and mighty factor in the upbuilding of America. For reassurance, were not the deserts of Arabia blossoming under our patient labors? Everything said against us was so much evil slander inspired by envy, disappointment and an unreasoning hatred - Jew-hatred! Jew hatred differed for every other hatred
in the world because it was altogether inspired by lies. About that, there could be no possible question.

"In this spirit I wrote and published two books, **EUROPE** in 1919 and **NOW AND FOREVER** in 1925. **EUROPE** was a sort of uncouth epic in which I attacked Europe for all the outrages she had practiced against the Jews during the Great War (WWI). In **NOW AND FOREVER**, I fired a surgical knife into the anatomy of the God of Israel. I noticed the earthiness and unloveliness of Jewish women and pricked the bubble that Jesus was a man of peace . . . I suggested that I would live to see Jews roasted alive on Fifth Avenue."

A neighbor named Mrs. Harlan asked him to explain what was happening in Germany. "Blind hatred," he said. "Conducted by 85-million people?" she asked. "Do you actually believe that a whole nation would stand aside and witness what Hitler was doing to the Jews without protest, unless there were some real abuses on the part of the Jews to justify what was happening?"

As he began to think of an answer for this shocking question, this Jew said: "It dawned on me suddenly, blindingly that all of the evils for a long time have been perpetuated by Jews . . . The scroll of my life spread itself out before me, and reading it in the glare of a new, savage light, it became a terrible testimony against my people."

He remembered how he, a Jew, have been cheated by other Jews. He remembered how Jewish journalists had libeled his name and sent him to prison because they didn't like what he wrote. They did this, not to a hated goyim, but to one of their own race. He said: "I had never stretched out my hand to help a Jew or a Jewess without having had it bitten. I had never entrusted a Jew with a secret which he did not instantly sell cheap to my enemies . . . With subtle scheming and heartless seizure, which is the whole of the Jews fearful leverage in trade, they drove me from law office to law office, from court to court, until I found myself in a court of bankruptcy. It became so that I could not see a Jew approaching me, without my heart rising up to mutter: 'There goes another Jew robber, stalking his prey.'

With this kind of a background, he wrote his book exposing Judaism for what it really is. It behooves those of you "brainwashed Christians" who believe the Jews are God's Chosen People, and who read this book, to listen to him.

Page 17 - "I do not doubt we (Jews) have earned in good measure the hatred nations entertain towards us.

"The first cause of Jew hatred goes back to the nature of Jewish leadership, a black veil on the conscience of our race. The second goes back to the nature of our people itself, and is an evil no less foul . . ." (Could this be what Jesus meant when He spoke to the leader's of this people in John 8:44 and said: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie he speaketh of his own: for he is a liar and the father of it." These words were not spoken by some Nazi "anti-Semite," but by the Son of God - ED.)

Page 18 - "Our major vice of old is parasitism. We are a people of vultures, living on the labor and good nature of the rest of the world... we would never have done so much damage had it not been for our genius for evil leadership . . . the shame comes not of our being bankers . . . It comes rather of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership."

Page 22 - "The organ is diseased. This disease is a sort of moral gonorrhea known as Judaism, which, alas, seems to be incurable. If you have any doubts, look at any Jew ridden country in Europe. If you need to be further convinced, take a look at what is happening in the United States." (Listen carefully, you "brainwashed Christian Sheeple" - this is an open confession by your enemy. Will you believe him or the sly words of your "brainwashed preacher?" - ED).

Page 27 - "The Jew has everything carefully arranged. God belongs in the Synagogue. He, the Jew, belongs in the market place. God has only one business. It is to look after the prosperity of the Jew.}
The Jew walks briskly into his Synagogue three times each day, at set hours, to remind God of this important business." (While he is at it, he also curses Jesus Christ and all Christians three times daily and four times on the Sabbath and religious holidays. Now if you feel this Jew is being too hard on his fellow men, take some time and read in the Talmud. It is not necessary for any Christian to wallow in Jew induced darkness such as is found in our Judeo-Christian churches. In the 1905 Edition of the Jewish Encyclopedia, it is clearly written for anyone to see, that the Pharisees took over Judaism and removed all "obnoxious verbiage" concerning God, such as attributes which gave Him intelligence and control over the world. The Biblical powers of God were ascribed to lesser spirits of "angelic powers". This of course is pure heathenism. The Jewish Doctors of Theology removed from God, the qualities of intelligence, love and control. All forms of demonology were adopted while they were in Babylon and were incorporated into the Synagogue worship which we now call Judaism.)

The TETRAGRAMMATON (Y-H-W-H, the letters of Yahweh's name - since the Hebrew language has no vowels), was reserved for whistling up spirits and it became a sin for any unauthorized person to pronounce the name of God. This is why most Jewish writers use the letters G-D, when speaking of GOD. The four-lettered name of God could only be legally uttered by the Priests of the temple.

The Jewish BA'AL SHEM (Master of the Name) is the sorcerer who uses the Name of God to make the demons obey him.

The Babylonian-Zionist-One-World Government of this age was described by the Prophet Isaiah in chapter 14 when this Luciferin being, like the Jews of this age, say: "We will be like the Most High." The future of this Jewish-Communist alliance is clearly foretold in Revelation 17 - ED.)

Page 28 - "Superiority is not exactly the word to describe what the Jews felt over their neighbors . . . It was their possessions . . . what the goy had was only temporary. Were the Jews not God's Chosen People? Did not God say that all the good things in the world were to belong to His favorites? It was the Jews business to remember this when he dealt with the goyim. It was practically a moral obligation on the part of every conscientious Jew to cheat and fool the goyim whenever and wherever possible. The impression made on me as a child was that the world had been created by God for the habitation and prosperity of Jews. The rest of creation - horses, cows, nettles, oak trees, dung, and goyim - were placed here, for our, the Jews convenience or inconvenience, depending on God's good humor at the time."

Page 29 - "We despised the goy and hated his religion. The goy, according to stories crooned into the heart of Jewish children, wantonly worship an unsightly creature called the 'yoisel' - and a dozen other names too foul to mention. The 'yoisle' had once been a human being and a Jew, But one day he went out of his mind, and in that pitiable state announced that he was the Lord God Himself. With the help of a page of Holy Writ, blasphemously torn out of the Torah, and placed under his sweating arm, he was able to fly over the heads of the multitudes in Jerusalem. So impressed were the Jews, that even the pious ones flocked to him. But Rabbi Shammi, angered at this foul impudence and fearful of a religious crisis on earth, tore two leaves out of Holy Writ, and with these under his arms was able to soar above the 'Yoisel' and urinate on him. This caused him to fall to the ground amid the jeers and taunts of true believers." (This unbelievable Jewish fairy tale, according to Samuel Roth, was taught to the children in his home town of Nustcha, Austrian Poland - ED.)

Page 45 - Here Roth explains that Jewish children are not sent to Jewish schools to learn the Hebrew religion, as most Christians are led to believe, but to cultivate a sharp awareness that they are a Jew and that as a racial Jew they are waging an ancient war against their goyim neighbors. The young Jew is taught before everything else, that his foremost allegiance must be to the Jewish people. (Would to God our White Aryan people felt the same way - ED). He may be a good American. He may pose as a good Chinaman. But no obligation he contracts with a non-Jew is valid if it violates the interest of his obligation to his people. The first thing a young Jew learns is that he is a Jew. The second, is that this makes him different from other people, and the third is that as a
member of a 'nation of priests', it is his business to make himself a high place in the world, some position from which he can compel the world to pay him tribute." (No explanation necessary - ED.)

Page 47 - "The attitude of a Jew towards his profession is like that of a gangster towards a new racket. The real end is the amount of money it is likely to yield to him in exchange for the smallest investment of labor and enthusiasm."

Page 54 - "It is an old Jewish habit to assume that the Jew has culturally enriched every country he has favored with his presence." (According to Judeo-Christian writers such as Baptist Evangelist Jack Van Impe, in his book ISRAEL'S FINAL HOLOCAUST, there are others who believe the same thing - ED.) "This lofty assumption comes instinctively to a people whose interest goes out to all things the pursuit of which involves the expenditure of a minimum of energy . . . I cannot find anything of value that they (Jews) themselves have created in their 250 years of residence in America." (He goes on to show how many of the things attributed to Jews have been stolen from the Gentiles - ED.)

Page 63 - "It is my honest belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew has done has been subversive to America's best interests . . . the Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing."

Page 68 - "America is full of businesses bearing old Christian names, but which are really owned by Jews. Most have been acquired by creating something out of nothing. A gentile enters business every minute, with two Jews waiting to take it away from him."

Page 75 - "We see the Jew in business as promoter, money4ender, salesman par excellence, the author and chief instigator of a system of credit by which a nation-wide usury rises with a million hands to choke the honor and freedom of movement of a million hard working Americans."

Page 81, speaking about Judaism: "Every synagogue we Jews build in a Christian country is a finger of scorn we point at our hosts; a sore finger we stick into their eyes, like the leering of a senile old woman who does all sorts of foul mischief before you, and feels safe in the knowledge that you will not lay hands on her for fear of contamination."

Page 82 - "No religion in the world has offered a spectacle as contradictory, as malicious, as full of the spirit of unreasonableness, as the Jewish recital of the prayer 'Kol Nidre' during YOM KIPPUR.

"In reciting it the Jews solemnly swears before his God that no matter what business he may undertake to promote with his neighbor, be it material or moral, he wants his god to understand in advance that there is one implicit condition. The execution of this business must be favorable to him, or he will consider it to be null and void." (Jewish religious authorities say that if a Jew attends only one religious service a year, it will be YOM KIPPUR. Does this mean then that a Jewish judge, lawyer, doctor, or legislator, or a Jewish businessman, who takes an oath of office to uphold the Constitution of the United States, may break this oath with impunity, if in his thinking it is harmful to him? ABSOLUTELY! - ED.)

Page 89 - On the Jewish ideas on forgiveness, Roth writes: "A Jew comes before his God in the Synagogue and says: 'Forgive me for I have stolen!' Does God reply: 'You are forgiven if you make restitution?' Absolutely not! He forgives the thief unconditionally. The Jew is then safe for the rest of the year and continues to steal from the goyim."

Page 112 - On Jewish doctors: "In America and England...Jews contrived to make of medicine a means of increasing their own wealth, without making any return to the science of the profession. Jews do become shrewd practitioners and occasionally very able surgeons. But they do not approach their calling in the spirit of the Hippocratic Oath. They make out of the human body a contrivance to make money very much as Jewish lawyers manipulate the affairs of their neighbors for their own financial aggrandizement."
P.115 - "He appraises the sick who come to his office not for the use he can be in healing their illness, but for the source of income he can make off them over a long time."

P.117 - "They (Jewish physicians) have five interesting ways of extending their income beyond the office fee:"

1 - If he suspects his patient of having money, he will insist on calling in another specialist, another Jew who has agreed to share with him whatever they can wheedle out of the patient.

2 - He either has a drug store of his own or has interest in one; he recommends that his patients buy their medicines there.

3 - No matter what the ailment there must be X-rays and tests. These are done by other Jews who give him a percentage of their fees.

4 - Then often there are new treatments - heat lamps possibly, which cost only a few cents to run, but will cost the patient a healthy bill.

5 - The Jewish doctor loves to prey on the young girl who finds herself pregnant and wonders what to do. 90% of the abortion clinics in America are run by Jewish doctors.

P.120 - "If the Jews are ever expelled from America it will be on account of the evil practice of Jewish doctors and lawyers." (Maybe you have a better understanding now, why a day in the hospital may cost you a $1,000 - ED.)

Page 142 - These miscellaneous words on the Jewish role in the world of entertainment: "75% of every dollar made each year in the entertainment world goes into the pockets of Jewry.

"For the Jew the theater means only two things: an easy way to make money and the woman-market.

(At this point, a Jewish Rabbi might lecture us on the Jew's concept of the sanctity of womanhood and the home. This is true! But he will be very careful not to tell you that the Jew believes in the sanctity of Jewish women only; all the others can be treated as a piece of meat. READ THE TALMUD AND SEE - ED.)

"Many houses of prostitution get their recruits from the theatrical agent who, nineteen times out of twenty will be a Jew.

"Some of the sweetest and most beautiful women in the world come to Hollywood. Many of them are Christians. They come to act not whore. But the Jewish agents make whores out of them."

So there you have the "low down" my friends, straight from the lips of a Jew who was disgusted with the actions of his own people and was brave enough to "blow the whistle on their nefarious activities." Don't get angry with me. I am merely passing them on to you." (See Ezekiel 33:6).

In the remainder of this book, I will use miscellaneous remarks and thoughts from many sources. Including the man who inspired this book. In the Boston Record, August 28, 1965, the following article appeared:

"Vatican City (UPI) - The new Father General of the Jesuits charged before the Ecumenical Council yesterday that a 'new Godless society holds almost complete sway over such fields as finance, mass communications and international organizations.' The speech by 67-year old Father Pedro Arrupe, who was chosen by Pope Paul VI to lead the Catholic Church's fight against atheism, caused consternation among American prelates, who thought the charges were extreme."

"This new Godless society," the Basque priest said, "operates in an extremely efficient manner, at
least in its higher levels of leadership. It makes use of every possible means at its disposal, be they scientific, technical, social or economic."

"It follows a perfectly mapped out strategy. It holds almost complete sway in international organizations, in financial circles, in the field of mass communications; press, cinema, radio and television."

The **BOSTON RECORD** article continues: "Father Arrupe's speech during debate on a document on the Church's role in the modern world and his charges of what amounted to an international atheistic conspiracy, came as a surprise and caused a great deal of consternation in Ecumenical Council circles..."

The International Jews themselves have declared repeatedly that this situation described by this priest as a "new godless society" is the direct result of their relentless efforts to obliterate Christianity - and society founded on Christian principles. This new "godless society" has risen because of efforts of the Zionists to smash Christianity and Christian social principles.

The Jew Pharisee who rejects Jesus Christ - the cornerstone - can only build his "New Jerusalem" on the total rejection of Christ and Christianity and on the ruins of Christianity. Jesus Christ must reign supreme over this, His world, or the Anti-Christ of the Jews will take control. It must be one or the other. Both cannot reign!

Here are some quotes taken from a secret meeting of the B'nai B'rith in Paris:

"As long as there remains among the gentiles any moral conception of social order, and until all faith, patriotism, and dignity are uprooted, our reign over this world cannot come.

"We have already fulfilled part of our work, but we cannot yet claim that all our work is done. We still have a long way to go until we can overthrow our main opponent, the Roman Catholic Church." (Those of you who see the Roman Church as the source of the Christian peril, better listen to these words direct from the enemies mouth.)

"We are striving to discover the best way of shaking the Church to her very foundations. We have spread the spirit of revolt and false liberalism among the nations of the Gentiles so as to persuade them away from their faith and even make them ashamed of professing the precepts of their religion and of obeying the Commandments of their Church. We have brought many of them to boast of being atheists, and more than that, to glory in being descendants of the ape! We have given them new theories, impossible of realization, such as Communism, anarchism, and Socialism, which are now serving our purposes. The stupid Gentiles have received them with the greatest enthusiasm, without realizing that these theories are ours and that they constitute our most powerful force." (UNQ.)

We Gentiles, in our stupidity, have proven easier dupes than they expected. While we would expect men to have better intelligence and common sense, we have been no better than a herd of sheep. The International Jew says: "Let them graze our fields until they become fat enough to be immolated to our future King of the World.

"So far we have succeeded in overthrowing most of the thrones of Europe. England is dependent on our finance, is under our heel and in her Protestantism is our hope for the destruction of the Catholic Church. Spain and Mexico are totally in our hands. And many other countries, including the USA have already fallen into our hands."

The Jewish Pharisee M. J. Oglin, writing in **THE MORNING FREHEIT** (Jewish New York Daily, Jan 10, 1937) wrote: "The Jewish religion is hostile to Christianity in general, and to the Catholic Church in particular."

Rabbi Reichorn, in his discourse from Prague, 1896, said: "It is said that numbers of our brothers in Judah have been converted and baptized Christians . . . What does it matter? The baptizes ones are very useful to us they can become our auxiliaries to march to new horizons, which are still
unknown to us; for these converted ones still belong to us; and despite the baptism of their bodies, their spirit and their soul remains always faithful to Judah. In a century's time it won't be the children of Judah who will desire to become Christians, but rather the Christians who will flock to our faith. But then Judah will repulse them with scorn.

"The Christian church being one of our most dangerous enemies, we must work perseveringly to weaken its influence. We must graft, as much as possible, on the intelligence of those who profess the Christian religion, ideas of free thought, of doubt, of schism, provoking religious disputes, so naturally fruitful of divisions into sects of Christianity. Naturally, we must commence by discrediting the ministers of this religion. Let us declare open war on them; suggest suspicions as to their devotion, of their private lie. And, by ridicule and jests, we shall get the better of the consideration attaching to the state and to the cloth.

"The Church's natural enemy is the light, which comes from instruction and is the inevitable result of a multiplication of schools. Let us set ourselves to gain influence over young pupils. The idea of progress carries with it the equality of all religions; which, in its turn, leads to the suggestion in the school course of lessons in Christianity. The Jews by subtlety will obtain without difficulty chairs and positions as professors in Christian schools. By these means, religious education will be left to the family circle, and, as in most families, there is no time to look after this branch of instruction, the religious spirit will weaken little by little and will then completely disappear.

"Each war, each revolution, each political or religious shock which has come to pass in the Christian World, brings nearer the moment when we shall attain the goal towards which we are pressing.

"If you realize that the faith of your fathers is your only patriotism - If you recognize, that, notwithstanding the nationalities you have embraced, you always remain and everywhere form one and only one nation.

"If you believe that Jewry only is the one and only religious and political truth.

"If you are convinced of this, you, Israelites of the Universe - consent!"

In the LES ARCHIVES ISRAELITES, Number 25, Paris 1861, these words from the Jewish Pharisee Adolphe Cremieux were recorded:

"The net which Israel is throwing over the globe of the earth is widening and daily spreading, and the momentous prophecies of our holy books are at last to be realized.

"The time is near when Jerusalem will become the house of prayer for all nations and people, and the banner of Jewish mono-deity will be unfurled and hoisted on the most distant shores. Let us avail ourselves of all circumstances.

"Our might is immense - learn to adopt this might for our cause."

CHRISTIAN - WAKE UP! IT'S YOU THEY ARE TALKING ABOUT!!!

NAHUM SOKOLOW, Zionist leader, in the book ZIONISM IN THE BIBLE, pages 7-8 says: "It is strange and madly comic to see some Jews, partisans of monotheism, pretend to be Germans, Hungarians, etc., It matters little that Jews claim to be a religion or a nation; the Jewish religion cannot be separated from the Jewish nationalism."

AGAIN FROM ARCHIVES ISRAELITES, Paris, 1864: "Israel is a nationality. The child born to Jewish parents is a Jew. We do not receive our quality of Israelites by circumcision, but we have our children circumcised because we are Israelites. We acquire Jewish character by birth, we cannot lose it or get rid of it. The Israelite who renounces his religion, who even undergoes baptism, does not cease to be an Israelite. MI Jewish duties are still incumbent upon him."

The Jew, Bernard Lazare in "L'ANTISEMITISM, page 350 stated "The Jew is not satisfied de-
Christianising, he Judaises, he destroys Catholic or Protestant faith; he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ."

Probably one of the greatest weapons the Pharisees have used to destroy Christianity is this demon called Communism. In countries where communism is the accepted form of government, religious practice is either forbidden, or so closely regulated as to be forbidden. Here the Judaizers use Communism as the bulldozer to smash Christianity. In this attack, the "power behind the persecution" is seldom seen as being Jewish, but it is always there doing and directing its "dirty work."

But since Communism, in all its viciousness, cannot stamp out "true Christianity," but only strengthens it, the Zionists have many other methods in a multi-phased attack against Christianity.

It is very seldom that the Pharaonic Jew ever attacks his target directly. To do so would render him suspect, or cause him to "show his hand." This is particularly true of his attack against Christianity. They work indefatigably to destroy Christianity, but they seldom attack directly on a Jew vs Christian basis.

One of the most highly effective tools of Judaism might be called the TRIO TECHNIQUE. It is contained in the powerful phrase CATHOLIC-PROTESTANT-JEW, as applied to matters religious, educational and otherwise in the Jew controlled press and propaganda apparatus.

A long time ago, the Zionist realized they could not counteract true CHRISTIAN BROTHERHOOD, and that true Christian fraternity could not be attacked in an open, head-on manner, since they would create too many enemies by openly denying that America was a Christian nation. (Notice that this has changed in recent years, now they are so bold that they come out with direct attacks against this truth - ED.)

So the Jews preach their own BROTHERHOOD THEORY.

Let me remind you, that as we discuss the Pharisee brand of BROTHERHOOD, that the Jewish idea of brotherhood comes from one of the most evil books of all time, the BABYLONIAN TALMUD. So what the Judaisers teach is TALMUDIC BROTHERHOOD. Listen to what the TALMUD SAYS:

"Every goy who studies the TALMUD and every Jew who helps him in it, ought to die." (SANHEDRIN, 59a; ABODHA ZORA, 8; SZAGIGA, 13.)

"To communicate anything to a goy about our religious relations would be equal to the killing of all Jews, for if the goyim knew what we teach about them they would kill us openly," (LIBBRE DAVID, 37).

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat," (NADRINE, 20; SCHUDCHAN ARUCH, CHOSENHAMISZPAT, 348.)

"The Jews are human beings, but the nations of the world are not human beings but beasts," (BABA MEDA, 11, 6).

With these Talmudic teachings permeating their thinking, the Zionists go about their business of sharing brotherhood with Christians.

Listen to Georgi Dimitrov, Comintern leader in Russia in 1939, as published in THE YENAN WAY, by Eudocio Ravises, pp 256 (Scribner's, N.Y. 1951).

"Let our friends do our work. We must always remember that one sympathizer is generally worth more than a dozen militant communists. A university professor who, without being a party member, lends himself to the interest of the Soviet Union, is worth more than a 100 men with party cards. A
writer of reputation, or a retired general, are worth more than five hundred poor devils who don't
know any better than to get themselves beaten up by the police. The writer, who without being a
party member defends the Soviet Union, the union leader who is outside our ranks but defends
international Soviet policy, is worth more than a thousand party workers. Our friends must confuse
the adversary for us, carry out our main directives, mobilize in favor of our campaign people who
do not think as we do, and whom we could never reach. Such men will sell their souls to the devil -
and we buy the souls

The NATIONAL COUNCIL OF CHRISTIANS AND JEWS, loves to parrot the phrase:
"Children are born without prejudice - you can help them stay that way!" Children are also born
without teeth, the ability to speak, write, walk, or read, without control over their bodily functions,
without a moral sense, and are utterly defenseless and completely dependent upon adults for their
very existence. Is infantilism to be preferred to maturity? The NCCJ not only wants to turn back the
clock by forcing adults to retrogress in their attitudes to the infantile level; rather, they would rather
work with the child divorced from parental control - so as to suspend and then block out his
perception of his unique difference from all other children."

The Zionist founder, Theodor Hertzl, in his book THE JEWISH STATE, wrote: "Universal
brotherhood is not even a beautiful dream. Antagonism is essential to man's greatest efforts."

So rather than attack the Church openly, the International Jews attempt to weaken it by chipping
away at its beliefs, breaking away some integral part of the Church; weakening its vital structural
elements, hacking away at venerated customs, alienating men on a liberal-conservative basis, on an
"old" vs the "new" basis. They are constantly at work trying to fragmentize Christianity.

Anyone who has been around a church for very long knows that most of them have financial
problems; possibly debt ridden buildings. The Jews, because they have the money, not only have the
great bulk of Christian properties and projects in hock to them, but they also have a silent, albeit
very powerful voice in policies having to do with their financial bondings. They use this to bring
pressure on Christian leaders.

A few years ago, I was speaking with the pastor of one of the largest fundamental churches in
America. We were discussing Zionism and its danger to Christianity. He admitted that he knew
about this. "Then why," I asked, "Don't you warn your church people about it?" To which he
replied: "The Jew bankers hold a $1 .7-million dollar bond on this church building, and if I
antagonized them they would foreclose on me and I'd lose everything." FOR FEAR OF THE
JEWS! HOW INFINITELY SAD!!!

Everywhere we look, we see the destructive hand of International Judaism. It has destroyed the
beauty in Christian art; it has changed the beautiful music of a past generation for the syncopation
of the jungle beast with its beastiality and sexuality. Of course the goal is the same. Valid, genuine
art and music must be destroyed as a prerequisite to world conquest.

A few years ago, when the Civil Rights mania was begun, Clergymen fell into the Zionist baited
trap, "hook, line and sinker." They joined the wide assortment of boobs, fools, do-gooders, fakes,
hypocrites, and subversives to promote Civil Right causes. Very few bothered to question the
motives behind Civil Rights, to see if there was anything "wrong" with these "rights."

Yet if they would have taken an honest look, they would have seen the danger. God created every
man and woman different because He wanted to give to each, not only "free will", but the unique
characteristics that stamp us as INDIVIDUALS. These were to be living units peculiar to Himself,
as a person created in the image and likeness of God, made up of body and soul, distinct and unique
- worthy of the sacrifice which Christ made on the Cross for him. (Unfortunately, there are those in
the ranks of Identity that teach that the colored races do not fulfill these requirements, that they have
no souls and are inferior beings. I cannot find where the Scriptures teach this.) While we know that
Jesus' primary mission was not to all men, but to "the lost sheep of the house of Israel," (Matthew
15:24) we know that He came so that ALL MEN might have life. (John 3:16, 17; 1 Timothy 2:4,
To teach that only **ARYANS** of the Israel race can be saved is a terrible distortion of the Word of God, for it was Israel's primary mission to bring the message of God's salvation to ALL men.

God created each race different from the others; they are endowed with different mental and physical characteristics which make them unique individuals. But the wicked "seed of Satan," under the inspiration of their father, know that if these races are kept separate, as God planned, it will thwart their plans for a One-World government under the anti-Christ.

In the Zionist planned One-World Government only the Jew will be the superior exalted being. He is to be superior in all respects over his goyim subjects. His ruler will be the Anti-Christ, his God, Lucifer, his father (John 8:44).

Because of this thinking and teaching, all of the goyim subjects of the One-World government must be blended into an amorphous mass of mongrelized humanity with no distinguishing marks to identify race, color or creed. Of utmost importance, is that none of the goyim subjects of Jesus Christ ever be identified as the "true Israel" of God.

This is the underlying reason that the Jews promoted Civil Rights. It was for the purpose of producing a faceless, mongrelized, racial hodgepodge which can be effectively and permanently be merged as the slave underlings of the International Jewish masters. These will serve their Jewish masters without demurring - thinking that they are serving God, when they will have the "mark of the beast", and be serving their worst enemy.

The **AMERICAN JEWISH COMMITTEE**, which has been mentioned before, is one of the most satanic of the enemies' organizations, which serve the Pharisees through religion. It's capacity to do evil to the cause of Christ and humanity is almost limitless.

The **UNITED NATIONS**, sometimes aptly referred to as the **CANNIBAL DEBATING SOCIETY**, was drawn up, propagandized, and promoted by the AJC and its assorted power network agencies. The various documents, book reports, and publications of the organization attest to this.

A look at the Semi-secret annual budget report of this organization bears abundant testimony to the Satanic activities - a testimony which is in the words of the Jewish authorities themselves. For those who wish to read what the enemy have to say, these documents may be obtained from the **CHRISTIAN EDUCATION ASSOCIATION**, Union, New Jersey.

There are few more revealing documents than these, which expose to daylight such a diabolical plot. The hideous Talmudic blueprint of the Plot to Destroy Christianity is clearly shown, as this organization of intricately organized personnel and finely interwoven organizational network, works relentlessly and inexorably for the total destruction of White Christian civilization. Behind them looms the limitless resources of money, manpower and organization, available to International Judaism.

In reading these reports, one must be wary and alert, remembering that you are reading the words of devilish masters of semantics, who set forth their sinister purposes in grandiose phraseology. They couch their plans and plots in the most up4o-date language of the far-left classrooms of modern sociology, psychology and psychiatry. The language of these reports is nauseating in its super-sweet, hypocritical solicitude for the benighted Christians. It reminds one of the Devil as he quotes Scriptures to our Lord. But as you strip away the "double-talk", you will find things which reveal the limitless hatred of the Jew for Christianity and their satanic determination to wipe it from the face of the earth.

Christ, our Master, expressed this thought about these same people in Matt. 23:13 - "Woe unto you scribes, and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in . . . Woe unto you . . . for ye compass sea and land to make one proselyte (convert), and when he is made, ye make him two fold
more a CHILD OF HELL than yourselves." Vs 28 - "Even so, ye also outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity . . ." Vs 32 - Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers (poisonous snakes), how can ye escape the damnation of hell?"

For those of you who may belong to a church affiliated with the National Council of Churches, or who might have been a member at one time and are wondering what happened to your church, listen to the words of the Father of the Reformation, Martin Luther, after he had worked with the Jews for many years and learned what they were up to: This is taken from his book THE JEWS AND THEIR LIES, which has been expunged from most Lutheran school libraries: ". . . my dear Christian, next to the Devil you have no more bitter, more poisonous, more vehement enemy than a real Jew (Pharisee) who earnestly desired to be a Jew. It all agrees with the judgment of Christ that they are poisonous, bitter, vindictive and malicious SERPENTS, ASSASSINS, and CHILDREN OF THE DEVIL who kill and inflict injuries by stealth because they cannot do it openly."

There are many Christians today, especially among the clergy, who say that the words of Jesus Christ and Luther are not applicable today and that the "Nice Jews" have changed in their attitude toward Christians. For these "brainwashed" Christians, I offer the words of the Jew Joseph Dunner, found on page 10 of THE REPUBLIC OF ISRAELI, October, 1950. "To Christians of all denominations Jesus is the symbol of all that is pure, sacred and lovely. To Jews from the fourth century on, Jesus became the symbol of anti-Semitism, of libel, of cruelty, and of violent death."

I am not foolish enough to say that all Jews and all Rabbis are alike in their vindictiveness towards Christians, or in their unswerving loyalty towards the destruction of Christians.

But Rabbis in particular, by the very nature of their work, are inexorably anti-Christian (no matter how many Inter-Jew-Christian meetings they may attend). I further hold that the great majority of the Jewish leaders, by their words and actions, prove that they are ill-disposed towards Christians and that they are even now employing the time tested Talmudic methods which were specifically designed to undermine and annihilate Christianity.

In order to do this, many Rabbis have become active in civic, political, and religious affairs in the communities in which they live.. They rub elbows with the Christian clergy and collaborate with them and the lay leaders of the church. These Jews are usually very suave, urbane, highly intellectual fellows who exude the very image of the Pharisees. They will represent themselves as educated, brotherhood, hale-fellow-well met types, who will combine decorum and savoir-faire with their conviviality.

They will feign friendship, cooperation, altruism, philanthropy and fellowship.. while at the same time, undercover, they work for the disintegration of the church. They are for the dismantling of the United States and its Constitutional Government and for grinding Christianity into the dust. It's part of their Jewish heritage. There is no way they can be a Jew and get away from it!

But these Rabbis are not the main danger. Our major danger comes from those pastors of the Christian churches and their Christian followers, who have been "brainwashed" or "bribed" into becoming the "prostitutes" of Judaism. The Pharisee is smart enough to get the Christians to do his "dirty work" for him. How he must chuckle with glee, when he sees what fools so many goyim are.

Some Christians may say: "But the Jews have no Pharasaic cult among them in 1986." This is where you are dead wrong. According to the UNIVERSAL JEWISH ENCYCLOPEDIA, page 29 - "The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees...and the study of it (the TALMUD) is essential for any real understanding of Pharisaism."

Christian, when you help the Jew, you abet Christ's worst enemy. Listen to our Lord as He speaks in Matt. 10:32, 33 - "Whosoever therefore shall confess me before men, him will I also confess before my Father which is in heaven. BUT whosoever shall deny me before men, him will I also deny
before my Father which is in heaven."

A few years ago, a full page of pictures and text entitled THE JEWISH BACKGROUND OF JESUS, appeared in the NEW YORK JOURNAL AMERICAN. A similar article with horribly blasphemous pictures of Christ and the Apostles appeared in the May 24, 1965 issue of THE HOUSTON CHRONICLE. It was entitled THE NEW IMAGE OF JESUS.

"Jesus was represented as a simpish toothpick-legged sap, standing on a rug while the idiotic looking Apostles stand by."

The NEW YORK JOURNAL made this announcement: CAPTIONS WRITTEN WITH THE THEOLOGICAL ASSISTANCE OF RABBI MARC TANNENBAUM, DIRECTOR OF INTER-RELIGIOUS AFFAIRS OF THE AMERICAN JEWISH COMMITTEE. (This is the same Rabbi Tannenbaum who forced Jerry Falwell to apologize because he had called America a Christian country - ED.)

This article starts out by attributing the new Catholic textbook for elementary schools to two nuns. In the Journal ad, the upper corners of the page are ornamented by pictures of two sweet-faced Sisters. The paragraph following reads: "This truly revolutionary textbook series -which may reach 10-million Catholic pupils in the next 10 years, emphasizes...that the Jews were God's Chosen People and that Christ Himself was a Jew and worshiped in the Temple."

In the next paragraph reproduced, Sisters Johnaice and Elizabeth have received valuable aid from Rabbi Marc Tannenbaum.

"Beside the simpleton representation of Jesus Christ, there is a black-faced gook with a white beard holding up a black infant, two idiotic-looking women are gazing up at him. Another picture shows four long-nosed dreary characters with tiny hooks for feet, entitled 'Pious Jews' under a six-pointed Star of David.'

Devout Christians have long felt that the Holy Bible constituted a rock - an unshakable foundation upon which to base their religious beliefs and convictions. They felt the Bible was true and irrefutable because it contained the words of Almighty God who was incapable of falsehood or distortion - and of God-inspired writers such as the four evangelists.

So knowing this, the Jews have attacked, not the Bible believers who might become enraged at a direct attack, but the Bible itself. The perpetual revolutionists revolutionized (they called it "modernized") the Bible. By so doing, they have shaken the convictions and confidence of many Christians and are preparing to destroy the belief of the youth, with these perverted versions.

While the "simplified" versions of the Bible, are supposed to make it more literally understood by the masses, what they actually do is destroy or downgrade the Bible, by glaring commissions, destruction of literary style and by reducing the intellectual challenge of the Book. They have done the same thing to the Bible, as they have done to the history and literature books.

These highly tested techniques have been used by the "Pharasaic revisionists," and "modernizers," to destroy the beauty and the factuality of the Bible. Under the techniques of the Jewish translators the Bible is reduced to the level of a novel, or a fairy story for not-too-bright readers. If you doubt this, compare the simplified Epistles and Gospels with the beauty of the King James or Douai Versions of the Bible. It is possible, you will have difficulty recognizing the Word of God you once heard, read and loved.

It is a matter of observation, that the International Jew controls the world's press and all Jews, whether they know it or not, play at least some part in the Master Plan for the Jewish One-World government. Their natural traits, their grasping nature, their anti-Christ religion, make all of them enemies of Christianity. This is why the Apostle Paul said of them in I Thess. 2:15 - "They please not God and are CONTRARY TO ALL MEN."

The International Jew is not a citizen of any country, but is an interloper, a parasite, a stranger in
any country in which he lives. The Jew has only one belief on which to "hang his hat," and that is his unshaken belief that he is the "apple of God's eye," and that all other people are inferior to him.

In Jeremiah 24:9, a prophecy is made concerning the "evil Jews" who came back from Babylon with the new TALMUDIC religion of Judaism. "I (God) will deliver them to be removed into all the kingdoms of the earth for their hurt, to be a reproach, and a proverb, a taunt and a curse, in all places whither I shall drive them."

The "little Jews" whom the pharisees call "lesser brethren," are doing what they are called to do because they owe allegiance to no country; they have no personal God, and no redeeming Messiah and because they want to go along with those they believe will be winners in this conflict between "good" and "evil," the internationalists. They do not realize that the Pharisee is willing to sacrifice them, as he has in the past, in order for his plans to succeed.

One of the most explosive documents to come out of World War II and known to be in existence by but a few researchers, is a day-to-day, hour by hour chronicle of the last hours of Adolf Hitler, before he took his own life in that Berlin bunker.

Apparently there was only one hand written very bulky copy that made it to safety. One section reports a conversation that Hitler had with General Hans Kreb two days before his death. This is a verbatim report of this conversation: Hitler is talking to Krebs about the tragedy of the war and the steps he took to avoid it, he said:

"I tell you Krebs, the Jews are much worse than anyone will believe. Who would have believed that Baruch (Bernard Baruch, the Jew advisor to FDR - ED) would sacrifice the Jews of Europe to the ambitions of the race? After I made contact with Baruch in the latter part of 1938, he sent this message to me:

"I have not the slightest interest in the fate of a few million Jews now in Europe. Our ambitions greatly transcend Europe, are you . . . the greatest anti-Semite of the age . . . So dull as to be unaware of this? We win have war because we need war to install Stalin in Europe and secure Palestine. Even if you were to abdicate tomorrow it would have no effect on our ultimate Destiny of the Chosen People. Germany must be eliminated because with the fall of Germany, will crumble the entire West and the West is no longer of any use to us. Please do not bother to contact me again in a childish attempt to stir my compassion for the Jews of Europe. Their fate will secure our victory; they will fall in a good cause and our final victory will be the more complete. SO DO WITH THEM WHAT YOU WILL. To you I say that the blood of the Prophets runs in my veins and I predict your utter destruction and all that you stand for." SIGNED: BERNARD MANNES BARUCH.

During our most recent war in Vietnam, there were two factions in America. The "Let's get out!" and the "Let's win the war!" factions. They were both way off course because they were directed towards the Jew caused war, rather than the Jews who had started it. Some of you may remember, with justifiable rage, that broadcast over the nation's radio networks on the morning of November 16, 1965: "The American State Department acknowledged today that North Viet Nam sued for peace over a year ago - but our State Department (Jew controlled for many years - ED) did not trust their intentions."

How strange that the Jews in the State Department would not want peace when they started the war! It was a story that was killed immediately.

So the Internationalist Jews work in our government from without and within. Look at the matter of military supplies. After the end of WW II, we saw the treasonous activity of General George Catlett Marshall, as he disarmed the Nationalist Chinese with one stroke of his pen, and then bragged about it. They sent the Nationalists one caliber of weapon and a different caliber of ammunition; the same
trick the State Department played later on the Cuban patriots at the Bay of Pigs. We saw the spectacle of millions of dollars worth of new trucks and jeeps being dumped into the Pacific, rather than being sent to our allies.

We have seen the bungling and mismanagement of military supplies in recent years, to where the services pay $700 for a $7.00 screwdriver. During the Korean War, a friend of mine, who was an air force procurement officer was sent to Hong Kong to see if he could find a small electronic part for the gun sight on our F-86 fighter planes. They were in short supply. He came back with a large number of these, which were purchased for less than $1.00 each. The current price from the manufacturer in the U.S. was scores of times higher.

In the opening days of the Korean War, I was observer to the treachery of our State Department in the days preceding the war. Ten days before the war began, all anti-tank ammunition was taken out of the front lines of the South Koreans on order of the American Ambassador William F. Muccio. His statement to a Senate investigation committee later was that he was afraid that Sigmun Rhee would attack the North.

On the second day after the war began, after Mr. Muccio had left for Japan, I along with Major Paul Hedstrom of Bismarck, N.D. was sent to check out the State Department building in Seoul. (All Americans with the exception of 13 Advisors were out of the country at this time.) In a locked filing cabinet in the Ambassadors office, we found reports from the Military mission, for the preceding eighteen months, which gave very little information about the enemy activities in North Korea. It was later found that eight of the high ranking officials in the State Department team, were in sexual liaison with the wife of the Number Two military man in North Korea. This woman was a beautiful model who had milked the State Department for over a million dollars, which was taken in American Military Police vehicles to the town of Kaesong, on the 38th Parallel, where the girl's mother lived and then were taken into North Korea. When these men were charged with this crime, there was so much dirt discovered in the State Department activities that everything was swept under the carpet and nothing hit the newspapers. Muccio was sent to Iceland as Ambassador and the eight State Dept. Officials were all promoted.

I had sent four very incriminating documents to Senator William Knowland of California. He took them to the Foreign Affairs Committee and was promptly laughed out of the committee. He told me that when he insisted something be done about it, it was the beginning of his political downfall.

In spite of all the wonderful advertisements you see on television, trying to entice our young people into the Armed Forces, the image of the American military outside the United States stands at its lowest ebb ever. At home, the seasoned non-commissioned officers, who are the "backbone" of the services, are resigning by the droves, as are some of the finest of our company grade officers.

The American is hated in Germany, because the people who live in fear every day of the Jews, know that it was America who "sold this Christian country" into the clutches of International Judaism. Then near the close of the war, it was American troops, under orders from that Jew puppet Ike Eisenhower, who returned thousands of anti-communist patriots to bitter deaths or lives of slavery behind the Iron Curtain, in the infamous OPERATIONS KEELHAUL, that even Congress has been afraid to tackle. We are hated in Cuba, for we are responsible for Cuba going Communist. We are hated in Central America, in the Congo, in fact almost every place where we have gone. Because of the "bankrupt" Jewish tainted Foreign Policy of our State Department, we have seen America go from a high point of "statesmanship," to a low degree of "chickenship" in less than fifty years. Now it is standard operating procedure to see YANKEE GO HOME! signs everywhere and our embassies are defaced and bombed, and we ain't seen nothin' yet!

During World War II, under the leadership of Franklin Delano Roosevelt, our government became riddled with Jews. People like Felix Frankfurter, Alger Hiss, Bernard Baruch, split the Army and Navy into antagonized camps.

There was the Jew Maj. Gen. Lyman L. Lemnitzer, who was put in charge of the Office of Foreign
Military Assistance, responsible for the delivery of arms voted by Congress to friendly nations. In that capacity, Lemnitzer refused to send arms to South Korea before the war, even though Congress had appropriated them. In a dispatch from the Los Angeles Examiner, July 11, 1950 - "Shocking testimony that the State Department had defied Congress and blocked adequate aid to Korea remained under triple seal and lock in the Senate safe today, despite congressional and public demands for exposure. The testimony left members of the Senate appropriations Committee horrified and angry. A number wanted to take the entire case to the Senate floor. Others held that the testimony was too damaging. They wanted the records destroyed." (Now what in the world is wrong with our Congress, when they don't even have guts enough to demand an accounting for TREASON?)

Why was this testimony so damaging? Who were the traitors that were being protected? NEWSWEEK for July 10, 1950 gave us part of the answer: "Senator Ferguson demanded to know how much of the $10,230,000 provided for Korea in the MAP authorizations of July 1949 and the appropriation of the following October had been spent and how much material had been delivered. Looking as though he'd rather be facing a Russian tank with a can opener, Lemnitzer answered that only a small amount of signal equipment had actually been sent. How much? Ferguson insisted. "Well, not more than a few hundred dollars worth," Lemnitzer said. Ferguson insisted and Lemnitzer finally admitted that the sum was about $200.

Ferguson was shocked and Republican Senator William F. Knowland of California said he knew that the Korean Republic has asked time and time again for planes. He pointed out that his own military mission had recommended giving them some. "Isn't it true," he said, "that not a single fighter plane has been given to Korea?"

"Yes," Lemnitzer admitted.

It is not being revealed in the press that this war material was sent by Lemnitzer's office to fortify Iran against a Soviet attack and thus preserve for us the oil of the Middle East. (Internationalist owned of course).

"It was Ephraim Zinoyi Liberman, who was appointed Chief of the Far Eastern Division of the Commerce Department, who blocked shipment of military equipment meant for the Chinese Nationalists. Lieberman, a Jew and a friend of the Dean Acheson pro-Soviet clique, arrived in the U.S. in 1932 and was denied citizenship until 1941, because of his communist affiliations."

There was the rapid rise of the Jew, Lieut. Gen. Mark Clark, the son of a gentile army officer and the Jewess Rebecca Ezekiel. Despite a questionable military record in Italy, he was appointed in September 1949, to command all of the Army Field Forces. He admitted hundreds of Marxist indoctrinated Jews into the American Occupation Zone in Austria an operation planned by the Zionist High Command, which must have been concurred in by the Soviet Union, as most of these Jews came from Soviet controlled areas. These people were not running from any danger, but were virtual proteges of the American government. Hundreds upon thousands of Christian men, women and children who were fleeing for their lives from the Soviet monster, were stopped at the American flag and turned back to death or slave labor camps. This will be an everlasting shame to AMERICA!

How could we ever put our trust in Mark Clark after his conniving and condoning this mass crime against Christians, is a question I cannot answer. In the Air Force, another Jew named Curtis Le May, was placed in command of our entire Strategic Air Arm, the most powerful striking force in the world at that time. Is it unreasonable for Americans to be uneasy when men with alien blood occupy such important positions? In case of a revolution, who would they help, the Christians or the Communists? You make up your own mind from their actions.

Another Jew in a position of high command was General Lucius Clay. I quote from Eustice Mullin's THE FEDERAL RESERVE CONSPIRACY, page 143 - "Herbert Lehman (one of the top Jewish devil's) now a Senator, spent hundreds of millions of American money in Central Europe during the
Second World War, as head of United National Relief and Rehabilitation Agency. This money was spent to ensure that 'reactionary' governments would not come back into power and that Central Europe would remain under the control of the Communist Party.

"Current Biography notes that Herbert Lehman was elected Governor of New York with the active support of the Communionist Party. The chief corporate representative of his family banking house, Lehman Brothers is GENERAL LUCIUS CLAY.

"One of Eisenhower's closest advisors, General Clay was identified as the man who selected George Humphrey as Eisenhower's Secretary of the Treasury."

Here is another article from THE NATIONAL CHRONICLE, July 15, 1965 - "Gen. Lucius D. Clay, who Barry Goldwater said is a 'prime mover' was Goldwater's chief consultant on international problems in 1964. Clay is associated with No.1 financier, Jew Sidney Weinberg. To keep control in Weinberg's hands, Clay is now the new GOP finance chairman, a partner in Jewish financiers Lehman Bros., and a prominent CFR member . . . No doubt Clay will be assisted by other CFR members who control Goldwater's FSA - such as Admiral Lewis Strauss, former Jew head of Atomic Energy Commission, and who was partner of Kuhn, Loeb & Co., (the International Jewish bankers who financed the Russian Revolution), liquidating 50-million Christians in the process."

When the United States has military leaders such as Clay, Le May, Lemnitzer, Taylor and Clark - why is there any need for enemies? (Remember these Jews most probably go to the synagogue on the Day of Atonement and pray the KOL NIDRE prayer, which allows them to break their oath of allegiance to the United States, any time it is expedient to International Jewry.) CHRISTIAN FOR GOD'S SAKE, WAKE UP!!!

With America's military leaders constantly betraying the American fighting man over the past forty years, the question could be asked. Have we had patriotic leaders in our Armed Forces? The answer is a resounding "yes." There was General Douglas Mac Arthur, who made the mistake of trying to win a war in Korea which the Internationalists did not want us to win. If he had been allowed to fight that war as he desired, it would have been over in a short time. Instead he was fired by that Jew puppet, President Harry Truman at the urging of the Jewess Anna Rosenberg, Under Secretary of Defense, and David Dean Rusk.

Or consider Old "Blood and Guts" Patton who was one of our most brilliant field generals in Europe during World War II. He distinguished himself and his command in spite of everything the Jewish puppet Eisenhower could do to stop him. He knew something was very, very wrong in Washington and that some force was using the American military for its own purpose. He made the mistake of publicly stating that he was going to "blow the whistle" on these traitors when he got home and two weeks later he was dead under very mysterious circumstances. We could talk about others such as Representative Lawrence Mac Donald of Georgia, who was shot down on Korean Flight 007, after declaring that he was going to "lower the boom" on some traitors in the House of Representatives; or Secretary of the Navy, James Forrestal, who refused to bow down to Jewish power and was a mysterious suicide? and there are others, possibly even President John Kennedy, who was evidently getting ready to "kick over the traces," when he was assassinated.

The Jew uses his controlled press to ridicule, smear, belittle, and silence anyone who stands in their way of total control. That's why "wimps" like Jerry Falwell and Jimmy Swaggart are scared to death of them. They will do practically anything to keep on good terms with these Christ haters.

Since the end of World War II, Korea and Vietnam, we have seen this same treasonous poison as it has infiltrated the American government at every level, under the insidious control of these aliens. We have seen the Communist takeover of Cuba, ninety miles from our door, and we did nothing to stop it. We have seen the takeover of the Panama Canal by a tinhorn Communist dictator; we see the present attempt by our Congress to give American land to the Soviet Union, in the Wrangell Island area, which contains billions of barrels of oil. We have seen the sell-out of the Chinese Nationalists on Taiwan and the climbing in bed with the Chinese Communists. Yet during all this time of moral,
spiritual military and economic debacle, the Christian people of America, who were at one time her "backbone", have set in their comfortable air-conditioned spiritual foxholes, folding their holy hands in prayer, while the nation came into the clutches of the worst tyranny that ever faced humanity. "Not to worry," they are told, "If you are saved, that's all that matters, for Jesus will come back for you before it gets that bad." If our forefathers had acted like we do today, you and I would have all been heathens and Christianity would have gone down the drain 1500 years ago.

Little by little, but as sure as taxes and death, we are being hemmed in and our country is being devoured by sneaking termites from within. The true names of these traitors are the United Nations, Wall Street, Khazar Jews and their stooges such as LBJ, Hubert Humphrey, Ford, Carter, Nixon and Reagan. If many of our Congressmen had acted a hundred years ago, as they do today, they would have been tried, convicted of treason and executed. Today, they are the nation's leaders.

Today, under the usual Jew-Pharisee subterfuge techniques, the controlled Press has begun the softening up process towards disarmament of the nation, as well as the individual. Already the Concentration Camps have been built in the United States to hold those who go against governmental policy - that is to say Zionist policy. Today the National Guard forces of America are being groomed for war against their own people, for confiscation of food, firearms and the incarcerations of those individuals deemed security risks by civil, State and military authorities. In other words, we are hurtling towards the One-World Dictatorship of International Zionism. Yet our complacent Christian "sheeple" continue to fold their holy hands in prayer, sure that the Lord will take care of everything, but darned sure that they will not get their hands dirty.

A man in order to be free, must have the unrestricted right to own and use personal weapons in the home and person, of a marauder - whether that marauder be an enemy soldier of an invading army, or an agent of an internal political conspiracy, or a common criminal. This is a Natural Law that supercedes all others.

Frederic Bastiat, the renowned International Lawyer, wrote in his book THE LAW: "Each of us has the natural right - from God - to defend his person, his liberty, and his property. These are the three basic requirements of life; the preservation of any one of them, is completely dependent on the preservation of the other two." Civilized law has recognized this right for thousands of years.

If a man loses his right to free, lawful use of personal firearms, he loses his identity as a free agent of a civilized country and he becomes totally dependent upon centralized police protection. This of course is the purpose of the Internationalists. They want to do away with our Armed Forces, and have us protected by a United Nations peace force, which would be under their "beck and call."

The beatniks, the pacifists, the atheists, the brainwashed hordes of Christendom, and of course the One-Worlders say we are moving towards a One-World government and that this is the only way for the world to survive in this day of the "super bomb." That anyone who clings to the old notion of "individualism" and "nationalism," is mentally ill.

But healthy Americans - Christian Americans - who persist in regarding themselves as individuals made in the image of Almighty Cod, know that there is a higher purpose in this life than mere physical existence - they know the terrible fallacy in the "It's better to be Red, than dead" syndrome. They know there are eternal and absolute principles of right and wrong and certain values in human life which are worth dying for. I would like to be one of these! So help me God!

It is to be noted, though it will be vehemently denied by Jews, that there have been relatively few Jewish dead on the battlefields in which America has been engaged. I noted this over and over again during WW II, Korea and Vietnam, how Jewish boys would be transferred from the Infantry and Combat Engineers, into some relatively safe place like the Quartermaster Corps, where they became immediately, experts on the Black Market. These transfers were almost always made by Jewish doctors who looked out for their own.

In the military cemeteries, the graves of Christians are often decorated with crosses. But among the
tens of thousands of white crosses, the graves marked by the Star of David, are a great rarity. The ratio is something like 3,000 to 1. But is it any wonder, when by the end of WW II, the person in charge of allocating manpower was the Jewess Anne Rosenberg?

If the Zionist conspirators get a war started in the Middle East against the Arabs, you can be sure of one thing, it will be the Smith's, the Callahan's, the Cappeli's who will die on the battlefield, while the Epstein's, the Goldberg's, and the Rosenbaum's will have plush jobs where they can get rich off the war. "Business as usual."

We did not fight for Atheist Red Russia and Red China
And enslavement of the captive nations we betrayed.
We did not suffer, fight and die to clear the way
For Forced Integration, rape, pillage and anarchy in our own U.S.A.

We did not gladly die in agony while sweet youth still adorned
Our brows to accept "We shall Overcome," Red anarchist chant
Of Godless Integration, news media, radio, TV, Marxist Isms,
For One-World atheist United Nations dictatorship and slavery!

WE WERE BETRAYED!!!
OUR FLESH IS BRUISED!!!

And torn; decayed; or arms and legs broken and limp;
Our eyeless sockets burned with poison gas and shrapnel;
WE ARE DEAD, BUT WE CANNOT REST, for by political deceit
WE HAVE BEEN BETRAYED!!!

AS FREEDOM DIES!

Sleepers, awake! The bell has long since rung.
Your slumber is your death! The foe has sprung
Out of the sacred battlements that rang
With freedom. Now the deadly fang

Is bared to strike. Awake! Our cherished land
Is wrapped in evil chains they slyly forged
On hidden anvils while you slept, they gutted
Their pockets with your wealth, and sucked your blood

And bound you with a snare called "brotherhood."
America! The free! The undismayed!
Where are your laughing sons? Betrayed! Betrayed!
Bleeding and torn upon an alien hill,

Bleak with despair, remote from home. To fill
An empty bargain with a scheming "friend"
Who knows the senseless slaughter will not end
Until your youth is spent, your strength undone,
Your hand made captive - and no victory won!

Awake, my country! Listen to your dead!
They cry, and reach hands agonized and red
With martyr's blood, to snatch you from your fate
Of slaves! They cry, Awake! The hour is late!
And yet you sleep...you sleep. O foolish men,
Too blind, too careless, who will fly again
The flag you lose? Who will set you free?
Who will rebuild your broken liberty?

The bell is silent now... The guns are loud.
There is no answer from the sleeping crowd.
The masked deceivers smile and spin their net,
Teaching their captives to forget,

The ancient ways of freedom and deny,
Their flag, their country, and supinely lie,
Under the shelter of an alien rope,
Secure... unquestioning... and stripped of hope!

O land of light! O refuge of the brave!
Who crossed the mighty ocean here to save,
Their treasured freedom, how your star has dimmed!
How cheap has grown the liberty that hymned
Your name across the world! How dark the sky
Where once your proud old glory once did fly
Unchallenged and unmatched, with eagle keen
Guarding her folds! How sad the darkened scene

When the Apostle Paul wrote: "The love of money is the root of ALL evil," (1 Timothy 6:10) he knew whereof he spoke. For every evil that is threatening America, has behind it the sign of the almighty dollar, and wherever the dollar sign is seen, there the vultures of finance come together to live off the carcass of their victims.

Unthinking "boobs", and this includes a host of those who call themselves Christian clergy, have come to look on Jewish gold as one of the most important things of life. They forgot the First Commandment of God and "had strange gods before him," the strange gods of the "Pharisees," called "money."

Occasionally some wise man would detect the hand of the International Jew upon the levers of the economy. Congressman McFadden advised his fellow Congressmen: "There is not a man within the sound of my voice who does not know that this government is run by the International Bankers." He paid with his life for fighting them.

Lloyd George of Britain, in his Memoirs wrote: "They (the international bankers) swept statesmen, politicians, jurists, and journalists all to one side and issued their order with an imperiousness of absolute monarchs who knew that there was no appeal from their ruthless decrees."

But the Pharisee, in his Satanic wisdom, knew that the worship of money was a transitory thing - especially on the day when the worshipers wake up to the fact that money is nothing when compared to the lastings of life.

They knew that all things on this earth must change with the passage of time. Only those things which pertain to God, to the Spirit, and to eternal verities are immutable. So they caused things to revolve in the direction they choose. He can turn everything but the human soul.

So in order to subjugate the goyim over the years they have striven to bring about a mental, governmental, moral and spiritual revolution to condition their victims to give up their country, their
freedom, their duty to God and docilely accept the yoke of Internationals.

The Jew leader James P. Warburg expressed this in 1957, when he stated on the floor of the U.S. Senate: "We shall have world government whether we like it or not. The only question is whether world government will be achieved by conquest or consent!"

So as the thinking man and woman looks about them, they can see the revolutionary tools and devices which have been devised to condition the unsuspecting Christian victim for their existence in the One World of the Zionists.

As an example, we see sin, sex, and violence increasing on the movie screen and on home television. We see crimes among our youth on a skyrocketing spiral. We see the newsstands of the Jewish filth peddlers reaching unbelievable depths of sordidness, that only a mind steeped in the filth of the TALMUD could possibly dream up.

We find our youth willing to perform any act, no matter how revolting, as long as they can "get away with it." But never, never, never, do we hear our spiritual shepherds tell their parishioners that all these things are promoted by the Jews so as to bring about a mental, moral, and spiritual revolution, and thus make it easy to topple America into a government under the Anti-Christ. Then too, many Christians simply don't care, because they have been taught that they will be gone during this period, raptured up to some big party in the skies.

One of the most important of the Internationalist organizations developed to bring this about was the ILLUMINATI. I would not recommend a deep study into this organization since their methods are so hideous one risks becoming mentally ill of the fumes. The following description by the Rev. Oren Potio should suffice:

"The date of the founding of the American Republic was doubly important because on that date, May 1st 1776, an Organization was conceived by a Jew - a Pharasaic Jew named Adam Weishaupt who was also a renegade Jesuit priest. It was Weishaupt who constructed the actual machinery of revolution against which we are fighting today.

"In 1185, a secret order functioned under the name of 'Confrerie de la Paix,' or 'the Brotherhood of Peace.'

"It was one of the earliest attempts at a godless Communism. In 1712, more than 500 years later, was born Jean Jacques Rousseau, a French Jew. Boil down his entire creed and one salient mandate remains, 'Destroy civilization; whatever is, is wrong!'

"The ILLUMINATI, under the renegade Jew Weishaupt, became in time an openly destructive satanic society, with everything in its doctrines and rituals the exact opposite of Christianity. Enticing its victims into the first degree ritual by the most beautiful and altruistic of fraternal ideals and noble aspirations, it gradually wove about them a net of murderous satanism. In secret rites, at length it bound them to the organization with chains of steel."

THE IDEALS OF ILLUMINISM WERE:

1. Hatred of God and all forms of religion except Judaism.

2. Destruction of private property and inheritance.

3. Absolute social and racial equality and the promotion of class hatred.

4. Destruction of all forms of monarchial or democratic governments, including civil liberties such as freedom of speech, of the press, of assembly and trial by jury.

5. Destruction of all nationalities, love of country, patriotism and allegiance to civil or political rulers.
6. Abolition of marriage and the practice of free love.

These were the same articles advanced in Russian-Jewish Communism. The Jews Karl Marx and Frederich Engels, in their writings on Socialism, incorporated the Illuminati program bodily. In actuality, Communism is nothing else than the satanism of Weishaupt's satanism.

The International Jews found in ILLUMINISM, the perfect weapon for their world takeover and the German Jews embraced ILLUMINISM by the droves. They helped finance Weishaupt, until his organization became a danger to the throne, whereupon, figuratively speaking, the Khazar Jews, the Ashkanazim, took over ILLUMINISM, "lock, stock and barrel." The results were a nightmare in Europe for the next 100 years.

The ILLUMINATI Jews organized, conducted and later suppressed the French Revolution and the Reign of Terror. When their hidden purposes had been accomplished, they had removed certain royal personages who stood in the way of their ultimate control of Europe. Here we could stop and spend many pages speaking about the phenomenal rise of the House of Rothschild or the "Red Shield" in Germany.

From the time when the old Jew Amschel Mayer began to cultivate the friendship of William the Landgrave in Germany; down through

George III and his need for money and mercenaries to fight the Colonists in the Revolution, Amshel Mayer was in touch with the American situation through the Jew Haym Solomon of Philadelphia, who made it possible for Robert Morris to finance the Colonials and thus place them under obligations to the International Jews.

Haym Solomon who has been eulogized by Jew and gentile alike for his financial services to the colonies, worked secretly with Mayer, so that once again we find Jews financing and getting rich off both sides in a war.

When the smoke of battle had cleared away, our Founding Fathers, such men as George Washington and Benjamin Franklin brought out, "the chaos a Republic, which is poison to World Jewry. It is easy to control a government which operates on the principles of a Democracy; hence the steady assault on our Constitution. But unfortunately, a sleeping America, Christian Americans in particular, has allowed those' with evil designs to toss aside our government as guaranteed in the Constitution and has embraced the phobia of Democracy. In doing this, we' opened wide the gates for the ILLUMINATI internationalists to promote their campaign to destroy the Republic.

When the French Revolution had accomplished its purpose for the ILLUMINATI, the conspirators found a young conscienceless Corsican called Napoleon Bonaparte, who had no compunction about shooting down his own people, and elevated him to his position as emperor. Everywhere he has been acclaimed as a great military genius. Nowhere, except in the secret history of the world, is it known what Jewish gold preceded him everywhere, making his military pathways easy. But when Napoleon broke with the Jews and gave evidence of cooperating with the Pope, the skids were mysteriously placed under him and he met his end at Waterloo. Here he was about to win the battle, but reinforcements were mysteriously delayed and his star set, while a Jew in England, Nathan Mayer, made a killing on the stock market with the secret knowledge he had of Napoleon's impending defeat.

Those who have the will and courage to fight the Internationalist fight a mighty lonesome and disheartening fight. If they stick to their guns, they are rejected by both liberals and conservatives, even when they tell the awful truth concerning the death of America at the hands of the Pharisees.

So we arrive at the stage when we find that the struggle is the same old one all over again. It is not a struggle between Democrats and Republicans, as the controlled media would have us believe - it is not a struggle between the "giveaway" boys in Washington and the "free enterprise" advocates; it is not a "knock down, drag out fight" between Liberals and Conservatives, between the "haves" and
the "have nots." It is the ages old fight between Christ and His forces, as they are aligned against the forces of hell and the anti-Christ. Unfortunately, all too often, the dupes of Christendom, fight on the side of the enemy.

**WHO SAYS SOCIALISM IS NOT JEWISH?** In her magnificent book, *THE PLOT AGAINST CHRISTIANITY*, the marvelous Christian patriot Elizabeth Dilling says on pages 128-129 - "The next time some Christian dupe tells you: 'But these Iron Curtain bosses are not Jews! Socialism is not Jewish,' pull out for him the pamphlet *JEW AND NON-JEW* which was put out by the JEWISH REFORM UNION OF AMERICAN JEWISH CONGREGATIONS and by the CENTRAL CONFERENCE OF AMERICAN RABBIS. You will find in this pamphlet the pattern to be followed for the socialization of America, page 30: "Socialism was originated by the Jews, and today Jews play a leading role in its spread and interpretation!"

Or show the Christian unbeliever the JEW OWNED NEW YORK TIMES (9/13/36) which has an article by the CENTRAL CONFERENCE OF AMERICAN RABBIS, in which they "demanded socialization of basic industries, challenged America's social system, and called for a 'thoroughly socialized democracy' - communism-socialism, the cowbarn state, for humans to run."

For many ages, the Pharisee, consummate liar, son of the "father of lies," (John 8:44) has been trying to prove that the Jews are a RACE. Of all the multitude of lies which he tells, this is the greatest. The Jews are not a race! But rather a half-breed closely knit Pharasaic cult perpetuated from before the time of Christ and dedicated to the establishment of a One-World Order under the anti-Christ. But the fact that he is not a race himself, does not deter the Jew from using race as one of the most important levers in his building of the One World Order.

Because of language differences, differences in physical characteristics, in customs, mores, etc., races tend to create antagonisms and fierce competition. Distances and variety of habitat serve to accentuate these antagonisms.

The International Jew who follows the Anti-Christ and scoffs at Christian love, knows that his One World will never come about if the races try and understand each other and respect each other as separate but different entities. So he proceeds to finance, to encourage, to sponsor, and to promote those things which alienate the races. He creates race hatred and fans them into searing flames. On the one hand he promotes racial wars, so that as the races fight each other they both become weak. . . ready to be molded into the faceless racial "hodge podge" he wants for his own purpose. On the other hand, he preaches racial "brotherhood" which is his spurious device for mongrelization of all races, preparatory to their citizenship in his One World Government.

In his book *THE ULTIMATE WORLD ORDER*, Major Robert Williams, states on page 48 - "If the Zionist Plan were one to help unbreed all the races, to improve their intellect and physical beauty in each generation the whole world could enter it with the utmost pride and fullest cooperation. Unfortunately however, it is quite the opposite plan; it is a plan to subjugate or eliminate all but the 'Master Race.'"

"Observe the contradictory positions in which the propaganda machine has put the Anglo-Saxon, or Negro, or Japanese, who loves his own race and wants it to survive and do well: this racial loyalist is logically bound to be a friend or ally of every other race - anxious for it, too, to survive and prosper. Yet the Zionists, who want to destroy all but their own, have managed to put the onus of scare names on the man who loves the separate races. He is a bigot, a race hater, a white supremest, a white chauvinist, an 'Anti-Semite' and so on."

Williams continues: "The war is against us, but the Jewish strategists, apparently consider themselves to be a Racial Unit and have always been too smart to use the word RACE except in writing strictly for their own kind; Mr. Higger for instance speaks of his people as a 'race.'"

"Their appeal, analyzed, is exactly a RACIAL appeal, but - outnumbered a hundred to one by peoples of other races - they would be foolish to launch out openly on race war. Rather they
condemn as bigotry any thought of race while paradoxically quickening the **RACE** or **TRIBAL PRIDE** of their own people by constant talk of race bigotry and 'anti-Semitism' among people who oppose their program."

If you will take time to look around, you will see just how clever this strategy is. They have made the Whites, in particular, ashamed to stand up for the survival of their race, for fear that they will be called the scare name of "bigots."

But this same propaganda makes the Jews feel they are being attacked **RACIALLY** and this quickens their racial pride.

The International Jew has entered three major areas of racial struggle.

A Jewish leader named Higgers wrote a most revealing book entitled **THE JEWISH UTOPIA**. This book is a blueprint of the Zionist plan for world conquest. In discussing Higger's writings in the field of racial manipulation, Major Williams says, page 49 -"Mr. Higger's dream of world peace and the constant propaganda for peace by the Zionists are not to be taken seriously in view of his revelations of the plan for deliberately bringing about a mighty Armageddon - a war to make the world destroy itself.

"Peace probably is the dream of all races and tribes. But a study of racial history in Europe indicates that there would have been few wars, probably no major wars, but for the organizing of the Jewish peace propagandists to make the non-Jews grind themselves to bits. The supposition is permissible that the Jewish strategists want peace - after they subjugate all opposition and potential opposition."

"The question is - whose peace or whose wars are we to enjoy? Is man to be free to follow his conscience and worship his own God - or must he accept the conscience and God of the Zionists?"

**STRUGGLE OF THE ARAB VERSES THE JEW**

"The Jews have a right to subordinate to themselves the rest of mankind and to be masters over the whole earth.. This is the historic destiny of the Jews." - Harry Watch **A PROGRAM FOR THE JEWS AND AN ANSWER TO ALL ANTI-SEMITES** (New York Committee for the Preservation of the Jews, 1939, pages 99, 100.)

"All property of other nations belongs to the Jewish nation which, consequently, is entitled to seize upon it without scruples."

"An Orthodox Jew is not bound to observe the principles of morality toward other people of other tribes (races). He may act contrary to morality, if profitable to himself, or to Jews in general." From the **CHOSZEN HAMISZPAT**, 348).

If you have studied the Old Testament, you know something of the historical feuds between the Jews and the Arabs, but we are interested here, only in the current scene.

The State of Israel was wrenched with callousness and terror from the Arabs. The world stood dumbly by, especially the Christian world, while the Zionists with limitless international resources, exiled, murdered and tortured countless Arabs in order to make room for their Jew-Pharisee-Zionist nation. They believe that Jerusalem will be the world capitol of their satanic Anti-Christ government.

Very few voices were raised in protest from the Christian world, at their piratical venture. Instead, most of the fundamental and evangelical Christian world applauded the barbarians. Most protests were stifled by use of the two popular propaganda tools of the Jews, press control and financial control.

It doesn't take a brilliant mind to note the Pharisee-poisoned propaganda with which Americans have been "brain-soaked" as regards Israel. Note if you will the glowing adjectives which are used to describe the Israeli and the scurrilous words which describe the Arabs. When an Arab retaliates for some wrong done to his family by the Israeli he is a "terrorist," but when a Jew goes into Arab
territory and rapes, murders, and destroys, he is always on a legitimate mission of retaliation.

David Ben-Gurion, a former Israeli Premier said: "We would not have taken on this Arab War merely for the purpose of enjoying this tiny state of Israel.

"There have been only two great peoples: the ancient Greeks and the Jews. Maybe when the present process is finished we too will degenerate, but I see no signs of this degeneracy.

"We had a message to give to the world but the message was cut off in the middle. In time, there will be millions of us - becoming stronger and stronger - and we will complete the message." (Quotes from TIME MAGAZINE, 8/16/45page 25).

Professor Higger said: "The rebuilding of the city (Jerusalem) is part of the plan of the ideal country Zion. Jerusalem will be the capitol of Zion."

The hapless Arabs who happen to be unlucky enough to be in the way, are to be killed, dispersed and forgotten, just as have millions of other hapless victims of the Jewish greed for power and riches.

THE STRUGGLES OF ORIENTAL VERSES WHITE

Confrontation between the White and Oriental races was kept at a minimum until the International Jew arrived on the scene. As long as China and Japan kept their gates closed to foreigners, they were relatively safe from the greed of the Internationalists. They had their wars between each other, but as long as they remained out of the clutches of the Jewish leeches, they were relatively safe.

But as soon as the Jews began to arrive in the Orient, and they were among the first who came when the gates of the Orient were opened, they began to exploit the natural differences and the political grievances which existed between peoples. As they became more powerful, and as the Open Door policy expanded, the International Jew, the perpetual arch-revolutionist and enemy of all mankind, sneaked in and began his dirty work.

The Jews are noted for their long range planning and their advance planning can be seen in the Communist exploitation of the Orient. Long before the doors of China were fully opened, the British bankers, under control of the Jew Bank of England, began to prepare China for the "kill." They deliberately bilked China of the fruits of their labor, pushing many of them into economic chaos, starvation, and virtual slavery. They kept the majority of the Chinese people impoverished, downtrodden and economically subjugated. They were not allowed to go to school, for educated, intellectual people like the Chinese could become most annoying to the World Pharisee. So they prepared the Orient for the final "coup de grace."

When the day came that the International Jew was ready to use the Orient for his purposes, the barriers came down and American influence, under their Jewish master, came to China and Japan. Assisting in the demise of a free China were such Pharisee "prostitutes" as Owen Lattimore, Dean Rusk, and Secretary of State General George Marshall.

China fell to Jewish-Communism and the International Jew had at his disposal a huge nation, to use as he saw fit.

In PROTOCOL #7, of THE PROTOCOLS OF THE LEARNED ELDERS OF ZION, we read these prophetic words: "In a word, to sum up our system of keeping governments of the goyim in Europe in check, we shall show our strength to them by terrorist attempts, if we allow the possibility of a general uprising against us, we shall respond with the guns of America or China or Japan."

As China fell into Zionist hands, over 60-million Chinese were ruthlessly murdered.

When China finally succumbed, the traitors within our government, positioned the American 7th Fleet off Formosa, so that Chiang Kal Shek, a Chinese Christian patriot, could not launch an attack
against the communists.

In Japan, the hand of the International Jew is still quite visible. At the beginning of World War II, Japan had a strong and stable government under the leadership of Emperor Hirohito, so she was maneuvered by the internationalists into the attack on Pearl Harbor, while the traitors within the American Government, kept our Armed Forces from learning of the attack until it was too late.

The documented book, THE FINAL SECRET OF PEARL HARBOR, by Rear Admiral Theobald, gives the entire picture of this betrayal.

As the war in the Pacific dragged on, both America and Japan were weakened and drained of their national wealth, just as the conspirators had planned.

Then the atom bomb, a Jewish invention was dropped on Nagasaki and Hiroshima. The Jew controlled press never bothered to tell the American people that this was unnecessary, since Japan had sued for surrender~s before the bombs ere dropped.

Isn't this the meaning of PROTOCOL II - "The goyim are a flock of sheep and we are their wolves: you know what happens when the wolves get hold of a flock of sheep."

It is interesting to note that President Truman did not give an official order for the bomb to be dropped. He left this to others and the final decision was made by the Jew J. Robert Oppenheimer, a chief in the Los Alamos Laboratory, who was "hell bent on using the bomb on Japan."

It is also interesting to note that the two cities selected for destruction in Japan were not military complexes, but were primary Christian areas in Japan.

I could go on, showing this same insidious force for world control, at work in India, Tibet, Pakistan, Vietnam and Cambodia.

As this Century ends, we find the International Jewish, anti-Christ revolutionary, with his money, his press and his satanic designs for the One World government under the Anti-Christ. At an emergency Council. meeting of the European Rabbis in Budapest, Hungary, January 11, 1952, Rabbi Emanuel Rabinovich said:

"To convince you of the certainty of our leadership let me point out how we have turned all the inventions of the white man into weapons against him. His printing presses and radios are mouthpieces of our desires, and his heavy industry manufactures the instruments which we send out to arm Asia and Africa against him.

"Our interests in Washington are greatly expanding the Point Four Programs for the developing of industries in backward areas of the world so that when the industrial plants and cities of Europe are destroyed by atomic warfare the Whites can offer no resistance against the larger masses of the Dark races who will maintain an unchallenged technical superiority.

"And so, with the vision of world victory before you - go back to your own countries and intensify your good work until that appointed day wh--n Israel will reveal herself in all her glorious destiny as the light of the world."

THIS IS THE INTERNATIONAL JEW MONSTER AT HIS WORST!!!

The Struggle of White Verses Black

WILLIAMS, in ULTIMATE WORLD ORDER, page 51 -"The master Pharisee strategists know what they are doing to us.

They know that never in history have white and dark people mixed socially, that they did not interbreed - and never has such interbreeding reached advanced stages that it did not result in chaos
and general degeneracy with utter moral abandon, and crime rampant."

**HIGGER, THE JEWISH UTOPIA -**

"In the ideal year Israel will be peacefully united and no enmity of any kind will exist among them. Similarly, the leaders of Israel will be peacefully united in their responsible task of directing the fate of the historic people. Israel will consequently become the instrument of peace among the nations of the world."

**REVUE DE PARIS, 6/1/28, page 574, A letter from the Jew Baruch Levi to Karl Marx:**

"The Jewish people, considered as a whole, will itself be the Messiah. its sovereignty over the world will be reached by the unification (integration) of other human races, the elimination of frontiers and monarchies, which are the ramparts of particularism and by means of the institution of a world republic which will grant everywhere civil right TO THE JEWS."

There have been many claims made that **Freemasonry** comes from a Jewish origin. Since I do not have time to get into a long discussion of this at this time, I will give some quotations from well known Jewish and Masonic leaders. You make your own determination!

Benjamin Disraeli, Jewish Prime Minister of England in his book **THE LIFE OF LORD GEORGE BENTWICK:** "At the head of ALL those secret societies, which form provisional governments, men of the Jewish race are found."

**LA VERITE ISRAELITE, A Jewish paper, 1986, page 74:** "The spirit of European Freemasonry is the spirit of Judaism in its most fundamental beliefs; it is its ideals, its language, it is mostly its organization. The hope which enlightens and supports European Freemasonry is the hope which enlightens and supports Israel. Its crowning will be center and symbol."

**LATOMIA, 1928, Dr. Randolph Klein:** "Our rite is Jewish from beginning to end; the public should conclude from this that we have actual connections with Jewry."

Rabbi Isaac Wise, in **THE ISRAELITE OF AMERICA,** "Masonry is a Jewish institution whose history, degrees, charges, passwords, and explanations are Jewish from beginning to end."

Bernard Lazare in **L'ANTI-SEMITISM:** "It is certain that there were Jews around the cradle of European Freemasonry; certain rites prove that they were cabalistic Jews."

**TRANSACTIONS OF THE JEWISH HISTORICAL SOCIETY, Vol.2, page 156:** "The Coat of Arms used by the Grand Lodge of England is entirely composed of Jewish symbols."

**AN ENCYCLOPEDIA OF EUROPEAN FREEMASONRY, Philadelphia 1906:** "Each Lodge is and must be a symbol of the Jewish temple; each Master in the Chair, a representative of the Jewish king; and every Mason a personification of the Jewish workman."

**MANUAL OF EUROPEAN FREEMASONRY,** by Richard Carlisle: "The Grand Lodge Masonry of the present day is wholly Jewish."

**THE JEWISH TRIBUNE,** New York, Oct.28, 1927, Vol.91, No. 18: "Masonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic ritual and what is left?"

**JEWISH ENCYCLOPEDIA, 1903, Vol. 5, page 503:** "The technical language, symbolism and rites of European Freemasonry are full of Jewish ideas and terms. In the Scottish Rite, the dates on official documents are given according to the year and months of the Jewish calendar, and use is made of the Hebraic alphabet."

**THE FREEMASON,** quoting words of Albert Pike who was simultaneously Grand Master of the Central Directory of Washington; Grand Commander of the Supreme Council of Charleston; Sovereign Pontiff of Universal European Freemasonry: "That which we must say to the crowd is - We worship a God, but it is the God that one adores without superstition. To you, Sovereign Inspectors General, we say this, that you may repeat it to the brethren of the 32nd and 30th degrees."
The Masonic Religion should be, by all of us initiates of the high Doctrine. "If Lucifer were not God, would Adonay, (the God of the Christians) whose deeds prove his cruelty, perfidy, and hatred of man, barbarism and revulsion for science, would Adonay and his priests, calumniate (make false and malicious statements about) him? Yes, LUCIFER IS GOD, and unfortunately, Adonay is also God...the intelligent disciples of Zoroaster, as well as, after them, the Gnostics, the Manicheans, and the Templars have admitted, as the only logical metaphysical conception, the system of the two divine principles fighting eternally, and one cannot believe the one inferior in power to the other (this is gnostic dualism). Thus, the true and sure philosophical religion IS THE BELIEF IN LUCIFER, the equal with Adonay."

The Sovereign Pontiff of Freemasonry says: "Lucifer is God!" But most Freemasons say: "Christ is God!" Can the lines of the revolutionary struggle between Christ and the Anti-Christ be drawn more dearly? How true were the words of Jesus, when He said to the Pharisees, "Ye are of your father the devil, and the lusts of your father ye shall do," (John 8:44).

The PROTOCOLS, XI, 47, states: "For what purpose then have we intended this whole policy and insinuated it into the minds of the goy without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain a roundabout way which is for our scattered tribe unattainable by the direct road? It is this way which has served as the basis for our organization of secret Masonry which is not known to, and aims which are not even so much as suspected by, these goy cattle attracted by us into the 'show' army of Masonic Lodges in order to throw dust in the eyes of their fellows.

"God has granted to us, His Chosen People, the gift of dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world. "There now remains not much more for us to build up upon this foundation we have laid."

PROTOCOL II, 7 says: "The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy, and strong. We are interested in just the opposite . . . in diminution, the killing out of the goyim."

The place played by the International Jew in the subjugation of the Black people of Africa, has been one of satanic fury from the very begin-fling. It was the Jewish merchants of New England who brought the first Blacks to America and sold them as slaves to the Southern plantation owners. Yet it is a fact, which honest historians MUST recognize, that most of the Blacks who came to America as slaves, were far better off on the plantations of the South, than they would have been under Black control in Africa. (The same is true today, in every Black country which has come out from under foreign Colonialism.)

In 1860, a fratricidal (between brother and sister), war was begun in the United States over the issue of slavery. Our history books say it was waged because of the "insoluble economic problems - because no country could exist half-slave and half-free." But when the war finally came to an end, after five bitter years, the International Jew had accomplished his purpose. Abraham Lincoln, one of our greatest Presidents, who had warned against Pharisee money control and who had attempted to issue honest Constitutional money, lay dead of a bullet fired by a Jewish assassin, John Wilkes Booth, a Marxist Jew!

As this nation tottered and floundered after the war, the first Civil Rights acts took place in Louisiana. It was railroaded through the Legislature by the so-called "carpetbaggers;" the year was 1868.

Even though the Louisiana Civil Rights legislation ended in miserable failure, it was one of the first major steps taken by the Jews in order to control the South. There were many other highlights to follow.
By the time the 14th Amendment was railroaded through Congress in 1868, the South was in chaos. The 14th Amendment added to this chaos and brought incalculable damage to the United States. It helped change America from a Republic, to a Democracy, to a Socialist State. Look at the names behind the liberal legislation and you will find names such as Javits, Gruening, Ribicoff and a host of Pharisee stooges, sitting on what once was the most august legislative body in the world.

The Jews were behind the founding of the National Association of Colored People, more popularly known as the NAACP. Or as one wag rightly said: "The National Association for the Agitation of Colored People." The NAACP was begun by a Jew named Spingarn. It had a slow start, because the Americans of 1905 were still a rugged, free thinking people who had not yet been brainwashed by Jewish propaganda in the media and in their churches. From 1905 to 1965, two Spingarns, father and son, Joel and Arthur, headed this supposed by Black organization. The Vice President was another Jew, Rabbi Solomon In 1965 still another Jew. Kevie Kanlan took over this organization.

The purpose of this organization was "pure and simple," it was a Jew trick to incite the Blacks against the Whites. It had very little to do with helping Black people. One of it's brightest lights was a Marxist Negro, masquerading as a Baptist preacher, named Martin Luther King, Jr., He fooled the Whites to the point where we now have a National Holiday to honor this anti-Christ, anti-American. How have the mighty fallen!

In 1952, as reported by Major Williams in his book ULTIMATE WORLD ORDER, Rabbi Emanuel Rabinovich, addressing the Emergency Council of European Rabbis in Budapest (1/12/52) stated: "Our control commission, in the interests of 'peace' and 'wiping out racial tensions,' forbid whites to marry with whites. The white women must cohabit with members of the dark races - and white men with Black women.

"Thus the White race will disappear, for mixing the dark with the white means the end of the white man . . . our most dangerous enemy will become only a memory."

But all is not lost, for there are a few clear thinking Black leaders who know the truth and have warned their people about it. There was Archbishop C. C. Addison, representing the African Universal Church, who said: "The devil is the father of integration. God is the Father of segregation, and the devil is the father of integration.

"We informed Blacks are not interested in class rooms with other people, but rather class rooms in our own schools . . . INTEGRATION IS INJUSTICE TO SELF.

"You who seek to get away from Segregation tell God - your Creator - that you desire no part of Christianity, for Christianity is Segregation." "Come out from among them and be ye separate," (2 Cor. 6:17).

"Integration will move you into Starvation Street in the City of Poverty. For 300 years you have cried out against the crime of injustice and you are no nearer being heard than when you first raised your voice - because you have cried to Godless men - instead of to your Creator, Almighty God.

"Ask yourself this question. Did the AMERICAN WHITE MAN earn his freedom from the British Empire by begging for a seat beside a Britisher? Did he earn it through socialization? Did he earn it through so-called Civil Rights Legislation, enacted by the British Parliament? Did it come through some sort of 'Fair Employment Practice?'"

"None of these brought the White Man freedom; and none of them can bring it for the American Negro.

"The White Race can better help the Black by telling him the truth -not by flattering him into believing that he is a good as any White man -without first proving the racial, national, constructive mettle of which he is made. Help him to learn and understand that self-progress (under the guidance of Almighty God) brings its own reward. Stop exploiting the American Black. Stop feeding him the bread of deceit and guile. TELL HIM THE TRUTH."
This is what the International Jews does not want to happen!!!

**Random Questions**

These quotations come from the pages of a blasphemous book titled **THE BIBLE IN THE HANDS OF ITS CREATORS**, by the Jewish writer Moses Guibbory. It could very honestly be called **THE BIBLE IN REVERSE**. It is a complete negation of God's story of creation, His plan of redemption, and His determination to sanctify the human soul.

The Guibbory book was first published in Jerusalem, but its contents were so vile, that it disappeared from the book stores and now sells as a collector's item for $500.00 or more. It was copyrighted in 1943.

If Christians will not care to accept this opinion, they will have to say that Jesus commanded his disciples to steal the ass for he did not tell them to first secure the owners permission.

Who can guarantee that the believers in Jesus would not have killed him themselves, had he attempted to draw back from the crucifixion? He told his disciples this story of his death. He had to die, while the King-son of Kings will live forever."

Page 395 - "Jesus never appeared as a fighter. He did not even deliver the little group of Jews that lived in the Land of Israel in his days. For he was cunning, contemptibly so, and perverted and feeble to such an extent that he could not even deliver himself from crucifixion or from any other death, because he was a fraud and a man of deceit. His lust was to be king, his lust to be a god had so greatly overtaken him that he neglected the elementary moral duty, the public, the human duty -which can by no means be trifled with - to bring help, if not to the whole world, if not to the remnant of Jews . . . behold, at least to his own believers. He consciously led them astray."

Page 452 - "There remained nothing for Jesus to do but to follow in he footsteps of John the Baptist in the footsteps of a false prophet, and to throw himself to his cursed fate - death, that is, the crucifixion, and therefore there remained nothing for Jesus but to say that his kingdom was not of this world."

Page 510 - "Christianity prospered greatly...it promised prizes also to every committer of wrongdoing in every act of jealousy and wickedness, to every worthless person, to every man of insolence, if they would only believe, if they would only accept him. Jesus the son of a spirit, the lord of devils, as their god, as a forgiving god and not forsake him; if they would only believe that Jesus was crucified, suffered and took upon himself the punishment for all these, respecting each and every sin of all his believers as well, which might be committed by them in every generation to follow.. But this will never be! They have stumbled in their vanities."

Page 760 - "I doubt whether the Christians will want to say that the harlot who washed the feet of Jesus with oil - the gift of prostitution and the price of a dog', or which was bought with the money of her harlotry or stolen as a price of her harlotry from the one who refused to pay for the use of her body - and later wiped them with her hair.
"Jesus is not the Angel Gabriel, David the Prince. Therefore there remained nothing else for him to do but to rebuke his disciples concerning their attempt to withhold from him such a minor pleasure. For 'better is a living dog, than a dead lion'; it is better to be anointed on the feet by a harlot, and of her oil - the price of her fornication - than not to be anointed at all."

Page 928 - "... Behold, it follows that Jesus is the serpent, the Satan, known from the Law of Moses by the names 'Serpent' and 'Azaazel'. From which we understand (in Isaiah) that the 'Azaazel', the serpent, the Satan Jesus, carried the sins and transgressions of the whole house of Israel long before he appeared to be crucified..."

Page 930 - "Is it then possible that the Satan should be called by the name Messiah, servant of Jehovah? Of course he could! Did not the Satan, as a son of God, come to present himself before Jehovah among the other sons of God?" (Job 1:6).

Page 955 - "Consequently, Jesus is the false prophet. For Jesus was forced to give a purloined sign... and this only to those who believed in him, his disciples, and in his own name. For he never said, 'Thus saith Jehovah', as Moses and all the prophets of the Bible did in instances where they spoke in the name of God, Jesus desired to inherit the place of Moses."

Page 956 - "But from the fact that not in a single passage of the Christian document, where the utterances of Jesus are recorded, can we find the slightest hint of the word Jehovah in such form as: 'Thus saith Jehovah', but quite the contrary, we find only that Jesus, in his own name, and after him also the disciples of Jesus, in their names annulled everything that Moses had said in the name of Jehovah."

Page 1129 - "Therefore there remained nothing else for Jesus to do but to reap what he had sown, and from the height of the cross to cry out in despair 'My God, my God, why hast Thou forsaken me?' in order to receive the dominion over the nether-world and death, the gates of Abaddon, so as to cause all his believers to inherit them."

Page 1170 - I did not exaggerate in the least, when I said that the founders and creators of the Christian movement were absolute ignoramuses and charlatans.

Page 1500 - "... we are compelled to arrive at the very obvious conclusion that the father of Jesus was, in origin, a Roman, though according to the words of Jesus and his disciples in the document of Christianity, Jesus was born without a father."

Page 1503 - "Jesus changed the original names of his Hebrew disciples for foreign names, for Greco-Roman ones. Instead of 'Simon' there appeared a 'Peter' and instead of a Jew at first, a Greco-Roman, later just another human being, and in the course of time some sort of mixed breed without any source or root."

Page 1509 - "We learn, that of his father, thus also the origin of his mother was not in Israel seed, but in the seed of the Chaldeans, namely, that just as his father, thus also the mother of Jesus was not a daughter of Israel but a daughter of Chaldeans, a daughter of Babylon."

Page 1511 - "... he introduced himself as a bastard."

Page 1515 - "Jesus was and indeed had to be, slain not at the hands of the Jews, as it is convenient for our enemies to interpret the matter of the crucifixion of their god, but expressly at the hands of someone of his own sources, at the hands of gentiles."

Page 1518 - "... it is also possible to understand the matter of the disappearance from the tomb wherein he was buried... it is possible to learn from them that Jesus was not even stolen... simply cast outside to become dung upon the face of the ground as a carcass trodden under foot."

Page - "All the efforts of Jesus, and after his death those of his disciples, lead only to the goal of misleading the Jews from Jehovah, their god... in order that they should serve in his place the cursed idol of Christianity.
"This is the reason the documents of the Christians never mention the words 'Jehovah saith unto'... with which all the books of the Bible are blessed. For Jesus knew very well that he was Satan, as he himself inferred when by this name 'Satan' he called the man in his confidence whom he himself placed on his throne as his successor."

Page 1542 - "... we have already concluded concerning the origin of Jesus of Nazareth: they clearly show us that he was not of Israel seed, but specifically of the seed of Amalek, of that very seed against whom Jehovah has been waging war from antiquity unto this day."

Page 1877 - Here the author reveals that he was born in Russia and came to Israel for the mission of publishing this volume of hate against the name of Jesus Christ. (Need anything more need be said?)

Page 1883 - "We will exile them (Christians) from off their land, so that they too may experience the taste which the Jews have been experiencing for two thousand years. 'And I will scatter them among the nations and in distant lands they will remember us.'

After reading these scurrilous words against Christ and Christianity, can you imagine the howls of anguish which would come from Jewish sources, if a similar book against the Jews were ever published? Such a person would immediately be marked by the Anti-Defamation League and other instruments of Jewish tyranny as a "bigot" and would probably be liquidated.

By Brig. Gen. Gordon "Jack" Mohr, CPDL

"... without regard for race, color, creed, age, sex or national origin"

From what we have seen so far, and we have only scratched the surface of Jewish hatred for Christ and Christianity, it is indeed strange that the decrees of the Popes over many centuries, warning against the Jews, should be largely unknown among the Catholic clergy today; while the warnings of such men as Martin Luther, have for the most part been expunged from the libraries available to Lutheran pastors.

A deeper study of Judaism would bring us to the conclusion that it is largely "Gnosticism", which is a system of theology and philosophy that far antedates Christianity. Magic was an important part of the doctrines, largely of Jewish thinkers. They were kept secret and were not openly discussed. A considerable part of Jewish Gnosticism is still in existence but in modified form. Gnosticism is neither pure religion or pure philosophy, but a combination of both and is regarded as legitimate by Judaism. (See the Jewish encyclopedia, pages 681-682; 283-655.)

Tied in very closely with this Gnosticism in the use of black magic, sometimes referred to as the "Cabala." In this, the adherents believe that God created the universe by means of letters of the alphabet combined in certain ways. If one were able to learn this combination, he could easily become the Master of the Universe. Amulets made of the skin of a fetus on which magic words were written were worn. A favorite sign of the Cabalists is the Star of David with a short prayer written on it. The Testament of Solomon brings to light a whole system of angels and demons and how evil spirits may be exorcized. They believe in the black magic art of healing and teach that Jesus learned magic in Egypt, and that these tricks were His miracles. (See Jewish encyclopedia, Page 171.)

When Judaism is brought down to its simplest element, you will find that the ultimate object of its hatred is Christ and Christianity. The target of this intense hatred, is not just gentiles, the non-Jew who the Talmud says are "like an ass.. slaves who are considered the property of the Master," (Jewish Encyclopedia, Page 621), but Christians. The language of the Talmud is literally exhausted, finding loathsome names for Christ and Christianity.

In the Jewish Encyclopedia (page 170) we find that "Christian churches are likened to tents of Baal
prostitution with old women outside, young ones inside, get customers drunk and disrobe and worship the idol."

These hated Christians are planted in Hell for eternity under a deluge of "boiling excrement." The Talmud describes four horrible deaths for Jesus, one is that He was to be lowered into dung up to His armpits, while a hard cloth was placed within a soft one and wound around His neck in opposite directions so as to strangle Him to death. (See the Talmud, SANHEDRIN, MISHNAH, pages 349 and 356; YEBAMOTH, page 6B; SANHEDRIN, pages 106a and 106b.)

The bloody, the sadistic, and the obscene are the darlings of the Talmudic "synagogue of Satan" mentality, an appetite which is never satiated. To deal in unnatural filth and sexual matters is the core of Talmudic scholarship.

You may ask. Why is a discussion of this filth and perversion necessary today? Why even bring it up? Why all this arguing about camels, asses, lions, the number of pubic hairs, etc. The point is, this filth is still being practiced today in Judaism, it has merely been brought "up to date." The ancient rules merely show how the Jewish mentality operates, the usual "big deal about nothing."

Some Christians will say, "But the Talmud is being phased out of modern Judaism?" Would God that it were so, but it is not. The colleges for the study of the Talmud are increasing, especially in America, where the Jews finance two great colleges, the Hebrew Union College of Cincinnati and the Jewish Theological Seminary of America in New York City. In both these schools, the chief topic of study is the Talmud and its post-talmudic literature. A network of schools has been founded in America, coast to coast, for the purpose of teaching young Jews the writings of the Talmud.

The Talmud, exists today, my "brainwashed" Christian friend, and not a word has been changed since it was first written. There have been no "modernized versions as in the case of the Holy Bible. Compare the premise of the Talmud with that of the Bible. Now we have God as a female, or even a "non-person." Christian clergymen in the Council of Churches, blithely change the Bible, with the help of Jewish scholars, of course, to suit the whims of their "brainwashed congregations." When will White Christians wake up to the manipulation of our race at the hands of the Jews? WHEN IT IS TOO LATE?

What has been the purpose of these pages of charges and countercharges? Why have we gone to the mouth of Judaism for our answer? It is because the Christian world is today facing destruction at the hands of these anti-Christ. My purpose in writing this book was not to stir up hatred of the "little Jew," the one you and I usually rub shoulders with; the one who runs the local clothing store or the corner delicatessen. It is to show you the conspiracy that is underway to destroy everything you say love and which in many instance, your church is supporting. What purpose is served by burying your head in the sand? What purpose of Christ and humanity is served when your pastor deliberately shuts out all facts and refuses to listen to the truth, as he leads you down the pathway to destruction? Don't be fooled, my Christian friend. You are not going to be "RAPTURED" out of this mess that your apathy caused in the first place. The warning of Galatians 6:7 is applicable to you and you will not be able to escape by some magic formula such as a RAPTURE. "Be not deceived, God is not mocked; whatsoever a man soweth, that shall he also reap." You will not escape the results of your apathy. I tell you this on the authority of the Word of God.

When a well-known European Jew says: "The meaning of history in the last century is that today 300 Jewish financiers - all masters of lodges - rule the world." OR "Three hundred men each of whom knows all the rules, govern the fate of the European Continent . . . These Jews have the means in their hands of putting an end to the form of any state which they find unreasonable." You better believe it!

Now is not the time for "sunshine patriots." For whether you want to believe and accept it or not, the Christian world is engaged in a battle to the death against the forces of the anti-Christ. We will
either "stand on our feet like men, or die on our knees as slaves." We may die on our feet, oh yes, but we will die as free men. In the words of Patrick Henry: "I know now what course others may take, but as for me, GIVE ME LIBERTY, OR GIVE ME DEATH!"

Now I believe before we drop this subject, we should discuss briefly, the major arm of the Talmudic conspiracy in the United States. The Jewish lodge of B'nai B'rith (the Sons of the Covenant). It is a super Masonic Lodge into which no goyim, masonic or otherwise can ever hope to enter. Its activities are much more open now, than at any time in th--ir history. It was founded in 1843 as a purely American institution, although Ludwig Lewisohn, one of its leading members said in 1937: "The B'nai B'rith represents Jewry throughout the world."

These lodges sponsor forums and other active discussion groups, on problems of the day and cultural matters.

However, the dirty work of the B'nai B'rith is carried out in their' super-secret workings, which are hidden from goyim eyes for a specific' purpose.

You can understand the dangers posed by this powerful group however, when you look at its "enforcement arm," the ANTI-DEFAMATION LEAGUE, popularly called the ADL. It was created in 1913, that same year when other Jewish disasters such as the Federal Reserve System was foisted off on an unsuspecting Gentile public.

Its heavily staffed national headquarters in Chicago knits together branches in every major United States city and they spend hundreds of millions of dollars yearly, working as a Jewish Gestapo within the confines of supposedly "free America." They terrorize the "little Jew" by constantly bringing up the bogeyman of the "Holocaust," and page after page of their literature shows pictures of lynchings, (although I know of no American Jew who has ever been lynched), and of course of the hated Nazi swastika. The implication is that most of the German people in America are transplanted Nazis. (They still hate all Germans with an unholy hatred.)

The ADL is a Jewish Gestapo, a prodigiously strong, intensely evil and limitlessly financed Gestapo. Today, whenever any "Right Wing" group is attacked in the Press, almost without fail, somewhere in the article will be a statement by some head man in the ADL, pronouncing the group dangerous to the health of Americans.

The activities of this vast network of Jewish spies is varied and they are ever alert to anything which might upset the plans of the International Jews. In a confidential letter sent out to editors of newspapers, a few years ago, they called on these thousands of Americans to persuade them, or hint to them, that it would be better if they did not publish anything that would displease the League. They were not even to report the contents of speakers who were on the ADL blacklist.

The editor of one of America's great dailies is reported to have said that ADL representatives called on him and requested that the newspaper should never mention certain men in a favorable light. The editor, recognized that they could withhold enough advertising to destroy and bankrupt him and that then they would smear him and force him out of the city. On numerous occasions the ADL has demanded that the Federal Communications Commission investigate and ban certain radio commentators whom they accused of being "anti-Semitic." On one occasion, a nationally known commentator was hounded off the air, because he was accused of being a transmission belt for "nationalistic propaganda." (You see, if you are loyal to America; if you are a patriot, you are automatically branded as being anti-Semitic.) In short, if you are for America, then you MUST be against the Pharasaic One-World Government. Amen!

The ADL is the investigative and prosecution arm of the B'nai B'rith. It seeks to silence all critics of Judaism. Anyone who raises their voice or pen against the international goals of the B'nai B'rith, are branded by the agents of the ADL as "anti-Semitic."

It has complete dossiers on every patriot in America. When I was lecturing in British Columbia in 1984, under the sponsorship of the CANADIAN LEAGUE OF RIGHTS, I was hounded from
night to night by agents of the ADL. They had a record on me three inches thick, going back to
privileged information in my service record from thirty years ago.

They carry on programs of constant vilification and defamation against any person or organization
with whom they disagree and have become so powerful in recent years, that for all intents and
purposes, they are now an official arm of the United States Justice Department.

They supply script material and guidance to the Nation's press, radio and television networks and
furnish educational aids to thousands of schools throughout the United States. They furnish
speakers, handbills, cartoons and other propaganda material to clubs, schools, veteran organizations,
churches, newspapers and magazines.

They propagandize incessantly for the United Nations, Israel and One World Government. They
seek to by-pass the First Amendment of the United States and abridge the freedom of speech and
press for anyone who disagrees with them. They have become so powerful in Canada, that they
have passed laws which make it a crime to criticize a Jew.

Financial control of every major nation on earth is now in the hands of a sprawling, interlocking,
Jewish family which spans continents and national lines. The control branch of this family operates
under the name of ROTHCHILD.

It is interesting to note that men who finance Washington (such as Lehman, Seligman and
Guggenheimer) are related by blood and marriage to those who finance Moscow (Schiff,
Rothschild, Loeb), to those oriental branches such as the Sassons, and the Latin branches such as
the Montefiores.

In Louisiana for instance, the Sterns are related to the Nawgasses of London, who are related to the
Lehmans of New York, who are kin to the Strauses, Altschuls, Guggenheimers, Buttenweiser, and
Loebs.

The Loebs are related to the Schiffis of Kuhn, Loeb and Co., who are related to the Warburgs of
Kuhn, Loeb and Co., who are related to the Rothschilds who own or finance most of the big
companies in the world. The Schiffis (of Moscow and New York fame) are also relatives of the
Adlers, Oppenheimers, Westheimers, Ginzburgs, Geigers, Glogaus, Mannhemins, Hanaus, and the
Zunzes in various parts of the world.

The Adlers are related to the Wormess and the Rothschilds who are related to more Rothschilds
since they like to marry cousins, but are also related to the Montefiores, Goldschmids, Grammons,
Wagrams and the Sassoons of India.

We could go on and on. No wonder they are powerful. (The above information comes from the
THE COUNCILOR, 3/15/63.)

* * * * *

There have been many anti-Communist organizations which have appeared on the American scene
since the end of World War II. How do they fit? Men like Nicky Khruschev, the Russian alcoholic
with his third Jewish wife - the Kremlin, which we are told is the center of communist intrigue,
although any knowledgeable person knows this center is in New York City - Fidel Castro, the
Cuban madman, who was brought into power by the Jews in control of our State Department and of
course, there were a variety of enemies that were presented to the gullible, brainwashed,
uninformed American public, to keep their mind off the relentless march of the Zionists towards
world control.

The Pharisee control of the press has made it easy for him to set up "straw men" enemies and many
of the "anti-communist" organizations have been interesting to behold.

There are many true patriots and anti-Communist fighters in the United States, but mingled with
these is a host of fools, boobs, do-gooders and dupes, who believe everything the Pharisee propaganda media gives them in the press, radio and television. Many of these have really no idea of what communism is all about. By their stupidity, they have played into the hands of their worst enemies. This has been especially true of the Christian church.

The worst of all these groups were the ones organized by pharisee agents, posing as conservatives, or who infiltrated organizations already in operation, destroying many.

PROTOCOL XII, 3 states: "Among those making attacks on us will also be organs established by us - but they will attack exclusively points that we have pre-determined to alter."

Probably one of the most effective Jewish organized anti-Communist organizations is the CHRISTIAN ANTI-COMMUNIST CRUSADE, headed by an Australian Jew named Fred Schwartz, M.D. He claims that he gave up a lucrative medical practice in order to devote himself to the fight against Communism. He constantly plays the theme of "money, money and more money," which he milks from unsuspecting Christians in large quantities.

But a careful observer can see the Zionist control behind this organization. For instance, in Volume V, Number 6 of the Schwartz bulletin is a headline U.S. NOT A CHRISTIAN NATION! This of course is one of the most important propaganda tools used by international Jewry.

On another occasion Schwartz stated that "the true pathology of communism remains a mystery to most people." How true, when "most people don't know that it was created by Jews."

Schwartz brags about his record being completely free from the slightest tint of "anti-Semitism." He says: "On scores of occasions I have publicly denounced attempts to associate Communism and the Jews. As a Christian I have acknowledged the great debt all Christian owe to their Jewish heritage. Every Christian MUST love the Jews. Our Lord was a Jew. (The greatest blasphemy of all.) Since my father was born into a Jewish family, I have special gratitude to the Jews."

Isn't it interesting to note that Schwartz, the "Christian Jew," furthers the Communist-Jewish line, that "Anti-Semitism is evil and criminal, and that Christians owe a debt to the Jews." History teaches us, quite clearly, that without Judaism, there would have been no Communism. Let me remind you once again of the statement of Rabbi Steven Wise in 1923: "Some call it Communism; I call it Judaism!"

How long will it take for Christians to realize there is no such freak as a "Christian Jew." You can't be both a Christian and a Jew; you are either for Christ or against Him; a "man cannot serve two masters." I could give you many other examples of how this man has supported the Jewish program of world control. The Bible which Fred Schwartz claims to believe clearly states: "Be ye not unequally yoked together with unbelievers..." (2 Cor. 6:14).

Probably one of the slickest of all anti-Communist organizations is the JOHN BIRCH SOCIETY. I really hate to say what I am going to say about this organization, since I was a dedicated member for over ten years and was on their AMERICAN OPINION SPEAKER'S BUREAU during that time. They had me fooled for a time and when I began to realize what was happening, I didn't last very long with them, as the top echelon in Belmont put the heat on me to keep my mouth shut.

I have no argument with the Society for their education program and I learned much from their material. I have never bad mouthed them, although I thought I got a "dirty deal" from the top echelon. But it's necessary that the truth be made known and the Birch Society has siphoned off countless hours of hard work, and millions of dollars in patriotic money, without ever hitting at those who stand at the base of world communism. There were a few people in the Birch Society who knew that the International Jew was behind Communism and that they were the real enemy, but they were intimidated into keeping quiet about it.

But when you see the Jewish influence in the top echelon of the Society, in the "organizing Council
of the JBS" and the Jewish money that is poured into the Society, you understand that possibly, here
again, is an organization that was set up by International Judaism as a neutralizing force for
patriotic Americans.

The experience of many Birchers was similar to mine. I first ran into trouble when during a
Question and Answer period, following my lecture, the question was asked: "What do you think of
American support for Israel?" My answer was: "I think the time has come when right thinking
Christian Americans need to take a close look at our open check policy of aid to those who hate
Christianity." I was called on the carpet for this remark by Robert Welch himself and was told that
under no circumstances was I ever to mention Jews in connection with Communism. I refused to lie
to my people, when I knew the truth, and shortly afterwards I was out.

Another member said: "In May, the coordinator for Western Washington visited our city and we
visited for about two hours. During that time I made it quite clear how I felt about the Satanic
conspiracy and who was behind it. Needless to say, the last of June I received my skid sheet,
without any explanation as to why I was removed. However, through the grapevine, I found out that
since I was Anti-Semitic, I was out!"

Here is another. "The January JBS Bulletin was the straw that broke the camels back. If Welch
would just keep his mouth shut about the Jews, not saying anything pro or con, I think I could have
stayed, but he insists on welcoming them in, going out of his way to do so..."

Here is another: "As a Christian I am forbidden by my Lord to be joined in any way to those who do
not believe in Him . . . Do you know any self-proclaimed Jews who proclaim Jesus Christ is come
in the flesh? For that matter the head of the Society (Welch - JBS) professes only what most people
term humanism or naturalism, both of which are paraphrases of most Asiatic beliefs in deity,
including so-called Judaism . . . If the Birch Society is not openly, avowedly, energetically pro-
Christian, it will fail utterly in what it says its aims are. It cannot be pro-Christian and pro-Jewish at
the same time."

Mr. Welch, in his book THE NEUTRALIZERS, tried to show that Castro was not Jewish. But it is
interesting to note, that the JEWISH TELEGRAPHIC AGENCY, THE JEWISH SENTINEL
on Jan. 5, 1959 wrote: "The rural forces comprising the cadre of the Castro army . . . were bearded like
Biblical prophets and looked much like the Haganah of pre-independence Israel. There were
Sephardic Jews from Santiago who proudly wore the Mezzuzah . . . Max Lesnick, whose father is
Jewish, is leader of the Castro youth group."

When one of America's greatest columnists, Westbrook Pegler wrote a feature article for the
AMERICAN OPINION MAGAZINE, of the JBS he made reference to Jewish intrigue and
dropped innuendos that offended the Jews . . . Of course Pegler knew that it was the Jews who had
him kicked out of a great newspaper syndicate. But Robert Welch, head of the J.B.S. wrote a letter
of apology to the ADL; the letter was run in the ADL Bulletin, and Pegler was finished as an
American Opinion writer and largely as an American columnist.

Some smart operators have seen the rapid decline of the American Republic as a means to "make a
buck" fighting Communism. Like rats leaving a sinking ship, they have lived off the fear of the
American people. They are like the Jerry Falwell's, the Jimmy Swaggart's and the Pat Robertson's
who have seen a way to make a fabulous amount of money off Christians, by supporting the Israeli.
Unfortunately, there are many other organizations which are being used to take America down the
path to national destruction, all cleverly being used by the internationalists and often funded by
them from behind the scenes.

* * * * *

I have painted a terrible picture of the calamity that is facing America. Some will ask: "What chance
do we have in the face of these odds." Others will say: "They are too strong; there is nothing we can
do now; it's too late!" I refuse to believe this.
To these, I refer back to past history. To a man named Hannibal. They said to him: "Hannibal, you can't get your war elephants through the mountain passes into Italy in the middle of the winter," but he did it anyway. They said to George Washington at Valley Forge: "George, there is no possible way that you can take your little 'rag tag' army of farmers and clerks, many of who are not even armed, and cross the river in the middle of the winter and fight the finest professional army in the world." But George got off his knees, where he had been praying in the snow at Valley Forge to lead his little army to a magnificent victory at Trenton.

Then I remember that terrible winter of 1951 in Korea, when the U.S. Marines were cut off at a place called the Chosen Reservoir. They were surrounded by the Chinese Reds, outnumbered 30 to one, the temperature was thirty below and they had little or no hope of getting out alive. But General "Chesty" Puller called his men together and told them: "Men, we have the enemy where we want them now, we can shoot in any direction." And they fought their way out, bringing their dead and wounded. This is the kind of spirit that has made America great; this is the kind of spirit that has kept America great, and this is the kind of spirit, that with the help of Almighty God, will bring America back to the place where God wants her to be.

But to do this, White Christian Americans will have to learn who they are and who the enemy is. Once they know they are the Chosen People of the Old Testament, and the International Jew is their enemy, they will be able to look at their responsibility before God. That of obeying His Law. Once they get this through their "thick" heads, they can then start doing things God's way, instead of trying so hard to "do their own thing." Then and only then will we reach the place where God wants us to be.

In 2 Chronicles 7:14, we find the formula for the survival of Christian America. Very few Christians want to follow it. It says very clearly: "If my people, which are called by my name (this could not possibly mean the Jews), will humble themselves, and pray, and seek my face, and turn from their wicked ways; THEN WILL I HEAR FROM HEAVEN, AND WILL FORGIVE THEIR SIN, AND WILL HEAL THEIR LAND." (Emphasis mine.)

But first before we pray, we better get into a right relationship with the King. Many Christians seem to feel that they can reach God any time they want to. They believe they can live like the devil six days of the week, then become AlkaSeltzer Christians who go to church on Sunday and "fizz for an hour," and that's all that is required of them. (No wonder we have lost our power.) But the Bible clearly tells us that God does not even listen to the prayers of these people. Turn with me to Isaiah 59:1, 2 - "The arm of the Lord is not shortened that He cannot save; (He has not lost His strength) neither is His ear heavy that He cannot hear. (He has not lost His hearing) But your iniquities have separated between you and your God, and your sins have hid His face from you THAT HE WILL NOT HEAR." (Emphasis mine.)

There are some of our Identity preachers who tell their people that all that is necessary to get into the Kingdom is to be white and of the Israel race. This is a lie out of the pits of hell! This is why Jesus told Nicodemus, a good Israelite, in John 3:3, "Nicodemus, if you want to even see the kingdom of God, 'Ye MUST BE BORN AGAIN!' " How we hate that expression! But it is a good Biblical expression and one we better heed.

You can be an Israelite and never make it into the kingdom. There is a personal relationship you must have with the King. First you must come to Him with a contrite heart and ask His forgiveness for His laws which you have often knowingly broken. When you receive this forgiveness, and the Bible tells us that He will forgive (I John 1:9), then we need to pledge our "fealty" (Loyalty) to Him. "King, from now on, I am your man/woman, boy/girl. I will love you and serve you to the best of my ability and will be true to you, even to the death." When this happens, then you become a true "child of the King:" you can come to Him in prayer, and He has promised to HEAL OUR LAND!

As troubles multiply - and they will; I cannot paint a picture of a rosy immediate future for you, as much as I'd like to. I cannot in all honesty say that Jesus will come back and take you out of this
mess that you and I are responsible for, for He WILL NOT! But He has told us, Luke 21:28 - "When these things (the wars, famines, earthquakes, pestilence, persecution) begin to come to pass, then look up, and lift up your heads; for YOUR REDEMPTION DRAWETH NIGH!" Relief is in sight, my friends, if we are willing to accept it.

Why don't you get into a right relationship with the King right now and begin this all important process of bringing about His return?

"The ways of peace they know not; and there is no judgment justice) in their goings: they have made them crooked paths: whosoever goeth there in shall know no peace," (Isaiah 59:8)

". . . they please not God, and are contrary to all men," (1st Thessalonians 2:15).

The following is a speech which was given by Mr. Benjamin Freedman of New York before a military organization in Washington, D.C. It is presented here as it was originally delivered in 1974.

Introduction by Col. Curtis B. Dall: Briefly, I will add a word or two about my old friend, Ben Freedman, I consider it an honor.

I was initially introduced to him as a sort of, well you meet a fellow, but I'm not so sure about him -he may be a sort of a Trojan Horse. Well, I said, let me make up my own mind. In the years that have followed, I make up my own mind I spent many happy evenings with him and his wife, Rose, who is not with us anymore. When Ben was over twenty-five -and, as I say, he comes from a very distinguished Jewish family in New York. When Ben moved over into the areas of Christianity with Rose, it took a great deal of courage. "Guts," is the name in the Marine Corps, for what it took. Ben has been ostracized by many of his friends for believing that this Country had objectives and ideals that did not appear in the minds of some of our alien citizens.

So, it is with great respect and honor, I say, this gentleman is a world scholar in the areas which he will touch upon. It is my great pleasure, as a member of this fine military organization, to present the honorable Benjamin Freedman, of New York.

Mr. Benjamin Freedman: "I am very honored to be here. I don't know how to start to thank Col. Dali for making it possible for me to address you. But I hope that things work out so that you will feel grateful to him. And if you will try to make a little use of the information I can give you, you may be very helpful in saving this country from the fate which has befallen Great Britain and, maybe the Soviet Union (Czarist Russia). We are in a very serious state at the present time. I've just returned, within the last four weeks, from an extended trip in what is known as The Middle East. I am very friendly with the heads of the government, the rulers who know me for 25-30 years, who talk to me and treat me, as a brother. I stay with them at their homes, and we call each other by our first names.

Now, all I can tell you is that what I am going to tell you may not make you feel any more comfortable. But the less comfortable you are after hearing me, the more chance you will exert whatever influence you can to save this country from a fate it doesn't deserve. After the men I see here get to know their records, what they have done to pull us out of the ditch, once, maybe twice, I don't think it's fair to these men to see us now, dragged down into the sewer of history - which is where we are bound to go, if things deteriorate - that really is not the word, - if things degenerate at a more rapid pace than they have been degenerating the last ten or fifteen years.

Now, before I make this talk, I would like to call your attention to one thing. I am going to use a word, you hear the word, you read the word, and you use the word, Jew, as though it is something that could be weighed and felt, has a background. I'm going to use that word, although I never use it in my own personal affairs or in my private life. Now, I want to explain that Dr. Samuel Johnson wrote the first English Dictionary in 1797. That's only a few years from 1800, which isn't so very long ago! It consists of two thick volumes. And it has possibly every word that was then used in the
English language. I have shown that to many important people in all walks of life, and they were amazed, because when I told them what I am going to tell you now, they didn't believe me. So I acquired these two books - cost a little money. They're first editions, rare!

In that book, in those two volumes, the first English dictionary ever published by Dr. Samuel Johnson, (about whom, many of you know) the word, Jew, does not appear! The word, Jew, does not appear! That word was coined, forced on you, stuffed down your throats by control of all the media by the people who are interested in leading you to slaughter. The word, Jew, did not appear. They say Shakespeare used it. They cite all the people who used it. It did not exist. I don't want to go into that, now. I don't want to give you a discourse in philology. We have something more important. But I am going to talk about that word, use it; but I want you to know that I never accepted it, and more than, let's say, the people who refer to artificial silk. Well, artificial silk has certain handicaps. I imported it, when it first came out. It was made in Germany, and it was called artificial silk. And it had a repercussion. People didn't like to buy something that was artificial anything. So the manufacturers got together and they awarded $25,000 as a prize to anyone who could get up a good word to use instead of the word artificial silk. That prize was won by somebody who coined the word, "rayon." Today, people talk about rayon as though it existed from the beginning of the world, as though it always existed. "Rayon" is a modern word and the man who coined it was paid $25,000.

The word, "Jew," was coined for a purpose by the people who got us into two wars, who laid a trap to get us into a third one, and who have practically taken over the control of the world, especially the control of this country according to Senator Fulbright and others. So it's about time that you learned the basics and did something about it. I am certain that, unless something is done to change the thinking of the 200,000,000 U.S.A. Christians, that this country is headed for disaster! There are 200,000,000 Christians in this country who have been brain-washed, from morning to night, by radio, press, television, motion pictures, every media - the mass information has been used to deceive you into believing things that they knew were deliberate lies and part of their scheme to brainwash you. One of them is the word, Jew!

Now, in the Middle East, you know the situation. The United States has been supplying, since the end of World War II, 32 billion dollars of the taxpayer's money. 95% of that 32 billion dollars was used by the Congress of the United States, after you paid that money into the Treasury, to make the United States the accomplice, the ally, of thieves and murderers; to aid and abet them to hold on to their stolen loot - territory that they acquired by invading Palestine and driving the indigenous population out of the country that they had inhabited for 2,000 years!

Now you were taught by the Christians; you are taught by your ministers, by your priests, (and Dr. Ellson, here, God bless him, knows how I've been fighting, and he did as much as he could, over the years, to make it possible for me to succeed) . . . You have been told that it is your Christian duty to help repatriate God's Chosen People to their promised land. You have been told that by every media of mass information, including the pulpit, including every other means by which they can shape your thinking: "That it is your Christian duty to help repatriate God's Chosen People to their promised land."

Now, I'll tell you what a lie that is! I can cite the sources here that I've consulted, maybe 234 official documents, maps, books, and other records, but the best is one that I found in the last few years, The Encyclopedia Britannica, the 1911 Edition, Volume 15, three pages, define the word "Khazar." Three pages! Now, that book was published in 1911, in London, and it probably took twenty-five years (whoever compiled that information) to accumulate it. It's the research of many people. Many of the sources of information are mentioned at the end of the article. But you will find that the Khazars were an Asian nation; they were a Mongoloid, Turko-Finn tribal nation in Asia. And they had so much trouble with the other nations there, who finally succeeded in driving them out of Asia, across the border, into what is known today as Russia, in the area of the Ukraine. They found, there, a lot of peaceful agricultural people, mostly Slavic, and they conquered them. They did the same
thing then as they are still doing in the Middle East! They took them, for no reason at all, except the people weren't trained to fight! They established there, the Khazar Kingdom.

Now, those three pages in that Encyclopedia Britannica, Vol. 15, the 1911 Edition tells you who they are, how war-like, how savage, how barbarian they are, and that they succeeded in sweeping across Europe to the gates of Paris, and to Finland. They controlled all Europe - these Mongols known as Khazars! They did that from maybe the fourth century to the ninth century. And they were the most brutal people. They enslaved these people and exacted tribute from them, while holding them under their control - practically all Europe. Until in the 8th century, a man by the name of Rurik, a Varenian, who came from across the water, from what is known today as Sweden, - he organized these people. They were living as people interested in agriculture. They didn't want any politics, they didn't want nations or governments. But he saw what they were subject to, this treatment by their Khazar conquerors. And he organized the principality of Rokh, which became the Russian Empire. He organized them, and started to drive these Khazars back. And he finally succeeded to where they came into Europe for the first time, in the area of the Ukraine, where they continued their Khazar Kingdom.

Now, they were Phallic Worshipers. Anyone who doesn't know what Phallic worship means, I am not going to go into detail, but they were Phallic worshipers and they were so degenerate that when the king, their ruler, heard that there were such things as monotheistic forms of religious belief, (Christianity, Islam, Judaism) he sent for representatives of the three of them, and asked them to tell him the merits of their faith. And after listening to them, like a child would play "Eenie, Meenie, Minie, Mo" to pick out the one that they favored, he listened to the three of them, and said, "I'm going to become a Jew and adopt the religion known today as Judaism."

So, he compelled his entire nation, (which at the time had a population of maybe 18 or 20 million people, and extended to the heart of Europe), they had to become members of that religious belief. He sent to two Talmudic centers in the Holy Land, and he brought up religious leaders, (whether you call them rabbis, or what, it makes no difference). And he compelled the 4,000 nobles (they had a feudal system) to adopt that faith and it became the official faith. They built thousands of schools and so-called temples, or places of worship. That is how the people of Eastern Europe became what we know today as Jews.

I have with me, now, a circular that I received in the mail last week, the March of Dimes put it out with the assistance of the Rockefeller Foundation, and they recite the whole thing; because they have found, in recent years, that the Khazars are carriers of a disease that no other people in the world have. Here's the circular that they got out. It's called, "Kasak Disease." I have known about it for years. The New York News newspaper had a full page on it, called "The Jewish Disease." They explained the whole thing, so I went into it, investigated it, and gave a little money to one or two clinics that were trying to do something about it. The Eastern Europeans, of Khazar ancestry, known as Jews, are carriers of this Kasak disease. When one Khazar marries another Khazar: (I don't say so, Mt. Sinai Hospital, the Jewish Memorial Hospital, the Rockefeller Foundation, they've all done a lot of work on it. They published these figures and these statistics . . . ) that one out of four children, when one Khazar marries another Khazar, or of that ancestry, that child can't live beyond three years. And the death that that child suffers is too miserable to describe to you. Out of the others, two of them become carriers, and one is clear.

Now I have maintained, after listening for twenty-six years to every meeting of the United Nations... (I attend, and I sit there, and I hear these representatives of the so-called State of Israel, talk) . . . I've been saying for many years, before I even knew about this, - they must be crazy! How can they say those things before the representatives of 131 other nations? How can they say that? Have they no shame? But, I found out they are suffering from this disease.

So then, to sit there, and tell the world, officially, in the United Nations, that they are God's Chosen People, and that it is the Christian's duty to repatriate them to their homeland, when they know who they are -
Now, those are the people that again went on the war-path, and they are now up to their old tricks
and have been, because after this Russian Empire expanded, they conquered the Khazar Kingdom,
and incorporated the people and the territory in the Russian Empire, and the so-called Jews in
Russia, who were then the orthodox Jews, we'll call them, ... Russia had become a Catholic
country, under Vladimir the 3rd, in 986 ... they couldn't get together on anything. Now, what
happened? They have been at war ever since. And after the 11th century, when they were
conquered, they pledged that they would never accept that conquest, that they would keep on
organizing and revolting to again declare their independence and set up their Khazar Kingdom. That
was in the 11th century! They have been fighting the Czarist regime, ever since, and I don't want to
go into detail, but I can give you plenty on that subject, and no one can deny it, because I can give
you chapter and verse of hundreds of books, maps that I've taken, had photostated, all over the
world, in the public libraries and museums. Now, you have these people, organized, and all of a
sudden, something developed. The last revolt that they started was in 1905. According to the
Encyclopedia Britannica, under the word, Bolshevism, one of the five rules for their revolt was:
Never start until the armies of the country are engaged otherwise. And in 1905, when Russia was at
war with Japan, in the Far East, they started their last revolt, - and they were slapped down, like
every other one since the 11th century.

That's where I come into the picture. - I wasn't alive in the 11th century, though! But, what I am
trying to tell you, though, is that in 1905 they took this terrible licking, like, here.

So, we had a President in Washington, Mr. Taft, Mr. Jacob Schiff, of Kuhn, Loeb & Co., the bankers
in New York who are the arm in the United States of the Rothschild International world wide
plutocracy - Mr. Schiff, with two young men, went down to see Mr. Taft, and he said, "Mr. Taft, ... (I am not telling you this out of my memory. I almost know this by heart, because the books are
here, in the Congressional Library. The people who were in the room with President Taft, at that
time, and President Taft were told by Jacob H. Schiff) ... "We want you to cancel the Most
Favored Nation Treaty with Czarist Russia, and we want you to recall our Ambassador." The
President told them, "Mr. Schiff, things are not what you represent them to be. My ambassador tells
me differently." So, Mr. Schiff told him, in so many words, "Is you is, or is you ain't - going to do
it?" When the President said that he would not do it, Mr. Schiff said "We will put a political party
and a president in Washington, to whom we can dictate what they should do."

Jacob Schiff came back to New York (He was at that time head of The American Jewish
Committee), and in my father's home (I was a young man then), in the presence of many prominent
men some of whom you've heard the names of, he retold the story and I looked at the books in the
Public Library, Memoirs of men who were in the room at that time, names that are familiar to many
people that are here. That is a -fact. Now, what happened?

They ganged up in New York, to get rid of Taft. I was a protege of Mr. Bernard Baruch - a name
that I think you are all familiar with. His father was a doctor, Dr. Simon Baruch, who had brought
me into the world, and Bernard Baruch was a visitor at our home all the time. He courted my sister;
one of my sisters. So the stage was set to get rid of the Republican Party and the Republican
President and put in their own party and their own President. But it was very difficult, because, after
the Cleveland depression (President Cleveland was a Democrat, we had Free Trade) we had the
worst depression ever seen anywhere. And that swept the Republican Party into power, because
they advocated tariff, protective tariff to protect the working man against the cheap labor of Europe
and to protect the infant industries, in the United States against foreign competition.

Mr. Schiff went down there and had this conversation, came back to New York and the stage was
set. And I, as a young man, got into the act. What I am telling you now, I saw with my own eyes,
heard with my own ears, but I make it brief. The stage was set: "How can we get rid of the
Republican Party; how can we get rid of Taft" - and Mr. Baruch was picked out as the leg man. He
was a smart man!

They set up the National Democratic Headquarters at 200 Fifth Avenue, which was the site of the
old Fifth Avenue Hotel, now an office building, and Mr. Henry Morgenthau, Sr., the old man, the father of the one you all know, was made chairman of the Finance Committee. I was made his confidential assistant in liaison with the Treasurer, who was Mr. Rollo Wells of St. Louis, - the Andrew Mellon of his time. And I was right in the middle! I saw everything that went on, because I handled all the books that had the cash contributions in them. Mr. Jacob Schiff and the Jews (use that word as I told you, with reservations) put up the money to launch this Party, and they looked around for a man to put up as President. To make a long story short, because the details aren't very interesting, they got Woodrow Wilson, a rascal who wasn't worth the powder to blow him to hell!

They got Woodrow Wilson, the man who had more ego than any man I have ever read about, they got him to head the Democratic Party. And they got into difficulties! Because the Democrats only got the Electoral votes in the South; where the people in agriculture wanted cheap goods from Europe. But the North wanted the Republicans. They found out they could not elect a President in the United States. So, I handled the money; I was the leg man, the errand boy (I was only a boy then.) They trotted Theodore Roosevelt out of the political "moth-balls" (He was then an editor of a magazine). They told him, "You are the indispensable man. You are the only man who can save the United States." And with his ego they formed the "Bull Moose Party" and Mr. Jacob H. Schiff and the Jews throughout the world - they got plenty of money from England - they formed the Bull Moose Party. And in that way they split the Republican vote between Roosevelt and Taft, and Mr. Wilson walked in with a minority of the popular vote - the lowest man, (and I knew the inside of his private life, which I don't want to go into here). But never was a lower rascal in the White House, and I've known plenty of them since that time!

Now, Mr. Wilson really didn't know enough to come in out of the rain! I cannot understand how he ever got there, except that in shuffling the cards, they had the goods on him. You find in politics, every time they pick a candidate, and put him out in front, they have the goods on him. You know he had been sleeping with the wife of the professor who lived next door to him at Princeton, whose name was Peck. And they used to call Wilson, at Princeton, "Peck's bad boy." When she got a divorce and moved to Washington, she married a man who had a son. And that son borrowed $40,000 from the bank, without asking them. He didn't know how to pay it back, and the pressure on him was getting very, very hot. So this woman heard of Samuel Untermyer (of the big firm, Googenheim, Untermeyer and Marshall) a prominent Democrat; and supplied much money to the party. She went to him with a big package of letters which I read (Wilson was a great letter writer. He knew the language; there's no doubt about it, Wilson knew his vocabulary, when it came to making love, anyway). So, they cooked this up and she got the idea of blackmailing him. She got Samuel Untermeyer to go to see him, as a lawyer. He was a big contributor to the Party and he knew Wilson, and he went there. To make a long story short, Wilson didn't have the money; Untermeyer provided it, and the boy paid the money back.

Now, Mr. Untermeyer told President Wilson, "I'll advance that money if you will do one favor for me. The next opening on the Supreme Court, I want to name the man." He said, "We've never had a Jew on the Supreme Court I think there ought to be a Jew on the Supreme Court." So Wilson said, "It's a deal!" and they paid the $40,000. When a vacancy appeared on the Supreme Court, Mr. Untermeyer recommended Mr. Brandeis. Mr. Brandeis was the number one Zionist in the United States; the head of them all, and he became very friendly with Wilson. And when the war with Germany broke out, the war between England, France, Russia, and Germany and Austria, the United States had nothing to do with it. They all thought England, France and Russia would crush Germany in 60 days. Big headlines in all the papers. I was very active then, in politics, "Boys home by Christmas, Boys out of the trenches by Christmas," but when Christmas came, the war was getting hot!

The Germans had brought out the submarines, and the Irish gave them two bases on the coast of Ireland, and they were sinking everything that brought food and ammunition to England, which under International Law is correct. Now, when they saw that Great Britain was going to lose the war, the Jews were very much excited, because, up to that time, Germany was their best friend.
In 1822, Germany passed the Emancipation Edict which gave everybody in Germany equal rights; no religious discrimination. Up to that time, every country in Europe had quotas: 1%, 2%, 3% to become a doctor, a dentist, a lawyer, a banker, a schoolteacher, anything. Germany, in 1822 passed that Emancipation Edict and all the Jews across Europe rushed to Germany, because they could get an education. They could become doctors, lawyers, dentists, druggists. So, when I was in Germany, 50% of the pupils in German schools were Jews from all over Europe. They all ran to Germany. And they worshiped the Germans

Baline, a Jew, was the head of the Hamburg-American, North German-Lloyd lines. Even the private bankers, the Hohenzollerns, were Jews. The head of the German General Electric Company was a Jew. The biggest companies, - there was no discrimination at all, in Germany. And the Jews had a picnic there, but they were not the Khazars! They were so-called Jews that came into Western Europe with the Roman armies; that came from Judea when the Romans occupied Western Europe, and there were two houses of worship, one in Speyer, one in Lyons, little stone houses, in the second century, which was 600 years before the Khazars were converted. So the German Jews were just as much apart as the Arabs and the Khazars, today, in fact, there was a saying, I don't know if I can say it in this company, but when I lived in Germany, the Germans said about the Pollocks - (they called them "the Pollocks," the Eastern European Jews), "Where a Pollock pisses, grass will never grow." They hated them! They could never allow their children to marry. So, when Germany was winning the war, the Jews were very happy, because they didn't want Russia to come out the winner, with France and England, because they thought it would be tougher for the Jews in Russia. So, they were all pro-German. What happened? When the Germans trotted out the submarines, - England in August or September, I don't remember just which week, but General Haig, in London, warned the English, "We have less than two week's food supply for the whole nation of 55,000,000 people." The food and ammunition boats were sunk so quickly, they couldn't get food or ammunition.

So, England was offered a Peace Treaty by Germany. They were offered a Peace Treaty twice! It was on the desk of the British War Cabinet, ready to be signed. It needed only one signature. What happened? The Khazar Jews in New York, Washington, led by Brandeis, made this promise through Fleischman & Sockloff in London. They went to the British War Cabinet and they said, "You don't have to make peace - which is tantamount to surrender. We can show you how you can win the war, if, when you defeat Germany, and carve up the Ottoman Empire (or Turkey) you will give us Palestine. And they made that deal. It was all written. I don't say so; Other people don't say so. The Zionists, in the books that they have written, tell this whole story. How they got the promise of Palestine, by promising to use their influence to get U.S. into the war. That's how they are going to turn against the United States; the same way they turned against Germany; after everything Germany did for them, since 1822. They made the deal to bring the United States into the war, which meant certain defeat for Germany; which was triumphant, then; offering a peace that was tantamount to surrender.

So, when that offer was made, the Zionists in London went to the British War Cabinet, according to their own books, their own record, in the British Museum. I circulated thousands of copies of this 12 page memorandum by the man who negotiated it. When they were bombing London in 1945, he thought he'd die. And he typed this out, this true story, and gave it to the British Museum for posterity. That's available. Anyone can have a copy of it. I sent out thousands, - maybe ten thousands of them.

Now, the United States got into World War I. How did they get in? They didn't know how to get us in, because the Germans leaned backwards. They said, "We are going to do nothing on land, on the sea, or in the air, to provoke or justify a declaration of war by the United States, because we'll be licked! Now, we've won the war!" Which they had. The Russian armies were in retreat; in France, the army had revolted, and wouldn't fight. There was no more fight left in the allies. So, what happened?
They went to Great Britain; made this offer; Great Britain accepted it. Then the question came, How
to get U.S. into the war? They couldn't get us in if the Germans didn't give us provocation or
justification. So, what did they do? A message was sent to Washington, that the S.S. Sussex, a ferry
from Dover to Calais, had been torpedoed in the Channel and 38 Americans lost their lives! I'm not
going to string this out, because I've got a lot of other things to tell you!

On the basis of the torpedoing, and the loss of 38 lives of our citizens, Congress declared war
against Germany. Now, after the 4,000,000 men that General Pershing had been drilling, were on
their way over, some of them fighting in Europe - (a lot of you, here, went over, were fighting while
this fighting was going on) a member of Parliament and others, who couldn't stand it any longer,
they came out with the secret that the Sussex was not sunk and no Americans lives were lost. And
we were in the war! Now that is how the Jews got us into World War I, and that started everything
because Wilson was elected. We had a national debt of one billion dollars. And since then it has
gone up - I think it's now 465 billion, after the wars we've been having, so that's how the Jews got
us into World War I.

I knew Judge Samuel Rosen who was Mr. Roosevelt's mentor. They used to say that he didn't go to
the water closet without consulting Judge Rosen. I was very friendly (here's somebody who will
bear me out) - Now, when it came to World War II, we couldn't get into the war because the
Germans said, "When the Americans came into World War I, look what happened to us!" So there
was war in Europe again, Germany and European countries, and there was no way to get us into the
war. And the pressure of the Jews here, in New York City, Washington, to get into that war was
terrific! They didn't know how to do it. So, as Mr. Tannell wrote in his "Back Door to War," (he was
at Georgetown University, a professor of history) - I saw, in the Yale Library, the papers of the
Secretary of Defense at that time - we were pushed into World War II by Mr. Roosevelt, through the
back door! Germany would give us no justification or provocation. But the Jews, here, were putting
pressure on Roosevelt, "We've got to get into that war! We can't let him do that to us!"

We had to make up our minds what to do, so the United States sent to Japan, and they said, "We
can't sell you any more scrap steel or oil." Japan was fighting a war with China; Without scrap steel
or oil, which they got altogether from the United States, they would have to withdraw from the war.
So they sent nine different Ambassador here, trying to change Mr. Roosevelt's mind. Ile said, "No,
we can't sell you any more, at all." So, at that time, Germany and Japan had a treaty; Any country
that declared war on either one was instantly at war with both! So, Mr. Roosevelt figured, "We'll
provoke a war with Japan." That's why he threatened them to cut off steel and oil. So they sent nine
ambassadors here, and, finally, they couldn't take it much longer, so you know what happened at
Pearl Harbor!

Now, Mr. Roosevelt figured, and it's in Mr. Stimson's diary, in his own handwriting, which is in the
room at Yale Library containing all Mr. Henry L. Stimson's papers - he was the Secretary of
Defense. He wrote in his diary important things that went on (in his own handwriting) and under
November 25th, two weeks before Pearl Harbor, he wrote, "The President sent for us to come to the
White House. I thought it was to discuss the war in Europe, but he told us that we had to be at war
with Japan but he didn't want it to look as if we fired the first shot!" That is almost verbatim. Henry
Stimson, the Secretary of Defense wrote that in his diary. That is how we got into the World War,
because Roosevelt said, "We want to be at war with Japan, but we don't want it to look as though
we fired the first shot!" So we got the first shot, alright, at Pearl Harbor! But, the only way we could
be at war with Germany was to be at war with Japan. Then automatically, under their treaty, we
were at war with Germany. That's how we got into World War II.

We are now on our way to World War III. The chances are it will be a nuclear war. There is that
chance, and I've been fighting, (some time and money) so that the conditions would not be set for
that. Now, what happened. The Chairman of Senate Foreign Relations Committee, Mr. Fulbright,
stated on Sunday morning television program, which according to the advertising services has 28
million listeners; he said, in answer to a question about the Middle East, he said, "You cannot do
anything about the Middle East!" He said, "The Senate is controlled by the Jews; 90% of them have subverted the United States Senate, and you cannot do anything" - or words to that affect.

Now, the Chairman of the Foreign Relations Committee of the United States, throws in the sponge, says that 90% of the Senate are controlled by the Jews, meaning the Zionists. So, you may now expect the worst! The only way it can be averted, if it can be avoided, is to alert yourself to these facts. All these lies that you've been told, "That it's your Christian duty to help repatriate "God's Chosen People" to their "Promised Land," is a lot of hog wash. And we are going to be in another war unless you people and others like you wake up the 200,000,000 Christians in this country who have bee~ so brainwashed that they don't know whether they are coming or going! They are running around in circeign All you hear is "Jesus was a Jew!" I've told you now that the word didn't exist when Dr. Johnson wrote the dictionary, and I've done all the research on it. It never existed! And then, again, there is the Father here, who will bear witness. Pontius Pilate wrote on the crucifix on which our Lord and Savior was to be crucified, "Jesu Nasarenus Rex Judoreum" which, translated, anybody that has had one year of Latin, knows that means "Jesus, the Nazarene, the Leader of the Judeans." "Leader of the Judeans," the genitive plural and "Rex" comes from "Rego" - "To lead."

"Now, they were trying to "frame" our Lord and Savior, claiming that he was influencing the people not to pay taxes so that gold couldn't be shipped to Caesar. And that constituted rebellion. That's why the trial was held, and that's why Pontius Pilate put that up on the crucifix, "Leader of the Judeans" who were revolting against Rome. Now we all know everyone of you heard, hundreds of times, that at this trial, Jesus said, "Render unto Caesar that which is Caesar's, and unto God that which is God's." He was not advising the people to withhold taxes paid to Rome. So, you see, you, as representatives, and high representatives of the 200,000,000 Christians in the United States, have got to learn the facts.

As I was talking, here, to one of your erudite members, it's alright to be interested in baseball and basketball and football and golf, cross-word puzzles - I don't know how many hundreds of millions of hours a year was wasted by women doing crossword puzzles! It satisfies their ego to say, "Oh, Minnie, I got all but two words, yesterday!" And they compete with one another. They spend hours, buy dictionaries, and they don't know the first thing about the correct facts of existence. Now, we didn't ask to come into the world; neither did our children, but we owe them a debt. We owe a debt to these men who sacrificed their lives to save this country, so let's see what we can do.

"Thank You!" (End of Mr. Freedman's remarks).

INTRODUCTION

Lt. Col. Jack Mohr is well known as an Evangelist and Lecturer throughout the United States. He has much experience in studying and speaking out against Communism and is a Baptist lay evangelist. For over 23 years he has lectured across the U.S. on the evils which seek to destroy not only our country, but the church of Jesus Christ as well. In the past two years, he has spoken in 500 communities covering more than 35 states and 3 foreign countries. He has spent 14 years outside the U.S. and traveled in 35 countries.

Lt. Col. Jack Mohr entered the Army as an enlisted man and went up through the ranks to commissioned status. He served in World War II and Korea.

While working with the Korean Military Advisory Group in South Korea, in 1948, an abortive military coup led by Communist elements from the North, attempted to take over the South Korean Army. Col. Mohr was captured, stood before a People's Court, was tortured and faced a Red firing squad. Making his escape with the help of a sympathetic Korean Sergeant, he made his way back to friendly forces and was on the 38th Parallel when the Korean War began. Jack Mohr was the first American wounded and the first to be decorated, receiving the Silver Star for action in the opening hours of that action. He was one of the most highly decorated veterans of that war, with twelve combat decorations and four commendations.

In 1953 he worked with returning American prisoners of war in Japan and as a result of his background with Communism, wrote the lesson plans and taught the first classes given to the Army in the Military Code of Conduct. He retired in 1964, with twenty-four years of duty.

Col. Mohr's first hand experience with brainwashing, as practiced by Communists, has led him to this conviction: "The key to withstanding mind control of any kind is a strong spiritual foundation grounded in a personal relationship with Jesus Christ. If young people will accept this faith, they can withstand anything which will be thrown at them and come out the victor."

BLUEPRINT FOR THE ANTI-CHRIST

I want to read several Scriptures this morning. The first is found in Proverbs 14:34 - "Righteousness exalteth a nation, but sin is a reproach to any people." Then in Chapter 25, verse 5, we read, "Take away the wicked from before the king and his throne shall be established in righteousness." Then one other verse in Isaiah 54:14 - "In righteousness shalt thou be established; thou shalt be far from oppression; for thou shalt not fear; and from terror, for it shall not come near thee."

When Andrew Jackson, the 17th President of the United States was buried in Greenville, Tennessee in 1875, they placed under his head a copy of the United States Constitution, and put in his hands...
the King James Version of the Holy Bible. This was indicative of the spiritual heritage of America. The Constitution was based on the precepts of Holy Scripture.

Our country was born in adversity. During the terrible winter of 1777-78, when the Colonial troops were in retreat before the superior forces of the British and their Hessian mercenaries, all seemed lost. General George Washington knelt in the snow of Valley Forge to pray for guidance, and rose from his knees to lead a ragged, beaten mob of farmers and clerks to victory in the Battle of Trenton.

When the first Continental Congress met for the purpose of drawing up a Constitution, it appeared they would have to give up in their efforts due to dissension in their ranks. When it seemed their meeting was hopeless, Benjamin Franklin called the Continental Congress to prayer. They prayed to God for guidance, wisdom, and direction and from that Prayer Meeting in Philadelphia was born the United States of America, with it's matchless "Bill of Rights."

America was born through the miraculous intervention of Almighty God, and I am convinced that only as America returns to Him, will we be spared the horrors of atheistic slavery under Communism, as the forces of anti-Christ triumph on every hand. We must return to the faith of our fathers, faith in the Bible as the Word of God.. the faith which gave America birth.

Since the Continental Congress brought into being a free country, America has drifted far afield. We look at an America in 1974, which is sick with a terminal illness. America is suffering from the same symptoms other nations have had, and these nations, have already been carried off to the graveyard of history by the pall bearers of doom.

We have gone through a series of contrived crises. Since 1933, we have lived under a series of Presidential-proclaimed crises. New Deals, recessions, World War II, the Cold War, the first "no-win" war in Korea, the Sputnik scare, the Cuban Crises, political assassinations, galloping crime in the streets, over 200 riots in major cities during the 1964-68 era, inflation, pollution scares, the second no-win war in Vietnam, economic crises, Phase I, II, 111 and IV, Watergate, the Mid-East Crises, and now the energy crises.

We have gone through a 40 years period, when America has been divided as never before, when all our principles, all our good things seem to have been shaken, or rooted up. We have seen our once great churches, which stood as "lighthouses" on the landscape of America, we have seen them disintegrate into "religious country clubs," that men joined to help their prestige in the community, while others have become mere "religious honky-tonks" replete with flashing psychedelic lights, religious rock and roll music and homosexual ministers. America has gone through a period of intense moral and spiritual decline, when even our Public Education system has turned against the principles of decency, and where children are taught to disrespect their parents as "old fogies" who don't know what is happening, and where Christian principles are "passe," something from the Dark Ages.

America's watchword has become: "You only go around once in life; so live with gusto. Eat, drink, and be merry, for tomorrow you may die. If it makes you feel good, or if the majority says it's ok, then it must be good. After all, the most important thing in life is to 'do your thing,'" whatever that may be!

We have seen America's strength abroad evaporate, as her spiritual strength at home has been deliberately destroyed. Over a hundred years ago, a French political philosopher by the name of Alexis de Tocqueville, visited America. When he returned home, he wrote to an American friend in the following words: "I came to America searching for her greatness. I looked in her commodious harbors and it was not there. I searched for it in her great cities and I could not find it. I looked in the incomparable fields of the mid-west, and it was not there. It was not until I looked into the churches of America, and listened as her pulpits flamed against unrighteousness, that I realized that America is great, because she is good; when she ceases to be good, she will cease to be great."
We have seen this principle in operation in the past fifty years, as America's strength at home and abroad, has gone down hill in the same ratio that her moral and spiritual strength has been eroded. During this time of America's decline, we have seen a steady decrease in spirituality, while at the same time, corruption has been rampant, and crime has increased by leaps and bounds, until it is unsafe to walk the streets of many American cities after the sun has set.

America's youth, has turned away from God to a cynical, pseudo-intellectualism that places their intelligence above that of God, and which hides behind the feeble facade of Humanitarianism; a position where they sneer at the supernatural rebirth of salvation, while guiding their lives by the ancient art of the horoscope, witchcraft and Satan worship.

Our Federal Government has moved from being the "servant of the People," as envisioned by the Founding Fathers, into a Frankensteinian monster which threatens to devour our basic freedoms. We have seen America's courage and patriotism move from that of Patrick Henry, as he said: "Give me liberty or give me death!" to the maudlin cries of the National Council of Church leaders who say: "It's better to be Red than dead!" Where will it all end?

A recent report, indicated that only 5 percent of the American people are in church on any given Sunday morning and that less than 2 percent attend the evening services. Only 28 percent of the American people attend church on a more or less regular basis. This means that 78 percent of all Americans do not think enough about God, to even do Him the honor of attending His house. This indicates to me that America could now be classified as a "heathen nation."

There is a further shocking thing we must realize that is that God's blessing cannot, and will not come to a people which for the most part have turned their backs on Him. This in turn means that America is ripe for a terrible fall.

"This is impossible! America is too that!" look back into history, my Rome at the height of her glory see the barbarians sweep down on her pillage and burn. Look at mighty

You may say: strong to fall like skeptical friend. See then shudder, as you from the north to pillage and burn. Look at mighty Babylon and see the finger of God, as it writes on the king's wall in the midst of an orgy: "You have been weighed in the balances and have been found wanting!" Look at Assyria, at Egypt. Then remember this when a nation turns it's back on God, it is finished, no matter how powerful it's armed forces, how long range it's guided missiles, or how powerful it's warheads:

"For heathen host which puts it's trust
In reeking tube and iron shard;
All valiant dust that builds on dust
And guarding calls not Thee to guard.
For frantic words, and foolish boast,
Have mercy on Thy People, Lord!"

It is a proven fact, that in sixty centuries of written history, there have been twenty-one great civilizations; nineteen of these have been destroyed from within, by moral and spiritual corruption. They destroyed themselves from within, long before the barbarians swarmed over the walls, or battered down the gates. America will be no different - without God!

People, wake up to one awful truth. If America falls, the light of freedom will go out all over the world. If the torch of liberty is snuffed out in America, then the whole world will languish in slavery, will be thrown into darkness.

This battle we see going on today, is not a battle between Republicans and Democrats. It is not even a political battle. It is not a battle between Communism and democracy. It is a battle in the spiritual realm. Paul recognized this, when he wrote in the sixth Chapter of Ephesians: "Put on the whole armor of God, that ye may be able to stand against the wiles (trickery; propaganda) of the Devil.
For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" (Eph. 6:11,12).

Our real foe in America is not Communism - it is not atheism - it is not liberalism! Our real enemy is spiritual wickedness in leadership, both political and religious, and among those citizens who put them into office and let them stay in power. We could convince every American to be anti-communist and they would still end in Hell. What good is it to save America from communism and have Americans go into something infinitely worse, the torture and eternal bondage of Satan? Only Jesus Christ, occupying the throne of individual hearts, will turn the tide of wickedness in America and bring God's promised blessing. America's main problem is a heart that is festering through the corruption of sin.

I believe fully, that God's answer to a sin-sick" America - God's message for this "Mess-Age," is in the power of the Gospel of Jesus Christ. I believe the Bible teaches that "born-again" Christians hold the key to the survival of this nation. I believe we have the only key which will change the course of destruction, will clean up the corruption which is belching forth like an erupting volcano and set America back on the path to safety and freedom. Legislation and education have their place in the scheme of things, but "regeneration" is the only hope in this tragic hour.

It frightens and saddens me, to see many knowledgeable men and women, folks who can see the dangers of the international Communist conspiracy and how it is destroying freedom throughout the world, yet whose eyes are spiritually blinded so that they cannot, or will not see how much more effective they would be with God on their side. Or possibly it would be more accurate to say: "With them on the side of God!"

The Gospel is the only power of this hour that will stand up. This is one time when Uncle Sam cannot allot a few billion dollars to some Bureau, or Government Office, and clean up the mess. We need to realize that Watergate is but the "tip of the iceberg" of what has been happening in America and that it isn't a job for politicians to clean up; it is a job which must be approached from a spiritual standpoint.

Thank God, the future of America is not in the hands of the Kennedy's, the Rockefellers, the McGovern's, or the Nixon's. America's future and the future of the entire world, is in the hands of those who love God and honor His Word. What we do with the message of Jesus Christ, will determine the destiny of this old sin-sick world, and will determine the survival of civilization.

There has never been a time in the history of America, when "good news" would be more welcome than in 1974. Pick up your daily newspaper, turn on the news on your TV set - there seems to be nothing but frightening, shocking news. Fighting in the Near East and the Far East; stock markets going down, down, down; suicide rates going up, up, up; crime on the increase; inflation on the constant rise; graft and corruption in political officers; "lukewarmness" and lack of concern in the church. Some wag has said: "If the 10 o'clock news is good, Americans go to sleep; when it is bad, they go to pieces!" How true! But Jesus predicted these days would come, when He said: "Men's hearts will fail them through fear" (Lk. 21:26), as they see these things come on the earth.

It is sad business when Christians fall into this "fearful category," for our Lord and Master has told us: "Be of good cheer, (in other words, don't be afraid) for I have overcome the world" (Jn. 16:33).

Herbert Philbrick, who became famous as a double-agent for the F.B.I. and who served for years in the Communist Party, told a Memphis news reporter a few years ago: "America has from ten to twelve years of freedom left." We know the Communist schedule for takeover of America has been set for July 4, 1976. They have never bothered to hide that.

But there have been few people in America who have been concerned enough to find out what is happening. Few Americans realize that most of the world's troubles are brought about through diabolical, well-calculated plans ... they don't just happen through some "process of evolution." Yet, when you try and warn Americans, ever "born-again" Christians, they get angry with you and seem
to think you are some kind of "nut" to be avoided at all costs. Even Christian folks can't seem to see God's timetable of prophecy as it unfolds on the world.

The ultimate end of this Satanic plot, is to bring all men into slavery. It is not a new plot, for Satan has been striving with "might and main" to accomplish this for centuries. But now, as his end draws closer and closer, we can expect him to work with increasing, diabolical energy to accomplish his task of destroying man - God's crowning handiwork.

An inkling of this plan, can be found in a curious document, which has caused a great furor in liberal and Communist circles. This document, titled: RULES FOR BRINGING ABOUT REVOLUTION! was purportedly seized in a raid on Communist headquarters, in Dusseldorf, Germany in 1918. Whether this document was actually seized from the Communists or not is beside the point, for we can see in it, a plan for Satanic operation in the United States, which is being meticulously followed, point by point.

Here are the points of this alleged document:

A: Corrupt the young. Get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.

B. - Get control of all means of publication and thereby:

1. - Get people's minds off their government by focusing their attention on athletics, sexy books and plays, and other trivialities.

2. - Divide the people into hostile groups by constantly harping on controversial matters of no importance.

3. - Destroy the people's faith in their natural leaders by holding these up to ridicule and contempt.

4. - Always preach true democracy, but seize power as fast and as ruthlessly as possible.

5. - By encouraging government extravagance, destroy it's credit, produce fear of inflation with rising prices and general discontent.

6. - Foment unnecessary strikes in vital industries, encourage civil disorders and foster a soft and lenient attitude on the part of government towards such disorders.

7. - By specious arguments cause the breakdown of the old moral virtues: honesty, sobriety, continence, faith in the pledged word, ruggedness.

C. - Cause registration of all firearms on some pretext, with a view of confiscating them and leaving the population helpless.

If you can't see how these plans have been carefully carried out, you are either extremely foolish, or blind. This campaign against God, has been carried out in all countries under Communist control. The State is supreme, and God can only exist, when He becomes subservient to the State. This same program is being vigorously pushed in the United States. So-called Christian leaders, have piously proclaimed that "God is dead!" This idea, in itself, is as foolish as a group of ants, organizing on a railroad track to prove there is no train. For man to say there is no God, or that He is dead, is sheer intellectual stupidity, for man's very existence proves there is a God.
In Psalm 14:1, the Bible tells us: "The fool hath said in his heart, there is no God." Notice that the "fool" does not believe "there is no God," but he sets out to try and make himself believe a lie -- that God does not exist. Atheists are not born that way. It is as natural as breathing, for a small child to believe in God. In order for a person to become an atheist, they must educate themselves into believing the "sheer stupidity" that God does not exist. The intellectual's trouble is not so much "head trouble," as it is "heart trouble." The intellectual knows that he is a sinner, but he doesn't want to admit it - so he sets out to prove to himself and any other fool who is willing to listen to him, that God does not exist. The only thing that can adequately deal with "intellectual heart trouble," is a good dose of the "old time religion," that will change his heart. This was what caused the Jewish intellectual, Paul, to say in Ephesians 4:18 - "Having the understanding darkened being alienated from the life of God through the ignorance that is in them, because of the blindness of their heart."

Preachers these days, have often won popularity, not because of what they believe, but because of what they don't believe. They become famous by "bad-mouthing" the Bible; they become famous when they sneeringly state that Jesus was not really the Virgin born, Son of God. These "wolves in sheep's clothing," are puffing themselves up, into being something they really aren't, experts on what God thinks. They are the same one's that Peter blasted in 2 Peter 2:17, 18, when he said: "These are wells without water, clouds that are carried with a tempest... For when they speak great swelling words of vanity, they allure through the lusts of the flesh..." These "intellectual idiots" are making headlines in the religious news, by advocating "free love," and "illicit sex." I had a first hand experience with one of these fellows in 1969. I had been asked to speak as part of a "teach-in" at a Catholic girl's college in Patterson, New Jersey. I was one of fourteen speakers and all you had to do to know that I was the only conservative, was to look at the others. I was the thirteenth speaker to address the young people that day and all during my talk, I was harassed by a tall, handsome young man, dressed in clerical garb, who was sitting on the front seat. He kept interrupting me, using some language I had never heard used by the clergy before. Finally, when I finished, he was introduced as the last speaker. He was Dr. David Hunter, Secretary General of the National Council of Churches, out of New York City. He began a rambling dissertation about the immorality of the war in Vietnam. After a few minutes I interrupted him, and turning to the audience I said: "For five hours today, I have listened to you young people say how you detest hypocrites, especially adult hypocrites. If this is true, why have you invited this one to speak to you?" And I pointed my finger at Dr. Hunter. Of course he was upset and wanted to know why I had called him a hypocrite. I pointed to the lapels of his suit. On one was a button that said: "Legalize pot!" On the other a button that stated: "Free Love!" I said: "No wonder this country is going to hell, when we can't even trust our religious leaders any more."

There is absolutely no doubt in my mind, that the modernism and liberalism we see being spouted from many American pulipts, has become the breeding grounds for atheism and Communism. We would have very few of these problems, if the Word of God were being preached in all it's strength and purity from our pulpits. The second chain of slavery in the Communist/anti-Christ plan to destroy us is that of getting your people's minds off God and saturated with "sex."

Sex in recent years has become a "dirty word" to many. There is nothing wrong with "sex" in itself. It is one of the most wonderful gifts God has given to humanity. But America's idea of sex has been so distorted by Hollywood, the theater, television, and contemporary literature, until "sex" has become "unbridled lust," worse than anything practiced by the dumb animals. A year or two ago, while engaged in an intensive lecture campaign on Sex Education in the Public School, I came across a statement during my research, made by one of America's outstanding educators, he said in essence: "Nations have the choice of either practicing sexual freedom, or sexual discipline. History proves, without the shadow of a doubt, that a nation cannot have both sexual freedom and great progress. A great nation becomes great by exercising sexual discipline." That's rather contradictory to what a lot of ministers and educators are telling our young folks these
days.

Not only has there been a deliberate attempt to pervert sex in America; but our youth have been given a "twisted view" of sex. America is doing exactly what was planned for her; falling into the Devil's trap, until like animals who come running at the master's whistle, we have been conditioned into doing evil, and another link has been forged into the chain which binds us to our evil master.

Point "B" in the Plans for Revolution, states that people's minds should be taken off government, focusing them instead on athletics, sexy books, plays and other trivial things. This is not a new approach to dictatorship, for it was used in turning Rome from a Republic to a complete dictatorship.

Now I have no argument with most sports. I'm a sports fan myself. I especially like football, baseball and fishing. But it appears to me that America has gone "overboard" on sports. Many of our great universities have built their schedules around sports instead of quality education. The stadiums can't be built big enough and fast enough, to take care of the swarms of folks who flock to see the games. Americans spend untold billions of dollars each year on sports and our athletes are among the highest paid strata of American society.

People will drive hundreds of miles, and sit outside in freezing rain and snow, on hard seats, paying premium prices to watch two groups of grown men, pound the daylights out of each other. They will sit there and freeze, or burn in the blistering sun, for three or four hours, yelling like idiots when their team does something they agree with. Yet, many of these same people would never bother to darken the doors of a church and when they do come, they demand air-conditioning, plush seats, and a "sugar-coated" sermonette that won't last longer than thirty minutes, no matter how important it may be. If the preacher goes over twelve o'clock on a Sunday morning, some of them will get up and leave, and there's no doubt they go home and have "roast preacher" for dinner that day.

Now I'm a "long-winded," old-fashioned preacher by many modern standards. My messages concern "earth-shaking," "life and death," issues, such as freedom, "here and now," and life and death for eternity. I can't say what needs to be said in twenty or thirty minutes. So if the Holy Spirit leads me to preach for an hour, that's what you're going to get. I try and make my messages as interesting and inspirational as possible, so I hope the Lord will give you the grace to "stay with me" and not go to sleep or leave.

I want you to understand that I'm not preaching to listen to myself talk, or for my own edification. If I was doing that, I'd listen to a tape at home, with my slippers on and my feet propped up on an ottoman.

Unfortunately, most folks these days want "cafetiere style" preaching, where they can pick out the things they like and discard anything that "gets too close home."

It's a shame, but most American's know more about TV, or sports, than they do about God's Word. There are any number of so-called Christian women, who can tell you every member of the cast on "Hospital Report," or "Edge of Darkness," but who think Dan and Bersheeba are husband and wife, like Sodom and Gomorrah! No wonder America is headed for hell in a handbasket. We've been putting our priority on the wrong things. Jesus once said: "Seek ye first the kingdom of God, and His righteousness: then all these (other) things shall be added unto you (Matt. 6:33). How true I've found that to be. What we need to realize, is the importance of giving things proper priority in our lives, "Putting first things first!"

The Bible clearly warns us in 2 Timothy 3:1A: "This know also, that in the last days perilous times shall come. For men shall be lovers ... of pleasure, more than lovers of God." Beloved, those days are here, right now! But Satan has blinded the minds of most church folks, so that we won't see and understand that this is all part of the plan to enslave us.

The "Peace and Liberty" newspaper (France's Communist paper) said: "One thing in America we
are afraid of. We are not afraid of your bombs, or your bullets, or your men. But we are afraid of the Gospel of Jesus Christ. But we really aren't afraid of it, because we are not afraid of the people who have it. We don't believe they will use it. We don't think they will soil their hands. We think they are too involved in their own selfish interests. We believe they are too intoxicated with pleasure and too bent on entertainment to take the time and effort to spread Christ's message."

What a stinging "slap in the face" for those of us who say we "love the Lord." It hurts even more, because I know it is true. There are millions of church members in America, who are Christian in name only. They don't want to "dirty their hands," or give up their "good times" to spread God's Word. And in the meantime, America is hurtling towards hell with a speed that makes the fastest jet plane look like a turtle by comparison.

Many church members think they are doing God a favor, if they show up and warm a pew for an hour each Sunday morning, and dump some silver in the offering plate, or mumble a prayer before they "stuff their face" at the table. Because the zeal of Communism has outstripped that of Christianity, they are winning a hundred converts for ever one we are winning to Jesus Christ.

"Life Magazine" said that the celebrated atheist, Madalyn Murray O'Hair, has five thousand people who send her a dollar each month to wage her war against God. She has quite a few in the hundred, five hundred category too. She made the statement: "I am living for the day when I can walk down the street of any American city and not see a trace of religion." Now I don't believe Mrs. O'Hair is a Communist, but she's playing right into their hands. Listen to the similarity of what she said, to a statement made by Gus Hall, Secretary of the American Communist Party and a man who ran for President during the 1972 election. "I will live to see the day when the last Congressman is strangled with the guts of the last preacher. Those Christians say they want blood in their religion, so we will give them all the blood they can stand. We will cut their children's throats and drag their bodies over the altars of their churches, and may the parents strangle in the blood of their own children." May I remind you apathetic Christians, that Mr. Hall is not a Russian, or a Chinese, he is an American, predicting what will happen to you, when Anti-Christ reigns, and everything you love and revere Is destroyed.

I don't have time to go into the other aspects of the Revolutionary Plans, except to barely mention them. It should be apparent to any intelligent, observant American, that there have been many deliberately created problems in recent years in our Government. The solution has always first been suggested, then provided by the Federal Bureaucracy. As each solution has been provided, a new Government department or bureau has been set up; each one taking over more and more authority in the area formerly controlled by local government and the state.

Using these clever ruses, the Government, whether Republican or Democrat, has set class against class; labor against capital; rich against poor; the farmer against the city dweller. Each group blames the other for their problems and each has been led by the Federal bureaucracy into a Federal solution which has provided subsidies and regulations for the farmers; labor laws and regulation for labor; banking laws and regulation for Commerce, until the entire nation is now groaning under the oppressive yoke of a "Welfare State."

In Watergate, we can see the insidious plan to destroy our faith in the job of President, by holding Mr. Nixon up to ridicule and contempt. I hold no brief for Mr. Nixon, but I believe the vicious attack we see against him, is aimed at the job of President, rather than the individual.

We have had the word "democracy" crammed down our throats by schools, church and news media. May I point out to you, something that should be obvious. We are not a "democracy" in America, we are a Constitutional Republic and there is a great deal of difference in these two forms of government; but we have been "brainwashed" in "Liberal Detergent" until we believe the "Tommy-rot" that is being spread around. (In case you don't know what "Liberal Detergent" is, it is a mind-washing solution made of an "ounce of truth dissolved in a gallon of hogwash.")

We can easily see the Government spending that is bankrupting us through the use of Keneysian
Economics. This is the idea that you can have prosperity by spending more than you earn. Any fifth grader with an allowance knows this is ridiculous. Because of this Socialistic spending program, we are on the edge of bad inflation, which will lead to depression and general unrest.

We have already mentioned the drive to break down the old moral virtues. We know that honesty in government is something from the past; that America is becoming a nation of alcoholics; that continence is a "thing of the past" for many; that the pledged word is scoffed at as "horse and buggy"; and that the ruggedness of America's youth is being challenged even through such innocent appearing things as fashions and music.

Of course, those of you who have followed national news, know of repeated attempts to register firearms and disarm the American people.

There is a vitally necessary stage of action for those of us who profess Christ. We must redouble and re triple our efforts; we must re-concentrate our energies, gird up our loins for a terrible "no-quarter" battle against the forces of spiritual darkness. If we lose, we lose all!

You and I have not been commissioned to save America. We have not been commissioned to save souls and preserve freedom. Our job is to be Ambassadors for the Heavenly Kingdom of Jesus Christ. Now don't get excited - hold on a minute until I finish. I can see the "blood-pressure" of some of you rising already. We are not commissioned to save men. Men are saved under the wooing of the Holy Spirit, we are commissioned to take the "good news" of salvation to "all men" everywhere. Would to God we could understand that in witnessing, and taking a stand against evil (and Christ commissioned us to fight evil, every bit as much as He commissioned us to "preach the Gospel"), if we would realize that in doing what Christ commands us, we could save our freedom, maybe, just maybe, more of us would get on fire for Jesus Christ. The reason we are becoming pawns of the anti-Christ in America especially, is because we who call ourselves Christian, have failed in our commission to be "the salt of the earth." Jesus said: "If the salt has lost it's savor (it's ability to act as salt), it is good for nothing but the garbage heap."

The story is told about David Livingston, the Englishman who gave his life to preach the Gospel in Africa. When he died, a grateful England brought him home to be buried in Westminster Abbey. Thousands of people filed weeping past his casket. One grey haired man seemed to be weeping inconsolably. A stranger left the procession to place his hand on the old man's shoulder, "Why are you weeping?" he asked. "Dr. Livingston was a man of God, you need not worry about him." The old man lifted his tear stained face and spoke: "Mister, I'm not weeping for David! You see, he and I grew up together. We went to the same school. We were close friends. When we got out of school, I said, 'David, let's combine our talents, our money, and our energy and go into business together. Soon we'll be rich and respected and famous.' But he said, 'I'm going to Africa to tell the people about Jesus.' I pleaded with him, but to no avail, he just wouldn't listen. I stayed here. I made a lot of money. Now life's day is over for him and soon I will reach the end of my life. Today, at his funeral, I saw thousands of folks, weep as they passed his casket. All the world loves him. Now for the first time I realize I placed my emphasis on the wrong things; I placed my emphasis on the wrong world."

Tell me, my friend, are you making the same mistake? Tell me lady, what world are you living for? Are you interested in self, and pleasure, more than you are in God? Tell me business man, where have you placed your emphasis? Are you more interested in fame and fortune and power, than you are in the things of God? Tell me, young person, where have you placed your emphasis? Do you care more for pleasure, and fun, and excitement than you do God? Are you more interested in "doing your thing" than in living for Jesus? The Word of God tells us: "For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?" (Matt. 16:26).

Where are your priorities today? What will you say to God, when you stand before Him and He asks what you have done with your life?
The net of the anti-Christ is closing in on America. Listen to me, as you face eternity. Only one life to live only one life to give! You do only go around once in this life ... what will you do with it? Will you make it account for God?

There is only one Formula for Survival that America can use. It is found in 2nd Chronicles 7:14: "If my people, which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and WILL HEAL THEIR LAND!"

Look to your heart America, "let go and let God have His way with you!"

**FORMULA FOR SURVIVAL**

*If my people, which are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways: then will hear from heaven, and will forgive their sins, and will heal their land.* - 2nd Chronicles 7:14

The patient is sick and in extreme danger. Unless a cure is found, and that right soon, the patient is going to die. But the strange and alarming fact is this: the doctors who are in charge of the case have betrayed us. Seemingly, they are doing everything in their power to weaken the patient. They have allowed quacks to dictate medicine which has turned out to be harmful rather than good.

This patient is very dear to us. It is our own United States of America. The men we have put into office in the past forty years have allowed Fifth Column Communists to infiltrate our government and dictate the course of the nation. Their purpose is the ultimate destruction of our Constitutional Republic.

We are hopelessly in debt. We are being sold a morals code which stinks of death and hell, and which is promoted, as often as not, by the devil's own agents in so-called Christian pulpits.

In order to finance the demise of their sick patient, measures are being constantly passed in Congress which hasten her death. Citizen is being turned against citizen, race against race, to bring about the eventual enslavement of us all. The "loud-mouthed" liberals, with their high-sounding talk about "love," have very little love for the Negro, the Indian, or the Chicano, but are willing to use them, and drain them of their life's blood to bring about our nation's collapse.

From a weekly review of a highly respected British Intelligence source, came this warning on August 4, 1967: "The present urban guerrilla warfare in the United States is only in its opening phase. The tactics and strategy urged by Robert Williams, (now a respected professor at the University of Michigan) may be used full scale very shortly.

"The plan set forth for revolution is as follows: When massive violence comes, the U.S. will be a bedlam of confusion and violence. The factory workers will be afraid to report for work. They will be afraid to venture into the streets. The telephone and radio workers will be afraid to report to their jobs. All transportation will grind to a standstill. Stores will be destroyed and looted. Property will be damaged and expensive buildings will be reduced to ashes.

"Essential pipelines will be severed and blown up and all manner of sabotage will occur. Vint, ce and terror will spread like a 'fire-storm.'

"At all U.S. military bases around the world, local revolutionaries will side with Afro-GI's. Because of the vast areas covered, U.S. forces will be spread too thin for effective action. U.S. workers who are caught on their jobs will try and return home to protect their families. Necessary supplies will not be moved into the big urban centers and the economy will fall into a state of chaos.

"During the hours of the day, sporadic rioting will take place with massive sniping. Nights bring all-out warfare, organized fighting, and unlimited terror against Whitey and his forces."

Our destruction has been planned! Make no mistake about this our enemies have promised this for over fifty years!
But you may say: "This couldn't possibly happen here - not in the U.S.A.!

But it is happening! A short while ago, I spoke in Cass Lake, Minnesota. We were harassed by goons from the American Indian Movement. All of them were outsiders, hired by our tax money through O. E. O., and had been sent into Cass Lake, not to help the local Indians, but to stir up trouble. They had not been invited by local Indian leaders; they were not wanted, for the most part, by local Indians on the reservation. The people of this community told me: "A year ago, when we saw racial trouble in the South and in the large urban areas, we sat back smugly and said, 'This will never happen to us, not in Cass Lake!' But it is here! ...less than a year after we thought we were safe, our families are afraid to go into our streets after dark."

Yes my friends, it can happen here ... open your eyes and you will see that it is happening! We are seeing the disintegration of the greatest nation this world has ever seen.

A few years ago, Nikita Khruschev roared out at the United Nations: "We will bury you!" Most Americans looked on this outburst as the rantings of a paranoid and we met it with lightness and laughter. Our reaction in the United States was so naive, that according to the official Russian newspaper Pravda, when Khruschev returned to Russia he said: "I went to the United States; I spit in their faces and they thought it was dew!"

But Khruschev was speaking as the representative of a very powerful nation that is our avowed enemy: a nation which has promised for over half a century to destroy our American way of life. When Khruschev passed from the scene, the animosity of the Communists did not lessen. Quite the contrary - not a year has passed, since then, but that their leaders have reiterated their plans to destroy us.

In 1949, a Russian named Dmitri Manualisky was head of the United Nations Security Council, he had been a well-known Russian educator: he made this statement, recorded in Pravda:
"Communism and Capitalism cannot long exist side-by-side. We are not strong enough to destroy them (the United States) now. So we will begin by producing the greatest propaganda barrage of the century. There will be unheard of concessions for peace from our side. And the Capitalistic nations, stupid and decadent, will jump at the chance to be our friends; they will rejoice in their own self-destruction. When their guard is down, and they have gone to sleep, we will smash them with our clenched fist."

That threat was made over 25 years ago, and it has been re-made time after time.

This statement, the statement by Khruschev, and many similar promises, have all but faded from the American mind under the present barrage of "peace" and "good-will" as our government climbs into bed with the worst bunch of murderers this old world has ever seen.

Now I'm not trying to be spectacular, but I am going to explore some interesting possibilities with you, as we study together some very important Bible prophecies. Then I will leave it up to you to decide whether or not Almighty God was speaking to America in these Scriptures.

Certainly, you will agree with me on this, nowhere in the Bible is the United States of America mentioned by name. But if you ask: "Is the U.S. in the framework of Bible prophecy?" then the answer would have to be an unqualified, "Yes!" We will look at a number of interesting Scriptures and compare them with facts we know about this country. From these prophecies, I will ask you as intelligent men and women, to make your own decision.

In Isaiah 14:26, we read: "This is the purpose which is purposed on the whole earth." Quite obviously the United States is part of "the whole earth."

In this same set of plans, God says, "And this is the hand that is stretched out upon all nations."
Again, the U.S. must be included and God's hand, according to this prophecy, will be stretched out upon America.

"Though I make a full end of all nations whither I have scattered thee, yet will I not make a full end
of thee." God was speaking here to Israel. One day, Israel will be returned to a place of blessing and usefulness, while all other nations are scheduled to disappear.

In Micah 5:15, we read: "I will execute vengeance in anger and fury upon all nations..." There is no exception here that would eliminate the U.S. from this fate.

Those of us who are honest in our appraisal, realize that the U.S. is fast becoming spiritual decadent. Nowhere, is there a promise that would exclude America from God's wrath, when she disobeys His laws and flaunts them in His face.

The prophet Ezekiel, in chapter 39, verse 21 said: "All nations shall see my judgment..." There is no exception here! Again we see the all-inclusive adjective ALL. Nowhere can we find even a hint that America can escape the fearful consequences of forsaking God. If anything, God's wrath will fall more heavily upon America, for we have been blessed by God beyond all other nations.

Another prophet, Obadiah, tells us in verses 15 and 16: "For the day of the Lord is upon all nations... and they shall be as though they had not been." This is a declarative statement with no indication of any exception.

In Haggai 2:22, another prophet tells us: "And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the nations..." The context of this statement clearly proves that this prophecy was for the future. There can be no comfortable reason for us to believe that this will not happen soon.

One of the major prophets, Isaiah, in chapter 42:1 - and he was speaking here of Christ - said: "...I have put my spirit upon him; he shall bring judgment to the nations..." Again there is no indication of exceptions.

Then in Jeremiah 4:7 we read further: "The lion is come up from his thicket, and the destroyer of the nations is on his way..." This prophecy ties in, interestingly enough, with a statement made by the Apostle Peter several hundreds of years later, in 1st Peter 5:8, when he called the devil, "the adversary the devil, a roaring lion." Both these statements are expressions of prevailing lawlessness and rampant godlessness. According to many other prophecies, these conditions signal the soon return of our Lord to put down a world-wide rebellion against God. Christ will then "DESTROY THE NATIONS!"

For a last reference on this point, I ask you to look at an interesting verse in the 2nd Psalm: "Why do the heathen rage, and the people imagine a vain thing? ... He that sitteth in the heavens shall laugh; the Lord shall have them in derision." The word "rage" means to be "tumultuous" and comes from the root word that suggests "commotion," "restlessness," "noise," and "trouble." In Young's Literal Translation of the Bible, this passage reads: "Why have the nations tumultuously assembled? And why do the people meditate vanity? The kings of the earth and the princes have been united together against Jehovah and His Messiah... He who sitteth in the heavens doth laugh, the Lord doth mock at them, and in His wrath shall He trouble them."

God knows the term "tumultuous" is an apt description for world conditions, especially here in the United States in this year of our Lord, 1973. When God asks these questions, it is not because He does not know the answers. He is saying in essence: "What do the nations expect to gain through tumultuous demonstrations, widespread commotion, lawlessness and noise?" Doesn't it seem unwise for us to exempt the United States from the consequences of these acts, when we have become the leader in world lawlessness? Are we better than other folks that we expect God to smile with benevolence on our godless acts, while He punishes other nations which have committed them? We are fools, if we think God would act with this injustice.

It seems rather unlikely, that God would pinpoint little nations such as Ethiopia, Libya, Egypt and Syria in His prophetic timetable and completely disregard the most powerful and wealthiest nation of all.

I believe one fatal mistake many American Christians have been making, is to disregard the
warnings God has given to the Gentile nations. We tend to shrug these off because America is not mentioned by name. This I believe is extremely dangerous. Too long American Christians have evaded the question of God's wrath. Too long, we have sat complacently and apathetically in our lovely church edifices, saying in effect: "There's nothing to worry about ... surely God would not allow these calamities to come to America!" What fools men become when Satan blinds their minds.

The destruction of America has been planned and at this late hour, there is only one hope. There is only one formula for survival available. It is 2nd Chronicles 7:14. This formula, from the Old Testament, 2nd Chronicles 7:14, is printed at the bottom of my stationery. This is what it says: "If my people, which are called by my name, [this could more accurately be translated, "that call on my name" I will humble themselves and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will HEAL THEIR LAND."

This promise is not made by the President of the United States; it is not made by the head of the United Nations. It is a promise from the mouth of God Himself, and will not be reneged upon if it becomes politically expedient.

The main responsibility for rescuing America from the edge of destruction, rests on the shoulders of those of us who claim the name "Christian." We will either accept this promise, and work on it - or we will perish as a nation!

We must realize right now, that our main enemy in America for the past fifty years has not been Communism. It has been Satan himself, aided and abetted by the host of evil spirit-beings he controls. He has been using Communism effectively to do his dirty work, just as he has used other conspiracies down through the ages of world history. Listen to the Apostle Paul as he expounds on this very subject. I am reading now from Ephesians 6, using the "Living Letter's Translation." "We are not fighting against people made of flesh and blood, but against persons without bodies - the evil kings of the unseen world, those mighty satanic beings and great influences who rule this world: and against huge numbers of wicked spirits in the spirit world."

From the beginning Satan has been our real enemy. Since the day when he "conned" Mother Eve in the Garden of Eden, into disobeying God, he has used evil forces such as Communism to control men and destroy God's handiwork. He knows that his time on this earth is limited; he knows that in the end God will triumph, so he takes out his hatred of God upon God's handiwork. This is why we must fight him and overcome him. We can only do this through God's help.

Neutrality has never had a place in the plans of Almighty God. A Christian who is a "neutralist," is an "apostate." God is always either "for" or "against." God speaks many places of being for the righteous and against the wicked. Jesus said to His own: "Go ...and lo I will be with you" (Matt. 28:19.20). Jehovah said: "I am against thee, O God, the chief prince of Meshech and Tubal" (Ezk. 38:3).

It is a solemn and frightening thing, when we realize that the holy God of love, must express utter contempt for a nation. Listen, "Behold I am against thee, O thou most proud, saith the Lord ... I WILL VISIT THEE!" Jer. 50:31). The word "visit" used here means to bring judgment against. It indicates the end of divine patience and blessing. In Psalm 103:9, we read these awesome words: "He will not always chide (voice disapproval), neither will He keep His anger forever."

No nation - I repem lino nation - no matter how rich, or how powerful it has become, can protect itself when God's hand of judgment is turned against it. We have sixty centuries of written history to prove this, yet men are like the Greek philosopher Aristotle who said: "We have all history to prove this, yet men become blind as stone and deaf as mud." ALL NATIONS, will sooner or later be judged by God, for He has said: "I will make an end of all nations." (Jer 30:11).about.
SPIRITUAL BABYLON

Now here is something in prophecy that is extremely interesting and something that American Christians should consider. In prophecy, there is one prominent, powerful, once God-blessed Gentile nation, that is singled out for devastating judgment, prior to all others. This nation is spiritually called "Babylon."

Many times, those of us who rest safely in the salvation which Christ has provided for all those who accept His full and effective sacrifice - many times, we pay little attention to the meaning of Divine indignation. The blinded unbeliever, seldom if ever entertains the possibility that God's anger will fall on him or his country.

I believe as we study together, that you will admit that the United States fits very neatly into the description made of spiritual Babylon. Listen to her fate as told in Jeremiah 50:25: "The Lord hath opened His armory, and hath brought forth the weapons of his indignation..."

This has a terrible connotation. It does not mean to draw upon a storehouse or stockpile of death dealing agents; it means literally to throw wide the doors - to open the dikes and let a destructive flood pour out upon the land. The term "weapons of his indignation" speaks of God's most destructive weapons. These will make Hiroshima and Nagasaki look like the fizzle of a tiny firecracker by comparison. This is not the vague dreams of a street seer, but the promises of Him whose Word cannot and will not be broken.

There is a strong indication in Scripture, that God's chosen people - Israel - will be taken out of that country before destruction is rained upon it, just as Lot was taken out of Sodom. Listen to Jeremiah 51:6: "Flee out of the midst of Babylon, and deliver every man his soul; be not cut off in her iniquity . . ."

When we see a vast exodus of Jews leaving this country, we can be sure the end of America is at hand. Please God, those of us who love Him and who have been saved by His precious blood, will not be here when this happens.

But let us explore some interesting, descriptive Scripture and see how it fits the United States; in fact, more than any other nation in the world's history. Let me enumerate a few of these descriptive phrases, then we will take time to discuss a few in more detail.

God's Word tells us that "Babylon" will be a country which will meet the following qualifications:

1. It will be the youngest of the great nations.
2. It will be a nation of great national wealth.
3. It will be a nation with great international prestige.
4. It will be a nation which has made amazing scientific achievements.
5. It will be a nation with great defenses.
6. It will be a nation which is involved in world affairs.
7. It will be a nation which has given more Foreign Aid than any other nation in world history.
8. It will be a nation which is blatantly covetous.
9. It will be a nation that eats better than the rest of the world.
10. It will be a nation where spiritual decadence has set in.

11. It will be a nation which has become egotistically blinded by its power and wealth.

Now let us look at specific Scriptures and examine them to see if they fit into what we know about the United States.

In Jeremiah 50:32, the Lord says: "A sword shall be upon . . . the mingled people that are in the midst of her."

Quite evidently, the nation God is talking about will be cosmopolitan by nature. The dictionary defines cosmopolitan as "composed of persons from all or many parts of the world." Ancient Babylon, while made up of people from many areas of the world, could not qualify in the same sense as the United States, for there were many areas of the world which were not included in the population of ancient Babylon - Northern Europe, many areas of Asia, and of course, the New World. There has only been one nation in world history that truly fits this category and that is the U.S. A., commonly known as the "melting pot" of the world.

In the Hebrew language, the word "mingled" means, "mixture," or "mongrel." This means of mixed parentage, of mixed origins, or formed from different language backgrounds. Even our coins bear the Latin inscription, "E pluribus unum!" (many in one). All of us come directly or indirectly from some other nation with the possible exception of a few thousands of native Indians.

There are other nations in the world that have mingled populations this is true. Canada for instance is made up of two great national groups, for the most part, English and French - they have two official, national languages. But in the United States, one of the requirements for U.S. citizenship is a "demonstrable knowledge of the English language."

Another interesting thing about this spiritual Babylon is that it will be the youngest of the great nations. Again in Jer. 50:12 we read: ". . . behold the hindermost of the nations, shall be a wilderness, a dry land, and a desert." This is possibly the most important verse we have examined thus far. The striking clue is the word "hindermost," which means "last" or "youngest." Most great nations of this world were "grey-beards" when the Republic of the United States of America was born in 1776. The references to this nation becoming a wilderness and a desert, could very well come about as the result of a nuclear war. Think about it!

In the past thirty years, America has made spectacular scientific strides. We have lived so fast and so lavishly, that history books of the past three decades read like fairy stories rather than as facts. It has been but a brief moment in time, from the creeping stage coach to the supersonic transport: it has been but a breath in history from the hardships of Plymouth Rock to the unbelievable comforts of contemporary luxury. It has been but the tick of the clock of history from the sundial to the electronic computer.

America became great because the grist mill of vision, patriotism, determination, untiring effort and decency, went hand-in-hand with belief in God and a national effort to follow His commandments. Under the blessings lavished on America through the benevolent hand of God, huge amounts of history were ground out in a minute segment of time.

This development is not hard to explain, for the answer sparkles with vision, courage and with the dauntlessness of those who through blood, tears and prayer, fashioned under God the greatest and most glorious nation of all times. They blended the cultures of the old world - the colors, the diversities, into a commodity we once proudly referred to as "Americanism." We worshiped and worked together; we played side by side; we donned the same uniform; we carried the same flag.

But this has been subtly changed, until today, we often see the idea of patriotism being taught in our public schools as being something immoral. Recently the State of Arizona passed a law which required High School students to have at least one semester of studies on the benefits of Free
Enterprise and our Constitutional form of government. The State Board of Education was shocked to find opposition to this course coming from younger teachers in the state system. Many of these were perfectly willing to teach Sex Education without morality; they were willing to teach the theory of evolution as fact; they were willing to use pornographic books as required reading in their English literature classes, but they balked at teaching the principles of Free Enterprise and Constitutional Government.

Why is this? One of the great Protestant scholars of this century was Dr. Arno Gabelein. In his book *Conflict of the Ages* written in 1932, he warned that Sensitivity Training would lead to the type of education we see creeping into America's school system. On pages 110 and 111, he makes these interesting but rather frightening predictions that we see happening today, forty years after his book was written.

"Joseph Stalin published last year [1931], a detailed plan for the destruction of America. Here are his suggestions:

"1. RELIGION. By philosophy, mysticism, and the development of liberal cults, we can further atheism and discredit all Christian creeds.

"2. ETHICAL. Corrupt morality by advocating promiscuity and advising High School and College students to practice the same; introduce companionable marriage ideas; advocate the liberalization of legal abortions; advance inter-racial marriages; destroy the family foundation; abolish inheritance.

"3. AESTHETIC. Cultivate only the ugly, futuristic and aberrant in art, the drama and music. Practice crude orientalism, modernism, and degenerate perversion.

"4. SOCIOLOGICAL. Display vulgar extravagance; promote and exaggerate all social and economic conditions that will lead to political corruption, unrest and suspicion and intensify all class warfare.

"5. INDUSTRIAL AND FINANCIAL. Create mistrust of the banks; destroy ideals in craftsmanship and pride in workmanship; set up, by a series of talks by professors of sociology and economy, the state monopoly of ownership.

"6. POLITICAL. Set up the idea of thinking 'internationalism,' so as to undermine national patriotism. Create suspicion and distrust wherever possible. Ridicule all patriotic effort and undermine all preparation for national defense. Carry out our set policy for world revolution, as laid down by Rykoff, who said: 'It is our duty to inculcate in the minds of all nations, the theory of international friendship, pacifism and disarmament. However, never for one moment must we relax our efforts to upbuild our military establishment.'

"Lenin once said: 'When a country is selected for attack, we must first set up before the youth of that land a mental barrage which will forever prohibit them from being molded into effective opposition to our armies. This can best be done through teaching of pacifism and non-resistance - particularly with the aid of professors and ministers of the gospel.'

We should all recognize that there are certain dissident elements in our land, which like disease germs in the human body, seek to ravish and destroy it. But we have overcome these elements in the past, until we have become so proud and boastful, that we say in our own strength: "These things will never happen here! We're safe!"

But these things can happen. And the "baby" nation described in prophecy, like a child that has been spoiled through lavish presents and no discipline, is going to be spanked. We have God's promise
for this!

To what Babylon of history could this description possibly apply? The Babylonian Empire was subdued by the Medes and Persians, but it did not become a desert, and the "hindermost" qualification certainly takes it out of the realm of antiquity.

Here is another interesting clue taken from Jer. 51:13, "O thou that dwellest upon many waters, abundant in treasure, thine end is come, and the measure of thy covetousness."

Look for a moment, if you will, at these words "abundant," and "treasures." Abundant is primarily a Bible word. It gives the picture of putting a bucket under a faucet, then turning on the water until it reaches the brim and over-flows. In other words, the water "abounds"; is more than enough to fill the vessel.

The word "treasure" as used here does not refer to valuable items, but to the storehouse that contains them. The Hebrew word o-tsaur used here, means a depository, a granary. It comes from the word aw-tsar which literally means "to lay up." It adds up to a fabulous amassing of fortunes. In other words, we can rightly assume here that God is speaking to a very wealthy nation.

It would be well for us to remember here that while the U.S. only comprises about 7% of the world's population, we are in possession of over one-half of it's wealth. We own 63% of the world's manufactured goods; 74% of the automobiles; 52% of the trucks; 56% of the telephones; 47% of the radios; 46% of the electric output, and in spite of what you may read in your newspapers, we have 53% of the world's known petroleum reserves.

Our Gross National Product rose from 234 billion, 769 million dollars in 1950, to over ONE TRILLION, 50 billion dollars in 1971. This is the most astronomical increase in wealth in the world's history.

These are fantastic figures but are filled with existing dangers. Jesus told us in Lk. 12:48, "For unto whomsoever much is given, of the same shall much be required." Although He was speaking to individuals, it is well for us to remember that it is individuals who make up nations.

Yes indeed, America has become a forgetful nation. We have become in the most part an ungrateful nation too. When a recent group of prisoners of war returned through an Army installation in the Philippines, a nurse in the hospital said: "I've never seen so many Americans in one group who bowed their heads and asked God's blessing before they ate." You see, to these men, God's blessings were very real, for they had been deprived of them for a long time.

But for the most part, America has become a land where men and women have forgotten God. I realize that many Americans still go to church on a more or less regular basis, but all too often, church has become sort of a "sooper-dooper" country club, where folks go because it enhances their status in the community; while other churches have become more like "religious night-clubs" replete with flashing psychedelic lights and religious rock 'n roll music. Oh how self-sufficient we have become. We have deified man's intellect and exhaled the creature above the Creator. As we pride ourselves on our accomplishments, we have builded a new intellectual "Tower of Babel," not only to reach into the heavens, but to "kick God off the throne of the universe, so man can rule supreme." "He that sits in the heavens shall laugh; he shall have them in derision."

As we split the atom, we have taken on ourselves credit for creating it. We have become so egocentric, that many of us have parted company with God Almighty. We are so foolish, we believe we can pick out a path through the jungle of reason and arrive at a safe destination. This idea can best be described in the words of ultra-liberal Arthur Schlesinger, Jr. when he said: "We will create a heaven on earth, a goal accounted much more sensible by modern man than a heaven in heaven. Liberalism has dispensed with absurd Christian myths of sin and damnation, and now believe that the shortcomings of man might be redeemed, not by Jesus on the cross, but by a benevolent unfolding of history. Tolerance, free-inquiry, and technology, operating within the framework of human perfectability, will in the end create a heaven on earth." The Apostle Paul summed this up in
Romans 1:22, when he said: "Professing themselves to be wise, they became fools."

But God says, and this means even America, "Thine end is come [together wit~ the measure of thy covetousness" (Jer. 51:13). Covetousness means an inordinate craving for material things. A nation that barters away her privileges and divine blessings, that trades off her "birthright" for a mess of stinking socialist pottage, always ceases to exist. This is an unalterable law of God.

Here is another interesting prophecy that fits in with the description of America. Though Babylon should mount up to the heaven . . . yet from me shall spoilers come unto her, saith the Lord" (Jer. 51:53). Who ever dreamed fifty years ago that the U.S. would be spending billions in an attempt to explore outer-space?

Again God speaks to mysterious Babylon in verse 55, "Because the Lord hath spoiled Babylon, and destroyed out of her the great voice . . . " This is a clear indication from the highest possible authority that this "end-time" nation will speak with a great deal of authority and prestige in the international councils of the world.

Since global communications and supersonic transportation came into vogue, more and more the U.S. has been the great "voice" in international affairs. We rush envos to troubled areas at the "drop of a hat"; we even send our men to fight and die on foreign soil, as in Korea and Vietnam. But the final articulation of the nation mentioned in prophecy will not be of a famous international political power that has swayed nations with the "hammer strokes" of her opinion; it will be the whimpering cries of a perishing people in deep distress, with none to help!

There are many other references in prophecy that fit America like a glove; we do not have the time in this message to explore them, so let me pick a few which I believe are important.

In the realm of Foreign Aid, we read in Rev. 18:3, the merchants of the earth waxed rich through the abundance of her delicacies." Let me enlarge on this, since Foreign Aid is such a large part of our budget and effects each one of us.

The Lord revealed to John on the Island of Patmos that in the end-time the merchants of the earth would become rich through the voluptuous luxury and great generosity of a nation spiritually called Babylon. This word, "delicacies," comes from a Greek word that means "given to or spent in enjoyments of pleasure, luxury and sexual gratification." The term "waxed rich," indicates economic assistance to an unheard of degree. It is an insensible kind of generosity sometimes seen in a drunk, whose senses are so confused that he will give away his last dollar, wanting to treat everyone regardless of the number, or the cost, or his ability to pay the bill. Our Foreign Aid money, including interest, comes to more than $10 billion each year, and we have to borrow money and pay interest on it in order to give it away.

This is one of the chief characteristics of this "end-time" nation which is destroyed. Listen to verse 9, "And the kings of the earth, [we could as well use the term, leaders] who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning."

Going back again to Jer. 50:38, "It is a land of graven images, and they are mad upon their idols." The expression "mad upon their idols," indicates a nation that has become so obsessed with her lusts, with her spiritual degeneracy and decadence, that she thinks of nothing else. In Colossians 3:5, we see where the word "idolatry" is equated with "covetousness."

Covetousness means always wanting more. This condition is undebatably true of America. We live sumptuously and always want more. In spite of all our financial and economic problems, America's poor live better than 75% of the rest of the world. Baseball players are making more than $250,000 per year, for a few months of doing what used to be called sport. A 24 year old-girl makes $165,000 on TV appearances; a 1-hour-per-week for nine months TV program costs $34 million. All the while, people are in want in our own land and are starving in other countries. "Mad upon her idols" reveals an insane pressing for gratification of the lusts which destroy and produces conditions
which destroyed Sodom and Gomorrah. It has reached the point where religious leaders are telling their young people that sex before marriage is all right, if it is done in the spirit of love. They are telling our youth that there is no such thing as "sin," that there is no "black" or "white," only shades of grey and that anything is all right if it is socially acceptable, or if it makes you feel good. No wonder God is angry with us!

In Rev. 18:7 we read, "How much hath she glorified herself and lived deliciously." The emphasis on "glorify" goes back to historical Babylon and Genesis 11:4 where men said: "Let us make us a name!"

We may scoff at the idea, but just as in Jeremiah's time, it is the course of fleshly enjoyment and indifference towards God that leads to disaster. A well known educator recently said: "History proves that man cannot have sexual freedom and great attainments at the same time; they cannot have these for more than one generation and survive. For either a nation will have sexual freedom and destroy themselves, or they can have sexual discipline and be great." This is the course of history.

The people of Jeremiah's time would not believe God. Listen as the prophet says, "To whom shall I speak and give warning that they might hear? behold, their ear is uncircumcised, and they cannot hearken: behold the word of the Lord is unto them a reproach; they have no delight in it. Therefore am I full of fury; I am weary with holding it in: I will pour it out upon the children abroad, and upon the assembly of young men together; for even the husband with the wife shall be taken, the aged with him that is full of days. And their homes shall be turned unto others, with their fields and wives together: for I will stretch out my hand upon the inhabitants of the land, saith the Lord."

In Ezekiel 33:11, we hear Jehovah as He pleads with the people: "Turn ye, turn ye, for why will ye die?" In Jeremiah 7:3, "Amend your ways and your doings and I will cause you to dwell in the land." In Ezekiel 14:6, "Repent, and turn yourselves from your idols: and turn your faces from all your abominations." The reaction of these ancient people was the same as that of modern day America, one of stolid indifference and blatant rebellion . . . AND THEY PERISHED! Why do we think it will be different for modern America?

Look at history and see what happened. See them weeping beside the rivers of Babylon. See the 500,000 starved to death in Poland. See the 6 million tortured and killed under Hitler in the gas ovens of Dachau and Belsen. There are no tears of regret, no remorse so bitter, as the kind that could have been averted if man had glorified God instead of himself.

The phrase "living deliciously" means a sensual, intemperate, gluttonous kind in which everything is sublimated to physical desire. This type of thinking flourishes in a climate of prosperity - more so in America than in any other nation that has ever existed. Listen to Jeremiah again, 22:21, "I spake unto thee in thy prosperity; but thou saidest, I will not hear. This has been thy manner from thy youth, that thou obeyest not my voice."

Look at the cost of "high living" in America. In 1968, that was five years ago, Americans spent annually for food $84 billion; for recreation $21.5 billion; for illegal gambling $47 billion; for tobacco, $8 billion; for alcoholic beverages, $11 billion; for pets $3.5 billion; for dog food alone, $210 million. Indeed America has been living deliciously.

The Scriptures clearly show - and this is borne out by history - that prosperity, pride and rejection of God, is the spawn of intemperance, incontinence and a moral ruthlessness that ultimately destroys society. It is an index of the apostasy of the times. Prosperity leads to self-sufficiency; self-sufficiency leads to spiritual decadence, and spiritual decadence leads to moral corruption. Finally the stench of it reaches to heaven itself. Listen to Rev. 18:5, "Her sins have reached unto heaven."

That which is against God is sin. It is as plain as all that. It may come under the guise of the "New Morality," or "Situation Ethics," but it is still sin, and it still destroys people and nations.

Our crime bill is running well over the $20 billion level each year. It increased by 10.6% from 1969
to 1970, and by 143.9% in the decade of the 1960's. This is an almost unbearable load for the American people to carry and it comes from man's rejection of God.

We have become a nation of alcoholics and drug addicts. Over 9.5 million of our people are confirmed alcoholics and an estimated 11 million more are problem drinkers. Over half the fatal accidents on America's highways are due to drinking drivers - this is well over the worst casualty years in the Vietnam War. Yet our psychologists choose to call "alcoholism" a "disease." If this is true, it is the only disease in the history of mankind that is subsidized in our newspapers and magazines on TV and on the billboards of our land, the only disease which has been made socially acceptable while killing thousands each year and ruining the lives of millions. What fools we Americans have become and a holy God says: "Her sins have reached unto heaven." When this happens, it indicates that His longsuffering, and His mercy are being taxed to the breaking point. America has reached the critical stage in her terminal illness.

One of the most disturbing things about all this, is that most Americans have become "egotistically blinded." Listen to the prophecy in Rev. 18:7, "For she hath said in her heart, I sit a queen... and shall see no sorrow."

Americans of our time have never felt the sting of war on our soil. While the great cities of Hiroshima, Berlin, London, Tokyo, Dresden and Hanoi have been bombed into heaps of smoking rubble, we have sat as a "queen" complacent in our strength. We are the greatest! We are the best! Surely, it can't happen to us! This thinking is similar in content to the Scripture when it says: "I shall see no sorrow."

It is interesting to note that an apostate atmosphere 'always dims spiritual vision. Few Americans are willing to take God's pronouncements at face value, even when they are proven to be true. George Santayana, the well known Harvard professor of history has said: "He who will not learn from the mistakes of history, is bound to repeat them." Certainly this has been the story of the United States.

American foresight has suffered a rapid decline in the past fifty years. It has gone downhill in the same ratio to which our moral and spiritual strength has declined in the past fifty years. This is all tied in with the growth of religious liberalism in our churches. We should be able to tell, merely by looking at history, that a country cannot last for long when it's home life is being deliberately destroyed - often with religious sanction. When the influence of Christ's church ebbs, then we see a decline in legislative principles, we see governmental power become centralized, we see corruption in politics, lawlessness in the streets, deficit spending in Congress, loss of ideals among the populace, and an utter indifference to the value of human life - note the recent "liberalized abortion craze."

We hope for the best, while many of us espouse the worst. Many of us who dare to call ourselves Christian, sit back in our complacency and complain, but we will do nothing to stop the corruption. In Matthew 5:13, Christ spoke to His followers saying: "Ye are the salt of the earth: but if the salt has lost his savor (ability to act as salt), wherewith shall it be salted? it is thereforth good for nothing, but to be cast out, and to be trodden under foot of man." What are the two main properties of salt? To flavor, and to halt corruption. New Testament churches in recent years, instead of halting corruption, has often added to it. When this happens, Jesus said that she becomes good for nothing but the "garbage heap." It would be well for professing Christians to remember the words of Edmund Burke, the great British statesman, when he said: "All that is necessary for evil to triumph is for good men to do nothing."

In America today, most of our citizens have left the dauntless devotion of Plymouth Rock for a daring departure from everything that is high and holy. The symptoms of decay are on every hand. Sin makes a nation sick. Our symptoms are the same as those observed in Israel over 2,700 years ago that caused the prophet Isaiah to say of her, "... the whole head is sick, and the whole heart faint. From the sole of the foot even unto the head there is no soundness in it; but wounds, and
bruises, and putrefying sores" (Isa. 1:5,6).

It doesn't take a great deal of investigation to see that most of our present trouble, in line of militant demonstrations, is in line with the Communist master plan to disrupt and destroy our society. They have told us this often enough in the past fifty years. We better wake up and realize they mean business. Oh I know, better than most, how they camouflage those plans behind such things as "freedom of speech," and "freedom of the press," but they follow the same pattern just the same and they are all tied together with the same strings.

We need to recall that Israel in the midst of her jubilant but sinful orgies was warned by the prophet not to rejoice, "Rejoice not, O Israel, for joy . . . for thou hast gone a whoring from thy God . . ." (Hosea 9:1). Disaster for Israel seemed imminent and God's servant warned the people about it, and they utterly disregarded His warning and turned on Him most viciously.

This is the way of America today. You want to feel the contempt of American religious leaders today . . . Preach the message I bring to you. Because disaster hasn't struck America yet - the religious and political leaders seem to think it never will. They say, "Why look for disaster? Be positive in your thinking . . . never approach any problem from a negative viewpoint." So they approach sin in a positive manner and treat it as though it doesn't exist, while the danger to our country lurks ominously at the end of every wrong course they take.

If you have ever studied world history, you must agree that God often uses human instruments to execute judgment on nations. Prophecy is that phase of Bible revelation in which God blueprints the future and uses it to warn mankind of dangers that lurk beside the pathway of yet unwritten history. Listen to Jeremiah 50:9 as he speaks again about the mysterious Babylon: "For lo, I will raise and cause to come up against Babylon an assembly alliance] of great nations from the north country: they shall set themselves in array against her."

Now I know exactly what some of you are thinking. You are saying to yourself, "But things are much better now between us and the Communist nations. We have the SALT agreements to protect us and there is a rapport that has never existed before."

Yet even our own government acknowledges that the Soviet Union now has the capability to destroy us. We gave it to her. At least twelve times since 1918, the Soviet Union has been on the verge of economic collapse, and each time she was saved - not by another Communist country, but by her greatest enemy, the U.S. A. Doesn't it seem strange to you that we are spending $70 billion each year on military expenditures, ostensibly to protect ourselves from the threat of Communism, while at the same time we are feeding the Communist countries and doing billions of dollars worth of trade with them, giving them the products they need to destroy us? On July 15, 1968, General Earl G. Wheeler, in an article in the *U. S. News & World Report* said: "The most dangerous threat to the U.S. is posed by the growing Soviet strategic nuclear forces." Since that time, Russia has been rearming three times faster than the United States. Our research on new military weapons has almost come to a standstill since the days of Robert Strange McNamara, and powerful Senator J. William Fulbright would disarm us further.

We must not lose sight of the fact, that God is the agent that will bring judgment on this end-time nation, but that He will bring it through human means. Whether God uses Russia to destroy the U.S. or not is beside the point. What we need to remember now is that if the U.S. continues to disregard God and His laws, we will be destroyed. There can be no escape!

Notice further that God uses the term "nations," when He speaks about the military confederation that comes against Babylon. Could this possibly mean China and Russia? In spite of the growing rift between Russia and China, which is being played up through the news media, there are many indications that the two would stick together if it came to a nuclear war with a Capitalist country. There is little question that if the two of them came against the U.S., we would be destroyed.

Notice some of the characteristics of these nations in Jeremiah 50:42, "They are cruel, and will not
show mercy; their voice is like the roar of the sea." Like ancient Goliath, they are constantly issuing threats, constantly "rattling their rockets," against the United States.

As to the cruelty of these nations, we have had countless examples, and are learning more as our POW's come home from imprisonment in Vietnam. Torture with these people is an accepted norm; inhumanity is to be expected. For they have killed off at least 100 million of their own people in the past fifty years, not during time of war, but just to control them. Why in the name of God do we expect them to show mercy towards us?

The attack against Babylon will be a sneak attack. Look at Jeremiah 50:24, "O Babylon, thou wast not aware; thou art found and also caught." The phrase "thou art caught," indicates that the enemy breaks through her defenses. "Caught," spells the end.

Notice further in 51:32, 'The passages are stopped... and the men of war [military leaders] are affrighted." The word "passages" could mean a sudden break-down in communications and the word "stopped," could very easily mean 'suddenly cut off." Multiply the New York power failure of a few months ago on a nation-wide basis and see the panic that would ensue.

The Scripture further says that her military men would become afraid. This suggests an inward trembling, an alarm, as they realize they have no defense against the sudden attack. If a situation such as this developed, as the military panicked, so would the political leaders. Somewhere in the near future, this will happen to a great nation. Will it be the U.S.?

Notice further in 50:9, "Their arrows shall be as a mighty expert man: none shall return in vain." Could this refer to missiles, that like perfectly aimed arrows, will not miss their targets?

Here is the solemn declaration of God. This great nation will not merely be hurt by this all-out attack against her, but she will be utterly destroyed. Chapter 51, verse 8, "Babylon is suddenly fallen and destroyed." Does this seem utterly inconceivable to you that this might mean the U.S.? It will happen to some great nation, soon.

If we read the Word of God properly, we note 50:40, that the nation attacked will be left in a shambles, utterly desolate and that neighboring countries will also be wrecked.

The prophecy goes on to say that there will be a world-wide reaction to this attack. 50:46, "And the cry is heard among the nations." Again in Rev. 18:11, 'The merchants of the earth shall weep and mourn over her." Can you actually convince yourself that the Bible is speaking of ancient Babylon? People are living today on the site of ancient Babylon, but the Bible prophecy says, Jer. 50:39-40, "Therefore the wild beasts of the desert with the wild beasts of the island shall dwell there, and the owls shall dwell therein: and it shall be no more inhabited forever; neither shall it be dwelt in from generation to generation." This could not possibly be Babylon. Babylon was almost an inland country, she had very little sea coast, so it is hard to understand the phrase "islands." She has also had people living in this area since her disintegration. The country of ancient Babylon went up and down for almost 2,500 years, but never was she completely destroyed as in the Bible prophecy.

The destruction of this great nation takes place in one hour, which signifies in my mind, a nuclear attack. Listen to Rev. 18:10, 17, 19, "Alas, alas, that great city Babylon; that mighty city [nation], for in one hour is thy judgment come... For in one hour so great riches is come to nought... For in one hour is she made desolate." We have no choice but to accept this three times repeated "one hour," as being literal. This never happened to ancient Babylon.

If the wealthy, powerful, wicked, God-forsaking end-time nation spiritually called Babylon in prophecy, is in reality the United States, then possibly this is the answer to the often raised question of Daniel 11:40, "How can Russia, the king of the north, invade Israel without American intervention?" This would certainly happen if America ceased to exist. This is a horrible thought, but one we need to painstakingly consider.

It is natural for one to abhor the thought or suggestion of national disaster. The people of Jeremiah's time tossed him into prison when he forecast their destruction. Today in America, if you try and
warn the people, even the religious leaders claim that the preacher is suffering from a neurosis.

One does not prophecy doom for one's own country because you hate it, or want to see it destroyed, or because you are a "crepe hanger." General aversion to the facts furnishes no escape. Those folks in a peaceful valley in Pennsylvania in 1889, refused to listen to a man who warned that the dam had been weakened by spring rains, and when the Johnstown flood hit the valley, over 2,000 perished. We may not like to admit it, but those of us who are called Christian are to blame for the condition our country is in, for we have sat silently by, for the most part, while the enemy, with all the cunning of Satan, is destroying that which we say we love.

In all honesty we must say with renowned General William K. Garrison, "I do not know of a nation in modern times that deserves the judgment of a holy God as much as America. No other nation has been granted such physical blessings, such spiritual opportunities and such political freedom, yet it has become pagan in character."

The events of the future are most disturbing. The fierce classes of conflicting political ideologies, ruthless subversive tactics, the violent quest for world power, the uprisings of minorities - all combine with many other disconcerting factors to cloud the atmosphere. The picture is indeed a somber one.

An even more alarming way to put it is like this: "It is only a question of time, before a nation that follows in the footsteps of Sodom and Gomorrah, goes down under Divine judgment."

Lord Byron once said, "Civilization goes something like this. First comes freedom; then glory; then wealth; then vice; then corruption; then barbarianism; then collapse; and finally back to slavery." In over 60 centuries of written history, there have been 21 great civilizations - nineteen of them have been destroyed from within by moral and spiritual collapse. They died, long before the barbarians swarmed over their walls or battered down their gates. Why do we think America will be immune?

There is a growing obsession that is being promulgated by many religious groups, especially liberal groups such as the National Council of Churches, that finite man with his technological knowledge, his supersonic transportation and his instantaneous communication can bring about a utopia on earth. It is a grand scheme and one that appeals to unregenerate man. It is challenging and convincing. It calls for one world; one government; one church, but this bubble is about to burst.

The Bible tells us that when men begin to cry "Peace, peace, then sudden destruction cometh upon them..." Man has neither the foundation or the material to build such a glorious world. Paul Harvey has rightly said: "A society predicated on a false premise is pre-doomed."

Make no mistake, my friends, the great and pressing need of this hour is for individuals and our nation to get back to God - back to the deep, rich things which made this nation great; back to where man can find rest from the frustrations of life, where the heart can find confidence as we see foundations crumbling all about us.

It may well be the eleventh hour for America. But we need to remember that many a fight has been won in the last round. If you do not know God's plan for your personal salvation and your personal responsibility towards others, now is the time for you to recognize this and do something about it. Then with vigor, courage and honesty, you can get into the fight - the good fight of faith. Victory is not only preferable to defeat, it is also absolutely possible under God and He has promised us this if we will follow His bidding.

If this nation will turn to God and honor His Word, there would be no question of her future. But if present trends continue; she may very well be the end-time nation we have spoken about today that is judged in prophecy.

Our nation is in desperate need of help and only God can give us the aid we need. We must use the only formula available for our survival, 2 CH-7-14. "If my people, which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways: then will I hear from heaven and will forgive their sins, and will heal their land!" This is the only formula for
survival!

In this dark hour of unprecedented peril, we must come clean for God. We must preach the "whole counsel of God" whether men like it or not, if we are to expect God to fulfill His end of the bargain and heal "Pro land!"

Always, when God delivers, there has been someone, usually many, who have been praying and working through faith to bring it about. Notice that prayer in itself is not enough. If we are to rejoice in victory, then we must first humble ourselves before God, and seek His face, as we turn from every known sin.

This message has been primarily given to those of you who claim the name of Christ. But if you are not a "blood bought" child of God, you likewise have a tremendous responsibility as an American, in seeing that this nation is saved from those who threaten to "bury us"! First of all, you need to recognize yourself as a sinner, doomed before a righteous God, for the Bible tells us that "all have sinned and come short of the glory of God" (Rom. 3:23). Then you need to realize that God in His love for you, as an individual, has made a way of escape possible for you, through the death of His Son Jesus Christ, who died in your place, almost 2,000 years ago. Then you need to ask God for forgiveness, and to accept the plan He has for your life . . . to accept His Son Jesus as the Lord and Master of your life.

When you have done this, then you can know, without the shadow of a doubt, that you are an adopted child of God. You can know without the shadow of a doubt, that God will hear your prayer, when you pray for the salvation of America. You can work for the salvation of this nation, knowing full well, that if America returns to God, she will be saved and will not have to endure the fate of spiritual Babylon. This my friends is the only FORMULA FOR SURVIVAL!

"NERVOUS NELLIES"

SCRIPTURE: - John 3:1-21
TEXT: - John 3:17, 18

Most of us have heard folks called "Nervous Nellies." There are millions of them in this hectic Twentieth Century world of ours. Someone once said: "If the ten o'clock news is good folks go to sleep; if it is bad they go to pieces."

Often older folks become nervous when they see all the changes which are taking place in the world and wonder if they can change their thinking to keep up with the times.

Christians are being bombarded daily with the need for change. The Bible is out-of-date, we are told - often by religious leaders - it needs to be updated to meet the needs of Twentieth Century man. Liberal theologians, with a raft of letters behind their name, make a point of setting our Christian thinking straight, by "pooh-poohing" ideas which have stood the ravages of centuries.

It would be well for us to remember, that the degrees behind a man's name can often be misleading. The D.D. behind a theologians name can just as well stand for Dumb Dog" as for Doctor of Divinity. In Isaiah 56:10, 11, we read these rather interesting words: "His watchmen are blind, they are all dumb dogs, they cannot bark; sleeping dogs, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they look to their own way, everyone for his gain.

A literal translation of these words might well be: "They are dumb dogs who don't have the courage to bark; they sleep and close their eyes to evil for fear of disturbing their congregation, and they look for things which will bring them the most in material wealth and popularity."
Eminent theologians, like Dr. Joseph Fletcher of Cambridge University and father of Situation Ethics, tells our gullible youth: "Do anything that makes you feel good, for there are no absolutes of right and wrong; it all depends on the situation. We should rewrite the Ten Commandments so they read: Thou shalt not steal - ordinarily; thou shalt not kill - ordinarily; thou shalt not commit adultery -ordinarily. But if you love your neighbors wife enough, then the law of love supersedes the divine law of the Bible."

It is no wonder, that with these pressures falling on our youth, we find a vast increase in mental problems over the last decade, along with a noticeable increase in the suicide rate of college age youth.

Just as an aside here, in 1971, the suicide rate among psychologists and psychiatrists, was four times greater than that of the rest of the nation. These are the fellows who are supposed to tell us what is wrong and help us to solve our mental problems.

Psychiatry has always found the question of "mind change" to be perplexing. But in Christian psycho-therapy, it goes beyond the perplexing to become pathetic. Because the question almost always comes from someone who is unregenerate. In other words, one who has never been saved. This does not mean that they are not church members, and they may even bear the title of "Christian," but they have never been saved and have reached the point where they no longer derive satisfaction from "the lust of the flesh, and the lust of the eyes, and the pride of life" (1 John 2:16).

This is the same age-old question the wealthy, influential Nicodemus asked of Jesus in John, chapter three: "How can a man change when he is old?" The Master answered Him by saying: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit" (verse 6). In the light of his fleshly nature, this rich, important, educated man could not understand the things of the Spirit, because "they are spiritually discerned." "But the natural man receiveth not the things of the Spirit of God; for they are foolishness unto him" (1 Corinthians 2:14).

The natural, unregenerate, unsaved man or woman cannot change their thinking, because they are unspiritual. Unsaved people can think only of self: Oh I realize that many of these people fit into the "bleeding heart" category of mankind. They are busy, busy, busy all the time, trying to do good - to help the needy and unfortunate, but all too often, in their ignorance, they are helping the minions of Satan. The highway of the natural man is strewn with the neurotic wrecks of those who cannot change their thinking by their own power. And, here is something to remember, the fleshly nature of man cannot find peace through the lust of the flesh.

Oh if only our young people could truly understand this. How much heartache, and frustration could be avoided; how much pain could be spared; how many hearts remain unbroken.

A well known educator recently said: In their search for freedom, young people are losing that which they want worse than anything else; because they are becoming slaves of their own desires."

A Christian psychiatrist told me that at least 75% of the patients in our mental hospitals do not belong there. "The only one's who have a legitimate right to be in our mental institutions," he said, "are those who are there because of brain damage due to illness or accident. The others are there due to sin in their lives which they refuse to face and the psychologists tell us there is no such thing as sin." Doctors tell these folks: "There is nothing physically wrong with you. You are just nervous.

Enslavement of a person's mind is never sudden. It begins by subtle beguilement. It comes about, most often, through a process of "patient gradualism" so that the victim doesn't even really realize he is being enslaved. But the question is - "Can men and women tear themselves away from a lifetime habit pattern?" They have been in fellowship with Satan for so long, they have learned to depend on him and his worldly pleasures and achievements for satisfaction. This is one of the reasons it is so vitally necessary for us to reach young people for Christ - before they have become deeply enmeshed in Satan's bonds. This is the reason young people respond more easily to the appeal of Christ. A seven-year-old, who understands that he is a sinner and who believes that Christ
died for him, can make a break with Satan much easier than a man or woman who has been Satan's slave for forty or fifty years.

A worldly business man, for example, has been bent on achieving success in a 'dog-eats-dog' world of fierce competition. He is out to accumulate as much of this world's earthly goods as possible. He is never satisfied with what he has. He has set a goal for himself and all thoughts and needs are centered on his ambition. He has no other ambition but his selfish ambition to become tops in his field. He lives in constant fear and anxiety that his business ventures might fail. He develops gastric disturbances which have no organic basis and his doctors tell him, "You must take time off and relax!"

So he tries a vacation, or a hospital rest - which only worries him more, because he is away from his first love -his business.

He tries psychiatry and this may give him temporary relief and a big doctor bill. He may be a member of a prestigious church - he joined because it helped his image in the business world. He may give generously to his church and to charity. His name may appear in the news as a philanthropist. He may be a member of the best country club and be an official in a prominent lodge. But these things do not help!

There is only one cure for this man. When he accepts Jesus Christ as the Savior and believes in the finished work of Christ on the cross of Calvary, then and only then will he have peace in his life. This is the same "peace" spoken of by the Apostle Paul in Philippians 4:7, when he said: "And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."

This is the same "peace" Jesus spoke about in John 14:27 - "Peace I leave with you, my peace I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." When this peace is in the soul then there is absence of fear, anxiety and worry. Many psychiatric patients, like this business man, make a mental and physical recovery; but the vexation in their soul remains and comes boiling to the surface periodically, to torture the mind with doubts, anxieties, fears, and bodily tensions which cause actual physical pain.

Christ leads His sheep away from anxiety, fear and worry. Notice this promise in the Shepherd's Psalm (23rd). "Yea though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me." How wonderful to know, that as adopted son's and daughter's of the King of Kings, He has promised to protect and comfort us. I can vouch for the truth of those promises, through personal experience in my own life.

But Satan, that old devil, drives his slaves. He whips them constantly with fear and anxiety. Constant worry forces them to seek relief, so Satan offers countless diversions that make their appeal through the lust of the flesh - which by the way is no longer considered sin in the liberal terminology.

As a result, sodomy becomes homosexuality and is approved by the liberal "Christ rejecting" church; adultery becomes "free love"; the drunkard becomes the socially acceptable alcoholic who is suffering from a disease, and the murderer is temporarily insane, therefore not accountable for his crime. All these things result, so we are told, not from man's sin, but from the pressures of modern society and so society is to blame for all evil and man cannot be held accountable for anything he does.

As a result of this idiotic kind of thinking, a parent must not talk about sin to their child, for it may give them a guilt complex and this will disturb them. Recently a good friend of mine who runs a fine Christian school in South Carolina, had a third grade student removed from the school. The girls' mother was disturbed because one of the teachers had talked about hell, and her "little darling" was scared. How much better to have the child frightened by a very real danger, and miss that danger, rather than to shield her from it and someday have her spend eternity in hell.
Satan has been very successful in indoctrinating the world to believe that sin is no longer sin. He often uses apostates within the church, to ensnare those he wants to use for his nefarious purposes. In 2nd Timothy 4:3, 4, we read these interesting and true words: "For the time will come, when they will not endure sound doctrine; but after their own lusts shall heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables."

Then in chapter 3, verse 13 - "For evil men and seducers shall wax worse and worse, deceiving and being deceived." The Living Bible paraphrases it this way: "For there is going to come a time, when people won't listen to the truth, but will go around looking for teachers who will tell them just what they want to hear. They won't listen to what the Bible says, but will blithely follow their own misguided ideas." That time is here - NOW!

The devil, the "prince of the power of the air," is doing everything in his power to keep men and women, boys and girls, from raising their voices in a cry for deliverance. He comes to their aid with a new remedy for nerves and suggests diabolical diversions. These do not change the thought patterns - they merely divert the thoughts for a short time. They do not relieve the patient of torment or fear. Only God can do this for those who put their trust in Him. "He that feareth is not made perfect in love."

There it is! If you are constantly in fear - if you worry all the time, if anxieties drive you berserk - maybe you better look to your relationship with God, and find out if you were ever really "born-again." This isn't so, just because you have your name on some church roll, or because you were baptized sometime in the past, or because you are a member of a lodge, or because you live a good moral life. It goes much, much deeper than this.

People whose lives are anchored in things of this world can never be truly happy. The individual whose thoughts are centered on pleasing himself can never get away from anxiety and worry, for it becomes a vicious circle.

Today, Satan is battling with all his diabolical skill, using his gigantic psychological propaganda to prove to man that he has no soul and placing emphasis on the mind of man as the seat of all fear, anxiety, worry, maladjustment, and nervousness. Only a "born-again" Christian can understand this diabolical deception. It is a bold attempt on the part of the devil to wipe out all need for Christianity and force men to believe in his own power. Even when men and women express the desire to find God, Satan often tries to channel them into a bloodless religion, where psychology of the mind holds sway.

Over 150 years ago, a German philosopher by the name of Ludwig Feurbach promulgated this idea, when he said: "Man will finally be truly free, when he realizes there is no god of man, but man himself." This idea, took root in the diseased mind of a young radical called Karl Marx and became the foundation of the Communist philosophy of "dialectical materialism."

Let me quote to you from the Communist textbook on "Psychopolitics." (The art of controlling the thinking of an entire nation of people). This book is used in the Lenin School of Political Warfare, part of Lenin University in Moscow: "Man is an animal . . . Having no independent will of his own he can be easily controlled . . . The first thing to be degraded must be man himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reactions . . He must no longer think of himself as being capable of spiritual nobility . . . He must be taught that the salvation of man is found only in his adjustment to his environment . . . As in many countries the church is the most ennobling influence, each and every branch and activity of the church, must, one way or the other be discredited. Religion must be made unfashionable by demonstrating through psychological indoctrination that the soul is non-existent, and that man is an animal."

Why do you suppose that "evolution" as fact, is being taught in all of our public schools? Even though it is scientifically known to be an unproved theory. Why have Bible teachings on morality been superceded by the new theology of "Situation Ethics?" Often these things are being taught by
"seducers" clothed in clerical garb.

Of course the unsaved individual cannot see either the folly or deception in this line of reasoning, because they do not believe or accept the Word of God, which says that "thoughts and intents," (Hebrews 4:12); "imaginations," (Genesis 6:5); "meditations," (Psalm 19:14); and "deceit," (Acts 5:4) are conceived in a man's heart.

God has given to mankind the remedy for the soul's problems. If you have not accepted Jesus Christ as your Savior; then God invites you today, in fact right at this moment, to accept Him. Christ died on the cross, almost 2,000 years ago, to make an atonement for your lost soul. This may be contrary to what you have believed. But listen to me - you cannot be saved by moral rules you have made up yourself, or that some other human has made... no matter how prestigious he may be, even in the field of theology. God has given us life and we live on this earth according to His mercy. When He takes away the breath of life, we die and our soul goes to one of two places - either heaven, or hell. You may not want to accept this - but hell exists whether you want to believe in it or not. And those who refuse to believe Christ and His atoning work on Calvary, go to hell, to suffer, in literal, physical torment through the ages of eternity. They are punished, not because of the sin they have committed, but because God offered them a way of escape and they refused.

Look at our text again: "For God sent not His Son into the world to condemn the world, but that the world through Him might be saved. He that believeth on Him is not condemned, but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."

Those who accept this salvation - freely offered by a God who loves you - will go to heaven to live with Him for eternity.

Some of you may say: "How will this keep me from being a 'Nervous Nelly?' " "How can this take away my worries?"

When you believe in Christ, God sends His Holy Spirit to dwell in you. He helps you understand the Bible. As you read His Word and begin to understand all the wonderful provisions He has made for His adopted children, you will begin to see how you can triumph over evil of all kinds.

When you overcome evil, then the influences of doubt, fear, anxiety and worry are dispelled by the power of God Himself.

When doubts return - and they do - you can turn aside from them by looking at the cross, where Christ overcame Satan and all his hosts that torment and oppress us.

Wouldn't you like to have this satisfaction right now?

You may say: "But how can I be sure? Listen to 1st John 5:13 (READ) 'These things have I written unto you, THAT YE MAY KNOW THAT YE HAVE ETERNAL LIFE!"

The End
Beria headed Stalin's Commissariat for Internal Affairs (NKVD) and other Soviet intelligence and security organizations from 1938 until 1953 when his attempt to succeed Stalin failed and he was executed. In the book *Beria: Stalin's First Lieutenant*, his activities are described in gory detail. For example, Beria kept a special room adjacent to his office for the torturing and raping of small children.

Beria killed 4 times as many Christians as the number of Jews Hitler allegedly killed, yet in school we would never learn about him. And if we did learn about him, or other Jewish communist mass-murderers, the books would never mention that any of them were Jews. We *never* stop learning about what the "evil" Germans did to the poor harmless dears.

A SYNTHESIS OF THE
JEWISH-COMMUNIST TEXTBOOK
ON PSYCHOLOGY

A NEW TRANSCRIPTION OF
KENNETH GOFF’S CLASSIC
BY
ALEXI DROBYCHEV
PSYCHOPOLITICS

TOP SECRET
Kenneth Goff did an excellent job of condensing into such a small booklet the much larger work entitled, “The Communist Manual of Instructions of Psychopolitical Warfare”. He was able to gather all of the ideas and stratagems together while sifting out the excess verbiage. But after reading his transcription as well as a transcription by Lt. Col. Gordon “Jack” Mohr, I realized that some of the meanings from the original textbook were a bit fuzzy and confused. This was due to the fact that Kenneth Goff was too close to his subject and he tried to squeeze too many ideas into the same sentence. Thus, his original booklet is filled with run-on sentences and odd mixtures of parenthetical phrases that are confusing. All of the ideas, he was able to transcribe, but his English grammar was a bit weak. For this reason, I have edited his transcription into Standard American English punctuation. Hopefully, the modern American Reader will now be able to understand Kenneth Goff’s masterpiece more easily.

Jack Mohr’s transcription merely copied the same mistakes by using Mr. Goff’s original text. However, Reverend Mohr (who was a Korean War veteran) added some very interesting footnotes to his transcription of this classic, which the Reader may find interesting.
I want to keep Kenneth Goff’s masterpiece as a unified whole. It contained no footnotes. So, I will mention just one of Jack Mohr’s footnotes here: “The Schizophrenic Society of Psychiatrists recently released figures indicating the suicide rates among psychiatrists are four times the national rate. Of Sigmund Freud’s original group of twelve psychiatrists, seven committed suicide.”

So, I ask the Reader to consider that if the psychiatrists are so crazy, what assistance can they be for the people who go to them for help? Also, who taught them psychology since their teachers may have been psychopolitical operatives who purposely induced them to suicide? Another question that I have for you to consider is: Who taught Dr. Benjamin Spock to pervert the mothers and the children of America? As you study Kenneth Goff’s transcription, you will begin to understand such things.

One of the other early experts in the art and science of Psychological Warfare and Brainwashing Techniques was Ed Hunter. His books written soon after the Korean War contained several passages that can help the Reader understand the diabolical history of Brainwashing more easily, a history that was not available to Kenneth Goff.

According to Ed Hunter’s book (“Brainwashing”, page-40), after the Jews took over Russia with their Bolshevik Revolution, Lenin brought Pavlov to the Kremlin, locked him in a room with all the comforts and assigned him to write, “a summary of his life’s work on dogs and other animals; only, he was to apply this knowledge to human beings. He was to relate in precise detail exactly where and how his research did or could affect the human race. Pavlov ... occupied a room in the Kremlin for three full months [and] completed a 400-page manuscript. This was a book, a priceless book. He handed it to Lenin.

“Pavlov saw Lenin a day or so after the dictator had gone over the manuscript. Lenin was in high spirits.... He told Pavlov that he had ‘saved the Revolution,’ and that his findings guaranteed the future of world communism.... [Lenin] felt sure
that he had discovered the means to bend free will to the Party’s will, to his will.”

“Pavlov’s manuscript, which became the working basis for the whole communist expansion-control system, has never left the Kremlin.”

Edward Hunter was mistaken in this last sentence because Pavlov’s work was the basis for the Jewish-Communist “Manual of Instructions of Psychopolitical Warfare” which Kenneth Goff has so ably transcribed.

But there is another fruit to this diabolical work that the present Reader will probably recognize. And that is the effect of Brainwashing upon that traitorous President of the United States by the name of Bill Clinton. No President since FDR was as infamous a traitor to his country than was Bill Clinton. Franklin Delano Roosevelt was secretly a Sephardic Jew, so his treason is understandable. But why would a solid American like Bill Clinton be so depraved both morally and politically?

Young Bill Clinton was a student activist and an anti-Vietnam War protestor. As a Rhodes Scholar, he was invited to spend an all-expenses-paid vacation in Communist Czechoslovakia. No mention has ever been made of what he did during the two months that he spent behind the Iron Curtain. This young, ambitious student, who would later be channeled into the Presidency by his Jewish and Communist handlers, was a prime candidate for the techniques that had been so carefully developed by the Communists through their experiments on political prisoners and on Korean War captives.

No mention has been made of what Bill Clinton experienced during his vacation behind the Iron Curtain, but the “Textbook on Psychopolitics” gives us a very graphic hint. For example, these passages show what the Jew-Commies did to young, Bill Clinton:

“You can change their loyalties by psychopolitics. Given a short time with a psychopolitician you can alter forever the loyalty of a soldier in our hands or a statesman or a leader in his own country, or you can destroy his mind.”

“A good and experienced psychopolitical operator,
working under the most favorable circumstances, can alter by
the use of psychopolitical technologies, the loyalties of an
individual so deftly that his own companions will not suspect
that they have changed.”

“In the case of strong leaders amongst youthful groups,
a psychopolitical operator can work in many ways to use or
discard that leadership. If it is to be used, the character of the
girl or boy must be altered carefully into criminal channels and
a control by blackmail or other means must be maintained. …
Particularly brilliant scholars, athletes and youth group leaders
must be handled in either one of these two ways.”

“It is in the interest of Psychopolitics that a population
be told that an hypnotized person will not do anything against
his actual will, will not commit immoral acts, and will not act
so as to endanger himself. While this may be true of light,
parlor hypnotism, it certainly is not true of commands im-
planted with the use of electric shock, drugs, or heavy punish-
ment. It is counted upon completely that this will be discred-
ited to the general public by psychopolitical operatives, for if it
were to be generally known that individuals would obey com-
mands harmful to themselves, and would commit immoral acts
while under the influence of deep hypnotic commands, the
actions of many people working unknowingly in favor of
Communism, would be too-well understood. People acting
under deep hypnotic commands should be acting apparently of
their own volition and out of their own convictions.

“Drugging the individual produces an artificial exhaus-
tion, and if he is drugged, or shocked and beaten, and given a
string of commands, his loyalties, themselves, can be definitely
rearranged.

“Sexual lust, masochism, and any other desirable
perversion can be induced by pain-drug hypnosis and the
benefit of Psychopolitics.”

And so, as you study Kenneth Goff’s “Synthesis of the
Russian Textbook on Psychopolitics”, think about some of the
events that take place in your country. How, why and by whom
are Christians besmirched? By whom are patriots and anti-
Communists labeled as “right-wing extremists” or “paranoid”? Who is it behind attacks on the Bill of Rights, especially those Rights such as Freedoms of Speech and Religion and Gun Ownership? What methods are used by that Communist-front group known as the American Civil Liberties Union? Why are children taken from their parents? Who promotes promiscuity and perversion, drug and alcohol use in the Media? Who is it that tries to convince us that criminals are not responsible for their actions or that insanity can only be understood by psychiatrists and psychologists?

I am sure that these and many other questions will occur to you, and some of the answers will become very plain. It was Ed Hunter’s discovery that brainwashing cannot happen to a People who know what it is, but only to those who are ignorant of its methods.

It is my hope that the terrors, the death and the destruction that the Jewish Bolsheviks brought to my grandmother’s country will never occur in America. So, please follow the advice that served the ancient Romans so well: “It is a duty to know the enemy.”

— Alexi Drobychev, August 8, 2001 AD
From May 2, 1936, to October 10, 1939, I was a dues-paying member of the Communist Party, operating under my own name, Kenneth Goff, and also the alias, John Keats. In 1939, I voluntarily appeared before the Un-American Activities Committee in Washington, D. C., which was chairmaened at that time by Martin Dies, and my testimony can be found in Volume 9 of that year’s Congressional Report.

During the period that I was a member of the Communist Party, I attended their school, which was located at 113 E. Wells St., Milwaukee, Wisconsin, and operated under the name Eugene Debs Labor School. Here we were trained in all phases of warfare, both psychological and physical, for the destruction of the Capitalistic society and Christian civilization. In one portion of our studies we went thoroughly into the matter of psychopolitics. This was the art of capturing the minds of a nation through brainwashing and fake mental health, the subjecting of whole nations of people to the rule of the Kremlin by the capturing of their minds. We were taught that the degradation of the populace is less inhuman than their destruction by bombs, for to an animal who lives only once, any life is sweeter than death. The end of a war is the control of a conquered people. If a people can be conquered in the absence of war, the end of the war will have been achieved without the destructions of war.

During the past few years I have noted with horror the increase of psychopolitical warfare upon the American public — first, in the brainwashing of our boys in Korea and then in the well-financed drive of mental health propaganda by left-wing pressure groups, wherein many of our states have passed Bills which can well be used by the enemies of America to subject to torture and imprisonment those who preach the gospel of our Lord and Savior Jesus Christ, and who oppose the menace of Communism. A clear example of this can be seen in the
Lucille Miller case. In this warfare the Communists have definitely stated: “You must recruit every agency of the nation marked for slaughter into a foaming hatred of religious healing.”

Another example of the warfare that is being waged can be seen in the attempt to establish a mental Siberia in Alaska, which was called for in the Alaskan Mental Health Bill. A careful study of this Bill will make you see at once that the land set aside under the allotment could not be for that small territory. And the Bill, within itself, establishes such authority that it could be turned into a prison camp under the guise of mental health for everyone who raises their voice against Communism and the hidden government operating in our nation.

This book was used in underground schools and contains the address of Beria to the American students in the Lenin University prior to 1936. The text in the book in general is from the Communist Manual of Instructions of Psychopolitical Warfare and was used in America for the training of Communist cadre. The only revision in this book is the summary, which was added by the Communists after the atomic bomb came into being. In its contents you can see the diabolical plot of the enemies of Christ and America, as they seek to conquer our nation by subjecting the minds of our people to their will by various sinister means.

This manual of the Communist Party should be in the hands of every loyal American, that they may be alerted to the fact that it is not always by armies and guns that a nation is conquered.

In Summary ......................................................................................... 78
American students at the Lenin University, I welcome your attendance at these classes on Psychopolitics.

Psychopolitics is an important if less known division of Geopolitics. It is less known because it must necessarily deal with highly educated personnel, the very top strata of “mental healing.”

By Psychopolitics our chief goals are effectively carried forward. To produce a maximum of chaos in the culture of the enemy is our first most important step. Our fruits are grown in chaos, distrust, economic depression and scientific turmoil. At last, a weary populace can seek peace only in our offered Communist state. At last, only Communism can resolve the problems of the masses.

A psychopolitician must work hard to produce the maximum chaos in the fields of “mental healing.” He must recruit and use all the agencies and facilities of “mental healing.” He must labor to increase the personnel and facilities of “mental healing” until at last the entire field of mental science is entirely dominated by Communist principles and desires.

To achieve these goals the psychopolitician must crush every “home-grown” variety of mental healing in America. Actual teachings of James, Eddy and Pentecostal Bible faith healers amongst your misguided people must be swept aside. They must be discredited, defamed, arrested, stamped upon even by their own government until there is no credit in them and only Communist-oriented “healing” remains. You must work until every teacher of psychology unknowingly or knowingly teaches only Communist doctrine under the guise of “psychology.” You must labor until every doctor and psychiatrist is either a psycho-politician or an unwitting assistant to our aims.
You must labor until we have dominion over the minds and bodies of every important person in your nation. You must achieve such disrepute for the state of insanity and such authority over its pronouncement that not one statesman so labeled could again be given credence by his people. You must work until suicide arising from mental imbalance is common and calls forth no general investigation or remark.

With the institutions for the insane you have in your country — prisons which can hold a million persons and can hold them without civil rights or any hope of freedom — and upon these people can be practiced shock and surgery so that never again will they draw a sane breath. You must make these treatments common and accepted. And you must sweep aside any treatment or any group of persons seeking to treat by effective means.

You must dominate, as respected men, the fields of psychiatry and psychology. You must dominate the hospitals and universities. You must carry forward the myth that only a European doctor is competent in the field of insanity and thus excuse amongst you the high incidence of foreign birth and training. If and when we seize Vienna, you shall have then a common ground of meeting and can come and take your instructions as worshippers of Freud along with other psychiatrists.

Psychopolitics is a solemn charge. With it you can erase our enemies as insects. You can cripple the efficiency of leaders by striking insanity into their families through the use of drugs. You can wipe them away with testimony as to their insanity. By our technologies you can even bring about insanity, itself, when they seem too resistive.

You can change their loyalties by psychopolitics. Given a short time with a psychopolitician you can alter forever the loyalty of a soldier in our hands or a statesman or a leader in his own
country, or you can destroy his mind.

However you labor under certain dangers. It may happen that remedies for our “treatments” may be discovered. It may occur that a public hue and cry may arise against “mental healing.” It may thus occur that all mental healing might be placed in the hands of ministers and be taken out of the hands of our psychologists and psychiatrists. But the Capitalistic thirst for control, Capitalistic inhumanity, and a general public terror of insanity, can be brought to guard against these things. But should they occur, should independent researchers actually discover means to undo psychopolitical procedures, you must not rest, you must not eat or sleep, you must not stint one tiniest bit of available money to campaign against it, discredit it, strike it down and render it void. For by an effective means, all our actions and researches could be undone.

In a Capitalistic state you are aided on all sides by the corruption of the philosophy of man and the times. You will discover that everything will aid you in your campaign to seize, control, and use all “mental healing” to spread our doctrine and rid us of our enemies within their own borders.

Use the courts, use the judges, use the Constitution of the country, use its medical societies and its laws to further our ends. Do not stint in your labor in this direction. And when you have succeeded, you will discover that you can now effect your own legislation at will. And you can — by careful organization of healing societies, by constant campaign about the terrors of insanity, by pretense as to your effectiveness — make your Capitalist, himself, by his own appropriations, finance a large portion of the quiet Communist conquest of the nation.

By psychopolitics create chaos. Leave a nation leaderless. Kill our enemies. And bring to Earth, through Communism, the greatest peace Man has ever known.

Thank you.
CHAPTER I
THE HISTORY AND DEFINITION
OF PSYCHOPOLITICS

Although punishment for its own sake may not be entirely without recompense, nevertheless, it is true that the end and goal of all punishment is the indoctrination of the person being punished with an idea — whether that idea be one of restraint or obedience.

In that any ruler from time beyond memory has needed the obedience of his subjects in order to accomplish his ends, he has thus resorted to punishment. This is true of every tribe and state in the history of Man. Today, Russian culture has evolved more certain and definite methods of aligning and securing the loyalties of persons and populaces, and of enforcing obedience upon them. This modern outgrowth of old practice is called Psychopolitics.

The stupidity and narrowness of nations not blessed with Russian reasoning, has caused them to rely upon practices which are, today, too ancient and out-moded for the rapid and heroic pace of our time. And in view of the tremendous advance of Russian Culture in the field of mental technologies, begun with the glorious work of Pavlov and carried forward so ably by later Russians, it would be strange that an art and science would not evolve totally devoted to the aligning of loyalties and extracting the obedience of individuals and multitudes.

Thus we see that psychopolitical procedures are a natural outgrowth of practices as old as Man, practices which are current in every group of men throughout the world. Thus, in psychopolitical procedures, there is no ethical problem since it is obvious and evident that Man is always coerced against his will to the greater good of the State, whether by economic gains or indoctrination into the wishes and desires of the State.

Basically, Man is an animal. He is an animal which has been given a civilized veneer. Man is a collective animal, grouped together for his own protection before the threat of the environment. Those who so group and control him must then
have in their possession specialized techniques to direct the vagaries and energies of the animal Man toward greater efficiency in the accomplishment of the goals of the State.

Psychopolitics, in one form or another, have long been used in Russia. But the subject is all but unknown outside the borders of our nation, save only where we have carefully transplanted our information and where it is used for the greater good of the nation.

The definition of Psychopolitics is as follows:

Psychopolitics is the art and science of asserting and maintaining dominion over the thoughts and loyalties of individuals, officers, bureaus, and masses, and the effecting of the conquest of enemy nations through “mental healing.”

The subject of Psychopolitics breaks down into several categories, each naturally and logically proceeding from the last. Its first subject is the constitution and anatomy of Man, himself, as a political organism. The next is an examination of Man as an economic organism, as this might be controlled by his desires. The next is classification of State goals for the individual and masses. The next is an examination of loyalties. The next is the general subject of obedience. The next is the anatomy of the stimulus-response mechanisms of Man. The next is the subjects of shock and endurance. The next is categories of experience. The next is the catalyzing and aligning of experience. The next is the use of drugs. The next is the use of implantation. The next is the general application of Psychopolitics within Russia. The next is the organization and use of counter-Psychopolitics. The next is the use of Psychopolitics in the conquest of foreign nations. The next is psychopolitical organizations outside Russia, their composition and activity. The next is the creation of slave philosophy in a hostile nation. The next is countering anti-psychopolitical activities abroad. And the final one, the destiny of psychopolitical rule in a scientific age. To this might be added many subcategories, such as the nullification of modern weapons by psychopolitical activity.

The strength and power of Psychopolitics cannot be
overestimated, particularly when used in a nation decayed by pseudo-intellectualism, where exploitation of the masses combines readily with psychopolitical actions, and particularly where the greed of Capitalistic or Monarchial regimes have already brought about an overwhelming incidence of neurosis. These neuroses can be employed as the groundwork for psychopolitical action and a psychopolitical corps.

It is part of your mission, student, to prevent psychopolitical activity to the detriment of the Russian State; just as it is your mission to carry forward in our nation and outside of it, if you are so assigned, the missions and goals of Psychopolitics. No agent of Russia could be even remotely effective without a thorough grounding in Psychopolitics. And so, you carry forward with you a Russian trust to use well what you are learning here.
CHAPTER II
THE CONSTITUTION OF MAN AS
A POLITICAL ORGANISM

Man is already a colonial aggregation of cells, and so to consider him an individual would be an error. Colonies of cells have gathered together as one organ or another in the body, and then these organs have, themselves, gathered together to form the whole. Thus, we see that man, himself, is already a political organism even if we do not consider masses of men.

Sickness could be considered to be a disloyalty to the remaining organisms on the part of one organism. This disloyalty, becoming apparent, brings about a revolt of some part of the anatomy against the remaining whole. And thus we have, in effect, an internal revolution. The heart, becoming disaffected, falls away from close membership and service to the remainder of the organism; and we discover the entire body in all of its activities is disrupted because of the revolutionary activity of the heart. The heart is in revolt because it cannot or will not cooperate with the remainder of the body. If we permit the heart thus to revolt, the kidneys, taking the example of the heart, may in their turn rebel and cease to work for the good of the organism. This rebellion, multiplying to other organs and the glandular system, brings about the death of the “individual”. We can see with ease that the revolt is death; that the revolt of any part of the organism results in death. Thus, we see that there can be no compromise with rebellion.

Like the “individual” man, the State is a collection of aggregations. The political entities within the State must, all of them, co-operate for the greater good of the State lest the State, itself, fall asunder and die. For with the disaffection of any single district, we discover an example set for other districts, and we discover, at length, the entire State falling. This is the danger of revolution.

Look at Earth. We see here one entire organism. The organism of Earth is an individual organism. Earth has as its organs the various races and nations of men. Where one of these is permitted to remain disaffected, Earth itself is threat-
ened with death. The threatened rebellion of one country, no
matter how small, against the total organism of Earth, would
find Earth sick and the cultural state of man to suffer in conse-
sequence. Thus, the putrescent illness of Capitalist States,
spreading their pus and bacteria into the healthy countries of
the world, would not do otherwise than bring about the death
of Earth — unless these ill organisms are brought into loyalty
and obedience and made to function for the greater good of the
world-wide State.

The constitution of Man is so composed that the indi-
vidual cannot function efficiently without the alignment of
each and every part and organ of his anatomy. As witness the
barbarians of the jungle, in an unformed and uncultured state,
the average individual is incapable. So must he be trained into
a co-ordination of his organic functions by exercise, education,
and work towards specific goals. We particularly and specifi-
cally note that the individual must be directed from the outside
to accomplish his exercise, education, and work. He must be
made to realize this, for only then can he be made to function
efficiently in the role assigned to him.

The tenets of rugged individualism, personal determin-
ism, self-will, imagination, and personal creativeness, are alike
in the masses antipathetic to the good of the Greater State.
These willful and unaligned forces are no more than illnesses
which will bring about disaffection, disunity, and eventually
the collapse of the group to which the individual is attached.

The constitution of Man lends itself easily and thor-
oughly to certain and positive regulation from the outside of all
of its functions, including those of thinking, obedience, and
loyalty. And these things must be controlled if a greater State is
to ensue.

While it may seem desirable to the surgeon to amputate
one or another limb or organ in order to save the remainder, it
must be pointed out that this expediency is not entirely possible
of accomplishment where one considers entire nations. A body
deprived of organs can be observed to be lessened in its effec-
tiveness. The world deprived of the workers (now enslaved by
the insane and nonsensical idiocies of the Capitalists and Monarchs of Earth), if removed, would create a certain disability in the worldwide State. Just as we see the victor forced to rehabilitate the population of a conquered country at the end of a war, thus any effort to depopulate a disaffected portion of the world might have some consequence. However, let us consider the inroads of virus and bacteria hostile to the organism; and we see that unless we can conquer the germ, the organ or organism that it is attacking will, itself, suffer.

In any State we have certain individuals who operate in the role of the virus and germ. And these, attacking the population or any group within the population, produce by their self-willed greed, a sickness in the organ that then generally spreads to the whole.

The constitution of Man as an individual body or the constitution of a State or a portion of the State as a political organism, are analogous. It is the mission of Psychopolitics first to align the obedience and goals of the group, and then maintain their alignment by the eradication of the effectiveness of the persons and personalities who might swerve the group toward disaffection. In our own nation, where things are better managed and where reason reigns above all else, it is not difficult to eradicate the self-willed bacteria that might attack one of our political entities. But in the field of conquest, in nations less enlightened, where the Russian State does not yet have power; it is not as feasible to remove the entire self-willed individual. Psychopolitics makes it possible to remove that part of his personality which, in itself, is making havoc with the person’s own constitution and havoc in the group with which the person is connected.

If the animal man were permitted to continue undisturbed by counter-revolutionary propaganda, and if he were left to work under the well-planned management of the State, then we would discover little sickness amongst Man and we would discover no sickness in the State. But where the individual is troubled by conflicting propaganda, where he is made the effect of revolutionary activities, where he is permitted to think
thoughts critical of the State itself, where he is permitted to question those in whose natural charge he falls; we would discover his constitution to suffer. We would discover from this disaffection, the additional disaffection of his heart and of other portions of his anatomy. So certain is this principle that when one finds a sick individual — could one search deeply enough — he would discover a misaligned loyalty and an interrupted obedience to that person’s group unit.

There are those who foolishly have embarked upon some spiritual Alice-in-Wonderland voyage into what they call the “subconscious” or the “unconscious” mind; and who, under the guise of “psychotherapy”, would seek to make well the disaffection of body organs. But it is to be noted that their results are singularly lacking in success. There is no strength in such an approach. When hypnotism was first invented in Russia, it was observed that all that was necessary was to command the unresisting individual to be well in order, many times, to accomplish that fact. The limitation of hypnotism was that many subjects were not susceptible to its uses; and so, hypnotism has had to be improved upon in order to increase the suggestibility of individuals who would not otherwise be reached. Thus, any nation has had the experience of growing well again as a whole organism, when placing sufficient force into play against a disaffected group. Just as in hypnotism any organ can be commanded into greater loyalty and obedience, so can any political group be commanded into greater loyalty and obedience should sufficient force be employed. However, force often brings about destruction and it is occasionally not feasible to use broad mass force to accomplish the ends in view. Thus, it is necessary to align the individual against his desire not to conform.

Just as it is a recognized truth that Man must conform to his environment, so it is a recognized truth, and will become more so as the years proceed, that even the body of Man can be commanded into health.

The constitution of Man renders itself peculiarly adapted to re-alignment of loyalties. Where these loyalties are
indigestible to the constitution of the individual itself — such as loyalties to the “petit bourgeoisie”, the Capitalist, to anti-Russian ideas — we find the individual body peculiarly susceptible to sickness. And thus we can clearly understand the epidemics, illnesses, mass-neuroses, tumults and confusions of the United States and other capitalist countries. Here we find the worker improperly and incorrectly loyal, and thus we find the worker ill. To save him and establish him correctly and properly upon his goal toward a greater State, it is an overpowering necessity to make it possible for him to grant his loyalties in a correct direction. In that his loyalties are swerved and his obedience cravenly demanded by persons antipathetic to his general good, and in that these persons are few, even in a Capitalist nation, then the goal and direction of Psychopolitics is clearly understood. To benefit the worker in such a plight, it is necessary to eradicate — by general propaganda, by other means, and by his own cooperation — the self-willedness of perverted leaders. It is necessary, as well, to indoctrinate the educated strata into the tenets and principles of cooperation with the environment and, thus, to insure to the worker a less-warped leadership, a less-craven doctrine, and more cooperation with the ideas and ideals of the Communist State. The technologies of Psychopolitics are directed to this end.
CHAPTER III
MAN AS AN ECONOMIC ORGANISM

Man is subject to certain desires and needs which are as natural to his beingness as they are to that of any other animal. Man, however, has the peculiarity of exaggerating some of these beyond the bounds of reason. This is obvious through the growth of leisure classes, pseudo-intellectual groups, the “petit bourgeoisie”, Capitalism, and other ills.

It has been said, with truth, that one tenth of a man’s life is concerned with politics and nine-tenths with economics. Without food, the individual dies. Without clothing, he freezes. Without houses and weapons, he is prey to the starving wolves. The acquisition of sufficient items to answer these necessities of food, clothing, and shelter, in reason, is the natural right of a member of an enlightened State. An excess of such items brings about unrest and disquiet. The presence of luxury items and materials and the artificial creation and whetting of appetites, as in Capitalist advertising, are certain to accentuate the less desirable characteristics of Man.

The individual is an economic organism in that he requires a certain amount of food, a certain amount of water and must hold within himself a certain amount of heat in order to live. When he has more food than he can eat, more clothing than he needs to protect him, he then enters upon a certain idleness which dulls his wits and awareness and makes him prey to difficulties which, in a less toxic state, he would have foreseen and avoided. Thus, we have a glut being a menace to the individual.

It is no less different in a group. Where the group acquires too much, its awareness of its own fellows and of the environment is accordingly reduced; and the effectiveness of the group in general is lost.

The maintaining of a balance between gluttony and need is the province of Economics proper, and is the fit subject and concern of the Communist State.

Desire and want are a state of mind. Individuals can be educated into desiring and wanting more than they can ever
possibly obtain. And such individuals are unhappy. Most of the self-willed characteristics of the Capitalists come entirely from greed. As a Capitalist, he exploits the worker far beyond any necessity or need on his own part.

In a nation where economic balances are not controlled, the appetite of the individual to desire, is unduly whetted by enchanting and fanciful persuasions. And a type of insanity ensues where each individual is persuaded to possess more than he can use and to possess it even at the expense of his fellows.

There is, in economic balances, the other side. Too great and too long privation can bring about unhealthy desires, which in themselves accumulate, to acquire more than the individual can use. Poverty, itself, — as carefully cultivated in Capitalist States — can bring about an imbalance of acquisition. Just as a vacuum will pull masses into it, in a country where enforced privation upon the masses is permitted and where desire is artificially whetted, need turns to greed. And one easily discovers in such states exploitation of the many for the benefit of the few.

If one, by the technologies of Psychopolitics, were to dull this excessive greed in the few who possess it, the worker would be freed to seek a more natural balance.

Here we have two extremes. Either one of them are an insanity. If we wish to create an insanity, we need only glut or deprive an individual at long length beyond the ability to withstand and we have a mental imbalance. A simple example of this is the alternation of too low with too high pressures in a chamber, an excellent psychopolitical procedure. The rapidly varied pressure brings about a chaos wherein the Individual Will cannot act and where Other Wills then, perforce, assume control.

Essentially, in an entire country, one must remove the greedy by whatever means and must then create and continue a semi-privation among the masses in order to command and utterly control the nation.

A continuous hope for prosperity must be indoctrinated
into the masses with many dreams and visions of glut of commodity. And this hope must be counter-played against the actuality of privation and the continuous threat of loss of all economic factors in case of disloyalty to the State in order to suppress the individual wills of the masses.

In a nation under conquest such as America, our slow and stealthy approach need take advantage only of the cycles of booms and depressions inherent in Capitalistic nations in order to assert a more and more strong control over individual wills. A boom is as advantageous as a depression for our ends. For during prosperity, our propaganda lines must only continue to point out the wealth that the period is delivering to the selected few in order to divorce their control of the state. During a depression, one must only point out that it ensued as a result of the avarice of a few and because of the general political incompetence of the national leaders.

The handling of economic propaganda is not properly the sphere of psychopolitics; but the psychopolitician must understand economic measures and Communist goals connected with them.

The masses must at last come to believe that only excessive taxation of the rich can relieve them of the “burdensome leisure class”. Thus, they can be brought to accept such a thing as income tax, a Marxist principle smoothly slid into Capitalistic framework in 1909 in the United States, even though the basic law of the United States forbade it and even though Communism at that time had been active only a few years in America. Such success as the Income Tax law, had it been followed thoroughly, could have brought the United States and not Russia into the world scene as the first Communist nation. But the virility and good sense of the Russian peoples won. It may be that the United States will not become entirely Communist until past the middle of the century. But when it does, it will be because of our superior understanding of economics and of psychopolitics.

The Communist agent skilled in economics has as his task the suborning of tax agencies and their personnel to create
the maximum disturbance and chaos and the passing of laws adapted to our purposes. And to him we must leave this task. The psychopolitical operator plays a distinctly different role in this drama.

The rich, the skilled in finance, the well-informed in government, are particular and individual targets for the psychopolitician. His is the role of taking off the board those individuals who would halt or corrupt Communist economic programs. Thus, every rich man, every statesman, every person well-informed and capable in government, must have brought to his side as a trusted confidant a psychopolitical operator.

The families of these persons are often deranged from idleness and glut and this fact must be played upon, even created. The normal health and wildness of a rich man’s son must be twisted and perverted and explained into neurosis and then, assisted by a timely administration of drugs or violence, turned into criminality or insanity. This brings at once someone in “mental healing” into confidential contact with the family. And from this point on, the maximum must then be made of that contact.

Communism could best succeed if at the side of every rich or influential man there could be placed a psychopolitical operator, an undoubted authority in the field of “mental healing”. This psychopolitical operator could then — by his advice or through the medium of a wife or daughter guided by his opinions — direct the optimum policy to embroil or upset the economic policies of the country. And, when the time comes to do away forever with the rich or influential man, the psychopolitical operator could then administer the proper drug or treatment to bring about his complete demise as a patient in an institution or dead as a suicide.

Planted beside a country’s powerful persons, the psychopolitical operator can also guide other policies to the betterment of our battle.

The Capitalist does not know the definition of war. He thinks of war as attack with force, performed by soldiers and machines. He does not know that a more effective if somewhat
longer war can be fought with bread or, in our case, with drugs and the wisdom of our art. The Capitalist has never won a war in truth. The psychopolitician is having little trouble winning this one.
CHAPTER IV
STATE GOALS FOR THE INDIVIDUAL
AND THE MASSES

Just as we would discover an individual to be ill whose organs, each one, had a different goal from the rest, so we discover the individuals and the State to be ill where goals are not rigorously codified and enforced.

There are those who, in less enlightened times, gave Man to believe that goals should be personally sought and held; and that, indeed, Man’s entire impulse toward higher things stemmed from Freedom. We must remember that the same peoples who embraced this philosophy also continued in Man the myth of spiritual existence.

All goals proceed from duress. Life is a continuous escape. Without force and threat there can be no striving. Without pain there can be no desire to escape from pain. Without the threat of punishment there can be no gain. Without duress and command there can be no alignment of bodily functions. Without rigorous and forthright control, there can be no accomplished goals for the State.

Goals of the State should be formulated by the State for the obedience and concurrence of the individuals within that State. A State without goals so formulated is a sick State. A State without the power and forthright wish to enforce its goals is a sick State.

When an order is issued by the Communist State and is not obeyed, a sickness will be discovered to ensue. Where obedience fails, the masses suffer.

State goals depend upon loyalty and obedience for their accomplishment. When one discovers a State goal to be interrupted, one discovers inevitably that there has been an interposition of self-willedness, of greed, of idleness, or of rugged individualism and self-centered initiative. The interruption of a State goal will be discovered as having been interrupted by a person whose disloyalty and disobedience is the direct result of his own misalignment with life.

It is not always necessary to remove the individual. It is
possible to remove his self-willed tendencies to the improvement of the goals and gains of the whole. The technologies of Psychopolitics are graduated upon the scale that starts somewhat above the removal of the individual himself, upward toward the removal only of those tendencies that bring about his lack of co-operation.

It is not enough for the State to have goals. These goals, once put forward, depend for their completion upon the loyalty and obedience of the workers. These, engaged for the most part in hard labors, have little time for idle speculation, which is good. But above them, unfortunately, there must be foremen of one or another position, any one of whom might have sufficient idleness and lack of physical occupation to cause some disaffecting independency in his conduct and behavior.

Psychopolitics remedies this tendency toward disaffection, when it exceeds the common persuasions of the immediate superiors of the person in question.
CHAPTER V
AN EXAMINATION OF LOYALTIES

If loyalty is so important in the economic and social structure, it is necessary to examine it further as itself.

In the field of Psychopolitics, loyalty simply means “alignment”. It means, more fully, alignment with the goals of the Communist State. Disloyalty means entirely misalignment, and more broadly, misalignment with the goals of the Communist State.

When we consider that the goals of the Communist State are to the best possible benefit of the masses, we can see that disloyalty, as a term, can embrace Democratic alignment. Loyalty to persons not communistically indoctrinated would be quite plainly a misalignment.

The cure of disloyalty is entirely contained in the principles of alignment. All that it is necessary to do, where disloyalty is encountered, is to align the purposes of the individual toward the goals of Communism. And then it will be discovered that a great many circumstances hitherto distasteful in his existence will cease to exist.

A heart or a kidney in rebellion against the remainder of the organism is being disloyal to the remainder of the organism. To cure that heart or kidney, it is actually only necessary to bring its activities into alignment with the remainder of the body.

The technologies of Psychopolitics adequately demonstrate the workability of this. Mild shock of the electric variety can and does produce the re-cooperation of a rebellious body organ. It is the shock and punishment of surgery that, in the main, accomplishes the re-alignment of a disaffected portion of the body rather than the surgery itself. It is the bombardment of X-Rays, rather than the therapeutic value of X-Rays, that causes some disaffected organ to once again turn its attention to the support of the general organism.

While it is not borne out that electric shock has any therapeutic value so far as making the individual more sane, it is adequately brought out that its punishment value will create
in the patient a greater co-operative attitude. Brain surgery has no statistical data to recommend it beyond its removal of the individual personality from amongst the paths of organs that were not permitted to co-operate by that individual personality. These two Russian developments — electric shock and brain surgery — have never pretended to alter the state of sanity. They are only effective and workable in introducing an adequate punishment mechanism to the personality. Punishment makes the personality cease and desist from its courses and its egotistical direction within the anatomy itself. It is the violence of the electric shock and the surgery that is useful in subduing the recalcitrant personality. Recalcitrant personalities are all that stand in the road of the masses or of the State. It is occasionally to be discovered that the removal of the preventing personality by shock and surgery then permits the re-growth and re-establishment of organs which have been rebelled against by that personality. In that a well-regulated state is composed of organisms, not personalities, the use of electric shock and brain surgery in Psychopolitics is clearly demonstrated to be effective.

The changing of loyalty consists, in its primary step, of the eradication of existing loyalties. This can be done in one of two ways: First, by demonstrating that previously existing loyalties have brought about perilous physical circumstances such as imprisonment, lack of recognition, duress, or privation; and second, by eradicating the personality itself.

The first is accomplished by a steady and continuous indoctrination of the individual in the belief that his previous loyalties have been granted to an unworthy source. One of the primary instances in this method, is to create circumstances that apparently derive from the target of his loyalties, so as to rebuff the individual. As a part of this, a state of mind in the individual can be created by actually placing him under duress and then furnishing him with false evidence to demonstrate that the target of his previous loyalties is, itself, the cause of the duress. Another portion of this same method consists of defaming or degrading the individual whose loyalties are to be
changed from the target of his loyalties, (i.e., superiors or government), to such a degree that this target (either superiors or government) at length, actually does hold the individual in disrepute and so does rebuff him. This serves to convince him that his loyalties have been misplaced. These are the milder methods but they have proven extremely effective. The greatest drawback in their practice is that they require time and concentration, the manufacture of false evidence, and a psychopolitical operator’s time.

In moments of expediency, of which there are many, the personality itself can be rearranged by shock, surgery, duress, privation, and in particular, that best of psychopolitical techniques, implantation with the technologies of neo-hypnotism. Such duress must have in its first part, defamation of the loyalties; and in its second, the implantation of new loyalties. A good and experienced psychopolitical operator, working under the most favorable circumstances, can alter by the use of psychopolitical technologies, the loyalties of an individual so deftly that his own companions will not suspect that they have changed. This, however, requires considerably more finesse than is usually necessary to the situation. Mass neo-hypnotism can accomplish more or less the same results when guided by an experienced psychopolitical operator. An end goal in such a procedure would be the alteration of the loyalties of an entire nation in a short period of time by mass neo-hypnotism, a thing that has been effectively accomplished among the less-usable states of Russia.

It is adequately demonstrated that loyalty is entirely lacking in that mythical commodity known as “spiritual quality”. Loyalty is entirely a thing of dependence, economic or mental, and can be changed by the crudest implementations. Observation of workers in their factories or fields demonstrates that they easily grant loyalty to a foreman or a woman; and then as easily abandon it and substitute another individual, revulsing, at the same time, toward the person to whom loyalty was primarily granted. The queasy insecurity of the masses in Capitalistic nations finds this more common than in an enlight-
ened State such as Russia. In Capitalistic states, dependencies are so craven, wants and privations are so exaggerated, that loyalty is entirely without ethical foundation and exists only in the realm of dependency, duress, or demand.

It is fortunate that Communism so truly approaches an ideal state of mind, for this brings a certain easiness into any changing of loyalties since all other philosophies extant and practiced on Earth today are degraded and debased compared to Communism. It is then with a certain security that a psychopolitical operator functions, for he knows that he can change the loyalty of an individual to a more ideal level by reason alone, and only expediency makes it necessary to employ the various shifts of psychopolitical technology. Any man who cannot be persuaded into Communist rationale is, of course, to be regarded as somewhat less than sane. And it is, therefore, completely justified to use the techniques of insanity upon the non-Communist.

In order to change loyalty, it is necessary to establish first the existing loyalties of the individual. The task is made very simple in view of the fact that Capitalistic and Fascistic nations have no great security in the loyalty of their Subjects. And it may be found that the loyalties of the Subjects, as we call any person against whom psychopolitical technology is to be exerted, are already too faint to require eradication. It is generally only necessary to persuade with the rationale and overwhelming reasonability of Communism to have the person grant his loyalty to the Russian State. However, regulated only by the importance of the Subject, no great amount of time should be expended upon the individual. But emotional duress, or electric shock, or brain surgery should be resorted to, should Communist propaganda persuasion fail. In a case of a very important person, it may be necessary to utilize the more delicate technologies of Psychopolitics so as to place the person, himself, and his associates in ignorance of the operation. In this case, a simple implantation is used with a maximum duress and command value. Only the most skilled psychopolitical operator should be employed on such a project,
as in this case of the very important person, for a bungling might disclose the tampering with his mental processes. It is much more highly recommended, if there is any doubt whatever about the success of an operation against an important person, to select out as a psychopolitical target the persons in his vicinity with whom he is emotionally involved. His wife or children normally furnish the best targets and these can be operated against without restraint. In securing the loyalty of a very important person, one must place at his side a constant pleader who enters a sexual or familial chord into the situation on the side of Communism. It may not be necessary to make a Communist out of the wife or the children or one of the children, but it might prove efficacious to do so. In most instances, however, this is not possible. By the use of various drugs, it is in this modern age and well within the realm of psychopolitical reality, entirely too easy to bring about a state of severe neurosis or insanity in the wife or children. Thus, we can pass them, with full consent of the important person and the government in which he exists or the bureau in which he is operating, into the hands of a psychopolitical operator who then in his own laboratory without restraint or fear of investigation or censor, can degrade or entirely alter the personality of a family member— with electric shock, surgery, sexual attack, drugs, or other useful means— and create in that person a psychopolitical slave Subject. This slave Subject, on command or signal, will perform outrageous actions, thus discrediting the important person. Or they will demand, on a more delicate level, that certain measures be taken by the important person. These measures are, of course, dictated by the psychopolitical operator.

Usually when the party has no real interest in the activities or decisions of the important person but merely wishes to remove him from effective action, the attention of the psychopolitical operator need not be so intense. The person need only be passed into the hands of some unwitting mental practitioner who, taught as he is by psychopolitical operators, will bring about sufficient embarrassment.
When the loyalty of an individual cannot be swerved and where the opinion, weight, or effectiveness of the individual stands firmly in the road of Communist goals, it is usually best to occasion a mild neurosis in the person by any available means. And then, having carefully given him a history of mental imbalance, to see to it that he disposes of himself by suicide or by bringing about his demise in such a way as to resemble suicide. Psychopolitical operators have handled such situations skillfully tens of thousands of times within and without Russia.

It is a firm principle of Psychopolitics that the person to be destroyed must be involved at first or second hand in the stigma of insanity and must have been placed in contact with psychopolitical operators or persons trained by them with a maximum amount of tumult and publicity. The stigma of insanity is properly placed at the door of such persons’ reputations and is held there firmly by bringing about irrational acts, either on his own part or in his vicinity. Such an activity can be classified as a partial destruction of alignment. And if this destruction is carried forward to its furthest extent, the misalignment on the subject of all loyalties, can be considered to be complete. And alignment on new loyalties can be embarked upon safely. By bringing about insanity or suicide on the part of the wife of an important political personage, a sufficient misalignment has been instigated to change his attitude. And this, carried forward firmly or assisted by psychopolitical implantation, can begin the rebuilding of his loyalties but now slanted in a more proper and fitting direction.

Another reason for the alignment of psychopolitical activities with the misalignment of insanity, is that insanity, itself, is a despised and disgraced state and anything connected with it is lightly viewed. Thus, a psychopolitical operator working in the vicinity of an insane person, can refute and disprove any accusations made against him by demonstrating that the family itself is tainted with mental imbalance. This is surprisingly effective in Capitalistic countries where insanity is so thoroughly feared that no one would dream of investigating
any circumstances in its vicinity. Psychopolitical propaganda works constantly and must work constantly to increase and build up this aura of mystery surrounding insanity and must emphasize the horribleness and hopelessness of insanity in order to excuse non-therapeutic actions taken against the insane. Particularly in Capitalistic countries, an insane person has no rights under law. No person who is insane may hold property. No person who is insane may testify. Thus, we have an excellent road along which we can travel toward our certain goal and destiny.

Entirely by bringing about public conviction that the sanity of a person is in question, it is possible to discount and eradicate all of the goals and activities of that person. By demonstrating the insanity of a group, or even a government, it is possible, then, to cause its people to disavow it. By magnifying the general human reaction to insanity — through keeping the subject of insanity, itself, forever before the public eye and then by utilizing this reaction by causing a revulsion on the part of a populace against its leader or leaders — it is possible to stop any government or movement.

It is important to know that the entire subject of loyalty is, thus, as easily handled as it is. One of the first and foremost missions of the psychopolitician, is to make an attack upon Communism and insanity synonymous. It should become the definition of insanity of the paranoid variety that “A paranoid believes he is being attacked by Communists.” Thus, at once the support of the individual so attacking Communism will fall away and wither.

Instead of executing national leaders, suicide for them should be arranged under circumstances which question their demise. In this way, we can select out all opposition to the Communist extension into the social orders of the world. And we can render populaces who would oppose us leaderless. And we can bring about a state of chaos or misalignment into which we can thrust, with great simplicity, the clear and forceful doctrines of Communism.

The cleverness of our attack in this field of
Psychopolitics is adequate to avoid the understanding of the layman and the usual stupid official. And by operating entirely under the banner of authority — with the oft-repeated statement that the principles of psychotherapy are too devious for common understanding — an entire revolution can be effected, without raising the suspicions of a populace, until it is an accomplished fact.

As insanity is the maximum misalignment, it can be grasped to be the maximum weapon for the severance of loyalties to leaders and old social orders. Thus, it is of the utmost importance that psychopolitical operatives infiltrate the healing arts of a nation marked for conquest, and to bring from that quarter continuous pressure against the population and the government until at last the conquest is affected. This is the subject and goal of Psychopolitics, itself.

In rearranging loyalties, we must have a command of their values. In the animal, the first loyalty is to himself. This is destroyed by demonstrating errors to him — showing him that he does not remember, cannot act, or does not trust himself. The second loyalty is to his family unit, his parents and brothers and sisters. This is destroyed by making a family unit economically non-dependent, by lessening the value of marriage, by making an easiness of divorce, and by raising the children wherever possible by the State. The next loyalty is to his friends and local environment. This is destroyed by lowering his trust and bringing about reports upon him (allegedly by his friends) to the town or village authorities. The next is to the State and this, for the purposes of Communism, is the only loyalty which should exist once the state is founded as a Communist State. To destroy loyalty to the State, all manner of forbiddings for youth must be put into effect so as to disenfranchise them as members of the Capitalist state and, by promises of a better lot under Communism, to gain their loyalty to a Communist movement.

Denying a Capitalist country easy access to courts; bringing about and supporting propaganda to destroy the home; creating continuous juvenile delinquency; forcing upon the
state all manner of practices to divorce the child from it; will, in the end, create the chaos necessary to Communism.

Under the saccharine guise of assistance to them, rigorous child labor laws are the best means to deny the child any right in the society. By refusing to let him earn; by forcing him into unwanted dependence upon a grudging parent; by making certain in other channels that the parent is never in other than economic stress; the child can be driven in his teens into revolt. Delinquency will ensue.

By making drugs of various kinds readily available; by giving the teenager alcohol; by praising his wildness; by stimulating him with sex literature and advertising to him or her practices as taught at the Sexpol, the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness into which can then be cast the solution which will give the teen-ager complete freedom everywhere — Communism!

Should it be possible to continue conscription beyond any reasonable time by promoting unpopular wars and other means, the draft can always stand as a further barrier to the progress of youth in life by destroying any immediate hope to participate in his nation’s civil life.

By these means, the patriotism of youth for their Capitalistic flag can be dulled to a point where they are no longer dangerous as soldiers. While this might require many decades to effect, Capitalism’s short-term view will never envision the lengths across which we can plan.

If we could effectively kill the national pride and patriotism of just one generation, we will have won that country. Therefore there must be continual propaganda abroad to undermine the loyalty of the citizens in general and the teen-ager in particular.

The role of the psychopolitical operator in this is very strong. He can, from his position as an authority on the mind, advise all manner of destructive measures. He can teach the lack of control of this child in the home. He can instruct, in an optimum situation, the entire nation in how to handle children
and instruct them so that the children — given no control, given no real home — can run wildly about with no responsibility for their nation or themselves.

The misalignment of the loyalty of youth to a Capitalistic nation, sets the proper stage for a realignment of their loyalties with Communism. Creating a greed for drugs, sexual misbehavior and uncontrolled freedom; and presenting this to them as a benefit of Communism will bring about their alignment to us with ease.

In the case of strong leaders amongst youthful groups, a psychopolitical operator can work in many ways to use or discard that leadership. If it is to be used, the character of the girl or boy must be altered carefully into criminal channels and a control by blackmail or other means must be maintained. But where the leadership is not susceptible, where it resists all persuasions and might become dangerous to our Cause, no pains must be spared to direct the attention of the authorities to that person and to harass him in one way or another until he can come into the hands of juvenile authorities. When this has been effected, it can be hoped that a psychopolitical operator by reason of child advisor status in the security of the jail and cloaked by processes of law, can destroy the sanity of that person. Particularly brilliant scholars, athletes and youth group leaders must be handled in either one of these two ways.

In the matter of guiding the activities of juvenile courts, the psychopolitical operator entertains here one of his easier tasks. A Capitalistic nation is so filled with injustice in general that a little more passes without comment. In juvenile courts, there are always persons with strange appetites whether these are judges or policemen or women. If such do not exist they can be created. By making available to them young girls or boys in the “security” of the jail or the detention home and by appearing with flash cameras or witnesses, one becomes equipped with a whip adequate to direct all the future decisions of that person when these are needed.

The handling of youth cases by courts should be led further and further away from law and further and further into
“mental problems” until the entire nation thinks of “mental problems” instead of criminals. This places vacancies everywhere in the courts, in the offices of district attorneys, and on police staffs, which could then be filled with psychopolitical operators. And these become, then, the judges of the land by their influence. And into their hands comes the total control of the criminal, without whose help a revolution cannot ever be accomplished.

By stressing this authority over the problems of youth and adults in courts, one day the demand for psychopolitical operators could become such that even the armed services will use “authorities on the mind” to work their various justices. And when this occurs, the armed forces of the nation then enter into our hands as solidly as if we commanded them ourselves. Thus, with the slight bonus of having a skilled interrogator near every technician or handler of secret war apparatus, the country, in the event of revolution as did Germany in 1918 and 1919, will find itself immobilized by its own Army and Navy fully and entirely in Communist hands.

Thus, the subject of loyalties and their re-alignment is in fact the subject of non-armed conquest of an enemy.
CHAPTER VI
THE GENERAL SUBJECT OF OBEDIENCE

Obedience is the result of force. Everywhere we look in the history of Earth, we discover that obedience to new rulers has come about entirely through the demonstration on the part of those rulers of greater force than was to be discovered in the old ruler. A population overridden and conquered by war is obedient to its conqueror. It is obedient to its conqueror because its conqueror has exhibited more force.

Concurrent with force is brutality for there are human considerations involved that also represent force. The most barbaric, unrestrained, brutal use of force, if carried far enough, invokes obedience. Savage force, sufficiently long displayed toward any individual, will bring about his concurrence with any principle or order.

Force is the antithesis of humanizing actions. It is so synonymous in the human mind with savageness, lawlessness, brutality, and barbarism, that it is only necessary to display an inhuman attitude toward people to be granted by those people the possession of force.

Any organization that has the spirit and courage to display inhumanity, savageness, brutality, and an uncomprising lack of humanity, will be obeyed. Such a use of force is, itself, the essential ingredient of greatness. We have at hand no less an example than our great Communist Leaders. In moments of duress and trial, when faced by Czarist rule continued over the heads of an enslaved populace, they displayed sufficient courage never to stay their hands in the execution of the conversion of the Russian State to Communist rule.

If you would have obedience you must have no compromise with humanity. If you would have obedience you must make it clearly understood that you have no mercy. Man is an animal. He understands in the final analysis only those things that a brute understands.

As an example of this, we find an individual refusing to obey and being struck. His refusal to obey is now less vociferous. He is struck again and his resistance is lessened once
more. He is hammered and pounded again and again, until, at length, his only thought is direct and implicit obedience to that person from whom the force has emanated. This is a proven principle. It is proven because it is the main principle Man, the animal, has used since his earliest beginnings. It is the only principle that has been effective, the only principle that has brought about a wide and continued belief. For it is to our benefit that an individual who is struck again and again and again from a certain source, will, at length, hypnotically believe anything he is told by the source of the blows.

The stupidity of Western civilizations is best demonstrated by the fact that they believe hypnotism is a thing of the mind, of attention, and a desire for unconsciousness. This is not true. Only when a person has been beaten, punished, and mercilessly hammered, can hypnotism upon him be guaranteed in its effectiveness. It is stated by Western authorities on hypnosis that only some twenty percent of the people are susceptible to hypnotism. This statement is very untrue. Given enough punishment, all of the people in any time and place are susceptible to hypnotism. In other words, by adding force, hypnotism is made uniformly effective. Where unconsciousness could not be induced by simple concentration upon the hypnotist, then unconsciousness can be induced by drugs, by blows, by electric shock, and by other means. And where unconsciousness cannot be induced so as to make an implantation or an hypnotic command effective, it is only necessary to amputate the functioning portions of the animal man’s brain to render him null and void and no longer a menace. Thus, we find that hypnotism is entirely effective.

The mechanisms of hypnotism demonstrate clearly that people can be made to believe in certain conditions, and even in their environment or in politics, by the administration of force. Thus, it is necessary for a psychopolitician to be an expert in the administration of forces. Thus, he can bring about implicit obedience, not only on the part of individual members of the populace, but on the entire populace itself and its government. He need only take unto himself a sufficiently savage
role, a sufficiently uncompromising inhuman attitude, and he will be obeyed and believed.

The subject of hypnotism is a subject of belief. What can people be made to believe? They can be made to believe anything that is administered to them with sufficient brutality and force. The obedience of a populace is as good as they will believe.

Despicable religions, such as Christianity, knew this. They knew that if enough faith could be brought into being, a populace could be enslaved by the Christian mockeries of humanity and mercy and, thus, could be disarmed. But one need not count upon this act of faith to bring about a broad belief. One must only exhibit enough force, enough inhumanity, enough brutality and savageness to create implicit belief and therefore and thereby implicit obedience. As Communism is a matter of belief, its study is a study of force.

The earliest Russian psychiatrists, pioneering this science of psychiatry, understood thoroughly that hypnosis is induced by acute fear. They discovered it could also be induced by shock of an emotional nature, and also by extreme privation, as well as by blows and drugs.

In order to induce a high state of hypnogogy in an individual, a group, or a population, an element of terror must always be present on the part of those who would govern. The psychiatrist is aptly suited to this role, for his brutalities are committed in the name of science and are inexplicably complex and entirely out of view of the human understanding. A sufficient popular terror of the psychiatrist will, in itself, bring about insanity on the part of many individuals. A psychopolitical operative then can — entirely cloaked with authority — commence and continue a campaign of propaganda describing various “treatments” which are administered to the insane. A psychopolitical operative should at all times insist that these treatments are therapeutic and necessary. He can, in all of his literature and his books, list large numbers of pretended cures by these means. But these “cures” need not actually produce any recovery from a state of disturbance. As
long as the psychopolitical operative or his dupes are the only authorities as to the difference between sanity and insanity, their word as to the therapeutic value of such treatment will be the final word. No layman would dare adventure to place judgment upon the state of sanity of an individual whom the psychiatrist has already declared insane. The individual, himself, is unable to complain. And his family, as will be covered later, is already discredited by the occurrence of insanity in their midst. There must be no other adjudicators of insanity, otherwise it could be disclosed that the brutalities practiced in the name of treatment are not therapeutic.

A psychopolitical operative has no interest in “therapeutic means” or “cures.” The greater number of insane in the country where he is operating, the larger number of the populace will come under his view and the greater will become his facilities. Because the problem is apparently mounting into uncontrollable heights, he can more and more operate in an atmosphere of emergency which, again, excuses his use of such treatments as electric shock, the prefrontal lobotomy, transorbital leucotomy, and other operations long-since practiced in Russia on political prisoners.

It is to the interest of the psychopolitical operative that the possibility of curing the insane be outlawed and ruled out at all times. For the sake of obedience on the part of the population and their general reaction, a level of brutality must, at all costs, be maintained. Only in this way can the absolute judgment of the psychopolitical operative as to the sanity or insanity of public figures be maintained in complete belief. Using sufficient brutality upon their patients, the public at large will come to believe utterly anything they say about their patients. Furthermore, and much more important, the field of the mind must be sufficiently dominated by the psychopolitical operative so that wherever tenets of the mind are taught, they will be hypnotically believed. The psychopolitical operative, having under his control all psychology classes in an area, can thus bring about a complete reformation of the future leaders of a country in their educational processes and so prepare them for
Communism.

To be obeyed, one must be believed. If one is sufficiently believed, one will unquestioningly be obeyed.

When he is fortunate enough to obtain into his hands anyone near to a political or important figure, this factor of obedience becomes very important. A certain amount of fear or terror must be engendered in the person under treatment so that this person will then take immediate orders, completely and unquestioningly, from the psychopolitical operative. And so he will be able to influence the actions of that person who is to be reached.

Bringing about this state of mind on the part of a populace and its leaders — that a psychopolitical operative must, at all times, be believed — could eventually be attended by very good fortune. It is not too much to hope that psychopolitical operatives would then, in a country such as the United States, become the most intimate advisors to political figures even to the point of advising the entirety of a political party as to its actions in an election.

The long view is the important view. Belief is engendered by a certain amount of fear and terror from an authoritative level and this will be followed by obedience.

The general propaganda which would best serve Psychopolitics would be a continual insistence that certain authoritative levels of healing, deemed this or that, to be the correct treatment of insanity. These treatments must always include a certain amount of brutality. Propaganda should continue and stress the rising incidence of insanity in a country. The entire field of human behavior, for the benefit of the country, can, at length, be broadened into abnormal behavior. Thus, anyone indulging in any eccentricity, particularly the eccentricity of combating psychopolitics, could be silenced by the authoritative opinion on the part of a psychopolitical operative that he was acting in an abnormal fashion. This, with some good fortune, could bring the person into the hands of the psychopolitical operative so as to forevermore disable him, or to swerve his loyalties by pain-drug hypnotism.
On the subject of obedience itself, the most optimum obedience is unthinking obedience. The command given must be obeyed without any rationalizing on the part of the Subject. The command must, therefore, be implanted below the thinking processes of the Subject to be influenced, and must react upon him in such a way as to bring no mental alertness on his part.

It is in the interest of Psychopolitics that a population be told that an hypnotized person will not do anything against his actual will, will not commit immoral acts, and will not act so as to endanger himself. While this may be true of light, parlor hypnotism, it certainly is not true of commands implanted with the use of electric shock, drugs, or heavy punishment. It is counted upon completely that this will be discredited to the general public by psychopolitical operatives, for if it were to be generally known that individuals would obey commands harmful to themselves, and would commit immoral acts while under the influence of deep hypnotic commands, the actions of many people working unknowingly in favor of Communism, would be too-well understood. People acting under deep hypnotic commands should be acting apparently of their own volition and out of their own convictions.

The entire subject of psychopolitical hypnosis, Psychopolitics in general, depends for its defense upon continuous protest from authoritative sources that such things are not possible. And, should anyone unmask a psychopolitical operative, he should at once declare the whole thing a physical impossibility and use his authoritative position to discount any accusation. Should any writings of Psychopolitics come to view, it is only necessary to brand them a hoax and laugh them out of countenance. Thus, psychopolitical activities are easy to defend.

When psychopolitical activities have reached a certain peak, from there on it is almost impossible to undo them because the population is already under the duress of obedience to the psychopolitical operatives and their dupes. The ingredient of obedience is important because the complete
belief by the populace in the truthfulness of the psychopolitical operative renders his statement canceling any challenge about psychopolitical operations irrefutable. The optimum circumstances would be to occupy every position that would be consulted by officials on any question or suspicion arising on the subject of Psychopolitics. Thus, a psychiatric advisor should be placed near to hand in every government operation. As all suspicions would then be referred to him, no action would ever be taken and the goal of Communism could be realized in that nation.

Psychopolitics depends, from the viewpoint of the layman, upon its fantastic aspects. These are its best defense. But above all these defenses, is implicit obedience on the part of officials and the general public because of the sterling character of the psychopolitical operative in the field of healing.
CHAPTER VII
ANATOMY OF STIMULUS-RESPONSE MECHANISMS
OF MAN

Man is a stimulus-response animal. His entire reasoning capabilities, even his ethics and morals, depend upon stimulus-response machinery. This has long been demonstrated by such Russians as Pavlov. And the principles have long been used in handling the recalcitrant, in training children, and in bringing about a state of optimum behavior on the part of a population.

Having no independent will of his own, Man is easily handled by stimulus-response mechanisms. It is only necessary to install a stimulus into the mental anatomy of Man to have that stimulus reactivate and respond any time an exterior command source calls it into being.

The mechanisms of stimulus-response are easily understood. The body takes pictures of every action in the environment around an individual. When the environment includes brutality, terror, shock, and other such activities, the mental image picture gained contains in itself all the ingredients of the environment. If the individual himself was injured during that moment, the injury itself will re-manifest when called upon to respond by an exterior command source.

As an example of this, if an individual is beaten and is told during the entirety of the beating that he must obey certain officials, he will, in the future, feel the beginnings of the pain the moment he begins to disobey. The installed pain, itself, acts as a policeman because the experience of the individual demonstrates to him that he cannot combat certain officials and he will receive pain even if he merely thinks of combating them.

The mind can become very complex in its stimulus responses. As easily demonstrated in hypnotism, an entire chain of commands having to do with a great many complex actions can be beaten, shocked, or terrorized into a mind. They will there lie dormant until called into view by some similarity in the circumstances of the environment to the incident of punishment.

The stimulus that we call the “incident of punishment”,

48
is where the response mechanism need only contain some small part of the stimulus to call into view the mental image picture and cause it to exert against the body the pain sequence. So long as the individual obeys the picture or follows the commands of the stimulus implantation, he is free from pain.

The behavior of children is regulated in this fashion in every civilized country. The father, finding himself unable to bring about immediate obedience and training on the part of his child, resorts to physical violence. And after administering punishment of a physical nature to the child on several occasions, he is gratified to experience complete obedience on the part of the child each time the father speaks. In that parents are wont to be lenient with their children, they seldom administer sufficient punishment to bring about entirely optimum obedience. The ability of the organism to withstand punishment is very great. Complete and implicit response can be gained only by stimuli sufficiently brutal to actually injure the organism.

The Cossack method of breaking wild horses is a useful example. The horse will not restrain itself or take any of its rider’s commands. The rider wishing to break it, mounts and takes a flask of strong Vodka and smashes it between the horse’s ears. The horse, struck to its knees, its eyes filled with alcohol, mistaking the dampness for blood, instantly and thereafter gives its attention to the rider and never needs further breaking. Difficulty in breaking horses is only occasioned when light punishments are administered. There is some mawkish sentimentality about “breaking the spirit,” but what is desired here is an obedient horse, and sufficient brutality brings about an obedient horse.

The stimulus-response mechanisms of the body are such that the pain and the command subdivide so as to counter each other. The mental image picture of the punishment will not become effective upon the individual unless the command content is disobeyed. It is pointed out in many early Russian writings that this is a survival mechanism. It has already been well and thoroughly used in the survival of Communism.
It is only necessary to deliver into the organism a sufficient stimulus to gain an adequate response. So long as the organism obeys the stimulus whenever it is re-stimulated in the future, it does not suffer from the pain of the stimulus. But should it disobey the command content of the stimulus, the stimulus reacts to punish the individual. Thus, we have an optimum circumstance and one of the basic principles of Psychopolitics. A sufficiently installed stimulus will thereafter remain as a police mechanism within the individual to cause him to follow the commands and directions given to him. Should he fail to follow these commands and directions, the stimulus mechanism will go into action. As the commands are there with the moment of duress, the commands themselves need never be repeated. And if the individual were to depart thousands of miles away from the psychopolitical operative, he will still obey the psychopolitical operative, or, himself, become extremely ill and in agony. These principles, built from the earliest days of Pavlov by constant and continuous Russian development, have at last become of enormous use to us in our conquest. For less modern and well-informed countries of Earth — lacking this mechanism, failing to understand it, and coaxed into somnolence by our own psychopolitical operatives who discount and disclaim it — cannot avoid succumbing to it.

The body is less able to resist a stimulus if it has insufficient food and is weary. Therefore, it is necessary to administer all such stimuli to individuals when their ability to resist has been reduced by privation and exhaustion. Refusal to let them sleep over many days, denying them adequate food, then brings about an optimum state for the receipt of a stimulus. If the person is then given an electrical shock and is told while the shock is in action that he must obey and do certain things, he has no choice but to do them or to re-experience because of his mental image picture of it, the electric shock. This highly scientific and intensely workable mechanism cannot be over-estimated in the practice of psychopolitics.

Drugging the individual produces an artificial exhaustion, and if he is drugged, or shocked and beaten, and given a
string of commands, his loyalties, themselves, can be definitely rearranged. This is P.D.H., or Pain-Drug Hypnosis.

The psychopolitical operative in training should be thoroughly studied in the subject of hypnotism and post-hypnotic suggestion. He should pay particular attention to the “forgetter mechanism” aspect of hypnotism, which is to say, implantation in the unconscious mind. He should note particularly that a person given a command in an hypnotic state and then told when still in that condition to forget it, will execute that command on a stimulus-response signal in the environment after he has “awakened” from his hypnotic trance.

Having mastered these details fully, he should, by practicing upon criminals and prisoners or inmates available to him, produce the hypnotic trance by drugs and drive home post-hypnotic suggestions by pain administered to the drugged person. He should then study the reactions of the person when “awakened,” and should give him the stimulus response signal which would throw into action the commands given while in a drugged state of duress. By much practice, he can then learn the threshold dosages of various drugs and the amount of duress in terms of electric shock or additional drug-shock necessary to produce the optimum obedience to the commands. He should also satisfy himself that there is no possible method known to Man — there must be no possible method known to Man — of bringing the patient into awareness of what has happened to him, thus, keeping him in a state of obedience and response while ignorant of its cause.

Using criminals and prisoners, the psychopolitical operative in training should then experiment with duress in the absence of privation, administering electric shocks, beatings, and terror-inducing tactics accompanied by the same mechanisms as those employed in hypnotism, and watch the conduct of the person when no longer under duress.

The operative in training should carefully remark those who show a tendency to protest, so that he may recognize possible recovery of memory of the commands implanted. Purely for his own education, he should then satisfy himself as
to the efficacy of brain surgery in disabling the non-responsive prisoner.

The boldness of the psychopolitical operative can be increased markedly by permitting back into society, persons who have been given pain-drug hypnosis and who have demonstrated symptoms of rebelling or recalling, to observe how the label of “insanity” discredits and discounts the statements of the person.

Exercises in bringing about insanity seizures at will, simply by demonstrating a signal to persons upon whom pain-drug hypnosis has been used, and exercises in making the seizures come about through talking to certain persons in certain places and times should also be used.

Brain surgery, as developed in Russia, should also be practiced by the psychopolitical operative in training to give him full confidence in 1) the crudeness with which it can be done, 2) the certainty of erasure of the stimulus response mechanism itself, 3) the production of imbecility, idiocy, and dis-coordination on the part of the patient, and 4) the small amount of comment which casualties in brain surgery occasion.

Exercises in sexual attack on patients should be practiced by the psychopolitical operative in order to demonstrate the inability of the patient under pain-drug hypnosis to recall the attack. In addition, this indoctrinates a lust for further sexual activity on the part of the patient. Sex, in all animals, is a powerful motivator, and is no less so in the animal Man. And the occasioning of sexual liaison between females of a target family and indicated males, under the control of the psychopolitical operative, must be demonstrated to be possible with complete security for the psychopolitical operative. This gives into his hands an excellent weapon for the breaking down of familial relations and consequent public disgraces for the psychopolitical target.

Just as a dog can be trained, so can a man be trained. Just as a horse can be trained, so can a man be trained. Sexual lust, masochism, and any other desirable perversion can be
induced by pain-drug hypnosis and the benefit of Psychopolitics.

The changes of loyalties, allegiances, and sources of command can be occasioned easily by psychopolitical technologies. And these should be practiced and understood by the psychopolitical operative before he begins to tamper with psychopolitical targets of magnitude.

The actual simplicity of the subject of pain-drug hypnosis, the use of electric shock, drugs, insanity-producing injections and other materials, should be masked entirely by technical nomenclature, the protest of benefit to the patient, by an authoritarian pose and position, and by carefully cultivating governmental positions in the country to be conquered.

The psychopolitical operative working in universities where he can direct the curricula of psychology classes, is often tempted to teach some of the principles of Psychopolitics to the susceptible students in the psychology classes. However, he must be thoroughly enjoined to limit his information in psychology classes to the transmittal of the tenets of Communism under the guise of psychology. And he must limit his activities in bringing about a state of mind on the part of the students where they will accept Communist tenets as those of their own action and as modern scientific principles. The psychological operative must not, at any time, educate students fully in stimulus-response mechanisms, and must not impart to them, save those who will become his fellow workers, the exact principles of Psychopolitics. It is not necessary to do so, and it is dangerous.
CHAPTER VIII
DEGRADATION, SHOCK AND ENDURANCE

Degradation and conquest are companions. In order to be conquered, a nation must be degraded, either by acts of war, by being overrun, by being forced into humiliating treaties of peace, or by the treatment of her populace under the armies of the conqueror. However, degradation can be accomplished much more insidiously and much more effectively by consistent and continual defamation.

Defamation is the best and foremost weapon of Psychopolitics on the broad field. Continual and constant degradation of national leaders, national institutions, national practices, and national heroes must be systematically carried out, but this is the chief function of Communist Party Members, in general, not the psychopolitician.

The realm of defamation and degradation of the psychopolitician, is Man himself. By attacking the character and morals of Man himself, and by bringing about, through contamination of youth, a general degraded feeling, command of the populace is facilitated to a very marked degree.

There is a curve of degradation that leads downward to a point where the endurance of an individual is almost at end. And any sudden action toward him will place him in a state of shock. Similarly, a soldier held prisoner can be abused, denied, defamed, and degraded until the slightest motion on the part of his captors will cause him to flinch. Similarly, the slightest word on the part of his captors will cause him to obey or to vary his loyalties and beliefs. Given sufficient degradation, a prisoner can be caused to murder his fellow countrymen in the same stockade. Experiments on German prisoners have lately demonstrated that only after seventy days of filthy food, little sleep, and nearly untenable quarters, that the least motion toward the prisoner would bring about a state of shock beyond his endurance threshold, and would cause him to hypnotically receive anything said to him. Thus, it is possible in an entire stockade of prisoners to the number of thousands, to bring about a state of complete servile obedience and, without the
labor of personally addressing each one, to pervert their loyalties and implant in them adequate commands to insure their future conduct even when released to their own people.

By lowering the endurance of a person, a group, or a nation; and by constant degradation and defamation, it is possible to induce, thus, a state of shock which will receive adequately any command given.

The first thing to be degraded in any nation is the state of Man, himself. Nations, which have high ethical tone, are difficult to conquer. Their loyalties are hard to shake, their allegiance to their leaders is fanatical, and what they usually call their spiritual integrity cannot be violated by duress. It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of Psychopolitics to reduce that state of mind to a point where it can be ordered and enslaved. Thus, the first target is Man, himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself, or of his fellows, as capable of “spiritual endurance” or nobility.

The best approach toward degradation in its first stages is the propaganda of “scientific approach” to Man. Man must be consistently demonstrated to be a mechanism without individuality. And it must be educated into a populace under attack that Man’s individualistic reactions are the product of mental derangement. The populace must be brought into the belief that every individual within it who rebels in any way, shape, or form against efforts and activities to enslave the whole, must be considered to be a deranged person whose eccentricities are neurotic or insane and who must have at once the treatment of a psychopolitician.

An optimum condition in such a program of degradation would address itself to the military forces of the nation. It would bring them rapidly away from any other belief than that the disobedient one must be subjected to “mental treatment.” An enslavement of a population can fail only if these rebellious individuals are left to exert their individual influences upon
their fellow citizens, sparking them into rebellion, calling into account their nobilities and freedoms. Unless these restless individuals are stamped out and given into the hands of psychopolitical operatives early in the conquest, there will be nothing but trouble as the conquest continues.

The officials of the government, students, readers, partakers of entertainment, must all be indoctrinated by whatever means into the complete belief that the restless, the ambitious, the natural leaders, are suffering from environmental maladjustments which can only be healed by recourse to psychopolitical operatives in the guise of mental healers.

By thus degrading the general belief in the status of Man, it is relatively simple — with co-operation from the economic salients being driven into the country — to drive citizens apart, one from another, to bring about a question of the wisdom of their own government, and to cause them to actively beg for enslavement.

The educational programs of Psychopolitics must, at every hand, seek out the levels of youth who will become the leaders in the country’s future and educate them into the belief of the animalistic nature of Man. This must be made fashionable. They must be taught to frown upon ideas and upon individual endeavor. Above all things, they must be taught that the salvation of Man is to be found only by his adjusting thoroughly to this environment.

This educational program in the field of Psychopolitics can best be followed by bringing about a compulsory training in some subject such as psychology or other mental practice, and ascertaining that each broad program of psychopolitical training be supervised by a psychiatrist who is a trained psychopolitical operative.

As it seems in foreign nations that the church is the most ennobling influence, each and every branch and activity of each and every church must, one way or another, be discredited. Religion must become unfashionable by demonstrating broadly, through psychopolitical indoctrination, that the soul is non-existent and that Man is an animal. The lying mechanisms
of Christianity lead men to foolishly do brave deeds. By teaching them that there is a life hereafter, the liability of their courageous acts, while living, is thus lessened. The liability of any act must be markedly increased if a populace is to be obedient. Thus, there must be no standing belief in the church and the power of the church must be denied at every hand.

The psychopolitical operative, in his program of degradation, should at all times bring into question any family that is deeply religious. And should any neurosis or insanity be occasioned in that family, then he must blame and hold responsible their religious connections for the neurotic or psychotic condition. Religion must be made synonymous with neurosis and psychosis. People who are deeply religious would be less and less held responsible for their own sanity and should more and more be relegated to the ministrations of psychopolitical operatives.

By perverting the institutions of a nation and bringing about a general degradation, by interfering with the economics of a nation to the degree that privation and depression come about, then only minor shocks will be necessary to produce on the populace as a whole, an obedient reaction or an hysteria. Thus, the mere threat of war, the mere threat of aviation bombings, could cause the population to sue instantly for peace. It is a long and arduous road for the psychopolitical operative to achieve this state of mind on the part of a whole nation. But no more than twenty or thirty years should be necessary in the entire program; having to hand, as we do, weapons with which to accomplish the goal.
CHAPTER IX
THE ORGANIZATION OF MENTAL HEALTH CAMPAIGNS

Psychopolitical operatives should at all times be alert to the opportunity to organize “for the betterment of the community” mental health clubs or groups. By thus inviting the cooperation of the population as a whole in mental health programs, the terrors of mental aberration can be disseminated throughout the populace. Furthermore, each one of these mental health groups, properly guided, can bring, at last, legislative pressure against the government to secure adequately the position of the psychopolitical operative and to obtain for him government grants and facilities. This, therefore, brings a government to finance its own downfall.

Mental health organizations must carefully delete from their ranks anyone actually proficient in the handling or treatment of mental health. Thus must be excluded, priests, ministers, actually trained psychoanalysts, good hypnotists, or trained Dianeticists. These, with some cognizance on the subject of mental aberration and its treatment and with some experience in observing the mentally deranged, if allowed frequency within institutions and if permitted to receive literature, would sooner or later become suspicious of the activities engaged upon by the psychopolitical operative. These must be defamed and excluded as “untrained,” “unskillful,” “quacks,” or “perpetrators of hoaxes.”

No mental health movement with actual goals of mental therapy should be continued in existence in any nation. For instance in China, the use of Chinese acupuncture in the treatment of mental and physical derangement must be stamped out and discredited thoroughly because it has some efficacy. And, more importantly, its practitioners understand, through long conversation, many of the principles of actual mental health and aberration.

In the field of mental health, the psychopolitician must occupy and continue to occupy through various arguments, the authoritative position on the subject. There is always the
danger that problems of mental health may be resolved by some individual or group which might then derange the program of the psychopolitical operative in his mental health clubs.

On the subject of mental health, city officials, socialites, and other unknowing individuals, should be invited to full co-operation in the activity of mental health groups. But the entirety of this activity should be to finance better facilities for the psychopolitical practitioner. To these groups it must be continually stressed that the entire subject of mental illness is so complex that none of them, certainly, could understand any part of it. Thus, the club should be kept on a social and financial level.

Where groups interested in the health of the community have already been formed, they should be infiltrated and taken over. And if this is not possible, they should be discredited and debarred and the officialdom of the area should be invited to stamp them out as dangerous.

When an hostile group dedicated to mental health is discovered, the psychopolitician should have recourse to the mechanisms of peyote, mescaline, and later drugs that cause temporary insanity. He should send persons, preferably those well under his control, into the mental health group, whether Christian Science or Dianetics or faith preachers, to demonstrate their abilities upon this new person. These, in demonstrating their abilities, will usually act with enthusiasm. Midway in the course of their treatment, a quiet injection of peyote, mescaline, or other drug, or an electric shock, will produce the symptoms of insanity in the patient who has been sent to the target group. The patient thus demonstrating momentary insanity should immediately be reported to the police and taken away to some area of incarceration managed by psychopolitical operatives, and so placed out of sight. Officialdom will thus come into a belief that this group drives individuals insane by their practices, and the practices of the group will then be despised and prohibited by law.

The values of a widespread mental health organization
are manifest when one realizes that any government can be forced to provide facilities for psychopolitical operatives in the form of psychiatric wards in all hospitals, in national institutions totally in the hands of psychopolitical operatives, and in the establishment of clinics where youth can be contacted and arranged more seemingly to the purposes of Psychopolitics.

Such groups form a political force that can then legalize any law or authority desired for the psychopolitical operative.

The securing of authority over such mental health organizations is done mainly by appeal to education. A psychopolitical operative should make sure that those psychiatrists he controls, those psychologists whom he has under his orders, have been trained for an excessively long period of time. The longer the training period that can be required, the safer the psychopolitical program since no new group of practitioners can arise to disclose and dismay psychopolitical programs. Furthermore, the groups themselves cannot hope to obtain any full knowledge of the subject, not having behind them many, many years of intensive training.

Vienna has been carefully maintained as the home of Psychopolitics, since it was the home of Psychoanalysis. Our activities have long since dispersed any of the gains made by Freudian groups and have taken over these groups. But the proximity of Vienna to Russia where Psychopolitics is operating abroad, and the necessity “for further study” by psychopolitical operatives in the birthplace of Psychoanalysis, makes periodic contacts with headquarters possible. Thus, the word “psychoanalysis” must be stressed at all times and must be pretended to be a thorough part of the psychiatrist’s training.

Psychoanalysis has the very valuable possession of a vocabulary and a workability which is sufficiently poor to avoid recovery of psychopolitical implantations. It can be made fashionable throughout mental health organizations. And by learning its patter and by believing they see some of its phenomena, the members of mental health groups can believe themselves conversant with mental health. Because its stress is sex, it is, itself, an adequate defamation of character and serves
the purposes of degradation well. Thus, in organizing mental health groups, the literature furnished such groups should be psychoanalytical in nature.

If a group of persons interested in suppressing juvenile delinquency or in caring for the insane, can be formed in every major city of a country under conquest (and thereby allowing the promotion of psychopolitical operatives and their actions), the success of a psychopolitical program is assured since these groups seem to represent a large segment of the population. By releasing continued propaganda on the subject of dope addiction, homosexuality, and depraved conduct on the part of the young, even the judges of a country can become suborned into reacting violently against the youth of the country, thus misaligning and aligning the support of youth.

The communication lines of psychopolitics, if such mental health organizations can be well established, can thus run from its most prominent citizens to its government. It is not too much to hope that the influence of such groups could bring about a psychiatric ward in every hospital in the land, and psychiatrists in every company and regiment of the nation’s army, and whole government institutes manned entirely by psychopolitical operatives into which ailing government officials could be placed to the advantage of the psychopolitician.

If a psychiatric ward could be established in every hospital in every city in a nation, it is certain that, at one time or another, every prominent citizen of that nation could come under the ministrations of psychopolitical operatives or their dupes.

The validation of psychiatric position in the armed forces and security-minded institutions of the nation under conquest, could bring about a flow and fund of information unlike any other program which could be conceived. If every pilot who flies a new plane could come under the questioning of a psychopolitical operative, if the compiler of every plan of military action could thus come under the review of psychopolitical operatives, the simplicity with which informa-
tion can be extracted by the use of certain drugs without the after-knowledge of the soldier would entirely cripple any overt action toward Communism. If the nation could be educated into turning over to psychopolitical operatives every recalcitrant or rebellious soldier, it would lose its best fighters. Thus, the advantage of mental health organizations can be seen. For these, by exerting an apparent public pressure against the government, can achieve these ends and goals.

The financing of a psychopolitical operation is difficult unless it is done by the citizens and government. Although vast sums of money can be obtained from private patients and from relatives who wish persons put away, it is, nevertheless, difficult to obtain millions unless the government itself is cooperating. The co-operation of the government to obtain these vast sums of money is best obtained by the organization of mental health groups composed of leading citizens who bring their lobbying abilities to bear against the nation’s government. Thus, can be financed many programs which might otherwise have to be laid aside by the psychopolitician.

The psychopolitical operative should bend consistent and continual effort toward forming and continuing in action innumerable mental health groups.

The psychopolitical operative should also spare no expense in smashing out of existence, by whatever means, any actual healing group such as that of acupuncture in China; such as Christian Science, Dianetics and faith healing in the United States; such as Catholicism in Italy and Spain; and the practical psychological groups of England.
CHAPTER X
CONDUCT UNDER FIRE

The psychopolitician may well find himself under attack as an individual or as a member of a group. He may be attacked as a Communist through some leak in the organization. He may be attacked for malpractice. He may be attacked by the families of people whom he has injured. In all cases, his conduct of the situation should be calm and aloof. He should have behind him the authority of many years of training. And he should have participated fully in the building of defenses in the field of insanity, which give him the only statement as to the conditions of the mind.

If he has not done his work well, hostile feeling groups may expose an individual psychopolitician. These may call into question the efficacy of psychiatric treatments such as shock, drugs, and brain surgery. Therefore, the psychopolitical operative must have at hand innumerable documents that assert enormously encouraging figures on the subject of recovery by reason of shock, brain surgery, drugs, and general treatment. Not one of these cases cited need be real, but they should be documented and printed in such a fashion as to form excellent court evidence.

When his allegiance is attacked, the psychopolitical operative should explain his connection with Vienna on the grounds that Vienna is the place of study for all important matters of the mind.

More importantly, he should rule into scorn, by reason of his authority, the sanity of the person attacking him. And if the psychopolitical archives of the country are adequate, many defamatory data can be unearthed and presented as a rebuttal.

Should anyone attempt to expose psychotherapy as a psychopolitical activity, the best defense is calling into question the sanity of the attacker. The next best defense is authority. The next best defense is a validation of psychiatric practices in terms of long and impressive figures. The next best defense is the actual removal of the attacker by giving him or them, treatment sufficient to bring about a period of insanity.
for the duration of the trial. This, more than anything else, would discredit them but it is dangerous in the extreme to practice this.

Psychopolitics should avoid murder and violence unless it is done in the safety of the institution on persons who have been proven to be insane. Where institution deaths appear to be unnecessary or to rise in “unreasonable number,” political capital might be made of this by city officials or legislature. If the psychopolitical operative has, himself, or if his group has done a thorough job, defamatory data concerning the person or the connections of the would-be attacker should be on file, should be documented, and should be used in such a way as to discourage the inquiry.

After a period of indoctrination, a country will expect insanity to be met by psychopolitical violence. Psychopolitical activities should become the only recognized treatment for insanity. Indeed, this can be extended to such a length that it could be made illegal for electric shock and brain surgery to be omitted in the treatment of a patient.

In order to defend psychopolitical activities, a great complexity should be made of psychiatric, psychoanalytical, and psychological technology. Any hearing should be burdened by terminology too difficult to be transcribed easily. A great deal should be made out of such terms as schizophrenia, paranoia, and other relatively undefinable states.

Psychopolitical tests need not necessarily be in agreement, one to another, where they are available to the public. Various types of insanity should be characterized by difficult terms. The actual state should be made obscure. But by this verbiage, it can be built into the court or investigating mind that a scientific approach exists and that it is too complex for him to understand. It is not to be imagined that a judge or a committee of investigation should inquire too deeply into the subject of insanity, since they, themselves, are part of the indoctrinated masses, and are already intimidated — if the psychopolitical activity has caused itself to be well-documented in terms of horror in magazines, movies and the other
media.

In case of a hearing or trial, the terribleness of insanity itself and its threat to the society, should be exaggerated until the court or committee believes that the psychopolitical operative is vitally necessary in his post and should not be harassed for the activities of persons who are irrational.

An immediate attack upon the sanity of the attacker before any possible hearing can take place, is the very best defense. It should become well known that “only the insane attack psychiatrists.” The by-word should be built into the society that paranoia is a condition “in which the individual believes he is being attacked by Communists.” It will be found that this defense is effective.

Part of the effective defenses should include the entire lack in the society of any real psychotherapy. This must be systematically stamped out, since a real psychotherapy might possibly uncover the results of psychopolitical activities.

Jurisprudence, in a Capitalistic nation, is of such clumsiness that cases are invariably tried in their newspapers. We have handled these things much better in Russia and have uniformly brought people to trial with full confessions already arrived at (being implanted) before the trial took place.

Should any whisper or pamphlet against psychopolitical activities be published, it should be laughed into scorn, branded an immediate hoax, and its perpetrator or publisher should be, at the first opportunity, branded as insane. And by the use of drugs, the insanity should be confirmed.
CHAPTER XI
THE USE OF PSYCHOPOLITICS IN SPREADING COMMUNISM

Reactionary nations are of such a composition that they attack a word without an understanding of it. As the conquest of a nation by Communism depends upon imbuing its population with communistic tenets, it is not necessary that the term “Communism” be applied at first to the educative measures employed.

As an example, in the United States we have been able to alter the works of William James and others into a more acceptable pattern; and to place the tenets of Karl Marx, Pavlov, Lamarck, and the data of Dialectic Materialism into the psychology textbooks to such a degree that anyone thoroughly studying psychology becomes at once a candidate to accept the reasonableness of Communism.

As every chair of psychology in the United States is occupied by persons in our connection, or who can be influenced by persons in our connection, the consistent employment of such texts is guaranteed. They are given an authoritative ring and they are carefully taught.

Constant pressure in the legislatures of the United States can bring about legislation to the effect that every student attending a high school or university must have classes in psychology.

Educating broadly the educated strata of the populace into the tenets of Communism is thus rendered relatively easy. And when the choice is given them whether to continue in a Capitalistic or a Communistic condition, they will suddenly see in Communism much more reasonability than in Capitalism, which will now be of our own definition.
CHAPTER XII
VIOLENT REMEDIES

As populaces, in general, understand that violence is necessary in the handling of the insane, violent remedies seem to be reasonable. Starting from a relatively low level of violence, such as straitjackets and other restraints, it is relatively easy to encroach upon the public diffidence for violence, by adding more and more cruelty into the treatment of the insane.

By increasing the brutality of “treatment,” the public expectance of such treatment will be assisted; and the protest of the individual to whom the treatment is given is impossible since immediately after the treatment he is incapable. The family of the individual under treatment is suspect for having had in its midst, already, an insane person. The family’s protest should be discredited.

The more violent the treatment, the more command value the psychopolitical operative will accumulate. Brain operations should become standard and commonplace. While the figures of actual deaths should be repressed wherever possible, nevertheless, it is of no great concern to the psychopolitical operative that many deaths do occur.

Gradually, the public should be educated into electric shock; first, by believing that it is very therapeutic; then by believing that it is quieting; then by being informed that electric shock usually injures the spine and teeth; and finally, that it very often kills or at least breaks the spine and removes, violently, the teeth of the patient. It is very doubtful if anyone from the lay levels of the public could tolerate the observation of a single electric shock treatment. Certainly, they could not tolerate witnessing a prefrontal lobotomy or trans-orbital leucotomy. However, they should be brought up to a level where this is possible, where it is the expected treatment, and where the details of the treatment itself can be made known — thus, to the increase of psychopolitical prestige.

The more violent the treatment, the more hopeless insanity will seem to be.

The society should be worked up to the level where
every recalcitrant young man can be brought into court and assigned to a psychopolitical operative, be given electric shocks, and reduced into unimaginative docility for the remainder of his days.

By continuous and increasing advertising of the violence of treatment, the public will at last come to tolerate the creation of zombie conditions to such a degree that they will probably employ zombies, if given to them. Thus, a large strata of the society, particularly that which was rebellious, can be reduced to the service of the psychopolitician.

By various means, a public must be convinced, at least, that insanity can only be met by shock, torture, deprivation, defamation, discreditation, violence, maiming, death, and punishment in all its forms. The society, at the same time, must be educated into the belief of increasing insanity within its ranks. This creates an emergency, and places the psychopolitician in a savior role; and places him, at length, in charge of the society.
CHAPTER XIII
THE RECRUITING OF PSYCHOPOLITICAL DUPES

The psychopolitical dupe is a well-trained individual who serves in complete obedience to the psychopolitical operative.

In that nearly all persons in training are expected to undergo a certain amount of treatment in any field of the mind, it is not too difficult to persuade persons in the field of mental healing to subject themselves to mild or minor drugs or shock. If this can be done, a psychological dupe on the basis of pain-drug hypnosis can immediately result.

Recruitment into the ranks of “mental healing” can best be done by carefully bringing to it only those healing students who are, to some slight degree, already depraved or who have been “treated” by psychopolitical operatives.

Recruitment is effected by making the field of mental healing very attractive, financially, and sexually.

The amount of promiscuity which can be induced in mental patients can work definitely to the advantage of the psychopolitical recruiting agent. The dupe can thus be induced into many lurid sexual contacts; and these, properly witnessed, can thereafter be used as blackmail material to assist any failure of pain-drug hypnosis in causing him to execute orders.

The promise of unlimited sexual opportunities, the promise of complete dominion over the bodies and minds of helpless patients, the promise of complete lawlessness without detection, can thus attract to “mental healing” many desirable recruits who will willingly fall in line with psychopolitical activities.

In that the psychopolitician has under his control the insane of the nation — most of them have criminal tendencies and as his movement goes forward, he can recruit for his ranks the criminals themselves — he has unlimited numbers of human beings to employ on whatever project he may see fit. In that the insane will execute destructive projects without question, if given the proper amount of punishment and implantation, the degradation of the country’s youth, the defamation of
its leaders, the suborning of its courts becomes childishly easy.

The psychopolitician has the advantage of naming as a delusory symptom any attempt on the part of a patient to expose commands.

The psychopolitician should carefully adhere to institutions and should eschew private practice whenever possible, since this gives him the greatest number of human beings to control to the use of Communism. When he does act in private practice, it should be only in contact with the families of the wealthy and the officials of the country.
CHAPTER XIV
THE SMASHING OF RELIGIOUS GROUPS

You must know that until recent times the complete subject of mental derangement, whether so light as simple worry or so heavy as insanity, was the sphere of activity of the church and only the church.

Traditionally, in civilized nations and barbaric ones, the priesthood alone had in complete charge the mental condition of the citizen. As a matter of great concern to the psychopolitician, this tendency still exists in every public in the Western World. And scientific inroads into this sphere, has occurred only in official and never in public quarters.

The magnificent tool welded for us by Wundt would be as nothing if it were not for the official insistence in civilized countries that “scientific practices” be applied to the problem of the mind. Without this official insistence, or even if it relapsed for a moment, the masses would grasp stupidity for the priest, the minister, and the clergy when mental conditions came into question. Today in Europe and America, “scientific practices” in the field of the mind would not last moments if not enforced entirely by officialdom.

It must be carefully hidden that the incidence of insanity has increased only since these “scientific practices” were applied. Great remarks must be made of “the pace of modern living” and other myths as the cause of the increased neurosis in the world. It is nothing to us what causes it, if anything does. It is everything to us that no evidence of any kind shall be tolerated to permit the public tendency toward allowing the church to have its way. If given their heads, if left to themselves to decide where — independent of officialdom — they would place their deranged loved ones, the public would choose religious sanitariums. And they would avoid like the plague, places where “scientific practices” prevail.

Given any slightest encouragement, public support would instantly swing toward all mental healing being given into the hands of the churches. And there are Churches waiting to receive it, clever churches. That terrible monster the Roman
Catholic Church still dominates mental healing heavily throughout the Christian world and their well-schooled priests are always at work to turn the public their way. Among Fundamentalist and Pentecostal groups, healing campaigns are conducted, which, because of their results, win many to the cult of Christianity. In the field of pure healing, the Church of Christ Science of Boston, Massachusetts, excels in commanding the public favor and operates many sanitariums. All these must be swept aside. They must be ridiculed and defamed and every cure they advertise must be asserted as a hoax. A full fifth of a psychopolitician’s time should be devoted to smashing these threats. Just as in Russia — after many, many years of the most arduous work — we had to destroy the Church, so we must destroy all faiths in nations marked for conquest.

Insanity must be made to hound the footsteps of every priest and practitioner. His best results must be turned to gibbering insanities no matter what means we have to use. Accusations of sexual misconduct can be dealt with in the Media, which we control, to defame not only the priests, but Christianity, itself. Accusations, alone, if carefully shouted from every Media outlet, are enough to convict these priests in the minds of the public. And thus, without trial and without conviction, these priests can be convicted through accusation, alone.

You need not care what effect you have upon the public. The effect you care about is the one upon officials. By controlling the officials, you can control the country. You must recruit every agency of the nation marked for slaughter into a foaming hatred of religious healing. You must suborn district attorneys and judges into an intense belief, as fervent as an ancient faith in God, that Christian Science or any other religious practice that might devote itself to mental healing, is vicious, bad, insanity causing, publicly hated and intolerable.

You must suborn and recruit any medical healing organization into collusion in this campaign. You must appeal to their avarice and even to their humanity, to invite their cooperation in smashing all religious healing and, thus, for our
ends, giving us care of the insane. You must see that such societies have only qualified Communist-indoctrinees as their advisors in this matter. For you can use such societies. They are stupid and they stampede easily. Their cloak and degrees can be used quite well to mask any operation we care to have masked. We must make them partners in our endeavor so that they will never be able to crawl from beneath our thumb and discredit us.

We have battled in America since the century’s turn, to bring to nothing any and all Christian influences, and we are succeeding. While we today seem to be kind to the Christian, remember, we have yet to influence the “Christian world” to our ends. When that is done, we shall have an end of them everywhere. You may see them here in Russia as trained apes. They do not know that their tether is long because the other apes in other lands first need to become unwary.

You must work until “religion” is synonymous with “insanity.” You must work until the officials of city, county and state governments will not think twice before they pounce upon religious groups as public enemies.

Remember, all lands are governed by the few and only pretend to consult with the many. It is no different in America. The petty official, the maker of laws alike, can be made to believe the worst. It is not necessary to convince the masses. It is only necessary to work incessantly upon the officials, using personal defamations, wild lies, false evidences and constant propaganda to make them fight for you against the church or against any practitioner.

The official the bona-fide medical healer also believes the worst, if it can be shown to him as dangerous competition. And like the Christian, should he seek to take from us any right we have gained, we shall finish him as well.

We must be like the vine upon the tree. We use the tree to climb and then, strangling it, grow into power on the nourishment of its flesh.

We must strike from our path any opposition. We must use for our tools and authority whatever comes to hand. And
then at last, after many decades, we can dispense with all authority except our own and triumph in the greater glory of the Party.
CHAPTER XV

PROPOSALS THAT MUST BE AVOIDED

There are certain damaging movements that could interrupt a psychopolitical conquest. These, coming from some quarters of the country, might gain headway and should be spotted before they do, and stamped out.

Proposals may be made by large and powerful groups in the country to return the insane to the care of those who have handled mental healing for tribes and populaces for centuries — the priest. Any movement to place clergymen in charge of institutions should be fought on the grounds of incompetence and the insanity brought about by religion. The most destructive thing that could happen to a psychopolitical program would be the investment of the ministry with the care of the nation’s insane.

If mental hospitals operated by religious groups are in existence, they must be discredited and closed, no matter what the cost, because it might occur that the actual figures of recovery in such institutions would become known and the lack of recovery in general institutions might be compared to them. This might lead to a movement to place the clergy in charge of the insane. Every argument must be advanced early, to overcome any possibility of this ever occurring.

A country’s law must carefully be made to avoid any personal rights for the insane. Any suggested laws or Constitutional Amendments which make the harming of the insane unlawful, should be fought to the extreme on the grounds that only violent measures can succeed. If the law were to protect the insane, as it normally does not, the entire psychopolitical program would very possibly collapse.

Any movement to increase legalities or to place under surveillance the orders required to hospitalize the mentally ill, should be discouraged. This should be left entirely in the hands of persons well under the control of psychopolitical operatives. It should be done with minimum formality, and no recovery of the insane from an institution should be possible by any process of law. Thus, any movement to add to the legal steps of
the processes of commitment and release should be discouraged on the grounds of emergency. To obviate this, the best action is to place a psychiatric and detention ward for the mentally ill in every hospital in a land.

Any writings of a psychopolitical nature, accidentally disclosing themselves, should be prevented. All actual literature on the subject of insanity and its treatment should be suppressed, first by actual security, and second by complex verbiage which renders it incomprehensible. The actual figures of recovery or death should never be announced in any papers. Any investigation attempting to discover whether or not psychiatry or psychology has ever cured anyone, should immediately be discouraged and laughed to scorn. Such an investigation should mobilize at that point all psychopolitical operatives. At first, it should be ignored, but if this is not possible, the entire weight of all psychopoliticians in the nation should be pressed into service. Any tactic possible should be employed to prevent such an investigation from occurring. To rebut it, technical-appearing papers should exist as to the tremendous number of cures effected by psychiatry and psychology. And whenever possible, percentages of cures, no matter how fictitious, should be worked into legislative papers, thus forming a background of “evidence” which would immediately rebut any effort to actually discover anyone who had ever been helped by psychiatry or psychology.

If the Communistic connections of a psychopolitician should become disclosed, it should be attributed to his own carelessness; and he should, himself, be immediately branded as eccentric within his own profession.

Authors of literature who seek to demonstrate the picture of a society under complete mental control and duress, should be helped toward infamy or suicide to discredit their works.

Any legislation liberalizing any healing practice should be immediately fought and defeated. All healing practices should gravitate entirely to authoritative levels, and no other opinions should be admitted, as these might lead to exposure.
Movements to improve youth should be invaded and corrupted, as this might interrupt campaigns to produce in youth delinquency, addiction, drunkenness, and sexual promiscuity.

Communist workers in the field of newspapers and radio should be protected wherever possible by striking out of action, through Psychopolitics, any persons consistently attacking them. These, in their turn, should be persuaded to give every possible publicity to the benefits of psychopolitical activities under the heading of “science.”

No healing group devoted to the mind must be allowed to exist within the borders of Russia or its satellites. Only well-vouched-for psychopolitical operatives can be continued in their practice, and this only for the benefit of the government or against enemy prisoners.

Any effort to exclude psychiatrists or psychologists from the armed services must be fought.

Any inquest into the “suicide” or sudden mental derangement of any political leader in a nation must be conducted only by psychopolitical operatives or their dupes, whether Psychopolitics is responsible or not.

Death and violence against persons attacking Communism in a nation should be eschewed as forbidden. Violent activity against such persons might bring about their martyrdom. Defamation, and the accusation of insanity, alone should be employed. And they should be brought at last under the ministrations of psychopolitical operatives such as psychiatrists and controlled psychologists.
CHAPTER XVI
IN SUMMARY

In this time of unlimited weapons and in national antagonisms where atomic war with Capitalistic powers is possible, Psychopolitics must act efficiently as never before. Any and all programs of Psychopolitics must be increased to aid and abet the activities of other Communist agents throughout the nation in question.

The failure of Psychopolitics might well bring about the atomic bombing of the Motherland.

If Psychopolitics succeeds in its mission throughout the Capitalistic nations of the world, there will never be an atomic war, for Russia will have subjugated all of her enemies.

Communism has already spread across one-sixth of the inhabited world. Marxist Doctrines have already penetrated the remainder. An extension of the Communist social order is everywhere victorious. The spread of Communism has never been by force of battle, but by conquest of the mind. In Psychopolitics, we have refined this conquest to its last degree.

The psychopolitical operative must succeed, for his success means a world of Peace. His failure might well mean the destruction of the civilized portions of Earth by atomic power in the hands of Capitalistic madmen.

The end thoroughly justifies the means. The degradation of populaces is less inhuman than their destruction by atomic fission, for to an animal who lives only once, any life is sweeter than death.

The end of war is the control of a conquered people. If a people can be conquered in the absence of war, the end of war will have been achieved without the destruction of war—a worthy goal.

The psychopolitician has his reward in the nearly unlimited control of populaces, in the uninhibited exercise of passion, and in the glory of Communist conquest over the stupidity of the enemies of the People.

The End
To make a booklet for your personal use or for resale, first fold in half, 20 pages of 8.5”x11” paper. Stack them into a booklet and with pen or pencil, lightly number each page from 1 to 80. This will be the blank, dummy pages of the booklet.

Next, print out all pages of the booklet from the Adobe Acrobat file. Do not choose the “Fit on page” printing option. Print as a portrait, letter size paper, monochrome, 300 dpi, with halftoning. Then, cut each page into the 5.5”x8.5” page size. Next, lay the dummy pages out flat and paste each printed page onto the correspondingly numbered blank page of the dummy booklet. This is your master copy for printing.

Now, these pages can be taken to any copy shop, photocopied on both sides in any number that you wish, and reassembled into booklets. Fold the stack, then using either a long-necked stapler or a saddle stitch stapler, staple the pages together at the fold, trim the edges and your booklet is ready for distribution or for sale to the general public.

This page is for binding instruction only and is not part of the final, hard copy booklet.
Christian Warfare!
(The undercover war)

By
Lt Col. Gordon "Jack" Mohr (AUS, Ret.)

"This is the victory that overcomes the word, even our faith." (I John 5.4)

In 2 Timothy 2:3, 4, we read: "Thou therefore endure hardness, as a good soldier of Jesus Christ. No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier."

It is quite obvious from this scripture, that the young Christian minister Timothy had been issued a "call to war!" Paul was reminding him of this fact and of how easy it is for a Christian soldier to fail. I think it becomes quite apparent at this point, that Paul was writing to all Christians, when he issued Timothy this warning. All Christians are called to war! I think most of you will agree with me, before this message is finished, that all Christians, or maybe we should use the term all those who have been "born from above" are called to war. Paul emphasizes this in Ephesians 6:11 when he tells ALL Christians to "Put on the whole armour of God..." in preparation for this war. Then inverse 12. we find some startling things. Notice Paul's use of the word WE. Here he is telling who the soldiers are to be. He is talking about those who have been "washed in the blood of the Lamb" and have become "new creatures in Jesus Christ." Then he tells us who the enemy, is. It is not a "flesh and blood" enemy - it is not the Jews, or the aliens in our midst, although they surely are part
of the fight, neither is it a single foe. Note that the enemy is plural, "the rulers of darkness, spiritual wickedness in high places." The word RULER in the Greek language comes from the word "kosmokrator" (2888) which means "a world ruler, a name for Satan." The word for HIGH is "epouranios" (2032) which means "in the heavens." The word SPIRITUAL comes from the Greek word "pneumatikos" which means: "demonic, supernatural." WICKEDNESS comes from the Greek "poneria" (4189) which means: "depravity; malice; iniquity."

So we see that the Christian's adversary is not a "flesh and blood" individual, but a powerful, spiritual being, who is utterly depraved and set against God.

This is further confirmed in 2 Corinthians 10:3,4, where we read: "for though we (Christians) walk in the flesh (the natural world), we do not war ("strateuomai," (4754) serve in a military campaign: contend with carnal inclinations) after the flesh. For the weapons ("hoplizo" [3696] "to arm oneself.) of our warfare ("strateia" [4752], "military warfare") are not carnal ("sarkikos" [4559], meaning "fleshly"), but mighty ("dunatos" [1415], meaning "powerful; capable of") through God for the pulling ("kathairesis" [2506], meaning: "destruction of; demolition of") down of strongholds ("ochuroma" [3794] meaning: "fortified places")."

So what we literally see is that while those who have been born from above walk in fleshly bodies, we do not carry on our main military campaign in these bodies. The reason being that the weapons of our military war-fare are not fleshly weapons, but are the powerful weapons, capable through God's help, of allowing us to demolish the fortified places of the enemy. What a power we have available to us, if we will only use it. The HIGH PLACES mentioned here, are the same ones mentioned in Ephesians 6:12.

The enemy we face is a spiritual enemy. He is many! He is a government! lie is an organization of spiritual beings!

Our enemy has the spiritual realm, a being we sometimes call Satan. We Christians, those of us who have had a "born from above" experience in our lives, are at war with this spiritual enemy, whether we want to be or not. Lost people, those who are unsaved, including millions who go by the name of Christian, but who have never had their sins come under the blood of the Son of God (John 1:12), are not called into this fight. They cannot fight, since they are prisoners of this spiritual authority and prisoners of war cannot fight. This is why there is such a lack of effort on the part of the organized church, the Judeo-Christian church, to take a stand against evil. Too many of their members, are held captive by the enemy. They may come to church every Sunday: they may put some money in the collection plate; they may praise God and even speak in tongues, but they are as much prisoners as those who are behind steel and concrete. These people are worth-less as soldiers in the Kingdom of God.

In 2 Timothy, 2:25, 26 we read that one of the tasks of a "servant of the Lord," is to "instruct those that oppose ("antidiathithemai" [475], meaning "set oneself opposite of: dispute") themselves; if God peradventure will give them repentance to the acknowledging of the truth; AND THAT THEY MAY RECOVER ("ananepho" [3661] "regain their senses; become sober again") themselves out of the SNARE ("pagis" [3803] "trap; strategy or temptation") of the DEVIL ("diabols" [1228] "false accuser; Satan"), who are TAKEN ("zogreo" [2221], "taken alive; captured or ensnared") by him at his WILL ("thelema" [2307] "desire; pleasure.")

These unsaved people cannot escape from the prison house of Satan. Peter tells us in 1 Peter 5:8, that this "spiritual authority" he calls the "devil" is going around in the world like a wild lion, "seeking whom he may DEVOUR ("katapino" [2666], "to gulp down entirely; to swallow up"). James tells us in 4:7, that before we can resist this evil, (RESIST "anesthimi" [436], "to oppose; withstand" this evil authority by first SUBMITTING "hypotasso" [5293], "obey; become obedient to; put yourself under; be in subjection to"). This means of course that we must submit to the laws of God, which were never done away by Jesus Christ, since we learn in I John 3:4, that "sin is the transgression of the Law."
What does all this mean? It means that you and I, in order to be good soldiers for Jesus Christ, must first have a personal knowledge of the Commander-in-Chief. It is impossible for anyone to "submit themselves to God," unless they have gone through the scriptural process spoken about by Jesus in John 3:3, sometimes being called "born again." (I like "born from above" better.)

One of Jesus' principle reasons for coming to this world in human form; think of it; GOD THE WORD, in human form, was to "preach deliverance to the captives." DELIVERANCE ("aphesis" [859], "forgiveness; pardon; liberty" to the CAPTIVES "aichmalatos" [164], "a prisoner of war.")

So you see, there is a war going on and the enemy, has taken prisoners.

From these few scriptures we have already learned two truths.

1. - It is impossible for the unsaved to resist evil, since they are captives of this evil, and,

2. - Saved people are no longer prisoners of evil and therefore MUST resist it and fight against it.

Where do you think the fleshly lusts which born bard men and women come from? Some may say: "Its the old human nature coming to the fore. The Old Man. But why is all flesh basically evil? How does flesh-lust drive men and women to sin. Let's go back to Ephesians 6:12 again: "For we wrestle not against flesh and blood.

This makes it adequately clear that our enemies is a spirit enemy, not one of flesh.

How do we fight this evil spirit. Through the flesh (Titus 2:11, 12) - "For the grace of God (unmerited favor of God) that bringeth salvation hath appeared unto all men (inclusive), teaching us that denying ungodliness, and worldly lusts, we should live soberly, righteously, and godly in the PRESENT," ("nun" [3568], a primary participle meaning "NOW"). We are to live godly lives right now, in this world in our fleshly body, and bring it into subjection; lest that by any means, when I have preached to others, I myself should be a castaway way. This does not mean that Paul was afraid of losing his salvation. but that he did not want to become "worthless" in the fight. That is the meaning of the word CASTAWAY. (Gk. "adokimos" [96]).

You may be somewhat skeptical and ask "Do you mean to imply that all sin and human failure is caused by evil spirits in the lives of people?" Let's see what the Bible has to say about this. Always let the Bible, the WRITTEN WORD, answer your questions.

In both the Old and New Testaments, can be found many, prophesies concerning the Second Coming of Jesus Christ and His 1,000 year reign on this earth. This is often referred to as "the millennium, which is a Greek word meaning a "thousand". (See Revelation 20:6).

In Isaiah 2:4, for instance. We read that during this wonderful period, there will be no war. This will be the first time in some 6,000 years of man's written history, when the world has been free of war. In Isaiah 11:6, we read further that the "carnivorous. meat eating wolf, will lie down with the kid (baby goat), which is one of its major foods and that the calf and the young lion, who now feeds on it, will lie down together, and a little child shall lead them. The whole world will be at peace. even the wild animals and poisonous reptiles Isaiah 11:8 tells us that children will he able to play with poisonous snakes and scorpions and will not be harmed.

There will be unsaved men and women in this world during this period. They will be ruled over by Christ and His redeemed OVERCOMERS, the glorified saints. (See Revelation 2:26). That word "glorified" means "changed", I Corinthians 5:51,52 says that in the moment of Christ's return, "We (speaking of those born from above) shall all be CHANGED (glorified), in a moment, in the twinkling of an eye, at the last trump. The dead in Christ shall be raised INCORRUPTIBLE (new bodies which will never be sick again or wear out), and we (the Christians still alive when He returns) shall be changed. For this corruptible (body) must put on incorruption, and this mortal must
put on immortality." (We do not have "immortality" at the present time, although some teach this.) While all the pain and agony of life will be gone, physical life will continue just as before. Commerce will go on, world business will continue. But there will be some big differences.

You might ask: "How can the world continue its bout all the evils it had before?"

I believe the answer is found in Revelation 20:2: And he (the angel who holds the key to the bottomless pit). shall lay hold on the DRAGON ("drakon" [1404], a fabulous serpent who was supposed to be able to fascinate." A term consistently used in the New Testament representative of Satan), that old serpent, which is the devil and Satan, and BOUND ("deo" [1210], "to put into bonds") him for a thousand years."

I believe here is your answer to a world without sin or war. The source of sin, the "tempter", the "false accuser," will be held in bondage during that time and all evil will disappear.

To further substantiate this, look at Revelation 20:3, which tells what happens when Satan is loosed from his bonds at the end of the Millennium. He goes right back to his never ending task of deceiving the nations. Once again, man will rebel against God and all the old bad things, including war and sickness will return. This makes it plain to me, that Satan is the source of evil in our world today.

We who know the Lord, are at war with this Evil Empire. It is a covert (secret, undercover war). but a war nevertheless. Because it is undercover and out of sight from our physical eyes, many times people have a tendency to deny this war is going on. This is one of the reasons we must fight it one day at a time. This is what Jesus meant when He said: "Take no thought for the morrow; for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof." (Matthew 6:34)

The spiritual warfare designed by the enemy has as its main goal the destruction of the Christian light. This is how it works. When an individual has become a "true Christian", through the spiritual process given in Acts 2:38, 39 and has repented and been baptized for the remission of sins, at this moment a light goes on in that life, which will shine in a "sin darkened" world. This is the light which leads prisoners of that world to Jesus Christ, the LIBERATOR. Because of this, this Christian light is a threat to the spiritual jailer, who according to 2 Corinthians 4:4 is Satan. "In whom the god of this world (cosmos) hath blinded the MINDS of them which believe not." Why? Continue: "Lest the LIGHT of the glorious gospel of Christ, who is the image of God, should shine unto them."

When that light shines as it ought, the spiritual prisoners see an opportunity for liberty through Jesus Christ. As Jesus Himself said in John 10:9, 10, "I am come that they (the spiritual prisoners) might have life, and that they might have it more abundantly." That word ABUNDANTLY is a wonderful word. In the Greek it is (4053), "perisseuo" which literally means: "super-abundance; in excess of; cause to superabound; enough and to spare." I believe this is what Paul was speaking about when he said: "Eye hath not seen, nor ear heard; neither have entered into the heart of man the things which God hath prepared for them that love Him," (I Corinthians 2:9).

Romans 8:14 tells us that "As many as are led by the Spirit of God, they are the sons of God," "For the Son of man (Jesus) is come to seek and save that which was lost." (Here He was not speaking about being lost spiritually, but of the condition of Israel. as she was "appolumi" "put away" from God for punishment. When a person is saved, they are free from the power of the jailer.)

Spiritual warfare is always carried out on a "one on one" basis since the activity of evil is never accidental or at random. Evil is designed to fit each individual case, which is what makes me a believer in a "personal devil," just as I believe in a "personal savior." This evil is always designed to destroy the witness of the Christian, to extinguish his LIGHT. When this witness is destroyed, there is no light to guide that individual and the enemy has won another victory. Thus, for the Christian, your enemy PERSONAL. This adversary dose not become your "personal enemy" until you accept the Lordship of Jesus Christ and that moment, you become a threat to evil and will be treated as an
enemy.

Each individual who becomes a threat to the enemy is searched out by that enemy. Their weaknesses are catalogued and a tempter is assigned to break that person down. The Ruling Council of the Evil Empire are the "principalities and powers," of Ephesian 6:12.

The first phase of this warfare is to destroy your witness for Jesus Christ. This is done by a daily manipulation of circumstances around the Christian, so that they are confronted by temptations, which are specifically aimed at their weaknesses. At this point, the tempter steps in and ruins your witness for Jesus Christ. This is why it is so important go into battle with the whole armor of God." (Eph - 6:11) that you may be able to stand again against the wiles (strategy) of the enemy.

This moment or personal weakness led one of the great men of Bible history into adultery, the destruction of a family, murder, lies and a sword in his own home that bugged him until the end of his life. He could have won by merely turning his head. But he lost the battle, when he flesh to take over. James 4:7 tells us "Submit yourself therefore to God: resist the devil, and he will flee." Now whether you regard the devil as a real person or not, or merely an influence, the Bible says he is there and he will destroy you if you give him the slightest chance.

King David gulped down the bait at the first bite, the evil spirit set the hook and another life became captive of the enemy.

Because David refused to discipline himself, he had a son who raped his own sister. Another son killed this brother for this act, yet another tried to kill his father. All these turmoil in his life because he would not turn his head away from temptation.

The Bible says that David woke up from taking nap and walked on the roof of his house and from there he saw a woman taking a bath on another roof. Now I guess it is natural for a man to look at a beautiful woman, especially when he sees her in this condition. But David's looking turned into longing, when he saw that she was very beautiful. And David lusted after her. Jesus said that "he already committed adultery with her in his heart at that time," (Matthew 5:28). He looked, he desired, and he acted on this desire and had an affair with her while she was still married, and was so enamored with her that he had her husband murdered, so that he could have her. All this could have been avoided if David had turned his head.

Guard your light, Christian young people. for it is the most precious thing you have.

So when someone asks "Who fights in this battle?" the answer is: "All who have been born from above." You will usually find that the Christians who refuse to become involved in this "battle to the finish" are those who have never had a real "heart to heart" encounter with Jesus Christ. In other words, they are Christians in name only. They may have their name on some church roster, but they are not really members of God's Kingdom. I sometimes call them Alka Seltzer Christians. You all know how Alka Seltzer works when you place it in a glass of water. It fizzes for a few seconds and in order to get any good from it, you must drink it while it fizzes. There are many Christians like that. They bear the name all right, and they come to church most every Sunday and "fizz for an hour," but for the rest of the week you would never recognize them as Christians. They run with the same old crowd, they laugh at the same dirty jokes they go to the same un-Christian places. They are Christian in name only.

Some of you may say that you don't believe in evil spirits. I would suggest you read 2 Corinthians 12:7 where the Apostle Paul says: "Lest I should be exalted (boastful) above measure through the abundance of the revelations (because of what God has showed him). there was given me a thorn in the flesh (Listen very carefully now) the messenger of Satan, to buffet me, lest I should be exalted."

Paul was saying in effect that Satan had sent a demon to slap Paul in the face every time he got puffed up and that God allowed this to keep him humble.

How do we go about to fight this war."
In 1984, I taught a two hour class in guerrilla warfare at the ARYAN NATIONS CONGRESS, Hayden Lake, Idaho. Opponents of mine, especially those in the Jewish Anti-Defamation League and their flunkies in the "prostituted press" said that this class was for the purpose of overthrowing the United States Government. This was so far off the mark that it was absurd, but many people believed it.

This class was taught so that Christians would know how to fight against a superior, physical enemy, in case our country was ever invaded from without or within.

When a Christian puts on his or her daily armor, it is for the purpose of being able to withstand any attack that Satan may throw at us. He is a wily enemy, with many schemes, tricks and devices. They are so clever that unless we have the power and wisdom of God at our command, we will live exposed, defeated lives. Many Christians, who have the power of God available to them, do not use it, because they have allowed sin in their lives, to corrode the contact points between them and the power source, which is the Holy Spirit.

In preparation for this battle, which is going to be to the death, our God has prepared specific armor for His people. When worn, this will provide perfect protection from all the "darts of the evil one." (Ephesians 6:11) But ALL THIS ARMOR MUST BE WORN TO GIVE US PERFECT PROTECTION. Leave off even one piece, and this is where the enemy will attack.

This armor is listed, piece by piece in Ephesians 6:14-18.

No. 1 - TRUTH.

No. 2 - RIGHTEOUSNESS.

No. 3 - THE GOSPEL OF PEACE.

No. 4 - THE SHIELD OF FAITH.

No. 5 - THE HELMET OF SALVATION.

No. 6 - THE SWORD OF THE SPIRIT (which is the WORD of God. It is the LIVING WORD, in written form. Think of it. When you read the WORD, you actually hold in your hands the WORD HIMSELF.)

No. 7 - Prayer and supplication.

To the worldly man or woman, this armor may seem superficial, but it gives perfect protection to the believer who wears it.

It becomes increasingly clear that one must go into battle completely protected. You must wear it all! I guess that Number 5 would be the first piece that was required, since you must have salvation before you can get any of the other pieces. To have salvation, you must have at least part of Number 4, the Shield of Faith since we are told in Ephesians 2:8: "For by GRACE are ye saved through FAITH; and that not of yourselves; it is a gift of God."

So we see that the SHIELD OF FAITH is extremely important. Faith comes in four parts:

1. - There is Intellectual FAITH which is the part you use when you search for SALVATION. A good example of this can be found in James 2:19 - "Thou believest that there is a God: thou dost well: the devils (evil spirits) also believe, and tremble."

But unfortunately, one can have INTELLECTUAL FAITH without having SAVING FAITH. A man can know how to be saved but never take the necessary steps to accomplish it.
2. - Part two of FAITH is shown in Romans 10:9, 10 - "That if thou shalt confess with thy mouth the Lord Jesus, and shall believe in thine heart that God raised Him from the dead, thou shalt be saved. For with the HEART (the intellect) man believeth unto righteousness and with the MOUTH confession is made unto SALVATION."

3. - The Third Type of FAITH is "temporary faith." An example is found in Luke 8:6, where Jesus, speaking on the Parable of the Sower, told about the seed which had fallen on the rocky ground and as soon as it sprouted it died from lack of moisture. He went on - to explain this in vs. 13 - "They (the seed) on the rock are they, which when they hear, receive with joy; and these have no root, which for a while believe, and in the time of temptation fall away." Have you ever seen people like that? When I was a Fundamentalist evangelist I saw many of this type. They would get all worked up by the evangelists preaching and would come forward to the altar to be saved and would have some sort of an experience that would set them shouting and praising God. But it wasn't real. It was just emotion and when they got down to the every day experience of living the Christian life, they fell at the first temptation that crossed their path and a year later you would have never known that they had once made a profession of faith.

4. - Then there is probably the saddest of all types of FAITH. It is what the Apostle James calls DEAD FAITH (James 2:17): "Even so FAITH, if it hath not works, is DEAD, being alone." These people often claim to be saved, but they show none of the "fruits of the Spirit," (Galatians 5:22, 23).

The church rolls of America, even in the IDENTITY churches, are filled with people who claim to be Christian, but they have never had the "born again" experience that Jesus told Nicodemus was necessary to get into the Kingdom. (See John 3:3) A great percentage of the so-called Christian population do not even understand what it means by being "born again," or more accurately being "born from above."

To trace the beginning of this MOST IMPORTANT decision on the part of a Christian, we need to go back to Jesus' conversation with a very religious Israelite named Nicodemus, as found in John 3:1-13. "There was a man of the Pharisees (in other words. he was a political leader of the JUDAITES) named Nicodemus, a ruler of the Jews (JUDEANS) the same came to Jesus by night (for fear of the Jews) and said to Him. Rabbi (teacher), we know that thou are a teacher come from God: For no man can do these things that thou doest, except God be with Him. (Nicodemus recognized the authenticity of Christ's ministry by his concrete witness) Jesus answered and said unto him, verily (truly), verily I say unto thee, except a man be born again (from above), he cannot see the Kingdom of God."

This very learned man could not understand how a grown man could be born a second time. He was confused, just as a lot of Israelite Christians are today. Nicodemus was impressed with Christ's miracles and His preaching and honestly wanted to know who Jesus was. But he was confused when Jesus used a word which included the three-fold process of procreation - conception, development and delivery. Nicodemus, thinking, On a physical level, thought Jesus meant he had to have a physical rebirth and as an intelligent man, he knew this was impossible. So he was confused. Jesus went on to explain to this man how this was a spiritual rebirth.

At this point, you might ask: "What is faith?" and I would answer you with the Biblical definition given in Hebrews 11:1 - "Now FAITH is the substance of things hoped for, the evidence of things not seen."

Then you might ask: "Where does this FAITH come from?" and again I would go to the Bible for my answer in Romans 10:17 - "FAITH cometh by hearing; hearing by the word of God."

Then you might ask: "How can I obtain this saving FAITH?" and again the scripture answers you in
Romans 12:3 - "For I (Paul) say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think: but to think, soberly, as God dealt to every man the measure of FAITH." Then Jude 3 - "...earnestly contend for the FAITH which was once delivered unto the saints."

From these FAITH scriptures we can see that faith is spiritual. It is not physical in any sense. It is not something you can touch, or see, but the evidence of it can be seen in the physical realm, by the way the Christian acts.

INTELLECTUAL FAITH, is part of SAVING FAITH. In fact, it is the fountain of it. This FAITH gives the individual the ability to know in their mind, that there is a God, who is superior to all and over all. But this knowledge in itself does not save a person. This is the kind of faith many people have who consider themselves to be Christians.

But as we read further in James 2:14-26, it becomes quite obvious that for INTELLECTUAL FAITH to become SAVING FAITH, we must act on it. We must first BELIEVE, and then CONFESS.

When we read Christ's Parable of the Sower in Luke 8:11-15, we find that INTELLECTUAL FAITH accounts for about 25% of those who hear the Gospel message: another 25% have TEMPORARY FAITH:

ANOTHER 25% have DEAD FAITH, and only about one in four who meet Christ "face to face" ever become real Christians.

This final 25% is further divided by one third who produce "thirty fold"; 1/3rd who produce 60 fold, and the other 1/3rd who produce 100 fold. These Christians, by lagging behind in their FAITH, can suffer loss, (see 1 Corinthians 3:15).

When the time of battle comes, and Christians are tested under fire, only a few survive to become the OVERCOMERS who will "rule and reign with Him" in His Millennial Kingdom (Rev. 2:26).

Now let's go back and take a closer look at the Christian's armor. We have noted that it comes in seven distinct parts. Six of these are defensive, only one is offensive. This is the Word of God, the SWORD OF THE SPIRIT.

Since this is the only weapon we have, it behooves us to know all we can about it. We have no offensive power within ourselves, without God we are helpless. This is a lesson a lot of our Identity Christians should learn in a hurry.

How do we use His Word. our SWORD? By having the FAITH of a little child.

We can use the example of a little boy, who in the midst of a terrific storm which is rocking the house on its foundations, comes to his father in fear and says: "Daddy, are we going to die?" And his father says: "No, son, God will take care of us." To which the little boy replies: "Okay, in that case I'm going to bed." This is the sort of child-like faith we must have in God and His Word. He said it; He promised it; so we believe it. It is as simple as that. When He says in Romans 8:28, that "We KNOW that ALL. THINGS work together for good to them that love God; to them WHICH ARE CALLED according to His purpose," we know that all things will WORK TOGETHER FOR OUR GOOD, even when we can't understand them.

But the WORD only becomes a weapon for them who believe it. A very intelligent man I once knew and deeply respected, turned away from Christ a few years ago and now attacks Christianity with blasphemous venom, calling God "that old Spook in the sky," and speaking about our Bible as a "muddle of Yiddish fairy stories." To this man, the Bible is of absolutely no use, since he fits the words of Paul in Romans 1:22 - "Professing themselves to be wise, they became fools." Later on in 2 Timothy 3:7, he stated that these intellectuals were "ever learning, and never able to come to the knowledge of the truth."

While men claim that the Bible is full of errors, it has been proven to be historically and
scientifically correct.

For many years, the Christian Church had a controversy with the evolutionists who stated that the world was much older than the 7,000 plus years, the religionists recognize. This came about because the church refused to believe what God clearly points out in His Book, that when God created "male and female" in Genesis 1:26 and gave them dominion over all things, this was a completely different account from Genesis 2:5, where we are told that after God rested from His labors of creating the world, "... there was not a man to till the ground." Then in verse 7, we see where God formed AU-DAUM (a white man, for this is what the word means), from the dust of the earth and "breathed into his nostrils the breath of life," and (this) man became a living soul." Notice that God did not form "male and female" at this time, as He did in the Genesis 1 creation. Eve came later, formed from Adam. This ADAM being was different from the "HUMANS" who were created in Chapter 1, and they may have been hundreds of thousands of years older than the ADAMITES.

Historically, every king, kingdom, city and nation mentioned in the Bible has also been recorded in history. Science is just now beginning to understand the many wonders which were foretold in the Bible.

So we can be certain, in spite of claims made by my one-time friend, that the Word of God, the Living, written word, is true and supercedes all human knowledge.

Since the SWORD OF THE SPIRIT, is the only weapon we have, we should not only know all we can about it, but we must become adept in its use. Just like in using a real sword. This means practicing with it, until it becomes a part of us, an extension of our lives. A person who has never wielded a sword in combat, will have little success against an experienced foe, and believe you me, our foes are experienced. No matter how superb your blade may be, it will be of little use, unless you know how to handle it. It can be made of the finest Damascus steel, with beautiful gold engraving and a jewel set in the hilt, but it will mean no more to a soldier than a butcher knife, until you learn how to handle it in battle.

When the Christian soldier goes into combat without his weapon or his armor, the enemy can depend at this point, that the "lusts of the flesh" will prod the physical takeover of the soldier, as the fleshly elements predominates. The Christian is not compelled to surrender at this point. They have the ability to say "no" to the temptation. This was adequately proven to me a few years ago when I was lecturing at Ohio State University, Columbus, Ohio on the "abortion issue." During the Question and Answer period, a beautiful coed asked: "If we can't have contraceptives and abortion, how will we control the population explosion?" (To any educated person, we know that this "population explosion" in the United States is a farce.) When I answered "Have you ever heard about something called "self-control"? You would have thought from the audience reaction that I had slapped her in the face. Here were several hundred young Americans, just entering adulthood. who did not know that they had the ability to choose between "Good" and "bad." They had been brainwashed by; their professors into believing that what a person is, is determined by his environment and all you need to change a bad person to a good one, is to change his environment. Yet this same girl, who was so concerned for her rights to have an abortion, was heading up a committee at the University to protect baby seals in Greenland. Can't you see the utter hypocrisy of this and the utter fiendishness of the enemy in the way he operates?

In I Corinthians 10:13, we are told: "God who is faithful, will not suffer (allow) you to be tempted above (more) than ye are able; but will with the temptation make a way of escape that ye may be able to bear it."

You may say: "Why the temptation in the first place, if God controls it?" To which I would have to say: "To make you a stronger Christian." A person who remains on baby food all their life and who never gets out of the crib. will become a mental and physical imbecile. It takes strong meat and strenuous exercise. to make a strong Individual..

There are many times when a Christian will refuse the first temptation and this is the best time for
you to win. If you miss out on this first opportunity to say "no" to evil, the chances of your being victorious are slim indeed!

The price we pay, when we allow evil to manipulate our lives is always high. This evil force cannot cause us to sin, it can only maneuver us into a position where our own free will takes over and we sin by choice. No man has ever sinned because he was forced into it. The old cliche: "The devil made me do it, will not stand up before that Righteous Judge on Judgment Day."

Guard your witness, my Israelite friend, for it is not only important for you, but for the entire Kingdom. So when the question comes up: "Who fights?" The answer is: "All those who have been born from above."

Remember, that since we have no other weapon to fight with, we must master the WORD. We have no power in ourselves, and oh how necessary it is for some of our IDENTITY brethren to realize this truth. There is no power in our works, no power in our minds aside from the Spirit of God. One may have access to the latest array of modern weapons, but they will be found useless unless we depend on God and seek His will in the battle before plunging full speed into the conflict.

In the spiritual realm, where our bitterest battles will be fought, we have no weapons whatsoever aside from His WORD.

So we MUST use His WORD with authority. We are told in Mark 16:17 that "All these signs (given in vs. 17, 18) shall follow those that believe. The authority to use the WORD is given to the Christian soldier. Can a person be a Christian and not a believer? It doesn't seem possible, but it is apparently so, for Jesus said "Because of your unbelief..." ye could not do this thing. He went on to explain to His disciples that if they had the "faith of a mustard seed. ye shall say to these mountains, remove hence to yonder place: and it shall remove, and nothing shall be impossible unto you." Did this mean that the disciples literally had the power to remove mountains. I think not! I do not believe that Jesus was speaking about a pile of rocks and trees. He was speaking about what He had told them when He sent them out: with His kingdom message and told them in Luke 9:1 that they would be given power to cure people and cast out evil spirits. Until the incident in Matthew 17:14-21, this power had worked for them and then suddenly they cam up against an evil spirit who would not obey and they were in a "tizzy." Jesus told them that their power worked only so long as they did not doubt. Once doubt comes into your mind, once you are no longer sure of the promises given by your Commander-in-Chief, you have lost the battle. In fact, you are whipped before the first blow is struck.

Since we have authority from our Master to use the SWORD OF THE SPIRIT WHICH IS THE WORD OF GOD, we need to know what God's Word is. John 1:14 tells us: "And the WORD was made flesh and dwelt among us, and we beheld His glory as of the only Begotten of the Father, full of grace and truth."

While Jesus was on earth, He was the WORD OF GOD IN THE FLESH. the WORD MADE INCARNATE. When He departed, He left us His WORD in the BIBLE. Think about this, the next time you pick up that old Book. You are holding in your hands, the very essence of the Son Himself. I guess that is why I am so careful what I do with my Bible. I refuse to pile papers on it on my desk, or allow it to lie on a coffee table, covered with magazines. But as important as this may be, think about how much more important it is, with what we do with the WORD spiritually.

I'm afraid many of our Israelite Christians are like the young mother who was being visited by her pastor. Wanting to impress him. she said to her four year old daughter; "Susie. go and get the big book mommie loves so well," and Susie comes back with the Sears Roebuck catalogue. I'm afraid that the catalogue and the TV Guide have more use in most homes that the WORD OF GOD. Maybe that's one of our problems.

We should remember that the PRINTED WORD, properly used, will have the same effect the LIVING WORD had.
In 2 Timothy 3:16, the young preacher Timothy is told that "ALL Scripture is given by inspiration of God. and is profitable for doctrine, for reproof, for correction, for instruction in righteousness..." Therefore the Bible, if properly used, becomes the SWORD OF THE SPIRIT, our offensive weapon.

But the Bible can be a weapon only to those who believe it. To my intellectual acquaintance who believes that it is only a "bunch of Yiddish fairy tales," it means next to nothing. He can see no virtue in it; he can see none of its glory. No matter how deep truth it contains, he cannot, or will not see it, because he refuses to believe.

He is sort of like a blind man who goes to an eye doctor and says: "Doc, for God's sake, help me to see." and the doctor tells him: "Open your eyes, you fool! of course you can't see while they are closed."

To the individual who demands concrete proof, there are thousands of proofs. Written by at least 40 different men, in 66 books, over a span of some 1600 years, there are no contradictions in spite of those who say they have found 20,000 errors in the King James Version. Mathematical odds prove that this book cannot be the work of the physical man.

Beyond mathematics, history and science prove the Bible to be correct. As I mentioned earlier, every king and kingdom mentioned in the Bible can be found in historical records and as more and more truths are being unearthed through archeological findings, they all confirm the authenticity of this perfect writing.

A few years ago, a Southern Baptist theologian wrote a book titled THE GENESIS STORY, in which he stated that the first ten chapters of Genesis were nothing but Hebrew fairy tales. He said, for instance, that the miracle of the Red Sea crossing, never took place. But in the Egyptology room of the great museum in Cairo, you can see the evidence that the Pharaoh who ruled in Egypt in 1491, B.C., was lost in the battle of the Red Sea, as he pursued our Israel forefathers into its waters.

It is interesting to note that modern computers, when fed the proper information, say that the first five books of the Bible were written by Moses, thus confounding the scholars who say the computers can never be wrong, but refuse to believe them in this instance Here we can see the evidence of the evil one, no matter what you may want to call him. 2 Corinthians 4:4 tells us: "In whom the god of this world (Satan) hath blinded the minds of them that believe not, lest (so that) the light of the glorious gospel of Christ, who is the image of God, should not shine unto them." this is another strategy of the enemy in this "undercover war", the use of "misinformation." An old Arkansas hillbilly had the right idea when he said: "It ain't so much from not knowin' that causes the trouble, as it is from knowin' so much that ain't so." Blinded minds! Brainwashed hearts!

One method the computers used was to give the machine a key word such as A-D-A-M and command it to find where these letters are defined in the rest of the Bible. Strange, isn't it, that even cold metal and plastic can recognize God's Word. while intelligent flesh and blood refuses to acknowledge it? Do you suppose this is what Jesus meant "hen He told the Jewish leaders, who wanted Him to rebuke His disciples for calling Him the Son of David: "I tell you that if these should hold their peace. even the stones would immediately cry out."

It has been proven by mathematicians, that verse by verse. Chapter by chapter, book by book, the Bible was written with mathematical precision in a manner which to far above the ability of human beings to duplicate No other writing of man has ever come close to duplicating this. Based on scientific proofs we know that:

1.- No human could have written the Bible through his own wisdom; and

2. - The mathematical design of the Bible is far beyond human comprehension.

These are some of the reasons why we, as Christian soldiers, can use this SWORD OF THE
WORD, knowing that it will never fail us.

My Christian soldier friend. we have a weapon in our hands which exceeds any nuclear weapon in potency. That bomb employs atoms. Our weapon was written by the One who made these atoms. Hallelu"Yah!

The WORD OF GOD has been assaulted down through the ages. but like the anvil in the blacksmith shop, which may show a few dents from the hammer blows against it, is still structurally sound and has destroyed every hammer which has pounded on its surface.

It has been assaulted by the finest brains the world could put against it; these, often on their death beds, have had to admit they were wrong. It was assaulted by the German-Jewish Higher Critics of the Nineteenth Century, who have all had to go home with "egg on their faces." These have all died and gone on to their reward, forgotten for the most part, while the WRITTEN WORD OF OUR GOD is stronger today than ever before.

Today, the Bible critics from the mainline Protestant denominations are trying to prove that many of the sayings of Jesus found in the five gospels, were never made by Him. They are trying to prove that he "as just an ordinary man, with ordinary flesh and blood parents. Some say He was a homosexual, while others try and degrade Him by saying His mother was nothing but a Jewish prostitute. Now they are trying to remove the Gospel of John because of its denunciation of Judaism as a false religion. But all their efforts will be for nothing and they will be discarded and forgotten on the "garbage heap of history," as the others who went before them.

While this is going on, the Old Ship of Zion sails through stormy seas, her sails at times tattered from the shots fired by the enemies, but still sailing strong. bearing at her masthead the flag which says: "By this sign, we CONQUER!"

The WORD has made special demands on His people, and the SWORD OF THE WORD can become a curse to the disobedient; to those who use it unworthily. In Deuteronomy 11:26. 27, our Israelite fore fathers were told: "Behold, I (God) set before you this day a blessing and a curse. A blessing if you obey... and a curse if ye will not obey..."

Sometimes we blame God for the unpleasant things which happen in our lives. We can't understand why cancer seem prevalent in some families, while others are bothered by heart disease. Often these came about through the curse working in our lives and those of our ancestors.

Some of you may say: "But that curse way done away by Jesus' death on the Cross. He died to take away, that curse." And, yes. He did die to take away the curse of sin and death, when under the guidance of the Holy Spirit we will accept Him. But this does not make a Christian free of the curse. Why not? Because many Christians never have availed themselves of the GRACE God has made available to them. You can be a child of God and still have this curse working in your life. The iniquity, the transgression which doomed you to eternal death has been washed away, but the consequences of the sin remains

Let me give you an illustration: A man is cleaning his rifle preparatory to deer season. He carefully checks the magazine to make sure it is not loaded, but he forgets to check the chamber. While cleaning the gun, it discharges and kills his wife who is working across the room from him. A tragedy! The law investigates and finds out it was an accident. The husband goes free (he is found innocent), but that does not bring back his wife.

As Christian soldiers, we need to remember that Galatians 6:7 was written to Christian Israelites, about Christian Israelites, for Christian Israelites. It says: "Be not deceived; (fooled) God is not mocked (Gk -"mukterizo" 3456 - meaning: "ridiculed").: for whatsoever a man soweth, that shall he also reap." This is known as the "law of harvest."

Many Christians have the CURSE operating in their lives because they refuse to follow the rules God laid down in the Bible for healthy living. An unhealthy soldier will be a poor soldier, for it needs every bit of strength we can muster for the battle. So one of Satan's major devices is to
Weaken the Christian soldier; to get us to believe that the health laws of the Bible were canceled by Christ on the Cross. But the curse still remains and operates in our lives until we are willing to be free from it. Jesus made this possible, just as He made salvation possible for "he that believes."

In Mark 9:24 we read: "If thou canst believe, ALL THINGS ARE POSSIBLE." Think about that! We know the enemy outnumber us thousands to one. We know he has the wealth of the world in his hands while we are often destitute. He has control of the world's media, while we have to struggle along with our little Newsletters and pamphlets. But we also know these odds mean nothing, if we will only believe. A true soldier always works on this belief. Our cry should be: "Lord, help thou my unbelief!"

I'm not going to get into any kind of a discussion regarding the casting out of evil spirits, for we are discussing Christian warfare. But we are going to be next to useless as soldiers, if we allow evil to obsess us. This can be overcome by prayer, and yes, fasting.

There are five major sins which can and will weaken the Christian soldier:

1. - The worship of false gods. (This will be anything we put first in our lives, before that of the true God. It may be family, possessions, social standing, etc.)

2 - Denying there is a God (unbelief).

3 - Violating the Bible laws on diet.

4 - Violating the Bible laws on sexual matters such as adultery, homosexuality, miscegenation, etc.)

5 - Violating the Biblical laws on sanitation.

The first two are great spiritual sins. The remaining three are physical sins against our bodies, which are the temple of the Holy Spirit. (I Corinthians 3:16-17). "Know' ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" Notice carefully vs 17 - "If any man defile the temple of God (his body), him shall God destroy; for the temple of God is holy, which temple ye are." We have all known Christians who have died long before their time, because they insisted on drinking, or smoking, or doing things they knew were harmful to their body. The WORD says, "these shall God destroy." Don't get mad at me, I'm just telling you what the WORD says. If you still want to suck on your cigarettes, or have your before dinner drinks, or eat your pork chops, then be prepared to suffer the CURSE.

The sexual laws can be found in Leviticus 18 and 20. The dietary laws in Leviticus 3:17 and Deuteronomy 14:1-21. The sanitary laws are in Deuteronomy 23:9-14. All of these are "personal laws," laid down by God for your personal protection.

Not only do we kill ourselves when we violate these laws, but often we subject our children to the CURSE too.

As Christian soldiers we must expect to face fiery trials. In I Peter 4:12, 13, he warns Christian soldiers: "Beloved, think it not strange concerning the fiery trial which is to try you/blo though some strange thing happened unto you. But rejoice, in-as-much as ye are partakers of Christ's sufferings. That when His. glory is revealed. ye may be glad also with exceeding joy."

There are going to be many Israelites who will get into the Kingdom by the "skin of their teeth." Paul said: "saved. set so as by fire." (I Corinthians 3:15). These who base never done anything worthwhile for the Kingdom. will never receive the blessing of ruling and reigning with Him, which comes to those who are classified as OVERCOMERS. This is a military term, since you do not OVERCOME, sitting in a fox-hole. keeping yourself safe from the enemy. It takes front line activity
to be an OVERCOMER. In Acts 5:41, we read where the early Apostles were beaten and commanded not to tell the people about Jesus. It says they departed from their heating: '
...rejoicing that they were counted worth' to suffer shame for His name. And daily in the temple (a public place), and in every house, they ceased not to teach and preach Jesus Christ.' Revelation 2:26 tells us that "He that OVERCOMETH and keepeth my words (commandments) unto the end. to him will I (Jesus the King) give power over the nations.

Our modern church knows nothing about the fire which fell on the early church. I know that the charismatics talk about the heavenly fire, but what they have is not what fell at Pentecost. We know this by the fruits they have been bearing, as seen in the Jim and Tammy Bakker case. Some of our brethren who have felt the wrath of Jewish Communism know about fire, but many of our American Christians say: "I'm saved and that's all that matters. for Jesus will come back and Rapture me out of this mess before it gets that bad." Talk about spiritual "egotism." That's being so tightly wrapped in your shroud of self-righteousness, that it is very probable you won't get unzipped in time to go along with the Master when He does return.

One or the reasons we have such "wishy-washy, self-righteous, marshmallow Christians" in our churches today, is that they have never been 'tried by fire.'

Always when Christians begin to "lose their first love, their zeal for Christ," they lose their fear (respect) for God. To them he becomes some sort of grand-fatherly character with long grey hair and a beard, who sits on some heavenly cloud surveying the earth and saying in essence: "They sure are a bunch of little devils down there, but I love them so much, I'm going to make sure they all get into my kingdom." Not so!

When the fire fell on the early Christian church it moved them into combat action on the front lines. They took on the forces of hell itself; they even took on the mighty Roman Empire. Pray that the "fire of God's Holy Spirit" may fall on our Israel Heritage Movement and cleanse it and turn our people into Soldiers of the Cross. We do not want some phony emotionalism which causes our people to jump around like idiots and shout "Praise the Lord," while doing anything but praising Him with their lives, we want the cleansing fire of Pentecost to stir up our people and cause them to do Yahweh God's thing, rather than their own.

In the Seventh Letter to the Laodicean church (Revelation 3:14-22) we notice that the exhortation is to the individual rather than the church. Why? Because the church of today is beyond redemption. Satan was allowed to enter the Christian church and denominationalism was the result. But when the fire falls again - and I believe we are very close to that time - individuals will "come-out and come-together" in the true church. We are seeing this happen-more all the time. Praise God, as you see the world system, including the church system, as it tries to destroy "true believers," for this is a sign that we are close to that day when the heavenly fire will fall again in a day which will outshine Pentecost.

So I come to you today, as one who laborers as an Ambassador in His Kingdom, pleading with you, especially you who are Israelites, to get your life in a right relationship with the Commander-in-Chief. This is the first thing necessary for you to be in a conquering army. Then with His help, with complete belief in His promises, we will have the victory He has promised us. Now is the time for you to get in on the winning side!

The End
Christianity Affirms Racial Integrity

by Col. Jack Mohr

Given the trends in some churches today, interracial marriage may yet become a sacrament. Leaders of these bodies are always telling us that a "true Christian" (at least if he is white) must be "color blind" and completely ignore what is obvious to his eyes and other senses. Strangely enough, it is perfectly acceptable for "true Christian" non-whites to be as color-conscious as they please. They gain credit for the concern they show their people.

Such hypocrisy should give white Christians a clue that the gospel of color-blindness is an ungodly tool being used against them. It is time for all genuine Christians to question the allegedly self-evident truth that indiscriminate mixing and miscegenation are pleasing in the sight of God.

Certainly this "truth" was not evident to our Southern forebears who certainly were fine Christians. They would have wondered, and so should we wonder, why God would create profound differences between peoples (far greater than mere color) and then have us pretend that those differences don't exist. Is God a God of truth or a God of pretense and deception?

If one looks to the Bible to find justification for color-blindness, he will go away disappointed. Its pages rarely fail to point out the ethnic backgrounds of its characters. It even points out that the (black) Ethiopian cannot change his skin.

Furthermore, we read in the Bible that God separated humanity into "nations" or "peoples" - different groups with different ethnic and cultural characteristics. In Deuteronomy, Moses states that God gave each nation its "inheritance" (perhaps unique talents and abilities) when he divided mankind and "set up boundaries for all the people." The New Testament repeats the same formulation in the book of Acts when Paul states that God created "every race of man from one man" (Phillips tr.) and set the limits (or boundaries) of their habitation. The purpose of this division, says Paul, is leading men to seek after God. Christ said He would judge nations separately and rule over them after His Second Coming.

Consequently, it is unchristian to break down the ethnic barriers that God has ordained. Nevertheless, there is a certain flexibility among the families of a greater nation, such as the countries of Europe which formed from one basic stock. Peoples of these countries migrated to America, and, due to the small basic differences between them, remelted into a new family branch.

But one can never say in linguistic or factual truth that men of the four primary races black, white, yellow and red - can ever be classed together as one people. Though they may live under the same government, they remain separate peoples in the eyes of God and man.

Some will maintain that the love of God breaks down all barriers, and further maintain that a Christian is to love his neighbor. But love here involves a breaking down of spiritual barriers - attitudes of hatred, lust, envy and greed. It is not the universal solvent of liberal mythology which washes away all distinctions among men and makes them exactly alike.

A Christian is to respect peoples outside his ethnic fold as children of God and try to be peace with them. But this respect can only flourish when peoples acknowledge the distinctions between them, uphold these distinctions and develop their own unique talents. Jesus told the Jews not to despise the Samaritans, but he didn't command the two groups to mix and intermarry. One cannot truly love another person by ignoring real differences and pretending he is the same. That is to live a lie, and genuine goodwill can't build on a foundation of untruth.

To assess further whether the integrationist ideology is the will of God, we should examine its origin, its promoters and the fruits it has borne. None give any witness to God.
The belief that all men are basically the same comes not from the Bible, but from the Enlightenment of 18th century France. The philosophers of this movement sought to cast God off His throne as ruler of human affairs and replace Him with human reason. Since all men can reason, they reasoned, all men are the same - except for such men as themselves who can reason better than most and who therefore should rule society.

The Enlightenment was the source of modern-day liberalism, socialism and communism. And it has been the godless disciples of these views who have dominated and directed the drive toward integration. To impose their ideology they have censored the work of many able scientists who have found significant mental, emotional and physical differences between different races and ethnic groups. They have forbidden reasonable debate on racial differences, and threatened those who have tried to defy their ban.

One must ask if a cause is God's will that proceeds from godless men, suppression of truth and intimidation.

Next, let us consider the fruits of integration. Since the time that slave traders broke the God-ordained separation of blacks and whites, can anyone deny that the association of the two groups in America has been anything but a disaster for either people? Blacks suffered the pains of slavery, and white Southerners suffered hundreds of thousands of dead and the destruction of their economy on account of that institution. Today the conflict between the races undermines the United States at every social and political level.

Much success has been claimed for integration in recent years, particularly in the South. But no honest Southerner can vouch for this. Such success that integration has had has been to the extent that both races have lost their vitality and self-respect. Many whites have forsaken their traditions and embraced the liberal ideology of guilt and self-hatred. Many blacks have adopted the self-destructive attitude whites owe them a living. The mutual loss of self-respect has eroded the morals and culture of both peoples.

The next and last stop on the integration train is interbreeding and intermarriage. To assess the fearful consequences of this final breaking of God's law of separation, one should look to Latin America where the white and Indian races mixed centuries ago. Examine the poverty, instability and cultural disharmony of such countries as Mexico and Peru, and ask if either of these countries reflects anything of the glory of their Indian forebears, the Aztecs and the Incas, or of the Spanish civilization that conquered them.

Furthermore, consider the religious corruption in these countries along with others such as Brazil and the islands of the Caribbean. There all too often one sees a Catholicism blended with gross superstitution and undermined by such practices as spirit worship. Then remember that God's reason for setting the peoples apart was that they might seek after Him.

The task of the Christian in the South and the rest of America is to prevent the fate of Latin America from befalling us. The only real solution is to divide the territory of the U.S. and let each distinct group have its own territory and government. Separation must be carried out in the most humane way possible, in keeping with biblical principles.

In the meantime, Christians must affirm opposition to intermarriage and uphold the integrity of their respective groups. A special concern for one's own group is affirmed by Paul who expressed pride in his Hebrew heritage and states his willingness to be cursed for the sake of his people. Anglo-Saxon and black Christians should feel the same commitment to their respective peoples.

Nevertheless, the integrationist mentality has been deeply ingrained in the minds of many American Christians. They must reflect once again that its source is not the Bible, but the Enlightenment and the "melting pot" creed which American liberals have derived from that Cult of Reason.

The mentality of the integrationist factions, be they liberal, socialist or communist, is one of contempt and hatred for men of all races. A mass of raceless, rootless men is the easiest to control
and enslave.

Sadly, though, these leftists have cleverly turned the charge of hatred away from themselves and pinned it on many decent Christian people through the use of such trick concepts as racism and bigotry. These work by confusing the issues of racial hatred and the God-given affinity one feels for one's own kind. Thus a white man who merely prefers white culture is identified as a "racist" and is the moral equivalent of some brute who would kill a black man for no other reason than his race.

This makes as much sense as saying that a man with normal sexual feelings is the moral equivalent of a rapist. (Some feminists have actually tried to pull this line.) When liberals succeed in making people feel guilty about normal, instinctive feelings, they have a powerful tool for manipulation and control.

In contrast to what they tell us, the Bible teaches that we must first love ourselves in order to love others, and it is most difficult for a man to love himself without an adequate love of his own culture and kin.

Christians, and white Christians in particular, must cease to be intimidated by false accusers. The true bigots are those who connive for power, teach lies, ignore God's injunctions and deny the realities of God's creation.

The End
"When these things begin to come to pass, then look up, and lift up your heads: for your redemption draweth night." (Luke 21:28)

**HIS RETURN!**

What Does Christ Say About It?

Thousands of books have been written about Christ's Second Coming. Bible scholars and prophetic preachers have studied and speculated on how it will take place. Cults have risen over their interpretation of scripture and in the mid-1800's, in Scotland, a young Scottish girl had a vision, in which she saw the rapture of the saints. This so impressed the head of the Brethren church that he began to preach it throughout England. From there, it was brought to the United States and taught by C. I. Scofield in his edition of the Bible, whose footnotes are almost looked on as Holy Writ by many fundamentalists.

C. S. Lovett, a modern Rapturist, in his latest book on the last days, p.23, says, quoting from a U.S. News and World Report, of February 2, 1979: "It is estimated that Moscow cannot continue pouring its income into arms for another five years. By then, the country will have been so drained, she could face revolt from within. At the very least, say the experts, her production would come to a standstill through decay. THEREFORE SHE MUST MOVE SOON! If she doesn't, her huge arms buildup and military superiority will be meaningless." That was written eight years ago, and Russia, today, is stronger than ever before.

Moshe Dayan, the Israeli general looked at the situation in the Middle East and predicted that Russia would move against the Israeli before the end of 1983, that was four years ago and they have not moved yet.

Lovett says that the prophet Ezekiel, around 587 B.C. had a vision concerning Russia, and that the Bible foresaw her huge army rising up and coming against the tiny state of Israel. Yet look where the Soviet missiles are aimed. They are not aimed at Tel Aviv and Jerusalem, but at the strategic cities in the nations of Christendom, which I believe are the Israel nations.

Then Lovett goes on to make a rather stupid prediction on page 27, when he states: "In my opinion, dear reader, the destruction of the armies of Russia against the mountains of Israel (Old Palestine) is the NEXT BIG EVENT IN PROPHECY! It will probably occur within the next few years." (Remember this book was written in 1980.) If Lovett had been living in the time of Ancient Israel, he would have been put to death as a false prophet. In Deuteronomy 18:22 we read this instruction to the ancient Israelites: "When a prophet speaketh in the name of the Lord (Lovett says, p.13 -"If you have no prophetic convictions or you're hazy on the subject, accept mine - at least until the Spirit leads you to somewhat motivate you even more." I can assure you this has been the case with me), if the thing follow not, nor come to pass, that is the thing which the Lord hath not spoken, but the prophet hast spoken it presumptuously; thou shalt not be afraid of him." That word "presumptiously", comes from the Hebrew word "zadow," - 2037 - meaning: "arrogantly; with pride."

The belief in the Rapture theory can be fatal to Christians, for the Bible tells us that at this time, Christians will not be able to "buy nor sell in the market place." This means they will have to be self-supporting. They will need to have skills that they can barter off for food and clothing. If Christians feel that there might be a day coming soon when their family would go hungry, don't you think most of them would make some preparation now? Predictions from the Bible in many places show that Christians will be under terrible persecution during the tribulation period; they will not be
off at some big "party in the sky." We are already entering that period of persecution, anyone
telligent enough to read the daily newspaper can see this.

But my intention is not to argue about the Jewish promoted fable of a Rapture, pro or con. It is to
point out what Jesus said Himself, about this period which is under argument. This should end all
argument for anyone who loves Him, after all, He should be the final authority, not some Bible
scholar, or prophetic preacher who tries to translate what he believes Christ meant.

The two most important passages in the Bible concerning these "end times," or "end of the ages,
would be a better term to use, can be found in Matthew 24 and Luke 21. I will discuss Matthew 24
verse by verse, to show you what Jesus really said, then discuss the slight differences found in Luke
21, which in no way change or distort the Matthew account.

As you study this with me, ask the Holy Spirit to enlighten you to the truth. I do not claim to have
all the truth regarding these verses, or even a special revelation concerning them. I am trying to
point out what the scripture says, not what some Bible scholar says it says.

Matthew 24:1 - And Jesus (Mark 13:1; Luke 21:7) went and departed from the temple; and His
disciples came to Him for to show Him the buildings of the temple.

2 - And Jesus said unto them, see ye not all these things? (the temple buildings), verily (surely), I
say unto you, there shall not be left here one stone upon another, that shall not be thrown down." (This was referred to in 1 Kings 9:7 - "Then will I (God), cut off Israel out of the land that I have
given them; and this house (the temple), which I have hallowed for my name, will I cast out of my
sight; and Israel (not the Jews) shall be a proverb and a byword among all people." The temple was
destroyed in 70 A.D. by the Roman forces under Titus and was never rebuilt. The Jews, who now
seek to rebuild it are the false usurpers of Revelations 2:9; 3:9 and Malachi 1:2-4. In Jeremiah
26:18, we read further of this event: ". . . Thus saith the Lord of hosts; Zion (Old Jerusalem) shall be
in heaps, and the mountains of the house as the high places of the forest." Micah 3:12 - "Therefore
shall Zion . . . be a plowed field, and Jerusalem (Old city) shall become heaps, and the mountains of
the house, as the high places of the forest. Luke 19:44 - "And they shall lay thee (old Jerusalem)
even with the ground, and thy children with thee; [over 1-million Jews perished in the siege of Old
Jerusalem] and they shall not leave in thee one stone upon another; because thou knewest not the
time of thy visitation.) [It is interesting to note that the Roman soldiers literally dismantled the
temple, stone by stone, during the siege. No Christians died in this attack, for they believed what
Christ had told them and fled for refuge to the City of Pella in the Dead Sea area, while the
unbelieving Jews remained behind to be slaughtered.]

3 - And as He (Jesus) sat upon the mount of Olives, the disciples (see Mark 13:3) came unto Him
saying, tell us, when shall these things be? and what shall be the sign of Thy coming, and the end of
the world? (Age). (See 1 Thessalonians 5:1) - the Apostle Paul speaking: "But of the times and the
seasons, brethren, ye have no need that I write unto you."

4 - And Jesus answered and said unto them, take heed that no man deceive (fool) you. (Ephesians
5:6 -"Let no man deceive you with vain words; for because of these things [deception] cometh the
wrath of God upon the children of disobedience." Colossians 2:8 -"Beware lest any man soil you
through philosophy and vain deceit, after the traditions of men, after the rudiments [Greek
"stoichheion" - 4747 meaning: "fundamentals; principles.\ of the world and not after Christ . . ."] 2
Thessalonians 2:3 - "let no man deceive you by any means; for that day [The day of the Lord's
return], shall not come accept there come a falling away first, and that man of sin be revealed, the
son of perdition." 1 John 4:1 - "Beloved, believe not every spirit, but try the spirits, whether they are
of God; because many false prophets are gone out into the world."

5 - For many shall come in my name (Christ's) saying, I am Christ; (see vs. 24) - "For there shall
rise false Christ's, and false prophets, and shall show great signs and wonders; in somuch that, if it
were possible, they shall deceive the very elect." [These elect are not Jews, since the word is never
used in either Old or New Testament to refer to these people. It is always reserved to God's special
people; in the New Testament, especially those who have been "born from above."] [Jeremiah 14:14] "... The prophets prophesy lies in my name (God's): I sent them not, neither have I spoken unto them: they prophesy unto you a false vision, and a thing of nought, and the deceit of their hearts;" [John 5:43] - "I (Christ) am come in my Father's name, and ye (Jews) received me not; if another shall come in his own name, him ye will receive") and shall deceive many. (See verse 11).  

6 - And ye (spoken to Christian Israelites) shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet." ("End" - Greek - 5056 - "telos" meaning: "the termination of an act of time.").) For nation (Isaiah 19:2-"... And they shall fight every one against his brother, and everyone against his neighbor: city against city, and kingdom against kingdom." [Haggai 2:22] - "And I (God) will overthrow the throne of the kingdoms, and I will destroy the strength of the kingdom of the heathen; ["heathen" - Hebrew -1471 - "goy" meaning: foreign, non-Israel people. The Jewish encyclopedia states: "The tribe of Judah is a non-Israelite tribe."] and I will overthrow the chariots, and those that ride in them; and the horses and the riders shall come down every one by the sword of his brother." [Zechariah 14:13] - "And it shall come to pass in that day, that a great tumult from the Lord shall be among them; and they shall lay hold every one on the hand of his neighbor, and his hand shall rise up against the hand of his neighbor.") for shall rise against nation, and kingdom against kingdom: and there shall be famines and pestilences, and earthquakes in divers (different) places.  

8 - All these things are the beginnings of sorrows (We have already seen many of these things happen. Would you call AIDS a pestilence?)  

9 - Then at this, (see Matthew 10:17) - "But beware of men; for they will deliver you (Christians) up to the (Jewish) councils and they will scourge you in the synagogues." [Positive identification of those who will persecute Christians. Yet our pastors call them "God's Chosen." It should be noticed that the persecution of Christian Patriots in particular, especially of Identity Christians, is being pushed by the Anti-Defamation League of the Jewish B'nai B'rith. For all intents and purposes, this alien organization has become an official part of the U.S. Department of Justice]. Luke 21:12 - "But before all these, they [speaking of the Jews] shall lay hands on you, and persecute you, delivering you up to the SYNAGOGUES, and into prisons, being brought before kings and rulers for my name's sake." John 16:2 - "They (Jews) shall put you out of the SYNAGOGUES; yea, the time cometh that whatsoever killeth you will think that he doeth God service." (This hatred for Identity Christians is now being deliberately stirred up in all the nations of Christendom. It is particularly against Christians who oppose the evil of world Zionism.) Then shall they (the Jewish authorities and their Judeo-Christian prostitutes) deliver you up to be afflicted, and they shall kill you: and ye (true "born from above Christians", not the compromisers and Judeophiles) shall be hated of all nations for my name's sake.  

10 - And then shall many (of those who go by the name of Christian) be offended, ("Offended" - 4624 - from the Greek word "skandalizo" meaning: "enticed; stumble; led into apostacy." - 2 Timothy 1:15 -"This thou knowest, that all they which are in Asia have turned away from me . . .") 4:10 - "For Demas hath forsaken me having loved this present world." (Or "being enticed by this present world.").) and shall betray one another, and shall hate one another.  

11 - And many false prophets ("False" from the Greek word "pseudo-prophets" - 5578 - meaning: "pretender; a religious imposter." Acts 20:29, 30 -"For I know this, that after my departing, shall grievous wolves enter among you, not sparing the flock. Also of your own selves shall men arise, speaking perverse things, to draw away disciples tracter them." 2 Peter 2:1 - "But there were false prophets among the people, even as there shall be false (pretenders) teachers among you, who privily bring in damnable heresies (the Rapture; Jews are God's Chosen People theory, etc.,) even denying the Lord that bought them, and bringing upon themselves swift destruction." (Have we seen the beginning of this in the swift destruction of the Bakkers and their P.T.L. Club?)  

12 - And because iniquity (Greek - "anomia" 485 meaning. violation of God's law; wickedness; unrighteousness) shall abound (Greek - "plethuno" -4129 - meaning. increase; multiply") the love of
many shall wax cold (Greek - "psuko" - 5594 - meaning: "become chilled or cold").

13 - But he that shall endure (Greek - "hupermeno" - 5578 - meaning: 'to bear; have fortitude; preserver; be patient") unto the end, the same shall be saved. (Greek - "sazo" - 4820 - meaning: "be preserved; do well; be delivered; be protected." There is no need for a Rapture, since our God is capable of preserving His people within the "tribulation" just as He did the Hebrew children within the fiery furnace of Daniel 3.)

14 - And this gospel (Matthew 4:23 - "And Jesus went about Galilee, teaching in the synagogues, and preaching the gospel of the kingdom") shall be preached (Romans 10:18 - "But I say, have they not heard? Yes, verily, their sound went into all the earth, and their words unto the ends of the world;"

15 - When ye therefore (Mark 13:14; Luke 21:20) shall see the abomination of desolation spoken of by Daniel the prophet stand in the holy place, (whoso readeth, let him understand.) [Daniel 9:27 - "And he (the abomination of desolation) shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, (some believe that the Jews will be back in a rebuilt temple in Jerusalem, holding animal sacrifices and that the "abomination" will make a covenant, or peace treaty with them) and for the overspreading of abominations he shall make it desolate, and that determined shall be poured upon the desolate." Daniel 12:11 - "And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days." Three and a half years.)

16 - Then let them which be in Judea flee into the mountains.

17 - Let him which is on the house top not come down to take anything out of his house.

18 - Neither let him which is in the field return back to take his clothes. (Both of these verses denote extreme danger and the necessity for haste.)

19 - And woe (Greek - "owai" - 3759 meaning: "grief; sorrow) unto them which are with child (pregnant), (Luke 23:29, Jesus speaking: "For behold the days are coming in which they shall say, Blessed are the barren, and the wombs that never bare, and the paps that never gave suck." This actually took place during the Roman siege in 70 A.D., at the fall of Jerusalem.)

20 - But pray that your flight be not in the winter, neither on the Sabbath day.

21 For then (Daniel 9:26 - ", . . . and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations." [Hebrew - "shamem" - 8074 meaning: "to be amazed; astonished; be destitute; destroy; lay waste."]) are determined." Joel 2:2, 3 - "A day of darkness and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountains: a great people, and a strong; there hath never been ever like, neither shall be anymore after it, even unto the years of many generations. A fire devoureth before them; and behind them a flame burneth; the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, nothing shall escape them." (This sounds to me mighty like a nuclear war.) shall be a great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. ("Tribulation" - Greek - "thlipsis" - 2347 meaning: "anguish; persecution; tribulation; trouble.")

22 - And except those days should be shortened, there should be no flesh saved; but for the elect's sake (Isaiah 65:5, 9, " . . . As the new wine is found in the cluster, and one saith, destroy it not; for a blessing is in it: so will I (God) do for my servants (Israel, the elect) sake, that I may not destroy
them all. And I will bring forth a seed out of Jacob, and out of Judah, an inheritor of my mountains (nations), and my servants shall dwell there.") those days shall be shortened. (Again let me reiterate, these "elect" are not the Jews, as most of us have been told, since nowhere in the Bible, Old or New Testament, do you ever find the Jews being called the "elect." This word "elect" is used only four times in the Old Testament, all in the book of Isaiah. Isaiah 45:4 says: "For Jacob my servants sake, and for ISRAEL MY ELECT, I have even called thee by my name [notice very carefully now], I (God) have surnamed thee, though thou hast not known me." This surname is now CHRISTIAN. Those who have accepted Jesus as their king, are now the ELECT and they come from both Israel and outside Israel. Isaiah 45:22 tells us: "Look unto me (God) and be ye saved, all the ends of the earth; for I am God, and there is none else."

The "elect" which will be saved out of the tribulation of the last days, and not by a Rapture, will be those who have put there trust in Jesus Christ. While some continue to argue that Christ will do this by taking the Christians out of this world, there is no hint of such a thing in this chapter, or in the similar passage in Luke 21. I believe we will be saved in the midst of the tribulation. How I don't know, or even especially care. I do know our God is capable of this, since He has proved Himself before. The 91st Psalm may give us a hint, when it says, vs. 7 and 8: "A thousand shall fall at my side, and ten thousand at my right hand; but it will not come nigh thee. ONLY WITH THINE EYES SHALL THOU BEHOLD AND SEE THE REWARD OF THE WICKED." (Emphasis mine.) If God uses a Rapture to save us, then I say: "Praise God!", but there is no scripture evidence to save us, then I say: "Praise God!", but there is no scripture evidence to back this belief.

23 - Then, (at this time - Mark 13:24 - "But in those days, after that tribulation, the sun shall be darkened, and the moon shall not give her light;" Luke 17:23 - "And they shall say unto you, see here; or, see there; go not after them or follow them;" 21:8 - "Take heed that ye be not deceived (fooled): for many shall come in my name, saying I am Christ; and the time draweth near; go ye not therefore after them) if any man shall say unto you, Lo, here is Christ, or there believe it not. 24 - For there shall rise false Christ's (Deuteronomy - 13:1-3 - "If there rise among you a prophet, or a dreamer, and giveth a sign or a wonder, and the sign or wonder come to pass, whereof he spoke unto you saying, Let us go after other gods which thou hast not known (the New Age Movement certainly fits in here) and let us serve them. Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams; for the Lord proveth you, to know whether ye love the Lord your God with all your heart and with all your soul;" 2 Thessalonians 2:8, 9 - ". . . then shall that wicked be revealed . . . Even him, whose coming is after the working of Satan with all power, and signs, and lying wonders [a spiritual impostor]; Revelation 13:13 - "And he (the impostor), doeth great wonders, so that he maketh fire come down from heaven in the earth in the sight of all men.") John 6:37 - "All that the Father hath given me shall come unto me; and him that cometh to me I will in no wise cast out, (these are the "elect"). John 10:27-29 - "My sheep hear my voice, and I know them, and they follow me; and I give unto them eternal life, and they shall never perish (Greek - "opposuim" - 622 meaning: "to be fully destroyed; to perish; to die." This verse refutes the Jewish originated teaching of eternal punishment in the fires of hell), neither shall any man pluck them out of my hand. My Father which gave them to me, is greater than all: and no man is able to pluck them out of my Father's hand:" Romans 8:28 - "For we KNOW that ALL THINGS work together for good to them that love God; to THEM WHICH ARE CALLED, according to His purpose." (Emphasis mine.) 2 Timothy 2:19 -"Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are His . . .") would deceive the very elect." (We have seen from our verses that these "elect" are those from verse 22 and are not Jews, but those who have had the scriptural experience spoken of in John 3:3 and are "born from above," these are those who can rightfully be called Christians, all others are fake.)

25 - Behold I have told (warned) you before.

26 - Wherefore if they shall say unto you, Behold he is in the desert; go not forth; behold, he is in the secret chambers; believe it not.
27 - For as the lightning cometh out of the east and shineth unto the west (Luke 17:24) 50 shall also the coming of the Son of man be.

28 - For wheresoever the carcass is, there will the eagles (buzzards) be gathered together. (Job 39:30 - "Her young ones also shall suck up blood; and where the slain are, there is she." See also Luke 17:37).

29 - Immediately after the tribulation of those days (Ezekiel 32:7 - "And when I (God) shall put [Egypt] out [Egypt is symbolic of all the heathen nations who rise up against God - Psalm 2:1-4], I will cover the heaven, and make the stars thereof dark: I will cover the sun with a cloud, and the moon shall not give her light;" Joel 2:10 - "The earth shall quake before them [the heathen armies]; the heavens shall tremble; the sun and the moon shall be dark and the stars shall withdraw their shining:" (Incidentally, these are all signs of a massive nuclear attack.); Amos 8:9 - "And it shall come to pass in that day, saith the Lord God, that I will darken the earth in the clear day;" see also Mark 13:24; ~Acts 2:20.) shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers [Greek - "dunamis" -- 1411 meaning. mighty miraculous power"] of the heavens, [Greek - "ouranos" - 3772 meaning "the abode of God"] shall be shaken.

30 - And then shall appear the sign of the Son of man in the heavens. (Notice this is the first evidence of His return. It will come after the Tribulation, not before, and there is no evidence that Christians will, or have been lifted off this earth during this awful period. Daniel 7:13 says: "I saw in the night vision, and behold one like the Son of man came in the clouds of the heaven, and came to the Ancient of Days, and they brought Him near before Him. And there was given Him (the Son of man, Jesus Christ) dominion and glory, and a kingdom, that all people, nations and languages should serve Him; His dominion is an everlasting dominion, which shall not pass away, and His kingdom that which shall not be destroyed.")

31 - And He (Jesus, YASHUAH, THE KING) shall send His angels (1 Corinthians 15:52 - "In a moment, in the twinkling of an eye, at the last trump; for the trumpet shall sound, and the dead [Christian dead] shall be raised incorruptible and we [those Christians who are alive at His coming.] shall be changed." Matthew 13:49 - "So shall it be at the end of the world [Age]: the angels shall come forth, and sever the wicked from among the just." (Notice that it will be the wicked that shall be taken out of the world, not the righteous as the Rapture people teach.] 1 Thessalonians 4:16 - "For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first. Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord." (Again, please notice there are no words about leaving this earth's atmosphere - but of a meeting of the saved dead and living at His return.] Revelations 20:5 tells us that at His second coming, the overcomers will be resurrected to live and rule with Him during the Millennium: "But the rest of the dead (Unsaved) lived not again until the thousand years were finished. This is the first resurrection." The second resurrection and the Great White throne judgment, takes place a thousand years later [see Revelation 20:11-15] with a great sound of a trumpet [notice, no secret rapture, but a very noticeable event] and they (the angels) shall gather the elect (again, not Jews, but saved people) from the four winds, from one end of heaven to the other.

32 - Now learn a parable of the fig tree (see Luke 21:29): when his branch is yet tender, and putteth forth leaves, ye know that summer is nigh (close by):

33 - So likewise ye, when ye shall see all these things, know that it is near, even at the door. (Many pastors and Bible scholars within the Judeo-Christian structure of the modern church, have tried to explain this by equating the fig tree with the modern Jewish State of the Israeli. They say that the Jews return to Old Jerusalem is a sign that Christ will soon return. But the fig tree does nor represent the Jews, it never has and never can, since the modern Jews are not the' children of Abraham. This parable simply used the fig tree leafing t in the spring as an illustration, followed by the "As you know summer is nigh when the fig tree leafs out, so when you see all these things
happen, I have been telling you about, you will know my return is close by." In verse 28 of this same chapter, we read these words of hope: "When these things begin to come to pass, then look up, and lift up your heads; for YOUR REDEMPTION DRAWETH NIGH" MARANATHA!

34 - Verily I (Jesus) say unto you, This generation (Matthew 16:28 - ". . . There be some (disciples) standing here, which shall not taste death, til they see the Son of man coming in His kingdom. (Mark 9:1 says:..... till they see the kingdom of God.") You see, that kingdom is here now; only the King is missing; He is with His Father. But when He returns to take over the kingdom, we will see the fulfillment of this prophecy. The word "generation," as used here, comes from the Greek word "genea" - 1074 which means: "an age; a period of time." So this verse could easily have been translated to read: "This Age shall not pass, till all these things are fulfilled." It does not refer to a generation of forty years).

35 - Heaven and earth shall pass away (Mark 13:31; Luke 21:33) but my (Christ's) words shall not pass away. (They have already endured for almost twenty centuries, withstanding all the efforts of evil men to destroy them.)

36 - But of that day (the day of His return) knoweth no man (Mark 13:32 indicates that not even the Son knows the day of His return. In Acts 1:7, Jesus told His disciples: "It is not for you to know the times or seasons, which the Father hath put into His own power." Prophetic preachers who try and convince the people that they know when He will return, and that they have had a special revelation of this, are liars and fakes, and not to be trusted. For Jesus clearly said: "Only the Father knows." 1 Thessalonians 5:2 says of this day ", . . . the day of the Lord cometh as a thief in the night." This is again repeated in 2 Peter 3:10. It will not be a silent coming as the Rapturists like to point out, where all the rest of the world is dumfounded because the Christians are suddenly missing, but will come with a great noise.) no, not the angels of heaven, but my Father only. (Zechariah 14:7 - "But it shall be one day, which shall be known to the Lord (YAHWEH), not day, nor night; but it shall come to pass that at evening time it shall be light").

But as the days of Noe (Noah) were, so shall also the coming of Son of man be.

38 - For in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark. (Genesis 6:3-5 - "And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart, was only evil continually [Luke 17:26]; 1 Peter 3:20 - " . . . when once the longsuffering of God waited in the days of Noah, while the ark was a-preparing . . . " (For 120 years God gave the world the chance to repent, while Noah preached repentance and no one would listen.)

39 - And knew not until the flood came, and took them all away; so shall it be.

40 - Then two shall be in the field, the one shall be taken, and the other left (Luke 17:34). (It is at this point that the Rapturists have a field day. They say the saved will be taken away, while the wicked will be left to go through the horrors of the Great Tribulation. But what saith the Scriptures? Let us analyze Matthew 13:24-30. It is Christ's Parable of the Wheat and the Tares. Here we are told that the good seed will be gathered into the barns, while it is the evil seed which is removed. Christ explains this parable in verses 37-43 - "The field is the world; the good seed are the children of the kingdom; the tares are the children of the wicked one [see John 8:44 for further explanation]. The enemy that sowed them (the tares) is the devil; the harvest is the end of the world [age]; and the reapers are the angels. The tares are gathered and burned in the fire . . . ")

41 - "The Son of man shall send forth His angels, and they shall gather out of His kingdom, all things which offend, and them that do iniquity. (Break His law); (Matthew 13:47, the Parable of the Cast Net. Verse 48 says: "They sat down [the fishermen] and gathered the good [fish] into vessels, but the bad [fish] they cast away." Verse 49 says the angels will "sever [take away] the wicked from among the just." It is the evil people who will be removed at His second coming, not the righteous. In John 17:15, when Jesus prayed for His followers, He said: "I pray not that thou [the Father] shouldest take them [Christians] out of the word [Rapture], but that thou shouldest keep them from
This indicates to me, that Christians will be protected by God, during the time of the tribulation, rather than be removed. How God will do this, I have no idea. But remember, He protected the Hebrew boys in the midst of a fiery furnace, where the Son of God actually came down and stood with them in the flames, and when they came out, there was not even the smell of fire on their garments. Daniel 3:26-27.)

42 - Watch therefore: (Matthew 25:13; Luke 2:36. This verse indicates that Christians should always be on the alert and be overcomers, "that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man." (Again, no hint of a Rapture here.) It would be wonderful to be able to know there is nothing to fear or worry about, but this is a false hope which is emasculating millions of Christians and making them worthless in the Kingdom. It is a message preached by "false teachers," who are tickling the ears of their people. It makes the Christian feel food. See 2 Timothy 4:3, where it warns that in these days before His return, ". . . they [the deluded ones] shall heap to themselves teachers, having itching ears [Greek - "knetho" - 2833 meaning: "to tickle"], and shall turn away their ears from the truth, and shall be turned unto fables." [The apostle Paul warns of these "Jewish fables" in Titus 1:10, 14.] For ye know not what hour your Lord doth come.

43 - But know this, (Luke 12:39; 1 Thessalonians 5:2; Revelation 3:3 - "Remember therefore how thou hast received and heard, and hold fast, and repent. If therefore thou shalt not watch, I will come as a thief, and thou shalt not know what hour I will come.") if the goodman of the house had known in what watch (hour) the thief would come, he would have watched, and would not have suffered his house to be broken up.

44 - Therefore (because of these things), (1 Thessalonians 5:6 - "Therefore let us [Christians] not sleep, as do others; but let us watch and be sober." Does this mean that Christians must stay awake twenty-four hours 'out of the day? Of course not! It means that we are to be aware of what is happening and be prepared at all times for His return) be ye also ready; for in such an hour as ye think not the Son of man cometh.

45 - Who then is a faithful and wise servant (Luke 12:42; Acts 20:28 - "Take heed therefore unto yourselves, and to all the flock, over which the Holy Ghost hath made you overseers, to feed the church of God, which He hath purchased with His own blood.") whom his Lord hath made ruler over his household, to give them meat in due season?

46 - Blessed is that servant, (Revelation 16:15 -"Behold, I come as a thief. Blessed is he that watcheth and keepeth his garments [Greek - "tereo - 5083 meaning: "to guard from loss or injury by keeping the eyes open. "Watcheth" - "Gregoreno" - 1127 meaning: "to stay awake; be vigilant; be watchful."] whom his Lord when he cometh shall find so doing. Verily I say unto you, that he shall make him ruler over all his goods. Matthew 25:21 - "His lord saith unto him, well done, thou good and faithful servant, thou hast been faithful in a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord;" see also Luke 22:29 "And I [King Jesus] appoint unto you a kingdom, as my Father hath appointed unto me.")

48 - But if that evil servant shall saist' his heart, My lord delayeth his coming;

49 - And shall begin to smite his fellowservants and to eat and drink with the drunken;

50 - The Lord of that servant shall come in a day when he looketh not for him, and in an hour he is not aware of.

51 - And shall cut him asunder, ("cut" - Greek -"dichotomeo" - 1371 meaning: "flog severely; cut asunder; cut off"), and shall appoint his portion (Greek "meros" - 3313 meaning: "share or allotment") with the hypocrites (Greek - "hupokrites" - 5273 meaning: "an actor under an assumed character; a dissembler.") Who were these "hypocrites?" see Matthew 6:2, 5, 16; 15:7; 16:3; 23:13, 14, 15, 23, 25, 27, 29; also Luke 11:44 and 12:56) there shall be weeping and gnashing of teeth. (Matthew 8:12 - "But the children of the kingdom shall be cast into outer darkness: there shall be
weeping and gnashing of teeth." See also 25:30).

This portion of Matthew should be compared with the account given by Luke in chapter 21. On this occasion, Jesus and His disciples were in the temple in Jerusalem, almost the identical setting of Matthew 24, where they had just left the temple and gone to the Mt. of Olives. The disciples asked Jesus what signs would precede His return, and Luke 21, as in Matthew 24, gives a warning against Imposters (Hypocrites) who were to come in His name saying: "I am the Christ!" He then warned them of wars, earthquakes, famines and pestilences (would you consider the present AIDS epidemic a pestilence?) which were to come and added something not found in the Matthew account when He told them of "fearful sights and great signs shall there be from heaven." verse 11. (the word "heavens" in Greek is "ouranos" - 3772 meaning. 'the sky; in the air."

In verse 12, Luke identifies the persecutors of Christians, who were not mentioned in the Matthew account, when He says "they (the Jews) will deliver you (Christians) "up to the synagogues, and into prisons." (This deliberately identifies the Jews as the persecutors.) Isn't that what we see happening today? Almost every episode of Christian persecution has a Jew standing somewhere in the background; every news article dealing with the Christian patriot, has a paragraph somewhere, where Mr. So-and-So from the Anti-Defamation League of the Jewish B'nai B'rith has his say about what those "Bad old Christians" are doing.

The great betrayal of Christians in Matthew 24:10, is elaborated on in Luke 21:16, as he further identifies the betrayers of Christians: "and ye (Christian Israelites) shall be betrayed both by parents, and brethren, and kinfolks, and friends; and some of you shall they (the Jews) cause to be put to death." Verse 17 - "And ye (the same persons mentioned in verse 16) shall be hated of all men for my name's sake." (The word "all" used here comes from the Greek word "pas" - 3956 which literally means: "a majority.") Open your eyes to what is already happening. We see Christians being hauled in-to court on phony charges, brought by a Jew controlled government. The good, "brainwashed" Christians have been so conditioned by the Jew controlled media, that they believe that Christian patriots are wicked people who want to destroy this country, when in reality, we are the ones who want to see it brought out of the clutches of these Christ haters. But the good people have been brainwashed into thinking they are doing God a favor, if they turn us in to a "fake American government."

In verse 20, Luke mentions that Jerusalem will be surrounded by armies and warns His people to flee into the mountains for safety. It is interesting to note that this actually happened in 70 A.D. when the Roman General Titus laid siege to Jerusalem. Yet according to historians, not one Christian died in that siege, since they had fled for refuge to the mountains of Pella in the Red Sea area. Millions of Jews were slaughtered in the destruction of Jerusalem because they refused to believe the warning given by Jesus.

Verse 24 then states that Jerusalem would remain desolate "until the times of the Gentiles (heathen) would be fulfilled." This period of Gentile domination was brought to a close in 1917, when the British, who were true Israelites, under General Allenby, liberated the city from Turkish control It has absolutely nothing to do with the people we now call Jews whose present occupation of Jerusalem is mentioned in Malachi 1:2-4 - "I have loved you, saith the Lord. Yet ye say, Wherein hast thou loved us? Was not Esau Jacobs brother? saith the Lord: yet I loved Jacob, and I hated Esau, and laid his mountains (lands) and his heritage waste for the dragons of the wilderness. Whereas Edom (the descendants of Esau - Jews - see Jewish Encyclopedia which states: "Edom is part of Jewry.") saith, We are impoverished, but we will return and build the desolate places: thus saith the Lord of hosts. They shall build, but I will throw down; and they (true Israel) shall call them (Jews), the border of wickedness and, the people against whom the Lord hath indignation forever." (see John 8:44). Today, we see the Jews attempting to rebuild the land of Palestine, using money extracted from Christian Israelites under the false pretense that they are the Chosen People tent I predict, that one day soon, God will take a hand and the land of the Israel will be destroyed. I believe that it will be here that Luke 19:27 will take place. What will the Judaized preachers such as
Falwell, Swaggart, Robinson, Roberts and others have to say then? How will they explain to their followers that they have lied to them all these years? I would not want to be in their shoes then.

In Romans 11:25 Paul speaks about "blindness in part is happened to Israel, until the fulness of the Gentiles (here the word is used to mean "heathen") be come in." The Judaized preachers say this blindness is the Jewish refusal to accept Jesus as the Messiah. I say this blindness is the blindness spoken of by Isaiah in 42:19, 20, "Who is blind but my servant? (Israel) or deaf, as my messenger that I sent? who is blind as he that is perfect, and blind as the Lord's servant? Seeing many things, but thou observest not; opening the ears, but he heareth not." This is a perfect description of most Christian Israelites. The Jews know who they are; they have for centuries. But the dumb, stupid "goyim", the true Israelites have had their eyes blinded as to who they are, why they are on this earth, and what their obligation to their God is. They have been blinded to the extent that most of them give the place of honor to those who hate Jesus Christ the worst, to those who are trying to destroy everything they say they love and believe in. How could people be any more blinded than that, or any deaf? Verse 22 goes on to say: "But this people is robbed and spoiled . . . they are for a prey, and none delivereth; for a spoil, and none saith, Restore." Why did this happen? Not to the Jews, but to the true Israel people? Why is Israel America and Canada being taxed almost into slavery to support a God hating people we call the Israeli, while our own merchants go bankrupt and more and more of our farmers go broke? The answer can be found in verse 24. "Who gave Jacob for a spoil, and Israel to the robbers? did not the Lord, He against whom we have sinned? for they (Israel) would not walk in His ways, neither were they obedient unto His law." My friends, when will we get it through our thick skulls, that this subjugation to the anti-Christ Jews and to foreign influence is of our own doing? When will we get it through our stubborn heads that we, the Christian Israel people of America are to blame for the mess we are in. We caused it by our stupidity. We caused it by our wilfulness. We caused it by our disobedience to our God. He will not answer our prayers (Is. 59:1, 2) until we are willing to get our hearts right with Him. This goes far beyond the "personal salvation" experience. This is important, for it must come first, but then, when a man or woman is saved, they must understand their responsibilities as Israelites to their God, and then and only then, as we repent and seek His face, will He "heal our land," (2 Chronicles 7:14). It should be of interest to note that the Israel people were to become a "witnessing servant people." (Isaiah 43:10) - "Ye are my witnesses, saith the Lord, and my servant whom I have chosen; that ye may know and believe me, and understand that I am He; before me there was no God formed, neither shall there be after me." Ask yourself the question: "Who has spread the Gospel of salvation to the ends of the earth through Christian missionary effort? Certainly not the Jews, Jesus said of them that their converts became "twice the child of hell that they were," those were His words in Matthew 23:15. They are not original with me! Who has set the captive free? Certainly not the Jews, they have been in the middle of the slave trade for centuries. It has been the Anglo-Saxon nations, England first in 1854, followed by the United States in 1865. Who sends help when there is a great international catastrophe such as a famine, flood or earthquake? Certainly not the Jews. It comes from the Christian nations. Who has built their constitutions and their law on the Ten Commandments? Certainly not the Israeli - most of them are atheists. It has been the white nations of Christendom. Wake up Christian and find out who you are; wake from your sleep before the Lord returns and finds you sleeping in your beautiful air-conditioned churches. Wake up and realize who you are, then repent and seek His face so that He may "heal our land."

In Isaiah 62:2 we read: "And the Gentiles (heathen nations) shall see thy righteousness, and all kings thy glory, and THOU SHALT BE CALLED BY A NEW NAME (no longer Israel, but Christian), which the mouth of the Lord shall name."

The Jews have always been Jews from the very beginning, their name has never changed. Notice by comparison that Isaiah 65:1 speaks about a people which are not called by God's name, a people who provoked Him continually from the time of their father Esau, who God will ultimately destroy verses 11, 12. Verse 15, of this unusual chapter says that the Jews will leave their name "for a curse unto my chosen (Israel); for the Lord God will slay thee, (see Luke 19:27) and call His servants
(Israel) by another name." Compare this with Hosea 1:10 - "... and it shall come to pass, that in the place where it was said unto them, Ye are not my people, there it shall be said unto them, Ye are the sons of the living God." Think about this. Isn't this what has happened? The people we now call "Jews" have brainwashed most of the world into believing they were the Chosen People; they have laid claim to this for centuries; they have never lost their identity as Jews, this is one of their major brags. Yet those of us who belong to "true Israel" have been declared by God's enemies that we are not God's people, they are; yet at the same time, those of us who have been saved through the sacrifice of God's Son and our receiving His as Savior, are called the "sons of the living God."

Hallelu'Yah! What more proof do you need?

The accounts of Matthew 24 and Luke 21 are of the same event. While they differ slightly, they do not contradict each other in any way. It would be like any two of us watching some great event taking place and then writing an account of it. While we would remember and report the major events, there would be certain areas in which our report would differ. It is very probable that Matthew wrote his report shortly after the destruction of Jerusalem in 70 A.D. It was originally written in Aramic for the people of Judea and later in Greek for the Israelite people who were scattered abroad in Asia Minor. This Gospel may have been written in Antioch, which was the major center of Christianity and where both Aramic and Greek were spoken. It was in this city that the followers of Christ were first called Christian, Acts 11:26.

Although Matthew had much in common with Mark and Luke, there were certain characteristics which emerge from his writings, as he often quotes from Old Testament prophecy. His Israelite background is reflected in his repeated use of the phrase "kingdom of heaven," which is found 33 times in His Gospel. He especially emphasizes the ethical and spiritual character of this earthly kingdom to come, including the fact that the kingdom was already in existence when Jesus was with them.

Luke, on the other hand, came from a professional background. He probably wrote both this Gospel and the book of Acts, as their introductions bind them together. They were both addressed to an Israelite believer named Theopilus and the introduction to Acts refers to a "former treatise" (writing) as being concerned with what Jesus began to do and teach. It is very possible that Luke was an Israelite from Antioch in Syria; one who would be looked down on by the Jews as a Gentile. He evidently had a very high educational background and was probably the "beloved physician" mentioned by Paul in Colossians 4:14.

Luke's Gospel was probably written about 60 A.D. ten years before that of Matthew and reflects thinking and the writing of a brilliant man.

Luke portrayed Jesus as an actual figure in history who came to "seek and save that which was lost," (19:10). He illustrated this in his Gospel by giving many accounts of Jesus healing people and by His many parables.

As a man with a scientific background, it does not seem unusual that Luke mentions the natural phenomenon that will accompany Christ's return: "Signs in the sun, and in the moon, and in the stars. . . the seas roaring . . . the powers of the heavens shaken" (Luke 21:25, 26).

He shows his doctor's background as he notices men's reaction to these frightening events: "... upon the earth perplexity (Greek - "Aporia" - 640 meaning: "a state of quandary.") of nations . . . Men's hearts failing them for fear, and for looking after those things which are coming on the earth." We can already see this happening as suicide rates soar.

At the end of his account he gives Jesus' Parable of the Fig Tree. Who is this "fig tree?" Certainly not the Jews, as we have been taught in most of our churches; neither is it the "church" The "fig tree" is always symbolic, in the scriptures, of Israel. Many preachers say that the return of the Jews to Old Palestine was a fulfilling of the "budding of the fig tree." But "true Israel" was not to return to Palestine, as they were to be in the "New land" which was promised to King David in 2 Samuel 7:10, where it was foretold that they would never have to move again and where they would be safe
from the "children of wickedness." The "budding of the fig tree," is not the return of Palestine of a handful of Jewish imposters (Rev. 2:9), but the awakening of "true Israel" as seen in Ezekiel 37.

I believe we are seeing the awakening of "true Israel" in the United States, Canada and the rest of Christendom today and that there are those of this generation ("Age") who will see Christ's triumphal return! MARANATHA!

Luke gives a similar warning to Christian Israelites as was given by his contemporary Matthew: "Don't get so tied down with the affairs of this life, that you allow yourselves to be overcome by the philosophy which says: "You only go around once in life; so live with gusto!" Or the utterly heathen philosophy we now see in print: "Life is a bitch; and then you die!" No wonder people kill themselves when they believe this philosophy of hopelessness.

But Jesus says to us in both Gospels: "Watch therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man," (Luke 21:36).

A "Rapture", you say? Not at all, but a "keeping of God's people in the midst of Great Tribulation, as He kept the Hebrew children in the fiery furnace of Daniel 3:27.

Nevertheless, COME QUICKLY, LORD JESUS -YASHUAH, THE MESSIAH!

The End
This is my story. It is not something someone told me, or something I read somewhere. I was there. I saw the terror; I felt the pain; I was part of that drama which saw over 3500 innocent men, women and children slaughtered in ten days.

In 1946, after completing a tour of duty with the U.S. Army in Japan, I returned to the United States for discharge and the long-awaited assimilation into civilian life. After two years of civilian life, including college work, I was called back into active duty in June, 1948 and sent to Korea to work with the Korean Military Advisory Group. This was a small group of personnel who had been given the difficult and often frustrating task of training the fledgling army of the new Republic of South Korea. I was a first lieutenant at this time.

At the end of World War II, when Korea was divided along the 38th Parallel, the northern section came under Communist control. Almost immediately, a school was begun in Pyong'yang, the capital of the north. This was a very special school, made up of Communist young men from both North and South Korea. They were given extensive training in the art of infiltration. Their main task - to infiltrate the military apparatus of South Korea, so that, at a given signal, they could take over South Korea by military coup.

The day for the takeover was October 28, 1948. But as often happens, there was a mistake in the plans that caused the coup to go haywire. Instead of a nation-wide takeover, the revolt broke out in only a few areas.

The center of the revolt was in Yosu, Challo'namdo Province. This happened to be the infantry regiment I was advising.

When orders came down from the North, about 2800 men from the Fourteenth Infantry Regiment, joined by approximately 1700 civilians, broke into the armory of the 14th Regiment and after overpowering the guards, made off with about 5000 M-1 rifles, machine guns, light mortars and ammunition that had recently arrived from the States.

This armed force marched into the neighboring city of Yosu and after dispersing the police force, moved north along the peninsula to the little city of Sun'chon. Sun'chon was an industrial city of about 175,000 population, located in the middle of the Chin San valley, surrounded on the north and west by the Chin Mountains and on the south by the Yellow Sea. Sun'chon was located strategically, with five roads and five railroads, coming into the city like spokes on a wheel. It was the center of the most fertile rice producing area in Korea.

The rebel force attacked the police of Sun'chon and after a day of bitter fighting, forced their way into the city and laid siege to the police station in the center of town. I had been away at Division Headquarters in the city of Kwan'ju, 96 miles to the north when the revolt broke and had raced to Sun'chon with a company of Korean infantry from the 4th Regiment, in an attempt to head the rebels off before they reached Sun'chon. To my utter disgust, the Korean soldiers who accompanied me, joined the rebels and left me with 45 frightened policemen who took refuge in the police station.

We were under siege for several hours, when a Korean sergeant, under a white flag asked to speak with me. He told me that if I would come out, I would be given safe conduct, along with any police who would surrender.

My orders from KMAG Headquarters in Seoul had been quite plain. I was to remain in the area as an observer, but was not to become involved in any action. We were taken to the center of the city, near the Court House an area about a block long and possibly 100 feel wide, a sort of park area with
trees and flower beds. Seventeen policemen had decided to come with me. These were seized and bound, as soon as we were out of sight of the police station. I was left to my own, still armed.

On arriving at the courtyard, the bound men were forced to kneel in the street and were executed by being repeatedly stabbed in the chest and abdomen with bamboo spears.

While this was going on, a large crowd began to gather in the street. Tensions were running high and fear was evident on every face. From various directions in the city, you could hear screams, shouts, and the sound of rifle fire. Then the first evidence of Communist takeover began to show up in the arrival of groups of civilians under armed guard. These were the families of police, religious leaders, politicians, and school teachers.

It has always been the policy of the Communists to set up People's Courts in every country they take over. The People's Court is a peculiar organization, made up of a judge, a prosecuting attorney and the victim. If you are a member of the "bourgeoisie", you are a candidate for the People's Court. The "bourgeoisie" of course, are property owners and so-called "enemies of the people." These People's Courts are used for two purposes. First, to frighten the populace, so that they will not put up a fight and, secondly, to get rid of anyone who would normally have a stabilizing influence on the community. These people are brought in by family groups. In the Orient this means groups of up to forty or more people.

In Sun'chon, they were herded into the courthouse square at the point of bayonets and were then mowed down by massed machine gun fire, until at the end of two hours over 265 bodies of men, women and children were piled beside the square and the street ran red with Korean blood.

During this time, I was walking in the Street, dressed in an American "suntan" uniform, with a service .45 strapped on my belt. I had worked with these men for several months, knew the language and had gained a certain amount of rapport with them. I knew my job was to report and not get involved, but sometimes, things happen that force one into involvement.

As I stood by, watching these executions, I noticed a flower bed off to one side of the square. A bamboo pole, about three inches in diameter, with a sharpened edge on the upper end, had been set in the ground; the sharp end was probably about five feet above ground level. While I wondered as to its use, I was attracted by a commotion in the crowd, which by now had grown to several thousand. Four men came from this mob, dragging the police chief, a short stocky fellow by the name of Chung Sung Tsi. Picking him up bodily, they jammed his body down on the sharpened pole, until he hung impaled on the sharp point. As he screamed for mercy, squirming about on the pole which was drenched with his blood, his wife, a young woman of about twenty-five...who appeared to be about eight months pregnant...was dragged from the mob. Her clothes were torn off and she was raped at least twenty times, then hacked at with bayonets, until she fled screaming through the city streets with her breasts cut off, spattering blood on the onlookers.

When I saw this happening, I forgot my orders, and forcing my way through the crowd, I tried to stop the torture, only to be struck over the head from behind, rendering me unconscious. I woke in the dark. There was no way I could tell where I was, although I imagined I was in a cell under the city halt. It was pitch dark and I was laying on a pile of musty rice straw - could hear the rats running around in the darkness about me. I'm not sure how long I lay there, as it is very difficult to tell time in utter darkness.

About 10 o'clock in the morning - I believe it was the second day, I was taken to the Court House for trial. The Court Room was large, about twice the size of a basketball floor jammed with people. When they saw me, they began to scream: "Kill him! Kill the Meguk-noam." (Kill the no-good American!)

I had been frightened many times before, but never like this. As I passed through the crowd...many of whom had been my friends a few days before...they spit at me, beat on me with their fists and cursed me. One woman scratched down the side of my face, leaving five bloody furrows. Only a
few days before, her little boy had been in an accident. I had taken him to the hospital and had paid
the bill from my own pocket. I could not understand why she now hated me. It was only after much
study, that I realized this was one of the methods by which Communism controls people. They
become so frightened for their own life, they will do anything to prove that they are friends of the
communists - even if it means a husband turning in his wife, or a mother her children.

I was taken to the front of the room, where there was a raised platform. On this platform was a tong,
heavy oak table. Behind this table, sat a little Korean man dressed in a high-necked Mao-tse Tung
jacket and a black skull cap. At one end of the table was a heavy oak chair with wide arms.

For several minutes the little man wrote on some papers without looking up. Finally in exasperation
I began to speak to him in Korean: "I am an American officer," I said, "I want to be turned loose."
Leaping to his feet, he began to scream at me in Korean: "How can a running dog of the
imperialists, Wall Street, war-mongers ask anything of a representative of the people? Sit down!"

I sat down in the big chair and he came to me, to put his arm around the back of the seat and say:
"We are your friends. Everyone knows that you Americans are slaves of the rich men on Wall
Street. We do not want to hurt you. All we ask is that you cooperate with us and you will be "set
free."

"What do you want?" I asked.

"I have here a paper," he said, "it is a list of the crimes you Americans have committed in Korea.
Sign it!"

He showed me a list, written on rice straw paper in the idiographic writing of Korea. One of the
statements said that we wanted to make Korea one of our states.

Before I had a chance to think, I shook my head and was answered by a blow on the side of the
head that knocked me to the floor. Yanking me back into the chair, the interrogator became very
angry: "You are one of those reactionaries I have heard about," he screamed, "either do what I tell
you, or you will wish you had never been born." He was screaming so loud, that he spit all over me.

Most people have a point where they lose their temper and this was mine. I was boiling at the
treatment I had received and finally when he spit on me, It was too much and I spit back. Of course
this was a foolish thing to do, since he was in the driver's seat. He barked an order in Korean and
before I could defend myself, I was stripped naked by the four goons standing behind me. They
rammed me down into the chair and bound me there with fine wire, until I could not move.

It is difficult to explain the feeling one has at being humiliated like this; you don't explain It by
saying that you were embarrassed. But I was sure of one thing, being embarrassed was to be a
minor problem for me. Soon a man came with electric wires, which were wound around tender
parts of my body and 110 volts of electricity was turned on. Looking back, I can't remember the
pain. It was more like some giant hand that picked me and that chair high in the air and sent us
crashing to the floor. Have you ever driven through a tunnel, where at the end you could see a light?
It seemed as though I was in a long, long tunnel, and somewhere in the distance I could hear
someone screaming over and over, I wanted to shout: "For God's sake, shut up; you're driving me
crazy!" Then suddenly, I realized the voice I heard in the distance was my own. It seemed as though
this went on for hours... I'm sure it was only a short time... then merciful darkness descended on
me and they hauled me back to my cell.

I woke to the sound of thunder in the room. At least I thought it was thunder. Then I realized, that
somewhere in that room was a loud speaker which was turned up to full volume. Hour after hour,
for maybe sixteen to eighteen hours at a time, it would blast out one line of Communist propaganda,
until I thought I would go out of my mind. There was no hope of sleep, or no way to escape the
voice. In addition to this mental torture, the guards would take turns playing with me. They would
hang me from a beam with a rope around my ankles and leave me suspended where my fingertips
would barely brush the ground. (After fifteen hours of this, your mind is ready to crack. (Another
game was to sit me on a stool. looking into a brilliant light. then beat me any time I moved. Try it sometime. You can sit still for fifteen minutes, maybe, but when you move, have someone beat on you with a flexible steel rod. After a session like that, I'd be black, blue, and green, from head to toes.

Now I want you to remember something. I had been brought up in a Christian home. At the age of twelve, I had made a profession of faith; I had been saved (?f again at the age of eighteen. I was a member of a Baptist church. I had been baptized by Scriptural baptism, I had taught Sunday School, been a Youth Leader, a choir director, and had even preached for a year while I was going to college. But as I faced my Lord and myself in that prison cell, I realized suddenly that I had never been saved. I had been living far from the Lord and from every teaching of my church; but this was not what frightened me. As I looked at Jack Mohr, I realized that I had never been saved; that all my superficial goodness was what man saw, and that when God looked at my heart, It was black with sin. This scared me - because I believed the Word of God enough, that I believed in a literal hell. I was more afraid of dying and going to hell. than I was afraid of death itself. Right then, the odds were favorable for Jack Mohr to die, and die mighty unpleasantly. I was afraid. I began to pray and that was something I had never done for a long time. The more I prayed, the more frustrated I became, because I realized that my prayers were rising no higher than those cobwebbed ceilings over my head. You ask how I knew this? It was because I wanted God to save me in my way. This He will never do. There is only ONE way to reach God and that is through His way - through His Son Jesus Christ. There is no other route you can take. So I prayed, and the more I prayed, the more frightened I became.

One day my guard caught me praying. I was on my knees on a pile of filthy straw, when he turned on the light. I remember the sneer in his voice as he said: "Oh, you are one of those Christians I've heard about. Why do you ask your God for help? He cannot help you. Why don't you ask me?" Then he knocked me to the floor with a sweep of his rifle butt and proceeded to kick me until I was black and blue and passed out.

About the fifth day, the guards took me into the streets. I was still naked and covered with filth. I had received nothing to eat or drink - the only moisture I had been able to get was the condensation I could lick from the filthy walls of my cell. My lips had swelled, cracked and bled. My tongue had swelled like a sponge, until I could not get my lips together. In the street, they took a leather thong, like the leather lace in a man's hunting boot. Placing this on a large steel needle, they ran the thong through my right chest muscle, and wiring my thumbs behind my back, they tethered me to a pole in the courtyard and left me to the tender mercies of the children and women. The little boys had great fun using me for target practice, plastering me with rotten vegetables and horse manure. The women were the worst: they would stand about, making vulgar references to me and striking me on tender parts of my body until I thought I would faint with the pain. But worst of all were the flies - hordes of sticky, aggressive, Korean flies. (No country in the world has flies as bad as those of Korea.) They gathered around my eyes, nose and mouth, walking in and out of my open mouth. Before I could breathe, I would first have to blow the flies away. (For months afterwards, I would wake screaming in the middle of the night, feeling the flies still crawling in my mouth.)

Finally, after many hours - I had been tied there in the morning and It was now after dark - I fell to the ground, snapping the cord, and was dragged back to my cell.

I'll never forget that night. Racked with pain, burning up with fever, I lay on the ground praying: "God, I don't know how you can take an old reprobate like me and save me; I don't know how you can do anything with a hypocrite like me; but Lord I believe, help my unbelief." When Jack Mohr got out of the way, the Holy Spirit came in and did the job he wanted to do for a long time and I was no longer afraid. I want you to remember that I still thought I was going to die, but I wasn't afraid to meet my God anymore. During the night, someone came into the cell and threw an old pair of ragged khaki pants across my legs. I managed to crawl into them. Then in the morning, two men came for me.
They look me back to the courthouse. My morale was at rock bottom, because I believed my time had come to die. As we entered the courtroom, I saw a Korean sergeant leaning against the door. He was a man who had been friendly with me. His name was Yu Chang Nam. We called him "Pak Sah" which in Korean means "Professor..."; he had been a High School teacher in civilian life. A ray of hope stirred in my heart and as we passed him I cried out: "Pak Sah, for God's sake, help me!" He responded with an oath, hitting me across the mouth with the back of his hand and screaming: "Par bo, mee chan gay, cheeda handa." (A literal translation of this is: "You stupid, crazy dog, drop dead from apoplexy!") Cursing and yelling like a madman, he rushed to the front of the room, screaming how he hated all Americans and that Meeguk-noam, pointing at me, worst of all. For ten minutes he raved about what a bad fellow I was. Then pausing dramatically, he said: "I would like to take this Meeguk noam (bad guy) out and kill him." The civilian judge gave his permission and Pak Sah left the room. In a few minutes he returned with six men, armed with rifles. As they took me from the room, Pak Sah whispered to me: "Mohr San, when the rifles fire, drop 'dead." (This was a rather cryptic statement. for this is usually what happens when rifles are loaded, pointed at you and then fired.) They took me into the street. and driving off the curious onlookers who wanted to go along and see the fun, they took me down a crooked cobblestone street for several blocks, until we stood before a stone wall on the edge of the mountain.

My memory of those next few minutes are as clear today as they were over twenty-seven years ago. I can recall the sound of the sergeant's voice, as he gave the orders for the rifles to be raised. I was/condemned there with my eyes lightly closed, my fists clenched, praying, for I knew "this was it!" Then I heard Pak Sah give the command "Fire!" and when the rifles went off, I jumped instinctively. But almost instantly, I realized they had tired over my head, for I was still alive. There was no time to wonder why; but I fell to the ground and lay there. Pak Sah came up to me and bending over my body as though he were checking it, he whispered: "Mohr San, when we have gone and it is safe, go to the Moak Sah's (missionaries) house on Masan Hill and I will try and smuggle you out of the city." Then standing, he gave my body a contemptuous kick and went off with his men. When the coast was clear. I made my way the few blocks to Masan Hill and the Southern Presbyterian Mission Station of Dr. John Curtis Crane. I hid there for ten days, until Government troops drove the rebels out.

From Masan Hill. we could look down into the city and see the results of a Communist takeover. To the southwest, was the Presbyterian mission school. During those ten days, I counted 47 little girls, in the age bracket of eleven to thirteen, as they were dragged screaming from the school, to be raped by the drunken rebels, then beaten to death or bayonetted.

To the west, was the Catholic church. On the second day of my stay in the mission station, two elderly nuns (native women were dragged to the walls of the church and nailed there, w. Dubayonets driven through the palms of their hands, and the edge of their rib cage, pinning those screaming women to the walls of their own church. There they screamed, cried, and begged for mercy for an entire terrible day, until their pleas died away to hoarse whimpers. I was standing in a window bay of the Presbyterian mission, less than a hundred yards away, with a rifle in my hands, praying to God, as to whether He wanted me to shoot and put them out of their misery; I was afraid to shoot, because we had seven American women in the mission station with us and we were afraid for them.

Hour after hour. day after terrible day dragged by. Always you could hear the shouts of pursuers and the screams of the pursued. The nights were made more hideous by the tires that burned uncontrolled in all parts of the city, and when the wind was right, you could smell the nauseating odor of burning human flesh. From the windows of the mission, we saw numerous instances of babies being bashed against tree trunks or stone walls. One incident I will remember to my dying day. A young mother, with a tiny baby, maybe three weeks old, was pursued through the streets by two drunken rebels. Catching her, they tore the baby from her arms and proceeded to play a nasty game of tossing the little body back and forth between them, catching it on the points of their bayonets. When the mother began to scream, one of them reversed his rifle, struck her in the mouth
with the butt and then beat her insensible as she lay on the ground.

On the tenth day, in the residential area to the northwest, a beautiful young girl was dragged out of a house, her clothing stripped from her and she was nailed to the branch of a willow tree by spikes driven through her breasts. Then a bundle of oil soaked straw was bound between her bare thighs and set on fire. As I watched this, helpless to intervene, I remember saying out loud: "My God, if you get me out of this mess; if you get me back to the people I love and the country I love, I'll do everything within my power, as far as my time, talent money, and strength is concerned, to see that what is happening here, never comes to America." That's why I spend my time traveling about the country instead of living in retirement. That's why I have written this little pamphlet. I'm fulfilling the promise I made to my God.

This is why I get emotional when I talk about the problems that face America. That's why I get angry when I see how our national leaders are deliberately leading us down the path which leads to national destruction and a one-world government under Communist control.

But I never knew just how much of a miracle God had done in my life, until I returned to the States in 1955. I was visiting a very dear friend of mine who lived near Grand Rapids, Michigan. She was an elderly woman, Aunt Audie Steeby, a woman who had been a great blessing to me as a teenager. I was in her home and she asked me about my Korean experiences. I told her essentially the story I have told here. I asked why she wanted to know and she told me this.

"One night while you were in Korea, I woke in the middle of the night. It seemed as though you were standing beside my bed, begging me for something. I was disturbed, because I had not thought about you for a long time. So I got out of bed and prayed." She showed me her Bible and in the margin, next to verse seven of the 91st Psalm, she had written my name the date (November 3, 1948) and the time. This is the verse that says: "A thousand shall fall at thy side, and ten thousand at thy right hand: but It shall not come nigh thee."

Checking out the time difference between Grand Rapids, and Sun'chon, Korea, I took into consideration the International Date Line and found that the time when that old saint of God had been praying for Jack Mohr, over 9,000 miles away, was when I was facing that Korean firing squad.

I have had intellectuals who told me this was just something that happened. But I know better, because four times later, during the Korean War, I was wounded. Each time I should have been dead, but I never received wounds bad enough to be hospitalized. I was the first American wounded in the Korean War, when my jeep was hit by a 122 mm shell that blew off the whole rear end. I was hit 97 times, from my buttocks to my shoulders. But there is the interesting part of this story, a few moments before, I had loaded my vehicle with food, blankets and stores from an evacuated American home. As an after-thought, I threw a cot mattress on top of the load and all the shrapnel that hit me, was wrapped up in cotton batting.

A few days later, driving down the highway, I was strafed by four of our own planes. They came in from behind and there was no chance to take cover My jeep was riddled with 27 fifty-caliber bullets, all four tires were flattened and shells coming in over either shoulder, clipped off the steering wheel, just above my hands - still not a scratch.

So I know God had a hand on my life. I believe the Bible where it says He will give His angels charge over us. I can say along with the Apostle Paul: "That I am not ashamed of the Gospel of Christ, for it is the power of God unto salvation . . . for I KNOW whom I have believed, and am persuaded, that He (Jesus Christ) is able, to keep that which I have committed, unto Him against that Day." (The Day of Judgment.)

Dear reader: Do you know my Savior? Do you have the peace that "passeth all human understanding?" Do you have the spiritual strength which would stand any trial that could be thrown against you? Do you have the power to take a stand for God and righteousness, no matter
what anyone says against you? Do you know where you are headed when you die?

You can have a positive answer to all these questions if you are willing to accept Christ as your personal Savior today. It's not enough just to believe that Jesus is the Son of God. The Bible tells us that the devils believe and tremble. I offer you today, Jesus the Savior! He can become your Savior right this moment, as He became mine in that prison cell in Korea. Why don't you kneel down right where you are and pray this prayer with me: "Lord, I know that I am a sinner bound for hell. I ask you to forgive my sins; I ask that your Son, Jesus the Christ. come into my heart right now and save me from my sins." If you do this, in faith believing, the Bible says, 1st John 5:13 - "These things have I written unto you that BELIEVE on the name of the Son of God; THAT YE MAY KNOW that ye have eternal life . . ." Then thank God, that He loved you enough to send His Son, Jesus to die for you. You are now God's adopted child and an heir with Jesus Christ to the riches of God. (John 1:12) - "But as many as received Him, to them gave He power (that means the legal right!) to become the sons of God, even to them that believe on His name." PRAISE GOD, you are now His Child!

The End
CONSPIRACY TO DECEIVE THE ELECT!!
By Lt. Col. Gordon (Jack) Mohr

"... the hail shall sweep away the refuse of your lies ..." - Isaiah 28:15

In Isaiah 28:14, 15, we read these arresting words of warning to the Jewish people: "Wherefore hear the word of the Lord; ye scornful men, that rule this people which is in Jerusalem. Because ye have said, we have made a covenant with death, and with hell we are in agreement; when the overflowing scourge (calamity) shall pass through, it shall not come nigh us, for we have made lies our refuge, and under falsehood have we hid our self'. The RESULT? vvs 17, 18-"... the hail shall sweep away the refuse of lies, and the waters shall overflow the hiding place. And your covenant with death shall be disannulled, and your agreement with hell shall not stand: When the overflowing scourge shall pass through, then shall ye be trodden down by it".

This was a message of warning given to the Jews in Jerusalem in B.C. 712. It is also a direct warning to the Israeli's who are in Palestine today, and to all Judeo Christians who foolishly back "false Israel's" claim to the land of Palestine.

Much of what I write here will be taken from an article that appeared in INSTAURATION, October 1996, under the title FOUNDATIONS OF THE FOURTH REICH.

While I do not agree completely with INSTAURATION'S premises, as they do not seem to be very spiritually minded. They do have some good information that concerned Christians need to know in these troubled times.

Today, the White Christian World has come under the increasing bondage of International Judaism, fulfilling a prophesy made by Jacob to his son Esau in Gen. 27:40. I believe we are in this time now, when Esau has broken the yoke of Israel, and is temporarily in charge.

Today, the White Christian World in particular is under the bondage of International Judaism to the extent that a high ranking official of the Israeli government recently contemptuously and openly stated: "We have the best Congress money can buy!" and a Washington, D.C. rabbi could proudly state: "The United States no longer has a goy government." (The word GOYIM is Yiddish meaning "non-Jew animal").

While the majority of our Christian churches have bowed the knee to those our Savior clearly indicated were "Not of His sheep", (John 10:26), and who are identified as anti-Christ's in 1 John 2:22, 23. The Christian is given clear warning concerning helping them in any way, because if you do, you will be held guilty of their "evil deeds". (2 John 10,11).

You who are against abortion, yet support the Jews, think about this. Are you prepared to stand before God and answer for the two million unborn babies who are murdered each year in mostly Jew run, Jew owned abortion clinics? That's what His Word says will happen! Or how about those young people who have been sent on the road to hell, through drugs, prostitution, alcohol, rock and roll, pornography and the filth that comes form Hollywood and TV? All these are Jew led for the most part. Don't argue with me, check their names and see for yourself. My Christian friend, you are tampering with destruction when you help God's enemies! (I wonder what my Jewish friend, columnist Paul Greebaum will make of this truth?)

Most of the "brainwashed sheeple" in our Judeo Christian churches, have been lulled to sleep by false teachings coming from their pulpits, proclaimed by those our Savior called "wolves in sheep's clothing", (John 10:10). These charlatans have been carefully taught in our seminaries by Jewish infiltrators, and Christ says their purpose is to "steal, kill, and destroy."

In spite of their teachings, most decent folks are shocked when they see the mini-state in the Middle
East, which we are sponsoring with our dollars, as they kill innocent Arab women and children. What will be the reaction, of White Christian supporters of the Israeli, when terrorist bombs explode in American cities, and gas and germ warfare is brought into play? This will be brought about by the hatred of those who have been driven to desperation, by our support of these "mini-Hitlers", which allow them to get by with anything! When will we "draw the line" and say "enough"?

Is there no reason for the violence of the Arab world? Are they doing this because they are "diseased animals", as the Israeli tell us? Fifty years ago, before we accepted this little bastard state in Palestine, the Arab people for the most part were our friends. Some even loved us. An American could travel safely in any Arab city. I have! But not today! Today, their thinking has drastically changed, to where to over a billion Arabs, we are the "Great Satan" of the world. The world's bully, who tries to force Zionist control down the throats of all mankind.

For over half a century now, our ZOG (Zionist Occupied Government - and we became that when a TRAITOR President and Congress turned over our economy to International Jewish banking interests in 1913, via the Federal Reserve Act). Since then we have diligently supported a brutal Israeli dispossession of Arabs from their ancestral lands in Palestine. Think about this in terms of happening here.

Oh, I know this is not what your are told by the pastors in your Judeo Christian church. First, you are fed the lie that Abraham, Isaac and Jacob were Jews, when there were no people called Jews, anywhere on earth until 1200 years after the time of Abraham. They first appear on the Bible scene in 2 Kings 16:6, fighting against Israel.

The second lie, is that the great promises made to Abraham in Genesis 12:3, somehow were made to the anti-Christ's of Jewry. We have been told that we MUST support them no matter what they do, or earn God's curses. In no Judeo Christian church that I have ever attended, and I was a faithful member of them for over fifty years, do you ever hear a sermon on 2 Chron. 19:2- "Shouldest thou help the ungodly; and love them that hate the Lord; therefor is wrath upon thee from before the Lord". This is what happens when you support anti-Christ. (2 John 10,11) says that if you help them in any way you "become partaker in their evil deeds".

A few years ago Jerry Falwell stated on TV that "God has been good to America, because we have been good to the Jews". Any intelligent person should be able to see the falsehood of this statement. Since 1948, when we recognized this "little bandit state" in the Middle East, our country has gone down hill faster in every important area, than at any time in our history. This should tell you something!

We are being fed the big lie in the jewish controlled press, and from many of our pulpits, that the Arab world is our enemy. Are the Arabs really our enemy, or is some other entity at work which is hostile to White Christians in particular and which has promised to destroy us?

Having been heavily propagandized by those who hate us, most good Americans and by this, I'm referring to those who call themselves Christian, have become rather indifferent to the suffering of millions of Arabs in Palestine. If for no other reason than our "self-interests and safety" it's time that decent Americans reassess our thinking on the Middle East.

It will do little good to appeal to "principles of right or wrong", for our people have been "brainwashed" for so long with a general "dumming-down" of our White Christian culture, to the point that such appeals won't work anymore.

For decades now, the long suffering Palestinians have suffered under an alien dictatorship. At one time they had the mistaken belief that the Great Powers would put a stop to their suffering, and over a million have been led to "death and destruction", in spite of United Nations promises. As in most cases, this One World body has "sold humanity down the river"!
When the Palestinians first revolted in 1968, decent Jews, Israelis in particular, should have seen the "handwriting on the wall" and said: "We have made this people suffer enough for our selfish interests!" But "pity" is not a Jewish characteristic!

Under hard-nosed dictators such as Golda Meier and Moshe Dayan, the powerful Israeli state (made powerful by America's Christian backing) has continued it's bullying tactics in Palestine. (Israeli officials admit that their country would collapse in a short time, if it were not for American aid).

Why are we surprised when we see Arab terrorism on American soil, when by our actions we have become their enemy? Under present Clinton Administration's tactics, we can expect this to escalate and be used as an excuse to impose martial law, and confiscate firearms from law abiding Americans.

What will happen if we suddenly come under chemical or biological attack? There is much intelligence pointing in this direction? Are we prepared to lose 50 million Americans, who will die horrible deaths, before we will wake up?

Don't be so complacent about it, for Jesus is not coming back to RAPTURE you out of the mess that was caused by your Christian apathy and stupidity. You pastors who teach this falsehood, better think up an excuse to give your parishioners, when they find themselves in the middle of the terrors of the TRIBULATION.

Why are we seeing an escalation of what Alfred Lilienthal, the eminent Jewish author called "HOLOCAUSTAMANIA" twenty years ago? Last night on the TV news, I saw where they are going to build another Holocaust Memorial, this time in Boston, (at taxpayer expense, of course).

Why is an incident that took place over fifty years ago, on foreign soil and which many of us fought to prevent; why is this being crammed down our throats via the media, TV movies and books? Why do we see no memorials to the countless millions of Christians who have been slaughtered by Jewish led Communism? Why is it that people who seek the truth about what happened fifty years ago, are so vigorously persecuted by both Jewish sources, and their "brainwashed stooges" in the Christian church? Disagreement on historical facts has always been one of the backgrounds of Americanism. Why is it frowned on today?

I believe the INSTAURATION article was in error for leaving out a very important fact. Until our White Christian people in particular learn who they are, and understand their responsibility to God and their fellow men, we are not going to make much progress in halting the enemies who are moving us towards One World control. We must heed the words of Is. 50:1, 2. Surely they were written about Christian Israelites: "Hearken unto me, ye that follow after righteousness, ye that seek the Lord. (LISTEN CAREFULLY NOW), look unto the rock whence ye were hewn, and to the hole of the pit from whence ye were digged. Look unto Abraham your father, and unto Sarah that bare you: For I (God), called him alone (see Amos 3:2) and blessed him, and increased him". Until our White Christians learn our Abrahamic heritage and the promises and responsibilities that go with it, we will always be in the dark about who our enemies really are.

If I had several hours, and a few hundred pages available at this time, I could prove to you from the pages of God's Word, that the Anglo-Saxon, Celtic, Scandinavian, Germanic and related peoples are the offspring of Abraham and Sarah. They were chosen, not to be world dictators as the Jews teach, but to be a servant race to God, to bring His message of peace and freedom to all mankind. The people we know as Jews today, are those Jesus spoke about in Rev. 3:9, when He said: "Behold I, (Jesus Christ) will MAKE (force) them of the synagogue of Satan which say they are Jews and are not, but do lie; behold I will MAKE them come and worship (me) before thy (Israel's) feet and to (MAKE them) KNOW that I have loved thee." (True Israel).

You may be curious as to how I can know for certain that the White nations of Christendom are "true Israel"? It is because they of all people, bear the "Scriptural fingerprints" which God gave to His people for this "end of the Age" identification. There are over 200 of them.
Here are two primary examples: In Gen. 35:10, 11, God speaking to Jacob, whose name was changed by God to Israel, promised him: "...be fruitful and multiply; a NATION and a COMPANY OF NATIONS shall be of thee, and king's shall come out of thy loins". Look into this promise, it can only be found in the United States, a GREAT NATION, and in the BRITISH COMMONWEALTH OF NATIONS, (a company of nations). The Jews do not come close to qualifying on this one. The other is what Jesus told the Jewish leaders in John 10:26, 27 - "But ye (Jews) believe (me) not, because ye are NOT OF MY SHEEP".

My sheep hear my voice, and I KNOW them, and they FOLLOW Me". (Emphasis mine!) Ask yourself. What people have openly accepted His teaching, and their constitutions and laws are based on the Word of God. No colored nation anywhere has ever qualified here, for they are only reached with a great deal of effort, cost, and many times danger. All the monarchs which have ruled in Europe in modern times, have come from the Davidic line. What more proof do you need? Or would you rather accept the teachings of your pastor, when he says the anti-Christ, God hating Jews are His people?

Another is the promise made to Abraham, in Gen. 13:16, when God said: "I will make thy (Abraham's) seed as the dust of the earth: so that if a man can number the dust of the earth, then shall the seed also be numbered". The Jewish people have never numbered over twenty million world-wide. The Anglo-Saxon and related peoples are well over 700 million.

Once we understand who we are, then we can understand who the enemy is and why they spend so much time pushing things like their "Holocaustamania". In order to exist, they MUST have the support of the Christian world they have vowed to destroy, and when we as Christians cooperate with them, we are committing physical and spiritual suicide!

While the Holocaust did happen, although in no way did 6 million Jews die, it is not as the Jews and some Christians would have us believe, the "greatest tragedy of modern time". This was the mindless slaughter of countless millions in World Wars I and II, and the Bolshevik Revolution, all acknowledged "brainchildren" of International Judaism, brought about by Jewish brain power and money. In 1919, the largest Jewish newspaper in America, THE HEBREW AMERICAN, on it's front page declared: "What we (Jews) did in Russia, through Jewish brains and money power, we will accomplish in the United States". In another place it said: "The ideals of Bolshevism are consonant (in agreement with) the finest ideals of Judaism", and Rabbi Stephen Wise, the top Jew in America at the time when asked about Communism was quoted as saying: "Some call it Communism; I say it's Judaism!"

America and the Free World gained absolutely nothing from WW I or II, except suffering, bloodshed, death, and an unpayable debt to the International Jewish financiers such as the Warburgs, who financed both sides of the conflict, and brought Hitler into power in Germany, thereby coming close to destroying the Israel people of Germany. (Many believe, with much evidence, that this was their plan!)

The prime purpose of "Holocaustamania" was to justify the Zionist land-grab in Palestine, culminating in the Israeli state in 1948.

One historian wrote: "Israel was a state whose political existence was legitimated as recompense for the murder of European Jews". To which one Palestinian official rightly replied: "Why should Arabs be made to suffer for the sins of Christian Europe?"

Why indeed? Christian support of this openly, violently anti-Christ State, has been a "black mark" against Christian missionary activity in the Middle East and elsewhere.

Zionist propaganda is that there were no Arabs in Palestine to begin with, which is ridiculous. The Bible itself indicates that Palestine was heavily populated when Joshua conquered the land about B.C. 1450. Many of the cities of Canaan, such as Jericho, had large populations. When the Israelis took over Palestine in 1946, over 90% of all property in Palestine was in Arab hands, much of it for
as long as a thousand years.

Even prominent Zionists sometimes tell the truth, and former Israeli Defense Minister Moshe Dayan, who could never be considered as a friend to the Palestinians, viewing a Gaza Strip Refugee Camp in 1956, was quoted as saying: "How must these people feel when they see us (Jews) taking the land of their forefathers for our patrimony?" (Property inherited from one's ancestors).

Yet Jewish teachers today, are telling Jews and Christians the Big Lie: "It is important for our people to know that no other people existed in Palestine before our return; certainly none who had been here for more than a hundred years". Our church leaders have swallowed this Jewish propaganda "hook, line and sinker", as can be seen in constant statements from such men as Evangelist Jack Van Impe, Hal Lindsey, and the La Londe brothers. The State of Israel was founded on a monstrous lie, and is kept going through the repetition of this lie. Like a big fish story it gets bigger with each repetition, until, after a while, people who know the truth, begin to believe the lie they are repeating. Everything which the Israeli have done to the Palestinians since they invaded their land, has been a violation of human rights that caused one Israeli Human Rights activist to characterize Jewish actions as "Judeo-Nazism".

Orthodox Jewish rabbis know that the present state of the Israeli does not represent true Judaism and a few years ago, took out a full page advertisement in a leading Canadian newspaper, warning Jews about going to Palestine. They too know the meaning of Luke 19:27, where Jesus said the King would one day say: "And those mine enemies, which would not that I reign over them, bring hither and slay them before me". Church leaders who love to pontificate about how Jesus loves everybody, are "scared to death", of the Christ who will come back to bring disaster and destruction to His enemies. Not doubt, they will be among those who on the Day of His Judgment will hear Him say: "Depart from me, ye that work iniquity" (disobey my law), I never knew you! (Matt. 7:23).

From the beginning of this Jewish State, when Golda Meier arrogantly stated: "There is no Palestinian people!" to Yitzak Shamir's reviling the Palestinians on Israeli TV as: "brutal, evil, alien invaders in a land which belongs only to Jews". The lie has gone on!

Yet it is interesting and vital that we note, that every Israeli Prime Ministry from Golda Meier to the present, has been an Ashkenazi Jew, which means they came from Turco-Mongolian descent, and their ancestors never set foot in Palestine.

Possibly the major reason for the "Holocaust Madness is money", the god of the Jews. "There is no business like Shoah business; and the gelts the thing!" This is first and uppermost in the mind of most Jews. And for a business that sells death and destruction, the Holocaust has been a lucrative business for world Zionism. Germany has paid well over $27-billion to Jews in compensation for thousands who never died on German soil or at German hands. Billions have come from the American Government and the "brainwashed" Judeo Christian churches of America, who have been told by their church leaders, that the anti-Christ's of Judaism, who hate their Savior are in reality God Chosen, who will one day acknowledge and return to Him.

I find this hard to believe when I read my Saviors words to the Jewish officials in John 10:26, as He clearly said: "But ye (Jews) believe Me not; because ye are NOT OF MY SHEEP". (Emphasis added!), or in Matt. 23:15, where He accused them of turning their converts into "two-fold more a child of hell than yourself".

Israeli officials have admitted that without American help, which means Christian aid, their "mini state" would cease to exist. But not only do we support these enemies of God, but we demonize the Palestinians in the process.

Palestinians are pictured by the Jew controlled media of America as "raving, big-time terrorists", when the Israeli MOSSAD stand by themselves at the top of the world terrorist ranks. Yet Christian Americans have poured over $60-billion down the "Israeli rat hole" only to have them "stab us in
the back" by selling our military secrets to the Red Chinese and other potential enemies. If you don't want to believe this, look at the list of those who in the past fifty years have been convicted of treason against the United States and notice the preponderance of Jewish names.

As early as 1940, Zionists showed their true intentions towards legitimate Arab occupation of Palestine. One of their leaders saying: "Between ourselves, our only salvation is a Palestine without Arabs...Not one village, not one tribe should be left". (Then they have the gall to complain about Hitler!)

While this has been going on, there has been a steady infiltration of Jewish agents into our Federal Government, until under the Clinton Administration, he has appointed over 40 "Jewish dualists" to high government positions, such as Secretary of State, and Chairman of the Joint Chief of Staff. (A dual citizen is one who has citizenship in both Israel and the United States, and in most incidents when "push comes to shove", their loyalty is to the Israeli. Jews are the only people who have been granted this special status).

A third reason for "Holocaustamania" and probably the most stupid, is used to combat "anti-Semitism", which means any criticism of Jews. It does not apply to criticism of Arabs, who in most cases are more entitled to the Semitic label than are Jews.

In many churches today, the term, "anti-Semite" draws more criticism than blasphemy against God. This is a Pavlovian reflex which implies that critics of Jewish conduct, no matter how gross or evil it may be, is never justified. This puts Jews on a basis above the law. While most Americans, even those who have been ("brainwashed" in their Judeo Christian churches, see this as un-acceptable, to Christian Zionists like Jack Van Impe, and David Webber, it is their God given right! (This in spite of the obvious fact that a large percentage of Zionists are atheists.)

Whenever a Christian questions Jewish conduct, he is immediately labeled with the "anti-Semitic, racist, hate-monger" label. Yet the Jew, who is raised on Talmudic teachings, such as "one looks on the house of the Goy as upon a cattle fold", is never considered to be a racist!

Many Christians have become so completely "brainwashed" by Jewish subversion which has crept into the mainline churches, they accept these avowed anti-Christ's as God's Chosen when their Savior Himself said they were not His sheep, and called them "sons of Satan", (John .8:44).

While World Zionism openly states their avowed intention of "destroying White Christian civilization", by the year 2000, the "pathetic, sheeple" in our Judeo Christian churches still insist on honoring those who are against everything they say they believe in. I can't understand this kind of utter stupidity!

As you read the INSTAURATION article, it becomes apparent that they have no understanding of who "true Israel" really is. They state: "The old Mosaic poison of master racism is still dripping into the ears of Jewish children as it has for 3000 years". They haven't been very thorough in their research, or they would have discovered that there were no people called Jews, anywhere on earth at the time of Moses. They first appear about 750 years later in 2 Kings 16:6 fighting against Israel.

Nowhere was "true Israel" ever given a mandate by God to rule over the rest of mankind. This is a Talmudic idea through and through. In fact the Talmud teaches:

"When Messiah (the Jewish people) has come, every Jew will have 2,000 goyim slaves". Nowhere in Scriptures was true Israel ever taught the theory of a Master Race, or Racial Superiority. They were taught that they were different, but knew that they were God's Servant Race, who would bring the light of His Word to all the world and eventually under the command of Jesus Christ, bring it peace. This will never happen under Zionist control.

While Judaism teaches this "racial superiority", it does not come form the teaching of Moses. It comes from the contaminated pages of the Babylonian Talmud, which according to Jewish religious experts is today "the heart blood of Judaism!"
Dr. Shabah, as Israeli "human rights activist", issued a warning to Israeli officials in 1975, in which he stated: "...the majority of the Jewish public in Israel, believe that non-Jews are not human beings". I saw this in action a few years ago, while listening to a Radio Talk Show out of Atlanta, Georgia. A caller was speaking about the suffering of Palestinians under Jewish control, when a woman who identified herself as a Jewess called in to say: "Why are you making such a fuss? After all, the Palestinians are only animals!"

One rabbi openly stated: "The blood of a non-Jew isn't as valuable in the sight of God, as that of a Jew". This statement was made following the Hebron Massacre when a rabbi eulogizing the mass murderer Dr. Goldstein at his funeral, said: "5,000 Arabs are not worth a Jew's fingernail!" Yet these are the people many Christians idolize as being God's Chosen!

Dr. Benjamin Freedman, a converted Jew, in his book FACTS ARE FACTS, said: "For every ounce of good you accomplish through the conversion of a self-styled Jew to the Christian faith, you do a ton of harm in another direction". Regardless of what anyone, anywhere, and at any time may say, recent events, everywhere, prove that beyond the question of doubt, that the Christian faith stands with it's foot in the grave, and the other on a banana peel, figuratively speaking.

"The Christian faith stands at the crossroads of it's destiny. The Divine and Sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in it's 2,000 year history".

"If the day ever arrives when Christians can no longer profess their faith (and Jewish legal pressure is working in this direction), as they profess it now in the Free World, then we will see the beginnings of its last days".

The history of the world for the past several centuries, and current events at home and abroad, confirm the existence of a conspiracy to destroy Christianity. (The Zionists openly admit this!) The world-wide plot of these conspirators has been implemented while most Christians have been asleep. The Christian clergy seems to be more ignorant, or indifferent to this plot than other Christians. They seem to bury their heads in the sands of indifference and ignorance. This has dealt a severe blow to Christian faith. Christians need a spiritual Paul Revere to ride across this land, warning them that their enemies are closing in on them" (UNQ).

This is what this message is all about! It is a warning of impending DOOM, unless, with God's help, and in complete OBEDIENCE to Him, we do something to stop it.

While the "brainwashed, bought-off" clergy of America have told us that God haters are His Chosen, the Lord openly declared them to be of the "synagogue of Satan", (Rev. 2:9; 3:9).

While the leaders of most Fundamental and Evangelical churches in America have wrapped the Christ haters in a cloak of respectability, if the truth were known by their parishioners, the Talmudic "power structure" would come tumbling down, along with those Christian TRAITORS who have supported it!

How the Talmudists must laugh with glee, when they see professing Christian leaders such as Jerry Falwell, Pat Robertson, Jack Van Impe and Baptist President Billy Clinton, as they glorify those who mean to destroy us.

If I as a White Anglo-Saxon Israel Identity Christian was to openly charge that writing a pamphlet such as this, was not acceptable, not because it was not true, but because it will not pass Jewish censorship, there would be an immediate cry of "prejudicial, anti-Semitic hatred", both from the Jews and the Judeo Christian world. It would not be protested on the basis of being unscriptural; for it is not, but because I have told the truth about God's enemies, and they cannot stand the harsh light of His truth. Even when truth is painstakingly documented both from scripture and history, the "prostitutes of Judaism" will scream "apostate, hate-monger".

In 1919, Henry Ford, Sr., the great Christian industrialist wrote this truth: "If the Jews were fully understood by the Gentiles (non-Jews), if the Christian churches, for example, were freed from the delusion that the Jews are Old Testament people, and if the churches really knew what the Talmudic
religion was all about, this policy of misrepresentation would die! This policy is succeeding because there is a feeling strongly entrenched in Christians by religious leaders to the point where their people believe it is dangerous to oppose the Jews in anything: for whoever, according to their theology, opposes the Jew, damn's himself! This fear of the Jews is a very real element in our life.,

If Jews were really Old Testament people, if they were really conscious of Israel's mission to bless all mankind: (which is our Israel heritage - Ed!) the very things in which they offend Christians would disappear. The Jew is being attacked, not because he is a Jew, (not because he is the "apple of God's eye") but because he is the source and life of tendencies and influences which if not checked will mean the destruction of moral society". (UNQ).

If an intelligent being from another planet were to visit earth, they would react with shock, I'm sure, as they saw Christians supporting those who are directly opposed to everything they are supposed to stand for. Thinking Christians should read 1 John 2:22, 23, which provides a perfect "word picture" of an anti-Christ. Then in 2 John 10, 11, Christians are told how they MUST react towards these anti-Christ's in order to maintain God's approval, "For he that biddeth them God speed (helps them in any way), becomes partaker in their evil deeds".

Although Jewish sources scream "prejudice" when Jewish leadership is pointed out in "dope, alcohol, pornography, rock and roll, the movies, TV and race mixing", a little research will reveal the dominate Jewish leadership in all these areas. All designed to ultimately destroy the influence of Christianity.

The fourth reason for "Holocaustamania" is to further the Zionist aim towards One World Government, which they hope to have in place by the year 2000. While most say that Communism is dead, it has merely changed it's name and is now called the Zionist New World Order!

What right do Jews have to blame America for the Holocaust, when many of us fought against the Axis Powers, our own Israel people, while we may have been fighting on the "wrong side", as Gen. George Patton observed. He was far sighted enough to see that the dangers form world Zionism/Communism, far exceeded anything we would suffer at the hands of the Nazis and that we had been "suckered" by World Zionism into fighting against our Israel brethren, just as was done in World War I.

Jews react with horror, when they are accused of plots to kill Christians, but as early as 1856, a Rabbi Reichorn, speaking in the Prague at the funeral of another rabbi said: "Wars are the Jews harvests. With them we kill off Christians and gain control of their gold. We have already killed 100 million of them, and the end is not yet!" This was before the debacles of the Civil War, World War I and II, all subsidized by International Zionism for their own good. The Rabbi's words bring to mind those of Jesus in Matt 23:34, 35, when He accused the Jewish leaders of being guilty of shedding all the righteous blood in the world, from the time of Cain.

Why should Christians feel guilty about the sins of the Third Reich when millions of Christians were murdered under Jewish/Communism? Why is this Holocaust never mentioned in our churches? This is a piece of "master hypocrisy".

At the beginning of World War II, the Zionists viewed Britain as their enemy because of their control of Palestine. One of the Rabbis in the Prague, in 1937 told a journalist: "Hitler is our Messiah!" for it was under Hitler's control that World War II started which gave the Zionist's control of Palestine.

The major reason for "Holocaustamania" is the Jewish urge to destroy Christianity. It is part of the Zionist I Bolshevik plot to abolish all loyalties, both political and religious, and "drive God from the skies".

Zionism has never hesitated to sacrifice thousands of what they call their "lesser brethren" to their cause, and deliberately destroyed hundreds of innocent refugees during their struggle for occupation of Palestine, by sinking refugee ships and blaming it on the British in order to gain world sympathy.
They did it during World War II, where there is much evidence of cooperation between the Nazi Government and high ranking Zionists. This is one reason why today the efforts of the Anti-Defamation League of the Jewish B'nai B'rith, (an illegal branch of the Israeli government, operating on American soil without the necessary permit), is used not only to halt anti-Semitism, but to pressure Jews into supporting Zionism. I have had Jewish merchants tell me that they hated Zionism and what it stood for, and when I asked why they supported it, their reply was: "We either support it, or we are deliberately driven out of business!" One well known Jew, Samuel Roth, who had been thus persecuted said: "It got to the point that whenever I saw a Jew approaching on the street, I thought, here comes another Jew stalking his victim!"

The "god" of the Jews was not, and is not the God of Abraham, Isaac, and Jacob. He was the tribal god of the Ammonites who fed their babies to their bloodthirsty god Molech, and who apostate, interracial marrying Israelites followed to become known as Jews. These were the Pharisees and scribes of Jesus' time, against whom He made His severest denunciations, and who finally murdered him.

INSTAURATION evidently knows little about the God of Moses and "true Israel" for they confuse Him with the "god of the Jews" who was a heathen deity.

While there can be no such thing as a Judeo Christian religion, since their values are headed in different directions, there is no contradiction between the spiritual values of "true Israel" and "true Christianity", since they come from the same source, and are headed in the same direction. The importance of this can be found in the fact that those Christians who KNOW who they are, and recognize themselves as not only the spiritual, but also the physical children of Abraham, have a new sense of responsibility to God and their fellow man, which the average Christian who thinks of themselves as Gentiles cannot possibly have.

Can you honestly believe that your Savior came from a people who call Him an "illegitimate bastard, conceived during menstruation?" How can you believe they are God's people, when our Lord clearly stated in John 10:26 - "Ye (Jews) believe (Me) not, because ye are NOT OF MY SHEEP" (Emphasis mine!) How can you as an honest individual who dares to call yourself a Christian, believe that this heathen people, who hate our Master, could possibly be His family relations? Wake up and decide who you are going to believe, your pastor, or your Savior? You will answer before God one day for the decision you make!

If the global plans of Zionism succeed because of the apathy of White Christians in particular, it will not be only the Palestinians who will suffer. A WORD TO THE WISE SHOULD BE SUFFICIENT!

Some of you may wonder why I used the picture of a ravenous Russian bear on the cover of this pamphlet, when we are told by most everyone, including a lot of conservatives who should know better, that "Communism is dead!" REMEMBER: It has merely changed it's name to the Zionist New World Order, which plans to be in place by the year 2000. That is their avowed target date.

The idea is being "force fed" to the American public, by the Jew controlled media, and even in many of our churches, and is backed by the military forces of the United Nations, led by the United States. For all intents and purposes, the President of the United States, and most of Congress is knowingly involved in subsidizing the destruction of the America we have known and loved. By Constitutional definition. Article III, section 3, they are TRAITORS and should be dealt with as such!

While President Clinton "climbs into bed" with Communist murderers (and this has been his leaning since college days); while he financially supports them, while weakening our military forces, the communist world is re-arming faster than at any time in their existence.

While the message from Washington, D.C., and from the pulpits of most of our churches is "Peace! Peace!" We are in more danger today than at any time in our proud history! It brings to mind the
words of 1 Thess. 5:3 - "For when they shall say, Peace! Peace! and safety; then sudden destruction cometh upon them...and they shall not escape."

While we are disarming, our President is doing everything in his power to strengthen the enemy. What we see happening reminds me of a day in 1948, when Dmitri Manualiski, Russian military head of the United Nations said: "We are not strong enough to destroy them (the Free World) now. So we will begin our plans with the greatest peace offensive the world has ever seen. The Capitalist (put White Christian nations of the Free World here), stupid and decadent, will leap at the chance to be our friends; they will willingly cooperate in their own self-destruction, and when they have gone to sleep, and their guard is down, we will SMASH them with our clenched fist!"

When Nikita Khruscliev visited the United States to speak at the U.N. a few years ago, some of you older folks will remember how he pounded on the podium with his shoe, while screaming: "We will bury you!" Many Americans who should have known better, including Professor John Kenneth Gailbraitli of Harvard said: "He meant they would pass us economically!" Yet when Khruschev returned to Russia, according to a report in Pravda, he stated: "I went to America and spit in their faces, and they thought it was dew!" There is such a thing as having a Christian spirit, which doesn't mean being "stupid"!

Many years ago, Josef Stalin, the greatest mass murderer of all time, who was F.D.R.'s friend, looked down through the years with amazing clarity to say: "America is like a healthy body and it's resistance is three fold: it's patriotism; it's morality; and it's spiritual life. If we can undermine these three areas, America will collapse from within". These are the areas where Zionism has been at work, often supported by Christ's church. 100 years ago, one of the highest accolades an America could have was to be called a "Christian Patriot". Today, under the influence of the Jewish media, it has become a word of contempt, connected with "terrorism". 100 years ago, Americans practiced a much higher morality than they do today under the "anything goes; you only go around once in life, so live with gusto" theory of Judaism. 100 years ago, the spiritual life of America was such that Christians were being the "salt of the earth" holding back corruption. Then the poison of Judaism began to take effect and we see America as it is today. A giant "world bully" hated by billions, who still accept our largess, while spitting on us!

Samuel Adams, one of our country's founders, looked down through the corridors of history to make this correct assessment: "While the people are virtuous, they cannot be subdued; but when they lose their virtue, they will be ready to surrender their liberty to the first external or internal invader". Here is where we are today! as the enemies of Christianity and Americanism are pulling out all stops to destroy us. They KNOW that if they can get Israel America, (and by this I'm speaking of our preponderance of White Christian Americans) to disobey God, the curses of Deuteronomy 28 will go into effect and "The stranger that is within thee, shall get up above thee very high; and thou shalt come down very low....He shall be the head and thou will be the tail," (vs 43,44).

Today, as more and more Christian Patriots are coming under attack, not only from the political left, but from the "Zionist stooges" who stand behind the pulpits of many churches. These are setting us up for One World Dictatorship!

Today, the danger to America comes not so much from our external enemies, but from internal forces such as those so-called Christian leaders who have climbed on the "bandwagon of the enemy".

Is there really a conspiracy to control mankind? Intellectual "loud mouths" such as Rush Limbaugh, scoff at the idea. Yet they admit there have been many conspiracies down through the annals of history. Even F.D.R. once said: "In politics nothing happens by accident; it is all planned somewhere in some smoke filled room!" But not now, they say! Our danger has increased immensely, since the leadership in our churches have become "prostitutes" of those Jesus called the "synagogue of Satan", (Rev 2:9; 3:9). Pope John Paul 11 seems convinced that One World
Government is inevitable. According to Malachi Martin, a Vatican expert, in his book THE KEY TO THIS BLOOD, said: "By the end of this decade (A.D. 2000), we will live under the first One World Government that has ever existed in the society of nations. A government with absolute authority to decide the basic issues of human survival. One World Government is inevitable".

(UNQ). Is there a way out of this dilemma? The Bible says there is! In 2 Chronicles 7:14, we find God's FORMULA FOR ISRAEL'S AND THE WORLD'S SURVIVAL! We KNOW it will work, for God has said so. It says, as many of you well know: "If My people, which are called by My name (Christian), will HUMBLE themselves, and PRAY, and SEEK My face, and TURN from their wicked ways; then will I HEAR from heaven, and will FORGIVE their sin, and will HEAL their land". (Emphasis mine!) No "If's, and's or but's" about it! A simple promise!

Our church folks love to quote it, but very few, including their pastors, are willing to stop "doing their own thing", to fulfill it's requirements. MUST we be driven to our knees and have our nose rubbed in the dirt before we "WAKE UP, LISTEN TO GOD, OBEY, and are saved both physically and spiritually?" It appears this is the path we are taking. How sad to see Christian America destroyed when we can be saved! But FIRST our people MUST learn that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE A VICTORY. Along with this OBEDIENCE, will come the DISCIPLINE necessary to win this war! You can't have a winning combination without these two - OBEDIENCE and DISCIPLINE! It's your choice! Will you take the path of "least resistance" to slavery and death, or God's sure plan for VICTORY?

Dear Christian Patriot:

Christian greetings from the Ozarks.

Recently I wrote a Letter to the Editor of our local paper, the Arkansas Democrat Gazette, warning our people of the danger posed by Senator Lieberman, an orthodox Jew, being picked by Mr. Gore as his running mate. As you may surmise, the answers by other letters in the newspaper were a diatribe of "name calling," with none of them giving any answer to the problems posed.

With the situation as it is in the Middle East, and the media "war drums" banging out their propaganda of hate, as they did so successfully in 1918 and again in 1941, but this time the "boogeyman" is the "dirty Arab terrorists", who MUST be stopped at all costs, to protect God's Chosen in Israel. I wracked my brains to come up with a way to warn our Christian people in Arkansas and came up with the novel, but very expensive means of obtaining a Paid Advertisement in the Sunday Paper, which reaches many thousands in this State and the Central U.S.

Enclosed is a copy of this effort. Please pray that God may, use it to open blinded eyes, so that we do not become involved in another war for the benefit of World Zionism and their One Word Order. (We are not in a position to fight a war of any kind at this time).

I a convinced that the bombing of the USS Cole in Yemen was not done by two Arabs in a rubber boat loaded with explosives. It had to be done either by a "shape charge", which would have had to be attached to the ship's hull or a missile. It has become a question not of WHO, but WHY? Remember when they tried to sink our Liberty ship in the Med, a few years ago?

So unless you are like Jerry Falwell, and expect to see the carnage on this old world, from an easy chair on the battlements of heaven - RAPTURED of course - remember, to "Trust in God while you keep your powder dry!"

Your brother and servant in the service of Christ the King,

k Mohr

THE OTHER SIDE OF THE COIN!

With a state of war exploding in the Middle East, which is threatening to embroil this nation in another costly war which we are not prepared to fight at the present time, and with terrorist acts, such as the bombing of our Navy ship in a foreign port, we can expect terrorist acts to take place on American soil, as we "pay the price" for having given the Israeli carte blanche to operate behind the protection, America has given to its wayward "ally" - "bully" is a better word.

The following article, taken from, THE INDEPENDENT, London, 13 October 2000, written by Middle East correspondent Robert Fisk and titled: LIES, HATRED, AND THE LANGUAGE OF FORCE, ARAB VIEW, should be read by every concerned American, before it embroils us in
another war we are not prepared to fight, and for an ally who has consistently "stabbed us in the back!" and shows a willingness for us to fight another war for their survival. Fish says:

"This is a story about lies, bias, hatred and death. It's about our inability - after more than half a century - to understand the injustice taking place in the Middle East. It's about a part of the world where it seems quite natural, after repeatedly watching on television; 66" funeral of 11-year-old Sami Abu Jeza - who died two days after being shot through the forehead by an Israeli soldier, for an Arab crowd to kick to death two Israeli plain clothes agents. It's about a nation that claims "purity of arms", but fires missiles at civilian apartments arid "then claims it is "restoring order." It's about people who are so enraged by the killings of almost a hundred Palestinians that they try and blow up an American warships.

It's as simple as that. When I walked into the local photography shop yesterday afternoon, I was greeted with ecstatic smiles. "Did you hear that an American ship has been attacked and there are Americans dead?" one of them asked. All I saw around the room, were smiled and in a corner, on a small television screen, an Israeli Apache aircraft was firing a missile at Yasser Arafat's headquarters in Gaza.

"Seven years ago, CNN showed us the Israeli prime minister, shaking Arafat's hand, live on the White House lawn. Now live from Gaza, we watched a pilot carrying out an order from the Israeli prime minister to kill Arafat by bombing his headquarters.

As usual last night, the television news broadcasts ? those most obsequious and deforming of information dispensers - were diverting our minds from the truth. They did not ask why the Palestinians lynched two Israeli agents instead they complained because the Palestinian police had not given them protection. They did not ask why a suicide bomber in a rubber boat would have bombed the USS Cole.

"Instead they asked who he was, and who he worked for, and they interviewed Pentagon officials who denounced "terrorism, "but it was always "who or "what, but never "why?"

"It is of course possible that Osama bin Laden, one of the more recent American hate figures, could have inspired the bomber through his sermons, to attack the Cole."(Bin laden's family originally came from Yemen, and it was Yemen, who demanded earlier the right to arms to the Palestinians) but nothing was said about another 12 year old Palestinian boy, who died on top of his father, as he tried to protect him from being shot by the Israelis. Yet many of these attacks on Israeli occupation forces in Lebanon were carried out by young men, unconnected with the corrupt Arab political elite, but who were enraged by the injustice of their lot. This may have been the case in Yemen. When Yasser Arafat signed the Oslo peace agreement seven years ago, only a few asked how soon this rattled, hopeless peace wound collapse. I thought then that it would end in violence, because the Palestinians were being forced by the Americans and Israelis to sign a treaty that would give them neither a state or an end to Jewish settlements on Arab territory.

I wrote then that Arafat had been turned from a super-terrorist into a super-statesman again. And, so it came to pass. Yesterday, the Israeli spokesman Avi Pshner shared a BBC interview with me in which he referred to Arafat as a terrorist!

Alas, none of this was surprising, none save our continued inability to grasp what happens when a whole society is pressure-cooked to the point where it explodes.

A Pentagon official was saying last night that the U.S. Government was trying to find out if the attack against the Cole, was the result of violence in the Middle East. Come again, Related Violence, who can doubt that the attempt to sink the Cole and Her 360 man, American crew, was directed at a nation now held responsible for the deaths of Palestinian civilians? The United States, despite all the claptrap from Madame Albright about being honest brokers for peace, is still a willing ally of the Israeli and backs them in their terrorism against the Arabs whose land they have misappropriated?
Ever since Arafat tried to leave the U.S. Ambassador's residence in Paris two weeks ago, the Palestinians have placed this responsibility on America's shoulders. If the U.S. wants to go on supporting an ally who shoots down innocent civilians on the streets of occupied territories, they will be held accountable, and will have to pay for it. (The thing which bothers me, is how long will it be before we will see terrorism on the streets of American cities like Little Rock, brought about by our government's stupid Foreign Policy, and don't be so, smug as to believe it can't happen here? Mohr).

Of course this does not excuse the bloodthirsty killing of armed Israeli agents, or the desecration of the tomb of Joseph in Nablus, or the murder of Jewish settlers. But the violence on the part of the Palestinians can be explained in direct ratio to their cruel treatment at the hands of the Israeli invaders. (Most of these have no connection with Abraham, but come from a Turco-Mongolian background. They forefathers never set foot in Palestine. They are Turco-Mongolian Ashdenazi.)

The present death toll among Palestinians is almost the same as when Israeli gunners butchered 106 Lebanese at Qana in 1966. That was called a massacre. The Israeli's militia allies killed over 2,000 at the refugee camps at Sabra and Chatila. The Israeli said this was a mistake!

Yesterday, with no apparent memory to guide them, journalists were taking at face value, Israeli's extraordinary claim that they fire on civilian targets only after they had first been attacked. They claimed the occupants of Gaza had been warned to evacuate before they were bombed. Isn't that what they said in 1982 when they bombed Lebanon and left over 17,000 civilian dead in two months?

Didn't our CIA train the Palestinian policemen, who are now being derided by the Israeli as terrorists? So is it not surprising that the Arabs, and the Palestinians in particular, see Uncle Sam behind Israeli acts of violence.

The man who was to have concluded peace with Israel, turned against them and walked out of the Camp David Summit, when he was expected to make a surrender too much. Now President Clinton is blaming him, when in reality the real scoundrel is the President's bankrupt Foreign Policy.

Now we have two Presidential contenders who will try and outdo each other in their love and loyalty to an ally that has always treats America with contempt.

I suppose it will be the same old story, only the Israeli's want peace, (as long as they get what they want), while the evil, riotous, murderous, Palestinians, who are really to blame for their own suffering and loss, understand only force.

That's why Israel's military spokesman last night said "Force is the only language the Palestinians understand," which is about as close to a declaration of war as you can get. (UNQ.)

I just pray to God we don't get involved, fighting for a people whose leaders say their ultimate aim is world control.

The Jewish author Bernard Lazare, in his book Anti-Semitism, page 350, puts it this way: "The Jew is not satisfied with de-Christianizing, he Judaizes and destroys the Christian faith, he provokes indifference, but he imposes his ideals on the world of morals and of life, upon those whose faith he ruins, he works tirelessly at his age-old task of annihilating the religion of Christ."

I don't understand why God commissioned me to be a WATCHMAN on the walls of Christian America, and it's a task I don't much like, as our people detest anyone who warns them of unpleasant things to come. But to paraphrase (Ezekiel 33:3) "If the WATCHMAN see the sword (danger) come, and blows not the trumpet (does not warn the people), and anyone of them is harmed as a result, their blood will I (GOD) require at the WATCHMAN's HANDS. By like token, once you have received the warning, it immediately becomes a personal matter between God and you and He will hold you accountable for the TRUTH you have heard whether you want to accept it or not. So in closing may I say with the Apostle Paul: "Am I therefore become your enemy because I tell you the TRUTH?"
Wishing you God's richest blessings and protection for the stormy days ahead.

From the Watchman’s Corner!
Fall Intelligence Report – 2001

We who know that McVeigh’s execution was a cover-up for high-ranking crime have expressed bitterness, shock, and anger.

Admittedly, he was guilty of this horrendous crime and according to Scripture deserved to be put to death. But to cover-up crimes committed by the untouchables, for their own nefarious reasons, is a far greater crime against humanity than that committed by this troubled man, who was executed speedily to close his mouth forever.

As Americans concerned with the welfare and safety of our nation, and people, we must never, never let this matter rest, until the guilty parties are brought to justice, as the crimes committed at Waco and Ruby Ridge, were also cover-ups to protect those high in government and international government, who are essentially part of this world conspiracy.

Lawsuits are now pending and Terry Nichols is still alive and capable of telling the truth in court, if he has not been intimidated by McVeigh’s death.

McVeigh’s profession of guilt and his almost inhuman references to the deaths caused by his crime are indicative of a sick mind, very possibly made so through CIA brain inserts, which turned him into an obedient human robot, ala the Manchurian Candidate. We know they have this ability, and they have shown their lack of morality on many occasions.

The execution of McVeigh will cause this nation to enter into a period of unprecedented lawlessness. We know from scientific facts available, that McVeigh, the hired assassin could not have destroyed the Murrah Building with a fertilizer bomb as alleged, and there is ample evidence that several sophisticated, high intensity bombs were used to destroy the building. Several unexploded bombs were found in the building after the initial explosion, and military explosive experts like Brig. General Ben Partin (Ret.) have careful explained how a truck bomb could not have done this damage. Evidence points to the fact that the
Fall Intelligence Report - 2001

Government had prior knowledge of the explosion, and had warned its people (the BATF and the FBI) not to work on that day.

All evidence pointing to a conspiracy in the Murrah case has been carefully thrown out of all investigations by what can only be bought off or intimidated judges.

I believe that FBI records were finally revealed at the last minute because they knew McVeigh’s execution would be carried out and were afraid of detrimental evidence that might show up later. So McVeigh’s execution was railroaded through Soviet style. While most executions are delayed for months and even years, his was pushed through by men such as our born again Attorney General, who falsely stated that all the evidence was in, when the surface has not even been scratched.

Any official investigation made, must be done on a private basis, as the government cannot be trusted to reveal the truth, as was the case with the government investigation into the Waco, Texas incident, in which they were obviously given a false bill of health.

The FBI has vital information on the bombing, which has never been revealed. Twenty-three videos tapes by surveillance cameras from adjacent buildings and the Murrah building itself, have never been entered and Defense Attorneys now have them, alone with evidence from tens of thousands of pages of documents, were pulped or shredded.

A very important lawsuit, David Hoffman vs. the Department of Justice is now before the Federal Court of Western Oklahoma.

Now to aid in the apparent cover-up, our born again Christian Attorney General John Ashcroft, appears to have been bought and sold in payoff by the conspiracy.

Ask yourself how Ashcroft knew that none of the 4,000 pages of data, plus videotapes and cassettes had any bearing on the McVeigh case? Yet he refused an extension for McVeigh, as did two of the lower courts.

The FBI even issued a gag order to keep their agents familiar with the secret material, from discussing it. On May 29, according to Irvine Reed, on “60 Minutes”, they aired a second segment featuring four ex-FBI agents, three of whom had been forced out of the Bureau, because of their refusal to lie, and one who had retired to preserve his life.

When Rick Ojeda, who had won a commendation from the FBI head Louis Freeh for work on the Oklahoma City case, was asked by Dan Rather for information, Ojeda said, “A gag order prevents me from discussing that!”

No folks, something is rotten and it isn’t in Denmark, but right here in the United States in Oklahoma City, as strenuous efforts are being made to suppress the truth.
Fall Intelligence Report - 2001

Why has the fact that a human leg was found in the bombed out building, encased in a military boot, with military uniform nearby, while no body has ever been found, hushed up?

This issue must never be allowed to rest until the truth is known, remembering the words of Thomas Jefferson: “Resistance to tyranny is obedience to God,” and knowing that Eternal vigilance is the price we must pay for freedom.

Is there any wonder the conspirators want our guns, so we will be helpless to resist their tyranny?

One State – One Country – One King!

Traditional Christians no longer have a national government, which exclusively supports Christianity, as it did in the beginning. At one time this was our proud heritage. (The Jews still have it in their Palestinian mini-State.)

They have a home they can go to in Palestine that they call their own, although most of them prefer the Welfare State of the Promised Land of America. They still have a means of escape. How nice for the Jews!

For Christians it is tough luck, as we have allowed the anti-Christ’s and aliens to take over control of our own land, a land given to us by God Himself. Christians, you no longer have a national home you can call your own, for you are living under ZOG control (Zionist Occupied Government). It has been handed to them on a platter, as Christians, in disobedience to God, have allowed anti-Christ’s to control us. Today we see the prophecy of Deuteronomy 28:43, 44 in operation: “The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. He shall lend to thee, and thou shalt not lend to him; he shall be the head, and thou shalt be the tail.” Surely as an intelligent person, you can see that this has happened.

God told His Israel people, who were, and still are White: “If you allow aliens to come onto your land, they will become ‘thorns in your sides, and pricks in your eyes’, as they lead Israel into sin.”

Benjamin Franklin, our senior statesman tried to warn the Continental Congress about this, stating: “If you allow them to come in, within 200 years they will control you.” They would not listen and now his prophecy has become fact!

Today, Christians have no other refuge, than to turn to God, as this problem cannot be cleared up by political action.
Fundamentalist Christians have spent countless millions of dollars supporting the Jewish radicals and aliens who want to take over control of Southwest America. They have already outlined plans for political control of California, New Mexico, Arizona, Nevada and Texas, mostly land that once belonged to old Mexico, and want to include it in a new political state called Azatlan (Land of the Aztecs).

While this insidious effort has been underway for several years, the entire country has become overrun by illegal immigrants, who have been given a bastardized form of citizenship, and are told to vote for the Democratic Party.

We have just witnessed an attempted revolutionary takeover of the Presidency in Florida, which came close to succeeding and now radicals like Jim Jeffords are turning Congress upside down. God alone knows what lies ahead for this country and true Christians. (By true Christians I am referring, not to church members, but those who claim Christ and show it by the lives they live. "For by their fruits shall ye know them.") No matter who heads the 2004 political ticket, it will be a horrible choice, with Hillary Clinton looming frighteningly in the background.

CRIMINAL POLITICS, publisher, Lawrence Patterson, P.O. Box 37812, Cincinnati, OH 34522, is offering a plan called the Home State Plan, which would be worth looking into. It is discussed in the May 31, 2001 edition of Criminal Politics.

Personally, I do not believe political action is the answer. It's time for some solid action on the part of those of us who call ourselves Christian, and this action must begin with a heartfelt turning back to God, and obedience to Him. No plan for the recovery of America will work until we understand this. Our only Formula for Survival rests in obedience to the principles of 2 Chronicles 7:14. It will work as God has promised it will, but we must give it more than the mere lip service it is now receiving from most Christians. The answer lies in that obedience to God must come before we can expect victory! Don't expect some magical political formula to work, for it won't!

The Supreme Court has told our children that they cannot pray at football games. (They might upset some, Jews who hears the name of Jesus Christ mentioned.) So the ACLU (Jew controlled sues to ban "In God we Trust."), a Federal judge (Jewish no doubt), sends prayer police into a public school to spy on what he calls illegal prayer. City officials tell Christians using public facilities, "If you pray, you can't stay."

Friends let's face the shocking reality of anti-Christian bigotry in America, and there is no way you can sugar coat it. The unfortunate thing is that few Christians seem to be concerned with what is taking place. There are very few protests coming from prominent Christian leaders and many who do protest, show their double mindedness by supporting the enemy who is causing the bigotry.
Fall Intelligence Report - 2001

Thanks to recent Supreme Court rulings and a host of lawsuits by anti-Christ's in the ACLU, the state of affairs in America concerning religious freedom is growing worse and becoming intolerable. How long will it be, before true Christians will be forced underground in order to worship God? This is the ultimate plan of the enemy, who has boasted that they will "destroy White Christian civilization." Dr. Benjamin Freedman, a converted Jew, in his book "Facts are Facts", says: "The Christian faith stands at the crossroads of its destiny. The Divine and Sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its 2,000-year history.

"If the day ever comes, when Christians can no longer profess their faith, as they profess it now in the Free World, then we will see the beginning of the last days."

In 1934, a Jewish writer of note, Samuel Levy, in his book "Jews Must Live!" stated: "Their (Jews) disease is a sort of moral gonorrhea known as Judaism and seems alas to be incurable. The results, as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt, take a look at any Jew-ridden country in Europe. If you need any further convincing, look at what is happening in America.

"It is my belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is subversive to America's best interests." (Remember this analysis is coming from a Jewish source.)

The ACLU is now using its cohorts in the legal system to strip away every vestige of Christian religious expression. They are pushing their announced agenda of destroying White Christian civilization.

It appears that open season has been declared in American courts, against true Christianity.

The Sekulow Report

A high-stake drama is being played out in this nation today, as the ramifications of several United States Supreme Court rulings take effect.

These High Court rulings have disappointed and angered me, but in the end, they caused me to have a renewed determination to defend our faith, our race, our families, our country and the rights of the unborn.

That's why, from the Alabama State Prayer Police to the Kansas In God we trust! Controversy, the American Center for Law and Justice, is fighting for Christian rights.
Fall Intelligence Report - 2001

Please read carefully the following analysis of how the Supreme Court rulings are infecting our society, and where we must go from here. I trust you will then be motivated to contact the American Center for Law and Justice, P.O. Box 64429, Virginia Beach, VA 23467, Jay Sekulow, Secretary, and become involved.

The Best Case We Ever Lost!

The following is a report in part from Jay Sekulow:

"As I listened to the Supreme Court ruling and listened as Justice John Stevens delivered the majority decision, I knew the legal ramifications would be troubling. The Court had just banned student-led prayers at football games and had further distorted and confused the issue of protested religious speech in the public schools. Tragically, the ruling blurred the distinction between general speech and private student speech, while censoring the free speech rights of students across America.

"The case served as a wake up call for many Christians, and in its aftermath there has been a revival of student led, voluntary prayers in America.

"I believe our defeat could be the best case we have ever lost, for God could well use it to rally Christians to stand for the faith and freedom of this nation.

"Incredibly five members of the Supreme Court believe that prayers led by a student in High School amount to a Constitutional crises.

"The hostility of the Court hung thick in the air. Everyone could feel it. Sadly, hostility towards Christianity has become the prevalent legal sentiment in America today. You can see it by reading local letters to the Editor.

"The words of Chief Justice William Rehnquist’s dissent made it clear that he also knew what was happening. I quote: 'Even more disturbing than it's holding, is the tone of the Court’s opinion. It bristles with hostility to all things religious. Neither the holding or the opinion is faithful to the Establishment Clause, when it is recalled that George Washington himself, at the request of the very Congress which passed the Bill of Rights, proclaimed a Day of Public Prayer and Thanksgiving, to be observed by acknowledging with grateful hearts the many signal favors of Almighty God.'

"The Chief Justice perfectly described the battle Christians have been facing, in our courtrooms, schools, public parks, work places, neighborhoods and even in some churches.
“Cases are multiple like that of the 12-year-old girl who was told by school officials that she could not bring a one-inch cross to school.

“Now due to actions by concerned Christians such as the American Center for Law and Justice, students can organize Bible Clubs, share their faith, distribute Gospel tracts, bring their Bibles to school and wear Christian T-shirts and jewelry, while spontaneous Christian prayers are now Constitutionally protected.

“But we must not rest on these laurels, as the ACLU has drawn a battle line, and its attorneys are working diligently to destroy our hard won victory.

“The most visible battle line in this conflict was drawn. It was in the Chandler vs. Siegham prayer police case, filed by the ACLU, where a Federal Judge, stifled student prayer by imposing monitors (prayer police) in a DeKalb, Alabama school classroom.

“This case has come up twice before the Federal Courts and been defeated both times. But the minions of Satan never sleep and ‘Eternal vigilance is the price we must still pay for our freedom.’

“Nine days following this victory at appellate level, the Supreme Court came up with the shocking decision in Stenberg vs. Nebraska, where the court took the position that states cannot bar partial-birth abortions, a procedure more accurately described as infanticide.

“Thank God, there was very strong dissent in this ruling and Justice Clarence Thomas led a strong dissent and repeatedly rejected ‘infanticide, as an abominable practice.’ It is expected that pro-abortion leaders will file in each of the 30 states involved that have laws similar to those of Nebraska.

“It is established fact, that the United States Supreme Court is pro-abortion and can be counted on to actively promote abortion at every level, and continue to attempt to silence Christians who speak out against it.

“By narrow margin of 5-4, the court upheld the right of the Boy Scouts to set their own moral and administrative criteria, stating that they could not be forced into accepting homosexuals into leadership positions.

“Three or four of these justices will retire soon, resulting in a completely reconstituted Supreme Court. Let us pray that our born again President George Bush, Jr. will appoint men and women to this court who will interpret the Constitution, and not try and rewrite it.

“The worst thing that could happen at this point would be for God’s people to become disheartened or apathetic and give up the fight. We have nothing to fear if we are
Fall Intelligence Report - 2001

Obedient to God’s will. 2 Timothy 1:7 – ‘For God has not given us the spirit of fear, but of power, and of love, and of a sound mind.’ Therefore keep looking up! (Luke 21:28)

“One thing is certain; we must not stop fighting this good fight of faith. In fact we need to double our efforts to overcome this Satanic juggernaut, for we now have them on the run!”

The United Nations is Not What it Seems!

(Most of this information was taken from the “COVENANT WATCH” – April-June 2001 P.O. Box V192, Mount Druitt Village, NSW 2770, Australia. I have taken some editorial license with it, with apologies to its Publisher Frank Dowsett.)

My good friend and fellow laborer in the Kings vineyard, Frank Dowsett of Australia, hits the nail squarely on its head when he says, “The U.N. is not what it seems.”

At the U.N. Conference in New York, in September 2000, we listen as it declares its intention of bringing peace to the world through World Government under the U.N. (This would actually mean world slavery under Zionist control.)

Unknown to our Israelite people everywhere, is the fact that already numerous illegal commitments have been made to the U.N. as the people of Christendom in particular are prepared for subjugation.

The effect of these treaties is to transfer government from sovereign nations into the hands of the United Nations and the Zionist One World Government.

Do you ever remember voting to be governed by the U.N.? I most certainly don’t! Yet the Prime Minister of Australia, Howard John Howard, openly stated –“Nobody has an option to say. I won’t take globalization because there isn’t anything else.”

In 1983, for instance, with no national vote, the Australian Government agreed to a U.N. Convention for “complete and general disarmament”. This was hidden in a U.N. treaty for the “Elimination of all forms of discrimination against women.” It was a means of sneaking in a way to reduce national protection and the efficiency of National Government.

The main stream in all of Christendom has remained relatively silent and has collaborated with National Governments, to keep U.N. plans from the Israelite people.
Fall Intelligence Report - 2001

Would the U.N. use violence to force implementation of the loss of sovereignty? Kofi Anan, the U.N. General Secretary, told a U.N. meeting that “world government can intervene militarily in the internal affairs of any nation, when so approved by the U.N.” (Reported in “The Spotlight Magazine”, 18 October 1999.)

In his address to the U.N. General Convention on 9/20/99, Anan said that the U.N. has the authority to ignore national boundaries in U.N. military missions and violate National sovereignty if it gets in the way of what the U.N. gangsters want.

No, my friends, your eyes are not playing you tricks. These U.N. crooks want complete world control, and they care less about who suffers as long as they gain it.

There have been numerous TV reports of U.N. violations of National boundaries, and of the atrocities that followed, admittedly against small countries that could not defend themselves or retaliate. They have never tried sanctions against countries such as Israel, Russia, Red China, North Korea, or the U.S. and have even left strong military countries such as Iran and Pakistan pretty much alone. Before they can take us over, they must first disarm us, and this is why this one of their most important efforts and is on their permanent agenda.

“The Age”, November 6, 1997 reported that U.N. atrocities in the Belgian Congo had topped 600,000, with U.N. forces firing indiscriminately against hospitals, houses, and civilians.

TV Channel 9, on April 11, 1999, reported that U.N. troops were engaged in genocide in Sebrenitzen during the Bosnian war in 1996, and backed it with TV pictures. On a 60 Minutes Reports program on July 11, 1999, they reported that ethnic cleansing was about to begin in Rwanda, South Africa. The U.N. which is supposed to be a peace keeping force did nothing to stop it, and over a million people died, as they were hacked to death.

The majority of the nations making up the U.N. are military dictatorships, whose leaders took over by force. (“Heritage Magazine”, No. 89, Nov., 1999)

The U.N. is dominated by Eastern Bloc nations with totalitarian governments, which suppress human rights. They comprise 2/3rds of the U.N. and consistently vote against the rights of the White nations of Christendom.

Every Black Republic in Africa is far worse off today in every respect, under Black leadership, than they once were under the sometimes-harsh control of White colonialism. Then they were fed, housed, received medical treatment, and were relatively safe, now
Fall Intelligence Report - 2001

the continent is in a shambles, with no relief in sight, as the U.N. interferes constantly without doing anything to help.

Secretary Anan has the most powerful position in the U.N. and is responsible for the U.N.'s military and police activities. He supervises the peacekeeping and disarmament of member nations.

Notice that while Australia and Canada have been almost completely disarmed, nothing has been done to disarm Communist China, North Korea, Russia, Israel, India, Pakistan, and Indonesia, although they have nuclear weapons, and the teeming hordes of Indonesia have become a real menace to Australia.

From 1946 to the present, every undersecretary of the United Nations has been a Communist with one exception. This was arranged by the U.S. traitor Alger Hiss.

Russian intellectual dissenter Alexander Solzhenitsyn, in an address to BBC, April 3, 1976, said that Communism had already murdered over 110 million people, with the U.N. doing very little to stop them.

The five permanent members of the U.N. Security Council, including the United States, account for 2/3rds of all the military sales being made to poverty stricken Third World nations, many times on loans from the International Monetary Fund, backed by your tax dollars and promoted by the International Jewish Bankers.

The U.N. has become a total failure as far as keeping peace is concerned, and have become noted for their elaborate six course dinner banquets, with the most expensive wine, while their members ride around in luxury in the world's most expensive automobiles, and their people languish in almost unbelievable poverty.

(The UPDATE, May 2000) estimates that at least $600 million a year is wasted by these bureaucrats in corruption and mismanagement while millions die from starvation or are killed off by brushfire wars which the U.N. was supposed to stop.

Despite the U.N. Convention on Human Rights, it has been conservatively estimated there are 250 million child slaves in the world, which the U.N. constantly ignores, while torture is carried out on a regular basis by such advanced countries as Red China, and the Israelis.

The time has come when White Christian Israelites in particular must recognize the United Nations as being completely anti-Christian and anti-American. The time has come when we need to cut off all aid to this greedy monster, and renew the old slogan – "Get us out of the U.N. and the U.N. out of the U.S!!!"
Fall Intelligence Report - 2001

From the Persian Gulf War in 1990, U.N. trade sanctions against Iraq have caused the deaths of over 750,000 children and God alone knows how many adults, all to please our Israeli allies, and punish a country that was once our ally and that President George Bush, Sr., stabbed in the back on pressure from the Zionists. Now the hero of that turkey shoot, Gen. Colin Powell has been appointed as our Secretary of State, and immediately let it be known that he wanted America’s military forces to remain overseas as United Nations police. (This when we cannot, or will not defend our own borders.) Reliable sources say that Powell sees no danger from over a million Red Chinese troops, with their heavy equipment that is now in Panama and Mexico.

The educational branch of the U.N. (United Nations, Educational, Scientific and Cultural Organization, U.N.E.S.C.O.) states that “world teaching must be humanist, i.e. atheist!” It says: “We deplore the division of humankind on nationalistic grounds. The best option is to transcend the limits of National sovereignty and move towards the birth of a World Community. Thus we look to the development of a system of World Law and World Order, based on a Trans-national Federal Government.”

Thus through sheer trickery, the U.N. has become a velvet glove, encased in fist of steel.

In the Korean War, the Communists ruthlessly murdered over 5,000 American servicemen, as defenseless prisoners of war, yet the U.N. General Assembly refused to even condemn these atrocities.

In 1960, U.N. forces launched an incredible attack against the people of Katanga, in South Africa, whose only crime was that they wanted to remain independent and free. The U.N. was the source of this attack against a tiny nation who did not adhere to U.N. decrees. In later years, senior U.N. personnel who took part in the massacre, have boasted how under the guise of being peacemakers, they crushed Katanga.

So you White Israelites in the nations of Christendom that are still relatively free, be under no allusion. They will attack you, if you refuse to live under the tyranny of their totalitarian One World Government.

The traitors in our government and sometimes in our churches have been selling America into the hands of ruthless murderers who are wrapped up in their slogan: “We will destroy White Christian civilization!” and you better believe it! They are well on their way of accomplishing this goal, aided by the apathy of those of us who go by the name of Christian.

The U.N. has been the heathen organization used by traitors in America, to sell decent Christians into One World slavery, while they tell us we no longer have the Common Rights, given to us by God Himself, and we no longer have the protection once given by our Constitution.
The *traitors* in our government, in education and sometimes in the church, have been actively subsidizing our enemy, which is *treason* according to article III, Section 3 of our Constitution, which defines *treason* as "adhering to our enemies; giving them aid and comfort." If subsidizing their treason with billions of dollars in aid, is not "giving them aid and comfort," then I no longer understand the English language.

The Australian Government has given billions of dollars in military aid to Indonesia, which is terribly overcrowded, and covets the vast land areas of the Under-Continent. At the same time, in accordance with U.N. directives, their government is actively disarming the Aussies, so they will be unable to resist an Indonesian invasion.

The U.S. under *traitors* like Bill Clinton "sold us out" to Red China, until we are virtually defenseless, so has gone our Israeliite brothers in Australia.

When we become involved in the big war brewing in the Middle East, will be a perfect time for the Gog-Magog Alliance of Russia; Red China; North Korea; Cuba and very possible Mexico and their allies, to attack us, and we are not in a position to defend this hemisphere. Four of our top divisions, once stationed in Europe, are now in the Middle East area, while we have only two divisions to defend this country. I see the present shaping up of events worldwide, as the forerunner for the Ezekiel 37-38 invasion and George Washington’s Valley Forge Vision.

Our *nukes* will be virtually useless, unless we are willing to engage in a *war of mutual destruction*, and lose possibly 100 million people. China could lose twice that and survive, we can’t!

We have trained our enemy on how to kill our people, and have provided them with the means to do it. We have allowed huge numbers of potential enemies to illegally enter our country and subsidized them. Many of us, who call ourselves Christian, have flouted God’s Law, and gone our own stubborn way. The Day of Reckoning is coming due, and where shall we go for refuge?

Once again, we must fall back on the only *Formula* God has given us for *Survival*, 2 Chronicles 7:14. Yet some of us, according to Isaiah 59:1,2 do not qualify to ask Him for forgiveness and protection. What must we do? It is time for *soul searching*, to see if we are in a position where the King can and will save us. We must give His promise more than the mere *lip service*; it has been receiving from Christians.

Sold Out to Our Enemies!

Today our American nation is subject to a sneak attack by our enemies that will make the Day of Infamy on December 7, 1941, look like a Sunday school picnic by comparison.

Three years ago, the CHINA OCEAN SHIPPING COMPANY (COSCO) signed a back room deal with then President Clinton, allowing them to take control of the Long Beach Naval Station in Southern California.

Enough outrage was generated by concerned Americans that the butchers of Beijing, even with Clinton's blessing were not able to take over this strategic base.

With strong support from Senator James Inhofe, and Congressman Dana Hunter, special legislation was passed to bar COSCO from taking over the California Naval Base, which would have given the Communists a base for espionage and smuggling on American soil. (They have already been found guilty of providing thousands of AK-47, automatic rifles to Los Angeles Drug gangs.)

Now once again, without firing a shot, the Communist Reds are again trying to obtain this foothold on American soil. (They already control Panama and the Panama Canal.)

The UNITED STATES INTELLIGENCE COUNCIL, headed by Dr. Roger Canfield, is now fielding a “Protect our Ports”, petition to Congress. For further information write: P.O. Box 919, Fredrick, MD 21705 or call (801) 640-3466. There is no time to lose on this so act now!

Stop United Nations Funds!

The enemy of world peace, freedom and Christianity has shown their true colors, and their hatred for the U.S. and everything we stand for as a free, Christian people.

Recently in one week's time, the U.N. successfully kicked U.S. Representatives off the Human Rights Commission and the U.N. Narcotics Control Board. There is strong evidence available that Red China and the Socialist Union of Europe have united to humiliate the U.S. in any way possible.
Fall Intelligence Report - 2001

When Congressman Roscoe Bartlett and Dana Rohrabacher tried to issue an Amendment to the U.N. Appropriations Bill, they were blocked – believe it or not – by so-called conservative House Republican leadership.

These amendments would have blocked any further U.S. payments on the debt of U.N. says we owe them. Bartlett simply asked for accounting for the funds the U.S. has spent on U.N. peacekeeping operations, which amounts to billions of dollars, never repaid by the U.N. This amendment was killed by top Republican leadership actions.

The only thing Congress passed relative to the U.N. was an extremely weak threat to stop all U.N. payments in 2002.

Now is the time to contact your Congressmen and let them know how you feel about this continuing treason. Now is the time for us to renew the old slogan: “GET US OUT OF THE U.N.; AND THE U.N. OUT OF THE U.S.!”

Wishing you God’s best for the uncertain days ahead, and always remember to keep looking up! (Luke 21:28).

Your brother and servant in the King’s business,

P.S. Hopefully, God willing, there will be a supplementary Intelligence Report on the terrorist attack late this month. J.M.
In January, I received a copy of the January issue of "THE AMERICAN SENTINEL", published by the LANTERN PRESS, 10660 South Tyron Street, Suite 16, Charlotte, NC 28273.

The information it contained, was so unique and important to an understanding of National and International problems, that I wrote its editor, Mr. Lee Bellinger, for permission to quote in detail from this report, using some Editorial License that would not change the truth of it's contents. (To avoid any accusation of plagiarism, I have his permission in writing.)

With our nation in the midst of turmoil and chaos caused by the September 11th terrorist attacks, on New York City and the Pentagon, it is good to see a man with the courage, to tell the truth, even though it will be unpopular with many Americans at this time. With the nation in the grip of a patriotic fervor, not seen since December 7, 1941, it has become, unpopular, and almost considered treason, to tell the truth about, or criticize government, or the church, even when they deserve exposure and criticism. We have seen the truth of 2 Timothy 4:30, 31, come true: "For the time will come when they (the people), will not endure sound doctrine (the truth), but after their own lusts (longing for material things which comes before their love for God), shall they heap (gather) to themselves teachers (political and religious leaders), having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables (Falsehood)."

I pray this information will prove to be a blessing to you who search for the truth, and desire only God's best for our people and country.

Before Congress emasculates any more of our Civil liberties, in the name of 'fighting terrorism", right thinking Americans, especially White Christians, should press House Republicans into holding unbiased hearings which would shed light on six major liberal policies which precipitated the September 11th attacks. It is imperative that the American people be told the truth; they have every right to know, in order to forestall further attacks.

Warning signs are everywhere, and even the liberal media, which has done a cover up job on what has happened so far, is now becoming concerned. They know they will ultimately be held accountable for their silence, as it will be most unpleasant when the truth is finally known.

The American public is for the most part long suffering and forgiving of government excesses, and stupidity but a time comes when they can no longer be fooled and where people feel threatened, then there will be "hell to pay!"

As I write this, I am looking at a copy of the Arkansas Democrat Gazette, my hometown newspaper. On the front
page is this rather frightening headline: "TERROR FORECAST GROWS DARKER!" The article, which follows, says, "The United States could face terrorist surprises vastly more deadly than the September 11’th attacks, which killed over 3,000 Americans, Defense Secretary Donald Rumsfeld said Thursday."

On a day in which other administration officials said the nation will likely remain on high alert for some time, Rumsfeld said terrorists who managed to get unconventional weapons, and the ability to deliver them great distances with ballistic missiles could kill hundreds of thousands of Americans.

Amid evidence that the al-Qaida terrorists network has been studying U.S. nuclear plants, dams, and water supplies, as potential targets, Rumsfeld said the magnitude of danger would grow if terrorists were allowed to link up with rogue nations willing to supply them with nuclear weapons. "These attacks could become vastly more deadly than those we suffer”, he said, in a speech at the National Defense University graduate school for senior military officers and government officials.

In this message I will attempt to show you, with the help of the "AMERICAN SENTINENAL", what our government is doing to protect you, or what it may have done to precipitate these attacks. (The old saying, "Forewarned is forearmed", would be most appropriate here.)

This report will clearly demonstrate how the United States has become vulnerable to terrorists attacks from Third World nations who may hate us for a variety of reasons.

These dangers have been greatly exaggerated by reckless, amoral policies current among liberal left-wing politicians.

An example of this is the current bent among liberal politicians in Congress, to accuse the armed militia, and Christian-Identity patriots of being terrorists and a danger to the "American Way of Life", when they have always been the backbone in protecting American interests.

They are using a long-term policy, which has proved successful. That is when you are accused of wrongdoing; attack your opponent through name-calling, and by accusing him of the things, which you are guilty. Then while he attempts to defend himself, you are free to carry on your dirty work.

To the liberals in Congress, and the brainwashed Christians in the Fundamentalists and Judeo-Christian churches, they represent a danger, for they speak the truth, which many of these organizations have been suppressing.

It is difficult for these people to understand that in America, there are still large numbers of professing Christians who cannot be intimidated, who cannot be bought, and who are armed and ready to defend their "Bill of Rights". The very idea frightens them, for they cannot conceive of such dedication to God and country. These patriots must be removed before the Zionist plan for One World Government can be successful.

Unfortunately liberal plans such as this are being swept under the liberal carpet, to keep Americans from knowing the truth. In many cases it has become a conspiracy between liberal politics and liberal church world, which are working towards the same goal of universal One World Government, where all people are pressed into the same political and religious mold.

The Bush Administration, in order to preserve what they call "national unity" has swept many important facts under the political carpet. We will attempt to unravel some of them, and in so doing may have to say as the Apostle Paul did to the Galatians’ Christians, "Am I therefore become your enemy, because I tell you the truth?" (Galatians 4:16)

National unity today has become political shorthand for not holding elected. officials accountable for the oath of office they took, to protect the Constitution and this Republic against all enemies both foreign and domestic. Instead many in both the church and politics have become traitors and got fat off their treason. We seldom hear anything about this for treason prospers! What’s the reason? For when treason prospers few dare call it treason!

Those who give aid and comfort to our enemies, either foreign or domestic, for any reason, are traitors according
to the U.S. Constitution, Article III, Section 3.

The people in our government and churches, who follow these illegal and immoral tactics, must be held accountable if we are to remain free.

This Report will show that if any of the following six liberal policies had been stopped, the September 11th attacks might never have taken place. That's why it is imperative for us to press our government for unbiased Congressional investigation of what took place prior to September 11. (It must not be a government cover-up as was the case in the Waco and Murrah Building investigations.)

Based on extended research by papers such as the AMERICAN SENTINEL; the JUBILEE; the AMERICAN FREE PRESS and CRIMINAL POLITICS, Congress can best prepare for these hearings by exposing the liberal policies we will discuss in this Report, which not only possibly, but probably contributing to it.

Cause 1

Law enforcement authorities in our government were powerless to take action against hostile foreign visitors within our borders, due to explicit liberal pressure in Congress and the organized church world. These damaging policies were formulated for the most part within the leadership of the Democrat Party, which effectively extended "Bill of Rights" privileges to alien immigrants who were in America. (In the Constitution, these rights were only intended for American citizens.)

In fact they were begun under President Carter, and expanded under his Administration. It was only after thousands of Americans had died in the 9-11 attacks that the FBI was allowed to open the Moussarios research. The information they discovered was enough in detail regarding the attacks, they could have very possibly prevented them.

Cause 2

Anti-defense Democrats blinded other Congressional Law makers, as to the moves of hostile foreigners in the United States. (It was similar in many respects to my attempt to warn our State Department of the presence of many Russian and North Korean troops within fifty miles of our border with Mexico, with heavy equipment in 1976. Although I presented State with photos of this equipment taken in the northeast area of Mexico, near the Lake Cuidad Victoria, and less than a hundred miles south of Brownsville, Texas. I was given stern lecture about having been in an off limits area when the pictures were taken, and was threatened if I spoke about what I had seen in public. It became apparent that the liberals in the State Department were more interested in covering up this truth, than in keeping the American public informed When I spoke about this during a radio talk show in San Antonio, Texas, I came under harassment by the FBI, the CIA, and their bullyboys in the IRS. Their argument was that I was endangering National Security by informing Americans of danger at their doorstep.)

Our government was caught flatfooted on September 11th, in large part because liberal Democratic pressure in Congress had dismantled the Congressional Internal Security Committee during the 1970's.

In the wake of a Congressional witch hunt, in Congress against this vital Security Committee headed by such Democrat liberals as former Idaho Senator Frank Church and former Representative Otis Pike of New York the Democrat controlled Congress, abolished the House Committee on Un-American Activities and it's successor the Internal Security panel. They also terminated the Internal Security Division of the Justice Department, all vital to National Security.

Cause 3
Anti-defense Democrats during this period emasculated the CIA's ability to infiltrate and disrupt the activities of hostile foreigners, operating against American interests both at home and abroad.

Beginning in the 1970's with the Carter Administration, and escalating under Clinton's control, they and their liberal allies forbade the CIA from collecting personal information, on hostiles, in favor of using high tech spy satellites. The result was that our intelligence agencies could detect large troop movements in hostile countries, but were blinded when it came to analyzing their intentions. It was almost impossible for them to determine the plans and activities of terrorist cell groups, some who were operating within our borders.

Cause 4
A Motor Voter Law, allowed hostile illegals to blend easily and secretly with honest citizens. The Southeastern Foundation has established the fact that prior to September 11'th, hostile illegals had obtained Virginia driver's licenses, which allowed them to transact businesses, open bank accounts and enter flight schools. How did this happen? These illegals obtained these licenses by taking advantage of the Democrat backed "Motor Voter Act" of 1993, which made it easy for illegals to vote and in many instances obtain driver's licenses. It does not take an intellectual brain to see how this would make it much easier for terrorists to plan their attacks.

Cause 5
Environmental extremists blocked the World Trade Center, from using fire-resistant support structures. (This came during the hysteria-backed campaign by environmentalists during the 1965-1972 period over the use of fire-resistant asbestos.) All floors above the 64'h street level had to be constructed without the use of asbestos.

The New York City Council (Democratic controlled) voted in favor of this move, although they did not have evidence of a single death caused by the use of asbestos in construction. At that time, experts in skyscraper construction safety warned the Council: "If fire breaks out above the 64th floor, the building will collapse."

Building experts agree that it was the 2000 degrees heat from the burning aviation fuel that melted the non-fire resistant external building supports causing a catastrophe that had warned about thirty years earlier.

Cause 6
The State Department, under Democrat control jammed open the floodgates for foreign immigration from terrorist backed regions in the Middle East.

A detailed, non-partisan Congressional hearing is desperately needed to correct what has become a tremendous national liability. This is the unfettered access to America's heartland made possible by unlimited, and often unsupervised enemy immigration.

Even while Congress is passing new laws that restrict the Civil liberties of American citizens, they are often allowing free access to our enemies. An estimate has been made that about 26,800 immigrants entered the U.S. during October and November 2001. Most of them coming from potentially hostile countries, such as Morocco, Libya, Syria, Iraq and Iran.

We must have immediate help from Congress to obtain these hearings.

Democrats on Capitol Hill are already demanding that hearings such as this be nonpartisan, which is another way of saying, "We don't want a Congressional investigation of the left-wing policies which have made America vulnerable to enemy attacks."

As you can see from, these six major causes, the best way to terminate future terrorists attacks is not in the destruction of Civil Liberties for our citizens, but in forcing official Washington to admit and correct the dangers they have allowed by following liberal policies. The people we elect to office must be held accountable to the American people for their oath of once, to defend this country against all enemies both foreign and domestic. They must understand this when they accept their office, whatever it may be, and there can be no excuses accepted for not doing this!

Actions to take,
Tell the House Speaker that you want hearings to expose the policies that led to the September 11't attacks. Insist on it! You can contact him by telephone or by mail. Be courteous, but be firm. Our elected officials must realize that we mean business and that we are past the point of where excuses will be accepted. It will only take a few
minutes of your time and a 37-cent stamp. Second Action to take:

The next time you receive a funding appeal for President Bush or the Republican Party, write back demanding that the GOP lawmakers hold a hearing to expose the liberal policies which made the September 11th attack possible.

Much has been said in the liberal, controlled media, about the possibility of a devastating nuclear or biological attack in the near future. Although this idea may be held up to ridicule by the liberal factions in politics and the church, it is essential that the question must be honestly asked and answered: "Is this likely or even possible?"

The United Nations estimates there have been approximately 153 thefts of nuclear materials and 183 disappearances of radioactive matter necessary to build a nuclear device. There has also been the disappearance of large numbers of so-called suitcase bombs, from the Russian nuclear arsenal in the last seventeen years. (These are small dirty bombs, that can be easily carried and while they would not destroy an entire city, they would kill thousands of people, and make the area unlivable for years to come.)

The dirty bombs (suitcase type), is made up of large quantities of dynamite mixed with fissionable materials, which would contaminate a large area. Casualties would depend on crowd density, but would undoubtedly be used where the population is high, for maximum effect.

Imagine if you will, the effect this would have on our nation, if one were to be detonated at a large sporting event attended by over 100,000 people. (Some events, like the Kentucky Derby, and the Indianapolis 500, draw crowds of over a quarter of a million people.) The very thought makes our blood run cold, and many will dismiss the possibility as fright tactics. Yet events leading up to September 11th's attack, make this a distinct possibility that we can no longer refuse to accept, for our survival is at stake.

Many experts believe there is a 50/50 chance of atomic bombs being detonated on America soil in the near future, or possibly even worse, a much larger chemical or biological attack that would kill millions. Today, as never before in American history we are in a period that "tries men's souls," and we will not get out of it by wishful thinking, or by expecting our government to defend us.

Two Arrests made at a Nuclear reactor site in the Netherlands

News magazines reports that hush-hush arrests were made in late September 2001 in the Netherlands. According to the Dutch News Agency, the still two unidentified men, who were carrying false identity documents, were arrested at the European Commission's Nuclear Research Center. An American researcher, who specializes in research on dirty bombs, sees a real threat here. Professor James Ballard of Grand Valley State University in Michigan wrote a report in 1998, detailing this long-term threat. Many experts are waiting for the other shoe to drop! Particularly as they see the large number of unsupervised aliens now on American soil.

Do you live Near a Nuclear Plant?

If you live within ten miles of a chemical-industrial facility, there is evidence that other attacks similar to the September 11th attack may be planned for chemical plants near large urban areas. The Washington Post confirmed on December 16, 2001, that known terrorist leader, Mohammad Atti, had detailed plans for attacking chemical facilities in Tennessee that contain over 250 tons of Sulphur Dioxide.

U.S. forces in Afghanistan have found other detailed plans for such an attack on American soil.

While President Bush and our military leaders have confirmed that the war in Afghanistan is going as planned - Virginia we ain't out of the woods yet!

It is suggested that if you live within ten miles of a large chemical plant, you should prepare yourself for an emergency just to be on the safe side. Hopefully you will not need it, but it's far better to be safe than sorry. (I would suggest at least a weeks, supply of food, water and medicines be kept on hand.)

U S. Appeasement of Pan Am flight 103 murders emboldened terrorists!

One thing we should, have learned from world history is that there is no way to compromise with evil, and evil men come out in the driver's seat. This has been proven too often to be a subject of argument!
Terrorists no doubt felt relatively secure in attacking the United States because of the Clinton's Administration's shameful handling of mass murder, when terrorists blew up a Lockheed Jumbo Jetliner out of the skies over Lockerbie, Scotland. An investigation determined that Libya, Iran and then Communist Czechoslovakia were involved.

In a 2000 Reader's Digest story was documented how relatives of the 259 victims were forced to watch as the Clinton White House rewarded Libya by reducing sanctions against them in exchange for our governments releasing two top operatives who were scheduled for trial in a Scottish Court. There was never any State Department or military response to this mass murder. Almost certainly, this sleazy handling of this case emboldened Arab terrorists. Chalk up another Clinton Administration appeasement of evil.

Black America has been Radicalized!

The radicalization of Black America has always been an agenda of the liberals, especially those associated with International Zionism. It is even more important now, as we find America being seduced into another war, this on in the Middle East, which could easily escalate into World War III. We are not prepared for such a war. Our military ground forces have not been in a real combat situation since Vietnam, where we were defeated, not by our enemies, but by liberal politicians who would not let us win.

Our Air Force while superbly trained and armed has not been in a real combat situation, since World War II, while our Navy has not been tested under real combat conditions. Now these same hate American principles, liberals are engaged in a further effort to defeat us from within, by radicalizing our Black population. Indications are that if the liberals have their way, Blacks will be used as cannon fodder, to bring us into the Zionist New World Order, then when the damage has been done, they are to be dropped as useless trash.

In late November, leftists convened a disturbing conference in Atlanta, Georgia, called "The State of Black World Conference". This hate fest was directed against White American concepts of justice. One participant, Dorothy Lewis, who is co-chairperson of the "National Coalition of Blacks for Reparations in America", said, "September 11th was an opportunity to see the possibilities of what can happen to the people who are under the influence of terror, as the Blacks have been. Slavery was terrorism (so true, but she said nothing about it having begun and carried off by Jewish slavers, who purchased Black slaves from Black African chieftains, with rum distilled in Jewish owed distilleries in abolitionist New England; how they were brought to North America on Jewish owned slave ships, under such deplorable conditions that as many as 10 million Blacks may have died in route, then were sold by Jewish auctioneers, in Jewish owned slave markets). Black liberals who are part of the Zionist conspiracy to destroy White Christian America never mention these truths. Ms. Lewis went on to say, "We can use September 11th to see terrorism."

This attitude should not be unexpected, for as early as 1921, one of the leading Communists in Britain, Israel Cohen, wrote a book titled, "A RADICAL PROGRAM FOR THE TWENTIETH CENTURY". The following is an excerpt from this book, as taken from the U.S. Congressional Record, of 1957, page 8559:

"We must realize that our Party's most powerful weapon is racial tension. By pouring into the consciousness of the dark races that for centuries they have been oppressed by Whites, we can mold them to the programs of the Communist Party.

"In America we will aim for a subtle victory. While influencing the Negroes against the Whites, we will endeavor to instill in the Whites a guilt complex, for their exploitation of the Negroes. (They have been most successful in doing this, especially in the JudeoChristian churches of America who have gone overboard with this false teaching.)

"We will aid the Negroes to rise to prominence in every walk of life, in the professions, in the world of sports and entertainment. With this prestige, Negroes will be able to intermarry with Whites (a few years ago this was forbidden by law), and begin a process that will deliver America into our control." (UNQ)

Today, it is quite evident from remarks made by liberal Black extremists that a racial war is in the making, where Blacks will be used as cannon fodder, to further the aims of the Zionist New World Order and destroy White Christian civilization. Many conservative Black leaders recognize this danger, and know that while many Whites would die, it would result in the elimination of Black influence in America. They too have been fighting a battle against overwhelming odds in an effort to protect the progress their people have made in America. They know the
Zionists cannot be trusted as either friends or allies.

Is Self-Reliance on the Rise?

This has been a major item for liberals when it comes to Blacks and other non-White races. So they push for pride in the colored races, while calling it racism in Whites. They promote special days in which coloreds are honored; they push for the teaching of Black history in our schools, while deplored efforts by Whites to do the same for their people. They have gone so far in their radicalization, as to teach that only whites can be racist. It is interesting to note, that this liberal propaganda is usually taught most vociferously by those who have benefited most under a White Christian way of life.

There is no Black led Republic in Africa, where citizens have the freedom AmericanBlacks enjoy. All of them are far worse under Black control, then they were under the sometimes-harsh colonial control of Whites.

Yet such is the liberal media control over all of us who are thinking Americans, that they can turn a lie into truth, and make Black come out White. (No pun intended, see Isaiah 5:20)

Self-reliance was once a staple with the American people as was righteous indignation (the ability to identify right from wrong, and the guts to do something about it). Now under the New World religion of Secular Humanism, our youth are being taught there is no such thing as right and wrong, only shades of gray, which changes according to your environment. This has become known as "Situation Ethics".

In the wake of 9-11, there is some evidence that we may be seeing the national pendulum swinging in this most important direction. As the truth is beginning to sink into the consciousness of millions of previously media brainwashed citizens, that while our government, both Republican and Democrat, has been spending countless billions of tax dollars on intelligence, security and military force, something is drastically wrong, when our nation can be brought to chaos and fear by some Stone Age Third World nation, smaller than many of our states. Could it be that this chaos has been deliberately created from within by the liberal traitors in our own government? (Those men who are dedicated to bringing us within the Zionist orbit of their New World Order?) Could it be that our search for terrorists should begin with a good housecleaning in Washington DC, and in many of our churches, who are supporting God's and our enemy?

Since 9-11, the FBI reports that the sale of handguns has soared by 21%, as many of our people are beginning to realize that our government cannot, or will not defend us from our enemies.

In our Nation's Capital, where law bans handguns, the sale of shotguns and rifles has soared by 50%-70%, and in liberal dominated California, the sale of handguns is up 41%. Many Americans are beginning to reason that they must take care of themselves, as neither the police nor the military are able to do it under our present corrupt system. For you Christians, this responsibility is clearly shown by the Apostle Paul in 1 Timothy 5:8, when he said, "any man who will not provide for his own family (and that surely includes defending them if necessary), has denied the faith and is worse than an infidel." I have had Christian ministers tell me that they would not use force, to stop an assailant from raping their wife and daughter. To me, and according to Scriptures, this man has no right to be called a Christian, much less a Christian leader.

Many of our people are no longer willing to sit on the fence and wait for government to take care of them. They are beginning to take action! I believe one of these actions should be to let our Congressional leaders know, that we will hold them accountable for their national stewardship. (I am doing this by answering Republican pleas for support by telling them: "Prove your sincerity by your actions, then ask for our support!" You can receive a FREE copy of these letters by sending me a self-addressed, stamped envelope.)

Russian Government Cooperating with U. S. Liberals for Total Gun Control!

Columnist Toby Westerman points to a recent conference held in Moscow, by the Russian government, which was attended by hardcore American gun-grabbers such as Representative Henry Waxman, (D-CA), Representative Carolyn McCarthy, (D-NY), and Nan Aron of the leftist Alliance for Justice. This event was broadcast by the official Russian "Voice of Russian World Services", and took special aim at U.S. gun makers, who the Communist/Zionists say are exploiting the 9-11 tragedy to make a huge profit. They refuse to admit that this attitude is caused by liberal reactions, and of patriotic

Americans who refuse to give up their Second Amendment rights to a heathen International force.
Moscow's connection to global gun-grabbing activists is not new. In July, the "UN CONFERENCE ON SMALL ARMS AND LIGHT WEAPONS", exerted considerable pressure, as Russian issued a special assault against American gun manufacturers. This is an important issue that American Christians in particular must keep in mind; American people must be completely disarmed, before the Zionist One World Order can take control. Christian (?) liberals, who cooperate in this effort, are harming the security of this sovereign nation and are therefore our enemies.

According to Westerman, many of the nations attending this conference already have restrictions against public ownership of small arms. Yet in many Third World countries, like the Black Republics of Africa, government leaders regularly murder and intimidate their unarmed, defenseless citizens.

I personally believe we must return to the Biblical principle that forbids White Israelite people from engaging in "entangled foreign alliances", with heathen nations. Our founding fathers such as George Washington and Benjamin Franklin warned of it's dangers, but political expediency won out over common sense and we have had nothing but trouble on the foreign front ever since. None of our wars since the Spanish American have been fought for the defense and good of America, and only alien, antichrist forces have benefited from them. Yet under liberal leadership we never seem to learn that: "He who will not learn from the mistakes of history, is bound to repeat them!" So we go blundering along, decade after decade, getting deeper and deeper into the foreign quagmire that will eventually destroy our freedom.

Our world problems began when man thought he knew more about how to run things than God himself. Over a hundred years ago a German Jewish philosopher named Ludwig Feurbach stated: "Man will only be truly free, when he realizes there is no god of man, but man himself." This idea took root in the diseased mind of a young Jewish radical named Karl Mordecai Marx, and became the foundation of modern Communism, and his Communist Manifesto.

We have refused to follow God's warning in 2 Chronicles 19:2 - "Shouldest thou help the ungodly (they are the antichrists according to 1 John 2:22)? And love them that hate the Lord (they call Him an illegitimate bastard), therefore is wrath upon thee from before the Lord." No one has been guiltier of this sin than the so-called Christian church world, which has attempted to turn God's enemies into His Chosen.

We pay bitterly when we disobey God and His Word has stated in many places: "Come ye out from among them (the heathen), and be ye separate, saith the Lord." Yet we have ignored this and have welcomed them with open arms, even though God's Word said they would become "thorns in our sides, and pricks in our eyes", if we mingled with them, and allowed them to lead us astray. They did this in World War I and II, in Korea, and Vietnam, and in every little brush fire war since. Now once again we are allowing them to lead us blindly into the Zionists quicksand of the Middle East that may very well lead us into World War III and destruction.

Other Important New not being Disseminated by the media!
The FBI knew - The CIA knew - M-15 knew- and MOSSAD knew that 9-11 was eminent. Therefore it is reasonable to believe that both Mr. Sharon and George Bush knew too.

The dominance of World Zionism over our American government must be broken, if we are to exist as a _tree and sovereign people. Their open boasts show they intend to destroy us!

It is becoming more and more evident that the 9-11 terrorist attacks were designed to force Presidential action that would commit our armed forces to the big war brewing in the Middle East. In spite of the glowing reports you read in the media, we are not prepared to fight and win such a war. Unfortunately our military are now being trained that their loyalties are not to the U.S. but to the United Nations. In fact many of our ground forces are being trained as policeman, rather than soldiers. Their goal is the control of Americans, not the defense of this country from "all enemies; foreign and domestic. "

In 1991, the CIA with Saddam Hussein as their "stooge" organized the fake attack against Kuwait It had nothing to do with protecting America or Americans but was designed solely for the benefit of International Zionism and
their political interests.

Now ten years later, Bush (the son), is apparently repeating the performance of his father by committing our military into the Middle East, under the pretense that we are fighting "terrorism." (This information comes from "CREVIINAL POLITICS", Lawrence Patterson, Editor, and P.O. BOX 37812, CINCINNATI, OH 45222.)

The truth about the Middle East fiasco is surfacing day by day, as our government spends billions of dollars, and valuable military equipment, that may be needed later for our protection. The mess we are now engaged in, in the Middle East, will not be won by military or political means, or by throwing huge sums of money at it as we are doing now.

I believe that Mr. Bush would have fought to keep this incident from happening, but he was under tremendous pressure from the Zionist controlled media, and the Zionist lobby in Washington, DC. The media, and the liberal One World traitors in Congress would, have blocked any actions by Mr. Bush to forestall this action.

Now reliable information has surfaced that there may be as many as 100,000 trained terrorists (trained in terrorist training centers in enemy nations), with tens of thousands of them, already within the United States, and completely unsupervised by our StateDepartment. Surely the "barbarians are already inside our walls ", often backed by the church world.

This could have been avoided with adequate supervision from high officials in the Military and State Departments. This is why I say that our search for terrorists should begin with a good housecleaning in Washington, DC, and in many of our churches. There are many traitors among the liberals in America, who have been "giving aid and comfort to the enemy ".

Many proofs of government involvement in the tragedy of September 11" have been published in foreign newspapers but have never been touched by our controlled media.

"The Los Angeles Times" of September 20, 2001, admitted that the "FBI and CIA officials were advised in August that 200 terrorists were in this country, who were planning a major strike against us." Apparently little was done to stop this, and both the FBI and CIA should be held to account for their inaction, by the American people.

David Schippers, the Counsel for the Clinton Impeachment Investigation, learned of the impending attacks and warned the U.S. Justice Department weeks ahead of time. He even identified southern Manhattan as the site of the coming attacks and was completely ignored. All decent Americans of all colors, and especially those of us who know we are "born from above White Israeliite sons of Abraham" should be foremost in our demand for a full investigation of this rotten mess.

It is only as we learn to obey God, and "Cry aloud, and spare not" when it comes to exposing evil (Isaiah 58:1), that we will once again be able to call ourselves Christian America, and expect God's blessings on our efforts.

Other Attacks?!

There had been previous attempts by terrorists to use an airliner as a missile against a tall building. In 1991, an Islamic terrorist group hijacked an Air France jetliner in Algiers. They demanded that the aircraft be loaded with 27 tons of fuel, more than three times more than needed to reach it destination in Paris.

French authorities determined from hostages who had been released prior to the flight, that this group planned to crash it into the Eiffel Tower. French troops stormed the plane before it could takeoff, killing the hijackers.

As you may remember the World Trade Center was also attacked by a truck bomb in it's basement in 1991, which should have given a clear warning to authorities that this Economic Center might be a future target.

According to "INSIGHT" Magazine, October 15, 2001, the CIA was taking no chances with 300 of its agents who were away from their stations in the Twin Towers on September 11t. Could this have been a strange coincidence? Or was there prior
knowledge, which would mean criminal malfeasance of duty that must be brought to light and punished. (Shedding of man's blood, by other men, can only be cleansed by the shedding of the blood of the murderer.) This in spite of all the liberal voices rose against Capital Punishment. God has ordained this and man cannot set it aside without awful consequences. There are many Scripture references attesting to this truth.

Genesis 9:6, beginning, God ordained: "Whosoever sheddeth man's blood, by man shall his blood be shed. .." No man, or earthly power can cancel this law!

Numbers 35:30, 31 - "Whoso killeth any person (maliciously), the murderer shall be put to death by the mouth of witnesses; but one witness shall not testify against any person to cause him to die. Moreover, ye (Israel) shall take no satisfaction (bribe or ransom) for the life of a murderer: but he shall surely be put to death!"

In Psalm 106:35-41 we see where God's wrath rested on Israel because they allowed murderers to escape justice.

Then to cap it off, Jesus Christ, God's Son, our Savior, accused the Jewish people of being guilty of all the righteous blood shed on earth, from the time of Abel's murder, to His time. (Matthew 23:34,35) He knew that the Jews from the beginning were guilty of most wars, which had been fought on earth, not for their protection but to gain power and wealth. Today Jewry is frantically trying to have His words excised from the Bible, and are being helped by liberal churchmen in the Judeo-Christian churches.

Why have I spent so much time on "murder"? It is because God places a special curse on murder and the murderer. It is an abhorrent crime in the eyes of God, and allowed to go unpunished, brings more blood and suffering on the land.
